Businessmen **and** members of wealthy families came for the Nurturing pills and Life–prolonging pills, while high–born ladies came for the Beauty pills.

The hall was packed with people as far as the eyes could see and Iris was stunned by the sight. “The Shears sure put a lot of effort into this!”

She glanced over and spotted countless familiar faces that came from powerful backgrounds, amazed by the Shear Family's success in gathering anyone who meant anything in the city.

“Yeah, I didn't expect to see this many people either,” Leon said, impressed by the influence of the Shear Family.

“Hello, Mister Collins,” Iris greeted coldly.

“Iris, you know how I feel about you. Why don't we go somewhere alone to talk?” Anson smiled gently and

reached for Iris's arm.

Leon's expression instantly darkened and thought, ‘It's bad enough that he's ignoring me. How dare he try to touch Iris? Iris is my girlfriend now and I won't let him do whatever he wants!’

Leon darted forward to shove Anson's hand aside while shielding Iris behind his back. “Mister Collins, has nothing to say to you!”
