Chapter 2339

"Southern Boss, why don't you focus on worrying about yourself? Take this! Stormy Punch!" Arthur roared.

Taking advantage of the Southern Boss's distraction, he launched the most powerful method of the Thompsons: Stormy Punch.

A tremendous amount of true energy emerged from the palms of his hands and darted toward the Southern Boss.

"Damn it!" The Southern Boss paled and backed away swiftly.

However, Arthur's power was far too strong and the Southern Boss struggled to get away from his range no matter how hard he tried.

"Don't think that the Thompsons are the only ones with an Ultimate Progressive class method! Take my Divine Kick!" Running out of places to escape, the Southern Boss leaped into the air and launched a powerful kick to meet Arthur's Stormy Punch.

"Baam!"

The attacks launched by Arthur and the Southern Boss clashed.

The Southern Boss, who fell short in strength, struggled to cope with Arthur's Stormy Punch and was sent flying.

The Southern Boss did a backflip in the air and landed, stumbling backward.

"Take this!" Arthur charged forward and launched another attack at the Southern Boss to defeat him, knowing that the

Thompsons would have a far better chance of winning if the Southern Boss suffered grave injuries.

"Southern Boss, let me help you!" Noticing that the Southern Boss was about to be defeated, Devon reacted in time and leaped

into the air to attack Arthur from behind.

With Devon's support, the Southern Boss quickly recovered his composure and started to cooperate with Devon to fight Arthur.

"Damn it!" Arthur was frustrated, but helpless.

Though he was a formidable martial artist, both the Southern Boss and Devon were powerful as well.

The Southern Boss was merely slightly weaker than Arthur, while Devon reached the Intermediate Almighty State years ago and

was close to reaching the Advanced Almighty State, which made him far stronger than the Grand Apostle.

Being outnumbered, Arthur was slowly forced into a defensive position but managed to keep the Southern Boss and Devon occupied without being defeated for the time being. "Arthur, we're coming to help!" With Arthur under attack, the Thompsons snapped out of it and the Four Elders strode forward, ready to leap to Arthur's aid.
