Chapter 2343

Leon sighed a breath of relief inwardly after evading the attacks, but before he could fully relax, the situation changed once again.

"Take this!" The Third Apostle roared.

Leon leaped out of the Dragon position and into the Phoenix position, and the Third Apostle immediately acted without hesitation.

Just then, the Fourth Apostle in the Kraken position collaborated with the Third Apostle to attack from behind Leon, which sealed all possible paths Leon could use to escape.

"Wh- What is this?!" Leon was stunned and realized that the Four Beasts Formation was far more powerful than he initially thought.

He executed the Phantom Steps in immediate danger and swiftly escaped the attacks, only to end up in the Tiger position where the Second Apostle was standing.

"Let's see how many times you can dodge this! Die!"
The Second Apostle sneered and launched another powerful attack at Leon.

At the same time, the Third Apostle, who was in the Phoenix position, charged toward Leon from behind and left Leon facing two attacks from different directions.

"Damn it!" Leon paled and narrowly escaped them with the Phantom Steps.

Four Beasts Formation transformed continuously and Leon had no option but to keep dodging with the Phantom Steps, with no chance of fighting back or winning.

Yuri, Iris, and the others were all worried as they watched Leon. "Oh, no!"

Angus and Arthur felt the same, as Leon's victory was the key to the Thompsons' survival, and their hopes all lied within Leon.

The Four Apostles were far too powerful and Leon could not escape the Four Beasts Formation, so it was only a matter of time before Leon was defeated and everyone else was devastated.

"Hahaha! Great! Grand Apostle, get rid of Leon as soon as possible. Don't waste any more time!" The Southern Boss shouted.

Contrary to the Thompsons' despair, the Southern Boss and Devon were pleased to see Leon being forced into a defensive position.

They could all see victory ahead of them, and indeed, if the Four Apostles defeated Leon and regrouped with the other forces on the battlefield, the Thompsons would be easily defeated.
