Chapter 335

Chapter 335

“Mindy, what does your boyfriend work as?” Leanne could not help but ask.

“His family owns a company. They have millions in assets,” Mindy let out a pleased smile.

“Millions?”

Leanne and Horace were both shocked. To them, that amount of money was already considered very wealthy.

“Janice, look at your cousin! She’s not that much older than you, and she already has such an amazing boyfriend. What about you? You don’t even have a boyfriend! You should learn a thing or two from her!” Leanne glared at Janice unhappily.

Her daughter was excellent in every way and was more beautiful than Mindy.

She did not hope for her daughter to get a boyfriend who was as rich as Mindy’s but the man should at least be from a decent family and be an upstanding young man.

Yet, her daughter managed to end up being friends with an orphan of ill character like Leon, instead of choosing someone from all the men who were after Janice.

It was obvious how she would feel!

“Mom, these things are down to fate. It’s not like I don’t want one, it’s just that there’s no one suitable for now,” Janice said helplessly. She started to get annoyed at her master constantly telling her to get married.

“Alright, let’s go inside and eat first,” Horace said.

After that, they invited Mindy and Joey, “Mindy, have the two of you eaten yet? Why don’t you join us?”

“It’s fine, uncle. You should go in and have lunch first. Joey and I’ll wait for that client,” Mindy rejected

Horace’s order.

“Alright then, we’ll head inside.”

Looking at Horace and the others enter the hotel, Joey’s gaze was fixed on Janice, not averting his gaze at all.

“What are you looking at?! I know that my cousin’s very pretty, but you don’t have to keep staring at her like that!” Mindy pinched Joey unhappily.

Joey snapped back to reality, and he hurriedly explained, “Mindy, don’t misunderstand. I wasn’t staring at her, I was just thinking about something.”

“What is it?” Mindy had a curious look on her face.

“That client of mine, Mister Wyatt, is a wealthy and powerful young man who happens to be single right

now.”

“Since your cousin doesn’t have a boyfriend, I was wondering if I should introduce her to Mister Wyatt. She’s so pretty and looks so demure. Mister Wyatt will like her! If the two of them end up together, my company. will be rich in the future!” Joey said excitedly.

His family owned a small company. Their assets were very far away from what the Wyatt Group had. In terms of business, his family’s company always needed to rely on the Wyatt Group.

This time, he represented the company to discuss further business opportunities with Theodore Wyatt. If he managed to introduce Janice to Theodore, and Theodore liked her, the cooperation would be easy!

It was not just that. **If** Janice and Theodore ended up together, then his family would be able to rise even further in the future by relying on the Wyatt Group!

“That’s right, why didn’t I think of that?! Let me go discuss it with my aunt and uncle,” Mindy had a sparkle in her eye, quickly understanding what Joey wanted to do. After that, she hurriedly ran after Horace and Leon’s group of people.

“Hey, wait up!” Mindy called out to Janice’s parents.

“Mindy, what is it? Did you need something?” Horace and Leanne turned around to ask curiously.
