

# The Ex-Husband's Revenge By Dragonsky

Chapter 343

## Chapter 343

Theodore explained everything in a hurry.

“That does seem like it could be the case...”

Everyone suddenly felt like what Theodore said was reasonable and started to doubt Leon's words.

Especially both Leanne and Horace. The two of them already knew that Leon's job was just a secretary at a cosmetic company. He had nothing to do with medicine at all.

Furthermore, Leon never checked on Theodore's body before he confirmed that something was wrong it. There was no way it was real!

with

“Mister Wyatt, that's where you're wrong! Alternative medicine pays attention to looking, smelling, and listening. I can see that you're sick through how you breathe and how you act. There's no need to check...” Leon explained, almost going into an explanation on the intricacies of the medicine he practiced.

“Just shut up! Brat, I'll give you ten seconds. Get lost right now! If you don't get lost, then don't blame me for being rude!” Theodore was already trembling in anger.

Leon constantly tried to cause him trouble, and he could no longer stand it.

“There is no saving you!” Leon shook his head and sighed.

Even though he did not want to bother with an idiot like Theodore, Janice were the one who invited him over. He could not leave before Janice did!

“You're the one who can't be saved. You're just an orphan who doesn't have parents. How dare you act so high and mighty in front of me?!”

“Since you want to die, I'll grant you your wish!” Theodore was furious. He quickly pulled out his phone and summoned the two guards outside.

The two guards walked into the room, and quickly stood in front of Theodore, saying respectfully, “Sir, do you have any orders?”

“Kick this guy out of the room!” Theodore pointed at Leon hatefully.

As long as Leon was gone, he could get Janice's parents to agree to the engagement.

“Yes!” The two bodyguards had cold looks on their faces as they started to walk toward Leon.

“What are you trying to do?!” Janice was shocked as she stood in front of Leon.

“Miss Janice, please step aside. I'll teach this guy a lesson today. I'll show him his place!” Theodore said viciously.

“Yes, Janice, you should give way!”

“This guy is just spouting nonsense everywhere. He's just despicable. He should be taught a lesson!”

Leanne, Mindy, and the others said.

None of them had any good feelings for Leon since Leon was trying to ruin the engagement!

“Are you sure? Mister Wyatt, don't blame me for not telling you. Leon's very skilled. If you offend him, you'll end up suffering!” Janice said with a strange expression.

She only shielded Leon out of concern just now. **However**, she realized that Leon's martial arts were absurdly Strong. Even the few experts that Brody spent a lot of money to hire, and Mason, who was about to split stone with his hands were not able to beat Leon.

With Leon's skills, there was no way two regular bodyguards could be a match for him!

“Of course we're sure!”

“He's just an orphan, how could he know any martial arts? I refuse to believe it!” Theodore said snidely.

Mindy and Joey looked at Leon with disdain as well.

Even Leanne was no different.

She heard from Janice that Leon knew martial arts, but she felt like Leon was just some hooligan. He would know how to fight a little at most. There was no way he was a true martial artist.
