Now, with Mason's help, he would not be scared of Janice being put in danger if he and Xander were to go into combat!

"I can't believe how arrogant **you** are, Xander Long, to dare to pick a fight against the mighty Leon Wolf! Well, I guess today's the day!" Mason cackled as he pointed at Xander.

He always knew it would be as easy as ABC for Leon **to** defeat Xander in battle, considering he was one of the most skilled combat artists in the realm of Supreme Masters.

However, he never thought Xander would be foolish enough to dare to pick a fight against Leon!

Mason quickly realized that this was a once-in-a-lifetime opportunity to get rid of his longstanding enemy **for good**, so he quickly gathered his men to help Leon defeat Xander.

"What rubbish! Mason Shelton, you're **no** match for me! So what if you have Leon Wolf here **to** help? You two are far from being worthy opponents against me!" Xander snickered.

The last time he saw Mason was at the bar, where Harvey broke off their fight before they could determine who was the winner.

However, now that Harvey was not around, he could finally prove himself once and for all!

Since Mason brought a death sentence unto himself, this was the perfect time to defeat him and end their rivalry for good!

"You're an idiot, Xander! Haven't I told you about Mister Wolf before? He's a member of the realm of Supreme Masters—he'll squish you like an ant! I don't understand where you even get your confidence from! "Mason said disdainfully, shooting Xander a dirty look.

"The realm of Supreme Masters? My ass! He's just a parentless nobody! How dare he call himself a Supreme Master? What a joke! You don't have to try to scare me, Mason Shelton. I won't be scared at all!" Xander did not believe a single word Mason said.

"Whatever! Since you don't believe me, why don't you try yourself?" Mason could not be bothered anymore

and instead wanted to challenge Xander right away.

"I will!" Xander sneered and gave two of his subordinates a meaningful glance.

The two men, who were trained martial artists, stepped forward in Mason's direction.

"I'll take care of them, Mister Wolf, I'm sure you can handle Xander by yourself." Mason smiled before proceeding to engage in combat against the two men.

"Leon Wolf, Mason keeps insisting that you're a Supreme Master. Well, today, I'll be able to see for myself if that's true or not!" Xander declared, sneering. The contempt in his eyes was so evident, it was as though he

stared at a circus clown.

"**I'm** not a Supreme Master—Mason must've gotten that from somewhere else," Leon explained calmly.

"Haha! I knew it! I knew this wasn't possible!" Xander burst into laughter. "You managed to survive because Harvey Shear meddled, but unfortunately, you won't be so lucky today!"

"Stop **embarrassing** yourself, and come fight me!" Leon snapped impatiently.

"Alright! since you're so eager to die, I'll grant your wish! This is your death sentence, Leon *Wolf!*" *With* that, Xander sprinted in Leon's direction, raising his fist behind him at breakneck *speed*.

At this moment, Brody, who was dragged aside while he was unconscious *by* one *of* Xander's men, was

successfully resuscitated.
