“Gu Taichu, die!” Chi Feng shouted and his body suddenly disappeared! In the blink of an eye, his fist arrived in front of Gu Taichu!

Gu Taichu didn't give in and raised his fist to meet it!

“Boom!”

This was a huge collision that sent Yao Qing flying!

Qin Yu also took a few steps back to stabilize his body!

Gu Taichu's expression wasn't too good. This punch had obviously injured his wrist.

On the other hand, Chi Feng had his hands behind his back, looking extremely calm.

Seeing this, Qin Yu hurriedly walked forward and stood in front of Gu Taichu.

“Chi Feng, master Gu is your master after all. Do you want to kill your master?” Qin Yu said coldly.

Chi feng sneered, “What does it have to do with you? After i kill Gu Taichu, I’ll kill you next!”

Qin Yu was so angry that he said, “If you really want to find someone to show off your power, I’ll fight with you in a week.”

“Qin Yu, you...”Gu Taichu’s expression suddenly changed and he looked at Qin Yu in panic.

Qin Yu waved his hand and interrupted gu Taichu’s words.

“Master Gu, I have my own plans,”Qin Yu said.

Then, Qin Yu looked at Chi Feng and said, “Do you dare?”

Chi Feng narrowed his eyes and said, “With just you? You are really a good dog. Why? Do you want to die for Gu Taichu?”

Qin Yu said coldly, “You only need to answer yes or no.”

Chi Feng laughed and said, “Why wouldn’t I dare? Since you are willing to die for him, why would I refuse? After all, Gu Taichu is my master.”

Chi Feng laughed coldly in his heart.

If he killed Gu Taichu, he would probably be branded as a murderer.

However, if he killed Qin Yu, not only would he be able to establish his authority, he could also claim that he was taking revenge for Gu Jinhong.

“Alright, I’ll see you in a week,”Qin Yu said coldly.

After saying that, Qin Yu looked at Gu Taichu and said, “Master Gu, Let’s go.”

Gu Taichu was a little unwilling and stared at Chi Feng.

If looks could kill, Chi Feng would have died ten thousand times already.

Qin Yu brought Gu Taichu and left.

After returning, Gu Taichu couldn't help but ask, "Qin Yu, with your current strength, it's impossible for you to defeat Chi Feng."

"Moreover, your talent is much higher than his. If something happens now, it's not worth it."

Qin Yu smiled. "Master Gu, don't worry. I've already thought of a way to deal with it."

Qin Yu actually didn't know the so-called way to deal with it.

All he could rely on was the formation and the cultivation method.

The reason why he said it was a way to deal with it was to comfort Gu Taichu.

Ever since Gu Taichu told him about his relationship with his father, Qin Yu had a subtle feeling towards Gu Taichu.

Gu Taichu had arranged a mansion for Qin Yu.

It had to be said that the GU family's courtyard was very large.

Moreover, the environment of the chinese-style building was also quite pleasant.

Sitting in his own mansion, Qin Yu looked at Yao Qing.

"Yao Qing, I plan to enter closed-door cultivation for the next few days. If there's nothing important, Don't disturb me,"said Qin Yu.

Yao Qing nodded and said, “Mr. Qin, don’t worry. Even if I have to risk my old life, I can still protect you.”

Qin Yu didn’t say anything more. He took out the divine medicine from his spatial magic tool.

Looking at this divine medicine, Qin Yu couldn’t help but feel a little reluctant.

“I originally wanted to improve my strength and use it to refine medicine, but now it seems that it’s too late,” Qin Yu thought to himself.

Qin Yu controlled a lot of medicinal pills, and among them, there was no lack of heaven rank pill formulas.

However, with Qin Yu’s current strength, the possibility of him refining a heaven-ranked pill was extremely small, and the risk was ridiculously high.

Therefore, Qin Yu could only settle for the second best and use it to refine an earth-ranked pill.

‘If this single herb can refine several earth-ranked pills, then it won’t be a waste,’ Qin Yu thought to himself.

Following that, he closed his eyes and browsed through the one-way pill formulas in his mind.

Countless pill recipes flashed through Qin Yu’s mind. Qin Yu carefully selected and finally chose the pill recipe called the vitality enhancing pill.

The effect of the vitality enhancing pill was not much different from that of the foundation establishment pill. The only difference was that the vitality enhancing pill could be used at any stage.

Even a great cultivator at the tribulation stage could use the vitality enhancing pill. Of course, the effect was negligible.

After choosing the pill recipe, streams of spiritual fire lit up on Qin Yu's palm.

Qin Yu didn't have any specialized pill refining utensils, so he could only borrow ordinary cooking utensils.

The spiritual fire burned fiercely in the cooking utensils. When Gu Taichu saw this, he couldn't help but exclaim in surprise, "This is a spiritual fire?"

Qin Yu nodded and said, "That's right."

When Gu Taichu heard this, he couldn't help but exclaim, "I've roamed the jianghu for so many years, and you're the second strongest spiritual fire I've ever seen."

"Second?" Qin Yu couldn't help but be stunned.

Could it be that there was still someone who possessed the purple flame?

Gu taichu nodded and said, "Back then, your father also used it once, and it was a purple flame."

Qin Yu:"..."

Refining a pill required concentration, and the slightest carelessness could burn the herbs.

Therefore, Qin Yu asked Gu Taichu and the others to leave for the time being, and then he began to control the spiritual fire to refine the vitality increasing pill.

Fortunately, Qin Yu's ability to control the fire had greatly improved. He also had some experience in controlling the fire.

Therefore, the process of refining the essence enhancing pill was extremely smooth.

The divine medicine slowly turned into a paste in the tool. A natural qi/spiritual energy instantly filled the entire room.

For an entire day, Qin Yu sat in the room without moving an inch.

It was not until the next morning that all the Qi/spiritual energy began to converge and slowly take shape in the tool!

With a low roar from Qin Yu, the tool immediately exploded!

Then, pill clouds appeared in the sky!

This time, the pill clouds were much thicker and heavier than the last time, covering almost half of the sky!

Many people were attracted by this strange scene!

Dong Tianhai, who was hundreds of kilometers away, also saw this strange scene!

"It's almost the same as the nine transformation golden core that day!" Dong Tianhai couldn't help but exclaim in surprise.

"Could it be that Qin Yu?" Dong Tianhai murmured in a low voice.

He looked in the direction of the pill cloud and said in a low voice, "It's in the direction of Bin Province. Could it be that Qin Yu really came to bin province to look for Gu Taichu?"

Thinking of this, Dong Tianhai immediately arranged for people to prepare a car and prepare to go to Bin Province!

Not only Dong Tianhai, but even the Divine Alchemist pavilion also noticed this scene.

“Who is refining medicine? It can actually form an earth grade pill cloud?” For a moment, the Divine Alchemist Pavilion was similarly attracted by this strange scene!

Chapter 290: Chapter 290, the furious Han Wei!

But very quickly, the Divine Alchemist Pavilion reacted.

Their alchemists were almost all over the country. It must be a member of the Divine Alchemist pavilion refining a pill.

In Gu Taichu’s mansion.

The Pill in Qin Yu’s hand popped out one after another.

Five minutes later, Qin Yu had a total of eight vitality enhancing pills in his hand!

“Eight pills is not bad,” Qin Yu thought to himself.

According to the records in the inheritance, vitality-enhancing pills greatly increased one’s strength.

Qin Yu had also absorbed the spiritual sense of the Earth Fiend Valley’s patriarch. It should not be a big problem for him to enter the monastic stage.

Gu Taichu and Yao Qing quietly waited outside the door.

They did not know what was going on inside. They only knew that Qin Yu was refining a pill.

Half a minute later, the wooden door opened.

Qin Yu held eight vitality-enhancing pills in his hand, and a smile appeared on his face.

“Qin Yu, how’s the situation?” Gu Taichu asked.

Qin Yu smiled and said, “It’s very smooth. But I’m afraid I’ll have to trouble you to protect me from now on.”

Gu Taichu nodded slightly and said, “Of course, there’s no problem.”

Qin Yu glanced around and asked in a deep voice, “Is there a relatively spacious place?”

Gu Taichu asked in confusion, “A relatively spacious place?”

Qin Yu explained, “I’m afraid that there will be a heavenly tribulation when I break through.”

This sentence reminded Gu Taichu!

Immortal cultivation was a heaven-defying act. Naturally, it would trigger the heavenly tribulation.

Usually, only after one stepped into the nascent soul stage would the heavenly tribulation be triggered.

However, there were also rumors that a genius would trigger the heavenly tribulation when he broke through to the foundation establishment stage.

Gu Taichu thought for a moment and said, “Okay, follow me.”

Thus, Gu Taichu brought Qin Yu out of the mansion.

After going around in circles, the three of them arrived at a mountain range together.

“Usually, no one will come here. You can break through here,” Gu Taichu said.

Qin Yu glanced at the surrounding environment. After making sure that nothing would be damaged, he nodded.

He found a place to sit down and stuffed the vitality enhancing pill into his mouth as he began to break through to the foundation establishment stage.

At the same time, the Jiangbei Martial Arts Association’s video had been successfully produced and successfully released.

The instant this news was released, it caused an uproar on almost the entire martial arts forum!

For them, it was practically impossible for a lowly commoner to provoke the Han family in Jingdu!

“Who is this Qin Yu? He actually dares to provoke young master Han?”

“F * ck, this is too ridiculous!”

“We can’t compare ourselves to others. To us, we’re afraid of provoking an aristocratic family like the Han family, yet he took the initiative to provoke us!”

“I remember now. This Qin Yu seems to be that king of Chuzhou from not too long ago!”

In an instant, almost everyone was watching this news!

And the number of comments instantly reached more than 10,000!

When the Jiangbei martial arts association saw such an explosive browsing, they could not help but look excited!

“Ruodan, you did well this time! This month’s bonus will be doubled!”The leader of the news department said excitedly.

Li Ruodan was immediately overjoyed and hurriedly said, “Thank you, director!”

This news continued to ferment, and almost everyone was discussing this matter.

They both admired Qin Yu’s actions, but they also felt that Qin Yu was sending himself to his death.

“You have to know that Han Wei is a famous genius in Jingdu. In addition to the Han family’s resources and background... Tsk Tsk, it’s hard to imagine.”

“Qin Yu represents the class of us ordinary people. I actually hope that he can win.”

“Who doesn’t Hope? These aristocratic families rely on their connections and backsides to not put us ordinary people in their eyes. I’ve Long had enough.”

“That being said, can Qin Yu really do it?”

“Maybe he’s the next ye Qing.”

...

At this moment, at the Han family in Jingdu.

Han Wei was meditating. In front of him were all sorts of top-grade herbs and pills.

To Han Wei, he could almost eat these top-grade pills like candy.

As long as he was talented enough, the Han family could use endless resources to turn Han Wei into a top-grade martial artist.

At this moment, the door was suddenly knocked open!

A 40-year-old man ran in in a panic.

Han Wei's eyes suddenly opened!

A terrifying internal Qi made the middle-aged man vomit blood!

“Didn't I say that when I'm meditating, Don't Disturb Me!” Han Wei said coldly.

The man struggled to get up from the ground and said with a trembling voice, “I'm... I'm sorry, Young Master Han, but... I have an important piece of news that I have to tell you.”

Han Wei snorted and said, “What News is so important?”

“You'd better see for yourself...” the man shakily took out his phone and placed it on Han Wei's subway.

Han Wei glanced at the phone, and then his face turned red!

“This Qin Yu is simply courting death!” Han Wei smashed the phone into pieces!

He said angrily, “A lowly reptile actually dares to shout at me. Who does he think he is? What right does he have to challenge me!”

To an aristocratic family like Han Wei, disobeying him was a great treason!

The middle-aged man at the side trembled, not daring to make a sound.

Han Wei clenched his fists tightly and said coldly, “Do you really think that with Yan Ruoxue protecting you, I won’t dare to do anything! I will go to Jiang Bei right now and crush you to death!”

“Young master, please don’t Be Rash!”The man hurriedly stopped Han Wei.

He said with a trembling voice, “Qin Yu said that if he dies, it must be because you are afraid that he will grow up.”

“If you make a move now, it’s equivalent to acquiescence.”

“When that time comes, the Han family might be ridiculed by the entire martial arts world...”

These words instantly made Han Wei even angrier!

He simply could not imagine that a dignified son of an aristocratic family would actually be toyed with like this by a low-level person!

Most importantly, even if he was angry in his heart, there was nothing he could do!

The current Han Wei was actually forced into a situation where he could not back down by Qin Yu.

“Furthermore... I heard that old Mister Yan seems to have high hopes for this Qin Yu,”the man added.

Hearing these words, Han Wei finally calmed down.

Although the Han family was not inferior to the Yan family, old Mister Yan's style of doing things made the entire Jingdu Tremble in fear!

Back then, the Sun family, which was also a top-tier aristocratic family, was forced out of Jingdu by old Mister Yan because they humiliated Yan Ruoxue!

Even Han Wei was unwilling to provoke a person who would not give up until he achieved his goal.

"Hu..." Han Wei took a deep breath and forcefully suppressed the anger in his heart.

"Good, good. I'll satisfy him!" Han Wei said in an ice-cold tone.

"Half a year later, I'll personally kill this bastard!"

...

Jingdu, Yan family.

Yan Ruoxue looked at the news on the Martial Arts Forum, and a gratified smile appeared on her face.

At this time, old Mister Yan walked in from outside.

He said with a smile, "Ruoxue, what are you so happy about?"

Yan Ruoxue handed the phone to old Mister Yan and said with a smile, "Grandfather, Qin Yu's courage and thinking have far exceeded our imagination. I really didn't misjudge him."

"Oh?" Old Mister Yan seemed to be a little surprised.

He took the phone and looked at the content on the screen.

Chapter 291: Chapter 291, shrinking the Earth to an inch

Old Mister Yan stared at the content on the screen.

After a while, a gratified smile appeared on his face.

“This kid is not bad.” Old Mister Yan could not help but laugh out loud.

“That kid from the Han family is probably going to die of anger now.” Old Mister Yan could not help but shake his head.

Yan Ruoxue’s beautiful eyes shone with a strange light. She had always been worried that Qin Yu would run into Han Wei, and what would happen if he did.

She had thought that Qin Yu would temporarily avoid the Han family’s sharp edge and wait for an opportunity to make a move.

However, she had not expected that Qin Yu would actually take the initiative to provoke Han Wei, making him unable to back down.

Advance could not advance, retreat could not retreat.

This method was much better than many!

Now that the entire martial arts world knew about this matter, if Han Wei suppressed Qin Yu, wouldn’t that be admitting that he couldn’t do it?

“Qin Yu...” Yan Ruoxue muttered this name in a low voice.

She wished that she could immediately fly to Qin Yu’s side.

“Cough Cough!”

At this moment, old Mister Yan actually started coughing violently.

“Grandpa, What’s Wrong?” Yan Ruoxue hurriedly supported old Mister Yan.

Old Mister Yan waved his hand weakly and said, “I’m Old, My Body Can’t take it anymore.”

“Grandpa, are you... Are You Sick?” Yan Ruoxue looked a little worried.

Old Mister Yan smiled and said, “I’m fine, don’t worry. No matter what, I can hold on until you and Qin Yu Get Married.”

“I won’t be able to sleep without seeing my good granddaughter get married, Haha.”

Although his words were light, in reality, there was a heavy expression on his face.

...

At this time, Qin Yu had already swallowed all eight pill.

He had already been stuck at the peak of the foundation establishment stage for a long time. If he was unable to break through this time, then it would be very difficult for Qin Yu to defeat Chi Feng.

Time passed by minute by minute. In the blink of an eye, three days had passed.

There were only four days left before the fight with Chi Feng.

The valley was quiet and peaceful. Even the sky was clear.

“This doesn’t seem like a sign of a breakthrough.” Gu Taichu put his hands behind his back.

“Could it be that... Qin Yu can't trigger the Heavenly Tribulation at the Foundation Establishment Stage?”

However, Gu Taichu thought that with Qin Yu's talent, he would definitely trigger the heavenly tribulation!

Finally, on the fourth day, Qin Yu opened his eyes.

However, his internal Qi didn't change much.

“I can't break through...”this made Qin Yu's expression turn ugly.

One had to know that there were eight earth grade pills that were refined from a thousand-year-old divine medicine!

Moreover, Qin Yu could clearly feel that the breakthrough was right in front of him.

“My current realm is enough to break through to the monastic stage, but I failed. Could it be that a thousand-year-old divine medicine is already unable to satisfy a small stage of breakthrough?”Qin Yu's expression was somewhat unsightly.

If that was the case, how difficult would the future cultivation be?

Qin Yu's expression was heavy as he walked out of the valley.

“Qin Yu, how is it?”Gu Taichu and Yao Qing hurriedly walked up.

Qin Yu shook his head and said, “I failed.”

“What? You failed?”Gu Taichu's eyes widened.

He murmured, “A thousand-year-old divine medicine is enough to step several steps in the monastic stage. How could it fail?”

Qin Yu was also puzzled. That was a thousand-year-old divine medicine!

“I know,” Gu Taichu suddenly said excitedly.

Qin Yu looked at Gu Taichu, waiting for him to continue.

“It is said that the more talented a person is, the more Qi/spiritual energy they need to break through to the foundation establishment stage.”

“Qin Yu, a thousand-year-old divine medicine can’t even help you break through to the foundation establishment stage. Your Future is limitless!”

Gu Taichu’s expression was a little excited, and he couldn’t hide the excitement on his face.

Qin Yu didn’t say anything. He had considered this possibility.

After all, the foundation establishment stage required more Qi/spiritual energy to lay a foundation on the path of cultivation. It wasn’t a bad thing.

Because this would instead stabilize the foundation.

But... What should Chi Feng Do?

With Qin Yu’s current strength, it was impossible for him to fight Chi Feng.

“Qin Yu, don’t fight Chi Feng.” At this moment, Gu Taichu said.

Qin Yu frowned. He was about to speak when Gu Taichu continued, “If you die now, it’s not worth it.”

“But... Master Gu, forgive me for being blunt, but you are no match for Chi Feng,” Qin Yu said in a deep voice.

GU taichu smiled brightly, “It’s okay. I’m Old and have lived for too long. If I die, so be it.”

“But you’re different. Your Future is still very long. You Can’t lose your life at this time.”

Qin Yu didn’t know what to say.

He was silent for a while. Then, he looked at Gu Taichu and said, “Master Gu, let me do it. I’ve already thought of a way to deal with it.”

Gu Taichu frowned. “Qin Yu, this isn’t realistic at all. I didn’t fulfill my promise to your father. How can I let you fight Chi Feng for me?”

Qin Yu smiled and said, “Master Gu, don’t push it. Do you think that even if you fight Chi Feng, he will let me go?”

“For him, now is a good time to establish his power. If he can kill me, he can also occupy Chuzhou.”

Although Chuzhou’s martial arts were not very good, its economic development was still very good. Who knew how many people were eyeing this piece of fat meat.

Chi Feng was naturally no exception.

Gu Taichu didn’t know what to do for a moment.

“Master Gu, trust me.”Qin Yu’s gaze was firm.

Their eyes met, and Gu Taichu was actually affected by Qin Yu’s gaze for a moment.

“Okay!”Gu Taichu nodded his head vigorously.

After that, Qin Yu didn't say anything more and continued to enter closed door cultivation.

Qin Yu was very clear in his heart that whether it was in terms of realm or internal Qi, he couldn't be compared to Chi Feng.

The only thing that could contend with him was his physical body!

Qin Yu's physical body was not inferior to Chi Feng's, and could even suppress him by a head.

As long as he could let Qin Yu get close, there was still a sliver of a chance of victory.

After the battle with Gu Taichu, Qin Yu had already discovered his own weakness.

Chi Feng's speed won't be inferior to Gu Taichu's, Qin Yu thought in his heart.

Since that was the case, then Qin Yu definitely had to learn a more powerful cultivation technique.

Thus, Qin Yu closed his eyes slightly.

At the crucial moment, he still had to rely on the inheritance treasury left behind by his father.

Numerous pieces of information flooded into Qin Yu's mind.

Finally, a technique called shrinking earth into an inch appeared in Qin Yu's mind!

The effect of shrinking earth into an inch was quite similar to the speed that Gu Taichu used.

After browsing through it, Qin Yu was even more certain that the technique that Gu Taichu used was shrinking earth into an inch!

Qin Yu stood up and quickly walked out of the valley.

“Master Gu, did you use shrinking the earth into an inch?” Qin Yu asked.

Gu taichu nodded and said, “That’s right. This was also taught to me by your father.”

Qin Yu hurriedly asked, “Then did you teach this technique to Chi Feng?”

Chapter 292: Chapter 292, the treacherous Dong Tianhai

When Gu Taichu heard this, he couldn’t help but sigh. “I’ve always treated Chi Feng as my son. I’ve already taught him all the cultivation techniques.”

Qin Yu couldn’t help but frown.

If that was the case, just shrinking the ground to an inch wouldn’t be enough.

“What’s Wrong?” Gu Taichu asked.

Qin Yu shook his head and said, “Nothing.”

Then, Qin Yu turned around and returned to the cultivation technique, continuing to search for related cultivation techniques.

It had to be said that the inheritance left behind by his father could be said to be a treasure trove.

After all, that was a cultivation technique in the immortal cultivation world. Even if all the great aristocratic families in the world added together, they probably could not be compared to one

In a short while, Qin Yu found a cultivation technique that was extremely suitable for him.

“With this cultivation technique, I might have the strength to fight.” Qin Yu’s lips curled up into a cold smile.

Time flew by.

In the blink of an eye, there was only one day left in the battle between Qin Yu and Chi Feng.

These few days, Chi Feng had been living quite comfortably, sitting in the courtyard all day basking in the sun.

He did not have much potential, nor did he think of continuing to increase his strength.

To Chi Feng, his current strength was enough for him to dominate a region.

“After I kill this Qin Yu, my name will definitely shake the entire Jiang Bei region.” Chi Feng couldn’t help but sneer.

At this moment, Qin Yu and Gu Tai Chu were rushing back.

“Qin Yu, do you really have a way to deal with this?” Gu Tai Chu looked extremely worried.

Qin Yu smiled, “Master Gu, don’t worry, I Won’t take my own life as a joke.”

Seeing this, Gu Taichu didn't say anything more.

The three of them quickly returned to the Gu family.

A few days of cultivation made Qin Yu somewhat tired.

After washing up, he prepared to rest for a while.

Lying on the bed, Qin Yu quickly fell into a deep sleep.

The sky gradually darkened, and Qin Yu opened his eyes in a daze.

"Phew, luckily I didn't sleep this time." Qin Yu glanced at the time and thought to himself.

However, an uninvited guest arrived outside the door.

This person was none other than Dong Tianhai.

"Master Gu, I observed the pill cloud in your direction not long ago," Dong Tianhai said courteously.

"Did this pill cloud come from that Qin Yu?" Dong Tianhai asked.

Gu Taichu nodded slightly and said, "Yes, it came from Qin Yu."

Dong Tianhai said in a deep voice, "This Qin Yu is really arrogant to the extreme! Just because he has a bit of talent, he doesn't take us of the older generation seriously!"

Gu Taichu raised his eyebrows slightly, as if he was a little surprised.

Dong Tianhai waved his hand, and his disciple immediately brought over a box made of sandalwood.

Through the box, Gu Taichu could smell the fragrance inside.

“Master Gu, I specially prepared this for you.” Dong Tianhai respectfully handed over the herbs.

Gu Taichu took the wooden box and opened it to take a look.

He saw that there was a ginseng inside.

“This ginseng is probably more than 500 years old,” Gu Taichu muttered.

Dong Tianhai smiled faintly. “That’s right.”

“I can’t accept such a generous gift.” Gu Taichu pushed the herbs back.

Dong Tianhai laughed out loud. “Master Gu, since I’m called the Medicine King, what’s a mere 500-year-old ginseng?”

Gu Taichu frowned slightly and said with some confusion, “Dong Tianhai, you and I don’t seem to have any friendship. What do you mean by suddenly sending the herbs?”

Dong Tianhai’s face instantly turned cold when he heard that.

“Master Gu, since that Qin Yu dares to provoke us, he must have some ability,” Dong Tianhai said.

“I’ve seen him make a move before. His strength is beyond imagination. Even a rank three martial grandmaster wouldn’t be able to retaliate in front of him.”

Dong Tianhai didn’t know that Qin Yu had borrowed the power of the Earth Fiend Valley’s ancestor.

Therefore, in his opinion, Gu Taichu might not be Qin Yu’s match.

This made Gu Taichu somewhat surprised.

Qin Yu was actually so strong? Could it be that he had hidden his strength?

Then, Dong Tianhai continued, "This herb might be able to give you a helping hand and kill Qin Yu!"

Hearing this, Gu Taichu finally understood.

Dong Tianhai thought that Qin Yu was here to settle scores with Gu Taichu.

Just as Gu Taichu was about to explain, Dong Tianhai continued, "Master Gu, I only have one request."

Gu Taichu wanted to hear what Dong Tianhai wanted to say.

Thus, Gu taichu nodded and said, "Go ahead."

Dong Tianhai said with a gloomy face, "Master Gu, you know that I have always been interested in refining medicine, and this Qin Yu has the pill formula that I Want!"

"But this Qin Yu is too arrogant! I put down my dignity to beg him, but not only did he not agree, he even humiliated me!"

At this point, Dong Tianhai paused and continued, "Master Gu, I only beg you to hand him over to me before you kill him again!"

"As long as I get the pill formula, I will definitely give you another ginseng as a thank-you gift!"

Gu Taichu's eyes could not help but narrow.

He did not expect that Dong Tianhai actually had the intention to kill Qin Yu!

“If you want the pill formula so much, why don’t you come and ask me directly?”

At this moment, a hand reached over and directly snatched the ginseng over.

Raising his head, he saw Qin Yu walk out of the room, and this ginseng was nibbled on like a carrot.

Chapter 293: Chapter 293 was trapped!

Dong Tianhai’s expression changed when he saw Qin Yu!

He stood up and berated, “Qin Yu? Why are you here?”

Qin Yu sneered, “What do you think?”

Dong Tianhai didn’t react and said angrily, “How dare you eat my ginseng? How dare you be so rude in front of master Gu? You are simply Lawless!”

“It’s alright. I was going to give this ginseng to Qin Yu,” Gu Taichu said indifferently.

After saying that, he looked at Qin Yu and asked with concern, “Qin Yu, can you rest for just a little bit?”

Qin Yu smiled and said, “Master Gu, I’m in a very good condition now.”

Dong Tianhai was instantly stunned.

Didn’t Qin Yu and Gu Taichu have a deep hatred? How could they collude together?

Just as Dong Tianhai was stunned, a murderous aura came straight at him!

Dong Tianhai's heart thumped, and a hint of nervousness flashed across his face!

"Dong Tianhai, you really know how to turn black into white," Qin Yu said coldly.

"Back then, you tried to lie to me about the nine transformation golden core, but you missed it because you didn't know what was good for you

"Now, you are throwing dirty water on me! Are you worthy of being called the Medicine King?"

Dong Tianhai's face was stiff and extremely nervous.

"The news of the nine transformation golden core was also leaked by You, right? Could it be that you have some connection with the Hong Yi School?" Qin Yu narrowed his eyes and said.

"You... Don't talk nonsense!" Dong Tianhai hurriedly shouted.

"I'm talking nonsense?" Qin Yu's face turned cold, and his body suddenly appeared in front of Dong Tianhai!

A big hand directly grabbed Dong Tianhai's neck and forcefully lifted him up!

"I have no enmity with you, yet you want to harm me! And now you want to take my life!" Qin Yu said coldly.

"People like you should just die."

Qin Yu's strength slowly increased, and Dong Tianhai was suddenly unable to breathe!

With Dong Tianhai's strength, he was unable to retaliate in front of Qin Yu!

"Forget it, Qin Yu. Dong Tianhai is after all the medicine king of a generation. Give him another chance," Gu Taichu said slowly.

Qin Yu glanced at Gu Taichu, and then released his hand.

Dong Tianhai lay on the ground, desperately breathing in the fresh air.

This feeling of being on the verge of death made him both angry and terrified.

"Since master Gu has pleaded for you, I'll give you another chance," Qin Yu said with a sneer.

"In three days, send me ten herbs that are more than 500 years old, and I'll spare your life," Qin Yu said indifferently.

When he said this, everyone was shocked!

Even Gu Taichu widened his eyes!

Ten stalks of five-hundred-year-old herbs? This was simply asking for too much!

"Qin Yu, aren't you going a little too far? Where am I going to find ten stalks for you!" Dong Tianhai said angrily.

Qin Yu sneered, "That has nothing to do with me. You can think of a way yourself."

"Aren't you a little too greedy! Do you think that five-hundred-year-old herbs are cabbages by the roadside?!" Dong Tianhai said angrily.

Qin Yu raised his eyebrows and sneered, "What? Your Life isn't even worth ten herbs?"

"You!" Dong Tianhai was instantly speechless.

He stood up from the ground, turned around, and was about to leave.

"Remember, if you don't see the herbs in three days, I will visit you," Qin Yu said coldly.

Hearing this, Dong Tianhai's body stiffened. Then, he turned around and left without looking back.

After Dong Tianhai left, Gu Taichu couldn't help but say, "Qin Yu, ten stalks of herbs is indeed too many."

"Is it too many? I don't think so," Qin Yu said with a smile.

Gu Taichu said in a deep voice, "Don't forget Dong Tianhai's identity. He is the Medicine King!"

"Over the years, he has accumulated countless connections! and ten stalks of herbs are enough to move anyone's heart!"

Qin Yu touched his chin and said, "That's really a little troublesome."

Of course, although Qin Yu said so, he didn't care at all in his heart.

Now, Qin Yu had learned to shrink the ground into an inch. Even if he really couldn't beat him, he could at most run away.

Then, Qin Yu swallowed this five-hundred-year-old ginseng into his stomach.

After eating this herb, Qin Yu could clearly feel that he was about to break through, but he couldn't take that step.

“This is really strange.”Qin Yu shook his head helplessly.

He tried to absorb the Qi/spiritual energy of heaven and earth, but unfortunately, he was still unable to break through.

The next day.

Before Qin Yu and Gu Taichu could wake up, a thunderous roar came from outside!

“Qin Yu, come out and accept your death!”

The voice came from all directions, shaking the houses and causing them to buzz!

This explosive roar contained inner strength, and it spread across almost half of the city!

For a moment, everyone was attracted by this shout!

“Qin Yu, come out and face your death!”Another angry roar!

The successive sounds attracted countless people to come and watch!

“It’s Chi Feng! Master Gu’s personal disciple!”

“What happened?”

“Qin Yu? is he the king of Chuzhou who killed Gu Jinhong not long ago?”

For a moment, the onlookers were confused about the situation.

Wasn’t Chi Feng Gu Taichu’s disciple? Wasn’t Qin Yu Gu Taichu’s enemy?

Why did he suddenly change his identity ?

“Qin Yu, come out and face your death!” Chi Feng roared again!

With this roar, the entire House began to collapse!

“Enough, stop shouting. You’re like a shrew. Don’t you find it annoying?” At this moment, Yao Qing muttered as he walked out.

Chi Feng sized up Yao Qing and sneered, “It’s You, a bug? Why, Qin Yu doesn’t dare to come out and ask you to come out and die?”

“Who said I don’t dare to come out?” At this moment, Qin Yu walked out from the Gu family.

He looked calm, as if he didn’t care about Chi Feng at all.

“It’s really that king of Chuzhou! Why is he in Master Gu’s residence?” Someone recognized Qin Yu and couldn’t help but look surprised.

Chi Feng’s lips curled into a cold smile. He took this opportunity to shout, “Qin Yu killed my senior brother, Gu Jinhong! And My Master is afraid of Qin Yu and is not willing to avenge my junior brother!”

“Gu Taichu can tolerate it, but I, Chi Feng, can’t!”

“But my master expelled me from the sect because of this!”

Everyone was shocked when they heard this!

Gu Tai Chu was actually cowardly? He even chased Chi Feng Out?

Gu Tai Chu, who was not far away, was so angry that his face was ashen and his entire body was trembling!

“Chi Feng, you vile creature!” Gu Tai Chu could not help but gnash his teeth as he spoke.

Chi Feng immediately put on a pitiful appearance and said, “Master, we have been friends for many years. I Won’t do anything to you.”

“But no matter how much you hate me, I will kill Qin Yu and avenge my junior brother!”

These words immediately caused waves of cheers!

“Avenge my junior brother. There’s nothing wrong with Chi Feng!”

“But this Gu Taichu, his own disciple was killed, but he was unmoved. He really acted in the name of a Master!”

“TSK tsk, I support Chi Feng!”

Gu Taichu was so angry that his vision turned black and his body trembled.

If it weren’t for Qin Yu supporting him, he would have collapsed on the spot!

“Chi Feng, you’re really a beast,” Qin Yu said coldly.

Chi Feng sneered, “You’re the Beast!”

Qin Yu looked at Chi Feng coldly and said, “You betrayed Master Gu, killed everyone in the Gu family, and even threatened to get rid of Gu Tai Chu and take over the position!”

“And now you’re twisting the truth!”

“Everyone’s eyes are bright. How could they be bewitched by your words? Don’t they know Master Gu’s character?”

Qin Yu's words were extremely skillful. Not only did he tell the truth, but he also encouraged a group of spectators.

"That's true. We can't just listen to Chi Feng's one-sided words."

"We all know master Gu's character very well. He's definitely not the kind of person that Chi Feng talks about!"

"But why would this master Gu collude with Qin Yu? It is indeed a little strange."

Chi Feng's expression was a little ugly. He did not expect that Qin Yu would change the direction of the wind with just a few words!

"Whether it's true or not, everyone's eyes are sharp." Chi Feng imitated Qin Yu's words.

"You all saw it. Gu Taichu and Qin Yu are standing together. This is the truth!"

Qin Yu sneered, "Chi Feng, you really have the fate of being a disciple. Why? Do you even have to imitate others when you speak? You really can't even catch up to the heat when you eat SH * T."

"I can poop for him to eat now," Yao Qing muttered softly.

Chi Feng was so angry that his face turned ashen and he almost collapsed!

"Nonsense! Qin Yu, you are bewitching me!" Chi Feng's resistance appeared somewhat pale and powerless.

Qin Yu sneered, "I'm afraid you don't know that there are surveillance cameras in master Gu's residence, right? The scene of you killing people on that day has long been recorded."

“Bullshit! I destroyed the surveillance cameras in advance!” Chi Feng hurriedly said.

Qin Yu spread his hands and didn't say anything more. There was only a hint of toying on his face.

Chi Feng's expression instantly changed drastically!

Oh No, he was tricked by Qin Yu!

Chapter 294: Chapter 294, Battle!

Chi Feng's face was ashen, and there was a hint of fear in it.

The people around him quickly understood.

This Chi Feng had actually admitted to it by accident!

“To think that this Chi Feng is a beast who killed his teacher!”

“Master Gu isn't just his master, he's also his father! This kind of person simply doesn't deserve to Live!”

“Ungrateful thing. Master Gu, hurry up and clean up the house!”

Hearing the surrounding comments, Chi Feng's expression became more and more unsightly.

In his rage, he immediately roared at everyone, “All of you shut up! Whoever dares to talk nonsense again, I'll kill him First!”

“What, are you angry out of humiliation?” Qin Yu sneered.

Chi Feng stared at Qin Yu, his fists clenched tightly.

“You bastard, you actually destroyed my path. I will definitely tear you into pieces today!” Chi Feng said through gritted teeth.

Qin Yu sneered, “I’m afraid that you don’t have that ability!”

Chi Feng didn’t say anything more and directly rushed over with clenched fists!

“Fight with my body?” Qin Yu raised his eyebrows.

His whole body immediately shook and a golden light flashed!

Then, Qin Yu clenched his fists and went up to meet him!

“Clang!”

A deafening sound spread to every corner!

The huge collision caused gusts of wind!

The two of them didn’t move at all, neither of them took half a step back!

Chi Feng’s expression couldn’t help but change!

One had to know that there was a huge gap between the realms of the two!
Qin Yu was actually evenly matched with him?

Qin Yu looked at Chi Feng coldly and said, “Fighting here will easily hurt the innocent. I believe that no one wants this to happen.”

Chi Feng was abnormally angry. He suddenly realized that this Qin Yu had unknowingly stood at the moral high ground!

This made Chi Feng completely become a villain! The position he had imagined of being the host was also destroyed!

“So what if I kill them!” Chi Feng said coldly.

Qin Yu sneered and said, “Chi Feng, do you really think that you can kill people as you please? Although the officials are more lenient towards fights between martial artists, if you hurt the innocent, you will die.”

Chi Feng immediately came back to his senses.

If he really provoked the officials, then ten lives wouldn't be enough to compensate him.

“Qin Yu, I will wait for you in the long valley ten kilometers away.” Chi Feng coldly said this, then turned around and left.

After he left, Qin Yu's face gradually became a bit ugly.

“With the augmentation of the sacred body technique, I can be on par with him.” Qin Yu thought in his heart.

If that was the case, he would definitely be at a disadvantage.

“Qin Yu, Are You Alright?” Gu Taichu asked in a deep voice.

Qin Yu shook his head and said, “I'm fine. Let's go.”

After saying that, Qin Yu took the lead and left with large strides, heading straight for the Long Canyon.

The Long Canyon was just like its name, it was a canyon that stretched for miles.

At this moment, Chi Feng was standing on top of the canyon, waiting for Qin Yu's arrival.

His mood was extremely bad. All the future he had envisioned had been destroyed by Qin Yu.

“This Qin Yu, I must kill him!”Thinking of this, Chi Feng clenched his fists again.

Half an hour later, Qin Yu and the other two arrived at the top of the Long Canyon.

Chi Feng’s eyes suddenly opened, and the internal Qi on his body exploded in an instant!

“Huh ?”Qin Yu raised his eyebrows.

Chi Feng was anxious? He even skipped the opening line?

“Qin Yu, I Will Scratch You Alive!”Chi Feng’s feet shook, and he instantly appeared in front of Qin Yu!

The extremely fast movement technique could not help but give Qin Yu a big shock!

“Qin Yu, go to Hell!”Chi Feng did not waste any words, he circulated his internal Qi and clenched his fist!

Such a crazy attitude was enough to show how furious Chi Feng was!

Qin Yu hurriedly jumped up to avoid the attack.

“Boom!”

As this punch landed, the ground in front of him directly collapsed, and the huge rock was directly shattered into pieces!

Qin Yu’s face was solemn, and he did not dare to be negligent.

Facing Chi Feng who was several levels higher than him, the slightest carelessness could result in his death.

“Level three of the saintly being art!” Qin Yu’s body trembled as he was once again enveloped by Golden Light!

The opening was a level three saintly being art, which was enough to show how cautious Qin Yu was.

“Go to hell!” Chi Feng roared repeatedly. Qi force gathered on his hand and he swung it towards Qin Yu like a cannonball!

Fortunately, Qin Yu’s movements were agile and he dodged frequently.

“You like to Dodge, right? I want to see how long you can Dodge!” Chi Feng roared crazily!

“Formless Devil Hand!”

Along with Chi Feng’s shout, a hurricane suddenly blew around Qin Yu!

A terrifying internal Qi instantly spread out!

“Crash!”

At this moment, Qin Yu suddenly felt as if his body was grabbed, unable to move!

“Supreme Clarity Divine Slash!”

Another explosive roar! Rays of light that were like sharp blades rushed towards Qin Yu at an extremely fast speed!

Wherever it passed, the mountain was directly sliced flat! Such a terrifying power caused everyone’s expressions to change greatly!

“Qin Yu!” Gu Taichu was instantly somewhat flustered. He wanted to help, but it was already too late!

“Bang!”

This slash landed solidly on Qin Yu’s body!

That piece of land instantly turned into dust! It rolled at any time and shot out in all directions!

Chi Feng looked at Qin Yu coldly, his eyes filled with a trace of viciousness!

“Qin Yu!” Gu Taichu was extremely flustered. He immediately used shrinking earth to become an inch and rushed over!

As the dust fell, cracks appeared on the Golden Light on Qin Yu’s body.

His internal organs were also greatly impacted, and he spat out a trace of bright red, looking extremely miserable.

“As expected of an eighth grade martial grandmaster...” under this attack, Qin Yu’s internal Qi became somewhat dispirited.

“Qin Yu, you... How Are You?” Gu Taichu asked anxiously.

Qin Yu wiped the blood from the corner of his mouth and said in a low voice, “Master Gu, you retreat to the side.”

Gu Taichu ignored Qin Yu and shouted at Chi Feng, “Chi Feng! Your opponent is me, come!”

Chi Feng sneered, “Old Thing, don’t be anxious. After I kill this little bastard, you will be next!”

Gu Taichu’s face was cold and his internal Qi rose sharply.

“Master Gu, I still have a plan.” Qin Yu stopped Gu Taichu.

He got up from the ground and used the third level of the sacred physique technique again.

However, this time, the light on his body dimmed a little.

Qin Yu looked in Chi Feng's direction, and his expression became more and more serious.

He knew very well that apart from his physical body, Chi Feng would crush him in every aspect.

"It seems that I can only rely on my physical strength to gamble," Qin Yu said in a low voice.

"If you kneel down and Beg Me for mercy now, I might be able to spare your dog life," Chi Feng said coldly not far away.

Qin Yu didn't say anything. He just closed his eyes slightly.

In the next second, his figure suddenly burst out and took the initiative to rush towards Chi Feng!

"You still dare to take the initiative to attack me? You really don't know what's good for you!" Chi Feng couldn't help but sneer.

Chapter 295: Chapter 295, suppression of cultivation realm!

Qin Yu's initiative to attack had exceeded Chi Feng's expectations.

He sneered and slowly raised his palm to meet it.

Fist against Palm, Chi Feng was full of confidence!

Furthermore, his strength was far above Qin Yu's!

However, when his fist approached, Chi Feng's expression suddenly changed!

Did this terrifying killing power really come from a peak master?

"Not good!" Chi Feng's expression changed. He wanted to retreat, but it was already too late!

"Absolute beginning Sacred Fist!" Qin Yu roared again and again. His fist smashed towards Chi Feng with a crushing force!

A terrifying internal Qi instantly swept through the entire area. In an instant, sand and stones flew everywhere, and the weather changed color!

Under this punch, Chi Feng felt that his wrist was numb and almost broken!

He took several steps back, and a flash of anger appeared on his face!

"You can hurt me! How dare you hurt me!" Chi Feng shouted angrily.

However, Qin Yu's face was solemn.

He didn't expect that even the absolute beginning sacred fist could only break Chi Feng's wrist.

The gap between realms was indeed difficult to make up for.

"Go to hell!" Chi Feng roared, and his entire body exploded with energy!

Qin Yu didn't dare to be negligent. He knew very well that he had no other choice but to fight with his physical body!

Thus, Qin Yu quickly closed in on him and swung his fist!

Chi Feng's spell was interrupted, so he could only choose to fight Qin Yu in close combat!

“Dang dang dang” sounds kept ringing in his ears, and the sky flickered with a golden light that was like the sun and moon!

The strength of an eighth-grade great grandmaster was beyond imagination. Even if he relied on his physical body, Qin Yu would not be able to gain too much advantage!

What's more, this Chi Feng also has the absolute beginning holy fist from his father!

“Boom!”

Another two-punch punch! The whole space seems to have a Big Bang!

Chi Feng felt his fist go numb, and his thumb almost cracked.

“No.” Chi Feng frowned.

“This kid's body is beyond my imagination. I can't use my weakness to fight against his advantage.”

At this thought, Chi Feng immediately used shrinking earth to inch away!

As long as he could pull away, killing Qin Yu wouldn't be a problem at all!

However, what Chi Feng didn't expect was that Qin Yu's speed wasn't weaker than his! The distance between the two parties was simply difficult to pull apart!

“Old Bastard, you actually passed the shrinking earth inch to an outsider!” Chi Feng immediately flew into a rage and roared at Gu Taichu repeatedly!

Qin Yu didn't say anything and followed closely behind!

His fist flickered with a brilliant light, and a terrifying power that no one dared to ignore.

“Chasing after me, right?” Chi Feng sneered.

“You are just an inner strength master, I want to see how long your inner strength can last you!”

Chi Feng was not stupid, shrinking the ground into an inch consumed a lot of inner strength! Qin Yu could not last long at all!

Just as Chi Feng said, if he continued to chase, Qin Yu's spiritual power would soon be exhausted.

At that time, Qin Yu would become a lamb at the mercy of others!

Just as Chi Feng was feeling pleased with himself, he suddenly felt that his speed had slowed down!

His entire body was as heavy as a mountain!

“Eh? How could this be?” Chi Feng's expression couldn't help but change drastically!

At this moment, Qin Yu's fist had already arrived in front of him!

“Boom!”

This fist smashed firmly onto Chi Feng's back!

However, before he could land on the ground, Qin Yu took another step forward and swung another punch at him!

“What... What’s going on now? !”Chi Feng couldn’t help but roar crazily!

It was as if his body was pulled by a pair of giant hands. Even if he shrank the ground into an inch, his speed would be several times slower!

Qin Yu sneered, “This spell is called heavy falling space. As long as you are in this space, your speed will be several times slower.”

“Even if you can shrink the ground into an inch, you still can’t Escape!”Qin Yu said coldly.

At this time, in order to deal with shrinking the ground into an inch, Qin Yu specially learned this spell! The purpose was to deal with Chi Feng!

Chi Feng was extremely furious. He crazily waved his fist and smashed towards Qin Yu!

However, Qin Yu’s figure was extremely agile and vigorous. Every punch was easily dodged by Qin Yu!

“Bang!”

Punch after punch continuously smashed onto Chi Feng’s body!

This was the purest physical strength! It was not mixed with any spells!

“Damn it, damn it!”Chi Feng was in extreme pain! His body seemed to be in a swamp, and his movements were greatly restricted!

Seeing Qin Yu’s fist smashing onto his body, Chi Feng was completely helpless!

“Pu!”

Finally, when Qin Yu threw out the thirteenth punch, Chi Feng couldn't hold it in any longer and spat out a mouthful of blood!

Not far away, Gu Taichu's eyes shone with a strange light and his face was filled with shock!

He had never thought that Qin Yu would be able to chase after Chi Feng and beat him up!

"Qin Yu, I'm going to kill you!" Chi Feng roared crazily!

But what responded to him was only his fist!

This punch landed on Chi Feng's mouth and directly shattered one of his back teeth!

"I have to get rid of Chi Feng as soon as possible." Qin Yu panted heavily, and his face was covered with layers of sweat.

Whether it was shrinking the ground into an inch or falling heavily into space, it consumed a lot of spiritual power!

With Qin Yu's current realm, he could only last for five minutes at most!

Therefore, Qin Yu didn't dare to use the absolute beginning holy fist!

If the absolute beginning Sacred Fist couldn't take care of Chi Feng, then all the people present today would probably die in Chi Feng's hands!

"Go to hell!" Qin Yu's eyes revealed madness. Spiritual power surged from his entire body and smashed toward Chi Feng!

"Enough!" Chi Feng raised his head and roared as if he had gone mad!

His surging inner strength instantly burst out from his body!

And the heavy falling space that Qin Yu had used was actually shattered in an instant!

“Not good!” Qin Yu’s expression changed drastically!

The gap between their realms was too big, and the heavy falling space was actually shattered!

“Go to hell!” Chi Feng Roared, and a dragon head condensed on his fist!

A terrifying killing intent spread out in an instant!

Listening carefully, one could even hear a hint of a dragon’s Roar!

“Boom!”

Chi Feng took the opportunity to spread his hands and grab Qin Yu. Then, he ruthlessly threw a punch over!

The entire space seemed to tremble at this instant!

Endless light enveloped a large area of the sky!

Qin Yu was like a meteorite as he ruthlessly smashed onto the ground!

His entire body was on the verge of shattering, and the sacred body technique also disappeared at this instant!

“Qin Yu!” Gu Taichu hurriedly stepped forward and came to Qin Yu’s side!

“Qin Yu, you... How Do You Feel?” Gu Taichu said anxiously.

Qin Yu supported Gu Taichu and stood up from the ground with great difficulty.

Under this punch, Qin Yu’s body was severely injured!

What was even worse was that Qin Yu's spiritual power had been exhausted, and he was unable to use any technique!

"Master Gu, I'm fine..." Qin Yu waved his hand with difficulty.

"Hehe, you didn't die after taking this punch. Your body is quite interesting," Chi Feng said with narrowed eyes.

Qin Yu looked at Chi Feng with a serious expression. He tried to retreat, but as soon as his body moved, pain came from everywhere!

"What about another punch?" Chi Feng grinned and sneered.

Chapter 296: Chapter 296, Heavenly Tribulation!

Chi Feng had obviously lost his patience. The support of his enormous inner strength had placed him in an undefeatable position.

A whirlwind formed around his body. A huge wave of air carried the power to destroy everything.

A dragon head began to condense on his fist.

Qin Yu's forehead was covered in a layer of secret perspiration. His expression was somewhat ugly.

With Qin Yu's current state, it was impossible for him to withstand this punch!

"Chi Feng, Stop!" Gu Taichu roared.

Chi Feng glanced coldly at Gu Taichu and said, "Old Thing, after I kill Qin Yu, you will be next!"

Since he was already carrying the name of murdering his teacher, Chi Feng might as well go all out!

“Chi Feng, I won’t let you have your way!” Gu Taichu took a step forward, and the Qi energy on his body exploded rapidly!

“You don’t know whether you’re Dead or Alive!” Chi Feng snorted and immediately threw a punch!

Gu Taichu didn’t dare to be negligent, and hurriedly waved his absolute beginning holy fist to meet it!

Boom

The power of the absolute beginning Holy Fist was beyond imagination, but the two sides were only evenly matched!

“Old Bastard, if you dare to block my path, I Will Never Forgive You!” Chi Feng roared again and again!

He clenched his fists and performed the same move, the absolute beginning holy fist!

The two sides clashed fiercely, and the sky exploded continuously!

The old ancient absolute beginning seemed to be having a hard time! However, he used all his strength in an attempt to stop Chi Feng!

Chi Feng was furious that he couldn’t Stop Chi Feng!

“That old bastard is quite capable,” Chi Feng said with a cold face.

Even though he was three realms higher, Chi Feng still couldn’t kill Gu Taichu in a short time!

Gu Taichu panted and said coldly, “If you stop now, it’s still not too late...”

“Hahahaha! Gu Taichu, stop dreaming. All of you will die today!” Chi Feng laughed crazily.

Gu Taichu’s face was ashen, and his condition was rapidly decreasing.

Just as Gu Taichu was hesitating, Chi Feng suddenly used the land shrinking technique, bypassing Gu Taichu and closing in on Qin Yu!

“Let’s see how you escape!” Chi Feng revealed a crazed expression as he gripped the absolute beginning sacred fist!

The blinding light made it impossible for anyone to open their eyes!

Qin Yu’s pupils constricted, but it was too late to Dodge!

“Chi Feng, Stop!” Gu Taichu roared with all his might! However, Chi Feng completely ignored him!

“Boom!”

The force of this punch was like a waterfall that poured down on Qin Yu’s body!

“Qin Yu! !” Gu Taichu’s pupils constricted as he was extremely furious!

Yao Qing’s eyes were filled with light as he clenched his fists tightly!

As the light fell, Qin Yu collapsed to the ground, his body covered in blood.

His body was almost shattered, and dense cracks could be seen everywhere.

The sparkling white bones were exposed in the air, looking extremely horrifying.

Gu Taichu rushed to Qin Yu with all his strength. He held Qin Yu and said in pain, “Qin Yu, you... You Can’t die...”

However, Qin Yu had no reaction. He fell to the ground and didn’t move.

His weak breathing seemed to disappear at any time.

“Chi Feng, you bastard!”Gu Taichu’s eyes were red and full of killing intent!

However, Chi Feng didn’t care at all. He sneered, “Old Thing, after I kill Qin Yu, you will be next.”

After saying that, Chi Feng condensed his hands and slowly raised them.

A huge palm suddenly appeared in the sky above Qin Yu!

Along with Chi Feng’s explosive shout, this palm ruthlessly smashed towards Qin Yu!

Crack

The ground beneath Qin Yu directly shattered!

A huge palm print shockingly appeared in front of everyone!

Gu Taichu did not dodge, instead, he blocked in front of Qin Yu.

But even so, Qin Yu’s physical body still suffered a huge impact, and his entire person looked completely unrecognizable.

“Hahahaha!”Chi Feng couldn’t help but reveal a proud smile.

He tried to sense Qin Yu’s internal Qi, but he found that Qin Yu was still not dead!

“Huh ?”Chi Feng frowned slightly.

It shouldn't be, with this palm strike, Qin Yu should die without a doubt.

"He really is an unkillable cockroach," Chi Feng said with a cold smile.

He raised his palm, and then streams of internal Qi shot out like cannonballs, continuously smashing toward various parts of Qin Yu's body!

"Bang! Bang! Bang!" The sounds of explosions rang out incessantly, and Qin Yu's body continued to shatter!

However, what annoyed Chi Feng was that Qin Yu still didn't die!

"What on Earth is going on?" Chi Feng didn't dare to stop what he was doing, and bombarded Qin Yu with a barrage of attacks!

Right at this moment, Qin Yu's body suddenly flickered with a weak light.

This light stuck close to Qin Yu's body, wrapping him up.

"HMM? What's going on?" Chi Feng couldn't help but frown.

Even Gu Taichu was somewhat puzzled. After this ray of light appeared, Qin Yu's body actually started to recover!

Rumble

Just as everyone was puzzled, dark clouds suddenly covered the sky!

Within the dark clouds, extremely terrifying lightning was brewing!

"Is it going to rain?" Chi Feng raised his head and looked at the sky, and couldn't help but frown.

At this moment, waves of terrifying internal Qi suddenly spread out from Qin Yu's body!

“This... This is the heavenly tribulation?” Gu Taichu was the first to react!

He raised his head to look at the lightning that was like a swimming snake in the dark clouds and couldn't help but turn pale with fright!

Qin Yu actually broke through at this time? Moreover, he welcomed his first heavenly tribulation?

“Heavenly Tribulation?” Chi Feng's expression couldn't help but change.

Just at the master level, he already welcomed the heavenly tribulation. wasn't this child a monstrous genius?

“No, I have to kill him quickly!” Chi Feng's eyes shone brightly as he swiftly rushed towards Qin Yu!

“Kacha!”

However, just as Chi Feng was about to Touch Qin Yu, a muffled thunder descended!

The power from the sky immediately made Chi Feng's face filled with fear! He hurriedly dodged to the side!

“If this heavenly tribulation falls on my body, even if I don't die, I will be heavily injured.” Chi Feng's expression was solemn.

“Crack!”

Another bolt of lightning struck down, directly striking Qin Yu's body!

Qin Yu fell to the ground, not moving at all, allowing this heavenly tribulation to strike his body!

“HMPH, even if I don’t take action, this heavenly tribulation is enough to take his life.” Seeing the power of this heavenly tribulation, Chi Feng couldn’t help but sneer.

Gu Taichu felt somewhat uneasy.

He had never seen a heavenly tribulation of this scale!

Moreover, Qin Yu had already lost his consciousness, how could he resist this heavenly tribulation?

He tried to sense Qin Yu’s internal Qi and found that although Qin Yu’s aura was weak, he wasn’t dead.

Rumble..

The next heavenly tribulation seemed to be brewing in the dark clouds in the sky.

The entire sky was illuminated, and even the dark clouds turned blue!

“No one can withstand such a powerful heavenly tribulation,” Chi Feng sneered.

Crack

Finally, the heavenly tribulation that had been brewing for a long time fell at this moment!

In an instant, Qin Yu’s surroundings seemed to have turned into a sea of lightning!

“Chi La Chi La” sounds were incessant, and the terrifying deterrence made people not dare to approach.

Chapter 297: Chapter 297, your opponent is me

This Sea of lightning almost covered Qin Yu!

Looking at this shocking scene, everyone couldn't help but suck in a breath of cold air.

“This... He wants Qin Yu to die...”Gu Taichu's face was solemn.

Chi Feng, who was not far away, laughed out loud, “It's impossible for him to survive this kind of heavenly tribulation! Moreover, Qin Yu is already heavily injured, he will definitely die!”

Everyone was silent, but their faces were solemn.

In the Dark, Dong Tianhai was also secretly watching.

“Hmph, this Qin Yu is dead for sure,”Dong Tianhai said coldly.

If Qin Yu died, he didn't need to hand over the herbs anymore.

“Let's go. No one can survive this kind of heavenly tribulation,”dong Tianhai said indifferently with his hands behind his back.

On the battlefield, Chi Feng's eyes were looking at Gu Taichu.

He had a strong murderous aura. This murderous aura was approaching Gu Taichu!

“Old Thing, it's your turn now,”Chi Feng said with a cold smile.

Gu Taichu looked calm. He raised his head to look at Chi Feng and said slowly, “Even if you don’t do anything, I won’t live in this world today. Come On!”

Chi Feng sneered. “Alright, Old Thing. After I kill you, I’ll set up a tombstone to commemorate you!”

With that said, Chi Feng’s internal Qi soared and he instantly charged at Gu Tai Chu!

Gu Tai Chu naturally didn’t dare to be negligent. He used the same move to meet Chi Feng!

The two sides engaged in a fierce collision in midair. Explosions could be heard from time to time.

Yao Qing seemed to be impatient, but under such circumstances, he couldn’t help at all!

“Mr. Qin, you must hold on...” Yao Qing looked in the direction of Qin Yu and couldn’t help but clench his fists.

In the Sea of lightning.

Qin Yu’s body was almost burnt, and his entire body turned black.

Even his bones were slowly breaking.

Qin Yu’s consciousness did not completely disappear. There was still a ray of light in his mind.

Feeling this double pain, Qin Yu could not bear it any longer.

The golden light in his mind slowly dimmed.

“No... if this goes on... I will really die in this heavenly tribulation...”Qin Yu’s spiritual sense groaned in pain.

The lightning struck his spiritual sense, and waves of piercing pain almost blew through Qin Yu’s head.

“I absolutely can’t Die Here!”Qin Yu sat on the ground. Yan Ruoxue’s figure couldn’t help but flash in his mind.

This powerful will seemed to bring Qin Yu power.

He held on to the Heavenly Tribulation, waiting for the sea of lightning to disappear.

In the air, the battle between Gu absolute beginning and Chi Feng didn’t stop.

Both sides had used their trump cards, trying to kill each other!

“Old Thing, you really have some skills,”Chi Feng said coldly.

Gu Taichu finally had a chance to catch his breath. He didn’t look good, and he looked a bit older.

“Chi Feng, I should have let you die on the road back then. I was really blind!”Gu Taichu’s old face was a bit pale.

However, Chi Feng didn’t know how to thank him. He sneered, “What’s the point of saying that? I’m going to kill you today! Give me your life!”

The second round of attacks from both sides exploded again!

Chi Feng had mastered both the earth shrinking technique and the absolute beginning holy fist!

However, the gap between their realms made it extremely difficult for Gu absolute beginning!

His body was heavily wounded many times, and his body was covered in blood.

Boom

Chi Feng clenched his fist that looked like fire and smashed it on Gu absolute beginning's body from midair!

Gu Taichu was smashed into the ground instantly. His bones were broken in many places, and he was in extreme pain!

"Master Gu!" Yao Qing hurried to Gu Taichu and tried to pull him out.

However, before he could make a move, Chi Feng sent him flying with a palm strike!

"Gu Taichu, you and I are three realms apart, but you can hold on for so long. It's a big surprise to me," Chi Feng said coldly.

Gu Taichu forced himself to stand up.

His stooped body trembled slightly, as if he had some difficulty even standing up.

Chi Feng snorted coldly, "You're Not Dead Yet?"

Gu Taichu didn't say anything, but cold sweat was dripping down his face.

"This Chi Feng has just stepped into the eighth grade martial grandmaster realm, and he can only display 60% of his strength at most," Gu Taichu said in his heart.

If it was a veteran eighth grade martial grandmaster, Gu Taichu would have died long ago!

At the level of a martial grandmaster, the difference in strength at every small stage could be said to be like the difference between the clouds and the mud.

Gu Taichu forced himself to focus and looked at Chi Feng once again!

Chi Feng narrowed his eyes and said, “Old Thing, I’m already tired of playing with it. You’d better go and die.”

After he said that, Chi Feng used shrinking earth into an inch and instantly appeared in front of Gu Taichu!

His huge fist smashed onto Gu Taichu’s chest!

Under this punch, Gu Taichu’s back immediately shrank, and his internal organs were greatly impacted!

“Master Gu!” Yao Qing’s eyes revealed a fierce light. In a moment of desperation, he actually activated his qi-jin and charged towards Chi Feng!

However, Yao Qing’s strength was too weak. Before he could even touch Chi Feng, he was once again slapped onto the ground!

The spot where he landed was exactly on Gu Taichu’s side!

Gu Taichu opened his mouth and wanted to say something. However, just as he opened his mouth, fresh blood flowed out from the corner of his mouth.

“Hahahaha!” When Chi Feng saw this scene, he could not help but laugh crazily.

“Old Bastard, I’ll come to remember you next year on this day.”

Chi Feng’s hands glowed as he condensed a terrifying energy.

“It’s time to end this!” Chi Feng roared and charged toward the absolute beginning era!

Boom

At this moment, a hand reached out and grabbed Chi Feng’s fist!

“Didn’t I say that your opponent is me?” A voice sounded in Chi Feng’s ear!

Chapter 298: Chapter 298, you better go to hell!

Turning around, he saw Qin Yu standing on Chi Feng’s side!

The internal Qi on his body looked extremely calm, but there was an extremely intimidating aura that made people not dare to look at him directly!

“You... you actually successfully passed the Heavenly Tribulation?” Chi Feng’s expression instantly became extremely ugly!

He quickly broke free and hurriedly retreated a few steps away!

“Mr. Qin!” Yao Qing shouted even more excitedly!

Even though his entire body was heavily injured, he still rushed to Qin Yu’s front.

Qin Yu’s expression was calm. He nodded slightly and said, “Take good care of master Gu.”

“Alright! Mr. Qin, you also have to be more careful!” Yao Qing said.

Qin Yu didn't say anything. His entire disposition seemed to have undergone a huge change in that instant!

Then, Qin Yu looked at Chi Feng with an indescribable calmness on his face.

There wasn't even the slightest fluctuation of emotion in his pupils.

That feeling was as if he was looking down on an ant!

“Qin Yu...”

At this moment, Gu Taichu who was lying on the ground suddenly spoke with difficulty.

“You... can't die...”Gu Taichu said with difficulty.

Qin Yu smiled and said, “Master Gu, don't worry, I Won't die.”

After saying this, Qin Yu looked at Chi Feng and beckoned at him.

This action undoubtedly infuriated Chi Feng!

He glared at Qin Yu and berated, “So what if you've broken through! You're just a trash who has just entered the grandmaster realm! And I'm an upright eighth grade grandmaster!”

The difference in strength between the two sides was indeed extremely great.

But for some reason, Qin Yu had a sudden feeling in his heart.

It was as if... Chi Feng in front of him wasn't even worth mentioning and could be easily crushed to death.

“There’s no need to say anything more. Make Your Move.”Qin Yu placed his hands behind his back and gave off an imposing aura.

Chi Feng gritted his teeth and said angrily, “Alright, since that’s the case, then I’ll kill you!”

After saying that, Chi Feng clenched his fist again and came over!

A terrifying aura rushed towards Qin Yu in a mighty manner!

Qin Yu’s gaze turned cold as he raised his fist to meet the Attack!

“Boom!”

This was an unprecedented collision, and the entire sky was buzzing!

After feeling this enormous force, Chi Feng’s expression suddenly changed!

He only felt his fist go numb, and even his arm suffered a huge impact!

“Oh no, I can’t get close to him!”Chi Feng suddenly reacted.

He hurriedly used shrinking earth to increase the distance between the two of them.

What surprised Chi Feng was that this time, Qin Yu didn’t catch up, but looked at him quietly.

“You dare to underestimate me!”Chi Feng glared at Qin Yu.

“I will make you pay the price!”

Chi Feng raised his head and roared. He raised his hands toward the sky! Streams of energy came from all directions and gathered in his palms!

Looking at this spell, Qin Yu’s lips curled into a cold smile.

He had seen this spell before. Back then, Gu Jinhong also used this spell and called it his trump card!

Unfortunately, Gu Jinhong's so-called trump card was shattered by Qin Yu with one punch.

"If I can destroy it once, I can destroy it a second time," Qin Yu said coldly.

Chi Feng, who was in mid-air, roared crazily. The disk in his hand grew larger and larger, almost blotting out the sun!

"Qin Yu, go to Hell!" Chi Feng roared, and the disk in his hand immediately appeared!

"Rumble!"

The disk brought with it an extremely strong force and rapidly crushed toward Qin Yu!

In an instant, the entire world seemed to be buzzing!

Crack

As the round disc approached, the ground under Qin Yu's feet could no longer withstand it and actually began to crack!

"Petty Tricks, watch me smash it with one punch!" Qin Yu's eyes shone with a cold light as he clenched his fist and Rose!

The absolute beginning sacred fist instantly gathered in his hand, and golden light illuminated the world!

Boom

Finally, Qin Yu's fist smashed towards Chi Feng's disk!

The collision between the two instantly caused a huge shock!

Not far away, Yao Qing clenched his fist and stared at this scene!

Even Gu absolute beginning, who was lying on the ground, turned his head with great difficulty!

“Break!”

Along with Qin Yu’s furious roar, the disk was shattered!

Countless fragments slowly disappeared in the air.

Under the sky, everything returned to calm!

“How could this be!” Chi Feng’s expression changed drastically! It was as if he couldn’t believe the outcome in front of him!

“You and I are separated by a large realm. How could you possibly defeat me!” Chi Feng roared furiously!

Qin Yu sneered, “I’ll tell you the reason. It’s because you’re just a trash. If it wasn’t for the opportunity given to you by Master Gu, you might have been a trash for the rest of your life.”

“You... You’re spouting nonsense!” Chi Feng seemed to have broken down as he roared at Qin Yu with all his might!

He formed a seal with both hands, trying to unleash another killing move!

But unfortunately, Qin Yu didn’t give him the chance.

In almost an instant, Qin Yu had already arrived in front of Chi Feng!

“Oh No!” Chi Feng thought that something was wrong and turned around to run!

But when he took a step forward, he realized that it was already too late!

The heavy fall restricted Chi Feng's movements!

His legs seemed to be entangled!

“Chi Feng, you even killed your master. You deserve to die!” Qin Yu's cold voice rang in Chi Feng's ears.

Before Chi Feng could react, Qin Yu's fist had already smashed into his face!

Qin Yu, who had entered the monastic stage, had a qualitative change in his strength!

Not only did his spiritual power become as vast as the sea, even his physical strength had increased by dozens of times!

Under this punch, Chi Feng's entire face was deformed and his bones shattered!

“Ah! !” The pain caused Chi Feng to scream!

He wanted to escape, but Qin Yu had already grabbed his neck with one hand!

Then, he drew his bow from left and right, and his big mouth kept on slapping Chi Feng's face!

This was the purest physical strength, beating Chi Feng until he was in unbearable pain! The sounds of slapping were even more incessant!

Even Yao Qing, who was on the ground, couldn't bear to look at it. It was truly too tragic!

“You Ungrateful Beast.”

“An old man who raised you and taught you cultivation techniques, and you actually killed him!”

“You stole my path-understanding tea and delayed my journey to Jingdu!”

With every sentence, Chi Feng’s face would receive a slap

After more than ten slaps, Chi Feng no longer had a human form.

His face bone directly shattered, losing the support of his bones, and his entire face collapsed!

“Boom!”

Qin Yu grabbed Chi Feng’s neck and ruthlessly threw him to the ground!

A huge pit was directly smashed into the ground!

Chi Feng fell into the huge pit with blood dripping down.

Just as he was about to climb out, Qin Yu kicked him in the spine!

“Ah! !”The pain was unimaginable! Chi Feng became a cripple!

The sudden change in the situation made Chi Feng feel like he was in a dream.

He had the upper hand just now, but now he had lost the ability to fight back!

“Spare... spare me...”Chi Feng was scared in this situation where he was going to die.

He cried and cried, “Qin Yu, you... spare me, I don’t want to die...”

“Now You Know Fear?”Qin Yu narrowed his eyes and said.

Chi Feng said in a trembling voice, “Don’t kill me, I... I’m Gu Taichu’s personal disciple, more like his son...”

Then, he shouted in Gu Taichu’s direction, “Master, save me! Save Me! I don’t want to die... I was just possessed for a moment...”

Qin Yu grinned and said coldly, “I’m sorry. No one can save you today.”

Just as Qin Yu was about to kill him, Gu Taichu, who was not far away, suddenly waved his hand and said, “Qin Yu, forget it. Spare his life...”

Qin Yu immediately frowned and then looked at Gu Taichu.

“Spare his life? Master GU, he betrayed you and wanted to kill you, but you still want to plead for him?” Qin Yu asked coldly.

Gu Taichu waved his hand weakly and said, “Forget it, forget it. I don’t want to argue anymore...”

“Did you hear that? My master said that he doesn’t want to argue anymore!” Chi Feng seemed to have been granted amnesty and shouted excitedly.

However, in the next second, his voice suddenly stopped.

Qin Yu’s palm slapped Chi Feng’s head, and the heaven swallowing technique instantly appeared!

“Master Gu forgave you, but I didn’t forgive you, so.... you’d better die!” Qin Yu said coldly.

Chapter 299: Chapter 299: No one can be in debt

With the heaven devouring technique in hand, Chi Feng’s entire body instantly began to shrivel!

Streams of inner strength from an eighth grade martial grandmaster flowed through Qin Yu's palm into his body and circulated through his meridians!

After a full half a minute, Qin Yu had completely absorbed the inner strength in Chi Feng's body.

"How comfortable!" Qin Yu couldn't help but let out a breath of relief.

Looking at Chi Feng lying on the ground, Gu Taichu had mixed feelings.

He opened his mouth, but didn't know what to say.

"Master Gu, he deserved it. I have already shown mercy." Qin Yu glanced at Gu Taichu and said in a low voice.

Indeed, Qin Yu didn't devour his spiritual sense, so he had already shown mercy.

Gu Taichu waved his hand and said, "Forget it, forget it."

Qin Yu didn't say anything more. He picked up Gu Taichu and Yao Qing, turned around, and prepared to leave.

After devouring Chi Feng's inner strength, he had recovered a little of the loss of the Enlightenment tea.

Of course, compared to the Enlightenment Tea, an eighth grade martial grandmaster was not worth mentioning.

After returning, Qin Yu personally treated Gu Taichu and Yao Qing's injuries.

Fortunately, their injuries were not serious, and their lives were not in danger. They only needed to rest for a few days.

In the next few days, Qin Yu chose to enter closed-door cultivation.

He absorbed the Qi/spiritual energy from Bin Province and irrigated his body.

Along with Chi Feng's inner strength, Qin Yu even felt that he had reached the boundary of the second level of the monastic stage.

After three consecutive days, Gu Taichu's injuries had finally healed.

He knocked on Qin Yu's door and walked in.

Gu Taichu sat at Qin Yu's side and sighed, "I really didn't expect that after you became a grandmaster, you could easily crush an eighth grade martial grandmaster. It's really unheard of."

Qin Yu said in a deep voice, "This doesn't mean anything. Moreover, the path I'm taking is also different from yours."

Just as Qin Yu said, Chi Feng had just become an eighth grade martial grandmaster and couldn't display his full strength.

Moreover, Chi Feng was no longer in his peak state at that time. Otherwise, Qin Yu wouldn't have been able to win so easily.

"I've heard of the path of cultivation," Gu Taichu said in a deep voice.

Hearing this, Qin Yu quickly looked at Gu Taichu.

In fact, Qin Yu had never understood the difference between the two.

Gu Taichu said slowly, "The warriors now are actually the former cultivators. However, they have been slowly lost in the succession of generations."

“In other words, the internal strength that warriors now cultivate is the weakened version of the cultivators.”

Qin Yu nodded slightly. Just like what Gu Taichu said, there were indeed some differences between the two sides.

“Master Gu, then how can this division of realms be considered equal?” Qin Yu asked in puzzlement.

Gu Taichu took a look and said, “There isn’t much difference between the cultivation and the warrior’s level division. It’s just that... the cultivation relies on the purer qi/spiritual energy, so the effect is naturally different.”

“If there is a specific difference... it would be about one or two small realms.”

One or two small realms ?

In other words, under normal circumstances, Qin Yu could only fight against a third grade grandmaster ?

But the current Qin Yu could be said to be invincible among those of the same level.

Even most of the martial grandmasters, Qin Yu, also had the strength to fight!

“Of course, everyone’s talent is different,” Gu Taichu said.

“Even in the same realm, the difference in strength is hard to describe.”

Qin Yu nodded slightly. As the saying goes, fighting across ranks was the basic ability of a genius. It was not worth mentioning at all.

As for how many ranks one could cross, no one could say.

With Gu Taichu's explanation, Qin Yu could be considered to have a general understanding.

"Let's go and eat," Gu Taichu stood up and said.

Qin Yu agreed and then went to the dining room with Gu Taichu.

The current Gu family seemed a little lonely.

Even the dishes were personally cooked by Gu Taichu.

"This is a pot of good wine from my collection. It has been thirty years." Gu Taichu took a jar and poured a cup for Qin Yu and Yao Qing.

After a mouthful of wine, Qin Yu immediately felt a wave of warmth in his stomach.

"Good wine!" Qin Yu praised from the bottom of his heart!

Gu Taichu said with some pride, "These years, I've been most proud of the Enlightenment tea and this jar of good wine! If I hadn't lost the Enlightenment Tea, I definitely wouldn't have taken out this jar of wine!"

Qin Yu couldn't help but laugh. "Another Cup!"

After three cups of wine, Qin Yu could clearly feel that this wine contained traces of Qi/spiritual energy.

Although it was very subtle, it still surprised Qin Yu.

"It seems that the environment thirty years ago was much better than now," Qin Yu thought to himself.

At this moment, Qin Yu suddenly thought of something.

"Master Gu, has three days passed?" Qin Yu frowned and asked.

Gu Taichu was stunned, then he nodded and said, “Yes, it has been four days since then.”

Qin Yu rubbed his chin and couldn't help but sneer. “Four days? Dong Tianhai's herbs haven't been delivered yet. It seems that I have to make a trip there myself.”

Dong Tianhai didn't know that Qin Yu wasn't dead. When he saw that Qin Yu was in the Sea of lightning, he was certain that Qin Yu would die without a doubt.

Therefore, he directly returned to the Peach City a hundred kilometers away that day.

“Are you really going to look for Dong Tianhai?” Gu Taichu said in a deep voice.

Qin Yu sneered, “There's no reason to not pay back the debt. Moreover, there are many legends in the Peach City. I really want to go and take a look.”

The Peach City had produced divine herbs that were more than a thousand years old three times! Those that were more than a hundred years old would be discovered every year!

This was also one of the reasons why Dong Tianhai had so many stocks.

“Qin Yu, you have to think carefully. Dong Tianhai can possess so many herbs without being occupied. This means that he must be quite powerful,” Gu Taichu said in a deep voice.

Qin Yu nodded and said, “Master Gu, don't worry. I have my own plans.”

At this point, Qin Yu even invited him, “Master Gu, come with me. It's just nice to relax.”

Gu Taichu shook his head and refused, “Forget it. I’ll just stay here.”

Seeing this, Qin Yu didn’t insist anymore.

That day, Qin Yu brought Yao Qing out of Bin Province and headed straight for Peach City.

At this moment, Dong Tianhai was in his warehouse with a satisfied expression on his face.

Looking at the wealth that he had accumulated over the years, Dong Tianhai was indescribably proud.

“Master, the three martial grandmasters that you asked us to invite are already here.” At this moment, a disciple walked forward and said.

Dong Tianhai sneered, “No need. Let them go back. That Qin Yu is already dead. We don’t need their help anymore.”

“Oh right, remember to give each of them a stalk of hundred-year-old herbs as an apology.”

The disciple hurriedly nodded and said, “Yes, Master.”

At this point, the disciple seemed to have thought of something and continued, “Oh right, master, Tonight seems to be the Divine Alchemist Pavilion’s Divine Alchemist event. Don’t forget.”

Dong Tianhai slapped his head and couldn’t help but curse, “It’s all that Bastard Qin Yu’s fault. He almost forgot about this serious matter!”

Chapter 300: Chapter 300 saw Fang Yue again

The herbs in the peach city were almost famous all over the country.

Therefore, the divine medicine pavilion would hold a herbs convention in the Peach City every year.

Although it was called a herbs convention, it was actually an exchange convention.

Those who came to participate in this herbs convention could exchange for a babe of equal value.

As the king of herbs, Dong Tianhai naturally participated every year.

After that, Dong Tianhai went to the warehouse to make some preparations for the herbs gathering that night.

At this moment, Qin Yu and Yao Qing were in a car, rushing towards Peach City.

“Mr. Qin, do you think Dong Tianhai will give us the herbs obediently?” Yao Qing muttered as he drove.

Qin Yu closed his eyes and said indifferently, “He has to give it, or he has to give it.”

In any case, Qin Yu was now in control of shrinking the ground into an inch. Even if something really happened, he could still run away.

When Qin Yu and the others entered Peach City, it was already seven o'clock in the evening.

“Let's Find a place to eat first,” Qin Yu said as he rubbed his stomach.

“That's exactly what I'm thinking!” Yao Qing hurriedly nodded.

The two of them found a restaurant and stopped. Then, Qin Yu handed the menu to Yao Qing and asked him to order the dishes.

About half an hour later, the dishes were all ready.

Qin Yu looked down at the dishes on the table and couldn't help but sigh.

“There are Chinese herbs in these dishes. As expected of Peach City,” said Qin Yu.

Yao Qing muttered, “Can it taste good with Chinese herbs?”

“Young man, you don't understand.” At this moment, the boss walked over.

He sat at the side and explained with a smile, “The development of herbs in our peach city can be said to be the Pinnacle!”

“These herbs can not only bring benefits to the body, but also maintain the taste. You Can't eat them anywhere else!”

Yao Qing said with some doubt, “Really? Don't tell me that Granny Wang is selling melons and bragging?”

“Hey, if you don't believe me, you can try it!” The Boss said helplessly.

Yao Qing picked up a mouthful of food with his chopsticks with some suspicion.

“Huh? Don't tell me, the taste is really good!” Yao Qing's eyes lit up, and then he began to wolf down his food.

Seeing this, Qin Yu couldn't help but laugh.

The Boss said with some pride, “How is it? I didn't lie to you, did I?”

Qin Yu said jokingly, “Boss, he hasn't seen the world. Don't mind him.”

“Aiyo, look at your words. Foreigners coming to our peach city will have this kind of doubt. I have long been used to it.”The boss waved his hand.

At this point, the boss said, “You are also here to participate in the herbs convention, right?”

“Herbs Convention?”Qin Yu was stunned.

“Boss, what is the herbs convention?”

The Boss said with some surprise, “You don’t Know? This herbs convention is organized by the Divine Alchemist Pavilion! And every year, the Divine Alchemist Pavilion will take out a stalk of top-grade herbs!”

Qin Yu’s eyes immediately lit up. There was actually such a good thing?

Regarding the Divine Alchemist Pavilion, Qin Yu had long been filled with curiosity.

He didn’t expect that he would coincidentally run into the activities of the Divine Alchemist Pavilion today.

“Boss, when will it start?”Qin Yu hurriedly asked.

The boss glanced at his watch and said, “About half an hour later.”

Hearing this, Qin Yu hurriedly pulled Yao Qing and said, “Don’t eat anymore. Hurry up and leave!”

“I’m not full yet.”Yao Qing muttered as he stuffed the food into his mouth.

“Alright, I’ll let you have a full meal when the matter is done.”Qin Yu hurriedly pulled Yao Qing out of the restaurant.

The event held by the Divine Alchemist Pavilion was naturally a huge event. Almost everyone in Peach City knew about it.

Qin Yu found someone to inquire and found out that the venue of the herbs convention was a place called longevity village.

Therefore, Qin Yu drove towards longevity village.

Longevity village was just like its name. It was said that the average life expectancy of the people in longevity village was more than 100 years old.

Many rich people would come to longevity village to retire.

When Qin Yu and Yao Qing arrived, the herbs convention had already begun.

The huge village had almost become a market!

High-aged herbs could be seen everywhere, and the price was extremely low!

Qin Yu casually picked up a stalk, and its medicinal effect was 50 years old.

“Boss, how much are these herbs?” Qin Yu asked.

The boss waved his hand and said, “500,000 yuan per stalk. If you want more, you can get a discount.”

Qin Yu instantly felt a myriad of emotions.

This price was simply ridiculously low!

No wonder Dong Tianhai would sell it to Xiong Yi in large quantities back then, because there was no shortage of them in Peach City!

“Eh? The Price Xiong Yi bought it for... seems to be as high as a million, right?” Qin Yu rubbed his chin and said.

Yao Qing nodded and said, “That’s right. This Dong Tianhai is really black-hearted. By the way, when are we going to find Dong Tianhai?”

Qin Yu sneered and said, “No rush. I believe that Dong Tianhai will definitely appear at such an occasion.”

After saying that, Qin Yu brought Yao Qing and strolled around the medicinal herbs convention.

“Brother Qin, we meet again.” At this moment, a seductive voice sounded from behind.

Qin Yu turned around and saw that it was Fang Yue!

She was still as seductive as before. Her entire body exuded an irresistible beauty. Her delicate figure made people want to pounce on her.

Just as Qin Yu was about to greet her, a familiar voice sounded.

“Brother Qin, I didn’t expect you to be here.”

Turning around, he found that it was Jing Lu, who was known as the leader of the four great geniuses of Jiang Bei.

Jing Lu had a faint smile on his face. There was a hint of viciousness hidden in the depths of his eyes.

Qin Yu could naturally sense the unkindness on his body, so he smiled and said, “Is your knee healed?”

Hearing this, the veins on Jing Lu’s face suddenly popped up!

He stared at Qin Yu and said through gritted teeth, “Thanks to you, it’s long healed! But you, your life span is longer than imagined.”

Qin Yu raised his eyebrows and said, “Are you threatening me?”

“I don’t dare, I don’t dare. You are the famous king of Chuzhou. Who Dares to threaten you?”Jing Lu said in a sarcastic tone.

After saying this, he turned around and left.

“Brother Qin, this is Jiangbei after all. You’d better be careful.”Fang Yue covered her mouth and laughed lightly.

Qin Yu bowed slightly and said, “Thank you for your reminder, Miss Fang.”

Fang yue nodded and said, “If there’s anything, remember to call me. I’m ready to sacrifice myself for you at any time.”

These words could not help but make people tremble.

Yao Qing, who was standing at the side, widened his eyes and almost drooled.

Looking at Fang Yue’s back, Qin Yu couldn’t help but stroke his chin.

“This Fang Yue is not simple,”Qin Yu muttered in a low voice.

The last time they met, Qin Yu felt that Fang Yue had a natural charm that was hard to resist.

Now, Qin Yu’s eyes were several times sharper than before.

This time, when he saw Fang Yue, Qin Yu could feel the strange charm on her body.

This kind of charm didn't only come from her face, but also seemed to come from the bottom of her heart and soul consciousness.

...

"Brother Jing, you're not planning to make a move on Qin Yu, are you?" Fang Yue said after she caught up with Jing Lu.

Jing Lu said with a gloomy face, "What do you think?"

Fang Yue's beautiful eyes moved, and her voice was somewhat charming as she said, "Brother Jing, there's no deep hatred between you and Qin Yu. Why Don't you let it go on account of me?"

Hearing this, Jing Lu couldn't help but sneer, "Why? Does a seductive Fox have a time to be tempted?"

Chapter 301: Chapter 301, pharmacist of the Divine Alchemist Pavilion

Jinglu's words did not cause Fang Yue to be too shocked.

She only covered her mouth and laughed lightly. "Brother Jinglu's words are wrong. How could a person like me be moved? I just feel that Qin Yu is still useful."

"Hehe." Jinglu laughed coldly.

"Fang Yue, let me tell you. It's fine if Qin Yu made me kneel in front of everyone, but because of him, our Jing family was almost finished!" Jinglu said through gritted teeth.

Fang Yue said with some surprise, "Why do you say that?"

Jinglu said with a cold face, “The people of the Han family in Jingdu almost crippled me. If it weren’t for my father’s efforts, I would have become a corpse by now!”

“Do you think I can spare this kid?”Jinglu looked at Fang Yue coldly.

Fang Yue was dumbstruck, clearly somewhat confused.

Back then, the Han family had sent people to kill everyone in the divine herb space.

And Fang Yue was the only one who had managed to escape.

Jing Lu had almost died because of this, but he had no strength to challenge the Han family. He could only blame it on Qin Yu.

On the other side, Qin Yu didn’t take Jing Lu seriously at all.

He actually hoped that Jing Lu would come to find trouble and use the heaven devouring technique to absorb him.

“Let’s go.”Qin Yu pulled Yao Qing and began to stroll around the medicinal herbs convention.

In just over an hour, Qin Yu had several hundred-year-old herbs in his hands.

He had never expected that hundred-year-old herbs could be obtained so easily at the medicinal herbs convention.

“Even the peach city has such terrifying resources, let alone Jingdu?”Qin Yu felt a strong sense of danger in his heart.

Compared to Han Yu’s natural resources, Qin Yu was indeed too embarrassed.

The biggest difference between a big city and a small city was the difference in resources.

This was also the reason why countless people had racked their brains to get a foothold in a big city.

“It seems that I have to think of a way to bridge the gap between Han Wei and me as soon as possible,” Qin Yu thought to himself.

He put all the herbs into his spatial magic artifact and then continued to search for herbs with Yao Qing.

The area of the herbs convention was huge, and almost the entire village had been requisitioned.

However, after walking for a long time, they still didn't see the so-called pharmacist of the Divine Medicine Pavilion.

“Mr. Qin, it seems to be quite lively over there,” at this moment, Yao Qing pointed at a stall not far away and said.

Looking in Yao Qing's direction, as expected, there were many people standing in front of that stall.

“Let's go and take a look.” Qin Yu brought Yao Qing and walked towards that stall.

Qin Yu released his spiritual sense and sensed the people who came to participate in the herbs convention.

Very quickly, Qin Yu felt several powerful forces at the scene.

There were at least dozens of martial grandmasters alone!

Such a terrifying force was definitely not something that Chuzhou could compare to.

“Mr. Qin, look.” Yao Qing pointed at a piece of gauze cloth on the stall and said.

This gauze cloth was shining gold all over, but it was extremely thin.

And there was a strange internal Qi surging on it.

“What is this thing?” Qin Yu asked.

The stall owner glanced at Qin Yu and said, “This is called purple gold gauze cloth. Wearing it is equivalent to a layer of armor.”

Hearing this, Qin Yu’s eyes immediately lit up.

Equivalent to a level of armor?

To Qin Yu, the most powerful thing was his physical strength.

If this purple-gold gauze robe was added to his body, how strong would his physical strength be?

“Can I take a look at this purple-gold gauze robe?” Qin Yu asked politely.

The stall owner sneered and said, “Take a look. You can try it with a knife.”

Seeing this, Qin Yu immediately reached out and took the purple-gold gauze robe.

Then, he took out a bronze sword from his spatial magic tool, activated his inner strength, and slashed at the purple-gold gauze robe.

However, the extremely sharp bronze sword didn’t even leave a white mark!

Most importantly, after the purple-gold gauze robe was hit by the force, it instantly became extremely hard!

“Good stuff, good stuff!”Qin Yu couldn’t help but feel a little excited!

“What’s the price of this purple-gold gown?”Qin Yu hurriedly asked.

The stall owner glanced at Qin Yu and said, “It depends on what you have in your hand.”

Qin Yu pondered for a moment, then took out a foundation establishment pill from his bosom and said, “This pill is called the foundation establishment pill. It can raise one level in the master realm. I wonder if it will be able to catch your attention.”

As soon as he said this, the surrounding people immediately looked at the foundation establishment pill in Qin Yu’s hand.

The stall owner Glanced at the foundation establishment pill and sneered, “Raise the level of a grandmaster by one level? Who would be interested in such a pill?”

“That’s true.”Qin Yu touched his chin. To them, an inner strength grandmaster was not even worth mentioning.

Qin Yu thought for a moment and said, “I still have the fasting pill in my hand. It can raise the level of a grandmaster by one level.”

“Increase my cultivation level by one rank when I reach the Grandmaster Realm?”Hearing this, the surrounding people looked at Qin Yu excitedly.

“Young man, do you really have the fasting pill?”

“If you really have it, I’m willing to pay a high price to buy it.”

“I can exchange it with hundred-year-old herbs.”

Seeing the excited crowd, Qin Yu nodded slightly and said, “I do have the fasting pill, but I’m afraid I can’t take it out for the time being.”

“You’re lying, right?” Someone beside him couldn’t help but sneer.

“You want to take advantage of us with nothing? Do you think we’re All Idiots?”

“That’s right. What do you mean by advancing by one level? You’re simply full of nonsense!”

Qin Yu wasn’t angry at the attitude of the crowd.

He looked at the stall owner and said, “If you don’t believe me, you can put away this gauze robe for the time being. In three days, I’ll bring fasting pills to exchange for it.”

The stall owner looked a little conflicted. He thought for a moment and said, “Okay, but you need to exchange for ten fasting pills.”

“Ten?” Qin Yu frowned slightly.

This price was a little beyond Qin Yu’s imagination.

“Okay! Ten then!” Qin Yu nodded and said.

When the stall owner heard this, he immediately put away the gauze robe.

“Wait.”

At this moment, a young man walked over from not far away.

He took the gauze coat and sized it up, saying, "I'm also very interested in this gauze coat. Why Don't you sell it to me?"

"Hey, we saw this gauze coat first!" Yao Qing shouted with some displeasure.

Qin Yu waved his hand and stopped him, saying, "The one with the highest price will get it. There's nothing to talk about."

The young man nodded slightly and then looked at the stall owner.

The stall owner said, "As long as the price you offered is higher, this gauze coat is of course yours."

The young man smiled lightly and said, "I can use the small Huandan to exchange for it."

"Small Huandan?" The stall owner frowned.

He knew about this small Huandan. It was said that it could recover inner strength quickly in a short period of time, so it was considered a rare item.

However, compared to the fasting pill, its allure seemed to be less.

The young man seemed to have noticed the stall owner's concern, so he said with a faint smile, "I can take out the Little Huandan on the spot. Compared to this gentleman's three days later, I believe you will make the right choice."

The stall owner immediately frowned.

He glanced at Qin Yu and said, "If you can give me the fasting pill now, this gauze coat is yours. But if you can't take it out, I'm afraid I can only sell this gauze coat to this gentleman."

Qin Yu's expression changed slightly. He thought for a moment and said in a low voice, "How about this? Wait for me for an hour. I can give you a fasting pill temporarily."

"Wait for you for an hour?" The stall owner seemed somewhat puzzled.

Qin Yu said with a faint smile, "I'll refine the fasting pill for you on the spot."

Hearing this, everyone immediately turned pale with fright!

Refine pills on the spot? Could it be that this young man knew how to refine pills?

That young man sneered and said, "Sir, your words seem to be a little too arrogant, right? Refining pills on the spot? Who would believe it?"

Qin Yu said with a faint smile, "Whether you believe it or not, it will naturally be resolved in an hour."

That young man snorted lightly. He suddenly took out a token from his pocket and said, "I am an alchemist of the Divine Alchemist Pavilion.. This stall owner, you can decide for yourself what to choose."

Chapter 302: Chapter 302, shocked pharmacist!

"Pharmacist of the Divine Alchemist Pavilion?" After this identity was thrown out, the reputation of the scene immediately changed!

Almost everyone looked at this young man in shock!

"So you are the pharmacist of the Divine Alchemist Pavilion. Nice to meet you!"

"I am Sun Bao of the Sun family. It is my honor to meet you!"

The attitude of everyone was enough to show the position of the Divine Alchemist Pavilion in their hearts.

The medicine master looked at the stall owner and said, “Boss, have you made your decision?”

The stall owner stood up and said respectfully, “So you are the medicine master. Forgive me for not being able to welcome you from afar.”

“No worries.” The medicine master waved his hand proudly.

He took out ten small recovery pills and said, “This purple-gold gauze coat should belong to me now, right?”

The stall owner smiled and said, “Of course. You are the medicine master, so I naturally trust you more.”

“Wait!”

At this moment, Qin Yu suddenly called out to the two of them.

The stall owner looked at Qin Yu with puzzlement and said, “Sir, is there anything else? Even if you really have the fasting pill, I would be more willing to cooperate with the Divine Alchemist Pavilion.”

“Did you hear that? Sir, the purple-gold gauze robe belongs to me.” The apothecary said with a faint smile.

Qin Yu said in a deep voice, “What if I exchange it with a yuan-breaking pill?”

“Yuan shattering pill?” The stall owner seemed to be somewhat puzzled, while the apothecary beside him was filled with shock!

It was very obvious that this apothecary had heard of Yuan shattering pills.

Qin Yu nodded and said, “Yuan shattering pills can be used to break through to a martial grandmaster.”

Upon hearing these words, everyone immediately revealed expressions of shock!

“Sir, is what you said true?”

“Do you really have a yuan shattering pill? If that’s the case, I’m willing to pay a high price to buy it!”

Qin Yu ignored him and looked at the stall owner.

The stall owner seemed to be somewhat conflicted. Although the Medicine God Pavilion’s medicine master had a noble status, the allure of the essence shattering pill was too great.

“Two.” Qin Yu extended his finger.

The stall owner immediately wavered. He hurriedly said, “Really?”

“Really.” Qin Yu nodded.

“Hehe, don’t listen to his bragging.” At this moment, the medicine master sneered.

“Although the Yuan shattering pill isn’t considered a sacred pill, it is still considered a top-grade one. Even I didn’t possess it, let alone him.” The medicine master snorted lightly.

When the stall owner heard this, he immediately frowned.

The medicine master continued, “Let me put it this way. Even in our Divine Alchemist Pavilion, there aren’t many who can refine the yuan shattering pill, let alone him.”

“Even the apothecary can’t refine it?”

“Then this kid must be lying!”

“Damn, in order to obtain this purple-gold gauze robe, he’s really unscrupulous.”

Qin Yu glanced at the apothecary and said, “Even if you can’t refine it, it doesn’t mean that I can’t do it.”

He looked at the stall owner and waited for his reply.

The stall owner was silent for a moment and said, “If you can really take out two yuan shattering pills, this purple-gold gauze robe will be yours.”

“Okay, wait for me for an hour.” Qin Yu nodded and said.

Apothecary sneered and said, “Are you really going to refine pills on the spot? What are you going to use to refine them? A Lighter?”

Hearing this, everyone immediately burst into laughter.

Qin Yu ignored apothecary’s ridicule and only stretched out his palm.

A wisp of blue spirit fire immediately jumped in his palm.

Upon seeing this spirit fire, the Alchemist’s expression immediately changed drastically!

“Blue Spirit Fire? How is that possible?” The alchemist swallowed his saliva frantically!

Even he only had red spirit fire!

One had to know that as long as one produced a spirit fire, one would possess the qualifications to enter the Divine Alchemist Pavilion, let alone a Blue Spirit Fire?

“Who exactly are you?” The Alchemist asked with a face full of shock.

“Qin Yu.” Qin Yu said his name indifferently.

“Qin Yu? He’s the one known as the King of Chuzhou, Qin Yu?”

“I heard that he had a fight with master Gu not long ago!”

“What’s the point of fighting with master Gu? He dares to challenge the existence of the Han family! Do you dare? In any case, I don’t Dare!”

“It’s said that the eldest miss of the Yan family is his wife...”

The pharmacist stared at Qin Yu and said, “So you are Qin Yu! I have heard of the rumors about you, but I don’t believe it.”

“I don’t need you to believe it,” Qin Yu said indifferently.

Then, Qin Yu took out an ordinary stove from his spatial magic tool and refined the essence breaking pill on the spot!

This process was extremely long, but no one was willing to leave.

They all stared at Qin Yu as if they were waiting for the result.

Time passed by minute by minute, and the pill within the stove began to slowly take shape.

“Kacha!”

With a crisp sound, the stove could not withstand this enormous force and actually shattered!

“Hahaha!” This apothecary could not help but laugh loudly.

“You don’t even have a vessel, how are you going to refine a pill? This is the first time I’ve heard of using a stove to refine a pill. This is simply a layman!” The apothecary said with a cold smile.

Qin Yu didn’t say anything. He raised his palm and a golden light suddenly appeared!

After that, the flame was thrown into Qin Yu’s palm.

Streams of jade-green medicinal liquid were refined in Qin Yu’s palm once again!

“What? He actually used his palm as a vessel?”

“This... This is too unbelievable!”

Even the Alchemist was dumbstruck! He had never seen such a technique before!

Although Qin Yu controlled the spiritual fire, when the spiritual fire left his body and returned to his palm, he could still feel the violent power of the spiritual fire!

Not long after, the golden light that lingered on Qin Yu’s hand directly shattered! The spiritual fire was directly approaching Qin Yu’s palm!

“Chi la!”

After Qin Yu’s palm was subjected to the spiritual fire, it immediately emitted waves of thick smoke!

The intense pain was unbearable to look at!

Qin Yu could naturally feel the pain coming from his palm, but he gritted his teeth and did not have the slightest intention of giving up!

This time, even the small stall owner was somewhat moved!

This Qin Yu was a little too desperate!

“Weng!”

Finally, an hour later, Qin Yu’s palm shone!

Origin breaking pill, formed!

Chapter 303: Chapter 303, the Divine Alchemist Pavilion’s Elder

A yuan shattering pill lay quietly in Qin Yu’s palm.

One of Qin Yu’s palms had already been burnt black, and it was a ghastly sight to behold.

“This is the Yuan shattering pill?” Everyone looked at the pill in Qin Yu’s palm with some doubt.

Qin Yu nodded and handed the pill to the stall owner.

The stall owner held the Yuan shattering pill with some curiosity on his face.

He had never seen the Yuan shattering pill before, so he didn’t know whether this pill was real or fake.

“Speaking of which, apothecary, is this yuan shattering pill real?” The stall owner looked at the apothecary from the Divine Alchemist Pavilion.

The apothecary's expression was extremely unsightly, and he couldn't help but clench his fists.

He was very clear that this pill was the yuan shattering pill!

But if he admitted it, then he would not be able to obtain this purple-gold gauze robe!

The apothecary glanced at the surrounding crowd and saw that everyone was waiting for his answer.

Hence, he cleared his throat and said, "This isn't a yuan shattering pill at all. Don't be deceived by him."

The moment these words were said, everyone present was shocked!

Qin Yu's brows were even more tightly knitted as he looked coldly at the apothecary.

"If this isn't the essence shattering pill, then what is it?" Qin Yu questioned coldly.

The apothecary snorted lightly and said, "If my guess is correct, this should be a useless pill. In other words, your pill refinement has failed."

"What nonsense are you spouting!" Qin Yu berated coldly.

"Whether this is the essence shattering pill or not, you should be clear in your heart! As an apothecary of the Divine Alchemist Pavilion, you are spouting nonsense for your own selfish interests and taking advantage of others' trust in You!"

"Is this the Medicine God Pavilion? Looks like it's just so-so!"

After he finished speaking, everyone immediately sucked in a breath of cold air!

Qin Yu actually belittled the Medicine God Pavilion in public? was he crazy?

That Medicine Master was even more furious as he said, “Do you know what you are saying! is the Medicine God Pavilion something that a junior like you can evaluate?”

Qin Yu sneered and said, “I originally thought that the Medicine God Pavilion was some sacred hall, but after seeing you, I am extremely disappointed in the Medicine God Pavilion.”

“Hehe, is it your turn to evaluate the Divine Alchemist Pavilion?” Apothecary said with a sneer.

After saying that, he looked at the stall owner and said, “Boss, the decision is in your hands. You decide for yourself.”

The stall owner was also somewhat conflicted. Of course, he trusted the Divine Alchemist Pavilion More, but he had personally witnessed the process of Qin Yu refining the pill.

That was using his palm to refine the pill! Furthermore, he was in control of a blue spiritual flame!

“This... There’s no way to prove it,”the stall owner muttered.

He wasn’t at the boundary of breaking through, so even if he consumed the essence shattering pill, it wouldn’t have any effect.

“Boss, I happen to be at the peak of Zongshi realm recently. Why Don’t you give this essence shattering pill to me, and I’ll give it a try?”Someone beside him said.

The stall owner glared at him and cursed angrily, “F * ck you, Are You Dreaming?”

“Then there’s no way to prove it.” Apothecary spread his hands and said with a faint smile.

The stall owner’s face was full of confusion. For a moment, he didn’t know how to make a decision.

“What, you don’t believe in the Divine Medicine Pavilion?” Apothecary struck while the iron was hot.

The stall owner gritted his teeth. He returned the Broken Yuan Pill to Qin Yu and said apologetically, “I’m sorry, I only have this purple-gold gauze robe. I don’t want to take any risks, so... I hope you can forgive me.”

Qin Yu shook his head and took back the essence destruction pill. He nodded and said, “It’s alright. I understand.”

With that said, Qin Yu put away the essence destruction pill and turned his head, preparing to leave.

“Little brother, can you lend me this pill to take a look?”

At this moment, a voice suddenly came from Qin Yu’s side.

Turning around, he saw a middle-aged man in his forties looking at Qin Yu with a smile.

When the Medicine Master of the Divine Alchemist Pavilion saw this person, his expression changed drastically!

“Elder... Elder, why are you here...” the medicine master said hurriedly.

Elder? This middle-aged man was actually an elder of the Divine Alchemist Pavilion?

“Greetings, elder of the Divine Alchemist Pavilion!” When everyone saw the situation, they all greeted him.

The elder ignored them. He looked at Qin Yu and asked again, “Little brother, can you lend me this pill to take a look?”

After experiencing this matter, Qin Yu had a very bad impression of the Divine Alchemist Pavilion.

Therefore, he said expressionlessly, “I think it’s better to forget it. The crows in the world are as black as the crows. There’s no need for that.”

After saying this, Qin Yu prepared to leave.

The elder hurriedly stopped Qin Yu and said, “Little brother, there might be some misunderstanding. He alone can not represent the Divine Alchemist Pavilion.”

“Moreover, our divine alchemist pavilion has never lacked medicinal pills. It won’t be a loss for you to let me take a look.”

Qin Yu frowned, as if he had been persuaded.

Hence, Qin Yu handed the pill to the Elder.

After the elder received the pill, he immediately began to carefully observe it.

His expression was somewhat strange, and he even looked at Qin Yu from time to time.

“From the elder’s expression, the refinement of this yuan shattering pill has indeed failed,” someone beside him muttered.

Qin Yu could not help but snort coldly in his heart.

This divine medicine pavilion was indeed not as sacred as he had imagined.

“Strange, Strange.” The elder finally spoke.

“Elder, how is it? This pill is fake, right?” Someone hurriedly asked.

The elder did not say anything. He just kept stroking his chin.

Qin Yu was getting impatient. He said coldly, “You also think that this is fake, right? Return the Pill to me. If there’s nothing else, I’ll leave.”

The elder hurriedly waved his hand and said, “No, no, no, you’ve misunderstood me. I’m just lamenting that you’re not from the Divine Alchemist Pavilion, but why are your alchemy skills so superb?”

When he said this, everyone could not help but be stunned!

“Elder, you mean... this is really a yuan shattering pill?” The stall owner asked anxiously.

The elder nodded slightly and said, “Not only is it a yuan shattering pill, it’s also an extremely successful yuan shattering pill!”

“With such skill, not many people in the entire divine alchemist pavilion can compare to it!”

Chapter 304: Chapter 304, the furious Dong Tianhai

After hearing the Elder's words, everyone was shocked!

How great an honor was it to be praised by an elder of the Divine Alchemist Pavilion?

"Little brother, I'll return the essence-shattering pill to you." The elder returned the pill to Qin Yu.

Qin Yu took the pill and couldn't help but frown slightly.

He was a little confused for a moment and became even more suspicious of the Divine Alchemist Pavilion.

"Give it to me!" Seeing this, the stall owner hurriedly snatched the purple-gold gauze robe back from the hands of the apothecary!

Then, the stall owner looked at Qin Yu with an embarrassed smile and said apologetically, "Sir, I'm sorry. I misunderstood you just now. This purple-gold gauze robe is yours!"

"Are you serious?" Qin Yu immediately felt a little happy.

The stall owner hurriedly nodded and said, "Absolutely!"

"Alright, then I'll refine the remaining two pills for you now," said Qin Yu.

The stall owner hurriedly stopped Qin Yu and shook his head, saying, "Sir, there's no rush. Using your hands to refine the pill is too cruel.

When you succeed in refining it in the future, just give the Pill to me.”

Qin Yu said somewhat gratefully, “Then thank you very much!”

Just as the two of them were conversing, the elder had already looked coldly at the apothecary.

“This is clearly a yuan shattering pill. Why did you say that it was a failed pill?”The elder questioned coldly.

The Alchemist’s head was immediately covered in sweat and he was incomparably nervous.

He braced himself and said, “Elder... Elder, I’m sorry. It’s... It’s my poor eyes that made a mistake.”

“My poor eyes made a mistake?”The elder immediately shouted out explosively!

“The Yuan shattering pill is stored in an extremely large amount in the Divine Alchemist Pavilion. Almost everyone has one. You say that you made a mistake? If you only have this kind of ability, you are not worthy of staying in the Divine Alchemist Pavilion!”The elder said coldly.

The medicine master immediately panicked. He hurriedly knelt on the ground and begged for mercy, “Elder, I know I was wrong. I . . . was just a moment of greed, so I lied. Please forgive me this time. I beg you...”

The elder said with a cold smile, “You have tarnished the reputation of My Divine Alchemist Pavilion. You are even less worthy of staying in the Divine Alchemist Pavilion.”

“From now on, you are no longer the Medicine Master of My Divine Alchemist Pavilion. Get lost!”

“Don’t, Elder. I really know my mistake. Give me another chance!”The apothecary shouted crazily.

Unfortunately, the elder did not give him a chance at all.

The elder extended his finger and the Divine Alchemist pavilion’s token immediately shattered.

Such a scene could not help but cause people to sigh endlessly.

“Little brother, I wonder if you are interested in coming to my Divine Alchemist Pavilion as a Guest?”At this moment, the elder looked at Qin Yu with a smile.

Everyone was shocked again!

This Qin Yu was actually invited by an elder of the Divine Alchemist Pavilion? What kind of honor was this?

Qin Yu thought for a moment and said, “If I have time, I will definitely pay a visit.”

The elder laughed loudly and said, “Alright, I will wait for you at the Divine Alchemist Pavilion!”

Qin Yu slightly bowed to him as a show of respect.

The elder did not stay any longer and quickly turned around to leave.

After he had left, everyone surrounded Qin Yu and started to praise and curry favor with him.

“Mr. Qin, My Name Is Wang Bao. If you need anything from me, just let me know!”

“I still have a 300-year-old Chinese knotweed at home! If you like it, Mr. Qin, feel free to take it!”

“Mr. Qin, I am willing to pay 50 million for you to treat my illness!”

Looking at the crazed attitude of the crowd, Qin Yu could not help but sigh.

It was said that the status of the Divine Alchemist Pavilion was extremely high. Seeing it today, it really lived up to its reputation.

After thanking them one by one, Qin Yu put away his purple-gold gauze robe and left with Yao Qing.

“Mr. Qin, I really didn’t expect that the Divine Alchemist Pavilion would actually take a fancy to you. You will be rich in the future!” Yao Qing said excitedly.

Qin Yu said with a bitter smile, “It was just a casual invitation. Don’t take it too seriously.”

“Casual invitation? Mr. Qin, the Divine Alchemist Pavilion has never taken the initiative to invite anyone!” Yao Qing said as if it was a matter of fact.

Qin Yu was silent for a moment, and his mind spun rapidly.

Joining the Divine Alchemist Pavilion might really be a good choice.

In this way, he could at least obtain more resources and slightly close the distance with Han Wei.

“Let’s go.” Qin Yu didn’t continue this topic.

Yao Qing asked in puzzlement, “Where are we going?”

“To find Dong Tianhai,” Qin Yu said coldly.

The area of this medicinal herbs convention was extremely large, and the number of visitors was terrifyingly high.

However, it wasn’t difficult to find Dong Tianhai.

Since he was known as the medicine king, there would naturally be many people who worshiped him.

As expected, Qin Yu found Dong Tianhai at an extremely conspicuous location.

“I’ve finally found you,” Qin Yu said with narrowed eyes.

Yao Qing frowned and said, “Mr. Qin, there are many people in front of his stall, and there are also many experts. Isn’t it a bit dangerous for us to go there just like this?”

Qin Yu said indifferently, “Don’t worry. I have my own countermeasures.”

There were countless people standing in front of Dong Tianhai's stall.

"Mr. Dong, we finally meet again."

"Mr. Dong, I have a divine herb here. Can you take a look at it?"

"Master Dong, how much is this herb?"

Facing the crowd of people, Dong Tianhai was surprisingly arrogant.

He slightly closed his eyes and said indifferently, "Then we can exchange it for the same herbs or a babe. As for the rest, there's no need to talk about it."

In the face of Dong Tianhai's arrogance, no one was angry. On the contrary, all of them were humble.

"Master Dong, how much are these three herbs?"

At this moment, a familiar voice sounded.

Dong Tianhai suddenly opened his eyes and hurriedly looked over.

"Qin... Qin Yu? You are actually still alive?" Dong Tianhai's face was a bit ugly.

Qin Yu sneered and said, "Why? Do you really want me to die?"

Dong Tianhai's expression was somewhat flustered. The three herbs in Qin Yu's hands, each of them more than 500 years old, could be said to be priceless treasures!

“Master Dong, have you forgotten what you promised me?” Qin Yu narrowed his eyes, and a killing intent rushed towards Dong Tianhai.

Dong Tianhai pretended to be calm and said, “Qin Yu, you’d better not act recklessly. This is the herbs convention, and the Divine Alchemist Pavilion is keeping order.”

Qin Yu ignored him and directly put the three herbs into his spatial magic tool.

Dong Tianhai’s expression changed, and he hurriedly berated, “Qin Yu, are you going to rob me openly? You’re violating the Order!”

“Violating the Order?” Qin Yu raised his eyebrows, and then sneered, “What order did I violate? I’m just taking back my own things. Is there a problem?”

“You!” Dong Tianhai was so angry that blue veins popped out!

He gritted his teeth and said, “Qin Yu, don’t force me. My appeal here is beyond your imagination!”

“Oh? is that so? I really want to see it.” Qin Yu sneered.

“Do you really want to do this?” Dong Tianhai stood up angrily and said angrily.

Qin Yu sneered, “Do you think I’m joking with You?”

“Good, good! You forced me to do this!” Dong Tianhai said angrily.

Then, he looked at the martial grandmaster who was slowly walking over and said, "Please Wait! If you are willing to solve a small problem for me, I, Dong Tianhai, will owe him a favor!"

As soon as he said this, the three martial grandmasters immediately came over after hearing the news.

"Master Dong, what problem?" The three people asked politely.

Dong Tianhai pointed at Qin Yu and said through gritted teeth, "Teach him a lesson!"

The three immediately looked at Qin Yu.

However, when they saw Qin Yu's face clearly, they said in surprise, "Mr. Qin, Why are you here?"

Chapter 305: Chapter 305, Fang Yue's investment

Qin Yu looked at these three people in Puzzlement, as if he felt that they were somewhat unfamiliar.

These three people hurriedly explained, "We all saw the process of you refining pills just now! You're really too amazing!"

"Yeah, you even received an invitation from the Divine Alchemist Pavilion. I really admire you!"

Hearing the words of these three people, Qin Yu came to a sudden realization.

Meanwhile, Dong Tianhai's expression was stiff and extremely awkward.

Qin Yu had actually received an invitation from the Divine Alchemist Pavilion? How was this possible?

"The three of you, please take care of this kid!" Dong Tianhai said again.

The three people glanced at Dong Tianhai and said with a cold face, "Dong Tianhai, are we very familiar with you?"

"That's right. If you dare to talk nonsense again, we'll take care of You First!"

"How can you insult Mr. Qin?"

The three people knew very well that an apothecary of the Divine Alchemist Pavilion was much more valuable than Dong Tianhai, the Folk Medicine King!

"Mr. Qin, I'm sorry to disturb you. If there's anything you need help with, please feel free to ask," the three people said respectfully.

After saying this, the three people left together.

Qin Yu looked at Dong Tianhai with a sneer.

"Master Dong, your connections don't seem to be very good." Qin Yu said with a sneer.

Dong Tianhai's face was extremely ugly. He gritted his teeth and said, "Qin Yu, you've already taken the herbs. What else do you want?"

“Taken?” Qin Yu snorted.

“Dong Tianhai, I’ve told you very clearly. deliver them to my door in three days! Unfortunately, you have broken your promise.”

With that, Qin Yu directly waved his hand and loaded all the herbs on Dong Tianhai’s stall into his spatial magic artifact.

Dong Tianhai’s face was ashen, and he was so angry that his entire body was trembling.

However, he couldn’t do anything to Qin Yu, and could only forcefully suppress his anger.

After receiving the herbs, Qin Yu turned around and left.

Looking at Qin Yu’s back, Dong Tianhai gnashed his teeth in hatred.

...

“Mr. Qin, the herbs convention this time has really gained a lot,” Yao Qing said proudly.

Qin Yu nodded and said, “That’s right. It’s all thanks to Dong Tianhai. Otherwise, I wouldn’t have known about the herbs convention.”

This could be considered a blessing in disguise.

The herbs convention lasted until 12 o’clock in the evening.

Qin Yu and Yao Qing found a hotel and temporarily stayed there.

At night, Qin Yu opened his spatial magic tool and counted carefully.

There were three herbs that were five hundred years old, and ten herbs that were more than a hundred years old!

Such a huge number made Qin Yu extremely excited!

“I’m Rich.”Qin Yu couldn’t help but smile.

He laid on the bed and even thought that he would have a beautiful dream tonight.

At this moment, there was suddenly a knock on the door.

Qin Yu frowned and subconsciously shouted, “Who is it?”

“Brother Qin, it’s me.”Fang Yue’s charming voice came from outside the door.

“Fang Yue ? Why is she here ?”Qin Yu frowned slightly.

After thinking for a moment, Qin Yu still went over and opened the door.

Outside the door, Fang Yue was wearing a purple dress. Under the light, her graceful figure could be seen at a glance.

“Miss Fang, Why are you here ?”Qin Yu asked.

Fang Yue didn’t answer this question. Instead, she said with a faint smile, “Mr. Qin, aren’t you going to invite me in?”

Qin Yu frowned, but in the end, he made a space for Fang Yue to come in.

Then, Qin Yu poured Fang Yue a glass of water and asked casually, “Miss Fang, Why did you come to see me in the middle of the night?”

Fang Yue raised her face and looked at Qin Yu with her soul-stirring eyes.

“Can’t I come to see you if I have nothing to do?” Fang Yue blinked her eyes and said.

Qin Yu could feel the charming power emanating from her body.

And when she spoke, the power that directly attacked her mind was even stronger.

“Miss Fang, your seduction is useless against me,” Qin Yu said indifferently.

Fang Yue’s face flashed with surprise, because her seduction had never failed before!

Fang Yue seemed to be unwilling to give up. She stood up and moved her graceful body, moving closer to Qin Yu Step by step.

Sitting on Qin Yu’s side, Fang Yue leaned on Qin Yu’s ear and said delicately, “Brother Qin, are you really not moved?”

As she spoke, Fang Yue reached out and touched Qin Yu’s chest.

However, at this moment, Qin Yu reached out and grabbed Fang Yue’s wrist.

A terrifying force erupted!

“Miss Fang, please have some self-respect. If you continue to be stubborn, don’t blame me for being impolite,”Qin Yu said coldly.

Fang Yue’s expression changed slightly. She sighed slightly and said, “Brother Qin, you are the first one who can resist my charm.”

It was impossible to say that she was not moved. After all, Qin Yu was also a man full of vigor and vitality.

However, deep in Qin Yu’s heart, there was a deep longing.

This longing brought Qin Yu a strong will and the motivation to move forward bravely. It was enough to resist any temptation in the world.

“Miss Fang, if you have something to say, just say it. Otherwise, I’m going to sleep,”Qin Yu said coldly.

Seeing this, Fang Yue stopped teasing Qin Yu.

She took out a jade-green bead from her bosom. Under the dim light, it flickered with a demonic light.

“Brother Qin, I have a gift for you,”Fang Yue said with a smile.

Qin Yu took the bead and said in surprise, “What is this?”

“Take a guess,”Fang Yue teased with her beautiful eyes.

Qin Yu sized up the bead and said seriously, “If I’m not wrong, this... should be a glass marble.”

“PFFT!”

Hearing this, Fang Yue couldn't help but laugh.

“Brother Qin, do you think I came here in the middle of the night just to give you a glass bead?” Fang Yue said with a smile.

Of course, Qin Yu was joking. He played with the bead and asked, “What exactly is this?”

Only then did Fang Yue seriously say, “This is called an inner core. It comes from a demon beast at the bottom of the sea.”

“Inner core?” Qin Yu was stunned.

This was the first time Qin Yu heard this name.

Fang Yue nodded and said, “It is the demon beast inner core.”

Qin Yu frowned and said, “You... Where did you get this?”

Speaking of this topic, Fang Yue seemed to recall a memory.

She looked out of the window and slowly said, “Ten years ago, I was wandering on a deserted island and accidentally got it.”

“There were two pills in total, and one of them was already swallowed by me.”

Hearing this, Qin Yu could not help but rub the inner core and said with a smile, “The charm on your body came from the inner core, right?”

“Brother Qin is right.” Fang Yue covered her mouth and said with a smile.

Qin Yu touched his chin and said, “This demonic beast’s inner core should be very precious, right? Why did you give it to me?”

Fang Yue said somewhat bitterly, “I’m just a woman with no background. If you want to climb up, you have to rely on a man.”

“Before you, I thought of Jing Lu as the candidate, but now I’ve changed my mind. You’re more suitable than him.”

Qin Yu raised his eyebrows. “Is this considered an investment? Cooperation?”

“You can think of it this way,” Fang Yue said with a smile.

At this moment, Qin Yu suddenly realized that Fang Yue and he were somewhat similar.

Both of them were people who wanted to change the current situation, but had no background.

This was definitely a difficult path. For a woman like Fang Yue to be able to reach this point, she must have paid a huge price.

“Miss Fang, I still don’t understand,” Qin Yu said.

“If that’s the case, why didn’t you choose a young master from a large aristocratic family?”

Fang Yue raised her eyebrows and said, “Brother Qin, even if I were to be dependent on a large aristocratic family, do you think I would be valued? In their eyes, I might just be a plaything that can be kicked out at any time.”

“Relatively speaking, investing in a potential stock is naturally a better choice. What if you become a large aristocratic family in the future?”

Chapter 306: Chapter 306, the Dragon and tiger team

Hearing this, Qin Yu immediately became interested in Fang Yue.

This Fang Yue was not weak, and her ambition was not small either.

“What about Jing Lu? was he abandoned by you just like that?” Qin Yu asked with a faint smile.

Fang Yue placed a hand on Qin Yu’s shoulder and said with a chuckle, “Can Jing Lu compare to you? To me, there are no feelings, only value.”

“That’s what I want.” Qin Yu nodded slightly.

Qin Yu had inquired about this Fang Yue, and it was said that her connections were not weak.

By relying on her charm, she had bewitched many important figures.

In the future, when she went to Jingdu, she might be able to get on the list of her favors.

“Brother Qin, what do you mean?” Fang Yue raised her eyebrows and asked.

“Deal!” Qin Yu stood up and shook hands with Fang Yue.

Fang Yue smiled slightly and said, “Then I won’t bother you anymore.”

After saying that, Fang Yue turned around and walked out of the door.

When she reached the door, Fang Yue suddenly stopped and said mysteriously, “There’s a surprise in that inner core.”

Before Qin Yu could ask, Fang Yue had already left.

In the empty room, Qin Yu was sizing up this inner core.

The inner core was in the darkness, flickering with a demonic light.

“This Fang Yue won’t harm me, right?” Qin Yu scratched his head and thought to himself.

Fang Yue swallowed an inner core and obtained the power of charm.

Then, what kind of effect would she get after swallowing this one?

“I think this inner core will not only increase my strength, it will probably bring unexpected benefits.”

Qin Yu did not think any further and immediately swallowed the inner core into his stomach.

After that, he began to sit cross-legged and dredge his meridians.

As one of the strongest physiques of the chaos body, its body’s tolerance was extremely strong!

There was almost nothing that the chaos body could not swallow.

However, after Qin Yu swallowed this inner core, he felt as if his entire Dantian was being rebuilt!

Waves of magical power flowed through Qin Yu's meridians and into his entire body!

Following that, it wrapped around his internal organs, from the inside to the outside, all the way to his skin

Such a magical effect caused Qin Yu to turn pale with fright!

He only felt his entire body making incessant crackling sounds!

In a short moment, Qin Yu's skin began to contract!

The toughness and strength of his body were rapidly increasing!

A strange force filled Qin Yu's body!

After more than ten minutes, this strange feeling finally began to disappear, and the terrifying Qi/spiritual energy within it exploded!

"HMM?" Qin Yu's brows twitched. He seemed to feel that he had the possibility of stepping into the second level of the monastic stage!

As expected, this Qi/spiritual energy was attacking every acupoint in his body with all its might!

After an hour, a comfortable feeling spread throughout his body.

At this moment, Qin Yu's strength had stepped onto another level!

“This inner core... can actually increase my body and strength!” Qin Yu finally understood Fang Yue’s meaning!

This inner core was indeed more suitable for Qin Yu!

Qin Yu, whose body was already incomparably tough, had now reached a terrifying state!

“With this body and the purple-gold gauze robe, no one below a grade five martial grandmaster would be able to break it!” Qin Yu couldn’t help but feel somewhat excited.

More importantly, not only had this pill reconstructed his skin, even his internal organs had been greatly improved!

“This inner pill... is really not bad.” Qin Yu muttered in a low voice.

A strange force appeared in his body, and this strange force had fused with Qin Yu’s body.

Just the strength of his body alone was enough to fight against a martial grandmaster!

It was only a matter of time before he went to Jingdu!

...

The next day.

After Qin Yu woke up, he planned to leave with Yao Qing.

On the way back to Chuzhou, Qin Yu kept feeling as if he had forgotten an important matter.

However, Qin Yu racked his brains, but he still couldn't remember what it was.

“Forget it, I'll just ignore it,” Qin Yu muttered, then leaned against the plane and fell asleep.

Chuzhou region.

On a huge training field, dozens of well-built men were standing there neatly.

They were all carefully selected soldiers from the Chuzhou region, and they formed a special combat team.

The team was called the Longhu team, and they were about to participate in the year-end competition.

“Old Wu, why hasn't that Qin Yu Come Yet?” A dignified-looking middle-aged man asked with a frown.

Uncle Wu said anxiously, “Officer Long, don't worry. I'll go and urge him again.”

After saying that, Uncle Wu walked to the side with his cell phone and called Qin Yu.

Unfortunately, Qin Yu's phone was turned off.

This made uncle Wu feel a headache. At this critical moment, Qin Yu had disappeared!

“Officer long, the call didn't go through...” uncle Wu said apologetically.

Officer long snorted coldly and said, “Since he doesn’t want to come, then forget it. It’s better for my people to carry out the special training.”

After saying that, he waved his hand, and a young man walked forward.

“This is my proudest disciple, named Xue Hu. He is not only a great grandmaster, but also has excellent training experience.”

Speaking up to this point, officer long paused for a moment, and then said with some pride, “The most important thing is that he has a training plan in his hands.”

“And this plan came from ye Qing!”

Uncle Wu was stunned and hurriedly said, “Are you serious?”

“Of course!” Officer Long said with a faint smile.

“Although it’s a weakened version, it came from officer ye Qing. The effect is still beyond imagination.”

Hearing this, Uncle Wu couldn’t help but frown slightly.

It had to be said that ye Qing’s weakened version of the plan was indeed very tempting.

If it was in the past, Uncle Wu would definitely agree to it without hesitation.

But now, in Uncle Wu’s mind, he remembered Qin Yu’s promise.

He had said that he would let the Chuzhou region win first place this year!

And Ye Qing's weakened version of the training plan would definitely not win first place. After all, there was still the Jingdu Military District.

"Officer long, why don't We Wait? I believe that Qin Yu will definitely come,"uncle Wu said with a frown.

Commander long couldn't help but frown when he heard that. "So what if he comes? So what if he doesn't come? Do you think that Qin Yu's training plan can be compared to War God Ye's plan?"

Uncle Wu said with some embarrassment, "But... Qin Yu said that he will let our Chuzhou region get first place this year..."

Chapter 307: Chapter 307 was just an incomplete version

Hearing this, officer long couldn't help but burst into laughter.

"Old Wu, do you know what you're talking about?"Officer long shook his head helplessly.

"The JINGDU war zone has always been an insurmountable mountain. The most popular goal of the other war zones is only to get second place."

"Now you're saying that Qin Yu promised to get first place? What, is he even more powerful than ye Qing?"

Uncle Wu also felt a little embarrassed. He said helplessly, “Qin Yu made a promise. If he goes back on his word, he’s willing to be punished.”

“Humph, he’s just an ignorant person who is fearless,” officer long snorted lightly.

Then, he waved his hand, and Xue Hu walked over.

“Greetings, Officer Wu!” Xue Hujing saluted and shouted.

“Alright, Xue Hu. From now on, I’ll appoint you as the captain of the Dragon and tiger team. Do you have confidence?” Officer long asked.

Xue Hu shouted, “I promise to complete the mission!”

Officer long smiled faintly and said, “You also have to make a promise.”

Xue Hu didn’t even think before he shouted, “I will let the Chuzhou region get into the top three!”

“Good! If you can’t do it, I will hold you responsible!” Shouted officer long.

“Yes!”

Then, Xue Hu walked towards the Dragon Tiger Squad.

Uncle Wu wanted to say something, but was interrupted by commander long with a wave of his hand.

“Sigh.” Uncle Wu couldn’t help but let out a long sigh.

...

On the plane.

Qin Yu suddenly woke up from his sleep!

He patted his head and suddenly came to a realization. "I just remembered that I forgot one thing! Today is the day of the special training in the Chuzhou region!"

Thinking of this, Qin Yu hurriedly looked at Yao Qing and asked, "How long until the plane arrives?"

Yao Qing calculated the time and said, "About one more hour."

Qin Yu nodded. One hour was enough.

He immediately closed his eyes slightly and searched for a suitable cultivation method in his mind.

In a short period of time, the fastest way to improve was naturally to train the body.

Therefore, Qin Yu quickly found a body training plan in his mind.

This plan could improve one's physique in an extremely short period of time, but it was quite painful.

Fortunately, Qin Yu could refine a pill to make up for this.

"The body refining technique should be enough," Qin Yu thought to himself.

The plane soon landed in the provincial capital of Chuzhou.

As soon as he got off the plane, Qin Yu took a taxi and planned to go to the Chuzhou region.

However, at this time, uncle Wu called Qin Yu.

“Qin Yu, where have you been? I Can’t get through to you!” Uncle Wu couldn’t help but ask as soon as the call went through.

Qin Yu said apologetically, “I’m sorry, Uncle Wu. I had something to do and went out for a while. I’m planning to head to the Chuzhou region now.”

Uncle Wu was silent for a moment and said, “Alright, come to my house first.”

After saying this, uncle Wu directly hung up the phone.

Qin Yu looked at the time. It was twelve o’clock in the afternoon.

“It seems that I’m still late,” Qin Yu stuck out his tongue and said in a low voice.

A moment later, Qin Yu and Yao Qing arrived at Uncle Wu’s house.

At this time, Uncle Wu was sitting in the study, carefully reading a document in his hand.

Qin Yu pushed the door open and entered. He asked with a smile, “Uncle Wu, what are you looking at? Why Are You So Serious?”

Seeing Qin Yu, Uncle Wu immediately stood up.

He said with some reproach, “How could you forget such an important thing? Let me tell you, the higher-ups are very dissatisfied with you now! And they have changed the coach of the Dragon and tiger team!”

At this point, Uncle Wu threw the document in his hand to Qin Yu.

“Take a look for yourself,”uncle Wu said with a cold face.

Qin Yu took the document and looked at it carefully. He found that it was an incomplete cultivation technique.

Although this cultivation technique looked quite mysterious, it lacked the most important part.

“Uncle Wu, what is this?”Qin Yu asked.

Uncle Wu snorted and said, “This is ye Qing’s special training technique. It’s just a weakened version.”

“A weakened version?”Qin Yu shook his head.

“This is not a weakened version, but an incomplete version. If we train according to this technique, not only will it not have any effect, but it will also bring side effects,”said Qin Yu.

Uncle Wu was stunned. He hurriedly asked, “Is what you said true?”

“It’s absolutely true,”said Qin Yu.

Uncle Wu frowned. He took the document and thought for a moment, then said in a low voice, “If it’s true, then we’ll be in trouble.”

Thinking of this, Uncle Wu quickly pulled qin yu and said, "Let's go. We're going to the Chuzhou region now!"

Therefore, Qin Yu and uncle Wu walked out of the house and prepared to go to the Chuzhou region.

At this moment, Little Yu came back from outside with her schoolbag.

As soon as she saw Qin Yu, she threw her schoolbag over.

"Qin Yu, why are you here? What have you been doing all this time? You Didn't come to my house to play!" Little Yu said with her eyes wide open.

"Xiao Yu! Your Brother Qin Yu is very busy. How could he have time to play with you?" Uncle Wu said unhappily.

Xiao Yu muttered, "Then you have time today, right? Qin Yu, why don't you teach me? I also want to learn kung fu!"

Qin Yu smiled bitterly and said, "I don't have time now. I'll come to You When I'm done, okay?"

"No way! You still don't know when you'll be done. You're always lying." Xiao Yu Shook Qin Yu's arm and said.

"Ahem, how about I teach you?" Yao Qing volunteered.

Xiao Yu rolled his eyes at Yao Qing and said, "You? With your weak kung fu, forget it."

"And you look so wretched!"

Yao Qing's old face immediately turned red and he muttered, "I'm so handsome, how am I wretched..."

"Okay, okay, we have to go now. Yao Qing, stay with Xiaoyu." Uncle Wu pulled Qin Yu and walked to the car.

Soon, the two of them arrived at the Chuzhou region.

They went straight to Officer Long's office.

In the office, Officer Long was standing in front of the window, looking at the training field outside.

"Officer Long!" Uncle Wu quickly walked in with Qin Yu.

"Old Wu? Why are you here?" Officer Long took a sip of tea.

Then, he pointed at the training field outside and said, "Look, all the members of the dragon and tiger team are full of vitality! Xue Hu's special training plan is even more surprising!"

Uncle Wu was silent for a moment, not knowing how to respond.

"This special training plan is indeed surprising. Not only will it not bring any effect, but it will also increase the burden on the body," Qin Yu said lightly at this time.

"If this goes on for a long time, the body functions of the members of the dragon and tiger team will seriously decline."

Upon hearing Qin Yu's words, officer Long immediately frowned and looked at Qin Yu with displeasure.

“Who are you?” Officer Long asked with a cold face.

Qin Yu bowed and said, “I’m Qin Yu. Greetings, officer Long.”

“Are you that Qin Yu? What King of Chuzhou are you called?” Officer Long did not have a good impression of Qin Yu.

Before Qin Yu could answer, officer Long continued, “You said that this training plan will increase the burden on the body? What, are you saying that Ye Qing’s training plan is not good?”

Qin Yu shook his head and said, “Ye Qing’s training plan is naturally extraordinary. Unfortunately, what you are holding in your hands is an incomplete version.”

“Moreover, even if it’s a complete version, I don’t think it’s better than mine.”

Chapter 308: Chapter 308 was completely annihilated!

Qin Yu’s words were rather arrogant, which made officer Long even more displeased.

“You mean you’re stronger than Ye Qing?” Officer Long asked with a faint smile.

Qin Yu shook his head and said, “Of course I’m no match for Officer Ye, but if it’s a one-round training plan, my plan might be better.”

Just as Qin Yu said, the inheritance treasury left behind by his father was definitely not something Ye Qing could compare to.

Officer Long said with a dark face, "What nonsense! Old Wu, ask him to leave!"

"Officer long, Qin Yu, he..."

"I said, ask him to leave!" Officer long berated.

Uncle Wu had no choice but to pull Qin Yu's arm.

After the two of them walked out of the office, uncle Wu said, "Qin Yu, don't mind it too much. After all, your words are shocking. Moreover, officer long has always regarded ye Qing as his idol, so it's natural that he won't accept it."

Qin Yu nodded and said, "I understand."

"As for officer long, I'll go and persuade him again," said Uncle Wu.

Qin Yu smiled bitterly and said, "Uncle Wu, do you think your persuasion will be useful? Officer Long's attitude is firm. I'm afraid that no matter what you say, he won't accept it."

Uncle Wu frowned and said, "Then what should we do?"

"Just wait," said Qin Yu indifferently.

"I've seen his special training plan. In five days at most, the bodies of the special training team members will start to fail."

"At that time, I'll come up with my own plan."

Although that was the case, Uncle Wu was still a little worried.

“What if officer long thinks that it’s normal for them to fail?”Uncle Wu asked back.

Qin Yu smiled and said, “When I say that they can’t take it, it means that their bodies have reached the limit and they can’t continue at all.”

Uncle Wu suddenly understood. He said in a deep voice, “Qin Yu, we don’t have much time left. Isn’t five days a bit too much of a waste?”

Qin Yu spread his hands and said, “Uncle Wu, do you have a better idea?”

“No.”Uncle Wu shook his head.

“Then that’s it,”Qin Yu said with a smile.

Seeing this, uncle Wu could only do as Qin Yu said.

Then, Qin Yu followed Uncle Wu back to his residence.

When the two of them went back, Yao Qing was sitting there while Xiao Yu was watching TV.

After seeing Qin Yu, Xiao Yu hurriedly stood up.

“Why did you come back so soon?”Xiao Yu said with a bit of surprise.

“It’s adults’business, don’t ask me!”Uncle Wu glared at him.

Qin Yu smiled and patted Xiao Yu's head. "I'll come back when I'm done."

Xiao Yu nodded. Then, she said slyly, "Qin Yu, can you teach me? I want to be an expert too, okay?"

"Xiao Yu! Don't delay your brother Qin Yu's business!" Uncle Wu scolded.

Qin Yu waved his hand and said, "It's fine. I was just about to teach Xiao Yu my breathing exercise."

"Really? Yay! Long live Big Brother Qin Yu!" Xiao Yu shouted excitedly.

Jiang Gu had said that Xiao Yu had a pure yin constitution.

This kind of body cultivation speed was much faster than ordinary people.

The only regret was that the pure yin constitution could only be cultivated by yin qi.

As for inner strength and Qi/spiritual energy, they could not be absorbed.

"Come with me." Qin Yu brought little fish to the courtyard.

Then, he let little fish sit cross-legged on the ground and taught her the breathing exercise.

Little Fish was very talented. In just an hour, she knew how to do the breathing exercise.

The only pity was that yin qi was scarce in the city.

Therefore, Xiao Yu could not feel the inhaling sensation that Qin Yu mentioned.

“Am I too stupid?” Xiao Yu said with some frustration.

Qin Yu shook his head and said, “No, your talent is very high, much higher than Yao Qing’s.”

“Of course!” Xiao Yu immediately looked at Yao Qing proudly.

Yao Qing said with a bitter face, “Mr. Qin, can you not compare me?”

“It’s the truth,” Qin Yu said with a smile.

“If I’m so talented, why can’t I feel the inhaling sensation you mentioned? And I can’t feel anything in my lower abdomen,” Xiao Yu muttered.

Qin Yu rubbed Xiao Yu’s head and said, “That’s because this place is not suitable for your cultivation. When I’m done, I’ll take you somewhere.”

“Deal!” Little Fish said excitedly.

In the next few days, Qin Yu stayed in his room almost all day.

Except for eating, he was nowhere to be seen.

In the blink of an eye, three days had passed.

In the training field of the Chuzhou region.

“Captain Xue, I don’t think I can hold on any longer,” a team member said with a bitter face.

“Actually, I also have this feeling. I keep feeling like my body has become extremely heavy, and the bones in my limbs feel like they’re about to break.”

A stone stirred up a thousand waves, and almost everyone began to ridicule.

Xue Hu berated, “All of you, shut up! Don’t you know what it means to be bitter before sweet? As long as you hold on, your bodies will be greatly improved!”

“But... but this is too uncomfortable,” a team member said softly.

Xue Hu was instantly enraged when he heard that.

He raised his foot and kicked the lower abdomen of that team member. He berated, “You can scam! Our Dragon Tiger team doesn’t need trash like you!”

When everyone saw this, they didn’t dare to say anything. They could only brace themselves and continue training.

“Xue Hu, how’s the training?” At this time, officer long walked over from not far away.

Xue Hu hurriedly said, “Officer long, please rest assured. I promise to complete the mission!”

Officer long frowned and said, "I just heard them say that their bodies can't take it? Will there be anything wrong? Let me tell you, safety is always the first priority."

Xue Hu hurriedly said, "Officer long, this is the uniqueness of this training plan. As long as you can endure it, you can soar to the sky!"

Commander long nodded, then turned around and left.

Although that was the case, commander long could not help but think of Qin Yu's words.

If it was really as Qin Yu said, then it would be troublesome.

Another Day passed.

Qin Yu finally walked out of the room.

He stretched lazily and muttered, "I'm so tired."

"Qin Yu, what have you been hiding in the room for the past few days?" Uncle Wu asked with a puzzled look.

Qin Yu said mysteriously, "I won't tell you! You'll know tomorrow."

At night.

The members of the dragon and tiger team still didn't stop training.

They followed the plan provided by Xue Hu and tried their best.

"Pu!"

At this moment, one of the team members suddenly spat out blood and fell to the ground, unable to get up!

“What’s going on?”Xue Hu’s expression changed and he hurriedly walked over.

Before everyone could be shocked, another person fell to his knees with a plop!

His expression was in pain, and cold sweat was dripping down his face.

“My... My leg is broken, I can’t move my leg!”That member shouted in pain.

In the blink of an eye, everyone started to have different situations.

Some people were vomiting blood, while others had their bones shattered!

In the blink of an eye, 14 out of the 18 members had fallen!

“How... how could this be!”Xue Hu panicked. He did not know what to do.

“Doctor, Doctor!”At this moment, someone reacted and shouted in a hurry.

Fortunately, the military district was equipped with doctors. In a short while, several doctors rushed over.

They brought the dozen or so members to the infirmary in a flurry.

Xue Hu stood at the door. His face was a little ugly, and his heart was extremely anxious.

After an unknown amount of time, the Doctor finally walked out.

“Doctor, how are their conditions?” Xue Hu hurriedly walked forward and asked.

The Doctor said with a solemn expression, “Not too good. Their bodies have suffered various degrees of damage. Some of them even have fractures all over their bodies.. It’s almost impossible for them to continue training.”

Chapter 309: Chapter 309, heading to Jingdu

The doctor’s words were like a blow to the head, instantly making Xue Hu’s face pale!

“How... how could this be!” Xue Hu’s body swayed, and he almost lost his balance.

“Doctor, are... Are you mistaken?” Xue Hu said, somewhat unwilling to give up.

The doctor coldly said, “I can doubt my medical skills, but you can’t treat me as a fool!”

“Even an inexperienced person can see the fracture!”

Xue Hu’s face was extremely unsightly, and beads of sweat dripped down his forehead.

How should he explain this to officer long ?

At this moment, officer long rushed over from the other side of the corridor.

“What happened ?” Officer long asked anxiously.

The doctor quickly told officer long what had happened.

After listening to him, Officer Long was immediately furious. “You mean that more than ten people were seriously injured ? All their bones were broken ? How could this happen ?”

The doctor said helplessly, “Officer long, I don’t know either. This is what happened after they were sent here.”

Officer long immediately looked at Xue Hu and asked coldly, “What exactly happened ?”

Xue Hu’s lips trembled as he said, “I . . . I don’t know either...”

“There must be something wrong with your training plan !” Officer long gnashed his teeth and said.

“Let me ask you, how did you get that training plan ? Also, is it a weakened version or an incomplete version ? Tell me the truth !”

Now that things had come to this, Xue Hu didn’t dare to continue hiding it.

He knelt on the ground with a plop and cried, “This training plan is indeed an incomplete version, but I didn’t expect it to lead to such consequences...”

“Officer long, I know I’m wrong. Please spare me this time, sob SOB SOB SOB...”

Officer long said angrily, “Spare you this time? More than ten people were seriously injured. Who will be responsible?”

“Xue Hu, you’d better pray that their lives are not in danger. Otherwise, you’ll be waiting to go to jail!”

The scolding made Xue Hu’s head buzz.

He sat on the ground in a daze, not knowing what to do for a moment.

Human lives were at stake. Even commander long had to bear the responsibility for such a big incident.

At this moment, commander long suddenly thought of Qin Yu.

“Qin Yu once said that your plan is a defective version. I wonder if he has any solutions,” commander long thought to himself.

Xue Hu hurriedly got up from the ground and said anxiously, “Commander Long, does he really have a solution? We... We’ll go find him now!”

Commander Long said with a resentful look, “I really misjudged you! Follow Me!”

Xue Hu hurriedly got up from the ground and followed officer long out.

It was already early in the morning, and there were almost no pedestrians on the road.

However, a jeep was speeding away at an extremely fast speed.

At Uncle Wu's house.

Qin Yu was standing in the bedroom, sizing up a purple-gold gauze coat.

Ever since he bought it, Qin Yu had never tried it on.

The purple-gold gauze coat was flickering with a faint light in the darkness.

“Try it on,” Qin Yu thought to himself.

He had just reached out to pick up the purple-gold gauze coat when the sound of a car braking came from outside.

Qin Yu looked out of the window and saw a military green jeep.

“Huh? It's faster than I thought,” Qin Yu thought to himself.

Soon, there was a knock on the door, but Qin Yu was not in a hurry. He sat in his room and waited quietly.

A few minutes later, Uncle Wu's voice came from the door of Qin Yu's bedroom.

“Qin Yu, are you asleep? Officer Long is looking for you for an urgent matter,” Uncle Wu shouted from outside the door.

Qin Yu knew the seriousness of the matter, so he did not act rashly and immediately opened the door.

As soon as the door opened, Xue Hu fell to his knees with a plop.

“Qin Yu, please help me...”Xue Hu said with Snot and tears.

Qin Yu raised his palm, and a gentle force lifted him up.

“Let’s go,”said Qin Yu.

Officer Long was stunned and asked in confusion, “Where are we going?”

“To save people,”said Qin Yu.

“Didn’t you come to find me because of this?”

This immediately made officer long even more surprised!

He looked at Qin Yu in surprise and couldn’t help but think to himself, ‘this Qin Yu has already predicted everything?’ ?

“Human lives are at stake, so don’t waste time,”urged Qin Yu.

Officer Long came back to his senses and quickly nodded, “Good, good!”

Thus, the group of four sped toward the Chuzhou region.

Half an hour later, Qin Yu followed them to the ward.

Looking at the people lying on the bed, Qin Yu couldn’t help but frown.

“Qin Yu, how is it? Do you have any ideas?”Officer long asked anxiously.

Qin Yu nodded and said, "Officer long, don't worry. I can cure them."

Officer long immediately heaved a sigh of relief. He quickly shouted to the outside, "Doctor, come in quickly and tell Mr. Qin about the patient's condition!"

"There's no need," Qin Yu interrupted officer long.

During the foundation establishment stage, Qin Yu not only dug out the talent of having a strong physical body, but at the same time, his eyes were also quietly changing.

An imperceptible light flashed in Qin Yu's eyes.

After sweeping his eyes over, Qin Yu had a general understanding of the situation.

"Broken bones, damaged internal organs. It's more serious than I imagined," Qin Yu muttered in a low voice.

This made officer long even more surprised!

How did this Qin Yu know everything?

"Officer Xue, I'll have to trouble you to deliver these two types of pill to the patient's mouth." Qin Yu extended his palm, and more than twenty pills fell into his palm.

The pill was only the size of a grain of rice, so it was not difficult to consume.

Not only did Xue Hu neglect the patient, but he also hurriedly took the pill and began to deliver it to the patient's mouth one by one.

“Qin Yu, when did you refine this pill?” Uncle Wu asked in puzzlement.

Qin Yu smiled and said, “Didn't you ask me why I was hiding in the bedroom yesterday?”

Uncle Wu said in surprise, “You... refined this pill?”

Qin Yu nodded slightly and said, “Yes.”

“Is this pill really useful?” Officer Long interrupted.

Qin Yu smiled and said, “Just wait.”

A few minutes later, the unconscious patient sat up from the bed as expected!

One, two, three... In the blink of an eye, almost all the members of the team sat up from the bed!

“It's amazing! This is really amazing!” Officer Long couldn't help but click his tongue in wonder!

“Move around and see if there's anything wrong with your body,” said Qin Yu.

Seeing this, everyone hurriedly shook their bodies.

“It's really great!” Commander Long couldn't help but shout excitedly.

“Qin Yu, it’s all my fault for being blind and blaming you!” Commander Long said apologetically.

“From today on, you are the captain of the Dragon and tiger team. Come, Let’s talk in the Office!” Commander Long pulled Qin Yu enthusiastically and walked into the office.

In the office.

Officer long poured a cup of hot tea for Qin Yu.

His face was brimming with a smile, and his excitement was almost impossible to hide.

“Officer long, I have a question,” Qin Yu suddenly said.

Officer long nodded and said, “If you have any questions, just say it!”

Qin Yu said in a deep voice, “Which city is the venue of the competition this time?”

“Jingdu, of course,” officer long said.

Qin Yu suppressed the excitement in his heart and continued to ask, “Can I go to Jingdu with you?”

Chapter 310: Chapter 310, the shocked Han Wei

Officer Long said with a smile, “As a coach, of course you have to participate with me.”

These words made Qin Yu a little nervous, but he was more excited.

Qin Yu both longed for Jingdu, but he was also a little afraid.

He had always wanted to go there, but he lacked an opportunity.

This time, it might be the best opportunity to go to Jingdu.

“What’s Wrong?” Officer long asked.

Before Qin Yu could speak, Uncle Wu next to him smiled and said, “You want to take the opportunity to visit Miss Yan, right?”

Qin Yu scratched his head and said shyly, “More or less.”

“Hahaha! I’ve long heard that the eldest miss of the Yan family has a special liking for you. So it’s not a rumor.” Officer long couldn’t help but laugh.

A few words made Qin Yu Blush.

He hurriedly got up and said, “I’ll go back first. It’s getting late. I have to get some rest.”

“Okay. Tomorrow Morning at eight o’clock, remember to come to the training ground on time,” officer long reminded.

Then, Qin Yu and uncle Wu left the place together.

After returning, Qin Yu lay on the bed, tossing and turning, unable to fall asleep.

As soon as he closed his eyes, the image of Yan Ruoxue could not help but appear in his mind.

When they met, what would the scene be like ?

Going to the Yan family openly ? Or meeting secretly ?

Countless thoughts flashed through Qin Yu's mind. With this complicated feeling, he fell into a deep sleep.

The next morning, Qin Yu got up early and prepared to head to the Chuzhou region's training ground.

Uncle Wu had already returned from his morning jog. When he saw Qin Yu, he smiled and said, "You're awake ? Eat something. Let's go."

What surprised Qin Yu was that the breakfast was made by little fish.

She cooked four bowls of noodles, which tasted pretty good.

On the way to the training ground of Chuzhou, uncle Wu asked, "Qin Yu, have you prepared the training plan ?"

Qin Yu flipped his palm and said, "I've prepared it long ago. This training plan is extremely perfect and easy to understand."

Uncle Wu nodded and said, "That's good."

Soon, the two of them arrived at the training ground.

On the training ground, the members of the dragon and tiger team had already gathered at the training ground, and officer long had also waited here in advance.

After seeing Qin Yu, officer long walked forward and shook hands with Qin Yu.

“Since you’re already here, let’s begin,” officer long said with a wave of his hand.

Qin Yu nodded and walked to the front of the group. Just as he was about to speak, all the team members shouted in unison, “Hello, Officer Qin!”

Qin Yu could not help but feel a little uncomfortable with this form of address.

He coughed and waved his hand, saying, “Hello, everyone. From today onwards, I will teach everyone a new training method.”

Then, Qin Yu swept his gaze over everyone and said slowly, “This training method is extremely hard and demanding. I hope that everyone can maintain their enthusiasm.”

“I guarantee that we will complete the mission!” Many of the team members shouted.

Qin Yu did not waste any more time. He personally demonstrated this training method for the team members.

This training method was different from ordinary body refining techniques. If one wanted to improve their physical body in a short period of time, they would have to train from the inside out.

Therefore, the postures that Qin Yu made were all extremely strange. Moreover, each of the postures had to be maintained for more than an hour.

There were a total of twelve postures. In other words, it would take at least twelve hours to complete the entire set!

In addition, while making the postures, one also had to maintain a regular breathing pattern.

Qin Yu simply handed the twelve postures to everyone. Then, he said, "Everyone, let's train according to this plan. The interval between each action is ten minutes."

"Whoever can't do it will take the initiative to quit the dragon and tiger team," Qin Yu said somewhat domineeringly.

Looking at Qin Yu's movements, everyone couldn't help but frown.

"Officer Qin, is your plan really useful?"

"This movement is too fast. We didn't see it clearly at all."

"Officer Qin, tell us the truth. Can you maintain these movements for more than an hour?"

Qin Yu shook his head and said, "I can't do it."

This immediately made people not know whether to laugh or cry.

"If you can't do it yourself, why are you asking us?" Someone couldn't help but ask.

Qin Yu smiled faintly and said, "I don't need to use this plan at all."

Everyone looked at officer long in unison, as if waiting for his order.

Officer long shouted, “Qin Yu’s will represents my will! If anyone can’t do it, withdraw now!”

With Officer Long’s words, they could only obey the order.

“Officer long, please make eighteen copies of this plan and give them to them,”said Qin Yu.

Officer long nodded and said, “No problem.”

The document was quickly copied out. After receiving the plan, everyone began to train according to the movements on the plan.

Qin Yu sat there and looked at everyone quietly, correcting their movements from time to time.

After a day, almost everyone had suffered varying degrees of injuries.

Some of them couldn’t even lift their arms due to the pain.

“Qin Yu, don’t tell me your plan is the same as Xue Hu’s?”Officer long frowned and asked.

Qin Yu nodded and said, “Yes.”

Officer Long’s expression suddenly changed, and he hurriedly said, “Qin Yu, this is not a joke! We don’t have much time left, so we can’t be careless!”

Qin Yu smiled and said, “Don’t worry, I’ll prepare a pill for them to use as support. I Won’t let them get hurt.”

After saying that, Qin Yu looked at the crowd and shouted, “Alright, today’s training ends here. Tomorrow Morning at five o’clock, everyone will gather at the training ground!”

“Five o’clock? Isn’t that too early?”The scene immediately wailed.

It was already twelve o’clock in the morning. In this way, they could sleep for five hours at most!

“Carry out the order.”Qin Yu waved his hand and said domineeringly.

After dispersing the crowd, Qin Yu looked at officer long and said, “Officer long, their training movements are almost done. There’s no need for me to come tomorrow.”

Officer long frowned and said, “If you don’t come, who will watch them?”

“Let Officer Xue lead the team. His experience in leading the team is better than mine,”said Qin Yu.

Since he was going to Jingdu, Qin Yu naturally had to be fully prepared.

Therefore, he couldn’t waste all his time on training.

Officer long rolled his eyes and said, “You’re really comfortable being a hands-off manager. It’s not fair to Xue Hu.”

“Officer long, if there’s any honor award, I’ll give it to Xue Hu. Is that okay?”Qin Yu said helplessly.

“Okay.” Having said that, officer long couldn’t say anything more and could only nod and agree.

Qin Yu turned his head and was about to leave the military district. At this time, he suddenly thought of something and turned around again, saying, “Oh right, officer long, don’t forget to send someone to get the medicine. Once a day.”

“Got it, got it,” officer long said with a wave of his hand.

...

Jingdu, Han family.

Late at night, Han Wei still hadn’t fallen asleep.

He sat cross-legged on the ground, absorbing the purest Qi/spiritual energy from heaven and earth.

After more than ten minutes, Han Wei finally stood up.

“Young Master.” The Butler walked forward and slightly bowed to Han Wei.

Han Wei glanced at him and said, “What is it? Tell me.”

The butler said, “I just received news that Gu Taichu seemed to have been defeated by Qin Yu.”

“Oh?” Han Wei raised his eyebrows.

“Isn’t Gu Taichu a fifth grade martial grandmaster? How did he lose to Qin Yu?”

The Butler shook his head and said, “We’re not sure either.”

Han Wei didn’t pay much attention to it. He lightly snorted and said, “He’s just a mere fifth grade martial grandmaster. I can crush him to death with a raise of my hand.”

In Jiang Bei, a fifth grade martial grandmaster could be respectfully called a master.

However, in Jingdu, a fifth grade martial grandmaster wasn’t worth mentioning.

The housekeeper frowned and said, “Defeating a fifth grade martial grandmaster is indeed nothing. However, what worries me is that this Qin Yu has only just entered the grandmaster realm, and he has already crossed a large stage and won.”

“Even ye Qing back then couldn’t achieve such a feat....”

Chapter 311: Chapter 310, Jiang Gu, clear the area!

After hearing these words, a shocked expression finally flashed across Han Wei’s face.

He coldly said, “The last time I saw him, he was only a grandmaster. The possibility of him directly becoming a martial grandmaster is indeed not high.”

“So, does that mean that Qin Yu really defeated a grade five martial grandmaster with the strength of a Martial Grandmaster?”

The butler nodded and said, “Yes... Yes. If Qin Yu was also a martial grandmaster, he wouldn't be a threat at all. But...”

Han Wei didn't say anything. His face was ice-cold.

It was almost unheard of for a martial grandmaster to kill a martial grandmaster!

“Young master, why don't we take action ahead of time and get rid of Qin Yu First?”The Butler asked tentatively.

Hearing this, Han Wei's face immediately became ice-cold.

He looked at the butler coldly and said, “What, do you mean that I'm inferior to that Qin Yu?”

“Young master, I absolutely have no such intention!”The Butler was so scared that he immediately knelt on the ground!

Han Wei said coldly, “It's just a piece of grass. If I squish him to death, it's like squashing an ant!”

“If we take action now, where will our Han family's face go?”

“Yes, yes...”the Butler broke out in cold sweat and nodded desperately.

Han Wei didn't say anything more. He looked out of the window and snorted coldly, “There's less than half a year left. I don't believe that he can make much progress in this half a year!”

It was impossible for him to become a martial grandmaster in half a year!

Therefore, Han Wei wasn't too worried.

...

The next day.

After Qin Yu got up, he refined a pill for the members of the dragon and tiger team in advance.

He refined two kinds of pills in total. One was used to heal his wounds, and the other was used to increase his inner strength.

As long as these two kinds of pills were combined with the body-refining technique, Qin Yu was confident that he could get first place.

"It's time for me to go into seclusion," Qin Yu thought to himself after calculating for a while.

At this moment, Little Fish suddenly ran into the room.

She shook Qin Yu's arm and said, "Didn't you say that you were going to take me somewhere? When are you going to take me there?"

Qin Yu said with a headache, "In a few days. In a few days."

"No!" Little Fish shook her head hard.

"I want to go now. If you don't agree, I'll Pester You!" Little Fish said with a serious face.

Qin Yu felt helpless. He thought for a moment and said, “Okay, I’ll take you there once. Is that okay?”

“Okay!” Xiao Yu nodded quickly.

Therefore, Qin Yu took out his cell phone and called Jiang Gu.

After the call was connected, Qin Yu asked, “Jiang Gu, where is the largest cemetery in Chuzhou?”

Jiang Gu was stunned and asked in confusion, “Mr. Qin, why are you looking for a cemetery?”

Qin Yu did not hide anything and immediately told Jiang Gu what happened.

“If Little Yu wants to cultivate, she must rely on yin qi,” Qin Yu said in a deep voice.

Jiang Gu was silent for a moment and said, “Most of the provincial capital is cemeteries now. There is no yin qi.”

Jiang Gu paused and continued, “But I do know a place. It used to be a battlefield. It is said that hundreds of people died there.”

Qin Yu immediately said, “Come and pick me up. I’m at Uncle Wu’s house.”

“Yes, Mr. Qin,” Jiang Gu replied.

After he hung up the phone, Qin Yu suddenly thought of something.

Jiang Gu had a saintly being body now. In addition to his strength as a martial grandmaster, the strength of his physical body was definitely beyond imagination!

Using him to test his physical body might be a good choice.

Ten minutes later, Jiang Gu's car arrived at Uncle Wu's house.

Xiao Yu had already prepared herself. She even changed into a set of cool clothes.

It was already early winter. Xiao Yu sat there shivering from the cold.

“Why are you wearing so little?” Qin Yu frowned.

“It looks good! Don't you know that beautiful women are all about grace and not warmth?” Xiao Yu said with a smile.

Qin Yu was a little helpless. He reached out with his palm and a wisp of Qi/spiritual energy instantly wrapped around Xiao Yu.

In an instant, Xiao Yu felt warm all over his body.

“Let's go,” Qin Yu said with a wave of his hand.

The two of them got into Jiang Gu's car and then sped toward the destination that Jiang Gu had mentioned.

“This battlefield is in the outskirts of the provincial capital. It was a village in the past, but later on, strange things kept happening, so the people in the village dispersed,” Jiang Gu introduced.

Qin Yu nodded.

From what Jiang Gu said, this battlefield was indeed a good place for cultivation.

After driving for more than two hours, they finally arrived at the village that Jiang Gu had mentioned.

This place was cordoned off with a warning sign next to it: accident-prone areas, no entry.

Qin Yu got out of the car. He frowned and looked up at the sky.

Dark clouds covered the village. What was more frightening was that under the dark clouds, there seemed to be a huge ghost face!

“What’s That?” Qin Yu pointed at the ghost face in the sky and asked.

Jiang Gu frowned and said, “Nothing. What’s Wrong?”

“Nothing.” Qin Yu shook his head.

It seemed that only his eyes could see the ghost face.

“There’s something wrong with this place,” Qin Yu said in a low voice.

“You guys stay with me later. Don’t go far.”

Xiao Yu said nervously, “What... What’s wrong? It’s creepy here. It looks a little scary...”

“Are you scared? Go home if you’re scared,” Qin Yu said.

“No!” Xiao Yu quickly grabbed Qin Yu’s arm.

Qin Yu didn't say anything more. He led the two of them across the police line and walked into the village.

The ghost face in the sky was at the center of the village.

Therefore, Qin Yu didn't stop and walked straight to the bottom of the ghost face.

Soon, the three of them arrived at the bottom of the ghost face.

"Who are you? Leave quickly!" A shout came as soon as the three of them arrived!

Turning around, they saw two young men blocking their way.

Qin Yu sized up the two of them and asked, "Who are you?"

"Cut the crap! My Master is currently cultivating. Hurry up and leave!" The two young men shouted.

At the same time, the internal Qi on their bodies erupted!

"Martial Grandmaster?" Qin Yu raised his brows.

Judging from the internal Qi of these two people, they were probably martial grandmasters of the first stage.

Qin Yu sneered, "What does your master's cultivation have to do with us?"

"How dare you! My Master is Lord Xuan Yin of the Central Plains! Leave now if you know what's good for you!" The two of them shouted angrily.

Qin Yu sneered, “You guys are really overbearing. If he can enter, why can’t we?”

The two of them said arrogantly, “Because our strength is above yours, this place belongs to us!”

“Oh? So, if we are stronger, we have the right to chase you out?” Qin Yu sneered and said.

The two of them said indifferently, “That’s right. It depends on whether you don’t have the ability!”

“Really? Then I will satisfy you!” Qin Yu said coldly.

“Jiang Gu, clear the area!” Qin Yu shouted.

“Yes!” Jiang Gu strode forward, and the internal Qi on his body suddenly burst out!

Chapter 312: Chapter 312 was being targeted again

With the eruption of internal Qi, the strength of a martial grandmaster was revealed!

The faces of the two young men changed slightly, and they said coldly, “So there’s a martial grandmaster overseeing things. No wonder he’s so arrogant!”

Even though that was the case, the two of them still took large strides forward and charged towards Jiang Gu!

Jiang Gu, who possessed a saint body, had strength beyond imagination!

Jiang Gu waved his large hand, and a huge palm slapped onto their faces!

With just the strength of his physical body, Jiang Gu directly sent the two of them flying!

“Get lost quickly!”Qin Yu said coldly.

The two of them covered their faces and crawled up. They pointed at Qin Yu and said, “My master will never let you off!”

“You two talk too much nonsense.”Qin Yu’s expression gradually turned cold.

At this moment, an old man slowly walked out from the dark.

He put his hands behind his back and said with a faint smile, “Sir, you are so impressive. You have disturbed my peace, and you have also injured my disciple. Isn’t that a bit too much?”

“Master!”The two young men ran to the side of the old man hurriedly.

The old man waved his hand, and he walked out slowly.

Qin Yu looked at him coldly and said, “Are you that Lord Xuan Yin?”

“Hahaha! Not bad.”Xuan Yin nodded slightly.

He sized up Qin Yu and said, “Young man, are you interested in the things here?”

“Who wouldn’t be interested in the Babe?” Qin Yu said with a faint smile.

Xuan Yin laughed out loud and said, “You’re right. I, Xuan Yin, don’t want to make enemies in the outside world, but I discovered this thing first. Do you have to be the first to arrive?”

“First to arrive?” Qin Yu couldn’t help but laugh coldly.

“Your disciple said that as long as you are strong enough, you don’t have to be reasonable,” Qin Yu said coldly.

Xuan Yin raised his eyebrows, “With just this great grandmaster by your side?”

“So what if I am? So what if I am not?” Qin Yu said coldly.

Xuan Yin frowned slightly. After thinking for a while, he laughed out loud again, “I, Xuan Yin, don’t want to make enemies outside. Since you are so interested in this thing, why don’t I share it with you?”

This surprised Qin Yu a little. He didn’t expect Xuan Yin to be so easy to talk to!

“Please, sir,” said Xuan Yin.

“Mr. Qin, be careful of any tricks,” reminded Jiang Gu.

Qin Yu nodded and said in a low voice, “Take good care of little fish.”

After saying that, Qin Yu took the lead and followed Xuan Yin in.

The deeper they went, the stronger the yin energy became.

By the time they reached the ghostly face, the yin energy had reached a terrifying level!

“Young man, the items are all here. You can choose by yourself.”The mysterious dark cloud waved his hand, and a few babe appeared in front of him.

There was a treasured sword, a long saber, and an armor.

Although these weapons were not trash, they were definitely not considered as a babe.

Qin Yu frowned slightly. He sized up the mysterious dark cloud and could not help but sneer inwardly.

The Real Babe was probably hidden underground.

The mysterious dark sect merely threw out a few worthless items, hoping to send Qin Yu away as soon as possible.

“Is that all?”Qin Yu asked, pretending not to care.

The mysterious dark sect nodded and said, “That’s all. If you want it, you can take it all.”

Qin Yu sneered, “I’m afraid it’s more than that. If you really want to split it equally with me, you should take out the real Babe.”

“Real Babe? I don’t understand that. What Real Babe? The thing is already in front of you.”Xuan Yin shook his head hypocritically.

Qin Yu stepped on the ground and said, “It should be hidden here, right?”

Hearing this, Xuan Yin frowned for a while, and his face gradually darkened.

“Eh? I found that I can breathe in and Out Here!”At this moment, little fish suddenly exclaimed.

“Breathing exercise?”Before Qin Yu could say anything, Xuan Yin looked at Xiao Yu coldly.

“It’s actually a pure yin body?”A flash of shock appeared on Xuan Yin’s face, followed by an indescribable greed!

Xiao Yu naturally felt Xuan Yin’s greedy gaze. She waved her fist and said, “What... What are you doing? Let me tell you, I’m not someone to be trifled with!”

Qin Yu’s expression gradually turned cold.

At this moment, Xuan Yin waved his hand, and the weapon on the ground disappeared!

“I’ve changed my mind,”said Xuan Yin grimly.

Jiang gu strode forward and berated, “What do you mean? !”

Xuan yin sneered, "I wanted to give you two Babe to get rid of you, but now... I'm going to kill all of you! Then I'll take away the pure yin body!"

"You're courting death!" Jiang Gu flew into a rage and arrived in front of Xuan Yin in one step!

"You'd better think it over carefully," Xuan Yin warned coldly.

"The yin energy is rampant here, and your inner strength will be suppressed! Do You Think You're still my match?" Xuan Yin said with a faint smile.

Jiang Gu's expression changed slightly, and he frowned.

Qin Yu sneered, "Is that why you tricked us here?"

"That's right." Xuan Yin didn't hide anything.

He put his hands behind his back and said indifferently, "If you take these things and get out of here, I will spare your lives."

"But if you don't know what's good for you... I will use the yin energy here to kill you!"

"I didn't expect you to have a pure yin body by your side. The heavens are helping me!"

"You're courting death!" Jiang Gu flew into a rage and threw a punch at the mysterious Dark Yin!

Jiang Gu, who had lost his internal strength, was not taken seriously by the mysterious Dark Yin at all.

Therefore, the mysterious dark yin only raised his hand and greeted him casually!

“Bang!”

However, when his fist touched his palm, the mysterious Dark Yin’s expression changed drastically!

This horrifying force directly broke the bones of the Xuan Yin’s hand!

“What a strong body!”The Xuan Yin’s expression changed!

Before he could recover from his shock, Jiang Gu threw another punch at him!

This time, the Xuan Yin didn’t dare to take it head-on, so he retreated in a hurry!

Then, he saw the Xuan Yin wave his hand, and the Yin Energy in heaven and earth immediately surged toward him!

In a moment, two black iron chains condensed in the Xuan Yin’s hand!

The chains seemed to have come from hell, and they were approaching Jiang Gu with a cold gleam!

“Crash!”

In an instant, Jiang Gu’s body was tied up by the chains!

Jiang Gu struggled desperately, but he found that he couldn’t break free at all!

“Don’t waste your energy,” said Xuan Yin with a faint smile.

“The chains are formed by the Yin Energy. The more you struggle, the tighter the chains are.”

Jiang gu roared angrily, “Let go of Me Now!”

However, Xuan Yin ignored Jiang Gu.. He glanced at Qin Yu and said with a faint smile, “The guards around you can’t help you anymore. Are you going to give her to me obediently, or do you want me to kill you?”

Chapter 313: Chapter 313: Little Yu’s thoughts

Qin Yu narrowed his eyes and said, “Why don’t you try touching her?”

“Oh?” Xuan Yin raised his eyebrows. “I’ll Satisfy You Then!”

Having said that, Xuan Yin walked over to Little Yu with a lecherous expression.

“What... What do you want to Do ? !” Little Yu said with her eyes wide open.

Xuan Yin said with a wicked smile, “Don’t be afraid. I Won’t do anything to you. As long as you have intercourse with me and help me improve my strength, I will give you endless riches and riches!”

Intercourse ?

Xiao Yu’s face turned pale!

She took a look at Xuan Yin: his skin was full of wrinkles, his eyes were the size of rice grains, and two nose hairs leaked out of his nostrils.

“Urgh!”

Xiao Yu couldn't help but vomit on the spot.

Xuan Yin wasn't angry, he said with a faint smile, “Little girl, it won't do you any harm to help me practice my kung fu...”

Having said that, Xuan Yin reached out his hand and grabbed little fish!

At this moment, a big foot kicked his body hard.

This kick sent Xuan Yin flying!

“You really dare to touch her,” said Qin Yu with a cold face.

Xuan Yin got up from the ground and said with a cold face, “You are just a grandmaster, and you dare to be presumptuous in front of me? I think you are courting death!”

As soon as he finished his words, Xuan Yin stepped forward!

His hands turned into claws and clawed at Qin Yu's head!

“Crack!”

However, before Xuan Yin's hands could touch Qin Yu, they were shattered by a punch!

This made Xuan Yin Furious! He was so embarrassed that he became angry!

His wrist had been injured by Jiang Gu just now, and now this punch had shattered his palm!

“Two body refining experts? Your physical body is really strong,” Xuan Yin said coldly.

“Unfortunately, it’s useless. Your cultivation state is too low, not to mention that you’re below the Yin Qi!”

Xuan Yin roared and used the same trick again. He condensed the chains with both hands again and threw them at Qin Yu with all his strength!

Qin Yu didn’t panic. His face was neither happy nor sad, and no emotion could be seen on it.

“Go to hell!” Xuan Yin roared angrily!

“Crash!”

The chains tied Qin Yu Up! The arms-thick chains stuck tightly to Qin Yu’s body!

“Little Bastard, I’ll kill you right now!” Xuan Yin opened his palm, revealing his dagger-like fingernails!

In the next second, Xuan Yin charged toward Qin Yu!

The fingernails stabbed toward Qin Yu’s chest!

“Boom!”

However, at this moment, a terrifying energy burst out from Qin Yu’s body!

The chains tied to his body were shattered!

Xuan Yin’s expression changed drastically, and he exclaimed in shock, “How is this possible!”

He suddenly felt that something was wrong, but it was too late for him to retreat!

“Damn you,” Qin Yu said coldly.

His fist was surrounded by golden light, and he threw a punch!

His huge fist met Xuan Yin’s fingernails.

His iron-like body was not afraid of any sharp blades!

Crack

This punch not only shattered Xuan Yin’s arm, but also sent him flying dozens of meters!

Qin Yu’s body was surrounded by a golden light.

In this dark environment, he looked out of place.

“How is this possible? You... you are not suppressed?” Xuan Yin’s expression was extremely ugly!

Thinking of this, Xuan Yin hurriedly gathered his yin energy, wanting to give it his all!

However, as soon as the yin energy floated to his palm, it started to dissipate before it could gather!

All the Yin energy surged toward Qin Yu's body like a storm!

"You... you can absorb Yin energy too?" Cold Sweat broke out on the Xuan Yin's forehead!

"No wonder you have a pure yin body by your side. She is a tool for cultivation!" The Xuan Yin suddenly thought of something.

"Bullsh * T!" Qin Yu was furious. He raised his hand and slapped the Xuan Yin's head!

This slap shattered Xuan Yin's face bone, and his head was severely injured!

Xuan Yin fell to the ground, wriggling slowly like a lifeless body.

"Don't think I'm as despicable as you," Qin Yu said coldly.

Xuan Yin said anxiously, "You... Spare my life! There's a babe hidden in the ground, and it's definitely useful to you. I can give it to you!"

"Give it to me? It was mine to begin with." Qin Yu opened his mouth, revealing a mouth full of white teeth.

In the next second, the heaven swallowing spell was activated!

Xuan Yin's body suddenly became shriveled. In a flash, he turned into a dried corpse.

The two disciples not far away were so scared that they had wet their pants. They stood not far away and were trembling like chaff!

"Spare... spare us..."the two said in a trembling voice.

How Could Qin Yu give them a chance? He used the heaven swallowing technique again and absorbed the inner strength of the two people.

After killing these three people, the chains on Jiang Gu's body disappeared, and the surroundings gradually returned to calm.

Qin Yu looked at little fish and said, "Are you okay?"

After witnessing the death of the three people, it was impossible to say that they were okay.

Although Little Fish said that she was fine, her forehead was still full of sweat.

She bit her pale lips with her teeth, and her delicate body was also trembling slightly.

"I'm... fine."Xiaoyu's hands trembled as she wiped the sweat off her forehead.

Qin Yu sighed slightly and said, "Xiaoyu, if you want to embark on the path of cultivation, you are destined to have such an experience."

“If you can’t bear it, it’s still not too late. I will erase this memory for you,”Qin Yu looked down at Xiaoyu and said seriously.

Hearing this, Xiao Yu hurriedly shook her head. She wiped the sweat from her forehead and said, “I... I can’t... I can adapt!”

“Okay, then use the method I taught you and start cultivating.”Qin Yu was like a strict teacher.

Xiao Yu hurriedly sat on the ground and started breathing exercise.

She tried her best to calm her emotions and tried her best to calm them down.

During this time, Qin Yu stood next to Xiao Yu and looked at her quietly.

After half an hour, Xiao Yu finally entered her state.

The surrounding yin energy began to slowly gather around her body. It even formed a small vortex around her body.

“It’s done.”Qin Yu nodded in appreciation.

Since Xiao Yu had stabilized, Qin Yu should take a look at what kind of Babe was buried underground.

Just as Qin Yu was about to start work, little fish suddenly opened her eyes.

She said timidly, “Qin Yu, is what that person said true?”

“Ah?”Qin Yu was stunned and didn’t react for a moment.

Little Fish said with a blush, “It’s what he said about having sex with me and increasing my strength. Is It True...”

Qin Yu frowned and nodded, “It’s true.”

“Then, if we have sex, can we also increase our strength?” Xiao Yu asked in a low voice.

Qin Yu’s old face turned red immediately. He scolded, “What are you talking about? Don’t let your imagination run wild!”

“I’m not letting my imagination run wild.” Xiao Yu stood up from the ground.

She pulled Qin Yu to the side and said in a low voice, “The old man from last time also wanted to take me away. This time, the mysterious dark sect also wanted to take me away.”

“I can dodge once, twice, but can I dodge ten times?”

Qin Yu frowned and said, “What do you want to say?”

Xiao Yu said in a low voice, “Since I’m going to be taken away sooner or later, I might as well let you....”

Chapter 314: Chapter 314, Jingdu, I’ m Here!

Xiao Yu’s worries were not without reason.

With her constitution, she would be targeted sooner or later.

“I know the story between you and sister Ruoxue, as well as the agreement between you and Han Wei,” Xiao Yu said to herself.

“Before, I thought that you weren’t good enough for sister Ruoxue, but now I think that only you are good enough for her, so you must win.”

“If I can really help you improve your strength, I... I think I can help you.”

At the end of her sentence, Little Fish’s voice was almost the same as a mosquito’s.

“Don’t talk nonsense. Don’t have such thoughts in the future,” Qin Yu said with a straight face.

“I don’t need your help. I can still win against Han Wei. As for you... I will do my best to protect you,” Qin Yu squatted down and said.

Seeing this, Xiao Yu immediately said, “Then it’s settled. If anything happens to me, you have to take responsibility.”

“Okay, okay, okay. I’ll take responsibility,” Qin Yu said somewhat helplessly.

“Hurry up and meditate. Don’t waste time.”

Xiao Yu agreed and walked back to his original seat and sat down.

Qin Yu glanced at Jiang Gu, and then the two of them walked under the ghostly face.

Looking up at the ghostly face condensed in the sky, Qin Yu couldn't help but sigh.

What exactly was buried under the ground that could cause such a terrifying phenomenon?

"Mr. Qin, what do you need me to do?" Jiang Gu asked.

Qin Yu pointed at the ground under his feet and said, "Dig down from here. Dig as deep as you can. Dig until you reach something."

Jiang Gu nodded. It had to be said that Jiang Gu's body was a good choice for digging the ground.

As the two of them moved, a large hole appeared in the ground.

The hole became deeper and deeper. In the blink of an eye, they had dug more than ten meters.

Unfortunately, there was nothing below.

"Could it be that I dug in the wrong place?" Qin Yu frowned slightly.

"Mr. Qin, do you want to continue digging?" Jiang Gu asked.

Qin Yu nodded and said, "Continue digging!"

Therefore, the two of them started digging again.

It was another ten meters, but they still didn't see anything.

At this time, the sky had gradually darkened. Qin Yu and Jiang Gu were also exhausted and sweating.

“Did I really dig in the wrong place? or... did I guess wrong? The thing isn't underground at all?”Qin Yu began to doubt.

He tried to feel the yin qi around him, but he found that it did not come from underground at all. Instead, it seemed to be surging from all directions.

“Do we still need to dig?”Jiang gu said while panting.

Qin Yu said in a deep voice, “Forget it. Let's go up first.”

Jiang GU agreed, and the two of them drilled out of the underground hole.

“Mr. Qin, what should we do now?”Jiang gu asked.

Qin Yu thought for a moment and said, “Let's go back first.”

“Go Back? Just let it go?”Jiang Gu said in surprise.

Qin Yu smiled bitterly and said, “Maybe I guessed wrong. If we really can't get it, it only means that this thing shouldn't have belonged to me in the first place.”

Seeing this, Jiang Gu didn't say anything more.

Then, the three of them left.

In the next few days, Qin Yu refined a pill for the dragon and tiger team in advance and asked Yao Qing to send it to the military district.

Then, Qin Yu brought little fish to the battlefield for the whole day to cultivate in seclusion.

Time flew by. In the blink of an eye, more than twenty days had passed.

There were only three days left until the official competition.

Early that morning, Qin Yu arrived at the Chuzhou region early.

On the training ground, Xue Hu was training his team members hard.

When they saw Qin Yu, the team members shouted, “Coach Qin is here!”

Hearing this, Hu Xue immediately turned to look at Qin Yu.

“Coach Qin.”Hu Xue greeted Qin Yu.

Qin Yu nodded and said, “Officer Xue, how’s the training?”

Hu Xue gave Qin Yu a thumbs up and said, “Your method is really amazing! In just one month, the strength of the team members has changed qualitatively!”

The rest of the team members also shouted, “Mr. Qin, thanks to You, your plan is too awesome!”

“Yes, and the pill you sent me. After I ate it, I actually broke through to the Grandmaster Stage!”

Seeing the excited shouts of the crowd, Qin Yu nodded slightly.

“Okay, everyone, train yourselves!”Hu Xue shouted.

After giving the order, Hu Xue looked at Qin Yu with a smile and said, "Coach Qin, Let's go to the office. Officer Long also wants to see you."

"Okay." Qin Yu nodded and followed Xue Hu to the office.

In the office, Commander Long was sipping tea with a satisfied look on his face.

"Commander Long, coach Qin is here." At this time, the door was pushed open.

As soon as he saw Qin Yu, commander long immediately came up to him.

He said with a smile, "Qin Yu, I just want to talk to you about something. Come, sit down quickly."

Qin Yu sat in front of officer long, and Xue Hu hurriedly poured a cup of tea for Qin Yu.

"To be honest, your plan is really beyond my imagination." Officer long gave Qin Yu a thumbs up.

Qin Yu smiled and said, "As long as it works. By the way, officer long, what do you want to talk to me about?"

Officer Long was silent for a moment, and then said, "Your plan is indeed awesome, but... I don't want us to get first place."

Qin Yu frowned slightly and said, "What do you mean?"

Officer long sighed and said, “It’s enough that we can get second place.”

“Officer long, don’t tell me you don’t have confidence in the dragon and tiger team?” Qin Yu said with some puzzlement.

“No.” Officer long waved his hand.

“What I mean is, whether we can win or not, we don’t want to fight for first place.”

This made Qin Yu somewhat puzzled. He couldn’t help but ask, “Officer long, if we can get the first place, why do we want to get the second place?”

“Ai, Qin Yu, you’re still young. This competition is not just about strength. Sometimes, we also have to consider the ways of the world.”

“After all, the Jingdu Military District is a team led by Ye Qing. They have been the champions for many years. If they lose, Will Ye Qing Be Happy?”

“Think about it carefully. This is also good for you. The wind will definitely destroy a tree that stands out in the forest.”

Hearing Officer Long’s words, Qin Yu sneered and said, “Officer long, I believe that ye Qing is not such a petty person. If that’s really the case, he won’t become the idol of all the soldiers.”

“Although that’s the case, the world is unpredictable. In short, just do as I say.” Officer long waved his hand.

Qin Yu was silent for a moment, then nodded and said, "Alright, I'll agree to it."

Commander long nodded approvingly and said with a smile, "Alright, go back and get ready. We'll leave Jingdu on time the morning of the day after Tomorrow!"

At the mention of Jingdu, Qin Yu couldn't help but feel a little excited.

He agreed and turned to leave the military district.

Standing at the entrance of the Military District, Qin Yu couldn't help but look to the north and whispered, "Jingdu, I'm here."

Chapter 315: Chapter 315 ye Qing came

Jingdu was a special place for Qin Yu.

And this was the first time he went to Jingdu.

After returning home, Qin Yu couldn't sleep the whole night. His feelings were somewhat complicated.

There was excitement, worry, and excitement.

But all of this ultimately turned into anticipation.

The next day.

After Qin Yu had prepared everything, he quietly waited for the arrival of tomorrow.

After learning that Qin Yu was going to Jingdu, Yao Qing volunteered, "I'm Going Too!"

Qin Yu originally didn't want to bring Yao Qing along, but he felt that this was a good opportunity to see the world, so he agreed.

The next morning, Qin Yu brought Yao Qing to the Chuzhou region early in the morning.

Eighteen team members had already been waiting on the training ground early in the morning.

Officer Long had personally led the team, which was enough to show the importance he attached to this matter.

After Qin Yu arrived, the team members shouted in unison, "Hello, Coach Qin!"

Qin Yu nodded slightly as a greeting.

"Qin Yu, are you ready?" Officer long asked.

Qin Yu smiled and said, "Yes, we can set off now."

"Okay!" Officer long waved his hand and shouted, "Let's Go!"

Everyone got into the car. Qin Yu and Xue Hu, as the head and assistant coaches, naturally had to stay with the team members.

Ever since Qin Yu took out the training plan, these team members had a lot of respect for Qin Yu. Their respect even surpassed that of Xue Hu.

On the way, Qin Yu chatted with many of the team members almost the entire way.

After arriving at the airport, everyone set off on the road to Jingdu.

...

Jingdu Military District, a huge training ground.

This was the location of the competition.

Many teams had already arrived here early.

Each team had eighteen members, and the competition method was very simple and crude. It was one team against one team.

At noon, Qin Yu and the others finally arrived at Jingdu Military District.

Qin Yu stood at the entrance of the military district, breathing in the air from Jingdu. He couldn't help but mutter in a low voice, "Is this Jingdu?"

"Qin Yu, as the head coach, you have to lead the team. Hurry up and go in," officer long reminded him.

Qin Yu nodded. Just as he was about to lead the team into the training ground, officer long suddenly said, "Qin Yu, don't forget what I reminded you of."

"I got it," Qin Yu replied.

Then, Qin Yu and Xue Hu led the team into the training ground.

Meanwhile, officer long stepped onto the viewing platform.

“Old Long, are you guys still last place this time?” As soon as they sat down, a middle-aged man next to them teased them with a smile.

This middle-aged man came from the Central Plains’ Military District. Over the years, the Chuzhou region was last place and the Central Plains region was second to last.

Therefore, whenever the two managers met, they would mock each other.

“Old Sun, I’m afraid you’ll be the last person this year,” officer long said faintly.

The man called Old Sun suddenly laughed and said, “You’ve said that at least five times, haven’t you?”

Officer long blushed and snorted, “This time, our Chuzhou region has produced a talent. With him as a coach, it’s no problem for him to be in the top three.”

“Hehe, what talent? How can there be a talent in Chuzhou? What’s his name? It Can’t be that Jianggu, right?” Old Sun said with a smile.

Officer Long was showing off. He said lightly, “His name is Qin Yu, and he is known as the king of Chuzhou!”

“What King of Chuzhou? I’ve never heard of him,” Old Sun said with a smile.

Then, he pointed to his team and said, “The head coach of our team this time is a genuine martial grandmaster! He is known as the genius

of the Central Plains! To tell you the truth, our goal is to break into the top five!”

“As for the last place, you should keep it for yourself,” Old Sun said with a smile.

Officer long snorted and didn’t say anything else.

There were still two hours before the official match.

During this time, many officers were sitting in the stands and exchanging greetings.

As the head coach, Qin Yu was naturally responsible for lecturing everyone.

“Qin Yu, do you see that team?” At this time, Hu Xue pointed to a team not far away.

Qin Yu nodded and said, “What’s Wrong?”

Xue Hu said, “They come from the Central Plains’ Military District and are our number one enemy. All these years, we have been fighting for the position of second from the bottom, but we have never won.”

“We have to fight for the position of second from the bottom? Even if we get it, it doesn’t seem glorious, right?” Qin Yu said somewhat helplessly.

Hu Xue rolled his eyes. “You don’t understand. No one in this world remembers the second from the bottom, but someone must remember the first from the bottom.”

“That’s true.”Qin Yu touched his nose and whispered.

“By the way, Will Ye Qing come today ?”Qin Yu suddenly thought of something.

Hu Xue nodded. “Usually, he will come to visit.”

Qin Yu suddenly had some expectations.

What kind of person was ye Qing, who was worshipped as a god ?

As they were talking, the head coach of the Central Plains’Military District suddenly walked toward Qin Yu.

He walked directly to Qin Yu and said with a faint smile, “You are the head coach of the Chuzhou Region ?”

Qin Yu nodded and said politely, “It’s rare that commander long thinks highly of me, so he asked me to lead the team.”

The Young Man Looked Qin Yu up and down and sneered, “Internal Force Grandmaster ? Is there no one else in the Chuzhou region ?”

Qin Yu said with a faint smile, “Our officer long said that I, a master of internal force, am enough to deal with characters like you.”

Hearing this, the young man couldn’t help but sneer, “Quite arrogant.”

“Not bad,”said Qin Yu.

The young man narrowed his eyes and said, “But I have bad news for you. This year’s competition has added another event.”

“In addition to the fights between the members, the head coach also has to participate in the competition.”

“Oh?” Qin Yu raised his eyebrows and smiled. “This is really beyond my expectations.”

The young man said lightly, “It seems that your officer long is not well-informed. The team is led by an inner strength master. This year, the Chuzhou region is the last place again.”

Qin Yu curled his lips and said, “Is this your first time leading a team?”

The young man nodded and said, “Yes, why?”

Qin Yu sighed and said, “Then your luck is quite bad. All these years, the military district of the Central Plains has always been ranked second to last. You have just led a team, and which one of you is ranked last?”

“I guess your commander won’t forgive you, right?” Qin Yu grinned and said.

The young man’s face suddenly turned cold.

“I hope you can be as calm and at ease later,” the young man said coldly.

After saying this, the young man turned around and left.

After he left, Xue Hu said, “This young man is a martial grandmaster. His name is Lu Chen. He just joined the Central Plains’ military

district two years ago. I heard that the Central Plains' military district places a lot of importance on him.”

Qin Yu didn't think much of it. He had long seen Lu Chen's strength. At most, he was a third grade martial grandmaster.

To the current Qin Yu, a mere third grade martial grandmaster wasn't even worth mentioning.

“Ye Qing is here!” At this moment, Xue Hu suddenly pointed at the grandstand in front of him and said.

Chapter 316: Chapter 316, victory in five minutes!

Following the direction Xue Hu pointed to, Qin Yu saw a tall and straight middle-aged man with burning eyes.

There was no expression on his face, but he was imposing without anger, making people not dare to look at him directly.

“He is ye Qing?” Qin Yu whispered.

Qin Yu tried to feel his strength, but found that ye Qing was like an ancient well that could not be seen through at all.

Ye Qing's arrival undoubtedly brought the atmosphere to a climax.

Many people stepped forward one after another and greeted ye Qing.

Ye Qing nodded one by one and then sat there quietly.

“Ye Qing is the ultimate goal of all warriors,”Xue Hu muttered in a low voice, looking at ye Qing with respect.

It had to be said that ye Qing’s temperament was indeed extraordinary, making people have an impulse to worship him.

With ye Qing’s arrival, this competition could be considered to have officially begun.

Dozens of cannons shot into the sky, followed by the speeches of the various officers.

During this period, ye Qing had been sitting there without saying a word.

“According to the research of the higher-ups, a temporary event has been added to this competition,”the host said.

“In addition to the 18 team members participating in the competition, this time’s head coach will also participate in the competition. The final result will be judged by the jury.”

Hearing this, there was an uproar!

The addition of this temporary event caught many people off guard.

Because there were many head coaches who were experienced in training, but they didn’t have strong strength.

Once they entered the competition, the outcome would be terrible.

“Old Long, I’m afraid your head coach is in trouble,”Old Sun said with a smile

Officer long snorted and said, “Qin Yu is a famous genius in our Chuzhou. I’m afraid his achievements will scare you to death.”

Hearing that, old sun immediately laughed and said, “Chuzhou is a fart-sized place. What kind of talent can there be? I’d like to hear what achievements he has. Let’s see if he can scare me to death.”

Officer Long said with a cold face, “Gu Taichu of the Jiangbei region was defeated by Qin Yu. Gu Taichu is a fifth grade martial grandmaster!”

Hearing this, Old Sun couldn’t help but shake his head and laugh.

“You should be more reliable in your bragging. An inner strength master defeated a fifth grade martial grandmaster? Do you think it’s possible? Even officer ye couldn’t do it back then, right?” Old Sun sneered.

Officer long snorted and didn’t say anything else.

He had heard rumors about Qin Yu’s battle results, so officer long didn’t have much confidence in himself.

“The competition is now officially starting. The first round, Chuzhou region, against the Central Plains region of the Military District!” The host shouted.

Deafening music immediately sounded in the stadium. Along with the sound of the music, the people from the Central Plains region of the military district slowly arrived at the center of the training ground.

Qin Yu swept his gaze across the crowd and shouted, “Listen up, our enemy is not the central plains region of the military district, but all of the Military District!”

“And we only have one goal, and that is to be number one! Even if we face the military district of Jingdu, you have to go all out and defeat them!”

Hearing this, Xue Hu hurriedly pulled Qin Yu’s arm and said in a low voice, “Qin Yu, didn’t commander long say that our goal is number two? We can not compete with the military district of Jingdu!”

Qin Yu glanced at Xue Hu and said, “Since I’m the one leading the team, then I’ll have the final say.”

“You just said that no one will remember number two.”

After saying this, Qin Yu waved his hand and said, “Everyone listen up. Only win, not lose!”

“Yes!”The eighteen members of the dragon and tiger team immediately raised their heads and shouted!

Amidst the waves of music, the dragon and tiger team arrived at the center of the training ground in unison.

As for Lu Chen, he walked to Qin Yu’s side.

“I really envy you guys,”Lu Chen said indifferently.

Qin Yu glanced at him and said, “What do you envy us for?”

Lu Chen smiled and said, "I envy you guys that you can go home soon, and I still have to stay here. Sigh."

"You want to go home so much? I'll send you home later," Qin Yu said indifferently.

Lu Chen snorted lightly. "With just you guys? I'm afraid you don't have the ability, do you?"

Qin Yu frowned slightly. He was slightly displeased with Lu Chen's words.

As he was speaking, the match began!

The battle began at that moment! Both sides began to fight on the training ground!

"Bang!"

The members of the Dragon and tiger team seemed to have been injected with stimulants. They were all brave and mighty, almost one punch at a time!

The situation could be said to be one-sided. The Central Plains' military district was utterly defeated!

In just a short five minutes, everyone in the Central Plains' military district fell to the ground and could not get up!

On the other hand, almost no one in the dragon and tiger team was injured!

Seeing this scene, Lu Chen's expression was extremely ugly!

“How is this possible!” Lu Chen stared fixedly at the stage.

Qin Yu smiled faintly and said, “It seems that our rotten garlic has won.”

Lu Chen gnashed his teeth and looked at Qin Yu. He said coldly, “You have some ability, but it’s useless. I’ll get all the shares back!”

“Really? I’ll wait and see,” Qin Yu said with a faint smile.

Lu Chen snorted coldly and turned to leave.

The eighteen people from the Central Plains’ military district walked off the stage dejectedly.

Lu Chen stood among them and cursed!

“Old Sun, I’ll give you the last place this time. Don’t stand on ceremony,” commander Long said with a smile.

Old Sun said with a cold face, “Don’t get too cocky. It’s not over yet.”

The other military district also started to discuss in low voices.

“The Chuzhou region this time seems to be different from before.”

“I heard that it’s a new head coach.”

“The battle ended in five minutes. Such efficiency is amazing.”

In the stands, Ye Qing still had his eyes closed, as if he didn’t care about the results of the Chuzhou region.

“The Chuzhou region won in all aspects. Next, the two head coaches will participate!”The host shouted from the stage!

“Let’s welcome the two head coaches!”

As soon as he finished speaking, Lu Chen jumped onto the training ground with a whoosh and beckoned Qin Yu with his finger.

Qin Yu, on the other hand, slowly walked over.

“I will win in five minutes and level the score,”Lu Chen said coldly.

Qin Yu smiled and said, “I will beat you down in three minutes and directly advance to the last round!”

“How long can you keep talking like that? !”Lu Chen roared, and the qi-jin of a second grade martial grandmaster instantly exploded!

“So you’re just a second grade martial grandmaster. It seems that I’ve overestimated you.”Qin Yu shook his head.

Compared to Lu Chen’s qi-jin, which was as easy as crushing a dead branch, Qin Yu looked extremely calm, no different from an ordinary person.

“It seems that you have given up. Very well, I will send you home as soon as possible!”Lu Chen roared, and the qi-jin all over his body exploded, shooting toward Qin Yu like an arrow leaving a bow!

His entire body was wrapped by a thick qi-jin, and it even formed a whirlwind around him!

On the other hand, Qin Yu only raised his fist and clenched it, and went up to meet him in a simple and unadorned manner.

Chapter 317: Chapter 317, heading to the Yan family

This punch looked simple and unadorned, and there was nothing special about it. It was purely the power of the physical body!

Lu Chen was instantly overjoyed. He roared angrily, “You don’t know what inner strength is!”

However, Qin Yu sneered and said, “It’s you who doesn’t know what physical strength is.”

As soon as he finished speaking, Qin Yu’s fist fiercely smashed onto Lu Chen’s body!

A shocking thing happened. With this punch, Lu Chen’s body flew out of the training ground like a kite with a short string, heading straight for the grandstand!

“Boom!”

In the end, Lu Chen’s body landed on the grandstand, smashing the grandstand into pieces!

And this position happened to land right next to ye Qing.

The crowd was in an uproar! No one dared to believe this scene!

An inner strength grandmaster smashed a martial grandmaster away with just his physical strength?

How the hell was this possible?

“Hahahaha, Old Sun, it seems that you are the last place this year, hahaha!” Officer Long sat on the stage and laughed so hard that he couldn’t close his mouth!

Old Sun’s face was livid. He stood up angrily and said through gritted teeth, “Trash, what a trash!”

Lu Chen had lasted less than a minute on the stage before he was sent flying.

If that was the case, the score of the Chuzhou region would probably be ridiculously high.

“What’s the background of this Qin Yu?”

“His strength is a little shocking.”

“TSK TSK, no one would have thought that the Chuzhou region would turn things around this year.”

Everyone looked at Qin Yu. Ye Qing, who had been surrounding his eyes, finally opened his eyes slowly.

He looked in Qin Yu’s direction. His deep eyes made it impossible to see through Qin Yu’s intentions.

Qin Yu didn’t Dodge. He went up to meet Qin Yu head-on.

Their eyes met, and the air seemed to freeze.

In the end, Qin Yu bowed slightly to ye Qing and walked down the stage.

“After the fight, let’s call it a day.”Qin Yu yawned.

Many members of the dragon and tiger team immediately surrounded him.

“Coach Qin, you are too fierce! How did you do that punch? !”

“What great power! Coach Qin, you are our idol!”

Facing the cheers of the crowd, a smile appeared on Qin Yu’s face.

Ever since he swallowed the inner core that Fang Yue had given him, a strange force had appeared on Qin Yu’s body.

This strange force was perfectly compatible with Qin Yu’s physical body, and it displayed unimaginable power!

“Qin Yu, well done! Come and sit here quickly!”On the stage, officer long gave Qin Yu a thumbs up.

Qin Yu slowly walked to Officer Long’s side and sat down.

“Qin Yu, you really live up to your reputation as the king of Chuzhou!”Officer long burst into laughter, his face beaming with joy.

“Officer long, I should be free from now on, right?”Asked Qin Yu.

Officer long smiled and said, “Just wait for the score. As long as our scores are high enough, we will directly advance to the finals.”

“In other words, we will directly get second place! Your task will be completed!”

Qin Yu nodded slightly and didn't say anything more.

On the stage, many judges began to grade.

All of them were waiting. They also wanted to know what kind of score would be given by such an exaggerated battle result.

“After the judges' unified rating, the score of the Chuzhou region is 100 points!” At this time, the host said.

“Because it broke the grandstand, one point was deducted! The final score is 99 points!”

As soon as these words were said, officer long immediately burst into laughter.

“Qin Yu, you really are the hero of our Chuzhou region!” Officer long kept patting Qin Yu's shoulder.

Qin Yu asked in puzzlement, “Officer long, how many points did we get last year?”

Officer long blushed and said, “Don't ask. Why do you ask so many questions?”

Someone beside him laughed and said, “Last year, it was 38 points. Old Long, are you still shy?”

“Screw You!” Officer long almost blushed.

Qin Yu stood up and said, “Officer long, I should be fine, right?”

Officer long nodded and said, “99 points is enough to directly enter the finals. There’s nothing else for me to do today. I’ll just wait for the finals to start tomorrow.”

“Okay, then I’ll take my leave first,” said Qin Yu.

“Where are you going?” Officer long hurriedly asked.

Qin Yu didn’t answer, but his face was brimming with an indescribable smile.

Walking out of the Jingdu Military District, Yao Qing was waiting at the door.

Seeing Qin Yu, he hurriedly walked up and asked, “How is it?”

Qin Yu waved his hand and said, “In short, we can leave first.”

“Leave first? Where to?” Yao Qing asked in puzzlement.

Qin Yu took a deep breath and suppressed the excitement in his heart. He said, “To the Yan family.”

The Yan family of Jingdu was located in a manor.

In Jingdu, where every inch of land was precious, the Yan family had an extremely large manor.

This place was heavily guarded. Even the security guards at the entrance were internal force grandmasters.

What was even more shocking was that the entire villa was made of bulletproof materials.

As one of the largest aristocratic families in jingdu, it was not difficult to find the address of the Yan family.

After Qin Yu obtained the address of the Yan family, he took a taxi and rushed to the Yan family.

Along the way, Qin Yu was extremely excited.

His heart was beating violently. The thought of seeing Yan Ruoxue soon made Qin Yu extremely excited.

After driving for more than an hour, they finally arrived at the entrance of the Yan family's manor.

“Alright, I'll send you here. You're not allowed to enter any further,”said the driver.

Qin Yu agreed and said, “Thank you, Master.”

After getting out of the car, Qin Yu looked up at the huge manor.

Rather than calling it a villa, it was more like a castle.

As far as the eye could see, there was no end to it.

“It's so grand...”Yao Qing gulped and said in a low voice.

Qin Yu took a deep breath and tried his best to remain calm as he walked towards the Yan family manor.

“Stop!”

Very quickly, the security guards at the door noticed Qin Yu’s figure.

The two of them quickly walked forward and blocked Qin Yu’s path.

“The Yan family’s manor. You are not allowed to enter without an invitation,”the security guard said coldly.

Qin Yu let out a breath and said somewhat excitedly, “Can you help me inform them? I want to see Miss Yan.”

“Miss Yan? Which Miss Yan?”The security guard asked with a cold face.

Qin Yu frowned slightly. It seemed that the Yan family had quite a few children.

But thinking about it, it made sense. A top aristocratic family like the Yan family had many branches.

“I want to see Miss Yan Ruoxue and Qin Yu.”.

“You want to see Miss Yan?”The bodyguard’s attitude quickly calmed down.

“Do you have an appointment?”The bodyguard continued to ask.

Qin Yu shook his head and said, “No, can you help me inform her? Tell her that my name is Qin Yu.”

“Qin Yu?” The bodyguard frowned. This name seemed rather unfamiliar to him.

Although he could not go near her without an appointment, the bodyguard was afraid that he would delay Miss’s official business.

Thus, the bodyguard said, “Wait here for a while.. I will inform him.”

Chapter 318: Chapter 318, the meeting with Yan Ruoxue

“Okay, thank you,” Qin Yu said politely.

The bodyguard didn’t say anything else. One of them turned around and walked into the Yan family manor.

Inside the manor, Yan Ruoxue was sitting in front of the window, flipping through a document in her hand.

Yan Ruoxue had always been very concerned about the operation of the company, and Old Mister Yan was even more interested in grooming her.

Just then, there was a knock on the door.

“Come in.” Yan Ruoxue didn’t even raise her head.

The door slowly opened, and then she saw the butler of the Yan family standing outside the door.

“Miss, there’s a person outside who calls himself Qin Yu looking for you.”The Butler bowed and said.

Hearing this name, Yan Ruoxue’s face was obviously a little absent-minded.

She hurriedly looked at the butler and said, “What’s Your Name?”

“Qin Yu,”the Butler continued.

Yan Ruoxue hurriedly threw down the document in her hand, turned her head, and ran downstairs.

She never thought that Qin Yu would run to Jingdu to look for her!

She also never thought that Qin Yu would have the courage to pay her a visit!

The Yan family’s manor was extremely large, and it required a car to drive from the villa to the door.

A red sports car sped through the manor.

Not long after, the sound of the car braking suddenly entered Qin Yu’s ears.

Qin Yu raised his head and looked closely in the direction of the entrance.

He was extremely excited, and his heart almost jumped out of his chest.

The door slowly opened, and then he saw a beautiful young girl appear at the entrance.

Her long black hair draped over her shoulders, her red almond-shaped face, and her graceful figure made Qin Yu's heart waver.

A pair of eyes that looked left and right soon discovered Qin Yu's figure.

Yan Ruoxue's face instantly brimmed with a smile. She walked quickly to Qin Yu, almost unable to believe that everything that happened before her eyes was real.

"You came so quickly?" Yan Ruoxue tiptoed and lightly patted Qin Yu's head.

Qin Yu calmed his emotions and suppressed his excitement. He smiled and said, "I can't wait any longer."

Yan Ruoxue smiled gently and said, "I've heard of your deeds. The King of Chuzhou is very powerful."

Qin Yu suddenly had mixed feelings. He did not expect that Yan Ruoxue had been paying attention to his every move.

"Ruoxue, I miss you so much." Qin Yu could not hide his excitement. In broad daylight, he plucked up his courage and pulled Yan Ruoxue into his arms.

This was the main gate of the Yan family's manor. Every move was monitored by the Yan family.

And it was under such circumstances that Qin Yu pulled Yan Ruoxue into his embrace.

Yan Ruoxue was a little absent-minded, but she soon smiled and conveniently placed her arm on Qin Yu's shoulder.

The bodyguards in the manor could not help but be dumbstruck.

There was even someone who said angrily, "This rascal actually dared to lay his hands on miss. What a bastard."

Qin Yu buried his face in Yan Ruoxue's long black hair.

Breathing in the fragrance from Yan Ruoxue's body, Qin Yu couldn't forget it for a long time.

After hugging for a long time, Qin Yu finally let go of Yan Ruoxue reluctantly.

"I really want to hold you like this forever," Qin Yu said with a face full of attachment.

Yan Ruoxue's face turned red and she pouted, "You're not serious!"

Speaking up to this point, yan ruoxue suddenly said, "You didn't come this time... just to see me, right?"

Qin Yu shook his head and said, "I followed the Chuzhou region to participate in the competition."

“Participate in the competition? It’s the annual Military District Competition?”Yan Ruoxue said with some surprise.

Qin Yu nodded hard and said, “I’ve always wanted to come to Jingdu to see you, but... I’m afraid of bringing trouble to you.”

“Silly, you should be worried about yourself,”Yan Ruoxue said with a smile.

Qin Yu took a deep breath and said, “As long as I can be with you, I’m not afraid of anything.”

“Ahem, that... If there’s nothing for me, then I’ll take my leave first,”Yao Qing muttered.

Unfortunately, the two of them were immersed in their own world, and no one paid any attention to Yao Qing.

Yao Qing was rejected and simply turned around to leave.

“Do you want to go to the Yan family to take a look?”At this moment, Yan Ruoxue suddenly asked.

Qin Yu was stunned and quickly asked, “Can I . . . ?”

“Sure, as long as you are not afraid,”Yan Ruoxue said with a smile.

Qin Yu took a deep breath and said, “Of course I am not afraid. That day will come sooner or later.”

Qin Yu also had some understanding of the situation of the Yan family.

The entire family seemed to be indestructible, but in fact, it was torn apart. It was just that old Mister Yan was forcefully supporting it.

Ever since he heard the news, Qin Yu had been extremely curious about the Yan family.

It was not because of anything else, but because he was worried about Yan Ruoxue's safety.

"Then come with me," Yan Ruoxue said as she held Qin Yu's hand.

"Okay!" Qin Yu nodded hard. He adjusted his state and followed Yan Ruoxue to the Yan family manor.

The two bodyguards looked a little unnatural. They looked at Qin Yu with hostility.

To them, Yan Ruoxue was an untouchable existence.

But now, there was a strange man who looked silly. He was holding Yan Ruoxue's hand openly. How could they accept it.

"Get in the car." Yan Ruoxue walked to the front of the car and said.

Qin Yu opened the car door and got in.

The car slowly drove toward the Yan family's villa.

"You seem to have grown a lot." Yan Ruoxue glanced at Qin Yu and smiled.

Qin Yu said seriously, "If you don't grow, how can you marry me?"

This sentence made Yan Ruoxue blush a little.

“Actually...”Yan Ruoxue opened her mouth as if she wanted to say something.

But in the end, she shook her head and smiled, “It’s nothing.”

The two of them drove in the huge manor.

At this moment, on the top floor of the villa, an old man was leaning on a walking stick, silently watching everything.

This old man was none other than the real manager of the Yan family, Yan Yunheng.

“Master, this person is Qin Yu,”the head butler bowed and said.

“Yes,”Yan Yunheng only responded calmly.

The head butler asked tentatively, “Should we let him leave?”

Yan Yunheng shook his head and said, “There’s no need.”

The head Butler was silent for a moment and said, “Master, you said that this Qin Yu might be your last trump card. Isn’t it inappropriate to expose it now...”

Yan Yunheng stroked his beard and sighed, “Yes, but not everything can be under your control. Sometimes, you should just let nature take its course.”

The conversation between the two seemed to be a little mysterious.

As the person in charge of the Yan family, Yan Yunheng naturally had an extremely strong mind and a foresight that was beyond ordinary people.

He had predicted the situation of the Yan family falling apart in the future, and even predicted the situation of Yan Ruoxue's branch after his death.

Therefore, Yan Yunheng regarded Qin Yu as his last guarantee.

It was not because of anything else, but because Qin Yu was that man's son.. This was worth old Mister Yan taking a gamble.

Chapter 319: Chapter 319, face to face with Yan Yunheng

The car drove very slowly on the road, but the process was not boring at all.

Finally, the car stopped at the entrance of the villa.

The two bodyguards at the entrance quickly moved forward and opened the car door for the two.

Qin Yu glanced at the two bodyguards, and could not help but be shocked.

The strength of these two bodyguards was probably on par with Yan Jiang!

“So this is a large clan.”Qin Yu frowned slightly.

He tried to release his spiritual sense to sense the experts of the Yan family manor.

Soon, Qin Yu sensed several tyrannical auras from the internal Qi.

These auras came from different directions, but they were enough to rush into the villa at the first possible moment.

Such safety measures made Qin Yu feel extremely pressured.

“Let’s go.”Yan Ruoxue Winked at Qin Yu.

Qin Yu stood at the door, looking a little nervous.

He suppressed his excitement and strode into the villa.

The first thing he saw was a large hall.

This hall was decorated with ancient clothes. At a glance, it was filled with wooden furniture.

Any piece of it would be worth a lot.

“There’s no one at home now. Everyone has gone out to work,”Yan Ruoxue said with a smile.

“Everyone should be back by tonight.”

Qin Yu nodded. Apart from his nervousness, Qin Yu also had some expectations in his heart.

Because he also wanted to know what kind of people the descendants of the Yan family were.

At this moment, an old man appeared on the second level.

He looked down at Qin Yu and Yan Ruoxue and said in a slightly cold voice, "Ruoxue, bring him up."

After saying this, Yan Yunheng turned his head and left.

Such a cold attitude couldn't help but make Qin Yu somewhat surprised.

Fortunately, he had guessed the attitude of the Yan family early on, so he wasn't too surprised.

"My grandfather is a very good person. Don't be afraid," Yan Ruoxue said, blinking.

Qin Yu smiled bitterly. "Good? That's good for you, but not necessarily for others..."

Qin Yu had secretly investigated Yan Yunheng. It was said that he had a nickname in Jingdu, Emperor Yan.

This nickname was enough to show everyone's respect and fear for him.

Following behind Yan Ruoxue, Qin Yu came all the way upstairs.

The second floor was decorated in a completely different style. Compared to the ice-cold first floor, it was much more gentle.

At this moment, Yan Yunheng was sitting on the sofa, staring at a game of chess.

Beside him, two servants served him tea and poured him water.

Qin Yu walked directly to Yan Yunheng, bowed and said, “Greetings, old Mister Yan.”

Yan Yunheng didn’t say anything. It seemed that all his attention was on that game of go.

Qin Yu mustered up his courage and sat across from Yan Yunheng. His eyes also landed on this game of go.

This move surprised Yan Yunheng, but he still didn’t say anything.

Seeing the two of them staring at the chess game, Yan Ruoxue also didn’t say anything.

The atmosphere was slightly heavy, as if even the air was about to freeze.

At this moment, Qin Yu took the lead to raise his hand and break the deadlock.

He picked up a chess piece and placed it down.

This move not only surprised Yan Yunheng, but even Yan Ruoxue was slightly surprised.

Was the Qin Yu in front of him still the timid Qin Yu from half a year ago?

The servants at the side felt waves of fear!

At this moment, Yan Yunheng finally raised his head to look at Qin Yu.

Although his expression was cold, he was somewhat gratified in his heart:

This kid really had extraordinary courage!

Yan Yunheng slowly raised his hand. He also picked up a chess piece and placed it down.

Qin Yu rubbed his chin and stared at this game for a long time before he raised his chess piece again and placed it down.

No one would have thought that the first time the two of them met was in the form of a game of chess!

This game of chess lasted for an entire hour.

Yan Yunheng became more and more engrossed in it. He seemed to be completely immersed in it.

Yan Yunheng's chess piece almost forced Qin Yu to have nowhere to place his chess piece.

The gap between the two of them in the game was like the difference between heaven and earth.

In the end, Yan Yunheng decided the winner with one move.

"Hahaha!" Yan Yunheng couldn't help but stroke his beard and burst into laughter.

Qin Yu sighed, "Old Mister Yan, your chess skills are really impeccable."

Unknowingly, the distance between the two of them seemed to be much closer.

In such a situation, even Yan Ruoxue silently praised.

However, at this moment, Yan Yunheng's expression once again returned to ice-cold.

Almost no expression could be seen on his face.

His expression that was awe-inspiring without anger made people feel extremely pressured!

The temperament of a superior was clearly displayed at this moment.

It would be a lie to say that he was not nervous, but Qin Yu did not have the slightest intention of retreating.

He raised his head and faced old Mister Yan. His gaze was neither servile nor overbearing, neither happy nor sad.

Old Mister Yan looked coldly at Qin Yu and stroked his beard. "What right do you have to marry my granddaughter?"

Qin Yu said courteously, "Because I like her, and she likes me."

Old Mister Yan snorted coldly. "Like? How much is like worth? Do you know how many people in Jingdu are pursuing my granddaughter?"

"Regardless of family background or background, which one of them is not stronger than you?"

Qin Yu said with a calm expression, “You are right. I have no family background or background. Compared to the Yan family, I indeed have no advantage.”

“However, that is only limited to the present. It is hard to say what will happen in the future.”

Old Mister Yan snorted coldly, “Future? Even if an aristocratic family is declining, it will take several generations! The rise of an aristocratic family will also take several generations!”

“You have nothing, what do you have to say about the future?”

Old Mister Yan’s words were reasonable and reasonable, indeed making people unable to find fault with him.

However, Qin Yu did not show any signs of panic. Sometimes, when facing a superior, sincerity was perhaps the rarest quality.

Qin Yu looked at Yan Ruoxue, his eyes were filled with unspeakable love.

“If Yan Ruoxue had not appeared, perhaps I would have spent my life in mediocrity.”

“I would have worked and had children until I grew old and did nothing. My life would have been dark.”

“But Miss Yan’s appearance made me realize that there is really light in this world. She is my light.”

Qin Yu paused and looked at Yan Yunheng seriously, he said, “Old Mister Yan, I am worthless to you now. But no matter how you

obstruct me, I will pursue Miss Yan unswervingly, whether you agree or not.”

As soon as he said this, Old Mister Yan immediately slammed the table and stood up!

He said coldly, “Are you declaring war on me? Qin Yu, don’t use your insignificant achievements as your capital!”

“Let me tell you, from the moment you stepped into the Yan family, I can make you lose your future forever!”

As soon as he finished speaking, Qin Yu felt several powerful auras approaching Qin Yu from the internal Qi.

The killing intent on Yan Yunheng’s body was extremely clear!

Qin Yu frowned tightly. He mobilized the internal Qi in his body. It was best for him to use shrinking earth into an inch and flee for his life at any time.

“Old Mister Yan, I’m sorry. I Can’t die before I marry Miss Yan.”Qin Yu stood up and was prepared to flee for his life.

“Do you think you can escape?”Yan Yunheng said coldly.

The internal Qi from all directions almost made Qin Yu unable to move! Even if it was shrinking the ground into an inch, there was no possibility of it being used!

This made Qin Yu somewhat anxious. If he didn’t shrink the ground into an inch, he might really die here today!

“Alright Grandpa, don’t scare him!” At this moment, Yan Ruoxue said coquettishly.

Chapter 320: Chapter 320, Yan Sihai

Yan Ruoxue’s words stunned Qin Yu.

Yan Yunheng said embarrassedly, “Ruoxue, I haven’t finished acting yet...”

“Why are you acting? If you don’t stop, I’ll get angry.” Yan Ruoxue frowned and pretended to be angry.

Yan Yunheng didn’t know whether to laugh or cry. He waved his hand and the internal Qi around him disappeared instantly.

Qin Yu’s body instantly returned to normal.

“This... This Is?” Qin Yu was confused for a moment.

Yan Yunheng said with a bitter smile, “If I Don’t Stop, my granddaughter will probably pull my beard off.”

Qin Yu scratched his head, looking extremely puzzled.

What on Earth was going on? Why did old Mister Yan seem like a different person in the blink of an eye?

“My Grandfather wanted to test you,” Yan Ruoxue said with a smile.

Yan Yunheng said with a faint smile, “Your performance was not bad. You did not disappoint me.”

Qin Yu could not help but laugh. He scratched his head and said, "To be honest, I was a little scared just now..."

"Your performance was already very good." Yan Ruoxue gently patted Qin Yu's head.

"Alright, if there's nothing else, come and play a game of chess with me," Yan Yunheng said with a smile.

At this moment, Yan Yunheng seemed to have changed from a big shot who looked down on the world to a genial old man.

"Ah, okay." Qin Yu hurriedly nodded and agreed.

"You guys play chess first. I'll go to the kitchen to help cook," Yan Ruoxue said.

Qin Yu couldn't help but say in surprise, "You... still want to Cook?"

"TSK tsk, ever since she came back from Jiangcheng, she has painstakingly studied cooking," Yan Yunheng said with a smile.

Yan ruoxue said shyly, "Don't talk nonsense!"

After saying this, Yan Ruoxue quickly ran away.

Qin Yu immediately set up the Go board and played go with old Mister Yan.

It was said that go depended on life. It had to be said that old Mister Yan's view of the big picture was beyond imagination.

In almost every game of go, Qin Yu lost terribly. He did not know how to make a move many times.

After three games, Qin Yu didn't win a single game.

“Hahahaha!” Old Mister Yan couldn't help but laugh out loud.

He said somewhat proudly, “Qin Yu, your go skills aren't good. You're completely no match for me.”

Seeing old Mister Yan's comical expression, Qin Yu didn't know whether to laugh or cry.

He even began to doubt whether the legends of old Mister Yan in Jingdu were true.

“Cough Cough!”

At this moment, old Mister Yan suddenly began to cough violently.

Along with a few coughs, a few more traces of blood could not help but appear on old Mister Yan's palm.

Qin Yu's expression immediately changed. He hurriedly asked, “Old Mister Yan, Are You Alright?”

Old Mister Yan waved his hand and said, “What could be wrong with me? I'm old, it's normal for me to have some minor illnesses.”

Minor illnesses?

Qin Yu was not so optimistic. He could not help but recall what Han Wei had said.

Then, Qin Yu activated his medical skills and looked at Old Mister Yan.

Sure enough, there was a faint black qi between old Mister Yan's eyebrows.

Although this black qi was not obvious, it was indeed the aura of death.

“Old Mister Yan, didn't you... go to the hospital to have a look?” Qin Yu's voice carried some worry.

Old Mister Yan waved his hand and said, “I said, I'm fine.”

The more old Mister Yan did not care, the more anxious Qin Yu became.

He hesitated for a moment, then stood up and said, “Old Mister Yan, I have something I don't know if I should say.”

Old Mister Yan waved his hand, indicating that he did not care.

Qin Yu said in a deep voice, “Old Mister Yan, you'd better go to the hospital to have a check. Han Wei once told me that he said...”

“What did he say?” Old Mister Yan said with a smile.

Qin Yu didn't know how to speak for a moment. He stood there at a loss.

“He said that I have less than a year to live, right?” Old Mister Yan said with a faint smile.

Qin Yu was stunned and said with a wry smile, “You Know About It?”

Old Mister Yan put down the chess piece in his hand and said slowly, “Even he knows about it. How can I not know about my physical condition?”

“Then... then haven’t you thought of any ideas? For example, the Divine Alchemist Pavilion, for example...”

Old Mister Yan waved his hand and interrupted Qin Yu’s words.

He said with a slightly heroic tone, “There are some things that you can not control, such as life and death.”

Qin Yu’s expression was a little ugly, and he was even more puzzled deep down in his heart.

Why didn’t old Mister Yan go to the Divine Alchemist pavilion that claimed to be able to treat any illness?

Or perhaps, he could also try to treat old Mister Yan’s illness.

“There’s no need to say anymore. Let’s end this topic,” said old Mister Yan.

Qin Yu was still unwilling. He probed, “Old Mister Yan, does Ruoxue know about this matter?”

Old Mister Yan immediately shook his head and sighed, “It’s better not to let her know about this matter for the time being.”

Hearing this, Qin Yu could not help but feel a little heartache.

Old Mister Yan really doted on Yan Ruoxue.

Qin Yu did not dare to imagine how much pain Yan Ruoxue would feel if she knew about this matter.

“Old Master, it’s time to go down and eat.” At this moment, a servant came up and said.

Old Mister Yan laughed and said, “Qin Yu, let’s go. Come and have a drink with me tonight.”

Qin Yu nodded with a heart full of worries. He followed behind Old Mister Yan and headed downstairs.

It was only five o’clock in the afternoon, and the Yan family’s brothers had yet to return.

The table was already filled with a dazzling array of dishes. The degree of extravagance was beyond imagination.

Not long after, Yan Ruoxue came up with a dish.

This dish was obviously meticulously researched and made. Although it was just a simple ingredient, it was placed extremely delicately.

Yan ruoxue placed the dish in front of Qin Yu and said with some anticipation, “Quick, try it. I made it myself!”

“This is made for you alone,” old Mister Yan teased from the side.

“Grandpa!” Yan Ruoxue was instantly a little angry.

Old Mister Yan smiled bitterly and said, "Alright, Alright, Alright. I Won't say anymore."

Qin Yu picked up the chopsticks and took a bite before putting it into his mouth.

"How is it?" Yan Ruoxue asked expectantly.

Qin Yu praised, "Delicious, Super Delicious!"

"Really?!" Yan Ruoxue was so excited that she almost jumped up!

"Really!" Qin Yu picked up his chopsticks and stuffed them into his mouth crazily like a pig eating.

This made Yan Ruoxue feel quite satisfied. She whispered, "I'll cook something else for you in the future."

In this warm scene, a middle-aged man suddenly walked in from outside.

Upon seeing this middle-aged man, Yan Ruoxue stood up and called him Uncle.

Upon hearing this address, Qin Yu hurriedly raised his head and looked at this man.

He had a strong figure, a cold expression, and a ruthless temperament.

"He's Yan Sihai?" Qin Yu thought to himself.

Yan Jiang had said that besides old Mister Yan, Yan Sihai was the person with the most power in the Yan family.

Chapter 321: Chapter 321, the four brothers of the Yan family

Most importantly, Yan Sihai was on good terms with the Han family.

This was definitely not good news for Qin Yu.

The Moment Qin Yu looked at Yan Sihai, Yan Sihai also looked at Qin Yu.

“Who is this person?” Yan Sihai pointed at Qin Yu and asked.

Old Mister Yan waved his hand and said, “He is Qin Yu.”

“Qin Yu?” When Yan Sihai heard this name, the corners of his mouth curled up into an imperceptible sneer.

“Alright, quickly sit down and eat,” old Mister Yan said expressionlessly.

“Yes.” Yan Sihai slightly bowed to old Mister Yan. Then, the servant changed his clothes and sat at the side of old Mister Yan.

During this period of time, Yan Sihai and Qin Yu did not say a word. He did not even look at Qin Yu.

But for some reason, when facing Yan Sihai, Qin Yu always felt a little uneasy.

No matter how ordinary Yan Sihai acted, Qin Yu could still feel the hostility from him.

Not long after, the remaining members of the Yan family also returned to the Yan family.

The Yan family had a total of four children, with Yan Sihai as the leader. Under him were Yan Ruoxue's father, Yan Yongxiu, Yan Shanhe, and Yan Tianhong.

Yan Yongxiu seemed to be somewhat surprised by Qin Yu's arrival.

"Qin Yu, why are you here?" Yan Yongxiu asked in surprise.

Qin Yu stood up and said, "Uncle Yan, I just happened to come to Jingdu to do some business, so I came by to see Ruoxue."

"Ruoxue? TSK TSK, what a close call," Yan Shanhe said with a smile that was not a smile.

Yan Tianhong also glanced at Qin Yu and said, "Now, anyone can enter our Yan family? Why? Do Crows also want to fly up to the branches and become Phoenixes?"

Faced with the ridicule of the crowd, Qin Yu didn't know how to answer.

After all, they were Yan Ruoxue's elders, so it was impossible for Qin Yu to rebuke them.

"Ruoxue, this is the first time you brought a man home, right?" Yan Shanhe asked.

Yan Ruoxue did not avoid him. She nodded and said, “The first and only one.”

As soon as these words were said, the people at the table immediately became somewhat displeased.

“HMPH, there are so many young masters in Jingdu, yet you don’t want them. Instead, you want to find a country bumpkin who crawled out of a ravine!” Yan Shanhe berated.

“Do you want to make our Yan family lose face?”

Yan Ruoxue was neither shocked nor angry. She calmly said, “I don’t think Qin Yu will make the Yan family lose face. Moreover... I think he is many times stronger than those so-called young masters of the noble families in Jingdu.”

“Hehe, the gate of My Yan family is not so easy to enter!” Yan Shanhe said coldly.

“All of You Shut Up!” At this time, old Mister Yan suddenly shouted loudly.

“Whoever doesn’t want to eat, put down your chopsticks and SCRAM!”

Old Mister Yan’s words were still very dignified. As soon as these words were said, the table immediately fell silent.

No one said another word.

Qin Yu could not help but secretly probe in his heart. The situation of the Yan family was probably more complicated than he had imagined.

Just a few sentences could tell that Yan Yunheng's status in the Yan family was not high, far inferior to Yan Sihai.

And the other two brothers of the Yan family seemed to be willing to stand on Yan Sihai's side.

"It seems that Yan Jiang is right," Qin Yu thought to himself.

"I'm full." Not long after, Yan Sihai put down his bowl and chopsticks.

He tidied his clothes, got up, and left.

"Sigh, I'm full too. I really can't eat." After Yan Sihai got up, Yan Shanhe followed closely behind.

"Tianhong, are you still eating?" Subsequently, Yan Shanhe asked, whether intentionally or not.

Yan Tianhong shook his head and said, "I still have some things to deal with, so I won't eat."

"If you don't want to eat, we'll eat." Old Mister Yan snorted coldly.

Other than Yan Yongxiu, a few brothers of the Yan family got up and left the place, walking straight out of the house.

At this moment, Qin Yu realized that these brothers didn't live here, but had their own residences.

However, they had to come to the Yan family manor to eat every day. This was the rule set by old Mister Yan.

After the few of them left, old Mister Yan smiled and said, “Don’t bother about them. Qin Yu, you eat what you want.”

Qin Yu nodded and said, “Thank you, Old Mister Yan.”

Even though that was the case, Qin Yu still felt some pressure from the bottom of his heart.

The attitude of the Yan family towards him made Qin Yu know how difficult it was to marry Yan Ruoxue.

Seeing that Qin Yu’s expression did not look good, yan ruoxue whispered, “Don’t bother about them. Anyway, I’m the one who married you, not them.”

With Yan Ruoxue’s words, Qin Yu’s expression eased up a lot.

He looked at Yan ruoxue and said softly, “I won’t let you sacrifice your family for me.”

Qin Yu believed that the Yan family would accept him one day.

After dinner, old Mister Yan waved his hand and said, “Qin Yu, let’s go. Play two more games with me.”

“Okay!” Qin Yu stood up and followed Old Mister Yan to the second floor.

The two of them descended from the sky until it was getting dark.

Qin Yu looked out of the window, got up and said, “Old Mister Yan, it’s getting late. I should go back.”

Old Mister Yan smiled and said, “Do you want to stay here for a night?”

Qin Yu hurriedly waved his hand and said, “No, we’ll talk about it in the future.”

“Alright.” Old Mister Yan did not urge him to stay.

“Ruoxue, send Qin Yu Off,” old Mister Yan said.

Qin Yu and Yan Ruoxue walked out of the Yan family’s villa.

Walking along the quiet path in the Yan family’s Manor, Qin Yu was full of worries.

“What are you thinking about?” Yan ruoxue blinked her eyes and said.

Qin Yu smiled and shook his head, “Nothing.”

“Don’t think too much. Just be yourself.” Yan Ruoxue Tiptoed and patted Qin Yu’s head.

Soon, the two of them arrived at the entrance of the Yan family manor.

Yan Ruoxue stopped in her tracks. She pulled on the corner of her clothes and said softly, “I’ll send you here.”

Qin Yu turned to look at Yan ruoxue and said reluctantly, "I really want to be with you all the time."

"Me too." Yan Ruoxue's eyes sparkled.

Under the night sky, the two of them expressed their innocence that did not belong to their age.

Time seemed to have stopped for the two of them at this moment.

After an unknown amount of time, Qin Yu finally let go of Yan Ruoxue's hand.

"I'll wait for you," Yan Ruoxue said softly as their eyes met.

"Thank you for believing in me," Qin Yu said sincerely.

No matter what difficulties he encountered, as long as he faced Yan Ruoxue, Qin Yu felt that all the difficulties were not worth mentioning.

At this time, the sky was already dark. Qin Yu did not stay any longer and turned around to leave.

After traveling for several hundred meters, Qin Yu finally arrived at the main road outside the manor.

At this time, Qin Yu noticed that there was a land rover parked not far away.

Even though this car looked ordinary, Qin Yu still felt an indescribable sense of oppression.

As expected.

Just as Qin Yu walked to the front of the car, the lights of the car lit up.

Then, he saw two men get out of the car and Block Qin Yu's path.

Chapter 322: Chapter 322, Yan Sihai's intentions

The car window slowly rolled down. Then, he saw a man with a strong and imposing figure beckoning at Qin Yu.

This man was none other than Yan Sihai.

He held a cigar in his hand and said indifferently, "Come up and have a chat."

Qin Yu was not surprised. He guessed that Yan Sihai would definitely look for him.

Therefore, Qin Yu did not say anything. He turned around and got into the car.

After he got in, the car sped off into the distance.

Qin Yu said politely, "Mr. Yan, why are you looking for me?"

Yan Sihai blew out a smoke ring. He looked at Qin Yu coldly and said, "You are quite bold. You even dare to think about the people of My Yan Family?"

Qin Yu guessed what he was going to say, so he replied with a smile, “Mr. Yan, it is my right to pursue Yan Ruoxue.”

“Right? Are you even qualified to be a bottom-level person?” Yan Sihai said in a cold voice.

Qin Yu said in a neither servile nor overbearing manner, “I think people should not be divided into high and low ranks. I believe that Miss Yan thinks so too.”

“People are divided into high and low ranks, whether you admit it or not.” Yan Sihai took a puff of his cigar and said indifferently.

Qin Yu was silent.

In this world, people were indeed divided into different levels.

Those without money would always subconsciously kneel down in front of those with money.

Those with money would also do the same when facing those with power.

And these so-called higher-ups seemed to think that this was natural.

“The essence of society is exploitation,” Yan Sihai said faintly.

Qin Yu said in a deep voice, “I don’t think so. Even if it’s true as you said, everything is changing.”

“I’m not here to reason with you,” Yan Sihai said faintly.

“Because you and I are not on the same level, I don’t need to reason with you.”

Saying this, Yan Sihai waved his hand, and the person beside him immediately handed over a document.

Yan Sihai threw the document to Qin Yu and said, “I can give you a sum of money and an identity. Open it and take a look.”

Qin Yu did not take the document. Instead, he asked back, “Mr. Yan, what are your requirements?”

“Leave Yan Ruoxue and never enter my Yan family again!” Yan Sihai said coldly.

Hearing this, Qin Yu immediately pushed the document back.

“Sorry, I refuse.” Qin Yu shook his head and said.

Yan Sihai was not in a hurry. He smiled faintly and said, “Don’t you want to know what’s inside?”

“No matter what it is, I’m not interested,” Qin Yu said calmly.

Yan Sihai sneered and said, “The things inside are enough for you to dominate an area! You can live a carefree life! Are you really not tempted?”

“Nothing is more important than Yan Ruoxue,” said Qin Yu.

Yan Sihai’s face instantly turned cold.

He narrowed his eyes and said, "Do you know that if a person is not greedy, it is easy to get himself killed?"

"I will ask you one last time. Are you sure you don't want it?" Yan Sihai's voice became colder and colder.

"No," Qin Yu answered straightforwardly.

Yan Sihai didn't say anything more. He nodded and said, "Okay, let's Drive."

The car arrived at a desolate mountain range.

In this desolate mountain range, there were already two people waiting for them again.

The car slowly came to a stop. Yan Sihai glanced at Qin Yu and said, "It's not too late for you to regret now."

"I have nothing to regret." Qin Yu's determined tone made Yan Sihai very unhappy.

To him, he did not like the resistance of the people at the bottom, and he also did not like people with low statuses to challenge him.

Because in Yan Sihai's eyes, this was a great disrespect.

"Qin Yu, you and Yan Ruoxue are not compatible at all. Why must you insist?" Yan Sihai said with a cold smile.

"Then who do you think is compatible? Han Wei of the Han family? Because the Han family can help you secure the position of the Patriarch of the Yan family, right?" Qin Yu said with a cold smile.

These words thoroughly infuriated Yan Sihai!

He said coldly, "You can scam now."

As soon as he finished speaking, the two people outside the wilderness walked over.

They opened the car door, bowed, and said, "Mr. Yan."

Yan Sihai didn't even look at them and said indifferently, "Remember, leave him alive."

"Please rest assured, Mr. Yan," the two people said respectfully.

Qin Yu did not say anything and directly got out of the car.

After Qin Yu got out of the car, Yan Sihai left.

The surroundings were cold, the Moon was dark, and the wind was high. It was a good place to kill people.

The two of them looked at Qin Yu and said coldly, "Don't worry, we will make you feel less pain."

After saying that, the two of them reached out their hands toward Qin Yu!

Four palms were moving at an extremely fast speed towards Qin Yu's Dantian!

"Clang!"

The palms fiercely grabbed onto the position of Qin Yu's Dantian!

However, the scene of flesh being torn apart didn't appear in their imagination! Instead, it shook their fingers until they were in pain!

“It seems that Yan Sihai doesn't know me very well.”Qin Yu lowered his head to look at the two killers and said expressionlessly.

The two of them secretly felt that something was wrong and hurriedly moved away!

Qin Yu looked at the two of them coldly and said, “Two third grade martial grandmasters. Aren't they here to court death?”

The Yan family controlled an unknown number of top martial grandmasters, and they could even invite existences that surpassed martial grandmasters!

But the assassins sent by Yan Sihai were actually two good-for-nothings!

It really made people laugh until their teeth fell out!

“Today is probably the last time you guys will work for Yan Sihai.”Qin Yu did not have the slightest bit of pity in his heart.

He took a step forward, and a golden light instantly lit up the sky!

“Pu Pu!”

Two crisp sounds rang out, and Qin Yu's fists pierced through their chests!

With the support of the strange force, the strength of Qin Yu's physical body had become many times stronger!

Two martial grandmasters were simply not enough!

After killing these two people, Qin Yu extended his palm, and the spiritual fire immediately landed on their bodies.

In a short few minutes, the two corpses disappeared.

Qin Yu was not in a hurry to leave.

He stood alone in the wilderness, and there was no joy or sadness on his face.

“Yan family...”Qin Yu muttered in a low voice.

His enemy was not just Han Wei, but perhaps all the top-tier aristocratic families.

The division of class had long since made these top-tier aristocratic families into the same camp.

They could fight among themselves, but they would never allow anything that crossed class to happen.

Qin Yu turned around and left.. Lightning flashed and thunder rumbled in the sky at this moment, as if it was a sign of something.

Chapter 323: Chapter 323. A loss is a loss

Qin Yu turned around and went back to the hotel.

Although the Chuzhou region had arranged a place to stay, Qin Yu, who was used to being alone, still found a hotel with Yao Qing.

“Mr. Qin, how is the Yan Family? Are you engaged to Miss Yan?” As soon as he entered the room, Yao Qing asked with a smile.

Qin Yu rolled his eyes at Yao Qing and said, “What are you asking for? Go to sleep quickly.”

“TSK, why didn’t you tell me? I saw that Miss Yan treated you so well. The two of you must have secretly engaged,” Yao Qing muttered.

Qin Yu ignored him. He sat cross-legged on the bed and couldn’t help but fall into deep thought.

Judging from the dead aura between old Mister Yan’s brows, he probably couldn’t even hold on for half a year.

When that time came, what would Yan Ruoxue do.

Such a tight schedule made Qin Yu feel immense pressure. He didn’t even have the mood to sleep.

That night, Qin Yu didn’t sleep. Instead, he chose to take out the herbs and refine a pill.

A few herbs were enough for Qin Yu to refine a few vitality enhancing pills.

For the entire night, Qin Yu successfully refined three vitality enhancing pills.

But he wasn’t in a hurry to consume them because there was still a tough battle today.

At eight o'clock in the morning, Qin Yu arrived at the military district of Jingdu on time.

Officer Long and the others had already been waiting in the stands early, while Xue Hu was on the training ground, reprimanding his team members.

Qin Yu walked straight to Officer Long's side and sat down, then asked, "Officer Long, how's the situation?"

Upon seeing Qin Yu, Officer Long's face was filled with indescribable excitement.

He patted Qin Yu's shoulder forcefully and said, "Qin Yu, you've made a great contribution this time! Our score is the same as that of the Jingdu Military District, 99 points! Second place is already assured!"

"Tell me, what reward do you want? I'll apply for it for you! Money? Or a position?" Officer Long asked.

Qin Yu thought for a moment and said, "If you really want a reward, can you give me herbs? The best ones are those that are more than a thousand years old."

Hearing this, Officer Long's face immediately fell.

He touched his chin and said, "There aren't many herbs in the military district, but I can help you ask around."

Qin Yu nodded and said, "Officer Long, you have a lot of connections. It's enough that you can help me ask around."

“Okay, no problem!” Officer Long nodded and said.

“By the way, today is the day of the fight with the Jingdu Military District. Whether we can win or not, we have to give officer Long a face, understand?” Officer Long reminded.

“Okay,” Qin Yu agreed.

Then, Qin Yu walked towards the training ground.

The moment the members of the Dragon and tiger team saw Qin Yu, they immediately shouted, “Greetings, instructor Qin!”

Qin Yu waved his hand. He swept his gaze across the crowd and said, “I only have one request for the dragon and tiger team, and that is to only win and not lose!”

“No matter who the other party is or what their background is, we have to do our best to defeat them, understand!”

“Yes!” The members of the Dragon Tiger team immediately roared!

Qin Yu nodded in satisfaction. At this time, Xue Hu pulled Qin Yu aside.

“Qin Yu, commander Long should have told you that you can only lose today, not win,” Xue Hu said with a frown.

Qin Yu glanced at Xue Hu and said, “My memory is not very good, so I forgot about this matter.”

“Qin Yu, Officer Long...”

“Alright, I will bear the consequences alone.”Qin Yu interrupted Xue Hu and patted his shoulder.

Xue Hu saw this and didn't say anything more.

Of course, he wasn't too worried.

Because the person leading the team in the military district of Jingdu was ye Qing's disciple.

It was said that ye Qing had personally trained twenty-four disciples, and now they were all serving in the Military District.

The disciple leading the team this time was ye Qing's latest beloved disciple.

A disciple personally trained by ye Qing was definitely not weak.

In Xue Hu's opinion, Qin Yu might not necessarily win.

Time passed by minute by minute, and soon, ye Qing personally arrived at the scene.

As usual, he sat in his seat from yesterday, his eyes slightly closed.

With ye Qing's arrival, the final match began.

The host stood on the stage and shouted, “This is the final round of this year's final match! From the Chuzhou region to the Jingdu region! Please welcome the members of both sides!”

After the shout, the two sides came to the center of the training ground amidst the loud music.

Qin Yu stood up and stared at the members of both sides.

The difference in strength between the members of both teams was not big. It could even be said that the members of the Dragon Lake team were a few points stronger.

“The final match has officially begun!”The host shouted.

After a loud shout, both sides began to engage in close combat!

“Dang dang dang”the sound of clashing metal could be heard continuously!

Both teams possessed extremely strong combat strength. The exciting fight instantly attracted countless gazes!

Even ye Qing opened his eyes and looked at this scene!

“Bang!”

With a loud bang, someone was knocked off the training ground!

For a moment, the two sides were in a deadlock! They were evenly matched!

This couldn't help but cause people to be greatly shocked! One had to know that in the past, the Jingdu Military District had always been a unique existence!

In the face of an opponent, the Jingdu military district would usually crush them!

“What has the Chuzhou region experienced?”

“F * ck, the Chuzhou region is no weaker than the Jingdu Military District this year!”

“It’s unbelievable, the Jingdu Military District used the training plan left behind by Officer Ye!”

Everyone stared at this scene, afraid of missing out on any detail!

Every time a member fell, there would be waves of cheers!

In half an hour, thirteen members had fallen in the Jingdu Military District, while only eight had fallen in the Chuzhou region!

Officer long watched anxiously. He clenched his fists and said somewhat angrily, “This Qin Yu actually dares to disobey my orders!”

The number of members on the field became fewer and fewer, finally forming a three-on-one situation!

The Chuzhou region, which already had a slight advantage, was now in a situation where victory was certain.

“PFFT!”

However, at this moment, an accident happened!

The remaining three members of the dragon and tiger team were directly hit by a punch and fell to the ground, unable to get up!

Three against one, they actually lost!

The Jingdu Military District won against the Chuzhou region with an extremely weak advantage!

Officer Long put his hands behind his back and said indifferently, "Fortunately, I was already prepared."

He knew that Qin Yu might not necessarily listen to his orders, so he warned his team members in advance.

These team members didn't want to go against Qin Yu's intentions, but they also didn't dare to go against Commander Long's orders.

So, they chose to not lose so unsightly.

But how could all of this escape Qin Yu's eyes?

He couldn't help but frown slightly, slightly displeased.

"I now announce that the Jingdu Military District has obtained victory, and the next battle will be between the two team leaders!" The host shouted.

On the stage, Ye Qing frowned slightly.

Beside him stood a young man.

This young man was Ye Qing's newest disciple and also the captain of the Jingdu Military District's participating team. His name was Pang Ding.

Pang Ding slightly bowed to Ye Qing and said, "Officer Ye, we won."

Ye Qing glanced at Pang Ding and coldly said, “They went easy on us.”

Pang Ding was stunned and said indignantly, “How is this possible! Officer Ye, how could they be so kind as to go easy on us on Purpose?”

Ye Qing stared at the stage and said coldly, “They are no match for us in a one-on-one fight, let alone a three-on-one fight.”

“That... that’s because they are not strong enough. It’s because our tactics are good!”Pang Ding said indignantly.

Ye Qing’s cold gaze immediately landed on Pang Ding.

He said coldly, “A loss is a loss. You are inferior to Qin Yu. You are inferior to Qin Yu!”

Although Pang Ding was unconvinced, he did not dare to talk back. He could only bow and say, “I understand, Officer Ye.”

Ye Qing glanced at Pang Ding and said, “In the second half, return the favor.”

Chapter 324: Chapter 324, the Battle of strength

Returning the favor meant that Pang Ding was deliberately giving way to Qin Yu.

Although Pang Ding agreed verbally, he was unusually unconvinced.

As Ye Qing's disciple, how could he lose to a country bumpkin?

"Officer Ye, I understand," Pang Ding said with a bow.

On the other side, officer long looked at Qin Yu with a smile.

He didn't think that Qin Yu could defeat Pang Ding at all, so the worries in his heart completely disappeared.

"Qin Yu, Don't blame me." Officer long patted Qin Yu's shoulder with a smile.

Qin Yu said, "Officer long, why should I blame you? As long as we can defeat Pang Ding as soon as possible, the first place will still belong to our Chuzhou region."

Officer long laughed and said, "Good, good. If you can really defeat Officer Ye's personal disciple, I'll respect you!"

Qin Yu didn't say anything. Although Qin Yu didn't have a master, the inheritance left by his father was a treasure trove.

This was enough for Qin Yu to not be afraid of anyone.

"Next, let's invite the coaches of both sides to the stage!" The host shouted.

With a shout, Pang Ding took the lead and walked to the stage.

Qin Yu didn't waste any time and quickly arrived in front of Pang Ding.

Their eyes met, and there seemed to be a different spark in the air.

Pang Ding's face was slightly angry.

His desire to prove himself made him anxious to defeat Qin Yu.

“Officer ye said that you deliberately let us win just now. I don't think this is true, right?”Pang Ding asked coldly.

Qin Yu smiled and said, “If you think it's true, then it's true. If you think it's fake, then it's fake.”

Pang ding sneered and said, “Officer Ye said that he wants me to give in to you in the second half and return the favor.”

“Tell me, should I Follow Officer Ye's orders?”

Qin Yu hurriedly waved his hand and said, “Don't! I don't want to win unjustly.”

Pang Ding laughed loudly and said, “To be honest, I don't want to give in to you either! Officer ye said that I'm inferior to you, then I'll prove it to him!”

Before he could finish his words, the internal Qi on Pang Ding's body suddenly erupted! The entire training ground was instantly filled with gusts of wind!

A terrifying pressure covered the sky and earth as it rolled towards Qin Yu!

“Fourth Grade Martial Grandmaster?”Qin Yu raised his brows, but there wasn't the slightest hint of panic in his eyes.

This undoubtedly made Pang Ding extremely furious! As Ye Qing's personal disciple, he was looked down upon by a junior who had just entered the grandmaster realm. How could he not be angry!

"I will use my iron fist to personally destroy you!" Pang Ding said coldly.

Qin Yu did not pay any attention to Pang Ding's warning. He calculated the time, he muttered, "Just now, the Jingdu Military District used more than two hours to defeat the longhu team. In other words, as long as I defeat you within two hours, the Chuzhou region will be number one."

"Bastard, are you looking down on me? !" Pang Ding immediately flew into a rage!

He did not waste any more time. His feet suddenly shook, and a terrifying internal Qi directly lifted him up!

His entire body was like a cannonball, blasting towards Qin Yu!

As a soldier of the Jingdu Military District, his attack style was more inclined towards physical techniques.

Therefore, Pang Ding's fist was like a violent storm, pressing towards Qin Yu at an extremely fast speed!

Qin Yu's body was like a light swallow, dodging back and forth between the gaps of his fists.

Every punch was dodged by him at the right time.

The dazzling fighting style caused waves of cheers in the surroundings.

Everyone was staring at this battle, afraid of missing any details.

In the blink of an eye, Pang Ding had already thrown out hundreds of punches, but the hit rate was pitifully low, and the injuries caused to Qin Yu were almost negligible.

Pang Ding looked at Qin Yu coldly and said, “Do you only know how to Dodge?”

Qin Yu smiled and said, “You are officer Ye’s disciple after all. I Don’t want you to lose too badly.”

“Arrogant!”Pang Ding was even more furious! This feeling of being looked down upon made him fly into a rage!

Pang Ding’s fists flickered with light, as if fog was condensing!

His arms emitted a red light, as if one could see blood boiling under his skin!

“His inner strength has been evaporated?”Qin Yu was a bit surprised.

What kind of power was this? It turned the inner strength around his arms into mist?

“Go to hell!”Pang Ding shouted, and his two fists smashed toward Qin Yu!

“Boom!”

Qin Yu raised his fist to meet the fist. The two fists collided, and the terrifying force shook the ground under their feet, creating many cracks!

Even the officials of the various districts on the viewing platform were affected!

The smoke and dust gradually settled down. The two of them still maintained the state of fist and fist contact, as if there was no difference in strength.

Pang Ding frowned and said coldly, "You can actually withstand this punch of mine. It's not simple."

Qin Yu smiled and said, "The strength of this punch of yours is indeed not bad, but the penetrating force is slightly inferior."

"It has brute force, but brute force is not enough to be fatal. When faced with an opponent with a strong physical body, it will appear to be powerless."

Pang Ding's expression changed, and he roared angrily, "I don't need your guidance!"

Ye Qing, who was on the stage, heard this conversation clearly.

He slowly stood up and spat out a few words from the corner of his mouth, "Pang Ding has lost. There's no need to continue watching."

After saying that, ye Qing turned around and left.

Commander long noticed this scene and his expression changed. He muttered in a low voice, “Oh no, Commander Ye isn’t angry, right...”

Pang Ding did not notice ye Qing’s departure. He glared at Qin Yu and said angrily, “What right do you have to guide me!”

After saying that, Pang Ding’s fist surged with Qi again! He used almost all his strength and smashed towards Qin Yu!

In an instant, his fists seemed to have exploded! It almost tore Qin Yu’s clothes into pieces!

Qin Yu did not Dodge and once again faced him head-on.

The second fist bump still had no result.

Qin Yu still shook his head and said, “It’s still the same problem. Although the strength is great, it is not so great that it is fatal. and the penetration force is almost zero.”

Pang Ding gritted his teeth and said, “It doesn’t hurt to stand and talk! You talk as if you have the ability! If you have the ability, come and give me a punch!”

Qin Yu nodded and said, “That’s exactly what I was thinking. Officer Pang, watch carefully.”

After saying that, Qin Yu stepped forward. His body leaned backward and then suddenly threw out a punch!

The seemingly simple and unadorned punch had the power to destroy the world!

The power that could crush the dead instantly smashed onto Pang Ding's entire body!

The terrifying fist wind made the sand and rocks fly, and the hair danced wildly!

Pang Ding almost felt that his face was about to be torn apart by this fist wind!

However, this punch finally stopped on Pang Ding's face, and did not land on his body.

"See? This is the combination of penetrating power and strength.."Qin Yu put down his fist, turned around, and left.

Chapter 325: Chapter 325, Ye Qing's intentions

Pang Ding swallowed his saliva. He could clearly feel that the sweat on his face had been turned into steam by this fist wind.

"What... What a terrifying punch..."Pang Ding's body went limp and he nearly fell to the ground.

He had no doubt that if this punch landed on his body, even if he didn't die, his bones and tendons would be shattered!

"I lost."At this moment, Qin Yu took the initiative to admit defeat and turned to walk down the stage.

The entire stadium was in an uproar. They had clearly fought back and forth, but why did he suddenly admit defeat?

Most of the audience present did not know martial arts, so they did not know who would win or lose.

The host coughed and said, “Since coach Qin has already admitted defeat, then the champion this time will belong to...”

“Wait!”

Just as the host was about to announce the result, Pang Ding suddenly shouted.

He rushed to the stage, grabbed the microphone, and said coldly, “I lost. Qin Yu, thank you for showing mercy and for your guidance.”

After saying that, Pang Ding turned around and left.

Although Pang Ding didn’t admit defeat, it didn’t mean that he couldn’t afford to lose.

He would rather not have such a victory.

Qin Yu looked at Pang Ding’s back as he left, deep in thought.

“Then... The champion of this year belongs to the Chuzhou region!”The host shouted!

The scene was in an uproar, and countless people congratulated officer long one after another.

Officer Long’s face did not look good. He was even a little afraid that ye Qing would blame him.

After Qin Yu left the stage, officer long broke through the crowd and ran to Qin Yu.

“Qin Yu, didn’t I say that we can only get second place!” Officer Long said angrily.

Qin Yu spread his hands and said, “I have already admitted defeat, but the host insisted on giving me the championship. What can I Do?”

“You...” officer long was immediately speechless.

“Sigh, the Jingdu Military District has always been number one, and Pang Ding is Officer Ye’s personal disciple. If you beat him, it’s equivalent to slapping officer Ye’s face!” Officer Long said with a worried expression.

Qin Yu didn’t think it was that serious.

He smiled and said, “Since ye Qing is revered as the god of war, how can his magnanimity be so small? Officer Long, I think you’re worrying too much.”

Officer long sighed and said, “I hope so.”

This also allowed Qin Yu to see a problem.

A person like officer long might have more concerns.

Everyone seemed to be playing various roles. They were polite to one another, but awe-inspiring to the other.

After the competition ended, officer long brought Qin Yu along to collect the trophy.

Although the trophy was not made of any precious materials, it represented honor.

No one would have thought that the Chuzhou region would suddenly change from being the last to become the existence that defeated the Jingdu Military District.

After leaving the Jingdu Military District, everyone planned to go back.

At this moment, Pang Ding strode forward and jogged over.

“Greetings, officer long.”Pang Ding took the lead to salute officer long.

Then, Pang Ding looked at Qin Yu and said, “Our officer ye wants to see you.”

“You want to see me ?”This surprised Qin Yu a little.

Pang ding nodded and said, “Please.”

Qin Yu nodded. He followed behind Pang Ding and came to a car.

Ye Qing did not sit in the car. Instead, he stood in front of the car and waited quietly.

“Greetings, Officer Ye.”Qin Yu saluted ye Qing.

After a moment, Qin Yu shook his head and said, “Thank you for your kindness, but I am used to being free. I am afraid I can not be your disciple.”

Ye Qing seemed to have already expected this and he nodded his head slightly and said: “Alright, if you are unwilling, I will not force you. But, I must warn you of one thing.”

Qin Yu did not say a word, waiting for ye Qing to continue.

“Your talent is indeed not bad, but if one day I become an enemy of the fire country, I will not hesitate to kill you.”Ye Qing said in a low voice, his voice sounding like a pyro

Ye Qing’s voice suddenly turned icy cold.

The terrifying pressure made even Qin Yu break out in a cold sweat.

“Please rest assured, Officer Ye.”Qin Yu saluted.

Ye Qing did not say another word. He nodded and turned to return to the carriage.

At that moment, officer long ran over from not too far away.

He asked tentatively, “Qin Yu, Officer Ye did not say anything, right?”

Qin Yu shook his head and said, “He wants to take me as his disciple.”

“What ? !”Officer Long was instantly overjoyed.

He said excitedly, “Qin Yu, you’re Rich! Officer Ye’s disciples are all the bigwigs in the Military District! As long as you become officer Ye’s disciple, your future will be bright!”

Qin Yu smiled bitterly and said, “I refused.”

Officer Long was stunned and said anxiously, “Are you crazy? Why did you refuse such a good opportunity?”

Qin Yu shook his head and did not explain.

Everyone has their own aspirations and can not be shared.

If he became ye Qing’s disciple, there would naturally be benefits, but his future actions would be limited.

Moreover, Qin Yu did not want to join the military district.

After that, everyone planned to return to Chuzhou.

The news that ye Qing wanted to take Qin Yu as a disciple spread quickly.

Han family.

Han Wei was calculating the time.

Since the Han family was on good terms with Yan Sihai, the Han family knew every move of the Yan family like the back of their hand.

“This Qin Yu... how dare he enter the Yan family! He even played chess with old Mister Yan!” Han Wei’s face was ashen!

He couldn't wait for Old Mister Yan to die! This way, he would have nothing to worry about!

“This old fart, he can only live for another half a year at most. When you die, I will definitely not let Yan Ruoxue off!” Han Wei gnashed his teeth, and the pen in his hand was crushed into pieces by him.

At this time, the butler walked in carefully from outside the door.

“Young master, there is bad news.” The Butler stood at the side and said softly.

Han Wei looked at him coldly. “Speak!”

The Butler said in a low voice, “There is news just now that ye Qing is interested in taking Qin Yu as a disciple.”

Chapter 326: Chapter 326, the end of the year

“Ye Qing?” Han Wei's expression turned ugly.

If Qin Yu really became ye Qing's disciple, he would have to think of a way to touch him.

“Yes, but I heard that Qin Yu rejected him,” the butler continued.

Han Wei raised his eyebrows and could not help but sneer, “He actually rejected him? I didn't expect ye Qing to be rejected too, hahaha!”

The Butler was not as optimistic as Han Wei. He bowed and said, “Young master, since ye Qing has noticed Qin Yu, he must think highly of him.”

“It has only been half a year and he has already made a name for himself. If he is given another half a year, who knows how far he will go...”

Han Wei sneered, “You really think highly of him. He is only a grandmaster now. Do you think he can cross several levels in half a year?”

The Butler said in a deep voice, “That’s true, but if ye Qing wants to protect him...”

“Protect him?” Han Wei sneered.

“Qin Yu was the one who made a fuss in the media, saying that it would be a showdown in half a year. Why? Does Ye Qing want to publicly protect him?”

The Butler suddenly came to a realization and could not help but laugh, “I didn’t expect that Qin Yu would dig a hole for himself...”

Han Wei narrowed his eyes and said, “The most troublesome person now is not ye Qing, but old Mister Yan.”

“As long as he doesn’t die, I won’t Be Happy!”

With old Mister Yan around, Han Wei didn’t dare to provoke the Yan family’s prestige.

“Just wait. When you die, I will humiliate your most beloved granddaughter in front of your grave!” A trace of coldness flashed in Han Wei’s eyes.

...

Qin Yu followed the Chuzhou region and embarked on the journey of return.

Ever since he had experienced the conversation with the Yan family, the pressure on Qin Yu’s body had increased by several folds.

That kind of urgency urged him not to have the slightest bit of rest.

Originally, Qin Yu had planned to head straight for the Divine Alchemist Pavilion. However, there was less than half a month left before the new year, so it was not a good time to go to the Divine Alchemist Pavilion.

After thinking about it, Qin Yu decided to wait until the new year before heading to the Divine Alchemist Pavilion.

After arriving at Chuzhou region, Qin Yu said goodbye to officer long and left the Chuzhou region.

As soon as he got home, Uncle Wu called to inquire about the situation.

After learning that the Chuzhou region had won the first place, Uncle Wu was overjoyed.

“Qin Yu, you are really a surprising guy!” Uncle Wu said excitedly over the phone.

At this moment, Little Yu's voice came from the phone.

She shouted over the phone, "Qin Yu, when are you coming to my house to play?!"

Uncle Wu scolded, "Go Away, go away!"

Qin Yu didn't know whether to laugh or cry when she heard that. She could only say over the phone, "When I have time."

Uncle Wu changed the topic and said, "Qin Yu, where are you going to spend the new year this year?"

When this topic was brought up, Qin Yu's heart suddenly felt a little sad.

Qin Yu always missed his family during the festive season. In the past, Qin Yu would spend the new year at the SU family.

But now, he had already divorced Su Yan and became a loner.

Qin Yu sighed and said, "Let's go back to Jiangcheng. After all, that's where I was born."

Uncle Wu said, "Why don't you come to my house?"

"Yes, yes, yes. Come to my house to celebrate the new year together!" Xiao Yu said excitedly.

Qin Yu shook his head and said, "Let's go back to Jiangcheng. After all, we have lived there for more than twenty years."

Seeing this, Uncle Wu didn't insist.

After hanging up the phone, Qin Yu packed up and planned to go back to Jiangcheng.

“Yao Qing, are you going back to your hometown?” Qin Yu asked.

Yao Qing shook his head and said, “I haven’t been back for several years.”

“Then take your sister and come back to Jiangcheng with me,” Qin Yu said.

Yao Qing nodded and agreed.

Then, the three of them took their things and rushed to Jiangcheng.

There were about ten days left before the new year, and Jiangcheng seemed to have the taste of the New Year.

Many people who worked outside gradually returned to their hometown.

Jiangcheng seemed to have become lively.

Qin Yu drove back to long Yue estate.

As soon as he entered the estate’s Gate, Yao Qing pointed outside and said, “Mr. Qin, isn’t that your ex-wife?”

He looked up and indeed saw Su Yan.

At this moment, she was surrounded by four or five young men.

When he tilted his ear to listen, he could hear these young men pointing at Su Yan and cursing.

“When will you return the money you owe us? If you don’t, I’ll throw you into a brothel!”

“Brothers, I . . . I don’t have money now. In a few days, in a few days, okay?” Su Yan begged bitterly.

The young man raised his foot and kicked Su Yan’s stomach. He reached out and grabbed Su Yan’s hair, saying, “In a few days? How many days has it been?”

Seeing this scene, no expression could be seen on Qin Yu’s face.

At this moment, Su Yan saw Qin Yu’s figure.

She struggled with all her might and ran to Qin Yu in a panic.

“Qin Yu, save me. Hurry up and save me. I beg you...” Su Yan hugged Qin Yu’s leg and said in a panic.

The few young men hurriedly caught up. They pointed at Qin Yu’s nose and said, “Kid, what’s your relationship with her?”

“He’s my honey, he’s My Honey!” Su Yan said anxiously.

Hearing the word “Honey”, Qin Yu felt a little nauseous.

“You’re her honey? That’s good. She owes us 300,000 yuan. You paid it back for her!” The few young men scolded.

Qin Yu glanced at them and said, “We divorced a long time ago. I have nothing to do with her.”

“You said you got divorced, so you got divorced?” These young men blocked Qin Yu’s way.

Yao Qing said with a cold face, “Don’t be shameless. Get out of Here!”

These young men refused to let them go. Qin Yu couldn’t stand it anymore. He waved his hand and threw them to the ground.

These people got up from the ground, pointed at Qin Yu and said, “Just you wait!”

After saying this, they turned around and ran.

Su Yan grabbed Qin Yu’s calf and said, “You still love me, Don’t you? Otherwise, why would you help me teach them a lesson?”

Qin Yu said with a cold face, “Su Yan, don’t you feel disgusted when you say these words? Hurry up and get lost. I feel nauseous when I see you now.”

“I don’t believe that you are so cruel to me! You were clearly very good to me in the past!” Su Yan begged bitterly.

“The past is the past, and now is the present,” Qin Yu said coldly.

Then, Qin Yu directly ordered, “Yao Qing, tell her to get lost.”

“Yes, Mr. Qin.” Yao Qing immediately stepped forward, reached out and grabbed Su Yan’s arm, and directly threw her out.

Su Yan fiercely fell to the ground, and hot blood immediately came out of her nose.

However, Qin Yu didn't even look at her and left in big strides.

...

In the next few days, Qin Yu almost didn't go out.

He stayed at home all day, apart from cultivating and refining medicine.

In the blink of an eye, the new year was coming.

Not many people knew the news of Qin Yu's return.

The huge villa appeared extremely empty and lonely.

Just as Qin Yu was planning to spend the new year just like that, Yao Qing suddenly ran back excitedly.

He said with a grin, "Mr. Qin, I've already booked the New Year's Eve dinner. It's getting late. We should set off now!"

"New Year's Eve Dinner?" Qin Yu couldn't help but be slightly surprised.

Yao Qing said, "It's the New Year, so we have to act like it. Don't rich people like to book hotels to celebrate the New Year? Let's go. Let's go and have some fun together."

Qin Yu thought for a moment, then nodded and agreed, "Okay."

So, they drove to a hotel.

At this time, the entrance of the hotel was already full of cars. Many of the cars had foreign license plates.

Yao Qing brought Qin Yu to the front desk and said, "My name is Yao Qing. I have reserved table number three."

"Please wait a moment." The waiter lowered his head and checked the computer.

Then, she raised her head and said apologetically, "Sir, I'm sorry. Your table is already occupied."

Yao Qing was stunned. He hurriedly said, "I clearly reserved table number three. I paid the money!"

The waiter said awkwardly, "But... that table is really occupied."

"What's going on?" At this time, a man in a suit walked over.

Seeing this man, the waiter quickly said, "Manager, this gentleman said that he reserved table three, but table three is already occupied..."

The manager waved his hand and said, "I'll handle it."

After saying that, he walked to Yao Qing and said with a faint smile, "Sir, I'm sorry. Your table is indeed occupied. In order to compensate you, our hotel is willing to refund you twice the deposit. What do you think?"

“I’ll refund your mother! Who Needs Your Money?” Yao Qing said with an angry face.

“I booked it ten days ago. Now You’re telling me there’s someone?”

Chapter 327: Chapter 327, Yao Qing’s classmate

The manager shook his head and said, “I’m sorry. It was indeed our mistake at work.”

Qin Yu frowned and was about to pull Yao Qing away when the waiter behind him whispered, “I’m just giving you some face. Do you have to say that a big shot has stolen your position?”

Although the voice was very soft, it still fell into Qin Yu’s ears.

His face turned cold and he said coldly, “What kind of big shot? call him out and I’ll see.”

Hearing this, the manager’s face changed slightly.

He hurriedly explained, “There’s no big shot. He’s talking nonsense. Don’t mind him.”

“Then take out the booking form and let me see it,” Qin Yu said with a cold face.

Seeing this, the manager was a little impatient.

He said with an unfriendly tone, “I’m giving you a way out. Why Don’t you know what to do? I even told you that someone stole your position. What’s Wrong?”

“YOU MOTHERF * cker!” Yao Qing was suddenly furious and reached out to grab the manager’s collar.

The manager sneered and said, “He is the big boss who came back from the provincial capital. He has his eyes on your position. If you are not convinced, go and get it yourself. Is it useful to compete with me?”

“The big boss who came back from the provincial capital? How Big is the Boss?” Qin Yu asked with a cold face.

The manager pointed at the window with his chin and said, “He is the boss of Yiming real estate. He is a big company in the provincial capital. It’s just a position. It’s the New Year. Don’t give yourself trouble.”

Qin Yu glanced at the table and saw that there was no one there.

“I really want to see this overbearing boss.” Qin Yu snorted.

Then, he brought Yao Qing to the third table and sat down.

“Manager, what... What should we do?” The waiter frowned.

The manager waved his hand and said, “Anyway, we’ve brought the message. The rest is up to them.”

The waiter whispered, “They really overestimate themselves. When they come, let’s see what they will do.”

...

Qin Yu and Yao Qing sat in front of the table and waited quietly.

About ten minutes later, seven or eight people walked towards table three.

The leader was a middle-aged man in a suit and tie.

He was wearing a famous brand and a piece of Jiangshi Denton on his wrist, which showed his extraordinary status.

This man walked quickly to Qin Yu's side. Just as he was about to speak, his eyes fell on Yao Qing.

"Yao Qing?" The man sized up Yao Qing, a hint of surprise flashed in his eyes.

When Yao Qing saw this man, he looked even more embarrassed.

"Qian Yiming? Why are you here?" Yao Qing asked with an embarrassed smile.

The man called Qian Yiming sneered, "Don't you know? My wife is from Jiangcheng. But you, a fighter, instead of following your boss obediently, why are you here?"

Yao Qing looked a bit embarrassed, as if he didn't know what to say.

"Do you know each other?" Qin Yu asked.

Before Yao Qing answered, Qian yiming sneered and said, "Of course we know each other. We are old classmates."

Qin Yu frowned slightly. From their conversation, Qin Yu could see that Qian Yiming seemed to be hostile to Yao Qing.

“Mr. Qin, why don’t we go somewhere else?” Yao Qing pulled Qin Yu’s arm and said.

“Where else? Since we are classmates, let’s sit together,” Qian Yiming said with a faint smile.

Yao Qing didn’t say a word. He turned around and wanted to leave.

However, Qin Yu stretched out his hand to stop him and said indifferently, “This seat was originally ours. Why do we have to leave?”

Qian Yiming glanced at Qin Yu and sneered, “What’s your relationship with Yao Qing?”

“Friend,” Qin Yu said indifferently.

“Hehe, a trash friend is indeed trash,” Qian Yiming sneered.

Yao Qing hurriedly stood up and said, “Qian Yiming, this is Mr. Qin. You’d better be polite.”

“Mr. Qin? What Mr. Qin? What business do you do? Big Boss?” Qian Yiming said with a strange tone.

Yao Qing opened his mouth, not knowing how to introduce Qin Yu.

“I’m not a big boss. I’m just an ordinary person.” At this moment, Qin Yu said with a faint smile.

Qian Yiming snorted coldly, as if he couldn’t be bothered with Qin Yu.

He waved his hand, and his family and friends came to the table and sat down.

Qin Yu pulled Yao Qing's arm and said, "Why do you look so afraid of Him?"

Yao Qing smiled bitterly and said, "I'm not afraid of him. I'm just too lazy to bicker with him."

"TSK Tsk, you're also afraid of bickering?" Qin Yu said jokingly.

Yao Qing sighed and did not speak.

At this time, a woman stared at Yao Qing and asked, "Yiming, who is this person?"

Qian Yiming glanced at Yao Qing and said casually, "A classmate of mine."

"Is he also in business?" The woman continued to ask.

Qian Yiming sneered, "Him? He's just a security guard."

Hearing this, the people at the table said one after another, "A security guard is qualified to sit here? What bad luck. Let him go quickly."

Qian Yiming pretended to be magnanimous and said, "Aiya, he's my classmate after all. Let him sit here?"

The conversation between the two parties could not help but make Qin Yu a little unhappy.

He looked at Qian Yiming coldly and said, "I wonder what business does boss Qian Do?"

Hearing this, Qian Yiming said with some pride, "Just a small business and developing real estate. I can only earn tens of millions a year. It's not worth mentioning."

Qin Yu touched his chin and nodded, "Well, tens of millions is indeed not worth mentioning."

Qian Yiming's expression changed slightly, and he couldn't help but feel a little angry.

Your father is modest and modest, and you actually took it seriously?

"Yeah, I can't compete with the security guards. How awesome are the security guards?" Qian Yiming said with a strange tone.

"By the way, how do you know Yao Qing? Are you a colleague? Are you also a security guard?" Qian Yiming turned his head to Qin Yu.

Qin Yu said indifferently, "I told you, I'm just an ordinary person, a freelancer."

"Oh, so you're an unemployed vagrant?" Qian Yiming sneered.

"Why don't you come to our company after the New Year? Our company just happens to be in need of security. I'll give you three thousand a month, how about that?" Qian Yiming Laughed Evilily.

At this time, Yao Qing berated, "Qian Yiming, that's enough! Mr. Qin is not someone you and I can compare to!"

“Bah! You really know how to Brag.”Qian Yiming snorted coldly.

Qin Yu was too lazy to lower himself to Qian Yiming’s level. Qin Yu had seen a lot of nouveau riche like him.

Time passed by minute by minute. In the blink of an eye, it was already ten o’clock in the evening.

At this time, the New Year’s Eve dinner had already been eaten. Everyone seemed to be somewhat quiet.

At this moment, someone suddenly came in with a generous gift from outside the hotel.

He went straight to Qin Yu’s table and then looked at Qian Yiming.

“Boss Qian, Happy New Year. This is a gift I prepared for you. You must accept it,”the man stood in front of Qian Yiming and said respectfully.

Qian Yiming glanced at Qin Yu with some pride, then waved his hand and said, “What gift? You are too polite.”

“It’s my duty, boss Qian. I still need you to take care of me after the New Year,”the man said with an embarrassed smile.

Qian Yiming waved his hand and said, “Alright, I got it. You can go now.”

After the man left, Qian Yiming looked at Qin Yu with some pride and said with a strange tone, “Yao Qing, aren’t You a big shot? It’s the New Year, why is there no one to greet you?”

“Maybe it’s not the time yet,”Qin Yu said casually.

He glanced at the watch on the wall and thought to himself, “Jiang Gu, Lei Hu, and the others will come to pay New Year Greetings to me.”

Chapter 328: Chapter 328, why don’ t I Know You?

When Qian Yiming heard this, he laughed and said, “It’s not time yet? It’s already 10 o’clock at night. Why? Are they coming after midnight?”

Qin Yu couldn’t be bothered to lower himself to Qian Yiming’s level, so he didn’t say anything.

Then, more people came to the hotel one after another.

These people were all dressed luxuriously and had high statuses.

And almost all of them came for Qian Yiming.

“Boss Qian, I’m the third son of Sanhe Real Estate. I brought you a little gift. You must accept it.”

“Boss Qian, I’m from the Jiaoyun Construction Team. I’ll have to rely on you to take care of me after the New Year.”

“Boss Qian...”

So many people came to pay new year’s greetings, which made Qian Yiming even more proud.

“Our Yiming is really capable. So many bosses came to pay new year’s greetings to you!” Qian Yiming’s relatives could not help but praise him.

“Yeah, Yiming is the last capable person in our family!”

“Xiao Shuang, you really found a good honey!”

Hearing everyone’s praise, Qian Yiming smiled faintly and said, “They are just small bosses, not worth mentioning. We plan to work with Jiang Gu after the new year.”

“Jiang Gu? Who Is He?” Someone asked.

Qian yiming smiled and said, “Jiang Gu is a big shot in the provincial capital. It is not an exaggeration to say that he is the richest man in Chuzhou.”

Qian Yiming was not a martial artist. He did not know anything about Jiang Gu’s strength. He only knew that he was very rich.

“Yiming is too amazing. He can actually work with the richest man in Chuzhou?”

“I believe that it won’t be long before Yiming will definitely surpass this Jiang Gu!”

Qian yiming chuckled and said, “I don’t dare to say that, but Jiang Gu and I can be considered old acquaintances. He even planned to come and pay a new year visit to me, but I rejected him.”

Hearing Qian Yiming’s bragging, Qin Yu couldn’t help but burst into laughter.

Qin Yu had never heard of this yiming real estate. In the provincial capital, it couldn't even be considered a second-rate family.

Cooperating with Jiang Gu? Qin Yu suspected that Qian Yiming had never seen Jiang Gu before.

Qian Yiming glared at Qin Yu and scolded, "What Are You Laughing At? Is it funny?"

Qin Yu waved his hand and said, "I'm sorry, I really couldn't hold it in."

Qian yiming snorted and said, "Where are the people who wish you a Happy New Year? Why aren't they here yet?"

Qin Yu thought for a moment and said, "They are all in the provincial capital. It will probably take some time for them to come over."

Hearing this, Qian Yiming could not help but laugh out loud, "You mean that someone from the provincial capital will come to wish you a Happy New Year? It Can't be your security colleagues, right?"

Hearing this, the people at the table could not help but Snicker.

Qin Yu did not mind. In his eyes, this Qian Yiming was just a clown who was not worth mentioning.

At this moment, Lei Hu suddenly appeared at the entrance of the hotel.

He stood at the door and glanced around. Soon, he found Qin Yu.

Then, Lei Hu carried the gift and ran over.

“Mr. Qin, Why didn’t you tell me you were back? It wasn’t easy for me to find you.” Lei Hu wiped the sweat on his forehead and said.

“This is a small gift from me to you. It’s said to be a hundred-year-old herb!”

Qin Yu sniffed it. It really was a hundred-year-old herb.

“Lei Hu, you are thoughtful.” Qin Yu took the gift box and said.

Qian Yiming, who was standing at the side, sized up Lei Hu and asked casually, “Who is this person? Is He also a security guard?”

Qian Yiming’s wife quickly tugged at the corner of his shirt and whispered, “This is a big shot from the underworld of Jiangcheng. You Can’t Mess with him!”

However, Qian Yiming didn’t care at all.

He sneered and said, “So it’s a low-level hooligan.”

Hearing this, Lei Hu’s face immediately changed.

He said with some displeasure, “Mr. Qin, who is this person? Your Friend?”

Qin Yu spread his hands and said, “He is the boss of a big company in the provincial capital. We can’t afford to offend him.”

Lei Hu didn’t understand the situation for a moment, so he didn’t dare to get angry.

Qian yiming sneered and said, “What Mr. Qin? After waiting for a long time, only a hooligan came to greet you? You Can’t even do that?”

Qin Yu opened his mouth and was about to say something when a few people with gifts suddenly appeared at the door.

They hurried to Qin Yu and said respectfully, “Mr. Qin, we have finally found you!”

Qin Yu looked at these people and seemed to find them unfamiliar.

“Mr. Qin, I’m Xiao Hu from the provincial capital’s capable group. I’ve been wanting to visit you, but I’m afraid you won’t have the time.”

“I’m Wang Kai from the provincial capital’s Jinfu technology. You can call me Xiao Wang.”

“Mr. Qin, I’m Xiao Sun from the run boundary group. I’m here to pay you a new year greeting.”

Hearing these people’s self-introductions, Qian Yiming’s face changed slightly.

He had heard of these companies. They were all top-tier companies in the provincial capital!

“Mr. Qin, I’m the Secretary of Qi Province. He really can’t get away, so he asked me to come and greet you on his behalf,” at this time, a young man in a Chinese tunic suit said respectfully.

Hearing this, Qian Yiming’s face instantly became even uglier!

The Secretary of Qi Province? He actually came to pay new year greetings to this Qin Yu?

Impossible! Absolutely impossible! It must be the actor that this kid found! Qian Yiming thought to himself.

Before Qian Yiming could speak, Jiang Gu's figure also appeared at the door.

He walked in front of Qin Yu, travel-worn, and said with a smile, "Mr. Qin, why don't you stay in the provincial capital for the New Year? A lot of people are missing you."

Qin Yu said with a smile, "Jiangcheng is my hometown after all."

At this point, Qin Yu pointed at Qian Yiming and asked casually, "This kid said he wants to cooperate with you. Do You Know Him?"

Jiang gu looked at Qian yiming and frowned, "Who are you?"

Qian yiming said impatiently, "I want to ask who you are!"

Qin Yu said with a faint smile, "Don't you want to cooperate with Jiang Gu? He is here, but you don't know him?"

Chapter 329: Chapter 329, Divine Alchemist Pavilion

Qian Yiming's expression changed slightly. He sized up Jiang Gu in front of him and said with a frown, "You are Jiang Gu? Nonsense, right?"

Although Qian Yiming didn't know Jiang Gu, as a famous person in the provincial capital, he had seen Jiang Gu through various channels.

The Jiang Gu in his impression didn't look like this at all!

"Sure enough, they found a group of actors." Qian Yiming confirmed his thoughts.

He stood up and pointed at Qin Yu. "You're pretty good. To save face, you found a group of actors to accompany you in Acting?"

Jiang Gu frowned. "What do you mean?"

Qian Yiming snorted. "Nothing much. If I'm not wrong, you should all be working as security guards, right?"

Hearing this, the faces of the people who came to visit the provincial capital turned cold.

"Qian Yiming, you'd better consider the consequences when you speak," Qin Yu reminded him kindly.

Qian Yiming was unmoved and continued to mock, "Consequences? They're just a bunch of stinky security guards. What consequences can there be?"

"You've gone too far!" Finally, the Secretary of Qi Province couldn't hold it in anymore!

"Which unit are you from? Why are you so arrogant?"

"I've lived so long, and no one dares to talk to Me Like That!"

Facing the anger of the crowd, Qian Yiming didn't care at all.

He sneered and said, "Keep pretending, keep pretending. A bunch of stinky security guards think that they can fly to the top by wearing bright and beautiful clothes?"

"I'll tell you, I'm the boss of Yiming real estate, Qian Yiming!"

"Yiming real estate? Okay, I'll remember it," the Secretary of Qi Province said coldly.

He glanced at Qin Yu and said, "Mr. Qin, he's not your friend, right?"

"I don't know him," Qin Yu said casually.

"That's good." The secretary nodded.

He took out his cell phone and made a call.

After the call was connected, he immediately shouted, "There's someone called Yiming real estate. Stop all the projects in their company. Do It Now!"

It wasn't just the secretary from Qi Province. The others had also issued a ban on yiming real estate at the same time.

These people were all the leading businessmen in the provincial capital. It was effortless for them to deal with a small yiming real estate.

At this moment, Qian Yiming still didn't realize the seriousness of the matter.

He waved his hand and said, "Continue eating and drinking!"

At this moment, Qian Yiming's phone suddenly rang.

He picked up the phone and saw that the caller was his secretary.

Qian Yiming held the phone and said to himself, "It's so late to send me new year's greetings. Looks like I'll have to deduct your salary."

After saying that, Qian Yiming picked up the phone.

"Why did you send me new year's greetings so late? Don't You Want Your Job?" Qian Yiming said unhappily.

The Secretary on the other end said anxiously, "CEO Qian, something bad has happened!"

"What happened?" Qian Yiming frowned.

The secretary hurriedly said, "The province suddenly called and stopped all the projects of our company!"

"And a few real estate leaders in the provincial capital joined hands to ban our company!"

Hearing this, Qian Yiming's expression immediately changed drastically!

He suddenly stood up and exclaimed, "What did you say? ! How... How is this possible?"

The secretary smiled bitterly and said, “CEO Qian, you better think of a way. After the New Year, we still have a few loans that are due. If the project is stopped... We won’t be able to repay it.”

After saying that, the secretary directly hung up the phone.

Qian Yiming’s face instantly turned pale!

Could it be that these people in front of him were really important figures from the provincial capital?

“You... who exactly are you?” Qian Yiming pointed at Qin Yu and asked in a trembling voice.

Someone beside him sneered and said, “You don’t even know the king of Chuzhou, and you’re still hanging around the provincial capital?”

King of Chuzhou!

Hearing this name, Qian Yiming immediately turned pale with fright!

The name ‘king of Chuzhou’ resounded throughout the entire provincial capital!

There were countless legends about him!

“You... you are the king of Chuzhou?” Qian Yiming panicked.

He anxiously walked in front of Qin Yu and said with fear, “Mr. ... Mr. Qin, I... I was blind and didn’t know it was you. Please forgive me and give me a way out...”

Qin Yu couldn't be bothered with Qian Yiming. He stood up and said, "Everyone, let's Find a new place."

"No, no, no. Mr. Qin, we are only here to visit you. Since the things have been delivered, it's time for us to go back," everyone said.

Seeing this, Qin Yu didn't stay any longer.

After sending everyone away, Qin Yu stretched his body and said, "We have finished the New Year's Eve dinner. We should go back to sleep."

Yao Qing said, "Mr. Qin, I heard that there will be a show later in the night."

"I'm not interested." Qin Yu waved his hand and turned around to leave.

Qian Yiming hurriedly grabbed Qin Yu's arm and said in pain, "Mr. Qin, I have an old man and a young man. If I go bankrupt, what will happen to my family..."

Qin Yu glanced at him and sneered, "Does it have anything to do with a stinky security guard like me?"

After saying this, Qin Yu turned around and left the hotel.

...

After returning home, it suddenly snowed heavily in the sky.

Qin Yu wore pajamas and stood in front of the window, quietly looking out.

“The auspicious snow heralds a bumper year,”Qin Yu whispered.

A scene unconsciously flashed in his mind:

He was holding Yan Ruoxue’s hand, making snowmen and having snowball fights in this world of ice and snow. There was no money, no secular world, only the purest feelings in the bottom of his heart.

Unfortunately, this could only be an illusion.

The next day was the day to visit his relatives.

Qin Yu did not have any ties, so he did not go out for a few days.

He guarded the stove all day and quietly absorbed the weak Qi/spiritual energy from heaven and earth.

The Qi/spiritual energy in Jiangcheng was very thin. Qin Yu had almost gone to all the places he could go.

The accumulation of Qi/spiritual energy was extremely slow. It would probably take eight to ten years to recover.

Therefore, these few days of cultivation did not bring any obvious results.

In the blink of an eye, it was already the sixth day of the month.

Qin Yu estimated the time. There were only seven months left before the date with Han Wei.

“Seven months. I must at least step into the peak of the monastic stage, or even higher, the Enlightenment stage. Otherwise, there is absolutely no chance of victory,” Qin Yu thought to himself.

The Enlightenment stage corresponded to the grandmaster stage.

As long as he stepped into the grandmaster stage, Qin Yu had full confidence that he would be invincible among those of the same stage.

Even if it was Yan Jiang who was at the peak of the Grandmaster stage, Qin Yu was not afraid at all.

As for the golden core stage beyond that, it was too far away for Qin Yu. He did not dare to dream about it for the time being.

On the seventh day of the Lunar New Year, Qin Yu was ready to leave Jiangcheng and head straight for the Divine Medicine Pavilion.

The Divine Alchemist Pavilion, also known as the Divine Alchemist Valley, not only gathered the top alchemists in the country, they also possessed extremely terrifying medicinal herbs.

Even the top aristocratic families in the world would have requests from the Divine Alchemist Pavilion.

Chapter 330: Chapter 330, the arrogant girl

This was the social status of medical skills.

Qin Yu had two intentions for this trip to the Divine Medicine Valley.

First, he wanted to find a powerful background and resources to increase his cultivation speed.

Second, he wanted to find a decent instrument to refine medicine.

That day, Qin Yu brought Yao Qing and drove towards the Divine Medicine Pavilion.

The Divine Medicine Pavilion was located in Qinghe town, which was adjacent to Peach City.

Although it was just a small town, because of the divine medicine pavilion's existence, there was an endless stream of people heading towards Qinghe town every year.

This also caused Qinghe town's economy to be extremely good! Every year, Qinghe town brought a huge amount of income.

Qin Yu and Yao Qing took a plane and soon arrived at the airport near Qinghe town.

Then, the two of them took a taxi and prepared to go to Qinghe town.

Perhaps there were too many people going to Qinghe town, so when Qin Yu and Yao Qing got on the car, there were already passengers in the car.

"Master, isn't there someone in your car?" Yao Qing couldn't help but ask.

The driver glanced at Yao Qing and said, "Of course you have to share the car to go to Qinghe town. Otherwise, you will have to wait for a long time."

Qin Yu couldn't help but sigh. The charm of the Divine Medicine Pavilion was too great!

"Mr. Qin, shall we wait or not?" Yao Qing tried to ask.

Qin Yu waved his hand and said, "Get in the car. As long as you can sit down."

Therefore, the two of them squeezed into the car and sat down.

Besides Qin Yu, the other passenger was a young girl around 20 years old.

The young girl had two ponytails tied up in braided braids. She wore a long red dress and there was a small peach blossom tattoo between her eyebrows. It looked as if it came from ancient times.

The young girl did not smile. After Qin Yu and Yao Qing got on the car, she turned her head to the side.

Yao Qing sized up the young girl and said with a smile, "Beauty, are you also going to the Divine Alchemist Pavilion?"

The young girl did not say a word. She did not even turn her head.

When Yao Qing saw this, not only did he not have the slightest sense of shame, he became even more enthusiastic.

He bragged, "Do you know who this is? He is an elder of the Divine Alchemist Pavilion! His status is extraordinary!"

When he heard Yao Qing's words, Qin Yu almost spat out a mouthful of water.

And the young girl finally turned her face over.

She glanced at Qin Yu and said, “The Divine Alchemist Pavilion doesn’t have such a young Elder.”

“Aiya, it’s a prospective elder.” Yao Qing had a shameless attitude.

The young girl frowned slightly and seemed to be quite disgusted with Yao Qing.

“Say Less,” Qin Yu said somewhat helplessly.

The airport was not far from the Divine Alchemist Pavilion. After driving for more than an hour, they arrived near the Divine Alchemist Pavilion.

The entire building of the Divine Medicine Pavilion was situated in a Grand Canyon.

The building was built on top of the canyon as the foundation.

This was also one of the reasons why the Divine Medicine Pavilion was named.

After alighting from the car, the driver stretched out a finger and said, “One thousand.”

Qin Yu frowned slightly and said, “Why is it so expensive?”

The driver did not hide anything and said with a smile, “Which of those who go to the divine medicine pavilion for treatment are not rich? Since you guys are so rich, of course I have to charge a little more.”

“You!” Yao Qing was flustered and was about to defend himself when Qin Yu waved his hand and interrupted, “Forget it, pay up.”

Although Yao Qing was somewhat unwilling, he still obediently gave the money to the driver.

Then, the group of three walked towards the Medicine God Pavilion’s main door.

The main door was transformed from natural boulders and there was already a long line at the huge door.

At the door, there were two young pharmacists in charge of guarding it.

“Beauty, are you here to see a doctor? Tell me secretly that I know how to see a Doctor!” Yao Qing turned around and said with a smile as he stared at the young girl.

The young girl glanced at Yao Qing coldly and said, “You’re a grown man, yet you talk so much nonsense!”

Yao Qing’s old face turned red and he appeared slightly embarrassed.

Qin Yu could not help but sigh. Was this still the white-haired young man who had followed the Shen family in the past? How did his skin become so thick?

Most of the people lining up at the Divine Alchemist Pavilion were here to see the doctor.

Of course, there were occasionally some who wanted to join the Divine Alchemist Pavilion.

But the Divine Alchemist pavilion's requirements were extremely harsh, and they could only recruit up to ten people a year.

In front, a young man who wanted to join the Divine Alchemist Pavilion was mercilessly rejected.

After about two hours, the line finally reached Qin Yu and the others.

The two young pharmacists sized up Qin Yu but didn't say a word. They just stood there and chatted.

"Hello?" Qin Yu called out tentatively.

However, the two pharmacists completely ignored Qin Yu.

"Hello, I'm here to compete for the position of Pharmacist in the Divine Alchemist Pavilion," Qin Yu continued.

Unfortunately, the two of them still ignored Qin Yu.

At this moment, the young girl behind him said, "You're already so old, don't you have any social experience?"

Qin Yu was somewhat puzzled and said, "What do you mean?"

The young girl lightly snorted and said, "In this world, it's difficult to take even a step without money."

Qin Yu suddenly came to a realization.

He didn't expect that the gift-giving and bribery act would even corrode the Divine Alchemist Pavilion.

Qin Yu took out a thousand Yuan from his pocket and handed it to the two pharmacists. He said, "I'm here to compete for the position of Pharmacist."

The pharmacist looked at the money in Qin Yu's hand and couldn't help but sneer. "You're using this little money to send out beggars?"

Qin Yu frowned slightly and said, "Then how much do you want?"

"At least 100,000 yuan, right?" The two people said indifferently.

Hearing these words, Qin Yu's expression immediately changed slightly.

100,000 yuan? was this F * cking robbery?

"Which one of them isn't terminally ill when they come here to see a doctor? 100,000 yuan is nothing," the apothecary snorted lightly.

A faint displeasure flashed across Qin Yu's face. He suppressed his anger and said, "Just this 1,000 yuan. If you don't want it, it won't even be 1,000 yuan."

The two alchemists immediately sneered and said, "Quite tough huh? Fine, we don't want it. Don't even think about stepping through the door of the Divine Alchemist Pavilion!"

"Don't waste time. You Don't have any money. I'll give it to you on your behalf," the red-clothed girl said coldly.

Qin Yu ignored her. He looked coldly at the alchemist and said, "I know your elders."

Hearing this, the two apothecaries finally looked qin yu up and down. A hint of caution flashed in their eyes.

The reason why they were so cautious was because they had heard that the elder had sent an invitation to a young man at the Divine Alchemist Convention.

“What’s Your Name?”The apothecary asked tentatively.

“Qin Yu.”

Hearing this name, the two people’s expressions changed slightly. They quickly changed their attitude and said, “So it’s Mr. Qin. I heard the elder mention you before. I’m really sorry. You can go in now.”

“Then this money?”Qin Yu waved the one thousand yuan in his hand.

“Mr. Qin, you’re joking. You’re the Elder’s friend. How can we ask for Money?”The two people said with an embarrassed smile.

Qin Yu nodded and didn’t say anything more.

At this time, the red-clothed girl behind Qin Yu snorted coldly and said, “Another one who uses the back door.”

Qin Yu glanced at her and couldn’t help but think to himself.

This red-dressed girl seemed to be quite proud.

The next one was this red-dressed girl.

She walked in front of the two alchemists and said, "I'm also here to compete for the position of an alchemist."

Before the two alchemists could say anything, the red-dressed girl opened her palm.

A ball of green spiritual fire jumped in her palm.

Qin Yu raised his eyebrows slightly.

It actually gave birth to a green spiritual fire? No wonder his character was so arrogant.

Chapter 331: Chapter 331, because... I am a blue-colored spiritual fire

When the two alchemists saw the green-colored spiritual fire in the red-clothed girl's palm, their expressions changed drastically!

They immediately stepped aside and said, "Please come in!"

The red-clothed girl put away the spiritual fire and strode into the Divine Alchemist Pavilion.

When she passed by Qin Yu, she even deliberately glanced at him, her eyes seeming to contain some disdain.

"So it's the green spiritual fire! We are really a match made in heaven!" Yao Qing said with a smile.

The red-clothed girl stopped in her footsteps and said coldly, "A toad also wants to eat swan meat?"

After saying this, the red-clothed girl strode into the Divine Medicine Pavilion.

Yao Qing rolled up his sleeves and said angrily, "Stop right there! I'll teach you a lesson!"

"Alright, Alright. Don't you find it embarrassing?" Qin Yu rolled his eyes.

Yao Qing said angrily, "Mr. Qin, this bitch called you a toad! How can I tolerate this!"

"Go to hell!" Qin Yu smiled and kicked Yao Qing's butt.

"Don't waste time. Hurry up and go in." Qin Yu waved his hand and said.

Therefore, Qin Yu and Yao Qing strode into the Divine Alchemist Pavilion.

By the time they entered, the red-dressed girl had long disappeared. She must have wanted to get rid of Yao Qing.

As soon as they entered the Divine Medicine Pavilion, the first thing they saw was a huge building that looked like an ancestral hall.

In the divine medicine pavilion, herbs and alchemists could be seen everywhere.

Many herbs that had been used for decades were used for the training of alchemists.

Such extravagance was really eye-opening.

Soon, an apothecary walked up.

He sized up Qin Yu and asked, “You are?”

Qin Yu said politely, “I’m here to compete for the position of Apothecary.”

“Qin Yu?” He asked tentatively.

“It’s me.” Qin Yu nodded.

The apothecary nodded and said, “Fifth elder has been waiting for you for a long time. Come with me.”

After saying that, he took the lead and walked forward. Qin Yu and Yao Qing followed closely behind.

The Divine Medicine Pavilion was extremely large, and there were countless houses.

It was not an exaggeration to say that the divine medicine pavilion was a small city!

Not only were there modern and ancient style buildings, there were even mountains, rivers, forests, and trees.

The apothecary led Qin Yu to turn left and right, and finally stopped in front of a mansion.

On the door plaque of the mansion, there were a few big words: Elder’s mansion.

And at the end of the plaque, there was a small number “5”.

“Go in.”The apothecary said expressionlessly.

Qin Yu hurriedly walked towards the Elder’s mansion.

“You can’t go in.”At this moment, the apothecary stopped Yao Qing.

Yao Qing touched his nose and said, “Mr. Qin and I are...”

“Even if you are his father, you can’t go in,”the apothecary said with a cold face.

Qin Yu waved his hand and said, “Wait for me outside.”

Then, Qin Yu took the lead and stepped into the Elder’s residence.

As he pushed the door open and entered, Qin Yu smelled a strong medicinal fragrance.

Looking around, there were several hundred-year-old herbs around the elder’s residence!

These herbs were scattered all over the ground. None of them were treated like top-grade herbs.

“Qin Yu, you’re here.”

At this moment, the fifth Elder’s voice came from the side.

Qin Yu cupped his hands to him and said, “Greetings, Fifth Elder.”

The fifth elder smiled and said, “You’re too polite. Hurry up and sit down.”

Qin Yu and the fifth elder sat in front of a stone table.

The fifth elder poured a cup of tea for Qin Yu and said indifferently, "I knew you would come."

Qin Yu couldn't help but smile bitterly when he heard this. "To tell you the truth, I didn't really want to come before. It's just that..."

"It's just that time is too tight, and you come from a humble background. You Don't have any resources or background, right?"The fifth elder said indifferently.

Qin Yu said with some surprise, "Fifth Elder, how did you know?"

Fifth Elder laughed out loud and said, "I've also heard about the matter between you and the Princess of the Yan family!"

Qin Yu's old face instantly turned red and he appeared extremely shy.

Fifth Elder, on the other hand, was very open-minded. He patted Qin Yu's shoulder and said jokingly, "What's there to be embarrassed about? In this world, isn't it just a small matter? It's either for money or for women."

After the fifth Elder's teasing, Qin Yu felt much more relaxed.

He smiled and said, "I didn't expect the fifth elder to still be a man of character."

The fifth elder sighed and said, "Back then, I was also angry for my beauty. It's a pity that I was kidnapped by rich people in the end."

At this point, the fifth elder waved his hand and said, “Alright, let’s not talk about this.”

He said seriously, “With your talent, entering the Divine Alchemist Pavilion will at least give you a position as an elder. However, the Divine Alchemist Pavilion does not have such a precedent, so we can only let you suffer for the time being.”

Qin Yu hurriedly said, “Fifth elder, you are too polite.”

Immediately after, the fifth elder took out a purple token from the side.

On the token, two words were engraved: Qin Yu.

“I have long prepared it for you. From today onwards, you are the Divine Alchemist of the Divine Alchemist Pavilion. Other than the elders and the pavilion master, you are the highest grade.” The fifth elder handed the token to Qin Yu.

After Qin Yu received the token, he could not help but be a little surprised.

This was the first time he knew that the Divine Alchemist Pavilion’s alchemists were also divided into grades.

“You can stay in the Divine Alchemist pavilion with Peace of mind. I will apply to the Pavilion Master and let you become an elder,” said the fifth elder.

It could be seen that the fifth elder attached great importance and affection to Qin Yu. The conditions he gave Qin Yu were also extremely generous.

Of course, the root of all this was still because Qin Yu had his own ability.

Through their conversation, they learned that the Divine Alchemist pavilion's power was beyond imagination. Their members were spread all over the world.

The directors of many local tertiary grade a hospitals were very likely to be members of the Divine Alchemist Pavilion.

In other words, as long as one obtained the token of the Divine Alchemist Pavilion, they would become a distinguished guest of the various hospitals.

“Alright, I'll bring you to meet the pharmacists of the Divine Alchemist Pavilion Now.”Fifth Elder stood up and said.

“Alright.”Qin Yu nodded.

He followed behind fifth elder all the way to the lecture hall.

In the lecture hall, many pharmacists had already gathered here and were waiting.

Fifth Elder brought Qin Yu to the front and waited for everyone to gather.

At this moment, the red-dressed girl also walked over.

She glanced at Qin Yu, but her eyes were still slowly filled with disdain.

Qin Yu didn't care much and greeted her with a smile.

After about ten minutes, fifth elder saw that almost everyone had arrived, so he coughed.

The scene immediately quieted down.

Fifth Elder cleared his throat and said, "Our Divine Alchemist Pavilion has added two new members."

With that said, fifth elder took the lead to point at the red-dressed girl and said, "Peaches, an ordinary alchemist."

Then, fifth elder pointed at Qin Yu and said, "Qin Yu, an upper-grade alchemist."

The scene quickly erupted into thunderous applause. However, at this moment, peaches shouted, "I'm not convinced!"

Fifth elder frowned slightly and asked in surprise, "What's Wrong?"

Peach said with a cold face, "I have green spirit fire, but I'm just an ordinary alchemist. What makes him an upper-grade alchemist? Just because he has a good relationship with you?"

When fifth elder heard this, he didn't know whether to laugh or cry.

"Qin Yu's ability is above yours. Of course he's an upper-grade alchemist," fifth elder said helplessly.

Peach sneered, "Above me? What right do you have to say that?"

Before fifth elder could say anything, Qin Yu took a step forward.

He said with a faint smile, "Peach, right?"

Peach snorted lightly and turned her face to the side.

Qin Yu continued, “Although your green spiritual fire is not bad, it is worse than mine.”

“Because... I am a blue spiritual fire.”

As soon as he finished speaking, Qin Yu’s palm suddenly erupted with a flame that flickered with a blue light!

Chapter 332: Chapter 332, setting a trap

Looking at this ball of Blue Flame, Peaches’ mouth immediately opened wide!

Ever since she gave birth to the green spiritual fire, she had always been extremely proud!

It was not an exaggeration to say that peaches had never seen anyone with a spiritual fire above her!

It was not just peaches. Many of the alchemists present began to discuss in low voices.

“It’s actually a blue spiritual fire! No wonder she was invited by the Fifth Elder!”

“Even in the Divine Alchemist Pavilion, not many people possess a blue spiritual fire, right?”

“I reckon that other than the first elder and the pavilion master, no one else is above Qin Yu.”

Qin Yu put away the spiritual fire and said with a faint smile, “Little girl, do you still think that I came in through the back door?”

Peach’s expression changed again and again. Then, she cupped her hands slightly towards Qin Yu and said, “It’s my fault for being presumptuous.”

The fifth elder who was standing at the side also seemed to be quite satisfied with this. His face was filled with an indescribable smile.

“Alright, everyone can disperse.”The fifth elder waved his hand.

Then, he looked at Qin Yu and peach and said, “The two of you follow me.”

The two of them followed behind the fifth elder and walked out of the hall.

The fifth elder brought the two of them around the Divine Alchemist Pavilion and briefly introduced the Divine Alchemist Pavilion.

It included the medicinal herbs storehouse, alchemy room, and so on.

“Fifth elder, what’s the difference between an ordinary pharmacist and a high-grade pharmacist?”Peach asked.

The fifth elder smiled and said, “It’s mainly because of the difference in status. A high-grade pharmacist is the pharmacist with the highest status other than the elders and the Pavilion Master.”

“Other than that, the offerings are also different. A high-grade pharmacist’s monthly salary is 100,000 yuan. Other than that, there are three hundred-year-old herbs.”

“As for ordinary pharmacists, their monthly salary is only 30,000 yuan, and there is also one stalk of herbs.”

Qin Yu nodded slightly when he heard this.

He did not care much about money. As long as he could obtain the herbs, he was willing to pay for them.

“There are countless people who come to the Divine Alchemist pavilion every day to ask for herbs. The two of you have just arrived, so naturally, you have to accept the corresponding tasks,” fifth elder said.

Then, the fifth elder extended his finger and pointed at a small house not far away.

“That is the consultation room. Most of the people who come here to see a doctor are famous people.”

“Of course, you don’t have to be too nervous. No matter how big a person is, they have to lower their status in front of the Divine Alchemist Pavilion,” said the fifth elder proudly.

Just as fifth elder said, a warrior was nothing in the eyes of ordinary people.

However, an alchemist with superb medical skills would be respected by people from all walks of life.

After all, people only had one life. Everyone was afraid of death.

“The two of you can be considered a group for the time being,” fifth elder said.

Peach hurriedly nodded and said, “Yes, Fifth Elder.”

At this moment, Qin Yu suddenly thought of something.

He looked at fifth elder and said, “Fifth elder, I might not be able to stay in the Divine Alchemist Pavilion Forever.”

To Qin Yu, the only reason he came to the Divine Alchemist Pavilion was for the resources of the Divine Alchemist Pavilion.

As for the alchemy skills of the Divine Alchemist Pavilion, Qin Yu did not care at all.

Fifth Elder did not seem to be surprised. He smiled and said, “The Divine Alchemist Pavilion does not have any requirements to force you to stay. However, once the Divine Alchemist Pavilion summons you, you must come back.”

At this point, the fifth elder paused for a moment and continued, “Of course, you still have to stay in the Divine Alchemist Pavilion for a month.”

“A month?” Qin Yu frowned slightly.

“Why? Is there a difficulty?” The fifth elder asked.

Qin Yu smiled bitterly and said, “I... I can leave at any time. A month is too long for me.”

What kind of joke was this? There was not much time left for Qin Yu.

Moreover, a month's change was too big.

The fifth elder seemed to have seen through Qin Yu's meaning. He sized Qin Yu up and down and said somewhat helplessly, "I understand. You mean to come and go as you wish, right?"

Qin Yu's old face blushed.

He really meant it.

"TSK tsk, you are really arrogant because of your talent." The fifth elder rolled his eyes.

"Qin Yu, let me tell you, the Divine Alchemist Pavilion has lectures every month, and they will teach you alchemy techniques." Fifth Elder reminded.

Qin Yu shook his head and said, "Fifth Elder, I don't need alchemy techniques."

Fifth elder sighed and said, "Qin Yu, Oh Qin Yu, you're really an exception."

He pondered for a moment, and then continued, "I can't make the decision on this matter. When Pavilion Master comes back, you can tell her yourself."

Qin Yu hurriedly asked, "When will pavilion master come back?"

Fifth elder said, "It should be in the next few days."

“Okay, I’ll have to trouble you.”Qin Yu nodded.

Then, fifth elder instructed someone to arrange a residence for Qin Yu.

As a high-grade pharmacist, Qin Yu’s residence was naturally not ordinary.

Although it was not comparable to the Elder’s residence, its residence was quite comfortable and quiet.

Peach’s residence happened to be at the side. In comparison, her residence appeared somewhat down and out.

After returning to the residence, Yao Qing said with a face full of amazement, “Mr. Qin, this Divine Alchemist’s pavilion is indeed not ordinary. I’ve never seen such dense qi/spiritual energy before.”

Qin Yu also nodded and said, “The Divine Alchemist’s Pavilion’s Qi/spiritual energy is indeed far superior to other places.”

It was unknown how many herbs the divine medicine pavilion had in stock. The Qi/spiritual energy emitted from its body was refreshing.

Qin Yu did not waste any time. He sat cross-legged on the arhat bed and began to absorb the Qi/spiritual energy from the Divine Medicine Pavilion.

In the blink of an eye, three days had passed.

On this morning, Qin Yu ran around the divine medicine pavilion as usual.

At this moment, Qin Yu's heart suddenly felt a sharp pain.

This sharp pain flashed past, but it still made Qin Yu extremely painful.

“What... What's going on?” Qin Yu held his heart and half-squatted down.

He tried to feel his body, but he found nothing abnormal.

This feeling made Qin Yu very uneasy.

He stood there for a long time, and his heart faintly had an indescribable throb.

“Mr. Qin, third elder invites you over.” At this moment, an apothecary walked forward and said.

“Third Elder?” Qin Yu frowned.

He didn't seem to know this third elder and had never seen him before.

“I understand.” Qin Yu didn't think much about it. He nodded and rushed towards the Elder's residence.

After stepping into Third Elder's residence, Qin Yu discovered that Peach was also there.

And sitting in front of Peaches was a long-browed old man.

“Greetings, Third Elder.” Qin Yu walked forward and greeted the long-browed old man.

The third elder slowly opened his eyes and said, “Someone made an appointment to see a doctor today, but I don’t have the time.”

“I heard that you are the new pharmacist and possess spirit fire. I’ll leave this matter to you,” said the third elder.

Qin Yu didn’t think too much about it and immediately nodded in agreement.

The two of them walked out of the Elder’s residence and walked towards the consultation room.

The consultation room of the Divine Medicine Pavilion was extremely huge. On the surface, it was said that it was open to the public, but in reality, the poor had no chance to step into it.

Qin Yu and Peach walked into it and sat down. Then, they waited for the patient to come to their door.

“It’s said that the third elder has a bad character and is extremely jealous. I don’t know if it’s true or not,” said peach expressionlessly.

Qin Yu glanced at her and smiled, “Who cares? It has nothing to do with us.”

Peach glanced at Qin Yu and snorted, “I’m just afraid that he will set us up.”

Chapter 333: Chapter 333. The conflict escalated

“Set up a trap? What kind of trap can he set up?” Qin Yu didn’t really care.

Peach didn’t speak much to begin with, so she didn’t say anything more.

The two of them sat there and waited for a long time.

It wasn’t until noon that someone walked in from outside.

It was a young man. The young man was dressed luxuriously and had an extraordinary aura.

Behind him were two men dressed as bodyguards.

Qin Yu took a closer look and realized that these two bodyguards were actually third grade martial grandmasters.

“Even the bodyguards are third grade martial grandmasters. I think they must have quite a background,” Qin Yu thought to himself.

The young man strode to Qin Yu and sat down.

He sized up Qin Yu and said, “You’re the one who treated me?”

Qin Yu nodded and said, “That’s right. What’s wrong with you?”

The young man stretched and said, “Aren’t you an apothecary? Can’t you tell?”

Qin Yu frowned. His attitude was really displeasing.

“Forget it, forget it. I’m here to buy medicine. I’ve already discussed it with your elders.”The young man waved his hand.

He took out a prescription and slammed it on the table.

There were four or five types of pill on the table.

These pills were all ordinary pills, so it was not difficult to refine them.

“Qin Yu, let me do it.”At this moment, Peach suddenly said.

Qin Yu nodded and said, “I have the same intention.”

However, at this moment, the young man suddenly stood up and looked at Qin Yu coldly, saying, “Are you that Qin Yu?”

Qin Yu asked suspiciously, “I don’t seem to know you, right?”

The young man laughed loudly. “Hahaha, of course you don’t know me, but I know you!”

“I’m Han Shixun of the Han family!”The young man said coldly.

“Han family? The Han family of Jingdu?”Qin Yu’s expression changed slightly.

The young man said indifferently, “That’s right. The road between enemies is really narrow. I didn’t expect to meet you here.”

Peach saw the strangeness between the two. She hurriedly walked forward and said, “Qin Yu, go to the side. Let me do it.”

After saying that, peach walked in front of Han Shixun and said politely, “Sir, I’m also an apothecary of the Divine Alchemist Pavilion. I’ll refine a pill for you now.”

“You?” Han Shixun sized up peach and then slapped her!

Peaches’ face immediately turned red from the slap, and a clear palm print appeared on her face.

“Who do you think you are? Get lost! I want Qin Yu to refine medicine for me personally!” Han Shixun sneered.

Anger flashed in Peaches’ eyes, but due to her identity, she forced it down.

Qin Yu’s face turned a bit cold.

However, this was the Divine Alchemist Pavilion after all, and Qin Yu had just arrived. It was probably not appropriate for him to cause trouble here.

Therefore, Qin Yu took a deep breath and said, “This is the Divine Alchemist Pavilion. If you want to cause trouble, we can just go out.”

Han Shixun pretended to be innocent and said, “I just want to buy a pill. Why is it causing trouble? Isn’t the Divine Alchemist Pavilion Bullying People?”

Qin Yu suppressed his anger and nodded, “Okay, I’ll refine the pill for you now.”

After saying that, Qin Yu looked at peach and said, “Go and get the cauldron and the herbs for me.”

“Okay,” peach answered. She walked to the side and took the cauldron and the herbs that she needed.

After the cauldron was set up, a blue spiritual fire suddenly lit up in Qin Yu’s palm.

The fire burned fiercely in the medicinal cauldron, and the herbs quickly turned into medicinal liquid.

The herbs that Han Shixun needed were very ordinary, so Qin Yu only spent half an hour to successfully refine the pill.

Five pills were placed in front of Han Shixun.

“Take your pill and leave quickly.”Qin Yu suppressed the anger in his heart and said.

Han Shixun pinched the pill with his fingers and glanced at it. Then, he threw it on the ground and crushed it with one foot.

“What kind of Bullsh * t are you refining? If you fail, refine it again for me!”Han Shixun said with a smile.

Qin Yu’s face became colder and colder.

He suppressed his anger and said, “Han Shixun, I’m warning you. Don’t be endless.”

Han shixun laughed and said, “I’m endless. What’s Wrong?”

After saying that, he grabbed the pill and threw them all on the ground.

“Refine them again until I’m satisfied!” Han Shixun snorted coldly.

Qin Yu stared at Han Shixun and didn’t say anything for a long time.

Many pharmacists around also surrounded him.

Countless gazes were focused on Qin Yu.

The Divine Alchemist Pavilion had rules. No one was allowed to make a move in the Divine Alchemist Pavilion, let alone bully the customers who bought the medicine.

Therefore, Qin Yu suppressed his anger and nodded. “Okay, I’ll refine it for you again.”

He picked up a few herbs and refined the medicine for Han Shixun again.

Another half an hour passed.

Five pills fell into Qin Yu’s hands.

Qin Yu handed the pill to Han Shixun and said coldly, “Take your pill and get lost!”

Han Shixun glanced at it and sneered, “What the Hell Are you refining? Candy? You Don’t even want to give this thing to dogs.”

“Sir, there’s no problem with the pill Qin Yu refined.” Another pharmacist at the side couldn’t stand it anymore.

Han Shixun glared at him and said with a cold face, “What has it got to do with you? My Han family is so strict in doing things. Do you have a problem with that?”

Hearing the words ‘Han family’, the faces of many pharmacists immediately changed, and they all took a step back.

“Qin Yu, bear with it. After all, he is a member of the Han family,” someone even walked forward and reminded him in a low voice.

Han Shixun sat on the chair and said proudly, “Re-refine. Don’t waste my time!”

Qin Yu sneered and said, “Okay, I’ll re-refine it for you.”

This time, Qin Yu directly took a few different herbs and threw them into the cauldron.

Not only that, Qin Yu’s refining method seemed to be different from before.

Everyone couldn’t help but frown. For a moment, they couldn’t understand Qin Yu’s intention.

Soon, a black pill fell into Qin Yu’s hand.

Qin Yu held the pill and said coldly, “Are you satisfied this time?”

Han Shixun sized it up and said with a frown, “What is this thing? Are You Bluffing Me?”

Qin Yu said with a sneer, “The power-dissipating pill.”

“Power-dissipating pill?” People around immediately exclaimed!

The power-dissipating pill, as the name implied, as long as one swallowed this pill, it would damage the foundation and might even force one’s strength to regress!

Han Shixun’s face gradually turned cold. He narrowed his eyes and said coldly, “Leave this power-dissipating pill for yourself to eat.”

“No, this is a gift from me to you. You have to eat it even if you don’t want to!” Qin Yu said coldly.

As soon as he said that, Qin Yu reached out his hand and grabbed Han Shixun’s chin!

Then, Qin Yu forcefully opened Han Shixun’s mouth!

“Kid, how dare you!” Han Shixun’s two bodyguards were instantly furious. They reached out their hands and grabbed Qin Yu!

“Get lost!” Qin Yu didn’t even look at them. He directly raised his hand and threw an absolute beginning holy fist!

The two bodyguards were instantly sent flying!

“You like to cause trouble, right?” Qin Yu said coldly.

“I don’t care about the Han family or the Wang family. Other people spoil you, but I don’t Spoil You!” After saying that, Qin Yu directly stuffed this energy dissipation pill into Han Shixun’s mouth!

Chapter 334: Chapter 334, Sharp Tongue

The power dissipation pill was forcefully stuffed into Han Shixun's mouth by Qin Yu.

Following that, Qin Yu clapped his hands, and the pill directly fell into Han Shixun's stomach.

The instant the pill fell into his stomach, it exploded like a small bomb!

Han shixun desperately clutched his throat and tried to dig it out, but it was already too late!

The pill quickly spread in his body, and waves of intense pain came from his Dantian!

"Qin Yu, you... are courting death!" Han Shixun roared angrily.

Qin Yu, however, was expressionless and said coldly, "You found this yourself."

Han Shixun clenched his teeth and said, "I'm a member of the Han family, how Dare You Treat Me Like This!"

Hearing Han Shixun's words, Qin Yu slapped his head and suddenly understood.

"Oh, right, you're a member of the Han family, so I can't forgive you," Qin Yu said coldly.

Then, Qin Yu strode forward and kicked Han Shixun's lower abdomen!

This kick sent Han Shixun flying dozens of meters!

The intense pain in his Dantian instantly increased by several times!

“Ah! !” Han Shixun clutched his lower abdomen and half-knelt on the ground!

However, in the next second, Han Shixun’s face turned extremely ugly!

He pointed at Qin Yu in disbelief and said in pain, “You... you actually broke my Dantian?”

Qin Yu sneered, “People like you are a scourge sooner or later. It’s better to cripple you as soon as possible.”

Everyone was terrified when they heard it!

They were even more afraid of Qin Yu’s ruthlessness!

“Qin Yu, I want you to die!” Han Shixun roared crazily!

He glared at Qin Yu, wishing that he could tear Qin Yu into pieces!

“If you dare to talk nonsense again, I will kill you right now.” Qin Yu’s killing intent suddenly exploded!

After feeling this killing intent, Han Shixun felt as if a fishbone was stuck in his throat, and he could not say a word!

No one would have thought that not only was Qin Yu not afraid of the Han family, he had even shattered Han Shixun’s dantian!

After all, that was the Han family! A Top-notch family in Jingdu!

“Just you wait!” Han Shixun climbed up from the ground.

With the help of his bodyguards, he walked out with difficulty.

The clinic became quiet. Everyone looked at each other, as if they could not believe that this was true.

Qin Yu, on the other hand, sat there as if nothing had happened, doing whatever he was supposed to do.

Tao Zi frowned. She walked forward and said, “The Divine Alchemist Pavilion can’t hit people.”

Qin Yu sneered, “At worst, I’ll just leave.”

Tao Zi was silent for a moment and said, “I’ll testify for you. It was Han Shixun who started the trouble first.”

“No need.” Qin Yu waved his hand.

He was already prepared to be kicked out of the Divine Alchemist Pavilion.

At this moment, the fifth elder suddenly rushed in from outside.

He walked quickly to Qin Yu and said in surprise, “You Crippled Han Shixun?”

Qin Yu didn’t hide anything and nodded, “Crippled.”

“You...” the fifth elder suddenly didn’t know what to say.

“Do you know that he is a direct descendant of the Han Family?” Fifth Elder asked anxiously.

Qin Yu said coldly, "The Han family and I have long been enemies. One more won't make a difference. One less won't make a difference."

"Fifth elder, don't worry. I won't implicate the Divine Alchemist Pavilion." Qin Yu stood up and said.

Fifth Elder did not know what to say for a moment.

He suddenly seemed to have thought of something and frowned. "Who told you to come to the consultation room?"

Before Qin Yu could say anything, Tao Zi said anxiously, "It's third elder."

"Third Elder!" A flash of anger appeared on Fifth Elder's face!

"He must have done it on purpose! He must have done it on purpose!" Fifth Elder said angrily.

As soon as he finished speaking, he saw third elder walk in from outside the door.

He put his hands behind his back and said indifferently, "Qin Yu, how dare you! I told you to come to the consultation room, but you actually crippled him?"

Qin Yu glanced at him and didn't say anything.

He now believed Peach's words.

This third elder did it on purpose.

“Third Elder, why did you ask Qin Yu to come to the clinic?”Fifth Elder said coldly.

Third Elder didn't care at all. He snorted and said, “As an elder, I ordered the pharmacist to come to the clinic. Is there a problem?”

“But you clearly know that Qin Yu has a grudge against the Han clan!”Fifth Elder berated angrily.

Third Elder pretended to be surprised and said, “Is that so? I really don't know, but... does this have anything to do with the Divine Alchemist Pavilion?”

“Even if they have a grudge, they can't hit people? And they are so ruthless. Isn't this tarnishing the reputation of our Divine Alchemist Pavilion?”Third Elder said with a strange tone.

“You!”Fifth Elder was so angry that he blew his beard and glared. He wished he could swallow third elder alive.

Qin Yu glanced at third elder, stood up and said, “I don't think I have offended you before, right? Why did you deliberately harm me?”

Third Elder pointed at Qin Yu and said, “Don't talk nonsense. Who Hurt You?”

Qin Yu ignored him and continued to analyze, “Looking at your age, you should be eighty or ninety years old, right?”

“If I'm not wrong, you probably only have a red spiritual fire? Or don't you even have a spiritual fire?”

“You’ve been in the Divine Alchemist pavilion for so many years and you became an elder purely because of your seniority, right? Or perhaps, the pavilion master pitied you?”

Speaking up to this point, Qin Yu paused for a moment. He rubbed his chin and said, “So I’m guessing that you’re a good-for-nothing with a strong jealousy heart. Seeing that peach and I were born with spiritual fire, you felt indignant and jealous, right?”

These few words made third elder’s face turn red!

And fifth elder clapped his hands and cheered!

“Qin Yu, how did you know?”Fifth Elder said in surprise.

Qin Yu said with a faint smile, “I guessed. A man in his eighties or nineties is only a grandmaster. Moreover, he is under such good resources of the Divine Alchemist Pavilion. If he isn’t a good-for-nothing, then what is?”

The third elder was so angry that his face turned ashen. He looked at Qin Yu coldly and said, “You sharp-tongued little bastard. When the pavilion master comes back, I’ll see how you will explain!”

Qin Yu sneered and said, “Explain? What do I have to explain? At worst, I’ll just leave. Anyway, I can still survive after leaving the Divine Alchemist Pavilion.”

“Unlike you, if I leave the Divine Alchemist Pavilion, I’m afraid I won’t even be able to eat hot shit.”

“Good, good! Let’s wait and See!”Third Elder said angrily.

He knew that he couldn't win against Qin Yu, so he no longer looked for trouble. He immediately flicked his sleeves and left.

Qin Yu's words were greeted with waves of cheers.

Even Peach's eyes couldn't help but have a hint of admiration.

"Qin Yu, don't worry. I'll explain it to the pavilion master," fifth elder comforted.

Qin Yu waved his hand and said, "There's no need for that."

After all, in Qin Yu's opinion, the Pavilion Master of the Divine Alchemist Pavilion would not offend the entire Han family for Qin Yu alone.

Sometimes, right and wrong were not important.. What was important was benefits.

Chapter 335: Chapter 335, the secret of the Divine Alchemist Pavilion

Qin Yu originally wanted to leave the Divine Alchemist pavilion directly to avoid bringing trouble to the Divine Alchemist Pavilion.

However, the fifth elder rejected Qin Yu's idea. He shook his head and said, "Let's talk about it when pavilion master returns."

"If you leave now, you will really bring trouble to the Divine Alchemist Pavilion."

Qin Yu thought for a moment, then nodded and said, “Alright, I’ll agree to it.”

As a man, he had to bear the responsibility. It was not Qin Yu’s style to just leave like that.

Then, Qin Yu and Peaches left the consultation room together.

After returning to their residence, Peaches said in a deep voice, “When the pavilion master comes back, I will also testify for you. I believe that other people will also testify for you.”

Qin Yu smiled and said, “Don’t think too much about it. Just focus on refining the pill.”

Peach nodded and turned around to walk back.

The Divine Alchemist Pavilion had an extremely rich stock of herbs. Even the herbs used by the alchemists to practice their skills had medicinal effects that lasted for decades.

Those that were more than a hundred years old were not worth mentioning in the Divine Alchemist Pavilion.

“Since I’ve come to the Divine Alchemist Pavilion once, I Can’t just leave empty-handed,”Qin Yu thought to himself as he sat in the room.

According to the rules of the Divine Alchemist Pavilion, Chen Bei had the right to receive medicinal herbs for practice.

Thinking of this, Qin Yu stood up and walked towards the storage room.

The storage room of the Divine Alchemist Pavilion was extremely huge. The moment he got close, Qin Yu felt a strong medicinal fragrance.

And at the entrance of the storage room, there were two apothecaries in charge of registering and receiving the medicinal herbs.

Qin Yu walked forward and back, indicating his identity and intentions.

The two pharmacists looked at each other, then took out a form and placed it in front of Qin Yu.

“Pharmacist Qin, Please Register first,”the two of them said politely.

Qin Yu took the form and looked at it carefully.

Besides the name of the boarding party, there was another column on the form that stated the number of herbs to be collected.

Qin Yu pointed at this column and asked, “How much can each person receive?”

The two apothecaries smiled and said, “In theory, there is no limit to the number of herbs, but everyone usually receives eight to ten stalks each time.”

Qin Yu was immediately shocked!

There was no limit to the number of herbs? Wasn't this a little too exaggerated?

The resources of the Divine Alchemist Pavilion were really much larger than Qin Yu had imagined!

“Then I’ll take one hundred herbs first.” Qin Yu immediately filled in the last column with a number of one hundred.

“Alright, Please Wait a moment.” An apothecary stood up and went to the storage room while Qin Yu sat there and waited quietly.

A few minutes later, the apothecary walked back.

He said apologetically, “Apothecary Qin, I’m very sorry. I’m afraid you can’t take the herbs.”

“Why?” Qin Yu asked, puzzled.

The apothecary didn’t know how to explain for a moment. He stood there and stammered, unable to speak.

“An apothecary who is about to be expelled from the Divine Alchemist Pavilion wants to receive the herbs?” At this moment, another person walked out from the storage room.

This person was none other than the third elder.

Upon seeing the third elder, Qin Yu immediately understood.

He sneered and said, “So it’s you, this old trash, who is causing trouble in the middle.”

Upon hearing the words “Old Trash”, the third elder’s expression instantly changed!

“You... What did you call me?”The third elder glared at Qin Yu.

Qin Yu sneered and said, “What, you haven’t heard enough? Fine, I’ll repeat it again.”

“Old Trash, Old Bastard, old bastard, Old Fart, which one do you like?”Qin Yu said with a smile that was not a smile.

Third Elder’s face was livid with anger. He pointed at Qin Yu and said angrily, “You... you...”

“What me? I’m your father. Get lost!”Qin Yu sneered.

Third Elder was so angry that his whole body was trembling!

In all his years in the Divine Alchemist Pavilion, no one had ever humiliated him like this!

Third Elder held back his anger and said, “Qin Yu, I’m an elder of the Divine Alchemist Pavilion! Don’t you know what it means to be superior and inferior!”

Qin Yu sneered and said, “I’m sorry, I really don’t know what it means to be superior and inferior.”

Third Elder knew that he wouldn’t be able to take advantage of Qin Yu’s words, so he sneered and said, “Sharp-tongued brat, let me tell you, with Me Here Today, you can forget about taking half a stalk of herbs!”

“Oh? is that so? I’m going to take it today!”Qin Yu said coldly.

Then, he looked at the two pharmacists who were in charge of distributing the herbs and said, “Go, get me a hundred stalks of herbs.”

The two pharmacists seemed to be in an extremely difficult position as they stood there at a loss.

“Hehe, let’s see which one of you dares to go.”The third elder placed his hands behind his back as he said with a proud expression.

“Pharmacist Qin, we are only doing chores. You... Please don’t make things difficult for me.”The two pharmacists couldn’t help but laugh bitterly.

Qin Yu nodded and said, “Don’t worry, I won’t make things difficult for you. But today, I will definitely take these herbs!”

After saying that, Qin Yu strode towards the storage room.

“What, are you going to snatch it by force? !”Third Elder quickly moved forward and blocked Qin Yu’s way.

Qin Yu glanced at him and sneered, “According to the rules of the Divine Alchemist Pavilion, I have the right to take the herbs. You Don’t have the right to stop me.”

Third Elder said with a cold face, “Nonsense! If you dare to take half a step into the storage room, you will be regarded as a rebel! The law enforcement elder will not let you off lightly!”

“Old Fart, don’t put the blame on me. You say that a rebellion is a rebellion? Who Do you think you are?”Qin Yu sneered.

The third elder was so angry at Qin Yu that his whole body was trembling, but he had nothing to say.

“Get lost!” Qin Yu scolded coldly.

As his voice fell, a burst of killing intent instantly erupted!

The third elder’s face changed again. He felt a heavy pressure all over his body, and his internal organs were all impacted.

The third elder knew that he was no match for Qin Yu, so he pointed at Qin Yu and said, “Good, good. You Wait, you wait!”

After saying that, the third elder flicked his sleeves and left.

Qin Yu snorted coldly and said, “A coward.”

After saying that, Qin Yu strode into the storage room.

It had to be said that this storage room was completely beyond Qin Yu’s imagination!

It was not like what Qin Yu had thought, thinking that this was a warehouse.

In fact, this storage room could be said to be a new world! It was somewhat similar to the great ROC that farmed the fields in the countryside.

A large piece of land appeared in front of Qin Yu.

Herbs were vivid and lifelike.

Qin Yu looked at the scene in front of him and could not help but exclaim in surprise, “These herbs... are actually alive?”

He raised his head to look at his surroundings and soon discovered that there was something extraordinary about it.

This storage room was a huge array that was used to absorb the heaven and nature’s spiritual energy!

Compared to this array, the spirit gathering array that Qin Yu set up was simply not worth mentioning!

“No wonder the Divine Alchemist pavilion has such a bountiful storage...”Qin Yu muttered softly.

Even if it was an ordinary herb, under this kind of environment, its growth speed would exceed one’s imagination!

“What kind of existence is the pavilion master of the Divine Medicine Pavilion? To be able to set up such a grand array...”Qin Yu couldn’t help but sigh in his heart.

My Rich Wife – Chapter 335 –

Chapter 335: Chapter 335, the secret of the Divine Alchemist Pavilion

Qin Yu originally wanted to leave the Divine Alchemist pavilion directly to avoid bringing trouble to the Divine Alchemist Pavilion.

However, the fifth elder rejected Qin Yu's idea. He shook his head and said, "Let's talk about it when pavilion master returns."

"If you leave now, you will really bring trouble to the Divine Alchemist Pavilion."

Qin Yu thought for a moment, then nodded and said, "Alright, I'll agree to it."

As a man, he had to bear the responsibility. It was not Qin Yu's style to just leave like that.

Then, Qin Yu and Peaches left the consultation room together.

After returning to their residence, Peaches said in a deep voice, "When the pavilion master comes back, I will also testify for you. I believe that other people will also testify for you."

Qin Yu smiled and said, "Don't think too much about it. Just focus on refining the pill."

Peach nodded and turned around to walk back.

The Divine Alchemist Pavilion had an extremely rich stock of herbs. Even the herbs used by the alchemists to practice their skills had medicinal effects that lasted for decades.

Those that were more than a hundred years old were not worth mentioning in the Divine Alchemist Pavilion.

“Since I’ve come to the Divine Alchemist Pavilion once, I Can’t just leave empty-handed,”Qin Yu thought to himself as he sat in the room.

According to the rules of the Divine Alchemist Pavilion, Chen Bei had the right to receive medicinal herbs for practice.

Thinking of this, Qin Yu stood up and walked towards the storage room.

The storage room of the Divine Alchemist Pavilion was extremely huge. The moment he got close, Qin Yu felt a strong medicinal fragrance.

And at the entrance of the storage room, there were two apothecaries in charge of registering and receiving the medicinal herbs.

Qin Yu walked forward and back, indicating his identity and intentions.

The two pharmacists looked at each other, then took out a form and placed it in front of Qin Yu.

“Pharmacist Qin, Please Register first,”the two of them said politely.

Qin Yu took the form and looked at it carefully.

Besides the name of the boarding party, there was another column on the form that stated the number of herbs to be collected.

Qin Yu pointed at this column and asked, “How much can each person receive?”

The two apothecaries smiled and said, “In theory, there is no limit to the number of herbs, but everyone usually receives eight to ten stalks each time.”

Qin Yu was immediately shocked!

There was no limit to the number of herbs? Wasn't this a little too exaggerated?

The resources of the Divine Alchemist Pavilion were really much larger than Qin Yu had imagined!

“Then I'll take one hundred herbs first.” Qin Yu immediately filled in the last column with a number of one hundred.

“Alright, Please Wait a moment.” An apothecary stood up and went to the storage room while Qin Yu sat there and waited quietly.

A few minutes later, the apothecary walked back.

He said apologetically, “Apothecary Qin, I'm very sorry. I'm afraid you can't take the herbs.”

“Why?” Qin Yu asked, puzzled.

The apothecary didn't know how to explain for a moment. He stood there and stammered, unable to speak.

“An apothecary who is about to be expelled from the Divine Alchemist Pavilion wants to receive the herbs?” At this moment, another person walked out from the storage room.

This person was none other than the third elder.

Upon seeing the third elder, Qin Yu immediately understood.

He sneered and said, “So it’s you, this old trash, who is causing trouble in the middle.”

Upon hearing the words “Old Trash”, the third elder’s expression instantly changed!

“You... What did you call me?” The third elder glared at Qin Yu.

Qin Yu sneered and said, “What, you haven’t heard enough? Fine, I’ll repeat it again.”

“Old Trash, Old Bastard, old bastard, Old Fart, which one do you like?” Qin Yu said with a smile that was not a smile.

Third Elder’s face was livid with anger. He pointed at Qin Yu and said angrily, “You... you...”

“What me? I’m your father. Get lost!” Qin Yu sneered.

Third Elder was so angry that his whole body was trembling!

In all his years in the Divine Alchemist Pavilion, no one had ever humiliated him like this!

Third Elder held back his anger and said, “Qin Yu, I’m an elder of the Divine Alchemist Pavilion! Don’t you know what it means to be superior and inferior!”

Qin Yu sneered and said, “I’m sorry, I really don’t know what it means to be superior and inferior.”

Third Elder knew that he wouldn’t be able to take advantage of Qin Yu’s words, so he sneered and said, “Sharp-tongued brat, let me tell you, with Me Here Today, you can forget about taking half a stalk of herbs!”

“Oh? is that so? I’m going to take it today!” Qin Yu said coldly.

Then, he looked at the two pharmacists who were in charge of distributing the herbs and said, “Go, get me a hundred stalks of herbs.”

The two pharmacists seemed to be in an extremely difficult position as they stood there at a loss.

“Hehe, let’s see which one of you dares to go.” The third elder placed his hands behind his back as he said with a proud expression.

“Pharmacist Qin, we are only doing chores. You... Please don’t make things difficult for me.” The two pharmacists couldn’t help but laugh bitterly.

Qin Yu nodded and said, “Don’t worry, I won’t make things difficult for you. But today, I will definitely take these herbs!”

After saying that, Qin Yu strode towards the storage room.

“What, are you going to snatch it by force? !” Third Elder quickly moved forward and blocked Qin Yu’s way.

Qin Yu glanced at him and sneered, “According to the rules of the Divine Alchemist Pavilion, I have the right to take the herbs. You Don’t have the right to stop me.”

Third Elder said with a cold face, “Nonsense! If you dare to take half a step into the storage room, you will be regarded as a rebel! The law enforcement elder will not let you off lightly!”

“Old Fart, don’t put the blame on me. You say that a rebellion is a rebellion? Who Do you think you are?”Qin Yu sneered.

The third elder was so angry at Qin Yu that his whole body was trembling, but he had nothing to say.

“Get lost!”Qin Yu scolded coldly.

As his voice fell, a burst of killing intent instantly erupted!

The third elder’s face changed again. He felt a heavy pressure all over his body, and his internal organs were all impacted.

The third elder knew that he was no match for Qin Yu, so he pointed at Qin Yu and said, “Good, good. You Wait, you wait!”

After saying that, the third elder flicked his sleeves and left.

Qin Yu snorted coldly and said, “A coward.”

After saying that, Qin Yu strode into the storage room.

It had to be said that this storage room was completely beyond Qin Yu’s imagination!

It was not like what Qin Yu had thought, thinking that this was a warehouse.

In fact, this storage room could be said to be a new world! It was somewhat similar to the great ROC that farmed the fields in the countryside.

A large piece of land appeared in front of Qin Yu.

Herbs were vivid and lifelike.

Qin Yu looked at the scene in front of him and could not help but exclaim in surprise, “These herbs... are actually alive?”

He raised his head to look at his surroundings and soon discovered that there was something extraordinary about it.

This storage room was a huge array that was used to absorb the heaven and nature’s spiritual energy!

Compared to this array, the spirit gathering array that Qin Yu set up was simply not worth mentioning!

“No wonder the Divine Alchemist pavilion has such a bountiful storage...”Qin Yu muttered softly.

Even if it was an ordinary herb, under this kind of environment, its growth speed would exceed one’s imagination!

“What kind of existence is the pavilion master of the Divine Medicine Pavilion? To be able to set up such a grand array....”Qin Yu couldn’t help but sigh in his heart.

Chapter 336: Chapter 336, Pavilion Master’ s return

Feeling the Qi/spiritual energy in the storage room, Qin Yu couldn't help but feel a little moved.

Looking forward, there were several hundred-year-old herbs growing luxuriously in the storage room.

Qin Yu swallowed his saliva and even had the thought of sweeping it all away.

Of course, Qin Yu was only thinking about it.

Plundering like this wasn't in line with Qin Yu's temperament.

He took out a hundred herbs that had been around for decades, then turned around and walked out of the storage room.

“You guys count them. There are a total of a hundred herbs.” Qin Yu placed the herbs in front of the two of them.

The two pharmacists hurriedly nodded and said, “Pharmacist Qin, you'd better register them.”

“Okay.” Qin Yu nodded and agreed.

He wrote down his name and the number of herbs on the paper, then put all these herbs into the spatial magic tool.

After returning to his residence, Qin Yu couldn't wait to take out these herbs.

Looking at the herbs on the ground, Qin Yu couldn't help but have the illusion of being a rich man.

“Speaking of which, I don’t have any money in my card.”Qin Yu suddenly thought of a problem.

During this period of time, Qin Yu had spent a lot of money to retrieve the herbs.

The two billion in his bank account had already started to bottom out.

Therefore, Qin Yu took out his cell phone and called Lei Hu.

After the call was connected, qin yu asked, “How much money do I still have in my account?”

On the other end, Lei Hu hurriedly said, “Please wait a moment, I’ll go and check.”

A few minutes later, Lei Hu called back and said somewhat awkwardly, “Mr. Qin, the money in my account has been used to expand the company, so...”

“So how much more is there?”Qin Yu asked.

Lei Hu said in a deep voice, “Less than 300 million.”

“300 million...”

This amount was much less than he had imagined.

Although Qin Yu didn’t care about money, in this world, it was difficult to move without money.

Moreover, money was still hard currency. If he encountered top-grade herbs one day, he might have to spend a huge amount of assets.

“I got it.”Qin Yu hung up the phone.

He touched his chin and muttered in a low voice, “Looks like I have to think of a way to get money...”

Before he finished his sentence, the door was suddenly opened.

Then, he saw the third elder walk in angrily.

Beside him were two old men who looked dignified.

“Two law enforcement elders, it’s him!”The third elder pointed at Qin Yu and said.

“Not only did he forcefully break into the storage room, but he also stole the herbs! Please punish him severely, law-enforcing elder!”

The two law-enforcing elders in front of him looked at Qin Yu coldly and said, “Who allowed you to forcefully break into the storage room?”

Qin Yu stood up and said politely, “Greetings, two law-enforcing elders.”

Then, Qin Yu told the law-enforcing elders what had happened.

“If it weren’t for this third elder forcefully seizing the herbs, I wouldn’t have stepped into the storage room rashly,”Qin Yu said with a bow.

“Don’t even think about throwing dirty water on me!”The third elder said with a strange tone.

“It was clearly you who coveted the herbs and forced your way into the storage room.”

Qin Yu couldn't be bothered with the third elder. He bowed and said, “Two law enforcement elders, I only took hundreds of herbs that had medicinal effects for decades. This shouldn't be against the rules, right?”

The law-enforcing elder said coldly, “No matter what the reason is, you shouldn't force your way into the storage room.”

“Yes, yes, yes. He even came to take the pill, Han Shixun!” The third elder shouted.

The law-enforcing elder looked at Qin Yu coldly and said, “Come with us.”

Qin Yu frowned. The strength of these two law-enforcing elders was at the peak of the Martial Grandmaster realm. Qin Yu had almost no chance of winning in front of them.

“Please Show Mercy, Law Enforcement Elder!”

At this moment, the fifth elder rushed in.

Beside him were Yao Qing and Tao Zi.

The fifth elder walked forward quickly and explained, “Please Show Mercy, law enforcement elders. All of this is the result of the third elder's framing. It has nothing to do with Qin Yu.”

“Bullsh * T!” Third Elder scolded angrily.

Fifth elder snorted and said, “You know very well whether it has anything to do with you or not.”

“What does it have to do with me? Let me tell you...”

“Enough!” Law enforcement elder interrupted the quarrel between the two.

He glanced at Qin Yu and said, “No matter what the reason is, you are not qualified to enter the storage room. According to the rules, we must punish you. Come with us.”

The fifth elder wanted to say something, but was interrupted by Qin Yu with a wave of his hand.

He stood up and said, “Okay, I’ll go with you.”

Then, Qin Yu was taken away from the mansion by the two law enforcement elders.

“Fifth elder, what should we do? Will Mr. Qin Be Okay?” Yao Qing asked anxiously.

The fifth elder waved his hand and said, “The pavilion master will come back tomorrow. Let Her make the decision.”

“Hehe, the pavilion master will definitely not let go of this kid who doesn’t know the immensity of Heaven and Earth!” The third elder said with a strange tone.

The fifth elder looked at the third elder coldly and said, “You will pay the price for what you have done.”

“Hahaha, I want to see how you will make me pay the price!”The third elder snorted coldly and then left with a flick of his sleeve.

...

Qin Yu was brought to a dark room by the law enforcement elder.

The room looked slightly damaged, but what surprised Qin Yu was that a formation was also set up here!

In this formation, Qin Yu’s strength was greatly suppressed. It was impossible for him to escape from here.

“You stay here first. The matter is complicated. We will make a decision when pavilion master comes back,”said one of the law enforcement elders.

“Qin Yu, we have heard of your deeds and believe that you were framed. However, we have to follow the rules,”said the other law enforcement elder.

It could be seen that they did not like the third elder either.

Qin Yu nodded and said, “I understand. Thank you, Elders.”

The two of them did not say anything more. They turned around and walked out.

To Qin Yu, this so-called cage was nothing. He would sleep wherever he slept.

Moreover, the more difficult the environment was, the more it could train one’s willpower.

Qin Yu sat cross-legged on the ground and closed his eyes slightly.

His state of mind became more and more stable, as if he was in his own world.

...

The next day was the day the Pavilion Master of the Medicine God Pavilion returned.

And in the early morning, two law enforcement elders walked in.

“Qin Yu, you can go out, but don’t wander around. When the pavilion master returns, he will definitely summon you,” said the law enforcement elder.

Qin Yu cupped his hands and said, “Thank you two elders.”

After saying that, Qin Yu turned around and walked out of the cage.

At noon, all the medicine masters of the Medicine God Pavilion, big and small, gathered in the square.

Under the leadership of the first elder, the eight elders quietly waited for the return of the pavilion master.

“Kid, when the pavilion master comes back, I’ll see what you will do!” The third elder looked at Qin Yu with a gloomy look.

Chapter 337: Chapter 337. The Divine Alchemist Pavilion wasn’t afraid of anyone!

Qin Yu couldn't be bothered with this third elder. In any case, he was already prepared to leave the Divine Alchemist Pavilion, so he wasn't afraid at all.

The group of people stood under the Sun, quietly waiting for the return of the Divine Alchemist Pavilion's Pavilion Master.

Time flew by, and in the blink of an eye, an hour had passed.

Under the sun, everyone was sweating profusely.

“Why isn't the Pavilion Master Back Yet?” Qin Yu couldn't help but frown.

Peach said from the side, “Who knows? Don't these so-called big shots have to put on airs?”

Qin Yu spread his hands and spoke as if there was nothing wrong with his words.

At this moment, a car finally appeared at the entrance of the Medicine God Pavilion.

At a glance, a rolls-royce was glistening under the sunlight.

After the car stopped, two men quickly got out of the car and opened the back door.

Not long after, a young girl got out of the car.

The young girl looked like she was only 17 or 18 years old. Her snow-white skin was like cream, and her thighs were slender and fair. She was extremely sexy.

And on her face, there was an indescribable coldness. It did not seem to match her age.

Qin Yu muttered, “Pavilion Master has a Daughter?”

“Don’t talk nonsense! She is the Pavilion Master!” Someone beside him scolded softly.

Qin Yu’s face was immediately filled with shock, and his mouth was wide open.

This young lady was the famous Pavilion Master of the Divine Alchemist Pavilion?

“Pavilion Master... is actually a child?” Qin Yu could not help but say.

“I told you not to spout nonsense! Pavilion Master is already over sixty years old!” The person beside him said with widened eyes.

This immediately made Qin Yu even more shocked! This little girl was actually over sixty years old? How the hell did she take care of herself?

“Welcome Back, Pavilion Master!” The moment the medicine God Pavilion Master stepped in, everyone shouted in unison!

The Pavilion Master’s face was expressionless, looking somewhat cold.

In the face of everyone’s welcome, she acted as if she didn’t see it.

Everyone uniformly opened a path for the pavilion master, and each person’s face was filled with respect.

Qin Yu couldn't help but feel a little curious. He tried to release his spiritual sense, wanting to test the pavilion master's strength.

However, the moment Qin Yu's spiritual sense stretched out, it was forcefully cut off!

At the same time, the pavilion master's gaze also landed on Qin Yu.

The coldness on her face became even stronger!

Not only that, the pavilion master also walked towards Qin Yu step by step.

Although she only had the appearance of a teenager, the powerful aura on her body still made people break out in cold sweat!

“Kid, you're dead meat!” Seeing this, the third elder couldn't help but sneer in her heart.

Soon, the pavilion master walked to Qin Yu.

She looked at Qin Yu coldly and said, “You seem to be very interested in me.”

Everyone was frightened at this moment!

“Pavilion master, he...”

“Did I ask you?” The fifth elder was about to explain, but was interrupted by the pavilion master coldly.

The fifth elder immediately fell silent, not daring to say a single word.

Under such a powerful pressure, Qin Yu grinned.

“Pavilion Master, as the Pavilion Master of the Divine Alchemist Pavilion, I don’t think anyone would be uninterested, right?” Qin Yu said truthfully.

“Qin Yu, pay attention to your attitude when you speak!” The fifth elder reminded anxiously.

Qin Yu did not feel anything.

He did not believe that the pavilion master would do anything to him just because of a sentence.

“You are that new Qin Yu?” The pavilion master sized up Qin Yu, and a strange color seemed to flash in his eyes.

This could not help but make Qin Yu feel a little strange.

Because... He kept feeling that he had an indescribable unique feeling towards this pavilion master.

“Yes, greetings, Pavilion Master.” Qin Yu did not think much and replied politely.

The pavilion master nodded slightly and turned to leave.

At this moment, third elder walked up quickly.

“Pavilion Master, I Have Something to tell you!” Third Elder said anxiously.

The pavilion master glanced at him and motioned for him to continue.

Third Elder pointed at Qin Yu and said, “Pavilion Master, this Qin Yu has disregarded the rules of the Divine Alchemist Pavilion! He even beat someone up!”

“The young master of the Han family, Han Shixun, came to the Divine Alchemist Pavilion to get the medicine, but his Dantian was shattered by his kick!”

Hearing this, everyone could not help but suck in a breath of cold air!

Fifth Elder’s expression was extremely ugly! There was even a trace of sweat on his forehead.

“Pavilion Master, it was that Han Shixun who provoked him first! Qin Yu refined a pill for him many times, but he deliberately made things difficult for him!”Peach hurriedly explained.

“Pavilion master, just as Tao Zi said, Han Shixun indeed intended to make things difficult for Qin Yu.”Fifth Elder also hurriedly said.

“Moreover... the one who should have received Han Shixun should have been third elder!”

“Third elder clearly knows that Qin Yu has a grudge with the Han family, but he deliberately let Qin Yu receive Han Shixun! All of this has something to do with third elder!”

Third Elder did not panic at all. He said indifferently, “I don’t know whether there is a grudge or not. I only know that he hit someone, and it was not an ordinary person!”

“Pavilion Master, this is breaking the medicine God Pavilion’s Rules!”

The pavilion master did not say a word, and the scene was even more silent.

The tense atmosphere made it difficult for people to breathe.

Finally, the pavilion master spoke.

She turned around and glanced at third elder. She said indifferently, “So you think that the Medicine Master of Our Medicine God Pavilion should swallow his anger in the face of provocation?”

The third elder’s expression immediately changed when she heard these words!

This... What did this mean? Could it be that the pavilion master felt that there was no problem with Qin Yu’s actions?

Even Qin Yu couldn’t help but be dumbstruck! The pavilion master’s attitude was completely different from what Qin Yu thought!

“Pavilion master, but... but this is after all breaking the rules that you set...”the third elder said with some unwillingness to give up.

The pavilion master said coldly, “Indeed, pharmacists can not hit people, but under the premise of mutual respect.”

“Being humiliated in public, don’t tell me you have to bow and scrape? That’s called cowardice.”

The pavilion master’s clear attitude shocked almost everyone!

They even suspected that Qin Yu and the Pavilion Master had some special relationship! Otherwise, why would they protect Qin Yu so much!

“Pavilion Master, Han Shixun is after all a member of the Han clan in Jingdu. Since Qin Yu crippled Han Shixun, the Han clan will not let this matter rest...”the third elder said with an embarrassed smile.

The pavilion master said coldly, “What, Do You Think Our Divine Alchemist Pavilion is afraid of the Han Clan?”

When these words were said, everyone sucked in a breath of cold air!

It seemed that the pavilion master was going to protect Qin Yu!

“Pavilion Master, this Qin Yu is tarnishing the image of our Divine Alchemist Pavilion!”Third Elder was still unwilling to give up.

The pavilion master’s expression finally turned cold.

Even the others could not help but secretly curse third elder for being an idiot.

The pavilion master’s attitude was clearly trying to protect this Qin Yu! This third elder was still not giving up. wasn’t he seeking his own death?

“Han Shixun should have been received by you, but you handed this job that belongs to you to Qin Yu.”

“To the root of it, you are the culprit,”the pavilion master said coldly.

At this point, the pavilion master swept his gaze over everyone and said coldly, “The Divine Alchemist Pavilion is not afraid of anyone. I will naturally give an explanation to the Han clan.”

“As for you, from today onwards, you are no longer an elder of the Divine Alchemist Pavilion. You are demoted to an ordinary alchemist..”The pavilion master looked coldly at the third elder.

Chapter 338: Chapter 338, collapsing Han Wei

Pavilion Master’s words caused third elder’s expression to turn extremely ugly.

He had never expected pavilion master to have such an attitude!

Not only did he not deal with Qin Yu, he even stripped him of his position as an elder!

“Pavilion Master, third elder abdicating. I think Qin Yu is a good choice!”Fifth Elder seized this opportunity and quickly said.

Pavilion master glanced at Qin Yu and said indifferently, “Not everyone can be the Pavilion Master of the Divine Alchemist Pavilion.”

“Pavilion Master, Qin Yu Has Blue Spirit Fire! And I personally saw him refine a pill with his hands!”Fifth Elder said excitedly.

Pavilion master frowned slightly. After a moment of silence, she said indifferently, “We can give him a chance.”

“Thank you, Pavilion Master!”The fifth elder was beyond excited!

And the third elder felt like vomiting blood!

This was simply killing someone's heart!

The pavilion master did not stay any longer and turned around to leave the square.

After she left, everyone also surrounded her and congratulated Qin Yu.

“Apothecary Qin, Congratulations!”

“What is your relationship with the Pavilion Master? Why is she so biased towards you?”

“That's right, I've never seen the pavilion master so easy to talk to!”

In fact, not only were they suspicious, even Qin Yu himself felt puzzled.

The pavilion master's attitude was indeed somewhat abnormal.

“Qin Yu, don't be complacent for too long!” Third Elder said through gritted teeth.

Qin Yu said with a faint smile, “As expected, a good-for-nothing is a good-for-nothing. You've already been fired, do you still have the face to stay here?”

“That's right. If it were me, I wouldn't be able to stand this anger.” Yao Qing also muttered.

Third elder gritted his teeth. He snorted coldly and turned around to leave.

After that, Qin Yu didn't stay here any longer.

He went to the Elder's residence with fifth elder.

It could be seen that fifth elder was quite fond of Qin Yu.

Fifth Elder was simply happier than Qin Yu that Qin Yu could become an elder.

“Qin Yu, tell me, do you know the Pavilion Master?”The fifth elder asked carefully.

Qin Yu shook his head and said with a wry smile, “I've never seen him before.”

“That's really strange,”the fifth elder muttered.

“You'd rather offend the Han family for you ? It's really unbelievable.”

Although Qin Yu had doubts in his heart, he did not think much about it.

Perhaps it was because the pavilion master had taken a fancy to his talent.

“Qin Yu, prepare yourself. If you want to become an elder, you have to go through an assessment.”Fifth Elder stood up and said.

He patted Qin Yu's shoulder and said, “Didn't you say that you don't want to stay in the Divine Alchemist Pavilion ? As long as you become an elder, you can come and go as you please. Moreover, your salary will be much higher than before.”

“Really?”Qin Yu said with some pleasant surprise.

“Of course.”Fifth Elder said with a faint smile.

Originally, Qin Yu didn't have much feelings towards the position of Elder. But after hearing fifth Elder's words, Qin Yu immediately changed his mind.

After fifth elder left, Qin Yu began to search for the pill formula.

In order to ensure that he could pass the test, Qin Yu planned to refine a nine transformation golden pill!

Anyway, the divine medicine pavilion did not lack herbs. A nine transformation golden pill was enough to pass the test.

At this moment, Qin Yu's phone suddenly rang.

He picked up the phone and saw that it was an unfamiliar number from Jingdu.

Qin Yu looked at the phone number and thought for a moment before picking up the call.

“Qin Yu, you are really audacious!”As soon as the call was picked up, he heard a hoarse roar!

Although the voice was not familiar, Qin Yu quickly guessed the other party's identity.

“Han Wei?”Qin Yu raised his eyebrows and pressed the recording button.

Han Wei on the other end said coldly, “You actually crippled my Han family’s disciple’s Dantian in public! Qin Yu, you really don’t know what’s good for you!”

Qin Yu curled his lips and said, “Don’t be anxious and don’t be jealous. In another half a year, I will also Cripple Yours.”

“You!” Han Wei was so angry that smoke was coming out of his seven orifices. He couldn’t contain his anger! His phone was about to explode from his grasp!

“Qin Yu, let me tell you. It’s no longer a grudge between us. It’s between you and the entire Han family!” Han Wei said coldly.

“Do you have anything else? If there’s nothing else, I’ll hang up first. I still have to cultivate properly and wait to wring your dog’s head,” Qin Yu said impatiently.

Han Wei suppressed his anger and said darkly, “Let’s see how long you can be arrogant. Don’t think that I really don’t dare to do anything to you!”

Hearing this, Qin Yu immediately said in surprise, “Mr. Han, are you threatening me? Are You Afraid of Me? Don’t we have a half-year agreement?”

Han Wei sneered and said, “This agreement is only valid if I admit it. If I don’t admit it, then he’s just a Fart! Do you really think that I care about those lowlifes on the Martial Arts Forum?”

“TSK TSK, the young masters of aristocratic families really have a sense of superiority. If you want to come, then come.” Qin Yu snorted coldly.

Han Wei gritted his teeth and said, “Qin Yu, let me tell you, as long as I...”

Before Han Wei could finish his harsh words, a “Du du du” sound came from the phone.

“This bastard actually dared to hang up on me! I want to kill him, I want to kill him!” Han Wei’s eyes were wide open as he raised his head and roared angrily!

On the other end, Qin Yu couldn’t help but touch his chin after he hung up the phone.

“It seems that this agreement has very little binding force on Han Wei. It’s time to add fuel to the fire,” Qin Yu thought to himself.

Qin Yu recorded the conversation with Han Wei and made a simple cut. Then, he called the Jiang Bei Martial Arts Association’s reporter, Li Ruodan.

After the call was connected, Qin Yu quickly revealed his identity.

Li Ruodan said excitedly, “Mr. Qin? Why are you calling me?”

Qin Yu smiled and said, “I have a recording here. It’s an important piece of information. Do you want it?”

“Important piece of information? Of course I want it!” Li Ruodan said excitedly.

“Okay, I’ll send it to you later.”Qin Yu hung up the phone.

Then, Qin Yu sent the edited recording to Li Ruodan.

After Li Ruodan listened to the recording, she immediately replied to Qin Yu excitedly, “Mr. Qin, this news will definitely be more popular than before. Thank you so much! If there’s a chance, I’ll definitely treat you to a meal!”

Qin Yu did not reply.

He believed that this recording would definitely bring pressure to the Han family.

Even if they were the top ten families, they would definitely not do whatever they wanted.

Although Qin Yu’s methods were somewhat despicable, in order to protect himself, there was no other way.

...

The next day, this news was released on the Martial Arts Forum.

As Qin Yu expected, this news quickly blew up the entire martial arts forum!

Especially when Han Wei said “A bunch of bugs on the martial arts forum”, it ignited the anger of the people!

“This Han family is too arrogant. They actually said that we are bugs?”

“What is he pretending for? who is he scolding? !”

“Looks like this big family isn’t much. They are actually afraid of Qin Yu? Otherwise, why would they threaten us?”

“Hur Hur, the Han family is only so-so.”

Countless comments quickly spread.

And when Han Wei saw the news on the martial arts forum, he was so angry that his entire body trembled!

“Despicable, Shameless!” Han Wei grabbed his phone and slammed it on the ground!

At this moment, the butler walked in from outside.

He said carefully, “Young master, the master wants to see you....”

Chapter 339: Chapter 339. You can only win, you can not lose

Hearing this, Han Wei’s expression could not help but change.

He had a bad feeling in his heart.

“I got it.” Han Wei waved his hand.

However, the Butler still did not go out. He stood there with an embarrassed smile.

Han Wei frowned and said, “I said I got it. Don’t you understand?”

The butler said awkwardly, “Master... he wants you to go over immediately.”

“I F * cking understand!” Han Wei grabbed the item on the table and threw it over!

After all, Han Wei was at the pinnacle of the Martial Grandmaster realm. Even though he threw it casually, it contained an extremely powerful force!

The Butler’s expression changed drastically. With his ability, he couldn’t avoid it even if he wanted to!

At this moment, a ray of light lit up and directly shattered the display.

“What, I Can’t Call You Anymore ?” Then, he saw a man in his forties appear at the door.

Seeing this man, Han Wei hurriedly stood up and said nervously, “Dad...”

This man was Han Wei’s father, Han Meng, one of the true power holders of the Han family.

Han Meng slowly walked towards Han Wei. He waved his hand and said to the butler, “You can go out first.”

“Yes, Master.” The Butler bowed and quickly walked out.

The door was closed. In the huge room, there were only Han Meng and Han Wei.

Although Han Wei was arrogant and domineering to the outside world, in front of Han Meng, he was like a shivering cat.

“Dad...” Han Wei opened his mouth and was about to speak when Han Meng slapped him on the face!

This slap sent Han Wei flying!

“Trash! You’ve disgraced the Han family!” Han Meng said coldly.

He pointed at the content on the phone screen and said, “What is this? You’ve disgraced the Han family!”

Han Wei got up from the ground. He covered his face and explained in a low voice, “Dad, I will take care of it as soon as possible...”

“Take care of it? Take care of my ass!” Han Meng said angrily.

“I am a member of the Han family, but I am being led by the nose by a low-level bug. Is your brain filled with dog shit?”

Han Wei said with some grievance, “Dad, I didn’t expect him to be so shameless. I... I will go kill him now!”

“Kill your mother! Why did you do it earlier!” Han Meng kicked Han Wei in the stomach again.

“As the son of the Han family, you actually went to bet with some bottom-level person in Jiangcheng. Don’t you think it’s embarrassing?”

Han Wei got up from the ground again, not daring to say anything.

The atmosphere fell into a short silence.

At this time, Han Meng looked at Han Wei and said coldly, “This Qin Yu has a good relationship with Yan Ruoxue, right?”

“Yes! And not long ago, he went to the Yan family! I heard that old Mister Yan thinks highly of him...”Han Meng hurriedly said.

When Han Meng heard this, he slapped Han Wei’s face again.

“Why didn’t you get rid of him earlier? You can actually keep such a potential threat until now!”Han Meng said coldly.

“Now that everyone has their eyes on the Han family, it’s too late to make a move, you trash!”

Han Meng’s anger poured out wantonly.

However, Han Wei didn’t dare to talk back and could only silently endure it.

“Dad, now... What should I do now...”after hesitating over and over again, Han Wei still asked in a low voice.

Han Meng said in a deep voice, “Just wait. Wait for Old Mister Yan to pass away. It’s said that he has been in a very bad condition recently and has already been hospitalized.”

“Really?”Han Wei immediately said excitedly.

Han Meng nodded and said, “Remember, the marriage between the Han family and the Yan family can only succeed, not fail.”

“As for this Qin Yu, you have to get rid of him.”

Han Wei hurriedly nodded and said, “Don’t worry, I’ll send people right now...”

“Send your mother’s people!” Before Han Wei could finish speaking, Han Meng threw the cigarette butt at Han Wei’s face.

“If you send your men to kill him now, does the Han family still have any face left?”

Han Wei’s expression was a little ugly. He said in a low voice, “Father, I understand what you mean. Don’t worry, this Qin Yu is only a grandmaster. Killing him would be effortless for me...”

Hearing this, Han Meng’s expression eased up slightly.

“During this period of time, you have to do your best in closed-door cultivation,” Han Meng said coldly.

“Old Mister Yan has a few loyal subordinates by his side. I hope you can personally get rid of them when the time comes.”

“Yes, father,” Han Wei replied in a low voice.

...

While the outside world was in an uproar, Qin Yu acted as if nothing had happened.

He borrowed the dense qi/spiritual energy of the divine medicine pavilion to cultivate all day long.

It had to be said that under such circumstances, the speed of his cultivation was indeed much faster.

In just three days, Qin Yu had successfully stepped into the second level of the monastic stage.

“With the backing of the Divine Alchemist Pavilion, the gap in resources between me and the Han family would not be so big,” Qin Yu thought to himself.

At this moment, the fifth elder walked in from outside.

He looked at Qin Yu and said, “Qin Yu, are you ready?”

Qin Yu hurriedly stood up and said, “Fifth elder, I have long been ready.”

Fifth Elder nodded and said in a deep voice, “I have bad news for you. There is still one more person participating in this elder competition.”

“There is still one more person?” Qin Yu was a little surprised.

Fifth elder nodded and said, “As long as the position of Elder is vacant, there will definitely be someone competing. It is not limited to the Divine Alchemist Pavilion. The celebrities in society will also use this opportunity to step into the Divine Alchemist Pavilion.”

At this point, the fifth elder paused for a moment and continued, “And this person comes from the Han family.”

“The Han Family?” Qin Yu’s expression changed slightly.

He said in a deep voice, “Pavilion master’s meaning... could it be that you want me to lose to him on Purpose?”

After all, Qin Yu had injured a member of the Han family, and pavilion master had promised to give the Han family an explanation.

Giving the Han family a position of elder might be the best method.

However, the fifth elder shook his head and said, “No, the pavilion master wants you to win.”

This immediately shocked Qin Yu.

He never expected that the pavilion master’s temper was actually so similar to his!

“Qin Yu, so your task is very heavy.”The fifth elder exhorted.

Qin Yu stood up and said, “Fifth Elder, don’t worry. I will definitely not let the pavilion master down.”

“Okay, then get ready. See You in the Hall at two o’clock in the afternoon.”Fifth Elder stood up and then turned to leave.

“The Han family...”Qin Yu couldn’t help but secretly laugh in his heart.

The Han family probably thought that the divine alchemist pavilion would give face to the Han family, right?

“Unfortunately, your Han family will miscalculate.”Qin Yu sneered.

...

That afternoon, Qin Yu arrived at the hall according to the agreed time.

Many pharmacists had been waiting here long ago, and Tao Zi and Yao Qing were no exception.

“Qin Yu, you can’t lose,”Tao Zi said.

Qin Yu smiled and said, “Don’t worry, I Won’t lose.”

As soon as he said that, a young man walked in from outside the door.

The young man was wearing a robe and looked a bit strange.

His face, however, surprised Qin Yu greatly.

“It’s actually you? !” Looking at the Young Man’s face, Qin Yu couldn’t help but be stunned.

Chapter 340: Chapter 340, Exploding Luo Cheng

This person was none other than Luo Cheng from the Chuzhou Chinese Medical Association! Zhou Tong’s disciple!

In front of him, Luo Cheng’s expression had become somewhat sinister. His entire person had also become much thinner, and even his human appearance could no longer be seen.

Qin Yu frowned and said, “Luo Cheng, how did you become like this? Did you... cultivate some evil technique?”

Luo Cheng said with a vicious face, “It’s all because of you...”

“Because of me?” Qin Yu frowned slightly.

“I didn’t do anything to you back then, right?”

Luo Cheng said angrily, “Didn’t do anything? Because of you, my pride, which I have always been proud of, was completely shattered! My Dream also collapsed!”

“If it weren’t for you, I would definitely become the President of the Chinese Medical Association and be respected by thousands of people!”

“But it was your appearance that broke everything for me!”

Qin Yu couldn't help but shake his head and said, “Luo Cheng, your self-esteem is too fragile. Why, just because I beat you, your self-esteem is hurt?”

“You don't understand,” Luo Cheng said coldly.

“You don't know at all what kind of state of mind a person who has been praised since young is in.”

Qin Yu looked at Luo Cheng and said coldly, “Luo Cheng, it's your own thoughts that have gone wrong. It's your desire that can't support your ambition.”

“Cut the crap!” Luo Cheng said coldly.

“I'm now a member of the Han family! You have no right to criticize me in front of me!”

Qin Yu didn't say anything more.

Qin Yu was still a little surprised at Luo Cheng's development.

Back then, Qin Yu had thought highly of Luo Cheng, but he didn't expect him to take a wrong path.

From Luo Cheng's condition, he must have cultivated some evil technique that caused him to become like this, neither human nor ghost.

“Pavilion Master Is Here!”

At this moment, a loud shout came from outside.

Then, he saw the pavilion master, accompanied by many law enforcement elders, slowly walk in.

“Greetings, Pavilion Master of the Divine Alchemist Pavilion.” Luo Cheng bowed slightly to the pavilion master.

The pavilion master nodded slightly. He did not seem to be too surprised by Luo Cheng’s appearance.

After the pavilion master arrived, he announced that the election had officially begun.

Two medicinal cauldrons were placed in the middle, and a pile of rare herbs were freely available for the two of them to use.

Luo Cheng Glanced at Qin Yu with a sinister look, and then sneered, “Qin Yu, after half a year, I am no longer the Luo Cheng from back then.”

As soon as he said that, he saw Luo Cheng Open his palm!

A ball of blue spiritual fire jumped on Luo Cheng’s palm!

Everyone couldn’t help but suck in a breath of cold air!

This Luo Cheng was also a blue spiritual fire!

“You... aren’t you a red spiritual fire?” Qin Yu said with a frown.

Luo Cheng sneered, “This blue spiritual fire was given to me by the Han family. The Han family gave me everything!”

“Spiritual fire... can be given away?” Qin Yu was even more confused.

Luo Cheng snorted coldly and didn't say anything more.

He put the herbs into the cauldron one after another and then began to refine the pill.

It had to be said that Luo Cheng's pill refining technique could be said to have improved at a godly speed.

In just half a year, his control over the blue spiritual fire had reached the stage of perfection!

This technique left everyone dumbstruck. Even Qin Yu felt a trace of pressure.

Therefore, Qin Yu did not dare to waste any more time. He immediately threw the herbs into the cauldron and began to refine the pill.

This time, Qin Yu still did not change his choice to refine the pill. It was still the nine transformation golden pill.

The nine transformation golden pill was known as a divine medicine. Even in the Divine Alchemist pavilion, very few people could refine it.

As for the Han family, there was no need to mention it. Qin Yu did not believe that they had such a strong foundation.

Most importantly, Qin Yu needed fewer herbs to refine the nine revolutions golden pill than the others.

Under everyone's watchful eyes, two balls of blue flames danced within the medicinal cauldron.

The speed of the two people was almost equal, and the grade of the pill seemed to be earth grade.

Time passed by minute by minute, and in the blink of an eye, the sky gradually darkened.

The pill within the Qin Jade Cauldron had already begun to slowly take shape.

On the other hand, Luo Cheng's pill seemed to be one step short!

This couldn't help but make Luo Cheng's expression turn somewhat ugly, and even a trace of anxiety flashed across his face!

It was precisely because of the change in his state of mind that Luo Cheng's flame had deviated.

“Hu!”

The blue spiritual fire was extremely agitated, directly burning the herbs in the cauldron into ashes!

“How... how could this be!” Luo Cheng became even more panicked.

He stared at the herbs in his cauldron that had turned into ashes, and a hint of despair flashed across his face.

And at this moment, Qin Yu's nine transformation golden pill had apparently been successfully refined.

The Pill Cloud in the sky was also slowly condensing.

“Buzz!”

A Ray of light flashed, and the Nine Revolutions Golden Pill landed in Qin Yu's hand.

The scene immediately erupted into thunderous applause, and the pavilion master's eyes flashed with a hint of admiration.

Qin Yu handed the nine revolutions Golden Pill to the Elder, and then looked at Luo Cheng.

“Luo Cheng, you lost,” Qin Yu said in a deep voice.

Luo Cheng acted as if he did not hear it, and only kept muttering, “How could this be, how could this be...”

Seeing Luo Cheng's attitude, Qin Yu could not help but sigh and say, “Luo Cheng, you don't have to be sad. Your talent is not bad. I believe that the pavilion master will let you stay in the Divine Alchemist Pavilion.”

To Any Alchemist, the Divine Alchemist Pavilion was the most sacred hall in their hearts. Luo Cheng was no exception.

Being able to join the Divine Alchemist Pavilion was the best proof of alchemy skills.

However, Luo Cheng Glared angrily at Qin Yu as if he had gone mad!

A trace of grief and indignation flashed across his face, and his body trembled slightly.

“Stay in the Divine Alchemist Pavilion? Qin Yu, what you said is so easy!” Luo Cheng practically roared out these words!

He said with some pain, “You are an elder of the Divine Alchemist Pavilion, High and mighty, respected by tens of thousands of people, and yet I have become this neither human nor ghost appearance!”

“In order to get this blue flame, I tried my best to please the Han family. I was willing to work hard for them...”

“But even so, they didn’t treat me as a human at all!”

“All of this is because of you. It’s all because of you! If I hadn’t met you, I wouldn’t have gone crazy and wanted to get this flame!”

Luo Cheng’s craziness made people full of doubts.

Qin Yu frowned and said, “It’s just a loss, why are you so agitated? Although you didn’t become an elder this time, it’s not certain in the future...”

“I don’t have a chance, I don’t have a Chance!” Luo Cheng roared angrily!

“If I can’t beat you today, I will die here... to the Han family, my value... is over...”

“I don’t want to die, I don’t want to die...” Luo Cheng’s face began to twist, and his entire body began to tremble crazily!

Qin Yu’s expression changed, and he said with a frown, “Luo Cheng, what... is wrong with you?”

“Hu!”

At this moment, Luo Cheng's entire body was suddenly enveloped by the spiritual fire! His entire body turned into a Burning Man!

He danced his body and rushed towards Qin Yu at an extremely fast speed!

Wherever he went, he would be contaminated by the blue spiritual fire and directly turn into ashes!

The entire hall instantly became extremely chaotic!

The numerous pharmacists were fleeing in all directions!

“Whoosh!”

In the blink of an eye, Luo Cheng arrived in front of Qin Yu. His fists that were wrapped in flames fiercely smashed towards Qin Yu!

“I don't want to die... I don't want to die...”in the depths of the flames, Luo Cheng's pained voice could still be heard.

Chapter 341: Chapter 341: Spend More Time with your little girlfriend

The spiritual fire seemed to have lost control, and Luo Cheng was in extreme pain.

His fist arrived in front of Qin Yu almost in an instant!

Even Qin Yu didn't dare to neglect the body that was wrapped in the spiritual fire.

He hurriedly circulated his spiritual power and met it head-on.

“Clang!” A loud sound rang out! Qin Yu’s fist was instantly injured by the spiritual fire! Black cracks appeared one after another!

Qin Yu took two steps back and said with a frown, “As expected of the spiritual fire. Its power is indeed extraordinary.”

Luo Cheng’s body was still rushing towards Qin Yu!

Qin Yu could clearly feel that Luo Cheng’s consciousness was becoming increasingly dispirited.

“Kill him.” At this moment, the pavilion master who had been sitting in front suddenly waved his hand slightly.

Upon hearing this order, the eight law enforcement elders of the Divine Alchemist Pavilion immediately stepped forward!

A terrifying pressure instantly spread out!

Just as they were about to make their move, Qin Yu suddenly shouted, “Wait!”

The law enforcement elders’ actions immediately stopped in midair. They subconsciously looked at the pavilion master as if they were waiting for his order.

The pavilion master nodded slightly, as if he also wanted to see what tricks Qin Yu was up to.

Luo Cheng, who was wrapped in flames, was still charging towards the manic attack.

And this time, Qin Yu did not choose to take it head-on. Instead, he relied on his nimble body to dodge repeatedly.

Qin Yu indeed dodged, but this hall was destroyed beyond recognition.

Just as everyone was worried, Qin Yu suddenly shouted!

Following that, Qin Yu's body was enveloped by a blue light!

This light rapidly turned into flames!

The intensity of the flames even surpassed Luo Cheng's!

The two flames collided in an instant!

The sizzling sound was incessant!

Everyone was flabbergasted and dumbstruck, as if they didn't understand what Qin Yu was trying to do.

Even the pavilion master, who had been expressionless the entire time, had a flash of surprise on his face!

“Sou!”

Luo Cheng charged towards Qin Yu once again!

This time, Qin Yu didn't Dodge, instead, he roared repeatedly!

The veins on his forehead bulged, and boundless spiritual energy flowed through his dantian into his entire body!

In the next second, the Flames on Qin Yu's body expanded explosively once again!

This blue spiritual fire actually spread out in all directions!

When everyone saw this, they hurriedly ran to the side!

Even the law enforcement elder couldn't help but feel a little nervous.

After all, spiritual fire was the purest fire in the world, and its power was beyond imagination!

Beads of sweat were left on Qin Yu's forehead, and a golden glow was flickering between his brows.

It was obvious that the move Qin Yu used seemed to be extremely strenuous.

“Ah! !”

Finally! Following Qin Yu's furious roar, the spiritual flames that spread out in all directions actually condensed once again!

The spiritual flames seemed to be controlled by Qin Yu as they swept out with Luo Cheng as the center!

In a short instant, Qin Yu's enormous spiritual flames directly wrapped around Luo Cheng!

“Ah! !”

Waves of anguished wails sounded from Luo Cheng's mouth!

His physical body seemed to have been deprived of his soul!

On the other hand, the cold sweat on Qin Yu's face became denser and denser, and his teeth seemed to be on the verge of being crushed!

“Ah!”

With another explosive roar, Qin Yu seemed to have gone mad!

The spirit energy in his body became extremely violent and surged out crazily!

And the spirit fire expanded explosively once again!

“Hu...”

After an unknown amount of time, the violent power in the air began to slowly disappear.

And the spiritual fire on Luo Cheng's body was actually forcefully stripped out by the spiritual fire emitted by Qin Yu!

Luo Cheng fell to the ground with a “Plop” sound.

And the flame that lingered in the air slowly returned to Qin Yu's body!

The surroundings became quiet. No one knew what had happened.

Qin Yu wiped the sweat from his forehead and muttered softly, “Sure enough.”

On the stage, the pavilion master's eyes exploded with a bright light!

A rare smile appeared on her face.

“Qin Yu, you are really a genius.”The pavilion master said indifferently.

Hearing the Pavilion Master’s praise, Qin Yu appeared a little embarrassed. The people around couldn’t understand their conversation.

“Luo Cheng’s flame was forcefully turned into his own?”The Pavilion Master said with a faint smile.

Qin Yu scratched his head and said, “Just now, Luo Cheng said that his flame was given by the Han family. I was thinking that since it could be given, then it must be swallowed.”

“So you used an even larger spirit fire to forcibly seize Luo Cheng’s Spirit Fire?”The pavilion master slightly praised.

Qin Yu nodded and said, “Yes, I was only guessing whether it would succeed or not. Actually, I wasn’t sure either. Fortunately, the result was good.”

“This requires an extremely strong ability to control the spiritual fire. The slightest carelessness could result in a backlash. Aren’t you afraid?”The pavilion master said.

“Of course I’m afraid.”Qin Yu said with a bitter smile.

“But I was born without a background, and I don’t have much time. If I don’t take the risk, I’m afraid I’ll never get the chance.”Qin Yu sighed and said.

The pavilion master’s eyes filled with admiration for Qin Yu.

She slowly stood up and said indifferently, “From today onwards, you are the Divine Alchemist Pavilion’s Third Elder.”

Once these words were said, the entire place went into an uproar!

They originally thought that Qin Yu would take the back seat, but they didn’t expect her to directly replace the third elder’s position!

The pavilion master didn’t stay any longer. She took light steps and disappeared into the hall in the blink of an eye.

The people around her gulped.

After listening to the pavilion master’s explanation, they were immediately filled with admiration for Qin Yu.

Even Peach, who had always been incomparably arrogant, gave Qin Yu a thumbs up!

“Qin Yu, this is the first time the pavilion master has praised someone!”Fifth Elder walked forward and could not help but sigh.

“Yes, Apothecary Qin, Oh No, Elder Qin, your technique really shocked us!”

Qin Yu waved his hand and said modestly, “I was just lucky.”

“It’s not good to be too modest.”The fifth elder rolled his eyes.

After a round of flattery, everyone finally dispersed.

Qin Yu followed behind the first elder and the fifth elder to exchange for the token.

After exchanging the token, the fifth elder couldn't help but say sourly, "TSK TSK, I didn't expect you to directly rank above me. You will be my superior in the future."

Qin Yu hurriedly cupped his hands and said, "Fifth Elder, you must be joking. You will always be my elder."

"Hahaha!" Fifth Elder patted Qin Yu's shoulder with a gratified smile on his face.

"What are your plans next?" Fifth Elder asked casually.

Qin Yu pondered for a moment and said, "I want to apply for herbs and go into seclusion as soon as possible."

Fifth elder nodded slightly and said, "This is a good choice, but you have to apply to the Pavilion Master."

"I understand. I'll go now." Qin Yu turned around and was about to leave.

"Why are you in such a hurry?" The fifth elder said in surprise.

Qin Yu nodded and said, "I don't have much time.. Every second counts."

Chapter 342: Chapter 342: Leave the Divine Alchemist Pavilion

Qin Yu, who had just finished refining the pill, did not have the slightest intention of resting. He turned his head and walked towards the Pavilion Master's residence.

The Divine Alchemist Pavilion Master's residence was located in the deepest part of the Divine Alchemist Pavilion.

The Divine Alchemist Pavilion itself was located in a huge canyon, and the Pavilion Master's residence was built on top of the canyon.

From a high vantage point, one could overlook more than half of the city. It was like a pavilion in the sky.

More importantly, the top had been meticulously decorated. There were mountains, rivers, and ponds, and the residence was quite ancient.

Qin Yu came to the bottom. Then, with a deep leap, he went up to the loft.

However, just as Qin Yu's body rose into the air, he was directly slapped down by a huge force!

This force was incomparably powerful. Like swatting a fly, it pushed Qin Yu to the ground.

The person who made a move was the pavilion master herself.

She stood in the attic and looked at Qin Yu. She said indifferently, "Who allowed you to come up?"

Qin Yu got up from the ground and couldn't help but curse in his heart.

This stinky woman, she really flipped over so quickly!

"Pavilion Master, I have something to ask of you." Qin Yu cupped his hands and said.

The pavilion master glanced at Qin Yu and snorted lightly, “Remember, next time, you are not allowed to come up without my permission.”

“Got it, pavilion master.” Qin Yu smiled bitterly.

Then, the pavilion master turned around and disappeared from his sight.

Qin Yu scratched his head and thought to himself, “Does this mean he has promised me to go up?”

After thinking for a moment, Qin Yu tried to jump up the pavilion.

This time, the pavilion master did not slap Qin Yu down.

Instead, he sat on the edge of the pond and slowly tasted the tea.

Qin Yu walked forward. Just as he was about to speak, he felt a strange fragrance from the tea leaves.

“Pavilion master, this tea leaves... are not ordinary.” Qin Yu stared at the Teacup and said.

“Enlightenment tea.” The pavilion master said indifferently.

Upon hearing these three words, Qin Yu’s body suddenly tightened!

Enlightenment tea! The pavilion master actually also had enlightenment tea!

“You...” Qin Yu opened his mouth and could not help but think of his father!

Could it be that... The pavilion master also knew his father?

“Why, are you very surprised?”The pavilion master glanced at Qin Yu.

Qin Yu shook his head and did not continue to think about it.

“Lord Pavilion Master, I have a request,”Qin Yu said in a deep voice.

“You want to advance the payment of herbs and cultivate in seclusion?”The pavilion master took a sip of tea and casually said Qin Yu’s plan.

Qin Yu said with some surprise, “How did you know?”

The pavilion master did not answer this question, but said indifferently, “I’m afraid you won’t be able to cultivate in seclusion in time.”

“Won’t be able to cultivate in seclusion in time?”Qin Yu was stunned.

He asked with some confusion, “What do you mean?”

The pavilion master stood up. She looked at the pond in front of her and slowly said, “You’d better go to Jingdu as soon as possible and accompany your little girlfriend.”

“Accompany my little girlfriend... You Mean Yan Ruoxue?”Qin Yu’s expression changed.

He hurriedly asked, “Pavilion master, did something happen to Miss Yan?”

“Something happened?”A hint of contempt flashed across the pavilion master’s face.

“She is the princess of the Yan family, the pearl of Yan Yunheng. What could happen to her?”

Qin Yu frowned and said, “Then what you mean is...”

The Pavilion Master’s face turned cold, and he said unhappily, “You talk too much. Do you want others to tell you everything?”

After saying this, the pavilion master waved his sleeve, and a terrifying power directly sent Qin Yu flying from the pavilion.

This power was extremely terrifying, and it directly sent half of Qin Yu’s body into the stone wall.

Qin Yu used all his strength to pull his head out of the stone wall.

This B * Tch changed her face faster than the weather!

But... what did she mean by what she said?

Qin Yu thought to himself as he walked towards his own residence.

The residence of the third elder had been vacated, and now it had become Qin Yu’s residence.

Just as Qin Yu walked to the door, a pain flashed across his heart again.

Although this feeling flashed through his mind, it made him feel extremely uneasy.

Qin Yu had not left his residence for the entire day.

His mind was filled with the words that the pavilion master had said.

“What exactly does that mean?”

At night, Qin Yu stood on the side of a small bridge in the Divine Alchemist Pavilion, his eyes fixed on the calm lake water.

“Plop!”

A carp jumped from the river with all its might and crossed the Dragon Gate.

But at this moment, the Carp rolled its eyes and died.

Its body sank quietly in the river.

Qin Yu frowned slightly and stared at the carp.

“This fish has been trying its best to cross the Dragon Gate all its life.” At this moment, a voice came from behind Qin Yu.

Turning around, it was the pavilion master.

Qin Yu hurriedly bowed and said, “Greetings, Pavilion Master.”

The pavilion master ignored him. She pointed at the surface of the lake and said, “Do you know how it died?”

Qin Yu looked at the surface of the lake. After thinking for a moment, she said, “Died of old age?”

“That’s right. It seems that you are not that stupid.” The pavilion master stretched.

She yawned and said, “I’m sleepy. It’s time to rest.”

After saying this, the pavilion master's figure instantly disappeared.

“Old Dead...”Qin Yu muttered softly.

His expression suddenly changed as if he had thought of something!

“Could it be... Old Mister Yan?”Qin Yu seemed to have understood the pavilion master's meaning!

Old Mister Yan had already reached the age of his death. Combined with the hint from the Pavilion Master of the Divine Alchemist Pavilion, Qin Yu finally understood!

“Old Mister Yan...”Qin Yu muttered in a low voice. There was an indescribable pain in his heart.

He looked at the surface of the lake once again. Then, he took a deep leap and jumped onto the surface of the lake.

Qin Yu waved his hand and fished out the dead carp from the river.

Then, Qin Yu placed his palm on the Carp's body. A stream of Qi/spiritual energy flowed into Qin Yu's hand.

The carp that was already dead slowly came back to life at this moment!

Qin Yu placed the carp back into the lake, and determination flashed in his eyes.

Even though Qin Yu didn't say anything, it seemed like he was determined.

This scene didn't escape the pavilion master's eyes.

She quietly looked at Qin Yu's back and said in a low voice, "He really looks like his father."

...

The next day.

Qin Yu packed his luggage and prepared to leave the Divine Alchemist Pavilion.

"Qin Yu, are you leaving already?" Peaches, who came after hearing the news, seemed to be a little puzzled.

Qin Yu nodded and said, "Yes, I have something to deal with, so I won't stay any longer."

At this moment, fifth elder also walked over.

He couldn't help but sigh and said, "You're leaving after just becoming an elder. You're really something."

Qin Yu smiled bitterly and said, "Fifth elder, when I succeed and become famous, I'll definitely come back."

"Okay!" Fifth Elder patted Qin Yu's shoulder.

"Before you leave, go and say hello to the Pavilion Master," fifth elder exhorted.

Qin Yu nodded and said, "Yes, I'm planning to go."

Chapter 343: Chapter 343, entering Jingdu again

Qin Yu said goodbye to everyone one by one, and then went straight to the Pavilion Master's residence.

He subconsciously wanted to jump up, but fortunately he stopped in time.

“I almost forgot.” Qin Yu scratched his head.

He stood below and shouted to the top, “Pavilion Master, I'm going up.”

But there was no response from the top.

Seeing this, Qin Yu urged his spirit energy and flew up into the sky.

This time, pavilion master didn't make a move.

She seemed to have expected it and sat there quietly waiting.

“Pavilion Master, I'm ready to leave the Divine Alchemist Pavilion.” Qin Yu said to pavilion master with a slight bow.

Pavilion master nodded and said casually, “Let's go.”

Qin Yu was a little embarrassed. He coughed and said, “Pavilion Master, can you let me take the herbs first?”

Hearing this, the Pavilion Master couldn't help but laugh.

She waved her hand and said with a half-smile, “You will come back.”

Qin Yu originally wanted to ask, but he knew that the pavilion master didn't like to ask too much, so he gave up this idea.

“Pavilion Master, I’m leaving.”Qin Yu slightly bowed to the pavilion master, then turned his head and left.

...

This time, Qin Yu didn’t bring Yao Qing.

He went to the airport to buy a plane ticket, then headed straight for Jingdu.

At this time, although old Mister Yan was not feeling well and had even gone to the hospital, he did not seem to have any abnormalities.

He was at home as usual, studying go games. Other than that, he did not have any other hobbies.

Yan Ruoxue was even more clueless about the news of old Mister Yan’s short lifespan.

This was Qin Yu’s second trip to Jingdu.

This time, it was much more dangerous than the previous trip. After all, there was no military district to back him up this time.

More importantly, if something happened to old Mister Yan, the Yan family would most likely take action and get rid of Qin Yu.

The Medicine God Pavilion wasn’t too close to Jingdu. Adding on the car ride, Qin Yu finally arrived at Jingdu in the evening.

He stood at the airport and couldn’t help but feel conflicted.

It was already seven o'clock in the evening. It was probably not appropriate to go to the Yan family at this time.

After thinking over and over again, Qin Yu finally decided to find a place to stay for the time being. He would go to the Yan family the next day.

“Brother Qin?”

At this moment, a familiar voice suddenly came from behind Qin Yu.

Turning around, he realized that Fang Yue was actually standing behind him.

Beside her was a young man in a suit and leather shoes. The young man was wearing a famous brand, and his temperament was luxurious. He had the bearing of a successful person.

“Fang Yue?” Qin Yu was also somewhat surprised.

Fang Yue covered her mouth and laughed lightly. “Brother Qin, we really are fated.”

Qin Yu said with some surprise, “Why did you come to Jingdu?”

“I came to Jingdu to talk about something,” Fang Yue said, blinking her eyes.

Then, she looked at the young man next to her and introduced him, “This is my friend Xiang Zhuang. He’s a big boss in Jingdu.”

The Young Man Called Xiang Zhuang hurriedly waved his hand and said, “He’s just a small boss of a company.”

“This is the famous king of Chuzhou and an elder of the Divine Alchemist Pavilion,” Fang Yue introduced him to Qin Yu.

“An elder of the Divine Alchemist Pavilion?” Xiang Zhuang immediately became extremely respectful when he heard this.

He quickly walked forward and shook hands with Qin Yu, saying, “Mr. Qin, it is my honor to know you!”

“This is my business card. If you can use me in Jingdu, feel free to ask,” Xiang Zhuang said respectfully.

Qin Yu couldn't help but sigh. The identity of an elder of the Divine Alchemist Pavilion was really useful.

After taking Xiang Zhuang's business card, Qin Yu glanced at it and found that Xiang Zhuang's company was named Xiang Real Estate. It was probably the family's property.

“By the way, how did you know the identity of an elder of the Divine Alchemist Pavilion?” Qin Yu glanced at Fang Yue and asked suspiciously.

Fang Yue rolled her eyes and said, “The Divine Alchemist Pavilion changed its elder. This is a big matter. It has been reported long ago.”

Qin Yu scratched his head and said, “Where was it reported?”

“The martial arts forum,” said Fang Yue.

“The Martial Arts Forum...” Qin Yu immediately became very interested in this forum.

“Mr. Qin, you haven’t eaten yet, right? It’s my treat. Let’s Find a place to eat something,”said Xiang Zhuang.

Qin Yu shook his head and said, “Thank you for your kind intentions, Mr. Xiang, but I won’t go.”

“Mr. Qin, please don’t stand on ceremony. If I don’t show my hospitality as a host, it would be too unreasonable!”Xiang Zhuang said enthusiastically.

Qin Yu wanted to refuse, but it was hard to refuse his kind offer.

In addition, Qin Yu really had nowhere to go, so he nodded and agreed.

Thus, the three of them left the airport.

Under Xiang Zhuang’s arrangement, their car drove into the city and arrived at a high-end restaurant.

“Mr. Qin, Miss Fang, you guys go in first. I’ll park the car,”Xiang Zhuang said politely.

Fang Yue nodded. She looked at Qin Yu and said, “Let’s go.”

The two of them took the lead and entered the restaurant.

This restaurant was extremely big, and the dining tables and private rooms were even more chaotic.

Qin Yu and Fang Yue found a place to sit temporarily and waited for Xiang Zhuang.

“Oh right, I just happen to have a request. I wonder if it’s convenient for you, Brother Qin.”Fang Yue said with a charming smile.

Qin Yu nodded and said, “Go ahead.”

Fang Yue thought for a moment and said, “I need a kind of pill, but this kind of pill is extremely difficult to refine. Other than the elders of the Divine Alchemist Pavilion, almost no one else can succeed. Moreover, only the Divine Alchemist Pavilion has the pill formula.”

Speaking up to this point, Fang Yue paused for a moment and said somewhat embarrassedly, “But the Divine Alchemist Pavilion takes this pill formula very seriously. Moreover, it has a clear rule that it is not allowed to refine pills for outsiders.”

Qin Yu said with some surprise, “Don’t tell me you want to harm the interests of the Divine Alchemist Pavilion? If that’s the case, I can’t do it.”

“No. It’s just that this kind of pill has a greater side effect, so it’s forbidden by the Divine Alchemist Pavilion.”Fang Yue smiled and shook her head.

Qin Yu thought for a moment and said, “Alright then, give me the name of the pill. I’ll help you ask later.”

Fang Yue smiled and said, “Thank you, Brother Qin.”

“Since you and I have formed an alliance, it’s only right for us to help each other,”Qin Yu said indifferently.

Fang Yue was not in a hurry to tell Qin Yu the name of the pill. Instead, she planned to find some time to tell Qin Yu via text message.

Seeing how cautious she was, Qin Yu did not ask further.

“What’s your relationship with Xiang Zhuang?” Qin Yu asked casually.

Fang Yue jokingly said, “Brother Qin, are you jealous?”

Qin Yu rolled his eyes and said, “Pretend I didn’t say anything.”

Fang Yue smiled and said seriously, “A friend. If you want to establish a foothold in Jingdu, you naturally have to make more friends.”

At this point, Fang Yue asked back, “What About You?”

“I have something to do,” Qin Yu said casually.

Fang Yue was a smart person. She saw that Qin Yu didn’t want to say more, so she didn’t continue to ask.

“I also know a few people in Jingdu. If you need my help, just let me know,” Fang Yue said with a smile.

“Okay.” Qin Yu nodded and agreed.

With Fang Yue’s charm, it wasn’t difficult for her to expand her network.

Moreover, there had been rumors that many important figures in Jingdu were unable to resist Fang Yue’s charm.

If they were to go all out against the Han family in the future, Qin Yu alone would definitely not be enough.

Relying on martial strength would naturally not work either.

Regardless of which top aristocratic family in Jingdu, their development was extremely comprehensive.

Business, martial arts, and backing were indispensable.

At that time, Fang Yue might really be able to help.

At this moment, Fang Yue's cell phone rang.

After she picked up the phone, she said, "Brother Qin, I'm going out for a while. Wait for me for a moment."

"Okay." Qin Yu nodded.

After Fang Yue left, Qin Yu took out his cell phone and opened the martial arts forum.

As expected, the official account of the Divine Alchemist Pavilion had announced the information on it.

And under this piece of news, there were already countless comments.

"What does the Divine Alchemist Pavilion Mean? Is this a statement of position?"

"Could it be that there is some conflict between the Divine Alchemist Pavilion and the Han Family?"

"Looks like the Divine Alchemist pavilion is not afraid of the Han family at all."

The actions of the Divine Alchemist Pavilion were undoubtedly a public announcement that the Divine Alchemist Pavilion would stand behind Qin Yu.

Qin Yu turned off the news and continued to flip through it.

At that moment, Qin Yu saw a piece of news titled “Fire Country’s martial arts ranking board”..

[1][2][3][3][4][4][4][5][5][5][5][5][5][5][5][5][5][5][5][6]
[6][6][6][6][6][6][6][6][6][6].

Chapter 344: Chapter 344, old classmate

This piece of news immediately caught Qin Yu’s attention.

He immediately opened up the piece of news.

The first thing that came into his sight was a ranking that had been placed at the top.

On this ranking, there were a total of ten names, and they were also the top ten in the fire country’s martial arts ranking.

Ye Qing and a person named Jiang he were both ranked first in the fire country.

And the second was a person named Kong Luo.

The third was from the Han family and his name was Han Xiu.

The fourth was from the Yan family and his name was Yan Jingyao.

Yan Jingyao was the son of Yan Si Hai and he was also a genius in the capital.

As for Han Xiu, he was Han Wei’s uncle.

The people who occupied this list were almost all from the top families all over the country.

Besides ye Qing and Jiang he, the others all had their backs against a big tree and possessed top notch resources.

Under this ranking, there was another ranking.

And this ranking was the ranking of the younger generation in the fire country.

At the top of the ranking was Yan Si Hai's son, Yan Jin Yao!

It was said that he was the number one genius in the martial arts in Jingdu and had already stepped into the Great Grandmaster realm at the age of ten! His current strength was already unfathomable!

As he continued to read, he quickly found Han Wei's name.

He was ranked fifth, and had maintained this position for many years.

Qin Yu rubbed his chin and couldn't help but think to himself, if I beat Han Wei, then I would be ranked fifth

In this way, Qin Yu could be considered the only young man who had killed his way into the list from the bottom.

“Qin Yu?”

Just as Qin Yu's thoughts were running wild, someone patted him on the shoulder.

Turning around, he saw a young man in a suit.

This young man looked familiar, but he couldn't remember for a moment.

“Why? Don't you remember me? I'm Zhang Hang,” said the young man.

Hearing this name, Qin Yu remembered.

“You're my... college classmate?” Qin Yu asked tentatively.

Zhang Hang said with a hint of sarcasm, “You're really a noble person who forgets things.”

Qin Yu hurriedly stood up and said with a hint of guilt, “I'm really sorry. My memory isn't very good.”

“Okay, it's fate that we can meet here. It just so happens that a few of our classmates who are adventuring in Jingdu are having a meal together on the second floor. Let's go together,” Zhang Hang pulled Qin Yu and said.

Qin Yu did not want to go at all because he had a withdrawn personality in university and did not have a good relationship with his classmates.

There were even quite a number of people who deliberately bullied Qin Yu because of his withdrawn personality.

University time was not a good memory for Qin Yu.

“Let's go, let's go. We've already met. It won't make sense if we don't go up and have a seat, right?” Zhang Hang said as he pulled Qin Yu along.

Since it was difficult to reject his kind offer, Qin Yu had no choice but to agree.

He followed behind Zhang Hang all the way to a very small private room upstairs.

As soon as he pushed open the door of the private room, Zhang Hang shouted excitedly, "Look, everyone, who's Here!"

Everyone's gaze immediately turned to Qin Yu.

Qin Yu sized up the people in the private room and couldn't help but frown slightly.

There weren't many people in the private room. Including Zhang Hang and Qin Yu, there were only five people.

Qin Yu was very familiar with the remaining three people.

They were the backbone of the student union back then, but as members of the student union, they had never helped Qin Yu in any way. Instead, they often bullied and suppressed Qin Yu.

It was because of these few people that Qin Yu's university life was extremely difficult.

"Yo, Qin Yu? Why are you here too?" The person who spoke was the former president of the Student Union, Sun Bo.

Sun Bo was tall and strong, and he was two-faced. He was extremely tactful, and he was very popular in the school. He was also the one who bullied Qin Yu the most.

“Come, come, come. Quickly sit down,” Sun Bo pulled Qin Yu and said.

Qin Yu didn't say anything and sat next to Sun Bo.

“I really didn't expect you to come to Jingdu, Qin Yu,” Sun Bo said with a smile.

“That's right, Qin Yu. What kind of work do you do in Jingdu?” Zhang Hang asked.

“If you appear here, what kind of work can you do? You must be a waiter!” Someone next to him mocked.

“Haha, Don't Look Down on the waiters. It's said that the waiters here have a high salary, seven or eight thousand a month!”

In the face of their ridicule, Qin Yu did not refute, but asked back, “Then what do you do?”

Sun Bo suddenly said with some pride, “Hehe, I'm now a senior executive in the company. My monthly salary is not much, only about twenty thousand.”

“Not only that, my relationship with our boss is very good. We usually call each other brothers.”

After saying that, Sun Bo even deliberately took out his mercedes-benz car keys and placed them on the table.

The people beside him also said, “Yes, Brother Sun is now the boss' favorite! Brother Sun helped us arrange our jobs!”

“Qin Yu, we are now the company’s Elite Management Class!” Zhang Hang could not help but feel proud.

Qin Yu could see that the reason why Zhang Hang called him over was to satisfy the pathetic pride in their hearts.

“Sigh, when we were in school, we already had the management ability. This ability determines our future direction,” Sun Bo said proudly.

Qin Yu glanced at him and sneered, “Management ability? It’s the ability to kneel and Lick, right? Since you can sit in your current position, you must have licked other people’s smelly feet a lot, right?”

“Licking other people’s smelly feet, you don’t think it’s shameful, but you’re proud of it. How did you do it?”

Sun Bo’s face changed, and he said with a bit of anger, “Licking other people’s smelly feet, you also have to have that ability! I think you’re envious, right?”

“Envious? I’m envious of you guys groveling and stepping on your knees every day? I’m envious of you guys bowing and bowing every day like dogs in front of people?” Qin Yu sneered.

“I’m sorry, but I really don’t envy your kind of life.”

Sun Bo seemed to be angered by Qin Yu. He slammed the table and stood up, shouting, “Qin Yu, you’re just a smelly waiter. How can you have the right to shout in front of me!”

“When did I say that I’m a waiter?” Qin Yu glanced at them.

“Moreover, waiters rely on their own ability to eat. How are they inferior to you?”

Sun Bo sneered and said, “If you’re not a waiter, then what are you? A dishwasher? Or a toilet cleaner?”

“Eh? I remember that when I was in school, this Qin Yu seemed to clean a lot of toilets, right?”

“Haha, this is his professional skill! In terms of cleaning toilets, we’re really inferior to him!”

After saying that, the people in the private room roared with laughter.

Qin Yu glanced at them and said coldly, “I am your father.”

As soon as he said that, the private room immediately quieted down.

Sun Bo narrowed his eyes and said, “You didn’t get enough of being beaten when you were in school, did you?”

Chapter 345: Chapter 345, don’ t know the immensity of Heaven and earth

After saying that, Sun Bo rolled up his sleeves and walked towards Qin Yu.

“Sigh, Sun Bo, forget it. You hit a waiter, isn’t that embarrassing yourself?”Zhang Hang said with a smile.

After saying that, he even pretended to pat Qin Yu's shoulder and said, "Qin Yu, we are all classmates, why do we have to be so stiff? Quick, quickly bow to Sun Bo and apologize, and this matter will be over."

"Yes, I won't let you kneel. Just bow to me and this matter will be over." Sun Bo said proudly.

Qin Yu sneered and said, "Bow to you? Are you worthy? I'm not a stingy person. I have long forgotten about what happened in the past."

"But if you insist on being cheap, I don't mind teaching you a lesson."

When Sun Bo heard that, he immediately laughed out loud.

"Did you hear that? He still wants to teach me a lesson!" Sun Bo held his stomach and laughed out loud.

After that, Sun Bo leaned his head over and said, "How do you want to teach me a lesson?"

Qin Yu opened his mouth and was about to speak when Sun Bo suddenly said angrily, "You fucking forgot how to take a beating!"

As he spoke, Sun Bo fiercely slapped Qin Yu!

However, the expected slap didn't land on Qin Yu's face for a long time.

On the contrary, Sun Bo's wrist was easily grabbed by Qin Yu, and he couldn't move.

“Sun Bo, using your history of bullying as a post-meal topic, don’t you have a sense of Honor?”Qin Yu grabbed Sun Bo’s wrist and said coldly.

Sun Bo struggled desperately, but he found that he couldn’t break free!

He said with some panic, “You... you let go of my hand!”

However, Qin Yu didn’t pay attention to him. He looked at Sun Bo coldly and continued, “How many students have you humiliated in public? Do you know what kind of harm this will do to others? How many years will you be ridiculed by others?”

“F * ck, let go of Me!”How Could Sun Bo listen to him? He stared at Qin Yu as if he wanted to Swallow Qin Yu whole.

Qin Yu said coldly, “A person like you, if I don’t Teach You a lesson, you will never know how to respect others.”

After saying that, Qin Yu kicked Sun Bo’s knee.

With a crisp cracking sound, Sun Bo’s knee directly cracked and he knelt on the ground with a Bang!

His wails spread throughout the entire room!

The other people in the room had ugly expressions on their faces. They had never expected Qin Yu to be so ruthless!

“There are some injuries. If we don’t take revenge, it will become a permanent problem in our hearts,”Qin Yu said coldly.

“Sun Bo, just kneel here and atone for your actions.”

Sun Bo tried to struggle, but he found that he couldn't stand up at all!

His shoulders were like two huge mountains, and his entire body was extremely heavy.

“Qin... Qin Yu, forget it, we're all classmates...”Zhang Hang, who was beside him, advised.

“You like to pretend to be a good person, right? Kneel down too.”After saying that, Qin Yu waved his hand, and a huge force directly pressed down on Zhang Hang's body!

With a bang, Zhang Hang's knees fiercely kneeled on the ground.

The faces of the people in the private room were somewhat unsightly, and their hearts were incomparably flustered.

“Qin Yu, are you crazy! I'm telling you, I won't spare you!”Sun Bo said through gritted teeth.

He took out his cell phone and made a call.

After the call was picked up, sun bo shouted, “Brother, I was bullied at the No. 1 restaurant. Hurry up and save me!”

Sun Bo also said in a sinister tone, “Just you wait. When my brother comes, I won't let you off!”

“That's right! Our boss is the young master of Xiang Real Estate! He has a lot of thugs under him! Just you wait!”

“The young master of Xiang Real Estate? Xiang Zhuang?”Qin Yu raised his eyebrows and asked.

Sun Bo sneered, “Since you know my boss’s name, you should know how powerful he is!”

Qin Yu said indifferently, “I really don’t know how powerful he is. I only know that when he sees me, he will respectfully call me Mr. Qin.”

“Oh, right. I came to this restaurant today because he invited me to eat.”

“Hahaha! You keep bragging! Our boss will treat you to a meal? Who do you think you are!” Sun Bo gnashed his teeth and said.

“If you have the ability, then don’t leave. When my big brother comes, I’ll see what you can do!”

Qin Yu nodded and said, “I’ll wait for him.”

Time flew by, and in the blink of an eye, ten minutes had passed.

Soon, the door of the private room was opened.

Then, a large group of people swarmed in!

The leader was a man with a golden chain, who looked somewhat similar to Lei Hu.

These people were the thugs under the Xiang Corporation.

As soon as he saw the man with the Golden Chain, Sun Bo put on his fawning posture.

“Brother, you’re finally here!” Sun Bo shouted anxiously.

He pointed at Qin Yu and cursed, “Brother, this kid broke my knee. You must avenge me!”

The people in the private room also added fuel to the fire, “Yes! This kid not only beat brother Sun, but also insulted director Xiang! You must not let him off!”

When the man with the golden chain heard this, he immediately said with a cold face, “Kid, you have quite the guts. What’s the matter, rich second generation?”

It was very obvious that the man with the golden chain was trying to negotiate.

After all, this was Jingdu. The slightest carelessness could provoke a big figure with a powerful background.

Sun Bo also saw the meaning of the man with the golden chain and hurriedly said, “Brother, you don’t have to worry. This kid is my classmate, a loser from Jiangcheng who works here as a waiter!”

Hearing this, the man with the golden chain immediately felt relieved.

He sized up Qin Yu and said, “Kid, you hit my brother. What do you think we should do?”

Qin Yu glanced at him and sneered, “He deserves it. Let your boss talk to me.”

“Let our boss talk to you? I think you are courting death!” The Man with the golden chain suddenly flew into a rage!

He waved his hand and shouted, “Brothers, go and kill him!”

Everyone held their clubs and walked towards Qin Yu.

Just when everyone was ready to make a move, Xiang Zhuang suddenly walked in from outside the door.

“All of You Stop!” Xiang Zhuang shouted.

Everyone was stunned when they saw Xiang Zhuang.

Sun Bo said anxiously, “Boss, you’re here! This kid insulted our company and even hit me!”

The Man with the golden chain also quickly nodded and said, “Director Xiang, this kid doesn’t know the immensity of Heaven and earth. I was just about to teach him a lesson.”

“I think you’re the one who doesn’t know the immensity of Heaven and Earth!” Xiang Zhuang said angrily.

The Man with the golden chain was stunned. He said awkwardly, “Director Xiang, what do you mean by this?”

Xiang Zhuang ignored the man with the golden chain.. He hurried to Qin Yu and said apologetically, “Mr. Qin, are you okay?”

Chapter 346: Chapter 346, two choices

Qin Yu shook his head and said, “It’s fine.”

Xiang Zhuang said awkwardly, “I’m really sorry to have startled you. Don’t worry, I’ll definitely take care of them!”

Sun Bo and the others had ugly expressions on their faces.

What was going on? Qin Yu really knew Xiang Zhuang?

Moreover... Xiang Zhuang's attitude was a little too low, wasn't it?

As someone who was trying to curry favor with the dragon and Phoenix, Sun Bo was the first to react.

“Brother Qin, I'm blind. I... I apologize to you!”

After saying that, Sun Bo began to slap his own mouth!

As he slapped, he said, “Brother Qin, do you think you can vent your anger? If you don't vent your anger, I'll kneel here and continue to slap you!”

Seeing Sun Bo's attitude, Qin Yu couldn't stop laughing coldly.

It turned out that Sun Bo, who liked to bully people, had such a humble attitude when facing people of noble status. It was really laughable.

“Alright, Sun Bo. From today on, you are no longer a member of our Xiang Real Estate.” Xiang Zhuang waved his hand impatiently.

“The same goes for you guys.” Xiang Zhuang pointed at Qin Yu's group of classmates and said.

This group of people immediately panicked.

Especially Sun Bo. He kowtowed to Qin Yu desperately and said, “Brother Qin, I really know my mistake. Give me another chance and you can treat me like a fart...”

Qin Yu couldn't be bothered with people like Sun Bo, so he didn't say anything.

"Mr. Qin, Let's hurry up and eat. The dishes are ready," Xiang Zhuang said politely.

Qin Yu nodded and followed Xiang Zhuang out of the room.

The two of them went to another relatively luxurious room and sat down.

The table was already filled with dishes.

Fang Yue was sitting there, looking at Qin Yu with a smile.

"Where did brother Qin Go?" Fang Yue asked with a smile.

Qin Yu said casually, "I met an acquaintance and went to take a look."

Bringing up this topic, Xiang Zhuang poured himself a cup of wine and said, "Mr. Qin, it's all my fault. I'll drink this cup of wine!"

After saying that, Xiang Zhuang raised his wine cup and downed it.

Qin Yu smiled and said, "Mr. Xiang, this has nothing to do with you."

"They are people from our company after all. How could they not have a relationship?" Xiang Zhuang said with an embarrassed smile.

It could be seen that Xiang Zhuang's attitude toward Qin Yu was somewhat humble.

"Xiang Zhuang, don't worry. Brother Qin is not that kind of stingy person," Fang Yue said with a faint smile at the side.

“Yes, yes, yes, of course.” Xiang Zhuang hurriedly nodded.

After three rounds of wine, five flavors of dishes.

At the end of the dinner, Xiang Zhuang suddenly stood up and said, “Mr. Qin, I may have to trouble you in the future. Our family members are not in good health.”

Qin Yu nodded slightly and said, “Okay.”

“Then thank you, Mr. Qin!” Xiang Zhuang could not help but say excitedly.

With the strength of the Xiang family, it was impossible for them to invite the elders of the Divine Medicine Pavilion.

For businessmen like them, it was common for them to get sick.

With Qin Yu’s words, it was equivalent to having an extra life.

Xiang Zhuang had booked a room early, so after the dinner, Xiang Zhuang drove Qin Yu and Fang Yue to the hotel.

“Brother Qin, don’t forget what you promised me.”

Before returning to the room, Fang Yue said with a smile.

Qin Yu nodded and said, “Don’t worry.”

That night, Qin Yu did not sleep well.

He looked at the moonlight outside the window and could not wait for the arrival of tomorrow.

At eight o'clock in the morning the next day, Qin Yu left the hotel early and rushed to the Yan family.

Yan family.

As Old Mister Yan's health deteriorated, the authority of the Yan family was quietly released.

For the past few days, Old Mister Yan had been sitting in his room, playing chess and drinking tea.

At this moment, the Butler walked over from the side.

He stood beside Old Mister Yan and said in a low voice, "Old Master, Yan Sihai has already made a move against the people around miss."

Hearing this, old Mister Yan's hand that was holding the chess piece suddenly froze in mid-air.

He put down the chess piece in his hand and sighed slowly, "The four seas have long been developing their own forces. It seems that it is already impossible to make the Four Seas Show Mercy."

"That's right." The Butler could not help but sigh.

"Regardless of whether it is the business world, the political world, the battlefield, or the martial arts, the eldest young master possesses the most powerful strength."

Old Mister Yan's heart was filled with bitterness and he was unable to speak.

The fights within the large families would never stop.

As Yan Sihai's own son, old Mister Yan could not possibly have any forceful methods against him.

Internal and external problems caused old Mister Yan to have a headache.

At this moment, the nanny downstairs walked up.

“Old Mister, Qin Yu is here,” the nanny said.

“Qin Yu?” Old Mister Yan's face flashed with surprise.

Then, old Mister Yan smiled and said, “Let him come up.”

“Yes, Old Mister Yan.” The nanny bowed slightly.

A few minutes later, Qin Yu came up from downstairs.

“Old Mister Yan.” Qin Yu walked forward and bowed slightly.

Old Mister Yan smiled and said, “Come and sit.”

Qin Yu walked over to old Mister Yan's side.

His expression did not look too good because the death aura between old Mister Yan's brows had increased by a few points.

Such a degree of death aura indicated that old Mister Yan probably would not live for long.

“Come and kill a game?” Old Mister Yan said with a smile.

“Alright!” Qin Yu nodded his head vigorously.

This time, old Mister Yan's go style had become cold, fierce, and vicious. He would use the fastest method to finish Qin Yu off in almost every game.

And after a few rounds of fighting, Qin Yu's go style had also become more sophisticated and mature.

Unlike old Mister Yan's decisive killing, Qin Yu's go style was extremely steady. It could be said that it was an impenetrable wall.

In other words, Old Mister Yan was the sharpest spear, and Qin Yu was the toughest shield.

After an entire morning, finally, in the last game, Qin Yu launched a counterattack.

This counterattack actually caught old Mister Yan off guard.

In just a few short moves, Old Mister Yan had no chess pieces to play. All the chess pieces were eaten up by Qin Yu.

“Hahaha!”

This made old Mister Yan stroke his beard and burst into laughter.

He looked at Qin Yu with admiration and said, “Every move affects the overall situation. It looks like a defeat, but there is a hidden killing intent. Once the opponent counterattacks, there is no place to escape. Not Bad, not bad!”

As the saying went, chess depended on one's life.

The style of playing chess also showed one's attitude in the competition.

“Old Mister Yan, you flatter me. In the face of such a strong opponent like you, I don’t dare to rashly attack,” Qin Yu said humbly.

Just like this chess game, in the face of the huge Jingdu aristocratic family, Qin Yu didn’t dare to act Rashly.

What he could do was to live and develop while waiting for an opportunity to act.

“Qin Yu, you should know that I don’t have long to live,” old Mister Yan suddenly said.

Hearing this, Qin Yu immediately fell into silence and didn’t know what to say for a moment.

Old Mister Yan’s expression suddenly became somewhat cold.

He stared at Qin Yu and said, “You should know the situation of the Yan family. If I die, Ruoxue won’t be a match for Yan Sihai.”

“But they are all my closest relatives. I don’t want them to kill each other.”

“So, I’m giving you two choices now,” old Mister Yan said coldly.

Qin Yu nodded and said, “Please speak.”

“First, give up on Ruoxue. I will give you a sum of money. I will also give you treatment and resources that are not inferior to that of a noble family’s young master. This is also in line with your life strategy,” old Mister Yan said.

“As for whether you can snatch ruoxue back in the future, that is up to you.”

Speaking up to this point, old Mister Yan paused for a moment before continuing, “As for the second choice, you may face the common enemy of the Yan family and the Han family.”

“Once I die, they will not hold back on you.”

“At that time, you may die, and Ruoxue will also be implicated because of you.”

Chapter 347: Chapter 347, a change in style

Old Mister Yan paused for a moment.

He said with a faint smile, “Qin Yu, as long as you are willing, I can build a Qin family for you at any time and let this Qin family become a great aristocratic family.”

“Although I don’t have much time left, this bit of time is enough.”

Old Mister Yan’s words were slightly domineering. Just as he said, with old Mister Yan’s power, even if he was a beggar, he could become a well-known wealthy man.

However, none of these could move Qin Yu’s heart.

He shook his head and said, “Old Mister Yan, perhaps you have misunderstood.”

“If it was for the sake of getting rich, or if it was to cross class, the conditions you offered would indeed be difficult to refuse, but to me, those are not important at all.”

“What’s important is what kind of life Ruoxue wants, and who she lives with.”

“I’ve said it before. Ruoxue’s appearance changed my fate. Without her, I would still be a timid son-in-law in Jiangcheng.”

Qin Yu smiled bitterly. When he mentioned the past, he couldn’t help but feel sad in his heart.

“Just because you give up now doesn’t mean you can’t have it in the future,” old Mister Yan played with the Chess Pieces and said indifferently.

Qin Yu still shook his head and said, “I can give up on other things temporarily, but I can’t do that for Ruoxue.”

“Even if it’s a minute and a second, I don’t want her to become someone else’s bride.”

Old Mister Yan raised his eyebrows and said, “Then Ruoxue might suffer along with you.”

“Even if I have to risk my life, I won’t let her suffer even a little bit,” said Qin Yu.

After saying that, Qin Yu lowered his head and looked at the scattered chessboard.

“Old Mister Yan, let’s play another game,” said Qin Yu as he played with the Chess Pieces.

“Alright.” Old Mister Yan didn’t ask any further.

Qin Yu’s style suddenly changed drastically this game.

From his previously steady “Defense”, he instantly changed into a decisive and fierce attack.

After a few moves, even old Mister Yan felt a trace of pressure.

This kind of chess technique that completely traded pieces for stones made old Mister Yan’s heart jump in shock!

Even though Qin Yu lost in the end, it still made old Mister Yan, who was well-versed in worldly affairs, feel an incomparable pressure!

“Old Mister Yan, not only can I be aloof from worldly affairs, I can also be ruthless.”

Qin Yu put down the last chess piece and said slowly.

Old Mister Yan was a little absent-minded for a moment.

Because the current Qin Yu seemed to have changed into a different person.

Different from the gentle and refined person from before, what replaced it was an indescribable viciousness.

He looked at Qin Yu who had become a little fierce and was momentarily stunned.

Because... This Qin Yu was extremely similar to Qin Yu's father back then!

“Ha, hahaha! Good! Good!” Old Mister Yan could not help but be overjoyed.

He stood up and patted Qin Yu's shoulder, saying, “Good, I didn't misjudge you. Qin Yu, from today onwards, I acknowledge you!”

Qin Yu also heaved a sigh of relief.

He stood up and said, “Thank you, Old Mister Yan.”

Just as the two of them were chatting idly, Yan Ruoxue came back from outside.

When she saw Qin Yu who was accompanying Old Mister Yan, a flash of surprise flashed across her face.

Before she even had the time to pack up, Yan Ruoxue ran upstairs.

“Qin Yu? Why are you here?” Yan Ruoxue asked in surprise.

Qin Yu smiled and said, “I'm here to see Old Mister Yan.”

“Oh?” Yan Ruoxue raised her eyebrows.

She said jokingly, “You've become more daring. Last time, I remember you didn't have such courage.”

“Yes.” Qin Yu nodded and said.

“People are forced out.” Qin Yu smiled and said.

Just as Yan Ruoxue said, the last time when Qin Yu came to the Yan family, he was extremely nervous and cautious.

But this time, Qin Yu became much calmer.

“Okay, Ruoxue, since you’re back, let’s eat.” Old Mister Yan stretched and said.

“Okay! You guys talk for a while. I’ll go to the kitchen.” Yan Ruoxue seemed to have the intention to cook personally.

Qin Yu stood up and said, “I’ll accompany you.”

Yan Ruoxue was stunned, then she nodded and said, “Okay, then you come with me.”

The two of them walked down from upstairs and came to the Yan family’s kitchen.

The kitchen of the Yan family was extremely big, to the point of absurdity.

Just a kitchen alone occupied more than 100 square meters.

The entire kitchen had all kinds of ingredients, whether it was domestic or foreign, the Yan family did not lack any.

“I just learned how to cook fish recently. Today, I’ll Cook it for you to taste.” Yan Ruoxue went to the pond to choose a fat and delicious fresh fish and placed it on the chopping board.

After the fish was processed, Yan Ruoxue used a knife to cut marks on the fish's body and stuffed onions, ginger, and other big ingredients into the cracks.

Then, Yan Ruoxue dipped her hand in the ingredients and smeared them on the fish's body.

“This fish needs to be marinated for a while before it can get into the flavor.” After finishing all this, Yan Ruoxue wiped her sweat and said.

Qin Yu praised, “This technique of yours doesn't seem to be new.”

“That's right. In order to learn how to cook, miss cut her fingers several times.” The chef at the side laughed.

Yan Ruoxue glared at him and rolled her eyes, “Shut Up!”

When the chef heard this, he immediately smiled.

At this moment, old Mister Yan walked alone to the rooftop.

The Butler had been waiting on the rooftop for a long time. When he saw Old Mister Yan, he quickly walked over.

“Old Master.” The Butler bowed slightly.

Old Mister Yan looked into the distance and said coldly, “How is it?”

The butler quickly said, “Old master, I have checked. There are rumors outside saying that your birthday is coming to an end and that you are at the end of your life.”

“There are even rumors that you are having difficulty eating and drinking. I am afraid that these people can't wait any longer.”

Old Mister Yan put his hands behind his back and snorted coldly, “Someone is adding fuel to the fire in the dark. They just want to test everyone’s actions.”

After old Mister Yan’s reminder, the butler quickly understood.

Since the Yan family was able to climb to their current position, they naturally had many enemies in the dark.

It was unknown how many people wanted to see this tall mountain fall.

“Just as you said, many families are stirring up trouble. There are even people who are starting to take sides,”the Butler said as he turned sideways.

Old Mister Yan’s face was cold.

Even though he was not a martial artist, his powerful aura still made people tremble.

“Go prepare a banquet and tell them that my birthday is coming,”old Mister Yan said coldly.

“Birthday?”The Butler was a little surprised.

Old Mister Yan said coldly, “I want to tell those people that I, Yan Yunheng, am still alive. It’s best that they all behave themselves!”

Old Mister Yan paused for a moment when he said this.

His expression softened a little as he said indifferently, “It’s also a good opportunity to throw Qin Yu Out.”

Chapter 348: Chapter 348, the thousand-year Snow Lotus

“He wants to throw Qin Yu Out Now? Isn’t he too anxious?” The butler frowned.

“Qin Yu’s performance is indeed good, but it’s still not enough to deal with any family.”

Old Mister Yan put his hands behind his back and said indifferently, “Even if he isn’t thrown out, do you think no one will target him?”

“There are some things that can not be completely controlled in your own hands, so it’s better to push the boat with the current.”

Just as Old Mister Yan said, Qin Yu’s appearance disrupted old Mister Yan’s plans.

From the moment Qin Yu came to the Yan family, this name had already been remembered by others.

“Do as I say.” Old Mister Yan waved his hand and said.

The butler said, “Okay, old Mister Yan, when will it be?”

“In three days,” old Mister Yan said.

“Yes, Master.” The Butler nodded and agreed.

At this moment, Qin Yu was cooking with Yan Ruoxue.

Qin Yu’s cooking skills were very good. After all, he had cooked a lot in the Su family.

But today, Yan Ruoxue did not let Qin Yu do it.

Qin Yu, who was bored to death, began to wander around the kitchen.

The kitchen of the Yan family had various facilities. Most of these facilities were to ensure the freshness of the ingredients.

At this moment, Qin Yu found a snow lotus in a transparent glass jar.

Even though this snow lotus was soaked in various medicinal juices, Qin Yu could still feel that this snow lotus was extraordinary!

It was not an exaggeration to say that the medicinal effects of this snow lotus surpassed all the snow lotuses that Qin Yu had ever seen!

“An all-year-old Snow Lotus?” Qin Yu frowned with a look of shock on his face.

Such a holy item was placed in the kitchen just like that? It was simply a reckless waste of a god’s gift!

“That was given to my grandfather by someone else.” At this moment, Yan Ruoxue noticed Qin Yu’s gaze.

Qin Yu sighed and said, “A thousand-year-old snow lotus. It’s really hard to imagine. The one with the highest medicinal effects that I’ve ever seen is only six hundred years old.”

Yan ruoxue blinked and said, “Do you like it?”

Qin Yu smiled bitterly and said, “Who wouldn’t like something like this?”

Seeing this, Yan Ruoxue stepped on her feet and took the snow lotus from the cabinet.

“If you like it, then take it.” Yan Ruoxue handed the Snow Lotus to Qin Yu.

Qin Yu was stunned. He hurriedly shook his head and said, “How can I do that? If Old Mister Yan finds out, he’ll say that I’m greedy.”

“It’s just a snow lotus. I can make the decision.” Yan Ruoxue stuffed the snow lotus into Qin Yu’s hands.

“If I tell you to take it, then you take it!” Seeing Qin Yu hesitate, Yan Ruoxue pouted.

Seeing this, Qin Yu had no choice but to keep the snow lotus.

He thought to himself, if there’s a chance, I’d better say hello to Old Mister Yan.

Of course, if old Mister Yan agreed, that would be the best.

To Qin Yu, the benefits of a thousand-year-old ginseng were beyond his imagination.

In a short while, the meal was ready.

Qin Yu quickly helped Yan Ruoxue to carry the food out.

“Grandpa, it’s time to eat,” Yan Ruoxue shouted upstairs.

Old Mister Yan, who had a cold expression a moment ago, immediately put on a smiling expression.

It could be seen that old Mister Yan only looked like an amiable old man when he was facing Yan Ruoxue.

“Try my granddaughter’s cooking,” old Mister Yan said with a smile.

He picked up a piece of fish and put it into his mouth. Then, he praised, “Delicious! It’s too delicious! Qin Yu, hurry up and try it!”

Qin Yu also quickly picked up a piece of fish. It had to be said that Yan Ruoxue’s cooking skills were excellent. This fish was extremely flavorful, and it retained the taste of the original ingredients.

“Delicious!” Qin Yu said sincerely.

Old Mister Yan said half-jokingly and half-seriously, “Qin Yu, I’ve benefited from you.”

Qin Yu coughed and said, “Old Mister Yan, don’t Tease Me.”

Because it was lunch, Yan Sihai and the others didn’t come back.

On the huge dining table, only three people were eating, and the atmosphere was much more harmonious.

After eating this meal, old Mister Yan said, “Qin Yu, you can stay here for the next few days.”

“Stay here?” Qin Yu frowned slightly and said awkwardly, “Old Mister Yan, this isn’t good, right?”

“There’s nothing bad about it. You can even play chess with me when you have nothing to do,” old Mister Yan said.

“My Grandfather wants you to stay, so you can stay,” Yan Ruoxue said with a smile.

Seeing this, Qin Yu nodded and said, “Okay, then I’ll be more respectful.”

After eating this meal, Qin Yu and old Mister Yan went upstairs.

Yan Ruoxue was one of the most powerful people in the Yan family. She still had things to deal with in the afternoon, so she left the Yan family early.

Taking advantage of Yan Ruoxue’s absence, Qin Yu took out the thousand-year snow lotus.

“This is a gift from Ruoxue, but it’s yours after all. I think it’s better to let you know.” Qin Yu placed the Snow Lotus on the table.

Old Mister Yan took a look and could not help but stroke his beard and smile, “It’s just a mere snow lotus. If Ruoxue wants to give it to you, you can take it.”

“Really?” Qin Yu asked tentatively.

Old Mister Yan waved his hand and said, “This is nothing. I Can’t give you a real babe either.”

Qin Yu couldn’t help but be speechless.

This thousand-year Snow Lotus was a treasure that couldn’t be bought even if it was put on the market.

But Old Mister Yan actually gave it away so casually.

No wonder it was said that top-grade herbs were all collected by big families.

The difference in resources really couldn't be made up by hard work and hard work.

At around three o'clock in the afternoon, Yan Ruoxue rushed back to the Yan family early.

"There's a cocktail party tonight. Qin Yu, will you accompany me to attend it?" Yan Ruoxue said after she returned home.

"Cocktail party? What Cocktail Party?" Qin Yu asked.

Yan ruoxue said, "It's just an ordinary cocktail party, a place to eat, drink, and have fun."

Although Yan Ruoxue said it very easily, Qin Yu could not help but say, "It's not good for me to attend such an occasion, right?"

"There's nothing bad about it." Yan ruoxue blinked and said.

Old Mister Yan also agreed, "Well, it's good to see more of the world."

It wasn't that Qin Yu didn't want to go, but he was afraid of bringing unnecessary trouble to the Yan family.

But since the Yan family didn't care, then Qin Yu naturally wouldn't refuse.

In the evening, a Maybach 62S stopped in the courtyard.

The Secretary got out of the car, bowed respectfully and said, “Miss, it’s time for us to set off.”

Qin Yu and Yan Ruoxue walked out from upstairs.

Seeing the Secretary’s face, Qin Yu couldn’t help but be a little surprised.

The secretary’s face also flashed with shock!

Because this secretary was none other than the secretary who accompanied Yan Ruoxue to Jiangcheng!

Qin Yu clearly remembered that this secretary had always looked down on Qin Yu and had even verbally attacked Qin Yu many times.

He had never expected that the two of them would actually meet here.

Chapter 349: Chapter 349, the man at the peak of the future!

Their eyes met, and the secretary could not help but frown.

He was just about to ask, “Why are you here?” When Old Mister Yan walked out and said with a smile, “Qin Yu, relax and don’t feel too much psychological pressure.”

“I got it, old Mister Yan.” Qin Yu bowed.

Seeing the way the two of them were talking, the secretary’s expression became even uglier. The words that he wanted to say were forcefully held back.

It was very obvious that not only Yan Ruoxue had high hopes for Qin Yu, even the person in charge of the Yan family had high hopes for Qin Yu.

As a mere secretary, what did he dare to say.

“Mr. Qin, please... Get in the car.”The Secretary opened the car door for Qin Yu.

Fortunately, Qin Yu was not a stingy person. He did not say anything and turned around to get into the car.

The car sped towards the reception.

On the way, Yan Ruoxue and Qin Yu said that there were many such receptions in their circle.

On the surface, it looked like they were just eating, drinking, and having fun. However, the purpose was to increase the cohesion and communication between the families.

As long as there were people, there would definitely be a small circle. For the big families, this situation was even more obvious.

The car arrived at a hotel.

This hotel had already been rented by someone, and the entrance was filled with luxury cars.

Yan Ruoxue pointed at the cars outside and said, “Look at the models outside. If there are more commercial cars, it means that it’s a business gathering.”

“On the other hand, if there are more sports cars with exaggerated shapes, it’s a gathering for the children of the rich.”

Qin Yu nodded slightly. However, there were both commercial luxury cars and sports cars parked outside today.

After parking the car, Yan Ruoxue took the initiative to wrap her arms around Qin Yu’s arm.

“Let’s go.” Yan ruoxue blinked and said.

Qin Yu lowered his head and looked at Yan Ruoxue who was hugging him. He couldn’t help but say shyly, “You... aren’t you afraid that others will misunderstand?”

Hearing this, Yan ruoxue blinked and said, “Don’t you want to declare your sovereignty?”

Qin Yu was stunned. He took a deep breath and nodded hard. “Of course I want to! I will tell everyone that you are mine.”

After saying that, Qin Yu took the initiative to wrap his arm around Yan Ruoxue’s arm and strode into the hotel.

The cocktail party was set up on the top floor. There were no rooms on the top floor, only a hall.

The security measures for the banquet were even more perfect. The moment they reached the top floor, they saw two people in charge of guarding it.

These two bodyguards were actually martial grandmasters!

“Martial grandmasters acting as security is really ridiculous.” Qin Yu stuck out his tongue.

Up until now, Qin Yu still didn't know what kind of power these great aristocratic families had behind them!

He was even less clear about how many top-tier martial artists they had raised!

Pushing open the door and entering, a wave of music entered his ears.

Unlike ordinary wine receptions, the music here wasn't noisy. Instead, it was extremely refined and moving.

Yan Ruoxue's arrival immediately attracted countless gazes.

“Miss Yan.” Very quickly, someone came over with a wine cup in hand.

They greeted Yan Ruoxue with a humble attitude. Their posture looked extremely peaceful.

However, Qin Yu knew very well that the so-called attitude was all an act.

In other words, no matter what attitude they had, it would be determined by who was right.

Today at the banquet, all of them were gentle and refined, but when facing ordinary people, all of them were incomparably arrogant, treating people's names like dirt.

“Miss Yan, this is?” Very soon, someone looked at Qin Yu.

Before Yan Ruoxue could answer, Qin Yu pulled Yan Ruoxue into his arms and said, “My name is Qin Yu, and I’m Yan Ruoxue’s boyfriend.”

As soon as he said that, everyone was shocked!

Everyone’s eyes widened, and even the music stopped!

“Miss Yan, this... This gentleman is joking, right?”

Everyone looked at Yan Ruoxue in unison, as if waiting for Yan Ruoxue’s answer.

Yan Ruoxue raised her head and glanced at Qin Yu, then said with a faint smile, “That’s right, Qin Yu is indeed my boyfriend.”

Hiss!

Countless people sucked in a breath of cold air at this moment!

The entire Jingdu knew that Yan Ruoxue was famous for being unreasonable. Although there was an endless stream of suitors, all of them returned in defeat!

This Qin Yu who suddenly appeared today was completely unheard of!

“Mr. ... Mr. Qin.” No one knew who was the first to react. They quickly raised their wine glasses and Toasted Qin Yu.

Then, the others followed closely behind and began to introduce themselves to Qin Yu.

Qin Yu responded to each of them one by one. In just half an hour, Qin Yu had drunk a kilogram of foreign wine.

He finally found a place to sit down after finally getting some free time.

Qin Yu wiped the sweat from his forehead and could not help but mutter, “These people are really passionate. I feel a little embarrassed.”

Yan Ruoxue shook her head and said, “Don’t be affected by the superficial enthusiasm. These people are only interested in profit. If I can call you my brother today, I might turn against you tomorrow.”

The more benefits involved, the more complicated human nature became.

To them, feelings were a luxury.

After the crowd dispersed, they began to discuss in low voices.

“What’s the background of this Qin Yu? How come I’ve never heard of Him?”

“I don’t know. There isn’t such a person in Jingdu, right?”

“Taking down the eldest miss of the Yan family is really something worthy of praise.”

“Speaking of which, hasn’t Han Wei, the young master of the Han family, been pursuing Yan Ruoxue? If this matter were to spread to the Han family’s ears, then...”

“It’s mainly dependent on old Mister Yan’s attitude. As long as Emperor Yan makes the decision, the Han family can only watch helplessly.”

Even though their voices were very soft, Qin Yu could still hear them clearly.

He frowned slightly and could not help but think to himself.

Today's action might bring him a lot of trouble.

Of course, Qin Yu was not afraid. Since he dared to say it, he would dare to take the responsibility.

“Miss Yan.” At this moment, a man with tiger steps walked over from not far away.

This man's figure wasn't considered strong, but his steps were steady. His breathing exercise was even more profound.

Qin Yu focused his gaze and his expression couldn't help but change slightly.

When facing this person, it was as if he was facing an endless ocean.

“The peak of a martial grandmaster? or even... an existence that surpasses a martial grandmaster?” Qin Yu couldn't help but think to himself.

Yan Ruoxue stood up and smiled, “Mr. Xia.”

The man called Mr. Xia smiled and said, “Miss Yan, your words are truly shocking. I don't know how many people's thoughts have been shattered by your words today.”

As he spoke, Mr. Xia's body emitted a wave of pressure.

A terrifying pressure was coming straight for Qin Yu!

This pressure was beyond imagination. Even Qin Yu found it difficult to withstand it.

His entire body trembled, as if he was about to be pressed to the ground at any moment.

Facing an opponent that far surpassed him, Qin Yu circulated the spirit energy in his body and resisted with all his might.

A small confrontation instantly formed between the two sides. Even the air seemed to be trembling.

Qin Yu's forehead dripped with sweat. Facing this force, Qin Yu found it difficult to bear and could collapse at any time.

Fortunately, at this time, Mr. Xia withdrew his pressure, and a hint of contempt flashed through his eyes.

“Miss Yan, what is the background of this Qin Yu? How come I've never heard of him?” Mr. Xia asked with a smile.

Yan Ruoxue thought for a moment and said, “Well... he's the man who will stand at the peak of Jingdu in the future.”

Chapter 350: Chapter 350, son-in-law of the Yan family

Yan Ruoxue's words were extremely serious.

But in the eyes of others, it was somewhat funny.

“Miss Yan, are you serious?” Mr. Xia shook his head.

“What do you think?” Yan Ruoxue asked back.

Mr. Xia laughed bitterly and said, “Miss Yan, if the Yan family wants to nurture new people, I can understand.”

“But you say that Wei Lai stands at the peak of Jingdu? What kind of position is the peak? Old Mister Yan’s current position?”

Yan Ruoxue thought for a moment and said, “No, he will surpass my grandfather.”

“PFFT!” Mr. Xia couldn’t hold it in anymore.

“Miss Yan, in the entire Jingdu, how many people can surpass Old Mister Yan?”

After saying this, Mr. Xia sized up Qin Yu and said, “Looking at his age, he’s already thirty, right? A thirty-year-old man, yet he’s accomplished nothing. How much room does he have for growth in the future?”

Yan Ruoxue seemed unwilling to argue with Mr. Xia, so she tugged at Qin Yu’s arm and said with a smile, “Let’s go over there.”

“Okay.” Qin Yu nodded.

Mr. Xia was left to the side, but he didn’t show any displeasure.

After listening to their conversation, Qin Yu couldn’t help but smile bitterly in his heart.

His achievements had already been called the king of Chuzhou in Chuzhou.

However, after stepping into jingdu, he was said to have accomplished nothing.

This gap was really hard to accept.

“Don’t care about what others say. They are just short-sighted people,”Yan Ruoxue said with a smile.

Qin Yu shook his head and said, “I never cared. I only care about your opinion.”

At this point, Qin Yu paused and continued, “Who is this Mr. Xia?”

“He is one of the higher-ups of the Jingdu Martial Arts Association. His status in the martial arts world is still very high,”Yan Ruoxue said.

Qin Yu suddenly understood.

No wonder his strength was so extraordinary. Just the pressure alone made Qin Yu feel an incomparably powerful pressure.

This cocktail party was just as Yan Ruoxue had said. Everyone seemed to be connecting with each other, but in fact, they were trying to rope in their own circle and solidify their status in the business world.

Qin Yu scanned the crowd. There were quite a number of martial arts experts participating today, but they did not come from any martial arts family.

On the contrary, these martial arts experts were the private bodyguards of these businessmen.

Although their positions were not low, they were not considered high.

It was unknown how many people had come to befriend Yan Ruoxue at a cocktail party.

There were also people who turned their attention to Qin Yu, toasting him and handing him their business cards.

Of course, there were also quite a number of people who remained on the sidelines.

After all, they all knew that Han Wei, the young master of the Han family, had always been interested in Yan Ruoxue.

And the marriage of a large family was not something that could be decided by just one person.

The banquet did not end until ten o'clock in the evening. When Qin Yu and Yan Ruoxue returned, Old Mister Yan had already fallen asleep.

The Yan family had already arranged a room for Qin Yu. Under the lead of a servant, Qin Yu walked into his room.

Lying on the bed, Qin Yu tossed and turned, unable to fall asleep.

“I’m afraid I’ll attract a lot of trouble if I attend this cocktail party,” Qin Yu thought to himself.

...

The next morning.

The news of Qin Yu and Yan Ruoxue attending the cocktail party made the front page headlines!

Whether it was the martial arts forum, the local news, or even various financial news, it was all reported.

“Last night, the daughter of the Yan family and a mysterious man attended a cocktail party. This man claimed to be the boyfriend of the daughter of the Yan family.”

“There are reports that a mysterious man entered the Yan family late at night. Is the daughter of the Yan family taken?”

Looking at the news that came in all directions, Qin Yu could not help but feel a headache.

He had guessed that it would cause a certain amount of commotion, but he did not expect the impact to be so great!

Old Mister Yan could not help but stroke his beard and laugh when he saw the news.

“Old Master, I’m afraid that the name Qin Yu will soon spread throughout Jingdu,” said the butler with a bitter smile.

Old Mister Yan put his hands behind his back and slowly said, “This is my goal. There are two sides to everything. If there are benefits, there will naturally be disadvantages.”

“That being said, aren’t we giving the Han family too little face by doing this?” The Butler could not help but ask.

Old Mister Yan snorted lightly and said, “Why should I give them face? What, do I have to consider the Han family for anything?”

“The Han family naturally wouldn’t dare to do anything to you, but that Qin Yu... It’s hard to say,”the butler muttered.

Old Mister Yan said indifferently, “Then it’s none of my business. People have to grow up in adversity.”

At this point, old Mister Yan looked at the butler and said, “Go and find out about the Han family’s attitude.”

“Yes, Old Master.”The Butler bowed and slowly left.

...

When Han Wei saw this news, he was so angry that his entire body trembled.

There were many news outlets that called Qin Yu Yan Ruoxue’s boyfriend. There were even newspaper companies that directly called Qin Yu “The son-in-law of the Yan family.”.

How could Han Wei tolerate this! !

He tore the newspaper in front of him into pieces and said through gritted teeth, “The son-in-law of the Yan family? Does he, Qin Yu, deserve it?”

“Immediately go and find the people in charge of these few news outlets! Tell them to release the news immediately!”Han Wei said angrily.

The Butler next to him did not dare to say anything. He quickly nodded and said, “Yes, young master. I will do it right away...”

At this moment, Han Meng walked in from outside the door.

When he saw Han Meng, Han Wei immediately stood up and bowed, “Father, Yan Ruoxue actually brought Qin Yu to attend the banquet in public. This is simply a slap to our Han family’s face!”

Han Meng raised his hand and slapped Han Wei’s face. He said coldly, “If you had gotten rid of him earlier, would there be such a Fart!”

“Because of you, we can’t move now. We can’t stay still either. You’ve completely disgraced the Han family!”

Han Wei was also filled with regret. If he had directly killed Qin Yu back then, he would have brought so much trouble.

“Dad, should our Han family respond? Otherwise... wouldn’t we be ridiculed?” Han Wei said in a low voice.

Han Meng lit a cigarette. He slowly exhaled and shook his head. “No, the Yan family’s matters should naturally be handled by the Yan family.”

“I have an appointment with Yan Sihai. He’ll be here soon.”

Han Wei quickly stood up and said, “Father, I understand!”

As he spoke, the servant downstairs called.

“Master, Mr.. Yan Sihai is here.”

Chapter 351: Chapter 351, Old Fart?

Han Meng agreed and looked coldly at Han Wei, saying, “Follow me down to meet your Uncle Yan.”

“Yes.” Han Wei nodded repeatedly.

The two of them came downstairs.

Facing Yan Sihai, Han Meng immediately changed his expression.

He went over to shake hands with Yan Sihai and greeted each other.

Han Wei hurriedly called out, “Greetings, Uncle Yan.”

Yan Sihai nodded slightly, and then his gaze fell on Han Meng’s face.

“Old Yan, you know about what happened yesterday, Right?” Han Meng went straight to the point and went straight to the point.

Yan Sihai lit a cigar and snorted lightly, “It’s so fierce, who wouldn’t know?”

Han meng frowned and said, “Everyone knows that our Han family intends to marry into the Yan family, but now Yan Ruoxue is publicly saying that Qin Yu is his boyfriend. isn’t this a slap to the Han family’s face?”

Yan Sihai glanced at Han Meng and sneered, “Yan Ruoxue is just a little girl. What can she decide?”

“Old Mister Yan, what you said is not right. As far as I know, old Mister Yan has always regarded her as the apple of his eye. Yan Ruoxue’s position in the Yan family is not inferior to yours, right?” Han Meng went straight to the point without any euphemism.

Yan Sihai’s expression suddenly became a little ugly.

He snorted coldly and said, "My father has always been biased towards her. I really don't know why."

"In terms of ability, I'm above her. In terms of seniority, I'm his eldest son!"

"The only reason she can have such a high say is because she has my father's support!"

The more Yan Sihai spoke, the angrier he became. His face flushed red and he was about to slam the table.

Han Meng waved his hand and said, "Alright, old Mister Yan, let's talk about how to resolve this matter first."

"I suggest you come out and accept the interview. Just say that the Yan family has never acknowledged Qin Yu as the son-in-law of the Yan family."

Yan Sihai glanced at Han Meng and said with a cold face, "What are you anxious for? Isn't my father still sitting there?"

Han Meng frowned slightly. It could be seen that Yan Sihai was still very afraid of Old Mister Yan.

"Don't worry. My father will hold a banquet in the next few days. At that time, I will naturally find an opportunity to clarify things." Yan Sihai waved his hand.

"Hold a banquet? How come I've never heard of it?" Han Meng frowned.

"You'll know soon enough." Yan Sihai stood up and said.

“My dad won’t live for long. When he dies, I will immediately kill Qin Yu.” Yan Sihai glanced at Han Meng. These words gave the Han family a shot of reassurance.

“With your words, I’m relieved.” Han Meng also nodded.

...

At this moment, Qin Yu was playing chess with old Mister Yan.

However, Qin Yu was a little absent-minded.

He looked up at Old Mister Yan from time to time, and his face could not help but show a hint of solemnity.

“What happened today?” Old Mister Yan glanced at Qin Yu and asked.

Qin Yu took a deep breath and said, “Old Mister Yan, can you let me check your body?”

“Check Your Body?” Old Mister Yan seemed puzzled.

Qin Yu said, “I don’t know how to explain it to you, but I have to tell you.”

“I can see the aura of death between your eyebrows, and it’s getting more and more serious.”

Old Mister Yan smiled and said, “And then?”

Qin Yu was silent for a moment and said, “From the aura of death between your eyebrows, you don’t look like you will die a normal death.”

Qin Yu had discovered this problem over the past few days. If one died a normal death, the aura of death would be concentrated in the location of the Life Palace.

However, the aura of death between old Mister Yan's brows was moving upwards.

This was definitely not a sign of death.

Therefore, Qin Yu could not help but wonder if old Mister Yan was sick.

Old Mister Yan did not seem to be too surprised by Qin Yu's words.

He put down the chess piece in his hand and said indifferently, "There are many reasons for death. Sometimes, even if it is not the end of your life, you still have to die. This is life."

"Life says that I will die this year, so I will definitely die. Don't tell me you want to defy the heavens?"

Qin Yu said emotionally, "Cultivating Dao is to defy the heavens! Old Mister Yan, as long as you don't die, I have a way to cure you!"

Old Mister Yan waved his hand and said, "It's not the same. If you forcefully change your fate, it will definitely affect you."

"I'm just an old man. I've lived enough."

Qin Yu didn't want to hear this. He said with some pleading, "Old Mister Yan, can you let me check your body for you?"

"When I say no, I mean no!" Old Mister Yan said unhappily.

“Don’t talk about this topic again!”

After saying this, old Mister Yan left with a cold face.

Qin Yu was extremely puzzled by old Mister Yan’s attitude.

He could not understand why old Mister Yan was so resistant.

“I won’t Let You Die.” Looking at Old Mister Yan’s back, Qin Yu made up his mind.

...

In the following days, Qin Yu played chess with old Mister Yan every day.

Qin Yu didn’t mention this topic again, but the aura of death between Old Mister Yan’s brows was getting more and more serious.

At this rate, old Mister Yan wouldn’t be able to live for more than three days.

His body was getting worse every day. If it wasn’t for the herbs, old Mister Yan would have been lying on the bed, unable to move.

That morning.

Yan ruoxue dressed up meticulously and even made breakfast herself.

After Qin Yu and old Mister Yan got up, Yan ruoxue smiled and said, “Quick, come and eat. Let’s go out together after eating.”

Old Mister Yan said in surprise, “Go out? Where Are We Going?”

“Aiya, Grandpa, you can’t stay at home all the time. Let’s go to the North Province Island for a walk. It’s good for your body.” Yan Ruoxue said with a smile.

Old Mister Yan waved his hand repeatedly and said, “There’s no need for that. I play chess at home. It’s pretty good.”

“No Way!” Yan Ruoxue glared at him.

“It wasn’t easy for me to find the time. I’ll go no matter what!” Yan Ruoxue said with an overbearing look.

Old Mister Yan didn’t know whether to laugh or cry. He had no choice but to agree, “Okay, okay, okay. I’ll listen to you.”

After a quick meal, a Mercedes-benz S450 had already been parked at the door.

“Grandpa, get in the car.” Yan Ruoxue ran over and opened the car door for old Mister Yan.

After the two of them got in the car, Yan Ruoxue personally drove the car and rushed toward the North Island.

The North Island was a famous scenic spot in Jingdu.

To go from Jingdu to the North Island, one had to take a cruise ship and cross the sea.

And the owner of Bei Zhou Island was a famous figure in Jingdu.

The three of them arrived at the entrance of the cruise ship. After parking the car, the three of them went to queue up to buy tickets.

The queue at the window was very long, and there were many tourists here.

Yan ruoxue queued for nearly an hour. When it was her turn, two young men suddenly stood in front of Yan Ruoxue.

Yan ruoxue frowned. She patted the young man's shoulder and said, "Don't you know how to Queue?"

The young man turned around and glanced at Yan Ruoxue, and his eyes immediately lit up.

This woman was so beautiful!

The young man couldn't help but swallow his saliva, and his eyeballs almost popped out.

"I told you to queue, didn't you hear me?" Qin Yu didn't like his eyes very much and couldn't help but say coldly.

Only then did the young man come back to his senses. He glared at Qin Yu and said, "I never wait in line when I buy tickets! Don't talk nonsense with me!"

After saying that, the young man shouted to the window, "How many tickets are there? I want all of them!"

Hearing this, Qin Yu's face instantly turned cold.

"What if you buy the tickets for others?" Qin Yu suppressed his anger and asked.

The young man sneered and said, “What does it have to do with me? I can buy them if I want to. What Do You Care?”

Qin Yu looked at the young man coldly and said, “You’d better return the ticket immediately.”

“Yo, are you trying to scare me? Do you know who I am?” The young man sneered.

Just as Qin Yu was about to speak, old Mister Yan walked forward and said slowly, “Young man, don’t be too arrogant. It’s easy to get into trouble.”

The young man glanced at Old Mister Yan and said impatiently, “Where did this old fart come from? What does it have to do with you? Did I talk to You?”

Chapter 352: Chapter 352, Old Mister Yan was scolded

“What did you call me?” Old Mister Yan’s expression gradually turned cold.

The young man didn’t realize the seriousness of the matter at all. He impatiently said, “I called you an old fart! Hurry up and scam to the side. I don’t want to bully the old man!”

After saying that, the young man looked at Qin Yu again.

He pointed at Qin Yu’s nose and said, “You want a ticket, right? Sure, 10,000 yuan per ticket! If you don’t have the money, that’s fine too. Let your girlfriend accompany me. I’ll give it to you for free. How about it?”

Hearing this, Qin Yu couldn't hold it in any longer.

He raised his hand and slapped the young man's mouth.

Even though the slap withdrew the force, it still hit the young man's mouth until it was full of blood.

“You... you dare to hit me, right? You... you just wait and see!”The young man said with a sullen face.

Qin Yu looked at him coldly and said, “If you change your words again, I'll break your mouth.”

Sensing the killing intent on Qin Yu's body, the young man immediately trembled in fear.

He opened his mouth, but did not dare to say a word.

Qin Yu bent down and snatched the ticket from his hand, then returned it to the window.

After buying his own ticket, Qin Yu turned to look at Yan Ruoxue and said with a smile, “Let's go.”

Yan Ruoxue seemed to be a little angry, and her entire face was a little unnatural.

“Okay, don't be angry.”Old Mister Yan said with a smile.

“I came out to play today. Don't let such a small character ruin my mood.”

Hearing old Mister Yan's words, Yan Ruoxue's expression eased up slightly.

At the window.

The young man was helped up by his companion.

“Brother Qiang, are you okay?” His companion asked.

The Young Man Called Brother Qiang had a vicious look on his face. He spat on the ground and said through gritted teeth, “No one dares to touch me, Li Wenqiang! When we get to the North Continent Island, I'll definitely kill them!”

“Of course. Your Uncle is the owner of the North Island. It's just a matter of words!”

Li Wenqiang snorted coldly and said, “I will call my uncle later. As long as we get to the North Island, I will not let them come back!”

...

Qin Yu and the others did not take this matter to heart.

The three of them took the tickets and boarded the cruise ship.

Sitting on the ship and looking at the scenery on the sea, old Mister Yan could not help but sigh, “It's really been a long time since I've been so relaxed.”

Yan Ruoxue hooked her arm around old Mister Yan's neck and said with a smile, “Then let's go out more often in the future!”

“Haha, Good, good. I just don’t know if there’s still a chance.” Old Mister Yan stroked his beard and said with a smile.

“Bah, Bah, Bah, don’t spout nonsense!” Yan Ruoxue said unhappily.

Old Mister Yan didn’t know whether to laugh or cry. He hurriedly said, “Good, good, good. It’s grandfather’s fault. I take it back!”

Looking at this warm scene, Qin Yu couldn’t help but feel a little worried.

If Old Mister Yan left, how sad would Yan Ruoxue be.

“No matter what, I will protect your life.” Qin Yu made up his mind in his heart.

The cruise ship slowly sailed on the surface of the sea. After about an hour, they finally arrived at Bei Zhou Island.

As a famous scenic spot in Jingdu, the environment here was naturally very beautiful.

The architectural style of the entire island was very varied. There were both ancient style buildings and modern flamboyance.

Qin Yu tried to feel the Qi/spiritual energy and found that the Qi/spiritual energy here was abnormally dense!

The entire sea seemed to have qi/spiritual energy lingering and condensing above it!

“The tourists here come in an endless stream every day. How can the Qi/spiritual energy be so dense?” Qin Yu couldn’t help but sigh in his heart.

“Don’t just stand there, let’s Go!” Yan ruoxue tugged at Qin Yu’s arm.

Qin Yu nodded and followed Yan Ruoxue all the way to a small teahouse.

The construction of this teahouse was quite wuxia style. Even the waiters were dressed in ancient clothing.

The three of them found a tea table and sat down. Soon, the waiter came up with a tea list.

“Well... I’ll take a pot of Longjing tea.” Yan Ruoxue pointed at the tea list and said.

“Okay, a pot of Longjing tea!” The waiter shouted like an ancient waiter.

At this time, Li Wenqiang also boarded the North Island.

As soon as he got off the cruise ship, Li Wenqiang directly hailed a taxi and walked towards the office building in the center of the North Island.

This office building was where the owner of the North Island, Feng Chong, was located.

As the absolute overlord of the North Island, Feng Chong had absolute power!

Under his command, he supported a large group of martial artists, and there were nearly ten martial grandmasters among them!

Li Wenqiang came to an office and pushed the door open.

As soon as he entered, he saw a middle-aged man processing documents.

After seeing Li Wenqiang, the middle-aged man smiled and said, “Wenqiang, why are you here?”

Li Wenqiang said with a dark face, “Uncle Zeng, I was just beaten up by someone on this North Continent Island!”

The man called Uncle Zeng said with some surprise, “Beaten up by someone? Who Dares to touch you on the North Continent Island?”

“I don’t know him. Uncle Zeng, hurry up and help me take revenge!” Li Wenqiang waved his hand impatiently.

As Feng Chong’s subordinate, Uncle Zeng had done a lot of things for Li Wenqiang.

This time, of course, it was no exception.

He immediately pulled up the surveillance cameras and looked for the figures of Qin Yu and the others.

“It’s them!” Soon, Li Wenqiang found the figures of Qin Yu and Yan Ruoxue.

Uncle Zeng took a look and said, “They’re at the tea shop. I’ll bring some people over now.”

“Bring a few more people. That Kid is pretty good,” said Li Wenqiang.

Uncle Zeng smiled and said, “Don’t worry. This is our territory. Even if the Heavenly King Comes, it won’t work.”

Then, Uncle Zeng called a few people and drove to the tea shop.

Three black cars slowly stopped at the door of the teahouse.

As soon as the car stopped, Li Wenqiang and uncle Zeng came out of the car with four or five people.

“Uncle Zeng, why are you here?” The waiter in the Teahouse asked in surprise.

Uncle Zeng waved his hand and then led his people into the teahouse.

“They are there!” Li Wenqiang pointed in the direction of Qin Yu and said anxiously.

Hearing that, Uncle Zeng immediately led his men to Qin Yu’s direction.

“Kid, do you still remember me?” Li Wenqiang said with bared fangs and brandished claws.

Qin Yu frowned slightly and said, “What? Do you still want to be beaten up?”

Hearing that, Li Wenqiang was instantly furious!

He was about to flare up when Uncle Zeng reached out to stop Li Wenqiang.

Then, Uncle Zeng looked at Qin Yu and the other two and said, “Do you know who this is? This is the nephew of our North Island’s boss!”

“So?” Qin Yu asked expressionlessly.

“Hehe, don’t play dumb. Come with me. Don’t disturb the others,” uncle Zeng said indifferently.

At this time, old Mister Yan couldn’t help but smile and said, “Young man, you’d better bring your boss here.”

Uncle Zeng frowned slightly. He looked at Old Mister Yan and said, “Who are you?”

Before old Mister Yan could answer, Li Wenqiang cursed, “Take this old bastard with you! He’s the only one who talks too much nonsense!”

“I’ll imprison you first, then I’ll deal with you slowly!” Li Wenqiang said with a vicious look.

Chapter 353: Chapter 353, crushing the North Continent Island!

Uncle Zeng frowned slightly, as if he was afraid.

“Hurry up, what are you waiting for? Do you have to tell my uncle about this?” Li Wenqiang said impatiently.

Hearing this, Uncle Zeng didn’t say anything more.

After all, this was the North Continent Island. On the North Continent Island, Feng Chong was the real overlord!

Therefore, Uncle Zeng didn't think too much about it. Even if something really happened, Li Wenqiang would be there to support him.

Therefore, Uncle Zeng waved his hand and berated, "Take them away!"

A few people immediately walked forward.

At this time, Qin Yu quickly moved forward and stood in front of old Mister Yan.

A powerful internal Qi burst out from his body. He looked at the crowd coldly and said, "Anyone who dares to take a step forward, try it."

"Grandmaster?" Uncle Zeng raised his eyebrows when he sensed Qin Yu's internal Qi.

A mere grandmaster was not even worth mentioning!

This made Uncle Zeng let out a sigh of relief. If Old Mister Yan was an important figure that he could not afford to offend, then the bodyguard beside him could not be just a grandmaster.

"Swoosh!"

The rest of the people also released their internal Qi at the same time!

Martial grandmasters!

Five Martial Grandmasters!

"How dare you, a martial grandmaster, be so impudent?" Uncle Zeng sneered.

Qin Yu narrowed his eyes and said, “Then you can try.”

As he spoke, Qin Yu’s body faintly flickered with a dark golden light.

Just as he was about to make a move, old Mister Yan waved his hand, indicating Qin Yu not to act rashly.

He walked to Uncle Zeng with his hands behind his back and said indifferently, “Young man, are you sure you don’t want to bring Feng Chong Here?”

“Who do you think you are? You want to see my uncle?” Li Wenqiang scolded angrily.

“Haha, Good, Good.” Old Mister Yan couldn’t help but stroke his beard and laugh.

“I’ll go with you. I want to see what you can do to us,” old Mister Yan said indifferently.

Uncle Zeng snorted and said, “Then please!”

Although Qin Yu was extremely displeased, he still followed Old Mister Yan’s instructions and got into the car.

The car drove away and soon arrived at a small warehouse on the shore of North Island.

“Lock them up first! Rub their spirit!” Li Wenqiang snorted.

Uncle Zeng nodded and waved his hand. “Bring them in! Confiscate their phones!”

“Yes!”

They snatched the phones of old Mister Yan and the others and pushed them into the warehouse.

The door of the warehouse was slowly closed.

Ropes were tied to their bodies.

With a loud bang, the door was closed.

The warehouse was plunged into darkness, and the surroundings were completely silent.

Apart from the occasional sound of waves, there was almost no sound.

Qin Yu hurriedly looked at Yan ruoxue and said anxiously, “Ruoxue, are you okay?”

Yan ruoxue smiled and said, “What can happen to me? They should be the ones who are in trouble.”

Qin Yu said with some confusion, “Old Mister Yan, I’m not sure. Why didn’t you let me take action just now?”

“I don’t care about those five martial grandmasters at all.”

However, old Mister Yan shook his head and said, “After all, this is their territory. If you can defeat five martial grandmasters, then what about ten? It’s not worth getting injured for such a small matter.”

Qin Yu frowned and said, “Then what should we do now?”

“Just wait. Wait for someone to save us,” old Mister Yan said indifferently.

“But... We don’t even have a cell phone. Who would know that we’re being imprisoned...” Qin Yu said with a bitter smile.

Yan Ruoxue said from the side, “Don’t worry. As long as we don’t go home in the evening, my father and the others will immediately check the surveillance cameras.”

Seeing this, Qin Yu didn’t say anything more.

He sighed slightly. He really didn’t expect to encounter such a thing.

Time passed by minute by minute. Qin Yu sat there cross-legged and began to meditate.

The internal Qi of the North Province Island was quite dense. Qin Yu didn’t want to waste it, so he took advantage of this period of time to absorb the surrounding Qi.

Time flew by, and in the blink of an eye, the sky gradually darkened.

It was already time to eat. The four brothers of Yan Sihai also returned to the Yan family manor.

After entering, Yan Sihai couldn’t help but frown.

Usually at this time, old Mister Yan would sit at the dining table and wait quietly.

But today, the entire Yan family manor appeared quite quiet.

“Where is my father?” Yan Sihai glanced at the nanny and asked.

The nanny hurriedly said, “This morning, the eldest miss took the old master to the North Island.”

“Beizhou Island?” Yan Sihai frowned.

He looked at his watch and said, “What Time is it? Why isn’t he back yet?”

Yan Yongxiu couldn’t help but say, “That’s not right. No matter where Father Goes, he will definitely come back at this time.”

Yan Sihai nodded. He took out his phone and dialed old Mister Yan’s number.

But when the call was picked up, it was not old Mister Yan’s voice, but rather an impatient voice.

“Who are you? Why is my father’s phone there?” Yan Sihai asked coldly.

Li Wenqiang sneered, “Yo, that old fart is your father?”

“Old Fart?” Veins popped up on Yan Sihai’s forehead.

Li Wenqiang sneered, “Kid, your father has no eyes and provoked me. Now I plan to teach him a little lesson.”

“Lock him up for three days first. After three days, come to the North Continent Island and apologize to me.”

After saying that, Li Wenqiang directly hung up the phone.

Yan Sihai's face was cold and his fists were clenched tightly

“Interesting, really interesting.” Yan Sihai was so angry that he laughed.

“A mere north continent island dares to lock up my father and even want me to apologize to him. Haha, are these people crazy?!” Yan Sihai fiercely threw his phone on the ground and shouted!

“Big Brother, What's Wrong?” The other three brothers hurriedly walked forward and asked.

Yan Sihai did not answer. Instead, he roared, “Where's Long Yi? Get your ass over here!”

Just as he finished speaking, a middle-aged man walked out from the darkness.

He bowed and said, “Eldest young master.”

Yan Sihai raised his hand and slapped Long Yi's face!

“How did you protect my father? You Don't even know that he was kidnapped?” Yan Sihai said through gritted teeth.

Hearing this, Long Yi's face instantly turned extremely ugly!

He knelt on the ground with a plop and anxiously explained, “Eldest young master, the master... He didn't want me to follow him...”

“Useless thing.” Yan Sihai took a deep breath and forcefully suppressed the anger in his heart.

Yan tianhong hurriedly said, “Father was kidnapped? Who is so bold?”

Yan Sihai glanced at him, but didn't answer this question. Instead, he coldly said, “Call someone immediately and follow me to the North Island.”

“Today, I will crush the North Island!” Yan Sihai coldly said.

Chapter 354: Chapter 354, the Furious Yan Sihai

If news of old Mister Yan's imprisonment spread, the entire Jingdu would probably be in an uproar!

As the Yan family's most ruthless Yan Sihai, how could he tolerate it!

With a phone call, countless people instantly gathered in the Yan family's manor!

These people included both martial artists and patrol officers!

Looking out, just the number of martial artists alone reached a hundred!

And more than half of them were peak martial artists above the Great Grandmaster realm!

Such a large scale had probably never appeared before!

Hundreds of people stood in the Yan family's manor. Everyone was waiting for Yan Sihai's orders.

Yan Sihai held a cigar and said coldly, “Whoever dares to F * cking stop me, I'll kill them!”

“Yes!”

The martial artists shouted in unison, their voices shaking the sky!

“Rumble...”

Helicopters slowly came from not far away and stopped in the manor.

One luxury car after another lined up in rows, their imposing manner like a rainbow!

Yan Sihai and the others were the first to board the helicopters and majestically rushed towards the Northern Island!

At this moment, Feng Chong still didn't know what had happened.

As the absolute overlord of the northern island, Feng Chong was practically equivalent to a local emperor.

As long as he didn't provoke those people from Jingdu, Feng Chong could enjoy almost anything.

But he never thought that his nephew would set him up.

The helicopter flew high in the sky and slowly stopped below the office in the center of the northern island.

As soon as it stopped, Yan Sihai walked down from the plane.

Beside him stood dozens of martial artists, all waiting for Yan Sihai's orders.

Yan Sihai blew out a smoke ring and then strode into the office!

The security guards in the office were stunned when they saw this scene.

They hurried forward and whispered, “Sir, who are you looking for?”

“Get lost!” Yan Sihai slapped him to the side.

“Sir, this is Feng Chong’s place. Don’t Give Yourself Trouble!” A security guard braced himself and said.

Yan Sihai sneered, “Feng Chong? Who does he think he is? Get lost!”

The group of people rampaged and no one could stop them!

All the top martial artists in the office together could not stop them!

Upstairs, in the office.

A bald man in a white shirt was slowly sipping tea.

He looked out of the window from above and could not help but feel self-satisfied.

At this moment, Feng Chong’s secretary rushed in in a hurry.

“Director Feng, something bad has happened!” The secretary said while panting.

Feng Chong frowned slightly and said, “What’s the matter?”

The secretary swallowed his saliva and said, “A group of people came downstairs just now. Without any explanation, they beat up anyone they saw!”

“Oh?” Feng Chong raised his eyebrows.

“Let the security team deal with it.” Feng Chong didn’t take it seriously. After all, there were people who were ignorant every year.

The secretary smiled bitterly and said, “The security team... is completely defeated. They are completely no match for them.”

Hearing this, Feng Chong’s expression immediately changed.

One had to know that the people in his security team were all elites! There were even several martial grandmasters among them!

If even they weren’t a match for him, then what was his background?

“Who’s the leader?” Feng Chong put down his Teacup and asked hurriedly.

“Me!”

At this moment, the office door was kicked open.

Then, he saw Yan Sihai, who had a strong build, walk in with great strides.

When he saw Yan Sihai, Feng Chong’s expression immediately turned extremely ugly!

This was the young master of the Yan family! One of the real power holders of the Yan family!

“President... President Yan, why are you here? What’s with the big fanfare...” Feng Chong hurriedly went up to greet him.

Yan Sihai looked at Feng Chong coldly and said, “Why am I here? Feng Chong, you’ve grown up now, right?”

Feng Chong said with some confusion, “President... President Yan, I don’t understand what you’re saying!”

“You don’t understand?” Yan Sihai’s eyes flashed with coldness, and then he slapped Feng Chong’s face!

As the overlord of the North Continent Island, he was slapped twice in front of everyone.

Most importantly, Feng Chong didn’t dare to ACT UP!

“Arrest him!” Yan Sihai said coldly.

The two martial grandmasters immediately stepped forward, grabbed Feng Chong’s neck, and pressed him on the table.

Feng Chong was extremely terrified. He said anxiously, “Director Yan, even if you want to kill me, you have to give me a reason. I. . . I really don’t know what I have done to offend you...”

“You don’t know?” Yan Sihai walked forward and grabbed Feng Chong by the hair.

“My father was imprisoned on your North Province Island. You Don’t know about this, right?” Yan Sihai said coldly.

Hearing this, Feng Chong was so scared that he almost fainted!

Old Mister Yan got into trouble on the North Province Island? How terrible would that be?

“Director Yan, I swear that this matter has nothing to do with me. I... I’ll go and investigate now, okay?” Feng Chong said anxiously.

Yan Sihai sneered, “It’s too late! I’ll go and find him myself.”

“As for you, be careful in your next life.” Yan Sihai sneered.

Feng Chong’s face was extremely pale. In a moment of panic, he shouted at his secretary, “What’s Going On? ! Why didn’t old Mister Yan tell me that he came to the North Province Island? ! Also, I’ll skin whoever touched old Mister Yan!”

The secretary opened his mouth and whispered, “Your nephew, Li Wenqiang, just kidnapped an old man. I wonder if it’s old Mister Yan...”

Nephew?

Feng Chong wanted to die!

This time, even if he jumped into the Yellow River, he would not be able to clear his name!

“Your nephew kidnapped my father, and you want me to apologize to him. Feng Chong, you can do it,” Yan Sihai said with narrowed eyes.

Feng Chong was about to speak when Yan Sihai kicked Feng Chong’s calf!

With a crack, Feng Chong’s calf immediately bent backward in a strange arc!

“Ah! !” Feng Chong yelled out in pain.

“Don’t Scream!” Yan Sihai berated coldly.

Feng Chong gritted his teeth and endured it.

“Yan... President Yan, can you give me a chance? I’ll go and settle the score with him right now!” Feng Chong braced himself and said.

“Even if you want to kill me, you have to find Old Mister Yan first, Don’t You?”

Yan Sihai coldly glanced at Feng Chong and snorted, “Fine, then I’ll let you live for a few more minutes.”

“Go and find someone for me right now!” Yan Sihai said angrily.

The two martial grandmasters beside him quickly let go of Feng Chong.

Feng Chong hurriedly took out his phone and called Uncle Zeng.

“Did you kidnap an old man?” Feng Chong said anxiously.

Uncle Zeng said, “Yes, your nephew asked us to do it. What’s wrong, Boss Feng?”

Feng Chong gritted his teeth and said angrily, “Where is he now?”

“He’s in the warehouse by the shore,” uncle Zeng said.

Feng Chong heard this and quickly hung up the phone.

He looked at Yan Sihai with trembling lips and said, “Boss Yan, i . . . I’m going to find Old Mister Yan Now....”

Chapter 355: Chapter 355, who do you think you are? !

The group of people rushed to the warehouse in a mighty manner.

Such a large group attracted the attention of countless people.

In the car, Feng Chong squatted on the ground like a prisoner.

Although his calf was in extreme pain, he could only endure it. No one would save him.

At the entrance of the warehouse, Li Wenqiang swaggered over.

“He has been locked up for a day. He should be obedient,” Li Wenqiang said with a smile.

Uncle Zeng said in a low voice, “Wenqiang, president Feng just called and asked if we kidnapped someone.”

“Aiya, who cares about him? He always asks.” Li Wenqiang didn’t take it seriously.

“Open the door.” Then, Li Wenqiang pointed at the door and said.

Uncle Zeng didn’t say anything and hurriedly opened the door.

“Pick a few powerful ones for me and accompany me in,” Li Wenqiang said.

He knew that Qin Yu was quite skilled, so he didn’t dare to go rashly.

Uncle Zeng also knew this principle. He immediately picked three martial grandmasters and followed Li Wenqiang into the warehouse.

The lights of the warehouse suddenly lit up.

Li Wenqiang strolled to the front of Qin Yu and the others.

“How is it? Do you know how powerful you are now?” Li Wenqiang snorted.

Qin Yu glanced at him and said, “You are really a prodigal. Your uncle is really unlucky to have a nephew like you.”

“You still dare to Talk Back?” Li Wenqiang glared and kicked at Qin Yu.

However, Li Wenqiang was only an ordinary person, while Qin Yu’s body was incomparably strong.

This kick caused Li Wenqiang’s foot to shake until it hurt.

“Damn it, it’s like kicking a Rock!” Li Wenqiang covered his foot and said in some pain.

“You two, beat him up!” Li Wenqiang pointed at the two martial grandmasters beside him and said.

At this time, old Mister Yan said indifferently, “Young man, if you stop now, perhaps it’s still not too late. At least you can keep your life.”

“TSK TSK TSK, Old Thing, you still dare to scare me, right?” Li Wenqiang snorted coldly.

“Let me tell you, your son called me! I told him to come and pick you up in three days!”

“But unfortunately, your son’s attitude isn’t very good, so I changed my mind. I’m prepared to... lock you up here until you die here!”

Old Mister Yan didn’t panic, but a faint smile hung on his face.

Li Wenqiang grinned and said, “Of course, if you want to go out, it’s not impossible.”

After saying that, Li Wenqiang looked at Yan Ruoxue with lecherous eyes.

He swallowed his saliva and said, “As long as you let her sleep with me for one night, I’ll let you go immediately!”

“Do you want to die?” Qin Yu’s expression instantly turned extremely cold.

Li Wenqiang snorted lightly and said, “My uncle is the king of this North Province Island! It is her fortune to be able to follow me!”

“Of course, even if you don’t agree, it’s useless.” Li Wenqiang changed the topic. He licked his lips and walked towards Yan Ruoxue step by step.

At this moment, Qin Yu’s body suddenly erupted with golden light!

A terrifying power directly broke free from the iron rope!

“Bang!”

A golden light flashed, and Li Wenqiang was directly sent flying!

“Damn it, how Dare You Hit Me ? Kill him!”Li Wenqiang roared crazily.

The three martial grandmasters immediately walked forward.

Their internal Qi was fluctuating, and a terrifying pressure slowly spread out.

Qin Yu’s expression was cold, and he quickly adjusted his internal Qi to the maximum.

“Brat, you’re dead meat today!”One of the martial grandmasters took the lead and walked over!

His fists erupted with a terrifying force, and it was aimed directly at Qin Yu’s face!

The power of a rank 3 martial grandmaster caused the entire warehouse to buzz!

Qin Yu didn’t Dodge, and his fierce fists brought with them a golden light as he faced it head-on!

“Hong!”

A loud sound rang out! As Qin Yu destroyed everything in his path, he erupted with an incomparable strength!

“Deng Deng Deng!”

The Martial Grandmaster was directly pushed back a few meters, and his wrist was instantly broken!

“How is this possible!” The Martial Grandmaster’s expression changed!

Before he could regain his senses, Qin Yu walked over!

A golden light slowly expanded in his pupils! It was so bright that it almost blinded his eyes!

“Boom!”

This punch contained the power to destroy the heavens and earth!

That Martial Grandmaster did not even have time to react before his head was directly blown off by Qin Yu’s punch!

A third grade Martial Grandmaster, dead!

Old Mister Yan, who was sitting on the ground, could not help but reveal a surprised expression.

Although he was not a martial artist, he knew the difference between the strength levels!

A gratified smile appeared on Yan Ruoxue’s lips.

Unknowingly, Qin Yu seemed to have grown into a man who could take care of himself!

“You’re courting death!” The other two martial grandmasters were instantly enraged!

Light swirled in their palms, and terrifying cultivation techniques blotted out the sky and covered the earth as they pressed down on Qin Yu!

When they looked up, they saw that there seemed to be a huge sword hanging above Qin Yu's head!

This sword's aura was like a rainbow. The Violent Qi force even shook the ground!

Qin Yu's expression turned cold. He waved his hand, and a wave of Qi force protected old Mister Yan and Yan Ruoxue!

Then, he held his other hand and activated the absolute beginning sacred fist to meet it!

“I don't care what move you have. I just need to smash it with one punch!” Qin Yu roared repeatedly!

The golden light illuminated the entire warehouse!

The simple and unadorned fist ruthlessly smashed towards the huge sword!

“Kacha!”

A loud sound rang out!

The huge sword that was activated was directly smashed into pieces!

As for the two martial grandmasters, they were even affected by the backlash of the Qi force and vomited blood non-stop!

Qin Yu's body was covered in golden light as his pair of eyes coldly swept over them.

His domineering aura made the two martial grandmasters not dare to move for a moment.

Li Wenqiang, who was lying on the ground, was even more terrified.

He anxiously shouted at the door, “Uncle Zeng, Uncle Zeng!”

“Swoosh!”

Under Uncle Zeng’s lead, seven or eight martial grandmasters stepped into the warehouse.

Looking at the corpses on the ground, Uncle Zeng couldn’t help but feel a little surprised.

“You have some ability,” uncle Zeng said with narrowed eyes.

“Do you know what the consequences will be if you kill our people?”

Qin Yu sneered, “I’ll kill you next!”

“Hahaha! What Big Words!” Uncle Zeng said coldly.

Uncle Zeng was an eighth grade martial grandmaster. It was indeed difficult to deal with him.

Even Qin Yu might not be his match.

“Uncle Zeng, kill them all!” Li Wenqiang shouted angrily.

Uncle Zeng glanced at Qin Yu. He slowly raised his hands and sneered, “You are only a martial grandmaster. I will kill you as easily as squashing an ant!”

“Oh, an ant dares to speak so arrogantly?” At this moment, a voice suddenly came from the door.

Looking over, he saw Yan Sihai standing at the door.

Uncle Zeng frowned slightly and said coldly, “Who are you?”

Yan Sihai took off his coat. In the next second, his figure suddenly disappeared!

Uncle Zeng didn't even have time to react before his dantian was shattered by Yan Sihai's kick!

“My Name Is Yan Sihai.. Have you heard of me?” Yan Sihai said coldly.

Chapter 356: Chapter 356, Yan Sihai's thoughts

Yan Sihai's name was like thunder in Jingdu!

When Uncle Zeng heard this name, his expression immediately changed!

“Mister... Mister Yan, why are you here...” although Uncle Zeng had guessed something, he still had some illusions in his heart.

Yan Sihai pointed at Old Mister Yan and said coldly, “You kidnapped my father, you have quite the guts.”

Yan Sihai's father! Old Mister Yan!

The Emperor Yan Who Could Shake Jingdu three times with a stomp of his foot!

“Mister Yan, it was him... it was him who made me do it!” Uncle Zeng panicked and hurriedly pointed at Li Wenqiang's position.

At this time, he couldn't care about Feng Chong anymore. Protecting his own life was the most important thing!

“As long as you lay your hands on the Yan family, you will die. As for who made you do this, what does it have to do with me?” Yan Sihai sneered.

As soon as he finished speaking, Yan Sihai's rough palm directly struck out!

“Kacha!”

Uncle Zeng's head was directly smashed apart by a single slap!

An eighth grade martial grandmaster had died just like that!

Qin Yu stood at the side, and he couldn't help but feel a little terrified.

He never thought that Yan Sihai would actually have such a skill!

His strength had probably exceeded Qin Yu's imagination!

“It's your turn.” Yan Sihai turned around and looked at Li Wenqiang.

Li Wenqiang braced himself and said, “You... Don't touch me. My Uncle Is Feng Chong. He... He will definitely save me!”

“Your uncle? Who does he think he is?” Yan Sihai sneered.

After saying that, Yan Sihai waved his hand and a person who was tortured beyond recognition was thrown over.

This man was the king of the North Island, Feng Chong!

“Uncle... Uncle, save me!” Li Wenqiang shouted anxiously.

Feng Chong raised his head and looked at Li Wenqiang fiercely, saying, “You bastard... You Want to kill me!”

At this moment, Feng Chong couldn't care less about whether he had a nephew or not.

He looked at Yan Sihai and said with difficulty, “President Yan, what he did... has nothing to do with me. Even if you kill him, he deserves it...”

“Feng Chong! You actually left him to die. I... I want to tell my sister!” Li Wenqiang said in exasperation.

Yan Sihai couldn't help but sneer.

“I thought it was some big shot who dared to touch my father. It turns out he's a useless prodigal who doesn't know anything about the world.” A trace of contempt flashed in Yan Sihai's eyes.

Then, Yan Sihai waved his hand, and the two people next to him immediately walked toward Li Wenqiang.

“Throw him into the sea to feed the fish,” Yan Sihai said coldly.

“Yes, director Yan.” The two martial grandmasters dragged Li Wenqiang out like they were grabbing a chicken.

Yan Sihai quickly walked in front of old Mister Yan. As he untied him, he said, “Dad, are you okay?”

Old Mister Yan stood up from the ground. He waved his hand and said, “What can happen to me?”

Qin Yu also hurriedly walked to Yan Ruoxue's side and untied the rope on her body.

“Qin Yu, how did you take care of my father?” At this moment, Yan Sihai said coldly.

Qin Yu lowered his head and said somewhat apologetically, “I'm sorry, Mr. Yan. It's My Fault.”

“It has nothing to do with him. I was the one who insisted on not letting him do it.” Old Mister Yan waved his hand and said.

“Qin Yu has already done very well.” Yan Ruoxue also said with a smile.

Yan Sihai snorted coldly, looking extremely displeased.

He wanted to flare up, but he didn't dare. He could only vent his anger on Feng Chong.

“Feng Chong, it seems that the security measures of the North Continent Island are not in place.” Yan Sihai's tone was cold, and there was a hidden meaning in his words.

Feng Chong was not stupid. Of course, he understood what Yan Sihai meant.

Therefore, Feng Chong hurriedly said, “President Yan, I am willing to give the North Continent Island to the Yan family! I only hope that the Yan family can protect the North Continent Island!”

“Give it? Do I Need It?” Yan Sihai sneered.

“Feng Chong, take care of yourself.”

After saying this, Yan Sihai looked at Old Mister Yan and said, “Dad, let’s go.”

Everyone left the North Continent Island together.

On the way back, Yan Sihai pointed at Qin Yu and said, “Follow me.”

“Uncle, what are you doing?” Yan ruoxue subconsciously stood in front of Qin Yu.

Yan sihai smiled and said, “Ruoxue, what are you afraid of? Can I eat it? I just want to talk to him.”

“It’s okay. Old Mister Yan won’t do anything to me.” Qin Yu smiled and said.

Yan Ruoxue was still a little worried. Only when old Mister Yan spoke did Yan Ruoxue finally relax.

The two of them boarded the helicopter and prepared to return to the Yan family manor.

The helicopter flew high in the sky. Looking down from above, one could overlook more than half of the northern island.

“How is the northern island?” Yan Sihai asked casually.

Qin Yu bowed and said, “It’s very beautiful and is developing very well.”

“Yes.” Yan Sihai nodded and said.

“Even a powerful island like the north continent island can not withstand a single blow from My Yan family.”

“With just a word from me, I can ban the North Continent Island.”

Yan Sihai’s words were clearly a warning to Qin Yu.

Qin Yu was not stupid. Of course, he understood what Yan Sihai meant.

“You’re quite lucky. You actually didn’t die last time,”Yan Sihai said indifferently.

Qin Yu smiled and said, “I hope Mr. Yan can send two decent people to kill me next time. Those kinds of people are not enough to fill the gaps between my teeth.”

“Oh ? So you killed them ?”Yan Sihai said with some surprise.

Qin Yu nodded and said, “Yes.”

“Hahaha!”Yan Sihai couldn’t help but laugh.

“No wonder my father thinks highly of you. TSK TSK. In time, you may only become an amazing person,”Yan Sihai said.

Hearing this, Qin Yu was delighted.

Could it be that things were about to turn for the better ? Did Yan Sihai agree to marry Yan Ruoxue to him ?

However, Yan Sihai’s next words made Qin Yu feel as if she had fallen into an ice cellar.

“A few years ago, there was a young man with similar talent as you. Many families felt that he would become the next ye Qing,” Yan Sihai said slowly.

“But unfortunately, he was killed by my son. Do you know why?” Yan Sihai stared at Qin Yu and said.

Qin Yu frowned and didn't say anything.

Yan Sihai snorted, “Because he pretended to be noble and refused the Yan family's invitation! So I killed him!”

Qin Yu immediately felt a chill.

This Yan Sihai was a bit too overbearing!

“I want him to serve the Yan family, but he always wants to be someone who is on the same level as me. Don't you think it's laughable?” Yan Sihai stared at Qin Yu and asked.

“So what if he's talented? He's just a martial artist. To be able to serve the Yan family is already a blessing that he has cultivated for eight lifetimes.”

“Just like the current you. You're just a commoner and you still want to be the son-in-law of the Yan Family? Isn't that laughable?”

“To people like you, no matter how strong you are, you can only be a slave.. You're just a slightly higher class slave.”

Chapter 357: Chapter 357, the father-son conversation of the Yan family

After listening to Yan Sihai's words, the Little Hope Qin Yu had for him that had just risen suddenly disappeared without a trace.

For a moment, he was even filled with disgust towards Yan Sihai.

“I really don't know why people like you always feel that you are superior.” Qin Yu shook his head and said.

“The high and low are also divided by people like you. We have worked hard all our lives, but in your eyes, it has become the capital for you to ridicule.”

“Mr. Yan, to be honest, I think you are the one who is laughable. You treat others as slaves, so others may not look up to you.”

Qin Yu looked at Yan Sihai coldly, not dodging at all.

Yan Sihai's face gradually turned cold.

“You are really impervious,” Yan Sihai said coldly.

“I really hate your faces that think they have the spirit to fight.”

Qin Yu sneered and said, “I also hate your arrogant faces.”

The negotiation broke down.

This was the second time Qin Yu had negotiated with Yan Sihai, and the result was still the same.

Both sides had completely different views of the world. Even if they talked about it countless times, the contradiction would only get deeper and deeper.

As for the level of contradiction, only when one side disappeared would the contradiction disappear.

Yan Sihai said coldly, “I originally wanted to give this North Continent Island to you, but now it seems that there’s no need.”

Qin Yu sneered, “Mr. Yan, just like what you said to Feng Chong, do I Need You to give it to me?”

“Good, good!” Yan Sihai could not help but laugh out loud.

“Qin Yu, I’ll see how long you can be hard!”

Qin Yu did not reply, and he was too lazy to argue with Yan Sihai.

The plane flew through the sky and soon landed at the Yan family’s manor.

After getting off the plane, Yan Sihai’s face was still livid.

Yan Ruoxue hurriedly ran over and said, “Qin Yu, is everything okay?”

Qin Yu smiled and said, “It’s fine. I had a very happy exchange with Mr. Yan.”

Hearing this, Yan Sihai snorted again.

“Dad, rest well. If there’s nothing else, I’ll leave first,” said Yan Sihai.

“Wait.” Old Mister Yan waved his hand.

“Sihai, come with me. I have something to tell you.”

Yan Sihai did not dare to go against old Mister Yan's wishes, so he obediently followed Old Mister Yan upstairs.

In the study room, only Yan Sihai and old Mister Yan were there.

“Dad, why are you looking for me?” Yan Sihai sat opposite Old Mister Yan and asked.

Old Mister Yan said coldly, “Sihai, I know about your relationship with the Han family.”

Yan Sihai did not care much about it. He said, “What does that have to do with anything? The Yan and Han families joining hands is a strong alliance.”

“Sigh.” Old Mister Yan sighed.

“I'm not here to argue with you today. I just want to ask you something.”

“Do you really want Ruoxue to marry Han Wei?”

Yan Sihai was stunned. He frowned and said, “Dad, why are you asking this all of a sudden?”

Old Mister Yan slowly stood up. With his back facing Yan Sihai, he sighed and said, “I don't have many days left. I know that once I die, the situation in the Yan family will definitely go out of control.”

“I don't want the Yan family to fall apart.”

“Father, if you passed the position to me, how could the Yan family fall apart?” Yan Sihai said with some excitement.

“As long as the Yan family is in my hands, it will definitely be more glorious! I Can’t figure out why you insist on letting Ruoxue marry that trash at the bottom level, Qin Yu!”

“How is Han Wei worse than him? Even if you look down on Han Wei, there are so many outstanding young masters in Jingdu, which one of them is not better than that Qin Yu? !”

Yan Sihai looked extremely excited, and these words seemed to have been suppressed in his heart for a long time.

Old Mister Yan was silent for a moment.

He turned around to look at Yan Sihai and said in a deep voice, “Sihai, don’t look down on the bottom level. Your father also stood up from the bottom level back then.”

“As for what you said about Qin Yu and Han Wei, you are indeed right, but you have overlooked one problem, and that is Ruoxue’s own choice.”

“Ruoxue likes Qin Yu, why must you force her to marry Han Wei?”

Yan sihai coldly snorted, “Little girl, what do you know about liking or not liking! If you like, how much is it worth!”

Yan Sihai, who had been born in an aristocratic family since young, had long been brainwashed by the concept of benefits.

In his view, everything in this world could be made way for benefits.

Even his own family and friends.

“Sihai, there are some things that I must tell you.” Old Mister Yan’s tone suddenly became extremely solemn.

“Back then, an important figure said that the Yan family’s lifespan was only fifty years.”

“And this year is the forty-seventh year.”

Yan Sihai sneered, “Father, do you still believe that?”

Old Mister Yan ignored Yan Sihai’s words and continued, “He also said that only Qin Yu can save the Yan family. Otherwise, the Yan family will definitely decline or even perish in the fiftieth year.”

The person who said this was Qin Yu’s father back then.

The fortunes of the Yan family all came from him. Therefore, old Mister Yan naturally believed in what he said.

However, Yan Yunheng was Yan Yunheng, and Yan Sihai was Yan Sihai.

Yan Sihai did not listen to a single word old Mister Yan said.

“My fate is in my hands, not the heavens,” Yan Sihai said with a cold smile.

“As for those Bullsh * t big shots you mentioned, they are worthless in my eyes!”

“Dad, if there’s nothing else, I’ll take my leave first.”

Yan Sihai tidied up, turned his head, and walked out of the study.

After he left, Old Mister Yan couldn't help but sigh slightly.

“It seems that the disaster of the Yan family is destined,” old Mister Yan muttered in a low voice.

...

The next day, news came from the North Continent Island:

Due to various reasons, the North Continent Island was temporarily closed for business. The timing was unknown.

As for the reason for the news, it was even more shocking.

At a glance, there were hundreds of violations on the North Continent Island!

Qin Yu looked at the news and couldn't help but sneer.

This Yan Sihai wanted to force Feng Chong to take the initiative to hand over the North Continent Island.

“These so-called big shots are really interesting. They stole something from others, but they still have to make them feel grateful.” Qin Yu sneered at this.

As expected, after two days, the outside world announced:

The North Continent Island was officially taken over by the Yan family and opened for business on a new day. Feng Chong took on the position of general manager and continued to manage the North Continent Island.

In other words, Feng Chong became Yan Sihai's slave from his boss.

On this day, Qin Yu played chess with old Mister Yan as usual.

Looking at the black gas spreading from old Mister Yan's glabella, Qin Yu felt more and more uneasy.

Old Mister Yan also looked weak. If not for the support of medicine, the current old Mister Yan would have difficulty standing.

After a game of chess, old Mister Yan put down the chess piece in his hand.

He stood up and said, "Qin Yu, come with me. I will bring you to a place."

"Ah?" Qin Yu was stunned and asked in confusion, "What Place?"

Old Mister Yan smiled faintly and said, "Don't ask.. Come with me."

Chapter 358: Chapter 358, Old Mister Yan's birthday banquet

Qin Yu followed behind Old Mister Yan and walked out of the villa.

Then, they got into a car and slowly drove towards a relatively remote house not far away.

The car drove for nearly half an hour before finally arriving in front of this house.

The house was not big, but it was heavily guarded.

Just at the door, there were three martial grandmasters waiting there.

“Old Mister Yan.” The two martial grandmasters quickly cupped their hands and bowed when they saw old Mister Yan.

Old Mister Yan waved his hand and brought Qin Yu to the door.

The door was supported by a special material, and the lock was facial recognition.

Old Mister Yan walked forward and the door slowly opened.

Then, a strong medicinal aroma immediately assaulted him!

Qin Yu took a deep breath and immediately felt refreshed all over his body!

As far as the eye could see, there were medicine bottles one after another in this house!

“What... What are these?” Looking at the entire warehouse of herbs, Qin Yu could not help but widen his eyes!

Old Mister Yan said indifferently, “These are all my collections over the years.”

“Collections?” Qin Yu gulped.

There were at least over a hundred herbs in this room, and each of them was at least five hundred years old!

Compared to Old Mister Yan’s warehouse, Dong Tianhai was not worthy of being called the king of herbs!

“Do you like it?” Old Mister Yan said indifferently with his hands behind his back.

Qin Yu couldn't help but say, “I like it. Who wouldn't like it?”

Old Mister Yan glanced at Qin Yu and said, “Then I'll tell you a piece of news that will make you despair. The Han family's stock is only much higher than mine.”

“In other words, Han Wei doesn't need to worry about herbs at all.”

Qin Yu had long thought that these aristocratic families didn't lack resources, but he never thought that the gap would be so huge!

Even 500-year-old herbs were not worth mentioning, and 1,000-year-old herbs could be eaten like carrots!

How could an ordinary person make up for the difference?

“If one day you really beat Han Wei, these herbs will all be yours,” old Mister Yan said indifferently.

Qin Yu couldn't help but suck in a breath of cold air.

He said jokingly, “Really?”

“Of course,” old Mister Yan said.

“But I can't give them to you now. These are all Babe. If Han Wei kills you, wouldn't it be a waste?” Old Mister Yan muttered.

Qin Yu: “...”

Seeing Qin Yu's expression, old Mister Yan casually took one and handed it to Qin Yu.

“I'll give you one. Take it and go.” Old Mister Yan waved his hand and said.

Qin Yu coughed and took the herbs. He cupped his hands and said, “Thank you, Old Mister Yan. Then I won't stand on ceremony.”

The two of them walked out of the warehouse. The door of the warehouse slowly closed.

In the next few days, Old Mister Yan did not play chess with Qin Yu. Instead, he went out all day and looked quite busy.

Until this morning.

Old Mister Yan had dressed up meticulously and looked energetic. No one could tell that he did not look like he was dying.

“Grandpa, why are you so energetic today?” Yan Ruoxue could not help but be surprised when she saw this.

Old Mister Yan said with a faint smile, “Drop everything today and follow me to the West Bank Manor.”

The West Bank Manor was another property of old Mister Yan.

It was built on a big mountain and was almost idle all day long.

“West Bank Manor? Grandpa, are we going to move to another place?” Yan Ruoxue asked.

Old Mister Yan waved his hand and said mysteriously, “Grandpa wants to celebrate his birthday in advance. Let’s go. Everything has been arranged over there.”

The news of Old Mister Yan celebrating his birthday had long been spread, but Yan Ruoxue didn’t know about it at all.

“Qin Yu, you should come with me.” Old Mister Yan glanced at Qin Yu and said.

Qin Yu nodded and said, “Okay.”

The three of them got in the car and rushed to the west bank manor.

The scene on the mountain had long been set up, and the entrance of the huge manor was already filled with luxury cars.

Before the master arrived, there was already an endless stream of people who had come to celebrate the birthday.

Han Meng and Han Wei had come early to wait for him.

During this time, countless people had come to make connections, but they were all ignored by Han Meng.

They only had one goal, and that was old Mister Yan.

On the way, Yan Ruoxue leaned against old Mister Yan’s side and said with a smile, “Grandpa, you look especially energetic today. You’re at least ten years younger!”

Old Mister Yan also laughed and said, “Then Grandpa will wear this every day from now on!”

Looking at the warm scene between the two of them, Qin Yu couldn't smile.

Because he could see that although old Mister Yan was trying hard to be energetic, he still couldn't hide the fact that his body was weak.

Soon, the car arrived at the West Bank Manor.

As soon as the car stopped, countless people swarmed around, waiting for old Mister Yan to get out of the car.

“What are you waiting for? Hurry up and open the door for old Mister Yan.” In the dark, Han Meng looked at Han Wei coldly.

Han Wei quickly nodded and ran to the front of the car.

He used his inner strength to push aside the crowd in front of the car and then opened the door for old Mister Yan personally.

However, after the door was opened, the first person who came into sight was not old Mister Yan, but Qin Yu.

Chapter 359: Chapter 359, Old Mister Yan's choice

Han Wei's expression was extremely interesting.

He was first stunned, then his face was filled with anger!

His entire face was almost distorted from anger! Even his body was trembling slightly!

Seeing this scene, the surrounding people seemed to be quite surprised.

They subconsciously took a step back, looking like they were watching a show.

These people also wanted to know how Qin Yu, a nobody, would act when facing Han Wei.

“Thank you, Mr. Han, for opening the car door for me personally. Thank you for your hard work.” Qin Yu calmly got out of the car.

Not only that, he even patted Han Wei on the shoulder.

“You!” Han Wei clenched his fist, almost smashing it!

But in the end, Han Wei still held back.

Because he knew very well that if he lost his composure in front of so many people, he would be the one to lose.

Han Wei took a deep breath and said as calmly as he could, “It’s just opening the door. You’re welcome.”

As he spoke, old Mister Yan got out of the car with Yan Ruoxue’s help.

Han Wei no longer paid attention to Qin Yu. He hurriedly called out enthusiastically, “Grandpa Yan!”

Old Mister Yan nodded with a smile and said, “Han Wei, you’re here too.”

“Grandpa Yan is celebrating his birthday. Even if there’s something big, I’ll still come,” Han Wei said with a smile.

After saying that, Han Wei went to support old Mister Yan.

However, old Mister Yan waved his hand and said, “Go and sit.”

Han Wei was slightly embarrassed, but he still braced himself and said, “I got it, Grandpa Yan.”

Old Mister Yan’s arrival naturally brought the atmosphere to a climax.

Everyone stepped forward one after another to congratulate old Mister Yan.

“I wish old Mister Yan a life as blessed as the East Sea and a life as long as the South Mountains!”

“Old Mister Yan’s body is so strong, he will definitely live for a hundred years!”

“Old Mister Yan, the Sun and moon are bright, pine and crane are eternal spring!”

Looking at everyone’s attitude, Qin Yu couldn’t help but sigh.

Old Mister Yan’s status in Jingdu was really high!

And this was only Jingdu. Looking across the entire country, one didn’t know how much power the Yan family had.

“Alright, everyone take your seats.” Old Mister Yan waved his hand and said.

As the old Mister Yan’s words fell, everyone returned to their seats one after another.

This banquet was arranged in the open air. There were many dining tables in the entire manor.

On the dining table, there were delicacies of all kinds.

Qin Yu and Yan Ruoxue followed behind old Mister Yan and walked towards the dining table at the front.

Not far away, Han Wei was gnashing his teeth in anger.

“Trash, you can’t take it anymore?” Han Meng glanced at Han Wei coldly.

Han Wei couldn’t help but say, “Dad, can’t you see? That Qin Yu has been following old Mister Yan all this time! Even I don’t have this kind of treatment!”

Han Meng snorted coldly and said, “So? So you have to put all your thoughts on your face? How have I taught you all these years?”

“Sometimes, you have to be thick-skinned, understand?” Han Meng’s words seemed to have a hidden meaning.

Fortunately, Han Wei was not stupid. He quickly understood what Han Meng meant.

Therefore, he immediately walked to old Mister Yan’s side.

At this time, the dining table was already filled with dishes. Many people came forward to give gifts and toast.

Han Wei held the wine glass and quickly walked to old Mister Han’s side.

“Old Mister Yan, I wish you the best of luck. I’ll drink to you,” Han Wei said respectfully.

Old Mister Yan laughed and said, “Han Wei, my body is not very good. I Can’t drink anymore. Let Qin Yu drink with you.”

After saying that, old Mister Yan looked at Qin Yu.

Qin Yu didn’t really care. He picked up the wine glass and said with a smile, “Young Master Han, please.”

Han Wei was about to flare up, but he remembered what his father had said and forcefully suppressed the anger in his heart.

After drinking a cup of wine, Han Wei simply sat beside Old Mister Yan.

Old Mister Yan didn’t say anything about this, which made Han Wei slightly relieved.

Not long after, Yan Sihai and the others walked over from not far away.

Yan Sihai’s arrival attracted countless gazes.

Everyone knew clearly in their hearts that once old Mister Yan was gone, Yan Sihai would become the new leader of the Yan family.

Therefore, everyone walked towards Yan Sihai one after another, holding their wine cups and toasting him.

After a round of drinking, Yan Sihai quickly walked to old Mister Yan’s side.

He glanced at Qin Yu and snorted, “Who told you to sit here?”

“Old Mister Yan told me to sit here. What’s Wrong?” Qin Yu said in a neither servile nor overbearing manner.

Yan Sihai snorted coldly. He leaned close to Qin Yu’s ear and said coldly, “Don’t think that you can do whatever you want just because you have my father’s support. You Won’t be arrogant for long.”

After saying this, Yan Sihai turned his head and walked away.

At this moment, Qin Yu suddenly saw a young man with delicate features.

The young man looked to be in his twenties, but the aura he exuded was extremely noble.

Even though he was far away, it was hard to ignore him.

Qin Yu looked at the young man and whispered, “Who is that person?”

“Yan Jinyao, my uncle’s son,” said Yan Ruoxue.

“He is Yan Jinyao?” Qin Yu raised his eyebrows and immediately became interested.

One had to know that Yan Jinyao was the number one person on the younger generation’s ranking list! His strength was even above Han Wei!

“Brother Yan!” After seeing Yan Xiu, Han Wei quickly stood up and greeted Yan Jinyao.

Yan Jinyao replied with a smile, “Han Wei, you’re here too.”

Han Wei said, “Of course. It’s Grandpa Yan’s birthday, so of course I have to come.”

“Besides, we might be a family in the future,” Han Wei said with a smile.

Yan Jinyao nodded and didn’t say anything else.

“Happy Birthday, Grandpa.” Yan Jinyao looked at Old Mister Yan and bowed.

Old Mister Yan nodded and said with a smile, “Yan Jinyao, quickly come and sit down.”

Yan Jinyao walked to Qin Yu’s side and sat down.

He did not say a word to Qin Yu. He did not even look at Qin Yu.

Unlike ordinary aristocratic family disciples, Yan Xiu did not have that arrogant attitude.

But those who understood him knew that Yan Jinyao was a ruthless and merciless person. He was not inferior to Yan Sihai at all.

Not far away.

Han Meng’s expression was calm. His eyes had been looking in the direction of old Mister Yan.

Qin Yu and Han Meng were both sitting at Old Mister Yan’s table. It was inevitable that people would let their imaginations run wild.

“You want to take both boats? In your dreams!” Han Meng extinguished the cigarette butt in his hand.

Then, he sneered and said, “I still have to force you to make a choice today! I don’t believe that you will choose Qin Yu over my son in front of so many people!”

Then, Han Meng took out his phone and made a call.

“Come in, all of you,” Han Meng said coldly.

After hanging up the phone, a group of reporters walked in not long after.

The group of reporters walked quickly to old Mister Yan’s side and said politely, “Old Mister Yan, I wish you the best of luck and longevity.”

Old Mister Yan was an old fox. He could naturally tell that the arrival of these reporters was a deliberate arrangement.

However, he was not in a hurry and replied with a smile, “You’re too kind. I’m a person of withered wood. I don’t deserve to trouble your television station to come and celebrate my birthday.”

The reporter smiled and said, “You’re a famous entrepreneur in Jingdu. We also admire you.”

At this point, the reporter paused for a moment. The cameraman quickly shot a shot of Qin Yu.

“Mr. Yan, the outside world has been saying that a young man named Qin Yu is the future son-in-law of the Yan family. What do you think of this?”

“According to our understanding, the young master of the Han family, Han Wei, seems to be pursuing your granddaughter. If you had to choose between these two young men, who would you choose?” The reporter quickly threw out the topic.

Chapter 360: Chapter 360, framing

The reporter’s words had obviously been prepared.

Old Mister Yan could naturally see it. He subconsciously glanced at Han Meng who was not far away.

At this moment, Han Meng happened to be staring at Old Mister Yan, waiting for Old Mister Yan’s reply.

When their eyes met, Han Meng’s expression instantly changed slightly.

Old Mister Yan’s pupils shone with a terrifying brilliance.

This made Han Meng sweat profusely!

He quickly turned his head to the side, not daring to meet old Mister Yan’s eyes.

Almost everyone was filled with interest towards this question.

For a moment, countless gazes fell on old Mister Yan, waiting for his answer.

Even Qin Yu could not help but feel nervous.

Old Mister Yan looked at the camera and said indifferently, “I just happened to introduce everyone.”

After saying that, old Mister Yan looked at Qin Yu, and the camera also turned to Qin Yu.

“Qin Yu is indeed one of the sons-in-law of the Yan family’s preliminary selection,” old Mister Yan said indifferently.

When he said that, everyone was shocked!

Everyone couldn’t help but suck in a breath of cold air!

Old Mister Yan... actually admitted it?

This Qin Yu was really the son-in-law of the Yan family?

Han Wei’s expression turned extremely ugly!

Even though he tried his best to suppress the anger in his heart, an angry expression still appeared on his face!

“As for Han Wei, he is also a pretty good young man. I also think highly of him,” old Mister Yan changed the topic and said with a smile.

His ambiguous answer made people somewhat confused.

“Old Mister Yan, between the two of them, what will you choose?” The host asked relentlessly.

Old Mister Yan took a sip of water and said indifferently, “I am an open-minded person. I will listen to my granddaughter.”

Oh No!

Hearing old Mister Yan's words, almost everyone in the Han family had a sudden change in expression!

Who Didn't know that Yan Ruoxue was interested in Qin Yu?

Wasn't old Mister Yan's words a disguised choice to choose Qin Yu?

Qin Yu, who was at the side, let out a slight sigh of relief.

His face couldn't help but reveal a grateful expression.

“Miss Yan, then you...”

“You have enough questions.”The reporter wanted to continue asking, but was interrupted by old Mister Yan.

The reporter was slightly embarrassed and could only smile sheepishly, “Then I won't bother you anymore. Happy Birthday again.”

After saying this, the reporter left in a hurry.

Han Meng took a deep breath.

He never expected that old Mister Yan would not give face to the Han family in public!

“This old thing...”Han Meng clenched his fists, and a strong killing intent burst out of his eyes.

But soon, Han Meng let go of his hand again.

He knew very well that no one dared to have the intention to kill Old Mister Yan.

The Sun family in Jingdu back then was an example.

At this moment, Yan Sihai walked over from not far away.

Seeing Yan Sihai, Han Meng seemed to have grabbed onto a life-saving straw.

He hurriedly pulled Yan Sihai and said, “Old Mister Yan, old Mister Yan seems to value this Qin Yu very much.”

Yan Sihai didn't take it seriously. He sneered and said, “So? Didn't my father leave a chance for your son?”

“Is this considered a chance?” Han Meng could not help but ask.

Yan Sihai snorted and said, “If I don't leave a chance for you, the outcome of the Han family will not be much different from the Sun family back then.”

Hearing this, Han Meng's body suddenly tensed up, and a chill ran down his back.

...

Accompanied by the sky-shaking sound in the manor, the birthday banquet officially began.

Everyone raised their cups and drank together. From time to time, people would come to toast.

The atmosphere was harmonious and happy.

Qin Yu's expression did not look too good.

He looked at Old Mister Yan from time to time, his eyes filled with worry.

Because... The aura of death between old Mister Yan's brows had expanded a little.

His vital point had been completely covered by this black aura. It was the scene of his life ending.

Qin Yu noticed the change in old Mister Yan's expression.

He looked indifferent, but in fact, he was holding on.

“Cough Cough.” At this moment, old Mister Yan suddenly coughed.

His face instantly darkened.

Qin Yu hurriedly placed his hand on old Mister Yan's shoulder and injected waves of Qi/spiritual energy into his body.

After feeling this warmth, old Mister Yan patted the back of Qin Yu's hand to indicate that he was fine.

The banquet was held until three o'clock in the afternoon, and it was finally coming to an end.

The guests at the scene began to leave one after another.

Old Mister Yan seemed to be unable to hold on any longer. He looked at Yan Sihai and Yan Ruoxue and said, “Help me send off the guests. I'm going to rest first.”

“Old Mister Yan, let me accompany you,” Qin Yu took the initiative to say.

Old Mister Yan glanced at Qin Yu and nodded, “Alright.”

Therefore, Qin Yu used a gentle strength to gently support old Mister Yan.

Then, the two of them walked straight into the villa.

After entering the villa, old Mister Yan waved his hand, indicating for Qin Yu to close the door.

The moment the door closed, old Mister Yan could not hold on any longer.

He fell to the ground with a bang. His entire face instantly fell.

“Old Mister Yan!” Qin Yu’s expression changed. He hurriedly supported old Mister Yan and said anxiously, “Are You Alright?”

Old Mister Yan waved his hand with difficulty and said with almost all his strength, “I... I’m afraid I can’t do it... Qin Yu, you have to take good care of Ruoxue in the future. The one I can’t rest assured about the most is her...”

Qin Yu gritted his teeth. He spread out his palm and covered the space between old Mister Yan’s brows, wanting to forcefully extend old Mister Yan’s life.

Unfortunately, Qin Yu’s medical skills were ineffective at that moment. No matter how hard Qin Yu tried his best, there was no effect at all.

Seeing that old Mister Yan's internal Qi was getting weaker and weaker, at this rate, old Mister Yan would probably not live for more than three days.

Qin Yu helped old Mister Yan to the bed. He sat at the side and anxiously searched for the life-prolonging plan left behind in the inheritance.

At this moment, the door opened.

Then, Yan Sihai and the others walked in with large strides.

When he saw Old Mister Yan lying on the bed, Yan Sihai narrowed his eyes and shouted, "Qin Yu, what have you done to my father?!"

Qin Yu was stunned. He hurriedly explained, "No, Old Mister Yan's health is failing. I'm trying to think of a way to save him..."

"Nonsense!" Yan Sihai snorted.

"My father was fine just now. Why did he suddenly fail?"

"I think you're the one who wants to harm my father! You despicable and shameless person!"

As soon as these words were said, Qin Yu immediately understood.

Yan Sihai was trying to frame him on purpose.

"Grandfather!" When Yan Ruoxue saw this scene, she hurriedly rushed to old Mister Yan's side.

“Grandfather, you... What’s wrong with you?” Yan Ruoxue’s tone was anxious, and there was some fear in her voice. For a moment, she seemed to be at a loss of what to do.

Beside her, Yan Sihai said coldly, “Ruoxue, this is the man you like? A person with ulterior motives?!”

Chapter 361: Chapter 361, the ruthless Yan Sihai

“Impossible, Qin Yu would never harm grandfather!” Yan Ruoxue’s tone was filled with determination.

“Hehe, it wasn’t him. Why is father lying on the bed?” Yan Sihai sneered.

“Big Brother, let’s send father to the hospital first,” Yan Yongxiu suggested.

“Yes, quickly send father to the hospital!” The others also said.

At this time, Yan Ruoxue suddenly thought of something.

She looked at Qin Yu and said, “Qin Yu, don’t you know medical skills? You... Hurry up and save my grandfather.”

Qin Yu sighed and said with some guilt, “Ruoxue, I’m sorry. I... I’m afraid there’s nothing I can do.”

“Is there nothing you can do, or don’t want to save him?” Yan Sihai said with a sneer.

“Alright, let’s not talk about this anymore. Hurry up and send father to the hospital,”said Yan Yongxiu.

Yan Sihai glanced at Qin Yu and said, “I’ll settle the score with you when I Come Back!”

Qin Yu did not say anything. He wanted to go to the hospital with him, but was rejected by Yan Sihai.

Sitting on the sofa, Qin Yu’s expression was a little heavy.

He had never encountered such a situation with old Mister Yan.

Even if it was the end of his life, it was impossible for him to have no reaction at all.

He sat on the sofa, his head spinning rapidly, trying to find a way to save old Mister Yan.

At this moment, old Mister Yan was being resuscitated in the hospital.

Only half an hour later, the doctor walked out of the emergency room.

“Doctor, how is it?”Yan Ruoxue asked hurriedly.

The Doctor took off his mask and shook his head. “Miss Yan, I’m sorry. Old Mister Yan’s physical symptoms have already declined. There’s nothing we can do about it.”

“How can this be! He was clearly fine yesterday!”Yan Ruoxue suddenly had a breakdown.

She had never thought that old Mister Yan would leave her one day.

Standing in the corridor of the hospital, Yan Ruoxue seemed to be at a loss. Tears flowed down her pure white cheeks like pearls that had been broken.

“Doctor, how long can my father live?” Yan Yongxiu asked in a deep voice.

The doctor sighed and said, “I’m afraid he won’t be able to last through today. You guys... better prepare for the funeral.”

Once these words were said, Yan Ruoxue completely collapsed.

Her vision went black and she directly fainted.

...

At night.

Old Mister Yan was brought home.

He was lying on the bed and there were no signs of life.

Yan ruoxue squatted beside old Mister Yan.

She grabbed old Mister Yan’s old palm and murmured softly, as if she was reminiscing about the past.

At this moment, Qin Yu pushed the door open and walked in.

He walked to Yan Ruoxue’s side and gently hugged Yan ruoxue from behind.

Yan Ruoxue’s face was already covered in tears.

Qin Yu saw it and felt pain in his heart.

At this moment, Qin Yu suddenly felt something was amiss.

His pupils suddenly constricted and he stared at the spot between old Mister Yan's brows.

He saw a faint light between old Mister Yan's brows.

Although this light was weak, it was obvious.

“This... this is spiritual sense?” Qin Yu immediately understood.

He hurriedly raised his palm and placed it on old Mister Yan's forehead, feeling old Mister Yan's spiritual sense.

Sure enough, old Mister Yan's spiritual sense had not dissipated!

“No, there's definitely something wrong!” Qin Yu said coldly.

“If he dies at the end of his life, his spiritual sense will disappear with him.”

“And now, old Mister Yan's spiritual sense has not disappeared at all. It's just the signs of his life disappearing...”

Thinking of this, Qin Yu suddenly felt a little excited.

He grabbed Yan Ruoxue's hand and said, “Ruoxue, I have a way to save old Mister Yan.”

Hearing this, Yan Ruoxue's gray eyes instantly lit up.

“You... is what you said true?” Yan Ruoxue asked anxiously.

Qin Yu nodded and said, “Absolutely true! But... I have to take old Mister Yan’s corpse and leave.”

As long as his spiritual sense was not dead, Qin Yu could use the formation of the Disha Valley to resurrect Old Mister Yan!

Of course, this also required a body and the resurrection formation set up by the Disha Valley!

That formation was far in the southwest. Qin Yu had to take old Mister Yan’s body and leave!

“Take my father’s corpse and leave? What exactly are you thinking?” At this moment, Yan Sihai walked in from outside the door.

He sneered, “You killed him. Do you still want him to not be able to rest in peace?”

Qin Yu slowly stood up. He took a deep breath and said, “Old Mister Yan, I’m not joking with you. I really have a way to resurrect old Mister Yan.”

“Nonsense! How can a dead person be resurrected!” Yan Sihai snorted.

Qin Yu explained, “Normally, a person can not be resurrected after death, but old Mister Yan’s spiritual sense has not been extinguished, so I have a way!”

“Oh? Tell me, what solution do you have?” Yan Sihai raised his eyebrows and said.

“I don’t know if Mister Yan has heard of the Earth Fiend Valley’s resurrection formation,” Qin Yu asked in a deep voice.

“Resurrection Formation?” Yan Sihai seemed to find it somewhat familiar.

Qin Yu nodded and said, “Yes, a friend of mine used this formation to resurrect.”

“The only drawback of this formation is that it will change its appearance and need to find a new body.”

Yan Sihai had indeed heard of the Earth Fiend Valley’s resurrection formation, but he had waited for old Mister Yan to pass away for so long. How could he let Qin Yu resurrect him?

“Nonsense. I will never let you take my father’s corpse away!” Yan Sihai said coldly.

Qin Yu’s expression gradually turned cold.

He narrowed his eyes and said, “Old Mister Yan, I think you don’t want old Mister Yan to be resurrected, right? If he is resurrected, then your Yan family’s matter will fall through, right?”

Yan Sihai’s expression immediately changed. He angrily shouted, “Bullsh * t! Nonsense!”

Qin Yu sneered and said, “Then why don’t you agree for me to activate the Resurrection Array to extend old Mister Yan’s life?”

Yan Sihai snorted and said, “Because I don’t believe in you. I also don’t believe in some bullsh * t Resurrection Array!”

“Big Brother, I have indeed heard of the Resurrection Array.” Yan Yongxiu frowned and said.

“Father has already passed away. Why Don’t we let Qin Yu give it a try?”

“Yeah, maybe Qin Yu really has a way,”the others also said.

Yan Sihai frowned.

If he continued to refuse, he might really arouse suspicion.

Just when Yan Sihai was at a loss, he suddenly thought of something.

Then, Yan Sihai’s expression slowly relaxed.

He said indifferently, “Alright, I’ll agree to it.”

Qin Yu finally heaved a sigh of relief. He cupped his hands and said, “Thank you for your trust, Mister Yan.”

Yan Sihai did not stay any longer. He turned his head and left the Yan family manor.

He returned to his own residence.

In the study, Yan Sihai was smoking a cigar. Beside him stood an old man.

This old man was Yan Sihai’s number one military advisor.

“Director Yan, why did you agree to Qin Yu resurrecting Old Mister Yan?”The military advisor asked in confusion.

Yan sihai snorted, “If I continue to refuse, wouldn’t it be too obvious? By then, who would be able to submit to me?”

The military advisor frowned, “But... if Old Mister Yan resurrects, who knows how many more years you will have to push the matter of you being the head of the family.”

Yan Sihai sneered and said, “Let’s not talk about whether he can resurrect my father first. So what if he is resurrected?”

“He has changed his body, changed his appearance, and even changed his voice.”

“What right does he have to say that a stranger is my father?”

Chapter 362: Chapter 362, the conflict between the Yan family erupted!

Yan Sihai could not stop laughing coldly. As long as he changed his appearance, who could prove that he was the once mighty Emperor Yan?

Moreover, Yan Yunheng, this mountain, had been in Jingdu for a long time. Countless people were waiting for him to fall.

As long as that face was gone, then his power would certainly disappear with it.

Yan Sihai’s ruthlessness was beyond imagination. No one knew that he would do such a thing for the sake of power.

It was as if as long as he tasted the taste of power, he was unwilling to let go.

...

Qin Yu and Yan Ruoxue accompanied Old Mister Yan.

Yan Ruoxue and Qin Yu told the story of Old Mister Yan and how old Mister Yan loved her when she was young.

“When I was young, as long as I wanted something, my grandfather would satisfy me.” Yan Ruoxue wiped away her tears.

“I never thought that grandfather would suddenly leave without even saying goodbye.”

At this point, Yan Ruoxue’s tears flowed out from the corner of her eyes.

Qin Yu carefully hugged Yan Ruoxue’s shoulders and comforted her in a soft voice, “Don’t worry, I will definitely save Old Mister Yan.”

Just like that, the two of them lay here and unknowingly fell asleep in each other’s arms.

The next morning.

When Qin Yu and Yan Ruoxue woke up, Old Mister Yan’s body was already gone.

Yan Ruoxue hurriedly stood up from the ground and anxiously asked, “Where’s My Grandfather?”

At this moment, the nanny outside quickly walked in.

“Miss, the eldest young master wants you to go to the hall,” the nanny said.

When Yan Ruoxue heard this, she hurriedly walked to the main hall downstairs.

Qin Yu naturally followed closely behind.

When the two of them arrived at the main hall, they found that old Mister Yan's body was actually contained in a coffin.

The coffin was made of sandalwood, and a spell was cast inside, which could protect old Mister Yan's body.

“Why did you put old Mister Yan in the coffin?” Qin Yu frowned and asked.

Yan Sihai glanced at Qin Yu and said, “Where else would I put it? Don't tell me you want to carry my father out of Jingdu?”

Seeing this, Qin Yu didn't say anything more.

But to Yan Ruoxue, this was quite cruel.

Putting it in the coffin seemed to kill the last glimmer of hope.

“Since you said you can save my father, then hurry up and leave. Don't waste time,” Yan Sihai said coldly.

Qin Yu glanced at Yan ruoxue and whispered, “Wait for me. I'll come back as soon as possible.”

After saying that, Qin Yu activated his spatial magic artifact and put the coffin in.

“Humph, you still have a lot of Babe,” Yan Sihai said with a faint smile.

Qin Yu didn't say anything. He bowed and said, “I'm leaving.”

Yan Sihai didn't pay attention to Qin Yu. He waved his hand and said, "Come with me. I want to discuss something with you."

The group left the hall and went to the study room where Old Mister Yan used to be.

In the huge hall, there was only Qin Yu.

Qin Yu did not waste any more time. He took old Mister Yan's corpse and quickly left Jingdu.

After he left, he headed straight for the southwest!

The Resurrection Array was far away in the southwest. If he wanted to resurrect old Mister Yan, he had to go to the Disha Valley!

After arriving at the airport, Qin Yu gave Jiang Gu a call.

"Jiang Gu, help me find a body immediately. The better, the better," Qin Yu said over the phone.

Jiang gu said, "A body? I'm afraid it's not that easy to find a body of the best quality now."

Qin Yu frowned slightly. Although old Mister Yan's spiritual sense was still there for the time being, if he could not be saved quickly, his spiritual sense would vanish into thin air.

At that time, even if a great golden immortal descended to the mortal world, there was probably nothing he could do.

Thinking of this, Qin Yu said to Jiang Gu, "Then find a body as soon as possible. An ordinary person's body is also fine."

“After you find a body, immediately bring it to the Disha Valley.”

For the time being, old Mister Yan’s body would be preserved. At most, they could find another body for him in the future.

After making this call, Qin Yu called it a plane and rushed towards the Disha Valley.

...

In the Yan family’s manor.

Everyone stayed in the study room, waiting for Yan Sihai’s small meeting.

But after a long time, Yan Sihai still didn’t say a word.

“Big Brother, what’s the matter?” Yan Yongxiu frowned and asked.

Yan Sihai glanced at him and said, “Has Qin Yu left?”

“It’s been half a day. He must have left,” Yan Tianhong said.

Hearing this, Yan Sihai’s lips curled into a cold smile.

He slowly stood up and said, “The so-called resurrection array is a lie! People can’t be resurrected after death. How can there be Resurrection?”

“What do you mean?” Hearing this, Yan Ruoxue immediately stood up.

Yan Sihai did not answer. His eyes became somewhat sinister.

Then, Yan Sihai said coldly, “Qin Yu killed my father, killed the head of the Yan family, and stole my father’s body on the day of the funeral!”

“It’s intolerable. The Yan family has never suffered such humiliation before!”

“From now on, the Yan family will issue a death warrant for Qin Yu!”

Hearing this, everyone was shocked!

Yan Ruoxue’s face became a little cold.

“Uncle, what exactly do you mean?” Yan Ruoxue said coldly.

Yan Sihai smiled faintly and said, “Of course it’s to take revenge for your grandfather. What, are you going to abandon your family for a wild man?”

“What a good accusation.” Yan Yongxiu also slowly stood up.

He sneered and said, “Big Brother, this is all part of your plan, right? You can find a reason to chase after Qin Yu, but you can also take advantage of the situation to occupy the Yan family.”

“TSK tsk, what a good trick.”

Yan Sihai snorted and said, “I don’t understand what you are talking about. In short, from now on, I will chase after Qin Yu until one of us dies!”

“How dare you!”

Yan Ruoxue suddenly shouted!

Along with her shout, several auras burst out from the darkness!

In a short moment, more than ten martial artists at the peak of the Martial Grandmaster realm stood behind Yan Ruoxue!

Looking around, they even saw a top-tier martial marquis realm expert who had surpassed the Martial Grandmaster realm!

“Greetings, eldest miss!” Everyone shouted in unison!

These people were the protectors of old Mister Yan!

Old Mister Yan had given the order long ago, and these people only listened to the orders of two people.

One was old Mister Yan, and the other was Yan Ruoxue!

Yan Sihai’s brows slowly furrowed.

“What do you mean? Do you want to rebel?!” Yan Sihai roared.

“Get out of here right now. I want to see if you dare to disobey my orders!”

Yan Sihai’s angry roar didn’t have any effect.

These people stood behind Yan Ruoxue and completely ignored Yan Sihai.

Chapter 363: Chapter 363, Yan Sihai’s conspiracy

Blue veins popped out on Yan Sihai’s forehead. He had never thought that these people would not listen to his orders at all!

“Dad, you actually left this girl with a backup plan...”Yan Sihai said angrily in his heart.

He looked at Yan ruoxue coldly and said, “You have your own power, but don’t you think I don’t?”

Yan ruoxue said coldly, “Uncle, it has nothing to do with me if you want to fight for the power of the family. But if you want to hurt Qin Yu, I won’t agree.”

“Hahahaha!”Yan Sihai couldn’t help but burst into laughter.

He glared at Yan Ruoxue and said, “Good, good! Yan Ruoxue, let’s wait and See!”

After saying this, Yan Sihai turned around and left.

He left the Yan family manor and went all the way back home.

Sitting in the study room at home, Yan Sihai’s military advisor stood to the side and listened to Yan Sihai’s story.

After hearing all this, the military advisor smiled and said, “This matter is actually very easy to handle.”

“Easy to handle?”Yan Sihai’s expression turned cold.

“If Yan Ruoxue really goes crazy and wants to break with me, I can’t do anything to her!”

“Just in the Yan family’s manor, there are already eight peak stage martial grandmasters and a martial marquis! Once they fight, it’s very likely that the Yan family will break up!”

“Moreover, this is only what I saw. What about outside the Yan family’s Manor?”

The military advisor smiled faintly and said, “We only need to force Yan Ruoxue to hand over her power.”

“Are you talking nonsense? If I can make him hand over his power, why would I be so upset?” Yan Sihai snorted coldly.

“The military advisor is right.”

At this moment, another woman walked in from outside the study.

This woman was dressed elegantly and elegantly. Her aura was extraordinary, and every movement she made had the aura of a superior.

And this woman was none other than Yan Sihai’s wife, Zhang Yin.

Although Zhang Yin was only a woman, she was also a famous figure in Jingdu.

Her ruthlessness was not the slightest bit inferior to Yan Sihai’s.

Zhang Yin walked straight to Yan Sihai’s side and sat down. She smiled and said, “Old Mister Yan, doesn’t Yan Ruoxue care about Old Mister Yan? Isn’t old Mister Yan’s corpse outside Jingdu?”

“With your ability, you only need one sentence to make countless people work for you.”

Yan Sihai was also a smart person. He instantly reacted!

Then, Yan Sihai stood up and sneered, “Good Idea, good idea!”

As long as Yan Sihai threatened Yan ruoxue with old Mister Yan's life, then she would definitely hand over the power she controlled!

Different from Yan Sihai, what Yan Ruoxue cared about was not the power she controlled, but the life of old Mister Yan!

Yan Sihai quickly picked up his phone and dialed the number of the largest family in the southwest border, the Cao family.

The Cao family controlled the southwest and could be considered an overlord.

And the head of the Cao family, Cao Shan, was a genuine peak martial grandmaster!

It was not an exaggeration to say that in the southwest, the Cao family's words were almost equal to everything!

At this moment, Cao Shan was sitting in a dark room, enjoying life.

At this moment, his phone rang.

Cao Shan picked up the phone somewhat unhappily and said coldly, "Who?"

"Jingdu, Yan Sihai," Yan Sihai said coldly.

Hearing this name, Cao Shan hurriedly sat up straight.

He said respectfully, "Mr. Yan, why did you suddenly call me?"

Yan Sihai went straight to the point and said, “I want you to kill someone. His name is Qin Yu. He will arrive at the southwest Earth Demon Valley in the next few days.”

Cao Shan said with an embarrassed smile, “Mr. Yan, can you give me a Reason?”

“I don’t need a reason. You only need to follow orders,” Yan Sihai said coldly.

“Otherwise, you know the consequences.”

After saying this, Yan Sihai directly hung up the phone.

On the other end, Cao Shan couldn’t help but sigh slightly.

“Dad, why are you afraid of him, Yan Sihai?” Next to him, Cao Shan’s son asked somewhat confusedly.

Cao Shan slowly said, “You don’t understand the power of those people in Jingdu.”

If it was someone from another place, Cao Shan wouldn’t be afraid at all. After all, their hands couldn’t reach this far.

However, the Yan family was different. Their hands could reach almost all over the country.

...

At this moment, Qin Yu didn’t know Yan Sihai’s intentions at all.

He was currently in his mind, looking for the things that needed to be prepared for the revival formation.

Very quickly, Qin Yu discovered that to activate the revival formation, at least eight experts above the grandmaster level had to activate the formation at the same time.

“Five grandmasters... it’s not easy to find them.” Qin Yu frowned.

After all, grandmasters were not cabbages on the streets. It was not an easy task to find eight people quickly.

If he were to call people to head to the southwest at the last minute, it would be too late.

After thinking about it, Qin Yu finally decided to seek help from the local martial arts aristocratic families or martial arts association.

At most, he would give them a pill or herbs as a reward.

The plane flew through the sky and soon arrived at the southwest region.

After arriving at the southwest region, Qin Yu was not in a hurry to go to the Disha Valley. Instead, he gave Fang Yue a call.

After the call was connected, Qin Yu quickly expressed his intention, “Miss Fang, do you know anyone in the southwest?”

Fang Yue on the other end said in surprise, “Southwest? Mr. Qin, Why Did You Go There?”

“It’s more troublesome to explain this matter. In short, I need six grandmasters or great grandmasters now,” Qin Yu said in a deep voice.

“Six Grandmasters?” Fang Yue on the other end was silent for a moment, then said, “It’s not easy to find them... but you can ask the local martial arts association for help.”

Qin Yu smiled bitterly and said, “I’ve thought of this way too. I’m just afraid that they won’t pay attention to me, so I want you to think of a way.”

Fang Yue smiled and said, “Of course, no problem. Which City are you in?”

Qin Yu said, “Yunchuan City.”

“Okay, wait for my news,” said Fang Yue.

After waiting for about ten minutes, Fang Yue called back.

She said on the phone, “Brother Qin, go directly to the martial arts association in Yunchuan City. There will be a person called Jia Gong waiting for you.”

“Thank you,” said Qin Yu.

After hanging up the phone, Qin Yu didn’t waste any time. He quickly took a taxi and rushed to the local martial arts association.

After rushing all the way to the martial arts association in Yunchuan City, Qin Yu walked in quickly.

He came to the front desk and said politely, “I’m looking for Mr. Jia Gong Jia.”

The front desk looked at Qin Yu and said, “Why are you looking for our Vice President Jia?”

Qin Yu quickly said, “I have an appointment with Mr. Jia. Please inform him that my name is Qin Yu.”

“Qin Yu?” The front desk seemed to have received an order.

He waved his hand and said, “You can go in. The second room on the second floor is on the left. Vice President Jia is waiting for you.”

“Thank you.” Qin Yu nodded and then quickly walked to the vice president’s office.

After Qin Yu left, the receptionist quickly called Jia Gong.

“Mr. Jia, Qin Yu is here,” said the receptionist.

“Got it.” Jia Gong turned off the phone.

Then, Jia Gong quickly found Cao Shan’s phone number.

“Mr.. Cao, Qin Yu is here.”

Chapter 364: Chapter 364, you’ d better die here!

On the other end, after Cao Shan heard it, he immediately said, “Think of a way to keep him. I’ll bring people over immediately.”

“Yes, Mr. Cao!” Jia Gong hurriedly said.

After hanging up the phone, Jia Gong was in his office, quietly waiting for Qin Yu’s arrival.

After only a few minutes, Qin Yu knocked on the door.

“Come in,” Jia Gong said quickly.

Qin Yu pushed the door open and entered. As soon as he entered, he said politely, “Hello, Mr. Jia. I was introduced by Miss Fang.”

Jia Gong also hurriedly stood up and said, “Oh, you are Qin Yu? Sit Down, sit down.”

As he spoke, Jia Gong personally pulled out a chair for Qin Yu.

Such a polite attitude surprised Qin Yu.

He thought that Fang Yue’s ability was strong, which was why Jia Gong treated him with such a respectful attitude.

“Mr. Jia, I came here this time to ask for your help with something.” Qin Yu didn’t dare to waste any time and quickly revealed his intentions.

After Jia Gong heard it, he nodded and said, “What is it? Speak.”

Qin Yu said, “I want to borrow six grandmasters from you.”

“Six Grandmasters?” Jia Gong thought for a moment and did not answer.

Qin Yu continued, “Of course, I Won’t ask you to help me for nothing.”

After saying this, Qin Yu flipped his palm and a vitality enhancing pill fell into Qin Yu’s hand.

“This vitality enhancing pill is extremely beneficial to cultivation. It’s an Earth grade pill,”Qin Yu introduced.

Upon hearing this, Jia Gong’s eyes immediately widened!

Wasn’t an earth-grade pill a little too extravagant ?

One must know that an earth-grade pill was an existence that could cause a stir in half of Yun Chuan!

“Mr. Qin, you’re too polite!”Jia Gong said with a smile as he tucked the pill into his pocket.

Even though that was the case, Jia Gong was an extremely greedy person.

How could he let go of something that could be taken advantage of for free ?

“Mr. Qin, as you know, it’s not easy to hire a grandmaster. Sometimes, they don’t listen to you.”Jia Gong was implying something.

Qin Yu was not stupid. He naturally understood what Jia Gong meant.

Therefore, Qin Yu stood up and said, “Mr. Jia, if you are willing to hire someone to help, I can give you another stalk of herbs. Its medicinal effect is more than 500 years.”

Jia Gong’s eyes lit up and he hurriedly said, “Really ?”

“Absolutely,”Qin Yu said.

Jia Gong couldn’t help but lick his lips.

This kid was quite rich!

“Alright then, I can consider helping,” Jia Gong said while blinking his eyes.

Without the slightest hesitation, Qin Yu immediately took out a stalk of 500-year-old herbs and handed it to Jia Gong.

Jia Gong was beyond excited. He quickly put the herbs away and said, “Mr. Qin, thank you, thank you!”

Qin Yu said, “I should be the one thanking you.”

Although a five-hundred-year-old herb was precious, it was not worth mentioning when compared to old Mister Yan’s life.

Jia Gong could not help but curse in his heart.

This fool, I tricked you, and you still have to thank me!

“Mr. Jia, the matter is urgent, so let’s not waste time,” Qin Yu urged from the side.

Jia Gong’s expression changed slightly, and he hurriedly said, “Aiya, it’s not that I don’t want to lend it to you, but the main thing is... He hasn’t returned yet, so I have to inform him now.”

“Then I’ll have to trouble you to help me,” Qin Yu’s tone was somewhat urging.

“Okay, okay. Please wait a moment,” said Jia Gong.

After saying this, Jia Gong walked out of the office.

He took out his cell phone and called Cao Shan.

“Mr. Cao, please hurry up. This kid is quite anxious. I’m afraid I can’t keep him,” said Jia Gong.

Cao Shan on the other end of the line said coldly, “Don’t be anxious. I’ll be there in ten minutes.”

“Okay!” Jia Gong quickly agreed.

After he hung up the phone, he returned to his office and said with a smile, “Mr. Qin, please wait for a while. Give me ten minutes.”

“Okay.” Qin Yu agreed.

He could still wait for ten minutes.

However, Qin Yu didn’t know that danger was slowly approaching him.

At this moment, Yan Sihai was waiting for Cao Shan’s good news.

As long as Qin Yu was captured, then Yan Ruoxue would naturally give up her power.

Time passed by minute by minute. In the blink of an eye, ten minutes had passed.

But Cao Shan still hadn’t arrived.

Qin Yu couldn’t help but ask, “Mr. Jia, is it going to be long?”

Jia Gong was also very anxious. He hurriedly stood up and said, “Mr. Qin, don’t be anxious. He will be here soon.”

“Come, try my new tea. This is a good tea.” Jia Gong changed the topic.

Qin Yu was somewhat anxious because the matter of old Mister Yan couldn't wait.

No one knew when old Mister Yan's spiritual sense would disappear.

Another ten minutes passed.

Qin Yu stood up and said, “Mr. Jia, can you hurry him up? If you can't help him, please tell me directly.”

Jia Gong rubbed his hands and said, “Don't be anxious. He will be here soon! I. . . I still have a bottle of good wine here. Mr. Qin, why don't we try it?”

Qin Yu was a little impatient.

He stood up and said, “Mr. Jia, I said that this matter is very urgent. I hope that you won't delay my time.”

Jia Gong immediately appeared a little awkward. Just as he was at a loss, the office door finally opened.

Then, he saw a man around 50 years old walk in from outside the door.

There were five people following behind him.

Each of them was a martial grandmaster.

“Mr. Cao, you are finally here!” Jia Gong immediately heaved a sigh of relief.

Qin Yu did not know Cao Shan's intentions, so he politely said, "Thank you for your righteous help."

Cao Shan raised his eyebrows and sneered, "Righteous help? You think I'm here to help you?"

Qin Yu frowned slightly and said, "What do you mean?"

"Fool, Mr. Cao Is Here to kill you! Do you really think I will help you?" Jia Gong hid behind Cao Shan and said with bared fangs and brandished claws.

Qin Yu's expression suddenly became a little ugly.

He looked at Jia Gong coldly and said, "You are really a despicable person."

Jia Gong sneered, "If you want to blame someone, then blame yourself for being stupid! But the pill you gave me is not bad, so I won't be polite."

Qin Yu didn't have the time to pay attention to this Jia Gong.

He looked at Cao Shan and said, "There doesn't seem to be any grudges between us, right?"

Cao Shan put his hands behind his back and said indifferently, "Indeed, but someone wants me to kill you."

"Someone wants to kill me?" Qin Yu took a deep breath.

He could see that this Cao Shan was powerful, and Qin Yu was pressed for time, so..., Qin Yu suppressed his anger and said, "No matter what

conditions the other party offers to kill me, I can give you an earth-grade pill, or even a heaven-grade pill.”

“I only hope that everyone can make way,”Qin Yu said in a deep voice.

“Heaven-grade Pill?”Cao Shan raised his eyebrows and was immediately tempted.

Heaven-grade pill was an absolute holy item!

Even Cao Shan had never seen it before!

“How about it? If you’re not satisfied, we can still discuss it,”said Qin Yu.

Cao Shan touched his chin and said, “The conditions you offered are indeed tempting enough, but unfortunately, the other party’s background is too big. I Can’t afford to provoke him.”

“So.... you’d better die here!”

Chapter 365: Chapter 365, the terrifying Cao Shan

As soon as Cao Shan finished speaking, he immediately clenched his fist and charged forward!

As a peak martial grandmaster, his strength was beyond imagination!

Naturally, Qin Yu didn’t dare to be negligent. He hurriedly activated his saint body technique and sent a punch forward.

“Dang!”

With a loud sound, Qin Yu was forced back three steps!

Cao Shan's situation wasn't any better either. His wrist was shaken until it was in pain. He felt as if his fist had smashed into steel!

“Huh?” Cao Shan's expression changed slightly.

A grandmaster could actually withstand a punch from him?

What kind of talent was this?

Qin Yu was not in the mood to fight. He said coldly, “Mr. Cao, if you want to take my life, why don't You Meet Me Somewhere? I will not escape.”

“But now I have something important to do. I have to leave immediately.”

Cao Shan laughed and said, “Do you think it's a vegetable market? Bargaining with me? If I don't kill you, the person who will die will be me!”

With that said, Cao Shan stepped forward again!

Qin Yu knew that he was no match for Cao Shan, so he immediately planned to use shrinking earth into an inch to escape.

However, Cao Shan seemed to have expected it. Just as Qin Yu was about to use shrinking earth into an inch, the surrounding environment suddenly began to change.

The few of them seemed to have been put into an isolated space, completely isolated from the surroundings!

Qin Yu's expression changed. He circulated all the spiritual power in his body and ruthlessly smashed towards the surroundings!

However, the surrounding walls seemed to have elasticity. When this punch landed, it only caused waves of ripples.

“Hehe, you want to run?” Cao Shan placed his hands behind his back and sneered repeatedly.

Qin Yu's expression was somewhat unsightly.

This Cao Shan's ability had exceeded his imagination!

“Mr. Cao, do you have to kill me?” Qin Yu asked coldly.

Cao Shan sneered, “What do you think?”

“Okay.” Qin Yu knew that it would be difficult to escape today, so he took a deep breath and prepared to fight to the death.

Golden Light burst out from his body, and his spiritual power was raised to the limit in an instant!

In the next second, Qin Yu's mind moved, and the purple-gold muslin robe stood out from the spatial magic tool! Then, it covered Qin Yu's entire body!

“Humph, petty tricks.” Cao Shan did not put Qin Yu in his eyes at all.

With a light shake of his feet, he instantly arrived in front of Qin Yu!

Cao Shan's fists were like dragons, and his entire body burst out with an imposing aura that seemed to be able to topple mountains and overturn seas, pressing down on the entire space and causing it to buzz!

Qin Yu did not have any gorgeous moves, he raised his hand and used the absolute beginning holy fist!

Golden Light gathered on Qin Yu's fist!

The strange power in his body exploded to the extreme at this moment!

“Go to hell!” Qin Yu raised his head and roared. His Golden Fist headed straight for Cao Shan's vital point!

Qin Yu even gave up resisting and used his life-or-death method to exchange with Cao Shan!

Cao Shan sneered, “You don't know your limits!”

As a peak martial grandmaster, Cao Shan naturally wasn't afraid of Qin Yu!

Boom

Cao Shan's fist smashed onto Qin Yu's face!

Qin Yu's absolute beginning holy fist exploded on Cao Shan's chest like a cannonball!

Sou

Under this full force attack, Cao Shan's entire body was sent flying!

His chest was even caved in, several of his ribs were broken, and a mouthful of blood spewed out from his mouth!

“How is this possible!” Cao Shan’s expression was extremely ugly!

He could not imagine that a grandmaster would be able to erupt with such terrifying strength!

On the other hand, Qin Yu, under the cover of the sacred body technique and the purple-gold gauze robe, had only received a superficial wound on his face.

“This is really unbelievable.” Cao Shan took a deep breath.

He climbed up from the ground and looked coldly at Qin Yu, saying, “Your strength has exceeded my imagination. No wonder that person wanted to kill you.”

Qin Yu’s breathing was slightly heavy. He gritted his teeth and looked at Cao Shan, saying, “Either let me go, or cut the crap!”

Cao Shan touched the blood that flowed out from the corner of his mouth. He put his hands behind his back and sneered, “I can see that you have reached your limit, but unfortunately, this is only the beginning.”

As his voice fell, Cao Shan’s aura suddenly exploded!

The strength of a peak martial grandmaster was revealed at this moment!

“Hong Long Long...”

The space seemed to be unable to withstand the pressure, and a series of explosions sounded.

Even though Qin Yu's physical body was powerful, under this pressure, he still felt as if his entire body was about to be crushed!

"I don't want to waste time with you, so... I plan to kill you." Cao Shan's voice and temperament changed.

With a shake of his feet, the space around Qin Yu seemed to be compressed!

His whole body immediately began to curl up, and the sound of cracking could be heard continuously!

"What... What's going on..." Qin Yu felt as if his body was caught by an invisible hand, and he couldn't move at all!

Cao Shan sneered, "This technique is called the seven capture Saint technique. It's your great honor to die under this technique."

Qin Yu was not in the mood to listen to Cao Shan's nonsense. Golden Light burst out from his body as he tried his best to resist this power!

Crack

Following Qin Yu's angry roar, the surrounding suppression seemed to have been shattered! Qin Yu's physical body was also freed for a moment.

"To be able to resist the first capture, not bad." Cao Shan nodded his head in praise.

"But what about the second capture?"

With that said, the pressure around Qin Yu once again pressed down!

This time, the pain was stronger than the previous time, and the strength was even more terrifying!

“Ah! !”

Qin Yu’s entire body was curled up bit by bit. Even if he tried his best to resist, he was still unable to break through this level of restraint

“The third capture!”Cao Shan shouted again!

Qin Yu’s body suffered another heavy blow!

Several of his bones were shattered, and blood flowed out of his mouth and eyes!

“The fourth capture!”Cao Shan shouted again!

Qin Yu finally couldn’t take it anymore. He seemed to have lost his internal QI, and the aura in his entire body disappeared in an instant.

“Not bad, being able to withstand the fourth capture is already beyond my imagination.”Cao Shan quietly walked in front of Qin Yu.

At this moment, Qin Yu had already lost the ability to resist. His body was covered in blood as he fell to the ground.

Although his consciousness was still there, the pain in his body had already made him unable to resist.

Cao Shan waved his hand, and the surrounding space began to disappear bit by bit.

Looking at Qin Yu who had fallen to the ground and was living a life worse than death, Cao Shan muttered to himself, “It’s almost time to give up.”

...

In the study room of the Yan family manor, Yan Sihai was sitting in the seat where Old Mister Yan used to sit.

And sitting opposite him was Yan Ruoxue.

“Uncle, what do you want from me?” Yan Ruoxue asked with a cold face.

Yan Sihai said with a faint smile, “Don’t worry, I have something important to discuss with you.”

At this moment, Yan Sihai’s phone rang.

He picked up the cell phone and saw that it was a video call from Cao Shan.

Chapter 366: Chapter 366, the treacherous Yan Sihai!

Seeing this phone call, Yan Sihai’s lips curled into a smile.

He looked at Yan ruoxue and said indifferently, “I want to make a deal with you.”

“Deal?” Yan ruoxue frowned slightly, as if she didn’t quite understand what Yan Sihai meant.

Yan Sihai picked up the phone and pressed the answer button.

Soon, an image appeared in the video.

In this image, Cao Shan was stepping on Qin Yu.

Qin Yu's body was covered in blood, and it looked terrible.

Seeing this scene, Yan Ruoxue's face instantly turned extremely ugly!

She suddenly stood up and said coldly, "What do you want to do to Qin Yu!"

Yan Sihai smiled faintly and said, "Nothing. I just want to make a deal with you."

Yan Ruoxue suppressed the worry in her heart and said, "What Deal?"

"I want you to hand over all the power you have!" Yan Sihai said with a cold smile.

"Including those eight great grandmasters and that Marquis Wu."

"Also, hand over all the power you have in the Yan family!"

Speaking up to this point, Yan Sihai paused for a moment.

He said with a faint smile, "Of course, you can also refuse. But if you do that, Qin Yu might die, and... your grandfather might never come back."

"You!" Yan Ruoxue was so angry that her face turned pale, and her delicate body trembled slightly!

"Despicable and Shameless!" Yan Ruoxue said angrily.

Yan Sihai said with a sneer, “Ruoxue, as your uncle, I must tell you that those who achieve great things do not care about trifles. Some people exist for the sake of sacrifice.”

“My Grandfather is your father. How can you say such words?” Yan Ruoxue could not understand.

Her own son would actually stop his father’s rebirth for the sake of the Yan family’s rights!

“No need to say more. I will only give you three seconds to consider.” Yan Sihai placed his phone on the table.

Cao Shan on the other end was naturally waiting for Yan Sihai’s order.

“One.” Yan Sihai began the countdown.

“Two.”

Just as Yan Sihai was about to shout “Three”, Yan Ruoxue said coldly, “I will agree to it. What do you want me to do?”

Yan Sihai faintly smiled and said, “It’s very simple. As long as you cooperate with me, I’ll spare his life.”

“Okay.” Yan Ruoxue forcefully suppressed her anger and nodded.

Yan Sihai immediately said, “Invite those experts beside you out.”

Those experts were the blood and sweat of old Mister Yan.

Under Yan Ruoxue’s orders, they appeared in the study room.

A few people stood behind Yan Ruoxue, as if waiting for her orders.

Yan Sihai said indifferently, “Ruoxue, I demand that they take the initiative to enter the Jingdu Martial Arts Association’s Prison.”

“What? !” Yan Ruoxue stood up excitedly.

She glared at Yan Sihai and said, “Aren’t you going a bit too far by doing this?”

“You just need to tell me if you agree or not.” Yan Sihai lit a cigar and said indifferently.

Yan Ruoxue didn’t say anything for a moment.

One had to know that these people were old Mister Yan’s blood and sweat, and they were even more loyal to the Yan family!

“It seems that you are unwilling.” Yan Sihai squinted his eyes.

He picked up his phone and said to Cao Shan on the screen, “Cao Shan, I order you to kill Qin Yu immediately and destroy his spatial magic artifact!”

“Yes!” Cao Shan shouted from the other end.

“Wait!” Yan Ruoxue couldn’t take it anymore.

She took a deep breath and turned around to look at the nine people behind her.

“I’m sorry to make you suffer,” Yan Ruoxue said apologetically.

“If there’s a chance, I’ll definitely save you,” Yan Ruoxue’s voice carried an unspeakable sense of guilt.

The nine people looked at each other, cupped their hands, and said, “Miss, you don’t have to feel guilty. We know that this is not your original intention.”

After saying this, the nine people stood in a row and bowed to Yan Ruoxue in unison.

Yan Ruoxue’s heart felt like it was being cut by a knife. She couldn’t even bear to look straight at it.

Yan Sihai sneered. He snapped his fingers, and a few people immediately walked in from outside the door.

These people were from the Jingdu Martial Arts Association!

And the one leading them was Mr. Xia, whom he had met at the banquet last time!

“Mr. Xia, please take them away,” Yan Sihai said with a faint smile.

Mr. Xia bowed slightly and said, “Yes, President Yan.”

After saying that, Mr. Xia looked at Yan Ruoxue and said with a faint smile, “Miss Yan, I don’t think I have the chance to see Qin Yu standing at the peak of Jingdu.”

After saying this, Mr. Xia took them and left the Yan family.

After they left, Yan Ruoxue looked at Yan Sihai coldly and said, “Can we let him go now?”

“Don’t worry. After they go in, I will naturally let Qin Yu go,”Yan Sihai said with a faint smile.

Time passed by minute by minute. After about half an hour, Mr. Xia sent a message.

“President Yan, the person has been arrested,”Mr. Xia said in the text message.

Seeing this message, the corner of Yan Sihai’s mouth curled up into a sneer.

“Can we release him now?”Yan Ruoxue said coldly.

Yan Sihai said with a faint smile, “Of course.”

Then, Yan Sihai shouted to the phone, “Cao Shan, cripple his Dantian and throw him out.”

After saying this, Yan Sihai directly hung up the phone.

Yan Ruoxue’s face instantly turned pale!

Because of anger, her whole body trembled slightly!

“Yan Sihai, you! You’re Shameless!”Yan Ruoxue roared angrily.

Yan sihai sneered, “I’ve already spared his life. Why, aren’t you satisfied?”

After saying that, Yan Sihai walked out of the study room with a big laugh.

In the study, Yan Ruoxue stood there in a daze. Her eyes were filled with pain and fear.

She never thought that Yan Sihai would do something so extreme!

“Qin Yu... grandfather...” drops of tears slid down Yan Ruoxue’s cheeks.

She squatted on the ground and sobbed softly.

At this moment, Yan Ruoxue seemed to have thought of something.

She hurriedly took out her phone and sent a text message to Qin Yu.

“Qin Yu, don’t come to Jingdu. You Must Live Well.”

Even if her Dantian was crippled, as long as she could live, it was enough for Yan Ruoxue.

...

On this side, Qin Yu lay on the ground in unbearable pain.

He wanted to get up many times, but Cao Shan stepped on his back.

“Qin Yu, Mr. Yan said that I should cripple your Dantian and throw you out,” Cao Shan said with a faint smile.

Qin Yu stared at Cao Shan and said coldly, “You Dare!”

“Haha, then I’ll show you whether I dare or Not!” Cao Shan roared angrily.

After saying that, his fist turned into a palm and fiercely slapped toward Qin Yu!

“Ah!”

Qin Yu roared angrily, and his body burst out with astonishing strength!

He used all his fist and fiercely punched toward Cao Shan!

“Clang!”

Under this punch, Cao Shan’s palm seemed to have suffered a heavy blow, and his wrist was aching!

“Oh? You can actually fight back?” Cao Shan narrowed his eyes.

He sneered and said, “This should be your last strength, right?”

Qin Yu was gasping for breath, and his face was extremely unsightly.

Just as Cao Shan had said, he had almost used up the last bit of energy in his body.

“I absolutely can not fall here...” Qin Yu shouted crazily in his heart!

He still had too many things to do!

He had to save old Mister Yan, set foot in Jingdu, and marry Yan Ruoxue!

If his Dantian was crippled, all of this would become a bubble!

“Stop struggling, I’ll end your pain right now.” Qi energy surged up and down Cao Shan’s body, and a terrifying power erupted once again!

Boom

In the next second, this massive power poured towards Qin Yu!

At this critical moment, a figure blocked in front of Qin Yu!

My Rich Wife – Chapter 367 –

Chapter 367: Chapter 367, the Resurrection began!

This figure was not strong, but at this moment, he looked extremely tall.

Cao Shan's palm landed firmly on his body.

“Yan... Yan Jiang?” Seeing this person, Qin Yu could not help but be stunned.

Yan Jiang turned around and glanced at Qin Yu, saying coldly, “Go.”

Qin Yu got up from the ground and frowned, “Then what do you do?”

Yan Jiang didn't answer. Instead, he said coldly, “Leave this place to me. You should leave quickly.”

Qin Yu opened his mouth, not knowing what to say for a moment.

Although Yan Jiang was powerful, the people in front of him were five peak-stage martial grandmasters!

No matter how strong Yan Jiang was, he was just an ordinary person. Facing five opponents of the same realm, he was probably doomed.

Qin Yu gritted his teeth and said, “I can't leave you here. You've already saved me twice.”

However, Yan Jiang roared angrily, “Get lost quickly! I'm not doing it for you, I'm doing it for Miss!”

“You are Miss's all-out effort and hope. Do you want to let her down!”

These two sentences instantly made Qin Yu speechless.

He gritted his teeth and cupped his hands, saying, “Big Brother Yan Jiang, I, Qin Yu, will never forget your great kindness!”

After saying that, Qin Yu cupped his hands to Yan Jiang, turned around and prepared to leave.

“You want to leave? Dream On!” Cao Shan’s foot shook, and that strange space appeared again!

At this moment, Yan Jiang roared, and the violent power directly shattered this space into pieces!

“Go!” Yan Jiang roared angrily.

Qin Yu didn’t dare to waste any more time. He immediately used shrinking earth into an inch and fled!

Cao Shan’s expression gradually turned cold.

“If you dare to ruin my plans, then you will die for him!” Cao Shan said through gritted teeth.

An unprecedented battle erupted at this moment.

Qin Yu fled wildly. He did not know how many miles he had fled before he stopped.

“Big Brother Yan Jiang, nothing must happen to you...” Qin Yu looked in the direction of the Yunchuan Martial Arts Association and whispered.

The most important thing now was to gather as many people as possible to revive old Mister Yan.

Time had been delayed, so it was impossible for Qin Yu not to be anxious.

But where could he find the seven grandmasters?

Just as Qin Yu was at a loss, he suddenly thought of something!

“Elder of the Divine Alchemist Pavilion!” A hint of excitement flashed in Qin Yu’s eyes!

This identity was enough to make a martial grandmaster work for him!

Therefore, he immediately went to the martial arts forum to post a message.

“The elder of the Divine Alchemist Pavilion has requested the help of the six martial grandmasters. He will definitely be heavily rewarded afterward!”

Under this message was the location of the Disha unit.

After sending this message, Qin Yu rushed straight to the Disha Valley.

At this moment, Jiang Gu had been waiting at the Disha Valley for a long time.

After seeing Qin Yu, he hurriedly walked forward.

“Mr. Qin, what... What Happened to you?” Seeing Qin Yu’s body full of injuries, Jiang Gu asked in shock.

Qin Yu waved his hand and didn't explain anything. Instead, he found a place to sit cross-legged. While he recovered his body, he waited for the arrival of the grandmaster.

About half an hour later, countless people came because of his reputation!

In just a few minutes, there were actually more than twenty people gathered at the entrance of the Earth Fiend Valley!

Among them, there was no lack of martial grandmasters, and even those at the peak of the Martial Grandmaster realm!

Facing so many experts, Qin Yu also appeared somewhat surprised.

He climbed up from the ground, cupped his hands and said, "Thank you all for coming to help."

"Haha, it's our honor to be able to work for the Elders of the Divine Alchemist Pavilion," everyone said one after another.

"Mr. Qin, can you take out your elder's token to have a look? It's not that I don't believe you, but I'm just curious. I hope you don't mind," someone said.

Qin Yu nodded. He took out the token of the elders of the Divine Alchemist Pavilion from his pocket.

After seeing the token, everyone's attitude immediately became even more enthusiastic.

"Mr. Qin, what do you need us to do? Just ask!"

“That’s right, we are willing to do anything!”

Qin Yu hurriedly cupped his hands and said, “Thank you for your enthusiasm, I only need six people.”

“I’ll do it! I’ll do it!”

“I’m a Martial Grandmaster, I’ll do it!”

“What’s the big deal about a martial grandmaster? I’m a peak Martial Grandmaster!”

Qin Yu didn’t expect that the identity of an elder of the Divine Alchemist pavilion would be so useful!

Originally, he only wanted to borrow the power of a martial grandmaster, but now that there were more than six martial grandmasters, it was naturally better to use a martial grandmaster.

Therefore, Qin Yu selected six martial grandmasters and said politely, “Thank you for your help. Please follow me.”

After saying that, Qin Yu shouted to the others, “I will remember your kindness one by one. If you need me in the future, just let me know.”

“Mr. Qin is too polite!”

“Let’s wait here in case we don’t have enough manpower!”

To be able to receive the favor of an elder of the Divine Alchemist Pavilion was a huge fortune!

Qin Yu did not say anything more. After thanking them one by one, he led the few martial grandmasters into the Earth Fiend Valley.

After going around in circles, they finally arrived in front of the Resurrection Array.

The Earth Fiend Valley had a total of ten resurrection arrays. They had used one last time, and now there were nine.

“Please sit on each of the six array cores,” Qin Yu said.

The six martial grandmasters were extremely cooperative. They immediately sat in six different directions according to Qin Yu’s request.

Then, Qin Yu looked at Jiang Gu and said, “Where’s the body I asked you to find?”

Jiang Gu hurriedly took out a body.

“This is the body of a martial arts grandmaster. He was an expert when he was alive,” Jiang Gu said.

Qin Yu nodded. He took the body and placed it in the center of the formation.

“You should go and sit down,” Qin Yu said to Jiang Gu.

Jiang Gu nodded and agreed.

Then, Qin Yu took out old Mister Yan’s body and placed it in the center.

“This... This is Emperor Yan?” Someone seemed to recognize old Mister Yan’s identity.

Qin Yu nodded and said, “Yes, the activation of the resurrection array this time is for old Mister Yan.”

“Aiya, Mr. Qin, why didn’t you say so earlier!”

“Yes, it’s our honor to be able to serve Emperor Yan!”

Qin Yu waved his hand and said, “Everyone, don’t waste any more time. Old Mister Yan’s spiritual sense is about to collapse.”

Everyone hurriedly nodded.

The eight people took their positions. Under Qin Yu’s urging, the Resurrection Array began to operate!

Rays of light burst out from the eight people’s bodies!

The light began to condense on the two people’s bodies and then formed a connection of rays of light!

Old Mister Yan’s spiritual sense slowly left his original body.

Then, his spiritual sense slowly landed on another body.

The Resurrection Array lasted for an entire hour before the light gradually dimmed.

“Pu!”

Qin Yu, who was already injured, spat out a mouthful of blood at this moment. His face also turned a little pale.

However, he couldn’t care about his injuries. Instead, he hurriedly walked in front of old Mister Yan.

Qin Yu stared at the new body, his eyes filled with anxiety.

Time passed by slowly.. At this moment, the eyes of the new body slowly opened.

Chapter 368: Chapter 368, the Angry Qin Yu

Looking at the body that didn't belong to old Mister Yan, Qin Yu had an indescribable feeling in his heart.

This body slowly opened its eyes, and there was a bit of confusion in its eyes.

“Old Mister Yan?” Qin Yu asked tentatively.

Old Mister Yan's pupils suddenly constricted.

He reached out and grabbed Qin Yu's arm, saying, “Qin Yu? where... where is this? Am I not already dead?”

Qin Yu could not help but sigh. Old Mister Yan's memory was really good.

“You are now resurrected,” Qin Yu said with a smile.

He raised his head to look at Old Mister Yan's glabella and discovered that the aura of death between old Mister Yan's glabella had disappeared.

This was enough to prove that old Mister Yan's death previously was not a normal death.

As for the exact reason, Qin Yu did not know.

Then, Qin Yu helped old Mister Yan up.

Old Mister Yan put his hands behind his back and could not help but sigh.

He did not expect that Qin Yu would forcefully prolong his life.

“Qin Yu, you...” Old Mister Yan opened his mouth and waved his hand.

“Old Mister Yan, you should get used to this body first. If there is a chance in the future, I will give you a better body,” said Qin Yu.

Old Mister Yan nodded and said with a hint of sadness, “Qin Yu, I owe you.”

“Don’t talk about this.” Qin Yu shook his head.

Then, Qin Yu looked at the crowd and cupped his hands, “I, Qin Yu, will never forget your kindness.”

After saying that, Qin Yu took out a piece of paper and wrote down his contact details.

“If there is anything I can help you with, just let me know. I, Qin Yu, will not decline,” Qin Yu said.

With Qin Yu’s words, everyone could not help but smile.

“Mr. Qin, you are too polite.” Although they said this, they were extremely excited in their hearts.

This was an elder of the Divine Alchemist Pavilion! It was said that even the important figures in Jingdu were taken care of by the Divine Alchemist Pavilion, let alone them!

At this moment, Qin Yu suddenly frowned slightly.

He felt an internal Qi rushing towards him from not far away.

One, two, three!

“Three peak martial grandmasters!” Qin Yu’s expression was slightly unsightly.

He wasn’t afraid, but worried. He was worried that it was Cao Shan who was coming.

Qin Yu wasn’t the only one who felt this internal Qi. Everyone else also looked in that direction.

Very quickly, three figures sped over!

The one leading them was Cao Shan!

Qin Yu’s heart thumped!

Cao Shan... was chasing after them?

Didn’t that mean that... something had happened to Yan Jiang?

In the blink of an eye, Cao Shan had arrived in front of everyone.

There were a few bloody wounds on his body. The wounds looked as if they had been opened by someone. It looked extremely horrifying.

The internal Qi of Cao Shan and the others were also somewhat chaotic. It was obvious that they had gone through a great battle.

Qin Yu's expression became increasingly unsightly. He clenched his fists tightly.

“Qin Yu!”

Cao Shan roared angrily!

His Aura was soaring as he strode towards Qin Yu!

“Your people killed two of my companions! I will make you pay for this!” Cao Shan's eyes were about to spew flames! It was enough to witness his anger at this moment!

Qin Yu took a deep breath and said, “What did you do to Yan Jiang?”

Cao Shan narrowed his eyes and sneered, “Of course we killed him. If we didn't kill him, how could we have the chance to chase after him!”

“You killed him? !” Qin Yu's face instantly turned extremely ugly!

Anger almost swallowed Qin Yu at this moment!

“Or else?” Cao Shan said coldly.

“Don't worry, I'll send you to see him later!” Cao Shan's aura slowly spread out.

“What, do you think we don't exist?” At this moment, the people beside him suddenly stood up.

One, two, three...

More than twenty martial artists who were rushing towards Qin Yu stood behind Qin Yu!

Among them, there were a total of eight peak grandmasters! There were countless ordinary grandmasters!

“Mr. Qin, do you need our help?” Someone asked.

Qin Yu gritted his teeth and said, “Kill them, I want to tear them into pieces!”

“Alright, leave them to us!” One of the martial grandmasters took the lead and stepped forward, his internal Qi bursting out instantly!

The rest of the people followed closely behind. They all had the intention to make a move!

Cao Shan’s expression slightly changed. He coldly said, “Who are you people? Do you not want to live anymore? !”

The attendant beside Cao Shan even roared loudly, “This is the Cao family’s clan head, Cao Shan!”

“What Cao Shan doesn’t obey Cao Shan? We don’t know him!”

“That’s right. Even if you are the heavenly king, we will easily crush you to death today!”

Cao Shan thought to himself that things were not looking good.

He did not expect that Qin Yu had such charisma!

“Everyone, don’t be agitated. I work for the Yan family. If you go against us, you are going against the Yan family.” At the crucial moment, Cao Shan brought out the Yan family.

When they heard this, everyone’s expression changed slightly. Some of them even took a step back subconsciously.

“Working for the Yan Family? How do you know the people of the Yan Family?” At this moment, old Mister Yan frowned slightly and asked in surprise.

Cao Shan put his hands behind his back and said indifferently, “I’m working for the Yan family’s Yan Sihai. It’s Mr. Yan who wants to take his life.”

“Yan Sihai?!” Old Mister Yan’s face suddenly turned a little pale.

He knew that Yan Sihai would definitely stir up a storm, but he didn’t think that he would chase them here!

“How is it? Do you still intend to stop me now?” Cao Shan said with a faint smile.

Everyone said somewhat awkwardly, “Mr. Qin, I’m really sorry. We can’t afford to offend the Yan family.”

“That’s right, Mr. Qin. Please forgive us for not being able to do anything.”

“I’m sorry.”

Everyone cupped their hands and took a step back.

However, at this moment, Qin Yu's mind had already been swallowed by anger. He stared at Cao Shan and roared angrily, "Whoever kills Cao Shan, I'll give him an Earth grade pill."

Everyone looked at each other and did not make any movements for a long time.

"Ten pills!" Qin Yu roared angrily.

The scene immediately sucked in a breath of cold air! Ten Earth grade pills, this was indeed too tempting!

"Whoever kills Cao Shan, I'll give him a heaven grade pill!" Qin Yu raised the stakes once again!

Under the heavy rewards, there would definitely be brave men.

Once these words were said, these martial grandmasters couldn't care less about the Yan family or the Yan family.

They stepped forward one after another and looked at Cao Shan.

"Who cares who you work for, even if you work for the Yan family, so what? You're just a dog of the Yan family!"

"That's right. I don't believe that the Yan family will make a big fuss after killing a dog!"

"Everyone, let's kill Cao Shan together!"

Chapter 369: Chapter 369, Ruoxue, wait for me!

Cao Shan's expression immediately turned ugly.

He secretly felt that things were not looking good and said in a low voice, “Quickly retreat!”

The two people beside him did not even think and turned around to run!

The speed of these three people was quite fast. Before everyone could react, they had already fled!

“Mr. Qin, do you want to continue chasing?” Everyone asked.

Qin Yu took a deep breath and shook his head, “No need.”

Let them escape first. In the future, when they personally went to Cao sect, they would exterminate his entire sect!

“I will remember everyone’s kindness. When I finish refining the pill, I will definitely give it to everyone.” Qin Yu cupped his hands towards everyone.

“Then thank you, Mr. Qin!” Everyone shouted one after another.

After sending them away, Qin Yu turned around and returned to the Earth Fiend Valley.

“Qin Yu, what exactly is the situation now?” Old Mister Yan asked.

Qin Yu shook his head and said, “Old Mister Yan, as long as you are resurrected, everything will be fine. I will bring you back to Jingdu now.”

Old Mister Yan’s face was solemn.

He waved his hand and said, “I’m afraid I can’t go back.”

Qin Yu frowned and said, “What do you mean?”

Old Mister Yan sighed and said, “I think Yan Sihai has already released the news of my death, and I have changed my appearance. As long as he doesn’t admit it, then I will no longer exist in this world.”

Just as Old Mister Yan said, Yan Sihai did exactly that.

It seemed that old Mister Yan had guessed it long ago.

Qin Yu didn’t say anything. For a moment, he didn’t know what to say.

He took out his phone and was about to tell Yan Ruoxue about this.

At this moment, he saw a message from Yan Ruoxue.

“Qin Yu, don’t come to Jingdu. You Must Live Well.”

Seeing this message, Qin Yu’s heart thumped.

Obviously, something must have happened in Jingdu.

Qin Yu picked up his phone and hurriedly called Yan Ruoxue.

He thought for a long time, but no one picked up.

Qin Yu didn’t give up. He continued to call with his phone.

One, two, three...

Finally, at the fifth call, someone finally picked up.

But the person who picked up was not Yan Ruoxue, but an unfamiliar voice.

She said softly on the phone, “Mr. Qin, it’s better if you don’t call miss. Her phone has been put away.”

Hearing this, Qin Yu’s expression immediately became even uglier!

He gritted his teeth and said, “How is Ruoxue Now? Is She Alright?”

“Miss’s rights have been taken away. She’s fine. She’s just temporarily under house arrest.”

“Mr. Qin, Miss Hopes that you can live a good life.”

Qin Yu said anxiously, “I’ll Have to trouble you to pass on a message for me. I’ll be counting on you.”

The person on the other end was silent for a moment before saying, “Alright, what message?”

“Just say that I’ve already saved Old Mister Yan. Also, tell her to wait for me in Jingdu. I’ll go pick her up. I’ll definitely keep the promise I made before,”Qin Yu said hurriedly over the phone.

“Alright, I got it,”the person on the other end agreed and immediately hung up the phone.

After hanging up the phone, the nanny carefully went to Yan Ruoxue’s room.

“Miss, Mr. Qin called,”the nanny said softly.

Yan Ruoxue hurriedly got up and said, “How is he? Is he okay?”

The nanny said, “He’s fine, and he asked me to tell you that old Mister Yan has been saved. He also asked you to wait for her in Jingdu. He will definitely come and marry you.”

Hearing this, a flower-like smile bloomed on Yan Ruoxue’s face, and the corners of her eyes could not help but tear up.

“What are you doing?”

At this moment, a voice came from behind.

Turning around, she saw Yan Sihai standing coldly behind her.

“Director Yan, I...”The nanny was about to explain when Yan Sihai slapped her!

With this slap, the nanny immediately fainted.

Yan Sihai lit up a cigarette and said coldly, “She was saved, right? It seems like Cao Shan is not doing his job well.”

Yan Ruoxue looked at Yan Sihai coldly and said, “What exactly do you want?”

“Hehe, Ruoxue, don’t worry. After all, she is my niece. I Won’t harm you.”Yan Sihai blew out a smoke ring.

“What I did was for your own good. Isn’t marrying Han Wei better than marrying Qin Yu? Don’t worry, as long as you’re obedient, you’ll still be the Yan family’s miss.”

...

After Yan Sihai walked out of the Yan family's manor, his expression instantly turned cold.

“That trash! He actually failed to kill Qin Yu!” Yan Sihai said angrily.

“Immediately send people to chase after Qin Yu! Remember, send the Yan family's elite forces to get rid of him!”

The Elite Forces of the Yan family naturally referred to peak-stage martial grandmasters!

Yan Sihai didn't want any accidents to happen, so he directly asked a peak-stage martial grandmaster to kill Qin Yu!

At this moment, Qin Yu's face was filled with traces of sadness.

He told Old Mister Yan the whole story.

After old Mister Yan heard it, he couldn't help but let out a long sigh.

At this moment, he seemed to have thought of something.

“Qin Yu, leave this place immediately,” old Mister Yan said coldly.

“Oh? What's Wrong?” Qin Yu asked.

Old Mister Yan said with a cold face, “With my understanding of Yan Sihai, he will definitely get rid of the roots and leave this place immediately!”

“I understand.” Qin Yu nodded.

“Before I leave again, I still have something to do.” Qin Yu’s eyes looked in the direction of the Yunchuan Martial Arts Association.

In the Martial Arts Association, Jia Gong was lying on a chair, observing these two pills.

These were two earth grade pills. With his level, he probably wouldn’t be able to come into contact with them in his entire life.

“TSK Tsk, my luck is really good. I managed to pull in my relationship with the Cao family and even obtained such a babe. Haha!” The more Jia Gong thought about it, the happier he became. He couldn’t help but laugh.

At this moment, a voice suddenly came from outside.

Immediately after, the office door was kicked open!

Looking Up, he saw Qin Yu standing at the door, looking at Jia Gong coldly.

Chapter 370: Chapter 370 headed to the Divine Alchemist Pavilion once again

When he saw Qin Yu, Jia Gong’s expression suddenly changed!

He hurriedly sat up from the sofa and said in horror, “You... You Didn’t die?”

Qin Yu didn’t say anything. In the blink of an eye, he arrived in front of Jia Gong!

Then, a large hand directly grabbed Jia Gong's neck and forcefully lifted him into the air!

“Don't... Don't kill me...”Jia Gong struggled desperately with a face full of fear.

Qin Yu asked coldly, “Where's Yan Jiang?”

“Who... is Yan Jiang?”Jia Gong asked with difficulty.

“Forget it, I'll search for him myself.”Qin Yu said coldly.

“Stop!”

At this moment, several grandmasters suddenly rushed into the office!

They looked at Qin Yu nervously and said, “Quickly put down our vice guild leader, or else... or else don't blame us for being impolite!”

“Impolite?”Qin Yu laughed coldly.

“Just in time, I'll kill all of You!”

After saying that, Qin Yu shook off Jia Gong and walked towards this group of people!

With a monstrous momentum, this group of grandmasters almost had no way to retaliate in front of Qin Yu!

And Qin Yu raised his hand and used the heaven swallowing technique. One after another, the grandmasters died under Qin Yu's hands!

In the blink of an eye, the office was littered with corpses and rivers of blood!

Jia Gong was so scared that his face turned pale. He trembled and said in fear, “Don’t... Don’t kill me. I’ll return the Pill to you. Please spare my life. I beg you...”

Qin Yu didn’t say anything. He raised his hand and slapped Jia Gong’s head.

Waves of golden light rushed toward Jia Gong’s spiritual sense!

This was the soul searching technique! It forcefully searched Jia Gong’s memories!

Images appeared in front of Qin Yu.

In this image, Yan Jiang’s body was covered in blood, and his body was on the verge of collapse!

He fell time and time again, and he stood up again and again. He used all his strength to kill two peak martial grandmasters! He heavily injured Cao Shan and the others!

However, he was a mortal after all. Under the siege of five martial grandmasters, he finally fell.

The scene changed. When Jia Gong woke up again, Yan Jiang was already gone.

After looking through Jia Gong’s memories, Qin Yu’s anger suddenly increased.

“You guys really deserve to die... Cao Shan, I will definitely tear you into pieces!” Qin Yu said through gritted teeth.

“Qin Yu, i...”

Crack

Jia Gong was about to speak when Qin Yu directly smashed Jia Gong’s head into pieces!

In a fit of anger, the Yunchuan Martial Arts Association lost more than half of its strength!

The entire martial arts association suffered countless deaths and injuries!

Qin Yu stood at the entrance of the martial arts association and said coldly, “What bullshit organization is this? They are just a bunch of despicable people.”

He held the bronze sword in his hand and waved his hand. A monstrous wave of air surged over!

In an instant, the martial arts association was sliced flat with a single sword!

After doing all this, Qin Yu did not even turn his head and turned around to leave.

Bringing along Old Mister Yan and Jiang Gu, the three of them arrived at the airport.

“Jiang Gu, you can go back first.” Standing at the airport, Qin Yu patted Jiang Gu’s shoulder.

Jiang gu asked, “Mr. Qin, where are you going?”

Qin Yu thought for a moment and said, “The Divine Alchemist Pavilion.”

With Qin Yu’s current strength, he was definitely not strong enough to go against the Yan family.

The only one who could protect Qin Yu was probably the Divine Alchemist Pavilion.

After bidding farewell to Jiang Gu, Qin Yu took old Mister Yan and flew straight to Qinghe town.

Just as Qin Yu and old Mister Yan boarded the plane, the Yan family quickly received the news.

In the office, in front of Yan Sihai stood four peak martial grandmasters.

As martial grandmasters of the Yan family, their strength was definitely not on par with ordinary martial grandmasters.

Each of them was a top-notch person who could fight against many people of the same level.

“All of you go to the airport of Qinghe town immediately and wait for Qin Yu. If you see him, kill him without mercy,”Yan Sihai said coldly.

“Yes, President Yan,”the four people shouted.

“Qiao Wu, remember, kill Qin Yu no matter what. Bring his head back to me,”Yan Sihai said coldly.

The man called Qiao Wu nodded and said, “President Yan, please don’t worry.”

After saying that, the four of them turned around and left the office.

At this moment, at the Han family home.

Han Wei and Han Meng sat opposite each other as if they were discussing something.

“Dad, Yan Sihai has already sent people to kill that Qin Yu. Should we also express our gratitude?” Han Wei said.

Hearing this, Han Meng slapped Han Wei in the face.

“Is your brain filled with SH * t? Even if Yan Sihai makes a move, he has to find a reasonable excuse, let alone us?” Han Meng said with a cold face.

“Moreover, the matter of you and Qin Yu’s agreement has long been spread widely. If you make a move now, won’t it be a disgrace to our Han family!”

Han Wei covered his face and was suddenly speechless.

“Just wait. With Yan Sihai’s style of doing things, Qin Yu will definitely die,” Han Meng said with a cold snort.

“I will bring you to the Yan family to propose marriage in a few days and set a date.”

Hearing this, an excited smile finally appeared on Han Wei’s face.

“Thank you, Father!” Han Wei nodded vigorously.

...

The plane flew past high in the sky, but Qin Yu felt a faint sense of unease in his heart.

It was not just Qin Yu, Old Mister Yan was the same.

“I really didn’t expect such a change to happen to the Yan family just after I died a few days ago.” Old Mister Yan sighed.

Qin Yu also smiled bitterly.

He couldn’t imagine what kind of world these aristocratic families were in.

“Power, wealth, status, is it really that important?” Qin Yu couldn’t help but ask this question repeatedly in his heart.

For these desires, could people really do anything.

“I wonder how Yan Jiang is doing,” Qin Yu whispered.

Since he didn’t see Yan Jiang’s body with his own eyes, Qin Yu naturally felt lucky.

The plane flew for nearly five times before it finally landed at Qinghe town’s airport.

As soon as the plane landed, Qiao Wu received the news.

They quickly hid near the exit and waited for Qin Yu.

After a while, Qin Yu appeared at the exit with old Mister Yan.

“Should we make a move now?” Someone asked.

Qiao Wu glanced at him and shook his head, “This is the airport. Making a move here is equivalent to provoking the authorities.”

“Then... What if he runs away?” Someone asked.

Qiao Wu sneered, “There is only one possibility for Qin Yu to appear in Qinghe town at this time, and that is to head to the Divine Alchemist Pavilion.”

“There is only one way to the Divine Alchemist Pavilion. We just have to wait for him near the Divine Alchemist Pavilion.”

Qiao Wu waved his hand and the four of them immediately turned around and walked out of the airport.

On the way to the Divine Alchemist Pavilion, they had to pass through a forest.

Qiao Wu and the others were waiting here.

With their strength, as long as Qin Yu appeared, they would be able to discover him immediately.

A taxi carrying Qin Yu and old Mister Yan rushed towards the Divine Alchemist Pavilion.

At this moment, in the pavilion of the Divine Alchemist Pavilion, the Pavilion Master was discussing something with the first elder.

At this moment, the pavilion master suddenly frowned slightly and his eyes could not help but look into the distance.

“Pavilion Master, What’s Wrong?” The first elder hurriedly stood up and asked.

The corner of the pavilion master’s mouth curled up into a smile as he said indifferently, “Qin Yu is here.”

Chapter 371: Chapter 371, level five of the sacred physique technique

After saying that, the pavilion master gazed in that direction and slowly stood up.

At this moment, Qin Yu was on the way to the Divine Alchemist pavilion with Old Mister Yan.

On the way, Qin Yu’s spiritual sense had been covering his surroundings, afraid that any accidents would happen.

The car drove slowly, and the drivers on the road were as chatty as ever.

Soon, the car entered a forest.

The moment they entered the forest, Qin Yu felt a trace of an unusual internal Qi.

Although this internal Qi had been hidden, it still could not escape Qin Yu’s perception.

“Not good.” Qin Yu frowned slightly.

He subconsciously looked at Old Mister Yan and said, “Old Mister Yan, you go to the Divine Alchemist Pavilion later. I will come later.”

Old Mister Yan said in a deep voice, “The people from the Yan family are here?”

Qin Yu said with a bitter smile, “I’m not sure either, but... I can sense an unusual internal Qi.”

At this moment, three figures suddenly appeared in front of the car.

Because the appearance was too sudden, the driver didn’t even have time to step on the brakes.

“Ah! !”The driver immediately screamed in fear.

But the car stopped abruptly when it reached the front and back!

The entire car suddenly leaned forward, and the driver’s head hit the steering wheel fiercely.

“Damn it, are you tired of living!”The driver was furious.

He pushed open the car door and walked out while cursing.

“You three don’t want to live anymore, right? If you want to die, don’t harm others, i...”

“PFFT!”

Before the driver could finish his sentence, his body was smashed into pieces by Qiao Wu’s palm.

Qin Yu's expression instantly turned extremely cold.

“Old Mister Yan, wait for me in the car,” Qin Yu said in a deep voice.

After saying that, Qin Yu directly walked out of the car.

Qiao Wu sized up Qin Yu from head to toe and sneered, “Qin Yu, I've been waiting for you for a long time.”

Qin Yu did not pay attention to these words. He walked directly to the driver and raised his hand to cover his chest.

Unfortunately, the driver's internal Qi had completely disappeared.

Qin Yu took a deep breath and said coldly, “He is just a taxi driver, an innocent person. Why did you kill him?”

This surprised Qiao Wu.

He looked at Qin Yu with a playful look and said, “It's just an ant. Who cares if it's trampled to death?”

“Ant?” Qin Yu's chest was immediately burning with anger!

“In that case, you guys are just dogs of the Yan family. What's the difference?”

Qiao Wu didn't care about Qin Yu's words.

He put his hands behind his back and said indifferently, “Don't worry. I'll send you to see him right away.”

As soon as he said that, Qiao Wu's figure suddenly disappeared!

Such a fast speed far exceeded Qin Yu's imagination!

It was several times faster than Cao Shan back then!

“Bang!”

Before Qin Yu could react, his back was already covered by a huge palm!

“Pu!”

The terrifying force directly shook Qin Yu to the point that he vomited blood. He staggered and fell to the ground.

“To be able to take my palm, not bad,” Qiao Wu said indifferently.

Qin Yu got up from the ground and wiped the blood from the corner of his mouth. A grave expression appeared on his face.

They were both at the peak of the Grandmaster realm, but Qiao Wu's strength was far above Cao Shan's!

“To be able to withstand one palm strike, what about the second one?” Qiao Wu raised his eyebrows.

Before he could finish his words, he stepped forward once more!

His extremely fast figure left an afterimage on the spot.

Even Qin Yu's eyes could not catch up!

“Shrink the ground into an inch!”

In the panic, Qin Yu directly used shrink the ground into an inch and retreated!

“HMPH, you want to run? In your dreams!” Qiao Wu snorted coldly and once again madly chased after him!

Qiao Wu’s speed was extremely fast. Even if Qin Yu used shrink the ground into an inch, the distance between the two of them was shrinking bit by bit!

Qin Yu’s expression was ice-cold. The energy in his entire body erupted as if he was brewing something.

“Absolute beginning Holy Fist!”

Just as Qiao Wu was about to Touch Qin Yu, Qin Yu suddenly let out an angry roar and turned around to face Qiao Wu!

At this moment, Qiao Wu seemed to have seen the sun!

The light from those two iron fists almost made him unable to open his eyes!

The terrifying energy even wanted to tear his face apart!

This was the power that erupted after Qin Yu fused the absolute beginning sacred fist with the strange force in his body!

It was dozens of times stronger than an ordinary absolute beginning sacred fist!

“Boom!”

Qiao Wu did not expect Qin Yu to suddenly counterattack. He had nowhere to hide from this punch, and his entire body was instantly struck by this huge force that was slanting towards him!

“Boom!”

Qiao Wu's body fiercely fell down from midair!

The huge impact created a huge pit several meters deep on the ground!

Smoke and dust rose up, and the entire ground seemed to be shaking!

Qin Yu stood in the air and couldn't help but gasp.

This punch contained all of his Qi force, and its power even exceeded that of a bomb!

“AH...”

The smoke and dust slowly fell, and Qiao Wu climbed out of the huge pit.

His entire body was covered in blood, and half of his body was almost shattered.

The ghastly white bones were exposed in the air, looking extremely horrifying!

The martial grandmasters of the Yan family couldn't help but be stunned. No one would have thought that Qin Yu would be able to cripple half of Qiao Wu's body with one punch!

“He's actually not dead.” Qin Yu frowned slightly.

If it was an ordinary peak martial grandmaster, this punch would probably have taken his life.

“You actually dared to hurt me...” Qiao Wu’s eyes were filled with madness!

To him, this was a great humiliation!

A terrifying internal Qi slowly spread out with Qiao Wu as the center.

Qiao Wu’s entire body suddenly became larger!

His entire body flickered with light, and his killing intent surged. He was like a towering mountain, making it difficult for others to breathe!

“Go to hell!”

The next second, Qiao Wu’s hands suddenly shook, and a terrifying power instantly condensed in the center of his fists!

This power was like the water of the Yangtze River, rippling toward Qin Yu layer by layer!

It was too late, but it happened in the blink of an eye!

The power was like water ripples, stacking up layer by layer! Level by level!

Under this enormous power, the surrounding trees were cut in half, and the rocks in the distance were even shattered into powder!

“Level four of the saintly physique technique!”

Qin Yu did not dare to be negligent. He raised his head and roared furiously. He mobilized his entire body and forced himself to use level four of the saintly physique technique!

Under the augmentation of level four of the saintly physique technique, Qin Yu's body became even harder! The light was even more dazzling, and even the sun seemed to have lost its mind!

“Boom!”

Qin Yu roared repeatedly. He raised both his fists at the same time and met it head-on!

This was a huge explosion!

The moment he made contact, the light on Qin Yu's fists was directly shattered!

Even the purple-gold gauze clothes were covered in layers of cracks!

“Rumble...”

That power was still being continuously reinforced. One after another, the power was like water ripples, continuously stacking up.

When it was stacking up to the fourth level, Qin Yu could not hold on any longer.

The golden light on his body was like glass, shattering layer by layer.

The enormous pressure made Qin Yu suffer endlessly!

But even so, Qin Yu still did not have the intention to give up!

“Sacred physique technique... level five!”

Qin Yu raised his head and roared angrily, forcefully activating the fifth level of the sacred physique technique!

Chapter 372: Chapter 372, die together! !

Following the activation of the fifth level of the saintly being technique, Qin Yu's body slowly turned from golden yellow to dark gold!

Under the light, it was as if a layer of dark gold was coated!

This was not the first time Qin Yu tried to activate the fifth level of the saintly being technique, but he failed every time.

He did not expect that under such a desperate situation, the fifth level of the saintly being technique was successfully activated!

“Boom!”

The power that Qiao Wu unleashed was actually forcefully pushed back by half a step by Qin Yu!

“Ah! ! !”

Qin Yu gritted his teeth and raised his head to roar furiously. Under the immense pressure, blood began to flow from his seven orifices!

But even so, Qin Yu still did not have the intention to give up. Instead, he became stronger and stronger as he fought!

“I promised Ruoxue... no matter what... I must protect Old Mister Yan Well! !”Qin Yu roared furiously! His strength had actually increased once again!

Old Mister Yan was the most important person to Yan Ruoxue. Even if he had to sacrifice his life, he wouldn't allow anything to happen to him!

Even Qiao Wu's face turned slightly ugly! He had never expected that it would be so difficult to deal with a zongshi realm expert!

“I didn't expect that a mere zongshi realm expert would force me to such a state...”Qiao Wu's face turned cold.

He circulated his Qi energy once more, and the strength of a peak martial grandmaster erupted!

As a martial grandmaster of the Yan family, Qiao Wu naturally had countless trump cards!

“Qiao Wu, don't waste any more time. Let's kill him together!”At this moment, the person beside him suddenly reminded.

Qiao Wu gritted his teeth and shouted, “A mere grandmaster and an ant, there's no need for three people to make a move!”

“Qiao Wu, don't Forget Director Yan's orders!”The two of them roared furiously.

Hearing these words, Qiao Wu's expression changed slightly.

Even though he was unhappy, he still gritted his teeth and agreed.

The other two did not say anything else. Their bodies disappeared into thin air. A huge ball of energy condensed in their hands. It could be said that it covered the sky and covered the Sun!

As the energy in their hands was thrown out, a huge explosion immediately caused a radius of tens of meters to be flattened! The scene was filled with devastation!

Under the combined attacks of the three martial grandmasters, Qin Yu finally could not hold on any longer.

The light on his body quickly disappeared, and he fell to the ground with a loud crash.

A huge crater was created on the ground.

Qin Yu was covered in blood and fell to the ground, unable to get up.

Qiao Wu's expression was ice-cold. He gritted his teeth and said coldly, "No Wonder President Yan wants us to kill him. This kid must not be left alive, or he will definitely become a disaster in the future!"

Qiao Wu's words received the approval of the other two people.

After all, no one had ever been able to cross so many levels to fight.

Qiao Wu took a deep breath and slowly walked to Qin Yu. He said coldly, "Although you are a talent, it's a pity that you have to die here today."

After saying that, a ray of light condensed in Qiao Wu's palm.

The blazing ray of light headed straight for Qin Yu's head.

“Wait!”

Just as they were about to take action and get rid of Qin Yu, a “Young man” walked out of the taxi.

This young man slowly walked in front of them with his hands behind his back.

He clearly looked very young, but he had an indescribable sense of maturity.

“Who are you?” Qiao Wu frowned and asked.

Old Mister Yan looked coldly at Qiao Wu and said, “Go back and tell Yan Sihai that the Yan family can be handed over to him. Tell him not to have any more ideas about Qin Yu.”

“Kid, your tone is too arrogant!” Qiao Wu said coldly.

Old Mister Yan glanced at him and said coldly, “Qiao Wu, you are very capable.”

Hearing old Mister Yan accurately call out his name, Qiao Wu’s expression changed again.

“Who... Are You?” Qiao Wu asked cautiously.

“Yan family, Yan Yunheng,” old Mister Yan said coldly.

Qiao Wu’s expression changed drastically when he heard this.

“You are old Mister Yan? Old Mister Yan has clearly passed away,” Qiao Wu said with a frown.

Yan yunheng snorted coldly, “It was Qin Yu who saved me and gave me a new body.”

Even though this sounded a little ridiculous, Qiao Wu still did not dare to act rashly.

After all, Old Mister Yan had been in charge of Jingdu for too many years. Even if there was a one in ten thousand chance, he did not dare to take the risk.

Qiao Wu took a deep breath and cupped his hands, saying, “I’m sorry, I can’t confirm your identity. Regarding this matter... I have to ask President Yan for his opinion.”

Old Mister Yan waved his hand, indicating that he was at ease.

Qiao Wu hurriedly took his phone and walked to the side, calling Yan Sihai.

At this time, Yan Sihai was discussing the wedding with Han Meng.

After seeing Qiao Wu’s phone call, Yan Sihai smiled.

“My people called. That Qin Yu should be dead by now,” Yan Sihai said indifferently.

Han Meng laughed and said, “It’s such a pity to let him die just like that.”

Yan Sihai didn’t say anything. He pressed the answer button.

Qiao Wu’s voice quickly came from the other end.

“President Yan, a young man just said that he is your father, and he asked me not to disturb Qin Yu anymore...”Qiao Wu said carefully.

Hearing this, Yan Sihai’s pupils suddenly shrank!

“It actually succeeded...”Yan Sihai’s face was a little ugly, and a hint of fear flashed in his heart.

“Old Mister Yan, his behavior and form are indeed very similar to old Mister Yan,”Qiao Wu continued to say.

“What should we do now?”

Before Yan Sihai could say anything, old Mister Yan’s voice came from the other end of the phone, “Yan Sihai, the Yan family is yours, but I advise you not to be too extreme.”

Yan Sihai’s expression changed again! Beads of sweat dripped down his forehead!

His tone was extremely similar to old Mister Yan!

Yan Sihai’s head spun rapidly. He gritted his teeth and cursed, “F * ck it! No one can stop me!”

Hence, Yan Sihai said coldly into the phone, “My father is already dead. What Resurrection? What nonsense!”

“Qiao Wu, I order you to kill this person who pretended to be my father!”Yan Sihai said coldly.

After saying this, Yan Sihai directly hung up the phone.

Han Meng was a smart man. He naturally knew what Yan Sihai was thinking.

Therefore, Han Meng gave Yan Sihai a thumbs up and said, “Mr. Yan is indeed swift and decisive. He is a man without poison!”

Yan Sihai coldly glanced at Han Meng and said, “He should die for calling me dad. Do you understand?”

“Yes, yes. President Yan is right.” Han Meng hurriedly smiled.

On the other side.

Qiao Wu held his phone and turned around to walk back to old Mister Yan’s side.

Old Mister Yan did not know what Yan Sihai was talking about. Although he knew that Yan Sihai was ruthless, he did not expect that Yan Sihai would go crazy.

“You can leave now,” old Mister Yan said coldly.

Qiao Wu took a deep breath and sneered, “Our President Yan said that you are just a fake. Old Mister Yan died a long time ago!”

“What? !” Old Mister Yan’s expression changed.

Qiao Wu snorted, “Our President Yan said that you and Qin Yu should die together!”

Chapter 373: Chapter 373, the Divine Alchemist Pavilion appeared

Old Mister Yan's expression could not help but change, but it was fleeting.

He placed his hands behind his back and looked towards the north. He sighed slightly, "Yan Sihai, you are really ruthless..."

"Do you have anything else to say?" Qiao Wu said faintly.

Old Mister Yan's face did not show any fear. He had already saved his life, so he looked calm and collected.

"Use my life in exchange for his life," old Mister Yan said as he pointed at Qin Yu who was on the ground.

Qiao Wu sneered, "Don't you understand human language? President Yan said that he wants both of you to die!"

As soon as he finished speaking, Qiao Wu suddenly reached out and grabbed old Mister Yan's neck!

The huge force instantly made it difficult for old Mister Yan to breathe!

His entire face turned red, and his neck was almost broken!

"Go to hell!" Qiao Wu's eyes flashed with madness!

At this moment, a sword suddenly slashed down!

The sword light flashed, and Qiao Wu's arm was forcefully cut off!

"Ah!!!" Qiao Wu could not help but shout out in pain!

Looking over, he saw Qin Yu holding the bronze sword in his hand, staring at Qiao Wu!

“Old Mister Yan...”Qin Yu looked at Yan Yunheng with difficulty.

Old Mister Yan opened his mouth, and a trace of gratitude could not help but appear in his eyes.

“As long as I’m still standing, I Won’t let you hurt him...”Qin Yu supported his body and stared at Qiao Wu.

Qiao wu said angrily, “How dare you break my arm! I’m going to kill you, kill you!”

Qiao Wu seemed to have gone mad, and his fists smashed toward Qin Yu like raindrops!

At this moment, Qin Yu had already lost the ability to resist, and his reaction speed was much faster.

His body was almost smashed into pieces, and his entire body was covered in blood!

“You two, go and kill him!”Qiao Wu pointed at Old Mister Yan and roared.

The two of them looked at each other and immediately walked towards old Mister Yan.

“Shrink the ground... into an inch!”

At this moment, Qin Yu used his last bit of strength to block in front of old Mister Yan!

“I said... I Won't let you touch him!”Qin Yu said coldly.

“You're courting death!”Qiao Wu fell down and took a step forward, kicking hard at Qin Yu's chest!

Qin Yu's body swayed a little, but he still blocked in front of old Mister Yan!

Seeing this, Qiao Wu's face couldn't help but turn cold.

“Let's see how long you can hold on!”Qiao Wu clenched his fist and crazily smashed it at Qin Yu's body.

The densely packed fists punched Qin Yu's body until it was riddled with holes!

Countless bones were smashed into pieces, and the blood in his mouth gushed out like a fountain!

But even so, Qin Yu still stubbornly stood behind Old Mister Yan, like an iron tower!

“How is this possible!”Qiao Wu was about to go crazy!

Even a martial grandmaster wouldn't be able to hold on under this bombardment!

He was only a martial grandmaster, how did he do it!

“Qin Yu, you... Don't force yourself,”old Mister Yan said in a trembling voice.

Qin Yu opened his mouth, wanting to speak, but just as he opened his mouth, blood filled his entire mouth.

“What a lunatic!” Qiao Wu said coldly.

He raised his palm, and a ray of light condensed in his palm.

Then, he saw a shining long sword fall into his hand.

“Go to hell!” Qiao Wu roared angrily, and then went straight for Qin Yu’s heart, stabbing the sword in!

“PFFT!”

Qin Yu spat out a mouthful of blood, and his vision began to become blurry.

“Old... Old Mister Yan...” Qin Yu’s hand reached out in the direction of old Mister Yan, but his body fell to the ground.

“Qin Yu...” Old Mister Yan immediately cried.

He didn’t think that Qin Yu would sacrifice so much to protect him.

Qiao wu snorted, “To prevent any accidents, chop off his head and take it back to report.”

“Okay.” The two martial grandmasters nodded. They immediately held sharp blades in their hands and slashed at Qin Yu’s neck.

“Clang!”

Just as the sword was about to land on Qin Yu's neck, a ray of light flashed and shattered the sword in his hand!

“Oh? Who is it!” The three of them looked into the distance in unison.

“You killed an elder of the Divine Alchemist Pavilion at the entrance of My Divine Alchemist Pavilion. Aren't you looking down on me a little too much?”

A slightly flirtatious voice came from not far away.

Turning his head to look, he saw a woman slowly approaching.

Beside her were eight attendants.

And these eight attendants, each of them was at the peak of the Great Grandmaster realm!

“Who are you?” Qiao Wu said coldly.

“Impudent! This is the Pavilion Master of Our Divine Alchemist Pavilion!” First Elder of law enforcement roared angrily!

“Pavilion Master of the Divine Alchemist Pavilion?” Qiao Wu's expression changed slightly.

He turned around and looked at the Pavilion Master of the Divine Alchemist Pavilion, cupped his hands and said, “Greetings, Pavilion Master.”

The pavilion master said indifferently, “No matter what grudges you have between the two of you, let this matter rest.”

Qiao Wu frowned slightly. He looked coldly at the Pavilion Master of the Divine Alchemist pavilion and said, “The two of them are enemies of the Yan family. Pavilion master, do you really want to meddle in other people’s Business?”

“Meddle in other people’s business? Are You Deaf?”The pavilion master frowned slightly.

“Qin Yu is an elder of our medicine God Pavilion!”The first elder of law enforcement roared angrily.

Qiao Wu’s expression turned cold. He looked coldly at the Pavilion Master of the Medicine God pavilion and said, “Mister Yan Si Hai wants their lives. If you interfere in this matter, you will be offending the Yan family!”

“Pa!”

Qiao Wu’s voice had just faded when a loud slap landed on Qiao Wu’s face in the air!

The speed was so fast that even Qiao Wu couldn’t react in time!

“Are you threatening me?”The pavilion master narrowed his eyes and asked indifferently.

As soon as he said this, a strong killing intent burst forth from the eight law enforcement elders.

Qiao Wu’s face immediately turned ugly!

Especially that slap just now. As a peak martial grandmaster, he actually didn’t notice it at all!

“Could it be... that she’s a Marquis?” The more Qiao Wu thought about it, the more frightened he became!

Thinking of this, Qiao Wu cupped his hands and said, “Pavilion Master, it’s my fault for being presumptuous. It’s just that... President Yan has given us a death order. We must kill them.”

“If we can’t kill them, then don’t go back to see him. I Hope Pavilion Master Won’t make things difficult for me.”

“Damn, it seems like you really don’t understand human language!” An elder of law enforcement couldn’t help but walk over to Qiao Wu.

Qiao Wu’s body suddenly trembled, and a trace of fear flashed through his eyes!

If they were to fight, the three of them would probably die here today!

Fortunately, at this critical moment, the pavilion master waved his hand and stopped the elder of law enforcement.

“Whether you can go back or not, it has nothing to do with me,” the pavilion master said indifferently.

“If Yan Sihai wants to seek revenge, or to talk, let him come to me.”

After saying this, the pavilion master pointed at Qin Yu with his chin, indicating for the elder of law enforcement to take him away.

The elder of law enforcement immediately accepted the order and walked quickly to Qin Yu.

“Pavilion Master, you can’t take Qin Yu Away!” Qiao Wu said anxiously.

However, what responded to him was the elder of law enforcement’s Bang Bang two fists!

Chapter 374: Chapter 374, Pavilion Master’s pill refinement!

It was unknown whether it was because the difference in strength was too great, or Qiao Wu was caught off guard.

These two punches directly caused Qiao Wu’s face to be covered in blood and his bones to be completely broken.

“If you dare to speak any more nonsense, I will kill you,” the law enforcement elder said coldly.

Although Qiao Wu was unhappy in his heart, under such circumstances, he didn’t dare to say anything at all.

Qin Yu was brought away by Elder of law enforcement, while the Pavilion Master of the Divine Alchemist Pavilion personally walked up to old Mister Yan.

“Old Mister Yan.” The pavilion master slightly bowed, as a form of greeting.

Old Mister Yan also politely replied, “The Pavilion Master of the Divine Alchemist Pavilion really lives up to his reputation.”

“Old Mister Yan, you’d better hurry and leave with us.” Elder of law enforcement at the side said.

Old Mister Yan nodded and said apologetically, “I’m afraid I’ll have to trouble you all for the next few days.”

The pavilion master did not say anything. She waved her hand and left together.

“How should we report to Director Yan Now?” Qiao Wu’s expression was a little ugly.

He was very clear that with Yan Sihai’s character, if the mission was not completed, he would definitely not have a good ending.

“Alright, let’s tell director Yan about the situation here first,” someone beside him said.

Qiao wu sighed and said, “This is the only way.”

...

Qin Yu was brought to the Divine Alchemist Pavilion.

Peach, Yao Qing, and the others quickly surrounded him.

“Pavilion Master, is Mr. Qin... Is He Alright?” Yao Qing’s face was deathly pale from fear!

He had never seen Qin Yu suffer such a serious injury!

The Divine Alchemist Pavilion Master did not say anything. She raised her jade-like hand and placed it on Qin Yu’s chest.

A moment later, she turned her head to look at fifth elder and said, “Go to the warehouse and fetch the herbs for me.”

With that, the pavilion master waved her hand and left the names of several herbs on the paper as well as the required number of years.

Fifth Elder did not dare to waste any time. He quickly turned around and ran to the warehouse.

About ten minutes later, the fifth elder returned to the Elder's residence with the herbs.

“Pavilion master, here are the herbs you requested,” the fifth elder said respectfully.

The pavilion master did not say anything. With a thought, a cauldron with a phoenix carved on it landed in front of everyone.

The moment the cauldron appeared, the entire room felt a strange internal Qi!

This internal Qi seemed to come from ancient times, causing people to have the urge to worship it!

“Pavilion Master... is she going to refine the pill personally?” Someone seemed to have reacted.

“Really, pavilion master is going to refine the pill personally?”

The moment these words were said, the entire place immediately erupted into a commotion!

The people from the Divine Alchemist pavilion immediately came to the entrance of the Elder's residence, wanting to see the scene of the pavilion master refining the pill personally!

The pavilion master threw all kinds of herbs into the pill furnace. Then, she flipped her palm and a purple flame landed in her palm!

“Purple spiritual fire! It’s a purple spiritual fire!”

“Everyone says that the pavilion master is a purple spiritual fire. Seeing it today, it’s really true!”

“I didn’t expect to see the Pavilion Master personally refine pills in my lifetime!”

Almost everyone was shocked by the ball of Coquettish Flame in the Pavilion Master’s Palm!

One had to know that the purple flame was the sacred flame among all the spiritual flames!

Even the experienced elders had never seen it before!

“Quiet, Don’t disturb the pavilion master,” the Great Elder of law enforcement said coldly.

The scene immediately quieted down, but the fanaticism in their eyes was still difficult to hide.

The pavilion master gently raised his palm, and the flame fell into the pill furnace.

The pill furnace instantly lit up with a raging flame!

The purple light reflected in everyone’s eyes!

The pavilion master quietly looked at this ball of flame, and not a single trace of emotion could be seen in her eyes.

At this moment, the Pavilion Master's mind moved, and a pill furnace carved with a divine dragon once again landed in front of everyone!

Following that, the pavilion master waved her palm, and threw the remaining herbs into the second cauldron of Pill Furnace!

The same purple flame lit up in her left hand!

Hiss...

The crowd gasped!

“Pavilion Master... is she trying to refine two different kinds of pills at the same time?” Someone whispered.

“This... This is too unbelievable...”

“It's extremely difficult to control the spiritual flame, but pavilion master can actually do two things at the same time?”

Just as everyone said, it was almost impossible to refine two cauldrons of pills at the same time!

This was because one had to be fully focused when refining pills. The slightest carelessness would cause the medicinal pills to burn and destroy!

And not only did the Pavilion Master of the Divine Alchemist Pavilion control two balls of spiritual fire at the same time, he didn't seem to have the slightest bit of pressure!

What kind of alchemy skill was this! And what kind of state of mind was this! !

The Flames burned fiercely within the pill furnace. In merely half an hour or so, pill clouds condensed in the sky.

“Hualala!”

In the next second, pill after pill that looked like exploding beans gushed out from the pill furnace!

The pavilion master waved her hand lightly, and all the pills fell into her palm.

At a glance, there were at least dozens of earth grade pills in the pavilion master’s hand!

This was simply unheard of!

Under everyone’s shock, the Pavilion Master held the pill in her hand. With a flick of her finger, it fell into Qin Yu’s mouth.

The Moment Qin Yu consumed the pill, his internal Qi slowly stabilized.

“Feed him once every hour.” The Pavilion Master handed the remaining pill to peach.

Peach, who had always been proud, was now full of respect.

She took the pill with both hands, bowed and said, “Please rest assured, pavilion master.”

The pavilion master did not say anything more. She turned to look at Old Mister Yan, bowed slightly and said, “Old Mister Yan, may I have a word with you?”

Old Mister Yan also politely replied, “Alright.”

The two of them left the Elder’s residence under the watchful eyes of the crowd.

The surrounding crowd still had not recovered from their shock.

“Pavilion Master is too amazing. He refined dozens of earth grade pills in half an hour.”

“Oh my God, pavilion master still controls different spirit fires with both hands! Different pills!”

“Wu Wu Wu Pavilion Master is my goddess!”

Fifth elder coughed and said, “Alright, Elder Qin needs to rest. Quickly disperse.”

After dispersing the crowd, fifth elder closed the door.

“What exactly did Mr. Qin experience to actually suffer such serious injuries?” Yao Qing couldn’t help but frown.

Fifth elder slowly said, “It must be the Yan family.”

“Yan Family? The Yan family of Jingdu?” Yao Qing immediately turned pale with fright.

“Aren’t Mr. Qin and Miss Yan a couple? How could this be...”

Tao Zi Glanced at Yao Qing and said with a bit of disdain, “Qin Yu stole old Mister Yan’s body. It’s long been spread around. I’m afraid only you don’t know.”

“AH? Stole Old Mister Yan’s body? What on Earth is going on?” Yao Qing was dumbfounded.

Peaches said impatiently, “Investigate it yourself!”

...

Qiao Wu stood in the forest and treated his wound briefly.

He held his phone and called Yan Sihai, trembling slightly.

The call was quickly picked up. Yan Sihai asked coldly, “Bring Qin Yu’s head back.”

Qiao Wu’s expression changed slightly. He said in a low voice, “Mr. ... Mr. Yan, the mission failed...”

“Failed?” Yan Sihai’s voice immediately carried some anger.

“What are you doing? The Yan family spent so much money to support you. Is it to support a trash like you?” Yan Sihai said coldly.

Qiao Wu hurriedly explained, “President Yan, it’s The Divine Alchemist Pavilion! The Pavilion Master of the Divine Alchemist Pavilion Saved Qin Yu!”

Chapter 375: Chapter 375, Engagement

“The Pavilion Master of the Divine Alchemist Pavilion?” Yan Sihai immediately frowned.

“Yes, the Divine Alchemist Pavilion seems to want to protect Qin Yu. The few of us are not her match at all,” Qiao Wu said with some grievance.

On the other end, Yan Sihai took a deep breath and said coldly, “I will negotiate with the Divine Alchemist Pavilion.”

“President Yan, What About Us?” Qiao Wu asked.

Yan Sihai coldly said, “Stand by and wait for orders. As soon as Qin Yu walks out of the Divine Alchemist Pavilion, kill him immediately!”

“Yes, President Yan,” Qiao Wu hurriedly agreed.

After the phone call was cut off, Yan Sihai’s face immediately became somewhat gloomy.

“President Yan, what’s Going On?” Han Meng asked with a smile.

Yan Sihai gnashed his teeth and said, “This divine alchemist pavilion wants to openly oppose us! They take themselves too seriously!”

“Divine Alchemist Pavilion?” A hint of displeasure flashed across Han Meng’s face.

“HMPH, the Divine Alchemist pavilion also did not give face to our Han clan last time. The Divine Alchemist pavilion has indeed been a little too arrogant during this period of time,” Han Meng said coldly.

Yan Sihai glanced at Han Meng and said, “Then why has your Han clan not made any move yet?”

A hint of awkwardness flashed across Han Meng's face, and then he sighed and said, "We don't want to either, but the Divine Alchemist Pavilion's influence is not weak, and it has connections with quite a number of people in Jingdu."

"If we really shed all pretenses of cordiality, I'm afraid it won't be beneficial to anyone."

Yan Sihai naturally understood this logic, but it wasn't Yan Sihai's character to just endure like this.

He picked up his phone and personally made a call to the Divine Alchemist Pavilion's Pavilion Master.

After the call was connected, Yan Sihai tried his best to maintain his politeness as he said, "Lady Pavilion Master, Qin Yu stole my father's corpse. This is absolutely intolerable to the Yan family."

Hearing this, the pavilion master smiled faintly and said, "Stole the body? President Yan, can you deceive others, but can you deceive me?"

Yan Sihai's expression changed and he said coldly, "Then you mean you must protect Qin Yu?"

"That's right." The pavilion master didn't hesitate at all.

"As long as he stays in the Divine Alchemist Pavilion, I will definitely protect him."

Yan Sihai took a deep breath and said, "Good, good. I hope you don't regret your decision today. You must know that the Divine Alchemist pavilion is not irreplaceable!"

After saying this, Yan Sihai directly hung up the phone.

He was so angry that his chest was trembling and his face was livid.

“This Divine Alchemist Pavilion doesn’t give me any face at all! Do you really think that no one can cure her! ?”Yan Sihai said angrily.

Han meng frowned and said, “Director Yan, it’s not a good idea to shed all pretense of cordiality with the Divine Alchemist Pavilion because of Qin Yu.”

Yan Sihai snorted coldly and said, “If she dares to shed all pretense of cordiality, why wouldn’t I dare? Could it be that our Yan family is inferior to the Divine Alchemist Pavilion?”

Han Meng was silent for a moment and said, “Director Yan, the Divine Alchemist Pavilion is extremely important in the martial world. If they are willing to rise up, our two families might not be able to withstand it.”

Yan Sihai was also silent.

Han Meng’s words were not without reason.

For warriors, no matter how strong they were, they would grow old and die of illness.

Being able to obtain the Divine Alchemist Pavilion’s promise was equivalent to having an extra life.

This was also the reason why the Divine Alchemist Pavilion dared to be so stubborn.

“I do have an idea.” At this moment, Han Meng suddenly said.

Yan Sihai looked at Han Meng and motioned for him to continue.

Han Meng said indifferently, “As long as Qin Yu leaves the Divine Alchemist Pavilion, we will only raise our hands to kill him.”

“Is there a point in saying such nonsense? If Qin Yu stays in the Divine Alchemist pavilion for the rest of his life, don’t tell me I have to wait for him for the rest of his life?” Yan Sihai said angrily.

Han Meng patted Yan Sihai’s shoulder and said, “President Yan, don’t be anxious.”

“The conflict between Qin Yu and the Yan family originated from Yan Ruoxue.”

“Since he would rather offend the Yan and Han families for the sake of Yan Ruoxue, it is enough to prove the importance of Yan Ruoxue in his heart.”

“As long as we release the news of Yan Ruoxue and my son Han Wei’s marriage, do you think Qin Yu will be able to tolerate it?”

Han Meng’s words immediately reminded Yan Sihai!

He patted his head and praised, “Good idea, good idea!”

“I don’t believe that Qin Yu will watch his beloved marry someone else!”

...

In the Medicine God Pavilion, in the Pavilion Master’s building.

The pavilion master and Old Mister Yan sat opposite each other.

A pot of tea was placed in front of them.

“Old Mister Yan, it has been thirty years since we last met, right?” The pavilion master said with a faint smile.

Old Mister Yan sighed and said, “Yes, thirty years have passed in the blink of an eye. You are still so young, and I have already become a person on the verge of death.”

At this point, old Mister Yan could not help but smile bitterly.

The pavilion master said indifferently, “Everyone has their own fate. The current business empire of the Yan family is not something that I can envy.”

“Business Empire?” Old Mister Yan shook his head.

“When I was young, I thought that having money would give me everything. However, when I was on the verge of death, I realized that money is nothing but vanity. It has no meaning at all.”

“Are you serious?” The pavilion master said jokingly.

Old Mister Yan nodded and said, “For the current me, that is indeed the case.”

The pavilion master smiled and did not continue this topic.

“Let’s talk about that child, Qin Yu.” The pavilion master poured a cup of tea for Old Mister Yan.

At the mention of Qin Yu, a trace of guilt could not help but appear on old Mister Yan's face.

He sighed and said, "To tell you the truth, I have always had selfish motives towards Qin Yu. The reason why I set Qin Yu and my granddaughter up was to protect our Yan family."

"In your eyes, Qin Yu is just a chess piece, right?" The Pavilion Master asked with a faint smile.

Old Mister Yan did not deny it and only took a sip of tea.

"But to that child, he treats you as an Elder." The pavilion master sighed slightly.

Old Mister Yan sighed and said, "Since things have come to this, I don't know what to do. The development of things has long exceeded my expectations."

"Perhaps... the destruction of the Yan family is fated."

The Pavilion Master had a different view on this.

She stood up and said, "Qin Yu's body contains an unimaginable energy. Perhaps to him, the incomparable Yan family in your eyes is just a starting point."

"If his father can give you the starting point of the Yan family, then Qin Yu can give you the continuation of the Yan family."

Saying this, the pavilion master didn't say anything more and turned around to leave the pavilion.

Old Mister Yan sat there for a long time without saying a word.

After a long time, old Mister Yan sighed slightly and said, "I hope so."

...

Qin Yu lay on the bed, unconscious.

Every hour, peaches would feed Qin Yu a pill personally refined by the pavilion master.

For three whole days, Qin Yu's body slowly healed at a speed visible to the naked eye.

The sword that stabbed into Qin Yu's chest was less than half a millimeter away from his heart.

Such a slight deviation saved Qin Yu's life.

At noon on the fourth day.

After Peaches Fed Qin Yu the last pill, Qin Yu finally opened his eyes slowly.

He sat up from the bed with difficulty and frowned, "Where is this?"

"Divine Alchemist's Pavilion, Qin Yu, you almost died," peaches rolled her eyes.

Qin Yu hurriedly sat up from the bed and said anxiously, "Where's old Mister Yan?"

"Don't worry, he's fine. You'd better take care of yourself." Peach rolled her eyes.

At this moment, the door of the Elder's residence was hurriedly knocked open.

Before he arrived, Yao Qing's voice came from outside.

“Oh no, Miss Yan and Han Wei are engaged!” Yao Qing hurriedly shouted.

Chapter 376: Chapter 376: We Believe in You, but what about you

Yao Qing said as he ran. When he ran into the door, he realized that Qin Yu was already awake.

He hurriedly covered his mouth and subconsciously hid the phone behind his back.

Unfortunately, Qin Yu had already heard these words.

He looked at Yao Qing coldly and said, “Who is engaged to whom?”

“No... no one.” Yao Qing hurriedly waved his hand.

“Bring the phone over,” Qin Yu said coldly.

Yao Qing coughed and changed the topic, “That... Mr. Qin, you're awake. I'll go make you something to eat.”

“Bring the phone over!” Qin Yu shouted!

Yao Qing knew that he couldn't hide the matter anymore, so he could only hand the phone to Qin Yu.

After Qin Yu took the phone, he hurriedly looked at the screen.

There was a piece of news on the screen:

The marriage of the century! The engagement ceremony between the Han family and the Yan family!

Qin Yu hurriedly clicked on the news, and saw that it was the news of Yan Ruoxue and Han Wei's engagement!

On September 9th, Han Wei and Yan Ruoxue were going to hold their wedding in Jingdu!

The reason why they chose September 9th was for a long-term purpose.

It was said that this date was calculated by the most powerful Mystic Arts Master of the generation!

In addition to the words, there was also a photo of the engagement day in the news.

In the photo, Yan Ruoxue's face was ice-cold. There was almost no smile, which was out of place with the atmosphere at the scene.

Qin Yu looked at the news and clenched his fists tightly!

He got up from the bed and turned around to leave.

“Qin Yu, where are you going?” Peach asked anxiously.

Qin Yu said coldly, “To the Yan family. I'm going to take Ruoxue away.”

“Mr. Qin, aren’t you going to die?” Yao Qing also said anxiously.

Qin Yu gritted his teeth and said, “So what if I’m going to die? Do I have to watch Ruoxue marry someone else with my own eyes?”

“You can’t go!” Yao Qing hugged Qin Yu’s waist tightly.

“Get lost,” Qin Yu said coldly.

Yao Qing was unmoved, desperately hugging Qin Yu.

“I told you to get lost!” Qin Yu’s body suddenly erupted with an intense internal Qi!

Under this internal Qi, Yao Qing was directly sent flying!

At this time, Peaches also stood in front of Qin Yu.

She took a deep breath and said, “Qin Yu, I know you’re very angry and sad now, but now that you’ve gone to Jingdu, it’s meaningless and you’ll even risk your life.”

However, how could Qin Yu listen to all this? He looked coldly at Peaches and said, “I don’t want to hit women, but if you insist on stopping me, I won’t show Mercy.”

“Then kill me!” Peaches closed her eyes with a determined expression.

Qin Yu gritted his teeth and roared, “You forced me!”

“Do you want to die so much? Won’t you have no chance if you die?”

At this moment, the pavilion master suddenly walked in from outside the door.

She gently raised her hand, and a gentle and overbearing force imprisoned Qin Yu on the spot.

“Pavilion Master...”Qin Yu’s expression was a little ugly.

He said with an almost pleading attitude, “Pavilion Master, please help me. As long as I can bring Ruoxue back, I’m willing to be a slave...”

As he spoke, Qin Yu’s eyes were filled with tears.

“I can’t just watch Ruoxue marry someone else...”Qin Yu’s tears were like a river that burst its banks, rushing out.

However, the pavilion master coldly said, “You’re useless. Look at your current appearance! A good-for-nothing!”

“You’re your own woman, yet you want others to ask for help. Are you a good-for-nothing?”

“Didn’t you say that you wanted Yan Ruoxue to stand at the peak of Jingdu? With your current appearance, I think you should just die. No one will stop you!”

After saying this, the pavilion master immediately released Qin Yu from his imprisonment.

Qin Yu stood there, his eyes full of tears.

“Go. Didn’t you want to die? Why are you still standing here!”The pavilion master said coldly.

Qin Yu cried bitterly. He squatted on the ground and sobbed softly, "I... I'm not reconciled..."

"Not reconciled? Not reconciled to use your own strength to snatch the person back," the pavilion master said coldly.

"September 9th, isn't there still more than half a year's time?"

After the pavilion master's Reminder, Qin Yu immediately reacted!

He suddenly raised his head and muttered in a low voice, "Yes, there's still half a year, there's still half a year!"

The pavilion master said coldly, "If you're a man, then go snatch the marriage and snatch the person back yourself."

"If you're not, then get out of the Divine Alchemist Pavilion."

After throwing out these words, the pavilion master turned his head and walked out.

After the Pavilion Master's berating, Qin Yu calmed down a lot.

"Snatch the marriage... Good Idea." Qin Yu muttered softly.

Even though that was the case, to Qin Yu, his heart could not calm down for a long time.

Because he knew very well that Yan Ruoxue must have been forced!

No one knew what kind of situation Yan Ruoxue was in now!

At this moment, old Mister Yan suddenly walked in from outside the door.

“Old Mister Yan.” Upon seeing old Mister Yan, Tao Zi and Yao Qing hurriedly greeted him.

Old Mister Yan waved his hand and motioned for them to leave.

Tao Zi and Yao Qing didn't say anything and immediately turned around to walk out of the Elder's residence.

The door was slowly closed.

Qin Yu rubbed his eyes and said in a low voice, “Old Mister Yan, I've made a fool of myself.”

Old Mister Yan patted Qin Yu's shoulder and motioned for him to sit down.

The two of them sat opposite each other. Old Mister Yan poured a glass of water for Qin Yu.

“Do you regret it?” Old Mister Yan asked.

Qin Yu hurriedly shook his head and said, “I don't regret it.”

Old Mister Yan smiled and said, “Qin Yu, when Ruoxue went to Jiangcheng back then, she was unwilling because no one would think highly of a useless son-in-law born and raised in Jiangcheng. I forced her to go.”

“At that time, I was the only person in the entire Yan family who had high hopes for you.”

Qin Yu lowered his head and did not say a word.

Old Mister Yan continued, “But later, the person who the Yan family trusted the most in you was Ruoxue.”

“She had high expectations for you. She believed that you must not be an ordinary person, but a man who could change everything.”

“Can you understand this kind of groundless and inexplicable expectation?”

Qin Yu raised his head and looked at Old Mister Yan.

There was an indescribable feeling in his heart.

He did not know whether it was gratitude for Yan Ruoxue’s trust in him or guilt for her.

“Do you know why their wedding will be six months later?” At this moment, old Mister Yan changed the topic.

Qin Yu shook his head and said, “I don’t know.”

Old Mister Yan sighed slowly and said, “Because the person who counted the days for them is an old acquaintance of mine. I have long expected today’s situation.”

“Six months. Although it is not a long time, it is the last chance for you.”

Qin Yu suddenly raised his head and looked at Old Mister Yan.

“I believe in you, Ruoxue also believes in you. What about yourself?” Old Mister Yan asked.

Qin Yu’s heart was instantly ignited with a power.

This power once again filled him with confidence and determination.

“Old Mister Yan, I won’t disappoint your expectations.” Qin Yu took a deep breath.

“And I won’t let Ruoxue marry Han Wei.”

At this moment, Qin Yu’s eyes were filled with determination.

Chapter 377: Chapter 377, Pavilion Master’s full support!

Seeing Qin Yu regain his confidence, old Mister Yan also smiled in relief.

“Old Mister Yan, you should go and rest,” said Qin Yu.

He didn’t want to waste any more time and was prepared to enter seclusion as soon as possible.

During this period of time, not only did Qin Yu accumulate large quantities of herbs, his mental state also improved greatly.

As long as he had enough time, Qin Yu would be able to improve his strength as soon as possible.

Old Mister Yan nodded. He did not waste Qin Yu’s time and turned around to leave.

It was late at night.

Under the moonlight, the sky and Earth were bright.

Under the moonlight, a young man was sitting cross-legged.

A faint aura was lingering around his body. This aura was the purest internal Qi/spiritual energy.

He sat for the entire night.

The next morning, Qin Yu suddenly opened his eyes.

The Medicine Master in the Divine Medicine Pavilion had brought breakfast early.

The Peach and Yao Qing wolfed down the food, but Qin Yu had no desire to eat.

“Mr. Qin, please have a bite,” Yao Qing said as he stuffed food into his mouth.

Qin Yu shook his head. He turned around and walked out of the Elder’s residence towards the pavilion in the valley.

This was the residence of the Divine Medicine Pavilion’s Pavilion Master.

Standing under this pavilion, Qin Yu took a deep breath and shouted, “Qin Yu pays respect to Pavilion Master!”

His voice reverberated in the valley. Qin Yu’s eyes had been looking up at the soaring pavilion in the sky.

“Elder Qin, please come up.” Not long after, a voice came from above.

Qin Yu’s feet shook and he quickly landed in the attic.

Two pharmacists who were responsible for taking care of the pavilion master bowed and said, “The pavilion master is waiting for you in the room.”

“Thank you,” Qin Yu said politely.

Then, Qin Yu strode into the room.

He didn’t see the pavilion master in the room.

Behind a curtain, he could faintly see the pavilion master’s figure.

She seemed to be taking a medicinal bath. Even through the gauze curtain, one could still see her graceful figure.

“What’s the matter?” The Pavilion Master’s voice came from behind the gauze curtain.

Qin Yu said, “Lord Pavilion Master, I want to make a deal with you.”

“Oh?” The pavilion master was somewhat surprised.

The sound of water droplets colliding could be heard. Then, she saw the pavilion master put on a long robe and strolled out.

There were still water droplets on her body. A medicinal fragrance and body fragrance fused together and assaulted her face.

“You want to make a deal with me?” The pavilion master raised her eyebrows, her eyes carrying a hint of playfulness.

Qin Yu nodded and said, “Yes, I can gift my pill formula to the Divine Alchemist Pavilion.”

“Pill formula?” The Pavilion Master’s lips curled into a playful smile.

“Do you think the Divine Alchemist Pavilion lacks pill formulas?”

Qin Yu said in a deep voice, “I know that the Divine Alchemist Pavilion has the world’s most complete pill formula, but what I have, the Divine Alchemist pavilion might not have it.”

“Tell me about it,” the pavilion master said indifferently.

Qin Yu immediately revealed the names of several kinds of pills. These pills were all heaven rank pills, and some of them were even top-grade heaven rank pills.

After the pavilion master heard it, there wasn’t much surprise on her face.

She glanced at Qin Yu and said, “En, the pill formula isn’t bad. Then what do you want?”

Qin Yu took a deep breath and said, “First, I need herbs. Large quantities of herbs.”

The pavilion master nodded slightly, indicating for Qin Yu to continue.

“Second, I want the Elders of the Divine Alchemist Pavilion to refine pills for me. Of course, I will provide the pill formula,” Qin Yu said.

Qin Yu didn't have much time left. The strong sense of urgency made Qin Yu not dare to waste a single second.

Refining a pill by himself was indeed too time-consuming. It was a waste of the Divine Alchemist Pavilion's resources.

When the pavilion master heard this, she couldn't help but laugh.

She sized up Qin Yu and said, "You have a good idea."

Qin Yu smiled bitterly and said, "Pavilion Master, I have no other choice. You know that time is pressing. I hope that pavilion master will agree."

Pavilion master stretched lazily and said, "Let me think about it."

Qin Yu opened his mouth and said, "Pavilion Master, time is of the essence. We can't afford to delay. You..."

"I said, I'll think about it." Pavilion master's expression instantly turned cold.

Qin Yu opened his mouth and couldn't help but smile bitterly.

This woman really turned hostile just like that.

"Then I'll have to trouble Lord Pavilion Master." Qin Yu cupped his hands and didn't stay any longer. He turned around and left the pavilion.

After Qin Yu left, the pavilion master looked at the Two Medicine Boys at the door.

"Go and call the first elder over." The pavilion master said indifferently.

“Yes, Lord Pavilion Master.” The Two Medicine Boys bowed and then turned around to leave.

A few minutes later, the first elder walked in a hurry and arrived at the pavilion master’s building.

“Lord Pavilion Master.” The first elder cupped his hands.

“Inform all the elders to refine pills for Qin Yu. The herbs will be taken from the warehouse,” said the pavilion master.

The first elder was stunned. He frowned and said, “Lord Pavilion Master, do we still need to consider this matter?”

“Selling pills is the main source of income for our Divine Alchemist Pavilion. We have a lot of orders now. If all the elders refine pills for Qin Yu, it will definitely bring harm to the Divine Alchemist Pavilion,” said the first elder with a frown.

The pavilion master glanced at the first elder coldly and said, “Then cancel all the orders. The Divine Alchemist pavilion can still afford to delay for a mere half a year.”

Seeing this, the first elder did not dare to say anything more. He immediately nodded and said, “Yes, Lord Pavilion Master.”

On the same day, all the elders received the news.

More than ten elders arrived at Qin Yu’s Elder’s residence at the same time.

At this moment, Qin Yu was meditating and cultivating. In front of him were the newly refined vitality enhancing pills.

More than ten vitality enhancing pills actually didn't allow Qin Yu to step into the third level of the monastic stage.

Such a consumption was indeed shocking.

“Elder Qin.”

At this moment, the first elder interrupted Qin Yu's cultivation.

Qin Yu opened his eyes, quickly stood up, cupped his hands and said, “Greetings, First Elder.”

“Everyone is waiting for you. Don't waste time,” said the Great Elder.

After saying this, the great elder turned around and walked out.

Qin Yu walked out of the room with some doubts.

As soon as he walked out, he saw all the elders gathered here.

“Elder Qin, under the Order of the pavilion master, we are here to refine a pill for elder Qin,” said the Great Elder.

“That's right, Elder Qin. If there's anything you need us to do, feel free to ask.”

Qin Yu was instantly overjoyed. He bowed deeply to everyone and said, “Thank you all for your help. I, Qin Yu, will never forget your great kindness.”

“Elder Qin, if you want to thank someone, go thank the pavilion master. We are just following orders,” said the fifth elder with a smile.

Qin Yu nodded his head vigorously. He hurriedly took out the remaining herbs from his spatial magic tool.

“Everyone, please wait a moment. I will write down the pill formula,” Qin Yu said hurriedly.

“Elder Qin, don’t Underestimate Our Divine Alchemist Pavilion. You only need to tell us the name of the pill,” first elder said indifferently.

“That’s right.. After all, we are the elites of the Divine Alchemist Pavilion. Why do we need to go through so much trouble?”

Chapter 378: Chapter 378, all the strength of the Divine Alchemist Pavilion!

Qin Yu immediately felt a little awkward. He said tentatively, “What I need right now is the vitality enhancing pill. This pill is enough.”

“Haha, it’s just a mere vitality enhancing pill. It’s not worth mentioning.”

“I thought it was some top-grade pill. Elder Qin is looking down on us too much.”

“Elder Qin, you can rest assured and wait. Pavilion master said that we will go to the herb warehouse to collect the herbs ourselves.”

“That’s right. Pavilion master has really given the entire divine alchemist pavilion’s strength to help you.”

Qin Yu’s gratitude towards pavilion master was indescribable.

He muttered in a low voice, “Lord Pavilion Master, Thank You for your help...”

The Elders left the Divine Alchemist Pavilion. As the most elite alchemists in the Divine Alchemist Pavilion, almost every one of them possessed spiritual fire.

A mere vitality increasing pill was indeed not worth mentioning.

After they left, peach whispered, “Elder Qin, perhaps I can help too.”

Qin Yu opened his mouth and smiled, “Alright, thank you, Peach.”

Peach shook her head and did not say anything. She turned around and walked out.

The current Qin Yu not only carried the expectations of Yan Ruoxue and old Mister Yan, but also the entire Divine Alchemist Pavilion.

Therefore, he could not lose.

Qin Yu found a place to sit down, swallowed the remaining vitality enhancing pills into his stomach, and began his closed-door cultivation.

On the other side, many elders were in high spirits, personally refining the vitality enhancing pills for Qin Yu.

Such a grand scene was unheard of.

In the pavilion main building.

Old Mister Yan and the pavilion master were slowly sipping tea.

“The entire Divine Alchemist Pavilion acts as Qin Yu’s backing. This way, the disparity in resources will be completely eliminated,” old Mister Yan sighed.

The pavilion master said indifferently, “How can the aristocratic families compare to our Divine Alchemist Pavilion?”

Old Mister Yan laughed involuntarily, “Haha, That’s true. No aristocratic family in the world can dispatch so many top-notch alchemists to refine pills.”

“Pavilion master, I, Old Mister Yan, owe you a favor.” Old Mister Yan cupped his hands and said.

The pavilion master shook his head and said indifferently, “I’m doing this for Qin Yu, not for your Yan family.”

Old Mister Yan was slightly embarrassed. He coughed and nodded, “Then I’ll thank you on behalf of Qin Yu.”

...

In the following time, Qin Yu began to enter a state of closed-door cultivation.

Almost every day, dozens of vitality-enhancing pills would be sent by the elders. Qin Yu didn’t need to consider the issue of pills at all.

Pill after pill was stuffed into his mouth. Qin Yu’s entire body was filled with Qi/spiritual energy.

In the blink of an eye, half a month had passed.

Qin Yu's cultivation had directly stepped into the fifth level from the second level of the monastic stage!

The spiritual energy in his body had doubled!

His entire body flickered with light. At a glance, he looked like a beautiful man, and one could even see the sparkling white bones in his body!

However, this was far from enough!

Qin Yu devoured the pill as if he was hungry and thirsty, crazily raising his cultivation!

This scene had almost become a unique scenery of the Divine Alchemist Pavilion.

Almost every day, there would be alchemists coming to watch.

No one knew where the end point of this seclusion was, and no one knew what level Qin Yu would reach after this seclusion.

...

In the outside world, Qiao Wu and the others did not leave Qinghe town.

They stayed near the Divine Alchemist Pavilion, waiting for Qin Yu to leave the Divine Alchemist Pavilion.

“How much longer do we have to stay here?” Qiao Wu couldn't help but sigh.

“What’s the rush? If he can afford to waste his time, we can certainly afford to waste our time.” Someone beside him snorted coldly.

“That’s right. In any case, the environment here is so excellent. We can use this opportunity to cultivate.”

Even though that was the case, Qiao Wu still felt a trace of unease in his heart.

The Divine Alchemist Pavilion stopped all orders from the outside world.

Many aristocratic families came to ask for the pill, but they were all refused entry.

Paper can not cover fire. This matter naturally spread very quickly.

The Divine Alchemist pavilion’s abnormal actions attracted countless speculations. It even became a hot topic on the martial arts forum.

Jingdu, Yan family.

Yan Sihai sat in the huge living room. Opposite him was Han Meng of the Han family.

“It’s been almost twenty days, but there’s still no movement from Qin Yu,” Yan Sihai said coldly.

Han Meng smiled and said, “President Yan, there’s no need to be anxious. I don’t believe that he can stay in the Divine Alchemist Pavilion for a lifetime.”

Yan Sihai glanced at Han Meng and said with a frown, “I’ve recently heard a very bad news.”

“Oh?” Han Meng was slightly surprised.

Yan Sihai said coldly, “The Divine Alchemist pavilion has recently canceled all the pill refining orders. No matter how big the aristocratic families are, they are unable to obtain even half a pill from the Divine Alchemist Pavilion.”

Han meng frowned and said, “That shouldn’t be. The Divine Alchemist pavilion has never encountered such a situation.”

Yan Sihai blew out a smoke ring and slowly said, “I suspect that the Divine Alchemist pavilion has put all their energy into Qin Yu.”

Upon hearing this, Han Meng’s expression changed slightly.

“If that’s the case, then it’s really troublesome,” Han Meng muttered softly.

At this moment, Han Wei at the side volunteered, “Uncle Yan, dad, don’t worry. As long as he dares to appear in Jingdu, I will definitely kill Qin Yu with my own hands!”

Yan Sihai glanced at Han Wei and nodded slightly, “That’s the only way. Han Wei, don’t underestimate the enemy. This Qin Yu isn’t simple.”

Han Wei hurriedly nodded and said, “Uncle Yan, don’t worry. I’ll go into seclusion right away!”

“A mere Qin Yu isn’t worth worrying about. It’s just that I don’t feel comfortable if I don’t kill him,” Yan Sihai said with a cold snort.

This was not only Yan Sihai’s idea, but also Han Meng’s.

They didn’t believe that half a year’s time could change anything.

...

During this period of time, Yan Ruoxue was under house arrest in the Yan family manor.

Although there were people serving her every day, her means of communication with the outside world were all cut off.

Yan Ruoxue, who was bored to death, could only use painting and raising flowers to comfort herself.

On this day, Yan Ruoxue was sitting under a big tree. In front of her was a drawing board.

The person in the drawing was none other than the person she remembered as Qin Yu.

At this moment, Yan Sihai’s car slowly drove in.

After he parked the car, he walked towards Yan Ruoxue.

“Ruoxue, haven’t you figured it out yet?” Yan Sihai walked directly behind Yan Ruoxue and asked.

Yan Ruoxue smiled as she drew, “Figured what out? Uncle, don’t waste your time.”

“I can’t figure out what attracted you to that Qin Yu,” Yan Sihai said with a cold face.

Yan Ruoxue stared at the painting in front of her and said with a smile, “At least Qin Yu lived a purer life, unlike you guys, who killed his biological father for money and status.”

These words immediately infuriated Yan Sihai!

He grabbed the painting in front of him and tore it into pieces!

“Yan Ruoxue, let me tell you, your grandfather is dead! I’m the one in charge of the Yan family now!” Yan Sihai said angrily.

“Whether you agree or not, you have to marry Han Wei! You Don’t have the right to choose!”

“Let me tell you, I’ve already released the date of your wedding. Do you think he will come to rob the wedding?”

“You like him, right? Fine, then I’ll kill him with my own hands in front of you!”

Chapter 379: Chapter 379, the jade pendant shattered

“Yan Sihai, you are despicable!” Yan Ruoxue glared at Yan Sihai.

Yan Sihai sneered, “As long as you are obedient, not only can I let him live, I can also give him a chance!”

Speaking up to this point, Yan Sihai paused for a moment. He leaned against Yan Ruoxue’s ear, he whispered, “Don’t you want your

grandfather to live? As long as you are obedient and marry Han Wei, I will let them live their lives peacefully.”

“Do you think I will still believe you?” Yan Ruoxue sneered.

Hearing this, Yan Sihai’s face turned completely cold.

“Don’t think I’m begging you! I’m giving you a Chance!” Yan Sihai said coldly.

“Since you don’t know what’s good for you, then don’t blame me for being rude!”

After saying this, Yan Sihai turned around and walked out.

Yan Ruoxue’s face turned extremely pale. She desperately wanted to know about the outside world, but under Yan Sihai’s control, there was no way.

“Can you help me? Can you help me send a message to Qin Yu?” Yan Ruoxue had no choice but to turn to the servant of the Yan family.

The servant was very secretive about this. She hurriedly waved her hand and said, “Miss, don’t make things difficult for me. If Mr. Yan finds out, we’ll be finished...”

Ever since the servant was killed by Yan Sihai, no one dared to help Yan Ruoxue anymore.

Even Yan Ruoxue’s biological father, Yan Yongxiu, did not dare to come and see Yan Ruoxue.

The long-term repression in the bottom of her heart made Yan Ruoxue's body become weaker and weaker.

Her face became increasingly pale and she coughed from time to time.

Yan Sihai invited a doctor to treat Yan Ruoxue, but he could not see anything.

In the end, the doctor came to a conclusion: Yan Ruoxue had a mental illness that could not be treated.

...

Time flew by, and in the blink of an eye, a month had passed.

During this period of time, Qin Yu had almost never left the Elder's residence.

Every day, he would send a handful of vitality enhancing pills to his mouth.

The excessive Qi/spiritual energy made it difficult for Qin Yu's body to bear for a moment.

It was as if his entire Dantian was about to explode.

"Mr. Qin, if it really doesn't work... Let's stop for a while." Even Yao Qing couldn't stand it anymore.

However, Qin Yu waved his hand and said, "I don't have that much time to waste."

“But... Your body won't be able to take it if this goes on.” Yao Qing sighed.

Just as Yao Qing said, Qin Yu looked a little weak under the wrapping of the excessive amount of Qi/spiritual energy, as if his physical strength had been exhausted.

This was not the most important thing. The most important thing was that Qin Yu's Dantian had been opened again and again, and was on the verge of exploding many times.

But even so, Qin Yu still did not show any signs of stopping.

He tried his best to control the Qi/spiritual energy and slowly circulated it in his body.

“Puff!”

At this moment, Qin Yu's body could not bear it anymore.

He spat out a mouthful of blood. Looking inside, he could even see layers of cracks and traces of blood outside his dantian.

“Mr. Qin!” Yao Qing rushed over and supported Qin Yu.

Qin Yu wiped the blood stains from the corner of his mouth and murmured, “It seems that I really have to rest for a while...”

Qin Yu had already stepped into the sixth level of the monastic stage.

As long as he successfully broke through the monastic stage within half a year, Qin Yu was confident that he could go to Jingdu.

However, the further one progressed in cultivation, the more difficult it became. The more Qi/spiritual energy one needed, which was why Qin Yu didn't dare to waste time.

Qin Yu returned to his room with the help of Yao Qing.

“Level six of the monastic stage. I wonder what his actual strength is like,” Qin Yu clenched his fist and muttered in a low voice.

However, there was no one in the entire divine medicine pavilion who was suitable for sparring.

This was because the people in the divine medicine pavilion were either top-notch martial grandmasters, such as the eight law enforcement elders, and guardians. Qin Yu could not compare to their current strength.

Other than them, the others were not Qin Yu's match.

“It's really worrying,” Qin Yu muttered.

At this moment, Qin Yu suddenly thought of a person.

That was Qiao Wu sent by the Yan family!

Although he was also at the peak of the Martial Grandmaster realm, there was still quite a big gap between him and the law-enforcing elders.

Perhaps, he was the best candidate to practice!

“Yao Qing, has Qiao Wu left?” Qin Yu hurriedly looked at Yao Qing and asked.

Yao Qing shook his head and said, “Qiao Wu has been wandering around the divine alchemist pavilion during this period of time.”

“Okay.” Qin Yu nodded.

In that case, he would look for Qiao Wu to practice his skills.

Of course, Qin Yu’s Dantian was damaged and he needed some time to recuperate. Therefore, Qin Yu was not in a hurry to go out.

“Mr. Qin, it’s best for you to discuss this matter with the pavilion master. What if she doesn’t agree?” Yao Qing said.

Qin Yu nodded.

Everyone knew that the Pavilion Master of the Medicine God Pavilion had taken care of Qin Yu. Even if it was out of respect, Qin Yu should have gone to inform her.

Therefore, Qin Yu left the Elder’s residence and walked towards the Pavilion Master’s building.

“Elder Qin, have you come out of seclusion?” On the way, someone saw Qin Yu and greeted him warmly.

Qin Yu also replied politely, “I’ve rested for a few days and my body can’t take it anymore.”

“Elder Qin, we’ve all heard your story. I really admire you!” Someone gave Qin Yu a thumbs up.

This also made Qin Yu feel a little embarrassed. After he responded politely one by one, he quickly walked towards the pavilion master's building.

Very soon, Qin Yu arrived at the Pavilion Master's building.

The pavilion master seemed to have anticipated Qin Yu's return. Therefore, as soon as he appeared, the medicine boy above him shouted, "Elder Qin, please come up."

Qin Yu took a deep leap and arrived at the Pavilion Master's building.

The Pavilion Master was sitting on a rattan chair, quietly overlooking more than half of Qinghe town.

"Greetings, Pavilion Master." Qin Yu walked forward and said with a slight bow.

The pavilion master said indifferently, "Have you finished your seclusion?"

Qin Yu scratched his head and said, "Recently, my body has been unable to bear it, so I'll take a rest for a while."

The pavilion master glanced at Qin Yu and said indifferently, "The body naturally can't bear the excessive Qi/spiritual energy in the body, unless..."

At this point, the pavilion master paused for a moment and didn't continue.

Qin Yu was stunned and asked anxiously, "Unless what?"

The pavilion master stood up and said, “Unless you have a meridian circulation technique.”

“Meridian circulation technique?” Hearing this, Qin Yu was instantly ecstatic!

He immediately knelt on the ground and said, “Pavilion Master, can you teach me this set of heart technique?”

The pavilion master glanced at Qin Yu from the corner of his eyes and said, “You want to ask for everything from others, can’t you find it yourself?”

Qin Yu was a little embarrassed. He scratched his head and said, “I’m sorry, I was too impatient...”

“But... where should I look for this revolving technique?”

Qin Yu swept through his inherited memories and didn’t find the revolving technique.

The pavilion master glanced at Qin Yu and said, “Do you really want it?”

Qin Yu nodded without hesitation and said, “Yes! This revolving technique is indispensable to me.”

“Okay.” The pavilion master stood up.

“Prepare yourself. I’ll Bring You There Tomorrow.”

“But you have to think it over carefully. Many people have tried to get the circulation technique over the years, but all of them failed.”

“There is only one consequence of failure, and that is death.”

Qin Yu was instantly stunned.

Death? This... The price was too heavy...

“Why, are you afraid?” The pavilion master asked indifferently.

Qin Yu gritted his teeth and said, “For the current me, I can only seek riches through danger. Otherwise, I definitely won’t have a chance.”

“Alright, this is your own choice. You have to bear the consequences yourself.” The pavilion master nodded slightly.

Qin Yu didn’t say anything more. He cupped his hands once again, turned around, and prepared to leave.

At this moment, a crisp cracking sound was suddenly heard from Qin Yu’s neck.

The jade pendant hanging on Qin Yu’s neck was broken.

“This... this...” Qin Yu’s face instantly turned pale!

This was because this jade pendant was personally refined by Qin Yu back then.

One was given to Yan Ruoxue and the other was hung on his neck.

If anything happened to Yan Ruoxue, the jade pendant would be shattered immediately!

Chapter 380: Chapter 380, Pavilion Master and Yan Sihai

Looking at the shattered protective jade pendant, Qin Yu's face instantly turned deathly pale!

“Ruoxue... Ruoxue...” Qin Yu's pupils constricted!

He hurriedly looked at the Pavilion Master of the Divine Alchemist pavilion and said, “Pavilion Master, I have to go to Jingdu immediately.”

The pavilion master frowned and said, “Go to Jingdu? Are you going to Jingdu to die now?”

Qin Yu pulled down the rope from his neck. He pointed at a small fragment still hanging on the rope and said anxiously, “This is the protective jade pendant that I refined for Yan Ruoxue back then.”

“If anything happens to her, this protective jade pendant will shatter!”

“Now that the jade pendant has shattered, something must have happened to her. I Can't wait any longer!”

After saying this, Qin Yu turned around and was about to leave.

However, the pavilion master blocked Qin Yu's path.

She shook her head and said, “There's no need to be anxious before the matter is clear.”

“No need to be anxious? How can I not be anxious!” Qin Yu said somewhat angrily.

“Everything I've done is for her. If anything happens to her, there's no meaning in my life at all!”

The Pavilion Master was silent for a moment before saying, “You stay in the Divine Alchemist Pavilion while I go to Jingdu. If anything happens, I’ll tell you.”

Qin Yu was stunned. He frowned and said, “You will go to Jingdu?”

The pavilion master nodded slightly and said, “She should be sick. I believe that the Yan family will let me treat her.”

Qin Yu gritted his teeth and said, “Pavilion Master, I will go with you.”

“No,” the pavilion master said coldly.

“You stay in the Divine Alchemist Pavilion and cultivate well. If anything happens, I will inform you.”

Even though that was the case, Qin Yu was still extremely worried.

If something really happened to Yan Ruoxue, then to Qin Yu, it was no different from the collapse of the sky.

“I will set off now,” the pavilion master stood up and said.

“As for the matter of circulating the cultivation technique, let’s talk about it when I return.”

Although Qin Yu desperately wanted to go to Jingdu, he was also very clear in his heart that there was no point in him going.

The Pavilion Master of the Divine Medicine Pavilion had an extraordinary status. If she went, it might be the best choice.

“Okay.”Qin Yu took a deep breath.

“Pavilion master, if there is anything, please let me know.”Qin Yu bowed deeply.

“Also, you must pay attention to your safety,”Qin Yu said in a deep voice.

The pavilion master didn't say anything else.

She walked down from the attic and set off for Jingdu that very day.

...

Jingdu.

Yan Ruoxue's face was pale, and she lay on the bed extremely weak.

A group of servants surrounded her, seemingly at a loss.

“Have you notified director Yan?”Someone asked.

“Yes, director Yan should be on his way.”

Before he finished speaking, he saw Yan Sihai walk in from outside the door.

He was accompanied by a foreign doctor.

This doctor was a private doctor that Yan Sihai hired from abroad. Not only was his medical skills extraordinary, but he was also loyal to Yan Sihai.

“Yan Ruoxue, what tricks are you playing this time?” Yan Sihai said coldly.

Yan Ruoxue, who was lying on the bed, did not say anything. Her face was pale, and even her lips were pale. She looked extremely heartbreaking.

“President Yan, Miss is really sick.” The servant at the side could not stand it anymore.

“Yes, Miss has been in this situation for a few days.”

Yan Sihai frowned. He sized up Yan Ruoxue, and it did not seem like she was faking it.

“Peter, quickly see what’s going on.” Yan Sihai waved his hand and said.

The doctor called Peter quickly walked to Yan Ruoxue’s side and carried out a series of examinations on Yan Ruoxue.

This examination lasted for a whole three hours.

But unfortunately, after three hours, Peter shook his head and said, “Director Yan, there is nothing wrong with Miss Yan’s body.”

“Nothing wrong?” Yan Sihai frowned.

“Could it be that she is faking it?”

Peter did not speak, as if he tacitly agreed with Yan Sihai’s statement.

Yan Sihai's face turned cold. He walked into the bedroom and shouted, "Yan Ruoxue, I'm warning you, don't play tricks with me! Do you think that faking it is useful!"

"President Yan, miss is really not pretending to be sick," the servant next to him explained.

"President Yan, she is your biological niece after all. You... you should find another doctor to see her."

"Seeing miss like this, our hearts ache..."

These words immediately aroused Peter's dissatisfaction.

"Are you doubting my medical skills!" Peter said coldly.

The servants hurriedly waved their hands and said, "We... We have no such intention!"

"No? Then what do you mean?" Peter asked coldly.

"What? You Don't want people to doubt your medical skills?"

At this moment, a voice suddenly came from outside.

Turning around, they saw Yan Yongxiu slowly walking in with a woman.

This woman was none other than the Pavilion Master of the Divine Alchemist Pavilion.

"What do you mean!?" Peter didn't know the Pavilion Master of the Divine Alchemist Pavilion.

He angrily walked in front of the Pavilion Master and pointed at the pavilion master's Nose.

The Pavilion Master's face turned cold, and an internal Qi directly cut off Peter's finger!

“Ah! ! !”

The excruciating pain immediately made Peter Roar!

However, in the next second, the pavilion master waved his hand, and Peter's finger was actually intact!

Such a method could not help but cause everyone to suck in a breath of cold air!

Even Peter was dumbstruck! He kept looking at his finger and exclaimed, “How... how did this happen! ?”

No one paid any more attention to Peter. Everyone's gaze was focused on the pavilion master of the Medicine God Pavilion.

“Pavilion Master of the Divine Alchemist Pavilion ?” Yan Sihai narrowed his eyes and the corners of his mouth could not help but curl up into a cold smile.

The pavilion master said indifferently, “Mr. Yan, in the entire world, only I can treat Miss Yan's illness.”

“You ?” Yan Sihai could not help but sneer repeatedly.

“I can see that you guys are colluding, right? The reason why Yan Ruoxue pretended to be sick was to find an excuse to meet you?” Yan Sihai said with a cold smile.

The Pavilion Master raised his eyebrows and said indifferently, “Mr. Yan, this is your Yan family. What can I Do?”

“What? The famous Yan Sihai doesn’t even have this bit of confidence and courage?”

Hearing these words, Yan Sihai’s brows immediately furrowed.

Just as the pavilion master said, this was Jingdu, the Yan family! He had no reason to be afraid.

Moreover, Yan Sihai didn’t want anything to happen to Yan Ruoxue.

“Big Brother, let the pavilion master treat my daughter’s illness!” Yan Yongxiu couldn’t help but say from the side.

Yan Sihai glanced at Yan Yongxiu, and then his gaze fell on the pavilion master.

“You have quite the guts. You injured a member of My Yan family, and you still dare to come to Jingdu alone?” Yan Sihai said with a faint smile.

The pavilion master said with a faint smile, “Why wouldn’t I Dare?”

“Hahahaha!” Yan Sihai immediately burst into laughter.

“As long as I say a word, I can make you unable to leave Jingdu.. Do you believe me?” Yan Sihai said with narrowed eyes.

Chapter 381: Chapter 381, Siege!

Yan Sihai's body was full of killing intent, and the atmosphere was tense, ready to erupt at any moment!

“Big Brother, let the pavilion master treat my daughter's illness first.” Yan Yongxiu's voice also became somewhat cold.

Yan Sihai glanced at Yan Yongxiu and lightly snorted, “Alright, but I warn you, it's best not to play tricks!”

After throwing out these words, Yan Sihai turned his head and left.

“Pavilion Master, thank you for your trouble.” Yan Yongxiu cupped his hands and said.

The pavilion master nodded slightly and then said, “You guys can leave first.”

After sending everyone away, only the pavilion master and Yan Ruoxue were left in the room.

The pavilion master walked to Yan Ruoxue's side. She raised her hand and gently placed it on Yan Ruoxue's forehead.

Then, one could see waves of Qi/spiritual energy flowing through Yan Ruoxue's head and entering her entire body.

This method was quite similar to Qin Yu's.

A moment later, Yan Ruoxue's expression eased up a lot.

She sat up from the bed and said somewhat weakly, “You are the Pavilion Master of the Divine Alchemist Pavilion?”

The pavilion master nodded slightly and said, “Lie down first.”

Yan Ruoxue grabbed the pavilion master’s arm somewhat excitedly and said, “Is Qin Yu Okay Now? I’ll have to trouble you to pass a message to her. No matter what, don’t come to Jingdu!”

Hearing this, the pavilion master immediately fell silent.

“Qin Yu also asked me to pass on a message to you,” said the pavilion master.

Yan Ruoxue looked at the pavilion master, her eyes filled with a bit of nervousness and anticipation.

“He said to let you rest assured that this half a year’s time is enough for him to grow up and go against the Yan family,” said the pavilion master.

“On September 9th, he will come and take you away.”

“He also said... that he will take back the Yan family for you and old Mister Yan.”

After hearing what the pavilion master said, Yan Ruoxue could not help but laugh with tears, “This fool... I don’t care about the Yan family or the Yan family...”

“But he does,” the pavilion master said quietly.

“To Qin Yu, he will not let you suffer with him, and he will not lose the Yan family and your identity as the eldest miss because of him.”

Yan Ruoxue looked at the Pavilion Master in a daze and could not help but cry.

“Half a year... What can half a year change?” A moment later, Yan Ruoxue said with a bitter smile.

“Take care of yourself. Believe in him. His body contains an unimaginable amount of energy,” the pavilion master said indifferently.

Yan Ruoxue was silent for a moment, and then she nodded hard. “I believe in him.”

While the two were chatting, Yan Sihai was secretly plotting.

In Jingdu, the Yan family controlled an extremely powerful force.

Not to mention that the Han family was also involved.

At this moment, Yan Sihai was sitting together with Han Meng.

“The Pavilion Master of the Divine Alchemist Pavilion actually dares to come to Jingdu...” Han Meng narrowed his eyes and muttered softly.

Yan Sihai coldly said, “This is called a sheep entering the tiger’s mouth. After she finishes treating Yan Ruoxue’s illness, I will immediately send people to take action!”

Han Meng frowned and said, “Director Yan, what do you plan to do?”

Yan Sihai lightly snorted and said, “The Divine Alchemist’s pavilion doesn’t have the slightest regard for our Yan family, and has even provoked us many times.”

“Now that she has come to Jingdu alone, how can I let her off!”

Han Meng said in a deep voice, “Director Yan, the Divine Alchemist’s pavilion can not be moved. If she dies, Jingdu will probably have a huge earthquake.”

“You have to know that many people’s bodies are in the hands of the Medicine God Pavilion. Do you think that if she dies, the higher-ups will give up so easily?”

Yan Sihai coldly snorted, “Anyone can be replaced, and she is no exception.”

“That’s true, but... can anyone take her place now?” Han Meng said.

Yan Sihai also fell silent.

Just as Han Meng had said, although he didn’t want to admit it, he had to admit that the medical skills of the Divine Alchemist Pavilion’s Pavilion Master were well-known. It could even be said that she was publicly acknowledged as number one.

At least, at the moment, no one could take her place to take control of the Divine Alchemist Pavilion.

“This is a good opportunity. I definitely won’t miss it.” After thinking about it, Yan Sihai snorted coldly.

Han Meng hurriedly said, “Director Yan, you still have to be cautious about this matter.”

“Don’t worry. I know what to do.” Yan Sihai narrowed his eyes and said.

...

The sky gradually darkened.

With the pavilion master taking action, Yan Ruoxue's body instantly became much better.

She was already sick from heart disease. Now that she knew that Qin Yu was fine, Yan Ruoxue's body naturally became better.

The pavilion master personally refined a few pills for Yan Ruoxue. These few pills were used to maintain the body.

“Pavilion Master, please help me pass on a message to Qin Yu,” Yan Ruoxue said softly.

The pavilion master nodded slightly, indicating for Yan Ruoxue to speak.

Yan ruoxue bit her red lips with her pearly white teeth and said softly, “Before he has absolute strength, don't step into Jingdu, and don't take any risks.”

Hearing this, the pavilion master smiled faintly and said, “Do you think he will listen?”

Yan Ruoxue opened her mouth and was immediately speechless.

“If I Were you, I would choose to believe her,” the pavilion master said indifferently.

Of course, Yan Ruoxue believed in Qin Yu, but she was well aware of the strength of the Yan family and knew that the Yan family could not be shaken by one person.

For Yan Ruoxue, as long as Qin Yu was alive, it was enough.

“Don’t worry. On September 9th, he will definitely take you away,” the pavilion master said with a faint smile.

Yan ruoxue gritted her teeth and said, “Then I’ll have to trouble the pavilion master to help me tell him that... I’ll wait for him.”

Following that, Yan Ruoxue took out a bank card from under her pillow.

She stuffed the bank card into the pavilion master’s hands and said, “There’s some money in here. I’ll have to trouble the pavilion master to help me bring it to Qin Yu.”

The Pavilion Master accepted the bank card and nodded. “Got it.”

The pavilion master didn’t stay any longer. After giving some instructions, he walked out of the bedroom.

“The Pavilion Master is going to leave now? Doesn’t that mean that our Yan family doesn’t know how to treat guests?”

Just as the pavilion master was about to leave the Yan family manor, a voice suddenly came from behind him.

Turning around, he saw Yan Sihai standing behind him.

Beside him, there were more than ten peak-stage martial grandmasters!

Even though they had restrained their auras, the internal Qi on their bodies was still difficult to conceal.

There was not a trace of panic on the Pavilion Master's face. On the contrary, she was extremely calm.

She raised her head and glanced at the hidden gunmen around her. She said indifferently, "Director Yan really thinks highly of me. Is it worth it to go to such great lengths just for Me?"

Yan Sihai blew out a smoke ring and said with a faint smile, "Of course. You are the famous Pavilion Master of the Divine Alchemist Pavilion."

The pavilion master said with a faint smile, "Do you want to kill me, President Yan?"

Yan Sihai laughed and said, "Don't worry, pavilion master. I just want to treat you to a meal."

"What if I don't go?" The Pavilion Master raised his eyebrows and asked.

Yan Sihai said with a cold smile, "I advise you to cooperate a little. Otherwise... I can't guarantee what I will do."

As soon as he said that, the Martial Grandmaster's internal Qi behind Yan Sihai instantly exploded!

The terrifying strength of the internal Qi caused a huge gust of wind to sweep across the entire Yan family!

"Shua Shua Shua!"

Not only that, the gunmen in the shadows also rushed out in a row!

Dozens of people surrounded the pavilion master, and the pitch-black muzzle of their guns pointed straight at the pavilion master!

Chapter 382: Chapter 382, Han Wei's phone call

Such a lineup could not help but make people shudder!

The cold smile on Yan Sihai's face became more and more intense. He put his hands behind his back and said indifferently, "I don't want to hurt you. I just want to use you to exchange for Qin Yu."

"I believe that pavilion master will make the right choice."

The Pavilion Master still had a faint smile on his face. There was not the slightest hint of fear.

"Do you think I'll agree?" The pavilion master asked indifferently.

Yan Sihai sneered, "If you don't agree, then you won't be able to leave the Yan family manor today!"

As soon as he finished speaking, all the Gunners loaded their guns!

Those martial grandmasters were even more prepared. As long as Yan Sihai gave the order, they would immediately take action!

The pavilion master sighed slightly, raised her jade-like hand, and lightly waved it.

In an instant, the gunmen surrounding the pavilion master all fell to the ground!

Even the martial grandmasters behind Yan Sihai started to become confused.

“What... What’s going on?” Yan Sihai’s expression changed.

The pavilion master smiled and said, “Don’t worry, I’m just letting them sleep.”

As they spoke, the martial grandmasters couldn’t take it anymore and fell to the ground.

Yan Sihai’s expression changed and he asked coldly, “What method did you use?”

The pavilion master said indifferently, “Medicine can not only save people, it can also kill people.”

“Medicine?” Yan Sihai reacted.

He hurriedly covered his nose, afraid that he would get hit.

“President Yan, don’t worry. If I wanted to attack you, you would have already fallen,” the pavilion master said indifferently.

Yan Sihai’s expression became even colder, and the internal Qi on his body also began to surge.

“President Yan, are you going to attack me?” The pavilion master raised his brows and asked.

Yan Sihai said coldly, “I’ve long heard that the Pavilion Master of the Medicine God Pavilion has extraordinary strength. Today, I, Yan, would like to experience it.”

The internal Qi on his body rose rapidly, and the strength of a peak martial grandmaster was fully displayed!

In the next second, Yan Sihai’s figure suddenly disappeared!

His incomparably fierce fist arrived in front of the pavilion master in the Blink of an eye!

“Pa!”

The pavilion master raised his jade-like hand and lightly caught Yan Sihai’s fist.

“HM?” Yan Sihai couldn’t help but frown.

The feeling of this punch was rather strange, as if it had hit a ball of cotton.

Such a gentle force made Yan Sihai unable to use his strength.

“You are not my match,” the pavilion master said indifferently.

“Of course, if you are determined to attack me, I don’t mind teaching you a lesson on behalf of old Mister Yan.” The Pavilion Master’s voice became somewhat cold.

The gentle force on her body also disappeared, and was replaced by an unspeakable fierce force!

The combination of hardness and softness made Yan Sihai instantly feel the difference.

He withdrew the internal Qi on his body and said coldly, “The Pavilion Master of the Divine Alchemist Pavilion is indeed worthy of his reputation. But I warn you, no one can go against the Yan family.”

“Oh? Is That So?” The pavilion master raised his eyebrows.

“What? Do you really think that the Yan family is the number one family in the world?”

Yan Si Hai coldly snorted and said, “In the entire world, there are only a handful of people who can oppose the Yan family. However, Your Divine Alchemist pavilion is not one of them.”

The corner of the pavilion master’s mouth also curled into a cold smile.

“President Yan, you can try to start a war with the Divine Alchemist Pavilion,” the pavilion master coldly said.

Yan Si Hai coldly snorted and said, “Perhaps there will really be such a day.”

“I’ll wait for You,” the pavilion master coldly said.

After throwing out these words, the pavilion master turned around and left.

Yan Sihai looked at the back of the pavilion master and could not help but clench his fists and gnash his teeth!

“This stinky woman... I'll kill you sooner or later,” Yan Sihai said coldly.

...

It was already late at night.

The Medicine God Pavilion was completely silent.

Occasionally, one could hear the croaking of frogs in early spring and the rustling of leaves.

Qin Yu lay on the bed, tossing and turning, unable to fall asleep.

All he could think about was Yan Ruoxue.

The Pavilion Master had been gone for an entire day, and there was still no news from him. This made Qin Yu very uneasy.

He walked down from the bed and could not help but walk to the entrance of the Divine Alchemist Pavilion.

Standing at the entrance and looking out, the street was completely silent.

Qin Yu did not sleep for an entire night.

It was not until the next morning that the pavilion master returned to the Divine Alchemist Pavilion.

Many elders were already waiting in the square, just like the first time they came to the Divine Alchemist Pavilion.

Upon seeing the Pavilion Master, Qin Yu hurriedly ran over.

“Lord Pavilion Master, how is Ruoxue?” Qin Yu said somewhat anxiously.

The pavilion master glanced at Qin Yu and said, “She has recovered from her mental illness.”

“That’s good, that’s good.” Qin Yu patted his chest and could not help but heave a sigh of relief.

“But I must tell you that Yan Ruoxue is not doing well now.” The pavilion master changed the topic.

Following that, the pavilion master told Qin Yu the truth about Yan Ruoxue’s current situation.

After hearing these words, Qin Yu’s heart ached.

A person falling from the clouds to the bottom of the valley, this kind of psychological drop was often the hardest to bear.

“Pavilion Master, don’t waste time. Didn’t you say that you would bring me to get the circulation method?” Qin Yu looked at the pavilion master and said.

The pavilion master yawned and said, “Let’s talk about it after I wake up.”

Qin Yu opened his mouth, wanting to say something, but in the end, he didn’t say anything.

Because he knew that the decision made by the pavilion master would never change.

“Oh right, she asked me to bring you something.” At this time, the pavilion master seemed to have thought of something.

She took out the bank card and handed it to Qin Yu.

“Bank card?” Qin Yu took the bank card and could not help but frown.

“Yes, the password is the last six digits,” said the pavilion master.

“Oh right, she also said that she would wait for you.”

After saying these few words, the pavilion master took light steps and turned around to leave.

Rubbing the bank card in his hand, Qin Yu felt an indescribable feeling in his heart.

After thinking about it, Qin Yu finally decided to give this bank card to old Mister Yan.

Coincidentally, Qin Yu also planned to discuss something with old Mister Yan.

Therefore, Qin Yu took the bank card, turned around and walked towards old Mister Yan’s room.

At this moment, Qin Yu’s phone suddenly rang.

Picking up the phone, he saw that the caller was actually Han Wei!

Even though Qin Yu didn’t save Han Wei’s phone number, Qin Yu still recognized this number at a glance.

As soon as the call was picked up, Han Wei on the other end of the line said gloomily, “Qin Yu, does it feel good to be a cowardly turtle?”

Qin Yu didn't want to argue with Han Wei, so he asked coldly, “What's the matter?”

“Hahaha!” Han Wei on the other end of the line laughed loudly.

“Speaking of which, I quite admire you. You hide behind a woman's back and flaunt your power every day. It really makes people envious,” Han Wei said with a strange tone.

Qin Yu sneered and said, “Yeah, I'm so popular with women. What do you think we should do? Take Yan Ruoxue for example. Even if she likes me, I'm also very distressed.”

Hearing this, Han Wei's face immediately turned cold.

Chapter 383: Chapter 383, imminent danger!

Even though they were separated by the phone, Qin Yu could still feel the cold aura emanating from Han Wei's body.

“What, you broke through the defense just like that?” Qin Yu sneered.

Han Wei suppressed his anger and said, “What's the benefit of provoking me? I don't believe that you can hide in the Divine Alchemist Pavilion Forever!”

“You should have heard about my wedding with Yan Ruoxue, right? Haha, if you are willing to hide in the Divine Alchemist Pavilion, I don't mind.”

“Oh right, let me tell you secretly. After i marry Yan Ruoxue, I will definitely torture her mercilessly! I will make her suffer so much that she will wish she was dead!”

His words were obviously deliberately provoking Qin Yu.

Qin Yu said coldly, “Han Wei, you won’t have the chance to marry Yan Ruoxue, because you are not worthy.”

“Cherish the last half a year you have left. When the time comes, I’ll let everyone know that you, Han Wei, are a good-for-nothing who relies on an aristocratic family!”

After saying that, Qin Yu directly hung up the phone and conveniently dragged Han Wei into the blacklist.

On the other end, Han Wei had not finished venting his anger, so he was naturally extremely angry in his heart.

On the other end, Qin Yu was also in a bad mood.

Qin Yu, who was already extremely anxious, didn’t want to delay even a minute under Han Wei’s provocation.

He turned around and went to old Mister Yan’s room.

At this moment, old Mister Yan was sitting cross-legged against the wall, as if he was facing the wall and reflecting.

“Old Mister Yan.” Qin Yu walked to the table and sat down.

Old Mister Yan slowly turned his head. He looked at Qin Yu and said, “You’re here.”

Qin Yu acknowledged. He took out a bank card from his pocket and handed it to old Mister Yan.

“Ruoxue gave this to me. After thinking about it, it’s better for you to keep it,”said Qin Yu.

Old Mister Yan waved his hand and said, “There’s no need. Since it’s for you, you should take it.”

“No.”Qin Yu handed the bank card to old Mister Yan.

He took a deep breath and said, “Old Mister Yan, you must take this money. Not only because of you, but also because of me.”

“Oh?”Old Mister Yan raised his eyebrows and waited for Qin Yu to continue.

Qin Yu slowly said, “I’ve heard about your business achievements. Since you can be called Emperor Yan, your abilities are naturally not something I can imagine.”

“During this period of time, I’ve thought that if you really want to take down the Yan family and the Han family, it’s absolutely impossible to rely on force alone.”

“Whether it’s business, connections, or force, you can’t lack any of them.”

Hearing Qin Yu’s words, Old Mister Yan couldn’t help but be a little surprised.

“This money will be used as your starting capital. I hope you can assist me,”Qin Yu said seriously.

Although his words were a little arrogant, it was the truth.

The current old Mister Yan could only assist Qin Yu. Everything had to be centered around Qin Yu.

Old Mister Yan took the bank card. He stroked his beard and smiled, “Haha, Good, good. I didn’t expect you to be so meticulous.”

“But have you ever considered a problem? If you are strong enough, perhaps you don’t need to do business?” Old Mister Yan asked.

“I know, but I don’t have that much time,” said Qin Yu.

With the urgency at hand, Qin Yu definitely couldn’t bet everything on himself.

Old Mister Yan thought for a moment, then nodded and said, “Okay! I Promise You!”

“Thank you.” Qin Yu cupped his hands, then turned around and left.

The next morning.

Qin Yu came to the courtyard early and waited for the pavilion master.

At the same time, Peaches and Yao Qing came back after buying breakfast.

After seeing Qin Yu, Yao Qing ran over.

“Mr. Qin, Why are you here? This is the steamed bun I just bought. Eat It while it’s hot.” Yao Qing stuffed the steamed bun to Qin Yu.

Qin Yu didn't stand on ceremony. He took the steamed bun and stuffed it into his mouth.

The three of them sat on the steps and chatted while eating.

“Mr. Qin, why did you suddenly come to the square today?” Yao Qing asked while wolfing down the steamed bun.

Qin Yu finished the steamed bun in his hand and said, “The pavilion master said that he would take me to a place where I can get the Heart Sutra of Meridian Circulation.”

“Heart Sutra of Meridian Circulation?” Upon hearing this, Tao Zi was a little surprised.

Qin Yu glanced at Tao Zi and said, “Do you know it?”

Tao Zi nodded and said, “I've heard of such a legend. It's said that this meridian circulation method was left behind by a mighty figure. With this set of heart method, the cultivation will be twice the result with half the effort.”

Qin Yu didn't say anything and motioned for Tao Zi to continue.

Tao Zi continued, “But the method to obtain this cultivation method is very difficult. I heard that a peak-stage martial grandmaster who was at a bottleneck once tried it. Unfortunately, he failed and his soul was scattered on the spot.”

“His soul scattered?” Hearing this, Yao Qing's eyes immediately widened.

“Yes, but I'm not sure whether it's true or not,” tao zi said.

While the two of them were chatting, the other pharmacists also surrounded them.

What Qin Yu didn't expect was that these people had all heard of the circulation heart technique! Moreover, the legends they spoke of were about the same.

“Elder Qin, you have to consider it carefully. It seems that no one has succeeded in so many years.”

“That's right. In any case, no one in the entire divine alchemist pavilion dares to try.”

“I heard that even Marquis Wu had died on it. If he died, there would be nothing left.”

Hearing the words of the crowd, Qin Yu's determination did not waver in the slightest.

Because he was very clear that at the current rate of progress, Qin Yu absolutely had no chance of defeating Han Wei, let alone snatching the marriage.

Once he failed to snatch the marriage, it was impossible to know what kind of Pain Yan Ruoxue would suffer.

“Thank you all for Your Worries, but I have already made up my mind. There's no need for you all to advise me.” Qin Yu cupped his hands and said.

At this moment, a wave of restlessness suddenly came from not far away.

“Greetings, Lord Pavilion Master.” After that, he saw many alchemists stand up one after another.

Qin Yu also hurriedly stood up and said, “Lord Pavilion Master.”

“Are You Ready?” The pavilion master’s narrow and long eyes casually glanced at Qin Yu.

Qin Yu said with a determined tone, “I’m ready.”

“Then let’s go.” The pavilion master turned around and said.

“Lord Pavilion Master, do you really want to take him to that place?” At this moment, fifth elder suddenly stopped the pavilion master.

The pavilion master glanced at him and said, “What do you think?”

Fifth elder frowned and said, “Lord Pavilion Master, isn’t this... a little too risky... with Qin Yu’s talent, he doesn’t need any operating mental cultivation method! As long as he has enough time, he will definitely become a giant!”

“What we lack now is time.” Qin Yu said with a bitter smile.

“Fifth Elder, thank you for your concern, but I have to go no matter what.” Qin Yu said.

Fifth elder gritted his teeth and said, “Lord Pavilion Master, Can I go with you?”

“I want to go too!”

“Lord Pavilion Master, let us go and watch together!”

For a moment, everyone in the Divine Alchemist Pavilion wanted to go and watch this moment.

Chapter 384: Chapter 384, no need for approval!

Seeing everyone’s eager attitude, the pavilion master seemed to be moved.

“Elder of law enforcement and protector, stay behind to guard the house.” A moment later, the pavilion master said faintly.

When everyone heard this, they were immediately overjoyed.

“Many thanks, Lord Pavilion Master!” A heaven-shaking sound rang out in the courtyard.

Following that, the pavilion master did not waste any more time and turned around to walk out of the Divine Medicine Pavilion.

Dozens of alchemists followed closely behind. Such a scene had never happened before.

Qiao Wu, who was hiding in the dark, was also shocked by this scene.

“Where are they going?” Qiao Wu frowned and asked.

“Then who knows.”

Qiao Wu thought for a while and said in a deep voice, “Follow them and take a look.”

The three of them quickly left the hotel and secretly followed behind the crowd.

The cultivation technique that the pavilion master mentioned was obtained in Qinghe town.

Qinghe town had a lot of mountain rocks, and strange peaks and steep ridges could be seen everywhere.

Many places were not even opened to traffic. As they walked, it was as if they had arrived at several decades ago.

Very soon, the group arrived at the foot of a huge mountain.

What was surprising was that there was a huge stone staircase standing in front of this huge mountain!

The entire stone staircase was uncannily crafted, piercing straight into the clouds!

On top of the stone staircase, there was actually a huge hand!

Such a scene was extremely shocking!

When one approached the stone staircase, one could feel a strong and imposing aura, making one unable to resist the urge to prostrate in worship.

Those who were weak immediately bowed and kowtowed. Even Qin Yu felt a trace of discomfort.

It was as if his entire body and spiritual sense were about to be sucked into the stone stairs.

The pavilion master pointed at the big hand above and said, “The cultivation technique is up there. As long as you can climb up, you will be able to obtain the cultivation technique.”

“It’s that simple?” Qin Yu was a little surprised.

The pavilion master glanced at Qin Yu and said indifferently, “Carelessness can easily lead to death.”

Qin Yu stuck out his tongue and said with an embarrassed smile, “I was reckless.”

In the dark.

Qiao Wu and the others also saw this scene.

“Hahaha, that Qin Yu actually wants to climb the stairway to heaven! This kid is probably crazy!” Qiao Wu couldn’t help but laugh out loud.

The people around him also sneered and said, “Since ancient times, the number of people who can climb the stairway to heaven can be counted with one’s fingers, but the number of people who die on it is countless.”

“Yeah.” Qiao Wu couldn’t help but sigh.

“Back then, ye Qing didn’t even dare to climb the stairway to heaven. Jiang he, who is as famous as ye Qing, tried to climb it, but he almost died there.”

“Although he survived by luck, he hasn’t appeared in more than ten years. Could it be that this Qin Yu thinks he is better than ye Qing and Jiang he?”

The person beside Qiao Wu sneered, “This has nothing to do with strength. It is said that only the heaven’s chosen can climb the stairway to Heaven.”

“That’s right.”The other person also nodded.

“The Heaven’s chosen can climb up very easily, but if it’s not the person chosen by the stairway, it will be incomparably painful.”

Qiao Wu nodded slightly. He put his hands behind his back and said indifferently, “Looks like we can go back early to report our duty.”

...

Under the stairway.

Qin Yu didn’t step up the stairway for a long time.

“Don’t have too much psychological pressure,”the pavilion master said from the side.

“If you are accepted by the stairway to Heaven, you will not be subjected to any restrictions or pressure.”

“But if you are not, the second level will be subjected to a tremendous force.”

Qin Yu nodded slightly and said, “In other words, the second level will determine whether I have the qualifications to climb up.”

“That’s right.”The pavilion master nodded slightly.

“I understand.”Qin Yu took a deep breath.

He did not waste any more time. He immediately adjusted his state of mind and stepped onto the stairway to heaven.

The moment he stepped onto the stairway to Heaven, Qin Yu's heart seemed to have been jolted by something!

It was as if someone was holding a hammer and ruthlessly striking Qin Yu's heart!

This made Qin Yu secretly feel that the doctor was in trouble.

Could it be that... he was not recognized by the stairway to Heaven?

Then, Qin Yu lifted his foot and stepped towards the second level!

Everyone watched this scene nervously. Even the pavilion master narrowed his eyes slightly.

Because everyone knew whether Qin Yu was the chosen one or not! Whether he was recognized by the stairway to heaven!

Finally, Qin Yu's foot landed on the second level.

“Ah! ! !”The moment he stepped on it, Qin Yu's entire body seemed to be torn apart by a large hand!

The moment he touched it, blood oozed out from all the pores on his body!

His head felt as though it had been struck by lightning. The world in front of him turned dark, and the world was spinning!

“How could this be...”Yao Qing could not help but mutter softly.

“Could it be... Qin Yu is not the chosen one?” Fifth Elder’s expression was also somewhat ugly.

The pavilion master shook his head slightly and said, “Looks like he has not obtained the approval of the heaven ladder. We can leave now.”

In the dark.

Qiao Wu and the others could not help but laugh out loud.

“This kid is indeed not the chosen one. hahaha!” Qiao Wu laughed maniacally.

“I’m afraid that this second stairway to Heaven will cause him a huge injury.”

“We can leave now. There’s no need to continue watching.”

Just as everyone was disappointed, Qin Yu stood up from the stairway to Heaven with great difficulty!

He was covered in blood and his body was trembling non-stop.

However, Qin Yu had no intention of giving up!

Under this pain, Qin Yu raised his foot with great difficulty and stepped on the third level of the stairway!

“Huh?” Qiao Wu, who was hiding in the dark, couldn’t help but raise his eyebrows.

“This kid wants to climb the stairway forcefully?”

“Haha, interesting. According to what I know, Jiang he was the same back then, but he couldn’t hold on after he climbed to the thirteenth level.”

“I guess he could only climb to the fifth level at most.”

The few of them discussed animatedly, their eyes filled with a hint of playfulness.

Under the stairway to Heaven, the pavilion master frowned slightly, a hint of uneasiness flashed in his eyes.

“Qin Yu, forcefully climbing the stairway to Heaven has no result. Even if you are lucky enough to climb a few levels, you will eventually fall down,”the pavilion master said coldly.

Qin Yu didn’t say anything. He gritted his teeth. No matter how much pain and suffering he suffered, he still had no intention of retreating!

“So what if I don’t approve...”Qin Yu gritted his teeth and raised his foot again!

“I don’t need the approval of the stairway to heaven. I only need my own approval!”Qin Yu roared furiously and the energy in his entire body suddenly erupted!

He relied on the strength of his own body to resist the power of the stairway to heaven!

Finally, Qin Yu stepped onto the fourth level!

The pain on the fourth level was dozens of times more than on the third level!

Qin Yu felt as if his spiritual sense was about to be stripped off! The sound of bones cracking could be heard as if they were about to break!

“Qin Yu! Come down quickly!”The fifth elder shouted anxiously.

However, Qin Yu didn’t care. He grabbed onto the fifth level tightly and climbed up with difficulty!

Crack

The moment he stepped onto the fifth level, all ten of Qin Yu’s fingers were broken! The world in front of his eyes was spinning, and he couldn’t even stand steadily!

“Ah! !”Qin Yu roared repeatedly. He used all his strength and lifted his foot to step onto the sixth level!

The moment he stepped onto the sixth level, Qin Yu’s calf also exploded with a bang!

“Qin Yu! Come down quickly!”The people who were watching from below roared one after another.

Even the pavilion master couldn’t bear to see this heartbreaking scene.

Chapter 385: Chapter 385, forcefully climbing the stairway to heaven!

“Elder Qin, don’t force yourself. Come down!”Everyone was shouting!

However, Qin Yu was extremely stubborn. He raised his head and looked at the big hand above him. Gritting his teeth, he said, “I will definitely climb up, definitely!”

At this moment, Qin Yu’s calf had already been broken, and the finger on his left hand had been shattered!

Under such circumstances, climbing up was equivalent to climbing up to the sky!

“Even your leg is broken, how are you going to climb up?” Qiao Wu sneered.

On the stairway to Heaven, Qin Yu lifted his leg with great difficulty and climbed up to the seventh level.

When he stepped onto the seventh level, Qin Yu’s left leg was completely broken.

On the eighth level, his right leg was shattered!

Just when everyone thought that Qin Yu was going to give up, he used his own hands to grab the stairs and climbed up!

“Why do you have to fight so hard...” fifth elder murmured.

Peach even shed a few tears. She covered her face and couldn’t bear to watch any longer.

Level 9, Level 10, level 11...

Qin Yu came to level 11 with his legs shattered!

Lying on the 11th level, Qin Yu was on the verge of exhaustion, and his body was almost rotten.

Whether it was his skin or his internal organs, they all suffered a great impact.

Qin Yu lay on the eleventh level, and the world in front of him kept spinning, as if it wanted to throw Qin Yu off.

“You can’t do it. Go Down.” An unfamiliar voice seemed to burst out in Qin Yu’s mind!

This voice was extremely bewitching, and it directly affected one’s spiritual sense, making one involuntarily want to listen to it!

Even Qin Yu was bewitched for a moment.

His body swayed, and he had an impulse to jump down.

“Qin Yu, you can’t give up. I believe you can.” At this moment, another voice popped out in his mind, pulling Qin Yu back in time!

Qin Yu’s dazed eyes suddenly burst out with a resolute light!

He roared angrily, “F * ck you! It’s not up to you to decide whether it’s good or Not!”

In an instant, Qin Yu seemed to have gone mad. Using his bloody fingers, he grabbed the stairs and climbed up to the twelfth level with great difficulty!

Finally, Qin Yu successfully stepped onto the twelfth level!

And at this moment, Qin Yu's appearance could no longer be seen.

At a glance, he was like a pile of rotten meat, squirming on the stairway to heaven!

“He actually climbed to the twelfth level.” The pavilion master looked at this scene and could not help but flash a hint of surprise on her face.

Because she knew that if she wasn't recognized, every level she climbed would be extremely painful!

Even Jiang he, who was known as a monster, only climbed to the 13th level!

“Humph, I don't believe that he can climb to the 13th level.” In the dark, Qiao Wu couldn't help but curse.

Although he said so, he had no confidence in his heart.

Because this Qin Yu was like a madman!

Even if his body was shattered, he still did not have the slightest intention of giving up!

With such perseverance, if he did not die, he would definitely become a great enemy in the future!

On the stage, Qin Yu raised his head and looked at the thirteenth level of the stairway that kept spinning in front of him.

“There's still eight levels left... I must endure it...” Qin Yu gritted his teeth and climbed to the thirteenth level!

The thirteenth level was the highest record so far!

Everyone looked at Qin Yu nervously, afraid that they would miss out on a single detail.

Finally, Qin Yu grabbed hold of the stairway to the thirteenth level and climbed up.

However, just as Qin Yu was about to step onto the thirteenth level, his mind felt as if it had been struck by tens of thousands of heavenly lightning bolts. His entire spiritual sense felt as if it was about to be torn apart!

“Pa da!”

Under this intense pain, Qin Yu’s body swayed and he fell straight down!

“Qin Yu!” Below, everyone shouted in unison!

“Hahaha! He still fell down.” Qiao wu shouted even more excitedly!

But in the next second, something shocking happened!

Qin Yu grabbed the heaven ladder with one hand! His body swayed in mid-air, but he didn’t fall down!

His fingers were already broken, and he was practically grabbing the heaven ladder with his ghastly white bones!

The pain was unimaginable!

Even the Pavilion Master of the Divine Alchemist Pavilion turned pale!

“Ah! ! !”

In the air, Qin Yu roared again and again!

He grabbed the stairway to heaven tightly, and with one hand, he successfully returned to the top of the stairway to heaven!

“Qin Yu...”

Countless people wept bitterly at this moment!

Perhaps it was because they were moved, or perhaps it was because they were excited, everyone’s eyes were filled with tears.

“I will never give up!” Qin Yu roared angrily! The divine sense in his mind burst out with an intense golden light!

At this moment, the Golden Light in Qin Yu’s mind that was as small as a grain of rice actually expanded to the size of a peanut!

“Oh?” A strange light flashed in the Pavilion Master’s eyes.

Qin Yu... He actually improved his divine sense under such difficult circumstances?

“It’s really... hard to imagine,” the pavilion master praised sincerely.

On the stairway to Heaven, a bloody man was climbing with great difficulty.

Level 14, level 15!

There were only three levels left from that big hand!

“How is this possible? !” In the dark, Qiao Wu’s expression was extremely ugly!

How could anyone in this world forcefully climb to level 15? !

“Rumble...”

When they reached the 15th level, the sky suddenly darkened.

Bolts of lightning that were like swimming dragons were brewing in the black clouds.

“The heavenly lightning is about to arrive, and nothing will be born,” the pavilion master muttered when he saw this.

This heavenly lightning was different from ordinary heavenly lightning. It would shatter a person’s body and bones!

Anyone who touched it would be destroyed in both body and soul!

“I don’t believe that you can survive the remaining three levels!” Qiao Wu seemed to have gone mad as he roared crazily!

“Rumble!”

The heavenly lightning streaked across the clouds, illuminating the Dark Sky!

“Come, I’m not afraid of You!” Qin Yu raised his head to look at the sky and roared crazily!

The heavenly lightning seemed to have heard Qin Yu’s words as it carried rolling anger as it ruthlessly struck down!

“Ka-cha!”

This bolt of lightning struck Qin Yu’s body!

At the moment of contact, Qin Yu’s body was directly turned into charcoal!

Even the purple-gold gauze robe on Qin Yu’s body was directly turned into nothingness!

“Ah! ! !”Qin Yu roared crazily. He carried this bolt of lightning and charged towards the sixteenth level!

Such actions seemed to have angered the heavens!

Bolts of heavenly lightning descended from the Sky One after another, and in an instant, the surroundings turned into a sea of lightning!

These bolts of lightning formed a wall of lightning in front of Qin Yu, blocking his path!

“F * ck you, don’t even think about stopping me!”Qin Yu roared angrily and raised his fist to smash forward!

“Crack!”

The fist sank into the sea of lightning and turned into black charred. In that instant, he even lost consciousness!

Countless bolts of lightning covered Qin Yu’s body.

They passed through Qin Yu’s pores and entered Qin Yu’s body with sizzling sounds!

At this moment, Qin Yu's brain was submerged by the Sea of lightning!

His spiritual sense was completely enveloped by the sea of lightning!

Qin Yu's vision turned black, and the blood on his body was almost completely burned dry.

"I... Will never give up..."Qin Yu said with difficulty.

He relied on his strong and firm conviction to climb to the seventeenth level!

Chapter 386: Chapter 386, Purple Spirit Fire!

Qin Yu's actions caused waves of admiration from the crowd.

Even the Pavilion Master of the Divine Alchemist Pavilion was somewhat moved.

"This kid is simply crazy."Qiao Wu couldn't help but grit his teeth.

He pushed open the door and turned to leave.

"Where are you going?"The person beside him asked.

Qiao Wu said coldly, "We absolutely can't let him succeed. Think of a way to stop him!"

"Stop Him? Can't you see that there are so many people down there?"The martial grandmaster beside him snorted coldly.

"The Pavilion Master of the Divine Alchemist Pavilion is still standing there. Do you think he is just a decoration?"

Qiao Wu gnashed his teeth and said, “We can’t care about that anymore. Let’s act according to the circumstances.”

After saying that, Qiao Wu turned his head and walked out of the hotel. He carefully walked towards the direction of the stairway to heaven.

At this moment, Qin Yu had already climbed up to the seventeenth level with great difficulty.

The moment he touched the seventeenth level, his entire body was suddenly enveloped in flames!

This flame came from the inside out, and even his internal organs were affected!

Even the blood that flowed out of his body had turned into a sea of flames at this moment!

“Qin Yu!” Below, everyone immediately shouted out in alarm!

Qin Yu’s entire body was enveloped in flames. These flames were about to devour his physical body and divine sense!

“His body and soul are destroyed...” The Pavilion Master of the Medicine God Pavilion muttered in a low voice. A look of unease flashed across his face.

No one had forcefully charged up the stairway to heaven, so no one knew what would happen!

If the result of forcefully charging up the stairway to Heaven was the destruction of his body and soul, then everything would be over!

“Ah! !”

Under the cover of the Flames, Qin Yu still did not give up!

His body was almost shriveled up, and his blood seemed to have been burnt dry!

“I must obtain the mental cultivation method! !”Following Qin Yu’s furious roar, his body flashed with golden light!

Strands of spiritual sense power flew out from between his brows!

This spiritual sense power actually transformed into Qin Yu’s body and charged towards the eighteenth level!

“This... this is spiritual sense?”At this moment, the Pavilion Master of the Divine Alchemist Pavilion was also dumbstruck!

That Ball of flame seemed to have regained its senses and rushed towards Qin Yu’s spiritual sense!

But right at this moment, Qin Yu’s body actually stretched out his hand!

On his almost crippled hand, there were traces of blue spiritual fire.

Under Qin Yu’s powerful control, this spiritual fire transformed into a large hand!

The huge hand extended forward and grabbed the ball of heavenly fire!

The collision between the spiritual fire and the heavenly fire began at this moment!

“Ah! !”Qin Yu’s eyes were about to split open as he roared furiously!

And at this moment, Qin Yu's spiritual sense actually entered the spiritual fire!

Following that, the ball of blue spiritual fire transformed into Qin Yu's appearance!

“What kind of technique is this? !” Everyone was shocked by this scene!

Even the experienced and knowledgeable pavilion master of the Divine Alchemist Pavilion had a flash of confusion in his eyes.

The combination of spiritual fire and spiritual sense? It was unheard of!

How did this kid do it! !

Qin Yu, who had the body of spiritual fire, had a violent collision with this heavenly fire!

This spiritual fire seemed to contain Qin Yu's invincible will!

He clenched his fist and rose up, his blue fist fiercely smashing toward that ball of heavenly fire!

“Hu!”

The heavenly fire was formless and boundless!

Qin Yu's fist could not touch the heavenly fire at all!

The heavenly fire dissipated and came again, endlessly!

If this continued, Qin Yu would not be able to hold on at all!

“Whoever dares to stop me, I will kill him!”Qin Yu roared crazily! The spiritual fire actually soared at this moment!

At a glance, it was like a blue giant standing on the stairway to heaven!

“Don’t even think about stopping me!”Qin Yu’s voice seemed to have sunk into madness, causing people to feel a chill down their spines!

And in the next second, Qin Yu’s actions shocked everyone even more!

They saw Qin Yu, who was transformed from a ball of spiritual fire, open his mouth and forcefully swallow this ball of heavenly fire into his stomach!

“Is... is he crazy!”Fifth Elder exclaimed in shock.

“Elder Qin... actually swallowed the Heavenly Fire?”

“Pavilion Master, who... who is he responding to?”

No one knew the consequences of this action, not even the Pavilion Master of the Divine Alchemist Pavilion.

“Hu...”

The blue flames wrapped around the red heavenly fire.

The heavenly fire rampaged through the spiritual fire, dyeing the entire spiritual fire red from a small flame!

“It’s bad!”When everyone saw this, they couldn’t help but suck in a breath of cold air!

Did Qin Yu... fail?

Finally, the spiritual fire had a backlash at this moment!

The two balls of flames were continuously entangling and fusing!

This process was very long, like a long confrontation!

Everyone was on tenterhooks, clenching their fists tightly.

Such a scene was unprecedented!

“Oh?”

Just as everyone was panicking, a flash of light flashed in the Pavilion Master's eyes.

“Don't tell me... It's the same as what I thought?” At this moment, the pavilion master was no longer domineering. Instead, he covered his mouth like a young girl.

“Pavilion Master, What's Wrong?” Fifth Elder hurriedly asked.

The pavilion master pointed at the Flames on the heaven ladder and said, “Look, these two flames seem to be merging.”

At a glance, it was just as the pavilion master said.

“Blue and red merging... Purple Spirit Fire?” The fifth elder was the first to react.

“That's right.” The pavilion master nodded slightly.

As soon as he finished speaking, a faint purple color slowly condensed in the center of the two flames!

The instant the purple color appeared, it spread out at an extremely fast speed!

In just a few minutes, the Heaven Fire and the spirit fire disappeared and were replaced by a purple flame!

That Flame was still Qin Yu's appearance. Looking from below, it was extremely domineering!

“Hu...”

The mighty wind blew, and the flame rushed towards Qin Yu's body.

Finally, the scene quieted down.

Qin Yu collapsed on the stairway to heaven, not moving at all.

Everyone watched this scene nervously. Their eyes were fixed on Qin Yu, and they were extremely worried.

Half a minute later.

Qin Yu, who was lying on the stairway, slowly stood up.

He opened his palm, and a ball of purple spiritual fire danced in it.

“Yeah! We did it!”

Waves of cheers immediately came from below!

Even the Pavilion Master of the Divine Alchemist Pavilion was extremely moved at this moment.

“This kid... is really beyond imagination,”the pavilion master muttered softly.

No one would have thought that Qin Yu would have such a bold idea at this moment of death!

On the stairway to Heaven, Qin Yu remained silent.

The next step was that big hand. As long as he stepped on it, he would be able to obtain the mental cultivation method.

Furthermore, Qin Yu would become the first person in history to forcefully step on the stairway to heaven!

Qin Yu’s expression became extremely calm. He took a step forward and walked towards that big hand.

“Don’t even think about stepping on the stairway to Heaven!”

At this moment, a loud shout came from the darkness!

Following that, a huge hand that covered the sky was fiercely slapped towards Qin Yu!

“Qin Yu!”Below, the fifth elder immediately shouted anxiously!

Chapter 387: Chapter 387, the world was shocked!

That huge palm had already covered the sky and covered the earth!

If they wanted to stop it now, it was too late!

Everyone could only watch helplessly as that huge hand slapped towards Qin Yu, but they were helpless!

“Haha, don’t even think about stepping on the stairway to Heaven!” Qiao Wu roared crazily!

Qin Yu, who was about to step on the stairway to heaven, looked coldly at that huge hand.

His face was ice-cold, like a god of death from hell!

“Boom!”

Just as the huge hand was about to hit Qin Yu, Qin Yu raised his fist and met it with a loud bang!

The huge collision unfolded at this moment!

Qin Yu’s fist was incomparably fierce, as if it could crush a dead branch!

The moment it touched the palm, it actually directly pierced through the huge hand!

Meanwhile, Qin Yu stood firmly on the eighteenth level, his eyes staring coldly in a certain direction.

“How... how is this possible!” Qiao Wu’s face instantly turned pale!

Wasn’t Qin Yu already on the verge of death? How could he still have such battle prowess?

Although this palm strike wasn't his full strength, it wasn't a problem for him to kill a zongshi, or even a beginner martial grandmaster!

"You're courting death." The pavilion master's expression gradually turned cold.

Her gaze turned towards Qiao Wu's direction. The icy coldness caused Qiao Wu to feel terrified!

"Not good!" Qiao Wu felt that things weren't good and immediately ran away!

"You want to leave?" Just as the pavilion master was about to attack, Qin Yu, who was in the sky, said, "Pavilion Master, let him go."

"HM?" The pavilion master frowned slightly and was slightly shocked.

Qin Yu said coldly, "I will kill him myself."

Hearing this, the Pavilion Master couldn't help but be stunned.

However, she still promised Qin Yu and didn't chase after him.

Qin Yu didn't say anything more. He took a step forward and stepped on the huge palm.

At this moment, everything disappeared, and everything returned to tranquility.

Qin Yu dragged his broken body and stood alone on the huge hand.

His eyes scanned the surroundings, but the big hand was empty.

The legendary heart technique was nowhere to be seen.

“Could it be... fake?” Qin Yu’s expression was a little ugly.

He had risked half his life to climb onto the big hand. If it was fake, how could he bear it!

Qin Yu stood alone as if he was stunned.

“Qin Yu, how is it? Did you get the cultivation technique?” Below, the fifth elder was still shouting at the top of his lungs.

However, there was no sound from above.

“What’s going on?” This made everyone feel slightly uneasy.

The pavilion master waved his hand, causing the scene to quieten down for the time being.

The surroundings were completely silent, not a single sound could be heard.

Ten minutes later, Qin Yu slowly walked down from this huge hand.

Everyone stared at him as if he was a peerless hero.

“Phew.”

After walking down the stairway, Qin Yu let out a long breath.

“How is it? Did you get the technique?” Fifth Elder asked anxiously.

Qin Yu was silent for a moment, then suddenly grinned and said, “I got it.”

“Where is it?” Fifth Elder quickly asked.

Qin Yu couldn't help but sigh, “It's in the process of climbing up the stairway.”

“What do you mean?” The fifth elder asked in confusion.

Qin Yu pointed at the stairway to heaven and said, “The cultivation technique is hidden in the imperceptible influence of climbing the stairway to Heaven.”

When he saw that there was nothing, Qin Yu was also confused.

But when he recalled the difficulties and difficulties of climbing the stairway to Heaven, Qin Yu understood.

That set of mental cultivation technique was the process of climbing the stairway to Heaven and earth, not a specific set of mental cultivation technique.

Qin Yu tried to use his heart to circulate the Qi/spiritual energy in his body. As expected, this time, the Qi/spiritual energy was like a stream, flowing through his entire body.

Every time he circulated it, he would absorb 10% of the Qi/spiritual energy.

Compared to before, it was several times faster.

“Let's go back.” Qin Yu looked at the crowd and grinned.

The crowd was clearly confused about the situation. In a daze, Qin Yu was the first to leave.

After returning to the Divine Alchemist Pavilion, Qin Yu went straight to his elder's residence and sat down cross-legged.

“Qin Yu, you are seriously injured. You should rest for a few days,” said the pavilion master.

Qin Yu shook his head and said with a smile, “Time is as precious as oil. This little injury is nothing.”

“Elder Qin, you are really the most hardworking person I have ever met!”

“That's right. If I had your talent, I would never gamble with my life!”

Hearing these words, Qin Yu couldn't help but mutter, “If I could, who would be willing to risk their lives...”

...

The news of Qin Yu forcefully breaking through the stairway to heaven spread like wildfire.

In less than a day, it had spread throughout the entire martial arts forum!

This news was like an earthquake in the martial arts world! Because since ancient times, no one had ever successfully broken through the stairway to heaven!

Not even the genius Jiang he!

“Qin Yu actually broke through the stairway to heaven, the number one person in history!”

“This kind of capital is enough to look down on the world, right?”

“Oh my god, there’s actually someone in the world who can break through the stairway to heaven! It’s heaven-defying!”

“Qin Yu is definitely the number one person in our generation!”

The news continued to ferment, almost reaching the ears of every martial artist!

In an instant, Qin Yu’s name resounded throughout the martial arts world! Almost everyone knew about him!

There were also those who were not convinced and thought that the stairway to heaven was not as difficult as the legends said, so they followed Qin Yu and forced their way through the stairway to heaven.

But in the end, there was only one result, and that was the destruction of both body and soul!

For a whole three days, this piece of news dominated the martial arts forum’s top ranking.

There were more than 100,000 comments! It was enough to witness the shock of forcefully breaking through the stairway to heaven!

Jingdu, Han family.

Han Wei looked at the message on his phone with an extremely ugly expression!

“How is this possible, how is this possible!” Han Wei roared crazily!

Such talent was obviously above him!

Not only Han Wei, Han Meng and Yan Sihai also heard about this news.

This was the first time they felt a sense of danger!

A person who was able to forcefully charge up the stairway to Heaven would have limitless future achievements! It might even threaten the aristocratic families!

“We must get rid of this Qin Yu as soon as possible.” Yan Sihai’s expression was ice cold.

Han Meng narrowed his eyes and said, “This child can threaten us in three years at most!”

“If he doesn’t die, we won’t be able to rest and eat in peace!”

Even though that was the case, Qin Yu was in the Divine Alchemist Pavilion, so there was no way to kill him.

“We can only wait.” Yan Sihai let out a long sigh.

All they could do was wait for Yan Ruoxue and Han Wei’s wedding.

“He won’t be able to turn the tables in half a year’s time,” Yan Sihai said with a cold snort.

At this moment, Han Wei’s entire being appeared somewhat gloomy.

This was the biggest blow he had received!

At night, Han Wei suddenly pushed open Han Meng’s door.

He stood in front of Han Meng and said, “Dad, I want to go to the Jingdu martial arts association to train in seclusion.”

Han Meng frowned slightly and said, “Go to the Jingdu Martial Arts Association?”

“Yes, Dad, please help me find the President!” Han Wei fell to his knees with a plop.

Han Meng sat up from the bed.

He thought for a moment, then nodded and said, “Okay, I promise you.”

The Jingdu Martial Arts Association was not just an official organization.. It was said that they controlled more resources than any aristocratic family in the world.

Chapter 388: Chapter 387, talented people emerge from every generation

The Han family had a relationship with the martial arts association, so it wasn't particularly difficult to squeeze Han Wei in.

But this action was enough to show one thing.

That was, the Qin Yu that they had always looked down on was now beginning to make them worry and even fear.

...

In a deep mountain.

There was no one here, but there was a bungalow standing out of nowhere.

“Master, Here’s the tea you asked for.” A 14-15-year-old youth held a teacup and walked to an old man with white hair.

The old man took the tea and said, “How long... have we been here?”

“Master, it’s been 14 years,” the youth said.

“Fourteen years... it really is like a white horse passing by,” the old man sighed.

The young man was silent for a long time, as if he had something to say.

“Say what you want to say.” The old man saw through the young man’s thoughts.

The young man hesitated for a while and said, “Master, recently, someone... has successfully stepped on the stairway to Heaven.”

“Successfully stepped on the stairway to Heaven?” The old man raised his eyebrows and said with a faint smile, “The chosen one?”

“No... he was the same as you. He forced his way onto the stairway to heaven, but... he succeeded.” The young man’s voice became softer and softer as if he was afraid of hurting the old man.

“Pa da”

Upon hearing this, the Teacup in the old man’s hand fell to the ground.

This old man was none other than the famous Jiang he, a genius.

He was also not a real old man. He was only forty-eight years old.

His white hair was all because he had forced his way up the stairway to heaven.

“There are talented people in every generation...”Jiang he said in a low voice after a while.

...

Qin Yu did not leave the Elder’s residence for three whole days.

Almost every day, people would come to visit Qin Yu. In their eyes, the current Qin Yu was a real miracle.

In the blink of an eye, another month passed.

At this time, it was already early summer and May. There were only four months left until September 9th.

On this day, Qin Yu, who was in closed-door cultivation, suddenly opened his eyes!

His internal Qi was violently surging, as if it was going to expand at any moment!

“The peak of the monastic stage,”Qin Yu murmured softly.

Stepping into the light-opening stage from the monastic stage was the most difficult step.

And now, Qin Yu could clearly feel that he had already reached the bottleneck stage.

Just by relying on closed-door cultivation, he probably wouldn't be able to advance any further.

“The peak of the monastic stage should correspond to the peak of the Zongshi realm,” Qin Yu thought in his heart.

But to Qin Yu, the peak of the Zongshi realm was enough to deal with most of the martial grandmasters! Even the peak of the Great Grandmaster realm!

“There are still four months left. I don't know if I have the chance to step into the Great Grandmaster realm,” Qin Yu muttered softly.

As a primal chaos body, Qin Yu was not afraid of anyone in the same realm!

Even if he was a son of an aristocratic family, even if he was a genius of the era!

“Mr. Qin, you have come out of seclusion.” After seeing Qin Yu, Yao Qing ran up eagerly.

Qin Yu nodded and said, “It's time for me to leave the Divine Alchemist Pavilion.”

“Leave the Divine Alchemist Pavilion?” Yao Qing couldn't help but be stunned.

He hurriedly said, “If you leave the Divine Alchemist Pavilion Now, isn't it too dangerous? Many people want to kill you...”

Qin Yu sighed and said, “The Divine Alchemist Pavilion has protected me too well. If this continues, I'm afraid that I will become a cripple.”

Cultivation was not something that could be accomplished just by going into seclusion. To be born in the secular world, one had to integrate into the secular world.

Moreover, Qin Yu still had important things to do.

Seeing that he could not persuade Qin Yu, Yao Qing asked, “Mr. Qin, when do you plan to leave?”

Qin Yu thought for a moment and said, “In three days.”

“Then I’ll go with you,” Yao Qing said hurriedly.

Qin Yu sized up Yao Qing and realized that Yao Qing had already stepped into the grandmaster realm.

Although he was at the early stage of the grandmaster realm, his cultivation method was the same as Qin Yu’s. Both of them were Qi/spiritual energy.

Therefore, he might be stronger than an ordinary grandmaster.

“Okay.” Qin Yu nodded and agreed.

Qin Yu had a plan in his heart. Yao Qing might be able to help.

In the blink of an eye, Qin Yu had already stayed in the Divine Alchemist pavilion for three months.

In these three months, everything seemed to have changed.

Qin Yu had gone from the early-stage of the monastic stage to the peak state in the blink of an eye!

This speed was beyond imagination!

His physical body had reached an indestructible state! Even if he did not use the sagely body technique, Qin Yu's physical body was enough to withstand a bullet!

In the evening, Qin Yu arrived at the Pavilion Head's building.

Sitting there, the pavilion head personally brewed a cup of tea for Qin Yu.

“Peak Zongshi realm, not bad,”the pavilion head said lightly.

Qin Yu sighed, “Yeah, now that we've met a peak great grandmaster, even if we can't kill him, we have the ability to protect ourselves.”

Regarding this, the pavilion head didn't say much.

She suddenly changed the topic, “Let me tell you some bad news. Han Wei has become Xia Hang's disciple.”

“Xia Hang?”Qin Yu frowned slightly.

This name seemed a little unfamiliar.

The pavilion master nodded slightly, “Yes, the vice president of the Jingdu Martial Arts Association.”

Hearing this, Qin Yu recalled the “Mr. Xia”that Yan Ruoxue had talked to at the banquet. It should be Xia hang.

“No worries.”Qin Yu smiled.

“No matter who he takes as his master, I will kill him with my own hands.”

Qin Yu’s tone was full of confidence and calmness, as if he didn’t care about Han Wei at all.

The pavilion master nodded and didn’t say anything else.

She had a lot of trust in Qin Yu to begin with, and Qin Yu’s performance made her even more determined.

“Are you leaving in three days?”The pavilion master asked.

Qin Yu nodded and said, “Yes, I plan to prepare a little more in the next few days, just in case.”

“Okay.”The pavilion master stood up.

She turned around and returned to her room. A moment later, she walked out with a pill furnace in her hand.

This pill furnace was the pill furnace that the pavilion master had personally used back then! The divine dragon carved on it was even more lifelike!

“I’ll give this pill furnace to you,”the pavilion master said faintly.

This time, Qin Yu did not stand on ceremony.

He accepted the pill furnace, cupped his hands and said, “I will never forget the great kindness of the Pavilion Master.”

The gratitude the Divine Alchemist Pavilion had for Qin Yu could no longer be described with words.

Even the current Qin Yu did not know how to repay it.

In the next few days, Qin Yu bid farewell to the many alchemists of the Divine Alchemist Pavilion One by one.

Other than that, he spent all his time in his room. No one knew what he was doing.

On the last night before he left.

Qin Yu, Old Mister Yan, Fifth Elder, and the others gathered together.

The pavilion master did not appear. The pavilion master, who had always been a loner, did not like to participate in such dinners.

“I’m leaving this time. I don’t know when we will be able to meet again.” At the dining table, Qin Yu could not help but sigh slightly.

The fifth elder also nodded and said, “That’s right. I hope you can succeed.”

“We’ll definitely succeed.” Qin Yu’s tone was incomparably firm.

“Even if we can’t shake the two great aristocratic families, we can at least take Ruoxue away.”

The atmosphere that night was rather sad, and everyone was drunk to the point of intoxication.

The next morning, Qin Yu made some simple preparations and prepared to leave the Divine Alchemist Pavilion.

All the apothecaries stood at the door and watched Qin Yu.

Other than the pavilion master, this was the first time someone in the Divine Alchemist Pavilion had received such treatment.

In just three months, Qin Yu had become their idol.

“Qin Yu!”

At this moment, peach suddenly ran over while panting.

“Can... Can I go with you?”Peach asked softly.

“Go with me?”Qin Yu shook his head with a bitter smile.

“I’m not going out to play. If you go with me, you might die at any time,”Qin Yu said.

Peaches hurriedly said, “I’m not afraid! Maybe I can help you!”

Qin Yu frowned. After thinking for a moment, he said, “Do you really want to go with me?”

“Yes!”Peaches nodded hard.

“Okay,”Qin Yu agreed.

Peaches was an extremely excellent pharmacist. With her around, she might really be able to help.

“Qin Yu, the people from the Yan family are still nearby,” fifth elder reminded.

Hearing this, Qin Yu’s eyes turned cold. He sneered and said, “That would be the best. I can use them to test my current strength....”

Chapter 389: Chapter 389, fighting Qiao Wu again!

“That’s three martial grandmasters at the peak.” Fifth Elder was quite worried.

Qin Yu smiled and said, “It doesn’t matter. If they were ordinary martial grandmasters, how could they test out my strength?”

The current Qin Yu had already stepped into the peak of the monastic stage, but he wasn’t clear about his own strength. He only knew that the spiritual energy in his body was as vast as the sea, and his physical body had reached an indestructible state.

However, Qin Yu didn’t know what state he was in.

“Fifth elder, we’ll meet again in the future.” Qin Yu bowed. After greeting everyone, he left the Divine Alchemist Pavilion.

This time, no one knew when he would return.

No one knew if he would return.

...

After walking out of the Divine Alchemist Pavilion, the three of them appeared to be aimless on the streets.

Although Qinghe town was only a small town, it was quite prosperous.

In the streets and alleys, there were stalls set up everywhere.

There were snacks, literature, and herbs.

“Mr. Qin, where are we going now? Do you have any plans?” Yao Qing asked while stuffing pig trotters into his mouth.

“Eat your food. Can you help with any ideas?” Peach rolled her eyes.

Yao Qing muttered, “No matter what we do, we have to have a plan.”

Qin Yu smiled and said, “I do have a plan, but it can’t be implemented for the time being. We can only take it one step at a time.”

“So let’s go back to Chuzhou for now.”

Walking aimlessly on the street, it seemed leisurely, but in fact, it was like walking on thin ice.

The current Qin Yu had long been pushed to the cusp of the storm by many titles.

The son-in-law of the Yan family, the Medicine God Pavilion’s pharmacist, the first person in history to pass the heaven ladder...

Fortunately, Qin Yu’s exposure was not high, so not many people knew him on the road.

The Moment Qin Yu left the Medicine God Pavilion, Qiao Wu had secretly set his eyes on Qin Yu.

“It’s better to tell President Yan about this in advance,” someone suggested.

Qiao Wu nodded slightly and said, “We must tell him this news.”

Hence, Qiao Wu took out his phone and informed Yan Sihai of this matter.

After Yan Sihai learned of this, he was immediately overjoyed.

He immediately gave an order, “Kill him immediately and bring his head back to see me.”

“Yes, director Yan.” Qiao Wu hung up the phone.

However, he was not in a hurry to make a move. Instead, he planned to wait until Qin Yu left Qinghe town before making a move, so as not to attract the attention of the people from the Divine Alchemist Pavilion.

...

Qin Yu, Yao Qing, and the other two walked from day to night.

They didn’t borrow any means of transportation. They were like ascetic monks who could leave whenever they wanted and stop whenever they wanted.

The further they were from the Divine Alchemist pavilion, the thinner the Qi/spiritual energy became.

And in the evening, the three of them finally arrived in front of a stone tablet.

There were three big words written on the stone tablet: Qinghe town.

“Once we cross this place, we will leave Qinghe Town,” said Qin Yu.

“Mr. Qin, are we going to walk back to Chuzhou?” Yao Qing muttered.

Qin Yu shook his head and said indifferently, “We can’t go back to Chuzhou until we finish our business.”

“What do you mean?” Peach was also a little confused.

Qin Yu didn’t say anything. He raised his foot and crossed the stone tablet. Then, he stood on a large grassland in front of him with his hands behind his back, quietly waiting for something.

“This place is more than a hundred kilometers away from the Divine Alchemist Pavilion. Even if we drive, it will take a few hours,” Qin Yu said indifferently.

“Aren’t you guys planning to come out?”

Yao Qing and Tao Zi were dumbfounded. They had no idea what Qin Yu was talking about.

“Since you know we are here, do you still dare to leave the Divine Alchemist Pavilion?”

At this moment, Qiao Wu and the others walked out from the dark.

The three peak martial grandmasters looked at Qin Yu coldly.

“Qin Yu...” tao zi looked a little scared.

“Don’t be afraid, I will protect you!” Yao Qing volunteered and blocked Tao zi behind him.

Qin Yu looked at Qiao Wu and said with a faint smile, “You really don’t want to give up. What kind of benefits did the Yan family give you?”

“You don’t need to know!” Qiao Wu berated coldly.

“Qin Yu, because of you, the three of us can’t go back. We guard the vicinity of the Divine Alchemist Pavilion Every Day! This enmity will be on your head!” Qiao Wu gnashed his teeth and said.

Qin Yu glanced at him and said with a cold smile, “If I Were you, I would go home now.”

“Don’t worry. After we kill you, we will naturally go back,” Qiao Wu said darkly.

The internal Qi on his body became more and more vigorous. During the period of time he was in Qinghe town, Qiao Wu’s strength had also increased slightly.

His current condition was considered his peak condition!

“Don’t you think about why I dare to walk out of the Divine Alchemist Pavilion openly?” Qin Yu asked indifferently.

Qiao Wu laughed loudly and said, “Of course it’s because you are stupid! Qin Yu, although your talent is not bad, I don’t believe that three months can make you transform!”

“Is that so?” Qin Yu raised his eyebrows, then sneered, “Then come and try it.”

“Die!” Qiao Wu didn’t say anything more. He glared at Qin Yu and grabbed at him with both hands!

Two sharp gusts of wind tore through the air like sharp blades and grabbed at Qin Yu’s chest!

However, Qin Yu stood there without moving at all, allowing the two sharp claws to tear at him!

“Clang! Clang!”

The two streams of internal Qi that were formed from internal strength fiercely grabbed onto Qin Yu’s chest!

However, what was shocking was that the moment they touched Qin Yu’s chest, the two streams of internal Qi were directly shattered!

On the other hand, Qin Yu’s clothes were torn, but only two white scars were left on his body!

“Not bad.” Qin Yu touched his chest and said indifferently.

Qiao Wu’s expression suddenly changed, and he exclaimed, “How is that possible! Your physical body...”

“How is it? Is it very hard?” Qin Yu raised his eyebrows and asked.

Qiao Wu’s expression also gradually became serious.

The two martial grandmasters beside him no longer watched the battle, and their bodies also erupted with powerful internal Qi.

“Qin Yu, you really are a shocking fellow.” Qiao Wu narrowed his eyes and said.

“In time, I’m afraid I won’t be a match for you. But now... You’re still too young!”

Following Qiao Wu’s explosive shout, gusts of wind slowly condensed around his body!

Qiao Wu’s fists shook, and streams of water-like power condensed once again!

This technique was the technique that Qiao Wu had used previously!

It was also under this spell that Qin Yu was nearly dead!

“Qin Yu, let me see if you can survive to the first level this time!” Qiao Wu roared crazily.

As soon as he finished speaking, streams of energy swept towards Qin Yu!

Qin Yu sneered, “Is that all you have? Didn’t anyone tell you that the same move... is useless after a second use? !”

Following Qin Yu’s Angry Roar, the Golden Fist smashed fiercely towards the force!

Chapter 390: Chapter 390, one against three!

The collision of the two forces caused a huge shock!

Yao Qing and Tao Zi were sent flying dozens of meters by the Impact!

“Boom!”

Qin Yu used his physical strength to forcefully shatter the force!

The water-like force was like pieces of debris that spread out in all directions.

Qiao Wu's face was livid. The corners of his mouth twitched, and a wave of anger filled his chest.

“I want to see how long you can last!” Qiao Wu roared. His hands quickly moved, and the waves of power quickly gathered!

Level 1, Level 2, Level 3! A total of nine levels of power was brewing in his hands!

“Rumble...”

The violent power made it difficult for Qiao Wu to control it. His hands were trembling non-stop, as if he could not control it at any time!

“Go to Hell!” Followed by Qiao Wu's furious Roar! This power was ruthlessly thrown out!

A huge energy ball suddenly smashed towards Qin Yu!

Qin Yu's expression was solemn, and his eyes were filled with a strong fighting spirit!

“Good timing!” Qin Yu's feet suddenly shook, and beams of resplendent golden light came down from above, wrapping around his flesh fist.

A fierce force erupted at this moment!

“I don’t believe that your flesh fist can be this powerful!” Qiao Wu roared crazily!

He stared at Qin Yu, hoping to see the outcome of Qin Yu being shattered by the energy!

But at this moment, Qiao Wu’s pupils suddenly constricted, and his face instantly turned incomparably pale!

Because Qin Yu, who was standing in front of him, had suddenly disappeared!

“Not good!” Qiao Wu quickly regained his senses, but it was already too late!

“Who told you that I’m going to take it head on?” Qin Yu’s voice sounded from behind Qiao Wu.

Qiao Wu’s heart suddenly trembled! Just as he was about to turn around, Qin Yu’s fist had already smashed into his back!

“Boom!”

This heaven-shaking force smashed firmly onto Qiao Wu’s body!

Qiao Wu’s entire body was sent flying, his back was shattered beyond recognition, and his spine suffered a huge impact!

“Wah!”

A mouthful of fresh blood was spat out from Qiao Wu’s mouth!

“You... are Shameless!” Qiao Wu said in pain.

Qin Yu sneered, “You are too stupid. Shrinking the ground to an inch is not just for escaping.”

As he spoke, rays of light had already condensed in Qin Yu’s palm.

Just as this ray of light was about to fall, the two martial grandmasters finally made their move!

They pincer attacked from both sides and arrived in front of Qin Yu at the same time!

“Heavy fall into space!”

Just as the two of them approached, Qin Yu coldly spat out these few words!

The movements of the two of them instantly seemed to be restricted, and their speed instantly became much slower!

“PA PA!”

Without waiting for them to react, a golden palm had already slapped onto their faces!

Qin Yu’s strength was extremely great, and under the support of the strange force, he directly shattered the faces of the two of them!

“How is this possible!” The faces of these two people were extremely unsightly!

One had to know that they were genuine peak-stage martial grandmasters! Right now, they were completely no match for a Grandmaster!

“Attack together and kill him!” Qiao Wu hurriedly shouted from the ground.

The two people didn't dare to be negligent and immediately unleashed their spells.

The air was filled with thick battle intent. The extremely gorgeous spells even turned the night into day!

On the other hand, Qin Yu did not have any flashy spell cast. All he had was an incomparably fierce fist!

“Boom!”

The sky was filled with explosive sounds. Qin Yu was fighting one against two. He was not at a disadvantage at all. He even forced the two of them to retreat!

“If this continues, I'm afraid we'll die here,” Qiao Wu said coldly.

He immediately mobilized the internal Qi in his body and chanted the spell silently.

“Hualala!”

Following the completion of the spell, rays of golden light actually emerged from the bodies of the three people!

The golden light condensed in the sky above Qin Yu and finally turned into a golden tower!

This golden tower carried waves of majestic qi, as if it was a sacred object from the western world!

“To be able to force us to this extent, Qin Yu, you’re already proud enough,” Qiao Wu said coldly.

Qin Yu raised his head and looked at the huge golden tower. There was no emotion in his indifferent eyes.

“What is this thing?” A moment later, Qin Yu pointed at the Golden Tower and asked.

Qiao Wu sneered and said, “This technique is called the three directions divine tower! As long as the realm of the suppressed person is lower than the spellcaster, they will be trapped in the divine tower forever until they become nothingness!”

“Qin Yu, die!”

With the activation of the technique, this huge golden tower was pressing towards Qin Yu with a dense and imposing manner!

Qin Yu hurriedly used the shrinking ground to become an inch and fled to the side.

But what was shocking was that no matter how fast Qin Yu was, this golden tower would still be hanging above Qin Yu’s head!

“It’s useless! You Can’t escape!” Qiao Wu roared crazily!

“Boom!”

Finally, this golden tower came down from the top and ruthlessly covered down!

The entire ground was instantly shaken up into a cloud of dust, and the scene also slowly quieted down.

“Mr. Qin!” Yao Qing couldn’t help but shout out in worry!

Unfortunately, the Golden Tower was completely silent.

The two martial grandmasters quickly walked in front of Qiao Wu and helped him up.

“You can go back and report your duty.” Qiao Wu wiped the blood from the corner of his mouth and said with some pain.

The two of them nodded and then looked at Yao Qing and Tao Zi.

“What about the two of them?” One of the martial grandmasters asked.

Qiao Wu glanced at them and said coldly, “They are just ants. Kill them.”

“Okay.” One of the martial grandmasters nodded and then walked towards the two of them.

Yao Qing and Tao Zi weren’t very strong. They weren’t able to fight back against the two martial grandmasters.

However, at this moment, Yao Qing was extremely brave. He blocked Tao zi behind him and said in a low voice, “I will protect you.”

Although the two of them knew that this was like hitting a rock with an egg, Tao Zi's eyes still showed a trace of gratitude.

Tao Zi gritted her teeth. She suddenly opened her palm and a red spiritual fire instantly flew towards the Martial Grandmaster!

“Bang!”

Although the spiritual fire could devour everything, Peaches's strength was too weak. The martial grandmaster merely raised his hand and smashed the spiritual fire into ashes.

“Humph, you don't know life from death,” the Martial Grandmaster said coldly.

He raised his palm and a powerful internal Qi condensed.

“Dong!”

Just as the Martial Grandmaster was about to attack, a muffled sound suddenly came from the golden tower not far away!

“Dong!”

Before he could regain his senses, another muffled sound came from the Golden Tower!

“Dong! Dong! Dong!”

One muffled sound after another came from the Golden Tower! The entire golden tower was shaking non-stop!

Qiao Wu's face was a little ugly. He stared at the Golden Tower and said in a trembling voice, "How... How is this possible! No one can escape from this Golden Tower!"

"Crack!"

As soon as he finished speaking, cracks appeared on the golden tower one after another!

"Rumble!" Finally, the Golden Tower couldn't bear it anymore! Dense cracks covered the entire golden tower. In the next second, it directly exploded!

Rays of golden light shot out in all directions like glass shards!

"This Golden Tower of yours seems a little fragile.." Qin Yu's voice sounded out coldly.

Chapter 391: Chapter 391, beheading a martial grandmaster

In front of Qin Yu's powerful strength, the Golden Pagoda was reduced to ruins.

All the energy dissipated like a wisp of wind.

Qiao Wu's expression was extremely ugly! His eyes were filled with shock!

"This... how is this possible!" Qiao Wu gritted his teeth and said.

According to the settings of this technique, as long as Qin Yu's realm was below theirs, it was absolutely impossible for him to forcefully break through!

This was also one of their trump cards!

But now, this Golden Pagoda had been shattered by Qin Yu's few punches!

"If this is your trump card, then I'm afraid you won't be able to escape today." Qin Yu grinned, revealing a mouthful of white teeth.

"Arrogant! A mere grandmaster, how dare you speak such arrogant words!" A peak martial grandmaster berated angrily.

Qin Yu glanced at him coldly, and in the next second, he suddenly appeared in front of him!

"Heavy fall into space!"

Under this technique, this Martial Grandmaster had nowhere to hide! He could only fight close to Qin Yu!

However, Qin Yu's physical body was extremely tough. Not to mention a mere peak martial grandmaster, even the physical body of Marquis Wu might not be able to compare to Qin Yu!

"Bang!"

Under Qin Yu's fierce fist, this martial grandmaster could not hold on any longer.

His chest was directly penetrated by a punch, and his bloody internal organs were almost shattered!

Before he could react, Qin Yu had already raised his hand and slapped his head

“Heaven swallowing technique!”

As the technique was activated, the meridians and mental cultivation technique in Qin Yu’s body also began to circulate!

All the inner strength was forcefully swallowed by Qin Yu into his body, and an awe-inspiring martial grandmaster became vicious!

Looking at his almost dried up body, Qiao Wu and the others immediately turned pale with fright!

“Not good! Retreat!” Qiao Wu shouted!

The two of them didn’t even think about it and started to run away.

In one go, they were exhausted.

At this moment, Qin Yu’s fighting spirit was boundless, and Qiao Wu and the others were already scared out of their wits.

Under such circumstances, they already had no fighting spirit, and their strength was greatly reduced!

“Do you think you can escape?” Qin Yu narrowed his eyes and stepped on the ground, instantly catching up to them!

“Qiao Wu, I’ll hold him off. Hurry up and get reinforcements!” Qiao Wu’s companion shouted.

Unfortunately, Qiao Wu did not even turn his head back. He was completely scared out of his wits.

This martial grandmaster gritted his teeth. His feet suddenly shook, and the space in front of Qin Yu suddenly began to distort!

Following that, Qin Yu’s body seemed to be restricted to another space!

“Huh?” Qin Yu’s brows twitched, and he could not help but sneer.

He had seen this spell before. It was the spatial spell that Cao Shan had used before!

“Do you think that the spell can still restrict me?” Qin Yu sneered.

“This spell can subdue hardness with softness. No matter how hard and fierce your fist is, it will be dissolved by this softness. Qin Yu, you...”

“Boom!”

Before he could finish his words, Qin Yu’s golden fist directly smashed to one side!

Under this enormous force, this space actually began to shatter!

“Who told you that you can only use softness to counter hardness? As long as the strength is large enough, any softness is not worth mentioning.” Qin Yu sneered.

“How... how is this possible!” The Great Grandmaster’s eyes widened.

Qin Yu did not have the time to waste with him. He immediately stepped forward and raised his hand to use the heaven swallowing technique!

After killing him, Qin Yu once again used the earth shrinking technique and sprinted in the direction where Qiao Wu escaped.

As a peak martial grandmaster, Qiao Wu's speed was naturally very fast.

Although less than five minutes had passed, Qiao Wu had already fled several kilometers away.

Running at such a high speed consumed a lot of his inner strength.

In addition to the fact that Qiao Wu was already severely injured, he was already exhausted. He collapsed in a forest and looked lifeless.

"He shouldn't have caught up," Qiao Wu thought to himself.

He wiped the sweat off his forehead and couldn't help but grit his teeth.

"There's something strange about this Qin Yu. We can't use common sense to analyze it. We have to tell President Yan as soon as possible..."

"You're a good dog. You can still think about the Yan family at this time." At this moment, Qin Yu's voice suddenly rang in his ears.

Qiao Wu's expression changed drastically!

He quickly turned around and looked at Qin Yu with a hint of fear in his eyes.

"Qiao Wu, you can't escape," Qin Yu said coldly.

Just as Qin Yu had said, Qiao Wu was completely exhausted at this moment. The possibility of him escaping was almost zero.

Qiao Wu's expression was cold. He gritted his teeth and said, "Qin Yu, so what if you kill me? In front of the Yan family, you're just a Clown!"

"As long as the Yan family is willing, they can even invite a martial marquis or even a martial saint to kill you!" Qiao Wu gritted his teeth and said.

"Martial marquis? Martial Saint? What is that?" Qin Yu's eyes were a little surprised.

Qiao Wu snorted coldly and said, "You don't need to know! Qin Yu, it's not too late for you to regret now. I might be able to plead for you to join the Yan family and become one of us!"

"At that time, you don't need to fight with your life like you do now. On the contrary, no matter where you go, you will be respected!" Qiao Wu's tone was a little excited.

Qin Yu sneered and said, "Yes, you will be respected wherever you go. But in front of your master, you have to Grovel, right?"

Qiao Wu was stunned. He gritted his teeth and said, "If you want to survive in this world, you have to lower your head. The so-called unbridled and unruly are the words of a child."

Qin Yu licked his lips and said, "I just can't be a servile and obsequious person. That's why I resisted."

“If everyone is like you, then those who stand at the top of the pyramid will always be the same group of people.”

“And people like me who come from the bottom will never be able to rise.”

Hearing Qin Yu’s words, Qiao Wu’s eyes flashed with a trace of emotion.

Qin Yu said coldly, “Qiao Wu, as long as you leave the Yan family, I can spare your life. You can leave.”

Qiao Wu’s expression changed slightly. He stared at Qin Yu and said, “You really want me to leave?”

“That’s right.” Qin Yu turned around and was about to leave.

But at this moment, a hint of madness flashed in Qiao Wu’s eyes!

He held a special dagger and stabbed at Qin Yu’s back!

“Bang!”

However, just as his dagger was about to touch Qin Yu, Qin Yu slapped his head.

With this slap, Qiao Wu’s skull was directly shattered.

His huge body fell straight down.

Looking at Qiao Wu’s corpse, Qin Yu couldn’t help but feel a trace of pity in his heart.

To Qiao Wu, his so-called glory was only a reward from the Yan family. He was no longer a complete individual.

This kind of concept had been deeply rooted in him for a long time. How could Qin Yu explain it with just a few words?

To him, killing Qin Yu and getting a reward in exchange for a greater future was his lifelong wish.

How could there be so many right and wrong in the world? It was nothing more than a deviation caused by different concepts.

Chapter 392: Chapter 392, Martial Arts Association's requisition

After killing Qiao Wu, Qin Yu turned around and returned to the vicinity of the stone tablet in Qinghe town.

Yao Qing and Tao Zi stood there at a loss. With their strength, it was impossible for them to catch up with Qin Yu.

“Will anything happen to Mr. Qin...” Yao Qing swallowed his saliva and said with some fear.

Tao Zi Glared at him and berated, “Shut your mouth!”

Yao Qing whispered, “I'm just afraid that there might be a trap...”

As he was speaking, Qin Yu slowly walked back from not far away.

“Let's go,” Qin Yu said expressionlessly.

Yao Qing hurriedly ran up and asked tentatively, “Mr. Qin, did you... Kill Him?”

“Yes.” Qin Yu nodded.

Peaches couldn't help but praise, “That's three peak-stage martial grandmasters... I don't even dare to think about it!”

Qin Yu ignored him and continued walking forward.

“Mr. Qin, where are we going now?” Yao Qing asked.

“Bai Town,” Qin Yu said.

Qin Yu had set up a spirit gathering array in Bai Town, and it had been almost a year now.

Thinking about it, there should be a lot of Qi/spiritual energy in the spirit gathering array. It was time to go back and take a look.

The next day.

The three of them rushed back to white town from Qinghe town.

The spirit gathering array was set up in a tourist area. By right, this place should be full of people after such a long time.

However, what made Qin Yu happy was that when they arrived at the tourist area, they found that it was not open for business at all.

Looking at the various facilities that had been completed a long time ago, Qin Yu could not help but feel a little strange.

“How can it not be open for business after such a long time?”Qin Yu frowned and asked.

When they reached the door, the staff responsible for security quickly stopped Qin Yu.

“This place is not open for business. You guys should go somewhere else,”said the uncle who opened the door.

Qin Yu pointed to the tourist area and said, “My name is Qin Yu. I’m the boss here.”

“Boss?”The uncle scratched his head and seemed a little puzzled.

Qin Yu ignored him and continued to ask, “This place has been completed for a year, right? Why hasn’t it opened yet?”

The system said, “It seems to have been requisitioned inside, so the opening has been delayed.”

“Requisitioned? which unit requisitioned it?”Qin Yu asked.

The system smiled embarrassedly and said, “Don’t ask me about that. I’m just a gatekeeper.”

Qin Yu did not say anything more. He led Yao Qing and the others to enter the door.

The system hurriedly stopped qin yu and said, “You’d better register yourself, in case something unexpected happens.”

Qin Yu nodded. He followed the system to the security room to register his name and then walked in the direction of the spirit gathering array.

Soon, the three of them arrived near the spirit gathering array.

This place had been rebuilt according to Qin Yu's request.

High walls were built around it, and there was a neither-big nor-small villa inside to rest.

Qin Yu walked to the door. He tried to push it open, but found that the door was locked.

“Someone actually locked my own home?” Qin Yu was instantly furious. He immediately grabbed the iron lock and forcefully broke it into two pieces.

The door opened, but what surprised Qin Yu was that there wasn't even the slightest bit of Qi/spiritual energy here!

It had been close to a year, yet he couldn't feel any Qi/spiritual energy? How was this possible?

“Who let you in!”

At this moment, a middle-aged man walked quickly towards Qin Yu.

Qin Yu looked at the middle-aged man coldly and said, “I should be the one asking you this. Without My permission, who let you come to my home?”

“Your House?” The middle-aged man sized up Qin Yu.

“This place has long been requisitioned. Now it belongs to the Jiangbei Martial Arts Association's Base! Return it to Your House?” The middle-aged man sneered.

“The Jiangbei Martial Arts Association’s base? Requisitioned my house without my permission? Who gave you the right?” Qin Yu’s face became colder and colder.

The middle-aged man said impatiently, “Stop talking nonsense and get out quickly. Otherwise, don’t blame me for being impolite!”

After saying that, he reached out to push Qin Yu.

Qin Yu immediately grabbed his wrist and threw him out.

The middle-aged man fell heavily to the ground. Waves of pain came from all over his body.

“You... You Dare to hit me? Do you know who I am?” The middle-aged man roared angrily.

Qin Yu looked at him coldly and said, “Go back and tell your association’s President to come and apologize to me and discuss the issue of compensation.”

“Good, good! You Wait, you wait!” The middle-aged man pointed at Qin Yu and turned to run.

“Damn, this Jiang bei martial arts association is really overbearing.” Yao Qing couldn’t help but curse.

Qin Yu said with a cold face, “They entered my house casually and stole my spirit gathering array. They better give me a reasonable explanation.”

After saying that, Qin Yu turned around and walked into the villa.

The huge villa was not empty. All kinds of furniture and facilities had been moved in.

Private movie theaters, gyms, and so on.

At a glance, it looked like a resort.

“These dog thieves really know how to enjoy themselves,” Yao Qing muttered as he lay on the massage chair.

Peach, on the other hand, appeared a little reserved. She stood there at a loss.

Qin Yu glanced at her and said, “Find yourself a room to rest in. You guys can stay here temporarily from now on.”

The reason why they chose this place was because the natural qi/spiritual energy here was quite rich, and the location was large enough.

Since it was not open for business, Qin Yu decided to remove this tourist area and convert it into private houses.

As for what he wanted to do, no one knew.

Qin Yu inspected the villa and found private clothes in many rooms.

These clothes were casually thrown on the table and the bed, looking extremely indecent.

Qin Yu frowned slightly, a hint of displeasure flashed across his face.

After the Jiangbei Martial Arts Association requisitioned it, it was used to do these things?

It was simply outrageous!

After Qin Yu cleaned up these indecent things, he lay down on the sofa.

He took out his phone and opened the martial arts forum.

On the forum, there were still discussions about Qin Yu.

And the key words in these discussions were mostly “Son-in-law of the Yan family,” “Elder of the Divine Alchemist Pavilion,” “Bottom-level rebellion,” and so on.

Even after such a long time, there were still people who admired Qin Yu for climbing the stairway to heaven.

Looking at these contents, the corners of Qin Yu’s mouth couldn’t help but curl up into a smile.

“Taking advantage of such high popularity, it’s time to do something,” Qin Yu thought to himself.

After experiencing so many things, Qin Yu understood a principle.

There was a limit to relying on one person’s strength. Of course, it was no problem for him to be happy, but if he wanted to take down the aristocratic families in Jingdu, he definitely couldn’t do it by himself.

Hence, Qin Yu also intended to rope in his own team and power.

At that moment, Qin Yu saw a post.

The title of the post was “Fire country’s pyro of martial arts potential”.

Chapter 393: Chapter 393, how Dare You Lie to me?

This caught Qin Yu’s attention.

He immediately opened the thread and a ranking list appeared before his eyes.

What surprised Qin Yu was that the person ranked first was not him, but a person called Zhong Cheng.

This person’s battle record was quite impressive. It was said that he had defeated several martial grandmasters in the grandmaster realm.

And now, he had already successfully stepped into the Martial Grandmaster realm. He was said to be the number one genius in the central plains.

Although he did not have news like Qin Yu forcefully breaking through the stairway to heaven that shocked everyone, his foundation was extremely solid. His personality was also quite popular. It was completely different from Qin Yu’s arrogance.

Most importantly, he had a famous master. It was said that this person was once the number one person in the central plains. His name was he teng.

If he continued reading, Qin Yu wouldn’t be ranked second, and he wouldn’t be ranked third either.

Qin Yu was ranked fifth.

And behind Qin Yu was Fang Yue.

Other than Fang Yue, Qin Yu also saw a familiar person.

This person was Jing Lu.

“He’s actually ranked fifth?” Qin Yu rubbed his chin.

Logically speaking, it shouldn’t be. With the battle record of a peak Zongshi realm killing three peak zongshi realm experts, not many people would be able to do it, right?

As he continued reading, he could see the analysis of this ranking, especially Qin Yu’s analysis.

“The reason why Qin Yu is ranked fifth is because he has too many enemies. The probability of him growing up is low. If this factor is thrown out, he should be able to enter the top three.”

Seeing this reason, Qin Yu couldn’t help but laugh.

Naturally, Qin Yu wasn’t convinced of this ranking.

At this moment, Qin Yu suddenly felt waves of internal Qi pass by outside.

Although the internal Qi wasn’t strong, it was at the level of a martial grandmaster.

Before Qin Yu could react, there was a knock on the door.

“Is Mr. Qin at home?” An aged voice came in.

Qin Yu stood up and opened the door.

Two men stood outside the door. One was old and the other was young. The older one was probably in his fifties, while the younger one was only in his early twenties.

“You are?” Qin Yu sized up the two and asked.

The Old Man took out his business card and said politely, “You are the king of Chuzhou, Qin Yu, right? This is my business card.”

After taking the business card, Qin Yu found out that this person was the president of the Jiangbei Martial Arts Association, Guan Jiarong.

“The president of the Jiangbei Martial Arts Association?” Qin Yu raised his eyebrows and couldn’t help but smile coldly.

This competition came quite quickly.

“Please come in.” Qin Yu moved aside and let the two people walk in.

After sitting down, Guan Jiarong politely explained, “Mr. Qin, I’m really sorry to have borrowed your place without your permission.”

Qin Yu sneered, “President Guan, you don’t have to say these empty words.”

Guan Jiarong sighed and said, “Actually, I don’t want to either, but you know that as the president of the Jiangbei region, I have to contribute to the development of our association, Right?”

“So, I’ve traveled almost half of the Jiangbei region over the years just to find a suitable place for cultivation for the members of our association to use.”

“So you found my home? And you broke in without my consent?” Qin Yu asked coldly.

Guan Jiarong apologized again, “I’m really sorry. I hope you can understand my good intentions. Everything I did was for the development of the Association.”

Qin Yu didn’t say anything, but he couldn’t stop laughing coldly in his heart.

“Mr. Qin, you are now the pride of our Jiang Bei region. It’s not an exaggeration to say that you are the king of Jiang Bei!”

Seeing that Qin Yu didn’t say anything, Guan Jiarong flattered him.

If this was an ordinary person, he would definitely be knocked out by this flattery.

But unfortunately, Qin Yu didn’t fall for it at all.

“President Guan, I’ve set up a spirit gathering array here, and I’ve accumulated nearly a year’s worth of Qi/spiritual energy,” Qin Yu said coldly.

“Now that the Qi/spiritual energy has been depleted, how should we settle this debt?” Qin Yu asked coldly.

Guan Jiarong was silent for a moment and said, “How about this? The position of vice president of Our Jiang Bei Martial Arts Association is still vacant. I wonder if Mr. Qin is interested?”

“Vice president?” This surprised Qin Yu.

Guan Jiarong said, “Yes. To tell you the truth, I’ve wanted to invite you for a long time, but I haven’t had the chance.”

As the saying goes, one should never hit a smiling face. Guan Jiarong’s attitude really made it hard for people to be calculative.

However, to Qin Yu, he didn’t want to participate in this kind of organization at all.

Therefore, Qin Yu shook his head and said, “Let’s forget about President’s matter. How about this, you give me a stalk of hundred-year-old herbs, and let’s forget about this matter.”

Qin Yu didn’t lack hundred-year-old herbs.

The reason why he said this was to give Guan Jiarong a small lesson.

However, Guan Jiarong couldn’t help but frown, looking rather troubled.

“The Qi/spiritual energy in my spirit gathering array can not be compared to a hundred-year-old herb. President Guan, don’t you know?” Qin Yu’s tone carried some displeasure.

“I say, do you really take yourself seriously?” At this moment, the young man beside Guan Jiarong suddenly said impatiently.

Hearing this, Qin Yu immediately looked at him coldly.

The young man continued, “To tell you the truth, there are at least a hundred vice presidents of the Jiang Bei Martial Arts Association. It’s just an empty position. Do you really take yourself seriously?”

“It’s your good fortune that the Jiang bei martial arts association can invite you, do you understand?”

Qin Yu looked at Guan Jiarong and said coldly, “President Guan, do you think so too?”

Guan jiarong frowned and said, “Mr. Qin, I have no such intention.”

“President Guan, I’m not going to argue with you on account of your hard work for the development of the association. Don’t tell me you can’t bear to part with just a hundred-year-old herb?” Qin Yu said with a cold face.

Guan Jiarong stood up and said with a smile, “Alright then. I’ll send it to you in the future. Goodbye.”

After saying this, Guan Jiarong turned around and left.

After he left, his face instantly turned cold.

“You want herbs? Dream On!” Guan Jiarong spat on the ground.

Not long after Guan Jiarong left, Jiang Gu drove to this place.

After he entered the door, he said excitedly, “Mr. Qin, you’re back.”

Qin Yu nodded. He glanced at Jiang Gu and said, “Do you know about the Jiangbei Martial Arts Association’s requisition of this place?”

Jiang Gu was stunned and said with a wry smile, “I know, but... I Can’t stop it. The Jiangbei martial arts association has always been overbearing. I dare to be angry, but I don’t dare to say anything.”

“Always overbearing?” Qin Yu frowned.

“Yes, especially that President Guan Jiarong. He used his identity to occupy land everywhere. I don’t know how many people have been oppressed by him,” said Jiang Gu.

Qin Yu couldn’t help but be surprised when he heard this.

“He doesn’t look like such a person. How could a president who wants to develop the martial arts association do such a Thing?” Qin Yu asked in puzzlement.

Hearing this, Jiang Gu couldn’t help but sneer, “Develop the martial arts association? Mr. Qin, you think too highly of him, Guan Jiarong.”

“This competition is just using the name of the martial arts association to seek benefits for his son. The Jiang bei martial arts association has long become their family’s private property. All the good things have been monopolized by him.”

“Just like here. After he occupied it, it was to let his son cultivate.. Unfortunately, his son is a useless fool.”

Chapter 394: Chapter 394, Fang Yue’ s conditions

The Guan Jiarong mentioned by Jiang Gu and the person Qin Yu saw were almost not the same person.

As expected, the villains in life were usually kind-hearted.

“This old man actually dares to lie to me.” Qin Yu narrowed his eyes, and a flash of coldness could not help but flash across his face.

Jiang Gu waved his hand and said, “Forget it. After all, he is the president of the Jiang Bei Martial Arts Association. Who would be willing to offend him?”

Qin Yu glanced at Jiang Gu and said, “It is because of everyone’s tolerance and indulgence toward him that he is unrestrained.”

“This time, I will make him pay the price!”

After saying that, Qin Yu looked at Jiang Gu and said, “Spread the word that if the Jiangbei martial arts association doesn’t Recover My Qi/spiritual energy within half a month, they will bear the consequences.”

Jiang Gu frowned and said, “Mr. Qin, do you really want to do that? After all, he is the president of the Martial Arts Association...”

“So What?” Qin Yu scolded coldly.

“If I have to swallow my anger because he is the president of the Martial Arts Association, then what’s the difference between me and those who flatter the high and trample the low?”

Qin Yu had long been fed up with this kind of atmosphere.

Seeing this, Jiang Gu could only nod and say, “Alright, Mr. Qin, I understand.”

After sending Jiang Gu away, Qin Yu began to plan his next journey.

The most important purpose of Qin Yu’s return to Chuzhou this time was the battlefield he saw in the provincial capital last time.

The density of the yin qi there was beyond imagination. To Qin Yu, it was a good place for cultivation.

Right now, Qin Yu couldn’t advance any further by relying on the Qi/spiritual energy, so Qin Yu set his sights on the Yin Qi.

“It would be great if I could have a few martial grandmasters,” Qin Yu thought to himself while stroking his chin.

The effect of Qin Yu swallowing the two peak martial grandmasters of the Yan family was indeed beyond imagination.

It could even be said that Qin Yu only needed ten martial grandmasters to have a chance to step into the Enlightenment Stage! In other words, he would be a martial grandmaster!

As long as he stepped into the Enlightenment stage, Qin Yu would not be afraid of any martial grandmaster in the world!

Regardless of whether he was from an aristocratic family or a reclusive disciple, they were not worth mentioning.

This was the confidence of the chaos body!

Even so, how could it be so easy to find a martial grandmaster?

After thinking for a moment, Qin Yu prepared to leave for the provincial capital the next day.

At night.

Qin Yu lay on his bed, just like the other youngsters, scrolling through his phone.

Of course, what Qin Yu was scrolling through was not a short video, but a martial arts forum.

At eight o'clock in the evening, Qin Yu was just about to put down his phone and go to sleep.

At this moment, a piece of news suddenly broke out on the martial arts forum:

The battlefield from hundreds of years ago had been excavated! The various aristocratic families were preparing to join forces to search for treasures!

And this so-called battlefield was precisely the village that Qin Yu had discovered in the provincial capital!

Upon seeing this news, Qin Yu suddenly sat up from his bed.

“I’ve actually been discovered?” Qin Yu couldn’t help but have an ugly expression on his face.

For the various aristocratic families to join forces to go, this was definitely not good news for Qin Yu!

Especially since it involved the Yan family! With the influence of the Yan family, it was very likely that they would encircle and attack Qin Yu!

“Sorry for the trouble.” Qin Yu’s face was as dark as water, and he felt a little uneasy in his heart.

However, if he gave up just like that, Qin Yu really couldn’t bear to leave.

After thinking about it, Qin Yu still decided to take the risk and go.

If he could even forcefully break through the stairway to heaven, what was there to be afraid of?

Furthermore, Qin Yu had the control of shrinking the ground into an inch. If anything really happened, he would be able to escape.

That night, Qin Yu did not sleep very well.

The next morning, Qin Yu had just woken up when there was a knock on the door.

As the door opened, Qin Yu saw a familiar figure: Fang Yue.

“Miss Fang?” Qin Yu looked at Fang Yue in surprise.

Fang Yue smiled lightly. “Greetings, Brother Qin.”

Qin Yu hurriedly welcomed Fang Yue into the room and ordered, “Peaches, go and get Miss Fang a glass of water.”

Peaches stared at Fang Yue with a hint of envy in her eyes.

“What are you looking at? Go make a pot of tea.”Qin Yu rolled his eyes.

After sending peaches away, Fang Yue smiled faintly and said, “Brother Qin’s name has shaken the world recently.”

“What do you mean by shaken the world? Don’t make fun of me.”Qin Yu waved his hand.

Fang Yue covered her mouth and laughed softly, “Brother Qin is too modest. You can even forcefully pass the stairway to Heaven. You are the first person in history.”

This was the truth. After all, even Jiang he had failed.

“Miss Fang, Why are you looking for me?”Qin Yu asked.

Fang Yue said jokingly, “Can’t I look for you if I have nothing to do?”

“Let’s get down to business,”Qin Yu waved his hand and said.

Fang Yue said seriously, “Brother Qin, don’t you know that Chuzhou has excavated a battlefield?”

Qin Yu was silent for a moment, then he nodded and said, “To tell you the truth, I’m planning to set off.”

“Do you know that the Yan family has also sent people?”Fang Yue said with slight surprise.

Qin Yu said with a wry smile, “So what if I know? This battlefield is extremely important to me. No matter what, I have to go there.”

Hearing that, Fang Yue said indifferently, “Brother Qin, I do have a way to protect your safety.”

“Oh?” Qin Yu was slightly surprised.

Fang Yue stretched out her hand, and a hat appeared in her hand.

This hat looked quite extraordinary. Under the sunlight, it flickered with a dim green light.

“Where did the green hat come from?” Qin Yu underestimated it.

Fang Yue didn’t explain, but put the hat on her head.

The moment the hat was put on, Fang Yue’s face was covered by a faint thick fog.

Under this thick fog, even Qin Yu’s eyes could not see through Fang Yue’s face!

“What... What is this thing?” Qin Yu immediately turned pale with fright!

Fang Yue said, “This is a divine artifact that I obtained by chance from the auction. It might just be useful to you.”

Hearing this, Qin Yu could not care less whether it was green or green. He took the hat and said with some excitement, “This thing is too useful to me!”

Fang Yue said indifferently, “Brother Qin, I can give you this hat, but I have two conditions.”

“Miss Fang, please go ahead,”Qin Yu said bluntly.

Fang Yue said with a faint smile, “First, if I really get any Babe on the battlefield, I want half.”

“Sure, I can give it to you,”Qin Yu said with a smile.

After all, Qin Yu’s goal was to break through.

“The second condition...”at this point, Fang Yue’s face suddenly darkened.

She said coldly, “I want you to help me kill two people.”

Chapter 395: Chapter 395, the ambitions of the Yan family

“Kill people?”Qin Yu couldn’t help but raise his eyebrows.

This surprised him a little.

All along, Fang Yue seemed to have no temper.

She had never seen such a cold attitude like today.

“Tell me, who should I Kill?”Qin Yu nodded and said.

Fang Yue said in a deep voice, “The first one is Jing Shihong. The second one is Bi xicang. These two will go to the battlefield today.”

“Jing Shihong... Jing Lu’s father?”Qin Yu guessed.

Fang Yue asked in surprise, “How did you know?”

Qin Yu smiled and said, “I guessed. By the way... Why did you kill the two of them?”

Fang Yue didn't answer.

However, her expression was a bit ugly.

Qin Yu guessed that it would be difficult to talk about this matter, so he changed the topic and asked, “What are their cultivation levels?”

Fang Yue glanced at Qin Yu and said, “They have been at the peak of the Martial Grandmaster realm for many years. They are very strong and are quite famous in the Central Plains.”

“Peak of the Martial Grandmaster realm...” Qin Yu touched his chin.

With Qin Yu's current cultivation, it would be quite difficult for him to deal with two peak of the Martial Grandmaster realm in a short period of time.

Once a big fight broke out, his target would probably be exposed.

“I promise you.” After thinking about it, Qin Yu finally nodded and agreed.

Fang Yue took a deep breath, cupped her hands and said, “Then thank you, Brother Qin.”

Qin Yu smiled and said, “I should be thanking you.”

Although Qin Yu didn't know what had happened, from Fang Yue's expression, it was likely that there was some deep hatred.

“By the way, this hat... can't you change the color?”Qin Yu scratched his head.

A green hat on his head was really quite eye-catching.

Fang Yue snickered and said, “No.”

“Brother Qin, why do you care so much? Many young people nowadays don't care about this at all.”

Qin Yu scratched his head and said, “The main thing is that it's too eye-catching...”

Fang Yue spread her hands and said, “Then I have no choice. If it really doesn't work, you don't have to wear it.”

“I'll just wear it,”Qin Yu muttered.

He put the hat on the ground. Not to mention, he looked quite handsome.

“By the way, why don't you participate?”Qin Yu looked at Fang Yue and asked.

Fang Yue pretended to sigh and said, “I'm only a grandmaster. I don't have brother Qin's boldness. If I really go, I'm afraid not only will I not get anything, but I'll also be in danger.”

Qin Yu rolled his eyes and said, “Miss Fang, don't be modest. You're definitely not as simple as you look.”

Fang Yue pretended to be terrified and said, “Brother Qin, you can't speak carelessly. She's just a weak woman...”

Qin Yu did not continue to joke with Fang Yue. Time was tight. After saying goodbye, he took a car and rushed to the provincial capital.

The few of them arrived at the provincial capital.

“Qin Yu, I’ll go with you,” said peach.

Qin Yu rolled his eyes and said, “If you go, I’ll be exposed. Wait for me at the hotel obediently.”

Then, Qin Yu looked at Fang Yue and said, “Miss Fang, I’ll leave the two of them to you.”

Fang Yue bowed and said, “Don’t worry, Brother Qin.”

Qin Yu acknowledged and did not say anything more. He drove to the battlefield.

At this moment, the village’s separation line had already been withdrawn. The aristocratic families from all over the world had been waiting for them for a long time.

Other than the aristocratic families, there were also some hermits and experts who had arrived at the scene.

This was enough to prove the importance of this battlefield.

Qin Yu couldn’t help but frown as he felt the internal Qi around him.

He originally thought that there would be countless people who would come here today. However, he never expected that there would only be a dozen people at a glance.

These people were all at the peak of the Grandmaster realm! Not even an ordinary grandmaster!

And Qin Yu was the only one who was at the Grandmaster realm!

“No Wonder Fang Yue didn’t come.” Qin Yu stuck out his tongue and thought to himself that things weren’t looking good.

The hat on his head was already particularly eye-catching, so with such a low realm, he looked even more out of place.

As expected, the moment Qin Yu appeared, everyone looked over.

“Oh? A grandmaster dares to come?” Someone frowned.

“He even wore a green hat. Is there something wrong with his head?”

“A mere ant dares to covet the Treasure?”

For a moment, more than ten people looked in Qin Yu’s direction!

Qin Yu’s expression changed slightly.

What he was afraid of came true!

Very quickly, this group of people walked towards Qin Yu.

“Who told you to come?” An old man with white hair asked coldly.

Qin Yu frowned and said, “This place doesn’t seem to belong to anyone. Why Can’t I Come?”

“HMPH, you think you can get a share of the treasure? You’re overestimating yourself!” Someone berated coldly.

“One must know how to act within one’s means. If one is too greedy, it will easily lead to death!”

“In order to prevent this kid from taking advantage of others, we might as well kill him first.”

As they spoke, a strong killing intent burst out from the bodies of these ten over martial grandmasters.

“Oh No.” Qin Yu’s expression changed.

Qin Yu didn’t have the slightest chance to resist against these ten over peak martial grandmasters!

“Looks like we have to retreat now.” Qin Yu thought to himself.

Just as he was about to use the shrinking ground to escape, a sound suddenly came from the side.

“Ants have their uses too. This battlefield is full of dangers and hidden killing intent. It’s better to leave him behind and use him to explore the way,” a middle-aged man said.

Hearing this, everyone turned to look at the middle-aged man.

The scene fell into a short silence. Everyone seemed to be weighing the pros and cons.

“Mr. Jing is right.” Finally, someone agreed with him.

Mr. Jing?

Qin Yu raised his eyebrows.

Could this person be Jing Shihong?

“Yes, the Yin energy here is rampant and full of dangers. One moment of carelessness and you might die. Using it to explore the way is the best choice.”

“Well, I agree with Mr. Jing’s suggestion.”

Jing Shihong immediately looked at Qin Yu and said, “Kid, if you don’t want to die, then listen to us obediently and work for us. If you’re lucky enough to survive, you might be able to obtain an opportunity.”

Qin Yu hurriedly said, “I’ll definitely listen to everyone’s arrangements...”

Although he said that, in his heart, he cursed all eighteen generations of their ancestors.

After that, these people no longer paid any attention to Qin Yu. Instead, they stood there and started chatting.

Based on their conversation, Qin Yu roughly knew the identities of these people.

Other than Jing Shihong and Bi Haicang, who Fang Yue wanted to get rid of, the rest of them were all family heads from the top aristocratic families in the Central Plains!

In the Central Plains, they were almost all big shots who were in charge of a region. In terms of martial arts, business, and other aspects, they all had extremely strong power!

“This group of people... might be able to be of use to me.” Qin Yu narrowed his eyes and thought to himself.

At this moment, a car slowly drove over from not far away.

After the car stopped, a young man dressed luxuriously got down from the car.

When they saw this young man, everyone immediately went forward to welcome him.

“Young Master Yan, you are here. We have been waiting for you for a long time.”

This person was none other than the son of Yan Tianhong from the Yan family, Yan Haoran! He was also Yan Ruoxue’s cousin!

There was an indescribable heroic spirit between Yan Haoran’s brows. He nodded to everyone one by one and said, “My uncle said that everyone is willing to work for the Yan family. The Yan family will not mistreat you.”

When everyone heard this, they hurriedly said, “Aiyo, it’s our honor to be able to work for the Yan family!”

Yan haoran nodded slightly and said, “The Yan family will unify all the big and small families in the northern martial arts world as soon as possible. At that time, all of you will be the first meritorious ministers.”

Hearing his words, Qin Yu's face suddenly changed!

The Yan family actually planned to unify all the big and small martial arts families in the northern martial arts world?

Chapter 396: Chapter 396, the girl next to the Giant Pit!

“What an unexpected gain,” Qin Yu couldn't help but think in his heart.

Yan Sihai's ambition was much greater than he had imagined.

Unlike Old Master Yan, Yan Sihai was a martial arts expert, so he paid more attention to the power of the martial arts world.

However, once they succeeded, the Yan family would probably be indestructible. It would be even more difficult to shake Yan Sihai's position.

“You are the first batch of people to serve the Yan family. The Yan family will remember you,” Yan Haoran said indifferently.

Hearing this, everyone said excitedly, “Of course, of course. Thank you, Young Master Yan!”

At this moment, Yan Haoran noticed Qin Yu.

He frowned slightly and asked, “Grandmaster? Who is this person?”

“Oh, Young Master Yan. This kid came here by himself. He wants a share of the spoils,” Jing Shihong said.

“The yin energy on this battlefield has already erupted, and danger is everywhere. So we plan to use him to scout the way,” the person next to him also said.

Yan Haoran nodded. He sized up Qin Yu with a strange look in his eyes.

This kind of feeling made Qin Yu feel very uneasy.

Could it be that... his identity was seen through by him?

“Grandmaster... I remember that Qin Yu is also a grandmaster,” Yan Haoran said.

Jing Shihong was the first to nod and said, “That’s right, Young Master Yan. Are you here for Qin Yu?”

Yan haoran nodded slightly and said, “Qin Yu killed my grandfather and took away his body. I have to take revenge.”

Hearing that, everyone immediately said indignantly, “This is really despicable! The Yan family gave him an opportunity, and he actually killed old Mister Yan!”

“Young Master Yan, he’s just a mere grandmaster, why do you need to do it yourself? As long as you give the order, we will naturally get rid of him!”

Yan Haoran shook his head and said, “Qin Yu is different from ordinary grandmasters. My uncle once sent three peak grandmasters to kill him, but now he’s gone missing.”

“Peak grandmasters?” Hearing this, everyone’s expression changed slightly.

“You mean... Qin Yu killed three martial grandmasters?”

“That’s not it. No matter how strong a martial grandmaster is, it’s impossible for him to defeat a peak-stage martial grandmaster.” Yan Haoran shook his head.

“I guess he has a backer, like the Divine Alchemist Pavilion.”

“I see.” Hearing this, everyone no longer volunteered.

After all, the Divine Alchemist Pavilion’s position was unshakable. No one was willing to offend them.

Yan Haoran put his hands behind his back and said, “In order to prevent any accidents from happening, after we leave the battlefield, I would like everyone to follow me to find that Qin Yu.”

“Young Master Yan, please rest assured!” Jing Shihong took the lead to express his stance.

After that, the rest of the people also nodded and agreed.

Qin Yu sneered at the side.

You want to join hands to kill me? It depends on whether you have the ability or not!

“Young Master Yan, why didn’t the Yan family invite a Marquis to directly get rid of Qin Yu?” At this time, someone asked in puzzlement.

“Yes, if Marquis Wu makes a move, even if that Qin Yu has great abilities, he will definitely not be able to escape.”

Yan haoran lightly snorted, “The situation in Jingdu is complicated. After my grandfather died, many people became restless. For a mere Qin Yu, it’s not worth touching the foundation of the Yan family.”

“I see.” Everyone suddenly realized.

“Okay, don’t waste any more time. Hurry up and go in,” Yan Haoran pointed at the battlefield and said.

Hearing this, Jing Shihong immediately kicked Qin Yu’s butt.

“Hurry up and go in!” Jing Shihong said with his eyes wide open.

Qin Yu couldn’t help but curse in his heart, but he still promised, “Okay, okay.”

He took the lead and walked to the entrance of the village.

According to Jing Shihong and the others, the Yin Energy on the battlefield had already exploded, and the density of the yin energy had increased exponentially.

Qin Yu looked up at the sky, and the ghost face in the sky had disappeared.

“Such strong Yin energy is a bit strange,” Qin Yu murmured.

“What the hell are you still standing there for? !”

Just as Qin Yu was thinking, Jing Shihong kicked Qin Yu’s butt, sending Qin Yu inside.

Qin Yu turned around and glared at Jing Shihong.

“Even if Fang Yue doesn’t let me kill you, I will kill you!”Qin Yu thought to himself.

Then, he strode toward the battlefield.

“Stop.”At this moment, an old man suddenly called out to Qin Yu.

He pointed in another direction and said, “Go to the east.”

Qin Yu frowned and said, “Why?”

“If I tell you to go, then go. Don’t talk so much nonsense!”Jing Shihong kicked Qin Yu’s butt again.

Qin Yu was so angry that he gnashed his teeth. He wanted to kill Jing Shihong immediately.

“Everyone, our family specializes in internal Qi. We can clearly sense the energy fluctuations within a hundred miles,”the old man said indifferently.

“According to my spiritual perception, the center of the battlefield is on the east side.”

“So Elder Tang is a master of internal Qi.”Jing Shihong couldn’t help but be surprised.

Elder Tang seemed to be deliberately trying to show off in front of Yan Haoran, so he said with a smile, “That’s right. I can also know that this battlefield is extremely wide. I’m afraid that some top-tier Babe is buried underground on the east side.”

Hearing this, Qin Yu couldn’t help but curse in his heart.

This elder Tang was talking about the place that Qin Yu had dug up previously.

“Then please ask elder Tang to command this kid,” Yan Haoran said indifferently.

Elder Tang said with a faint smile, “Of course there’s no problem.”

After saying that, he stretched out his finger, and a trace of light rose from his fingertip.

Then, elder Tang flicked his finger, and this trace of light directly fell into the space between Qin Yu’s brows.

“I have already left a mark between your brows. No matter what you think, I will be the first to know,” elder Tang said indifferently.

“So, I warn you that it is best not to play tricks.”

Hearing this, Qin Yu did not show any panic on his face.

The technique of this mark was many times inferior to the technique of the Earth Fiend Valley’s patriarch. It was not worth mentioning at all.

Ever since he had successfully stepped on the heaven ladder, Qin Yu’s spiritual sense had improved qualitatively.

As long as Qin Yu was willing, he could erase this mark at any time, or even change the content of the transmission of the mark.

“Let’s go, to the east,” elder Tang ordered.

Qin Yu did not resist. He followed elder Tang's request and headed to the east.

On the way, the group was ten meters away from Qin Yu, afraid that something bad would happen to Qin Yu.

The closer they were to the huge pit, the richer the yin qi became, and the pressure on their internal strength became stronger.

Even Qin Yu, who could cultivate with yin qi, felt a little uncomfortable.

“What a strong yin qi,” Yan Haoran said with a frown.

“Yeah,” Jing Shihong also frowned slightly.

“The internal Qi in my body seems to have frozen, and it seems to be much more difficult to use my qi.”

“I have a bad feeling. Let's hurry up.” Yan Haoran said.

The group continued to move forward and soon arrived at the place where Qin Yu had been.

The place where Qin Yu had once dug had now become a bottomless pit.

And beside this huge pit, there was actually a young girl sitting cross-legged.

When he saw this young girl, Qin Yu's expression instantly turned extremely ugly!

Because this young girl was none other than Xiao Yu!

Chapter 397: Chapter 397, the dangerous little fish

At this moment, little fish was sitting cross-legged, absorbing the yin energy in this space wholeheartedly.

Qin Yu's expression became extremely ugly.

The people around him seemed to be well-dressed, but in fact, they were dressed like animals. No one knew what would happen.

“Eh? There's another woman?” Jing Shihong's eyes lit up, and his gaze instantly fell on Little Fish.

“Why is there a girl here?”

“She seems to be cultivating, relying on yin energy to cultivate. This is an unorthodox sect!”

Jing Shihong took the lead and stepped forward, patting his chest as he volunteered, “I, Jing Shihong, have always had zero tolerance towards unorthodox sects! Leave such an unorthodox sect to me!”

“I'm willing to lend brother Jing a helping hand!” Bi Cang also hurriedly stepped forward.

Qin Yu's expression was extremely unsightly. Little Yu was only a child. If he was hurt by these animals, Qin Yu would definitely not tolerate it!

“Young Master Yan, what do you think?” Everyone looked at Yan Haoran in unison.

Yan Haoran's eyes were somewhat indifferent. He glanced at little Yu and said, "Deal with it as you wish."

With Yan Haoran's words, Jing Shihong and Bi Liu Cang immediately felt relieved.

They walked quickly and arrived in front of Xiao Yu.

Then, Jing Shihong patted Xiao Yu's shoulder and woke her up from her cultivation.

Seeing this group of people, Xiao Yu's expression changed slightly.

"Who... Who Are you people?" Xiao Yu asked in surprise.

Jing Shihong put his hands behind his back and said indifferently, "We should be the ones asking you this! You're so young, but you've actually come to such a dangerous place!"

"Speak! Are You a devil that grew up in this battlefield?" Bi Cang also shouted.

Xiao Yu sat up from the ground and said with her eyes wide open, "Are you sick? I'll come if I want to. It's none of your business!"

"You speak so rudely and cultivate yin energy. You must be a devil!" Jing Shihong shouted.

After saying that, he reached out and grabbed Xiao Yu's arm!

Jing Shihong was, after all, a peak-stage martial grandmaster. His strength could not be underestimated, and was not something that a mere Xiao Yu could resist.

Under this Devil's Claw, Xiao Yu could not move at all.

“You... Let Go of me quickly!” Xiao Yu struggled and said.

“HMPH, today I will get rid of you, the Little Devil!” Jing Shihong said righteously.

Although he said so, his eyes revealed a lascivious expression.

Xiao Yu struggled crazily and said angrily, “You're the Devil! It was my friend who brought me here!”

“Oh? Your Friend? Who's Your Friend?” Jing Shihong raised his eyebrows and asked.

“Your friend brought you to this kind of place. I think he's also a devil!” Bi xicang shouted.

Hearing their conversation, Qin Yu immediately felt that something was wrong.

If Little Fish said his name, then... He would end up worse!

“Say his name and you'll be scared to death! He's the king of Chuzhou, Qin Yu!” Little Fish said arrogantly.

“Qin Yu?” Everyone looked at each other and then burst into laughter.

“Your Friend is actually Qin Yu! We are planning to deal with him!”

“Young Master Yan, this little devil has a deep relationship with Qin Yu!”

Yan Haoran's eyes gradually turned cold.

He slowly walked up to Little Yu and said coldly, "You Said Your Friend is Qin Yu?"

"Yes!" Little Yu snorted.

Hearing this, Yan Haoran slapped Little Yu's face!

With this slap, a clear palm print appeared on Xiao Yu's face!

Meanwhile, Qin Yu clenched his fist in an instant!

"Qin Yu killed my father. I'm planning to take revenge on him," Yan Haoran said coldly.

"Since you're his friend, you'll suffer for him first."

After saying that, Yan Haoran looked at Jing Shihong and said, "I'll leave it to you."

Jing Shihong licked his lips and said with a lecherous look, "Young Master Yan, I don't have any other hobbies. I'm just interested in women. You See..."

"As you wish," Yan Haoran said coldly.

Jing Shihong was overjoyed when he heard that!

He licked his lips and said, "Little Devil, let me deal with you."

"I can help too," bi xicang said shamelessly.

“You... Let Go of me!” Xiao Yu panicked and struggled desperately.

However, she was just a beginner in cultivation, so how could she be a match for two peak-stage martial grandmasters?

“Stop!”

At this moment, Qin Yu suddenly shouted!

Everyone turned to look at Qin Yu.

“Are you sick? Why are you suddenly shouting?” Jing Shihong said unhappily.

Bi Niu Cang, who was beside him, also stared at him and said, “Don’t F*cking delay us from doing our business!”

Qin Yu gritted his teeth and braced himself to say, “Since this little devil relies on yin energy to cultivate, she must be useful to us.”

After saying that, Qin Yu pointed at the huge pit and said, “Why don’t I go down with her and explore the Babe below?”

Jing Shihong said impatiently, “Cut the crap and wait until I’m Done!”

Qin Yu hurriedly grabbed Jing Shihong’s arm and said anxiously, “No!”

Jing Shihong looked at his arm and then coldly looked at Qin Yu, saying, “Do you want to die?”

Qin Yu suppressed the anger in his heart and said, “According to my understanding, this girl should have a pure yin body.”

“This kind of system is very attractive to any kind of yin qi.”

“And the Babe buried in this huge pit is definitely a treasure of Yin. It is the best choice for her to activate this treasure!”

“Once you break her virginity, the allure of her pure yin body will be greatly reduced!”

Qin Yu’s words immediately made the scene quiet down.

“This kid is right,” someone next to him nodded.

“The pure yin body’s virginity is indeed attractive to yin objects.”

“Why don’t we do as he says?”

Hearing the crowd’s words, Qin Yu immediately heaved a sigh of relief.

Jing Shihong was naturally very displeased that such a beautiful thing was interrupted by Qin Yu.

He looked at Yan Haoran with an embarrassed smile and said, “Young Master Yan, look at me. I’m already on the bow. Why don’t... Let me watch her for a while before letting her go down?”

Yan Haoran glanced at Jing shihong coldly and said, “Do you think with your lower body? If you can’t distinguish between priorities like this, then you’re also suitable to serve the Yan family.”

Hearing this, Jing Shihong’s face suddenly changed.

He hurriedly waved his hand and said, “Young Master Yan, I know I’m wrong...”

Yan Haoran ignored Jing Shihong and looked at Qin Yu, asking in a cold voice, “Why are you telling us this?”

“That’s right! We treated you as cannon fodder who was going to die, but you told us all this. It doesn’t make sense,”Jing Shihong added.

Under the hat, Qin Yu’s face turned a little ugly.

Chapter 398: Chapter 398, I Am Qin Yu

“You’d better not lie to us. Otherwise, you know the consequences.”Before Qin Yu could speak, elder Tang warned him.

Qin Yu glanced at elder Tang and said slowly, “I’m trying to find a future for myself. If... I can come out alive, can I also work for the Yan Family?”

Lying was as common as rice to Qin Yu. It was not worth mentioning at all.

At the same time, Qin Yu used the power of his spiritual sense to convey the same message to elder Tang.

Yan Haoran glanced at elder Tang, as if asking.

Elder Tang hurriedly nodded and said, “Young Master Yan, he indeed thinks so.”

The corners of Yan Haoran’s mouth could not help but curl into a playful smile.

“A grandmaster wants to serve my Yan Family?”Yan Haoran sneered.

“A grandmaster is just an ant. You’re simply Daydreaming!”Jing Shihong immediately said.

In order to make his words seem more realistic, Qin Yu continued, “I’m just giving it a try. If I can really join the Yan family, I won’t have to worry about my future...”

Yan Haoran raised his eyebrows and said indifferently, “Seeing that you are so sincere, I can consider it. The premise is that you can find the Babe for me from down here.”

Qin Yu pretended to be excited and said, “Don’t worry! I will do my best!”

Everyone walked to the giant pit in unison.

As soon as they got close to the giant pit, the terrifying yin qi almost swallowed them!

Not to mention using inner strength, even his physical body could not withstand it!

Yan Haoran kicked a rock into the pit. The moment the rock entered, it was immediately turned into dust.

“So terrifying?”Yan Haoran frowned slightly.

“This... If my physical body enters the pit, I’m afraid I’ll be crushed into pieces!”Someone beside him exclaimed.

Qin Yu also pretended to be afraid and said, “Young... Young Master Yan, I’m Only a grandmaster. If I go in... I’m afraid I’ll die in there.”

“What are you afraid of! This yin energy might not have any effect on the body.”Jing Shihong kicked Qin Yu.

“That’s right. Generally speaking, the power of the Yin energy won’t cause too much damage to the body.”Someone beside him also said.

Even though that was the case, no one dared to go forward.

“Cannon fodder, it’s time to play your role. Go and see if the Yin Qi can harm the human body,”Jing Shihong sneered.

Qin Yu pretended to be afraid and said, “I... I don’t dare.”

“You don’t Dare? Then go and Die!”Jing Shihong berated.

Seeing this, Qin Yu hurriedly said, “Okay, I’ll go, I’ll Go! But... I have to take her with me!”

Qin Yu pointed in the direction of Little Fish.

Little Fish fiercely glared at Qin Yu, spat on the ground, and scolded, “Loser, Lick the Dog!”

Qin Yu ignored little fish, and looked at Yan Haoran eagerly.

Yan Haoran was silent for a moment, and then said, “No, if she can’t withstand this yin energy, it’ll be troublesome. You’d better go down and try it first.”

Qin Yu secretly thought that something was wrong.

It seemed that Yan Haoran was not so easy to fool.

“Young Master Yan, you’d better let me bring her down with me,” Qin Yu muttered.

“Otherwise... I’m not sure.”

“Cut the crap!” Jing Shihong scolded.

“You’d better go down quickly, or I’ll kick you to death!” The people next to him scolded one after another.

Qin Yu knew that he couldn’t fool them, so he sighed and said, “Alright, but... I have to take something from her, can I?”

“Take what?” Yan haoran frowned and said.

Qin Yu said in a low voice, “I’ve never touched a woman in my life, and I’m really unwilling to die like this.”

“I... I want to take a strand of hair from her, can I?” Qin Yu said with an embarrassed smile.

Hearing this, everyone immediately burst into laughter.

“What a useless thing! Are you satisfied with just a strand of hair?”

“No wonder she’s wearing a cuckold on her head. She’s like a loser.”

Even Xiao Yu felt nauseous.

How could there be such a man in the world?

“Okay?” Qin Yu looked at Yan Haoran with an embarrassed smile.

Yan haoran nodded and said, "I can satisfy you."

Qin Yu hurriedly walked in front of little fish.

"Don't Touch Me!" At this time, little fish couldn't help but shout.

Qin Yu ignored little fish. He walked to Little Fish's side and protected little fish!

"You... Let Go of me!" Little Fish was embarrassed and angry. He kept struggling.

"Hahaha! This kid is quite greedy."

"How is it? Is it comfortable to hold him?"

Qin Yu quickly said, "Yes, it's really comfortable!"

"Disgusting!" Xiao Yu couldn't help but curse.

Qin Yu leaned on Xiao Yu's ear and whispered, "I'm Qin Yu. Think of a way to accompany me down there later. I'll think of a way to save you."

Hearing this, Xiao Yu was stunned.

Just as she was about to speak, Qin Yu hurriedly said, "Continue to struggle! Let them see through you."

Xiao Yu was stunned and quickly struggled.

"Quickly let go of me! Don't touch me! You Disgusting Thing!" Xiao Yu struggled desperately.

However, Qin Yu held Xiao Yu, showing no intention of letting go.

“Almost done.” Yan haoran frowned.

Only then did Qin Yu let go of Xiao Yu.

“Are you satisfied? Hurry up and go down. Don’t waste time,” Yan Haoran said coldly.

Qin Yu nodded and walked to the side of the huge pit. Just as he was about to jump down, Xiao Yu shouted, “I want to go down too!”

“You want to go down too?” Yan haoran frowned.

“Little girl, you will die if you go down,” Jing Shihong said indifferently.

Xiao Yu snorted and said, “To tell you the truth, I went down there before. It’s nothing!”

“You went down there before? Little Girl, you can’t lie in front of me.” Elder Tang raised his eyebrows.

“Who lied to you? I did go down there!” Xiao Yu said stubbornly.

After saying that, Xiao Yu glared at Qin Yu and said, “I’ll kill him after I go down there!”

Yan Haoran couldn’t help but frown. He glanced at Qin Yu and said, “Did you say something to her?”

Qin Yu rolled his eyes and said, “I. . . I did talk to her. I said... Her body is so soft...”

“Hahaha! No wonder she made the little girl so angry.”The people beside him couldn’t help but laugh, and their vigilance toward Xiao Yu was also much lower.

However, Yan Haoran was a cautious person.

He thought for a moment, then looked at elder Tang and said, “Aren’t you a spiritual master? See if she is lying.”

“No problem, Young Master Yan. Leave it to me!”Elder Tang patted his chest and said.

After saying that, elder Tang walked toward Xiao Yu.

His finger lit up a little light, and then pointed at the center of Xiao Yu’s eyebrows.

“Bad!”Qin Yu’s face suddenly changed!

My Rich Wife – Chapter 399 –

Chapter 399: Chapter 399, in the huge pit

Elder Tang was a spiritual master, and this mark could clearly tell what was going on in his mind!

But now, Qin Yu could no longer find a suitable reason to stop him. He could only watch helplessly!

The light on elder Tang's finger pointed towards the center of Xiao Yu's brows.

Qin Yu's heart instantly jumped! He mobilized the internal Qi in his body and was ready to use shrinking earth to escape at any time!

The light landed on the space between Xiao Yu's eyebrows and elder Tang closed his eyes slightly.

A moment later, elder Tang slowly opened his eyes.

“How is it?” Yan Haoran asked.

Elder Tang shook his head and said, “In reply to Young Master Yan's words, what this girl said is true.”

Hearing this, Qin Yu couldn't help but widen his eyes!

What was going on? This elder Tang actually didn't see through it?

Could it be that... Elder Tang wasn't a spiritual master at all?

“Well, in that case, you can go down.” Yan Haoran waved his hand.

Xiao Yu snorted lightly and then walked to Qin Yu's side.

“You two, go down.” Yan Haoran pointed at the huge pit and said.

Before Qin Yu could say anything, Jing Shihong kicked Qin Yu's butt from behind.

With this kick, Qin Yu staggered and almost fell into the huge pit.

“Damn it, just you wait!” Qin Yu couldn't help but curse in his heart.

Then, Qin Yu looked at little fish and said, “Hurry up and go down.”

Little Fish glared at Qin Yu and said, “It's none of your business!”

Qin Yu immediately grabbed little fish and jumped into the huge pit.

The moment they jumped in, a gust of cold wind-like yin energy completely devoured the two of them!

The huge pit was dozens of meters deep! Qin Yu didn't dare to be negligent. He immediately cast a spell and gently carried little fish, slowly falling into the huge pit.

“How is it? Is He Dead?” Jing Shihong's voice came from above.

Qin Yu looked up at the ray of light in the sky and shouted, “He's not dead! Nothing happened at all!”

“Oh? Really?” Above, Jing Shihong was a little surprised.

Yan Haoran was silent for a moment and said, “Since nothing happened, let's go down.”

After saying that, he glanced at the crowd and said, “Who is willing to go down?”

Jing Shihong immediately took a step back. As a suspicious person, he didn't dare to act rashly.

“I'll go down!” Someone volunteered to show off in front of Yan Haoran.

After saying that, he took a big step and directly jumped into the huge pit.

“Ah! ! !”

The moment he jumped into the huge pit, he heard a scream of Pain!

“Bang!”

In the end, a skeleton fell in front of Qin Yu.

“Hiss”

Qin Yu couldn't help but suck in a breath of cold air.

The Yin energy here was actually so terrifying? It directly melted the body of a peak-stage martial grandmaster?

“Is he dead?” Jing Shihong's voice came from above.

But this time, no one answered him.

Above, Yan Haoran couldn't help but frown.

“What’s going on? That cuckold didn’t die. Why did he die when he went down?” Yan Haoran said in a deep voice.

“Could it be related to that pure yin body?” Someone guessed.

“It must be! That cuckold is only a grandmaster. He definitely can’t resist this yin energy!”

Yan Haoran’s frown became even more serious.

Little Fish had already been brought into the huge pit by Qin Yu. They had no way to enter this huge pit.

“Looks like we can only rely on that cuckold.” Yan Haoran rubbed his chin and said in a deep voice.

Then, Yan Haoran shouted at the huge pit, “Cuckold, listen well. I’m giving you a chance now. As long as you can bring me the treasure, I can give you a chance to serve my Yan family!”

In the huge pit, Qin Yu could not help but sneer.

He thought for a moment and then said, “Young Master Yan, if I bring the Babe, can you make me the boss of the Northern Region?”

As soon as he said this, the faces of the people above immediately darkened.

“This kid is actually asking for too much!” Jing Shihong cursed.

“Humph, since he dares to come to such a place as a grandmaster, it means that he is a greedy person.”

“Young Master Yan, you must not agree with him!”

Yan Haoran did not say anything. He looked down and said coldly,
“Okay, I will agree with you.”

“Then thank you, Young Master Yan.”Qin Yu sneered.

The boss of the north? Do you think I will believe you?

Working for the Yan family is simply a dream!

Above.

Jing Shihong and the others were suddenly anxious.

“Young Master Yan, how can you let a grandmaster be the leader of the northern martial arts world!”

“Yeah, this kid is useless. He’s just cannon fodder. He can’t be convinced by the masses!”

Yan Haoran glanced at them and sneered, “Calm him down first. As soon as he brings the Babe to me, kill him immediately.”

Hearing that, everyone suddenly understood.

“Young Master Yan is so Smart!”Jing Shihong said with a smile.

“Young Master Yan is really good at strategizing! He has the same style as Old Mister Yan!”

Although they flattered Yan Haoran, they didn’t realize that they had unknowingly fallen into Qin Yu’s trap.

Qin Yu threw out a question through asking for conditions.

After the Yan family unified the northern martial arts world, who would be the chief?

Everyone was the first batch, so who could lead who?

“Damn it, the chief of the northern martial arts world can only be me!”Jing Shihong roared crazily in his heart.

Not only Jing Shihong, but the others also had the same thoughts.

...

The huge pit fell into a brief silence.

Xiao Yu couldn't wait to ask, “Qin Yu, why are you dressed like this? And who are they?”

Seeing Xiao Yu's terrified look, Qin Yu smiled and said, “Don't worry. Cultivate well. When we go up, I'll take revenge for you.”

“Really?”Xiao Yu said in surprise.

A glint flashed in Qin Yu's eyes, and he sneered, “Really.”

At this point, Qin Yu couldn't help but ask, “Why didn't that elder Tang notice that you were lying?”

“AH? Lying? What Lie?”Xiao Yu asked in confusion.

Qin Yu frowned and said, “What you just said to them, wasn't it a lie?”

“No, I really jumped down,”Xiao Yu said with a smile.

Qin Yu suddenly understood.

No wonder that old Tang didn't notice it, because Xiao Yu didn't lie at all.

“You're really brave. Aren't you afraid that there's danger here? Maybe some thousand-year-old Ghost King will eat you directly,” Qin Yu said to scare Xiao Yu.

“Tch, what Ghost King is there! There are quite a lot of Babe,” Xiao Yu muttered.

At this point, Xiao Yu said mysteriously, “I found a babe here, but I didn't dare to take it! Let's go, I'll take you to have a look!”

Chapter 400: Chapter 400, the female devil

“Babe?” Qin Yu's eyes flashed with excitement.

“Yes! Let's go, I'll take you there!” Little Yu held Qin Yu's hand and walked towards the depths of the huge pit.

This huge pit was cylindrical from top to bottom, but when they reached the bottom of the huge pit, it was completely different.

It was shockingly flat ground inside, and in the depths of the flat ground, there was a stone house that was neither big nor small.

The house was blocked by the stone door. Under normal circumstances, such a stone door would definitely set a taboo.

For example, a top-grade killing formation or various traps.

However, what surprised Qin Yu was that this stone door did not have any taboo at all.

Even when little fish walked over, the stone door would open automatically.

The door slowly opened amidst a series of loud bangs.

Behind this stone door, there was a huge throne.

On the throne, there was a dim light.

Little Fish pointed at the light in front of her and said, “That’s it!”

After saying that, she excitedly ran towards the light.

Qin Yu followed closely behind and came in front of the throne.

On the throne, there was a mask.

When Qin Yu saw the mask, his expression could not help but change.

“This... This is the ghost face in the Sky?” Qin Yu’s eyes widened!

For some reason, Qin Yu felt a chill on his back!

It was as if he was being stared at by countless pairs of eyes. That kind of uneasiness made even Qin Yu tremble!

“This is it. Although I don’t know what it can do, I think it’s definitely not a common object.” Little Fish stroked his chin like a little adult.

Qin Yu frowned and reached out his hand to touch the mask.

At this moment, a huge force directly sent Qin Yu flying!

“Boom!”

The huge force shocked everyone!

The stone wall behind Qin Yu was directly smashed into pieces! A huge boulder fiercely smashed into Qin Yu’s body!

“Qin Yu! Are You Alright!” Little Fish hurriedly ran over.

Qin Yu pushed aside the huge rock and walked out of the stone mound.

He shook his head and said, “I’m fine. This mask... seems to have set some kind of forbidden power.”

After saying that, Qin Yu walked to the front of the mask and tried to pick up the mask for the second time.

However, the result was the same as the first time. Qin Yu was directly sent flying!

Moreover, the force was a few times stronger than the first time!

Even Qin Yu’s indestructible body was left with white marks!

“How could this be?” Qin Yu’s expression was a little ugly.

Xiao Yu frowned and said, “That’s not right.”

As she spoke, Xiao Yu stretched out her small hand and grabbed the mask.

“Don’t! Don’t move!” Qin Yu shouted anxiously!

But it was too late! Xiao Yu's hand had already reached for the mask!

Something that surprised Qin Yu happened.

Xiao Yu easily took the mask off the throne! There was no resistance at all!

“This is obviously quite easy to take,” Xiao Yu mumbled as he played with the mask.

Qin Yu frowned slightly.

Could it be... ? ... only a pure yin body could take this mask off?

“Here, take it.” Xiao Yu handed the mask to Qin Yu.

Holding the mask, Qin Yu could clearly feel an ancient and simple internal Qi gushing toward him!

This internal Qi almost covered Qin Yu, and it even affected Qin Yu's spiritual sense!

In an instant, countless images flashed through Qin Yu's mind!

Although this image was fleeting, it made Qin Yu's back go cold!

That terrifying killing intent was definitely not something Qin Yu could withstand!

“This is definitely not an ordinary item,” Qin Yu said in a deep voice as he held the mask.

“Of course! The Babe that I discovered is definitely not an ordinary item!” Little Yu said proudly.

Qin Yu did not say anything. He tried to put the mask on his face.

The moment he put it on, Qin Yu’s face felt an intense burning sensation!

It was as if his entire face was about to be torn apart. It was extremely painful!

“Ah!”

Qin Yu hurriedly took off the mask from his face and threw it to the side.

“What’s Wrong?” Xiao Yu asked with a puzzled look.

Qin Yu didn’t say anything.

His head spun rapidly.

Could it be... that this mask was a natural fit with Xiao Yu?

Or perhaps... It was like the stairway to Heaven, which required approval?

“Xiao Yu, try wearing this mask.” Thinking of this, Qin Yu hurriedly looked at Xiao Yu.

Xiao Yu picked up the mask and muttered, “This is too ugly. I’m such a beautiful little girl, wearing it will affect my image...”

Even though that was the case, she still obediently put the mask on her face.

The moment she put it on, rays of light burst out from the mask!

“Xiao Yu!” Qin Yu hurriedly shouted.

Xiao Yu did not react at all. Qin Yu tried to pull the mask off, but he found that it was as if the mask grew on Xiao Yu’s face. It could not be removed at all!

“Hu...”

A gentle breeze blew past.

On the mask, specks of light flickered.

A moment later, the mask wrapped around Xiao Yu!

Her entire body floated in the air and was enveloped by the dark light!

“Whoosh!”

Another gust of chilly wind blew past!

The specks of light actually formed a slender figure in the air above Little Fish!

This figure’s long hair fluttered in the wind and her figure was slender. It was difficult to conceal the internal Qi of the ancient times.

And she was wearing this mask on her face!

The scene only flashed by for a moment, but it made Qin Yu's entire body tremble!

It was as if his entire body could not withstand this internal Qi, and he was going to kneel down and worship at any time!

The light slowly disappeared, and Xiao Yu also fell from the sky.

She took off the mask and muttered, "What a strange feeling."

"You... are you okay?" Qin Yu could not hide the shock in her heart.

Xiao Yu shook his head and said, "I'm fine. It's like I had a dream."

"What Kind of Dream?" Qin Yu hurriedly asked.

Xiao Yu shook his head and said, "I don't remember either."

Qin Yu didn't say anything.

But his heart was in turmoil.

Could it be... There was a connection between this mask and Xiao Yu?

Or... Xiao Yu was the owner of this mask? The mask was left behind by Xiao Yu in his previous life?

Thinking about it carefully, the light just now was really similar to Xiao Yu's figure.

The only difference was that there seemed to be thousands of differences in personality and temperament.

"Hey, what are you thinking about?" Xiao Yu patted Qin Yu's shoulder.

Qin Yu came back to his senses. He shook his head and said, “Xiao Yu, keep this mask for yourself. Maybe it will be useful to you.”

“Me?” Little Yu pointed at himself and then hurriedly shook his head.

“No, no, no. It’s too ugly. How can I appreciate my peerless appearance with this mask on...”

“Screw you.” Qin Yu rolled his eyes at Little Yu.

“Be obedient. This mask is definitely not an ordinary thing. It might be of great use to you in the future,” Qin Yu said with a serious expression.

It was precisely because of this mask that Little Yu’s life had changed.

No one would have thought that this mischievous girl would become a devil that everyone feared.

Chapter 401: Chapter 401, the breakthrough was imminent

In the huge pit.

Qin Yu and Little Fish carried out a sweep.

Unfortunately, other than this mask, there was nothing else.

There was only endless yin qi.

“The yin qi here is so dense, let’s cultivate in seclusion here,” Qin Yu said to Little Fish.

Little Fish nodded. She sat cross-legged next to Qin Yu and began to absorb the yin qi from the huge pit.

Endless Yin qi surged into Xiao Yu's body.

Its speed far surpassed Qin Yu's.

Even because of Xiao Yu's influence, Qin Yu's absorption of Yin Qi became somewhat difficult.

This also confirmed Qin Yu's thoughts:

There must be a myriad of connections between Xiao Yu and the ghost mask!

Helpless, Qin Yu had no choice but to let Xiao Yu go to the stone house to cultivate alone.

As for Qin Yu, he sat under the light of the huge pit and slowly absorbed the Yin Qi from the huge pit.

As a primal chaos body, Qin Yu had a natural advantage.

The absorption of Yin Qi was extremely smooth. Along with the circulation of the mental cultivation method, Qin Yu's speed could be said to be changing day by day.

The current Qin Yu was already at the peak of the Grandmaster realm. With just one step, he would be able to step into the grandmaster realm!

‘When I step into the Great Grandmaster realm, I will definitely trigger the heavenly tribulation. At that time, I won't be able to hide it anymore.’ Qin Yu raised his head and looked at the people in the huge pit as he thought to himself.

Of course, as long as Qin Yu stepped into the Great Grandmaster realm, he would no longer need to fear those people.

Being invincible among those of the same level wasn't just a saying.

Time passed by minute by minute. Qin Yu was as hungry as if he was thirsty as he absorbed the yin energy from the huge pit.

In the blink of an eye, three days had passed.

The people above were still waiting.

“Damn it, it's been so long. Is this cuckold dead?”Jing Shihong couldn't help but mutter.

Yan Haoran glanced at Jing Shihong and said, “Don't rush everything. Wait slowly.”

Even though he said so, Yan Haoran was also a little anxious.

No one knew how long they would have to wait, let alone whether there was a babe in this huge pit.

In the blink of an eye, another three days passed.

However, there was still no movement in the huge pit.

Jing Shihong couldn't hold it in any longer.

He lay on the huge pit and shouted, “Cuckold brat, are you F * cking dead? !”

Qin Yu opened his eyes and said faintly, “I won't die even if you die.”

Hearing this, Jing Shihong glared and said angrily, “Kid, you know who you are talking to! Do you believe that I will kill you? !”

“Alright, come down.” Qin Yu sneered.

“You!” Jing Shihong was instantly furious.

Qin Yu continued, “Young Master Yan said that as long as I go up, the leader of the northern martial arts world will be me! As your superior, even if I scold you a little, you have to endure it!”

“F * ck me...” Jing Shihong was so angry that he almost vomited blood.

He was at the peak of the Martial Grandmaster realm, yet he was scolded by a person at the Grandmaster realm!

“Shut up!” Yan Haoran said coldly.

“The cuckold is right. He is indeed your direct superior,” Yan Haoran said indifferently in order to stabilize Qin Yu.

Although Jing Shihong was unhappy, he still braced himself and endured it.

“Cuckold, how much longer do you need?” Yan Haoran asked.

Qin Yu raised his head and said, “Give me three more days.”

According to Qin Yu’s speculation, Qin Yu could break through to the Enlightenment stage, which was the realm of a martial grandmaster, in at most three days.

Yan Haoran said in a low voice, “Then is there any treasure inside?”

“Yes, of course there is!”Qin Yu said.

“There is a great killing weapon hidden inside! It is definitely beyond your imagination!”

Great killing weapon?

Yan Haoran’s eyes lit up.

The current Yan family was at the stage of expansion. To them, a great killing weapon was a must-have item!

“Alright, I’ll wait for You!”Yan Haoran agreed with satisfaction.

The huge pit fell into silence.

And above this huge pit, the thoughts in everyone’s heart were stirring.

“Young Master Yan, I have a question.”Finally, someone could not hold it in anymore.

Yan Haoran glanced at him and said, “What question?”

“We are all working for the Yan family, and we are the first batch. Once the Yan family really unifies the martial arts world in the north, who will be the boss? Who will be the president of the Martial Arts World?”

With just one sentence, everyone’s thoughts were dug out from the bottom of their hearts.

“Yes, the north is vast and rich, and there are endless talents. If Marquis Wu appears in the future, then is his identity above us or below us?” Someone threw out a question even more sharply.

Yan haoran frowned slightly.

He really had not considered this question carefully.

Although Yan Haoran had grown up in the Yan family since childhood, he was only a young man in his twenties after all, and he was not as experienced as Yan Sihai.

He was also far from using people.

Therefore, Yan Haoran was stumped by this question.

“When the time comes... you should be on equal footing,” said Yan Haoran.

“On equal footing? Young Master Yan, where there are people, there will be jianghu. Even Blood Brothers will fight for status, let alone outsiders?” Someone said with a faint smile.

These words were obviously mocking the current situation of the Yan family.

Yan Haoran was not stupid. He naturally recognized the hidden meaning of the words.

“Are you mocking our Yan Family?” Yan Haoran said with narrowed eyes.

The other party's expression changed slightly and quickly changed his words, "Young Master Yan, I absolutely have no such intention!"

Yan haoran said coldly, "Don't think that just because the Yan family needs you, you can do whatever you want. To the Yan family, you are nothing!"

As soon as he said this, the scene immediately became much quieter.

"Young Master Yan is right." They nodded one after another.

But deep down, they were a little unhappy.

No matter what, they were all formidable individuals who were in charge of a region. How could they be willing to be treated like this.

And this was also Qin Yu's goal.

The scene became quiet. No one brought up this topic anymore.

Below, Qin Yu was still in closed-door cultivation.

The Yin Energy in his body was already in a saturated state, and he was only a hair's breadth away from breaking through.

It was this hair's breadth that prevented Qin Yu from breaking through.

Time passed by minute by minute.

In the blink of an eye, another three days passed.

This time, Yan Haoran couldn't hold it in any longer.

He lay at the mouth of the huge pit and shouted to the people below,
“Cuckold, how are you?”

Qin Yu slowly opened his eyes.

He took a deep breath and felt the critical point of his breakthrough.

Then, Qin Yu shouted to the sky, “Young Master Yan, the treasure is about to be born. Get Ready.”

Yan Haoran was delighted and hurriedly said, “Good, good!”

Qin Yu didn’t say anything more. He sat on the ground and began to make a breakthrough.

In an instant, the sky was filled with dark clouds and lightning and thunder!

The dark light pointed straight at the huge pit!

Chapter 402: Chapter 402, step into the Great Grandmaster realm!

Light suddenly appeared in the sky like a sharp blade, pointing straight at the huge pit!

Seeing this scene, everyone’s faces turned pale with shock!

“This... This is the scene of a treasure being born!” Someone exclaimed!

Even Yan Haoran couldn't help but nod slightly. He said with admiration, "Cuckold brat, listen well. I, Yan Haoran, will remember your great contribution!"

In the huge pit, Qin Yu completely ignored him.

He sat cross-legged in the huge pit, ready to receive the baptism of the heavenly tribulation.

To Qin Yu, this breakthrough was undoubtedly the most important thing.

As long as he stepped into the realm of a Martial Grandmaster, Qin Yu would be invincible without the appearance of a martial marquis.

Rumble..

Muffled Thunder began to brew in the sky!

This heavenly tribulation seemed to be even stronger than before! It had the power to split the heavens and earth apart!

Normally, one would need to rely on external objects to overcome such a breakthrough.

However, Qin Yu had no intention of doing so. He revealed his upper body, revealing his firm muscles!

He was prepared to use his physical body to forcefully resist this heavenly tribulation!

Crack

Finally, the first heavenly tribulation descended! It landed squarely on Qin Yu's body!

White marks appeared on Qin Yu's body one after another!

However, Qin Yu's expression was calm, as if he had long been prepared.

Not far away, Xiao Yu was hiding behind a rock, watching this scene in shock.

Such a scene was unheard of!

“Boom!”

Another heavenly tribulation descended. This time, Qin Yu's physical body was directly split open!

But what was shocking was that Qin Yu's face still did not have the slightest expression!

He even stood up from the ground and spread his body open, allowing the heavenly tribulation to baptize him!

One after another, muffled Thunderbolts fell continuously, turning this huge pit into a sea of lightning!

Qin Yu simply lay in this sea of lightning and bathed his body in lightning!

“Using the heavenly tribulation to forge my body. If I succeed, my body will be even harder.” Qin Yu endured the pain that came from all over as he muttered in a low voice.

If others heard this, they would definitely be greatly shocked!

The Heavenly Tribulation was a disaster that anyone would try their best to avoid!

However, Qin Yu treated this heavenly tribulation as an opportunity to use the heavenly tribulation to forge his own body!

How arrogant was this!

The heavens seemed to have heard Qin Yu's inner thoughts as the heavenly lightning that descended became even stronger!

Even the huge pit in the surroundings began to rumble, as if it was about to be shattered!

The Heavenly Tribulation's continuous process was beyond everyone's imagination. Countless heavenly tribulations continued endlessly, smashing into the huge pit.

The huge pit shook many times, but there were no signs of it collapsing!

“As expected of the birth of a treasure. The heavenly tribulation is actually so terrifying!” Above, Jing Shihong couldn't help but suck in a breath of cold air.

Yan haoran also analyzed calmly, “That's right. Judging from the Heavenly Tribulation, the treasure that was born is definitely not an ordinary item!”

His glasses revealed a hint of excitement. Such a powerful weapon was definitely like adding wings to a tiger to the Yan family!

“Have you noticed? Although the heavenly tribulation is powerful, this giant pit is not affected at all,” elder Tang said indifferently.

After his reminder, everyone finally reacted.

Looking at the intact huge pit, everyone couldn't help but frown and say, “How could it be like this? Such a powerful heavenly tribulation is enough to destroy the world.”

“Hahaha!” Elder Tang laughed heartily.

“I don't know if you have heard the saying, ‘The Sound of Thunder is loud, but the sound of rain is low,’” elder Tang said with a faint smile with his hands behind his back.

Jing shihong frowned and asked, “What do you mean?”

Elder Tang pointed at the heavenly tribulation and said, “The Heavenly Thunder Looks Mighty, but in fact, it's just a bluff. It has no power at all. Otherwise, this place would have been turned into ruins long ago.”

Jing Shihong was slightly surprised, and then he kept nodding and said, “It makes sense!”

Although he said that, some people still didn't believe him.

After all, this heavenly tribulation looked too terrifying. No one would believe him if he said that it didn't have any power!

“It seems that you don't believe me,” elder Tang said indifferently with his hands behind his back.

“Then let me witness it for you.”

After saying that, elder Tang actually took the initiative to walk toward the heavenly tribulation.

At this time, the heavenly lightning was like a mountain peak that was inserted into the huge pit.

Elder Tang stretched out his hand and said indifferently, “Everyone, watch carefully!”

After saying that, elder Tang directly stretched his hand into the heavenly tribulation.

“Boom!”

The moment he stretched his hand in, a shocking loud sound immediately sounded!

“Ah! ! !”

In the next second, elder Tang’s wail could be heard!

The hand that he stretched into the heavenly tribulation directly turned into ashes!

“My Hand, my hand! ! !”Elder Tang lay on the ground in pain!

The surrounding people couldn’t help but Snicker.

This fool put his hand on the ground in order to show off.

“Hehe, it seems that there’s a problem with elder Tang’s analysis,”Jing Shihong said with a hint of mockery.

Elder Tang grimaced in pain. He didn't expect the power of this heavenly tribulation to be so strong!

“It seems that the baby that was born will shake the whole world!” The Madness in Yan Haoran's eyes grew stronger!

Below.

Qin Yu was bathing in the sea of lightning.

His body was almost burnt, revealing numerous sparkling white bones.

Every time his body was broken, it would be reconstructed in a short period of time!

Not far away, Little Fish had a worried look on his face, and he could not bear to watch.

The Heavenly Tribulation had broken Qin Yu's body countless times, and it was reconstructed again and again.

At this moment, it seemed that the nine revolutions golden core had also begun to play its role and carried out the remaining few revolutions!

Time passed by minute by minute, but there was still no intention of stopping in the huge pit.

“Damn, it's actually been so long,” Jing Shihong couldn't help but curse.

Elder Tang, who had lost his palm, still didn't give up this opportunity to show off.

He looked at the huge pit and said indifferently, “According to my speculation, it should be soon. Under this huge Heavenly Tribulation, that cuckold kid is probably already dead.”

“If he dies, who will go down to retrieve the treasure?” Yan Haoran glanced at elder Tang coldly.

Elder Tang quickly changed his words, “Of course, with that pure yin body accompanying him, he shouldn’t die.”

After the two mishaps, elder Tang’s status in the hearts of everyone dropped rapidly.

No one believed what he said.

“Crack!”

The last heavenly tribulation seemed to contain a long-lasting power as it smashed down fiercely!

This time, even the giant pit couldn’t withstand it!

And below, Qin Yu’s body was directly shattered!

“Qin Yu!” Seeing this, Little Yu couldn’t help but shout.

She ran to Qin Yu anxiously and said with a bit of fear, “You... are you okay?”

There was a bright light in Qin Yu’s body.

Under this light, his body began to reassemble.

At this moment, the dark clouds in the sky began to dissipate.

This indicated that the heavenly tribulation was over.

“Did you hear someone shouting Qin Yu’s name just now?” Jing Shihong asked with a frown.

Chapter 403: Chapter 403, who on Earth are you? !

“Qin Yu? Are you scared silly by Qin Yu?” The person beside him couldn’t help but mock.

“That’s right. Qin Yu dares to come here? Isn’t that courting death?”

Jing Shihong frowned.

He scratched his ears, a trace of doubt flashed in his eyes.

Just now... He clearly heard someone call out Qin Yu’s name.

“Alright, stop talking nonsense. The treasure is about to be born!” Yan Haoran’s eyes were filled with madness.

He stared at the huge pit, waiting for the treasure to be born.

Below.

Qin Yu’s body was being reconstructed bit by bit.

Countless rays of light wrapped around his body, outlining his entire being as if a God had descended from the heavens!

Qin Yu's skin was somewhat translucent, and even his pores were so small that they could not be seen clearly with the naked eye!

At a glance, Qin Yu had transformed from a 30-year-old rough man into a 20-year-old young man!

His transcendent aura caused Xiao Yu, who was not far away, to be dumbstruck and his internal Qi rippled!

Was the man in front of him still that 30-year-old uncle?

Qin Yu didn't show any emotion on his face.

He stood there with his upper body naked. No one knew what he was thinking.

“Is this the level of a martial grandmaster?” After a while, Qin Yu lowered his head and looked at his body.

His entire body turned into a dark golden light at this moment, as if he was wearing a layer of armor.

The vast power in his body increased by a hundred times!

Although there was only a slight difference in realm, the difference in strength was like a ditch!

“I've finally stepped into the Grandmaster realm.” Qin Yu exhaled a mouthful of turbid internal Qi.

He turned his head to look at Little Fish and said, “Give me your mask.”

Little Fish, who was in a daze, came back to her senses.

She hurriedly handed the mask to Qin Yu and then carefully retreated.

Seeing this, Qin Yu couldn't help but laugh. "What are you doing?"

Xiao Yu whispered, "I . . . I don't know either."

Qin Yu patted Xiao Yu's head and said, "I'll return this mask to you later, in case the people upstairs snatch it away."

Xiao Yu nodded repeatedly like a chick pecking at rice.

"Let's go. We should go up too," Qin Yu said as he looked up at the top of the huge pit.

"Okay." Little Yu didn't say anything.

She obediently walked to Qin Yu's side.

Just as the two of them were about to go up, Jing Shihong shouted, "Cuckold, are you dead? Have you found the Babe?"

Hearing this, Qin Yu couldn't help but smile coldly.

"Just you wait. I'll go up and give you the Babe," Qin Yu said indifferently.

Then, Qin Yu looked at little fish and said, "Hold me tight."

"Ah, okay." Little Fish quickly nodded. She reached out and hugged Qin Yu's waist, then slightly closed her eyes.

Qin Yu jumped deeply and headed toward the top of the huge pit!

His body was surrounded by a ray of light. Looking from top to bottom, it was almost impossible to see his figure.

“The Babe is coming out!” Seeing this ray of light, Yan Haoran said excitedly.

The others hurriedly surrounded him, wanting to see the scene of the treasure coming out!

“Swoosh!”

A figure flew out of the huge pit like a cannonball!

Then, the light landed in front of everyone.

He still wore a hat on his head and Little Fish on his back.

Jing Shihong glared at Qin Yu and said, “Cuckold, where’s the Babe? Hurry up and take it out!”

Qin Yu ignored Jing Shihong and looked at Yan Haoran.

“Young Master Yan, I’ve brought the item for you. Do you have to fulfill your promise?” Qin Yu said with a faint smile.

Yan Haoran said with a bit of urgency, “Stop talking nonsense and take out the Babe for me!”

Qin Yu sneered, “You haven’t fulfilled your promise yet.”

“Fulfill your promise?” Yan Haoran revealed his true face.

“Kid, you are only a grandmaster. Do you want to be a Boss?” Yan Haoran said coldly.

Qin Yu raised his eyebrows and said, “So, you are planning to break the contract?”

“Hehe, Kid, you have to give it now even if you don’t want to.” Yan Haoran sneered.

“Of course, if you give it to me obediently, I might be able to give you a chance to serve the Yan family.”

Hearing this, Jing Shihong scolded from the side, “Hurry up and thank Young Master Yan! To be able to serve the Yan family is your honor!”

Qin Yu sneered, “Being a dog for the aristocratic family is your lifelong wish, right? To Be a dog’s slave for them, you still have to be grateful? Is there something wrong with my brain?”

As soon as he said this, everyone was shocked!

Yan Haoran’s face turned even colder.

“Kid, what do you mean?” A terrifying internal Qi burst out from Yan Haoran’s body.

Qin Yu said indifferently, “Nothing.”

“Do you want to give the thing or not?” Yan Haoran asked impatiently.

“Yes, of course I want to give it. It’s in my hands. Come and take it,” Qin Yu said indifferently.

Yan haoran snorted lightly and immediately strode toward Qin Yu.

However, Jing Shihong asked anxiously, “Young Master Yan, can I take care of that woman?”

Yan haoran frowned and said impatiently, “Do whatever you want.”

“Thank you, Young Master Yan!”Jing Shihong was overjoyed and immediately walked toward Little Yu.

Yan Haoran couldn't wait to walk in front of Qin Yu.

“Where is it?”Yan Haoran asked.

Qin Yu stretched out his hand and said, “It's right here.”

Yan Haoran hurriedly looked at Qin Yu's palm.

At this moment, Qin Yu suddenly stretched out his hand and grabbed Yan Haoran's neck!

A terrifying force came at this moment!

Yan Haoran's expression changed greatly. He used all his energy to break free, but he found that Qin Yu's palm was like an iron pincer. No matter how hard he struggled, he could not break free!

The sudden change made everyone's expression change!

“Cuckold, are you crazy!”Bi Cang took the lead and shouted.

Qin Yu ignored him. He glanced at everyone and said indifferently, “I don't know why, but I have a special feeling when facing you guys.”

“It’s like... I can crush you guys with my bare hands,”Qin Yu sighed.

Jing shihong berated, “Kid, I think you’re Crazy! Do You Want to die? Let Go of Young Master Yan!”

Qin Yu looked at Jing Shihong coldly and said, “Jing Shihong, I have a friend who asked me to kill you. She’s a person with no temper, but when she mentioned you, she looked angry.”

“Her name is Fang Yue. Can you tell me what you did to her?”Qin Yu asked.

“Fang Yue?”Jing Shihong was stunned, then he laughed out loud and said, “That slut? Damn, I forgot about her. I actually let her run away last time! What a pity!”

Hearing this, Qin Yu’s face became even colder.

“Jing Shihong, don’t you know that there is a knife above the word ‘lust’?”Qin Yu said coldly.

At this moment, everyone also felt that something was wrong.

“Fang Yue’s friend? Who exactly are you?”Bi San asked coldly.

Qin Yu glanced at him and sneered, “Weren’t you looking for me?”

As he spoke, Qin Yu slowly took off the hat on his head, revealing his true face.

Chapter 404: Chapter 404, a massacre

Beneath the mask was Qin Yu's face.

Upon seeing this face, everyone's expressions changed drastically!

“It's Really Qin Yu!”Jing Shihong was the first to Shout!

“Qin Yu, you actually dared to lie to us! Despicable and Shameless!”

“The Babe must have been stolen by you. Hurry up and hand it over!”

In the face of everyone's angry roars, Qin Yu was calm and composed, and no expression could be seen on his face.

“Qin Yu, you are really audacious. Today, you won't be able to escape death!”Jing Shihong said coldly.

Qin Yu waved his hand, and a slap landed on Jing Shihong's face!

“Pa!”Jing Shihong's entire body was sent flying!

“Noisy thing,”Qin Yu said coldly.

Seeing this scene, the scene immediately fell into a deathly silence!

Sending a peak-stage martial grandmaster flying with a single slap?

Was this really a grandmaster?

“You... quickly let go of me...”Yan Haoran roared in pain.

Qin Yu sneered, “On account that you're Yan Ruoxue's younger brother, I can spare you.”

After saying that, Qin Yu let go of his hand.

Yan haoran, who had been given a breather, felt that the air was so wonderful for the first time.

He was gasping for breath on the ground. Then, he gritted his teeth and said, “Qin Yu, you killed my grandfather and stole the treasure. How should you be punished?”

Qin Yu sneered and said, “The Yan family knows better than anyone how your grandfather died. You want to throw Dirty Water on me? Wishful Thinking.”

How Could Yan Haoran listen to these words? He pointed at Qin Yu and shouted, “Go and kill him! Whoever kills Qin Yu will be the leader of the northern martial arts world!”

With such a generous reward, there would definitely be brave men. As soon as these words were spoken, someone immediately clenched his fist and rushed towards Qin Yu!

A bright light streaked across the horizon. At this moment, the power of a peak martial grandmaster was fully displayed!

On the other hand, Qin Yu stood there without moving an inch. He even slightly closed his eyes.

“Boom!”

A huge explosion resounded throughout the world!

Qin Yu stood there without moving an inch.

Not a single white spot was left on his body.

“How... how is this possible!”The attacker raised his head and looked at Qin Yu, beads of sweat forming on his forehead!

Qin Yu grinned and said, “A peak martial grandmaster is only so-so.”

Before he could finish his sentence, Qin Yu’s palm was already glowing!

The Golden Palm drew an arc, and with a slap, it landed on the Martial Grandmaster’s body!

“Sou!”

This palm directly shattered his body! His bones were broken!

“How is this possible!”Everyone was shocked by this scene!

What kind of battle prowess was this? A peak martial grandmaster was actually unable to retaliate in front of him?

“I’ll give you a chance. Submit to me, and I’ll spare your lives.”Qin Yu said indifferently with his hands behind his back.

“Submit to you? In your dreams!”Bi Chao was the first to Shout!

As soon as he finished speaking, Qin Yu’s body suddenly disappeared.

In the next second, a huge golden fist reflected in his eyes!

Boom

The fist was like a cannonball, smashing into Bi Chao’s body!

In just an instant, bi Chao turned into a pile of meat paste!

Not to mention his appearance, even his human form couldn't be seen!

“He killed a peak-stage martial grandmaster with one punch...”Jing Shihong swallowed his saliva, and his legs couldn't help but tremble.

“Oh no, I promised Fang Yue that I would bring her head back.”Looking at the pile of meat paste on the ground, Qin Yu couldn't help but frown.

“Forget it, bringing her head back is too bloody, it's better to just kill her.”Qin Yu muttered to himself.

Before everyone could react, Qin Yu had already arrived in front of Jing Shihong!

“Don't... Don't kill me!”Jing Shihong shouted in fear.

How Could Qin Yu give him the chance? He immediately raised his hand and pinched Jing Shihong's head.

The Heaven Devouring technique instantly appeared, and Jing Shihong's body rapidly withered!

Another Martial Grandmaster had fallen!

“Comfortable. As expected of a peak martial grandmaster.”After absorbing Jing Shihong, Qin Yu took a satisfied breath.

Seeing this scene, the surrounding people couldn't help but tremble.

The Qin Yu in front of him was simply like a devil! A devil that treated human lives like grass!

“It’s your turn.” Qin Yu looked at the crowd and grinned.

“Qin Yu, don’t be arrogant!” Elder Tang stepped out and shouted.

“This kid only has a strong physical body, but in front of me, a spiritual master, he’s not worth mentioning! I can destroy his spiritual sense at any time!” Elder Tang said coldly.

Qin Yu sneered, “You? Do you think you are qualified to be called a spiritual master?”

“Ignorant child! I will let you know spiritual power right now!” Elder Tang roared angrily!

Then, spots of light flickered between his brows, and rays of light rushed toward Qin Yu!

This was the power of spiritual sense! It could penetrate through the body and directly attack spiritual sense, which was also elder Tang’s specialty skill!

“Watch how I destroy your spiritual sense!” Elder Tang roared crazily!

Qin Yu put his hands behind his back and didn’t move an inch.

Just as the light was about to Touch Qin Yu, rays of golden light also flashed between Qin Yu’s brows!

The light turned into a sharp blade and directly slashed toward elder Tang’s spiritual sense!

“Puchi!”

The spiritual sense power that elder Tang transformed into was directly cut into two halves by a sword!

“Ah!”

The pain was like needles stabbing into his head, causing elder Tang to stagger and almost fall down.

Before he could withdraw his spiritual sense, Qin Yu had already waved his hand and directly crushed elder Tang’s spiritual sense!

Elder Tang, who had lost his spiritual sense, instantly became a walking corpse and fell to the ground, unable to get up.

“Didn’t anyone tell you that there’s a price for acting tough?” Qin Yu looked at elder Tang’s corpse and couldn’t help but sneer.

As one martial grandmaster after another fell, everyone’s hearts began to panic.

However, they knew very well in their hearts that begging for mercy was useless. They could only fight to the death.

“Weng!”

Someone used a secret treasure and threw a huge round plate at Qin Yu.

The round plate was like the Moon as it suppressed Qin Yu!

However, what responded to him was only a simple yet effortless fist!

With one punch, the secret treasure was directly smashed into pieces!

In an instant, countless secret treasures were thrown out at this moment!

As Peak Grandmasters, they naturally had a certain amount of resources.

But now, they discovered that all of their resources had lost their luster in front of this man!

Because his fist was the strongest secret treasure in the world!

The Sky exploded continuously, and all of the secret treasures were shattered!

The spells they used were unable to stop Qin Yu's slaughter!

“Dragon Locking Spell!” Someone Roared. Countless chains immediately appeared beneath Qin Yu's feet, binding him tightly!

“Everyone, run!” Taking advantage of this gap, they hurriedly shouted.

“Small tricks, you want to stop me?” Qin Yu's internal Qi suddenly erupted, and all the chains were directly shattered into pieces!

Chapter 405: Chapter 405, martial grandmasters were not worth mentioning

At this moment, Qin Yu was like an undefeatable god of war. All their methods were unable to stop Qin Yu's slaughter!

“Young Master Yan, save US quickly!”

Seeing Qin Yu rushing over, everyone panicked!

In their desperation, they could only turn to Yan Haoran from the Yan family!

However, Yan Haoran was not Yan Jinyao. He simply did not have the strength to fight against Qin Yu!

At this moment, he was like a clay bodhisattva crossing the river. He could not even protect himself, so how could he care about them?

“Pa!”

Before he could finish shouting, a crisp sound was heard.

Qin Yu’s golden palm swung over and directly smashed the other party’s head into pieces.

Fresh blood splattered for a few meters, and the scene was extremely bloody.

In a short hour, more than ten peak martial grandmasters had all died under Qin Yu’s palm!

Looking at the scene of corpses strewn all over the ground, Yan Haoran’s expression was extremely ugly.

He had never imagined that the first time he left Jingdu, he would encounter such a tragic battle!

Qin Yu’s body had already been dyed red, and his pair of bright eyes were like a star hidden in a black cloud, flickering with light.

And this pair of shining eyes was currently coldly looking at Yan Haoran.

Feeling this cold gaze, Yan Haoran's body couldn't help but tense up.

Qin Yu slowly walked towards Yan Haoran.

Every step was a kind of torment to Yan Haoran.

He suppressed the fear in his heart and tried his best to speak calmly,
“Qin Yu, I'm different from the two Han family disciples that you killed.
I'm one of the Yan family's descendants. If you kill me, it will
definitely cause a huge uproar.”

Qin Yu sneered, “Do you think I Care?”

Yan Haoran's face instantly turned pale!

He was different from Han Wei. Although Yan Haoran had extraordinary strength, he had grown up under the protection of the family since childhood and was a flower in the greenhouse.

The choice of life and death was a thousand miles away for him.

Now that he felt the imminent danger, it was impossible not to be afraid.

Looking at Yan Haoran's slightly trembling body, Qin Yu raised his hand and slowly patted Yan Haoran's shoulder.

Just by patting his shoulder, Yan Haoran was so scared that he staggered and fell to the ground.

“Hahahaha!”

Seeing this scene, Qin Yu could not help but burst into laughter.

“The young master of an aristocratic family is just a coward,” Qin Yu sneered.

Qin Yu’s ridicule made Yan Haoran feel ashamed.

He wanted to get up from the ground, but his body was not under his command.

“Don’t be afraid. I’ve said it. After all, you are Yan Ruoxue’s younger brother. I won’t kill you.” Qin Yu said indifferently.

“But you must remember, I won’t kill you because of Yan Ruoxue, not because of the powerful Yan family behind you.”

“The so-called face of the Yan family is worthless in front of me.”

Yan Haoran didn’t say a word. At this moment, he didn’t even dare to look at him, let alone talk to him.

“Get lost,” Qin Yu said coldly.

Yan Haoran struggled to get up from the ground. His trembling legs looked extremely comical.

“Right.” At this moment, Qin Yu suddenly called out to Yan Haoran.

“Go back and tell Yan Sihai that if he is willing to return Ruoxue to me, I can consider letting the Yan family go,” Qin Yu said indifferently.

His words were extremely arrogant and domineering.

There was no one else in the world who could challenge the Yan family’s boldness alone.

Yan Haoran's body paused, then he quickly got into the car and left.

Looking at the corpses on the ground, Qin Yu immediately searched the bodies.

Unfortunately, the treasures on these people were all broken by Qin Yu.

“Maybe I don't need to live this kind of life anymore.” Feeling the surging power in his body, Qin Yu's heart was full of confidence.

Although a martial grandmaster was not enough to go to Jingdu and challenge the Yan family, Qin Yu was not afraid of the Yan family's pursuit.

“I didn't scare you, did I?” Qin Yu walked to Xiao Yu's side and asked with a smile.

Xiao Yu was unusually calm. She shook her head and said, “I don't know why, but I don't feel anything at all.”

“You don't feel anything at all?” Qin Yu frowned slightly.

This shocked him greatly!

One had to know that last time, Xiao Yu was as timid as a mouse. This time, she was so indifferent to life. This was definitely not something an ordinary person could do.

Could it be that... it had something to do with that mask?

Qin Yu took out the mask from his spatial magic tool and returned it to Xiao Yu.

“This mask... keep it well,”Qin Yu said.

Xiao Yu took the mask and nodded. “I understand.”

“Let’s go. I’ll send you back,”Qin Yu said.

The two of them left the battlefield.

Qin Yu personally sent Xiao Yu home and hurried back.

He had single-handedly killed more than ten peak grandmasters, and he had done it in a crushing manner.

Once this news was spread, it would definitely cause a huge commotion.

But this time, Qin Yu didn’t want to keep a low profile. He even hoped that this news would spread as quickly as possible.

...

Yan Haoran rushed back to Jingdu overnight.

When he returned home, he was covered in blood, and he was in a sorry state.

All the servants in the house were so scared that their faces turned pale and they shouted.

“Haoran, what... What happened to you ?”Seeing Yan Haoran’s attitude, Yan Tianhong could not help but turn pale with fright.

“Are you hurt? Doctor, quickly call the Doctor!”Yan Tianhong shouted.

Yan Haoran waved his hand and said, “Dad, this is someone else’s blood.”

“What’s going on?” Yan Tianhong frowned and asked.

Yan Haoran was silent for a moment and said, “I want to see my uncle.”

“See your uncle?” Yan Tianhong looked at the time and shook his head.

“He’s already asleep at this time.”

“This is a serious matter. I must see him immediately,” Yan Haoran said stubbornly.

Then, Yan Haoran drove toward Yan Haoran’s home.

When he arrived at Yan Sihai’s home, Yan Sihai’s wife, Zhang Yin, was still awake.

She was wearing a noble-looking nightgown and was sitting on the sofa, sipping red wine.

As Yan Sihai’s wife, her temperament and Yan Sihai’s character were naturally the same. Both of them were vicious and vicious.

“Haoran, what’s wrong with you?” Seeing Yan Haoran covered in blood, Zhang Yin was a little surprised.

Yan Haoran quickly bowed and said, “Auntie, is my uncle asleep? I have something important to tell him.”

Zhang Yin smiled faintly and said, “What’s so urgent? Your Uncle has been busy for a whole day and has already rested.”

Yan haoran gritted his teeth and said, “Auntie, this matter is very important. I have to tell my uncle as soon as possible.”

Zhang Yin sized up Yan Haoran and said, “You should be clear about your uncle’s character and temper. Who Dares to disturb his dream? If there’s anything, you can tell Auntie. I can make the decision.”

Seeing this, Yan Haoran no longer hid the truth. He immediately told Zhang Yin what happened.

After Zhang Yin heard it, she couldn’t help but say coldly, “You mean... Qin Yu killed more than ten peak-stage martial grandmasters?”

“Yes! And they didn’t even have the strength to fight back!” Yan Haoran said in shock.

Hearing this, a hint of coldness flashed across Zhang Yin’s face.

“This Qin Yu is a bit interesting. I want to go and meet him,” Zhang Yin said in a low voice.

Speaking up to this point, Zhang Yin looked at Yan Haoran and said, “Haoran, you go back and rest first.. Tomorrow, I will personally meet this Qin Yu.”

Chapter 406: Chapter 406. Since ancient times, beautiful women had caused many disasters

Yan haoran hurriedly said, “Auntie, this Qin Yu’s strength is not ordinary, and he is unruly and unruly. You... you have to be careful.”

Zhang Yin lightly snorted, “I have seen many unruly and unruly people. In front of me, you have to lower your head!”

Seeing this, Yan Haoran did not say anything more and could only nod.

...

The next day.

After Qin Yu woke up, he couldn't wait to open the martial arts forum.

He really wanted to know how the Martial Arts Forum would comment on this matter.

But unfortunately, the martial arts forum was completely silent.

Everyone seemed to not know about this matter at all.

Qin Yu frowned slightly and muttered, “It shouldn't be. How can such a big matter be so peaceful?”

“Could it be that the Yan family has blocked the news?” Qin Yu guessed.

With such a big matter, unless the Yan family had ordered a blockade, it was impossible for there to be no news.

After all, the martial arts forum was controlled by the Jingdu Martial Arts Association. It was still possible for the Yan family to order a blockade.

“No, I have to think of a way to spread this news,” Qin Yu thought to himself.

Just as Qin Yu's thoughts were running wild, his phone suddenly rang.

He picked up the phone and saw that the caller was Fang Yue.

Qin Yu hurriedly picked up the phone and said, "Miss Fang."

Fang Yue on the other end smiled faintly and said, "Congratulations, Brother Qin, for stepping into the Martial Grandmaster Realm."

Qin Yu raised his brows and said, "How did you know?"

Fang Yue said faintly, "Brother Qin killed more than ten martial grandmasters, so you must have stepped into the Martial Grandmaster Realm."

Hearing this, Qin Yu couldn't help but smile and say, "Miss Fang is quite well-informed."

"This kind of thing can not be hidden even if you want to," Fang Yue said.

At this point, Fang Yue paused for a moment and continued, "Brother Qin, do you have time?"

Qin Yu agreed, "What's the matter?"

"Let's meet and talk," Fang Yue said.

"Okay," Qin Yu immediately agreed.

Fang Yue told Qin Yu the time and place.

After hanging up the phone, Qin Yu was ready to go to the appointment.

At this time, an uninvited guest appeared outside the door.

A middle-aged man stood in front of Qin Yu, his face full of respect.

“Guan Jiarong?” After seeing the person clearly, Qin Yu couldn’t help but raise his eyebrows, and the corners of his mouth curled into a sneer.

Guan Jiarong cupped his hands and said, “Mr. Qin, these are the herbs for you. Please keep them well.”

Looking at the hundred-year-old herbs in his hand, Qin Yu couldn’t help but sneer.

“Guan Jiarong, you used the name of the martial arts association to do something for your own benefit.”

“Do you think a hundred-year-old herbs can calm the matter?” Qin Yu asked coldly.

Guan Jiarong’s expression changed drastically. He knelt on the ground with a plop and said with fear, “Mr. Qin, I have realized my mistake deeply. I hope... I hope Mr. Qin will spare my life...”

The sudden change in attitude could not help but surprise Qin Yu.

He sized up guan jiarong and sneered, “Guan Jiarong, what trick are you playing now?”

Guan Jiarong said with a terrified face, “I don’t dare, I don’t dare... It’s my fault for not knowing that Mr. Qin is a real person. Please spare my dog life, Mr. Qin...”

Qin Yu narrowed his eyes slightly.

He said coldly, “Get lost. I’m warning you. If you mess with me again, I don’t care about your Bullsh * T martial arts association!”

“Yes, yes, definitely!”Guan Jiarong hurriedly nodded.

Qin Yu coldly snorted and didn’t bother with Guan Jiarong anymore. He immediately drove away.

Looking at Qin Yu’s departing figure, Guan Jiarong couldn’t help but heave a sigh of relief.

This morning, he heard that more than a dozen martial arts aristocratic families’heads had been beheaded.

Moreover, the person who attacked was a young man called Qin Yu!

Guan Jiarong was scared out of his wits when he heard the news. He immediately drove over to apologize.

“That was close. No one should provoke such a madman...”Guan Jiarong muttered in a low voice.

...

Fang Yue had agreed to meet at an open-air restaurant.

When Qin Yu arrived, she had already been waiting for him.

When she saw Qin Yu, Fang Yue waved at him.

“Brother Qin.”Fang Yue waved.

Qin Yu hurriedly walked to the table and sat down.

He took out the green hat from his spatial magic tool and handed it to Fang Yue.

“I’ll return it to you,” Qin Yu said.

Fang Yue smiled and said, “I’ll give it to you.”

Qin Yu curled his lips and said, “I don’t want this. You can keep it for yourself.”

Hearing this, Fang Yue immediately covered her mouth and laughed.

“Brother Qin’s action is really shocking.” Then, Fang Yue said seriously.

“Now, at least half of the martial grandmasters in the Jiang bei region have been killed by you.”

Qin Yu sneered and said, “Then they deserve to die.”

Serving the Yan family meant that they were destined to become Qin Yu’s enemies. Sooner or later, they had to be killed.

“Brother Qin, what are your plans next?” Fang Yue asked.

Qin Yu looked at Fang Yue and said in a deep voice, “I do have a plan. Perhaps Miss Fang can help me.”

Hearing that, Fang Yue pretended to be terrified and said, “It’s my honor to be able to work for Brother Qin.”

Qin Yu rolled his eyes and said, “Don’t play this game with me.”

After saying that, qin yu said seriously, “I plan to rope in the power that belongs to me.”

“Your Own Power?” Fang Yue was slightly surprised.

Qin Yu nodded and said, “Yes, it’s absolutely impossible for me to shake the Yan family by myself. After all, it’s the modern society now.”

Fang Yue said in a low voice, “That’s true. Under the management of the modern society, it’s indeed difficult to achieve anything with just one bottle of martial force.”

Speaking up to this point, Fang Yue continued to ask, “I wonder what aspect brother Qin plans to start from?”

Qin Yu was silent for a moment before saying, “I’ve thought about it carefully. If I want to go against the Yan family and the Han family, I must think of three aspects.”

“Business, martial arts, and connections are all indispensable.”

“Now that old Mister Yan has the power to develop business, I plan to establish my own sect.”

“As for connections, I hope I can rely on Miss Fang.”

Hearing this, Fang Yue was silent for a moment.

Then, she smiled and said, “Brother Qin is an elder of the Divine Alchemist Pavilion. Why do you need my help?”

Qin Yu shook his head and said, “It’s far from enough. I need connections in Jingdu.”

“If Miss Fang is unwilling, then just pretend that I didn’t say anything,” said Qin Yu.

Fang Yue thought for a moment and said, “Let me think about it.”

“Okay.” Qin Yu didn’t force her. After all, it was impossible to force something like this.

“Beauty, are you planning to make your partner a cuckold?”

At this moment, a young man walked over from the side.

The young man looked at the cuckold in Fang Yue’s hand and said with a wicked smile, “Why don’t you consider me? What do you think?”

Fang Yue glanced at the young man and said with a faint smile, “Do you think you’re Worthy?”

Hearing this, the young man was not angry.

He said proudly, “Beauty, it seems that you don’t know my identity.”

“Oh? What’s Your Identity?” Fang Yue raised her eyebrows and asked.

The young man said proudly, “You know the Jiangbei Martial Arts Association, right? My second uncle is the president of the Jiangbei Martial Arts Association, Guan Jiarong!”

“In the entire Jiangbei region, who dares not give my second uncle face?” The young man said proudly.

Chapter 407: Chapter 407, I don' t care who he is!

“Guan Jiarong?”Fang Yue had obviously heard of this name before.

She glanced at Qin Yu and said in a low voice, “Guan Jiarong is indeed the president of the Jiang Bei Martial Arts Association. His position is not low.”

Qin Yu ignored Fang Yue's words and looked at the young man, saying coldly, “Get lost immediately.”

Displeasure flashed across the young man's face. He pointed at Qin Yu and said, “Kid, are you tired of living? Your partner wants to cheat on you, so I helped you. You should thank me!”

Qin Yu slowly stood up.

“What? You still want to make a move?”The young man coldly snorted.

“Let me tell you, I am a Grandmaster!”A weak internal Qi burst out from the young man's body.

Qin Yu didn't say anything. He just took a step forward.

A terrifying pressure immediately spread out!

“Peng!”

Under this huge pressure, the young man directly fell to the ground, and his face was bruised and swollen!

“Go back and tell Guan Jiarong that I have it. He will be punished even more. Think about how to solve it yourself,”Qin Yu said coldly.

After saying this, Qin Yu pulled Fang Yue up and turned around to leave.

After walking far away, Fang Yue said in surprise, “You know Guan Jiarong?”

Qin Yu nodded and said, “I can be considered to know him. This world is really small.”

Then, Qin Yu waved his hand and said, “Let’s not talk about this anymore. Miss Fang, go back and think about it carefully. Then give me an answer.”

Fang yue smiled and said, “Okay, Brother Qin, don’t worry.”

...

At this moment, fireworks were going off in Qin Yu’s residence.

Ever since Peach left the Divine Alchemist Pavilion with Qin Yu, she had been hiding at home every day to study pills.

And Qin Yu did not disappoint her. He threw out several kinds of pill formulas.

Each of these pill formulas was priceless.

Peaches naturally would not miss this opportunity. Almost every day, she would refine pills until she was exhausted.

“Wow, your technique isn’t good either. With just this kind of pill, Mr. Qin can refine it with a lift of his finger.” Yao Qing stood beside Peaches and did not forget to mock and ridicule.

Peaches glared at Yao Qing and said, “Elder Qin knows how to refine. What has it got to do with you? What are you so proud of!”

“Of course I’m proud! I’m even proud!” Yao Qing said shamelessly.

At this moment, an Audi A8 with Jingdu license plate slowly stopped at the door.

Then, a graceful and noble lady walked out of the car.

She was surrounded by a few bodyguards, each of whom had a respectful expression.

The powerful aura made Yao Qing and peach frown.

They had come with ill intentions.

This was the first thought in their minds.

“Who are you looking for?” Yao Qing took the lead and asked nervously.

The noblewoman sized up Yao Qing and said indifferently, “Where’s Qin Yu?”

“Mr. Qin has gone out and is not at home. Who Are You?” Yao Qing asked.

“How dare you! This is the wife of our Yan family, Zhang Yin!” The bodyguard next to him immediately shouted angrily!

The wife of the Yan Family?

Hearing this, Yao Qing and Tao Zi’s faces couldn’t help but change.

Everyone knew the enmity between Qin Yu and the Yan family. Now that the wife of the Yan family was here personally, something big was going to happen!

“Mrs. Yan, my Mr. Qin isn’t here. You’d better come back another day,” Yao Qing said in a deep voice.

As he spoke, Yao Qing took out his phone, wanting to secretly inform Qin Yu to run away.

But unfortunately, this action didn’t escape Zhang Yin’s eyes.

“Bang!”

A burst of internal QI flashed past, and Yao Qing’s phone was directly shattered.

“You want to inform him?” Zhang Yin said with a smile that wasn’t a smile.

Although Yao Qing didn’t have a proper appearance normally, once something happened, he definitely wouldn’t shirk his responsibility and escape.

Yao Qing gritted his teeth and said coldly, “Mrs. Yan, Mr. Qin has really gone out. You should leave.”

Zhang Yin snorted and said, “If he doesn’t come back, I will wait for him here.”

After saying that, Zhang Yin strode into the courtyard.

Yao Qing immediately stood in front of Zhang Yin.

He braced himself and said, “Mrs. Yan, Mr. Qin, he...”

“Get lost,” Zhang Yin said coldly.

“Why should I get lost? You should be the one to get lost!” Tao Zi said with a cold face.

Zhang Yin’s gaze immediately landed on Tao Zi’s face.

She raised her eyebrows and said, “Are you talking to me?”

“What else? Are you talking to air?” Tao Zi snorted.

Zhang Yin’s eyes narrowed slightly.

She said indifferently, “You dare to Talk Back to me? Slap Me!”

“Yes!”

The bodyguard beside Zhang Yin immediately walked towards Tao Zi!

Yao Qing tried to stop him, but he wasn’t a match at all.

The bodyguard only waved his big hand and sent Yao Qing flying.

Then, the bodyguard reached out and grabbed Tao Zi’s body. He raised his hand and slapped Tao Zi’s face twice.

These two slaps were extremely powerful. Peach's mouth was covered in blood, and there was even a bloody scar on his face.

“Two dogs, how dare you shout in front of me.” Zhang Yin snorted coldly.

“Tell the two of them to kneel at the door.” Zhang Yin ordered.

“Yes.” The bodyguard nodded.

Then, the bodyguard used a secret technique to suppress the bodies of the two people and knelt at the door!

Yao Qing and Tao Zi tried to struggle, but in front of the Martial Grandmaster, they couldn't fight back at all! They could only kneel at the door!

Zhang Yin walked into Qin Yu's home.

She looked at the decorations in Qin Yu's home and couldn't help but snort, “What a country bumpkin. A country bumpkin is a country bumpkin.”

Zhang Yin seemed to be extremely disgusted with Qin Yu's residence.

She even felt insulted when she sat down.

In Zhang Yin's eyes, this was the poverty that came from the bottom. It was extremely disgusting.

As time passed, Zhang Yin paced back and forth in Qin Yu's house.

About half an hour later, Qin Yu's car finally appeared in the distance.

“Elder Qin is back.” Peach was the first to see the direction of the car.

Yao Qing’s expression changed even more. He hurriedly shouted in the direction of Qin Yu, “Mr. Qin, Run!”

Hearing Yao Qing’s words, Qin Yu, who was in the car, couldn’t help but frown slightly.

When he saw the two people kneeling at the door, his expression changed even more! He immediately stepped on the accelerator and rushed over!

The car steadily stopped in front of Yao Qing.

Qin Yu hurriedly jumped out of the car and said coldly, “Who did it?”

Yao Qing did not answer, but anxiously said, “Mr. Qin, run quickly. Someone from the Yan family has come!”

“Yan Family?” Qin Yu’s expression instantly became even colder.

Just as Qin Yu was about to step in, Yao Qing anxiously shouted, “Mr. Qin, the person who came this time is different. She... she is the madam of the Yan family!”

“I don’t care who he is.. Could it be that she is the madam of the Yan family and can ride on my head to shit?” Qin Yu said coldly.

Chapter 408: Chapter 408, a Slap!

To Qin Yu, he didn’t care about his status.

As long as he provoked him, all living things were equal.

Qin Yu looked at Peaches and frowned. “Who hit you?”

Peaches dodged a bit and said, “No... no one. I accidentally hit myself.”

Qin Yu’s face flashed with coldness. With a wave of his hand, the terrifying internal Qi directly removed the suppression on the two of them.

Yao Qing and Tao Zi, who had regained their mobility, hurriedly stood up from the ground.

“The two of you, come in with me,” Qin Yu said coldly.

Yao Qing pulled Qin Yu’s arm and opened his mouth, saying, “Mr. Qin, you must be careful.”

Qin Yu nodded and then strode into the room.

As soon as he entered, he saw a woman with a noble temperament standing there in high heels.

After seeing Qin Yu, Zhang Yin said indifferently, “You are Qin Yu?”

Qin Yu didn’t say anything. His eyes were filled with killing intent as he looked coldly at Zhang Yin.

Zhang Yin turned the tables and said indifferently, “Sit.”

Qin Yu didn’t pay attention to her. Instead, he asked, “Were you the one who made the two of them kneel at the door?”

This sentence made Zhang Yin slightly surprised.

As the wife of the Yan family, she personally came to visit Qin Yu. It was fine if Qin Yu was not afraid, but the focus was on the two nameless people?

Zhang Yin sized up Qin Yu and said indifferently, “You are really different from ordinary people.”

“Answer my question.” Qin Yu was extremely domineering.

Such words naturally infuriated Zhang Yin.

She looked coldly at Qin Yu and said, “Do you know who I am?”

“Who you love, does it have anything to do with me?” Qin Yu said coldly.

“What qualifications do you have to make the two of them kneel at the door?”

“How dare you speak to Madam Like That, how dare you!” The Martial Grandmaster beside Zhang Yin berated.

Qin Yu glanced at him and immediately slapped him.

This slap directly shattered the bodyguard’s face bone! His entire internal Qi rapidly became dispirited!

Zhang Yin’s expression was incomparably ugly, and a strong killing intent flashed through her pupils!

“Ever since I married into the Yan family, no one has dared to act so rashly in front of me! You’ve really given me a huge shock!” Zhang Yin said coldly.

Qin Yu sneered and said, “Is that so? The big surprise is yet to come.”

After saying that, Qin Yu strode over to Zhang Yin.

“The injury on Peach’s face, was it done by you?” Qin Yu asked with a cold face.

Hearing that, Zhang Yin couldn’t help but say angrily, “Qin Yu, don’t go too far! Two watchdog dogs, so what if I beat them up!”

“Watchdog dogs?” Qin Yu sneered.

“I’ll let you know the consequences of beating someone up now.”

After saying that, Qin Yu raised his palm and slapped Zhang Yin’s face!

A clear sound echoed in the room.

A clear palm print quickly appeared on Zhang Yin’s face.

“You... You Dare to hit me? ! Do you... Do you know who I am!” Zhang Yin’s eyes were filled with disbelief!

As the madam of the Yan family, no one had ever dared to make a move against her!

“I know,” Qin Yu said with a cold smile.

“You are a dog reared by the rich, a chicken in the upper circles of Jingdu, an animal that uses its power to bully others and commit crimes,”Qin Yu said with a cold smile.

“You... you...”Zhang Yin was so angry at Qin Yu that she couldn’t say a word.

“Oh, right, you are also an ugly woman with a vicious heart,”Qin Yu added.

Zhang Yin was almost driven mad with anger!

She had thought that if she appeared, Qin Yu would be scared out of his wits.

But she never expected that Qin Yu did not put her in his eyes at all and even humiliated her!

“Qin Yu, I won’t let you off!”Zhang Yin said through gritted teeth.

Qin Yu sneered, “Alright, I’ll wait for you.”

Zhang Yin had obviously underestimated Qin Yu.

She could not help but recall what Yan Haoran had said.

This Qin Yu really did not know his place and was unruly and unruly.

“Qin Yu, I will always remember this slap. Let’s wait and see!”Zhang Yin gritted her teeth and said.

After saying this, Zhang Yin stomped on her high heels and walked out angrily.

Qin Yu shouted from behind, “Take care, don’t send me off. Next time you come, don’t bring such trash along.”

Zhang Yin did not say a word as she hopped into the car dejectedly.

The moment she got into the car, Zhang Yin immediately roared out in rage, “This Qin Yu actually dared to hit me! I want to kill him, I want to kill him!”

“Madam, please... . . Please calm down.”The bodyguard beside her said softly.

“Trash, a bunch of trash!”Zhang Yin almost roared out in rage.

The bodyguard sat at the side, not daring to say a single word.

Zhang Yin being slapped in the face was not a small matter.

If word got out, it would probably shock the entire fire country!

“Drive, back to Jingdu.”Zhang Yin said coldly.

“Yes, My Lady.”The bodyguard did not dare to say another word.

The car drove all the way back to Jingdu.

The moment they reached home, they saw Yan si hai sitting coldly on the sofa.

“Old Master... . .”

The moment she saw Yan Si Hai, Zhang Yin immediately put on an aggrieved expression.

Yan Sihai looked at Zhang Yin coldly and said, “Who told you to go to Chuzhou?”

Zhang Yin opened her mouth and said in a low voice, “I also want to avenge the Yan family and share your worries...”

“Share Your Worries?” Yan Sihai looked at Zhang Yin coldly.

“Did I tell you not to interfere in the Yan family’s affairs?”

Zhang Yin opened her mouth and pretended to be aggrieved, “I saw that you were too tired recently, so my heart aches for you...”

“HMPH!” Yan Sihai snorted coldly.

“Zhang Yin, don’t think that I don’t know your little thoughts.”

Zhang Yin sat at the side and didn’t dare to speak.

Although Zhang Yin was only a woman, her ambition was extremely great.

Being able to climb up the Yan family’s tree was the result of her scheming.

Therefore, Yan Sihai had always been somewhat wary of her.

“Tell me, how did you share my worries?” Yan Sihai changed the topic and said indifferently.

Zhang Yin gritted her teeth and said, “That Qin Yu is simply lawless! He doesn’t even put my Yan family in his eyes!”

“Get to the point.” Yan Sihai drank a mouthful of tea and said indifferently.

Zhang Yin touched her face and said with tears, “That Qin Yu.... that Qin Yu actually dared to hit me!”

Chapter 409: Chapter 409, Wei Ming’ s request

Zhang Yin’s words instantly made Yan Sihai spit out a mouthful of water.

“Qin Yu... actually dared to hit you?” Yan Sihai’s eyes widened.

Zhang Yin nodded. She pointed at her own face and said, “Not only did he hit me, he also humiliated me. Master, no matter what, we must get rid of this Qin Yu!”

Yan Sihai’s eyes narrowed slightly.

It was obvious that Qin Yu’s arrogance had exceeded his imagination.

“This Qin Yu... We really can’t let him Live!” A killing intent flashed through Yan Sihai’s eyes.

...

The news of Qin Yu killing more than a dozen martial grandmasters finally spread on the martial arts forum.

For a moment, all kinds of rumors appeared on the forum.

Some people said that there was an expert behind Qin Yu, and some people said that it wasn't Qin Yu who made a move that day, but someone from behind.

But in the end, all these theories were broken one by one and finally turned into the same point of view:

That was, the reason why Qin Yu's strength soared was because of the mental cultivation method he obtained on the stairway to heaven!

It was as if someone was adding fuel to the fire in the dark, and countless people were exaggerating the use of the mental cultivation method.

“This is clearly someone deliberately leading the pace,” Yao Qing said in a deep voice as he looked at the posts on the Forum.

“That's right. Someone wants to kill someone by borrowing someone's knife.”

“After all, only Mr. Qin has obtained this mental cultivation method. No one knows how effective it will be.”

“If it's really like what they said, then there will definitely be people who will be greedy and make a move for the mental cultivation method.”

At this point, Yao Qing looked at Qin Yu and said with some anxiety, “Mr. Qin, shouldn't we respond? At least clarify the truth.”

Qin Yu stretched and said, “Yes, we should respond. Um... Yao Qing, help me post a post and say... this cultivation technique has indeed brought me great benefits.”

Hearing Qin Yu's words, Yao Qing and peaches immediately widened their eyes.

“Mr. Qin, aren't you... aren't you inviting trouble on yourself?” Yao Qing said in puzzlement.

Qin Yu sneered and said, “That's right, I want them to kill me.”

At the moment, Qin Yu just couldn't find a good way to cultivate.

It was a good opportunity for someone to kill him.

As long as he had the heaven swallowing technique in hand, the more people came, the more excited Qin Yu would be.

Yao Qing didn't quite understand Qin Yu's thoughts and stood there waiting for Qin Yu to answer his doubts.

However, Qin Yu only waved his hand and said, “Do as I say.”

“Oh right, tell them my whereabouts. I will go to Yunchuan in the near future.”

Yao Qing still wanted to ask something, but was interrupted by Qin Yu with a wave of his hand.

With no other choice, Yao Qing could only do as Qin Yu said.

His response naturally caused a huge uproar.

For a moment, the martial arts forum was discussing this set of mental cultivation method.

...

The next day.

Qin Yu packed up and prepared to head to Yun Chuan.

Qin Yu had never forgotten the enmity with Yan Jiang.

He had helped Qin Yu through many difficult times. This favor was something Qin Yu would never forget.

“Cao Shan, it’s time for you to pay the price.” A cold glint flashed in Qin Yu’s eyes.

Just as Qin Yu was about to set off for Yun Chuan, his phone suddenly rang.

He picked up his phone and saw that the caller was Wei Ming, whom he had not contacted for a long time!

Back when Qin Yu was in trouble, Wei Ming had insisted on standing on Qin Yu’s side. In the end, he was severely injured by Jiang Gu.

From then on, there was no longer any contact between the two of them.

Now that Wei Ming suddenly called, Qin Yu was still somewhat surprised.

He picked up the phone and said with a smile, “Wei Ming, why did you suddenly call me?”

On the other end, Wei Ming stammered, “Mr. Qin, have you been busy recently?”

Qin Yu smiled and said, “If you have anything, just say it. There’s no need to be so polite.”

Wei Ming was silent for a moment and said, “I do have something I want to ask you for help with. I don’t know if it’s convenient for you.”

“Alright, go ahead.” Qin Yu agreed without hesitation.

Seeing this, Wei Ming also heaved a sigh of relief.

He told Qin Yu everything that had happened.

Ever since they had offended Jiang Gu, house Wei had suffered a huge blow. Not only was it a setback, but it was more or less the same.

Although Qin Yu and Jiang Gu had made peace after that, no one would care about a small house Wei.

Now, House Wei’s father and son were supporting house Wei with all their might. Many businesses needed to be personally negotiated by Wei Ming.

“I’m meeting a business partner tonight, but the other party has a high background and a high status. I’d like to invite you to accompany me,” Wei Ming said.

Qin Yu smiled and said, “Of course. Tell me the time and place.”

Wei Ming was instantly overjoyed and quickly told Qin Yu the time and place.

Then, Wei Ming said with gratitude, “Thank you, Mr. Qin.”

Qin Yu said apologetically, “Wei Ming, you don’t have to be so polite. If it weren’t for me, House Wei wouldn’t have become like this.”

After he hung up the phone, Qin Yu couldn’t help but sigh.

Who knew how many close relationships had been gradually estranged because of the change in status.

Because he had promised Wei Ming, Qin Yu’s trip to Yunchuan naturally had to be delayed by a day.

In the evening.

Qin Yu drove to the hotel according to the address Wei Ming gave him.

When Qin Yu arrived at the hotel, Wei Ming had been waiting there early in the morning.

When he saw Qin Yu, Wei Ming quickly got up and said respectfully, “Mr. Qin.”

Qin Yu frowned slightly.

After a year, Wei Ming seemed to have experienced a lot.

Qin Yu tried to sense Wei Ming’s internal Qi and found that he was stagnant in the Grandmaster realm.

“You... encountered a bottleneck?” Qin Yu frowned.

Wei Ming waved his hand and said with a bitter smile, “After this ordeal, how can I have time to cultivate?”

Hearing this, Qin Yu felt even more guilty.

Wei Ming was once the proud son of Heaven in the provincial capital, but he didn't expect to fall into such a state now.

“I'm sorry, I was careless, but... why didn't you look for me?” Qin Yu frowned.

Wei Ming smiled bitterly and said, “My father and you had a falling out back then, how could I have the face to look for you?”

Qin Yu opened his mouth, not knowing what to say for a moment.

“Alright, let's not talk about the past. Mr. Qin, I'm already very grateful that you came to help me,” Wei Ming said with a smile.

“As long as we can get this business, House Wei still has a chance to make a comeback,” Wei Ming said proudly.

Qin Yu nodded. He patted Wei Ming's shoulder and said, “I'll say hello to Jiang Gu.”

As the two of them were talking, someone suddenly pushed the door open and entered the room.

Then, he saw a young man swaggering in.

Seeing this young man, Qin Yu frowned slightly.

Because he was none other than the young man who had flirted with Fang Yue that day!

“It's You? !” After seeing Qin Yu, a flash of anger flashed across the young man's face!

Chapter 410: Chapter 410, the actions of the Yan family

Wei Ming was slightly surprised and said, “Brother Guan, do you know each other?”

The young man sneered and said, “We know each other. Of course we know each other.”

“That’s easy. Mr. Qin and I are friends. It’s great that we can work together again,” Wei Ming said excitedly.

However, the young man sneered and said, “Wei Ming, I originally wanted to give you a chance because I saw that your performance was not bad.”

“But now that you’ve called this kid here, I can only apologize. There’s no need to talk about our cooperation!”

Wei Ming’s face instantly became a bit ugly.

“Guan... Guan-ge, what’s going on? Is there some misunderstanding?” Wei Ming said with a bit of fear.

The young man sneered and said, “Misunderstanding? This kid hit me. What misunderstanding do you think there is?”

Wei Ming subconsciously looked at Qin Yu.

Qin Yu knocked on the table with his fingers and said indifferently, “It seems that you didn’t tell Guan Jiarong about this.”

“If I told my second uncle, do you think you can still sit here?” The young man said with a cold face.

Wei Ming pulled the young man and said somewhat anxiously, “Brother Guan, what’s Going On? You... you sit down first.”

The young man glanced at Wei Ming and said coldly, “No one dares to hit me, Guan Kai, in the Jiangbei region! You Want to cooperate, right? Fine, I’ll give you a chance.”

After saying that, Guan Kai pointed at Qin Yu and said, “Either you kneel down and apologize to me, or you send your girlfriend to my room tonight. Otherwise, No Deal!”

Qin Yu said with a cold face, “It seems that you haven’t been beaten enough.”

Wei Ming hurriedly stopped Qin Yu. Then, he looked at Guan Kai and said, “Brother Guan, if you like women, I’ll arrange it for you, okay?”

“No, I want his girlfriend, or we don’t have to work together,” Guan Kai said indifferently.

Hearing this, Wei Ming’s face was a little ugly.

This Guan Kai was obviously deliberately making things difficult for him.

Just as Wei Ming was in a dilemma, Qin Yu reached out and patted his shoulder, indicating that there was no need for him to be anxious.

Then, Qin Yu looked at Guan Kai and said, “I’ll give you a chance. Ask Guan Jiarong to come and see me immediately.”

When Guan Kai heard this, he immediately flew into a rage and said, “My second uncle is the president of the Jiang Bei Martial Arts Association! is he someone that you can meet as you wish?”

“You’re not going to call him, right?” Qin Yu nodded.

He stood up and kicked Guan Kai in the stomach.

The tremendous force sent Guan Kai flying.

His body slammed heavily into the wall, and traces of blood dripped from his mouth.

Before Guan Kai could stand up, a powerful force came crushing down on him!

Guan Kai instantly felt as if he had been struck by a heavy blow. It was as if two huge mountains were pressing down on his shoulders, and he couldn’t move at all.

“You dare to hit me? Fine, Wei Ming. Let me tell you, House Wei is finished!” Guan Kai cursed.

“Tomorrow, I will ban your family’s company, let you go bankrupt, and let you go bankrupt!”

“You still dare to scream, right?” Qin Yu raised his finger, and a clear sound came from Guan Kai’s calf!

“Ah! ! !” Guan Kai shouted in pain.

“Mr. Qin, this...” Wei Ming was a little flustered.

He had never thought that things would come to this point.

Qin Yu looked coldly at Guan Kai and said, “Your family members are really the same. Why, does the Jiangbei Martial Arts Association belong to Your Family?”

Guan Kai gritted his teeth and said, “Just you wait. I’ll tell my second uncle right now, and I’ll Let You Die!”

After saying that, Guan Kai hurriedly took out his cell phone and called Guan Jiarong.

After the call was connected, Guan Kai angrily said, “Second uncle, I’ll let you call. Hurry up and call a few martial grandmasters for me. I’m going to kill him!”

After hanging up the phone, Guan Kai pointed at Qin Yu and said, “You’re dead meat. Just you wait!”

Qin Yu nodded and said, “Okay, I’ll wait.”

Wei Ming looked extremely flustered.

He was also a martial artist, so he naturally knew what it meant to be the president of the Jiang Bei Martial Arts Association.

That was the official organization of the martial arts world! It practically controlled all the martial artists in the Jiang Bei region! No one was willing to offend them!

“Mr. Qin, I’m sorry to have implicated you.” Wei Ming sighed.

Qin Yu smiled and said, “Don’t worry, Guan Jiarong is nothing in my eyes.”

“Haha, keep bragging! Dog, when my second Uncle Comes, you won’t even be able to cry!”Guan Kai cursed through gritted teeth.

Qin Yu couldn’t be bothered with him at all.

Since he had nothing to do, he took out his phone and opened the martial arts forum to stroll around.

At this moment, Qin Yu discovered that the potential rankings on the martial arts forum had been updated!

This time, Qin Yu jumped from fifth place to second place!

And the first place was still that he teng.

“Who is this he teng? He’s actually ranked above me?”Qin Yu couldn’t help but frown.

Could it be that this he teng also had the ability to fight against ten people by himself?

After that, Qin Yu continued to look down.

At this time, a new post suddenly appeared on the martial arts forum:

The Yan family will openly recruit sages. All the major martial arts aristocratic families can participate.

Upon seeing this news, Qin Yu’s expression became a little ugly.

Qin Yu had long known that the Yan family wanted to unify the northern martial arts world. He never expected that the Yan family would announce their ambitions now!

“Oh no, the Yan family is one step ahead.” Qin Yu could not help but frown.

In terms of influence and appeal, Qin Yu could not be compared to the Yan family, which had a large family and business, unless he borrowed the power of the Divine Alchemist Pavilion.

But if that was the case, wouldn't he drag the Divine Alchemist Pavilion Down With Him?

Putting aside whether the pavilion master would agree or not, even Qin Yu himself might not be able to accept it.

“This Yan family is really not easy to deal with.” Qin Yu could not help but narrow his eyes slightly.

At this moment, the door of the private room was opened again.

Following that, Qin Yu felt a strong internal Qi spread out!

With a glance, he saw three martial grandmasters walking in from outside the door!

And behind them was the president of the Jiangbei Martial Arts Association, Guan Jiarong!

“Who is so bold as to dare to touch my housekeeper's Men?”

Before seeing him, he heard his voice first!

Guan Jiarong's leisurely and overbearing voice came from behind the three people.

The moment he saw Guan Jiarong, Guan Kai immediately became excited.

“Second uncle, you're finally here!” Guan Kai anxiously shouted.

He pointed in Qin Yu's direction and said, “It's that bastard! Second uncle, quickly cripple him! Then lock him up in the martial arts association's prison, just like those bastards before!”

Guan Jiarong's eyes slowly looked in Qin Yu's direction.

When he clearly saw Qin Yu's face, his expression suddenly changed!

“President Guan, this matter started because of me, it has nothing to do with Mr. Qin.” Wei Ming stood up and took the initiative to say.

“Hehe, Wei Ming, you can't escape either! Just wait to be imprisoned!” Guan Kai said through gritted teeth.

Chapter 411: Chapter 411: Capital Makes Heroes?

Wei Ming stood in front of Qin Yu, which made Qin Yu feel touched.

Although Wei Ming initially only saw Qin Yu's potential, in fact, Qin Yu's potential didn't bring anything to Wei Ming at all.

“Second uncle, kill him quickly! Break his legs first, then lock him up in the Jiang Bei Martial Arts Association, and let him spend the rest of his life in prison!” Guan Kai gnashed his teeth and said.

Hearing this, Guan Jiarong's face became even uglier!

Over the years, he had indeed done a lot of fly camps and dogs with his identity and status.

As long as he offended the Guan family, he would be charged with a crime and brought into the martial arts association's Prison!

But if these words were heard by Qin Yu, how could he be kind?

“Guan Jiarong, you really played your little power to the extreme,” Qin Yu said coldly.

Guan Jiarong's forehead immediately broke out in a layer of sweat.

“How dare you talk to my second Uncle Like That?” Guan Kai still didn't know whether to live or die and kept shouting.

Guan Jiarong fiercely glared at Guan Kai and berated, “Shut Up! Don't talk nonsense. When have I ever done those things? !”

Guan Kai said in a daze, “Second uncle, what's wrong with you? Aren't there still many people in our prison? There are also a few women that you quite like...”

Hearing this, Qin Yu couldn't hold it in any longer.

His body exploded and appeared in front of Guan Jiarong almost instantly!

Before Guan Jiarong could react, Qin Yu had already punched Guan Jiarong's chest!

“PFFT!”

He spat out a mouthful of blood and several of his sternum were broken!

However, Qin Yu didn't stop there. He raised his palm and a wave of internal Qi instantly covered over!

“Bang Bang!”

The sound of explosions came from his knees! Guan Jiarong's lower body was directly shattered!

“Ah! ! !”

Such pain made Guan Jiarong raise his head and Roar!

The bloody scene was even more unbearable to look at!

“Qin Yu, you... you are actually so vicious!” Guan Jiarong roared angrily.

Qin Yu sneered, “Now you know how to be vicious? Have you ever thought about the pain of those people who were bullied by you?”

Guan Jiarong was in so much pain that he almost cried.

However, his remaining rationality told Guan Jiarong that he could not challenge Qin Yu at this time.

Otherwise, this Qin Yu might really kill him!

“Mr. Qin, I... I know I'm Wrong!” Guan Jiarong quickly came back to his senses.

“I’ll let everyone go immediately. I’m... willing to make up for it!”

Qin Yu looked at Guan Jiarong coldly, and a trace of killing intent rose from the bottom of his heart.

But in the end, Qin Yu did not kill him.

After all, the Jiang Bei Martial Arts Association was a huge organization. If the president died just like that, it would not be a small matter.

Qin Yu looked at Guan Jiarong coldly and said, “Scram! If I find out that you continue to do evil, I Promise I will make you pay the price.”

Guan Jiarong gritted his teeth and nodded desperately, “Yes, yes, I understand...”

Guan Kai, who was beside him, was scared silly. He had never seen such a scene before.

The lower half of his body exploded? What kind of method was this? It was too scary!

“Get the hell out of Here!” Guan Jiarong glared at Guan Kai and shouted angrily.

A few people carried Guan Jiarong out in a flurry.

Once out of the private room, Guan Jiarong shouted anxiously, “Go to the hospital, go to the hospital!”

...

In the private room, Wei Ming was dumbfounded.

Qin Yu looked rather indifferent.

He poured a glass of wine for Wei Ming and said, “What business are you in now?”

Only then did Wei Ming come back to his senses and hurriedly said, “I’m in the business of stone gambling now. The business will open in about half a month.”

“Stone gambling...”Qin Yu thought for a moment.

Then, he looked at Wei Ming and said, “Go and look for Jianggu tomorrow. I’ll inform him.”

Wei Ming hurriedly nodded and said, “Okay, okay. I understand.”

This meal was very uncomfortable for Wei Ming.

Because in his opinion, the Qin Yu in front of him was no longer the Qin Yu who was once equal.

After the meal, the two of them dispersed.

Before they left, Qin Yu called out to Wei Ming.

“It’s better not to waste your talent. If you really can’t do it, come and help me,”said Qin Yu.

Wei Ming smiled and said, “I understand, Mr. Qin.”

Unknowingly, Qin Yu’s actions were getting more and more attention.

Even though Guan Jiarong was crippled in the private room, the news still spread.

For a moment, Qin Yu became a fanatic in the eyes of the public.

His high-profile actions made people even more vigilant.

...

Jingdu.

In a dark office.

A few figures hidden in the darkness seemed to be discussing something.

“This Qin Yu has already gone beyond our control,” someone spoke first.

“No one is allowed to challenge the authority of our association. Otherwise, our dominant position in the martial arts world will be lost.”

“This kind of person can either be eliminated or used by US.”

The scene fell into silence. Qin Yu had surprisingly become an unstable person.

“Let’s wait. The Yan family and the Han family will take action to eliminate him.”

“What if they fail?”

“I don’t think they will fail. It’s impossible to shake these two big aristocratic families with just one person. No one can do it.”

Just a few sentences of conversation had already determined a person's life and death path.

...

The next day.

Qin Yu looked at the various comments on the martial arts forum, and the corners of his mouth could not help but curl up into a sneer.

During this period of time, a gust of wind blew up on the martial arts forum.

Countless comments were directed at Qin Yu, and in the open and in the dark, they were all using others to kill him.

This was clearly someone deliberately manipulating.

“Looks like there are quite a number of people who want to obtain the mental cultivation method.” Qin Yu looked at the comments and could not help but sneer repeatedly.

What they didn't know was that Qin Yu didn't have any cultivation method at all.

The push from the shadows made Qin Yu become a walking treasure trove, attracting countless people.

“That's good too. This is exactly what I want.” Qin Yu sneered.

A martial grandmaster was extremely useful to Qin Yu.

It could even be said that it was the best and fastest cultivation method for Qin Yu.

“Then I’ll push the boat while I’m at it.”Qin Yu put away his phone.

Then, he prepared to set off for Yun Chuan.

Yun Chuan was very far from Chuzhou. Even if he took a plane, it would still take seven to eight hours.

At this moment, the Cao family was still the number one aristocratic family in Yun Chuan.

Not only did they control the martial power of the entire Yun Chuan, they even controlled the economic lifeline of more than half of the city!

Beside Cao Shan, there were four or five women in Cheongsam massaging him.

Cao Shan also closed his eyes comfortably, looking like he was enjoying himself.

“Dad, that Qin Yu seems to be in the limelight recently,”a young man said from the side.

Cao Shan sneered, “Someone is just deliberately creating hype. When will there not be a few young people who are popular?”

“Creating hype?”Cao Shan’s son, Cao Hu, frowned slightly.

“You mean... Capital creates heroes?”

Cao Shan nodded with satisfaction and said, “That’s right. The martial arts world seems to be independent from the world, but in fact, there is also capital controlling it.”

“As long as there are enough halos on his body, then he can create wealth for capital.”

Cao Hu was suddenly enlightened.

Just as Cao Shan said, capital did introduce a few young people who were known as geniuses every year, but most of them ended up hastily.

“Dad, but I heard that Qin Yu seems to be coming for our Yunchuan..”Cao Hu suddenly thought of something.

Chapter 412: Chapter 412: Cooperation

“He came for Yun Chuan?”Cao Shan heard this and immediately sat up from his chair.

He waved his hand, indicating for these qipao women to leave.

Then, he slowly stood up and walked to the window.

“What is he doing in My Yun Chuan?”Cao Shan’s brows tightly furrowed.

“Could he be coming for us? As far as I know, that Qin Yu seems to have killed more than a dozen peak grandmasters!”Cao Hu said in a deep voice.

Cao Shan did not speak for a while.

Although he was a bit worried, he still firmly believed in his heart that Qin Yu was only a hero created by the capital of Jingdu.

The so-called killing of more than a dozen great grandmasters was also nonsense. It was just to give him a layer of halo.

“If he really came for us, I would really treat him well,” Cao Shan said with a cold smile.

With the Cao family’s current strength, they could summon at most ten martial grandmasters.

Among them, only five were at the peak of the Martial Grandmaster realm, and they were still far from the peak of the Martial Grandmaster realm in Jingdu.

But in Cao Shan’s eyes, this was enough.

Just as Cao Shan was thinking, someone suddenly walked in from outside.

“Master, there’s someone outside who wants to see you,” a man dressed like a butler bowed and said.

“Someone wants to see me? Who Is It?” Cao Shan asked.

The butler said, “I don’t know him. He said he’s here to help you.”

“Help me?” Cao Shan raised his eyebrows and couldn’t help but smile coldly.

“Interesting, interesting.” Cao Shan stroked his beard and smiled. Then he got up and walked into the living room.

There was a man sitting in the living room.

This man's internal Qi had been concealed, so he looked no different from an ordinary person.

Cao Shan looked at him and asked, "Who are you?"

The other party was the first to stand up. He slightly cupped his hands to Cao Shan and then went straight to the point, "Qin Yu is here."

Cao Shan sneered, "Is that what you want to tell me?"

The other party continued, "Qin Yu is here to kill you."

When Cao Shan heard this, he could not help but laugh out loud, "Come to kill me? Does he have the ability? ! This is simply nonsense! If he wants to use me as a springboard, he has to see if he has the ability!"

The other party looked coldly at Cao Shan and said, "Mr. Cao, the current Qin Yu is like slaughtering chickens and dogs to kill you."

When these words were said, it undoubtedly infuriated Cao Shan!

"Do you know what you are saying!" Cao Shan shouted angrily.

The other party was neither anxious nor impatient as he said coldly, "Let alone you, even I don't have the confidence to defeat Qin Yu."

"Oh? You mean you are above me?" Cao Shan's internal Qi suddenly exploded as surging killing intent rolled over!

"That's right." The other party was not scared by Cao Shan at all. Instead, he was extremely calm.

Cao Shan sneered, "Then let me experience your abilities!"

After saying that, Cao Shan clenched his fist and raised it. Waves of dragon roars whistled over!

“Whoosh!”

Cao Shan’s two fists were wrapped with Qi force and headed straight for the other party’s vital point!

It was this majestic punch that was easily neutralized by the other party!

The other party only raised his hand and received Cao Shan’s punch!

“Oh?” Cao Shan’s expression changed. He was about to counterattack, but it was already too late!

The other party opened his mouth slightly, and a god seal that looked like a landscape painting flew out with a Rumble!

This god seal condensed in midair, and an ancient aura spread out! It was the internal Qi of the ancient times!

In an instant, Cao Shan felt his entire body unable to move. His body seemed to be sealed, and he was fiercely pressed to the ground!

“Ah! !”

Cao Shan raised his head and roared furiously. He attempted to struggle, but the divine seal that was pressing down on his body did not move at all!

“It’s useless. You Won’t be able to break free,” the other party said coldly.

Cao Shan seemed to have also realized how terrifying this divine seal was. Hence, he gave up resisting and asked coldly, “Who are you people?”

The other party said indifferently, “Hong Yi Sect’s elder, Xiao Cheng.”

“Hong Yi Door?” Hear this address, Cao Shan’s facial expression suddenly big change!

Although this organization had left the fire country for many years, it had still left behind quite a number of legends! (Pyro)!

It was said that when they were evacuating the fire country, they had taken with them countless treasures, including all sorts of herbs, divine artifacts, martial arts, and so on!

[2][3][3][3][4][4][4][4][5][5][5][5][5][5][5][5][5][5][5][5][5][5][5]
[!]

And this organization has always been a headache for the fire country, because they are so elusive, so elusive, so pyro.

“Hong a door... you are not afraid that I hand you over to the official?” Cao Shan sneers way.

Xiao Cheng said lightly: “Mr. Cao is a smart man, I believe you will not do so.”

“Oh?” Cao Shan eyebrow a raise, continue to say: “I would like to hear, you from where the confidence.”

Xiao Cheng looked at Cao Shan, cold voice said: “We each have what we need, I can not only save your life, but also let you get rid of Qin Yu this enemy.”

“When you kill Qin Yu and go claim credit from the Yan family in Jingdu, I believe that the Yan family will give you a higher reward than the officials.”

Cao Shan was silent for a moment before he laughed coldly and said: “Alright, you have convinced me, but I am not sure why you did not personally make a move?”

Xiao Cheng shook his head and said: “Our organization has recently been targeted by the fire country’s officials, and we do not dare to show off too much.”

“Alright.” Cao Shan no longer hesitated, “Then what do you need me to do?”

Xiao Cheng said coldly: “Before I kill Qin Yu, I want to take something from him.”

“Mental cultivation method?” Cao Shan seemed to have guessed it.

Xiao Cheng nodded slightly and said: “This is only one of them. I have something more important.”

The “More important thing” that Xiao Cheng had mentioned was Qin Yu’s body!

The allure of the chaotic body was far greater than this mental cultivation technique!

The two of them hit it off and immediately came to an agreement.

At this moment, Qin Yu had just gotten off the plane.

The first purpose of coming to Yun Chuan this time was to kill Cao Shan and avenge Yan Jiang.

The second purpose was that Qin Yu wanted to head north from the south!

Ever since the Yan family had made an announcement on the martial arts forum, almost all the sects in the North had taken the initiative to attend the Yan family's banquet.

It was probably unrealistic for Qin Yu to interfere.

Therefore, Qin Yu turned his gaze to the southern martial arts world.

There was not much time left for Qin Yu, so he had to act as soon as possible.

“Let's start with your Cao family..”Qin Yu's gaze was cold, as piercing as the cold wind in December.

Chapter 413: Chapter 413, another invitation!

Qin Yu didn't waste any time. He immediately took a taxi and rushed towards the Cao family.

As the largest aristocratic family in Yunchuan, the Cao family's residence was naturally quite luxurious.

When Qin Yu arrived, he was surprised to find that the Cao family was completely deserted.

“Looks like I received the news long ago.”Qin Yu couldn't help but laugh coldly.

He released his divine sense and quickly captured a few figures.

In the Cao clan's hidden area, there were a total of three martial grandmasters.

And one of them was currently in the hall. Presumably, it was that Cao Shan.

“The three martial grandmasters aren't worth mentioning.” Qin Yu Strode Forward, striding towards the Cao clan.

The path was smooth and unobstructed. In a few steps, they arrived at the Cao clan's living room.

Cao Shan was sitting in front of them, slowly sipping his tea. He looked very pleased with himself.

He was not the least bit surprised by Qin Yu's arrival.

“Qin Yu, you really came for me.” Cao Shan put down the Teacup in his hand and said indifferently.

Qin Yu looked at Cao Shan coldly and said, “Yan Jiang died in your hands. Do you think I will let you go?”

“Oh?” Cao Shan raised his eyebrows.

“You dare to come to my Cao family alone. Aren't you afraid of dying here?”

Qin Yu sneered and said, “The current you is just a clown in my eyes.”

“Hahaha!” Cao Shan immediately laughed out loud.

“The rumors about you on the martial arts forum are endless. They say that you are a genius that only appears once in a thousand years. I, Cao Shan, really want to experience it today.” Cao Shan slowly stood up.

The internal Qi on his body quickly reached its peak state!

The peak state of a martial grandmaster was extremely terrifying, causing the entire room to buzz and tremble!

The ground beneath Qin Yu’s feet began to crumble, and cracks began to appear!

An extremely powerful pressure spread over. If one was weak, they would probably be crushed by this pressure!

“Come, let me see a genius like you!”

Cao Shan shouted angrily and raised his hand to unleash his famous “Twin Dragon Fists”!

The moment the Twin Dragon Fists were in combat, a dragon’s roar sounded in his ears!

“Swish! Swish!”

Two streams of internal Qi carried a violent hurricane as they rushed towards Qin Yu!

Qin Yu’s expression was calm and there was no sadness or joy to be seen.

He casually raised his hand and used the strength of his palm to directly disperse the two streams of internal Qi!

Cao Shan's eyes flashed with surprise, and then he exclaimed, "It seems like what you said is true! You really have some ability!"

Qin Yu said coldly, "I don't have time to waste with you. Killing You is my request."

As soon as he finished speaking, Qin Yu's body was covered with rays of golden light!

This incomparably powerful internal Qi, with Qin Yu as the center, rapidly fluctuated in all directions!

After sensing this internal Qi, Cao Shan's expression suddenly changed drastically!

This... Was this really the internal Qi of someone who had just entered the Great Grandmaster Realm?

"Sou!"

Qin Yu didn't have any intention of continuing the battle. His feet stepped on the ground, and the absolute beginning sacred fist in his hand appeared in front of Cao Shan in the blink of an eye!

After sensing this wild power, Cao Shan's heart immediately jumped!

This power was far beyond Cao Shan's comprehension!

Boom

There was nowhere to dodge this punch!

A dazzling light shot out like a full moon, blotting out the sky and covering the earth!

Cao Shan hurriedly responded and used all of his techniques, but under these two iron fists, he seemed insignificant!

Boom

Cao Shan's body was struck by the absolute beginning sacred fist.

His entire body smashed through several levels of the Cao family's walls.

The luxurious Cao family couldn't hold on any longer and started to slowly collapse!

It was as if an earthquake had happened. It was extremely chaotic!

Blood dripped from the corner of Cao Shan's mouth as he struggled to climb out of the rubble.

His eyes were filled with fear! Cracks appeared on his chest!

This was the secret treasure of his Cao family, the protective armor!

For decades, Cao Shan had never taken it off, but now it was shattered by this punch!

“In just a few short months, how could he have improved so quickly!” Cao Shan wiped the corner of his mouth, feeling a lingering fear in his heart!

If Xiao Cheng had not sent the magic tool, he would not have escaped death today.

“He actually didn’t die?” Qin Yu frowned slightly.

“That’s good. It’s indeed a pity to kill you just like that,” Qin Yu muttered in a low voice.

In the next second, he once again used shrinking earth into an inch and instantly appeared in front of Cao Shan.

Just as Qin Yu was about to use the heaven devouring technique, Cao Shan suddenly opened his mouth slightly. A divine seal diagram was spat out from his mouth!

“Eh?” Qin Yu’s eyes flashed with surprise.

Before he could regain his senses, the divine seal was already growing bigger and bigger in the air! In the end, it almost blotted out the sky and covered the Sun!

“What Bullsh * t, watch me smash you with one punch!” Qin Yu did not care about the consequences, his Golden Fist suddenly smashed over!

“Boom!”

Under the absolute beginning Sacred Fist, the divine seal was actually slightly shaken!

This scene shocked both sides!

Qin Yu was shocked that this punch actually didn’t cause any damage to the divine seal!

And in the dark, Xiao Cheng was shocked that Qin Yu’s punch actually shook the divine seal a little!

“Such power, it’s really unheard of!” Xiao Cheng’s eyes surged with madness!

As the divine seal slowly suppressed, Qin Yu’s body also began to feel a wave of pressure.

Qin Yu did not believe this evil and once again clenched his fist and smashed it!

“Rumble!”

This powerful impact actually caused the divine seal that was suppressed to retreat a few steps!

Although it was only a few millimeters of difference, it still caused Cao Shan and the others to be greatly shocked!

One had to know that when Cao Shan faced this divine seal, he did not have the slightest ability to retaliate!

“Damn, this kid is a monster, right?” Cao Shan could not help but curse inwardly!

Although Qin Yu’s Iron Fist was unparalleled, this divine seal was after all a secret treasure passed down from hundreds of years ago. Even Qin Yu was unable to resist it.

The divine seal pressed down like a five-fingered mountain, fiercely pressing Qin Yu to the ground.

“Shua!”

The divine seal flashed with light and seemed to have added a level of seal, firmly pressing Qin Yu to the ground.

No matter how hard Qin Yu struggled, the divine seal was no longer affected in the slightest.

Seeing this, Cao Shan finally heaved a sigh of relief.

“Fortunately, I have this treasure.”Cao Shan wiped the sweat from his forehead and finally heaved a sigh of relief.

He quickly walked in front of Qin Yu and raised his foot to kick Qin Yu’s face.

“Damn, you scared me to death. I almost got killed by you.”Cao Shan wiped the sweat from his forehead and cursed.

Qin Yu looked at Cao Shan coldly and didn’t say a word.

“Mr. Xiao, you can come out now.”Cao Shan shouted to the dark.

Before he finished his words, he saw a man coming with his hands behind his back.

He walked quickly to Qin Yu and nodded slightly, “Qin Yu, you are the first person who can shake this divine seal map.”

Qin Yu was not in the mood to listen to his bullsh * T. instead, he asked coldly, “Who are you?”

“Hong Yi sect, Xiao Cheng,”Xiao Cheng said indifferently.

“Hong Yi sect again?”Qin Yu couldn’t help but sneer.

“Humph, if it weren’t for Mr. Xiao, I’m afraid I would have really died here today,” Cao Shan said coldly from the side.

Qin Yu ignored Cao Shan and looked at Xiao Cheng coldly, saying, “Your Hong Yi sect really doesn’t want to give up.”

Xiao Cheng wasn’t angry. He smiled faintly and said, “Qin Yu, to tell you the truth, everyone in our Hong Yi sect admires you very much. Moreover, we have issued many invitations to you.”

“This time, I can also give you another chance. If you are willing to join the Hong Yi sect, not only will I guarantee that you won’t die, but I will also let you become an elder of the Hong Yi sect,” Xiao Cheng said indifferently.

Hearing this, Cao Shan, who was beside him, immediately became anxious.

He hurriedly said, “Mr. Xiao, he must die! If he doesn’t die, I will die!”

Xiao Cheng Glanced at Cao Shan and then continued, “Qin Yu, if you are willing to join my Hong Yi sect, I can kill Cao Shan for you.”

Chapter 414: Chapter 414, judgement of the gods!

Cao Shan’s expression changed drastically! He glared at Xiao Cheng and shouted, “Xiao Cheng! You’re not a man of your word! Burn the bridge after crossing the river!”

Xiao Cheng sneered, “Burn the bridge after crossing the river? Your ability determines your value. In My Eyes, your value has already ended.”

“You!” Cao Shan was so angry that he was trembling. A strong killing intent burst out from the bottom of his heart.

But he knew very well that he was not Xiao Cheng’s match at all.

If they really fought, they definitely would not gain any benefits.

Therefore, at this moment, Cao Shan could only place his hopes on Qin Yu, hoping that Qin Yu would not agree to Xiao Cheng’s invitation.

“How about it? No matter what kind of conditions you offer, my Hong family will give it to you,” Xiao Cheng continued to say.

“With your talent, you can go overseas to study for a few years. Once you return, even the Yan family in Jingdu is not worth mentioning!”

Such a high evaluation was indeed frightening.

Qin Yu, who was suppressed by the divine seal, had a cold smile on his face.

“If you can betray Cao Shan, you will definitely betray me,” Qin Yu said with a cold smile.

Xiao Cheng repeatedly waved his hand and said, “No, no, no. You are different from him.”

As he spoke, Xiao Cheng glanced at Cao Shan and continued, “Cao Shan can only hide in this tiny Yun Chuan for the rest of his life. The current him is already the highlight of his life.”

“But you are different, Qin Yu. You are so young and have unlimited potential! Your special physique is filled with unlimited possibilities!”

“If you are willing, it is possible for you to become the leader of the Hong Yi sect in the future!”

Xiao Cheng’s offer was indeed tempting. Even Cao Shan, who was standing at the side, felt waves of envy.

The leader of the Hong Yi sect! The wealth that he controlled was not the slightest bit inferior to those top-tier aristocratic families!

“How about it, Qin Yu, are you willing to join our Hong Yi Sect?” Xiao Cheng asked.

Qin Yu sneered, “Our pursuits are different. To me, wealth is just a worldly possession.”

“As for the leader of the Hong family, he is not even worth mentioning. As long as I am willing, I will definitely be able to establish an aristocratic family sect that will surpass the Hong family in the future.”

Xiao Cheng was not angry. He put his hands behind his back and said indifferently, “I know you well, Qin Yu. Your only pursuit now is the Yan family’s eldest miss, right?”

Qin Yu did not say anything, which was a tacit agreement.

Xiao Cheng snorted coldly and said, “Those who succeed will not care about a mere woman! In a hundred years, they will only be pink skeletons!”

“In the future, all kinds of women will kneel at your feet. Why should I care about the Yan family’s Miss!”

Qin Yu said coldly, “That’s why I said that our pursuits are different.”

“There are three thousand weak waters, and I only took one scoop. Moreover, without Yan Ruoxue, I would not be where I am today.”

“Abandoning your guide, What’s the difference between you and an animal?”

A few words made Xiao Cheng’s face turn green.

He looked coldly at Qin Yu and said, “So you are determined to reject me?”

“That’s right.” Qin Yu did not hesitate.

Hearing Qin Yu’s answer, Cao Shan, who was beside him, finally heaved a sigh of relief.

“Mr. Xiao, hurry up and kill him. There’s no need to talk nonsense with him!” Cao Shan urged anxiously, afraid that Qin Yu would change his mind.

Xiao Cheng ignored Cao Shan. Instead, he looked coldly at Qin Yu and continued, “Have you ever thought that if you don’t agree, you will die here today!”

“If you die, there’s no need to talk about ideals!”

Qin Yu raised his eyebrows and said, “I don’t think I will die.”

“Oh?” Xiao Cheng’s face turned completely cold.

“I admit that your talent is not bad, but there’s a prerequisite that you can grow up. The current you still can’t say such Big Words!”

As he spoke, Xiao Cheng had already clenched his fist and stood up!

A terrifying qi force was approaching Qin Yu's face!

The power of this punch far surpassed Cao Shan's! Before the Fist arrived, the fist wind had already shattered the ground!

“Clang!”

The fist landed firmly on Qin Yu's face, but what surprised Xiao Cheng was that Qin Yu's face only left an inconspicuous mark.

Not to mention his broken bones and tendons, even his skin could not be broken!

“What a strong body!” Xiao Cheng sighed from the bottom of his heart.

This also made him want to rope Qin Yu in even more!

“Qin Yu, are you really not considering it?” Xiao Cheng asked coldly.

“You talk too much nonsense,” Qin Yu said coldly.

“Okay!” Xiao Cheng reached out his hand, and a long sword immediately appeared out of thin air!

This long sword was also a treasure of the Hong clan. Although it was not as good as Qin Yu's bronze sword, it was definitely not something that could be compared to an ordinary weapon!

“No matter how strong your physical body is, I can still kill you.” Xiao Cheng looked down from above and pointed his sword at the tip of Qin Yu's nose.

A faint light burst out from his palm.

The light and the long sword fused together and instantly burst out with an extraordinary splendor!

The blade seemed to have been strengthened and became incomparably sharp!

“Let me do it!” Cao Shan volunteered!

Xiao Cheng glanced at him and then handed the sword to Cao Shan.

“Remember, don’t destroy too much skin,” Xiao Cheng reminded.

Cao Shan nodded and said, “Mr. Xiao, don’t Worry!”

After saying that, he held the sword and walked towards Qin Yu.

“Qin Yu, don’t you want to take revenge for that Yan Jiang? Hehe, I’ll send you to see him now!” Cao Shan’s face was full of a sinister smile.

Qin Yu sized up Cao Shan and said, “Do you really think you can defeat me?”

Cao Shan laughed loudly and said, “The current you is already unable to move. What waves can you create?”

Qin Yu’s expression was calm as he said indifferently, “Have you heard of a spell that specializes in divine perception?”

“Huh?” Cao Shan was stunned.

“Divine... Judgment!”

Before Cao Shan could react, Qin Yu's spell had already been unleashed!

In an instant, Cao Shan's mind felt as if it had been struck by lightning!

It was as if a golden sword had flown out from between Qin Yu's brows and headed straight for Cao Shan's spiritual sense!

“Puff!”

In the blink of an eye, Cao Shan's spiritual sense had vanished into thin air!

This was the technique that Qin Yu had used to deal with Hui Ming, the Divine Judgment!

No matter how strong your physical body was, it was not worth mentioning before the divine judgment!

As for Qin Yu, who had stepped on the heaven ladder, the power of his spiritual sense was far from what Cao Shan could compare to!

“Boom!”

Cao Shan's corpse fell to the ground like a small mountain, without any chance of survival.

Xiao Cheng's expression changed drastically! He felt even more uneasy!

“It's your turn..” Qin Yu raised his head and sneered.

Chapter 415: Chapter 415, half-step Martial Marquis

Xiao Cheng knew something was wrong. He didn't expect Qin Yu to have so many tricks up his sleeve!

“Godly Judgement!”

Before Xiao Cheng could react, Qin Yu had already used godly judgement again!

The space between Qin Yu's eyebrows suddenly lit up, and a sharp blade flew towards Xiao Cheng at an extremely fast speed!

“Not good!”

Xiao Cheng did not dare to be negligent and hurriedly retreated!

However, this divine judgement was too fast. Even if Xiao Cheng's strength was not ordinary, he was still slashed away by a sword!

“Chi la!”

Xiao Cheng's brain seemed to have suffered a heavy blow. However, what shocked Qin Yu was that this attack did not take Xiao Cheng's life. It only damaged his spiritual sense!

“Qin Yu, I, Hong Yi sect, will remember this grudge. Next time, I, Hong Yi sect, will definitely not be polite to you!” Xiao Cheng threw out these words and hurriedly fled!

The divine seal picture that was pressed on Qin Yu's body was also withdrawn by him. By the time Qin Yu regained his freedom, Xiao Cheng had already disappeared.

“I can't believe I didn't manage to kill him.” Qin Yu frowned.

As expected, there were no invincible spells in this world.

However, Qin Yu's target was not Xiao Cheng, but Cao Shan.

After killing Cao Shan, Qin Yu hung his corpse on the gate of the Cao family, then turned around and left.

Such actions naturally made all the sects in Yunchuan City Tremble with fear!

The Cao family, which had been dominating yunchuan for so many years, had fallen just like that!

Qin Yu was not in a hurry to leave Yunchuan.

His plan had not been officially carried out, so he was not in a hurry to leave.

That night.

Qin Yu found a hotel and temporarily stayed there.

At night, Qin Yu tried to post a post similar to the Yan family on the martial arts forum:

From today onwards, Qin Yu would recruit all the wise men in the world.

After that, Qin Yu wrote a post that was extremely emotional.

The current Qin Yu had long become a hot topic on the martial arts forum.

As long as it was related to him, almost all the posts would attract attention.

Therefore, this post quickly caused a sensation.

Countless comments flooded in like a tide.

“This Qin Yu actually wants to establish a sect. Does he want to face the Yan family head-on?”

“Qin Yu is the only person who dares to challenge an aristocratic family. He represents the power at the bottom of our ranks.”

“Not only that, he is also an elder of the Divine Alchemist pavilion and possesses the mental cultivation method obtained by the heaven ladder. To be honest, I am a little tempted.”

The comments were mixed. Some people were tempted, while others were naturally not optimistic.

While everyone was discussing fervently, a person with the ID “Han Wei” posted a comment below.

“Everyone here has thought it through. Anyone who is related to Qin Yu is the enemy of the Han family and the Yan family.”

“Besides... Qin Yu won't be able to live much longer. In four months, at my wedding with Yan Ruoxue, I will personally kill Qin Yu as a congratulatory gift.”

The moment this comment appeared, the comment was immediately one-sided.

Those who had supported Qin Yu earlier were instantly dampened.

There were even people who deleted the comment, afraid that they would be targeted by this great aristocratic family.

Looking at everyone's attitude, he couldn't help but smile bitterly.

He put down his hand and sighed softly, "It seems that I have underestimated the importance of these aristocratic families in everyone's hearts."

Everyone was already used to the aristocratic families standing high and mighty for a long time. Who would be willing to take that risk.

"The path of the martial arts forum is indeed not feasible," Qin Yu thought in his heart.

Although Qin Yu had repeatedly done things that shocked the world, in reality, it did not affect the aristocratic families at all.

It could even be said that the Yan and Han families had only not used their trump cards. Otherwise, how could Qin Yu have survived until today?

Qin Yu did not sleep that night.

He looked at the various comments and news on the martial arts forum and a worried expression appeared on his face.

Late at night.

The martial arts forum was still bustling with activity.

At this moment, another post was posted.

The content of this post was even more touching!

The person who posted it was the manager of the Martial Arts Forum!

The title of the post was “The light of youth in the new era” and the main character of the post was actually Han Wei!

“Han Wei broke through today and stepped into the half-step martial Marquis Realm!”

Half-step Martial Marquis Realm!

Although it wasn't the true martial Marquis Realm, as long as one was tainted with the word ‘martial marquis’, the gap between them and the martial grandmaster realm would be widened!

The higher the realm, the more obvious the gap would be!

A martial grandmaster could kill a hundred martial grandmasters.

But as long as there were enough martial grandmasters, there was still a slight chance of victory.

But in front of Marquis Wu, no matter how many martial grandmasters there were, there was no chance of victory at all!

The thread continued to read and there was a video of Han Wei's exclusive interview.

In the video, Han Wei first expressed the difficulty of his cultivation.

And very soon, Han Wei changed the topic to Qin Yu.

“Mr. Han, you and Miss Yan are both favored sons of heaven. Your Wedding has received a lot of attention from the outside world. Can you tell us about it?” The host asked.

Han Wei smiled and said, “Of course.”

“Miss Yan and I are childhood sweethearts. We have known each other since we were young and have been in love for many years. We are a match made in heaven.”

“However, something unexpected happened. No one expected that a man named Qin Yu would interfere.”

Han Wei’s face turned gloomy when he said this.

He pretended to be angry and said, “This Qin Yu chased after my fiancée relentlessly. He even went to the Yan family to make trouble!”

“Old Mister Yan thought that he was young, so he didn’t bother with him. He even gave him a mouthful of food. Who knew that this Qin Yu was an ingrate!”

“Not only did he not remember his kindness, he even caused old Mister Yan’s death! My fiancée and I are extremely angry about this! Especially my fiancée, who always washes her face with tears!”

Seeing this, Qin Yu’s face couldn’t help but turn ashen as he gnashed his teeth.

Especially when he heard the words “Fiancée” from Han Wei’s mouth, it almost made Qin Yu lose his mind!

“Twisting black and white, stirring up trouble!” Qin Yu said angrily.

“Mister Han, with the power of your Han family, it should be effortless for you to deal with Qin Yu, right?” The host continued.

Han Wei nodded and said, “Indeed, in front of the Han family, he is nothing, but some people are not capable enough and like to blame their own origins.”

“That Qin Yu is like a vicious dog. He keeps blackmailing me and claims that he wants to openly fight one-on-one with me.”

“As the young master of the Han family, I should not lower my status. However, my fiancée hates him to the bone, so I also want to avenge my fiancée.”

Speaking up to this point, Han Wei stared at the screen and said indifferently, “Qin Yu, you will pay the price for your actions. I also hope that you can do your best. Don’t disappoint me too much.”

Looking at Han Wei on the screen, Qin Yu couldn’t help but sneer.

“What? After stepping into the half-step martial Marquis Realm, you are full of confidence, right?” Qin Yu murmured in a low voice.

He immediately picked up his phone and posted a comment, “Han Wei, see you in four months.”

Chapter 416: Chapter 416, the gathering of all parties!

After posting this comment, Qin Yu tried to post a clarification post.

However, he soon discovered that the post would be immediately deleted!

As long as it was related to Yan Ruoxue or the Yan family, it was impossible to post it!

This also led to the media being completely controlled by the Han family. Qin Yu had to bear the blame, no matter what.

“This Han family is really shameless.” Qin Yu couldn’t help but look angry.

At this moment, Han Wei called.

When he picked up the phone, he heard Han Wei laughing loudly, “Qin Yu, how is it? Did the publicity you did before work? As long as I use some tricks, the Black can turn into white!”

Qin Yu said with a cold face, “You can control it for a while, but you can’t control it for a lifetime.”

“Really?” Han Wei sneered.

“Han Wei, four months later, I hope you can still be as confident as you are now,” Qin Yu said coldly.

Han Wei sneered and said, “It seems that you don’t know the difference between a great grandmaster and a half-step Martial Marquis.”

Qin Yu also sneered and said, “If you don’t want to die, you’d better think of a way to step into the Martial Marquis Realm.”

After saying this, Qin Yu directly hung up the phone.

Originally, Qin Yu was indeed confident that he could defeat Han Wei. After all, the chaotic body was not afraid of anyone at the same level.

But now that Han Wei had stepped into the realm of half-step martial marquis, it indeed gave Qin Yu a great pressure.

“It seems that I have to change the plan temporarily.” Qin Yu thought in his heart.

He had originally planned to use these four months to expand his own power, but now it seemed like he didn't have the time.

Qin Yu didn't sleep the whole night.

After the Han family controlled the media, everyone treated Qin Yu as an ungrateful wretch.

Therefore, on the martial arts forum, there was a wave of abuse towards Qin Yu.

However, Qin Yu knew very well that these rumors weren't the root cause.

The root cause was still because Qin Yu had the mental cultivation method to break through the heaven ladder. Those rumors only gave them an excuse to attack Qin Yu.

“I hope you can come in time.” Qin Yu's expression was cold as he whispered.

Just as Qin Yu thought.

At this moment, there were indeed a few people who were ready to kill and steal.

And among these people, there were all kinds of organizations.

There were aristocratic families, hermits, and even people from the martial arts forum.

Qin Yu wasn't in a hurry to leave. He was waiting, waiting for these people to arrive.

On this day.

There were more than ten people gathered by the riverbank of Yunchuan City.

These people came from all over the world. Without exception, they were all at the peak of the Martial Grandmaster realm!

Some of them hadn't appeared in the world for many years, and now they were also participating.

As more and more people came, the internal Qi by the river also began to become more dense.

At this moment, a figure stepped on the river water and walked over!

“Picking the river to travel, what a good trick!” Someone exclaimed!

Soon, an old man in cloth clothes with white hair stood in front of the crowd.

“Elder Zhuo? I didn't expect you to come!” Someone recognized this old man!

“It's elder Zhuo? It was rumored that you entered a secret realm and died. I didn't expect you to Still Be Alive!”

The old man called Elder Zhuo put his hands behind his back and said indifferently, “I almost died ten years ago, but it was a blessing in disguise. After ten years of recuperation, my strength has improved again.”

“You’ve entered the realm of Martial Marquis?” Someone asked in surprise.

Elder Zhuo shook his head and said, “Only one step away from the half-step martial Marquis Realm.”

Just as everyone was sighing, another man with a strong back and a thick waist walked over from not far away!

This man was tall and big, his muscles were cowardly, and his skin was like a layer of iron armor that wrapped around his entire body!

“Great Grandmaster of horizontal training, Huang Biao!”

“It is said that Huang Biao’s physical body has long surpassed the limits of human beings. Back then, he even withstood a cannonball!”

“Mr. Huang, I didn’t expect you to come as well!”

Huang Biao said indifferently, “I, Huang Biao, have trained my entire life and have never met an opponent. Now that I’ve heard of a yellow-mouthed child claiming to have an unparalleled physical body, I, Huang Biao, would like to see it.”

“Mr. Huang, your physical body is truly unparalleled in the world!” Everyone praised him.

At this moment, a young man with a green hat on his head also sneaked in.

He had his hands behind his back, looking like an expert.

However, the internal Qi on his body was extremely low, as if he was only at the Grandmaster realm.

“This Mister Is?” Someone knocked on his head and asked.

The other party coughed and said indifferently, “I am Jiang he’s disciple. My name is Qing Yao.”

“Jiang he’s disciple?” Hearing this title, everyone sucked in a breath of cold air!

That was an existence that was ranked first on par with ye Qing!

“How is Old Mister Jiang?” Everyone asked one after another.

“I didn’t expect old Mister Jiang to actually send someone here!”

“With your participation, that Qin Yu will definitely die!”

Qing Yao placed her hands behind her back and said indifferently, “That’s natural. My master is very interested in this mantra, so he sent me here.”

“That’s right. Back then, old Mister Jiang seemed to have failed to break through the stairway to Heaven,” someone said.

Hearing this, Qing Yao raised her hand and slapped his face. She cursed, “How dare you, Junior! Are you insulting my master? !”

The beaten Martial Grandmaster hurriedly waved his hand and said, “No... I don’t dare. I’m just saying casually.”

“Mr. Qing, as Old Mister Jiang’s disciple, why are you only at the Grandmaster Realm?” Someone asked in puzzlement.

Qing Yao widened her eyes and slapped him again!

“My Master didn’t want me to be too high-profile, so he used a secret technique to cover up my internal Qi. Don’t you agree?” Qing Yao cursed.

The other party was naturally unhappy after being slapped.

However, thinking of his identity as “Jiang he’s disciple,” he was still young and angry.

“Alright, stop talking nonsense. You all have to listen to my arrangements, understand?” Qing Yao said swaggeringly.

Everyone looked at each other, their eyes filled with doubt.

This Qing Yao... Somehow felt that something was wrong.

As Jiang he’s disciple, how could he be so rude?

Jiang he had always been humble and polite. How could he have taught such an arrogant disciple?

Although they thought so, they didn’t dare to ask.

After all, if he really was Jiang he’s disciple, it would be troublesome.

At this time, another person walked over from not far away.

This person's expression was calm, neither sad nor happy, making it hard for others to figure out his identity.

“Who are you?” Someone took a step forward and asked first.

The other party glanced at him and said coldly, “Sea city's formation master, Li Zinan.”

“Formation Master?”

“I heard that Qin Yu also knows a lot about formation.”

“But... We all know a famous formation master. Why haven't we heard of your name?”

Li Zinan glanced at him and coldly said, “Are you doubting my ability? To be honest, I have long set up a killing formation here. Do you want to give it a try?”

Hearing this, the other party also said with some displeasure, “Oh? is that so? I really want to give it a try.”

“Okay.” Li Zinan didn't say anything. He just gently waved his hand.

In an instant, the other party's body directly exploded into a cloud of Blood Mist!

“This is the formation,” Li Zinan said coldly.

This method undoubtedly made everyone's faces change!

They didn't even know how Li Zinan killed someone!

“Mr. Li is indeed powerful!” Everyone cupped their hands and said politely.

“Everyone, let's just leave today. Three days later, I will inform everyone of the time and place,” elder Zhuo said.

“Okay! See You in three days!”

Everyone left one after another, and the riverside returned to its calm state.

After everyone left, Qing Yao took off her hat and revealed Yao Qing's face.

“Damn, that was close, but I was scared to death..” Yao Qing patted his chest and said in a low voice.

Chapter 417: Chapter 417: Let Bygones be bygones?

No one had expected that this “Qing Yao”, who was baring her fangs and brandishing her claws, was not Jiang he's disciple at all.

Instead, she was using Jiang he's reputation as a banner.

However, they could not help but admire Yao Qing's thick skin.

In the next few days, Qin Yu still did not leave Yun Chuan.

He waited here, waiting for those who came to kill him.

Two days later at night.

Elder Zhuo and the others gathered once again.

They had already made a thorough plan and even made a comprehensive analysis of Qin Yu's advantage.

“Qin Yu's strength is only his physical body. Excluding his physical body, it's not worth mentioning,”elder Zhuo said.

Huang Biao snorted, “In terms of physical strength, I don't believe that he can surpass me.”

“Mr. Huang, we know that you are a great martial grandmaster and that your physical strength is unparalleled. However, this matter is of great importance. It's best not to act rashly. It's best to be cautious,”someone advised.

Huang Biao snorted coldly. Although he agreed on the surface, he was not convinced on the bottom of his heart.

How could Huang Biao, who had always prided himself on having a strong physical body, miss such an opportunity?

If he used his physical body to defeat Qin Yu, Huang Biao's reputation would definitely surpass Qin Yu's!

“It's not easy to restrict the strength of my physical body, but I can set up a killing formation. As long as my mind moves, I can release the purest killing power towards it!”Formation master Li Zinan said.

Everyone spoke one after another, expressing their thoughts.

Soon, everyone's gaze fell on Yao Qing.

“Mr. Qing, do you have a countermeasure?” Elder Zhuo asked.

Yao Qing glared at him and raised his hand to slap elder Zhuo’s face!

“What countermeasure do I have? Do I have to report it to you?!” Yao Qing scolded.

Elder Zhuo’s face instantly turned ashen. His face was full of anger, and a trace of killing intent even rose from the bottom of his heart!

As a grandmaster who had become famous several years ago, how could he tolerate being slapped by a junior in public! !

Sensing the killing intent from elder Zhuo’s body, Yao Qing’s expression instantly changed, and he secretly cursed in his heart.

“Elder Zhuo, forget it. After all, he’s Jiang he’s disciple,” someone advised.

Elder Zhuo slowly stood up and said coldly, “So what if he’s Jiang he’s disciple? I’m of the same generation as Jiang he. How could I allow him to humiliate me like this!”

“Wait until I kill him, then I’ll go and apologize to Jiang He!” Elder Zhuo said coldly.

Yao Qing’s expression instantly became extremely ugly!

This old thing actually had the intention to kill!

“Elder Zhuo, forget it. If you really want to kill him, wait until you get rid of that Qin Yu first.” Someone at the side advised again.

Elder Zhuo gritted his teeth. He pointed at Yao Qing and said, “You’d better have real talent. Otherwise, I guarantee that you’ll die a miserable death!”

It was difficult for Qing Yao to get off the tiger, but he knew that if he gave in now, he would attract suspicion.

Therefore, Qing Yao braced himself and snorted coldly, “So what if he’s my master’s Peer? He’s still being suppressed by my master until he can’t breathe.”

“Okay, everyone, stop talking.” Someone waved his hand.

“Let’s discuss the time and place.”

Li Zinan stood up and said indifferently, “Let’s go to the Riverside. There are few people by the Riverside, so it’s a good place to kill people. Moreover, I’ve observed the terrain of the riverside and have already set up a killing formation.”

Everyone nodded and said, “Okay, let’s go to the riverside as Mr. Li said.”

“But... how do we deceive Qin Yu?” Someone asked doubtfully.

“I’ll Go!” Yao Qing immediately volunteered.

“I’ll go find that Qin Yu and I promise to deceive him!”

Elder Zhuo glanced at Yao Qing and said, “You go? Hehe, why should Qin Yu believe you?”

Yao Qing opened his mouth and said unwillingly, “Just because I’m Jiang he’s disciple, I don’t believe that he won’t give me face!”

“Hehe, that Qin Yu has always been unable to differentiate between superiority and inferiority. He doesn’t recognize his own kin. Not to mention that you’re Jiang he’s disciple, even if you’re the heavenly king, he might not give you face,” someone said.

“I’ll go.”

At this moment, a young man stood up.

Seeing this young man, Yao Qing’s expression changed slightly.

This person was none other than Jing Lu, the so-called genius of the Jiang Bei region!

What made Yao Qing feel the most uneasy was that Jing Lu and Fang Yue had a very good relationship. The hat on his head was very likely to be seen through!

“Who are you?” Asked elder Zhuo with slanted eyes.

A hint of coldness flashed across Jing Lu’s face.

“I am Jing Shihong’s son. Jing Lu, my father, died at the hands of Qin Yu!” Jing Lu gnashed his teeth and said.

“Now, I have no strength to deal with Qin Yu. I can only place my hopes on everyone!”

“And Qin Yu and I are old acquaintances. I believe we can trick him into coming here.”

Everyone looked at each other, then their eyes fell on Elder Zhuo.

Elder Zhuo pondered for a moment, then nodded and said, “This is a good opportunity to kill my father. You are indeed the most suitable person to go.”

Jing Lu nodded and said coldly, “Don’t worry, I will definitely bring Qin Yu to the Riverside Tomorrow!”

After saying this, Jing Lu turned around and left.

Yao Qing’s expression suddenly became a bit ugly. He didn’t expect Jing Lu to come.

“No, I have to find a way to inform Mr. Qin as soon as possible,” Yao Qing thought to himself.

“In order to prevent accidents, no one is allowed to leave from now on.” However, elder Zhuo’s words completely broke Yao Qing’s thoughts.

“Everyone, hand over your phones,” elder Zhuo stood up and continued.

Everyone took out their phones and handed them over.

Yao Qing couldn’t find an excuse to refuse. He could only obediently hand over his phone according to Elder Zhuo’s request.

“We have to think of a way.” Yao Qing was extremely anxious, but there was nothing he could do.

...

The next morning, the sun slowly rose, dyeing the wide and long river with a layer of golden color.

Under this seemingly peaceful scene, there was already a hidden killing intent.

At this moment, Qin Yu was standing by the window, quietly looking at the sky.

“Could it be that... no one dares to come?” Qin Yu frowned.

The current Qin Yu was indeed powerful enough in the martial world.

He killed more than ten peak grandmasters by himself. This kind of battle record made countless people stop in their tracks.

Qin Yu narrowed his eyes, and an idea suddenly came to his mind.

At this moment, there was a knock on the door.

“Finally, someone is here.” Hearing the knock on the door, Qin Yu finally heaved a sigh of relief.

When he opened the door, he saw Jing Lu standing outside.

At this moment, Jing Lu's face was no longer sad and sorrowful. Instead, it was filled with an indescribable nervousness.

“Jing Lu?” Qin Yu raised his eyebrows.

He never expected that the person who came to find him was Jing Lu.

Jing lu nodded and said, “Mr. Qin, it’s rare that you still remember me.”

Qin Yu narrowed his eyes and said coldly, “Why are you here?”

Jing Lu said with slight embarrassment, “After my father died, the Jing family collapsed. The enemies of the past also came to find me.”

“I couldn’t deal with them alone. I had no choice but to flee to Yun Chuan.”

“Oh?” Qin Yu raised his eyebrows, and there was some doubt in his eyes.

Jing lu sighed and said, “Mr. Qin, I came here this time... to bury the hatchet with you.”

“Bury the hatchet?” The sneer on Qin Yu’s face became even more intense.

“I killed your father, and you came to bury the hatchet with me?” Qin Yu continued to sneer.

Chapter 418: Chapter 418, the witty Yao Qing

Jing Lu didn’t panic at all. It was obvious that he had already prepared a countermeasure.

He smiled bitterly and said, “Mr. Qin, do you think I still have the qualifications to come and seek revenge on you?”

Qin Yu didn't say anything. Although what Jing Lu said was fine, Qin Yu didn't believe his words at all.

How could someone forget about killing their father and turn around to ask for peace?

"Why did you come to me?" Qin Yu asked.

Jing Lu said in a deep voice, "Mr. Qin, I want to ask you for a favor."

"You want to ask me for a favor?" Qin Yu looked at Jing Lu with a faint smile.

Jing lu nodded and said, "Yes, I found a secret realm in Yun Chuan, but with my own ability, I don't dare to enter alone."

"I don't know anyone in Yun Chuan. I heard that you came to Yun Chuan, so I came to ask you for a favor."

Jing Lu's face was full of sincerity, and it didn't seem fake.

Qin Yu was silent for a moment and said, "Okay, where is it?"

"It's by the river!" Jing Lu said hurriedly.

Qin Yu nodded and said, "Then don't waste time. Lead the way."

Jing Lu was overjoyed!

He never thought that Qin Yu would be so gullible!

"Mr. Qin, Please!" Jing Lu cupped his hands and said.

The two of them left the hotel and rushed to the Riverside.

On the way, Qin Yu and Jing Lu didn't say anything, which made the scene a bit awkward.

Half an hour later, the car stopped by the roadside.

Jing Lu got out of the car eagerly and opened the door for Qin Yu.

“Mr. Qin, it's right in front!”Jing Lu said while holding back his excitement.

Qin Yu got out of the car.

He looked at Jing Lu and said with a half-smile, “Jing Lu, sometimes people only have one chance to choose. The slightest carelessness will lead to eternal damnation. Have you thought it through?”

Jing Lu was stunned.

There was obviously a hidden meaning in his words.

“Mr. Qin, I don't understand what you said,”Jing Lu braced himself and said.

Qin Yu patted Jing Lu's shoulder and said, “Let's go.”

Jing Lu didn't say anything more. He led Qin Yu to the Riverside.

The two of them were getting closer to the Riverside. At this time, Qin Yu stopped again.

Staring at the river, Qin Yu said indifferently, “I killed your father. I can understand if you want revenge. So, I won't kill you this time.”

Jing Lu was stunned, and his face suddenly changed!

Qin Yu... had seen through it long ago?

“You...”Jing Lu looked at Qin Yu in horror, and his body couldn't help but tremble.

“You can go,”Qin Yu said faintly.

Jing Lu gritted his teeth and immediately ran away.

The moment Jing Lu ran away, the people hiding in the dark also walked out one after another.

Looking at the dozen or so figures that suddenly appeared by the river, Qin Yu couldn't help but sneer.

“Qin Yu, you're finally here! We've already made thorough preparations to kill you!”

Before Qin Yu could walk over, he saw a young man wearing a green hat shouting desperately.

When these words were said, elder Zhuo and the others'faces turned somewhat ugly.

“Idiot, do you want him to run away!”Elder Zhuo said angrily.

How could Yao Qing have the mood to pay attention to Elder Zhuo? He shouted desperately in his heart, “Mr. Qin, run quickly!”

Qin Yu looked at the cuckold youth with some surprise, and could not help but be slightly surprised.

Wasn't this Fang Yue's Hat? How could it be on his head?

"Come and face your death!" Seeing that Qin Yu had no intention of leaving, Yao Qing shouted again.

"Shut the F * ck up!" Elder Zhuo raised his hand and slapped Yao Qing's mouth!

Yao Qing's expression was extremely ugly. He couldn't help but curse in his heart.

Not far away, Qin Yu didn't say anything. He slowly walked in front of everyone with his hands behind his back.

More than ten people quickly surrounded Qin Yu in the middle.

"Qin Yu, you're finally here." Elder Zhuo stroked his beard and said indifferently.

Qin Yu sized them up and sneered, "More than ten peak martial grandmasters aren't enough to kill me."

"Hehe, Qin Yu, don't be so arrogant. Since we dared to ask you out, we naturally have full confidence." Elder Zhuo said with a faint smile.

"That's right! Among Us, there are formation masters, horizontal training martial grandmasters, and spiritual sense martial grandmasters. Killing You is no problem!" Yao Qing roared again.

This time, Qin Yu also saw that something was strange.

This kid seemed to be threatening him, but in fact, every word he said was to inform him.

“Shut up!”Elder Zhuo glared at Yao Qing fiercely.

After saying that, elder Zhuo looked at Qin Yu and said coldly, “Qin Yu, we don’t want to make enemies. If you are willing to hand over the mental cultivation method on the stairway to heaven, we can consider sparing your life.”

“Mental cultivation method?”Qin Yu raised his eyebrows, then shook his head and said, “Then I can only say I’m sorry, because... there is no mental cultivation method on the stairway to Heaven.”

“You’re full of nonsense,”elder Zhuo said coldly.

“Are you going to hand it over or not!”Someone shouted loudly.

Qin Yu spread his hands and said, “I don’t have it at all. How do you want me to hand it over?”

Speaking up to this point, Qin Yu paused for a moment and continued, “Oh, of course. Even if there is, I won’t give it to you.”

“What a good Qin Yu. He still dares to be so arrogant at the end of his life!”Elder Zhuo said coldly.

“Since you are unwilling to cooperate, then don’t blame us for being impolite!”

As he spoke, elder Zhuo’s internal Qi was the first to erupt!

After sensing elder Zhuo’s internal Qi, a hint of fanaticism flashed across Qin Yu’s eyes!

This elder Zhuo's internal Qi was a few times stronger than that of an ordinary pinnacle martial grandmaster!

Following which, the internal Qi of the other ten over people also erupted!

In an instant, the river water began to surge wildly, stirring up raging waves.

The trees on both sides were cut in half by this internal Qi!

“I'll give you one last chance. Hand it over or Not!” Elder Zhuo said coldly.

Qin Yu sneered, “Are you deaf? You're already old enough to retire at home. Why are you here to die?”

“Okay!” Elder Zhuo didn't say anything more.

Just as he was about to give the order to “Attack together”.., Yao Qing suddenly shouted from the side, “Qin Yu, you don't have to be arrogant! You're just a strong physical body. Our Master Huang Biao's physical body is far superior to yours!”

With just one sentence, Huang Biao, who was ready to make a move, was praised to the sky.

Huang Biao immediately took a step forward, then waved his hand and said, “Elder Zhuo, let me meet this kid myself.”

Elder Zhuo frowned and said, “Huang Biao, have you forgotten what I said!”

Huang Biao snorted coldly and said, “Everyone says that this Qin Yu’s body is unparalleled, I, Huang Biao, am not convinced! If I can’t exchange a few moves with him today, I will never be satisfied!”

Chapter 419: Chapter 419, pure physical collision!

Elder Zhuo’s face was filled with disappointment. He fiercely glared at Yao Qing and coldly said, “You better stop talking, or I’ll throw you into the river and feed you to the fish!”

At this point, elder Zhuo had no other choice.

He could only take a step back and let Huang Biao show off.

Huang Biao slowly walked in front of Qin Yu. His huge figure formed a sharp contrast with Qin Yu.

“I heard that your physical body is invincible. I really want to see it today,” Huang Biao said coldly.

“Ever since I stepped into the Martial Grandmaster realm, no one in the same realm has ever been my match. I can’t even break through my defense. As for you, I’m afraid there’s no difference.”

As he spoke, the internal Qi on Huang Biao’s body began to rise rapidly.

His originally strong body expanded once again at this moment!

His dark golden skin instantly flickered with radiance, as if it was plated with a layer of golden armor!

The absolute pressure could not help but cause people to exclaim in admiration!

On the other hand, Qin Yu's body looked extremely weak.

It even made people wonder if Qin Yu could withstand Huang Biao's punch!

“Come, let me see your physical body,” Huang Biao said coldly.

Qin Yu looked at Huang Biao and nodded, “Your physical body is indeed not bad. You must have suffered a lot to train to this extent. Are you willing to die here?”

A flash of anger flashed across Huang Biao's face. He clenched his fist and raised it. A fist the size of a casserole came down from the sky and smashed fiercely at Qin Yu!

This was the purest physical strength! The powerful pressure caused the ground beneath Qin Yu's feet to sink!

Just the wind from his fist was enough to send sand and rocks flying. The power of this punch was unimaginable!

“As expected of a horizontal training grandmaster!” Even elder Zhuo clicked his tongue in wonder!

“Boom!”

This punch landed squarely on Qin Yu's chest.

Qin Yu's figure retreated three steps in succession.

However, there was no pain on his face.

“Not bad.” Qin Yu patted the dust on his chest and nodded slightly.

Huang Biao sneered, “Putting on an act. I’m afraid your internal organs have been shattered, right?”

Qin Yu sneered, “If my internal organs were shattered by this level of attack, I might as well die.”

“You dare to underestimate me!” Huang Biao flew into a rage!

He did not say anything more. His strong arm brought along a huge fist as it smashed towards Qin Yu once again!

This time, Qin Yu did not take it head on. His figure was graceful as he jumped to the side.

“Boom!”

Huang Biao’s fist smashed onto the ground!

A huge pit with a diameter of several meters instantly appeared on the ground!

Countless pieces of gravel shot up like bullets!

Hiss...

When everyone saw this, they couldn’t help but suck in a breath of cold air!

Such a terrifying power, if it smashed into the body, what kind of consequences would it have?

They didn't dare to imagine!

“Don't even think about escaping!”

Huang Biao raised his head to look at Qin Yu. He relied solely on the strength of his physical body to support himself to shoot up!

His fist was like a cannonball, bringing with it a bright light as it ruthlessly smashed towards Qin Yu!

“Not bad.” Qin Yu praised from the bottom of his heart.

This Huang Biao's physical body far surpassed Tao Shan's from back then!

Qin Yu no longer dodged, and directly clashed head-on with Huang Biao.

“Dang dang dang” the sounds of clashing rang out incessantly, causing the air to explode.

This was a clash of pure physical strength. The moment the two fists clashed, a shocking loud sound rang out, like thunder on flat ground!

Compared to the clash of spells, The Clash of physical strength was purer and more powerful!

Everyone was dumbfounded. With such physical strength, it was likely that they had long surpassed steel?

“The bodies of these two people are simply abnormal,” someone muttered.

“Just their physical bodies alone can probably level a small mountain.” Even elder Zhuo felt waves of shock.

The physical confrontation between the two sides had reached a white-hot state. Their bodies created a huge heat wave as they rubbed against each other.

The heat wave hit their faces, making it difficult for them to withstand it.

Huang Biao panted heavily. He looked coldly at Qin Yu and said, “Your physical body really lives up to its reputation.”

Qin Yu put his hands behind his back and nodded slightly. “You’re not bad either. You’re the first person who can fight me to this extent with just your physical body.”

Huang Biao’s lips curled into a cold smile.

He restrained his internal Qi and looked at Qin Yu coldly. He said, “Unfortunately, you’re still not my match.”

“Oh?” Qin Yu raised his brows.

Could it be that... This Huang Biao still had some trump card?

As expected, the internal Qi on Huang Biao’s body began to climb along with the bracelet.

Streams of white qi energy slowly gathered around his body.

The energy seemed to come from all directions and surged into every cell in Huang Biao’s body!

“Ah! ! !”

Then, Huang Biao clenched his fists and roared furiously!

The skin on his body turned golden in an instant!

Even his pores turned golden!

An oppressive feeling filled the air.

Huang Biao looked at Qin Yu and sneered, “This is the vajra body protection technique that I found in the Western sect books. With the support of this technique, my body will be indestructible. Even if it’s a cannonball, I can crush it with one hand!”

“Qin Yu, Try Again!”

Before he finished his words, Huang Biao rushed over again!

This time, his strength and physical body had undergone a qualitative change!

The Air Force was about to cut through the sky, and his incomparably fierce fist smashed straight towards Qin Yu!

“Good timing!” Qin Yu’s eyes were filled with battle intent!

He clenched his fist and rose up to meet it head-on!

“Dang!”

A sonic boom exploded in the air!

Everyone covered their ears at this moment!

“Whoosh!”

The incomparably powerful force directly sent Qin Yu flying!

His body drew a beautiful parabola in the air, and finally smashed into the ground!

On the ground, a huge pit that was several meters deep appeared!

Waves of white smoke floated up from the huge pit.

“We won?” Everyone hurriedly looked in the direction of the huge pit.

“It’s not over yet!” Huang Biao roared!

Following that, they saw his fist flickering with golden light. An incomparably fierce physical force gathered on his fist.

“Boom!”

Huang Biao spread out his fists, trying his best to attack the huge pit.

One, two, three!

The indiscriminate attacks almost shattered the entire ground!

The huge pit was completely turned into ruins.

Everyone seemed to feel an earthquake, and they all cast spells to float in the air, afraid of being affected!

“Mr. Qin!” Yao Qing roared in his heart, and his fists subconsciously clenched!

After a round of bombardment, Huang Biao finally stopped what he was doing.

He looked at the huge pit coldly and sneered, “I’ve always said that my physical body is truly unparalleled in the world!”

“That’s not necessarily true.”

Just as Huang Biao was going crazy, a golden figure shot out from the huge pit!

Chapter 420: Chapter 420: Capture the leader before capturing the thief!

It was a resplendent light that erupted from the darkness, shaking the entire world!

Qin Yu’s figure once again stood in front of Huang Biao.

His clothes had already been torn apart, and streaks of white marks appeared on his body.

Most importantly, Qin Yu’s body was dyed with an even more resplendent golden light!

Under this Golden Light, Huang Biao’s technique instantly paled in comparison!

“How is this possible!” Huang Biao’s pupils suddenly constricted!

Under this wild bombardment, this Qin Yu was actually completely fine?

Qin Yu quietly looked at Huang Biao and said, “With just my physical body, there aren’t many who can allow me to use the sacred body technique. You’re one of them.”

These words were an acknowledgment of Huang Biao.

However, to Huang Biao’s ears, it was filled with ridicule.

“Putting on an Act! I want to see just how strong your physical body is!” Huang Biao roared angrily. The golden light rose again and surged forward, directly pressing towards Qin Yu!

Facing Huang Biao’s fist that was full of killing intent, Qin Yu’s expression was indifferent as he casually went up to meet it.

“Boom!”

This could be said to be a big explosion! The entire surface of the river received a huge impact!

And under the ground, Yao Qing suddenly spat out a mouthful of fresh blood!

Traces of blood dripped from the corner of his mouth. He was obviously unable to withstand this force!

Fortunately, everyone’s line of sight was on the battlefield, so no one noticed Yao Qing’s abnormality.

The light entered everyone's sight, and no one could see clearly what was happening in the sky.

Finally, the light gradually disappeared.

And in the air, only Qin Yu was left.

“Where's Huang Biao?” Someone asked anxiously.

“He's... He's over there!”

Everyone followed their line of sight and saw that the Golden Light on Huang Biao's body had been shattered, and his body was injured in many places!

His body was dyed red, and the Golden Light had disappeared!

“You... have such a strong body...” Huang Biao pointed at Qin Yu in the air and struggled to get up from the ground.

Qin Yu looked at Huang Biao coldly and said, “If I wanted to, I could have taken your life just now.”

Huang Biao was stunned, and a hint of disappointment flashed across his face.

Although he didn't want to believe it, he knew very well that Qin Yu's trump card, the absolute beginning Holy Fist, hadn't been used at all.

“I give up,” Huang Biao said quietly.

He looked at Elder Zhuo and the others and said, “I give up on this mantra.”

“Huang Biao, you!” Elder Zhuo wanted to say something, but Huang Biao had already made up his mind and didn’t give him a chance.

Then, Huang Biao looked at Qin Yu in the air and said, “You are the only person I, Huang Biao, admire. See You Again.”

After saying this, Huang Biao turned around and left, leaving everyone looking at each other in dismay.

No one had expected that Huang Biao would lose so miserably, losing to the point where he had no strength to fight back!

Most importantly, Huang Biao’s strength was among the best among them.

“Everyone, there is something strange about this child’s body. No matter what, we must not let him touch us,” said elder Zhuo coldly.

Qin Yu didn’t panic. With a slight movement of his feet, he landed in front of everyone.

Faced with the siege of more than ten people, Qin Yu was like a leisurely strolling in a courtyard. There was no sadness or joy to be seen.

“Don’t waste time. I still have things to do,” Qin Yu said quietly.

But for a moment, no one was willing to be the first to attack.

“HMPH, a bunch of cowards.” Elder Zhuo couldn’t help but snort coldly.

In the next second, elder Zhuo suddenly clawed at Qin Yu from the depths of his sharp claws!

Seeing elder Zhuo make his move, the others didn't waste any more time and unleashed their spells one after another!

In an instant, spells were unleashed!

Yao Qing couldn't take it anymore. He hurriedly ran to the side, afraid that he would be affected.

“Kacha!”

Elder Zhuo's palm grabbed at Qin Yu's body in mid-air.

In the next second, the sky suddenly turned dark, and a door was pointed at Qin Yu from the top down!

“Hualala!”

On the other side, there was an inner strength formed by a spell, which attacked like raindrops!

Facing enemies on all sides, Qin Yu was not afraid at all!

“Insect-like spell, not worth mentioning!” Qin Yu's eyes flashed, and then he saw Qin Yu's body suddenly shake!

In an instant, the golden light spread out in all directions with Qin Yu as the center!

All the spells were directly shattered at this moment!

“Everyone, don’t be afraid. This is a spell that I have carefully studied, the heavenly lightning spell! Under the Heavenly Lightning, this Qin Yu...”

Before Old Zhuo could finish his words, his face turned black!

Qin Yu opened his mouth and actually forcefully swallowed the so-called heavenly lightning into his stomach!

“It’s not worth mentioning.” Qin Yu grinned, revealing a mouthful of white teeth.

Old Zhuo felt his heart skip a beat! This kid’s methods could not be measured with common sense!

“Are you done? It’s my turn to fight.” Qin Yu coldly swept his gaze across the crowd. Every word was like a life-threatening talisman, making people endlessly terrified!

“Whoosh!”

In the next second, Qin Yu’s figure suddenly disappeared!

Golden Light reflected in everyone’s eyes. His wide-open and wide-open moves had the appearance of splitting the heavens and earth apart. Wherever it landed, not a single blade of grass grew!

Everyone scattered and fled. No one was willing to endure Qin Yu’s punch!

“Bang!”

However, Qin Yu's figure was too fast. In the end, there were still people who could not dodge in time.

Under the violent punch, it directly pierced through the flesh and turned into a pile of withered bones!

At the moment of his death, Qin Yu immediately used the heaven swallowing technique and swallowed it into his body along with his spiritual sense!

“Comfortable.” Qin Yu licked his lips and sneered non-stop.

Such a method made people's Hearts Jump!

“Soul binding lock!”

At this moment, the spiritual master roared loudly!

In an instant, several chains flew out from his body!

The speed of these chains was extremely fast, and in the blink of an eye, they entered Qin Yu's mind!

Qin Yu instantly felt his divine sense go into a trance, and he almost fell to the ground again.

“Oh? What is this?” Qin Yu could not help but be stunned.

The moment he was stunned, elder Zhuo seized the opportunity!

“Great Yan Divine Slash!”

Accompanied by Elder Zhuo's raised head and angry roar, a ray of heavenly light instantly shot up!

The Ray of light used the power of splitting heaven and earth to instantly slash at Qin Yu's head!

Qin Yu's expression changed slightly. It was already too late for him to dodge.

“Chi la!”

The light slashed across Qin Yu's chest!

A bloody scar appeared in front of everyone!

“Well done!” Someone shouted excitedly!

This at least meant that Qin Yu's body would be injured as well!

Looking down at the bloody scar on his chest, Qin Yu's expression gradually turned cold.

“You... are their commander?” Qin Yu looked at elder Zhuo coldly.

Elder Zhuo's expression instantly changed!

Oh No, he's being targeted!

“If you want to catch a thief, first catch the leader. Then I'll kill you first..” A cruel smile hung on Qin Yu's face.

Chapter 421: Chapter 421, Elder Zhuo's trump card

It was not a good thing to be targeted by such a god of death!

Elder Zhuo hurriedly looked at the people around him and said,
“Everyone, try your best to protect me!”

As he spoke, Qin Yu had already charged towards elder Zhuo!

“Hurry up and kill him!” Everyone shouted in unison.

In an instant, rays of light rose in all directions, and spells covered the sky and earth as they charged straight towards Qin Yu!

On the other hand, Qin Yu relied on his strong physical body to charge straight at him. He completely gave up on defense and focused all his attention on charging straight at Elder Zhuo!

Elder Zhuo knew that he was no match for Qin Yu, so he fled frantically.

Qin Yu chased after him relentlessly. No matter how much his body was smashed by the spells, he completely ignored them!

“This madman!” Elder Zhuo roared in his heart!

If this continued, he would definitely be killed by Qin Yu!

“Hurry up and kill him!” Elder Zhuo was anxious and angry as he shouted desperately!

“Elder Zhuo, you hang in there. We will use this opportunity to get rid of Qin Yu,” someone said coldly from the side.

Even though that was the case, they were unable to cause any fatal injuries to Qin Yu!

“Boom!”

Finally, Elder Zhuo was hit by Qin Yu in a circle. He vomited blood on the spot!

He hurriedly got up and continued to run away. As he ran, he silently chanted a spell in an attempt to block Qin Yu's path.

“F * ck, these bastards have no intention of letting me live at all!” Elder Zhuo roared in his heart!

These people were doing their best to get rid of Qin Yu. As for whether elder Zhuo could survive, no one cared at all.

“Boom!”

Another fist smashed into elder Zhuo's chest!

This punch caused elder Zhuo's chest to sink and his sternum to be broken!

“Kid, you're going too far!” Elder Zhuo roared crazily.

“Buzz!”

At this moment, a long sword rose up from behind him and stabbed into Qin Yu's back!

The sword pierced through Qin Yu's body and fresh blood flowed down his body.

“Well done!” Shouted elder Zhuo.

But in the next second, his face turned extremely pale.

Qin Yu pulled out the long sword and chased after him again!

“Boss Zhuo, don’t you have a secret treasure? Don’t tell me you still have to hold back at this time!” Someone said coldly.

Boss Zhuo couldn’t help but clench his teeth.

He had indeed accumulated a lot of treasures after traveling all over these years.

One of the secret treasures even possessed a trace of ancient power!

However, although the power of this secret treasure was great, it could only be used once!

After one use, it would turn into ruins!

How could elder Zhuo Bear It!

“Pa!”

Just as elder Zhuo was in a dilemma, Qin Yu swung his palm and slapped his face.

This slap shattered elder Zhuo’s face bone.

His already collapsed skin became extremely old in that instant.

“Qin Yu, you are going too far!” Elder Zhuo was completely driven mad!

He flipped his palm and a Buddha bead landed on his palm!

“This Buddha bead was obtained from a Western religion. It possesses the purest power of faith. Let’s see what I can do...”

“Whoosh!”

Before elder Zhuo could finish speaking, the Buddha bead in his hand disappeared.

In the next second, the Buddha bead landed between Qin Yu’s two fingers.

“Buddha Bead? This is really a good thing.”Qin Yu sized up the Buddha bead with a hint of interest on his face.

“You... you... pfft!”

Elder Zhuo was so angry that he vomited blood on the spot!

This secret treasure that had been treasured for many years had actually been snatched away by Qin Yu?

“Why do you say so much nonsense?”Qin Yu raised his eyebrows and said indifferently.

“But no matter what, I still have to thank you for giving me such a babe. In return, I will let you die a quick death.”Qin Yu grinned.

Elder Zhuo’s entire body was trembling. His body was trembling, and a wave of anger filled his chest.

“Qin Yu, you’ve gone too far, you’ve gone too far. I’m going to kill you, I’m definitely going to kill you!” Elder Zhuo roared repeatedly. He actually spat out a wave of black gas from his mouth!

This wave of black gas blotted out the sky and covered the Sun. It was extremely sinister!

Following that, the black gas spread in the air and slowly condensed into a skeleton holding a huge knife!

On the other hand, elder Zhuo’s body seemed to have been hollowed out. He became as thin as a stick and his eyeballs bulged out!

“What... What kind of spell is this?” Someone exclaimed.

“No... no idea...”

“It’s the Senluo demon statue! It’s said that the price for using this spell is that one can never reincarnate...”

“Looks like elder Zhuo is really forced into a corner.”

“Everyone, don’t hide your strength. Use this opportunity to use your trump card to get rid of Qin Yu!”

Qin Yu’s expression turned solemn as he faced the giant skeleton.

As someone of Jiang and the same generation, elder Zhuo’s strength was not to be underestimated.

Such a technique made Qin Yu feel a sense of danger.

“Hualala...”

The skeleton let out a mournful sound in mid-air.

The large saber in his hand carried a sky-high killing intent!

Qin Yu did not dare to be negligent. He immediately used the sacred physique technique and looked at the skeleton with a grave expression.

“Swoosh!”

Finally, the skeleton made his move!

His broadsword sliced through the sky and came slashing at his waist!

Qin Yu did not dare to be negligent. He raised his hand and used the absolute beginning sacred fist!

“Swoosh!”

However, Qin Yu’s fist went straight through the Broadsword!

“HMM?” Qin Yu’s expression changed.

Before he could recover from his shock, the broadsword had already cut into his waist!

“Bang!”

Under the Broadsword, Qin Yu felt as if he had suffered a heavy blow, and his entire body was sent flying dozens of meters!

Looking down, he saw a one-centimeter-deep bloody scar on Qin Yu’s waist.

“How could this be...”Qin Yu touched the blood that was flowing out, and his expression was extremely cold.

“My Fist can’t touch him, but he will actually slash at my body...”

“Swoosh!”

Without waiting for Qin Yu to think, the second blade had already slashed over!

Qin Yu hurriedly dodged. He tried to use the absolute beginning holy fist to attack again, but the result was the same. He still passed through this skeleton!

“No,”Qin Yu thought to himself.

The power of this huge blade was extremely strong. Even Qin Yu’s physical body could not withstand it.

“We must not let this huge blade touch it. Otherwise, even if we don’t die, we will be heavily injured.”Qin Yu’s face was full of solemnity.

“Everyone, now is the best time. Let’s kill him!”The others said coldly.

“WHOOSH WHOOSH WHOOSH!”

In an instant, these ten or so peak grandmasters used all their trump cards. Each of their spells had the power to split open the Heaven and earth!

Even Qin Yu’s physical body couldn’t withstand it!

“Shua!”

At this moment, the skeleton's large saber swung over!

The overwhelming spells were impenetrable, and with the skeleton's large saber, there was nowhere for Qin Yu to hide!

Chapter 422: Chapter 422, you seem to have forgotten my identity

Boom

Countless resplendent rays of light exploded on Qin Yu's body!

These were all the trump cards of a peak martial grandmaster. No matter how strong Qin Yu's physical body was, he wouldn't be able to resist them!

His physical body was ruthlessly smashed into the ground, and the large saber brushed past Qin Yu's body and flew over!

“Seize the opportunity to stop him!” Someone said with a cold snort.

Before he finished his words, chains suddenly appeared around Qin Yu.

These chains were made of the purest inner strength, and they bound Qin Yu's limbs, making him unable to move!

Qin Yu, who was already heavily injured, was unable to struggle at this moment!

“Swoosh!”

The skeleton once again raised its saber and slashed viciously at Qin Yu.

Qin Yu's expression was somewhat unsightly. He tried to struggle, but he discovered that the chains had imprisoned him so tightly that he was unable to move!

“Chi la!”!

The large saber landed solidly on Qin Yu's body!

The golden light lingering around Qin Yu's body shattered in that instant! However, this did not stop the large Saber's advance!

The Black Saber slashed at Qin Yu's chest.

A bloody wound appeared in front of everyone's eyes!

“Pu!”

The huge impact made Qin Yu spit out a mouthful of blood!

“Ah! !”

At this moment, Qin Yu raised his head and let out an angry roar. A terrifying force instantly erupted!

The chains that were imprisoned on his body were instantly shattered! Light erupted beneath his feet. His killing intent surged, and his fighting spirit was overflowing!

“He actually managed to break free,” someone said coldly.

“He's already an arrow at the end of its flight. He won't be able to hold on for much longer.”

“Everyone, strike while the iron is hot. Don’t give him any chance.”

Everyone looked at each other and came to an agreement.

Qin Yu, who was in mid-air, had an incomparably grave expression.

He didn’t expect that this battle would be so difficult.

“If I don’t get rid of this skeleton, I have no chance of winning today,” Qin Yu said coldly.

“Swish!”

Qin Yu flipped his palm and a bronze sword fell into his hand.

“Before I left the Divine Alchemist Pavilion, I comprehended a sword technique,” Qin Yu whispered.

“It was originally used to deal with Han Wei, but I didn’t expect it to come in handy so quickly.”

With the bronze sword in hand, Qin Yu’s pupils burst out with a resolute look.

A trace of blood essence flew out from Qin Yu’s glabella and landed on the bronze sword. In an instant, the bronze sword flickered with a demonic light!

This light wasn’t strong, but it was exceptionally eye-catching. No one could avoid it!

“Come on, let me see if you, a skeleton, can dodge the heaven-ranked sword technique left by my father,” Qin Yu said coldly.

The skeleton seemed to understand Qin Yu's words. He waved his saber and slashed at Qin Yu again!

“First cut of the nine Tai Qing slashes!”

Qin Yu held his sword with both hands, and a terrifying sword light burst out at this moment!

The demonic light rolled over with the power to overturn the sky and the sea!

Qin Yu's blood was burning, and his fighting spirit was soaring. The demonic sword light blotted out the sky and the earth as it went to meet the skeleton!

“Clang!”

The swords and sabers collided, and a brilliant spark burst out!

The giant skeleton's body actually took a few steps back!

“It really works.” Qin Yu laughed coldly.

The supreme purity nine slashes was a true heaven rank Saint Spell. It was said that when cultivated to the extreme, it could split the sky and split the earth!

However, Qin Yu could only make a second slash, so he didn't dare to waste time.

“Everyone, hurry up and attack. If this skeleton falls, I'm afraid we won't have a chance!” Someone shouted anxiously.

Everyone once again activated their spells and prepared to launch a fatal attack on Qin Yu!

Qin Yu looked at them coldly and muttered in a low voice, “We must finish off this skeleton as soon as possible!”

As he spoke, the light of the bronze sword increased by another three feet!

“Nine cleaves of supreme purity, second cleave!” Qin Yu raised his head and roared angrily. All the spiritual power seemed to have been injected into the bronze sword at this moment!

The blood-red sword light seemed to come from the sky. Its monstrous power shook the entire ground!

The small mountain not far away was directly moved into flat ground. Even if it was several miles away, this strange scene could still be seen!

“Chi la!”

The sword light landed on the skeleton’s body. Like cutting tofu, it slashed across its entire body!

The pitch-black skeleton began to shatter at this moment, turning into endless black qi and disappearing into the sky.

Qin Yu’s internal Qi also became somewhat dispirited.

With his current strength, he had already done his best to block the second sword attack.

Elder Zhuo’s body fell straight down.

In a short while, he turned into dust and disappeared from this world.

The scene was silent.

Everyone felt a trace of unease.

“Everyone, don’t worry. This child is already exhausted. As long as we attack together, killing him isn’t a problem,” someone said anxiously.

Even though that was the case, Qin Yu’s almost invincible attitude left a trace of shadow in their hearts.

In the air, Qin Yu stared coldly at these people.

The monstrous killing intent on his body did not subside at all.

“Qin Yu, we can let you live today.” Someone started to back out.

Once someone was discouraged, the fighting spirit of the others would be instantly reduced.

“That’s right, we don’t want to kill you just because you are talented.”

“Maybe we’ll be able to witness your peak in the future.”

Qin Yu looked at these people coldly and grinned, “I’m sorry, but I don’t want to let you go.”

As soon as he said that, the atmosphere at the scene immediately became extremely tense.

“Qin Yu, we’re kind enough to let you live. Don’t be ungrateful!” Someone shouted angrily.

Qin Yu, who was in midair, couldn't help but raise his head and laugh loudly.

This laughter spread throughout the valley and shook people's ears until they felt pain.

“What... What are you laughing at!” Under this laughter, someone stirred up uneasiness and couldn't help but roar to hide the fear in his heart.

Qin Yu said coldly, “Opportunities and risks often coexist. For me, for the sake of opportunities, I can bear the risks. What about you guys?”

Everyone was stunned and asked in confusion, “You... What do you mean?”

“I mean... you all have to die today.”

As soon as Qin Yu finished speaking, his body suddenly disappeared.

In the next second, a round sun-like fist blotted out the sky and covered the earth!

This was the peak of Qin Yu's absolute beginning holy fist. The entire surface of the water was stirred up by thousands of waves!

“Not good, run quickly!”

Some people knew that things were not good and hurriedly ran away.

Under the surging might of the absolute beginning holy fist, there was still someone who could not escape and was smashed into meat paste by this punch!

Qin Yu took advantage of the victory to pursue and attack. He used a life-threatening fighting style to pursue and attack.

His spiritual power was almost depleted, but it was still unable to stop his surging killing intent!

In an instant, the riverside seemed to have become a purgatory on earth. Fresh blood flowed into the river water and dyed it red!

Everyone was scared out of their wits. Even if they fought back, they were still no match for Qin Yu.

“Pa!”

Qin Yu unleashed the heaven-devouring technique to its extreme. With every palm raised, one person’s inner strength would be sucked dry!

This massacre continued from day to night until a full moon hung in the sky. Only then did it come to an end.

Looking at the corpses that filled the sky and Earth, Qin Yu’s heart did not have the slightest bit of disillusionment.

It was as if he had gone mad, and he felt extremely excited!

However, the excitement in his heart couldn’t support the tiredness in his body.

Qin Yu sat by the river and muttered in a low voice, “Eleven martial grandmasters allowed me to touch the second level of the Enlightenment stage. It’s still faster to absorb martial grandmasters.”

At this moment, Qin Yu suddenly felt a person walking over from behind him.

“Brother Qin’s skill really shocked me.”

The person who spoke was none other than the formation master, Li Zinan.

During this period, he did not make a move and only stood by the side and watched.

Qin Yu glanced at him and said coldly, “Since you didn’t make a move, I won’t kill you. You can leave.”

Li Zinan raised his eyebrows and said, “Then I have to thank Brother Qin?”

Qin Yu didn’t say anything and ignored Li Zinan.

Li Zinan sneered and said, “Qin Yu, don’t tell me you think I’m some kind person?”

Qin Yu slowly stood up when he heard that.

He looked at Li Zinan and said, “Then what do you mean?”

Li Zinan laughed loudly and said, “To tell you the truth, I’m Just Waiting! When you’re exhausted, I’ll break your Dantian and take the heart technique for myself!”

“You actually treat me as a good person? Should I call you naive or stupid?” Li Zinan raised his eyebrows and said.

Qin Yu looked at Li Zinan coldly and said, “Do you think you can kill me?”

Li Zinan snorted lightly and said, “If it was at your peak, I naturally wouldn’t be your opponent. But now... you’re already exhausted. You’re just a lamb at the mercy of others.”

Qin Yu looked Li Zinan up and down and sneered, “Did I not notice you?”

Li Zinan frowned slightly and asked with confusion, “What do you mean?”

Qin Yu sneered, “Have you forgotten my identity as an elder of the Divine Alchemist Pavilion?”

As soon as he said that, Qin Yu took out a bunch of pills and stuffed them into his mouth as if he was eating candy.

Chapter 423: Chapter 423: Fighting with one’s life

Li Zinan was stunned when he saw Cheng put dozens of pills into his mouth!

How could he eat a pill like this?

Qin Yu swallowed nearly a hundred pills before burping contentedly.

“Almost done.” Qin Yu patted his stomach.

Then, he looked at Li Zinan and grinned, “Although I haven’t returned to my peak, I think it shouldn’t be a problem to deal with you.”

Li Zinan hurriedly took two steps back.

A grave expression flashed across his face, and his eyes narrowed slightly.

Qin Yu's god-like figure just now had left an indelible impression in his heart.

Even though he had already set up a killing array, he still had some uncertainty in his heart.

At this moment, Yao Qing, who was hiding in the dark, slowly walked out.

Seeing Yao Qing, Li Zinan seemed to have grabbed onto a life-saving straw.

He hurriedly looked at Yao Qing and said, "Brother Qing and Yao Qing, as Jiang he's disciple, hurry up and kill him!"

Yao Qing grinned and said, "Kill Him? Do I Kill You? You're just a sand sculpture!"

Li Zinan was stunned and said with some confusion, "What do you mean?"

Yao Qing ignored Li Zinan. He took off the hat on his head and walked quickly to Qin Yu.

"Mr. Qin," Yao Qing said with a smile.

Qin Yu said with some surprise, "It's You? Why are you here?"

Yao Qing waved his hand and said, “Now is not the time to talk about this. This kid has set up a killing formation here. Mr. Qin, you have to be careful.”

“Killing Formation?” Qin Yu raised his eyebrows.

He released his spiritual sense and tried to sense the killing intent from the surroundings.

Sure enough, a killing formation had been set up by the Riverside.

“Eh? Jing Lu hasn’t left yet?” At this moment, Qin Yu’s spiritual sense caught a figure.

This figure was Jing Lu, who had been let go by Qin Yu.

“Well, if he hasn’t left, then I don’t need to keep him alive,” Qin Yu thought to himself.

Then, he turned to look at Li Zinan and said indifferently, “Make your move. Let me see your killing formation.”

At this moment, Li Zinan was already panicking. He hurriedly said, “Mr. Qin, I apologize for my presumptuous act just now! You... You Let Me Go!”

“Let You Go?” Qin Yu shook his head.

“I will never let go of those who want to kill me.”

Li Zinan gritted his teeth and knelt on the ground with a plop. He begged bitterly, “Mr. Qin, if you are willing to let me go, I can give you a sum of property!”

“No need.” Qin Yu shook his head.

Li Zinan had other uses. Qin Yu would never let him go.

“If you don’t make a move, I won’t be polite,” Qin Yu said coldly.

Li Zinan knew that Qin Yu would not show mercy, so he could only stand up and gnash his teeth, “Your killing intent is too heavy, sooner or later you will be punished by the heavens! The heavens will not forgive you!”

Qin Yu sneered, “What’s the point of saying such nonsense? It’s better to make a move quickly.”

“Good! Then I’ll let you see the power of Heaven and Earth!” Li Zinan roared repeatedly!

Li Zinan’s mind moved, and Qin Yu’s body immediately emitted bursts of explosive sounds!

“Oh?” Qin Yu raised his eyebrows.

He only felt that his body seemed to have been slashed by countless blades, but he couldn’t break through the defense of his body.

“Just this?” Qin Yu couldn’t help but frown.

If this Li Zinan was so weak, if he wanted to put on an act... It would be really difficult.

Li Zinan’s expression was also somewhat ugly.

He had used this technique to wipe out a martial grandmaster, but it was useless in front of Qin Yu!

Qin Yu's body shook, and the traces of killing intent disappeared without a trace.

“Show me some of your true abilities,” Qin Yu said indifferently with his hands behind his back.

Li Zinan's expression gradually turned cold.

He knew clearly in his heart that he couldn't hurt Qin Yu at all unless he showed his trump card.

“Qin Yu, is there no more room for negotiation?” Li Zinan still had a trace of hope in his heart.

Qin Yu said coldly, “You talk too much nonsense.”

After saying that, a golden palm directly hit Li Zinan's body!

Although this palm didn't use its full strength, it still sent Li Zinan flying.

“You've gone too far, I will never forgive you!” Li Zinan crawled up from the ground and raised his head to ROAR!

In an instant, strands of killing intent came from all directions!

This killing intent came from the power of Heaven and earth, and it was boundless!

“This is more like it.” The corners of Qin Yu’s mouth curled up into a sneer.

He clenched his fist and used his physical body to smash at the strands of killing intent!

“Boom!”

The Sky exploded incessantly. Endless killing intent was continuously condensing. It was extremely annoying.

At this moment, Li Zinan quickly stood up. With a jolt of his feet, he came to the surface of the water!

He muttered something and his hands quickly formed seals in the air as if he was activating some spell!

“Mr. Qin, quickly interrupt him!” Yao Qing anxiously shouted.

However, Qin Yu acted as if he didn’t hear it, calmly resisting the killing intent that came from heaven and earth.

“Splash!”

More than ten minutes later, the entire surface of the water shook violently!

Then, the river water seemed to have a life of its own. Under Li Zinan’s control, it transformed into various shapes.

“I have already fused the killing intent of heaven and earth with the surface of the water. Qin Yu, prepare to die!” Li Zinan sneered repeatedly.

Qin Yu looked at Li Zinan and sneered, “It sounds pretty good. I just don’t know if it will work.”

“You try it!” Li Zinan said coldly.

The river water seemed to have fused with Li Zinan and changed with Li Zinan’s mind.

“Splash!”

The water surface suddenly surged. A water dragon with endless killing intent charged toward Qin Yu!

Qin Yu sneered, “Water Dragon? It’s not worth mentioning!”

After saying that, Qin Yu clenched his Golden Fist and charged forward.

“Boom!”

With this punch, the head of the water dragon was directly smashed into a spray of water!

But in the next second, the water merged together again!

“You can handle one, but what about ten?” Li Zinan’s eyes were filled with madness.

Then, one water dragon after another appeared on the surface of the water!

Under Li Zinan’s command, these water dragons with hidden killing intent charged at Qin Yu once again!

“If this is all you have, I’m afraid you won’t have the chance to hurt me,” Qin Yu said coldly.

A golden figure flashed in the air. Qin Yu’s moves were wide open and wide. With the power of crushing dry weeds, he blew up one water dragon after another!

“I can’t wait any longer.” Qin Yu frowned.

He looked at Li Zinan and whispered, “Shrink the ground to an inch!”

As soon as he finished his words, Qin Yu arrived in front of Li Zinan!

“Not good!” Li Zinan’s expression changed. He hurriedly urged the river water to form a layer of armor on his body!

“Boom!”

However, Qin Yu’s strength was unparalleled. The armor was directly penetrated by a punch. Li Zinan’s body smashed into the surface of the water!

The surface of the water stirred up tens of thousands of waves, and Li Zinan’s blood dyed the river, and he was seriously injured!

“Qin Yu, I’ll fight it out with you!” In a short while, Li Zinan rushed out from under the water!

His long hair was wet, and strands of killing intent condensed in his palm!

The seemingly endless killing intent finally condensed into the size of a dagger.

“Li Zinan, I’ve played enough,” Qin Yu said coldly.

Li Zinan roared crazily, “Then you can go to hell!”

After saying that, Li Zinan threw the dagger that was formed from the killing intent at Qin Yu!

Qin Yu clenched his Golden Fist. He didn’t Dodge or Dodge. It was like he was fighting with his life!

This dagger was aimed at Qin Yu’s Dantian!

And Qin Yu’s fist had already arrived in front of Li Zinan!

Chapter 424: Chapter 424, Dantian damaged

This move was undoubtedly a desperate fighting style!

At such a close distance, Qin Yu could not Dodge. He could only allow the dagger-like killing intent to head straight for his dantian!

“Bang!”

Qin Yu’s fist pierced through Li Zinan’s chest.

The spell that Li Zinan used also ruthlessly pierced into Qin Yu’s Dantian!

“You...” Li Zinan lowered his head and looked at the bloody hole in his chest. His face was full of despair.

Qin Yu looked at Li Zinan coldly and said, “It’s already your ability to hurt me.”

Li Zinan staggered and fell into the water.

He climbed out of the river and said coldly, “Qin Yu, it’s a pity that you couldn’t kill me in one strike.”

Qin Yu looked at Li Zinan coldly and said, “So?”

“So... I can use this opportunity to escape.” Li Zinan sneered.

“You think you can escape?” Qin Yu raised his eyebrows.

Li Zinan pointed at Qin Yu’s Dantian and said, “Feel the inner strength in your body.”

Qin Yu frowned slightly. He tried to feel the spiritual power in his dantian, and his face suddenly changed.

“You... actually injured my Dantian?” Qin Yu stared at Li Zinan angrily.

Li Zinan laughed and said, “You actually exposed your Dantian, but you didn’t kill me! Qin Yu, you have become a cripple!”

“Even if your Dantian doesn’t shatter, your foundation will be damaged!”

“I, Li Zinan, can seriously injure a genius, so my life is not wasted!”

Hearing these words, Yao Qing, who was beside him, immediately flew into a rage.

“Li Zinan, I’m going to kill you!” Yao Qing’s entire body was surging with energy, and he had the intention to make a move.

However, how could a mere Yao Qing be a match for Li Zinan?

Moreover, at this moment, Li Zinan was already heavily injured, and he no longer had the will to continue fighting.

“Qin Yu, I’ll wait and see what you’ll do in the future,” Li Zinan said coldly.

“At the same time, I also want to thank you. I believe that the Yan family and the Han family will thank me for this.”

After saying this, Li Zinan used the formation to escape!

“Don’t even think about leaving!” Yao Qing tried to chase after him, but was stopped by Qin Yu.

“Stop chasing,” Qin Yu said coldly.

Yao Qing gritted his teeth and said, “Are we just going to let him go?”

Qin Yu opened his mouth and was about to speak when he suddenly spat out a mouthful of blood!

He rubbed his dantian and said in a deep voice, “This person’s methods are really shocking.”

All of this was witnessed by Jing Lu in the dark.

He narrowed his eyes and said in a low voice, “Qin Yu, you also have this day. Your Dantian has been damaged. Your good days are not long.”

Then, Jing Lu quietly disappeared by the Riverside.

The entire riverside was only left with corpses and Yao Qing and Qin Yu.

Yao Qing was like a little wife, walking around the side, he even muttered, “It’s over, it’s over. This is troublesome. You have enemies on all sides. If your Dantian is damaged, you will definitely suffer revenge. It’s over, it’s all over...”

Qin Yu remained silent. He closed his eyes slightly and adjusted his internal Qi.

“Mr. Qin, why don’t we go to the Divine Alchemist Pavilion? I believe Pavilion Master will definitely have a way!” Yao Qing said as he grabbed Qin Yu’s arm.

Qin Yu shook his head and said, “There’s no need for that. Let’s go back first.”

As he spoke, a barely noticeable smile flashed across the corner of Qin Yu’s mouth.

...

This battle was unprecedented.

One against ten, a rare sight in history.

However, Qin Yu had done it twice, and both times, he had succeeded.

The peak of the Great Grandmaster realm was already a rare item, and more than twenty people had died in Qin Yu’s hands!

Such a battle record would definitely be recorded in history!

Qin Yu and Yao Qing returned to the hotel.

Yao Qing's face was filled with anxiety, and he kept rubbing his hair.

Qin Yu, on the other hand, sat cross-legged quietly as if he was adjusting his body condition. From time to time, he would spit out a mouthful of blood.

“Mr. Qin, why aren't you anxious at all?” Yao Qing said angrily.

Qin Yu glanced at him and said indifferently, “Is it useful to be anxious?”

“Mr. Qin, have you thought of a way?” Yao Qing's eyes lit up.

However, Qin Yu shook his head and said, “No.”

“Then... then why don't we run away? We should quickly flee abroad and never come back!” Yao Qing said.

Qin Yu said coldly, “I won't leave. We will set off tomorrow and return to Chuzhou.”

Yao Qing wanted to say something, but was interrupted by Qin Yu with a wave of his hand.

In just one night, the name of Qin Yu as the Asura had spread throughout the entire martial arts forum!

Some people even posted one clip after another. These clips were all taken through surveillance cameras.

Although the quality of the video wasn't clear enough, and the color wasn't bright enough, everyone could still see Qin Yu's God of war-like figure.

“One person killed more than ten peak-stage martial grandmasters, including an existence like elder Zhuo. This is really... unprecedented!”

“From the looks of it, no one seems to be able to restrict Qin Yu's development.”

“It's fortunate that I didn't get greedy. Otherwise, I would have become a corpse as well.”

Qin Yu's battle achievements had already caused everyone to feel the urge to retreat.

Not to mention that Qin Yu had a cultivation technique on him, even if he had an ancient divine artifact, they would still have to consider it carefully.

The next day.

Qin Yu returned to Chuzhou. These few days, he sat cross-legged at home and did nothing, as if he was waiting for something.

...

Jingdu, Yan family.

A man with a bandage on his chest came to visit the Yan family's courtyard.

“Master, there’s someone called Li Zinan outside who wants to see you,”the Butler said as he walked through the door.

“Li Zinan ?”Yan Sihai frowned slightly.

How come he had never heard of this name before ?

“He said he has important news to tell you about Qin Yu,”the Butler continued.

At the mention of the word “Qin Yu,”Yan Sihai’s face turned cold.

During this period of time, news about Qin Yu kept reaching his ears, and every piece of news was spreading about how powerful Qin Yu was.

Unknowingly, Qin Yu was no longer so easy to deal with.

“Let him in.”Yan Sihai waved his hand.

Not long after, Li Zinan walked in.

The moment he saw Yan Sihai, he bowed and said, “Greetings, Mr. Yan.”

Yan Sihai glanced at him and said, “What’s the matter ?”

Li Zinan said indifferently, “I wonder if Mr. Yan has heard that Qin Yu killed more than ten martial grandmasters by the Yunchuan River ?”

A flash of anger appeared on Yan Sihai’s face.

He narrowed his eyes and said, “You came to me just to tell me this ?”

A powerful pressure pressed down.. The Aura on Yan Sihai's body made Li Zinan feel a trace of unease.

Chapter 425: Chapter 425: vomiting blood

Li Zinan hurriedly waved his hand and said, "Mr. Yan, you misunderstood. I . . . I was also one of the participants that day!"

"Oh?" Yan Sihai seemed to be interested.

He looked Li Zinan up and down and said, "You actually didn't die. It seems that you have some ability."

Li Zinan desperately nodded and said, "Mr. Yan, not only did I not die, but I also heavily injured that Qin Yu!"

"Severely injured?" Yan Sihai's eyes became more and more interested.

Li Zinan continued, "That day, I set up a formation and severely injured Qin Yu's Dantian! Now, he is already heavily injured, and his strength will only slowly decline!"

"According to my rough estimation, the current Qin Yu's strength is only thirty percent of his peak!"

"In less than a month, his inner strength will completely disappear! At that time, he will become a cripple!"

After hearing Li Zinan's words, Yan Sihai suddenly stood up!

He stared at Li Zinan and said coldly, "Is what you said true?"

“Absolutely true! I don’t dare to lie to Mr. Yan!” Li Zinan hurriedly cupped his hands and said.

Yan Sihai slightly frowned.

This news was too shocking, and people could not help but doubt it.

“How can I believe what you said?” Yan Sihai asked coldly.

Li Zinan hurriedly said, “Mr. Yan, if you don’t believe me, you just need to send someone to test it out!”

“Or rather, you can wait! I believe that it won’t be long before this news spreads!”

Yan Sihai thought for a moment, then muttered, “Alright, I’ll believe you for now, but I’m warning you. If you dare to lie to me, I guarantee that I’ll make you suffer more than death.”

Li Zinan bowed and said, “I don’t dare.”

Then, Yan Sihai waved his hand, indicating that Li Zinan could leave.

However, Li Zinan stood there and did not leave for a long time.

Yan Sihai frowned slightly and said somewhat unhappily, “What are you still standing here for?”

Li Zinan did not say a word, and with a plop, he knelt on the ground.

“Mr. Yan, I have yearned for the Yan family for many years. To be able to serve the Yan family is my lifelong dream. I beg you, Mr. Yan, to

give me a chance!”Li Zinan knelt on both knees and slammed his head heavily on the ground.

Yan Sihai was not a fool. Of course, he understood what Li Zinan meant.

This kid was obviously asking for credit.

“If what you said is true, I will naturally not mistreat you,”Yan Sihai stood up and said indifferently.

However, this answer did not satisfy Li Zinan.

Having lived in society for so many years, Li Zinan did not believe in the big picture at all.

“Mr. Yan, I can’t wait to work for the Yan family,”Li Zinan said.

Yan Sihai said with a cold face, “Then what do you want?”

Li Zinan quickly stood up from the ground and said, “I heard that the largest sect in the north, the Saint Confucian school, belongs to the Yan family! And the Saint Confucian school claims to have gathered all the Saint Confucian school in the world. If possible, I want to contribute to the Saint Confucian school!”

Yan sihai sneered, “Your ambition is not small.”

“Mr. Yan, you misunderstood. I just want to contribute my own strength to the Yan family,”Li Zinan said respectfully.

“You know a lot,”Yan Sihai said coldly.

The Saint Confucian school was the largest sect in the Northern Territory, and it had unparalleled martial power.

However, not many people knew that the Saint Confucian school actually belonged to the Yan family!

“Mr. Yan, don’t misunderstand. I was just too eager to join the Yan family, so I paid more attention to the news of the Yan family,” Li Zinan said with a bow.

Yan Sihai was silent for a moment, then said, “You go. The Saint Confucian school will leave a position for you.”

“Thank you, Mr. Yan!” Li Zinan was immediately overjoyed!

The sage Confucian school was the largest sect in the north, and they had countless resources!

Furthermore, the sage Confucian school had always been established as an Orthodox sect. It had long been deeply rooted in the hearts of the people. Even the military district would select talents from among them!

Those who could join the sage Confucian school were all geniuses in the world!

...

Time flew by, and in the blink of an eye, three days had passed.

In these three days, the news of Qin Yu killing more than a dozen martial grandmasters continued to spread.

Finally, on the fourth day, news of Qin Yu's Dantian being damaged and his strength greatly reduced appeared on the martial arts forum.

Unfortunately, this piece of news didn't attract much attention.

The few replies were filled with doubt.

“Qin Yu's Dantian is damaged? That's bullshit.”

“That's right. You want to trick us into sending ourselves to death? Since your strength is damaged, why don't you kill him to gain fame?”

“This kind of fishing method, I've been tired of it for decades.”

Looking at the comments on the martial arts forum, Yao Qing couldn't help but say excitedly, “Haha, these Fools Don't believe it! Mr. Qin, as long as you restrain your internal Qi, they will definitely not dare to attack you!”

Regarding this, Qin Yu didn't say anything. No one knew what he was thinking.

A few minutes later, Qin Yu suddenly said, “Oh right, is there a martial arts hometown in Chuzhou? Or a city?”

Yao Qing scratched his head and said, “I don't know. Why do you ask?”

Qin Yu didn't answer. He took out his cell phone and called Jiang Gu.

After the call was connected, Qin Yu indicated his purpose of coming.

Jiang Gu was silent for a moment on the other end and said, “Mr. Qin, it’s true. It was set up by the Jiangbei Martial Arts Association.”

“Chuzhou has always been the weakest area in the Jiangbei region. Back then, in order to improve the martial arts strength of Chuzhou, the martial arts association specially set up a martial arts competition village.”

“Where is it?” Qin Yu asked.

Jiang Gu said, “It’s in the flood dragon village next to white town.”

“Okay, I got it.” Qin Yu hung up the phone.

Then, he looked at Yao Qing and said, “Come with me to the flood dragon village in a few days.”

“Mr. Qin, what... What do you mean?” Yao Qing asked, puzzled.

Qin Yu waved his hand and didn’t answer.

When Qin Yu and Li Zinan fought, Jing Lu watched the whole process.

Qin Yu killed Jing Lu’s father, so Jing Lu would never let it go.

Therefore, he believed that the news of his Dantian being damaged would be spread.

As expected, over the next few days, news of Qin Yu’s Dantian being injured and his strength being damaged kept appearing on the martial arts forum.

As the saying goes, three people become a tiger.

One or two people might not believe it, but as the number of posts increased, everyone began to have some doubts.

“Huh?” Qin Yu, who was lying on the bed, suddenly raised his eyebrows.

He clearly caught a few flashes of internal Qi around him.

The corner of Qin Yu’s mouth curled up into a sneer.

“But finally, someone came to inquire about the news.” Qin Yu sat up from the bed with his legs crossed.

Then, his internal strength was pushed back, and he spat out a large mouthful of blood. His face also became somewhat pale.

“Mr. Qin, you... How Are You?” Seeing this, Yao Qing hurriedly ran over.

Peach walked forward quickly and said in a low voice, “Elder Qin, you have been vomiting blood more and more frequently these days. You.... you’d better return to the Divine Alchemist Pavilion as soon as possible.”

Chapter 426: Chapter 426, Jiang Gu’ s choice

Qin Yu wiped the blood from the corner of his mouth. His pale face made the bright red look even more dazzling.

“I’m fine.” Qin Yu shook his head.

As he spoke, Qin Yu tried to get up, but he stumbled and almost fell to the ground.

Yao Qing and Peach hurriedly gave Qin Yu away, the worry on their faces becoming even more intense.

“Mr. Qin, you’d better lie down properly,” Yao Qing said with a frown.

Qin Yu waved his hand and said, “I haven’t reached that level yet.”

It would be too fake if the act was over.

Qin Yu stood up and walked all the way to the window of the living room.

He looked out of the window and asked in a low voice, “What month is it now?”

Peach hurriedly said, “It’s the middle of May.”

“Mid-may... There are only three more months left.” Qin Yu sighed, his face clearly showing a bit of worry.

“Elder Qin, are you still thinking about that matter?” Peach bit her lips, looking even more worried than Qin Yu himself.

Qin Yu sighed and said, “I have already paid too much for Yan Ruoxue. I am not willing to give up just like that!”

After saying that, Qin Yu suddenly punched the glass.

The glass immediately shattered, turning into sharp blades one after another!

Qin Yu's pale face was reflected on every piece of glass.

Outside.

One figure after another flashed past.

Their figures slowly disappeared in the darkness.

Little did they know that Qin Yu's spiritual sense had never left their figures.

Only after everyone had disappeared did Qin Yu turn around and return to his room.

He continued to wait, waiting for the news to ferment.

That night, the martial arts forum exploded!

Countless influential figures in the martial arts world began to express their opinions on the martial arts forum.

“Qin Yu is probably really seriously injured, leaving behind an internal Qi injury in his dantian.”

“That's right, I saw with my own eyes that he vomited blood non-stop, and his aura was extremely dispirited.”

“It seems that the prodigy of the generation is going to die in the end.”

The people who said these words were all people with considerable weight in the martial arts world.

The words they said naturally had more credibility!

At this moment, another person added fuel to the fire.

This person was Jing Lu.

Jing Lu personally expressed his opinion on the martial arts forum.

“That day, I saw with my own eyes that the killing intent from Li Zinan’s formation had entered Qin Yu’s Dantian. From then on, Qin Yu started vomiting blood and forced himself to leave Yun Chuan,”Jing Lu said coldly.

“The current Qin Yu is no longer worth mentioning. To say that he is a heaven’s favorite of his generation is a little too much to look down on him.”

Many sources of evidence immediately made this news seem much more real!

For a moment, countless people were eager to take the opportunity to kill Qin Yu!

Qin Yu had been in the limelight recently. It would not be an exaggeration to say that he was a star in the martial arts world!

Therefore, who knew how many people in the dark wanted to step on Qin Yu to get to the top!

Whoever killed Qin Yu would definitely be valued by everyone and become the new star of the martial arts world!

At this moment.

Qin Yu was lying on the bed.

Under the dark environment, the corners of Qin Yu's mouth curled up into a smile that was quite compatible with the environment.

Then, he put his phone into his pocket and fell into a deep sleep.

The next morning.

As soon as Qin Yu woke up, he saw Jiang Gu appear at the door.

This surprised Qin Yu a little.

He stood in the living room and thought for a moment, then walked to the door.

The moment the door opened, he saw Jiang Gu's anxious expression.

“Mr. Qin, there are rumors everywhere that your Dantian is damaged and your internal QI is weak. Is... Is It True?” Jiang gu asked anxiously.

Qin Yu turned around and returned to the living room. He sat down on the sofa.

“Sit down.” Qin Yu patted the sofa and said.

Jiang Gu walked to the sofa and sat down uneasily.

“Mr. Qin, what's Going On?” Jiang gu asked impatiently.

Qin Yu didn't say a word. His eyes scanned Jiang Gu's body.

He could clearly feel that Jiang Gu's spiritual sense had swept over his body many times, intentionally or unintentionally!

It was as if he wanted to find out if Qin Yu's strength was really damaged or if he was faking it!

“What do you think?” Qin Yu asked indifferently.

Jiang Gu frowned and said, “I think it's fake.”

Qin Yu sighed. He leaned against the sofa and said in a low voice, “I also hope it's fake...”

Jiang Gu's pupils suddenly constricted!

He stared at Qin Yu and said, “Mr. Qin, your... Dantian really suffered a serious injury?”

Qin Yu nodded and said, “To be precise, it left a hidden disease. This hidden disease may very well take my life.”

Jiang Gu's face was gloomy and uncertain. No one knew what he was thinking about.

“Leaving a hidden disease in the Dantian may affect the path of the righteous path in the future, and in the worst case, the internal strength will collapse and become a cripple,” Jiang Gu said in a deep voice.

Qin Yu sighed and said, “Yes.”

Jiang Gu didn't say anything for a while. He looked at Qin Yu and countless expressions flashed across his face.

But in the end, Jiang Gu still recovered his calm.

He stood up and said, “Mr. Qin, during this period of time... you should be careful. If you need my help, just let me know. If you really can’t do it, just go to the Divine Alchemist Pavilion and hide.”

After saying that, Jiang Gu bowed to Qin Yu and turned to leave.

“Wait.”

At this moment, Qin Yu suddenly called out to Jiang Gu.

Jiang Gu’s body paused. He turned around and said, “Mr. Qin, is there anything else?”

Qin Yu said with a faint smile, “Jiang Gu, now is a good opportunity for you to kill me. Do you want to miss it just like that?”

Jiang Gu’s expression instantly turned extremely ugly!

He subconsciously took two steps back, his face filled with mixed emotions.

“To be honest, I did have the intention to kill just now.” Jiang Gu sighed.

“It’s because of you that I lost my son. It’s impossible to say that I don’t hate you.”

“Moreover, if I kill you now, not only will no one avenge you, but I can also return a bright future to me...”

Qin Yu nodded slightly and said, “You are right. Then why didn’t you make a move?”

Jiang Gu smiled bitterly and waved his hand. “Although you did bring disaster to me and the Jiang family, you also gave me an opportunity.”

“Pill, herbs, and even this body of mine were all given by you.”

“My hatred for you slowly disappeared without me knowing.”

After saying this, Jiang Gu cupped his hands to Qin Yu again.

“Mr. Qin, I will try my best to help you,” Jiang Gu said.

After saying this, Jiang Gu didn’t stay any longer and turned around to leave.

Chapter 427: Chapter 427, surging undercurrents

Watching Jiang Gu’s back as he left, Qin Yu remained silent.

Although Jiang Gu had followed Qin Yu for a long time, he knew very well that the two of them had maintained a certain distance in their hearts.

Now that Jiang Gu could make such a choice, Qin Yu was already very gratified.

“Yao Qing, get ready. Follow me to Flood Dragon Village Tonight,” said Qin Yu.

Hearing this, Yao Qing immediately became anxious.

He ran to Qin Yu’s side and said with wide eyes, “Mr. Qin, are you kidding? If you go to Jiao Long Village now, aren’t you deliberately exposing yourself?”

Qin Yu glanced at Yao Qing and sighed slightly, “I also want to know how much strength I have now.”

“Then I’ll accompany you to practice,” Yao Qing muttered.

Qin Yu waved his hand and said, “Enough, don’t say anymore. Get ready to set off.”

“Elder Qin, I want to go with you,” said peach as she walked forward.

Qin Yu glanced at peach and said, “What are you going for? Stay at home and refine pills.”

“I Must Go! If you’re injured, I can still help you,” said peach stubbornly.

Seeing this, Qin Yu couldn’t refuse any further and could only nod in agreement.

That afternoon.

Yao Qing drove Qin Yu and peach towards Jiao Long Village.

Jiao Long Village was the martial arts home specially set up by the Martial Arts Association. It was the most important place in Chuzhou’s martial arts world.

Even the martial arts association of Chuzhou had elite forces stationed there.

Not only did they provide martial artists with herbs, but they also held competitions in Jiao Long Village to stimulate the development of Chuzhou’s martial arts.

It was not an exaggeration to say that almost everyone in flood dragon village was a martial artist.

It was said that the strongest among them had already stepped into the realm of a martial grandmaster.

The car drove quickly. When Qin Yu arrived at Flood Dragon Village, the sky had already darkened.

“As expected of the hometown of martial arts. I can feel a strong internal Qi fluctuation as soon as I get off the car,” Yao Qing sniffed and said.

Qin Yu didn't say anything. He looked at his watch and said, “There is a street in Jiao Long village called Divine Dragon Street. Unusual treasures often appear on this street.”

Hearing this, Yao Qing's face changed slightly.

He said in a low voice, “Mr. Qin, I have specially investigated Jiao Long village over the past few days. I also have some understanding of this divine Dragon Street.”

“Oh?” Qin Yu raised his eyebrows and signaled Yao Qing to continue.

Yao Qing continued, “In order to stimulate the development of martial arts, Flood Dragon Town set up different rules in the Divine Dragon Street.”

“It is said that as long as you are strong enough, you can forcefully buy and sell, or even Rob Someone. As long as no one is killed, no one will care.”

A hint of surprise flashed across Qin Yu's face.

Qin Yu was still a little surprised about this.

Because usually, people would manage these streets and alleys. They were afraid that someone would break the rules and kill people for their goods.

But this flood dragon village actually did the opposite. It was simply unheard of.

“If that's the case, who would dare to go to the low-level people?” Qin Yu frowned and said.

Yao Qing nodded and said, “Yes, so in flood dragon village, there is a kind of special industry like bodyguards. As long as you have money, you can hire experts to go to the Divine Dragon Street.”

Qin Yu touched his chin and said, “Then why don't these hired experts go to the Divine Dragon Street to rob themselves? Wouldn't that make the money come faster?”

“That's right.” Yao Qing nodded slightly.

“This kind of thing has happened before. Once a treasure that is attractive enough appears, the so-called bodyguards will immediately become executioners with blades in their hands.”

“So, in the end, it's still more reliable if you have the ability.”

Qin Yu agreed with this.

“This divine Dragon Street is really different... Let’s go to Divine Dragon Street.”Qin Yu waved his hand and said.

Yao Qing was instantly speechless.

The reason he said all this was to persuade Qin Yu to leave.

He couldn’t do without it, but it aroused Qin Yu’s desire instead.

“Damn it, let’s go. If I’m cornered, I’ll start a massacre!”Yao Qing muttered.

He knew that Qin Yu wouldn’t listen to his advice, so he could only let it go.

The three of them drove towards the Divine Dragon Street.

Soon, the three of them appeared near the Divine Dragon Street.

As soon as they got out of the car, Qin Yu felt a few powerful internal Qi.

Among them, there were the most grandmasters and few masters. As for the Great Grandmasters, Qin Yu only found three of them.

“Mr. Qin, do we really have to go in? Why Don’t you put on the Green Hat?”Yao Qing flipped his palm and took out the magic tool hat that he had prepared.

Qin Yu rolled his eyes and said, “You should put it on yourself.”

After saying this, Qin Yu strode toward the Divine Dragon Street.

Although the Divine Dragon Street was known as a Treasure Street, this was Chuzhou after all. The resources there were limited, so there were not many babe in the Divine Dragon Street.

Herbs that were decades old and hundreds of years old could be seen everywhere.

To the current Qin Yu, there was no longer any attraction.

Walking on this street, Yao Qing looked frightened and trembling.

His eyes were looking around, afraid that someone would attack him.

“Hello.”

At this moment, someone patted Yao Qing’s shoulder.

Yao Qing suddenly turned his head and shouted, “What do you want! Let me tell you, I’m not afraid of You!”

The other party was stunned and said suspiciously, “I just want to ask if you need any medicinal herbs. I just picked them on the mountain, Why Are You So Nervous?”

Yao Qing wiped the sweat on his forehead and said awkwardly, “Sorry...”

“Look at how much sweat is flowing from your forehead. It must be kidney deficiency. This herb of mine can nourish yin and yang. Do you want to buy some?”The other party said with a smile.

“You’re the one with kidney deficiency! Hurry up and SCRAM!”Yao Qing scolded impatiently.

Seeing this, Qin Yu didn't know whether to laugh or cry.

The current Yao Qing was obviously scared out of his wits. He was afraid of everything.

As he continued to walk forward, the gazes around him became more and more hostile.

Qin Yu could clearly feel that there were dozens of gazes on him from both sides of the street.

“Mr. Qin, I suddenly feel so cold...” Yao Qing grabbed Qin Yu's arm and whispered.

Qin Yu looked calm and composed, as if he was strolling leisurely.

“Look, is that Person Qin Yu?” Someone whispered in the dark.

“It seems to be him! And that wretched kid next to him is said to be Qin Yu's follower.”

“Yes, I didn't dare to confirm until I saw that white-haired wretched man, but now I have confirmed that he is Qin Yu!”

Yao Qing's face flushed red and he was extremely angry.

“Mr. Qin, am I wretched?” Yao Qing muttered.

Before Qin Yu could answer, peach, who was next to him, nodded seriously and said, “Quite wretched.”

The discussions around them grew louder and louder, like a tidal wave that almost drowned Qin Yu.

However, Qin Yu completely ignored them and continued walking on the Divine Dragon Street.

“PFFT!”

At this moment, Qin Yu spat out a mouthful of blood, and his face instantly turned a few shades paler.

“That Qin Yu spat out blood. Looks like the rumors are true.”

“It looks like this kid is really seriously injured!”

“Now is a good time to kill him!”

Chapter 428: Chapter 428, all of you shall attack together!

Even though that was the case, no one dared to take the first step.

They were afraid that Qin Yu was faking it, afraid that he would be slapped to death by Qin Yu.

The cold gazes around them grew more and more, and countless people were getting restless.

However, Qin Yu did not pay any attention to them and continued walking on the Divine Dragon Street.

“Sir, you must be Qin Yu.”

Finally, someone stepped forward.

The one who spoke was a young man with a platinum necklace on his neck and seven or eight rings on his hand.

Qin Yu glanced at him and asked, “Who are you?”

“Don’t worry about who I am. I heard that not only did you destroy their relationship, but you also killed the old master of the Yan family in Jingdu. Is that true?” The young man asked with a smile.

Qin Yu sneered, “Just say what you want to say.”

“It’s nothing. I just feel ashamed of your behavior.” The young man snorted.

“Yes! You are an ingrate!”

“You eat the Yan family and harm the Yan family. You are a SCUM!”

“You do whatever you want because you have some ability! No matter how strong you are, it’s useless if your character is bad!”

A stone stirred up a thousand waves. Everyone began to curse at Qin Yu angrily.

At this moment, Qin Yu spat out another mouthful of blood from his mouth, and his face turned a little pale.

“Why? Are You So angry that you spat out blood?”

“Haha, this is retribution!”

As he spoke, an old man walked out.

He stood beside Qin Yu and said with a benevolent expression, “Young man, let me give you a piece of advice. It doesn’t matter if you’ve done

something wrong, but you must learn to admit your mistake. The Sea of bitterness is boundless, and you can turn back to the shore.”

Qin Yu sized up the old man and said, “Then how do you think I should admit my mistakes?”

The old man smiled faintly and said, “Your cultivation was bestowed by the Yan family. As long as you pay for your cultivation, you’ll be able to atone for your sins.”

Hearing this, Qin Yu immediately sneered.

He looked at the old man coldly and said, “Old man, don’t come out and put on airs.”

The old man’s expression changed and he said unhappily, “I’m advising you out of kindness. Why Don’t you know what’s good for you?”

Qin Yu sneered and said, “There’s no shortage of people like you in society. You look friendly, but in fact, you’re exacerbating the conflict. Why are you pretending to be a good person?”

“You’re just a person who tramples on the ground to prop up others. You just want to show off. Do you think that because you’re old, I have to listen to you?”

“Old Man, where did you come from? Get lost!”

A few words instantly made the old man’s face turn blue.

“Qin Yu, aren’t you being too arrogant!” Someone berated.

Qin Yu looked at him coldly and said, “Don’t pretend to be good people. You’re clearly doing this for your own selfish interests, yet you’re trying to give yourself the name of justice. Do you really think you’re a righteous person?”

“When I openly challenged the Yan family, all of you were like maggots in the corner, not daring to say a word.”

“Now you see that my body is damaged, so you stand out arrogantly. What kind of people are you?”

After finishing his words, the scene was completely silent.

“Well said!” Only peaches clapped desperately.

Qin Yu glanced at the crowd and said coldly, “If you want to fight, then go ahead. I’m standing here. Don’t you want to be a warrior? Then don’t be like a keyboard warrior who only knows how to hide in the crowd.”

After saying that, Qin Yu closed his eyes and quietly waited.

“Just now, he admitted that his body was damaged, what’s there to be afraid of!”

“Right, for the sake of fairness and justice, we must teach him a lesson!”

Everyone was eager to make a move, but no one dared to take even half a step forward.

“You two, Go beat him up!” At this time, the young man with the platinum necklace pointed at the two bodyguards beside him and shouted.

The bodyguards nodded and immediately walked towards Qin Yu!

These two bodyguards were both at the Grandmaster realm, and their strength wasn't ordinary. Their attacks were extremely swift, and they grabbed Qin Yu's face!

“Bang!”

However, Qin Yu waved his hand, and his palm instantly slapped onto the two bodyguards' chests!

“Sou!”

The bodies of the two bodyguards were instantly sent flying, and they fiercely slammed into the wall, their mouths bleeding non-stop!

The scene instantly fell into silence, and some people even subconsciously took two steps back.

What was going on? Wasn't this Qin Yu's strength greatly reduced after his body was damaged? Why did he still have such terrifying strength?

Could it be fake?

Qin Yu put his hands behind his back and said coldly, “Even if my strength is damaged, I'm not someone an ant like a grandmaster can bully.”

A mere grandmaster was not worthy of Qin Yu's attention.

“Don’t forget, Qin Yu’s physical body is unparalleled in the world.” At this moment, someone said in the dark.

“Even if his strength is damaged, his physical body is still the same. A mere grandmaster, let alone killing him, even breaking through his defense is difficult.”

Hearing this, everyone suddenly understood.

Yes, even if Qin Yu did not have any inner strength, his physical body was still there.

If an ordinary grandmaster wanted to hurt him, it would be like climbing up to the sky.

“You know a lot.” Qin Yu looked in a certain direction coldly.

“Hehe, Mr. Qin is revered as the king of Chuzhou, but now he is running rampant in this small divine Dragon Street. Aren’t you afraid of people gossiping?” A middle-aged man walked out from the dark.

“That’s right, bullying the weak is not a hero.” Then, another person walked out!

“How can Mr. Qin bully the weak like this? Even Ma Xiaoru can’t stand it anymore.” A seductive woman followed closely behind.

Three Martial Grandmasters!

The three martial grandmasters of Dragon God Street finally came out!

Waves of powerful internal Qi spread throughout Dragon God Street.

The people around subconsciously stepped back, afraid of being affected.

“I have always been yearning for Mr. Qin’s name and even regarded you as my idol. But I didn’t expect you to bully the weak in the Divine Dragon Street,” a grandmaster said with a faint smile.

“So what if you see me as your father? Does it have anything to do with me?” Qin Yu sneered.

“How can Mr. Qin say such Dirty Words? Xiaoru has always wanted to find a husband like Mr. Qin, but Mr. Qin’s performance today has disappointed me,” the seductive woman pretended to wipe away her tears.

Qin Yu looked at her and sneered, “Do you think you are worthy? Look at your flirtatious look, what kind of ancient people are you pretending to be? Ugly Thing.”

Anger flashed across Xiaoru’s face, and a murderous look appeared in her eyes.

“Qin Yu, no need to say more nonsense. You have aroused the anger of the public, so die!” The three of them stepped forward, and the aura of a martial grandmaster burst out at this moment.

Under this pressure, many people began to be unable to withstand it. Some even vomited blood on the spot.

The killing intent spread throughout the entire Divine Dragon Street, and a great battle was about to break out.

Qin Yu's face still showed no fear. He said coldly, "Make your move. There's no need to say any more nonsense."

"Alright, then I'll satisfy you!" Finally, someone took the lead and took a step forward! He raised his hand and used a killing move!

The wind-like internal Qi turned into thousands of sharp blades and shot towards Qin Yu!

"The three of you can attack me together. I, Qin Yu, have nothing to fear!" Qin Yu shouted as his hair danced wildly in the wind. He used his bare fists to face the attack head-on!

"How could I, Xiao Ru, miss such a righteous action?"

The coquettish woman also cast a spell. She gently tapped the folding fan in her hand forward, and a sharp gust of wind suddenly whistled through the air!

Chapter 429: Chapter 429, come and save him

The three of them cast their spells at the same time!

They only had one goal, which was to take Qin Yu's life and step on Qin Yu to get to the top!

Unlike before, Qin Yu's body was dull this time. He could fight against the three of them alone with only his physical body!

His blood and Qi were burning, and his incomparably fierce fist was able to withstand the spells of the three of them!

“Clang!”

With one punch, the terrifying wind forced Ma Xiaoru back three steps, and she almost couldn't hold the fan in her hand!

“Humph, as expected of the king of Chuzhou, you can do so much with just your physical body.” Ma Xiaoru snorted.

Her hand glowed, and she gently waved forward, and an arrogant inner strength turned into substance and rushed toward Qin Yu!

“Swoosh!”

At this moment, a terrifying airwave erupted in the sky above Qin Yu!

Raising his head, he saw a fiery blade heading toward Qin Yu!

Qin Yu's expression was ice-cold. With an angry roar, he immediately crossed his arms in front of his chest and prepared to take these two spells head-on!

“Clang!”

Under this wild power, Qin Yu's body instantly took a few steps back and crashed into the house behind him!

“Hehe, looks like this Qin Yu can only rely on his physical body.” Everyone laughed coldly.

“No matter how strong his physical body is, how long can he last?”

“Everyone, don't hide your strength anymore. Just kill him.”

The three of them looked at each other and immediately began to display their trump cards!

Qin Yu's expression was solemn. He clenched his fists tightly and prepared to face the three of them.

“Boom!”

The three of them unleashed their spells at almost the same time!

The scene buzzed, and the ground beneath Qin Yu's feet sank a few degrees.

Qin Yu clenched his fists and snorted coldly, “Come, I, Qin Yu, have nothing to fear!”

As he spoke, Qin Yu's fist, which was like steel, fiercely charged forward!

However, at this moment, Qin Yu suddenly spat out a mouthful of blood. His body staggered and he took a few steps back!

Three spells ruthlessly smashed onto Qin Yu's body.

Cracks instantly appeared on Qin Yu's body.

Traces of blood flowed out from his body.

“Haha, is this the King of Chuzhou? Looks like he's just so-so!” The three of them couldn't stop laughing.

“Looks like the rumors are true. The current Qin Yu can't even defeat three sixth grade martial grandmasters.”

“Geniuses are indeed short-lived.”

As they spoke, the three of them walked toward Qin Yu.

Ma Xiaoru looked Qin Yu up and down and said lightly, “I really didn’t expect that the famous Qin Yu would die at my hands.”

“Qin Yu, are you still going to resist stubbornly?”

Qin Yu struggled to stand up from the ground.

He looked at his reddened body and said coldly, “If I was at my peak condition, the three of you are not worth mentioning.”

“It’s a pity that you are not,” Ma Xiaoru said with a smile.

“I’ll give you a chance. Hand over the mantra, and we might spare you.”

Qin Yu sneered, “It’s a pity that I don’t have the Mantra.”

“Oh?” Ma Xiaoru narrowed her eyes.

“You really don’t give up until you reach the Yellow River.”

As she spoke, Ma Xiaoru gently raised her finger, and a force hit Qin Yu’s chest.

Qin Yu staggered and took three steps back.

“Since he doesn’t want to hand over the mantra, let’s kill him together,” Ma Xiaoru said coldly.

The three of them looked at each other and nodded. “Okay.”

Just as they were about to attack, Yao Qing suddenly jumped out.

He glared at the crowd and said, “Stop! I Am Jiang he’s disciple!”

When he said this, everyone was shocked!

Jiang he’s disciple?

Qin Yu actually had such an expert by his side?

It was not the first time Yao Qing had acted pretentious, so he simply made a banner out of tiger skin and said coldly, “My master told me to look after Mr. Qin. Anyone who is not afraid of Death can come at me!”

These words really scared everyone.

Although they did not believe that Yao Qing was Jiang he’s disciple, they still felt a little uneasy in their hearts.

It was not for other reasons, but because Jiang he’s reputation was too big.

Even if they knew that Yao Qing was fake, they were not willing to take this risk.

This was the deterrence that Jiang he had in the hearts of everyone.

“Good. Since you are senior Jiang’s disciple, we can give you face and spare his life,” someone said first.

“But he must hand over the mental cultivation method, or else he will be killed without mercy!”

Yao Qing was about to speak, but Qin Yu interrupted him with a wave of his hand.

He wiped the blood from the corner of his mouth and said, “Do you really want the mental cultivation method?”

“What do you think?” Ma Xiaoru snorted.

Qin Yu took a deep breath and said, “Okay, I can give you the mental cultivation method, but I can’t carry it with me.”

“What do you mean?” Ma Xiaoru said with a cold face.

Qin Yu said in a deep voice, “You go to the provincial capital tomorrow, and I will naturally give you the mantra.”

Hearing this, the three of them could not help but look at each other.

Ma Xiaoru said fiercely, “What if you lie to us?”

“At this moment, what right do I have to lie to You?” Qin Yu shook his head.

Ma Xiaoru narrowed her eyes and looked at Qin Yu.

Then, she said with a cold face, “I’m telling you, if you dare to lie to me, I’ll kill your whole family and feed them to the dogs!”

Qin Yu’s face turned slightly cold.

This Ma Xiaoru was really ruthless.

“Okay.” Qin Yu took a deep breath.

“I’ll wait for You At Home Tomorrow.”

After saying that, Qin Yu turned around and prepared to leave with difficulty.

Ma Xiaoru shouted from behind, “Qin Yu, you’d better think about it carefully, or you won’t be able to bear the consequences.”

Qin Yu didn’t say anything.

He wiped the corner of his mouth and suddenly stopped in his tracks.

Then, Qin Yu turned around and said, “I heard that there’s a Tianyuan Jade appearing in the Divine Dragon Street recently. If it really appears, please let me know.”

“Tianyuan Jade? What is that?”

“I know. It is said that Tianyuan Jade is a high-grade jade stone that can be used to refine spiritual artifacts!”

“No wonder this kid risked his life to come to the Divine Dragon Street. It turns out that he is after the Tianyuan Jade!”

“Even if there is a Tianyuan jade, it has nothing to do with you. Now you are just a walking corpse. Stop Dreaming, or you will attract a disaster!” Ma Xiaoru warned in a cold voice.

Qin Yu didn’t say anything else and turned around to leave.

Tao Zi and Yao Qing supported Qin Yu. After they had walked far away, Yao Qing asked, “Mr. Qin, are you okay?”

Qin Yu shook his head and said, “I’m fine.”

Yao Qing said in confusion, “Why didn’t I know there was Tianyuan Jade in the Divine Dragon Street?”

Qin Yu glanced at Yao Qing and said, “I heard it from others.”

What BULLSH * t Tianyuan Jade? It was completely made up by Qin Yu.

The reason why he said that was to avoid arousing suspicion.

“Mr. Qin, isn’t there no mantra on the stairway to heaven? How are you going to give it to them?” Yao Qing asked in confusion.

Qin Yu smiled and said, “I naturally have a countermeasure.”

During this time, Peach didn’t say anything. Instead, she held her phone and sent a message:

“Master, Elder Qin is under siege. Someone will come to kill him tomorrow. Hurry and save him....”

Chapter 430: Chapter 430, the current Yan Ruoxue

After Peach sent the message, he did not receive any response.

It was not an exaggeration to say that this was the first time peach sent a message to the pavilion master.

Because the pavilion master's image in everyone's heart was too cold and distant, even if they knew his phone number, they did not dare to have any contact with him.

Now, for the sake of Qin Yu, peach braced himself and sent a message.

Qin Yu didn't know anything about this.

After he returned to his room, he couldn't wait to open the martial arts forum.

Sure enough, the martial arts forum had already shown a video of Qin Yu fighting.

In this video, Qin Yu no longer had that invincible posture from before. Instead, he was retreating in defeat.

“He can't even deal with three sixth grade martial grandmasters. Looks like Qin Yu is really injured.”

“This kind of hidden illness is very difficult to get rid of. Even if he is lucky enough to recover, it will still affect his foundation.”

“It looks like the curtain is about to fall on the genius of the generation.”

Countless comments flooded in like a tidal wave.

Qin Yu silently turned off his phone.

He lay on the bed, the corners of his mouth curled up into a cold smile.

... .

In a deep mountain valley in the fire country.

In an ordinary civilian house, there was a white haired old man who was currently recuperating.

“Master, that Qin Yu’s Dantian seems to have been damaged, and his powers have been greatly reduced.” A disciple walked up to the old man.

The old man was none other than the famous Jiang He.

A trace of surprise flashed across Jiang he’s face, even tinged with a tinge of grief.

“Such a genius has fallen just like that. It’s truly a pity.” Jiang he sighed.

His disciple said from the side, “From ancient times until now, there have been many geniuses. However, after they understood the current situation, they all chose to act wisely to protect themselves.”

“However, this Qin Yu doesn’t know how to restrain himself. He has repeatedly provoked the aristocratic families. With such actions, it would be strange if he didn’t fall.”

Jiang he glanced at his disciple. He stroked his beard and sighed, “It is precisely because everyone has chosen to protect themselves that the aristocratic families have become more and more powerful. Qin Yu’s arrogance is exactly what is lacking at the moment.”

When his disciple heard this, he was shocked.

He didn’t expect his master to Value Qin Yu so much.

“Master, Qin Yu has a person by his side called Yao Qing. He has pretended to be your disciple many times,” his disciple continued.

“Do you want me to warn him?”

Jiang he waved his hand and said, “I’m sorry that I can’t do it myself. It might be a good thing to help him unintentionally.”

The disciple was confused.

He frowned and said, “Master, you don’t know this Qin Yu. Why do you think so highly of him?”

Jiang he was silent for a moment.

Then he waved his hand and said, “I said that Qin Yu has something that society needs. Every time I see news about him, I will feel ashamed of my seclusion.”

His disciple opened his mouth and wanted to say something, but was interrupted by Jiang he with a wave of his hand.

...

The news that Qin Yu was pushed back by the three six great grandmasters caused a great uproar.

Han Wei couldn’t stop laughing at this.

He immediately called Qin Yu and sneered, “Qin Yu, I heard that your Dantian has been seriously injured and you can’t cultivate anymore?”

Qin Yu was silent for a moment and said, “What does it have to do with you?”

Han Wei sneered, “It doesn’t have anything to do with me. It seems that I won’t be able to see you in three months.”

“That might not be the case,” Qin Yu said coldly.

“In three months, I will appear at the Han family on time.”

“Hahahaha!” Han Wei burst into laughter.

“Are you here to die? To be trampled under my feet in front of the Woman You Love? I really want to see this comical scene,” Han Wei said with a sneer.

Qin Yu did not waste any more time with him and immediately hung up the phone.

Jingdu, Yan family.

During this period of time, Yan Ruoxue had been placed under house arrest. The power around her had also been drained. She could only read books and raise flowers every day.

Accompanying her was a pet dog named “Xiao Hua” and a group of servants who were responsible for serving her.

Other than that, there was nothing else.

“Xiao Hua, do you want to eat too?”

On the dining table, Yan Ruoxue personally cooked a table of dishes.

What was surprising was that all the servants were eating at the same table, eating the dishes personally cooked by the eldest miss of the Yan family.

Only littleflower, who was standing beside them, had her mouth open in anticipation.

Yan Ruoxue smiled. She gently picked up littleflower and said, "Since we can't finish eating anyway, we'll give you some."

At this moment, the door of the Yan family was opened.

Not long after, Yan Sihai, who was wrapped in a coat, pushed open the door and entered.

"The food is pretty good," Yan Sihai said coldly.

Hearing Yan Sihai's voice, all the servants hurriedly stood up from the table. Their faces were filled with nervousness.

"Who told you to eat at the table?" Yan Sihai coldly glanced at the servants and said coldly.

"Mr. ... Mr. Yan, we... We know we're wrong," everyone said nervously.

Yan Sihai said coldly, "Why? Can't you tell who you are?"

"I asked them to eat together," Yan Ruoxue said from the side.

Yan Sihai glanced at Yan ruoxue and lightly snorted, "Miss asked you to eat, and you ate? Do you really think you are human?"

“They are human to begin with,” Yan Ruoxue said with a displeased expression.

“Uncle, if you belittle others like this, sooner or later, you will also be belittled by others.”

Yan Sihai laughed and said, “Ruoxue, you are really naive.”

Yan Ruoxue was not willing to negotiate with Yan Sihai, so she asked directly, “What’s the matter?”

“If not, I can’t come to see you?” Yan Sihai said with a faint smile.

“As long as you appear, you will definitely bring bad news,” Yan Ruoxue said mercilessly.

Yan Sihai could not help but laugh. He sat next to Yan Ruoxue, picked up his chopsticks and started eating.

“That bowl belongs to Xiao Hua,” Yan Ruoxue reminded him.

“Who is Xiao Hua?” Yan Sihai frowned slightly.

Yan Ruoxue immediately pointed at the dog barking beside her.

Yan Sihai’s expression instantly turned cold.

He threw his chopsticks to the side and said coldly, “You guessed it right. I came here to tell you bad news.”

“Qin Yu’s Dantian has been damaged and he has become a cripple. Don’t expect him to come and take you away,” Yan Sihai said coldly.

“Impossible,” Yan Ruoxue said without hesitation.

She didn't believe Yan Sihai's words at all.

Yan Sihai said indifferently, “I know you don't believe me, so I have prepared evidence for you.”

After saying that, Yan Sihai took out his phone.

On the screen was the scene of Qin Yu battling the three martial grandmasters while the sky was covered in blood.

Apart from that, Yan Sihai also opened the martial arts forum and handed it to Yan Ruoxue.

“Did you see that? Do you think I controlled the entire martial arts forum?” Yan Sihai lit a cigar and said indifferently.

My Rich Wife – Chapter 431 –

Chapter 431: Chapter 431, when did it become your turn to be a small character?

Yan Ruoxue held her phone and stared at the content on the screen.

Seeing Qin Yu being beaten until his mouth was full of blood, Yan Ruoxue's heart felt like it was being cut by a knife.

Her face instantly became a little pale.

Even the hand holding the phone trembled slightly.

Yan Sihai was very satisfied with this scene.

He took a puff of his cigar and said indifferently, “The current Qin Yu has become a scum of the martial arts world. Everyone wants to kill him.”

“Yan Ruoxue, are you willing to watch him be attacked by a group until he dies?”

Yan Ruoxue suddenly raised her head.

Her constricted pupils stared at Yan Sihai.

“What do you want!” Yan Ruoxue said coldly.

Yan Sihai laughed and said, “I don't want to do anything. I'm just informing you.”

“The current Qin Yu is no threat to anyone. He can't change anything.”

“Yan Ruoxue, just give up on this idea. hahaha!”

After saying this, Yan Sihai snatched the phone and turned around to leave.

In the huge restaurant, only Yan Ruoxue sat there in a daze.

She even began to doubt.

She wondered what her appearance had brought to Qin Yu.

Was It Luck or a disaster?

If she had not appeared, would qin yu have encountered such a predicament?

...

Chuzhou.

Jiang Gu had found Qin Yu's residence for him.

This place was far from the city and was a villa in the suburbs.

It was surrounded by mountains and water, and behind it was a towering mountain.

To Qin Yu, this was the best place to live.

At this moment, Qin Yu was standing at the foot of this tall mountain.

He placed his hands behind his back and raised his head to look at the towering expert. His sensitive spiritual sense covered a radius of ten Li.

Soon, Qin Yu felt traces of internal Qi surging over.

The newcomer was a third grade martial grandmaster. His aged internal Qi contained extraordinary battle strength.

“Jiang Gu?” Qin Yu raised his brows and quickly guessed the other party’s identity.

As expected, in less than ten minutes, Jiang Gu arrived at the foot of the mountain.

“Mr. Qin.” Jiang Gu bowed slightly to Qin Yu.

Qin Yu nodded and said, “Why are you here?”

Jiang Gu said, “I know all about you.”

“So?” Qin Yu smiled.

Jiang Gu’s expression was ice-cold. His internal Qi shook, and his clothes were immediately pulled back, revealing the tough body of the sacred body.

“I will accompany you,” Jiang Gu said.

Qin Yu was speechless, and a trace of gratitude flashed in his eyes.

“Thank you,” Qin Yu said with a serious expression.

Jiang Gu waved his hand and said, “We might be able to draw with the three sixth stage martial grandmasters.”

Although Jiang Gu was only a martial grandmaster of the third stage, he still possessed a sacred body.

Therefore, if the two of them worked together, they might really be able to win.

Time passed by minute by minute.

At the foot of the mountain, a gentle breeze blew past, and the leaves rustled.

Finally, at noon, Qin Yu felt the aura of the three martial grandmasters of the sixth stage. The aura of the internal Qi of the three martial grandmasters of the sixth stage was extremely strong.

“They’re here,” Qin Yu said quietly.

Hearing this, Jiang Gu quickly adjusted his internal Qi to the maximum.

Qin Yu patted his shoulder and said, “Jiang Gu, thank you for your kindness, but you should go and rest.”

Jiang Gu frowned and asked in confusion, “Why?”

Qin Yu smiled and said, “I can handle it.”

“No,” Jiang Gu said stubbornly.

“If I leave now, I’ll be a coward. How will I face you in the future?”

Qin Yu opened his mouth and smiled bitterly.

“Okay.” Seeing this, Qin Yu didn’t say anything more and just let it be.

The three internal Qi got closer and closer to Qin Yu.

“Wow, Mr. Qin is so free and elegant.” A sarcastic voice was heard.

The person who spoke was Ma Xiaoru.

Ma Xiaoru held a folding fan in her hand and covered half of her face with it.

“Are the things ready?” The other two didn’t talk nonsense like Ma Xiaoru did.

“Don’t be too arrogant!” Jiang gu immediately shouted, and his internal Qi burst out!

“Yo yo, old man, do you want to die?” Ma Xiaoru sneered.

“You’re so old, why didn’t you go home to retire?”

Jiang gu said coldly, “When I, Jiang Gu, became famous, you guys were still nowhere to be found!”

“Jiang Gu? You’re the number one person in Chuzhou, Jiang Gu?” Ma Xiaoru’s eyes flashed with excitement.

Jiang gu snorted, “Since you know, then get lost!”

“Hahahaha!” Ma Xiaoru suddenly burst into laughter.

She said slyly, “Master, times have changed, and you still think you’re the number one person in Chuzhou? I didn’t expect that the former number one person in Chuzhou and the current number one person in Chuzhou would be trampled under my feet, Hahaha!”

Jiang Gu was furious when he saw Ma Xiaoru's slyness!

His body shone with golden light as he threw a punch at Ma Xiaoru!

Ma Xiaoru snorted coldly, "A mere third level grandmaster, you don't know what's good for you!"

Ma Xiaoru put away her folding fan and her jade-like hands went up to meet the punch.

"Clang!"

Under the punch, Ma Xiaoru's palm split open and blood dripped down!

Her body took a few steps back to stabilize itself!

"Huh?" Ma Xiaoru's expression changed slightly.

"You're just a third grade martial grandmaster, how can you have such strength?"

Jiang Gu coldly said, "You'd better go to Hell and ask!"

After saying that, Jiang Gu stepped forward again!

Ma Xiaoru coldly said, "Do you really think you're a Nobody?"

She lightly patted the folding fan in her hand, and a sharp force instantly erupted!

The energy was so strong that even Jiang Gu's face changed!

At this moment, a figure blocked in front of Jiang Gu.

He looked up and saw Qin Yu looking at Xiaoru coldly.

“This has nothing to do with Jiang Gu,” Qin Yu said lightly.

Xiaoru snorted, “You still want to be a hero at this time? Hurry up and hand over the Thing!”

“That’s right, our time is precious, we don’t want to waste it on you,” the other two also said.

Qin Yu said with a faint smile, “Will you let me go if I hand over the mental cultivation method to you?”

Hearing that, Ma Xiaoru said slyly, “Oh, you’re quite smart, hahahaha! To tell you the truth, whether you hand it over or not, you will die today!”

“That’s right, how could we let go of such a chance to become famous?” The other two looked at each other and sneered.

Qin Yu put his hands behind his back and said lightly, “Do you think you can defeat me?”

“Or what?” Ma Xiaoru snorted.

“The current you is just a stray dog, we will kill you like cutting melons and vegetables!” Ma Xiaoru said proudly.

“Since when did the elders of the divine medicine pavilion get to point fingers at a nobody like you?”

At this moment, a domineering and slightly flirtatious voice came from behind.

Chapter 432: Chapter 432, fighting to the death to survive

Although the voice was not loud, it fell into everyone's ears.

Turning around, they saw the pavilion master of the Medicine God Pavilion standing behind them.

She was not tall, but she had an imposing manner.

No one could ignore her presence.

Ma Xiaoru sized up the Pavilion Master of the Medicine God pavilion and said, "Who are you?"

The pavilion master glanced at Ma Xiaoru and raised his palm to slap Ma Xiaoru's face!

This slap sent Ma Xiaoru flying!

"You..." Ma Xiaoru got up from the ground. Just as she was about to say something, the two people beside her quickly cupped their hands and said, "Greetings, Pavilion Master of the Medicine God Pavilion."

The Pavilion Master of the Medicine God Pavilion?

Hearing this name, Ma Xiaoru felt as if a fishbone was stuck in her throat. She was speechless.

"Master!" Soon, peach ran over from behind.

The master didn't say anything. She looked at the three people and said coldly, "Get lost!"

Although Xiaoru was unhappy, she didn't dare to be angry with the Master of the Medicine God Pavilion. She could only leave in a hurry.

Qin Yu smiled bitterly in his heart.

Why did the master suddenly come here?

This... completely disrupted his plans.

“Greetings, Lord Pavilion Master.” Qin Yu walked forward and bowed.

The pavilion master's long and narrow eyes swept over Qin Yu.

In an instant, Qin Yu felt as if he was being seen through!

Qin Yu had only felt this kind of feeling from Mr. Xia of the Jingdu Martial Arts Association!

“Lord Pavilion Master, you must help elder Qin...” Tao Zi said anxiously from the side.

Pavilion master looked at Qin Yu coldly and said, “Follow me.”

“Yes.” Qin Yu smiled bitterly.

He followed behind Pavilion Master and came to a room.

Then, pavilion master gently raised her hand and placed it on Qin Yu's Dantian.

In a moment, pavilion master frowned.

She looked up at Qin Yu and said, “I see.”

Qin Yu smiled bitterly and said, “As expected, nothing can be hidden from the pavilion master.”

The pavilion master did not continue, but asked coldly, “Why did you do that?”

Qin Yu was silent for a moment, and then slowly said, “There are three reasons.”

“First, the current me is absolutely no match for Han Wei, and the fastest way for me to cultivate is to devour the inner strength of others.”

“Second, I keep feeling that someone is trying to kill me in the dark.”

This feeling was very strong, but Qin Yu did not know who it was.

Qin Yu made enemies on all sides. He did have many enemies on the surface, but he knew nothing about the enemies in the dark.

“Third... if I continue like this, I will definitely attract the attention of the Yan family and the Han family. If they ignore the rumors and send an expert in the Martial Marquis Realm to deal with me, then I will definitely die.”

After the pavilion master heard this, she said indifferently, “So, does this mean that I have ruined your good deed?”

Qin Yu smiled bitterly and said, “That is indeed the case, but your arrival might be more believable.”

“Everyone in the world knows that I am an elder of the Divine Alchemist Pavilion. If you do not appear for a long time, it will naturally arouse suspicion.”

The pavilion master nodded slightly. She took a sip of tea and then said indifferently, “What plans do you have next?”

Qin Yu raised his head. His eyes were filled with a resolute light.

“Go with the flow and burn all bridges,” Qin Yu said coldly.

“Oh?” The pavilion master seemed a little surprised.

Qin Yu leaned on the pavilion master’s ear and whispered his plan.

After hearing it, the pavilion master frowned slightly.

“Qin Yu, are you sure you want to do this?” The pavilion master said with a serious tone.

Qin Yu nodded and said, “The time left for me is too little. I don’t dare to waste a single bit of it.”

“Have you considered the consequences of doing this? What if you are really killed one day?” The pavilion master asked coldly.

Qin Yu smiled and said, “There is a saying that goes, ‘If you die, you will be reborn’.”

Hearing this, the pavilion master immediately fell silent.

After a long time, she slowly stood up and turned around to leave.

When she reached the door, the pavilion master stopped and said faintly, “I understand.”

“Thank you, Pavilion Master.” Qin Yu bowed with a respectful expression.

That day, the pavilion master left Chuzhou.

Such speed was indeed surprising.

“Elder Qin, what did the Pavilion Master Say? Does she have a way?” Asked Peach.

Qin Yu glanced at Peach, shook his head and said, “Our negotiation was very unpleasant.”

“AH? How could this be?” Peach’s face suddenly became a bit pale.

Qin Yu didn’t say anything more. He sat cross-legged on the sofa and muttered in a low voice, “They will definitely come again. The Temptation of the mental cultivation method of the heaven ladder is too great.”

...

At night, the martial arts forum was the most lively time.

And this night was destined to be even more extraordinary.

It was not known since when, but Qin Yu had become a regular visitor to the martial arts forum.

Almost every day, there would be people discussing about Qin Yu, and even regarding him as the main character.

And it was on this night that an important piece of news spread out:

“The Divine Alchemist’s Pavilion Will Strip Qin Yu of his status as an elder tomorrow.”

It was just a few short words, but it had already caused a sensation throughout the entire martial arts forum!

As the top medical organization in the martial arts world, or even the entire fire country, the actions of the Divine Alchemist’s pavilion would cause a stir in the entire fire country.

And the personnel changes of the Divine Alchemist’s pavilion would also be made public to the public.

For example, the appointment of the elders, the expulsion and so on, would all be made public at the first instance.

Upon seeing this piece of news, there was a split second of discussion.

“Qin Yu has actually been kicked out of the Divine Alchemist’s Pavilion!”

“Heavens, looks like Qin Yu’s Dantian has really been injured.”

“Mm, the Divine Alchemist pavilion has always only recruited elites, and has never taken in trash.”

“Even the Divine Alchemist Pavilion’s Pavilion Master was unable to do anything about it, and this Qin Yu is completely finished.”

Even the fire country’s martial arts potential rankings had removed Qin Yu’s name that night.

This was the influence of the Divine Alchemist Pavilion!

At that moment, Qin Yu was lying on his bed, his eyes slightly closed.

In his mind, countless rays of golden light flashed past. Each ray was a top-tier cultivation technique.

At this moment, the bedroom door was pushed open with a bang.

Then, he saw Peaches and Yao Qing walk in with sad and angry faces.

“What’s Wrong?” Qin Yu sat up from the bed and asked despite knowing the answer.

Peaches bit her red lips with her pearly white teeth. She gritted her teeth and said, “I really didn’t expect the Divine Alchemist Pavilion to be so heartless!”

“They actually kicked you out of the Divine Alchemist Pavilion!” Yao Qing also said with a face full of anger.

Qin Yu smiled and said, “Isn’t that right? The Divine Alchemist Pavilion is full of geniuses to begin with. How can I just sit in the latrine and do nothing?”

“But... but kicking you out at such a time, isn’t that adding insult to injury?” Peaches said angrily.

“I really was blind to actually join the Divine Alchemist Pavilion.”

After saying that, Peach took out the Divine Alchemist pavilion’s token from her waist and fiercely threw it on the ground.

The token immediately shattered with a sound and turned into pieces.

Chapter 433: Chapter 433, Sinister and vicious

Entering the Divine Alchemist Pavilion had always been Peach's dream.

The token that had once been incomparably sacred in her heart had been shattered just like that.

Qin Yu watched from the side, feeling a little uncomfortable.

"It has nothing to do with the Divine Alchemist Pavilion. It's my own problem." Qin Yu sighed and said.

Peach snorted and said, "I will never return to the Divine Alchemist Pavilion in the future."

Qin Yu didn't say anything else. He could only sit at the side and sigh silently.

Qin Yu did a simple calculation in his heart.

If he wanted to defeat Han Wei, he had to at least step into the peak of the Martial Grandmaster realm. Otherwise, Qin Yu's chances of victory weren't high.

And if he wanted to step into the peak of the Martial Grandmaster realm, he would need at least a hundred martial grandmasters to send themselves to their deaths.

"If I can devour a hundred martial grandmasters, how great would that be?" Qin Yu thought in his heart.

However, it was unrealistic to have a hundred martial grandmasters at the peak. Qin Yu didn't dare to think about it at all.

Seeing that September 9th was getting closer and closer, Qin Yu couldn't help but feel a little anxious.

...

Jingdu, Yan family.

Li Zinan was kneeling in front of Yan Sihai and said respectfully, "Director Yan, that Qin Yu has already been chased out of the Divine Alchemist Pavilion."

Yan Sihai slightly frowned and said in a deep voice, "It seems that this Qin Yu is really seriously injured."

Li Zinan hurriedly said, "President Yan, I saw Qin Yu seriously injured by the heaven and earth killing intent that I arranged with my own eyes. It can't be fake!"

Yan Sihai glanced at Li Zinan, stood up and said, "Tell me, what do you want?"

Li Zinan suppressed the excitement in his heart and said, "President Yan, my request is not high. As long as you let me become an elder of the sacred Confucian School!"

"Elder?" Yan Sihai frowned slightly.

One had to know that the position of an elder of the Saint Confucianism sect was very high. In the sect, it was almost a position above tens of thousands of people.

This Li Zinan was quite ambitious.

“President Yan, don’t worry. As long as I sit on the position of an elder of the Saint Confucianism sect, I will do my best to recruit talents from all over the world!” Li Zinan spoke with confidence.

Yan Sihai was silent for a moment, as if he was considering it again.

“Master.”

At this moment, the office door was suddenly pushed open.

Then, he saw Zhang Yin standing at the door, as if she had something to say.

Yan Sihai nodded slightly. Then, he looked at Li Zinan and waved his hand, “You can go out first.”

Li Zinan hurriedly asked, “Then about my elder’s matter...”

Yan Sihai’s face instantly turned cold. He coldly said, “I told you to go out. Don’t you understand?”

Seeing this, Li Zinan didn’t dare to say anything and hurriedly walked out.

After he left, Yan Sihai glanced at Zhang Yin and said, “What is it? Tell me.”

A trace of viciousness flashed in Zhang Yin’s eyes.

She walked in front of Yan Sihai, she said, “Yan Yunheng, that old thing, actually doesn’t give up on his evil intentions. During this period of time, he has been constantly making moves. I heard that he has formed a team

in sea city. In just a short month, the scale of the company is enough to affect the entire sea city!”

“Old Man?” Yan Sihai’s face turned cold. He raised his hand and slapped Zhang Yin’s face.

“Yan Yunheng is my father. How can you insult him?”

Zhang Yin covered her face and said with some fear, “I... I know I’m wrong.”

Yan Sihai snorted and said, “Remember, my father is already dead. I don’t know the person now.”

Zhang Yin was a smart person. She immediately understood and hurriedly nodded. “You’re right. Then... do we need to do something to him?”

Yan Sihai lit a cigar and narrowed his eyes. “Back then, he was called Jingdu’s business elite. In a short three years, he went from having nothing to becoming Jingdu’s overlord.”

“This kind of ability can not be ignored. The slightest carelessness could result in complete defeat.”

Yan Yunheng was Yan Sihai’s father after all. Yan Sihai was very clear about his father’s ability.

Even though Yan Yunheng had nothing now, Yan Sihai still did not dare to ignore his ability.

“Master, should I call the Chamber of Commerce in Sea City?” Zhang Yin asked.

Yan Sihai shook his head and said, “With his ability, as long as he is given the slightest chance, he can move the entire business.”

Zhang Yin was stunned and quickly said, “Then what do you mean?”

“You can go out first. I will handle it.” Yan Sihai waved his hand.

Zhang Yin quickly nodded and said, “Yes, Master.”

After Zhang Yin left, Yan Sihai immediately took out his phone and dialed Li Zinan’s number.

“Don’t you want to be an elder of the Saint Confucian school? I will give you a chance now,” Yan Sihai said coldly.

Li Zinan was overjoyed and hurriedly said, “Go ahead.”

Yan Sihai said coldly, “Help me catch someone. I’ll have someone send the information to your phone.”

“President Yan, is it... is it that Qin Yu?” Li Zinan asked tentatively.

Yan Sihai snorted coldly and said, “A mere Qin Yu is not worth my trouble. Moreover, the current Qin Yu is already a cripple.”

Compared to Yan Yunheng, Qin Yu did not seem to be worth mentioning.

After hanging up the phone, a trace of viciousness flashed across Yan Sihai’s face.

“Dad, I originally wanted to let you live on for a few more years. Since you won’t stop, then don’t blame me for being ruthless,” Yan Sihai narrowed his eyes and whispered.

...

In the following period of time, Qin Yu absorbed the Qi/spiritual energy from heaven and earth while waiting for the assassins to come to his door.

Three days later, Qin Yu suddenly stood up and said coldly, “We can’t wait any longer.”

A small Chuzhou couldn’t satisfy Qin Yu’s resource needs for a long time.

Therefore, Qin Yu decided to take the initiative to attack.

There were so many babe in heaven and earth, and opportunities were endless.

Staying at home and waiting for the opportunity to come, this action was a bit too stupid.

“Maybe Fang Yue will have some news.” Qin Yu suddenly thought of his “Partner.”

Qin Yu didn’t know what Fang Yue’s current attitude would be, but Fang Yue was a smart person, so Qin Yu trusted her judgment.

“Huh?”

At this moment, Qin Yu suddenly felt an internal Qi approaching Qin Yu.

“A sixth level grandmaster, could it be that Ma Xiaoru?” Qin Yu thought to himself.

“It seems that she really couldn’t hold it in any longer.”

Qin Yu’s lips curled into a cold smile.

Then, he stood up and walked out of the house. He turned around and went to the back of the mountain.

The back of the mountain was very large. Qin Yu stood there alone, looking lonely and lonely.

The Aura was getting closer and closer, and soon, it arrived near Qin Yu’s internal Qi!

He turned around and saw Ma Xiaoru approaching him with a sinister look.

“It’s you.” Qin Yu was not surprised.

Ma Xiaoru narrowed her eyes and said through gritted teeth, “Qin Yu, I took a slap because of you. I’m going to Cripple You, lock you in a cage, and let you live in humiliation for the rest of your life!”

Qin Yu smiled and said, “You Woman, are you a psychopath?”

Ma Xiaoru said angrily, “Stop talking nonsense! Hand over the mental cultivation method now!”

Qin Yu ignored her words and asked, “Why are you alone today? Where are the other two?”

Ma Xiaoru sneered and said, “We have agreed that we will take your life together tomorrow, but I don’t want to share your Babe with others.”

Chapter 434: Chapter 434: Capture Old Mister Yan

“Everything you have is mine!” Ma Xiaoru said crazily.

Qin Yu sneered, “You think you’re worthy to cooperate with others?”

“Cut the crap!” Ma Xiaoru became even crazier.

“Don’t worry, I won’t kill you. I will imprison you and make you beg for death every day!”

“Aren’t you an elder of the Divine Alchemist Pavilion? I will make you spit out your pill formulas one by one! You have to make sure that you have enough, because you can live longer...”

Looking at the crazy woman in front of him, the disgust in Qin Yu’s heart intensified.

“The thing you want is on me. Come on,” Qin Yu said coldly.

Ma Xiaoru clenched the folding fan in her hand, and a strong gust of wind instantly surrounded her.

Her internal Qi rustled, and her hair fluttered in the wind, making her look like a crazy shrew!

“Watch Me Cripple You!” Ma Xiaoru screamed, and her whole body floated over.

The folding fan in her hand carried a strange internal QI, and a bright red light slowly floated up.

This light made people feel strange, as if it was going to penetrate their nerves.

“Spiritual artifact?” Qin Yu raised his eyebrows.

Only then did he realize that the folding fan in Xiaoru’s hand was actually a spiritual artifact!

Moreover, it was an extraordinary spiritual artifact!

“Your eyes are really sharp, but it’s a pity that it’s useless even if you know!” Xiaoru roared crazily.

The folding fan was like a steel knife, fiercely slashing at Qin Yu’s waist!

“Dang!”

A deafening sound, like the collision of steel!

Ma Xiaoru’s body took a few steps back, and her palm was hurt from the Impact!

“It’s a good thing, but it depends on who uses it,” Qin Yu said coldly.

Ma Xiaoru’s face changed, and she sneered, “Your body is really beyond imagination, but without the support of internal Qi, you are just a walking corpse!”

After saying that, Ma Xiaoru waved her hand, and countless bullets-like energy burst out from the folding fan.

“Bang, Bang, Bang!”

The energy hit Qin Yu’s body, and a crisp sound was heard. Qin Yu’s internal Qi hit Qin Yu’s body.

Qin Yu seemed to be bathed in the rain, and white spots appeared on his body one after another, but he didn’t seem to be injured at all.

“What a strong body.” Ma Xiaoru’s expression changed.

She didn’t dare to be negligent anymore. She immediately held the folding fan with both hands, and waves of internal force flowed along the folding fan.

In an instant, a huge portrait condensed in front of her!

A fierce beast with fangs grew out of the portrait. The murderous aura from the ancient times made people shudder!

“Tear him apart!” Ma Xiaoru pushed the folding fan with all her strength. This fierce beast, which was formed from a spiritual artifact, immediately rushed toward Qin Yu!

“Let’s not talk about you being fake, so what if it’s a real beast? I’ll still smash it with one punch!” Qin Yu shouted, and a dazzling golden light immediately burst out from his fist!

“Boom!”

Qin Yu clenched his Golden Fist and smashed it toward the head of the Beast!

“Kacha!”

The fierce fist instantly smashed the head of the beast into pieces!

The force that burst out from the folding fan immediately dissipated!

Meanwhile, Ma Xiaoru suffered the backlash of the huge force. She took a few steps back and spat out a mouthful of blood!

“You... didn’t your Dantian get damaged? How... how...” Ma Xiaoru’s mouth was bleeding, and her face was full of Panic!

“If My Dantian didn’t get damaged, how could you fish take the bait?” Qin Yu grinned, revealing a mouthful of white teeth.

Ma Xiaoru was terrified and screamed, “You... how dare you lie to us!”

“Great grandfather Jiang is fishing, he is willing to take the bait,” Qin Yu said lightly.

“If you don’t want to kill me, how could you die in my hands?”

As he spoke, Qin Yu walked toward Ma Xiaoru step by step.

“Don’t... Don’t kill me, don’t kill me!” Ma Xiaoru climbed desperately on the ground, trying to escape.

However, how could Qin Yu give her the chance? He immediately raised his hand and slapped her head.

“Ah! !”

The pain from the bottom of her heart made Ma Xiaoru let out a shrill cry!

Her plump body quickly withered and turned into a dried corpse.

“You are the first,” Qin Yu said coldly as he looked at the corpse.

Then, Qin Yu flicked his finger, and a wisp of purple spiritual fire immediately landed on Ma Xiaoru’s corpse.

In less than half a second, the corpse disappeared into thin air.

“A sixth grade martial grandmaster, the improvement is too small for me.” Feeling the internal Qi from Ma Xiaoru’s body, Qin Yu couldn’t help but frown.

They were both martial grandmasters, but the improvement brought by the peak of a martial grandmaster was far greater than that of a sixth grade martial grandmaster.

The difference between them was like the difference between clouds and mud.

“Although a fly is small, it is still meat.” Qin Yu shook his head helplessly.

Then, Qin Yu picked up the folding fan that had fallen to the ground and carefully lit it up.

This folding fan was made quite exquisitely. The pink body of the fan added a sense of contrast.

It was clearly a spiritual artifact that was filled with danger, yet it had such a cute shape.

If one did not look closely, no one would have thought that this was a spiritual artifact that could kill people.

“Perhaps I can give it to Fang Yue as a gift,”Qin Yu thought to himself.

After putting the folding fan into his space spiritual artifact, Qin Yu took out his cell phone and gave Fang Yue a call.

The call was quickly picked up. Fang Yue said with a faint smile, “Brother Qin suddenly called me. Are you going to cancel the partnership?”

Qin Yu said with a smile, “I’m afraid Miss Fang will despise me.”

“Brother Qin may be able to deceive others, but you can’t deceive me,”Fang Yue said with a faint smile.

Qin Yu couldn’t help but sigh in his heart.

This woman was really smart. As expected, she couldn’t satisfy him.

“If it’s convenient, let’s meet,”Qin Yu said to Fang Yue.

Fang Yue said with some surprise, “This seems to be the first time Brother Qin took the initiative to ask me out.”

Qin Yu didn’t say anything and waited for Fang Yue’s answer.

A few minutes later, Fang Yue said, “Brother Qin, if it’s convenient, why don’t we meet in Sea City?”

“Sea City?”Qin Yu raised his eyebrows.

Fang Yue agreed and said, “Yes, I happen to have something to do in sea city.”

“Okay.”Qin Yu immediately agreed without thinking.

Qin Yu also had the intention to go to sea city because it was the second largest city after Jingdu.

No matter what resources, sea city would not be inferior to Jingdu.

...

Sea City Airport.

Five tall and burly men stepped out of the plane.

The leader was a man who looked slightly feminine.

“Why do we need elder Li to personally capture a merchant? We are enough,”said a tall man beside him.

“Humph, what do you know?”

The person who spoke was none other than Li Zinan.

As he wished, he became an elder of the sage Confucian school.

Although he was ranked at the bottom of the elders, his status was not ordinary.

It was said that no matter where an elder of the sage Confucian school went, he would receive an audience with the local bigwigs.

And their purpose for this trip was only one.

That was to bring old Mister Yan back to Jingdu.

Chapter 435: Chapter 435, he teng of the Central Plains

Li Zinan was a smart man. Even though Yan Sihai spoke as if nothing had happened, he felt that this matter was not ordinary.

Just to capture a person without any cultivation, the Saint Confucian sect had mobilized five martial grandmasters!

This was enough to show that Yan Sihai attached great importance to this matter! And the person who was captured was definitely not simple!

“Remember, listen to my orders. No one is to be careless,” Li Zinan reminded.

“Yes, elder Li.” Everyone hurriedly nodded.

...

After Qin Yu hung up the phone, he prepared to leave for sea city.

Qin Yu had heard many rumors about sea city.

It was said that the economy there was extremely developed, and there were young masters everywhere.

Although it was not as mysterious as JINGDU, it was an international metropolis that attracted countless foreigners.

Just as Qin Yu was about to leave, Uncle Wu's car suddenly drove in in a hurry.

When the car stopped, he saw Xiao Yu running in somewhat anxiously, while Uncle Wu followed closely behind.

As soon as he saw Qin Yu, Xiao Yu anxiously said, "How are you? Are you okay? I heard that many people want to kill you, why are you still here?"

Qin Yu was at a loss as to how to answer the questions that were thrown out one after another.

"I've made an agreement with my father to let you go to the military district of Chuzhou region. No matter how bold they are, they wouldn't dare to go to the Military District to kill people!" Xiao Yu said as if it was a matter of fact.

Qin Yu smiled bitterly and said, "There's no need for that. I'll be fine."

"Qin Yu, what Xiao Yu said makes sense. Commander Long also specifically mentioned this matter to me," Uncle Wu nodded and said.

Qin Yu looked at Uncle Wu and said politely, "Uncle Wu, there's really no need for that. I'll take care of myself."

At this point, Qin Yu suddenly felt the fluctuation of Xiaoyu's internal Qi, which seemed to be a little strange.

Her body seemed to be tainted with an extremely simple internal Qi.

This internal Qi obviously didn't belong to this era.

Even though it was rather weak, Qin Yu was still able to sense it.

“Xiao Yu, that mask... have you worn it before?” Qin Yu asked.

Xiao Yu nodded and said, “Yes, I have. But... Every time I wear it, I feel a little strange.”

“Strange?” Qin Yu raised his eyebrows and waited for Xiao Yu to continue.

Xiao Yu said, “I can’t describe that feeling. Aiya, it’s very strange anyway. Don’t bother about my matters. You should think about what you should do.”

Seeing that he couldn’t refuse, Qin Yu said seriously, “How about this? If anything happens, I’ll tell you immediately and promise you to go to the Military District to save your life, Okay?”

“Who knows when they’ll come?” Xiao Yu muttered.

Qin Yu smiled bitterly.

This little brat was really hard to fool.

“Okay, I’ve found a countermeasure, but this countermeasure must be kept secret for the time being,” Qin Yu could only lie.

Fortunately, Xiao Yu was still relatively simple-minded. She looked at Qin Yu with doubt and asked, “Is what you said true?”

“Of course. Why would I joke about my own life?” Qin Yu said.

“Alright then. If it really doesn’t work, I’ll ask my dad to send a team over for you,”Xiao Yu said in a low voice.

Qin Yu didn’t know whether to laugh or cry. This Xiao Yu really dared to think.

“Alright, don’t worry about me. I still have some matters to attend to. I have to go out for a while.”Qin Yu waved his hand and said.

“Uncle Wu, I won’t accompany you anymore.”

Uncle Wu nodded and said, “Okay, be careful with everything.”

Qin Yu didn’t say anything more. After he greeted everyone, he left in a hurry.

...

Haicheng Airport.

Qin Yu took out his cell phone and called Fang Yue. He said, “I’ve already arrived at Haicheng.”

It was already evening. Fang Yue said on the phone, “I’ll wait for you at No. 1 restaurant.”

Qin Yu didn’t say anything. He immediately took a taxi and rushed to No. 1 restaurant.

In the restaurant.

Fang Yue was sitting in an inconspicuous position, but there were still a lot of people around her.

“Miss, can you give me your contact number?”

“I’d like to buy you a drink. I wonder if Miss is free?”

There were even some who went straight to the point. “I have ten properties under my name, five luxury cars, and eight-figure savings. Let’s have a chat?”

Fang Yue was obviously used to being hit on by everyone.

However, Fang Yue would never agree to a chat, much less reject it. She always maintained the feeling of being as close as possible.

After seeing Qin Yu, Fang Yue smiled and said, “I’m sorry, my friend is here.”

Everyone turned to look at Qin Yu. Although they were a little unhappy, they tactfully walked away.

After sitting down, Qin Yu said jokingly, “Miss Fang seems to like the feeling of being adored by the Stars.”

Fang Yue spread her hands and said, “Who doesn’t want to be popular?”

Qin Yu said half-jokingly and half-seriously, “I’m afraid your boyfriend will have a hard time in the future.”

At this point, Qin Yu suddenly realized that Fang Yue had unknowingly stepped into the realm of a martial grandmaster.

“Is it very strange?” Before Qin Yu could ask, Fang Yue said with a smile.

Only then did Qin Yu remember that Fang Yue could read other people's minds.

“That's not it.” Qin Yu shook his head and then said seriously, “Miss Fang, Why did you suddenly come to Sea City?”

Fang Yue didn't hide anything. She smiled and said, “There's a rich cruise ship going to Brighthouse Island tomorrow. I can't miss this opportunity.”

“Brighthouse island? Is It for Tourism?” Qin Yu asked.

“For them, it's for tourism, but not for me,” Fang Yue said indifferently.

Qin Yu said with some confusion, “Could it be... that there's some Babe on Brighthouse Island?”

Fang Yue pointed at Qin Yu's Dantian and said with a smile, “The inner core that you ate was obtained on Brighthouse Island.”

Hearing this, Qin Yu's face turned pale with fright.

The effect of the demonic beast inner core was beyond imagination!

It was not inferior to top-grade herbs!

“What conditions do you need to go to brighthouse island?” Qin Yu hurriedly asked.

“I need an invitation letter,” Fang Yue said.

After saying that, Fang Yue spread out her palms, and the two invitation letters fell into her hands.

Qin Yu subconsciously wanted to reach out for the invitation letter, but Fang Yue retracted her hand at this time.

She said with slight regret, “Brother Qin, I’m very sorry. This invitation letter has already been given to someone else.”

“Given to Who?” Qin Yu frowned slightly.

Fang Yue nodded and said, “He Teng.”

“He Teng? He Teng from the Central Plains?” Qin Yu’s expression was a little unsightly.

He Teng from the Central Plains had always been the number one person on the fire country’s martial arts potential rankings.

Even when Qin Yu was at his peak, he had still been firmly suppressed by him on the rankings.

“Looks like I’m not the only one that Miss Fang is working with..” Qin Yu retracted his hand and said with a faint smile.

Chapter 436: Chapter 436, you are more ruthless than before

Qin Yu’s words clearly carried some displeasure and even sadness.

Even though Qin Yu knew that this was Fang Yue’s right, he still couldn’t express the displeasure in his heart.

“Looks like Brother Qin is jealous,” Fang Yue teased.

Qin Yu spread his hands and said, “That’s your right. He Teng is, after all, the number one person on the potential leaderboard. He’s not someone I can compare to.”

Fang Yue could not help but cover her mouth and laugh lightly.

“Alright, I won’t tease you anymore. This invitation was not given to He Teng by me. It was given to me by He Teng,”said Fang Yue.

“He Teng’s family background is extraordinary. He even has a master who can reach the heavens behind him. He even knows more about the matter of the inner core than I do.”

“The only reason he found me was because he wanted my help.”

At this point, Fang Yue said sweetly, “In my heart, Mr. Qin is the only one.”

Qin Yu looked at Fang Yue suspiciously, and then suddenly thought of something.

“He Teng found you... So, there should be something he wants on Brightheart Island?”Qin Yu’s voice was slightly anxious.

Fang yue nodded and said, “You can say that. I don’t know what it is exactly. But since he found me, it’s most likely because of the demonic beast inner core.”

“Demonic beast inner core...”

This term quickly flashed across Qin Yu’s mind.

Countless pieces of news regarding the demonic beast inner core were sent over.

Other than the inner core gifted by Fang Yue, there were also countless types of inner cores that contained the purest Qi/spiritual energy!

Its effect was equivalent to the aurous core stage among human cultivators!

Such an inner core was something that could only be encountered by chance and not sought after. Its preciousness was comparable to a ten-thousand-year-old spiritual medicine!

“Miss Fang, do you have a way to let me participate in this rich cruise?” Qin Yu asked anxiously.

Fang Yue shook her head and said, “Brother Qin, forgive me for being unable to do anything. If you want to enter the rich cruise, you must have an invitation letter.”

Qin Yu was silent for a moment, and a trace of viciousness suddenly flashed in his eyes!

“I must think of a way to enter this rich cruise, even if it’s to snatch an invitation letter!” Qin Yu said coldly.

To Qin Yu, he didn’t have much time to begin with.

Qin Yu would never give up such an opportunity.

Even if it meant that he had to be an evil person who killed people and stole their goods!

“I believe that you can think of a way.” Fang Yue snickered.

After saying that, Fang Yue stood up and prepared to leave.

“Wait.” Qin Yu called out to Fang Yue.

He took out the folding fan from his spatial magic artifact and handed it to Fang Yue.

“This is a gift for you,” said Qin Yu.

After taking the folding fan, Fang Yue’s eyes couldn’t help but flash with a strange light.

“This is... a magic artifact?” Fang Yue asked in surprise.

Qin Yu spread his hands and said, “It should be. I don’t know either.”

Fang Yue was overwhelmed with joy. She bowed and said, “Thank you, Brother Qin.”

After saying goodbye to Fang Yue, Qin Yu went straight to the vicinity of brightheart island.

There were many mansions here, and the people who lived here were the people who would participate in the rich cruise tomorrow.

Qin Yu hid in the dark and coldly watched the people coming and going.

“In order to raise my cultivation level as soon as possible, I can only apologize.” A trace of viciousness flashed in Qin Yu’s eyes.

From the beginning to the end, Qin Yu had never hurt innocent people, but this time, he probably had to take action.

Time passed by minute by minute, and soon, it was midnight.

There were dozens of people participating in the rich cruise, and Qin Yu didn't know who to attack for a moment.

At this moment, Qin Yu suddenly saw a familiar figure.

“Old Mister Yan?” Seeing this figure, Qin Yu was a little surprised.

With a quick step, he instantly arrived in front of old Mister Yan.

“Old Mister Yan, why are you here?” Qin Yu's tone was full of surprise and joy.

Old Mister Yan also said in surprise, “Qin Yu? Why did you come to Sea City?”

Qin Yu quickly told Old Mister Yan about what had happened.

After hearing it, old Mister Yan couldn't help but stroke his beard and smile, “You want to go to Brightheart Island?”

“That's right,” Qin Yu said in a deep voice.

“This trip to brightheart island is very important to me, so I have to go,” Qin Yu took a deep breath and said.

Old Mister Yan laughed and said, “That's easy. I'll just give you my invitation letter, Okay?”

After saying that, old Mister Yan took out the invitation letter and handed it to Qin Yu.

Qin Yu frowned and said, “This... I’m afraid it’s not good, right?”

Old Mister Yan waved his hand and said, “What’s not good about it? People like us go to Brightheart Island just to travel. It’s not important.”

Qin Yu took the invitation and still felt a little guilty.

But he had to admit that what old Mister Yan said was indeed reasonable.

“Bang!”

At this moment, the villa’s door was suddenly kicked open.

Then, a middle-aged man in a suit walked in with three to five strong men.

Seeing this middle-aged man, a trace of displeasure flashed across old Mister Yan’s brows.

“Lou Cheng, what are you doing here?” Old Mister Yan asked coldly.

The man called Lou Cheng sat on the sofa with swagger. He lit a cigar and took a deep breath.

“Kid, you didn’t understand what I said at the party just now, did you?” Lou Cheng sized up old Mister Yan and said.

Old Mister Yan frowned slightly and said with a cold face, “Lou Cheng, you’d better not make things difficult for yourself.”

“Make things difficult for yourself? hahaha!” Lou Cheng couldn’t help but laugh out loud.

“This is Hai Cheng! I can crush you to death easily!” Lou Cheng looked at Old Mister Yan coldly.

As he spoke, the few martial artists beside him also immediately took a step forward, with great intention to attack.

Old Mister Yan squinted his eyes and said, “Lou Cheng, what do you want?”

“What do you want?” Lou Cheng snorted.

He put his hands behind his back and said indifferently, “Simple, kneel down and admit your mistake, and I will let you have a meal in sea city.”

“Otherwise... I will let you die on Brightheart Island Tomorrow!” Lou Cheng said with a gloomy tone.

Qin Yu glanced at Lou Cheng and asked casually, “Do you know him?”

Old Mister Yan nodded and said, “Yes, he is a local tyrant in the local business world. He has always been tyrannical.”

Qin Yu said, “Oh.” The next second, Qin Yu suddenly raised his hand and slapped him.

“Pa!” Lou Cheng’s head was smashed like a watermelon on the spot!

Such a decisive method, even old Mister Yan was shocked.

“Qin Yu, you... Why did you kill him?” Old Mister Yan frowned.

Qin Yu grinned and said, “If we kill him, the two of us can go to Brightheart Island.”

The few warriors following Lou Cheng still wanted to run, but Qin Yu did not give them a chance. He raised his hand and slapped them, turning them into meat paste.

In just a few seconds, the four living people became corpses.

Qin Yu’s palm lit up with spiritual fire and fell on the bodies of the people.

Soon, their corpses disappeared without a trace.

Old Mister Yan was silent for a moment, and then said, “Qin Yu, you are more ruthless than before.”

Chapter 437: Chapter 437, the conversation with old Mister Yan

Qin Yu was not surprised by old Mister Yan’s words.

He smiled and said, “There’s no need to show mercy to such an unreasonable person.”

Although he said that, it was not the case.

Qin Yu, who had no parents since he was young, was not an important person, but old Mister Yan was definitely one of them.

Thinking of old Mister Yan, who had once stood at the peak of the world, being humiliated by such a scoundrel, Qin Yu couldn’t bear it.

“Old Mister Yan.” Qin Yu suddenly looked at Old Mister Yan.

“HMM ?” Old Mister Yan’s brows twitched.

Qin Yu smiled and said, “One day, you will return to Jingdu and return to the position of the Yan family.”

Hearing this, Old Mister Yan couldn’t help but laugh and say, “I hope so.”

Speaking up to this point, old Mister Yan’s style changed as he said in a deep voice, “With your current ability, it’s almost impossible to bring down the aristocratic families in Jingdu.”

“Bring down the aristocratic families ?” Qin Yu shook his head with a bitter smile.

“With my current ability, it’s indeed impossible. I only want to leave Jingdu on the ninth of September, but Yan Ruoxue will leave,” Qin Yu said in a deep voice.

Old Mister Yan was silent for a moment before saying, “Do you know the consequences of taking away the female lead in front of the Han family and the Yan Family ?”

“No matter what the consequences are, I will go,” Qin Yu said coldly.

“Do you know what kind of power the Yan family and the Han family can mobilize ? Do you want to take away Ruoxue in front of everyone ? is the possibility high ?” Old Mister Yan said with a grave expression.

Qin Yu’s eyes turned cold, and his gaze instantly became incomparably cold.

“I’ve made a bet with Han Wei. If I win, let me take Ruoxue away,”Qin Yu said.

Old Mister Yan waved his hand and said, “Qin Yu, you’re still too naive. If you really win against Han Wei, that would be slapping the Han family’s face, and even the faces of all the aristocratic families!”

“To them, no matter what method they use, they will not let you win.”

“If you really beat Han Wei, there will only be one outcome, and that is to be attacked by a group of people until you die.”

Qin Yu’s expression instantly became even colder.

Of course, he had thought of this question before.

But for the current Qin Yu, did he have any other choice ?

“If that’s the case, I don’t mind going on a killing spree,”Qin Yu said coldly.

Such arrogant words made old Mister Yan unable to hold back his laughter.

Going on a killing spree ?

Could it be that he wanted to rely on himself to fight against two aristocratic families ?

“Old Mister Yan, since I promised Ruoxue, I will definitely do it,”Qin Yu said.

Seeing this, old Mister Yan did not say anything more.

He was silent for a moment, then smiled and said, “Kill one round?”

Qin Yu was stunned, then he smiled as well.

“Okay, kill a game.”

In the huge living room, Qin Yu and old Mister Yan were studying a game of go.

The situation on the Go board was ever-changing, and the methods were even more unpredictable.

In just a few minutes, the two of them seemed to have started a life-long battle on the Go board.

“I heard that you announced to the public that your Dantian was crippled?” Old Mister Yan fumbled with the go piece and asked seemingly casually.

“Yes, that’s the only way someone would come to kill me,” said Qin Yu.

Old Mister Yan jumped the “Horse” in his hand across the river and said indifferently, “Have you ever considered a problem?”

“What problem?” Qin Yu raised his head and looked at Old Mister Yan.

Old Mister Yan said, “If your Dantian is really crippled, then what kind of people would come to kill you?”

As soon as these words were said, Qin Yu was instantly stunned.

That’s right.

During this period of time, the people who came to kill him seemed to be a bunch of second-rate people.

They hadn't even seen a peak martial grandmaster!

The strongest were only those three sixth grade martial grandmasters!

“What you said seems to make sense.” Qin Yu couldn't help but frown.

Old Mister Yan played with the chess pieces and said indifferently,
“Someone came to kill you because your future has a certain degree of threat, so they want to eliminate this threat.”

“And since you have become a cripple, who would care about you?”

Qin Yu said in a deep voice, “But... there are many people who want to step on me to get to the top and establish their power.”

“It's useless.” Old Mister Yan shook his head.

“Those who have stepped into the peak of the Martial Grandmaster realm are all talented and intelligent people. They either work for the various aristocratic families, or they themselves are aristocratic families.”

“Why would someone at this level step on you?”

Old Mister Yan paused for a moment.

He put down his killing move and said indifferently, “Of course, there will be some, but there won't be many.”

Qin Yu fell silent.

He had never considered this question.

There were many people clamoring to get rid of him on the martial arts forum, but in the end, only those three people came.

“Also, have you considered Ruoxue?” Old Mister Yan continued.

Qin Yu suddenly raised his head, his eyes filled with confusion.

“The more trouble you make outside, the safer Ruoxue will be,” old Mister Yan said indifferently.

Qin Yu’s face was suddenly filled with mixed emotions.

He had actually never considered these questions.

Old Mister Yan put down the chess piece in his hand, stood up, and said, “There’s no need to belittle yourself. For the first thirty years, you were just an ordinary person who washed clothes and cooked. To be able to reach this stage in such a short time is already very good.”

After saying this, old Mister Yan said to himself, “Old Mister Yan, you get sleepy at night...”

That night, Qin Yu sat in the living room and did not fall asleep for a long time.

He had been bitterly searching for the path of cultivation, and he had suddenly become a martial arts fanatic.

But could a martial arts fanatic bring down an aristocratic family?

In the current era, this was obviously an impossible thing.

“Old Mister Yan is right.” Qin Yu took a deep breath.

“Perhaps... my direction has gone wrong.”

Since pretending to be useless didn't work, then he would just turn the world upside down!

If he let the aristocratic families suffer, what kind of scene would it be?

It would probably attract even more ambitious people.

...

The next day, it was the day to head to Brightheart Island.

Old Mister Yan specially tidied up and looked quite energetic.

As usual, Qin Yu looked like a passer-by and no one would spare him a second glance.

For Old Mister Yan, this trip was not for “Traveling” as he said. In fact, it was more to expand his connections as soon as possible.

Such an opportunity could not be missed.

The two of them walked out of the villa. On the sea in front of them, there was a huge and extremely luxurious cruise ship.

Qin Yu and old Mister Yan walked toward the cruise ship together. At this moment, Qin Yu suddenly felt a strange internal Qi.

One, two, three... five!

Five Martial Grandmasters! And each of them was filled with intense killing intent!

“HMM?” Qin Yu followed the killing intent and looked over.

Not long after, Qin Yu saw a familiar figure.

“Li Zinan?” Qin Yu’s lips curled into a cold smile.

“Brother Qin.”

At this moment, Fang Yue’s voice suddenly sounded in his ears.

Turning around, he saw Fang Yue and a young man slowly walking over.

“He Teng of the Central Plains?” Seeing this young man, Qin Yu’s eyes suddenly flickered with a brilliant light.

Chapter 438: Chapter 438, rich cruise ship

This young man was the famous he teng of the Central Plains?

The person who had always been ahead of him on the potential rankings?

“Brother Qin, What’s Wrong?” Fang Yue asked, as if she already knew the answer.

He Teng took the initiative to come forward and shake hands with Qin Yu. “Brother Qin, I’ve heard a lot about you.”

“Likewise,” Qin Yu said in a flat tone.

He carefully sized up he teng in front of him.

This person looked quite gentle, and there was no overbearing aura on his body.

At a glance, he looked like a spring breeze.

His internal Qi was also concealed, so he couldn't see his true strength, even though Qin Yu had such a powerful spiritual sense.

“Brother Qin is a popular person on the martial arts forum. I've always wanted to visit you, but I didn't have the chance,”he teng continued.

Qin Yu didn't want to have too much to do with he teng.

If a babe really appeared on Brightheart Island, there would definitely be competition between the two of them.

“You're too polite, brother he,”Qin Yu said indifferently.

He Teng slightly bowed and said, “Brother Qin, I won't bother you anymore. I'll see you on the boat.”

After saying this, he teng turned around and walked toward the boat.

Fang Yue playfully blinked at Qin Yu.

Looking at He Teng's back, Qin Yu didn't see anything strange.

“What kind of strength does this person have? Why is he so famous?”Qin Yu frowned slightly.

Before looking at the list of potential, Qin Yu had never heard of this person.

“Old Mister Yan, do you know the He family of the Central Plains?” Qin Yu asked.

“I’ve never heard of it.” Old Mister Yan shook his head.

Since old Mister Yan had never heard of it, it was enough to prove that the he family was definitely not one of the top aristocratic families of the central plains.

Otherwise, there was no reason why old Mister Yan would not know about it.

Just as Qin Yu was deep in thought, Li Zinan, who was not far away, had already arrived with quick steps.

“Qin Yu, why are you everywhere?” Li Zinan brought the group of five and stood in front of Qin Yu.

Qin Yu sized them up and said with a sneer, “I also want to ask you this question.”

Li Zinan said with a slightly playful tone, “Qin Yu, the feeling of having your Dantian crippled is not good, right? I heard that you have become a good-for-nothing now?”

“Actually, it’s quite good to be an ordinary person. At least you won’t be hunted down. Speaking of which, you still have to thank me,” Li Zinan said mockingly.

Qin Yu nodded slightly and said, “I can consider your suggestion.”

Li Zinan obviously didn't take these words to heart. He quickly shifted his gaze to old Mister Yan.

"You, follow me," Li Zinan said extremely tyrannically.

Old Mister Yan frowned slightly and said coldly, "Do I know you?"

"You don't need to know me. Our President Yan has invited you," Li Zinan said proudly with his chest crossed.

"As expected." Hearing this, Qin Yu couldn't help but frown.

This Li Zinan was really sent by Yan Sihai.

"Are you talking about Yan Sihai?" Old Mister Yan's face was a bit ugly.

"Impudent! How can you call our President Yan by his name?" Li Zinan scolded loudly.

Old Mister Yan's face became more and more ugly.

Of course, he knew what Yan Sihai's goal was.

However, old Mister Yan couldn't figure out why father and son had become enemies.

"Why? Do you want me to do it myself?" Li Zinan said coldly.

As he spoke, the people around him also quickly took a step forward, looking like they wanted to make a move.

At this moment, Qin Yu stood in front of old Mister Yan.

“Where did you come from? Go back to where you came from,” Qin Yu said coldly.

Li Zinan said coldly, “Qin Yu, I’m not here to look for you today, but if you want to die, I can satisfy you.”

“You can come and try,” Qin Yu said coldly.

“Who else hasn’t boarded the ship? Quickly board the ship and get ready to set off!” At this moment, a shout suddenly came from behind.

Qin Yu glanced at Old Mister Yan and said, “You can board the ship first.”

“Okay, be careful,” old Mister Yan said in a deep voice.

After saying that, he walked toward the ship.

Li Zinan made a gesture to chase after him, but Qin Yu was like an iron tower, blocking his way.

“Qin Yu, don’t give yourself a hard time!” Li Zinan said coldly.

Qin Yu sneered and said, “Go back and tell Yan Sihai that a person must have a conscience.”

After saying this, Qin Yu turned around and walked toward the boat.

Li Zinan narrowed his eyes and snorted coldly, “You Reckless Thing.”

“Elder Li, what should we do now?” The people around him asked.

Li Zinan said coldly, “Get on the boat together.”

After saying that, Li Zinan strode towards the ship.

“Stop.”

However, just as they reached the entrance, they were stopped by an outstretched hand.

“This ship is full of important people. No one is allowed to enter without an invitation,” the staff in charge of ticket inspection said expressionlessly.

Li Zinan’s face turned cold and he berated, “Do you want to die?”

“OH.” The staff member nodded and then shouted to the side, “Someone is going to break into the cruise ship!”

With a shout, a few policemen immediately ran over.

“Sir, don’t cause trouble.” The policeman looked coldly at Li Zinan and said.

Li Zinan frowned. He took a deep breath and said, “I’m from the Yan family in Jingdu.”

“It doesn’t matter who you are.” These people were just ordinary policemen. How would they know anything about the Yan family?

Li Zinan was angry, but he didn’t dare to flare up.

Although he was a peak martial grandmaster, no one dared to openly challenge the authorities.

“Good, good.” Li Zinan gritted his teeth.

He looked at the cruise ship and said coldly, “I’ll wait here. I don’t believe you won’t come down!”

...

On the ship.

Qin Yu came all the way to the deck.

Old Mister Yan was waiting there.

After seeing Qin Yu, old Mister Yan couldn’t help but say coldly, “I didn’t expect Yan Sihai to target me.”

Qin Yu spread his hands and said, “Old Mister Yan, didn’t you say that only when the threat is big enough will it attract others’ attention?”

Hearing Qin Yu’s words, Old Mister Yan suddenly came to a realization.

“Old Mister Yan, you don’t have to think too much. I will take care of those few people,” Qin Yu comforted him.

Old Mister Yan nodded and didn’t say anything else.

This cruise ship was extremely luxurious. There was everything on the ship.

Bars, restaurants, cinemas, libraries...

There were even small casinos, auctions, and so on.

Such a luxurious scene really made Qin Yu Sigh. Poverty limited his imagination.

The purpose of old Mister Yan's trip was to expand his connections, so he would not let go of this opportunity. He took the lead and headed to the banquet hall.

Qin Yu was afraid that old Mister Yan would have any mishaps, so he could only follow closely behind.

He found a quiet place and sat down. A waiter beside him walked over with a wine plate.

Qin Yu casually took a glass of wine and slowly tasted it.

“Brother Qin, you're in a good mood.”

At this moment, Fang Yue and he teng walked over from not far away and sat directly opposite Qin Yu.

Chapter 439: Chapter 439, the strange he teng

Qin Yu casually handed over two glasses of wine.

The three of them sipped the wine and started chatting.

“By the way, how long will this trip take?” Qin Yu asked casually.

Fang Yue smiled and said, “About half a month.”

“Half a month?”

Qin Yu couldn't help but frown.

He subconsciously took out his phone and looked at the date.

June 21st.

There were only two and a half months left until September 9th.

In other words, there were only two months left after getting off this cruise ship.

I hope this trip will be fruitful, Qin Yu thought to himself.

“I heard that Brother Qin’s Dantian was seriously injured. I don’t know if it’s true or not,” at this moment, he teng beside him asked.

Qin Yu narrowed his eyes and said deliberately, “My Dantian was indeed seriously injured. This attracted many people who wanted to pick me up and get rid of me, making a name for themselves.”

When he teng heard this, he sighed and said, “Sigh, that’s really a pity. Brother Qin is a genius, but he encountered such a disaster.”

Judging from He Teng’s answer, this kid had no intention of attacking Qin Yu.

“By the way, what’s the purpose of brother he’s Trip?” Qin Yu changed the topic and deliberately asked.

He teng chuckled and said, “Come on the boat and try your luck. See if you can find any treasures.”

“I see. I told you brother he couldn’t be here for a trip,” Qin Yu said indifferently.

He teng sighed and said, “A trip? People Like Us Don’t have the leisure to travel.”

While the two of them were chatting, a rough-looking man suddenly walked over from not far away.

This man looked very big and had the body of a burly man.

Not only that, the internal Qi on his body was also extremely strong.

“Who is that person?” Qin Yu pointed at the burly man and asked.

Fang Yue said, “He is Meng wuxiong, who is known as the king of Dongchuan.”

“King of Dongchuan?” Qin Yu’s eyes flashed with a trace of doubt.

Fang Yue explained, “Yes, it is said that he is the number one person in the Dongchuan region. Many years ago, he stepped into the peak of the Martial Grandmaster Realm.”

He teng continued, “This person is quite strange. It is said that they are a martial arts aristocratic family with many geniuses. However, Meng Wuxiong’s talent was extremely low twenty years ago. He was almost given up by his family.”

“Low Talent?” Qin Yu frowned slightly, indicating for he teng to continue.

He Teng said, “Yes, it is said that he obtained an opportunity. From that opportunity, Meng Wuxiong’s strength increased by leaps and bounds, and he sang all the way.”

“Not only that, even the entire Meng family rose with the tide. Within a few years, several martial grandmasters appeared.”

“As for what the opportunity is, no one knows.”

Hearing He Teng’s words, Qin Yu couldn’t help but rub his chin.

Several martial grandmasters appeared within a few years?

This indeed made people feel strange.

One had to know that in the current era, wanting to become a martial grandmaster required extremely strong talent.

In just a few short years, he had created many martial grandmasters. Such an opportunity really made people envious.

“Perhaps this Dongchuan King has something similar to the Enlightenment Tea?” Qin Yu thought to himself, his eyes burning with passion.

If he could snatch this opportunity... He might be able to break through to the Martial Marquis realm within two months!

“Looks like I’ll have to go to Dongchuan if I have the chance,” Qin Yu thought to himself.

“What a coincidence. The few of us seem to have something in common,” at this moment, Fang Yue suddenly said.

Qin Yu glanced at Fang Yue and asked casually, “What do you mean?”

Fang Yue looked at He Teng and said, “Brother He, although you are quite talented, you can’t be considered number one in the He family, right?”

He teng nodded and said, “That’s right.”

“It’s said that you were chased by an expert later on. You were heavily injured and almost died. From then on, you became the number one person among the younger generation in the Central Plains, right?” Fang Yue continued to say.

Hearing this, an unnatural look flashed across he Teng’s face.

He waved his hand and said, “Sigh, people say that one can only comprehend dao techniques when one is in a life-and-death situation. Only after experiencing it did I know that this is true.”

“Also... I Met a good master. He was the one who taught me spells,” he teng said with a smile.

Fang yue smiled and said, “This can be considered a blessing in disguise.”

“Yeah,” he teng continued.

“By the way, there’s a friend of mine over there. I’ll go and Say Hello,” he teng stood up and said.

After saying that, he turned around and left.

It was obvious that he teng didn’t want to continue this topic.

After he left, Qin Yu looked at Fang Yue and said, “What did you mean by what you said just now?”

Fang Yue spread her hands and said, “Nothing much. I just saw that you were very interested in him.”

Qin Yu frowned and said, “You said that he experienced a serious injury before becoming the number one person in the Central Plains?”

“Yes.” Fang Yue nodded.

“At that time, even the pharmacist of the Divine Alchemist Pavilion announced the death penalty, but I didn’t expect that he would come back to life a few days later.”

“Oh?” The interest in Qin Yu’s eyes became more intense.

Fang Yue continued, “Not only that, after he woke up, his temperament changed drastically. From an arrogant and despotic person, he became gentle and refined.”

“Now, he has even been chosen as the next successor of the He family.”

These words had indeed given Qin Yu too much information.

Even the Medicine Master of the Divine Alchemist Pavilion had announced the death penalty. He had actually come back to life?

And his temperament had also changed drastically, becoming prosperous and prosperous?

“Could it be a possession?” Qin Yu suddenly thought of a possibility.

It was very possible!

If he teng had been possessed by someone, then everything would be explained.

“Did he tell you why he went to Brightheart Island this time?” Qin Yu asked.

Fang Yue shook her head and said, “He didn’t say anything. He just said that he was going to try his luck.”

“Try my luck... impossible.” Qin Yu took a deep breath.

As he was speaking, he teng walked back from not far away.

He said with a smile, “Brother Qin, Miss Fang, I went to the auction just now and thought it was a secular auction, but I didn’t expect to have an unexpected harvest.”

“Oh?” Qin Yu raised his eyebrows.

He Teng flipped his palm and saw a bead lying quietly in his hand.

This bead did not look much different from an ordinary night-luminescent bead, but there was a trace of extremely dense qi/spiritual energy on it.

“This is... an inner core?” Qin Yu’s pupils suddenly constricted.

He Teng said with some surprise, “Brother Qin, you also know about inner cores?”

“Yes, I swallowed one before. Speaking of which, I have to thank Miss Fang,” Qin Yu said as he glanced at Fang Yue.

Hearing this, he Teng’s expression was a little strange.

“The inner core that Miss Fang swallowed is a Spirit Pill,” he teng said, intentionally or unintentionally.

“Spirit Pill?” Qin Yu didn’t know anything about this term.

He teng nodded and said, “The inner core can only be used to increase cultivation, but the spirit pill... has the attributes of a demonic beast. For example, the Spirit Fox inner core that Miss Fang swallowed.”

Speaking up to this point, he teng looked at Qin Yu and asked, “What brother Qin swallowed, could it also be a spirit core?”

“Yes.” Qin Yu did not hide anything.

Hearing this, he Teng’s pupils suddenly constricted, and a hint of unspeakable meaning flashed through his eyes.

This gaze was extremely strange.. Although it was only a flash, it still could not escape Qin Yu’s eyes.

Chapter 440: Chapter 440, different tricks

Qin Yu felt that this strange gaze was a little strange.

But he didn’t care.

After all, in the Grandmaster realm, Qin Yu wasn’t afraid of anyone.

If he teng really had any bad thoughts, Qin Yu didn’t mind giving him a ride.

“Brother he, how much did you spend to buy this inner core?” Qin Yu pointed at the inner core in he Teng’s hand and asked.

He Teng said, “Those rich people don’t know the goods at all. They think this is a night pearl, so I spent 300,000 yuan to buy it.”

“Let’s not talk about it anymore. It will be close to three days before we arrive. I’m going into seclusion for three days,” he teng said while playing with the inner pellet.

Qin Yu nodded.

After he teng left, Qin Yu frowned slightly.

“Can you sense what he teng is thinking?” Qin Yu asked Fang Yue.

Fang Yue shook her head and said, “Unfortunately, I can’t do it. Every time I try to read his mind, I will be cut off by a strange force.”

To read his mind, he relied on his spiritual sense.

Obviously, he teng’s spiritual sense was above Fang Yue’s.

It was also above Qin Yu’s.

Fang Yue could read Qin Yu’s mind, but she couldn’t read he Teng’s mind.

“It seems that our thoughts coincide,” Fang Yue said calmly.

Qin Yu looked at Fang Yue and signaled for her to continue.

Fang Yue continued, “Before this, he teng and I had no connection. We didn’t even know each other.”

“He suddenly asked me to come to Brightheart Island. How could I not be suspicious?”

Qin Yu smiled and said, “Maybe he has taken a fancy to you.”

Fang Yue shook her head. He said with some solemnity, “This person’s spiritual sense is extremely powerful. It is far from what one can possess at this age.”

“So... I think.”

“Possession!”

The two of them said it almost at the same time!

Sure enough, Fang Yue had already expected it!

“Aren’t you afraid that he will kill you if you follow him to Brightheart Island?” Qin Yu said coldly.

Fang Yue smiled jokingly and said, “With brother Qin here, I believe that Brother Qin will protect me.”

Qin Yu narrowed his eyes and didn’t say anything.

Before this, Fang Yue didn’t know that Qin Yu would come, so how could she protect him?

There were only two reasons why Fang Yue dared to come.

Either she thought that he teng wouldn't do anything to her.

Or, she wasn't afraid of He Teng at all!

...

On the huge ship, there were only four warriors:

Qin Yu, Dongchuan King Meng Wuxiong, Fang Yue, and he teng who had gone into seclusion.

Other than that, they were all ordinary people.

“Don't these rich people have bodyguards?” Qin Yu muttered as he walked towards the auction.

As he spoke, Qin Yu arrived at the auction house.

He had wanted to try his luck, but unfortunately, the auction only happened once a day, and today's one and only event had already ended.

Helpless, Qin Yu could only come back tomorrow.

Following that, Qin Yu appeared to be bored to death.

He turned his gaze towards Dongchuan King Meng Wuxiong.

This person's experience was somewhat similar to He Teng's, but the difference was that Meng Wuxiong most likely did not possess him.

This was because it was impossible to create several martial grandmasters in a short period of time by possessing him.

Meng Wuxiong's lifestyle was no different from that of an ordinary person. That night, he ate and drank with a group of rich people and even got drunk.

The next day, Meng Wuxiong did not even get out of bed. It was enough to see how much alcohol he had drunk.

In the afternoon, it was the second auction.

Qin Yu naturally would not miss this auction.

He and old Mister Yan arrived at the entrance of the auction early in the morning and waited for them to enter.

“There are so many people.” Looking at the Sea of people at the entrance, Qin Yu couldn't help but sigh.

Old Mister Yan said indifferently, “No one can abandon their nature of liking gambling and picking up scraps. It's the same for rich people.”

“Yeah, people like gambling and greed.” Qin Yu sighed.

As they spoke, the door of the auction finally opened.

“Let's go in,” old Mister Yan said.

Qin Yu nodded and the two of them walked into the auction together.

After finding a place to sit down, Qin Yu's eyes scanned the surroundings.

Sure enough, there wasn't a single martial artist.

“These people are all worth quite a lot. Be careful when bidding,” old Mister Yan reminded.

Qin Yu nodded and said, “Don’t worry. Since I’m here to pick up scraps, I naturally won’t bid too high.”

Old Mister Yan nodded slightly and didn’t say anything else.

Then, the two of them sat there and quietly waited for the auction to begin.

After about half an hour, the auction finally began.

Although this was an auction on a cruise ship, the scale was beyond imagination.

It was not because of anything else, but because this cruise ship was full of rich people!

It was said that this auction had spent a huge amount of money in order to be able to enter the cruise ship!

Their spending power far exceeded that of ordinary people, and the auction happened to be their match.

The first auction item was a cultural relic from the previous dynasty, and it was finally bought at a price of three million.

The second was an antique from a hundred years ago, and the price was more than ten million.

The third item, the fourth item, the fifth item...

There were dozens of them in a row, and almost every one of them was an artifact from the secular world.

As for the inner core that Qin Yu wanted, he hadn't seen a single one.

“It seems that this inner core isn't as common as I thought,” Qin Yu thought to himself.

Qin Yu couldn't help but sigh. He Teng's luck was really good.

“The next item to be auctioned is a rockery. This rockery isn't simple. It's said to be taken from the land of the dragon's vein. Not only can it attract wealth, but it can also change luck.”

At this moment, the host on the stage took out a rockery the size of a wheel.

The rockery looked rather exquisite, but it didn't look like a modern artifact. Instead, it looked like it was made naturally, a work of God.

“According to the expert's investigation, the previous owner of this rockery was the richest man in the area, and the previous owner was even a high-ranking official in the current dynasty! In the past few years, each and every one of them is a dragon and Phoenix among men!” The host shouted.

As soon as these words were said, the scene immediately went into an uproar.

For a moment, everyone was filled with interest towards this rockery.

“Aren't they afraid that this is a scam of the auction?” Qin Yu could not help but ask when he saw the situation.

Old Mister Yan said indifferently, “Many people think that only the poor are deceived. In fact, it’s not the case. The rich are also deceived. It’s just that the method of deception is different.”

“For the poor, a piece of shit can be sold as long as it is wrapped in a bright and beautiful shell.”

“What about the rich?” Qin Yu asked.

Old Mister Yan said indifferently, “For the rich, they just need to find a few experts and famous people to brag about this piece of shit, and then give him a bunch of unknown history.”

“For example... it’s enough to say that this piece of shit was pulled by a certain saint,” old Mister Yan said indifferently.

Qin Yu couldn’t help but laugh when he heard that. He almost laughed out loud.

“Old Mister Yan, you’ve reminded me.” The corners of Qin Yu’s mouth couldn’t help but curl up into a strange smile.

Perhaps.... he could ruthlessly deceive this group of rich people once!

Chapter 441: Chapter 441, the power of the Divine Dragon

A hint of craftiness flashed across Qin Yu’s eyes.

A plan surfaced in his heart.

Up ahead, the host was still shouting loudly about the rockery.

Qin Yu’s eyes were also fixed on the rockery.

“Why? Are you interested in this rockery too?” Old Mister Yan asked.

Qin Yu glanced at Old Mister Yan and said, “This isn’t an ordinary rockery.”

“Oh?” Old Mister Yan raised his eyebrows and signaled Qin Yu to continue.

Qin Yu narrowed his eyes and said, “If I’m not wrong, this is probably a magic weapon.”

And it was not an ordinary magic weapon.

In other words, what the host said just now was not fake.

“The starting price is 100 million!” The host shouted.

Such a high price scared many people away.

However, this was sea city after all, and there were countless rich people here.

100 million for good luck was worth it for the rich.

The price rose all the way, and in the blink of an eye, it went from 100 million to 1 billion.

Countless people started to retreat. After all, 1 billion was not a small amount to anyone.

“1.1 billion.” Qin Yu stretched out his hand and shouted.

Everyone’s gaze immediately turned towards Qin Yu.

They felt that this young face was rather unfamiliar to them.

“2 billion.” At this moment, a big-bellied rich man stretched out his hand.

Everyone couldn't help but suck in a breath of cold air.

2 billion ?

Qin Yu's brows also furrowed slightly.

Qin Yu really couldn't afford two billion.

But this rockery... Was a spiritual artifact, and not an ordinary spiritual artifact!

The increase in strength, in addition to one's own realm, external weapons were also important.

And a qualified spiritual artifact could increase one's strength by a level!

“You really want this rockery ?” Old Mister Yan asked.

Qin Yu explained, “If I'm not mistaken, this is probably an earth grade high-grade spiritual artifact.”

Earth grade high-grade spiritual artifact!

It was only a step away from the Heaven Grade!

And the heaven grade had not appeared in the world for a long time. An earth grade high-grade spiritual artifact was enough to shake the whole country!

“What, you’re not bidding anymore?” The big-bellied man in the front row said indifferently.

Qin Yu didn’t say anything, as if he was weighing the pros and cons in his heart.

“If you want it, just bid,” old Mister Yan said.

Qin Yu shook his head and said, “No, I can’t show too much enthusiasm.”

After all, Qin Yu wasn’t the only martial artist on this cruise ship.

If he attracted Meng Wuxiong or he teng, it wouldn’t be worth it.

“Do you have the ability to challenge me? An unknown kid.” The big-bellied man snorted.

“He seems to be that martial artist called Qin Yu.” Someone recognized Qin Yu.

“Oh, so he is a martial artist. Such a character is only fit to be my bodyguard.” The big-bellied man said with some contempt.

“Kid, how did you get in?” The big-bellied man stood up and said to Qin Yu.

Qin Yu ignored him and said indifferently, “My luck has been bad recently, so I wanted to use this opportunity to change my luck. Since you are interested, I will give up.”

The big-bellied man snorted and said, “At least you know your place!”

Qin Yu didn’t say anything more. He pulled old Mister Yan and said, “Let’s go.”

After leaving the auction, old Mister Yan asked in a deep voice, “What do you plan to do?”

Qin Yu thought for a moment and said coldly, “If it’s possible... kill people and steal their goods.”

Brightheart island was very far from sea city.

Killing people there would not be noticed.

Of course, this was a helpless move. If there was another way, Qin Yu would naturally not choose to get rid of the big-bellied man.

...

In one of the private rooms on the cruise ship.

The entire private room was pitch black.

A young man was sitting cross-legged on the bed. His eyes were flickering with a demonic light. At a glance, it was extremely terrifying.

This young man was none other than the number one person among the young generation of the Central Plains, he teng!

“Dragon Spirit... I must not miss it...”an extremely strange voice was emitted from He Teng’s body.

This voice was slightly hoarse, as if it came from hell!

He Teng opened his mouth slightly and said coldly, “If I get the dragon spirit, I can step into the half-step Martial Marquis Realm?”

“That’s right... I can even let you step into the true martial Marquis Realm!”That hoarse voice sounded again!

A trace of madness flashed in He Teng’s eyes!

The True Martial Marquis Realm!

After stepping into this realm, what Bullsh * t aristocratic families were not even worth mentioning!

At that time, who else in the world would be to be feared?

“That kid called Qin Yu... Won’t mess things up, right?”The hoarse voice asked coldly.

He teng lightly snorted, “Not to mention that he’s already crippled, even if he’s not crippled, I can still kill him.”

“Moreover... he also swallowed spirit pills.”He Teng changed the topic.

Hearing this, the hoarse voice sneered, “Two spirit pills... will definitely draw out the Dragon Spirit.”

“Just wait and see,” he teng said with narrowed eyes.

“When I get the Dragon Spirit, I want everyone on this ship to bow down to me!”

...

The oil tanker slowly sailed on the sea.

Three days later, they finally arrived at Brighthouse Island.

Brighthouse island was very large, and the scenery was pure natural.

Although there weren't many entertainment facilities, it made people feel extremely comfortable.

“What's with this comfortable feeling?” Qin Yu couldn't help but frown.

Qin Yu carefully felt it. It wasn't Qi/spiritual energy, but rather... An extremely sacred internal Qi.

Qin Yu tried to absorb this internal Qi, but he found that this internal Qi was incompatible with his physical body and couldn't be absorbed into his body at all.

“It's really strange.” Fang Yue nodded slightly beside him.

Qin Yu glanced at Fang Yue and said, “You also felt it?”

Fang Yue nodded and said, “Yes.”

“Brother Qin, Miss Fang, What's Wrong?” At this moment, he teng walked over.

Qin Yu shook his head and said, “Nothing.”

He teng chuckled and said, “There has always been a legend on Brightheart Island. I don’t know if you two have heard of it.”

Qin Yu looked at He Teng and waited for him to continue.

He Teng said faintly, “It is said that there was a real divine dragon on Brightheart Island back then, and this divine dragon unfortunately died. Its body turned into a small island, which is now Brightheart Island.”

“Legend has it that as long as you comprehend dao on Brightheart Island, you will be invincible in the world.”

“More importantly, the dragon spirit of the divine dragon is left here.. The person who obtains the dragon spirit will have the power of the Divine Dragon.”

Chapter 442: Chapter 442, facing He Teng!

“The power of the Divine Dragon, that’s a true sacred object.” He Teng’s tone began to become a little unnatural.

The greed in his voice was almost unconcealed.

Qin Yu frowned and asked, “What do you want to say?”

He Teng Glanced at Qin Yu and Fang Yue and sneered, “Do you know why I invited Fang Yue?”

Qin Yu frowned and said, “How would I know?”

He teng laughed and said, “Because if you want to get the Dragon Spirit, you have to use spirit pills to summon the Dragon Spirit!”

“But I never thought that you had also swallowed spirit pills!”

“The heavens are really helping me, the heavens are helping me!”

He Teng laughed crazily, and his posture was no longer elegant!

Qin Yu subconsciously pulled Fang Yue to his side, and then said coldly, “What do you want to Do?”

He Teng narrowed his eyes and said, “I said, I’ll use the two of you to summon the Dragon Spirit! This is the meaning of your existence, and this is the reason why you can come here!”

The murderous aura on he Teng’s body became more and more intense, and his eyes began to turn scarlet!

After sensing the murderous aura on his body, Qin Yu’s internal Qi also began to rise rapidly.

“Do you think that you alone are a match for the two of us?” Qin Yu sneered.

“Hahaha, let’s not talk about whether I can kill the two of you first. The key is... I don’t need to do anything at all!” He Teng said coldly.

As soon as he said that, he teng’s mouth started to mumble, as if he was chanting some kind of spell.

“Ah!”

As he Teng's mouth moved, Fang Yue suddenly let out a soft cry, and her body immediately softened.

She fell to the ground and her delicate body kept twitching. Streams of pink aura floated out from her dantian.

“Fang Yue!” Qin Yu's expression immediately changed! Then, he clenched his fist and threw a punch at he teng!

He Teng's feet shook and he hurriedly dodged to the side.

“What's going on? Why isn't this spell working on him?” He Teng frowned.

Qin Yu looked at he teng coldly and shouted, “I knew you didn't have good intentions. I didn't expect you to be so impatient as soon as we arrived at Brighthouse Island.”

He Teng ignored Qin Yu. He opened his mouth slightly and began to chant the spell again.

Unfortunately, Qin Yu was not affected at all! Instead, he clenched his fist and rushed over!

“Damn, could it be that this kid didn't swallow the spirit pill at all?” He Teng couldn't help but curse in his mind.

“Kill him first. Don't let him spoil our plans.” That hoarse voice sounded in he Teng's mind.

He Teng nodded. He dodged Qin Yu's punch and then said coldly, “Since the incantation is useless against you, then you have lost your value... Go to hell!”

As he spoke, the internal Qi on he Teng's body suddenly soared!

This internal Qi was rapidly rising. In a short period of time, it had even surpassed the peak of the Martial Grandmaster realm. It was only a hair's breadth away from the half-step martial Marquis Realm!

“As expected of the number one person among the younger generation of the Central Plains.” Qin Yu sneered.

“Let me experience what you, the number one person, have!”

Qin Yu's entire body burst out with golden light. His fist was like a round sun as it streaked across the sky and ruthlessly smashed toward he teng!

He Teng did not dare to be negligent. He opened his mouth slightly, and a ray of black gas that was like a jujube core shot towards Qin Yu!

“Clang!”

The black gas and Qin Yu's fist collided together. In an instant, the force on Qin Yu's fist vanished into thin air!

“What technique is this?” Qin Yu frowned slightly.

Before he could regain his senses, he teng had already stepped forward!

“Azure Flame Dragon Axe!”

He Teng roared, and an icy blue axe immediately came crushing towards Qin Yu!

“Absolute beginning Sacred Fist!”

Qin Yu roared, and golden light rose up again, facing this icy blue light head-on!

“Boom!”

At the instant of contact, that icy blue light suddenly exploded!

Immediately after, these rays of light directly stuck onto Qin Yu's body!

“Kacha!”

The moment the Rays of light attached themselves to Qin Yu's body, they instantly tightened. Qin Yu's body was rapidly frozen, and in the blink of an eye, he had actually turned into an ice sculpture!

Such a scene naturally attracted the attention of countless people.

“What are you martial artists doing! Who told you to fight!”The big-bellied man cursed.

He Teng glanced at him, and then slapped him.

The big-bellied man was immediately sent flying and spat out a mouthful of blood.

“Meng wuxiong, you can move now!”He Teng said coldly.

As soon as he said that, a strong figure descended from the sky.

It was none other than the king of Dongchuan, Meng Wuxiong!

Meng wuxiong sized up the group of rich men and then rubbed his fists and said, “Sorry, you were kidnapped.”

“Wh... what? Mr. Meng, you must be joking...”the group of tycoons immediately panicked.

“This is a society ruled by law, you... Don’t mess around!”

Meng wuxiong grinned and sneered. He suddenly waved his large palm and smashed a head into pieces.

Seeing the corpses on the ground, the faces of the group of tycoons instantly turned pale.

“All of you kneel on the ground!”Meng wuxiong roared angrily.

Facing death, the rich men no longer looked arrogant.

All of them knelt on the ground trembling, not daring to say a word.

Then, Meng wuxiong walked to He Teng’s side and frowned, “He teng, these people are just a bunch of trash. Why don’t we kill them all and throw them into the sea?”

He Teng glanced at Meng wuxiong and said coldly, “They are useful to me.”

Seeing this, Meng Wuxiong didn’t say anything more.

“Kill that kid so that he won’t ruin my plans.”He Teng pointed at Qin Yu, who had been frozen into an ice sculpture.

Meng Wuxiong rubbed his fist and said, “Okay, I got it.”

Then, Meng wuxiong walked toward Qin Yu.

“TSK TSK, I heard that you are the king of Chuzhou and I am the king of Dongchuan. I really want to see what you can do.” Meng Wuxiong said indifferently.

“But unfortunately, you no longer have the chance.” A trace of viciousness flashed across Meng Wuxiong’s face.

In the next second, he clenched his fist and ruthlessly smashed it at Qin Yu!

“Crack!”

However, at this moment, a crack suddenly appeared on the ice sculpture!

“Boom!”

Immediately after, the ice sculpture directly exploded!

Golden Light shot in all directions from Qin Yu. Even his hair was shining with a brilliant golden light!

“If you want to fight, I can satisfy you,” Qin Yu said coldly as he looked at Meng wuxiong.

Not far away, he TENG’s expression could not help but change.

“He actually broke it open?” He Teng said with a frown.

“Meng Wuxiong, kill him.”

Chapter 443: Chapter 443, the Venerable Mountain of the Five Peaks!

Meng Wuxiong rubbed his fists and sneered, “I want to see what kind of person this person who dares to challenge the Yan family is.”

Qin Yu frowned.

Facing he teng, Qin Yu was a little exhausted.

With Meng wuxiong, it would be very difficult to win.

“Didn’t your Dantian get crippled and become a cripple?” Meng Wuxiong teased.

Qin Yu’s attention was not on Meng Wuxiong at all.

His eyes were fixed on he teng.

He Teng chanted a spell silently while Fang Yue’s body trembled more and more severely.

“He Teng, Stop!”

Qin Yu roared angrily and rushed towards he teng with large strides!

“Buzz!”

However, at this moment, a golden light flashed around Qin Yu.

This golden light was like a barrier, blocking Qin Yu’s path.

“Ignore me?” Meng Wuxiong raised his eyebrows and said.

Qin Yu looked at Meng wuxiong coldly and said, “You are not my match. Get lost quickly!”

“Whether it is true or not, we will know after we fight!” Meng Wuxiong Roared, then clenched his fist and came over!

This person was extremely strong, and the strength of his fist was extremely great!

Qin Yu did not dare to be negligent, and could only raise his fist to receive it.

In the blink of an eye, the two sides had already exchanged dozens of moves.

And Qin Yu’s mind was not on Meng Wuxiong at all. Therefore, his chest was fiercely smashed by Meng Wuxiong’s fist, and his body flew back several meters.

“Hehe, it seems that your title as the king of Chuzhou is just an empty title.” Meng wuxiong sneered.

Qin Yu stood up from the ground, rubbed his chest, and then sneered, “I was wondering why you and he Teng’s experiences are so similar. There is indeed a myriad of connections between the two of you.”

“Hehe, so what?” Meng Wuxiong said indifferently.

“You’re a dead man. What’s the use of knowing so much?”

Qin Yu sized up Meng Wuxiong and said, “I’m giving you one last chance. Get Lost Right Now!”

“Giving me a chance? You Think You’re Worthy? I’ll kill you, the King of Chuzhou, today!” Meng Wuxiong roared and rushed over again!

Qin Yu was extremely annoyed. His internal Qi soared in an instant, and his physical body became indestructible!

The Golden Fist had the power to destroy everything in its path. The ground beneath his feet shrank into an inch, and he instantly arrived in front of Meng Wuxiong.

“Boom!”

This punch used almost 100% of its strength, and the fist directly pierced through Meng Wuxiong’s chest and stuck out from his back!

“Pu!”

A mouthful of fresh blood was spat out from Meng Wuxiong’s mouth!

The surrounding golden light also began to slowly disappear.

Qin Yu did not dare to waste any more time. He once again used shrinking earth into an inch and quickly arrived in front of He Teng!

“Clang!”

Qin Yu’s fist smashed out, but it seemed to have smashed into steel!

At a glance, he saw a brown pot suspended in front of he teng.

This flask emitted an aged internal Qi, and the energy that erupted from it even blocked Qin Yu’s fist.

“Spiritual artifact?” Qin Yu’s expression changed slightly.

He Teng slowly stood up from the ground.

He looked coldly at Qin Yu and said, “You’re really annoying. It seems that you won’t stop until I kill you.”

“Ah! ! !”

At this moment, a series of roars came from behind him!

Turning around, he saw Meng Wuxiong’s figure begin to expand!

His height, which was already 1.8 meters, had increased to more than two meters at this moment!

All the muscles on his body bulged, and every inch of his muscles was covered by a sparkling light.

What was even more shocking was that there was a spiritual artifact hanging above his head!

“Another spiritual artifact.” Qin Yu sucked in a breath of cold air.

Spiritual artifacts were originally difficult to find, but these two people actually had one each!

What kind of foundation was this? !

“Qin Yu, you’ve Angered Me!” Meng Wuxiong’s mouth emitted waves of roars, and his entire person was like a wild beast!

He Teng put his hands behind his back and said coldly, “Attack together and kill him!”

“Whoosh!”

After his transformation, Meng Wuxiong's speed and strength had increased by a lot!

Most importantly, the spiritual artifact above his head seemed to have a powerful penetrating force!

Qin Yu threw a punch and felt the force penetrate his body, directly hitting his internal organs!

“Puff!”

In just three moves, Qin Yu couldn't take it anymore.

This powerful penetrating force almost stirred the internal Qi in his dantian, making it extremely chaotic!

Qin Yu took a deep breath. He stared at the magic weapon above Meng Wuxiong's head and said in a low voice, “This force must come from the magic weapon.”

As long as that magic weapon was broken, then Meng Wuxiong was not worth mentioning!

Thinking of this, Qin Yu immediately used the shrinking earth into an inch and rushed toward the top of Meng Wuxiong's head!

“Bang!”

But at this moment, he teng made his move!

A Ray of light shot out from the earthen pot hanging above his head and directly interrupted Qin Yu's path!

“It’s useless,” he teng said indifferently with his hands behind his back.

Qin Yu’s face was somewhat solemn.

At this moment, he was being attacked from both sides, and the two spiritual artifacts gave Qin Yu a great headache.

“Buzz!”

Qin Yu’s palm shook, and the bronze sword was in his hand.

“Not a bad weapon,” he teng said indifferently as he looked at the bronze sword in Qin Yu’s hand.

Qin Yu didn’t say anything. His internal Qi surged, and he raised his hand to perform the nine absolute beginning slashes!

The half-foot-wide sword light seemed to come from the horizon!

The terrifying sword Qi made the brightheart island tremble slightly!

“I told you, it’s useless!” He Teng’s face turned cold, and his eyes became extremely cold.

The earthen pot hanging above his head actually emitted wisps of white qi.

The White Qi flowed backward and covered he teng’s entire body, covering his face.

At a glance, he looked like an immortal who had descended to the mortal world!

Clang

The loud sound caused huge waves on the surface of the sea!

However, the seemingly leisurely internal Qi on the earthen pot easily blocked the first slash of the absolute beginning nine slashes!

Qin Yu's expression instantly changed drastically!

This was a heaven rank cultivation technique, yet it was actually ineffective? !

“Boom!”

Just as Qin Yu was shocked, Meng Wuxiong attacked once again!

The spiritual artifact above his head flickered with light, and the terrifying internal Qi transformed into a huge ball of light, ruthlessly smashing into Qin Yu's chest!

“Dong!”

Under the attack of the spiritual artifact, Qin Yu's body instantly retreated, smashing fiercely into the center of the group of rich people!

“Pu!”

Several of Qin Yu's sternum had been broken, and his mouth was bleeding profusely. It was a tragic sight.

“You can't die, if you die, what will we do...”

“Hurry up and stand up, go fight with them!”

“As a martial artist, you should protect us!”The big-bellied man shouted sternly.

Hearing the big-bellied man’s voice, Qin Yu’s eyes flashed with a sharp light!

He hurriedly looked at the big-bellied man and said, “Give me that Rockery!”

The big-bellied man shrank back and muttered, “What Time is it? You’re still thinking about my rockery...”

“Cut the crap and give it to me!”Qin Yu roared angrily.

With a roar, the big-bellied man was so scared that he trembled.

He reluctantly took out the rockery and whispered, “Let me tell you, it’s not right to steal things...”

Qin Yu was not in the mood to listen to his nonsense. He held the rockery in his hand and used his inner strength. A trace of blood essence immediately flew out from between Qin Yu’s eyebrows.

Under Qin Yu’s control, this trace of blood essence landed on the fake mountain.

“Crash...”

The moment the blood essence landed on the fake mountain, it actually began to fall off! Pieces of broken rocks fell down from the fake mountain one after another!

In just a few seconds, this fake mountain had changed its appearance!

And after the fake mountain fell off, it was shockingly in the shape of a small Mount Tai!

“This is.... The Venerable Mountain of the Five Mountains?” Qin Yu’s pupils suddenly constricted, and a strong sense of excitement flashed across his face!

Chapter 444: Chapter 444, the birth of the Dragon Spirit!

Looking at the artificial mountain that had transformed into Mount Tai in front of them, everyone sucked in a breath of cold air!

“This artificial mountain looks so familiar.”

“I feel like I’ve seen it somewhere before.”

“I remember now! Isn’t this Mount Tai? ! I’ve even climbed it before!”

Everyone discussed animatedly, their eyes filled with disbelief!

As for the man with the Big Belly, he regretted not falling! He kept saying, “You have to return this rockery to me!”

Qin Yu glanced at him, not saying a word.

Returning such a sacred object to him? This was simply a dream!

Although Qin Yu did not know what kind of strength this mountain of the five peaks could display, even a fool knew what it meant.

Qin Yu tried to use his internal Qi to activate the artificial mountain. As expected, streams of ancient aura spread out from the mountain.

“It’s indeed a magic artifact! It’s probably more powerful than I imagined!”Qin Yu said while holding back his excitement!

With a thought, the mountain came to Qin Yu’s head.

Streams of internal Qi spread out from the mountain.

The internal Qi was like a waterfall, enveloping Qin Yu from the top down!

“We are both magic artifacts. Let Me See whose magic artifact is stronger,”Qin Yu said coldly to he teng who was not far away.

He Teng frowned slightly.

He was not a fool. He could naturally tell that the magic artifact on Qin Yu’s head was extraordinary.

“Meng Wuxiong! Stop Him! I’m going to summon the Dragon Spirit!”He Teng shouted.

Meng Wuxiong rubbed his fist and grinned. “No problem. Leave it to me.”

As he spoke, Meng Wuxiong had already walked towards Qin Yu.

The magic weapon above his head was shining brilliantly.

Qin Yu, on the other hand, closed his eyes and felt the power from the five mountains.

Under the cover of the Five Mountains, Qin Yu felt that his entire body was as hard as a mountain rock!

In his body, there was an endless amount of power!

“Playing tricks, Kid, watch me blow your head off with one punch!” Meng wuxiong roared angrily.

With that said, he raised the magic weapon above his head and stepped on the ground. Suddenly, the sword rushed towards Qin Yu!

The huge force stirred up a violent wind!

The entire ground was lifted several feet by this force!

Qin Yu’s expression was calm, as if he was an immortal.

Just as Meng Wuxiong’s fist was about to smash into his face, Qin Yu suddenly raised his fist!

Golden Light instantly blotted out the sky and covered the Sun!

And above Qin Yu’s head, the Venerable Mountain of the five mountains flickered with rays of light!

“Boom!”

The two fists collided, as if a battle between heaven and earth!

The huge impact force directly sent the group of rich people flying!

“Crack!”

A layer of cracks appeared on the ground beneath Qin Yu’s feet, and his body sank a few feet into the ground!

“Weng!”

At this moment, the spiritual artifact above Qin Yu’s head unleashed its power!

An ancient and simple internal Qi poured into Qin Yu’s body, and the light on his fists suddenly soared by dozens of degrees!

“Boom!”

Under this enormous force, Meng Wuxiong was like a kite with a broken string, directly flying backwards!

His huge body smashed into the ground! A huge pit with a diameter of a few meters was created!

On the other hand, Qin Yu was almost unharmed under the protection of the spiritual artifact!

“As expected of the Supreme Mountain of the Five Mountains.” Qin Yu licked his lips slightly, and a trace of excitement flashed in his eyes.

No one had expected that they would pick up such a treasure on this rich cruise ship!

“Swoosh!”

At this moment, Meng Wuxiong flew out of the huge pit!

His eyes were wide open like copper bells, and the muscles all over his body were trembling slightly!

“Qin Yu! I’m going to kill you! !”Meng Wuxiong raised his head and roared, and the spiritual artifact above his head also began to tremble!

A terrifying power was surging into his body!

An ominous feeling spread over this Brightheart Island!

“Go to hell!”

Accompanied by Meng Wuxiong’s angry roar, the spiritual artifact above his head suddenly floated over!

A powerful force, with a suppressive force, ruthlessly smashed toward Qin Yu!

Qin Yu clenched his fists and faced it head-on!

“Dang!”

This was a collision between a physical body and a spiritual artifact!

Qin Yu’s physical body also borrowed the power of the magic tool!

Qin Yu, who already had an unparalleled physical body, was now unleashing an unimaginable power!

“Clang!”

Another punch!

Meng Wuxiong’s magic tool began to tremble and could no longer get any closer!

“Clang!”

Under the third punch, cracks began to appear on Meng Wuxiong's magic tool!

“Crack!”

In the blink of an eye, the magic artifact let out a crisp sound and turned into ashes!

The scene was silent.

Everyone couldn't help but suck in a breath of cold air.

What kind of power was this? ? ! It actually shattered a magic artifact with three punches ? ! !

“It seems that your magic artifact isn't very good.” Qin Yu sneered.

Meng Wuxiong's expression was extremely ugly. His huge body was like a deflated rubber ball, slowly returning to its original state.

“How... how is this possible!” A trace of anger and fear flashed in Meng Wuxiong's eyes!

Qin Yu looked coldly at Meng wuxiong and said, “Without the support of the magical artifact, how can you fight with me? I'll kill you like chopping melons and vegetables!”

As he spoke, Qin Yu walked step by step towards Meng Wuxiong.

A trace of fear flashed in Meng Wuxiong's eyes. He hurriedly looked at he teng and shouted, “He Teng, save me!”

However, he Teng's eyes were slightly closed at this moment. He was concentrating on summoning the dragon spirit!

It was rumored that the strength of a person who obtained the dragon spirit would undergo an earth-shaking change!

In comparison, how could he teng care about the life and death of Meng Wuxiong!

Numerous incantations were spat out from He Teng's mouth.

Fang Yue, who was lying on the ground, was already unconscious.

Qin Yu's expression changed. He looked at he teng and said coldly, "I won't let you get away with it!"

After saying that, Qin Yu took large strides towards he teng!

"Qin Yu, it's already too late!" He Teng roared with a hint of madness.

"Dragon Spirit, Rise!"

Along with He Teng's furious roar, the entire sea surface seemed to boil as it began to roll!

"Tsunami: Tsunami!" The group of rich people were so frightened that their faces turned pale as they fled with all their might!

Qin Yu stared at the churning surface of the sea with an ugly expression on his face.

Rays of light shot out from the bottom of the sea!

The golden rays of light lit up the entire surface of the sea!

“Splash!”

The surface of the sea kept churning as if something was about to come out.

“Dragon Spirit... Dragon Spirit!” He Teng seemed to have gone mad as he stared at that Ray of light!

Finally, a loud sound came from the surface of the sea!

Then, a huge light floated up from the surface of the sea!

“Dragon Spirit, I’ve finally found you! ! !” He Teng roared crazily! Then, he took a step forward and rushed towards the dragon spirit!

Qin Yu narrowed his eyes and sneered, “I’m sorry, this Dragon Spirit is mine!”

Chapter 445: Chapter 445, Devouring the Dragon Spirit!

The two of them shot towards the dragon spirit!

He Teng’s expression changed drastically as he roared, “Qin Yu, how Dare You!”

“Why wouldn’t I Dare! Those who see it will get a share!” Qin Yu sneered.

Who wouldn’t be tempted by such an unworldly holy item! !

He teng gritted his teeth and chanted an incantation silently. Streams of strange power shot towards Qin Yu!

This power seemed to be able to affect one's spiritual sense. Qin Yu felt his head buzz and almost fell to the ground!

In just an instant, the distance between he teng and Qin Yu had widened!

“Hmph, I'm definitely going to take this dragon spirit!” Qin Yu said coldly.

In the next second, Qin Yu directly used shrinking earth into an inch and charged towards the dragon spirit!

He Teng's face was extremely pale! He had put in a lot of effort for this dragon spirit. If it was snatched away by Qin Yu just like that, it would be worse than death!

“You're courting death!” He Teng said furiously!

He immediately activated the magic artifact above his head and shot towards Qin Yu explosively!

A level of barrier was formed in front of Qin Yu once again!

“This move again?” Qin Yu sneered repeatedly.

“We're both hanging magic artifacts. Do you think this spell can stop me? !”

Qin Yu roared and threw out his golden fist!

“Crack!”

The barrier shattered and turned into nothingness!

Qin Yu's body shot out again and headed straight for the Dragon Spirit!

He Teng's speed was obviously not as fast as Qin Yu's shrinking earth.

This immediately made him panic and sweat profusely!

“Qin Yu, you are courting death!” He Teng acted as if he had gone mad and directly activated his spiritual artifact to suppress Qin Yu!

The Earth flask carried a suppressive force as it slowly floated over.

Qin Yu felt as if there was a huge mountain above his head, and his entire body was about to be pressed into the ground!

“You have a magic weapon, so do I!” Qin Yu snorted coldly.

Following that, he activated the mountain of the five peaks and directly pushed back the Earth flask!

Not only that, Qin Yu even threw the mountain of the five peaks towards he teng to suppress it!

Qin Yu's magic weapon was obviously better.

The Five Mountains'revered mountain was infinitely enlarged above he Teng's head, and then it ruthlessly pressed down on he teng.

“Boom!”

Facing the suppression of the Five Mountains'revered mountain, he teng had no strength to retaliate!

Finally, his body was ruthlessly suppressed to the ground!

“Whoosh!”

Qin Yu took this opportunity to stride out and grab the dragon spirit in his hand!

The Dragon Spirit in Qin Yu’s palm flickered with a faint golden light. At a glance, it didn’t seem to be much different from an ordinary golden core.

“This is the Dragon Spirit?” Qin Yu sized up the dragon spirit, and a trace of excitement flashed in his eyes.

He Teng was completely flustered. he shouted desperately, “Qin Yu! Give me the Dragon Spirit!”

Qin Yu glanced at he teng and sneered, “Give it to you? Why should I give it to you?”

He Teng said in a panic, “Qin Yu, as long as you give me the Dragon Spirit, I can give you everything I have! This dragon spirit is very important to me, you... you must return it to me!”

“What do you mean by return it to you?” Qin Yu sneered.

“This dragon spirit is originally an item of heaven and earth. Whoever gets it will get it. Now that it is in my hands, it is mine.”

“You!” He Teng was so angry that he almost vomited blood!

He never thought that after working so hard for so long, he would actually be able to help someone else!

“Qin Yu, you don’t know how to use this dragon spirit.” He Teng suppressed the anger in his heart and said slowly.

“As long as you return the Dragon Spirit to me, I can give you a 10,000-year-old herb!”

“10,000-year-old?” Qin Yu raised his eyebrows.

Then, he whispered, “This is quite an attractive condition...”

He Teng suddenly felt that there was a chance. He was delighted and struck while the iron was hot. “Yes! This dragon spirit is useless in your hands. Isn’t it good to exchange it for a 10,000-year-old herb?”

“Useless?” Qin Yu raised his eyebrows.

He sized up He Teng and said indifferently, “Do you think I’m an idiot? I think you told me that as long as I get the dragon spirit, I can obtain the power of the Divine Dragon, right?”

Hearing this, He Teng even had the thought of eating SH * t!

If he had known this would happen, why would he have said such a mean thing in the first place!

“That... that was all my nonsense! Hurry up and give me the Dragon Spirit!” He Teng almost roared out these words.

How could he let it fly when it was already cooked?

Qin Yu shook his head and said, “I’m sorry, this Dragon Spirit is mine.”

After saying that, Qin Yu opened his mouth and put it into his mouth.

He teng hurriedly shouted, “I’m telling you, this dragon spirit can not be swallowed! It’s useless to swallow it!”

Qin Yu did not believe his bullsh * t at all. He directly swallowed the dragon spirit into his stomach.

Looking at the dragon spirit that was swallowed into his stomach, he Teng’s face instantly turned extremely pale, as if he had been drained of all his strength.

“Ah! !”

Qin Yu, who had swallowed the dragon spirit, could only feel a trace of heat flowing through his dantian, as if it was about to explode!

His entire body was enveloped by rays of golden light, and his physical body was trembling non-stop!

A terrifying power surrounded him, creating an extremely powerful storm!

If one listened carefully, one could even hear faint dragon roars!

He Teng’s face was pale, and his entire face was almost distorted.

“Let’s go. You’re no match for him.” That hoarse voice sounded in his mind.

He Teng gritted his teeth and took out another magic tool.

Then, he teng looked at Meng wuxiong and said, “Let’s go.”

Meng Wuxiong hurriedly walked over and saw a pitch-black void in front of them.

In the next second, he teng actually disappeared.

Qin Yu's body was still trembling non-stop, and wisps of flame-like color appeared between his brows.

The terrifying power began to slowly converge and condense, finally sinking into the Dantian.

This dragon spirit floated in the air above the Dantian, emitting wisps of pure Qi/spiritual energy.

“Hiss!”

Qin Yu sucked in a breath of cold air, and his eyes suddenly opened!

His eyes turned fiery red, and the power of the Divine Dragon slowly flowed in his body.

Qin Yu's mind moved, and the fiery red in his eyes slowly disappeared, and his entire person returned to his normal state.

“This is the power of the Divine Dragon?” Qin Yu lowered his head to feel the power in his body, and a trace of madness flashed across his face!

He even felt that with the power of the Divine Dragon, he could fight against a half-step martial marquis!

Then, Qin Yu summoned the power of the Divine Dragon again.

His eyes also turned fiery red.

“As long as I summon the power of the Divine Dragon, my eyes can feel a different power,” Qin Yu thought to himself.

“Speaking of which, I really have to thank he teng...” Qin Yu sneered.

At this moment, Qin Yu suddenly saw Fang Yue lying on the ground motionlessly.

He hurriedly walked in front of Fang Yue and helped her up.

“Fang Yue, are... are you okay?” Qin Yu called out softly.

But unfortunately, Fang Yue didn't answer.

Chapter 446: Chapter 446, half-step Martial Marquis

Qin Yu tried to sense Fang Yue's internal qi, but her internal Qi was extremely weak.

Although it was not fatal, it would be difficult to think about it in a short period of time.

Then, Qin Yu tried to transfer the Qi/spiritual energy to Fang Yue, but it was still useless.

“What's going on?” Qin Yu frowned.

He had never seen such a situation and was at a loss for a moment.

“Qin Yu, are you hurt?”

At this moment, old Mister Yan walked over from not far away.

Qin Yu nodded and said, “I’m fine, but I’m afraid that everyone is not.”

Hearing this, the expressions of the people who were relaxed just now changed drastically.

“We are not fine? What... What do you mean?” Everyone hurriedly ran over.

Qin Yu said in a deep voice, “Just now, he teng and Meng Wuxiong planted a mark in your bodies. This mark has a strong poison and can kill you at any time.”

“What? How could this be?!”

“Die at any time? Then... Then when is it?”

“What kind of Mark is this? How should we treat it?”

Everyone looked at Qin Yu with eyes full of fear.

Qin Yu was silent for a moment and said, “How about this? Everyone wait for my news. I will find time to go to the Central Plains and ask he teng about it.”

“At the same time, I will also try to refine a pill for everyone.”

Old Mister Yan nodded at the side and said, “Mm, Qin Yu was an elder of the Divine Alchemist Pavilion before.”

“So you are an elder of the Divine Alchemist Pavilion? What an honor!”

The big-bellied man also laughed embarrassedly and said, “I thought you were just a martial artist. I didn’t expect you to have such a level of identity...”

“Qin Yu, you must save us. Our lives are in your hands!”

“Yes, as long as you can save us, we will definitely remember you as an adult!”

Qin Yu nodded slightly and said, “Don’t worry, everyone. I have already said it, so I will definitely be responsible for everyone.”

After such a thing happened, they obviously did not have the mood to have fun.

Therefore, on the same day, everyone planned to set off and return.

After boarding the boat.

Qin Yu and old Mister Yan stayed in the most luxurious suite.

“Qin Yu, what exactly is the mark you mentioned?” Old Mister Yan asked.

Qin Yu drank a mouthful of water and said indifferently, “It’s fake. I’m just bullshitting.”

“Fake? !” Old Mister Yan was instantly stunned.

Qin Yu nodded and said, “En, there isn’t any mark at all. But these people are all ordinary people and rich people. They definitely value their lives very much.”

Speaking up to this point, Qin Yu paused for a moment and said jokingly, “Old Mister Yan, didn’t you say that rich people will also be deceived? It’s just that their methods are different.”

Hearing this, old Mister Yan immediately laughed out loud.

“Qin Yu, you’re really something.” Old Mister Yan couldn’t help but shake his head.

Qin Yu sighed and said, “I have no choice. If I want to go to Jingdu, I definitely can’t go by myself.”

“When I return, I plan to immediately establish my own sect and aristocratic family.”

This sect and aristocratic family was born to fight against the Yan family and the Han family!

As for whether it would succeed or not, that was another matter.

...

The ship slowly sailed on the sea.

On this return trip, everyone’s attitude toward Qin Yu was clearly much better.

They all left their business cards, afraid that Qin Yu would forget them.

However, Qin Yu’s mind was not on this.

All he could think about was the dragon spirit and the Divine Dragon Power in his body.

After possessing the Divine Dragon Power and the Venerable Mountain of the Five Mountains, Qin Yu felt a strong confidence in his heart.

He even felt that he could fight against a half-step martial marquis.

“That Han Wei seems to be a half-step martial marquis, right?” The corner of Qin Yu’s mouth curled into a sneer.

“Han Wei, wait for me in Jingdu. I’ll personally wring your dog head off!”

Other than that, Qin Yu also planned to make a trip to Dongchuan.

That Meng Wuxiong was able to forge a large number of martial grandmasters, so he must have some secret treasure.

If he could step into the half-step martial Marquis realm before September 9th, then Han Wei wouldn’t be worth mentioning.

...

Fang Yue didn’t wake up during the three days of her return journey.

Her internal Qi was extremely weak, but her life was not in danger.

Three days later.

The cruise ship finally returned to sea city.

“Old Mister Yan, you have to be careful during this period of time,” Qin Yu reminded him as he got off the ship.

Old Mister Yan nodded and said, “I understand.”

“Of course, I will do my best to attract the Yan family’s target to me,” Qin Yu comforted him.

Old Mister Yan smiled bitterly and said, “Thank you for your hard work.”

Li Zinan was waiting quietly near the rich cruise ship.

There was a huge waist tag hanging on his waist.

On the waist tag were a few words: Saint Confucianism sect!

“Elder Li, that rich cruise ship seems to have returned,” a martial grandmaster beside him said at this time.

Li Zinan snorted lightly and said, “How is that possible? It’s only been a week, and their trip took half a month!”

“Elder Li! They’re really back!” Someone pointed at the cruise ship and shouted.

Li Zinan took a closer look and realized that it really was a rich cruise ship!

Qin Yu and old Mister Yan were helping themselves off the cruise ship!

“So Fast?” Li Zinan sneered.

Then, he quickly stood up and walked toward Qin Yu.

The five peak martial grandmasters quickly surrounded Qin Yu and old Mister Yan.

“You still haven’t Left?” Qin Yu said in surprise.

Li Zinan narrowed his eyes and said, “Just because of you B * stard, director Yan scolded me!”

“I originally wanted to let you live on your last breath. Since you don’t want face, then don’t blame me for being rude!”

Qin Yu raised his eyebrows and said, “Li Zinan, I deliberately let you live last time. Why aren’t you grateful?”

“Let me live? Go To Hell!” Li Zinan sneered.

“You have already been seriously injured by me, and you still dare to talk so shamelessly? !”

Qin Yu said indifferently, “Why haven’t you thought about whether I did it on Purpose?”

“On Purpose?” Li Zinan’s expression changed slightly, then he waved his hand and said, “Impossible! Don’t put on airs with me!”

“You guys, kill him!”

“Yes!”

The four martial grandmasters immediately rushed towards Qin Yu!

Qin Yu glanced at them, then suddenly raised his palm and slapped out!

A huge palm appeared out of thin air, and a golden light directly pierced through the four people!

“Boom!”

The four of them died on the spot!

A single palm killed three or four martial grandmasters! ! What kind of technique was this ? !

Li Zinan's face turned green!

Didn't they say that Qin Yu was already crippled ? ! Could it really be fake ? !

“Not good! I've been deceived!”

Li Zinan secretly cursed, and turned around to run!

But unfortunately, Qin Yu stepped slightly, and instantly blocked Li Zinan's path.

“You want to run ?” Qin Yu raised his eyebrows.

Li Zinan swallowed his saliva. He braced himself and said, “Qin Yu, you... you better not act recklessly! I am now an elder of the Saint Confucian School!”

“So ?” Qin Yu said indifferently.

Li Zinan snorted coldly, “Do you know what it means to attack an elder ? It means that you will offend the entire Saint Confucian School!”

“And our Saint Confucian school has a half-step martial marquis or even a martial marquis!”

Chapter 447: Chapter 446, Death Warrant!

Li Zi Nan Yue became more and more agitated as he spoke. He stared fixedly at Qin Yu and said crazily, “Qin Yu, if you dare to lay a finger on me today, the Saint Confucian school will never let you off!”

Qin Yu sneered and said, “Half-step martial marquis, right? I really want to see for myself.”

After possessing the five peaks of Honor Mountain, Qin Yu no longer had a precise grasp of his own strength. He wanted to find an expert to test his skills.

Characters like he teng and Meng Wuxiong couldn't Force Qin Yu into a desperate situation.

“I remember that Han Wei is a half-step martial marquis, right?” Qin Yu narrowed his eyes and said.

Li Zinan's expression changed. He subconsciously took two steps back and exclaimed, “You... What do you want to Do? !”

“What do you think I want to Do?” Qin Yu raised his eyebrows. In the next second, a golden light directly hit Li Zinan's body!

Li Zinan's entire body was instantly struck by a huge impact, and his body was sent flying with a thump!

This palm strike was extremely powerful, causing Li Zinan to vomit blood continuously!

And it was also at this moment that Li Zinan realized the difference in strength between him and Qin Yu!

His heart began to panic, but at this moment, Qin Yu had already taken a step forward. Stepping on the light, he ruthlessly landed on Li Zinan's chest!

“Pu!”

A mouthful of blood was spat out from Li Zinan's mouth.

His chest sank a few times, and his internal organs suffered a huge impact.

At a glance, he looked like a bloody person.

“Don't kill me, don't kill me!” Li Zinan panicked.

He had finally become an elder of the Saint Confucianism sect. How could he be willing to die just like that!

“Qin Yu, listen to me!” Li Zinan said in fear.

“I am now an elder of the sacred Confucian school! and the sacred Confucian school is the largest sect in the entire north!”

“Don't you have a grudge with the Yan family? As long as you get the sacred Confucian school, you will have the chance to jump up!”

“I can use my identity as an elder to work with you from the Inside Out!”

Qin Yu touched his chin and said indifferently, “I remember you saying that it's not bad to be an ordinary person, right?”

Li Zinan was stunned. He asked in a trembling voice, “What... What do you mean?”

Qin Yu grinned and said, “That’s what I mean.”

As soon as he finished his words, Qin Yu kicked Li Zinan’s Dantian.

“Bang!”

A crisp sound exploded in Li Zinan’s lower abdomen!

Then, Li Zinan felt a sharp pain in his abdomen, and his inner strength was rapidly dissipating!

“You... you actually crippled me!” Li Zinan widened his eyes!

Qin Yu imitated Li Zinan’s tone and said indifferently, “It’s not bad to be an ordinary person and struggle on the verge of death. Isn’t That What You Said?”

“You... You! Qin Yu, I’m going to kill you!” Li Zinan’s eyes were wide open as he roared crazily.

Qin Yu looked at Li Zinan coldly and said, “Get lost. Tell Yan Sihai for me that a person should have a conscience.”

After saying this, Qin Yu turned around and left.

After walking far away, old Mister Yan asked with some confusion, “Why didn’t you kill him?”

Qin Yu smiled and said, “If I kill him, who will go back and tell Yan Sihai?”

At this moment, what Qin Yu wanted to do was to provoke the Yan family's prestige.

Everyone returned to the hall together. Before they left, the group of rich men held Qin Yu's hand and said, "Qin Yu, don't forget about the mark in our bodies..."

Qin Yu nodded and said, "Don't worry. As soon as I get the results, I will inform everyone immediately."

After they left, Qin Yu said goodbye to Old Mister Yan and left.

He wasn't in a hurry to leave sea city. Instead, he brought Fang Yue and found a place to stay in sea city.

Then, Qin Yu took out his phone and sent a text message to the Pavilion Master of the Divine Alchemist Pavilion, asking about Fang Yue's health.

Unfortunately, the pavilion master was not clear about this either.

"Looks like I can only look for that he teng." Qin Yu narrowed his eyes and thought in his heart.

...

Central Plains, he family.

He Teng returned home with a gloomy mood.

"Teng 'er, you're back? Did the matter go smoothly?" He rongshou, the head of the He family, asked with an embarrassed smile.

He Teng did not say anything. He just glanced at he rongshou coldly.

Feeling the murderous intent in his eyes, he rongshou's expression immediately changed. He subconsciously took two steps back.

He Teng snorted coldly and turned around to return to his room.

In the hall, he rongshou's face was full of worry. The noblewoman beside him couldn't help but sigh.

“Ever since Teng ‘er had that accident, she seemed to have changed into a different person. Sigh...”the noblewoman sighed.

He Rongshou said in a low voice, “If this goes on, there will be a day when he won't acknowledge us as his parents...”

“It's all our fault. We were too strict with him back then. But now, Teng ‘er is almost not acknowledging us...”the noblewoman could not help but cover her face and sob softly.

He Rongshou was silent.

If they had known earlier, they would rather he teng be an ordinary person.

In the room, he Teng's face was gloomy, and the hoarse voice in his body was almost crazy.

“The Dragon Spirit... The Dragon Spirit was stolen by that Qin Yu!”He Teng said angrily.

“No matter what, we must kill that Qin Yu! We must!”The hoarse voice also sounded.

He Teng's face was gloomy, and he asked coldly, "That Qin Yu has the power of the Divine Dragon. With my current strength, I can't do anything to him unless I step into the half-step martial Marquis Realm."

"Go into seclusion." That hoarse voice sounded out once again.

"Go to the Dongchuan water rhyme tower, and I will help you step into the half step martial marquis realm as soon as possible... ."

When he teng heard that, he nodded his head slightly.

... .

There were only two months left until the ninth day of the ninth lunar month.

And in the past few days, news of Han Wei had been spreading out frequently on the martial arts forums.

"It is rumoured that the young master of the Han clan, Han Wei, had fought against three half step martial marquises and won with ease!"

"According to the expert's assessment, Han Wei has the potential to become the number one person among the fire country's younger generation!"

"The Jingdu martial arts association values Han Wei's potential and has invited him to become a member of the Jingdu Martial Arts Association."

"In a few days, Han Wei will face the veteran half-step martial marquis, Old Mister Ning Wenbai!"

Upon seeing this news, the entire martial arts forum was shocked!

“Face Ning Wenbai? I remember that Ning Wenbai has been famous for many years?”

“It’s said that when Ning Wenbai was strong, he once suppressed ye Qing and Jiang he until they couldn’t breathe!”

“Han Wei has actually reached such a stage? That Qin Yu is probably in danger.”

“Didn’t Qin Yu become a cripple? It’s not worth mentioning anymore, right?”

Seeing the news on the Martial Arts Forum, Qin Yu kept silent.

“This Han Wei has been in the limelight recently.” Qin Yu touched his chin and said in a low voice.

Although Qin Yu now had the power of the Five Mountains and the Divine Dragon, no one could guarantee that the Han family would have a more powerful magic artifact.

Moreover, Qin Yu himself didn’t know if he could fight against a half-step martial marquis.

At this moment, another piece of news came into his sight:

There was news from overseas that the Hong family had issued a kill order against Qin Yu. They would dispatch ten half-step martial marquises to kill him!

Chapter 448: Chapter 448, Qin Yu Must Die!

This piece of news quickly spread throughout the entire martial arts forum, and even overshadowed Han Wei's limelight!

“Ten half step martial marquises chasing after Qin Yu? Has He gone mad?”

“How could a mere Qin Yu be worth sending out ten half step martial marquises?”

“Not to mention the now crippled Qin Yu, even the Qin Yu who was at his peak back then was not worth such a great deal of effort!”

“Heh heh, just a rumor, right? Hong Yi men has long been blacklisted by the fire country. Even if they really wanted to pursue and kill him, how could they be so high profile?” [2][3][3][4][4][4][5][5][5][5][5][5][5][5][5][5][5][5][5]

Everyone was talking about it and expressing doubt about the news.

And soon, the person who sent the message replied.

“This is Hong Yimen to Qin Yu strength after making the assessment, made the decision.”

These words caused everyone's eyeballs to explode!

What did these words mean?

The Hong Yi Sect's evaluation of Qin Yu was actually so high? Was it worth using ten half-step martial marquises to get rid of Qin Yu?

Wasn't this a little too fake?

Qin Yu couldn't help but frown when he saw this news.

Ten half-step martial marquises ?

Was the Hong Yi sect crazy ?

“This Hong Yi sect really thinks highly of me.” Qin Yu frowned and muttered in a low voice.

This also caused people to have no choice but to sigh at the Hong Yi Sect's strength.

Casually sending out ten half-step martial marquises, how strong were their foundations ?

If it was just in terms of martial arts, the current few great aristocratic families might not be able to compete with them, right ?

“Ten half-step martial marquises... This really makes people worry.” Qin Yu rubbed his chin and muttered in a low voice.

Even if he had the power of the five mountains and the power of the Divine Dragon, Qin Yu did not think that he could face ten half-step martial marquises.

Whether or not he could defeat one was another matter.

Looks like I have to go to Dongchuan as soon as possible, Qin Yu thought to himself.

Meng Wuxiong's talent was mediocre, but he was able to step into the peak of the Martial Grandmaster realm and even create several.

This was enough to prove that Dongchuan was hiding a secret.

I'll set off to Dongchuan Tomorrow and also ask Fang Yue what's going on, Qin Yu thought to himself.

...

The news of Hong Yimen issuing a kill order quickly spread.

Normally, this kind of matter would be handled by the martial arts association.

The orders of the Jingdu Martial Arts Association would be carried out by the other associations.

As the owner of the martial arts forum, the Jingdu Martial Arts Association naturally knew the news at the first moment.

Ten high-level members of the Association sat at a big round table.

These people all possessed extremely high levels of authority, and their powers were even more unfathomable.

“Everyone, have you all seen it? The Hong Yi clan has publicly issued a death warrant.”

“Mm, is this a challenge to the fire country's prestige, or is this a challenge to our martial arts association?”

“The Hong Yi clan's rampage has already reached an outrageous level.”

“Let the Guardians handle it. As long as the Hong Yi clan dares to enter the territory, they will be killed.”

Everyone expressed their opinions, and at this moment, an extremely discordant voice came out.

“I think we should ignore it.”

The person who spoke was none other than Han Wei’s master, Xia Hang.

Everyone’s gaze fell on Xia Hang.

“Mr. Xia, what do you mean?” Someone asked.

Xia hang said lightly, “The Hong family’s target is Qin Yu. Everyone should know who Qin Yu is, right?”

The scene fell into a short silence, and no one said anything for a while.

Xia hang continued, “According to my understanding, this Qin Yu doesn’t discriminate between respect and inferiority, and he doesn’t have any respect in his heart. Not only did he challenge the Han and Yan families, but he also attacked the martial arts association many times.”

After saying that, Xia hang took out some documents and threw them on the table.

“These are all complaints from the martial arts associations of various places.”

“The Yunchuan Martial Arts Association was beaten up by Qin Yu, and countless people died.”

“The president of the Jiangbei Martial Arts Association was even crippled by Qin Yu.”

Many higher-ups took over the documents and started to read them carefully.

“Mr. Xia, even so, we shouldn’t just sit and do nothing, right?”

“Yes, even if we deal with Qin Yu, it should be handled by our martial arts forum, not that Hong Yi sect.”

Xia hang smiled faintly and said, “Everyone, you have to see the essence through the surface.”

“In my opinion, Qin Yu’s threat far surpasses that of Hong Yi sect.”

“Mr. Xia, don’t joke around. Qin Yu is just a martial arts grandmaster. What right does he have to be compared to Hong Yi sect?”

Xia hang sneered and said, “He is a martial arts grandmaster now. What about his future?”

“A person like Qin Yu has a rebellious heart. Once he grows up, he will definitely not put the martial arts association in his eyes!”

“In the future, he will even stir up the entire martial arts world for the so-called fairness and Justice!”

“Mr. Xia, aren’t you exaggerating?” Someone frowned.

Xia hang snorted lightly and said, “It seems that everyone has forgotten about that person back then.”

At the mention of “That person”, everyone’s expression changed in unison, as if he was an existence that could not be mentioned.

“When he appeared at that time, we also mistakenly thought that he would not be able to make a name for himself.”

“What happened after that? He almost destroyed our martial arts forum!”

Everyone fell into silence, as if they were persuaded by Xia Hang.

Xia hang said calmly, “This Qin Yu must die. The sooner he dies, the better.”

“Moreover, I have already consulted the few members of the Guild Leader’s team, and they also agree with my actions.”

Many of the higher-ups looked at each other, then nodded and said, “Since things have already come to this, then we can only do this.”

“However, we hope that the matter can be within our control.”

Xia hang nodded slightly and said, “Don’t worry, the Hong family’s target is only Qin Yu.”

After the meeting ended, Xia Hang walked out of the meeting room.

He took out his phone and called Han Meng.

“Mr. Han, don’t worry. Qin Yu won’t live for long,” Xia Hang said lightly.

Han Meng on the other end of the line grunted in gratitude and said, “Old Xia, my son said that he wants to kill Qin Yu personally in front of Yan Ruoxue. You understand what I mean, right?”

Xia hang was stunned. He was silent for a moment before saying, “I understand. I will make a move at the critical moment and save Qin Yu’s life.”

“Not only do I have to save him, I also have to cripple him!” Han Meng said coldly.

“Han Wei can not lose. Otherwise, he will lose the face of the entire Han family and even the entire Jingdu aristocratic family!”

Xia Hang said in a deep voice, “I understand.”

After saying this, Xia hang dialed another number.

“Immediately send someone to keep an eye on Qin Yu,” Xia Hang said coldly.

Chapter 449: Chapter 449, What BULLSH * T organization! !

Ten half a step to the rank of a martial marquis, with all sorts of different identities, were marching towards the fire country!

This was almost the largest scale in the history of the Hong Yi clan!

No one knew why the Hong Yi clan would deploy such a large force, and discussions broke out all at once.

Some said that the Hong Yi clan wanted to use this opportunity to tell the world about the power that the Hong Yi clan possessed.

Some people also said that the Hong Yi sect had placed too much importance on Qin Yu’s potential.

Some people even said that this news was fake.

Only the Hong Yi sect knew in their hearts.

They knew very well what it meant to be a fully grown chaos body.

... ..

Early the next morning.

Qin Yu departed from sea city's airport and brought Fang Yue, preparing to head towards Dong Chuan.

Dong Chuan was very far from sea city and its location was in the easternmost part of the fire country's Pyro Province.

There were many old forests deep in the mountains here, so the environment for cultivation was very good. Many martial arts experts had once gone into seclusion in Dongchuan.

On the plane, Qin Yu looked at Fang Yue who was lying on the side and could not help but sigh.

“Fang Yue, Oh Fang Yue, I never thought that there would be times when you miscalculated.” Qin Yu shook his head helplessly.

The incantation that he had chanted was extremely strange, as if it could trigger the spirit pills in his body.

But for some reason, this incantation was useless against Qin Yu.

There were too many cultivation methods in the world, and strange methods were endless.

If one was not careful, it was very likely that one would fall into a state of eternal damnation.

In the afternoon, the plane finally stopped at Dongchuan.

Once he got off the plane, Qin Yu could not help but take a deep breath.

The smell of nature always made people yearn for it.

Then, Qin Yu took a taxi and prepared to go straight to the Meng family!

As the king of Dongchuan, almost everyone in Dongchuan knew about Meng Wuxiong.

“This Meng Wuxiong is a well-known figure in our Dongchuan!” At the mention of Meng Wuxiong, the driver began to speak with confidence.

“At first, he started out as an engineer. Later, for some unknown reason, he began to practice some kind of kung fu. It seems that he’s quite powerful.”

Qin Yu asked casually, “How much assets does this Meng wuxiong have?”

The driver heard this and said mysteriously, “It is said that he has tens of billions of assets on the surface! There are dozens of thugs in his family!”

The thugs that the driver mentioned should be the hangers-on of the Meng family.

Soon, the car arrived at a manor.

“This is the Meng family,”the driver pointed to the manor and said.

Qin Yu got out of the car and stared at the large manor. He couldn't help but be stunned.

Because... This manor was too extravagant! It was more like a forest than a manor!

It was as if the entire mountain had been wrapped up and turned into a personal asset!

There were at least dozens of villas in the manor. Each one was extremely luxurious.

There were all kinds of different styles!

“This Meng Wuxiong is really extravagant.”Qin Yu couldn't help but sigh.

To say that he had ten billion family assets was probably underestimating him.

Qin Yu didn't waste any time. He carried Fang Yue and walked towards the Meng Manor.

The entrance of the manor was solemn and solemn. On the two huge stone tablets, names were carved one after another.

Just as Qin Yu was about to shout out loud, he suddenly felt a trace of a strange internal Qi around him.

“Someone is following me?”Qin Yu raised his eyebrows.

There seemed to be two vague auras in the dark.

Although the internal Qi had been concealed by special methods, it still couldn't escape Qin Yu's spiritual sense.

“Two martial grandmasters?” Qin Yu raised his eyebrows and then sneered.

...

In the dark, two martial grandmasters wearing night clothes were staring at Qin Yu.

“Report to Mr. Xia immediately. Tell him that Qin Yu has come to Dongchuan,” one of the martial grandmasters said.

The other martial grandmaster nodded. He took out his phone and was about to make a call when they suddenly realized that Qin Yu had disappeared!

“Where is he?!” The two of them hurriedly stood up and looked for Qin Yu everywhere.

However, the entire forest was silent. Where was Qin Yu?

“Oh no, we lost him!”

“If Mr. Xia finds out, we'll be in trouble. Hurry up and look for him!”

“Are you looking for me?”

Just as the two of them raised their heads, they suddenly felt a cold breeze behind them!

Turning around, they saw Qin Yu looking at them with a smile.

“How... How did you find us!” One of the martial grandmasters said.

Qin Yu sneered, “With your clumsy methods, you want to follow others? Go home and practice.”

The two were humiliated, and their faces naturally didn't look good.

“Tell me, who told you to come?” Qin Yu asked indifferently.

The two didn't avoid it. Instead, they said with some pride, “We are from the Jingdu Martial Arts Association!”

“Jingdu Martial Arts Association?” Qin Yu frowned slightly.

This made him somewhat surprised.

“Why are you following me? What's Your Purpose?” Qin Yu continued to ask.

“Hehe, the people of the Jingdu Martial Arts Association have the right to supervise any martial artist!” The other party said indifferently.

Qin Yu narrowed his eyes and sneered, “What bullshit power do you have! What does the Jingdu Martial Arts Association Do?”

Their expressions changed, and they immediately shouted, “Qin Yu, do you know what you're talking about? !”

“Our Jingdu Martial Arts Association is the highest hall of all martial artists! It's also an organization with the highest power!”

“Bullsh * T!”Qin Yu scolded mercilessly.

“The highest hall ? Don’t think that I don’t know what kind of business you guys are doing.”

As for the martial arts association, even if they didn’t abhor it, it was more or less the same.

All the martial arts associations that Qin Yu had seen were all doing shady business.

Especially the last time the Jingdu Martial Arts Association controlled the Martial Arts Forum and Smeared Qin Yu.

How could such an organization be called the highest hall ?

“You are just a non-governmental organization. What official label do you put on your face every day ?”Qin Yu sneered.

“If everyone gives you face, you will have face. If they don’t give you face, who do you think you are ?”

The two of them were speechless by Qin Yu’s words, and their faces turned red.

“Tell me, why are you following me ? If you can’t explain it today, I will kill you fans, these two prideful things,”Qin Yu said coldly.

The faces of the two of them changed, and they exclaimed, “You dare ! No one dares to touch people from our martial arts association !”

“Is that so ?”Qin Yu sneered and immediately slapped him !

This slap directly made the corner of the Martial Grandmaster's mouth bleed, and his face swelled.

“You... you actually dare to hit me!”

“Not only do I dare to hit you, but I also dare to kill you,” Qin Yu said coldly.

The two of them were completely scared, and they braced themselves and said, “Vice president Xia asked us to come. We don't know the specific reason.”

“Vice President Xia? Xia Hang?” Qin Yu raised his eyebrows.

“Not... not bad,” they answered.

Qin Yu frowned.

Wasn't Xia Hang Han Wei's Master? Why would he send someone to follow him?

“Can we leave now?” The two of them asked tentatively.

Qin Yu glanced at them and waved his hand. “Get lost. But I'm warning you. If you follow me again, I'll kill you without hesitation.”

The two of them didn't dare to say anything more. After nodding repeatedly, they turned around and ran.

Qin Yu stood on the mountain rock and didn't move for a long time.

Although he didn't know what Xia Hang's purpose was, Qin Yu was very clear in his heart that Xia Hang definitely didn't have any good intentions.

“Forget it, I don't care about him.. As long as I step into the half-step martial marquis realm, I don't care about Xia Hang,” Qin Yu muttered in a low voice.

Chapter 450: Chapter 450, Meng Wuxiong, get the hell out here!

Qin Yu couldn't wait to obtain the power of a half-step martial marquis.

Ever since he became a martial grandmaster, Qin Yu's strength had improved by leaps and bounds.

And the higher the realm, the greater the benefits!

“I really don't know what Level I'll reach after I become a half-step martial marquis...” Qin Yu muttered in a low voice.

Then, he strode toward the Meng family manor.

...

Those martial grandmasters from the Jingdu Martial Arts Association hurriedly took out their phones and called Xia Hang. They also told Xia Hang about this matter.

After Xia Hang learned about it, he couldn't help but say angrily, “Two pieces of trash! You Can't even do this kind of thing well. What use do you have!”

These two people said with some grievance, “Mr. Xia, I suspect that our intelligence is wrong. Qin Yu’s spiritual sense is extremely sensitive. Even if we restrained our internal QI, he still found us.”

The other great grandmaster also hurriedly said, “Yes, no wonder the Hong family would send out ten half-step martial marquises. I suggest that our Jingdu martial arts association also send out half-step martial marquises to track down Qin Yu.”

Xia hang on the other end of the line was silent.

He also began to feel that something was wrong.

Qin Yu’s various performances made people have to be suspicious.

“If it really can’t be done, we have to get rid of this Qin Yu as soon as possible,” Xia hang muttered in a low voice.

Then, he said in a deep voice, “You two can come back first.”

“Yes.” The two of them heaved a sigh of relief.

...

Jingdu, Yan family.

Han Meng sat opposite Yan Sihai and said faintly, “I’ve already asked Xia Hang to follow Qin Yu and find an opportunity to cripple him!”

“When that time comes, I’ll bring him to the wedding and let my son kill him personally!”

After Yan Sihai heard it, he could not help but laugh.

He looked Han Meng up and down and said with some contempt, “Old Han, a mere Qin Yu scared you so much? Why, do you have so little confidence in your son?”

Han Meng was stunned and then sighed, “This Qin Yu is indeed not simple. In a short period of time, he has created too many miracles.”

“Hahahaha!” When Yan Sihai heard this, he laughed out loud.

“Han Meng, Oh Han Meng, he, Qin Yu, is just an ant from the bottom. At most, he is just an ant with a little talent. You have seen so few of such characters?” Yan Sihai sneered.

“Do you really think that he alone, Qin Yu, can shake our two great aristocratic families?”

Han Meng was instantly dumbfounded.

His attitude was completely different from Yan Sihai’s.

Out of caution, he even wanted to kill Qin Yu as soon as possible.

However, this idea was rejected by Yan Sihai without any hesitation.

“Han Wei is the son-in-law of the Yan family. Why would the son-in-law of the Han family be afraid of Qin Yu?” Yan Sihai sneered.

Han Meng still wanted to say something, but was interrupted by Yan Sihai with a wave of his hand.

“That’s enough. There’s no need to say anything. Everything is under control,” Yan Sihai said indifferently.

Han Meng sighed and didn't say anything else.

...

The security of the Meng family manor was extremely tight.

The two bodyguards were not only martial grandmasters, but they also had hunting licenses and gun licenses.

The two of them held a hunting rifle in their hands, and no one dared to come forward.

But today, a young man holding a graceful woman appeared at the door.

“This is the Meng family. You are not allowed to go near,” the two bodyguards said coldly.

Qin Yu ignored them. He glanced at the two of them and said indifferently, “Where is Meng Wuxiong?”

“Who are you?” The bodyguard frowned and asked.

Qin Yu sneered and said, “The one who killed him.”

The bodyguard's expression immediately changed. He immediately took out his gun and pointed it at Qin Yu.

“Get lost quickly! Otherwise, don't blame us for being impolite!” The two of them shouted angrily.

Qin Yu sneered and said, “You'd better go and inform them.”

“You don’t understand what I’m asking you to get lost, do you?” The two of them rubbed their guns forward again.

Qin Yu raised his eyebrows and said, “Do you think this thing can hurt me?”

“You’re courting death!” The bodyguard flew into a rage and immediately pulled the trigger!

“Bang!”

A loud sound reverberated through the world!

The bullet whizzed past and hit Qin Yu’s chest.

However, the bullet only left a white spot on Qin Yu’s body. It didn’t even break his skin.

“You...” this time, the two bodyguards completely panicked!

Qin Yu said coldly, “You don’t know death.”

Before he finished speaking, Qin Yu immediately waved his large palm and directly knocked the two of them unconscious.

It was not easy to find a single person in the huge Meng Manor.

Even though Qin Yu’s spiritual sense was extremely powerful, it was still difficult for him to cover the entire manor.

This was because this manor was really too big.

Standing on the open space of the manor, Qin Yu took a deep breath and then roared, “Meng wuxiong! Get Out Here!”

A shout that contained spiritual power instantly spread throughout the entire manor!

The huge manor reverberated for a long time, like a muffled thunder exploding in the sky!

Water Melody Tower.

More than ten people were waiting at the door.

On the top floor of the water melody tower, there was a young man sitting cross-legged.

His body was burning with a white mist-like internal Qi, making him look like an immortal.

Meng Wuxiong was standing beside him, silently smoking.

Suddenly, a loud shout came from outside!

This shout instantly woke he teng up!

Meng wuxiong frowned slightly.

“This voice... is Qin Yu!”Meng Wuxiong said coldly.

He Teng opened his eyes slightly and said indifferently, “Qin Yu... he actually found this place.”

Meng wuxiong snorted coldly, “This kid is really arrogant to the extreme! Does he really think that we can’t do anything to him?”

Then, Meng Wuxiong looked at He Teng and said, “Mr. HE, let’s join hands and kill this madman together!”

He Teng shook his head slightly and said indifferently, “Now is not the time to make a move. Give me another three days, and I will be able to step into the half-step martial Marquis Realm!”

“When that time comes, I will kill him like chopping melons and vegetables!” A flash of coldness flashed in He Teng’s eyes.

Meng wuxiong frowned and said, “Then what should we do? This kid will find us here sooner or later.”

He Teng took a deep breath and said indifferently, “Go and stop him. Remember, no matter what method is used, we can’t let him come to the water rhyme tower. If necessary, we can use the mountain protection artifact I left behind.”

Although Meng Wuxiong was somewhat unwilling, he still nodded and agreed.

“The few of you, follow me!” Meng Wuxiong pointed at the peak grandmasters in the water rhyme tower and said.

The eight peak grandmasters immediately followed behind Meng Wuxiong and walked out of the water rhyme tower.

Chapter 451: Chapter 451, how could he tolerate it so much?

Walking in the Meng family's huge manor was like walking in a primeval forest.

Qin Yu looked at the villa sitting in the center and said in a low voice, "That Villa should be where Meng Wuxiong lives."

After saying that, Qin Yu walked straight to the villa.

The entire villa was built like a castle. It was no exaggeration to say that it was even more extravagant and extravagant than the Yan family's villa.

Pushing open the five-meter-tall door, the first thing that came into view was a long corridor.

At the end of this corridor was a chair made of gold, exuding a luxurious internal Qi.

Seeing this, Qin Yu could not help but sneer, "He really is a local emperor."

Then, Qin Yu turned around the hall and came to another room.

Just as he pushed open the door, Qin Yu saw a shocking scene.

In this room, there was actually a Manchurian Tiger!

A huge chain was locked around the Manchurian Tiger's neck, and the Tiger's body was covered in injuries. It was obvious that it had been beaten up.

The Moment Qin Yu entered, the Manchurian Tiger suddenly stood up and roared angrily at Qin Yu.

The Roar that soared into the sky made people feel terrified, but there was not the slightest trace of panic on Qin Yu's face.

After experiencing so much, Qin Yu realized that a simple animal was not scary. What was scary was a thoughtful human.

He walked in front of the Manchurian Tiger, raised his hand, and pressed it on the Manchurian Tiger's head.

The huge force instantly made the Manchurian Tiger unable to move!

The Killing Intent released by Qin Yu instantly made the Manchurian Tiger turn into a kitten.

“Good boy.” Qin Yu patted his head and then slashed at the chain.

The chain broke, and the Manchurian Tiger regained his freedom.

“Go back to your forest.” Qin Yu patted his head and said with a smile.

The Manchurian Tiger seemed to understand Qin Yu's words. It lowered its head at Qin Yu, then broke through the window and escaped.

...

Outside the door, Meng Wuxiong and the others had just returned.

Seeing the Manchurian tiger that had escaped, Meng Wuxiong's face could not help but darken.

“This Qin Yu actually let my pet go without permission!” Meng Wuxiong clenched his fists, his face full of anger.

“You, go and capture the Manchurian Tiger for me.” Meng Wuxiong pointed at a martial grandmaster and said.

“Yes, Mr. Meng.” After the Martial Grandmaster received the order, he hurriedly chased after him.

Looking at this villa, Meng Wuxiong took a deep breath and coldly said, “Mr. he said that we must delay him for three days. No matter what he does in these three days, we must satisfy him.”

“Yes.” The few of them hurriedly nodded.

Then, Meng wuxiong walked into the villa.

After entering the hall, Meng Wuxiong saw Qin Yu drinking water by himself.

He was holding a well-proportioned woman in his hand.

“Mr. Qin, Why are you here?” Meng Wuxiong suppressed the anger in his heart and quickly ran over to say.

Qin Yu glanced at Meng wuxiong and said indifferently, “You should know why I’m here.”

“Look at what you said. How could I know your intentions?” Meng Wuxiong said with a smile.

Such an attitude surprised Qin Yu.

Qin Yu pointed at Fang Yue in his arms and said, “Fang Yue has been unconscious for several days. Do you know how to wake her up?”

Meng Wuxiong scratched his head and said, “I really don’t know...”

Qin Yu narrowed his eyes and looked at Meng wuxiong coldly.

From the way he spoke, it didn’t seem like he was lying.

Looks like I’ll have to look for he teng, Qin Yu thought to himself.

However, this he teng was mysterious and unpredictable, so Qin Yu didn’t dare to move forward rashly.

This was also the reason why he came to Dongchuan first.

“Mr. Qin, you haven’t eaten yet, right?” Meng Wuxiong seemed to have thought of something.

He immediately turned around and berated, “Why aren’t you preparing the food! Let Mr. Qin have a taste!”

Seeing Meng Wuxiong’s attitude, Qin Yu couldn’t help but sneer, “So polite? This isn’t like you.”

“Aiya, everything before was just a misunderstanding. It’s better to have one more friend than one more enemy,” Meng Wuxiong said while holding back his anger.

Qin Yu didn’t say anything.

He quietly sized up Meng Wuxiong in front of him and couldn’t help but sneer in his heart.

“I understand.” Qin Yu seemed to have guessed something.

He thought for a moment, then grabbed the cup in his hand and splashed it on Meng Wuxiong's face.

The boiling hot water instantly splashed on Meng Wuxiong's face.

A trace of anger flashed across Meng Wuxiong's face!

But very quickly, he forcefully suppressed it.

“Hehe, Mr. Qin, what is This?” When Meng Wuxiong spoke, the corner of his mouth kept twitching. It was obvious that he had endured it to the limit.

“As expected,” Qin Yu thought to himself.

He narrowed his eyes and pondered for a moment. Suddenly, a slap landed on Meng Wuxiong's face.

Although this slap was not very strong, it was extremely insulting!

Meng Wuxiong's body suddenly trembled slightly. His entire expression was almost distorted.

“Mr. ... Mr. Qin, what are you doing?” Meng Wuxiong gritted his teeth and said these words.

Qin Yu raised his eyebrows and said, “You can endure this? Then... how about this!”

As soon as he said this, Qin Yu spat a mouthful of thick phlegm on Meng Wuxiong's face.

“You!” Meng Wuxiong immediately clenched his fist! The murderous aura on his body suddenly exploded!

But soon, he Teng’s words came to Meng Wuxiong’s mind.

He gritted his teeth and reached out to wipe the thick phlegm off his face. He said in a trembling voice, “Mr. Qin, you... Don’t go too far...”

“Too Far?” Qin Yu slowly stood up.

He clenched his fist and punched Meng Wuxiong in the face!

Meng Wuxiong took a few steps back and fell to the ground.

His nose was broken by a punch and blood flowed out.

This action completely infuriated Meng wuxiong!

He stood up angrily and berated, “Qin Yu! Don’t think that I’m afraid of You!”

Qin Yu sneered, “You’re so tolerant. What are you trying to hide?”

Meng Wuxiong’s expression changed slightly. He said with a cold face, “What... What do you mean by hiding? I don’t understand what you’re talking about!”

Qin Yu didn’t continue to talk nonsense with Meng wuxiong, he stood up and said indifferently, “With your talent, Meng wuxiong, being able to step into the Grandmaster realm in this lifetime is a big step. And not only have you stepped into the peak of the Great Grandmaster realm, you’ve also nurtured so many great grandmasters...”

“Speak, what treasure does your Meng family have? Hand it over, and I’ll spare your life.”

Meng Wuxiong’s expression instantly became extremely gloomy.

He looked coldly at Qin Yu and said, “I said it, I don’t understand.”

“You don’t understand? Then I’ll kill you.” Qin Yu’s eyes narrowed, and he immediately took large strides towards Meng Wuxiong!

Meng Wuxiong couldn’t hold it in any longer. He raised his head and roared angrily, “Qin Yu, you’re going too far! Do you really think that I, Meng wuxiong, AM made of mud? Go To Hell!”

As he spoke, the muscles all over Meng Wuxiong’s body instantly swelled up and he threw a vicious punch!

Chapter 452: Chapter 452, facing a half-step martial marquis!

Facing Meng Wuxiong’s attack, Qin Yu didn’t show any expression.

He clenched his fist and casually went up to meet it.

“Clang!”

A loud sound instantly spread throughout the entire room!

Meng Wuxiong’s body was directly pushed back several meters, and his fist was even shattered!

“Without a magic weapon, what qualifications do you have to fight with me?” Qin Yu sneered.

Meng Wuxiong gritted his teeth. He stood up from the ground and berated, “The few of you, attack together!”

“Yes!”

These people shouted and quickly rushed forward!

“Just in Time!” Qin Yu sneered.

Qin Yu no longer cared about this kind of ordinary peak-stage martial grandmaster.

After possessing the power of the Divine Dragon, his strength had already reached an incredible level!

Qin Yu swiftly executed the shrinking earth into an inch, and his figure suddenly disappeared.

In the next second, he appeared in front of a person.

“En?” The other party was stunned. Before he could even react, Qin Yu’s palm had already covered over!

The Heaven Devouring Art was instantly activated, and surging power flowed along Qin Yu’s palm towards the Dantian!

In a short few seconds, this peak grandmaster was directly sucked into a dried corpse!

The rest of the people were so frightened that their faces turned pale. They stood on the spot and didn’t dare to move.

“What... What kind of evil technique is This!” Someone said with a trembling voice.

Meng Wuxiong’s expression wasn’t too good either. He never expected that a peak martial grandmaster would be completely powerless in front of Qin Yu!

“Many thanks for the gift.” Qin Yu licked his lips like a devil.

In the next second, Qin Yu stepped on the ground and came again!

In the blink of an eye, another martial grandmaster was swallowed!

The remaining people were completely panicking. They looked at Meng Wuxiong as if they were asking for help, their eyes filled with panic.

“Mr. ... Mr. Meng, save us!” The few people stuck close to Meng Wuxiong, their eyes imploring.

Meng Wuxiong took a deep breath, looked at Qin Yu coldly and said, “No wonder Mr. He is so cautious...”

Qin Yu sized up Meng Wuxiong and said indifferently, “Tell me the secret of your cultivation, and I will spare your life.”

“In Your Dreams!” Meng wuxiong sneered.

“Qin Yu, since I can be the king of Dongchuan and keep the secret of cultivation, do you think I don’t have the means to protect myself? !” Meng wuxiong sneered.

Qin Yu crossed his arms and raised his eyebrows, “Oh? It seems that you have a lot of secrets.”

Meng wuxiong roared, “Qin Yu, you will pay the price for your arrogance sooner or later!”

After saying that, Meng Wuxiong stomped on the ground!

Then, he bit his finger, and drops of blood fell to the ground!

Formation patterns immediately appeared on the ground.

Countless formation patterns were densely packed together, as if they contained a mysterious power.

The entire ground began to hum, and even the mountains in the distance began to drop rolling boulders!

In the water rhyme tower, he teng was startled awake by this sound again.

His long and narrow eyes glanced to the side, and he said in a low voice, “As expected, a mountain protecting magic artifact was used.”

“Rumble...”

A loud sound was continuously heard, and Meng Wuxiong’s face revealed a crazed expression.

Feeling the surrounding energy that was rushing over, Qin Yu’s face couldn’t help but reveal a trace of solemnity.

“Boom!”

Along with a loud sound, several rays of light suddenly appeared from the horizon!

The rays of light condensed in the sky and then turned into a ball!

This ball of pure energy directly entered Meng Wuxiong's body!

In an instant, Meng Wuxiong's internal Qi began to rapidly climb!

His realm actually directly broke through the Martial Grandmaster realm and advanced toward the half-step Martial Marquis Realm!

“What the Hell Is this thing? !”The seriousness on Qin Yu's face became more and more obvious!

What kind of method did Meng wuxiong use to forcefully raise his internal Qi to the half-step Martial Marquis Realm?

Finally, the surrounding light began to disappear.

Meng Wuxiong's internal Qi also increased by a large margin.

He rubbed his fists and looked coldly at Qin Yu. He grinned and said, “Qin Yu, I know you're very strong, but I don't believe that you can cross realms to fight a half-step martial marquis!”

“The current me is a true half-step martial marquis!”

Looking at Meng Wuxiong in front of him, the solemn expression on Qin Yu's face actually began to slowly disappear.

What replaced it was a trace of indescribable excitement and battle intent!

“Coincidentally, I also want to see a half-step martial marquis....”Qin Yu grinned, revealing a mouthful of white teeth.

Chapter 453: Chapter 453, the power of a half-step martial marquis

Looking at Meng Wuxiong who had stepped into the half-step martial Marquis Realm, Qin Yu was even more excited!

“This is Han Wei’s realm.” Qin Yu took a deep breath, his eyes filled with unspeakable anticipation.

However, at this moment, Qin Yu realized that Meng Wuxiong seemed a bit strange.

Although he had stepped into the half-step martial marquis realm, his internal Qi was extremely unstable, as if he would fall to the peak of the Martial Grandmaster realm at any moment.

Seeing this scene, Qin Yu couldn’t help but sneer, “I thought you had really stepped into the half-step martial marquis realm, but it turns out you’re just a half-baked.”

“Half-baked is enough to kill you!” Meng Wuxiong rubbed his fist and said coldly.

It wasn’t that Meng Wuxiong was arrogant, but that the martial marquis realm was too powerful.

As long as it was related to the word ‘Martial Marquis’, it wasn’t something an ordinary martial grandmaster could compare to.

“Come on, let me...”

“Bang!”

Before Qin Yu could finish his words, Meng Wuxiong had already thrown a punch at him!

This speed was so fast that Qin Yu did not even have time to react!

With just one punch, Qin Yu's body had penetrated through several layers of the wall, and his body was covered in cracks!

In the ruins, Qin Yu slowly crawled out.

He looked at the injuries on his body and could not help but frown, "This is a half-step martial marquis?"

Just one punch, and it already had the power to split mountains and cut rivers!

"Whoosh!"

At this moment, another fist formed from inner strength smashed down!

It was not an exaggeration to say that this punch was no weaker than a modern weapon!

The entire ground instantly turned into ruins!

Qin Yu hurriedly dodged to the side, and a trace of solemnity appeared on his face.

"So Strong," Qin Yu said in a low voice.

"Qin Yu, you dare to come knocking on My Door? You're dead for sure today!" Meng Wuxiong's angry roar seemed to come from the sky, but in the next second, it appeared in front of Qin Yu!

A fist the size of a casserole had already smashed fiercely at him!

Qin Yu had nowhere to hide, so he could only let out an angry roar and meet it head-on!

“Clang!”

The earth-shattering sound shook everyone!

Qin Yu's fist was almost shattered. The huge impact caused his arm to be deformed!

“Pu!”

The fist that was mixed with penetrative force made Qin Yu Groan and spit out blood.

“Is this the half-step martial marquis? !” Qin Yu ignored the injuries on his body and his eyes revealed a dense madness!

After stepping into the half-step martial marquis realm, even Meng Wuxiong could possess such power. Then, what kind of attitude would he have when he stepped into the half-step martial marquis realm?

“I can't wait to obtain the secret of your cultivation.” Qin Yu wiped the blood at the corner of his mouth and sneered.

In the next second, Qin Yu did not waste any more time. With a roar, the Qi and blood in his entire body suddenly burned!

The golden light around him filled the manor like a rising sun!

This holy light made people not dare to look directly at it!

“Level three of the saintly physique technique!” Facing Meng Wuxiong who was half a step away from the Martial Marquis Realm, Qin Yu didn’t dare to be negligent and directly used level three of the saintly physique technique!

His body became tougher again, and his whole body seemed to be made of gold!

“It’s useless. Under the difference in cultivation level, any cultivation technique is not worth mentioning!” Meng Wuxiong roared and rushed over again!

“Absolute beginning Holy Fist!” Qin Yu’s entire body was bursting with energy. His golden fist contained an unimaginable power, and he faced it head-on!

“Boom!”

This was a huge collision. In an instant, the wind and clouds lost their color, and a violent gale swept over!

The entire villa could not withstand the pressure and collapsed with a loud bang!

“Just this?” A cruel smile appeared on the corner of Meng Wuxiong’s mouth.

He suddenly swung his fist, and with a bang, Qin Yu’s entire body was sent flying!

“Pa!”

Qin Yu fell from the high sky and fell heavily to the ground.

Traces of blood dripped out from his mouth, and the light produced by the saintly being technique began to shatter bit by bit!

“So powerful...”

This palm seemed to have injured Qin Yu’s internal organs. Even if Qin Yu’s body was strong, he could not withstand it anymore!

“Qin Yu, isn’t your body indestructible? Today, I will cut open your belly!” Meng wuxiong laughed cruelly.

Then, two big hands condensed under Qin Yu’s feet!

The big hands were like iron pincers, grabbing Qin Yu’s body tightly!

Meanwhile, Meng Wuxiong took a step forward and approached him!

“Internal Qi!”

Along with Meng Wuxiong’s furious roar, a weak light ignited on his fingers.

Although the light was weak, his aura was unprecedentedly strong!

Sensing this aura, Qin Yu’s expression immediately changed!

He tried to struggle, but he found that he couldn’t break free at all!

“Go to hell!” Meng Wuxiong’s finger stabbed fiercely into Qin Yu’s chest!

Qin Yu’s hard body resisted at this moment!

“Saintly physique technique!” The huge force made Qin Yu’s face pale!

He didn't dare to be negligent and directly activated the saintly physique technique in an attempt to resist!

But what was shocking was that Meng Wuxiong's finger actually directly penetrated the saintly physique technique! Following that, it headed straight for Qin Yu's physical body!

“Ah! !”

The instant his finger touched it, a piercing pain was felt!

Qin Yu only felt as if his chest was being drilled by an electric drill, the pain was unbearable!

“Puchi!”

Finally, Qin Yu's physical body could not hold on any longer and was pierced into his body by a finger!

“I want to pull out your internal organs and feed them to the dogs!” Meng Wuxiong said darkly.

“Ah! ! !” The pain made Qin Yu unable to help but shout at the top of his lungs!

At this critical moment, Qin Yu hurriedly took out the five mountains and charged at Meng Wuxiong!

Even Meng Wuxiong did not want to take such a magic weapon head on.

He hurriedly took a few steps back, and his fingers left Qin Yu's body.

“Hehe, your body is indeed not bad, but in my current condition, it’s not worth mentioning.” Meng Wuxiong licked the blood on his fingers and said indifferently.

Qin Yu’s brows were tightly knitted together, and his expression was grave.

A half-step martial marquis was even stronger than he had imagined.

If he did not have the power of the Divine Dragon, he might really have died here today.

If even Meng Wuxiong was so difficult to deal with, then how powerful was Han Wei, the young master of the Han family.

“I’ve been comprehending quite a number of cultivation techniques during this period of time. With the addition of the power of the Divine Dragon, I might have a chance,” Qin Yu said in a deep voice.

“Have you thought about how you’re going to die?” Meng wuxiong shouted from afar.

Then, he slowly raised his palm.

In an instant, the earth shook and the mountains shook! The ground under Qin Yu’s feet also began to buzz!

When he raised his head, he saw a huge hand pressing down from all directions!

The huge pressure caused the ground to sink level by level!

And Qin Yu’s body seemed to be smashed into meat paste!

Chapter 454: Chapter 454, Heaven Rank Cultivation Technique!

As the huge hand crushed down, the dust on the ground began to stir up.

The large area of the ground completely collapsed, turning into a huge pit!

Qin Yu's body was also continuously sinking down.

The endless pressure caused Qin Yu's body to begin to creak!

Qin Yu raised his head to look at the huge hand, and a trace of desire actually appeared in his eyes.

It was the desire for power! It was the desire for victory!

“Half-step martial marquis...” Qin Yu muttered in a low voice.

Following that, his battle intent Rose, and Golden Light erupted once again. He raised both of his hands to meet it!

“Rumble...”

However, Qin Yu's power only slowed down the crushing force of the huge hand by half a second, and then it continued to descend!

“Ah!!!”

Qin Yu raised his head and roared. Due to the enormous strength, blood flowed out of Qin Yu's seven orifices, and even his pores were covered in blood!

This strength was too strong. The gap between a half-step martial marquis and a martial grandmaster was like a horizontal ditch!

“Boom!”

Finally, the giant palm slammed down fiercely.

The entire ground had turned into ruins.

Countless dust covered everyone’s vision, making it impossible for them to see through it.

Meng wuxiong snorted coldly and said, “It’s just so-so. It seems that I can report to Mr. He.”

After saying that, Meng Wuxiong waved his hand and casually said, “Go and see if he has been smashed into meat paste.”

“Yes, Mr. Meng.” The martial grandmaster beside him withstood the enormous pressure and walked towards the huge pit.

“Bang!”

However, just as he walked forward, a golden palm reached out and grabbed his neck, lifting him into the air!

“AH...”

The Martial Grandmaster immediately let out a painful wail. Before he could struggle, Qin Yu’s palm had already covered him.

In a short while, the martial grandmaster turned into a pile of dry bones.

“HMM? He didn’t die?” Meng Wuxiong narrowed his eyes, and the corners of his mouth couldn’t help but reveal a trace of playfulness.

As the dust fell, Qin Yu's figure finally appeared.

One could see that his qi and blood were burning, and his killing intent was seething. A strange aura swept through the entire mountain village.

His eyes turned fiery red, and the killing intent in his eyes was unconcealed!

“This is... The power of the Divine Dragon?” Meng Wuxiong seemed to have guessed something.

He Teng had once said that the effect of the power of the Divine Dragon was beyond imagination, and it could even allow one to fight against opponents of a higher level!

Because this was the purest power in the world in the current era!

“What a great power of the Divine Dragon.” Meng Wuxiong rubbed his fists, showing no fear at all!

“I really want to see what's the difference between the power of the Divine Dragon that Mr. He thinks so highly of!”

Qin Yu slowly walked out from the dust.

At first glance, he seemed to have changed into a different person. His otherworldly temperament made him look like an immortal.

However, the murderous aura all over his body made him look like a devil.

Then, Qin Yu extended his palm, and the mountain of the five peaks hung above Qin Yu's head.

“Hehe, pretending to be mysterious.” Meng Wuxiong didn’t put Qin Yu in his eyes at all.

After all, the gap between a martial grandmaster and a half-step martial marquis was too difficult to make up for.

“Come, let me see the full strength of a half-step martial marquis,” Qin Yu said quietly.

These words undoubtedly infuriated Meng wuxiong. He narrowed his eyes and sneered, “Do you think you’re qualified to see the full strength of a half-step martial marquis?”

Qin Yu put his hands behind his back and no longer paid attention to Meng Wuxiong’s incessant chatter.

He even closed his eyes slightly and put his hands behind his back as if he didn’t care about anyone.

“Ha... hahahaha!” Meng Wuxiong couldn’t help but burst into laughter when he saw this!

He pointed at Qin Yu and sneered, “You really know how to act. Do you think that you can compete with a half-step martial marquis after you possess the power of the Divine Dragon? Naive!”

“You talk too much nonsense,” Qin Yu said coldly.

Meng Wuxiong was completely enraged. He stomped his feet and rushed toward Qin Yu with a swoosh!

It was the same punch again! A fist with surging inner strength!

“Crack!”

However, this incomparably fierce fist was easily caught by Qin Yu!

“Huh?” Meng Wuxiong’s face slightly changed. His huge body suddenly shook and struggled free.

Then, Meng Wuxiong took a few steps back and said with narrowed eyes, “The power of the divine dragon... is quite interesting. No wonder Mr. He thinks so highly of it.”

Qin Yu looked at Meng wuxiong coldly and said, “If you don’t use all of your strength, I’m afraid you won’t have a chance.”

Meng wuxiong sneered and said, “You actually saw through it... well, then I’ll let you experience the true ability of a half-step marquis!”

As soon as he finished speaking, he saw Meng Wuxiong raise both of his hands.

In an instant, there seemed to be traces of dao patterns resonating in the air!

This technique made people unable to lower their tongues.

Then, Meng Wuxiong casually slapped forward.

In an instant, it seemed as if thousands of troops and horses were charging over!

It was just a casual palm strike, but it seemed to pull the power of Heaven and earth! It made it impossible for anyone to escape!

Qin Yu's expression was cold. He raised his hand and used the absolute beginning holy fist!

Qin Yu, who had activated the power of the Divine Dragon, had a qualitative change in his strength.

This punch instantly shattered this huge hand!

However, Meng Wuxiong was not surprised. He snorted lightly and said, "This is just an appetizer. Qin Yu, watch carefully!"

After he finished speaking, Meng Wuxiong's body began to tremble. In front of him, a huge runic diagram actually appeared!

This runic diagram flickered with a dark light. No one dared to look directly at this extraordinary internal Qi!

"Thousand Revolution Seal!"

Following Meng Wuxiong's loud shout, this runic diagram rapidly pressed down!

"Shua!"

Countless runic lines made it impossible for anyone to dodge.

And its terrifying power was almost able to cut through the void!

Qin Yu's expression was solemn. He didn't dare to conceal his internal Qi anymore. He immediately adjusted his aura and muttered in a low voice, "I can only use that move."

This move was originally reserved for Han Wei, but at this moment, Qin Yu had no other choice.

He used all his strength on his hands.

Strands of strange aura gathered on his hands.

Following that, purple flames wrapped around his hands!

Qin Yu's Dantian's internal Qi was circulating at an extremely fast speed.

In an instant, the spiritual energy in his body was actually depleted, and it was all recorded on his palms!

“This technique is called the spiritual fire seal. Only those with spiritual fire can use it, but its power is invincible,” Qin Yu said coldly.

“Come, let me face the power of a half-step martial marquis!”

Following Qin Yu's angry roar, the spiritual fire seal in front of him was formed!

It was a purple portrait that seemed to have been passed down from the ancient times!

The portrait that was formed from the most powerful purple spiritual fire in the world was burning on Qin Yu's palm!

“Go, spiritual fire seal.”

Qin Yu's palm was only lightly pulled, but the power that could destroy the world exploded at this moment!

Chapter 455: Chapter 455, he teng came out of seclusion

The spiritual fire seal was a true heaven rank cultivation technique, and its power was unimaginable!

The difference between heaven, earth, black, and yellow was almost like a horizontal ditch that was hard to cross!

However, for someone like Qin Yu, the consumption of using a heaven rank cultivation technique was too great.

Even if he used all his strength and borrowed the power of the Divine Dragon, he could only use one spiritual fire seal!

Looking at the spiritual fire seal that was coming toward him, a rarely seen serious expression appeared on Meng Wuxiong's face.

“What is this thing?” Meng Wuxiong exclaimed in shock.

Was this cultivation technique really performed by Qin Yu, who had just entered the Martial Grandmaster realm?

“Rumble...”

The spiritual fire seal brought with it an endless amount of power as it crushed toward Meng Wuxiong.

Finally, the two techniques collided at this moment!

This was the violent roar of Heaven and earth, and it shook almost half of Dongchuan!

Sparks seemed to have exploded in the sky, and it was incomparably resplendent!

“What is that thing?”

“Someone is setting off fireworks?”

“Your fireworks are so Big? It must be a salute egg!”

Countless ordinary people raised their heads and looked towards the sky.

Waves of blazing flames surged over!

The small mountain in the distance began to crumble, and the trees turned into nothingness in an instant!

Even the water rhyme tower was affected. He Teng, who was sitting cross-legged in the water rhyme tower, suddenly opened his eyes.

“What... What kind of power is this? Could it be that a half-step martial marquis is Coming?” He Teng’s expression was somewhat unsightly.

“It can’t be a technique that Qin Yu used, right?” He Teng muttered in a low voice.

Then, he didn’t dare to think too much and hurriedly began to break through.

He was only a step away from the half-step martial marquis realm. As long as he stepped into the half-step martial marquis realm, there was nothing to be afraid of.

...

“Pu!”

The martial grandmasters beside Meng Wuxiong instantly couldn't take it anymore and vomited blood on the spot and died!

Meng Wuxiong's expression changed drastically, and a sense of unease arose in his heart!

“This... What on Earth is this thing!” Meng Wuxiong felt a trace of pressure!

The spell that he had cast was actually swallowed at this moment!

An endless rolling power pressed down on Meng wuxiong.

A heat wave that was like a bomb's explosion hit his face. Meng Wuxiong felt as if his face was about to be roasted!

“Not good!” Meng Wuxiong thought to himself. He wanted to run away.

However, it was already too late!

The seemingly huge spiritual fire seal in the sky arrived in front of Meng Wuxiong in the blink of an eye.

Then, the spiritual fire seal became smaller and smaller. It almost turned into a lotus and landed on Meng Wuxiong's body.

“Boom!”

At the moment of contact, the spiritual fire seal directly exploded!

The entire ground was directly blasted apart. A radius of dozens of meters turned into a sea of fire!

Qin Yu took two steps back, coldly looking at the scene in front of him.

His internal Qi also began to dissipate, becoming somewhat weak.

“If the spiritual fire seal wasn’t able to kill Meng Wuxiong, then I’m afraid I’ll die here.” Qin Yu stared at the Sea of fire and said coldly.

The Sea of fire burned for an entire half an hour, and finally began to dissipate bit by bit.

Qin Yu looked solemnly at the Sea of fire and walked towards it step by step.

He saw Meng Wuxiong lying there, his body almost shattered.

Countless bones were directly turned into powder, and pieces of broken bones were exposed.

“You... you...” Meng Wuxiong raised his hand with difficulty and pointed at Qin Yu.

Seeing Meng Wuxiong’s miserable state, Qin Yu could be considered to be relieved.

He looked down at Meng wuxiong and said coldly, “Half-step martial marquis, you really live up to your reputation.”

Meng Wuxiong opened his mouth and almost used up all his strength. He sneered and said, “He... Mr. He will kill you...”

“Really?” Qin Yu sneered.

“Even if he doesn’t come, I will find him.”

“No need...” Meng Wuxiong looked miserable.

“He is nearby. When he comes out of seclusion, you will definitely die!”

Qin Yu’s expression changed!

He Teng was nearby?

He looked around vigilantly and quickly released his spiritual sense, trying to find he teng’s figure.

Unfortunately, Qin Yu couldn’t find He Teng’s position.

“You... wait for your death... Mr. He is about to step into the half-step martial marquis realm... hahahaha!” Meng wuxiong grinned.

“Half-step Martial Marquis Realm? !” Qin Yu’s expression changed again!

In just a few days, he teng was actually about to step into the half-step martial Marquis Realm? !

What kind of method was this? ! How could his cultivation speed be so fast? !

“Tell me, what secret are you hiding in your body!” Qin Yu grabbed Meng Wuxiong’s chest and asked angrily.

Meng wuxiong sneered, “I won’t tell you... Qin Yu, I’ll wait for you below!”

After saying that, Meng Wuxiong’s eyes widened, and his internal Qi quickly disappeared.

Qin Yu’s face turned solemn.

There was no doubt that he teng and Meng Wuxiong must have used some secret technique or treasure to cultivate so quickly.

However... Was it a secret technique or a treasure? If it was a treasure, then where was it?

“Boom!”

Just as Qin Yu was deep in thought, a terrifying aura suddenly erupted from the internal Qi pagoda in the distance!

This aura was extremely powerful, even stronger than Meng Wuxiong’s!

“A true half-step martial marquis? !” Qin Yu’s expression immediately changed!

He looked in the direction of the internal Qi Pagoda and said in a low voice, “Could it be... that he teng is hiding there?”

Qin Yu didn’t dare to think too much. In his current state, he had no way to fight back against he teng.

What he needed to do now was to avoid the sharp edge!

Thus, Qin Yu didn't waste any more time. He stomped his foot and left quickly.

...

Inside the Water Melody Pagoda.

Streams of powerful internal Qi surrounded he teng's body.

He revealed a crazed expression and laughed strangely, "Is this the half-step martial marquis... is this the half-step martial marquis! In this world, is there anything that I, he teng, can't do!"

Feeling the powerful power of the half-step martial marquis, he teng was extremely excited!

"It's time to kill that Qin Yu." He Teng's eyes narrowed, and with a stomp of his feet, his figure quickly disappeared.

In a moment, he landed in the ruins of the Meng family manor.

Looking at this scene, he teng could not help but say in a cold voice, "Using the mountain protection magic treasure to fight to such an extent... Qin Yu, you are dead meat!"

The Stronger Qin Yu was, the angrier he teng became!

Because, that was the power that belonged to he teng! The power of the Divine Dragon that belonged to he teng!

But at the critical moment, it was snatched away by Qin Yu. How could he not be angry!

“If I was the one who obtained the power of the Divine Dragon... who in the world could stop me!” He Teng’s eyes revealed a fierce light, and his body was almost trembling.

At this moment, he teng discovered Meng Wuxiong’s corpse lying on the ground.

He Teng frowned slightly. With a flash, he landed beside Meng Wuxiong.

“He’s actually dead?” Looking at Meng wuxiong, who had no internal Qi, he Teng’s anger increased by several levels.

“Don’t worry. I’ll take revenge for you.” After a long time, he teng said indifferently.

“I’ll also take this opportunity to tell the world that I, he teng, have stepped into the half-step Marquis Realm!” He Teng sneered.

In the next second, he left the Meng family manor.

The surroundings fell into silence.

The once glorious Meng family manor was now extremely deserted.

An hour after he teng left, a figure walked out from the darkness.

This person was none other than Qin Yu!

“Is that the power of a half-step martial marquis?” Qin Yu took a deep breath, and a strong desire appeared in his eyes.

Then, Qin Yu raised his head to look at the water melody pagoda in the distance and said in a low voice, “That he teng... relied on that pagoda to cultivate, right... ?”

At this point, the smile on Qin Yu’s face became even wider.

“Now, this pagoda belongs to me!”

Chapter 456: Chapter 456, the secrets of the water rhyme tower

Qin Yu stared at the water rhyme tower in the distance, his eyes filled with desire.

He released his divine sense and carefully walked towards the water rhyme tower.

The water rhyme tower was located on a distant mountain. This tower looked like it was made by nature, but it also had some traces of being man-made.

The entire tower was not too tall, but it could overlook more than half of Dongchuan.

And this towering water rhyme pagoda was Meng Wuxiong’s private property.

After spending nearly half an hour, Qin Yu finally walked to the bottom of the water rhyme pagoda.

Standing in front of this pagoda, Qin Yu looked extremely tiny.

He raised his head to look at the water rhyme pagoda and said with a frown, “I can’t feel a trace of Qi/spiritual energy.”

Strange, since he couldn't feel any qi/spiritual energy, then how did Meng Wuxiong and he teng use this pagoda to cultivate?

“Could it be... that it has nothing to do with this pagoda?” Qin Yu frowned.

Or could it be that this water rhyme pagoda was just a residence for them to cultivate?

“Whatever, I'm already here. Let's go up and take a look first,” Qin Yu thought to himself.

Then, he walked into the water rhyme pagoda.

An ancient gate blocked Qin Yu's path.

The gate was at least five meters tall and looked extremely heavy.

Qin Yu stretched out his hand and was about to push open the gate.

However, when his hand touched the gate, a huge force suddenly rose!

Qin Yu, who was caught off guard, was instantly sent flying by this force! His body took dozens of steps back before he could stabilize his body.

Qin Yu got up from the ground. He patted the soil on his body and frowned, “They actually set a taboo.”

Could it be that... Only Meng Wuxiong and he teng could enter this tower?

Qin Yu walked to the door again, circulated his spiritual power, and tried to push open the door.

The impact burst out again and blocked Qin Yu's way.

“It seems to be true,” Qin Yu murmured in a low voice.

Since he couldn't open the door, he could only force his way in.

But the spirit power in Qin Yu's body was currently depleted and he could not bring out even a tenth of his full strength.

Hence, he could only sit cross legged under the water cloud pagoda for the time being and slowly recover his strength.

... .

On the other side, he teng left Dong Chuan and returned to the He clan in the central plains on the same day.

Standing at the airport of the He clan, a cold smile appeared on he Teng's face.

“In the entire central plains, I am the only one who is half a step into the rank of a martial marquis. It would not be an exaggeration to say that I am the number one person in the Central Plains.” He Teng said flatly.

That hoarse voice suddenly sounded in his mind: “Even in the entire fire country, there are not many half a step into the rank of a martial marquis... .”

Hearing those words, the smile on he Teng's face grew even wider.

“From today onwards, I am the king of the Central Plains!” He Teng said with a cold laugh.

After returning home, he teng was not in a hurry to go to Chuzhou.

Instead, he had sent someone to issue a challenge on the martial arts forum!

The target of this challenge was none other than Qin Yu!

“In three days, I will go to Chuzhou. I hope you are ready,” he teng said coldly on the martial arts forum.

Upon seeing this news, the martial arts forum immediately erupted!

“He Teng? The number one on the potential ranking?”

“Is the number one and number two finally going to fight?”

“What happened to Qin Yu recently? First, Hong Yimen issued a kill order, and then he teng from the Central Plains issued a challenge to him.”

“Maybe it caused public outrage.”

Countless people were discussing this matter, and some people even began to analyze the strength of the two.

“He Teng has always been the number one on the potential leaderboard. He should be able to suppress Qin Yu by a head.”

“That’s right. Other than the geniuses of those aristocratic families, he teng should be considered the number one person.”

“As the second person on the potential list, Qin Yu shouldn’t be too far off, right?”

For a moment, no one dared to make a hasty conclusion.

In their eyes, he teng and Qin Yu should be on par.

But at this moment, a mysterious person released an important news:

“He Teng has already stepped into the half-step martial Marquis Realm and defeated Ao Shuo, who is known as the number one person in the Central Plains.”

Following that, a video was posted on the Martial Arts Forum.

In the video, Ao Shuo tried his best and used all of his spells. He was in a sorry state.

On the other hand, he teng treated ao Shuo as nothing.

In just one move, ao Shuo’s ribs were broken and he fell to the ground.

The difference in strength between the two was obvious at a glance.

When this video was posted, countless people were shocked!

“He Teng has actually stepped into the half-step martial marquis realm? That’s a true top-notch person!”

“As expected of the number one person on the potential list. His potential is beyond imagination!”

“Ao Shuo has been known as the number one person in the Central Plains for many years. He has been in charge for many years and has never suffered a defeat. Today, he actually suffered such a miserable defeat!”

“Ao Shuo was unable to retaliate in front of He Teng. It seems that he teng has really stepped into the half-step martial Marquis Realm.”

Following that, the martial arts forum’s “Power Ranking of the younger generation” was finally updated.

It was the first time that he teng had broken into this ranking and was ranked tenth.

In that case, among the fire country’s younger generation, there were at least nine people who had stepped into the half step to the rank of a martial marquis.

This was almost equivalent to the official confirmation that he teng had really stepped into the half step to the rank of a martial marquis!

“Now that he teng is already a half step to the rank of a martial marquis, the gap between him and Qin Yu has widened.”

“If that’s the case, I’m Afraid Qin Yu has no chance of winning.”

“Although Qin Yu is a genius, no one can surpass the gap between a martial grandmaster and a half-step martial marquis. Even ye Qing can’t do it.”

Just now, Qin Yu and he Teng’s chances of winning were about the same, but in the blink of an eye, the evaluation was one-sided.

Therefore, everyone thought that Qin Yu was bound to lose.

After all, Qin Yu was only a martial grandmaster. It was impossible for him to defeat a half-step martial marquis.

Seeing the news on the martial arts forum, he teng couldn't stop laughing coldly.

“It's about time.” He Teng put away his phone.

“We'll set off tomorrow and head to Chuzhou.”

“Son, you... you... Why did you kill Ao Shuo?” At this moment, he rongshou walked in from outside the door.

He Teng glanced at him and said indifferently, “Isn't he the number one person in the Central Plains? Only by killing him can I replace him.”

He rongshou gritted his teeth and said with some grief and indignation, “AO Shuo has always regarded you as his nephew. Even if you want to establish your power, there's no need to kill him!”

Hearing this, he Teng's face immediately turned cold.

Sensing the murderous aura from he teng, he rongshou could not help but take two steps back.

He Teng looked at he rongshou like this. A moment later, he said coldly, “I became the number one person in the central plains. Aren't you happy? Because of me, the He family became the number one family in the central plains. Aren't you happy?”

He Rongshou opened his mouth and was immediately speechless.

That's right. When he rongshou forced he teng to win glory for the He family, how could he have thought of this.

...

At this moment, Qin Yu was still sitting under the Water Melody Pagoda, slowly recovering his physical strength.

After an entire day and night, Qin Yu's strength had only recovered 50% .

“The consumption of this spirit fire seal is too great. After only using it once, my entire body has almost sunk into a dry state.”Qin Yu frowned slightly.

Unless it was a critical moment, he absolutely could not use this spirit fire seal again.

“However... 50% of my strength should be enough to break through this door.”Qin Yu stood up from the ground.

The golden light on his body lit up at this moment. His two fists were even more like they were made of gold, shining brilliantly under the sunlight.

“Then, let me take a look at what secrets are hidden within this water rhyme tower..”Qin Yu said coldly.

Chapter 457: Chapter 457, he teng attacked

Golden Light surrounded Qin Yu's fist.

A terrifying internal Qi seemed to clash with the forbidden power on the door.

Then, Qin Yu roared, and his Golden Fist smashed towards the door!

Boom

A loud sound exploded!

The huge force caused the door to shake a little.

And outside the door, a barrier quickly formed.

Looking at this barrier, Qin Yu said in a low voice, “This barrier seems to be somewhat similar to the one on Meng Wuxiong’s body back then.”

Then, Qin Yu clenched his fist again and smashed it fiercely.

The barrier appeared again and blocked Qin Yu’s fist.

Qin Yu snorted coldly and immediately summoned the five mountains of honor and suspended it above his head.

With the support of a magic artifact, Qin Yu’s strength had shockingly entered another level.

The terrifying fist radiance produced bursts of explosive sounds at this moment.

“Let me see just how sturdy this door of yours is!” Qin Yu snorted coldly and then ruthlessly smashed his fist over!

“Boom!”

The door began to shake at this moment! Cracks appeared on the barrier that was lingering outside!

Qin Yu did not say anything, but clenched his fist and stood up!

One punch, two punches, three punches!

A huge explosion shook the valley. The birds and beasts seemed to have been startled, and they let out a sky-piercing wail.

Finally, when Qin Yu threw his fifth punch, this level of barrier shattered with a loud bang!

The door finally lost its protection.

“It seems that this forbidden power is nothing more than this,” Qin Yu said with a cold snort.

He reached out his hand and slowly pushed open the door.

The moment the door was opened, traces of Qi/spiritual energy rippled over!

This Qi/spiritual energy was different from the herbs. It seemed to be purer.

It was as if... ! All the Qi/spiritual energy was locked by this water melody pagoda!

A trace of surprise flashed through Qin Yu's eyes, followed by wild joy!

“I’ve never seen this kind of Qi/spiritual energy before!” Qin Yu exclaimed in shock!

Just this Qi/spiritual energy alone was enough to greatly increase Qin Yu’s strength!

However, Qin Yu knew very well that Qi/spiritual energy was probably not the only secret in this water melody pagoda.

That was because relying solely on Qi/spiritual energy, people like Meng wuxiong would definitely not be able to reach the peak of the Martial Grandmaster realm.

“Is there a secret treasure like the Enlightenment tea here?” Qin Yu scanned his surroundings and thought to himself.

There were a total of five levels in the water melody pagoda, and each level was extremely wide.

As Qin Yu climbed, the Qi/spiritual energy became denser.

When Qin Yu reached the fifth level, the dense qi/spiritual energy almost suffocated him!

“There’s definitely something wrong with this pagoda!” Qin Yu said in surprise.

The Spiritual Qi in the tower was obviously so dense, but there was not a single trace of Qi/spiritual energy around the tower.

The only explanation was that the tower used a spirit-locking array to ensure that the Qi/spiritual energy would not leak out.

As for where the Qi/spiritual energy came from, Qin Yu did not know.

Walking on the fifth level of the water rhyme tower, Qin Yu did not find any babe.

Just as Qin Yu was extremely distressed, he suddenly realized that his realm seemed to be slowly increasing without him realizing it.

“Huh?” A hint of surprise flashed across Qin Yu’s face.

Could it be... That this pagoda had a similar effect to the Enlightenment Tea? It could allow a person to increase their realm in a short period of time?

If that was really the case, then wouldn’t the path of cultivation in the future be smooth?

“There’s actually such a treasure in this world?” Qin Yu was abnormally excited!

He hurriedly sat down cross-legged and tried to absorb the surrounding Qi/spiritual energy.

Endless amounts of Qi/spiritual energy rushed towards Qin Yu’s body.

In addition to the mental cultivation method that Qin Yu obtained from the stairway to Heaven, Qin Yu successfully stepped into the third level of the light opening stage in just one day!

He was also a third grade martial grandmaster!

Such speed was simply jaw-dropping!

“This is simply a large-scale path-understanding tea!” Qin Yu exclaimed in shock.

Although the effect was not as simple and crude as the path-understanding tea, it could be used by many people!

If he borrowed this water rhyme tower, wouldn't it be easy to establish a sect? !

Qin Yu tried to find out the secret of this water rhyme tower, but unfortunately, he could not find the secret even after searching the entire water rhyme tower.

“It seems that it's impossible to take this tower away,” doctor Qin thought to himself.

However, greed was brewing in Qin Yu's heart.

“Since I can't take it away, I'll try my best to make it my own.” Qin Yu opened his mouth and revealed a sly smile.

Then, Qin Yu didn't waste any more time. He sat cross-legged on the ground and tried to cultivate in seclusion.

After all, there was still he teng who could come knocking at his door at any time.

A trace of internal QI, combined with Qin Yu's mental cultivation method, slowly cultivated in this water melody pagoda.

At this time, there was already an undercurrent in Chuzhou.

He Teng's challenge had almost spread throughout the entire martial arts world.

As the center of the storm, Chuzhou naturally received attention.

The officials of Chuzhou were rather happy. Because of He Teng, the number of tourists in Chuzhou skyrocketed!

In just a few days, countless people had come to the provincial capital of Chuzhou to witness this legendary battle.

Three days later.

He Teng's real body finally arrived in Chuzhou.

News of his arrival spread quickly.

“He Teng has arrived in Chuzhou!”

“If I'm not wrong, he should go directly to Qin Yu!”

“Qin Yu doesn't seem to have made a sound. could he have run away in advance?”

Just as everyone was discussing, he teng immediately arrived at Qin Yu's mansion after arriving in Chuzhou.

Unfortunately, Qin Yu was not there at all.

He Teng was not in a hurry. He immediately sent out a message:

“Qin Yu, I'll give you three days. If you don't show up, Don't blame me for being rude.”

After this message was sent out, there was still no news from Qin Yu's side.

Time passed by minute by minute, and in the blink of an eye, the second day had arrived.

However, Qin Yu seemed to have disappeared from the world and was nowhere to be seen.

He Teng couldn't help but frown and said in a low voice, "If this Qin Yu doesn't appear, don't tell me I have to stay in Chuzhou for the rest of my life!"

"You can try to attack the people around Qin Yu... spread the word that as long as he doesn't appear at the agreed time, you can attack the people around him."

"If he doesn't show up for a day, then kill a person." That hoarse voice rang out in He Teng's mind.

He Teng coldly snorted, "Do you think I haven't thought about it? This is a society ruled by law. Am I tired of living by publicly clamoring to kill people?!"

Different from ordinary martial artists, He Teng's ambition was extremely great.

Not only did he want to become the number one family in the central plains, he also wanted to make his family the number one family in the Central Plains!

He even had the same status as the aristocratic families in Jingdu!

Therefore, he definitely would not act like a desperado.

However, at this moment, he Teng's cell phone suddenly rang.

When he picked up the phone, he heard an extremely dignified voice from the other end.

“You are he teng?”The other party said coldly.

He Teng frowned slightly and said indifferently, “Who are you?”

“Jingdu Han family, Han Meng..”The other party said coldly.

Chapter 458: Chapter 458. The people were in a state of panic

Hearing the name of the Han family, he teng was still a little surprised.

He said politely, “Mr. Han, why are you looking for me?”

On the other end, Han Meng asked coldly, “I heard that you issued a challenge to Qin Yu?”

He teng sighed and said, “Yes, it's a pity that Qin Yu hasn't appeared yet.”

Han Meng was silent for a moment before he coldly said, “Then what do you plan to do?”

He teng hurriedly said, “I do want to threaten him, but it's not good to be too high-profile, so I can only wait.”

Han Meng coldly said, “Do what you want to do. As for the rest, the Han family will handle it for you.”

Hearing this, he teng was instantly overjoyed!

He hurriedly asked, “Mr. Han, is what you said true?”

“Yes,” Han Meng answered. “But I hope to see Qin Yu seriously injured or crippled.”

He Teng was a smart man. He immediately understood what Han Meng meant.

“Mr. Han, please rest assured. I will definitely give you a satisfactory result,” he teng said indifferently.

After hanging up the phone, Han Wei walked over from the side.

“Dad, why did you let him Cripple Qin Yu? Do you think I’m not a match for Qin Yu?” Han Wei said with some displeasure.

Han Meng glanced at Han Wei and said in a deep voice, “In order to prevent accidents, it’s better to cripple him first. If you lose...”

“No accidents, no IFS!” Han Wei said angrily.

“Who does Qin Yu think he is? He’s just an ant under my feet. I can stomp him to death with one foot!”

Seeing this, Han Meng said in a deep voice, “I believe in your ability, but not only do we have to win, we also have to win easily. Do you understand?”

“Moreover, don’t underestimate that Qin Yu.”

Han Wei clenched his teeth and said nothing in the end.

...

After receiving the call from the Han family, he Teng's eyes narrowed slightly.

“Since the Han family is backing me up, then I have nothing to be afraid of,” he Teng said with a cold smile.

Then, he immediately sent someone out to spread the word:

Three days later, if Qin Yu doesn't appear, then Mr. He will make a move on the people around Qin Yu.

If he doesn't appear for a day, then he will kill a person until he appears!

When these words were said, it immediately shocked the entire Chuzhou!

And the people related to Qin Yu were trembling!

“It seems that he Teng is very confident that he can use such a method to force Qin Yu to show up.”

“En, he is a half-step martial marquis after all. It is not difficult to get rid of Qin Yu.”

“Just wait and see. Let's see if Qin Yu will show up for the people around him or continue to be a coward.”

...

Time passed by minute by minute. In the blink of an eye, two days had passed.

There was only one day left before the day related to he teng.

However, there was still no movement from Qin Yu. No one could find any trace of him.

For a time, the whole of Chuzhou was in a panic.

Some people who were related to Qin Yu even ran away during the night, afraid that they would encounter difficulties!

“He Teng has already reached the door of his house, but this Qin Yu didn’t make any move. How Ridiculous.”

“He has already used his friend as a threat, but he still hasn’t shown up. It seems that he is a coward.”

“Hehe, I’m afraid that those who are related to Qin Yu will regret it.”

At this time, Tao Zi and Yao Qing still hadn’t left Chuzhou.

Although they knew very well that the first person he teng looked for was very likely them, the two of them still weren’t willing to leave.

“What if Elder Qin really doesn’t appear?” Asked Peach in a low voice.

Yao Qing waved his hand and said, “Impossible! He’s not the kind of person to run away at the last minute! Don’t worry, he should eat and drink!”

Speaking up to this point, Yao Qing said mysteriously, “I just stole a goat. Tonight, we’ll roast the whole goat and eat it!”

Peach couldn't help but sigh and said helplessly, "Your Trust is really big."

Yao Qing rolled his eyes and said, "I already said that you don't have to worry. Mr. Qin will definitely come back."

...

At this moment, Qin Yu was immersed in the cultivation of the water rhyme tower.

This kind of immersive cultivation made Qin Yu almost unable to feel the passage of time.

And his strength was also growing silently.

Qin Yu knew nothing about the outside world.

In the blink of an eye, three days had passed.

Qin Yu's strength had also stepped from the third level of the Enlightenment stage to the fifth level of the Enlightenment stage.

"According to this speed, at most a week, I will be able to step into the half-step martial Marquis Realm," Qin Yu thought to himself.

Among the same level, Qin Yu was not afraid of anyone, not even he teng or Han Wei.

Then, he closed his eyes again and continued to absorb the Qi/spiritual energy from the Shuiyun Pagoda.

Chuzhou was already at the center of the storm.

It was noon, and the sun was already high in the sky.

It was supposed to be a leisurely afternoon, but a piece of news made everyone anxious.

“The time is up, but Qin Yu still hasn’t appeared. I will keep my promise.”

He Teng’s words spread throughout the streets!

Yao Qing, who was still sleeping, was pushed up by Peach.

“Time is up. Elder Qin still hasn’t returned,” said peach with a frown.

Yao Qing rubbed his sleepy eyes and muttered, “Time is up so soon? It shouldn’t be...”

Peach was not in the mood to listen to his nonsense. She whispered, “Why don’t we leave Chuzhou first and lay low until elder Qin comes back?”

Yao Qing turned over and muttered, “I’m not leaving. I don’t believe that he teng can do anything to me...”

After saying that, Yao Qing fell into a deep sleep again.

Tao Zi couldn’t wait any longer. Of course, she didn’t want to leave Chuzhou, but if she continued to stay, she might lose her life.

After thinking for a while, Tao Zi gritted her teeth and said, “Forget it. Let’s take it one step at a time.”

Hence, peaches lay beside Yao Qing and also fell asleep.

At the entrance of the hotel, he teng was standing there quietly.

“Who should I start from?” He Teng thought to himself.

“Jianggu? Ancient Taichu? Or the four great families of Chuzhou?”

“As far as I know, there seem to be many families in Chuzhou. Good Qin Yu is very close to them.”

After thinking about it, he teng decided not to touch Jiang Gu and Gu Taichu for the time being.

These two people had a certain amount of influence, so they were kept for other purposes.

That afternoon, there was a piece of news from Chuzhou:

One of the four great families in Chuzhou, Wang Wu, was killed by He Teng in one move!

Once this news was sent out, people could not help but be stunned.

He Teng did not go to find Jiang Gu, but he actually made a move on Wang Wu?

Although the Wang family had long since submitted to Qin Yu, they weren't close to Qin Yu, and they even rarely met!

The next day, another piece of news was sent out:

One of the four great families, the Luo family's patriarch, was also killed in one move!

In the three consecutive days, three people from the four great families had died!

This was enough to prove that he teng wasn't joking!

Jiang family.

Jiang Gu stood in front of the window, staring into the distance.

At this moment, his butler Uncle Zhong suddenly walked forward and whispered, "The four family heads of the four great families have already died. I'm afraid we will be next."

Jiang Gu remained silent and did not comment on this.

"Master, I'm afraid that this Qin Yu will not come back. We should hurry and run." Uncle Zhong advised bitterly.

Jiang gu looked at uncle zhong coldly and said, "Impossible. He will definitely come back."

Uncle Zhong sighed and said, "Three people have already died. Do we have to wait for death in vain?"

Jiang Gu opened his mouth and sighed again and again.

Yes, what was the point of staying?

"Wait a little longer, wait a little longer." Jiang Gu took a deep breath.

He firmly believed that Qin Yu was not a person who avoided responsibility and would never be a coward.

Chapter 459: Chapter 459, strength explosively increased!

If Qin Yu still didn't return the next day, he might have to consider temporarily withdrawing from Chuzhou.

He Teng came menacingly and no one could stop him. Defending at this time was meaningless.

However, the next day, he teng sent out another piece of news.

He said publicly, "As long as you are willing to belong to me, he teng, you will be able to survive. This will be your last chance."

As soon as this news was sent out, countless people immediately stood on he Teng's side!

He Teng specially held a cocktail party to invite Qin Yu's old subordinates.

On the same day, countless people who had an affair with Qin Yu came to this cocktail party to express their loyalty.

At noon, nearly fifty people came to this cocktail party.

He Teng looked at everyone and said indifferently, "A good bird chooses a tree to perch on. You are all smart people."

The crowd raised their wine glasses and flattered, "Mr. He is unparalleled in the world. It is our honor to be able to follow him!"

"That's right. You are already a half-step marquis at such a young age, and you are also the number one person in the central plains. How can Qin Yu be compared to You!"

In the face of the crowd's flattery, he teng remained silent.

He glanced at them and said indifferently, "I don't think Jiang Gu is here, right?"

As soon as he said that, the scene fell into a short silence.

Almost everyone knew that Jiang Gu was Qin Yu's trusted aide, and he was a very important person in Chuzhou!

"Jiang Gu indeed didn't come," someone said.

"This person is Qin Yu's lackey. It's better to kill him directly."

He Teng snorted coldly and continued, "Where's Gu Taichu? He didn't come either?"

Everyone couldn't help but suck in a breath of cold air at the mention of this name.

Compared to Jiang Gu, Gu Taichu was even more famous! Moreover, his influence could spread throughout the entire Central Plains!

"Master Gu... perhaps he didn't receive any news," someone whispered.

He Teng's face was somewhat displeased.

In his eyes, Jiang Gu and Gu Taichu were more important than everyone present combined!

However, only these two didn't show up!

“Go and Tell Jiang Gu and Gu Taichu that I’ll only give them one hour,”he teng said coldly with his hands behind his back.

“If they don’t show up in one hour, I’ll show No Mercy!”

Everyone present quickly picked up their phones and called Jiang Gu and Gu Taichu.

Jiang Gu couldn’t help but look solemn when he received the call.

“This he teng is forcing us to make a choice,”Jiang Gu said in a deep voice.

Uncle Zhong whispered, “How about... We temporarily give in to He Teng. In any case, that Qin Yu won’t come back at all.”

Jiang gu frowned and shook his head. “No. If I add insult to injury, I’m afraid I’ll be hated for the rest of my life.”

“That Qin Yu abandoned us and ran away. How can he still have the face to hate us?”Uncle Zhong said with extreme displeasure.

Jiang gu glanced at him and said in a deep voice, “Mr. Qin might not know anything about Chuzhou.”

...

Gu Taichu also received the call.

His attitude was much clearer than Jiang Gu’s.

Gu Taichu said on the phone, “Please tell he teng that I have to see if he is worthy to submit to him.”

After saying this, Gu Taichu directly hung up the phone.

These words undoubtedly infuriated he teng!

At the banquet, a terrifying killing intent immediately burst out!

“Good, good! You’re Shameless!” He Teng said coldly.

“You really are two loyal dogs. I want to see what that Qin Yu can do for you!”

After saying that, he teng slammed the door and left.

At this moment, Yao Qing was sitting at home and waiting anxiously.

“He Teng is holding a banquet today, and we didn’t go. He must be very angry,” Yao Qing said, stroking his chin.

He stared at his phone and muttered, “If I’m not wrong, he should call us and force us to make a choice.”

Peach also nodded slightly and said, “That’s right. As the people closest to Elder Qin, he Teng’s first target must be us!”

However, time passed by minute by minute, and in the blink of an eye, it was evening.

The banquet had long ended, but Yao Qing and Tao Zi still did not receive a call.

“F * ck!” Finally, Yao Qing could not hold it in anymore.

“This dog he teng, he actually did not even look at us!”

Tao Zi rolled her eyes and said, “This is a good thing. At least we don’t have to face escape.”

Yao Qing muttered, “That being said, this he teng is looking down on us too much...”

“Alright, Alright. If you really are a giant, can you still stand here and talk?” Tao Zi rolled her eyes.

Even though that was the case, Yao Qing was still a little unhappy deep down.

...

Inside the water rhyme tower, Qin Yu’s body was burning with internal Qi.

At a glance, his body seemed to be wrapped up by streams of white qi.

It wasn’t that the entire water rhyme tower’s Qi/spiritual energy wouldn’t be depleted. It was just that the amount of spiritual energy stored in it was too large, so it didn’t seem to have been used up much.

But what was surprising was that ever since Qin Yu entered the water rhyme tower, the Qi/spiritual energy in it had been greatly reduced.

After a few days, the Qi/spiritual energy had almost reached a state of loss!

That night.

Qin Yu suddenly opened his eyes.

A powerful internal Qi rampaged through his body.

The terrifying power even supported his body!

Light gradually gathered on his skin like an armor, perfectly fitting with Qin Yu.

“In just a few days, I have reached the peak of the Enlightenment stage,” Qin Yu thought to himself.

He tried to take another step forward, but found that there was no more Qi/spiritual energy around him to absorb.

“The Qi/spiritual energy here is so dense, but it was completely absorbed by me?” Qin Yu scratched his head, looking a little embarrassed.

If he had found out about this, he would probably die of anger!

He had been cultivating in the water rhyme tower for several years, and his Qi/spiritual energy had hardly been lost.

However, in just a few days, Qin Yu had completely absorbed all the Qi/spiritual energy!

“It seems that I have to find some herbs and step into the half-step martial marquis realm as soon as possible,” Qin Yu clenched his fist and said in a low voice.

From the early-stage of the Enlightenment stage to the peak of the Enlightenment stage.

The difference in strength between them was beyond imagination.

And the higher the cultivation realm, the greater the space for the increase in strength.

Compared to the early-stage of the Enlightenment stage, Qin Yu's strength had increased by at least a hundred times!

“With my current strength, I shouldn't need to spend so much effort to fight against that Meng Wuxiong,” Qin Yu thought to himself.

“As for that he teng.... he shouldn't be a problem either!”

Chapter 460: Chapter 460, Qin Yu's return

With Qin Yu's current state of mind, it wasn't difficult for him to step into the half-step martial Marquis realm. He just needed a large amount of Qi/spiritual energy to support him.

Ordinary herbs probably wouldn't be effective anymore.

“If I had ten thousand-year-old herbs or a spiritual spring, I might be able to directly step into the half-step martial Marquis Realm,” Qin Yu thought to himself.

He calculated the time and found that there was only one and a half months left until September 9th.

If he could find enough Qi/spiritual energy in this one and a half months, then stepping into the half-step martial Marquis realm would not be a problem at all.

As for Han Wei, he would not be worth mentioning.

Therefore, Qin Yu planned to carry on the next journey to find Qi/spiritual energy.

After carrying Fang Yue out of the shuiyun tower, countless messages came from Qin Yu's phone.

He opened it and saw the text messages and phone calls from Yao Qing and the others.

“Mr. Qin, he teng came to Chuzhou and threatened to take your life.”

“Mr. Qin, if you don't come back, he will start killing the people around you, not letting anyone go...”

Other than Yao Qing, there were also countless messages from unknown numbers.

“Trash, cowardly Turtle!”

“You managed to escape on your own. The people around you all died at the hands of He Teng. How can someone like you call yourself the king of Chuzhou?”

“I really misjudged you. I didn't expect you to be such a SCUM!”

Seeing the flood of messages on his phone, Qin Yu's expression immediately turned ugly.

He hurriedly took out his phone and called Yao Qing.

As soon as the call was connected, Yao Qing said impatiently, “Mr. Qin, where are you?”

Qin Yu didn't answer this question, but asked anxiously, "What's the situation now?"

Yao Qing sighed, "The people from the four big families are all dead. He Teng even spread the word that as long as they obey him, they will be spared."

"Now, many people are standing by He Teng's side, but... He Teng seems to value Jiang Gu and Gu Taichu very much."

Hearing this, Qin Yu's expression immediately changed.

He hurriedly asked, "How are the two of them now?"

Yao Qing said, "Gu Taichu and Jiang Gu both rejected he teng, so... He Teng wants to kill them."

"Mr. Qin, you'd better come back quickly. Now, people in Chuzhou say that you're as timid as a mouse and a cowardly tortoise..."

Qin Yu took a deep breath and said in a deep voice, "I understand. I'll go back to Chuzhou now."

After saying this, Qin Yu picked up Fang Yue and hurried to the airport.

After buying the fastest flight ticket, he set off on the journey back to Chuzhou.

...

Chuzhou.

Many martial artists who had heard the news from other places were waiting for this big battle.

“TSK TSK, I wanted to see how Qin Yu was rubbed. I didn’t expect that he didn’t dare to fight at all.”

“Yeah, it’s been a few days and not a single person has appeared.”

“This is really wasting my time. Let’s Go!”

“The latest news is that he teng went to the Jiang Family!” At this time, a piece of news suddenly spread.

“It seems that he teng is going to make a move on Jiang Gu.”

“Let’s go and take a look.”

A group of people hiding in the dark rushed to the Jiang family.

Not only these martial artists from all over the world, even some ordinary people in Chuzhou were also paying attention to this decisive battle.

Although they didn’t understand what was going on, they all wanted to watch a show.

“I heard that Jiang Gu of the Jiang Group is also involved.”

“Yeah, Boss Jiang is a famous person in Chuzhou. I heard that he is quite close to that Qin Yu.”

“That’s bad. It has nothing to do with us. Let’s go to sleep.”

...

The Jiang family.

It was already late at night, but Jiang Gu hadn't fallen asleep yet.

The originally lively Jiang family had now become extremely deserted.

Many of Jiang Gu's followers had fled the Jiang family because they were afraid of death, afraid of being implicated.

"Master, it's getting late. Go and rest." Uncle Zhong took a coat and draped it over Jiang Gu's shoulder.

Jiang Gu let out a long sigh. He glanced at uncle Zhong and said, "Ah Zhong, you should go too. I don't want to implicate you."

Uncle Zhong shook his head and said, "Master, I've been following you for almost 30 years. As long as you don't leave, I won't go anywhere."

Jiang Gu opened his mouth, and a trace of bitterness flashed through his heart.

"Ah Zhong, take the bank card and leave quickly." Jiang Gu took out a bank card from his pocket and handed it to Uncle Zhong.

However, Uncle Zhong pushed the bank card back and smiled, "Master, I Won't leave."

Jiang Gu wanted to say something, but at this moment, he suddenly felt a strong internal Qi coming from outside.

This internal Qi was extremely terrifying. It was something Jiang Gu had never seen before!

"It's too late to leave now." Jiang Gu sighed.

He looked at Uncle Zhong and said in a low voice, “Ah Zhong, I’ve let you down.”

Before he could finish his words, a figure suddenly appeared behind Jiang Gu.

He turned around and saw he teng sitting on the sofa, sipping his tea.

Jiang Gu’s expression changed. He looked at he teng and said coldly, “Mr. He is visiting late at night. What’s the matter?”

He Teng took a sip of tea and said indifferently, “Don’t pretend to be ignorant. You made me lose face today. Don’t you know the consequences?”

Facing a half-step martial marquis, it was impossible to say that he was not afraid.

Jiang Gu suppressed the fear in his heart and tried his best to remain calm as he said, “With Mr. He’s strength, why would you lack me?”

He Teng narrowed his eyes and sneered, “You’re right. In My Eyes, you are indeed nothing!”

“But I, he, have always appreciated talents. If you change your mind now, it’s still not too late,” he teng said indifferently.

Jiang gu cupped his hands and said, “I, Jiang Gu, really have no fortune to enjoy. Mr. He, it’s better to find someone else.”

Hearing this, he Teng’s expression immediately turned cold.

“You don’t want face even if I give you face. Since you want to die, then I’ll satisfy you!” He Teng slowly stood up, his body full of killing intent!

“Mr. HE, this matter has nothing to do with Ah Zhong. He’s just an ordinary person. Let him go.” Jiang gu frowned and said with a slightly pleading tone.

He Teng raised his eyebrows and sneered, “You want me to let him go? Fine.”

As soon as he said that, he teng raised his finger and an internal Qi shot through uncle Zhong’s chest like a bullet!

Puff

A mouthful of blood spurted out of Uncle Zhong’s mouth! His internal Qi was dissipating rapidly!

“You!” Jiang Gu’s expression changed drastically!

“He Teng, you’re going too far!”

The internal Qi on Jiang Gu’s body burst out, and rays of dark golden light surrounded Jiang Gu’s body!

“I’m going to kill you!” Jiang gu shouted, and then rushed toward he teng!

He Teng sneered and lightly raised his fist to meet it.

“Dang!”

With just one punch, Jiang Gu was sent flying! His fist was almost rotten!

“This person’s body... is a sacred body. Kill him and take his body!” At this moment, the voice in He Teng’s mind rang out.

“Okay, I got it.” He Teng replied and then walked towards Jiang Gu.

Jiang Gu gritted his teeth and tried to resist. However, just as he was about to stand up, He Teng raised his hand and slapped Jiang Gu’s chest!

With this slap, Jiang Gu completely lost the ability to resist!

“Since you’re so loyal, then I’ll send you to Hell,” He Teng said coldly.

Light gathered on his hand, and a terrifying internal Qi reverberated in the room

Then, He Teng lightly slapped, and this power shot towards Jiang Gu!

“Bang!”

Just as this power ball was about to land on Jiang Gu’s body, a large hand forcefully grabbed this power ball!

“He Teng, I didn’t expect you to come here and throw your life away.”

The familiar voice entered Jiang Gu’s ears.

“Mr. Mr. Qin!” Jiang Gu shouted excitedly!

Chapter 461: Chapter 461, on the eve of the great battle

Qin Yu grabbed the ball of energy and squeezed it lightly. The ball of energy immediately exploded!

“Qin Yu?” He Teng narrowed his eyes and sneered, “You finally dare to come back?”

Qin Yu helped Jiang Gu up and then looked at He Teng coldly, saying, “Even if you don’t come looking for me, I will come looking for you.”

Hearing this, He Teng couldn’t help but laugh out loud and said, “Come looking for me? Do you know... that I am now at the half-step Martial Marquis Realm!”

“It’s not like I haven’t killed a half-step martial marquis before,” Qin Yu said indifferently.

He Teng couldn’t help but sneer and say, “You mean Meng Wuxiong? Although he has entered the half-step martial Marquis realm with the help of a magic treasure, he is still far from me!”

“Is that so?” Qin Yu’s energy surged all over his body. He pushed Jiang Gu to the side and then said coldly, “Then let’s try it.”

Seeing that Qin Yu was about to make a move, He Teng suddenly waved his hand and said, “No rush, no rush. We are both famous people of the younger generation. How can we fight in such a place?”

Qin Yu narrowed his eyes, as if he had guessed He Teng’s intention.

He withdrew his internal qi and said indifferently, “You want to borrow my position? Fine, I also have the same intention.”

He teng sneered and said, “Okay! Then tomorrow evening, I’ll see you by the Lake!”

“I won’t leave until I see you,”Qin Yu said coldly.

He Teng didn’t say anything more and turned around to leave.

At this time, the people who were watching the battle in the dark couldn’t help but be shocked!

“This Qin Yu actually came back!”

“TSK TSK, this is really shocking. I thought he was going to be a coward for the rest of his life.”

“Did you hear what Qin Yu said just now? He said that it’s not like he hasn’t killed a half-step martial marquis before!”

“Are you bragging? He’s just a martial grandmaster. How could he kill a half-step martial marquis...”

“Whether it’s true or not, we’ll naturally know tomorrow. TSK TSK, this trip wasn’t in vain.”

...

Qin Yu looked at Jiang Gu and asked, “How are you? Are You Okay?”

Jiang Gu shook his head. A trace of pain flashed across his face. Then, he looked at Uncle Zhong who was lying on the ground.

“Ah Zhong he...”Jiang Gu’s face was full of sorrow. Anyone who saw him would feel sorry for him.

“Uncle Zhong?” Looking at the person lying on the ground, Qin Yu also thought of this person.

He was Jiang Gu’s butler and extremely loyal.

Back then, he tried to get rid of Qin Yu, but his Dantian was crippled by Qin Yu.

“Ah Zhong is my butler and my best friend for many years. I...” Jiang Gu opened his mouth, not knowing how to express his pain.

Qin Yu didn’t say anything. He walked to Uncle Zhong and raised his hand, injecting a trace of Qi/spiritual energy into his body to temporarily protect his vital meridian.

“Don’t worry. He will be fine.” Qin Yu patted Jiang Gu’s shoulder.

Jiang Gu hurriedly raised his head and said anxiously, “Really?”

“When have I ever lied to you? You should rest well.” Qin Yu smiled.

After saying that, Qin Yu was ready to leave.

“Mr. Qin!” At this time, Jiang Gu called out to Qin Yu.

“You must be careful.” Jiang Gu took a deep breath and said.

Qin Yu nodded to Jiang Gu and said, “Don’t worry, I will definitely fall for he teng.”

After saying this, Qin Yu turned around and left.

After returning, Yao Qing and Tao Zi hurriedly ran out.

“I knew you wouldn’t run away at the last minute!” Yao Qing said excitedly.

Tao Zi also nodded hard and said, “By the way, Elder Qin, didn’t your Dantian get crippled? Why are you still...”

Qin Yu smiled faintly and said, “It’s fake. I’m doing very well, better than ever.”

“It’s actually fake?” Peach was stunned.

At this moment, she seemed to have suddenly thought of something and said anxiously, “Then the Divine Alchemist Pavilion chased you out as well...”

“It’s also fake.” Qin Yu nodded his head and said.

Peach immediately felt waves of regret. If she had known this would happen, she wouldn’t have thrown the token away!

“Don’t worry, I will get someone to repair the token for you,” Qin Yu said with a smile.

“It’s getting late. Hurry up and get some rest.”

In the past few days, Qin Yu hadn’t had a good rest. He turned around and went back to his room to sleep.

The next day.

The news of Qin Yu’s return quickly spread throughout Chuzhou!

And the news that Qin Yu and he teng were going to fight by Yiyang Lake spread like wildfire.

The martial arts forum was also in an uproar.

“Qin Yu really came back.”

“I just got some news that Qin Yu seems to have killed a half-step martial marquis.”

“It seems that his Dantian was damaged because he was faking it.”

“Hehe, I guessed it long ago. I said he was faking it, and I was criticized.”

“It’s said that the Jiangbei martial arts forum will broadcast it live. Don’t miss this unprecedented battle!”

“The two strongest people on the potential list are finally going to fight.”

At two o’clock in the afternoon.

The Lakeside of Yiyang Lake was already filled with people.

The Jiangbei Martial Arts Forum had sent reporters early on. They stepped on the spot and found their seats. Then, they quietly waited for Qin Yu’s arrival.

“It’s really a magnificent scene. It’s been a long time since Chuzhou was so lively.”Jiang gu arrived at the scene early and couldn’t help but sigh.

“Yes, Chuzhou has always been a weak area of martial arts. Ever since Mr. Qin’s appearance, this stalemate has finally been broken.”

At a glance, there were at least close to a hundred people by the side of Yiyang Lake. Among them, there was no lack of martial grandmasters.

Even though they had restrained their internal Qi, they could still feel a strong surge of internal Qi.

At five o’clock in the afternoon, he teng finally arrived at the side of Yiyang Lake.

“Mr. He is here!”

“He is the number one person on the potential list, a true half-step martial marquis!”

“What a powerful internal Qi! This person’s strength is beyond imagination!”

In the dark, an old man was also quietly looking at He Teng.

“This person’s strength is probably on par with yours,” the old man said.

The young man beside him immediately said unwillingly, “How is that possible! He has just entered the half-step martial marquis realm, how can he be my opponent! Master, you underestimate me too much!”

The old man shook his head and didn’t say anything.

Soon, Qin Yu’s figure appeared in everyone’s field of vision!

Compared to he teng's powerful internal Qi, Qin Yu looked extremely calm. Almost no fluctuations of his internal Qi could be seen.

“Peak-stage Martial Grandmaster?” The old man could see Qin Yu's strength at a glance.

The young man next to him snorted, “Master, is this the Qin Yu You've always thought highly of? He's just so-so!”

The old man glanced at the young man, stroked his beard, and smiled, “What if he can defeat he teng, who is half a step away from the Marquis of Wu, with the realm of a Martial Grandmaster?”

Chapter 462: Chapter 462, I' ll show you!

“Master, don't you think too highly of Qin Yu?” The young man was obviously very displeased.

The old man smiled and didn't say anything else.

This old man was none other than Jiang he, who was as famous as ye Qing.

Standing in the crowd, his internal Qi was extremely quiet. No one would look at him anymore. He was truly hidden in the city.

Not far away, the crowd slowly retreated, leaving a space for Qin Yu and he teng.

The number one on the potential ranking list and the number two had finally met.

This battle was even rated as the Battle of the century by the martial arts forum.

He Teng stood on the shore of the Yi Yang Lake with his hands behind his back, quietly waiting for Qin Yu.

His eyes were slightly closed, and his internal Qi was restrained. He looked like an expert.

On the other hand, Qin Yu took two steps at a time. His face had a trace of coldness, as if there was some kind of feud between the two of them.

Soon, Qin Yu walked in front of He Teng.

The internal Qi on his body was slightly released. Streams of killing intent came from all directions and directly approached he teng!

He Teng's eyes suddenly opened!

He looked at Qin Yu in front of him and said indifferently, "You really dare to come."

Qin Yu didn't listen to his nonsense and went straight to the point, "Before we fight, let me ask you a question."

"Oh?" He Teng raised his eyebrows.

Qin Yu said coldly, "What's going on with Fang Yue? Why is she unconscious? What Sorcery did you use?"

Hearing this, he teng couldn't help but burst into laughter.

Then, he looked at Qin Yu with a bit of amusement and said, “She’s just a B * TCH. Why do you care so much?”

Qin Yu was not in the mood to listen to his nonsense. He frowned and said, “Tell me, who exactly are you going to reply to?”

He Teng said indifferently, “Aren’t you an elder of the Divine Alchemist Pavilion? Why do you have to ask me?”

“If you want to say it, then say it. If you don’t say it, then shut up. Why do you have to compete with a woman and talk endlessly?” Qin Yu said impatiently.

He Teng’s old face darkened. He snorted coldly and said, “You can’t even protect yourself. Do you still have the mood to care about others?”

“Moreover, what obligation do I have to tell you?”

Qin Yu waved his hand and said, “Okay, then I’ll ask you after I Cripple You.”

“Hahahaha!” Hearing this, he teng immediately raised his head and laughed loudly.

“Qin Yu, you’re overestimating yourself too much! Do you know how big the gap is between a half-step martial marquis and a Martial Grandmaster!”

“Moreover, you’ve only just become a martial grandmaster!”

Qin Yu stretched lazily and said with a faint smile, “A scholar should be treated differently after three days. How do you know that I haven’t improved?”

He teng sneered, “It’s only been half a month since we last parted. Even if you’re the chosen one, how much can you improve in such a short time?”

Hearing this, a trace of slyness flashed across Qin Yu’s face.

For some reason, this trace of Slyness made he teng feel a little uneasy.

“You are able to step into the half-step martial marquis realm in such a short time, why can’t I improve?” Qin Yu raised his eyebrows and said.

He teng snorted lightly, “That’s because I have my own secret technique!”

“Secret technique?” Qin Yu grinned.

“Are you referring to the tower in Dongchuan City?” Qin Yu asked with a smile.

Upon hearing this, he Teng’s expression immediately changed!

His pupils suddenly constricted, and the internal Qi on his body also fluctuated violently at this moment!

“You... you have entered the water rhyme tower?” He Teng’s expression was extremely ugly!

Qin Yu suddenly came to a realization and said, “Oh, so that tower is called the water rhyme tower. What a good name.”

“Impossible! The water rhyme tower has long set up a forbidden power. Without my permission, no one can step into it!” He Teng said coldly.

Qin Yu smiled faintly and said, “Forbidden Power? I smashed it into pieces with just three punches. Isn’t the forbidden power you set up too child’s play?”

He Teng’s expression became increasingly gloomy, as if a layer of haze had covered his face.

But even so, he teng was still unwilling to believe it.

“You Want to Bluff Me? Do you think I’ll believe it?” He Teng snorted coldly.

“You don’t believe me?” Qin Yu nodded.

“Alright then, I will let you see what kind of changes I have had in the past half a month...”

As soon as he finished speaking, Qin Yu’s internal Qi began to climb rapidly!

Terrifying spiritual power filled Qin Yu’s chest!

As his internal Qi increased, the entire ground began to tremble!

The shore of the lake was even shaken by the violent waves!

Hong Long Long..

The Earth began to tremble, and the air began to surge. Tornadoes appeared as if the end of the world had arrived!

“What... What’s going on?”

“An earthquake is coming?”

Countless ordinary people were so frightened that their faces turned pale as they fled!

The martial artists watching the battle in the dark were even more shocked!

“What... what a powerful internal Qi!”

“This is definitely not an internal Qi that an ordinary martial grandmaster can possess!”

“What a powerful internal Qi.... and this internal Qi is still rising!”

My Rich Wife – Chapter 463 –

Chapter 463: Chapter 463, facing He Teng!

Upon sensing Qin Yu's internal Qi, a trace of shock flashed across everyone's faces!

“How could this Qin Yu's internal Qi be so powerful?!”

“Peak-stage Martial Grandmaster? Even peak-stage martial grandmasters don't have such a powerful internal Qi, right?”

“Could it be that he has also stepped into the half-step martial marquis realm? impossible. Although this internal Qi is powerful, it is slightly different from the internal Qi of a half-step martial marquis.”

The crowd discussed animatedly. Their interest in this battle grew even more.

“How is it? Do you still doubt it now?” Qin Yu said indifferently with his hands behind his back.

He Teng's expression was even uglier than eating shit. He stared at Qin Yu and said through gritted teeth, “You... you actually entered the water rhyme tower!”

“Yes.” Qin Yu sneered.

“Otherwise, what do you think I've been doing these past few days?”

The anger in He Teng's heart had already reached its peak!

Qin Yu had already ruined his plans many times. First, he snatched away the dragon spirit, and now, he snatched away the water rhyme tower. How could he teng tolerate this!

But very quickly, he Teng's expression eased up.

He narrowed his eyes and said, "So what if you entered the water rhyme tower? As long as you haven't stepped into the half-step martial Marquis Realm, you're not my match!"

"After I kill you, the water rhyme tower will still be mine!"

Qin Yu sneered and said, "Then come and try it."

Before he could finish his words, he teng shouted and his fist instantly closed in on Qin Yu!

Qin Yu raised his hand to meet him head-on. The moment his two fists collided, an energy wave spread out in all directions with the two of them as the center!

Just the probing from both sides had forced back countless people!

Even many martial grandmasters couldn't help but take a few steps back!

"There's no need for this kind of probing, right?" Qin Yu released he teng and said coldly.

He Teng took a deep breath, and a trace of solemnity flashed across his face.

Just a simple collision had already made he teng feel a trace of pressure.

“This child must die. Otherwise, there will be endless trouble in the future...” that hoarse voice sounded in he Teng’s mind.

He Teng didn’t say anything more. He looked at Qin Yu coldly. The aura of a half-step martial marquis exploded in an instant! The internal Qi of the half-step martial marquis exploded!

This internal Qi was even more powerful than Qin Yu’s!

The terrifying aura made people tremble!

Those who were weak were shocked to the point of vomiting blood!

If it weren’t for Jiang he’s secret attack, the bodies of the ordinary people present would have been shattered!

“A half-step martial marquis indeed lives up to his reputation.” Looking at he teng in front of him, Qin Yu sighed.

He Teng said coldly, “Qin Yu, you really... deserve ten thousand deaths!”

After saying that, he teng’s figure disappeared into thin air!

In the next second, he teng appeared in the sky above Qin Yu!

His entire body seemed to have turned into a sharp blade, and the light from above stabbed down fiercely toward Qin Yu’s head!

The ground beneath Qin Yu’s feet immediately shattered, and the entire side of the lake stirred up a myriad of waves!

This was one of He Teng's killing moves. Its power was unquestionable, and even Qin Yu did not dare to neglect it!

“Absolute beginning Sacred Fist!”

A golden light instantly rose up and met it head-on!

“Boom!”

It was as if a huge collision had occurred between the heaven and earth. The resplendent light almost made it impossible for one to open their eyes!

Qin Yu's body was like a nail that was ruthlessly smashed into the ground!

Dense cracks appeared on the soil under his feet. Then, a huge pit that was several meters wide appeared in everyone's field of vision!

With just this attack, the clothes on the two of them were shattered, revealing their strong muscles.

The two of them looked at each other across the air with a hint of seriousness on their faces.

“So powerful... if it were me, I'm afraid I'd already be dead...” a martial grandmaster said in a trembling voice.

“If you were in the center of this aura, even a peak martial grandmaster would probably be heavily injured.”

“I really didn't expect this Qin Yu to be so powerful...”

Qin Yu crawled out of the pit. He was afraid of the soil on his body and said coldly, “Do you still want to continue testing? He Teng, I don’t believe you only have this bit of ability.”

“What? ! You’re still testing me?”

“This almost destructive spell is just testing me?”

“Their strength seems to have exceeded our imagination...”

The people around were extremely shocked. Just testing them was already so powerful. What kind of scene would the real fight be like?

He Teng looked at Qin Yu coldly and said, “I’ve really underestimated you...”

Qin Yu sneered and said, “Bring out your trump card. Otherwise, I’m afraid you won’t have a chance.”

As he spoke, Qin Yu’s body flashed with a golden light. The third level of the saintly body technique was revealed at this moment.

The golden light made Qin Yu Indestructible. At a glance, he looked like a golden immortal.

On the other hand, he teng no longer hid his strength. His entire body emitted a strange aura, and several imprints were faintly revealed on his chest. The internal Qi of his body was extremely strong.

“These imprints... could they be spirit pills?”Qin Yu frowned.

He Teng remained silent. He sneered and said, “Qin Yu, I’ll show you what a true half-step martial marquis is!”

After saying that, he teng went straight in. In the blink of an eye, he arrived in front of Qin Yu!

“Fight with my body? Are You Crazy?” Qin Yu sneered repeatedly. His golden palm drew a parabola and ruthlessly struck toward he teng!

“Swish!”

Just as the palm was about to land on he Teng’s body, he teng’s figure suddenly disappeared!

His extremely fast speed even left an afterimage in the air!

“Bang!”

Before Qin Yu could regain his senses, a huge palm smashed onto Qin Yu’s spine!

With just one punch, the Golden Light on Qin Yu’s body was directly shattered!

With one punch penetrating through the sacred body technique, the half-step martial marquis title was well deserved!

“Swish!”

Without waiting for Qin Yu’s reaction, he teng attacked again and smashed into Qin Yu’s chest at an extremely fast speed!

“Deng Deng Deng!”

Qin Yu’s body retreated seven to eight steps in a row, and his chest sank slightly!

Facing a half-step martial marquis, even Qin Yu's physical body could not withstand it!

“Bang Bang Bang!”

He Teng struck while the iron was hot. His body was like a cannonball, smashing into Qin Yu's body from all sorts of strange angles.

The attack seemed simple and unadorned, but it contained a destructive power!

With a glance, everyone could only see he Teng's afterimages, as well as Qin Yu, who was knocked to the side!

“Pu!”

Under this impact, Qin Yu couldn't withstand it anymore. A mouthful of blood suddenly spurted out from his mouth!

“It seems that there is still a difference between Qin Yu and he teng.”

“Yes. After all, he is a half-step martial marquis and a peak martial grandmaster. It is already commendable that Qin Yu didn't lose for a short period of time.”

“Master, it seems that you overestimate Qin Yu,”Jiang he's disciple said gloatingly.

Jiang he stroked his beard and said, “Not Necessarily.”

“Humph, not necessarily? This Qin Yu was beaten so badly that he didn't even have the strength to fight back. It is obvious that he is going to lose,”his disciple said unwillingly.

Jiang he stared ahead and said indifferently, “Look, Qin Yu is starting to fight back.”

Chapter 464: Chapter 463, the Matchless Battle!

He Teng’s incomparable speed was indeed hard to catch.

Qin Yu was pushed back repeatedly, almost without the ability to retaliate.

However, just as he teng attacked Qin Yu for the umpteenth time, a large golden hand suddenly stretched out and grabbed he teng’s neck!

He Teng’s expression instantly changed!

For some unknown reason, his speed seemed to have increased by a lot in that instant just now!

It was also in this instant that he slowed down that Qin Yu seized the opportunity and grabbed his neck!

“Have you fought enough? Is It My Turn Now?” Qin Yu’s steel-like palm grabbed he teng’s neck and said coldly.

He Teng’s expression changed. He was just about to struggle when the golden palm ruthlessly whipped over!

“Pa!”

A loud sound rang out as it ruthlessly struck he Teng’s face!

The strength of Qin Yu’s physical body was extremely great. Under this slap, he Teng’s mouth immediately began to overflow with blood!

“Pa!”

Another slap!

Qin Yu exerted all his strength and grabbed he teng with one hand while his other hand continuously struck he Teng’s face!

One slap, two slaps, three slaps...

The sounds of slapping kept on ringing in their ears, and everyone was dumbfounded by what they saw.

“What... is going on?”

“A half-step martial marquis is being whipped in the air by a Martial Grandmaster?”

“Damn it... It’s as if he’s hitting his son...”

Everyone gulped, as if they couldn’t believe what was happening!

“If this continues, he teng will be whipped to death...”

“Such pure physical strength is unheard of...”

“Could it be... that it’s over just like that?”

Just as everyone was shocked, a black light suddenly erupted from He Teng’s body!

“Enough!”

With a loud shout, the terrifying internal Qi was directly pushed back by Qin Yu!

Meanwhile, he Teng's body was already enveloped by a black light like ink!

Every inch of his skin appeared to be the purest of black. Under the illumination of the setting sun, it flickered with a strange light.

“Qin Yu, don't think that only your physical body is strong!” He Teng wiped the blood at the corner of his mouth and said angrily!

“You are only a martial grandmaster. What right do you have to fight with me, a half-step martial marquis!”

“Even if I fight with my physical body, I'm still not afraid of You!”

With he Teng's explosive shout, the black light on his body became even purer!

Even though he was far away, he could still feel the cold air on he Teng's body!

Qin Yu stared at this black body and sneered, “What the hell? Did you smear dog shit on your body?”

He Teng did not pay attention to Qin Yu's insult. After he shouted, he actually took the initiative to rush towards Qin Yu!

“Taking the initiative to fight with my physical body. It seems that you are very confident!” Qin Yu snorted coldly. He did not waste any more time and immediately shot out explosively, charging towards he teng!

“Clang Clang Clang!”

Both sides unleashed their purest physical bodies to collide!

Terrifying explosive sounds were like muffled thunder as they continuously exploded in midair!

Black Light and golden light years interweaved. The extremely fast speed was even difficult to capture!

Blood dyed the sky, and the Qi and blood churned. Streams of terrifying power spread out in all directions!

Under the collision of the two, the surrounding hills were all shattered, and the river water even began to evaporate!

The spectators were dumbfounded, and they swallowed their saliva crazily!

What kind of strength was this collision? How many years had it been since a fight of this level had appeared?

“Boom!”

He Teng's Black Fist exploded on Qin Yu's chest. It contained a monstrous internal qi and instantly forced Qin Yu back.

Qin Yu's fist also smashed into He Teng's face!

In the next second, both sides exploded again and launched a second round of attacks!

“Go to hell!” He Teng raised his head and roared. The black light turned into a giant dragon and charged towards Qin Yu with a buzzing sound!

Qin Yu didn't want to be outdone. He immediately used the absolute beginning holy fist and swung his entire hand!

“Boom!”

The huge collision forced Qin Yu back a few steps!

A mouthful of blood spewed out from his mouth!

Cracks appeared on Qin Yu’s body and the golden light seemed to have dimmed a little.

Even Qin Yu himself didn’t expect that he would be at a disadvantage just from the collision of their bodies.

“The gap between a martial grandmaster and a half-step martial marquis is really a huge gap,” Qin Yu said in a low voice as he stared at He Teng in the air.

If they were at the same level, Qin Yu would only be able to kill He Teng with a raise of his hand.

However, there was a huge difference in strength even though they were only one step apart.

He Teng looked at Qin Yu coldly and said, “Is this all of your abilities? It seems that you are just so-so!”

Qin Yu looked at He Teng in the air and said in a deep voice, “If I step into the half-step martial marquis realm, I’ll kill you in less than three breaths.”

He Teng’s expression changed, and a trace of unsightly expression flashed across his face.

Although he was unwilling to admit it, Qin Yu was telling the truth.

With the power of a martial grandmaster, fighting to such an extent already made he teng feel afraid.

If this Qin Yu stepped into the half-step martial marquis realm, he probably wouldn't be able to fight back at all.

“It's precisely because of this that I can't let you live,” he teng said with narrowed eyes.

“No matter how strong you are after stepping into the half-step martial marquis realm, it's useless. Because... you will never have that chance!”

Following he Teng's furious roar, his body began to curl up!

Then, black light began to gather above his head!

The moment this energy gathered, the ground began to tremble!

Streams of divine might spread out from the black light. No one knew what spell he teng had used, because it did not come from the He family!

“The four symbols demonic seal from hundreds of years ago?” Jiang he, who had been silent all this time, suddenly asked.

Hearing this, his disciple hurriedly asked, “Master, what is the four symbols demonic seal?”

Jiang he said in a deep voice, “In the early years when I traveled the world to temper my dao heart, I once saw the records of this technique. It is said that the complete four symbols demonic seal can suppress

everything and cut off a thousand gold pieces. It will be shattered upon contact.”

“So, does that mean that Qin Yu is going to lose?” His disciple said with some excitement.

Jiang he shook his head and said in a low voice, “In short, it’s not good.”

As he spoke, the internal Qi on Jiang he’s body even began to surge.

Seeing this, his disciple hurriedly said, “Master, you promised that you wouldn’t attack!”

Jiang he opened his mouth. After hesitating for a while, the internal Qi on his body finally slowly disappeared.

The Black Light in the air was still condensing, as if it had absorbed the essence of the world. The powerful deterrent force was so strong that people could not stop vomiting blood.

There were even people who were turned into minced meat on the spot by this pressure and died tragically.

Even Qin Yu felt an extremely strong pressure, and his body continuously made cracking sounds.

This was a terrifying power that was like an ocean. Qin Yu even had the intention to retreat.

“Hualala!”

However, at this moment, countless chains grew out from under Qin Yu's feet!

These chains seemed to have come from the nine serenities hell, and they bound Qin Yu tightly, making him unable to move!

“Since I can't escape, then I can only take it head-on.” Qin Yu took a deep breath.

A divine seal appeared between his brows, and he chanted a spell silently. Golden light flashed on his body, as if he was casting some secret technique!

The surrounding aura gathered in Qin Yu's internal Qi, and his physical body seemed to have grown a little bigger.

“This is.... the cosmic form ? !” Jiang he's pupils constricted as if he had seen something.

Chapter 465: Chapter 464 was just so-so!

Jiang he's eyes were filled with shock, and he even lost his composure!

Even his disciple at the side said in surprise, “Master, What's wrong? I've never seen your expression before...”

Jiang he didn't say anything. His eyes were fixed in Qin Yu's direction.

Qin Yu's internal Qi was getting denser and denser. The five-colored radiance kept lingering around his body, forming a sharp contrast with the black light in the sky.

“Huala!”

Finally, with a loud sound, Qin Yu’s body suddenly expanded!

His height, which was only 1.7 meters, suddenly increased to nearly three meters!

At a glance, he looked like a giant!

All the light started to be restrained at this moment. Qin Yu’s body was once again dyed with a layer of golden yellow!

“It’s really the Infinity Dharma Idol!” The shock in Jiang he’s eyes became more and more intense.

“Limitless Dharma Idol? What’s That?” His disciple asked in confusion.

Jiang he didn’t say anything. He stared in Qin Yu’s direction. After a while, he couldn’t help but smile bitterly and say, “It’s unbelievable...”

Qin Yu’s body grew bigger, and his internal Qi also became denser.

However, the real improvement of the limitless dharma idol was still his physical body!

At this moment, Qin Yu’s physical body and strength had both improved qualitatively!

“What Bullsh * T is This!” It was obvious that he teng had never seen this technique before.

He sneered and said, “Putting on an act, a mere ant technique is not worth mentioning!”

Qin Yu did not say a word. He coldly looked at the black brilliance in He Teng’s hand, and a trace of coldness flashed in his eyes.

“Five Mountains of Honor Mountain, Rise!”

Then, Qin Yu shouted loudly, and the Five Mountains of Honor Mountain immediately hung above his head!

With so many buffs, such as magic tools, the power of the Divine Dragon, and heaven-ranked martial arts, Qin Yu’s strength had already reached an unfathomable level!

“What on Earth is this thing?” The onlookers also began to discuss in a low voice.

“I know quite a lot about the body-enlarging spell, but it doesn’t seem to be very effective. It’s strong on the outside, but weak on the inside.”

“That’s right. The strength doesn’t lie in the size of the body, but in the depth of the internal Qi. Although Qin Yu’s body has become much larger, the growth of his aura is somewhat insufficient.”

On the other hand, the black light in He Teng’s hand made people even more terrified.

Even though they were far away, they could still feel the intense killing intent contained in the light!

“Qin Yu, today is the Day You Die!” He Teng raised his head and roared. The black light in his hand was hurled fiercely at Qin Yu!

The moment it was thrown, everyone felt their hearts shake!

It was like a meteorite falling from the sky, carrying an intense pressure!

“Pu!”

Even a peak martial grandmaster couldn't withstand this force and spat out a mouthful of blood on the spot!

As for ordinary martial grandmasters, they knelt on the ground and struggled to withstand this pressure!

“Pu Chi!”

There were even some who turned into a pool of blood mist and exploded out of thin air!

Seeing this, Jiang he immediately waved his large palm, and a gentle power temporarily protected everyone.

“Stand further away, don't blame others if you die!” Jiang he's disciple couldn't help but berate.

Hearing this, everyone quickly retreated hundreds of meters, afraid that they would be implicated!

“Rumble...”

The black light turned into a ball, and with an extremely strong pressure, it rolled towards Qin Yu!

Qin Yu's face was solemn, and his muscles bulged. Every inch of his body contained the power to destroy mountains and rivers!

“Come on!” Qin Yu roared. He raised his hands and met the attack head-on!

“This kid wants to fight head-on!”

“Is he crazy? I feel like my bones are about to be crushed even though we are so far away. He wants to fight head-on!”

“Mr. Qin!” Jiang Gu and the others shouted in unison!

“Boom!”

Finally, the black light collided with Qin Yu’s hands!

In an instant, the ground under Qin Yu’s feet exploded! It turned into a pile of ruins!

At this distance, Qin Yu’s legs kept sinking, and a huge pit was formed on the ground!

Looking at the devastated scene, everyone could not help but suck in a cold breath.

The black light was still pressing down, and everything that was close to it was turned into dust. Even the lake water evaporated instantly!

“It’s useless,” he teng said with a cold smile.

“But you’re already worthy of praise for being able to hold on for so long.”

This pressure was beyond imagination. Qin Yu’s body seemed to be violently squeezed, and traces of blood dripped out.

“Kacha!”

Finally, his body could not take it anymore. His bones pierced through his shoulders, and he was naked in the air!

Looking at the ghastly white bones, everyone’s faces could not help but turn pale!

“Ah! ! !”Qin Yu roared angrily, his hands firmly supporting the black brilliance!

His legs shone brightly, and in an instant, the brilliance was actually pushed back!

“Hehe, you’re overestimating yourself.”He Teng snorted coldly. He reached out with his palm, and the light surged once again!

Qin Yu’s body sank down again, and this time, layers of cracks appeared on the bones of his legs!

“He can’t take it anymore. His body can’t take it anymore,”someone said in a low voice.

“It’s already pretty good that he can take it this far.”

“Qin Yu is a true God. He forced he teng to such an extent as a martial grandmaster.”

“He is a person worthy of respect.”

Even though they had expected Qin Yu’s ending, at this moment, everyone acknowledged Qin Yu.

Kacha

The light passed through Qin Yu's hands, as if it wanted to swallow him up.

At this moment, even Jiang he's face flashed with a trace of solemnity.

The light continued to descend. In a short while, more than half of Qin Yu's body had disappeared into the light!

"Mr. Qin..." Yao Qing's face was pale, and pain crawled all over his pale face.

Finally, Qin Yu's entire body was swallowed by the light.

The scene fell into silence, and the stubborn golden light completely disappeared into thin air.

"Once it's swallowed by the four symbols demonic seal, there won't be any chance to escape. What a pity." Jiang he sighed slightly.

He understood the four symbols demonic seal. It was a unique cultivation technique. As long as the practitioner's realm was above the opponent's, he would be crushed upon contact!

Even if the opponent was lucky enough to survive this pressure, he would still be swallowed by it.

Once swallowed, there would be no chance of escape.

"If I give him some more time, he will definitely become the person who stirred up the world..."

At this moment, even Jiang he's disciple sighed for Qin Yu.

“Let's go.” Jiang he waved his hand and said.

“Yes, Master.” His disciple nodded and prepared to leave.

The surrounding people also sighed. “In the end, he was still slightly weaker in terms of realm. Even though he lost, it was still glorious.”

“The name Qin Yu will definitely be passed down forever.”

“It's time to go. Everything is over.”

Just when everyone was about to turn around and leave, a crack suddenly appeared in the Black Ball of light!

“Ah! !”

With an angry roar, a golden light appeared in the crack of the Black Ball of light!

One, two, three!

Countless dazzling lights penetrated the black ball of light like a full moon in the dark night, illuminating the entire sky!

“How.... how is this possible!” At this moment, even Jiang he's face was filled with shock!

Chapter 466: Chapter 466. If you can do it, I can do it too!

The people who were preparing to leave were all shocked by this scene!

They stopped and looked back. The shock on their faces became more and more intense.

Boom

A huge explosion sounded, and the black ball of light began to disintegrate!

Crash

The four symbols demonic seal, which was said to be impossible to escape, actually shattered piece by piece!

And under this brilliance was Qin Yu's immortal body!

Qin Yu, who was under the Wuji Dharma Idol, was like an undefeatable war god, shining with the light of faith in the Dark Night!

Qin Yu panted heavily, looking at he teng coldly.

“This spell really made me suffer a lot.”Qin Yu wiped the blood from the corner of his mouth and said coldly.

If he didn't have the power of the Divine Dragon, he would have died here today.

The gap between a peak martial grandmaster and a half-step martial marquis was a bit exaggerated.

Even though Qin Yu had the power of the Divine Dragon, the five mountains, and the heaven-ranked cultivation technique, he almost died in this four symbols demonic seal!

“How... how is this possible!” He Teng’s face instantly turned extremely ugly!

The four symbols demonic seal was his trump card. Now that the four symbols demonic seal had been broken, what other moves could stop Qin Yu?

“You are only a martial grandmaster, how can you have such strength!” He Teng roared indignantly!

Qin Yu sneered, “I said, if I step into the half-step martial marquis realm, I will kill you within three breaths.”

These words entered everyone’s ears.

No one doubted the authenticity of these words.

Qin Yu, as a martial grandmaster, had forced He Teng to this extent. This had already explained everything.

“It’s my turn.” Qin Yu urged the Wuji Dharma Idol and said coldly.

The huge figure, with an extremely strong sense of oppression, arrived in front of He Teng in the Blink of an eye!

He Teng was naturally unwilling. He waved his fist, trying to fight to the death.

However, how powerful was his physical body under the Wuji Dharma Idol? How could He Teng be compared to him?

At the moment of contact, He Teng’s bones directly shattered!

His body drew a parabola in the air and fiercely fell to the ground!

“Boom!”

Qin Yu waved his large palm, and a ray of light shot straight towards the Yang Lake!

In an instant, a huge explosion occurred in the lake, and the entire area was turned into ruins!

He Teng crawled out from the ruins with great difficulty. Blood flowed continuously from his mouth, and his physical body was on the verge of shattering. Half of his body had already been blown to pieces!

Under such heavy injuries, he teng no longer had the ability to resist!

“Qin Yu, you... I must kill you!” He Teng roared angrily! However, he was only helplessly enraged.

The only response he received was an incomparably fierce fist!

“Boom!”

The bones in he Teng’s entire body were almost shattered. His entire body was covered in blood, and it was almost impossible to see his face.

The scene was completely silent. Everyone stared at this scene as if they couldn’t believe it was real.

“A martial grandmaster... defeated a half-step martial marquis?”

“This is the first time in history, right?”

“Even Jiang and ye Qing couldn’t do it back then.”

Jiang he himself sighed, “If I forcefully suppressed my realm to the peak of a martial grandmaster, I wouldn’t be a match for Qin Yu.”

“If he stepped into the half-step martial marquis realm, how magnificent would it be?”

“If he stepped into the Martial Marquis realm, there should be nothing in this world that can stop him.”

Such a high evaluation shocked his disciple.

Although Jiang he had praised Qin Yu many times, he had never said such an exaggerated thing.

“Qin Yu... you deserve to die...”in the distance, he teng climbed out of the ruins with great difficulty.

He, the number one person on the list of potential, had now fallen into such a state.

He Teng, who had stepped into the half-step martial marquis realm, had thought that he would be able to exert his strength and become the number one family in the central plains.

However, he had never expected that he would be defeated the moment he made his move. In the end, he was defeated by a martial grandmaster.

All his thoughts had come to nothing.

“Retreat. If this continues, you will die here...”that hoarse voice sounded in he Teng’s mind.

He Teng gritted his teeth. He glared angrily at Qin Yu and said unwillingly, "I will not give up just like that. Qin Yu... I will kill you sooner or later!"

"I'm afraid you won't have that chance!" Qin Yu's internal Qi and blood were burning. His golden body suddenly shook, and a terrifying aura instantly sent He Teng flying!

He Teng didn't dare to continue to pester him. He muttered in a low voice, as if he was casting some kind of spell.

Then, he saw a spiritual artifact that looked like a command flag appear in his hand!

"Another spatial teleportation spiritual artifact." Qin Yu's face turned cold. Last time, He Teng used this method to escape!

"I'm afraid he will escape today." Jiang he also recognized the command flag in He Teng's hand and couldn't help but shake his head.

Qin Yu didn't say anything. His eyes were slightly closed, and his huge body was like an iron tower!

In a moment, the golden light on Qin Yu's body actually condensed out of his palm!

The light on his body began to dim, and in Qin Yu's hand, streaks of golden light suddenly appeared!

"Let me try your four symbols demonic seal as well." Qin Yu held the Golden Light in his hands, and the corners of his mouth curled up into a cold smile.

Seeing this scene, everyone was stunned!

Qin Yu actually wanted to use He Teng's cultivation technique to stop He Teng?

“He... He also knows the four symbols demonic seal?!” Jiang He's disciple shouted in shock!

Jiang He, who was beside him, also stared at this scene!

His old face was full of astonishment! He was even a little excited!

This young man, Qin Yu, had brought him too many surprises and unbelievable!

“No...” at this moment, Jiang He suddenly realized something!

He said in surprise, “Qin Yu... He learned it on the spot!”

“Learned it on the spot? What do you mean?” His disciple didn't understand what Jiang He meant.

Jiang He exclaimed, “He doesn't know the four symbols demonic seal at all. He comprehended it on the spot through He Teng's technique!”

To comprehend such a technique in such a short time, this...! Was this real?!

“You... how can you also know the four symbols demonic seal!” When He Teng saw this scene, his face instantly turned pale!

Qin Yu sneered and said, “I don't know it. I just learned it from you, but I don't know whether it will succeed or not...”

After receiving Qin Yu's confirmation, everyone was completely dumbfounded!

Chapter 467: Chapter 467, the Han family was shocked!

Qin Yu had actually learned this technique on the spot!

He Teng was incomparably shocked!

He had learned the four symbols demonic seal for several years before he could comprehend it, but Qin Yu had used such a short amount of time?

“Weng”

The Golden Light in Qin Yu's palm grew increasingly brighter, and the golden light on his body completely faded away.

As Qin Yu's palm moved forward, this light crushed towards he teng!

“Ah! !”

The moment he touched it, he teng felt a tremendous force bearing down on his shoulders!

He hurriedly took out his magic tool to resist the light!

“Ka-cha!”

However, the magic tool was directly shattered and continued to roll downwards!

He Teng had no choice but to continuously throw out his magic tool.

One, two, three...

Several spiritual artifacts were all shattered by the light. It was not until he teng took out the Earth flask that he was finally able to resist the light!

Although the light could not suppress he teng, it quickly swallowed his body.

The golden light flickered in the darkness, and everyone was staring at this scene.

Qin Yu was the same. He narrowed his eyes slightly, but after a moment, he shook his head.

“After all, I just learned it. I’m still lacking...”Qin Yu muttered softly.

Everyone looked at Qin Yu in confusion, as if they didn’t understand what Qin Yu meant.

“Crash!”

At this moment, the light suddenly shattered!

What appeared in front of everyone was a pitch-black cave entrance.

The cave entrance only appeared for an instant before quickly disappearing.

As for he teng, he had already disappeared without a trace.

“We still let him escape.”Qin Yu sighed.

Qin Yu hadn't completely comprehended the four symbols demonic seal. He had only tried to use it, so there were naturally too many loopholes.

Otherwise, he teng wouldn't have had the chance to escape at all.

“A half-step martial marquis was actually beaten to the point of fleeing by a martial grandmaster...”

“He Teng really lost miserably. This Qin Yu is a monster after all...”

“If this kid had stepped into the half-step martial marquis realm, who could stop him?”

They had thought that Qin Yu and Han Wei had almost no chance of winning, but now they seemed to have changed their view.

Once Qin Yu stepped into the half-step martial marquis realm, Han Wei would probably be the one to lose!

“Let's go.”Jiang he waved his hand and turned to leave.

The rest of the people stepped forward one after another and congratulated Qin Yu.

“Mr. Qin is truly unparalleled in the world!”

“He defeated a half-step martial marquis with the strength of a martial grandmaster, the first person in history!”

“Mr. Qin is truly a God!”

In the distance, there was a camera pointed at Qin Yu.

The camera was very far away and could only capture a vague outline.

Qin Yu looked in the direction of the camera and said slowly, “I intend to establish my own sect. If you are interested, you can come and find me.”

This idea had been brewing in Qin Yu’s heart for a long time. Now was the best opportunity!

“I will promise everyone that I will give everyone sufficient resources,” Qin Yu said slowly.

“As long as your talent is not too bad, I can let everyone become a martial grandmaster within a year.”

These words immediately attracted countless people!

Becoming a martial grandmaster within a year? Such a speed, even the top sects and aristocratic families wouldn’t be able to do it, right?

“Mr. Qin, are you... telling the truth?” Someone asked anxiously.

Qin Yu nodded slightly and said, “Of course it’s true.”

Yao Qing, who was beside him, hurriedly jumped out and said, “Mr. Qin is an elder of the Divine Alchemist Pavilion! And he has a purple spiritual fire! His words are guaranteed!”

Even though that was the case, no one was in a hurry to make a decision.

After all, Qin Yu’s words might not necessarily be trustworthy.

Moreover, he had too many enemies.

“Mr. Qin, Rong, we will go back and consider it,” everyone expressed one after another.

Qin Yu naturally would not force it. He nodded slightly and said, “Okay.”

After saying this, Qin Yu looked at Yao Qing, Peach, Jiang Gu, and the others.

“Let’s go,” Qin Yu said.

The few of them quickly nodded and followed Qin Yu out of Yiyang Lake.

...

He Teng fled for dozens of miles in one breath before he dared to stop and rest.

“This Qin Yu... must not be allowed to live!” He Teng said in pain.

“He already knows the secret of the water rhyme tower... I’m afraid the water rhyme tower can not be kept...” that hoarse voice sounded in he Teng’s mind.

He Teng gritted his teeth and said angrily, “The water rhyme tower must never fall into Qin Yu’s hands!”

“Since I can’t get it, then I’ll announce it to the world! I want to see what Ability Qin Yu has to possess the water rhyme tower!”

He Teng was extremely furious. He originally wanted to step on Qin Yu to tell the world that he had already stepped into the half-step martial Marquis realm.

However, he never expected that the final result would actually be a wedding dress for someone else!

Not only did he fail to establish his authority, he even became a joke!

“The half-step martial marquis lost to a martial grandmaster. I’m afraid that you are also the first person in history...” that hoarse voice sounded in his mind.

“You Shut Up!” He Teng angrily berated.

“Qin Yu, just you wait. If I don’t kill you, I swear that I will never be a human in my life!” A hint of viciousness flashed in he Teng’s eyes.

...

At this moment, the martial arts forum was also in an uproar.

The video had long spread throughout the entire forum, and almost everyone was discussing this battle!

Qin Yu had defeated he teng at the peak of the Martial Grandmaster realm. Such a glorious battle record refreshed people’s understanding!

“This Qin Yu always brings us surprises.”

“Yeah, the first to forcefully charge up the stairway to Heaven, the first to challenge the aristocratic families of the capital, and the first to defeat a half-step martial marquis at the Martial Grandmaster Realm...”

“Now I feel that the one who should be afraid is Han Wei, right? hahaha!”

The Han family of Jingdu.

At this moment, the Han father and son were sitting in the study, their faces extremely gloomy.

“He Teng, that trash, actually lost!” Han Meng said coldly.

After saying this, he looked at Han Wei and said coldly, “Qin Yu defeated a half-step martial marquis as a martial grandmaster. Do you still think that Qin Yu is not worth mentioning?”

Han Wei said unwillingly, “Dad, what right does he teng have to be compared to me!”

Hearing this, Han Meng slapped Han Wei in the face!

“Ignorant! Even if he teng is not your opponent, how big the gap between the two of you will be?” Han Meng said coldly.

“If Qin Yu steps into the half-step martial Marquis realm before September 9th, what chance do you think you have to defeat him?”

Han Wei opened his mouth, speechless.

Just as Han Meng had said, if Qin Yu really stepped into the half-step martial marquis realm, then he would be the one to lose.

“I’ll go into seclusion now!” Han Wei suddenly stood up.

“Before September 9th, I’ll try to break into the Martial Marquis Realm.”

After saying this, Han Wei turned his head and walked out of the Han family, heading straight for the Jingdu Martial Arts Association.

Han Meng did not say anything. His eyes narrowed slightly as he muttered, “We have to take certain measures. We can not let Qin Yu continue to grow.”

...

Jingdu, Yan family.

Yan Sihai’s military advisor was standing by Yan Sihai’s side.

He was holding a cell phone in his hand.. The video playing on the phone was the fight between Qin Yu and he teng.

Chapter 468: Chapter 468, Saint Confucian school

Looking at the content of the video, Yan Sihai’s expression was a little unnatural.

“Director Yan, this Qin Yu is already out of our control,”the military advisor said from the side.

Yan Sihai took a puff of his cigar and snorted, “His improvement speed is indeed faster than I imagined.”

“It’s not just the improvement speed.”The military advisor shook his head.

“Most importantly, he defeated a half-step martial marquis with the strength of a martial grandmaster.”

Yan Sihai did not say anything.

He was also a martial artist, so he naturally knew what the difference between a peak martial grandmaster and a half-step martial marquis meant.

“If this kid steps into the half-step martial marquis realm, the consequences will be unimaginable.” The military counselor sighed slightly.

Yan Sihai glanced at the military counselor and snorted coldly, “So what if he has talent in martial arts? He is just a martial artist.”

“In this era, it is no longer the time to judge the world by martial arts. As long as I move my fingers, I can play him to death at any time!”

This was the confidence of capital. In this era, even if you had great abilities, it would be difficult to compete with capital.

The military advisor sighed slightly and said, “President Yan, I don’t deny your thoughts. Now that we have Qin Yu, it is indeed not enough to threaten the position of the Yan family.”

“But have you ever thought about what if he steps into the half-step martial marquis realm? If he steps into the Martial Marquis Realm, who in the world can hurt him?”

Yan Sihai sneered and said, “Did you not understand what I said? I said, in this era, a martial artist can not achieve anything!”

The Military District advisor was silent for a moment, and then said, “If he steps into the half-step martial marquis realm, he will definitely attract the attention of the war zone.”

“If the war zone gives him an official position and makes him a border official, the Yan family will have to think twice before touching him.”

Yan Sihai did not say anything.

Just as the Military District Advisor said, if Qin Yu really became an official, then it would not be easy to touch him.

“Do you have any good ideas?” Yan Sihai glanced at the military advisor and asked.

The military advisor said, “Miss’s wedding day is not far away. It’s too late to do anything now. Why don’t we just let nature take its course?”

Hearing this, Yan Sihai’s brows clearly furrowed.

The military advisor continued, “If Qin Yu really appears at the wedding, no matter what... We can’t let him leave Jingdu!”

“Of course, if young master Han is able to behead this Qin Yu on the spot, that would naturally be for the best.”

Having said that, the military advisor suddenly said: “Director Yan, I feel that young master might not be afraid of that Qin Yu.”

Young master, was naturally referring to Yan Sihai’s son, Yan Jinyao.

He was also currently the number one person on the fire country’s younger generation’s ranking board! (TL Note: Pyro)!

However, Yan Sihai shook his head and said: “This son of mine has always been aloof from worldly affairs, and is not willing to participate in such battles.”

The military counselor could not help but smile bitterly. Last time, when Zhang Yin was slapped by Qin Yu, Yan Jinyao did not show any reaction, let alone this kind of battle.

Yan Sihai waved his hand and said, “Go and tell Han Meng to make the most of his son’s time. No matter what, he must let Qin Yu Die on the 9th of September!”

“Yes, President Yan.”The military counselor nodded slightly.

Apart from that, the Han and Yan families also began to make arrangements in secret to prevent any accidents from happening.

...

Ever since Qin Yu defeated he teng with the strength of a Martial Grandmaster, Qin Yu’s name had spread completely.

All the aristocratic families and sects, big and small, knew that a genius had emerged from Chuzhou and defeated a half-step martial marquis with the strength of a martial grandmaster.

Even the martial arts forums were speculating Qin Yu’s strength after stepping into the half-step martial Marquis Realm!

In the end, everyone gave a unanimous evaluation:

Once Qin Yu stepped into the half-step martial marquis realm, no one would be able to stop him!

At this moment, Qin Yu was sitting in the living room.

In front of him lay a woman with an extremely perfect figure.

“Master, what happened to Miss Fang?” Yao Qing asked from the side.

Qin Yu shook his head and said, “I’m not sure either.”

Tao Zi walked forward. She tried to check Fang Yue’s body, but in the end, she also shook her head.

“Tao Zi, I’ll leave Fang Yue to you to take care of,” Qin Yu said to Tao Zi.

Tao Zi nodded and said, “Elder Qin, I understand.”

“Mr. Qin, where are you going?” Yao Qing muttered.

Qin Yu spat out two words, “Cultivation.”

There was only one month left until the ninth day of the ninth lunar month. Qin Yu had to step into the half-step martial marquis realm before that.

Moreover... There was still the worry of the Hong Yi sect. The ten half-step martial marquis that they had sent out could appear at any time.

If Qin Yu continued to stay in Chuzhou, he would definitely attract trouble.

“I might have to leave for a period of time. I don’t know when I’ll be back.” Qin Yu looked at Peaches and Yao Qing.

“If there’s anything, you can go find Jiang Gu. If it’s really not possible, you can go back to the Divine Alchemist Pavilion.”

Seeing Qin Yu's serious expression, the two of them did not dare to ask further. They just nodded non-stop like chickens pecking at rice.

In the following time, Qin Yu had to think of all ways to break through to the half-step martial Marquis Realm!

At the moment, Qin Yu's realm was already sufficient. If he could have enough Qi/spiritual energy or yin energy, then breaking through to the half-step martial Marquis realm would not be a problem at all.

After thinking about it, Qin Yu decided to go to Dongchuan for the time being.

The strategic significance of the water rhyme tower was great, and... There was definitely a secret in the water rhyme tower!

It was impossible for a single tower to have the same effect as the Enlightenment tea.

Last time, time was tight, so Qin Yu was unable to discover the secret in the water rhyme tower. This time, he had to find out what the water rhyme tower was hiding no matter what.

...

Hongzhou, Cangzao City.

This place was very close to Jingdu, but the topography was very different.

And in a remote plain in Cangzao city, there was an extremely large sect.

Although it was called a sect, in fact, it was similar to a company.

Not only did it have high-rise buildings, but it also had a large area of land.

This place was the largest sect in the north, the Saint Confucian school.

And behind them was the Yan family of Jingdu.

In the sect, a young man was kneeling on the ground.

In front of him, on a huge yellow rosewood chair, an old man in a Chinese tunic suit was sipping tea.

“He Teng, who is known as the number one person in the central plains,” the old man said faintly.

“I remember that the Saint Confucian school once sent you an invitation, but it was rejected. What, now that you’ve lost to Qin Yu, you want to join our Saint Confucian School?”

He Teng stood up and shook his head. “Elder Qu, you’ve misunderstood. I’m here to help your Saint Confucian school.”

Hearing this, a hint of displeasure flashed across elder Qu’s face.

“Help My Saint Confucian school? He Teng, aren’t you overestimating yourself a little too much?” Elder Qu said coldly.

He Teng wasn’t in a hurry. He smiled faintly and said, “I have a treasure that can help people raise their cultivation in a short period of time.”

“I and Qin Yu relied on this treasure to enter this realm in such a short period of time.”

“Elder Qu, you should know better than me what this treasure means to the Saint Confucian sect.”

Chapter 469: Chapter 469, the secret of the Water Melody Pagoda!

The information he teng had revealed was naturally extremely important.

However, as a high-ranking member of the sage Confucian school, elder Qu was naturally not a fool. He was extremely cautious in his actions.

“Why are you telling me all this?” Elder Qu asked with narrowed eyes.

He teng replied indifferently, “You don’t need to know. If you don’t believe me, you can just pretend that I didn’t say anything.”

After saying this, he teng turned around and was about to leave.

“He Teng!” At this time, elder Qu suddenly shouted!

He said coldly, “Do you think that you can challenge my Saint Confucian school just because you’ve stepped into the half-step Martial Marquis Realm?”

He Teng turned around and said with a faint smile, “Of course I don’t have this intention. As a large sect in the north, I know the existence of a martial marquis.”

“But... Elder Qu, you are not a martial marquis, are you? As a half-step martial marquis, I am not afraid of You.”

Then, he teng glanced around and continued, “No one here seems to be able to do anything to me.”

Elder Qu’s face turned colder. He looked at he teng coldly and said, “Young man, don’t think too highly of yourself!”

After saying that, he saw elder Qu wave his big palm and a sharp inner strength rushed toward he teng!

He Teng did not panic. He snorted coldly and raised his hand to welcome it!

“Boom!”

Suddenly, a burst of explosive sound came from the hall!

Elder Qu’s palm instantly vanished into thin air!

He Teng said with some pride, “Elder Qu, you are not my match.”

Elder qu said coldly, “Young people are arrogant and will easily attract trouble!”

“I don’t think so,”he teng said faintly.

The inflated he teng originally wanted to establish his own sect and become an existence that could rival or even surpass the Saint Confucianism sect.

Now, although he had lost to Qin Yu, it didn’t change his ambition.

However, elder Qu sneered. He put his hands behind his back and said slowly, “Do you think that you can talk nonsense in the Saint Confucianism sect without the appearance of Marquis Wu?”

He Teng remained silent and didn't comment.

“Then I'll show you how the Saint Confucianism sect can sit firmly as the number one sect in the north!” Elder Qu shouted. Suddenly, rays of light came from the surroundings of the Great Hall!

Powerful pressure was emitted from four different directions!

Weapons were hanging in four corners of the Great Hall!

“Buzz!”

As the pressure came, he Teng suddenly felt as if he was under a heavy burden. His body went soft, and with a “Plop”, he knelt on the ground!

He Teng tried to resist, but he found that this force could not be resisted at all!

“It's a weapon of a martial marquis, give up resisting...” a hoarse voice sounded in he Teng's mind.

Although a weapon of a martial marquis was only a weapon of a martial marquis, it contained a wisp of a weapon of a martial marquis!

This was definitely not something that a half-step martial marquis could compare to.

“Ah! !”

The pressure was still increasing, and he Teng's body was about to be crushed!

“Elder... Elder Qu, I know I'm wrong...”he teng hurriedly shouted.

Elder Qu waved his hand, and the four rays of light began to disappear.

“He Teng, do you understand the difference now?”Elder Qu said coldly.

He Teng didn't dare to say anything.

He knew that there was a huge difference between a half-step martial marquis and a martial marquis, but he never thought that just a martial marquis weapon could make him unable to move.

If elder Qu had the intention to kill, this martial marquis weapon could even directly take he Teng's life!

This was the characteristic of cultivation.

The higher the realm, the greater the difference.

If it was a talented grandmaster, they might be able to defeat a martial grandmaster.

But no one had ever been able to defeat a half-step martial marquis with a martial grandmaster.

And now, the weapon of a martial marquis could directly crush a half-step martial marquis. The difference was self-evident.

“Elder Qu, I was rash...”he teng lowered his proud head.

Elder Qu snorted lightly and said indifferently, “Tell me, what exactly is the treasure you’re talking about.”

He Teng clenched his teeth and immediately told him everything.

After elder Qu heard it, his eyes couldn’t help but shine.

“Is what you said true?” Elder Qu’s eyes were a bit excited.

“Absolutely true!” He Teng said.

Elder Qu was silent for a moment, then he waved his hand and said, “Ask Wu Qian to take his men and go to Dongchuan immediately.”

“Yes.” His men immediately agreed.

A hint of coldness flashed in he Teng’s eyes.

“Since I can’t take possession of the water rhyme tower, Qin Yu, don’t even think about taking it for yourself!” He Teng sneered in his heart.

...

At this moment, Qin Yu was taking a plane to Dongchuan.

On the way, he took out his phone and sent a text message to the Pavilion Master of the Divine Alchemist Pavilion.

“Lord Pavilion Master, I urgently need large quantities of herbs. I wonder if you can help me think of a way.” Qin Yu said in the text message.

Not long after, the pavilion master replied.

Her reply was extremely short, with only a simple “Yes.”.

After obtaining the Pavilion Master’s approval, Qin Yu could be considered to have heaved a sigh of relief.

The plane flew past high in the sky.

About three hours later, it finally arrived at Dongchuan.

Qin Yu did not waste any time. He took a taxi and headed straight for the Meng family manor.

The current Meng family manor had shockingly become an ownerless object.

After Qin Yu arrived, the place was already in ruins.

“Such a huge area is the most suitable for establishing a sect.” Qin Yu looked at the huge area occupied by the Meng family manor and couldn’t help but think in his heart.

With the water rhyme pagoda, it shouldn’t be a problem to create a powerful sect.

After that, Qin Yu walked towards the water rhyme pagoda.

Below the water rhyme pagoda, there was a row of martial grandmasters waiting there.

And within the water rhyme pagoda, there was a peak martial grandmaster scanning the surroundings.

This person was none other than the Saint Confucian school’s Wu Qian.

“It’s really like what he teng said.” Wu Qian’s eyes couldn’t help but be filled with excitement.

“No wonder he teng and Qin Yu’s cultivation is so fast. If I were in the water rhyme pagoda, I wouldn’t be much weaker than them!” Wu Qian felt a little inflated.

He quickly took out his phone and called Elder Qu.

“Elder Qu, everything is as he teng said,” Wu Qian said excitedly.

Elder QU agreed and said, “Okay, you stay in the water rhyme tower. I will go to Dongchuan immediately!”

“Yes!” Wu Qian shouted immediately.

After hanging up the phone, Wu Qian sat down cross-legged excitedly.

Such a good opportunity could not be wasted.

Under the Water Rhyme Pagoda, Qin Yu looked at the row of martial grandmasters and could not help but frown.

“Stop!” One of them shouted loudly.

“This place has been requisitioned by our Saint Confucian school. Get lost quickly!”

“Saint Confucian School?” Qin Yu frowned.

Was it that sect that was known as the largest sect in the north?

“Oh no, this water rhyme pagoda has actually been found out by them.” Qin Yu frowned.

No, he had to hurry up and dig out the secrets of this water rhyme pagoda. Otherwise, it would definitely be snatched away by the Saint Confucian school!

Thinking of this, Qin Yu directly smashed a head into pieces with a slap.

Chapter 470: Chapter 470, Hong Yi sect entering the border!

The sudden change gave the group of martial grandmasters who were in charge of guarding the gate a fright.

“What... What are you doing!” Someone exclaimed.

Qin Yu sneered and said, “I’m not doing anything. I’m going to kill all of you.”

Before he could finish his words, Qin Yu had already approached them.

He raised his hand and used the heaven swallowing technique. Several martial grandmasters turned into dried corpses in just a moment.

Unfortunately, the Great Grandmaster’s improvement to Qin Yu was no longer obvious. Its effect was almost zero.

“Perhaps the peak of the great grandmaster could still have some effect.” Qin Yu could not help but sigh in his heart.

“If only I could kill Marquis Wu.” Qin Yu thought in his heart.

Marquis Wu was the aurous core stage in the cultivation world.

Once he stepped into the aurous core stage, the aurous core would be born in his body.

At that time, as long as he swallowed Marquis Wu's aurous core, the effects would be unimaginable.

Of course, those were still too far away for Qin Yu.

Following that, Qin Yu pushed open the door of the water rhyme pagoda and walked upstairs in large strides.

On the fifth floor, Wu Qian was sitting cross-legged, absorbing the Qi/spiritual energy from the water rhyme pagoda.

His realm was slowly rising. Although the water rhyme pagoda had the effect of the Enlightenment tea, it also had a necessary connection with the talent of a martial artist.

Therefore, Wu Qian's speed was not as fast as he had imagined.

Just as he was immersed in it, a big hand reached over, grabbed his collar, and threw him out.

Wu Qian suddenly opened his eyes. He stared at Qin Yu in front of him and said in a cold voice, "Who are you? Are you courting death?"

Qin Yu sneered and said, "Get lost quickly. Don't come here again in the future."

Wu Qian's face turned cold, and he snorted and said, "Are you talking to me? Do you know who I am? I am a member of the Saint Confucian School!"

“Oh, right, you are a member of the Saint Confucian School.”Qin Yu suddenly came to a realization, as if he had thought of something.

Wu Qian thought that Qin Yu was scared by the name of the Saint Confucian school, so he snorted lightly and said, “Now You Know Fear? Get lost quickly, or don’t blame me for being rude!”

“No, no, no, you misunderstood.”Qin Yu grinned.

“I originally wanted to let you live, but since you are a member of the Saint Confucian school, I Can’t Let You Leave Alive.”Qin Yu sneered.

Wu Qian’s face changed, and he exclaimed, “You... What do you mean!”

Qin Yu sneered and said, “If I let you report the news to the Saint Confucian school, I’m afraid I’ll have even less time.”

As he spoke, Qin Yu walked toward Wu Qian step by step, and the killing intent on his body also exploded.

Sensing Qin Yu’s tyrannical internal Qi, Wu Qian said with some fear, “Who... who exactly are you? !”

Qin Yu didn’t reply, but only a golden fist responded to him!

Wu Qian’s expression changed greatly. He had nowhere to hide, so he could only react in a panic.

The two fists collided, and Wu Qian’s body was directly sent flying. His fist was even broken bones!

“Golden Light... you... you are that Qin Yu!”Wu Qian said in terror.

“You guessed right, but unfortunately, there is no reward.” Qin Yu grinned and said.

Wu Qian knew that the situation was not good. He turned around and wanted to run, but how could Qin Yu give him the chance.

A golden light flashed by, and a fierce golden palm landed on Wu Qian’s body.

This palm directly shattered half of Wu Qian’s body.

His bones were broken, and he couldn’t even stand up.

“Don’t... Don’t kill me!” Wu Qian shouted in terror.

Qin Yu had long been tired of hearing such begging words.

He didn’t pay any attention to Wu Qian, and raised his hand to use the heaven swallowing technique.

After dealing with Wu Qian, Qin Yu did not dare to waste any more time.

He took out Wu Qian’s phone and flipped through the call records.

The first one was elder Qu of the Saint Confucian school.

“It seems that he has already informed the elders of the Saint Confucian school.” Qin Yu could not help but frown.

It would take six hours at most to rush from the Saint Confucian school to Dongchuan.

“I must find out the secret of the water rhyme tower within these six hours.” Qin Yu threw his phone to the side.

He released his spiritual sense and began to search the water rhyme tower.

Time passed by minute by minute. Qin Yu walked up and down the five levels, but found nothing.

For two whole hours, Qin Yu found nothing.

The entire water rhyme tower was empty, but no matter which level he walked on, he could feel his realm slowly rising.

The effect was not much different. The only difference was that the Qi/spiritual energy on the fifth floor was denser.

“Strange.” Qin Yu frowned.

“Could it really be the effect of this tower?” Qin Yu thought to himself.

“I can’t just take this tower away, right?” Qin Yu couldn’t help but mutter.

Thinking of this, Qin Yu leaped and flew out of the water rhyme tower.

Looking at this huge tower that reached into the clouds, Qin Yu was troubled for a moment.

Time passed by minute by second, and in the blink of an eye, four hours had passed.

“I’m afraid I don’t have much time left.”Qin Yu couldn’t help but feel a little anxious.

Four hours, he didn’t discover anything at all.

“There’s no other way.”Qin Yu wanted to give up at one point.

Sitting in the water rhyme tower, Qin Yu closed his eyes slightly, as if he was thinking about something.

A few minutes later, Qin Yu’s eyes suddenly opened!

“Since you can’t take away the water rhyme tower, then think of a way to keep the water rhyme tower!”Qin Yu said coldly.

He had no other way, so he could only settle for the second best.

And if he wanted to keep the water rhyme tower, there was only one way, and that was to use the formation!

Qin Yu’s inheritance had countless formations, and among them, there were countless mountain protecting formations!

If he could set up a heaven-grade killing formation, then there would be no worries!

Even if he established a sect in Dongchuan in the future, he could still protect the sect’s safety!

Thinking of this, Qin Yu quickly found a large formation.

The name of the formation was the nine Netherworld killing formation. This formation could draw upon the Qi of heaven and earth to defend against external enemies.

It was rumored that during the war years, there was once a person with profound spells who set up this formation and relied on this formation to defend against hundreds of thousands of soldiers!

“This is it.”Qin Yu thought in his heart.

However, the arrangement of the nine Netherworld killing array was not simple. Even if Qin Yu knew the method, it would take at least three days.

At this moment, Qin Yu suddenly felt an internal Qi approaching from not far away.

One, two, three... a total of six people!

“HMM? There’s only one half-step martial marquis?”Qin Yu keenly sensed the internal Qi of the other party!

“If there’s only one half-step martial marquis, I have nothing to be afraid of.”Qin Yu grinned coldly.

After that, Qin Yu leaped out of the water rhyme tower.

He stood at the entrance of the water rhyme tower and quietly waited for the arrival of the Saint Confucian school.

At this moment, Qin Yu’s phone suddenly rang.

He picked up the phone and saw that the caller was actually Uncle Wu.

“Why did Uncle Wu suddenly call me?” Qin Yu couldn’t help but frown.

He picked up the phone and picked up the call.

Then, he heard Uncle Wu say from the other end, “Qin Yu, I just received confirmation that the people from Hong Yi sect have entered the country.”

Chapter 471: Chapter 472, the arrival of the sage Confucian school!

Hearing this, Qin Yu’s face couldn’t help but flash with a trace of solemnity.

The people of the Hong Yi School had already entered the border? Those ten half-step martial marquises?

“Qin Yu, where are you now? I’ve discussed it with Commander Long, and I plan to let you enter the Military District to hide first,” uncle Wu said in a deep voice.

“At the same time, we’ll send people to capture the people of the Hong Yi School.”

This was a good idea, but Qin Yu couldn’t agree to it.

This was because there wasn’t much time left for Qin Yu. He didn’t know how long he would have to hide for.

Therefore, no matter what, Qin Yu had to step into the half-step Marquis realm as soon as possible.

“Uncle Wu, thank you for your kindness.”Qin Yu took a deep breath.

“But I can’t enter the Military District now.”

Uncle Wu on the other end of the line was stunned and asked in confusion, “Why?”

Qin Yu said in a deep voice, “There’s still more than a month before Yan Ruoxue and Han Wei’s wedding day. I can’t afford to delay it.”

“Although the military district is safe, at the same time, there will be a shortage of resources.”

“So... I can’t accept your kind offer.”

Uncle Wu on the other end said somewhat speechlessly, “Qin Yu, if you die, there will be nothing left!”

Qin Yu was silent for a moment before saying, “I will think of a countermeasure.”

At this moment, elder Qu, who was not far away, had already walked over.

Their speed could not be considered fast, but it was definitely not slow.

“Uncle Wu, I Won’t talk to you for now. There are still some matters here.”

After saying this, Qin Yu hurriedly hung up the phone.

Then, Qin Yu stared at the group of people in the distance, quietly waiting for their arrival.

After more than ten minutes, they finally arrived in front of Qin Yu.

The leader was an old man wearing a Chinese tunic suit. His face was cold, and his bearing was extraordinary. The temperament of a superior could be seen at a glance.

“Who are you?” Elder Qu took the lead and asked coldly.

Qin Yu pointed at the water rhyme pagoda behind him and said, “I am the master of this pagoda.”

“You are the master of this pagoda?” Elder Qu frowned slightly.

He snorted coldly and said, “How come I have never heard of this water rhyme pagoda having a Master?”

“I’m sorry, it didn’t have a master before, but now it does,” Qin Yu said in a neither servile nor overbearing manner.

“The sage Confucian school is known as a reputable and righteous sect. I believe that you won’t act like bandits, right?” Qin Yu said with a grin.

Elder Qu’s expression immediately turned ugly.

The sage Confucian school was known to have gathered all the sage Confucian schools in the world, so they naturally wouldn’t do anything like plundering.

However, in reality, that was just an announcement to the outside world. What they did behind the scenes were all shameless acts.

“Cut the crap. Our Saint Confucian sect has commandeered this water rhyme tower,” said a martial grandmaster coldly.

Qin Yu was not in a hurry. He smiled and said, “Don’t tell me you want to rob it by force? Aren’t you afraid of ruining your Saint Confucian sect’s reputation?”

“As long as I kill you, this water rhyme tower will no longer have an owner. At that time, it won’t be considered a robbery,” said the martial grandmaster with a grin.

Qin Yu couldn’t help but squint his eyes.

“As expected, the crows in the world are as Black as crows,” Qin Yu said with a sneer.

Elder Qu wasn’t angry. He said indifferently, “Young Man, this society is far more complicated than you think. Sometimes, reputation is more valuable than a life.”

Qin Yu raised his eyebrows and said, “What if I’m willing to hand over the water rhyme pagoda now?”

“Do you think you still have a chance?” Elder Qu took a step back. The Martial Grandmaster immediately rubbed his fist and walked towards Qin Yu.

“Kid, Don’t blame me for being ruthless. If you want to blame someone, blame yourself...”

“Pa!”

Before the Martial Grandmaster could finish his words, Qin Yu had already smashed his head into pieces with a slap!

“Do you really think I’m easy to bully?” Qin Yu sneered.

Everyone’s expression changed drastically! For a moment, no one made a move!

To kill a great grandmaster with a single slap, this person was definitely not an ordinary person!

Elder Qu frowned slightly and said coldly, “Who exactly are you?”

“My name is Qin Yu.” Qin Yu did not conceal anything at all.

Hearing this name, everyone’s expression changed drastically again!

“You are Qin Yu?” Elder Qu’s brows furrowed tightly.

Countless thoughts quickly flashed through his mind.

Very quickly, elder Qu changed his appearance.

He smiled and said, “So you are the famous Qin Yu. To tell you the truth, our Saint Confucianism sect has always been interested in you. I didn’t expect to meet you here.”

Seeing elder Qu’s crafty appearance, Qin Yu sneered in his heart.

If this was in the past, Qin Yu would definitely be deceived by his “Kind-looking” expression.

But the current Qin Yu was no longer that silly kid from the past.

Qin Yu knew clearly what elder Qu, this old Fox, was thinking in his mind.

“Qin Yu, I wonder if you are interested in joining our Saint Confucian School?”Elder Qu said with a smile.

Qin Yu was silent for a moment before saying, “Elder Qu, why don’t we get straight to the point?”

“You want this water rhyme pagoda, right?”Qin Yu asked.

Elder Qu was stunned for a moment before saying in a deep voice, “That’s right. This water rhyme pagoda is extremely important to our Saint Confucian school. If you are willing to give it to us, I can fulfill one condition of yours.”

“Are you serious?”Qin Yu raised his eyebrows and asked.

Elder qu nodded and said, “Absolutely! As long as you are willing to give the water rhyme pagoda to the Saint Confucian School!”

“Okay.”Qin Yu nodded.

He said in a deep voice, “First, I need to cultivate in the water rhyme pagoda for three days. After three days, I can give the water rhyme pagoda to you.”

Elder qu smiled and said, “Of course, no problem.”

Qin Yu continued, “Second, I want a stalk of ten-thousand-year-old herbs.”

Hearing this, elder Qu almost spat out a mouthful of blood!

Ten-thousand-year-old herbs? Why didn't you F * cking snatch it?

Although he thought so in his heart, elder Qu still agreed, "Alright, no problem!"

After getting elder Qu's confirmation, Qin Yu couldn't help but sneer in his heart.

As expected, this old bastard had no intention of negotiating with Qin Yu!

The Saint Confucian sect would never agree to a stalk of ten-thousand-year-old herbs!

There was only one reason why elder Qu agreed so straightforwardly, and that was because he wouldn't give it to him at all!

Everything he said was just a delaying tactic.

"That's fine. In any case, I have no intention of giving the water rhyme tower to you. We don't owe each other anymore," Qin Yu thought in his heart.

"Qin Yu, how about this? I'll send someone back to the Saint Confucianism sect to get the medicine," elder Qu said with a smile.

Qin Yu nodded and said, "Of course, no problem."

"Okay, just wait for the Good News," elder Qu said with a smile.

Qin Yu didn't say anything. He turned around and walked into the Water Melody Pagoda. He closed the door heavily.

“The Venerable Mountain of the Five Mountains!”

Qin Yu’s mind moved, and the Venerable Mountain of the Five Mountains fell into his hands.

Then, Qin Yu gently pushed the Venerable Mountain of the Five Mountains forward, blocking the water rhyme tower’s door.

...

Outside the door, the disciple of the Saint Confucian school couldn’t help but ask, “Elder Qu, why did you agree to so many rude requests of him?”

Elder Qu glanced at him and snorted coldly, “Not long ago, he teng almost died in the hands of this Qin Yu. If I fight him head-on, I won’t get any benefits. I might even die here!”

His subordinates suddenly realized, “So it’s a delaying tactic!”

Elder qu said coldly, “The few of you, return to the Saint Confucian school immediately and bring me the Marquis Weapon!”

“Yes!” The few of them received the order and turned around to leave.

Looking at this water rhyme tower, elder Qu couldn’t help but stroke his beard and sneer.

“You want ten-thousand-year-old herbs? You want the F * ck!” Elder Qu sneered in his heart.

Chapter 472: Chapter 472, the three pure ancient tree

Inside the water rhyme tower, Qin Yu's thoughts were the same as elder Qu's.

“You want the water rhyme tower? What the F * ck do you want!” Qin Yu snorted lightly.

During the conversation with elder Qu just now, Qin Yu suddenly thought of a possibility.

Could there be a secret hidden under the water rhyme tower?

Elder Qu's men would need at least twelve hours to go back to Dongchuan to get reinforcements.

Qin Yu planned to use these twelve hours to try and see if the secret was hidden under the Water Melody Pagoda.

After everything was ready, Qin Yu began to work.

His palm flickered with light, and fierce spiritual energy gathered on Qin Yu's fist.

In the next second, Qin Yu threw a punch at the ground!

“Boom!”

The entire ground shook! It was as if an earthquake had occurred!

Cracks began to appear on the ground.

“What a hard ground.” Looking at the cracks on the ground, Qin Yu could not help but turn pale with fright!

If it was an ordinary ground, this punch would probably shake the entire area, right ?

Without much time to think, Qin Yu continued to clench his fist and smash it at the ground.

“Boom!”

Another loud sound! This time, the entire shuiyun tower trembled slightly!

“Damn it, could it be that this kid wants to destroy the Shuiyun Tower?” Outside the door, elder Qu’s expression changed and he couldn’t help but curse in a low voice.

“Boom!”

Another punch!

After three consecutive punches, the ground still couldn’t be shattered!

“Strange.” Qin Yu couldn’t help but frown.

What exactly was this ground made of? How could it be so sturdy?

Even if it was steel, it wouldn’t be able to withstand Qin Yu’s three punches!

“I don’t believe that I can’t Break It!” Qin Yu snorted coldly. The energy in his entire body was gathered, and his fists shone with a dazzling golden light.

“Absolute beginning Holy Fist!”

Along with Qin Yu's furious roar, the ground began to buzz, and the entire water rhyme tower was on the verge of collapsing!

“Crash!”

The ground was like an eggshell as it fell down layer by layer!

One could see that there was another world beneath the ground!

“The secret is indeed hidden under the Harmony Pagoda!” Qin Yu was instantly overjoyed!

The ground flickered with a dark light, and a strange aura came gushing over!

The increase in internal Qi brought by the harmony pagoda came from beneath the ground!

Qin Yu didn't think too much and immediately jumped down.

Under the Water Melody Pagoda, there was a dim dark green light.

Qin Yu followed the light and walked forward.

After a while, he found the source of the light.

He saw a palm-sized small tree in front of him.

The body of the tree was sparkling and translucent green, and it was emitting waves of internal Qi like Dao Enlightenment tea.

As he approached the small tree, Qin Yu felt his state of mind suddenly become clear and bright, and everything became clear.

“The secret of the water rhyme tower comes from this small tree.” Qin Yu gazed at the small dark green tree and couldn’t help but feel a little excited.

“As long as I take this small tree away, this water rhyme tower will no longer have any value. What the sage Confucian school obtained will only be an empty shell!” Qin Yu sneered in his heart.

Thinking of this, he immediately stretched out his hand and prepared to take this little tree away.

However, just as Qin Yu’s hand was about to touch the little tree, a large saber appeared in mid-air!

The Sharp Saber light instantly forced Qin Yu back!

“No one is allowed to get close to the three pure ancient tree!” A cold voice came from not far away!

Raising his head, he saw a man wearing old clothes walking over.

“This is... a Guardian?” Qin Yu could not help but be stunned.

It was said that the supreme treasure would give birth to a spirit body responsible for protecting the treasure. This spirit body was known as The Guardian.

Qin Yu had heard of the Guardian, but he had never seen it before.

Seeing it today, he was naturally shocked.

“So this is called the three pure ancient tree,” Qin Yu said in a low voice.

Then, Qin Yu looked at the Guardian and said in a negotiating tone, “This three pure ancient tree is very important to me. Why Don’t You Give It to me?”

The Guardian immediately shouted, “No one is allowed to get close to the three purities ancient tree!”

After saying that, he chopped down again from the sky!

Qin Yu hurriedly jumped to the side and muttered, “Quite a temper...”

“Leave quickly!” The Guardian held the long saber in his hand and pointed it at Qin Yu.

Qin Yu touched his chin and said in a low voice, “It seems that I can’t take this three purities ancient tree away without defeating you.”

“Then... I can only offend you!”

Before he could finish his words, a golden light burst out from Qin Yu’s body!

“Come, let me see what you are capable of as a dao protector!” Qin Yu sneered.

“Swoosh!”

The dao protector immediately threw a steel knife towards Qin Yu.

Qin Yu’s feet stepped on the ground and shrunk into an inch, easily dodging it.

In the next second, Qin Yu's fist arrived in front of the head of the Dao Protector!

“Sorry for offending you!”

The Golden Fist smashed fiercely towards the Guardian's head with the force of crushing a dead branch!

With a crisp cracking sound, the Guardian's head directly exploded and his body fell straight down. After that, his body vanished into thin air.

“So it's just a facade,” Qin Yu couldn't help but mutter as he looked at the fallen guardian.

Then, Qin Yu walked quickly to the three purities ancient tree.

The moment he stretched out his hand, another steel saber appeared in the air!

This saber strike was much stronger than before! The terrifying saber light left white marks on Qin Yu's body!

“No one is allowed to get close to the three purities ancient tree. Leave quickly!”

That familiar voice sounded again!

Qin Yu's expression changed as the Dao Protector appeared once more!

“How could this be?” Qin Yu immediately cried out bitterly.

He had killed one, so why did another one appear?

Without any time to think, Qin Yu used the same trick again and smashed the Dao Protector's head into pieces.

However, when Qin Yu got close to the three purities ancient tree for the third time, the DAO protector was reborn!

Just like that, Qin Yu killed the Dao Protector eleven times in a row, but was still unable to obtain the three purities ancient tree.

“Something's wrong.” Qin Yu panted heavily as he looked at the dao protector who had reincarnated for the twelfth time.

It seemed that every time the dao protector revived, his strength would increase by a lot.

The Dao Protector who had appeared for the first time couldn't hurt Qin Yu at all. His long saber landed on Qin Yu's body, not even leaving a single white spot.

But the Dao Protector who had appeared for the eleventh time was able to break through Qin Yu's body's defense.

“Boom!”

Another punch shattered the Dao Protector's head. However, in less than half a minute, the Dao Protector appeared again.

“This won't do. If this goes on, I'll definitely be exhausted to death here!” Qin Yu's expression was somewhat ugly.

He stared at the three pure ancient tree in the distance and muttered in a low voice, “Should I just give up? Absolutely Not!”

As long as he obtained this three pure ancient tree, Qin Yu had the confidence to step into the half-step martial Marquis Realm before September 9th!

Therefore, he had to get his hands on the three pure ancient tree no matter what!

Chapter 473: Chapter 473 had finally been found!

“No one is allowed to touch the three pure ancient tree!” that fierce shout sounded again, and it launched an even more ferocious attack toward Qin Yu!

Qin Yu dodged while thinking of countermeasures.

However, at this time, the strength of the Dao Protector had greatly increased, and it was even close to the half-step martial Marquis Realm!

Qin Yu was multitasking, and in the end, the Dao Protector seized the opportunity.

“Clang!”

A fierce steel blade forcefully struck Qin Yu’s shoulder.

A bloody scar instantly appeared on his shoulder, and even his bones were slightly damaged.

“This won’t do. If this continues, I won’t have a chance to take the three purities ancient tree.” Qin Yu’s expression was somewhat unsightly.

He had never expected that this dao protector would be so difficult to deal with.

“It won’t work if I try to snatch it by force. I can only think of a way to outsmart him.” Qin Yu’s feet shrunk to an inch as he retreated at high speed.

He released his divine sense in an attempt to find a weak spot on this Dao Protector’s body.

Unfortunately, this dao protector was only a spirit body, so he couldn’t find any weak spot at all.

“Bang!”

Another steel blade brushed past Qin Yu’s forehead and struck the huge rock on his body.

The huge rock shattered with a sound.

Qin Yu took a few steps back and could not help but wipe the sweat off his forehead.

“Buzz!”

The dao protector was once again approaching at a speed several times faster!

Qin Yu had nowhere to hide and could only clench his fist to meet the Attack!

“Boom!”

Qin Yu clenched his Golden Fist and smashed it onto the head of the Dao Protector.

This time, the Dao protector was not directly blasted apart but only took a few steps back.

“Oh No.” Seeing this situation, Qin Yu felt even more uneasy.

If he were to be killed again, Qin Yu would not be a match for the reborn Dao Protector!

“Leave quickly!” The dao protector seemed to have been angered by Qin Yu. He held the steel knife in his hand and slashed at him in a disorderly manner.

Qin Yu did not dare to kill him, nor did he dare to fight head-on. He could only Dodge everywhere.

The surrounding environment was smashed into smithereens. In a short moment, it was extremely chaotic.

The Dao Protector’s attack still didn’t have any intention of stopping. He wouldn’t stop until Qin Yu was forced to retreat.

“Eh?”

At this moment, Qin Yu’s eyes lit up!

He was surprised to find that the surrounding environment seemed to be somewhat strange!

“That huge rock was clearly smashed just now, but now it’s actually intact?” Qin Yu stared at that huge rock, his eyes filled with astonishment!

He quickly scanned his surroundings.

As expected, the environment that was messed up by the Dao Guardian was slowly recovering!

“I understand!” Seeing this scene, Qin Yu suddenly understood!

In this environment, not only could the dao guardian be reborn, but everything in the environment would be reborn.

And the Dao Guardian was just like the huge rock, just a part of this environment!

“I understand.” Qin Yu leaped into the air.

“I took the wrong path and mistakenly thought that the problem was with the Dao Protector,” Qin Yu said in a deep voice.

In reality, the real problem was the environment!

In other words, a formation had been set up here. As long as the formation wasn’t broken, everything inside could be reborn indefinitely!

“Any formation has a core. As long as the core is broken, the dao protector will naturally disappear.” A relieved smile appeared on Qin Yu’s face.

“Leave quickly!” The Dao Protector once again closed in on Qin Yu!

Qin Yu's feet shrunk to an inch as he continuously dodged.

At the same time, he released his divine sense, covering the entire environment in an attempt to find the core of the formation.

“Clang!”

Under such circumstances, Qin Yu's speed suddenly decreased by a lot. The Dao Protector slashed at Qin Yu's chest again.

Qin Yu didn't care about it. He focused all his attention on finding the eye of the formation.

“Could it be that crystal?” Qin Yu frowned and looked at the crystal that was flickering not far away.

He didn't dare to confirm, so he could only hold the golden light in his hand and throw a punch.

The crystal shattered, but the dao protector showed no signs of disappearing.

“It really isn't.” Qin Yu frowned.

It was true. The formation eye couldn't be so eye-catching.

“Or is it that piece of gravel?”

Qin Yu was like a headless fly, constantly shattering the surrounding environment.

For an entire hour, Qin Yu was already panting from exhaustion, but he didn't find the formation eye at all. Instead, he angered the Dao Protector.

“Strange.” Qin Yu wiped the sweat off his forehead as he fled.

His expression was somewhat unsightly. Everything in the surroundings, big and small, had been shattered into pieces, yet he was still unable to find the location of the core of the formation.

“Where is the core of the formation...” Qin Yu muttered in a low voice. His face couldn't help but reveal some anxiety.

If this continued, he was afraid that he would really die here!

“Buzz!”

The Dao Protector's steel blade ruthlessly struck Qin Yu's head.

Qin Yu instantly felt as if his brain had been struck by a heavy blow, and he almost fell to the ground.

“Damn it!”

This action completely infuriated Qin Yu. He clenched his Golden Fist and suddenly smashed it towards the Dao Protector!

With this punch, the Dao Protector finally fell down and slowly disappeared from this environment.

However, in less than half a second, the Guardian appeared again!

And this time, the strength of the Guardian had reached an unbelievable stage!

“Half-step martial marquis!”

Feeling the internal Qi of the Guardian, Qin Yu’s face was extremely ugly!

With his current state, it was not so easy to defeat a half-step martial marquis!

“Leave quickly!” The Guardian roared.

Qin Yu didn’t dare to be negligent and looked at the guardian in front of him with a grave expression.

At this moment, Qin Yu suddenly seemed to have thought of something.

His eyes lit up and he raised his head to look at the towering water rhyme tower!

“Could it be... the water rhyme tower is the core of this formation? !” Qin Yu exclaimed.

Other than this, Qin Yu couldn’t think of any other possibilities!

As the saying goes, the most dangerous place is the safest place. This array’s core could very well be this water rhyme pagoda!

“Whatever, I can only fight to the death.” Qin Yu took a deep breath and muttered in a low voice.

Thinking of this, his feet shook and he hurriedly leaped up.

With a leap, Qin Yu arrived on top of the water rhyme pagoda.

Then, he put away the venerable mountain of the Five Mountains and walked out of the door.

Outside the door, elder Qu was looking at Qin Yu with eager eyes.

After seeing Qin Yu leave, elder Qu smiled and said, “Qin Yu, how is it? Is it over?”

Qin Yu didn't say anything.

Elder Qu would definitely not agree to destroy the water rhyme pagoda.

This scene could no longer be played out. Naturally, there was no point in trying to curry favor with elder Qu.

Qin Yu's feet shook, and his body rose into the air.

He stared at the Water Melody Pagoda, his entire body surging with energy.

Golden Light lingered in the air, as if a second sun had appeared.

And the Golden Light held in his fist emitted an intense deterrence!

Seeing this scene, elder Qu immediately felt that things were not looking good.

He said somewhat nervously, “Qin Yu, what... What do you want to Do?”

Qin Yu ignored him and whispered, “I can only give it a try.”

Before he could finish his words, Qin Yu's fist came crashing down on the water rhyme tower!

“Boom!”

In an instant, the entire water rhyme tower was on the verge of collapsing, and countless pieces of gravel fell down!

“Qin Yu, what the hell are you trying to do!” Elder Qu was instantly anxious. His palm was surrounded by light, and he had the intention to attack.

Qin Yu couldn't care less about elder Qu. He could only use all his strength to smash at the Water Melody Pagoda again!

Boom

Under this punch, the Water Melody Pagoda finally couldn't take it anymore and began to collapse!

Chapter 474: Chapter 474, ancient tree in hand!

Looking at the collapsed Shuiyun Pagoda, elder Qu immediately became anxious!

“Qin Yu, F * ck me!” Elder Qu's pupils constricted as he cursed!

An intense light burst out from his palm as he charged towards Qin Yu!

Qin Yu immediately clenched his fist and charged forward.

“Boom!”

With a loud sound, Qin Yu's figure immediately retreated a few steps. He let out a muffled groan as fresh blood flowed out from the corner of his mouth.

Elder Qu was, after all, a half-step martial marquis. Furthermore, Qin Yu's current condition was not good. Naturally, he would be at a disadvantage.

“I'm going to kill you!” Elder Qu roared crazily.

Qin Yu did not dare to waste any time. He hurriedly stepped on the ground and shrunk into an inch. He quickly rushed into the ruins and arrived below the first level of the water rhyme pagoda.

At this moment, the environment here had changed drastically!

The landscape-like scene from before had disappeared. What replaced it was a muddy scene.

The Dao Protector had also disappeared without a trace.

“As expected.” Qin Yu was overjoyed!

He had made the right bet!

The water rhyme tower was the core of the array!

Qin Yu hurriedly walked up to the three purities ancient tree and reached out to pluck it, stuffing it into his spatial artifact.

“Don't even think about running! I'm going to kill you!” Elder Qu's voice came from outside.

Qin Yu's expression was solemn, and he said in a low voice, "We have to think of a way to escape first."

Thinking up to this point, Qin Yu used his internal Qi, and once again used shrinking earth into an inch, running away!

"You want to run? In your dreams!" Looking at Qin Yu who was running away, elder Qu's expression was extremely cold.

Then, he took a step forward and quickly chased after him.

However, Qin Yu's shrinking the ground into an inch was a godly skill. How could elder Qu compare to him?

The distance between the two of them grew further and further. In less than five minutes, Qin Yu had completely disappeared from elder Qu's sight.

Elder Qu panted heavily, his expression extremely cold.

The people beside him also quickly caught up.

"Elder Qu, what should we do?" Someone asked.

A trace of ruthlessness flashed across elder Qu's old face.

He narrowed his eyes and said coldly, "I will definitely kill him! Go to the airport! I don't believe that he can escape to the ends of the Earth!"

...

On the other side, Qin Yu only dared to stop after escaping for dozens of miles.

At this time, the spiritual energy in his body had completely depleted, and he fell to the ground without any strength to speak of.

The consumption of shrinking the ground into an inch was simply too great, and he could not hold on for too long.

“I’ll think of a way to leave Dongchuan first.”Qin Yu took a deep breath.

He hurriedly hailed a car and rushed towards the airport.

On the way, Qin Yu tried to send a message to the pavilion master of the Medicine God Pavilion.

“Pavilion Master, I’m in trouble now. I’ve provoked the Saint Confucian school and the Hong Yi School. Can I go to the Medicine God Pavilion to hide?”Qin Yu asked tentatively.

After all, the Saint Confucian school was the number one sect in the north. The Hong Yi School had ten half-step martial marquises taking the initiative. Qin Yu didn’t know if the Divine Alchemist pavilion would be able to handle it.

After a short while, the pavilion master replied, “Okay.”.

It was still a short word, but it made Qin Yu sigh in relief.

“I’ll have to trouble the Divine Alchemist Pavilion again.”Qin Yu smiled bitterly in his heart.

Qin Yu didn’t know much about the strength of the Divine Alchemist Pavilion. He only knew that their connections were extremely strong.

But it was hard to say whether this matter could be withstood.

They arrived at the airport. Qin Yu bought the fastest plane and rushed towards Qinghe town.

Less than five minutes after Qin Yu boarded the plane, elder Qu and the others also arrived at the airport.

With the connections of the Saint Confucian school, it was not difficult to find a person. Therefore, elder Qu quickly found out Qin Yu's destination.

“Qinghe Town?” Elder Qu narrowed his eyes.

“He is going to the Divine Alchemist Pavilion,” the person beside him said in a deep voice.

Elder Qu snorted and said, “So what if he is going to the Divine Alchemist Pavilion? If he goes against our Saint Confucian school, he will only die!”

Then, elder Qu bought a plane ticket and headed straight for Qinghe Town!

...

On the plane, Qin Yu finally got some rest.

“That was close,” Qin Yu sighed.

Fortunately, he had obtained the three purities ancient tree, so everything was not in vain.

“As long as I have the three purities ancient tree and the herbs from the divine alchemist pavilion, it shouldn’t be difficult to step into the half-step martial Marquis Realm.”

Thinking of this, Qin Yu couldn’t help but smile.

With this blissful smile, Qin Yu quickly fell asleep.

When Qin Yu woke up again, he had already arrived at the airport.

Qin Yu didn’t dare to waste time. He hailed a car and headed straight for the Divine Alchemist Pavilion.

It could be said that Qin Yu and elder Qu were at the front foot and the back foot. The time difference was less than half an hour.

“Elder Qu, going to the Divine Alchemist pavilion is of great significance. Why don’t... We first greet the sect master?”The person beside said.

Elder Qu snorted coldly and said, “There’s no need. If she doesn’t give face, it’s not too late to look for the sect master.”

...

He returned to the Divine Alchemist Pavilion once again.

Standing at the entrance of the Divine Alchemist Pavilion, the medicinal fragrance that assaulted his face couldn’t help but make Qin Yu take a deep breath.

“Elder Qin!”

After seeing Qin Yu, countless pharmacists came forward to greet him.

“Elder Qin, you’re back!”

“Elder Qin, ever since you left, there have been endless legends! You’re Too Amazing!”

“Elder Qin...”

Everyone surrounded Qin Yu, taking Qin Yu as their idol and role model.

Qin Yu responded politely one by one. After a long time, the crowd dispersed.

They arrived at the pavilion master’s building.

Qin Yu opened his mouth and was about to shout when the Medicine Boy’s voice came from above, “Elder Qin, come up. The pavilion master has been waiting for you for a long time.”

Hearing this voice, Qin Yu scratched his head in embarrassment.

He jumped deep into the building.

He saw the pavilion master sitting there with a cup of black tea in his hand.

“Lord Pavilion Master.” Qin Yu walked forward and bowed slightly.

The pavilion master pointed at the chair with his chin and said, “Sit.”

Qin Yu hurriedly sat opposite the pavilion master.

Neither side said anything, and the atmosphere was a little awkward.

A moment later, Qin Yu broke the deadlock and said, “Lord Pavilion Master, I . . . I want to borrow the herbs of the divine alchemist pavilion... Don’t worry, I will return them to you as soon as possible!”

The pavilion master glanced at Qin Yu and said indifferently, “Ordinary herbs are no longer effective on you now.”

Qin Yu smiled bitterly and said, “Yes, I don’t know why, but my Dantian needs a lot of Qi/spiritual energy.”

The pavilion master slowly stood up and said indifferently, “If you want to improve your cultivation in a short period of time, there is only one way.”

Qin Yu hurriedly looked at the pavilion master, his eyes filled with admiration.

The pavilion master extended his jade finger and pointed at the distant warehouse.

“That place might be useful to you,” the pavilion master said indifferently.

Hearing this, Qin Yu’s pupils immediately constricted!

Warehouse ?

One had to know that all the herbs in the Divine Alchemist pavilion were born from that warehouse. The density of the Qi/spiritual energy inside was beyond imagination!

Chapter 475: Chapter 475, you are not qualified

Qin Yu stood up excitedly and said with some excitement, “Pavilion Master, is what you said true?”

Pavilion master said indifferently, “What do you think?”

Qin Yu didn’t even know what to say for a moment.

He hurriedly bent down and said respectfully, “Thank you, Pavilion Master, your great kindness...”

“That’s enough.”The Pavilion Master Interrupted Qin Yu’s words.

She sized up Qin Yu and said indifferently, “But I have a request.”

Qin Yu immediately nodded and said, “Let alone one request, ten requests will do!”

“Don’t be in a hurry to agree.”The pavilion master said with a faint smile.

“This request is not simple.”

Qin Yu said with a smile, “Pavilion Master, you have helped me so much. Even if you want me to go up a mountain of knives or into a sea of fire, I’m Willing!”

Pavilion master didn’t say anything more. She said indifferently, “There’s no rush. It’s still early. I’ll inform you when the time comes.”

“Okay!”Qin Yu nodded vigorously.

At this moment, Qin Yu seemed to have thought of something.

He hurriedly took out the three pure ancient tree and handed it to pavilion master.

“Lord Pavilion Master, this is a treasure I just obtained. It’s called the three pure ancient tree,”Qin Yu said.

Hearing this, a hint of surprise flashed in Pavilion Master’s eyes.

She took the three pure ancient tree and carefully examined it.

The three pure ancient tree in pavilion master’s hand flickered with an emerald green light, forming a sharp contrast with pavilion master’s Fair and tender hand.

“It really is the three pure ancient tree.”Pavilion master was even more surprised.

“You have to hide this thing well,”pavilion master said in a deep voice.

“Once it is spread out, it will definitely attract a disaster.”

Seeing the pavilion master’s serious expression, Qin Yu did not dare to be negligent.

He hurriedly nodded and said, “Now only the two of us know about this three pure ancient tree.”

At this point, Qin Yu said with some doubt, “Pavilion Master, do you know the origin of this three pure ancient tree?”

The Pavilion Master was silent for a moment before he slowly said, “It is said that the three purities ancient tree is a divine tree used by Daoists to comprehend Dao.”

“This tree has an extremely strong growth rate, and its effects will increase as well.”

After saying that, the pavilion master sized up the three purities ancient tree in Qin Yu’s hand and continued, “The tree in your hand is still in its embryonic form. There is a lot of room for it to grow in the future.”

Just an embryonic form had such an effect. If it grew and took shape, wouldn’t the effect be beyond imagination? !

“Put it away,” said the pavilion master.

“Remember my words. This three pure ancient tree must not be known by a third person. Otherwise, it will definitely attract a disaster.”

“When that time comes, I won’t be able to protect you.”

Qin Yu hurriedly nodded and said, “I understand, pavilion master.”

Just as the two of them were conversing, an medicine boy suddenly ran over.

“Pavilion Master, elder Qu of the sage Confucian school requests an audience,” the medicine boy said softly.

Qin Yu smiled bitterly and said, “He’s here to look for me.”

The pavilion master was not surprised. She glanced at Qin Yu and said, “Go and rest first. I’ll bring you to the warehouse tonight.”

“Okay.” Qin Yu nodded.

Then, he said worriedly, “Lord Pavilion Master, you... You Be careful.”

The pavilion master didn't say anything. Her body was as light as a swallow as she lightly jumped down from the pavilion.

...

In the hall.

Elder Qu and a few disciples of the sacred Confucian school were sitting there drinking tea.

A few pharmacists beside them served tea and didn't dare to be negligent.

At this moment, the pavilion master lightly walked in.

Upon seeing the pavilion master, elder Qu smiled faintly and stood up, saying, “Greetings, Pavilion Master of the Divine Medicine Pavilion.”

The pavilion master nodded slightly, and then sat opposite elder Qu. He went straight to the point and said, “Why has elder Qu come to My Divine Medicine Pavilion?”

Elder Qu was silent for a moment, and then said, “Pavilion Master, I won't beat around the bush with you. I've come this time to ask for someone.”

“Ask for someone?” Pavilion master raised his brows.

Elder Qu nodded and said, “I know you favor Qin Yu, but this Qin Yu destroyed an important treasure of our Saint Confucian sect! If I don’t take revenge, I swear I won’t be a human!”

Pavilion master took a sip of tea and said nothing.

Seeing this, elder Qu continued, “Pavilion Master, I don’t know what relationship you have with that Qin Yu, but this Qin Yu is a troublemaker. If you keep him, he will bring disaster to the Divine Alchemist pavilion sooner or later!”

Hearing this, the pavilion master finally raised her head.

She sized elder Qu up and said, “Are you threatening me?”

Elder Qu did not directly answer this question. Instead, he said, “I know that Qin Yu is an elder of your medicine God Pavilion, but...”

“Since you know that he is an elder of our medicine God Pavilion, why did you come here to ask for him?” The pavilion master interrupted elder Qu’s words.

Elder Qu’s expression immediately turned somewhat ugly.

“From the Pavilion Master’s words, you don’t intend to hand him over?” Elder Qu said coldly.

When the pavilion master heard this, he said with a faint smile, “Our Medicine God Pavilion has never known what it means to hand someone over.”

Elder Qu immediately flew into a rage! He slammed the table and stood up!

He glared angrily at the pavilion master and said, “You better think this through! If you protect this Qin Yu to the death, you will not only offend me, but the entire Saint Confucian sect!”

The pavilion master glanced at elder Qu and said indifferently, “Let your sect master tell me this.. You are not qualified.”

Chapter 476: Chapter 476, Pavilion Master V S Elder Qu

Elder Qu’s pupils suddenly constricted, and his expression immediately became extremely ugly!

He stared at the pavilion master, and a wave of anger filled his chest.

Elder Qu knew that the Medicine God Pavilion’s Pavilion Master wasn’t easy to talk to, but he didn’t expect that he would be so disrespectful!

“Are you going against my Saint Confucian School?” Elder Qu said coldly.

The pavilion master glanced at elder Qu and said indifferently, “Do you really think that the Saint Confucianism sect is the number one sect in the world?”

“You!” Elder Qu was so angry that he almost vomited blood.

The Saint Confucianism sect was indeed not the number one sect in the world, but in the north, almost no one dared to provoke it!

Traces of killing intent burst out from elder Qu’s body, and a terrifying pressure spread out at this moment.

“Why? Do you want to make a move on My Divine Alchemist Pavilion?” The pavilion master narrowed her eyes.

Elder Qu shouted loudly, “I want to see just what is so extraordinary about the Divine Alchemist Pavilion!”

Before she finished her words, elder Qu’s palm was shrouded in light as she slammed her palm towards the pavilion master!

The pavilion master was not flustered. She raised her jade-like hand and lightly welcomed the attack.

“Boom!”

A loud explosion sounded in the hall!

Elder Qu was seen to take a few steps back before he finally fell to the ground.

“Pu!”

A mouthful of fresh blood was spat out from his mouth!

“Who do you think you are to come to my divine alchemist pavilion to ask for someone?” The Aura on the pavilion master’s body became extremely cold. Even the temperature in the room had dropped by a few degrees!

Elder Qu’s expression was extremely ugly!

Although it was only a short exchange of blows, the gap between the two was self-evident.

“Good, good!” Elder Qu crawled up from the ground.

“I’ll go back and report to the sect Master Right Now!”

The pavilion master said expressionlessly, “Send the guest off.”

The few law enforcement elders quickly moved forward, glaring at elder Qu with covetous eyes.

Although elder Qu felt indignant in his heart, he did not dare to flare up.

He snorted coldly and turned around to leave.

After walking out of the Medicine God Pavilion, elder Qu spat out another mouthful of blood.

“Elder Qu, are you alright! ?” The disciple of the Saint Confucian school hurriedly asked.

Elder Qu wiped the blood from the corner of his mouth and coldly said, “The medicine God Pavilion’s pavilion master... . Lives up to his reputation.”

“Elder Qu, it’s better to tell this matter to the sect master and let him negotiate.” The person beside him said.

Elder Qu said coldly, “Even if the medicine God Pavilion wants to cover its bottom, it will have to see if it can cover its bottom!”

Just as elder Qu was about to leave, he suddenly felt a few strange auras approaching him from the internal Qi.

“Oh ?”

Sensing these few powerful auras, elder Qu's brows immediately twitched.

“Elder Qu, what's Wrong?”The person beside him hurriedly asked.

Elder Qu narrowed his eyes and said with a cold smile, “Perhaps we don't need to do anything. The people from the Hong clan are here.”

...

Within the Divine Alchemist Pavilion.

Qin Yu was sitting in his elder's residence, feeling uneasy.

He didn't know how the Pavilion Master and elder Qu were talking. If he implicated the entire Divine Alchemist Pavilion, then he would be a sinner.

“Elder Qin, this is the dinner that the pavilion master asked us to prepare for you.”

At this moment, two apprentice alchemists squatted down and walked in.

Qin Yu hurriedly got up and asked anxiously, “How is Pavilion Master?”

The two apprentice alchemists looked at each other and said, “Pavilion Master is resting upstairs. Elder Qin, what's the matter?”

Qin Yu was stunned. He asked tentatively, “Pavilion Master... is she injured?”

“PFFT!”

Hearing this, the two apprentice alchemists laughed out loud.

As they placed the dishes on the table, they said, “After serving pavilion master for so long, I have never seen her injured before. Elder Qin, you should hurry up and eat your dinner.”

Qin Yu took a deep breath and nodded, “That’s good, that’s good.”

Qin Yu had never been very clear about pavilion master’s strength.

Now that he had stepped into the peak of the Great Grandmaster realm, the enemies that came after him were getting stronger and stronger. Qin Yu didn’t have much confidence in himself.

After wolfing down the meal, Qin Yu patted his stomach in satisfaction.

He looked in the direction of the warehouse with a hint of excitement in his eyes.

“Elder Qin, how have you been?”

At this moment, the fifth elder walked in from outside.

Seeing the fifth elder, Qin Yu hurriedly stood up and said politely, “Greetings, fifth Elder.”

The fifth elder said jokingly, “Now that your position is above mine, I should be the one to greet you.”

Qin Yu smiled bitterly and said, “Fifth Elder, please don’t tease me.”

The fifth elder laughed out loud, and then he said seriously, “Let’s get down to business. Qin Yu, the people from Hong Yi sect have already arrived.”

“So Fast!” Qin Yu suddenly stood up, his face full of worry.

“Ten half-step martial marquises?” Qin Yu frowned.

The fifth elder nodded and said, “Yes, they are now around the Divine Alchemist Pavilion.”

The worry on Qin Yu’s face became more and more intense.

That was ten half-step martial marquises!

No matter how strong the pavilion master was, could he withstand ten half-step martial marquises?

“It seems that I have to step into the half-step martial marquis realm as soon as possible.” Qin Yu immediately felt a little anxious.

If they could not reach an agreement, who in the entire Divine Alchemist Pavilion Could Help The Pavilion Master?

As long as he stepped into the half-step martial marquis realm, those ten half-step martial marquises were not worth mentioning!

“Don’t worry too much.” Fifth Elder waved his hand and said.

“The Pavilion Master will help you think of a way. What you need to do now is to step into the half-step martial marquis realm as soon as possible.”

Qin Yu nodded and said, “I know. I am waiting for Pavilion Master’s notice.”

“Let’s go.”Fifth Elder said with a smile.

Qin Yu was stunned and said, “Where are we going?”

Fifth Elder said with a smile, “Pavilion Master is waiting for you at the entrance of the warehouse.”

Upon hearing that, Qin Yu said impatiently, “Then let’s hurry up and set off.”

The two of them walked out of the Elder’s residence and headed towards the most mysterious warehouse of the Divine Alchemist Pavilion.

At the entrance, the pavilion master was standing there, waiting quietly.

“Lord Pavilion Master.”Fifth Elder walked forward and bowed slightly.

The pavilion master nodded and then looked at Qin Yu.

“Qin Yu, you can only stay inside for a month at most,”said the pavilion master.

Qin Yu nodded vigorously and said, “A month is enough!”

“After a month, regardless of whether you have stepped into the half-step martial marquis realm or not, you have to come out immediately. Do you understand?”said the pavilion master.

“Yes, Pavilion Master.”Qin Yu bowed and said.

“Go in.”The pavilion master gently raised his palm, and the door slowly opened.

The moment the door opened, a wave of medicinal fragrance rushed over.

Qin Yu took a deep breath, and then Strode into the warehouse.

The warehouse door slowly closed.

The pavilion master gently stretched his palm again, and a wave of light fell on the door.

This was a forbidden power. As long as one did not obtain the pavilion master’s permission, no one was allowed to enter.

It was the same method as he teng back then. The only difference was that the pavilion master’s method was much more brilliant.

“Pavilion Master.”After Qin Yu entered, the fifth elder looked at the pavilion master.

The pavilion master nodded slightly and said, “Let’s go and meet them.”

The fifth elder frowned and said, “Those are ten half-step martial marquises. Do We need to inform the law enforcement elders?”

“No need..”The pavilion master waved his hand.

Chapter 477: Chapter 477, entering the warehouse!

With that, the pavilion master strode out of the Medicine God Pavilion.

Although the fifth elder was worried, he had the heart but not the strength. He could only watch from the side.

At the entrance of the Medicine God Pavilion, there was a very wide street.

At this moment, there was no one on either side of the street. There was only the rustling sound of the gentle breeze.

The pavilion master stood on the cold street and said faintly, “You are already here. Come out.”

The Darkness was silent.

In less than half a second, several figures leaped out from the darkness!

Ten half-step martial marquises surrounded the pavilion master.

Their internal Qi was tyrannical, and a terrifying pressure filled the entire street.

It was obvious that they wanted to show the pavilion master their might.

“Are you planning to encircle and annihilate my medicine God Pavilion?” The pavilion master raised his brows, and the internal Qi on his body suddenly burst out!

The collision of several internal Qi instantly caused the air to rumble violently!

“Pavilion Master, you have misunderstood.” The ten half-step martial marquises retracted their internal Qi.

The one leading the group was an aquiline nose. The aquiline nose took a step forward and said with a faint smile: “I have long heard that the fire country’s Divine Alchemist Pavilion Master is unparalleled in the world. Seeing him today, he really lives up to his reputation.”

The pavilion master said expressionlessly: “There is no need to say such polite words.”

The hooked nose bowed slightly and then said indifferently, “Pavilion Master, I know that you want to protect Qin Yu, but my Hong clan is also determined to obtain Qin Yu.”

“I know that Your Divine Alchemist pavilion is powerful and has a high status in the fire country, but this Qin Yu has bullied me too deeply and I have no choice but to take revenge.”

The pavilion master’s willow like brows furrowed slightly. She sized up the hooked nose in front of her and said, “Don’t say such nonsense.”

When the aquiline nose heard that, he immediately burst out laughing.

“Alright then, please hand over Qin Yu, Pavilion Master.” The aquiline nose said indifferently.

“Another one who wants my divine alchemist pavilion to hand him over.” The pavilion master shook his head.

She shot a glance at the aquiline nose and said: “Do you believe that with just a call from me, I will be able to prevent all of you from leaving the Fire Country?”

Hearing those words, everyone's faces immediately changed drastically!

The aquiline nose's expression gradually turned a little ugly.

“Pavilion master, we do not mean to offend you. It is just that this trip is decided by the higher-ups. If we fail to complete the mission, we will not be able to return.” The aquiline nose said coldly.

“I hope that pavilion master will not make things difficult for us.”

The pavilion master said with a faint smile: “Alright, one month later, I will be able to get Qin Yu to leave the Divine Alchemist Pavilion.”

“At that time, whatever you all want, I will not interfere.”

When the hooked nose heard that, he frowned and asked: “Is what the Pavilion Master said true? It can't be a delaying tactic right?”

“That's right. If you were to inform the fire country's officials, we would be in deep trouble.”

The pavilion master said indifferently: “If you all do not believe me, then please go ahead.”

After saying that, the pavilion master turned around to leave.

The aquiline nose hurriedly stopped the pavilion master. He took a deep breath and said, “Alright, I believe that the Pavilion Master is a man of his word.”

“But... What if the pavilion master changes his mind at that time?”

The pavilion master said indifferently, “After a month, if Qin Yu doesn’t leave the Divine Alchemist Pavilion, I will come and face you on his behalf.”

The intention of his words was very obvious.

If Qin Yu didn’t leave the Divine Alchemist Pavilion in a month’s time, then he would let Hong Yimen make a move on him.

The Pavilion Master of the Divine Alchemist Pavilion was also very tempting to Hong Yimen.

After all, her alchemy skills were unparalleled in the world.

“Alright.” The aquiline nose cupped his hands.

“Then we will wait here. If we don’t see him in a month’s time, don’t blame us for offending him.”

The Pavilion Master didn’t say anything and turned around to return to the Divine Alchemist Pavilion.

...

At this moment, Qin Yu was sizing up the warehouse of the Divine Alchemist Pavilion.

In the huge warehouse, countless herbs were planted.

These herbs were growing at a speed visible to the naked eye.

Their speed was far faster than one could imagine.

Endless amounts of Qi/spiritual energy assaulted one’s face.

This wave of Qi/spiritual energy made one's entire body feel comfortable and their blood boil.

It was also because of the existence of this warehouse that the Divine Alchemist Pavilion was able to stand tall for a long time.

“This warehouse has an endless amount of Qi/spiritual energy. Could it also be hiding some treasures?” Qin Yu suddenly had an idea, and his eyes subconsciously looked towards the ground.

An ordinary spirit gathering formation would definitely not be able to provide so much qi/spiritual energy.

Even if all the Qi/spiritual energy in Qinghe town was gathered here, there wouldn't be so much qi/spiritual energy.

‘there should be some treasure hidden here,’ Qin Yu thought to himself.

This was also the Divine Alchemist Pavilion. Otherwise, it would definitely be snatched away by others.

‘I'd better hurry up and cultivate. Within a month, I should be able to step into the half-step martial Marquis realm,’ Qin Yu thought to himself.

He took out the three purities ancient tree and found a place to sit down.

Then, he began his boring cultivation.

At a glance, he saw a young man sitting in the middle of a pile of lush and verdant herbs.

Above his head, there was a small emerald tree.

The surrounding Qi/spiritual energy formed a small vortex around Qin Yu.

And Qin Yu's body was absorbing this Qi/spiritual energy as if it was hungry.

...

Three days later.

“What on Earth are the people of the Hong Yi sect doing!” Elder Qu, who had not left, could not help but curse in his heart.

“It's already been three days, yet they still haven't made a move.”

“Elder Qu, this is the Divine Alchemist pavilion after all, and the Hong Yi sect is an organization that has been blacklisted. They shouldn't dare to make a move against the Divine Alchemist Pavilion in such a grand manner,” the person beside him said.

“That's right, elder Qu, why don't... We Go back and ask the sect master.”

Elder Qu didn't say anything, but in his heart, he approved of this suggestion.

“The two of you stay behind. The rest of you, follow me back to the Saint Confucian sect,” elder Qu said.

“Yes.”

Elder Qu didn't stay any longer and immediately returned to the Saint Confucian sect.

The Saint Confucian sect had a spirit spring.

This spirit spring could also provide an endless supply of resources.

If a large sect's ivory was to stand tall, they had to have sufficient resources.

There were even many sects that relied on a single heaven and earth resource to establish their own sects.

At this moment, a young man was sitting cross-legged near this spirit spring.

“It still won't do!” The young man opened his eyes, and a trace of annoyance flashed across his face.

“Wanting to step into the Martial Marquis realm isn't that simple...” that hoarse voice sounded in his mind.

This young man was none other than He Teng.

A trace of anger flashed across He Teng's face. He clenched his fists and said angrily, “If I don't step into the Martial Marquis realm, how can I kill that Qin Yu! ?”

“He, Qin Yu, has made me suffer a great humiliation. Now, I, the number one person in the central plains, have become a joke!”

“If I don't kill him, I will never be able to turn the tables!”

He Teng's crazy roar was shockingly on the verge of collapse.

“Simple... as long as you hand over your body to me, I can kill him....”that hoarse voice sounded again.

Chapter 478: Chapter 478, Saint Confucian School VS Medicine God Pavilion

Hearing this, he teng could not help but say coldly, “Don’t even think about it!”

“Then you will never be a match for Qin Yu... Hehehe...”that hoarse voice carried a hint of mockery.

He Teng immediately flew into a rage!

He stood up angrily and said coldly, “Bullshit! Sooner or later, I will kill Qin Yu with my own hands!”

“Kill Qin Yu with my own hands? When he steps into the half-step martial marquis realm, you will be even less of a match for him...”

He Teng clenched his fists and the veins on his forehead bulged.

Although he didn’t want to believe it, it was the truth.

Once Qin Yu steps into the half-step Martial Marquis Realm, he teng would have no more chances to speak of.

His heart began to waver.

...

Elder Qu quickly returned to the Saint Confucian school.

In the depths of the Saint Confucian sect, there was a villa in a deep courtyard.

The structure of the villa was extremely exquisite. Not only were there modern buildings, but there was also an ancient gilded hall.

Elder Qu quickly arrived at the villa. With a plop, he kneeled at the door and used his inner strength to shout, “Qu Wu requests to see the sect master!”

His voice boomed and rushed into the depths of the villa.

A moment later, the door slowly opened, but no one was there.

Elder Qu hurriedly got up and quickly walked in.

When he arrived at the Golden Hall, a voice came from the dark.

“Speak, what’s the matter?”

Hearing this voice, elder Qu hurriedly said, “Sect master, that Divine Alchemist Pavilion Master is too arrogant. He doesn’t take our Saint Confucian school seriously at all!”

After that, elder Qu added fuel to the fire and told the sect master everything that had happened.

The Great Hall quieted down, but the sect master did not reply.

After a moment, the sect master asked, “The Medicine God pavilion has too many connections. If we want to touch him, it’s not something our Saint Confucian sect can do.”

Elder Qu's expression immediately changed!

Even the Saint Confucian sect could not do it? Then who else in this world could touch the Medicine God Pavilion's Pavilion Master?

Just as elder Qu was in despair, the sect master suddenly changed the topic and coldly said, "But the medicine God pavilion is bullying our sage Confucian school. Our sage Confucian school will definitely not swallow this humiliation!"

Elder Qu was immediately overjoyed and hurriedly said, "Right! Sect master, we must think of a way to teach this medicine God Pavilion a lesson!"

The sect master said in a deep voice, "Tomorrow, I will head to Jingdu and discuss this matter with the Yan family."

"Good, good!" Elder Qu hurriedly nodded.

After leaving this villa, elder Qu couldn't help but laugh coldly.

"Damned woman, just you wait!" Elder Qu said viciously.

"When the sect master catches you back, watch how I deal with you!" Elder Qu couldn't help but say with a lecherous look.

The Pavilion Master's peerlessly beautiful figure appeared in his mind, and he couldn't help but swallow his saliva.

...

The Divine Alchemist Pavilion was completely silent.

Although the Divine Alchemist Pavilion still had a stock of herbs, without new herbs to provide, it was only a matter of time before they ran out.

“Lord Pavilion Master, our herbs can only last for half a month at most.” The medicine boy stood at the side of the pavilion master and said softly.

The Pavilion Master’s cold face didn’t have the slightest expression.

She looked into the distance and said quietly, “Got it. The remaining half a month is a holiday.”

“Yes, Lord Pavilion Master.” The medicine boy hurriedly nodded.

This was the first large-scale holiday in the history of the Divine Medicine Pavilion.

Although the previous medicine masters were mostly free, the Divine Medicine Pavilion had never had a public holiday.

Soon, this news spread throughout the Divine Medicine Pavilion, and everyone couldn’t help but discuss it.

“Qin Yu, you must not disappoint everyone’s hope...” fifth elder sighed in a low voice.

...

There was a club in Jingdu.

This club was jointly funded by several aristocratic families.

The club was not open to the public and only received guests from the various aristocratic families.

On this day, Yan Sihai, Han Meng, and Xia hang from the Jingdu Martial Arts Association gathered here.

Apart from them, there was also an old man dressed in white.

Although the old man had a head full of white hair, he was full of energy and did not lose out to the young people.

This old man was none other than the sect master of the sage Confucian school, Gu Canghai!

“What business do you have with us?” Yan Sihai said casually as he smoked his cigar.

Gu Canghai said quietly, “Director Yan, I came here this time to discuss with you about the Divine Alchemist Pavilion.”

“Divine Alchemist Pavilion?” Yan Sihai’s expression turned cold and he could not help but snort.

The arrogant attitude of the medicine God Pavilion’s pavilion master involuntarily surfaced in his mind.

Gu cang hai continued, “The Medicine God Pavilion is now so arrogant that it has no boundaries. It doesn’t put us in its eyes at all.”

After that, he recounted what had happened to the few of them.

“Sect master Gu, this medicine god pavilion can not be touched. Many people’s bodies rely on their medicine masters.” Han Meng could not help but frown as he said.

Gu Canghai nodded slightly and said, “It is precisely because of this that I came to discuss with you guys.”

Yan Sihai snorted lightly and said, “What can’t be touched? It’s just the Medicine God Pavilion. It’s not like there’s no one who can replace it.”

“President Yan, your words are wrong.” Xia Hang, who was at the side, shook his head.

He said faintly, “The medicine God Pavilion’s pavilion leader’s alchemy skills are unparalleled in the world. At least now, it seems that no one can replace her.”

“Moreover... her relationship also involves us.” Xia hang pointed at the ceiling.

There were not many people who had a higher status than them.

The few people present naturally understood.

“Old Xia, why are you so cautious?” Yan Sihai sneered.

“As an alchemist, you just have to treat the illness and refine pills. Why are you always involved in other things?”

“We can teach the Divine Alchemist pavilion a lesson. At most, we can just spare her life.”

Yan Sihai was clearly the bravest among these people.

As for the Divine Alchemist Pavilion, Yan Sihai had long detested it.

Xia hang was silent for a moment and said, “Let me go back and discuss this matter with my superior.”

“Discuss my ass!” Yan Sihai stood up and said.

He turned his head to look at Gu Canghai and said, “Gu Canghai, I order you to immediately bring people to attack the medicine God Pavilion and teach them a lesson.”

Gu Canghai looked at the others awkwardly.

Yan Sihai said impatiently, “I will bear all the consequences! Remember, capture that woman, the Pavilion Master of the Medicine God Pavilion alive.”

Upon hearing that, Gu Canghai hurriedly stood up and said, “Alright, I understand.”

After leaving here, Gu Canghai returned to the Saint Confucian sect.

On the same day, the Saint Confucian sect publicly issued a challenge on the martial arts forum:

Qin Yu bullied the Saint Confucian sect, killed the disciples of the Saint Confucian sect, and destroyed our sect’s supreme treasure. His heart should be executed!

Within three days, if the medicine God Pavilion did not hand over Qin Yu, the Saint Confucian sect would use forceful methods against the medicine God Pavilion!

Chapter 479: Chapter 479, the attack of the sage Confucian school

Once this news was released, it caused an uproar in the entire martial arts forum!

One was the Divine Alchemist Pavilion, which had an extraordinary status, while the other was the largest sect in the northern region.

These two large factions actually had a direct conflict?

This was probably the first time in history!

“What a troublesome year.”

Everyone couldn't help but sigh.

The past few decades were probably not as eventful as this year!

“The Saint Confucian school actually made a move against the medicine God Pavilion. According to what I know, as long as the Medicine God pavilion swings its arm, there will definitely be many people coming to support it,” someone said.

“That's right, and the connections of the Medicine God Pavilion are extremely strong.”

“Although that's the case, the Saint Confucian school is not bad either. They are existences that sit on the throne of Marquis Wu.”

Once these words were said, everyone who was discussing immediately fell silent.

The meaning of a martial marquis was too great. No one was willing to touch the misfortune of a martial marquis.

In this world, other than modern hot weapons, probably no one could stop a martial marquis!

Within the Medicine God Pavilion.

The pavilion master naturally knew of this matter.

Looking at the letter of challenge issued by the Saint Confucian school on his phone, the pavilion master, who had always been as calm as water, frowned slightly.

“Saint Confucianism sect...”the pavilion master murmured.

The eight law-enforcing elders all stood below the pavilion, as if waiting for the Pavilion Master’s order.

The Pavilion Master was silent for a moment. Then, she stepped on the ground and gently landed from the pavilion.

“Lord Pavilion Master!”The elders shouted in unison.

The Pavilion Master was silent. No one knew what she was thinking.

No one knew what kind of decision the pavilion master would make.

“Lord Pavilion Master, we will do our best.”A few law enforcement elders shouted.

“I will gather people tomorrow.”

“Many aristocratic families owe our divine alchemist pavilion a favor. I believe they will lend a hand!”

The eight law enforcement elders expressed their opinions, but none of them were afraid.

However, at this moment, the pavilion master shook her head.

She looked at the law enforcement elders and said slowly, “Inform them that from today onwards, the Medicine God Pavilion will have a holiday.”

“What ? !”

The law enforcement elders were instantly stunned.

At this critical moment, not only did the medicine God Pavilion not gather manpower, they even wanted to have a holiday ?

“Lord Pavilion Master, how can we have a holiday at this time ?”

“That’s right, what if the sage Confucian school attacks, how should we deal with it ?”

The pavilion master said in a deep voice, “As alchemists, their instinct is to refine pills. It’s meaningless for them to stay, it will only increase the casualties.”

This was the truth. The strength of the Medicine God Pavilion’s alchemists was naturally incomparable to that of the sage Confucian school.

“I... I understand.” First Elder of law enforcement sighed.

Just as they were about to turn around and leave, the pavilion master suddenly said, “All of you can leave for now.”

The eight of them were instantly stunned on the spot.

“We’re leaving too?” The few of them turned around and were dumbstruck.

The pavilion master nodded slightly and said, “Yes.”

“Lord Pavilion Master, this... Why is this happening?”

“That’s right. If we leave, what will happen to the Medicine God Pavilion?”

“Lord Pavilion Master, you must not!”

The pavilion master said in a deep voice, “If the Saint Confucianism sect sends out a martial marquis, it’s useless for you to stay.”

“If it’s only a half-step martial marquis, there’s nothing they can do.”

Even though that was the case, no one knew how powerful the Saint Confucianism sect was.

“Lord Pavilion Master, the possibility of the Saint Confucianism sect sending out a martial marquis isn’t high. After all, the Martial Marquis hasn’t appeared for many years.” The Great Elder of law enforcement bowed and said.

“Let us stay. Although we are not strong, we can at least stop them for a while.”

Seeing the deep affection of everyone, the pavilion master frowned slightly.

She thought for a moment and said, “Alright, half-step Marquis Wu will stay. Everyone else will have a holiday.”

“Pavilion Master, I...”

“No need to say more.” The pavilion master interrupted them.

Seeing this, the few law enforcement elders had no choice but to agree.

...

In the warehouse.

Qin Yu was absorbing Qi/spiritual energy as if he was thirsty.

Streams of Qi/spiritual energy flowed into his body. As he circulated his cultivation technique, his dantian was like a bottomless pit.

Above his head, the three purities ancient tree was shining, calming his mind.

Qin Yu knew nothing about what was happening in the outside world.

In the blink of an eye, three days had passed.

Qin Yu’s Dantian seemed to have no end. He did not know how much qi/spiritual energy he had absorbed, but there were still no signs of a breakthrough.

At this time, the outside world had already begun to move in secret.

Qinghe town, which had always been peaceful, had been moving in secret recently.

The citizens of Qinghe town had naturally heard of this news.

“Damn it, when has there ever been such a conflict in our Qinghe town? !”

“It’s all because of that Qin Yu! That guy is a jinx. Wherever he goes, there will be disasters!”

“We have to drive him out of Qinghe Town!”

For a time, Qin Yu became the target of public criticism.

But in reality, the dispute between the Saint Confucian school and the Divine Alchemist Pavilion had nothing to do with ordinary people like them.

These few days, the usually lively divine alchemist pavilion had become somewhat deserted.

And within the Saint Confucian sect, elder Qu finally received an order.

“Remember, capture the Pavilion Master of the Divine Alchemist Pavilion Alive,” Gu Canghai said coldly.

Elder Qu hurriedly stood up and said, “Sect master, the Pavilion Master of the Divine Alchemist Pavilion has extraordinary strength. How about... I bring a martial marquis weapon?”

Gu Canghai glanced coldly at elder Qu and said, “Do you think that a martial marquis weapon is like cabbages on the roadside?”

“You have five half-step martial marquises. If you can’t even deal with one pavilion master of the Divine Alchemist Pavilion, then don’t return to our Saint Confucian sect.”

Elder Qu still wanted to say something, but Gu Canghai did not give him a chance. He turned his head and left.

“Elder Qu, the Pavilion Master of the Divine Alchemist Pavilion is just a woman. Are You So afraid of Him?” A man in his forties said indifferently.

This man’s name was Xu Beigou. He was one of the Saint Confucian sect’s candidate elders and was also a half-step martial marquis.

Back then, the two of them had competed for the position of Elder, but in the end, they had chosen elder Qu.

This had also led to the enmity between the two of them.

Elder Qu glanced at him and snorted coldly, “Xu Beigou, you’d better not underestimate this woman.”

Xu beigou sneered, “What, could it be that she’s a martial marquis?”

“Do you think a martial marquis is like cabbages on the streets?” Elder Qu snorted coldly.

“Then that’s it,” Xu Beiliu said indifferently.

“As long as she is not a martial marquis, what’s there to be afraid of?”

Elder Qu could not help but frown.

He said slowly, “Although they are both half-step martial marquises, her strength is far above mine.”

The previous simple collision had shocked elder Qu until he vomited blood continuously.

If they were to really fight, these five half-step martial marquises might not be a match for the Divine Alchemist Pavilion Master.

“I think you are scared.” Xu Beiliu coldly snorted.

“Just because you are not a match for her does not mean that we are not a match for her.”

Elder Qu’s expression turned cold as he sneered, “I have warned you in advance. When you suffer a loss, do not regret it.”

Xu Beizhong sneered, “If you’re afraid, then stay.”

After throwing these words, Xu Beizhong waved his hand and said, “Let’s Go! To eradicate the Divine Alchemist Pavilion!”

Chapter 480: Chapter 480, one against five!

Seeing this, elder Qu couldn’t stop laughing coldly.

“Brainless fool, Let’s see how you end up.” Elder Qu snorted coldly, and then followed with large strides.

The sage scholarly faction made a big fuss and set off towards the Medicine God Pavilion.

They didn't conceal their intentions at all, as if they wanted to use the medicine God Pavilion to establish their might.

Such a commotion naturally spread very quickly.

“The sage scholarly faction has made a move!”

The news immediately attracted the attention of countless people!

There were even people who immediately drove towards Qinghe Town!

...

In the Medicine God Pavilion.

The Pavilion Master was soaking in the bath, holding a cup of black tea in his hand.

During this period of time, the various elders were in a state of panic. Only the pavilion master seemed to be fine, not showing the slightest change in emotion.

“HMM?”

At this moment, the sharp pavilion master caught the trace of internal Qi.

“It's here.” A killing intent flashed through the pavilion master's long and narrow eyes.

She put down the black tea in her hand and reached out with her palm. A long robe fell on her body.

Then, the pavilion master stood on top of the pavilion and looked into the distance as if she was waiting for them.

The five half-step martial marquises of the sage scholarly faction were getting closer and closer. One kilometer, five hundred meters, one hundred meters...

Finally, the two law enforcement elders who stayed behind also felt this internal Qi!

“Lord Pavilion Master!” They were just about to shout when they saw the pavilion master slowly walking over.

“Lord Pavilion Master, they...”

“I understand.” The pavilion master interrupted the first Elder’s words.

The three of them stood on the square of the entrance of the Medicine God Pavilion and waited quietly.

“SWISH SWISH SWISH!”

Soon, five figures landed in the middle of the square!

The one leading them was none other than Xu Beiliu!

The two forces clashed at this moment.

The atmosphere was filled with tension, as if even the air had frozen!

Xu Beiliu sized up the Pavilion Master of the Medicine God pavilion and said indifferently, “Everyone says that the pavilion master of the Medicine God Pavilion is a top-notch beauty. Seeing her today, she really lives up to her reputation.”

The pavilion master ignored Xu Beiliu. Her gaze instead landed on elder Qu.

“Elder Qu, looks like you didn’t understand what I said last time.” The pavilion master said indifferently.

Elder Qu smiled and said, “Pavilion Master, I am here on the orders of the sect master of my Saint Confucian School to Crusade against the Medicine God Pavilion.”

The pavilion master narrowed his eyes and sneered, “Your sect master didn’t come himself and sent you bunch of trash to Die?”

His words made the atmosphere even more tense!

Xu Beiji, who was ignored, was even more furious!

He looked at the pavilion master coldly and said, “Trash? You Call Us Trash? We are both half-step martial marquises, what right do you have to be arrogant in front of me!”

“If you know what’s good for you, pay for your own cultivation and come with us!”

“Otherwise, don’t blame me for being impolite!”

The pavilion master raised her eyebrows. She sized up Xu Beiliu in front of her and said indifferently, “So you’re still a good-for-nothing with a temper.”

“You!”

As soon as these words were said, Xu Beiliu was completely enraged!

Internal Qi burst out from his entire body in an instant. Streams of tyrannical aura condensed on his palm!

“I think you’re courting death!” Xu Beiliu shouted angrily and then suddenly slapped his palm toward the pavilion master!

The Pavilion Master did not panic, and raised his hand to meet it head-on.

“Boom!”

The huge collision almost ignited the air!

At this moment, Xu Beiliu’s expression suddenly changed drastically!

In the next second, his figure was directly sent flying, and a mouthful of blood spewed out!

“How... how could this be!” Xu Beiliu fell to the ground, his pale face filled with terror!

They were both half-step martial marquises, how could the gap between the two be so huge!

“Hehe, some people don’t brag anymore?” Elder Qu ridiculed from the side.

Xu Beiji didn’t say anything. At this moment, he realized that there was still a huge difference in strength between them!

Then, Xu Beiji got up from the ground and wiped the blood at the corner of his mouth, he said coldly, “As expected of the Pavilion Master of the Medicine God Pavilion. But let me tell you, no one can shake the Holy

Confucian School's Crusade. The Medicine God Pavilion will definitely become the dust of history!"

"Is that so? Then let us experience it!" The law enforcement elder strode forward!

Xu Beiliu grinned and said with a cold smile, "Don't worry, we are only the tip of the iceberg of the Holy Confucian school. I will go and ask for reinforcements right now..."

After saying that, Xu Beili turned around and left.

"Stop right there!" The two law enforcement elders tried to stop him, but were interrupted by the pavilion master with a wave of his hand.

"Let them go," the pavilion master said indifferently.

"Yes." Although the law enforcement elders had doubts in their hearts, they did not ask any more questions.

After Xu Beili and the others walked out of the Divine Alchemist Pavilion, they frowned.

He looked at elder Qu and said with a cold face, "It seems that you are right. I underestimated her."

Elder Qu snorted and said with a cold smile, "You made a big promise, but you were slapped in the face not long after. You were slapped out in front of so many people. How embarrassing."

Xu Beiji gritted his teeth and didn't say anything.

“Let me remind you that you are not only losing your face, but also the face of the Saint Confucianism sect!” Elder Qu said coldly.

“Everyone knows that our Saint Confucianism sect came to attack the Divine Alchemist Pavilion with great fanfare, but in the end, we lost in the First Crusade. Do you want our Saint Confucianism sect to become a laughing stock! ?”

Xu Beiji was also anxious. He glared at elder Qu and said, “Don’t you put a label on Me!”

Elder Qu was about to speak when someone beside him said, “Alright, don’t be angry and fight amongst yourselves. Let’s think of a way.”

“I’ll go and look for the sect master right now and request for reinforcements. If five half-step martial marquises aren’t enough, then send out ten. If ten aren’t enough, then request for the transfer of martial marquises!” Xu Beili wiped the blood at the corner of his mouth and said with some anger.

After saying this, Xu Beili turned around and left.

...

At this moment, Qin Yu was still in closed-door cultivation.

He knew nothing about the news from the outside world.

The entire warehouse seemed to be isolated, and he couldn’t hear anything.

Perhaps it was because he had absorbed too much qi/spiritual energy that Qin Yu’s Dantian was dark green in color.

A few of his acupoints were shining.

All the Qi/spiritual energy was flowing through his meridians and attacking his acupoints.

Qin Yu's forehead was covered in layers of sweat. Even with his mental cultivation method, Qin Yu was still struggling with such a huge amount of Qi/spiritual energy.

“Hu...”

At this moment, black gas suddenly emerged from his body.

The black gas passed through his seven orifices and pores and continuously gushed out!

In an instant, Qin Yu felt that his body had become much more transparent and relaxed!

It was as if all the dregs and toxins in his body had been discharged in an instant!

The stream-like qi/spiritual energy suddenly turned into a surging sea of water!

“Swoosh!”

Qin Yu's eyes suddenly opened, and two rays of light burst out from his eyes!

Chapter 481: Chapter 481, drugging

Streams of black gas surged out from every pore in his body.

Qin Yu's eyes stared ahead as he felt the changes in his internal organs.

All the illnesses in the mortal world seemed to have disappeared at this moment. His body seemed to have stepped into another level.

At this moment, two rays of light shot out from Qin Yu's eyes as his strength slowly changed.

Qin Yu stood up, clenched his fists, and said in a low voice, "My strength has obviously increased, but... I'm still a step away from the half-step martial Marquis Realm."

Although the half-step martial Marquis realm was not a clear realm, once one stepped into it, there would be a huge difference between them and a martial grandmaster.

And at this moment, Qin Yu did not feel that change.

"Looks like I still have to continue cultivating." Qin Yu muttered in a low voice.

After thinking for a while, he decided to go out first to take a look and calculate the time.

When Qin Yu walked to the door, he realized that the door couldn't be opened at all.

An extremely powerful force sealed the entire door tightly.

Even with Qin Yu's physical strength, he was unable to break it open.

"Looks like it's a forbidden force set up by the Pavilion Master," Qin Yu thought to himself.

Since that was the case, it meant that a month had not yet arrived.

“Forget it, time is tight. I should continue cultivating,” Qin Yu muttered softly.

...

In the outside world.

The Pavilion Master of the Divine Medicine Pavilion had used just one palm to repel the intruders sent by the Saint Confucian sect.

More importantly, this palm seemed to have broken their confidence, causing them to not dare to launch a large-scale attack for a short period of time.

The Divine Alchemist Pavilion welcomed a short period of peace.

In a hotel several Li away from the Divine Alchemist Pavilion.

Xu Beigou walked in with a dusty face.

His expression was very ugly, as if he had just been scolded.

“How was it? How did the sect master reply to You?” Elder Qu said with a hint of schadenfreude.

Xu Beigou glared fiercely at elder Qu, not saying a word.

It was very obvious that the sect master didn't agree to his request and even scolded him.

“With just the few of us, I'm afraid it will be very difficult to take down the Divine Alchemist Pavilion,” Xu Beiliu said in a low voice.

The others also nodded slightly.

After a simple clash, they discovered that the Divine Alchemist Pavilion Master's strength was unfathomable and was definitely not something that the few of them could defeat!

“The sect master said that if we can't complete the mission, we don't need to go back,” Xu Beiliu said with a cold snort.

Elder Qu stretched lazily and said, “Some people were in a hurry to perform meritorious deeds and hurriedly agreed. Now they regret it?”

Xu Beiliu glared at elder Qu and angrily shouted, “You better not provoke me. Otherwise, I don't mind killing you before this!”

“Oh?” Elder Qu didn't want to be outdone. He immediately stood up and said coldly, “You can try!”

“Hehe, the elites of the Saint Confucian school didn't go to the Divine Alchemist Pavilion, but hid in the hotel to fight among themselves. Is this the number one sect in the north?”

At this moment, a voice came from the door.

Turning his head, he saw a young man walking in.

This young man was none other than He Teng!

“What are you doing here?” Elder Qu said with some displeasure.

He Teng said indifferently, “Of course I'm here to help you.”

“Help us?” Elder Qu sneered.

“With just you? A half-step martial marquis who was crippled by a peak-stage martial grandmaster?”

A flash of coldness flashed across He Teng’s face, but it was fleeting.

Then, he swept his gaze over everyone and said indifferently, “Since you’re not his opponent, why don’t you outsmart him?”

“Outsmart him? How?” Xu Beigu frowned slightly.

He Teng flipped his palm and a pill fell into his hand.

“This is the spirit severing pill. As long as you consume this pill, even if you have great abilities, you will still be reduced to a trash,” he teng said indifferently.

Hearing these words, everyone immediately burst into laughter.

“The other party is the Pavilion Master of the Divine Alchemist Pavilion. You drugged her? Are you out of your mind?” Elder Qu said with a cold smile.

He Teng glanced at him and said, “This pill has already been lost for several hundred years. In the entire world, only I possess it.”

“Could it be that she, the Pavilion Master of the Divine Alchemist Pavilion, has lived for several hundred years?”

Everyone looked at each other when they heard this.

“Is what you said true?” Xu Beiliu asked with doubt.

He Teng snorted coldly and said, “Believe it or not, it’s up to you. In any case, you won’t be able to make a difference. You Won’t be able to go back.”

Xu Beiliu was silent for a moment. He gritted his teeth and said, “Alright, we’ll do as you say!”

“But how should we let her take this pill?”Elder Qu asked.

He teng sneered, “You’re still an elder? You still need to ask others about such a small matter?”

“Let me tell you one thing. In this world, there are no eternal feelings, only eternal interests.”

After saying this, he teng turned his head and left.

...

Late that night.

The entire medicine God Pavilion was silent.

At this time, it was already past two o’clock in the morning, but a man tiptoed out.

This man was none other than the great elder of law enforcement!

After the great elder walked out of the Divine Alchemist Pavilion, he quickly got into a car.

“Let the Pavilion Master of the Divine Alchemist Pavilion Eat This.”Xu Beiliu handed the spirit severing pill to the Great Elder.

After the Great Elder took the pill, he frowned and said, “Is what you promised me true?”

Xu Beiliu snorted lightly and said, “What do you think? To be honest, other than our Saint Confucian school, many aristocratic families in Jingdu don’t like her.”

“Who doesn’t want to be the Pavilion Master of the Divine Medicine Pavilion? As long as you complete this matter, you will be the next Pavilion Master of the Divine Medicine Pavilion.”

Everyone had a weakness. The Great Elder didn’t love money, but he coveted the position of Pavilion Master.

He took the pill and gritted his teeth, saying, “Okay! I Promise You!”

“You have to make sure she can eat it,” Xu Beiliu reminded.

“Don’t worry. The Pavilion Master Trusts me the most,” the great elder said.

After taking the pill, the great elder got out of the carriage.

His face seemed to be a little conflicted, but in the end, he made up his mind.

The next morning.

The great elder personally boiled a bowl of porridge and put the spirit severing pill into it.

The spirit severing pill was colorless and tasteless. The moment it was put in, it disappeared without a trace.

He carried the bowl of porridge and walked all the way to the bottom of the pavilion.

The first elder was the only one who could come to the top of the pavilion without reporting anything.

He took a deep leap and arrived in front of the pavilion master.

“Lord Pavilion Master, have a bowl of porridge.” The first elder placed the porridge in front of the pavilion master.

The pavilion master glanced at him and said indifferently, “Put it there.”

The Great Elder took a deep breath and said with a smile, “Pavilion master, I personally brewed this porridge and used a lot of nourishing herbs.”

“You’ve been too tired these days.. Drink it while it’s hot.”

Chapter 482: Chapter 482, the Second Crusade of the Sacred Confucian school!

As she spoke, the great elder tried her best to remain calm.

At a glance, there was almost no flaw.

And the Great Elder was the pavilion master’s most trusted person, so she nodded and picked up the bowl of porridge.

The pavilion master’s red lips slowly kissed the bowl.

The Great Elder’s expression immediately became a little nervous.

Only when the pavilion master slowly drank the bowl of porridge did the great elder heave a sigh of relief.

“Lord Pavilion Master, you should rest well.” The great elder picked up the bowl and bowed.

The pavilion master didn’t say anything and only nodded.

She was holding a newspaper in her hand, and no one knew what she was reading.

The great elder didn’t dare to stay any longer. She took the bowl and hurriedly jumped down.

The entire day, the first elder had been feeling uneasy.

According to Elder Qu, after taking this spirit severing pill, there wouldn’t be any obvious symptoms.

Only when he took action would he realize that the inner strength in his body was depleted.

Therefore, the first elder didn’t leave.

That night.

It was another late night.

The first elder tiptoed out of the Divine Alchemist Pavilion.

He walked to the end of the street and quickly got into a car.

“How is it? Is it done?” Elder Qu asked.

The first elder nodded and said, “Yes, it’s done.”

Elder Qu raised his eyebrows and said, “Are you lying to us?”

Upon hearing this, a flash of anger flashed across the first elder’s face.

He said coldly, “Don’t use people you suspect. Use people you don’t suspect. If you don’t believe me, you can treat it as if I never came!”

Xu Beiji hurriedly pulled the great elder back and said with a smile, “Great Elder, don’t be angry. Don’t lower yourself to his level. We all believe in you.”

The great elder coldly snorted. He glanced at Xu Beiji and said, “Remember what you promised me.”

Xu Beiji faintly smiled and said, “Our Saint Confucian school, the Jingdu Martial Arts Association, and the major families in Jingdu all hope that the Divine Alchemist pavilion can be in the hands of our own people.”

“The current you is our own person.”

Hearing this, the great elder nodded slightly and then got out of the car.

After he left, Xu Beiliu’s expression instantly turned cold.

“We’ll make a move tomorrow! Crusade against the Divine Medicine Pavilion!” Xu Beiliu said coldly.

...

The next morning.

The Divine Medicine Pavilion was as usual.

No one knew that a disaster was quietly approaching.

At noon, the sun shone brightly.

It was supposed to be a leisurely afternoon, but the Medicine God Pavilion had welcomed a group of uninvited guests.

The pavilion master lay on the rocking chair and was about to take a lunch break.

At this moment, her eyes suddenly opened.

“Someone is here.” The pavilion master frowned slightly.

In the next second, she floated down from the pavilion like a fairy.

In the square of the Medicine God Pavilion.

Elder Qu, Xu Beiliu, and the others were standing in the square, quietly waiting.

“Why? Still not giving up?” Seeing these people, the pavilion master narrowed his eyes slightly.

Xu Beiliu took the lead and took a step forward, sneering, “Pavilion Master of the Medicine God Pavilion, if you are willing to surrender now, you might be able to suffer less.”

The Pavilion Master couldn't help but raise his eyebrows, “Just the few of you?”

“Yes, just the few of us!” Xu Beiliu sneered repeatedly.

The Aura on their bodies suddenly erupted.

The powerful aura instantly stirred up gusts of hurricanes!

This was the second time that the sage scholarly faction had come to crusade against the Medicine God Pavilion! Compared to the last time, they were clearly more confident.

“Lord Pavilion Master!”

First Elder and second elder also hurriedly ran over.

Second Elder angrily glared at this group of people and berated, “You guys really don’t give up. Do you really think that our divine alchemist pavilion is easy to bully!”

“Hahahaha!” Xu bei Li laughed out loud.

“Your Divine Alchemist Pavilion thinks highly of yourself and thinks that you are detached from the outside world and don’t differentiate between status and status. I have long disliked you guys!” Xu bei Li shouted sternly!

Light began to encircle his fists!

In a short moment, two dragon heads covered his fists!

This technique was Xu Beiliu’s famous technique, the Azure Flame Dragon Fist!

Back then, Xu Beiliu had relied on this technique to forcefully carve out a bloody path and become a high-ranking member of the sacred scholarly faction!

“Pavilion Master of the Medicine God Pavilion, I will give you one last chance. Surrender or not!” Xu Beiliu shouted.

The pavilion master said indifferently, “Where’s all this nonsense coming from?”

“Alright!”

Xu Beiliu roared explosively, and the Qi force all over his body suddenly erupted!

After that, Xu Beiliu took the lead and walked over, directly charging towards the pavilion master!

The enormous fist shadow carried waves of dragon roars as it ruthlessly smashed towards the pavilion master from a few meters away!

The terrifying fist force even caused waves of strong winds!

The pavilion master’s long hair was blown by the fist wind, but there wasn’t the slightest trace of sadness or joy on her face.

“Go to hell!”

Xu Beigu roared repeatedly as his fist ruthlessly smashed toward the Pavilion Master!

The Pavilion Master wasn’t flustered at all. Light lingered in her palm as she met the Fist head-on!

“Hong!”

At the instant of the collision, waves of internal Qi spread out in all directions with the two of them as the center!

In an instant, the medicine God Pavilion buzzed non-stop and the buildings collapsed as if it was a scene of disaster!

Palm against fist, it was a stalemate.

“En?”

The pavilion master frowned slightly.

She could clearly feel that the internal strength in her body seemed to be much depleted.

Otherwise, this palm was enough to send Xu Beiji flying!

“You Aren’t crippled?” Xu Beiji’s expression changed greatly when he saw this. He subconsciously looked at the first elder!

For a moment, the atmosphere was a little stiff.

Xu Beiji hurriedly took two steps back and looked coldly at the first elder.

“As expected of the number one alchemist in the world. Even after taking the spirit severing pill, he was still able to display such strength.”

At this moment, a voice came from the dark.

Turning around, he saw he teng slowly walking over.

“Spirit Severing Pill?” The pavilion master frowned slightly.

He teng sneered, “That’s right! This spirit severing pill is a prescription from hundreds of years ago! As long as you swallow the spirit severing pill, you will become a cripple!”

Speaking up to this point, he teng paused for a moment, then sighed, “So far, you are the first person who has not been crippled, but... it’s impossible for you not to be affected!”

“If I’m not wrong, your current strength is less than 50% of the Peak Stage!” He Teng changed the topic and sneered.

The pavilion master didn’t say anything.

Just as he teng said, after consuming the spirit severing pill, the pavilion master’s strength was indeed affected, only 30% of the peak stage!

Otherwise, even if these few people attacked together, they wouldn’t be a match for the Pavilion Master!

“Lord Pavilion Master!” The second elder hurriedly walked forward with a somewhat panicked expression.

“Are You Alright?” The second elder asked anxiously.

Pavilion master did not speak. Her originally cold and elegant face seemed to have a layer of frost on it at this moment.

“Lord Pavilion Master, if you are willing to hand over Qin Yu, I might consider handing over the antidote..” At this moment, he teng suddenly said.

Chapter 483: Chapter 483, the powerful Pavilion Master!

Hearing these words, elder Qu Zhang and the others immediately became anxious.

“He Teng, what nonsense are you spouting!” Elder Qu shouted loudly.

He Teng ignored elder Qu but looked at the pavilion master and said indifferently, “My target is only Qin Yu alone. It has nothing to do with the Divine Alchemist Pavilion.”

The Pavilion Master stared at He Teng in front of him and said indifferently, “You also have the qualifications to negotiate with me?”

Elder Qu and the others heaved a sigh of relief when they heard this.

However, He Teng’s expression turned cold.

“You should know that it’s impossible for you to defeat the six of us by yourself!” He Teng said coldly.

“As long as you are willing to hand over Qin Yu, I promise to hand over the antidote to you!”

“Could it be that one Qin Yu is more important than your entire Divine Alchemist Pavilion?”

The atmosphere froze for a moment as everyone waited for the Pavilion Master’s reply.

“I’ve already said that you have no right to negotiate with me.” However, the pavilion master’s reply was still as domineering as before.

“Good, good!” He Teng was completely enraged.

He sneered and said, “I want to see how you will end up today!”

“The three of us are enough to kill the six of you!” Second elder Strode forward and stood in front of the pavilion master.

“Three?” At this moment, elder Qu sneered.

“Where did the three of you come from?”

Before he finished his words, their gazes fell on first elder.

A trace of guilt flashed across First Elder’s face.

He bowed slightly to the pavilion master and said, “Lord Pavilion Master, I’m Sorry.”

After saying this, first elder walked to elder Qu’s side.

“First Elder, you...” seeing this scene, second elder immediately became anxious.

“First Elder, what do you mean by this? Could it be that you want to betray the Divine Alchemist Pavilion! ?”

First Elder said indifferently, “People don’t do it for themselves, Heaven and earth destroy. I Can’t refuse their conditions.”

“You Beast! The pavilion master treated you well, but you actually did such a thing!” Second Elder’s eyes were wide open as he angrily berated.

The first elder was unmoved. Instead, he advised, “Lord Pavilion Master, if you hadn’t stopped the spirit pills, I admit that the seven of us wouldn’t have been your match.”

“But the current you can not win.”

“You’d better hurry up and surrender. On account of our old friendship, I can make you suffer less.”

The first Elder’s words undoubtedly made people feel nauseous.

A trace of coldness flashed across the pavilion master’s face.

“Do you know the consequences of betraying the Divine Alchemist Pavilion?” The pavilion master looked coldly at the first elder and said.

The first elder said indifferently, “Of course, but unfortunately, you no longer have the chance.”

At this point, the first elder pointed to the location of the warehouse.

“Everyone, Qin Yu is in that warehouse!” The first elder said.

Hearing this, he Teng’s eyes immediately lit up. He was about to head to the warehouse.

He held the light in his hand and slammed it towards the door!

However, the door did not move at all.

His Qi force was directly absorbed by the door.

“How did this happen?” He Teng frowned.

“There’s no need to be in such a hurry,” Xu Beigou said with a faint smile.

“Wait until we capture the Pavilion Master of the Medicine God Pavilion, then slowly open the door.”

He Teng nodded slightly when he heard this.

The atmosphere instantly became tense. The two internal Qi began to collide at this moment.

Although the pavilion master had been hit by the internal Qi pill, the internal Qi on her body was still extremely powerful!

“It’s really hard to imagine that she could still have such strength after being hit by the internal Qi Pill...” he Teng could not help but sigh.

“If not for the internal Qi pill, the seven of us would probably have died in her hands,” Xu Beiliu said in a deep voice.

“Everyone, let’s attack together!”

Before he finished speaking, Xu Beiliu took the initiative to attack!

He held the Azure Flame Dragon Fist in his hand and headed straight for the Pavilion Master!

At this moment, elder Qu Zhang and the others also made their move!

“Come, even if you die in battle today, don’t even think about touching the pavilion master’s finger!” Second elder shouted. His hair danced wildly as his half-step martial marquis strength was fully displayed!

Several rays of light headed straight for Pavilion Master!

No expression could be seen on pavilion master's face.

Her hands glided in the air. Not only did it take half a second, a 'Dou' character appeared in the air!

This character came from the nine secrets of Daoism and was mysterious and unfathomable!

Pavilion master used only half a second to form a seal!

“Bang!”

Several rays of light collided with the 'Dou' character and produced a loud bang!

A monstrous force instantly spread out, and the entire Divine Alchemist pavilion was almost destroyed at this moment!

“Deng Deng Deng!”

Xu Beiji, elder Qu, and the others took a few steps back!

They felt an extremely strong pressure on their chests, as if their internal organs had received a huge impact!

“So Strong.” Xu Beiji frowned.

He Teng also said in a deep voice, “I really don't know how terrifying she is at her peak condition.”

“This woman is really not simple.”

“I'll leave the Pavilion Master to you. I'll take care of Second Elder.” First Elder glanced at them and said.

“Alright.” Elder Qu nodded.

Then, they looked at the Pavilion Master of the Medicine God Pavilion with solemn faces.

“Attack!”

With a loud shout, the second round of attacks began!

Light suddenly appeared in the sky as several mysterious and unfathomable spells headed straight for the Pavilion Master!

A trace of solemnity flashed across the Pavilion Master’s face. With a light stomp of her jade-like feet, purple lotus flowers suddenly rose from under her feet!

“Huala!”

The lotus flowers spread out in all directions with the pavilion master as the center!

In an instant, a powerful aura was formed around her body!

Between the Heaven and earth, there seemed to be a force that was converging into the formation!

All of the pavilion master’s spells seemed to move from her mind.

Stepping on the purple lotus flower, streams of spiritual fire that were wrapped in the power of the Heaven and earth unhurriedly faced the spells of He Teng and the others!

“Pa!”

A purple palm struck out from the formation and fiercely struck elder Qu's body.

Elder Qu immediately took a few steps back, and a mouthful of blood flowed out from the corner of his mouth.

“This woman... can actually use spiritual fire to draw in the power of Heaven and Earth!” That hoarse voice flashed through He Teng's mind.

Everyone's expressions were a little unsightly.

Even though the pavilion master only had thirty percent of his strength left, he was still a bone that was difficult to gnaw on!

“If it wasn't for the Broken Spirit Pill, I'm afraid we wouldn't even have the qualifications to crusade...” Xu Beiliu couldn't help but feel a lingering fear!

This was the first time they had met. If the pavilion master hadn't stopped, he would most likely have turned into a pile of meat paste!

“Everyone, no matter what price we have to pay, we must take down the Pavilion Master of the Divine Alchemist Pavilion!” Elder Qu said coldly as he wiped the blood at the corner of his mouth.

The few of them nodded at the same time.. Their internal Qi rose rapidly as they adjusted their internal Qi to the maximum.

Chapter 484: Chapter 484: the battle begins!

The battle was about to begin!

The auras of both parties caused the air to explode. Due to the internal Qi of the spirit severing pill, the aura of the pavilion master was slightly unstable.

“Attack!”

Accompanied by a furious roar, the third attack was launched!

Every single one of them executed their trump cards, and countless rays of light blotted out the sky. This area had turned into a battlefield!

“Rumble!”

The loud sound attracted countless people to watch!

Even many ordinary people came over when they heard the news. They stood in the distance and watched the battle!

“The Medicine God Pavilion and the sacred scholarly faction are at War!”

“Six people ganging up on the Medicine God Pavilion’s pavilion master alone. Bah, how Shameless!”

“Pavilion Master, you can do it!”

Waves of internal Qi surged over. As ordinary people, they could not withstand this power at all.

“Pu!”

Some people vomited blood from this powerful pressure. Some people even died on the spot.

On the square, the pavilion master frowned slightly.

She gently extended her palm and a barrier suddenly formed in her palm.

Then, the pavilion master pushed her palm forward and this barrier appeared out of thin air and covered the bodies of the surrounding people!

“At this moment, you still have the mood to care about those ants!” He Teng said coldly.

“Pavilion Master of the Medicine God Pavilion, aren’t you looking down on us a little too much! ?” Elder Qu also shouted loudly!

As they spoke, they once again arrived. Within the pavilion master’s formation, they displayed their life’s ultimate technique!

This great battle, from noon to midnight, was still unable to determine the victor!

The powerful pavilion master stood there like a deity. With a single thought, she could summon the power of Heaven and earth!

“Pu!”

Another purple palm reached out!

This palm directly shattered Xu Beili’s ribs!

“Damn it!”

Xu Beili wiped the blood from the corner of his mouth.

“How is this possible? How can there be such a big gap between the same cultivation level!”

This was simply beyond Xu Beili’s understanding! Ever since he stepped into the half-step martial Marquis realm, this was the first time he had encountered such an opponent!

Soon, it was dawn.

Even the onlookers couldn’t hold on any longer. Some of them even dozed off on the spot.

“This woman is simply a monster!” He Teng went even crazier!

First, he met the monster-like Qin Yu, and today, he met such a tyrannical pavilion master!

This instantly shattered his fragile self-esteem!

In the distance, the second elder’s internal Qi started to become unstable.

He panted heavily as he was forced back by the first elder’s powerful attack!

“Bang!”

The first elder’s palm fiercely slammed onto the second elder’s chest.

The second elder’s body was instantly sent flying, and his chest had obviously dropped by a few points!

A mouthful of fresh blood spurted out from his throat.

“You should know that you are not my match.”The first elder slowly walked to the front of the second elder.

The second elder got up from the ground. He gritted his teeth and said, “So what! I will kill you even if I have to risk my life!”

The first elder shook his head and said, “So What? Are you going to sacrifice your life for her?”

“The sage scholarly faction has promised me that I will be the next Pavilion Master of the Medicine God Pavilion!”

“As long as you are willing to stop, I can make you the deputy sect master! If you and I join hands, we will definitely make the medicine god pavilion more glorious!”

Second elder wiped off the blood stains and sneered, “Join hands with an animal like you? Then I’d rather die!”

First Elder’s expression immediately turned cold.

Internal Qi surged in his hand as he coldly said, “Since you don’t know what’s good for you, then you can die!”

“Boom!”

The palms of both parties collided, but second elder was clearly exhausted. Under this palm strike, his body was damaged in many places, and fresh blood dyed his white robe red!

“You Reckless Thing!”The first elder walked over. He looked down at the second elder from above, and his face was as cold as ice.

“Go to hell!”

In the next second, the first elder roared and raised his hand to crush the second elder!

The second elder had already lost the ability to resist. He fell to the ground, and his face was filled with despair!

At this moment, a purple light blocked in front of the second elder!

“Deng Deng Deng!”

This ray of light forced the first elder back a few steps before he could stabilize his body!

Before the first elder could react, a large purple hand had already reached out and brought the second elder to the pavilion master’s side.

At this moment, the pavilion master’s internal Qi started to become unstable.

The pavilion master, who had always been as calm as water, was also slightly panting at this moment.

“Lord Pavilion Master... It’s my incompetence...” seeing this, the second elder’s heart felt like it was being cut by a knife and his face was full of tears.

“Go back.” The pavilion master said coldly.

The second elder was stunned and said, “What?”

“Go to my pavilion and don’t come out.”The pavilion master said coldly.

The second elder’s expression changed and he hurriedly said, “No, how can I abandon you!”

The pavilion master frowned and said, “Don’t say useless nonsense, scam!”

The pavilion master waved his hand and a purple flame wrapped around the second elder and threw him out!

The second elder’s expression was extremely ugly. He wanted to do something, but he realized that he couldn’t do anything!

In this way, the pavilion master would have to face seven half-step martial marquises!

If the pavilion master was at his peak state, it would not be a problem. However, the pavilion master’s strength was only 30% . How could he deal with it?

“Qin Yu... you must come out of your closed-door cultivation as soon as possible...”the second elder stared in the direction of the warehouse and clenched his teeth.

...

The warehouse seemed to be another world.

Even though the battle outside was fierce, the warehouse was not affected at all. Not even a sound could be heard.

At this moment, Qin Yu had already gone into closed-door cultivation for a week.

His internal QI had obviously increased, but he was still one step away from becoming a half-step martial marquis.

Beads of sweat were left on Qin Yu's forehead. Such cultivation, even if he had a mental cultivation method, Qin Yu still could not bear it.

However, he did not dare to pause for even a moment. Because he was here, he could not feel the passage of time. He also did not know how much time was left before a month.

“Hurry up, I have to hurry up!” Qin Yu started to get anxious.

He tried his best to breathe and adjust his state of mind to calm it down.

After an unknown amount of time, Qin Yu's state of mind finally calmed down, and the internal Qi in his body started to get on the right track.

In the outside world.

The big battle had been going on for three whole days!

This must be the longest battle in the past few years!

He Teng and the others were all heavily injured. Xu Beili's calf was fractured and half of his arm was shattered!

The one who suffered the most was elder Qu. Half of his face bone was directly shattered by the pavilion master's Slap. He looked extremely horrified.

The Pavilion Master's condition wasn't too good either. With only thirty percent of her strength, under the repeated attacks of the seven people, she was also hit in the chest. A trace of blood dripped out from her mouth.

Most importantly, the effect of the spirit severing pill continued to ferment in her body, causing the internal Qi in her body to be slightly chaotic.

Chapter 485: Chapter 485, another half-step martial marquis!

There was a trace of blood on the pavilion master's snow-white face.

However, she had no intention of retreating. Her narrow eyes were still filled with disdain.

“We can't go on like this,” he teng said coldly.

The three-day battle had already exhausted them.

If this continued, it was hard to say who would win and who would lose.

“Let's retreat for now,” elder Qu said with some pain.

The injuries on his body were too severe. He had been sent flying by the pavilion master many times and half of his body had almost collapsed.

The others looked at each other and seemed to agree with this suggestion.

“The Pavilion Master of the Medicine God Pavilion indeed lives up to his reputation,” Xu Beizhong said coldly.

“But our Saint Confucian sect’s desire to crusade can not be shaken. No matter how strong you are, we will definitely bring you back!”

Elder Qu said coldly, “Three days later, we will attack again. At that time, we will not leave until we see you!”

After saying this, the few of them looked at each other and turned around to leave.

The pavilion master did not chase after them. She just stood there coldly.

Her condition was not good either. Her body was already heavily injured.

Only after elder Qu and the others retreated did the pavilion master let out a muffled groan and spit out a mouthful of blood.

Following the disappearance of the purple light on her body, this great battle had temporarily entered its end.

“Lord Pavilion Master!” Second Elder rushed out in a hurry.

He hurriedly supported the pavilion master and said anxiously, “Lord Pavilion Master, are... Are You Alright?”

The pavilion master waved his hand and said, “Let’s go back first.”

The two of them came to the top of the pavilion.

At this moment, only the pavilion master, Second Elder, and the two apprentice alchemists who were in charge of looking down on the pavilion master were left in the huge divine alchemist pavilion.

“I really didn’t expect that first elder would be so despicable!” Second Elder gnashed her teeth and said.

“If it weren’t for him secretly drugging us, we wouldn’t have fallen into such a passive position!”

The pavilion master didn’t say a word. She slightly closed her eyes and tried to disperse the broken spirit pill in her body.

Unfortunately, this spirit severing pill’s method was extremely tricky. Without the antidote, it was impossible to recover her strength.

“Lord Pavilion Master, I’ll go and gather people right now!” Second Elder said coldly.

However, the pavilion master shook her head and quietly said, “If anyone was willing to help, they would have come a long time ago.”

Second Elder was instantly speechless.

That’s right. This battle had lasted for three whole days. Who Wouldn’t know?

If they really wanted to help, why did they need to invite them.

The falsehood of their feelings was vividly displayed at this moment.

Everyone seemed to be watching, waiting to see who would win in the end.

If the Saint Confucian sect was pushed back, there would surely be someone who would run to the Divine Medicine Pavilion and attack the Saint Confucian sect together.

But if the divine medicine pavilion was at a disadvantage, then all the favors would vanish into thin air.

After all, no one was willing to offend the Saint Confucian sect for a person who was about to die.

“Lord Pavilion Master, what do we do now?” Second Elder said somewhat anxiously.

Pavilion master was silent for a moment. She suddenly looked at second elder and said coldly, “You stay here. From today onwards, don’t leave.”

Second Elder was stunned and said somewhat confusedly, “Why... Why?”

Pavilion master did not explain, but her words were as if she was explaining her funeral.

Time passed by minute by minute.

The sage scholarly faction claimed that they would attack again three days later, but in the blink of an eye, an entire week had passed, but the people from the sage scholarly faction still did not show up.

The reason was none other than that elder Qu and the others were seriously injured!

Even with the first Elder’s help in refining medicine, their injuries could not be healed in a short period of time.

“This woman really can not be measured with common sense!” Elder Qu said coldly.

He Teng laughed coldly and said, “She is the Pavilion Master of the Medicine God Pavilion after all. You must know that the Medicine God Pavilion has not been established for long.”

“A woman can make the medicine God Pavilion become a world-renowned existence in a short period of time. How can it be simple?”

This was also the drawback of the Medicine God Pavilion.

Because the pavilion master was the founder, the Medicine God Pavilion did not have any foundation.

Therefore, they could not find any treasures left behind to prevent others from invading. They only relied on the tyrannical strength of the Pavilion Master of the Medicine God Pavilion.

“Without the broken spirit pill, the few of US might not even be able to last a day!” Xu Beili felt waves of lingering fear.

Elder Qu sneered at the side, “A day? I reckon that you will die in a single exchange.”

Xu Beigou glanced at elder Qu but didn't say a word.

Although he was unwilling to admit it, it was the truth.

“When everyone has recovered from their injuries, continue to attack the Divine Alchemist Pavilion!” Elder Qu ordered.

The few of them remained silent and could be considered to have agreed.

...

At this moment, more than half a month had passed since Qin Yu went into seclusion.

Due to the excessive intake of Qi/spiritual energy, Qin Yu's entire body was almost transparent.

His internal organs could be seen through at a glance.

On the twentieth day of Qin Yu's closed-door cultivation.

Elder Qu and the others arrived at the Divine Alchemist Pavilion once again.

The pavilion master seemed to have expected this. She stood in the middle of the square and waited quietly.

This time, the pavilion master's internal Qi seemed to have become weaker. His strength could not even display 20% of his peak stage strength!

Against seven half-step martial marquises, the pavilion master's chances of victory were almost slim.

“Pavilion Master of the Medicine God Pavilion, you'd better come with us.” He Teng said with a faint smile.

“The spirit severing pill has already completely evaporated in your body. It's already not bad that you can still stand.”

The pavilion master said coldly, “If you want to fight, then let's fight. Why are you talking so much nonsense?”

Before she finished her words, the pavilion master's body once again lit up with a purple light.

It was as if she was stepping on a formation. However, this time, the light seemed to be much dimmer.

“Hahaha!” Seeing this, elder Qu couldn't help but laugh out loud.

“It seems that he teng is right. The longer it drags on, the more disadvantageous it will be for you,” elder Qu said indifferently with her hands behind her back.

“Boom!”

Just as elder Qu finished speaking, a purple flame came straight at her!

Elder Qu's expression changed drastically. He hurriedly raised his hand and reacted.

“Deng Deng Deng!”

Even though the pavilion master's internal Qi was extremely weak, it still forced elder Qu back a few steps!

“What a Great Pavilion Master of the Medicine God Pavilion. Everyone, Make Your Move!”

With a loud shout, elder Qu and the others charged towards the pavilion master once again!

This battle had exceeded their expectations.

They had thought that they would be able to take it down in a short period of time, but unexpectedly, the great battle continued from Morning Till Night!

The Glow on the pavilion master's body grew dimmer and dimmer, and a bright red flower bloomed on her chest.

Her blood had outlined her into a blood-colored beauty, appearing somewhat desolate in the chaotic wind.

But her unyielding heart made everyone feel somewhat helpless.

“The Pavilion Master of the Medicine God Pavilion truly lives up to his reputation.”

Just as they were feeling anxious, another person joined the battle.

Turning around, they saw a man whose face was concealed standing there quietly.

Chapter 486: Chapter 486, capture alive

Even though this man's internal Qi was rather stable, one could still tell that he was also a half-step martial marquis!

“Who are you?” Elder Qu asked with a frown.

This man did not make a sound. He placed his hands behind his back and said indifferently, “I just don't like the Pavilion Master of the Medicine God Pavilion. I believe everyone has no objections to helping him out.”

“Of course I have no objections!” Elder Qu was immediately somewhat delighted.

Although he did not know who the other party was, as long as it was the enemy of the Pavilion Master of the Medicine God Pavilion, he would be their friend.

“Do you still want to put up a stubborn resistance! You are now facing eight half-step martial marquises!” Xu Beili said coldly.

“To be able to make eight half-step martial marquises attack at the same time, you are already worthy of being proud.” He Teng also said with a faint smile.

The pavilion master didn't say anything. The only thing that responded to them was a sharp palm!

“Humph, you don't know Death!”

The eight of them attacked at the same time!

Countless rays of light illuminated the night!

The pavilion master was ultimately unable to defeat them with both fists. Her figure kept retreating, and a sweet taste came from her throat. She spat out a mouthful of blood.

“Remember, capture her alive!” Elder Qu said coldly.

“Activate the spell together and take her away!”

The people from the Saint Confucianism sect looked at each other and stood in five different positions!

“Hualala!”

As they activated the spell, chains rushed out from their chests!

This was the Saint Confucianism sect’s unique formation, called the god-locking formation!

The five chains bound the pavilion master’s four limbs and snow-white neck!

Elder Qu and the others activated their internal Qi, and the chains became several feet thicker!

“Give up! You Can’t resist the god-locking formation now!” Xu Beiliu shouted.

However, the pavilion master was not someone who would give up easily. She moved her body, and the five chains let out a loud crash!

“Not good!”

Under the pavilion master’s powerful internal Qi, the five half-step martial marquises were actually swayed back and forth!

“He Teng, why are you still standing there!” Seeing this scene, elder Qu hurriedly shouted!

He Teng took a step forward.

He stood in front of the pavilion master and said indifferently, “If you are willing to hand over Qin Yu, I can still give you the antidote now.”

Having said this, he teng glanced at elder Qu and the others in the air and then said with a smile, “As long as you recover your strength, these mongrel fishes are not worth mentioning at all.”

However, the pavilion master said coldly, “How many times do you want me to repeat the same words?”

He Teng’s expression turned cold. He snorted and said, “Then don’t blame me for being impolite!”

A long sword appeared out of thin air in his hand! Then, he teng extended his palm and the long sword pierced into the pavilion master’s abdomen!

“Pu!”

Finally, the heavily injured pavilion master could no longer hold on.

She spat out a mouthful of blood. Her face was extremely pale, and her internal Qi was extremely weak at this moment.

The chains gradually quieted down.

Elder Qu and the others in the air could not help but heave a sigh of relief.

“Damn it, he is simply a pervert.” Xu Beili wiped the sweat from his forehead and could not help but sigh.

The eight half-step martial marquises had used up all their strength to finally capture the Pavilion Master of the Divine Alchemist Pavilion.

“Next, it’s time to deal with that Qin Yu,” elder Qu said darkly.

He Teng said with a faint smile, “This Qin Yu is mine. I want to kill him with my own hands.”

“As you wish,” elder Qu said expressionlessly.

Then, he teng walked towards the direction of the warehouse.

Standing at the door of the warehouse, he Teng said with a sneer, “Qin Yu, a person like you shouldn’t live in this world.”

“You want to step into the half-step martial marquis realm? I’m sorry, I’m afraid you don’t have the chance!”

As he spoke, he Teng’s palm glowed. In the next second, a terrifying force fiercely smashed toward the door!

“Dong!”

A loud sound, like a clap of thunder on flat ground! It spread across more than half of Qinghe Town!

However, the door of the warehouse didn’t move at all.

He teng frowned and said, “How could this be?”

He gathered his Qi again and smashed it at the door!

However, the door still didn’t move at all! Its hardness was far beyond imagination!

“What, you can’t even beat a door?” Elder Qu snorted.

His figure flashed and arrived in front of the door. Then, he used a spell and smashed it at the door!

However, the result was the same. The door didn't move at all.

No matter how powerful the spell was, it was unable to shake the door in the slightest!

“How could this be...” everyone's expressions were a little ugly!

After all, they were half-step martial marquises!

Eight half-step martial marquises could not even defeat a single door. If this were to be known, it would be a laughing matter.

“What exactly is going on?” He Teng asked coldly in his heart.

“The Pavilion Master of the Medicine God Pavilion has set up a forbidden force... This forbidden force uses a Daoist technique and draws upon the power of Heaven and earth. With just the two of you, you will not be able to break it...” that hoarse voice sounded, in He Teng's mind.

He teng frowned and said, “Is there no other way?”

“Hehe... There is... let me try. Perhaps there is a chance...” that hoarse voice said.

He Teng's expression immediately turned cold.

He looked coldly at the first elder and said, “How should this door be opened?”

“How can I know Lord Pavilion Master’s methods?”The first elder said in a bad mood.

“Enough.”At this moment, elder Qu waved his hand.

He glanced at the pavilion master who had already fainted and said with a cold smile, “As long as the Pavilion Master of the Medicine God Pavilion is in our hands, are you worried that we won’t be able to open this door?”

“Let’s bring her back to the Saint Confucian sect first and slowly interrogate her when the time comes.”

Although he teng was somewhat unwilling, he could only do so for now.

...

The few of them left the Divine Medicine Pavilion.

In the pavilion, Second Elder’s face was ashen.

“Lord Pavilion Master...”he half knelt on the ground and couldn’t help but shed tears of pain.

After an unknown amount of time, second elder wiped his tears and stood up from the ground.

“Lord Pavilion Master said that as long as Qin Yu comes out of seclusion, everything will turn around.”Second elder gazed in the direction of the warehouse.

Pavilion master had long expected that she would be captured alive, so she had made preparations in advance.

“Qin Yu, you must be quick, be quick....”second elder wiped her tears.

Chapter 487: Chapter 487, Pavilion Master and Gu Canghai

The news that the Pavilion Master of the Medicine God Pavilion had been taken away quickly spread.

“The Pavilion Master of the Medicine God Pavilion actually lost. What a pity.”

“According to what I know, eight half-step martial marquises besieged the medicine God Pavilion that day!”

“The Pavilion Master fought against eight people by himself and never made any killing moves. Otherwise, it would be hard to say who would win and who would lose.”

“Not only that, I heard that the pavilion master seemed to have been poisoned by some poison, and he was unable to display half of his peak strength.”

“I really didn’t expect that the Medicine God Pavilion, with such a wide network of people, would not even have a single person come when something happened.”

Everyone discussed animatedly, expressing their pity for the medicine God Pavilion.

But they all understood in their hearts that the stronger the person, the higher their status.

And the higher the status, the more they valued benefits. In their eyes, there was no emotion to speak of.

Saint Confucian school.

The pavilion master didn't know how long had passed before she slowly woke up.

She was locked in the Saint Confucian school's dungeon, and her surroundings were pitch black.

But the pavilion master's face was strangely calm, and not a trace of panic could be seen.

At this moment, a sound came from outside.

With a glance, he saw elder Qu tiptoeing in.

“Yo, you're Awake?” Seeing the pavilion master who had awoken, elder Qu could not help but sneer.

“Hehe, aren't you very proud? Why have you become a prisoner now?” Elder qu leaned forward, mocking incessantly.

The pavilion master glanced at elder Qu and said indifferently, “You came in alone. Are You Courting Death?”

Elder Qu was stunned. Just as he was about to speak, his entire body was sent flying!

“Bang!”

Elder Qu's body fiercely smashed the wall behind him.

A mouthful of blood flowed out from the corner of his mouth.

Elder Qu didn't even see clearly when and how the pavilion master attacked.

“Even if I become a prisoner, it's not something a good-for-nothing like you can touch.”The pavilion master said indifferently.

Elder Qu wiped the blood from the corner of his mouth and said with a bit of anger, “What are you so arrogant for? As long as I give the order, I can let you die in this cage!”

At this point, elder Qu licked his lips and said with a perverted look, “I heard that you are still a virgin, right? Wait until I beat you up, then you can enjoy your first time!”

The Pavilion Master's face turned cold and he coldly said, “Do you want to die?”

“Hahaha, what can you do to me?”Elder Qu sneered.

At this moment, the door opened again.

A tall man in a white robe walked in.

Seeing this man, elder Qu hurriedly greeted respectfully, “Greetings, sect master.”

The sect master waved his hand and said, “You can leave first.”

After sending elder Qu away, sect master Gu Canghai walked to the front of the pavilion master.

“Ji Yuhong, long time no see,” Gu Canghai said indifferently.

Ji Yuhong?

Gu Canghai actually opened his mouth and called out the Pavilion Master's name?

The pavilion master glanced at Gu Canghai and said indifferently, “It seems that you still remember the grudge from back then.”

Hearing this, Gu Canghai's face immediately flashed with a trace of anger.

He glared at the pavilion master and roared, “Ji Yuhong! If it weren't for you, I wouldn't have ended up like this! Because of you, I can't even have my own children!”

Ji Yuhong said indifferently, “Who asked you to be a waste?”

“Waste? !” Gu Canghai immediately sneered.

“I'm a new martial Marquis Now!”

“And you are a prisoner!”

Ji Yuhong was not angry. She raised her eyebrows and said, “Do you think I have no chance to become a martial marquis?”

Gu Canghai was stunned. He frowned and asked, “What do you mean?”

Ji Yuhong said indifferently, “I don't need to explain to you.”

The pavilion master's attitude clearly angered Gu Canghai.

“You are already a prisoner, and you still dare to be so arrogant!” Gu Canghai clenched his fist and said.

“I want to see how long you can be arrogant!”

Ji Yuhong smiled faintly and said, “Okay, I also want to see when you can have your own child.”

Gu Canghai's body stiffened, and then he snorted coldly.

He looked at the guard next to him and said, “From today on, you are not allowed to give her a mouthful of rice or a mouthful of water!”

“Yes!” The two guards shouted.

...

Time flew by. In the blink of an eye, three days had passed.

And Qin Yu had gone into seclusion for a total of twenty-seven days.

There were only three days left from a month.

During these few days, the first elder had taken over the medicine God Pavilion and announced to the public that he was the new pavilion head.

Not only that, he had recalled all the pharmacists who were originally on holiday!

On the square of the Medicine God Pavilion, the first elder had his hands behind his back and was in high spirits.

Below him were dozens of alchemists from the medicine God Pavilion.

“From today onwards, I will be the new Pavilion Master of the Medicine God Pavilion,” the first elder said faintly.

There was silence below and no one spoke.

The first elder said with some displeasure, “Why, didn’t you hear it? Do you need me to say it again?”

“First Elder, you have already betrayed Lord Pavilion Master. Why are you standing here and claiming to be the new pavilion master?”

“That’s right, we only acknowledge Lord Pavilion Master!”

The first Elder’s face was livid as he said coldly, “Why, without Ji Yuhong, does the medicine God Pavilion not exist anymore?”

“The Medicine God Pavilion was created by Lord Pavilion Master himself. It must not fall into the hands of a thief like you!” Someone below shouted.

Hearing this, the first elder immediately flew into a rage!

He immediately raised his hand and slapped out!

“Crack!”

With this slap, the head of the medicine master instantly exploded like a watermelon!

The first elder swept his gaze across the crowd and coldly said, “Who else is unconvinced!”

There was complete silence below. No one dared to say a word.

“First Elder, I apply to withdraw from the Medicine God Pavilion.” At this moment, a young man stood out.

He fiercely threw the token on his waist onto the ground.

“I’ll withdraw too!”

“I’ll withdraw too!”

For a moment, almost all the alchemists took out their tokens and smashed them into pieces!

First Elder was so angry that his entire body was trembling. He suddenly shouted in anger, “If anyone dares to withdraw, I’ll kill them!”

“What, we don’t even have the right to withdraw?” Someone Below angrily rebuked.

First Elder looked at him coldly and narrowed his eyes as he said, “I think you want to Die!”

Light flickered in first elder’s palm as streams of killing intent burst forth.

“Everyone, please listen to First Elder’s arrangements.”

At this moment, fifth elder walked out.

He swept his gaze over everyone and said in a deep voice, “Everyone, don’t be rash. Please listen to First Elder’s words.”

“The establishment of the Divine Alchemist Pavilion was not easy. It’s such a pity to just scatter like that.”The fifth elder sighed.

The people below were filled with anger. They berated, “Fifth Elder, you actually want to be a traitor too?”

“You’re really a spineless thing!”

“What? You’re a mother just because you have milk!”

Everyone pointed their spears at the fifth elder one after another.

The fifth elder smiled bitterly.

He subconsciously looked in the direction of the warehouse and whispered, “There are only three days left. If he can hold on for another three days, Qin Yu will come out of seclusion....”

Chapter 488: Chapter 488, Qin Yu came out of seclusion!

The fifth elder had been calculating the time.

He was very clear that if these alchemists really left, then the Divine Medicine Pavilion would be completely disbanded.

This was the painstaking efforts of the pavilion master!

Therefore, the fifth elder would rather bear the infamy than let these alchemists stay!

“You did well.”The first elder patted the fifth elder on the shoulder.

Fifth Elder did not speak.

Although they were both elders, first elder was a law enforcement elder. He was a representative of strength and was not someone he could contend with.

Although medicine master had temporarily calmed down, they did not acknowledge first elder at all in their hearts.

On the Pavilion Master's building.

First Elder leaped up and jumped up.

He sat on the seat that the Pavilion Master had once sat on and gently stroked this rattan chair. An indescribable satisfaction appeared on his face.

“Is this how the pavilion master feels?” The first elder sat on the rocking chair and gazed into the distance as he said faintly.

Sitting here, he could overlook the entire Qinghe Town!

This feeling of being high and mighty caused the first elder to lose himself for a time.

After sitting here for a long time, the first elder turned around and walked out.

He came all the way to a side room of the Medicine God Pavilion.

This was the medicine God Pavilion's confinement room, but now it had become the prison that imprisoned the second elder.

“Haven't you figured it out yet?” The first elder looked at the second elder who was covered in blood and said indifferently.

The second elder's eyes were wide open. He gritted his teeth and said, "You traitor, you are not a human, you are a beast!"

"The pavilion master trusts you so much, but you actually committed such a betrayal. You will die a horrible death!"

The first elder was not angry. He smiled faintly and said, "Ji Yuhong is already in the past. From today onwards, I am the Pavilion Master of the Medicine God Pavilion."

"Is it worth it for you to suffer such hardship for a person who is already in the past?"

The second elder grinned coldly and said, "Don't be arrogant too early! Qin Yu will come out of seclusion soon!"

"After he comes out of seclusion, you will die without a doubt!"

The first elder laughed, "Do you think I am afraid of Him? He is just a low-level person who is favored, how can he be my opponent?"

The second elder gritted his teeth and said, "As long as Qin Yu steps into the half-step martial Marquis Realm, you will die for sure!"

"Really? I want to see it," the first elder said gloomily.

"I will give you one last night. If you still insist, then don't blame me for being Rude!"

After saying this, the great elder turned around and left.

In the past few days, the great elder had also tried to break open the warehouse's door, but unfortunately, he had failed.

Helpless, he thought of calling for reinforcements.

He had originally wanted to go to the Saint Confucian sect, but on second thought, weren't there ten half-step martial marquises near the Medicine God Pavilion?

As long as they were around, then Qin Yu would die without a doubt!

Thus, the great elder immediately found the half-step martial marquises from the Hong Yi sect, and the two sides immediately reached an agreement!

As long as Qin Yu came out of seclusion, these ten half-step martial marquises would immediately step into the Divine Alchemist Pavilion and get rid of Qin Yu!

Time passed by minute by minute, and the once glorious divine alchemist pavilion seemed to be in decline at this moment.

And the pavilion master's condition in the Saint Confucian sect was even worse.

After a few days, she didn't even drink a single mouthful of water. Her lips had already lost their color.

“Ji Yuhong, if you are willing to beg me, I might give you another chance.” Gu Canghai stood at the entrance of the prison and said indifferently.

Ji Yuhong glanced at Gu Canghai and said expressionlessly, “Gu Canghai, it seems that you have forgotten how you knelt in front of me and begged for mercy back then.”

At this point, Ji Yuhong paused for a moment and said with a faint smile, “Why didn’t you personally go to crusade against the Divine Alchemist Pavilion? Is it because you still don’t dare to face the psychological trauma from back then even today?”

When this topic was brought up, Gu Canghai’s expression turned somewhat ugly.

Just as Ji Yuhong had said, even though he had stepped into the half-step martial marquis realm today, there was always a trace of unspeakable terror in his heart when facing Ji Yuhong.

“Ji Yuhong, don’t think that I don’t dare to kill you!” Gu Canghai said coldly.

“If you dared, you would have done it long ago,” the pavilion master said with a faint smile.

“As long as you kill me, no one will know that the sect master of the sacred Confucian school once knelt in front of a woman and cried bitterly, wagging his tail and begging for mercy.”

Gu Canghai’s face instantly turned ashen, and veins popped out on his forehead!

“Indeed, I don’t dare to kill you, but I can still torture you!” Gu Canghai gnashed his teeth and said.

Gu Canghai extended his finger, and a few rays of light entered the pavilion master’s body.

In an instant, the pavilion master’s body became limp and powerless, and he lay on the ground, unable to move.

“I will let you slowly suffer humiliation!” Gu Canghai sneered.

“Didn’t you keep yourself as pure as jade for that person? Today, I will let you experience the joy of the human world!”

Hearing this, a trace of fear finally flashed across the pavilion master’s face.

She wanted to say something, but couldn’t say a word.

Gu Canghai turned around and walked out of the prison.

He looked at elder Qu outside the door and said coldly, “I’ll leave Ji Yuhong to you. As long as you keep her alive, you can do whatever you want.”

Elder Qu’s eyes immediately lit up and he said excitedly, “Sect master, is what you said true?”

“What do you think?” Gu Canghai said with a cold face.

Elder Qu immediately rejoiced, “Thank you, Sect Master!”

After throwing these words, elder Qu ran in anxiously.

Outside the door, Gu Canghai’s expression was extremely ugly.

He and Ji Yuhong had a grudge for many years, but unfortunately, the position of the Pavilion Master of the Medicine God Pavilion was too high in society, so Gu Canghai had no chance to take revenge.

This time, he had finally grasped the opportunity.

In the prison, elder Qu ran excitedly towards the pavilion master.

All men had the desire to conquer, and elder Qu was no exception.

Facing an incomparably powerful woman like the pavilion master, the perverse pleasure in his heart almost made him faint.

“Divine Medicine Pavilion Master... I’m Coming!” Elder Qu cried out in a strange voice and pounced towards the pavilion master.

At this moment, the door suddenly opened.

Three men in suits walked in with large strides.

Elder Qu frowned and asked, “Who are you people?”

The other party said coldly, “People from the Jingdu Martial Arts Association. We want to take Ji Yuhong away.”

Elder Qu was stunned and said somewhat unwillingly, “Then... then can you wait for a while? Let me finish my business first...”

“Do you want to die?” The three people immediately said coldly.

Elder Qu’s expression changed.

Although he was unwilling, he could only retreat to the side.

...

In the Medicine God Pavilion’s warehouse.

Qin Yu’s crystal clear body began to slowly take shape.

Threads of light attacked from all directions and finally fell into his body.

At this moment, his dantian also began to change.

His spiritual power increased exponentially at this moment!

Level after level of golden light appeared on his body.

The Golden Light continued to cover Qin Yu's body.

Level 1, Level 2, level 3... a total of 108 levels!

Under the cover of more than 100 levels of Golden Light, Qin Yu's body seemed to be plated with gold, shining in the darkness!

“Buzz!”

The light from Qin Yu's body burst out from inside out. In a moment, his body slowly returned to its original state.

At the same time, Qin Yu's eyes finally opened!

He slowly stood up and clenched his fist. An overwhelming power surged out!

Chapter 489: Chapter 489, Perfect State

Standing in the empty warehouse, Qin Yu was surprised to find that the surrounding Qi/spiritual energy had almost disappeared.

In other words, the entire warehouse's Qi/spiritual energy had almost been completely absorbed by Qin Yu.

He lightly clenched his fist and felt the power surging from all over his body. His eyes couldn't help but flash with a trace of joy.

“This... This is the power of a half-step martial marquis?” Qin Yu muttered in a low voice.

It was not an exaggeration to say that this power was at least tens of times stronger than before!

“Something's wrong.”

But very quickly, Qin Yu realized that something was not right.

Although his strength had been greatly increased, it seemed that he had not touched the edge of the Martial Marquis realm.

Even though the half-step martial marquis realm was not a clear realm, he could feel the power of a true martial marquis. It was a realm that had broken away from the Martial Grandmaster realm.

However, the current Qin Yu still felt that he was in the Martial Grandmaster realm.

On the contrary, Qin Yu couldn't feel the feeling of touching the martial marquis realm at all.

“Could it be... that I'm still in the Martial Grandmaster Realm?” Qin Yu's brows furrowed tightly.

“But my strength has indeed increased by tens to nearly a hundred times.” Qin Yu took a deep breath.

At this moment, Qin Yu seemed to have thought of something.

His pupils constricted, and he muttered in a low voice, “Could it be that he has reached the consummate grandmaster realm?”

The probability of such a realm appearing was extremely low, and the probability was less than 0.01% .

However, there were rumors that at the peak of the realm, those who had reached the consummate realm were all geniuses.

In the future, the path of cultivation would be filled with many obstacles. However, once one reached the consummate realm, they would be invincible in the world.

If one wanted to cross the great completion stage, they would need a sliver of opportunity.

For example, a certain pill or some fortuitous encounter.

“The great completion stage...”Qin Yu muttered in a low voice.

There seemed to be a thin line between him and a half-step martial marquis.

However, Qin Yu could feel the surging and tyrannical power within his body!

This power was definitely not weaker than an ordinary half-step martial marquis. In fact, it was much stronger!

“The perfect realm is enough,”Qin Yu said coldly.

With his current strength, Qin Yu was confident that he could take his life within three breaths if he met someone like he teng!

For a moment, Qin Yu didn't know whether it was a blessing or a curse.

The Perfect Martial Grandmaster Qin Yu had surpassed the half-step martial Marquis Realm.

How strong would he be when he stepped into the true half-step martial marquis realm?

He didn't dare to imagine!

Qin Yu couldn't feel the passage of time in this warehouse.

Therefore, he didn't know when the door would open.

The door couldn't be opened by brute force, so Qin Yu could only wait.

He sat cross-legged on the ground and began to search through his inherited memories, trying to find a way to break through to the Great Circle.

Soon, traces of memories entered Qin Yu's mind.

A pill called the "Reincarnation Pill" entered his eyes.

"Reincarnation pill requires five thousand year-old herbs, three demon beast inner cores, and eight thousand year-old herbs..."

Seeing this pill formula, Qin Yu couldn't help but be dumbstruck!

This pill formula was a little too ridiculous!

Up until now, Qin Yu had never seen five thousand year-old herbs!

Not only that, reincarnation pills also had extremely high requirements for alchemists. It required two alchemists who possessed purple spirit fire to refine it at the same time!

Just This Alone had already stumped most people!

“Two alchemists with purple spiritual fire... Fortunately, Lord Pavilion Master is also a purple spiritual fire,”Qin Yu thought to himself.

In this way, the most difficult thing was the five thousand year-old herbs.

“Looks like I’ll have to trouble Lord Pavilion Master again.”Qin Yu smiled bitterly in his heart.

Qin Yu stood up and looked at the herbs in the warehouse.

Because of Qin Yu’s absorption of Qi/spiritual energy, the herbs in the entire warehouse had almost withered.

This also made Qin Yu feel a trace of guilt.

Ever since he came to the Divine Medicine Pavilion, he didn’t know how much trouble he had brought to the Divine Medicine Pavilion.

And the Pavilion Master’s wholehearted help to him was even more like a mountain of gratitude.

Without the help of the pavilion master, Qin Yu didn’t know how long it would take for him to step into the perfection realm.

Although I can't step into the half-step martial marquis realm, with my current realm, dealing with Han Wei is no problem at all. Qin Yu laughed coldly in his heart.

He put away the three purities ancient tree and quietly waited for the warehouse door to open.

...

Outside.

The Great Elder's daily lecture.

He was very clear in his heart that these pharmacists simply didn't accept him.

Therefore, he had to brainwash them every day and use both kindness and power.

At noon on this day.

The first elder gathered all the alchemists in the square.

He swept his gaze over everyone and said indifferently, "Ji Yuhong has already become a thing of the past, and I am the second-generation Pavilion Master of the Divine Alchemist Pavilion! Those who obey me will naturally be rewarded, but there is only one outcome for those who do not obey me!"

Before he finished speaking, two people dragged a half-dead old man over.

This old man was none other than the second elder!

His entire body was covered in blood and his internal Qi was weak. It was a tragic sight to behold.

“Second Elder!” Someone immediately shouted from below!

The first elder extended his palm and caught the second elder in his own hand.

“Since I am the New Pavilion Master, disobeying me is equivalent to betraying the Divine Alchemist Pavilion!” The first elder said coldly.

“I will not tolerate traitors!”

After saying this, the first elder grabbed the second elder’s wrist and suddenly exerted force!

“Puchi!”

The enormous force actually directly crushed the second elder’s hand!

Blood and shattered bones fell under the first elder’s feet.

Painful wails reverberated in the square for a long time!

“This is the end! If you persist in not coming to your senses, I will continue to enforce the rules!” The first elder said coldly.

Below, everyone had ugly expressions and no one made a sound.

Even though they hated the first elder to the core, there was nothing they could do.

The first elder coldly snorted, “Dismissed!”

After the first elder left, everyone hurriedly ran to the second elder.

“Second Elder, are you alright...”

“Quick, quickly refine medicine for the second elder to stop the bleeding!”

The second elder gritted his teeth and waved his hand.

He said in a low voice, “Tomorrow morning, Qin Yu will come out of seclusion... when he comes out, he will definitely not spare first elder...”

When everyone heard this, they subconsciously looked in the direction of the warehouse.

“Send me to the door of the warehouse. I want to see Qin Yu come out of seclusion with my own eyes...”second elder said with difficulty.

No one dared to say anything more. They hurriedly helped second elder to the door of the warehouse.

...

At night.

Second Elder sat alone at the entrance of the warehouse.

“Second Elder, Are You Alright?”

At this moment, fifth elder walked over.

After seeing fifth elder, second elder snorted coldly and said, “Why didn’t you hurry to curry favor with the new pavilion master and protect your position? Why did you come here?”

Fifth Elder smiled bitterly and said, “Second Elder, you misunderstood me. I want to eat his bones and flesh! The reason why I did this was to save the lives of many alchemists...”

“If all the alchemists leave, then the Divine Alchemist pavilion... will really be disbanded.”

Second elder frowned slightly and said with some suspicion, “Is what you said true?”

“It’s absolutely true! Heaven and earth can witness it!” Fifth Elder said with a bitter smile.

Second Elder opened his mouth and was about to say something when a sound suddenly came from the door of the warehouse.

Then, the forbidden power on the door disappeared, and the door slowly opened.

“Eh? It opened in advance?” The second elder was stunned, and then overjoyed!

Chapter 490: Chapter 490, half-step martial marquis, nothing more

Fifth Elder’s eyes were also shining as he stared at the door.

The door slowly opened in front of their eyes.

Then, Qin Yu slowly walked out.

Fifth Elder hurriedly stood up and grabbed Qin Yu's arm.

His face was full of excitement and tears filled his eyes. He said in a trembling voice, "Qin Yu, you... you finally came out of closed-door cultivation..."

As he spoke, fifth Elder's face was covered in tears, and tears flowed down his face.

Qin Yu was dumbstruck. He asked in a daze, "Fifth Elder, what happened to you?"

Immediately after, Qin Yu saw second elder, who was covered in injuries.

He hurriedly helped second elder up and said anxiously, "Second Elder, you... What Happened to you? Who Did This?"

Second Elder grabbed Qin Yu's hand and said coldly, "Qin Yu, no matter what, you have to take revenge!"

"What's going on?" Qin Yu had a faint feeling that something was wrong.

Second Elder and fifth elder immediately told Qin Yu what had happened.

While they were talking, Qin Yu became angrier and angrier. Traces of killing intent quickly swept over!

“You mean... Pavilion Master was taken away by the Saint Confucian School?” Qin Yu’s expression was extremely ugly!

The pavilion master was extremely kind to Qin Yu. Not only did he save him many times, he was even willing to give Qin Yu generous resources!

Qin Yu would never forget such a kindness!

“If it wasn’t for the first elder secretly drugging them, those half-step martial marquises wouldn’t be a match for the pavilion master at all!” The second elder said angrily.

Qin Yu took a deep breath.

He suppressed the anger in his heart, bent down and said, “Second Elder, you should recuperate first. I’ll kill the First Elder Now!”

“As for the Saint Confucian school... I, Qin Yu, will definitely go there!”

No matter what, Qin Yu wouldn’t let the Pavilion Master Get Hurt!

“Fifth elder, I’ll leave the second elder to you.” Qin Yu looked at the fifth elder.

The fifth elder nodded and said, “Alright, be careful.”

Qin Yu didn’t say anything. He turned around and walked towards the pavilion master’s building.

In the Pavilion Master’s building.

The first Elder was lying comfortably on a rocking chair.

In front of him was a pot of black tea. This was once the pavilion master's favorite black tea.

And beside him, there were two medicine boys waiting on him.

The medicine boys' faces were extremely frightened. Facing the current first elder, they dared to be angry but didn't dare to say anything.

“Why? Are you very unwilling to dress me?” The Great Elder said coldly.

The medicine boy hurriedly stood up and said in a low voice, “No... I don't dare.”

“Remember, from today onwards, I am the New Pavilion Master of the Medicine God Pavilion!” The Great Elder said coldly.

“If you want to live on, you'd better forget about Ji Yuhong!”

The Medicine Boy didn't say a word. They knelt in front of the great elder and carefully served him.

At this moment, the Great Elder was a little worried.

According to the time, tomorrow was the day Qin Yu came out of seclusion.

If he really stepped into the half-step martial Marquis realm, he would definitely not be able to deal with him.

“I hope the people of the Hong clan won’t disappoint me,” the great elder thought to himself.

At this moment, he suddenly felt an intense killing intent pressing toward him!

This killing intent was like a cold wave, causing the first elder’s entire body to turn cold!

He hurriedly stood up and exclaimed, “Who is it!”

“The person who killed you!”

An ice-cold voice sounded from the darkness.

With a glance, he saw a young man standing on the Pavilion Master’s building.

The Young Man’s face was ice-cold, and his fists were tightly clenched. His terrifying aura made it even harder for people to breathe!

“Qin... Qin Yu!”

When the first elder saw who it was, his expression changed drastically!

Qin Yu walked forward step by step. He gritted his teeth and said, “The pavilion master has always regarded you as his confidant, but you actually colluded with the Saint Confucian school to commit such a betrayal.”

“First Elder, what crime should you commit? !”

A loud shout immediately caused the first elder’s soul to leave his body!

He suppressed the fear in his heart and tried his best to remain calm as he said, “Qin Yu, things are not as you imagined...”

“Pa!”

Before the great elder could finish his words, a ray of golden light fiercely slapped his face!

“You Damn Beast!” Qin Yu gnashed his teeth and said.

The great elder covered his face and said somewhat angrily, “You dare to hit me? Qin Yu, even if you succeed in breaking through, I’m not afraid of You! I’m also a half-step martial marquis!”

“Half-f * CK!”

An inner strength filled with spiritual power instantly rolled over with a crushing force!

The first elder felt a sweetness in his throat and spat out a mouthful of blood!

With just a shout, the first elder’s body was injured. What kind of strength was this? !

One had to know that the first elder was also a genuine half-step martial marquis!

“You...” after feeling this power, the first elder’s face became a bit ugly.

Qin Yu’s expression was ice-cold. The way he looked at the first elder was as if he was looking at an ant.

“A half-step martial marquis is only So-so,”Qin Yu said coldly.

The first elder’s expression changed drastically, and his mind spun rapidly.

A moment later, the first elder’s expression changed, and he said with an embarrassed smile, “Qin Yu, this... This is actually all a misunderstanding... listen to my explanation...”

“Explanation?”Qin Yu laughed coldly.

He stretched out his finger and two rays of golden light shot out!

“Crack!”

In the blink of an eye, the first elder’s knees were instantly shattered. With a plop, he knelt on the ground!

“Kneel down First!”Qin Yu said coldly.

The first Elder’s expression was extremely ugly! As a half-step marquis, he had never suffered such humiliation!

What made him even more afraid was that the Qin Yu in front of him was like a vast ocean, unable to see through his strength at all!

“Qin Yu, this matter has nothing to do with me. It was the sage Confucian school that forced me to do it...”the great elder hurriedly explained.

He roared in his heart. As long as he could endure through today and wait for the ten half-step martial marquises of the Hong Yi School to arrive, then everything would have a turn for the better!

Therefore, the current great elder desperately wanted to stabilize Qin Yu!

But How Could Qin Yu give him a chance? He slowly walked in front of the great elder and said coldly, “Don’t worry, I Won’t let you die so quickly. I will slowly torture you to death and make you kneel on the square of the Divine Alchemist Pavilion for the rest of your life...”

“Qin Yu, don’t... Don’t be rash! Let’s... Let’s Talk!”The Great Elder’s expression changed drastically!

Qin Yu sneered and said, “Talk about your mother! A beast like you, dying ten times is not enough.”

Sensing the killing intent from Qin Yu, the Great Elder’s face became even more unsightly.

He gritted his teeth and shouted angrily, “I am also a half-step martial marquis. Qin Yu, don’t go too far!”

“Half-step martial marquis? So What?”Qin Yu sneered.

“The current you is just an ant in my eyes.”

The great elder immediately flew into a rage. Energy burst out from his body, and wisps of bright light surrounded his palm.

“I don’t believe that you are invincible!”The Great Elder roared and pushed his palm towards Qin Yu!

Qin Yu stood there without moving, allowing the Great Elder’s palm to press down on him.

Chapter 491: Chapter 491, the True Big Shot

That palm brought with it a rolling pressure as it headed straight for Qin Yu!

And Qin Yu stood there without moving an inch. His face was expressionless!

“I got it!” Seeing this, the first elder was ecstatic!

This palm was his ultimate skill. Even a steel plate could be instantly smashed through!

“Clang!”

However, the next second, the first elder’s expression froze on his face.

Qin Yu did not move at all from his palm strike! Even his skin was not broken!

“Is this the power of a half-step martial marquis?” Qin Yu looked down at the first elder and sneered.

The first elder’s expression suddenly changed drastically! A layer of sweat quickly formed on his forehead!

“This... how is this possible!” The first elder took two steps back in horror, almost unable to believe the scene in front of him!

His all-out attack had failed to injure the first elder in the slightest? !
Was this still a half-step martial marquis? !

“If he had really stepped into the half-step martial Marquis Realm, I’m afraid he could be suppressed with just a raise of his hand.”Qin Yu laughed coldly.

He walked towards the first elder step by step, while the first elder unconsciously took a step back.

“You betrayed the Divine Alchemist Pavilion and attacked the Pavilion Master. You deserve to be punished for this crime,”Qin Yu said coldly.

“But I have always been soft-hearted. I will spare your dog life.”

After saying that, Qin Yu opened his mouth and revealed a brilliant smile.

“Don’t... Don’t kill me...”the first elder was so scared that he was trembling.

At this moment, he had already lost the will to resist. He only wanted to save his life!

“Bang!”

A golden light lit up on his finger. Then, he lightly poked forward. A few crisp sounds were transmitted into his ears!

“Ah! !”

The first elder’s limbs were instantly shattered, and he knelt on the ground with a plop!

Then, Qin Yu suddenly raised his foot and fiercely kicked the first elder’s lower abdomen.

His dantian instantly exploded, and all of his inner strength quickly dissipated at this moment!

“You... you actually crippled me!” The first elder roared in pain.

To be able to cultivate to the half-step martial marquis realm, he had practically spent all of his effort, and now he was actually crippled on the spot!

“This is only the beginning.” Qin Yu sneered.

He slashed his hand toward the first elder.

“Swish, Swish, Swish!”

Dozens of lights passed through the first elder’s body. Countless wounds quickly turned him into a bloody man!

Each wound avoided his vital points. Not only would it bring endless pain, but it could also save his life.

“Buzz!”

Another ray of golden light lit up. Qin Yu raised his finger and pointed at the spot between the first Elder’s brows.

In an instant, the first elder’s brain felt as if it had been struck by lightning!

The first elder, who was about to faint, suddenly woke up from the pain!

His divine sense felt as if it was being gnawed on by a worm. This kind of pain made people wish they were dead!

Traces of blood flowed out from the first elder's wound. In a moment, Qin Yu was dyed red.

And the first elder was kneeling in a pool of blood. It was too horrible to look at.

His pain was still ongoing. It was endless. The immense pain made him foam at the mouth and Twitch all over.

“Don't worry. When the pavilion master returns, he will personally execute you,” Qin Yu said coldly.

Then, Qin Yu turned to look at the Two Medicine Boys at the side.

The medicine boy had long been scared out of his wits and was hiding in a corner, shivering.

Qin Yu glanced at the medicine boy and said, “Remember to clean the pavilion master's building every day. I Don't want Lord Pavilion Master to come back in a mess.”

The medicine boy hurriedly nodded and said, “It's... Elder... Elder Qin...”

The next day.

The medicine masters had just woken up when they saw the first elder kneeling in the middle of the square.

He was covered in blood and his face was distorted. The double torture of his body and spirit had made him lose his human appearance.

“Eh? Isn't this the first elder?”

“Haha, which Hero Did This?”

“Bah! Dog, you deserve it! You should kneel here!”

The group of alchemists became more and more agitated as they spoke. They all rushed forward and punched and kicked the great elder.

At this moment, Qin Yu walked over from not far away.

“Elder Qin is here!”

Seeing Qin Yu, everyone hurriedly surrounded him.

They all surrounded Qin Yu and said anxiously, “Elder Qin, you must go and save the Pavilion Master!”

“Yes, the pavilion master would rather be severely injured than hand you over!”

“You must stand up for the Medicine God Pavilion!”

Qin Yu took a deep breath and said coldly, “I will go to the Saint Confucian sect now. No matter what, I will bring the pavilion master back safe and sound.”

“We will go with you!” Everyone shouted.

Qin Yu shook his head and said, “Fifth Elder is right. The Medicine God Pavilion is the painstaking work of the pavilion master. We must not disperse.”

“If you really want to help, then protect the divine medicine pavilion well.”

Everyone looked at each other and then nodded. “Elder Qin, please rest assured!”

Qin Yu did not say anything more. He turned his head and walked out of the Divine Medicine Pavilion.

...

Jingdu.

Yan Sihai, Xia Hang, and the others were gathered together.

They brought the pavilion master to the Jingdu Martial Arts Association and temporarily locked him up. However, they did not use any methods.

The reason was nothing else. They just wanted to see how the higher-ups would react.

After all, the Pavilion Master of the Medicine God Pavilion had a lot of connections. They had to test the bottom line step by step.

“The higher-ups haven’t reacted yet. It seems that the Pavilion Master of the Medicine God Pavilion isn’t that important,” Yan Sihai said coldly.

Xia hang waved his hand and said, “Let’s Wait a little longer. If the higher-ups really blame us, we won’t be able to hold on.”

Yan sihai snorted and said, “What are you waiting for! This woman has bullied me many times and doesn’t take me seriously at all. If I don’t teach her a lesson, where will my face go?”

“Just do as I say and kill her immediately!”

Everyone looked at each other, seemingly at a loss.

At this moment, a member of the martial arts association suddenly rushed in from outside.

“Vice president Xia, someone is here...”the member said in surprise.

“If someone is here, then so be it. Why are you lying?”Xia hang said with some displeasure.

The member swallowed his saliva and said in a low voice, “The person who came... is not simple...”

“Who is it?”Yan Sihai asked impatiently.

“Me!”

A voice came from outside the door.

Turning around, he saw a man in a Chinese tunic suit.

Seeing this man, everyone in the room hurriedly stood up.

Chapter 492: Chapter 492, facing ten half-step martial marquises!

Someone who could make Yan Sihai and the others so nervous was definitely not an ordinary person.

Xia hang walked forward quickly and said with an embarrassed smile, “Big... Big Secret, why are you here...”

The man who was called big secret glanced at Xia hang and said coldly, “Does your Jingdu Martial Arts Association really think that they are the official?”

Xia Hang’s expression changed, and he hurriedly said, “I absolutely don’t have that intention. You’ve misunderstood...”

The Big Secretary immediately slapped the table fiercely and berated, “Who told you to go to the Divine Medicine Pavilion?”

Xia hang smiled embarrassedly and said, “It wasn’t us who did it. It was that Sage Confucian school. It has nothing to do with us...”

The big secretary frowned slightly and said coldly, “The higher-ups have always been more lenient with the matters between your martial arts, but I warn you, don’t take yourself too seriously.”

“Yes, yes...”Xia hang hurriedly nodded.

The big secretary coldly snorted, “Ji Yuhong is being controlled here, right?”

“Yes... Yes, we’re afraid that the Saint Confucian school will hurt her...”Xia Hang said.

The Big Secretary glanced at him and said, “I don’t care whether the Saint Confucian school or not, that’s between you two.”

“But I’m telling you, if Ji Yuhong loses a hair, you know the consequences!”

Xia hang hurriedly said, “Don’t worry, I promise to let her eat and drink here...”

The Big Secretary snorted lightly. He did not stay any longer and turned around to leave.

It was not until he walked far away that everyone heaved a sigh of relief.

“Fortunately, we didn’t touch him...” Han Meng said in a low voice.

Yan Sihai’s brows also furrowed.

“It seems that the higher-ups value Ji Yuhong very much...” Yan Sihai gritted his teeth.

Xia Hang patted Yan Sihai’s shoulder and said, “That’s enough. It’s already good enough to capture her.”

Yan Sihai snorted coldly and said, “I’ll find someone who can replace her sooner or later!”

...

After Qin Yu walked out of the Medicine God Pavilion, he stood on the street for a long time without moving.

The few auras that were lurking in the dark could not escape Qin Yu’s eyes. The internal Qi in the dark could not escape Qin Yu’s eyes.

“Come out,” Qin Yu said coldly.

Before he finished speaking, ten half-step martial marquises walked out from the dark.

They surrounded Qin Yu in the middle and said indifferently, “Qin Yu, you are finally willing to come out.”

Qin Yu glanced at them and said with a sneer, “It seems that you have waited for a long time and are quite patient.”

The hooked nose sneered, “Hong Yi sect has given a death order to bring you back.”

Qin Yu sized up the aquiline nose and said with a smile, “I am a little curious. When the pavilion master was besieged, why didn’t you take the opportunity to break into the Divine Alchemist Pavilion?”

“Also... After the pavilion master was taken away, why didn’t you take any measures?”

The aquiline nose snorted coldly, “We have an agreement with the Pavilion Master of the Divine Alchemist Pavilion. She said that you would come out in a month. I believe her.”

Qin Yu raised his brows and said, “You guys are quite trustworthy. You are much better than those bastards from the Saint Confucian School.”

The aquiline nose said indifferently, “Do you want to leave with us, or do you want us to take you back?”

Qin Yu sneered and said, “On account that you guys did not add insult to injury, go back. I will spare your lives.”

When the aquiline nose heard this, he immediately laughed out loud.

“Qin Yu, do you know what you’re saying? !”The aquiline nose shouted angrily.

“We are ten half-step martial marquises! How can you be arrogant?”

Qin Yu said with a faint smile, “Half-step martial marquises are not worth mentioning. The ten of you are not my match.”

“Nonsense!” The aquiline nose was furious!

His internal Qi exploded at this moment! The other nine followed closely behind!

“I’ll either bring you back or kill you today. It’s your choice!” The aquiline nose coldly said.

Qin Yu narrowed his eyes and sneered, “I gave you all a chance. Since you don’t know how to cherish it, then don’t blame me for being impolite.”

As he spoke, the Golden Light on Qin Yu’s body began to spread throughout his entire body.

A terrifying internal Qi slowly spread out!

A great battle was about to break out at any moment!

“Attack!”

The few of them looked at each other and took the lead to charge towards Qin Yu!

“Boom!”

The three of them held their internal Qi at the same time and headed straight for Qin Yu’s face!

“You don’t know Death!” Qin Yu coldly spat out a few words. Then, he suddenly clenched his fist and raised his hand to meet the incoming attack!

“Boom!”

This was the collision of four rays of light! A terrifying golden light erupted at this moment!

Almost at the instant of the collision, these three people were directly sent flying!

“How is this possible!” A trace of terror instantly flashed across their faces!

Qin Yu’s entire body was shining with golden light, and his internal Qi was even more vigorous.

“I will only give you one chance, but you have already missed it,” Qin Yu said coldly.

Before he could finish his words, Qin Yu walked over!

These ten people did not dare to be negligent and hurriedly responded.

In an instant, the sky and earth turned dark, and several rays of light headed straight for Qin Yu’s blind spots!

Qin Yu, on the other hand, was unflustered. His body was incomparably tough, and the sound of “Dang dang dang” could be heard endlessly!

Qin Yu fought against ten people alone, and the more he fought, the braver he became. His entire body was full of flames, and his hair danced wildly, as if he was an undefeatable war god!

Weng

Hong Yimen took out his spiritual artifact at this moment. This spiritual artifact rippled with unparalleled might, and it came pressing down with surging might!

“Not worth mentioning!”

Qin Yu was stunned. He quickly used the absolute beginning sacred fist, and then smashed it with a bang!

Kacha

The instant it came into contact, the spiritual artifact was shattered!

“Not good!” The aquiline nose suddenly felt that something was wrong!

The young man in front of him seemed to be a little strange!

“Go to hell!”

Before the aquiline nose could react, Qin Yu had already stepped on the ground and arrived in an inch. His fist landed cleanly on the aquiline nose’s chest!

The aquiline nose’s expression changed drastically! At such a close distance, there was no way he could dodge!

At this critical moment, a silver light lit up on the aquiline nose’s chest!

This was the Protective Dharma artifact of the Hong Yi sect, and it was indestructible!

“Boom!”

But when Qin Yu’s fist came smashing over, the Dharma artifact was actually shattered!

The extremely powerful penetrating force instantly shook the hooked nose’s internal organs!

“Pu!”

A mouthful of fresh blood was suddenly spat out!

“This Qin Yu... how can he be so strong!” The hooked nose’s expression changed drastically!

No wonder the Pavilion Master of the Medicine God Pavilion had made them wait for a month!

“Puchi!”

At this moment, a sharp blade slashed towards Qin Yu’s back, leaving a few centimeters of bloody scar!

Qin Yu turned around and looked over coldly.

He saw a man whose palm had transformed into a long claw standing there.

The moment he was stared at by Qin Yu, the Long Claw Man’s heart thumped!

This feeling... Was as if he was being stared at by a ferocious tiger!

“Go... Go to hell!” The long-clawed man roared crazily in fear. He swung his large hand and the long claw came straight for Qin Yu’s head!

“Kacha!”

Qin Yu stretched out his golden palm and grabbed the long claw!

“Not good!” The long-clawed man’s expression instantly turned extremely ugly!

He tried to pull back the long claw, but he realized that he couldn’t grab it at all!

“You can hurt me. Your technique is not bad,” Qin Yu said coldly.

Then, he saw Qin Yu exert some force with his hand, and the long-clawed man was instantly pulled over by Qin Yu!

Chapter 493: Chapter 493, Saint Confucian school, here I Come!

The long-clawed man immediately panicked. He tried to struggle, but found that he couldn’t break free at all!

“Half-step martial marquis, quite a good resource.” Qin Yu grinned, revealing a mouthful of white teeth.

Then, Qin Yu pinched the heaven swallowing technique with his hand and slapped the long-clawed man’s head!

“Weng!”

The heaven swallowing technique instantly appeared. In a moment, the long-haired man was sucked into a dried corpse!

“Comfortable.” Qin Yu licked his lips in satisfaction!

Such a method instantly shocked everyone!

Their expressions were extremely unsightly, and their hearts were filled with terror!

“Clang!”

At this moment, another person clenched his fist from behind!

A sound like the collision of Steel was immediately heard. The spell caster only felt waves of numbness in his fist, as if he was about to lose consciousness!

Qin Yu’s body was not damaged at all. There was only a white dot left!

“You don’t know life from Death!” Qin Yu’s face turned cold and he swung his golden palm.

“Snap!”

His neck was broken instantly and his internal Qi was drained quickly!

Qin Yu did not let go of this opportunity. He used the heaven-devouring technique again and swallowed him!

“It’s your turn.” Qin Yu glanced at the remaining few people.

These few people were extremely ugly. They even had the intention of retreating.

However, Qin Yu did not give them a chance at all. His feet stepped on the ground and shrunk into an inch as he sprinted away!

Hong Yimen had no choice but to continue fighting. His spells and magic tools were thrown out non-stop at this moment.

Qin Yu's golden light suddenly appeared and lit up the entire street!

He looked down on the world with such power that no one dared to look directly at him!

“Boom!”

Another punch was thrown out, and the head of a half-step martial Marquis was directly shattered!

Qin Yu's absolute beginning Holy Fist was incomparably fierce, and all of his spells were not even worth mentioning in front of this fist!

No one had expected that this great battle would turn into a one-sided massacre!

No wonder so many people were afraid that Qin Yu would step into the half-step martial Marquis Realm!

For a full three hours, the bodies of these ten half-step martial marquises were almost completely shattered, and they fell to the ground in unbearable pain!

Qin Yu naturally wouldn't miss this opportunity. He walked in front of them and swallowed them all.

In the blink of an eye, only the hawk-nosed man was left among the top forces sent by the Hong Yi sect.

He lay on the ground with his eyes slightly closed, waiting for the judgment of fate.

“You are their leader, right?” Qin Yu said coldly.

The hawk-nosed man opened his eyes and said coldly, “So what if I am, so what if I am not!”

Qin Yu stared at him for a moment before he suddenly retracted the golden light on his body.

“Go away, I will spare your life,” Qin Yu said coldly.

The aquiline-nosed man was stunned. He frowned and said, “Are... are you telling the truth?”

“For the sake of your honor, get lost,” Qin Yu waved his hand and said.

Hearing this, the aquiline-nosed man hurriedly got up from the ground and ran away.

“Go back and tell your sect master not to provoke me again.” Qin Yu said coldly.

The hooked-nosed man froze for a moment, then turned his head and left.

One person beheaded ten half-step martial marquises. Such power was shocking to the world!

It was not a lie to say that the primal chaos body was invincible among those of the same level!

“Next, it’s time to go to the Saint Confucian School.” Qin Yu said coldly.

The Saint Confucian school had martial marquises guarding it and no one dared to provoke it. However, Qin Yu, who was full of fighting spirit, was not afraid at all.

Moreover, they had captured the Pavilion Master of the Divine Medicine Pavilion. Qin Yu had to rescue them.

After that, Qin Yu arrived at the airport and rushed towards the Saint Confucianist sect.

The Saint Confucianist sect was located in the Hong province’s Cang City and was not far from the Divine Medicine Pavilion. They could arrive in just two hours by plane.

At present, the Saint Confucianist sect had long forgotten about Qin Yu’s matter.

Elder Qu was carefree every day and lived quite comfortably.

As for he teng, he chose to stay in the Saint Confucian sect and baptize himself with the spirit spring every day, wanting to step into the realm of the Martial Marquis.

...

Qin Yu arrived at the vicinity of the Saint Confucian sect.

The roads near the Saint Confucian sect were quite tortuous. It wasn't easy to find them in a short period of time.

Right at this moment, Qin Yu suddenly caught a glimpse of a car from the corner of his eye.

The person sitting in this car was none other than Li Zinan!

“Li Zinan?” Qin Yu could not help but snort coldly when he saw this figure.

His body shook and he arrived in front of the car in the blink of an eye!

At such a close distance, it was too late to brake! He could only crash straight into it!

“Clang!”

Qin Yu raised his palm and grabbed the front of the car!

The front of the car instantly exploded! The pungent smell of gasoline was even more pungent!

“Qin... Qin Yu!”

Seeing the person who stopped the car, Li Zinan's face immediately changed!

He jumped out of the car and turned around to run, but Qin Yu did not give him a chance and reached out to grab his head!

“You are still staying in the Saint Confucian School?” Qin Yu raised his eyebrows and asked.

Li Zinan’s face was a little ugly. He said in horror, “Qin Yu, you... you have already crippled me. What else do you want?”

Qin Yu patted his shoulder and said, “Don’t be afraid. I just want you to lead the way.”

“Lead the way?” Li Zinan was stunned.

“Go... Go Where?” Li Zinan asked tentatively.

“The sage Confucian school,” Qin Yu said coldly.

A trace of craftiness flashed in Li Zinan’s eyes.

Go to the sage Confucian school? Wasn’t the sage Confucian school trying to capture Qin Yu?

He didn’t expect that he would actually deliver himself to their doorstep!

He could use this Qin Yu to take credit!

“No Problem!” Li Zinan patted his own chest.

“Lead the way.” Qin Yu let go of Li Zinan.

Li Zinan didn’t hesitate and immediately led Qin Yu toward the sage Confucian school.

After going around in circles for nearly half an hour, the two of them finally arrived at the sage Confucian school.

Although the Saint Confucian school was filled with modern buildings, there was a huge stone tablet at the entrance.

There were a few words written on the stone tablet: the Saint Confucian school is recruiting all the Saint Confucian school in the world!

“Saint Confucian school... how ironic.” Seeing this, Qin Yu couldn’t help but sneer.

Li Zinan glanced at Qin Yu from the corner of his eyes. Seeing that he wasn’t paying attention to him, he ran away!

“Qin Yu has been captured by me! Qin Yu has been captured by me!” Li Zinan shouted as he ran!

Qin Yu sneered. He raised his hand and slapped out!

“Boom!”

The huge palm that rose up in the air instantly smashed Li Zinan into meat paste!

“From today onwards, I, Qin Yu, have become enemies with the Saint Confucian school!” Qin Yu said coldly.

Then, he held the golden light in his hand and smashed it toward the stone tablet!

The stone tablet instantly shattered into pieces!

The loud sound shook the entire Saint Confucianism sect!

Staring at the Saint Confucianism sect, Qin Yu snorted coldly.

He slowly raised his hand and a terrifying power gathered in his palm.

A moment later, a huge golden palm suddenly appeared!

“Boom!”

Qin Yu waved his huge palm and the huge palm directly slammed towards the Saint Confucianism sect!

In an instant, the Saint Confucian school shook like an earthquake!

Countless buildings collapsed in an instant, and the originally quiet Saint Confucian school was instantly thrown into chaos!

“What’s Going On!” Several elders of the Saint Confucian school hurriedly shouted!

“It’s that Qin Yu!” At this moment, someone shouted!

Before they could react, Qin Yu’s voice was already heard.

“Saint Confucianism sect, weren’t you looking for me? I, Qin Yu, Am Here!”

The loud voice contained spiritual energy and carried a surging might as it spread throughout the entire Saint Confucianism sect.

Chapter 494: Chapter 494, massacre!

The loud shouts caused the entire Saint Confucianism sect to buzz!

Upon hearing Qin Yu’s name, a large group of people immediately rushed out!

The one leading them was elder Qu!

At a glance, there were at least dozens of people blocking the entrance.

Among them, a large portion were martial grandmasters, and there were only two half-step martial marquises: Elder Qu and the other donkey-faced elder.

Such a large group was indeed terrifying, but in Qin Yu's eyes, it wasn't worth mentioning.

For some reason, the people from the Saint Confucianism sect in front of Qin Yu were like a bunch of ants in Qin Yu's eyes.

“Qin Yu, you actually dare to run to the Saint Confucianism sect to make a Ruckus?” Elder Qu raised his eyebrows and said with some amusement.

“Do you know that we've been capturing you?”

Qin Yu didn't have the time to listen to his nonsense. He looked coldly at elder Qu and said word by word, “Where is the Pavilion Master?”

Elder Qu was stunned and then laughed out loud, “The reason why you came to the Saint Confucian school to Throw Your Life Away is to save the Pavilion Master of the Medicine God Pavilion?”

“I am asking you where is the Pavilion Master!” Qin Yu roared and rolled over!

This voice contained a terrifying spiritual power that shook people's eardrums until they felt pain!

And ordinary grandmasters died on the spot under this Shout!

Elder Qu's expression gradually turned cold.

“You want to find the Pavilion Master of the Medicine God Pavilion, right? Alright, I'll tell you, she's already dead!” Elder Qu grinned.

“But don't worry, I'll send you to see her immediately!”

Hearing these words, Qin Yu felt as if he had been struck by lightning!

His mind went blank, and his ears buzzed!

Anger filled his chest, causing Qin Yu's entire body to tremble!

“You Said... Pavilion Master is dead?” Qin Yu's eyes were wide open as he asked in a trembling voice.

“Hahaha, not bad!” Elder Qu couldn't stop laughing.

“Next, the one who dies will be you!”

After saying this, elder Qu took a step back, waved his hand, and said coldly, “Kill him!”

The people from the Saint Confucian school rushed toward Qin Yu!

Qin Yu stood there in a daze and kept repeating, “Pavilion Master is dead... He is dead...”

Countless spells kept hitting Qin Yu's body.

However, these spells quickly turned into nothingness, not even a white dot was left!

“Saint Confucian school, I will make you pay with blood!”

Then, Qin Yu let out a furious roar, and the energy around his body exploded like a bomb!

A surging power spread out! The surrounding martial grandmasters were directly sent flying!

“Saint Confucian school... I will kill all of you!”

Qin Yu’s eyes were scarlet red, and his entire body was filled with killing intent, as if he was a demon from hell!

This strong killing intent caused even the expressions of elder Qu and the donkey-faced man to change!

Such a strong killing intent was something they had never seen before!

“Kill him!” Elder Qu knew that things were not going well, so he looked at the donkey-faced elder.

The donkey-faced elder did not know Qin Yu’s strength, so he nodded and walked towards Qin Yu.

“This kid has gone crazy, it’s best to avoid his sharp edge,” elder Qu thought to himself.

Thinking of this, he turned around and left.

“Boom!”

With a loud sound, a golden light appeared in the crowd!

Qin Yu was like a god of death, shuttling through the crowd. With each palm strike, one person died!

Countless people's bodies were smashed into meat paste, and countless people's skulls were smashed into pieces!

Everyone began to be afraid. They kept retreating, their faces filled with fear.

This was the first time the sacred Confucian school had suffered such a massacre! And the murderer was only a young man in his early thirties!

“Enough!”

At this moment, the donkey-faced elder took a step forward and stood in front of Qin Yu.

He said coldly, “Since you dare to start a massacre in my sacred Confucian school, I think you're looking for... Pfft!”

Before he could finish his words, Qin Yu had already slapped him!

This slap caused the donkey-faced elder to retreat repeatedly, and his sternum was directly shattered!

“You're courting death!” The donkey-faced elder immediately flew into a rage. He was about to use his finishing spell, but Qin Yu had already stepped forward!

A large golden hand directly grabbed the donkey-faced elder's head and lifted him into the air!

“Go to hell!” Qin Yu roared angrily. He suddenly exerted force with his hand, and the donkey-faced Elder’s head was directly crushed!

Everyone was dumbstruck. A terrifying atmosphere filled the air.

The dignified elder of the sacred Confucian school didn’t even have the chance to fight back and was crushed to death?

Was... was he even human? !

“Hurry... Run!”

Someone reacted first and ran away!

Then, everyone ran as fast as they could as if they had gone mad!

However, Qin Yu had already lost his mind. He killed everyone he saw, so how could he let them go!

Qin Yu was like a demon as he chased after them!

In an instant, the sacred Confucian school was covered in blood and corpses. Countless people had died under Qin Yu’s hands!

This was the first time the sacred Confucian school had suffered such a disaster! The number one sect in the north was actually killed by a young man!

Elder Qu had already fled back to the main hall.

He patted his chest and said in a low voice, “This Qin Yu seems to have gone mad! He actually went to the Saint Confucian school to start a massacre!”

If this news were to spread, countless jaws would drop!

“Fortunately, there is a marquis Wu weapon in the main hall...”elder Qu looked up at the four corners of the main hall and heaved a sigh of relief.

As long as there was a Marquis Wu Weapon, elder Qu was not afraid of Qin Yu.

After all, it contained a blow from a Marquis Wu!

“No... Not Good!”Someone escaped into the hall.

“That Qin Yu has gone mad! Many disciples have died at his hands!”

Elder qu said coldly, “What are you panicking for? If he dares to come to this hall, I will definitely kill him!”

“But... but too many of our disciples have died...”

“There are only a few hundred people in the entire Saint Confucianism sect. At least a hundred people have died at the hands of Qin Yu...”

Hearing this, elder Qu’s expression turned extremely ugly!

Since the sect master was not around, he would be responsible for the Saint Confucianism sect.

If such a thing happened, the sect master would definitely blame it!

“This Qin Yu...”elder Qu clenched his fists.

He had never thought that Qin Yu would dare to start a massacre within the Saint Confucian sect!

He had never thought that Qin Yu would have such destructive power!

“Not good, that Qin Yu is charging towards the main hall!” After a cry of alarm, he saw Qin Yu carrying a corpse in one hand as he charged towards the direction of the main hall!

That Golden Ray of light was incomparably dazzling. When mixed together with the scarlet blood, it was domineering and terrifying!

My Rich Wife – Chapter 495 –

Chapter 495: Chapter 495, four Martial Marquis Weapons!

Qin Yu stepped on the corpse like a god of war and instantly arrived in the Great Hall!

Seeing Qin Yu's crazy expression, elder Qu's expression also became slightly unsightly.

Even if there were martial marquis weapons in the Great Hall, it still made elder Qu tremble with fear.

He took a deep breath and suppressed the fear in his heart. He said coldly, “Qin Yu, do you know where this is? This is the sage Confucian school! It's not your place to be impudent!”

Qin Yu clenched his teeth and clenched his fists. He stared at elder Qu and said word by word, “Pavilion Master was taken away by you, right?”

Elder Qu's heart tightened and his expression could not help but change slightly.

“So what if... So what if I am!” Elder Qu snorted coldly.

Qin Yu said coldly, “Then I will kill you and cut you into pieces!”

As he spoke, the Qi force on Qin Yu's body exploded once again!

The entire hall was instantly blown up by a hurricane. After feeling the power on Qin Yu's body, elder Qu's face instantly turned somewhat pale.

“Qin Yu, you dare to trespass into our Saint Confucian school? That is a capital offense!” Elder Qu said through gritted teeth.

“Go to hell!” Qin Yu didn’t say anything else and threw a punch!

Elder Qu did not dare to take it head-on and hurriedly dodged to the side.

However, the powerful force still sent elder Qu flying, and traces of blood dripped from the corner of his mouth.

He felt a sharp pain in his chest, as if his internal organs had been greatly impacted.

“No, it’s impossible for a half-step martial marquis to possess such power...” elder Qu’s expression was extremely unsightly.

“If he doesn’t use his martial marquis weapon, this kid will probably tear down the Saint Confucian school!”

Thinking of this, elder Qu crawled up from the ground.

He took a deep breath, looked coldly at Qin Yu, and said, “Qin Yu, you forced me to do this. The dignity of the Saint Confucian school can not be provoked!”

Qin Yu looked coldly at elder Qu, as if he was looking at a person who was about to die.

This made elder Qu extremely terrified. He didn’t dare to delay any longer and hurriedly took two steps back before starting to activate his Marquis Weapon!

The four corners of the great hall instantly lit up with light.

Along with the appearance of these four rays of light, a majestic aura spread throughout the Great Hall.

A terrifying pressure rolled over as the four rays of energy that contained intense killing intent slowly condensed.

Even Qin Yu had noticed these streams of energy.

He raised his head to look at the four corners and said coldly, “Looks like the Saint Confucian sect still has a babe hidden somewhere.”

Elder Qu laughed coldly and said, “This is a martial marquis weapon. It’s a personal magic weapon of a martial marquis. Although it can’t be compared to a true martial marquis, it can unleash a strike from a martial marquis. Its power isn’t weaker than a true martial marquis!”

“Qin Yu, no matter how strong you are, can you still be stronger than a martial marquis? Under this attack, you will definitely die!”

Qin Yu’s expression was ice-cold. His entire body was glowing with golden light, and his eyes were coldly looking at the four directions.

“Go to hell!” Elder Qu shouted and immediately urged his martial marquis weapon to come over!

In an instant, four terrifying waves of internal Qi shot over!

“Boom!”

A huge force poured down on Qin Yu’s body!

In an instant, Qin Yu's body was sent flying out of the main hall!

The golden light on his body was shattered and he fell to the ground for a long time without getting up!

“Hahaha!” Seeing this, elder Qu couldn't help but laugh out loud.

“You deserve it and can't live. Qin Yu, this is your life!”

However, just as elder Qu was laughing out loud, Qin Yu, who had fallen to the ground, suddenly crawled up slowly.

Four bloody holes appeared on his body, but his internal Qi didn't decrease at all. Instead, it was full of fighting spirit!

“How... how could this be!” Elder Qu's expression immediately changed drastically!

Qin Yu wiped the blood from the corner of his mouth and said coldly, “Today, I will cripple this marquis weapon of yours.”

Before he could finish his sentence, Qin Yu's eyes slowly turned red.

And a mark appeared between his brows.

The power of the Divine Dragon!

This was the power of the Divine Dragon that Qin Yu possessed!

Following that, the Golden Light on Qin Yu's body exploded once again! His internal Qi instantly became a few times stronger!

“Not... Not Good!” Elder Qu suddenly felt that something was wrong!

Just now, Qin Yu could easily crush these people. Now that his strength had soared again, how should he deal with it?

Elder Qu subconsciously took two steps back. At this moment, he was really afraid!

He gritted his teeth and said angrily, "I don't believe that you can break my martial Marquis Weapon!"

After saying that, elder Qu activated it again, and the four corners immediately lit up with a bright light!

This was an extremely oppressive force, causing the entire hall to tremble slightly!

"I don't believe that this marquis weapon can't kill Qin Yu!" Beads of sweat dripped down elder Qu's forehead.

The Marquis weapon was his final trump card. If this couldn't kill Qin Yu, then who in the world could stop Qin Yu?

As long as the Marquis weapon didn't appear, then Qin Yu was truly an invincible existence!

"Go to hell!" Elder Qu roared, and the martial marquis weapon erupted once again!

Four extremely powerful forces were approaching Qin Yu's vital point!

"What BULLSH * t martial marquis weapon, so what if it's a real martial marquis!" Qin Yu raised his head and roared angrily, and a golden power wrapped around his fist!

At a glance, it was as if his hand was squeezing a round sun!

“Watch me smash you!”

Green veins popped up all over Qin Yu’s body, and he fiercely punched forward!

Chapter 496: The 496th Chapter was shattered with a single punch!

“Boom!”

The collision of two extremely powerful forces instantly caused the great hall to collapse!

Everything in the surroundings turned into white flames. Countless people had their eyes blinded at this moment!

“Rumble...”

The two forces began to collide at this moment, and for a moment, they were at a stalemate!

“How... how could this be!” Elder Qu’s expression was incomparably terrified!

These were four Marquis Weapons! ! They couldn’t cut down Qin Yu in a short time ? !

Under the impact of these four Marquis Weapons, Qin Yu’s figure began to retreat continuously.

Qin Yu's clothes were completely torn, revealing a stretch of firm muscles!

Veins bulged on his arms, and one could even see spiritual energy being poured into his arms!

“Ah! ! !”

Qin Yu raised his head and roared. The power of the Divine Dragon was unleashed to the extreme at this moment!

A light flashed between his brows, and his eyes burst out with a scarlet light. In an instant, the power of his fists burst out!

A shocking scene happened. The power of the Martial Marquis weapon was actually pushed back by Qin Yu!

“It's... It's bad!”

Seeing this scene, elder Qu completely panicked!

Could it be... Qin Yu was really going to smash this marquis weapon? That would be a heavy loss for the Saint Confucian sect!

“No... No, I have to escape quickly!” Elder Qu thought to himself that things were not looking good!

He took advantage of the fact that Qin Yu could not be separated and immediately turned around to run!

Qin Yu was still fighting against this marquis weapon. As Qin Yu's power erupted, the Golden Light became even more powerful!

“Break!”

Qin Yu let out a roar that shook the sky. The absolute beginning Holy Fist was unleashed to the extreme in an instant!

“Boom!”

The power of the Marquis weapon was directly shattered by Qin Yu!

Everything became calm. Under this power, Qin Yu’s body was also covered in blood.

He panted heavily and roared, “What other trump cards do you have? Use Them All!”

However, the surroundings were completely silent.

No one was willing to become Qin Yu’s enemy and had long fled the scene.

Qin Yu coldly swept his surroundings and a strong killing intent appeared on his face.

“Is this the number one sect in the north? From today onwards, I will kill every single person from the Saint Confucian school I See!” Qin Yu seemed to be announcing the death penalty.

Then, he coldly looked at the four martial marquis weapons hanging high in the sky and his figure suddenly shot up!

“Boom!”

His incomparably fierce fist directly smashed towards the four Marquis weapons!

The Marquis weapons shattered with a sound!

This was the first time in the history of the sacred Confucian school that they had suffered such a disaster. They had been beaten up by a single person and scattered in all directions, and had even lost four Marquis weapons!

No one had expected that Qin Yu, who had once been looked down upon, would actually be able to cause the sacred Confucian school to suffer heavy losses by himself today!

Looking around, Qin Yu's expression became even colder.

He turned around and walked out of the Great Hall. His powerful divine sense instantly spread out.

More than half of the sacred Confucian school had landed in Qin Yu's divine sense.

Very quickly, Qin Yu found a figure.

His figure flashed and he quickly disappeared.

A moment later, Qin Yu arrived beside a young man.

When the young man saw Qin Yu, a hint of panic flashed across his face.

He said in a trembling voice, "It has nothing to do with... It has nothing to do with me. Don't kill me..."

Qin Yu grabbed his shoulder and said coldly, "Who killed the Pavilion Master of the Divine Alchemist Pavilion?"

The young man was stunned. He scratched his ears and said softly, “Mr. Qin, I don’t seem to understand what you mean...”

“Stop pretending!” Qin Yu was furious. He raised his hand and broke the young man’s legs!

The young man immediately grimaced in pain. He said in pain, “Mr. Qin, the Pavilion Master of the Medicine God Pavilion is not dead. She was taken away by the people of the Jingdu Martial Arts Association...”

Qin Yu was stunned. He grabbed the young man and said anxiously, “Is what you said true?”

“It’s absolutely true!” The young man said with some fear.

“Just as elder Qu was about to do something improper, the people from the Jingdu martial arts association took him away.”

“I happened to clean up that day and saw it with my own eyes!”

Hearing this, Qin Yu’s brows immediately furrowed.

He released the young man and said in a low voice, “Could it be that elder Qu lied to me?”

Thinking of this, Qin Yu looked at the young man coldly and said, “You’d better not lie to me.”

“I swear, I absolutely didn’t lie to you...” the young man was about to cry.

Seeing that he didn't seem to be lying, Qin Yu didn't make things difficult for him.

“Elder Qu...” Qin Yu couldn't help but have a gloomy expression.

This beast actually wanted to do something immoral to the pavilion master! It was simply unforgivable!

“I won't let you off lightly,” Qin Yu said coldly.

The Saint Confucian school was in ruins. Without Marquis Wu holding down the fort, no one could stop Qin Yu.

Therefore, Qin Yu didn't stay any longer. He temporarily returned to the Divine Medicine Pavilion.

After returning to the Divine Medicine Pavilion, Qin Yu took out his phone and called Old Mister Yan.

After getting Yan Sihai's phone number, Qin Yu immediately called Yan Sihai.

After about ten seconds, Yan Sihai picked up the phone.

He asked over the phone, “Who is it?”

“It's me, Qin Yu,” Qin Yu said coldly.

Hearing this name, Yan Sihai said with some amusement, “Qin Yu? Calling me at this time, are you trying to beg me for mercy?”

“I beg you to F * ck off!” Qin Yu directly cursed.

On the other end, Yan Sihai was stunned, and then he said angrily,
“What did you say! You Dare to Scold Me?”

“I’m scolding you! You Heartless Beast!”Qin Yu said coldly.

“Qin Yu, are you crazy!”On this end, Yan Sihai was so angry that he gnashed his teeth.

In all his life, no one dared to scold him like this!

“Yan Sihai, I’m warning you, if the pavilion master loses even a hair, I’ll definitely skin you and pull out your tendons!”Qin Yu said coldly.

Yan Sihai could not help but narrow his eyes. He sneered, “You want to save people? Fine, then come to the Jingdu martial arts association to snatch people!”

Hearing this, Qin Yu silently breathed a sigh of relief in his heart.

It seemed that the pavilion master had really been brought to the Jingdu Martial Arts Association.

As long as the person was fine, Qin Yu was relieved.

“Yan Sihai, don’t worry, you bastard. Don’t worry, I will go to Jingdu very soon,”Qin Yu said with a sneer.

On the other end, Yan Sihai suppressed the anger in his heart and said with a cold smile, “September 9th, I’ll be waiting for you in Jingdu.”

“Oh, right, I have good news for you. Ruoxue and Han Wei’s wedding has begun to be prepared.”

“Don’t you like Yan Ruoxue? I hope you won’t Be a coward when the time comes.”

Qin Yu said coldly, “Okay, help me tell Han Wei that September 9th will be the anniversary of his death.”

After saying this, Qin Yu directly hung up the phone.

At this time, the news of Qin Yu killing ten half-step martial marquises and flattening the Saint Confucianism sect had already spread.

“Qin Yu killed all ten half-step martial marquises of the Hong Yi sect!”

“Not only that, Qin Yu also barged into the Saint Confucianism sect and killed nearly a hundred people! He broke four martial Marquis Weapons!”

“Qin Yu, who has stepped into the half-step martial marquis realm, is indeed beyond our imagination!”

Just as everyone was discussing, a message suddenly appeared on the martial arts forum:

From today onwards, I, Qin Yu, will fight the Saint Confucian school to the death.

Chapter 497: Chapter 497, Gu Canghai had personally made his move!

Qin Yu’s shocking words had immediately attracted the attention of countless people!

No one had expected that after Qin Yu had flattened the sacred Confucian school, not only did he not restrain himself, he had even taken the initiative to provoke them!

To fight to the death with the sacred Confucian school? One had to know that that was the number one sect in the north, with the martial marquis overseeing it!

And behind it was the Yan family of Jingdu, one of the largest aristocratic families in the current fire country!

Qin Yu wanted to fight against the entire Saint Confucian sect all by himself? It was simply unimaginable!

On the other side, after Yan Si Hai had hung up the phone, the military advisor walked in.

He leaned over Yan Si Hai's ear and recounted the entire incident, word by word.

After Yan si hai heard it all, his face immediately turned a little ugly.

“You said that Qin Yu had beheaded ten half step martial marquises?” Yan Si Hai's eyes were filled with doubt.

The military advisor nodded and said, “To be precise, there were nine. One of them was let go by Qin Yu.”

Yan Sihai's expression was a little ugly.

He had never thought that Qin Yu's growth speed would be so fast!

He had never thought that after Qin Yu stepped into the half-step martial marquis realm, he would actually have such strength!

One against ten, this was simply unheard of!

“How exactly did I let him grow up under my eyes?” Yan sihai rubbed his temples, feeling a headache for a moment.

The military advisor said, “Don’t worry. There are strong and weak half-step martial marquises. How can those people be compared to young master Han?”

This was the truth. As the young master of an aristocratic family, he naturally had an absolute advantage among those of the same level.

“If it really doesn’t work, we can send out martial marquises and directly kill Qin Yu,” said the military advisor.

Yan Sihai was silent for a moment, then said, “On September 9th, gather all the forces that the Yan family can gather and set up an ambush in the dark.”

“Remember, no matter what, we can not let Qin Yu leave Jingdu!”

The military advisor nodded and said, “Yes, director Yan.”

...

Yan family manor.

On Yan Ruoxue’s bedside was a calendar.

Seeing that the 9th of September was getting closer and closer, Yan Ruoxue's heart also became somewhat anxious and uneasy.

“Miss, don't be too worried. No matter what, you should live your life. Don't damage your body,” the nanny beside reminded her.

Yan Ruoxue glanced at the nanny and shook her head. “I'm very worried. Qin Yu...”

Yan Ruoxue did not continue.

She was afraid that she would really marry Han Wei, but she was also afraid that Qin Yu would really come and snatch the marriage.

As the Princess of the Yan family, she naturally knew how powerful the Yan family was.

Putting aside whether Qin Yu could defeat Han Wei, just the power that the Yan family could mobilize was definitely not something that an ordinary person could compare to.

“Miss, since you have chosen to trust Young Master Qin, don't think too much about it.” The nanny at the side advised.

Yan ruoxue nodded slightly and did not say anything more.

... .

There was only one month left until the ninth day of the ninth lunar month, and Han Wei still had not come out from his closed door cultivation.

He had been staying at the Jingdu Martial Arts Association all day, enjoying the fire country's top martial arts resources.

The Han family.

“Mr. Xia, what exactly is Han Wei's situation?” Said Han Meng with some uneasiness.

For Qin Yu-li beheaded ten half-step Marquis of the matter, he also heard, do not worry is impossible.

Xia hang laughs way: “Mr. Han, you don't worry, still have a month's time, everything is possible.”

“Everything is possible? What do you mean? Could it be that he could step into the realm of Marquis?” Han Wei said with puzzlement.

Xia hang shook his head and said, “The possibility of stepping into the realm of martial marquis is not high. In half a month's time, no matter how monstrous he is, he can't do it.”

“However... we have a way to ensure that Qin Yu will win 100% .” Xia hang changed the topic and said with a faint smile.

Han Wei frowned and said, “What do you mean?”

Xia hang narrowed his eyes and said with a sneer, “Jingdu martial arts association has the oldest cultivation method in the world!”

“Even if we can't let Han Wei truly step into the realm of martial marquis, we still have a way to let him obtain the same power as Martial Marquis!”

Hearing this, Han Wei seemed to be slightly relieved.

After all, between Martial Marquis and half-step martial marquis, there were two different worlds.

...

Qin Yu sat in the Medicine God Pavilion's elder residence. His eyes were slightly closed as he slowly recovered his internal Qi.

In the square, the first elder was still kneeling there, suffering all day.

At this moment, the fifth elder pushed the second elder in.

“Qin Yu, how is the Pavilion Master?”The second elder asked.

Qin Yu said, “Second Elder, don't worry. She has been brought to the Jingdu Martial Arts Association. I will think of a way to save her as soon as possible.”

The second elder nodded. He sighed slightly, “The pavilion master was right about her.”

Qin Yu smiled bitterly, “If it weren't for me, pavilion master wouldn't have suffered so much.”

The second elder didn't say anything and didn't comment.

“Rest well.”The second elder didn't stay any longer and left.

After the second elder left, Qin Yu turned on his phone.

Qin Yu's power was still being publicized on the martial arts forum, but Qin Yu knew very well that he hadn't stepped into the half-step martial marquis realm.

There was still a fine line between him and the half-step martial marquis realm.

If he wanted to officially step into the half-step martial marquis realm, he still needed a reincarnation pill.

“Where can I find 5,000-year-old herbs?” Qin Yu couldn't help but sigh in his heart.

“I wonder if pavilion master has any ideas.”

As the Pavilion Master of the Divine Medicine Pavilion, Ji Yuhong's herbs resources were incomparable.

It was just that... She was currently locked up in the Jingdu Martial Arts Association and couldn't be contacted at all.

“We have to think of a way to rescue the pavilion master as soon as possible,” Qin Yu's expression darkened as he said coldly.

In the next few days, Qin Yu didn't leave the Divine Medicine Pavilion.

He sat in the Elder's manor all day, and from time to time, there would be explosions and bright lights.

No one knew what Qin Yu was doing, but everyone viewed Qin Yu as their savior.

...

The sage Confucian school.

On this day, Gu Canghai rushed back to the sage Confucian school from Jingdu.

Ever since he heard about Qin Yu's matter, he didn't dare to waste any time.

“This... this...”

Looking at the messy sage Confucian school, Gu Canghai stood there in a daze, as if he was stunned.

The entire sage Confucian school was filled with broken walls and dried corpses. There was not a single trace of life!

How was this the number one sect in the north? It was simply like a graveyard!

“Qin Yu... Qin Yu! !”

Gu Canghai was furious, and a furious roar resounded through the heavens and earth!

“You dare to treat the Saint Confucian sect like this? I want you dead! I want you dead! !” Gu Canghai raised his head and roared angrily!

Then, he stepped into the Saint Confucian sect!

Gu Canghai's appeal was self-evident. After he returned, the disciples of the Saint Confucian sect also walked out one after another.

In front of the villa, hundreds of disciples were kneeling on the ground.

And at the front was elder Qu.

“What the hell is going on?” Gu Canghai looked at elder Qu coldly.

Elder Qu hurriedly said, “That Qin Yu... that Qin Yu is too strong! He broke four Marquis weapons with one hand. It's not something we can resist at all!”

Gu Canghai gritted his teeth and angrily shouted, “Trash, you trash!”

Elder Qu did not say a word. He did not even dare to breathe loudly.

Gu Canghai took a deep breath and forcefully suppressed the anger in his heart.

He coldly swept his gaze across the crowd and said, “The sage Confucian school has never suffered such humiliation! If I don't kill him, the sage Confucian school's reputation will be ruined!”

“From today onwards, I will personally take action and capture Qin Yu!”

Chapter 498: Chapter 498, the Holy Confucian school that had been driven mad

Gu Canghai was about to personally take action and capture Qin Yu!

He was a genuine martial marquis! And a half-step martial marquis had become two different worlds!

A martial Marquis was an aurous core stage cultivator in the cultivation world!

Their bodies had already formed an aurous core, and their strength had reached another level! It was definitely not something a half-step martial marquis could compare to!

On the same day, Gu Canghai posted this news on the martial arts forum.

Not only that, Gu Canghai also posted a bounty on the martial arts forum:

As long as he provided Qin Yu's whereabouts, he would be able to obtain a thousand-year-old herb king and ten million in cash!

Such a high price showed Gu Canghai's determination and anger!

...

Inside the Divine Alchemist Pavilion.

Fifth Elder rushed in with his phone in hand.

“Qin Yu, Gu Canghai has personally taken action to capture you!” Fifth Elder's face was somewhat fearful.

Qin Yu, however, appeared rather calm. He glanced at fifth elder and nodded, “I understand.”

Fifth Elder was stunned and hurriedly said, “Qin Yu, do you know that Gu Canghai is a martial marquis? You... aren't you worried?”

“What's the use of worrying?” Qin Yu slowly stood up from the bed.

“Even if he doesn’t come looking for me, I will still go looking for him.”Qin Yu said with a cold smile.

The fifth elder was instantly stunned.

Qin Yu still wanted to go looking for Gu Canghai? What was the difference between this and sending himself to his death?

“Qin Yu, with your talent, it’s only a matter of time before you step into the Martial Marquis Realm. In the future, you can even spy on a higher realm! Why is there a need to confront him head-on at this time!”The fifth elder explained anxiously.

Qin Yu smiled and said, “Fifth Elder, I know what to do. Don’t worry.”

After saying that, Qin Yu walked straight out of the Elder’s residence.

“Where are you going?”Fifth Elder asked in puzzlement.

Qin Yu said coldly, “I’m going to kill the remnants of the Saint Confucian school.”

After saying that, Qin Yu walked out of the Divine Medicine Pavilion.

As the number one sect in the north, the Saint Confucian school had countless aristocratic families that were affiliated with the Saint Confucian school!

Not only were they the lackeys of the Saint Confucian school, but they also relied on the Saint Confucian school for a living.

Qin Yu knew that he was no match for Gu Canghai, but he had his own advantages.

He was alone and extremely fast.

“Saint Confucian school, I will make you pay a painful price,” Qin Yu said coldly.

In the past few days, Qin Yu had already prepared a list of the sects under the Saint Confucian school.

He took out this list and went to visit them one by one.

Cangzhou, Tai City.

The largest aristocratic family in Tai city was the Li family.

The Li family had hundreds of millions of assets, and they owned real estate, entertainment facilities, and other businesses.

The Li family was also one of the lackeys of the sage Confucian school. Their martial arts were extremely powerful, and with several great grandmasters overseeing them, almost no one dared to provoke them.

That night, Qin Yu arrived at the entrance of the Li family.

He scanned his surroundings, and then strode into the Li family.

After a while, the Li family shone in all directions, wailing incessantly!

In less than half an hour, the head of the Li family died tragically on the stomach of a woman!

And the martial grandmasters sent by the Saint Confucianism sect were all killed by Qin Yu with a single slap!

Another Day passed, and the head of the Sun family of the Central Plains was beheaded! All eight martial grandmasters were silken!

In the next few days, one bad news after another kept coming out.

The head of the Zhao family had died in his office, and three martial grandmasters had died.

The head of the Hu family had died on the dining table, and none of the eight martial grandmasters were left alive.

The head of the Bai family had died in his study, and a half-step martial marquis had become a dried corpse!

These people who had been beheaded all had the same characteristic, and that was that they all came from the sage Confucian school!

Before everyone was shocked, Qin Yu had already announced on the Martial Arts Forum:

I don't believe that your Saint Confucian school can protect everyone! So what if you, Gu Canghai, are a martial marquis? As long as I'm still alive, I will slaughter all the people related to the Saint Confucian school!

As Gu Canghai heard the bad news one after another, the veins on his forehead almost exploded!

“Qin Yu... Qin Yu! !”Gu Canghai suddenly slapped his palm and instantly shattered the chopping board!

“Go, find him for me, find him for me!” Gu Canghai gnashed his teeth and said.

Elder Qu quickly walked forward and said in a low voice, “Sect master, we tried to find Qin Yu, but his movement technique is extremely fast. He changes cities almost every day.”

“Every time we arrive, he has already run away...”

Another elder walked over and said in a trembling voice, “Sect master, the people of the Saint Confucian sect are in a state of panic. Those aristocratic families that have submitted to the Saint Confucian sect have also cut off their relations with us...”

“Sect master, if this continues, we will lose at least billions of dollars every year...”

Gu Canghai panted heavily and was so angry that he was trembling.

“No matter what, I will kill this Qin Yu!” Gu Canghai gritted his teeth.

He immediately got elder Qu to pull out a list of all the aristocratic families related to the sage Confucian school.

“Didn’t this Qin Yu say that he wanted to destroy our sage Confucian school? Fine, then I will go and wait for him!” Gu Canghai said coldly.

“As long as Qin Yu dares to appear, I’ll definitely kill him!”

After saying this, Gu Canghai turned around and left.

However, Qin Yu didn’t go to the next aristocratic family.

He quietly arrived near the Saint Confucian school and waited there quietly.

Not long after Gu Canghai left, Qin Yu immediately barged into the Saint Confucian school and started a massacre!

There were at least hundreds of disciples who remained in the Saint Confucian school that day. In the end, they were all turned into corpses, not a single one was left!

When Gu Canghai rushed back, the Saint Confucian school was already covered in blood!

“Ah! ! !”

Gu Canghai roared crazily!

His hair danced wildly, and his roar spread throughout the entire Saint Confucian school!

“Qin Yu, I must catch you, I must catch you!” Gu Canghai gnashed his teeth in anger!

“Sect master, with Qin Yu’s ruckus, our disciples are starting to be afraid...” an elder responded.

“Many disciples want to resign and go home...”

“I’ve also received many resignation letters, there are at least dozens of them... among them, there is no lack of peak martial grandmasters.”

Peak martial grandmasters were the power reserves of the Saint Confucian sect!

As long as they had the spirit spring in their hands, the Saint Confucian sect would have the chance to turn them into half-step martial marquises!

But now, because of Qin Yu's insane behavior, he had scared away these disciples and those who wanted to join the sacred Confucian school!

For a moment, Gu Canghai had a headache.

He rubbed his forehead and said in a low voice, "Go find the surveillance camera and find Qin Yu for me!"

"Sect master, do you think you can find Qin Yu by relying on the surveillance camera? He can shoot and change places, who can catch him..."

Gu Canghai could not help but frown.

He had never thought that just Qin Yu alone would cause the incomparably glorious Saint Confucian sect to almost wither!

"I do have an idea." At this moment, elder Qu stood out.

Gu Canghai glanced coldly at elder Qu and said, "What Idea?"

Elder Qu thought for a moment and said, "We can pretend to negotiate and Trick Qin Yu over!"

"I believe that as long as our conditions are high enough, Qin Yu will definitely agree!"

"As long as this Qin Yu dares to show up, he will never come back!"

Chapter 499: Chapter 499, Sea City Teng clan

Hearing elder Qu's words, the scene fell silent.

Gu Canghai, on the other hand, was full of anger. He stared coldly at elder Qu and said, "We, the dignified Saint Confucian school, are taking the initiative to negotiate peace? If this gets out, where will our Saint Confucian school's face go?"

Elder Qu hurriedly explained, "Headmaster, the entire Saint Confucian school is in a panic right now! Especially those families!"

"I thought that the Saint Confucian sect would be able to protect them, but in the end, it brought disaster. If this goes on, the Saint Confucian sect's reputation will suffer even more!"

Gu Canghai frowned when he heard this.

Elder Qu's words were not without reason. If this continued, no one would dare to get involved with the Saint Confucian sect in the future.

Gu Canghai was silent for a moment, then slowly said, "How are you sure that Qin Yu will agree?"

Elder Qu said, "I'm not sure either, so... I can only give it a try."

Gu Canghai did not speak, as if he was considering the pros and cons.

A moment later, Gu Canghai looked at elder Qu.

He said in a deep voice, "Alright, we will do as you say, but... We must try our best to keep it a secret and not let it get out."

Elder Qu nodded and said, "I understand!"

Hence, elder Qu immediately sent someone to contact Qin Yu.

It was not difficult to contact Qin Yu. They sent someone to deliver the news to the Divine Alchemist Pavilion.

After second elder learned of this matter, he could not help but be stunned.

"Is the Divine Alchemist Pavilion admitting defeat?" Fifth Elder at the side also swallowed his saliva.

Second Elder said in a deep voice, "There must be a trick. Qin Yu has killed so many people from the Saint Confucian school. How can the Saint Confucian school let it go just like that!"

"I think it's better to let Qin Yu make his own decision," said the fifth elder.

Then, the fifth elder took out his phone and dialed Qin Yu's number.

He told Qin Yu the intentions of the Saint Confucian school.

"Qin Yu, you must be careful. I suspect that there's a trap," said the fifth elder in a deep voice.

On the other end, Qin Yu said indifferently, "It's okay. I know what to do."

After saying that, Qin Yu directly hung up the phone.

At this moment, Qin Yu was sitting in a restaurant eating noodles.

He put down the chopsticks in his hand and couldn't help but sneer.

“It's finally here.” Qin Yu sneered again and again.

Everything he did was to have a chance to talk to the Saint Confucian school!

If Qin Yu took the initiative to suggest it, the high and mighty Saint Confucian school would never give Qin Yu a chance to speak.

For sects and aristocratic families like this, as long as they were forced into a desperate situation, they would only think of talking to you.

After thinking about it for a long time, Qin Yu finally decided to seek help from the media.

But the ordinary media would definitely not dare to offend the Saint Confucianism sect. Hence, Qin Yu had to find a media that had both strength and background to interview them.

The fire country was very big. Although the Saint Confucianism sect was strong, they were still unable to cover the sky with a single hand.

There were always people outside the mountain, and there were many who were not afraid of the Saint Confucian school.

Qin Yu's first choice was sea city.

Sea city was one of the largest cities in the country, and the power it possessed was not much weaker than Jingdu.

There were also many great aristocratic families and great clans among them!

“Looks like I still have to make a trip to sea city.”Qin Yu thought to himself.

The largest aristocratic family in sea city was the TENG family.

Not only did the TENG family have hundreds of millions of family assets, but their connections were also extremely close.

However, compared to the aristocratic families in Jingdu, the TENG family’s martial power was relatively weak.

It was said that the strongest person in the huge Teng family was only a half-step martial marquis.

After thinking about it, Qin Yu finally turned to old Mister Yan for help.

Fortunately, old Mister Yan and the Teng family had an old friend.

“The Teng family received my favor back then. If I reveal my identity, he should give me some face,”said old Mister Yan on the other end.

Qin Yu was silent for a moment and said, “Okay, I’ll wait for your news.”

Half an hour later, old Mister Yan called back.

He said on the phone, “Everything is going well. Tonight at eight o’clock, The Teng Guild will be waiting for you at home.”

“Okay, thank you,”Qin Yu agreed.

At night.

Qin Yu came to The Teng family’s residence.

In The Teng family's huge villa, only a few nannies were cleaning.

Qin Yu sat there quietly, waiting for the Teng family to arrive.

About ten minutes later.

A middle-aged man in a nightgown walked down from upstairs.

This middle-aged man was none other than the TENG family's patriarch, Lord Teng!

As soon as Lord Teng appeared, all the nannies called out, "Master."

Lord Teng nodded slightly and walked directly to the opposite side of Qin Yu. He looked Qin Yu up and down and said, "You are Qin Yu?"

"Greetings, Mr. Teng." Qin Yu nodded.

Lord Teng said with a faint smile, "You have been in the limelight recently. Even the legend of you exists in sea city."

Qin Yu said with a smile, "You flatter me, Mister Teng."

"Tell me, what's the matter?" Duke Teng said indifferently.

Qin Yu immediately expressed his intention to come.

After hearing it, Duke Teng couldn't help but laugh.

He put out the cigarette and said indifferently, "Qin Yu, why are you so naive?"

Qin Yu frowned slightly and said with some confusion, "What do you mean, Duke Teng?"

Tenggong sneered and said, “If it was that old Mister Yan back then, I might be able to help you, but now...”

Tenggong shook his head and did not continue, but the meaning was very clear.

Qin Yu opened his mouth and wanted to say something, but Tenggong waved his hand and said, “I have already given him enough face by being able to see you.”

After saying that, Tenggong waved his hand and gave the order to leave.

Qin Yu was silent for a moment, then smiled and said, “Duke Teng, maybe I should change my expression.”

“Oh?” Duke Teng raised his eyebrows.

Qin Yu said, “Maybe we can work together.”

“Work together?” Hearing this, Duke Teng immediately burst into laughter.

“What kind of cooperation can there be between you and me? What qualifications do you have to work with me?” Duke Teng raised his eyebrows and said.

Qin Yu was not in a hurry. He said with a faint smile, “Although the TENG family has a big business, their martial power has always been extremely weak. The strongest is only a half-step martial marquis.”

“And no matter which Jingdu aristocratic family, not only do they have wealth, they also control martial power. This is also the reason why the TENG family will never be able to compete with the Yan family.”

Duke Teng frowned slightly.

Although the words were not pleasant to hear, it was the truth.

Qin Yu stood up and said coldly, “I can make up for this blank space in the TENG family.”

Hearing this, Duke Teng could not help but sneer, “You? If you were a marquis, I might consider it, but you are only a half-step marquis, where does your confidence come from?”

Qin Yu said indifferently, “Although I am not a marquis, I can force the Saint Confucian school, which has a marquis, to bow their heads, and make the high and Mighty Yan family suffer!”

“This is my confidence.”

Hearing this, Duke Teng seemed to be interested.

He touched his chin and thought for a moment, then stood up and said, “I can help you this time, but... you and I have to make an agreement.”

“Please speak, Duke Teng.” Qin Yu nodded.

Duke Teng said with a faint smile, “If you can replace the Saint Confucian school within a month, I will admit your ability and agree to all your requests.”

Chapter 500: Chapter 500, miscalculation!

Replace the sage Confucian school within a month ?

This was not an easy thing to do. One had to know that the sage Confucian school not only had an extremely strong relationship, but they also had a marquis Wu.

Qin Yu was silent for a moment, then stood up and said, “Okay, I agree.”

This surprised Duke Teng. He was stunned for a moment, then laughed out loud, “Okay! Then it’s a deal!”

“It’s a deal.” Qin Yu shook hands with Duke Teng.

For Qin Yu, it was only a matter of time before he launched a crusade against the Saint Confucian school.

As for the relationship behind his back, he had long made enemies with Qin Yu.

So he had nothing to worry about.

Under the arrangements of Duke Teng, Qin Yu contacted the reporters of sea city.

After arranging everything, Qin Yu and the Saint Confucian school agreed on a time and place, and prepared to meet and negotiate for the first time.

At noon the next day.

Elder Qu and Gu Canghai had been waiting for Qin Yu in a clubhouse in Hong province’s Cang City.

“I didn’t expect that Qin Yu would actually dare to agree,” Gu Canghai said coldly.

Elder Qu smiled and said, “Sect master, this Qin Yu is still young, after all. He is still too naive.”

“If I’m not wrong, he will definitely offer some excessive conditions.”

Gu Canghai sneered, “No matter what conditions he offers, I will not agree to him. As long as he dares to come, I will make sure he never comes back!”

He knew that Qin Yu had the ability to shrink the ground into an inch, so Gu Canghai had long set up a formation!

In this formation, no one could escape from this room!

Time passed by minute by minute. After more than ten minutes, a voice finally came from outside the door.

“He’s Here!” Elder Qu hurriedly stood up with a hint of excitement.

A hint of anger flashed across Gu Canghai’s face.

He suppressed the anger in his heart and waved his hand. “Open the door.”

Elder Qu ran to the door eagerly. When he opened the door, Qin Yu was indeed standing at the door.

“Qin Yu! You really dare to come!” The moment he saw Qin Yu, elder Qu couldn’t help but clench his teeth!

Qin Yu sneered, “Why wouldn’t I Dare?”

Just as elder Qu was about to say something, a group of reporters suddenly ran over from behind Qin Yu.

This group of reporters held cameras and directly approached elder Qu.

Elder Qu’s expression changed and he said coldly, “What do you mean by this?”

Qin Yu said with a faint smile, “I was afraid that you guys would play tricks, so I contacted the reporters in advance.”

“Oh right, let me remind you that they are reporters under the TENG family.”

Elder Qu’s expression became even more unsightly. He didn’t expect that Qin Yu would actually contact the reporters in advance!

“Qin Yu, you are ruthless!”Elder Qu said coldly.

After saying this, elder Qu moved aside.

Qin Yu Strode into the room. The moment he entered, he saw a tall man with a white beard.

This man was none other than Gu Canghai!

The moment the two of them met, Gu Canghai’s face darkened.

A strong killing intent burst out from his body! The cold internal Qi instantly caused the temperature in the room to drop by several degrees!

“Qin Yu... !”Gu Canghai suddenly stood up, as if he couldn’t hold back the killing intent in his heart.

Qin Yu, on the other hand, appeared rather calm. He walked to the opposite side of Gu Canghai and sat down.

“You are the sect master of the Saint Confucian sect, right ? Since you intend to negotiate with me, then show your sincerity,”Qin Yu said indifferently.

Gu Canghai narrowed his eyes and couldn’t help but laugh out loud, “Qin Yu, our Saint Confucian sect has been established for many years, but we have never suffered such humiliation!”

“Killing my disciple and destroying my sect, Qin Yu, how should you be punished!”

Qin Yu sneered, “If your Saint Confucian sect didn’t bully others first, how could I kill innocent people indiscriminately?”

Gu Canghai narrowed his eyes and said, “You are the first one who dares to challenge my Saint Confucian School.”

“That’s true. After all, you have to look at your master’s face when beating a dog,”Qin Yu said with a faint smile.

Gu Canghai was not stupid. He naturally heard the hidden meaning in Qin Yu’s words.

He sneered and said, “Qin Yu, you really surprised me by daring to come here today.”

“Negotiate with my Saint Confucian school ? Are you even worthy!”

Qin Yu narrowed his eyes and said coldly, “Gu Canghai, are you going to break the contract?”

“Hahaha!” Gu Canghai couldn’t help but laugh out loud.

He was about to speak when elder Qu came up from the side.

He leaned against Gu Canghai’s ear and whispered, “Headmaster, those reporters are from the TENG family of Sea City.”

Hearing the name of The Teng family, Gu Canghai narrowed his eyes slightly.

“Qin Yu, tell me. What are your conditions?” Gu Canghai asked coldly.

Qin Yu did not stand on ceremony. He looked at Gu Canghai and said, “First, I want the Jingdu Martial Arts Association to release the Pavilion Master.”

Gu Canghai did not say anything. He quietly waited for Qin Yu to continue.

“Second, I want two people,” Qin Yu continued.

Gu Canghai sneered, “Oh? which two people?”

Qin Yu took a deep breath and said coldly, “The first one is he teng, and the second one...”

At this point, Qin Yu’s tone paused. He suddenly raised his finger and pointed at elder Qu!

“The second one is elder Qu!”

As he spoke, Qin Yu's voice became extremely cold!

All of this was caused by elder Qu! More importantly, he tried to do something improper to the pavilion master!

If he didn't kill him, Qin Yu would never let it go!

Elder Qu, who was standing at the side, suddenly became anxious. He hurriedly looked at the sect master and said, "Sect master, you must not agree to his request!"

Elder Qu naturally knew what the consequences would be if he fell into Qin Yu's hands. He hurriedly stood behind the sect master with a face full of fear.

Gu Canghai kept silent and only looked at Qin Yu coldly.

After a moment, Gu Canghai opened his mouth and said, "You think you can threaten me with a few reporters, don't you?"

Qin Yu frowned slightly and said coldly, "What do you mean?"

Gu Canghai angrily shouted, "So what if they are the TENG family's reporters! I, Gu Canghai, have nothing to fear!"

Before he finished his words, Gu Canghai suddenly raised his hand and left!

He only saw Gu Canghai clench his large hand, and the several reporters were directly crushed into meat paste!

Qin Yu's expression immediately turned ugly!

He didn't expect Gu Canghai to not care about the Teng family's identity at all!

Looking at the reporters lying in a pool of blood, Qin Yu's expression turned ugly.

Gu Canghai slowly stood up. His hair danced wildly, and his killing intent surged!

“Qin Yu, even if the Heavenly King Comes, you will die here!” Gu Canghai said coldly.

Chapter 501: Chapter 501, Martial Marquis!

Feeling the killing intent from Gu Canghai's body, Qin Yu's expression turned slightly ugly!

This was a true martial marquis! It was also the strongest opponent Qin Yu had ever met!

It was said that the Martial Marquis was a watershed. After stepping into the Martial Marquis realm, one would enter another level.

It was impossible to rely on a half-step martial marquis to defeat a martial marquis!

Moreover, Qin Yu had not stepped into the true half-step martial marquis realm yet!

“I will cripple your Dantian and let Young Master Han Kill You Personally!” Gu Canghai said coldly.

Qin Yu's expression became more and more serious.

There was only one thought in his heart, and that was to "Escape!"

Therefore, Qin Yu immediately used the shrinking ground to become an inch and took off, wanting to escape.

However, when Qin Yu rushed to the window, he was bounced back by an extremely strong force!

"Do you think you can escape?!" Gu Canghai's body was full of murderous intent as he laughed coldly.

"Oh no, I miscalculated!" Qin Yu's face immediately turned ugly!

This Gu Canghai had set up a formation, there was no way he could escape!

"F * ck!" Qin Yu cursed in his heart. He immediately held the absolute beginning Holy Fist and fiercely smashed it towards that level of barrier.

However, this was something that Marquis Wu had personally set up. No matter how strong Qin Yu was, he couldn't break it!

"You can't escape," Gu Canghai sneered.

Qin Yu felt that something was wrong.

He took a deep breath and said coldly, "Gu Canghai, if you can't kill me today, I will fight with your Saint Confucian school to the death!"

"Hahahaha!" Gu Canghai couldn't help but laugh.

“With just you? Do you think you still have a chance to leave this place?” Gu Canghai said coldly.

As he spoke, Gu Canghai had already raised his hand!

A hollow palm rose up out of thin air and slammed fiercely towards Qin Yu!

Qin Yu didn't dare to be negligent. He immediately used the sacred physique technique and raised his hand to meet it!

“Boom!”

However, Marquis Wu's strength was too tyrannical and directly sent Qin Yu flying!

The golden light on his body was directly shattered, and his body suffered a violent impact!

“Serves you right!” Seeing this, elder Qu sneered at the side.

“You still want to take my life? Are you even worthy?”

Qin Yu didn't say anything. He struggled to get up from the ground, and the unease in his heart grew more and more intense.

Gu Canghai's strength was beyond imagination. In front of him, Qin Yu was practically powerless to retaliate!

If I step into the true half-step martial marquis realm, I might still have a chance to survive... Qin Yu thought to himself.

He gritted his teeth and golden light burst out from his entire body. His internal Qi quickly rose to the limit!

At the same time, the center of Qin Yu's brows also lit up with the light of the Divine Dragon Power!

Facing Gu Canghai, Qin Yu did not dare to be negligent. For a moment, he used all his trump cards and planned to fight to the death!

“What? You still want to resist?” Gu Canghai sneered.

Qin Yu said coldly, “Cut the crap. Everyone says that the Martial Marquis is a watershed. Today, I also want to see how strong the Martial Marquis is.”

“Is that so?” Gu Canghai's lips curled into a sneer.

“Okay, then I will satisfy you!”

After saying that, Gu Canghai casually raised his hand and lightly slapped forward!

Qin Yu did not dare to be negligent. With a furious roar, the energy in his entire body erupted at this moment, and his saintly being technique directly stepped into the fifth level!

A resplendent golden light illuminated the entire room!

“Ah!!!”

Qin Yu exerted all his strength to face Gu Canghai's palm head-on!

“Boom!”

This was a huge collision, and a terrifying internal Qi rippled out in all directions!

Even elder Qu felt an extremely strong pressure at this moment, and even his breathing wasn't smooth!

“Deng Deng Deng Deng!”

Under Gu Canghai's palm strike, all the light on Qin Yu's fist disappeared, and his body took a few steps back!

“Pu!”

The huge impact hit his internal organs.

Qin Yu felt a sweet taste in his throat, and he spat out a mouthful of blood!

“As expected of Marquis Wu...” Qin Yu's expression was somewhat ugly.

Gu Canghai, who was not far away, had a calm expression.

“Everyone below Marquis Wu is an ant. You are already worthy of praise for being able to resist my palm and not die,” Gu Canghai said indifferently.

Qin Yu was not in the mood to listen to his bullsh * t. his mind was full of thoughts on how to escape.

His eyes swept around, trying to find a blind spot.

“It’s useless.” Gu Canghai seemed to have seen through Qin Yu’s intentions.

He put his hands behind his back and said indifferently, “Are you going to do it yourself, or shall I cripple you with my own hands?”

“F * ck you!”

Qin Yu cursed angrily and took the initiative to clench his fist and charge forward!

“You don’t know life from death.” Gu Canghai spat out two words coldly. Then, with a light pat, Qin Yu’s figure was directly sent flying!

With this palm strike, Qin Yu’s bones were completely broken, causing him to fall onto the ground in unbearable pain!

“Sect master, let me personally cripple him!” Elder Qu took the initiative to ask for Merit.

Gu Canghai glanced at him and nodded, “Hurry up.”

“Sect master, don’t Worry!” Elder Qu eagerly agreed.

After which, he jogged all the way to the front of Qin Yu.

“Qin Yu, you lowly Maggot, you actually want to climb up the tree and become a Phoenix?” Elder Qu sneered.

“I’ll Cripple Your Dantian right now and kill you, you trash!”

After saying that, elder Qu curled his palm and his sharp claws ruthlessly clawed at Qin Yu’s Dantian!

Chapter 502: Chapter 502 had been played!

Elder Qu's eagle-like palm contained sharp inner strength and was heading straight for Qin Yu's Dantian!

His mind was extremely vicious. He wanted to Cripple Qin Yu! At that time, he would publicly execute Qin Yu at the wedding!

“Clang!”

However, when elder Qu's palm landed on Qin Yu's lower abdomen, his expression could not help but change!

He only felt his finger being shaken until it was in pain. On the other hand, Qin Yu was completely injured!

“What a tough body!” Elder Qu's expression couldn't help but change.

Without waiting for him to be shocked, Qin Yu had already slapped him.

This slap directly sent elder Qu flying!

Gu Canghai coldly glanced at elder Qu and coldly snorted, “What a trash.”

Elder Qu hurriedly got up from the ground and said awkwardly, “Sect master, this kid's body is too strong. I Can't do anything to him...”

Gu Canghai ignored elder Qu. He looked at Qin Yu coldly and said, “Do you still want to resist stubbornly?”

Qin Yu stood up from the ground. He took a deep breath and said, “As I said before, if you can’t kill me today, I will definitely make the Saint Confucian school disappear from this world.”

“Arrogant!” Gu Canghai was furious. His palm turned into a fist and smashed toward Qin Yu!

Qin Yu stepped on the ground and dodged the punch!

Gu Canghai’s fist smashed on the wall behind him, causing the entire wall to buzz!

Qin Yu glanced at the wall and seemed to have thought of something.

“Your speed is quite fast, but do you think you can dodge the second punch?” Gu Canghai said coldly.

As he spoke, Gu Canghai threw another punch!

This punch was extremely fast, but it was still dodged by Qin Yu!

Gu Canghai’s face became even gloomier.

The two misses undoubtedly made Gu Canghai feel a little embarrassed.

“You don’t know life from death,” Gu Canghai said coldly.

The Qi force on his body surged, and a terrifying pressure spread out!

Even Qin Yu’s face flashed with a trace of solemnity.

Facing Gu Canghai’s fist that contained anger, Qin Yu did not dare to be negligent.

He immediately executed the sacred physique art, and at the same time, he suspended the five mountains above his head.

“Go to Hell!”

Gu Canghai roared, and the terrifying fist force smashed towards Qin Yu at an extremely fast speed!

Such speed, even Qin Yu was unable to dodge!

The gap between their realms was too big, and it was impossible to make up for it!

“Bang!”

This punch smashed onto Qin Yu’s body!

Qin Yu’s body was like a cannonball, directly shooting out!

“Crash!”

The walls of the clubhouse collapsed under this punch! The formation was also shattered by Gu Canghai at this moment!

Dust flew up, blocking everyone’s vision.

In front of them was a pile of ruins.

Gu Canghai put his hands behind his back and sneered.

“Sect... sect master, did he kill him with this punch?” Elder Qu was a little worried.

The power of that punch was too strong. Just the power of the punch had made elder Qu's mouth bleed!

Gu Canghai was also a little uncertain. He said coldly, "Go and take a look. It's better if he's not dead."

Elder Qu hurriedly nodded. He quickly ran into the ruins and began to search for Qin Yu's figure.

However, a few minutes later, elder Qu's expression changed drastically!

"Sect... sect master! Qin Yu is missing!" Elder Qu shouted in alarm!

Gu Canghai frowned. He hurriedly stepped forward and stood at Elder Qu's side.

Sure enough, there was only a pool of blood on the ground. Where was Qin Yu's figure?

"Oh no, he escaped!" Elder Qu cried out in alarm.

Gu Canghai's expression turned even gloomier!

He suddenly understood something!

"This Qin Yu... actually tricked me!" Gu Canghai flew into a rage!

Qin Yu could not break the barrier by himself, so he used his own body to take Gu Canghai's attack head-on!

He used his own body as a cannonball and forcefully smashed open the barrier!

“How is this possible? He didn’t die from that punch? !”Elder Qu’s face was filled with lingering fear.

Gu Canghai, who was beside him, also gritted his teeth and said coldly, “This child can not be measured by common sense. No matter what, we have to kill him quickly!”

At this moment, Gu Canghai actually felt fear!

He was able to withstand this punch of his at the half-step martial Marquis Realm. If he truly grew up, he would not dare to imagine it!

“Chase after him!”Gu Canghai said coldly.

...

At this moment, Qin Yu was stepping on the ground and trying his best to escape!

His entire body was covered in blood, and his bones were broken in many places. It was a tragic sight!

“Damn it, the martial marquis indeed lives up to his reputation!”Qin Yu’s internal Qi was somewhat weak.

Just this punch had already heavily injured Qin Yu!

“If it wasn’t for the Five Mountains, I’m afraid I would have really died there.”Qin Yu’s expression was unsightly.

His internal Qi was extremely weak, but he did not dare to stop.

If he was caught by Gu Canghai, he would definitely die today!

“Gu Canghai... you will pay the price!”Qin Yu gritted his teeth and said coldly.

He escaped for dozens of miles in one breath and arrived in a forest in the blink of an eye.

Qin Yu hid his internal Qi and hid in a cave for the time being.

He sat cross-legged on the ground, slowly recovering his internal Qi.

On the other side, Gu Canghai searched for dozens of miles in one breath, but still couldn't find Qin Yu.

“Sect master, this kid ran too fast. We couldn't find him at all,”elder Qu said, panting.

Gu Canghai's expression was extremely ugly!

Today was too heavy of a loss for him.

Not only did he fail to capture Qin Yu, but he had also offended the TENG family of sea city!

More importantly, Qin Yu was still alive!

This was definitely a disaster for the sacred Confucian school!

If Qin Yu were to launch an intense revenge, then the sacred Confucian school might really decline!

“Headmaster, what do we do now?”Elder Qu asked.

Gu Canghai said coldly, “Let’s go back first and use all our connections to find this Qin Yu!”

“At the same time, tell the sacred Confucian school that from today onwards, no one is allowed to go out!”

Gu Canghai was truly afraid. He was afraid that everyone in the sacred Confucian school would be killed by Qin Yu!

If that was the case, the sacred Confucian school would really have nothing.

In the blink of an eye, three days passed.

The news of the sacred Confucian school closing the mountain gate quickly spread.

“Did you guys hear? The sacred Confucian school closed the Mountain Gate!”

“Haha, I heard that they were scared by Qin Yu!”

“That’s right, I heard it too. The sacred Confucian school’s people are all anxious and afraid of being caught by Qin Yu and killed!”

“TSK TSK, I have to admire this Qin Yu. He actually forced the entire mountain gate to close by himself! This is the first time in history, right?”

Countless comments continued to ferment on the martial arts forum. Even the JINGDU martial arts association could not delete them.

“F * ck!” Seeing these messages, Yan Sihai’s face turned green with anger.

He took out his cell phone and called Gu Canghai.

“You piece of trash, you have completely lost the face of the Saint Confucian school!” As soon as he picked up the phone, Yan Sihai cursed!

On the other end, Gu Canghai did not dare to say anything. Although he was a marquis of Wu, he still did not dare to act rashly in front of the Yan family.

“I’ll give you three days. If you can’t handle this matter well, you can F * cking die!” After saying this, Yan Sihai directly hung up the phone.

Just as he hung up the phone, Yan Sihai’s phone rang again.

He picked up the phone and saw that the caller was Hai Cheng Teng Gong.

Chapter 503: Chapter 503: The Return of the Pavilion Master

Seeing this call, Yan Sihai could not help but frown.

Then, he picked up the phone and smiled, “Lord Teng, why did you suddenly call me?”

On the other end, Lord Teng said somewhat angrily, “Yan Sihai, you actually killed my people!”

Yan Sihai was stunned and frowned, “What are you talking about? When did I kill your people?”

Tenggong said angrily, “The reporters I sent to the Saint Confucian school were all slapped to death by that Gu Canghai of yours!”

“Yan Sihai, how did you educate your men? You killed them just like that? What do you think My Teng family is!”

“This Gu Canghai...”Yan Sihai could not help but clench his teeth.

As they were both capital, they still had to give each other some face.

“Don’t worry, I will give you a satisfactory answer to this matter,”Yan Sihai said in a deep voice.

Tenggong snorted and said, “It’s best if that’s the case. Yan Sihai, your father and I are old friends. I hope that this matter won’t ruin the relationship between the two families.”

After throwing out these words, tenggong hung up the phone.

Yan Sihai looked at the phone for a moment, then snorted coldly and said, “F * ck you, just kill a few ants. I’ll give you some face!”

Even though he said so, Yan Sihai still picked up the phone and scolded Gu Canghai.

“Dad.”

At this moment, a young man walked in from outside the door.

Seeing this young man, a smile immediately appeared on Yan Sihai's face.

“Jinyao, why did you suddenly come?” Yan Sihai held his hand and said with a smile.

Yan Jinyao said, “I came to tell you a piece of news.”

“Oh? What News?” Yan Sihai said with a smile.

It could be seen that Yan Sihai loved his son very much.

Yan Jinyao gently clenched his hand and slowly said, “I've stepped into the Martial Marquis Realm.”

Hearing this, Yan Sihai was instantly stunned.

Stepped into the Martial Marquis Realm? His son had actually stepped into the Martial Marquis Realm?

After all, Yan Jinyao was only about thirty years old!

Such talent was probably unheard of in the world!

“Hahahaha! As expected of my son!” Yan Sihai could not help but burst out laughing!

“You are probably the first young man in Jingdu to step into the Martial Marquis Realm!”

Yan Jinyao did not deny this.

All along, Yan Jinyao had been called a genius, and he was also known as Jingdu's number one genius.

However, unlike the arrogant Han Wei, Yan Jinyao was relatively more low-key.

“Humph, that Han Wei monopolizes the resources of the Jingdu Martial Arts Association and is only a half-step martial marquis,” Yan Sihai said with a cold humph.

“But my son is already a real martial marquis!”

This made Yan Sihai extremely proud.

He immediately asked someone to spread the news out.

...

Three days later.

Qin Yu's injuries had almost recovered.

He stood up from the ground and couldn't help but grit his teeth.

“Gu Canghai... I will never let your Saint Confucian school off!” Qin Yu said coldly.

He didn't waste any time and immediately began the next round of revenge!

This time, Qin Yu went even crazier. As long as it was related to the Saint Confucian school, all the families would be affected!

None of the disciples of the Saint Confucian school were left alive. They were all killed by Qin Yu with one slap!

In just two days, at least a hundred disciples of the Saint Confucian school had died!

“This Qin Yu...”Gu Canghai was trembling with anger, but there was nothing he could do!

Qin Yu had the ability to shrink the ground into an inch. He could not be captured or killed, so he could only do whatever he wanted.

And Yan Sihai had given him an order to settle the matter properly within three days.

Helpless, Gu Canghai was prepared to choose a second negotiation.

He found Qin Yu’s number and called him personally.

After the call was connected, Gu Canghai said coldly, “What exactly do you want?”

Qin Yu sneered, “Gu Canghai, my conditions have been stated clearly enough, right?”

“Hand over the teng and elder Qu, and let the Pavilion Master return to the Divine Alchemist Pavilion!”

“Otherwise, I will kill every single member of your Saint Confucian sect!”

Gu Canghai gnashed his teeth in anger, but he did not dare to flare up.

Because he knew that Qin Yu would really do it!

“Alright, I will agree to it.” Gu Canghai gnashed his teeth and said.

“But I’m telling you, you better not let me see you, or else... I’ll definitely pull out your tendons and skin you alive!”

Qin Yu sneered, “Don’t worry, even if you don’t kill me, I’ll kill you.”

After saying this, Qin Yu directly hung up the phone.

Gu Canghai’s expression was gloomy and uncertain. His face that was full of ravines trembled from time to time.

He took out his phone and dialed Xia hang’s number.

Fortunately, the JINGDU martial arts association quickly agreed to Gu Canghai’s request.

After all, the higher-ups had given orders. Not only did they not dare to touch Ji Yuhong, but they even served her well every day. There was no point in locking her up here.

The next day.

Qin Yu quietly returned to the Divine Medicine Pavilion and waited for the return of the Pavilion Master.

However, he did not dare to relax. After all, no one knew if Gu Canghai would suddenly arrive.

That evening.

A car stopped at the entrance of the Medicine God Pavilion.

The moment the car opened, the pavilion master was seen stepping out of the car.

Qin Yu, who had a keen spiritual sense, quickly discovered the pavilion master.

He suddenly stood up and quickly arrived at the entrance.

As expected, the pavilion master was slowly walking over.

Qin Yu quickly went up to greet him. He was both excited and somewhat guilty.

“Lord Pavilion Master, are... Are You Alright?” Qin Yu asked in a low voice.

The pavilion master glanced at Qin Yu and said with a faint smile, “What could be wrong with me?”

Qin Yu gritted his teeth and said in a low voice, “It’s all my fault. If it weren’t for me, you wouldn’t have suffered such hardship...”

The pavilion master glanced at Qin Yu and said indifferently, “What I do is my own decision. It has nothing to do with you. You Don’t have to blame yourself.”

“Moreover, you’ve done well enough.”

Qin Yu raised his head. His eyes were somewhat moved.

“Lord Pavilion Master!”

Soon, everyone from the Medicine God Pavilion rushed out.

They clustered around the pavilion master, and everyone was overjoyed.

“Pavilion Master, it’s all thanks to Elder Qin. Otherwise, the Medicine God Pavilion would definitely fall into the hands of the Bandits!”

As they spoke, everyone looked at the first elder who was kneeling on the square.

The pavilion master frowned slightly. She slowly stepped forward and walked towards the first elder.

“Pavilion Master... .” Upon seeing the pavilion master, the first elder immediately panicked.

He said with some pain, “Pavilion master, on account of the many years that I have served the medicine God Pavilion, please spare me this time... .”

The pavilion master’s long and narrow eyes contained some coldness.

“There is only one outcome for betraying the Divine Alchemist Pavilion. You know it better than me.” The pavilion master said indifferently.

The first elder’s expression immediately became extremely ugly. He shouted with all his might, “Lord Pavilion Master, Please spare me, Lord Pavilion Master... .”

But the pavilion master completely ignored him and left with large strides.

Qin Yu glanced at the great elder and raised his hand to slap him, directly turning him into meat paste.

After that, Qin Yu quickly followed behind the pavilion master and chased after him.

“Pavilion Master, I urgently need a stalk of 5,000-year-old herbs right now.. Do you have any ideas?” Qin Yu impatiently asked.

Chapter 504: Chapter 504, breaking through to the Martial Marquis Realm!

The pavilion master glanced at Qin Yu and said, “Let’s talk about it upstairs first.”

Qin Yu also realized that he had been reckless. He scratched his head, looking a little embarrassed.

Following behind the pavilion master, they arrived at the pavilion master’s building.

The building was the same as before. There were no changes.

And the pavilion master was still sitting on her rocking chair as before.

She glanced at Qin Yu and said, “You didn’t manage to step into the half-step martial Marquis Realm?”

Qin Yu hurriedly nodded and said, “Yes, I can feel that my strength has soared, but I always feel that there is a thin line between me and the half-step Martial Marquis Realm.”

Hearing this, a rare smile appeared on the Pavilion Master's face.

“Should I congratulate you, or should I say that you are miserable?” The pavilion master said with a smile.

Qin Yu was stunned and said with some confusion, “What... What do you mean?”

The pavilion master took a sip of tea and said, “You should know that yourself.”

Qin Yu said in a deep voice, “Yes, I know that this might be the great perfection realm after the peak.”

“That's right.” The Pavilion Master confirmed Qin Yu's thoughts.

“It is said that those who have reached the great perfection realm are all cursed by the heavens.”

“Although those who have reached the great perfection realm are invincible in the world, they are destined to have a bumpy road. Compared to other people's cultivation, it is countless times more difficult.”

Speaking up to this point, the pavilion master paused for a moment before continuing, “I once read a piece of information. According to the information, out of the ten people who have achieved great perfection, only one has achieved great success.”

Qin Yu frowned slightly.

The probability was actually so low?

“Eight of them died under the Heavenly Tribulation,” the pavilion master continued.

“Heavenly Tribulation...” Qin Yu couldn’t help but think of something.

The heavenly tribulation he experienced was indeed beyond imagination.

It didn’t seem like he wanted Qin Yu to successfully break through. Instead, it seemed like he wanted to Chop Qin Yu to death.

“A stalk of 5,000-year-old herbs, right?” The pavilion master didn’t continue this topic.

Qin Yu nodded and said, “En, I need a stalk of 5,000-year-old herbs and three demon beast inner cores.”

“5,000-year-old herbs, I don’t have them here either,” said the pavilion master.

“But I can help you scout for information.”

Qin Yu heard this and quickly said, “Then thank you, Pavilion Master!”

At this point, Qin Yu suddenly thought of the problem with the broken spirit pill on the Pavilion Master’s body.

“Pavilion Master, Your Body...”

The pavilion master waved his hand and said, “There is no antidote for the broken spirit pill.”

Upon hearing this, Qin Yu's expression immediately became somewhat ugly!

These few days, Qin Yu had also tried to find the antidote for the spirit severing pill from his inherited memories.

Unfortunately, he did not find anything.

“Pavilion Master, then wouldn't you...” Qin Yu opened his mouth, unable to continue for a moment.

The pavilion master stood up and said indifferently, “Of course not. As long as I step into the Martial Marquis Realm, the spirit severing pill will naturally disappear.”

“Step into the Martial Marquis Realm?” Qin Yu was stunned.

Then, he said with an embarrassed smile, “Pavilion Master, stepping into the Martial Marquis realm... shouldn't be that simple...”

Hearing this, the pavilion master said with a faint smile, “Indeed, but for me, it's not difficult.”

“All these years, I've been forcefully suppressing my realm. Now it seems that I can only try to break through.”

Forcefully suppressing one's realm?

There was such a method?

Others were desperately trying to break through, but the pavilion master was actually forcefully suppressing one's realm?

“Alright, I’ll help you think of a solution regarding the herbs.”The pavilion master stood up and said.

Qin Yu hurriedly nodded, and then tried to ask, “Pavilion master, then... When will you break through?”

The Pavilion Master was silent for a moment, and then said, “Tomorrow. I’m tired today, so I have to rest well.”

“Okay.”Qin Yu nodded.

“Then I Won’t Disturb Your Rest.”

Qin Yu slightly bowed, then turned his head and jumped down.

After returning to the Elder’s residence, Qin Yu couldn’t help but feel a little anxious.

He pinched his fingers and calculated the time. There were only 20 days left until September 9th!

If he couldn’t break through to the half-step martial marquis realm within these 20 days, then Qin Yu had no confidence at all!

Especially since there hadn’t been any news about Han Wei recently, this made Qin Yu feel a trace of unease.

“Ruoxue, wait for me. In twenty days, I’ll definitely bring you out of the Yan family!”Qin Yu clenched his fists.

...

The next day was the day of the Pavilion Master’s breakthrough.

She arrived at the back mountain alone. She held her breath and prepared to break through.

The realm that she had suppressed for many years began to rapidly rise at this moment.

The Sky Buzzed and dark clouds covered the sky. It was a sign that the heavenly tribulation was coming!

Qin Yu and the many pharmacists of the Divine Alchemist pavilion gathered in the square and watched this scene with eager eyes.

The sky was filled with Thunderbolts. One after another, muffled Thunderbolts poured down from the high sky.

Everyone had solemn expressions as they broke out in cold sweat for the pavilion master.

On the other side.

Gu Canghai's expression was as dark as water. No one knew what he was thinking.

“Sect master, don't think too much. It's almost the 9th of September. That Qin Yu will definitely die!”Elder Qu said eagerly.

Gu Canghai glanced at elder Qu and didn't say anything.

He felt a bit of heartache.

It wasn't that he felt heartache for elder Qu. It was just that he felt heartache for a half-step martial marquis to die like this.

“That he teng is still in the Saint Confucian sect, right?” Gu Canghai suddenly asked.

Elder Qu was stunned and quickly nodded. “That’s right. He has been in seclusion in the spirit spring.”

“Call him over. Later, you and he teng will accompany me to the Divine Alchemist Pavilion,” Gu Canghai said in a deep voice.

Hearing these words, elder Qu’s expression couldn’t help but change.

He seemed to have realized something. After all, Qin Yu had mentioned that he wanted these two people.

“Sect... sect master, you aren’t planning to hand me over to Qin Yu, are you...” elder Qu’s entire body trembled as he asked with some fear.

Gu Canghai said coldly, “Don’t worry. The two of you are just bait. With me around, you will be fine.”

Elder Qu thought about it and felt that it made sense.

With a martial marquis accompanying him, there was indeed nothing to worry about.

Hence, elder Qu called he teng and followed Gu Canghai onto the plane, heading straight for Qinghe town.

The Medicine God Pavilion was in turmoil.

From morning till noon, the pavilion master’s Heavenly Tribulation was still not over.

The surging lightning made people tremble in fear.

Finally, at around twelve o'clock, the dark clouds in the sky began to slowly disappear.

The heavenly tribulation seemed to have ended.

Qin Yu immediately took a step forward, preparing to head to the back mountain to investigate.

At this moment, the pavilion master took a step forward and walked out.

Her aura did not seem to have changed much, but her entire internal Qi had become even more otherworldly!

“Pavilion Master!” Qin Yu hurriedly walked forward.

“Did you... succeed in breaking through?” Qin Yu probed.

The pavilion master nodded slightly. There didn't seem to be much joy on her face.

In fact, there seemed to be a trace of sadness in the depths of her brows and eyes.

“That's good.” Qin Yu didn't think too much and only heaved a sigh of relief.

Evening.

An extremely tyrannical internal Qi was approaching the medicine God Pavilion.

Chapter 505: Chapter 505, the Battle of the Martial Marquis

The internal Qi came from Gu Canghai, elder Qu, and he teng.

Along the way, elder Qu was a little nervous.

He was afraid that Gu Canghai would sell him out.

He Teng, on the other hand, was silent.

He used to be known as the number one person in the central plains, but now he seemed to be someone else's background.

Whenever he teng was mentioned, people no longer referred to the number one person in the central plains, but “The half-step martial marquis who was defeated by a peak martial grandmaster”.

When he thought of this, he teng could not help but clench his fists. He wished he could kill Qin Yu with his own hands.

The car soon arrived at the entrance of the Divine Alchemist Pavilion.

Gu Canghai was not in a hurry to get off the car.

He looked coldly at the Divine Alchemist Pavilion and snorted coldly in his heart, “This is the last time. If you dare to appear, I will definitely kill you!”

After that, Gu Canghai got down from the carriage, followed closely by Elder Qu and he teng.

The three of them strode into the Divine Alchemist Pavilion.

Their appearance immediately attracted the attention of several internal Qi.

Qin Yu, who was sitting in the Elder's residence, suddenly opened his eyes.

“Gu Canghai is here.” Qin Yu stood up from the bed and strode towards the square.

On the square, many people stood in the distance and watched Gu Canghai.

“You are here again!” Fifth Elder glared at elder Qu and said coldly.

Elder qu snorted, “So what if I come? So what if I don't Come?”

Fifth elder berated loudly, “The Lord Pavilion Master has already returned. It's not your place to be impudent in the Divine Alchemist Pavilion. Get Out!”

Elder Qu narrowed his eyes and sneered, “An ant dares to make a ruckus in front of me? I think you don't want to live anymore!”

With that said, elder Qu's palm bent and suddenly reached out towards fifth elder!

A terrifying qi force immediately pressed towards fifth elder!

Fifth Elder's expression changed drastically. He was only a martial grandmaster and had no strength to resist!

At this critical moment, a huge golden hand reached out!

“Boom!”

The huge golden hand slapped out.

The huge force immediately caused elder Qu to feel a trace of backlash.

“Deng Deng Deng”, he took a few steps back, a trace of blood oozing out of his mouth.

“Why, are you here to negotiate peace with the Divine Alchemist Pavilion, or are you here to cause trouble?” Qin Yu looked coldly at Gu Canghai.

Gu Canghai’s expression was ice-cold, and he did not speak for a long time.

He Teng, who was at the side, could not help but clench his fists.

He could not suppress the killing intent in his heart. The target of this killing intent was naturally Qin Yu.

“Why? Do You Want to kill me?” Qin Yu caught this trace of killing intent and then looked at He Teng.

He Teng snorted coldly and did not speak.

“Qin Yu! Don’t be arrogant!” Elder qu shouted loudly.

“The sect master of our Saint Confucianism sect is here. You Don’t have the right to behave atrociously!”

Qin Yu glanced at elder Qu and snickered, “You’re just trash. If you dare to talk nonsense again, I don’t mind sending you on your way.”

“You... You!” Elder Qu stammered, his face red with anger.

At this moment, Gu Canghai, who had been silent all this time, finally spoke.

“He’s trash. What About Me?” Gu Canghai said coldly.

“The same goes for you.”

At this moment, a clear and cold voice came from afar.

Following that, the pavilion master walked over lightly.

“Lord Pavilion Master!”

The instant they saw the pavilion master, everyone in the Divine Alchemist Pavilion bowed.

And Gu Canghai’s face lit up with a trace of playfulness.

“Ji Yuhong, you have to thank this kid called Qin Yu by your side for being able to return,” Gu Canghai said indifferently.

“I really didn’t expect that the Grand Pavilion Master of the Divine Alchemist Pavilion would have to rely on a junior to come back safely and without any hitch.”

The pavilion master was not angry about this. Instead, he said with a faint smile, “That’s still much better than you relying on the Yan family to get to where you are today.”

Gu Canghai's old face darkened. He snorted coldly and said, "Ji Yuhong! I'll spare your life on account of the fact that you and I used to be old friends, but you'd better not interfere today!"

"Old Friends?" A trace of surprise flashed across the pavilion master's face.

"When did I have an old friend with you? I only remember that you once knelt in front of me and begged me not to kill you."

As soon as these words were said, everyone present was shocked!

No one had expected that there would be such a history between the two!

And Gu Canghai's expression was extremely unsightly!

He gritted his teeth and braced himself to say, "Nonsense! I'm a dignified Marquis Wu, how could I kneel to a woman like you!"

"Is that so?" A faint smile appeared on the Pavilion Master's face.

"You can deny your past words and deeds, but can you deny the deformity of your body?"

Deformity of the body?

Everyone was stunned. This Gu Canghai actually had a deformity of the body?

A trace of panic flashed across Gu Canghai's face. He hurriedly berated, "Shut up!"

After that, Gu Canghai changed the topic, “This Qin Yu killed my disciple, destroyed my mountain gate, and caused my Saint Confucian school to suffer heavy losses! No one can protect him today!”

Qin Yu said coldly, “It seems that sect master Gu intends to go back on his word for the second time.”

Gu Canghai sneered, “Go back on your word? Do you really think that I will agree to it!”

“Saint Confucian... these two words are really ironic,” Qin Yu sneered.

“Just now, the pavilion master said that your body is incomplete. It can't be that you can't do it in that aspect, right?”

“That's true. It's fortunate that a beast like you has an incomplete body. Otherwise, if you were to give birth to an heir, I'm afraid that you would also be a disaster.”

Hearing Qin Yu's words, Gu Canghai's expression suddenly changed!

He subconsciously looked at Ji Yuhong! Gritting his teeth, he said, “You actually told him!”

Ji Yuhong raised her eyebrows and said, “I didn't say anything.”

Gu Canghai's expression suddenly changed!

Oh No, wasn't this equivalent to admitting in disguise?

“Old Beast, you really can't do it in that aspect?” Qin Yu said in surprise.

“Then why didn’t you say so earlier? Hurry up and beg our pavilion master, and say that we can’t refine a tonic for you!”

“Ah! ! !”Gu Canghai raised his head and roared angrily!

“Little Bastard, even the heavenly king himself can’t Save You Today!”

After saying that, Gu Canghai stretched out his big palm and urged his inner strength!

The Pavilion Master’s face turned cold, and he said in a low voice, “Gu Canghai, you have repeatedly provoked me, I have already given you enough face.”

“Hehe, you’re only a half-step martial marquis. What Face do you have? I want to see how you’re going to stop me today!”Gu Canghai roared angrily.

The pavilion master didn’t say anything.. She raised her jade-like hand and lightly welcomed him.

Chapter 506: Chapter 506, How Long Do You Think You can last?

Gu Canghai laughed coldly. As a martial marquis, he had absolute confidence in himself.

“Boom!”

The two palms collided, immediately triggering bursts of light!

Qin Yu hurriedly waved his hands to protect the surrounding pharmacists!

This was a clash between martial marquises, the power was unimaginable!

“How is this possible!”

After feeling the power from the pavilion master’s body, Gu Canghai’s expression changed greatly!

He retreated dozens of steps with “Deng Deng Deng”, and his palm felt waves of pain!

Gu Canghai’s expression was extremely unsightly, and a trace of uneasiness rose from the bottom of his heart.

“You... You’ve stepped into the Martial Marquis Realm?” Gu Canghai stared fixedly at the Pavilion Master.

The pavilion master said indifferently, “What do you think?”

“You!” Gu Canghai was so angry that he almost vomited blood!

He never imagined that Ji Yuhong, who was imprisoned in the Jingdu Martial Arts Association a few days ago, had actually stepped into the Martial Marquis Realm!

“Do you want to relive the past?” The pavilion master took a step forward, and a fierce aura suddenly burst forth!

With the pavilion master’s feet as the center, streaks of purple light began to linger around.

At the sight of this purple light, Gu Canghai's face was ashen, and a trace of fear flashed through his eyes, as if he had remembered something terrifying!

“No, I absolutely have no such intention!” Gu Canghai hurriedly shouted!

This action undoubtedly shocked everyone!

Did Gu Canghai directly admit defeat?

As the sect master of the sacred Confucian school, he actually admitted defeat so straightforwardly?!

“Ji Yuhong, I don't want to be your enemy!” Gu Canghai turned his face to the side, not even daring to look directly at the Pavilion Master.

The pavilion master coldly said, “You couldn't do it back then, and now, you can't do it either.”

Gu Canghai's expression was ugly, but he didn't dare to say a word.

Qin Yu, who was at the side, didn't say anything.

He rubbed his chin and thought to himself, ‘it seems that there really is a story between the two of them...’

As the pavilion master retracted his internal Qi, Gu Canghai's expression also eased up quite a bit.

“Qin Yu.” At this moment, the pavilion master suddenly looked at Qin Yu.

Qin Yu hurriedly walked over and said, “Lord Pavilion Master.”

“What conditions do you have? Raise Them Yourself,” said the pavilion master indifferently.

Qin Yu immediately nodded. He took a step forward and pointed at elder Qu and he teng.

“Gu Canghai, I won’t go back on my words like you. I only want elder Qu and he teng,” said Qin Yu coldly.

Hearing this, elder Qu’s expression suddenly changed!

He hurriedly grabbed gu canghai and said anxiously, “Sect master, no... You Can’t agree to him. You absolutely can’t agree to him!”

Gu Canghai’s expression was gloomy. He didn’t say a word. No one knew what he was thinking.

“Sect master!” Elder Qu grabbed Gu Canghai’s arm tightly. His eyes were filled with fear and pleading.

Gu Canghai looked at elder Qu and slowly sighed, “This is fate...”

Elder Qu’s pupils constricted! He suddenly realized that something was wrong!

He Teng’s expression was also slightly unsightly. At this moment, both of them wanted to escape.

“Qin Yu, I’ll leave these two to you,” gu Canghai said coldly.

“But let me tell you, I’m not the only one who wants to kill you. The Han family, the Yan family, and even the Jingdu Martial Arts Association are all your enemies! Even if you have heaven-defying abilities, you won’t be able to escape the fate of being resentful in the end!”

Qin Yu sneered, “Then I won’t trouble you.”

After saying that, Qin Yu’s large hand moved, and a powerful force directly grabbed elder Qu and he teng!

“Sect... Sect Master!”Elder qu shouted with all his might, but Gu Canghai didn’t say anything. He turned around and left.

“Gu Canghai! You F * cking Beast!”Elder Qu was flustered and cursed!

However, Gu Canghai had already turned around and left. There was no trace of him.

Elder Qu and he Teng’s expressions were somewhat unsightly. Now that they had fallen into Qin Yu’s hands, they had no chance of escaping at all.

“Qin Yu, you... Don’t kill me. I... I’m a half-step martial marquis. I can help you!”Elder Qu gritted his teeth and said with a pleading expression.

Qin Yu looked at elder Qu coldly and said, “Do you think I Need You ?”

Elder qu hurriedly said, “Qin Yu, as long as you don’t kill me, I’m willing to be your slave! You are magnanimous, please spare my dog life...”

“Spare you? When you chased after me back then, did you think of sparing my life? When you were tempted by the pavilion master back then, did you think of stopping?” Qin Yu said coldly.

“Now You Want Me to spare you? Do you think that’s possible!”

With an explosive shout, the Qi force on Qin Yu’s body suddenly erupted!

Sensing the incomparably strong killing intent on Qin Yu’s body, elder Qu’s expression became increasingly unsightly.

He knew that it was almost impossible for Qin Yu to spare him.

Thus, elder Qu gritted his teeth. His palm transformed into a claw and suddenly clawed towards Qin Yu’s chest!

“Go to hell!” Elder qu shouted angrily!

The energy in his hand burst out. All the inner strength gathered at one point, and a terrifying power instantly erupted!

“Qin Yu!” Fifth Elder’s face turned pale with fright when he saw this!

“Pa!”

However, Qin Yu only waved his hand and directly shattered elder Qu’s palm!

His palm turned into a pile of meat paste, and all the light disappeared without a trace at this moment.

Qin Yu’s face was cold as he looked at elder Qu coldly.

“How could this be...”elder Qu was terrified!

They were both half-step marquis, but the gap between their strength was so big?

“Qin Yu, i...”

“You can go to Hell.”Qin Yu interrupted elder Qu’s words.

He waved his hand, and the heaven-swallowing spell instantly appeared, slapping on elder Qu’s head!

“Weng!”

Streams of inner strength flowed through elder Qu’s head and into Qin Yu’s body.

Painful wails spread throughout the entire Divine Alchemist Pavilion.

In just a moment, the high and mighty elder Qu had turned into a dried corpse.

Qin Yu’s face was expressionless, as if he had stepped on an ant to death.

Then, Qin Yu looked at He Teng coldly.

“It’s your turn,”Qin Yu said coldly.

Compared to Elder Qu, he Teng’s face was much calmer.

He looked at Qin Yu in front of him and said coldly, “I won’t wait for death.”

Qin Yu sneered and said, “He teng, I remember that I once told you that if I stepped into the half-step martial Marquis Realm, I would kill you within three breaths.”

“How long do you think you can last?”

Chapter 507: Chapter 507, number one of the younger generation!

He Teng’s expression was somewhat unsightly, and beads of sweat flowed down his forehead.

He had fought with Qin Yu before, and he knew Qin Yu’s strength very well.

But to make him give up just like that, he simply couldn’t do it!

“I also want to see just how strong a person who has stepped into the half-step martial Marquis realm is!” He Teng roared explosively, and his Qi force instantly erupted, charging towards Qin Yu at an extremely fast speed!

Qin Yu put his hands behind his back and sneered. He did not take he teng seriously at all.

“Bang!”

Just as he teng rushed over, Qin Yu suddenly stretched out his hand and grabbed he teng’s neck!

All of his internal Qi was not worth mentioning at this moment!

Qin Yu directly used his physical body to pass through his cultivation technique and easily grabbed he teng's neck, lifting him up into the air.

The enormous strength on his fingers caused he teng's expression to change drastically!

He was once the number one person in the central plains, but at this moment, he realized that he couldn't break free at all!

“I've said it before, among those of the same level, you're just a piece of trash,”Qin Yu said coldly.

He Teng gritted his teeth. He tried to struggle, but he found that he couldn't break free at all!

All of his self-respect was shattered at this moment!

“Tell me, what exactly is going on with Fang Yue,”Qin Yu said coldly.

He Teng said with difficulty, “I said, can you spare my life...”

“No,”Qin Yu said coldly.

“But I can make your death easier.”

When he teng heard this, a trace of anger immediately rose in his heart!

He was unwilling to die just like that!

“Qin Yu, don't even think about it!”He Teng said through gritted teeth.

Qin Yu narrowed his eyes and said with a cold smile, “In the Divine Alchemist Pavilion, there are many ways to deal with people. I want to see how long you can last.”

After he said that, Qin Yu slowly raised his left hand.

A light spot condensed on his palm, and this light spot gently landed between He Teng's brows.

That light spot instantly entered he TENG's mind!

In that instant, he teng felt as if his brain had been struck by lightning, and his entire head seemed as if it was about to explode!

“Ah! !”

The pain made he teng roar non-stop, and his body trembled non-stop!

“Wait until I break your limbs and cripple your Dantian, then I'll slowly torture you,” Qin Yu said with a cold smile.

At this moment, that hoarse voice appeared in He Teng's mind.

“Give me your body... I'll bring you out of here...”

He Teng, who was in pain and suffering, desperately shouted in his heart, “I want you to help me kill this Qin Yu, I want you to tear him into pieces!”

“Okay...” that hoarse voice said with a gloomy tone.

“Give me the initiative of your body, and you can take revenge...”

“Ah! !”

He Teng raised his head and roared angrily. He seemed to be unable to hold on any longer!

Right at this moment, he Teng's body suddenly emitted a ray of light!

The internal Qi in his body was rising rapidly, and his entire body became a few times stronger!

“Oh?” Qin Yu frowned slightly.

He felt as if his hands were about to be stretched open, and the He Teng in front of him seemed to have transformed into a different person!

“Boom!”

The enormous force directly pushed Qin Yu back, and his hands could not help but loosen!

“Qin Yu!” Fifth Elder and the others hurriedly surrounded him.

Qin Yu frowned slightly. He stared at he teng in front of him, and a trace of doubt flashed through his eyes.

He Teng stood there, and a different aura erupted from his entire body. Internal Qi erupted from his body.

A moment later, he teng turned around and looked at Qin Yu.

A cold smile hung on the corner of his mouth. This smile was completely different from He Teng's just now!

“Qin Yu... speaking of which, I still have to thank you...” he teng grinned.

Qin Yu said coldly, “Thank me? What do you mean?”

He Teng laughed loudly and said, “You don’t need to know. We’ll meet again in the future!”

After throwing out these words, he teng turned around and was about to leave!

“Where are you going? !”Qin Yu’s hair danced wildly. He took a step forward, full of fighting spirit!

He held the absolute beginning holy fist in his hand and smashed it directly at He Teng!

He Teng didn’t even turn his head. He turned around and slapped it, and the absolute beginning holy fist vanished into thin air!

Then, he teng stepped on the light and quickly fled!

In the blink of an eye, he disappeared from everyone’s sight.

Qin Yu frowned tightly.

“There is indeed something wrong with this he teng!”Qin Yu said in a cold voice.

His strength had soared in a short period of time, and his expression was like a different person.

Looking in the direction he teng had left, Qin Yu was silent for a long while.

“I let him escape again.”Qin Yu’s brows were slightly furrowed.

“Elder Qin, Are You Alright?”The surrounding pharmacists surrounded him.

Qin Yu shook his head and asked, “Where is the Pavilion Master?”

“The Pavilion Master has returned to the Pavilion Master’s residence,”said the fifth elder.

Qin Yu nodded. He did not say anything and turned around to return to the Elder’s residence.

Sitting in the Elder’s residence, Qin Yu closed his eyes slightly. His mind could not help but think of Han Wei.

There were only twenty days left until the ninth day of the ninth lunar month.

During this period of time, there was almost no news of Han Wei.

“Right now, I am only at the great completion realm, but I can crush a half-step martial marquis. That Han Wei is only a half-step martial marquis. He is not worth mentioning,”Qin Yu thought to himself.

“Unless he can step into the Martial Marquis realm, otherwise, he is not worth mentioning.”

Although that was the case, Han Wei was after all a member of an aristocratic family. He was not someone that an ordinary half-step martial marquis could compare with.

Thinking of this, Qin Yu could not help but take out his phone and open the martial arts forum.

As soon as he opened the Forum, Qin Yu saw an eye-catching message:

Yan Jinyao had officially stepped into the Martial Marquis realm. He was the number one person of the younger generation. He truly deserved it!

The comments below had long exploded. Other than sighing at Yan Jinyao's strength, there were also people who mentioned Qin Yu.

“As the heir of the Yan family, Yan Jinyao definitely won't let Qin Yu Off, right?”

“Yes, Qin Yu killed Yan Jinyao's grandfather. Yan Jinyao naturally won't let him off!”

“The two of them are of the younger generation. Even if they fight, no one can say anything.”

Qin Yu's expression was somewhat ugly, and he even felt a trace of pressure.

He had just stepped into the great circle realm, but Yan Jinyao had already directly stepped into the Martial Marquis Realm!

There were not many Martial Marquis realm in the world, and Yan Jinyao was probably the youngest one!

“This nobleman's disciple... is really not simple!” Qin Yu was silent.

There were many geniuses in Jingdu, and Yan Jinyao was probably not the only one. Who knew how many other noblemen's disciples there were.

And as people in the same circle, they naturally stood on the opposite side of Qin Yu.

This path was destined to be an enemy of others, and it was also an enemy of those who had natural advantages.

“Yan Jinyao...”Qin Yu muttered this name in a low voice. He couldn’t help but think of the last time they met.

At this moment, another message was sent out:

“Han Wei will come out of seclusion soon!”

Chapter 508: Chapter 508, 5,000-year-old herbs

Han Wei was about to come out of seclusion?

Hearing this news, the martial arts forum was in an uproar again.

One after another, they began to imagine Han Wei’s strength.

“This Han Wei is also a famous genius in Jingdu. Yan Jinyao may be able to step into the rank of Marquis.”

“There will be a good show to watch next. The two great geniuses of Jingdu have sent out news at the same time. I wonder what Qin Yu will do.”

“Sigh, Qin Yu’s talent shouldn’t be inferior to theirs. It’s just a matter of time. But who will give him time?”

“In just twenty days, how much more room can Qin Yu have to improve?”

Looking at the news on the Martial Arts Forum, Qin Yu couldn't help but feel a little anxious.

He stood up and looked in the direction of the Pavilion Master's building. He originally wanted to ask the pavilion master about the 5,000-year-old herbs.

But after thinking about it for a long time, he ultimately decided to cancel this plan.

If the Pavilion Master had news, he would definitely inform him.

...

In the Jingdu martial arts association, many high-level officials gathered together.

This was the third high-level meeting held by the Jingdu Martial Arts Association this year.

And their meeting's goal was the same.

That was Qin Yu!

“Qin Yu defeated a half-step martial marquis at the grandmaster level. This is not good news.”

“This child is not under our control. He will definitely become a hidden danger.”

“Either let him join the Jingdu martial arts association, or get rid of him as soon as possible.”

“Do you think an unstable person like him will obediently listen to our orders?”

The scene fell into silence.

They were already beginning to feel fear towards Qin Yu’s growth.

Moreover, everyone in the Jingdu Martial Arts Association had the same premonition:

Qin Yu’s rise was bound to bring trouble, even disaster, to the Jingdu Martial Arts Association.

“Let’s wait. There are still twenty more days. No matter what, we can’t let him leave Jingdu,” someone said in a low voice.

“That kid from the Han family shouldn’t disappoint us.”

Qin Yu didn’t know that the Jingdu martial arts association had already set their sights on him.

At this moment, all he could think about was Han Wei’s wedding on the 9th of September.

At night.

Qin Yu lay on the bed, tossing and turning, unable to fall asleep.

He simply sat up and ran to the courtyard of the Elder’s residence, staring at the Moon in the sky.

“The Moon is an object of extreme yin. If only I could swallow the moonlight, that would be great,” Qin Yu thought to himself.

But this crazy thought was quickly rejected by him.

“It’s been a long time since I’ve Swallowed Yin Energy.” Qin Yu sighed slightly.

The treasures that had been unearthed under the heavens were naturally countless.

Places like places where Yin energy was prevalent were also not few. If he were to travel for a long period of time, Qin Yu might be able to obtain some decent resources.

But time was running out.

Most of the martial arts resources in the fire country were in the hands of the Jingdu Martial Arts Association.

It was said that they possessed a set of information that clearly indicated where the divine medicine would appear and where the treasures would be unearthed.

And it was precisely because of this that the JINGDU martial arts association had never lacked resources.

For the entire night, Qin Yu did not sleep a wink.

The next morning, Qin Yu was just about to eat breakfast.

At this time, the door suddenly opened, and then the pavilion master slowly walked in.

“Pavilion Master!”

The moment he saw the pavilion master, Qin Yu could not help but feel a little excited.

The pavilion master walked straight to Qin Yu’s side and sat down. She quietly said, “I’ve inquired.”

“How is it?” Qin Yu asked anxiously.

The pavilion master said in a deep voice, “Herbs that are five thousand years old are extremely rare. Even if there are, they are controlled by a small number of people.”

Qin Yu frowned and said, “Do you mean... you want me to rob them?”

The Pavilion Master raised his eyebrows and asked, “Are you willing?”

Qin Yu smiled bitterly and said, “I’m not willing, but if I have to... It’s hard to say.”

Hearing this, the Pavilion Master couldn’t help but laugh.

She took out a map from her pocket and handed it to Qin Yu.

There was a location on the map marked with red lines, and the location was extremely remote.

Qin Yu frowned and said, “This is...”

“I asked someone to bring this out from the Jingdu Martial Arts Association,” said the pavilion master.

“It’s said that this is a dragon vein. There may be things you want there, even herbs that are beyond your imagination.”

“Dragon Vein?” Qin Yu was stunned.

Qin Yu had read about this title in novels, but he had never seen it before.

It was said that the dragon vein was a treasure land of feng shui where Qi/spiritual energy gathered. People born in the dragon vein were destined to be extraordinary all their lives.

“Pavilion master, thank you very much.” Qin Yu took the map and bowed.

The pavilion master glanced at Qin Yu and said, “Don’t be happy too early. You are definitely not the only one going to such a place.”

“Moreover, this is the resources of the Jingdu Martial Arts Association. If you appear, the Jingdu martial arts association will probably not let you off.”

“Also, although Gu Canghai has left the Divine Alchemist Pavilion, he will definitely not give up. If he kills you, there is nothing I can do.”

Qin Yu grabbed the note, and a trace of solemnity flashed across his face.

In his mind, he could not help but think of Yan Ruoxue’s face and Han Wei’s arrogant face.

“I have no other choice.” Qin Yu took a deep breath.

“Even if it’s a dangerous place, I still have to go.”

The Pavilion Master didn’t express her opinion. After a while, she stood up and said, “Take care of yourself.”

“Okay.” Qin Yu nodded.

Just as the pavilion master was about to leave, Qin Yu took out the three purities ancient tree from the spatial artifact and handed it to the pavilion master.

“Pavilion Master, you can keep this for now,” Qin Yu said.

Pavilion master frowned slightly. She looked at Qin Yu and asked, “What does this mean?”

Qin Yu said with a bitter smile, “I’m afraid that if something happens to me during this trip, if I die, this three pure ancient tree will fall into the hands of others.”

“In that case, it’s better to stay in the Divine Alchemist Pavilion for now. If I come back, I’ll look for you to take it.”

The pavilion master held the three pure ancient tree, then nodded and said, “Alright.”

“Then I’ll set off now,” Qin Yu stood up and said.

He held the map and carefully studied it.

This dragon vein was located in the northwest region. There were few people there, but the Qi/spiritual energy was not dense.

The reason why a dragon vein could appear was definitely because there were extraordinary treasures.

After bidding farewell to the Pavilion Master, Qin Yu left the Divine Alchemist Pavilion and headed straight for this dragon vein.

At the same time, the Jingdu Martial Arts Association also gathered a group of members.

These people were the elites of the Jingdu Martial Arts Association! The weakest was at the peak of the Great Grandmaster realm, and there were even several half-step martial marquises!

As the elites of the Jingdu martial arts association, they controlled extremely powerful cultivation techniques, and their strength was definitely not something that an ordinary half-step martial marquis could compare to!

Many of them were sent over by the Jingdu aristocratic families. Their statuses were noble.

And the person leading the team was none other than the vice president of the Martial Arts Association, Xia Hang!

“All of you are the elites of the martial arts association. You are also the most important. And this time, the dragon vein must contain unimaginable treasures,” Xia Hang said coldly.

“So, all of you must seize this opportunity. Do you understand?”

Everyone shouted in unison, “Understood!”

Xia hang nodded slightly, a trace of undetectable desire appeared in his eyes.

Xia hang had been at the half-step martial Marquis realm for many years and was only one step away from the Martial Marquis realm!

Therefore, he also wanted to use this dragon vein to step into the Martial Marquis Realm!

Chapter 509: Chapter 509, Xia hang again

The group of people headed towards the northwest region.

At this moment, Qin Yu was also following the address given by the pavilion master as he sped away.

In the northwest region, there was a no man's land.

This place was covered in sandstorms and the weather was terrible. At a glance, other than the sky full of yellow sand and a winding mountain range, there was nothing else.

This place was named the black alcohol no man's land. It was large, but it was not famous.

Recently, many uninvited guests had come to this black alcohol no man's land.

A number of luxurious business cars stopped at the foot of the black alcohol no man's land mountain range.

On the car, there were a few big words printed: Jingdu Martial Arts Association.

The moment the car stopped, Xia Hang and the others got out of the car.

Among this group of people, there were disciples of the Yan family, people from the Han family, and young masters from aristocratic families from other regions.

They were sitting on natural resources. As long as their talent was not bad, they were destined to have a smooth journey.

“President Xia, is this the dragon vein you were talking about?”

The person who spoke was a member of the Yan family. His name was Yan Yuqi.

He was only eighteen years old, but he had already stepped into the peak of the Martial Grandmaster realm!

Ever since Yan Sihai ascended to the throne, he had attached great importance to him.

Xia hang nodded slightly and said, “That’s right.”

A trace of greed flashed in Yan Yuqi’s eyes. He narrowed his eyes and said, “If there are really top-grade herbs in this dragon vein, I might be able to try to break through.”

Xia hang patted Yan Yuqi’s shoulder and said, “Not maybe, but definitely!”

“Yuqi, everyone in the Yan family has a high opinion of you. They say that you’re the next Yan Jinyao. Don’t let everyone down.”

The corner of Yan Yuqi’s mouth lifted slightly, and he said with a faint smile, “I’ll surpass my brother sooner or later.”

Unlike Yan Jinyao’s low-profile, Yan Yuqi’s ambition was extremely great!

He was only eighteen years old, and it was the time for him to be arrogant. In addition, he was very talented, so he did not know the immensity of Heaven and earth.

Even Yan Jinyao, who was known as the number one genius of jingdu, was not worth mentioning in his eyes.

“When do we set off?” Yan Yuqi asked.

Xia hang said lightly, “There’s no rush. Allow me to make some inquiries first.”

Although the Jingdu Martial Arts Association’s control of resources was very strong, there were still unspecialized people who came to join in the fun.

Almost every action of the Jingdu Martial Arts Association was no exception.

From the Martial Marquis to the grandmaster.

And among the prisoners held by the Jingdu Martial Arts Association, a large portion of them were unspecialized people who came to snatch resources.

Far away.

Qin Yu also rushed to the black and smooth no man's land, travel-worn.

A few Li away, Qin Yu saw this winding and undulating mountain range.

Although it was far away, Qin Yu still felt that this mountain range was extraordinary!

“As expected of the dragon's vein. It's really imposing,” Qin Yu thought to himself as he stared into the distance.

From a high vantage point, this mountain range looked like a dragon's spine. It was winding and undulating, giving off an extremely oppressive feeling.

The aura emitted by the mountain range was not internal Qi. Instead, it gave off an indescribable sense of majesty.

“HMM?”

Soon, Qin Yu discovered the auras near the mountain range. It was internal Qi.

Ever since Qin Yu stepped into the perfection realm, his spiritual sense had skyrocketed. It was difficult for him to escape Qin Yu's sharp spiritual sense within a radius of tens of miles.

“One, two, three... a total of six half-step martial marquises?”

Qin Yu's expression was somewhat unsightly!

One had to know that the number of half-step martial marquises in the world was extremely small. Even the sage Confucian school, which was known as the number one sect in the north, would find it difficult to gather six half-step martial marquises!

“The only one who can possess so much power is probably the Jingdu Martial Arts Association.” Qin Yu’s eyes narrowed slightly.

“Their actions are quite fast.” Qin Yu took a deep breath.

Qin Yu could not help but snort coldly from a great distance away.

“It’s best if you don’t provoke me, or else I’ll kill all of You!” Qin Yu said coldly in his heart.

Qin Yu was completely unafraid of the absence of a martial marquis.

He took a step forward and was about to head toward the mountain range when another aura approached from not far away. It was the internal Qi.

Qin Yu stopped in his tracks and couldn’t help but turn around to look.

He saw a man with a handlebar mustache and a rather wretched appearance walking over.

This man looked to be about thirty years old, but his wretched appearance didn’t match his age.

“Fellow Daoist, are you also here to search for the dragon’s vein?” The man stroked his handlebar mustache and took the initiative to greet him.

Qin Yu glanced at him and said, “What do you think?”

The handlebar mustache stroked his beard and said with a smile, “Fellow Daoist, there is a dragon’s Den and a tiger’s Den ahead. There is also the Jingdu Martial Arts Association standing guard. This journey is quite dangerous.”

Hearing his words, Qin Yu could not help but smile and say, “Since you know, then you still dare to come?”

The mustache man said proudly, “How can you be compared to me? In this world, there is no place that I don’t dare to Go!”

“From the Qin emperor’s tomb to my grandmother’s ancestral tomb, as long as there are treasures, I will be there!”

Speaking up to this point, the mustache man said mysteriously, “To tell you the truth, I dug up a heaven grade cauldron in my grandmother’s ancestral tomb! How is it? Are you interested in introducing your ancestral tomb to me?”

“F * ck you,” Qin Yu couldn’t help but curse.

This mustache man looked like a joke and didn’t look very energetic.

“Fellow Daoist, don’t worry. The dead can rest in peace, but the living can work hard!” The Mustache Man said with a smile.

Qin Yu pointed at his nose and said, “Don’t bother me, or don’t blame me for being rude.”

After saying this, Qin Yu no longer paid attention to the mustache man and walked toward the mountain range.

Other than Qin Yu and this handlebar mustache, there were also other people who came here.

And when Qin Yu arrived, someone had already taken the lead.

A man and a woman stood in the middle of Xia Hang, shivering.

And the people of the Jingdu martial arts association surrounded him in the middle.

“Who told you to come here? Do you know that this is the resource of our Jingdu Martial Arts Association?” Xia Hang said coldly.

The young man said with a trembling voice, “I... I’m sorry, we... We will leave right now...”

“Leave?” Xia hang snorted coldly.

“You want to leave after stealing from someone else’s house?”

The young man’s expression changed, and he hurriedly said, “I... I really didn’t know that this was the Jingdu Martial Arts Association’s place. Please... Please spare us...”

Xia hang snorted coldly and said, “You have already violated the rules set by the Jingdu Martial Arts Association. Stand here obediently and follow me back to the Jingdu Martial Arts Association to go to Jail!”

“I’m warning you, it’s best not to think about escaping. Even if you escape to the ends of the Earth, the Jingdu Martial Arts Association will still be able to catch you!”

Hearing this, the young man’s face instantly turned ashen.

“I want to know, which rule have we violated?” The young girl seemed to be unable to hold it in.

“This is a natural resource. What right do you have to say that it belongs to your Jingdu Martial Arts Association?”

Xia hang narrowed his eyes and shouted, “If I say so, then so be it! All the martial arts resources in the world are allocated by the Jingdu Martial Arts Association!”

“F * ck your Bullsh * T! Why is the Jingdu Martial Arts Association so overbearing?”

At this moment, a voice was heard.

Chapter 510: Chapter 510, so what if you’ re a genius

A loud shout instantly attracted countless people.

Xia hang quickly turned around and looked over coldly.

When he clearly saw who it was, his expression instantly became a bit cold and playful.

“Qin Yu?” Xia hang sized up Qin Yu and said with a faint smile, “Why are you here?”

“It’s none of your business whether I’m here or not?” Qin Yu did not show any mercy to Xia Hang.

Xia hang was not angry either. He said with a smile, “I remember the last time I saw you, you were only a Grandmaster? and a Master?”

“Now I’m your father.”Qin Yu sneered.

“Qin Yu, I knew that it was impossible for you and Miss Yan to be together. Now it seems that it’s true.”Xia hang continued.

“It’s none of your business if I’m with your mother.”Qin Yu sneered.

Finally, Xia hang couldn’t hold it in anymore.

His old face darkened and he said coldly, “Qin Yu, back then, you kept calling me Mr. Xia. What, now that you’ve stepped into the half-step Martial Marquis Realm, Do You Think You’re Invincible?”

“How did I know you were a beast back then?”Qin Yu sneered.

Xia hang narrowed his eyes and said, “Qin Yu, you really don’t know what’s good for you! Back then, I really should have slapped you to death!”

Qin Yu sneered and said, “You can come and try now! I remember clearly that contemptuous look of yours back then!”

Xia hang raised his eyebrows and said, “Do you think I’m Not Your Match?”

“Then you can come and try!”Qin Yu shouted angrily, and the energy suddenly exploded!

Xia Hang’s face was cold, and he didn’t say anything for a long time.

In the end, he still did not make a move.

“This is the JINGDU martial arts association’s territory. For Miss Yan’s sake, I can pretend that I didn’t see you,” Xia Hang said coldly.

“If you don’t want to be caught, then quickly get lost!”

Qin Yu sneered, “Jingdu Martial Arts Association’s territory? What territory do you have! This is obviously a public resource, whoever gets it will get it.”

Xia hang narrowed his eyes and said, “Qin Yu, do you want to make an enemy out of Jingdu Martial Arts Association? !”

“Xia Hang, don’t think that I don’t know about the ugly things that your Jingdu martial arts association has done.” Qin Yu sneered.

“You sent people to follow me and secretly ordered people to kill me. Do you think that I don’t know?”

“Make an enemy out of you? Do you think that we are friends now?”

Xia hang’s face was gloomy. After a moment, he said coldly, “It seems that the people above are right. You really can’t stay.”

These words caught Qin Yu’s attention.

He glanced at Xia hang and said with some doubt, “What do you mean?”

Xia hang ignored him and changed the topic, “So, it’s impossible for you to leave today?”

“What do you think?” Qin Yu asked back.

He walked directly to the young man and woman and helped them up.

“Don’t worry about them. This BULLSH * T martial arts association, on the surface, looks like a righteous organization, but in fact, it’s a bunch of bullies,”Qin Yu said coldly.

The young man and woman looked at Qin Yu with a hint of admiration.

“You are Qin Yu? Everyone says that Qin Yu is a person who doesn’t distinguish between the superior and the inferior. It’s true!”The two people said excitedly.

“Don’t be happy too early. Be careful not to stand on the wrong side,”Xia Hang said coldly.

Hearing this, the faces of the two people immediately changed.

“Don’t worry. I will ensure your safety,”Qin Yu said indifferently.

Xia hang snorted coldly and didn’t say anything.

No one knew that from now on, the martial arts world’s commoners represented by Qin Yu and the wealthy represented by the various aristocratic families began to fight.

Gazing at this mountain range, Qin Yu tried to sense the Qi/spiritual energy.

However, he realized that standing here, he couldn’t sense even a trace of Qi/spiritual energy.

This made Qin Yu extremely confused.

Normally, the dragon's vein must be a place where the Qi/spiritual energy gathered. How could he not sense even a trace of Qi/spiritual energy?

“That's weird. This place is not what I imagined,” the mustached man muttered softly as he held a map.

Qin Yu glanced at him and said, “What did you find?”

The mustached man quickly jumped to the side and muttered, “I'm not familiar with you. Don't even think about implicating me. My Great Cause has not been completed, so I can't die.”

Qin Yu rolled his eyes and said, “So you're a coward.”

“Of course!”

For some reason, the handlebar mustache had an indescribable pride towards his own cowardice.

Qin Yu couldn't be bothered to pay attention to him. He stood nearby like Xia Hang and the others and observed for a while.

“Mr. Qin, can we really follow you?” At this time, the young man and woman suddenly walked forward and asked.

Qin Yu glanced at them and said, “I'll try my best to protect you on this trip. As for whether we can follow you... We'll talk about that later.”

Right now, Qin Yu's primary goal was to fight Han Wei to the death.

As for whether or not he would follow them, it wasn't the time to think about it.

After a simple self-introduction, he learned that the young man and woman were brother and sister.

The boy's name was Cao Hong, and the girl's name was Cao Ying. Both of them had the cultivation of a martial grandmaster, and their talent was not bad.

They followed closely beside Qin Yu. Wherever Qin Yu went, they followed.

Time flew by. Qin Yu observed for an entire hour, but he still couldn't figure out the strangeness of this dragon vein.

“No wonder it was reduced to a no man's land.” Qin Yu sighed.

Under normal circumstances, the land of the dragon vein must be a place of outstanding talents.

But there was no qi/spiritual energy here, so how was it like a dragon vein?

If it wasn't for the Pavilion Master's notice, no one would have thought that this no man's land would be a dragon vein.

Perhaps it was because of this reason that the dragon vein could be preserved until now.

“En... so that's how it is.” At this time, the mustache man muttered.

He rubbed his chin and said with a smile, “Today, this venerable self is going to be rich!”

Qin Yu glanced at him and said, “Rich? Do you think the people of the Jingdu martial arts association are all vegetarians? Be careful not to get rich and lose your life.”

The Mustache Man was not in a hurry. He muttered, “I’m not going to the dragon vein. Why Do You Want My Life?”

“Not going to the dragon vein? Then what are you going to do?” Qin Yu asked casually.

The Mustache Man waved his hand and said, “It’s okay. I’m just saying.”

Qin Yu did not take it seriously. After all, this mustache man had always been crazy.

“Qin Yu!”

At this moment, a shout suddenly came from not far away.

Turning around, he saw a youth less than twenty years old walking towards Qin Yu.

This young man was none other than Yan Yuqi.

“What’s the matter?” Qin Yu said indifferently.

Yan Yuqi put his hands behind his back and said with a faint smile, “I heard that you beat a half-step martial marquis when you were a martial grandmaster, right?”

“So what if I am? So what if I am not?” Qin Yu asked.

Before Yan Yuqi could reply, Xia hang took a step forward and said coldly, “Yuqi, you are not his match. Don’t act recklessly.”

Yan Yuqi coldly snorted and said, “If he can defeat a half-step martial marquis at the peak of the Grandmaster realm, why can’t I, Yan Yuqi, do it!”

Chapter 511: Chapter 511, Dragon Veins!

Yan Yuqi’s body was full of energy and he was ready to make a move!

Xia hang stood in front of him and said in a deep voice, “Although this Qin Yu is not very likable, I have to admit that he is also a genius of the younger generation. He can not be treated like an ordinary half-step martial marquis.”

“Geniuses are meant to be trampled on!” Yan Yuqi shouted.

“If he, Qin Yu, can do it, so can I, Yan Yuqi!”

“Well said!” Qin Yu took a step forward, and his internal Qi suddenly exploded.

He looked at Yan Yuqi coldly and said, “If you want to attack, just do it.”

“I’m not afraid of You!” Yan Yuqi shouted angrily. He was about to attack, but Xia hang hurriedly stood in front of him and used his physical strength to forcefully receive the palm.

Yan Yuqi frowned slightly and said, “President Xia, what do you mean?”

Xia hang said coldly, “Since the martial arts association handed you over to me, then you have to listen to me!”

“I’m ordering you now, don’t make a move against anyone!”

A trace of unwillingness flashed across Yan Yuqi’s face.

He glanced at Qin Yu and snorted, “Consider Yourself Lucky!”

Qin Yu, on the other hand, found it rather interesting.

This Yan Yuqi was obviously a flower in the greenhouse and had not suffered any severe beatings from society.

He had a certain level of talent and was born in a noble family, so he naturally had a proud nature.

Unfortunately, he had no combat experience, so how could he be a match for Qin Yu.

Of course, this was only a small interlude and Qin Yu did not take it to heart at all.

He glanced at the mountain range and said in a deep voice, “It’s time to enter this dragon vein to take a look.”

After a long period of observation, no one noticed anything unusual.

After that, Qin Yu took the lead to walk towards this mountain range.

Xia hang looked at Qin Yu’s back coldly and sneered, “Since you don’t know what’s good for you, then I’ll send you on Your Way Today!”

After saying that, he waved his hand and said, “Let’s go.”

Everyone walked into the mountain range in a mighty manner.

This mountain range was winding and winding, and one could not see the end of it at a glance.

After stepping into the mountain range, Qin Yu still could not feel any qi/spiritual energy.

“En, it’s just like what I thought, just like what I thought.” The handlebar mustache at the side kept nagging.

Qin Yu glanced at him and said, “What exactly did you find?”

The Mustache Man hurriedly waved his hand and said, “Nothing. I was just talking nonsense.”

After saying this, the Mustache Man ran away in a flash.

Qin Yu continued to move forward.

There were rustling trees on the mountain, but the conditions of their growth were not very good. This was completely different from the records of the dragon’s vein.

Looking at the surrounding environment, Qin Yu even suspected that he had been deceived.

Not far away, Xia Hang and the others had the same confusion.

Scanning the surroundings, where was there any treasure to speak of?

“Could it be that the information this time is wrong?” Xia hang frowned tightly, seemingly at a loss for a moment.

He took out a map in his hand.

The location marked on the map was precisely here.

Apart from this, this map also recorded relevant information.

“President Xia, if it really is the dragon vein, the surrounding environment wouldn’t be like this,” Yan Yuqi said in a deep voice.

Xia hang nodded slightly and said, “But this information was passed down from the top, there can’t be any mistakes.”

“Let’s continue to search,” Xia Hang said.

Thus, everyone continued to move forward.

They and Qin Yu were walking on the same path.

The two sides were not far apart, but neither of them had alarmed the other.

This mountain range was extremely long. After moving forward for several Li, they still couldn’t see the edge.

Not only that, Qin Yu couldn’t feel a trace of Qi/spiritual energy.

“HM? What is this?”

At this moment, Qin Yu suddenly saw a monument erected in front of him.

There were lines of words written on the monument. The words were not big, but they could be seen clearly.

Even after experiencing the sandstorm, this tablet was still very intact.

Qin Yu bent down and prepared to read the words on this tablet carefully.

At this moment, Xia Hang and the others quickly rushed over!

“It’s here, just like what was recorded.” Xia hang was slightly excited.

“President Xia, what do you mean?” Yan Yuqi and the others quickly asked.

Xia hang sneered, “The message above indicates that the treasure is hidden under a stone tablet. As long as you open this stone tablet, you will naturally see the treasure.”

Hearing this, Qin Yu couldn’t help but squint his eyes.

This meant that the 5,000-year-old herbs might be hidden under this stone tablet?

There were lines of words written on the stone tablet. The general meaning was that it recorded the history of cultivation.

“Aurous core stage, nascent soul stage, leaving body stage, doppelganger stage, form synthesis stage, Mahayana stage, crossing Calamity Stage...”

Qin Yu couldn’t help but frown as he silently recited these levels.

Wasn't this the level of his cultivation?

According to legends, cultivators at the crossing calamity stage were true itinerant immortals, existences that had left the mortal world.

However, in the current society, no one had ever seen a cultivator at the crossing calamity stage. All the records were legends.

A marquis at the aurous core stage was already invincible in the world.

As for the peak of society, it might be the nascent soul stage, or the martial saint in the martial arts world.

“Get out of the way.”

Just as Qin Yu was watching, Yan Yuqi strode forward.

Then, Xia Hang and the others followed closely behind.

Qin Yu glanced at Yan Yuqi and said, “What if I don't?”

Yan Yuqi shouted, “Then I'll kill you!”

“Oh?” Qin Yu narrowed his eyes.

He slowly stood up and looked at Yan Yuqi coldly.

Just as the swords were about to be drawn, Xia hang quickly walked over.

“Qin Yu, don't you want to see what treasures are hidden underneath?” Xia Hang said coldly.

Qin Yu glanced at Xia hang and snorted, “Fine, then I’ll see what is hidden underneath.”

The main purpose of this trip was to help him officially step into the half-step martial marquis realm for the five-thousand-year-old herbs.

Therefore, Qin Yu was not in the mood to lower himself to Yan Yuqi’s level.

Xia hang strode forward. With a flip of his palm, several spiritual artifacts fell into his hands.

These spiritual artifacts emitted a majestic aura that made people unable to resist worshipping them.

“Eight Marquis Weapons?” Seeing the spiritual artifacts in Xia Hang’s hands, Qin Yu couldn’t help but be stunned.

As expected of the Jingdu Martial Arts Association, they casually brought out eight Marquis weapons!

Such a large amount of money, probably only the Jingdu martial arts association could bring out.

Then, Xia Hang angrily urged these eight marquis weapons to fall toward the stone tablet.

“Rumble!”

The moment they touched, the stone tablet seemed to have reached an extremely powerful force!

In a short moment, the stone tablet began to shatter! A huge deep pit appeared in front of everyone!

Seeing this huge pit, everyone's eyes instantly lit up!

Qin Yu was even faintly excited!

Chapter 512: Chapter 512, activating the power of the dragon vein!

The stone tablet shattered layer by layer, turning into ruins in the blink of an eye!

And beneath the stone tablet, there was indeed a treasure hidden!

At a glance, there were several thousand-year-old herbs, a long-standing magic tool, and a cultivation technique that had not been seen at that time!

Any one of them could be considered top-notch!

“There are indeed herbs!” Qin Yu was somewhat excited!

As long as he obtained these five thousand years old herbs, Qin Yu would be able to refine the reincarnation pill and step into the true half-step martial marquis realm!

Qin Yu was extremely confident in himself. He believed that after stepping into the half-step martial marquis realm, no half-step martial marquis in the world could be compared to him!

Even when facing a martial marquis, Qin Yu could have the strength to fight!

This was the primal chaos body, the number one constitution in the world!

“There really is a treasure!” Yan Yuqi and the others were even more excited!

As expected, this trip was not in vain!

The only strange thing was that even after thousands of years of herbs were unearthed, they still could not feel any qi/spiritual energy!

“This is really strange.” Qin Yu thought to himself.

After the treasure was unearthed, the atmosphere at the scene became a little strange.

“I only want a stalk of 5,000-year-old herbs. As for the rest, I will never touch them.” Qin Yu was the first to break the stiff atmosphere.

When Xia hang heard this, he could not help but smile and said, “A stalk of 5,000-year-old herbs? Your tone is quite relaxed.”

Qin Yu said coldly, “Then what do you mean?”

Xia hang narrowed his eyes and said, “Who do you think you are! You still want a stalk of 5,000-year-old herbs? Why Don't you take a piss and look at yourself!”

“Qin Yu, you are just a lowly ant that Miss Yan has taken a fancy to. No matter how high an ant climbs, it is just a plaything for US upper-class people!”

“You want herbs? Fine, kneel down and beg me. Maybe I can consider giving you some scraps!”

Xia Hang’s sudden change in attitude could not help but make people dumbfounded.

Even Qin Yu couldn’t help but frown.

He said coldly, “What if I have to take it?”

“You can try!” Xia Hang said coldly.

Qin Yu snorted. He immediately stretched out his hand and was ready to take the herbs.

At this time, a terrifying internal Qi was coming toward Qin Yu’s palm!

Qin Yu’s expression changed when he felt this internal Qi.

He hurriedly withdrew his hand, and that internal Qi brushed past Qin Yu’s palm!

What was shocking was that this internal Qi actually left a bloody mark on Qin Yu’s hand!

It was just an ordinary internal Qi, but it actually directly cut through Qin Yu’s indestructible body!

What kind of power was this!

One had to know that it was very difficult for an ordinary half-step martial marquis to hurt Qin Yu Now!

Xia hang narrowed his eyes and said, “The JINGDU martial arts association always does things flawlessly. We have predicted all possible problems, including you!”

“Guess why the Jingdu Martial Arts Association would let a half-step martial marquis like me lead the team?”

Qin Yu did not say anything, but there was a trace of unease in his heart.

“That’s because... I can activate the power of Heaven and Earth!” Xia Hang Roared!

He pointed at the broken stone tablet and said coldly, “After this stone tablet was broken, the power of the dragon vein was released!”

“The power of the dragon vein can even fight against Marquis Wu. Qin Yu, do you think you can do it!”

Qin Yu’s expression became more and more unsightly.

If he had known this would happen, he would have killed Xia hang in the beginning!

“Qin Yu, the Jingdu Martial Arts Association has always viewed you as a thorn in their side. They were just about to look for you, but they didn’t expect you to come knocking on their door,” Xia Hang said darkly.

“Since that’s the case, I’ll take this opportunity to kill you today!”

As he spoke, Xia Hang’s palm slightly shook, and a terrifying force appeared out of thin air!

“Boom!”

This force was extremely fast and arrived in front of Qin Yu in the blink of an eye!

With such a fast speed, it was too late even if he used shrinking earth into an inch!

“Absolute beginning Holy Fist!”

In a moment of desperation, Qin Yu could only clench his fist and face it head on!

“Boom!”

A huge force exploded on Qin Yu’s fist!

A horrifying scene appeared. That force actually directly shattered Qin Yu’s fist and even his arm was damaged!

“How could this be...”Qin Yu’s expression was extremely unsightly!

He knew that this force was not simple, but he did not expect it to be so tyrannical!

“I said, the power of the dragon’s vein is enough to fight against a Martial Marquis.”Xia hang sneered.

“You are only a half-step martial marquis. Killing You is just a matter of raising your hand!”

Qin Yu’s expression became more and more serious.

He took a look at the herbs in the pit and couldn't help but grit his teeth.

This herb was too important to Qin Yu. He wouldn't be willing to give up just like that!

“I can only fight to the death.” Qin Yu took a deep breath.

He immediately activated the Divine Dragon's power and prepared to fight Xia hang to the death.

“You don't know life from death.” Xia hang sneered at this.

He only raised his finger slightly and stuck close to Qin Yu's side, then a terrifying energy burst out!

“Bang!”

Qin Yu retreated dozens of steps, and the golden light of his body was directly pierced through!

“It's bad.” Qin Yu seemed to have guessed something.

On this dragon vein, Xia hang could control all kinds of power.

And this power came out of thin air and could be born from Qin Yu's side. There was no way to hide!

“Everyone says that your physical body is strong, but today, it seems that it is just so-so.” Xia hang sneered.

“F * ck you!”

Qin Yu roared, he used the shrinking Earth Inch, taking the initiative to attack!

However, Xia hang only raised his finger, a wild power directly sent Qin Yu flying!

This was not Xia Hang's power, but the power of the Dragon Bloodline!

This force was simply not something that ordinary people could resist.

Even if Qin Yu's body was extremely tough, it still couldn't do it!

“If you're too greedy, it's easy to lose your life.” Xia hang sneered.

“To be honest, from the first time I saw you, I found you very unpleasant.”

“You're clearly a bottom-level person with nothing, but the way you look at me doesn't have the slightest fear! Where did your confidence come from! ?”

“You rebellious ant!”

Along with Xia Hang's angry roar, another wave of violent power came tilting over!

“Boom!”

Qin Yu was directly smashed into the ground by this slap!

Traces of cracks appeared on his body, and traces of blood seeped out of his pores!

“Such... Such powerful strength...” Qin Yu gritted his teeth, feeling as if all the bones in his body were about to shatter!

Then, Xia Hang walked toward Qin Yu step by step.

He looked down at Qin Yu and sneered, “Can’t you just be a good-for-nothing? Why do you have to get involved in this muddy water?”

Qin Yu was not in the mood to listen to the chatter. All he could think of was how to escape.

“Since you don’t want to be a good-for-nothing, then I’ll turn you into a good-for-nothing,” Xia hang sneered.

As he spoke, he raised his finger slightly again and aimed at Qin Yu’s Dantian.

Chapter 513: Chapter 513, the true treasure

Xia hang merely moved his finger, and a force that was close to Qin Yu’s Dantian erupted!

Qin Yu had no way of dodging within a millimeter of the distance!

This force was even more tyrannical, and it ruthlessly smashed into Qin Yu’s Dantian!

“Pu!”

A mouthful of fresh blood was instantly spat out from Qin Yu’s mouth!

The enormous force sent Qin Yu flying dozens of meters away!

His body smashed countless mountain rocks and slid all the way to the edge of the cliff!

At this moment, Qin Yu's figure didn't stop. His entire body slid down from the dragon vein and fell down the cliff!

Xia Hang, who was watching from afar, couldn't help but sneer at this scene.

“President Xia, we just let him run away?” Yan Yuqi couldn't help but frown.

Xia hang raised his eyebrows and sneered, “Run away? That power just now was enough to break his dantian. Where can he run to?”

Yan Yuqi frowned and said, “In other words... Qin Yu is now disabled?”

“That's right. I really didn't expect that there would be unexpected gains,” Xia Hang said indifferently.

However, Yan Yuqi snorted and said, “It's a pity that I couldn't kill him.”

Xia hang glanced at Yan Yuqi as if he didn't want to pay attention to this sentence.

“Alright, it's time to see what treasures are inside,” Xia Hang said.

Everyone took out one treasure after another from the pit.

Among them, most of them were herbs, and each of these herbs was more than 1,000 years old.

There were even more than eight herbs that were more than five thousand years old!

Xia hang sized up everyone and said in a deep voice, “I want to use this opportunity to enter closed-door cultivation and strive to break through to the Martial Marquis realm in one go.”

“Break through to the Martial Marquis Realm?” Everyone couldn’t help but be stunned.

Xia hang nodded slightly. “That’s right, I’m only a hair’s breadth away from the martial marquis realm, and now is the time to seize the opportunity.”

He took a few herbs, then found a feng shui treasure ground and prepared to enter closed-door cultivation.

As for the others, they volunteered to protect Xia Hang.

...

Qin Yu’s body fell straight down from a mountain range of hundreds of meters!

Countless trees were broken, and in a moment, Qin Yu’s body was smashed to the ground!

Even though Qin Yu’s body was extremely tough, he still felt like his internal organs were about to be shattered under this free fall of hundreds of meters!

“F * ck...” blood dripped from the corner of Qin Yu’s mouth, and he was in extreme pain.

He reached out and touched his lower abdomen, only to see that a bloody hole had appeared on the position of his lower abdomen.

This made Qin Yu extremely uneasy. His expression was flustered, and his expression was unsightly. He hurriedly tried to activate the spiritual energy in his dantian.

Traces of spiritual energy burst out from his dantian.

And in his dantian, there seemed to be a golden light that protected Xia hang's attack.

“Fortunately, My Dantian is not damaged...”qin yu heaved a long sigh of relief.

He couldn't help but fall into silence as he sat there.

“If I'm not wrong, it's my father's method again,”Qin Yu thought to himself.

Back when he devoured the Earth Fiend Valley's patriarch, his Dantian almost exploded.

At that time, it was also this ray of golden light that protected him. This was the second time.

“Father, who exactly are you ?”Qin Yu could not help but mutter in a low voice.

“Damn, what a pity for those herbs.”At this moment, Qin Yu thought of the pile of herbs hidden under the stone tablet.

“TSK TSK, I didn't expect you to still discover it.”

Just as Qin Yu was thinking, a voice suddenly came from the side.

This gave Qin Yu a fright. He hurriedly turned around and saw the mustache man standing behind him with a hint of displeasure on his face.

“Why are you here?” Qin Yu asked with a frown.

The handlebar mustache snorted, “How could I not discover a secret that you could discover?”

“A secret?” Qin Yu was stunned.

He was about to ask, but quickly swallowed his words.

Then, Qin Yu stood up and braced himself, saying, “Of course. I’ve already discovered the secret here.”

The mustached man gave Qin Yu a thumbs up and said, “Fellow Daoist, you’re really amazing. You actually found out earlier than me!”

At this point, the mustached man said with some flattery, “Then let’s make a deal. We’ll split it fifty-fifty. We can’t snatch it by force. We have to abide by the ancient Jiang rules.”

Obviously, the mustached man thought that he was no match for Qin Yu, so he was afraid that Qin Yu would seize the “Secret.”

How Could Qin Yu know any secret? He quickly patted his chest and said, “Don’t worry, I, Qin Yu, am not that kind of person. We have to split it 50-50!”

“Good brother, be careful!” The mustached man gave Qin Yu a thumbs up.

“Then let’s set off now. Don’t waste time. If we delay, things will change. I still have to go to my grandfather’s ancestral grave to take a look,”the mustached man muttered.

“Alright.”Qin Yu was secretly delighted.

He followed behind the moustache man and Strode forward.

There was a canyon beneath the mountain range. The scenery of this canyon was not much different from the one above.

After advancing for several thousand meters, the moustache man finally stopped.

He saw that there was also a stone tablet in front of him! It was almost exactly the same as the stone tablet above!

Qin Yu hurriedly lay down in front of the stone tablet and carefully observed it.

As expected, even the words recorded on it were the same.

The only difference was that the stone tablet on it was completely white, while this stone tablet was completely black!

“So that’s how it is!”

Qin Yu’s mind spun rapidly. He seemed to have guessed something!

Then, Qin Yu reached out his hand and prepared to pull out this stone tablet.

The Mustache Man hurriedly stopped Qin Yu and shook his head.

“Fellow Daoist, it’s not appropriate to pull it out!”

Qin Yu stopped what he was doing.

He looked at the Mustache Man and said with a smile, “Why can’t I pull it out?”

The mustache man said in surprise, “If this stone tablet is pulled out, yin energy will definitely erupt! Don’t you know? !”

When Qin Yu heard this, the smile on the corner of his mouth became even wider.

“It’s just as I guessed,” Qin Yu said with a cold smile.

He looked at the mustached man and said, “If this stone tablet is removed, then the dragon vein will instantly erupt with Qi/spiritual energy, right?”

“Isn’t that nonsense!” The mustached man muttered.

Qin Yu raised his head to look at the sky. Everything was clear at this moment!

This was clearly a dragon vein, but not a single trace of Qi/spiritual energy could be seen!

There was only one reason for this, and that was the mutual restriction of yin and yang, achieving a balance!

Above the dragon’s vein was Yang, and below the dragon’s vein was Yin!

Therefore, the area where the Qi/spiritual energy was supposed to be gushing out had become extremely ordinary!

If one looked down from the sky, one could even see the Taiji diagram in this terrain!

“This place is really created by an expert.”Qin Yu sighed slightly.

He looked at the handlebar mustache and said seriously, “Thank you so much.”

“Ah?”The handlebar mustache was stunned.

Before he could ask, Qin Yu had already held the golden light in his hand and smashed it fiercely at the stone tablet!

Chapter 514: Chapter 514, Absorbing Yin Energy!

Rays of resplendent golden light headed straight for the stone tablet!

“What are you doing! ?”The moustache man on the side immediately panicked.

He wanted to stop it, but it was already too late.

The enormous force instantly caused the stone tablet to shake a little! But it didn’t shatter!

“So Hard.”Qin Yu couldn’t help but sigh.

The moustache man at the side heaved a sigh of relief. He patted his chest and said, “Fellow Daoist, you can’t act rashly. The Babe isn’t hidden here.”

Qin Yu glanced at the moustache man and said, “If it’s not hidden here, where is it hidden?”

“Of course it’s around here! I can tell that you don’t have any experience!” The moustache man muttered.

He drew a circle for the stone tablet and said, “Who would inscribe the place where the Babe is hidden on the tablet? Isn’t this a place that has no silver?”

“That’s true!”

After being reminded by the handlebar mustache, Qin Yu also reacted.

So, the treasure hidden in the dragon vein wasn’t the herbs under the stone tablet? !

If that was the case, then the dragon vein could be salvaged again!

“Fellow Daoist, we can’t pull out this thing anymore,” the handlebar mustache muttered as he began to carve tools.

It had to be said that the mustache man had a complete set of tools. He had almost everything he could think of.

“Why are you so afraid of pulling out this stone tablet?” Qin Yu asked in puzzlement.

The Mustache Man glared at him and said, “I’m here to find the Babe, not to give my life! If there’s something dirty down there, it’s just looking for trouble!”

Qin Yu thought for a moment. What he said seemed to make sense.

If there wasn’t a real Babe hidden under the stone tablet, then there was indeed no reason to take the risk.

However, to Qin Yu, this Yin Qi wasn’t something to be avoided. Instead, it was a sacred object for his cultivation.

Therefore, Qin Yu didn’t pay attention to the moustache man. He mustered all his strength and threw another punch!

“Boom!”

With this punch, the stone tablet finally began to loosen.

“Aiya, fellow Daoist, why are you so stubborn!” The handlebar mustache muttered as he dodged to the side.

Qin Yu smiled and said, “Don’t worry, if there is really something dirty, I will protect you.”

The handlebar mustache muttered, “Protect me? I’m just afraid that there is some nascent soul stage monster hidden below...”

As he spoke, Qin Yu threw another punch.

After three consecutive punches, the stone tablet could no longer withstand the force and cracks began to appear on it.

“Crack!”

A crisp sound rang out and the stone tablet instantly shattered!

A similar giant pit appeared in front of Qin Yu at this moment.

Compared to the giant pit of the dragon vein, this giant pit seemed to be much more shabby.

Not only were there no herbs, there wasn't even a cultivation technique.

At a glance, there was a pitch-black mirror, two bronze medals, and a green hairpin inside.

Seeing this, the mustached man hurriedly ran over.

He stroked his beard, his eyes shining as he kept sizing up these few items.

Qin Yu didn't hurry to choose, but said politely, “Fellow Daoist, which one do you like?”

A trace of craftiness flashed through the mustached man's eyes.

He coughed and said, “To tell you the truth, I like that hairpin. I wonder if you can give it to me?”

“Okay, that hairpin is yours.” Qin Yu waved his hand and put away the black mirror and the bronze plate without saying anything.

The mustached man couldn't help but be dumbfounded when he saw this.

His eyes were staring at the black bronze mirror.

“What’s Wrong?”Qin Yu said with a smile.

The mustached man mumbled, “You are so kind. This hairpin is a babe. Don’t you want it?”

“No, no, no. How can I take away someone’s Love?”Qin Yu said with a smile.

The mustached man couldn’t help but look up to the sky and sigh, “The biggest trick is sincerity...”

Looking at his pained expression, Qin Yu smiled and said, “Fellow Daoist, could it be that the pitch-black bronze mirror is a treasure?”

When the bronze mirror was mentioned, the mustached man’s mouth couldn’t help but Twitch.

Then, he widened his eyes and said, “From now on, you are not allowed to mention the words ‘Bronze Mirror’!”

Qin Yu was secretly delighted. It seemed that he had guessed correctly.

This bronze mirror was the real Babe.

“This little thing is nothing. Wait until I make a move, then you will know what a real Babe is,”the mustached man licked his lips and said.

He picked up his tools and began to fiddle around on the ground.

It had to be said that this mustached man was indeed professional.

He walked around the area a few times, holding a shovel in his hand and muttering to himself.

Qin Yu, on the other hand, stood to the side and waited quietly.

This handlebar mustache looked crazy, but in fact, he was full of ability. Qin Yu believed in his ability.

At this moment.

A strange movement suddenly occurred in the huge pit.

In a moment, streams of icy cold yin qi were emitted from the huge pit!

In an instant, the surrounding temperature suddenly dropped!

Endless yin qi instantly filled the entire valley!

“What dense yin qi!” Seeing this, Qin Yu couldn’t help but take a deep breath.

Not far away, the mustached man took out a peach wood sword and said in a trembling voice, “What demons? I’m not afraid of You!”

Qin Yu ignored him, his eyes faintly showing some excitement.

He really didn’t expect that there would be such a Yin pit hidden near the dragon vein!

Such a powerful yin qi was a great tonic for Qin Yu!

“Since pavilion master is able to forcefully suppress my cultivation, I think I can do it too.” Qin Yu thought to himself.

Therefore, he did not waste any time and immediately sat down cross-legged.

“Fellow Daoist, I’ll leave this treasure-digging business to you. I’ll wait for you.”Qin Yu said with a smile.

The mustache man mumbled, “I did all the work. You have to give me more of the Babe later.”

“Don’t worry, don’t worry,”Qin Yu said with a smile.

Then, Qin Yu didn’t waste any more time.

He slightly closed his eyes, and the pores all over his body opened up as he began to absorb the surrounding yin energy.

“Chaos Body?”

Seeing this scene, the Mustache Man, who had been smiling mischievously, suddenly frowned.

He stared at Qin Yu for a moment, but in the end, he didn’t say anything.

At the same time that Yin energy burst out from the huge pit, the pit above the dragon vein also began to produce strange movements.

The balance of Qi/spiritual energy, which was in balance with Yin Energy, was broken at this moment!

Endless amounts of Qi/spiritual energy burst out from the pit!

“What a dense amount of Qi/spiritual energy!”Yan Yuqi said excitedly.

All the members of the JINGDU martial arts association had sensed the Qi/spiritual energy in the pit at this moment!

“This trip was not in vain. As expected of the dragon vein!”

Although they did not know what had happened, this was a perfect opportunity for cultivation!

For a moment, Yan Yuqi and the others sat down cross-legged and began to cultivate in seclusion!

Time flew by. In the blink of an eye, three days had passed.

What was unexpected was that the speed at which more than ten people from the JINGDU martial arts association absorbed Qi/spiritual energy at the same time was actually slower than the speed at which Qin Yu absorbed Yin Energy Alone!

In a short three days, the Yin energy in the valley was completely absorbed by Qin Yu!

And above the dragon vein, there was still abundant Qi/spiritual energy!

Chapter 515: Chapter 515, Herbs in the Yin Tomb!

Regardless of whether it was qi/spiritual energy or yin energy, Qin Yu seemed to need more!

He stood up from the ground.

This was the third time he had absorbed yin energy on such a large scale.

And the effect this time seemed to be much better than before.

“Could it be that if I absorb too much qi/spiritual energy, the effect of yin energy will increase?” Qin Yu thought in his heart.

If it wasn't for the existence of the perfect realm, Qin Yu would have already stepped into the half-step martial marquis realm, or even beyond the half-step martial marquis realm.

‘as long as I step into the small realm of the half-step martial marquis realm, I shouldn't be able to step into the Martial Marquis realm for too long,’ Qin Yu thought to himself.

The accumulation of the Yin Energy provided a certain guarantee for Qin Yu's subsequent breakthrough.

“There are three places like this. I can enter the Martial Marquis Realm,” Qin Yu thought to himself.

Thinking of this, Qin Yu could not help but look at the handlebar mustache not far away.

This handlebar mustache was digging graves one by one, and large graves were places where Yin Qi was prevalent!

“Maybe this handlebar mustache has a way!” Qin Yu could not help but feel a little excited.

At this moment, the handlebar mustache was still circling around this area.

He would stomp his feet from time to time, or lie on the ground and listen to something.

“How is it? Haven't you found it yet?” Qin Yu asked.

The handlebar mustache was so frightened that he quivered. He glared at Qin Yu and said, “Why are you acting like a Ghost? Are you trying to scare me to death!”

Qin Yu rolled his eyes and said, “It seems that you have stolen a lot of graves. Otherwise, why would you be so timid?”

The Mustache Man said with some pride, “Of course! From the Qin emperor’s grave to my grandmother’s ancestral grave, there’s no place I haven’t been to!”

Hearing this, Qin Yu was secretly delighted.

It seemed that he had to build a good relationship with this mustache man.

“It’s Here!”

At this time, the mustache man raised his foot and stepped on the ground. A hint of excitement flashed in his eyes.

Then, the moustache man took out a few sacrificial items from his spatial magic tool and knelt on the ground to start worshipping.

“What? Do you guys still care about this when you steal graves?” Qin Yu said jokingly.

The moustache man rolled his eyes and said, “This is called the rules. You Don’t understand.”

After everything was ready, the moustache man began to make his move.

He took out a shovel, formed a spell with his hand, and fell towards the ground.

“Boom!”

In just a short moment, the ground began to shake!

A layer of the ground above actually began to fall off!

The moustache man hurriedly pulled Qin Yu to the side and said excitedly, “Wait and see, there’s definitely a big babe inside!”

Layers of the ground fell off. A few minutes later, a complete tomb appeared in front of the two of them!

At a glance, the structure of the tomb was extremely exquisite, like an ancient palace!

The interior looked like it had been specially built by an architect. The construction was extremely exquisite!

Qin Yu was stunned for a moment!

A tomb could actually be built so beautifully. It was simply unbelievable!

“How is it? Do you know how powerful I am?” The mustached man stroked his beard and said proudly.

Qin Yu stared at the huge tomb and said in a low voice, “There must be a treasure inside!”

“Of course.” The moustache man was rarely serious.

He pointed at the dragon vein on top and then pointed at the tomb in front of him.

“This is called the yin-yang tomb. To be able to set the tomb near the dragon vein, what kind of person was he when he was alive? No need to say more, right?” The moustache man said quietly.

Qin Yu gave the handlebar mustache a thumbs up from the bottom of his heart.

Sure enough, there were specialties in the field. Even a top organization like the JINGDU martial arts association could not compare to a top professional.

“Let’s go,” the handlebar mustache said.

“There won’t be any danger inside, right?” Qin Yu asked.

The handlebar mustache shook his head and said, “It’s impossible to set up a killing intent in the land of the dragon vein. Otherwise, the owner of the tomb wouldn’t have to go through so much trouble to hide his own tomb.”

Qin Yu followed behind the moustache man and entered the large tomb.

As expected, the journey was smooth.

The moustache man seemed to have been here before as he brought Qin Yu straight to a stone door.

The stone door was facing the north and the south. It was square and had the air of an emperor.

The moustache man formed a seal with his hand and lightly tapped forward. The door rumbled open!

It had to be said that the handlebar mustache's methods had indeed stunned Qin Yu. This had also greatly changed Qin Yu's impression of the handlebar mustache.

The moment the door opened, he saw the Babe inside!

There were herbs hidden in jars, more than half a chest of gold, and some accessories worn by people.

In the eyes of ordinary people, this was just an ordinary babe in the secular world.

But to cultivators, these so-called accessories were actually top-notch spiritual artifacts!

Qin Yu quickly walked forward and reached out to break a jar.

In the jar was a medicinal herb with an unknown name.

Qin Yu held this medicinal herb and couldn't help but frown slightly.

Because there was no qi/spiritual energy on this medicinal herb!

“How could this be?” Qin Yu frowned and said.

The mustached man seemed to see Qin Yu's confusion.

He sneered, “This is the Yin tomb. The herbs inside are just funerary objects. How could there be Qi/spiritual energy?”

Qin Yu's face was a bit ugly.

What he was short of now was a 5,000-year-old herb.

If he couldn't get it, this trip wouldn't mean much to Qin Yu.

“TSK TSK, there are so many Babe. I have to pick first this time!” The mustached man licked his lips and said with a smile.

He ran to the middle of the pile of treasures and began to choose.

Qin Yu stood there, not moving for a long time. No one knew what he was thinking.

“Right!”

At this moment, Qin Yu seemed to have thought of something.

He hurriedly looked at the mustached man and said, “Can you tell the age of this big tomb?”

The mustached man glanced at Qin Yu and sneered, “You are doubting my business ability. I even know when he built the tomb, let alone the age!”

Qin Yu hurriedly said, “Fellow Daoist, how old is this big tomb?”

The mustached man looked around, sniffed, and said with a smile, “Roughly estimated, around 3,000 years.”

3,000 years?

“Someone who can build such a big tomb is definitely a big shot!” Qin Yu thought in his heart.

“The funerary objects of such a big shot are definitely not ordinary herbs.”

In other words, the funerary herbs of a big shot would definitely be treasures of the current era, with medicinal effects that were at least a thousand years old!

At that time, herbs were not as scarce as they were now. This stalk of herbs might have already reached several thousand years old at that time!

Now that another 3,000 years had passed, the probability of this stalk of herbs being more than 5,000 years old was very high!

“The pill formula only said that it needed a stalk of 5,000-year-old herbs, but it didn’t say that it needed to preserve its medicinal effects...”Qin Yu thought to himself.

Qin Yu had no other choice now, so he could only give it a try.

“Are you going to refine the reincarnation pill?”At this time, the mustached man next to him suddenly said with a smile.

Qin Yu said with a bit of surprise, “You actually know about the reincarnation pill?”

The mustached man said proudly, “I’ve traveled north and south for many years. There are at least eight hundred tombs that have passed through my hands. How can there be anything that I don’t know?”

At this point, the moustache man paused for a moment and said with a smile, “Not only do I know about the reincarnation pill, I also have the

materials needed for the reincarnation pill.. If you are willing, you can exchange that copper mirror with me. How about it?”

Chapter 516: Chapter 516 was the step into the half-step martial Marquis realm

Qin Yu looked at the handlebar mustache, feeling a little excited.

But he didn't show it.

Since the handlebar mustache wanted the bronze mirror so much, it was definitely not an ordinary object.

As for the demonic beast inner core, it wasn't particularly difficult to find it.

Therefore, the initiative was still in Qin Yu's hands.

“Don't even think about the bronze mirror, but I can consider giving you the two bronze plaques,” Qin Yu said.

The mustached man rolled his eyes and said, “I just want the bronze mirror. Who will exchange the bronze plaques with You?”

“Then forget it. I Don't lack demonic beast inner cores anyway,” Qin Yu muttered.

After saying this, Qin Yu turned around and was about to leave.

The mustached man rolled his eyes. At this moment, he suddenly pulled Qin Yu and muttered, “Alright, Alright. Exchange it then. You and I can be considered fate.”

As he spoke, the Mustache Man began to take out the inner core from his spatial artifact.

Not long after, three demon beast inner cores and eight thousand-year-old herbs appeared in the Mustache Man's hand!

It had to be said that the mustache man wasn't bragging.

He indeed knew the herbs needed for the reincarnation pill, and the Babe on this kid's body was indeed beyond imagination.

“Is that enough?” The moustache man reluctantly handed the materials to Qin Yu.

Qin Yu smiled and said, “Later, when we divide the Babe, I'll give you more.”

“That's more like it.” The moustache man was finally satisfied.

Qin Yu took the materials from him, then took out the two bronze plates and handed them to the moustache man.

“Alright, it's time to divide the loot.” The moustache man licked his lips and looked around.

With a glance, he could see that there were countless treasures in the surroundings. There were all sorts of magical artifacts and many medicinal herbs.

Unfortunately, these medicinal herbs had lost their medicinal effects. To Qin Yu, they no longer had any value.

The two of them walked around and chose the Babe that they wanted.

Although the mustached man was greedy, he was extremely harsh in choosing treasures.

It was difficult for an ordinary Babe to catch his eye.

Qin Yu was not in a hurry. He just stood by the side and waited quietly.

In the end, the mustached man only picked out three Babe:

A snow-white Xuan Stone, a Kraft paper-shaped divine map, and an incense burner.

“Okay, I’m done,” the mustached man said in satisfaction.

Qin Yu took a look at the remaining Babe and immediately put it into his bag.

“Are you a rag collector?” The mustached man couldn’t help but ridicule.

Qin Yu rolled his eyes and said, “You don’t understand.”

In the future, Qin Yu might establish his own sect. These treasures would come in handy sooner or later.

After finishing all this, the mustached man looked at the dragon vein above and said in a low voice, “Unfortunately, I don’t have the chance to dig out the yang tomb on the dragon vein.”

Qin Yu glanced at him and said, “That might not be the case.”

The Mustache Man rolled his eyes and said, “Those are people from the JINGDU martial arts association, especially that Xia Hang. Who would dare to provoke him?”

After saying that, the Mustache Man held his Babe and prepared to leave.

“What if I say that I can chase them away?”

At this time, Qin Yu’s voice came from behind.

The Mustache Man stopped in his tracks. He hurriedly turned around and said with a smile, “Is what fellow Daoist said true?”

“Of course.” Qin Yu nodded.

“But you’ll have to wait for a while.”

The Mustache Man rolled his eyes and said, “No problem. This venerable self can accompany you! But I’m afraid of death. I Can’t provoke the Jingdu Martial Arts Association.”

“Alright, there’s no need for you to show up. You just need to open the tomb,” said Qin Yu.

The Mustache Man hurriedly nodded and said, “No problem! That’s my duty!”

Qin Yu no longer paid attention to the mustache man.

He raised his head to look at the dragon vein above, and couldn’t help but mutter in his heart.

“If I’m not wrong, the dragon vein has already begun to condense Qi/spiritual energy,”Qin Yu thought in his heart.

“Not only do I want to obtain the Babe in the Yang Tomb, I also want to absorb all the Qi/spiritual energy!”

All of this was in preparation for Qin Yu’s breakthrough to the rank of Martial Marquis.

Then, Qin Yu’s mind moved, and he took out the Phoenix Cauldron that the pavilion master had given him.

Then, he put all kinds of materials into the Phoenix Cauldron and began to refine the reincarnation pill.

Qin Yu was slightly nervous, because he didn’t know whether this five-thousand-year-old herb that had lost its medicinal effect would work or not.

Refining Pills was an extremely tiring task. All of Qin Yu’s thoughts were focused on the pill cauldron.

For a moment, Qin Yu couldn’t feel anything around him.

At this moment, the mustached man was standing in the distance, staring at this scene.

“Chaos body, purple spiritual fire. who exactly is this person?”The mustached man said in a deep voice.

He stood there and stared in Qin Yu’s direction. No one knew what he was thinking.

Time flew by.

Under the support of the purple spiritual fire, the herbs in the pill furnace turned into thick juice.

And the next step was to form the pill.

Forming the pill was the most important part of the pill refining process, and the requirements for one's mental state were extremely harsh.

However, at this moment, Qin Yu was somewhat nervous in his heart.

The flame in his palm started to beat somewhat chaotically.

This wasn't a good thing for pill refinement.

Qin Yu took a deep breath and tried his best to adjust his state of mind.

After an unknown amount of time, the flame in Qin Yu's palm finally began to slowly calm down.

“Chi la!”

The medicinal herbs in the pill cauldron began to withdraw their juice!

The rich medicinal juice began to condense and take shape at this moment!

“Weng!”

As rays of light lit up, the medicinal liquid within the pill cauldron turned into a circle!

“Bang!”

A loud explosion sounded from within the pill cauldron!

Then, a pill landed in Qin Yu's hand!

This pill was the reincarnation pill that Qin Yu had been bitterly pursuing!

“I made the right bet!” Qin Yu could not help but heave a sigh of relief as he held onto this reincarnation pill.

Playing with the reincarnation pill, Qin Yu muttered in a low voice, “This way, I will be able to step into the true half-step martial Marquis Realm!”

He did not waste any time and immediately swallowed the reincarnation pill into his stomach.

In an instant, a magical power slowly rippled within Qin Yu's Dantian!

The Great Circle realm began to slowly undergo changes.

The accumulated Qi/spiritual energy in Qin Yu's body broke through the barrier of the perfection realm in an instant, and his realm rapidly climbed up!

“Perfection realm?” The handlebar mustache not far away seemed to have seen something.

He stroked his chin and said in a low voice, “This child is either invincible in the world, or he will die without a burial ground.”

Buzz

Qin Yu's body flickered with rays of resplendent light!

His body turned into a transparent jade green color once again. At a glance, he looked like a jade person!

This light only lasted for a moment before it slowly disappeared.

In just half an hour, Qin Yu's body had undergone many changes.

The spiritual power in his body was also rapidly climbing up!

An hour later.

With the ground under Qin Yu as the center, a water-like light suddenly bloomed!

The light rippled in all directions, passing through the mountain rocks, was instantly cut off!

Chapter 517: Chapter 517, extremely powerful talent!

This ray of light was extremely sharp, as if it was going to cut through the air.

The mustached man was startled. He hurriedly leaped up and dodged it.

“F * ck, is he trying to take my life?” The mustached man patted his chest and muttered softly.

Not far away, Qin Yu finally stood up slowly from the ground.

He clenched his fists, as if he was feeling the power in his body.

“I finally feel a trace of the power of a martial marquis.” Qin Yu sighed softly.

Although a half-step martial marquis was not a clear realm, he could clearly feel the power of a martial marquis!

It was said that a martial marquis was a watershed. Once one stepped into the Martial Marquis Realm, one would enter another realm.

Before this, Qin Yu did not understand. But now that he could clearly feel the different power in his body, he finally understood.

“Just a trace of the Marquis of Wu’s power made me feel a huge gap,” Qin Yu said in a low voice.

“If I stepped into the Marquis of Wu, I’m afraid I would really enter another realm.”

In the cultivation world, the Marquis of Wu was in the aurous core stage.

At that time, the body would give birth to the aurous core. It was naturally very different from cultivating the internal organs!

In other words, from the aurous core stage onwards, it was true cultivation!

“Now I can go and try out the power of the dragon veins.” Qin Yu thought in his heart.

Although it was only a thin line, the difference in strength was completely different.

The Great Circle realm was far from the half-step martial marquis realm.

“How is it? Have you stepped into the half-step Martial Marquis Realm?” The mustachioed man ran over and asked.

Qin Yu glanced at him and said, “You seem to know quite a lot.”

The mustachioed man said with a smile, “This venerable self has dug up many people’s ancestral graves and read countless information!”

At this point, the mustachioed man said carefully, “To tell you the truth, I also dug up a huge tomb of a chaotic body!”

“Really? !” Qin Yu was stunned and quickly looked at the mustached man.

The mustached man said proudly, “Of course it’s true!”

“Bring me to take a look when you have the chance,” Qin Yu said seriously.

Qin Yu’s understanding of the chaotic body was almost zero.

And a huge tomb of a chaotic body might be able to answer Qin Yu’s doubts, or even clarify the path of the right path.

“Alright, it’s time to go up.” Qin Yu raised his head and looked at the dragon vein above.

The moustache man muttered, “You go up first. When you’re done, inform me.”

Qin Yu didn’t say much. He stared at the dragon vein and climbed up step by step.

...

Above the dragon vein.

These dozen or so members of the Jingdu Martial Arts Association were sitting cross-legged here, crazily absorbing Qi/spiritual energy.

To them, the Qi/spiritual energy seemed to be endless. After a few days of absorption, there was almost no reduction.

Meanwhile, Xia hang was still in closed-door cultivation.

He was trying his best to break through to the Martial Marquis Realm!

At this moment.

A Ray of light suddenly lit up from below.

“Eh?”

Yan Yuqi was the first to notice the abnormality.

He opened his eyes and immediately looked at the bright light.

“Qin Yu?”

Looking closely, it was none other than Qin Yu, who had been kicked off the cliff!

A Cry of alarm instantly woke many people up.

They stood up one after another and looked at Qin Yu, who was not far away.

“This Qin Yu is actually not dead?”

“Didn’t President Xia say that he was already crippled? Looking at him like this... how does he look like he’s crippled in the slightest?”

Just as they had said, Qin Yu was currently in high spirits. His wild hair danced wildly, and he looked like he was looking down on the world. How did he look like he was crippled in the slightest?

“This Qin Yu has killed several half-step martial marquises! This is troublesome!”

“That’s right. President Xia is still in seclusion. Who can stop him here...”

“What are you afraid of!”

Just as everyone was panicking, Yan Yuqi took a step forward.

He looked coldly at Qin Yu and said, “Qin Yu, I was just regretting not being able to fight with you. It suits me that you are not crippled!”

Qin Yu glanced at Yan Yuqi and said, “You’re not my match. Back off.”

Yan Yuqi’s pupils constricted and his expression changed drastically!

He was actually underestimated?

“Qin Yu! You’re underestimating me? !”Yan Yuqi said coldly.

Qin Yu sneered and said, “Even if you and I are of the same level, you’re still not my match. What’s more, you’re only at the peak of the Martial Grandmaster Realm.”

Yan Yuqi shouted, “I fight for the honor of crossing ranks! So what if I am a half-step martial marquis? I, Yan Yuqi, can still kill you!”

The aura of Yan Yuqi’s internal Qi surged, and he was full of fighting spirit. He had the intention to attack.

Qin Yu looked at Yan Yuqi coldly and said, “Fine, since you want to die, I will satisfy you.”

“Arrogant!” Yan Yuqi roared, and his body immediately glowed!

At the age of eighteen, Yan Yuqi had already learned the top cultivation technique of the Yan family!

He raised his hand and used the heavenly ranked cultivation technique, the mystic heavenly sage hand, which was passed down from the Yan family!

A huge hand with rolling might came crushing towards Qin Yu!

In an instant, the ground beneath Qin Yu’s feet began to explode!

The people around were also forced back by the pressure!

Qin Yu, who was at the center of the storm, was expressionless. His eyes were extremely indifferent.

“Go to hell!”

The speech device roared and this huge hand lashed out fiercely at Qin Yu!

“Bang!”

However, Qin Yu stood there without moving at all, allowing this huge hand to land on his body!

“The cultivation technique is not bad, but it also depends on who uses it,” Qin Yu said coldly.

Yan Yuqi’s expression changed drastically!

This mysterious heavenly sage hand was a genuine heavenly tribulation cultivation technique, yet it was unable to harm Qin Yu in the slightest? ! How was this possible? !

Buzz

Not far away, a ray of light lit up from Qin Yu’s palm.

A similar large hand began to slowly condense!

“Mysterious... Mysterious Heavenly Sage Hand? !” Seeing this scene, Yan Yuqi’s heart pounded violently!

How could this Qin Yu also know Mystic Heavenly Sage Hand?

“It’s said that Qin Yu once used a very short period of time to learn he Teng’s trump card moves!”

“From the looks of it today, he really lives up to his reputation!”

“He actually quickly learned a heaven rank cultivation technique!”

“En, although there are flaws, to be able to comprehend this technique in such a short period of time, I’m afraid that there’s no one else in the world who can do it!”

When Yan Yuqi heard these words, he even wanted to die!

He had spent three whole months comprehending the mystic heavenly sage hand before he barely managed to enter the rudiments.

Yet, Qin Yu only took a glance at it before he was able to copy it!

What kind of talent was this!

“Although the heaven-ranked cultivation technique is not bad, it’s a waste to keep it in your hands,” Qin Yu said coldly.

Before he finished his sentence, Qin Yu had already waved his hand down!

Chapter 518: The 518th Palm, facing Xia Hang!

That huge hand ruthlessly pressed down on Yan Yuqi!

“Boom!”

In an instant, a huge handprint appeared on the ground!

Smoke and dust rose up, blocking everyone’s line of sight.

This palm not only slapped Yan Yuqi’s body until it was dripping with blood, it also smashed his confidence into pieces!

“How... how is this possible!”

Yan Yuqi lay on the ground, his face filled with pain.

His body was damaged in many places, and his bones were shattered!
He couldn't even stand up.

“How is this possible...”Yan Yuqi didn't dare to believe it!

Qin Yu glanced at him and said coldly, “On account of your young age,
I'll spare your life.”

After saying this, Qin Yu looked at Xia Hang who was not far away.

At this moment, Xia Hang's body was surrounded by streams of
Qi/spiritual energy.

This Qi/spiritual energy was flowing into his body through his pores.

Obviously, this was a sign of a breakthrough!

“You want to step into Marquis Wu?”Qin Yu couldn't help but sneer.

Fortunately, he came in time. Otherwise, Xia hang would have
succeeded!

Qin Yu immediately strode toward Xia Hang.

At this time, the Ten-odd members of the JINGDU martial arts
association quickly stood out.

They had strong killing intent on their bodies. It was obvious that they
wanted to stop Qin Yu.

Qin Yu stopped in his tracks.

He coldly glanced at everyone and said, “You Think You Can Stop Me?”

As he spoke, the pressure on Qin Yu’s body was suddenly released!

An intense pressure instantly spread out!

“How... how could this be!” When they felt the pressure on Qin Yu’s body, everyone’s expression changed drastically!

Qin Yu’s strength seemed to have increased by a lot!

“Pu!”

A martial grandmaster could not withstand this pressure and vomited blood on the spot!

Everyone looked at each other and could not help but step back.

Qin Yu snorted coldly. He ignored everyone and walked towards Xia hang with big steps.

At this moment, Xia hang seemed to be at the crucial moment of breaking through.

His entire body emitted waves of bright light, as if he was about to step into the realm of Martial Marquis at any time!

“You want to step into the realm of martial marquis? In your next life,” Qin Yu said coldly.

Before he finished his words, golden light had already circled around Qin Yu’s hand!

A terrifying power instantly surged over!

“Boom!”

Qin Yu did not waste any time. He immediately clenched his fist and ruthlessly smashed it toward Xia hang with a violent force!

“Dong!”

With this punch, Xia hang was directly sent flying. His body slid for dozens of meters before he stabilized his body!

Blood seeped out of the corner of Xia Hang’s mouth, many of his bones were broken, and his internal Qi became extremely chaotic!

He opened his eyes, and his expression was extremely unsightly!

“Who, who destroyed my realm!”

Xia hang raised his head and roared angrily!

“Me!”

Qin Yu said coldly.

Hearing Qin Yu’s voice, Xia Hang’s expression became even more unsightly!

He glared at Qin Yu and said through gritted teeth, “You’re actually not crippled!”

Qin Yu sneered, “Yeah, it seems that your dragon vein power isn’t too good either.”

Xia hang's whole body was trembling, and his eyes were wide open.

He stared at Qin Yu and said with a broken face, "I'm just a step away from becoming a martial marquis. Because of you, all my efforts have been wasted!"

"Qin Yu, you bastard, I'm going to tear you into pieces!" Xia hang's angry roar almost spread throughout the entire dragon vein!

Qin Yu sneered, "Serves you right. You'll stay in the half-step martial marquis realm for the rest of your life."

Xia Hang's eyes were scarlet red, and a strong killing intent filled his chest!

His hands trembled as he said coldly, "I want to cut you into ten thousand pieces, I want to cut you into ten thousand pieces!"

As soon as he finished speaking, the power of the dragon veins instantly rose!

A powerful force suddenly appeared at the position of Qin Yu's chest!

"Dong!"

At such a close distance, there was no way to dodge.

Qin Yu was instantly sent flying dozens of steps by this force, and a tiny bloody hole appeared on his chest.

"As expected of the power of the Dragon Bloodline." Qin Yu wiped the fresh blood from his chest and couldn't help but squint his eyes slightly.

“Go to hell!”

Xia hang’s palm quickly slid, and countless forces instantly filled Qin Yu’s body!

These forces exploded around Qin Yu like a bomb!

In an instant, Qin Yu’s body was enveloped by a wave of thick smoke!

Xia hang didn’t stop there. He seemed to have gone mad and his hands kept sliding in the air!

This was the power of the terrain, raining down on Qin Yu!

The ground where Qin Yu was was turned into ashes!

After an unknown amount of time, Xia hang finally stopped panting.

He stared in Qin Yu’s direction and gritted his teeth, “You actually interrupted my breakthrough... You Bastard!”

The smoke and dust gradually settled down.

Qin Yu’s entire body was almost covered in blood! However, not only did his internal Qi not show any signs of weakness, it was also unprecedentedly strong!

“Other than the power of the dragon bloodline, what else can you rely on?” Qin Yu seemed to not feel any pain. His pair of clear eyes looked coldly in Xia Hang’s direction.

Xia Hang’s expression was somewhat ugly.

Qin Yu looked extremely miserable, but in reality, his foundation had not been damaged at all.

In other words, this power of the dragon bloodline seemed to only be able to break Qin Yu's skin!

“Say it, what else can you rely on?” Qin Yu opened his mouth, and within the blood-red, a layer of white bloomed.

Xia hang angrily roared, “Qin Yu, you're going too far!”

With an explosive roar, eight streams of energy shot out from Qin Yu's surroundings, instantly engulfing Qin Yu!

Qin Yu's physical body was once again pushed back!

But this time, he only took three steps back!

Compared to the scene of him being sent flying at the beginning, the three steps undoubtedly made Xia Hang's heart tremble!

Xia hang gritted his teeth and once again unleashed the power of the dragon vein!

This time, the power was even more powerful, crazily attacking Qin Yu's body!

However, this time, Qin Yu only took one step back!

“How is this possible!” Xia hang's expression was extremely unsightly!

He didn't dare to think too much and hurriedly activated the power of the dragon vein again!

However, this time, Qin Yu didn't take a single step back!

“Ah!!! Impossible!” Xia hang went crazy. He tried his best to activate this power!

This time, Qin Yu directly withstood the power of the dragon vein and walked towards Xia hang step by step!

“Clang Clang Clang Clang” the sounds of collision continued to be heard. Countless rays of energy left white spots on Qin Yu's body.

However, this was completely unable to stop Qin Yu's footsteps!

Gradually, the power of the dragon veins seemed to have no effect on Qin Yu anymore!

He almost completely ignored the power of the dragon veins!

“How... how could this be!” Large beads of sweat were left on Xia hang's forehead, and his heart was incomparably terrified!

He, the dignified vice president of the Jingdu Martial Arts Association, was actually starting to be afraid at this moment!

“Tell me, without the power of the dragon vein, what else do you have?” Qin Yu said coldly.

Chapter 519: Chapter 519, the panicked Xia hang

Xia hang's expression was extremely unsightly. Although he didn't know what exactly happened, he knew that the current him probably couldn't do anything to Qin Yu.

“Jingdu martial arts association has so many resources, but in the end, you’re still a waste.”Qin Yu shook his head.

Xia hang looked coldly at Qin Yu and said, “Qin Yu, you ruined my opportunity. What else do you want?”

“What else do you want?”Qin Yu raised his eyebrows and then sneered, “Of course, I want to kill you.”

Xia Hang’s eyes were somewhat vicious.

He narrowed his eyes slightly and said, “Kill me? I Am...”

“Alright, don’t tell me your family name. I am not interested. Moreover, even if you are a heavenly king, I don’t care.”Qin Yu interrupted Xia Hang’s words.

Xia Hang’s face became even angrier. He raised his head and roared, “Qin Yu, you’re going too far. Do you really think that I, Xia Hang, Am Easy to bully? !”

Following Xia Hang’s angry roar, streams of mist-like internal Qi burst out from the dragon vein!

In an instant, it was as if the entire power of Heaven and earth in the dragon vein had been absorbed by Xia Hang!

At a glance, a true dragon had actually condensed in midair!

This divine dragon that was forged from the power of the dragon vein seemed to have its own life force. A pair of dark pupils coldly swept across the surroundings.

The Aura on it made people feel a chill in their internal Qi! Some people even knelt down on the spot!

Even Qin Yu felt a trace of abnormality on the body of this divine dragon.

This feeling was as if he was facing an irresistible divine power!

Xia hang panted heavily. He gritted his teeth and said, “Qin Yu, be a man and leave a line. It will be easier to meet in the future. Are you really going to force me into a dead end?”

Qin Yu glanced at Xia hang and said coldly, “Don’t say such useless nonsense. When you crippled my dantian, did you ever think of leaving a line?”

“Okay!”

Xia hang didn’t say anything more. He bit his finger and flicked his finger. A trace of blood essence instantly fell into the Divine Dragon’s body!

In an instant, this divine dragon, which was made of the power of the dragon’s bloodline, seemed to be dyed with color.

“Go to hell!”

Xia hang roared, and the entire divine dragon instantly swooped down toward Qin Yu!

Qin Yu stared at this divine dragon and sneered, “It’s just a spirit body that has no life. Do you really think I’m afraid of You? !”

After saying that, Qin Yu clenched his fists and faced it head-on!

“Boom!”

A huge collision occurred. At the moment of the collision, Qin Yu's expression could not help but change!

The power of this divine dragon was beyond Qin Yu's imagination. It instantly knocked Qin Yu to the ground!

“As expected of the power of the dragon vein. It's indeed extraordinary.” Qin Yu frowned.

He clenched the absolute beginning Holy Fist and rushed forward for the second time!

However, the result was still the same this time. The moment they collided, the Golden Light on Qin Yu's body was directly shattered!

Not far away, Xia hang watched this scene coldly. There seemed to be a hint of solemnity on his face.

Meanwhile, Qin Yu touched his chin and sneered, “Divine Dragon, right... well, then I'll be a dragon slayer today!”

Before he finished his words, Qin Yu put his hands together and muttered, as if he was casting some kind of spell!

In just a short moment, Qin Yu's body began to expand! In an instant, his body expanded to over three meters tall!

Not only that, his body was also covered in a layer of golden light, making him look incomparably resplendent!

This spell was precisely the Wuji Dharma Idol that he had used when he fought he teng back then!

And after Qin Yu stepped into the half-step martial marquis realm, his body became even larger, and his light became even more resplendent!

Everyone looked at this golden giant with a flash of shock in their eyes!

“Limitless Dharma Idol?” Xia Hang’s pupils shrunk even more!

“How does this kid know the limitless Dharma Idol?” Xia hang could not help but take two steps back.

Countless thoughts flashed through his mind, and the fear in his eyes became even more obvious!

“Wrong, everything is wrong!” Xia hang seemed to have thought of something.

He whispered, “All along, the Jingdu Martial Arts Association thought that Qin Yu was an ordinary person, but they didn’t expect that he... He probably has something to do with that person!”

Thinking of this, Xia Hang’s expression became even more panicked!

“No, I have to tell this matter to the martial arts association as soon as possible!” Xia Hang said coldly.

In the sky, that divine dragon swooped down toward Qin Yu again!

This time, Qin Yu didn’t Dodge at all.

He waved his hands and grabbed the neck of the divine dragon directly!

The huge force instantly made the “Divine dragon”struggle violently!

However, Qin Yu’s hands were like two iron pincers, making it unable to move!

“I thought it was really a divine dragon, but it turns out it was just a power condensed from the surface of the dragon vein.”Qin Yu sneered.

Then, Qin Yu grabbed the divine dragon and slammed it to the ground!

The moment it touched, the divine dragon instantly disappeared!

Clouds of mist-like internal Qi returned to the dragon vein!

Qin Yu turned around and looked coldly at Xia Hang.

“What other moves do you have? Just use them,”Qin Yu said coldly.

“I also want to see the methods of the Jingdu Martial Arts Association.”

This Xia hang was Han Wei’s master, so they must be connected.

Through Xia Hang, Qin Yu could know Han Wei’s methods.

But at this time, Xia hang seemed to have lost the will to fight. He took out a martial marquis weapon and threw it into the air!

“Martial Marquis Weapon? Do you think it will be useful to me?”Qin Yu sneered.

When he was still in the Great Circle Realm, Qin Yu had already broken four martial marquis weapons, let alone now!

Xia hang did not say anything. He muttered in a low voice, and it was unknown what kind of strange spell he was activating.

Qin Yu was not anxious. He just wanted to see what kind of method Xia hang had so that he could know how to deal with Han Wei.

“Buzz!”

At this moment, Xia hang’s body suddenly flashed with light!

Looking over, he saw that he was holding a spiritual artifact that looked like a command flag in his hand!

“Spatial spiritual artifact?” Qin Yu’s expression changed!

As expected, the moment the spiritual artifact appeared, Xia Hang’s body began to disappear!

In less than half a second, Xia hang disappeared without a trace!

“Hahahaha!”

Seeing this, Qin Yu couldn’t help but burst into laughter.

He glanced at the members of the JINGDU martial arts association and sneered, “This is your captain? He abandoned you and ran away?”

Everyone looked at each other, as if they could not believe what was happening in front of them.

At this time, Xia hang was rushing to Jingdu.

“This kid must not be left alive.. After I inform the higher-ups, I will definitely use all my strength to kill him!”Xia Hang said coldly.

Chapter 520: Chapter 520, get rid of Qin Yu immediately!

As soon as he boarded the plane, Xia hang hurriedly sent a text message.

This text message was sent to the higher-ups of the Jingdu Martial Arts Association.

...

At this moment, many members of the Jingdu Martial Arts Association were nervously looking at Qin Yu.

Just now, Qin Yu’s combat strength had already made them lose the confidence to resist.

If they were to fight now, they probably had no chance of winning.

Qin Yu sized up everyone and didn’t say anything for a long time.

“Do you want to Kill Us?”At this moment, someone took the initiative to ask.

Qin Yu rubbed his chin and thought for a moment, then said, “It’s fine if I don’t kill you, but you have to hand over all the herbs on your body.”

Everyone looked at each other.

This might be a good choice.

“Take the initiative. If you let me search, it won’t be so comfortable,”Qin Yu said as he stepped on the ground.

No one dared to say anything. They all took out their herbs and placed them in front of Qin Yu.

The herbs from the stone tablet all fell into Qin Yu’s pocket.

In addition to what they had consumed in the past few days, there were also three five-thousand-year-old herbs.

After looting everything, Qin Yu looked at the crowd.

“When something happens, you run away first. Is this the JINGDU martial arts association that you rely on?”Qin Yu’s tone was full of ridicule.

“If that’s the case, you might as well follow me. At least I won’t abandon you and run for your lives,”Qin Yu said half-jokingly and half-seriously.

“Qin Yu, you’re too naive.”

At this moment, a young man said in a deep voice.

This young man was called Chu Hedao. He was the son of the Chu family in Jingdu and was now also a half-step martial marquis.

“We admit that your strength is not bad, but do you really think that we came to the Jingdu martial arts association just to increase our strength?”Chu Hedao continued.

Qin Yu glanced at him, indicating for him to continue.

Chu Hedao stood up and said, “The resources that the JINGDU martial arts association has are not limited to martial power.”

“In other words, the existence of the JINGDU martial arts association is similar to the Chamber of Commerce. It can consolidate our circle and ensure that our relationship will not leak out.”

At this point, Chu Hedao glanced at Qin Yu and said, “At the same time, it also ensures that people like you will not suddenly rise up and affect our status.”

Qin Yu was speechless for a moment.

He didn't expect that Chu Hedao would tell him this.

Most importantly, what he said made sense.

“I know what you're thinking. You either want to replace US or make us disappear,” Chu Hedao continued.

“No matter which one it is, you can't do it with your current strength.”

After saying this, Chu Hedao didn't say anything more.

He swept a glance at everyone and then left.

Looking at Chu Hedao's back, Qin Yu couldn't help but rub his chin.

“This Chu family... is a bit interesting,” Qin Yu thought to himself.

The others didn't stay any longer. They all stood up and left.

It had to be said that after so many years of development in Jingdu, the relationship between the various families had long been impregnable.

Although there would be disputes and hidden fights between them, all the fights would not jump out of this circle.

After all, this was a modern society. The power of capital was too powerful.

“Alright, everyone has left. You can come out now,” Qin Yu shouted at the bottom of the cliff.

The handlebar mustache tiptoed and revealed a pair of eyes.

After confirming that there was no one, the mustache man patted the soil on his body.

“You really left. TSK TSK, fellow Daoist, this venerable one really admires you. You actually challenged the Jingdu Martial Arts Association.” The Mustache Man Sighed.

Qin Yu glanced at him and said, “Stop talking nonsense and quickly make your move.”

Then, the Mustache Man took out his tools and began to make his move against the dragon vein.

...

Jingdu martial arts association.

Xia hang sat in the meeting room with his face covered in dust.

His expression was not good, and there was even a hint of panic.

“Xia Hang, I asked you to lead the team to the dragon vein, and you came back on your own like this?” Someone said coldly.

“Those people are all descendants of the major aristocratic families, and they are also the elite forces of our Jingdu Martial Arts Association. Now, you have abandoned them and come back on your own. What is your responsibility?”

“You’re so cowardly and afraid of death. I don’t think you should take the position of vice president.”

Xia Hang’s expression changed, and he hurriedly said, “I, Xia Hang, am absolutely not cowardly and afraid of death. I’ve returned this time because I have something important to report to everyone.”

“Something important? Let me tell you, if any one of them dies, you won’t be able to bear it,” someone said coldly.

Xia Hang’s expression was extremely ugly. He gritted his teeth, stood up and said, “What I’m talking about is definitely more important than their lives!”

“What nonsense!” Someone shouted!

This voice contained surging inner strength and was directly aimed at Xia Hang!

As a half-step martial marquis, Xia hang was directly shocked by this roar until he vomited blood!

This couldn't help but make people wonder, just what kind of strength were these higher-ups hiding in the shadows? !

“Let him speak. If he can't come up with a reasonable explanation today, then he doesn't need to stay in the Jingdu Martial Arts Association.” A woman's voice was heard.

Xia hang hurriedly bowed and then said, “Although we have observed Qin Yu, we don't pay enough attention to him.”

“The understanding of him is limited to his fights with the Han family and the Yan family.”

“In our impression, we always thought that he was just an ordinary person with good martial arts talent. He had no background and no master.”

“But today... he used a spell.”

Xia hang paused for a moment.

Someone in the dark asked, “What spell?”

“The Infinity Dharma Idol,” Xia Hang said these words.

When the Infinite Dharma Idol was mentioned, the entire conference room fell into silence.

After a while, someone finally spoke.

“Are you sure it's the Infinite Dharma Idol?”

Xia hang hurriedly said, “I’m 100% sure! Although this kid’s infinite dharma idol isn’t mature enough, it’s definitely the infinite Dharma Idol!”

“The infinite dharma idol... seems to have a history.”

“In the whole world, there aren’t many people who can use the infinite Dharma Idol.”

“It’s not that there aren’t many. According to our information, there’s only one person who used the limitless dharma idol and almost caused our Jingdu martial arts association to sink.”

Xia hang hurriedly said, “I suspect that Qin Yu has a relationship with that person! If we let him continue to grow, the consequences would be unimaginable!”

Speaking up to this point, Xia hang stood up and said, “I suggest that we immediately mobilize the highest power and directly get rid of Qin Yu!”

Chapter 521: Chapter 521, the wedding was approaching

The meeting room fell into silence once again.

Everyone was silent, as if they were all thinking about this matter.

Xia hang said somewhat anxiously, “No matter what, we must get rid of this Qin Yu, and we must do it as soon as possible, otherwise, there will be endless trouble in the future!”

“Xia Hang, you should go back first.” However, in the end, everyone still did not listen to Xia Hang’s opinion.

“We will discuss this matter and then make a decision.”

Xia hang clenched his teeth and said anxiously, “If Qin Yu really grows up, then...”

“If I ask you to go back, don’t you understand!”

A voice came from the dark again.

Xia hang opened his mouth and was instantly speechless.

Although he was the vice president of the Martial Arts Association, Xia Hang was very clear in his heart that his main responsibility as the vice president was to face those aristocratic families.

To put it bluntly, he was just a bridge between the martial arts association and the various aristocratic families.

As long as these higher-ups were unwilling, they could make him disappear at any time.

Xia hang had no choice but to walk out of the meeting room.

After coming out of the meeting room, Xia Hang thought about it and finally decided to look for Han Wei and Yan Sihai to discuss this matter

“Since the martial arts association hasn’t made a move, then we can only incite these two aristocratic families to get rid of Qin Yu!” Xia Hang said coldly.

...

In the clubhouse.

Xia Hang, Han Wei, and Yan Sihai sat together.

“I suggest that we get rid of Qin Yu as soon as possible.” Xia hang looked at Han Meng.

Han Meng had always supported attacking Qin Yu in advance, so he could only place his hopes on Han Meng.

However, Han Meng’s attitude changed drastically.

He laughed and said, “Old Xia, I agree with you before, but since my son came out of seclusion, I changed my mind.”

“With my son’s current ability, getting rid of that Qin Yu is nothing!”

Xia Hang’s expression changed, and he hurriedly said, “If it’s too late, then something will happen. There are still close to 20 days, no one can guarantee what will happen in these 20 days!”

Han Meng sneered and said, “What? As Han Wei’s master, don’t you have confidence in him? Do you think my son is inferior to that Qin Yu?”

Xia hang frowned, “Of course I don’t mean that.”

“Then that’s it. As far as I know, my son’s ability is now above yours, right?” Han Meng snorted lightly.

Xia hang opened his mouth, speechless.

“Alright, when the time comes, I will set up an inescapable net.” Yan Sihai took a puff of his cigar.

“As long as this Qin Yu dares to appear, regardless of whether he wins or loses, I will not let him leave Jingdu!”

Hearing this, Xia hang could only nod his head.

“I hope Qin Yu won’t run away in advance,” Xia hang thought to himself.

...

Above the dragon vein.

The handlebar mustache twirled around for nearly two hours.

“This is the place.” The handlebar mustache stepped on the ground and then began to work.

Relatively speaking, the yang tomb was much simpler than the Yin tomb.

Not only that, the Babe inside the Yang Tomb was also not something that the yin tomb could compare to.

After the Yang Tomb was opened, a surge of Yang Qi rushed towards him.

One magic artifact after another was placed in the Yang Tomb.

“I’m Rich! I’m Rich!” The mustached man said excitedly.

Qin Yu’s eyes lit up. There were heaven rank magic artifacts in there! There were even several Earth rank magic artifacts!

“Sigh, I really can’t bear to give you these Babe,” the mustached man said with some heartache.

Qin Yu didn’t pay attention to him. He walked into the Yang Tomb and carefully examined it.

One of the artifact refining cauldrons caught Qin Yu’s attention.

This artifact refining cauldron was entirely jade-green. Even though it was covered in dust, it still couldn’t conceal the jade-green color of its entire body.

“I want this artifact refining cauldron.” Qin Yu pointed at it and said.

The mustached man muttered, “That won’t do! This artifact refining cauldron is also useful to me.”

Qin Yu muttered, “How about this? Other than this artifact refining cauldron, I don’t want anything else. How about it?”

The moustache man was stunned. He hurriedly said, “Is what you said true?”

“Yes.” Qin Yu nodded.

“But I have a condition.”

The moustache man said with a smile, “Fellow Daoist, let alone one condition, I will agree to ten conditions!”

Qin Yu looked at the man with the mustache and said, “I want you to take me to the three Big Graves!”

“Big Graves?” The man with the mustache frowned slightly.

He touched his chin and said, “These big graves are not easy to find...”

“It doesn’t matter if you have stripped them. What I want is Yin Energy,” said Qin Yu.

The man with the mustache blinked, then patted his chest and said, “No problem!”

“Okay, it’s a deal.” Qin Yu heaved a sigh of relief.

According to Qin Yu’s self-speculation, the three graves could possibly support him to step into the half-step martial Marquis Realm!

The half-step martial Marquis realm was not a clear realm to begin with. To put it bluntly, it was just a transitional realm, just a little bit away from the Martial Marquis realm.

It was precisely this little bit of distance that made it hard to know how many people were stuck in this realm for their entire lives.

Although the current Qin Yu was already powerful enough, he did not understand Han Wei well.

There could not be any accidents during this marriage snatching! Therefore, to be able to step into the Martial Marquis realm was a safe bet!

“When do we set off?” Qin Yu asked.

The handlebar mustache held the spiritual artifact as he muttered, “How can it be so fast? I have forgotten many places. You’d better wait for my notice.”

At this point, the handlebar mustache picked out a spiritual artifact and said with a smile, “Spatial spiritual artifact. This thing is not bad...”

Then, the handlebar mustache tried to activate this spiritual artifact.

“Buzz!”

A Ray of light flashed, and the handlebar mustache disappeared without a trace.

“Damn it, where is He!” Qin Yu was instantly anxious.

The two of them didn’t even leave their contact details, and he left just like that?

“Oh no, did I get cheated?” Qin Yu’s brows were tightly knitted, and he was a little flustered.

Qin Yu waited on the dragon vein for an entire day, but the handlebar mustache still didn’t come back.

“F * ck, this bastard,” Qin Yu said angrily.

Not only did he take the Babe, he even ran away!

With no other choice, Qin Yu could only leave this place temporarily.

Qin Yu returned all the way to Chuzhou.

At this moment, Fang Yue was still lying unconscious on the bed.

“Mr. Qin, if this girl continues to lie down like this, will she die?” Yao Qing rubbed his chin and muttered softly.

Qin Yu did not say anything. He was a little worried in his heart.

That he teng had already escaped. It would not be easy to find him.

I wonder if the handlebar mustache will have a way, Qin Yu thought to himself.

The handlebar mustache looked crazy, but Qin Yu had a feeling that this person was not simple.

It was already the end of August. There were only sixteen days left until September 9th!

The news of Han Wei and Yan Ruoxue’s wedding began to spread like wildfire!

Almost the entire Jingdu was discussing this matter.

Some people even claimed that this wedding was the wedding of the century!

The marriage between the two great families had attracted the attention of countless people!

Chapter 522: Chapter 522 was all forced by you

In the following days, Han Wei made more and more appearances.

This appearance not only involved martial arts, but also appeared frequently in the business world.

In a short time, Han Wei had almost become a star of the younger generation.

“Mr. Han, your wedding with Miss Yan is coming up, and that Qin Yu claims that he will come to snatch the wedding. I wonder if you will be worried?” asked the host.

Han Wei, who was wearing a luxurious suit, said with a faint smile, “Of course not. Miss Yan and I are on good terms. No one can shake us.”

“As the old saying goes, I will personally defeat Qin Yu at the wedding. Treat it as a gift to my wife.”

Looking at these interview videos, Qin Yu could not contain his anger.

Especially when he kept calling Qin Yu his wife, it made Qin Yu want to tear his mouth apart!

Not only that, Han Wei’s actions became more and more high-profile.

He consecutively challenged several veteran half-step martial marquises, and almost all of them won in a crushing manner!

After winning eight half-step martial marquises consecutively, Han Wei turned his gaze towards a martial marquis!

This was an old martial marquis named Zhang Wuque, who had already reached the age of more than a hundred years old!

It was said that Zhang Wuque had already entered the Martial Marquis realm a few decades ago. After so many years, no one knew what level he was at.

This battle was held in the Jingdu Martial Arts Association, but it was not publicly announced. All that was known was that Zhang Wuque was carried out on a stretcher in the afternoon, while Han Wei was unharmed!

This news had already spread, immediately causing countless people to be shocked!

Han Wei had actually defeated a real Marquis Wu?

Not only that, from his posture, it seemed that he had won quite easily?

Could it be... that Han Wei had also stepped into the realm of Marquis Wu?

“Mr. Qin.” Yao Qing held his phone and ran in front of Qin Yu.

“It is said that Han Wei defeated an old Marquis Wu,” Yao Qing said in a deep voice.

Qin Yu glanced at his phone, and could not help but show a trace of solemnity on his face.

He was well aware of the gap between a half-step Marquis and a marquis. Even he had no chance of winning!

“Could it be... Han Wei has really stepped into the Marquis Realm?” Qin Yu took a deep breath.

Although it was not that simple to step into the Marquis Realm from a half-step Marquis Realm, Han Wei still had the best resources in the world!

No one knew if Han Wei would step into the Marquis Realm in one Go!

“Mr. Qin, how about... You Don't go,” Yao Qing said from the side.

“If Han Wei really stepped into the martial marquis realm, then... then aren't you going to die?”

Qin Yu glanced at Yao Qing and said coldly, “Even if it's a dragon's Den or a tiger's den, I will go. No one can touch Yan Ruoxue.”

Everything Qin Yu did was for Yan Ruoxue! How could he give up now!

“Marquis Wu... So what if you're a Marquis Wu? If you can become a Marquis Wu, I, Qin Yu, will also have a chance!” Qin Yu took a deep breath.

Although he said this, Qin Yu was somewhat uncertain.

Because time was too short.

...

Jingdu, Yan family manor.

Seeing that time was getting closer and closer, Yan Ruoxue became more and more worried.

During this period of time, she had almost been cut off from all contact, and she knew nothing about the outside world.

She didn't know how far Qin Yu had gone, and she also didn't know what kind of strength Han Wei had now.

“Miss, don't worry too much.”The nanny next to her sighed slightly.

Yan Ruoxue looked at the nanny next to her and whispered, “Aunt He, have you heard from Qin Yu recently?”

The nanny who was called aunt he smiled bitterly and said, “Our phones were also taken away. How could there be any news from Young Master Qin...”

Hearing this, the worry in Yan Ruoxue's heart grew even more.

She was very clear in her heart what kind of Power Qin Yu was facing.

At this moment, the door was pushed open.

Then, she saw Yan Yongxiu slowly walk in.

Seeing Yan Yongxiu, Yan Ruoxue hurriedly stood up and said, “Dad!”

Yan Yongxiu's face darkened as he walked in front of Yan Ruoxue.

“Ruoxue, your wedding with Han Wei is in a few days. Are You Ready?”Yan Yongxiu asked coldly.

Yan ruoxue bit her red lips with her teeth. She looked up at Yan Yongxiu and said, “I won't marry Han Wei.”

A trace of anger flashed across Yan Yongxiu's face!

He berated loudly, "Things have already come to this. Are you still thinking about that Qin Yu?!"

"Do you know how much trouble this Qin Yu has caused outside? ! What's there to be reluctant about this kind of man?!"

"Caused trouble?" Yan Ruoxue seemed to find it a little strange.

What kind of trouble could Qin Yu Cause?

Yan Yongxiu said coldly, "It seems that you don't know your sweetheart very well."

"Okay, then I'll tell you what Qin Yu did outside!"

"He killed dozens of people from the sacred Confucian school, forced the sacred Confucian school to lower its head, and slapped the face of our Yan family!"

"Not only that, even the people from the Jingdu Martial Arts Association were threatened by him!"

At this point, Yan Yongxiu gritted his teeth and said, "That's the Jingdu Martial Arts Association! What does he, Qin Yu, want to Do? Is he trying to rebel?"

"Even if Qin Yu enters the Yan family, he will bring disaster to the Yan family!"

Hearing this, a trace of surprise flashed across Yan Ruoxue's beautiful face.

Qin Yu... actually forced the Saint Confucian school to lower their heads?

One had to know that the sacred Confucian school had the martial marquis overseeing it!

And in Yan Ruoxue's impression, wasn't Qin Yu an ordinary person? In this short period of time, even if his progress was rapid, he was at most a martial grandmaster, right?

Yan Ruoxue raised her head and looked at Yan Yongxiu. She said somewhat deliberately, "Dad, don't joke around. Qin Yu is only a martial grandmaster. How could he threaten the sacred Confucian school, and how could he threaten the Jingdu Martial Arts Association?"

Yan Yongxiu narrowed his eyes and sneered, "Ruoxue, are you trying to trick me?"

"Okay, I might as well tell you that Qin Yu does have some talent. He has already stepped into the half-step martial Marquis Realm."

As soon as these words were said, Yan Ruoxue's eyes immediately lit up!

"Dad, do you remember what you said back then? You said that as long as Qin Yu Can..."

"Enough!"

Before Yan Ruoxue could finish her words, she was rudely interrupted by Yan Yongxiu.

He snorted coldly and said, “So what if he has talent? He doesn’t have the slightest bit of respect in his heart!”

“If our Yan family accepts him, I’m afraid that we will become enemies with the whole world! So you should give up this idea!”

Yan Ruoxue’s face immediately turned cold.

She stared at Yan Yongxiu and said, “Didn’t you force Qin Yu to do this?”

“Back then, you said that he was not qualified and that he was an ant at the bottom.”

“Now you say that he is a disaster. If it weren’t for your coercion, would he have become like this?”

“Don’t tell me that you want Qin Yu to face your oppression with a smile? Are you satisfied with that?”

Chapter 523: Chapter 523, Han Wei’s clamor!

Yan Ruoxue’s words instantly infuriated Yan Yongxiu!

He raised his hand and was about to land on Yan Ruoxue’s face!

But in the end, his hand only froze in mid-air.

“If grandfather was still here, he wouldn’t have tolerated you guys doing this,” Yan Ruoxue said coldly.

At the mention of Yan Yunheng, Yan Yongxiu seemed to have found another excuse.

He snorted coldly and said, “You still have the face to mention your grandfather? Then Qin Yu is the murderer of your grandfather!”

“Is that so?” The corner of Yan Ruoxue’s mouth curled into a sneer.

“Father, I think you know better than me whether my grandfather is dead or not.”

Yan Yongxiu’s face changed and he berated, “Don’t talk nonsense! Your grandfather has already passed away!”

“Is that so?” The sneer on Yan Ruoxue’s face became more and more intense.

“Stop making excuses for your own cowardice.”

“You’re just afraid of my uncle. Even if you have doubts in your heart, you still don’t dare to say it out loud, right?”

After hearing Yan Ruoxue’s words, Yan Yongxiu’s expression became extremely ugly!

“You... You’re spouting nonsense!” Yan Yongxiu turned his face to the side.

“Right, this is the arrogant face of all of you. On the one hand, you bow down to the stronger ones, and on the other hand, you look down on the weaker ones at the bottom.”

“I don’t know how many Good Points Qin Yu has, but at least he won’t be as weak as you guys.”

Yan Yongxiu was so angry that his face turned ashen, but he had nothing to say.

He had always believed that his father wasn't dead, but now that the dust had settled, he didn't dare to think too much about it.

He even forced himself to believe Yan Sihai's words.

“In short, there's no chance between you and Qin Yu anymore,” Yan Yongxiu said coldly.

“September 9th is the day of your wedding, and also the day of Qin Yu's death.”

After saying this, Yan Yongxiu turned his head and left.

A trace of pain flashed across Yan Ruoxue's fair and tender face.

Tears flowed out of the corners of her eyes.

...

On this day, Qin Yu sat in the courtyard, trying his best to find the direction to step into Marquis Wu.

At this moment, Qin Yu's phone suddenly rang.

He took the phone and saw that it was an unfamiliar number from Jingdu.

“Han Wei?” After thinking about it, Qin Yu felt that it could only be Han Wei.

Thus, he picked up the phone and sneered, “Han Wei, have you thought about how to beg for mercy in front of me?”

However, a familiar and pleasant voice came from the other end.

This voice was none other than Yan Ruoxue!

“Qin Yu, are you okay?”

Hearing Yan Ruoxue’s voice, Qin Yu’s heart immediately began to beat violently!

He hurriedly got up and said anxiously, “I’m fine. Ruoxue, where are you now? Did you suffer? You...”

“Qin Yu, I don’t have much time. Listen to me,” Yan Ruoxue interrupted Qin Yu.

She said on the phone, “Qin Yu, on September 9th, you must not come to Jingdu.”

“I grew up in an aristocratic family and know their methods.”

“Whether you win or lose, they won’t let you leave Jingdu. I don’t want to see you come to die.”

Qin Yu gritted his teeth. He grabbed the phone and said, “Ruoxue, I will definitely take you out of Jingdu on that day. Wait for me!”

Yan Ruoxue wanted to say something, but a rough voice came from the other end.

“Who told you to make the call?” Yan Sihai’s voice came from the phone.

Before Yan Ruoxue could say anything, the phone was snatched away.

Then, Qin Yu heard a “Bang”! It was like the sound of the phone being smashed!

“Ruoxue!”

Qin Yu immediately became anxious.

He hurriedly called back, but the sound of the phone being turned off came from the other end!

“Yan Sihai, F * ck you!” Qin Yu couldn’t help but curse!

It was obvious that Yan Ruoxue wasn’t doing well!

And all of this was because of Yan Sihai!

“Yan Sihai... I will definitely kill you, I will personally kill you!” Qin Yu gritted his teeth, anger filling his chest.

He wanted nothing more than to immediately rush to Jingdu and personally kill Yan Sihai!

At this moment, Qin Yu’s phone rang again.

The caller this time was Han Wei!

After the call was connected, he heard Han Wei say faintly over the phone, “Qin Yu, have you heard about my wedding with Ruoxue?”

“F * ck you!” Qin Yu opened his mouth and scolded.

Han Wei on the other end was not angry either. He laughed out loud and said, “What, are you anxious now? Haha, that’s true. Facing something that you are powerless to change, other than being anxious, what else can you do?”

Qin Yu said with a cold face, “Han Wei, let me tell you, Yan Ruoxue doesn’t like you at all. Also, on the 9th of September, I will definitely kill you with my own hands!”

“Hahahahaha!” Han Wei suddenly laughed out loud in an exaggerated manner.

“You’re right. She doesn’t like me. So What?” Han Wei said with a sinister tone.

“Qin Yu, I also told you that after we get married, I will make her kneel in front of me every day to serve me!”

“Doesn’t she like you? Then I will break your limbs in front of her! I will lock you in a cage! I will let you see how I teach Yan Ruoxue a lesson every day!”

Hearing Han Wei’s words, Qin Yu could not help but clench his fists!

“Oh, I heard that you have stepped into the half-step martial Marquis Realm, right? And you even injured Xia Hang?” Han Wei changed the topic and said indifferently.

“En... for an ant, your achievements are indeed not bad, but unfortunately, you are still an ant in front of me. I can stomp you to death with just a lift of my foot.”

“As for your little achievements, they are not worth mentioning in my eyes at all.”

Qin Yu roared crazily, “Han Wei! If I don’t kill you, I, Qin Yu, will never be human!”

Han Wei sneered, “Okay, I hope you can appear at my wedding with Yan Ruoxue on September 9th.”

Han Wei deliberately emphasized the word “Wedding”.

After saying this, Han Wei directly hung up the phone.

Qin Yu grabbed the phone and fiercely fell to the ground!

He had to admit that Qin Yu was really anxious.

He sat on the ground, as if he had been struck by a god.

Han Wei’s words were like a thorn that stabbed into Qin Yu’s heart.

Especially when he was talking about Yan Ruoxue, Qin Yu’s heart felt as if it had been pierced by thousands of arrows.

“I will never allow such a thing to happen...”

Qin Yu’s expression was extremely complicated. There was anger, pain, and more importantly, impatience.

“Fellow Daoist is sitting on the ground. What kind of divine technique is he practicing?”

At this moment, a familiar voice entered his ears.

Qin Yu looked up and saw a cheeky-looking man with a handlebar mustache sitting on the wall.

“Handlebar mustache?” Qin Yu hurriedly stood up and took a step forward, quickly arriving in front of the handlebar mustache.

He stretched out his hand and grabbed the clothes of the handlebar mustache. He said coldly, “You left without saying goodbye last time. How dare you come to find me today?”

“Didn’t I promise to take you to three Big Graves?” The handlebar mustache muttered.

Chapter 524: Chapter 524. He must not be allowed to leave Jingdu!

Qin Yu looked coldly at the handlebar mustache and said, “I thought you had forgotten.”

The handlebar mustache jumped down from the wall and said with a smile, “How is that possible? This venerable self has always kept his word!”

Qin Yu looked at the handlebar mustache and said, “Then don’t waste time. Hurry up and set off.”

“TSK TSK, fellow Daoist, this is your fault. I came all the way here and didn’t even drink a mouthful of water. You should at least give me a meal, right?” The handlebar mustache said with a smile.

Although Qin Yu was anxious, he couldn’t do anything with the handlebar mustache.

Helpless, he could only bring the handlebar mustache back to the living room.

“Yao Qing, go and order some food,” Qin Yu said to Yao Qing.

The handlebar mustache waved his hand and said, “No need to be polite. Don’t overdo it. Just a Manchu-han banquet will do!”

Yao Qing glared at the handlebar mustache and muttered, “Old Thing, you’re really not polite.”

The handlebar mustache giggled and said, “Of course!”

This could not help but make people puzzled. What was with the proud look on the handlebar mustache’s face?

Yao Qing went to the restaurant and ordered some food. The handlebar mustache seemed to have not eaten for a few days as he wolfed down his food.

Peaches, who was beside him, frowned.

She tugged at Qin Yu and whispered, “Mr. Qin, who is this person? Why does he look so annoying?”

Qin Yu spread his hands and did not know how to explain.

“You can call him the man with the handlebar mustache,” Qin Yu said somewhat helplessly.

The way the man with the handlebar mustache ate was too rough, so Yao Qing and Peaches did not dare to come to the table.

The meal lasted for nearly an hour before the moustache man patted his stomach in satisfaction.

“Let’s Go!”The moustache man stood up and said.

“Wait.”At this moment, Qin Yu stopped the moustache man.

“I have something to ask you.”Qin Yu looked at the moustache man.

Then, he brought the moustache man to the bedroom.

The person lying on the bed was Fang Yue.

Qin Yu pointed at Fang Yue and said, “She has been unconscious for almost a month. Do you know what happened?”

The handlebar mustache rolled his eyes and said, “You are an elder of the Divine Alchemist Pavilion. How would I know something that you can’t do anything about?”

Qin Yu frowned and explained the whole process to the handlebar mustache.

After the handlebar mustache heard it, he also frowned slightly.

“Used her to summon the Dragon Spirit?”The handlebar mustache touched his chin and whispered.

Qin Yu nodded and said, “Yes. From then on, she was unconscious and her internal Qi was very weak.”

The handlebar mustache was silent for a moment and said, “I did read something similar in an ancient book, but it has been too long and I have forgotten about it.”

Then, the handlebar mustache said, “How about this? Give me some time and let me recall.”

“Okay.” Qin Yu nodded.

Anyway, Fang Yue had been asleep for so long, so it was not bad for the next few days.

Then, Qin Yu said goodbye to Yao Qing and the others and followed the handlebar mustache to the three big graves.

...

Jingdu martial arts association.

In the meeting room, a few higher-ups were still hiding in the darkness.

“Xia Hang is right. This Qin Yu probably has something to do with that person.”

“Could it be that the prediction from more than ten years ago is really about to come true?”

At the mention of the prediction, several higher-ups fell into silence once again.

“In order to prevent accidents, no matter what, we can’t let Qin Yu Leave Jingdu.” A woman’s voice was heard.

“On September 9th, mobilize three martial marquises and kill Qin Yu.”

“As long as he dares to appear, no matter what price he has to pay, we must kill him!”

Three martial marquises!

The Jingdu Martial Arts Association had not sent out any martial marquises for more than ten years!

And now, they actually directly mobilized three martial marquises! This was enough to show how much they valued them!

As for the “Person” and “Prediction” they spoke of, no one knew what it was. This seemed to be a secret of the Jingdu Martial Arts Association.

...

Qin Yu followed the handlebar mustache to the first big grave.

The first big tomb was in a declining village in the central plains.

This village was desolate and uninhabited. Within a radius of several miles, it was showing signs of decline.

It was said that countless feng shui masters had come to perform the ritual, but in the end, they all ended up in a sorry state.

“What strong Yin Energy.” As soon as he arrived at the village, Qin Yu could not help but be slightly surprised.

Such strong yin energy was almost not weaker than the Yin Tomb under the dragon vein!

Qin Yu hurriedly looked at the handlebar mustache and asked, “Where is the tomb?”

The handlebar mustache glanced at Qin Yu. He stepped on the ground and said, “The whole village is a big tomb.”

Qin Yu couldn't help but be stunned.

Such a big tomb? What was buried there?

The handlebar mustache seemed to see through Qin Yu's doubts and said, “According to my speculation, this place used to be a human sacrifice and a burial pit.”

Qin Yu frowned and found it hard to accept.

According to the Mustache Man, many people were buried alive here.

Perhaps it was because of this that the yin qi here was particularly prevalent.

“Alright, let's hurry up. We still have to go to the next big grave,” the mustache man muttered.

“Okay.” Qin Yu said no more.

He sat cross-legged on the ground and began to absorb the Yin Qi from heaven and earth.

In the blink of an eye, three days had passed.

Qin Yu sat cross-legged on the ground. The surrounding Yin Qi was like a stream flowing like the sea, disappearing bit by bit.

In just a few short days, the Yin Qi here began to disappear. Such a speed even the mustache man was somewhat surprised.

At this time, it was already August 21st. There were only 19 days left until September 9th.

The Yan family and the Han family had already decided on the location of the wedding.

This location was in a huge manor on the outskirts of Jingdu.

The main manor was located on a huge mountain, far away from the human world. It was a good place to kill people.

Today, several uninvited guests had arrived.

Their bodies looked weak, but their internal Qi was extremely powerful.

These people were the true top experts of the Martial Marquis Realm!

“If the Han family’s kid can get rid of him, that would be the best,” one of them said coldly.

“If he can’t do it, we must act immediately and quickly suppress him!”

Chapter 525: Chapter 525, three Yin tombs!

The Jingdu Martial Arts Association was clearly serious.

Three martial marquises were enough to wipe out any sect in the world!

Even the so-called number one sect in the north, the sacred Confucian school, only had one martial marquis overseeing it!

At this moment, Qin Yu didn't know that the Jingdu martial arts association was already secretly watching him.

But he was very clear in his heart that if he could not step into the martial marquis realm, he might not be able to return from this journey.

Qin Yu spent a whole four days to finally completely absorb the yin qi from the first grave.

He sat up from the ground and then shook his arms slightly, spitting out a mouthful of turbid internal QI.

“According to this progress, three such graves are enough to support me to step into the Martial Marquis Realm,” Qin Yu thought to himself.

The rank of Marquis Wu was a watershed. Once one stepped into the rank of Marquis Wu, they would give birth to a golden core, and their strength would also experience an unprecedented surge!

In today's world, the rank of Marquis Wu could practically run amok in the world!

Even top-tier capital families like the Yan family and the Han family could not forcefully order a Marquis Wu to work for them!

“If I can successfully step into the rank of Marquis Wu, this time when I go to Jingdu, I must teach them a lesson!” Qin Yu said coldly.

As long as he could successfully step into the Martial Marquis Realm, Qin Yu would not only be able to take Yan Ruoxue away, he would also be able to pick her up and show off his might!

Successfully taking Yan Ruoxue away was only the first step.

Qin Yu had promised Yan Ruoxue that he would definitely let her stand at the highest peak of Jingdu!

Either he would take back the Yan family, or he would establish an even bigger aristocratic family! A truly top-tier sect that was above the Yan family!

“Let’s go.” Qin Yu walked to the side of the handlebar mustache.

The handlebar mustache agreed and immediately brought Qin Yu to the second big tomb.

The second big tomb was located at a certain border in the north.

Just like the previous big tomb, this place was almost deserted. The atmosphere was cold and uninhabitable.

At a glance, it was frozen for thousands of miles.

The cold wind was like a sharp blade, cutting the life in pain.

The moustache pointed at an iceberg in front of him and said, “This is the place.”

Qin Yu didn’t say anything. He sat down cross-legged and began to absorb the second yin tomb.

Qin Yu spent six whole days on the second yin tomb.

When he finished absorbing the second yin tomb, it was already August 27th.

There were only thirteen days left until September 9th!

The intense sense of urgency made Qin Yu somewhat anxious.

“Take me to the third yin tomb immediately,” Qin Yu said somewhat anxiously.

The mustached man did not say much nonsense. He brought Qin Yu and quickly turned to the third yin tomb.

At this moment, Qin Yu’s body was already filled with a large amount of yin qi, and this Yin Qi would become the foundation for Qin Yu to try to break through to the Martial Marquis Realm.

According to Qin Yu’s calculations, after swallowing the third yin tomb, he would be able to try to enter closed door cultivation to break through to the Martial Marquis realm.

This was also the fastest method.

The two of them arrived at the third yin tomb.

However, the scene here made the two of them frown.

They saw that the third yin tomb had built a high wall, and there were tall buildings rising from the ground.

Looking up, they could see two big words written on the building: Yi Han.

“This is... someone set up a company here?” Looking up at the tall building, Qin Yu couldn’t help but frown.

Not only that, there were also a number of luxury cars parked under the building.

“Strange, why would someone set up a company in such a place?” The mustached man touched his chin and whispered.

Qin Yu also felt it was strange. This kind of place didn't attract people. If ordinary people lived for a long time, they might even get sick and die.

Who would choose to set up a company in this kind of place?

“Can you still find the fourth Yin Tomb?” Qin Yu looked at the handlebar mustache and asked.

The handlebar mustache rolled his eyes and said, “Do you think this yin tomb is a cabbage on the street?”

Looking at this building, Qin Yu could not help but frown.

After thinking for a moment, he finally strode in.

After entering the company, Qin Yu found that the people in this building were all as thin as sticks.

“This is the result of swallowing yin qi,” Qin Yu looked around and said in a low voice.

People who cultivated yin qi would usually be as thin as sticks and not in human form.

The reason why Qin Yu didn't fall into this situation was that he could absorb yin qi at the same time, so that yin and yang could maintain balance.

Then, Qin Yu released his spiritual sense and enveloped the entire building.

Soon, Qin Yu found that there were eight martial grandmasters and a half-step martial marquis in this building!

“It seems that this is not a company,” Qin Yu said in a deep voice.

The mustached man nodded and said, “Well, if I’m not wrong, this should be a sect.”

After all, it was a modern society, and many sects faced the world in the form of high-rise buildings.

Even the Saint Confucian school was the same.

“It’s said that those who cultivate yin qi are mostly sinister and cunning,” Qin Yu said coldly.

The mustached man glanced at Qin Yu and sneered, “Sinister and crafty people? Don’t you cultivate yin qi yourself?”

Qin Yu frowned and said, “I’m different.”

“What’s different about you? It’s just that you stand on different sides,” the mustached man said.

“You said that they’re sinister and crafty. That sage Confucian school is known as a righteous sect. Are they good birds?”

Qin Yu was instantly speechless. For a moment, he had nothing to say.

“Let’s go.” The nonsense made sense. Qin Yu didn’t say anything else.

Following this divine sense, Qin Yu walked towards the roof.

On the way, Qin Yu could clearly feel that the yin energy was getting denser.

When he arrived at a certain office on the top floor, the Yin energy here had already reached its peak.

Qin Yu pushed the door open, only to find that the door was tightly locked, and there was even a forbidden power placed on it.

However, this technique was not even worth mentioning in front of Qin Yu.

He merely used his spiritual energy to break the forbidden power with brute force.

The door slowly opened.

The moment he entered, he saw five people sitting inside the office:

One was a half-step martial marquis, and the other four were at the peak of the Martial Grandmaster realm!

They were all as skinny as sticks. Their hair was disheveled and their faces were dirty. Their eyes were deeply sunken, and they looked a little frightened.

At this moment, they were surrounding a black square object.

All the Yin energy came from this black square object!

“Who are you!” After seeing Qin Yu, the half-step martial Marquis stood up first!

Qin Yu explained, “Everyone, don’t misunderstand. I’m just here to discuss something with everyone.”

“HMPH, we’ve hidden here, and you still don’t want to give up, right? Fine, I want to see how capable you are!” The half-step martial marquis shouted loudly, and then reached out his hand towards Qin Yu!

Qin Yu had no choice but to dodge and explain at the same time.

But unfortunately, this half-step martial marquis didn’t listen to anything, and his moves became increasingly fierce!

Qin Yu frowned slightly. If this continued, who knew how much time would be wasted.

Thus, Qin Yu wrapped his palm with spiritual power and slapped out.

“Boom!”

This half-step martial Marquis was instantly jolted back one after another, and a mouthful of blood gushed out!

The half-step martial marquis wiped the blood at the corner of his mouth and stood up from the ground.

He gritted his teeth and said coldly, “As expected of someone from the Jingdu Martial Arts Association. Your strength is indeed extraordinary!”

Hearing this, Qin Yu was instantly stunned.

“Jingdu Martial Arts Association? I’m not a member of the Jingdu Martial Arts Association,” Qin Yu said awkwardly.

“You’re not a member of the Jingdu Martial Arts Association, but you’re also their lackey!” The half-step martial marquis shouted.

Qin Yu couldn’t help but frown. He was silent for a moment, then said, “A lackey of the Jingdu Martial Arts Association? The Jingdu Martial Arts Association has tried their best to kill me, so how can I become their lackey?”

Before the half-step Marquis could speak, another wave of fierce internal Qi came from the door!

Then, four or five people walked in from outside the door.

These people wore white robes. On the white robes, there was the symbol of the Jingdu Martial Arts Association.

Not only that, in their hands was a martial marquis weapon!

“You can hide quite well.. You actually hid in such a place?” As soon as these people entered the door, they sneered.

Chapter 526: Chapter 526, evil sect

Seeing these people, the half-step martial marquis immediately became anxious.

“You still say you’re not a lackey of the Jingdu Martial Arts Association!” He roared angrily!

Then, he turned to look at the other people and said coldly, “You guys leave immediately. Leave this place to me!”

“Elder Lu, then... then what about you?” The expressions of the martial grandmasters were somewhat unsightly.

The half-step martial marquis known as elder Lu coldly said, “I naturally have a way. Take the Yin formula and quickly leave!”

“Want to leave? Do you think you can leave?” The person from the JINGDU martial arts association stretched out his hand, and the four martial marquis weapons immediately buzzed and hung in all directions!

The space of the entire building was instantly confined here, and no one could escape!

Elder Lu gritted his teeth and said coldly, “We have never provoked anyone. We have even helped countless people solve the feng shui problem. What right do you have to arrest us!?”

The few members of the martial arts association sneered and said, “Cultivating Yin qi is an evil sect. We are here to arrest you!”

Qin Yu remained silent at the side.

He really didn't expect the martial arts association to have so many actions. It seemed that they really regarded themselves as the law enforcers of the martial arts world.

“Are you coming with us, or are you going to be killed on the spot?” The leader asked indifferently.

Elder lu gritted his teeth and said, “Let them go. They are still young...”

“Stop dreaming,”the martial arts association’s man interrupted elder Lu.

“Maggots like you, don’t even think about escaping. We will kill every single one of you.”

“That’s right. You Don’t want to cultivate inner strength, but you want to cultivate yin qi. You deserve to die.”

Hearing the words of the martial arts association, elder Lu seemed to be on the verge of breaking down.

He glared at the few of them and gritted his teeth, “Cultivate inner strength? All the resources in the world have been taken by you people. How can we cultivate inner strength?”

“We can’t afford the herbs. The spirit vein belongs to you nobles. You took all the benefits and turned around to call us maggots!”

“I think the biggest maggots are you!”

“Well said!”Even Qin Yu couldn’t help but clap his hands.

Only then did the people of the Martial Arts Association Notice Qin Yu.

They looked at Qin Yu coldly and said, “It seems that you are also an evil person.”

“What? I think they are right. Is It Evil?”Qin Yu sneered.

“Your Jingdu Martial Arts Association is really good at making accusations.”

“How dare you!”Hearing this, they were instantly furious!

“The Jingdu Martial Arts Association is not something you can slander!”

Qin Yu did not pay attention to them. Instead, he looked at elder Lu and said, “Elder Lu, I will help you kill them. How about you lend me that Yin Formula?”

At this point, Qin Yu hurriedly added, “Don’t worry, I will definitely return it to you in the future.”

Before elder Lu could say anything, the martial arts association’s expression turned cold.

“Kill us? You have such big words,”one of them said coldly.

“Even if you are not a heretic, you will die here today!”

With that said, the marquis weapons in four different directions started to flash!

A wave of killing intent instantly spread throughout the office!

“Buzz!”

With the activation of the Marquis weapons, a terrifying wave of killing intent headed straight for Qin Yu!

Qin Yu snorted coldly. He immediately clenched his fist and met it head-on.

“Clang”

A deafening collision entered everyone’s ears!

And that wave of killing intent was shattered by a single punch!

Even the Marquis weapons hanging in the corner began to tremble slightly!

“You want to kill me with just a Marquis Weapon?” Qin Yu sneered.

The expressions of the four members of the martial arts association changed immediately!

One of them asked tentatively, “Who exactly are you?”

“Qin Yu,” Qin Yu said quietly with his hands behind his back.

Hearing this, the expressions of the four people changed drastically!

“You... You Are Qin Yu? !” They subconsciously took two steps back!

Now, Qin Yu’s name had long spread throughout the Jingdu Martial Arts Association!

His deeds were known by everyone!

Forcing the Saint Confucian school to lower their heads, injuring vice president Xia Hang, forcefully snatching the dragon vein of the martial arts association, and killing the descendants of aristocratic families...

Any one of these things was enough to make people tremble in fear!

And Xia hang even identified Qin Yu as “One of the most dangerous people”!

Never did he expect to meet Qin Yu here today!

“You are Qin Yu?” Elder Lu was also stunned.

Qin Yu scratched his head and said, “Why, Am I so famous now?”

Qin Yu’s humor did not ease the atmosphere, but instead made people even more nervous.

The four members of the Jingdu Martial Arts Association looked at each other.

Then, one of them took a step forward and said, “Qin Yu, our duty is to eliminate these unorthodox sects. I hope you won’t make things difficult for us.”

“Eliminate the unorthodox sects?” Qin Yu couldn’t stop laughing coldly.

“Don’t make yourself sound so noble. Who knows what your Jingdu Martial Arts Association is doing?”

“You might even catch these people and turn them into resources for your own cultivation.”

As soon as these words were said, their expressions instantly changed!

Seeing this, Qin Yu couldn’t help but frown slightly.

“What, did I hit the nail on the head?” Qin Yu’s expression was somewhat unsightly.

“You... You’re spouting nonsense!” The few people said coldly.

“Qin Yu, you’d better get out of the way quickly. This matter has nothing to do with you!”

Qin Yu sneered, “If I see it, it has something to do with me.”

“Besides, I also hate your Jingdu Martial Arts Association.”

As he spoke, Qin Yu’s internal Qi climbed up, and a powerful force spread out.

“Mr. Qin, please be careful!” Elder Lu, who was not far away, shouted.

Qin Yu ignored him. He glanced at these people and said coldly, “Come, I also cultivate yin qi. Let’s do it.”

The few of them could not back down. They gritted their teeth and could only activate their martial marquis weapons to force their way towards Qin Yu!

Qin Yu did not panic at all when faced with these four martial marquis weapons.

When he was at the perfect stage, Qin Yu had already shattered four martial marquis weapons, not to mention now!

Qin Yu clenched his hands, and a golden light immediately shone brightly!

The four martial marquis weapons buzzed. Rays of light gathered into a huge ray and shot towards Qin Yu!

Qin Yu's expression did not change as he met the attack head-on!

His fist looked simple and unadorned, but it contained a destructive power!

The moment they collided, a huge explosion sounded!

A terrifying power spread out and sent everyone flying!

“Break for me!”

Qin Yu roared as the light on his fist surged!

The four Marquis weapons began to tremble violently!

In less than half a minute, the marquis weapons could no longer hold on!

“Crack!”

A few crisp sounds rang out, and the four Marquis weapons shattered with a sound!

All the light instantly disappeared, and the marquis weapons turned into a pile of scrap metal!

My Rich Wife – Chapter 527 –

Chapter 527: Chapter 527, the arrogant Han Wei

“Clang!”

The four Marquis weapons all fell to the ground.

Qin Yu raised his foot and directly crushed the four Marquis weapons into pieces.

Everyone’s expressions were unsightly, and their hearts were incomparably shocked!

They had always heard of Qin Yu, but they had never seen him make a move.

Seeing him today, they turned pale with fright!

“Not good, run quickly!”

No one knew who was the first to react, but they turned around and wanted to run!

Qin Yu sneered. He raised his palm and pinched forward.

The four people instantly felt a huge force grab their bodies, and they couldn’t move!

“It’s probably too late to run now,” Qin Yu said coldly.

In the next second, Qin Yu took a step forward and arrived in front of them in the blink of an eye.

The Heaven Devouring technique was activated in an instant and directly devoured the four people along with their spiritual senses!

Elder Lu and the others who were not far away gulped, as if they did not dare to believe the scene in front of them.

“So powerful... as expected of the reputation!”Elder Lu could not help but sigh.

After dealing with these people, Qin Yu turned around and walked in front of elder Lu.

He cupped his hands and said, “Elder Lu, I urgently need yin qi now. If you are willing to lend me this yin formula, I will definitely return it to you twice in the future.”

Elder Lu didn't say anything. He took the Yin formula and handed it to Qin Yu with both hands.

“Mr. Qin, your name is like thunder in my ears. You are the model of my generation. Please take this yin formula and use it,”elder Lu said politely.

Unconsciously, many people had already regarded Qin Yu as their idol.

And Qin Yu knew very well that as long as he defeated Han Wei this time, his reputation would be greatly boosted and he would reach the peak.

At that time, as long as he waved his arm and established his own sect and aristocratic family, it wouldn't be a problem at all.

“Elder Lu, I will return it to you,”Qin Yu said politely.

The Yin formula was only a one-time use item. Once it was used up, it would be gone.

However, who knew how many places in the world that were filled with yin qi had yet to be excavated. There would definitely be a chance to return it in the future.

After obtaining the Yin formula, Qin Yu didn't stay any longer and immediately left this place.

After going downstairs, the mustache man muttered, "Alright, my promise has been fulfilled. I have to make the next trip as soon as possible."

Qin Yu looked at the mustache man and said, "If there's a chance, I'll go with you."

"Sure, no one is willing to have a fighter," the mustache man said with a smile.

After the two of them parted ways, Qin Yu didn't waste any time and immediately rushed to Chuzhou.

Time was of the essence and Qin Yu did not dare to waste a single second.

While sitting on the plane, Qin Yu began to absorb the Yin formula.

This yin formula was formed from pure yin energy. The intensity of the Yin energy was self-evident.

Along the way, Qin Yu spent almost all his time absorbing this yin formula.

When he arrived at Chuzhou, the black luster on the Yin formula had already dimmed a little.

After returning home, Qin Yu looked at Yao Qing and Peaches.

“I’ll be going into closed-door cultivation for the next few days,” Qin Yu said.

He calculated the time and said, “On September 8th, wake me up no matter what.”

Yao Qing nodded and said, “Mr. Qin, don’t worry.”

Then, Qin Yu took the Yin formula all the way to the back mountain.

It was already August 29th, and there were only a few days left until September 9th.

Han Wei and Yan Ruoxue’s wedding was even more widely publicized, almost reaching everyone’s ears.

Even the news and television were reporting on this matter!

This was a marriage alliance between two top aristocratic families. Whether it was the martial arts world or the ordinary people, everyone was paying attention to this matter.

With the power of the connections of the Yan family and Han family, they could practically invite all the bigwigs in Jingdu to attend the wedding!

The two parties had even arranged the wedding venue early, waiting for the arrival of the 9th of September.

Time flew by.

In the blink of an eye, three days had passed.

In these three days, the Yin formula in Qin Yu's hand had dimmed a bit more.

The Yin energy within it had been reduced by more than half!

His entire body was filled with endless yin energy, yin energy and Qi/spiritual energy, slowly reaching a balance.

As the 9th day of the 9th month approached, everything seemed to calm down.

But everyone knew that this was the calm before the storm.

On the martial arts forum, news of Han Wei kept coming, but more people were discussing whether Qin Yu would appear at the wedding.

And whether the battle between the two of them could go on as planned.

“That Han Wei has already killed a martial marquis. He must have also stepped into the Martial Marquis Realm.”

“En, Qin Yu is only a half-step martial marquis. I'm afraid his chances of winning are not high.”

“Qin Yu's talent should be above Han Wei. You must know that Qin Yu only used a year to grow from nothing!”

“Who in the world can step into the realm of half-step Martial Marquis in a year? Even ye Qingjiang he couldn't do it, right?”

“If I were Qin Yu, I would suffer patiently and wait until i stepped into the realm of Martial Marquis to take revenge.”

“But unfortunately, Qin Yu is not that kind of person.”

Everyone agreed that Qin Yu would definitely appear at the wedding!

Jingdu, Han family.

The people of the Han family, as well as the four brothers of the Yan family, were sitting in the hotel discussing the wedding plan.

“Uncle Yan, let me propose a toast to you.” Han Wei held a glass of wine and walked in front of Yan Sihai.

“Thank you for marrying Miss Yan to me.”

This made Yan Yongxiu feel awkward. As Yan Ruoxue’s father, he was not the first person to be toasted.

“Second uncle, let me propose a toast to you too.” Then, Han Wei held his glass and looked at Yan Yongxiu.

Yan Yongxiu took a sip of wine and said, “I only have one daughter. You have to treat her well.”

Han Wei laughed and said, “Don’t worry, I will definitely treat her well!”

Although he said that, Han Wei’s heart was extremely vicious.

“Treat her well? Doesn’t this B * Tch like Qin Yu? I will definitely torture this B * Tch!” Han Wei cursed in his heart.

At this moment, Yan Sihai glanced at Han Wei and said, “Han Wei, are you confident in your fight with Qin Yu?”

Han Wei smiled faintly and said, “Uncle Yan, don’t worry. He, Qin Yu, is just an ant. I can stomp him to death with just a lift of my foot!”

Han Meng, who was at the side, also laughed out loud and said, “With my son’s current ability, killing that Qin Yu is no problem at all!”

Chapter 528: Chapter 528, small fish dual cultivation

Seeing the confident father and son duo, Yan Sihai nodded slightly.

He said indifferently, “Not only must we win, we must also win thoroughly.”

“If necessary, we will invite Marquis Wu to make a move.”

Han Wei hurriedly waved his hand and said, “There’s no need. Marquis Wu is just a defeated opponent of mine!”

“Then let us congratulate Han Wei in advance!” Yan Sihai raised his cup, and everyone immediately stood up.

...

Time flew by.

Qin Yu had entered the selfless realm, and the absorption of yin qi seemed to be an instinctive action.

The Yin Qi in his body had almost formed a balance with Yang Qi. With the current internal Qi in his dantian, it was enough to support him to enter the Martial Marquis Realm!

“Mr. Qin, it’s time.”

On this day, peaches gently patted Qin Yu’s shoulder.

However, Qin Yu didn’t react at all. His legs were crossed and his eyes were still slightly closed.

“Aiya, you’re too gentle. This won’t work,” Yao Qing muttered.

After saying that, he raised his foot and kicked Qin Yu’s body fiercely.

When one was in seclusion, they were at their weakest.

Therefore, this kick directly kicked Qin Yu to the ground.

He slowly opened his eyes, and the first thing he saw was the dazzling sun.

“Is it time?” Qin Yu sat up from the ground.

His brows were tightly knitted, and his face was full of worry.

“Mr. Qin, how is it?” Yao Qing asked.

Qin Yu shook his head and said, “Internal QI is clearly enough, but I can’t step into the Marquis of Wu.”

The next day was the ninth day of the ninth month. Qin Yu had no time at all.

“Mr. Qin, how about... forget it,” Yao Qing said.

Qin Yu took a deep breath and said, “No matter what, I won’t watch Ruoxue marry Han Wei.”

Even thinking about it, Qin Yu found it hard to accept!

At this moment, Qin Yu felt that someone seemed to be coming from outside.

Qin Yu looked in the direction of the door and then left the back mountain.

All the way to the courtyard, he saw Gu Taichu and Jiang Gu gathered here.

Besides them, Uncle Wu and Little Yu were also here!

“Qin Yu!”

Little Yu was the first to run over.

She grabbed Qin Yu’s arm and whispered, “You can’t let sister Ruoxue marry that bastard Han Wei!”

Qin Yu stroked Xiaoyu’s hair and forced a smile, “Don’t worry. Even if I have to risk my life, I won’t let Han Wei get his way.”

“Xiaoyu, go to the side quickly. Don’t delay your brother Qin Yu’s business,” uncle Wu berated from the side.

Qin Yu looked at everyone and said, “Everyone, please come in.”

When they came to the living room, peaches made a pot of tea for everyone.

“Mr. Qin, what is your current realm?” Jiang Gu couldn’t help but ask.

Qin Yu frowned and said, “Half-step martial marquis.”

“Half-step Martial Marquis?” A hint of surprise flashed across Jiang Gu’s face, but at the same time, there was a hint of worry.

“Mr. Qin, that Han Wei seems to have just killed a martial marquis,” Jiang Gu said in a deep voice.

Qin Yu nodded and said, “I know. I’ve been trying to become a martial marquis for the past few days, but I don’t know why, but all the conditions to become a martial marquis seem to be enough, but I just feel that I’m lacking something.”

Jiang Gu couldn’t help but look shocked.

He used to be the number one person in Chuzhou, but now the gap between him and Qin Yu was getting bigger and bigger.

“In just a short year, he has already entered the Martial Marquis Realm. It’s really terrifying,” Jiang Gu couldn’t help but sigh.

However, Qin Yu remained silent.

Right now, he was not in the mood to sigh about his talent. Instead, he was worried about how to step into the realm of the Martial Marquis.

“It is said that stepping into the realm of the Martial Marquis requires a certain amount of opportunities and opportunities. It is not possible to

rely on closed-door cultivation,” Gu Taichu, who had remained silent all this while, suddenly said.

Qin Yu looked at Gu Taichu and said, “Master Gu, what do you mean by opportunities and opportunities?”

Gu Taichu was silent for a moment, then said, “Everything is ready, only the east wind is needed.”

Everything is ready, only the East Wind is needed?

Qin Yu was a smart man, so he quickly understood the meaning of this sentence.

“In other words... It depends on the heavens.” Qin Yu frowned.

Gu Taichu nodded slightly and said, “Yes, many people feel the arrival of a breakthrough unknowingly.”

“Of course, nothing is absolute. There are also people who forcefully try to break through to the Martial Marquis realm, but the success rate is extremely low.”

Qin Yu could not help but think of the pavilion master.

She had suppressed her cultivation realm for many years, but when she wanted to break through, she quickly stepped into the Martial Marquis realm.

How did she do this?

“Qin Yu, no matter which path it is, it’s too late for you.” Gu Taichu sighed.

Qin Yu smiled bitterly. “Yes, I plan to go to Jingdu today.”

“So Soon?” Uncle Wu frowned.

He held Qin Yu’s hand and said, “Are you really going to Jingdu?”

Qin Yu grunted and said, “I must go.”

Uncle Wu frowned and sighed. “If you are going to die, I don’t think Miss Yan will let you do it.”

Qin Yu slowly sat up.

He looked to the north and said, “It’s not that simple if they want to kill me.”

Qin Yu had been looking forward to fighting with Han Wei for a long time.

Qin Yu had long wanted to smash that loathsome face of this high and mighty young master.

“Qin Yu, Han Wei is different from other opponents. He might be the strongest opponent you will encounter,” Gu Taichu said slowly.

Qin Yu smiled. “I know. After all, he is the son of an aristocratic family and is known as the genius of Jingdu.”

Qin Yu paused for a moment and continued, “But which great master didn’t step on geniuses all the way to the top?”

Everyone was silent.

They wanted to advise Qin Yu, but they understood that Qin Yu had already made up his mind.

“Yao Qing, go prepare some food,” Qin Yu said to Yao Qing.

“Okay,” Yao Qing agreed and turned around to leave the room.

The atmosphere of the meal was a little strange.

Everyone’s mood was quite heavy.

After the meal, everyone planned to leave. After all, Qin Yu was about to leave for Jingdu.

At this moment, Xiao Yu suddenly pulled Qin Yu’s arm and said, “Qin Yu, come here. I want to talk to you.”

“Xiao Yu, don’t mess around!” Uncle Wu scolded.

Xiao Yu ignored uncle Wu. She pulled Qin Yu’s arm and walked to another room.

“What’s Wrong?” Seeing Xiao Yu’s impatient look, Qin Yu couldn’t help but laugh.

Xiao Yu looked around and said, “I just heard from them that you need a chance to become a marquis, right?”

Qin Yu nodded and said, “Yes.”

Xiao Yu gritted his teeth and said, “Am I not that pure yin body? I know that dual cultivation can bring about magical effects. Perhaps.... Perhaps this will allow you to step into the rank of Marquis.”

Chapter 529: Chapter 529, Yan Yunheng V S Yan Sihai

Xiao Yu's words stunned Qin Yu.

It had to be said that her suggestion might really be useful. After all, dual cultivation with a pure yin body could indeed bring miraculous results.

Unfortunately, Qin Yu could not accept this at all.

He could not accept anyone other than Yan Ruoxue.

"Alright, I have my own ways." Qin Yu stroked Little Yu's head.

Little Yu said anxiously, "I'm not only doing this for you, but also for sister Ruoxue."

Qin Yu said in a low voice, "Think about it. If your sister Ruoxue finds out about this, how will you face her in the future?"

Little Yu was instantly speechless. For a moment, he had nothing to say.

"Don't worry. It's just Han Wei. I'll personally wring his dog head off tomorrow," Qin Yu said with a smile, pretending to be relaxed.

After saying this, Qin Yu dragged Xiao Yu out of the house.

"Everyone, regret period." Before leaving, Qin Yu looked at everyone and slightly cupped his hands.

"Mr. Qin, I'll go with you," Yao Qing said.

Qin Yu glanced at him and shook his head. "It's useless even if you go. You should stay."

“No, no matter what, I want to go with you!” Yao Qing said seriously.

Qin Yu thought for a moment and nodded. “Alright then. I also happen to lack a companion on the way.”

After saying goodbye to everyone, Qin Yu went to the airport and headed to Jingdu!

This was the third time Qin Yu had come to Jingdu!

And this time, his state of mind was completely different from the previous two times.

Standing at Jingdu Airport, Qin Yu had an indescribable feeling in his heart.

There was nervousness, worry, and excitement...

But in the end, all his emotions turned into calm.

“Mr. Qin, where are we going now?” Yao Qing followed by the side and asked.

Qin Yu narrowed his eyes and said coldly, “To the Yan family!”

Qin Yu was worried about Yan Ruoxue’s safety. Now that he had come to Jingdu, Qin Yu naturally had to go to the Yan Family First!

“To the Yan Family?” Yao Qing seemed to be a little worried.

One had to know that the Yan family had always wanted to get rid of Qin Yu. Now that they took the initiative to go to the Yan family, wasn’t that courting death?

“If you’re afraid, then find a place to stay first,” said Qin Yu.

Yao Qing smiled bitterly and said, “I have a cheap life. What’s there to be afraid of?”

“Then let’s go.”

The two of them took a taxi and headed straight for the Yan family’s manor!

At this moment, at the solemn entrance of the Yan family’s manor, there was an uninvited guest.

He looked young, only in his thirties or forties, but his expression and posture were that of an old man.

This person was none other than Yan Yunheng, who had changed his body!

No one had expected that Yan Yunheng would come to the Yan family’s manor!

Ever since old Mister Yan “Died”, the Yan family’s manor had changed people inside and outside.

Even the bodyguards at the door had changed into familiar faces.

Yan Yunheng stood there and looked at the Yan family’s manor that he was most familiar with, and there was an indescribable pain in his heart.

“HMM? That person seems a little strange.” Soon, someone noticed old Mister Yan.

“I keep feeling that he seems to be a little similar to the person that President Yan wants to capture,” another bodyguard said softly.

The two of them looked at each other and suddenly took a step forward and grabbed old Mister Yan!

Yan Yunheng frowned slightly. He looked at the two of them coldly and said, "What do you want to do!"

"What do you want to Do? Don't think that I don't know that you have offended old Mister Yan. Old Mister Yan has always wanted to capture you!"The bodyguard said fiercely.

"I didn't think that you would dare to come to the Yan family's Manor?"

The two of them did not say anything else. They grabbed old Mister Yan and walked into the manor.

They imprisoned old Mister Yan in the living room. Then, they took out their phones and called Yan Sihai!

After a phone call, not long after, Yan Sihai rushed to the Yan family manor!

"Where is He!"Once the door was pushed open, Yan Sihai said anxiously.

"Director Yan, he is here."The bodyguard hurriedly pointed to Yan Yunheng beside him.

Their eyes met, and the atmosphere instantly froze.

Yan Sihai stared intently at Yan Yunheng in front of him, and his expression could not help but be a little strange.

Even though old Mister Yan had changed into a new body, his expression and gaze were no different from the old Mister Yan!

This made Yan Sihai feel a chill down his spine, and even a trace of fear rose from the bottom of his heart!

Even though Yan Sihai had become the new head of the Yan family, he was still indescribably nervous in front of his father!

“You guys can go out first.” Yan Sihai frowned and then waved his hand.

After sending the two bodyguards away, Yan Sihai sat directly opposite Yan Yunheng.

When father and son met, they were not as happy and excited as they had imagined. Instead, they were a little nervous.

“Yan Sihai, you are now very capable,” Yan Yunheng said coldly.

Yan Sihai’s expression changed again. He opened his mouth and realized that it was like a fishbone in his throat.

“What? You took over the Yan family and now you want to get rid of me?” Yan Yunheng asked coldly.

Yan Sihai gritted his teeth. He knew very well that there was no turning back. It was useless to say anything now.

Therefore, Yan Sihai mustered up his courage and looked at Yan Yunheng.

“Dad, if you are willing, I can let you enjoy your old age and give you everything you want!” Yan Sihai said through gritted teeth.

“You can continue to stay in the Yan family’s manor. Whatever you want, I’ll get someone to send it to you! But... you can’t stay outside!”

When Yan Yunheng heard this, he couldn't help but laugh and said, "You want to put me under house arrest? Just like putting Ruoxue under house arrest?"

"Dad, this is good for everyone," Yan Sihai said coldly.

"You are already so old. Why don't you go and work hard to enjoy your old age?"

Yan Yunheng sneered, "So, I have to thank you for your charity?"

Yan Sihai fell into silence.

He sighed and then slowly said, "I knew you wouldn't agree. With your temper, you won't let me go either, right?"

Yan Yunheng narrowed his eyes and said, "Why are you so anxious? I can live for three years at most. In three years, the Yan family will pass it to you."

"Pass it to me? Who knows if you will pass it to Yan Ruxue!" Yan Sihai gnashed his teeth and said.

He suddenly stood up and berated, "The Yan family must be mine. It can only be mine! Besides me, no one else has the right to touch it!"

"For the position of the successor of the Yan family, I can give everything! I can also get rid of everything! Even you!"

Yan Yunheng looked at Yan Sihai in front of him and said in a deep voice, "You have been blinded by the pleasure brought by power."

How Could Yan Sihai listen to all these ? He looked at Yan Yunheng coldly and said, “Dad, I will give you two options. Either you stay in the Yan family manor and enjoy your old age, or...”

He didn't finish his words, but the meaning was very obvious.

“You should be clear that as long as I don't admit that you're Yan Yunheng, then you're not.”Yan Sihai lit a cigar.

Yan yunheng sneered and said, “Threatening me ? You're still young.. If you're really ruthless, then make your move.”

Chapter 530: Chapter 530, a Slap!

Yan Sihai looked at Yan Yunheng coldly and said, “Father, you'd better not force me. For the position of the head of the Yan family, I will do anything!”

Yan Yunheng stared at his own flesh and blood in front of him and could not help but whisper, “The effect of power has already made you completely lost.”

“I don't want to listen to your nonsense!”Yan Sihai roared and his body immediately surged with killing intent!

Although Yan Sihai was a shrewd businessman, he was also a peak martial grandmaster!

And Yan Yunheng wholeheartedly built his own business empire, never dabbling in martial arts!

The two sides faced off, and Yan Yunheng was instantly shocked until he vomited blood!

“This person has repeatedly harmed the Yan family’s interests. I Can’t stand it anymore, so I dragged him out and settled it,”Yan Sihai said coldly.

Before he could finish his sentence, two bodyguards ran in from outside the door.

Yan Yunheng’s heart was filled with mixed feelings.

Yan Sihai was his own son after all. Now that he had committed patricide, how could he not feel pain in his heart!

Even though he showed that he was unperturbed, his heart was already in extreme pain!

The two bodyguards grabbed Yan Yunheng and Strode out!

Yan Sihai’s expression was also somewhat ugly, but in the end, he still let it go.

“I gave you a chance, Don’t blame me.”Yan Sihai snorted lightly.

...

Outside the door.

Qin Yu and Yao Qing just happened to arrive at the entrance of the Yan family manor.

Just as they walked to the door, Qin Yu saw Old Mister Yan being dragged out by two bodyguards.

“Old Mister Yan!”

Seeing this scene, Qin Yu's expression changed drastically!

His feet suddenly shook, and he instantly appeared in front of the two bodyguards!

Before they could react, Qin Yu had already stretched out his hands and smashed their heads into pieces!

"Old Mister Yan, you... Why are you here?" Qin Yu grabbed old Mister Yan's arm and asked anxiously.

Old Mister Yan did not say anything. His eyes were staring in the direction of the living room, and there was a hint of pain in his eyes.

Qin Yu seemed to have guessed something.

His face turned cold, and he immediately led Old Mister Yan into the living room.

He kicked open the door of the living room and saw Yan Sihai sitting on the sofa, smoking a cigar.

"Yan Sihai, you are really a beast," Qin Yu said coldly.

Seeing Qin Yu, Yan Sihai was instantly stunned.

He slowly stood up and sneered, "Qin Yu, how dare you come to the Yan family's Manor?"

Qin Yu ignored his bullshit. He pointed at Old Mister Yan and said, "This is your father. Everything you have is given by him. How dare you kill him? Are you still human?"

Yan Sihai sneered, "Qin Yu, what are you talking about? My father was killed by you a long time ago. Who is this person?"

"You!" Qin Yu immediately flew into a rage.

"You, on the other hand, dare to come to My Yan family's manor alone. Why? Are you tired of living?" Yan Sihai's expression also turned cold.

Qin Yu looked at Old Mister Yan and said in a low voice, "Old Mister Yan, you can leave first. I want to have a chat with Yan Sihai."

Old Mister Yan frowned and said, "Qin Yu, you..."

"I know what to do," Qin Yu interrupted old Mister Yan.

Then, he looked at Yao Qing and said, "Take old Mister Yan out."

"Yes, Mr. Qin." Yao Qing nodded and immediately led old Mister Yan out of the living room.

Yan Sihai smoked his cigar and sneered, "You Little Ant, How dare you come in front of me?"

Qin Yu looked at Yan Sihai coldly and said, "Yan Sihai, I know that you are rich and have a high status, but you only have one life."

Hearing this, Yan Sihai's expression changed slightly.

"What do you mean?" Yan Sihai said coldly.

Qin Yu clenched his fist and said, "You don't even have a bodyguard by your side, and you are only a martial grandmaster. What right do you have to be arrogant with me?"

As he spoke, Qin Yu walked toward Yan Sihai step by step.

Yan Sihai was, after all, a person who had experienced great storms. Even under such circumstances, he did not panic at all.

“You want to scare me?” Yan Sihai sneered.

“With just you? An Ant at the bottom? I, Yan Sihai, have eaten more salt than you have eaten rice! Do you dare to Touch Me!”

“It seems that you don’t know me very well,” Qin Yu said coldly.

The next second, Qin Yu’s palm suddenly stretched forward!

In the blink of an eye, this slap landed on Yan Sihai’s face!

Although the force was not strong, it was extremely insulting!

Yan Sihai touched his face and his expression turned extremely ugly!

“You dare to hit me?!” Yan Sihai flew into a rage!

He was the head of the Yan family! No one had ever dared to humiliate him like this!

Qin Yu sneered, “Not only do I dare to hit you, I also dare to kill you!”

As he spoke, waves of intense killing intent burst out from Qin Yu’s body!

His heart was really filled with killing intent!

This might be the best opportunity to kill Yan Sihai! After today, Qin Yu would probably never have the chance to make a move against him again!

Yan Sihai looked at Qin Yu coldly and said, "Alright, go ahead and try. I can guarantee that if anything happens to me, I will make everyone related to you disappear, including Yan Ruoxue."

Qin Yu's expression could not help but change.

He did not doubt that Yan Sihai really had the ability.

Moreover, killing Yan Sihai would not solve the fundamental problem at all. It would only make the Yan family more chaotic.

In an instant, Qin Yu was like a deflated rubber ball. His killing intent began to disappear bit by bit.

Yan Sihai lit a cigar and said indifferently, "Why? Are you giving up just like that? Aren't you very capable?"

Qin Yu raised his head and looked at Yan Sihai coldly.

"Yan Sihai, it's easy for me to kill you. The reason why I don't make a move is not because I'm afraid of You," Qin Yu said coldly.

"It's just that now is not the time. Sooner or later, the Yan family will return to old Mister Yan's hands."

"Hahahaha!" Yan Sihai could not help but laugh when he heard this.

"You're really arrogant! You're just a martial artist, don't think too highly of yourself!"

Qin Yu could not be bothered to talk nonsense with Yan Sihai. He said coldly, “Where’s Ruoxue? I want to see her.”

Yan Sihai sneered and said, “She’s not in the Yan family’s manor. She should be preparing for the wedding at this time. You want to see her? Let’s wait until tomorrow at the wedding.”

Qin Yu could not help but clench his fists.

He took a deep breath and suppressed the anger in his heart.

“Yan Sihai, you will pay the price for everything you have done,” Qin Yu said coldly.

Yan Sihai sneered and said, “Let’s talk about it after you can live through tomorrow.”

Qin Yu did not say anything more. He turned his head and walked out of the door.

“Let’s go.” Qin Yu walked in front of old Mister Yan and forced a smile.

Old Mister Yan didn’t say anything and only nodded his head.

In the living room, Yan Sihai’s expression instantly turned cold.

His entire face flushed red at an extremely fast speed, and veins popped up on his forehead!

“Qin Yu... You Dare hit me.... I’ll tear you into pieces! ! !” Yan Sihai’s furious roar spread throughout the entire Yan family manor!

Chapter 531: Chapter 531, wedding!

Yan Sihai appeared calm on the surface, but in reality, he had long since broken through his defenses.

He clenched his fists tightly, wishing he could tear Qin Yu into pieces!

At this moment, his hatred for Qin Yu had reached its peak.

...

Qin Yu brought Old Mister Yan out of the Yan Manor.

“Old Mister Yan, you clearly know that Yan Sihai is looking for you. Why did you come to Jingdu?” Qin Yu couldn’t help but ask.

Old Mister Yan said somewhat sorrowfully, “My beloved granddaughter is getting married. How could I not come...”

Qin Yu was momentarily speechless.

He knew that old Mister Yan loved Yan Ruoxue the most, but he didn’t think that he would take such a risk to come and visit Yan Ruoxue.

“Old Mister Yan, don’t worry. I Won’t let Han Wei succeed,” Qin Yu said.

Old Mister Yan sighed slightly, and his expression didn’t look good.

The three of them temporarily found a place to stay.

Looking at the once familiar manor of the Yan family, Old Mister Yan’s heart was filled with mixed feelings.

He never thought that one day, he would be driven out of Jingdu! And by his own son!

“Old Mister Yan, don’t think too much. Tomorrow, I’ll go with you to attend that so-called wedding,”Qin Yu said.

Old Mister Yan nodded. He looked at Qin Yu and said, “Ruoxue and I believe in you.”

...

The news of Qin Yu’s arrival in Jingdu quickly spread.

The Yan and Han families gathered together to discuss whether or not to attack Qin Yu in advance.

But this suggestion was rejected by Han Wei.

“No need to worry. I have absolute confidence in getting rid of Qin Yu,”Han Wei said with confidence.

Yan Sihai, who had been silent all this time, suddenly stood up and said coldly, “Even if you are confident, I will still deploy my own forces!”

“I want to let him know what it means to offend an aristocratic family!”

The sudden outburst gave everyone a fright.

The sudden change in Yan Sihai’s attitude made people feel even more puzzled.

“Director Yan, what’s Going On?”Han Meng couldn’t help but ask.

Yan Sihai said coldly, “I must let this arrogant brat know what fear is!”

After saying this, Yan Sihai slammed the door and left.

With his connections and strength, who knew how much power he could mobilize!

After a few phone calls, Yan Sihai mobilized close to eight martial marquises!

Those were martial marquises! Eight martial marquises was almost equivalent to all the power of the martial marquises in Jingdu!

Other than the Jingdu martial arts association, probably no one could go against these eight people!

Apart from that, Yan Sihai also called dozens of gunmen to attend the wedding together!

This was enough to prove how angry Yan Sihai was!

That night.

The entire Jingdu was peaceful. Everyone was waiting for the wedding of the century the next day.

Qin Yu stood in front of the hotel window, unable to fall asleep for a long time.

His emotions were extremely complicated. He wanted to immediately travel to the next day, but he was also somewhat afraid of the arrival of the next day.

“Ruoxue...” Qin Yu muttered the name in a low voice. He couldn’t help but clench his fists.

Jingdu didn’t lack second-generation rich people the most.

Below the hotel, the roar of sports cars could be heard from time to time.

Qin Yu looked down at this group of second generation of the rich and couldn't help but sigh in his heart:

People really had different lives.

Some people risked their lives just for a few taels of silver.

And some people didn't have any worries from birth.

There were also people like Qin Yu who struggled hard and escaped death all day long.

Time flew by.

In the blink of an eye, the second day had arrived.

Before dawn, Qin Yu and the other two left the hotel and went straight to the wedding venue.

At this moment, there were already people gathered at the wedding venue.

“No matter what, we must let Qin Yu Die here today,” a cold voice said.

These three people were none other than the three martial marquises from the Jingdu Martial Arts Association!

“Yan Sihai seems to have also mobilized his forces. It is said that he has mobilized eight martial marquises,” another person said.

“Ha, Yan Sihai seems to be having a headache from this kid. With his help, things might be a lot easier.”

“Or maybe we don’t need to make a move. The Han family’s eavesdropping kid will get rid of Qin Yu.”

After that, the three people slowly disappeared.

Qin Yu, Old Mister Yan, and the others took a car and rushed toward the small mountain.

The remote suburbs of the small mountain were extremely lively today.

Countless luxury cars were parked at the foot of the mountain.

There were rolls-royces, Bentleys, Mercedes-benz, and so on.

And on the mountain, the huge mountain peak artificially supported a large piece of flat land.

On this flat land, there were flowers and fine wine.

And there were countless tables and chairs to welcome these guests.

Looking up from the foot of the mountain, one could see a huge sign.

There were a few words written on it:

Groom: Han Wei.

Bride: Yan Ruoxue.

All the important people of Jingdu had come. Other than that, there were also many guests who had come because of their fame. The Han and Yan families did not reject anyone who came.

In front, Han Meng and Yan Sihai were sitting together, quietly watching this grand scene.

“TSK TSK, how many years has it been since jingdu has had such a grand scene?” Han Meng sighed.

Yan Sihai took a puff of his cigar and snorted lightly. “The last time so many people came to support us was on my old master’s birthday.”

“That’s right.” Han Meng nodded slightly.

The reason why the Yan family was able to develop to this day was because of the former Emperor Yan!

In the entire JINGDU, no one did not give him face!

Even the old master of the Han family could not be mentioned in the same breath!

More and more guests came, and the entire scene was almost filled with people.

A helicopter landed on the mountain. It was unknown which big shot had descended.

“The people from the Chu family have also come,” Han Meng said.

Yan sihai snorted lightly, “What Chu family and Wang Family? Our marriage alliance means that we are the only ones in Jingdu!”

Han Meng nodded slightly and smiled, “With our marriage alliance, there is indeed no one in Jingdu who is a match for us.”

“The Pavilion Master of the Medicine God Pavilion is also here.” At this moment, Yan Sihai suddenly noticed a beautiful figure.

“En? That person seems a little familiar. He seems to be elder Li from back then.”

“Marquis Bai Wu is also here.”

Many big shots in the martial arts world also came to the scene.

Xia hang of the Jingdu Martial Arts Association was naturally waiting here early.

“Dad, Uncle Yan.”

At this moment, Han Wei, dressed in a white suit, walked in front of the two of them.

“You still call him Uncle Yan? Change Your Name,” Han Meng said with a smile.

Han Meng hurriedly said, “Dad!”

Yan Sihai nodded slightly, as if he had acknowledged this son-in-law.

The scene was filled with joy and harmony. Someone held a wine glass and came forward to toast.

“Congratulations, Young Master Han. Young Master Han and Miss Yan are truly a match made in heaven. A Perfect Match!”

“The marriage between the Yan and Han families will definitely bring the two families to a new height!”

Han Wei was also full of pride. He held the wine glass and thanked them one by one. The excitement in his heart was self-evident.

Just as everyone was laughing and cheering, an explosive sound suddenly came from not far away!

Raising his head, he saw a golden light flash past and ruthlessly smash towards the signboard that had the words “Bride and groom” printed on it!

The signboard immediately shattered!

Following that, he saw a young man holding the signboard that had been smashed into two as he walked up the mountain step by step.

Chapter 532: Chapter 532, kill without mercy!

The loud voice instantly attracted countless gazes!

They all seemed to feel a trace of doubt towards this unfamiliar face.

“Qin Yu!”

Han Meng immediately shouted, and a billowing air wave approached!

This voice contained powerful inner strength, and it was approaching Qin Yu’s vital point!

Qin Yu raised his palm, and this air wave turned into ashes.

“Han Wei, we finally meet,” Qin Yu said coldly.

Han Wei narrowed his eyes. Just as he was about to speak, Han Meng waved his hand and said, “There’s no need to be anxious. We are from an aristocratic family. We have to maintain our poise.”

Han Wei nodded. He glanced at Qin Yu coldly and didn’t say anything.

“He is Qin Yu?”

“It is said that he has been challenging old Mister Yan for many days, and it seems that he even killed old Mister Yan.”

“It seems that the two of them are going to fight today. This Qin Yu is obviously here to cause trouble.”

“This Qin Yu looks ordinary. He actually dares to challenge the Yan and Han families.”

“I heard that it’s because of the Yan family’s eldest miss.”

Everyone discussed animatedly with curious faces.

“Qin Yu, today is young master Han and Miss Yan’s Big Day. Where are the gifts you brought?” The person in charge of receiving at the door said indifferently.

Qin Yu glanced at him. He stretched out his hand and a coffin fell out of the spatial magic tool!

“This is a gift I gave to Han Wei,” Qin Yu said coldly.

Everyone sucked in a breath of cold air!

A coffin on a big day?

How arrogant was Qin Yu? !

“Interesting, interesting.” Han Meng couldn’t help but sneer.

The person in charge of receiving the guests shouted, “Deliver the coffin? Quickly take the coffin and get out!”

Qin Yu laughed coldly, “Your master hasn’t said anything yet and you, a dog, are starting to clamor.”

After saying that, Qin Yu waved his hand and directly slapped the body of the person in charge.

The person in charge immediately flew into the air. Qin Yu gently raised his palm and the coffin lid opened.

The receptionist landed in the coffin without any deviation.

“Qin Yu!” Han Wei couldn’t hold it in any longer!

He clenched his fist and said coldly, “I think you are courting death!”

Qin Yu sneered, “Han Wei, do you still remember our agreement?”

“If I win, you will obediently give up on Ruoxue. You Won’t forget, right?”

As soon as he said this, everyone was shocked.

Most of these people were businessmen. They had no idea that Qin Yu and Han Wei had such an agreement!

Han Meng did not deliberately hide it. He sneered and said, “Of course I remember, but... Your Bet is your life!”

“The same goes for you!”Qin Yu took a step forward and instantly arrived at the empty space in the middle!

“I’ve been waiting for this day for a long time,”Qin Yu said coldly.

Just as Han Wei was about to make a move, Han Meng waved his hand.

Then, Han Meng stood up and said, “Everyone, this is my son’s special performance for everyone. It’s to cheer everyone up.”

“This Qin Yu has been harassing Miss Yan for many years. My Son has endured it again and again, but he made it worse.”

“So, on the day of the wedding, my son decided to solve the problem once and for all.”

Hearing Han Meng’s words, Qin Yu could not help but sneer, “What a load of nonsense, inverting the truth!”

Han Meng was not angry. After all, who would believe Qin Yu’s words among the people present?

“Old Mister Yan, go find a place to sit first,”said Qin Yu.

Old Mister Yan nodded and said in a deep voice, “Be careful.”

“Don’t worry,”said Qin Yu.

Then, Qin Yu looked at Han Wei.

His internal Qi was faintly fluctuating, and his aura was rapidly rising.

“Han Wei, why aren’t you here to die?”Qin Yu shouted.

Han Wei smiled faintly and said, “Don’t worry. I have an appointment with the reporters, but they haven’t come yet.”

“I want to defeat you personally in front of everyone. You shouldn’t have any objections, right?”

“Okay!” Qin Yu shouted.

“I also want the world to know that the young master of an aristocratic family will also lose to an ordinary person like me!”

Han Wei could not help but laugh out loud, “Arrogant words! You really think highly of yourself!”

Qin Yu could not be bothered with Han Wei. He turned his gaze towards Yan Sihai and said coldly, “Yan Sihai, where’s Ruoxue?”

Yan Sihai said indifferently, “You don’t have the right to know.”

Qin Yu’s face was cold as he said, “Yan Sihai, I’m telling you, no matter what, I will take Ruoxue away today.”

“If anyone tries to stop me... kill them without mercy!”

The rest of the eyes swept over everyone present! It was as if they were warning everyone present!

Chapter 533: Chapter 533, I told you to let him go!

Qin Yu’s voice carried an unspeakable coldness, as if a cold wind was blowing past.

However, his words did not cause fear in the crowd. Instead, it caused them to burst into laughter.

“How arrogant! What, are you threatening us?”

“Kill without mercy? Do you know who we are? Do you know what it means to have one of us die?”

“How arrogant! After killing Old Mister Yan, he still dares to come to the Yan family to make a ruckus. He really doesn't know death!”

His words aroused the anger of the crowd. It seemed that everyone regarded Qin Yu as an enemy.

Qin Yu didn't care. He wasn't from this circle to begin with, so how could he be recognized?

After experiencing so much, Qin Yu had long understood.

Right and wrong weren't important at all. What was important was the division of interests.

Qin Yu turned around and was about to find a seat to sit down.

At this moment, he suddenly noticed the pavilion master of the Divine Medicine Pavilion who was sitting somewhere.

Qin Yu was stunned for a moment before he hurriedly walked over.

“Lord Pavilion Master, why are you here?” Qin Yu said with some surprise.

The pavilion master said indifferently, “You are an elder of my divine medicine pavilion. Naturally, I have to come.”

Although these words seemed plain, the meaning contained within them was not ordinary.

Pavilion Master's intention was clearly to cover for Qin Yu.

This also made Qin Yu extremely excited.

"Lord Pavilion Master, I..."

"There's no need to say words of gratitude." Pavilion master interrupted Qin Yu's words.

Qin Yu nodded his head vigorously. Time and time again, Qin Yu had long treated pavilion master as his family.

Sitting here, Qin Yu could clearly feel that there were countless murderous auras coming towards him from the dark.

"There are quite a few people who want to kill me today," Qin Yu said coldly as he took a sip of tea.

The pavilion master said, "It's best to be careful. After all, you are facing two great jingdu aristocratic families."

Qin Yu nodded and said, "I understand, pavilion master."

Time flew by. Ever since Qin Yu arrived, the atmosphere at the scene had become somewhat strange.

And the seats that Qin Yu and the pavilion master were sitting in were empty. No one was willing to get close to them.

"Ungrateful Beasts, you have the face to sit there," someone cursed in the dark.

“Old Mister Yan has done you a favor, but you did such a disgraceful thing. It’s simply unreasonable for you to have a good ending.”

Qin Yu completely ignored the curses of the crowd.

He drank his tea silently and said in a low voice, “The truth will come out sooner or later.”

Time passed by minute by second. Very soon, it was 11:30 am.

Qin Yu sat there with his eyes slightly narrowed. There was not the slightest hint of panic on his face.

At this moment.

Qin Yu suddenly felt an extremely familiar internal Qi!

He suddenly opened his eyes and looked at the Bentley that was slowly approaching from the distance!

The front of the car was covered with red flowers. When the car door opened, he saw Yan Ruoxue in a wedding dress!

“Ruoxue!”

Qin Yu suddenly stood up!

And Yan Ruoxue’s eyes also looked in the direction of Qin Yu.

“Qin Yu...”she whispered Qin Yu’s name, and a smile couldn’t help but appear on her face.

Qin Yu couldn’t care about anything else. He strode in the direction of Yan Ruoxue.

“Qin Yu, don’t be rash,”the pavilion master said with a frown.

However, how could Qin Yu listen to him? He strode towards Yan Ruoxue.

“What are you trying to do?”

Two half-step martial marquises immediately blocked Qin Yu’s path.

“What? Are you trying to snatch the bride in broad daylight?”The two people said coldly.

“Get lost!”

Qin Yu roared and his aura exploded!

The two half-step martial marquises were immediately forced back!

“Stop him!”

Han Meng shouted from above!

Instantly, countless martial artists stood up and blocked Qin Yu!

Over ten martial artists blocked Qin Yu’s Path!

Among them were martial grandmasters, half-step martial marquises, and there was no lack of martial marquises!

Qin Yu coldly glanced at everyone and said word by word, “I told you all to Scram.”

“Qin Yu, this matter originally had nothing to do with us, but you’re too arrogant. We really can’t stand it anymore.”

“That’s right. Miss Yan and Young Master Han are a match made in heaven. Don’t you find it embarrassing to interfere?”

“If you dare to take another step forward, don’t blame us for being impolite!”

Qin Yu glared at everyone and said word by word, “I told you to get lost!”

As he spoke, golden light burst out from Qin Yu’s body! A terrifying Majesty instantly rolled over!

After sensing Qin Yu’s internal Qi, their expressions couldn’t help but change!

This internal Qi was too tyrannical!

Was this really the internal Qi of a half-step martial marquis? !

“Qin Yu, do you really think you are invincible?”The Martial Marquis took a step forward and said indifferently.

This person’s surname was Bai, and the people gave him a title: Marquis Bai Wu.

Marquis Bai’s strength was extremely strong, so he was not afraid of Qin Yu at all.

However, Qin Yu was also not afraid of him, even though he knew he was not a match for him.

“Get lost!”Qin Yu roared angrily, and a golden light instantly appeared, heading straight for Marquis Bai Wu!

Marquis Bai Wu snorted coldly, “You don’t know what’s good for you!”

He waved his large palm and fiercely met Qin Yu’s fist!

After all, Marquis Bai was a veteran marquis, so how could Qin Yu be his opponent.

With this palm, Qin Yu took a few steps back, and his fist was even more painful!

Marquis Bai did not stop at this point. He grabbed Qin Yu, and with a terrifying force, he directly pressed Qin Yu to the ground!

“You don’t know what’s good for you. How dare you attack a Marquis?” Marquis Bai Wu said coldly.

The people around him shouted, “Marquis Bai Wu, teach him a lesson! Rub his spirit!”

“Marquis Bai Wu, we can’t let this kid go.”

Qin Yu gritted his teeth. He urged the spiritual power in his body, and a huge force burst out!

Even Marquis Bai Wu’s expression changed for a moment. He only felt waves of numbness in his palm, as if he could not hold it down anymore!

“Pa!”

At this moment, a loud slap spread throughout the entire scene!

Looking up, he saw that Yan Ruoxue was already standing in front of Qin Yu.

Her force was not big, but it landed firmly on Marquis Bai Wu's face.

"Let him go," Yan Ruoxue said coldly.

Marquis Bai Wu opened his mouth and explained, "Miss Yan, i..."

"I told you to let him go!" Yan Ruoxue did not say another word and gave Marquis Bai Wu another clear slap on the face!

Marquis Bai Wu gritted his teeth and could only unwillingly let go.

After all, Yan Ruoxue was the eldest miss of the Yan family. Even if she was Marquis Bai Wu, he could only endure it.

"Qin Yu, how are you?" Yan Ruoxue gently helped Qin Yu up.

His face, which was as cold as ice a moment ago, now seemed to bloom with a smile like a spring breeze.

Chapter 534: Chapter 534, Ruoxue, I've finally met you

Their eyes met. Qin Yu, who had always been tenacious and unyielding, couldn't hold it in any longer.

Every time he faced Yan Ruoxue, Qin Yu was like a child.

He pulled Yan Ruoxue and suppressed the emotions in his heart. He tried his best to remain calm and said, "I'm fine. It's good to see you again."

"Me too," Yan Ruoxue said in a low voice.

The sudden change stunned everyone present.

Yan Ruoxue and Qin Yu... seemed to really have feelings for each other?

Above, Han Wei's face was livid with anger as he clenched his fists tightly!

Han Meng's face was even uglier!

In front of so many people, this was simply humiliating the Han family!

"Pull them apart," Yan Sihai said coldly.

Around them, someone immediately approached.

Yan Ruoxue coldly glanced at them, but they immediately froze on the spot.

"No Matter What, you are the most important. You have to protect yourself." Yan Ruoxue stood on Tiptoe and lightly patted Qin Yu's head.

Qin Yu couldn't hold himself back for a moment.

He took a deep breath, then clenched his fist and said, "Ruoxue, wait for me. I will take you out of Jingdu today."

"Okay, I'll wait for you," Yan Ruoxue said seriously.

"Miss Yan." The people of the Yan family walked quickly to Yan Ruoxue's side.

Yan Ruoxue reluctantly glanced at Qin Yu. Then, she followed the two people and slowly left, walking into the villa.

Qin Yu's eyes kept staring at Yan Ruoxue's back.

The longing in his heart completely exploded at this moment!

“Han Wei!”

Qin Yu roared! The terrifying inner strength rushed toward Han Wei!

Han Wei also said in a cold voice, “Qin Yu, You Damn Bastard!”

“The one who should die is you.” Qin Yu gritted his teeth and said.

Yan Sihai, who was at the side, said coldly, “Qin Yu, you came to spare the Yan family. What crime should you commit?”

“Yan Sihai, you deserve to die even more.” Qin Yu gnashed his teeth and said.

“You well-dressed animals, for the sake of benefits, you can disregard anything.”

“Yan Ruoxue doesn’t like Han Wei at all, don’t you know that! ?”

“Why must you force Yan Ruoxue and Han Wei to be together! You are already rich enough, why do you still want to breed your own desires without limits!”

When Yan Sihai heard this, he immediately slammed the table and stood up!

He pointed at Qin Yu and said, “What nonsense are you spouting!”

“You know damn well what I’m talking about! You are a whore and you still want to build a memorial arch!” Qin Yu cursed loudly.

In front of so many people, Yan Sihai was scolded by Qin Yu until his head was drenched in blood. Naturally, he could not keep his face.

“Qin Yu, that’s enough.”At this moment, Yan Yongxiu, who was sitting next to Yan Sihai, coughed.

Qin Yu glanced at Yan Yongxiu and sneered, “Yan Yongxiu, I originally thought that you were a gentleman, but in the end, you’re a coward!”

“When we first met, you kept saying that you were doing this for Ruoxue, but in the end?”

“The result was that you watched Yan Sihai push your daughter into the fire pit? Are you worthy of being a father?”

Yan Yongxiu’s expression changed. He berated, “Qin Yu, why are you like a Mad Dog? You want anyone you see!”

“Am I Wrong?”Qin Yu sneered.

“You let Yan Sihai turn Ruoxue into a tool. You are not worthy of being a father.”

“You knew that old Mister Yan wasn’t dead, but you didn’t dare to make a sound. You Don’t deserve to be a son either.”

“If you weren’t Ruoxue’s father, I would have scolded you a long time ago! You Bastard, you didn’t even know it and stuck your face out to scold me. Are You Cheap?”

The scene was silent.

“Gulp”

Someone silently swallowed a mouthful of saliva.

“Is what this Qin Yu said true?”

“He said that old Mister Yan isn’t Dead? What does that mean?”

“This Qin Yu is really a sharp-tongued kid. He doesn’t panic at all when facing an aristocratic family like the Yan family. I have to say, his attitude isn’t ordinary.”

Above, Yan Sihai said coldly, “What nonsense are you spouting? Do you think you have the right to decide the family affairs of our Yan Family?”

“I also told you that Yan Ruoxue will definitely marry Han Wei! You Can’t stop it, nor can you change our thoughts!”

Qin Yu sneered, “I have never thought of changing your minds. I only need to kill Han Wei.”

“Arrogant!” Han Wei couldn’t hold it in anymore!

He took a step forward, and his whole body was filled with energy. He instantly exploded!

“Qin Yu, this is not the place for you to talk nonsense!” Han Wei said coldly.

“Kill me? Do you think you are worthy? I will stomp you to death like an ant!”

“Okay, then you try it!” Qin Yu’s internal Qi also exploded at this moment!

The collision of the two internal Qi immediately caused a hurricane!

The surrounding people couldn't help but move the dining table backward, afraid of being affected!

A large empty space was opened up at the scene.

A great battle was about to break out!

At this moment, a car drove in.

There were a few big words written on the car: Jingdu Martial Arts Association!

When the car stopped, they saw a group of reporters with cameras running out of the car.

"They're finally here." Han Wei took a deep breath.

He looked coldly at Qin Yu and said, "Qin Yu, it's time for you to die."

Qin Yu clenched his fist and said, "I can't wait to see you lower your arrogant head."

"Is that so?" Han Wei narrowed his eyes and sneered, "If I can step on you once, I can step on you countless times!"

These words were obviously mocking their first meeting.

Qin Yu sneered, "Han Wei, you will regret not killing me back then."

After saying that, Qin Yu raised his head and looked at a window in the villa.

On the window, Yan Ruoxue was watching this scene.

Qin Yu faced the direction of the window and revealed a confident smile.

Han Wei naturally noticed this scene. He followed Qin Yu's gaze and turned around to look at the window. After that, his face could not help but darken.

“Qin Yu, I will step on you under my feet in front of Yan Ruoxue!” Han Wei said coldly.

“I will let her know how bad her taste is!”

Accompanied by Han Wei's angry roar, the energy in his body instantly exploded and he threw a punch at Qin Yu!

“Come on, let me see just how capable you are as a young master of an aristocratic family!” Qin Yu also roared angrily!

His body was covered with a golden light and he threw a fierce punch at Qin Yu!

Chapter 535: Chapter 535, the great battle had arrived!

The first head-on collision between the two fists erupted at this moment!

This wasn't just a clash between Qin Yu and Han Wei, it was also a clash between the lower echelons and the aristocratic families!

“Boom!”

A loud sound like thunder resounded in their ears, and a terrifying shockwave rapidly spread out in all directions with the two of them as the center!

Countless tables and chairs were shattered on the spot. If it wasn't for Marquis Wu holding down the fort, all the ordinary people present would probably have died from this collision!

The two of them took a few steps back, their faces also filled with coldness.

Qin Yu looked coldly at Han Wei in front of him and said, "It seems that you are just so-so. I now very much doubt how you beheaded Marquis Wu."

Han Wei narrowed his eyes and said, "But just now, I only used 10% of my strength in this punch."

His aura was slowly released.

In an instant, the entire scene felt an intense pressure, as if a huge mountain was pressing down on his chest!

Qin Yu, who was at the center of the storm, did not change his expression. His body also released an intense internal QI, forming a confrontation with it.

"Qin Yu, I will let you know that all your hard work is not worth mentioning," Han Wei said coldly.

"Because... I was born above all of you!"

Accompanied by an explosive roar, Han Wei suddenly extended both of his hands forward!

In an instant, countless rays of light gathered on his palms. A terrifying pressure instantly spread throughout the entire scene!

“Han Wei is indeed worthy of being a proud son of heaven. He can raise his hands and have such power!” When everyone saw this, they could not help but Exclaim!

“Go to hell!”

At this moment, Han Wei let out an angry roar. With a wave of his hand, several terrifying rays of light instantly flew into the sky!

Countless rays of light headed straight for Qin Yu. In an instant, numerous spider web-like cracks appeared under Qin Yu’s feet!

“Crack!”

Finally, the ground could not withstand this enormous force and began to crumble!

Qin Yu’s body was also directly slammed into the ground by this enormous force!

In an instant, smoke and dust rose into the air. Crushed Stones shot out in all directions like bullets!

A huge pit suddenly appeared in front of everyone!

The scene was completely silent. Everyone was looking at the smoke and dust.

“Is it going to end like this?” Someone said in a low voice.

“If it ends like this, then this battle will be meaningless,” a young man said indifferently.

The person who spoke was none other than Yan Sihai’s son, Yan Jinyao!

“Brother Yan’s words make sense,” said a handsome young man beside him with a faint smile.

This young man’s name was Zhuang Teng. He was a young master of the Zhuang family in Jingdu, and his strength was similarly unfathomable.

“I have to admit that Han Wei’s strength can not be underestimated. Even in the entire Jingdu, he is considered superior.” Another young man walked over.

This person’s name was Chu Heng, and he was Chu Hedao’s biological brother.

These famous geniuses of Jingdu seemed to have come to the scene!

Their goal was not to participate in the wedding, but to watch the battle that had been brewing for a long time!

“Brother Chu is right. Even if this palm was ours, we would probably be injured.”

Chu Heng’s words won everyone’s agreement.

Only Yan Jinyao remained silent. He only looked indifferently at the gradually falling dust.

When the dust fell, a terrifying scene appeared.

Qin Yu's clothes were pulled back by this huge force, but his body did not move at all. There was not a single wound on his body!

His entire body was wrapped in golden light. A pair of eyes that contained killing intent looked coldly at Han Wei who was not far away!

“What a strong body!” Chu Heng could not help but exclaim in surprise.

Zhuang Teng who was beside him also sighed slightly. “It seems that this Qin Yu has some ability.”

Han Wei who was not far away could not help but frown slightly.

He said coldly, “Qin Yu, your body really lives up to its reputation... It's a pity that it's useless!”

After saying that, Han Wei's figure suddenly disappeared, and in the blink of an eye, he arrived in front of Qin Yu!

His extremely fast speed caused the crowd to exclaim repeatedly!

The next second, Han Wei's palm wrapped in a faint glow gently patted on Qin Yu's chest!

“Boom!”

The moment the palm touched, Qin Yu's figure instantly took a few steps back! An extremely strong internal force seemed to have exploded in Qin Yu's body!

This technique was inherited from Xia Hang, and its fist force contained extremely strong penetrating force. It was also a plan that Xia Hang had specially made for Han Wei to use to deal with Qin Yu's tough body!

Now, this technique was in Han Wei's hands, and it displayed an even more powerful force!

However, in the next second, Han Wei's expression turned cold.

Qin Yu's expression was calm, neither happy nor sad. There was a white mark left on his chest, and his internal Qi did not decrease in the slightest!

"He actually took it head-on!" Zhuang Teng could not help but say in surprise.

"This kid's body is beyond imagination!"

"It shouldn't be. I've seen Han Wei's punch before. It's said that Han Wei's internal strength will be injected into his body, like a bomb exploding in his body," Chu Heng said slowly.

"Could it be that his internal organs are also as strong as steel?"

For a moment, a look of shock appeared on everyone's faces.

Yan Sihai, who was sitting at the front, had a hint of displeasure in his eyes.

"Is that all Han Wei can do? Loud Thunder and Little Rain. Two consecutive times, that Qin Yu didn't even lose a hair!" Yan Sihai said coldly.

"Director Yan, don't worry. Han Wei only used 20% of his strength just now," Xia hang quickly explained.

Han Meng also tried to smooth things over, “Director Yan, my son hates this Qin Yu to the bone. I’m afraid he’s unwilling to kill him just like that.”

“Isn’t it more cruel to slowly play with your prey?” Han Meng said with a laugh.

Yan Sihai snorted lightly and didn’t say anything.

In the distance, Qin Yu patted the dust off his body,

he looked at Han Wei in front of him and sneered. “It seems that there really is something shady behind the scenes for you to be able to kill Marquis Wu.”

Han Wei frowned slightly, and his eyes narrowed slightly.

Just as Qin Yu said, Marquis Wu was just a criminal of the Jingdu Martial Arts Association. When they fought, he was already crippled by the Jingdu Martial Arts Association.

Han Wei just took advantage of the situation and rose to his position. That was all.

“Han Wei, if we are both half-step Marquis Wu, you are not my match,” Qin Yu said coldly.

“Is that so?” Han Wei raised his eyebrows and grinned, “Qin Yu... you think too highly of yourself!”

With a loud roar, Han Wei’s aura completely exploded!

His internal Qi was rapidly climbing up, and rays of red light wrapped around Han Wei!

In just an instant, Han Wei's strength soared by dozens of points! The murderous aura on his body caused the temperature to drop abruptly!

“Rumble...”

The terrifying qi force actually directly crushed the ground beneath his feet!

The entire scene stirred up a hurricane, completely shattering this meticulously arranged scene!

Marquis Bai Wu and the others hurriedly took action, protecting everyone!

Han Wei's body was covered in a layer of blood-like red light. At a glance, he looked like a demon.

He grinned, revealing a strange smile.

“Qin Yu.... Everything has just begun!” Han Wei's sinister voice entered everyone's ears.

Chapter 536: Chapter 536, Qin Yu VS Han Wei

At this moment, Han Wei's strength had suddenly increased by several points.

Even the geniuses of Jingdu in the distance revealed a trace of surprise on their faces.

“What kind of technique is this?” Zhuang Teng asked in surprise.

“I don’t know. It should be the inheritance of the JINGDU martial arts association.”

“Han Wei’s internal Qi is so strong. Even though he’s several meters away, it still makes people feel a trace of fear.”

On the stage, Han Meng said proudly, “Director Yan, the show has officially begun. Just wait and see how your son-in-law performs.”

Yan Sihai nodded slightly, and a satisfied smile finally appeared on his face.

“Qin Yu, you’d better go all out next. Otherwise... I’m afraid you won’t have a chance to resist!”

Han Wei shouted and suddenly disappeared. In the blink of an eye, he was in front of Qin Yu!

Facing such an attack, Qin Yu did not dare to be negligent. He quickly raised his arms to protect his forehead!

“Dong!”

This punch landed solidly on Qin Yu’s arm. The tremendous force caused Qin Yu’s body to slide on the ground for dozens of meters!

Not only that, the Golden Light on Qin Yu’s arm was directly pierced through, and numerous burn wounds appeared on his body!

Qin Yu lowered his head to look at his own arm and said in a deep voice, “As expected of a young master from an aristocratic family. As expected, he is not someone that an ordinary half-step martial marquis can compare to.”

With just one punch, he had pierced through Qin Yu's sacred body technique. This level of strength was enough to look down on most half-step martial marquises!

"Qin Yu, this is only the beginning. Enjoy It!" Han Wei roared angrily, and once again, he approached!

It had to be said that Han Wei's speed and strength had reached the limit. Even Qin Yu was pushed back in succession!

Han Wei's fist, which was wrapped in red light, was like a red rain that kept crashing down!

"Well done!"

On the stage, Yan Sihai nodded his head in satisfaction.

"That's it, kill him as soon as possible!" Xia hang also hurriedly shouted.

He was very uncertain, afraid that Qin Yu would suddenly start to counterattack.

At the scene, it seemed that Qin Yu was being suppressed and was almost unable to retaliate.

"What kind of spell is this? It's so strange," Chu Heng said with a frown.

Yan Jinyao, who had been silent the whole time, said indifferently, "It should be a secret spell passed down by the Han family. I've seen the library of the JINGDU martial arts association before, but I've never seen this kind of spell."

"Boom!"

At this moment, Han Wei's fierce fist suddenly smashed into Qin Yu's chest.

Qin Yu's body flew dozens of meters away, and he spat out a mouthful of blood!

“Hahaha!”

Seeing this, Han Wei couldn't help but burst into laughter.

He looked coldly at Qin Yu and said, “Is this your strength? Is this the result of your bitter cultivation? !”

“The bottom is the bottom. An ant is an ant. There will never be a chance to turn things around!”

Looking at Han Wei's crazy attitude, Qin Yu still did not show any panic on his face.

He slowly stood up from the ground and grinned, “Han Wei, is this your full strength? It's just so-so.”

Han Wei's pupils suddenly shrank and he said coldly, “What did you say?”

“I said... You're weaker than I thought.” Qin Yu crossed his arms in front of his chest and looked calm.

“Sharp-tongued brat, let's see if you can still smile after I step on You!” Han Wei roared angrily and once again approached!

Under the wrapping of the red light, Han Wei's strength reached the limit and even his physical body became indestructible!

Before his fist even arrived, the terrifying fist wind had already sent the ground flying several feet!

“Die!” Han Wei roared repeatedly, the red color on his fist had reached its peak!

“Han Wei, I will also let you know... Your family background is not worth mentioning at all!” Qin Yu’s icy cold voice entered Han Wei’s ears.

Just as his fist was about to smash into Qin Yu’s body, Qin Yu’s internal Qi suddenly soared!

His eyes turned blood-red, and the mark of the Divine Dragon’s power appeared between his brows!

“Not good!” Sensing the huge change in Qin Yu’s internal Qi, Han Wei suddenly felt that something was wrong!

Boom

A golden light streaked across. Qin Yu held the absolute beginning holy fist in his hand, and a terrifying power poured down!

Both fists collided violently at this moment!

At a glance, the golden and red lights had already covered the two figures. One could only see the two lights fighting each other!

“Rumble...”

A terrifying aura swept over, and a surge of internal Qi almost destroyed the world!

The scene buzzed incessantly, and the entire small mountain seemed like it was about to collapse!

“All martial marquises present, please protect the scene together!” Marquis Baiwu shouted loudly!

For a moment, several marquises hurriedly activated their spells to stabilize the scene!

“Boom!”

At the center of the light, an explosive sound was heard!

Following that, a figure was seen retreating backwards!

Everyone’s eyes widened, as if they wanted to see clearly who the person who was sent flying was!

“That person is... Han Wei!” Someone shouted in shock!

As expected, Han Wei’s figure shot out rapidly, directly smashing into a small hill!

Many bloody marks appeared on his body, and he began to cough up blood from his mouth.

This blood mixed with his red light looked somewhat strange!

“How is this possible!” Above, Han Meng suddenly stood up and stared at this scene!

“Han Wei, let’s settle the score between you and Me Today!” Qin Yu roared angrily, and the internal Qi on his body completely exploded, and his spiritual power rose to the limit!

His hair danced wildly, and he walked over with an invincible posture. The aura of him looking down on the world was even more terrifying!

“Is this Qin Yu’s full strength?” Not far away, Zhuang Teng narrowed his eyes slightly, as if he felt a trace of pressure.

“If this kid doesn’t die, he will definitely become our great enemy in the future,” a genius from an aristocratic family said in a deep voice.

At this moment, a golden ray of light suddenly shot out and headed straight for Han Wei.

The huge golden figure came with a suppressive force and directly smashed into Han Wei’s body.

“Bang! Bang! Bang!”

Qin Yu’s every punch seemed to contain his confidence and invincible will to win, and all the grudges started to erupt at this moment!

Countless crisp sounds came from between the two of them, and Han Wei was knocked back repeatedly. Even the red light on his body dimmed by a few degrees!

The scene was completely silent, as if no one dared to believe what was happening.

The dignified young master Han had actually been beaten up by someone from the lower ranks? ! How was this possible? !

“My Son!” Han Meng stood up angrily, his eyes revealing a trace of worry.

Yan Sihai, who was standing beside him, had a livid expression on his face. Clenching his fists, he coldly said, "Fortunately, I was prepared."

"Don't worry, Han Wei won't Lose!" Xia hang hurriedly explained.

Yan Sihai glanced at him coldly and didn't say anything, as if he was considering whether to kill Qin Yu or not.

"Is Han Wei going to lose?" Zhuang Teng said with some surprise.

Yan Jinyao glanced at him and said, "If it was so simple, then this big battle wouldn't have been brewing for so long."

He looked at the battlefield quietly, as if waiting for something.

"Enough!"

At this moment, Han Wei suddenly shouted!

"Qin Yu, You Damn Bastard, I'm going to kill you!" Han Wei quickly retreated. He was covered in blood, and his face was ferocious!

Then, Han Wei raised his hands, as if he was condensing some spell!

"Rumble..."

A thunder-like sound came from the sky, and then, a blood-red sharp blade appeared in the air!

This sharp blade seemed to come from the sky, and an extremely majestic aura spread out!

"Han Xiu's full moon demon blade," Yan Jinyao said in a deep voice.

“I’ve heard of it too. It’s said that this is a heaven-rank spell that can cut down everything in the world!”Zhuang Teng also said in surprise.

“Han Xiu? Han Wei’s uncle?”Chu Heng said in surprise.

“Yes, he’s ranked third on the list.”Yan Jinyao nodded slightly.

“I’ve seen this spell before, and I almost died under it.”At this moment, another young man walked over from the side.

Seeing this young man, the few of them were a little surprised.

This man’s name was Kong Yun, and his father was Kong Luo, who was second only to Ye Qing and Jiang He!

“Brother Kong, is this technique so powerful?”Zhuang Teng asked in surprise.

Kong Yun nodded slightly and said, “Among those of the same level, I don’t think anyone can receive this technique.”

“I really didn’t expect that Han Wei would be forced to such an extent.”

Chapter 537: Chapter 537, Heaven Rank Versus Heaven rank

In mid-air, the huge red sword was still slowly condensing.

The red light shadow blotted out the sky, turning the entire Sky Red.

Qin Yu’s expression was solemn, his muscles tensed up, and his internal Qi was rapidly adjusted to its peak.

Since Han Wei was the nurturing of the young master of an aristocratic family, his strength and foundation naturally did not stop there.

Therefore, this spell did not cause Qin Yu to be too shocked.

“Qin Yu, go to Hell!” Han Wei’s hands trembled slightly. Then, with a loud roar, that huge sword buzzed towards Qin Yu!

This huge red sword seemed to contain a force of ten thousand tons. Qin Yu felt an extremely strong pressure even though he was far away!

It was as if ten thousand mountains were slowly pressing down on him!

“Rumble!”

Finally, the huge sword smashed down fiercely!

Qin Yu let out an angry roar. His entire body glowed with golden light. He raised both of his fists at the same time and met the attack head-on!

“Clang!”

The huge explosion shook the earth, causing it to rumble. Qin Yu’s body instantly sank down by a few degrees!

The ground under his feet began to shatter. A powerful force slowly spread out and enveloped the entire small mountain!

“Ah! !”

The Golden Light on Qin Yu’s body grew stronger, and the power of the divine dragon was unleashed to the extreme!

“It’s useless.” Not far away, Kong Yun shook his head slightly.

“At that time, I also thought that I could forcefully withstand it, but in the end, I was almost suppressed.”

Kong Yun’s words received the approval of everyone.

Even Yan Jinyao nodded slightly.

“This technique is Han Xiu’s famous technique. It’s not something an ordinary person can withstand,”Yan Jinyao said faintly.

“If he can withstand this technique, then he might have a chance of winning,”Chu Heng said.

“Crack!”

At this moment, a crisp sound rang out from Qin Yu’s body. It seemed to be the sound of bones being crushed!

However, his figure continued to sink downwards. Even if the Qi and energy in his body exploded to the extreme, it would still be unable to block the suppression of this huge sword!

“Good, good! hahaha!”Yan Sihai finally revealed a trace of a smile.

Han Meng also heaved a sigh of relief. If he lost in front of so many people, then the Han family’s reputation would be completely lost.

Not far away, the pavilion master’s expression was somewhat solemn. Her body was faintly flickering with light, as if she had the intention to make a move.

“Ah! !”

Right at this moment, Qin Yu suddenly roared!

The golden light began to converge, and then it spread at an extremely fast speed!

In an instant, Qin Yu was bathed in the golden light and his body expanded!

“Limitless Dharma Idol!” Seeing this technique, Xia Hang stood up abruptly with a trace of fear in his eyes!

“Limitless Dharma Idol!”

Other than Xia Hang, there were also other people who recognized this technique!

There were many top experts who had been in seclusion for many years among the guests present today. They seemed to be quite shocked by the limitless dharma idol!

“It’s actually the Wuji Aspect.” Yan Jinyao frowned slightly, and a trace of killing intent flashed in his eyes.

“Brother Yan, what is this wuji aspect? Is it very powerful?” Zhuang Teng asked.

Yan Jinyao glanced at him and nodded. “I’ve seen records in the ancient books of the Jingdu Martial Arts Association. It’s said that a person used this technique to kill several martial saints.”

“Martial saints?!” For a moment, everyone sucked in a breath of cold air!

One person killed several martial saints? What kind of strength was this?

One had to know that in today's world, not to mention martial saints, even martial marquises were extremely rare!

Yan Jinyao continued, "There's a saying. It's said that the reason why there are so few martial saints now is because that person killed more than half of the remaining martial saints."

"Brother Yan, you must be joking. How could there be such a person in this world?" Zhuang Teng shook his head.

"Yes, Brother Yan. It's not that we don't believe it, but this is too fake." The others nodded as well.

Even Yan Jinyao said, "Yes, I also think it's fake."

"Boom!"

Under the effect of the Wuji Dharma Idol, Qin Yu's body expanded explosively. His strength also erupted at this moment!

"Ah! !"

Qin Yu roared repeatedly, and the strength of his entire body was exerted to the limit.

For a moment, the huge sword actually started to retreat!

"Impossible!" Han Wei's expression changed!

He gritted his teeth and immediately raised his large hand, and a red light fell into the huge red sword.

"Kacha!"

In an instant, the huge sword pressed down once again!

“What Bullsh * t technique... Watch me crush you with one punch!”

Qin Yu dragged the huge sword with one hand, while a dazzling golden light surrounded his other hand!

This golden light was pure to the extreme, and for a moment, it actually turned into a blazing white color!

Qin Yu’s huge fist smashed fiercely towards the huge sword!

“Rumble!”

The huge collision instantly shattered the distant mountain range!

If it wasn’t for the presence of Marquis Wu, the scene would have turned into ruins long ago!

“Crack!”

Under this punch, the huge sword began to shatter!

Numerous cracks quickly spread out, and the blood-red light slowly dimmed.

“Boom!”

Finally, under Qin Yu’s punch, the huge red sword exploded in mid-air!

“How is this possible!”Kong Yun’s expression instantly changed!

He was someone who had personally experienced this technique, so he knew the power of this technique!

Back then, even after Kong Yun had exhausted all his brains and revealed all his trump cards, he was still unable to resolve this technique.

But now, this technique had been destroyed by Qin Yu's punch! How could he believe this!

Not far away, Han Wei's expression was also somewhat unsightly. He stared fixedly at Qin Yu, and his fists were tightly clenched.

At this moment, he suddenly realized that he had underestimated Qin Yu!

Everyone stared at this scene, not daring to blink, afraid that they would miss out on this exciting scene.

The Golden Light on Qin Yu's body began to slowly disappear, and his body returned to its normal size.

A layer of sweat appeared on his forehead, and more than half of the internal Qi in his body had been consumed.

The limitless aspect is still too stressful for me, Qin Yu thought to himself.

Then, he looked coldly at Han Wei not far away and said in a low voice, "I have to find a way to recover my spiritual power."

Thinking of this, Qin Yu's feet shook, and his body was once again wrapped in golden light.

This technique was the third level of the saintly being technique. At this moment, the consumption of Qin Yu's spiritual power could be ignored, but his physical body could be exerted to the extreme.

He looked coldly at Han Wei, who was not far away, and in the next second, his figure suddenly disappeared!

“Shrink the ground into an inch!”

Qin Yu spat out a few words coldly and arrived in front of Han Wei at an extremely fast speed!

“Bang!”

Qin Yu’s fierce fist smashed onto Han Wei’s chest with a crushing force.

Han Wei’s figure instantly retreated a few steps. Before he could catch his breath, Qin Yu took another step forward!

Han Wei’s body was sent flying one after another, and his body was covered in bloody wounds!

“Boom!”

Just as Qin Yu swung his third punch, an intense force erupted from Han Wei’s body.

This force directly forced Qin Yu back a few steps!

When he raised his head, he saw that Han Wei’s body seemed to be covered in a layer of armor!

With a ferocious face, he gnashed his teeth and said, “Don’t think that you are the only one who can fight. Let me tell you, everything that you are proud of is not worth mentioning!”

Chapter 538: Chapter 538, Marquis Wu? !

It was unknown what kind of spell Han Wei had used, but his entire body was wrapped in a layer of dark light. Level 538 was a level 538 spell.

This light was like a layer of armor, tightly sticking to his body.

In an instant, Han Wei's physical body became countless times stronger, and his strength increased by several times!

Seeing this, the corners of Qin Yu's mouth couldn't help but curl up into a sneer.

"Fight with my physical body? How hard are you to think things through?" Qin Yu's entire body was flashing with golden light, and he sneered repeatedly.

The two people's bodies were also flashing with light, and their physical bodies almost reached the limit at this moment.

"It is said that this Qin Yu's physical body is unparalleled in the world. Today, we can finally witness it with our own eyes," Zhuang Teng and the others not far away said indifferently.

"I also want to see if this Qin Yu's physical body is as powerful as the legends say."

Before they could think further, Han Wei had already approached them!

His body drew an arc in the air, bringing with it a dark light as he instantly arrived in front of Qin Yu!

Qin Yu didn't panic at all. He held the absolute beginning holy fist in his hand, and the golden light met it head-on.

"Clang!"

A sound that sounded like steel colliding entered everyone's ears!

Qin Yu's blood and Qi were burning. He was like an undefeatable god of war, smashing towards Han Wei with a force that could crush a dead branch!

This was purely a physical fight between the two parties. There were no gorgeous moves, only a clash of powerful bodies!

"Dang dang dang" sounds rang out continuously. At a glance, one could only see two rays of light intertwining!

Everyone looked at the scene in front of them and could not help but sigh slightly.

"To be so wonderful in the flesh alone, he deserves to be called a god's favored son."

"This Qin Yu's physical body really lives up to its reputation, Han Wei's top spell actually didn't get any benefits."

The young masters of the aristocratic families of Jingdu were also watching the scene closely.

As far as the eye could see, the two seemed to be neck and neck.

"Boom!"

Another head-on collision with both fists! The terrifying fist force was like a cannonball, exploding between the two of them.

Qin Yu's golden light flourished, his eyes were resolute, and his pupils contained an undefeatable might!

Han Wei was the same. He roared repeatedly, as if he was fighting with his life on the line!

In the blink of an eye, the two of them had already exchanged dozens of punches, but they still could not determine the victor!

“Die!” Han Wei raised his head and roared angrily. A wave of light surged on his arm, and finally exploded on his fist!

Qin Yu said coldly, “You are not my match if you fight with your physical body!”

Qin Yu waved his hand, and golden light flourished!

His fist turned into a palm, and a dazzling golden light streaked across the void, slamming fiercely onto Han Wei’s body!

“Pu!”

Under this palm strike, Han Wei’s physical body was instantly sent flying, and a mouthful of blood flowed out from his mouth!

Qin Yu became braver the more he fought. His chaos body was indeed worthy of its reputation, and almost no one in the same level could compete with him in terms of physical body!

“Ah! !”

Han Wei flew into a rage. He raised his head and roared furiously, once again clenching his fist!

“Boom!”

How Could Qin Yu give him the chance? The shrinking of the ground was revealed at this moment. Before Han Wei could react, he was punched in the chest again!

“Wah!”

Han Wei opened his mouth and spat out a mouthful of blood!

“We can’t fight with his physical body!” Above, Xia Hang was instantly anxious!

If this continued, Han Wei would definitely be beaten to death by Qin Yu!

Yan Sihai and the others’ expressions were extremely unsightly. He looked at this scene coldly, and his displeasure was self-evident.

Han Wei crawled up from the ground. He gritted his teeth, then his figure shot out explosively and retreated!

“You want to run? It’s Too Late!” Qin Yu snorted.

Qin Yu’s feet shook, and the spell was activated. Han Wei’s movements immediately slowed down!

This was the heavy falling space controlled by Qin Yu! In this spell, Han Wei had nowhere to run!

He felt as if his entire body was covered in mud, and his movements were impaired!

“Pa!”

Qin Yu slapped Han Wei’s face again!

This slap almost shattered Han Wei's face bone!

“Boom!”

Qin Yu held the absolute beginning Holy Fist and smashed it on Han Wei's chest!

In an instant, cracks appeared on Han Wei's dark light!

“Is this your technique? It's nothing much!” Qin Yu shouted and threw another punch!

Under this punch, the light on Han Wei's body exploded, revealing his physical body!

“Pa!”

Qin Yu raised his large hand and fiercely swung it towards Han Wei!

Without the protection of his spell, Han Wei's physical body was not even worth mentioning.

This slap ruthlessly slapped Han Wei onto the ground!

Most of his bones were damaged, and fresh blood covered his entire body, making him look extremely miserable!

Everyone could not help but suck in a breath of cold air!

No one had expected that this battle would end like this!

“Han Wei seems to be losing.”

“He’s simply being beaten up... I’m afraid that the reputation of the aristocratic families will be completely lost.”

“If this goes on, Han Wei will probably be beaten to death!”

On the stage, Yan Sihai was gnashing his teeth!

He glared at Han Meng and said coldly, “Is this what you meant by ‘must win’? Is this all your son has!”

Han Meng’s expression was even more unsightly.

At this moment, Han Wei was being trampled on like a dead dog. Han Meng saw this and felt pain in his heart.

“Aren’t you arrogant? Aren’t you calling me a lowly ant?!” Qin Yu said coldly as he swung his golden palm.

“Is this the foundation of your aristocratic family? ! Today, I will smash your so-called arrogance!”

After each sentence, a fist would land on Han Wei’s body!

Han Wei spat out blood continuously, and cracks appeared on his body.

The bones on his body had been broken countless times, and he looked like a bloody person!

“Xia Hang, does Han Wei still have a chance to win?” Yan Sihai seemed to be unable to hold it in.

He looked at Xia hang coldly and said coldly.

Xia hang took a deep breath and said, “Also, director Yan, don’t worry, Han Wei hasn’t used his trump card yet.”

Yan sihai cursed loudly, “Then what the F * CK Are You Waiting For? Do you have to wait until you’re beaten to death? The face of our Yan family has been completely disgraced by you!”

Xia hang didn’t dare to say anything. His expression was unsightly, and he couldn’t stop cursing in his heart.

I told you to make a move earlier, but you didn’t listen. Who are you trying to blame now!

“Boom!”

On the battlefield, Qin Yu threw a punch. It was as if he was holding the power of the universe in his hand as he ruthlessly smashed toward Han Wei!

“Ah! !”

However, Han Wei, who was lying on the ground like a dead dog, let out an explosive roar at this moment!

His internal Qi was rising at a speed visible to the naked eye. In just a short moment, he directly crossed the half-step martial marquis realm and directly arrived at the Martial Marquis Realm!

“Dang!”

Han Wei waved his hand, and Qin Yu’s punch was easily dissolved!

“Qin Yu... I’m going to kill you! !” Han Wei clenched his hands and roared angrily!

A terrifying internal Qi swept over, and under this internal Qi, Qin Yu was directly pushed back!

“This is... Martial Marquis!” Someone shouted in shock!

“Han Wei actually stepped into the Martial Marquis realm at this moment?!”

Chapter 539: Chapter 539, Qin Yu's explosion!

Han Wei's internal Qi suddenly skyrocketed, causing everyone to turn pale with fright!

Even Qin Yu's expression was slightly unsightly!

This power... was indeed Wu Hou!

“Han Wei actually broke through at this time?” Someone frowned and asked.

“That's not right. Stepping into Wu Hou will definitely bring about a heavenly tribulation, but Han Wei didn't.”

Yan Jinyao, who had been silent all this time, said faintly, “This is a secret technique. This technique can allow a person to directly step into the Martial Marquis realm within a short period of time, but it can't be maintained for too long. At most, it can last for half an hour.”

“En, I've also heard of it. It's said that casting this technique has a great impact on the body. It can cause serious injuries at the slightest, and at the worst, it can affect one's future cultivation.” Chu Heng also nodded slightly.

“TSK tsk, looks like Han Wei has really been forced into a corner. Even at such a great risk, he still wants to kill this Qin Yu.”

“If Qin Yu doesn’t die today, he will definitely become our great enemy in the future.”

They did not say anything more and looked in the direction of the battlefield.

Han Wei’s internal Qi had already stepped into another level. Under this internal Qi, even Qin Yu could not help but feel a little worried.

One had to know that the Marquis of Wu was a watershed. After stepping into the Marquis of Wu realm, one’s strength would enter another level.

This was no longer a question of whether one could cross ranks to fight, but was equivalent to two different worlds!

“Come, come again!” Han Wei roared at Qin Yu!

Just a single roar caused the air to buzz!

The internal Qi contained within was like a bomb, pressing towards Qin Yu!

Qin Yu hurriedly crossed his arms in front of his forehead, protecting his face.

“Clang!”

But even so, Qin Yu was still pushed back repeatedly by this force!

“Marquis Wu really lives up to his reputation.” Qin Yu’s expression was slightly unsightly.

Just a single roar contained such power, this was almost equivalent to a blow that reduced dimension.

Facing Han Wei who had stepped into Marquis Wu, Qin Yu did not dare to be negligent.

He took a deep breath and directly summoned the five mountains of honor.

Looking at the five mountains of honor hanging above his head, Han Wei could not help but laugh maniacally, “Qin Yu, in the face of absolute strength, any magic artifact is not worth mentioning!”

With that said, Han Wei stepped forward like a God!

Each of his steps seemed to be stepping on a Daoist technique, causing one’s ears to buzz!

“Boom!”

Han Wei waved his large hand, and a seemingly casual palm directly sent Qin Yu flying!

Under this palm strike, even the mountain of the five peaks above his head began to shake slightly, as if it was about to be sent flying!

Qin Yu climbed up from the ground. He gritted his teeth and said in a low voice, “Facing Marquis Wu, I have no strength to retaliate at all...”

“Boom!”

Before Qin Yu could react, Han Wei threw another punch!

Qin Yu didn’t dare to take the punch head-on. He hurriedly retreated.

However, just the wind from the punch still forced Qin Yu back. Even his body suffered a strong impact.

“Hahahaha!” Han Wei burst into laughter.

“Is this the strength of Marquis Wu? hahahaha, Qin Yu, you’re dead meat today!”

Following Han Wei’s loud shout, he took a step towards Qin Yu!

His extremely fast speed even left an afterimage on the spot!

Qin Yu’s expression changed drastically. He once again used the heavy drop space in an attempt to block Han Wei’s figure.

However, Han Wei, who had stepped into the realm of Marquis Wu, was not affected at all. He only shook his body and directly broke through the heavy drop space!

“All of your spells are not worth mentioning, hahaha!” Han Wei laughed crazily.

His aura was suddenly released, and Qin Yu immediately felt as if his shoulders were withstanding a tremendous force, unable to move!

“Bang!”

Han Wei’s fist suddenly smashed over, and this fist firmly smashed into Qin Yu’s chest!

Qin Yu’s chest instantly sank down, and his hard physical body was not worth mentioning at this moment!

“Wah!”

A mouthful of fresh blood was suddenly spat out from his mouth. His internal organs seemed to have suffered a great impact!

Qin Yu gritted his teeth. He endured the pain in his body and tried to stand up.

But at this moment, Han Wei had already taken another step forward!

He raised his foot and fiercely landed on Qin Yu's body.

“Clang!”

Qin Yu's body, which was just about to stand up, sank into the ground again!

Even his body began to show cracks, and all the golden light disappeared!

“Do you still remember, I stepped on you like this back then!” Han Wei laughed crazily.

Qin Yu gritted his teeth, his face extremely ugly, and he felt a strong sense of humiliation in his heart!

“No... I must not lose face in front of Ruoxue!” Qin Yu said painfully.

He knew that Yan Ruoxue was watching from upstairs!

Losing face in front of the woman he loved, how painful was that!

“Ah! !”

Qin Yu tried his best to get up, but the gap between their realms was impossible to cross, and all of his qi-jin was not even worth mentioning!

On the stage, the pavilion master's face was a bit ugly.

She slowly got up, as if she wanted to make a move.

“Don't be anxious.” At this moment, Old Mister Yan stopped the pavilion master.

“Give him some time. I believe that Qin Yu won't fall just like that.”

The pavilion master frowned. Although her heart was somewhat unable to bear it, she ultimately sat down.

“Qin Yu, if I can step on you the first time, I can step on you a second time and a third time! You are just a maggot, a maggot that is worthy of being stepped on by me!”

Han Wei laughed crazily, the craziness on his face was not hidden!

“Han Wei, don't waste time, kill him directly!” Xia hang shouted from above.

He knew very well that Han Wei only had half an hour.

If Qin Yu could delay it for half an hour, then Han Wei would have no chance at all!

Han Wei lowered his head and looked at Qin Yu who was stepped on. He grinned and said, “Although I don't want you to die in pain, there's nothing I can do. They all want you to die as soon as possible...”

“So, you'd better die!”

As he spoke, light began to gather in Han Wei's palm.

This power contained the power to destroy the world. Even though it was far away, it still made people tremble in fear!

“Qin Yu!” The pavilion master seemed to be unable to hold it in anymore. She stood up angrily and stared at this scene.

At this moment, Qin Yu’s eyes were slightly closed.

Countless rays of light flashed in his mind, and countless spells flashed past.

“My father must have left behind similar spells!” Qin Yu roared in his heart!

“Quick, we must find him as soon as possible!”

“If you can forcefully enter the Martial Marquis realm, so can I!”

The light in Han Wei’s palm grew stronger, and the entire Earth began to tremble!

“Go to hell!” Han Wei roared angrily, and the light in his hand immediately dragged forward!

“Boom!”

In an instant, the scene turned into a vast expanse of white, and almost nothing could be seen clearly!

Xia Hang, who was on the stage, saw this and finally heaved a sigh of relief.

“I’ve finally solved this big problem.” Xia hang patted his chest.

The scene was silent, everyone was staring at the center of the vast expanse of white.

“En? What’s that Golden Light? !”

“It’s Qin Yu? He... he actually didn’t die!”

“How is this possible! ?”

With a glance, they could only see a human figure standing in the center of the vast expanse of white.

The human figure clenched his fists. His eyes were ice-cold, and his body was once again tainted with golden light!

Chapter 540: Chapter 540, crushing!

His body was bathed in golden light and not a single wound could be seen.

Not only did his internal Qi not weaken, it was even stronger than before!

“What... What’s going on?” Someone exclaimed!

“Could it be... that he has also stepped into the rank of Marquis Wu?”

On the stage, Xia Hang’s face instantly turned ashen!

He collapsed onto the chair, his eyes filled with despair.

The thing he was most afraid of had happened!

Qin Yu actually had a secret technique to forcefully increase his strength!

One had to know that Marquis Wu was a watershed. To the chaotic body, it was a world of difference!

After stepping into Marquis Wu, the chaotic body officially welcomed its own strong stage.

At this stage, the chaotic body could suppress most of the physiques!

No matter what sacred physique, divine physique, and so on, they could not compete with the primal chaos body at this stage!

The white light gradually dissipated, and Qin Yu's sturdy body finally appeared in front of everyone.

Qin Yu coldly looked at Han Wei not far away, and a killing intent burst out from his eyes.

"Is this the power of the Martial Marquis?" Qin Yu felt the surging internal Qi in his body, and could not help but yearn for it.

Although it was only a thin line, the gap was too big.

At this moment, Qin Yu had an unspeakable arrogance in his heart!

He even felt that it wasn't worth mentioning if everyone present attacked together!

Not far away, Han Wei stared at Qin Yu with a trace of unwillingness in his eyes!

"You... how did you do it!" Han Wei gnashed his teeth and said.

Qin Yu said coldly, "You'd better go to Hell and ask."

As he spoke, Qin Yu walked towards Han Wei, step by step.

Han Wei revealed a crazed expression. He roared with all his might, “So what if you’ve stepped into the rank of Marquis Wu? I, Han Wei, will not be afraid of You!”

Han Wei waved his hand, casually unleashing a killing move that contained killing intent!

Rays of light shot towards Qin Yu!

The terrifying power almost tore the air apart, and cracks appeared on the ground!

Qin Yu was expressionless as he continued walking towards Han Wei.

Just as the Rays of light were about to Touch Qin Yu, Qin Yu casually waved his hand.

“Pa!”

A crisp sound rang out as the rays of light were directly dispersed by a single slap!

“How... how is this possible!” Han Wei’s expression changed drastically! Layers of secret sweat appeared on his forehead!

And the expressions of the surrounding people, including Marquis Bai Wu, were somewhat ugly!

Even if they were the ones to go up, they probably wouldn’t dare to disregard this killing technique!

“I don’t believe it, I don’t believe it!” Han Wei roared crazily, and countless killing moves smashed towards Qin Yu with all their might!

However, this could not stop Qin Yu from advancing. His golden physical body was extremely powerful. He was not afraid of Han Wei’s killer moves at all!

“Ah! ! !”

Han Wei’s face was filled with madness. With a loud roar, he saw two hands holding up a disc-like light!

This technique was also inherited from Han Xiu. The power contained within it could be said to be able to destroy the world!

Just the condensation of the moves made people feel a trace of fear. Even Zhuang Teng and the others were affected!

“Everyone join hands and protect the scene.”

Many of the Wu Marquises had solemn expressions on their faces as they hurriedly said.

“Go to hell! !” Han Wei furiously roared. He waved both his hands forward, and that Ray of light instantly smashed towards Qin Yu in all directions!

Qin Yu’s expression was cold. He clenched his fist and shouted, “Break for me!”

In an instant, golden light rose in all directions. Qin Yu clenched his Golden Fist and smashed it down with a force that could crush rotten wood!

“Boom!”

With just one punch, the light condensed by Han Wei was shattered instantly!

Meanwhile, Qin Yu’s figure was still walking forward steadily.

Han Wei’s face revealed a thick sense of fear. At this moment, he was really afraid!

“How is this possible, how is this possible...”Han Wei kept repeating these words.

“You, Qin Yu, are just an ant at the bottom. What right do you have to face me!”Han Wei roared, almost breaking down.

But what responded to him was only a crisp slap!

This slap had fractured half of Han Wei’s face!

Han Wei tried to struggle, but he couldn’t hurt Qin Yu at all!

“You keep calling me a lowly ant. Where did you get this sense of superiority from?”Qin Yu looked at Han Wei coldly.

“F * ck you!”Han Wei clenched his fist and smashed it fiercely at Qin Yu’s face!

Qin Yu raised his hand and easily grabbed Han Wei’s fist.

Han Wei gritted his teeth. He wanted to break free, but he found that he couldn’t break free at all!

“How... how could this be...”Han Wei’s face was filled with unwillingness.

Qin Yu sneered, “Do you regret not killing me earlier?”

“Impossible, impossible...”Han Wei did not listen to anything and kept repeating these words.

“I am the young master of the Han family. I Am an existence that was born to be above you!”Han Wei roared crazily.

“You bunch of ants should kneel before me and submit! What right do you have to oppose me! You Bunch of...”

“Pa!”

Before Han Wei could finish his words, his chin was directly smashed by a slap.

“What era is this? Are you still alive in the Qing Dynasty?”Qin Yu looked down at Han Wei from above.

Han Wei’s heart was in extreme pain. All of his arrogance and pride had been shattered at this moment!

“Come, kneel down. Let me see how this arrogant young master of yours will beg for mercy.”Qin Yu released Han Wei and said coldly.

Han Wei had already lost the ability to resist. The power of the Marquis of Wu on his body also began to slowly disappear.

“My Son!”Above, Han Meng roared even louder!

Yan Sihai’s expression finally turned completely cold.

“Let go of my son!” Han Meng stood up angrily, his eyes wide open.

Qin Yu shot a glance at Han Wei, who was lying on the ground like a dead dog, and sneered, “Don’t worry, I won’t kill him, because he’s no longer a threat to me.”

“You!”

Han Meng’s face flushed red, but he had no way to refute!

No one had expected that the high and mighty young master Han would end up like this!

The battle that had been brewing for an entire year seemed to have come to an end at this moment.

“TSK TSK. After Qin Yu stepped into the ranks of martial marquis, Han Wei did not even have the strength to retaliate. How terrifying.” Zhuang Teng could not help but exclaim.

Chu Heng also nodded his head and said, “If this kid really steps into the ranks of martial marquis, it would be a disaster for us.”

“Either we get rid of him, or we don’t want to become enemies with him.”

Even though that was the case, the two sides had long been at loggerheads, so how could there be a chance to ease up?

Qin Yu had the posture of looking down on the world. He stood in the middle of the battlefield and swept his gaze forward.

“I won.. According to the agreement, I will take Ruoxue away today,” Qin Yu said coldly.

Chapter 541: Chapter 541. Anyone who was not convinced was welcome to make a move

Qin Yu's voice was not loud, but it reached everyone's ears.

His eyes were looking forward, staring at Yan Sihai and the others.

Yan Sihai slowly stood up.

His mouth was lighting a cigar as usual, and there was a hint of contempt on his face.

“Qin Yu, you did win, but so what?” Yan Sihai said indifferently.

Qin Yu's face turned cold and he said coldly, “What do you mean?”

Yan Sihai sneered, “You just beat Han Wei. Do you think you beat us?”

“You want to take him away? Are You Worthy?”

Qin Yu narrowed his eyes and said coldly, “The dignified President Yan actually went back on his words?”

Yan Sihai laughed loudly and said, “The one who promised you is Han Wei, not us! When did I promise you?”

The anger on Qin Yu's face grew stronger. He took a deep breath and said, “I must leave with Ruoxue today. I will kill whoever dares to stop me!”

“What arrogant words!” Yan Sihai said coldly.

Yan Sihai waved his hand and dozens of people with guns rushed out!

Countless black muzzles were aimed at Qin Yu!

After a short while, more powerful internal Qi came out.

With a glance, they saw eight marquis Wu slowly walking towards Qin Yu.

“Qin Yu, you have to die here today,” Yan Sihai said coldly.

Qin Yu glanced at the crowd and couldn't help but clench his fists.

“Yan Sihai, you are a despicable person who goes back on his words! Aren't you afraid of ruining the reputation of the Yan Family?” Qin Yu said angrily.

Yan Sihai sneered and said, “Tarnish the Yan family's reputation? Qin Yu, who do you think will spread the news?”

“Let me tell you, you have no idea what kind of person you are facing!”

Qin Yu swept his gaze across the crowd. Just as they had said, this group of people did not care about the truth.

“I can only maintain my current condition for five minutes at most.” Qin Yu took a deep breath.

Five minutes? It was impossible to kill eight martial marquises!

If a martial marquis was determined to run, no one could easily kill them!

As long as they could last five minutes, the one who would die today would definitely be Qin Yu!

“Qin Yu, you really should stay.”

At this moment, three more martial marquises walked out!

These three wore white robes, and on their chests was the JINGDU martial arts association's logo!

"I didn't expect the people from the JINGDU martial arts association to come!"

"Eleven martial marquises, this... this is simply shocking!"

"With such power, it's hard to escape even if you have wings!"

Qin Yu's expression became even more unsightly. He didn't expect the people from the JINGDU martial arts association to actually come!

"Qin Yu, do you understand now?" Yan Sihai said indifferently.

"So What if you win? As long as we want to kill you, you have no chance to resist at all."

"Just like today, who can help you?"

Qin Yu glanced at the crowd coldly. His energy surged and he said coldly, "Come, I, Qin Yu, have nothing to fear!"

"Humph, Qin Yu, we are not fools," said a Marquis Wu coldly.

"Before long, your strength will disappear. At that time, you will be a fish at the mercy of others. There is no need for us to fight with you."

Qin Yu's expression was extremely ugly. The Qi force in his body had already begun to disappear. It was even faster than he had imagined!

This kind of spell that forcefully increased one's strength would definitely cause one to fall into a seriously injured state after using it!

At that time, not to mention Oh Marquis Wu, even Martial Grandmaster Qin Yu would not be able to deal with it!

"If I'm not wrong, you are already starting to run out of strength." Marquis Bai Wu said with a faint smile.

"Congratulations on defeating Han Wei today. Unfortunately, today is the anniversary of your death."

Qin Yu remained silent. He could feel the internal Qi in his body disappearing rapidly, and his body was getting heavier and heavier.

The power of Marquis Wu finally dissipated, and pain spread throughout Qin Yu's body.

"PFFT!"

He spat out a mouthful of blood.

He half-kneeled on the ground, trying to get up, but he couldn't.

"Hahaha!" Everyone couldn't help but laugh when they saw this.

"This kid has already lost the ability to resist. Everyone, make your move and kill him directly."

No one knew who was the first to reach out with his palm, and a terrifying internal Qi instantly closed in on Qin Yu's face!

"Boom!"

However, at this moment, a purple flame burst out from not far away, colliding with this force!

The light that was supposed to rush towards Qin Yu instantly disappeared!

“Who is it!”The spellcaster shouted.

“You guys are really despicable. In front of so many people, you’re bullying the weak and the strong. Don’t you think it’s shameful?”A clear and cold voice was heard.

With a glance, they saw the pavilion master standing lightly beside Qin Yu.

“The Pavilion Master of the Medicine God Pavilion?”The people from the Jingdu Martial Arts Association narrowed their eyes.

“Ji Yuhong, you won’t be able to protect Qin Yu today.”

“That’s right. You’re just one person, but we have eleven martial marquises!”

The pavilion master’s expression did not change as he said indifferently, “Is that so? Then you can come and try!”

The pavilion master stomped his foot, and a purple flame spread out once again!

“Ji Yuhong! Don’t do whatever you want just because you have someone protecting you!”Someone shouted.

“If you don’t want to die, then get lost. You Can’t change anything by yourself!”

The Pavilion Master remained silent, but he was determined to fight.

“If that’s the case, then don’t blame us for being impolite!”The eleven martial marquises walked forward at the same time, and their internal Qi started to collide.

“What About Me?”

At this moment, another voice was heard!

Turning around, they saw an old man with white hair slowly walking out.

Looking at this old man, a trace of confusion appeared on the faces of everyone present.

“Who is this old man? Why haven’t I seen him before?”

“I don’t know. Looking at his hunched body, he should be a farmer, right?”

“Why is a farmer coming out to join in the fun? How did he sneak in?”

Just as everyone was discussing, the expressions of these Marquis Wu suddenly changed.

“You... You Are Jiang he? !”Someone exclaimed.

“Jiang... Jiang he? That Jiang he who is as famous as ye Qing? !”

“Why would he appear here? Didn’t they say that he has gone into seclusion?”

Jiang he didn’t say anything. He slowly walked to the side of the pavilion master.

“Greetings, Old Mister Jiang.”The pavilion master bowed slightly.

Jiang he nodded in return.

On the stage, Yan Sihai and the others had ugly expressions on their faces.

He suddenly slammed the table and stood up. He pointed at Jiang he and scolded, “Jiang he, this matter has nothing to do with you. You’d better not interfere!”

“That’s right. We all know that you’re powerful, but you’re not ye Qing. You’re just a martial artist! You Can’t Change Anything!”

Unlike ye Qing, Ye Qing had already entered the military district and had extremely powerful authority.

Jiang he, on the other hand, had always been an unaffiliated person. Although he was powerful, he had no connections to speak of.

With his hands behind his back, Jiang he said calmly, “I must take this person away today.. If anyone is not convinced, you’re welcome to take action.”

Chapter 542: Chapter 542. The aristocratic families were furious!

Jiang he’s tone was calm, but it was filled with dominance!

The two martial marquises faced eleven martial marquises, and for a moment, the situation was at a stalemate.

“Everyone says that Jiang he is unrivalled in the world. To be honest, I’ve long wanted to give it a try.” Marquis Bai took the lead and took a step forward.

He rubbed his fist and said indifferently, “Jiang he, you should know that there are still many unknowns in this world.”

“You are indeed very strong, but you may not be invincible. There are always people better than you. Moreover, there is no martial saint in this world.”

Marquis Bai’s words contained a huge amount of information, and for a moment, it shocked everyone!

There was actually a martial saint in this world? After all, a martial saint had not appeared for many years!

Jiang he nodded slightly and said, “You are right. I am not invincible, and there is indeed a martial saint in this world.”

“However, it should not be a problem for me to deal with you guys.”

Marquis Bai’s face turned cold as he shouted, “I, Bai, have stepped into the third rank martial Marquis realm a few years ago! Today, I will experience how powerful you are!”

After he finished speaking, Marquis Bai took a step forward. Countless rays of light gathered between his hands!

In the next second, Marquis Bai shouted loudly. He charged towards Jiang he with surging power!

Jiang he put his hands behind his back and his eyes were calm.

He raised his skinny palm slightly, and Lord Bai Wu's body flew out as soon as he got close!

A big hole appeared on his body, and he fell to the ground without any movement!

The scene was instantly silent.

He killed a Lord Wu with one slap? What kind of strength was that? !

Everyone's faces were somewhat ugly!

After not seeing each other for so many years, Jiang he's strength seemed to have increased again!

"Don't worry, he's not dead, but he shouldn't wake up in a short period of time." Jiang he said indifferently with his hands behind his back.

"If anyone still wants to make a move, I'll wait for you here." Jiang he swept his gaze towards everyone present.

The scene was completely silent. No one dared to say a single word.

"Jiang he, aren't you going too far!" Yan Sihai said coldly.

"Do you really think that the Yan family can't do anything to You?"

Jiang he glanced at Yan Sihai and said, "You can ask a martial saint to kill me, but I must take him away today."

"You!" Yan Sihai gritted his teeth.

Obviously, no one present could stop Jiang he!

Jiang he did not speak anymore when he saw the situation.

He bent down and looked at Qin Yu.

Qin Yu's consciousness was already somewhat fuzzy, but he still held on bitterly.

“Senior Jiang He... can you help me take Ruoxue Away...”Qin Yu said with difficulty.

Before Jiang he could answer, the people from the Jingdu Martial Arts Association took a step forward and said, “Jiang he, we want to take Yan Ruoxue back to the Jingdu Martial Arts Association.”

“How dare you!”Hearing this, Qin Yu's eyes immediately widened!

He tried to get up, but he found that he couldn't move at all.

“This is the decision of our superiors. We hope that old Mister Jiang won't stop us,”the people from the Jingdu Martial Arts Association continued.

As they spoke, they took out a document.

As expected, this document stated that they wanted to bring Yan Ruoxue to the martial arts association, but it didn't specify the reason.

Jiang he glanced at Qin Yu and said, “This is your own matter. I Can't Help You.”

Qin Yu opened his mouth and was speechless for a moment.

Yes, this was his own matter. Jiang he helping him was already a huge favor.

“Jingdu Martial Arts Association... you’d better not have any ideas about ruoxue...”Qin Yu said through gritted teeth.

“Otherwise, I will definitely flatten you!”

The people of Jingdu Martial Arts Association ignored Qin Yu and only looked at Jiang he in front of them.

“Take care of your body first,”the pavilion master whispered.

Qin Yu opened his mouth. He wanted to say something, but he found that he couldn’t say anything.

His vision became darker and darker. Finally, Qin Yu’s vision fell into darkness.

“Let’s go.”Jiang he looked at the pavilion master.

The pavilion master nodded slightly. The two of them took Qin Yu and left the scene in front of everyone.

When they reached the door, the pavilion master suddenly stopped in her tracks.

She glanced at Yan Sihai and said, “President Yan, I have a piece of advice for you. If you go back on your words now, it’s still not too late. If you continue, you will be doomed.”

“When Qin Yu grows up, it will be an unprecedented disaster for the Yan family.”

Yan Sihai said coldly, “Don’t worry about it. I want to see what kind of ability Qin Yu has to bring disaster to the Yan family.”

“It’s almost time. There’s no need to rush,”the pavilion master said coldly.

After that, she didn’t stay any longer and left with Qin Yu.

No one could have imagined that a wedding would end like this.

Even though Qin Yu didn’t manage to take Yan Ruoxue away, he defeated the Yan family this time and made the two great families lose face!

“Damn it... damn it!”Yan Sihai’s face was ashen, and the muscles on his face kept trembling.

This time, the Yan family would definitely lose face!

“Son!”Han Meng quickly ran in front of Han Wei.

“Quickly take my son to the hospital!”He shouted.

A few people rushed forward, carrying Han Wei and quickly leaving the place.

Xia hang looked at the scene in front of him, and the killing intent in his eyes grew stronger.

“President Yan, we must kill this Qin Yu as soon as possible,”Xia Hang said.

“At the same time, I will also inform the higher-ups of the Jingdu martial arts association about this matter.”

Yan Sihai ignored these words and said coldly, “Xia Hang, is this the disciple you brought out?”

Xia hang opened his mouth and explained, “President Yan, don’t underestimate this Qin Yu, he...”

“Don’t find an excuse for your failure,” Yan Sihai said coldly.

Xia hang gritted his teeth and said, “President Yan, after Qin Yu recovers, he will definitely come back to the Yan family! He will definitely not give up on Yan Ruoxue!”

“Okay!” Yan Sihai said coldly.

“I want to see how he can take Yan Ruoxue Away!”

“President Yan, we will take Miss Yan away for now,” a few Marquis of the Jingdu Martial Arts Association came forward and said.

Yan sihai snorted and said, “Take her away for what? Why? Do you want to protect her?”

“This is a document from the higher-ups. We are only responsible for carrying it out. I hope director Yan can understand,” said the few people.

Although Yan Sihai was a bit unhappy, he didn’t say anything.

He waved his hand and didn’t say anything else.

On the other side.

The Pavilion Master and Jiang he left Jingdu with Qin Yu.

On the way, the pavilion master said in a deep voice, “When Qin Yu wakes up, he will definitely go to the Yan family to ask for him.”

Jiang he glanced at the pavilion master and said slowly, “Actually, there’s no need to be anxious.”

“You and I have seen Qin Yu’s performance today.”

“He used a secret technique to forcefully enter the realm of the Martial Marquis. No one present can stop him.”

“If he really entered the realm of Marquis Wu, who could stop him then? Even the Yan family would have to think twice.”

Chapter 543: Chapter 543, Yan Ruoxue was taken away

The Pavilion Master’s opinion was the same as Jiang he’s.

After Qin Yu forcefully entered the Martial Marquis realm, he had almost completely destroyed the young master of the aristocratic families, Han Wei.

And Han Wei not only possessed the Han family’s cultivation technique, he also possessed the inheritance of the Jingdu Martial Arts Association.

Even under such advantageous conditions, he was still beaten by Qin Yu, let alone an ordinary martial marquis.

The two returned to the Divine Alchemist Pavilion together.

Qin Yu forcefully increasing his strength brought about extremely serious consequences. The slightest carelessness could affect his foundation.

Therefore, the pavilion master had spent almost all his time these past few days taking care of Qin Yu, trying to minimize the impact.

At this moment, Jingdu was in an uproar.

Almost everyone was discussing the battle between Qin Yu and Han Wei.

As the young master of the Han family, Han Wei was naturally very famous. His failure this time had made him a laughingstock.

“In the future, if I want to defeat this Qin Yu, I’m afraid I can only rely on my realm to suppress him.”Zhuang Teng and the others sighed in their hearts.

As descendants of aristocratic families, they did not think that they were stronger than Han Wei. Of course, there were some exceptions.

For example, Yan Sihai’s son, Yan Jinyao.

He was publicly acknowledged as the number one genius, but he had almost never made a move. No one knew his true strength.

The entire structure of Jingdu was complicated. No one knew how many low-key descendants of aristocratic families were hidden in the shadows.

Jingdu, Han family.

Han Meng stayed by Han Wei’s side all day, taking care of him every day.

He had specially hired a professional nursing team from overseas to take care of Han Wei.

Looking at Han Wei lying on the bed with a serious injury, Han Meng’s face was extremely gloomy.

“Qin Yu... you have completely angered me!” Han Meng said coldly.

If the Han family went crazy, no one knew how much power they could mobilize.

But everyone was waiting, waiting for the Han family's action.

Yan family.

Yan Sihai sat in the study, his face extremely cold.

At this time, Yan Sihai's military advisor walked in from outside the door.

“Have you investigated thoroughly?” Yan Sihai glanced at the military advisor and said.

The military advisor bowed and said, “In response to director Yan, the Jingdu martial arts association seems to be extremely secretive about the matter of the eldest miss. If you want to investigate thoroughly, I'm afraid you'll have to personally take action.”

Yan Sihai frowned slightly.

The Jingdu Martial Arts Association suddenly took Yan Ruoxue away, and for a time, people were puzzled.

One had to know that before this, Yan Ruoxue and the Jingdu Martial Arts Association did not have a deep relationship.

“It's really strange.” Yan Sihai touched his chin.

“President Yan, I think that what we should focus on right now is still Qin Yu's problem,” the military counselor reminded.

“Now, the outside world is saying that if Qin Yu doesn’t die, he will definitely surpass all the major aristocratic families in the future. Just like ye Qing back then, he might even surpass ye Qing,”the military counselor said in a deep voice.

Yan Sihai snorted lightly and said, “Ye Qing’s current status is only because of the great environment. Otherwise, he would only be a martial artist.”

The military counselor did not comment on this, but he was still a little worried.

“President Yan, have you ever thought that Qin Yu could be said to be invincible in the Martial Marquis Realm? What if he stepped into the legendary Martial Saint Realm?”The military counselor asked in a deep voice.

Yan Sihai glanced at the military counselor and said with a light snort, “Impossible. How many years has it been since a martial saint appeared?”

The military advisor sighed: “It is indeed difficult, but it is not impossible.”

“If he has really stepped into the martial saint stage, then we must reconsider this question.”

Yan Sihai did not deny this.

If a martial saint had really appeared, then it would not be something that the various aristocratic families could deal with.

At that time, it was likely that the entire fire country's upper echelons would give Qin Yu the green light.

"Don't worry, the ones who suffered the most damage this time is not us, but the Han clan." Yan Si Hai said as he lit up a cigar.

"Han Meng will be making a big move very soon, just wait and see."

The military advisor nodded his head slightly and said: "We can inform the sacred Confucian school and have Gu Cang Hai find an opportunity to hunt down Qin Yu."

Yan Si Hai thought for a moment and said: "Go make the arrangements."

"Yes, Chief Yan."

...

In the blink of an eye, three days had passed.

Qin Yu was still in a coma and did not show any signs of waking up.

But these few days, the entire martial arts forum was extremely lively!

Although the Han family and the Yan family had tried their best to suppress the news, in the end, it could not be kept under wraps.

Not only did they fail to suppress the news, there were even many videos circulating.

Looking at Han Wei's posture of being beaten up, the people on the martial arts forum could not help but be shocked.

"So this Han Wei is just good-looking but useless."

“Bullsh * t. I once fought with Han Wei. His strength can be said to be sky-high. He is definitely one of the top even in Jingdu.”

“That’s right. Countless geniuses in Jingdu have been defeated by Han Wei. The reason why he lost this time can only mean that Qin Yu is stronger.”

“How many years has it been since someone like Qin Yu appeared. An ordinary person who came from Jiangcheng has now beaten up Han Wei. It is simply unimaginable.”

“From today onwards, Qin Yu is my idol!”

For a time, many young martial artists on the Martial Arts Forum regarded Qin Yu as a god!

Especially those martial artists with no background!

Han Meng looked at the news on the martial arts forum and his face couldn’t help but turn extremely gloomy.

“Qin Yu... you have made our Han family lose face!” Han Meng said through gritted teeth.

“President Han, master is here.” At this moment, someone suddenly ran over.

When he heard this, Han Meng’s expression couldn’t help but change.

He was just about to get up when he saw an old man in his eighties walk in from outside the door.

This old man was none other than the true ruler of the Han family, Han Chongming!

There were several people following him, and one of them was Han Meng's biological brother, Han Xiu!

"Dad, you... Why are you here?" Han Meng hurriedly stood up and whispered.

Han Chongming coldly glanced at Han Xiu and raised his hand to slap him.

This slap made Han Meng's ears ring.

He covered his face but didn't dare to say anything.

"A big waste gives birth to a little waste," Han Chongming said coldly.

He glanced at Han Wei, who was lying on the bed half-dead, and said coldly, "Two pieces of trash. They have completely disgraced our Han family!"

"Dad, I... I'll handle this matter properly as soon as possible," Han Meng hurriedly said.

Han Xiu sneered and said, "I think you don't need to handle this matter. Leave it to me."

Han Meng immediately became anxious when he heard that.

Old Master Han had always liked Han Xiu more and had always looked down on Han Meng.

If this matter was left to Han Xiu to deal with, then Han Meng's position in the Han family would plummet in the future!

Not only that, even his own son would be affected!

“Dad, trust me. I’ll deal with this matter as soon as possible!” Han Meng said anxiously.

Han Chongming looked at Han Meng coldly and said, “Do you know what your greatest value is?”

Han Meng opened his mouth, not knowing what to say for a moment.

Han Chongming snorted coldly and said, “The greatest value for you and your son is to be able to marry into the Yan family! To be able to marry the eldest daughter of the Yan family!”

“In the end? The wedding venue was a mess, and it even embarrassed the Han family!”

Han Meng’s face was extremely ugly. He gritted his teeth and said in a low voice, “Dad, give me a few days. I... I will definitely take care of these two things!”

“I guarantee that the Yan family will not break off the engagement, and Qin Yu.... will definitely die!”

Chapter 544: Chapter 544, the pinnacle of martial arts

Han Chongming snorted coldly. He put his hands behind his back and said, “Han Meng, this is your last chance. If you can’t handle it well, hand it over to Han Xiu.”

After saying this, Han Chongming turned around and walked out.

Han Meng’s face was extremely ugly. He could not help but clench his fists and clench his teeth.

Han Meng had no choice but to blame everything on Qin Yu for grandfather Han's indifference towards him.

"Qin Yu... I must kill you!" Han Meng said coldly.

...

In the blink of an eye, Qin Yu had already been unconscious for an entire week.

Fortunately, with the pavilion master's meticulous care, Qin Yu's body was fine.

Finally, on this afternoon, Qin Yu woke up groggily.

Looking at the familiar surroundings, Qin Yu was momentarily stunned.

"You're Awake?" The Pavilion Master's voice came from the side.

Qin Yu suddenly came back to his senses. He hurriedly stood up and said, "Pavilion Master, where is Ruoxue? where is she now?"

The pavilion master blew at the soup in his hand and said, "Drink the medicine first."

Qin Yu didn't have the mood to drink the medicine. He said anxiously, "Pavilion Master, I have to see Ruoxue immediately..."

The Pavilion Master was silent for a moment. Then, she put the medicine aside and said, "She is now in the Jingdu Martial Arts Association. As for the reason, I don't know."

Only then did Qin Yu remember what he had heard before he fainted.

His face was a bit ugly, and he hurriedly sat up from the bed.

“Why? Do You Want to Die?”The pavilion master said coldly.

Qin Yu gritted his teeth and said, “Even if I want to die, I can’t just sit and do nothing.”

“You’d better take care of yourself first,”the pavilion master said coldly.

“Yan Ruoxue is the eldest miss of the Yan family. Her situation is better than yours.”

“What you should be worried about now is how to deal with the anger of the Han family and the Yan family.”

Qin Yu was speechless for a moment.

Even though that was the case, it was impossible not to worry.

“Don’t worry. I will send someone to the Jingdu martial arts association to gather information,”the pavilion master said.

Qin Yu let out a turbid qi and nodded. “Okay, then I will have to trouble the Pavilion Master.”

Although Qin Yu was very anxious, he also knew that the Jingdu martial arts association was even more dangerous than a dragon’s Den or a tiger’s den.

With his own ability, it was impossible for him to take the person away.

If it wasn’t for the battle he had with Han Wei, he would have died long ago.

Just the Yan family and Han family alone would take his life.

Qin Yu sat up from the bed.

He moved his body. Other than being a little stiff, he didn't feel too uncomfortable.

"Let's go. Follow me. Old Mister Jiang is still waiting for you," said the pavilion master.

"Jiang he?" Qin Yu thought of this senior.

If he hadn't made a move, the situation would have been extremely difficult.

Qin Yu followed behind the pavilion master and walked toward the back mountain of the Divine Alchemist Pavilion.

At this moment, Jiang he was sitting on the back mountain with his eyes closed to rest.

During this period of time, Jiang he spent almost all his time sitting on the back mountain. He just sat there.

"Old Mister Jiang." The Pavilion Master's voice came from behind.

Jiang he slowly turned his head. He shook his head and said jokingly, "Pavilion Master, you and I are almost the same age. It's not appropriate to call me old Mister Jiang."

Ji Yuhong just smiled and didn't say anything.

Although the two of them were about the same age, they looked like grandfather and grandson.

“Greetings, senior Jiang.”Qin Yu walked forward and bowed slightly.

Jiang he nodded and said, “You’re awake. Have a seat.”

Qin Yu walked to the opposite side of Jiang he and sat down.

“Thank you, senior Jiang, for your help.”Qin Yu bowed and said.

Jiang he ignored this sentence and asked, “What are your plans next?”

Qin Yu frowned slightly and said coldly, “I want to take Yan Ruoxue away first.”

“She’s currently locked up in the Jingdu Martial Arts Association. What if you can’t take her away?”Jiang he continued to ask.

Qin Yu didn’t hide anything and coldly said, “Then I’ll pull out the Jingdu Martial Arts Association!”

Hearing this, Jiang he couldn’t help but stroke his beard and laugh.

“Back then, I was just like you. I came from a lowly background, but my ambition was higher than the sky. I thought I could change everything,”Jiang he slowly said.

“What Jingdu Martial Arts Association? What jingdu aristocratic family? In my eyes, they’re not even worth mentioning.”

Qin Yu frowned slightly. He said somewhat confusedly, “Senior Jiang, could it be that you also have a grudge with the Jingdu Martial Arts Association?”

Jiang he glanced at Qin Yu and said, "It's not just a grudge. I've killed at least ten martial marquises of the Jingdu Martial Arts Association. Back then, I also wanted to get rid of the Jingdu Martial Arts Association!"

"Then... . . Then why did you go into seclusion later?" Qin Yu was extremely puzzled by this.

Jiang he had initially claimed to be the strongest person in the fire country. With his abilities, he should at least be able to force the JINGDU martial arts association to lower their heads, right?

Jiang he raised his head and looked into the distance, as if he was reminiscing about a past.

A moment later, he quietly said: "Later on, I realized that I could not change anything at all."

Qin Yu's expression changed, and he hurriedly said, "Could it be that even you can't do anything to the Jingdu Martial Arts Association?"

"Yes." Jiang he didn't hide anything.

"The deeper you get in contact, the more you know how terrifying the Jingdu Martial Arts Association is, and the more you understand how deep the waters of Jingdu are."

"So, in the end, I chose to escape and choose to live in seclusion."

Qin Yu's expression was somewhat unsightly, and he was even more puzzled in his heart.

Why was even Jiang he so powerless?

“Don’t underestimate the power of the Jingdu aristocratic families, and don’t underestimate the foundation of the Jingdu Martial Arts Association,” Jiang he said.

“They have been established for many years and have stood tall. They have long become the highest hall in the hearts of martial artists. Everyone regards entering the martial arts association as an honor.”

“This also leads to the most outstanding geniuses in the world working for the Jingdu Martial Arts Association.”

At this point, the pavilion master beside him nodded and said, “Mr. Jiang is right. The Jingdu Martial Arts Association is more powerful than you can imagine.”

“Other than the cultivation resources you can see in the world, they also have an extremely strong foundation.”

Qin Yu did not say anything and listened to the opinions of these two seniors.

“Qin Yu, let me ask you, in your impression, what is the strongest realm?” Jiang he asked.

Qin Yu said in a deep voice, “I’ve heard of the Martial Saint Realm, but it is said that the martial marquis is already the ceiling.”

Jiang he nodded and said, “That’s right, the martial marquis is indeed the ceiling.”

“But... this conclusion does not apply to the Jingdu Martial Arts Association.”

Qin Yu's expression suddenly changed, and he hurriedly said, "Could it be... that the JINGDU martial arts association has a Martial Saint?"

Jiang he did not answer. He only said, "You will slowly understand in the future."

Qin Yu's expression was extremely unsightly. Based on what Jiang he said, wouldn't he have no hope?

Even Jiang he was so negative, let alone Qin Yu?

"You don't have to worry too much." At this moment, Jiang he suddenly changed the topic.

He looked at Qin Yu and said, "Your future achievements will definitely be above mine.. Perhaps, you are the one who will break the deadlock."

Chapter 545: Chapter 545, who exactly was my father

Qin Yu couldn't help but be stunned.

Was he the one who broke the deadlock?

But the current Qin Yu wasn't even a martial marquis, so how could he go against the Jingdu Martial Arts Association?

"Think carefully about your strength after becoming a martial marquis," Jiang he said in a deep voice.

Qin Yu suddenly remembered the state he was in when he forcefully became a martial marquis.

That kind of power made Qin Yu extremely confident.

He even felt that no one in the world could defeat him!

Even when he was facing more than ten martial marquises, Qin Yu didn't care at all!

"When you step into the Martial Marquis realm, everything will turn for the better," said Jiang he.

"But you have to be careful. They won't let you step into the Martial Marquis realm so smoothly."

Qin Yu took a deep breath and said, "Senior Jiang, I understand."

Jiang he nodded and said, "Young man, work hard."

Qin Yu didn't say anything.

He understood the logic, but right now, Qin Yu was only thinking about Yan Ruoxue.

He couldn't figure out why Yan Ruoxue, whom he should have taken away, was taken away by the Jingdu Martial Arts Association.

After returning to the Elder's residence, Qin Yu could not calm down for a long time.

"Stepping into the Martial Marquis realm will usher in a change..." Qin Yu gritted his teeth.

After thinking about it, he still could not accept it in his heart.

However, at the moment, Qin Yu had no other choice but to wait for the Pavilion Master's news.

For the entire day, Qin Yu was not in the mood to cultivate at all.

The next day.

The pavilion master sent someone to the Jingdu Martial Arts Association to inquire about the news.

In the evening, the pavilion master finally arrived at the Elder's residence.

Qin Yu hurriedly stood up and said, "Pavilion Master, how is it?"

The Pavilion Master was silent for a moment, then said, "The Jingdu Martial Arts Association's secrecy work is very strict. I also don't know their purpose."

Qin Yu's expression immediately became even uglier!

Even the pavilion master didn't have any news? How could this be?

"No!" Qin Yu suddenly stood up.

He coldly said, "I must immediately head to the JINGDU martial arts association to clarify the matter!"

The pavilion master glanced at Qin Yu and said, "Do you think that by going to the Jingdu Martial Arts Association, you will be able to find out more information?"

Qin Yu opened his mouth and immediately felt somewhat powerless.

He sat paralyzed on the bed and didn't know what to do for a moment.

“Let’s talk about it after you step into the Martial Marquis realm. Tomorrow, I will personally make a trip to Jingdu and then go scout for news,”the pavilion master said.

Qin Yu sighed and said, “This is the only way.”

The next day.

The Pavilion Master left the Divine Medicine Pavilion early in the morning and rushed towards Jingdu.

Meanwhile, Qin Yu’s heart had already begun to become anxious.

“As long as I step into the Martial Marquis realm, there will be a turn for the better...”Qin Yu repeatedly repeated these words silently.

His mood could not calm down for a long time. As long as he closed his eyes, it would be Yan Ruoxue.

This also made Qin Yu even more anxious. He could not wait to step into the Martial Marquis realm.

Now that Qin Yu stayed in the Divine Alchemist Pavilion, he could no longer bring about any improvements.

With Qin Yu’s current state, unless he had a stalk of ten-thousand-year-old herbs, or resources such as spirit veins, spirit springs, and Yin tombs, he would not be able to improve.

Therefore, Qin Yu could only plan to leave and go out to try his luck.

That evening, the pavilion master finally returned from Jingdu.

Upon seeing the pavilion master, Qin Yu ran over anxiously.

“Pavilion Master, how is it?”Qin Yu asked impatiently.

The pavilion master shook his head regretfully and said, “There’s still no news. Even the Yan family doesn’t know what the Jingdu Martial Arts Association is going to do.”

Hearing this, Qin Yu couldn’t help but fly into a rage!

“To the Yan family, they don’t care at all about Ruoxue’s life or death!”Qin Yu said angrily.

“Yan Sihai has used Ruoxue as a tool, and Yan Yongxiu is also a coward trash! Why would they care about what the Jingdu martial arts association is going to do!”

Seeing Qin Yu’s almost crazy attitude, the pavilion master didn’t know what to do for a moment.

“F * ck, since I can’t find out, then I’ll go to the Jingdu Martial Arts Association personally!”Qin Yu said coldly.

“Didn’t they want to capture me? Then I’ll let them capture me. At that time, I don’t believe that I won’t be able to find out the news!”

“Qin Yu, don’t be rash.”The pavilion master frowned.

He said that he wasn’t rash, but the life and death of his beloved was unknown. who could endure it!

Everyone had a weakness, and Qin Yu was no exception.

As long as one touched on a weakness, no one could maintain a calm state of mind.

“I might know the reason.”

Just then, someone suddenly walked in from outside.

This person was none other than old Mister Yan.

Seeing Old Mister Yan, Qin Yu felt as if he had seen his family.

He hurriedly said, “Old Mister Yan, what exactly is going on? If it was just an ordinary person, why would the Jingdu Martial Arts Association take her away!”

Old Mister Yan waved his hand, gesturing for Qin Yu to sit down.

The two of them sat opposite each other. Old Mister Yan paused, then slowly said, “This matter might have something to do with your father.”

“My Father?” Qin Yu was instantly stunned.

Old Mister Yan drank a mouthful of water and spoke slowly.

“Back then, I received the favor of your father. Otherwise, the Yan family wouldn’t be what it is now,” old Mister Yan said.

He looked at Qin Yu and continued, “Do you know why I asked Ruoxue to look for you in Jiangcheng?”

Qin Yu shook his head. Of course, he didn’t know.

Yan Ruoxue was a high and mighty miss, and he was a son-in-law who was already married with no prospects.

Logically speaking, it was impossible for the two of them to have any connection.

Regarding this, Qin Yu had always been extremely puzzled.

Old Mister Yan said, “This was also your father’s idea. He only told me that the two of you are a match made in heaven.”

“He told me that the two of you must be together, but he didn’t tell me the reason.”

Qin Yu was dumbstruck and confused.

What did he mean by the two of them had to be together? How did his father know that the two of them were a match made in heaven?

“If I’m not wrong, the two of you together will definitely be good for you and Ruoxue,” old Mister Yan continued.

“So, the Jingdu Martial Arts Association’s action is probably just to prevent the two of you from being together and bringing disaster to the Jingdu Martial Arts Association.”

Qin Yu furrowed his brows and said, “Old Mister Yan, is what you said true? It Can’t be to comfort me, right?”

Old Mister Yan smiled bitterly and said, “Ruoxue is my babe, my beloved flesh and blood. I’m more worried than you.”

Qin Yu was speechless. This was true. The entire Jingdu knew that the person old Mister Yan cared about the most was Yan Ruoxue.

“Although the Jingdu martial arts association is strong, they will definitely not ignore the influence of the Yan family,” old Mister Yan said.

“So, Ruoxue should be safe.”

Hearing old Mister Yan's words, Qin Yu felt slightly relieved.

"You should listen to the Pavilion Master. There are some things that can not be rushed," old Mister Yan said.

Qin Yu took a deep breath and nodded. "I understand, old Mister Yan."

At this point, Qin Yu paused.

He looked at Old Mister Yan and continued to ask, "You said that you once received the favor of my father. Does that mean that you know him?"

Old Mister Yan took a sip of water and nodded. "I know him."

"Then.... then where is he? What kind of person is he? Why have I never seen him before?" Qin Yu asked anxiously.

Chapter 546: Chapter 546: embarking on the path of cultivation

Old Mister Yan had naturally guessed Qin Yu's question.

Therefore, he seemed to have prepared for this long ago as he spoke slowly.

"I don't know much about your father, but I know that he is a person who can reach the heavens," said old Mister Yan.

"A person who can reach the heavens?" Qin Yu looked at Old Mister Yan.

"Is he more powerful than the Yan Family?"

Old Mister Yan smiled bitterly and said, “The Yan family is nothing in front of him.”

“To him, wealth is nothing. Let alone the small Yan family, with his strength, he can talk to a country.”

Qin Yu couldn't help but suck in a breath of cold air.

Just one person could talk to a country? What kind of realm did one have to possess?

“As his son, I believe that your abilities are not inferior to his,” old Mister Yan said.

“When that time comes, not to mention the tiny Jingdu martial arts association, even the authorities will have to give you face.”

Such a realm was too far away for Qin Yu. Even a martial saint would not be able to achieve it.

“Then where did my father go? Why have I never seen him before?” Qin Yu asked hurriedly.

Old Mister Yan shook his head. His eyes were filled with yearning as he said, “Mr. Qin is a person who can not be seen. It is not something that we can speculate.”

This was the first time Qin Yu had seen old Mister Yan reveal such a respectful expression!

This was enough to show just what kind of existence Qin Yu's father was.

Qin Yu was silent for a moment. He looked at Old Mister Yan and said, “This means that the JINGDU martial arts association must have discovered something.”

“That’s right.” Old Mister Yan nodded.

“Qin Yu, before you step into the Martial Marquis realm, try not to clash directly with the Jingdu Martial Arts Association.”

Qin Yu took a deep breath and said, “Old Mister Yan, I understand.”

That night, Qin Yu made his plans.

The next day, he left the Divine Alchemist Pavilion and went out to explore.

At this time, the Jingdu Martial Arts Association held another meeting.

This time, the meeting was no longer aimed at Qin Yu, but at Qin Yu and Yan Ruoxue!

As far as the eye could see, there were only four people in the huge meeting room, including Xia Hang.

However, there were more than four people participating in the meeting!

They were hiding in the shadows, only hearing their voices but not seeing them.

“After our investigation, everything is as we thought.” A cold voice came from the darkness.

“Today, we investigated Qin Yu. It is very likely that he is related to that person. Moreover, his physique is a primal chaos body.” Another voice came out.

“The princess of the Yan family, Yan Ruoxue, has a different bloodline. This bloodline is beyond our understanding.”

“According to the ancient records, this bloodline and Qin Yu’s chaotic body are natural. Once the two of them interweave, they will be invincible.”

Xia hang was stunned.

At this moment, he realized that although he was the vice president, he knew nothing compared to these higher-ups.

“En, we plan to borrow Yan Ruoxue’s bloodline. If we succeed, then Yan Ruoxue will become the biggest treasure of the Jingdu Martial Arts Association!” A voice came from the dark again.

Xia hang hurriedly stood up and said anxiously, “But... Yan Ruoxue is the eldest miss of the Yan family. Will the Yan family agree to us detaining her without any evidence?”

Everyone was silent for a moment and then said, “Go and tell Yan Sihai that we will ensure Yan Ruoxue’s safety and give some benefits to the Yan family.”

“EN, if Yan Yunheng is not dead, it might be a little more troublesome. As for Yan Sihai... it doesn’t matter. We can just give him some benefits to get rid of him.”

Seeing this, Xia hang didn’t say anything more.

“Then... What About Qin Yu?”Xia hang suddenly thought of something.

“Kill.”In the dark, he only spat out one word.

Hearing that, Xia hang finally heaved a sigh of relief.

No one had expected that the battle between Qin Yu and Han Wei would actually cause so much trouble.

Not only that, the situation in Jingdu seemed to be quietly changing as well.

Many of the hidden experts from the fire country were also slowly emerging from the pyro.

... ..

The next day.

Qin Yu bid farewell to the Pavilion Master and left the Divine Alchemist Pavilion.

He set off towards the northwest. He walked on foot along the way, tempering his mental state.

Not long after Qin Yu left the Divine Alchemist Pavilion, Gu Canghai received the news.

After he put down his phone, his expression immediately turned cold.

“From today onwards, the Saint Confucian school will temporarily be handed over to Deng Sheng to manage,”gu Canghai said coldly.

“Sect master, where are you going?”The old man called Deng Sheng hurriedly asked.

A trace of killing intent flashed across Gu Canghai’s face as he coldly said, “To kill people!”

...

Jade city was located in the depths of the northwest.

This city was just like its name, a piece of Jade Green.

Unlike the desolation of the surrounding cities, everything here was lush and verdant, like a forest.

Because it was located in the depths of the northwest, most of the residents here had left Jade City and chose to go to a big city.

This also caused green city to be extremely sparsely populated, but there were many sects.

“The surrounding cities are all deserts, but Green City is actually all green.”Qin Yu stroked his chin and thought to himself.

He released his spiritual sense and tried to sense the internal Qi of green city.

“HM?”Soon, Qin Yu felt that something was wrong.

In the northwest corner, there was a faint surge of Qi/spiritual energy.

This Qi/spiritual energy was faintly discernible. Although it was not very strong, it was still very far away.

Qin Yu did not waste any time and immediately walked toward the northwest corner.

All the way to the northwest corner, Qin Yu saw a huge rock that was like a city gate.

Near the city gate, there were a few black cars parked nearby.

Qin Yu looked up at the huge rock and saw a few big words written on it: Bi Luo Tower.

“What kind of lousy name is that?” Qin Yu couldn’t help but ridicule.

He tried to feel the Qi/spiritual energy and sure enough, the Wisps of Qi/spiritual energy came from Bi Luo Tower.

Qin Yu thought for a moment and then walked in with big strides.

In Bi Luo Tower, there was a large area of land that was surrounded, and it was on par with the manor of an ordinary wealthy family.

Qin Yu followed the Wisps of Qi/spiritual energy and walked in a certain direction.

Not long after, Qin Yu saw a huge lake in front of him.

Qin Yu bent down and picked up a handful of water.

After a mouthful of water, Qin Yu felt a strange smell.

“There is Qi/spiritual energy in the lake, but the smell is a bit strange. It’s different from the Water Dragon Cave,” Qin Yu said in a deep voice.

This feeling... It was as if the Qi/spiritual energy had been diluted countless times.

Qin Yu picked up a huge rock and threw it into the lake.

He tried to drink another mouthful of the lake water, but he found that the taste this time was different.

Compared to the first cup of water, the Qi/spiritual energy in the lake water seemed to be a bit denser this time.

“It’s really strange.”Qin Yu was a bit puzzled for a moment.

He scanned his surroundings and found that there was a small entrance at the border of the lake.

The water in the lake seemed to flow in from this small entrance.

Chapter 547: Chapter 547, the impostor?

“There’s definitely a secret here,”Qin Yu said with some surprise.

After walking for several days, Qin Yu finally found a place with Qi/spiritual energy!

Therefore, he hurriedly walked toward the gap.

“Who are you? Who told you to be here?”

At this moment, a stern shout came from behind Qin Yu.

He turned around and saw two men looking at him vigilantly.

Qin Yu released his internal Qi and realized that these two people were actually two martial grandmasters.

“HM? There are actually martial grandmasters here.”Qin Yu couldn’t help but be a little surprised.

“Quickly tell me, who are you? Who let you in!”The two men shouted again.

The internal Qi on their bodies exploded, and their faces were filled with coldness. They had the intention to attack!

Qin Yu cupped his hands and said politely, “My name is Qin Yu. I accidentally barged in, but I was attracted by this lake.”

“Qin Yu?”

Hearing this name, the two of them were instantly stunned.

They looked at each other, and then hurriedly asked, “Are you the Qin Yu who injured Han Wei?”

Qin Yu couldn’t help but be a little surprised.

It had only been a few days, and it had already reached here?

“That’s right, it’s me.”Qin Yu nodded and said.

The two of them immediately changed their attitudes and said respectfully, “I’ve long heard of Mr. Qin’s great name. I didn’t expect to see him in person today!”

“Mr. Qin, you are our idol! You are not afraid of powerful people and fight to the death. We have always wanted to follow you!”

Qin Yu could not help but feel a little embarrassed. He said politely, “You two are flattering us.”

Speaking up to this point, Qin Yu pointed at the lake and said, “Oh right, where does the Qi/spiritual energy in this lake come from? Why is it strong and weak at times?”

Hearing this, a hint of awkwardness flashed across their faces.

They smiled embarrassedly and said, “Mr. Qin, it’s not that we don’t want to tell you, but... This is our secret. We are not allowed to tell outsiders.”

“How about... I bring you to see our sect master?”

Qin Yu thought for a moment and nodded. “Alright, then I’ll have to trouble the two of you.”

Thus, Qin Yu followed behind the two of them and walked forward.

In front of them was a building. The two of them brought Qin Yu straight up to the twenty-seventh floor and then came to an office.

“Mr. Qin, this is our sect master’s office.” The two of them said politely.

Qin Yu bowed slightly to express his gratitude.

Then, Qin Yu knocked on the door.

Not long after, a woman’s cold voice came from inside, “Who is it?”

“Sect master, someone wants to see you,” the two martial grandmasters said quickly.

“Wait, I’m in a meeting, don’t you know?”The woman said coldly.

The two martial grandmasters were a bit embarrassed. One of them said in a low voice, “Mr. Qin, please don’t mind. Our sect master just met with a difficult thing recently, so he’s quite upset.”

“It’s alright.”Qin Yu said with a smile.

Qin Yu naturally wouldn’t be angry since he was disturbing others.

After waiting at the door for about half an hour, they finally opened the door.

Then, they saw four or five people walking out from inside.

What surprised Qin Yu was that these people were all peak martial grandmasters!

With such strength, they were definitely top-notch existences in this small green city!

“Come in.”

Then, he heard that woman’s voice.

Qin Yu immediately walked into the office.

With a glance, he saw a woman with an ice-cold expression sitting in front of the office desk.

Her skin was snow-white and she looked handsome, but there was a trace of worry between her brows.

“Who are you?” After seeing Qin Yu, this woman couldn’t help but frown.

Before Qin Yu could speak, the two people beside him hurriedly said, “Sect master, he is that famous Qin Yu!”

“Hello,” Qin Yu said politely.

However, this woman sneered and said, “These few days, there are at least eight people who claimed to be Qin Yu. In the end, they are all liars!”

Although there were many videos of Qin Yu, they were all taken during the battle. The extremely strong internal Qi made the cameraman not dare to go forward.

This also caused Qin Yu’s face to be unable to be seen clearly in the video. Only a blurry figure could be seen.

When Qin Yu heard these words, he was stunned.

He said somewhat awkwardly, “Someone is pretending to be me? For what?”

“You really think you are Qin Yu?” The woman said coldly.

“Who doesn’t know that Qin Yu is currently in the Divine Alchemist Pavilion? Even if he isn’t in the Divine Alchemist Pavilion, he should have appeared in Jingdu! Why would he come to my tiny Green City!” The woman said coldly.

Qin Yu explained helplessly, “I’m Really Qin Yu. I just left the Divine Herb Pavilion. The reason why I’m here is because of the lake at the entrance.”

Just as the woman was about to speak, a man suddenly walked in from outside.

“Zhen Yue, Qin Yu is here,” the man said.

Zhen Yue immediately sneered, “Did you hear that? Another Qin Yu is here. Let him in.”

A hint of amusement appeared on Qin Yu’s face.

He found a place to sit down and quietly waited for “Qin Yu” to arrive.

Not long after, a handsome man walked in.

The man said indifferently, “Sect Master Zhen, right? I heard that you encountered some difficulties recently?”

Zhen Yue said expressionlessly, “You are Qin Yu?”

“That’s right. I’m Qin Yu!” The man said indifferently.

Zhen Yue sneered, “Then why aren’t you at the Divine Alchemist Pavilion? What are you doing in Green City?”

The imposter laughed and said, “I heard that sect master Zhen has encountered some difficulties. Whoever can help you solve them will be able to get 100 million and have a good night with sect master Zhen...”

The impostor paused and continued, “Of course, I just happened to pass by here. I didn’t come here for this small favor.”

Zhen Yue didn’t have much expression on her face. She only said coldly, “How do you prove that you are Qin Yu?”

The impostor didn't say anything else. His body shook, and beams of golden light instantly burst out from his body!

Seeing the Golden Light, Qin Yu couldn't help but be a little surprised.

It was a damn good imitation!

“Golden Internal Qi!” Seeing this, everyone couldn't help but be a little surprised.

“Qin Yu can release Golden Light when he fights! It seems that he really is Qin Yu!”

Even Zhen Yue showed a hint of surprise on her face.

“Are You Really Qin Yu?” Zhen Yue stood up immediately and asked in surprise.

The impostor pretended to be displeased and said, “I came here out of kindness to help you, but you actually doubted me. In that case, I'll leave.”

After saying that, the impostor turned around and was about to leave.

Zhen Yue's expression changed. She hurriedly stopped the impostor and said politely, “I didn't mean that. It's just that there have been too many imposters these days. Please don't mind, Mr. Qin...”

The impostor nodded with satisfaction.

Then, Zhen Yue looked at Qin Yu and said coldly, “You can leave now.”

Qin Yu couldn't help but say helplessly, “This person is obviously a person who swindles money and women. How can you believe him?”

“Kid, what did you say? !”The impostor was instantly enraged, and the golden light on his body also rose.

Chapter 548: Chapter 548, Qi/spiritual energy gap

Before Qin Yu could say anything, zhen yue yelled coldly, “Get out of Here!”

Qin Yu spread his hands, but he didn’t care.

He came here for the lake.

Since they didn’t believe him, he might as well go and explore it himself.

Qin Yu stood up and walked out of the office.

A voice came from behind, “So that kid is an imposter. I really thought he was Qin Yu.”

“He looks sneaky, but he doesn’t seem like a good person.”

Qin Yu smiled bitterly. He never thought that his current fame would be so great. There was even an imposter.

Of course, this was also a good thing.

This was enough to show that Qin Yu’s appeal was absolutely beyond imagination.

He once again came to the front of the lake and felt the faint Qi/spiritual energy coming from the lake.

For the current Qin Yu, the most important thing was to improve his cultivation as soon as possible and step into the Martial Marquis realm.

“Once I step into the Martial Marquis Realm, I will definitely go to the Jingdu martial arts association personally to ask for someone.” Qin Yu secretly made up his mind.

Then, Qin Yu followed the lake water all the way to the gap.

All the lake water flowed in through the gap.

Looking through the gap, it was a small stream.

Qin Yu stood beside the stream. He bent down and took a sip of the stream water to taste.

Sure enough, the Qi/spiritual energy was a little thicker than before.

Qin Yu followed the stream all the way. Soon, Qin Yu realized that something was wrong.

The stream was circular, and finally flowed into the lake again.

In other words, this was a pool of stagnant water!

“Strange.” Qin Yu’s frown became tighter and tighter.

He stood on the edge of the lake and said in a low voice, “Could the secret be under the water?”

Thinking of this, Qin Yu immediately jumped into the lake.

Diving along the lake, Qin Yu was surprised to find that the pressure below had suddenly become much stronger, and the Qi/spiritual energy had also become denser!

The lake water was much deeper than he had imagined. After diving for dozens of meters, Qin Yu finally came to the bottom of the water!

It was dark under the water. Qin Yu used the secret art of water avoidance, and then used the spiritual fire to explore.

Soon, he found something strange!

There was a huge gap in the ground under the water!

All the Qi/spiritual energy was emitted from this gap!

Qin Yu hurried over. He tried to open the gap, but he found that the gap was extremely hard!

Qin Yu immediately activated his inner strength and threw a punch!

Unfortunately, the hardness of this gap was far beyond Qin Yu's imagination. He couldn't even shake it!

“What a hard stone!” Qin Yu couldn't help but be shocked!

He sat cross-legged under the water and felt the surging qi/spiritual energy.

The gap was sometimes big and sometimes small, and the surging qi/spiritual energy was sometimes thick and sometimes thin.

Qin Yu's eyes sparkled, and he was a little excited for a moment!

“This is the Qi/spiritual energy formed naturally between heaven and Earth!”Qin Yu was extremely excited!

In other words, this Qi/spiritual energy was the purest, equivalent to what was left when the heaven and earth hadn’t changed!

Unlike herbs, even ten-thousand-year-old herbs could only be used to store Qi/spiritual energy.

And this Qi/spiritual energy had not been contaminated in the slightest, and there were no impurities in it. It was no different from the Qi/spiritual energy when the world had not changed!

“In this environment, there is actually such a gap in the Qi/spiritual energy!”Qin Yu’s eyes flashed with excitement.

Then, what exactly was under this gap? Could it be a world where the Qi/spiritual energy had not yet dissipated? It was unimaginable!

“With such a gap, the Qi/spiritual energy can be said to be endless!”Qin Yu thought to himself.

He did not waste any time and immediately sat down cross-legged and began to absorb the Qi/spiritual energy underwater.

Because Qin Yu was near the gap, the Qi/spiritual energy that was spewed out was absorbed by Qin Yu at the first moment!

Above, no one in Bi Luo Tower knew that Qin Yu was underwater.

In the evening, many ordinary people of BI city appeared beside the lake.

They were holding buckets and drawing water from the lake.

At this moment, Zhen Yue accompanied the imposter to the Lakeside.

“What’s going on?”The imposter asked with a frown.

Zhen yue smiled and said, “Mr. Qin, you don’t know that the water here has a miraculous effect. More than half of the people of BI city will come here to draw water.”

The impostor asked in puzzlement, “Miraculous effect? What kind of miraculous effect?”

“It can cure diseases and drive out the cold,”Zhen Yue said with a smile.

“Miss Zhen.”As they spoke, the people who came to fetch water greeted Zhen Yue one after another.

Zhen Yue also responded with a smile.

The impostor didn’t ask any more questions. He looked at Zhen Yue and said with a smile, “Sect master Zhen, the conditions you mentioned before are all true, right?”

Zhen Yue couldn’t help but blush at the mention of this topic.

She bit her lips and said, “Of course it’s true. As long as I can keep the jade falling tower, I’ll agree to it.”

The imposter was delighted and said impatiently, “Sect master Zhen, it’s getting late. Why don’t we go to bed early?”

“So early?”Zhen Yue couldn’t help but feel a little embarrassed.

The impostor chuckled and said, “I’m sleepy now. Let’s go.”

With that, the impostor stretched out his hand to pull Zhen Yue.

Zhen Yue resisted a little in her heart, but for the sake of the Emerald Tower, she could only grit her teeth and follow the impostor.

“Sect Master Zhen, something bad has happened!”

At this moment, a few people ran over.

Zhen Yue frowned and said, “What’s the matter? Why are you so flustered?”

“Wang... Wang Xiong and the others are here!”

Hearing the name Wang Xiong, Zhen Yue’s expression immediately turned ugly.

Over the past few days, Wang Xiong had taken a liking to the emerald tower and had forced Zhen Yue to hand it over many times.

Wang Xiong was a tyrant in this area and possessed extremely strong power. Most importantly, he had no one behind him but the Saint Confucian sect!

Zhen Yue was only a woman, so she was naturally no match for Wang Xiong.

She tried to ask many people for help, but when they heard that it was Wang Xiong’s name, they all refused.

In desperation, Zhen Yue thought of Qin Yu!

In her opinion, perhaps only Qin Yu was not afraid of the Saint Confucian sect behind Wang Xiong!

“Don’t worry, we have Mr. Qin here. If Wang Xiong comes, he will definitely die!” Someone said from the side.

Zhen Yue also subconsciously looked at the imposter and said in a low voice, “Mr. Qin, please.”

The imposter’s face darkened and he couldn’t help but curse in his heart, “Damn it, didn’t I say that he would come tomorrow? Why is he here so early?”

Although he thought so, he couldn’t back down now. The imposter could only try to ask, “What’s Wang Xiong’s cultivation base?”

Zhen Yue bit her lips and said in a low voice, “He’s a half-step martial marquis who used to belong to the Saint Confucian School.”

Hearing the words ‘half-step martial marquis’, the impostor’s face turned black!

“Half-step martial marquis is nothing but Bullsh * t! He’s nothing in front of Mr. Qin!” The person next to him shouted.

After saying that, he looked at the impostor and said with a smile, “Mr. Qin, don’t you agree?”

The impostor cursed in his heart while thinking of how to escape.

“A half-step martial marquis is nothing but Bullsh * t? Who is talking nonsense?” However, at this time, Wang Xiong’s voice came from not far away.

Chapter 549: Chapter 549: Silence

Looking over, he saw a muscular man walking over with big strides.

There were four or five other people beside him, and each of them was a martial grandmaster!

The impersonator's expression changed, and he immediately knew that things weren't looking good!

He never expected that he had miscalculated! This Wang Xiong had actually come a day earlier!

Wang Xiong swept his gaze across the crowd, and for a moment, no one dared to speak.

Then, his gaze landed on Zhen Yue.

“Sect Master Zhen, have you thought it through?” Wang Xiong said with a smile.

Zhen Yue's expression changed. She gritted her teeth and said, “Mr. Wang, this azure falling tower was passed down from our Zhen family's ancestors. It's against the rules for you to occupy it like this...”

“Rules?” Wang Xiong snorted coldly and said, “Cut the crap! I'm telling you, I'm definitely going to take this azure falling tower!”

“And I'm telling you, this isn't my idea, but an order from the Saint Confucian sect!”

Hearing the words ‘Saint Confucian sect’, everyone's face changed again!

The Saint Confucian sect was the number one sect in the north, so why would they pay attention to this place?

“Sect Master Zhen, I discussed this with you because you’re pretty,” Wang Xiong said with a smile.

“How about this? You Can Be My Woman, and I promise to give you a luxurious life!”

Zhen Yue gritted her teeth, her face extremely ugly.

Wang Xiong looked at Zhen Yue in front of him lecherously, almost drooling.

Zhen Yue was wearing a black short skirt with a V-neck shirt, which outlined her figure almost perfectly.

And Zhen Yue was also a famous beauty in green city, known as the number one beauty in Green City! No one could not be tempted!

“How is it? Have you thought it through?” Wang Xiong said with a smile.

Zhen Yue gritted her teeth and looked at the imposter beside her subconsciously.

“Wang Xiong, don’t be too arrogant. So what if it’s the Saint Confucian school!” At this moment, the person beside Zhen Yue shouted.

He pointed at the imposter and berated, “Do you know who this is? He is the famous Qin Yu! With Mr. Qin around, the Saint Confucian school can forget about doing anything!”

Hearing the name Qin Yu, Wang Xiong and the others' expressions changed drastically!

“You are Qin Yu?” Wang Xiong tried to ask.

The impostor's expression changed again and again. He saw a trace of fear flash across Wang Xiong's face.

Therefore, he simply braced himself and said, “That's right, I am Qin Yu! Sect Master Zhen is my friend. Please leave quickly and don't have any more ideas about this jade fall tower.”

Wang Xiong frowned.

He had heard of Qin Yu's name before. He was an existence that even the sect master of the sacred Confucian school couldn't do anything about!

Just as Wang Xiong was about to speak, the person next to him suddenly snorted and said, “Everyone says that this Qin Yu is so powerful. I think it's just an empty title!”

As he spoke, the person took a step forward and looked at the impostor.

“You're Qin Yu, right? I've heard so much about you. I've always wanted to learn from you and see if you're the legendary God!”

The impostor's expression suddenly changed!

He braced himself and said, “I think there's no need for that...”

“Hehe, why? Are You Afraid? It seems that your victory over Han Wei was indeed fake!” The person said coldly.

The imposter's expression turned extremely ugly. He subconsciously looked at Wang Xiong.

However, Wang Xiong did not show any reaction. It seemed that he also wanted to see "Qin Yu's" ability.

"Qin Yu, make your move. Let me see just how much ability you have!" The martial grandmaster beside Wang Xiong shouted and then clenched his fist!

Since things had already come to this point, the imposter could only brace himself and go forward to meet him.

Golden light flashed on his body, and he immediately clenched his fist to fight head-on!

The moment he made contact, the golden light on the imposter's body instantly exploded, and his arm was bent at a strange angle!

When everyone saw this, they were instantly stunned.

The Legendary Invincible Qin Yu was actually so weak?!

"Hahahaha!" Wang Xiong couldn't help but burst into laughter.

"So this Qin Yu is just a nobody! He can't even defeat a great Grandmaster!"

Zhen Yue and the others' faces turned even uglier!

Didn't they say that Qin Yu was a half-step martial marquis? ! How could he be so weak?!

“I didn’t expect that Qin Yu would die at my hands!”Wang Xiong stepped forward and said coldly.

The imposter panicked immediately. He knelt on the ground and begged for mercy, “Mr. ... Mr. Wang, I’m not Qin Yu at all. Please... Please spare me...”

“You’re not Qin Yu?”Zhen Yue frowned immediately.

Since things had come to this, the imposter didn’t dare to lie anymore.

He braced himself and said, “I. . . I said I was Qin Yu because I was lusting after sect leader Zhen’s beauty...”

“I thought you would come tomorrow. As long as I run away early tomorrow, everything will be fine... but I didn’t expect you to come early...”

Hearing this, Zhen Yue stomped her feet angrily.

She pointed at the imposter and scolded, “You Bastard!”

Wang Xiong sneered, “Zhen Yue, why would the real Qin Yu Help You?”

A trace of sadness flashed across Zhen Yue’s face.

Yes, Qin Yu was a person who challenged the Yan family. Why would he help her.

At this moment, Wang Xiong suddenly stretched out his palm, and a ray of light directly smashed the head of the imposter!

The sudden change of events immediately scared Zhen Yue and the others so much that their faces turned pale.

“Sect Master Zhen, you’d better obediently obey me...”Wang Xiong said with a lecherous look.

“Mr. Wang, don’t forget what the higher-ups told you,”someone reminded him at this moment.

Wang Xiong frowned and glanced at Zhen Yue unwillingly. Then, he said, “Sect Master Zhen, wait for me obediently. I’ll come back to Dote on you after I’m done.”

Zhen Yue’s face was pale, but she didn’t dare to say anything.

Then, Wang Xiong looked at the lake in front of him.

“The Saint Confucianism sect must be talking about this place,”Wang Xiong said in a deep voice.

“Yes, there is a mystery hidden in this lake. The Saint Confucianism sect intends to establish a second sect here,”the person next to him said.

Wang Xiong and the others didn’t say anything more. They immediately jumped into the lake.

Below them, Qin Yu was sitting at the gap, absorbing the Qi/spiritual energy released from the gap.

At this moment, he suddenly felt waves of fluctuations, as if someone was approaching him.

“Who is it?”Qin Yu opened his eyes slightly and looked up.

He saw four figures speeding toward him.

Qin Yu slowly stood up and looked at these people quietly. He frowned and asked, "Who are you?"

Wang Xiong was even more stunned. He immediately berated, "Who are you? Who told you to be here!"

"There's no need to talk nonsense with him. He discovered the secret in the lake. Just silence him," the person beside him said in a deep voice.

Wang Xiong nodded and immediately strode towards Qin Yu.

Chapter 550: Chapter 550, Zhen Yue's sacrifice

Wang Xiong looked at Qin Yu coldly, and the energy in his body surged as he strode over.

Above.

Zhen Yue and the others looked extremely unsightly.

"Sect master Zhen, let's leave before Wang Xiong comes up," someone beside them advised.

"Yeah, it'll be too late if we wait for Wang Xiong to come up!"

Zhen Yue gritted her teeth and said in a deep voice, "I can't leave. I can't give up on the Emerald Tower."

"Sect master! It's useless for you to stay. That Wang Xiong is a half-step martial marquis, and he has the support of the Saint Confucian sect!"

“Yeah! Instead of waiting for death, it’s better to leave for now and find another chance in the future!”

Zhen Yue’s face was extremely ugly. She gritted her teeth and said unwillingly, “Maybe... This is the only way.”

However, at this moment, a huge explosion sounded from the water!

A huge wave rose from the water, and then a few figures flew out like cannonballs!

At first glance, these people were none other than Wang Xiong and the others!

At this moment, Wang Xiong’s mouth was bleeding, and his arm was broken. He looked miserable.

“What... What’s going on?” Zhen Yue was dumbfounded.

Wang Xiong didn’t say anything. He hurriedly got up from the ground and stared at the lake.

A moment later, a golden light lit up.

Qin Yu slowly walked out of the lake.

“It’s You! ?” Zhen Yue was stunned when she saw Qin Yu.

Qin Yu glanced at Zhen Yue, then pointed at Wang Xiong and said, “He’s from your Biluo Tower? What the hell? He wants to fight me without saying anything...”

At this point, Qin Yu muttered, “I was forced to resist and it was in self-defense. Sect Master Zhen, Don’t blame me.”

Zhen Yue couldn't help but swallow his saliva.

Wang Xiong... was sent flying by Qin Yu ? !

After all, Wang Xiong was a half-step martial marquis!

“Sir, I don't care who you are. We are here to protect this lake on the orders of the Saint Confucian school. I hope you don't mind your own business,”the person beside Wang Xiong said coldly.

Qin Yu narrowed his eyes and sneered, “So you guys are from the Saint Confucianism sect... it seems that the Saint Confucianism sect has also set their eyes on this place. It really gives me a headache...”

“Since you know about the Saint Confucianism sect, please leave quickly. Our Saint Confucianism sect will definitely owe you a favor!”The person continued.

When Qin Yu heard this, he couldn't help but sneer, “If you didn't tell me the name of the Saint Confucianism sect, I might have spared you. But now... What a pity.”

Before he could finish his words, Qin Yu's figure suddenly disappeared!

In the next second, Qin Yu's slap was seen!

With just one slap, that Martial Grandmaster's head directly exploded!

His corpse fell heavily to the ground.

Before the crowd could react, Qin Yu attacked again.

In the blink of an eye, those martial grandmasters all turned into ice-cold corpses!

Everyone was stunned.

Killing a martial grandmaster with one slap? What kind of strength was that? !

“It’s your turn.”Qin Yu looked at Wang Xiong.

Wang Xiong’s face was extremely ugly as he shouted, “Brat, who are you? !”

“Qin Yu.”Qin Yu spat out two words coldly.

“Qin... Qin Yu? ! Why is there another Qin Yu? !”Wang Xiong almost wanted to die.

Zhen Yue seemed to have come to her senses. She rushed forward and said anxiously, “Mr. Qin, I was blind just now. Mr. Qin, please help me drive him away!”

Qin Yu glanced at Zhen Yue and said, “You had nothing to do with me killing him. It’s because he once said that I won’t let anyone from the Saint Confucian school go.”

Wang Xiong was a little scared, but he was a half-step martial marquis after all. He wouldn’t just sit around and wait for his death.

Wang Xiong’s energy surged, and his body actually began to expand.

His muscles instantly expanded several times, and in the blink of an eye, his clothes directly burst!

“Qin Yu, you’re going too far. Do you think I, Wang Xiong, am easy to bully?!” Wang Xiong roared angrily and immediately rushed toward Qin Yu!

His fist was almost the same size as Qin Yu’s head, and the terrifying wind even brought up waves behind him!

“Go to hell!” Wang Xiong roared angrily!

Qin Yu snorted, raised his palm, and lightly welcomed him.

“Pa da.”

Wang Xiong’s huge fist was actually held lightly in Qin Yu’s hand!

What was even more terrifying was that Wang Xiong struggled with all his might, but he couldn’t break free at all!

“I really didn’t expect that the Saint Confucian school would actually target this place.” Qin Yu’s cold voice sounded in Wang Xiong’s ear.

Wang Xiong swallowed his saliva. At this moment, he realized how big the gap between him and Qin Yu was!

“Don’t... Don’t kill me...” Wang Xiong said in a trembling voice.

Qin Yu shook his head and said, “I’m sorry, I’m a man of my word.”

Before he finished his words, Qin Yu’s palm suddenly exerted force and directly crushed Wang Xiong’s fist!

In the next second, Qin Yu’s fist flashed with a golden light and suddenly smashed toward Wang Xiong!

This punch directly penetrated Wang Xiong's body!

Wang Xiong lowered his head and looked at his chest. His eyes were filled with fear.

“Half-step Martial Marquis, right? This is a great tonic. We can't waste it.” Qin Yu raised his hand and activated the heaven-devouring technique.

In a moment, the extremely strong Wang Xiong turned into a dried corpse.

The surroundings were silent.

Zhen Yue covered her mouth, her face full of shock.

“Thank... Thank you, Mr. Qin!” Zhen Yue reacted and said hurriedly.

“Thank you, Mr. Qin!” The others also shouted.

Qin Yu glanced at her and said, “I told you, it's none of your business that I killed him. Why are you thanking me?”

Zhen Yue said in a low voice, “No matter what, you still hugged Bi Luo Tower. I will definitely remember this favor.”

“As you wish.” Qin Yu waved his hand.

“Mr. Qin, please... come in!” Zhen Yue cupped her hands and said.

She followed Zhen Yue to the guest room.

“You guys go out first.” Zhen Yue waved her hand and sent everyone out.

After everyone went out, Zhen Yue locked the door.

Then, she looked at Qin Yu and said in a low voice, “Mr. Qin, I promised that as long as you help me solve this problem, I... I can spend a night with him...”

As she spoke, Zhen Yue had already taken off her black short skirt.

Chapter 551: Chapter 551, Qin Yu's scheme

Then, Zhen Yue began to take off her upper body clothes.

Seeing this, Qin Yu hurriedly asked, “What are you doing?”

Zhen Yue brushed her hair and said, “Don't worry. I promised you that I won't hold you responsible.”

After saying that, Zhen Yue walked toward Qin Yu.

Seeing this, Qin Yu hurriedly said, “Hurry up and put on your clothes. I don't need them.”

“Also, let me tell you, I won't do anything to let Yan Ruoxue down.”

Zhen Yue whispered, “Mr. Qin, no one will know about this.”

Qin Yu said with a cold face, “If you do this again, I'll leave.”

After saying this, Qin Yu got up and was about to leave.

“Mr. Qin, don't go.” Zhen Yue hurriedly stopped Qin Yu.

She put on her clothes again, and Qin Yu stayed behind.

“Then I'll transfer the money to you later,” said Zhen Yue.

Qin Yu thought for a moment and said, “Sect master Zhen, if you really want to help me, why don’t you tell me what secret is under the lake?”

Zhen Yue seemed to have guessed that Qin Yu would ask this, so she didn’t look too surprised.

“It’s a long story,” Zhen Yue said in a deep voice.

After Zhen Yue’s explanation, Qin Yu finally knew the origin of this lake.

This lake was called Iceheart Lake, and it had been here for thousands of years.

Zhen Yue’s ancestors were responsible for guarding the Iceheart Lake, and it was the same for every generation.

“According to my father, this place was once a prosperous sect ten thousand years ago,” Zhen Yue said.

“As for the Icy Heart Lake, it was created by that sect. My father said that as long as we guard this lake, it will definitely return to its peak.”

Qin Yu didn’t say anything.

It seemed like there was something underneath that gap.

It was either a treasure left behind by that sect ten thousand years ago, or a sealed Qi/spiritual energy.

Moreover, this Qi/spiritual energy had probably been sealed for tens of thousands of years.

“If I can open that gap, I wonder how much qi/spiritual energy will be released,”Qin Yu thought to himself.

Unfortunately, with Qin Yu’s current ability, it was impossible for him to open the gap.

“Have you looked under the water?”Qin Yu asked.

Zhen yue nodded and said, “I have. I know that all the Qi/spiritual energy in Ice Heart Lake was released from that gap.”

“Is there any way to open that gap?”Qin Yu asked immediately.

Zhen Yue immediately looked at Qin Yu warily.

Obviously, she didn’t want others to get their hands on the Ice Heart Lake.

However, this also revealed one thing: Zhen Yue definitely knew how to open that gap!

Qin Yu thought for a moment and said, “How about this, sect leader Zhen, why don’t We Work Together?”

“Work together?”Zhen Yue was a bit puzzled.

Qin Yu nodded and said, “Don’t you want to restore the glory of the Azure Falling Tower?”

“Of course I do,”Zhen Yue said with a bitter smile.

“But how can the current situation allow the azure falling tower to develop? It’s already good enough for me to get to where I am today,”Zhen Yue sighed slightly.

Qin Yu said in a deep voice, “If you are willing, why don’t you let me join the Azure Falling Tower? We can manage the sect together.”

A trace of surprise appeared on Zhen Yue’s face, but she wasn’t in a hurry to answer.

Qin Yu continued, “With my current appeal, I believe that someone will definitely join the Jade Falling Tower.”

“With my ability to refine medicine and the Ice Heart Lake, it won’t be difficult to build a top-tier sect.”

Hearing this, Zhen Yue was finally somewhat moved.

She stared at Qin Yu and asked tentatively, “Mr. Qin, is what you said true?”

“Of course.” Qin Yu nodded.

“You can continue to be the sect master. As for me... You can give me any position.”

Zhen Yue was obviously moved by Qin Yu’s words.

There wasn’t even a half-step martial marquis in the entire Bi Luo Tower. If Qin Yu could join, it would definitely be a good thing for Bi Luo Tower!

Qin Yu struck while the iron was hot. “The Saint Confucian sect has already discovered the icy heart lake. Do you think you can resist them?”

Zhen Yue fell into silence.

That's right. As the number one sect in the north, the Saint Confucian sect wasn't something Zhen Yue could deal with.

"You can think about it. I Won't force you."Qin Yu stood up and was about to leave.

At this moment, Zhen Yue suddenly said, "Mr. Qin, I agree with your suggestion."

Qin Yu was delighted, but his face remained calm.

He turned around and said, "Okay, then I wish us a pleasant cooperation."

Zhen Yue said in a low voice, "From tomorrow onwards, you will be the vice sect master of Bi Luo Tower."

The cooperation between the two of them was reached at this moment.

After walking out of the office, Qin Yu couldn't help but mutter in his heart, "This woman is so gullible."

In this way, Qin Yu still got the Ice Heart Lake, but he changed his way of saying it.

As for how to open the gap, Qin Yu wasn't in a hurry.

When the Saint Confucian school came to invade the next time, Zhen Yue would naturally tell Qin Yu the method to open the gap.

Although Qin Yu's action was a bit despicable, Qin Yu had no other way now.

As long as he could enter the Martial Marquis realm as soon as possible, he was willing to do anything.

The next day.

Bi Luo Tower changed its name to Bi Yue villa.

Qin Yu immediately posted a message on the martial arts forum:

Bi Luo Villa was officially established, and Qin Yu was appointed as the deputy sect master. From today onwards, it would recruit talents from all over the world, targeting the sage Confucian school.

Once this news was released, it immediately caused a heated discussion!

One had to know that Qin Yu was a hot figure recently. Ever since his battle with Han Wei, his reputation had risen, and he was worshipped by countless people as an idol!

Therefore, after seeing this news, many people were eager to give it a try.

“Qin Yu is going to openly challenge the various major powers!”

“To be more precise, the various major powers in Jingdu!”

“I wonder if this Bi Luo villa can surpass the sage Confucian school!”

“I think there’s a chance. Once Qin Yu steps into the Marquis of Wu, then the Saint Confucian school will count for something.”

“Right, not to mention that Qin Yu himself is an apothecary, and also a favorite of the Divine Medicine Pavilion! Who wouldn’t be envious of such a resource?”

Seeing the message on the forum, the corners of Qin Yu’s mouth curled up into a smile.

He put down his phone and said in a low voice, “I reckon the Saint Confucian school should take action soon.”

...

The Saint Confucian school.

After they heard the news, they immediately notified Gu Canghai.

“School master, Qin Yu has established the Green Moon Villa and started to recruit talents,” Deng Sheng said over the phone.

“As far as we know, the Icy Heart Lake is in the Green Moon Villa.”

Gu Canghai’s face turned cold when he heard that.

He narrowed his eyes and said, “Qin Yu, you are really bold. I was worried that I wouldn’t be able to find you...”

After hanging up the phone, Gu Canghai immediately rushed to the Green Moon Villa without saying a word!

Chapter 552: Chapter 552, seizing the Spirit Spring!

The news of Qin Yu establishing the sect soon spread!

Even though the sect master wasn't Qin Yu, everyone still tacitly agreed that Qin Yu was the true sect master of the Green Moon Villa.

In the Green Moon Villa.

Qin Yu, Zhen Yue, and the others were gathered together, and the members of the Green Moon Villa were waiting here early.

At a glance, there were less than ten people in the huge Green Moon Villa.

“Is this all the members?” Qin Yu asked.

Zhen Yue smiled bitterly, “It's already good enough to have these people.”

Qin Yu nodded slightly. At this moment, he thought of the Icy Heart Lake again.

“Sect Master Zhen, let me ask you a question,” Qin Yu said.

“Can the gap under the Icy Heart Lake be opened by force?”

Although Zhen Yue was vigilant, he still shook his head and said, “It can't be opened.”

“Even Marquis Wu can't open it?” Qin Yu asked.

Zhen Yue nodded and said, “Yes, even Marquis Wu can't open it.”

Seeing this, Qin Yu couldn't help but take a sip of water.

In this case, Qin Yu was relieved.

In the afternoon.

Zhen Yue came to Qin Yu's room.

She said with some suspicion, "Mr. Qin, after you posted on the Martial Arts Forum, why didn't anyone come?"

Qin Yu took a sip of tea and said with a faint smile, "Because I didn't leave an address. Of course, no one came."

Zhen Yue was stunned.

She frowned and asked, "No address? Then why did you post it?"

Qin Yu sneered and said, "I posted it to show the Saint Confucian School."

"The Saint Confucian School?" Zhen Yue was even more confused.

Wasn't he asking for trouble?

Qin Yu didn't explain. He glanced at his watch and said in a low voice, "It's about time."

"What Time?" Zhen Yue asked in puzzlement.

Qin Yu looked at Zhen Yue and said, "Sect master Zhen, gather everyone and leave this place."

"Leave?" Zhen Yue was completely confused.

Qin Yu said in a deep voice, "If I'm not wrong, Gu Canghai should be on his way here."

“Gu Canghai? The Master of Saint Confucianism sect?” Zhen Yue exclaimed.

“That’s right.” Qin Yu nodded slightly.

“Take your men and leave the Green Moon Villa immediately. I’ll inform you when I’ll be back,” Qin Yu said.

Zhen Yue frowned and said in a low voice, “But... I don’t want to leave this place at all. My father told me that...”

“Don’t worry. Nothing will happen to the Green Moon Villa,” said Qin Yu.

“Their goal is just the Icy Heart Lake. Since they can’t open it with brute force, what do you have to worry about?”

“On the contrary, if you stay here, you will lose the Icy Heart Lake. Gu Canghai will definitely use inhuman methods to force you to tell him how to open the gap.”

Zhen Yue suddenly understood.

She nodded immediately, “Mr. Qin, you are right. Then... Where Are We Going?”

“Anywhere is fine. Just don’t stay in Green City,” Qin Yu said in a deep voice.

“Time is tight. I Won’t explain to you. Let’s move quickly.”

Zhen Yue didn’t dare to say anything and agreed.

After arranging everything, Qin Yu left Green City.

“Gu Canghai, it’s time for you to pay the price,”Qin Yu said coldly.

The Place Qin Yu was going to was the Saint Confucian sect!

In the entire Saint Confucian sect, there was only one person Qin Yu was afraid of, and that person was Gu Canghai.

As long as Gu Canghai left, the Saint Confucian sect wouldn’t be worth mentioning!

Qin Yu had only one purpose for going to the Saint Confucian sect this time, and that was the Saint Confucian sect’s spiritual spring!

It was said that the Saint Confucian school relied on the Spirit Spring to establish a sect, and that spirit spring had been passed down for many years, and it was the lifeline of the Saint Confucian school.

Qin Yu planned to absorb that spirit spring before Gu Canghai could react!

“If everything goes smoothly, I should be able to successfully step into the Martial Marquis Realm.”On the way to the Saint Confucian school, Qin Yu thought in his heart.

After spending nearly five hours, Qin Yu finally arrived at the Saint Confucian school’s entrance.

“Spirit spring... I’m here,”Qin Yu said with a cold smile.

He strode into the Saint Confucian school and headed straight for the main hall!

Qin Yu used the land shrinking technique at an extremely fast speed.

In the entire Saint Confucian school, no one doubted Qin Yu's identity at all.

Because no one would have thought that Qin Yu would actually do the opposite and take the initiative to come to the Saint Confucian school!

In the main hall.

Deng Sheng was sitting on Gu Canghai's seat, silently sipping tea.

This feeling of acting as the sect master made him extremely satisfied.

"Go, refill my tea." Deng Sheng handed the Teacup in his hand to the maidservant beside him.

The maidservant didn't dare say anything. She hurriedly took the teacup and refilled Deng Sheng's water.

At this moment, someone suddenly walked into the main hall.

The moment he entered, he immediately closed the main hall's iron door.

Seeing this, Deng Sheng couldn't help but frown and say, "Who are you? Why are you closing the Door!"

Qin Yu raised his head and looked at Deng Sheng.

"It was smoother than I thought." Qin Yu grinned.

Deng Sheng's face changed when he saw Qin Yu's face!

"Qin... Qin Yu!" Deng Sheng stood up and was about to shout.

However, Qin Yu was one step faster than him and arrived in front of Deng Sheng in the blink of an eye.

He reached out and grabbed Deng Sheng's neck, lifting him up into the air.

Although Deng Sheng was also a half-step martial marquis, he was completely powerless in front of Qin Yu.

His eyes were filled with fear, and his calves were struggling non-stop.

"If you don't want to die, then shut up obediently," Qin Yu said coldly.

Deng Sheng hurriedly blinked to express his agreement.

Qin Yu released Deng Sheng, and then directly sat on Gu Canghai's seat.

"Qin... Qin Yu, what... What do you want to Do?" Deng Sheng asked in panic.
