

The Ex-Husband's Revenge By Dragonsky

Chapter 349

Chapter 349

With his skills, there was no way he would care about Horsen's threat!

"Very good, you're still being stubborn even when death is staring at you in the face. You've got guts, but you're stupid as well!"

"Get him! Grab him and chop his legs off!"

Horsen was thoroughly angered. With a wave of his hand, the subordinates behind him started charging at Leon with ferocious expressions.

"This guy is done for!"

"Serves him right!"

Theodore looked incredibly happy with what happened. He wanted nothing more than for Horsen's subordinates to teach Leon a good lesson to help him vent his frustrations.

As for his fate, he was not too concerned.

As long as Horsen managed to vent his anger on Leon, Theodore would call his father to try and smooth things over.

Since Horsen would have already satisfied himself, Horsen would probably let him off!

"He brought it on himself!"

Leanne and the others could not help but shake their heads and sigh, looking at Leon with pity.

Even though they saw that Leon's skills were quite strong after he easily defeated Theodore's bodyguards, Horsen still had a lot of subordinates. They seemed much stronger than Theodore's bodyguards as well. Leon would probably not be able to handle them!

Furthermore, Horsen was also an expert who was strong to an unknown degree. Horsen even had the Southern King behind him!

No matter how strong Leon was, there was no way he could rival Horsen, let alone the Southern King!

It did not make sense at all!

"Know your place!" Leon scoffed, advancing instead of retreating as he charged at Horsen's man.

He never saw someone who did anything to those who did nothing to him. Since Horsen acted that way, he did not need to be held back!

Bang bang bang!

Leon was like a tiger among sheep. Each of his strikes seemed unbeatable.

In just a moment, all of Horsen's subordinates were on the ground. All of them could no longer fight.

"No wonder you dared to be so arrogant. You dabble in martial arts!" Horsen's face sank, and there was a glint in his eyes.

Even though Leon looked quite capable, he did not feel any true energy from Leon. It meant that Leon was no true martial artist, and was probably just an External martial arts user.

There was no way Leon was that strong, so Horsen was not bothered.

"Brat, you've made me angry!" Horsen straightened his body, and a vicious aura erupted.

"So what if I have?" Leon answered plainly.

"You're looking to die!"

"I'll let you see the true power of Internal power. Your meager skills aren't even worth mentioning in front of it!" Horsen let out a cry as quickly charged at Leon.

"How strong!"

mentioning in front

Leanne and the others were shocked. Even though they were standing far behind, they could feel the power behind Horsen's punch. The aftermath even caused them to feel some pain.

"This brat's dead! Mister Drew managed to leave an imprint on the table. He'll be dying a horrible death if he takes that punch on!" Theodore laughed.

"That's not certain yet! We still don't know who will win!" Janice said calmly.

She witnessed how strong Leon was before, and was very confident in Leon. Even if his opponent was one of the Four Tigers, Leon might not be all that troubled.
