

The Ex Husbands Revenge

The Ex Husbands Revenge Chapter 2873-“Elder Grimston, Elder Underwood, what is the meaning of this?” Caleb’s expression darkened as he watched Felton greet the Grimstons and the Underwoods.

An ominous feeling arose within him.

“Can’t you tell, Elder Morrison? I called the Grimstons and the Underwoods here!” Felton said as he stared at Caleb mockingly.

“What?” Caleb was stunned and could not believe what he was hearing.

He already sensed something amiss when he saw the Grimstons and Underwoods entering, but he never expected them to be Felton’s allies.

The Fermers were rulers of the underground society, while the Grimstons and the Underwoods operated strictly legally.

The three families were never in contact with one another, so Caleb could not figure out why these two families would work with the Fermers.

Naturally, he was not the only one who was taken aback. The other guests felt the same as well.

They all thought that Felton would lose to Caleb and the Western Boss would step in.

To their surprise, the Western Boss did not show up and the Grimstons and the Underwoods appeared to side with Felton instead.

This completely caught them off-guard.

Instantly, they were all shocked and wondered why the Grimstons and the Underwoods would side with the Fermers.

“Elder Grimstons, Elder Underwoods, the Morrisons haven’t crossed you in the past. Why are you siding with the Farmers to attack US?” Caleb questioned darkly.

With the involvement of the Grimstons and the Underwoods, he could no longer maintain his composure.

“Elder Morrison, you got it all wrong. We aren’t targeting the Morrisons. You are just getting in our way!” Dorian snorted and revealed a dark expression.

“What?” Caleb was slightly taken aback as he did not understand Dorian’s words.

“I see!” Realization dawned on Caleb.

Leon was once in a conflict with the Grimstons outside a jadeite store, and Caleb heard about it from Renee before.

It was no wonder that the Grimstons and the Underwoods were helping Felton.
