

The Ex Husbands Revenge

The Ex Husbands Revenge Chapter 2986-“Oh no!” Leon paled.

When he was fighting Brahma, he dared not to use full force precisely because he was worried that the Southern Boss and the Western Boss would attack Iris.

He was so consumed by the urge to go after Brahma that he forgot about the Southern Boss and the Western Boss.

The Southern Boss saw this as an opportunity to attack his one weakness, Iris.

Thankfully, Chandler and the Thompsons reacted in time to stall the Southern Boss.

However, the Southern Boss was powerful and cunning, so Leon knew Chandler and the others would not last long.

He had to hurry back to save Iris. Though he was about to catch up to Brahma, Brahma was one of the top martial artists in the Peak Almighty State and he was just a step away from reaching the Semi-Saint State.

This made him a rather challenging opponent.

If Leon truly wished to eliminate him, it would take some time.

However, Iris was in grave danger and the risk was multiplying by the minute.

Iris was his girlfriend and someone extremely important to her, so he could not allow anything to happen to her.

As for Brahma, he could also take him down in the future when he had the chance.

It was apparent where his priority lay.

Though reluctant, he had to give up on going after Brahma.

Without hesitation, he executed the Phantom Steps and headed the other way.

“Great! The gods are merciful!” Brahma did not expect Leon to give up and was overjoyed.

Not daring to stay any longer, he leaped out of the door and disappeared.

“Oh, no!” Meanwhile, the Southern Boss was terrified when he saw Leon returning.

He knew that Leon was far more powerful than he was and he had to capture Iris before Leon returned, or he would be doomed.

Not daring to wait any longer, he leaped into the air and got past Chandler and the others, charging toward Iris ferociously.

“Don’t you dare!” Chandler was prepared.

He extended his arm and sent a powerful attack from behind the !!

Southern Boss in an attempt to make him give up.

Angus and the Thompsons were all too weak and could not compare with Chandler in terms of speed or power; so they were incapable of stopping the Southern Boss.

So long as Chandler’s attack could hinder the Southern Boss, they could all stall him until Leon arrived.

“It’s now or never!” The Southern Boss’s gaze sharpened.

He knew that he was supposed to counter or dodge Chandler’s attack, but either option would take up some time.

Once Chandler and the Thompsons caught up to him, he would be stalled and this would hardly benefit him.

Hence, he did not counter or dodge, and simply shielded his shoulder with his true engray, before taking the blow with his shoulder. This way, he could buy time to capture Iris.

The Ex Husbands Revenge Chapter 2987-Baam!

Following a deafening sound, Chandler’s attack slammed against the Southern Boss’s shoulder.

The Southern Boss grunted and spewed blood from his mouth.

Luckily, he managed to protect his shoulder ahead of time so the attack did not cause much damage.

Under the impact of Chandler’s attack, he managed to charge forward at an even higher speed and darted toward Iris.

“Everyone, stop the Southern Boss!” Seeing as the Southern Boss was approaching, the Thompsons who were protecting Iris, Roanne, and Renee paled.

They all stepped forward to shield the three women and attempted to stop the Southern Boss.

“Get out of my way! Scram!” The Southern Boss roared ferociously.

He launched the Divine Kick and the attack was sent toward the Thompsons at the speed of lightning.

“How powerful!” The Thompsons were all stunned in fear.

They were merely in the Initial Almighty State and were much weaker in comparison to the Southern Boss.

The Southern Boss’s Divine Kick was not something they could fend off.

Still, they knew that Iris was Leon’s girlfriend and that the Southern Boss was likely aiming to capture Iris as hostage.

Even if they could not defeat the Southern Boss, they could not stand idly by while the Southern Boss tried to capture Iris.

Hence, they could only summon their true energy and merge it into a stronger attack to counter the Divine Kick.

This was their attempt to hinder the Southern Boss and buy Leon some time.

Baam!

Following a deafening sound, the Thompsons’ attack clashed with the Southern Boss’s Divine Kick.

As expected, the Divine Kick shattered their attack and struck them, sending them flying.

Once they landed, they all spewed blood from their mouth and lay sprawled on the ground.

“Iris Young, come here!” Without hesitation, the Southern Boss reached out to grab Iris.

“It’s over!” Iris, Roanne, and Renee backed away in fear.

However, they were too weak compared to the Southern Boss no matter how hard they tried, they could not get away from him.

“Iris, watch out!” Leon widened his eyes and desperately wished to take the Southern Boss down.

Naturally, he thought of attacking the Southern Boss with the poisonous daggers.

However, he was still quite far away from them and it was impossible for him to rescuers and attack the southern Boss.

This was a risk he simply could not take, so he could simply watch m helplesl as the Southern Boss reached for Iris.

However, he was too close to the three women and they may get accidentally injured.
