

Chapter 7

Si Lijue ran to the outside garden, next to a limited-edition red Rolls Royce sports car. This was the last time Ye Yanyan saw it at the auto show, so he bought it. He had planned to give it to her on her birthday, but in the end...

Si Lijue opened the car door and pushed the accelerator to the bottom with all his strength. He opened the car window and allowed the wind to slap his face.

The next day, Ye Yanyan didn't get up until 10 o'clock when she found a water-blue dress in the corner of the room.

Ye Yanyan pulled open the curtains, the sun was blazing outside the window, and the warm sun shone into the room. The cold room brightened, and Ye Yanyan's heart began to warm.

"Miss Ye, you're awake. Come and have breakfast. The stylists are waiting in the living room."

"I'll eat when I'm done. I'll be ready soon."

After washing up and nishing breakfast, Ye Yanyan, with the help of Sister Zhang, changed into the water-blue evening dress. It was just her size.

"Miss Ye, you're so beautiful." Sister Zhang couldn't help but exclaim.

Ye Yanyan looked at herself in the mirror. After she was betrayed by Si Lijue and the Ye family, she had never been dressed up like this. Her simple aqua-blue dress made her look dignified and noble.

At 7 p.m., Si Lijue drove the red Rolls Royce sports car to pick up the Ye Yanyan. He was dressed in a black-brown suit and had a handsome and tall figure.

Si Lijue and Ye Yanyan were speechless all the way. After getting out of the car, Si Lijue motioned for Ye Yanyan to hook his arm. The two of them cooperated very well.

Si Lijue and Ye Yanyan were as warm and dazzling as the sun. At this moment, the Ye Yanyan beside them were also Bright And Beautiful. They were dressed in a simple, water-blue evening gown that was graceful and alluring.

As soon as Si Lijue and Ye Yanyan entered the arena, the crowd cried out in alarm. The high lights illuminated the two of them as exquisite as porcelain dolls. The gazes of the crowd were staring at the two of them.

After a while, everyone recovered from their shock and began to chat with Si Lijue and Ye Yanyan. Their cups were filled with praise and congratulations.

Suddenly seeing Ye Lingtian and Ran Yu walking towards them, Ye Yanyan took a deep breath. They actually dared to come over, Ye Yanyan the hand that hooked Si Lijue couldn't help but grasp it tightly.

Si Lijue sensed the change in the Ye Yanyan, a faint and cold light wave appeared in Ye Yanyan's warm eyes as he stared at Ye Lingtian and Ran Yu.

"Yan Yan, my precious daughter, why hasn't she come home to live in so many days? She's been thinking of her mother to death."

Ran Yuwei was wearing a tight red dress with an exaggerated expression, as if he really wanted to Ye Yanyan home.

The Si Lijue beside him looked at the absent-minded Ye Yanyan and gently shook his arm. "Yan Yan?"

Ye Yanyan snapped back to her senses and took a look at the Si Lijue with her soul-searching eyes. Her gaze was gentle before she looked at Ran Yuwei and took the wine in Si Lijue's hand.

"Father and Mother, to you all. Ye Family. Now that it's in my hands, we will manage it properly."

After Ye Yanyan said that, the corners of his mouth curled up.

Si Lijue looked at the cold and detached Ye Yanyan in front of her as if she was a stranger and listened to the impatience and sarcasm in her tone. The hand holding the wine glass unconsciously tightened, and a bitter expression appeared in her heart.

She changed.

###Chapter 10, Was wrong in the end

This kind of change made Si Lijue feel a little disappointed and frustrated. He couldn't help but ask himself again, whether it was right or wrong to hide it from her back then!

Originally, he wanted to protect her from the dirty and unbearable things outside, but he wanted to protect her innocence and kindness. However, reality gave him a resounding slap.

Ran Yuwei was filled with hatred, but her face was still full of smiles.

"I knew my precious daughter and son-in-law were the best." As he spoke, he took the wine cup and walked forward.

Just as he was about to touch Ye Yanyan's cup, Ye Yanyan pulled back and picked up the cup and lightly pecked it. There was a decent smile on his face.

"Thank you, Second Mother."

An awkward atmosphere filled the air, and Ran Yuwei's face turned ugly.

Seeing that the situation wasn't good, Ye Tian Ling hurriedly took the cup and touched the Ran Yuwei cup before chuckling.

"Today is the Si family's banquet. My son-in-law must be very busy, so we won't disturb him."

After he finished speaking, he pulled Ran Yuwei to the side.

"What are you pulling me for?" How could you not see that little slut mocking me? "She's just a Si Lijue accessory."

When Ye Yanyan heard these words, a look of disdain appeared on his face.

In the past, she had thought too simply. She had thought that since she had already become a family, she would be more polite. However, they had to join forces to cheat her out of all the shares in the Ye Family.

When Si Lijue heard Ran Yuwei's words, his handsome eyebrows furrowed together. She looked down at the Ye Yanyan beside her with worry.

Under the delicate makeup of the Ye Yanyan, there was a smile on his face. It was as if he didn't hear anything. After experiencing so many things, she had already learned to hide her emotions.

"Nephew Li Jue."

A bald middle-aged man with one hand holding a wine cup and the other hand holding a hot beauty walked over.

Si Lijue smiled and nodded as he reminded the Ye Yanyan beside him. "His name is Wang Shoujin. He does a lot of business in import and export trade. He has business cooperation with our company."

Ye Yanyan looked at Si Lijue with a cold voice.

"I just knocked out the child and didn't delete my memory."

She was also a little stunned. So she could say such harsh words.

Si Lijue was stunned by these words. These words were like sharp knives stabbing into his heart. Did he already hate them to this extent?

At this moment, Si Lijue wanted to hold Ye Yanyan in his arms and tell her everything.

Since it had already started, there was no reason to stop. When she returned a normal Ye Family to Ye Yanyan, she would definitely understand that he was doing everything for her.

He reached out to grab Ye Yanyan's waist and raised his glass.

"Uncle Wang, let's have a drink."

Wang Shoujin shook his head and turned to look at Ye Yanyan.

"Who wants to drink with you? I want to drink with my nephew's wife."

Ye Yanyan smiled and nodded. She gracefully picked up the wine glass and lightly touched the Wang Shoujin. She placed it on her lips and took a sip.

"Hey, nephew-in-law, you're being rude. Looking down on your Uncle Wang?"

Wang Shoujin waved the wine cup in front of Ye Yanyan.

"You have to do it."

Ye Yanyan knew that she couldn't take it off. Without saying anything, she lifted her head and drank the wine.

His stomach immediately felt a burning sensation and his thin body swayed.

Si Lijue looked at Ye Yanyan with concern. His stomach condition was just ne. When he was discharged from the hospital, the doctor reminded him that his diet should be light in the future. It was best to avoid touching alcohol and cigarettes. But she didn't care about her body so much.

"My nephew's wife is so happy. She really deserves to be my nephew's help. I heard that you left the Ye Family to Li Jue's nephew. Are you planning to merge the two companies in the future? If the two companies merged, their future development would be limitless. "We have to work together more in the future!"

Ye Yanyan couldn't hear what Wang Shoujin was saying anymore. Her mind was filled with the words of the merger of the two companies. So this was Si Lijue's purpose.

At this moment, the pain in her heart that she had originally thought was numb made her tremble. No matter how cold she was that Si Lijue left her these days, he had always cared about and cared for her as always.

It felt like he had returned to the past. Ye Yanyan even wondered if he had misunderstood.

"Uncle Wang, stop joking. We don't have that plan. Ye Family. We'll always be Ye Family." Feeling the coldness from the Ye Yanyan beside him, Si Lijue quickly explained.

He took another glass of wine from the waiter's side and Wang Shoujin waved his hand in disapproval.

"Regardless of whether or not you plan to do so, this merger is an inevitable trend in the future. You two are two. What is this? If it's not yours, it's mine. If it's mine, it's yours. "A husband and wife are united, and their protons are cut off."

Ye Yanyan's expression grew uglier and uglier, Si Lijue it was hard to say.

Apart from the necessary greetings, Ye Yanyan didn't say a word at the entire banquet. Some people didn't even take a toast and raised their heads to drink. The pain in his stomach had never disappeared, but it seemed like this was the only way his heart would not feel so painful.

It would be over. Ye Yanyan didn't remember how many glasses of wine he had drunk. She was so dizzy that Si Lijue's smelly face helped her get into the car.

Ye Yanyan opened the window and the wind blew on her long hair.

"Stop the car."

Ye Yanyan roared. The moment the car stopped, Ye Yanyan pulled open the door and went down.

Si Lijue quickly got out of the car and watched the petite man squatting on the side of the road. He took a bottle of water and handed it to her.

"Don't you care about your own body? You were the wife of the President of the Si family, so no one would force you to drink. "Could it be that it's so difficult to refuse?"

He hadn't eaten anything for a day. Ye Yanyan vomited almost all of the sour water in his stomach. When he heard Si Lijue's words, he was filled with complaints and didn't have the slightest concern. His heart became even colder.

He grabbed the water in his hand and rinsed his mouth. His pale face was full of stubbornness.

"I'm willing. What does it have to do with you?"

"I'm your husband. How come it doesn't matter?" At this moment, Si Lijue's anger was close to exploding.

"Heh, you still know that you're my husband?" Why didn't you think that you were my husband when you were working with those people to get all the shares from me? Si Lijue, don't think I don't know. You treat me well just to keep me by your side. Then he personally watched you swallow Ye Family right?"

Si Lijue's eyes were like a bottomless pool, word by word.

"Ye Yanyan, I'll always be your husband. "And you have to stay by my side forever."

"That's right. Only when I'm by your side can you smoothly take over Ye Family. "I'm not your wife. I'm just a tool for you to stop the crowd. Si Lijue, I'm still wrong about you."

###Chapter 11, most cruel

Si Lijue frantically grabbed Ye Yanyan's shoulder and roared.

"Ye Yanyan, do you have to act like this?"

"Hahaha..." For some reason, he was clearly heartbroken. Ye Yanyan but he burst into laughter.

"Si Lijue, you're too cruel. Why did he treat me like this? "Why did you provoke me?"

He reached out his hand and stroked the man's face. Why did someone who was clearly the most familiar suddenly become unfamiliar?

"Yan Yan, you're drunk. "Shall we go home?" Looking at the Ye Yanyan's pale little face, Si Lijue pulled her into his embrace with great heartache. He secretly made up his mind to protect her from any harm.
