Chapter 341

However, since Janice already said it, he could not refute it.

“Joey, what’s the meaning of this? Since she already has a boyfriend, why’d you arrange this blind date for me?!” Theodore looked at Joey angrily.

Joey **was** startled and hurriedly explained, “Mister Wyatt, please don’t be angry. Missus Lynch told me Janice was single.”

As he said that, Mindy and him shot Leanne a look, wanting to know what was happening.

“Don’t listen to what Janice is saying! She doesn’t have a boyfriend. She’s saying this on purpose!” Leanne was furious.

She knew her daughter very well, and she quickly knew what Janice tried to do.

“I’m not lying, everything I said is true. Leon is my boyfriend!” Janice said calmly.

“Stop trying to trick us! Didn’t you tell us he was just a friend from college at home? Why is he suddenly your boyfriend now?! Do you think I’m so easy to fool?!” Leanne glared at her daughter, refusing to believe it.

“I was just worried that you and dad won’t like Leon, and won’t allow us to be together. That’s why I didn’t dare to tell you two.”

Janice did not want to dwell on that for too long. She hurriedly changed the topic, “Mom, I already have a boyfriend. Surely you won’t keep trying to force me to get engaged to Mister Wyatt?”

“No, I refuse! Leon’s just an orphan without anything to his name. He has no house and no car. He’s not worthy of you at all! Even if he’s your boyfriend, I still won’t allow you to be with him!” Leanne said angrily, immediately denying the matter.

“So he’s an orphan! You are trying to get someone above your reach!”

Knowing that Leon was an orphan with nothing to his name, Theodore, Mindy and Joey were shocked. They started to look at Leon with disdain.

“An orphan is trying to fight for a girl against me. He doesn’t know his place!” Theodore laughed.

Leon’s background could not even be considered a commoner, and Janice’s parents did not allow Leon to be with Janice.

Even if Leon was Janice’s boyfriend, it was not like they were married. In the worst–case scenario, he could just take Janice away from Leon’s hands!

Seeing that, Janice was stunned.

He wanted Leon to act as her boyfriend so they would forget about the engagement.

She never would have dreamed that her mother would not just object so stubbornly, but would even push Leon down so much with one sentence. The situation got worse.

She suddenly did not know what to do!

“Brat, you’ve heard everything she said, right?! I don’t care if you’re Miss Janice’s boyfriend. Here are a **few** thousand dollars. Take this money and get lost from my sight!”

Theodore took out a few stacks of cash from his bag, tossing it in front of Leon.

Leon did not even look at the notes. He looked straight at Theodore, “Mister Wyatt, right? You have an illness that needs to be cured!”

Suddenly, everyone was stunned.

They never expected that Leon would start shouting back, and every one of them was at a loss.

“You’re the one who’s **ill!**”

“Are you looking to die?!” Theodore was furious as he slammed the table and stood up.

“I’m not trying to curse you. What I said is true. You are sick, and it’s nothing mild either.”
