

The Ex-Husband's Revenge By Dragonsky

Chapter 340

Chapter 340

“No room for discussion? You weren't willing to find a boyfriend for yourself, and we helped you arrange for something. Is there anything wrong with that?” Leanne was angered.

“I already told you before. It's not like I don't want one. I just haven't found anyone suitable...” Janice was interrupted by her mother before she could finish.

“Enough, I don't want your excuses! I think that Mister Wyatt is a decent man. If you still see us as your parents, then listen to us. Get engaged to him and try it out first. If you refuse, then don't even bother coming back anymore. You can go wherever you want. We don't have a daughter like you!” Leanne said angrily.

“Mom, you...”

“Aren't you purposely making things hard for me?” Janice's eyes reddened at that moment.

Her mother already escalated things so far. If she continued to refuse, she would seem like a bad daughter.

However, if she agreed, it was **not** like she liked Theodore. She would not be able to accept it in her heart.

Suddenly, she felt very hopeless. She did not know what to do.

Leon said that Janice was in a difficult spot, and could not help but speak up for Janice, “Missus Lynch, when it comes to a relationship, the feelings need to be mutual. Since Janice doesn't like Mister Wyatt, shouldn't we just forget about it?”

“Forget about it? You sure have it easy! Leon, this is our private family matter. It has nothing to do with you, so don't butt in!” Leanne said unhappily.

It was very difficult for her daughter to stumble upon such a rich young man. The man was even so infatuated with her.

If they forgot about it just like that, where would her daughter find another man like him in the future?!

“That's right! Didn't I warn you not to cause any trouble? What's an outsider like you doing trying to interfere?!” Mindy said unhappily as well.

“Who's this person?” Theodore looked at Leon unhappily.

Leon kept quiet the whole time, so he felt like Leon was probably Janice's brother or cousin, so he did not say anything.

However, when he heard Mindy calling Leon an outsider, he realized that something was off.

“Oh, he's called Leon. He's Janice's college friend,” Leanne explained everything.

“Just a friend from college. What gives you the right to speak up?!” Theodore had a dark look on his face.

Earlier, Janice looked like she was about to agree to the engagement after being pushed by Leanne. Yet, Leon suddenly jumped out to cause trouble. There was no way he would look at Leon in a good light!

“Who said Leon has no right?”

“He's my... He's my...”

Janice realized that it would be hard for her to avoid getting engaged to Theodore if she did not figure something out at that moment. So, she clenched her teeth and said, “Leon's my boyfriend!”

“What? He's your boyfriend?” Theodore was shocked.

Everyone else was shocked too.

Even Leon himself was caught off guard.

“Janice, this is...” Leon looked at **Janice** curiously, not understanding what Janice tried to do.

“Help me...”

Janice mouthed the words to Leon sneakily. Her eyes were full of helplessness.

Leon immediately understood what Janice tried **to do**.

In truth, **he** already had a plan when he tried to help Janice earlier.

Janice suddenly said that the two of them were a couple was not necessary.
