

The Ex-Husband's Revenge By Dragonsky

Chapter 344

Chapter 344

Theodore's bodyguards were so big and strong. They were specialists. It would **be easy** for them to deal with a mere hooligan!

"Alright, you can just continue then!"

Janice nodded, giving way.

What?

Everyone was stunned. They thought that Janice would remain planted there. No one expected Janice to give way so obediently.

It was out of their expectations.

However, it was a good thing. At least Janice would not be accidentally harmed if they started fighting!

"Attack!"

"Break one of this brat's legs as punishment!" Theodore sneered, no longer having any reservations as he ordered his subordinates to attack.

"Brat, you're going down"! The two bodyguards smiled viciously. They had a very fierce aura around them as they quickly lunged at Leon.

Bang! Bang!

Following two loud sounds, everyone felt like they saw things. Leon was as fast as lightning as he sent out two kicks, hitting the chests of the two bodyguards.

They rushed at Leon quickly, but they flew away at an even faster pace.

Boom!

With a crash, one of the bodyguards slammed onto the door. The sturdy wooden door was immediately broken.

The other bodyguard was not much better. He crashed on the ground heavily.

Both of them lost all ability to fight.

Seeing that scene, everyone there aside from Janice was completely dumbfounded!

They never would have dreamed of what happened. Theodore's bodyguards were very strong and muscular, but in just a flash, they were beaten by the thin-looking Leon!

They did not manage to see how Leon did it. Was that not too unbelievable?

They were all shocked. When they thought about what Janice said earlier, they finally understood. Janice was not lying, Leon was strong!

"H-how could this happen?!" Theodore could not believe his eyes.

He knew that those bodyguards were martial arts experts. They could regularly take on four or five opponents at once.

However, they were nothing to Leon!

If he did not see it for himself, he never would have believed it!

"Mister Wyatt, I see that you're not just physically **ill**, but mentally **as well**! Janice already warned you to not come for me, but you insisted on it! How could you be so stupid?!" Leon sighed.

"You..."

Theodore's face reddened. However, Leon was just an orphan and he quickly regained his confidence.

"Brat, don't be so pleased with yourself. Money is the true king **of** the current society. Martial arts is already useless. So what if you're strong? With my family's money and connections, it's easy to kill off an orphan like you!" Theodore sneered as he spoke.

Leon was completely speechless. He already thought that Theodore was stupid, but Theodore seemed even more stupid than he expected!

"What? Are you scared?"

Theodore laughed when he saw that Leon was silent. He started to act in an even more exaggerated manner, acting like he was looking down on an ant.

"Please, you're not worthy! I was just wondering where your courage comes from. You're just a small heir with a few million to your family fortune!" Leon looked at Theodore in disdain.
