Chapter 2258

Chapter 2258

"What? You want me to apologize? Leon, is there something wrong with your head?! Who do you think you and Iris are to have me apologize to you?!" Yonas laughed as he looked at Leon with complete disdain.

He knew that Leon was only an insignificant bumpkin from a place as worthless as Springfield City. Leon did not have any connections or family in the southern region!

There was no way he would think anything of Leon!

Yet, Leon not only reject his request to buy the shares of Elegante but even asked him to apologize to Iris for breaking his arm!

That was just too absurd!

He did not know where Leon got the courage to act like this in front of him!

"Yonas, I already gave you a chance! Since you aren't going to treasure it, then don't blame me!" Leon said coldly.

After that, he wasted no more time in charging right at Yonas murderously.

"What do you want?" Yonas was taken aback by the murderously of Fane's eyes. He felt uneasy!

"It's simple! I'll break whichever hand you used to slap Iris before to get justice for her!" Leon said coldly. The coldness in his voice caused everyone to shudder.

"You're going to do that? What a joke!" Yonas looked like he just heard the greatest joke in the world. He immediately started to laugh out loud.

"Leon, I don't mind telling you this, but both these guys next to me are at the peak Emperor State! They aren't people a brat like you can handle! Since you want to make yourself look bad, I'll grant you your wish!" Yonas said as he pointed at the two experts. He had a look of mockery on his face.novelxo

Even though he did not know how strong Leon was, Leon fought Rodney before in Cynthion Group's sales drive!

At the time, many of them saw that Leon was at the intermediate or advanced Emperor State at most!

This time, he deliberately brought over two peak Emperor State experts to ensure that he would be able to push Leon back and get Elegante's shares. They were far stronger than Leon!

No matter how you looked at it, they would be able to get rid of Leon easily!

Yet, not only was Leon refusing to listen to his request, Leon was even threatening to cripple one of his arms!

Was that not just a complete joke?!

"Sully, Norm, teach this guy a lesson for me! Show him his place!" Yonas coldly instructed the two experts.

"Yes!"

The two experts saw that Leon was planning on attacking

Yonas, so they did not hesitate to step forward and stop him!

"Leon, I'll give you one last chance. As long as you accept the cash and give me the shares, I'll stop things here!

Otherwise, I'll show you how painful it is to go against me today!" Looking at Leon being surrounded, Yonas laughed coldly as he spoke!

It was obvious that he was still after the shares of Elegante. That was his main motivation!

"Brat, did you hear what he said?! You should just listen to him so you won't have to feel all the pain!" Norm and Sully said.
