Chapter 2344

"Yes!"

The Four Apostles strengthened their attacks at the Southern Boss's order and Leon was eventually forced to stand at the South-west position of the formation.

"Great! That kid's in the Death Spot! Let's focus our attack on him and get rid of him!" The Grand Apostle beamed and ordered the others.

The Four Beasts Formation was a type of ancient divination and the Death Spot was located at the South-west direction.

Since Leon was forced into the Death Spot, this was their best chance to kill him.

Without hesitation, they all launched the Thundering Strike at the same time from all four directions.

"Oh, no!" Leon gasped.

The Four Beasts Formation was ever-changing and Leon struggled to dodge the attack from two of the Apostles, not to mention an attack from all four of them.

Not daring to treat this lightly, he fired the Phantom Steps in full force in an attempt to dodge their attack, but the attacks were coming from all directions and no matter how hard he tried, he could not escape the Four Apostles. At the very last moment, he leaped into the air, but it did not help much as the Four Apostles' attacks merged into one and charged toward him.

"Damn it!" Leon could not dodge in the air and could only watch as the attack approached him. He tilted his body right before he was hit to take the blow with the Mirror of Sovereign.

"Baam!"

Following a loud sound, Leon was struck in the chest and was sent flying by the attack.

As soon as he landed on the ground, he puked. Thankfully, the Mirror of Sovereign protected him from the attack and he did not suffer any critical injuries; otherwise, he would have been killed on the spot.

"It's over!" Arthur, Angus, and the Thompsons were all stunned that Leon was defeated.

Arthur, who decided to trust Leon and followed his plan, bet it all on him, yet it was proven that he made the wrong choice.

Not only was Leon defeated, he was severely injured by the Four Apostles within a matter of minutes.

Once the Four Apostles killed Leon, the Thompsons would all be doomed and instantly devastated.
