

The Ex Husbands Revenge Chapter 2990

The Ex Husbands Revenge Chapter 2990-After defeating the Southern Boss, Leon sighed and paled, exhausted from the loss of spiritual energy.

He took another premium Spirit Nurturing Pill to replenish his spiritual energy.

“The Southern Boss is finally gone,” Seeing as the Southern Boss was eliminated and Iris was safe, Angus and the Thompsons were relieved.

However, they recalled something and hurried over to help Roanne and the others up.

“Roanne, are you alright?” Angus asked worriedly while supporting Roanne.

“Dad, I’m fine. Don’t worry about me,” Roanne wiped the blood from her lips.

When she pushed Iris away, the Southern Boss merely sent her back away with his true energy and did not attack. Hence, she merely suffered mild internal injuries.

In comparison, Renee was not as lucky.

Iris, who was still recovering from shock, hurried to Renee to check on her.

“Leon, Miss Morrison is badly injured. I don’t think she’s breathing,” Iris crouched down by Renee’s side and paled as she checked on Renee. 1 “What?” Leon was taken aback.

Not daring to delay, he hurried to Iris and Renee.

“Leon, you are a great doctor. You have to find a way to save Miss Morrison,”

Iris grabbed his arm with tears in her eyes.

She never liked Renee because she threatened to steal Leon away, but now, she was injured by the Southern Boss to save Iris.

Without Renee’s interference, Iris would have been captured by the Southern Boss and Iris was overwhelmed by various emotions at the moment.

Thankfully, Leon was skilled in medicine.

In the past, she once attempted to take her own life to get Dean back! In the gnalit was Leon who saved her.

Given Leon’s skills, he may be capable of saving Renee.

“Iris, calm down. I’ll try my best,” Leon consoled her.

Though Renee was no longer breathing, Iris noticed that there was still a faint heartbeat when she checked on Renee.

He swiftly pressed the pressure points around Renee’s chest to protect her heart, preventing her injury from worsening.

He then checked the state of her injuries to find a suitable treatment.

While he checked on Renee, the fight between the Farmers and the Dragon Corps reached its peak.
