

The Revived Me Surrounded by Adoration as a Supporting Role by Dedaul Chapter 151 -

Chapter 151 Unease

“What happened?”

Valeric looked at her expression.

It seemed like it wasn't about her own matter.

But with such a tense expression, were you also a little scared?

Valerie's eyes narrowed slightly.

“Go ahead, I'm listening.”

The training bag in her hand was casually placed at the entrance, and she wearily walked into the living room and sat across from her.

Sarah saw Valerie and immediately felt like she had found her soulmate.

Her peace of mind increased steadily.

“When I was having lunch today, I saw a person dressed in all black downstairs, wearing a black duckbill cap and a black mask, standing next to the street lamp downstairs.”

Speaking of this, Sarah became a little excited, her tone even rose a lot.

Is there anything here?

Valerie was puzzled.

But Sarah's expression showed otherwise.

Valerie patiently waited for Sarah to finish speaking.

Sure enough, Sarah became a little anxious when she saw Valerie's indifferent expression.

"But he kept looking at the living room, specifically at our fourth floor."

Valerie furrowed her brows after hearing Sarah finish her sentence.

Her exhaustion vanished instantly, and her body straightened up.

"Did you say he was looking at the fourth floor?"

"Um! I locked eyes with him."

When this sentence came out, Valerie realized the seriousness of the matter.

She glanced at the worried Sarah and let out a slight sigh.

"I got it, our building is quite remote. It's strange that people come to visit such a remote place."

You don't have to worry too much. When I'm not at home, the doors and windows are locked properly, so you should take care of your own safety.

And I will prepare some anti-wolf tools for you. Don't sleep for now, I will teach you how to use them later

Valerie spoke seriously and with a stern tone.

Although she said with her mouth, telling Sarah not to worry.

But Sarah's hands and feet turned cold with fear.

She felt too embarrassed to ask Valerie for help again, so she had to endure it herself.

Valerie looked at the hesitant Sarah, and her expression softened slightly

“It’s okay, don’t worry. I assure you that you were not in danger.”

Valerie’s words, like magic, made Sarah feel a little more at ease.

She was just a high school student.

I didn’t know what measures she would take to ensure that she wouldn’t get in trouble.

Sarah nodded her head, indicating that she understood.
