Chapter 347

However, there was no way he could just allow himself to be slapped in front of Janice and the others. He

shouted out, “Just wait! My father’s the director of the Wyatt Group, Thomas Wyatt! My father won’t let you off for beating me like this!”

“Thomas Wyatt? So what?!”

The middle-aged man laughed, “Brat, let me give you a chance. Just call Thomas right now. I want to see if he can deal with me, Horsen Drew!”

“Fine, you said it yourself. Let’s wait and see!” Theodore was incredibly happy as he hurriedly gave his father a call.

At that moment, the bodyguards on the ground were no longer pretending to be injured. They already stood up at some point.

“Mister Wyatt, don’t...”

When they heard Horsen’s name, their expressions changed immediately. They hurriedly tried to stop Theodore.

“What are the two of you stopping me for?” Theodore said unhappily.

The bodyguards had fearful looks on their faces as they explained, “Mister Wyatt, you don’t know this, but the one in front of us is the Great Maned Tiger, Horsen, one of the famous Four Tigers. He’s not just a big figure in the underworld, but even one of the Southern King’s men...”

“What? One of the Four Tigers? The Southern King’s man?” Theodore was shocked as he shivered in fright.

He loved to drink and play around, so he was regularly at bars and nightclubs. So he knew a bit of the underworld.

The most famous figures were the Two Kings and Four Tigers!

They were not people regular folk could offend!

Even if his father were here, they would still be forced to be polite in front of the Four Tigers.

That was not even touching the two kings. If either of the kings wanted to kill their family business, it would be incredibly easy.

Of course, Theodore was not the only one who was shocked. Everyone else was completely frightened as well. They quickly paled as they felt a chill in their hearts.

They were not part of the underworld, but they were still locals. They always lived in the area controlled by the Southern King, so they knew of the Southern King’s name very well!

They knew that the two kings were truly amazing figures that could do anything. Several times stronger than the Wyatt Group!

“Brat, didn’t you want to call Thomas? Go ahead!” Horsen coldly looked at Theodore.

Theodore started to sweat all over. He wiped off some sweat from his forehead, not daring to act arrogantly anymore. He hurriedly lowered his voice and said, “Mister Drew, it was my fault. I didn’t know who you were

and accidentally offended you. Please forgive me...’

“As for the door my subordinates broke, I’ll compensate you for it. No, I’ll compensate you double for your losses.”

Horsen sneered, “Do you think I care about that money?”

“That...”

Theodore shuddered, and was suddenly very nervous, “Mister Drew, it was my fault. How much do you As long as you give me a number, I’ll get it done.”

need?

“Are you deaf? I told you I don’t care about money! Anyone who causes trouble in the hotel has disturbed the guests. If you don’t pay the price and walk out of here without any harm, then people will think I’m afraid of someone as insignificant as Thomas Wyatt!”

“I can’t bear the shame!” Horsen sneered.

“Then, what do you want?” Theodore’s face paled. An uneasy feeling rose in his heart.
