

The Ex Husbands Revenge Chapter 2576

The Ex Husbands Revenge Chapter 2576-“Damn it! The Southern Boss hasn’t changed at all. He deserves to be eliminated!” Leon narrowed his eyes maliciously.

He injured the Southern Boss and caused the Spears’ downfall. At the moment, the Southern Boss had lost all his influence.

Leon initially thought that the Southern Boss would at least reflect on himself after what happened. If that was true, Leon was even willing to consider sparing his life.

However, a tiger would never change its stripes.

Not only had the Southern Boss not changed his ways, but he had also become even more vicious.

His actions rivaled that of the criminals on the criminal list. As long as the Southern Boss was not eliminated, he would commit more crimes in the future.

Instantly, Leon became even more certain that he needed to take the Southern Boss down.

After the Southern Boss committed murder, he fled and at the moment, the priority remained to be Jaxon’s life. Hence, Leon could not spare much thought on the Southern Boss.

He took a deep breath and cast his thoughts about the Southern Boss aside.

He continued to circulate his spiritual energy as he inspected the wound. Soon, he had a clearer picture of what happened.

The armor in the Intermediate Emperor State had shielded Jaxon and the Southern Boss’s power pierced through the armor, damaging Jaxon’s heart.

Since Leon managed to protect Jaxon’s heart with spiritual energy in time, Jaxon’s injuries showed no sign of worsening.

This was the silver lining of the situation.

Feeling much more relieved, Leon started treating Jaxon.

He took out the Green Spirit Fruit and pried Jaxon's mouth open, before squeezing the Green Spirit Fruit and feeding its juice to Jaxon.

He then did the same for the fleecflower root. Once everything was done, Leon took out the Spiritual Pearl and activated it.

The Spiritual Pearl floated and hovered above Leon and Jaxon, absorbing the spiritual energy from the earth and transforming it to a purer energy that coursed toward Leon and Jaxon.

Once everything was in place, Leon did not delay further and executed the Six Points of Fate around the pressure points on Jaxon's chest.

Since Jaxon was barely alive, Leon needed to use the Six Points of Fate and combine them with the Green Spirit Fruit, fleecflower root, and the Spiritual Pearl to maximize Jaxon's vitals and revive him.

Sometime later, Jaxon's faint heartbeat began getting stronger and his vitals started rising.

The Ex Husbands Revenge Chapter 2577-"Alright, this way his life is practically secured..." Sensing that Jaxon's heartbeat was getting stronger, Leon sighed a breath of relief.

He wiped the sweat off his forehead and ceased the Six Points of Fate that aimed to revive Jaxon.

Now that Jaxon's vitals were revived, his condition was improved. All that was left was to loosen the blockage in Jaxon's circulation and he should be able to regain consciousness soon.

Taking a moment to catch his breath, Leon executed the Eternity Compression Method at the energy points around Jaxon's chest.

The Eternity Compression Method had the effect of facilitating circulation and this was the most appropriate method to clear the blockage.

Apart from that, the Green Spirit Fruit and fleecflower root could help stimulate Jaxon's vitals and help cure internal injuries.

Leon continued to absorb energy from the Spiritual Pearl to replenish the lost spiritual energy in his body while guiding the energy from the Green Spirit Fruit and fleecflower root to treat Jaxon's internal injury.

Sometime later, Leon's continuous effect finally loosened the blockage in Jaxon's circulation.

With the help of the Green Spirit Fruit and fleecflower root, Jaxon's condition improved.

If everything went well, Jason would soon regain consciousness.

"It's finally done!" Leon withdrew his arms and the Spiritual Pearl with a big smile on his face.

Since the injury caused a blockage in Jaxon's circulation, Leon had merely used the Eternity Compression Method to loosen the blockage, but the damage could not be reversed that easily.

Once Jaxon woke up, he would need to prescribe medicine for Jaxon and within a month, he should recover.

"Who's there?" As soon as he completed the treatment, Leon detected a few waves of true energy from the forest near him.

Alarmed, he stood and turned his sharp gaze at the forest warily.

Four figures darted out of the forest and landed right before Leon.

They were none other than Roman, Romeo, and the two elders.

"So it's you, Elder Feaks!" Leon was surprised to see them.

To prevent them from interfering, Leon sealed their power before taking Jaxon up to the mountain. Hence, he did not expect them to recover so soon and find him.

He was slightly taken aback. Still, he had already treated Jaxon so their appearance would not interfere with treatment.

It would not affect the outcome so Leon did not think much of it.
