

# The Ex-Husband's Revenge By Dragonsky

Chapter 2370

Chapter 2370

"Wh- what on earth is that?" "How majestic!"

Arthur, Angus, the Hiltons, and Spears were all taken by shock and instantly stopped fighting to back away in fear of being struck by accident.

"That's bad news! Let's retreat!"

Rodney and Joel paled; the Potential Energy Force had a wide range that would strike down anyone standing near the Demon Lord and the Southern Boss.

Not daring to hesitate, they all scrambled to back away and run from the Potential Energy Force. However, the Demon Lord and the Southern Boss were not as lucky.

"Demon Lord, let's run!" The Southern Boss realized that the Potential Energy Force was far too powerful to be dealt with, and darted away from the Potential Energy Force without hesitation.

The Demon Lord backed away swiftly to dodge the Potential Energy Force, but they were far too close to Leon when the Potential Energy Force was launched as they simply could not escape the range of the attack no matter how hard they tried.

"It's now or never! Take this! Dragon Breath!" In the end, the

Demon Lord gave up on running and summoned his most powerful attack; his true energy forming into an invisible dragon that darted toward Leon.

"Demon Lord, I'll help you out!" The Southern Boss also gave up and launched the Divine Kick; tremendous true energy surged from him and combined with the Demon Lord's Dragon Breath to form an even more powerful attack.

"Baam!"

Their attacks clashed with Leon's Potential Energy Force following a gigantic noise.

The Potential Energy Force tore through the combined attack and charged toward the Demon Lord and the Southern Boss.

The Demon Lord, who stood at the front, was not given the chance to react before the Potential Energy Force pierced through his chest, leaving behind a fist-sized hole.

He widened his eyes in rage and resentment, before collapsing onto the ground.

The Southern Boss was more fortunate as he stood behind the Demon Lord, who took most of the blow; the remanence of the Potential Energy Force sent him flying into the distance and he instantly knew that a few of his ribs were broken under the impact.

Blood spewed from his mouth and he barely managed to survive, s
