

# The Ex-Husband's Revenge By Dragonsky

Chapter 356

## Chapter 356

However, he already agreed to let Fane deal with the whole thing. If he went against his words, it might end up offending Fane. It was not too appropriate.

Seeing as Leon seemed to have a lot he wanted to **say to** Fane, Theodore did not let the chance slip. He continued to plead as he shot Joey a secret look, hoping that Joey would help.

Joey immediately understood what Theodore wanted.

Even though he wanted to protect himself and did not want to be dragged down, the Wyatt Group was his family's biggest client. His family's little company relied on the Wyatt Group to survive.

If the Wyatt Group ended up being destroyed, then his company would follow suit as well!

On the other hand, if he managed to help Theodore past this problematic spot, Theodore would treat him well in the future. Then, **with** the Wyatt Group's help, his family's company would be successful!

For the sake of his profits, Joey clenched his teeth and decided to give it a try!

"Mindy, why don't you help Mister Wyatt out," Joey pulled at his girlfriend's arm and whispered.

He did not know Leon at all. He could not speak in front of big figures like Leon and Mindy.

Furthermore, he did not have the guts either. He was forced to put his hopes on his girlfriend.

"You're crazy! Both of us said so many harsh things to Leon just now. We should be thanking the heavens that he's not blaming us! You're asking me to help Mister Wyatt? Are you sick?!" Mindy glared at Joey like an

idiot.

"I know, what I mean is..."

Joey sneakily shot Janice a look.

Mindy immediately understood.

However, both Leon and Fane were incredibly powerful people. She was stunned by the show of force just now, so he was a bit hesitant, not daring to stir up any trouble.

"Mindy, didn't you want to get married before this? If you manage to get this done, I'll immediately propose to you later!" Joey said in a hurry, using his trump card.

Back then, he did not agree to marry Mindy because he felt like Mindy's family background was not good enough for him. He wanted to spend another two or three years together before he decided.

However, the situation was already different. Janice's so-called boyfriend was Leon, an incredibly powerful

**man.**

Mindy was Janice's cousin. If he married Mindy, he could get to know Janice better and use Janice to get friendly with Leon.

After that, Leon could casually make his family rich on a whim!

It was no exaggeration to say that Mindy was **not** the one who should be begging him to marry her, but the other way around. He did not want to lose the golden goose!

"Alright, you said it!" Mindy was suddenly motivated.

She did not know what Joey thought. She just wanted to hurry up and marry Joey to give their relationship even more security.

Joey breathed a sigh of relief. Mindy did not let the chance slip as she immediately walked toward Janice.

When she was next to Janice, Mindy whispered into Janice's ear, hoping that Janice would help Theodore ask for mercy.

"Oh, I understand. Let me try," Janice might not like Theodore that much, but she was already a kind-hearted person. She felt like the punishment was too harsh.

Furthermore, her relationship with Mindy was always quite good. When Mindy asked, she hesitated a little before she quickly nodded and agreed.

**Spread the love**
