

The Ex-Husband's Revenge By Dragonsky

Chapter 361

Chapter 361

“N—nothing...” Janice blushed a little, not daring to **face** Leon.

Back then, she would occasionally be quite close to Leon, but she never felt anything wrong about it.

At that moment, her mother, cousin, and everyone else tried to get her together with Leon. She could not help but feel a bit different.

Leon sat so close to her. She could even feel the strong sense of manliness coming from Leon.

It caused her heart to beat erratically.

“Leon, we were just talking about you,” Leanne said.

Even though she said so many **nasty** things about **Leon** earlier, Leon did not seem to have taken them to heart. He did not seem to have any intentions of pursuing the matter.

It caused her to feel much calmer. At the same time, she approved of Leon's character even more. She started to feel like a mother-in-law looking at her son-in-law.

“What about me?” Leon was curious.

“Leon, do you have a girlfriend right now?” Leanne asked.

Seeing as her daughter did not seem to be moving at all, she started to get anxious. She thought for the sake of her daughter's happiness. She felt like she had to help her daughter.

However, she needed to determine if Leon was single or not first.

“Not for now...”

Leon shook his head, but Iris's beautiful face flashed in his mind.

After what happened in the cinema, Iris and himself had a sudden development. He needed to properly think about how he needed to confess to Iris so he could get the girl!

“What do you think about Janice? She had no boyfriend, and you have no girlfriend. The two of you are so close as well. There must be a foundation for something to go on. In my eyes, the two of you suit each toher so well. Why don't you try going out?” Leanne said with a smile.

“That...” Leon was dumbfounded.

He never would have dreamed that Leanne would try to set up Janice and himself. He was completely caught off guard.

Only, he already had someone he liked. He was just about to figure out a way to reject it politely when Janice. took the initiative, “Mom, can you not try to force things so hard? I already told you before this. Leon's just my friend. I don't have any feelings like that for him. Can you not try so hard when it comes to this anymore?”

“Janice said with a reddened face and did not know what to do.

In truth, she thought about it before as well. She did not have a boyfriend anyway, so there was no harm in trying things out with Leon.

However, they lacked that sort of feeling with each other, so she felt a bit uncomfortable with the idea.

Furthermore, she worried that they would feel like they were not suited for each other after she started going

out with Leon. Then, the two of them might not even be able to keep on being friends.

She did not want to lose her only good friend that was a guy.

Leon nodded meaningfully. He felt the same way as Janice. He did not feel that way for Janice at all.

He only felt that way when it ccame to Iris.

“You...” Leanne was really angry at what his daughter said.

However, he could not say much more in front of Leon, so she was forced to stop for the moment.

After having lunch, all of them **dispersed**. Leon rode his bike **back** home.

At about six or seven in the evening, Leanne nagged Janice at home.

“Janice, I'm telling you. You have to think about Leon. You have to take hold of a man as excellent as he is. Otherwise, you'll regret it when he's taken away by another woman!”
