

The Ex-Husband's Revenge By Dragonsky

Chapter 366

Chapter 366

"You are a useless piece of trash!" Brody laughed excitedly.

He never expected that Janice would be a virgin just like Marilyn.

Was that not just great for Brody?

It was obvious how excited he was!

"I'm not Leon's girl..." Janice wanted to **say** that she was not Leon's girlfriend.

However, she quickly remembered that she said that she was Leon's girlfriend when they met Brody and Marilyn at the mall.

If she denied it, Brody would not believe her.

Furthermore, the situation already escalated so much. There was no reason for her to deny it at all.

"Leon, I've already taken your wife's virginity, now, I'm about to take your girlfriends! Let's see how you take that! You'll never be able to do anything in front of me anymore!" Brody laughed in an incredibly happy manner!

He had deep grudges against Leon. He tried to cause Leon trouble so many times but fell to Leon every time.

He hated Leon to the core, and wanted nothing more than to deal with Leon!

The chance was finally there!

He took Marilyn away from Leon before. If he could take Janice away, Leon would be in intense pain when he found out!

The more pain Leon was in, the happier Brody was!

He had a perverted sense of revenge!

"You..." Janice paled as she bit her lips. She said intensely, "Let me warn you. This is a lawful society. If you do anything to me, the law won't let you go!"

"I know it's a lawful society. Forcing myself on a woman is a heavy crime! So what? I already have everything planned out. I won't need to bear any consequences!" Brody laughed maniacally.

"There are no foolproof plans! Don't try and scare me like that, I won't fall for it!" Janice acting calm.

Even though the Sullivans were rich and powerful, the media was very powerful nowadays. The Sullivans would not be able to cover everything up!

If Brody dared to do anything, he would not be able to escape the law!

"Don't be so certain! I don't mind telling you, but Leon will be dying today! If you're obedient and serve me well, I can consider sparing your life! If you don't understand the situation you're in, I can just have you go to hell with Leon!" Brody smiled coldly.

The law **was** not to be played around with. No matter how bold he **was**, he would not dare to kill Leon in such a brazen manner.

However, with the Sullivans and Xander's combined influence, it was not that difficult to kill someone as insignificant as Leon!

Brody planned to use Janice to lure Leon deep into the mountains. After that, use Janice's life to kill Leon and bury him. There would be no evidence at all!

As for Janice, Brody was not willing to just leave such a beauty untouched!

As long as he locked Janice up and trained her to become his toy, there would be no issues.
