

# The Ex-Husband's Revenge By Dragonsky

Chapter 367

## Chapter 367

He heard about secret rooms like those in foreign news all the time!

Of course, if Janice was not willing **to** cooperate, and tried to **cause** trouble, he did not mind burying Janice with Leon!

“Y—you’re planning a murder!” Janice shouted.

Even though she did not know what Brody’s plan was, she could tell what Brody meant.

If she was willing to **be** Brody’s toy, **Brody** would think about sparing her life.

Otherwise, she would die with Leon!

“So what? So many people go missing and **are never** found. It’s **a** common fixture in the news. Leon’s just an orphan with nothing to his name. He’s not even a regular person. Even **if** he dies, nothing will happen!” Brody smiled snidely.

“You...”

“I won’t let you get what you want!” Janice was shocked and angered. She suddenly stood up and charged at Brody.

Bang!

Brody was not able to react in time and fell to the ground.

Janice’s head rammed right onto his nose, causing his nose to bleed.

At that moment, Janice tried to run to the door.

Initially, Janice’s hands and feet were tied up, and she was not able to move.

However, through her constant effort, his hands managed to loosen the rope on the legs.

While Brody was unprepared, she suddenly attacked Brody.

Unfortunately, she was a weak girl with limited strength. Her hands were tied as well. Her attack did not hurt Brody too much.

Brody was furious. He wiped the blood with his hand and charged right at Janice.

When she got to the door, Janice was stunned.

Her hands were tied, and she had no way to open the door at all.

At that moment, Brody already caught up to her. He grabbed Janice’s arm and forcibly dragged Jancie back.

“Wretch, how dare you hit me?!” Brody said viciously. With some force, he tore half of Janice’s shirt off.

“Despicable! Let me go!” Janice was furious. She kicked right at Brody.

Brody was already prepared after what happened earlier. He used his legs to hold down Janice’s long legs.

“Fight back all you want! I love it!” Brody’s animalistic nature was stirred as he forcibly pushed Janice down **on** the desk.

“Help me!”

“Please, let me go...” Janice was terrified.

She was really scared. She was not just scared of being forced on by Brody, but even more scared of Brody’s sinister plans.

She knew that it would be hard for her to avoid death.

However, she was distraught at the fact that she was even going to be tainted and humiliated by Brody before her death.

“Cry out all you want! Even if you lose your voice, no one will save you!” Brody let out a laugh. His blood was already boiling.

He felt amazing acting **so** aggressively.

Janice was so beautiful, and she kept her purity as well!

He was about to take this woman for himself!

“No...”
