## The Ex-Husband's Revenge By Dragonsky Chapter 276

Satisfied with the others' reaction, Mason turned to look at Leon with contempt. "Brat, did you see that? That's the internal power of a skilled martial artist! I'll give you one last chance. Are you getting **on your** knees, or should I force you down instead? Take a pick"

"You are so talkative. Let's just do this already!" Leon picked at his ear and said impatiently. He had been wary about the depth of Mason's strength, but during the show that Mason put on earlier, he sensed **through** the flow of true energy that Mason had merely reached the peak of the Acquired State.

Leon would not stand a chance against Mason in the past, but considering the fact that he had surpassed the Initial Innate State, Mason was no threat **to** him.

"You have this coming, brat! I'll show you!" Provoked, Mason launched a swift punch at Leon.

Concerned that Janice might get injured by the energy radiating off Mason's **fist**, Leon did not dodge and launched a kick toward Mason's chest.

Mason was certain that Leon was not a martial artist and that he could overpower Leon in terms of speed and power, so he did not care to dodge the kick. He simply strengthened the power of his fist in an attempt to defeat Leon with one single punch.

"It's over. That kid is dead!"

"Look at how thin he is. He probably won't survive that punch!"

"Of course! That man just shattered the stone. That kid can't possibly be harder than stone!"

"If he takes the hit, he will be severely injured even if he manages to survive!"

The crowd sighed and shook their heads sympathetically as they pictured the sight of Leon dying.

"Mister Mason, don't hold back. Break him! As long as he stays alive, I will bear all responsibility for what happens!" Brody shouted viciously, while Marilyn cheered excitedly.

"No..." Janice paled and felt as though she was about to faint.

She saw how powerful Mason was when he shattered the stone table, and could only imagine what would happen to Leon if he took the punch.

"Baam!"

Right before Mason's punch landed on its target, a sharp pain pierced right through his chest and he was sent flying.

As he flew off into the distance, he finally came to realize how wrong he had been; Leon was far stronger than him in terms of speed and power, to the extent that he was defeated before being able to reach Leon.

Unfortunately, it was too late

"Pfft!" He slammed onto the ground in full force and spat blood.

"What..."

Jaws dropped around them as the audience gave one another looks of bewilderment. None of them had expected Mason to be defeated by Leon within a blink of an eye.

Everyone was shaken to the core at the unexpected outcome **and** silence fell over the crowd.

"That... That's not possible!"

**Spread the love**
