Read The Ex-Husband's Revenge By Dragonsky Chapter 229 – “Ariel, could you be mistaken?” Leon said with uncertainty.

After working together for a few days, Leon trusted Stanley quite a bit.

However, thinking about how Stanley looked over the documents before Leon signed them, Leon started to be a little unsure.

After all, it was suspicious that Stanley did not notice any problems with his skills.

“Miss Summers, this has nothing to do with me. I'm innocent,” Stanley never expected that Ariel would point right at him. He started to panic a little as his palms started to sweat anxiously.

“You know yourself if you're innocent! As the manager of the workshop, how could you not notice anything. at all faces such huge problems in production?! Similarly, if anyone wanted to harm Leon, they would need your help. Otherwise, there's no way it would escape your eyes! In other words, even if you weren't the one sabotaging Leon, you know the details!” Ariel sneered.

“I—I didn't...” Stanley paled, already in complete panic.

He was never a good liar nor a schemer either. Facing Ariel's relentless assault, the defenses around his heart started to crumble.

Ashwin and Michael's expressions changed at the sight, starting to feel uneasy about the situation.

“Miss Summers, this is just your speculation. You said that Mister Wallace sabotaged Leon, but do you have any proof?!” Michael hurriedly stood up.

“That's right! Ariel, if you have no proof, don't accuse anyone for no reason!” Ashwin berated with a dark look on his face.

“Mister Mercer, Mister Duvall, the two of you have nothing to do with this, so why are you talking so much?!” Iris said unhappily.

“That...” Ashwin and Michael had sour looks on their faces as they reluctantly shut their mouths.

Ariel focused on Stanley again, and she was even more forceful, “Mister Wallace, I didn't expect you to be so petty! When you asked for my and Leon's help with your subordinates, Leon agreed without any hesitation! To achieve his promise, he overstepped Ashwin without any hesitation. He was even attacked by Ashwin and many other executives!

“It's fortunate that he was able to succeed in the end! Furthermore, he even put your ideas into improving. the raw materials, so all your hardwork did not go to waste! Without him, all your ideas would have just been. empty thoughts! Is that how you repay him?!”

“I...” Stanley's expression was completely ashen as he was completely pushed back by Ariel, unsure of what to do.

“Not only that, Miss Young was not aware of your contributions before, so the human resources department did not include you in the statement. Leon noticed that something was wrong and immediately voiced it to Miss Young. He even recommended you to her with all his might!

“He even felt like he owed you, and wanted to equally share the rewards with you. He even wanted to give you five percent of the company's dividends as a reward!

“He's already been incredibly good to you!”
