Chapter 377

Read The Ex-Husband's Revenge By Dragonsky Chapter 377

Leon was no match for the legendary Jacob Lowe at all—it would be as easy to defeat Leon as it was to kill an ant!

“You” a dark expression crossed Leon’s face as he erupted in anger.

“How dare you **say** that about Mister Wolf? You’re so arrogant, Jacob Lowe, that I think you’d better shut up!” someone declared, cackling.

Fane Poole, the son of the Southern King, stormed into the room **with his troops**.

“How dare you show your face here, Fane Poole!” an expression of shock crossed Jacob’s face when he realized who it was.

This was the hideout of Xander Long, the famous Winged Tiger, and was technically a part of the Northern King’s reign. Jacob was surprised to see Fane, the son of the Southern King, show up here.

“Did I arrive too late, Mister Wolf?” Fane took no notice of Jacob at all and instead greeted Leon as he strode over to his side.

“No, you’re not you’re right on time,” Leon said, smiling.

“I didn’t know this man is your subordinate, Fane. Well, it’s no wonder he was behaving so arrogantly!” Jacob said in sudden realization as he glanced first at Leon and then at Fane.

“My subordinate? No, no, no. you’ve got it wrong, Jacob. He’s not my subordinate, if anything, he’s just as powerful as I am!” Fane replied calmly.

“What? He’s just as powerful as you are?” everyone was utterly shocked to hear this, especially Xander and Brody.

The two of them knew of Leon’s background—or rather, his lack thereof—and this was the reason they even dared to pick on him in the first place.

However, Fane’s declaration that Leon was just as powerful as he was seemed to rock their entire world.

Jacob felt the same—before this, he did not even give Leon a proper look because he did not think he needed to waste his energy on someone like him.

Fane’s words were like a humiliating slap across his face!

Since Leon and Fane were equal in skill and ranking, this meant the same **for** him and Leon!

“Don’t bullshit me, Fane Poole! There are only four Major Families in Springfield City, and none of them have the surname, Wolf! How can you say he’s just as powerful as we are?” Jacob could not help second- guessing Leon’s true identity.

He and Fane crossed paths multiple times on various occasions, and if Leon was truly the son of an influential family like theirs, he would have recognized him!

“Um...” Fane balked at this.

He learned of Leon’s abilities through the realm of Supreme Masters and his relationship with the Shears, but truth be told, he did not know Leon’s true background at all.

“Cat got your tongue?” Jacob laughed and immediately grew even more certain that Fane just tried to fool him.
