

The Ex-Husband's Revenge By Dragonsky

Chapter 338

Chapter 338

Theodore made it sound like things were already settled.

“What? Engaged?”

“Is that a joke?!”

Janice was shocked, and she hurriedly stood up.

It was her first time meeting Theodore, and the two of them did not even have any mutual feelings. Furthermore, she did not like Theodore's arrogance.

Yet, the first thing Theodore said was that he wanted to get engaged. How could she accept that?!

“Mister Wyatt, you still don't know much about each other. Isn't it a bit too quick to get engaged?”

Horace and Leanne were shocked as well.

“It's not. I fell for Miss Janice at first sight. That's enough!” Theodore looked at Janice passionately.

“I still feel like...” Horace wanted to say something else, but he was quickly interrupted by Theodore.

“That's nothing else to talk about! To show you my sincerity, there are three hundred thousand dollars in this bank account. Take it as an engagement gift!” Theodore took out an atm card and tossed it in front of Horace and Leanne.

He never lacked women by his side before. He toyed with so many different women, and all of them threw themselves at him for his money.

In his eyes, there was nothing money could not solve. If there was, it just meant that not enough money was spent!

“Three hundred thousand?” Both Horace and Leanne were stunned.

That was no small number in their eyes!

The two of them thought that Janice's salary was already quite good as a department manager in a large company.

Yet, even if Janice did not eat or drink extravagantly, it would take her a decade or two to make that much!

Yet, that amount was right in front of them. There was no way they could remain calm.

“Mister and Missus Lynch, if you agree to the engagement, then the money is yours! If you feel like it isn't enough, I can give you more!” Theodore said calmly, preparing to use the money to buy Janice's daily.

If 300 thousand was not enough, then he would double it. He would keep going until Janice agreed!

He refused to believe someone from Jancie's family background would resist the allure of money!

“There's no need for any more. That's enough. We'll agree to the engagement!” Leanne excitedly kept the card.

“Leanne, what are you doing? Janice still hasn't agreed to it. Hurry up and give that card back to Mister Wyatt!” Horace stopped her in a hurry.

“Mom, dad's right. You should return the card to him! I won't agree to an engagement!” Janice's face was reddened as she angrily glared at Theodore.

She thought differently from her mother. She felt like Theodore was purposefully using his money to embarrass their family.

She never liked Theodore in the first place, and that impression worsened!

“Why wouldn't you agree? Mister Wyatt is such a rare talent, and his family is rich and powerful. Other women can only wish for a boyfriend like him! If you don't even want him, then what kind of boyfriend would you want?!” Leanne scolded unhappily.

Even though Theodore did not look as masculine and manly as Leon, he still had a fairly noble look to him.

More importantly, Theodore's money and power were not something Leon could touch.

She preferred Theodore much more, and started to like him more and more!

“That's right!”

“Janice, aunty is right. You're so beautiful, and Mister Wyatt is **so** handsome. Both of you are **a** match made in heaven.“
