

Chapter 6

But Ye Yanyan didn't know that this time, Si Lijue had fallen and was taking care of him.

During these Ye Yanyan's stay in the hospital, he came to the hospital to take care of Ye Yanyan at night. During the day, he had Ye Family to solve the problems and funding problems left behind by Ye Lingtian and Yan Yan's stepmother. He hadn't slept for a few hours. He was too tired and didn't have a good meal. As soon as he heard that Ye Yanyan could be discharged from the hospital, his tense nerves broke and he collapsed.

Sister Zhang was the second-highest nanny in the Si family. She treated people well, so she was Si Lijue called to take care of Ye Yanyan.

Sister Zhang had wanted to tell Si Lijue that Ye Yanyan was done. He told him not to worry, but when he heard his voice, he rushed to the hospital to take care of Si Lijue.

When Sister Zhang arrived, he saw Si Lijue quietly lying on the bed. His bright white face revealed a sharp and cold handsome face. His thick eyebrows rose slightly in rebellion. Under his long and slightly curly eyelashes, his dark and deep icy eyes were now tightly closed. His tall and straight nose, thin lips without a trace of blood, and his three-dimensional features were as handsome as a knife. Sister Zhang eyes turned red. She had brought Si Lijue so big since she was young and had never seen him so weak and pale.

Si Lijue slept very uneasily. He woke up with Ye Yanyan name.

"Young Master, are you alright?" "You scared Sister Zhang. Are you hungry? I brought you some chicken soup." As Sister Zhang spoke to Si Lijue, he poured chicken soup out of a heavy thermos cup.

Si Lijue raised his hand and looked at his watch. It was almost time for dinner. Ye Yanyan had just recovered. Thinking of this, Si Lijue quickly got out of bed. "Sister Zhang, I won't drink anymore." He ran out.

"Young Master, where are you going? You just woke up." Sister Zhang chased after him and shouted at Si Lijue.

"It's me, Sister Zhang. I'll go make some porridge. It's almost time for dinner. Yan Yan only eats this." Si Lijue said as he ran.

Sister Zhang shook his head. "Li Jue, you're so stupid. You didn't tell Yan Yan what to cook." "Mr. Tian Luo, who's been a teacher for so long, didn't know what he said." She muttered to herself.

But Sister Zhang didn't know that her panic Ye Yanyan never been exposed. Ye Yanyan already knew. She knew it was him, and she always knew it.

Si Lijue gently cooked the meal. As long as Yan Yan loved to eat, he would be willing to do it every day. No matter how busy he was, he would spare time. As long as she needed it, he Si Lijue to cook and the corners of his mouth curved up slightly.

About half an hour later, Si Lijue ran back to the ward with the porridge. Sister Zhang looked at Si Lijue helplessly.

"I'm back. Seeing that you can still cook, Sister Zhang can rest assured. Have a good rest." Let me drink the chicken soup. I'll go back and cook for you. "Happy, my Eldest Young Master."

As Sister Zhang spoke, he poured the chicken soup over to Si Lijue. He took the bento box in Si Lijue hand.

"I'll go back rest. Li Jue, take care of yourself before you can take care of Miss Ye."

Si Lijue looked at Sister Zhang with gratitude.

"Sister Zhang, the driver is waiting for you downstairs."

After Sister Zhang left, Si Lijue pressed his temples. Actually, he wasn't completely ne, but he still took off his sick clothes and changed into a suit.

Si Lijue stood in front of the window and opened her phone. On the contact page, she called the butler.

"Come and pick me up. I'll wait for you in the hospital hall."

After hanging up, Si Lijue cold and deep eyes looked out of the window. He didn't have any time to rest now. He had to deal with Ye Family matter as soon as possible and return the Ye Family to Yan Yan before their relationship could be restored.

After Si Lijue completed the discharge procedures, the butler arrived. The car sped to the main entrance of the Ye Group Building.

For several days in a row, Si Lijue did not return to the Li family's mansion. They had been meeting Ye Group to deal with the mess that Ye Lingtian and Ran Yuwei left behind. Now, there was only one empty shell left.

Other than Si Lijue, Ye Lingtian, Ran Yuwei, and Ye Yanyan uncles knew about this, but no one else, including Ye Yanyan.

Another person knew that it was Si Lijue good friend and Si Lijue good assistant Han Cheng. When Si Lijue came to Ye Family help Ye Yanyan, he entrusted Han Cheng to help him manage the Li family behind his back.

When Cao Cao was mentioned, he arrived.

Han Cheng a wicked smile appeared in front of the Ye Group President's office. He was using his beauty to seduce Si Lijue secretary!

Han Cheng smiled wickedly. Even his two thick eyebrows were rippling gently, as if they had always been smiling.

Her fair skin set off her moderately thick red lips. Her handsome features were outstanding, and her perfect and handsome face was sharp and angular. Coupled with her black suit, she was even more imposing.

The beautiful female secretary was obviously seduced by Han Cheng. She stared at Han Cheng tightly, but she couldn't put it in the President's office. After all, the President had specially instructed that no one was allowed to disturb his office. The female secretary didn't dare to violate it.

"The President is indeed not here, sir! "You can make an appointment with me. I'll tell President Li when he comes, okay, sir?" The female secretary explained to Han Cheng in a sweet voice.

At this moment, Si Lijue walked out of the office.

"Si Lijue, you actually asked your secretary to keep me out of the door. How can you compensate me for such a serious matter?" Wang Yao asked. "I still have to seduce your secretary, but I still haven't let you go." Han Cheng walked over to Si Lijue shoulder and said.

As Han Cheng spoke, she raised her eyebrows and looked at the female secretary. Her face turned red as she hurriedly explained to Si Lijue and Han Cheng.

"I'm sorry, Mr. Han Cheng. Because the President has instructed me, I can only do this. I hope you can forgive me. "President, if there's nothing else, I'll go down rest."

The female secretary was extremely embarrassed. She took two steps and ran away.

Han Cheng was still smiling.

"President Si, your secretary is really cute. Just treat her as a gift and compensate me. I'll forgive you for being negligent."

Si Lijue glanced at Han Cheng and ignored him. He turned around and walked into the office.

Han Cheng turned around and Si Lijue was gone. "Hey, Si Lijue, your face is thick. You're guilty."

###Chapter9, Dress Up

As Han Cheng spoke, he ran into Si Lijue office.

Si Lijue was already used to Han Cheng the image of a hooligan. He sat on the sofa in the office, leaning on the cushion on the sofa and rubbing his temples. He looked very tired.

Han Cheng saw Si Lijue good brother and didn't make a fuss.

"Are you alright? Help Sister-in-law deal with the big hole in the Ye family. Usually, she looks quite smart. Why did she become a fool when she arrived at Sister-in-law?" Wang Yao asked. "Don't you want to die? At the company's reception, bring Sister-in-law along. I'll use your female secretary rest."

Han Cheng nally nished speaking in one breath and pulled Si Lijue out.

"I'm me. Yan Yan didn't have a mother since she was young. She doesn't need to know so much. As long as she's good, I will do it." "I'll explain it to her in the future." As Si Lijue walked, he spoke to Han Cheng in a serious tone.

"I'll bring Yan Yan to the reception. I'll introduce you to him when the time comes. My secretary, you can handle it yourself."

Han Cheng took Si Lijue to a grocery store, but halfway through Si Lijue meal, he ran to the kitchen to cook for Ye Yanyan. He thought that he was lucky. Brother Si Lijue nally found out how good he was today and wanted to reward him. In the end, Si Lijue rejected him.

"This is Yan Yan. I'll pay the bill today. Eat whatever you want."

"If you don't do it for me today, I'll tell Sister-in-law how much you've done for her and not let her know. Besides, why don't you do more? "Brother, it's been a long time since I've eaten your meal."

"Scram!"

"I don't dare. I'm begging you. I'll reward A little bit."

Si Lijue divided up some of the nished food for the Han Cheng and brought the rest back to Ye Yanyan.

Han Cheng Eldest Young Master began to complain when he saw the pitiful thing on the plate.

Si Lijue lost a word of love and didn't want to eat. He took Han Cheng car key and left. Han Cheng immediately went silent.

"President Si, wait for me. I'll take you home after I've nished eating. I'll take you back if you don't like me."

Han Cheng drove the Si Lijue back to the Li residence. Si Lijue gently opened the door, he didn't see Sister Zhang and walked towards the guest room. He wanted Sister Zhang to bring the meal to the Ye Yanyan, but as soon as he opened the door, he saw Ye Yanyan and Sister Zhang sitting there.

Ye Yanyan raised his head and saw the box in his hand. His eyes were misty.

Sister Zhang knew that he couldn't hide Ye Yanyan, so he walked out.

"Young Master, you came just in time. Miss Ye want to talk to you."

She looked at Si Lijue with encouragement and walked out of the guest room.

Si Lijue slowly walked into the guest room and handed the box to Ye Yanyan.

"I just went to eat. Remember to listen to Sister Zhang saying that you love to eat this, so I brought you a portion to prevent others from thinking that I Si Lijue abusing my wife and not even giving me food."

His deep eyes wandered helplessly, not daring to look at Ye Yanyan. He did not know what to do, but he could not move at all.

Ye Yanyan stared at the Si Lijue with her misty eyes. She was about to cry. She remembered that Si Lijue didn't dare to look at her every time she lied.

"Si Lijue, didn't you betray me? Do you think you can fool me?" "You've been the one who cooked the meal since I was hospitalized. Look at my eyes and answer me."

"Eat it. I don't have anything to prove to you. Your gown will be delivered to your room tomorrow. I'll pick you up at 7 p.m. tomorrow for the Si family's reception."

He restrained himself. He was afraid that Ye Yanyan would see through his lies.

Si Lijue rushed out of the guest room and Sister Zhang looked at him in disappointment. He understood that he could not let Ye Yanyan know what he had done.

Ye Yanyan didn't know what to do now because she didn't seem to hate Si Lijue so much. When she thought of her mother, her heart turned cold.

Ye Yanyan could feel his hand trembling slightly, and his face was even paler. His teeth were tightly biting his lower lip, almost bleeding. But Ye Yanyan he seemed to have no idea, he continued to bite his lower lip.

Fortunately Sister Zhang came in in time to stop her. Ye Yanyan hugged the Sister Zhang and gently stroked the poor girl as she comforted Ye Yanyan.

"Sister Zhang don't know how to comfort you, but please don't hate Young Master. He really loves you. We're all women. What I want to teach you is that sometimes I can't believe what I see in front of you. You have to feel it with your heart. Perhaps you will gain something different. "Trust Sister Zhang."
