With a glance, he saw Blackie walking over.

Qin Yu frowned. He walked forward and said, “Heaven-swallowing python? Are you here for Revenge?”

Blackie said coldly, “Although I don’t like you, I can tell right from wrong. The person who killed Granny Qin was the Jingdu Martial Arts Association, not you.”

Qin Yu said half-jokingly and half-seriously, "It seems that sometimes animals have more backbone than humans."

Blackie ignored this sentence. He said coldly, "Don't you want the inner core?"

"Huh? What do you mean?" A trace of surprise flashed across Qin Yu's face.

Blackie said coldly, "I can take you to look for the inner core."

"Didn't you already tell me the address last time?" Qin Yu asked.

Blackie shook his head and said, "I lied to you last time. I also made up the address casually."

Hearing that, Qin Yu couldn't help but feel a little angry.

"I can take you to find the inner core, but I have one condition," Blackie said in a deep voice.

Qin Yu sat down and nodded slightly. "Speak."

Blackie narrowed his eyes and said, "When you attack the Jingdu Martial Arts Association... Take Me with you!"

A trace of surprise flashed across Qin Yu's face.

He said with a bit of ridicule, "Revenge for Granny Qin?"

"What do you think?" Blackie snorted coldly.

Qin Yu thought for a moment and nodded. "Okay, I promise you."

After getting a positive answer, Blackie turned around and left without saying anything else.

...

The next day.

Qin Yu arrived at the entrance of the martial arts academy according to the agreed time.

He was a little excited.

Qin Yu had heard about the Scripture depository many times. Not only did it record spells, but it also recorded related history.

As for the rumors about the masked woman, Qin Yu could finally see it with his own eyes.

At this moment, the young masters of the various aristocratic families had already gathered here.

Xia hang also followed the agreement and was waiting here early.

“Brother Qin!” After seeing Qin Yu, Zhuang Teng and the others came forward to greet him one after another.

Qin Yu nodded at him as a response.

Ever since Qin Yu caused a ruckus at the Jingdu Martial Arts Association, these young masters of the aristocratic families had increasingly recognized Qin Yu and even had the intention to rope him in.

Qin Yu chose to maintain a distance that was neither too far nor too close to them.

“Since everyone is here, let’s set off,”Xia Hang said.

Everyone nodded slightly, and a group of people rushed toward the Jingdu Martial Arts Association.

After passing through the main hall of the Jingdu Martial Arts Association, they arrived at the backyard.

In this backyard, there were countless houses.

And in the depths of the backyard, there was an extremely tall tower. This tower was the famous scripture pavilion.

The three large golden words were shining under the light and were extremely dazzling.

Standing under this Scripture Depository, Qin Yu could feel a peaceful aura.

This peaceful aura came from Western Buddhism and contained a trace of power of faith.

“Scripture depository... The Last Time I came here was ten years ago,”Kong Yun sighed.

“Yeah, when I first came here, I was just a kid. In the blink of an eye, I’ve grown up.”Someone beside him echoed.

Xia hang coughed and said, “The scripture pavilion can not stay for too long. I’ll give you three days at most. After three days, everyone must leave. Do you understand? !”

“President Xia, don’t worry.”Everyone nodded.

Xia hang did not say anything more. He walked to the Scripture Pavilion and took out a token.

As Xia hang activated it, the token immediately flashed with rays of light.

Chapter 821: Chapter 821, the arrival of Gu Xinghe

When he saw it, he realized that this token was the key to the Scripture Library. There seemed to be some special talisman on it.

Qin Yu stared at the token in his hand and couldn't help but narrow his eyes.

“It would be great if I could steal this token,”Qin Yu thought to himself.

Xia hang held the token in his hand and slowly put it toward the door.

However, at this moment, a hand suddenly reached out and grabbed Xia hang's wrist.

“Who allowed you to bring people to the Scripture Depository?”

A clear voice sounded in everyone's ears.

Turning around, they saw a young man looking at Xia hang with a smile that was not a smile.

Beside him were three old men.

Xia hang frowned slightly and said, “Who are you? Who allowed you to come here?”

The young man said lightly, “I am the son of the second mystical realm’s master, Gu Xinghe!”

“At the same time, I am also the successor of Granny Qin!”

Hearing this, everyone present frowned immediately.

Qin Yu was no exception. He sized up Gu Xinghe in front of him, and his expression was slightly unsightly.

“So it’s young master Gu.” Xia hang quickly bowed in greeting.

Gu Xinghe said coldly, “Xia Hang, who allowed you to bring them to the Scripture Depository?”

Xia hang hesitated for a moment, then said, “This is the request of all the students, and... At present, the Jingdu Martial Arts Association is indeed in my hands.”

Gu Xinghe snorted coldly, “Since I’m here, then naturally, I have the final say here.”

Then, he swept his gaze over everyone and said faintly, “You guys can go back. The scripture depository doesn’t allow anyone to enter.”

Hearing this, a flash of anger flashed across everyone’s faces.

“Young master Gu, the Jingdu martial arts association has already promised us, and now they want to go back on their word?” Someone questioned coldly.

Gu Xinghe narrowed his eyes and snorted coldly, “Promised you? Who promised you? Xia hang can’t represent the Jingdu Martial Arts Association!”

“Young Master Gu, are you playing with us?” Many young masters of the aristocratic families sounded somewhat displeased.

Gu Xinghe could naturally hear the emotions in their words.

He lightly snorted and then calmly said, “I know that you are all some kind of genius of the current era. All of you possess unique skills and are proud and arrogant.”

“However, I’m very sorry. That bit of ability of yours is simply not enough in front of me!”

“Therefore, I advise you to put away that lofty attitude of yours!”

When these words were said, everyone was shocked!

As the young masters of the top aristocratic families in Jingdu, they had never suffered such humiliation before!

Even Granny Qin from before treated them with great respect!

Qin Yu, who stood at the side, was delighted to see this.

He crossed his arms and looked at this scene with a faint smile.

“These young masters of the aristocratic families are all arrogant. I didn’t expect that there would be a day when they would be looked down upon,” Qin Yu sneered in his heart.

He took two steps back and looked at them quietly.

At this moment, Kong Yun took a step forward and said coldly, “So what if you come from the second secret realm? I don’t think you are superior in any way!”

Gu Xinghe looked at Kong Yun coldly and said, “Do you want to Die?”

Kong Yun shouted, “I’m not afraid of You!”

As he spoke, his entire body burst into flames. He did not hide his strength at the peak of the Martial Marquis Realm!

However, Gu Xinghe mocked, “You dare to act rashly in front of me with such little ability?”

“F * ck you!” Gu Xinghe shouted loudly and took a step forward!

He held the flames in his hand and shot out rays of light in all directions as he threw a punch at Gu Xinghe!

However, Gu Xinghe remained unmoved. With a cold smile on his face, he raised his palm and casually sent a palm forward to meet it.

“Boom!”

At the instant of the collision, an earth-shattering sound was heard!

Kong Yun was instantly forced back a few steps, and his palm cracked open!

This could not help but cause people’s faces to change greatly!

Kong Yun was one of the strongest among them. Other than Yan Jinyao, Kong Yun was the number one person!

But now, he was actually so weak in front of Gu Xinghe!

“Is that all you have?” Gu Xinghe mocked.

“Indeed, the martial arts of the current era has declined. There’s really no tiger in the mountain.”

Kong Yun said furiously, “Again!”

“Ten more times, you’re Still Not Enough!” Gu Xinghe shouted coldly!

Then, the pressure from Gu Xinghe’s body spread out!

After sensing the powerful internal Qi from his body, everyone’s expression could not help but change drastically!

“Half-step Martial Saint!” Someone was the first to cry out!

Qin Yu could not help but frown slightly.

“They really did send a half-step martial saint,” Qin Yu said while stroking his chin.

Gu Xinghe was quite satisfied when he saw everyone’s shocked expression.

He smiled faintly and said, “Do you know the difference in strength now? If anyone is not convinced, feel free to come forward and experience it.”

For a moment, no one dared to speak.

“F * ck you...”

Kong Yun was about to curse when he was stopped by Zhuang Teng.

“Brother Kong, you are not his match. Just Bear with it,”Zhuang Teng said in a low voice.

Although Kong Yun was unwilling, Zhuang Teng and Chu Heng held onto his arm tightly, making him unable to move.

“A bunch of ants and maggots, leave this place immediately,”Gu Xinghe said coldly.

Just as everyone was silent, Qin Yu stepped out.

“Your father is Gu Zizhen ?”Qin Yu sneered.

Gu Xinghe raised his eyebrows and said, “Who are you ?”

“My name is Qin Yu,”Qin Yu did not hide anything.

“You are Qin Yu ?”Gu Xinghe was immediately interested.

He sized up Qin Yu and said, “You took Yan Ruoxue Away ?”

“Yes.”Qin Yu was neither servile nor overbearing.

Gu Xinghe narrowed his eyes and said, “TSK, TSK, Yan Ruoxue is such a perfect woman, but she actually likes a piece of trash like you... If he were to marry me, why would he have to suffer ?”

“Are you courting death ?”Qin Yu’s expression instantly turned extremely cold.

Hearing this, Gu Xinghe couldn’t help but raise his eyebrows and ask, “What did you say ?”

“I said you want to Die!”Qin Yu took a step forward and a terrifying aura instantly erupted!

Gu Xinghe frowned slightly and snorted coldly, “Qin Yu, since you can break into the second secret realm, it means that you have some ability. I want to experience it...”

Gu Xinghe walked forward at the same time and the internal Qi on his body also increased rapidly.

The two of them walked towards each other and very quickly, the two of them stood together.

Their eyes met, and the two internal Qi clashed.

The people around quickly took a step back, their expressions complicated.

They both hoped that Qin Yu could win against Gu Xinghe, but they were also afraid that Qin Yu would win against Gu Xinghe.

Chapter 822: Chapter 822, Noblemen VS Second Secret Realm

The flames of both sides rose rapidly. Finally, Qin Yu’s fist was the first to be clenched, and a golden light instantly erupted!

As a half-step martial saint, Gu Xinghe naturally grasped this detail. He immediately raised his palm to meet it!

“Boom!”

The explosive sound instantly spread throughout the entire Jingdu martial arts association, as if a great earthquake had occurred!

“Deng Deng Deng!”

Gu Xinghe took three consecutive steps back before he stabilized his body!

On the other hand, Qin Yu’s aura did not decrease in the slightest. It was so thick that it sent chills down people’s spines!

Hiss!

When the surrounding people saw this, they could not help but suck in a breath of cold air!

Gu Xinghe had actually lost? !

Although it was only a simple collision, it was still able to compare the difference in strength between the two!

Gu Xinghe’s expression was even more unsightly. He looked coldly at Qin Yu and said with narrowed eyes, “He does have some ability, but so what!”

Just as Gu Xinghe was about to continue fighting, the three elders beside him stopped Gu Xinghe.

One of the elders whispered into Gu Xinghe’s ear, “Young master Gu, this person has the power of a martial saint. Don’t fight him. Don’t forget your father’s warning.”

“That’s right. Moreover, this is the important place of the Jingdu Martial Arts Association. If we fight here, we will destroy this place.”

Gu Xinghe frowned slightly. Although he was unwilling, he still gave up.

He looked coldly at Qin Yu and said, “Kid, you’d better return Yan Ruoxue. Otherwise, you will bear the consequences!”

Qin Yu laughed coldly, “Gu Xinghe, it is a surprise that you can come.”

Gu Xinghe did not understand what Qin Yu meant, but he did not think too much about it.

Gu Xinghe no longer paid attention to Qin Yu. He looked at Xia hang and said, “Alright, everyone, leave this place.”

Xia hang frowned and said, “Young master Gu, I’ve already promised them. If I go back on my words now, wouldn’t that be breaking my promise?”

Gu Xinghe said impatiently, “Do what I tell you to do.”

Xia hang did not give up. He continued, “Young master Gu, think carefully. These people are the heirs of the top families in Jingdu. If they are unhappy, it will not be good for you.”

This was the truth. Since this was the current society, they had to obey the rules of this society.

Even if you came from the second secret realm, it was not enough.

If you really got close to them, the second secret realm could still be eradicated.

Gu Xinghe looked at Xia hang coldly and said, “Xia Hang, are you trying to scare me?”

Xia Hang decided to go all out and continued, “This is also what Mr. Zhou wants to see. I think your father has to give Mr. Zhou face too, right?”

Gu Xinghe said somewhat irritably, “Xia hang! Do what I tell you to do. You Can’t go against orders!”

Xia Hang’s expression also turned cold.

He put away the smile on his face and said coldly, “Young Master Gu, I’m not responsible for you. I’m only responsible for the higher-ups.”

“Before the higher-ups give the order for you to take over Granny Qin’s position, I’m the one in charge here!”

“Please leave immediately!”

Hearing this, Gu Xinghe immediately flew into a rage!

He pointed at Xia hang and said, “Are you crazy? How dare you talk to me like that? Do you believe that I’ll immediately remove you from your position!”

“It’s up to you! But that will have to wait until you officially take office.”Xia hang said in a neither servile nor overbearing manner.

“Good, good!”Gu Xinghe was so angry that he laughed instead.

It was his first time coming to the Jingdu martial arts association today, and he had already taken a beating. How could Gu Xinghe not be angry.

“Xia Hang, we’ll see about that!”After Gu Xinghe said this, she turned around and left.

After he left, Xia Hang's face revealed a trace of worry.

“Sigh, this is going to be troublesome,” Xia hang whispered.

He swept his gaze across the crowd, cupped his fists and said, “Everyone, hurry up and go in. I'm afraid I Won't be the president for a few more days.”

“President Xia, don't worry, we won't let you lose this position,” at this moment, someone stood up and said.

“Our Chu family will definitely do our best to protect you.”

“Our Kong family will do the same.”

“The Zhuang family will do the same.”

For a moment, everyone stood on Xia Hang's side.

Seeing this, Qin Yu couldn't help but raise his eyebrows.

This Xia hang was a little narrow-minded.

He was originally on the same side as all the major capital, so his connection with the martial arts world was relatively weak.

Now that he was once again standing by the side of all the major families, it was actually a good thing for him.

Capital versus the peak of martial arts. It was hard to say who was the weaker one.

After that, Xia hang took out the token again.

He placed the token on the door, and the door immediately opened slowly.

Following a buzz, waves of extremely peaceful and sacred aura were emitted from the internal Qi.

“It’s rumored that this place is a land of extreme Yang and is not affected by yin and evil,” someone said.

“Mm, it’s said that if you want to enter the Scripture Pavilion back then, you have to have a heart of kindness. If you kill too many sins, you will be rejected.”

Qin Yu did not say anything. He raised his foot and stepped into the pavilion.

At that moment, Qin Yu’s heart suddenly felt as if it was pierced by a needle.

Not only that, Qin Yu also felt that his body was under a myriad of resistance!

This could not help but cause Qin Yu’s expression to change.

He swept his gaze across the crowd and realized that only he had such a reaction.

“Could it be that what they said about killing sin is true?” Qin Yu frowned.

During this period of time, Qin Yu had indeed killed too many people.

Moreover, the killing intent in his heart was getting heavier and heavier!

“As expected of the Buddhist Scripture Depository,”Qin Yu thought in his heart.

He forcefully endured this resistance and tried his best to appear calm.

After stepping into the pavilion, the first thing that came into view was a towering tower.

The entire Scripture Pavilion had a total of four levels, and books were placed on each level.

Some of these books had been added in by later generations, and there were also ancient books that had been accumulated for many years.

Two huge calligraphy and paintings hung in the middle, looking extremely sacred.

“Sigh, this is the first time in my life that I’ve been humiliated like this,”Zhuang Teng could not help but say angrily.

“Yeah, so what if he comes from the mystic realm? I really don’t know where he gets his sense of superiority from.”

“Looking at his attitude, he doesn’t even put us in his eyes. Could it be that he’s superior to others?”

“Fortunately, Brother Qin took action and helped us vent our anger,”Chu Heng said with a smile.

“Brother Qin, you’ve won glory for us!”

Qin Yu glanced at him and said, “I didn’t win glory for you.”

“Moreover, when you treat others, haven’t you always been superior?”

“It’s also a good thing to let you feel the difference in class.”

After saying this, Qin Yu took the lead and walked forward, leaving everyone looking at each other.

Just as Qin Yu said, they were born with a golden spoon in their mouth and stood at the top.. How would they know what it was like to be looked down upon by those who lived at the bottom.

Chapter 823: Chapter 823, comprehending heaven-rank spells!

The light in the Scripture Pavilion was dim. Qin Yu endured the pain in his body as he scanned his surroundings.

The first, second, and third level records were basically spells.

The fourth level was the development of the history of martial arts.

Qin Yu could not help but say in a low voice, “There are three whole levels of spells. I’m afraid it won’t be that easy to find the spirit binding spell.”

Qin Yu only had three days. To find the spirit binding spell was undoubtedly like looking for a needle in a haystack.

But at the moment, Qin Yu had no other way. He could only search one book at a time.

There were many martial arts associations in JINGDU, many of which were inherited from Western Buddhism.

Qin Yu picked up one book after another. In the blink of an eye, half a day had passed, but he still didn’t see the spirit binding spell.

Looking at Qin Yu's speed, Zhuang Teng could not help but ask in surprise, "Brother Qin, there are so many spells, but none of them are suitable for you?"

Qin Yu glanced at him and said perfunctorily, "Yes, none of them are suitable for me."

Zhuang Teng thought for a moment and said with a smile, "Brother Qin, I know a spell that is extremely suitable for you."

With that, Zhuang Teng walked quickly to a certain book pavilion.

A moment later, he came back with a spell book in his hand.

Zhuang Teng handed this spell book to Qin Yu and said, "This is a heaven-rank spell. It matches your physical body perfectly. You can try it."

Qin Yu took the book and realized that the name of this spell was the vajra sacred physique.

This was similar to Qin Yu's sacred physique spell. It would greatly increase the sturdiness and strength of the physical body.

However, compared to the saintly physique technique, the vajra saintly physique was obviously more powerful.

The saintly physique technique was only a basic technique. To the current Qin Yu, it was no longer of much use.

"This is indeed a good technique. It suits me quite well." Qin Yu nodded slightly.

Then, he looked at Zhuang Teng and smiled. "Thank you."

Zhuang Teng waved his hand and said, "Brother Qin, you don't have to be so polite."

Qin Yu could also see that Zhuang Teng's personality was relatively gentle. He belonged to the type of person that no one was willing to offend.

"Qin Yu, you really dare to take it."

At this moment, a young man walked over from not far away.

Qin Yu glanced at him and frowned. "Who are you?"

The young man said indifferently, "My Name Is Teng Hui. I'm from Sea City."

"Teng Hui?" Upon hearing this name, Qin Yu thought of something.

"What's your relationship with Sea City's Lord Teng?"

Teng Hui said with a faint smile, "Lord Teng is my biological uncle!"

Qin Yu immediately understood.

He had made a feud with Lord Teng back then, so this Teng Hui naturally had enmity towards him.

"Teng Hui is right. It's indeed impossible for you to comprehend this heaven rank spell." At this time, Kong Yun also walked over.

"What do you mean?" Qin Yu asked.

Kong Yun snorted coldly, "And to comprehend a heaven-ranked spell, it will take at least a week! And this is an extremely fast speed!"

“And Xia hang only gave us three days. What do you think you can do with this heaven-ranked spell?”

Zhuang teng also continued, “That is the truth. Among Us, the one who comprehended the spell the fastest is Yan Jinyao. He also took six days to comprehend the heaven-ranked spell.”

Qin Yu shook the Vajra sacred physique in his hand and smiled. “I don’t need three days at all. At most, one day and I’ll be able to comprehend this vajra sacred physique.”

This was not the first time Qin Yu had comprehended a heaven-ranked spell.

In the memories left by his father, there were also heaven-ranked spells.

For example, the nine absolute beginning slashes. Qin Yu only used less than a day to successfully comprehend it.

“Humph, he really knows how to Brag,”Teng Hui sneered.

“Even if you comprehend an earth-rank spell, it will take at least three days.”

“Mr. Qin, it is indeed not that simple to comprehend a heaven-rank spell.”Yao Meng also walked forward to advise him.

“Rather than wasting three days on this heaven-rank spell, it is better to choose an earth-rank spell.”

“Miss Yao, I remember that you used four days to successfully comprehend a heaven-rank spell, right?”At this moment, Chu Hedao suddenly said.

Hearing this, a trace of shock flashed across everyone's faces.

"Miss Yao is actually faster than Yan Jinyao?"

"I thought that Yan Jinyao's limit was six days. I didn't expect Miss Yao to use only four days!"

Yao Meng said modestly, "I was just lucky. Normally, I need at least a week."

"TSK tsk, Miss Yao is really humble." Chu Heng sighed.

"Qin Yu, you should change to another spell. I was lacking in consideration just now," Zhuang Teng said helplessly.

"No, it's him." Qin Yu shook the Vajra sacred physique in his hand.

"I said, I only need a day at most to comprehend this vajra sacred physique."

"You really can brag," someone mocked.

"You, Qin Yu, are indeed strong. Are you still as strong as before?"

Teng Hui crossed his arms and sneered, "If you can comprehend the Vajra sacred physique in a day, I, Teng Hui, Will Eat Sh * t while standing on my head."

Qin Yu raised his eyebrows and said, "Really?"

Teng Hui sneered, "If you can comprehend a heaven rank spell a day, I will do whatever you want me to do."

“Deal.” Qin Yu didn’t waste time with him. He took the book and walked to the side.

Seeing this, everyone shook their heads helplessly.

Even Yao Meng felt helpless.

In her opinion, it was impossible for Qin Yu to comprehend a heaven rank spell in a day.

In other words, no one could comprehend a heaven rank spell in a day!

“Qin Yu is just too strong,” Yao Meng said helplessly.

Kong yun snorted and said, “Do you call doing something impossible strong? In my opinion, this is pure stupidity.”

Yao Meng smiled and didn’t say anything.

Everyone didn’t take Qin Yu and Teng Hui’s bet seriously.

After all, in their opinion, Qin Yu couldn’t do it.

Time passed by minute by minute.

In the blink of an eye, the sky gradually darkened.

Four hours had passed since Qin Yu comprehended the spell.

Everyone held a spell book in their hands, but most of them were earth-rank spells.

At this moment, Yao Meng’s body glowed and she stood up first.

She rubbed her snow-white neck as if she was very tired.

Then, Kong Yun and the others woke up one after another.

“You’re actually faster than me?” Kong Yun frowned slightly when he saw Yao Meng who woke up first.

Yao Meng smiled and said, “I’ve only just comprehended it.”

“Miss Yao, you’re being modest again.” Xiao Yuan walked forward and said with a smile.

“I have to say, Miss Yao’s speed is really enviable.” Chu Hedao also nodded slightly.

While everyone was flattering Yao Meng, Qin Yu’s body not far away suddenly emitted rays of golden light.

This light surrounded Qin Yu’s body like a floating golden soup.

Not long after, a trace of internal Qi was emitted from Qin Yu’s body.

“What... What does this mean?” For a moment, everyone’s eyes widened.

“He’s holding the Vajra sacred physique. This scene... seems to be the scene of him comprehending the Vajra sacred physique!”

“How is it possible! He comprehended the heaven rank spell in four hours? !”

Chapter 824: Chapter 824, comprehension once again!

Qin Yu's body emitted a sacred golden light.

This light was extremely warm, illuminating the entire first level of the Scripture Depository.

When everyone saw this scene, their expressions were extremely complicated.

“How... How is this possible!”Kong Yun couldn't help but clench his fists!

He, who was extremely competitive, couldn't accept this at this moment!

Yao Meng's beautiful eyes couldn't help but be filled with astonishment.

In just four hours, he had comprehended a heaven-ranked spell. This was really... Too exaggerated!

“Buzz!”

As the light converged, Qin Yu's spell could be considered to have been completely comprehended.

He opened his eyes slightly. The first thing that entered his sight was the shocked expressions of everyone.

Qin Yu stood up from the ground and frowned. “How long did I use?”

“Brother Qin, you only used four hours and five minutes!”Zhuang Teng said with some excitement.

“It's really unheard of to comprehend a heaven rank spell in four hours.”

“We really underestimated you just now.”

Yao Meng smiled and said, “Mr. Qin’s talent really makes us envious.”

However, Qin Yu frowned and said, “It actually took so long...”

When he said this, everyone couldn’t help but roll their eyes.

It was a little ridiculous to pretend.

However, in Qin Yu’s heart, he really thought that it had taken too long.

Because Qin Yu’s killing intent was too strong, his state of mind was naturally affected, so he slowed down.

Otherwise, he would definitely be faster.

Qin Yu put the Vajra sacred physique back to its original position.

In the face of everyone’s boasting, Qin Yu thanked them one by one.

“Oh right, didn’t someone just say that he wanted to eat SH * t while standing on his head?”Qin Yu’s gaze landed on Teng Hui.

Teng Hui’s expression instantly turned extremely ugly.

He gritted his teeth and said, “You must have comprehended the Vajra sacred physique long ago! You were just pretending for us just now!”

Once these words were said, everyone seemed to have reacted.

That’s right! What if Qin Yu had already mastered the Vajra sacred physique technique?

Looking at everyone’s expressions, Qin Yu could not help but shake his head.

“If you don’t believe me, I’ll comprehend another heaven rank spell,”said Qin Yu.

He looked at Teng Hui and said, “You Pick. Any one of them is fine.”

Teng Hui gritted his teeth and quickly turned around to walk towards the bookcase.

He carefully selected from the bookcase and finally took out a book and threw it to Qin Yu.

There were a few words written on the book: God Buddha’s thousand hands!

This spell was also a heaven rank spell, and it was even harder to comprehend compared to the Vajra sacred physique just now!

“If you can comprehend this god Buddha’s thousand hands, I’ll believe you!”Teng Hui said coldly.

Qin Yu nodded and said, “Okay, no problem. But... if I can comprehend this god Buddha’s thousand hands, you won’t be as simple as eating a pile of shit. You’ll get two piles.”

After saying this, Qin Yu no longer paid attention to Teng Hui.

He took the spell to the side and continued to comprehend.

This time, everyone stared at Qin Yu with eager eyes.

They also wanted to see if Qin Yu could comprehend a heaven rank spell in a day!

Time passed by minute by second, and in the blink of an eye, three hours had passed.

During these three hours, Qin Yu did not open his eyes.

Rays of light from this spell surged into Qin Yu's mind.

Soon, four and a half hours had passed, but Qin Yu still did not open his eyes.

This made Teng Hui heave a sigh of relief.

He snorted coldly and said, "I told you that it was impossible for Qin Yu to comprehend a heaven-ranked spell so quickly!"

"It seems that he has indeed comprehended the vajra sacred physique long ago."

This made everyone slightly relieved.

After all, if he really comprehended a heaven-rank spell in four hours, it would be too much pressure for everyone!

"Everyone says that Qin Yu has great talent and can suppress his peers. I think he's just a braggart!" Teng Hui snorted and turned to leave.

At this moment, Qin Yu's body emitted a golden light again!

That holy internal Qi spread out again!

Teng Hui's figure, which was just about to leave, suddenly froze on the spot.

His forehead was covered with layers of secret sweat, and his expression was extremely ugly!

"Hu."

Qin Yu's voice came from behind.

He slowly stood up, played with this book of Gods, Buddhas, and thousand hands, and said, "I have to say, this technique seems to be even harder to comprehend."

"Brother Qin is too awesome!" Zhuang Teng gave Qin Yu a thumbs up.

"In these ten fucking hours, you've comprehended two heaven rank spells. If this gets out, I'm afraid that your jaw will drop!"

"US noblemen are not worth mentioning in front of Brother Qin."

Qin Yu smiled. "Everyone is too polite. I was just lucky."

Then, Qin Yu handed the Thousand Hands of God and Buddha to Zhuang Teng.

Then, Qin Yu's gaze fell on Teng Hui.

"Teng Hui, do you have anything to say now?" Qin Yu asked calmly.

Teng Hui braced himself and turned around. He gritted his teeth and said, "You are ruthless!"

"That's it? You have to eat two turds of shit," Qin Yu said with a faint smile.

Teng Hui was so embarrassed that he became angry. "Who knows if you've already comprehended the thousand hands of the Gods and Buddhas!"

"Teng Hui, what you said is a bit too much," Zhuang Teng rolled his eyes and said.

“You picked the spells. Could it be that Qin Yu knows all kinds of spells?”

“That’s right. If you want to go back on your word, just say that you want to go back on your word. Don’t make excuses for yourself.”

Teng Hui’s face was flushed red, and he was obviously exasperated.

Qin Yu glanced at him and said, “The Scripture depository is a sacred place. It’s not appropriate for you to eat SH * t here. Let’s talk about it after we get out.”

Teng Hui couldn’t help but sigh in relief.

If he ate SH * t in front of so many people, then the TENG family’s face would be completely disgraced!

“As long as I leave this scripture depository, I must think of a way to slip away.”Teng Hui made up his mind in his heart.

Qin Yu didn’t pay attention to Teng Hui anymore.

He scanned his surroundings and quickly gave up on the idea of finding the spirit binding technique.

It was impossible for him to find the spirit binding technique in a short period of time by himself.

“It looks like... We still have to attack the Jingdu Martial Arts Association,”Qin Yu said in a low voice.

Only in this way could he enter the Scripture depository indefinitely.

Of course, it would be even better if he could capture Gu Xinghe alive.

It would be impossible for Gu Zi to refuse to use it in exchange for the divine binding technique.

Qin Yu did not waste any more time. He turned around and left the first floor, heading towards the fourth floor.

The fourth floor recorded the history of the development of martial arts.

Qin Yu wanted to see the masked woman from ten thousand years ago.

As well as... the historical records of his father.

He went all the way to the fourth floor.

The fourth floor seemed extremely spacious.

There were only eight books on the huge floor.

These eight books recorded different ages.

The smallest one recorded nearly 200 years of information about the martial arts world.

Chapter 825: Chapter 825, rumors of the Guardian and the masked woman

Qin Yu picked up the book.

There were only a few simple words written on the book: Modern History of martial arts.

And this book was printed, which was enough to prove that this book was written by future generations.

The whole book was not thick, only a few dozen pages.

Compared to the other three books, this book appeared very thin.

“It seems that the history of martial arts is lonely in modern times.”Qin Yu could not help but shake his head.

He did not waste any more time and opened the first page.

The first thing that came into view was the name of the author.

The author’s name was Piedmont. Other than that, there was no other information.

Qin Yu took the book and found a corner to sit down. Then, he began to read it carefully.

Although the content of this book was not much, it was rather detailed.

From the development of 200 years ago to 20 years ago, all kinds of events, big and small, did not fall behind.

Qin Yu spent a whole three hours, but he still did not see anything related to his father.

“Strange.”Qin Yu frowned.

According to the description of Old Mister Yan and Gu Taichu, his father should be a top expert. After all, he had left a heavy mark in the recent history of martial arts.

But now, Qin Yu discovered that there was nothing about his father. There was not even a single person with the surname Qin.

Qin Yu was silent for a moment before he continued to read.

It was already late at night. The many young masters of the aristocratic families on the first floor had already gone to bed.

Yet, Qin Yu was still reading with great interest.

At this moment, Qin Yu saw an important piece of information:

About a hundred years ago, there were still martial saints in this world.

At that time, the JINGDU martial arts association had already taken shape.

They had long since taken control of most of the martial saints in this world. It could be said that they had taken control of the entire martial arts world.

However, Martial Saints had a great influence on this world. A martial saint was even enough to influence the national structure at that time!

Since the Jingdu Martial Arts Association had taken control of such a powerful force, it was naturally a disaster.

This situation continued until seventy years ago.

The Jingdu Martial Arts Association also grew stronger and more ambitious.

At this critical moment, a man who claimed to be a dao protector killed more than thirty martial saints of the Jingdu Martial Arts Association in one breath!

When he saw this, Qin Yu couldn't help but suck in a breath of cold air.

Killed more than thirty martial saints in one breath? What kind of formidable power was this!

“This guardian... who is he? And what Dao is he guarding?” Qin Yu could not help but feel somewhat puzzled.

Qin Yu continued to read. There were very few records of the Guardian in the book. However, from the descriptions between the lines, one could tell that this guardian's strength was far above that of a martial saint!

“With a raise of his hand, the sky and Earth became dark. None of the ten martial saints were spared.”

“In three consecutive days, thirty martial saints were killed.”

These two lines of words were enough to prove that the guardian was far more powerful than a martial saint.

Qin Yu could not help but ask in a deep voice, “Could it be because of the existence of this guardian, that the martial saint would hide in the secret realm?”

However, this was still a little strange.

It was because there would never be a martial saint in this world. Since then, not a single martial Saint had appeared.

If a dao protector could kill a living martial saint, how could he restrict someone else from stepping into the Martial Saint Realm?

“Could it be that a dao protector could forcefully restrict a martial saint's realm below the Martial Saint Realm?” Qin Yu muttered in a low voice.

This was almost impossible.

If that was the case, then a dao protector would no longer be a human and would most likely become a part of the Heavenly Dao.

There might be other reasons, Qin Yu thought to himself.

Qin Yu lowered his head and continued to look down.

Since then, the JINGDU martial arts association's plump wings had been broken, and there was no longer a martial saint in the entire association.

But even so, the Jingdu martial arts association was still the most powerful organization in the martial arts world.

Along with the development of technology, the JINGDU martial arts association also began to strive to transform, desperately trying to label itself as an official member of the martial arts world.

In the following decades, the JINGDU martial arts association produced dozens of martial marquises!

Among them, there were even people who had stepped into the half-step martial saint realm.

“After the half-step martial saint realm, they used heavenly materials and earthly treasures to support them, but they were still unable to step into the martial saint realm. It was difficult for them to advance even a little bit.”

“The association searched everywhere for the reason, but there was still no trace of it.”

Seeing this, Qin Yu could not help but shake his head and say, “It seems that even the Jingdu martial arts association could not find the reason.”

Obviously, they had tried to let people enter the martial saint realm, but unfortunately, they had failed.

“After that, we tried to invite them to enter the secret realm to cultivate, but they were still unable to enter the Martial Saint Realm.”When he looked back, another paragraph of words attracted Qin Yu’s attention.

This could not help but cause Qin Yu to be greatly shocked.

“In other words... even after entering the secret realm to cultivate, a half-step martial saint was still unable to enter the Martial Saint Realm? !”Qin Yu’s face was full of surprise.

This meant that even Gu Xinghe and the others could not enter the martial saint realm? !

And Gu Zizhen and the other existing martial saints were all figures from a hundred years ago? They had already entered the martial saint realm a hundred years ago?

“What is the reason for this? !”Qin Yu was even more shocked.

If this was the case, this was not caused by the exhaustion of Qi/spiritual energy.

This was because there was no lack of Qi/spiritual energy in the secret realm.

“No wonder people say that Marquis Wu is the strongest person in the world,”Qin Yu thought to himself.

Then, Qin Yu read through the entire book.

Other than these contents, Qin Yu was not interested in the rest of the content.

This was because Qin Yu could not understand the records of many people and deeds.

Qin Yu returned the book.

He touched his chin and said in a low voice, "This means that no one in this era can step into the Martial Saint Realm."

"And the martial saint under the control of the Jingdu Martial Arts Association does not dare to appear because of the existence of the Guardians."

Qin Yu recalled what the Pavilion Master had said.

He said that he would be the one to break this deadlock.

"If I really stepped into the martial saint realm, then I would be the only one to step into the martial saint realm in the past hundred years," Qin Yu thought to himself.

At this moment, the sky had gradually brightened up.

Qin Yu did not dare to waste any time. He kept this book and continued to read the remaining three books, preparing to find information about the masked woman.

According to the records of the handlebar mustache, this masked woman had appeared ten thousand years ago.

Therefore, Qin Yu directly picked up the earliest book.

Unfortunately, the words recorded in this book were extremely awkward, Qin Yu could not understand a single one of them.

Helpless, Qin Yu had no choice but to put down the book and choose the history of martial arts from five thousand years ago.

Although the words in this book were equally complicated, it was fortunate that Qin Yu had learned ancient characters when he was in university, so he could barely understand it.

He slowly opened the book and flipped through it at an extremely fast speed, trying to find records related to the masked woman.

About an hour later, Qin Yu finally saw the records related to the masked woman.

“Body like a crown of jade, Peerless Beauty; demon statue covering face, killing people like hemp.”

A line of words entered Qin Yu’s eyes.

Chapter 826: Chapter 826, the legend of the masked woman

According to this description, the masked woman was clearly recorded.

Qin Yu immediately looked down.

He saw a large row of densely written paragraphs below, which were filled with all the rumors about the masked woman.

According to the records in this book, the masked woman had suddenly appeared 5,000 years ago and killed countless people.

Five thousand years ago... that should be the first time she successfully reincarnated, Qin Yu thought to himself.

Because Qin Yu had seen the masked woman in the immortal slaying sect. At that time, she had already exterminated the entire sect of the immortal slaying sect, and that time was ten thousand years ago.

Qin Yu continued reading and read the entire article.

After reading it, he found out that this masked woman had indeed killed countless people five thousand years ago!

There were sect leaders who had been massacred just because they had looked at her twice. There were thousands of disciples in the sect, and not a single one was left.

There were even people who had been killed just because they had been talking behind her back.

The men, women, children, parents, and family members around her were all killed by her.

“She killed her father when she was eight, her mother when she was twelve, and her entire Zhengyang sect when she was fifteen

“Her father was a righteous man from a famous sect, and his strength was unparalleled. He was a nascent soul patriarch

“Her mother was an alchemist, and her name was known throughout the world. Her body was shattered by a single palm strike

“She wielded a purple sword at the age of eighteen, and with a single strike, she flattened qingyu mansion. The bodies of tens of thousands of people were destroyed, and blood flowed like a river

“She was nineteen... twenty...”

It was almost a record of the masked woman’s actions every year.

She had almost become the public enemy of the world. The major sects had once used all their strength to resurrect a top-tier elder to remove the masked woman.

However, the final result was not ideal. The elder had never returned. He was killed in the sky and his blood spilled all over the sky.

Qin Yu watched with fear and trepidation.

She had killed a nascent soul stage cultivator at the age of eight?

From the nascent soul stage to the present, she was a martial saint!

According to this record, the masked woman had killed at least 100,000 people, and they were all from reputable sects. They were all well-known in the martial world.

However, what Qin Yu did not understand the most was why she would kill the parents who had given birth to her and raised her?

As he continued reading, he saw that the book recorded that this person had a habit of killing people. It was all based on his preferences, and everyone was able to kill him.

This record could be considered to have come to a complete end.

Qin Yu continued reading. Next, every other year, the masked woman would reappear. However, she was unable to mature and died halfway through.

In this way, the masked woman should have only successfully reincarnated once.

“In this life, this is her second successful reincarnation.” Qin Yu could not help but have an ugly expression.

If what was recorded in this book was true, then Xiao Yu would most likely become a disaster in the future! A demon who could kill people as easily as a blade!

“Now that she has entered the martial saint realm and found the mask, I’m afraid no one can stop her growth.”

Qin Yu could not help but feel a little regretful. If he had known earlier, he would not have let her leave.

At the very least, he should not have brought her into the path of cultivation!

If it were not for him, Xiao Yu would not have awakened her memories at all!

Qin Yu put the book away, his face filled with worry.

The records in the Scripture Pavilion weren’t very detailed, but between the lines, there was a hint of fear.

One had to know that the records in the book were from five thousand years ago! At that time, a martial saint was nothing, and there were countless top cultivators.

Even so, no one could do anything to her, let alone the current era?

“If there’s a chance, I have to think of a way to stop her.”Qin Yu took a deep breath.

She was released by herself, so she naturally had to bear the corresponding responsibility.

Qin Yu didn’t continue reading. Although there were many characters recorded in this book, Qin Yu didn’t know them at all, so there was no point in reading.

Two days had already passed, and there were only a few days left until the third day.

After going downstairs, everyone was still immersed in their spells.

However, most of the spells they chose were earth-rank spells.

In the following time, Qin Yu randomly picked a few spells that suited him and started to comprehend them.

In the blink of an eye, three days had passed.

Xia hang also appeared at the door on time.

“Everyone, it’s time. Follow me out,”Xia Hang said.

The group did not waste any time and followed Xia hang out of the Scripture Pavilion.

This trip to the Scripture Pavilion was quite rewarding for Qin Yu.

Not to mention the two heaven rank spells, just these two pieces of information were worth it.

After walking out of the Scripture Pavilion, Zhuang Teng and Qin Yu chatted, “Brother Qin, I have to say, your harvest this trip should be the biggest. Two heaven rank spells, really enviable.”

Qin Yu smiled, “I was just lucky.”

At this point, Qin Yu changed the topic and asked, “By the way, have you heard of the rumors about the Dao Guardian?”

“Dao Guardian?” Zhuang Teng was at a loss. Obviously, he did not know anything about this.

“I’ve heard of it.” At this moment, Yao Meng walked over from the side.

Qin Yu glanced at her and greeted, “Miss Yao.”

Yao Meng smiled and said, “Brother Qin, you’re talking about the agreement between the martial saint and the Dao Protector, right?”

“That’s right.” Qin Yu hurriedly nodded.

“What Does Miss Yao Know?”

Yao Meng smiled and said, “This is not a place to talk. Why don’t we go somewhere else?”

“Okay.” Qin Yu nodded and agreed.

Just as the two of them were about to leave, Teng Hui suddenly walked over from not far away.

He stood beside Qin Yu and said with a faint smile, “Qin Yu, my uncle asked me to give you a message. He told you not to be too arrogant. In

this era, martial arts are nothing. Without the support of capital, everything will be for naught in the end.”

Qin Yu sneered, “Go back and tell your uncle that I don’t want to tangle with him. But if he dares to provoke me, I don’t mind destroying his business empire.”

“Arrogant words! Let me tell you, in front of capital, you are just an ant! Don’t be too arrogant!”Teng Hui had a warning look on his face.

After throwing this sentence, Teng Hui turned around and was about to leave.

“Stop.”At this time, Qin Yu took a step forward and raised his hand to press on his shoulder.

Teng Hui only felt that his shoulder was like a huge mountain, unable to move.

“What are you doing!”Teng Hui asked coldly.

Qin Yu ignored him and asked, “Is there a toilet nearby?”

Xia hang pointed to a place not far away and said, “The toilet is there.”

Qin Yu agreed and then grabbed Teng Hui and said, “Follow me.”

Teng Hui seemed to have realized something. A trace of panic flashed across his face and he said anxiously, “What... What are you doing!”

Qin Yu sneered, “I’ve already forgotten about a small character like you. Tell Me, why did you insist on coming here to be a lowly person?”

“Today, I’ll treat it as a lesson for you and also as a warning to your uncle Teng Gong. Come with me!”

After saying that, Qin Yu grabbed Teng Hui and turned around to walk towards the toilet.

Chapter 827: Chapter 827, portrait of the guardian of the path

Under everyone’s watchful eyes, Teng Hui was dragged into the toilet by Qin Yu.

Even though Teng Hui struggled with all his might, it was to no avail.

Everyone was also delighted to see this, with a mocking smile on their faces.

A few minutes later.

A pig-like wail came from the toilet.

“Qin Yu, I will definitely kill you! ! !”Teng Hui’s hoarse roar spread throughout the entire Jingdu martial arts association.

Qin Yu clapped his hands and walked straight to the door.

“Brother Qin, did you really let him eat SH * t?”Zhuang Teng asked with some doubt.

Qin Yu spread his hands and said, “As a man, I naturally have to keep my word.”

He walked all the way to the door.

At the door, he met a young man.

This young man was none other than Gu Xinghe.

He looked at Qin Yu coldly and said with a faint smile, “Qin Yu, I’m here to give you an ultimatum.”

“If you have something to say, just say it,” Qin Yu said with a cold smile.

Gu Xinghe said indifferently, “Hand over Yan Ruoxue and I can spare you. I can even let you enter the second secret realm. What do you think?”

Qin Yu grinned and said, “Hand over your mother and I can spare your dog life. But you have to ask your father if he agrees.”

“You!” Gu Xinghe’s face suddenly turned red and his whole body trembled with anger.

Qin Yu sneered, “You’re just a retard, don’t come looking for trouble.”

After saying this, Qin Yu turned around and left.

Gu Xinghe was so angry that his entire body trembled. He glared in Qin Yu’s direction, and a vicious look flashed across his eyes.

“When Will Qin Yu’s martial saint’s power disappear?” He asked the old man beside him.

The old man said, “According to young master’s words, Qin Yu’s martial saint’s power will disappear in half a month.”

“Okay!” Gu Xinghe’s expression was vicious.

“Let him be arrogant for a few days. After his martial saint’s power disappears, I will kill him myself!”

...

Qin Yu said goodbye to everyone, then got into the Yao family’s car and rushed towards the Yao family.

On the way, Yao Meng smiled and said, “Mr. Qin, have you noticed that ever since Gu Xinghe appeared, the conflict between the aristocratic families and ordinary martial artists seems to have decreased a lot?”

Qin Yu nodded and said, “Yes, this is the transfer of the conflict, but this is also temporary. Deep down in your bones, you also look down on ordinary people.”

Yao Meng sighed slightly and said, “The difference in living environment will naturally create a difference in mentality. In fact, it is hard to avoid this.”

Hearing this, Qin Yu looked at Yao Meng and sneered, “Yan Ruoxue is not like this. This is also the difference between her and you.”

Yao Meng was stunned and was immediately speechless.

Although she and Yan Ruoxue were friends, if she were to ask herself, Yao Meng would definitely not choose an ordinary Qin Yu like Yan Ruoxue.

She did not have the courage and boldness.

The car drove all the way to the Yao family.

The residence of the Yao family looked quite ordinary. It was a villa in Yan City.

Although it was also a mansion, it was much shabby compared to the manor of other families.

Yao Meng invited Qin Yu to a round table in the courtyard and sat down. At this time, there was already a person waiting at the Round Table.

This person was none other than Wan guqiong.

“Brother Qin, we meet again,”Wan Guqiong said with a smile.

Qin Yu glanced at him and said, “If you want to talk to me about Yan Ruoxue, I advise you not to speak.”

Wan guqiong shook his head helplessly and said, “Are you that cautious? Yan Ruoxue...”

“I told you to shut up!”

Before Wan Guqiong could finish his words, Qin Yu’s body emitted a strong murderous aura!

After feeling this murderous aura, Wan Guqiong couldn’t help but frown slightly.

“Guqiong, don’t say anymore.”Yao Meng shook her head.

Wan guqiong took a deep breath and had no choice but to shut up.

Yao Meng held a cup of tea and poured a cup for the two of them. Then, she smiled and said, “Mr. Qin, please have some tea.”

“Miss Yao, everyone is very busy. Let’s get straight to the point,”Qin Yu said.

Yao Meng nodded and said with a smile, “I do know a little bit about the Guardian.”

“It’s said that the Guardian signed a contract with the JINGDU martial arts association and requested that the martial saint not be born. Since then, there has been no martial saint in the world.”

Qin Yu nodded and said, “But what I don’t understand is, why is it that no one in the world can step into the Martial Saint Realm?”

At this moment, Wan guqiong, who was at the side, added, “It’s nothing more than the restrictions of the natural environment.”

“Natural Environment?”Qin Yu glanced at him, “Then why are the people in the secret realm unable to step into the Martial Saint Realm?”

Wan guqiong smiled faintly and said, “Qin Yu, do you really think that the secret realm is another world? To put it bluntly, it’s just a home built by the strong.”

“Home?”Qin Yu frowned.

Wan guqiong said, “It’s like someone living in a villa and someone living in a shanty town. But the essence is still in this world, under this world.”

“The mystic realm is just a space created by oneself. This space is not stable. Compared to the real world, the difference is like heaven and earth.”

“If you are strong enough, you can shatter a mystic realm.”

Qin Yu suddenly understood.

“Then who is this guardian? What kind of strength is he?” Qin Yu was puzzled.

Yao Meng smiled and said, “According to rumors, a guardian is someone who protects a world. Those who can become a guardian are all top-notch people. Their strength is unimaginable.”

Qin Yu touched his chin and said with puzzlement, “Then who is the person who chose the Guardian?”

Yao Meng and Wan Guqiong pointed at the sky at the same time.

“The Heavenly Dao?” Qin Yu said in surprise.

“That’s right.” Wan guqiong nodded.

“Of course, these are all rumors. There’s another saying that the dao protector is only powerful because he has the responsibility to protect a world. That’s why he’s called the Dao Protector.”

“That’s right. After all, the stronger you are, the greater the responsibility.” Yao Meng also nodded.

Qin Yu fell into silence, not saying anything for a long time.

“The two of you, do you know who this guardian is?” Qin Yu asked in puzzlement.

Yao Meng didn’t say anything, but looked at Wan guqiong.

Wan guqiong smiled and said, “I do have a portrait of the Guardian at home. If you want to see it, I can take you to see it.”

“Really?” Qin Yu hurriedly stood up.

Wan Gu Qiong nodded and said, “Of course. If you are willing, we can leave now.”

“To the Mystic Realm?” Qin Yu asked.

“That’s right.” Wan Gu Qiong nodded slightly.

Hearing this, Qin Yu’s eyes narrowed slightly.

Qin Yu knew nothing about the mystic realm that Wan Gu Qiong mentioned.

No one knew if there was a martial saint in this mystic realm.

More importantly, Qin Yu did not dare to guarantee Wan Gu Qiong’s intentions. If he went, he would not be able to return.

“Mr.. Wan, why don’t you bring this portrait out?” Qin Yu smiled.

Chapter 828: Chapter 828, the techniques of the Hong Yi sect

Upon hearing Qin Yu’s words, a subtle smile flashed across Wan Gu Qiong’s face.

“Qin Yu, are you that cautious?” Wan Gu Qiong asked.

“I’m afraid of being lied to, so I have to be cautious.” Qin Yu did not hide anything.

Wan Gu Qiong thought for a moment and said, “Alright, I’ll take a photo with my phone and send it to you.”

“Thank you very much.”Qin Yu bowed.

After that, Qin Yu didn't stay any longer. He said goodbye to the two of them and left the Yao family home. He hurried towards the Divine Alchemist Pavilion.

Although Qin Yu was very confident in the pavilion master and Jiang he, he was still worried that they would be snatched away.

He rushed all the way to Qinghe town.

As soon as he got off the car, Qin Yu sensed that something was wrong.

The surrounding internal Qi looked extremely calm, but this calmness seemed to contain a hidden killing intent.

Qin Yu narrowed his eyes slightly and then said coldly, “Since you're here, Why Are You Hiding? Come out.”

Before he finished his words, several figures walked out from the darkness.

“Qin Yu, we meet again.”

The person who spoke was the elder of the Hong Yi sect, Shen Yichun!

There were four people beside him!

The aura of these four people couldn't be considered powerful, but their every move carried a strange internal Qi.

“Shen Yichun, I let you run away last time. I didn't expect you to dare to come again,”Qin Yu said coldly.

Shen Yichun smiled faintly and said, "I did underestimate you last time, but this time, we have prepared a foolproof plan."

"Is that so?" Qin Yu's face became even colder.

"Qin Yu, our Hong clan is quite interested in you. As I said, join us so that you can reunite with Yan Ruoxue. What do you think?" Shen Yichun said with a faint smile.

Qin Yu couldn't help but sneer, "A bunch of treacherous people. I gave you a chance, but in the end, you schemed against me. Now you still have the face to say such words?"

"Aren't you also wary of us?" Shen Yichun snorted lightly.

"Qin Yu, as long as you agree to join us, I can make the decision and give you three secret realms!"

"With your current condition, what you lack the most is qi/spiritual energy, right? The secret realms should be very important to you, right?"

Qin Yu said in a low voice, "You're right, the secret realms are indeed very important to me."

"If I had three secret realms, it would be enough to support me to step into the half-step martial saint realm."

"However, a gentleman loves money and has his way. I don't think there's a need for a sect like yours to work together."

Shen Yichun's expression instantly turned cold.

“Then I won’t waste any more words with you. Hand over Yan Ruoxue and Zheng Ke!” Shen Yichun said coldly.

“Stop Dreaming.” Qin Yu said with slight ridicule.

As he spoke, the internal Qi on Qin Yu’s body rose rapidly.

At this moment, the power of a martial saint was fully displayed.

“I can use you guys to try out my new technique.” Qin Yu squinted his eyes and said.

However, at this moment, Shen Yichun took a step back.

“Qin Yu, I’m not stupid. You have the power of a martial saint. Of course, I have to avoid the edge for now.” Shen Yichun said lightly.

“The four of them are your opponents.”

Before he had finished speaking, the four of them immediately took a step forward.

Their bodies emitted a strange internal Qi. This internal Qi was filled with pressure.

Soon after, the four of them took out a token at the same time!

There were complicated talismans carved on this token. Rays of light emitted from it.

In just a moment, the space around Qin Yu became extremely strange.

The spiritual power in Qin Yu’s body was instantly suppressed!

Qin Yu frowned and said coldly, “What kind of technique is this?”

Shen Yichun laughed loudly and said, “This technique is specially used to deal with a half-step martial saint. In this space, your internal Qi will be suppressed!”

“In other words, in this space, you are just an ordinary person and can’t use any spiritual power!”

Qin Yu frowned. He clenched his fist and tried to use the technique, but he failed.

“There’s such a strange technique?” Qin Yu could not help but be a little surprised.

Shen Yichun sneered and said, “Hong Yi sect is a sect that has been around for hundreds of years. Its foundation is beyond your imagination!”

“Do it, kill him!”

Following Shen Yichun’s order, these people quickly rushed towards Qin Yu!

With killing techniques in their hands, they approached Qin Yu from four tricky angles and went straight for Qin Yu’s vital points!

These four people were extremely fast, and Qin Yu had nowhere to hide!

“Boom!”

The four spells fiercely hit Qin Yu’s body!

A puff of thick smoke billowed up, covering his vision!

“Humph, you don’t know what’s good for you.” Shen Yichun couldn’t help but sneer.

“Take his body back. The higher-ups want it.”

As soon as Shen Yichun finished his words, his face changed drastically.

The four people were sent flying, and their chests caved in!

Shen Yichun’s face changed drastically, and he exclaimed, “How is this possible? ! Did the spells fail? !”

“Do you think that by suppressing my spiritual power, I will be at the mercy of others?” Qin Yu said coldly.

“Elder Shen, the strength of this child’s physical body... is too terrifying!” One of them said with difficulty.

Shen Yichun’s expression became even more unsightly.

Although these four people were not considered top-notch experts, they were all at the peak of the Martial Marquis Realm!

Four peak of the Martial Marquis realm, yet they could not defeat Qin Yu, who had his cultivation suppressed?

“My spiritual power has indeed been suppressed, but my physical body has not changed.” Qin Yu clenched his fist.

“I’m afraid these few good-for-nothings won’t be able to kill me.”

Shen Yichun narrowed his eyes slightly and said in a low voice, “I’m afraid the martial saint’s power has even changed his physical body.”

Just as Shen Yichun had said, Qin Yu's current physical body was not even weaker than a martial saint!

"Fortunately, I was prepared." Shen Yichun's lips curled into a sneer.

He extended his palm and a broken blade appeared in his hand.

"A martial saint's weapon?" Qin Yu's expression changed slightly.

Under the situation where his spiritual power was suppressed, it was difficult for Qin Yu to resist a martial saint's weapon.

Especially when the person controlling the martial saint's weapon was a half-step martial saint!

Shen Yichun held this sharp blade and said indifferently, "This is not an ordinary martial saint weapon, but a killing weapon. Its power is far above that of an ordinary martial saint weapon!"

Qin Yu felt a trace of a dangerous aura coming from the internal Qi.

He frowned and immediately clenched his fists, trying to break through this formation!

However, this formation was unbreakable. No matter how hard Qin Yu tried, he could not use even a bit of the spiritual power in his body!

"Go to hell!"

Shen Yichun let out an angry roar. He grabbed the broken blade with both of his hands, and his internal Qi surged toward the broken blade!

A trace of extremely powerful killing intent immediately spread out from the broken blade!

This killing intent was extremely terrifying, and it was also stained with a strong bloody aura!

“Go to hell!”

Shen Yichun grabbed the broken blade and hacked it fiercely toward Qin Yu!

Rays of light mixed with the martial saint’s internal Qi and killing intent hacked toward Qin Yu!

Chapter 829: Chapter 829 Cleave!

That Sharp Blade brought with it a soaring radiance as it headed straight for Qin Yu’s glabella!

At this moment, Qin Yu had no way to dodge and could only clench his fist to receive the blow!

“Boom!”

The instant the two collided, the heaven and earth were instantly stirred up!

As for Qin Yu’s figure, he was directly pushed back.

The bones of his hand were shattered, and traces of blood flowed out.

His internal organs seemed to have received a great impact at that moment, and blood kept pouring out of his mouth.

“He’s not dead?” Shen Yichun’s face was full of surprise.

Qin Yu was scared from the ground. He looked at his body, and white marks appeared on his body.

“Damn it...”Qin Yu couldn’t help but clench his teeth.

He took a deep breath and looked at the four tokens coldly.

The tokens followed him like a shadow and enveloped Qin Yu, making him unable to use his spiritual power.

“As long as I break these four tokens, I should be able to do it,”Qin Yu thought to himself.

Thinking of this, he shouted angrily and immediately shot out, grabbing the token directly!

But what surprised Qin Yu was that his palm actually went through the token directly!

“Hahaha!”

Shen Yichun, who was not far away, could not help but laugh out loud when he saw this.

“Fool, this token has already transformed into a spirit body and exists in your body. If you want to break it, Dream On!”Shen Yichun sneered repeatedly.

Qin Yu frowned tightly.

From the looks of it, this technique was somewhat similar to the previous moves of Han Gong.

“I understand,”Qin Yu said coldly.

Qin Yu closed his eyes slightly. He used the internal Qi in his body with all his might in an attempt to break through this barrier!

“It’s useless,” Shen Yichun said with a cold smile.

“This token was passed down from the ancestors. Its technique is not something a junior like you can imagine.”

Qin Yu ignored Shen Yichun’s bullsh * T. Layers of sweat appeared on his forehead, and the veins on his arms bulged like dragons!

“Ah! !”

With Qin Yu’s furious roars, a faint layer of golden light appeared on his body!

Seeing this scene, Shen Yichun’s expression changed drastically!

“Could it be that he really wants to break through this token? !” Shen Yichun thought to himself.

He didn’t dare to waste any more time and immediately activated the broken saber in his hand!

“Ah! ! !”

Qin Yu roared furiously. At this moment, his physical body was unleashed to the maximum. All the veins on his body bulged out and it was a shocking sight!

“Boom!”

Along with a loud sound, a golden light that soared to the sky erupted from Qin Yu’s body!

At this moment, spiritual power also surged out like a spring!

Qin Yu's body emitted an intense killing intent and a terrifying internal Qi spread out rapidly.

“If I didn't have this martial saint's power as my foundation, I'm afraid I wouldn't be able to do anything with this token.”Qin Yu thought to himself.

Not far away, Shen Yichun's expression was extremely ugly. He had never expected that this token would actually collapse!

“Go to hell!”Shen Yichun grabbed the broken blade in his hand and swung it at Qin Yu!

Qin Yu's body trembled as waves of peaceful Qi spread out from his body.

The moment this Qi appeared, Qin Yu's body seemed to be plated with a layer of golden light! At the same time, Qin Yu's internal Qi was also coated with a layer of golden light!

This technique was the heaven-grade technique that Qin Yu had learned in the scripture depository, the Vajra sacred physique!

With the support of the Vajra sacred physique, Qin Yu's body had reached another level.

Qin Yu clenched his fist, and with a posture that could crush a dead branch, he directly smashed forward!

“Boom!”

The power that could destroy the world exploded at this moment!

The killing intent from the broken blade was directly dispersed!

“Deng Deng Deng!”

The power spread toward Shen Yichun and forced him back a few steps!

Shen Yichun thought that something was wrong and turned around to leave.

However, Qin Yu would not give him the chance. She immediately took a step forward and blocked Shen Yichun’s way!

“I let you escape last time. This time, I won’t make the same mistake again,”Qin Yu said coldly.

After he finished speaking, Qin Yu clenched his fingers and directly locked this space!

Qin Yu didn’t have much control over spatial arts.

He relied on the tyrannical brute force brought by the power of a martial saint!

Shen Yichun’s face turned cold and he said coldly, “What? Do you still want to kill me?”

Qin Yu did not answer his question, “Speaking of which, I haven’t tried the golden core of a half-step martial saint...”

Shen Yichun’s brows suddenly tightened!

This kid had actually set his eyes on his golden core!

“I am a half-step martial saint, how can you kill me just because you want to!”Shen Yichun shouted.

“So what if you can recover your spiritual power? Today, I will fight you to the death!”

The great battle broke out at this moment!

As an elder of the Hong Yi sect, Shen Yichun had countless spells under his control!

However, Qin Yu did not have any fancy moves. He only had a pair of iron fists that could break through ten thousand spells!

The sky rumbled continuously. In the blink of an eye, both sides had exchanged dozens of moves.

Qin Yu's moves were wide open and wide. Relying on his fierce physical body and the Vajra sacred physique technique, he completely gave up.

After several hundred moves, Shen Yichun's internal Qi began to gradually wither.

However, Qin Yu became more and more courageous as he fought. His fighting spirit was overflowing!

“No, if this continues, I will definitely die here!” Shen Yichun already had the intention to retreat.

He gritted his teeth and immediately held the broken blade in his hand. He slashed towards the surrounding space, looking to find a way out for himself!

However, at this moment, Qin Yu took a step forward and used his physical body to block this attack!

The sharp blade landed on Qin Yu's chest, leaving a deep gash.

Fresh blood flowed down his chest.

This couldn't help but make Shen Yichun's heart skip a beat!

“Are... Are You Crazy!” A trace of fear flashed in Shen Yichun's eyes!

In order to prevent himself from escaping, he actually used his physical body to block!

Qin Yu touched his chest and sneered, “You want to run? Since you're here, you should stay!”

With that, Qin Yu charged at Shen Yichun again!

This desperate fighting style had completely frightened Shen Yichun, and his heart became more and more flustered.

As a result, he had more and more flaws. Qin Yu's fists kept smashing on his body!

“One punch can break ten thousand spells!”

Accompanied by Qin Yu's angry roar, a monstrous killing intent condensed in Qin Yu's palm!

At this moment, Shen Yichun felt an intense sense of danger!

He pulled out his broken blade and attempted to block it, but it was already too late!

This punch poured down on his ears and body without holding back!

“Boom!”

Shen Yichun's body crashed fiercely into the ground!

His bones were almost shattered, but as a half-step martial saint, he was still extremely clear-headed.

“Qin Yu, i...”

Shen Yichun was about to speak, but Qin Yu had already walked over.

He stretched out his hand and grabbed Shen Yichun's dantian!

This sharp pain immediately caused Shen Yichun to almost collapse!

He stretched out his hand to stop him, but Qin Yu grabbed his wrist!

Shen Yichun watched helplessly as Qin Yu forcefully dug out his golden core from his dantian!

The jindan shone in Qin Yu's hand. This jindan was the size of half a palm!

Chapter 830: Chapter 830, the unforeseen event of the immortal slaying sect

This was the largest golden core Qin Yu had ever seen!

“As expected of a half-step martial saint. The golden core is actually the same size.”Qin Yu licked his lips, his face filled with greed.

And this expression was undoubtedly like a demon to the dying Shen Yichun.

“Qin Yu, you...”Shen Yichun opened his mouth, his face filled with despair.

Qin Yu looked at Shen Yichun coldly and said, "Don't worry. Sooner or later, I will completely eradicate Hong Yi sect."

After saying this, Qin Yu raised his hand and slapped Shen Yichun to death.

After killing Shen Yichun, Qin Yu put away his golden core.

He couldn't help but spit out a mouthful of blood.

Obviously, Qin Yu was also injured in the fight just now.

He wiped the blood from the corner of his mouth. After thinking for a while, Qin Yu finally put away Shen Yichun's corpse.

After returning to the Divine Alchemist Pavilion, Qin Yu went straight to the pavilion master's building.

This time, the pavilion master surprisingly didn't Blame Qin Yu.

"What's wrong with you?" Seeing Qin Yu's attitude, the pavilion master couldn't help but frown.

Qin Yu shook his head and said, "It's Shen Yichun from the Hong Yi sect."

"Shen Yichun?"

Hearing this name, the pavilion master's expression couldn't help but change slightly.

"En, he has already been killed by me." Qin Yu threw Shen Yichun's body on the ground.

Seeing this scene, the pavilion master was even more shocked, but he quickly calmed down.

“I didn’t expect that the famous Shen Yichun would die at the hands of a junior.”The Pavilion Master couldn’t help but shake his head.

Qin Yu didn’t continue this topic and instead asked, “Pavilion Master, how is Ruoxue?”

“Don’t worry, she’s fine. Her vital signs are very stable,”the pavilion master said.

“Where is she now? I want to see her,”Qin Yu said.

The pavilion master nodded slightly, “Follow me.”

Qin Yu followed behind the Pavilion Master and came all the way to the secret chamber.

In this secret chamber, Yan Ruoxue was still soaking in the medicinal bath.

The rich medicinal fragrance mixed with Yan Ruoxue’s body fragrance and emitted a unique fragrance.

Qin Yu walked to Yan Ruoxue and half-knelt in front of the medicinal pool. He said with a gentle expression, “During this period of time, have a good sleep. You should also rest.”

After saying that, Qin Yu stood up and looked at the pavilion master. He bowed and said, “Pavilion Master, I’m Afraid I’ll have to trouble you for this period of time. However, I think it won’t take too long.”

The pavilion master said in surprise, “What do you mean?”

Qin Yu said in a deep voice, “The news that Yan Ruoxue is here with you will be spread out sooner or later. When that time comes, someone will definitely come after hearing the news.”

The pavilion master did not deny this.

“I know that you are powerful, but it’s hard for two fists to fight against four hands. No one knows what kind of forces those forces will deploy,”Qin Yu continued.

“So?”The pavilion master asked in puzzlement.

Qin Yu narrowed his eyes slightly and said, “I plan to find a secret realm and hide Ruoxue there for the time being.”

“Secret realm?”This could not help but make the pavilion master somewhat surprised.

Even the powerful Divine Alchemist Pavilion did not have a secret realm. It was not so easy to find a secret realm.

A trace of viciousness flashed in Qin Yu’s eyes.

He said coldly, “I know of a secret realm in Qing City.”

If it were not for Shen Yichun’s arrival, Qin Yu would have almost forgotten about the secret realm in Qing city.

Since they had not given up their evil intentions, Qin Yu would naturally not let them go.

Although that secret realm did not have much qi/spiritual energy, it was a good choice to call it a hiding place.

“Your little girlfriend needs to change her medicine every day. If she changes the place, I’m afraid it won’t be convenient,”the pavilion master said with a frown.

Upon hearing this, Qin Yu was immediately a little worried.

That’s right. Qin Yu didn’t have the time to take care of Yan Ruoxue all the time now.

“Let her stay here for now. No one knows for the time being,”said the pavilion master.

Qin Yu said in a deep voice, “That’s the only way.”

Qin Yu was not in a hurry to leave the Divine Alchemist Pavilion. Instead, he went to the dungeon and found Zheng Ke.

If he wanted to open the secret realm of Qing city, he would definitely need Zheng Ke’s help.

After arriving at the dungeon, Qin Yu bent down and looked at Zheng Ke, who was no longer human.

“How is it? Haven’t you thought it through?”Qin Yu said with some amusement.

Zheng Ke glanced at Qin Yu coldly and sneered, “Qin Yu, you won’t get anything from me. Stop Dreaming!”

Qin Yu was not in a hurry. He smiled faintly and said, “Zheng Ke, I now understand why you are so stubborn. You think that the Hong Yi sect will definitely come to save you, right?”

Zheng Ke snorted and did not say anything.

Qin Yu continued, "You are right. The Hong Yi sect will definitely come to save you, and they are already here."

Hearing this, Zheng Ke's eyes immediately flashed with a glimmer of light.

"The position of the person who came isn't low. It's actually elder Shen Yichun of the Hong Yi sect. TSK TSK, looks like you're very important to them," Qin Yu said.

Zheng ke coldly said, "What exactly do you want to say?"

Qin Yu didn't answer this question. With a thought, Shen Yichun's corpse landed in front of Zheng Ke.

"He did come to save you, but unfortunately, he's already dead," Qin Yu said coldly.

Zheng Ke's expression suddenly changed drastically!

He grabbed Shen Yichun's corpse and looked left and right. A trace of despair appeared on his face.

To Zheng Ke, this was undoubtedly the destruction of Hope!

"Shen Yichun is already dead. No one can come to save you," Qin Yu said coldly.

"What you rely on no longer exists. But if you're willing to tell me how to open the mystic realm, I might give you a chance to live," Qin Yu said coldly.

Zheng Ke acted as if he didn't hear him. He grabbed Shen Yichun's corpse and didn't speak for a long time.

Qin Yu wasn't in a hurry. He glanced at Zheng Ke and said, "Zheng Ke, I'll only give you one last day to consider. If you're still so stubborn tomorrow, I'll send you on your way."

"At the same time, I'll tell you that if I can kill Shen Yichun, I can kill most of the people of the Hong Yi sect."

"I don't believe that you are the only person in the Hong family who knows how to open the secret realm."

After saying this, Qin Yu turned around and walked out of the dungeon.

After leaving the dungeon, Qin Yu planned to spend the day with Yan Ruoxue.

At this moment, Qin Yu's phone rang.

The caller was none other than the handlebar mustache.

Qin Yu picked up the phone and said, "How is it? has the formation been set up?"

The man with the handlebar mustache said with a strange voice, "The formation has been set up, but..."

"But what?" Qin Yu frowned.

The man with the handlebar mustache said in a deep voice, "But something happened to the immortal slaying sect. It's completely different from what we saw last time."

“Something happened? What Happened?” Qin Yu immediately frowned.

Chapter 831: Chapter 831, the method to open the secret realm

The mustached man on the other end said, “The corpses of the slaughtering immortal sect seem to have been resurrected.”

Qin Yu’s eyelids twitched!

“The corpses of the Slaughtering Immortal sect have been resurrected? Haven’t those corpses already turned into ashes?” Qin Yu hurriedly asked.

The mustached man grunted and continued, “I suspect that these corpses came from the underground of the Slaughtering Immortal sect.”

“In other words, what we saw was the surface of the Church of the massacre immortal, while the real corpses were buried underground.”

This couldn’t help but make Qin Yu feel a strong sense of danger!

The corpses of the Church of the massacre immortal were all at the level of mighty figures!

If someone could resurrect the corpses of the Church of the Massacre Immortal, then no one would be able to stop them!

“I’ll tell you when I get back,” said the moustache man.

“Okay,” Qin Yu agreed and hung up the phone.

He stood there and thought for a moment, then said in a low voice, “Forget it. Even if he is really resurrected, the first person to have a headache is the JINGDU martial arts association.”

Moreover, there was a mysterious guardian.

The next day.

Qin Yu went to the dungeon again and found Zheng Ke.

In a short night, Zheng Ke seemed to have changed into a different person, as if he had aged dozens of years.

Once a person lost hope, he would lose all his energy and spirit.

“How is it? Have you thought it through?” Qin Yu said indifferently.

Zheng Ke hurriedly raised his head to look at Qin Yu and said, “You will really let me go, right?”

“Absolutely,” Qin Yu said with a smile.

Zheng Ke gritted his teeth. He took out the token from his pocket and handed it to Qin Yu.

“What exactly is this token?” Qin Yu sized up the token in his hand. He couldn't help but have some doubts on his face.

Zheng ke said, “This token is used to explore mystic realm Daoist techniques.”

“Mystic Realm Daoist techniques?” Qin Yu gestured for Zheng Ke to continue.

“Mystic Realms are small worlds created by almighties, but their essence still depends on this world.”

“To put it bluntly, what they rely on is to create a new path in their dao techniques to open up another world.”

Qin Yu touched his chin and said, “In other words, this mystic realm is actually woven from Complex Dao Techniques?”

“Smart.”Zheng Ke nodded.

“This token is to understand this complex dao technique.”

“As long as we understand the DAO technique, we can use the DAO technique to find a way to open it.”

Qin Yu said in a deep voice, “Then don’t waste time. Teach me quickly.”

Zheng Ke shook his head and said, “There are thousands of Taoist skills, and the Taoist skills used to create the secret realm are naturally countless and extremely complicated.”

“It’s impossible for you to learn it in a short time.”

“To put it bluntly, the method we control is to open the secret realm in different ways. You have to learn the ways one by one, use the token to find the Taoist skills, and then use the corresponding ways to open the secret realm.”

“We have a professional term for this way, it’s called the secret key.”

Although Zheng Ke’s description was not clear, Qin Yu still understood a general idea.

Just like the key to the door, one had to find the TAO technique to set up the secret realm, but use the key to open it.

“How many secret keys are there?”Qin Yu asked.

Zheng ke said, “Countless, I control about 3,600 kinds.”

“It is said that the most powerful mystic realm master in the world controls 108,000 types.”

“The gap is so Big?”Qin Yu could not help but frown.

These words undoubtedly made Zheng Ke extremely unhappy.

He snorted coldly and said, “Don’t underestimate these 3,600 types. These 3,600 types are enough to deal with most mystic realms.”

Qin Yu nodded and said, “Then how long have you studied?”

Zheng Ke stretched out three fingers and said, “A whole 30 years.”

Qin Yu couldn’t help but suck in a breath of cold air.

“It takes 30 years to master 3,600 types?”Qin Yu’s face was full of shock.

Zheng ke nodded and said, “That’s right. Learning the secret key can not be accomplished overnight. It’s a slow process.”

“Learn one secret key today, and learn five tomorrow. Slowly stack them up.”

Qin Yu rolled his eyes. He looked at Zheng ke suspiciously and said, “Are you deliberately stalling for time in order to survive?”

Zheng Ke was stunned for a moment, then he snorted and said, “There is indeed such a reason, but even if you have extraordinary talent, you will need at least five or even ten years to learn it.”

“I don’t have that much time. Is there any rough way to directly open the secret realm?”Qin Yu asked.

Zheng Ke shook his head and said, “No, I said that I can only use the token to find the secret key corresponding to the Daoist technique and then use the secret key to open the secret realm.”

“This so-called secret key is just a string of spells, right?”Qin Yu asked.

“That’s right.”Zheng Ke nodded.

“Of course, if you are strong enough, you can naturally use brute force to break open the secret realm,”Zheng Ke said with a faint smile.

Qin Yu frowned and said, “Don’t say that kind of nonsense.”

He sized up Zheng Ke and said, “That means I have to take you with me and slowly learn your secret key, right?”

“Yes.”Zheng Ke nodded.

Qin Yu glanced at Zheng Ke. This kid didn’t seem to be lying.

In this case, it wouldn’t be so easy for Qin Yu to kill Zheng Ke.

Qin Yu couldn’t afford to waste five years to learn the secret key.

“It seems that I can only keep you by my side,”Qin Yu said in a low voice.

Thinking of this, Qin Yu raised his finger and placed a mark between Zheng Ke's eyebrows.

"Let me tell you, I can spare your life, but you must work for me," Qin Yu said coldly.

"Okay!" Zheng Ke agreed without thinking.

"If you dare to betray me, I will destroy you."

Zheng Ke said sarcastically, "I'm afraid I Can't return to the Hong family now."

Qin Yu didn't say any more nonsense. He pulled Zheng Ke out of the dungeon.

"Go and wash yourself. Come with me to Qing City later," Qin Yu said.

After Zheng Ke took a shower, Qin Yu prepared another set of clothes for him.

After all the preparations were done, Qin Yu said goodbye to the pavilion master, then took Zheng Ke and headed straight to Qing city.

After a few trips, Qin Yu and Zheng Ke finally arrived at Qing city.

"You're looking for the secret realm of the Hong Yi sect, right?" Zheng Ke asked.

Qin Yu nodded and sneered, "The Hong Yi sect has bullied me repeatedly. Now they're actually scheming against my wife. Do they really think I'm made of mud?"

Zheng Ke did not say anything. He leaned against the car and closed his eyes slightly.

They arrived at the vicinity of the mystic realm.

The moment the two of them got off the car, Qin Yu met a familiar person.

This person was none other than Su Qian, who had invited him previously.

“Qin Yu?” Upon seeing Qin Yu, Su Qian took the initiative to come up and greet him.

Qin Yu narrowed his eyes and suddenly reached out his hand, grabbing Su Qian’s snow-white neck!

Chapter 832: Chapter 832, I’ m here to kill

The huge force instantly lifted Su Qian up.

Su Qian’s face flushed red as he struggled non-stop. His eyes were filled with pain and fear.

“You still dare to appear in front of me?” Qin Yu narrowed his eyes and said coldly.

Su Qian said with difficulty, “I... Don’t understand... What are you saying...”

“Don’t understand? As a member of the Hong clan, how can you not understand?” Qin Yu said coldly.

Su Qian kept Patting Qin Yu's arm and said in pain, "I . . . Really Don't understand..."

Qin Yu saw that she didn't seem to be lying, so he let go of her hand.

Su Qian, who was able to breathe, desperately breathed in the fresh air.

She looked at Qin Yu and said, "What exactly do you mean?"

"Hong Yimen plotted against me. Are you sure you didn't Know?" Qin Yu frowned and asked.

"Plotted against you? Didn't they help you bring her out?" Su Qian asked in puzzlement.

Qin Yu glanced at Zheng Ke and said, "Do you know her?"

"No," Zheng Ke said expressionlessly.

Qin Yu said in a low voice, "Maybe this Su Qian really didn't know."

"Take me to the Hong Yi sect," qin yu said to Su Qian.

Su Qian stood up from the ground and said with some hidden bitterness, "He attacked me right away. Why should I take you there..."

"If you really didn't know, I can apologize to you," Qin Yu said.

Su Qian said in a low voice, "Who cares about your apology?"

Although she said that, she still led Qin Yu in the direction of the mystic realm.

The three of them arrived at the entrance of the mystic realm.

Su Qian did not enter the mystic realm in the same way as before.

She could only take out her phone to inform Song Shan.

A few minutes later.

Rays of light flashed like ripples in front of the two of them.

Then, he saw Song Shan walk out of the mystic realm.

He was about to speak, but when he saw Qin Yu beside Su Qian, his expression changed drastically. Without saying a word, he directly closed the entrance of the Mystic Realm!

Su Qian was dumbstruck. She glanced at Qin Yu and said, “What... What’s going on?”

Qin Yu did not explain. Instead, he turned to look at Zheng Ke and said, “You can open this mystic realm, right?”

Zheng ke nodded and said, “En, this is only the most ordinary and simplest mystic realm. The secret key is also extremely simple.”

“Then don’t waste time. Help me open it.”Qin Yu took a step back.

Zheng Ke walked in front of the mystic realm. He took out his token and began to search for the mystic realm’s dao techniques.

Although Zheng Ke was also a member of the Hong family, he knew nothing about this mystic realm.

At this moment, in the mystic realm, Song Shan was desperately running towards Ning Kun’s office.

“Mr. Ning, something bad has happened!” Song Shan panted and pushed the door open.

Ning Kun glanced at him and said coldly, “What’s the matter? Why are you making such a fuss?”

Song Shan swallowed his saliva and said, “That Qin Yu is here! He’s at the entrance of the mystic realm. I almost let him in just now!”

“Qin Yu?” Ning Kun suddenly stood up and a trace of worry flashed across his face.

Ning Kun knew very well that Qin Yu came here this time to settle the score.

“Don’t worry, he can’t open this Mystic Realm.” Guan zu walked forward and said lightly.

“Mr. Ning, what are you afraid of? This is a mystic realm. Without our permission, who can enter?”

Ning Kun glanced at him and felt slightly relieved.

But after thinking for a while, Ning Kun finally decided to go to his immediate superior to discuss it.

“You guys stay here and guard. If that Qin Yu really comes, you guys think of a way to stall him,” said Ning Kun.

Guan zu sneered, “He is an outsider. How can he enter?”

Ning Kun did not say anything and quickly walked towards the black-robed man’s room.

He arrived at the black-robed man's room.

The moment the door opened, Ning Kun anxiously said, "Not good, that Qin Yu came looking for us! He's guarding outside the Secret Realm Now!"

Hearing this, the black-robed man suddenly stood up.

A trace of fear flashed across his face, and he unconsciously took two steps back.

"Sir, What's Wrong?" Ning Kun could not help but feel puzzled.

"That Qin Yu is still outside the mystic realm. He shouldn't be able to enter, right?"

The black-robed man did not say a word, but cold sweat was dripping down his forehead.

A few minutes later, the black-robed man braced himself and said, "Mystic Realm Master Zheng Ke is in his hands..."

"Mystic Realm Master?" Ning Kun's expression immediately changed drastically!

The black-robed man pretended to be calm and said, "Think of a way to stabilize him first. I need some time to use a secret technique to deal with him."

Ning Kun hurriedly nodded and said, "Sir, don't worry. I understand!"

After saying this, Ning Kun turned around and walked out.

After Ning Kun left, the black-robed man's expression completely darkened.

"I can't just sit here and wait for death." The black-robed man took a deep breath.

"If Qin Yu can come to Qing city at this time, it means that elder Shen is already dead."

"Even elder Shen died at his hands. What right do I have to fight him?!"

It turned out that this black-robed man did not have any secret techniques at all.

All he could think of was to run away quickly!

Outside the mystic realm.

Zheng Ke quickly opened the mystic realm.

"Wow, how did you do it?!" Su Qian was stunned.

Qin Yu glanced at her and didn't explain. Instead, he said, "Come in with me."

"Okay." Su Qian didn't think too much. He immediately followed Qin Yu into the mystic realm.

As the three of them entered, the entrance slowly disappeared.

The moment they stepped into the mystic realm, Qin Yu couldn't help but frown slightly.

Compared to the second mystic realm of the Jingdu Martial Arts Association, this place was indeed too shabby.

Not only was there no rich qi/spiritual energy, even the buildings inside were in a mess.

“This is a low-level mystic realm. There’s nothing strange about it.”Zheng Ke seemed to have noticed Qin Yu’s confusion.

“Thank you,”Qin Yu grunted and then strode towards the hall.

In the hall, Ning Kun was sitting there drinking tea, waiting for Qin Yu’s arrival.

In the entire hall, there were several martial marquises standing, and Song Shan and Guan zu were standing behind Ning Kun.

Soon, Qin Yu brought Su Qian to the hall.

As soon as they entered, Ning Kun said enthusiastically, “Qin Yu, why are you here? Why didn’t you inform me when you came!”

“That’s right, that’s right, so that we can go and Welcome You!”Song Shan also said with a smile.

Qin Yu glanced at him. Without saying anything, he slapped song Shan in the air and directly shattered his head!

The sudden change of events immediately caused the entire hall to Panic!

Ancestor Guan’s face was filled with shock and turned into fear!

“Qin Yu, you... What do you mean by this?”Ning Kun gritted his teeth and braced himself to say.

Qin Yu looked at Ning Kun coldly and said, “Stop pretending. I’m not here to negotiate with you.. I’m here to kill you.”

Chapter 833: Chapter 833, occupying the Mystic Realm

He had slapped the extraordinary song Shan to death with a raise of his hand. This move had undoubtedly shocked everyone present.

And Qin Yu’s words made Ning Kun’s face turn black.

Although he wanted to flare up, he recalled what the black-robed man had said and ultimately endured it.

“Qin Yu, I know that song Shan and Guan zu have offended you, but there’s no need for you to raise your hand and kill people,”said Ning Kun.

Qin Yu narrowed his eyes and sneered, “The two of them are just small fry. I don’t care about them at all.”

“You should know clearly what your Hong family has done. Don’t play dumb.”

Ning Kun pretended to be dumb and said, “Qin Yu, what do you mean? Why don’t I Understand?”

“You don’t need to understand. You only know that I will kill all of you today.”Qin Yu’s body emitted a strong murderous aura.

Ning Kun hurriedly waved his hand and said, “Qin Yu, I’m afraid that there’s some misunderstanding between us. Don’t be Rash!”

Qin Yu didn't say a word. The only response he received was a palm strike!

A loud bang immediately erupted in the hall! Dust and dust rose up and crushed stones flew everywhere!

Ning Kun hurriedly retreated to the side. He glared at Qin Yu and shouted, "Qin Yu, don't go too far! Don't think that I'm really afraid of You!"

Qin Yu sneered and said, "Go Too Far? Have you ever thought of going too far when you schemed against me?"

Ning Kun gritted his teeth and immediately shouted, "So let's attack together and kill this Qin Yu!"

In an instant, everyone stepped out!

In the entire mystic realm, a total of eight martial marquises jumped out!

These martial marquises had extraordinary strength, and their coordination could be said to be perfect!

"Qin Yu, you're right. Our Hong Clan has never treated you as a partner! All of our goals are to get Yan Ruoxue!" Ning Kun simply tore open his face and sneered.

Guan zu even shouted, "When you used my name to cause trouble everywhere, did you ever think whether I would agree or not!"

Qin Yu ridiculed, "Use your name? You really think highly of yourself."

“No need to say more. Let’s attack together and kill him!”Ning Kun said coldly.

At this moment, Qin Yu’s figure suddenly floated into the air.

He coldly glanced at everyone present and grinned, “Eight more golden cores...”

“Arrogant!”These words undoubtedly infuriated everyone!

The group of people immediately controlled their spells and rushed towards Qin Yu!

Meanwhile, Qin Yu, who was in mid-air, put his palms together and muttered.

Seeing this scene, Ning Kun could not help but laugh out loud, “What, now you know fear? It’s useless to beg Buddha, why don’t you come and beg me instead!”

Just as Ning Kun was laughing out loud, Qin Yu’s body suddenly emitted rays of peaceful golden light!

At a glance, he looked like an eminent monk who had obtained it!

“HMM? What kind of spell is this?”Ning Kun frowned slightly.

This peaceful aura did not have the slightest deterrent force. Instead, it made people feel a surge of excitement.

It was precisely because of this reason that they had overlooked the lethality of this spell!

“Buzz!”

Qin Yu raised his palm and lightly slapped it forward.

“Thousand hands of the Gods and Buddhas!”

Accompanied by Qin Yu’s low moan, thousands of golden palms covered the sky and earth as they slapped over!

That palm carried a peaceful aura, but under this peaceful aura, there was an incomparably powerful killing intent!

“Not good!” Guan zu was the first to feel that something was wrong. He hurriedly pulled out his longsword and abruptly slashed towards the palm that was slapping towards him!

However, this palm directly pierced through Guan zu’s Longsword and slammed heavily onto Guan Zu’s chest!

Guan zu’s chest instantly sank down, and the shape of a palm shockingly appeared on his chest!

“Pu!”

Guan zu suddenly spat out a mouthful of blood. Then, he took a few steps back, and his chest actually exploded!

It wasn’t just Guan Zu, none of the martial marquises present could resist it!

This god and Buddha thousand hands was an area-of-effect attack, and the densely packed palms made it impossible to dodge!

In just half a minute, these eight martial marquises’ chests were all smashed into pieces, and they fell to the ground, unable to get up!

Qin Yu looked at his own palm and said in a low voice, “As expected of a Buddhist technique, its power is so terrifying.”

Ning Kun, who was not far away, was already panicking.

He originally thought that everyone could resist for a period of time, but unexpectedly, they were all killed by Qin Yu’s palm strike!

“Damn it!” Ning Kun gritted his teeth. He seized the opportunity and ran away!

Qin Yu was not in a hurry to chase after them. Instead, he walked in front of the bodies of the eight martial marquises and dug out the golden cores in their bodies.

Su Qian, who was standing at the side, looked pale. She covered her mouth gently, her face full of shock.

Qin Yu glanced at Su Qian and said, “Are you afraid?”

Su Qian opened his mouth but could not say anything for a moment.

Qin Yu said coldly, “You’d better not get involved with this kind of organization, understand?”

Su Qian nodded in a daze. How could she dare to say anything at this time.

On the other side.

Ning Kun was desperately rushing towards the black-robed man’s room.

“Sir, sir! We can’t hold on anymore!” Ning Kun ran frantically as he ran.

He violently rushed through the door of the room and shouted, “Sir, that Qin Yu, he...”

But before he could finish, he was stunned.

In this room, where was the figure of the black-robed man ?

Looking at the empty room, Ning Kun’s face immediately turned pale, as if he had realized something!

“TSK TSK, when you led people to fight desperately, your superior took advantage of this time to sneak away. How Ridiculous.”

At this moment, Qin Yu’s voice came from behind.

Ning Kun was so scared that he sat down on the ground.

He gritted his teeth and immediately knelt in front of Qin Yu. He pleaded desperately, “Qin Yu! I know that you have great ambitions and are determined to get rid of the Jingdu Martial Arts Association!”

“Right now, you are in the midst of hiring people. I, Ning Kun, may not say that I have great abilities, but I have been in the Hong Yi sect for many years and have powerful connections!”

“As long as you spare me, I, Ning Kun, am willing to be your slave and will do anything for you!”

Looking at Ning Kun who was crazily expressing his loyalty, Qin Yu sneered and said, “Do you know what your greatest significance is to me?”

Ning Kun suddenly raised his head and said, “What?”

Qin Yu pointed at the location of Ning Kun's Dantian and grinned. "It's the golden core in your body."

Before he finished his sentence, Qin Yu clenched his fingers, and his golden fist was already approaching Ning Kun's head.

Ning Kun only felt the golden color in front of him continuously magnify, and in the next second, he lost consciousness.

After killing Ning Kun, this mystic realm would officially belong to him.

"Finally, I've obtained a mystic realm." Qin Yu let out a long sigh of relief.

Although this mystic realm did not have many resources, it was an excellent place to hide and break through.

Chapter 834: Chapter 834, Yin Energy Resources

There were many houses in this mystic realm. Not to mention living in them, it was enough to support a sect.

However, the most important thing for Qin Yu right now was to hide himself. Therefore, he was only satisfied after he cleaned up this place.

'with this mystic realm, I don't have to worry too much even if my martial saint's power disappears,' Qin Yu thought to himself.

Even though he said so, Qin Yu understood that he had to increase his strength as soon as possible.

The power that came from others was not practical.

On the surface, everything seemed to be peaceful.

However, Qin Yu knew clearly that there were countless enemies hidden in the dark.

For example, Gu Xinghe, the Hong clan, and the Luo father and son from the pavilion of Heavenly Secrets.

The reason why they did not make a move was because they were afraid of the martial saint's power in their bodies.

After settling down, Qin Yu looked at Zheng Ke.

“How should I enter this secret realm in the future?” Qin Yu asked.

Zheng Ke said in a low voice, “If I want to enter this secret realm, I can only rely on the secret key.”

Qin Yu frowned slightly and said, “Only the secret key? Is there no other way? Like making a token?”

“No, we can only rely on the secret key.” Zheng Ke shook his head.

Qin Yu said worriedly, “Then isn't there a risk of this secret key being leaked?”

“That's right. Therefore, this secret key can not be easily told to others.” Zheng Ke nodded.

Qin Yu suddenly came to a realization.

No wonder there were so few people who could enter the various secret realms.

Then, Zheng Ke passed the secret key to Qin Yu.

With this secret key, Qin Yu could freely enter and exit the secret realm.

The three of them walked out of the secret realm. Qin Yu glanced at Su Qian and said, "What are your plans?"

Su Qian shook his head and said, "I don't know either."

Qin Yu replied with an "Oh" and ignored Su Qian.

"By the way, Zheng Ke, can you modify the secret key of this secret realm?" Qin Yu suddenly thought of something.

Zheng Ke couldn't help but smile bitterly. "You really dare to think. If you can modify the secret key, then you can create your own mystic realm."

"That's true." Qin Yu nodded.

"You stay here for now. I'm going out for a while."

Qin Yu planned to look for the handlebar mustache.

The first reason was to see what had happened to the immortal slaying sect.

The second reason was that the handlebar mustache had traveled extensively and had seen a lot.

Qin Yu planned to rely on the handlebar mustache to accumulate the herbs and resources needed to break through.

He could feel the martial saint's power disappear from his body.

At this rate, the martial saint's power could only last for a week at most.

Qin Yu had to accumulate enough resources to break through before the martial saint's power disappeared.

After leaving Qing city, Qin Yu gave the moustache man a call.

Through their conversation, they learned that the moustache man was still in the Church of the massacre immortal. At this moment, he was setting up a formation.

Qin Yu did not waste any time and immediately rushed to the Church of the massacre immortal.

At night, Qin Yu finally arrived near the church of the massacre immortal.

At this time, the moustache man was already waiting for Qin Yu on the shore.

The handlebar mustache pointed at the dense and irregular footprints on the ground and said in a deep voice, "Did you see it?"

Seeing this scene, Qin Yu could not help but frown.

He squatted down and carefully observed the dense footprints on the ground.

Many of these footprints were in a broken state.

This was enough to prove that the footprints did not come from a normal person, but from a broken corpse.

"From these footprints, we can infer that at least dozens of corpses have been resurrected," the mustached man said in a deep voice.

Qin Yu's expression couldn't help but turn somewhat ugly.

He took a deep breath and said, "These corpses are all at the Almighty Realm. If someone intentionally uses them, it will definitely be a disaster."

"Mm." The mustached man nodded.

"Although these corpses can't be compared to the two in your hands, they are definitely not something an ordinary martial artist can compare to."

Qin Yu frowned and asked, "Just who is controlling these corpses?"

"I don't know." The mustached man shook his head.

"But what can be confirmed is that the person who can control these corpses is definitely not simple, because this kind of spell has long disappeared."

"Even for me, I can only resurrect two at most, and it will also take a lot of time and energy."

This could not help but make people feel shocked.

Even the JINGDU martial arts association could not resist this power, right?

Then, the handlebar mustache brought Qin Yu to the bottom of the sea.

On one side of the gate of the Slaughterer Immortal sect, a formation was flashing.

The two did not waste time and immediately entered the slaughterer immortal sect.

After arriving at the slaughterer immortal sect, the handlebar mustache could not help but say, “Qin Yu, the teleportation formation I set up can be seen at a glance. If you hide here, you will be discovered sooner or later.”

Qin Yu sneered and said, “Of course I know.”

“Then why do you want me to set up a formation?” The mustached man couldn’t help but mutter.

Qin Yu glanced at him and said, “I want them to find me and deliberately disturb their sight.”

The mustached man narrowed his eyes and said, “You don’t plan to hide here at all?”

“That’s right.” Qin Yu nodded.

“Before I came here, I had already robbed a secret realm of the Hong Yi sect.”

The mustached man suddenly came to a realization.

Qin Yu didn’t continue this topic.

He looked around and saw one pit after another in the entire immortal butchers sect.

The entire immortal butchers sect was like a plowed land, with all the soil turning outward.

“Did you find anything here?” Qin Yu asked.

The mustached man shook his head and said, “I wanted to find some treasure, but unfortunately, I didn’t find any.”

Qin Yu nodded. He didn’t continue the topic. Instead, he asked, “By the way, do you know where to get the divine medicine? Or Yin Qi.”

The mustached man rolled his eyes and said, “Divine medicine? If there was such a place, I would have gone there long ago.”

“Let me tell you, divine medicine is a part of the laws of Heaven and earth. As long as it is a part of the laws, there must be a law.”

“For those top-grade divine medicine that lasts for tens of thousands of years, how many times will it appear in a cycle? It’s already good enough to get one.”

This made Qin Yu sigh slightly.

As his strength increased, Qin Yu’s requirements for herbs also became higher and higher.

Ordinary herbs had long lost their effectiveness.

“However... I do know a few places about the yin qi you mentioned.” At this moment, the mustache man changed the topic.

Qin Yu hurriedly looked at the Mustache Man and signaled him to continue.

The mustache man continued, “There are very few people in the world who can cultivate yin qi. This also leads to the fact that not many yin qi resources have been exploited. Therefore, yin qi might be easier to obtain.”

Qin Yu hurriedly said, “Where is it? Bring me there quickly.”

The Mustache Man rolled his eyes at Qin Yu and said, “Although yin qi resources are easier to obtain than Qi/spiritual energy resources, it doesn’t mean that they can be found everywhere.”

Chapter 835: Chapter 835, portrait of the Guardian

The handlebar mustache cleared his throat and said, “Places with strong yin energy are usually battlefields, but what is the most likely place to appear on the battlefields? That is naturally the treasure left behind!”

“As long as there is a treasure, there will definitely be people who will snatch it. This will also result in the resources of Yin Energy being reduced to a certain extent.”

Qin Yu said somewhat anxiously, “Don’t say such nonsense. Speak simply.”

The mustached man glanced at Qin Yu and said mysteriously, “I know of a few large-scale battlefields. Because the yin energy there is too strong, it has been sealed up. No one dares to go there.”

“Where?” Qin Yu hurriedly asked.

The mustached man shook his head and said, “Don’t think about it. Even Martial Saints can’t go to such a place.”

“It’s said that there was once a martial saint who stepped into that place. In the end, the moment he stepped in, he turned into ashes.”

Qin Yu could not help but suck in a breath of cold air when he heard this.

The little bit of hope that had just risen instantly disappeared.

“Even a martial saint turned into ashes in an instant?” Qin Yu frowned slightly.

“Yes.” The mustached man nodded.

“Moreover, because those few large battlefields have been sealed, the specific locations have also been lost.”

Qin Yu said dejectedly, “Isn’t that a waste of time...”

The mustached man spread his hands and said, “If cultivation is that simple, then it’s not worth much.”

Speaking of which, the most scarce resource in this era was the Qi/spiritual energy.

Most of the resources were controlled by the Jingdu Martial Arts Association. The remaining resources were like the flesh of a fly, extremely few.

“Qin Yu, the real resources are still in the hands of the various aristocratic families.” At this moment, the moustache man changed the topic.

“If you’re looking for me, you might as well look for those top aristocratic families. They definitely know more than me.”

Qin Yu grunted. He looked at the moustache man and said in a low voice, “In that case, we still have to go to Jingdu.”

“Not bad.” The handlebar mustache nodded in praise.

Then, Qin Yu asked, “Where do you plan to go next? With Me? Or...”

“I’m not going with you.”The handlebar mustache rolled his eyes at Qin Yu.

“You have enemies on all sides. I don’t want to get involved with you.”

Qin Yu rolled his eyes and said, “Seriously, what are your plans?”

“Continue traveling and carry out my archaeological activities,”the mustached man said with a smile.

Qin Yu patted the mustached man’s shoulder and said, “Don’t forget me if you have any benefits. I Only Want Yin Qi, and the rest is yours.”

“Okay.”The mustached man didn’t stand on ceremony. He also needed a strong fighter.

After saying goodbye to the mustached man, Qin Yu headed straight to Jingdu.

It was already the new year, and the weather was getting colder and colder.

And in Jingdu, there was a rare heavy snowfall.

Qin Yu strolled through the heavy snow, listening to the noisy sounds around him.

The children were having snowball fights and building snowmen, and the adults on the way were cursing and swearing because of traffic jams or rear-end collisions.

Qin Yu looked at the smoke and fire around him, and for a moment, he was somewhat yearning.

“If I hadn’t stepped onto the path of cultivation, what kind of life would I be living now?” Qin Yu seemed to have a sudden realization in his heart.

His state of mind had also improved at this moment.

This couldn’t help but Surprise Qin Yu.

“No wonder those powerhouses would choose to enter the human realm when they encounter a bottleneck,” Qin Yu said in a low voice.

Life was full of life.

Just as Qin Yu was thinking, his phone suddenly rang.

He picked up the phone and saw that the caller was Zhuang Teng.

He smiled on the phone and said, “Brother Qin, we’re having a dinner party. Do you want to join in the fun?”

“Dinner Party?” Qin Yu thought for a moment and agreed, “Okay, where is it?”

Zhuang teng smiled and said, “It’s at my house. I’ll send a car to pick you up later!”

“That’s not necessary. Just tell me the address,” Qin Yu agreed.

Seeing this, Zhuang Teng did not insist. After giving Qin Yu the address, he hung up the phone.

Qin Yu was about to ask these top aristocratic families for resources, but he did not expect Zhuang Teng to call.

After hanging up the phone, Qin Yu called a car and rushed to the Zhuang family.

By the time Qin Yu arrived at the Zhuang family, the place was already packed with people.

It had to be said that the Zhuang family was very large. The open-air Plaza was already filled with banquets.

The entrance was even filled with luxury cars. It was very obvious that other than the martial arts circle's aristocratic children, the level of the rich second generation in Jingdu had also received an invitation.

"Brother Qin." At this moment, Chu Heng walked forward and greeted Qin Yu.

Qin Yu nodded to him and said with a smile, "Today is really lively."

Chu Heng smiled and said, "Yes, today is Zhuang Teng's birthday. Every year on his birthday, he will hold a big banquet."

"Birthday? This... I didn't have the time to prepare any gifts." Qin Yu was a little embarrassed.

Chu Heng smiled and said, "It's okay. As long as you are here, it's enough."

As they spoke, Chu Heng brought Qin Yu to the sofa and sat down.

The people sitting here were almost all the people that Qin Yu was familiar with.

“Brother Qin, take a seat first. I’ll go help Zhuang Teng,” said Chu Heng.

“Okay.” Qin Yu nodded slightly.

After he left, Qin Yu couldn’t help but sigh and say, “This Zhuang Teng is really an expert at socializing.”

Kong Yun, who was at the side, nodded and said, “Mm, this person’s cultivation isn’t that great, but he loves socializing and has a wide network.”

As he spoke, Yao Meng and Wan Guqiong walked over from not far away.

“Qin Yu, what a coincidence. You’re here too.” Wan guqiong smiled.

Qin Yu nodded at him as a form of greeting.

Following that, Wan guqiong greeted everyone present before his gaze finally landed on Qin Yu.

“Brother Qin, can I have a word with you?” Wan guqiong asked.

Qin Yu didn’t think too much about it. He immediately stood up and followed Wan Guqiong to the side.

The two of them came to a deserted place. Wan guqiong said, “Qin Yu, didn’t you want to look at the portrait of the Dao Guardian? I took it.”

“Oh?” Qin Yu raised his eyebrows. A trace of interest flashed in his eyes.

Wan guqiong took out his phone and took out a photo.

Then, he handed the phone to Qin Yu and said, “This is the photo of the Guardian.”

Qin Yu took the phone and looked at the portrait on the phone.. A trace of shock flashed across Qin Yu’s face.

Chapter 836: Chapter 836, Wan Gu Qiong’ s intentions

The Man in the portrait had a tall and straight figure, and his long hair was as black as ink. Even though it was just a portrait, it gave off an extremely oppressive feeling.

However, what was presented in the portrait was a back view.

However, it was this back view that made Qin Yu widen his eyes!

It was because this person was extremely familiar to Qin Yu. That sense of familiarity that pounced on him made Qin Yu nearly tremble!

He raised his head and suddenly looked at Wan gu qiong, saying, “Only the back view?”

“Yes. It’s already very rare to have a back view.”Wan Gu Qiong spread his hands and said.

Qin Yu’s expression was extremely complicated. The shock on his face made Wan Gu Qiong rather puzzled.

“What’s wrong with you?”Wan Gu Qiong asked in puzzlement.

Qin Yu shook his head and tried his best to ease his emotions, saying, “I’m fine.”

Wan Gu Qiong en said tentatively, “If there’s a chance, you can go to my house and take a look.”

“Okay.”Qin Yu quickly nodded.

He went back to the sofa and sat down, a little absent-minded. Xiao Yuan handed Qin Yu a bottle of wine, but Qin Yu ignored him.

Qin Yu’s heart was full of shock.

The reason was because the portrait of the Guardian was too similar to his father. It was too similar!

“Could it be... that the Dao Protector is my father ?”Qin Yu muttered softly.

If that was really the case, Qin Yu did not know whether to be happy or sad.

He was happy that his father was still alive. He was sad that he had never come to visit him.

“It’s really lively today. Even though it’s snowing heavily, it can’t stop everyone’s enthusiasm,”Kong Yun said to Qin Yu.

Qin Yu nodded to him and said perfunctorily, “Yes.”

Kong yun continued, “Qin Yu, my father has something to say about you. What do you think ?”

“Your father? The famous Kong Luo ?”Qin Yu was stunned.

“Yes. Although I don’t know why, my father mentioned it.”Kong Yun nodded slightly.

Qin Yu was silent for a moment.

If he wanted to officially declare war with the Jingdu Martial Arts Association, he would need the support of these people.

After thinking about it, qin yu agreed, “Okay, but it will take some time.”

“No worries, you can decide the time.”Kong Yun waved his hand.

“Okay.”Qin Yu nodded and agreed.

“TSK TSK, the fourth young master of Jingdu is here.”At this moment, Kong Yun couldn’t help but snort softly.

Looking over, he saw four beautifully dressed young men walk in.

“What is the fourth young master of Jingdu ?”Qin Yu asked, somewhat puzzled.

“It’s a group of self-righteous people that the famous second generation of the rich in Jingdu gave themselves a title,”Kong Yun said coldly.

Kong Yun seemed to be very disgusted at the mention of the fourth young master of Jingdu.

Qin Yu smiled and said, “Why ? Have they offended you before ?”

“That’s not it. I just can’t stand their attitude,”Kong Yun said.

“These people don’t even look at martial artists like us. If it weren’t for the rule of law, I would have killed them long ago.”

Qin Yu smiled helplessly. He didn't care much about these people, nor was he interested.

As long as they didn't provoke him, he didn't care what they thought.

As more and more people came, many martial artists also gathered at Qin Yu's table.

Everyone was chatting fervently, and most of the discussions were related to martial arts.

Qin Yu saw that the time was right, so he said, "Everyone, do you know where you can get top-notch herbs? Or what path?"

"Top-notch herbs?" Yao Meng continued.

Qin Yu grunted and said, "The older the better. If it's more than ten thousand years old, that would be the best."

"Herbs that are more than ten thousand years old are a little difficult. Any one of them is enough to attract all the major factions," someone said.

"That's right. Even the major worlds don't have many of them."

"Those are life-saving items. Any one of those ten-thousand-year-old herbs might not be able to bring people back to life, but it should be enough."

Qin Yu could not help but sigh slightly when he heard this.

It seemed that it was not so easy to find ten-thousand-year-old herbs.

"Qin Yu, you can go and try the exchange meeting," said Wan Gu Qiong at this moment.

“Exchange meeting? What is that?” Qin Yu asked in puzzlement.

Wan Gu Qiong looked at everyone and said, “Now that the secret realm is public, I have no need to hide it from everyone.”

Everyone looked at Wan Gu Qiong in unison, waiting for him to continue.

Wan Gu Qiong said, “There are many secret realms in this world, and those who have secret realms are mostly martial arts aristocratic families that have been around for countless years. Generally speaking, their heritage is extremely strong.”

“For the current world, ten-thousand-year-old herbs are indeed extremely rare, but for secret realms, although ten-thousand-year-old herbs are equally precious, they are not irreplaceable.”

“If you have any top-notch treasures, perhaps you can take them to the exchange meeting and use them to exchange.”

Before Qin Yu could say anything, Xiao Yuan, who was at the side, asked, “Then where is this exchange meeting? And how should we participate?”

Wan Gu Qiong smiled, “I won’t lie to you. The exchange meet is organized by the aristocratic families of the various secret realms, and our Wan family is one of the organizers.”

“As for the location of the exchange meet, it is naturally in a secret realm.”

“After all, the exchange meet has a lot of treasures and comes from a secret realm, so there aren’t many spots. I only have four. As for how to distribute them, I haven’t thought it through.”

Xiao Yuan smiled faintly and said, “Brother Wan, there’s no need to keep us in suspense. Just tell us, how can we exchange for a spot?”

Wan Gu Qiong glanced at everyone and said, “I, Wan Gu Qiong, am not a philanthropist. If I want a spot, I naturally have to exchange it with a babe.”

“Whoever brings enough treasures will be able to obtain a spot. Everyone will compete fairly.”

Everyone fell into silence, but their hearts were filled with madness.

Ever since the appearance of the mystic realm, the resources of the various martial families seemed to be quite scarce.

“When is the exact time?”Qin Yu asked.

Wan Gu Qiong smiled faintly and said, “Three days later. Three days later, we will set off.”

Upon hearing this, everyone said, “Alright. Within three days, we will definitely present the treasures.”

Qin Yu was also secretly calculating in his heart.

Treasures? Although he had quite a number of them, it seemed that not many of them were capable of making a move.

And the opponents they were facing were all the top princes of the various aristocratic families. They definitely had quite a number of babe in their hands.

“Brother Qin, can we talk in private?” At this moment, Wan Gu Qiong suddenly walked to Qin Yu’s side.

Qin Yu did not refuse. He followed behind Wan Gu Qiong and walked to the side.

Wan Gu Qiong said with a faint smile, “Brother Qin, you definitely want to get a spot, right?”

Qin Yu didn’t hide it and said with a bitter smile, “Who wouldn’t want to get a spot like this?”

Wan Gu Qiong said indifferently, “Actually, you have a babe on you that is enough to attract me. As long as you are willing to take it out, not to mention a spot, I can even give you a ten-thousand-year-old herb.”

Qin Yu’s eyes narrowed slightly, and his face instantly turned cold.

He had already guessed what Wan Gu Qiong wanted.

Chapter 837: Chapter 837, I’ m even more terrifying!

“Forget it, I don’t want that so-called quota anymore,” Qin Yu said coldly.

However, Wan Guqiong didn’t give up.

He grabbed Qin Yu's arm and said, "Brother Qin, I promise you that our Wan family will never do anything to Miss Yan. We will only borrow a little of her blood."

"I said, No." Qin Yu shook off Wan Guqiong and turned to leave.

At this moment, Wan Guqiong's face turned cold.

"Qin Yu, I have always been very polite to you, but you don't put our Wan family in your eyes," Wan Guqiong said coldly.

Qin Yu looked at Wan guqiong and said, "I won't let anyone hurt Yan Ruoxue."

At this moment, Wan guqiong tore off his seemingly polite mask.

He looked at Qin Yu coldly and said, "Qin Yu, let me tell you, you can't protect Yan Ruoxue by yourself! In the future, not only our Wan family will keep an eye on him, countless Wan families will appear!"

Qin Yu's expression also became colder and colder.

"Then let's give it a try," Qin Yu said coldly.

After saying this, Qin Yu turned around and prepared to leave.

At this time, Wan guqiong shouted from behind, "Qin Yu, I also told you that our Wan family will definitely take Yan Ruoxue! If you are sensible, then take the initiative to hand her over. Our Wan family will still remember your favor!"

Hearing this, Qin Yu's footsteps immediately stopped.

He couldn't help but feel that it was somewhat funny.

Back when Yan Ruoxue was imprisoned in the Jingdu martial arts association, these so-called martial arts aristocratic families didn't even dare to fart.

No one had ever dared to target Yan Ruoxue. They only had evil intentions, but they didn't have the guts to do so.

But ever since Qin Yu brought Yan Ruoxue out, these people seemed to have gone crazy, desperately trying to get Yan Ruoxue.

It was simply laughable.

Wasn't it obvious that they bullied the weak and feared the strong?

Qin Yu turned around and looked at the Wan Guqiong in front of him, and couldn't help but sigh slightly.

"You... You think I'm easy to bully, right?" Qin Yu shook his head.

Wan guqiong frowned slightly and said, "What do you mean?"

Qin Yu said in a deep voice, "You think that compared to the Jingdu Martial Arts Association, I'm easy to bully, right?"

"You don't dare to provoke the JINGDU martial arts association, but you dare to provoke me, right?"

Wan guqiong's expression froze, and then he laughed loudly. "What nonsense are you talking about! Qin Yu, did I not make myself clear just now? Yan Ruoxue, I..."

"Bang!"

Wan guqiong had not finished speaking when a fist smashed into his mouth!

This punch came too suddenly, and even Wan Guqiong didn't have time to react.

His entire body was sent flying, and he spat out a molar in his mouth!

The sudden change immediately attracted the attention of countless people.

Everyone looked over in unison, their eyes filled with shock.

“Wan guqiong, did I give you too much face?” Qin Yu said coldly.

Wan Gu Qiong got up from the ground. He wiped the corner of his mouth and said angrily, “Qin Yu, you dare to fight with me? !”

Qin Yu said coldly, “So what if I beat you?”

As he spoke, Qin Yu walked toward Wan Gu Qiong step by step.

The overbearing aura from his body made people not dare to approach him. Everyone unconsciously made way for him.

“Mr. Qin, Why?” At this moment, Yao Meng hurriedly walked over and blocked Qin Yu.

Qin Yu looked at Yao Meng coldly and said, “You are still Ruoxue's friend, yet you helped a person like Wan guqiong to scheme against her!”

Yao Meng frowned and said, “What do you mean?”

“Stop pretending. I don’t believe that you don’t know that Wan Guqiong is thinking about Yan Ruoxue,”Qin Yu said coldly.

Wan Gu Qiong, who was not far away, shouted, “Qin Yu! Didn’t you want to participate in the exchange meeting? Let me tell you, with me here, you can’t go to this exchange meeting!”

“At the same time, I also tell you that there will definitely be ten-thousand-year-old herbs in this exchange meeting, and not just one!”

“But you will never have the chance!”

“The moment your martial saint’s power disappears, it will be the moment you die!”

Qin Yu narrowed his eyes and said, “Before that, I can kill you first!”

After he finished speaking, Qin Yu strode towards the Wan Gu Qiong!

Yao Meng tried to stop him, but Qin Yu’s terrifying gaze made her stop in her tracks.

“Brother Qin, please give me some face!”

At this moment, Zhuang Teng walked over quickly.

Qin Yu said coldly, “What, are you going to protect him too?”

Zhuang Teng shook his head and said, “Brother Qin, you’ve misunderstood. Let’s talk in private.”

He brought Qin Yu to the side and said in a low voice, “Brother Qin, I’m not helping him. It’s just that today’s occasion is not suitable to make a move.”

Zhuang Teng pointed to the crowd and said, “Among these people, besides martial artists, there are also the rich second generation of Jingdu and the official descendants. If you fight here, who can protect you?”

Qin Yu frowned slightly.

What Zhuang Teng said seemed to make sense.

If he accidentally hurt someone else, it would probably be a troublesome matter today.

“Brother Qin, no matter what grudges you have, We’ll talk about it later.”Zhuang Teng patted Qin Yu’s shoulder.

Qin Yu took a deep breath. He forcefully suppressed the anger in his heart and said, “Okay, I promise you.”

Although he said so, Qin Yu still walked in the direction of the Wan Gu Qiong.

“Brother Qin, you...”Zhuang Teng opened his mouth, not knowing what to do for a moment.

Qin Yu smiled and said, “Don’t worry, I just want to say a few words to him.”

Then, Qin Yu Strode in front of Wan Gu Qiong.

He looked coldly at Wan gu qiong and said, “Wan Gu Qiong, let me tell you something. The Jingdu martial arts association is not to be trifled with, and I am not to be trifled with either.”

“I will use my actions to tell you that offending me is even more terrifying than offending the Jingdu Martial Arts Association.”

Qin Yu’s cold eyes stared at Wan guqiong.

Wan guqiong only felt a chill on his back. For a moment, he was actually frightened by this gaze!

By the time he recovered his senses, Qin Yu had already walked far away.

Wan guqiong wiped the sweat from his forehead and gritted his teeth. “No, I must think of a way to kill him!”

At this moment, Wan Guqiong felt fear!

This kind of uneasiness made Wan guqiong extremely fearful.

He even felt that if Qin Yu didn’t die, he would definitely bring disaster to the Wan family in the future!

“I have to think of a way... to kill him...”Wan guqiong thought to himself.

His eyes rolled as if he had thought of a countermeasure.

“Brother Wan, how are you? Are You Hurt?”Someone walked over and asked fawningly.

Wan guqiong shook his head. He looked at Zhuang Teng and said, "I have something to do, so I'll take my leave first."

After saying this, Wan Guqiong left quickly.

Chapter 838: Chapter 838, the Holy Land of cultivation

Qin Yu didn't stay any longer.

On his way back, all he could think about was how to protect Yan Ruoxue.

After careful consideration, Qin Yu roughly knew what his problem was.

The biggest problem was that he didn't have enough deterrence.

Although Qin Yu destroyed two sects in one go abroad, no one in the country knew.

Only by increasing his own deterrence, would no one dare to provoke him.

Just like the Jingdu Martial Arts Association, even if they did not possess great battle prowess, no one would dare to provoke them.

Thinking up to this point, a trace of viciousness flashed across Qin Yu's eyes.

"The mystic realm... . Should not be under the Yan country's jurisdiction, right?" Qin Yu's eyes narrowed as he muttered in a low voice.

Since that was the case, then he would make a move against the mystic realm.

Slaughtering a mystical realm to show the world that I, Qin Yu, am even more terrifying than the martial arts association in Jingdu!

... . .

In a certain clubhouse in Jingdu.

This clubhouse was extremely high end and was different from ordinary clubhouses. Their facilities were indoors, but they had created an outdoor scene.

The surrounding rockery and fake water, made it seem as if it was real. Sitting in this clubhouse, it really felt like a paradise.

At this moment, in a pavilion in the clubhouse.

Wan Gu Qiong was sitting there brewing tea.

Opposite him was a middle-aged man.

The man's strength couldn't be considered strong. He was only in the middle stage of the Martial Marquis Realm, but his aura was extraordinary. No one dared to ignore him.

"Gu Qiong, why are you looking for me?" The middle-aged man asked.

Wan Gu Qiong smiled faintly and said, "Uncle Le, have some tea first."

The man called Uncle Le nodded slightly.

After drinking a few mouthfuls of tea, Wan Gu Qiong finally opened his mouth.

He said in a deep voice, “Uncle Le, the replacement meeting will be held in a few days. Our Wan family and your Yue family are both part of the organizers. As for the quota, it’s up to you and me.”

Uncle Le nodded slightly and said, “En, what’s the matter?”

Wan guqiong said in a deep voice, “I want you to help me invite someone.”

“Invite someone? Who?” Uncle le frowned slightly.

A cold light flashed in Wan Guqiong’s eyes.

He said coldly, “Qin Yu.”

Uncle le frowned slightly and said, “Is it the recently famous Qin Yu?”

“That’s right.” Wan guqiong nodded.

Uncle le smiled and said, “Why didn’t you invite him personally? I think your relationship with him might be closer, right?”

Wan guqiong sighed and told Uncle Le what happened.

“I have already said that I will never let him participate in this exchange meeting. If I invite him now, it will easily arouse suspicion.” Wan guqiong shook his head and said.

This immediately made uncle Le even more confused.

He frowned and said, “Gu Qiong, according to what you said, there should be enmity between you and him. If that’s the case, why did you still invite him into the exchange meeting?”

When he heard these words, a trace of viciousness instantly flashed across Wan Gu Qiong’s eyes.

“Because... I want to kill him!”Wan Gu Qiong said coldly.

“Martial saints are not allowed to appear in this world. However, without a martial saint, it is impossible to kill Qin Yu.”

“As long as I can trick him into the secret realm, I will ask a martial saint to make a move and kill him directly!”

Uncle Le suddenly came to a realization.

“For a Qin Yu, you want to ask a martial saint to make a move?”Uncle Le asked in surprise.

Wan Gu Qiong nodded and said, “Yes, we must not give him any chance to escape.”

“Uncle Le, as long as you help me, I will definitely remember your kindness!”

Uncle Le was silent for a moment, then he nodded and said, “Okay, I’ll agree to it.”

Wan guqiong picked up the Teacup in his hand and said with a smile, “Then thank you very much, Uncle Le.”

The two of them raised their cups and drank together, reaching an agreement.

On the other side, Qin Yu knew nothing about this.

After he returned to the martial arts academy, he was thinking about how to plunder resources.

This exchange meet was indeed a good choice, but Qin Yu had no chance to step into it.

“Treasures...”Qin Yu muttered in a low voice.

After careful calculation, Qin Yu had quite a number of treasures in his hands.

Qin Yu had a large number of heaven rank magic artifacts that he had seized from the pavilion of heavenly secrets.

But the most precious things were the pill formulas and heaven rank magic arts that Qin Yu controlled!

These were all left behind by his father, and their value was immeasurable.

“If I can enter this exchange meeting, I think I have a very high chance of obtaining ten-thousand-year-old herbs,”Qin Yu muttered in a low voice.

However, Qin Yu quickly lost his spirit.

After offending the Wan Gu Qiong, it was probably impossible for him to enter this exchange meeting.

At this moment, someone suddenly walked in from outside.

“Qin Yu, the President summoned us to the square for a meeting.”

After saying this, he hurriedly ran away.

“A meeting?” Qin Yu frowned slightly.

He didn't think much and immediately stood up and walked towards the square.

Along the way to the square, he saw that many students had already gathered here.

Xia Hang and Gu Xinghe stood at the front.

“Qin Yu!”

At this time, Chang Mang suddenly patted Qin Yu's shoulder from behind.

Seeing Chang Mang, Qin Yu said with some surprise, “You're back?”

Chang mang grunted and said, “I just finished dealing with the matters at home and rushed back.”

Then, Chang Mang asked, “How have you been recently? Did Anything Happen?”

“No.” Qin Yu patted Chang Mang's shoulder.

Chang Mang swept his gaze over these young masters from Jingdu and said with a cold snort, “I will make these people disappear from this world sooner or later!”

Just as the two of them were chatting, Xia hang coughed on the stage.

He swept his gaze over the crowd and said lightly, “Next, I want to announce two important decisions.”

“This decision will be made by Gu Xinghe and young master Gu.”

Following that, Xia hang took out a document.

He held the document and read it out, “According to the Yan country’s official request, the Jingdu Martial Arts Association is willing to guide the development of martial arts... .”

He had said a lot of official words earlier, but they were basically all nonsense.

“Now, we have decided to expand the enrollment of the martial arts academy to a hundred people!”

“Secondly, we will begin the second trip to the mystic realm, and the time will be one month later.”

These two decisions immediately caused an uproar.

The second trip to the secret realm? The JINGDU martial arts association was actually going to throw out the second secret realm?

“Haha, I’m Really Lucky. The moment I returned, I caught up with the second trip to the secret realm,” Chang Mang said with a laugh.

Qin Yu was also somewhat surprised, but his instincts told him that the Jingdu martial arts association seemed to be plotting something.

Qin Yu frowned slightly. For a moment, he could not figure out what the Jingdu Martial Arts Association was planning.

“What’s Wrong?” Chang Mang could not help but ask when he saw this.

Qin Yu shook his head and said, “Nothing.”

“In half a month’s time... my martial saint’s power will just disappear,” Qin Yu muttered in a low voice.

Could it be that they wanted to use this opportunity to get rid of him?

Or could it be that they were afraid that he would completely disappear in half a month’s time? Was that why they used the secret realm as bait?

The possibility was very high!

“This trip to the secret realm will be one of the most important secret realms of the Jingdu Martial Arts Association. It will be called a Holy Land of cultivation internally.. I hope that everyone will cherish this opportunity,” Xia hang continued.

Chapter 839: Chapter 839, the invitation to the exchange meeting

Hearing this, Qin Yu immediately became even more suspicious.

Even so, the conditions offered by the Jingdu Martial Arts Association were indeed tempting.

Since it was called a Holy Land of cultivation, it was naturally a place with extremely dense qi/spiritual energy. It was a perfect opportunity for cultivation.

“One month...” Qin Yu muttered in a low voice.

“If I can break through within this one month, everything will be solved easily.”

At that time, Qin Yu could also use this opportunity to establish his authority.

After the meeting ended, Chang Mang pulled Qin Yu along, planning to find a place to drink.

Qin Yu could not delay it any longer. In addition, they had not seen each other for a long time, so he agreed.

As soon as the two of them arrived at the restaurant, Qin Yu had just sat down when two people walked over from the door.

These two people were powerful, and their internal Qi was not ordinary. They walked like dragons and tigers, and at a glance, it was obvious that they were not ordinary people.

They walked straight to Qin Yu’s table and said politely, “May I ask if you are Mr. Qin Yu?”

Qin Yu nodded and said, “Who are you people?”

“My name is Le Xian, and everyone calls me uncle Le.”

The person who came was none other than uncle Le.

Qin Yu frowned and said, “I don’t think I know you, right?”

Le Xian smiled faintly and said, “You don’t know me, but I have heard a lot about you.”

Qin Yu said in a deep voice, "If you have something to say, just say it. There's no need to be polite."

Le Xian glanced at Chang Mang and then said with a smile, "Can we talk in private?"

Qin Yu shook his head and said, "There's no need. He's one of us. If you have something to say, just say it."

Seeing this, Le Xian simply sat down.

"Let's drink together?" Chang Mang poured a glass of wine for Le Xian.

Le Xian did not stand on ceremony. He emptied the glass in his hand and said with a smile, "Qin Yu, I'm here for the exchange meeting."

"Exchange meeting?" Upon hearing this, Qin Yu's pupils constricted!

"That's right. The exchange meeting will be held in the mystic realm three days later, and we are one of the organizers of the exchange meeting," Le Xian said with a smile.

Qin Yu narrowed his eyes slightly and said, "What's your relationship with the ancient jade?"

Le Xian said in surprise, "Ancient Jade? The Wan family is also one of the organizers. Could it be that he has already invited you?"

"No." Qin Yu shook his head.

Le Xian patted his chest and said, "That's good. I came here this time to invite you to join the exchange meeting."

“Invite me?” Qin Yu raised his eyebrows and couldn’t help but feel like laughing.

“Mr. LE, as far as I know, there seems to be a limited number of spots in this exchange meeting. It’s not easy to get a spot.”

“Now that you have taken the initiative to invite me, I have to doubt your purpose.”

When Le Xian heard this, he couldn’t help but laugh, “Mr. Qin, aren’t You a little too nervous?”

“The purpose of the exchange meeting is to make money and obtain resources. We naturally hope that more outstanding people will participate.”

“In this way, we can also obtain more profits.”

“We have also heard of Mr. Qin’s deeds. You are an elder of the Divine Alchemist Pavilion and hold the sky-reaching pill formula in your hands.”

“Therefore, you are a rare talent for our exchange meeting. We naturally hope that you can participate.”

Qin Yu frowned slightly.

He touched his chin and felt that what Le Xian said seemed to make sense.

“What do you think, Mr. Qin?” Le Xian said with a smile.

Chang Mang could not help but mutter, “What is the exchange meeting? Why are you still participating in the Mystic Realm?”

Le Xian ignored Chang Mang and stared at Qin Yu. He said with a smile, “Mr. Qin, please give me an answer as soon as possible. If you are not willing to participate, we can only choose someone else.”

“Of course I am willing,” Qin Yu said with a smile.

“But... I have offended the Wan Gu Qiong. He said that he would never let me participate in the exchange meeting.”

Le Xian smiled and said, “Don’t worry about that. We and the Wan family do not come from the same mystic realm. He can not represent our Yue family.”

Qin Yu Thought for a moment, stood up and said, “Thank you, Mr. Le.”

Le Xian also quickly stood up and said, “I should be the one thanking you.”

The two shook hands, and then Le Xian said, “Then I won’t bother you anymore. See You in three days.”

“Okay.” Qin Yu nodded and agreed.

The two left their contact details, and Le Xian left.

After Le Xian left, Chang Mang couldn’t help but ask, “What exactly is this displacement meeting?”

Qin Yu pondered for a moment and immediately explained to Chang Mang.

Chang Mang was confused by what he heard. In the end, he waved his hand and said, “Forget it, I can’t be bothered with him. Come, drink!”

This meal of wine lasted until midnight. Chang Mang was probably drunk from being happy.

However, Qin Yu was not drunk at all. His mind was full of thoughts about what had happened recently.

First, it was the trip to the secret realm of the Jingdu Martial Arts Association. Now, Le Xian had taken the initiative to invite Qin Yu into the exchange meet.

Everything seemed to have gone too smoothly, so smoothly that it made people feel a little strange.

After Qin Yu sent Chang Mang back, he went straight back to the mansion with the handlebar moustache.

Qin Yu did not sleep the whole night.

No matter how he thought about it, he felt that it was strange, but he could not find any loopholes in the matter.

The next morning, Qin Yu got up from the bed.

He sat on the bed and stroked his chin. He was still carefully combing through the recent events, trying to find any loopholes.

At this moment, there was a knock on the door from outside.

When the door opened, he saw Yao Meng standing at the door.

When he saw Yao Meng, Qin Yu's face instantly turned cold.

“What are you doing here?” Qin Yu asked with a cold face.

Yao Meng bit her lips and said, “Qin Yu, if I said that I never knew the purpose of the Wan Gu Qiong, would you believe me?”

“What do you think?” Qin Yu sneered.

“Everyone knows what Yan Ruoxue’s body means. How could you not know?”

Yao Meng explained, “The first thing Wan Gu Qiong told me was that he wanted to protect Yan Ruoxue! He said that he had always admired the Yan family and old Mister Yan, so he wanted to protect Yan Ruoxue!”

“Moreover, I asked my father for help. I asked him to help and go to the JINGDU martial arts association to ask for her.”

“Because I was rejected, I believed Wan Guqiong...”

Hearing this, Qin Yu frowned slightly.

“Is what you said true?” Qin Yu asked in confusion.

Yao Meng hurriedly nodded and said, “It’s absolutely true! If you don’t believe me, I can use my cultivation to swear!”

Seeing this, Qin Yu’s expression softened slightly.

“Come in, I just have something to ask you,” Qin Yu said.

After welcoming Yao Meng into the room, Qin Yu went straight to the point and asked, “Let me ask you, is it true about the exchange meeting?”

“En, I heard my father mention it before. It shouldn’t be fake,” Yao Meng nodded and said.

Qin Yu touched his chin and said, “I have a question. The ones holding the exchange meeting are several aristocratic families from the mystic realm, right?”

“Mm.” Yao Meng continued to nod.

“Then.... are these aristocratic families on good terms?” Qin Yu asked.

Chapter 840: Chapter 840, two martial saints!

Yao Meng said in a low voice, “Yes, since they have jointly organized the exchange meeting, of course they know each other.”

“But... as for whether their relationship is good or not, I can’t say for sure. To be more precise, there is no distinction between good and bad relationships.”

“What do you mean?” Qin Yu asked.

Yao Meng explained, “To the various aristocratic families, they are more concerned about their interests.”

“Furthermore, there are only so many resources in the world. Even the resources in the secret realm are simply plundered from the human world.”

“Hence, although the various aristocratic families appear calm on the surface, in reality, they are secretly competing with each other.”

Qin Yu narrowed his eyes and sneered, “In other words, as long as the interests are sufficient, they will also become enemies?”

“That’s right, it’s the same for any aristocratic family.” Yao Meng nodded.

“I understand.” Qin Yu nodded.

“Qin Yu, if you really want to join the Exchange Association, I can help you to get a spot. Take it as an apology to you.” Yao Meng stood up and said.

Qin Yu smiled and said, “That’s not necessary. As long as you don’t think about Yan Ruoxue, that’s enough.”

Yao Meng smiled bitterly and said, “Why would I think about Ruoxue...”

“Alright, if there’s nothing else, I won’t keep you any longer. I still have something to do,” Qin Yu stood up and said.

After sending Yao Meng away, Qin Yu took out his cell phone and gave Le Xian a call.

After the call was connected, Qin Yu said, “Mr. Le, I have something I want to talk to you about in person. Just the two of us.”

Le Xian hesitated for a moment, but finally agreed.

...

This conversation lasted for a whole day.

Qin Yu went out in the morning and didn’t come back until evening.

For the next two days, Qin Yu didn’t go out.

He prepared countless treasures in the martial arts academy to deal with this exchange meeting.

In the blink of an eye, the day to go to the exchange meeting arrived.

Early that morning, Qin Yu stood at the entrance of the Martial Arts Academy, waiting for Le Xian.

Ten minutes later, a Mercedes-benz commercial car stopped at the entrance.

“Mr. Qin, please get in the car,” Le Xian said with a smile.

Qin Yu nodded slightly at him, then got into the car.

The car drove slowly, and in the blink of an eye, it drove out of Jingdu, and then came to a remote and deserted place.

At this moment, there were already many people standing here.

Among them, Yao Meng, Zhuang Teng, and Kong Yun were all here.

Other than them, there were also a few old men that Qin Yu didn't recognize.

They looked like Immortals and possessed an extraordinary temperament. They were probably masters who specialized in a certain aspect.

After Qin Yu got out of the car, he walked in the direction of Yao Meng and the others.

“Qin Yu?” Everyone was a little surprised when they saw Qin Yu.

Wan guqiong took a step forward and sneered, “What are you doing here? Didn’t I say that I won’t give you a spot?”

“I invited him here,” Le Xian said from the side.

Wan guqiong immediately put on an act and said, “Uncle Le, What do you mean? This kid has a grudge against me.”

Le Xian smiled faintly and said, “He has a grudge against you, but he doesn’t have a grudge against me. Qin Yu is a top-tier alchemist, so he naturally has the right to participate in the exchange meeting.”

Wan guqiong snorted lightly, but there was a hint of excitement hidden in his displeased expression.

“Qin Yu, how do you know Le Xian?” Yao Meng said with some surprise.

Qin Yu said perfunctorily, “He came to find me. Before this, I didn’t know him.”

“TSK TSK, awesome,” Kong Yun said in a low voice.

Qin Yu didn’t say anything more. He closed his eyes slightly and waited quietly for the opening of the mystic realm.

About half an hour later, a light suddenly flashed in front of everyone.

Then, an exit suddenly appeared.

Two men walked out of the mystic realm.

“Just these people?” Looking at the few people in front of them, these two people seemed to be a little surprised.

Wan Gu Qiong nodded and said, “En, this is the first exchange meeting after all, so the number of people participating isn’t too many.”

The two people didn’t say anything more and immediately agreed. Then, they said, “Alright, follow me in.”

A group of people followed behind the two of them and strode into the mystic realm.

The moment they stepped into the mystic realm, the entrance also disappeared.

As soon as they entered the internal Qi realm, waves of strange aura assaulted them.

This aura didn’t seem like internal Qi. Instead, it seemed like a rotten smell.

“What’s that smell?” Qin Yu wasn’t the only one who noticed this strange smell. The others also felt the same.

Wan Gu Qiong glanced at them and said, “This is an abandoned internal Qi realm. Let alone resources, it doesn’t have any SH * T.”

“After all, you are outsiders. Who can guarantee that you won’t harbor any ill intentions?”

These words naturally aroused the dissatisfaction of the crowd. Kong Yun snorted coldly and said, “Are all of you from the secret realm so superior?”

Wan Gu Qiong glanced at Kong Yun and didn’t say anything.

Although they were from the secret realm, they didn't want to provoke these rich children in the secular world.

“The replacement will be held in three hours. The location is the palace in front,” said Wan Gu Qiong as she pointed ahead.

“You can go and prepare.”

The group didn't say anything else and just walked towards the palace.

The group arrived at the palace.

The palace was also dilapidated and there were broken walls everywhere.

Just as Wan Gu Qiong said, this mystic realm was completely abandoned. Not to mention the Qi/spiritual energy, even the trees were almost withered.

At this moment, many people had set up stalls in this palace to replace each other.

“These people, are they all from the Mystic Realm?” Qin Yu asked in puzzlement.

Yao Meng nodded slightly and said, “They should be.”

At a glance, there were at least dozens of people present.

Such a huge number indeed made Qin Yu feel a little surprised.

“There are actually so many secret realms in this world?” Qin Yu frowned and asked.

Yao Meng explained, “Actually, secret realms are not as mysterious as you think. Many people shuttle between secret realms and the human world. Some people even treat secret realms as their homes.”

Qin Yu nodded to show his understanding.

Then, Qin Yu released his spiritual sense.

Soon, he discovered two strange auras!

This aura was exactly the same as the one Qin Yu had encountered in the second internal Qi realm!

“Martial saint? !” A trace of uneasiness flashed across Qin Yu’s face.

Wan Gu Qiong sneered, “You sensed it? Since you’re already here, I’m not afraid to tell you that our wan family has dispatched two martial saints!”

“Do you really think that Le Xian has taken a fancy to your talent? What a joke! That’s just my scheme. My goal is to trick you into the mystic realm and get rid of you!”

Chapter 841: Chapter 841, Wan Gu Qiong made his move!

Wan Gu Qiong’s face was ice-cold and gloating. His expression was completely different from his previous elegant and gentlemanly demeanor.

“As expected.” Qin Yu’s eyes narrowed slightly.

Just as Qin Yu had thought, this Le Xian was really found by Wan Gu Qiong.

“Qin Yu, now that the exit of this mystic realm has been closed, you can just wait here to die!”Wan Gu Qiong laughed loudly.

Qin Yu said coldly, “Wan Gu Qiong, the day I step into the martial saint realm will be the day your Wan family is destroyed.”

“Haha, you won’t have that chance.”Wan Gu Qiong threw out these words and walked to the side.

Zhuang Teng, who was at the side, walked forward and said, “Brother Qin, it’s better not to provoke Wan Gu Qiong here. If you really can’t do it, you can apologize to him. Whatever conditions he wants, you can temporarily agree to it and escape first.”

Qin Yu bowed slightly to Zhuang Teng and said, “Thank you.”

After saying that, Qin Yu walked to the square and found a place to sit down.

He took out the treasures he had prepared long ago from the spatial divine artifact, as well as a plate.

On the plate were a few words: all items are exchanged with ten-thousand-year-old herbs.

After that, Qin Yu closed his eyes slightly.

In front of Qin Yu, there were heaven rank spells and heaven rank pill formulas. Each of them could be considered top-notch.

Qin Yu sat there quietly waiting for the start of the exchange meeting.

This exchange meeting was held for the first time, so there were not many people participating, but the quality was extremely high.

Among these people, almost all of them were from top aristocratic families, so the treasures in their hands were naturally countless.

Qin Yu released his spiritual sense to cover his surroundings.

Soon, he found many herbs.

These herbs could be considered top-notch. Among them, there were at least three ten-thousand-year-old herbs.

If he could get these three ten-thousand-year-old herbs, then Qin Yu could directly go into closed-door cultivation.

Of course, this was simply impossible. If he could get one, he would be burning incense.

Time flew by, and soon, the exchange session began.

When someone passed by Qin Yu's stall, they would bend down and carefully observe it.

“Divine Buddha Thousand Hands? This is a heaven rank high-tier spell. I wonder if my artifact can be exchanged with yours?” Someone walked forward and said.

Qin Yu shook his head. He pointed at the sign and said, “I only want ten-thousand-year-old herbs. I'm sorry.”

“What a pity.” The other party shook his head and walked to the side regretfully.

“Divine pill formula? Heaven Rank Pill Formula? Friend, I have an eight-thousand-year-old herb in my hand. I wonder if I can exchange it with you?” Another person walked forward and said.

Qin Yu still shook his head and said, "I'm sorry. I only want ten-thousand-year-old herbs."

The other party's face was full of regret, but he still walked to the side obediently.

Countless people passed by, but unfortunately, none of them had ten-thousand-year-old herbs.

In the blink of an eye, three hours had passed.

It was already noon, but Qin Yu didn't find anything.

However, he wasn't in a hurry. After all, it wasn't that easy to obtain ten-thousand-year-old herbs.

"Qin Yu, why are you so obsessed with ten-thousand-year-old herbs?" At this moment, Kong Yun walked over from not far away and sat beside Qin Yu.

"10,000-year-old herbs are extremely precious. For our cultivation, most of us would choose herbs that are around 5,000 years old. That is the most cost-effective herb."

Qin Yu glanced at Kong Yun and said perfunctorily, "Maybe I am more stubborn and have obsessive-compulsive disorder."

Of course, this was not what Qin Yu was thinking. The reason why he did not choose herbs that were around 5,000 years old was because 5,000-year-old herbs were no longer of any use to Qin Yu.

Right now, Qin Yu could only choose herbs that were more than 10,000 years old.

Time passed in the blink of an eye from morning to afternoon, but unfortunately, there were still no 10,000-year-old herbs to inquire about.

“TSK TSK, you have even taken out the cosmic form?” At this moment, someone walked over.

Looking up, the person who spoke was an old man.

This person looked calm, but one could still sense that he was not ordinary. The person who spoke was an old man with internal Qi.

“Do you know the Wuji Dharma Idol?” Qin Yu asked.

The old man narrowed his eyes and said, “The Wuji Dharma Idol is not a simple earth-heaven rank spell. As far as I know, it was once used by the Dao Protector. Where did you get it?”

“This has nothing to do with you.” Qin Yu closed his eyes again.

The old man smiled faintly and said, “Do you know that if you take out the Wuji Dharma Idol, you might be killed?”

Qin Yu glanced at the old man and said indifferently, “Since I dare to take it out, I’m not afraid of being targeted.”

“What big words.” A trace of surprise flashed across the old man’s face.

Qin Yu ignored him and closed his eyes again.

This exchange would last for three whole days, so Qin Yu was not in a hurry.

If he really could not get the ten-thousand-year-old herbs, Qin Yu could only admit defeat.

The sky gradually darkened, and the number of people in the exchange hall began to decrease.

Qin Yu couldn't help but sigh slightly.

It seemed that it was impossible to get the ten-thousand-year-old herbs today.

Just as Qin Yu was about to pack up his stall and leave, a change of circumstances appeared.

A girl walked over from not far away. This person was dressed luxuriously and had a fairy-like appearance.

She walked directly to Qin Yu, then stared at Qin Yu's sign and muttered, "Only ten-thousand-year-old herbs..."

After saying that, she looked at Qin Yu and said, "Can ten-thousand-year-old herbs be exchanged for all the things in your stall?"

Qin Yu opened his eyes and said, "If you have them, yes."

The girl stared at the things in the stall and muttered softly, "There are many things in this stall. A ten-thousand-year-old herb should not be a loss..."

Thinking of this, she actually took out a ginseng from the spatial god tool and handed it to Qin Yu.

"I want these things!" The girl said excitedly.

Qin Yu looked closely. What she was holding in her hand was actually a ten-thousand-year-old herb!

“Okay, the things are all yours.” Qin Yu hurriedly stretched out his hand, wanting to take the ginseng.

But at this moment, a palm reached out and slapped Qin Yu’s wrist.

His strength was extremely great, and he directly slapped Qin Yu’s hand to the side.

Looking Up, he saw an old man coldly looking at Qin Yu.

Qin Yu frowned and coldly said, “What do you mean?”

“Nothing much. Seeing you lie, I don’t like it. Why?” The old man sneered.

Before he finished his words, he saw Wan Gu Qiong walking over from not far away.

“Young Master Wan.” After the old man saw Wan Gu Qiong, he immediately bowed slightly.

Qin Yu’s expression turned cold as he said, “Wan Gu Qiong? Is this one of yours?”

Wan Gu Qiong sneered, “Qin Yu, I’ve already let you live for another day. How are you going to thank me?”

As he spoke, another old man appeared beside him.

These two old men stood in front of him, and their bodies emitted a terrifying internal QI.

“Martial saint? !” Qin Yu’s expression could not help but change.

Although both of them had restrained their internal Qi, that powerful pressure still allowed Qin Yu to quickly see through their realms!

Chapter 842: Chapter 842, betrayal!

Two Martial Saints blocked Qin Yu’s path.

The oppressive aura emanating from their bodies caused one’s entire body to tremble.

Qin Yu furrowed his brows tightly. He stood up from the ground and looked coldly at Wan Gu Qiong as he said, “You can’t wait anymore?”

Wan Gu Qiong laughed loudly and said, “I’ve already let you live for an entire day. You should be thanking me.”

“Qin Yu, I can still give you a chance now. Hand over Yan Ruoxue and I’ll let you go.” Wan guqiong said lightly.

Qin Yu said coldly, “Do you think it’s possible?”

Wan guqiong’s face darkened and he said coldly, “Then don’t blame me for being rude. I’ll slowly search for her after I’ve killed you!”

Then, Wan Guqiong took a step back and waved his hand, indicating for the two martial saints to make a move.

“Stop!”

At this moment, Yao Meng ran over in a hurry.

She pulled Wan Guqiong and said with a frown, “Wan guqiong, even if Qin Yu doesn’t agree with you, you wouldn’t have the intention to kill him, right?”

Wan guqiong glanced at Yao Meng and said, “Yao Meng, there’s nothing for you to do here. Get out of the way.”

Yao Meng said with a cold face, “I won’t allow you to make a move against Qin Yu.”

Wan guqiong’s face instantly turned extremely cold.

“You’ve only known this Qin Yu for a few days. Why? Are you going to fall out with me because of him now?” Wan guqiong berated.

Yao Meng shook her head and said, “I’m not doing it for him. I’m doing it for Yan Ruoxue.”

“I’m slowly thinking clearly now. The reason why you approached me back then was because of Yan Ruoxue, right?”

Wan Guqiong was stunned for a moment, then he laughed out loud, “That’s right! To tell you the truth, I’ve known about Yan Ruoxue’s special bloodline many years ago!”

“Since you’ve discovered it, I might as well tell you everything!”

“The first person I targeted was Yan Ruoxue!”

“I once tried to woo Yan Ruoxue and wanted to use this method to bring her to the Wan family, but I didn’t expect that she, Yan Ruoxue, wouldn’t fall for it at all! Instead, she gave me a hard time!”

Speaking up to this point, Wan Guqiong's face was full of anger.

He gnashed his teeth and said, "I, Wan guqiong, want to have status, status, and looks, but I was belittled by her, Yan Ruoxue, to the point of being worthless. She made me feel embarrassed! I will always remember this grudge!"

As soon as these words came out, Yao Meng was instantly dumbfounded.

She never thought that Wan guqiong would actually try to woo Yan Ruoxue!

"I did not expect that Yan Ruoxue, who is known as an ice beauty, would fall in love with an unknown village boy. hahaha!"

Wan guqiong was so angry that he laughed and his voice was deafening.

Wan guqiong took a deep breath and sneered, "Of course, I don't really love her. It's just for her bloodline."

"If I was not afraid of Emperor Yan, I would have taken her back to the Mystic Realm!"

"It's also because of this that I slowly approached you and tried to win your trust so that I could take Yan Ruoxue away..."

Yao Meng's expression was extremely unsightly. She glared angrily at Wan guqiong and berated, "You're really a despicable person!"

Wan guqiong snorted coldly and said, "A woman is a woman. The thoughts in your mind will always be some of the most insignificant emotions."

“Those who achieve great things have long cast their emotions out of the clouds!”

Saying this, Wan Gu Qiong looked coldly at Yao Meng and said, “Yao Meng, get out of the way immediately. Otherwise, don’t blame me for being impolite!”

Yao Meng’s internal Qi was also rapidly rising.

She looked coldly at Wan Gu Qiong and said, “You can try!”

“You’re courting death!” Wan Gu Qiong was instantly furious. He immediately stretched out his hand and grabbed towards Yao Meng in the air!

Yao Meng wasn’t afraid at all. She raised her jade-like hand and lightly welcomed it.

“Boom!”

A loud sound immediately spread out!

That terrifying force spread out in all directions like water ripples with the two of them as the center!

“Deng Deng Deng!”

In the next second, Wan Gu Qiong took a few steps back and spat out a mouthful of blood!

Yao Meng, on the other hand, didn’t move at all. Her delicate face was filled with coldness.

Wan Gu Qiong's face couldn't help but change. He gritted his teeth and said, "Yao Meng, you actually dared to hurt me! Do you really think I don't dare to kill you?!"

"Do You Think You're my match?" Yao Meng wasn't afraid at all.

Wan Gu Qiong's face flushed red and he was actually speechless for a moment.

Qin Yu, who was at the side, couldn't help but be slightly surprised.

Although the two of them had only exchanged a single move, the difference in strength between them was extremely obvious.

Yao Meng's strength was most likely not weaker than Yan Jinyao!

"Both of you, attack immediately and kill Qin Yu!" Wan Gu Qiong looked at the two martial saints.

The two of them immediately nodded and walked towards Qin Yu with large strides.

In front of the martial saints, not to mention Yao Meng, even Qin Yu would not be able to retaliate at all!

The martial saint raised his hand and a wave of terrifying internal Qi immediately rushed towards Yao Meng!

Yao Meng attempted to attack, but she realized that her body seemed to have been frozen and she could not move!

Qin Yu gritted his teeth and roared furiously. He raised his Golden Fist in an instant!

Green veins popped up on Qin Yu's forehead as he roared furiously. His fierce fist carried an undefeatable stance as it smashed forward in a mighty manner!

However, the expected collision did not happen! That martial saint only raised his hand and Qin Yu's strength was immediately dissipated!

"You don't know whether you're Dead or Alive." One of the martial saints snorted coldly. He waved his large hand and the enormous force sent Qin Yu flying!

With just a casual palm strike, Qin Yu's many hands and bones were shattered! His internal organs were also impacted!

Qin Yu crawled up from the ground. He wiped the blood from the corner of his mouth and said in a low voice, "As expected of a martial saint. They are not on the same level at all..."

Even with the power of a martial saint, Qin Yu was completely no match for him!

No wonder the dao protectors did not allow the martial saint to appear! With their strength, they were probably able to withstand a hot weapon!

"Kid, it's time for you to die." Wan Gu Qiong said viciously.

That martial saint walked towards Qin Yu and raised his palm lightly.

Just as his palm was about to strike Qin Yu's body, a voice suddenly sounded!

"Stop!"

After a stern shout, Yue Xian walked over quickly.

There were also two martial saints beside him!

When Wan Gu Qiong saw Yue Xian, he immediately frowned.

“Uncle Le? What do you mean?” Wan Gu Qiong frowned and asked.

Le Xian smiled faintly and said, “Gu Qiong, let’s call it a day.”

“Call it a day? Uncle Le, are you mistaken?” Wan Gu Qiong said with a cold face.

Le Xian smiled and said, “I invited Qin Yu here. Of course, I have to take responsibility for his safety. Gu Qiong, you understand.”

Wan Gu Qiong’s pupils shrunk and he said with a cold face, “Uncle Le, have you forgotten our agreement? I asked you to trick him into killing him!”

Chapter 843: Chapter 843, the Great Dao was abnormal

Le Xian immediately pretended to be terrified and said, “Gu Qiong, although we are very close, if you speak nonsense, I will still sue you for slander.”

“You!” Wan Gu Qiong immediately flew into a rage!

He glared at Le Xian and said coldly, “Uncle Le, aren’t you going overboard?”

“I’m protecting my guest, what’s so overboard about that?” Le Xian pretended to be innocent.

At this moment, Wan Gu Qiong also understood.

He couldn't help but sneer, "Le Xian, what benefits did Qin Yu give you? Why did you protect him?"

"What benefits? It's just my duty," Le Xian said with a faint smile.

Wan Gu Qiong didn't say anything for a moment, but just looked at Le Xian coldly.

A moment later, Wan Gu Qiong took a deep breath and said, "Le Xian, no matter what benefits he promised you, you will definitely regret it!"

"Hehe, is that so? Then there's no need for young master wan to Worry." Le Xian said with a smile.

Wan guqiong walked directly to Qin Yu and said coldly, "Qin Yu, you're good. You actually turned Le Xian. I really underestimated you."

Qin Yu said indifferently, "Such a simple trick, do you think I can't See Through It?"

"Alright." Wan Gu Qiong nodded.

"Although I can't kill you, I'll tell you clearly that you won't get anything from the exchange! If you don't believe me, we'll just wait and See!"

After saying that, he turned to look at the girl and said coldly, "Keep your herbs well and don't exchange with her. Otherwise, I'll expel you from the Exchange!"

The girl didn't dare to say anything and nodded carefully.

After the ancient jade left, Qin Yu looked at Le Xian and said, "Thank you, Mr. Le."

Le Xian said expressionlessly, "There's no need to thank me. Don't forget what you promised me."

After saying that, Le Xian turned around and left.

After he left, Yao Meng said in surprise, "What did you promise him? He would rather offend the ancient jade to help you?"

Qin Yu didn't hide anything. He said in a low voice, "This Le Xian is not a good person. He also covets Yan Ruoxue's bloodline..."

"So you... ?" A trace of shock flashed across Yao Meng's face.

Qin Yu nodded and said, "I promised to give him a strand of Yan Ruoxue's bloodline."

"You... you really will give him a strand of Yan Ruoxue's Bloodline?" Yao Meng couldn't help but swallow her saliva.

Qin Yu sneered and said, "Of course it's fake. Anyone who covets Yan Ruoxue's bloodline is my enemy. They all deserve to F * cking die!"

"Since they are my enemies, I deserve to lie to them!"

Yao Meng opened her mouth, not knowing whether to laugh or cry.

She never thought that Qin Yu would not only lie to the Wan Gu Qiong, but also lie to Le Xian!

"Miss Yao, please keep this matter a secret," Qin Yu said.

Yao Meng nodded and said, "It's necessary to keep it a secret, but... Wan Gu Qiong said that you won't get anything from this exchange."

"With his ability, I believe that he is not talking nonsense."

Qin Yu could not help but sigh and said, "I have no other choice. I can only take it one step at a time."

At this moment, Yao Meng suddenly suggested, "How about this, you give me your things and I'll help you exchange them?"

Qin Yu raised his eyebrows. This was a good idea!

However, Qin Yu, who was suspicious by nature, was a little worried.

However, after thinking about it, Qin Yu had already told Yao Meng about lying to Yue Xian. What else could he not believe?

"Okay, then thank you, Miss Yao. If this matter is done, I will always remember your kindness," Qin Yu bowed and said.

"You're welcome. I'm doing this for Ruoxue," Yao Meng said with a smile.

Qin Yu immediately handed over all his things to Yao Meng.

The current Qin Yu could only place his hopes on Yao Meng.

...

The next day.

Qin Yu came to the exchange meeting again. As usual, he put up the sign and waited for people to come to his door.

Unfortunately, no one paid attention to Qin Yu's stall for the whole morning.

At this time, Wan Guqiong walked over from not far away.

He sneered and said, "How about it? Does anyone want to trade with you?"

Qin Yu glanced at him and snorted coldly, "Don't be complacent for too long. I'll let you know the price of offending me."

"Hahaha! You should understand the price of offending me now, right?" Wan guqiong asked back.

Qin Yu couldn't be bothered with Wan guqiong.

He put away his stall, turned around, and left.

Since no one came to replace him, there was no point for Qin Yu to stay here.

He turned around and walked out of the palace.

This was an abandoned mystic realm. In addition to this incomplete palace, there was also a large piece of desolate land.

When he stepped into the mystic realm, Qin Yu felt the strangeness of this mystic realm.

Not a single blade of grass grew in the entire mystic realm. That strange smell made people feel extremely uncomfortable.

And for Marquis Wu, there were very few reasons that could make them feel uncomfortable.

Because Marquis Wu cultivated in Qi/spiritual energy, most of the reasons that made them feel uncomfortable were yin energy, which was the opposite of Qi/spiritual energy.

Qin Yu scanned his surroundings and said in a low voice, “This scene of decline should be caused by Yin Energy.”

Even though that was the case, Qin Yu could not smell a single trace of yin energy.

Qin Yu scanned his surroundings and sniffed his nose, trying to find the source of this strange smell.

Unfortunately, Qin Yu spent more than half a day but still could not find the source of that strange internal Qi.

This internal Qi seemed to come from all directions and had no source at all.

“Strange.” Qin Yu could not help but frown slightly.

He rose into the air and looked down at the large mystic realm.

At the same time, Qin Yu closed his eyes and began to deduce the Heaven’s secrets!

Since the Heaven’s secrets could find places with rich qi/spiritual energy, then reverse thinking could naturally find yin energy!

As long as there was yin energy, the Qi/spiritual energy would be extremely weak, or even empty!

Therefore, as long as Qin Yu relied on the Heaven's secrets to find places where the Qi/spiritual energy was scarce, it was very likely that he would find Yin Energy!

Qin Yu closed his eyes slightly and felt the Great Dao.

At this moment, the inner scenery appeared in front of Qin Yu again.

In the inner scenery, the threads of light were extremely dim.

This was one of the reasons why this place was declining.

Qin Yu was constantly looking for the Great Dao anomalies in the inner scenery.

Very soon, Qin Yu found the extra Great Dao anomalies.

These anomalies in the Great Dao all originated from the palace. It was probably because someone was carrying 10,000-year-old herbs.

“HMM?”

At this moment, Qin Yu saw a trace of inconspicuous gray darkness in the Great Dao.

This gray darkness was completely different from the light in the Great Dao!

Qin Yu suddenly opened his eyes and found the location shown in the Great Dao.

“It should be there.” Qin Yu looked in a direction and said in a low voice.

He didn't waste any time and immediately rushed toward the direction shown on the main road.

Chapter 844: Chapter 844, the Martial Saint had attacked again!

This secret realm was not very big, so Qin Yu did not spend much time. Soon, he arrived at the location shown on the main road.

He scanned his surroundings and found that this place was indeed even more desolate.

Not to mention the trees, even the rocks had been weathered. It was like a desert.

Qin Yu squatted down and imitated the handlebar mustache. He slowly rubbed the ground and felt every inch of the ground.

This was a big project. Because it was extremely meticulous, if one was absent-minded for even a moment, they might not notice the abnormality, so it would take a long time.

At this moment, in a room on the side of the palace.

Wan Gu Qiong's face was gloomy.

The two elders beside him did not say a word, waiting for Wan Gu Qiong's order.

“Damn it! Let that Qin Yu go just like that!” Wan Gu Qiong gritted his teeth and said.

The old man beside him said, “How did this kid offend you to make you lose your temper?”

Wan Gu Qiong glanced at him and sighed, “I don’t have such a small tolerance. The reason why I wanted to kill him was because I felt a sense of danger from him.”

“A sense of danger?” The old man beside him could not help but feel a little surprised.

Wan Gu Qiong nodded and said, “Yes, if we let this kid step into the Martial Saint Realm, I’m afraid no one in our secret realm would be able to stop him!”

“And based on my understanding of him, he will definitely destroy the entire Wan family!”

The old man at the side could not help but laugh and said, “Young Master Wan, aren’t You worrying too much? The current era can no longer produce a martial saint. Don’t you know that?”

Wan Gu Qiong said coldly, “But there are rumors that he will break this deadlock.”

“Many people have already predicted that next year, the era where the martial saint does not appear will change.”

Once these words were said, the two martial saints still did not take it seriously.

“So what if he has become a martial saint? He is only a new martial saint. It is not difficult to kill him.”

Wan Gu Qiong shook his head and said, “No, this child is not normal.”

“When he has become a martial marquis, he was almost invincible in the Martial Marquis realm. Once he has become a martial saint, God knows what will happen.”

After hearing Wan Gu Qiong’s words, the two old men said, “If you want to kill him, there are many ways. So what if he, Le Xian, protects him? I don’t believe that he can send two martial saints to follow him at all times.”

Wan Gu Qiong frowned and said, “But... it’s not a wise choice to completely break with the Le family.”

“Young Master Wan, Le Xian doesn’t put the Wan family in his eyes. Why should we show him Mercy?”

“What’s more, he kuan, the Le family can’t have a falling out with the Wan family over a dead person, right?”

These words reminded Wan Gu Qiong.

He rubbed his chin and said in a low voice, “What you said makes sense! Immediately find Qin Yu’s location and kill him!”

“No problem.”The two martial saints nodded and then went to the palace.

However, after searching the palace, they did not find Qin Yu’s figure.

“HMPH, let’s see where you can run to.”One of the martial saints snorted coldly.

Before he had finished speaking, he released his spiritual sense and searched for Qin Yu’s figure.

As a martial saint, his spiritual sense was extremely powerful. It could almost cover the entire mystic realm!

Therefore, he quickly found Qin Yu's location.

"There." That old man stretched out his hand and pointed in a certain direction.

Wan Gu Qiong said coldly, "Let's go and find him!"

...

At this moment, Qin Yu was still stroking the ground.

He slightly closed his eyes, feeling every inch of the ground's abnormality.

Qin Yu was completely unaware that danger was approaching.

"HM?"

At this moment, Qin Yu's brows raised.

A cold feeling came from his palm.

Qin Yu didn't think too much and hurriedly stood up. His hand formed a golden light and smashed towards the ground.

"Boom!"

With a punch, dust rose up in the surroundings!

The ground suddenly sank into the ground!

A huge round plate suddenly appeared in front of Qin Yu!

The round plate was engraved with dense runes. Other than that, there were also a few pieces of paper that looked like seals on it!

“This is... a seal?” A trace of surprise flashed across Qin Yu’s face.

What exactly was this disc sealing?

Could It Be Yin Energy?

“Damn, it can’t be that it’s sealing some monster...” Qin Yu muttered softly.

If it was sealing a guardian that looked like two male corpses, then it would be troublesome.

At that time, everyone would probably die here.

“Damn it, I don’t Care!” Qin Yu gritted his teeth.

Who cares what it is? I’ll unseal it first!

“Qin Yu, you actually came here!”

At this moment, a voice came from behind Qin Yu.

He turned around and saw Wan Gu Qiong and the two martial saints looking at him coldly.

A bad premonition instantly flashed across Qin Yu’s heart.

“Wan Gu Qiong, what are you doing here?” Qin Yu pretended to be calm as he asked.

Wan Gu Qiong sneered and said, “Why? Didn’t Yue Xian send someone to follow you?”

Qin Yu remained silent as a trace of vigilance flashed across his face.

“Hahaha! I thought Yue Xian was really going to protect you. Why did he disappear after just one meeting?” Wan Gu Qiong sneered.

Qin Yu said coldly, “What on earth do you want to Do?”

“What do you want to Do? Of course, I want to kill you!” Wan Gu Qiong said with a cold expression.

At this moment, those two martial saints stepped forward!

Qin Yu inwardly cursed in his heart, and his expression instantly became extremely unsightly!

Facing two martial saints, let alone winning, he didn’t even have the chance to fight back!

“Damn it!” Qin Yu cursed in his heart as he turned his head to look at the circular plate.

Just now, Qin Yu was still worried that there was some kind of monster sealed within this circular plate. At this moment, Qin Yu was hoping that there really was some terrifying existence sealed within!

Thinking of this, Qin Yu hurriedly threw a punch towards the disc!

“Boom!”

With a punch, the disc suddenly exploded!

Following that, a ray of light flew out from the disc and floated in mid-air!

At a glance, one could only see a golden core-like bead floating in the air.

Along with it, there was also a trace of yin qi.

“Damn it! It’s not a monster!”Qin Yu immediately felt that things were not good!

Wan Gu Qiong was also attracted by this pearl. He asked with some doubt, “What is this thing?”

“Young Master Wan, kill this kid first and then slowly study it,”a martial saint said.

“Okay, let’s do it!”Wan Gu Qiong said coldly.

That martial saint did not waste any more time and immediately rushed towards Qin Yu.

Chapter 845: Chapter 845: Suppressed Internal Qi!

The martial saint’s internal Qi was extremely powerful. It was not something Qin Yu could contend against!

However, Qin Yu could not just sit there and wait for his death when he faced the martial saint who was approaching him.

“Internal Qi!”He roared furiously and the internal Qi in his entire body exploded to the extreme. Then, he punched out fiercely and met the attack head-on!

“Boom!”

The scene instantly collapsed as Qin Yu’s physical body was sent flying!

A mouthful of blood flowed out from his mouth, and his body revealed his sparkling white bones!

Qin Yu flipped over and jumped up from the ground.

He looked at the wounds on his body and could not help but frown as he said, “As expected of a martial saint, he’s actually so powerful...”

Qin Yu was not the only one who was shocked. The two martial saints not far away and Wan Gu Qiong also widened their eyes.

“He didn’t die?” The old man who had attacked could not help but widen his eyes.

Wan Gu Qiong said in a deep voice, “Did you see it? This kid is not simple. He took a strike from a martial saint at the level of a martial marquis. This is definitely not something an ordinary martial marquis can do.”

That old man also nodded slightly and said, “That’s right. From the looks of it, he does have to die.”

Qin Yu looked at these two martial saints coldly and the worry in his heart grew stronger.

He raised his head and glanced at the light hovering in mid-air. He could not help but frown slightly.

The light seemed to be emitting waves of icy cold qi.

This internal Qi was spreading extremely quickly and almost instantly covered the entire area.

Not only that, that cold internal Qi was also spreading rapidly to the surrounding area.

“Yin qi?” Qin Yu quickly made a judgment!

Perhaps, this yin qi was the one that was sealed on the circular plate!

All the yin qi gathered at that point, but now it was spreading rapidly.

“Yin Heart?” Qin Yu muttered in a low voice and suddenly thought of a noun.

He had seen this noun when he was watching the history of the masked woman’s martial arts in the Scripture Pavilion.

It was said that when all the Yin Qi was gathered at one point and condensed to the extreme, it would form a yin heart.

The Yin Qi contained in the Yin Heart was extremely pure. It was the yin qi that was gathered from the battlefield!

“If it really is the yin heart, I might still be saved today.” Qin Yu muttered in a low voice.

“What are you mumbling about?” In front, the martial saint said coldly.

“Qin Yu, can you withstand the first punch and the second?”

Qin Yu narrowed his eyes slightly and said with a cold smile, “How would I know if I don’t try?”

“Hahaha!” This martial saint immediately burst into laughter.

“I admit that you are somewhat extraordinary, but it’s not a good thing to be overly confident!”

Before he had finished speaking, that martial saint charged towards Qin Yu once again!

He held onto the radiance in his hand and ruthlessly smashed it towards Qin Yu from above!

Qin Yu did not dare to be negligent. He roared furiously and clenched his fist to meet it head on!

“Boom!”

At the instant of the collision, Qin Yu was sent flying once again!

His bones had shattered once again. However, to everyone’s surprise, Qin Yu was still not dead. Even his internal Qi had not weakened!

“How could this be?”The few people present frowned.

The martial saint who had attacked looked at his own fist with suspicion.

“That’s strange. Even if this kid’s body is strong, it’s impossible for him to take two of my punches.”The martial saint muttered in a low voice.

Qin Yu shouted, “I’m not dead yet, come again!”

That martial saint seemed to have been angered by Qin Yu’s attitude.

His expression was gloomy as he said with a cold tone, “You’re courting death!”

That martial saint took another step forward and raised his hand to throw another punch!

With this punch, Qin Yu was forced back eight steps!

This undoubtedly infuriated that martial saint even more!

He did not say a word as he threw another punch!

This time, Qin Yu took six steps back!

For the third punch, Qin Yu took four steps back.

For the fourth punch, Qin Yu only took two steps back!

“Hahahaha!” This could not help but make Qin Yu burst out laughing.

“Old Thing, it seems that you are only so-so. If you want to kill me today, I’m afraid you won’t have the chance!” Qin Yu laughed loudly.

Meanwhile, the martial saint’s expression had already turned extremely ugly. A layer of secret sweat appeared on his forehead as if he was extremely anxious.

“How could his physical body be so tyrannical?” Wan Gu Qiong gritted his teeth and said with some unwillingness.

“That’s not right.” That martial saint shook his head.

“This has nothing to do with his physical body. It’s my strength... that is continuously being reduced!”

After his reminder, the other martial saint seemed to have sensed it as well.

He tried to move the Qi flowing through his meridians, but he discovered that the internal Qi seemed to have been frozen and was flowing at an extremely slow speed.

Moreover, this speed was continuously decreasing as if it was going to freeze completely at any moment!

“As expected!”Wan Gu Qiong also noticed the abnormality!

Qin Yu narrowed his eyes and said, “The heavens are really helping me. I’m afraid it won’t be that easy for you to kill me today.”

These two martial saints ignored Qin Yu. They quickly raised their heads and looked at the Yin Xin that was suspended in the air.

“Could it be because of that thing?”One of the Martial Saints asked.

“Yin qi, this secret realm is filled with yin qi!”The other martial saint said hurriedly.

What they cultivated was all qi/spiritual energy, which was contrary to yin qi.

Now that the entire secret realm was covered with yin qi, this also caused their internal Qi to be completely suppressed!

“If I’m not wrong, the internal Qi in your bodies is completely useless now.”At this moment, Qin Yu who was not far away said lightly.

Just as Qin Yu had said, these two martial saints tried to use their internal Qi and realized that they had been completely suppressed.

“In this case... you can only rely on your physical bodies, right?”Qin Yu grinned and revealed a mouthful of white teeth.

If it was just his physical body, Qin Yu was not afraid of a martial saint at all!

Qin Yu's body was not inferior to a martial saint's at all!

Not only that, Qin Yu could still use his internal Qi!

Although his internal Qi was also somewhat suppressed, it was not as serious as theirs!

“Now, it's my turn, right?” Qin Yu squinted his eyes and said.

“Kid, don't be arrogant for too long. So what if you can only rely on your physical body? We are at the martial saint stage. We are definitely not someone a martial marquis like you can compare to!” One of the martial saints shouted.

Qin Yu raised his eyebrows and sneered, “Is that so? Then you guys can come and try.”

“Arrogant!” One of the martial saints shouted. He used his fierce physical body to clench his fist and rushed towards Qin Yu!

Qin Yu was not afraid at all.. Golden Light rose from his body and his fist contained an undefeatable power. He raised his hand to meet the incoming attack!

Chapter 846: Chapter 846: beating the Martial Saint!

Qin Yu's physical body was unrivalled. Even when facing a martial saint, he would not be at a disadvantage!

“Boom!”

The two fists collided at this moment. This was purely a physical confrontation without any internal Qi!

“Deng Deng Deng!”

Under this punch, that martial saint took a few steps back before he could stabilize his body!

His fist was in so much pain that it seemed like his bones were about to be shattered!

“How is this possible!” This could not help but cause people to be shocked!

Qin Yu’s physical body was actually stronger than a martial saint? !

One must know that he was only a martial Marquis Now! ! If he were to step into the martial saint realm, how terrifying would that be? !

“Impossible!” That martial saint was unwilling to accept this as he charged towards Qin Yu once again.

Qin Yu laughed coldly. He raised his palm and slapped out with a “PA” sound!

This slap was direct and that martial saint was sent flying. He spat out a mouthful of blood from his mouth!

“Hahahaha!”

When Qin Yu saw this, he could not help but burst into laughter.

“Is this what it feels like to beat a martial saint? Awesome, Awesome!”Qin Yu’s maniacal laughter was so loud that it made one’s ears hurt!

The other martial saint did not believe it and also rushed towards Qin Yu.

However, the result was not much better. He was sent flying by Qin Yu’s punch!

These people could not help but feel shocked!

Among them, the one who was most afraid was naturally wan gu Qiong.

If even two martial saints were suppressed by Qin Yu, then wouldn’t he, a martial marquis, be even more miserable?

“Not good, this kid’s physical body is extremely powerful. Just by relying on his physical body, we are not his match at all!”One of the Martial Saints said in shock.

“Quickly retreat! Run!”

The three of them made a prompt decision and ran!

“You want to run? Do you think I will let you escape?”Qin Yu laughed coldly.

His feet shook and he immediately chased after the three of them!

In front, the three of them fled frantically while Qin Yu chased closely behind them!

In a short while, they had escaped to the position of the palace.

For a moment, everyone raised their heads and looked at this strange scene.

“What’s going on?”

“Qin Yu... is chasing after two martial saints?”

“Damn, could it be that Qin Yu has also entered the Martial Saint Stage?”

Everyone was stunned by this scene!

Qin Yu, who had been threatened by two martial saints yesterday, why was it the other way around now? !

Hearing the discussions of the people below, these two martial saints could not help but turn livid and extremely furious.

But now they had no time to explain, because Qin Yu was right behind them!

“Stop, I’m going to confiscate your golden cores!” Qin Yu shouted from behind!

“No, as martial saints, if converted to the cultivation realm, you should be in the nascent Soul Realm, right? No, I have to confiscate your nascent souls and eat them!”

Qin Yu’s words were like a demon, causing people to be unable to help but tremble in fear!

The two martial saints fled frantically, but their speed was also suppressed.

Seeing Qin Yu getting closer and closer, San became even more panicked.

“What’s the situation?” At this moment, Le Xian could not help but walk out with a frown.

When he saw Le Xian, Wan Gu Qiong seemed to have grabbed onto a life-saving straw.

He shouted crazily, “Uncle Le, Save Us! Qin Yu is crazy! He wants to kill us!”

“Qin Yu wants to kill you? Are you kidding me?” Le Xian didn’t seem to understand the situation.

Wan Gu Qiong didn’t have the time to explain. he shouted anxiously, “Save Us, I can’t explain for a while. Uncle Le, Save Us!”

Le Xian frowned slightly. Although he didn’t understand the situation, he still took a step forward and blocked Qin Yu’s way.

“Qin Yu, what’s Going On?” Le Xian asked with a frown.

Qin Yu glanced at him and said, “None of your business. Get out of the way!”

Le Xian was stunned and could not help but say with anger, “Pay attention to the way you talk to Me!”

“I’ll pay attention to your grandpa! Get out of Here!” Qin Yu cursed.

Le Xian was completely enraged by Qin Yu and two martial saints walked out from beside him.

“Kid, how dare you talk to me like that? Do you believe me...”

“Get lost, or I will not recognize you with this slap!” Qin Yu rudely interrupted Le Xian’s words.

Le Xian immediately flew into a rage: “You are courting death! Teach him a lesson!”

“Alright.”

The two martial saints of the Le family quickly walked forward and looked at Qin Yu coldly.

“Kid, you...”

“Slap!”

Before the two of them could finish their words, Qin Yu had already sent them flying with a slap!

“Why are you talking so much nonsense!” Qin Yu could not help but say angrily.

When everyone saw this scene, they immediately swallowed their saliva!

This Qin Yu... sent the martial saints flying with a slap? What was going on?

Le Xian’s eyes also widened. He hurriedly rubbed his eyes as if he could not believe the scene before him.

Qin Yu could not be bothered with Le Xian anymore. He quickly walked forward and grabbed the two martial saints from the Wan family.

He picked up one of the martial saints with one hand and raised his hand to draw the bow from both sides.

For a moment, the sound of slapping could be heard continuously.

“You still want to kill me? Old Man, now you know how powerful I am, right?”

Qin Yu slapped their aged faces and cursed loudly.

Everyone was dumbstruck.

The so-called invincible martial saint was now being treated like this? !

After a round of violent beating, Qin Yu seemed to be tired.

He glared at the two martial saints and said, “I haven’t tried the martial saint’s primordial spirit yet. I think it will improve me tremendously.”

“Hand over your primordial spirit and I’ll spare your lives,” Qin Yu said coldly.

“Qin Yu, don’t even think about it!” The two men sneered.

“Under the suppression of this yin qi, we are indeed no match for you. However, I’m afraid you won’t be able to kill me!”

Just as they had said, as a martial marquis, it was indeed impossible for Qin Yu to kill a martial saint.

What was even more vexing was that with Qin Yu’s current realm, he had no way to forcefully extract their primordial spirits.

Moreover, their bodies had long since lost their golden cores. Even if Qin Yu shattered their dantian, he would have gained nothing.

“Damn it.”Qin Yu could not help but curse inwardly.

“Since I can’t kill you, then take out all of Your Babe!”Qin Yu cursed.

He grabbed the martial saint with one hand and rubbed his other hand on their bodies.

What Space Divine Weapon? What Martial Saint Weapon? All of them had been snatched away by Qin Yu.

After all of them had been snatched away, Qin Yu still did not seem to feel satisfied.

He rubbed his chin and muttered, “If I can’t kill you, it’s not bad to make you lose face.”

Thus, Qin Yu grabbed the two of them roughly and directly shattered their clothes.

“Run Naked for me!”Qin Yu cursed.

These two martial saints’faces immediately turned red and they were so angry that their bodies were trembling!

Martial Saints were invincible in this world. Wherever they went, they would be respected?

Now, they were stripped naked in front of so many people. This was worse than killing them!

My Rich Wife – Chapter 844 –

Chapter 844: Chapter 844, the Martial Saint had attacked again!

This secret realm was not very big, so Qin Yu did not spend much time. Soon, he arrived at the location shown on the main road.

He scanned his surroundings and found that this place was indeed even more desolate.

Not to mention the trees, even the rocks had been weathered. It was like a desert.

Qin Yu squatted down and imitated the handlebar mustache. He slowly rubbed the ground and felt every inch of the ground.

This was a big project. Because it was extremely meticulous, if one was absent-minded for even a moment, they might not notice the abnormality, so it would take a long time.

At this moment, in a room on the side of the palace.

Wan Gu Qiong's face was gloomy.

The two elders beside him did not say a word, waiting for Wan Gu Qiong's order.

“Damn it! Let that Qin Yu go just like that!” Wan Gu Qiong gritted his teeth and said.

The old man beside him said, “How did this kid offend you to make you lose your temper?”

Wan Gu Qiong glanced at him and sighed, “I don’t have such a small tolerance. The reason why I wanted to kill him was because I felt a sense of danger from him.”

“A sense of danger?” The old man beside him could not help but feel a little surprised.

Wan Gu Qiong nodded and said, “Yes, if we let this kid step into the Martial Saint Realm, I’m afraid no one in our secret realm would be able to stop him!”

“And based on my understanding of him, he will definitely destroy the entire Wan family!”

The old man at the side could not help but laugh and said, “Young Master Wan, aren’t You worrying too much? The current era can no longer produce a martial saint. Don’t you know that?”

Wan Gu Qiong said coldly, “But there are rumors that he will break this deadlock.”

“Many people have already predicted that next year, the era where the martial saint does not appear will change.”

Once these words were said, the two martial saints still did not take it seriously.

“So what if he has become a martial saint? He is only a new martial saint. It is not difficult to kill him.”

Wan Gu Qiong shook his head and said, “No, this child is not normal.”

“When he has become a martial marquis, he was almost invincible in the Martial Marquis realm. Once he has become a martial saint, God knows what will happen.”

After hearing Wan Gu Qiong’s words, the two old men said, “If you want to kill him, there are many ways. So what if he, Le Xian, protects him? I don’t believe that he can send two martial saints to follow him at all times.”

Wan Gu Qiong frowned and said, “But... it’s not a wise choice to completely break with the Le family.”

“Young Master Wan, Le Xian doesn’t put the Wan family in his eyes. Why should we show him Mercy?”

“What’s more, he kuan, the Le family can’t have a falling out with the Wan family over a dead person, right?”

These words reminded Wan Gu Qiong.

He rubbed his chin and said in a low voice, “What you said makes sense! Immediately find Qin Yu’s location and kill him!”

“No problem.”The two martial saints nodded and then went to the palace.

However, after searching the palace, they did not find Qin Yu’s figure.

“HMPH, let’s see where you can run to.”One of the martial saints snorted coldly.

Before he had finished speaking, he released his spiritual sense and searched for Qin Yu’s figure.

As a martial saint, his spiritual sense was extremely powerful. It could almost cover the entire mystic realm!

Therefore, he quickly found Qin Yu's location.

"There." That old man stretched out his hand and pointed in a certain direction.

Wan Gu Qiong said coldly, "Let's go and find him!"

...

At this moment, Qin Yu was still stroking the ground.

He slightly closed his eyes, feeling every inch of the ground's abnormality.

Qin Yu was completely unaware that danger was approaching.

"HM?"

At this moment, Qin Yu's brows raised.

A cold feeling came from his palm.

Qin Yu didn't think too much and hurriedly stood up. His hand formed a golden light and smashed towards the ground.

"Boom!"

With a punch, dust rose up in the surroundings!

The ground suddenly sank into the ground!

A huge round plate suddenly appeared in front of Qin Yu!

The round plate was engraved with dense runes. Other than that, there were also a few pieces of paper that looked like seals on it!

“This is... a seal?” A trace of surprise flashed across Qin Yu’s face.

What exactly was this disc sealing?

Could It Be Yin Energy?

“Damn, it can’t be that it’s sealing some monster...” Qin Yu muttered softly.

If it was sealing a guardian that looked like two male corpses, then it would be troublesome.

At that time, everyone would probably die here.

“Damn it, I don’t Care!” Qin Yu gritted his teeth.

Who cares what it is? I’ll unseal it first!

“Qin Yu, you actually came here!”

At this moment, a voice came from behind Qin Yu.

He turned around and saw Wan Gu Qiong and the two martial saints looking at him coldly.

A bad premonition instantly flashed across Qin Yu’s heart.

“Wan Gu Qiong, what are you doing here?” Qin Yu pretended to be calm as he asked.

Wan Gu Qiong sneered and said, “Why? Didn’t Yue Xian send someone to follow you?”

Qin Yu remained silent as a trace of vigilance flashed across his face.

“Hahaha! I thought Yue Xian was really going to protect you. Why did he disappear after just one meeting?” Wan Gu Qiong sneered.

Qin Yu said coldly, “What on earth do you want to Do?”

“What do you want to Do? Of course, I want to kill you!” Wan Gu Qiong said with a cold expression.

At this moment, those two martial saints stepped forward!

Qin Yu inwardly cursed in his heart, and his expression instantly became extremely unsightly!

Facing two martial saints, let alone winning, he didn’t even have the chance to fight back!

“Damn it!” Qin Yu cursed in his heart as he turned his head to look at the circular plate.

Just now, Qin Yu was still worried that there was some kind of monster sealed within this circular plate. At this moment, Qin Yu was hoping that there really was some terrifying existence sealed within!

Thinking of this, Qin Yu hurriedly threw a punch towards the disc!

“Boom!”

With a punch, the disc suddenly exploded!

Following that, a ray of light flew out from the disc and floated in mid-air!

At a glance, one could only see a golden core-like bead floating in the air.

Along with it, there was also a trace of yin qi.

“Damn it! It’s not a monster!”Qin Yu immediately felt that things were not good!

Wan Gu Qiong was also attracted by this pearl. He asked with some doubt, “What is this thing?”

“Young Master Wan, kill this kid first and then slowly study it,”a martial saint said.

“Okay, let’s do it!”Wan Gu Qiong said coldly.

That martial saint did not waste any more time and immediately rushed towards Qin Yu.

Chapter 845: Chapter 845: Suppressed Internal Qi!

The martial saint’s internal Qi was extremely powerful. It was not something Qin Yu could contend against!

However, Qin Yu could not just sit there and wait for his death when he faced the martial saint who was approaching him.

“Internal Qi!”He roared furiously and the internal Qi in his entire body exploded to the extreme. Then, he punched out fiercely and met the attack head-on!

“Boom!”

The scene instantly collapsed as Qin Yu’s physical body was sent flying!

A mouthful of blood flowed out from his mouth, and his body revealed his sparkling white bones!

Qin Yu flipped over and jumped up from the ground.

He looked at the wounds on his body and could not help but frown as he said, “As expected of a martial saint, he’s actually so powerful...”

Qin Yu was not the only one who was shocked. The two martial saints not far away and Wan Gu Qiong also widened their eyes.

“He didn’t die?” The old man who had attacked could not help but widen his eyes.

Wan Gu Qiong said in a deep voice, “Did you see it? This kid is not simple. He took a strike from a martial saint at the level of a martial marquis. This is definitely not something an ordinary martial marquis can do.”

That old man also nodded slightly and said, “That’s right. From the looks of it, he does have to die.”

Qin Yu looked at these two martial saints coldly and the worry in his heart grew stronger.

He raised his head and glanced at the light hovering in mid-air. He could not help but frown slightly.

The light seemed to be emitting waves of icy cold qi.

This internal Qi was spreading extremely quickly and almost instantly covered the entire area.

Not only that, that cold internal Qi was also spreading rapidly to the surrounding area.

“Yin qi?” Qin Yu quickly made a judgment!

Perhaps, this yin qi was the one that was sealed on the circular plate!

All the yin qi gathered at that point, but now it was spreading rapidly.

“Yin Heart?” Qin Yu muttered in a low voice and suddenly thought of a noun.

He had seen this noun when he was watching the history of the masked woman’s martial arts in the Scripture Pavilion.

It was said that when all the Yin Qi was gathered at one point and condensed to the extreme, it would form a yin heart.

The Yin Qi contained in the Yin Heart was extremely pure. It was the yin qi that was gathered from the battlefield!

“If it really is the yin heart, I might still be saved today.” Qin Yu muttered in a low voice.

“What are you mumbling about?” In front, the martial saint said coldly.

“Qin Yu, can you withstand the first punch and the second?”

Qin Yu narrowed his eyes slightly and said with a cold smile, “How would I know if I don’t try?”

“Hahaha!” This martial saint immediately burst into laughter.

“I admit that you are somewhat extraordinary, but it’s not a good thing to be overly confident!”

Before he had finished speaking, that martial saint charged towards Qin Yu once again!

He held onto the radiance in his hand and ruthlessly smashed it towards Qin Yu from above!

Qin Yu did not dare to be negligent. He roared furiously and clenched his fist to meet it head on!

“Boom!”

At the instant of the collision, Qin Yu was sent flying once again!

His bones had shattered once again. However, to everyone’s surprise, Qin Yu was still not dead. Even his internal Qi had not weakened!

“How could this be?”The few people present frowned.

The martial saint who had attacked looked at his own fist with suspicion.

“That’s strange. Even if this kid’s body is strong, it’s impossible for him to take two of my punches.”The martial saint muttered in a low voice.

Qin Yu shouted, “I’m not dead yet, come again!”

That martial saint seemed to have been angered by Qin Yu’s attitude.

His expression was gloomy as he said with a cold tone, “You’re courting death!”

That martial saint took another step forward and raised his hand to throw another punch!

With this punch, Qin Yu was forced back eight steps!

This undoubtedly infuriated that martial saint even more!

He did not say a word as he threw another punch!

This time, Qin Yu took six steps back!

For the third punch, Qin Yu took four steps back.

For the fourth punch, Qin Yu only took two steps back!

“Hahahaha!” This could not help but make Qin Yu burst out laughing.

“Old Thing, it seems that you are only so-so. If you want to kill me today, I’m afraid you won’t have the chance!” Qin Yu laughed loudly.

Meanwhile, the martial saint’s expression had already turned extremely ugly. A layer of secret sweat appeared on his forehead as if he was extremely anxious.

“How could his physical body be so tyrannical?” Wan Gu Qiong gritted his teeth and said with some unwillingness.

“That’s not right.” That martial saint shook his head.

“This has nothing to do with his physical body. It’s my strength... that is continuously being reduced!”

After his reminder, the other martial saint seemed to have sensed it as well.

He tried to move the Qi flowing through his meridians, but he discovered that the internal Qi seemed to have been frozen and was flowing at an extremely slow speed.

Moreover, this speed was continuously decreasing as if it was going to freeze completely at any moment!

“As expected!”Wan Gu Qiong also noticed the abnormality!

Qin Yu narrowed his eyes and said, “The heavens are really helping me. I’m afraid it won’t be that easy for you to kill me today.”

These two martial saints ignored Qin Yu. They quickly raised their heads and looked at the Yin Xin that was suspended in the air.

“Could it be because of that thing?”One of the Martial Saints asked.

“Yin qi, this secret realm is filled with yin qi!”The other martial saint said hurriedly.

What they cultivated was all qi/spiritual energy, which was contrary to yin qi.

Now that the entire secret realm was covered with yin qi, this also caused their internal Qi to be completely suppressed!

“If I’m not wrong, the internal Qi in your bodies is completely useless now.”At this moment, Qin Yu who was not far away said lightly.

Just as Qin Yu had said, these two martial saints tried to use their internal Qi and realized that they had been completely suppressed.

“In this case... you can only rely on your physical bodies, right?”Qin Yu grinned and revealed a mouthful of white teeth.

If it was just his physical body, Qin Yu was not afraid of a martial saint at all!

Qin Yu's body was not inferior to a martial saint's at all!

Not only that, Qin Yu could still use his internal Qi!

Although his internal Qi was also somewhat suppressed, it was not as serious as theirs!

“Now, it's my turn, right?” Qin Yu squinted his eyes and said.

“Kid, don't be arrogant for too long. So what if you can only rely on your physical body? We are at the martial saint stage. We are definitely not someone a martial marquis like you can compare to!” One of the martial saints shouted.

Qin Yu raised his eyebrows and sneered, “Is that so? Then you guys can come and try.”

“Arrogant!” One of the martial saints shouted. He used his fierce physical body to clench his fist and rushed towards Qin Yu!

Qin Yu was not afraid at all.. Golden Light rose from his body and his fist contained an undefeatable power. He raised his hand to meet the incoming attack!

Chapter 846: Chapter 846: beating the Martial Saint!

Qin Yu's physical body was unrivalled. Even when facing a martial saint, he would not be at a disadvantage!

“Boom!”

The two fists collided at this moment. This was purely a physical confrontation without any internal Qi!

“Deng Deng Deng!”

Under this punch, that martial saint took a few steps back before he could stabilize his body!

His fist was in so much pain that it seemed like his bones were about to be shattered!

“How is this possible!” This could not help but cause people to be shocked!

Qin Yu’s physical body was actually stronger than a martial saint? !

One must know that he was only a martial Marquis Now! ! If he were to step into the martial saint realm, how terrifying would that be? !

“Impossible!” That martial saint was unwilling to accept this as he charged towards Qin Yu once again.

Qin Yu laughed coldly. He raised his palm and slapped out with a “PA” sound!

This slap was direct and that martial saint was sent flying. He spat out a mouthful of blood from his mouth!

“Hahahaha!”

When Qin Yu saw this, he could not help but burst into laughter.

“Is this what it feels like to beat a martial saint? Awesome, Awesome!”Qin Yu’s maniacal laughter was so loud that it made one’s ears hurt!

The other martial saint did not believe it and also rushed towards Qin Yu.

However, the result was not much better. He was sent flying by Qin Yu’s punch!

These people could not help but feel shocked!

Among them, the one who was most afraid was naturally wan gu Qiong.

If even two martial saints were suppressed by Qin Yu, then wouldn’t he, a martial marquis, be even more miserable?

“Not good, this kid’s physical body is extremely powerful. Just by relying on his physical body, we are not his match at all!”One of the Martial Saints said in shock.

“Quickly retreat! Run!”

The three of them made a prompt decision and ran!

“You want to run? Do you think I will let you escape?”Qin Yu laughed coldly.

His feet shook and he immediately chased after the three of them!

In front, the three of them fled frantically while Qin Yu chased closely behind them!

In a short while, they had escaped to the position of the palace.

For a moment, everyone raised their heads and looked at this strange scene.

“What’s going on?”

“Qin Yu... is chasing after two martial saints?”

“Damn, could it be that Qin Yu has also entered the Martial Saint Stage?”

Everyone was stunned by this scene!

Qin Yu, who had been threatened by two martial saints yesterday, why was it the other way around now? !

Hearing the discussions of the people below, these two martial saints could not help but turn livid and extremely furious.

But now they had no time to explain, because Qin Yu was right behind them!

“Stop, I’m going to confiscate your golden cores!”Qin Yu shouted from behind!

“No, as martial saints, if converted to the cultivation realm, you should be in the nascent Soul Realm, right? No, I have to confiscate your nascent souls and eat them!”

Qin Yu’s words were like a demon, causing people to be unable to help but tremble in fear!

The two martial saints fled frantically, but their speed was also suppressed.

Seeing Qin Yu getting closer and closer, San became even more panicked.

“What’s the situation?” At this moment, Le Xian could not help but walk out with a frown.

When he saw Le Xian, Wan Gu Qiong seemed to have grabbed onto a life-saving straw.

He shouted crazily, “Uncle Le, Save Us! Qin Yu is crazy! He wants to kill us!”

“Qin Yu wants to kill you? Are you kidding me?” Le Xian didn’t seem to understand the situation.

Wan Gu Qiong didn’t have the time to explain. he shouted anxiously, “Save Us, I can’t explain for a while. Uncle Le, Save Us!”

Le Xian frowned slightly. Although he didn’t understand the situation, he still took a step forward and blocked Qin Yu’s way.

“Qin Yu, what’s Going On?” Le Xian asked with a frown.

Qin Yu glanced at him and said, “None of your business. Get out of the way!”

Le Xian was stunned and could not help but say with anger, “Pay attention to the way you talk to Me!”

“I’ll pay attention to your grandpa! Get out of Here!” Qin Yu cursed.

Le Xian was completely enraged by Qin Yu and two martial saints walked out from beside him.

“Kid, how dare you talk to me like that? Do you believe me...”

“Get lost, or I will not recognize you with this slap!” Qin Yu rudely interrupted Le Xian’s words.

Le Xian immediately flew into a rage: “You are courting death! Teach him a lesson!”

“Alright.”

The two martial saints of the Le family quickly walked forward and looked at Qin Yu coldly.

“Kid, you...”

“Slap!”

Before the two of them could finish their words, Qin Yu had already sent them flying with a slap!

“Why are you talking so much nonsense!” Qin Yu could not help but say angrily.

When everyone saw this scene, they immediately swallowed their saliva!

This Qin Yu... sent the martial saints flying with a slap? What was going on?

Le Xian’s eyes also widened. He hurriedly rubbed his eyes as if he could not believe the scene before him.

Qin Yu could not be bothered with Le Xian anymore. He quickly walked forward and grabbed the two martial saints from the Wan family.

He picked up one of the martial saints with one hand and raised his hand to draw the bow from both sides.

For a moment, the sound of slapping could be heard continuously.

“You still want to kill me? Old Man, now you know how powerful I am, right?”

Qin Yu slapped their aged faces and cursed loudly.

Everyone was dumbstruck.

The so-called invincible martial saint was now being treated like this? !

After a round of violent beating, Qin Yu seemed to be tired.

He glared at the two martial saints and said, “I haven’t tried the martial saint’s primordial spirit yet. I think it will improve me tremendously.”

“Hand over your primordial spirit and I’ll spare your lives,” Qin Yu said coldly.

“Qin Yu, don’t even think about it!” The two men sneered.

“Under the suppression of this yin qi, we are indeed no match for you. However, I’m afraid you won’t be able to kill me!”

Just as they had said, as a martial marquis, it was indeed impossible for Qin Yu to kill a martial saint.

What was even more vexing was that with Qin Yu’s current realm, he had no way to forcefully extract their primordial spirits.

Moreover, their bodies had long since lost their golden cores. Even if Qin Yu shattered their dantian, he would have gained nothing.

“Damn it.”Qin Yu could not help but curse inwardly.

“Since I can’t kill you, then take out all of Your Babe!”Qin Yu cursed.

He grabbed the martial saint with one hand and rubbed his other hand on their bodies.

What Space Divine Weapon? What Martial Saint Weapon? All of them had been snatched away by Qin Yu.

After all of them had been snatched away, Qin Yu still did not seem to feel satisfied.

He rubbed his chin and muttered, “If I can’t kill you, it’s not bad to make you lose face.”

Thus, Qin Yu grabbed the two of them roughly and directly shattered their clothes.

“Run Naked for me!”Qin Yu cursed.

These two martial saints’ faces immediately turned red and they were so angry that their bodies were trembling!

Martial Saints were invincible in this world. Wherever they went, they would be respected?

Now, they were stripped naked in front of so many people. This was worse than killing them!

Chapter 847: Chapter 847, returning with a full load!

Looking at the two naked martial saints, the surrounding people could not help but Snicker softly.

“Little Bastard, you will die a horrible death!” One of the martial saints scolded angrily.

Qin Yu glared at him and said, “If you dare to talk nonsense again, I will make you eat SH * T. Do you believe me?”

That martial saint immediately shut up and did not dare to say a word.

He did not doubt that Qin Yu would really do such a thing.

After he had finished dealing with these two martial saints, Qin Yu also dared to get down to business.

He walked quickly to Yao Meng and said, “How is it? Did you get the herbs?”

Yao Meng nodded slightly. She took out a ten-thousand-year-old herb and handed it to Qin Yu.

“Just this one,” Yao Meng said.

Qin Yu put away the herbs and nodded, “Miss Yao, thank you very much.”

Yao Meng smiled. “You’re welcome. By the way, how did you do it?”

Qin Yu said in a deep voice, “Because their strength was suppressed, including yours.”

Yao Meng's beautiful eyes flashed with a trace of surprise. She tried to activate the internal Qi in her body, and sure enough, all the internal Qi was suppressed.

"No Wonder," Yao Meng Snickered.

Qin Yu did not have time to waste with Yao Meng. He directly swept his gaze across the crowd and said, "I urgently need the ten-thousand-year-old herbs. If anyone has any, you can come and exchange with me."

"I have all the heaven rank spells and the Heavenly Tribulation Pill formulas. I guarantee that no one will be at a disadvantage."

Qin Yu was truly like a small peddler as he shouted repeatedly at the scene.

The scene of Qin Yu beating up the martial saint was still vivid in his mind. This undoubtedly added a layer of halo to Qin Yu.

"Do you all want to be as strong and powerful as me? Do you all want to beat up the Martial Saint Like Me? Then quickly come and exchange!" Qin Yu shouted loudly.

After shouting loudly, Qin Yu once again exchanged for a stalk of ten-thousand-year-old herbs.

Seeing that it was almost done, Qin Yu put away all these herbs.

"The exit will open tomorrow, right?" Qin Yu looked at Yao Meng and asked.

Yao Meng nodded and said, "Yes, not bad."

Qin Yu waved his hand and said, “No, it’s too slow. I want to leave now.”

After saying that, Qin Yu walked quickly to the front of Le Xian.

“Mr. LE, please open the exit of this mystic realm. I want to leave,” said Qin Yu.

Le Xian glared at him and said, “Qin Yu, you are so disrespectful! You insulted me when I helped you!”

Qin Yu patted his shoulder and said, “Be content. It’s already good that I didn’t Let You Be Naked. You are so old. Don’t you want to be as shameful as them?”

Le Xian was stunned. Although he was extremely unhappy, he didn’t dare to say anything.

Hence, Le Xian could only follow Qin Yu’s request and open the exit of the mystic realm.

An exit appeared in front of everyone, but no one seemed to want to leave.

Qin Yu was not in a hurry. He quickly returned to the position of the Yin Heart.

Raising his head to look at the Yin Heart, Qin Yu was ecstatic!

“What an unexpected gain,” Qin Yu said while stroking his chin.

Two stalks of ten-thousand-year-old herbs and one yin heart were enough for Qin Yu to enter seclusion to make a breakthrough!

He reached out his hand and grabbed the yin heart. Then, he put it away.

As the Yin Heart was put away, the yin qi that pervaded the entire mystic realm slowly disappeared.

The suppressive force also began to dissipate.

Of course, Qin Yu knew that he should not stay here for long. He walked quickly to the exit and waved his hand, "Everyone, we will meet again if fate permits!"

"Don't let him go! We have already recovered our internal Qi. Kill him!" A martial saint shouted.

Qin Yu grinned and said, "F * ck your mother. If you have the ability, then come out. Let's see if the Dao Guardian will be beaten to death!"

After throwing out these words, Qin Yu ran away.

The moment he stepped into the exit, Qin Yu finally escaped from this mystic realm!

"TSK tsk, I've finally escaped," Qin Yu said excitedly.

He had gained a lot this time. To Qin Yu, it was simply an unexpected harvest.

"I've also seized two martial saint weapons," Qin Yu said with some excitement.

Then, Qin Yu calculated the time.

There was only one week left before the martial saint power disappeared.

Qin Yu did not dare to waste time. He was not in a hurry to go to Qing city. Instead, he took the lead and rushed to the Slaughter Immortal sect.

At this moment, near the Church of the Massacre Immortal, there was a teleportation portal that was flashing with light.

This teleportation portal was not particularly eye-catching, but it was still clearly visible.

On this trip, Qin Yu's actions were extremely exaggerated. Even at the airport, he had to deliberately reveal his identity.

The purpose was very simple. It was to throw a smoke bomb and make everyone think that he was in seclusion at the Church of the massacre immortal to stall for time.

After arriving at the Church of the Massacre Immortal, Qin Yu changed his clothes and rushed to Qing city.

He arrived near the entrance of the secret realm of Qing city.

Qin Yu looked around and made sure that there was no one around before he slowly raised his hand.

He opened the entrance of the secret realm according to the secret key given by Zheng Ke.

The secret realm was very spacious and quiet.

In the huge secret realm, there were only Su Qian and Zheng Ke.

After seeing Qin Yu, Zheng Ke walked over quickly.

“You're back so soon?”Zheng Ke asked with some doubt.

Qin Yu nodded and said, "Yes, time is tight. I have to go into seclusion quickly."

"Seclusion?" Zheng Ke raised his eyebrows.

"Do you want to try to break through to the Great Circle?"

Qin Yu shook his head and said, "I don't know. I Can't be sure exactly which realm you will break through to."

"Remember, no one is allowed to disturb me while I'm in closed-door cultivation. If I'm not careful, I'll die, understand?" Qin Yu said with a serious expression.

Zheng Ke patted his chest and said, "Don't worry. With me here, no one can disturb you."

Qin Yu didn't say anything more. He found a room, then closed the door and closed his eyes slightly.

Time flew by. In the blink of an eye, it was night time.

In the darkness, there was light from time to time.

Looking from the outside to the inside, one could see that Qin Yu's acupuncture points were shining.

In the Silence, a figure appeared at the door.

This person was none other than Zheng Ke!

Zheng Ke stood at the door, his face full of gloom and viciousness.

He tried to raise his palm, knocked on the door, and whispered, “Mr. Qin?”

There was no movement in the room, only beams of light.

Zheng Ke narrowed his eyes, pushed the door open, and strode in!

Seeing Qin Yu sitting on the bed, Zheng Ke sneered.

“You really went into seclusion,” Zheng Ke sneered.

“Qin Yu, you are really naive. Do you really think I will work for you? In your dreams!”

“As long as I kill you, the mark you left in my mind will disappear!”

“So.... you’d better die!”

Chapter 848: Chapter 848, breakthrough in seclusion

Zheng Ke strode towards Qin Yu!

He knew very well that in such a moment of seclusion, one would be extremely weak. Even a top-notch martial artist would not be able to escape this law!

Zheng Ke held the radiance in his hand and ruthlessly stabbed towards Qin Yu’s glabella!

At this moment, Qin Yu suddenly opened his eyes!

He quickly reached out and grabbed Zheng Ke’s wrist!

That radiance was only one centimeter away from Qin Yu's glabella!

"You're quite ruthless." Qin Yu glanced at him and said coldly.

"You want to pierce through my spiritual sense?"

Zheng Ke's expression immediately changed! He exclaimed, "Aren't... aren't you in seclusion?"

"Seclusion?" Qin Yu raised his brows.

"Do you really think I'll believe you?"

Zheng Ke instantly felt a sense of danger!

This Qin Yu was actually lying to him!

Qin Yu grabbed Zheng Ke's hand with increasing strength.

Zheng Ke only felt as if his wrist was about to be crushed. The intense pain made his forehead break out in cold sweat!

Qin Yu stood up from the bed. He looked at Zheng Ke coldly and said, "The people of your Hong family are indeed not worthy of being trusted."

Zheng Ke was already panicking. He hurriedly begged for mercy, "Qin Yu, i. . . I was just possessed for a moment. You... If you spare me, I guarantee that there won't be a next time!"

Qin Yu narrowed his eyes and sneered, "Once disloyal, you won't use it for the rest of your life. Don't you know this principle?"

Sensing the killing intent emitted from Qin Yu's body, Zheng Ke became even more terrified.

He said anxiously, "Qin Yu! I have more than 3,000 secret keys in my hands. If you want to explore the mystic realm, you must need me!"

Qin Yu sneered and said, "That's right. I do need you, but I don't necessarily need you."

"Keeping you is like keeping a time bomb, so... you'd better go to Hell!"

After saying that, Qin Yu suddenly exerted strength in his hand and directly crushed Zheng Ke's wrist!

Zheng Ke couldn't care less about the pain and immediately ran away.

But how could his speed be compared to Qin Yu's?

Before he could escape, a huge golden hand had already blotted out the sky and covered the earth!

"Pa!"

That huge palm fiercely fell down and directly smashed Zheng Ke into meat paste!

Qin Yu slowly walked in front of Zheng Ke and took out the golden core in his body.

"Another golden core," Qin Yu said in a low voice.

Then, Qin Yu took Zheng Ke's body and walked out of the room.

Su Qian happened to walk toward him outside the room.

Seeing this scene, Su Qian couldn't help but be slightly surprised.

“What... What's going on?” Su Qian exclaimed.

Qin Yu threw Zheng Ke's body to the side and said, “He wanted to kill me, but I killed him. Take care of the body.”

After saying that, Qin Yu turned around and left.

When he reached the door, Qin Yu stopped.

“Su Qian, I hope you don't make the same mistake as Zheng Ke,” Qin Yu warned.

Su Qian didn't dare to say anything and only nodded carefully.

After returning to his room, Qin Yu adjusted his internal Qi slightly.

“It's time to try to break through,” Qin Yu said in a low voice.

This breakthrough was a long process, and he didn't know how long it would take.

He took out the golden core and the ten-thousand-year-old herbs from the spatial divine tool and prepared to try and break through.

Then, Qin Yu didn't waste any more time. He refined the ten-thousand-year-old herbs into a pill in the fastest time possible and then swallowed it.

Wisps of light brewed in his body.

The dense qi/spiritual energy formed a small whirlpool around Qin Yu's golden pill.

The Golden Pill slowly rotated in Qin Yu's Dantian, slowly absorbing the Qi/spiritual energy from the pill.

Time passed by minute by second. In the blink of an eye, three days had passed, but Qin Yu still showed no signs of coming out of seclusion.

At this time, the outside world was also calculating the time of Qin Yu's martial saint power.

"According to my prediction, Qin Yu's martial saint's power seems to only have three days left, right?" Gu Xinghe said lightly.

The two old men beside him quickly nodded and said, "Young master, it is indeed three days."

Gu Xinghe sneered and said, "It is also time to make a move on Qin Yu. Kill him and take Yan Ruoxue away."

"Young master doesn't need to make a move on such a small matter. The two of us can take his life," the old man said.

Gu Xinghe shook his head and said, "No, I want to kill him myself!"

"Young master, this doesn't seem appropriate," one of the old men said.

"If anything happens, we won't be able to answer to the master."

"Besides... if he uses you as a hostage to threaten the master, the gains won't make up for the losses."

Gu Xinghe seemed to think it made sense.

He touched his chin and said in a low voice, "I've investigated Qin Yu's information these few days. This person is indeed quite dangerous..."

“Elder Qian he and elder Qian he, I’ll leave the matter of Qin Yu to you for now.”

The two elders called Elder Qian he and elder Qian he stood up and said, “Young master, actually, we have a better choice.”

“Oh?” Gu Xinghe raised his eyebrows.

The Qianhe elders smiled faintly and said, “The JINGDU martial arts association is not the only one who wants Yan Ruoxue. All the major forces are also keeping an eye on Qin Yu.”

“It’s better to spread the news and let them take action. When that time comes, we will reap the benefits.”

Gu Xinghe raised his eyebrows and said with some amusement, “That makes sense... Our Jingdu martial arts association can’t do everything by ourselves. That would be too demeaning.”

A superior force relied on manipulating others.

Gu Xinghe was well-versed in this principle.

“Go Check Qin Yu’s location in advance and spread the news,” Gu Xinghe said coldly.

“Yes, Young Master.” Qian he and Qian he immediately nodded, then turned around and walked out of the Jingdu Martial Arts Association.

They didn’t waste any time and immediately launched an investigation.

The power controlled by the Jingdu Martial Arts Association was extremely powerful. Not only did they have martial arts power, but they also had powerful connections.

Thus, they quickly found out about Qin Yu's actions.

Even Qin Yu's participation in the exchange meet did not escape their eyes.

Other than the JINGDU martial arts association, other hidden forces also began to investigate Qin Yu's actions.

These forces were extremely complicated, and Qin Yu had never even seen them before.

Enemies hiding in the shadows were often the most terrifying.

Chapter 849: Chapter 849, the evil of the immortal slaying sect!

At this moment.

Under the island of the immortal slaying sect.

Elder Qian he and elder Qian he stood there and looked at the entrance coldly.

"The teleportation array that suddenly appeared must be the work of Qin Yu," elder Qian he and elder Qian he said in a deep voice.

"It seems that this kid isn't meticulous enough. Isn't he leading the way for us by leaving such an entrance?"

The two looked at each other and prepared to step into the entrance.

"Wait." At this moment, the eldest among the Qian and he elders, Long Mei, suddenly stopped in his tracks.

The other elder with a white beard frowned and asked, “What’s Wrong?”

Long Mei said in a deep voice, “This kid is very cunning. He left the entrance on purpose. I’m afraid he’s up to something.”

White Beard was silent for a moment and said, “Then what should we do?”

“How about this? You wait for me here. I’ll go and scout the way,” said Long Mei.

White Beard stopped long Mei and said in a deep voice, “I’ll go. If anything happens in the town, my chances of escaping are higher than yours.”

White Beard had mastered the wind formula of the eighteen characters formula and had cultivated it to the extreme. His speed was indeed much faster.

“Okay, be careful.” Long Mei nodded.

Then, white beard stepped into the teleportation array and entered the immortal Slayer sect!

As soon as he stepped into the immortal Slayer sect, White Beard felt something strange.

The atmosphere here was extremely strange. The air was mixed with traces of gloomy and cold internal Qi.

As far as the eye could see, the entire immortal Slayer sect was in ruins, as if someone had been here.

“What’s going on?” White beard frowned.

He released his spiritual sense, intending to search for Qin Yu.

However, at this moment, a figure suddenly appeared in front of white beard.

This person was very young, dressed in black, and his entire body was exuding an extremely cold and gloomy internal Qi.

“Who are you?” White Beard’s expression changed, and he coldly berated.

The youth raised his eyebrows and indifferently said, “Who told you to come to the Church of the Massacre Immortal?”

When the white beard heard this, he couldn’t help but sneer, “I am a member of the Jingdu Martial Arts Association. I can go wherever I want! How can you question me!”

“Jingdu martial arts association... HMM, they have indeed been quite powerful these years,” the youth muttered to himself.

“But... In my eyes, they are nothing more than this.”

The white beard berated, “Impudent! Junior, how dare you speak such arrogant words!”

The smile on the young man’s face began to slowly disappear.

“There is no tiger in the mountain, the monkey calls the king. A half-step nascent soul dares to come to the immortal Slayer sect to behave atrociously. The world has really changed...” the young man muttered in a low voice.

“Nascent soul? !”

Upon hearing this title, the white-bearded man's face suddenly changed greatly!

In the current era, all martial artists called the nascent soul realm the martial saint realm!

But this person actually called the nascent soul realm. There was only one possibility! He was not from this era at all!

"You... What's your relationship with the Immortal Massacre Sect?" White Beard suddenly had a bad premonition.

The young man grinned and said coldly, "There's no harm in telling you. After all, you're a person who's about to die..."

"I'm a disciple of the immortal massacre sect. I was a genius of the immortal massacre sect back then. My Name Is Sky Blood Rainbow..."

"I had the chance to inherit the immortal Slayer sect, but unfortunately, the masked woman massacred the sect in one fell swoop..."

A hint of fear flashed across the young man's face when he recalled these past events.

"One person massacred the entire sect of the number one sect in the world. How terrifying..."

"Fortunately, I relied on my secret technique and luckily managed to preserve my divine sense," the young man continued.

"Although our immortal Slayer sect was destroyed, it was still the number one sect in the world. After so many people died, evil spirits naturally emerged."

“The power of this evil spirit is incomparably terrifying. It was also one of the Immortal Slayer sect’s trump cards

“The masked woman seemed to know about this as well. Therefore, she left behind a coffin, two dao protectors, and her own clothes to suppress the Immortal Slayer sect in order to prevent any evil spirits from emerging

“Under her suppression, I thought that the evil power of the Immortal Slayer sect would be sealed underground for the rest of their lives. To my surprise, someone took away the coffin and allowed us to be reborn...”

Every word of the young man who called himself Sky Blood Rainbow was terrifying!

At this moment, White Beard’s face was extremely ugly!

“You... you said that you are a member of the Immortal Slayer sect! A person who has crossed over ten thousand years? !”White Beard was shocked, but at the same time, he was extremely suspicious!

Because in this world, no one could cross over ten thousand years! Even a great cultivator at the tribulation stage couldn’t do it!

Tian Xuehong smiled faintly and said, “Don’t be surprised. Of course, I can’t Cross Ten Thousand Years.”

“My spiritual sense has already experienced many reincarnations. I just relied on a secret technique to awaken a part of my memory.”

“It’s ironic that this secret technique was created by the masked woman. TSK TSK.”

At this point, Tian Xuehong looked at Bai Xu and smiled. “Of course, this body of mine has lived for 1600 years.”

Bai Xu became more and more confused as he listened.

Even the JINGDU martial arts association could not do such a secret technique!

“Forget it. You probably won’t understand what I’m saying.” Tian Xuehong grinned.

“You only need to know that I’ve successfully obtained the power of the immortal slaying sect, as well as the evil being suppressed...”

As he spoke, Tian Xuehong raised his hand.

In an instant, more than ten withered bones crawled out from the ground!

Although these withered bones did not have spiritual sense, each of them was at the Almighty Realm. They were definitely not something a half-step martial saint could contend against!

Looking at the dozens of withered bones that crawled out, white beard could not help but take two steps back.

He gritted his teeth and glared angrily at Tian Xuehong. he shouted loudly, “What nonsense are you spouting! What 1,600 years? This is all made up by you, right?”

“The Massacre Immortal sect was the number one sect in the world at that time. How could it be massacred by one person? Why Don’t you write a novel instead?”

Tian xuehong laughed and said, “Yeah, I think it’s impossible too. How did she manage to massacre the entire massacre immortal sect by herself? The once prosperous massacre immortal sect was actually destroyed by a woman...”

“F * ck you, you’re full of nonsense! What Evil Spirit? What Genius? You’re just trying to buy time for that Qin Yu!”

“I’ll kill you right now and then go find that Qin Yu!”

Chapter 850: Chapter 850, danger lurked everywhere

A trace of ridicule flashed across Tian Xuehong’s face as he looked at the almost crazed white beard.

“Go to hell!” White Beard shouted loudly and charged towards Tian Xuehong!

The power of a half-step martial saint going crazy was unimaginable!

However, Tian Xuehong did not panic at all at this moment.

He only moved his finger, and the ten or so withered bones charged towards white beard!

“Kacha!”

The skeletons raised their hands to meet white beard. At the moment of collision, White Beard was sent flying!

His bones were shattered and half of his arm was broken!

Such a terrifying force caused white beard’s expression to change drastically!

“Could it be... what he said is true!” A trace of fear flashed through White Beard’s heart.

Following that, he got up from the ground and ran!

“If you want to run now, I’m afraid it’s too late,” said Tian Xuehong indifferently.

He raised his hand, and the withered bones immediately rushed towards white beard!

White beard desperately ran towards the entrance, while the withered bones behind him pursued relentlessly!

White Beard’s heart was incomparably terrified, and his forehead was covered in sweat. He rushed all the way to the entrance in an attempt to escape!

Long Mei, who was guarding the entrance, also saw white beard, who was extremely panicked!

“Run, run!” White Beard roared crazily!

But before he could step into the exit, a shriveled claw grabbed white beard!

Then, that terrifying force tore white beard’s body apart. In a short moment, he was torn into pieces!

Seeing this scene, Long Mei was shocked!

He subconsciously took two steps back and exclaimed, “What... What’s going on!”

However, no matter what he said, there was no response.

The surroundings were silent. There was only a trace of the smell of blood.

Long Brows's expression was extremely ugly. He looked at the exit in horror and subconsciously took two steps back.

"Could it be that Qin Yu..." long brows muttered softly.

He did not dare to think too much and turned around to leave!

Within the slaughtering immortal sect.

Tian Xuehong looked at the white beard that had been torn to shreds on the ground. His eyes were filled with contempt.

"A mere half-step martial saint dares to flaunt his might?" Tian Xuehong said with a hint of ridicule.

Currently, Tian Xuehong controlled the white bone army. If he left this slaughtering immortal sect, no one in the world would be able to stop him!

However, Tian Xuehong did not act rashly.

This was because deep down in his heart, he was also afraid of the existence of Dao Protectors.

"I hope that a nascent soul will be born soon," Tian Xuehong muttered in a low voice.

...

In the secret realm of Qing city.

Qin Yu was still in a state of seclusion.

He spent two stalks of ten-thousand-year-old herbs to support the pill.

These two stalks of ten-thousand-year-old herbs actually did not allow Qin Yu to step into the perfection realm.

To Qin Yu, this was undoubtedly bad news.

Qin Yu opened his eyes slightly and said in a low voice, “Damn it, two ten-thousand-year-old herbs actually can’t raise a small realm...”

If it was someone else, one ten-thousand-year-old herb was enough to step into the Great Circle.

Qin Yu sighed and muttered, “My body’s appetite is really big.”

Although he had some complaints in his heart, Qin Yu couldn’t do anything about it.

He could only silently take out dozens of golden pills and start stuffing them into his mouth.

One golden pill after another was stuffed into his mouth. Qin Yu Ate the golden pills like he was eating candy.

He closed his eyes slightly and continued to increase his internal Qi.

At this moment, an old man appeared at the airport in Qing city.

The old man had a head full of white hair and looked extremely old, but his spirit and spirit were extremely strong.

“Uncle Guan, is there a possibility that Zheng Ke has already betrayed us and gave us false information to trick us into getting caught?” The young man beside him asked in puzzlement.

The old man called Uncle Guan glanced at him and said: “You think there is an ambush in the mystic realm?”

“Mm, I am worried that the top talents of the Yan country have been waiting for us in the mystic realm for a long time.” The young man said in a low voice.

Uncle Guan snorted softly and said: “Such matters are usually handed over to the JINGDU martial arts association to handle. Now that the Jingdu Martial Arts Association is still looking for Qin Yu, how would they have the mood to care about us?”

“Moreover, there is no point in doing so. Even if we are caught, we will still not be able to get rid of the Hong Yi sect.”

The young man did not say anything more and only nodded.

No one had expected that Zheng Ke would send the news back to the Hong Yi sect in advance!

And the Uncle Guan who had come this time was also a half-step martial saint, a top-notch person below the martial saint level!

The two of them did not say anything more and immediately rushed towards the secret realm.

At this time, Qin Yu had already been in closed-door cultivation for a full five days.

The martial saint power in his body was also rapidly dissipating, almost becoming dispirited.

On the other side, Long Mei hurried back to the Jingdu martial arts association and told Gu Xinghe what had happened.

“What did you say? !”After hearing Long Mei’s words, Gu Xinghe hurriedly stood up.

“Someone tore apart the white beard with his bare hands?”

Long Mei hurriedly nodded and said, “Yes, I saw it with my own eyes! It was a pair of hands with only bones that easily tore apart the white beard’s body...”

Gu Xinghe’s face was gloomy, and he didn’t say anything for a long time.

He narrowed his eyes and said, “Could it be that something strange happened in the immortal slaying sect?”

“It’s very possible!”After Gu Xinghe’s reminder, Long Mei also reacted!

In the records of the ancient books, many top sects would mutate after they were exterminated.

Because they were all top-notch people when they were alive, even if they died, it was very likely that they would mutate!

“If that’s really the case... it’s really troublesome,”Gu Xinghe said with narrowed eyes.

Long Mei said in a deep voice, “If that’s really the case, then I’m afraid that Qin Yu has already died in there.”

“No.” Gu Xinghe shook his head.

“I’m afraid that Qin Yu is not in the slaughtering immortal sect at all. He deliberately deceived us to go to the slaughtering immortal sect in order to borrow someone else’s knife to kill us!”

“I’m afraid that the current Qin Yu is hiding somewhere else!”

As the son of Gu Zizhen, Gu Xinghe’s thoughts were extremely rational!

“Go and find him immediately! Find Qin Yu for me!” Gu Xinghe said hurriedly.

Long Mei hurriedly nodded and said, “I’ll give the order right now to get everyone to find Qin Yu!”

Chapter 851: Chapter 851, the critical moment of the breakthrough

The Jingdu Martial Arts Association immediately launched a carpet-like search for Qin Yu.

At this time, Qin Yu had already been in closed-door cultivation for several days.

The internal Qi in his body was rapidly rising. After Qin Yu swallowed 48 Golden Cores, Qin Yu finally felt that he had reached the critical point of the breakthrough.

“It seems that I am about to step into the Great Circle,” Qin Yu thought in his heart.

Qin Yu did not dare to delay any longer. He closed his eyes slightly and swallowed another golden core.

Under the effect of this golden core, Qin Yu's internal Qi began to soar! It seemed that he was only a step away from the perfect realm!

At this time, Uncle Guan had already arrived at the entrance of the secret realm.

He looked at the entrance coldly and then placed his hand in the air in front of him.

Rays of light began to light up. In front of him, an entrance slowly appeared.

“Is this the Qing City's secret realm?” The young man beside Uncle Guan asked in puzzlement.

Uncle Guan did not say anything. He strode into the secret realm.

The young man did not dare to waste any time and hurriedly followed them in.

The moment the two of them entered the secret realm, Qin Yu noticed their figures.

“So Fast?” Qin Yu's expression could not help but change.

He had long expected that this mystic realm would be discovered sooner or later, but he did not expect it to be so fast!

Right now was an important moment for Qin Yu's breakthrough. He absolutely could not be disturbed.

If he was discovered, all his previous efforts would be in vain!

Qin Yu's expression was extremely unsightly, and his state of mind was also greatly disturbed.

"No, if my state of mind continues, I'm afraid I'll fail this time!" Qin Yu said in a low voice.

He took a deep breath and forced himself to stabilize his state of mind, trying his best not to let his imagination run wild.

In the outside world, Uncle Guan was already striding towards this house.

Right at this moment, Su Qian noticed Uncle Guan who had rushed over.

She hurriedly walked forward and said, "You are?"

The young man beside Uncle Guan immediately shouted, "This is an elder of our Hong Yi sect! Uncle Guan!"

"An elder of the Hong Yi Sect?" Su Qian's expression couldn't help but change slightly.

"Who are you? Why did you appear in the secret realm of the Hong Yi Sect?" The young man asked coldly.

Su Qian hurriedly replied, "I am also a member of the Hong Yi sect. I serve under Ning Kun and pay my respects to Uncle Guan."

"A member of the Hong Yi Sect?" Uncle Guan frowned slightly. There seemed to be some doubt on his face.

Su Qian hurriedly put his hand into his bag and took out a token.

This token was the Hong Yi sect's token.

Uncle Guan took the token and glanced at it. He said in a low voice, "It really is a member of the Hong Yi sect."

"Didn't Qin Yu kill all the people in the mystic realm? How are you still alive?" Uncle Guan said coldly.

Su Qian hurriedly explained, "Because I've only joined for a short time, I rarely step into the mystical realm."

Uncle Guan was too lazy to talk nonsense with Su Qian. He waved his hand and said, "What About Qin Yu?"

Su Qian braced himself and said, "Uncle Guan, Qin Yu is not here..."

"Not here?" Uncle Guan frowned slightly.

"Didn't Zheng Ke say that he was in seclusion here? Also, where is Zheng Ke?"

"AH... in answer to Uncle Guan, the news that Zheng Ke reported to you was discovered by Qin Yu, so he was killed by Qin Yu," Su Qian braced himself and lied.

"Therefore, for the sake of safety, Qin Yu didn't go into seclusion here. Instead, he went to the immortal slaying sect."

Uncle Guan looked at Su Qian with suspicion. Obviously, he didn't believe Su Qian's words.

"Uncle Guan, if you don't believe me, I can take you to see Zheng Ke's body!" Su Qian said hurriedly.

“Take us there quickly!”The young man beside Uncle Guan shouted.

Su Qian did not dare to say anything. He quickly brought the two of them to Zheng Ke’s body.

Looking at Zheng Ke lying on the ground, uncle Guan could not help but say coldly, “It took the Hong family several years to nurture a mystic realm master. Qin Yu actually killed him!”

“Not only did he die, but he also let Qin Yu know that we are coming.”The young man beside Uncle Guan could not help but curse.

Su Qian quickly continued, “Uncle Guan, Zheng Ke said before he died that he wanted me to pick you up here. He asked me to tell you about Qin Yu going to the immortal slaying sect.”

Uncle Guan took a deep breath and said coldly, “Let’s go to the immortal slaying sect!”

“Yes!”

The two of them turned around and left the mystic realm.

Watching the two of them leave, Su Qian also let out a long sigh of relief.

She walked to Qin Yu’s door and said in a low voice, “Qin Yu, you have to hurry up. If they can’t find anyone in the immortal slaying sect, they will definitely come back...”

In the room, Qin Yu was trying his best to break through.

The internal Qi on his body was rising rapidly, and his body was emitting light from all parts of his body.

To Qin Yu, every breakthrough was a qualitative change!

The gap between the perfect stage and the peak of the Martial Marquis realm was even greater!

Qin Yu even believed that as long as he entered the perfect stage, he would not be afraid of a half-step martial saint!

If he entered the half-step martial saint realm, then Qin Yu would not be afraid of anyone in the world!

Su Qian stood outside the door and looked at the rays of light emitting from the room. He could not help but feel secretly happy.

“This scene should be the precursor to a breakthrough!” Su Qian said in a low voice.

But at this moment, the entrance of the Mystic Realm opened again!

Turning around, he saw Uncle Guan and the young man had actually turned back!

Su Qian’s expression immediately changed, and a trace of shock flashed through his heart.

“Uncle Guan, you... Why Did you come back?” Su Qian suppressed the fear in his heart and braced himself to ask.

Uncle Guan narrowed his eyes and said, “Qin Yu must have been there before Zheng Ke died. If that’s the case, why didn’t he kill you?”

Su Qian’s expression changed drastically! He knew something was wrong!

“Because... because Qin Yu left in a hurry, so...” Su Qian tried to explain.

But the young man beside Uncle Guan interrupted Su Qian.

“Uncle Guan, Qin Yu is in this room!” The young man shouted.

Uncle Guan glanced at the light in the room and couldn't help but look at Su Qian coldly. He said, “Do you know the consequences of betraying the Hong Family?”

Su Qian's face instantly turned ashen, as pale as paper.

The fear in her heart made her shiver all over.

“Uncle Guan, i...”

“Bang!”

Before Su Qian could finish his sentence, Uncle Guan had already sent out a palm strike!

This palm strike landed squarely on Su Qian's chest! The tremendous force directly shattered Su Qian's sternum!

“Anyone who betrays the Hong Clan Must Die!” Uncle Guan said coldly.

Chapter 852: Chapter 852, the Golden Core was damaged

Su Qian's delicate body was immediately sent flying.

She opened her mouth to speak, but blood kept gushing out of her mouth like a fountain.

Uncle Guan snorted coldly and then strode into the room.

In the room.

Qin Yu was sitting cross-legged on the bed.

His Dantian was shining, and the violent power was rushing to every part of his body.

Qin Yu's body was rapidly improving, and his bones and blood seemed to be reshaping again and again.

Seeing this scene, uncle Guan couldn't help but sneer, "The critical moment of the breakthrough... Fortunately, we didn't come too late."

"It seems that this kid is about to step into the perfect realm," the young man beside Uncle Guan also said in a low voice.

Uncle Guan nodded slightly and said coldly, "Don't waste time. Kill him as soon as possible to avoid any accidents."

After saying that, uncle Guan's hand flashed with light, and a terrifying qi force rapidly gathered in his palm.

"Brat, go to hell!"

Accompanied by Uncle Guan's furious roar, the terrifying energy in his hand directly smashed towards Qin Yu!

Qin Yu, who was at the crucial moment of breaking through, did not have the mood to deal with it. He could only forcefully withstand it!

"Boom!"

Qin Yu's entire body was directly sent flying! He spat out a mouthful of blood!

But even so, Qin Yu still didn't open his eyes.

He relied on his powerful divine sense to stabilize his mind.

His body was still emitting light everywhere.

"Eh?" Uncle Guan couldn't help but frown. A trace of surprise flashed across his face.

He looked at Qin Yu coldly and said in a low voice, "Facing such a blow, he can still stabilize his mind. This kid isn't simple."

"Uncle Guan, hurry up and kill him." The youth at the side urged.

Uncle Guan did not say anything more. He slowly closed his hands, as if he was brewing some terrifying spell.

Cold energy gathered between his hands, and the entire house collapsed!

"I want to see how you will break through in front of me!" Uncle Guan shouted, and then his hands suddenly pushed forward!

"Rumble..."

The terrifying moon was like a round wheel, rolling toward Qin Yu!

That Ball of power exploded on Qin Yu's body! The entire house was completely turned into dust, and even the entire mystic realm was buzzing, as if it could not withstand this power!

Waves of smoke and dust were stirred up around Qin Yu, blocking everyone's vision.

Uncle Guan did not have time to think. He stepped forward and walked all the way to Qin Yu's side.

However, something that shocked uncle Guan happened.

At this moment, Qin Yu's body was covered in blood. His bones were shattered, and half of his body was almost dyed red with blood.

Even so, Qin Yu was still as steady as a rock and immovable as a mountain!

His internal Qi was still rising steadily.

“How could this be!” This immediately shocked Uncle Guan!

Putting aside Qin Yu's tough and fierce body, just his powerful state of mind was enough to shake the world!

“No Wonder Hong Yimen failed repeatedly,” said the young man at the side in a low voice.

“This kid's degree of terror is beyond our imagination.”

Uncle Guan's face was extremely gloomy. He narrowed his eyes and said coldly, “You're really a talent. It's really a pity to kill you just like that...”

At this time, Qin Yu had not yet successfully stepped into the great circle, but he could still withstand two moves from him unconsciously!

If he succeeded in breaking through, how great would it be ? !

Thinking of this, uncle Guan's finger condensed a light that was like a sharp thorn.

“In that case, I will shatter your golden core!” Uncle Guan said with a vicious face.

The light on his finger that was like a sharp thorn shone brightly, emitting a chilling light.

Then, uncle Guan's finger suddenly stretched forward, and the light instantly rushed towards Qin Yu's lower abdomen!

Such a vicious move immediately caused Qin Yu's golden core to receive a violent impact! And Qin Yu's body also shook unconsciously!

His forehead was covered in secret sweat. It was unknown whether it was because of pain or because of nervousness!

“Hahahaha!” Seeing this, uncle Guan could not help but burst into laughter.

“As long as I destroy your golden core, even if you have great ability, you will still be reduced to a waste!”

Uncle Guan used the same trick again, and once again struck towards Qin Yu's lower abdomen!

Qin Yu's Jindan once again suffered a violent impact!

The light floating on the Jindan seemed to have dimmed a bit at this moment!

All cultivation was supported by the Jindan.

Once the Jindan was destroyed, then it would be completely reduced to a trash!

Sweat kept oozing out from Qin Yu's forehead. The pain made Qin Yu's physical body have a physiological reaction.

The light in Uncle Guan's palm grew stronger. He narrowed his eyes and said, "One more time, break your Golden Core!"

This time, he had almost gathered all of Uncle Guan's strength! As long as it fell, the golden core would be destroyed!

"Break for me!"

Uncle Guan roared angrily, and the light in his hand stabbed straight at Qin Yu's lower abdomen!

At this critical moment, Qin Yu suddenly opened his eyes!

His body leaned to the side, and the light pierced into Qin Yu's Dantian and brushed past the Golden Core!

Qin Yu's lower abdomen was pierced through, and blood flowed out, but fortunately, it deviated from the position of the Golden Core.

Qin Yu stood up from the ground. He touched his dantian, and his face couldn't help but be a little cold.

Uncle Guan's eyes also narrowed slightly, and he sneered, "You're really lucky, to actually complete the breakthrough at this moment..."

"But unfortunately, your jindan has been damaged. Even if you made a breakthrough, what can you do?"

Chapter 853: Chapter 853, a casual punch

Looking at Uncle Guan's arrogant expression, Qin Yu remained silent.

He lowered his head and touched the position of his dantian. Waves of faint pain assaulted him.

Under his repeated blows, Qin Yu's Dantian had indeed received a great impact.

But no matter what, Qin Yu could be considered to have officially stepped into the perfection realm.

Both his body and strength had been greatly improved.

The spiritual power in his body was as vast as the sea, almost endless. Its density had even exceeded Qin Yu's imagination!

It was true that the chaotic body was invincible among those of the same level!

Moreover, there was only a thin line between Qin Yu and this half-step martial saint!

"Why? Are You Afraid?" Uncle Guan said indifferently.

Qin Yu shook his head and said, "Do you know what you look like in My Eyes?"

Uncle Guan raised his brows, "Oh?"

"The current you is like an ant in my eyes. No matter how you clamor or or jump around, you still look ridiculous," Qin Yu said in a low voice.

When he heard Qin Yu's words, Uncle Guan could not help but laugh out loud, "You are only at the perfect stage, how dare you speak so arrogantly?"

"What, after possessing the power of a martial saint, do you really think that it is your own strength?"

Qin Yu laughed coldly: "To be honest, the current me is much stronger than when I possessed the power of a martial saint."

"You are full of nonsense." Uncle Guan said with a gloomy face.

"Kid, since you are not dead, I will give you a chance to live."

"Hand over Yan Ruoxue, I can consider sparing your life."

Qin Yu's face turned cold, and he said coldly, "There's only one ending for you if you Miss Yan Ruoxue, and that's death."

As he spoke, the killing intent on Qin Yu's body increased rapidly.

Uncle Guan couldn't help but frown slightly when he felt the bone-chilling coldness on Qin Yu's body.

This coldness made him feel a strong sense of danger!

"No, I must kill him as soon as possible!" Uncle Guan said in his heart.

He didn't waste any more time, and his hands moved quickly in the air.

Streams of inner strength spurted out from his hands and took shape, turning into giant pythons!

The pythons were light blue in color, and their huge heads were swaying in the air.

They were formed from pure spiritual power, and their power was unimaginable.

“Go to hell!”

Uncle Guan shouted and pushed his hands forward. These pythons formed by inner strength rushed toward Qin Yu!

Qin Yu looked at these pythons coldly, and a contemptuous smile appeared on his face.

He slightly clenched his fist and casually threw a punch to meet them!

It seemed to be a simple punch, but it contained the power to destroy the world!

The golden light seemed to shoot out from Qin Yu’s fist, and the golden light instantly covered everyone’s vision!

“Boom!”

With this punch, everything in front of him turned into nothingness! Even the entire space was buzzing, as if it could not withstand this power!

The python that Uncle Guan had transformed into instantly disappeared!

Uncle Guan’s expression changed drastically!

He took two steps back, a trace of fear appearing on his face.

This technique was his famous consummate skill, yet it was shattered by a casual punch?

“What... What technique is this?” Uncle Guan asked in horror.

Qin Yu thought for a moment and said, “It’s not a technique, it’s just a casual punch of mine.”

Casual Punch?

How was this possible? His famous ultimate skill was actually shattered by a casual punch?

“Qin Yu, you...”

“I don’t want to listen to your nonsense.” Qin Yu waved his hand.

“Every single one of you who came to seek death must say a bunch of useless nonsense before they die.”

“Either beg for mercy or make me wait. I’m tired of listening to it.”

“So... you’d better shut up!”

Before he could finish his words, Qin Yu had already closed in with another punch!

Uncle Guan turned pale with fright! He hurriedly took out his martial saint weapon to deal with it!

Unfortunately, the martial saint weapon was extremely weak in front of Qin Yu.

Under this punch, the radiance emitted by the martial saint weapon was directly swallowed and then exploded!

“Boom!”

The fist smashed onto Uncle Guan’s body!

This punch actually directly smashed uncle Guan’s body!

Pieces of flesh flew everywhere, and the air was emitting a bloody smell.

Qin Yu slowly walked to the front of Uncle Guan.

He took out uncle Guan’s golden core, then raised his palm, and the flesh directly turned into a bloody mist.

The young man who followed Uncle Guan widened his eyes and shivered.

Fear made his body go limp and he fell to the ground.

“Don’t... Don’t kill me...”the young man begged with a trembling voice.

Qin Yu glanced at him and didn’t say anything. He just casually kicked his head to pieces.

After obtaining the two golden cores, Qin Yu slightly closed his eyes and felt the glittering golden core in his dantian.

The golden core seemed to have been injured by Uncle Guan’s several heavy blows.

Qin Yu carefully observed it, and his expression became more and more unsightly.

A small crack appeared in the Golden Core.

Although the crack wasn't big, it was clearly visible.

Qin Yu frowned tightly.

Although Qin Yu didn't feel any discomfort at the moment, no one knew whether this injury would leave behind a hidden disease or what kind of effects it would bring.

"This Hong Yi sect..." Qin Yu couldn't help but clench his teeth, and his hatred towards Hong Yi sect increased.

"Forget it, I'll go ask Pavilion Master later. He might have a way," Qin Yu thought to himself.

He turned around and left the ruins. Just as Qin Yu was about to leave the mystic realm, he found Su Qian lying on the ground.

Su Qian's body was covered in blood, and his internal Qi was extremely weak.

Qin Yu quickly walked in front of her and hurriedly stretched out his hand to transfer Qi/spiritual energy to her, temporarily saving her life.

"Rumble"

At this moment, the mystic realm suddenly started to shake! Whether it was the sky or the ground, both began to collapse at this moment!

Chapter 854: Chapter 854, tell me, how do you want to Die

"Rumble..."

For a moment, the entire mystic realm collapsed!

Qin Yu's expression immediately changed drastically, and he exclaimed, "This mystic realm... is going to be destroyed!"

Without even thinking, this was definitely a backup plan left behind by Hong Yi sect. Their goal was to prevent Qin Yu from being killed!

"Damn it!" Qin Yu cursed in his heart. He picked up Su Qian and immediately rushed towards the exit of the mystic realm!

The secret realm collapsed at an extremely fast speed. It started to collapse almost instantly.

Qin Yu could only clench his teeth and rush towards the exit at the fastest speed possible.

Fortunately, Qin Yu was fast enough. He opened the exit of the secret realm and jumped out with Su Qian in his arms.

The moment he jumped out, the secret realm completely collapsed and turned into a piece of void.

Looking in from the exit, he could only see a pitch-black area inside.

It was the void, an endless void.

Once he fell into it, he would be left inside forever.

Qin Yu's expression was somewhat cold, and his brows furrowed.

"It seems that there are risks in the secret realm as well," Qin Yu said in a low voice.

If he fell into the void, he would die without a doubt.

“What a pity.” Looking at the collapsed mystic realm, Qin Yu could not help but sigh.

It was not easy to find a mystic realm, but he did not expect it to be destroyed just like that.

Qin Yu picked up Su Qian and prepared to head to the Divine Alchemist Pavilion.

He went to buy a car and drove towards the Divine Alchemist Pavilion.

The seclusion this time was not perfect. Qin Yu originally wanted to rely on the golden core, herbs, yin heart, and the power of creation to step into the half-step martial saint realm in one go.

Unfortunately, before he could make the next breakthrough, he was discovered.

On the way to the Divine Medicine Pavilion, Qin Yu suddenly felt a sharp pain in his lower abdomen.

This pain was unbearable. Even Qin Yu, who had a strong willpower, could not hold it in for a moment. His vision was dark and he almost fainted.

He hurriedly parked the car to the side.

As soon as the car stopped, Qin Yu suddenly spat out a mouthful of blood!

The moment the blood was spat out, the pain disappeared.

Qin Yu's expression was extremely ugly.

"It must be the crack on the Golden Core..." Qin Yu muttered in a low voice.

Uncle Guan's two heavy blows had obviously left behind a hidden injury.

He closed his eyes and tried to use qi/spiritual energy to repair his dantian, but unfortunately, he failed.

"F * ck." Qin Yu couldn't help but curse in his heart.

There was no time to think. The current Qin Yu could only place his hopes on the pavilion master.

The car sped towards the Medicine God Pavilion.

A few hours later, the car finally stopped at the entrance of the Medicine God Pavilion.

As soon as it stopped, Qin Yu felt that something was wrong.

The entire medicine God Pavilion was enveloped by an intense cold internal QI.

Waves of light winds were stirred up by the rampant killing intent.

Qin Yu hurriedly parked the car and rushed towards the Medicine God Pavilion.

At this moment, inside the medicine God Pavilion.

The pavilion master was covered in blood and her face was extremely pale.

Three Corpses lay beside her.

What was shocking was that these two corpses were actually at the half-step martial Saint Stage!

“Pavilion Master, we have really underestimated you.” A tall man said coldly in front of the pavilion master.

“You actually killed three of us half-step martial saints in a row! Just What Realm Are You At?” Another person questioned coldly.

The pavilion master wiped the blood from the corner of her mouth. She did not answer this question. Instead, she puffed out her chest and said coldly, “No need to talk nonsense. Let’s do it.”

The pavilion master’s feet trembled. Rays of dark blue light began to spread from under her feet.

“It’s useless. Your internal Qi has already withered to the extreme. You are definitely not a match for the two of us,” the tall man said coldly.

“Hand over Yan Ruoxue obediently, and I’ll Spare Your Life!”

“Otherwise, the Divine Alchemist Pavilion will not leave a single person alive!”

The pavilion master did not say a word. The only response he received was a blue slap!

That slap came from all directions, and the terrifying internal Qi shook the entire ground!

However, just as the palm was about to strike the two of them, the pavilion master's face turned pale, and she immediately spat out a mouthful of blood!

That condensed palm immediately trembled slightly, and the strength instantly disappeared!

The two of them seized this opportunity and immediately attacked. Their palms shook, and a ray of light shot towards the pavilion master!

This ray of light was extremely fast, and the pavilion master had no way to dodge it!

“Bang!”

Her chest was hit hard, and her face turned even paler!

“Ji Yuhong, why do you have to resist? You're dead today!”

“Even the Heavenly King can't Save You!”

The two of them burst out with a terrifying light. Under their joint efforts, a huge sharp blade condensed above the pavilion master's Head!

The sharp blade carried an intense killing intent as it pierced straight down towards the pavilion master!

Just as the sharp blade was about to land on the pavilion master's body, a golden light flashed past and blocked in front of the Pavilion Master!

Following that, everyone saw a golden fist illuminating the entire world as it went straight towards the sharp blade!

“Hong!”

At the instant of the collision, the shockwave spread out in all directions!

And the sharp blade that was condensed in mid-air was actually shattered by a single punch!

Smoke and dust rose up, and the surroundings became quiet.

With a glance, they saw Qin Yu standing in front of the Pavilion Master.

He supported the pavilion master, and his eyes were looking coldly at the two people in front of him.

“Qin Yu...”the pavilion master said these words with great difficulty.

She seemed to want to say something, but was interrupted by Qin Yu with a wave of his hand.

“Pavilion Master, rest well. Leave these two people to me,”Qin Yu said in a low voice.

After saying that, Qin Yu stood up and looked at the two people in front of him.

The two people sized up Qin Yu and said, “Who are you?”

Qin Yu didn't answer these words.. Instead, he said coldly, “Say it. How Do You Want to Die?”

Chapter 855: Chapter 855, revenge

Qin Yu's arrogant tone immediately made the two of them feel some fear.

“Who exactly are you?”The two of them asked coldly.

“I should be the one asking you. Who sent you here? To be able to dispatch five half-step martial saints, you must not be from a nameless sect.”Qin Yu questioned coldly.

“Do you think we will tell you?”

Qin Yu sneered, “Forget it if you don’t want to talk. Who cares what sect it is. If one comes, I will kill one!”

Before he had finished speaking, Qin Yu had already shot out explosively!

His moves were simple and unadorned, only having a firm and fierce fist!

Naturally, the two of them would not sit around and wait for death. They immediately took out their unique skills, raised their palms, and activated their spells.

However, all of their spells were as fragile as paper in front of Qin Yu! The moment they touched each other, they immediately melted!

When the two of them saw this, their pupils immediately constricted. They turned around and wanted to escape!

“You won’t be able to escape.”Qin Yu’s feet shook, and the heavy falling space instantly spread out!

After stepping into the Great Circle, Qin Yu’s heavy falling space also improved!

Not only did the two of them slow down, they even lost their focus for a moment!

One had to know that a moment of carelessness in a battle could result in death, not to mention a moment of loss of focus!

Qin Yu seized this opportunity and smashed his fist like a meteor, directly shattering the two of their heads!

The two half-step martial saints who had been showing off just a moment ago had now become ice-cold corpses.

Qin Yu looked coldly at the five corpses in the square and turned around to dig out the golden cores in their bodies.

After finishing off these people, Qin Yu hurried to the pavilion master's building.

All the way to the pavilion master's building.

At this time, the pavilion master was healing herself.

She was only wearing a white gauze coat, gently wiping her wounds.

Such a scene naturally made Qin Yu feel a little embarrassed.

He turned his head to the side and said, "Pavilion Master, are you okay?"

The pavilion master said, "I'm fine."

"Then... What about Yan Ruoxue?" Qin Yu asked tentatively.

The pavilion master said, "As long as I'm not dead, your little girlfriend will be fine."

After saying that, the pavilion master waved to Qin Yu and said, “Come here.”

Qin Yu braced himself and looked at the pavilion master. His face immediately turned red.

“Rub these few medicines on my back.”The pavilion master was quite generous.

Although Qin Yu felt a little embarrassed, he couldn't care too much about saving his life.

He followed the pavilion master's request and rubbed the herbs on the pavilion master's body.

A faint medicinal fragrance spread throughout the room.

The Pavilion Master's expression also eased up a little.

Qin Yu stood up and poured a cup of water for the Pavilion Master. Then, he frowned and asked, “Lord Pavilion Master, who are those people?”

The pavilion master shook his head and said, “I don't know, but they are here for Yan Ruoxue. Moreover, they won't be the last wave.”

Qin Yu took a deep breath.

These people's actions were faster than he had imagined.

“Did you kill those three half-step martial saints?”Qin Yu asked with some doubt.

The pavilion master glanced at Qin Yu with his long and narrow eyes and said, “What else?”

Qin Yu couldn't help but be stunned!

When did the pavilion master step into such a realm?

"They won't give up." At this moment, the pavilion master suddenly said.

Qin Yu grunted and said in a deep voice, "It seems that your place has been exposed. We can only change places."

However, where would it be safe to go?

"Lord Pavilion Master, please follow me back to the Jade Moon Villa First," said Qin Yu.

"I will settle this matter as soon as possible within these few days."

A trace of surprise flashed in the Pavilion Master's eyes.

"Settle this matter? How?" Asked the pavilion master.

Qin Yu narrowed his eyes and said, "Since they all want Yan Ruoxue, then I will satisfy them!"

The pavilion master's frown deepened, as if he didn't quite understand what Qin Yu meant.

Qin Yu said coldly, "I will spread the news and wait for the fish to take the bait."

"Wait for the fish to take the bait? Do you know how many people are watching you?" The pavilion master said coldly.

"Qin Yu, as long as you don't step into the martial saint stage, numbers can cause a qualitative change."

“You can fight against five half-step martial saints, but you may not be able to fight against ten half-step martial saints.”

“The superposition of their powers is beyond your imagination.”

Qin Yu did not mind. Just as he was about to speak, that sharp pain struck again!

“PFFT!”

Qin Yu immediately spat out a mouthful of blood. His vision went black and he almost fell to the ground.

Seeing this, the pavilion master immediately frowned and asked, “Are you injured?”

Qin Yu grunted in gratitude. He told the pavilion master what had happened.

“I just wanted to ask if there was a way to heal the injuries of my golden core,” Qin Yu said in a deep voice.

The pavilion master’s expression was extremely ugly.

She stared at Qin Yu and said, “You said... There are cracks on your golden core?”

“Yes.” Qin Yu nodded.

“I don’t know what kind of effect this will have on me.”

The Pavilion Master didn’t say anything for a long time.

A moment later, she sighed slightly and said, “The damage to your Dantian will affect your foundation and your cultivation. It’s too difficult to repair...”

Qin Yu’s expression turned ugly.

“Even you can’t do anything about it.” Qin Yu frowned.

The pavilion master shook his head and said, “It’s not that I can’t do anything about it. It’s just that it’s very difficult.”

“I know of a kind of pill that can repair your Dantian. However, this kind of material has long disappeared.”

Qin Yu took a deep breath and said, “What’s the name of the material?”

“Heavenly Vanilla,” said the pavilion master.

“Heavenly vanilla... I got it.” Qin Yu silently memorized the name.

Then, Qin Yu helped the pavilion master up and said, “Let’s change to another place first. The Green Moon Villa might be safer. Moreover, there’s a spiritual spring there, which is also good for healing wounds.”

The pavilion master shook his head and said, “There’s no rush. I still need to make some preparations.”

Seeing this, Qin Yu didn’t force him.

Since he was back now, there was nothing to worry about.

Then, Qin Yu brought Su Qian to the Divine Alchemist Pavilion and arranged a room for her.

Her injuries were not very serious. The Pavilion Master gave Qin Yu a pill. After giving her a pill, her internal Qi gradually stabilized.

At night.

Qin Yu took out his phone and opened the martial arts forum.

It had been a long time since he had logged onto the martial arts forum. The forum seemed to have become even more lively during this period of time.

Qin Yu took a quick glance. Then, he quickly wrote and posted a post on the martial arts forum:

“I am Qin Yu. From today onwards, I will pay a visit to all those who are concerned about Yan Ruoxue.”

“For example, Gu Xinghe from the Jingdu Martial Arts Association, as well as the various martial arts aristocratic families and overseas forces. I will not let any of them off.”

“This can be considered a notice, and also a challenge.”

“I hope you will take good care of yourselves.”

Chapter 856: Chapter 856, setting up a killing formation

After sending this message, Qin Yu lay on his bed and fell into a deep sleep.

During this period of time, Qin Yu had almost never rested, so he slept extremely well that night.

However, a huge commotion had already been stirred up on the martial arts forum.

This news almost instantly swept through the entire martial arts world.

“Qin Yu is openly challenging the various aristocratic families.”

“TSK TSK, the key is to directly name the person in charge of the Jingdu Martial Arts Association.”

“Could it be that this person has already entered the martial saint realm? Otherwise, why would he be so arrogant?”

Meanwhile, in the Jingdu Martial Arts Association, Gu Xinghe also saw this news.

His face was full of anger, and veins popped up on his forehead.

“Damn it!” Gu Xinghe threw the phone in his hand onto the ground.

“This Qin Yu, announce my name, publicly provoke him!”

“I’m going to kill him right now, I must kill him!”

Looking at the furious Gu Xinghe, long brows could not help but tremble.

“Young master, you’d better be careful. If this kid steps into the martial saint realm, then he’s not someone we can provoke,” long brows said.

As long as he stepped into the martial saint realm, not to mention Gu Xinghe, even the entire second mystic realm would have to think twice!

“I don’t believe he has stepped into the martial saint realm,” Gu Xinghe said coldly.

Long Mei saw that he could not persuade Gu Xinghe, so he changed the topic and said, “Young master, it’s almost the New Year. It’s time for you to return to the second mystic realm.”

Hearing this, Gu Xinghe was obviously stunned, and his emotions seemed to have calmed down a lot.

He sat down on the chair and said in a low voice: “It is indeed time for the new year... . .”

As a member of the Yan country, he still attached great importance to the New Year.

Especially for Gu Zi Zhen, who was an old and stubborn man, he naturally attached great importance to the traditional festivals.

“I reckon it won’t be long before your father will recruit you back.” Long Mei continued to strike while the iron was hot.

Gu Xinghe took a deep breath and said: “Alright, then let him live for a few more days.”

Upon seeing this, Long Mei also let out a sigh of relief.

Gu Xinghe said with a cold face, “But we can’t let him be so arrogant. Go, publicly respond and say that we’ll let him live for a few more days. His actions have thoroughly angered the Jingdu Martial Arts Association.”

Long Mei hurriedly nodded and said, “No problem, I’ll respond right away.”

...

That night, it snowed heavily in the sky.

This heavy snow covered almost half of the north.

The world was silent. Qin Yu lay on his bed and slept like a dead pig.

However, tonight’s martial arts forum was extremely lively.

Other than Qin Yu’s public provocation and the JINGDU martial arts association’s response, there was another piece of news.

A person who called himself “Tian Jizi” posted a prediction on the martial arts forum:

Someone would step into the Martial Saint Realm next year and change the current environment.

This news made the martial arts forum, which had almost erupted, even more lively.

“Someone is going to step into the martial saint realm? Who could it be? Qin Yu? Yan Jinyao? or Gu Xinghe from the mystic realm?”

“Have you all forgotten that the veteran Marquis Wu, Ye Qing, Jiang, Kong Yun, and the others are still alive?”

“TSK TSK, the martial arts forum is going to be lively next year.”

At this moment, Qin Yu was still sleeping soundly and even had a sweet dream.

The next morning.

Qin Yu got out of bed.

He took out his phone and opened the martial arts forum.

Seeing the countless messages, Qin Yu couldn't help but be a little surprised.

Soon, Qin Yu saw Gu Xinghe's reply.

“Your actions have thoroughly angered the Jingdu Martial Arts Association. After this year, the next year will be your death date. Of course, you can use these few days to escape.”

Seeing this message, Qin Yu couldn't help but laugh.

He thought about it and replied, “Gu Xinghe, even if you don't come looking for me, I will come looking for you.”

Putting away his phone, Qin Yu's expression instantly became extremely cold.

He didn't plan to have a stable new year.

To the fatherless Qin Yu, this so-called traditional festival was no different from an ordinary day.

He got up and walked out of the room, then left the Divine Medicine Pavilion.

It wasn't until evening that Qin Yu rushed back, worn out from travel.

His body was wet from the heavy snow, but his body was emitting heat.

“Where did you go?” Seeing Qin Yu rush back, the Pavilion Master couldn’t help but be somewhat surprised.

Qin Yu smiled and said, “I went to buy some things. Lord Pavilion Master, do you want to go back for the New Year?”

The pavilion master shook his head and said, “This is my home.”

Qin Yu was speechless. He didn’t say anything more. Instead, he took out the materials one by one from the spatial god tool.

These materials looked quite ordinary, but the pavilion master, who was well-informed, could tell their uses at a glance.

“Are these the materials to set up the formation?” The pavilion master asked curiously.

Qin Yu nodded and said, “Yes, I plan to set up a killing formation near the Medicine God Pavilion.”

The pavilion master said with some surprise, “You know how to set up a Killing Formation?”

Qin Yu smiled and said, “Of course.”

Then, Qin Yu took out a total of four martial saint weapons.

These four martial saint weapons were all snatched by Qin Yu!

“You...” when the pavilion master saw this scene, he could not help but be stunned.

When did the martial saint weapons become so worthless?

“I used these four martial saint weapons as killing weapons to set up the killing formation.”

“When the time comes, you will be the one controlling it. Even if a half-step martial saint stepped into it, he would die without a doubt.”Qin Yu said coldly.

Looking at Qin Yu, who was thin and had a determined look in his eyes, the pavilion master was a little absent-minded for a moment.

The young man who had relied on his protection a year ago had now grown to such an extent.

Qin Yu did not waste any time. He braved the heavy snow and spent an entire night to set up a killing formation around the huge divine medicine pavilion.

The next morning, Qin Yu stood at the highest point of the divine medicine pavilion as if he was sizing something up.

“Has the killing formation been set up?”The pavilion master walked to Qin Yu’s side.

Qin Yu shook his head and said, “If you want the formation to be perfect, you need one more thing.”

“What?”The pavilion master asked.

Qin Yu narrowed his eyes and said, “Qiankun Stone.”

“Qiankun Stone?”Upon hearing this name, the pavilion master could not help but turn pale with fright.

Qiankun stone was an extremely rare material. Currently, only the Heaven's secret pavilion knew about it publicly.

And the pavilion of Heavenly Secrets treated the heaven and earth stone as if it was a family heirloom. Usually, not to mention giving it to others, they couldn't even take it out to have a look.

"Where are you going to get the Heaven and Earth Stone?" The pavilion master asked.

Qin Yu said coldly, "The pavilion of Heavenly Secrets."

"They won't give it to you." The pavilion master shook his head and said.

Qin Yu sneered and said, "They have to give it even if they don't want to. This is what they owe me!"

"Owe you?" The pavilion master was even more puzzled.

Qin Yu sneered and said, "They owe me a life, so use this Qiankun Stone to pay me back."

As he said this, Qin Yu spat out another mouthful of blood.

The blood dyed the snow on the ground red, making it look shocking.

Chapter 857: Chapter 857, the power of a punch!

Seeing this, the pavilion master frowned even more.

All the signs showed that Qin Yu's golden core was indeed damaged.

Qin Yu wiped the blood from the corner of his mouth, but there was not much worry on his face.

“Your Body...”the pavilion master opened his mouth.

Qin Yu waved his hand and said, “I’m Fine, Lord Pavilion Master. I’m going to Jingdu right now to look for Luo Jingyu.”

“What if Luo Jingyu doesn’t give you the Cosmic Stone?”The pavilion master asked.

Qin Yu said in a deep voice, “I think I’m still too soft-hearted. That’s why so many people risked their lives to come and Snatch Yan Ruoxue.”

Although this sentence wasn’t a direct answer, the meaning was very obvious.

Qin Yu didn’t say anything more. He said goodbye to the Pavilion Master and left the Divine Alchemist Pavilion.

Currently, Qin Yu did not have a better way to protect the pavilion master and Yan Ruoxue, unless he found a secret realm.

Jingdu, the pavilion of heavenly secrets.

There were many people here. Many people were here to buy spiritual artifacts and top-tier weapons.

The true top-tier buyers were naturally not in this hall. Instead, they were in the villa behind the Hall of the pavilion of heavenly secrets.

At this moment, there were three half-step martial saints in this villa.

These three people were all holding a spiritual weapon.

And these three spiritual weapons all had one thing in common, which was that they could restrict the other party's physical body.

Luo Jingyu poured tea for them and said with a smile, "The three of you, are you satisfied with this spiritual weapon?"

"That's right." The three people nodded.

"Pavilion Master Luo, how much do these three spiritual weapons cost?"

Luo Jingyu laughed loudly and said, "These three spiritual weapons are all high-quality spiritual weapons. Naturally, their prices are not cheap."

As he spoke, Luo Jingyu extended three fingers.

"Three billion," Luo Jingyu said lightly.

Such a price made the three of them frown slightly.

Although a half-step martial saint did not lack money, three billion was still a huge sum.

"Three billion... The price is indeed a little too expensive," one of them said with a frown.

"Alright, if we can get rid of that Qin Yu, three billion is worth it." The other person nodded and said.

Upon hearing this, Luo Jingyu quickly stood up and exclaimed, "What did you say? Get Rid of Qin Yu?"

"That's right. Why? Does Pavilion Master Luo Know Him?" A half-step martial saint asked.

Luo Jingyu did not answer this question. He narrowed his eyes slightly and said, "Since you are here to kill Qin Yu, I will give you a discount for these three spiritual artifacts. Take One Billion."

"Oh?" The three of them looked at each other and then smiled. "Thank you very much, pavilion master Luo!"

Before he finished speaking, Luo Yang suddenly rushed in.

He leaned on Luo Jingyu's ear and said, "Dad, that Qin Yu is here. Our people can't stop him at all."

"Qin Yu is here?" Luo Jingyu raised his eyebrows, and a trace of surprise flashed across his face.

"There's no need to stop him. Just let him in."

Luo Yang was stunned. He seemed to want to say something, but was interrupted by Luo Jingyu with a wave of his hand.

As he spoke, Qin Yu had already strode in.

He sat directly next to Luo Jingyu and poured himself a cup of tea.

"Qin Yu, what brings you here?" Luo Jingyu asked with a smile.

Qin Yu glanced at him and said, "I'm here to get something from pavilion master Luo."

"Oh?" Luo Jingyu raised his eyebrows.

"I don't know what you're talking about?"

Qin Yu took a sip of tea and said, "Qiankun Stone."

Upon hearing these three words, Luo Jingyu's face suddenly changed!

He suddenly stood up and said coldly, "Qiankun Stone? Qin Yu, are you joking?"

"Do you think I'm Joking With You? One Qiankun Stone for your whole family's life. It should be worth it."

Luo Jingyu's face was extremely gloomy. Countless thoughts emerged in his heart. Countless thoughts of getting rid of Qin Yu!

"Sir, you are robbing us openly." At this moment, the three half-step martial saints said.

Qin Yu glanced at them and said, "It's none of your business."

"Haha, it really didn't take much effort to come here." These three people stood up and said.

"Qin Yu, we were just about to look for you. We didn't expect you to come to us."

Qin Yu narrowed his eyes slightly and said with a cold smile, "Who are you people? which sect and aristocratic family are you from?"

"You don't need to know this. In short, you will definitely die today." These three people said indifferently.

Qin Yu raised his eyebrows and smiled, "Since I am already a person who is about to die, why not tell me?"

The three of them looked at each other and seemed to think that it made sense.

“Alright, there’s no harm in telling you. Listen well, we are from the northwest aristocratic family, the Lei family!”The three of them shouted.

Qin Yu touched his chin and said in a low voice, “The Lei family... Alright, Let’s start with you guys.”

“Start first? Start what?”The three of them seemed a little puzzled.

Qin Yu sneered, “Kill the chicken to warn the monkeys.”

After saying that, the tea in Qin Yu’s hand was suddenly splashed out!

This water contained Qin Yu’s extremely powerful spiritual power, each of them contained a force of ten thousand tons!

The three of them stretched out their palms, and a light burst out in all directions, and these few drops of tea immediately exploded!

“Do it, kill him!”The three of them shouted loudly.

After they finished speaking, they began to activate the Dharma artifacts in their hands!

This Dharma artifact was a heaven-grade Dharma artifact, and it was all made by Luo Jingyu. Furthermore, it was specially targeted at the physical body!

Therefore, they were full of confidence.

Along with the activation of the Dharma artifact, rays of light instantly landed on Qin Yu’s body!

In an instant, Qin Yu’s body seemed to have sunk into a quagmire! That light seemed to be corroding Qin Yu’s fierce body!

“Without your physical body, you’re Only So-so!”The three of them shouted loudly!

Qin Yu sneered, “You want to restrict me with a low-grade heaven rank spiritual artifact?”

Before he could finish his words, Qin Yu’s body shook, and a golden light instantly burst out!

“Boom!”

The spiritual artifacts in the hands of the three people were directly shattered!

“How... how is this possible!”The three half-step martial saints’expressions changed drastically!

Luo Jingyu’s eyes widened!

The spiritual artifacts were made by him. Of course, he knew how powerful this spiritual artifact was!

“Luo Jingyu! You used a fake to fool us!”The three people thought that they had bought a fake and couldn’t help but shout at Luo Jingyu!

When Qin Yu heard these words, he said with some surprise, “This heaven rank spiritual artifact was made by you? It seems that you have some ability.”

Luo Jingyu didn’t say a word, his forehead was full of cold sweat.

These three people saw that the situation was bad and planned to take the opportunity to escape.

But How Could Qin Yu give them a chance? Before they could turn around, a golden light had already pressed down on them!

This was a casual punch from Qin Yu. Golden Dragons coiled around his arm, and a terrifying power surged out from his fist!

“Boom!”

The fist landed squarely on the bodies of the three men, and the terrifying penetrating force even penetrated the walls of the villa!

“Pu!”

With just one punch, the bodies of the three men were directly penetrated, and their internal Qi instantly weakened!

Luo Jingyu could not help but suck in a cold breath when he saw this!

Before he could be shocked, a loud sound came from outside the villa!

At a glance, the hill not far away collapsed with a loud bang!

Everyone's faces were instantly filled with astonishment!

The residual power of this punch not only shattered the wall, it even shattered the hill in the distance!

Chapter 858: Chapter 858, the day of the new year!

The Luo father and son were dumbstruck as they swallowed their saliva.

They did not dare to imagine that three half-step martial saints would die in front of Qin Yu just like that!

What level had Qin Yu's cultivation reached now ?

Why was his progress so fast ?

Qin Yu walked up to the three people, dug out their golden cores, and put them into his spatial divine weapon.

Then, Qin Yu looked at Luo Jingyu coldly.

“Take out the Qiankun stone, and I'll spare your life,”Qin Yu said indifferently while sitting on the sofa.

Luo Jingyu came back to his senses and said, “The Qiankun Stone was passed down by our ancestors. If...”

“I don't want to listen to nonsense. The Qiankun Stone is not necessary for me. Either you hand it over, or I don't want it anymore,”Qin Yu's tone was full of threat.

Luo Jingyu gritted his teeth and said, “If you want the Qiankun Stone, that's fine. But I have a request. Return the spatial God weapon that you stole, and I'll give you the Qiankun Stone!”

“You don't have the right to negotiate,”Qin Yu said coldly.

“I want both the Qiankun Stone and the spatial god weapon.”

Luo Jingyu said angrily, “Qin Yu, are you being unreasonable ? ! Aren't you going too far ? !”

Qin Yu frowned slightly and raised his hand to slap Luo Jingyu's face.

“Pay attention to your tone when talking to me,”Qin Yu said coldly.

Luo Jingyu opened his mouth and was speechless.

He never thought that he would have such a day!

Luo Jingyu couldn't help but glare at Luo Yang. If it weren't for him, he wouldn't have provoked Qin Yu!

“My patience is limited, so I'll only give you three seconds. If you don't make a decision in three seconds, I'll kill you,”Qin Yu said coldly.

Luo Jingyu knew that he wouldn't be able to escape, so he could only bite the bullet and say, “Okay, I'll give it to you!”

After saying this, Luo Jingyu suddenly took out a spatial magic tool and planned to escape!

A black hole appeared in front of him!

Luo Jingyu pulled Luo Yang Up and was about to run away!

However, Qin Yu stretched out his palm and slapped forward.

“Boom!”

The black hole's entrance was directly smashed into pieces, and the spatial magic tool also exploded!

This instantly made the Luo father and son's back feel a chill!

“Do you know the consequences of playing with me ?”Qin Yu's body emitted waves of coldness.

Luo Jingyu was instantly scared out of his wits. He hurriedly said, “I'm the one who's obsessed. I... I'll go get the Cosmic Stone for You Now!”

Qin Yu coldly said, "You've already played with me once. If there's a second time, you know the consequences."

"I don't dare, I don't dare..." Luo Jingyu said with a trembling voice.

He turned around and quickly left the room. Ten minutes later, Luo Jingyu came back with a sandalwood box.

"This... This is the Qiankun Stone," Luo Jingyu said reluctantly.

Qin Yu took it and opened the box. He saw a palm-sized stone lying quietly in the box.

"This is the Qiankun Stone?" Qin Yu sized it up carefully.

The stone emitted a faint light and a strange power surrounded it.

Qin Yu put the Qiankun Stone back into the box and then put it away.

Luo Jingyu's heart was bleeding. He gritted his teeth, wishing that he could kill Qin Yu.

"Luo Jingyu, do you know why I spared your life?" Qin Yu suddenly asked.

Luo Jingyu shook his head, indicating that he didn't know.

Qin Yu didn't say anything. He shook his palm, and the bronze sword fell in front of Luo Jingyu.

"You're a blacksmith. Help Me Forge this sword properly," Qin Yu said.

This sword had fused with the bones of a mighty figure. Unfortunately, Qin Yu's refining technique wasn't exquisite enough, so he couldn't bring out the effects it had.

Luo Jingyu took the bronze sword and carefully examined it.

"Black iron, essence stones, and... The skull of a mighty figure!" Luo Jingyu stroked the bronze sword and muttered in a low voice.

Qin Yu raised his eyebrows and said with a smile, "You have some ability. How about it? Is there any possibility to improve this sword?"

Luo Jingyu said in a deep voice, "Yes, and the space is very big."

Qin Yu stood up and said, "Then I'll leave it to you. I'll come to you to get the sword after the New Year."

After saying this, Qin Yu turned around and left.

After Qin Yu left, Luo Yang hurriedly asked, "Dad, he took the space God weapon and the Qiankun Stone. Are we going to let it go just like that?"

Hearing this, Luo Jingyu slapped Luo Yang's face!

"If it weren't for you, you bastard, how could our pavilion of heavenly secrets suffer such a heavy loss?" Luo Jingyu said through gritted teeth.

Luo Yang covered his face and didn't dare to say a word.

"This Qin Yu is no longer someone we can deal with. Unless there's a martial saint in the world, no one can stop him!" Luo Jingyu said coldly.

Luo Yang gritted his teeth and said: “The Jingdu Martial Arts Association will definitely not let him off.”

“Let’s Hope so.”Luo Jingyu sighed.

... ..

The statement that Qin Yu had made on the martial arts forum was still continuing to ferment.

Because Qin Yu had only mentioned the name of the Jingdu Martial Arts Association, they were not overly flustered.

Moreover, it was the New Year’s Eve, so they were not in the mood to care about anything else.

The fire country’s New Year’s Eve was always extremely peaceful and peaceful.

Everyone seemed to have put down their grudges at the same time. All their grudges would be settled after the new year.

However, there was one person who was an exception, and that was Qin Yu.

At this moment, Qin Yu had returned to the Divine Alchemist Pavilion.

He had used the cosmic stone as the core of the killing formation and had handed over the authority of the killing formation to the pavilion master.

“With this killing formation, I believe that even a half-step martial saint would find it difficult to get even half a step closer.”Qin Yu said in a deep voice.

Although he had said so, there were still some flaws in this formation.

That was, once they encountered a top formation master and destroyed the core of the formation, the formation would naturally break.

Therefore, Qin Yu set the core of the formation in an extremely hidden place.

“There’s still a week before the New Year,”the pavilion master said in a low voice from the pavilion master’s building.

Qin Yu grunted and muttered, “This is destined to be an extraordinary year.”

“If you don’t have anywhere else to go, then stay in the Divine Alchemist Pavilion,”said the pavilion master.

Qin Yu glanced at Yan Ruoxue who was lying in the medicinal pool. His heart was not only throbbing with pain.

Every time it was the New Year and the New Year, he would miss his beloved even more deeply.

Qin Yu was the same. He took a deep breath and shook his head, “No, I want to go to the northwest.”

“Go to the northwest for what?”The pavilion master asked doubtfully.

Qin Yu said coldly, “The slaughterhouse, the northwest, the Lei family.”

“It’s almost the new year. It’s better to wait until after the New Year. Otherwise, it will easily provoke public anger.”The pavilion master suggested.

Qin Yu glanced at the pavilion master and said, “No, not only do I want to make a move, I also want to make a move on the new year’s Day.”

“I just want them to know that once they provoke me, I will not have any bottom line!”

Chapter 859: Chapter 859, the eight higher-ups!

The pavilion head opened her mouth, but she couldn't say anything.

She could clearly feel the cold killing intent from Qin Yu.

This killing intent was extremely pure, and it sent chills down people's spines.

“Oh right, pavilion head, do you know where there are Mystic Realm Masters?” Qin Yu suddenly thought of something.

“Mystic Realm Masters?” The pavilion head frowned.

“Usually, only extremely large forces and organizations would have Mystic Realm Masters, because Mystic Realm Masters are too rare.” Pavilion master shook his head.

“As expected.” Qin Yu sighed slightly.

If she had known earlier, she would not have killed Zheng Ke so early.

At least take her to the Green Moon Villa's spirit spring to take a look. There was an ownerless mystic realm hidden there.

I can only place my hopes on the Jingdu Martial Arts Association, Qin Yu thought to herself.

As long as Gu Xinghe was captured, Qin Yu could negotiate terms.

And Gu Zizhen's relationship with the higher-ups of the Jingdu Martial Arts Association was clearly not as humble as Granny Qin's. Presumably, she would be able to get what she wanted.

In the next few days, Qin Yu did not leave the Divine Alchemist Pavilion.

And everything was as the Pavilion Master had said. It was the end of the year, and the various major factions did not come again.

Time flew by. In the blink of an eye, there were only three days left before the New Year.

Early one morning, Qin Yu came to the pavilion master's building.

"Pavilion Master, I plan to go to the northwest Lei family," Qin Yu said.

The pavilion master said in a deep voice, "Although the Lei family is not very famous, their strength is still extremely tyrannical. After all, they are an old aristocratic family."

Qin Yu sighed and said, "Sigh, I can't find any other targets for the time being. Otherwise, I wouldn't have chosen the Lei family to act."

At this moment, the pavilion master seemed to have suddenly thought of something.

"I remember that at the end of the year, the purple robes of the Jingdu martial arts association would gather once and hold a meeting," the pavilion master said faintly.

Qin Yu's brows raised and he said, "You mean... you want me to go to the Jingdu Martial Arts Association?"

“I didn’t say that.”The pavilion master spread his hands.

Qin Yu laughed and said, “I understand. I’ll go to Jingdu now.”

After saying goodbye to the Pavilion Master, Qin Yu went straight to Jingdu.

Compared to the purple robe, the influence of the Lei family was obviously far inferior.

After all, the purple robe represented the highest combat strength on the surface of the Jingdu Martial Arts Association.

At this moment, there were many cars parked at the entrance of the Jingdu Martial Arts Association.

These cars were of all shapes and sizes, and there were all kinds of luxury cars.

And the owner of these cars was the purple robe who worked for the Jingdu Martial Arts Association.

Many purple robes gathered at the entrance, exchanging greetings and waiting for the Jingdu Martial Arts Association’s notice.

Ten minutes later.

Xia hang walked out from inside.

“The higher-ups have summoned you to the conference room,”Xia Hang said.

Hearing this, a hint of shock and excitement flashed across the faces of the purple-robed men.

“Higher-ups? The one holding the conference this time is actually the higher-ups?” One of the purple-robed men said excitedly.

“In the past, it’s Always Granny Qin. It’s almost impossible for us to meet the higher-ups!”

“That’s great. I didn’t expect that we would actually be able to meet the higher-ups!”

Xia hang explained, “Because Gu Xinghe has returned to the second secret realm, the higher-ups will personally hold the conference for you this time.”

“President Xia, hurry up and take us there, we can’t wait any longer!” More than twenty purple-robed men said excitedly.

Xia hang nodded, turned around and walked into the Jingdu martial arts association, leading everyone to the meeting room of the higher-ups.

The meeting room was pitch black, and the weak light added a layer of solemnity and mystery to the entire meeting room.

Many purple robes carefully walked into the conference room. There was a clear sense of nervousness and excitement on their faces.

“Sit down.” Xia hang pointed at the huge round table in front of him.

This round table was extremely huge, enough to accommodate more than 20 purple robes.

Xia hang also found a seat and sat down, quietly waiting for the arrival of the higher-ups.

After about half an hour, there were faint sounds coming from the darkness.

Xia hang hurriedly stood up and shouted, "Say hello to the higher-ups!"

Many purple robes quickly imitated Xia hang and stood up and shouted, "Say hello to the higher-ups!"

The eight higher-ups did not say a word. Their figures were hidden in the darkness and their real bodies could not be seen at all.

The scene fell into a short period of silence.

A few minutes later, a higher-up said coldly, "This time, we will hold a year-end meeting. This meeting will mainly inform two things."

"Next year, there will be a martial saint. I believe all of You Already Know."

"And once the first martial saint is born, there will definitely be a second and third martial saint!"

"At that time, the Jingdu Martial Arts Association will do its best to nurture a new generation of martial saints! and the new generation of martial saints will be chosen from among you."

Once these words were said, the entire place erupted!

Everyone shouted excitedly, "Many thanks to the high-ranking official!"

"Maintain silence," Xia Hang said in a deep voice.

Then, the higher-ups hidden in the shadows continued, “The Jingdu martial arts association must maintain its dominance in the martial arts world. No one is allowed to shake it!”

“Although there were some accidents this year, all of this will end next year.”

“Next year will indeed end because your Jingdu martial arts association will be destroyed next year.”

At this moment, a voice came from outside the door!

Everyone’s expressions changed, and they all looked towards the door.

They saw Qin Yu Swagger in.

“Are you in a meeting? Can you bring me along?” Qin Yu sneered.

“Qin Yu? This isn’t a place you can come to. Quickly get out!” A purple-robed person shouted.

Qin Yu ignored him. He glanced around and said, “This is the meeting room of the higher-ups? TSK TSK, where are the eight higher-ups? Why didn’t I see them?”

“The higher-ups are all the incarnations of Darkness. How can you see them!” A purple-robed man berated.

“The incarnations of Darkness? ARE YOU A F * cking primary school student?” Qin Yu couldn’t help but curse.

The many purple-robed men were extremely furious. Perhaps it was because they had the support of the higher-ups, so they kept cursing Qin Yu.

Qin Yu ignored them. Instead, he glanced at the eight empty seats.

“I heard that your higher-ups like to hide in the dark. No one has seen you before, right?” Qin Yu narrowed his eyes and said.

Xia Hang, who was at the side, said somewhat nervously, “Qin Yu, what are you going to do! Hurry up and leave before the higher-ups get angry!”

Qin Yu didn't pay any attention to him. Instead, he continued, “I'm very curious. Just how ugly do you have to be to not dare to see others? Hiding in the dark every day, aren't you all curious?”

No one said a word. How could they dare to answer this question.

Qin Yu slowly stood up and sneered, “Since I'm here today, let me unveil your curtain and see what exactly you eight look like!”

Chapter 860: Chapter 860, the true face of the higher-ups

“Qin Yu, how dare you say such heinous words!” The surrounding purple-robed men stood up and shouted!

In their eyes, the higher-ups were incomparably sacred existences that could not be questioned by anyone!

However, Qin Yu completely ignored them. He stood up with large strides and walked towards the eight empty seats.

“Qin Yu, how dare you!” A purple-robed man could not hold it in any longer and rushed towards Qin Yu!

However, Qin Yu did not even look at him. He casually waved his palm and that purple-robed man was instantly sent flying and fell to the ground!

These purple-robed men were merely at the peak of the Martial Marquis Realm. How could they be Qin Yu's match?

Seeing such a scene, the purple-robed men were immediately frightened and did not dare to keep quiet.

Qin Yu walked straight to the eight empty seats. He extended his palm and a streak of spiritual fire was ignited.

Relying on the spiritual fire, Qin Yu tried to see clearly what was hidden in the darkness.

But unfortunately, under the illumination of the spiritual fire, there was actually nothing in the darkness!

"How could this be?" Qin Yu immediately frowned.

"Could it be that the eight higher-ups have already escaped?" Qin Yu said sarcastically.

"Nonsense! How could the higher-ups be afraid of You!" Someone berated.

Qin Yu didn't pay any attention. He swept his gaze across the eight seats. As expected, these eight seats were all empty.

Just as Qin Yu was lost in thought, a voice came from the dark.

"Qin Yu, you barged into the conference room of the Jingdu Martial Arts Association. Have you thought about the consequences!"

This voice came from the higher-ups!

Qin Yu followed the voice in an attempt to find their location.

But unfortunately, the voice seemed to come from all directions, and he couldn't find their location at all.

“What kind of secret technique is this?” Qin Yu frowned.

“Qin Yu, don't flaunt your insignificant achievements. There are many things in this world that you don't know.” Another higher-up's voice came out.

Qin Yu scratched his head. He held the golden light in his hand and suddenly smashed it toward the higher-ups' location.

“Boom!”

The chair was instantly shattered, but the higher-ups still did not show themselves.

“Strange,” Qin Yu muttered.

“What secret technique did you guys use to hide yourselves?” Qin Yu asked, somewhat puzzled.

“Our methods are not something you can understand.” The voice of the higher-ups sounded again.

Qin Yu was just about to speak when another higher-up spoke, “Everyone, leave for now.”

“Yes, high-ranking official,” the purple-robed men bowed and said.

“What’s the Rush?” However, at this moment, Qin Yu slapped his palm, and the door was immediately closed.

“Aren’t you all going to have a meeting? Continue with the meeting. I want to hear what you guys are holding back,” Qin Yu said swaggeringly as he sat on the chair.

A high-ranking official said angrily, “Qin Yu, do you really think that our Jingdu martial arts association can’t Do Anything to You? !”

Qin Yu narrowed his eyes slightly and sneered, “That’s right, that’s what I think.”

“If I’m not wrong, your main bodies should be hidden in the secret realm, right? In the first secret realm?” Qin Yu sneered.

The many higher-ups were silent, as if Qin Yu had guessed correctly.

“Since your main bodies can’t come, why should I Be Afraid of You?” Qin Yu sneered.

“Qin Yu, what exactly do you want to do!” A higher-up berated.

Qin Yu leaned back on the chair and said indifferently, “I came today for one thing, and that is... to kill people!”

As he spoke, Qin Yu’s eyes swept over the purple-robed people who were hungry.

“Aren’t you known as the right-hand men of the Jingdu Martial Arts Association? Although I can’t destroy the Jingdu Martial Arts Association for the time being, I can still break his right-hand men,” Qin Yu said indifferently.

As soon as he said this, the purple robes turned pale with fright!

Qin Yu actually wanted to kill all of them? !

“Qin Yu, are you... are you trying to scare us? We are not scared!” A purple robe forced himself to rebuke.

Qin Yu glanced at him, suddenly clenched his fingers, and threw a punch!

That golden light was like a torrential downpour, bringing with it a terrifying force as it directly smashed that purple robe into meat paste!

“Do you think I’m Joking?” Qin Yu said coldly.

This time, no one dared to speak.

“Qin Yu, you’re the first person who dares to act arrogantly in the Jingdu Martial Arts Association,” a higher-up said coldly.

Qin Yu laughed loudly and said, “If you can’t mobilize a martial saint, then there’s nothing you can do to me.”

“Do you really think we can’t mobilize a martial saint?” A higher-up threatened.

Qin Yu raised his eyebrows and said, “Why? Aren’t you afraid of the Dao Protector?”

The higher-ups immediately fell into silence.

Clearly, they were also afraid of the existence of the Dao Protector.

“Alright, I won’t waste any more words with you.”Qin Yu stretched his body and stood up.

Then, he opened his mouth and revealed a mouthful of white teeth. He sneered like a demon and said, “Today, I will kill all of your purple robes in front of the eight of you higher-ups!”

Before he could finish his sentence, Qin Yu’s figure suddenly disappeared. In the blink of an eye, he arrived in front of a purple robe.

The Purple Robe was stunned. Before he could react, Qin Yu had already pierced through his chest!

For a moment, all of the purple robes were so scared that their faces turned pale. They immediately ran away.

The entire conference room was filled with wails and the smell of blood.

The shrewd Xia hang stood silently at the side and was looking for an opportunity to escape.

Qin Yu deliberately spared his life and took the lead in killing the purple robe.

Just as Qin Yu was killing the purple robe, Xia hang seized the opportunity and escaped from the meeting room!

The entire meeting room was filled with the smell of blood.

This massacre lasted for half an hour.

The Purple Robe team, which was known as the invincible under the heavens, was completely annihilated.

For a moment, blood flowed like a river, and sorrow filled the fields.

Qin Yu's body was also dyed red with blood. The more than 20 golden cores in his hands lit up the dim meeting room!

Qin Yu wiped the blood off his face and sat down on the chair. He casually picked up Xia hang's cigarette on the table and stuffed it into his mouth.

“Phew, you eight higher-ups, are you just going to watch me kill people? How is it, you feel very uncomfortable, right?” Qin Yu mocked.

At this moment, a high-ranking official said, “They are just a bunch of ants. Why would we care?”

“To us, the peak of the Martial Marquis realm can be groomed at any time.”

Qin Yu narrowed his eyes and said coldly, “They regard you as gods, but you treat them as ants.”

“Hehe, shouldn't gods look down on all living things?” A high-ranking official sneered.

“People who are looked up to, why would they care about their lowly lives?”

Qin Yu's expression became colder and colder. He couldn't help but say with some anger, “Why are there animals like you who think highly of yourselves everywhere?”

They weren't angry at Qin Yu's words. Instead, they said indifferently, “Qin Yu, why don't We Sit Down and talk?”

“Talk?” Qin Yu raised his eyebrows and then sneered, “Sure.”

Chapter 861: Chapter 861, the olive branch of the higher-ups

Qin Yu turned the tables and sat down on the chair, sneering, “Let’s talk.”

In the dark, the voice of the higher-ups could be heard.

“Qin Yu, there isn’t much enmity between you and the Jingdu Martial Arts Association.”

“And the purpose of our JINGDU martial arts association is to recruit talents.”

Qin Yu knocked on the table and said, “Continue.”

“Right now, the JINGDU martial arts association has been stirred up by you and has lost all its talents. This is no longer in line with our original intention.”

“As you can see, the JINGDU martial arts association urgently needs a leader.”

“If you are willing, we are willing to let you be the leader.”

Hearing their words, Qin Yu couldn’t help but laugh.

“Let me be the leader?” Qin Yu raised his eyebrows.

“In other words, from now on, I will be the one in charge of the Jingdu Martial Arts Association?”

“That’s right.”The higher-ups gave a definite answer.

“At that time, you will be the chief of the martial arts world.”

“This should be what you dream of.”

Qin Yu narrowed his eyes slightly. He swept his gaze across the eight empty seats and sneered, “Do you think my purpose in doing all this is to lead the martial arts world?”

“What else? Your ultimate purpose is to replace us, right?”A higher-up laughed.

“Qin Yu, there are no eternal enemies, only eternal benefits.”

“With our help, it’s only a matter of time before you become a martial saint.”

When Qin Yu heard this, he could not help but burst into laughter.

“What are you laughing at?”A higher-up asked in a deep voice.

Qin Yu sneered, “I just think you guys are funny.”

“Leader? To put it bluntly, I’m just a puppet for you guys. You guys can kick me out at any time.”

“Moreover, you guys should like people who are more obedient, right? It’s a pity that I’ve been disobedient since I Was Young.”

“As for what you said about being the chief of the world of martial arts... In my eyes, it’s nothing at all. That’s never been my goal.”

Hearing Qin Yu’s words, many higher-ups fell into silence.

“Then what do you want?” A higher-up asked.

Qin Yu rolled his eyes and said, “How about this? In order to express your sincerity, you tell me how to undo the God binding spell first. How about it?”

The higher-up said in a deep voice, “The god binding spell is just a spell that is not worth mentioning. We can give it to you at any time.”

“Then don’t waste time. Tell me quickly,” Qin Yu stood up and said.

The higher-up was silent again.

A moment later, a higher-up said, “It’s okay to give you the god binding spell, but you have to agree to one condition of ours.”

“Speak.” Qin Yu nodded.

“You have to go to the second secret realm and accept our spell,” said one of the higher-ups.

Qin Yu raised his eyebrows and sneered, “Your spell? Is it used to control my spell? Like Granny Qin? As long as you don’t Listen, you can be destroyed at any time?”

“That’s right.” The higher-ups did not hide this question.

“We must have some control over you. This can be considered as a way for you to show your loyalty.”

Qin Yu raised his eyebrows. He thought for a moment and said, “I have other conditions.”

“Speak,” the higher-ups said in a deep voice.

Qin Yu sneered, "I want the second mystic realm. I want to become the Master of the second Mystic Realm."

This instantly silenced all the higher-ups.

After a few minutes, not a single person spoke.

Qin Yu laughed coldly, "What, you don't agree?"

"The Master of the second secret area, Gu Zizhen, is a peak martial saint. If you become a martial saint, we can consider it." A higher-up said in a low voice.

Qin Yu laughed, "It's only a matter of time before you become a martial saint. What's the Rush?"

"Besides, when I become a martial saint, do I still need you guys?"

The higher-ups remained silent. It seemed that Qin Yu's words made sense.

"We can give you the second secret realm as long as you are willing to accept our spells," the higher-ups continued.

Qin Yu could not help but raise his eyebrows.

He had never expected that this higher-ups would actually agree!

Qin Yu thought for a moment and said, "What if I don't accept your spells? After all, I don't like to be restricted."

"Don't accept spells?" The higher-ups' voice was a little doubtful.

After a while, a woman's voice came out, "Okay, I'll agree to it."

“You agree to it?” Qin Yu was even more surprised.

“Of course. After all, we have always cherished talents.” The woman’s voice came out again.

Qin Yu touched his chin and said, “Also, from now on, you are not allowed to have any ideas about Yan Ruoxue.”

“Okay.” They continued to agree.

When he heard this, Qin Yu could not help but burst into laughter.

“Do you think I’m an idiot? You want to trick me into going to the second mystic realm and take my life?” Qin Yu laughed out loud.

“Don’t think I don’t know that once I enter the second mystic realm, the martial saint will quickly eliminate me!”

One of the higher-ups said coldly, “Qin Yu, we have no such intention.”

“Screw you! Do you think I’m an idiot?” Qin Yu mocked.

“You can even give up your own people at any time, let alone someone who is against you?”

“Qin Yu!” The higher-ups seemed to be angered by Qin Yu.

“You don’t want to give face!”

Qin Yu sneered and said, “I also told you that I’ve taken a fancy to the second mystic realm and will definitely take it.”

“About next year, I will go to the secret area personally, kill Gu Zizhen, and occupy the second secret area!”

“I hope to see you in the second secret area next year.”

After saying this, Qin Yu got up and was about to leave.

“Qin Yu, you will regret it!” A voice came out.

“You will pay the price for your disrespect to us!”

“Not only will we kill you, we will also split up Yan Ruoxue’s flesh and blood! Lock her up in the cycle of reincarnation, never to be reincarnated!”

Qin Yu stopped in his tracks and said coldly, “Then let’s wait and see. Let’s see who will have the last laugh.”

“Good, good! Next year will be the day of your death!” The cold voice of the higher-ups rang out.

Qin Yu could not be bothered with them anymore. He walked out of the meeting room and stood in the office of the Jingdu Martial Arts Association.

Then, Qin Yu’s feet shook, and a terrifying power immediately spread out from under Qin Yu’s feet.

“Rumble...”

The entire Jingdu martial arts association was like an earthquake, with earth-shattering sounds coming from it!

The building began to collapse, and the office was reduced to rubble!

In a moment, the dignified Jingdu martial arts association was reduced to ruins!

Everyone passing by was shocked by this scene.

They took out their phones and hurriedly took pictures of this scene.

“An earthquake at the Jingdu Martial Arts Association?”

“Bullsh * t, your home only shook one place? If I’m not wrong, it must be renovating!”

“Renovating the F * ck, who can demolish a house with renovations?”

Just as they were discussing, Qin Yu walked out from the ruins.

He turned his head and looked coldly at the large jingdu martial arts association, then extended his palm.

His palm flickered with golden light, and a golden palm suddenly smashed toward the Jingdu martial arts association that had already become ruins!

The entire Jingdu martial arts association was completely reduced to dust!

Chapter 862: Chapter 862, dispatch a martial saint!

After doing all this, Qin Yu turned around and left without even turning his head.

The Jingdu Martial Arts Association was destroyed, and all the purple robes were killed!

This news quickly swept through the entire martial arts forum!

For a moment, everyone was discussing this matter.

The various martial arts aristocratic families were even more anxious.

Although they possessed martial power, they did not have as powerful a network as the Yan family.

Hence, these people could not help but start to worry.

And at this moment, Qin Yu had already returned to the Divine Alchemist Pavilion.

On the Pavilion Master's Building, Qin Yu smiled and said, "I really did not expect that I would be able to rush back for the New Year."

"Yes." The pavilion master nodded and said.

"I also did not expect that you would really kill purple robe."

Qin Yu took a sip of tea and said with a sneer, "This is just the beginning."

As he spoke, Qin Yu's vision went black again, and he suddenly spat out a mouthful of blood.

Qin Yu wiped the blood from the corner of his mouth, and he couldn't help but frown.

"If this happens during a fight, I'm afraid you'll Lose Your Life," the pavilion master said with a frown.

Qin Yu said with some melancholy, "Yes, we must think of a way to solve this matter."

The pavilion master said in a low voice, "Besides using the pill, there is another method."

“What method?” Qin Yu quickly asked.

The pavilion master said, “As long as you enter the Martial Saint Realm, you can abandon the Golden Pill.”

Hearing this, Qin Yu could not help but smile bitterly, “Then who knows when.”

“Isn’t there a prophecy that you will enter the Martial Saint Realm next year?” The pavilion master said with a smile.

Qin Yu said in a deep voice, “This matter has made me rather worried.”

“Oh?” The pavilion master raised his eyebrows.

Qin Yu continued, “The prophecy only states that someone will become a martial saint next year, but it doesn’t say who it will be.”

“If the first person to become a martial saint is not me but someone else, then I’m afraid it will be troublesome.”

The pavilion master nodded, indicating for Qin Yu to continue.

Qin Yu guessed, “In the current era, martial saints are not allowed to appear. However, all martial saints are old martial saints from many years ago.”

“I’ve seen the history of martial arts. In the past one hundred years, no one has stepped into the martial saint realm.”

“Although I don’t know the reason, as long as a new person steps into the martial saint realm, I think the rules set by the DAO Protector will cease to exist.”

“At that time... the martial saint in the secret realm will be born.”

A trace of surprise flashed across the pavilion master’s face.

“What you said makes sense.”The pavilion master said.

Qin Yu sighed and said, “I can’t guarantee that I will be the first person to enter the martial saint realm. This world is too big, and there are many experts.”

This time, even the pavilion master did not have full confidence.

She said in a deep voice, “Then what do you plan to do?”

Qin Yu said, “I’ve prepared two plans.”

“Either you step into the martial saint realm as soon as possible, or you find a place to hide.”

As for this place to hide, Qin Yu had already thought of a place.

That was the secret realm at the spiritual spring of the Green Moon Villa.

That secret realm was an ownerless secret realm, and no one knew about it. Even the JINGDU martial arts association could not find it.

“After the new year, I will look for Gu Xinghe and use him to threaten Gu Zizhen,”Qin Yu said coldly.

The pavilion master did not express any opinion on this.

Just as the two of them were talking, Qin Yu suddenly sensed someone walking in from the door.

“Someone is coming,”the two of them said almost at the same time.

Qin Yu slowly stood up. He closed his eyes slightly and sensed the other party’s internal Qi.

“Another half-step martial saint.”Qin Yu said with a frown.

The pavilion master nodded and said, “At this rate, it’s only a matter of time before someone becomes a martial saint.”

As he spoke, the pavilion master was about to go downstairs.

Qin Yu said with a smile, “Pavilion Master, why don’t you try this killing formation?”

The pavilion master hesitated for a moment before he said with a smile, “Good Idea.”

The two of them immediately jumped down from the pavilion master’s Building and arrived at the square. They waited quietly for each other.

Not long after, a burly man walked in.

This person had a strong build and an extraordinary aura. He looked extremely oppressive with his internal Qi.

“Who are you?”Qin Yu asked coldly.

The other party took a step forward and did not say a word.

“It’s me.”

At this moment, a voice was heard.

Looking sideways, he saw a familiar face walking in.

When he saw this person, Qin Yu was immediately shocked.

“Old Mister Yan? Why are you here?” Qin Yu hurriedly withdrew the murderous aura from his body and walked over quickly.

Old Mister Yan laughed and said, “It’s the New Year. If I don’t come here, where else can I go?”

Qin Yu pointed at the burly man at the side and said, “Who is he?”

That burly man cupped his hands and said, “I am old Mister Yan’s bodyguard.”

Qin Yu could not help but suck in a cold breath.

Old Mister Yan could actually find a half-step martial saint to be his bodyguard?

“Old Mister Yan, where have you been all this year?” The pavilion master greeted him.

Old Mister Yan waved his hand and said, “It’s a long story.”

“Let’s go upstairs first,” the pavilion master said politely.

The three of them immediately headed upstairs.

There were only three days left until the New Year.

At this moment, the news of what happened at the Jingdu Martial Arts Association had already spread to the second secret realm.

The Shadows of the various higher-ups descended on Gu Zizhen's main hall.

Gu Zizhen, Gu Xinghe, and the others knelt on the ground, unable to get up.

“No matter what, I want you to kill Qin Yu,” the higher-ups ordered.

They didn't say it explicitly, but their intentions were very clear.

Gu Zizhen and Gu Xinghe were both smart people, so they quickly understood what the higher-ups meant.

“Please rest assured, higher-ups,” the father and son said with cupped hands.

The higher-ups didn't say anything, and their phantoms slowly disappeared.

After they left, Gu Xinghe flew into a rage and cursed, “This Qin Yu, I want to kill him, I want to kill him! !”

Gu Zizhen's expression also did not look too good.

The person who had taken over the Jingdu martial arts association was his son, yet such a thing had happened.

This was definitely not good news for the GU family.

“Father, what does the higher-ups mean?” Gu Xinghe asked with a gloomy face.

Gu Zizhen stroked his beard and said in a low voice, “They want me to send out a martial saint to kill Qin Yu.”

Gu Xinghe also gritted his teeth and said, "It's just killing Qin Yu. Is it worth it for us to send out a martial saint?"

Gu Zizhen said in a low voice, "They mean, even if we have to sacrifice a martial saint, we have to get rid of this Qin Yu!"

Gu Zizhen could not help but feel a little melancholic.

He was worried that this move would anger the dao protectors.

He was even more worried that the one who would be sacrificed would not be a martial saint, but the entire second secret realm.

"Dad, this move could very well bring disaster to us," Gu Xinghe said with a frown.

"If it really can't be done, I'll bring people to kill that Qin Yu Right Now!" Gu Xinghe volunteered.

Gu Zizhen did not say anything for a long time.

He was also extremely conflicted.

If a martial saint was sent out, it might anger the guardian.

However, if he disobeyed the orders of the higher-ups, he would definitely die.

After hesitating for a while, Gu Zizhen said in a deep voice, "The Guardian has not appeared for over a hundred years. It's a problem if he's still alive!"

"And if he disobeys the orders of the higher-ups, he'll definitely die! Take a gamble!"

Chapter 863: CHAPTER 863, the Martial Saint made his move!

Anyone who went against the higher-ups would die without a doubt!

However, if the martial saint was sent, the Guardian might not appear!
After all, he had not appeared for many years!

Hearing Gu Zizhen's words, Gu Xinghe said anxiously, "Dad, why take such a big risk to kill Qin Yu? I can kill him!"

Gu Zizhen glanced at him and said, "This is an order from the higher-ups. I can't disobey it."

Gu Xinghe gritted his teeth. Although he was unwilling, there was nothing he could do.

"It's his honor to die at the hands of a martial saint," Gu Xinghe said coldly.

Gu Zizhen did not say anything more. He looked at the person beside him and said, "Go and summon Zhai Xing to see me."

"Yes." The person next to him immediately bowed.

About half an hour later.

A man with short hair and white hair walked in.

This person looked very energetic, but he was already a hundred years old!

"Uncle Zhai Xing." Gu Xinghe saw this person and quickly greeted him.

The man called Zhai Xing nodded slightly and then looked at Gu Zizhen.

Gu Zizhen said in a deep voice, “Zhai Xing, you and I have been brothers for many years. I’m afraid we need your help this time.”

Then, Gu Zizhen told Zhai Xing what had happened.

After Zhai Xing heard it, a hint of hesitation flashed across his face.

“I know this matter is too risky for you, but I can’t think of anyone else except you,” Gu Zizhen said with a sigh.

Zhai Xing was silent for a moment, and then said coldly, “You have done me a favor. This matter, take it as me returning your favor.”

Gu Zizhen patted Zhai Xing’s shoulder and said, “When you come back, this second secret realm will have half as much as you.”

Zhai Xing grunted in gratitude. He did not say anything more, turned around, and walked out.

...

The Jingdu Martial Arts Association was now in ruins.

But as the highest-ranking chief of the martial arts world, they did not lack money at all.

Soon, they began to rebuild the Jingdu Martial Arts Association.

During the season of heavy snow, countless people were moving bricks.

Xia hang stood in the ruins and could not help but smoke.

He had never thought that Qin Yu would be so crazy.

Not only did he kill all the purple robes in one move, but he also smashed the Jingdu Martial Arts Association.

To them, this was definitely a great humiliation. This move would definitely anger the higher-ups.

“Sigh.”Xia hang let out a long sigh.

At this moment, he did not know whether his choice was right or wrong.

Right at this moment, Xia hang suddenly felt a wave of palpitations!

His expression suddenly changed. This palpitations were as terrifying as being targeted by a fierce tiger!

Xia hang hurriedly turned his head and saw a white-haired man slowly walking over.

Even if he did not know this person, Xia hang could feel that he was extraordinary!

“You are...”Xia hang could not help but lower his head and asked tentatively.

“Star Seizer.”The other party only spat out two words coldly.

Hearing these two words, Xia hang’s entire body suddenly shivered!

“You are Lord Zhai Xing? !”Xia hang’s face instantly turned pale!

Although he had never seen Zhai Xing before, everyone knew of Zhai Xing’s great name!

“Greetings, Lord Zhai Xing!” Xia hang hurriedly knelt down on both knees, extremely respectful.

Zhai Xing glanced at him and said coldly, “You are the president of Jingdu Martial Arts Association? A peak-stage martial marquis?”

Xia Hang said with a trembling voice, “In reply to Master Zhai Xing’s words, I was recognized by the higher-ups and was lucky enough to sit in this position.”

“It’s really getting worse with each generation,” Zhai Xing said lightly.

Xia hang did not dare to say anything. He slowly raised his head and asked with a trembling voice, “Master Zhai Xing, how did you suddenly appear?”

Zhai Xing glanced at him and did not say anything. He walked straight past Xia Hang.

Xia hang immediately felt that something was wrong!

The Jingdu Martial Arts Association had just met with an accident, and Zhai Xing had come!

This was obviously aimed at Qin Yu!

“No, I have to think of a way to inform Qin Yu!” Xia Hang said in fear.

However, at this time, Zhai Xing turned around and glanced at Xia hang.

“From now on, no one is allowed to leave this place, no one is allowed to use communication tools,” Zhai Xing said coldly.

The appearance of a martial Saint had violated the agreement, so Zhai Xing naturally did not want too many people to know about this.

As he spoke, Zhai Xing extended his finger, and a ray of light burst out from his finger.

This ray of light outlined the Jingdu Martial Arts Association, and no one was able to take even half a step forward.

Then, Zhai Xing waved his hand slightly, and everyone's phones exploded!

When Xia hang saw this, his face instantly turned ashen!

This made it impossible for him to inform Qin Yu!

"It's over, it's over..." Xia hang muttered in his heart, his face deathly pale.

He did not believe that Qin Yu had the ability to fight a martial saint!

No matter how talented a person was, it was impossible for them to cross this gap!

Zhai Xing did not say anything and turned around to walk out of this place.

...

At this moment, Qin Yu knew nothing about this.

He also did not expect that the higher-ups would go against the agreement of the DAO Protectors and send out a martial saint to kill him!

Now, they were reminiscing about the past in the pavilion master's Building and did not know that danger was approaching.

Looking at Yan Ruoxue lying in the medicinal bath, old Mister Yan's face was filled with grief and anger.

"I really did not expect that my granddaughter would be subjected to such torture..." Old Mister Yan's eyes were filled with muddy tears.

Qin Yu could only comfort him, "Old Mister Yan, Ruoxue is fine. I will think of a way as soon as possible."

Old Mister Yan wiped his tears. He suppressed the anger in his heart and waved his hand, "I was out of control."

"Old Mister Yan, don't think too much." The pavilion master also comforted him.

The three of them sat at the tea table and started chatting.

After their conversation, they learned that old Mister Yan had been abroad during this period of time.

With Yan Sihai's suppression, it was difficult for him to make any progress in the country. No one was willing to do business with them.

Therefore, old Mister Yan decided to restart his business overseas.

After a year of hard work, Old Mister Yan finally had a new family background.

"Old Mister Yan, what kind of bloodline does Yan ruoxue have? Why would she attract so many people to fight over her?" Qin Yu said with some doubt.

Hearing this, Old Mister Yan couldn't help but sigh slightly.

"I'm afraid this matter will have to start from many years ago," old Mister Yan muttered in a low voice, as if he was reminiscing about the past.

"Old Mister Yan, if I'm not wrong, the bloodline in Ruoxue's body is probably related to the Yan family's secret realm," the pavilion master at the side said.

Old Mister Yan didn't hide anything. He nodded slightly and said, "That's right."

"The secret realm of the Yan Family? Isn't the Yan family a commercial empire? They actually have a secret realm?" Qin Yu was dumbfounded.

Old Mister Yan said in a deep voice, "This is a rumor. I've only heard of it."

"And the person who told me all of this is your father," old Mister Yan said in a deep voice.

"My Father?" Qin Yu's eyes immediately widened.

Old Mister Yan was about to speak when Qin Yu suddenly felt an incomparably powerful force approaching the Divine Alchemist Pavilion.

Chapter 864: Chapter 864, the closest to death

Qin Yu's expression changed drastically when he felt this power!

This power was exactly the same as the power he had felt in the second secret realm!

Not only Qin Yu, but the pavilion master and Old Mister Yan's bodyguards also felt this terrifying power approaching!

Everyone could not help but feel their hair stand on end and their hearts palpitate!

"Is this... a martial saint?" Qin Yu exclaimed in shock.

The Pavilion Master could not help but stand up as he looked towards the direction of the door.

"Old Mister Yan, please wait a moment. I'll be right back." The pavilion master said.

Qin Yu also stood up and prepared to follow the pavilion master.

At this moment, the pavilion master stopped Qin Yu and shook his head, "This person is most likely here for you. It's better if you don't appear."

Qin Yu smiled bitterly and said, "Do you think I can escape in front of a martial saint?"

The Pavilion Master opened his mouth and finally, he could only nod his head.

The two of them leaped down from the pavilion master's Building and went straight to the square.

That force was still approaching. As the distance between them got closer and closer, Qin Yu's expression could not help but become extremely ugly.

"What a terrifying force..." Qin Yu muttered in a low voice.

In front of this power, Qin Yu couldn't even think of resisting!

It was as if he was facing a huge mountain, and that terrifying oppressive feeling made him seem extremely small.

His figure got closer and closer, and very quickly, he appeared at the door.

He slowly walked towards the two of them.

Qin Yu's expression became more and more nervous, and a drop of cold sweat couldn't help but drip down from his forehead.

The pavilion master's long and narrow eyes also landed on him, not daring to shift his gaze at all.

Finally, Zhai Xing arrived in front of the two of them.

He looked down at the two of them from above. There was no sadness or joy in his eyes, as if he was staring at two ants.

"Lord Zhai Xing?" After seeing this person, the pavilion master seemed to recognize him.

"Greetings, Lord Zhai Xing." The pavilion master bowed slightly and said politely.

Zhai Xing glanced at the pavilion master and said, "You know me?"

The pavilion master smiled and said, "When you became famous, I was just a child. However, your reputation has left an indelible impression in my heart."

Seeing the pavilion master's attitude, Qin Yu could not help but suck in a cold breath.

This was the first time he saw the pavilion master's humble attitude.

"Since you know me, then there's no need to say anything more," Zhai Xing said coldly.

"Which one is Qin Yu?"

Qin Yu took a deep breath. He braced himself and took a step forward, saying, "I am."

Zhai Xing grunted in gratitude and said, "I am here to kill you. I have been ordered to kill you."

Qin Yu smiled bitterly and said, "What you said is quite straightforward."

Zhai Xing raised his hand and said, "You snatched Yan Ruoxue from the second secret realm and angered the higher-ups. I have to say, you have guts."

Qin Yu said with some bitterness, "Can I understand that you are complimenting me?"

Zhai Xing said coldly, "Those who have too much guts usually won't live for long."

As he spoke, Zhai Xing's finger slightly curved. Qin Yu immediately felt a force suddenly appear around his body!

This force was continuously contracting, as if it wanted to crush Qin Yu's bones!

Qin Yu clenched his teeth. He used all the spiritual power in his body to fight against this force!

When he saw Qin Yu's body explode with an intense golden light, blue veins popped up on his forehead.

Even so, he still appeared extremely weak in front of a martial saint.

“Crack, crack, crack!”

Soon, bursts of cracking sounds came from the bones all over Qin Yu's body, as if they were about to be crushed.

Qin Yu could not help but spit out fresh blood from his mouth!

“Lord Zhai Xing!”

At this moment, the pavilion master hurriedly walked forward and cupped his hands as he said, “Lord Zhai Xing, Please Show Mercy!”

However, Zhai Xing coldly said, “Do you want to stop me?”

The pavilion master hurriedly said, “With my strength, how could I have the qualifications to stop you?”

“Then scam to the side!” Zhai Xing coldly berated.

However, the pavilion master stubbornly stood in front of Qin Yu. She opened her mouth and was about to speak when Zhai Xing waved her hand!

That terrifying force was like a storm, directly sending the pavilion master flying!

Her delicate body fiercely slammed into the wall, and blood oozed out from all parts of her body!

Just a casual palm had made it almost difficult for the pavilion master to Stand Up!

“Lord Pavilion Master!” Seeing this, Qin Yu couldn’t help but clench his teeth, and a wave of anger filled his chest!

Zhai Xing said coldly, “You actually still have the strength to care about others. No wonder you alerted the higher-ups.”

Qin Yu gritted his teeth and said, “If I don’t die today... I will never forgive you...”

“Do you think you still have a chance to live today?” Zhai Xing snorted coldly.

“Ah! ! !”

A piercing pain came from Qin Yu’s body!

This pain was unbearable and he almost died!

At this moment, the pavilion master got up from the ground with difficulty.

She walked to Zhai Xing and said in a deep voice, “Master Zhai Xing, The Guardian has an agreement that martial saints are not allowed to appear. Do you want to go against the agreement...”

Zhai Xing glanced at the pavilion master and said coldly, “Are you trying to scare me with the Guardian? If I kill this kid and return to the second secret realm immediately, who would know?”

“No matter how strong the guardian is, it’s impossible for him to know everything.”

The pavilion master said in a deep voice, “Lord Zhai Xing, you’re wrong. Qin Yu is different from the others.”

Zhai Xing narrowed his eyes and said in a cold voice, “What do you mean?”

The pavilion master said, “Lord Zhai Xing, can we have a word in private?”

“Why? Are you trying to stall for time? Don’t play tricks with me,” Zhai Xing said with some sarcasm.

The pavilion master shook his head and said, “In front of you, no matter what tricks are used, it’s useless.”

“I will only delay you for five minutes. I think that five minutes won’t change anything.”

Zhai Xing fell silent.

He seemed to feel that what the pavilion master said made sense.

Therefore, Zhai Xing’s palm loosened, and the power that was lingering around Qin Yu’s body also disappeared.

Qin Yu fell to the ground with a bang, and his mouth was constantly gasping for air.

This was the closest he had ever been to death! This feeling made Qin Yu feel a trace of fear.

“I’ll only give you five minutes,”Zhai Xing said coldly.

“Don’t worry, I only need five minutes,”the pavilion master said.

Therefore, Zhai Xing followed behind the pavilion master and walked to one side.

The two of them stood not far away, and no one knew what they were talking about.

Qin Yu’s eyes kept looking at the two of them, and he was extremely worried.

Soon, five minutes passed.

Zhai Xing and the pavilion master walked back to Qin Yu’s side.

He sized up Qin Yu from head to toe, and could not help but frown slightly.

“Are you telling the truth?”Zhai Xing asked coldly.

“Absolutely.”The pavilion master nodded.

Zhai Xing took a deep breath and said coldly, “Okay, your name is Ji Yuhong, right? I’ll remember you.”

After saying this, Zhai Xing turned around and left.

Qin Yu was immediately dumbfounded.

He got up from the ground and said with a shocked expression, “Lord Pavilion master, what did you say to him?”

Chapter 865: Chapter 865, the furious Gu Zizhen

The pavilion master wiped the blood from the corner of his mouth, shook his head, and said, "It's nothing."

Qin Yu opened his mouth and was about to continue asking, but at this time, Zhai Xing turned back again.

Seeing Zhai Xing, Qin Yu and the Pavilion Master could not help but look a little flustered.

"Lord Zhai Xing, you..."the pavilion master's eyes were full of confusion and nervousness.

Zhai Xing ignored the pavilion master. He looked coldly at Qin Yu and said, "Qin Yu, I'll spare your life this time, but there won't be a next time."

"If I see you in the second mystic realm, I Won't Be Merciful."

After saying this, Zhai Xing turned around and left.

After making sure that Zhai Xing did not turn back again, Qin Yu heaved a sigh of relief.

"Lord Pavilion Master, Are You Alright?"Qin Yu looked at the pavilion master.

That slap had shattered many of her bones.

The pavilion master shook his head and said, "I'm fine."

Qin Yu could not help but frown deeply.

This was the first time he had seen the power of a martial saint.

In front of him, Qin Yu even felt that he had no way of retaliating.

Such a difference in strength made Qin Yu feel deeply uneasy.

“Let’s go upstairs first,”the pavilion master said.

Qin Yu grunted in gratitude and followed behind the pavilion master to return to the Pavilion Master’s building.

Upstairs, the pavilion master treated his wounds briefly before returning to the tea table.

“What exactly happened?”Old Mister Yan could not help but ask.

The pavilion master told Old Mister Yan about what had happened.

“Martial Saint?”When he heard that a martial saint had appeared, Old Mister Yan’s expression turned somewhat ugly.

“Yes, but you don’t have to worry. He has already left. I think he won’t be coming back for a while,”the pavilion master said.

Old Mister Yan could not help but feel a little melancholic.

He muttered in a low voice, “I really didn’t expect the world to change so quickly.”

“That’s right.”The pavilion master also nodded slightly.

A year ago, a martial saint at the peak of the Martial Grandmaster realm could still dominate the world.

However, in just a short year, even a martial saint had appeared.

All of this was because of Qin Yu.

Qin Yu was like a catalyst in the martial world. His appearance had caused many experts to appear.

And those who had stopped moving were completely crushed by the wheels of the era.

“Old Mister Yan, what exactly do you mean by the Yan family’s Secret Realm?”Qin Yu asked.

Old Mister Yan said in a deep voice, “Your father once told me that the Yan family has a silent bloodline, and this bloodline will reappear in my descendants.”

“That person is Yan Ruoxue, and this bloodline is passed down in the Yan family’s Secret Realm.”

Qin Yu could not help but widen his eyes.

“Old Mister Yan, I remember that you started from scratch, right? The Yan family only began to flourish in your generation, right?”Qin Yu said in surprise.

Old Mister Yan nodded slightly and said, “That’s true. At least my ancestors were all ordinary people.”

“Your father said that the secret realm of the Yan family is an extremely powerful family, but in my opinion, this may not be true.”

“If there really is a secret realm of the Yan family, why doesn’t the Jingdu Martial Arts Association Know About It? Why has Ruoxue suffered so much and yet never seen their people appear?”

The pavilion master at the side said, “Unless the secret realm of the Yan family is an existence above the Jingdu Martial Arts Association.”

Old Mister Yan said with a bitter smile, “Then I’m afraid it won’t be called a secret realm.”

“That’s true.”The pavilion master seemed to also feel that it made sense.

Why would such a powerful family rely on the current world to build a Small World?

“These are too far away from me.”Qin Yu shook his head.

In some circles, as long as one’s strength was not enough, there was no chance to even touch them.

Because one could not touch them, those circles did not exist in the eyes of many people.

“Qin Yu, you have to be careful,”the pavilion master reminded him.

“Since the JINGDU martial arts association has sent out star seizer, it is very likely that they will send out the next martial saint to kill you.”

Qin Yu grunted in gratitude. He stood up from his chair and said, “I should also prepare for my next move.”

If he wanted to avoid the pursuit of the martial saint, Qin Yu had to excavate the secret realm near the spiritual spring as soon as possible!

The Spiritual Qi leaked out from the secret realm was enough to make a large sect last for a long time. The Qi/spiritual energy in the secret realm would be even more terrifying.

“It might not be realistic to become a martial saint within a short period of time, but it shouldn’t be a big problem to become a half-step martial saint,” Doctor Qin said in a low voice.

He still had many treasures in his hands. It was only a matter of time before he entered the half-step martial saint realm.

“We’ll talk about it after the new year,” old Mister Yan said.

Qin Yu shook his head and said, “Old Mister Yan, I don’t have that much time left. I’ll set off now.”

“You’re in such a hurry?” The Pavilion Master could not help but exclaim in surprise.

Qin Yu grunted in gratitude and said, “If I stay here, it will only invite disaster.”

After saying goodbye to the two of them, Qin Yu left in a hurry.

After Qin Yu left, the pavilion master and Old Mister Yan couldn’t help but sigh.

“Speaking of which, it’s really hard on this child...” Old Mister Yan said in a low voice.

The pavilion master didn’t say anything. She seemed to be thinking about how she could help Qin Yu.

...

The second secret realm.

Zhai Xing stood in front of Gu Zizhen without saying a word.

“What’s wrong with you? ! Why didn’t you kill him? !”Gu Zizhen said furiously.

Zhai Xing still did not say a word. He just stood there and let Gu Zizhen scold him.

Gu Xinghe was rather excited. He rubbed his hands and said, “In that case, let me do it. Dad, don’t worry. I promise to bring Qin Yu back to you!”

Gu Zizhen ignored him. He stared at Zhai Xing and said, “Zhai Xing, you and I have been brothers for many years. You should at least give me an explanation or a reason.”

Zhai Xing was silent for a moment. Then he said, “I don’t know how to tell you, but I can’t kill him outside the mystic realm. Otherwise, I’ll definitely incur the wrath of the Guardian.”

“I promise you that by that time, I won’t be the only one who will be implicated. The entire second mystic realm will be implicated.”

Gu Zizhen sneered, “Zhai Xing, I’m afraid this is just your excuse, right?”

“Killing Qin Yu will bring disaster to us? And you want to vent your anger on the entire second secret realm? Do you think the Guardian is a child?”

“If you want to kill him, just say it.”

Zhai Xing suddenly raised his head.

He took a deep breath and said coldly, "If I was afraid of death, I wouldn't agree to it."

"Then why didn't you kill him!" Gu Zizhen slammed the table and stood up!

Zhai Xing narrowed his eyes and said coldly, "Well, since you keep asking, I'll tell you. Let's talk in private!"

After saying this, Zhai Xing turned around and walked out.

Gu Zizhen snorted and said, "I'd like to see what reason is there for you to return empty-handed!"

Chapter 866: Chapter 866 — that was his son!

Gu Zizhen quickly chased after him. The two of them walked out of the main hall and came to a place where no one was around.

"Tell me, why did you let him go?" Gu Zizhen asked coldly.

Zhai Xing looked at Gu Zizhen coldly and said, "Do you know who that child is?"

"Qin Yu? Hehe, you really know how to make excuses." Gu Zizhen could not help but sneer.

"We have investigated his background. He was an orphan when he was young, a son-in-law who married into the family. He has no background at all. He just has a bit of luck and some strength."

“But in your eyes, his strength is not worth mentioning at all.”

Zhai Xing took a deep breath and shouted, “He is the son of the Dao Guardian! If I kill him, do you think the Dao Guardian will let us go?”

The shout made Gu Zizhen freeze on the spot, and even the atmosphere froze.

“What did you say? ! He is the son of the Guardian? !”After a few minutes, Gu Zizhen finally came back to his senses.

Zhai xing snorted coldly, “I left the mystic realm to kill him, which is against the rules set by the Guardian. If I killed his own son, do you think I can still live?”

Gu Zizhen’s expression was somewhat unsightly.

He stood where he was and did not speak for a long time.

“Who told you about this?”Gu Zizhen hurriedly asked.

Zhai Xing said in a low voice, “The Pavilion Master of the Divine Medicine Pavilion. She seems to have some relationship with the Dao Protector.”

Gu Zizhen frowned and said, “Are you sure the information is reliable?”

Zhai Xing said with a cold smile, “Regardless of whether it is reliable or not, do you dare to take this risk?”

“Back then, the Jingdu Martial Arts Association refused to believe in evil. In the end, dozens of martial saints were killed!”

When they thought of that scene back then, both of them felt a chill run down their spines.

“In that case... doesn't that mean we can't touch him?” Gu Zizhen said with a frown.

“No.” Zhai Xing shook his head.

“That guardian of the path is an extremely rigid person. He will never break the rules he set.”

“As long as we don't break the agreement, he won't say anything even if we kill his son.”

Gu Zizhen touched his chin and said in a low voice, “It makes sense. That person is not friendly at all.”

“I advise you not to leave the second mystic realm,” Zhai Xing said and turned to leave.

Gu Zizhen stood in the same place and didn't say anything for a long time.

“It seems that... we can only rely on my son,” Gu Zizhen said in a low voice.

Gu Zizhen immediately made up his mind.

He had to be fully prepared for Gu Xinghe and ensure that he could kill Qin Yu!

...

At this moment, Qin Yu had already left the Divine Alchemist Pavilion.

He had to think of a way to find a mystic realm master.

After thinking about it, the person with the strongest connections was probably ye Qing.

As the god of war in the military district, his connections naturally didn't need to be said.

At noon on this day.

Qin Yu arrived at ye Qing's residence in Jingdu.

At this moment, ye Qing was in the military district. His entire home was empty. Other than a dog, there was no one else.

Until late at night.

Only then did ye Qing drive back.

Seeing Qin Yu, Ye Qing said with some doubt, "Qin Yu, why are you here?"

Qin Yu bowed and said, "Greetings, Officer Ye."

Ye Qing said in a deep voice, "Come in and talk."

Qin Yu followed behind ye Qing and walked into his house.

After sitting down, Ye Qing went straight to the point and said, "Tell me, what do you want to talk to me about?"

Qin Yu did not stand on ceremony and immediately expressed his intention to come.

“Officer Ye, do you know a Mystic Realm Master?”Qin Yu said.

“Mystic Realm Master?”Ye Qing raised his brows. “Why? Why are you looking for a Mystic Realm Master?”

Qin Yu said in a deep voice, “I have something to ask of you, but my connections are limited. I can only rely on you.”

Upon hearing this, Ye Qing could not help but Snicker. “I am not Ji Yuhong. I am willing to help you with anything. Remember, in my place, no one has a personal relationship.”

Upon hearing this, Qin Yu was not discouraged. Instead, he was delighted.

These words at least showed that ye Qing really knew a mystic realm master.

“Officer Ye, a mystic realm master is very important to me. If you can help me, I’ll agree to any conditions,”Qin Yu said in a deep voice.

Ye Qing raised his brows and said, “Qin Yu, what do you think you can help me with? You and I are not from the same world at all.”

“That may not be the case.”Qin Yu shook his head.

“I think as the god of war in the Military District, you must have problems that you can’t solve yourself.”

“Hahahaha!”Hearing this, Ye Qing could not help but burst into laughter.

He suddenly slapped the table and berated, “Qin Yu! who gave you the confidence to talk to me like that!”

“You think you can solve a problem that I can’t solve? !”

Qin Yu was not in a hurry. He said calmly, “Of course I don’t dare to boast, but I might be able to do it. How do you know the result if you don’t try?”

Ye Qing said angrily, “You’d better leave before I lose my temper.”

Qin Yu sat there without moving an inch. Obviously, he looked like a scoundrel.

“Are you leaving or not?” Ye Qing could not help but ask angrily.

Qin Yu said, “I won’t leave if you don’t help me.”

“You!” Ye Qing was instantly furious.

“You’re a moral kidnapper, right?”

Qin Yu smiled bitterly and said, “You can interpret it that way, but if it succeeds, I’ll accept moral kidnappings.”

Ye Qing was so angry that he laughed. He pointed at Qin Yu and said, “Good, good! Since that’s the case, I’ll give you a chance.”

After saying that, ye Qing turned around and returned to his room.

He held a stack of documents in his hand and fiercely threw them in front of Qin Yu.

“If you can find these people for me, I’ll help you,” ye Qing said coldly.

Qin Yu picked up the documents and took a look. He found that almost all the names recorded in the documents were the names of overseas organizations.

These names were all extremely evil and had killed countless people. Among them were the notorious Hong Yi sect and Han Gong, whom he had interacted with before!

“Why? Are you backing out?” Ye Qing mocked.

Qin Yu picked up the document on the table and said, “There are so many organizations. How can I accomplish something that even you can’t do?”

This round of flattery made Ye Qing slightly less angry.

“Looks like you still have some self-awareness.” Ye Qing snorted coldly.

Even though that was the case, Ye Qing’s tone was clearly not as stiff as before.

Qin Yu smiled and said, “But I can help you deal with three organizations. How about it?”

“Oh?” Ye Qing raised his eyebrows as if he was interested.

He pointed at the list and said, “Do you know that these organizations have existed for many years? Moreover, they have no fixed residence and can’t be found at all?”

Qin Yu smiled and said, “I have my own brilliant plan.”

Ye Qing said with a faint smile, “Good, good, it’s interesting!”

“If you can really find three organizations, I can promise you.”

Qin Yu picked three documents from the list and said, “Deal.”

“But, I will only give you half a month’s time..”At this time, ye Qing added another condition.

Chapter 867: Chapter 867, Icy Glaze Heart

Qin Yu stopped in his tracks. He took a deep breath and said, “Alright, half a month it is.”

After saying this, Qin Yu turned around and left.

He found a hotel and stayed there for the time being.

In the room, three documents were placed in front of Qin Yu.

These three organizations were called the Han Palace, the Xuan Yan Gang, and the Flood Dragon sect.

Qin Yu took this document and read it carefully.

These three organizations had similar strength and each of them had a half-step martial saint overseeing them.

Most importantly, they most likely possessed the power of a martial saint.

Half a month was very short, and Qin Yu could not afford to delay.

He picked up his phone and made a call.

This call was none other than the one Qin Yu had let go of, Zhang Yi Jiu.

“What? Have you forgotten what I Told You?” Qin Yu said indifferently after the call was picked up.

Zhang Yi Jiu’s expression changed slightly when he heard Qin Yu’s words.

She stammered, “I... I’ve been too busy recently. Palace master didn’t tell me what you asked me to find out. I... I’ll think of another way.”

“No need. Tell me the location of the Han Palace.” Qin Yu interrupted Zhang Yi Jiu’s words.

After hearing this, Zhang Yi Jiu was shocked.

“What do you want the location of the cold palace for? You... You’re not coming, are you?” Zhang Yi Jiu frowned.

Qin Yu said indifferently, “What do you think?”

On the other end, Zhang Yi Jiu immediately panicked.

She said anxiously on the phone, “If the palace master knows about the relationship between you and me, I’ll be dead for sure!”

“And we can’t tell anyone about the location of our cold palace. You...”

“That’s your business.” Qin Yu interrupted Zhang Yi Jiu again.

“Tell me the location of the cold palace right now. If you dare to lie to me, I’ll kill you right away,” Qin Yu said coldly.

Zhang Yi Jiu on the other end of the line immediately fell into a dilemma. He stammered and didn't speak for a long time.

"Don't worry. No one will know about this." Qin Yu consoled him over the phone.

On the other end of the line, Zhang Yi Jiu took a deep breath and said, "I'll send it to you in a while."

After she finished speaking, she directly hung up the phone.

Qin Yu found the document of the Han palace and read it carefully.

This document was extremely detailed. Apart from its location, it contained almost all the information.

It was said that the palace master of the Cold Palace had stepped into the half-step martial saint realm many years ago, and their sect relied on a treasure called the icy glazed heart to cultivate.

"Icy glazed heart..." Qin Yu silently said this name.

He went online to search for relevant information and found that this icy glazed heart was a legendary heavenly treasure. It was most likely born in a place where the sky was cold and the Earth was frozen.

Qin Yu searched the entire Internet, but he could not find any photos of the ice glass heart. Regarding this treasure, it was only a legend.

'If their palace master is only a half-step martial saint, I don't have to be too afraid,' Qin Yu thought to himself.

As long as he did not meet a martial saint, Qin Yu was not afraid of anyone.

“If I can keep this ice glass heart, it would be an unexpected gain,” Qin Yu muttered in a low voice. He suddenly had some expectations in his heart.

...

In the coldest area in the north.

It was freezing here, and no one could be seen.

However, in such a harsh environment, there was a castle made of ice.

Zhang Yi Jiu stood at the edge of the castle with a conflicted look on her face.

She glanced at the depths of the castle and couldn't help but clench her teeth.

“What's Wrong?” At this moment, a young man walked up to Zhang Yi Jiu.

Zhang Yi Jiu clenched his teeth and immediately told the young man what had happened.

“I don't want to betray the palace master, but if I don't tell him, I'll die. Brother song, what should I do...” Zhang Yi Jiu said in a trembling voice.

The Man Called Brother song sneered and said, “Since he wants to come, you can tell him.”

“As long as he dares to set foot in the cold palace, he will definitely die!”

Zhang Yi jiu frowned and said, “Brother song, I’m worried that it will expose the location of the Cold Palace.”

At this point, Zhang Yi Jiu looked into the depths of the cold palace and said, “Now is the critical moment when the palace master is in seclusion. If something goes wrong, it will not be worth it.”

Brother song raised his eyebrows and sneered, “Don’t worry, I will set a trap. As long as he dares to come, I guarantee that he will never come back!”

Seeing this, Zhang Yijiu nodded and said, “Okay, I’ll listen to You!”

Therefore, Zhang Yijiu immediately sent the location of the Cold Palace to Qin Yu.

Looking at the location on the phone, Qin Yu touched his chin and said in a low voice, “Why don’t... Tell ye Qing the location directly? Let him go by himself?”

Since it was a mission in the Military District, Ye Qing would definitely go there personally.

However, after thinking about it, Qin Yu gave up the idea.

“If I tell ye Qing, I won’t be fated to have this ice glaze heart...”Qin Yu said in a low voice.

Thinking of this, Qin Yu gave up the idea of telling ye Qing.

He took out his phone and sent a message to Zhang Yi jiu, “I will arrive at the Cold Palace on time tomorrow morning.”

After receiving the message, Zhang Yi Jiu hurriedly handed the phone to brother song.

Brother song looked at the content on the phone and couldn't help but smile coldly.

“Think of a way to ask him how many people will come,” brother Song said.

Zhang Yi Jiu nodded and sent a message to Qin Yu, “Qin Yu, you must not tell anyone about this, or else the palace master will definitely not let me off!”

A moment later, Qin Yu replied, “Don't worry, I won't tell anyone about this. Wait for me at the airport tomorrow morning.”

Seeing Qin Yu's reply, Zhang Yi Jiu hurriedly handed his phone to brother song.

Seeing this, brother song couldn't help but sneer, “He really dares to come to my cold palace alone? He's really arrogant!”

Zhang Yi jiu frowned and said, “Brother song, don't underestimate this Qin Yu. It's said that he killed two elders of the Hong clan in a row!”

Brother song narrowed his eyes and sneered, “So what? As long as he's in the cold palace, no one can behave atrociously!”

Chapter 868: Chapter 868, breaking through to the Martial Saint Realm?

While they were talking, waves of dark blue internal Qi suddenly drifted out from the depths of the Han palace.

This internal Qi and the heavy snow seemed to merge into one.

When they saw this scene, a trace of admiration flashed across brother song's and Zhang Yi Jiu's faces.

"It's the light from the icy glazed heart," brother song said with some envy.

Zhang Yi Jiu also nodded and said, "What a beautiful color..."

"When the palace master has successfully swallowed the ice-cold glazed heart, he will definitely step into the martial Saint Realm!" Brother Song said with some excitement.

"At that time, our cold palace will definitely become the number one sect in the world!"

Zhang Yi Jiu said in a low voice, "Brother song, does that ice-cold glazed heart really have such an effect?"

Brother song replied indifferently, "It takes tens of thousands of years to produce a single icy glaze heart. It is the most powerful weapon in the world. Its effect is far beyond imagination."

"The palace master once said that he relied on the icy glaze heart to advance from a grandmaster to a half-step martial saint. He also created a large number of experts!"

"As long as the icy glaze heart can be successfully devoured, becoming a martial saint is not a problem at all!"

Zhang Yi Jiu also said, "Palace master will definitely become the first person to become a martial saint!"

...

The next day.

Qin Yu landed at a nearby airport.

He restrained his internal Qi and looked no different from an ordinary person.

Then, Qin Yu took out his phone and called Zhang Yi Jiu.

“Where are you?” Qin Yu said.

“Turn around,” Zhang Yi Jiu said over the phone.

Qin Yu turned around and saw Zhang Yi Jiu.

Zhang Yi Jiu looked around and said in surprise, “You came alone?”

“Or what?” Qin Yu raised her eyebrows.

Zhang Yi Jiu was delighted. She quietly released her internal Qi and swept it over Qin Yu.

“No improvement at all?” Zhang Yi Jiu could not help but laugh after feeling Qin Yu’s strength.

Judging from the internal Qi, Qin Yu did not seem to have changed much from the last time. At most, she was at the peak of the Martial Marquis realm.

With such strength, she dared to go to the Cold Palace alone? Wasn’t she courting death?

“Hey, Qin Yu, I’ll take you to the Cold Palace. You have to erase the mark in my spiritual sense,”Zhang Yi Jiu said.

Qin Yu glanced at her and smiled. “Okay. After we go to the cold palace, I’ll return your freedom.”

“Then don’t waste time. Let’s go now,”Zhang Yi Jiu said impatiently.

Qin Yu glanced at her and didn’t say anything. She followed Zhang Yi Jiu into a car.

The car sped toward the north. As the car went deeper, the weather around them became worse.

It was snowing heavily, almost blocking one’s vision. The strong wind was like a knife, cutting one’s life.

After another few kilometers, the car stopped.

“If we keep going, the car won’t be able to enter,”Zhang Yi Jiu said.

Qin Yu couldn’t help but ask in a low voice, “Does your Han palace live in a place like this?”

“What else?”Zhang Yi Jiu rolled his eyes.

Qin Yu didn’t say anything. He followed behind Zhang Yi Jiu and walked toward the Han Palace on foot.

The strong wind mixed with the snowstorm made the two of them move very slowly.

“I heard that your cold palace has a treasure called the icy glaze heart. I’m not sure if it’s true or not.”At this moment, Qin Yu suddenly asked.

Zhang Yi Jiu's body trembled slightly. She raised her eyebrows and asked, "Why? Are you here for the icy Glaze Heart?"

Qin Yu did not deliberately hide it. He nodded and said, "I guess so."

"With your cultivation base, you dare to Covet the Icy Glaze Heart? Do you know that even a half-step martial saint would die if he came?" Zhang Yi Jiu could not help but mock.

Qin Yu did not pay attention to his words. Instead, he smiled faintly and said, "It seems to be true."

When Zhang Yi Jiu saw this, he could not help but sneer and said, "A man's heart is not enough for a snake to swallow an elephant. Don't blame me for not warning you. Sooner or later, you will pay the price for your arrogance."

Qin Yu did not say anything else. He followed behind Zhang Yi Jiu and continued to move forward.

Soon, a huge palace faintly appeared in his line of sight.

Qin Yu stopped in his tracks. His pupils constricted as he looked at the castle.

"That's the Han Palace?" Qin Yu asked in a low voice.

"That's right." Zhang Yi Jiu nodded.

"I've already brought you here. According to the agreement, you have to erase the mark in my spiritual sense." Zhang Yi Jiu urged.

Qin Yu glanced at her and said, "What's the rush? When I'm done with this matter, I'll naturally return you your freedom."

"You're not keeping your word!" Zhang Yi Jiu was suddenly a little anxious!

If he was discovered by Qin Yu, wouldn't he be dead for sure?

"Qin Yu, are you still a man? Quickly erase the Mark!" Zhang Yi Jiu grabbed Qin Yu's arm and said anxiously.

Qin Yu frowned slightly. He grabbed Zhang Yi Jiu's arm and said coldly, "You'd better not bother me, or I'll kill you!"

Zhang Yi Jiu's expression could not help but change slightly when he sensed the killing intent from Qin Yu's body.

Although she was displeased, she did not dare to say anything.

Qin Yu released Zhang Yi Jiu and released his spiritual sense to cover the surrounding area.

Soon, Qin Yu discovered several streams of powerful internal Qi.

The most powerful one was in the depths of the Han palace.

"An existence that has surpassed the half-step martial saint..." Qin Yu muttered in a low voice.

This internal Qi was very strange. It seemed to be between a half-step martial saint and a martial saint!

"Could it be that someone is about to become a martial saint?" Qin Yu suddenly had an ominous premonition.

That internal Qi had indeed surpassed a half-step martial saint!

Just as Qin Yu was deep in thought, four black shadows suddenly appeared in this vast white snow.

“Haha, You Came To My Han Palace alone. Should I praise your confidence or call you stupid?” A voice came from the front.

Qin Yu narrowed her eyes and said in a low voice, “Four half-step martial saints?”

“It’s none of my business. I told you not to come, but you didn’t listen. You Can’t blame me for this!” Zhang Yi Jiu hurriedly waved his hand and said.

Qin Yu ignored her and looked at the four half-step martial saints coldly.

“We were just about to look for you. I didn’t expect you to come to us.” Brother Song took a step forward and said with a cold smile.

“TSK tsk, a mere peak-stage martial marquis dares to come to my Han Palace to court death?”

“Kid, hand over that mask. We can consider leaving your corpse intact.”

Qin Yu glanced at them and said, “I’ll give the same words to you. Hand over the ice glaze heart, and I can consider letting you go.”

“You’re courting death!” Brother Song was instantly furious. He didn’t waste any more words and instantly arrived in front of Qin Yu. His fist was directly aimed at Qin Yu’s glabella!

Qin Yu did not panic and raised his hand to receive it.

But at this moment, Qin Yu's vision suddenly turned black, and his strength instantly dissipated!

“Bang!”

Qin Yu's figure was instantly sent flying, and he spat out a mouthful of fresh blood!

“Hahahaha!” Brother Song could not help but laugh loudly when he saw the situation.

“With this little ability, you dare to come to my cold palace to cause trouble?”

Qin Yu wiped the blood at the corner of his mouth and could not help but curse, “Damn, this damn injury actually acted up at this time....”

Chapter 869: Chapter 869, the divine residence of the Snow Mountain!

The outbreak of the pill injury made Qin Yu's face pale, and his entire body lost strength in an instant.

Seeing Qin Yu's appearance, everyone couldn't help but sneer.

Zhang Yi Jiu, who was at the side, couldn't figure it out.

With such strength, why did he still dare to come to the cold palace to court death?

“How about it? Hand over the mask.” Brother Song walked in front of Qin Yu and said condescendingly.

Qin Yu wiped the blood from the corner of his mouth. He stood up from the ground and slowly adjusted his body condition.

“There are only four half-step martial saints in your Han Palace?” Qin Yu sneered.

Brother Song raised his eyebrows and said with some sarcasm, “What? Four half-step martial saints can’t kill you?”

Qin Yu glanced around and said with some doubt, “There’s a problem that I can’t figure out. Almost no one knows about the news of the mask. How does your Han Palace know about it?”

Brother Song frowned and said, “Does this have anything to do with you?”

Qin Yu waved his hand and said, “Of course it has nothing to do with me. I’m just suspecting that you know about the news about the mask, but why don’t you know anything about my strength?”

“What do you mean?” Brother Song frowned.

Qin Yu grinned and said with a cold smile, “What do you think?”

Before he finished his words, a burst of dazzling golden light burst out from Qin Yu’s body!

He clenched his fist and the golden light flowed along his arm and erupted from his fist!

Brother Song was not afraid at all. He mocked, “With your little strength, you dare to fight with me? You’re simply courting death!”

With that said, Brother Song clenched his fist and came forward to meet him!

When his fist was about to touch, brother song's expression suddenly changed drastically!

He felt the powerful force that erupted from Qin Yu's fist and immediately felt that things were not good!

However, it was too late to retreat now! Brother song could only brace himself and charge forward!

“Crack!”

At the moment of contact, the Golden Light on Qin Yu's fist immediately exploded!

A path several meters long was directly blasted out from the snow-filled ground!

That golden light seemed to be able to split the snow-filled ground into two halves!

Looking at the golden light that filled the sky, everyone could not help but suck in a breath of cold air!

Brother song was even more miserable. Half of his arm exploded, and the remaining power shattered his body!

“Wah!”

Brother song, who was lying on the ground, opened his mouth, and a mouthful of blood mixed with internal organs spurted out.

“Did this kid just hide his strength?” Zhang Yi Jiu thought to himself.

The expressions of the others also became somewhat solemn.

Qin Yu moved his wrists and sneered, “What? Is that all you have?”

Brother Song got up from the ground and said coldly, “Treachorous kid, you actually hid your strength...”

Qin Yu did not explain. He looked at the people in front of him coldly and said, “You guys go up together.”

Brother Song laughed loudly and said, “Arrogant! You are just relying on the strength of your physical body. As long as we don’t get close to you, I will kill you with just a raise of my hand!”

As he spoke, Brother Song slowly moved his hands, and the heavy snow in front of him immediately flew towards him!

It was as if Brother Song could control the heavy snow, and every snowflake contained an unparalleled power!

“Go to hell!”

Accompanied by Brother Song’s furious roar, his fingers slightly curved, and the snowflakes that filled the sky immediately shot towards Qin Yu!

The countless snowflakes carried a sharp power, and Qin Yu had almost nowhere to hide!

“This is only the beginning!” Brother Song said with a cold smile.

His palm once again slid, and the surrounding snow mountains actually began to explode!

The ice seemed to be endowed with life, and all of them flew towards Qin Yu!

The surrounding snowflakes, Snow Mountains, and icicles all became Qin Yu's enemies at this moment!

Qin Yu clenched his fist and shattered icicles one after another!

However, this was an extremely cold area after all. The ice and snow were inexhaustible!

"If this goes on, I will definitely die of exhaustion." Qin Yu frowned.

He looked at brother song not far away and said in a low voice, "Only by killing him can we stop this endless attack."

Thinking of this, Qin Yu's body exploded with golden light, and he rushed towards brother song with big steps!

But how could brother song give Qin Yu a chance so easily? With a slight movement of his palm, the two huge snow mountains turned into a cage, directly trapping Qin Yu's way!

"Hahaha!" Seeing this, brother song could not help but laugh out loud.

"Kid, I'm Invincible Here!"

Qin Yu didn't say anything. He suddenly smashed the snow mountain cage in front of him with a punch.

Before Qin Yu could get close, the ice under his feet suddenly turned into two big hands and grabbed Qin Yu's ankles!

"Crash..."

The surrounding ice and snow quickly covered Qin Yu. In the blink of an eye, Qin Yu was covered by the ice and snow, almost turning into an ice man!

“It’s time to end this!”

Brother Song roared. His body rose into the air and his hands slowly lifted up.

The surrounding icebergs and snowflakes also rose up!

These icebergs and snowflakes all gathered in the sky above Qin Yu.

At a glance, it was like a towering mountain!

“Watch how I suppress you!” Brother Song’s hands quickly pressed down!

The countless amounts of ice and snow immediately pressed down on Qin Yu’s body!

In the blink of an eye, Qin Yu’s body was covered with an ice mountain that was hundreds of meters tall!

This snow mountain seemed to be under brother song’s control. Under his control, the already huge snow mountain instantly became incomparably heavy!

This enormous strength made Qin Yu unable to move at all. Even if Qin Yu had immense strength, he was unable to break through this snow mountain!

Brother song slowly walked towards Qin Yu. He looked down at Qin Yu and said, “Here, I am invincible.”

Qin Yu struggled with all his strength, but this ice mountain was too big. It almost made Qin Yu unable to move.

“Kid, it’s time to send you on your way,” brother Song said coldly.

He extended his palm, and a sharp blade made of ice and snow appeared in his hand.

“Go to hell!” Brother song roared, and the sharp blade in his hand stabbed towards Qin Yu’s glabella!

At this critical moment, Qin Yu’s pupils suddenly constricted, and a golden light burst out from between his glabella!

“Divine judgment!” Qin Yu shouted!

The Golden Light instantly entered between brother song’s glabella!

In an instant, brother song’s spiritual sense seemed to be struck by lightning, and his body fell to the ground unconsciously!

His spiritual sense was almost torn apart, and the intense pain made brother song’s face contort!

“You... you want to destroy my spiritual sense... you... Ah! ! !” Brother song held his head and wailed in pain!

He tried his best to resist, and the light in his mind kept on shining.

Layers of secret sweat broke out on brother song’s forehead.

At this moment, brother song was not in the mood to control the snow mountain. Qin Yu took this opportunity to shatter the snow mountain and step out!

At the same time, Brother Song also survived the divine judgment.

His realm was higher than Qin Yu's, so it was difficult for the divine judgment to directly erase his spiritual sense.

"Kid... What kind of move is this..."brother song said with some lingering fear.

Qin Yu sneered, "You don't need to know."

Brother song took a deep breath and said in a low voice, "I almost died in your hands. I really underestimated you..."

"Me too."Qin Yu narrowed his eyes and said.

Brother Song took a step back and said with a sneer, "Qin Yu, I won't hold back anymore. Everything is going to end!"

Brother song roared angrily and shouted, "Snow mountain divine residence, come out!"

Chapter 870: Chapter 870, the premonition of a martial saint!

The eight divine residences swarmed towards Qin Yu!

They seemed to be the gods of this world. Each of their movements could cause changes in the environment!

Qin Yu relied on his infinity dharma idol to fight with all his might. Each of his punches could shatter a divine residence. However, what gave him a headache was that this divine residence could be revived at any time.

No matter how many times Qin Yu shattered it, the divine residence would remain intact and reappear in front of Qin Yu.

In the blink of an eye, Qin Yu had shattered the divine residence several times, but he was still unable to stop the rebirth of the divine residence.

“This won’t do. If this continues, I’ll die of exhaustion here.” Qin Yu took a deep breath and said in a low voice.

He glanced at Brother Song, who was not far away.

This divine residence was summoned by Brother Song. Only by getting rid of him would there be a chance for this divine residence to disappear.

The entire Han palace seemed to have a certain degree of control over the power of ice and snow.

This Brother Song’s standard was obviously above Zhang Yi Jiu’s.

“We have to think of a way to kill him.” Qin Yu’s face was gloomy as he muttered in a low voice.

Although that was the case, this divine residence could control the surrounding ice and snow. No matter how fast they were, they could not get rid of it.

“We can only rely on the spirit fire,” Qin Yu said in a low voice.

The Spirit Fire was an item of extreme yang. Even Yin Qi could not resist it.

Facing this ice and snow, Qin Yu also had confidence.

His body slowly became smaller, and the Infinity spell disappeared.

“What, have you given up?” Seeing this scene, Brother Song could not help but laugh out loud.

Qin Yu did not say anything. His feet shook, and his body sped toward Brother Song!

“You want to get close to me? In your dreams!” Brother Song saw through Qin Yu’s intentions. After an angry shout, the several divine residences suddenly appeared in front of Qin Yu!

“As expected!” Qin Yu guessed something!

This divine residence was indeed under Brother Song’s control!

“Think of a way to kill him!” Qin Yu growled.

Then, Qin Yu activated the spirit fire in his body, and the flames instantly enveloped his entire body!

The moment the spiritual fire appeared, the temperature of the entire world increased at this moment.

Therefore, the snowflakes that fell on Qin Yu’s body were instantly vaporized.

Qin Yu roared angrily, and his eyes gathered enough strength to charge towards Brother Song once again!

“It’s useless!” Brother Song roared angrily, and the divine residence once again blocked his way!

This time, Qin Yu did not pay any attention to it. He closed his eyes and used his physical body to directly crash into the divine residence!

“Boom!”

A loud sound spread out! Under the support of the spiritual fire, Qin Yu’s physical body directly penetrated through the divine residence!

“En?”

Seeing this scene, brother song’s expression slightly changed. He let out a low shout, and the divine residence suddenly appeared in front of him!

“Boom!”

Then, the divine residence that was blocking in front of Brother Song smashed a fist towards Qin Yu!

Qin Yu did not dare to be negligent. He clenched his fist, and a terrifying power surged out from Qin Yu’s body towards his fist at this moment!

“One punch can break all techniques!” Qin Yu roared, and a bright light immediately erupted from his fist!

This technique was Qin Yu’s Supreme Fist technique. It gathered all the internal Qi of spiritual fire and spiritual power into one punch, and its power was unimaginable!

“Boom!”

That monstrous airwave directly shattered the divine residence!

But this did not stop the remaining power from erupting!

The remaining power from the Golden Fist quickly crushed towards brother song!

Brother Song's expression changed greatly. He hurriedly summoned ice and snow in an attempt to stop it!

However, it was a pity that this punch was too terrifying. It forcefully smashed out a path filled with flames!

This punch was like a sharp blade that fell from the sky, turning this world into two pieces of space!

Brother Song saw that the situation was not good and took off in an attempt to retreat.

"Fall heavily into space!" However, Qin Yu seized this opportunity and immediately cast a spatial spell!

Brother Song's footsteps immediately slowed down at this moment!

"Block it for me!" Brother Song's eyes were wide open as he roared furiously. He unleashed his most powerful strength and actually summoned several snow mountains!

These Snow Mountains were incomparably huge, with three of them blocking in front of him!

But what made Brother Song horrified was that this incomparably huge snow mountain was actually shattered by Qin Yu's one punch!

"Boom!"

The Fist smashed firmly onto Brother Song's body!

His chest instantly festered and his body flew out for hundreds of meters. He did not know how many snow mountains he smashed before he could stabilize his body!

In the midst of an avalanche, brother song crawled out with great difficulty.

He opened his mouth, and a mouthful of blood mixed with his internal organs gushed out.

Qin Yu swept his gaze over the few divine residences. As expected, the divine residences did not move!

“It really is under your control.”Qin Yu sneered.

“I thought it was really the power of the divine residences in this snowy land...”

Brother song opened his mouth. This punch had injured him extremely badly.

“Kid, you... deserve to die!”Brother song gritted his teeth, as if he had gone mad.

However, this time, Qin Yu did not give him another chance. His figure flashed as he ran towards brother song at a rapid speed!

Brother song hurriedly activated the few divine residences. Unfortunately, under his injured condition, the power of the divine residences had also weakened. It was completely unable to block Qin Yu’s Path!

“Go to hell!”

In a moment of desperation, brother song took out a martial saint weapon and aimed it at Qin Yu!

That bright light lit up the world!

Qin Yu rose up from the ground and threw a punch!

“Boom!”

This was an intense collision! The entire sky turned into a vast expanse of whiteness!

Waves of air evaporated the divine residence, and cracks appeared on the ground!

The ground that had been frozen for several feet actually melted, and cracks suddenly appeared from the ground!

“Whoosh!”

At this moment, Qin Yu had already rushed in front of Brother Song!

He grabbed his neck, and the strength in his hand instantly increased!

“Qin Yu, i...”

Brother Song wanted to say something, but Qin Yu did not give him the slightest chance. He directly activated his power and crushed his head!

The eight divine residences completely disappeared into this snow-white world.

All that was left was brother song's corpse.

Qin Yu took out his golden core and could not help but frown. “A half-step martial saint actually wasted so much of my time...”

He had thought that he could end the battle quickly, but unexpectedly, brother song had given Qin Yu some trouble.

The remaining half-step martial saints could not help but frown.

They could naturally see that Qin Yu's strength was far above brother song's!

Moreover, his punch was so powerful that it almost split this world into two!

When they thought of this, they looked at each other and said in a deep voice, "We give up resisting, we..."

"Boom!"

However, before they could finish their words, Qin Yu had already thrown out a punch!

That terrifying power was like a nuclear explosion, directly smashing the bodies of these half-step martial saints into minced meat!

"Ah! !"

Zhang Yi Jiu immediately covered his mouth and let out a terrified cry!

He did not expect that Qin Yu would be so ruthless!

"Don't... Don't kill me... I'm willing to be your slave and spare my life..." Zhang Yi Jiu was already scared out of his wits. He kept trembling in the snow.

Qin Yu glanced at her and said, "Take me to get the ice and snow glazed heart."

As he was speaking, Qin Yu saw a light blue light emitting from the castle in the cold palace.

A wave of power seemed to be quietly brewing.

“Oh no! Is... is he going to break through to the Martial Saint Realm?” Qin Yu’s expression changed.

He hurriedly looked at Zhang Yi Jiu and shouted, “Quick, take me to your palace master immediately!”

Chapter 871: Chapter 871, seizing the nascent soul!

Qin Yu picked up Zhang Yi Jiu and quickly rushed toward the cold palace.

At this time, Zhang Yi Jiu didn’t dare to say anything. She could only take Qin Yu and rush into the Cold Palace.

The terrain of the cold palace was extremely complicated. At this time, their palace master was cultivating in a frozen secret chamber.

After rushing all the way to the secret chamber, Zhang Yi Jiu pointed inside and said, “The palace master is inside. I Can’t go in with you.”

Qin Yu grunted in gratitude. Through the door, he could clearly see a man sitting cross-legged inside.

The man had waist-length hair, and his body was emitting traces of cold air.

Above his head was a stone that looked like an ice crystal.

The stone was light blue in color. At this moment, streams of aura were surging into the man’s internal Qi.

Qin Yu did not dare to waste any more time. He clenched his fist and suddenly punched the door!

The door immediately shattered with a loud sound. The loud sound shook the entire Han palace and caused it to tremble slightly.

Qin Yu walked quickly to the palace master. When he saw the scene in front of him, his face could not help but be filled with shock.

“This is... the sign of breaking through to the Martial Saint Realm!” Qin Yu could not help but exclaim in shock.

He did not dare to imagine what would have happened if he had come a little later!

Qin Yu held the golden light in his hand and planned to end the life of the palace master with one punch.

However, at this moment, a phantom suddenly appeared above the head of the palace master.

Although it was called a phantom, it had almost materialized!

At this moment, the Phantom of the Palace Master looked at Qin Yu coldly and said, “Who are you?”

Qin Yu said in surprise, “This is... a nascent soul that is about to take shape? You are really going to step into the Martial Saint Realm?”

A martial saint was the nascent soul realm in the cultivation world!

Once one stepped into the nascent soul realm, the golden core would disappear and a nascent soul would be born!

As long as one formed a nascent soul, they could break away from the body!

At that time, even if the body was destroyed countless times, it could still be reborn!

“Who exactly are you? ! You Dare to barge in here? Are you courting death? !”The palace master asked again.

Qin Yu could not help but sneer, “If your nascent soul was really formed, I wouldn’t dare to act Rashly. Unfortunately, this should be the crucial moment for you to shatter your core and form your nascent soul, right?”

The palace master’s expression could not help but change.

Just as Qin Yu had said, upon stepping into the martial saint realm, one must undergo the process of shattering one’s core and forming one’s nascent soul!

And during this process, when one’s golden core was broken and one had yet to successfully form one’s nascent soul, one would be extremely weak! All of one’s cultivation would be exhausted, and one would be no different from an ordinary person!

Therefore, when one became a martial saint, one must have someone to protect them!

“Young man, you and I don’t seem to have any grudges. Why are you stopping me?”The palace master took a deep breath and tried his best to remain calm as he asked.

Qin Yu did not pay any attention to his words. Instead, he rubbed his chin and said, “From your current condition, you will need at most three

days to successfully form the nascent soul. By then, you will truly be invincible in the world...”

Qin Yu calculated the time. If he were to enter the martial saint realm in the future, this would happen on the first day after the New Year.

“It seems that their prediction is correct. There will indeed be someone who will step into the Martial Saint Realm after the New Year,” Qin Yu said in a deep voice.

This could not help but cause Qin Yu to feel a trace of intense pressure.

Since this palace master of the Han Palace was able to step into the martial saint realm, then there must be someone else who was trying to step into the martial saint realm!

And once someone successfully stepped into the martial saint realm, the agreement between the DAO Protectors would cease to exist!

At that time, the Jingdu Martial Arts Association would send out Martial Saints without restraint!

“Young man, I see that you are very talented at such a young age. Why Don’t you join My Cold Palace? I will let you be the Vice Palace Master of the Cold Palace!” The palace master continued to say.

Qin Yu narrowed his eyes and ignored him.

“If it really doesn’t work, you and I will sit on equal footing. How about it?” The palace master struck while the iron was hot.

“As long as I step into the martial saint realm, no one in the world can stop me! At that time, my cold palace will have whatever it wants!”

“And you will have the same treatment as me! Everything I have will be half of yours!”

Looking at the palace master’s Crazy Attitude, Qin Yu could not help but laugh coldly.

“Is that the ice and snow glazed heart above your head?”Qin Yu asked.

Hearing this, the palace master hurriedly said, “As long as you like it, you can take this ice and snow glazed heart!”

“Hahaha!”Qin Yu could not help but burst into laughter.

“If you really become a martial saint, I’m afraid you’ll kill me immediately, right?”

“No! I swear by the Heavens!”The palace master hurriedly said.

“Stop stalling for time. With your current condition, you’ll need at least three days to successfully become a martial saint.”Qin Yu sneered.

“Do you think you can stall for three days?”

The palace master became even more anxious. He said in a panic, “What do I have to do for you to let me go? No matter what the conditions are, feel free to ask!”

Qin Yu ignored him. He took out his phone and took a picture of this scene.

“Alright, you can report your mission now.”Qin Yu picked up his phone and his face gradually turned cold.

Rays of golden light emitted from his body. The terrifying murderous aura made people feel even more terrified!

After sensing the killing intent from Qin Yu's body, the palace lord's expression immediately changed.

“Kid! Are you really going to do this? !”The Palace Lord Roared angrily.

Qin Yu looked at this nascent soul that was about to take shape and grinned. “Not only can I take away the ice and snow glazed heart, but I can also absorb your nascent soul. It seems that there won't be any problems for me to become a martial saint....”

Chapter 872: Chapter 872, seizing the nascent soul!

Qin Yu picked up Zhang Yi Jiu and quickly rushed toward the cold palace.

At this time, Zhang Yi Jiu didn't dare to say anything. She could only take Qin Yu and rush into the cold palace.

Chapter 873: Chapter 873, ice and snow glazed heart in hand

The palace master immediately panicked. He shouted with all his might, “Junior, you dare!”

Qin Yu sneered, “Why wouldn’t I Dare!”

As he spoke, Qin Yu clenched his fist and threw a punch at his nascent soul that had yet to form!

Although this punch was not very powerful, it made the nascent soul dim a little!

Not only that, the main body of the palace master also trembled slightly!

This immediately made the palace master panic. he shouted desperately, “No, no! As long as you are willing to let me go, I can agree to any conditions!”

Qin Yu shook his head and said, “No. To me, your greatest value is to be able to provide me with your nascent soul.”

After saying that, Qin Yu punched his nascent soul again.

His nascent soul dimmed a little, and his body spat out a mouthful of blood!

The palace master’s face was Pale, and his heart was extremely unwilling!

He had waited for so many years just to step into the nascent soul realm today!

But never did he expect that at this critical moment, everything would be destroyed in an instant!

“Junior, I’ll fight it out with you!” Seeing that Qin Yu was unmoved, the palace master seemed to have gone mad and started to roar!

Then, his nascent soul started to shine and then started to expand!

Waves of terrifying power spread out from his nascent soul! The entire cold palace started to Rumble!

“Not good!” Seeing this, Qin Yu’s expression immediately changed!

“He wants to self-destruct his nascent soul!”

Qin Yu didn't dare to think too much. He grabbed the icy snow glazed heart and turned around, wanting to escape!

That nascent soul was still expanding, and the terrifying power seemed to have split apart at this moment!

Qin Yu turned around and ran out of the cold palace, while Zhang Yijiu, who was guarding the door, clearly didn't know the situation.

"What happened?" Zhang Yijiu asked in puzzlement.

Qin Yu hurriedly said, "Get down quickly!"

The force was getting stronger and stronger. With a loud bang, a blast of air that was like a nuclear bomb exploded from the cold palace!

The power of a self-detonation of a nascent soul was unimaginable!

Even if it was just an unformed nascent soul, it still contained the power to destroy the world!

With a loud boom, the entire cold palace was turned into snow!

Qin Yu's body was sent flying!

At a glance, a flame soared into the sky. The entire ice surface seemed to be on fire!

Under the tremendous impact, the snow mountains within hundreds of meters collapsed. For a moment, it was as if an avalanche had been triggered!

The explosion lasted for more than ten minutes, and everything in the surroundings instantly turned into nothingness.

It was originally a world of ice and snow, but in the blink of an eye, it was as if he had arrived at the top of the ocean!

Under the cover of the heavy snow, Qin Yu climbed out with great difficulty.

Half of his body was cracked from the impact, and his internal organs were also greatly impacted.

“Wow!”

He opened his mouth and spat out a mouthful of blood.

Qin Yu tried to move his limbs, and he found that he was in pain all over his body.

“F * ck...”Qin Yu couldn't help but curse.

“Is this the power of a self-detonation of a nascent soul...”

One had to know that this was only an unformed nascent soul!

If it was a complete nascent soul, Qin Yu would probably turn into blood instantly!

Qin Yu endured the pain in his body and took out the heart of ice and snow from his space artifact.

The heart of ice and snow in Qin Yu's hand was emitting a light blue light. It was the color of the blue sky and the sea, which made people feel quite comfortable.

Qin Yu caressed the heart of ice and snow and said with some excitement, “Fortunately, I got the heart of ice and snow. It’s just a pity for that nascent soul.”

He thought that he could devour his nascent soul, but he didn’t expect that the palace master would choose to self-destruct at the last moment.

Qin Yu tried to feel the glazed ice heart, but he found that he couldn’t feel any Qi/spiritual energy in it.

“Strange, how should I use this thing?” Qin Yu frowned.

He got the thing, but he didn’t know how to use it for cultivation.

At this moment, Qin Yu suddenly thought of Zhang Yi Jiu.

“She might know.” Qin Yu hurriedly put away his ice glaze heart.

He released his internal Qi and sensed Zhang Yi Jiu’s aura.

Soon, Qin Yu felt a weak internal Qi under the heavy snow.

Qin Yu strode forward. He pushed open the snow mountain with his palm and found Zhang Yi Jiu, whose aura was weak.

Qin Yu stretched out his hand and checked her breathing.

‘she should still be alive,’ Qin Yu thought to himself.

Then, Qin Yu injected a trace of Qi/spiritual energy into her and temporarily held her life.

‘after I get the ice and snow glazed heart, it’s time for me to go back and report to my superiors,’ Qin Yu thought to himself.

He originally wanted to go to these three organizations in person, but after seeing the palace master's cultivation, Qin Yu changed his mind.

It was imminent for him to step into the martial saint realm. No one knew if there would be anyone who would step into the martial saint realm soon after the New Year.

Qin Yu could not afford to be delayed.

Initially, he wanted to leave immediately. Unfortunately, in this world filled with heavy snow, Qin Yu could not find his way.

With no other choice, Qin Yu could only bring Zhang Yi Jiu to a safe place.

He stretched out his palm and placed it on Zhang Yi Jiu's chest, slowly healing his injuries.

This explosion had injured Zhang Yi Jiu extremely badly.

Her clothes were almost shattered, revealing a large patch of snow-white skin.

It had to be said that Zhang Yi Jiu's looks and figure were both perfect.

Her fair skin coupled with her slender thighs made people unable to stop looking at her.

Qin Yu turned his face to the side and silently channeled Qi/spiritual energy to her.

Following the injection of traces of internal Qi, Zhang Yi Jiu's body emitted traces of white qi.

After an unknown amount of time, Zhang Yi Jiu, who was lying on the ground, finally coughed.

She slowly opened her eyes and said in a trembling voice, "I'm so hot... So Hot..."

"Hot?" Qin Yu could not help but frown.

"On such a cold day, you say you're Hot? Are you crazy?"

However, Zhang Yi Jiu kept grabbing his body and said in a trembling voice, "I'm so hot... So Hot!"

After saying that, Zhang Yi Jiu suddenly threw himself into Qin Yu's arms!

Her body was extremely hot, and her body was constantly emitting white smoke.

Not only that, Zhang Yi Jiu's hands kept touching Qin Yu's body.

"This is.... Aphrodisiac Poison?" Qin Yu frowned slightly and suddenly thought of a word.

Chapter 874: In chapter 874, he would not be the first martial saint

Qin Yu had heard of this kind of poison before.

Once one was infected with the aphrodisiac poison, one's entire body would become hot and unbearable.

The method to remove this kind of poison was also extremely harsh. Other than having sex, there was almost no other way.

Once the aphrodisiac poison was not removed in time, it was highly likely that it would cause permanent damage to the body.

However, what puzzled Qin Yu was why she was infected with the aphrodisiac poison at this time? Who was the person who poisoned her?

“Strange.” Looking at Zhang Yi Jiu who was attached to her body, Qin Yu could not help but frown.

“Could it be that brother Song and the others poisoned her?”

After thinking about it, this was the only possibility.

They might have poisoned Zhang Yi Jiu long ago, and it was only at this time that it exploded.

At this moment, Zhang Yi Jiu was about to tear his clothes to shreds.

Her jade-like fingers continuously caressed Qin Yu's body.

Qin Yu was also a young man full of vigor. Facing such a temptation, even he found it difficult to endure.

“I'm so hot... Hurry up and save me...”

Zhang Yi Jiu moved his face in front of Qin Yu and opened his mouth to pounce on Qin Yu's lips.

At this critical moment, Qin Yu pushed Zhang Yijiu away.

He suddenly dived into the snow to wake himself up from the biting cold snow.

A few minutes later, Qin Yu climbed out of the snow.

He looked at the pained Zhang Yijiu and shook his head. "I'm sorry, I really can't do anything to let Ruoxue down..."

Even if a thought flashed through Qin Yu's mind, he would feel that it was unfair to Yan Ruoxue.

"I'm So Hot... save me..." Zhang Yi Jiu begged bitterly. She reached out her hand and grabbed Qin Yu's thigh.

Qin Yu took a deep breath. He raised his hand and slapped Zhang Yi Jiu's back with a bang.

Zhang Yi Jiu immediately fainted and his consciousness dissipated.

However, her body was still affected by the poison.

Her originally fair skin now looked a little dark red.

Qin Yu shook his head and said, "I'm really sorry. If you can't take it anymore, I can only kill you."

If others heard this, they would definitely think that Qin Yu was heartless.

However, in this long process of cultivation, Qin Yu's heart became harder and harder. Other than Yan Ruoxue, he could lose almost everything else.

Zhang Yijiu lay on the ground, and Qin Yu accompanied him.

After an unknown amount of time, Zhang Yijiu finally woke up.

The poison in her body had disappeared, but the moment she opened her eyes, she spat out a mouthful of blood, and she was extremely weak.

“You’re awake.”Qin Yu glanced at her and said indifferently.

Although Zhang Yijiu was poisoned by the aphrodisiac poison, she still remembered everything that happened before he fainted.

Therefore, she looked at Qin Yu with hatred.

“You would rather watch me die than help me? Am I Ugly?”Zhang Yi Jiu said angrily.

Qin Yu shook her head and said, “It has nothing to do with beauty or ugliness, but I’m not very interested in you.”

“You!”Zhang Yi Jiu pointed at Qin Yu and spat out another mouthful of blood. His face turned pale again.

It was obvious that this was the damage caused by the spring poison to her body.

“If you want to blame someone, you shouldn’t blame me. You should blame the person who poisoned you.”Qin Yu was like an emotionless machine.

Zhang Yi Jiu looked at Qin Yu fiercely and said, “Qin Yu, you are worse than a beast!”

Qin Yu spread his hands and said, “I will ask the pavilion master to help you remove the poison.”

Then, Qin Yu stood up from the ground and said, “Let’s go, take me away from here.”

Although Zhang Yi Jiu had some resentment toward Qin Yu, she still took Qin Yu away from this extremely cold place.

After arriving at the airport, the two of them bought plane tickets and prepared to return to Jingdu.

On the way, Qin Yu leaned back on the chair and closed her eyes to rest.

Zhang Yi Jiu couldn’t help but ask, “Are you not interested in me at all?”

“No,”Qin Yu replied without hesitation.

“You!”Zhang Yi Jiu was instantly furious.

For some reason, the more Qin Yu acted like this, the more unwilling she felt.

On the contrary, if Qin Yu coveted her body, she would feel disgusted instead.

Humans were just so cheap.

...

The plane flew high in the sky and soon returned to Jingdu.

Qin Yu’s trip only took three days. The day he arrived in Jingdu was coincidentally the New Year.

“You should go to the Divine Alchemist Pavilion First.”Qin Yu glanced at Zhang Yijiu.

“When you arrive at the Divine Alchemist Pavilion, use my name. The pavilion master will help you.”

Zhang Yijiu snorted lightly and said, “Stop pretending to be a good person.”

Qin Yu didn't have time to waste with her. After giving her a few instructions, she headed straight for ye Qing's home.

It was the New Year's Eve, and the sound of firecrackers and fireworks could be heard from time to time.

On the other hand, the entrance of ye Qing's house was deserted and dark.

Other than the SUV, there was almost nothing else. It was a stark contrast to the thick smell of New Year in the outside world.

When Qin Yu arrived, ye Qing was wearing a military coat and smoking in front of the window.

He looked out of the window, thinking about something.

“Why is Officer Ye spending the new year alone?”Qin Yu couldn't help but ask.

Ye Qing glanced at Qin Yu, but he didn't pay attention to his question. Instead, he said, “Why are you here?”

Qin Yu smiled and said, “I'm here to report my work to you.”

“Oh?” Ye Qing raised his eyebrows.

“Could it be that you’ve completed it in just three days?”

Qin Yu shook his head and said, “It’s almost impossible for three organizations. I don’t have that much time.”

Ye Qing narrowed his eyes and frowned, “So?”

Qin Yu took out his phone, opened the video, and handed it to Ye Qing.

“But the Han palace has already been destroyed,” Qin Yu said.

Looking at the content on the phone, ye Qing could not help but frown slightly.

“You mean... the palace master of the Han Palace is about to step into the Martial Saint Realm?” Ye Qing looked at the content of the video and frowned deeply.

“That’s right.” Qin Yu nodded.

“I stopped him before he stepped into the martial saint realm. Does this count as Meritorious Service?”

Ye Qing did not pay attention to these words. His brows were filled with worry.

“Someone is really about to step into the martial saint realm. This is not good news...” ye Qing muttered in a low voice.

Qin Yu sat down on ye Qing’s sofa and said with a smile, “Officer Ye, you should know better than me what will happen to anyone who possesses power that surpasses most people.”

Ye Qing glanced at Qin Yu and said, “What do you mean?”

“If he successfully becomes a martial saint, do you think you can still catch him?” Qin Yu said.

Ye Qing remained silent. Just as Qin Yu had said, once this palace master of the Han Palace stepped into the martial saint realm, no one would be able to restrain him.

“He won’t be the only one who becomes a martial saint.” Qin Yu continued.

“When that time comes, the martial saint of the Jingdu Martial Arts Association will also appear. I don’t think this is what you want to see.”

Ye Qing put his phone to the side. He took a puff of his cigarette and said, “What do you want to say?”

“I want to say that you should help me now. Let me become a martial saint as soon as possible to restrict them..” Qin Yu raised his eyebrows with great confidence.

Chapter 875: Chapter 875, the war in the martial arts world

These words made ye Qing want to laugh.

However, he had to admit that Qin Yu’s words were indeed reasonable.

Even the higher-ups had the intention to use Qin Yu to restrict the Jingdu martial arts association and even weaken their strength.

“Officer Ye, I will try to find out information about the remaining three organizations, but it is impossible to do so in half a month’s time,”Qin Yu stood up and said.

Ye Qing was silent for a moment before he said, “I will take you to see the Mystic Realm Master in three days.”

“Three days is too long.”Qin Yu shook his head and said.

Ever since he saw that palace master Han was about to become a martial saint, Qin Yu’s heart was filled with a sense of crisis.

“If possible, it would be best if we set off now,”Qin Yu said.

Ye Qing frowned and said, “It’s the New Year now. Do you think it’s appropriate to disturb others?”

“Not everyone is like you and me. They have no parents and no family.”

Qin Yu was helpless and could only nod and say, “I’ll listen to you. I’ll come and look for you in three days.”

After saying goodbye to Ye Qing, Qin Yu turned around and left.

He rushed back to the Divine Alchemist pavilion that night.

The Divine Alchemist Pavilion was also deserted.

Many pharmacists had already rushed back for the New Year. Not even peaches were left behind.

Other than Qin Yu who had brought Little Qing back from the mystic realm, Old Mister Yan, and the new Zhang Yi Jiu, only the pavilion master was left.

At this moment, a few people were sitting at a round table, celebrating the new year.

Seeing Qin Yu rush back, the pavilion master waved his hand and smiled, “You came back at the right time.”

Qin Yu smiled bitterly, “Pavilion Master, I’m afraid I don’t have the leisure to be elegant.”

The pavilion master raised his brows and said, “I’ve been busy for a year. It’s the end of the year. It’s time to rest.”

Qin Yu said in a deep voice, “Every minute and second is time.”

Immediately, Qin Yu told the pavilion master about the fact that the palace master of Han Palace had almost become a martial saint.

“The world is so big. No one can guarantee that no one will be able to quickly become a martial saint.” Qin Yu sighed and said.

After hearing Qin Yu’s words, the pavilion master did not insist anymore.

“You, come with me.” Qin Yu pulled Zhang Yi Jiu up and turned around to go downstairs.

After coming downstairs, Zhang Yi Jiu broke free from Qin Yu’s hand and said with some anger, “If you’re crazy, no one will go crazy with you! I don’t want to cause trouble during the New Year!”

Qin Yu glanced at Zhang Yi Jiu and said, “You should know that I could have killed you a long time ago, especially when you betrayed me.”

Zhang Yi Jiu’s face slightly changed.

She thought that Qin Yu didn't know, but she didn't expect that Qin Yu had seen through it long ago.

Qin Yu dragged Zhang Yi Jiu all the way to his elder's residence.

Then, Qin Yu took out the glazed ice heart from the spatial artifact.

The glazed ice heart flickered with a strange dark blue light in the darkness, looking extremely mysterious.

“How should I use this thing?” Qin Yu asked.

Zhang Yi Jiu took a look and said, “How would I know? No one is allowed to get close to this thing except for the palace master.”

Qin Yu couldn't help but frown.

He tried to hang the glazed ice heart above his head, but it still had no effect.

“Could it be that the glazed ice heart is no longer effective?” Qin Yu murmured in a low voice.

“I heard brother Song say that the palace master wants to devour this thing.” At this moment, Zhang Yi Jiu suddenly said.

“Devour?” Qin Yu was stunned.

“Swallow this thing into your stomach?”

Zhang Yi Jiu spread his hands and said, “Then I don't know. In any case, the palace master has been relying on this thing to cultivate.”

Qin Yu didn't say anything.

The devouring in Zhang Yi Jiu's mouth shouldn't be directly swallowed into the stomach, but a method of absorption.

For example, Qin Yu's heaven swallowing technique.

Therefore, Qin Yu tried to use the heaven swallowing technique to feel the ice and snow glazed heart.

Sure enough, the moment he used the heaven swallowing technique, the ice and snow glazed heart began to flash with traces of blue internal Qi.

This internal Qi flowed into Qin Yu's body.

This internal Qi was extremely strange. It was neither Qi/spiritual energy nor yin qi, but it could quickly rush into the golden core.

"This is really a treasure." Qin Yu suddenly opened his eyes and could not help but be a little surprised.

The speed of this aura merging was far above the speed of internal Qi/spiritual energy and internal Qi!

If he could completely devour this thing, not to mention stepping into the martial saint realm, he could at least step into the half-step martial saint realm!

However, Qin Yu was not in a hurry. It was not safe to break through here.

Qin Yu put away the ice and snow glazed heart. He swallowed all the golden core that he had obtained over the past few days and slowly absorbed it.

It took Qin Yu an entire night to completely absorb all the jindan that he had obtained in the past few days.

The next day, the first day of the New Year.

This was a day that people gathered in the streets and alleys.

And at this time, the Jingdu martial arts association was still in the midst of rebuilding.

With their financial resources and connections, rebuilding was not a problem at all.

Moreover, what Qin Yu destroyed was only a part of the facade. The true depths were intact.

On this day, a number of luxury cars were parked at the entrance of the Jingdu Martial Arts Association.

And in an office in the depths of the Jingdu martial arts association, it was filled with people.

The person who was presiding over the meeting was none other than the person in charge of the Jingdu Martial Arts Association, Gu Xinghe.

He sat at the front with his eyes slightly closed, as if he was waiting for someone.

The number of people in the office increased, and soon, the entire conference room was filled.

At a glance, there were at least a dozen people in the entire conference room.

These people were all dressed in noble clothes, and their internal Qi was not ordinary.

At this moment, Gu Xinghe finally opened his eyes.

He swept his gaze over the crowd and said faintly, "I'm truly sorry for inviting everyone to participate in the conference during the New Year. I hope everyone can understand."

"Mr. Gu, you must be joking. It's our honor to be able to serve the Jingdu Martial Arts Association," everyone said.

Gu Xinghe cleared his throat and stood up. "Just yesterday, a sect came to me and requested to be protected by our Jingdu Martial Arts Association."

"There was no other reason. It was because of Qin Yu, who was about to be exterminated if they didn't agree with each other."

At this point, Gu Xinghe's expression instantly turned extremely cold.

Everyone present seemed to have already guessed Gu Xinghe's intentions, so they weren't too surprised.

"From today onwards, I hope that everyone can work together to kill Qin Yu!" Gu Xinghe said coldly.

As soon as he said this, everyone immediately started discussing in low voices.

"Mr. GU, it's not that we are unwilling to help, but that Qin Yu's strength is extraordinary. How can we contend against him?" Someone stood up and said.

"Yes, even a half-step martial saint is not worth mentioning in the hands of Qin Yu, unless a martial saint is mobilized."

Gu Xinghe glanced at everyone and said coldly, “You’ve Underestimated Qin Yu. His intention is not to fight alone, but to start a war in the Martial World!”

“A war is not something that can be accomplished by two people alone! It is a large-scale battle between martial artists!”

Just as Gu Xinghe said, Qin Yu was indeed preparing to start a war in the martial arts world.

This was also the reason why he created the Heaven’s Gate!

Once he completely fell out with the Jingdu martial arts association, it would be a long-term war!

Even so, everyone still had some concerns.

“Don’t worry, the Jingdu Martial Arts Association will pour in resources for you,”Gu Xinghe said faintly.

“Mr. Gu, our family head also wants to participate.”

At this moment, someone suddenly walked in from outside.

This person’s entire body was wrapped in a black robe, but no internal Qi could be seen.

Gu Xinghe frowned slightly and asked, “Who is your family head?”

The Man in the black robe said faintly, “Our master is called Tian Xuehong.”

My Rich Wife – Chapter 876 –

Chapter 876: Chapter 876, looking for a mystic realm master

“Sky Blood Rainbow?”

Everyone felt that this name was somewhat unfamiliar.

Even Gu Xinghe couldn't help but snicker, “The Jingdu Martial Arts Association doesn't want trash.”

“Trash?” Hearing this, the black-robed man was instantly extremely displeased.

“Mister Gu, when you say trash, are you referring to our family head?”

Gu Xinghe glanced at him and snorted, “Influential families will all receive an invitation from our Jingdu Martial Arts Association. As for the Sky Blood Rainbow, we have never heard of it.”

The black-robed man's expression immediately became somewhat cold.

“If our family head is trash, I'm afraid everyone here is trash,” the black-robed man said coldly.

“Kid, who are you talking about? !” His words immediately aroused the anger of the crowd.

Someone slammed the table and stood up, pointing at him and cursing, “I think you're courting death!”

The black-robed man ignored their anger. He stared at Gu Xinghe and sneered, “Mr. GU, it’s your honor to be able to cooperate with our master!”

“Since you don’t know how to appreciate favors, then don’t blame us for being impolite. I hope you won’t regret it!”

Gu Xinghe mocked, “Are you threatening me? With just you, you dare to threaten the Jingdu Martial Arts Association?”

“The Jingdu Martial Arts Association is the boss today, but that doesn’t mean it will always be,”the black-robed man sneered.

After saying this, he turned around and left.

When he reached the door, the black-robed man stopped in his tracks.

“I’ll tell you something on behalf of our family head,”the black-robed man said faintly.

“Your actions today will definitely lead to your deaths!”

After saying this, the black-robed man turned around and left without looking back.

Gu Xinghe did not take the black-robed man seriously, nor did he care about the sky blood rainbow at all.

The power of the Jingdu Martial Arts Association’s chief was getting lower and lower. In order to ensure his own status, Gu Xinghe called for this meeting.

Otherwise, with the Jingdu Martial Arts Association’s nature, he would not even look up to these aristocratic families.

“This year, a martial saint will be born. At that time, the Jingdu Martial Arts Association will also send out a martial saint to capture Qin Yu.”

“And among you, there will also be people who will receive our training.”

Once the great world changed, there would definitely be people who would step into the martial saint realm.

Every change could change the current situation.

Therefore, the JINGDU martial arts association had to win over the hearts of the people before that.

Otherwise, the moment when the Jingdu Martial Arts Association became the King would be gone forever.

“We are willing to work for the Jingdu Martial Arts Association!” Everyone stood up and said respectfully.

Gu Xinghe waved his hand and said, “Bring the gifts up.”

Before he could finish his words, the people beside him took out a few boxes.

Inside these boxes were herbs and spiritual artifacts.

Herbs were all over five thousand years old. Although spiritual artifacts were not martial saints’ artifacts, they were still considered top-notch.

“This is just a welcome gift. All the talented disciples of the aristocratic families will receive our resources,” Gu Xinghe continued.

“At the same time, we will send your disciples to the Jingdu Martial Arts Academy.”

As soon as he said this, everyone became even more excited.

The Jingdu Martial Arts Academy was the palace in their hearts!

Previously, it was almost impossible to join! Unless it was one of the top aristocratic families in Jingdu!

They never thought that their descendants would be able to join the Jingdu Martial Arts Academy today!

“Thank you, Mr. Gu!” Everyone bowed respectfully.

Gu Xinghe waved his hand and said, “Alright, the meeting is over for today. You can now go back and select the geniuses from your respective families. On the sixth day of the Lunar New Year, you will join the martial arts academy on time.”

After dispersing the crowd, a trace of ridicule could not help but flash across Gu Xinghe’s face.

He looked at Long Mei beside him and said, “See? As long as these people at the bottom give them some benefits, they will be grateful and work for you.”

Long Mei could not help but snicker, “Do you really think we are willing to nurture them? The purpose of doing this is to treat them as cannon fodder.”

At this point, Gu Xinghe suddenly asked, “Has there been any news recently?”

Long Mei immediately bowed and said, “According to the old master, someone will step into the martial saint realm on the day of Long Yangchen. Our second mystical realm will also send three martial saints to kill Qin Yu on the same day!”

Gu Xinghe took a deep breath and whispered, “Long Mei... It seems that I still have time.”

When he heard this, Long Mei could not help but whisper, “Young Master, you should be careful before this. Try not to provoke that Qin Yu, in case something happens...”

Gu Xinghe glanced at long mei and snorted coldly, “Do you think I’m not a match for that Qin Yu?”

“Of course I don’t!” Long Mei quickly waved his hand.

Gu Xinghe snorted and said, “Don’t worry, I know what I’m doing. I Won’t act Rashly.”

Long Mei quickly nodded and said, “Yes, Young Master.”

...

The Jingdu Martial Arts Association was secretly plotting, but at this moment, Qin Yu was completely unaware.

He had the same idea in his mind, which was to build the heaven’s gate with all his strength to fight against the Jingdu Martial Arts Association.

However, the most important thing for Qin Yu Now was to increase his strength and think of a way to get rid of the spirit binding spell.

Qin Yu counted the resources in his hands carefully.

These resources, together with the ownerless secret realm, were enough for Qin Yu to step into the martial saint realm.

Third Day of the Lunar New Year.

Qin Yu arrived at Ye Qing's residence early in the morning.

He waited for an entire day. Ye Qing only drove back in the evening.

The car slowly stopped in front of Qin Yu. Ye Qing waved his hand and gestured for Qin Yu to get in the car.

After getting in the car, ye Qing did not say a word. He drove the car and sped off in a certain direction.

On the way, Ye Qing said in a cold voice, "The Jingdu Martial Arts Association has made a move recently."

"What move?" Qin Yu asked, puzzled.

Ye Qing said in a deep voice, "They've gathered most of the top aristocratic families in the world and held a meeting. This meeting is very likely to be aimed at you."

"Gathered the aristocratic families?" Qin Yu couldn't help but frown.

Ye Qing grunted and said, "Don't underestimate them. These aristocratic families most likely have their own resources. If they really banded together, it would be very difficult for you to deal with them."

"Moreover... those aristocratic families in the secret realm may also attack in the dark."

Qin Yu took a deep breath and said, "I understand. Thank you, Officer Ye."

The car sped along and soon arrived at a mansion.

This mansion was a chinese-style building. There was a huge "Secret" written on the door.

"We're here." Ye Qing stopped the car at the door.

He lit up a cigarette and took a puff. Then, he pointed to the front and said, "This is the residence of that Mystic Realm Master."

Qin Yu nodded. He suppressed the excitement in his heart and said in a low voice, "As long as he is willing to help, I will be able to enter the martial saint realm as soon as possible...."

Chapter 877: Chapter 877, opening the ownerless secret realm

Qin Yu looked at ye Qing and said, "Officer Ye, are you sure that he will help? Or rather, are you sure that he is reliable?"

Ye Qing blew out a smoke ring and said, "He is an old friend of mine for many years. Of course, there is no problem."

Qin Yu heaved a sigh of relief and immediately got out of the car.

The two of them walked into the Secret Realm Master's house together.

Qin Yu swept his gaze over the decoration style of the surroundings. There was a huge calligraphy painting hanging on the north side, and a magic artifact on the south side.

Other than that, Qin Yu also found countless secret treasures, materials, and other things in the courtyard.

Looking at the luxurious surroundings, Qin Yu did not say anything. He followed ye Qing into the hall.

In the hall, an old man was making tea.

He had a head full of white hair and a long beard. He looked like an immortal.

Ye Qing brought Qin Yu to him quickly and said, “This is master Jiang Nan.”

Qin Yu quickly bowed and said, “Greetings, master Jiang.”

Jiang nan nodded slightly and then looked at ye Qing and said with a smile, “Officer Ye doesn’t visit the Three Treasures Palace for no reason. If you have something to say, just say it.”

Ye Qing did not stand on ceremony. He pointed at Qin Yu and expressed his intention to come.

“You want a Mystic Realm Master?” Jiang nan frowned slightly.

Qin Yu nodded and said, “That’s right. If master Jiang can help, I will be extremely grateful.”

Jiang nan sized up Qin Yu and said, “What do you want a mystic realm master for?”

“I want to open an ownerless mystic realm,” Qin Yu said.

Jiang nan continued, “Master-less secret realm ? where is that master-less secret realm ?”

Just as Qin Yu was about to open his mouth, his eyes rolled and he said with a smile, “On the South Island.”

“South Island ?” Jiang Nan was silent for a moment, and then he said with a smile, “I’m old, and I don’t care about the world anymore.”

Ye Qing patted Jiang Nan’s shoulder and said, “What ? Do I have to beg you for such a small thing ? Let me tell you, this is not my intention alone.”

Although ye Qing did not say it explicitly, his intention was very obvious.

Jiang Nan knew better than anyone what kind of person he represented behind his back.

“Hehe, since officer ye has said so, then I can’t just sit idly by,” Jiang Nan said with a smile.

Then, Jiang Nan waved his hand and a young man walked out from the darkness.

“Master.” The young man walked to Jiang Nan’s side and bowed slightly.

Jiang nan nodded and introduced, “This is my disciple, Li Yu. He has mastered more than 8,000 secret keys. He can open most of the secret realms.”

“If you don’t mind, let him follow you.”

Qin Yu raised his eyebrows and said in surprise, “Mr. Jiang, is what you said true?”

“Since officer ye has spoken, it wouldn’t make sense if I didn’t do something,” Jiang Nan said with a smile.

Qin Yu quickly cupped his hands to Jiang nan and said, “Thank you, Mr. Jiang.”

Jiang nan grunted and said, “You guys go back first. I’ll ask Li Yu to look for you tomorrow.”

“Okay.” Qin Yu nodded and agreed.

Then, ye Qing and Jiang Nan greeted each other and the two of them walked out of the Jiang family.

After getting into the car, Qin Yu said in a low voice, “Officer Ye, I still have to ask again. Is this Mr. Jiang Reliable?”

Ye Qing glanced at Qin Yu and said, “If you don’t trust him, you can go and find a mystic realm master yourself.”

“That’s not what I mean.” Qin Yu shook his head.

“I always feel that things are too smooth, and...”

“And what?” Ye Qing asked.

Qin Yu shook his head and said with a smile, “Maybe I’m thinking too much.”

“I’ll ask Li Yu to look for you tomorrow,” ye Qing said with a wave of his hand.

Qin Yu grunted and said no more.

At this time, in the Jiang family's hall, Jiang Nan slowly stood up.

He put his hands behind his back and quietly said, "You should have heard about who this person is."

Li Yu bowed and said, "Qin Yu, the enemy of the Jingdu Martial Arts Association."

"That's right." Jiang nan nodded.

"Now that I've placed you by his side, you can control all of his movements."

"Whether it's the location of his secret realm or the secret key."

Li Yu quickly said, "Master, do you mean that you want me to tell the Jingdu martial arts association the location of the Secret Realm?"

"No." Jiang Nan shook his head.

"I can hear it from ye Qing's words. The people above seem to support Qin Yu."

"If Qin Yu can win, then naturally, everyone will be happy. If he shows his dispirited state, we can immediately join the Jingdu Martial Arts Association and get rid of Qin Yu!"

"In this way, we will be in an invincible position!"

Li Yu suddenly came to a realization and hurriedly nodded. "Master, I understand."

...

On the other side, Qin Yu temporarily found a hotel to stay in.

He sat in his room, thinking about it and feeling that something was not right.

This Jiang Nan seemed to be aloof from worldly affairs, but his home was filled with all kinds of rare treasures, as well as calligraphy and paintings. He definitely did not seem like an old man who was aloof from worldly affairs.

Moreover... It was impossible for the JINGDU martial arts association not to know about such a powerful mystic realm master.

Although ye Qing trusted Jiang Nan very much, most of ye Qing's attention was on the military district after all, and he had long been indifferent to the martial arts world.

“Although I can't trust him, it seems that there's no other way.”Qin Yu sighed slightly.

It was too difficult to find a mystic realm master, and it was almost impossible to find a trustworthy mystic realm master.

“I have to think of a way to restrain him,”Qin Yu said in his heart.

The next day, ye Qing brought Li Yu to Qin Yu's residence.

“I'll leave him to you,”ye Qing said in a deep voice.

“As for what you should do, that's your own business.”

Qin Yu grunted in gratitude and then said, “Thank you, Officer Ye.”

Ye Qing did not stay any longer. After sending Li Yu off, he left in a hurry.

Qin Yu did not waste any time. He immediately brought Li Yu and rushed towards the Jade Moon Villa.

After arriving at the Green Moon Villa, Li Yu asked in puzzlement, “Didn’t you say that the ownerless mystic realm is on the South Island?”

Qin Yu glanced at him and said, “That’s right. The South Island is only one of the ownerless Mystic Realms.”

“Two ownerless Mystic Realms?” This made Li Yu somewhat surprised.

Qin Yu did not pay attention to this sentence. He brought Jiang Nan all the way to the spirit spring.

At this time, there were still many cultivators cultivating near the spirit spring.

After Qin Yu first expelled all the people, he brought Li Yu to the vicinity of the ownerless Mystic Realm.

“This is it.” Qin Yu pointed at the empty space in front of him and said.

Li Yu grunted in gratitude. He raised his palm and slightly closed his eyes. His palm continuously stroked the air in front of him.

A few minutes later, a ray of light flashed on his palm.

The light was a little weak, but it was extremely mysterious.

“How is it? Can you open it?” Qin Yu asked.

Li Yu put away his palm and said, “Yes, but it will take some time.”

“How long?” Qin Yu asked.

Li Yu said in a deep voice, “I’m afraid it will take a week.”

“A week?” Qin Yu’s brows furrowed even more.

When Zheng Ke opened the mystic realm, it wouldn’t take more than half a day at most!

But this Li Yu opened his mouth and asked for a week! This couldn’t help but make people suspicious!

Chapter 878: Chapter 878, provoking Gu Xinghe

Qin Yu became more and more suspicious of Li Yu.

Even so, Qin Yu still didn’t dare to break up with him.

“Can you hurry up? A week is too long,” Qin Yu said tentatively.

Li Yu said impatiently, “If it’s too long, you can find someone else. In short, I Need a week.”

Seeing his expression, Qin Yu wished he could give him a slap.

“Alright, a week then.” Qin Yu took a deep breath and forcefully suppressed the anger in his heart.

He had to lower his head when he had a request.

Li Yu did not say anything more. He placed his hand in front of the mystic realm and began to search for the secret key.

Qin Yu did not dare to leave either. In the next few days, he ordered no one to go near the spirit spring.

In the blink of an eye, three days had passed, and Li Yu still couldn't find the secret key.

This couldn't help but make Qin Yu a little worried.

“Are you sure you can find the secret key?” Qin Yu asked.

Li Yu glanced at Qin Yu and said with some excitement, “What's hidden here is probably not an ordinary secret realm! But a big secret realm! You're Rich!”

Qin Yu's eyes lit up and said, “Are you serious?”

“Absolutely! If it's an ordinary mystic realm, I can open it in an hour!” Li Yu said confidently.

“According to my speculation, this is definitely an extremely rare and stable mystic realm!”

Qin Yu could not help but be a little excited. He cupped his hands slightly and said, “Then I'll have to trouble you. After this mystic realm is opened, I'm willing to give a portion to you and Mr. Jiang.”

“Alright, it's a deal!” Li Yu also seemed to have become more enthusiastic.

Qin Yu just stood by the side, bored to death. Qin Yu took out his phone and opened the martial arts forum.

As soon as he opened the martial arts forum, an important piece of news appeared before his eyes.

The person with the username “Tian Jizi” had once again posted a piece of news regarding the martial saint:

A week later, the first martial saint would appear out of nowhere.

Countless people had followed the thread and were discussing who would be the first person to step into the martial saint realm.

Some said it would be Qin Yu, some said it would be Yan Jinyao. Of course, there were also people who thought it would be Jiang he and the other seniors.

“If someone steps into the martial saint realm, then the martial dao structure will change drastically.”

“That’s right, I’m afraid many reclusive people would also appear.”

“Tsk Tsk, I’m afraid the peace that has been maintained for a hundred years has been broken.”

Qin Yu could not help but frown as he looked at the content on his phone.

It was impossible for Qin Yu to step into the martial saint realm within a week!

In other words, Qin Yu only had one week left. After one week, Qin Yu would have to retreat into the secret realm to avoid being chased!

This immediately gave Qin Yu a strong sense of danger.

“One week...”Qin Yu murmured softly.

“Maybe it can change something!”

Thinking of this, Qin Yu looked at Li Yu and bowed, “I’m going to Jingdu. I’ll leave this place to you.”

Li Yu waved his hand and said, “Okay, don’t let anyone disturb me.”

Qin Yu grunted in gratitude before he turned around and went to Zhen Yue’s room.

“Keep an eye on Li Yu. If he makes any unusual movements, you must tell me,”Qin Yu instructed.

After giving his instructions, Qin Yu headed straight for Jingdu that very day.

He wanted to find a way to come into contact with the divine binding technique before the martial saint appeared!

And that method could only be used on Gu Xinghe.

It was the sixth day of the Lunar New Year, the start of the martial arts academy.

Gu Xinghe personally presided over the opening ceremony here. After this expansion, the number of students in Jingdu Martial Arts Academy had already reached over a hundred!

These people were all carefully selected geniuses from various families. Each of them possessed extraordinary talent.

Gu Xinghe stood in front and looked at the crowd below the stage. He could not help but feel a sense of superiority.

“As long as the martial arts academy is here, they will be able to provide us with an endless stream of talents,” Gu Xinghe said with a faint smile.

The long eyebrows beside him gave Gu Xinghe a thumbs up and said, “Young master, this method of yours is truly extraordinary!”

Gu Xinghe snorted lightly and said, “If it was before, we would not even have looked at these people. However, the current situation has changed.”

Once someone stepped into the martial saint realm, it would signify the arrival of the martial saint era.

The foundation of the Jingdu Martial Arts Association would also cease to exist. Thus, they had to firmly grasp the talents in their own hands.

“HM?”

At this moment, Gu Xinghe suddenly furrowed his brows and said in a low voice, “There is killing intent.”

“I also felt it.” The long brows stood up with a “Bang”, and his eyes swept the surroundings.

Very quickly, a figure descended from the sky and landed directly in front of Gu Xinghe!

It was none other than Qin Yu!

At this moment, his entire body was brimming with fighting spirit and his Aura was soaring. No one dared to ignore him.

“Qin Yu?” Upon seeing the newcomer, Gu Xinghe could not help but sneer.

“You still dare to appear?”

Qin Yu narrowed his eyes and said, “Why wouldn’t I Dare? I heard that you guys have been looking for me?”

Gu Xinghe sneered, “Looking for you? Qin Yu, you think too highly of yourself! You came to tell me this after you’ve become a martial saint!”

However, Qin Yu did not say a word. He raised his hand and threw a punch at Gu Xinghe’s face!

Gu Xinghe’s expression changed and he quickly retreated to the side. The entire table was instantly smashed into pieces!

The sudden change of events immediately attracted countless people.

Everyone stepped back and took out their phones at the same time.

“Qin Yu, do you want to die? !” Gu Xinghe could not help but fly into a rage.

Qin Yu sneered, “I’m here to kill you today. Gu Xinghe, didn’t you claim to be a genius of the second mystic realm? I want to experience it today!”

“Experience it? Are you worthy of it? !” Gu Xinghe shouted.

Qin Yu raised his eyebrows and said, “Why? Are You Afraid? Do you want to be a coward? It seems that the genius of the second mystic realm is just an empty title.”

Gu Xinghe narrowed his eyes and sneered, “If you want to fight, I’ll accompany you in a few days, but today...”

“A few days? If you’re afraid, just say it!” Qin Yu rudely interrupted Gu Xinghe.

“I think you’d better go back to the second mystic realm and be a coward!”

Gu Xinghe was instantly furious. He glared at Qin Yu and said, “Kid, do you think I’m afraid of You? Fine, I’ll teach you a lesson today, this kid who doesn’t know the immensity of Heaven and Earth!”

“Young master, don’t Be Rash.” At this moment, long brows stopped gu xinghe.

He said in a low voice, “Young master, don’t fall for this kid’s trick. He knows that a martial saint is about to be born, so he wants to drag you down with him before he dies. Why do you have to lower yourself to his level?”

Gu Xinghe gritted his teeth and said, “Then let him spout nonsense here! Where can I put my face in the second mystery realm?”

“Moreover, he is only at the perfect stage. Why Can’t I, a half-step martial saint, kill him!”

After he finished speaking, Gu Xinghe pushed away his long eyebrows and walked towards Qin Yu with big steps!

Chapter 879: Chapter 879, just one punch!

A cold smile appeared on Qin Yu's face, and the internal Qi on his body was also rising rapidly.

This was exactly what he wanted. Under such circumstances, Qin Yu did not believe that Gu Xinghe would not make a move!

“Kid, if you want to fight, I'll accompany you!” At this time, long brows suddenly stepped forward quickly and blocked in front of Gu Xinghe.

Qin Yu glanced at him and mocked without concealing it, “You? You're just a dog of Gu Xinghe, do you think you're Worthy?”

“What, now master doesn't dare to make a move and let a dog stand out?”

When Long Mei heard this, his anger immediately soared.

He took a step forward and said coldly, “Kid, your parents didn't teach you what it means to be educated, so I'll teach you on their behalf!”

After he finished speaking, long brows took the initiative to attack. With a wave of his sleeve, streams of sharp qi force rushed towards Qin Yu!

Without even thinking, Qin Yu raised his hand and used the absolute beginning holy fist!

The Golden Fist instantly shattered long brows's spell and sent him flying back dozens of meters. He even spat out a mouthful of blood!

This made people involuntarily suck in a breath of cold air!

After all, long brows was at the half-step martial saint stage and was only a hair's breadth away from the martial Saint Stage!

But now, he was actually sent flying by Qin Yu's punch?

Long Mei crawled up from the ground. He wiped the blood at the corner of his mouth and said through gritted teeth, "Kid, you really have some ability..."

"What, are you still here to throw your life away?" Qin Yu said coldly.

"If you come any closer, I won't be polite."

Long Mei shouted loudly. He was about to make a move when he was stopped by Gu Xinghe.

With a playful smile on his face, he said with a faint smile, "Today is the Big Day of the new semester. I wanted to spare your life, but I didn't expect you to press on step by step and disrupt the scene."

Qin Yu said with a faint smile, "Don't talk nonsense. Everyone should also want to know how much stronger a young master like you, who came out of the mystic realm, is than us."

At a glance, sure enough, there was some longing and expectation in the eyes of everyone below the stage.

Gu Xinghe sneered, "Alright, if that's the case, then I'll let you know how big the gap between us is!"

As he spoke, Gu Xinghe's internal Qi rose rapidly. He slowly raised his hands, and a scorching energy that was as hot as the sun condensed on his chest!

A wave of heat assaulted his face, and the temperature instantly rose!

It was supposed to be winter, but now it was as hot as Summer!

Qin Yu narrowed his eyes, and a trace of craftiness flashed across his face!

He had no intention of wasting time with Gu Xinghe, but to end the battle as quickly as possible!

Qin Yu suddenly raised his hand, and with a raise of his hand, he used his trump card move, one punch to break ten thousand arts!

This punch contained all of Qin Yu's life's knowledge, spiritual power, spiritual fire, Divine Dragon's power, and so on. All the power was gathered on this punch!

All the Qi and energy in his body seemed to have been sucked dry, shining brilliantly on his golden fist!

“Not good!”

Gu Xinghe's face immediately changed!

Even though Qin Yu had not made a move yet, he could already feel the terrifying power on that fist!

This power was definitely not something that the spells in his hands could withstand!

“Kid, you're cheating!” Gu Xinghe could not help but be furious!

In his opinion, how could raising one's hand be a trump card!

However, Qin Yu grinned and sneered, “Do you think I'm here to play with you!”

Accompanied by a furious roar, Qin Yu's earth-shattering punch was thrown out!

In an instant, the entire martial arts academy fell apart!

The entire scene was filled with violent winds, the sky was dark, and a long tunnel of ruins appeared on the ground! It was caused by the residual power of Qin Yu's fist!

The spell in Gu Xinghe's hand had not even been completed before it was already dead in the womb!

Half of his body was directly shattered, and his body was sent flying for hundreds of meters!

“Young Master!”

Long brows instantly became anxious! Gu Xinghe was Gu Zizhen's only son. If anything happened, it would be over!

He rushed towards Gu Xinghe in a hurry, but Qin Yu was one step ahead of him and grabbed Gu Xinghe in his hand.

At this moment, Gu Xinghe was like a dead dog, caught in Qin Yu's palm.

Fresh blood flowed down his clothes.

“You... F * cking... cheated...”Gu Xinghe used all his strength to spit out these words, and then he completely fainted.

The people below the stage were even more dumbfounded.

They naturally couldn't understand the details, they only knew that Qin Yu killed the young master of the second mystic realm, Gu Xinghe, with one punch!

“Damn... I thought it would be a fierce battle. I didn't expect it to be resolved with one punch.”

“Should we say that Qin Yu is too strong or that Gu Xinghe is too weak?”

“There are both. However, Qin Yu seems to be only at the perfect stage of the Martial Marquis Realm. He is not even a half-step martial saint...”

“It's too terrifying. Gu Xinghe has no way to fight back in front of Qin Yu...”

Everyone was discussing, and only Qin Yu understood.

The reason why he was able to win so quickly this time was because of the word 'fast'.

The side effect of Qin Yu's self-created ten thousand arts breaking punch was also quite big. After using it, he would lose all his internal Qi.

However, from the outside, Qin Yu's punch was just an ordinary punch. He would not be overly cautious.

“Kid, let My Young Master Go! Otherwise, I Promise I'll skin you alive and pull out your tendons!” Long Mei widened his eyes and shouted angrily.

Qin Yu was no longer in the mood to continue fighting. He looked coldly at long mei and said, “I won't kill him. Go back and tell Gu Zizhen that I'll give him three days to get rid of the spirit binding spell.”

After saying this, Qin Yu turned around and left.

Long Mei tried to stop him, but Qin Yu raised his hand and placed it on Gu Xinghe's dantian.

"If you don't want him to die, go back and tell Gu Zizhen," Qin Yu said coldly.

Long-browed remembered bared his teeth. He gnashed his teeth and looked at Qin Yu, saying, "If young master Gu loses even a hair, I promise you that everyone related to you will die without a burial ground!"

"I believe that you have the ability, but don't doubt my determination," Qin Yu said coldly.

After saying this, Qin Yu grabbed Gu Xinghe and turned to leave.

The scene was in chaos.

It was supposed to be the opening ceremony, but such a thing happened.

Everyone was talking about it, as if they were discussing Qin Yu's strength.

Long Mei gritted his teeth.. He didn't dare to waste time and immediately rushed to the second secret realm.

Chapter 880: Chapter 880, the spirit binding technique!

Qin Yu dragged Gu Xinghe, who looked like a dead dog, to the Green Moon Villa.

Zhen Yue was stunned when she saw Gu Xinghe lying on the ground.

“Who is this?” Zhen Yue exclaimed.

Qin Yu waved his hand and said, “A fool. Don’t worry about him.”

Then, Qin Yu threw Gu Xinghe aside and came to the spirit spring alone.

“How is it? Any Progress?” Qin Yu asked.

Li Yu glanced at Qin Yu. He stretched out three fingers and said, “About three more days.”

Qin Yu grunted and said, “Thank you for your hard work.”

Three days was already much faster than he had imagined.

And three days was exactly the time Qin Yu gave Gu Zizhen.

“As long as the martial saint doesn’t come out, I’ll be safe for the time being,” Qin Yu thought to himself.

In the current era, Qin Yu was not afraid of anyone below the martial saint level, not even Jiang he or ye Qing.

For the rest of the time, Qin Yu stayed by Gu Xinghe’s side and waited quietly for the news of Gu Zizhen.

On the other side.

In the second secret realm, Gu Zizhen’s face was extremely livid.

Because of his anger, his entire body was trembling.

“Damn it, damn it! !”Gu Zizhen roared again and again!

The thing that he was most afraid of had finally happened.

“Master, he said that he would use the method to remove the spirit binding spell in exchange, and he would only give us three days...”long eyebrows said with a trembling voice.

Gu Zizhen gnashed his teeth and said, “What right does he have to negotiate with me? What right does he have! I will personally go out and kill him now!”

“Master, Please Calm down!”Long Mei hurriedly said.

“At most, there will be someone who will step into the martial saint realm in a week. At that time, it won’t be too late for you to make a move!”

“Moreover, the young master is still in his hands!”

Even though he said so, Gu Zizhen’s anger still had not subsided.

“Okay, I will endure him for a few days!”Gu Zizhen took a deep breath and forcefully suppressed the anger in his heart.

“What about the spirit binding technique?”Long brows asked tentatively.

Gu Zizhen said in a deep voice, “Bring the spirit binding technique with you tomorrow and go and change the person.”

“Yes, Master.”Long brows hurriedly nodded.

...

In the outside world, almost everyone was discussing this matter.

Qin Yu sent Gu Xinghe flying with one punch. This was undoubtedly shocking.

They were also increasingly unable to see through Qin Yu's strength.

Among them, the most shocked was none other than the young masters of the aristocratic families in Jingdu.

“Qin Yu actually defeated Gu Xinghe with a single punch. This is truly inconceivable,” Zhuang Teng exclaimed.

Chu Heng also nodded and said, “That's right. Could it be that Qin Yu has already stepped into the half-step martial Saint Realm?”

“No, he is only at the perfect stage of the Martial Marquis Realm.”

“Damn, then if he had stepped into the half-step martial saint realm, how powerful would he be?”

Wan Gu Qiong, who remained silent at the side, had an even colder expression on his face.

He was also from the secret realm, so he naturally had some understanding of Gu Xinghe's strength.

The second secret realm was much more powerful than the Wan family's secret realm, and the resources were even more abundant!

If even Gu Xinghe was sent flying with one punch, then his ending would not be any better.

“Fortunately, I can get rid of him soon.”Wan Gu Qiong thought to himself.

As long as someone stepped into the martial saint realm, the Wan family and the Le family would most likely attack Qin Yu!

“We also have to consider going into closed-door cultivation.”Chu Heng sighed.

“Yan Jinyao has been in closed-door cultivation for several days. I wonder what he has learned.”

“Sigh, there are rumors everywhere that the general environment has changed, and the structure of the martial arts world has also changed. I’m afraid that the leisurely life like before will never return.”

“Young Master Wan, a young master from the secret realm, will probably slowly surface.”

Wan Gu Qiong nodded slightly. He did not deny this.

Once someone stepped into the martial saint realm, everything would be different.

Breaking through to the martial saint realm in the secret realm was an extremely dangerous matter because the terrifying heavenly tribulation would very likely destroy a secret realm.

These young masters also felt a sense of danger at this moment.

...

Qin Yu sat in the Jade Moon Villa, quietly waiting for the arrival of the Gu family.

“Qin Yu... You Motherf * cker... you’ve made me lose all my face...”after waking up, Gu Xinghe glared at Qin Yu.

He was the first person to leave the mystic realm, yet he was sent flying with a punch. How could he endure such humiliation.

Qin Yu glanced at him and mocked, “Who can you blame if you don’t learn well?”

“You F * cking ambushed me...”Gu Xinghe said unwillingly.

Qin Yu kicked him and sneered, “Stop talking nonsense. Even if you do it again, you will still lose.”

Gu Xinghe said sinisterly, “Qin Yu, don’t be happy too early. There is still time. I will pay back the humiliation I suffered today a thousand times over!”

“Alright, I’ll wait for you.”Qin Yu closed his eyes slightly and ignored Gu Xinghe.

At this moment, Qin Yu felt several powerful internal Qi approaching!

Qin Yu suddenly opened his eyes and swept his gaze in the direction of the door.

He saw Long Mei leading eight people into the Jade Moon Villa!

Among these eight people, four were half-step martial saints, and the remaining four could not see through their strength!

“Martial saint? !”Qin Yu’s face could not help but change!

Was Gu Zi really crazy? Sending out a martial saint at this time?

“Qin Yu! I’ve brought the thing you wanted!” Just as Qin Yu was panicking, long brows shouted sternly.

Qin Yu hurriedly grabbed Gu Xinghe and placed his palm on Gu Xinghe’s Dantian to ensure that he could kill Gu Xinghe at the first possible moment.

They walked all the way to the square and saw Long Mei holding a document in his hand.

“Qin Yu, this is the method to remove the spirit binding spell.” Long Mei suddenly threw the document in his hand.

However, Qin Yu did not take it. He looked at the people in front of him cautiously and said coldly, “Four martial saints? Why, are you planning to make a move?”

“Haha, don’t worry. We won’t be so stupid. We only have a few days left. Why are you rushing?” Long Mei said with a smile that was not a smile.

“The four of them came with me to bring young master home. At the same time, they have to recognize your face so that they won’t find the wrong person in a few days.”

Long Mei’s words were full of threat. Qin Yu couldn’t help but frown.

The second secret realm was indeed powerful.

“Okay, leave the person to us,” Long Mei said coldly.

Qin Yu let go of his hand and threw Gu Xinghe to the side.

Long Mei rushed forward to support Gu Xinghe.

“Young Master, Are You Alright?” Long Mei asked worriedly.

Gu Xinghe ignored him and spat on the ground. Then, he glared at Qin Yu and said, “Qin Yu, remember this. Not only will I kill you, I will also torture the person you love in front of you!”

“Didn’t you want to protect Yan Ruoxue? When the time comes, I will drain her blood right in front of you!”

“Enjoy your last moments!”

After saying those harsh words, a cruel smile hung on Gu Xinghe’s face as he turned around and left.

Qin Yu took a deep breath, grabbed the document on the ground, and anxiously flipped it open.

“It is indeed the method to remove the spirit binding spell,” Qin Yu suppressed the excitement in his heart and whispered.

Chapter 881: Chapter 881: Yan Ruoxue Awakens!

This was the spirit binding spell that Qin Yu had been longing for! Now that it was in his hands, Qin Yu even felt that it was a little unreal!

He did not waste any time and immediately rushed towards the Divine Alchemist Pavilion.

At this moment, Gu Xinghe had already been brought back to the second mystic realm.

In the mystic realm, Gu Zizhen was both angry and a little distressed.

“Didn’t I say that you are not allowed to fight with him! It’s just a few days, can’t you hold it in? !”Gu Zizhen couldn’t help but scold.

Gu Xinghe gritted his teeth and said, “That Qin Yu is full of foul language, how can I tolerate him! If I let him scold me, then where will my face go? !”

“Face? You still know how to care about face?”Gu Zizhen was so angry that he laughed.

“In the end? You were beaten half to death with one punch, and you have your face? Our second mystic realm’s face has been completely thrown away by you alone!”

At the mention of this matter, Gu Xinghe was full of anger.

“I was careless...”Gu Xinghe clenched his fists tightly.

This failure had undoubtedly caused Gu Xinghe to lose all his face.

“Dad, no matter what, I have to fight him again!”Gu Xinghe said unwillingly.

Gu Zizhen said coldly, “Now, things have gone beyond our control. He has already taken away the spirit binding spell. What else do you want to Do?”

Gu Xinghe opened his mouth and wanted to say something, but was interrupted by Gu Zizhen.

“Because of you, the higher-ups are already very unhappy. They have given a death order. As soon as a martial saint successfully breaks

through, they will immediately send out a martial saint to kill Qin Yu,”Gu Zizhen said coldly.

Gu Xinghe hurriedly said, “Then I will lead the team!”

“You can stay in the second secret realm,”gu Zizhen said coldly.

“I won’t!”Gu Xinghe was extremely stubborn.

“I can’t come back so dejectedly. I want to go back to the Jingdu Martial Arts Association.”

Gu Zizhen really wanted to refuse, but Gu Xinghe was extremely stubborn.

Helpless, Gu Zizhen could only nod and say, “I can let you go back, but before the martial saint comes into being, you can’t do anything.”

“Okay!”Gu Xinghe hurriedly agreed.

To Gu Xinghe, as long as he could return to the Jingdu Martial Arts Association, he was willing to agree to anything.

“Bear with it, it won’t take more than a week.”Gu Zizhen patted Gu Xinghe’s shoulder.

“When that time comes, a martial saint will kill Qin Yu and bring Yan Ruoxue back!”

...

On the other side, Qin Yu was holding the spirit binding spell as he hurriedly ran back to the medicine God Pavilion.

As soon as he entered the door, Qin Yu couldn't wait to ask, "Pavilion Master, where is Ruoxue?"

"She's in the secret room. What's Wrong?" The Pavilion Master couldn't help but feel puzzled.

Qin Yu's hands trembled as he said, "Spirit binding spell... I've got the spirit binding spell!"

Hearing this, a trace of surprise flashed across the pavilion master's face.

"You traded Gu Xinghe for it?" The pavilion master tried to ask.

Qin Yu nodded, "Yes, that's why I'm looking for Gu Xinghe."

At this point, Qin Yu waved his hand and said, "Don't waste time, take me to the secret room quickly."

Qin Yu couldn't wait to see Yan Ruoxue after she woke up.

The pavilion master said helplessly, "Even if you have the spirit binding technique, you still need time to comprehend it. Don't tell me you plan to use this book to save her?"

Qin Yu was stunned. He patted his head and said awkwardly, "I was too excited and forgot about it..."

"Pavilion Master, give me half a day." Qin Yu hurriedly greeted the pavilion master and then turned back to his elder's residence.

Seeing Qin Yu's anxious look, Zhang Yi Jiu couldn't help but frown.

"Is there a need to be so excited? What's so good about this Yan Ruoxue..." Zhang Yi Jiu muttered softly.

...

In the Elder's residence.

Qin Yu sat cross-legged on the bed. In front of him was the spirit binding technique.

With Qin Yu's talent, it did not take him long to comprehend a cultivation technique. Even if it was a heaven-tier cultivation technique, it would only take him a few hours at most.

However, Qin Yu's mind could not calm down at the moment. This also caused the time for him to comprehend to grow longer.

Time passed by minute by second. After a full five hours, Qin Yu finally opened his eyes.

He let out a long breath, and his eyes suddenly opened.

"This spirit binding technique... it really is a mysterious technique," Qin Yu could not help but mutter.

After comprehending the spirit binding technique, Qin Yu realized how terrifying this spirit binding technique was.

This technique could not only cause one's spiritual sense to fall into eternal sleep, it could even control the spiritual sense of others and sign an unequal contract with them.

Fortunately, Yan Ruoxue's spiritual sense had only fallen into eternal slumber. If her spiritual sense was forced to sign a contract, then only the caster would have a way to undo it.

Qin Yu walked out of the Elder's residence and arrived at the Pavilion Master's building in a flash.

At this moment, the pavilion master and the two apprentice alchemists were waiting here, and the door of the Secret Chamber had long been opened.

Qin Yu took a deep breath and quickly walked into the secret chamber, squatting on one side of the medicinal pool.

In the medicinal pool, Yan Ruoxue was still flawless. Her snow-white skin and thick black hair were soaked in the medicinal bath. A charming smell of internal qi and medicinal fragrance floated into the air.

Even though Yan Ruoxue was currently in a coma, her charm did not diminish. Instead, it added a hint of weakness, making people feel protective.

Qin Yu gently grabbed Yan Ruoxue's hand and said in a low voice, "Ruoxue, we can finally be together..."

Qin Yu had waited for so long for this day!

He did not waste any more time and immediately began to activate the spirit binding spell.

Qin Yu's hands flickered with a faint light and hung above Yan Ruoxue's head.

Threads of strange light were like water ripples, slowly circulating under Qin Yu's hands.

This aura was like a thin veil, covering Yan Ruoxue's delicate body. Threads of internal Qi flowed through her fine pores and entered her body.

Qin Yu was extremely nervous. Beside him, the pavilion master's face could not help but become a little worried.

“Weng!”

Following a slight sound, a golden light flashed across Yan Ruoxue's forehead!

This golden light was like a blooming flower, slowly spreading from her forehead!

Qin Yu retracted his palm.

He looked at Yan Ruoxue in front of him nervously, his heart hanging in the air.

Qin Yu clenched his fist tightly, his eyes staring at Yan Ruoxue.

The room was extremely quiet, one could even hear their weak and short breaths.

“Huala”

At this moment, a sound came from the medicinal pool!

Yan Ruoxue's palm was lifted up gently.

Chapter 882: Chapter 882, I can protect you

Qin Yu grabbed Yan Ruoxue's wrist tightly. Yan Ruoxue, who was lying in the medicinal pool, slowly opened her beautiful eyes.

She looked around in a daze. She was clearly unfamiliar with her surroundings.

Qin Yu pulled Yan Ruoxue into his arms and said excitedly, "Ruoxue, you... you're finally awake..."

In order to see Yan Ruoxue, Qin Yu had cultivated like a madman. Now, he could finally hold the person he loved in his arms.

"Put the clothes on the side." The pavilion master said and waved his hand. He led the Two Medicine boys out of the secret room.

In the secret room, Qin Yu hugged Yan Ruoxue tightly. Tears could not help but flow out of his eyes.

After hugging her like this for an unknown amount of time, Qin Yu slowly released his arms.

In her arms, Yan Ruoxue's beautiful eyes were like water. Her delicate body leaned against Qin Yu's chest.

She raised her head. Qin Yu was immersed in her eyes and could not extricate himself.

"Long time no see." Yan Ruoxue stretched out her jade-like fingers and gently patted Qin Yu's head.

Qin Yu wiped the tears that were about to flow out of his eyes and nodded hard. "Long time no see!"

At this moment, Qin Yu seemed to have an endless amount of words to say.

He wanted to tell Yan Ruoxue how much he had missed her these two years, but words could not express this heavy yearning.

In the end, all his words turned into a hug.

The two of them hugged gently. In this secret room, it was like a beautiful painting.

“Ruoxue, you have suffered.” After an unknown amount of time, Qin Yu helped Yan Ruoxue put on her clothes and said softly.

Yan Ruoxue smiled. “The one who suffered was you, not me. I can’t imagine how much pressure you’ve been under these two years, and what kind of suffering you’ve endured.”

“For two whole years, I’ve been blaming myself and regretting. If it weren’t for me, you wouldn’t have suffered so much.”

Qin Yu opened his mouth and shook his head. “If it weren’t for you, my life would be a pool of stagnant water. Now That I’m still alive and still alive standing in front of you, it’s enough to prove that everything you’ve done is right.”

Speaking up to this point, Qin Yu took a deep breath and said, “I will remember in my heart what the Jingdu Martial Arts Association did to you. I will make them pay a thousand times, a hundred times the price.”

“I don’t want to see you take risks anymore.” Yan Ruoxue reached out and gently stroked Qin Yu’s face.

Qin Yu shook his head and said, “This isn’t a risk, it’s a responsibility. I said before, I will definitely let you stand on the highest peak of Jingdu and see the best scenery.”

“I will not let go of anyone who has hurt you.”

Qin Yu’s eyes were filled with ruthlessness, but when he looked at Yan Ruoxue, they were filled with tenderness.

“Next, let me protect you.” Qin Yu gently wrapped his arm around Yan Ruoxue’s waist.

The next morning.

Qin Yu brought Yan Ruoxue and appeared in the Pavilion Master’s building.

“Greetings, Pavilion Master.” Yan Ruoxue bowed slightly and greeted him.

The pavilion master returned the greeting and said with a smile, “Miss Yan, we meet again.”

Qin Yu, who was at the side, said, “Pavilion Master, I plan to take Ruoxue out to relax for a few days. She has been lying down for too long.”

When he heard these words, a trace of worry flashed across the Pavilion Master’s eyes.

She pulled Qin Yu to the side and said in a deep voice, “Are you crazy? There are so many people in the world watching Yan Ruoxue. Do you know how much trouble you will cause if you bring her out openly like this?”

Qin Yu said, "According to my calculations, the martial saint will only appear in at least six days. In these six days, no one can hurt her."

"If anyone wants to make a move, just come and try."

The pavilion master opened her mouth. She wanted to say something, but Qin Yu had already made up his mind.

Seeing this, the pavilion master could not say anything else. He could only nod and say, "Be careful. Remember, the Jingdu Martial Arts Association will definitely send out the martial saint."

"I will disappear before they do." Qin Yu bowed slightly.

"Also, pavilion master, it's best not to let Ruoxue know about these words. I don't want her to worry."

The pavilion master nodded and said, "Yes, I understand."

Following that, Qin Yu walked back to Yan Ruoxue's side.

"What are you guys talking about?" Yan ruoxue blinked her eyes and asked with a smile.

"Nothing. It's just a simple goodbye." Qin Yu grinned, revealing his white teeth.

Although Qin Yu tried his best to hide it, the Smart Yan Ruoxue would not be fooled so easily.

"Will I bring you danger?" Yan Ruoxue stopped in her tracks.

Qin Yu hurriedly said, "No, of course not!"

“No?” Yan Ruoxue raised her eyebrows and snickered, “You are still the same as before. You Can’t even lie.”

Qin Yu opened his mouth. His face was red like a child who had made a mistake.

“I know many people are looking for me. Why don’t we... not go out? As long as we’re together, it’s enough,” Yan Ruoxue said.

The more she acted like this, the more Qin Yu’s heart ached.

“There are indeed many people who want you.” Qin Yu laid out his cards.

“But with me around, no one can take you away. Whoever dares to Covet You, I will break their legs!”

Hearing this, Yan Ruoxue immediately burst out laughing.

Qin Yu hurriedly explained, “What I said is true! I am no longer the Qin Yu from two years ago, i...”

“Alright, I believe you, but we don’t have to take the risk, do we?” Yan Ruoxue gently patted Qin Yu’s shoulder.

“No, I want to take the risk!” Qin Yu looked like he was throwing a tantrum.

“Not only do I want to take you out to play, I also want to take you to Jingdu! To the Yan family!”

“This time, listen to me!” Qin Yu was serious and unquestionable.

Yan Ruoxue’s beautiful eyes stared at Qin Yu in surprise. A moment later, she smiled and said, “Okay, I’ll listen to You!”

Although she was a little worried, how bad could the worst result be.

Moreover, the current Qin Yu might really have the ability to protect himself.

The two boarded the plane and headed straight for Jingdu.

Just this short trip was quickly spread to the martial arts forum.

“Big News! Qin Yu and Yan Ruoxue appeared at the airport!”

“The two of them were talking and laughing with sweet faces, as if they were on vacation!”

“Yan Ruoxue, who has been missing for two years, has actually appeared at the airport!”

This news quickly spread. Qin Yu and Yan Ruoxue had yet to arrive in Jingdu, but the news seemed to have grown wings and spread throughout the entire Jingdu.

The various large factions quickly received the news.

“Yan Ruoxue... has finally appeared!”

Countless organizations and factions were unable to resist this temptation and rushed towards Jingdu.

Chapter 883: Chapter 883, entering the Yan manor again

Danger was slowly approaching, but Qin Yu did not care at all.

As long as no martial saints were born, Qin Yu would not be afraid of anyone.

After arriving in Jingdu, Yan ruoxue suddenly asked, “Why must you come to Jingdu?”

Qin Yu thought for a moment and said, “Although I haven’t been able to make you not fear anyone yet, I want to live a normal couple’s life with you.”

After the two of them confirmed their relationship, they had very little time to get together.

Now that they could finally be together openly, Qin Yu naturally wouldn’t miss it.

He hailed a car from the airport and headed straight for the Yan family manor.

Just a trip to the airport had caused countless people to take photos and circulate them.

At this moment, Han Wei had also seen the various photos circulating on the internet.

A deep sense of powerlessness filled his chest.

...

Soon, Qin Yu brought Yan Ruoxue to the Yan family’s manor.

The Yan family’s manor was as strict as ever.

Strangers were not allowed to approach from dozens of meters away.

Ever since Yan Ruoxue left, this manor had become Yan Sihai's property. Zhang Yin lived here all year round.

Returning to the Yan family's manor once again, Yan Ruoxue had an indescribable feeling in her heart.

The scenes of the past could not help but appear in her heart. Those happy times seemed to have gone for good.

"Stop, this is the Yan family's manor. No one is allowed to come forward!" Very quickly, two bodyguards rushed over.

But when they came close, they were stunned on the spot.

"Miss... Miss?" The bodyguard's voice was slightly trembling.

Yan Ruoxue smiled faintly and said, "Why? Don't you recognize me?"

"No... No, of course not." The bodyguard waved his hand.

"Then why don't you quickly move aside?" Yan Ruoxue said faintly.

A trace of embarrassment flashed across the bodyguard's face.

"Miss, President Yan has instructed us that no one is allowed to come near. I..." The bodyguard stammered, somewhat at a loss.

Qin Yu could not help but berate coldly, "This is Ruoxue's home. What has it got to do with him, Yan Sihai? If he has any objections, just let him come to me."

Seeing this, the bodyguard did not dare to say anything more. He could only nod and make way.

Qin Yu and Yan Ruoxue Strode into the Yan family manor.

After they entered, the bodyguard immediately gave Yan Sihai a call.

“President Yan, Miss is back...”the bodyguard whispered.

“What? !”Yan Sihai suddenly stood up.

He said coldly, “Yan Ruoxue... She’s Back!”

Yan Sihai’s expression was a little ugly. He paced around the office.

After a moment, he asked, “Who is she with?”

“With... with Qin Yu.”The bodyguard did not dare to hide it.

When he heard Qin Yu’s name, Yan Sihai’s expression instantly became even gloomier.

After a moment, Yan Sihai said coldly, “I got it.”

After he hung up the phone, Yan Sihai immediately used his connections and called three half-step martial saints to rush towards the Yan family manor.

Yan family manor.

As soon as Qin Yu and Yan Ruoxue entered the door, they saw Zhang Yin sitting on the sofa like a noblewoman.

Looking at Yan Ruoxue and Qin Yu in front of her, Zhang Yin’s expression became even more unsightly.

She stood up abruptly and berated, “Who let you in! Hurry up and get out!”

Before Yan Ruoxue could say anything, Qin Yu said coldly, “You’re the one who should get out.”

Zhang Yin immediately flew into a rage, “You’re an outsider, what has it got to do with you!”

“Yan Ruoxue, listen well, this Yan family manor is mine now! If you’re sensible, get out quickly, or don’t blame me for being impolite!”

Qin Yu’s expression turned cold as he walked towards Zhang Yin Step by step.

“I said get the hell out of here. Do you understand?” Qin Yu’s tone was extremely cold. The powerful pressure caused Zhang Yin’s entire body to tremble.

Zhang Yin’s two bodyguards hurriedly rushed out and blocked in front of Zhang Yin.

“Get... get him out of Here!” Zhang Yin said in a panic.

“Yes!” The two bodyguards rushed towards Qin Yu without saying a word.

Qin Yu didn’t say anything. He waved his hand and smashed the two of them into meat paste!

Seeing this scene, Zhang Yin immediately screamed in fear.

Qin Yu raised his hand and slapped her on the mouth.

Although the slap wasn’t very strong, it still shattered more than ten of Zhang Yin’s teeth and her mouth swelled up.

“Don’t think that I don’t dare to kill you,”Qin Yu said coldly.

Zhang Yin had long been scared out of her wits. She covered her mouth and turned to run.

After chasing her away, Qin Yu flicked his finger and finished off the two corpses.

Then, Qin Yu looked at Yan Ruoxue and said, “Okay, it’s okay.”

However, Yan Ruoxue was a little worried.

“Yan Sihai won’t agree with you,”Yan Ruoxue said in a low voice.

Qin Yu smiled and said, “I’m not afraid of him now.”

Yan Ruoxue didn’t know Qin Yu’s current strength. She only knew that the Yan family was huge, and the power they could use was beyond imagination.

“Qin Yu, don’t underestimate Yan Sihai. His power is beyond your imagination,”Yan Ruoxue said in a low voice.

Qin Yu smiled and said, “Don’t worry. Even if he finds the heavenly king, it won’t work today!”

Seeing this, Yan Ruoxue could only sigh slightly.

Qin Yu didn’t take Yan Sihai seriously at all. He pulled Yan Ruoxue and went upstairs.

Looking at the place where she grew up, Yan Ruoxue also had an indescribable feeling in her heart.

She lay on the big bed that she used to have and said in a somewhat lazy voice, “It seems like nothing has changed, but it also seems like everything has changed...”

Qin Yu lay on her side and said in a low voice, “Ruoxue, we will have more and more...”

The two of them looked at each other and smiled, enjoying this moment of happiness.

At this moment, Qin Yu felt several internal Qi approaching him.

“Yan Sihai, you’ve really come. I was just about to look for you.”The corners of Qin Yu’s mouth could not help but curl up into a cold smile.

In just a moment, Yan Sihai had brought three half-step martial saints and pushed open the door to enter!

Zhang Yin was also beside him.

“Master, you must avenge me!”Zhang Yin covered her mouth and said with a pained expression.

The moment she saw Yan Sihai, Yan Ruoxue also quickly stood up.

She subconsciously shielded Qin Yu behind her and said, “Uncle, all of this has nothing to do with Qin Yu.”

Yan Sihai said with a cold face, “Yan Ruoxue, you actually helped an outsider. Tell me, what crime should you commit?”

“I’ll commit your grandfather’s crime.”Qin Yu could not help but sneer.

“Yan Sihai, your skin is really thick. Where did you get the face to say such words?”

Yan Sihai narrowed his eyes slightly and sneered: “I know you have some abilities recently, but in front of My Yan family, you are nothing!”

As he spoke, Yan Sihai took a step back.

“Don’t worry, my three half-step martial saint friends will take good care of you.”Yan Sihai said coldly.

Half-step martial saint!

When she heard these words, Yan Ruoxue’s face instantly turned extremely pale!

She knew what it meant to be a half-step martial saint!

Chapter 884: Chapter 884, prove it to you

Even the huge Yan family could not find a few half-step martial saints!

“Sending out three martial saints, is it necessary?”Yan Ruoxue subconsciously blocked Qin Yu behind her.

In her opinion, Qin Yu was still the young man who needed protection.

Yan sihai sneered: “Yan Ruoxue, if you really feel sorry for him, then follow me obediently. I will let him live.”

Yan ruoxue gritted her teeth. Just as she was about to speak, Qin Yu gently covered her mouth.

“Three half-step martial saints are not worth mentioning at all.”Qin Yu grinned and said.

“These two years, I have not wasted my time. Otherwise, how could I have brought you to the Yan family so confidently?”

After he finished speaking, Qin Yu blocked Yan ruoxue behind him.

“Do it. Don’t waste my time alone with Ruoxue,”Qin Yu said coldly.

Yan sihai shouted, “Do it! Kill him!”

The three half-step martial saints immediately strode towards Qin Yu!

It was unknown whether it was because of Yan Ruoxue’s side or Qin Yu’s sudden increase in strength, but Qin Yu’s internal Qi was unprecedentedly strong when he faced the three half-step martial saints!

With a furious roar, his fists condensed into a dragon-like shape.

Then, Qin Yu’s fist suddenly smashed out like a cannonball exploding next to his ear!

“Boom!”

That rainbow-like aura suddenly soared, and the destructive power poured out like a waterfall!

Qin Yu Protected Yan Ruoxue with one hand, and used the other hand to face the three half-step martial saints!

In an instant, the three people’s bodies were directly shattered!

The penetrating power of this punch was extremely terrifying. The three people did not retreat too much, but their internal organs had all exploded at this moment!

“Pu!”

They spat out a mouthful of blood, and the blood was mixed with the fragments of their internal organs!

With just one punch, he had killed three half-step martial saints!

Without the appearance of a martial saint, Qin Yu was invincible in this world. This was not a rumor!

Yan Ruoxue’s beautiful eyes were filled with shock! She could not help but cover her mouth gently.

Even though Yan Ruoxue had always trusted Qin Yu, she did not expect that Qin Yu had grown to such a level in such a short period of time!

The veins on Yan Sihai’s forehead bulged. Ever since Yan Jinyao went into seclusion, he had been indifferent to the affairs of the Martial World. He had no idea that Qin Yu had reached such a level!

Among the few people present, only Qin Yu was calm and collected.

He walked to the front of the three people, dug out the golden cores from their bodies, and casually stuffed them into his pocket.

Then, Qin Yu’s gaze fell on Yan Sihai.

“What? Are You So ignorant now?” Qin Yu looked at Yan Sihai coldly.

Yan Sihai's face was ashen. He snorted coldly and said, "Qin Yu, you really have some ability. I've underestimated you."

"So?" Qin Yu said coldly.

Yan Sihai gritted his teeth and said, "Don't be arrogant for too long. It's not like our Yan family can't afford a martial saint!"

After he finished speaking, Yan Sihai turned around and was about to leave.

"Stop!"

However, at this moment, Qin Yu suddenly let out a stern shout!

That thunderous voice sounded beside Yan Sihai's ears and for a moment, it shook his legs until they went soft!

"Why? Do you still have something to do?" Yan Sihai said coldly.

Qin Yu took a step forward and walked in front of Yan Sihai.

"Since you're here, why are you in such a hurry to leave?" Qin Yu said coldly.

"What do you want?" Yan Sihai said with a tone of iron.

Qin Yu pointed at Yan Ruoxue and said, "As Ruoxue's uncle, you sent her to the Jingdu Martial Arts Association for personal gain and made her suffer all kinds of torture. Do you want to leave just like that?"

Yan Sihai was both shocked and angry.

As the eldest son of the Yan family, no one had ever dared to talk to him like that!

“Qin Yu, are you crazy? You Dare to talk to me like that?” Yan Sihai was furious.

Qin Yu said coldly, “I’m already polite enough to you now.”

Yan Sihai was so angry that he laughed. “Fine, then what do you want me to do?”

Qin Yu took a deep breath and said, “I promised Ruoxue that everyone who has hurt her will pay a thousand times or a hundred times the price. Everyone who is stained with Ruoxue’s blood will pay with their lives.”

“I can kill you last because you are Ruoxue’s uncle.”

“But now, you must kneel down and apologize to Ruoxue.”

Yan Sihai burst into laughter.

He pointed at Qin Yu’s nose and said, “You want me to kneel down and apologize? I think you are crazy. You know that I... Ah!!!”

Before Yan Sihai could finish his words, Qin Yu had already kicked Yan Sihai’s knee into pieces!

The intense pain instantly made Yan Sihai kneel on the ground with a plop!

He held his knee, his eyes filled with disbelief.

“You... You Dare to hit me? !” Yan Sihai did not care about the pain, his face was filled with shock.

Qin Yu said coldly, "This is only a small punishment for you. It is too easy for you to kill you just like that."

Yan Sihai was the patriarch of the Yan family after all. Even under such circumstances, he still didn't lose his stance.

He pointed at Qin Yu and said, "Good, good! Qin Yu, you have guts. Let's wait and see, Wait and see!"

After saying that, Yan Sihai glared at Zhang Yin and scolded, "Hurry up and help me downstairs!"

Zhang Yin didn't dare to say anything. She hurriedly helped Yan Sihai and walked downstairs.

"Oh right, Tell Yan Jinyao that I will personally kill him after he comes out of seclusion." At this moment, Qin Yu spoke again.

Yan Sihai snorted coldly. He did not say anything and left the place.

After he left, Yan Ruoxue cried out in shock, "You..."

Qin Yu took a deep breath and smiled, "Do you think that I am a little too ruthless? If you don't like it, I can change."

"No." Yan Ruoxue shook her head.

She had been born in a top aristocratic family since she was a child and had long been used to seeing fresh blood.

"I'm just curious about your changes. People do change, but in a short two years, there aren't many changes." Yan Ruoxue said in a low voice.

Qin Yu didn't know what to say for a moment.

If Qin Yu's changes were 100% , then it was 90% because of Yan Ruoxue.

After that, Qin Yu used the spiritual fire to finish off these corpses.

And because of the fight, cracks also appeared in the room.

On the same day, Qin Yu and Yan Ruoxue went to the market and bought wallpaper, flowers, and other various decorations according to their own wishes, as well as a large pile of ingredients.

After returning home, the two of them began to clean up and remodel the huge Yan family manor.

After doing all this, the two of them lay on the bed, panting.

All of this was like an ordinary, happy little couple.

“Alright, I think no one will disturb us now.”Qin Yu looked sideways at Yan Ruoxue who was lying next to him.

When their eyes met, the atmosphere in the room seemed to have become ambiguous.

Chapter 885: Chapter 885, lurking in the dark

The two of them were like an ordinary couple, lying on the bed, feeling each other's warmth and this moment of warmth.

Qin Yu gently held Yan Ruoxue's hand, and a strange emotion burst out of their eyes.

The two of them were getting closer and closer, so close that they could feel each other's breathing.

At this moment, there was a sudden movement from outside.

Qin Yu looked out of the window somewhat irritably.

He saw that the people who came were the group of young masters from Jingdu.

Zhuang Teng, Chu Heng, Yao Meng, and the others were almost all here.

"F * ck, why are they here?" Qin Yu couldn't help but curse in his heart.

Wasn't this ruining his good thing! !

Qin Yu and Yan Ruoxue quickly went downstairs. As soon as they went downstairs, Zhuang Teng and the others walked over excitedly.

"Miss Yan, we've finally met you," Zhuang Teng said politely.

Yan Ruoxue also responded politely and returned a generous smile.

"Miss Yan, we were especially heartbroken about what happened last time. Fortunately, Qin Yu is here," Chu Heng also said with a smile.

"We heard that you were back, so we hurried over."

Everyone was unusually enthusiastic, but Qin Yu felt a headache.

"Oh right, Brother Qin, Miss Yan, I specially held a dinner party at home today," Zhuang Teng said while patting his chest.

"This dinner party is to welcome Miss Yan!"

Yan ruoxue frowned slightly and shook her head with a smile. “There’s no need for that, right?”

“Aiya, Miss Yan, you can’t not give me face. I specially prepared this for you!” Zhuang Teng said excitedly.

Yan Ruoxue did not respond. Instead, she looked at Qin Yu, as if waiting for Qin Yu’s answer.

Qin Yu sighed slightly and said, “Alright, we’ll go in a while.”

“Okay!” Zhuang Teng said excitedly.

“Then we’ll go back first. See You Tonight!”

Zhuang Teng led everyone and left. Only Yao Meng stayed.

It could be seen that the relationship between Yao Meng and Yan Ruoxue was really good. The two of them were talking and laughing, and the atmosphere was quite harmonious.

“Zhuang Teng will definitely invite all kinds of people to the banquet,” Yao Meng said with a bitter smile.

Yan ruoxue smiled and said, “Zhuang Teng has always been like this. This is also good.”

Yao Meng said jokingly, “We are not like you. We are quite popular no matter which world we are in.”

Although these words were a joke, it was also the truth.

Like Yao Meng and the others, their assets were not considered top-notch. It was just that their martial arts strength was relatively strong.

But it was different for Yan Ruoxue. Back then, the Yan family could be said to be able to call the wind and summon the rain in Jingdu.

Regardless of their various professions, they had to give some face.

Then, Yao Meng changed the topic to Qin Yu.

“Ruoxue, I can’t help but admire your foresight,” Yao Meng said with a smile.

“At that time, I was still wondering how much courage it took for you to find a poor kid with no background. Now it seems that I’m still short-sighted. The foresight of the Yan family is indeed worthy of its reputation.”

Yan ruoxue smiled and said, “Do you think I like Qin Yu just because I have good taste?”

Yao Meng’s eyes were a little surprised, as if she was waiting for Yan Ruoxue’s answer.

Yan ruoxue smiled and said, “I do think Qin Yu will definitely achieve something, but that’s not why I like him. It’s more because I like him.”

“Even if he really has no achievements, I’m willing to support him.”

Yao Meng opened her mouth, not knowing what to say for a moment.

To Yao Meng and the others, their lives had already become a profit field.

It was as if everything in this world was marked with a price, even for people.

“Qin Yu is crazy enough... For You.” Yao Meng smiled and shook her head.

Hearing this, Yan Ruoxue’s eyes could not help but look at Qin Yu.

The way she looked at Qin Yu seemed to have a different color.

“Okay, Ruoxue, let’s see you tonight.” Yao Meng didn’t stay any longer. She said goodbye to Yan Ruoxue and left.

After she left, Yan Ruoxue came to Qin Yu’s side.

“The food we prepared seems to be useless.” Yan ruoxue spread her hands.

Qin Yu also whispered, “Yeah, I was planning to cook a bowl of noodles for you.”

“Well... speaking of which, I really want to eat the noodles you cooked. That should be the first time you cooked for me, right?” Yan ruoxue blinked her eyes and said.

Qin Yu also smiled and said, “I also want to eat the fish you cooked. Tomorrow, we’ll be at home by Ourselves Tomorrow, and we won’t see anyone!”

Speaking up to this point, Yan Ruoxue said with some worry, “You also know that many people are interested in my bloodline. Aren’t you afraid that... Something will happen at tonight’s Banquet?”

Qin Yu put down the remote control in his hand and sneered, “I just want to find these people who are hiding in the dark!”

Yan Ruoxue opened her mouth. She wanted to say something, but after a moment, she laughed again.

“That’s right. You are no longer the Qin Yu that everyone can bully.”Yan Ruoxue gently patted Qin Yu’s forehead.

Qin Yu could not help but be a little absent-minded.

He did not know how long this kind of warm little life would last.

...

At night.

Qin Yu changed into a suit and attended the banquet with Yan Ruoxue. They arrived at the Zhuang family.

Yan Ruoxue’s appearance was like a beautiful scenery. No matter where she went, she would attract enough attention.

For a moment, many people from the Zhuang family came forward and greeted Yan Ruoxue.

Yan Ruoxue also responded politely.

“Ruoxue, come and sit here.”Yao Meng waved at Yan Ruoxue.

Qin Yu followed Yan Ruoxue and walked to the sofa.

The entire venue was packed with people, and the people attending this banquet were all important figures in Jingdu.

Qin Yu sat at the side and didn’t say anything. He released his spiritual sense and covered the entire venue.

One, two, three... Six powerful auras were lurking in the dark, and the internal Qi of the people in the banquet hall was very strong.

Qin Yu snorted and said, "Someone is really targeting us."

"What's Wrong?" Yan ruoxue noticed Qin Yu's abnormality.

Qin Yu smiled and shook his head. "Nothing."

At this moment, a young man came over with a wine glass in his hand.

He walked directly to Yan Ruoxue's side and said with a smile, "Miss Yan, long time no see."

Yan ruoxue nodded slightly as a greeting to him.

The young man continued, "Miss Yan, are you interested in dancing with me?"

Yan ruoxue glanced at him and said mercilessly, "I'm not interested. Even if I dance, I Won't dance with you."

When the young man heard this, he couldn't help but put the wine glass in his hand on the table.

"Yan Ruoxue, do you still think that you are the Miss of the Yan Family? Do you still think that old Mister Yan is protecting you?" The young man said with a faint smile.

Yan Ruoxue's expression didn't change much.. She just smiled and said, "Does this have anything to do with whether you dance or not? Even if I have nothing, I still don't Fancy You."

Chapter 886: Chapter 886, you' re F * cking... Courting Death!

The youth's expression immediately darkened.

He narrowed his eyes and said, "Back then, with old Mister Yan protecting you, no one in Jingdu dared to provoke you. But now, Old Mister Yan is already dead! The Yan family won't care about you, so what right do you have to follow me..."

Before he could finish speaking, he felt a chill run down his back.

He turned around and saw Qin Yu standing behind him.

"You... You Are Qin Yu?"The youth braced himself and asked.

Qin Yu put his hand on his shoulder and said with a smile, "Let's talk somewhere else."

The youth seemed to sense that something was wrong. He immediately berated, "I know you have some ability, but let me tell you, I am Cao Rui of the fourth young master of Jingdu. If you dare to touch me..."

"Pa!"

Before Cao Rui could finish his words, his body flew out.

"Cao Rui? The fourth young master of Jingdu? What is that?"Qin Yu looked coldly at Cao Rui.

Cao Rui hurriedly got up from the ground. He angrily said, "You are just a martial artist, and you actually dare to fight with me. You... you just wait and see!"

Qin Yu walked step by step towards Cao Rui. As he walked, he said, “I remember that old Mister Yan made the Sun family disappear overnight. Today, I will imitate him and make your Cao family disappear.”

Although Qin Yu’s voice was not loud, it was enough to reach the ears of everyone around him.

“Make my Cao family disappear? hahahaha! You are just a martial artist!” Cao Rui did not know that danger was coming.

Qin Yu bent down and sneered. “Go back and tell your father that either you leave Jingdu immediately, or I will send you all away.”

Cao Rui got up from the ground and pointed at Qin Yu. “Alright, just you wait. We’ll see!”

With that, Cao Rui left in a hurry.

The people around couldn’t help but look over.

There was no lack of business elites and officials among these people, but no one said anything at the moment.

After chasing Cao Rui away, Qin Yu sat next to Yan Ruoxue.

“Are You Alright?” Qin Yu smiled.

Yan Ruoxue said with some amusement, “You’re getting braver and braver now.”

Qin Yu also said jokingly, “Of course, I’m Super Braver Now!”

“TSK!” Yan Ruoxue rolled her eyes at Qin Yu with a smile.

At this moment, Qin Yu felt a powerful internal Qi rapidly approaching.

Qin Yu frowned slightly and suddenly looked in a certain direction at the door.

He saw several people appearing at the door! Among them, the leader was none other than Gu Xinghe!

There were four half-step martial saints beside Gu Xinghe, and Wan Guqiong was also among them.

“Gu Xinghe...”before Qin Yu could speak, Yan Ruoxue whispered this name.

Qin Yu frowned and asked, “You know him?”

“Yes.”Yan ruoxue nodded.

“When I was in the second secret area, he absorbed a large part of my blood. I heard that he is the young master of the second secret area, a first-rate genius.”

Hearing this, a trace of anger flashed across Qin Yu’s face.

Soon, Gu Xinghe brought a few people and walked towards Qin Yu.

“Miss Yan, have you been living happily outside recently? Do you miss the life in the Second Mystic Realm?”As Gu Xinghe approached, his gaze immediately fell on Yan Ruoxue.

A trace of pain flashed across Yan Ruoxue’s face. Although she forced a smile, she was still seen through at a glance.

“Miss Yan, don’t worry. I’ll bring you back to the second mystic realm soon. hahaha!”Gu Xinghe laughed provocatively.

“Boom!”

At this moment, Qin Yu suddenly threw a punch!

This time, Gu Xinghe was prepared. He suddenly retreated and dodged.

Then, Gu Xinghe came to Qin Yu’s side again.

“What, are you angry now?”Gu Xinghe sneered.

Qin Yu narrowed his eyes and said, “Gu Xinghe, you really forgot about the pain after you recovered...”

When this matter was brought up, Gu Xinghe’s expression became a little ugly.

“Qin Yu, don’t be arrogant too early. In a few days, the second secret realm will send a martial saint.”Gu Xinghe sneered.

Qin Yu stood up and said, “Before the martial saint appears, I can kill you a hundred times.”

As he spoke, Qin Yu’s body emitted a strong murderous aura.

“It’s so cold...”

This murderous aura instantly engulfed the entire Zhuang family, and the temperature dropped by a few degrees at this moment.

Gu Xinghe snorted lightly and said, “Qin Yu, I’m afraid you can’t kill me by yourself.”

As he said this, he looked at Wan Gu Qiong and the others beside him.

“They all came from the secret realm and have a deep hatred towards you. They also have the intention to send a martial saint to kill you,” Gu Xinghe said lightly.

“Wan Gu Qiong! You’re actually hanging out with Gu Xinghe!” When Yao Meng saw this, she could not help but shout in a tender voice.

Wan Gu Qiong glanced at Yao Meng and said coldly, “We have common interests.”

“You!” Yao Meng pointed at Wan Guqiong and gnashed her teeth in anger.

Qin Yu could not help but sneer, “Not bad, not bad at all. Wan guqiong, when I become a martial saint, Your Wan family will be the first to be destroyed.”

Although it was only a simple sentence, it made Wan Guqiong’s face flash with a trace of panic.

Although this panic was fleeting, it still could not escape Qin Yu’s eyes.

“Qin Yu, you are only at the perfect stage of the Martial Marquis Realm. You are still far away from becoming a martial saint. I’m afraid you won’t have the chance,” Wan Gu Qiong said coldly.

Qin Yu sneered, “Then we’ll just wait and see.”

Wan Gu Qiong did not say anything more and stood silently behind Gu Xinghe.

Gu Xinghe raised his brows and said, “Qin Yu, you should know in your heart that it’s impossible for you to step into the martial saint realm in a few short days.”

“And once the martial saint is Born, you won’t be able to protect Yan Ruoxue. Yan Ruoxue will have to return to the second secret realm to suffer.”

When he said this, Gu Xinghe changed the topic and raised his eyebrows, “If you really care about her, you might as well give her to me. With my protection, at least she will suffer less.”

After he finished speaking, the people around Gu Xinghe burst into laughter.

“How about it? Do you want to consider it? You Can’t be too selfish,” gu xinghe continued to ridicule.

“TSK tsk, the suffering of the second secret realm is really hard to imagine. I’ve tried it before, but it only lasted for less than a minute.”

“And Yan Ruoxue has to suffer this kind of torture all the time. Sigh, it hurts just thinking about it...”

Gu Xinghe’s words made Qin Yu lose his mind instantly.

His eyes were bloodshot as he growled in a low voice, “You’re F * cking courting death!”

Chapter 887: Chapter 887, heavenly phenomenon

The internal Qi on Qin Yu’s body became more and more terrifying. This internal Qi had even alarmed everyone!

Intentionally provoking Qin Yu had become the most regretful thing in Gu Xinghe's life.

Qin Yu's body flashed explosively. In the blink of an eye, he had arrived beside Gu Xinghe.

His speed was ridiculously fast. Even a half-step martial saint could not see him clearly!

In the next second, Qin Yu pressed Gu Xinghe's head on the ground and slid forward quickly!

“You're F * cking courting death!” Qin Yu's furious roar was like the roar of a wild beast as it spread throughout the entire manor!

He grabbed Gu Xinghe's head with one hand, and in the blink of an eye, he had slashed dozens of meters away!

Meanwhile, Gu Xinghe's head had left a long trail on the ground, and countless pieces of gravel had turned into powder!

Gu Xinghe tried to struggle, but he found that he could not break free at all.

The strength of Qin Yu's palm was extremely terrifying, almost tearing his head apart!

“Boom!”

At this moment, Qin Yu grabbed Gu Xinghe and smashed his fist on Gu Xinghe's lower abdomen!

Gu Xinghe's figure instantly flew high into the air. Before he could react, Qin Yu had already appeared behind him!

Qin Yu clenched his fists and smashed fiercely onto Gu Xinghe's back!

In an instant, Gu Xinghe's back bent in a strange arc! His body crashed straight into the ground!

“Go to hell!”

Qin Yu roared repeatedly, the light in his hands continuously shining.

The golden light was like a bomb, continuously smashing towards Gu Xinghe!

In just a few short moments, the ground had turned into a huge pit!

“If this continues, I'm afraid Gu Xinghe will die here!”Wan Gu Qiong exclaimed in shock.

The few half-step martial saints present looked at each other and rushed towards Qin Yu in unison.

They tried to stop Qin Yu, but they were sent flying by a single punch!

Even several half-step martial saints were unable to stop Qin Yu!

“Boom!”

As Qin Yu's punch smashed down, a crack appeared on the ground.

The crack spread rapidly, directly splitting the entire manor into two!

“Ruoxue, hurry up and stop him, or else... he will really kill him,”Yao Meng could not help but whisper.

Yan Ruoxue also did not expect Qin Yu to explode with such astonishing strength. She stood up and looked in Qin Yu's direction, saying in a low voice, "Qin Yu, stop."

Hearing Yan Ruoxue's voice, Qin Yu seemed to have regained some of his rationality.

His hand that was grabbing Gu Xinghe's head also stopped.

At this moment, Gu Xinghe was being held in his hand like a dead dog.

This was the second time this young master from the second mystery realm had been beaten up violently.

Qin Yu threw Gu Xinghe aside and then swept his gaze towards Wan Guqiong and the others, saying coldly, "I will remember all of you. I will not let any of you off."

Wan Gu Qiong could not help but tense up when he heard this, and his back turned cold.

Meanwhile, the half-step martial saint who was hiding in the dark and planning to make a move also had the intention to retreat at this moment.

"No, this kid is like a mad dog. If he makes a move, I'm afraid he will die here."

"Retreat, he is no longer someone a half-step martial saint can deal with."

The several half-step martial saints who were hiding in the dark immediately left this place.

Wan Gu Qiong and the others did not dare to stay any longer. They grabbed Gu Xinghe and left this place with their tails between their legs.

Qin Yu's gaze swept the surroundings. No one dared to look at him wherever he passed.

“Phew.”

Qin Yu let out a long breath and slowly walked to Yan Ruoxue's side and sat down.

“I didn't scare you, did I?” Qin Yu said with some embarrassment.

Yan ruoxue blinked her eyes and said, “What do you think?”

This made Qin Yu a little embarrassed. He hurriedly explained, “Actually, I'm not usually like this. It's just that...”

At this moment, Yan Ruoxue reached out a finger and covered Qin Yu's mouth.

“Don't explain, and don't need to explain. I know what you've done for me,” Yan Ruoxue said softly.

Qin Yu couldn't help but lose his mind. After a moment, he gently pulled Yan Ruoxue into his arms.

After such a matter had occurred, many people had left the banquet.

Those who remained were basically the few disciples of the aristocratic families in Jingdu.

“Brother Qin, I have to remind you that if the martial saint were to be born, it would not be good news for you.” At the banquet, Zhuang Teng could not help but say.

“That’s right. The martial saint’s birth is already a foregone conclusion. As far as I know, it might be brought forward or delayed.” Chu Heng added.

Qin Yu nodded silently. He took a deep breath and said, “I know. Thank you for your concern.”

After the meal, Qin Yu brought Yan Ruoxue away.

On the way, Qin Yu looked at Yan Ruoxue and said apologetically, “Ruoxue, I’m afraid our plan has to be changed for the time being.”

Initially, Qin Yu and Yan Ruoxue had planned to look for old Mister Yan. However, from the looks of it, they did not have much time left.

“Wherever you go, I’ll go.” Yan Ruoxue leaned on Qin Yu’s shoulder and said softly.

Qin Yu said in a low voice, “These days won’t last long. I’ll give you a peaceful life.”

The next day.

Qin Yu brought Yan Ruoxue and rushed to the Green Moon Villa.

They arrived near the Green Moon Villa’s spirit spring. Li Yu was still rubbing the secret key.

“How is it? How much longer?” Qin Yu asked.

Li Yu stretched out a finger and said, "About a day or so."

Qin Yu said in a deep voice, "Can the secret key of this mystic realm be modified?"

Li Yu stopped what he was doing and shook his head. "At least I can't do it."

This made Qin Yu feel a little awkward.

He was worried that this mystic realm would be discovered. At that time, it would be troublesome.

With the ability of the JINGDU martial arts association, it would not be difficult for them to find a secret realm master.

"I can only take it one step at a time. I must try to enter the martial saint realm before they discover it." Qin Yu thought to himself.

As long as he entered the Martial Saint Realm, Qin Yu would no longer need to be afraid.

At this moment, Li Yu's gaze fell on Yan Ruoxue.

"You Are... Yan Ruoxue?" Li Yu sized up Yan Ruoxue and asked.

Yan ruoxue nodded and said, "Hello."

Li Yu rubbed his chin and said, "I've long heard that Miss Yan is the number one beauty in Jingdu. Now that I've seen you today, you really live up to your reputation. Speaking of which, you were the one I longed for when I was young."

Yan ruoxue slightly bowed and said humbly, "Mr. Li, you flatter me."

“Alright, let’s not waste any more time. Let’s find the secret key as soon as possible,”Qin Yu said from the side.

Li Yu did not say anything more and continued to search for the secret key.

Time passed by minute by minute, and in the blink of an eye, it was already night time.

At night, the sky was quiet and peaceful. From time to time, there were insects and birds chirping.

Qin Yu and Yan Ruoxue lay on the ground and looked up at the sky, looking very happy.

“Look, there seems to be a shooting star!”At this time, Yan Ruoxue pointed at the sky and said with some excitement.

“Make a wish quickly!”Yan Ruoxue urged.

She put her hands together and closed her eyes slightly.

Qin Yu also quickly imitated Yan Ruoxue’s movements and made his own wish.

A moment later, Qin Yu looked at Yan Ruoxue and said, “What wish did you make?”

“If I don’t tell you, it won’t work!”Yan Ruoxue said playfully.

Qin Yu opened his mouth. Just as he was about to speak, a large auspicious cloud phenomenon suddenly appeared in the sky!

Seeing this phenomenon, Qin Yu’s expression suddenly changed!

Chapter 888: Chapter 888, the birth of the martial saint!

Qin Yu suddenly stood up from the ground and stared at the strange phenomenon in the sky.

Yan Ruoxue was also attracted by such auspicious clouds.

Soon, the auspicious clouds began to disappear and were replaced by large patches of dark clouds.

“Crack!”

Then, a thunder was heard!

This thunder was deafening as if it was going to split the ground in half!

Although Qin Yu did not know what this phenomenon was, he had a very bad feeling in his heart.

“Someone is going to step into the martial saint realm,” Li Yu said from the side.

Qin Yu’s expression suddenly changed!

What he was afraid of came true!

He did not expect that someone was really going to step into the martial saint realm ahead of Time!

“Li Yu, you must speed up, Please!” Qin Yu looked at Li Yu with a pleading look in his eyes.

Li Yu also nodded and said, “Don’t worry, in a day at most, I will definitely let you hide in the secret realm.”

Such a heaven and earth phenomenon naturally attracted countless people.

The many aristocratic families in the martial arts world almost all saw the strangeness of this phenomenon.

Jingdu, in a certain villa.

Ye Qing raised his head to look at this phenomenon and said in a low voice, "Someone has stepped into the martial saint realm."

Southwest, a deserted area.

Jiang he was also attracted by this strange phenomenon. He said with a trembling voice, "After so many years... finally, someone has stepped into the martial saint realm..."

Many old monsters who had been stuck at the half-step martial saint realm for many years also opened their eyes at this moment.

"Someone has stepped into the Martial Saint Realm! This is enough to prove that the current era can already give birth to a martial saint!"

This was the carnival of countless people! To the martial arts world, this was undoubtedly good news!

At this moment, under a certain island, a young man walked out from the main gate of the immortal slaying sect.

He had a noble temperament, but there was an uncomfortable coldness to him.

Behind him, there were dozens of corpses!

This person was none other than Tian Xuehong!

“Finally... someone has become a martial saint,” Tian Xuehong murmured.

“Haha... hahahahaha!” A moment later, Tian Xuehong’s smile spread across the entire sea area.

Inside the Divine Alchemist Pavilion, the Pavilion Master’s face was filled with worry as he muttered, “Once a martial saint is born, the agreement between the DAO protectors will no longer exist.”

“Qin Yu, you must hide well...”

...

In the second secret realm.

Gu Xinghe was lying on the bed like a dead dog.

This time, his injuries were even more serious. He did not even have the strength to speak.

All the bones in his body were cracked. Just the recovery of his body alone would take a long time.

Looking at Gu Xinghe’s appearance, Gu Zizhen could not help but turn pale.

“It’s fine if you lost face once, but you can F * cking lose it a second time!” Gu Zizhen could not help but curse.

He couldn’t figure out why he had to go over and take a beating since he was no match for Qin Yu.

Gu Xinghe endured the pain in his body. He used all his strength and said in a low voice, “Kill... kill... Qin Yu...”

Gu Zizhen snorted coldly, “You should rest well. You’re lucky that you didn’t die this time. You Don’t have to worry about Qin Yu anymore.”

Then, Gu Zizhen stood up and walked out.

As soon as he entered the hall, long brows rushed in.

“Master, Good News! Good News!” Long brows said excitedly.

“Someone has become a martial saint!”

Gu Zizhen suddenly stood up and said in surprise, “Is what you said true?”

“It’s absolutely true! I saw the martial saint’s abnormal phenomenon with my own eyes!” Long brows’ excited voice trembled slightly.

Gu Zizhen narrowed his eyes slightly.

He sneered and said, “Good, good. The restriction of the Dao Protector... has finally disappeared. hahahaha!”

“Go, Call Zhai Xing over for me!”

After a few minutes, Zhai Xing appeared in the main hall.

Gu Zizhen arranged for Zhai Xing to bring the two martial saints out of the second secret realm to kill Qin Yu!

At the same time, the Wan family had also issued the same order!

Wan guqiong would lead the two martial saints out of the Wan family to kill Qin Yu and Snatch Yan Ruoxue!

Each secret realm had sent out their martial saints one after another. Their only target was Qin Yu!

At this moment, Qin Yu was sitting near the spiritual spring and waiting quietly.

“I wonder who has become a martial saint.” Qin Yu’s heart was in a mess.

This time, someone had stepped into the martial saint realm. It was likely that it would change the entire structure of the martial arts world.

Qin Yu looked at Li Yu and said, “Mr. Li, how much more time does this mystic realm need?”

Li Yu said, “Two hours.”

Qin Yu took a deep breath and said, “Okay.”

He sat there, quietly waiting for the opening of the mystic realm.

Two hours passed very quickly, and in the blink of an eye, it was gone.

It happened to be stuck in two hours, and rays of light flashed in front of Li Yu.

Then, a huge entrance appeared in front of Qin Yu.

“It’s Open!” Li Yu said with faint excitement.

Qin Yu nodded to him and said, “Give me the secret key.”

Li Yu did not waste any time and immediately passed the secret key to Qin Yu.

Following that, Qin Yu looked at Yan Ruoxue and said, "Ruoxue, you go in first."

"What About You?" Yan Ruoxue said with some confusion.

Qin Yu said in a deep voice, "I have to go to the Divine Alchemist Pavilion."

If they could not find Qin Yu, they might vent their anger on the Divine Alchemist Pavilion.

Qin Yu owed the pavilion master too much. He would not allow the pavilion master to be implicated because of this.

Yan Ruoxue was a woman who knew the big picture. She also knew that Qin Yu had to go.

Therefore, she did not say too much nonsense. She just reminded him to be careful before entering the mystic realm.

After Yan Ruoxue entered the mystic realm, Qin Yu looked at Li Yu.

"Mr. Li, you..."

"You want me to go with you, right?" Li Yu interrupted Qin Yu's words.

Qin Yu nodded and said, "How did you know?"

Li Yu said, "Because you were worried that I would spread the location of the Mystic Realm."

“Yes.”Qin Yu did not hide anything.

“I’ll go with you.”Li Yu surprisingly agreed.

“Thank you for understanding.”Qin Yu cupped his hands. Then, he brought Li Yu quickly towards Qinghe town.

...

Jingdu martial arts association, exit of the second secret realm.

Zhai Xing suddenly appeared with three martial saints.

“TSK TSK, it’s been a long time since I’ve left the Second Secret Realm.”Someone beside Zhai Xing sighed.

“Yeah, it’s been a hundred years. It’s all that Guardian’s fault.”Another person also sighed.

Zhai Xing glanced at them and said, “You should be happy that you haven’t died in a hundred years.”

When this topic was brought up, the three of them could not help but shiver.

The scene of countless martial saints dying tragically a hundred years ago was still vivid in their minds.

“Don’t waste time. Go and find Qin Yu,”Zhai Xing said coldly.

On the other side, on a certain high mountain, Wan Gu Qiong walked out with two martial saints.

“Qin Yu... has finally waited for this day..”Wan Gu Qiong took a deep breath as a trace of viciousness flashed across his face.

Chapter 889: Chapter 889, stepping into the mystic realm

Besides the Wan Gu Qiong and the Jingdu Martial Arts Association, several other Mystic Realms had also sent out martial saints.

Although their strength could not compare to the JINGDU martial arts association, but Yan Ruoxue’s bloodline was too alluring, so they also planned to give it their all.

The entire world was gloomy, as if a great battle was brewing.

At this moment, Qin Yu was desperately driving towards the medicine God Pavilion.

After a long time, Qin Yu finally arrived at the Medicine God Pavilion.

He held the pavilion master’s hand and turned around to leave.

However, the pavilion master stopped and said in a deep voice, “Qin Yu, what are you doing?”

Qin Yu said anxiously, “Leave quickly. A martial saint has appeared. You must follow me to the secret realm to hide!”

“Hide?”The Pavilion Master could not help but laugh.

“Why should I hide?”

Qin Yu said anxiously, “If they can’t find me, they will definitely come looking for you! I Can’t watch you get into trouble!”

When the pavilion master heard this, the smile on her face became even wider.

She broke free from Qin Yu's hand and then swept her gaze across the huge medicine God Pavilion. She said, "If I leave, what will happen to the Medicine God Pavilion? What will happen to the many pharmacists who trust me?"

Qin Yu was instantly stunned on the spot.

That's right. If the pavilion master wasn't around, the Divine Medicine Pavilion would be disbanded.

"People have responsibilities to live," the pavilion master said quietly.

Qin Yu immediately calmed down.

He looked at the pavilion master and frowned. "Then what will happen to You?"

The pavilion master said indifferently, "Don't worry. I will be fine. They are looking for you, not me."

Qin Yu opened his mouth and wanted to say something. However, the pavilion master waved his hand and said, "Don't waste any more time. Otherwise, it'll be too late."

Time was of the essence, so Qin Yu naturally knew.

He gritted his teeth and said, "Pavilion Master, then you have to be careful."

After he had finished speaking, Qin Yu returned to the car and turned around to rush back.

On the way back, Qin Yu felt extremely uncomfortable.

The time the Martial Saint had appeared had far exceeded Qin Yu's expectations.

This also caused Qin Yu to be unable to settle the people around him in time.

Besides the pavilion master, there were also many people from the Jade Moon Villa.

Li Yu, who was at the side, seemed to have seen through Qin Yu's pain. He said indifferently, "Those who achieve great things don't care about trifles. Moreover, it's impossible for you to bring everyone to the mystic realm. That would arouse suspicion."

When he heard these words, Qin Yu could not help but mutter in a low voice, "I'm sorry..."

At this moment, he indeed had no way to care about others.

Against a martial saint, Qin Yu had no chance of winning at all.

Along the way, Qin Yu restrained his internal Qi and rushed towards the secret territory.

Li Yu, on the other hand, sensed the internal Qi around him with his crystal body.

The internal Qi of a martial saint was extremely powerful. It would be very easy for him to be discovered.

There were no dangers along the way. When Qin Yu and Li Yu rushed to the secret realm, they did not encounter any martial saints.

Standing at the entrance of the secret realm, Li Yu said, "I will open the secret realm now."

Qin Yu grunted in gratitude. He looked around and waited for Li Yu's secret realm to open.

At this moment, Qin Yu felt three powerful internal Qi approaching him!

This feeling was very familiar to Qin Yu. It was the sense of danger emitted from the martial saint's body!

"Oh no! A martial saint is coming!" Qin Yu hurriedly looked at Li Yu.

"Hurry up, Hurry Up!" Qin Yu urged.

Li Yu remained silent. He slowly opened the secret realm with his eyes closed.

At this moment, three martial saints had already appeared at the entrance of the Jade Moon Villa.

These three people were none other than Zhai Xing and the others sent by the second mystic realm!

Zhai Xing looked at this place coldly and said, "This is Qin Yu's sect."

After he finished speaking, Zhai Xing closed his eyes slightly.

He released his powerful spiritual sense and searched for Qin Yu's figure.

The martial saint's spiritual sense was incomparably powerful. It was simply too easy to find a person.

“It’s Open! You Go in First!”

Just at this critical moment, Li Yu opened the secret realm!

Qin Yu did not dare to delay any longer and quickly entered the secret realm.

The Moment Qin Yu stepped into the secret realm, his internal Qi also disappeared from this world.

Then, Li Yu followed closely behind and stepped into the secret realm.

The secret realm slowly closed, and everything returned to normal.

Qin Yu panted heavily, and a layer of sweat could not help but form on his forehead.

This feeling of approaching death made Qin Yu’s back feel cold.

“The martial saint’s pressure is too strong.”Qin Yu took a deep breath, and a trace of worry appeared on his face.

“I think they should not have discovered your figure.”Li Yu said from the side.

Qin Yu smiled bitterly and said, “I hope so.”

Then, Qin Yu looked at the world in front of him.

This mystic realm was much bigger than Qin Yu had imagined. It was not even weaker than the second mystic realm!

The surrounding environment was like a paradise. The Qi/spiritual energy that came from the ground made people feel warm.

Qin Yu had never seen such a rich qi/spiritual energy before!

Looking at the surrounding environment, Qin Yu even suspected that Tao Yuanming's Paradise was real.

"Phew, what a dense qi/spiritual energy." Qin Yu opened his arms, feeling extremely comfortable all over his body.

In an environment with dense qi/spiritual energy, People's functions would improve, and their lifespan would also be extended.

"The Qi/spiritual energy here is indeed extremely dense, but there is a fatal flaw," Li Yu suddenly said.

"Flaw?" Qin Yu hurriedly looked at Li Yu.

Li Yu grunted and said, "There is a gap in this mystic realm. Although it is very small, it is very likely to invite disaster."

Speaking up to this point, Li Yu pointed in the direction of the entrance and continued, "The spirit spring nearby was born because of the existence of this gap."

Qin Yu's brows immediately furrowed.

"In other words... this gap might attract the attention of others?" Qin Yu said in a deep voice.

Li Yu nodded and said, "In theory, that is indeed the case."

Qin Yu's expression instantly became extremely ugly.

If that was the case, this mystery land would not be safe either.

“However, don’t worry too much. This gap is very small and it would be very difficult for ordinary people to discover it.”At this moment, Li Yu suddenly changed the topic.

Qin Yu was silent for a moment before he said in a low voice, “Forget it, let’s take it one step at a time. I will try my best to step into the martial saint realm before I am discovered.”

Then, Qin Yu Strode forward. He released his spiritual sense and searched for Yan Ruoxue’s figure.

...

At this moment, in the outside world.

Zhai Xing and the others did not sense Qin Yu’s internal Qi.

The moment he released his spiritual sense, Qin Yu had entered the secret realm.

“He’s not here.”Zhai Xing said coldly.

“Go and ask the people here.”Zhai Xing ordered.

The martial saint beside him immediately floated up and looked down at the Jade Moon Villa from above. Then, he said indifferently, “Who is the sect master here? Come out and see me.”

His voice was not loud, but it was like a thunderclap that exploded beside his ear!

Everyone was stunned by this voice!

Zhen Yue hurriedly walked out of the hall.

She looked at the martial saint in the air and said in a low voice, “I am the sect master here. May I ask who you are?”

The martial saint didn’t say anything. He only raised his palm slightly, and a terrifying force brought Zhen Yue directly to him!

Zhen Yue’s body was caught in the air, and a trace of panic flashed across his face.

“Where’s Qin Yu?”The martial saint asked coldly.

Zhen Yue said hurriedly, “I . . . I don’t know. Mr. Qin hasn’t come back for a long time...”

“You don’t Know?”The martial saint narrowed his eyes, and a terrifying sense of oppression immediately rushed over!

His gaze directly pierced through Zhen Yue’s spiritual sense!

This was the strength of a martial saint! In front of a martial saint, one didn’t even have the right to lie!

Zhen Yue only felt his mind go blank, and the world seemed to spin in front of him.

“Where’s Qin Yu?”The martial saint asked again.

Zhen Yue only felt that she was in a trance as if she had been hypnotized.. She could not hide what she was thinking.

Chapter 890: Chapter 890, Yan Ruoxue’ s cultivation

“Mr. Qin... He’s in Jingdu...”Zhen Yue said in a daze.

Zhen Yue had no idea that Qin Yu had returned this time, so she had always thought that Qin Yu was still in Jingdu.

“Jingdu...”the martial saint could not help but frown.

He threw Zhen Yue aside and walked to Zhai Xing’s side.

“Qin Yu is in Jingdu,”he looked at Zhai Xing and said in a deep voice.

Zhai Xing couldn’t help but frown and snort coldly, “Qin Yu is in Jingdu? Go back and find him immediately!”

...

At this moment, Qin Yu was looking for Yan Ruoxue.

In front of this mystic realm was a large forest with countless trees.

After passing through this forest, there was a residential house.

The residential area was somewhat simple and crude, but it wasn’t small.

Looking at the residential area in front of him, Qin Yu couldn’t help but feel somewhat surprised.

Because this residential area was similar to an ordinary residential area. It was extremely simple and crude.

“This should be a mystic realm created by a certain mighty figure,”Li Yu said from the side.

Qin Yu nodded and said, “Mm, it doesn’t look like a sect.”

In the vast mystic realm, there was actually only one residence. Other than that, there were trees and forests.

“Using such a huge mystic realm as a residence is really... extravagant.” Qin Yu could not help but sigh.

Li Yu said from the side, “It is indeed extravagant, but this mystic realm can’t be considered truly huge.”

Qin Yu looked at Li Yu in surprise and said, “Not considered huge? Could it be that there are even more terrifying mystic realms?”

Li Yu sneered and said, “According to my research on Secret Realms, a top-grade secret realm can be considered a real world. It doesn’t even need to depend on the current world to exist.”

Qin Yu could not help but be secretly speechless.

Cultivation was really a long road. How terrifying was the power of a true top-grade cultivator? He did not dare to imagine!

Qin Yu shook his head. These were too far away from him. The most important thing now was to enter the martial saint realm as soon as possible.

Then, Qin Yu brought Li Yu into the room.

As soon as they entered the room, they saw Yan Ruoxue cleaning the room.

When she saw Qin Yu walking in, Yan Ruoxue walked forward quickly and asked, “Where’s The Pavilion Master?”

Qin Yu shook his head and said, “She... didn’t come.”

Yan Ruoxue did not ask further and only nodded.

Then, Qin Yu accompanied Yan Ruoxue to clean the room from the inside out. This way, they could be considered to have a place to stay.

After he was free, Qin Yu took a deep breath and felt the Qi/spiritual energy coming from the surrounding area.

“With this kind of environment, I think I will be able to step into the martial saint realm soon,” Qin Yu thought to himself.

As he was speaking, Qin Yu’s vision suddenly turned dark and he spat out a mouthful of blood!

When she saw the shocking blood, a trace of panic flashed across Yan Ruoxue’s snow-white face.

“You... What Happened to you? Are You Hurt?” Yan Ruoxue touched Qin Yu’s face and looked around.

Qin Yu wiped the blood from the corner of his mouth and shook his head, “No, it’s a hidden disease.”

“Hidden disease? What’s going on?” Yan ruoxue frowned and looked at Qin Yu coldly.

Qin Yu had no choice but to tell Yan Ruoxue what had happened.

“As long as I become a martial saint, this wound will disappear on its own,” Qin Yu said.

Although he said this, Yan Ruoxue still looked extremely worried.

After a while, Yan ruoxue suddenly said, “Can you teach me how to cultivate?”

Qin Yu was stunned, then he smiled and said, “Sure.”

Yan Ruoxue’s body had blood that made all the secret realms go crazy. If she stepped into cultivation, her future would be limitless!

And the Jingdu Martial Arts Association and Yan Jinyao had said that if Yan Ruoxue stepped into cultivation, it would be an extremely terrifying thing!

In the courtyard, Qin Yu was teaching Yan Ruoxue the breathing exercise method step by step.

In just half an hour, Yan Ruoxue had already learned this breathing exercise method.

The surrounding Qi/spiritual energy surged towards Yan Ruoxue’s body like a spring. Her Qi started to increase in an extremely short amount of time!

Qin Yu could not help but be stunned when he saw this.

Such speed was something that even he could not compare to!

“So Fast...”Qin Yu could not help but say in a low voice.

Li Yu, who was at the side, also widened his eyes and said, “Why has the Yan family never allowed her to cultivate... this... this is simply a reckless waste of a heavenly gift!”

As Yan Ruoxue breathed and breathed, her originally fair skin became even whiter. An otherworldly temperament made her look like a fairy.

A few minutes later, Yan Ruoxue opened her eyes.

She blinked her eyes and carefully asked, “Is this right?”

Qin Yu came back to his senses and quickly nodded, “Yes, that’s right...”

“You’re not allowed to lie to me,” Yan Ruoxue pouted and said.

The corner of Qin Yu’s mouth revealed a hint of bitterness.

“Let me tell you this. Your cultivation has given me a lot of pressure,” Qin Yu helplessly shook his head and said.

Li Yu, who was at the side, also gave her a thumbs up and said, “As expected of the young miss of the Yan family. Even her cultivation has such achievements!”

The praise from both of them made Yan Ruoxue feel a little embarrassed.

“Then... Should I also cultivate with you?” Yan Ruoxue suggested.

“Okay!” Qin Yu nodded hard.

After that, Qin Yu didn’t waste any more time. He took out his collection from the spatial artifact and began to cultivate.

Currently, the fastest absorption speed for Qin Yu was none other than the Yin heart and the ice glaze heart.

Therefore, Qin Yu deliberately separated his position from Yan Ruoxue.

He suspended the ice glaze heart in mid-air and used the heaven devouring technique to slowly absorb the internal Qi emitted from the ice glaze heart.

...

Divine Alchemist Pavilion.

Wan Gu Qiong brought two martial saints and stood on the square.

He scanned the surroundings and said indifferently, "Ask the Pavilion Master of the Medicine God Pavilion to come out and see me."

The third elder frowned and asked, "Who are you? Why do you want to see Our Pavilion Master?"

Wan Gu Qiong glanced at him and said, "You don't have the right to speak to me."

The third elder opened his mouth and was about to speak when the martial saint behind Wan Gu Qiong suddenly raised his palm!

The martial saint gently pinched his finger and the third elder's body instantly became distorted!

A tremendous force caused all the bones in the third elder's body to Creak!

The third elder's body quickly curled up and his internal organs were all squeezed at this moment!

"Pu!"

In just a few short seconds, the third elder's body directly turned into a bloody mist!

When the surrounding people saw this, they immediately sucked in a breath of cold air!

Everyone took a step back and looked at the few people in front of them in horror.

Wan Gu Qiong said indifferently, “Go and call the Pavilion Master of the Medicine God Pavilion Out For me! Otherwise, don’t blame me for being impolite!”

“I’m afraid it’s not justifiable for you to come to my medicine God Pavilion and kill people for no reason.”

At this moment, the pavilion master slowly walked over from not far away.

When he saw the woman in front of him, a hint of lust flashed across wan gu Qiong’s face.

He could not help but lick his lips, and the corners of his mouth curled up into a wicked smile.

“I didn’t expect that the well-known Pavilion Master of the Medicine God Pavilion would actually be a little beauty.”Wan Gu Qiong said with narrowed eyes.

The pavilion master frowned slightly and said in a cold voice, “Why have you come to my medicine God Pavilion?”

Wan Gu Qiong coughed dryly and said indifferently, “I’m here to look for Qin Yu. Do you know where Qin Yu Is?”

“I don’t know. In short, he’s not in My Divine Alchemist Pavilion.”The pavilion master said in a neither servile nor overbearing manner.

Wan Gu Qiong laughed coldly and said, “Who doesn’t know that the Pavilion Master of Your Divine Alchemist Pavilion Favors Qin Yu? Even if he’s not in the Divine Alchemist Pavilion, you must know where he is.”

“Speak, don’t force us to make a move.”

Before he finished speaking, the two martial saints behind Wan Gu Qiong immediately took a step forward.

Chapter 891: Chapter 891, the despicable Wan Gu Qiong

Facing the two martial saints, the pavilion master was not too nervous.

With a calm expression, she continued, “I don’t know where Qin Yu is, and you shouldn’t have come to ask me.”

Wan Gu Qiong sneered, “Then do you know where Yan Ruoxue is? As far as I know, she has been with you for a long time, right?”

The pavilion master shook his head and said, “Qin Yu has already taken her away.”

“So, where did they go?”The two martial saints beside Wan Gu Qiong seemed to have lost their confidence.

“I don’t know.”The pavilion master said coldly.

“You’re courting death!”

One of the Martial Saints was instantly enraged! He released the pressure on his body and suddenly stretched out his palm!

The moment he stretched out his palm, the pavilion master's body immediately flew towards his palm uncontrollably!

“Pa da!”

Only the sound of flesh colliding could be heard as the martial saint's Skinny Palm grabbed onto the pavilion master's snow-white neck!

A tremendous force spread out and the pavilion master's face instantly turned deathly pale!

At the same time, the martial saint's spiritual sense suddenly burst out and forcefully pressed towards the center of the Pavilion Master's brows! It seemed like he wanted to forcefully read the pavilion master's spiritual sense!

Naturally, the pavilion master had also noticed his actions. Thus, the pavilion master's expression changed. He quickly closed his eyes and tried his best to control his spiritual sense to prevent it from being forcefully read.

The two forces seemed to be fighting against each other.

The pavilion master's spiritual sense was incredibly strong. Even a martial saint was unable to forcefully break it in a short period of time!

“Damn it!” This martial saint could not help but curse inwardly.

“This woman's consciousness is too strong. I'm afraid it won't be easy to forcefully read it.”

Wan Gu Qiong's eyes narrowed when he heard this.

He looked at the pavilion master coldly and said, “Why are you doing this? As long as you tell me where Qin Yu is, I’ll guarantee your safety.”

The Pavilion Master remained silent. She closed her eyes slightly and completely ignored Wan Gu Qiong.

Wan Gu Qiong narrowed his eyes and said, “You’re not going to tell me, right? Fine, then I’ll Kill Your Medicine Master of the Divine Alchemist Pavilion Until You Tell Me!”

Before she finished her words, Wan Gu Qiong waved her hand and directly slapped a medicine master to death!

Seeing this scene, the pavilion master’s heart immediately sank, but her face was still as calm as the clouds and the wind.

“I want to see if you’ll talk or Not!” Wan Gu Qiong said coldly.

The pavilion master closed her eyes, as if she didn’t want to see this cruel scene.

“You still won’t talk, right?” Wan Gu Qiong walked in front of the pavilion master.

He stretched out his hand and slowly caressed the pavilion master’s face, saying with a smile, “If you don’t say it, I will strip you naked and throw you on the bed. At that time... Hehe...”

The Pavilion Master’s expression finally changed.

She opened her eyes and said coldly, “You will pay the price.”

“Price? What price can I pay? hahahaha!” Wan Gu Qiong couldn’t help but laugh arrogantly.

“You don’t think I’m joking, do you? Let me tell you, when we get to the bed, I Promise I’ll make you beg for Death!”

The pavilion master gritted his teeth and didn’t say a word.

Wan Gu Qiong said coldly, “Fine, you forced me to do this!”

After saying that, he reached out his hand and pulled at the pavilion master’s clothes!

“Stop!”

At this moment, a voice suddenly came from the door.

He turned around and saw two people standing at the door.

These two people were Ye Qing and Jiang He.

It was rare to see the two of them working together.

“Ye Qing? Jiang he?” Wan Gu Qiong could not help but sneer when he saw these two people.

Ye Qing pointed at the pavilion master and said, “Put her down.”

Wan Gu Qiong sneered and said, “Are you crazy? You thought it was in the past? Do you think you can defeat a martial saint?”

Ye Qing said coldly, “Of course I’m not a match for a martial saint.”

“Then get lost immediately! Otherwise, don’t blame me for being rude!”Wan Gu Qiong shouted fiercely!

At the same time, the two martial saints also turned to look at ye Qing.

Ye Qing took a puff of his cigarette and threw it on the ground to stamp it out. He said coldly, “Do you think this is the era where martial artists have the final say?”

Wan Gu Qiong frowned and said, “What do you mean?”

Ye Qing sneered and said, “If I’m not a match for the martial saint, then what about them?”

Before he finished his words, he saw a row of fully loaded warriors running in from outside!

Not only that, modern weapons were quickly piled up at the entrance!

These cold weapons were aimed at Wan Gu Qiong and the others, and the atmosphere instantly became tense.

“You’ve forced me into a corner. I Don’t care what secret realm you have. Just destroy it with one shot!”Ye Qing shouted loudly.

Wan Gu Qiong’s expression became somewhat ugly when he saw this scene.

It was not that he was afraid of these weapons in front of him, but he did not want to face the official forces head-on.

“Young Master Wan, forget it.”A martial saint said in a low voice.

“Before we came out, the patriarch said that we should try our best to avoid conflict with the official forces.”

Although Wan Gu Qiong was unwilling, he still took a deep breath and said coldly, “Alright, Ye Qing, I’ll Give You Face!”

After saying that, he gave the master a fierce look and said, “Let me tell you, Yan Ruoxue is very important to us. I Won’t give up just like that!”

After saying that, Wan Gu Qiong turned around and left.

Ye Qing snorted. He walked quickly to the pavilion master and said, “How is it? Are You Okay?”

The pavilion master shook his head, stood up and said, “Thank you for saving me, Officer Ye.”

Ye Qing didn’t say anything, but there was a hint of worry on his face.

“It’s time for the government to create a top-notch expert,”Jiang he said in a low voice.

...

On the other side, Zhai Xing and the others were also looking for Qin Yu.

However, after spending an entire day, they still could not find Qin Yu.

“Lord Zhai Xing, that woman might be lying,”a martial saint said.

“Damn it, if we can’t find Qin Yu, we’ll start with the people around him! As long as he doesn’t appear, we’ll kill him until he appears!”Another martial saint said coldly.

Zhai Xing glanced at them and said expressionlessly, “What does it have to do with them? I don’t want to do such a despicable thing.”

“Yes, you’re noble.”The two martial saints could not help but be sarcastic.

Zhai Xing looked over coldly and said in a cold voice, “Not only will I not do it, I won’t allow you to do it either. I’m in charge now.”

After saying this, Zhai Xing turned around and left.

Although the two martial saints were unwilling, they still followed him.

In the blink of an eye, three days had passed.

The Martial Arts Forum quickly made a statistic: in three days, a total of seven martial saints had appeared in the world, and six of them came from the secret realm!

And these martial saints had appeared because of Yan Ruoxue.

...

At this moment, in the spiritual spring secret realm, Qin Yu was slowly absorbing the ice and snow glazed heart.

His internal Qi was advancing steadily, and Yan Ruoxue was at Qin Yu’s side.

She sometimes meditated, and sometimes stood up to wipe Qin Yu’s sweat.

Perhaps it was because Yan Ruoxue was nearby, but Qin Yu’s cultivation this time was much faster than before.

Whether it was the increase of internal Qi or the speed of absorption, it was far faster than before.

Chapter 892: Chapter 892, the vicious eternal jade

The ice and snow glazed heart hovering above Qin Yu's head was rapidly being consumed.

Every part of his body was flickering with light. Traces of internal Qi lingered around his golden core, flickering with a mysterious radiance.

The Palace Master of the Han Palace claimed that by devouring this object, he would be able to step into the martial saint realm.

However, this seemed to be an unlikely thing for Qin Yu.

Yan Ruoxue sat on Qin Yu's side. She held her chin and looked at Qin Yu quietly. A smile unconsciously appeared on her face.

In the blink of an eye, a week had passed.

Within this week, Yan Ruoxue had officially stepped into the path of cultivation.

Under the environment of dense Qi/spiritual energy, Yan Ruoxue's progress could be said to be rapid.

The bloodline in her body seemed to be boiling. The complete bloodline of the Yan family allowed her to cultivate at an extreme speed.

In just a short week, she had stepped into the grandmaster realm.

Such a speed, even Qin Yu back then was far from being able to match up to.

... . .

In the outside world.

The entire world seemed to be searching for the figures of Qin Yu and Yan Ruoxue.

Whether it was the Jingdu martial arts association or the various large organizations and powers, they were all searching the entire world for Qin Yu.

But they had almost searched the entire fire country, but they were still unable to find Qin Yu.

In just a few days, Qin Yu seemed to have disappeared from the world.

“Strange, where did this Qin Yu go after all.” In a certain upscale hotel, Wan Gu Qiong can not help but frown.

He touched his chin and said in a low voice, “The world is so big, I don’t believe he can disappear into thin air?”

“It doesn’t matter if you can find Qin Yu or not, but you must find Yan Ruoxue first no matter what.” The martial saint said in a low voice.

“Everyone knows clearly what Yan Ruoxue’s bloodline means. If it falls into the hands of someone else, it will be troublesome.”

When Wan Guqiong heard this, a trace of viciousness could not help but flash across his eyes.

He slowly stood up and said, "If Qin Yu doesn't show up, kill the people around him! Kill until he shows up!"

Standing in front of the window, a trace of viciousness flashed across Wan Guqiong's eyes.

"Let me be the villain." Wan guqiong grinned and sneered.

He took out his cell phone and called Yao Meng and the others, claiming that he invited them to the banquet.

In the evening, many young masters of aristocratic families were invited to the Green Moon Villa.

"Why did Wan Guqiong suddenly invite us to the banquet? What is his intention?" Zhuang Teng asked with some doubt.

Kong Yun, who was standing at the side, snorted coldly and said, "He is a sinister and cunning person. I feel sick to my stomach whenever I see him. If it wasn't for my father who asked me to build a good relationship with the people in the secret realm, I would never have come."

Chu Hedao also nodded and said, "Yes, ever since someone stepped into the Martial Saint Realm, the secret realm has been completely exposed to the public. The resources they possess have also moved many people."

Everyone discussed animatedly, but Yao Meng remained silent.

She had a bad premonition in her heart.

Right at this moment, Wan Gu Qiong suddenly arrived with two martial saints.

The moment the martial saints appeared, a powerful sense of oppression assaulted their faces!

Even the geniuses of Jingdu felt their hearts palpitate for a moment.

“Welcome, everyone.” Wan Gu Qiong swept his gaze across the crowd with an expression of a small person who had achieved success.

Kong Yun snorted coldly and turned his face to the side.

Wan Gu Qiong did not mind. He said indifferently, “Everyone is here to give me face. I, Wan, am here to thank you.”

“Young Master Wan, if you have something to say, just say it. Everyone is very busy,” chu he dao interrupted Wan Gu Qiong.

Wan Gu Qiong was not in a hurry. He said with a faint smile, “During this period of time, we have been looking for Qin Yu. I think everyone knows it. I wonder if anyone here knows his whereabouts?”

“How would we know? Even if we knew, we would not tell you.” Kong Yun said with a cold face.

Wan guqiong laughed loudly and said, “In order to find Qin Yu, we are willing to pay any price and use any means.”

“Today, I will let everyone experience the methods of our Wan family.”

After he finished speaking, Wan Guqiong brought the two martial saints and strode into the Jade Moon Villa.

The Jade Moon villa was peaceful, and Wan Guqiong stood there like a god who controlled life.

Following Wan Guqiong's arrival, many disciples of the Jade Moon Villa also walked out one after another.

Among them, the leader was naturally Zhen Yue.

"I wonder why Young Master Wan has come to my Jade Moon Villa." Zhen Yue walked forward and bowed slightly.

Wan guqiong glanced at Zhen Yue and said indifferently, "As far as I know, this Jade Moon villa is inextricably linked to Qin Yu."

"Now, Qin Yu abandoned you and fled for his life. I can't find him. Tell me, what should I do?"

Hearing this, everyone had a bad premonition.

"No Answer? Fine, let me tell you the answer," Wan Guqiong said in a low voice.

In the next second, his eyes turned cold and he suddenly stretched out his palm!

A disciple of the Green Moon Villa was instantly caught in his hand!

The huge force made this disciple unable to move!

Wan Gu Qiong glanced at everyone and said coldly, "This is only the beginning. Before Qin Yu appears, I will kill all of you one by one."

Before he finished his words, Wan Gu Qiong stretched out his sharp claws and pulled at the Disciple's skin!

His palm was like a sharp blade, directly cutting open a hole in the Disciple's skin!

Under everyone's watchful eyes, Wan Gu Qiong peeled off his human skin!

Such a shocking scene made everyone inhale a breath of cold air, and some people even vomited on the spot!

“AH... Ah! ! !” Finally, someone could not bear the fear and shouted desperately!

“I... I want to leave the Jade Moon Villa! It has nothing to do with me... It has nothing to do with me!”

“Don't kill me, don't kill me...”

When he saw this scene, a trace of a cold smile appeared on Wan Gu Qiong's face.

He looked at the two martial saints beside him and the two martial saints immediately understood.

They gently closed their palms and the entire space of the Jade Moon Villa was immediately sealed!

It was impossible to escape!

“If you want to retreat now, it's too late.” Wan Gu Qiong grinned, revealing a vicious smile.

Seeing this scene, everyone's expressions changed dramatically.

Although these young masters of Jingdu had always looked down on ordinary warriors, they were also people who had undergone higher education.

No one could bear to see such cruel methods!

“I will slowly torture you. Don’t worry, I have many methods,” Wan guqiong said with a cold smile.

“Before long, I will turn the Green Moon Villa into a real purgatory on Earth!”

Kong Yun couldn’t help but shout from the side, “Wan Guqiong! Aren’t you going too far!”

Wan guqiong glanced at him and said with a faint smile, “Too far?”

Kong Yun gritted his teeth and said, “Even if you want to kill someone, there’s no need to use such cruel methods!”

Wan Gu Qiong sneered, “What does it have to do with you?”

“F * ck you!” Kong Yun pulled off his suit and pointed at Wan Gu Qiong’s nose and scolded, “Do you dare to fight me for 300 rounds!”

Wan Gu Qiong narrowed his eyes and sneered, “Do you want to be my enemy for these ants?”

Chapter 893: Chapter 893, devouring ice and snow glazed heart

Wan Gu Qiong looked down at Kong Yun with an arrogant expression. He did not put Kong Yun in his eyes at all.

“F * ck you!”

Kong Yun roared and immediately clenched his fist and charged towards Wan Gu Qiong!

However, at this moment, the two martial saints behind Wan Gu Qiong attacked.

They only raised their fingers and Kong Yun was sent flying dozens of meters away. His sternum was even shattered!

The smile on Wan Guqiong's face grew wider. He sneered and said, "Those below the martial saint level are all ants. Kong Yun, I only raised my finger to kill you."

"F * ck you!" Kong Yun stood up from the ground and rushed toward Wan guqiong again.

However, Zhuang Teng and the others quickly stopped Kong Yun and signaled him to calm down.

"Mr. Wan, I thought you were a gentleman. I didn't expect you to be so despicable and disgusting. We are not the same people. Goodbye." Zhuang Teng said coldly.

"Wan Gu Qiong, different paths lead to different strategies. Zhao Zhi will come to kill you sooner or later."

"I hope I can kill you with my own hands next time I see you!"

Many young masters of Jingdu left the Green Moon Villa one after another.

They couldn't change anything. All they could do was try their best not to witness this cruel scene.

For three whole days.

The Green Moon Villa had turned into a river of blood. It had truly become a hell on Earth.

If Yao Meng had not taken Zhen Yue away with her death warrant, she would have already become the prisoner's fury of the eternal weapon.

...

Time flew by. In the blink of an eye, a month had passed.

During this month, everyone had been searching for Qin Yu's figure, but there was no news.

Even so, these forces from the mystic realm still did not give up.

On this day, many martial saints gathered in the office of the Jingdu Martial Arts Association.

Although they were all martial saints, there was still a huge gap between their strengths.

The most powerful one of them naturally came from the second secret realm, Zhai Xing.

He was a peak powerhouse at the advanced stage of the martial saint. Even in the second secret realm, he was an invincible existence.

Strength represented the right to speak, and the Jingdu Martial Arts Association naturally held the dominant position.

Seven Martial Saints gathered in the same office.

The person in charge of this meeting was Gu Xinghe, who had suffered two defeats.

“For a whole month, we haven’t found any useful information.” Gu Xinghe swept his gaze across the many martial saints. There was not a trace of fear on his face. On the contrary, he continued to look down on them.

“Young master Gu, I believe that the Jingdu martial arts association should have an easier way to find Qin Yu, right?” Someone said from the side.

Gu Xinghe glanced at them and said, “That’s why I called you here.”

“We have Yan Ruoxue’s blood. Through a secret method, we can accurately find her location.”

“But unfortunately, our deduction has failed many times.”

Hearing this, everyone present looked at each other in dismay.

“Failed? What do you mean?” Someone frowned.

Gu Xinghe slowly stood up and said coldly: “There is only one possibility, and that is they have entered a certain secret realm.”

“Once they have entered the secret realm, our deduction will lose its effectiveness.”

As soon as these words were said, everyone suddenly came to a sudden realization!

That’s right! They had searched through more than half of the Yan country, but they still could not find Qin Yu. The only possibility was that he had entered the secret realm to hide!

“Pyro... . . Young Master Gu, do you know where that Qin Yu Is?” A martial saint asked.

Gu Xing he laughed coldly: “If I knew, why would I look for you guys?”

Everyone immediately fell silent, waiting for Gu Xing he to continue.

Gu Xing he stood up and said coldly: “According to the instructions of the eight higher ups, I am ordering all of you to use all methods to dig out all the pyro that you know of!”

“As soon as you find the figures of Qin Yu and Yan Ruoxue, tell me immediately!”

“If someone conceals it and doesn’t report it... The Jingdu Martial Arts Association will take action to wipe out that secret realm!”

These words carried a strong sense of threat and instantly caused everyone to be extremely dissatisfied.

“Young master Gu, as martial saints, we may not necessarily be afraid of you,” a martial saint said coldly.

“Is that so?” Gu Xinghe could not help but laugh coldly. Then, he looked at Zhai Xing who was beside him.

Zhai Xing did not say a word. He suddenly pushed his palm forward. That destructive power instantly gushed out from his sleeve!

This power was so powerful that it almost drowned that martial saint in an instant!

“Boom!”

In just half a second, that martial saint's physical body had turned into a bloody mist!

When everyone saw this scene, they could not help but suck in a breath of cold air!

They were both martial saints, but the gap between them was actually this big?

Gu Xinghe said with a cold face, "This time, I will only destroy your body. If there is a next time, I will make your primordial spirit dissipate!"

This move undoubtedly shocked all the martial saints in the mystic realm.

At this moment, they could clearly feel the difference in strength.

After the meeting ended, Gu Xinghe could not help but frown.

"This Qin Yu must be hiding in some secret realm." Gu Xinghe took a deep breath.

The others had gone to look for Qin Yu for Yan Ruoxue.

However, Gu Xinghe was different. He wished that he could find Qin Yu and tear him into pieces, so that he could avenge himself!

"If Qin Yu is hiding in an uninhabited secret realm, I'm afraid no one will be able to find him," Zhai Xing said from the side.

Gu Xinghe snorted lightly and said, "It's alright. My father has already applied to the higher-ups. In a few days, there will be a top-tier mystic realm master to help me."

“When that time comes, even if he is hiding in the secret realm, we can still find him!”

...

At this moment, Qin Yu was still absorbing the ice and snow glazed heart at a leisurely pace.

The ice and snow glazed heart was more difficult to swallow than Qin Yu had imagined. In an entire month, only half of the ice and snow glazed heart had been swallowed.

Qin Yu opened his eyes and looked up at the ice and snow glazed heart hanging above his head. He couldn't help but frown.

“The absorption of the ice and snow glazed heart seems to have reached its peak,” Qin Yu said in a deep voice.

“Peak?” Yan Ruoxue's eyes were a little surprised.

Qin Yu grunted and said, “Whether it's internal Qi, yin qi, or other auras, they will all reach their peak.”

“After reaching the peak, no matter how much you absorb, your strength will not improve by even half a step.”

Yan Ruoxue was confused, but she still nodded.

“I'll give you this ice-snow glazed heart.” Qin Yu took the ice-snow glazed heart and handed it to Yan Ruoxue.

Yan Ruoxue waved her hand and said, “No, I'm just bored and trying to cultivate. You can keep it for yourself.”

Qin Yu shook his head and said, “Old Mister Yan said that you have the complete bloodline of the Yan family in your body. This bloodline is extremely overbearing. If you step into the cultivation path, the future is unimaginable.”

“Moreover... this ice glaze heart is useless to me.”

Seeing this, Yan Ruoxue could only accept the ice glaze heart.

After that, Qin Yu taught the heaven swallowing technique to Yan Ruoxue.

Yan Ruoxue’s learning speed was extremely fast, and she quickly comprehended the heaven swallowing technique.

And when she tried to use the heaven swallowing technique to swallow the ice and snow glazed heart, a shocking scene happened.

Chapter 894: Chapter 894, Breakthrough

The glazed ice heart hung above Yan Ruoxue’s head.

The moment the heaven swallowing technique was used, the glazed ice heart turned into a stream of light and covered Yan Ruoxue’s body!

The stream of light seemed to have merged with Yan Ruoxue’s body and slowly sank into her snow-white skin.

Qin Yu could not help but widen his eyes and exclaimed, “This... this is swallowing?”

Yan Ruoxue was also at a loss. She looked left and right and said carefully, “Did I lose it?”

Qin Yu waved his hand repeatedly and said, “No, no, no, of course not...”

Even Qin Yu didn't know how to explain such a situation.

“Could it be... related to the bloodline in your body?” Qin Yu scratched his head and said tentatively.

“Do you feel any discomfort? Or... is it abnormal?” Qin Yu continued to ask.

Yan Ruoxue shook her head and said, “I don't think so...”

Qin Yu scratched his head.

Could it be that this ice glaze heart would choose its own master?

Palace Master Han Palace spent decades but still failed to swallow the ice glaze heart.

Qin Yu also spent more than a month but also failed.

However, Yan Ruoxue absorbed the ice and snow glazed heart in an instant. This was simply unimaginable.

“I really don't know what the bloodline of the Yan family is...” Qin Yu became more and more curious.

Old Mister Yan said that it was his father who predicted Yan Ruoxue's bloodline and said that this bloodline was extremely overbearing.

Now, it seemed that all of this could be true.

This bloodline of the Yan family was probably not inferior to his own chaotic body.

“Ruoxue, try to cultivate diligently during this period of time and see what kind of state you can reach.”Qin Yu said with a serious expression.

Yan ruoxue nodded and said with a smile, “Alright, I’ll listen to you.”

Qin Yu grunted in gratitude. He did not say anything else. He took out the Yin heart from the spatial divine tool and began to absorb the yin qi.

He circulated his meridians to circulate the mental cultivation method and prepared to break through to the half-step martial saint stage.

After Yan ruoxue received Qin Yu’s “Order”, she also began to cultivate in seclusion wholeheartedly.

In the vast mystic realm, only Li Yu appeared to be bored.

His talent in cultivation was not high, but his comprehension ability towards the mystic realm was extremely strong.

Thus, Li Yu tried to make up for the flaw in this mystic realm.

Unfortunately, Li Yu spent several days of effort and ultimately failed.

“Sigh, if I want to make up for the flaw in the mystic realm, I’m afraid I’ll need the help of an almighty...”Li Yu sighed in his heart.

Time passed extremely quickly.

In the blink of an eye, another month passed.

On this day, in the high-level meeting room of the Jingdu Martial Arts Association, Gu Xinghe was lowering his head, waiting for the arrival of the high-level officials.

A few minutes later, several higher-ups arrived in the office.

At the same time, a mystic realm master also walked in.

“He is a high-grade mystic realm master, Du Xuanyu. He controls 89,000 secret keys. 99% of the Mystic Realms in the world can be cracked,” a higher-up said.

“You have at most one month to find Yan Ruoxue!”

The voice of the higher-ups was extremely stern, and no one dared to refute it.

Gu Xinghe quickly stood up and said, “Yes, sir.”

“At most a month. If we can’t find her after a month, I’m afraid we’ll never be able to touch her bloodline.” There was some worry in the tone of the higher-ups.

This was the first time Gu Xinghe felt the worry of the higher-ups!

“Sir, may I ask why?” Gu Xinghe frowned and asked.

“Could it be that Yan Ruoxue will disappear from the world in a month?”

The higher-ups were silent for a moment, then said in a low voice, “Disappear from the world... it’s about time.”

This made Gu Xinghe even more confused. He wanted to ask something, but was violently interrupted.

“Remember, our first goal is to find Yan Ruoxue! No matter who finds her, we must find her as soon as possible!” The higher-ups said coldly.

“Even if Yan Ruoxue falls into the hands of others, we must find her within a month!”

Hearing the nervous tone of the higher-ups, Gu Xinghe did not dare to be negligent and hurriedly shouted, “Yes!”

Then, Gu Xinghe brought du Xuanyu out of the meeting room.

“Mr. Du, if that Qin Yu enters the ownerless secret area, can you find him too?” Gu Xinghe asked in a deep voice.

Du xuanyu said indifferently, “I’m a high-grade mystic realm master and am extremely sensitive to mystic realms. As long as I have enough time, I will definitely be able to find him.”

Gu Xinghe bowed and said, “Then I’ll have to trouble you, Mr. Du.”

Then, Gu Xinghe led du Xuanyu and began a thorough search.

The people from the various mystic realms all used their unique skills, and the most despicable one was undoubtedly Wan guqiong.

Wan Gu Qiong had dug out all the connections with Qin Yu and planned to kill all the people around him one by one!

...

In a flash, Qin Yu had entered the secret realm for three whole months.

On this day.

Qin Yu suddenly opened his eyes. The Yin heart hanging above his head also fluctuated intensely for no reason.

“It seems that I am about to enter the half-step martial Saint Realm.”Qin Yu stood up and said in a low voice.

He looked at Yan Ruoxue who was sitting next to him.

At this moment, Yan Ruoxue was breathing exercise slowly.

Her breathing was extremely stable, so stable that one could not feel any fluctuations.

Yan Ruoxue seemed to have a natural compatibility with the Qi/spiritual energy. As she breathed and breathed, all the Qi/spiritual energy could not help but surge into her body.

“At this speed, Ruoxue will soon step into the martial grandmaster realm...”Qin Yu murmured in a low voice.

This speed really made Qin Yu feel ashamed and shocked.

And the last time Qin Yu was so shocked was Xiao Yu.

The cultivation speed of the two of them was far above his own.

Qin Yu put away his yin heart and carefully walked into the distance.

It was not until he came to a no man’s land that Qin Yu slowly let out a breath.

“Stepping into the half-step martial saint realm will not usher in the heavenly tribulation, but the golden core will notice the change,”Qin Yu thought in his heart.

The half-step martial saint realm was a transition period for a martial marquis to become a martial saint, and the Golden Core would also quietly change at this moment.

Qin Yu's golden core had left a wound, which made him slightly worried.

"I hope I can survive it," Qin Yu said in a low voice.

He closed his eyes slightly and began to try to break through.

Wisps of internal Qi were only released from his dantian.

At this moment, the golden core in his body slowly began to rotate.

The speed of the Golden Core's rotation became faster and faster. The sea-like power in Qin Yu's body could not help but surge out!

The strands of internal Qi flowed out of the cracks in the golden core in different ways!

Under the drive of this power, the surrounding environment was also greatly affected!

"Hu!"

Gusts of strong wind swept up, and the mountains and trees were instantly shaken into fine powder!

Chapter 895: Chapter 895, the effects of dao injuries

Normally, stepping into the half-step martial saint realm would not cause much of a reaction.

However, Qin Yu's reaction was extremely intense!

The entire mystic realm seemed to have been affected, and gusts of wind blew!

Waves of intense pain came from Qin Yu's Dantian!

That Aura seemed as if it was about to fly out of his golden core. The intense pain in his abdomen caused Qin Yu's body to turn into a shrimp-shaped internal Qi!

"AH..."this pain was unbearable even for Qin Yu!

His body kept releasing violent power, almost flattening the surrounding area!

"Ah! ! !"

Qin Yu could not help but shout out loud!

He grimaced in pain, kneeling on the ground with his fists clenched tightly.

Such a big movement naturally woke up Yan Ruoxue who was in seclusion.

When she heard Qin Yu's voice, her expression immediately changed and she hurriedly ran in Qin Yu's direction.

At the same time, Li Yu also heard the news and came over.

The two of them looked at Qin Yu who was in extreme pain and a trace of worry flashed across their faces.

“This... What exactly is going on?” Li Yu said with a shocked expression.

From this scene, it didn't seem like he was breaking through at all!

“Qin Yu!” Yan Ruoxue couldn't bear to see Qin Yu Suffer Like This. She shouted and ran towards Qin Yu.

The moment he heard Yan Ruoxue's voice, Qin Yu hurriedly raised his head and looked in the direction of Yan Ruoxue.

“Not good...” Qin Yu's expression changed.

The violent energy in his body would probably injure Yan Ruoxue!

Thinking of this, Qin Yu hurriedly adjusted the internal Qi in his body and tried his best to stabilize this power.

Qin Yu's forehead kept breaking out in cold sweat. The internal Qi in his body was actually controlled in a short period of time!

“TSK TSK, is this the power of Love?” Li Yu could not help but mutter at the side.

Perhaps it was because he was worried about Yan Ruoxue and triggered his potential, in short, Qin Yu's golden core actually stabilized at this moment.

His internal Qi was slowly recovering, and the golden core also began to slowly take shape.

“Miss Yan, it's better for you to come back. Qin Yu should be fine now.” Li Yu waved to Yan Ruoxue.

“He is now at the critical moment of his breakthrough. It’s best not to disturb him.”

Hearing this, Yan Ruoxue also stopped in her tracks.

Although she was extremely worried, she still obediently walked to the side.

Qin Yu sat cross-legged on the ground, slowly feeling the increase in his strength.

His internal Qi was rapidly increasing, becoming more and more dense, and his body became more and more indestructible!

This process lasted for a whole four hours!

It was not until four hours later that Qin Yu’s internal Qi completely calmed down.

“Hu.”

Qin Yu exhaled a mouthful of turbid internal Qi. He stood up from the ground and said in a low voice, “That injury... really did affect me.”

The dangerous scene just now was still vivid in his mind.

If it were not for Yan Ruoxue, Qin Yu would not have been able to control his golden core!

And there was only one final result, which was to explode and die!

This could not help but make Qin Yu feel waves of lingering fear!

If he encountered such a situation when he was breaking through to the martial saint realm, he would most likely die without a doubt!

“Qin Yu, are you... Okay?” Yan Ruoxue walked over quickly.

Qin Yu nodded and said with a smile, “Very good. My strength seems to have increased exponentially.”

Ever since he entered the Martial Marquis realm, every time Qin Yu made a breakthrough, his strength would increase exponentially. This time was no exception.

“Just now... What Happened?” Yan Ruoxue’s big eyes were full of worry.

Qin Yu said in a deep voice, “It’s still because of the dao injury in my body. If it wasn’t for you just now, I might have exploded and died.”

“Exploded and died?” Yan Ruoxue’s face turned pale.

“Then... is there no way to cure this wound?”

Qin Yu smiled bitterly, “There is, but you need a material. This kind of material... can not be found in this world.”

“Material? What material?” Yan Ruoxue asked hurriedly.

Qin Yu thought for a moment and said, “It seems to be called Heavenly Vanilla.”

“Heavenly vanilla...” Yan Ruoxue silently remembered this name.

Qin Yu waved his hand and said, “It’s not a big problem. I will think of a way to solve it.”

Although he said this, Qin Yu was extremely worried.

The impact of this injury had far exceeded Qin Yu's expectations.

He had only broken through to the half-step martial saint realm, but his body had almost exploded and died. If he had broken through to the martial saint realm, the impact would have been even greater.

Breaking through to the martial saint realm was an extremely dangerous matter. One moment of carelessness could result in death, not to mention this wound.

"It seems that... Before I break through, I might have to think of a way to resolve this wound." Qin Yu thought to himself.

Although he thought so inwardly, Qin Yu's expression did not show it at all.

"Wow, you're actually going to break through to the Martial Grandmaster Realm?" At this moment, Qin Yu was surprised to discover that Yan Ruoxue's strength had soared once again!

Yan Ruoxue thought for a moment and said, "Maybe it's because of my experience in the second mystic realm that I'm breaking through very quickly now."

"That makes sense." Qin Yu nodded.

The key to the improvement of strength was the improvement of one's state of mind.

As long as one's state of mind was high enough, under the condition of sufficient Qi/spiritual energy, the improvement of cultivation would be smooth and unimpeded.

This was also why many top cultivators would choose to temper themselves when they encountered a bottleneck, or even pay for their own cultivation.

Moreover, Yan Ruoxue still had the bloodline of the Yan family.

In the next few days, Yan Ruoxue continued to cultivate while Qin Yu stood guard at the side.

At night.

Qin Yu looked at Li Yu and asked, “How long have we been in this mystic realm?”

Li Yu roughly calculated and said, “About three months.”

“More than three months...” Qin Yu couldn’t help but feel a bit worried.

“I plan to go out and take a look,” Qin Yu said in a deep voice.

“Go Out? I think you’re Crazy,” Li Yu sneered.

“It’s not a big deal if you want to die. The key is not to implicate Miss Yan.”

Although Li Yu’s words were not pleasant to hear, they were very reasonable.

Qin Yu sat there and sighed slightly, “I have a feeling that many people will be implicated because of me.”

“This is not a good thing for people who are in closed-door cultivation,” Li Yu said.

“One must be free of distracting thoughts in closed-door cultivation. How can you do that with your state of mind?”

Qin Yu sighed and said, “Yes...”

Just as the two of them were chatting, Yan Ruoxue’s internal Qi suddenly began to change.

In the sky, dark clouds gathered.

“She’s.... going to become a martial grandmaster!” Qin Yu exclaimed.

Chapter 896: Chapter 896, stepping out of the mystic realm

Looking at the dark clouds gathering in the sky, Qin Yu hurriedly looked at Li Yu.

“Can this mystic realm withstand the heavenly tribulation?” Qin Yu asked with some worry.

Li Yu said, “Normally, it can withstand it, but there is a gap in this mystic realm that might cause an unforeseen event.”

“Unforeseen event? What does that mean?” Qin Yu asked.

Li Yu said, “The worst possibility is that the gap will become bigger.”

“The gap will become bigger...” Qin Yu could not help but mutter in a low voice.

If the gap became bigger, it meant that the possibility of being discovered would also become bigger.

“Is there any way to stop it?”Qin Yu asked.

Li Yu shook his head and said, “It is still the same saying. Unless it is an almighty realm that can repair this gap, otherwise, don’t even think about it.”

Seeing this, Qin Yu didn’t say anything more.

He could only take things one step at a time.

The dark clouds in the sky grew larger and larger. The scale of the heavenly tribulation this time was beyond imagination.

Generally speaking, the earlier the heavenly tribulation came, the higher one’s talent.

Many people wouldn’t encounter the heavenly tribulation when they became martial grandmasters.

And the scale of the heavenly tribulation was the same. The larger the scale, the higher one’s talent.

“The scale of this heavenly tribulation is probably not much worse than mine,”Qin Yu thought to himself.

This made Qin Yu look at Yan Ruoxue worriedly.

Yan Ruoxue had just started cultivating for three months and hadn’t learned any cultivation techniques.

Could she withstand a heavenly tribulation of this scale?

“Crack!”

Just as Qin Yu was thinking, the first heavenly tribulation descended from the sky!

This heavenly tribulation ruthlessly smashed onto Yan Ruoxue's body, leaving bloody marks on her snow-white skin!

Seeing this, Qin Yu's expression instantly changed slightly.

“Kacha!”

Another heavenly tribulation descended. The power of this heavenly tribulation was even stronger. It almost opened up Yan Ruoxue's skin, revealing her white bones!

But under such circumstances, Yan Ruoxue's face actually didn't have the slightest expression.

“It seems that Miss Yan's endurance is far beyond your imagination.” Li Yu sighed.

Qin Yu could not help but nod his head.

When he first experienced the heavenly tribulation, he was in so much pain that he grimaced in pain.

Yet, Yan Ruoxue's endurance was actually so high. This could not help but be shocking.

“Compared to the bloodline absorption ceremony, the pain of this heavenly tribulation is probably nothing at all.” Li Yu reminded Qin Yu from the side.

Qin Yu's face darkened when he heard that.

That's right, the torture that Yan Ruoxue suffered was probably far beyond this heavenly tribulation.

“Boom!”

Another muffled thunder struck down and almost shattered the ground!

This was also the last heavenly tribulation. As the heavenly tribulation disappeared, the internal Qi on Yan Ruoxue's body began to withdraw.

Her body was also recovering rapidly. In a short moment, Yan Ruoxue's skin had recovered to its original state. It was even more delicate, and her skin was really smooth.

Yan Ruoxue slowly opened her eyes. Her eyes were like autumn water as she looked at Qin Yu.

Yan Ruoxue, who was originally high and mighty, now had an even more extraordinary temperament.

She was like a lotus flower that people could not bear to touch.

“Ruoxue, how do you feel?” Qin Yu asked.

Yan Ruoxue looked at her body and smiled, “Very good.”

Hearing this, Qin Yue felt relieved.

In the following days, Qin Yu continued his closed-door cultivation.

He continued to absorb yin heart and internal Qi/spiritual energy, trying to improve his aura.

However, for some reason, Qin Yu's heart could not calm down.

This also caused Qin Yu's speed to become extremely slow.

“What's Wrong?” Yan Ruoxue seemed to have noticed something strange about Qin Yu.

Qin Yu said in a deep voice, “I've been in this mystic realm for three months. I keep feeling that... something might have happened outside.”

“You want to go out?” Yan Ruoxue asked.

Qin Yu grunted, but then shook his head and said, “Of course, I can only think about it.”

“TSK TSK.” At this moment, Li Yu couldn't help but roll his eyes at Qin Yu.

“In your current state, there's no point in continuing to cultivate. How about this, I'll go out and take a look for you,” Li Yu said.

Qin Yu raised his brows and looked at Li Yu in surprise.

“You're going out?” Qin Yu's eyes were filled with doubt.

Li Yu ignored Qin Yu's gaze and continued, “I'm a Mystic Realm Master. Comparatively speaking, it's safer.”

“And even if they discover me, it can't prove anything.”

Qin Yu touched his chin and nodded, “That makes sense.”

“But I have a condition.” At this time, Li Yu suddenly said.

Qin Yu immediately nodded and said, “You say, if I can do it, I will not hesitate to die.”

A trace of viciousness flashed in Li Yu's eyes.

He looked at Qin Yu and said coldly, "I want you to kill my master for me and seize his secret key Treasury!"

As soon as these words were said, Qin Yu immediately turned pale with fright.

"Kill your master? Jiang Nan?" Qin Yu frowned and said.

"That's right." Li Yu snorted coldly.

Qin Yu's eyes were even more puzzled.

Killing his master was a heinous act. Li Yu didn't look like a ruthless person.

Li Yu seemed to see through Qin Yu's doubts and sneered, "Don't be fooled by Jiang Nan's appearance. He is a sinister and despicable villain! I Can't wait to eat his flesh and drink his blood!"

Speaking up to this point, Li Yu said coldly, "He asked me to come here also to spy on you so that he can easily betray you at any time. Why? Do you still want to be soft-hearted?"

Qin Yu hurriedly waved his hand and said, "Soft-hearted? You misunderstood. I'm just a little curious. I'll agree to everything you said."

Li Yu didn't say anything more and only warned, "If I don't come back within three days, it means that I've been discovered. I can only leave temporarily and look for an opportunity to come back."

“Alright, thank you.”Qin Yu cupped his hands towards Li Yu.

Li Yu did not waste any more time. He immediately opened the entrance and left.

At the same time, the thing that Li Yu was most worried about happened.

Under the influence of the heavenly tribulation, the gap in this mystic realm had indeed become bigger.

Chapter 897: Chapter 897, the top mystic realm master arrived

Looking from the outside, the spiritual spring became wider, and the Qi/spiritual energy within it also became denser.

Li Yu walked out of the mystic realm.

The moment he stepped out, he smelled a pungent bloody smell.

This bloody smell even covered up the Qi/spiritual energy emitted from the spiritual spring.

The accumulation of countless corpses added a bit of yin energy to the Green Moon Villa.

The Yin Energy and the spiritual spring offset each other, inadvertently causing people to neglect this spiritual spring.

“This...”looking at the scene in front of him, even Li Yu, who was mentally prepared, couldn’t help but show a trace of fear on his face.

The huge Green Moon Villa had surprisingly become a purgatory on earth!

The corpses, human skin, and dried blood on the ground everywhere indicated that this place had experienced a disaster.

And those corpses were even more bizarre. Some had their skin peeled off, some had their bones extracted, and some had been fried and humiliated to death.

Looking at this scene, Li Yu's face turned even paler.

This scene was far beyond his imagination.

"Green Moon Villa... they're all dead..." Li Yu couldn't help but mutter in a low voice.

He originally wanted to take a look and then go back, but seeing this scene, Li Yu started to worry.

After much thought, Li Yu finally decided to go scout for more information.

... ..

More than three months had passed.

In these three months, the fire country's martial arts world had undergone an earth-shattering change.

Many sects had sprung up in great numbers, and the sects that possessed martial saints had shockingly become the true first rate sects in the world.

In order to firmly control them in their own hands, the Jingdu martial arts association had held many meetings.

This caused Gu Xinghe to be overwhelmed. He handed the task of finding Qin Yu to Zhai Xing while he was in charge of coordinating these sects.

“We don’t have enough manpower at all,”Gu Xinghe said with a frown.

“We have to bring people out of the second secret realm.”

The long-browed man next to him nodded and said, “Mm, apart from that, we should also use both grace and power to prevent any changes.”

Gu Xinghe glanced at long-browed man and said, “You mean to ask the JINGDU martial arts association to give up their benefits?”

“Not only do we have to give up their benefits, we also have to be generous.”Long-browed man took a deep breath.

Gu Xinghe was silent for a moment. He did not say anything, as if he was thinking about something.

After a while, Gu Xinghe nodded and said, “Okay, we’ll do as you say. Also, we have to recruit new people.”

The purple robe of the Jingdu martial arts association had been completely killed by Qin Yu. This also caused the JINGDU martial arts association to have no one to use.

Thus, under the leadership of Gu Xinghe, the recruitment of new people began.

...

On the other side, Li Yu went to Jingdu, the Divine Medicine Pavilion, and other places that might have changed to investigate.

When he learned that there were seven martial saints looking for Qin Yu, Li Yu could not help but suck in a breath of cold air.

“Seven martial saints... They are really willing to make a move.” Li Yu could not help but sigh.

Li Yu spent two whole days to investigate the changes in these three months. On the third day, he planned to return to the secret realm.

He rushed all the way to the Jade Moon Villa. He tiptoed and carefully walked to the vicinity of the spiritual spring.

This spiritual spring had already turned blood red. Although it contained Qi/spiritual energy, it was stained with a trace of rich bloody smell.

“There are seven martial saints guarding it. I must let Qin Yu hide it well,” Li Yu thought to himself.

Just as he was about to open the entrance to the secret realm, two people suddenly appeared beside him.

These two people had powerful internal qi and their strength had reached the peak of the Martial Marquis Realm!

At this moment, they were looking at Li Yu coldly.

“Who are you? What are you doing here?” These two people looked at Li Yu coldly and their eyes were filled with vigilance.

Li Yu’s expression changed slightly. He suppressed the panic in his heart and said with an embarrassed smile, “I heard that there was a massacre here, so I came to see if I can pick up some Babe...”

“Babe?” The two of them looked at each other and then said with a cold smile, “Even if there is a babe, can I leave it for you? It has long been taken away by Young Master Wan.”

“Young Master Wan? Which Young Master Wan?” Li Yu asked tentatively.

“Of course it’s the Wan Gu Qiong! You Don’t Even Know Young Master Wan, yet you still dare to come here to search for treasures?” The two people sneered.

Li Yu nodded and seemed to be deep in thought.

“If there’s nothing else, hurry up and leave. Outsiders are not allowed to enter here.” The two people waved their hands and said.

Li Yu hurriedly nodded and said, “Okay, I’ll leave now, I’ll leave now...”

Under such circumstances, Li Yu had no way to enter the mystic realm, so he could only leave temporarily.

“HM? There seems to be Qi/spiritual energy here.” At this moment, one of them noticed something strange in the spiritual spring.

“This Qi/spiritual energy... seems to be coming from the front.”

“This is the Saint Confucian sect’s spiritual spring. I’ve heard of it before.”

“Alright, stop looking. Tomorrow, Master Du, the Mystic Realm Master, will come to inspect this place. We’d better guard it well.”

The two of them discussed softly, but Li Yu heard everything clearly.

After a few days of probing, Li Yu naturally knew who master Du was.

That was the legendary Mystic Realm Master! He controlled tens of thousands of secret keys!

His name was like thunder to any Mystic Realm Master!

“This is bad. If du Xuanyu were to come, he would definitely discover the abnormality here.”Li Yu thought to himself.

“With his ability, it would be effortless for him to open this secret realm....”

Chapter 898: Chapter 898, decision

Li Yu stood guard here until the two of them were far away. Only then did he quickly walk to the vicinity of the mystic realm.

After hurriedly opening the mystic realm, Li Yu worriedly entered.

Inside the Mystic Realm, Qin Yu was teaching Yan ruoxue cultivation techniques.

He deliberately found a few cultivation techniques suitable for Yan Ruoxue from his inherited memories.

These cultivation techniques were quite beautiful and extremely powerful, but unfortunately, these cultivation techniques were very rare.

At this moment, Li Yu walked over from not far away in a hurry.

When they saw Li Yu, Qin Yu and Yan Ruoxue stood up at the same time and looked over.

“Not good.”After Li Yu saw them, he hurriedly said.

“What’s Wrong?”Qin Yu asked.

Li Yu said in a low voice, “Tomorrow, Du Xuanyu will come to check this place. With his ability, it’s not a problem for him to open the mystic realm.”

Then, Li Yu told Qin Yu what had happened.

After saying that, Qin Yu’s expression instantly became extremely ugly.

“That is to say... in front of him, it’s impossible for us to escape?”Qin Yu said in a deep voice.

Li Yu nodded and said, “Basically, so... we’d better leave this place as soon as possible.”

“Once he finds this mystic realm, we’ll definitely die.”

Qin Yu took a deep breath and said in a low voice, “But even if we leave the secret realm, there’s no way to escape.”

With the martial saint’s ability, it was not difficult to find the two of them.

Most importantly, the JINGDU martial arts association had Yan Ruoxue’s blood.

This allowed them to easily find Yan Ruoxue’s location using the secret method.

“Let’s think about what to do.”Li Yu sighed slightly.

Qin Yu did not say anything. He sat there for a long time and his mind was filled with thoughts of how to deal with it.

The sky gradually darkened. Qin Yu sat under the starry sky and held his chin, his face full of worry.

“How about... We split up temporarily? At least one person can escape.” Yan Ruoxue suggested.

Qin Yu immediately waved his hand and said, “No, absolutely not.”

“Alright, at worst, let them take me away. They won’t kill me anyway.” Yan Ruoxue pinched Qin Yu’s shoulder and said with a smile.

“As long as I don’t die, isn’t that enough? When you become stronger in the future, you can save me again.”

Qin Yu took a deep breath. He grabbed Yan Ruoxue’s shoulder and said in a cold voice, “I absolutely won’t allow you to suffer that kind of suffering again. I absolutely won’t allow it!”

Yan Ruoxue was about to say something when Qin Yu suddenly stood up and said, “I already have an idea.”

“What Idea?” Yan Ruoxue asked.

Qin Yu glanced around and said, “This area is very big. I’ll think of a way to conceal your internal Qi. You’re Only a martial grandmaster, so it’s not difficult to conceal your internal Qi.”

“And then?” Yan Ruoxue suddenly had a bad feeling.

Qin Yu said coldly, “If they really find out, just let them take me away.”

“No!” Yan Ruoxue hurriedly shook her head.

“Have you ever thought that if I’m taken away, at most I’ll be absorbed by their blood, but my life won’t be in Danger?”

“But you’re different. If you’re taken away, they won’t let you go. I definitely won’t agree to your idea!”

“If you insist, I will go out now and let them take me away!”

Looking at Yan Ruoxue’s determined expression, Qin Yu scratched his head and said with a smile, “What you said seems to make sense. Then I will listen to you.”

Only then did Yan Ruoxue let out a sigh of relief. She gently leaned against Qin Yu’s side and said in a low voice, “As long as we are alive, we have hope...”

Before she finished speaking, Yan Ruoxue suddenly felt a bout of blackness in front of her eyes. In a moment, she fainted.

Qin Yu gently hugged Yan Ruoxue and said in a low voice, “I can’t let you suffer that kind of pain anymore, so... I can only risk it.”

Li Yu, who was beside her, said in a deep voice, “But what if du Xuanyu wants to search the entire mystic realm? By then, we won’t be able to escape.”

Qin Yu took a deep breath and grinned. “So... I plan to leave the mystic realm before tomorrow to attract their attention.”

“I’ll leave this mystic realm to you.” Qin Yu looked at Li Yu.

Li Yu frowned and said, “If you’re discovered, you’ll be dead for sure.”

Qin Yu didn't say anything.

Not everything in this world could be controlled by oneself. Those who couldn't be controlled were the ones who had to make a choice.

Qin Yu gently hugged Yan ruoxue and covered the internal Qi on her body.

She was only a martial grandmaster. With Qin Yu's technique, he could cover 99% of her internal Qi. Even a martial saint might not be able to detect it.

However, this was not the most important thing. The most important thing was to attract everyone's attention.

"If possible, I will take the opportunity to kill that master Du," Qin Yu said coldly.

As long as they killed this mystic realm master, they would not be able to find this mystic realm!

At night, Qin Yu quietly hugged Yan Ruoxue.

Yan Ruoxue was sleeping soundly in his arms.

Qin Yu lowered his head and looked at the side of Yan Ruoxue's face. A trace of reluctance flashed in his eyes.

"I don't know if I can survive this time. If I'm lucky enough to survive, I'll definitely accompany you every day..." Qin Yu muttered in a low voice.. His eyes were filled with tenderness.

Chapter 899: Chapter 899, uninvited guests

Qin Yu's heart was filled with reluctance, but he also knew that he could not afford to delay any longer.

Thus, Qin Yu resolutely picked up Yan Ruoxue and strode into the depths of the forest.

This mystic realm was extremely large, and most of it was filled with trees, mountains, and rivers.

It was not too difficult to hide a person.

Qin Yu found a relatively quiet place for Yan Ruoxue.

After settling her down, Qin Yu turned around and planned to leave the mystic realm.

After taking only two steps forward, Qin Yu could not help but stop and look at Yan Ruoxue again.

His eyes were filled with reluctance. He did not know if he would be able to return alive after leaving this time.

"I can't waste any more time." Qin Yu glanced at the sun hanging in the sky and knew that it was getting late.

Even if he was extremely reluctant, he still had to leave.

Qin Yu left this place in large strides and came to the vicinity of the entrance.

"Are you really going to do this?" Li Yu couldn't help but ask.

Qin Yu nodded and said, "En, I can only do this. After I leave, you can find time to leave this place."

Li Yu grunted and didn't say anything more. He planned to open the mystic realm for Qin Yu.

But at this moment.

The entrance in front of the two suddenly flashed with a ray of light!

Upon seeing this ray of light, the two's expressions changed drastically!

"Someone is opening the mystic realm!" Li Yu exclaimed in shock.

Qin Yu's face was extremely pale! He never expected that they would arrive so quickly!

"Buzz!"

A Ray of light flashed past. Following that, two middle-aged men suddenly appeared in front of the two!

The method to open the secret realm seemed a little strange, and they didn't seem to have entered through the entrance.

Qin Yu pulled Li Yu back two steps, his eyes full of vigilance.

The two middle-aged men in front of him had internal Qi like water, so Qin Yu couldn't sense their strength at all.

"You guys came really fast," Qin Yu said with narrowed eyes.

"Which one is master du?" Qin Yu glanced at the two of them.

The two of them looked at each other and said with some doubt, "Master du? Who Is He?"

“Stop pretending! Don’t think I don’t know that it’s that master du who opened the Secret Realm!”Qin Yu said coldly.

Immediately, a terrifying internal Qi burst out from Qin Yu’s body.

He looked at the two of them coldly and said, “Yan Ruoxue is not here. You’d better get out of Here!”

A strange smile appeared on the two middle-aged men’s faces.

They ignored qin yu and said, “Then the bloodline is here, right?”

“That’s right. There won’t be any problems. I didn’t expect the most complete bloodline of the Yan family to appear here.”

“TSK TSK. If she hadn’t stepped into the realm of a martial grandmaster, we wouldn’t have been able to sense his internal Qi.”

Their words confirmed Qin Yu’s thoughts!

These two people had come for the bloodline!

“Two beasts...”Qin Yu couldn’t help but clench his teeth.

“You dare to Covet Yan Ruoxue’s Bloodline, I will definitely tear you into pieces! !”

Following Qin Yu’s furious roar, his internal Qi suddenly soared!

The entire mystic realm rumbled, as if it couldn’t withstand this power!

However, the two of them did not move at all. They just quietly looked at Qin Yu.

“Let me tell you, as long as there are people who are tainted by Ruoxue’s bloodline, I will not let any of them go,”Qin Yu growled. Then, he raised his hand and broke all the internal Qi with one punch!

All the internal Qi gathered on this punch. The terrifying power almost penetrated the secret realm!

However, the two of them only raised their hands and gently patted Qin Yu’s hand.

The internal Qi on Qin Yu’s hand was instantly exhausted. The layer of golden light also disappeared without a trace.

Qin Yu’s expression instantly became extremely ugly! He glanced at his own fist and exclaimed, “Is this the martial saint’s Method... ?”

“Martial saint? Young Man, what are you talking about?”One of the middle-aged men asked.

“F * ck you!”Qin Yu did not have the mood to listen to their nonsense. He immediately clenched his fist and rushed over.

A hint of helplessness flashed across the middle-aged man’s face. He raised his hand and gently pressed forward.

In an instant, Qin Yu’s body seemed to bear the weight of a thousand tons as his entire body fell to the ground!

His vision started to blur, and the entire world became darker and darker. His eyes seemed to be unable to open.

“From what I hear, you seem to have a good relationship with the possessor of the complete bloodline, so we won’t kill you. You should calm down.”

This was the last sentence Qin Yu heard before he fainted.

He fell heavily to the ground and did not move at all.

Upon seeing this scene, Li Yu’s face was filled with shock.

Even Qin Yu did not have the strength to retaliate, let alone a mystic realm master like him!

“I hope they won’t be able to discover Yan Ruoxue...”Li Yu prayed in his heart.

The two of them slowly flew into the air. Their eyes narrowed slightly and in the next second, they shot toward Yan Ruoxue!

In less than half a minute, the middle-aged man walked out with Yan Ruoxue in his arms.

“How... how is this possible!”Li Yu’s expression was extremely unsightly!

Qin Yu’s carefully concealed internal Qi was actually broken just like that?

“This is the complete bloodline of the Yan family...”one of the middle-aged men said in a low voice.

“En, as expected, her bloodline is the most complete I’ve ever seen.”Another middle-aged man also said.

“Alright, the mission is complete. We should go back.”The two of them looked at each other and planned to leave.

At this moment, Li Yu suddenly shouted, “Who are you people! What do you want to do to Miss Yan!”

The two of them looked at Li Yu in front of them and said with a faint smile, “Do we need to explain it to you?”

Li Yu gritted his teeth and said, “If you don’t say it, don’t even think about leaving here!”

“Hahaha!”One of them could not help but laugh out loud.

“You should be a mystic realm master, right?”He sized up Li Yu and said.

Li Yu’s expression changed and he exclaimed, “You... how did you know!”

He ignored Li Yu’s words and said, “As a mystic realm master, I don’t think you’re good at fighting. Don’t waste your energy.”

“Also... your professional level doesn’t seem to be very good. There’s a gap in this mystic realm. Didn’t you notice?”

Li Yu said with a cold face, “Of course I know there’s a gap, but I can’t make up for it.”

“I see...”the middle-aged man heard that and immediately fell into deep thought.

In the next second, he raised his palm slightly. In an instant, the entire sky of the mystic realm was enveloped by a five-colored light!

When he saw this strange phenomenon, Li Yu's eyes immediately widened!

The five-colored light flashed and disappeared without a trace in a moment.

"You... What did you do?!" Li Yu exclaimed in shock.

"No need to be nervous.. I just fixed the gap," the middle-aged man said indifferently.

Chapter 900: Chapter 900, repairing the gap

Repairing the gap?

Li Yu was stunned for half a second, then he rushed to the gap.

After checking, the gap really disappeared!

This made Li Yu dumbfounded!

He repaired the gap of the arcane realm casually? And it was such a big arcane realm?

Who was this middle-aged man? ! He had such ability? !

"You... How did you do it? Who exactly are you?!" Li Yu questioned loudly.

The middle-aged man glanced at Li Yu and said indifferently, "You don't have the qualifications to know who I am."

"Then why did you help us?" Li Yu was even more puzzled.

The middle-aged man glanced at Yan Ruoxue in his arms, then smiled and turned around to leave.

Li Yu wanted to stop him, but he realized that the middle-aged man was extremely fast.

They were clearly very close to each other, but no matter how hard they tried, they could not get any closer.

They did not even pass through the exit before they disappeared into this secret realm.

Silence.

The surroundings were completely silent.

Only the sound of the leaves rustling could be heard.

Other than that, there was nothing else.

It was not something an ordinary person could do to repair a mystic realm.

Even a martial saint did not have such an ability.

“It’s broken.”Li Yu could not help but sigh in his heart.

He ran to Qin Yu’s side and waited quietly for him to wake up.

In the outside world.

Du Xuanyu had indeed arrived here.

However, because that mysterious middle-aged man had repaired the mystic realm, Du Xuanyu did not discover anything and turned around to leave.

In the Mystic Realm, Qin Yu only woke up in a DAZE at noon.

He rubbed his eyes and then stood up abruptly from the ground.

Qin Yu grabbed Li Yu's shoulder and said anxiously, "Where's Ruoxue? Where are the two people?"

Li Yu was silent for a moment and then could not help but sigh slightly.

"Hurry up and tell me!" Qin Yu shouted anxiously.

Li Yu said in a deep voice, "I can tell you, but you have to be mentally prepared."

"Hurry up and tell me!" Qin Yu shouted angrily.

Li Yu sighed and said, "Those two people took Yan ruoxue away."

"Damn it!" Hearing this, Qin Yu was instantly filled with anger!

He turned around and was about to leave the mystic realm.

At this time, Li Yu pulled Qin Yu and said coldly, "Where are you going?"

"I'm going to find Yan Ruoxue," Qin Yu said coldly.

Li Yu said coldly, "I advise you to give up on this idea. The strength of those two middle-aged men is beyond your imagination."

“So What ? They are only at the martial saint stage,”Qin Yu said coldly.

Li Yu took a deep breath and said, “That middle-aged man repaired the secret realm casually. Do you still think they are martial saints ?”

When he heard these words, Qin Yu, who was in a rage, was also stunned.

He knew very well what kind of strength it meant to repair the mystic realm so casually.

“Repairing the mystic realm so casually... didn’t you say that only those at the supreme level could repair the mystic realm ?”Qin Yu turned around and stared at Li Yu as he said.

Li Yu nodded and said, “That is indeed the case under normal circumstances.”

“Could it be that those two people are at the supreme level ?”Qin Yu could not help but widen his eyes.

The Almighty realm was also known as the Soul Formation realm. In fact, their strength was far above that of a martial saint.

However, there were not many martial saints in this world, let alone the legendary Almighty Realm ?

“Are you still planning to go ? Even if you risk your life, you will never bring Yan Ruoxue back.”Li Yu snorted coldly.

Qin Yu instantly fell into silence.

Such a difference in strength made Qin Yu feel a deep sense of powerlessness.

Even Martial Saint Qin Yu found it difficult to enter, let alone a mighty figure?

Looking at Qin Yu's slightly dispirited appearance, Li Yu could not help but pat Qin Yu's shoulder.

"Don't think too much. Those two people might not have any ill intentions." Li Yu consoled him.

"Since they repaired the gap in the mystic realm before they left, I'm sure they don't have any ill intentions. Otherwise, there's no need to do this." Li Yu said.

Qin Yu frowned as well.

Repaired the secret realm? Why did they do this?

Moreover... If they were people from the Jingdu Martial Arts Association, they would definitely kill him in passing.

If a mighty figure wanted to kill a peak-stage martial marquis, perhaps they only needed a glance.

Qin Yu sat there for a long time without saying a word.

Countless doubts filled Qin Yu's mind.

Li Yu didn't know what to comfort him with, so he stood silently to the side.

A few hours later, Qin Yu stood up from the ground.

"Since I don't know who took Yan Ruoxue, then I'll look for them one by one," Qin Yu said coldly.

“I’ll put this debt on all the forces that are targeting Yan Ruoxue! I’ll kill them all one by one!”

Yan Ruoxue’s disappearance had once again aroused the killing intent buried deep in Qin Yu’s heart.

That extremely cold killing intent made Li Yu Shiver involuntarily.

He did not waste any more time and immediately began the second round of cultivation.

After stepping into the half-step martial saint realm, Qin Yu’s strength had increased explosively.

Compared to the perfect stage of the Martial Marquis Realm, Qin Yu’s internal Qi had increased several times. In front of him, those at the same level as him were like ants.

For three whole days, Qin Yu had absorbed this yin heart. However, the increase in his cultivation base was only a tiny bit.

This could not help but make Qin Yu feel a trace of shock!

Half of the Yin Heart had only increased by so little. How many resources would it take to become a martial saint?

It was truly terrifying!

Even if a sect used the entire sect’s strength, it would still be difficult to create an advanced stage of the chaos body!

On this day, Qin Yu opened his eyes.

He took a deep breath and two rays of light shot out from his eyes.

Following that, Qin Yu walked to Li Yu's side.

“What's Wrong?” Li Yu asked with some doubt.

Qin Yu took a deep breath and said, “I plan to leave the mystic realm temporarily.”

“Leave the Mystic Realm?” Li Yu was stunned.

Qin Yu acknowledged and said, “I can't get much improvement in the mystic realm. With my state of mind at this point, there's no point in staying.”

“But... do you know what you will face when you go out?” Li Yu frowned and said.

Qin Yu sneered and said, “Only when you are on the edge of life and Death can you improve your state of mind the fastest.”

“And.... I need more resources.”

Chapter 901: Chapter 901, the person who had become a martial saint

“More resources?” Li Yu frowned even more.

He did not seem to understand.

Was such a huge secret realm not enough for cultivation?

If other people had obtained such a secret realm, they would have to enter closed door cultivation for several years, right?

Qin Yu saw Li Yu's confusion. He waved his hand and said, "I can't explain it to you, but during this period of time... I'm very grateful to you. To be honest, I didn't believe you at first."

"I never thought I would help you. I was just wavering between you and master." Li Yu did not hide anything.

Qin Yu smiled and said, "Speaking of which, there's something I'm very curious about. Why would you want to kill your master?"

A trace of viciousness flashed in Li Yu's eyes. He gritted his teeth and said, "Because he's a sinister and cunning person!"

"In fact, he is sinister and cunning. It has nothing to do with me, but... he stole my woman! This old pervert, I love that Woman!"

Speaking of which, Li Yu gritted his teeth in hatred.

Seeing this, Qin Yu could not help but laugh, "I didn't expect you to be a lover."

Li Yu snorted lightly and said, "This is also the reason why I chose to help you and not my master."

"I understand." Qin Yu patted Li Yu's shoulder.

"When I get out, I will kill him for you."

Li Yu nodded and said, "Be careful."

After bidding farewell to Li Yu, Qin Yu left this secret realm.

He knew very well that this time, he would definitely be found. It was only a matter of time.

With Qin Yu's current strength, the chances of him defeating a martial saint were still very slim.

Therefore, there were only two paths before him. One was to find a way to change his appearance, and the other was to possess the ability to escape.

Qin Yu had made up his mind. After he left the mystic realm, he would go to the divine medicine pavilion to look for the pavilion master. Then, he would find Jiang he and learn the nine secrets.

In this way, Qin Yu at least had the ability to save his life.

After leaving the Mystic Realm, Qin Yu smelled a pungent bloody smell.

This smell immediately caused Qin Yu's expression to change slightly.

He rubbed his nose, then his eyes looked around.

The first thing that entered his eyes was a dried up spiritual spring in front of him.

After the gap was repaired, the spirit spring quickly dried up.

And at this moment, the spirit spring was stained with blood.

Qin Yu immediately had a bad premonition.

"What a thick smell of blood... and even yin qi!" Qin Yu's expression couldn't help but change.

He hurriedly walked forward.

Arriving at the square of Bi Yue villa, Qin Yu's expression instantly turned extremely ugly!

Looking at the corpses and dried up blood all over the ground, Qin Yu's body couldn't help but tremble slightly!

"Who did it..." Qin Yu clenched his fists, his heart filled with grief.

"I'm the one who implicated all of you..." Qin Yu's body trembled slightly.

He had thought that these people would be hurt because of him, but Qin Yu still had a sliver of hope in his heart. That was that they would leave the BI Yue villa.

The current situation indicated that the entire green moon Villa's people were all dead!

Qin Yu took a deep breath. He suppressed the anger in his heart and said in a low voice, "Don't worry, I will definitely take revenge for you, I will definitely..."

At this moment, Qin Yu suddenly thought of something!

His expression changed, and he said in a low voice, "It's bad, the Divine Alchemist Pavilion!"

If the medicine God Pavilion was also harmed because of this, then Qin Yu would not be able to accept it!

He did not dare to think too much and quickly rushed towards the medicine God Pavilion.

It had been three months since Qin Yu had disappeared. The many martial saints were no longer as diligent in searching for Qin Yu.

Plus, Qin Yu had concealed his internal Qi. Thus, he had successfully arrived at the Medicine God Pavilion.

After arriving at the Medicine God Pavilion, Qin Yu could not help but heave a sigh of relief when he saw the calm medicine God Pavilion.

He quickly walked into the Divine Alchemist Pavilion and went straight to the Pavilion Master's building.

“Who is it? !”

Qin Yu's sudden intrusion immediately made the pavilion master extremely vigilant.

The internal Qi on her body erupted and she arrived in front of Qin Yu in the blink of an eye.

“It's me,” Qin Yu said in a low voice.

The Pavilion Master was first stunned when she saw Qin Yu before she quickly pulled Qin Yu into the secret chamber.

Arriving at the Secret Chamber, the pavilion master hurriedly closed the secret chamber.

This secret chamber was made of special materials, so the internal Qi would not be leaked out. Therefore, the pavilion master also slightly heaved a sigh of relief.

“Why are you here? Don't you know that they are all looking for you?” The pavilion master said with a reproachful tone.

Qin Yu did not answer this question, but asked, “After I left, they did not come to look for you, right?”

The Pavilion Master was silent for a moment. Then, he shook his head and said, “No.”

“That’s good.” Qin Yu heaved a sigh of relief.

After that, Qin Yu told the pavilion master about his experience in the mystic realm.

After the pavilion master heard this, he couldn’t help but say with some surprise, “You’re saying... someone who seems to be at the Almighty Realm has taken Yan Ruoxue Away?”

Qin Yu acknowledged and said in a low voice, “I don’t know who they are. Lord Pavilion Master, is there any news from the outside world?”

The pavilion master shook his head and said, “No, but even if someone really took Yan ruoxue away, they wouldn’t say anything.”

This was the truth. No matter which organization or faction obtained Yan Ruoxue, they would probably choose to keep it a secret.

“However... at the moment, there shouldn’t be any faction that has the Almighty Realm.” At this time, the pavilion master changed the topic.

“If anyone has the Almighty Realm, then they will definitely be above any faction in the current era. The Jingdu Martial Arts Association also has no power to contend with them.”

Qin Yu nodded and sighed, “I hope so.”

Then, the pavilion master explained the current situation to Qin Yu.

After the pavilion master's explanation, Qin Yu learned that the person who had entered the martial saint realm was not the current genius, but a veteran half-step martial saint.

This half-step martial saint was called Xu Huaigu. He could be said to be a late bloomer. He was in the same generation as Jiang he, Ye Qing, and the pavilion master. However, he had been suppressed by ye Qing and the others.

Almost everyone had already forgotten about this veteran half-step martial saint.. However, no one had expected that he would be the first to step into the martial saint realm.

Chapter 902: Chapter 902, Qin Yu' s fury

Qin Yu listened to the pavilion master's narration and nodded slightly.

“Xu Huaigu once said that stepping into the martial saint realm is not something that can be done in a day. Instead, it requires a long period of accumulation. Therefore, it is very difficult for young people to step into the martial saint realm within a short period of time,”the pavilion master continued.

“Perhaps, the previous prediction about you was that you would be the first among the younger generation.”

Qin Yu sighed and said, “I hope so. Before I become a martial saint, I'm afraid I'll have to live with my tail between my legs.”

Regarding this, the pavilion master did not express her opinion.

She continued, “During the period when you left, the martial arts world had also undergone great changes. The people who walked out of the mystic realm and the martial artists in this world had a strong animosity.”

“It’s not an exaggeration to say that they seemed to have formed two factions. Under the push of Xu Huaigu, many people deeply detested the people in the mystic realm.”

“Of course, Xu Huaigu will do his best to protect the people of the current era.”

Qin Yu nodded slightly and sighed, “This is inevitable. Just like two people of different classes, the possibility of becoming friends is very small.”

The pavilion master said in a deep voice, “If it’s really not possible, you can go to Xu Huaigu. He will most likely help you.”

Qin Yu shook his head and said, “There’s no need. I don’t want to implicate others anymore.”

At this point, Qin Yu suddenly thought of the Green Moon Villa.

He said in a deep voice, “Pavilion Master, who did the Green Moon Villa Thing?”

The Pavilion Master was silent for a moment, then shook his head and said, “You don’t need to ask me this. Go to the martial arts forum and take a look. Naturally, everything will be known.”

Hearing this, Qin Yu immediately took out his phone and opened the martial arts forum.

The martial arts forum was extremely lively.

Many people were cursing the JINGDU martial arts association.

Because of the appearance of the secret realm, both sides had a strong enmity.

And the Jingdu Martial Arts Association chose to stand on the side of the secret realm, causing many ordinary warriors of the current era to begin to hate the Jingdu Martial Arts Association.

This was good news for Qin Yu.

After flipping through a few posts, Qin Yu roughly understood the current situation of the era.

“The Jingdu martial arts association actually re-recruited people and established a council.” Qin Yu couldn’t help but frown.

And the president of the council was actually he teng!

“How ironic.” Seeing this, Qin Yu couldn’t help but sneer repeatedly.

Continuing to watch, Qin Yu quickly saw a video.

And the content of the video was precisely the battle between Wan Gu Qiong and the disciples of the Green Moon Villa!

All kinds of cruel methods couldn’t help but be shocking!

Even Qin Yu was covered in sweat when he saw it!

He stared at the content on the screen and couldn’t help but grit his teeth and say, “Wan Gu Qiong... I must kill you! !”

Qin Yu never thought that Wan Gu Qiong would be so cruel!

At this moment, the pavilion master's phone suddenly rang.

She glanced at the phone and frowned slightly.

"Qin Yu, stay here. No matter what you hear, don't speak," the pavilion master stood up and said.

Qin Yu frowned and asked, "What happened?"

"Someone is coming," the pavilion master said and walked out of the secret room quickly.

Qin Yu sat in the secret room and did not dare to say a word. He closed his eyes slightly and waited quietly.

Inside the pavilion master's building.

Wan Gu Qiong brought a martial saint and swaggered upstairs.

Ever since he saw the pavilion master's face last time, Wan Gu Qiong had not given up.

Even if he had been warned by ye Qing, he did not care at all.

"What are you doing here?" Looking at Wan Gu Qiong's wretched face, the pavilion master could not help but frown slightly.

Wan Gu Qiong said with a smile, "I've missed you. I'm here to see you."

The pavilion master's expression instantly became extremely cold. She said in a deep voice, "You're not welcome here."

"Hahaha! So what if you're not welcome?" Wan Gu Qiong's face was thick-skinned.

The pavilion master's expression became even colder. However, there was a martial saint standing beside Wan Gu Qiong. The Pavilion Master could not do anything to him.

“Pavilion master, without a martial saint in this era, it's difficult to take even a single step forward.”Wan Gu Qiong said with a smile.

“Even in this chaotic world, your medicine God Pavilion must seek protection, right? Without a martial saint, the medicine God Pavilion will disappear sooner or later!”

The pavilion master forcefully suppressed the anger in his heart and said, “What exactly are you trying to say?”

Wan Gu Qiong said with a smile, “Although you're not young anymore, you still have the appearance of a flower. Not only do you have the appearance of a young girl, you also have the mentality of a mature woman. This is simply the best!”

“If you are willing to accompany me for one night, I will protect you for just one night. How about it?”Wan Gu Qiong said with a lecherous smile.

Hearing Wan Gu Qiong's filthy words, the pavilion master could not help but feel furious!

She said coldly, “You better get lost right now!”

“Your angry look is more attractive...”Wan Gu Qiong reached out her hand and touched the pavilion master's face in a teasing manner.

The pavilion master slapped Wan Gu Qiong's hand away and said angrily, “Get lost!”

Wan Gu Qiong snorted coldly and said, “Don’t think that I can’t do anything to you just because ye Qing is protecting you! Let me tell you, it’s not difficult to avoid ye Qing at all!”

“You’re very disgusting in my eyes,” said the pavilion master coldly.

Wan Gu Qiong sneered and said, “So what? With your relationship with Qin Yu, you’ll be targeted by everyone sooner or later. At that time, I’ll see what ye Qing will do!”

“I also told you that sooner or later, I will put you on the bed!”

After saying this, Wan guqiong turned around and left.

Qin Yu heard these words clearly in the secret room.

He clenched his teeth tightly, and his eyes were wide open. He clenched his fists tightly, and anger kept surging up.

“Wan Guqiong...” Qin Yu muttered the name through the gaps of his teeth.. The anger on his body almost made him lose his cool.

Chapter 903: Chapter 903, the latest instructions from the higher-ups

He forcefully suppressed the anger in his heart and even suppressed his killing intent.

Qin Yu was very clear that if he went out now, it would be tantamount to sending someone to his death.

However, the myriad ancient Jade’s various maliciousness had already made Qin Yu endure to the extreme.

After the myriad ancient jade left, the pavilion master pushed open the door and entered.

She sat opposite Qin Yu and said, "It's fine."

Qin Yu gritted his teeth and asked, "Is this Wan Gu Qiong coming?"

The pavilion master shook his head with a bitter smile and said, "Not really."

Qin Yu took a deep breath and said, "I will think of a way to kill him as soon as possible!"

"It's better for you to be careful now. Xu Huaigu has already said that it will be very difficult for the younger generation to become a martial saint in a short period of time." The pavilion master shook his head and said.

"I have an idea." Qin Yu took a deep breath.

Then, Qin Yu looked at the pavilion master and said, "Oh right, pavilion master, do you know where senior Jiang he is?"

"Jiang he? Why are you looking for him?" The pavilion master asked in puzzlement.

Qin Yu said, "I want to obtain the nine secrets from him. This way, I will at least have the ability to protect myself."

"Nine secrets?" The Pavilion Master could not help but smile bitterly.

"Do you know that he is the only one who knows the nine secrets? Even his disciple can't learn the nine secrets."

Qin Yu could not help but be speechless.

He knew that the nine secrets were very precious, but he did not expect it to be so precious.

“Of course. I made a bet with him and he promised to teach you the nine secrets.” At this moment, the pavilion master changed the topic.

Then, the Pavilion Master wrote down an address on the paper and gave it to Qin Yu.

“Normally, he would be here.” The pavilion master said.

“However, it is very likely that he is trying to break through to the martial saint stage now.”

Qin Yu took the paper and bowed as he said, “Thank you, Pavilion Master.”

Then, Qin Yu planned to set off to look for Jiang he.

“Little Beauty? Where did you hide?”

At this moment, Wan Gu Qiong’s voice suddenly came from outside!

Pavilion master’s expression immediately changed!

She hurriedly grabbed Qin Yu and made a silent gesture.

Although Qin Yu was full of hatred for Wan Gu Qiong, he also knew that he must not let Wan Gu Qiong discover him at this moment.

The two hid in the secret room, not daring to breathe loudly.

“Little Beauty, where did you run off to?” Wan Gu Qiong’s disgusting voice kept coming from outside.

Qin Yu clenched his fists, his eyes filled with icy cold killing intent.

A few minutes later, Wan Gu Qiong's voice finally disappeared.

Pavilion master pulled Qin Yu and waited in the secret chamber for nearly half an hour.

After confirming that Wan Gu Qiong had left, pavilion master opened the Secret Chamber.

“Pavilion Master, if you really can't do it, you can go to the secret realm first.” Qin Yu frowned and said.

The pavilion master shook his head and said, “I won't leave the Divine Alchemist Pavilion alone. Moreover... since Xu Huaigu can become a martial saint, I might be able to.”

Qin Yu opened his mouth and then nodded, “Alright, Pavilion Master, Please Take Care.”

After saying goodbye to the pavilion master, Qin Yu left in a hurry and went to look for Jiang he.

...

Jingdu martial arts association.

In front of Gu Xinghe stood Zhai Xing, Du Xuanyu, and the others.

“Still haven't found him?” Gu Xinghe looked a little unhappy.

Du Xuanyu shook his head and said, “We've searched almost all the secret realms, but we haven't Found Qin Yu.”

“Now we’re guessing that Qin Yu has most likely found a new secret realm and hid in it.”

Gu Xinghe could not help but shout angrily, “Then hurry up and find it! Are you just doing this for nothing? !”

Du Xuanyu’s face turned cold and he said, “Young master Gu, I have to remind you that I’m here to help you, not your subordinate. Even your father has to be polite to me.”

Gu Xinghe gritted his teeth, took a deep breath, and said, “I’m sorry, Master Du. I was out of control.”

Du Xuanyu said in a low voice, “I’ll try my best to find a new mystical realm as soon as possible.”

“I’ll have to Trouble You Then, master Du.”Gu Xinghe bowed and said.

At this moment, Gu Xinghe’s phone rang.

He picked up the phone and saw that it was a notice from the higher-ups.

“Meeting.”The higher-ups were still concise and to the point.

Gu Xinghe did not dare to waste any more time. He rushed to the meeting room of the higher-ups.

Along the way, Gu Xinghe was extremely nervous.

He could not avoid being scolded for not finding Yan Ruoxue.

They arrived at the meeting room.

As soon as they entered, Gu Xinghe realized that the eight higher-ups had already rewarded them.

Gu Xinghe was a little nervous. He walked forward, bowed and said, “Greetings to the higher-ups.”

Before the higher-ups could ask, Gu Xinghe quickly said, “We haven’t found her yet, but don’t worry, I will find Yan Ruoxue within the time limit!”

“No need.” At this time, the higher-ups interrupted Gu Xinghe.

Gu Xinghe was stunned and said anxiously, “Higher-ups, I Promise I will definitely find her within the time limit, I...”

“It’s impossible for you to find her.” One of the higher-ups sighed.

“Yan Ruoxue’s breakthrough speed is faster than we thought.”

“It’s not under our control anymore.”

Gu Xinghe was stunned.

He frowned and asked, “What do you mean?”

The higher-up did not answer. Instead, he said coldly, “Delete all the records of extracting Yan Ruoxue’s blood! Remember, from today onwards, no one is allowed to mention Yan Ruoxue again!”

Although GU Xinghe did not understand, he did not dare to ask further.

“Then... What About Qin Yu?” Gu Xinghe continued to ask.

The higher-ups lowered their voice and said coldly, “The reason we lost Yan Ruoxue was because of Qin Yu! So, no matter what, we have to kill him!”

Chapter 904: Chapter 904, Zhai Xing and Jiang He

Gu Xinghe quickly nodded and said, “Alright, please rest assured, I will go look for Qin Yu immediately.”

The higher-ups did not say anything more. They gradually hid in the darkness and then slowly disappeared.

Although they did not say a word, Gu Xinghe could still feel their regret.

Regret for losing Yan Ruoxue.

...

On the other side.

Qin Yu was speeding away according to the address given by the pavilion master.

Along the way, he restrained his breath and was extremely careful, afraid that his figure would be discovered.

Jiang he was living in seclusion in an uninhabited area. At this moment, he was feeling the changes in the world and trying to enter the martial saint realm again.

In a forest, there was an unremarkable civilian house.

A small courtyard was circled here. Chickens, ducks, and geese were kept in the courtyard. It looked no different from an ordinary village old man.

Jiang he tuan sat here. He closed his eyes slightly and felt this not-so-strong internal Qi.

At this moment, Jiang he suddenly opened his eyes.

He glanced to one side from the corner of his eyes and said indifferently, "Since you're here, come out."

Before he finished his words, he saw Zhai Xing walk out from the dark.

Seeing Zhai Xing suddenly appear, Jiang he did not look too surprised.

"So it's master Zhai Xing." Jiang he's tone was calm, and his eyes opened a slit.

Zhai Xing walked straight to Jiang he's side and sat down.

"Master Zhai Xing, why did you suddenly visit?" Jiang he asked casually.

Zhai Xing said quietly, "You should know very well why I came."

Jiang he snorted. He slightly closed his eyes and said, "Why did you come to find me? How would I know?"

Zhai Xing was silent for a moment. Then, he slowly sighed and said, "Jiang he, I owe you a favor back then. You should remember this favor."

“Yes, I will never forget the favor you owe me,” Jiang he said lightly.

“But you also know that there is absolutely no possibility of a detente between me and the Jingdu Martial Arts Association.”

Zhai Xing’s expression darkened, and he said coldly, “If I didn’t see your superhuman talent back then, you would have died long ago.”

“Yes.” Jiang he did not deny it.

“But it was also because of your actions that I was unable to step into the martial saint realm.”

If other people heard these words, they would definitely be shocked!

The two of them were not from the same era, but they had such a deep relationship!

“That was an order from the association. I can not disobey it,” Zhai Xing said.

“So the relationship between you and I is broken,” Jiang he said in a low voice.

Zhai xing sighed, “In my eyes, you are a genius. I Can’t bear to kill you. I...”

“Master Zhai Xing, if you have something to say, just say it,” Jiang he interrupted Zhai Xing.

Zhai Xing said in a deep voice, “I am under Gu Xinghe’s orders to invite you to join the Jingdu Martial Arts Association.”

“You also know that the Jingdu Martial Arts Association is currently recruiting talents and is interested in creating powerful people in the world.”

“If you are willing to join, with your talent, it won’t be long before you can step into the Martial Saint Realm.”

Jiang he sneered, “Master Zhai Xing, do you think I would agree?”

Zhai xing frowned and said, “Jiang he, the Jingdu martial arts association has never killed you.”

Jiang he sneered, “Yes, but it also forced me to cower here and not be born for many years.”

“If it weren’t for Qin Yu’s appearance, I might never have appeared in public.”

Zhai Xing said in a low voice, “Are you really unwilling to join the Jingdu Martial Arts Association?”

“You should have the answer in your heart. You Don’t need to ask me.” Jiang he closed his eyes.

Zhai Xing’s expression instantly turned cold.

He suddenly stood up and said coldly, “The current environment has changed. You will step into the martial saint realm sooner or later.”

“Since you are unwilling to join the Jingdu Martial Arts Association, then you are a potential enemy of the Jingdu Martial Arts Association.”

“So... You Must Die!”

Jiang he's expression was extremely calm and indifferent. He closed his eyes slightly and said, "Then make your move. In front of you, I have no power to fight back."

Zhai Xing's body was full of murderous intent. This murderous intent swept through the entire mountain forest.

A gentle breeze blew through the mountain forest, and that solemn aura caused the entire ground to buzz.

Zhai Xing slowly raised his palm. Rays of faint light gathered in his palm.

Facing Zhai Xing, Jiang he did not have the ability to fight back.

"Jiang he, this is the last time I will let you off."

A moment later, Zhai Xing lowered his hand.

"If you don't want to die, then don't go against the Jingdu Martial Arts Association. Otherwise, I will definitely kill you."

Zhai Xing threw down these words and turned around to leave.

Jiang he looked at Zhai Xing's back as he left, a trace of worry flashed across his face.

...

At this moment, Qin Yu was still speeding towards this place.

The Medicine God Pavilion was very far from here, and the current Qin Yu did not dare to take any means of transportation. He could only walk over step by step.

The journey was very long. Even with Qin Yu's ability, it would still take him several days.

About three days later, Qin Yu arrived at the Riverside.

If he wanted to go to his destination, he had to cross this river.

Standing on the Riverside, Qin Yu couldn't help but look a little worried.

"It seems that I have to take a boat there," Qin Yu murmured in a low voice.

There were many boatmen here, and there were also many tourists.

Qin Yu released his divine sense and covered the entire riverbank.

"Eh?" Qin Yu frowned.

There were actually several martial marquises at the peak of the Martial Marquis Realm on the riverbank!

"Strange." Qin Yu's expression didn't look too good.

Even if a martial saint had appeared, martial marquises were still rare existences.

But how could there be so many martial marquises on such a small river?

"Could it be that I have been discovered?" Qin Yu's expression did not look too good.

He tried his best to restrain his internal Qi and found a relatively safe place to sit down.

Fortunately, Qin Yu had prepared a hat long ago. He put the hat on his head and lowered the brim of the hat.

“Oh no!”

At this moment, Qin Yu felt an extremely powerful internal Qi!

This internal Qi was at the Martial Saint Stage!

Qin Yu's expression became even more unsightly. He hurriedly lowered the brim of his hat and carefully surveyed his surroundings.

Soon, Zhai Xing's figure appeared on the shore.

“It's him.” Qin Yu's heart started to beat violently!

With Zhai Xing's ability, it was not difficult for him to discover Qin Yu, even if Qin Yu had restrained his internal Qi!

At this moment, Zhai Xing walked to the shore, and several martial marquises from the surrounding arrived in succession.

“Lord Zhai Xing.” Several martial marquises bowed one after another.

Zhai Xing said coldly, “Jiang he has the nine secrets, and we let him escape.”

The many martial marquises looked at each other and could not help but frown. “Even you can't catch him?”

Zhai Xing said in a deep voice, “The nine secrets are the secret arts of Taoism. In the current era, only Jiang he has learned it. The profoundness of it is far beyond imagination.”

Then, Zhai Xing waved his hand and said, "Let's go."

The martial marquises did not say anything. They followed behind Zhai Xing and planned to leave.

Qin Yu, who was hiding in the dark, could not help but sigh in relief.

"Wait."

At this moment, Zhai Xing, who had taken a few steps, suddenly stopped.

Everyone stopped and looked at Zhai Xing in puzzlement.

Zhai Xing, on the other hand, was looking in a certain direction.

That direction was the direction of Qin Yu.

Chapter 905: Chapter 905, the secret realm of the Yan Family?

Qin Yu's expression suddenly changed drastically!

He hurriedly lowered his head and restrained his internal Qi to the maximum.

At this moment, Qin Yu's head was covered in cold sweat.

If he was discovered by Zhai Xing, he would definitely die!

Zhai Xing looked in Qin Yu's direction and did not speak for a long time.

"Lord Zhai Xing, What's Wrong?" A marquis from the side asked softly.

Zhai Xing was silent for a moment, then he shook his head and said, “Nothing, let’s go.”

Qin Yu could not help but heave a sigh of relief when he led everyone away.

However, he still did not dare to move recklessly, afraid that Zhai Xing would turn back.

After a full half an hour, Qin Yu finally heaved a sigh of relief after he confirmed that Zhai Xing had left.

“Strange,” Qin Yu muttered in a low voice.

“Could it be that he did not discover me?”

The martial saint’s spiritual sense was extremely sharp. A half-step martial saint could not hide in front of him at all.

Could it be that there was something wrong with Zhai Xing’s spiritual sense?

“Forget it, I don’t want to think about it.” Qin Yu waved his hand.

As long as he was not discovered, it was fine.

Thus, Qin Yu got up, boarded the boatman’s boat, and headed towards the opposite shore.

More than an hour later.

Qin Yu finally successfully landed on the opposite shore.

After getting off the boat, Qin Yu looked at the large mountain forest a few kilometers ahead.

There was a scenic area around this mountain forest. After crossing this scenic area, there was no one there.

Qin Yu did not waste any time. He pressed down his hat and walked quickly to the mountain forest.

Soon, Qin Yu arrived at Jiang he's residence.

Jiang he, who was cultivating, opened his eyes slightly.

He looked in Qin Yu's direction, and a trace of doubt flashed in his eyes.

“Qin Yu?” Jiang he shouted tentatively.

Qin Yu walked out quickly, bowed, and said, “Greetings, senior Jiang He.”

Jiang he was even more surprised.

He stood up from the ground and said, “Why are you here?”

Qin Yu smiled bitterly and said, “I'm here to learn from you.”

Jiang he seemed to have stepped on something.

He stroked his beard and said with a smile, “You want to learn the nine secrets?”

“Yes.” Qin Yu didn't hide anything.

He told Jiang he what had happened during this period of time.

After Jiang he heard it, he was somewhat surprised.

“Yan Ruoxue was taken away? And she seems to be an expert at the Almighty Realm?” Jiang he was also extremely surprised.

Qin Yu sighed and said, “Well, in any case, I have no power to fight back in front of him. I don’t even know how I fainted.”

Jiang he fell into a short period of silence.

A moment later, he stood up and said, “Maybe you can ask Old Mister Yan about this matter.”

At the mention of Old Mister Yan, Qin Yu suddenly thought of something.

“Is she really from the Yan family’s secret realm?” Qin Yu said in surprise.

Jiang he slowly sighed and said, “If he’s really in the Almighty Realm, I’m afraid it’s not a secret realm.”

“What do you mean?” Qin Yu hurriedly asked.

Jiang he waved his hand and didn’t explain.

“By the way, I saw Zhai Xing on the other side just now.” At this time, Qin Yu suddenly thought of something.

Jiang he frowned slightly and said in a cold voice, “Zhai Xing? You met Zhai Xing?”

“I don’t know what to say either,” Qin Yu said with a bitter smile.

He told Jiang he what had happened.

After Jiang he heard it, he didn't say anything for a while.

“With Zhai Xing's ability, it's not a problem for him to find me, but he just took a look and left,”Qin Yu said in a low voice.

Jiang he sighed slowly and said, “He also let me go back then.”

Qin Yu immediately sucked in a breath of cold air.

“He also let you go ? ! What... What the hell is going on ? !”Qin Yu widened his eyes.

Jiang he didn't explain, only saying, “Zhai Xing is a person who cherishes talents. Maybe he wants to let you go.”

After saying that, Jiang he stopped talking about this matter.

“Come, I will teach you the nine secrets now,”said Jiang he.

Qin Yu didn't waste any time and immediately nodded.

“The nine secrets is the ultimate art of Taoism. It's not only in the present world, but also in the immortal cultivation world. It's a top-notch technique,”said Jiang he.

“It's extremely difficult to comprehend this kind of technique. It doesn't depend on talent, but on fate.”

“Only those who are fated can learn the nine secrets.”

Qin Yu nodded seriously and said, “Senior Jiang he, I understand. I'll do my best.”

“Yes. Even if it’s fated, it will take a long time to learn the nine secrets,”Jiang he continued.

“It took me half a month to learn the nine secrets.”

Qin Yu nodded repeatedly. No matter how much time it took, Qin Yu had to learn it.

Therefore, Jiang he didn’t say anything more. He sat cross-legged on the ground and then extended his spiritual sense through the space between his eyebrows.

“My spiritual sense will enter your spiritual sense through your glabella and use it to teach you. Don’t resist at all, or else my spiritual sense might fall out,”Jiang he warned.

“Yes, senior Jiang He.”Qin Yu hurriedly nodded.

That strand of spiritual sense landed on Qin Yu’s glabella.

Qin Yu closed his eyes slightly. Soon, Jiang he’s figure appeared in his mind.

Qin Yu’s mind was filled with a golden light. That golden light transformed into Qin Yu’s appearance and began to receive the teachings of Jiang he’s spiritual sense.

...

In the conference room of the Jingdu Martial Arts Association.

“I was unable to capture Jiang he,”Zhai Xing said in a deep voice.

Gu Xinghe frowned.

“Uncle Zhai Xing, you are at the advanced stage of the Martial Saint Realm. How did a half-step martial saint escape from your hands?” Gu Xinghe could not help but ask in puzzlement.

Zhai xing bowed and said, “Jiang he has mastered the nine secrets. His speed is above mine.”

Upon hearing these words, Gu Xinghe frowned slightly as if he was somewhat suspicious.

“Hehe...”

At this moment, a sinister voice came from the side.

This voice was none other than he teng.

At this moment, he teng had become even stranger. His entire body was wrapped in a black robe, and his body emitted a rotten aura.

“I once saw Lord Zhai Xing’s figure in an ancient book...” He Teng said with a sinister tone.

“According to the ancient book, Lord Zhai Xing had many followers back then, and most of them were young geniuses. The book says that you are a person who cherishes talents very much...”

“It is precisely because of this reason that the Guardian let you off. I didn’t say that, did I, Lord Zhai Xing...”

Zhai Xing glanced at he teng coldly and said, “What do you want to say?”

He Teng said with a strange voice, "Back then, you seemed to have let Jiang he off once, making Jiang he, who should have died at your hands, become the number one person below the martial saint..."

"What exactly do you want to say?" Zhai Xing's tone was also somewhat cold.

He Teng said with a smile, "Lord Zhai Xing, you should know what I want to say in your heart..."

Zhai Xing narrowed his eyes. He suddenly stretched out his hand and slapped toward he teng!

He Teng's body was instantly sent flying and he crashed into the wall!

A mouthful of blood spurted out from his mouth like a fountain!

"Who do you think you are? How dare you talk nonsense in front of me," Zhai Xing said coldly.

"If the person in your body still wants to live, then pay attention to the tone in which you speak to me."

Hearing this, he teng's body trembled slightly.

He got up from the ground and cupped his hands to look at Gu Xinghe.

"Young master Gu, leave Jiang he's matter to me, how about it?" He Teng said darkly.

Gu Xinghe raised his brows and said with some amusement, "You? A half-step martial saint went to capture Jiang he?"

“Under the same realm, why should I be afraid of him...”he teng said in a hoarse voice.

Gu Xinghe’s interest was piqued.

“Okay, if you can catch Jiang he, I will reward you handsomely!”Gu Xinghe said excitedly.

“No need... you just need to let me handle Jiang he...”he teng said.

Gu Xinghe thought for a moment and nodded. “Okay! But I will only give you three days!”

“Okay, three days is enough,”he teng said coldly.

Chapter 906: Chapter 906, the power of the nine secrets!

With that, he teng stood up and walked out of the meeting room.

Zhai Xing looked at He Teng’s back as he left. He didn’t say a word.

...

On the other side, Qin Yu was still receiving Jiang he’s teachings.

The nine secrets was an extremely mysterious technique. Any one of them could be considered a top-notch secret technique, and it would greatly increase one’s battle prowess.

Jiang he used Qin Yu’s spiritual sense to impart almost everything he had learned in his life to Qin Yu.

The longer it took, the more shocked Jiang he became!

This was because Qin Yu's speed of receiving the inheritance was simply too fast!

Even the nine secrets did not seem as difficult as the legends said!

"This kid is really a talent," Jiang he could not help but think to himself.

In fact, the process of Qin Yu accepting the inheritance was also extremely painful.

It was as if he had to eat ten steamed buns in one go, making Qin Yu feel a strong sense of fullness.

His forehead was constantly sweating, and his head felt extremely swollen.

But even so, Qin Yu didn't show any signs of stopping.

"If it really doesn't work, then let's Rest for a while." Jiang he could see Qin Yu's pain.

However, Qin Yu hurriedly shook his head and said, "There's no need. Senior Jiang he, the faster you learn it, the safer you'll be."

Seeing this, Jiang he didn't say anything more.

In the blink of an eye, a week had passed.

And Qin Yu had already learned the eight secrets of the nine secrets!

Those who were about to fight all had multiple rows!

And what Qin Yu lacked was the last secret, the line formula!

Buzz

Just as Qin Yu was comprehending the ninth secret, his head suddenly buzzed, and half of his head seemed to explode!

Under this impact, Jiang he's spiritual sense also fell out.

Qin Yu only felt that the world before his eyes was dark, and he felt nauseous.

He fell to the ground, waved his hand, and said, "No, I'm afraid I can't comprehend the ninth secret in one go."

Jiang he stood up, stroked his beard, and said, "Comprehending the eighth secret in one week, this speed is already a bit too much."

Qin Yu smiled bitterly. Even if he wanted to persist, his body could not hold on any longer.

"You can try to use the nine secrets that you have already comprehended," Jiang he said faintly.

Qin Yu hurriedly nodded.

He slowly stood up and then tried to fight the fighting word formula of the nine secrets!

Fighting word formula was said to have a great increase in strength!

When using fighting word formula, one's strength could increase by more than ten times!

The 'fighting' formula was also divided into stages, ranging from grade one to grade nine.

When one comprehended the ‘fighting’ formula to grade nine, one’s strength would increase by several times or even a hundred times!

Although that was the case, the growth rate of any one of the nine secrets was extremely slow. Almost no one could comprehend it to a hundred times!

Even Jiang he, who had possessed the nine secrets for many years, was only a grade one ‘fighting’ Formula Now!

“If I can cultivate the battle character to the peak, even if I can’t become a martial saint, I can still fight against a martial saint.” Qin Yu looked at Jiang He.

Jiang he nodded slightly and said, “That’s the reason. You Don’t need to comprehend to grade nine, you can just comprehend to grade three.”

“Of course, the difficulty of comprehending to grade three is no less than becoming a martial saint.”

Qin Yu nodded slightly and said with a smile, “No matter what, with the battle character, you also have more ways to earn a living.”

After saying that, Qin Yu did not say anything more. He immediately tried to activate the internal Qi!

Qin Yu’s hands slowly slid in the air. Then, in his palms, a large word condensed: battle!

The moment the internal Qi was activated, Qin Yu felt his aura rapidly increase!

Under this aura, Qin Yu’s strength increased by more than ten times!

“Such powerful strength!”Qin Yu lowered his head and looked at the internal Qi that erupted from his body. He couldn’t help but widen his eyes!

Under the enhancement of the fighting word formula, who knew what kind of power would burst out when he used one punch to break ten thousand arts!

Qin Yu slightly adjusted the internal Qi in his body. The golden light on his body also burst out.

“Ha!”

As Qin Yu lightly shouted, his strength gathered on his fist and he suddenly punched forward!

“Boom!”

More than half of the mountain forest was destroyed in an instant!

The entire mountain collapsed in an instant!

This made Qin Yu’s eyes widen!

He lowered his head to look at his fist and said in a low voice, “Is this really my power?”

Jiang he smiled bitterly and said, “That’s enough. If you throw another punch, I’m afraid I Won’t be able to hold anyone here.”

Qin Yu scratched his head in embarrassment. He felt the surging power in his body and was instantly filled with confidence.

“Senior Jiang he, with the augmentation of the battle word formula, do you think I can try to fight the Martial Saint?”Qin Yu asked.

Jiang he shook his head and said, “Theoretically speaking, this is impossible because the martial saint has given birth to the nascent soul, but the nascent soul stage is completely different from the aurous core stage.”

Qin Yu nodded slightly and muttered, “That being said, but under the blessing of this power, I really want to have a fight with the martial saint.”

“Try to avoid it as much as possible.”Jiang he waved his hand and said.

As he was speaking, Qin Yu suddenly felt that the power of the battle word formula was rapidly disappearing.

Qin Yu’s expression changed and he frowned and said, “Senior Jiang he, what... What is going on? My Power...”

Jiang he smiled and said, “It’s enough for you to last five minutes for such a heaven-defying spell.”

“That’s true...”Qin Yu muttered in a low voice.

Any increase in strength brought by a spell did not belong to him in the end. There would always be a moment when it disappeared.

“But this is enough,”Qin Yu said with a smile.

“If I have time, I have to try to improve the battle character technique more.”

As they spoke, the expressions of Qin Yu and Jiang he changed slightly.

Both of them felt a strange and powerful internal Qi at the same time!

“Someone is coming!”Qin Yu and Jiang he said almost at the same time!

Jiang he said in a deep voice, “Hide.”

Qin Yu grunted. Just as he was about to find a place to hide, he Teng’s voice came from all directions.

“Keke... So Qin Yu is here...”He Teng’s sinister voice entered the duo’s ears.

“It seems like Star Harvester’s sin is even greater than we imagined...”

“Not only did he let Jiang he off, he also protected Qin Yu...”

As he spoke, he Teng’s figure appeared in front of the duo.

Qin Yu narrowed his eyes and said with a cold expression, “He teng, it’s actually you!”

He Teng licked his lips and said, “TSK tsk, you two geniuses... I think you will improve me beyond my imagination....”

Chapter 907: Chapter 907, Battle He Teng Again!

At this moment, he teng looked at the two of them greedily.

Facing the famous Qin Yu and Jiang he, he teng did not panic at all!

“He Teng, are you here to court death?”Qin Yu took a step forward and said coldly.

He Teng licked his lips and said with a smile, “Qin Yu, all the Martial Saints in the world are looking for you. I didn’t expect you to hide in this place...”

Qin Yu sneered and said, “That’s why I can’t let you leave today.”

“Hahahaha!”

Hearing this, he teng could not help but burst into laughter.

His face was full of arrogance, and the strange internal Qi on his body kept surging.

“Today, I was ordered by the Jingdu Martial Arts Association to kill Jiang he, but I never thought that there would be unexpected gains,”he teng said with narrowed eyes.

Qin Yu couldn’t help but frown.

To Kill Jiang he ?

Jiang he was famous, and everyone in the world knew of his reputation, but this he teng actually wanted to kill Jiang he ?

At this moment, Jiang he took a step forward and said indifferently, “I knew that the Jingdu martial arts association would not give up, but I didn’t expect that the Jingdu Martial Arts Association would look down on me so much.”

He teng sneered, “You are looking down on me! Jiang he, don’t think that you are invincible just because you are the number one person in the world!”

“You must know that there are many ways to increase your strength! It is not just cultivation!”

“Is that so? Then let me experience it.” Jiang he slowly walked forward with an extremely calm expression.

“Senior Jiang He, leave it to me. I have an old grudge with this person,” Qin Yu said coldly.

Before Jiang he could answer, Qin Yu had already walked forward.

He looked at he teng coldly and said, “I’ve already let you escape many times. This time, I Won’t give you another chance.”

He Teng narrowed his eyes and said, “Qin Yu, I also want to experience your abilities.”

Qin Yu didn’t waste any words. He raised his hand and unleashed the absolute beginning Holy Fist!

This fist was wrapped in golden light and an invincible internal QI. It was like a full moon as it ruthlessly smashed toward He Teng’s face!

He Teng was not in a hurry. He stretched out a skinny palm from his black robe to meet Qin Yu!

“Boom!”

A huge explosion sounded between the two of them!

He Teng’s body retreated countless steps, and half of his arm was directly blasted through!

He fell to the ground, revealing his ghastly white bones under his black robe.

“As expected of a chaotic body. It is really beyond imagination...”he teng said with a sinister tone.

Qin Yu looked at he teng coldly and could not help but mock, “With this little ability, you dare to boast shamelessly?”

He Teng climbed up from the ground. His broken arm began to recover in the blink of an eye. His speed was far beyond imagination.

“If I only had this little ability, why would I come here alone...”he teng said sinisterly.

As he spoke, black qi burst out from his body.

This Black Qi was extremely difficult to deal with. It smelled like rotten eggs.

Qin Yu could not help but cover his nose and took a step back.

“This internal QI is poisonous. Be careful,”Jiang he reminded him from the side.

Qin Yu nodded and looked at he teng coldly. The aura of a half-step martial saint burst out instantly!

As long as he teng had not stepped into the martial saint stage, Qin Yu would not be afraid at all!

Under the cover of that mass of Black Qi, he Teng’s aura was also increasing strangely!

A mass of black qi was lingering around his every move!

In just a moment, he Teng's strength had increased by a few points and he was almost approaching the martial Saint Stage!

Qin Yu could not help but be shocked when he sensed the aura from his internal Qi!

“What a powerful internal Qi.”Qin Yu frowned and said.

Jiang he said in a deep voice, “It's the thing inside his body that's causing trouble. This internal QI is already close to the martial saint stage.”

A trace of seriousness also appeared on Qin Yu's face.

“Hehehe...”he teng's mouth emitted waves of strange smiles.

His body was enveloped by the black qi and it was impossible to see his real body clearly. The balls of black qi spread in all directions and covered more than half of the mountain forest.

“Qin Yu, it's time to end the grudge between us...”he teng let out a roar.

Qin Yu was about to speak when he suddenly felt his legs become extremely heavy as if they were filled with lead!

He did not dare to think too much and immediately lowered his head to look at his legs.

He saw that his legs were tightly wrapped by the black gas, and he could not move at all!

“What is this thing?”Qin Yu frowned slightly.

He was about to speak when he sensed a hint of danger!

“Be careful!” Jiang he’s concerned voice sounded in his ears!

Before Qin Yu could raise his head, a Big Black Hand smashed on Qin Yu’s face!

“Bang!”

The slap landed firmly on Qin Yu’s face. The fierce force was mixed with a poisonous gas, causing Qin Yu’s face to feel a burning pain

“Hehe... didn’t anyone tell you that you shouldn’t be distracted in a life-and-death battle?” He Teng’s strange voice seemed to come from all directions.

Qin Yu wiped his face, and his hands instantly turned red.

His face seemed to have been fractured, and the flesh and blood on his face seemed to have been shattered.

“What kind of strange move is this?” Qin Yu frowned.

He did not dare to be negligent. At that time, he released his spiritual sense to cover his surroundings.

“Boom!”

At this moment, another wave of killing intent came from Qin Yu’s back!

Qin Yu wanted to turn around to receive the attack, but his legs were firmly grabbed, and he could not move at all!

“Puchi!”

In an instant, it was as if thousands of sharp blades had pierced into Qin Yu's back!

The tearing pain mixed with the burning pain caused Qin Yu to involuntarily let out a moan!

“Qin Yu, is that all you have...”

He Teng's face appeared in front of Qin Yu.

Qin Yu stretched out his fist to smash at He Teng, but the Fist went straight through his face!

“What a strange move!” Qin Yu's face could not help but change!

The most important thing at the moment was to get rid of this restraint as soon as possible, otherwise, Qin Yu would become a target to be hit!

Thinking of this, Qin Yu took a deep breath.

He adjusted his internal QI and pushed it to the limit!

A destructive power spread out from Qin Yu's body!

This power gushed out like a volcanic eruption. For a moment, he teng and Jiang he were both shocked!

“You can't break it,” he teng said coldly.

However, before he could finish his words, the black gas that was binding Qin Yu's feet was immediately dispersed!

Balls of golden light that were like flames wrapped around Qin Yu.

Under this Golden Light, Qin Yu's hair turned golden!

This was the first time he had unleashed all of his strength since he had stepped into the half-step martial saint realm.

Even Qin Yu himself was a little surprised by this powerful strength.

“Ever since I've stepped into the half-step martial saint realm, I really don't know what kind of battle prowess I can unleash...”Qin Yu muttered in a low voice.

He looked at the face that had gathered in front of him and said coldly, “I'll use you as an experiment today.”

My Rich Wife – Chapter 908 –

Chapter 908: Chapter 908, activate the battle word technique!

Qin Yu felt the abundant internal Qi in his body. At this moment, he was extremely confident.

However, he knew clearly in his heart that the He Teng in front of him was definitely not simple. He was much more powerful than he had imagined!

Even Qin Yu felt his heart palpitate when he sensed the internal Qi that was close to that of a martial saint!

He Teng looked at Qin Yu coldly. No one knew what he was thinking.

“This body... is really wonderful...”that hoarse voice sounded from he teng’s body again.

“If it’s possible, take his body...”

He Teng snorted lightly.

Take his body?

If he really took Qin Yu’s body, wouldn’t he be abandoned?

When he thought of this, he Teng’s hatred towards Qin Yu increased by a few points!

They were both geniuses, but in front of Qin Yu, his glory was no longer worth mentioning!

“Qin Yu...”He Teng’s eyes narrowed slightly.

“I’ll let you become my fodder!”

Along with He Teng’s furious roar, his body quickly emerged from the black fog and turned into a physical form!

He Teng seemed to want to fight head-on with Qin Yu in terms of strength! He wanted to use his internal Qi that was close to a martial saint to defeat Qin Yu!

The two of them instantly trembled. The collision of their physical bodies and the clash of their cultivation techniques caused the scene to emit waves of terrifying explosive sounds!

The sound spread in all directions, and wherever it passed, everything turned into dust!

“Boom!”

With a clash of fists, the two of them retreated several steps at the same time!

Traces of shock appeared in the hearts of both parties!

“What a terrifying power!” Both of them whispered at the same time!

“Go to hell!”

He Teng was the first to attack. He relied on his internal Qi that was close to the martial saint stage and rushed towards Qin Yu like a raging storm!

Qin Yu did not dare to be negligent. He raised his hand and unleashed the absolute beginning holy fist. At this moment, the power of the Divine Dragon also erupted!

As Qin Yu's realm increased, the power of the Divine Dragon seemed to increase as well!

With the support of the power of the Divine Dragon, the two of them were unable to determine who was stronger!

The more he fought, the more shocked he became. He knew his current strength very well!

That was an ability that was close to a martial saint!

However, even so, he was unable to easily take down Qin Yu. How could he not be anxious!

"If this child were to become a martial saint, how terrifying would he be?" That hoarse voice sounded in his mind.

Although he did not want to admit it, it was the truth.

"Boom!"

After a round of fist and Foot Exchange, cracks appeared on Qin Yu's body!

He Teng's condition was not any better. His body was smashed into the black fog and he could not walk out for a long time.

Qin Yu stared at the Black Fog not far away and his expression became increasingly grave.

In a short period of time, it seemed that the two of them were evenly matched.

But he Teng was taking the initiative to fight with his body!

If he avoided the advantage of his body, the gap between the two would instantly widen.

“Keke Keke...”

He Teng’s strange voice once again came from all directions.

This black fog seemed to be his body!

Qin Yu hurriedly swept his surroundings, and his body ignited with spiritual fire.

“No wonder the Jingdu martial arts association values you so much. Your strength really can not be underestimated...”he teng muttered in a low voice.

“In the face of the invincible martial saint, if you step into the martial saint realm, the Jingdu Martial Arts Association might really become history...”

“If you want to fight, then fight. There’s no need to talk nonsense,”Qin Yu said coldly.

“Hehehe...”

He Teng’s strange voice pierced straight into his ears.

“I can be considered to have rendered meritorious service to the Jingdu Martial Arts Association...”

Qin Yu frowned slightly. Just as he was about to speak, the surrounding Black Fog suddenly surged towards Qin Yu!

Balls of black fog arrived in front of Qin Yu in the blink of an eye!

Qin Yu's vision instantly turned pitch black, and a foul smell pierced straight into his nostrils.

He covered his nose and shouted, "He teng, come out if you have the ability!"

"I am right in front of you..." He Teng said darkly.

"And you... are about to be swallowed by me..."

As he spoke, the black fog covered Qin Yu's body!

The Black Fog stuck closely to Qin Yu's body like a huge abyss mouth, as if it was going to Swallow Qin Yu!

Qin Yu did not dare to be negligent. He shouted loudly and punched forward with both fists.

Under Qin Yu's fists, the black fog dispersed in all directions, but in the blink of an eye, it condensed again!

"Not good!" Qin Yu had a bad premonition in his heart!

This black fog was too strange!

Qin Yu hurriedly urged the shrinking ground to become an inch, intending to pull away, but the black fog was tightly lying on Qin Yu's body, unable to move at all!

"Oh no!" Qin Yu could clearly feel that his movements were being restricted bit by bit, and his speed was also becoming slower and slower!

No matter how Qin Yu struggled, he was unable to stop the erosion of the Black Fog!

In the blink of an eye, Qin Yu's entire body was enveloped by the Black Fog!

Looking from the outside world, one could only see a huge and strange black ball!

And in the middle of this black ball was Qin Yu!

Jiang he could not help but frown. He tried to break through this level of black fog from the outside, but all of his moves quickly disappeared after entering the Black Fog!

In the Black Fog, Qin Yu struggled desperately.

His body was rotting bit by bit.

His skin, bones, and even his spiritual sense seemed to be merging into the Black Fog!

This was the devouring technique he teng was talking about!

“Ah! ! !”

Qin Yu raised his head and roared furiously. His internal Qi erupted, wanting to forcefully break through the layers of Black Fog!

But unfortunately, under the Black Fog, Qin Yu was unable to use any of his cultivation techniques!

His body was being devoured bit by bit.

First, his arm was broken bit by bit. Then, the sparkling and translucent white bones also used wisps of black light to disperse into the black fog.

“Comfortable... comfortable! This is the feeling! Devour him completely and turn him into my nourishment!”

He Teng’s voice continued to roar in the black gas!

“Ah! ! !”Qin Yu’s face also began to be eroded!

If this continued, Qin Yu might really be completely corroded by the black gas!

His arms were gradually bound, and his physical body even lost the ability to move.

Every part of his body was turning into black light, merging into he Teng’s Black Qi.

In the blink of an eye, half of his body was about to disappear!

“It’s useless, stop struggling. You should be happy that you can become my nourishment...”he teng sneered.

“Don’t worry, I will make good use of your strength...”

How Could Qin Yu listen to his Bullsh * t? He gritted his teeth and tried his best to mobilize the internal QI in his body.

“Dou... Dou character formula!”

At this critical moment, Qin Yu used all the strength in his body to activate the Dou character formula of the nine secrets!

The Dou character formula could provide at least ten times the strength!
The effect it brought was extremely terrifying!

Chapter 909: Chapter 909, the clash erupted

The abundant power brought about by the ‘Dou’ formula instantly pulled the Dying Qin Yu Back!

His eyes erupted with a brilliant light, and the internal Qi from his body surged to the extreme!

“Boom!”

A Ray of golden light shot out from the Black Fog, splitting the black ball into two!

The soaring light was incomparably dazzling, and all the black fog disappeared in an instant!

Qin Yu walked out of the black ball, and the wounds on his body were healing bit by bit!

Puff

The surrounding Black Qi slowly disappeared, and he teng’s figure appeared in front of everyone again!

He spat out a mouthful of blood, and his internal Qi became somewhat chaotic.

“What kind of spell is this? !”He Teng looked at Qin Yu, and his eyes were full of shock.

Qin Yu said coldly, “Nine secrets, fighting formula!”

“Nine secrets!”The hoarse voice from He Teng’s body came out, and there was shock in his voice!

He Teng's face was also extremely ugly. He wiped the corner of his mouth and said coldly, "The nine secrets of Taoism... indeed lives up to its reputation..."

Qin Yu said coldly, "Stop talking nonsense, I will kill you right now!"

After saying that, Qin Yu stepped on the ground and shrunk into an inch, charging towards he teng!

However, at this moment, he teng wanted to temporarily dodge the attack. He turned into a black fog and hurriedly retreated!

"Retreat. The nine secrets is the most mysterious spell in Taoism. You Can't beat him." That hoarse voice sounded in he Teng's mind.

A trace of unwillingness flashed across He Teng's face. He gritted his teeth and cursed, "Damn it... just a little bit, just a little bit!"

"There are plenty of opportunities... Let's retreat."

He Teng had no choice. His body turned into a cloud of black fog and dispersed in all directions.

Qin Yu frowned slightly. He hurriedly cast a spatial spell to seal off the surroundings.

Unfortunately, the spatial spell that Qin Yu cast was merely a few spatial barriers. It was too far from the martial saint's internal Qi. It could not stop the flow of Qi at all.

In the blink of an eye, the black fog had disappeared in front of the two of them.

"We let him escape again." Qin Yu could not help but feel a little angry!

This was already the third time he had escaped from his hands!

“If that’s the case, I’m afraid your position will be exposed,”Jiang he reminded from the side.

Qin Yu nodded. He quickly looked at Jiang he and said, “Senior Jiang He, hurry up and teach me the line formula. We don’t have much time.”

Jiang he did not waste any time. He sat cross-legged on the ground and began to teach Qin Yu the last secret of the nine secrets, the line formula.

On the other side.

He Teng sped toward the Jingdu Martial Arts Association.

On the way, he teng took out his phone and dialed Gu Xinghe’s number.

After the call was connected, Gu Xinghe said with some amusement, “How was it? Did you catch Jiang he?”

“No.”He Teng did not hide anything.

Gu Xinghe sneered, “Didn’t you boast? Why, is this the result you gave me?”

He teng sneered, “It’s true that I didn’t catch Jiang he, but I have more important news to tell you.”

“Oh?”Gu Xinghe raised an eyebrow.

He Teng said coldly, “I met Qin Yu. He is at Jiang he’s residence.”

“What! ?”Gu Xinghe was shocked!

He teng continued, “I fought with him. If it wasn’t for Jiang he, I would have caught him!”

“Also, Qin Yu’s residence wasn’t a short while, because Qin Yu learned Jiang he’s nine secrets.”

“As for why Master Zhai Xing didn’t meet him, I’m not sure.”

After saying this, he teng hung up the phone.

Gu Xinghe’s expression was somewhat cold.

If what he Teng said was true, then it was enough to prove that Zhai Xing had really let Qin Yu and Jiang he go on purpose.

Thinking of this, Gu Xinghe’s expression became even colder.

“Go, Call Zhai Xing over,”Gu Xinghe said coldly.

Not long after, Zhai Xing brought the two martial saints to Gu Xinghe’s office.

“Young master Gu.”Zhai Xing bowed slightly.

Gu Xinghe looked at Zhai Xing coldly and said, “Uncle Zhai Xing, I understand your intention to let Jiang he off, but why did you let Qin Yu Off?”

Zhai Xing’s expression changed slightly. He frowned and said, “I didn’t. I didn’t meet Qin Yu at all.”

Gu Xinghe snorted coldly and said, “Then why did Gu Xinghe say that Qin Yu was at Jiang He’s residence? How are you going to explain it to me?”

“He’s lying,”Zhai Xing said expressionlessly.

Gu Xinghe was angry and anxious, but there was nothing he could do to Zhai Xing.

“Alright, I believe you.”Gu Xinghe stood up.

“Come with me now and find Jiang He!”

“This time, I want to see you kill him with your own hands!”

...

On the other side.

Jiang he was teaching Qin Yu the Xing character Mantra.

However, both of them were not in a good state of mind, so Qin Yu’s speed of comprehending the ‘xing’ character formula was much slower.

A few minutes later, Qin Yu and Jiang he opened their eyes at the same time.

“No,”Jiang he shook his head and said.

“Both of us are in a state of anxiety, so we can’t comprehend it at all.”

Qin Yu nodded and said, “Yes, I’ve also realized it.”

At this point, Qin Yu stood up and said, “Senior Jiang he, let’s go somewhere else.”

“Go somewhere else? Where to?” Jiang he asked in confusion.

“A secret realm.” Qin Yu took a deep breath.

“I’ve found a secret realm. I’ve been hiding in that secret realm all this time.”

“Also... the Qi/spiritual energy in that secret realm is beyond imagination! Senior Jiang he, with your talent, you can enter the martial saint realm in that secret realm!”

Jiang he’s state of mind could be said to be extremely strong. Not many people in this world could be compared to him!

What he lacked was just enough resources! This was also the reason why the Jingdu Martial Arts Association was afraid of him!

“Is what you said true?” Jiang he asked.

Qin Yu nodded and said, “It’s absolutely true.”

Jiang he stroked his beard and said, “Indeed, I should step into the martial saint realm as soon as possible. Sooner or later, conflicts will erupt between the current world and the secret realm. Without the martial saint, the martial artists in this world will slowly lose the right to speak.”

“Senior Jiang he, let’s hurry up and leave. Don’t waste any more time.” Qin Yu urged.

Jiang he did not say anything more. He immediately followed behind Qin Yu and left this place.

Just as Jiang he had guessed, the conflicts between the martial artists of this world and the martial artists in the Mystic Realm were increasing.

And the number of disciples that came out from the various mystic realms was also increasing.

Right at this place, in the martial arts academy in Jingdu.

Zhuang Teng and Chu Heng had a conflict with the three disciples from the secret realms.

“Why should I give up my house to You?”Zhuang Teng looked coldly at the youth in front of him.

The youth sneered, “Because I like it. Isn’t this reason enough?”

“You’re courting death!”As a young master of Jingdu, he had never suffered this kind of anger!

A great battle immediately broke out between the two sides, but several disciples from the secret realms rushed forward and severely injured Zhuang Teng and Chu Heng!

This matter quickly spread, and everyone from the martial arts academy came when they heard the news.

The many young masters of Jingdu and the disciples from the secret realm formed a confrontation between two factions.

The two sides looked at each other, and a great battle was about to break out.

Chapter 910: Chapter 910 had been discovered? !

The conflict between the two parties began to escalate within a few days.

From this day onwards, the current martial artists and the disciples who had walked out of the secret realm had been in constant conflict.

Not only that, the seven martial saints had also started to become more rampant.

They had occupied almost all the resources and suppressed the current martial artists many times.

Zhuang Teng, who was the first to bear the brunt of the attack, was severely injured by the genius disciples who walked out of the mystic realm.

The Zhuang family.

Zhuang Teng lay on the bed, looking Haggard.

He spat out a mouthful of blood from time to time, and his face was extremely pale.

Chu Heng and the others who were guarding in front of him all had extremely ugly expressions.

“Damn it!”Kong Yun, who had the most fiery temper, could not help but curse angrily.

He stood up with a ‘bang’and said coldly, “We must not let them be so arrogant! When have we ever suffered such humiliation!”

After saying that, Kong Yun stood up and was about to leave.

“Where are you going?” Chu Hedao pulled Kong Yun back.

Kong Yun said coldly, “I’m going to teach them a lesson!”

“Forget it. They have more people and are more powerful. Don’t provoke this bad luck,” someone at the side advised.

Kong Yun sneered, “If I let them ride on my head and shit, I won’t Be Kong Yun Anymore!”

After saying this, Kong Yun turned around and left.

Within the Jingdu Martial Academy, a great battle quickly erupted!

The great battle between Kong Yun and the disciples in the secret realm spread throughout more than half of Jingdu!

This great battle lasted for a full three hours. Kong Yun’s body was covered in blood, and his blood splattered across the sky. In the end, he was even carried back by someone!

Ever since then, the disciples of the aristocratic families became even more desperate.

“Even Kong Yun lost to them. I don’t know who else can stand out.”

“I don’t know if Yan Jinyao and Qin Yu can win against them.”

“Forget about the two of them. With Yan Jinyao’s temper, he wouldn’t meddle in other people’s business. Besides, no one would bully them.”

“As for Qin Yu? He can’t even protect himself now.”

“...”

The martial arts world of the current era had been greatly impacted, and the conflicts between the two sides were still accumulating.

...

At this moment, Qin Yu and Jiang he were rushing to the mystic realm.

The two of them moved separately, and Qin Yu was extremely careful along the way.

He restrained his internal Qi and tightened his hat, afraid that he would be discovered.

Even though Qin Yu had used the shrinking earth technique, it still took him eight hours to reach the secret realm.

On the other side, Qin Yu and Jiang he had just left when Gu Xinghe and Zhai Xing arrived.

They checked around, but did not find the two of them.

Gu Xinghe stood in Jiang he's courtyard for a long time. After a moment, he sniffed and said coldly, "We haven't gone far yet. We can still catch their internal Qi."

After saying that, Gu Xinghe looked at Zhai Xing and the others and said coldly, "Chase after them!"

Zhai Xing did not dare to say anything. He quickly followed Qin Yu and Jiang he's internal Qi and sped away.

...

In front of the secret realm.

Jiang he had arrived at this place early in the morning.

Looking at this scene, which was like a purgatory on Earth, a trace of sadness flashed across Jiang he's face.

Although he had heard about this long ago, when he saw it with his own eyes, he was still greatly shocked.

“All of this was done by the Wan Gu Qiong.”Qin Yu glanced around, a trace of pain flashed across his face.

“Sooner or later, one day, I will personally destroy the Wan family's Secret Realm!”

Jiang he patted Qin Yu's shoulder and said, “When you have enough strength, everything will be different.”

Qin Yu didn't say anything more. He walked to the front of the secret realm and slowly opened it with the secret key.

“Senior Jiang he, please.”Qin Yu bowed and said.

Jiang he grunted and followed Qin Yu into the secret realm.

Li Yu had not left the secret realm.

Looking at the two people who suddenly came, Li Yu quickly walked over.

“Jiang he?”Looking at Jiang he who was beside Qin Yu, Li Yu hurriedly bowed and greeted him.

“Why Are You Back?”Then, Li Yu looked at Qin Yu with some surprise.

Qin Yu waved his hand and did not explain.

He looked at Jiang he and said, “Senior Jiang he, this is the secret realm that I Found.”

Jiang he took a deep breath and felt the Qi/spiritual energy from the secret realm.

“Such dense qi/spiritual energy, I have never seen it in the world.”Jiang he could not help but mutter in a low voice.

Qin Yu said in a low voice, “Senior Jiang He, why don’t you cultivate here? With your talent, it shouldn’t be difficult for you to enter the Martial Saint Realm.”

“That’s right. In this current era, the people who have the most hope to enter the martial saint realm should be senior Jiang he and Officer Ye.”Li Yu also said.

Jiang he shook his head in response to this.

He said in a low voice, “Ye Qing’s talent is above mine, but his ambition is not here.”

Qin Yu nodded slightly. He could also feel it.

Compared to ye Qing, Jiang he seemed to have a purer understanding of martial arts.

Then, the two of them did not waste any more time.

Jiang he also began to teach Qin Yu the last secret of the nine secrets. It was also the most important secret to Qin Yu right now.

...

Gu Xinghe, Zhai Xing, and the others followed Qin Yu and Jiang he's internal Qi and rushed all the way to the Jade Moon Villa.

As an advanced stage martial saint, Zhai Xing's spiritual sense was extremely sharp.

Even though Qin Yu and Jiang he had restrained their internal Qi, they still could not escape his sharp spiritual sense.

The few of them followed behind Zhai Xing and walked all the way to the vicinity of the secret realm.

Standing near this secret realm, Zhai Xing could not help but sniff.

"Where are they?" Gu Xinghe asked coldly.

Zhai Xing glanced at Gu Xinghe and frowned. "That's strange. Their internal Qi has disappeared here."

"Disappeared?" Gu Xinghe could not help but snort.

"Internal Qi can disappear into thin air?"

Gu Xinghe looked at Zhai Xing with suspicion.

Zhai Xing said in a low voice, "Their internal Qi has indeed disappeared here. I don't know why."

Gu Xinghe narrowed his eyes and said, "Uncle Zhai Xing, my father trusts you very much, and I have always treated you as my own uncle."

“Then, you and I both know what kind of impact Jiang he and Qin Yu will bring to the Jingdu Martial Arts Association. You should also know which side is more important.”

Zhai Xing knew what Gu Xinghe meant. He took a deep breath, bowed, and said, “Young master Gu, what I said is true.”

Gu Xinghe stared at Zhai Xing as if he wanted to see through him.

“Do you think... They have escaped into the secret realm?” At this moment, a martial saint beside Zhai Xing asked.

Hearing this, Gu Xinghe’s pupils suddenly constricted!

Secret Realm!

Yes, only by stepping into the secret realm would their internal Qi disappear for no reason!

Thinking of this, Gu Xinghe hurriedly said, “Quick, call du Xuanyu over and have a good look!”

Chapter 911: Chapter 911, opening the secret realm!

Gu Xinghe looked around coldly with a cold smile on his face.

“They... must be hiding here!” Gu Xinghe said in a low voice.

In the secret realm.

Qin Yu and Jiang he knew nothing about this.

They were still imparting the line formula of the nine secrets unhurriedly.

Qin Yu's speed of comprehending the cultivation method was extremely fast. In just half a day, he had completely comprehended the last secret of the nine secrets.

Qin Yu slowly opened his eyes. He let out a long breath and said in a low voice, "With the 'xing' formula, I can at least save my life."

Jiang he, who was at the side, said, "Even if you have the 'xing' formula, you might not be safe."

Qin Yu frowned slightly and asked with some confusion, "Why?"

Jiang he explained, "When you face a martial saint, if you are not careful, you might be sealed off."

"At that time, no matter how fast you are, you will not be able to escape."

Qin Yu's expression changed slightly.

Jiang he's words were indeed reasonable. The martial saint's use of the space technique was already quite mature.

"Senior Jiang he, is there any way to resolve this?" Qin Yu asked.

Jiang he said in a deep voice, "We can only leave as soon as possible before they seal off the space."

"I understand." Qin Yu nodded.

Then, the two of them stopped talking and prepared to enter closed door cultivation to break through.

Jiang he's talent was extremely high. It was only a matter of time before he wanted to become a martial saint.

On the other hand, Qin Yu planned to continue absorbing the Qi/spiritual energy here and bring his talent to its peak.

In the outside world.

Du Xuanyu was soon moved by this place.

“Young master Gu, what's Wrong?” Du Xuanyu asked.

Gu Xinghe pointed at the blank space in front of him and said, “I suspect that there's a secret realm here. Qin Yu's internal Qi disappeared here.”

Hearing this, Du Xuanyu couldn't help but laugh, “Impossible! I've investigated this place, but I didn't find any secret realm.”

Gu Xinghe turned around and frowned, “Maybe I was careless last time?”

Du Xuanyu continued to wave his hand, “Impossible! Young Master Gu, I am very confident in my professionalism.”

Looking at du Xuanyu's confident look, Gu Xinghe suddenly felt angry.

However, Du Xuanyu was not his subordinate, so he did not dare to act out.

Gu Xinghe took a deep breath and said, “Master Du, please investigate again. If you find anything...”

“I said, Impossible!” However, du Xuanyu rudely interrupted Gu Xinghe.

This completely infuriated Gu Xinghe!

He looked at du Xuanyu coldly and said, “Du Xuanyu, don’t be so shameless...”

Hearing this, Du Xuanyu also said with some displeasure, “Gu Xinghe, pay attention to your attitude when you talk to me. I...”

“Whoosh!”

Before du Xuanyu could finish his words, Gu Xinghe grabbed du Xuanyu’s neck!

He lifted du Xuanyu up into the air and said coldly, “I know you’re sent by the higher-ups, but so what! If you force me into a corner, I can kill you at any time!”

“Wait until I kill you, then I’ll go and apologize to the higher-ups!”

The strength of Gu Xinghe’s hand grew stronger and stronger. Du Xuanyu’s face quickly turned red.

He looked at du Xuanyu in horror and struggled with both of his hands.

However, as a top-tier mystic realm master, his cultivation base was not high. It was not even worth mentioning in front of Gu Xinghe!

“Young Master Gu, forget it.”At this moment, Zhai Xing walked over.

Then, Zhai Xing glanced at du Xuanyu and said, “Master Du, just listen to young master Gu’s orders. As long as you listen to him, he can let you go.”

Du Xuanyu blinked his eyes hurriedly to show his attitude.

Gu Xinghe snorted coldly and released du xuanyu.

Du Xuanyu, who had fallen to the ground, desperately breathed in the air.

Although he was very angry, he didn't dare to flare up.

“Master Du, I'll have to trouble you,”Gu Xinghe said coldly.

Du Xuanyu didn't say anything more. He immediately stood up and continued to inspect the place according to Gu Xinghe's request.

...

In the secret realm.

Qin Yu, who had his eyes slightly closed, was sweating profusely.

“No.”

A moment later, Qin Yu sighed.

He slowly stood up and muttered in a low voice, “With my current state of mind, even if I have qi/spiritual energy, I would not be able to increase my strength by even a little bit.”

Jiang he, who was standing at the side, also opened his eyes slightly.

He placed his hands behind his back and said quietly, “Indeed, stepping into the martial saint realm requires a long period of accumulation. It is almost impossible to achieve it in one go. This is also the reason why martial saints are so precious.”

Qin Yu nodded slightly and said, “Senior Jiang he, I’ll leave this place to you. I should go out and train. It’s no longer beneficial to me.”

Jiang he did not say much about this. He only nodded and sat down again.

Qin Yu slowly walked towards the entrance of the mystery land and planned to leave.

However, at this moment, Li Yu rushed over from the side in a hurry.

“Oh no!” A trace of panic flashed across Li Yu’s face.

Qin Yu frowned and asked, “What happened? Why are you so flustered?”

Li Yu trembled as he pointed towards the direction of the entrance and said anxiously, “Someone is trying to find the mystic realm! I can feel that it’s a top mystic realm master...”

Qin Yu’s expression changed slightly as he muttered softly, “Could it be... Du Xuanyu? !”

As he said that, the entrance in front of him suddenly flashed with a ray of light.

This ray of light immediately made Qin Yu and Li Yu take a step back. The fear on their faces also increased a little!

Chapter 912: Chapter 912, two martial saints!

Qin Yu and Li Yu’s faces turned extremely ugly when they saw the resplendent light that shone from the exit!

“No!”Qin Yu thought to himself that things were not looking good.

He quickly looked at Li Yu and said, “Quick, go and inform senior Jiang he to quickly hide!”

“What About You?”Li Yu asked.

Qin Yu said coldly, “I will think of a way to deal with them.”

Li Yu wanted to say something, but was stopped by Qin Yu’s shout.

Li Yu had no choice but to follow Qin Yu’s request and prepare to inform Jiang he.

But at this moment, the bright lights at the exit began to dissipate.

In a few seconds, the lights disappeared without a trace.

“HM?”The two of them looked at the exit simultaneously.

“What’s going on?”

Qin Yu and Li Yu vigilantly looked at the exit, their faces filled with nervousness.

After a full few minutes, the light didn’t light up again.

“Strange, he actually canceled the inspection,”Li Yu said in a deep voice.

“Canceled? What’s going on?”Qin Yu frowned and asked.

Li Yu guessed, “Could it be that the mighty figure from last time did something?”

Qin Yu's face was instantly filled with astonishment when he heard that.

If that was really the case, then just what kind of strength did this almighty have?

In the outside world.

Du Xuanyu shook his head and said with some displeasure, "There's no secret realm at all. I've checked it out."

Gu Xinghe said with a cold face, "You're not lying to me, right?"

"Why would I lie to You, Young Master Gu? Don't forget that I work for the higher-ups. I also want to kill that Qin Yu," du Xuanyu said with a cold face.

Although he said so, Gu Xinghe still didn't believe him.

He glanced at du xuanyu and said indifferently, "Master Du, you'd better not lie to me. I hate being lied to."

Du Xuanyu snorted and didn't say anything.

"Young master Gu, master du shouldn't lie," Zhai Xing said.

Gu Xinghe snorted and said, "Then why did their internal Qi disappear here?"

Zhai xing guessed, "Perhaps they used some secret technique to conceal their internal Qi."

Gu Xinghe did not express his opinion on this.

He waved his hand and said, "Let's go."

The group left.

After rushing back to Jingdu, Gu Xinghe did not stop there.

He planned to find another mystic realm master to investigate.

And Gu Xinghe's first choice was Li Yu's master.

...

Qin Yu waited in the mystic realm for half a day.

After confirming that there was no one outside, Qin Yu carefully walked out of the mystic realm.

At this moment, Qin Yu was even more curious about the Yan family's mystic realm.

If it was really as Li Yu said, and only the Almighty Realm could repair the mystic realm, then the strength of the Yan family was definitely beyond imagination.

"This Yan family's mystic realm... What kind of existence is it?" Qin Yu took a deep breath.

After thinking about it, Qin Yu planned to find Old Mister Yan and find out.

Therefore, Qin Yu took out his phone and found old Mister Yan's phone number.

After the call was connected, Qin Yu asked for Old Mister Yan's location.

After a conversation, he found out that old Mister Yan was currently in sea city. Therefore, after he hung up the phone, Qin Yu rushed to sea city.

Because Qin Yu could not take any transportation, he could only go to sea city on foot.

This was an extremely long journey. Even for Qin Yu, it would take him several days.

“Alright, I’ll treat it as an experience to train my state of mind.” Qin Yu thought to himself.

...

At the same time, the conflict between the martial artists and the disciples in the secret realm was getting more and more serious.

Under the blessing of the seven martial saints, the disciples of the current age had almost no dignity.

And the reason for the large-scale conflict between the two sides was because of the division of resources.

Ever since someone stepped into the martial saint realm, many new cultivation resources had appeared in the world.

On this day, in a border city in the south, a shocking big mine had exploded!

It was said that this was a big spiritual stone mine. And this spiritual stone could not only be used to forge all kinds of top-tier spiritual artifacts, it could even be used to refine medicine or even directly swallow it!

Every spirit stone contained extremely tyrannical Qi/spiritual energy!

The appearance of a large, ownerless mine naturally attracted the attention of various factions.

These factions included the martial arts clans of the present age, as well as the various aristocratic families from the secret realm!

Martial Arts Forum.

On the day the large mine was revealed, the Jingdu Martial Arts Association issued an announcement:

This large spirit stone mine could be said to be unprecedented, and our Jingdu Martial Arts Association would also take on the role of the distributor to decide where this large spirit stone mine would go.

However, the moment this announcement was issued, it was completely flamed.

“F * ck you, the Jingdu Martial Arts Association and the secret realm are wearing the same pants!”

“For so many years, the resources have been firmly controlled by you in your own hands. Do you think we will still believe it?”

“Power has been earned by ourselves. All revolutions need to be sacrificed. We will never let the JINGDU martial arts association slaughter US AGAIN!”

Seeing all kinds of curses, the Jingdu martial arts association was furious, but there was nothing they could do.

More and more warriors gathered toward the spirit stone mine.

In the dark, there were at least hundreds of warriors lurking there.

The Warriors in the secret realm and the Warriors in the present age seemed to be ready to fight at any time.

...

It took Qin Yu two whole days to arrive at sea city.

According to the address given by old Mister Yan, old Mister Yan was currently living in a single-family villa in the suburbs.

Compared to the Yan family's manor, this villa looked extremely shabby.

However, it was in this shabby place that old Mister Yan began his second rise.

Qin Yu quickly rushed to the vicinity of this villa.

He lowered his hat and released his spiritual sense at the same time, covering a radius of several hundred meters.

After making sure that no one was around, Qin Yu carefully walked into the villa.

In the courtyard of the villa.

Old Mister Yan was watering the flowers.

Seeing that Qin Yu had rushed over, old Mister Yan put down the shower in his hand.

“Qin Yu, the people outside seem to be looking for you and Ruoxue.” Old Mister Yan's tone was somewhat anxious.

“Is Ruoxue really by your side? Is she okay? Is there anything wrong with her body? where is she now? Is she safe?”

Old Mister Yan’s series of questions made Qin Yu not know how to answer.

“I came to find you this time for this matter.”Qin Yu took a deep breath.

“Ruoxue was taken away by someone.”

Old Mister Yan’s expression suddenly changed!

He grabbed Qin Yu’s arm and said anxiously, “Didn’t I say that I want you to take care of her! How did you promise me!”

Qin Yu smiled bitterly and said, “Old Mister Yan, please listen to my explanation. She...”

Before he could finish his words, Qin Yu’s expression suddenly changed!

He only felt a chill on his back and the hairs on his back stood up unconsciously!

This was the instinctive reaction of his body when danger approached!

“Who is it?”Qin Yu hurriedly turned around and looked around.

“Qin Yu, I’ve finally waited for you...”a voice sounded.

Then, he saw Wan Gu Qiong slowly walking out with two martial saints.

Qin Yu did not dare to think too much. He immediately planned to use the line word spell to escape.

However, Wan Gu Qiong did not give him a chance at all. The two martial saints quickly sealed off the space.

“I knew.... you would definitely come here!”Wan Gu Qiong said with a sinister expression.

Chapter 913: Chapter 913, the battle with the martial saint

Qin Yu’s expression instantly turned ugly.

The Cautious Qin Yu had already checked his surroundings before he arrived.

However, he never expected that the martial saint’s technique was far beyond Qin Yu’s imagination.

They had concealed their internal Qi so that Qin Yu could not detect them at all.

Qin Yu took two steps back as a trace of solemnity flashed across his face.

“Qin Yu, this...”

“Old Mister Yan, please stay in the room.”Old Mister Yan was about to speak when he was interrupted by Qin Yu.

Wan guqiong sneered, “At this time, do you still care about others?”

Qin Yu said with a cold face, “Wan guqiong, how do you know my relationship with Old Mister Yan?”

Wan guqiong said sarcastically, “Do you think I’m like those idiots, doing useless work every day like a headless fly? I’ve long investigated your social history.”

Qin Yu took a deep breath.

Wan guqiong’s treachery was beyond imagination.

“Let me ask you. You killed all the people in the Green Moon Villa, right?” Qin Yu said coldly.

Wan guqiong clenched his nails and said indifferently, “Not bad. TSK TSK. They’ve tried all kinds of ways to die.”

“You’re really a beast,” Qin Yu said coldly.

Wan guqiong narrowed his eyes and said, “They died because of you. Compared to us, you’re not much stronger.”

At this point, Wan Guqiong changed the topic and said with a faint smile, “Tell me where Yan Ruoxue is, and I may spare your life.”

Qin Yu sneered and said, “Yan Ruoxue is no longer with me. As for where she went, even I don’t know.”

At this moment, Qin Yu seemed to have thought of something.

He changed his words, “Oh, I heard that Yan Ruoxue went to the secret realm of the Yan family. You can go and take a look.”

“The secret realm of the Yan Family?” Wan guqiong frowned slightly and a trace of confusion flashed across his face.

It was obvious that Wan Guqiong knew nothing about the secret realm of the Yan family.

“Are You F * cking kidding me?”Wan guqiong’s face turned cold.

“The Yan family is a family in the secular world. How could there be a secret realm? !”

Qin Yu couldn’t help but be secretly surprised when he saw this.

Even Wan Guqiong didn’t know about the Yan family’s secret realm? Then what exactly was the Yan family’s secret realm? Or, did they exist or not?

“Qin Yu, I don’t want to talk nonsense with you anymore. I’ll ask you slowly after I beat you into a cripple.”Wan guqiong’s face turned cold.

After he had finished speaking, Wan Gu Qiong took a step back and said with a sinister tone, “Qin Yu, today is the day you must die!”

The two martial saints immediately took a step forward and a wave of killing intent rippled out.

Although their internal Qi did not appear to be very strong, that invisible pressure made it difficult for people to resist.

Qin Yu looked at the two of them with a face full of vigilance. All of his trump cards were revealed in an instant.

This was because Qin Yu knew very well that if he did not treat this martial saint seriously, he would not even have the chance to live.

“Do you still need us to Act?”These two martial saints questioned coldly.

Qin Yu narrowed his eyes and said with a smile, "Of course not. I am willing to go back with you guys."

"This kid is sinister and cunning. Let's cripple him first." Wan Gu Qiong said coldly from the side.

The two martial saints did not say anything else. One of them stepped forward.

Qin Yu had seen this person before. Previously, he had attacked Qin Yu at the exchange meet.

New and old grudges erupted at this moment.

"Qin Yu, last time, you used your Yin Heart to gain all the limelight. You made us lose all our face. This time, I want you to pay back a hundredfold!" This martial saint said coldly.

"Uncle Zhen, don't waste your breath on him. Get Rid of him immediately!" Wan Gu Qiong urged.

The martial saint who was called Uncle Zhen did not say anything else. He took large strides forward and his huge palm covered Qin Yu!

This palm contained immense power and was like a towering mountain that crushed towards Qin Yu!

Before the palm had arrived, the power had arrived first!

That power made one's hair stand on end. It was like a raging wave that caused the ground under Qin Yu's feet to directly shatter!

"One punch to break ten thousand arts!"

Qin Yu did not dare to be negligent in the slightest! With a furious roar, golden light surged out from his entire body along his arm!

All the power was concentrated on a single point on his fist, and then it surged like a tidal wave!

“Bang!”

A brilliant and brilliant golden light, like a blazing pillar of light, ruthlessly smashed towards that palm!

An earth-shattering power erupted in an instant!

Under Qin Yu’s one punch, the palm was actually knocked back repeatedly!

“Ah! ! !”

Qin Yu roared repeatedly as blue veins bulged on his forehead. It was as if he was channeling all the Qi force in his body!

“Boom!”

Finally, that palm that had been condensed by a martial saint was shattered by a single punch!

When Wan Gu Qiong saw this scene, his eyelids twitched and his face turned solemn.

A trace of surprise flashed across Uncle Zhen’s face.

It must be known that an ant below the martial saint stage would be like a completely different world as long as it did not step into the martial saint stage.

However, this ant before him had shattered his palm. How could he not be shocked!

“You have some ability.” Uncle Zhen raised his eyebrows and said with some admiration.

Qin Yu panted heavily, and bean-sized sweat kept dripping down his face.

On the other hand, Uncle Zhen was calm and didn't seem to be injured at all.

“Uncle Zhen, quickly cripple this child!” Wan Gu Qiong urged again.

Uncle Zhen nodded. He looked at Qin Yu coldly and said, “I have to say, you do have some ability, but the current you is still too weak.”

Qin Yu was not in the mood to listen to his nonsense. He quickly mobilized his internal Qi and prepared to receive the next attack.

However, at this moment, Qin Yu spat out another mouthful of blood from his mouth. The world in front of his eyes was spinning as he sat on the ground.

“Damn, the DAO injury actually acted up at this time...” Qin Yu could not help but curse in his heart.

He wiped the blood at the corner of his mouth and got up from the ground.

Qin Yu looked at the martial saint who was not far away with vigilance. He could not help but take two steps back.

Uncle Zhen's palm moved slightly. Waves of internal Qi surged in his palm like a swimming dragon.

His every move seemed to contain the power to overturn rivers and seas. His majestic moves could be completed in a breath's time!

This was the martial saint's ability. It completely surpassed the Martial Marquis' ability!

"Just now, I only used 50% of my strength. This time, I used 80% .. Can you still hold on?" Uncle Zhen grinned, revealing a mouthful of white teeth.

Chapter 914: Chapter 914, Wan family's secret realm

"Rumble..."

A huge hand with an aura that could flatten everything swept towards Qin Yu!

Qin Yu, who had just experienced the torture of a dao injury, was unexpectedly unable to endure it.

Under this enormous force, his legs began to tremble, and his entire body trembled!

"Ah! !"

Qin Yu roared repeatedly, and the power of his fist erupted to the extreme, attempting to forcefully resist this palm strike!

But the moment all of his fist force came into contact with this large hand, it vanished into thin air!

“Rumble!”

Accompanied by a monstrous explosion, that large hand ruthlessly slammed down!

The entire ground instantly stirred up a hundred thousand feet of dust, momentarily obscuring everyone’s line of sight!

Uncle Zhen was extremely confident, but Wan Guqiong was a little worried.

Because there were too many uncertainties on Qin Yu’s body! He escaped time and time again, causing people to start worrying.

The dust gradually dispersed, and Wan Guqiong’s eyes were fixed in that direction.

Qin Yu’s body was covered in blood, and the Golden Light had been shattered.

He fell to the ground like a dead dog.

Seeing this scene, Wan guqiong finally let out a sigh of relief.

He sneered, “Qin Yu, you also have this day!”

Then, Uncle Zhen walked forward and picked up Qin Yu.

“Are you still alive?”Wan guqiong asked.

Uncle Zhen nodded slightly and said, “I can feel the weak breath in his body.”

“Okay.”Wan guqiong couldn’t help but sneer.

“Bring him back to the Wan family’s secret realm immediately. I must find Yan Ruoxue’s whereabouts no matter what!”

Uncle Zhen glanced at Old Mister Yan in the room and said, “What about that old man? Should we get rid of him?”

Wan Gu Qiong was silent for a moment, then shook his head and said, “Forget it. He’s just an old man in his twilight years. There’s no need to create trouble.”

Uncle Zhen didn’t say anything more. He carried Qin Yu and the few of them turned around and left.

Along the way, Qin Yu was in a coma.

But even so, Wan guqiong was still extremely careful.

His eyes looked at Qin Yu from time to time, afraid that Qin Yu would suddenly wake up.

The three of them rushed toward the Wan family’s secret realm. Along the way, they were extremely fast, afraid that others would know that Qin Yu had fallen into their hands.

A few hours later.

The three of them arrived at the northwest border.

In a small city called West Martial City in the northwest, a car slowly drove past and finally stopped at the peak of a mountain range.

Wan Gu Qiong brought Qin Yu down from the mountain.

He lowered his head and glanced at Qin Yu, who was held in Uncle Zhen's hand. He snorted coldly and said, "When we go to the Wan family's secret realm, I have plenty of ways to deal with you."

After saying that, Wan Gu Qiong walked toward the wan family's internal Qi realm.

He placed his palm on the void in front of him and used the secret key to open the Wan family's internal Qi realm.

At this moment, Qin Yu, who was like a dead dog, quietly opened his eyes.

He restrained his internal Qi and looked around, as if he was determining the location.

Buzz

A Ray of light lit up and the entrance of the Wan family's internal Qi realm appeared in front of them.

"That's enough."Wan Gu Qiong said.

Uncle Zhen grunted in gratitude. He was about to enter the Wan family's internal Qi realm with Qin Yu, but at this moment, Qin Yu, who was on the verge of death, suddenly broke free from Uncle Zhen's restraint!

"Eh?"Uncle Zhen's expression changed slightly, and he immediately took large strides forward, wanting to capture Qin Yu!

"Walking formula!"

However, Qin Yu had already been brewing for a long time, so how could he give him a chance!

With the use of the walking formula, Qin Yu's speed instantly reached its peak!

In the blink of an eye, Qin Yu had already fled several kilometers away!

This instantly made everyone present widen their eyes!

“What's Going On!” Wan Gu Qiong roared angrily.

Uncle Zhen frowned and said, “I'm afraid we've been deceived by this kid!”

“Then what the F * ck are you still standing there for? Hurry up and chase after him!” Wan Gu Qiong shouted angrily.

Uncle Zhen did not dare to say anything. The two martial saints quickly chased after Qin Yu.

Wan Gu Qiong gritted his teeth and stood there. The anger on his face made his originally vicious face even more twisted.

“F * ck... The Thing I was most worried about has happened.” Wan Gu Qiong could not help but mutter in a low voice.

“This sinister and crafty bastard...”

Wan Gu Qiong just stood there and waited quietly.

After about half an hour, uncle Zhen returned.

“Where is he?” Wan Gu Qiong asked coldly.

Uncle Zhen shook his head and said, “We didn't catch up. This kid should have learned the nine secrets. His speed is far above ours.”

Wan Gu Qiong took a deep breath and said coldly, “Not only did we fail to catch him, but we also exposed the location of the Wan family’s secret realm... This treacherous bastard!”

“Young Master Wan, what should we do now?” Uncle Zhen asked.

Wan Gu Qiong shook his head and said, “We have already alerted him. If we want to catch him again, I’m afraid it won’t be that easy. We can slowly think of a way.”

Uncle Zhen hummed and said, “Our eyes now should be more focused on the large spirit stone mine.”

Wan Gu Qiong also nodded slightly.

The large spirit stone mine attracted almost all the aristocratic families, and the Wan family was no exception.

...

On the other side.

Qin Yu relied on the internal Qi formula to escape all the way.

Only when his aura was almost exhausted did Qin Yu fall down from the sky.

His internal Qi was completely exhausted, and his entire body crashed into a mountain forest.

Qin Yu collapsed on the ground and couldn’t help but gasp for breath.

“Pu!”

At the same time, Qin Yu felt a sweet taste in his throat, and a mouthful of blood spurted out.

“That was close...”Qin Yu muttered softly.

Uncle Zhen’s palm had indeed caused Qin Yu a great deal of damage. Although it was not fatal, it would not be so easy to recover in a short period of time.

“Fortunately, there’s the line character formula. Otherwise... the consequences would be unimaginable,”Qin Yu said softly.

He could not help but clench his teeth, and his hatred for the Wan Gu Qiong increased by another level.

Qin Yu fell to the ground and tried to get up, but he found that he had lost all his strength.

He swept his gaze around and looked at this unfamiliar environment. His vision began to darken.

In a short moment, Qin Yu fell into a coma.

...

Near the Spirit Stone Mine.

The various aristocratic families rushed here one after another.

Zhuang Teng, Chu Heng, and even Kong Yun also arrived.

Many half-step martial saints of the older generation were also waiting here.

Strands of dense qi/spiritual energy spread out from the large mine.

Although the large mine had yet to open, the internal QI within it was still mesmerizing.

“I’m afraid we won’t have the opportunity to enter the spiritual stone mine this time,” Yao Meng said in a low voice.

Zhuang Teng, who was standing at the side, said weakly, “The people from the various secret realms are all hiding in the dark. The three martial saints from the Jingdu Martial Arts Association have also arrived here early... cough cough...”

As he spoke, Zhuang Teng coughed out a mouthful of blood.

“How are you? Are You Alright?” When everyone saw this, they could not help but look worried.

Zhuang Teng waved his hand and said, “I’m fine... look at the top of the mountain...”

When they heard this, they immediately looked towards the top of the mountain.

They saw seven people standing on the top of the mountain.

These seven people were the seven martial saints!

When they gathered together, they were like the leaders of this world.

Chapter 915: Chapter 915, cultivation in an otherworldly paradise

The invisible pressure brought by these seven people made everyone tremble with fear.

Even the arrogant young masters of the aristocratic families were silenced at this moment.

“Seven martial saints... They can be said to be the rulers of this world.”Zhuang Teng could not help but mutter in a low voice.

“With them around, it’s impossible for us to obtain any benefits.”

“So What? Even a martial saint can’t be too overbearing! If he has the ability, he can just kill us all!”

“Those young masters in the secret realm haven’t arrived yet. When they do, who knows what will happen.”

Everyone stared at the huge mine that was about to be excavated in front of them. Their faces were filled with worry.

...

On the other side.

When Qin Yu woke up, he was already lying on a bamboo bed.

The surrounding environment made Qin Yu feel extremely unfamiliar.

Although this room was extremely simple and crude, it was rather clean.

Qin Yu slowly sat up from the bed.

He rubbed his head and felt dizzy. His chest was faintly aching.

It was obvious that the injuries on Qin Yu’s body had not healed.

Then, Qin Yu released his spiritual sense and covered the surroundings.

Soon, Qin Yu discovered a few figures.

Judging from their internal QI, they seemed to be ordinary people.

“You’re awake.”

At this moment, a girl dressed in ordinary clothes walked in from outside.

The girl had thick black hair, and the clothes on her body indicated her family’s situation.

“You are?” Qin Yu tried to ask.

The girl quickly said, “My name is Yu Qin. I saw you when I was picking herbs, so I conveniently brought you back.”

Qin Yu glanced at the herbs on the table, then looked at the decoction that was being brewed.

“You brewed this?” Qin Yu asked.

Yu Qin quickly nodded and said, “Yes, my father taught me this.”

Qin Yu slowly walked to the table. He picked up the decoction and sniffed it. He couldn’t help but be a little surprised.

Although the medicine that this girl brewed was relatively ordinary, her technique was extremely meticulous.

“Don’t worry. My father is an old doctor in the vicinity. He saved a lot of people!” Yu Qin seemed to be afraid that Qin Yu would be worried, so she hurriedly explained.

Qin Yu smiled and said, “Thank you.”

Only then did Yu Qin let out a sigh of relief. She whispered, “I saw that you were seriously injured. I thought that you couldn’t be saved. I didn’t expect you to recover so quickly...”

Qin Yu didn’t say much. This Yu Qin was just an ordinary person. There was no need to tell her too much.

“You just woke up. You should be very hungry, right? Wait a moment. My House will be serving dinner soon.” Yu Qin seemed to have thought of something.

Qin Yu nodded and said, “Then I’ll have to trouble you.”

Yu Qin said a little flustered, “It’s okay, it’s okay. You rest first. I’ll come and call you later.”

With that, she ran out in a hurry.

Qin Yu got up and walked out of the room.

The fresh air was blowing in their faces. This was actually a small mountain village.

And the entire mountain village was surrounded by mountains and forests. It was practically isolated from the world.

“I didn’t expect there to be such a place.” Qin Yu sighed.

There was a faint qi/spiritual energy here. Although it couldn't allow martial artists to make much progress, it was of great benefit to the villagers.

Then, Qin Yu looked to the side of the room and found many dried herbs hanging on the wall.

These herbs were very common, and many of them were wild herbs that couldn't be named.

“This is a good place to heal,”Qin Yu sighed.

Since Qin Yu had nowhere to go, he might as well stay here to heal his wounds.

“With my current body condition, I can recover in three days at most,”Qin Yu thought to himself.

Three days was not a big deal. Moreover, this kind of peaceful life might bring a different state of mind and help with cultivation.

Just as Qin Yu's thoughts were running wild, Yu Qin ran over from not far away.

“Well... the meal is ready. Let's Go Eat,”Yu Qin said softly.

Qin Yu glanced at her and saw that her face was red and full of shyness.

“You seem very shy,”Qin Yu said casually.

A hint of panic flashed across Yu Qin's face. She hurriedly said, “I . . . Let's hurry to eat. They are all waiting...”

Looking at Yu Qin's appearance, Qin Yu could not help but think of the first time he saw Yan Ruoxue.

The current Yu Qin was very much like Qin Yu back then.

"Okay." Qin Yu smiled and nodded.

He and Yu Qin walked towards a courtyard in the village.

On the way, Yu Qin asked in a low voice, "What's Your Name?"

"Qin Yu."

"Qin Yu... a very nice name," Yu Qin said.

Qin Yu didn't say much. His heart was a little chaotic.

Although he wanted to recuperate peacefully for a few days, his heart couldn't calm down at all.

Countless troubles surged into his heart, causing Qin Yu to frown from time to time.

Yu Qin did not dare to say anything when she saw this. She could only follow carefully from the side.

Soon, the two of them arrived at a large courtyard.

There was a large round table in the courtyard. The round table was filled with food.

The food was also extremely sumptuous. Other than wild vegetables, there was also the meat of wild beasts nearby.

Beside the table, there were three generations of people, Old and young.

“Xiao Qin, come and sit down.” An old man waved at Yu Qin.

Yu Qin quickly pulled Qin Yu over.

“Young man, you’re Awake? How Are You Feeling?”

“You’re from the city, aren’t you? With such serious injuries, you must have met wild beasts, right?”

“Where are your companions? Are You Alone?”

“There are a lot of wild beasts around here. You have to be more careful and don’t go out by yourself.”

“...”

The villagers here seemed to be extremely enthusiastic. Qin Yu kept picking up food.

It was rare for Qin Yu to have such a leisurely mood, so he simply blended in.

After a conversation, they learned that this village was called Shan Nan Village. The village had existed for many years, and very few people in this village were willing to go out.

They usually relied on farming, growing vegetables, and hunting for a living. It was truly like a paradise.

After eating, the people in the village lit a fire and sang around the fire.

The scene of singing and dancing could not help but make Qin Yu feel a little unreal.

Compared to the dangers outside, this place was really a pure land.

After dinner, Yu Qin brought Qin Yu home.

On the way back, Qin Yu asked casually, “Why aren’t you seeing your parents?”

When this topic was brought up, Yu Qin couldn’t help but whisper, “My parents have passed away, and I only have one younger brother.”

“Oh,” Qin Yu answered casually.

Qin Yu didn’t feel much about Yu Qin’s tragic life. Qin Yu was already used to life and death.

After returning to her residence, Yu Qin busied herself with arranging the herbs.

“You... wait for a moment. I will boil some water for you to wash up later,” Yu Qin said as she tidied up.

Qin Yu waved his hand and casually found a place to sit down.

Qin Yu’s mind was filled with worries as he gazed at the full moon in the sky.

‘It’s too difficult to fight against them without stepping into the martial saint stage,’ Qin Yu thought to himself.

He could not help but recall the scene of his fight with Uncle Zhen.

Apparently, Uncle Zhen had not displayed his full strength. Otherwise, Qin Yu would have died at his hands.

“Martial saint...”Qin Yu could not help but feel a little worried.

Even with the line word formula, a martial saint could seal the space.

If he met them again, he would not be able to escape so easily.

“It would be great if I could change my appearance,”Qin Yu thought to himself.

Yu Qin had already prepared the herbs.

She knocked the herbs into a basket and carried them on her back.

“Qin... Yu, I’m going to deliver the herbs. Do you.... Do you want to come with me?”Yu Qin hesitated for a long time and mustered up her courage to ask.

Chapter 916: Chapter 916, the old immortal

Looking at her flushed face, Qin Yu finally shook his head.

Seeing this, Yu Qin couldn’t force herself. She could only carry the medicine basket and leave.

Qin Yu sat quietly on a stone. Her eyes were slightly closed, and she breathed in and out gently.

After an unknown amount of time, Yu Qin came back from outside.

When she saw Qin Yu sitting on the rock, Yu Qin walked over and whispered, “Qin Yu, you haven’t rested yet.”

Qin Yu grunted and said, “I can’t sleep.”

Yu Qin continued, “Your injuries haven’t healed yet. You should rest more. I... I’ll go get some water for you to wash up.”

Qin Yu raised his head and looked at Yu Qin. Just as he was about to refuse, he noticed that there seemed to be something unusual on Yu Qin’s face.

She dodged and dodged as if she was afraid of being seen by Qin Yu.

“What happened to your face?” Qin Yu asked.

Yu Qin covered her face and said hurriedly, “It’s... It’s nothing. I... I’ll go get you some water.”

After saying that, Yu Qin ran away in a hurry.

Not long after, Yu Qin ran back with the water in her hands.

She placed the water in front of Qin Yu and said, “You... you can wash up.”

It could be seen that Yu Qin was a capable, simple, and kind woman.

Living at the bottom, her simple character was indeed eye-catching.

Seeing how hard Yu Qin took care of him, Qin Yu also felt a little embarrassed.

He slowly stood up and placed his hand on Yu Qin’s face.

This action immediately made Yu Qin's face flush red.

She whispered, "Qin Yu, you..."

Qin Yu did not explain. A bright light appeared on his hand. Strands of Qi/spiritual energy surged out of his palm and covered Yu Qin's face.

Yu Qin only felt waves of warmth on her face. It was extremely comfortable.

After dozens of seconds, Qin Yu took his hand away.

Yu Qin subconsciously touched her face. She was surprised to find that the redness just now seemed to have disappeared.

"How... How did you do it?" Yu Qin could not help but widen her eyes.

Qin Yu did not explain. To Qin Yu, who was a half-step martial saint, this was a wound that could be easily treated.

However, to Yu Qin, who had some medical skills, this was simply a godlike technique.

"Qin Yu, you... you are too amazing!" A trace of excitement could not help but flash across Yu Qin's face.

Qin Yu smiled and said, "This is nothing."

Yu Qin wanted to say something else, but was interrupted by Qin Yu.

"You should go and rest early."

After saying this, Qin Yu no longer paid any attention to Yu Qin.

He sat on this rock and thought about how to deal with the martial saint who was chasing after him.

Although Yu Qin wanted to speak to Qin Yu, she did not dare to speak rashly. She could only step aside carefully.

Qin Yu didn't sleep the whole night.

After thinking about it, the safest way was to hide her face and avoid the sharp edge for the time being.

The next day, before dawn, Yu Qin got up early. She carried the medicine basket on her back and prepared to pick herbs.

When she saw Qin Yu sitting on the stone, Yu Qin said in surprise, "You... Why are you up so early?"

Qin Yu said casually, "Well, I can't sleep. What About You?"

Yu Qin said, "I have to get up early to pick herbs."

Hearing that, Qin Yu couldn't help but frown and say, "Do you have to pick herbs so early every day?"

"Yes, do you want to come with me?" Yu Qin asked tentatively.

Qin Yu thought for a moment. Since it was an experiential learning, he had to experience all the flavors of life.

Therefore, Qin Yu stood up and said, "Okay."

After getting a positive answer, a trace of excitement flashed across Yu Qin's face.

She hurriedly said, “How about... I make some food for you first. You Eat Something First.”

“No need. Let’s go.”Qin Yu waved his hand.

The two of them embarked on the journey to pick herbs.

The place where they picked herbs was precisely the mountain forest where Qin Yu fell.

This mountain forest was extremely large, and there were all kinds of strange things growing inside.

In this mountain forest, there were wild beasts appearing from time to time. Qin Yu could clearly hear the roars coming from the dark.

“Aren’t you afraid of encountering wild beasts when you come to pick herbs every day?”Qin Yu couldn’t help but ask in surprise.

Yu Qin said in a low voice, “I’m afraid, but my luck is better. I can usually escape.”

“Isn’t this too dangerous?”Qin Yu couldn’t help but frown.

Yu Qin sighed and said, “I can’t do anything about it...”

“I don’t quite understand. Why do you have to pick herbs every day? are people in the village like this?”Qin Yu asked in puzzlement.

Yu Qin opened her mouth as if she wanted to say something, but in the end, she shook her head.

“If you have any difficulties, you can tell me. I might be able to help you,”Qin Yu said.

After all, Yu Qin had helped him before. He had to return this favor no matter what.

“There’s no need!” Yu Qin smiled and shook her head. “I can solve it myself.”

Seeing this, Qin Yu didn’t ask any further.

In the mountain forest, Yu Qin carefully picked herbs everywhere.

She seemed to be extremely sensitive to danger. As long as there were wild beasts around, Yu Qin would avoid them.

For the whole morning, Yu Qin picked a basket of herbs.

Although these herbs were ordinary, their medicinal effects were well preserved.

“I’m so tired.” Yu Qin sat on the ground and wiped the sweat off her forehead.

At this moment, Yu Qin’s stomach suddenly began to growl.

A hint of embarrassment flashed across Yu Qin’s face. She blushed and hurriedly turned her face to the side.

Qin Yu glanced at her and said, “Don’t you usually eat lunch?”

Yu Qin said, “I brought a pancake. Do you want to eat one?”

As she said that, Yu Qin took out a pancake from her mouth.

“This is what you want to eat?” Qin Yu couldn’t help but frown.

Yu Qin smiled and said, “Anyway, I’ll just deal with some at noon.”

Qin Yu thought for a moment and said, “Wait for me here.”

“Where are you going?” Yu Qin quickly asked.

Qin Yu did not answer. He turned around and walked into the depths of the forest.

The sounds of birds and beasts could be heard in the forest. A few minutes later, Qin Yu came back with a wild boar.

When Yu Qin saw this, her eyes immediately widened.

“Where... where did the wild boar come from?” Yu Qin exclaimed.

Qin Yu said perfunctorily, “I picked it up by the roadside.”

After saying that, Qin Yu tore the wild boar apart with his bare hands.

This immediately made Yu Qin even more shocked!

“Qin Yu, you... are so strong...” Yu Qin said in surprise.

Qin Yu tore off a leg and then lit the spiritual fire in his hand.

The current Qin Yu’s control of the spiritual fire could be said to be perfect. In just a few minutes, a roasted wild boar leg was ready.

“Eat it.” Qin Yu handed the wild boar leg to Yu Qin.

Yu Qin swallowed her saliva. She grabbed the wild boar leg and wolfed it down.

“It smells so good.” Yu Qin seemed to be extremely hungry. A wild boar leg was eaten up in a short while.

After eating it, Yu Qin seemed to feel a little embarrassed.

She wiped her mouth and said somewhat embarrassedly, “Did I eat too fast?”

Qin Yu shook his head and said nothing.

“Qin Yu, you are really powerful. You are almost like the old immortals in our village,” Yu Qin muttered.

“Old Immortals?” Qin Yu raised his eyebrows.

Yu Qin hurriedly nodded and said, “Yes, the old immortals in our village are especially powerful! It is said that they can fly and burrow into the ground! They can tear apart wild beasts with their hands!”

Hearing this, Qin Yu couldn't help but say in a low voice, “It should be a cultivator.”

“What?” Yu Qin asked.

Qin Yu shook his head and continued, “Is he a native of your village?”

Yu Qin shook her head and said, “No. It is said that he became an old immortal a few years ago after receiving a reward from the heavens in our village.”

When Qin Yu heard this, his interest was immediately piqued.

The so-called reward from the heavens was naturally his nonsense.

However... For him to suddenly become a cultivator, he must have obtained some sort of babe in the village.

‘perhaps this old immortal can provide me with some sort of treasure,’Qin Yu thought to himself.

Chapter 917: Chapter 917: Monkey calls himself king

Thinking of this, Qin Yu looked at Yu Qin, intending to ask if he could take him to see this old immortal.

But before Qin Yu could speak, Yu Qin whispered, “Unfortunately, this old immortal is very bad. He uses his own ability to bully us every day.”

“Oh?”Qin Yu raised his eyebrows.

He suddenly thought of something and looked at the herbs in the basket.

“Are these herbs also for that old immortal?”Qin Yu asked.

Yu Qin said in surprise, “How do you know?”

Qin Yu waved his hand and didn’t answer.

It seemed that this so-called old immortal wasn’t very powerful.

Otherwise, these herbs wouldn’t be able to improve him at all.

“I’ll accompany you to deliver the herbs tonight,”Qin Yu said.

The smile on Yu Qin’s face suddenly became a little wider. She quickly nodded and said, “Okay!”

Then, Qin Yu continued to pick herbs with Yu Qin.

The two of them only went back in the evening.

Yu Qin seemed to be very happy. She kept chattering along the way and kept talking.

Qin Yu, on the other hand, seemed to be more depressed. He just nodded from time to time.

On the way back to his residence, Qin Yu followed Yu Qin to have dinner as usual.

The food in the village was good every day, and they had a clear division of labor.

Some people went to choose the vegetables, while others went hunting.

After the meal, they sang and danced as usual. This time, Qin Yu was not in a hurry to leave, but blended in.

After a round of fun, everyone could not help but gasp.

“Xiao Qin, the old immortal hasn’t made things difficult for you recently, has He?” At this time, the old man in the village walked to Yu Qin’s side.

Yu Qin said softly, “He... didn’t make things difficult for me.”

“Really?” The old man frowned slightly, as if he didn’t quite believe it.

Seeing that Yu Qin didn’t speak, the old man sighed and said, “I’ll go and talk to him again tomorrow.”

“En!” Yu Qin nodded and said, “Then uncle Lin, we’ll go back first.”

After saying goodbye to Uncle Lin, Qin Yu followed Yu Qin back to the residence.

After returning, Yu Qin sorted out the herbs as usual and prepared to give them to the old immortal.

It was not until ten o'clock in the evening that Yu Qin was done sorting out.

“Do you really want to go with me?” Yu Qin asked carefully.

Qin Yu smiled and said, “Of course. I have already promised you. Let’s go.”

“Yes, yes!” Yu Qin nodded excitedly.

The two of them left the house together and rushed towards the old Immortal’s residence.

Along the way, Qin Yu used his divine sense to cover the nearby area, searching for the old immortal’s figure.

After a full half a day, Qin Yu finally found the old immortal’s figure.

“Grandmaster?” Qin Yu couldn’t help but raise his eyebrows.

This realm was not worth mentioning in front of Qin Yu, but among ordinary people, it was indeed a top-notch existence.

“It’s in front.” Yu Qin pointed at a residential house not far away and said.

She said worriedly, “No matter what happens later, you... you don’t say anything, understand?”

“Okay,”Qin Yu answered casually.

Yu Qin grunted and took a deep breath. Then, she rushed to the old immortal’s residence.

Qin Yu followed behind her and entered the room.

As soon as she entered, Qin Yu saw a bald old man.

The old man sat cross-legged on the bed with his hands clasped together as if he was cultivating.

“Old immortal, the herbs are here,”Yu Qin said softly as she placed the herbs beside him.

After hearing Yu Qin’s voice, the old immortal opened his eyes.

“Who is this person ?”The old immortal’s gaze landed on Qin Yu.

“He... He is my friend,”Yu Qin explained.

The old immortal snorted and said, “Alright, come and give me a massage.”

Yu Qin frowned slightly. She subconsciously looked at Qin Yu as if she was embarrassed.

“What are you still standing there for!”At this moment, the old immortal suddenly shouted and slapped Yu Qin in the face!

Yu Qin covered her face aggrievedly and walked towards the old immortal.

But at this moment, Qin Yu grabbed Yu Qin’s arm.

Yu Qin was stunned and she looked at Qin Yu suspiciously.

Qin Yu ignored her and looked at the old immortal coldly. He said, “You Old Baldy, you really know how to play tricks. Old Immortal, I think you are an old fart.”

Hearing this, the old immortal was furious!

He looked at Qin Yu coldly and said, “You dare to disrespect me, that is disrespectful to the heavens. I must punish you on behalf of the Heavens!”

After saying that, the old immortal used the same trick again and slapped at Qin Yu!

However, before the internal Qi he released could even get close to Qin Yu, it instantly vanished into thin air.

“There really is no tiger in the mountain. A monkey calls himself the king. He is just a grandmaster, yet he dares to flaunt his power and oppress the common people,” Qin Yu said coldly.

The old immortal’s expression changed slightly. He narrowed his eyes and said, “You actually know of a Grandmaster? It seems that we are of the same path. Friend, I advise you to mind your own business.”

“Qin Yu, you... Don’t provoke him. There will be trouble...” Yu Qin said softly.

Qin Yu sneered and said, “Trouble? In My Eyes, he is like a chicken or a dog.”

The old immortal said with extreme displeasure, “Friend, watch your words. I respect that you are on the same path, but don’t be ungrateful.”

Qin Yu ignored this sentence and said indifferently, “You should have obtained some secret treasure, right? Hand it over, and maybe I can consider letting you die a quick death.”

A trace of panic flashed across the old immortal’s face, and his face quickly turned cold.

He slowly got up from the bed and sneered, “Since you already know, then I can’t let you leave alive.”

“Kid, today I’ll let you see the power of a Grandmaster!”

With a roar, the internal Qi on his body began to rise rapidly!

Then, he clenched his fists and condensed the internal Qi into his fists. Then, he smashed his fists at Qin Yu!

“Qin Yu, be careful!” Seeing this, Yu Qin was so anxious that her forehead was full of sweat.

She subconsciously ran to Qin Yu and tried to block the fists for him.

Chapter 918: Chapter 918, the unfettered divine stone

The pair of fists looked imposing, and one could even hear the faint sound of a dragon’s roar.

Qin Yu pushed Yu Qin to the side, and then looked coldly at the old immortal.

“Clang!”

The Fists landed solidly on Qin Yu’s body.

But in the next second, the old immortal’s face flushed red.

This punch not only failed to hurt Qin Yu, but also shattered his fists!

“How... how could this be!”The old immortal’s expression was extremely unsightly.

Qin Yu did not say a word and only released his own pressure.

Under this powerful pressure, the old immortal’s entire body trembled, and his legs even kneeled on the ground with a Bang!

This force was like two huge mountains, causing all the bones in his body to creak!

The old immortal’s expression changed greatly! He quickly understood that this young man in front of him was definitely not someone he could provoke!

“Don’t... Don’t kill me...”the old immortal said with a panicked expression.

“It’s my fault for not recognizing Mount Tai. You... You let me live, I’ll Promise You Anything!”

“I’ll give you that treasure right away, please let me go...”

Seeing this scene, Yu Qin could not help but widen her eyes.

The “Old immortal” who was showing off in the village was actually begging for mercy in such a humble manner?

Who exactly was this Qin Yu?

“Where is the treasure?” Qin Yu said coldly.

The old immortal said with some panic, “If I give you the treasure, can you exchange it for my life?”

“You talk too much nonsense,” Qin Yu said coldly.

The old immortal didn’t dare to say anything. He hurriedly said, “I’ll take you there now. I’ll take you there now...”

Qin Yu withdrew the pressure coming from his body and said coldly, “Let’s go.”

The old immortal climbed up from the ground with difficulty. He endured the intense pain on his body and brought Qin Yu out of the room.

After going around in circles, they arrived in front of a mountain.

Then, the old immortal pointed to the ground and said, “I buried the thing here...”

Qin Yu narrowed his eyes and suddenly punched the ground.

The ground shook with the punch.

A huge pit appeared on the ground.

In the huge pit, there was a crystal-like stone.

The stone was sea-blue and gave off a trace of an unusual internal Qi.

Qin Yu bent down and took out the stone.

As he played with the stone, Qin Yu felt extremely comfortable in his body and mind, and his thoughts were extremely clear.

Even his state of mind seemed to have improved.

“This is... The Freedom Divine Stone?” Qin Yu exclaimed.

It was rumored that the Freedom Divine Stone was a divine item that could understand the Great Dao! Its effect was even better than the Enlightenment tea!

With this item, Qin Yu’s time to become a martial saint would be rapidly shortened!

“I didn’t expect that there would be such a saint item in this small mountain village!” Qin Yu could not help but feel excited!

“Such a treasure is actually in your hands. What a waste of a god’s gift.” Qin Yu glanced at this old Baldy and could not help but snort coldly.

This Old Baldy did not dare to act rashly anymore. He hurriedly smiled sheepishly and said, “You are right. I am not worthy of obtaining such a treasure...”

Qin Yu didn’t say anything more. He picked up the free divine stone and then looked at Yu Qin.

“How did this Old Thing Bully You?” Qin Yu asked.

Hearing this, the Old Baldy subconsciously glared at Yu Qin.

Yu Qin immediately tensed up and stuttered for a long time, not daring to say a word.

“Big Brother, I... I know I’m wrong. I promise I won’t bully them from now on!”The Old Baldy said hurriedly.

“Please spare my life for the sake of this stone...”

Qin Yu glanced at him and said coldly, “You have to pay the price for doing something wrong. It’s the same for everyone.”

Before he could say anything, Qin Yu slapped him.

This slap directly smashed his body into pieces, turning it into a cloud of bloody mist and exploding!

“Ah!”

Yu Qin’s face instantly turned pale with fright, and she unconsciously took two steps back.

Qin Yu couldn’t help but frown.

Qin Yu, who had killed countless people long ago, had actually forgotten the existence of Yu Qin beside him.

“Are You Afraid?”Qin Yu asked.

Yu Qin’s eyes widened, and her face was filled with panic.

She had been born in a mountain village, so she had never seen such a scene.

Seeing this, Qin Yu couldn't help but sigh slightly.

He walked forward, and a strand of divine sense flew out from between his brows.

The divine sense entered Yu Qin's mind and directly erased this memory.

Yu Qin, who had lost this memory, was instantly at a loss.

She looked around and said in a low voice, "Where is this?"

Qin Yu didn't answer, but said, "Let's go. It's late. It's time to go back and sleep."

Yu Qin brought Yu Qin all the way home. As usual, she fetched water and Washed Qin Yu.

After she was done, Yu Qin went to rest.

As for Qin Yu, he sat there and took out this free divine stone.

He held his divine sense in his hand and slowly played with it. That feeling of smoothness appeared once again.

With the Free Divine Stone, Qin Yu was much more sensitive to the Great Dao. His state of mind also improved imperceptibly.

After half a night, Qin Yu finally put away the free divine stone.

"Although this item can improve my state of mind, it can't be used all the time." Qin Yu couldn't help but frown.

In just a few hours, the free divine stone had lost its effect.

Fortunately, the free divine stone could recover on its own, so Qin Yu wasn't in a hurry.

He put away the free divine stone, then took out his phone and opened the martial arts forum.

At this moment, almost everyone on the martial arts forum was discussing the news of the large spiritual stone mine. Some people even took pictures of the scene there!

When he saw the news of the large spiritual stone mine, Qin Yu could not help but stand up abruptly from the ground.

“Large spiritual stone mine? There's actually a large spiritual stone mine?!” Qin Yu exclaimed in shock.

“No wonder no martial saints have come to look for me recently. They must have gone to this large spiritual stone mine.” Qin Yu thought to himself.

The spiritual stone mine was a truly top-notch resource. Even though Qin Yu was currently in great danger, he was still unable to resist this temptation.

According to Tian Jizi's calculations, this spiritual stone mine would officially open in two days.

And before this, many aristocratic families had already rushed here.

“This won't do. No matter what, I have to go and take a look,” Qin Yu thought to himself.

Such a temptation was really hard to resist.

Even if he had to risk his life, Qin Yu didn't want to miss it.

“There are still two days to open. In these two days, I have to think of a way to hide my face,” Qin Yu thought to himself.

It wasn't difficult to hide his face, but it was difficult to hide his internal Qi.

After thinking about it, Qin Yu thought of Luo Jingyu from the pavilion of heavenly secrets.

This person had countless treasures in his hands. He might have a way.

...

The next day.

After Yu Qin got up, she said excitedly, “Qin Yu, do you want to go with me to pick herbs today? I know a very good place in the mountain forest. The scenery is very beautiful! I have never told anyone about it!”

Qin Yu glanced at her and said quietly, “I'm leaving.”

Hearing this, Yu Qin's expression froze on her face.

Chapter 919: Chapter 919, concealing one's internal Qi

Yu Qin said somewhat anxiously, “You... You're leaving already?”

Qin Yu grunted and said, “I still have things to do when I'm out.”

Yu Qin's expression became even more unsightly.

With her naive nature, she thought that Qin Yu would stay in this small mountain village forever.

“Then... will you come back?” Yu Qin asked softly.

Qin Yu shook his head and said, “I don’t know. Maybe, maybe not.”

How Could Qin Yu not see the feelings Yu Qin had for him? However, Qin Yu only had Yan Ruoxue in his heart.

“Thank you very much for bringing me back from the mountain forest. In order to repay you, I have also prepared a gift for you,” Qin Yu said.

He took out a book. The book recorded some alchemy techniques.

These skills were all basic, but they all came from the Divine Alchemist Pavilion.

For Yu Qin, this was enough.

“I’m leaving,” Qin Yu looked at Yu Qin and said quietly.

Yu Qin pinched the corner of her clothes and didn’t speak for a long time.

Qin Yu wasn’t a soft-hearted person, so he didn’t linger. He turned around and was about to leave.

“Can you leave your phone number?” At this moment, Yu Qin suddenly shouted.

Qin Yu was silent for a moment. In the end, he still turned around and wrote down his number.

After he had done all this, Qin Yu left this mountain village.

After three days of recuperation, Qin Yu's injuries were almost healed.

These few days, the various martial saints were all near the spirit stone mine. They would not pay attention to Qin Yu. Thus, Qin Yu boarded a plane and rushed towards Jingdu.

He arrived at the pavilion of heavenly secrets in Jingdu.

Inside the pavilion of heavenly secrets.

Luo Yang was patrolling around like a young master as usual.

At this moment, Qin Yu walked behind him and patted his shoulder.

“Who the F * ck patted me... Qin... Qin!”

“Shut up!” Qin Yu coldly interrupted Luo Yang's words.

Luo Yang hurriedly covered his mouth, but the panic and fear on his face could not be concealed.

“Where's your father?” Qin Yu asked.

Luo Yang quickly replied, “He's... He's at the back.”

“Follow me to find him.” Qin Yu dragged Luo Yang and walked towards the villa behind the pavilion of Heavenly Secrets.

They arrived at the main hall of the villa.

When their eyes met, Luo Jingyu's heart was filled with shock.

Everyone knew that all the martial saints were looking for Qin Yu. Qin Yu was on the verge of death.

However, the more such a person was, the more terrifying he was. No one could guarantee that he would not do something crazy.

“Mr. Qin, are you here for the sword? I have already made the sword for you. I will go get it for you now.” Luo Jingyu took the initiative to speak.

After he had finished speaking, he rushed to a room and walked out with the bronze sword in his hand.

Qin Yu took the sword and saw that the sword was already covered in a scarlet color.

When Qin Yu’s spiritual power entered the sword, rays of demonic light flashed on the sword.

“Not bad.” Qin Yu praised from the bottom of his heart.

“Although you didn’t say anything good, your skill in refining artifacts is undeniable.”

Luo Jingyu smiled embarrassedly and didn’t dare to say anything more.

“I’m here today because I have another matter that I need your help with. Don’t worry, if it can be done, I will remember your favor,” said Qin Yu.

Luo Jingyu hurriedly cupped his hands and said, “I don’t dare, I don’t dare. It’s me who can serve you...”

“Alright, stop talking nonsense. I need a magical artifact to cover my face and internal Qi,” Qin Yu interrupted Luo Jingyu.

Luo Jingyu's expression changed slightly.

He instantly understood Qin Yu's intention.

However, Luo Jingyu was filled with hatred toward Qin Yu. How could he be willing to help?

"Mr. Qin, it's not that I don't want to help. I really don't have such a spiritual artifact here because..."

"Bullsh * T." Qin Yu interrupted Luo Jingyu again.

He slowly stood up and said coldly, "Luo Jingyu, you're a Master Weaponsmith. The Heaven's secret pavilion is on par with the Divine Alchemist Pavilion. How could you not have such a spiritual artifact?"

Luo Jingyu stammered and could not speak for a moment.

"What? Do you want me to die at the hands of the martial saint so that you can take revenge?" Qin Yu narrowed his eyes and said.

Luo Jingyu immediately turned pale with fright and hurriedly said, "I absolutely have no such intention!"

Traces of murderous intent were emitted from Qin Yu's body.

He looked at Luo Jingyu coldly and said, "If you hand over the magic weapon now, I will remember your favor. But if I force you to hand it over, I will kill you."

Luo Jingyu instantly fell into silence.

After thinking for a moment, he nodded and said, "Alright, wait a moment."

After saying that, Luo Jingyu turned around and returned to his room.

He rummaged through the boxes and cabinets.

A few minutes later, Luo Jingyu came out with a hat.

The entire hat looked extremely ordinary, but it had an internal Qi of the Great Dao flowing from it.

“This thing is called thousand faces. I got it by chance,” Luo Jingyu said in a deep voice.

Qin Yu took the hat.

The hat was somewhat similar to the one Fang Yue had given him back then, but the quality of the two was completely different.

After taking the hat, Qin Yu immediately put it on his head.

In an instant, Qin Yu felt as if the Great Dao had been disturbed, and his internal Qi had become extremely concealed.

Not only that, after wearing a thousand faces, his face would be even more concealed.

At a glance, he could only see a thin layer of fog. He wanted to see his face clearly, but he couldn't.

“Thank you.” Qin Yu put away his hat and cupped his hands to Luo Jingyu.

Luo Jingyu was overwhelmed by the favor and quickly returned the greeting, “You're too kind.”

Qin Yu wore a thousand faces and turned around to leave.

After Qin Yu left, Luo Yang couldn't wait to run over.

“Dad, he has already taken a lot of things from us! Now he took thousand faces away. This is too much!” Luo Yang said angrily.

Luo Jingyu sat there and didn't speak for a long time.

“Dad, are you going to let him go just like that!” Luo Yang said angrily.

Luo Jingyu glanced at Luo Yang and said, “Then what do you want?”

“What do I want? Hehe, I have many ways to deal with him!” Luo Yang said with a vicious face.

“I have some friendship with Gu Xinghe during this period of time. I will call him now and tell him about this!”

After saying that, Luo Yang took out his cell phone and called Gu Xinghe.

Chapter 920: Chapter 920: War is imminent!

The call was picked up quickly. Luo Yang said anxiously, “Young Master Gu, I have something to tell you.”

On the other end, Gu Xinghe was busy with the spirit stone mine.

Therefore, he said impatiently, “What is it?”

“It's... Du Du du...”

Before Luo Yang could finish his sentence, the call was hung up.

A light flashed and broke Luo Yang's phone.

The person who did it was none other than his father, Luo Jingyu.

“Dad, what are you doing!” Luo Yang said with some anger.

Luo Jingyu shook his head and said, “It's better not to tell him about this.”

“Why? !” Luo Yang was extremely puzzled.

Luo Jingyu said in a deep voice, “They sent so many people, but they still couldn't catch Qin Yu. If Qin Yu doesn't die, we will die.”

“Then... then we will just endure it?” Luo Yang said with an angry face.

Luo Jingyu sighed slightly and said, “Let's just forget about it.”

Although he said so, Luo Yang still had an unconvinced face.

Outside the door.

Qin Yu heard these words clearly.

After hearing Luo Jingyu's words, Qin Yu finally relaxed and left this place.

...

There was only one day left before the opening of the Spirit Stone Mine.

More and more people were gathered around the big spirit stone mine.

From hiding in the dark at the beginning, they slowly moved up to the stage.

The seven martial saints from the secret realm were still discussing something.

The two sides at the scene were divided into two factions.

One faction was the current martial artists, and the other faction was the martial artists from the secret realm.

“How ironic. I didn’t expect that we would also encounter such a situation,”Zhuang Teng said self-deprecatingly.

“Yeah. Back then, which one of us didn’t look down on all living beings from above? Now, we are being looked down upon by a group of disciples from the Mystic Realm.”Chu Heng couldn’t help but smile bitterly.

“Now I finally understand why Qin Yu is full of hostility toward us,”Kong Yun said coldly.

The scene fell into silence, and everyone couldn’t help but sigh.

“The large spirit stone mine has been making a lot of noise these few days. It must be about to open soon,”Yao Meng said quietly.

She looked around as if she was looking for something.

“What’s Wrong?”Xiao Yuan asked.

Yao Meng frowned and said, “I have a feeling... that Qin Yu might come.”

...

That night, the atmosphere at the scene became more and more subtle.

Qin Yu finally arrived at the scene in the latter half of the night.

He released his spiritual sense and covered the surroundings.

Soon, Qin Yu's face darkened.

There were at least close to a hundred people at the scene!

And the weakest one was at the Martial Marquis Realm!

“It seems that all the reclusive experts have come into being.” Qin Yu took a deep breath.

A Hundred Martial Marquis was simply unheard of.

Such a scale had not been seen for many years.

Seeing that the scene was divided into two factions, Qin Yu could not help but sigh in his heart.

After thinking for a while, Qin Yu silently approached Yao Meng and the others.

He stood in the faction of the heir, but he was dozens of meters away from Yao Meng and the others.

“With those seven martial saints around, we won't be able to fight back at all,” someone said in a low voice.

“When the Spirit Stone mine opens, it will be the time for the conflict to erupt.”

“The conflict has been going on for the past few days. Both sides have suffered losses, but our losses are much greater.”

As he spoke, a car slowly drove over from not far away.

As soon as the car stopped, they saw Gu Xinghe get down from the car.

“This trash!” Zhuang Teng and the others could not help but curse inwardly when they saw Gu Xinghe!

Ever since the martial saint walked out of the secret realm, Gu Xinghe had been hanging out with them.

“In the past, the Jingdu Martial Arts Association would at least pretend to be fair. Now, they don’t even pretend anymore and directly express their attitude,” Yao Meng said in a low voice.

“It’s Still Qin Yu Who’s smart enough to fall out with the Jingdu martial arts association long ago.”

“This bastard, since he’s made his stance clear, don’t even think about leading the martial arts world. But he won’t. He wants everything.”

Under everyone’s gaze, Gu Xinghe walked towards the seven martial saints.

When he passed Zhuang Teng and the others, Gu Xinghe stopped in his tracks.

“Everyone, how have you been?” Gu Xinghe said with a smile.

Zhuang Teng said with a cold smile, “Oh, isn’t this the young master from the second secret realm? We are truly honored to be able to speak to you.”

“That’s right, young master Gu, Why aren’t you bringing your disciples from the secret realm to show off? What are you talking to us for?”

Gu Xinghe was not angry about this.

He smiled faintly and said, “I know you’ve all misunderstood me, but let me tell you, the Jingdu Martial Arts Association will definitely give you the answer you want.”

“What we represent is not the secret realm nor you, but fairness.”

“Bah!”Zhuang Teng could not help but spit on the ground.

Gu Xinghe sighed slightly and waved his hand, “I will give you the answer you want.”

After he finished speaking, Gu Xinghe walked towards the seven martial saints.

“Motherf * cker, you pretentious son of a B * Tch!”

“I really want to smash his head!”

“When I step into the martial saint realm, I will definitely kill all of them!”

As he was speaking, another disciple from the secret realm walked over not far away.

This person was dressed in gorgeous clothes and surrounded by pearls. He had the demeanor of a rich young master.

When Zhuang Teng and the others saw this person, a trace of anger flashed across their faces.

This person was none other than the disciple of the mystic realm who had injured Zhuang Teng and Kong Yun, Qiao Zun!

Qiao Zun's gaze swept across the surroundings and finally landed on Zhuang Teng and the others.

Following that, a trace of playfulness flashed across Qiao Zun's face as he walked straight towards Zhuang Teng.

"Oh, you're still alive?" Qiao Zun said sarcastically.

Zhuang teng gritted his teeth and said, "You're not dead yet, how could I Be Dead?"

Qiao Zun clicked his tongue and said, "Looks like I was too lenient last time. If I had known earlier, I would have slapped you to death."

"You!" Zhuang Teng was so angry that his face turned pale and he clenched his fists tightly.

Qiao Zun ignored him and continued to ridicule, "This is not a place that you can come to. You also want to obtain this spirit stone mine? You Don't even have a martial saint, what right do you have? Hurry up and go home to wash up and sleep."

"F * ck your mother!" Kong Yun immediately roared and threw a punch at Qiao Zun!

Qiao Zun immediately raised his hand to receive the punch. When the two fists collided, the world instantly shook and rumbled!

“You defeated opponent, you still dare to attack me? !”Qiao Zun said with a gloomy face.

“F * ck your mother! If it weren't for your tricks, how could I have lost to you!”Kong Yun said furiously.

“If you don't accept it, just fight again!”

Qiao Zun narrowed his eyes and said, “Well, if you want to die, I Won't Stop You!”

Chapter 921: Chapter 921, Xu Huaigu appeared!

“Do you think I'm F * cking afraid of You? !”Kong Yun shouted as he threw a pair of iron fists at Qiao Zun!

“Bang!”

The two fists collided with an earth-shattering BOOM!

Countless people at the scene immediately looked over!

The fight between the two had undoubtedly pushed the conflict that had been brewing for a long time to the surface!

“F * ck, what's so great about you disciples from the Mystic Realm? Are You Afraid of Me? !”

“The strength of the people from our mystic realm is above yours!”

“F * ck you, I’ve long disliked you!”

The scene instantly became chaotic. Both sides fought, and the entire scene was extremely chaotic.

Qin Yu, who was hiding in the dark, was also a little angry.

These disciples from the secret realm were too arrogant. If they did not teach them a lesson, they would only become more arrogant.

Taking advantage of the chaos, Qin Yu secretly kicked the person in the secret realm and ran away after that.

After a series of operations, Qin Yu kicked and broke a few of them.

“Damn it, I don’t even like beating people up.” Qin Yu could not help but curse in his heart.

In order not to expose his identity, Qin Yu could only change his location with one shot.

Seeing that the battle was getting more and more intense, the martial saints standing on top of the mountain could no longer sit still.

“If this continues, they will definitely affect this huge mine,” a martial saint said.

“Yes, it’s necessary to stop them.”

Gu Xinghe said quietly, “We still need them for the time being, and we also need their people’s hearts. So, don’t go too far.”

Even though that was the case, Gu Xinghe also looked down on the martial artists of this world.

The battle between Kong Yun and Qiao Zun was still ongoing. As the two of them were responsible for each other's strength, they naturally attracted the most attention.

Even Qin Yu was silently watching.

“Kong Yun's strength is not below this Qiao Zun,” Qin Yu thought to himself.

If the battle continued, Kong Yun's chances of winning would even be higher.

Not only that, Kong Yun's originally irritable personality was displayed to the extreme at this moment.

“Boom!”

Kong Yun seized the opportunity and smashed his fist on Qiao Zun's chest.

Qiao Zun was pushed back a few steps, and his chest caved in.

“Come on, I'll Rip Off Your Arrogant Head Today!” Kong Yun was full of fire and fighting spirit.

But at this moment, a mystic realm disciple joined the battlefield!

In an instant, Kong Yun changed from one to one to three!

In the situation where there was not much difference in strength, Kong Yun immediately fell into a stalemate. He was beaten back repeatedly by Qiao Zun and kept vomiting blood.

Seeing this, Qin Yu's face instantly turned extremely cold.

He gritted his teeth and almost could not hold it in anymore.

“Three against one, what kind of ability is that!”

At this moment, a rough voice was heard!

It was none other than the sacred physique Chang Mang!

The moment Chang Mang entered the battlefield, the situation was reversed once again!

Under the situation of two against three, the mystic realm disciple actually did not have the upper hand at all and even retreated in defeat!

Seeing that the situation was not good, another mystic realm disciple immediately joined in!

“Hehe, are you bullying US Mystic Realm Disciples?” Wan Gu Qiong who had been watching the battle sneered and instantly joined in.

The scene immediately became even more chaotic. Chang Mang and Kong Yun had to face five mystic realm disciples!

Even though the two of them were heaven’s favored sons, it was difficult for them to fight against four hands with two fists. Soon, they were at a disadvantage.

“F * ck!” Qin Yu, who was watching the battle from the side, could not hold it in any longer.

He tightened his cap, his body flashed explosively, and instantly joined in!

Qin Yu withdrew the Golden Light, and with only his pure physical body, he threw a punch toward Wan Gu Qiong's incoming fist!

“Clang!”

Under the huge collision, the fist that was supposed to land on Chang Mang's body was knocked back by Qin Yu's punch!

“Deng Deng Deng!”

Wan Gu Qiong took a few steps back, and his face instantly became a little cold.

“You have some ability, who are you?” Wan Gu Qiong asked coldly.

Qin Yu did not answer, but only responded with a steel-like fist!

With Qin Yu's addition, these five disciples of the mystic realm could not withstand the fury of the three of them at all. They were beaten back repeatedly!

Meanwhile, Qin Yu's anger that he had suppressed for a long time was finally released.

“Boom!”

Qin Yu fiercely punched the chest of the Wan Gu Qiong and shattered his sternum!

“All of you, Stop!”

At this moment, a loud shout suddenly silenced the scene.

A white-haired martial saint walked over!

“Uncle Otter!” Qiao Zun hurriedly walked over when he saw this old man.

The martial saint who was called Uncle Otter walked over directly.

He stood in front of Qiao Zun and looked at the martial saint and the others coldly.

In the end, his gaze fell on Kong Yun.

Before Kong Yun could speak, Uncle Otter suddenly slapped Kong Yun’s face!

This slap had directly covered Kong Yun’s face with blood!

“F * ck your mother!” Kong Yun was instantly enraged. Without a word, he wanted to attack Uncle Otter.

However, this uncle otter was a martial saint. In front of him, Kong Yun did not have the ability to retaliate at all.

Therefore, everyone hurriedly stopped Kong Yun.

“Calm down. He is a martial saint. If we fight with him, we will die without a doubt.” Someone beside him said.

However, Kong Yun could not suppress the anger in his heart. He struggled with all his might and wanted to fight with Uncle Otter.

Uncle Otter looked at Kong Yun coldly and said, “You are reckless. Do you really know how to fight?”

Then, Uncle Otter extended his palm and a wisp of internal Qi lightly landed on Kong Yun’s body.

With just this attack, Kong Yun's entire body went soft and he fell to the ground with a bang.

He glared at Uncle Otter, but he could not move at all.

"Kong Yun! Are You Alright? !"Everyone quickly surrounded him.

Uncle Otter said coldly, "Don't worry, I didn't kill him. I only taught him a small lesson."

Although he said that, from Kong Yun's expression, he should be in extreme pain at this moment.

Qiao Zun slowly walked to Kong Yun and said condescendingly, "See? This is what you all end up with. Without a martial saint, all of you are just a bunch of ants!"

When they saw this scene, many of the current disciples' faces were filled with grief and indignation. However, they could not do anything to them!

Just as Qiao Zun had said, without a martial saint, they had no dignity at all!

Qiao Zun slowly stood up from the ground.

His gaze fell on Chang Mang and Qin Yu.

"Who are the two of you to dare to attack us?"Qiao Zun narrowed his eyes and said.

Qin Yu's expression changed slightly, and he knew something was wrong.

At least Kong Yun still had a background, so Qiao Zun did not dare to kill him.

However, Qin Yu was different from Chang Mang. The two of them had no background, and Qiao Zun had no scruples.

“Uncle Otter, kill the two of them,” Qiao Zun snorted coldly.

Uncle Otter did not say anything. He just walked towards the two of them.

“Two ants trying to climb up to the Sky? What a joke,” uncle Otter said coldly.

Then, he saw Uncle Otter raise his hand.

His palm was surrounded by light, and a wave of killing intent assaulted his face.

Qin Yu’s expression was extremely unsightly. He looked at Uncle Otter warily and quietly mobilized the internal Qi in his body. It was best to be prepared to resist.

“You don’t know life from Death!” Uncle Otter shouted loudly, and his palm instantly covered the two of them!

But at this moment, a stream of light quietly passed by and blocked in front of Qin Yu and Chang Mang!

Uncle Otter frowned and said coldly, “Who’s the busybody!”

The scene was silent as they all looked towards the east.

They saw an old man slowly walking over from the east.

“It’s Xu Huaigu!” Someone shouted in shock.

Chapter 922: Chapter 922, Xu Huaigu VS the three martial saints

Xu Huaigu was dressed in a long robe and had a long beard. He looked like a celestial being.

When they saw this person, many martial saints narrowed their eyes slightly.

They were not unfamiliar with Xu Huaigu.

He was the only martial saint in the current era. He was also the only person who had gone against the martial saint of the mystic realm.

Therefore, the people in the mystic realm hated him to the bone.

“Xu Huaigu?” The first to speak was uncle otter, who had attacked Qin Yu.

The other martial saints also stepped forward.

“Are we going to go over?” Zhai Xing looked at Gu Xinghe.

Gu Xinghe shook his head and said, “No, we still have to win over the hearts of the people and use them for my purposes. Now is not the time to make a move.”

Zhai Xing nodded slightly when he heard this.

Xu Huaigu walked straight to the side of Qin Yu and the others.

He placed his hands behind his back and looked at Uncle Otter and the others in front of him quietly.

“Fellow Daoist, why must you be so aggressive?” Xu Huaigu said quietly.

Uncle otter sneered, “So what if you’re aggressive? You’re Only a new martial saint. Don’t tell me you want to become enemies with all of us?”

Xu Huaigu said quietly, “The more powerful you are, the more responsibility you have. Although I don’t know them, since I’ve become a martial saint, I have my own responsibilities.”

“Hahahahaha!” Hearing these words, Uncle Otter immediately burst into laughter.

“From your words, you’re planning to protect them?”

Xu Huaigu said with a calm expression, “If you insist on fighting, I can only exchange blows with you.”

“Good! Today, I will teach you a lesson, this junior who doesn’t know the immensity of Heaven and Earth!” Uncle Otter roared, his internal Qi instantly rising!

With a wave of his large hand, an intense force rushed towards Xu Huaigu’s face!

Xu Huaigu’s expression was calm and did not panic. With a wave of his large sleeve, an equally powerful force rushed towards him!

“Boom!”

With a loud sound, the two of them exploded like a cannonball!

Then, they saw Uncle Otter take a few steps back!

On the other hand, Xu Huaigu remained calm. He stood where he was without moving an inch.

This undoubtedly boosted the confidence of the many aristocratic disciples!

Everyone shouted, "Senior Xu is invincible under the Heavens!"

Uncle Otter's expression was extremely ugly.

Although the two sides were only exchanging blows, they were at a disadvantage when they raised their hands. This could be said to have lost the face of all martial saints in the mystic realm.

"I really underestimated you!" Uncle Otter said with a cold face.

At the same time, Uncle Zhen and the others also took a step forward together.

At a glance, they saw Xu Huaigu fighting against three martial saints alone!

"What kind of ability is it to bully the weak with numbers!"

"If you have the ability, fight against senior xu one-on-one!"

"Even if you win, it will be an unfair victory!"

However, Uncle Zhen sneered and said, "We have more martial saints. This is also our strength. Even if it's three-on-one, why not!"

Uncle Otter narrowed his eyes and said, “Xu Huaigu, if you leave now, we might be able to stop.”

Xu Huaigu glanced at them and said quietly, “All of you, attack together.”

“You’re courting death!” These words undoubtedly infuriated everyone!

Uncle Otter and the other three martial saints exploded with Qi energy in an instant and closed in on Xu Huaigu!

The terrifying qi force instantly made everyone unable to withstand it.

Even Qin Yu felt a wave of stuffiness in his chest!

Xu Huaigu raised his palm and a wave of gentle qi force instantly covered Qin Yu and the others.

On the other hand, his other hand slowly condensed beams of resplendent light to meet the three people!

“Boom!”

The great battle erupted in an instant. Xu Huaigu fought one against three, but he was not at a disadvantage at all!

“Retreat quickly!” Qin Yu saw that things were not going well and shouted hastily.

A full-force battle between Martial Saints was not something an ordinary half-step martial artist could withstand!

Under Qin Yu’s lead, everyone retreated a few miles in one breath and watched the battlefield from afar!

Xu Huaigu's moves were extremely ordinary, but each move contained extremely terrifying power.

Even when fighting against three people, he was not at a disadvantage at all.

Everyone's blood boiled as they watched, and they all clenched their fists.

“Senior Xu will definitely win!”

“Even if it's one against three, senior Xu still firmly holds the advantage!”

“Senior Xu is the role model of our generation!”

Qin Yu did not say a word. In his heart, he also had a trace of admiration for Xu Huaigu.

For the sake of the current generation of martial artists, he would rather offend all the major secret realms, and even the Jingdu Martial Arts Association!

This kind of temperament was worthy of respect!

“Boom!”

Along with a burst of explosion, the moves of both sides exploded in the sky!

In an instant, this gorgeous light illuminated the sky, turning the night into day!

It seemed that it would be very difficult to determine the victor in a short period of time in a fight between four people!

“No!”Qin Yu was somewhat anxious.

They had seven martial saints! Now, only three of them had made a move!

If one more person joined them, then Xu Huaigu would die without a doubt!

“Damn it!”Qin Yu gritted his teeth anxiously.

He wanted to help, but he was afraid of exposing his identity.

At this moment, Qin Yu even wanted to bring out that Coffin to suppress Uncle Otter and the others!

Qin Yu stared straight ahead, and his heart became increasingly anxious.

If he could not stop this battle as soon as possible, Xu Huaigu would only become weaker and weaker!

“Damn it, if I really can’t do it, I will take out those two corpses!”Qin Yu thought to himself!

Those two corpses were existences that surpassed mighty figures!

If these two corpses could resurrect on their own, killing these martial saints would not be a problem at all!

Seeing that the other martial saints nearby were getting restless, Qin Yu could not wait any longer.

Xu Huaigu was fighting at the front, yet he was hiding here. This was not Qin Yu's personality!

"I'm going all out!" Qin Yu cursed in his heart! He decided to take out the two corpses!

Chapter 923: Chapter 923, Stealing Spirit Stones? !

Just as Qin Yu was about to take out the two corpses to fight, Zhai Xing suddenly stepped forward and blocked in front of both sides.

"Enough," Zhai Xing said coldly.

Uncle Zhen and the others frowned slightly. Although they were somewhat displeased, they did not dare to be angry at Zhai Xing.

"Lord Zhai Xing, do you intend to protect this person?" Uncle Otter said coldly.

Zhai Xing glanced at him and said, "If you continue fighting, you will definitely destroy this spirit stone mine."

Uncle Otter snorted coldly. Although he was displeased, he did not say anything.

Uncle Zhen looked at Xu Huaigu coldly and said, "On account of Lord Zhai Xing, we can spare you, but you must scam immediately! This spirit stone mine has nothing to do with you!"

As soon as these words were said, everyone looked at Xu Huaigu.

Xu Huaigu looked at Uncle Zhen quietly and said, "The Spirit Stone Mine is a treasure of Heaven and earth. It should belong to the people of

the world. What right do we have to leave? And what right do we have to give up?"

"You're courting death!" Uncle Otter said angrily.

"Don't be shameless! A treasure of the world? Do you have the strength to do so!"

"If we don't give it to you, what can you do?!"

Xu Huaigu calmly said, "If you don't give it to us, we will definitely fight until you are willing to talk to us as equals."

These words immediately fiercely touched Qin Yu's heart.

His words directly hit Qin Yu's heart.

"Hehe, then we will kill you now. Let's see how you will fight back!" Uncle Otter and the others once again made their way over!

Right at this moment, Gu Xinghe took a step forward and calmly said, "The Jingdu Martial Arts Association will be responsible for the distribution of the Spirit Stone Mine."

Everyone looked at Gu Xinghe, their eyes filled with suspicion.

Gu Xinghe calmly said, "Three days later, the Jingdu Martial Arts Association will hold a meeting to discuss the distribution of the Spirit Stone Mine."

"At that time, I will mediate the conflict for everyone."

Gu Xinghe was Gu Zizhen's son. Since he had spoken, Uncle Otter and the others naturally did not dare to say anything.

This battle seemed to have been suppressed for the time being.

However, everyone knew very well that this was only temporary.

Relying on flattery and flattery would definitely not allow one to obtain equal power.

If one wanted to have an equal conversation, the prerequisite was to have equal strength.

“Alright, everyone can leave for now,” Gu Xinghe said.

“Young Master Gu, I hope you can uphold the principle of fairness,” someone said coldly.

The crowd retreated like a tide.

Xu Huaigu did not stay any longer. He swept his gaze across the crowd and slowly left.

“Xu Huaigu! I’ll let you off this time, but I’m not sure if I’ll let you off next time!” Uncle Otter shouted from behind.

“Three days from now, it’ll be your time to die!” Uncle Zhen also coldly berated.

Xu Huaigu did not say a word and left the place in a few steps.

Staring at the crowd present, Qin Yu’s heart was filled with worry.

He coldly swept his gaze over these martial artists from the mystic realm, a strong killing intent in his heart.

“Friend, thank you for your help.” At this moment, Zhuang Teng and Chang Mang walked over.

Qin Yu bowed slightly and didn't say anything.

“Friend, if you don't mind, why don't you go to my residence for a chat?” Zhuang Teng continued to invite him.

Qin Yu was silent for a moment, then shook his head and said, “I still have something to do, so I won't go.”

After saying that, Qin Yu planned to leave.

At this time, Chang Mang blocked Qin Yu's path.

He sized up Qin Yu and said, “Friend, you should be careful. These martial artists in the Mystic Realm won't let you off.”

“I know, thank you.” Qin Yu subconsciously wanted to pat Chang Mang's sword light, but in the end, he put his hand down.

He did not dare to stay any longer and turned around to leave this large mine.

Qin Yu knew very well that the conversation three days later would definitely be an unfair conversation.

At that time, a great battle would definitely erupt!

And no one knew if those seven martial saints would attack at the same time.

“With Xu Huaigu alone, I'm afraid it would be difficult to resist these seven martial saints.” Qin Yu could not help but think to himself.

After thinking for a while, Qin Yu decided to think of a way to resurrect those two corpses!

If he had these two corpses, even these seven martial saints would not be worth mentioning.

“If only the handlebar mustache was here.”Qin Yu thought to himself.

“Yes! Handlebar Mustache!”

Qin Yu slapped his head. He had actually forgotten about him!

With his personality, he would definitely not miss out on this spirit stone mine!

As long as there was a babe, there would definitely be his figure, not to mention such a big mine that had spread all over the country!

After thinking about it, Qin Yu planned to hide in the dark and look for the figure of the handlebar mustache.

...

The next day.

Qin Yu stood far away from the spirit stone mine and secretly looked at the vicinity of the big mine.

Until noon, Qin Yu still did not see the figure of the handlebar mustache.

“Strange.”Qin Yu could not help but frown.

Could it be that this was a change in character? He could miss even the spirit stone mine?

“Impossible.”Qin Yu shook his head.

The handlebar mustache would miss anything, but the treasure would definitely not be missed.

Thus, Qin Yu planned to continue waiting.

At this moment.

A wretched figure appeared in Qin Yu’s line of sight.

He looked at his surroundings with a crafty expression and crept up the mountain peak.

His posture was extremely similar to a thief who was planning to steal something.

“I’ve finally waited for you.”Qin Yu could not help but heave a sigh of relief.

However, he was not in a hurry to look for him. Instead, he wanted to see what the handlebar mustache wanted to do.

On the peak of the mountain.

The handlebar mustache carefully looked at his surroundings and unleashed his wretched aura to the maximum.

After making sure that no one around him noticed him, he took out a pile of magical artifacts and strange-looking materials and anxiously gestured something on the peak of the mountain.

At this moment, Qin Yu carefully came to his back and patted his shoulder.

“F * ck!”

The mustachioed man was so scared that he staggered and almost fell to the ground.

He looked at Qin Yu with a terrified face and said with an embarrassed smile, “What’s the matter, fellow Daoist?”

Qin Yu rolled his eyes at him and said, “What are you doing here sneakily?”

The mustachioed man coughed and said, “I saw that the scenery here was very good, so I wanted to come up and take a look.”

“TSK TSK, do you think the Sun is beautiful? Do the branches over there look good?”

“F * CK Your Grandpa.” Qin Yu rolled his eyes.

He pointed at the various materials on the ground and said, “What are these things?”

“Uh... This is just a pile of stones. I think it looks pretty good here,” the moustache man said shamelessly.

Qin Yu glared at him and said, “Mustache Man, what are you trying to do? Quickly tell me!”

The mustache man muttered, “I’m not doing anything. I... Huh? What did you call me?”

Looking at the mustache man who suddenly reacted, Qin Yu said softly, “I’m Qin Yu. Don’t make it public.”

“F * ck!”The Mustache Man glared.

“F * ck, you’re scaring me to Death!”

Qin Yu rolled his eyes and said, “Cut the crap. What do you want? Tell me quickly!”

“I really didn’t do anything. I’m just here to enjoy the scenery,”the man with the handlebar mustache said with a smile.

Qin Yu nodded and said, “Okay, I’ll go tell Gu Xinghe now.”

After saying this, Qin Yu made a gesture to leave.

Seeing this, the mustached man hurriedly stopped Qin Yu.

“Okay, everyone who sees it will have a share,”the mustached man said helplessly.

“To tell you the truth, this is the latest spatial spell I’ve developed.”

Qin Yu raised his eyebrows and said in surprise, “Spatial spell? What are you doing?”

The mustached man said with a smile, “After this big spirit stone mine opens, I can wait for an opportunity to pass through this spatial formation.”

“Steal Spirit Stones?”Qin Yu’s eyes flashed with a trace of surprise.

Chapter 924: Chapter 924, resurrection of the corpse

“Hey, look at what you’re saying. I’m here to take it, not to steal it!”The mustached man muttered.

Qin Yu waved his hand and said, “Don’t talk nonsense. Won’t your spatial formation be discovered? Isn’t this too conspicuous?”

The mustached man smiled and said, “You don’t understand, do you? I’ve already said it. This is my latest research. It’s obviously different from ordinary spatial formation.”

“After I finish setting it up, I will naturally set up a secret technique to conceal the Great Dao,”the mustached man said proudly.

Qin Yu looked at the mustached man up and down, his eyes full of shock.

“Why are you looking at me like that?”The mustached man covered his chest and muttered, “I’m not interested in men.”

“F * CK Your Grandpa!”Qin Yu kicked his butt.

It had to be said that this mustached man was always able to take out shocking things.

This also made Qin Yu more and more unable to understand the identity of the mustached man.

His spells and magic artifacts were even above the pavilion of heavenly secrets.

“Those who see it will have a share. Later, you have to bring me along,”Qin Yu said.

The mustached man said with a troubled expression, “This won’t do. My formation can only carry one person...”

“Alright, then I’ll go tell Gu Xinghe,”Qin Yu muttered.

When the mustached man saw this, he hurriedly pulled Qin Yu back.

He sighed and muttered, “Damn it, I didn’t see the almanac when I went out. I actually met a bastard like you.”

After he finished speaking, the mustached man glanced at him and said, “Hurry up and keep a lookout for me.”

“No Problem!”Qin Yu patted his chest.

Fortunately, the few martial saints were not around, so Qin Yu and the moustache man’s operation was quite smooth.

After spending about two hours, the moustache man finally succeeded in setting up the formation.

Immediately, the moustache man took out a spiritual artifact that looked like a kasaya from his spatial divine weapon.

He draped the spiritual artifact over the formation and then recited the spell silently.

The spatial teleportation formation in front of him actually slowly disappeared.

This made Qin Yu give him a thumbs up from the bottom of his heart.

“Awesome,”Qin Yu sighed.

“Low-key, low-key,”the mustached man said proudly.

“Alright, let’s go quickly. It will be troublesome if we are discovered later,”the mustached man muttered.

Qin Yu grunted in gratitude and hurriedly left the mountain peak.

After leaving the large spirit stone mine, the two of them returned to the civilian house where Qin Yu had stayed.

Staying in the civilian house, the mustache man said in puzzlement, “Aren’t they all looking for you? Why do you still dare to come out? By the way, where did you get this hat on your head?”

Qin Yu waved his hand and said, “We can talk about this later. I have something that I need your help with.”

“I can’t help you. I don’t want to die.”Without waiting for Qin Yu to say anything, the Mustache Man refused.

Qin Yu Glared at the mustache man and said, “Do you still want to go to that big spiritual stone mine?”

Although the Mustache Man was extremely unwilling, he still muttered, “Fine, fine, fine. You’re really the F * cking ancestor of moral kidnapping.”

Qin Yu did not pay attention to these words. He said in a deep voice, “In three days, those martial saints will definitely think of ways to get rid of Xu Huaigu.”

“What does it have to do with me?”The mustached man muttered.

Qin Yu frowned and said, “Xu Huaigu is the only martial saint right now. Everything he did was for our interests. I can not watch him die.”

The mustached man laughed coldly and said, “Qin Yu, are you crazy? There are seven martial saints. Even if the three martial saints from the Jingdu Martial Arts Association don’t make a move, there are still four of them!”

“Four martial saints? What can we do with just you and Me?”

Qin Yu nodded and said, “Indeed, we can’t do it with just us. But if we rely on those two corpses in my hands... We will definitely have the strength to fight.”

“You want to resurrect those two corpses again?” The mustached man said with a frown.

Qin Yu said in a deep voice, “Not only must we resurrect them, but we must also let them resurrect themselves.”

Upon hearing these words, the mustached man immediately drew in a breath of cold air!

He grabbed Qin Yu and said in a shocked voice, “If those two corpses were to be resurrected on their own, you know better than me what the consequences would be!”

“Their threat is greater than those seven martial saints!”

Qin Yu said in a cold voice, “So what? I would rather let them not differentiate between friend and foe than watch those seven martial saints beat Xu Huaigu to death.”

The mustached man was stunned as if he was frightened by Qin Yu’s thoughts.

He was silent for a moment before he shook his head and said, "I can't do it."

Qin Yu looked at the mustached man and said, "You can do it as long as you want to."

The mustached man shook his head and said, "You think too highly of me. I don't have the ability to resurrect those two corpses that have surpassed the almighty level."

At this point, the moustache man changed the topic and continued, "However, you can try using the same method as last time. You can use that picture to summon those two corpses."

"Will it succeed?" Qin Yu asked.

The moustache man shook his head and said, "I don't know. You can only try."

Qin Yu instantly fell silent.

He pondered for a long time before finally sighing slightly and saying, "I hope we won't need them."

The mustached man smiled bitterly and said, "I don't want to see them resurrected."

...

Qin Yu didn't leave the house for the rest of the time.

At this time, the conflict between the martial artists in the mystic realm and the martial artists in the present age broke out again.

Under the leadership of Qiao Zun, the martial artists in the various mystic realms attacked the disciples in the present age one after another.

It seemed that they wanted to suppress the martial artists in the present age and make them completely submit.

The most vicious one was still the Wan Gu Qiong!

He showed no mercy to the current generation martial artists, and his methods were extremely cruel.

Kong Yun, Yao Mengchu, and the others attacked one after another, although they temporarily eased the pressure.

However, among the current generation martial artists, experts like Kong Yun and Yao Meng were too few, which resulted in the current generation martial artists still being suppressed.

Qin Yu looked at the anger on the martial arts forum and felt very upset.

“If I step into the martial saint realm, I will definitely kill all of them.” Qin Yu secretly clenched his teeth.

The first thing to do after stepping into the martial saint realm was to destroy the Wan family’s Secret Territory!

Two days later.

There was only one day left before the conference.

Qin Yu, who was lying on the bed, suddenly thought of something. He quickly walked to the room with the handlebar moustache.

“What?” The handlebar moustache, who was doing lewd things, hurriedly pulled up his pants.

Qin Yu was a little speechless, but he did not care about this matter. Instead, he asked directly, “Do you know the secret realm of the Yan Family?”

“The secret realm of the Yan Family?”

Hearing this, the handlebar moustache immediately jumped up from the bed.

Chapter 925: Chapter 925, rumors about the secret realm of the Yan family

Qin Yu nodded and said, “Yes, the secret realm of the Yan family.”

Then, Qin Yu told the handlebar mustache what happened to him in the secret realm.

After hearing it, the handlebar mustache’s face suddenly became gloomy.

“What’s Wrong?” Seeing this, Qin Yu couldn’t help but frown and ask.

The handlebar mustache said in a low voice, “It seems that the rumors are true.”

“What rumors?” Qin Yu hurriedly asked.

The Mustache Man looked at Qin Yu and said seriously, “When I was traveling, I once saw an ancient book that recorded many rumors, including the Yan family.”

Qin Yu didn't say anything and waited for the follow-up of the Mustache Man.

The mustache man said, "According to the records in that ancient book, the Yan family is an ancient family that has been passed down for many years. As for their strength, no one knows."

"A long time ago, I suspected that the Yan family in Jingdu was most likely one of their branches. Now it seems that it is very likely to be true."

Qin Yu also said in a low voice, "Old Mister Yan also said before that he heard my father... heard others mention that Yan Ruoxue might be someone with the complete bloodline of the Yan family."

"At that time, old Mister Yan and I didn't quite believe it, because if the Yan family was really so powerful, when Yan Ruoxue was being bullied, they never showed up."

"Now it seems that the Yan family probably didn't discover Yan Ruoxue's bloodline until she stepped into the path of cultivation."

The mustached man nodded slightly in agreement to this guess.

"Is this secret realm of the Yan family really that powerful?" Qin Yu asked.

The mustached man nodded and said, "If the rumors are true, then they are very likely to be the top existences in the GU family."

"It's said that their purest bloodline possesses extremely powerful strength."

“I now suspect that even the secret realm of the Yan family doesn’t have the complete bloodline of the Yan family. Otherwise, they wouldn’t have come to take Yan Ruoxue away.”

Qin Yu said somewhat suspiciously, “Then why didn’t they take action to destroy the Jingdu Martial Arts Association? or those secret realms that Oppress Yan Ruoxue?”

“How would I know if you ask me?”The Mustache Man rolled his eyes.

“You’ve seen it. The people they sent to pick up Yan Ruoxue are all at the Almighty Realm. As for how powerful their clan is, I don’t even dare to imagine it.”

Qin Yu couldn’t help but suck in a cold breath.

That’s right. Even the two people who came to pick up Yan Ruoxue were at the Almighty Realm. Then, how many peak cultivators did their clan have?

“Where is the Yan family’s secret realm?”Qin Yu asked.

“I don’t know.”The mustached man shook his head.

“But I can be sure that their secret realm is absolutely different from what we know.”

Qin Yu also agreed with this.

A family with such strength couldn’t possibly hide in a small world like the second secret realm.

“These are too far away from us. However, I have to remind you that if the rumors are true, then in front of the Yan family, your advantage as a primal chaos body isn’t worth mentioning.”The mustached man said.

Qin Yu sighed slightly.

Of course, he had long realized this matter, but what could he do? He could only take it one step at a time.

...

The conference was getting closer and closer, and countless martial artists of the current era were seriously injured.

For a moment, the entire martial arts world was filled with sorrow.

At this moment, they could not help but Miss Qin Yu.

“If Qin Yu was here, he would definitely be able to take care of them!”

“Yeah, with Qin Yu’s personality, he would definitely not allow these mystic realm disciples to be arrogant!”

“Sigh, when the mystic realm appeared, Qin Yu and Yan Jinyao actually disappeared. I really want to see if Yan Jinyao can defeat them.”

“Yan Jinyao... He is the number one disciple in the world. With him around, it might really be possible.”

Looking at these comments, Qin Yu could not help but sneer.

Yan Jinyao?

He had obtained 80% of Yan Ruoxue's bloodline. He was indeed extremely powerful.

However...

How could a selfish person like him offend others?

This matter had nothing to do with him. This was Yan Jinyao's style of doing things.

Qin Yu picked up his phone. His heart was a little chaotic.

That night.

In a secret room of the Yan family, a young man slowly opened his eyes.

The door of the secret room slowly opened.

Then, Yan Jinyao walked out of the secret room.

The two warriors of the Yan family guarding the door hurriedly came up to greet him.

"Congratulations to young master Yan for coming out of closed-door cultivation," the two said in unison.

Yan Jinyao put his hands behind his back and looked indifferent.

His every move carried a powerful internal Qi.

"Young Master Yan, May I know what realm you have entered?" A martial artist beside him asked.

Yan Jinyao said indifferently, "There is only a thin line between you and a martial saint."

The two martial artists immediately shouted, “Congratulations, Young Master Yan, for entering the half-step martial Saint Realm!”

“Half-step martial saint?” Yan Jinyao could not help but snicker.

“I am not an ordinary half-step martial saint. The benefits that the Yan family bloodline has brought me... are beyond my imagination!”

A trace of confidence and madness flashed across Yan Jinyao’s face!

He felt the power that filled his body and his face became even more excited!

That night, Yan Sihai held a celebration banquet for Yan Jinyao.

During the banquet, Yan Jinyao also had a general understanding of the current situation in the world.

“This means that the martial arts world has been occupied by martial artists from the Secret Realm?” Yan Jinyao’s eyes narrowed slightly.

Yan Sihai nodded and said, “Yes, there has been a lot of support for you on the martial arts forum recently.”

Hearing this, a trace of pride could not help but appear on Yan Jinyao’s face.

“Of course, Qin Yu’s support is even higher.” At this time, Yan Sihai added another sentence.

Hearing this, Yan Jinyao’s face instantly turned cold.

He clenched his fist and said coldly, “A bunch of ants, and they still want me to save them. It’s really... ridiculous!”

The Butler next to him suggested, “Young Master Yan, their lives are of course not worth mentioning, but if you make a move now, you will definitely win the hearts of the people.”

“Recently, under Gu Xinghe’s leadership, the Jingdu Martial Arts Association has lost the hearts of the people. If we are willing to invest now, we might be able to replace the Jingdu Martial Arts Association!”

Yan Jinyao looked at the butler, his eyes slightly narrowed, and no one knew what he was thinking.

Replace the Jingdu Martial Arts Association ?

To Yan Jinyao, this was indeed quite tempting.

If he could become the leader of the martial arts world today, coupled with the background and resources of the Yan family in Jingdu, who would be able to go against him then ?

“Young master, think carefully. This is definitely a rare opportunity for us,”the Butler next to him continued.

But at this time, Yan Jinyao shook his head.

He sneered, “Now is not the time. Even if I step out, it won’t cause much of a stir.”

Hearing this, everyone immediately looked at each other.

Yan Jinyao continued, "Wait until they are desperate enough before I step out. The effect will be even better!"

"Moreover... I don't want to become enemies with the Jingdu martial arts association right now."

Yan Sihai said in a deep voice, "Then... What if Qin Yu is one step ahead of you?"

Yan jinyao sneered, "Before he becomes a martial saint, he can't do anything."

Seeing this, Yan Sihai did not say anything more. He only nodded slightly.

...

Time flew by quickly. In the blink of an eye, it was the day of the conference.

The conference was set at a mountain peak.

The top of the mountain had been artificially flattened and turned into a huge square.

On this square, the Jingdu Martial Arts Association had already finished setting up.

In addition to setting up a banquet, they had also set up military forces in the surroundings, waiting for the arrival of the crowd.

In the early morning, many warriors had already arrived here.

They came from two different camps, which also led to endless arguments as soon as they met.

Fortunately, under Zhai Xing's deterrence, the crowd slightly restrained themselves.

Gu Xinghe sat on the stage, his fingers lightly tapping on the chair, looking like he was in a strategic position.

However, Zhai Xing was a bit worried.

No one knew how to distribute the large spiritual stone mine.

“Young master Gu, how exactly do you plan to resolve the conflict between the two sides?” Finally, Zhai Xing could not hold it in anymore.

“If you distribute it fairly, the disciples of the secret realm will definitely not be willing. If it's not fair, the others will also not be willing.”

Gu Xinghe glanced at Zhai Xing and said indifferently, “Who do you think is more important to me?”

Zhai Xing thought for a moment and finally shook his head.

Gu Xinghe snorted coldly and said, “As far as I know, the official attitude towards the Jingdu martial arts association has become more and more dissatisfied. There are more martial artists in the secret realm, and their strength is also stronger. Of course, I'm willing to lean towards the secret realm.”

Zhai Xing said in a deep voice, “Then today will definitely stir up a conflict.”

Gu Xinghe lay down on his chair and sneered, "I'll do what I have to do. The rest has nothing to do with me."

Zhai Xing did not say anything, but there was some worry in his heart.

Time passed quickly. Soon, nearly a hundred people came to the venue.

Zhuang Teng and the others also arrived at the venue early. They gathered together and discussed countermeasures.

"If Gu Xinghe favors the arcane realm today, what should we do?" Zhuang Teng asked.

Kong Yun snorted coldly, "Anyway, I'm already prepared to die. Living in humiliation is not the life I want."

The others saw this and remained silent. They did not seem to have made up their minds in a short period of time.

...

On the other side.

Qin Yu was rushing towards the square with his handlebar mustache.

"Qin Yu, think carefully. Once those two corpses are resurrected, we won't be able to control them," the handlebar mustache muttered.

Qin Yu took a deep breath and said in a low voice, "I hope we won't need them."

They arrived near the scene.

The handlebar mustache pushed Qin Yu and said, "Go in first. We'll split up to avoid arousing suspicion."

Qin Yu grunted and said, "Be careful."

After saying that, Qin Yu pressed down his hat and strode in.

In the square.

Everyone gathered together and waited for the beginning of the conference.

There was a dazzling array of delicacies on the table, including fruits and fine wine brought out from the second secret realm.

The food brought out from the secret realm carried a faint qi/spiritual energy, and the taste was better.

Qin Yu casually found an inconspicuous seat and sat down. His purpose was to not be discovered.

His pair of eyes scanned the surroundings and quietly observed the scene.

At this moment, waves of movements came from outside.

Then, he saw several Martial Saints striding over.

Their clothes were luxurious, their bodies were covered in jewelry, and the indistinct internal Qi on their bodies made people feel a strong sense of oppression.

Almost everyone's gaze fell on them.

The expressions of the current generation's disciples were even more unsightly.

These martial saints were like an invisible mountain that pressed down on people until they could not breathe.

“With them here, what right do we have to talk?”

“How can senior Xu alone stop them?”

“Sigh... I really hope that a few martial saints can emerge from this world as soon as possible.”

Those martial saints ignored everyone’s gazes and walked straight to the side of the secret realm and sat down.

They toasted each other and were very happy.

On the other hand, the martial saints of this world all had worried expressions on their faces.

Qin Yu looked at them coldly. Although he was angry in his heart, he could only forcefully endure it.

At this moment, Xu Huaigu also walked in from outside.

The moment they saw Xu Huaigu, the faces of the many martial saints of the secret realm instantly turned cold.

Pairs of cold eyes stared straight at Xu Huaigu.

The killing intent emitted from their bodies made people shudder.

Those eyes were like sharp blades that were about to kill people, aiming straight at Xu Huaigu.

Some of them even stood up on the spot!

Xu Huaigu's face was still calm. He ignored everyone's gazes and walked straight into the square.

"Xu Huaigu is here," uncle Zhen said coldly.

"Today is the day he will die," uncle Otter said with narrowed eyes.

"We have already communicated with Gu Xinghe. Zhai Xing will not make a move today."

"When that time comes, we will join forces and take his life quickly!"

Qin Yu remained silent. Naturally, he could feel the hostility and killing intent of those martial saints.

"It seems... it is impossible to negotiate peacefully today." Qin Yu sighed slightly in his heart.

He clenched his fists, ready to resurrect the two corpses at any time.

"TSK TSK, isn't this the kid who attacked that day? You still dare to come?"

At this moment, a voice entered Qin Yu's ears.

He looked up and saw Qiao Zun looking at Qin Yu with a faint smile..

Chapter 927: Chapter 927, Gu Xinghe's decision

Qin Yu frowned slightly. In the end, he was still targeted by this B * Stard.

He turned his face to the side without saying a word, trying to get away with it.

“What, are you scared now?”

However, Qiao Zun had no intention of letting Qin Yu go.

He sneered, “Aren’t you strong? Why Don’t you dare to Speak Now?”

Qin Yu frowned.

If this continued, Qin Yu might not be able to hold back.

“Brother Qiao, this kid really needs to be taught a lesson.”

At this moment, Wan Gu Qiong also walked over from the side.

The moment he saw Wan Gu Qiong, Qin Yu’s heart was even more furious.

Qin Yu could be said to Hate Wan Gu Qiong to the extreme. He wanted to kill him immediately.

“Eh?” At this moment, Wan Gu Qiong sized up Qin Yu.

“This kid looks familiar.”

Hearing this, Qin Yu’s expression changed drastically.

Could it be... that he was seen through?

“Kid, Take Off Your Hat.” Wan Gu Qiong walked forward and said coldly.

Qin Yu looked at Wan Gu Qiong coldly. The anger in his heart rushed to his brain.

“What? You Don’t understand what I said, do you?”

Wan guqiong snorted coldly and raised his hand to take off Qin Yu’s hat.

Qin Yu subconsciously slapped Wan Guqiong’s wrist.

This undoubtedly infuriated Wan guqiong. He glared at Qin Yu and said, “You still dare to make a move, right? Fine, I’ll use you as an appetizer today!”

Qin Yu was instantly unable to restrain his anger, and his body stood up with a “Bang”!

Both sides were at daggers drawn, ready to fight at any time.

“If you want to fight, I’ll fight with you!” At this moment, Kong Yun stepped forward.

He looked at Wan Gu Qiong coldly and said, “A dog who bullies the weak and fears the strong. If you want to fight, I’ll fight with you!”

Wan Gu Qiong narrowed his eyes and said sarcastically, “Kong Yun, don’t be too smug. If your father was here, he might still have the right to speak, but you can’t.”

“F * ck you!” Kong Yun shouted loudly and immediately clenched his fist and charged at Wan Guqiong.

“Forget it.” At this time, Qiao Zun pulled Wan guqiong away.

He looked coldly at Kong Yun and snorted lightly, “Kid, you can’t be arrogant for too long. After today, you so-called young masters of the Jingdu aristocratic families will no longer exist!”

After throwing these words, Qiao Zun turned around and left with Wanguqiong.

“Damn you, if you have the ability, don’t go!” Kong Yun clenched his fist and cursed angrily.

Seeing this, Qin Yu couldn’t help but smile bitterly in his heart.

Kong Yun seemed to be more impulsive than Chang Mang.

“Many thanks.” Qin Yu cupped his hands to Kong Yun.

Kong Yun glanced at Qin Yu and snorted, “I didn’t do it to help you. I just simply didn’t like him.”

After he had said this, Kong Yun turned around and left.

Qin Yu immediately burst into laughter.

This kid was truly unpredictable.

However, no matter what, he had managed to avoid the disaster this time.

The atmosphere at the scene was somewhat strange.

Ever since the arrival of the martial saints, the air was filled with angry sparks that could ignite at any time.

Qin Yu’s eyes scanned his surroundings vigilantly as he observed the scene.

As long as he saw that things were not going well, he could only think of a way to dig out the two corpses.

As more and more people gathered at the scene, the entire venue was almost filled to the brim.

“I really don’t know what a bunch of trash like you can do here.” A martial artist from the secret realm ridiculed them with a strange tone.

“Yeah, a bunch of ants also want to covet the Spirit Stone Mine. How Ridiculous.”

“Do you really think that you can stand on equal footing with us by relying on an old fellow who has only stepped into the martial saint realm for eight lifetimes?”

“F * ck you! If anyone is unconvinced, just come out and fight!” Chang Mang shouted loudly. His entire body was filled with flames as he took the lead to stand out.

“I’m not afraid of You!” The other party did not hesitate at all as he stood up and counted the number of people.

“Then there’s no need to talk nonsense. I’ll Kill You First!”

“Boom!”

In an instant, the scene erupted into another battle!

Gu Xinghe glanced at Zhai Xing, who immediately walked out with a question.

He stretched out his palm, and a terrifying force directly split the scene into two!

Everyone was actually unable to move under this enormous force!

Such a method could not help but cause people to be greatly shocked!

Just by raising his hand, he was able to separate the two groups of people.
What kind of power was this?

Even Qin Yu was amazed in his heart!

As a martial saint, this Zhai Xing's strength was shockingly above the other martial saints!

"If Zhai Xing makes a move, senior Xu will be in trouble," Qin Yu thought to himself.

"Everyone, be quiet." Gu Xinghe swept his gaze around and said coldly.

"The Jingdu Martial Arts Association is hosting this meeting. Naturally, we should be the ones to divide the resources."

Everyone was silent as they waited for Gu Xinghe to continue.

Gu Xinghe cleared his throat and scanned his surroundings. However, he did not speak for a long time, as if he was deliberately keeping them in suspense.

This also made everyone present extremely nervous. They stared intently at Gu Xinghe.

Even though the martial artists of the current era were extremely disappointed with the Jingdu martial arts association, they still held a glimmer of hope in their hearts.

Gu Xinghe coughed and said faintly, “The large spirit stone mine is an ownerless thing in the world. Normally, it should indeed be divided among the various great clans and martial artists.”

Speaking up to this point, Gu Xinghe paused for a moment and changed the topic. “However... in any era, the strong preys on the weak, especially in the martial arts world.”

“Therefore, the division of resources should be based on hard power

“Now, I will split the Spirit Stone mine into two parts according to the ratio of one to nine, of which the secret realm accounts for nine.”

Hearing this, the crowd burst into an uproar!

One to nine? Such a ratio was really unacceptable!

“Damn it, I thought that Gu Xinghe would say something!”

“Trusting him is the stupidest decision I’ve ever made in My Life!”

“That’s not fair! We’ll never agree to it!”

“Gu Xinghe, you’re a F * cking Beast!”

The scene was chaotic and the argument was endless.

Gu Xinghe seemed to have expected it, so he was not surprised.

“You think I’m siding with the mystical realm, don’t you?” Gu Xinghe narrowed his eyes.

“What else? If one to nine isn’t favoritism, then what is! ?”

“You call yourselves leaders of the Martial World, is this your leader! ?”

Gu Xinghe sneered, “You’re wrong, I’m favoring you!”

“If it weren’t for me, you wouldn’t even get ten percent! With your strength, what right do you have to get a big spiritual stone mine! ?”

The martial artists in the secret realm also shouted, “That’s right! If it weren’t for the Jingdu Martial Arts Association, we could completely occupy a large spirit stone mine!”

“Don’t be ungrateful.. To be able to reward you ten percent, you should be grateful!”

Chapter 928: Chapter 928, the spiritual artifact of the Second Secret Realm!

Translator: Nyoï-Bo Studio Editor: Nyoï-Bo Studio

Qin Yu smacked his head.

As expected, it was no different from what he had guessed.

Gu Xinghe would never distribute the large spiritual stone mine equally.

“F * ck you! If you don’t like it, then let’s Fight!” Someone stood out.

“Let’s fight, who’s Afraid of Who!”

Those Martial Saints kept silent and quietly watched the changes in the scene.

Everyone knew in their hearts that the ones who could decide the outcome were definitely not ordinary martial artists like them.

“Boom!”

At this moment, a loud explosion erupted from the horizon!

It was unknown who had activated the spell, but a fireball that was like the sun rose up from the sky and smashed towards the ground!

“You’re courting death!”

A lot of people stood up and shouted loudly. They pushed their hands into the air and faced this huge fireball!

Under the push of those hands, the fireball actually slowly retreated. In the end, it was pushed into the air and exploded!

“Come, you’d rather live standing than die kneeling!” Someone shouted and stepped forward!

A great battle instantly erupted between the two sides!

Qin Yu sat there without saying a word. His eyes were cold as he looked at those martial saints and Gu Xinghe, who was at the front.

“Tell me, why do you think their desires have become so great?” Gu Xinghe glanced at the long brows beside him and sighed slightly.

The long brows nodded and said, “That’s right. When Granny Qin was here, all the resources were in the hands of the Jingdu Martial Arts Association. No one caused any trouble, but now...”

“It’s different.” Zhai Xing shook his head.

“Before this, it was because no one knew that the Jingdu martial arts association controlled so many resources.”

“Ever since Qu Xie was exposed, the credibility of the JINGDU martial arts association has been declining. Now, it can be considered to have completely exploded.”

Gu Xinghe sighed slightly. He slowly stood up and said with narrowed eyes, “I originally wanted to rely on fair negotiations to let us firmly control the dominant position. Now it seems... martial strength is still reliable.”

Before he finished speaking, Gu Xinghe reached out with his palm and took out a spiritual artifact.

This spiritual artifact looked like a short sword. It was pitch-black like a black hole and emitted an extremely terrifying internal Qi.

When Zhai Xing saw this spiritual artifact, his body tensed up!

“Young master Gu, you actually brought out the heavenly poison?” Zhai Xing said with a face full of fear.

“Heavenly poison? The Gu family’s Mountain Protection Magic Tool?!” Long Mei’s eyes widened.

Gu Xinghe sneered, “If anyone dares to go against my will today, I will kill them!”

With that, Gu Xinghe slowly activated the heavenly poison and looked at the crowd coldly.

As Gu Xinghe waved his hand, rays of black light suddenly burst out from the heavenly poison!

Wherever the light passed, the warrior's body was instantly enveloped by the black flames and turned into ashes in the blink of an eye!

Not only that, even the rocks on the ground were burned to ashes in an instant!

In an instant, the entire venue wailed incessantly! Countless warriors had died under the sky poison!

Even a half-step martial saint would not be able to retaliate under the Sky Poison!

“Ah! !”

At this moment, Chang Mang's arm was covered in black flames!

The soaring flames covered his entire arm in an instant and spread rapidly!

“Chang Mang!”

Qin Yu's expression changed drastically! He did not care about anything else and immediately took out his bronze sword. With a swoosh, he slashed towards Chang Mang's arm!

His arm was instantly cut off. The arm that was covered in black flames quickly turned into thick water and disappeared without a trace.

“How are you? Are You Alright?” Qin Yu hurriedly looked at Chang Mang.

Chang Mang glanced at his broken arm and said in a low voice, “Thank you. If you hadn’t acted in time, the Flames would have devoured my entire body.”

Qin Yu didn’t say anything. He looked around, afraid that his identity would be exposed.

Fortunately, the scene was extremely chaotic and no one noticed him.

Therefore, Qin Yu put away the bronze sword and thought to himself, “It’s all thanks to Chang Mang’s special physical body. Otherwise, I wouldn’t have been able to save him in time.”

After Gu Xinghe made his move, the crowd became much calmer.

The battle also came to an end at this moment.

Gu Xinghe played with the heavenly poison in his hand and said coldly, “I don’t care which aristocratic family you’re from, which secret realm you’re from, and how you divide the resources, it’s up to me!”

“Why should I!” A warrior shouted indignantly.

Gu Xinghe glanced at him and immediately activated the heavenly poison to slash at him!

“Ah! !”

The warrior’s body was stained with black flames and instantly turned into ashes!

When the crowd saw this, they immediately sucked in a breath of cold air and their faces were filled with fear!

Qin Yu's expression was also a little ugly.

He did not expect Gu Xinghe to actually take out such a top-notch magic tool!

“Who else is not convinced?” Gu Xinghe asked coldly.

The scene was silent. No one dared to say anything for a moment.

Just as Gu Xinghe was about to make a decision, Xu Huaigu stood up.

He looked at Gu Xinghe calmly and said quietly, “I don't think anyone will agree to your proposal.”

“Xu Huaigu...” Gu Xinghe narrowed his eyes.

“Why? Aren't you afraid of Death?”

Xu Huaigu said calmly, “No one isn't afraid of death, but to me, there is something more important than life and death.”

“Something more important? Is it protecting these ants?” Gu Xinghe sneered.

“What do you think you can change by yourself?”

Xu Huaigu sighed slightly and said, “I can not change much, but I believe that as long as I resist, there will be people who will continue to resist until they succeed.”

Hearing these words, Gu Xinghe was instantly furious!

For the Jingdu Martial Arts Association, what they were afraid of was someone resisting!

He looked coldly at Xu Huaigu and said, “Spiky... Alright, since you want to die, then I’ll Satisfy You!”

With that, Gu Xinghe grabbed the heavenly poison.

“Senior Xu!” Seeing this scene, Qin Yu’s expression immediately became extremely ugly!

Before Qin Yu could release the two corpses, Gu Xinghe had already activated the heavenly poison and slashed towards Xu Huaigu!

The black flame was heading straight for Xu Huaigu!

Xu Huaigu’s expression was still calm. He stretched out one of his palms and grabbed towards the black flame!

However, this black flame was extremely strange and instantly stained both of his hands!

“Senior Xu!” Seeing this, everyone could not help but shout out in shock!

Xu Huaigu looked at his own palm and saw that his arm shook and actually shattered his palm and the flame!

“Eh?” Gu Xinghe frowned slightly.

Before he could be shocked, Xu Huaigu’s other hand had already reached out and was heading straight for Gu Xinghe!

When Gu Xinghe saw this, his expression immediately changed!

He anxiously shouted, “Star Seizer, star Seizer!”

“Boom!”

Star Seizer instantly attacked and collided with Xu Huaigu's palm!

A terrifying pressure spread out. Some people could not even withstand this pressure and directly vomited blood!

Star Seizer was a top-notch martial saint. Even Xu Huaigu would find it difficult to resist.

This collision caused Xu Huaigu to take a few steps back.

It was obvious who was stronger and who was weaker.

“Star, kill him for me!” Gu Xinghe opened his eyes wide, Crazy Roar!

Chapter 929: Chapter 929, Xu Huaigu VS Zhai Xing!

Translator: Nyoui-Bo Studio **Editor:** Nyoui-Bo Studio

Zhai Xing walked forward with a pair of ice-cold eyes that were emitting a terrifying aura.

The surrounding people all took a few steps back. They knew very well that the real battle had just begun.

“Oh no!” Seeing this, Qin Yu secretly felt that things were not good.

Zhai Xing was different from an ordinary martial saint. His strength was far above Xu Huaigu's!

If they were to really fight, Xu Huaigu would not be able to retaliate at all!

“Make your move,” Zhai Xing said coldly as he looked at Xu Huaigu.

Xu Huaigu's expression was still extremely calm. He moved his hands and quickly formed seals.

One could see that he had slapped out a seal with a single hand. The seal carried rolling thunder as it crushed towards Zhai Xing!

Zhai Xing's expression turned cold. He waved his large hand and suddenly clenched his fist. Then, he ruthlessly smashed it over!

“Boom!”

With this punch, the seal that Xu Huaigu had formed was shattered!

When the crowd saw this, they could not help but gasp!

Zhai Xing's strength seemed to have exceeded everyone's imagination!

“Do you have any other moves?” Zhai Xing asked coldly.

Xu Huaigu did not say anything. He closed his eyes slightly and muttered in a low voice, as if he was about to cast some spell.

Meanwhile, Zhai Xing was not in a hurry. He just waited quietly.

This was the confidence of a top martial saint!

“Hualala!”

Thousands of threads of light that looked like black hair flew out from Xu Huaigu's sleeve!

These threads of light blotted out the sky and covered the earth. In the end, they actually condensed into a horsetail whisk in Xu Huaigu's hand!

Xu Huaigu grabbed the horsetail whisk and waved it gently. He looked like an immortal!

No expression could be seen on Zhai Xing's face. He did not seem to care about Xu Huaigu's move at all.

This was a true top-notch battle, so no one interfered.

Xu Huaigu waved the horsetail whisk in his hand slightly, and a vast power approached Zhai Xing!

Zhai Xing's muscles bulged. He pushed his hands forward, and a shield immediately condensed on his hands!

“Clang Clang Clang Clang!”

The force of the horsetail whisk exploded with a deafening sound when it came into contact with the shield!

However, the shield that formed seemed to be indestructible and easily blocked the force of the horsetail whisk.

A trace of surprise finally flashed across Xu Huaigu's calm face.

“What other moves do you have? Feel free to use them.” Zhai Xing placed his hands behind his back and his expression was extremely cold.

Xu Huaigu's expression gradually became solemn.

He grabbed the horsetail whisk with one hand, and his arm trembled slightly.

Traces of a powerful internal Qi were emitted from his horsetail whisk.

The three thousand hair-like horsetail whisk shook uncontrollably.

Rays of light gathered on the horsetail whisk.

“Shua!”

Right at this moment, Xu Huaigu’s palm shook, and the horsetail whisk shot forward!

In an instant, the horsetail whisk emitted a resplendent light.

What was shocking was that the light seemed to contain an ancient divine beast!

There was a divine dragon, a qilin, a black tortoise, and a white tiger...

At a glance, it seemed like an ancient divine beast diagram!

If one listened carefully, one could even hear traces of roars and cries!

“Eh?”

At this moment, everyone was greatly shocked!

Even Zhai Xing’s face flashed with a trace of shock!

In the face of this, even Zhai Xing had to treat this seriously.

His palms emitted a radiance that was like the stars. This pair of hands seemed to be in control of the power of the stars, becoming mysterious and unfathomable!

Facing the divine beast that was rushing towards him, Zhai Xing roared loudly and pushed his hands forward! “...”

Two forces that shook the world collided at this moment!

“Boom!”

The entire scene turned into dust! Everyone’s line of sight was blocked!

Countless people retreated at this moment. Those who could not dodge in time were directly turned into meat paste!

“What terrifying power!”

“This is a true top-notch battle between Martial Saints!”

Qin Yu’s face was also filled with shock!

One had to know that Xu Huaigu had just entered the martial saint stage, and Zhai Xing was a true top martial saint!

Under everyone’s gaze, the light slowly dispersed.

The figures of the two appeared in everyone’s sight.

They saw that Zhai Xing’s hands had been shaken until they were bleeding profusely, and his thumb had split open!

Hiss...

For a moment, everyone sucked in a breath of cold air!

Xu Huaigu... had actually injured Zhai Xing?

Was this really just the beginning of the Martial Saint Stage?

“Senior Xu is invincible!” Someone took the lead and shouted.

“Senior Xu is unparalleled in the world! He is the pride of our generation!”

“Senior Xu is invincible. So what if he is a martial saint in the Mystic Realm!”

Everyone seemed to have been ignited!

They shouted in excitement. Their faces were filled with excitement.

Only Qin Yu’s expression did not look too good.

On the surface, it seemed that Xu Huaigu had indeed taken advantage of him.

However, Xu Huaigu had clearly used all his trump cards, while Zhai Xing had dealt with it with ease.

“If this continues, senior Xu will definitely lose...”Qin Yu thought to himself.

Zhai Xing’s face also carried some admiration.

“You have just become a martial saint, yet you are able to achieve this step. It is truly surprising. If it was not for our different positions, I would not have wanted to kill you,”Zhai Xing said in a low voice.

Xu Huaigu bowed slightly and said, “Senior, you’re too kind. We each have our own missions. Life and death are up to fate. Make Your Move.”

“Zhai Xing! What are you doing! Hurry up and kill him!”Gu Xinghe could not help but shout angrily.

Zhai Xing glanced at Gu Xinghe before turning to look at Xu Huaigu.

“Alright, after you die, I’ll personally erect a monument for you!”

Before he could finish his sentence, Zhai Xing walked over!

His speed was extremely fast, and in the blink of an eye, he had arrived in front of Xu Huaigu!

Xu Huaigu held the horsetail whisk in his hand and tangled with Zhai Xing.

Zhai Xing relied on his two invincible palms to continuously collide with Xu Huaigu’s horsetail whisk.

They fought from the ground to mid-air, and then fell back to the ground from mid-air.

The battle between the two could be said to have changed the color of the wind and clouds, and the momentum was unparalleled!

Everyone’s hearts were raised!

But soon, Xu Huaigu fell into a disadvantageous position.

Under star-picking’s torrential attacks, Xu Huaigu was hit several times in the chest!

“Ah!”

Finally, accompanied by star-picking’s furious roar, his right fist was like a dragon. Qi force erupted and ruthlessly smashed toward Xu Huaigu’s horsetail whisk!

“Boom!”

Under this enormous force, the horsetail whisk finally couldn't withstand it and shattered with a sound!

As for Xu Huaigu himself, he was also knocked back repeatedly and spat out blood!

His white clothes had already been dyed blood red, making him look extremely tragic!

“Senior Xu!” For a moment, everyone was sweating for Xu Huaigu!

“You're not my match.” Zhai Xing stood in the distance and looked at Xu Huaigu coldly.

Xu Huaigu wiped the blood from the corner of his mouth and said weakly, “Senior's strength is indeed unparalleled in the world.”

Zhai xing frowned and said, “If you give up now, you might still have a chance to live.”

Xu Huaigu smiled and shook his head, saying, “For me, the best outcome is to die in battle here.”

Seeing this, Qin Yu felt extremely uncomfortable in his heart.

He grabbed the spatial artifact and planned to throw out these two corpses at any time!

In the dark, Wan Gu Qiong was looking at the two of them with a gloomy expression.

“Uncle Zhen, Zhai Xing is too soft-hearted. No matter what, we can’t let Xu Huai Gu leave alive today,” Wan Gu Qiong said coldly.

Uncle Zhen understood and immediately nodded. “I understand..”

After Uncle Zhen received the ancient Jade’s order, he immediately stealthily approached Xu Huaigu.

Just as Xu Huaigu was weakened, Uncle Zhen suddenly made a move. A claw-like palm directly grabbed at Xu Huaigu’s chest!

Xu Huaigu’s attention was already on star seizer, and his physical strength was extremely weak. He simply had no strength to dodge!

“Swish!”

Uncle Zhen’s claws ruthlessly tore through Xu Huaigu’s chest!

A large hole was instantly torn through his chest! Fresh blood spurted out like a fountain!

“Go to hell!” Uncle Zhen had a crazed look on his face as his large hand ruthlessly slapped toward Xu Huaigu’s face!

“Senior Xu!” Qin Yu was immediately furious upon seeing this!

Right at this critical moment, Zhai Xing suddenly reached out and grabbed uncle Zhen’s wrist!

Then, Zhai Xing's large palm fiercely slapped uncle Zhen's chest, forcing him back several steps!

"Despicable and Shameless, who told you to secretly attack!" Zhai Xing was extremely furious!

Uncle Zhen clutched his cracked chest and braced himself as he said, "Lord Zhai Xing, I..."

"Get lost!" Zhai Xing grabbed Uncle Zhen and threw him out!

"Master Zhai Xing, there are no rules on the battlefield. Everything is decided by the outcome. I think there is no problem for Uncle Zhen to make a move," Wan Gu Qiong said calmly.

Before Zhai Xing could speak, Wan Gu Qiong looked at Gu Xinghe and said, "I believe young master Gu thinks so too."

Gu Xinghe said coldly, "Uncle Zhai Xing, you are too slow. You Can't blame others."

Zhai Xing could not help but clench his fists.

He glanced at Gu Xinghe and then at Xu Huaigu. Finally, he steeled his heart and walked toward Xu Huaigu.

"Damn it!" Qin Yu gritted his teeth.

There was no other way. He could only take out the two corpses and let them resurrect themselves!

Therefore, Qin Yu took out the space artifact and prepared to activate the two corpses to resurrect.

“I also want a share of this big mine. I wonder if everyone has any objections?”

At this moment, a voice suddenly came from outside the door.

Looking Up, he saw a young man walking over with a bewitching smile.

Seeing this young man, Gu Xinghe couldn't help but raise his eyebrows.

“It's You?” Gu Xinghe's face couldn't help but flash with a trace of mockery.

“If I remember correctly, your name is something called... Sky Blood Rainbow, right?”

The newcomer was none other than Sky Blood Rainbow of the immortal slaying sect!

“In this era, all kinds of gods and monsters have dared to appear,” Gu Xinghe continued to mock.

Sky Blood Rainbow was not angry. He swept his gaze across the crowd, his face still wearing a bewitching smile.

Gu Xinghe slowly stood up and said with a playful look, “Then tell me, how much do you want to share?”

Tian Xuehong put his hands behind his back and said with a faint smile, “19% , 90% for me, and 10% for you.”

“Hahahaha!”

As soon as he said this, everyone present burst into laughter!

Was this kid crazy ?

Taking 90% for himself? Letting others take 10% ?

“Are you F * cking crazy ?”

“Do you know who are all here ?”

“With these seven martial saints here, do you even have the right to speak ? !”

The crowd continued to clamor, but Tian Xuehong remained calm.

Meanwhile, the long eyebrows beside Gu Xinghe furrowed tightly.

Tian Xuehong ?

He kept feeling that there was a familiar internal Qi on Tian Xuehong’s body...

“Kid, do you know what you’re talking about ?” Uncle Otter stood up and said coldly.

Sky Blood Rainbow put his hands behind his back and said with a faint smile, “Looks like everyone doesn’t agree.”

“Agree ? I think you haven’t woken up yet,” everyone said with a cold smile.

Sky Blood Rainbow nodded slightly and said, “Well, since everyone doesn’t agree, then I’ll change the plan.”

“I said 10-90 percent just now, but I’ve changed my mind now... 10 percent. I’ll Take 10, and you guys take zero.”

As soon as these words came out, everyone laughed even more happily.

They were basically certain that this Tian Xuehong was an idiot who did not have a good brain.

In front of the seven martial saints, he was clamoring to occupy a large spiritual stone mine? Wasn't this pure nonsense?

On the stage, Gu Xinghe was laughing so hard that he was on the verge of tears.

"Recently, there has been a lot of idiots." Gu Xinghe wiped the tears from his smile and shook his head helplessly.

"Which one of you is willing to teach this arrogant brat a lesson?" Gu Xinghe asked.

Uncle Otter rubbed his fist and sneered, "Let me do it."

He walked straight to Tian Xuehong and said with a faint smile, "You said that you want to occupy the Spirit Stone Mine, right?"

Tian Xuehong nodded slightly and said, "You can interpret it that way."

"You're really... boasting shamelessly!"

As his voice fell, Uncle Otter's two fists immediately erupted with a terrifying force and smashed towards Tian Xuehong's head!

Tian Xuehong still had his hands behind his back and even slightly closed his eyes.

Just as the pair of iron fists were about to smash into Tian Xuehong's body, a white bone suddenly flashed past and stood in front of Tian Xuehong!

“Clang!”

Uncle Otter's fist landed squarely on the white bone's body!

Uncle Otter was forced back a few steps by this force. On the other hand, the white bone did not even leave a white mark!

“What is this thing?” Uncle Otter could not help but frown.

The others also started to discuss, “A white bone? Where did the white bone come from?”

“This skeleton is so hard. It can actually withstand a strike from a martial saint!”

While everyone was discussing, Long Mei suddenly thought of something!

Skeleton!

It was the skeleton that had torn a half-step martial saint into pieces in the Massacre Immortal sect!

“Not good!” Long Mei's expression changed drastically.

He hurriedly looked at GU xinghe and said, “Young master Gu, this person must not be provoked! He is that mysterious person from the Massacre Immortal sect!”

However, it was already too late. Tian Xuehong shook his finger slightly and said indifferently, “Kill him and teach them a lesson.”

Having received the order, white bones immediately rushed towards Uncle Otter!

Chapter 931: Chapter 931, stealing spirit stones

The white bone stretched out its skinny palm and grabbed Uncle Otter!

Uncle Otter’s expression changed drastically. He hurriedly activated the internal Qi in his body in an attempt to break free.

But at this moment, he realized that the power of the white bone was terrifying! There was no chance of breaking free!

Before Uncle Otter could react, a huge force was already transmitted over!

Under everyone’s watchful eyes, Uncle Otter’s body was actually forcefully torn into two halves!

Everyone could not help but gasp!

To raise his hand and tear apart a martial saint, what kind of method was this?

At the Instant Uncle Otter was torn apart, Uncle Otter’s nascent soul also flew out from his spiritual sense.

He stood in the air, his expression extremely ugly.

Although he could still recover after losing his physical body, his vitality would be greatly damaged, and it would be difficult to recover for many years!

It would even affect his cultivation foundation in the future!

“Who are you people...”uncle otter said weakly.

Tian Xuehong glanced at Uncle Otter’s nascent soul and narrowed his eyes as he said, “You are a person who is about to die. Why are you talking so much nonsense?”

When he heard this, Uncle Otter’s expression immediately changed! He

He turned around and planned to escape, but Tian Xuehong would not give him the chance!

The Sky Blood Rainbow stretched out his palm, and a blood-red light that was like a cage restrained Uncle Otter’s nascent soul!

Uncle Otter was completely flustered!

If his nascent soul was gone, then everything would really be gone!

“Young Master Gu, save me!”Uncle Otter shouted desperately.

Gu Xinghe’s expression was also not very good. He said in a deep voice, “Friend, we can talk after this is over. On account of me and the Jingdu Martial Arts Association, spare his life, how about it?”

However, Tian Xuehong shook his head and said, “I don’t need to give you face.”

After saying this, Tian Xuehong extended his palm again, and uncle Otter's nascent soul fell directly into his palm!

Immediately after, Tian Xuehong opened his mouth and swallowed Uncle Otter's nascent soul into his stomach!

A satisfied expression appeared on his face, but in the eyes of everyone, it was extremely horrifying!

To kill a martial saint with just a raise of his hand, what kind of ability was this! !

The scene was completely silent, not even daring to breathe loudly.

Gu Xinghe took a deep breath, stood up and asked, "Who exactly are you?"

Tian Xuehong glanced at Gu Xinghe and said indifferently, "It seems that all of you are very curious. Alright, then I might as well tell you."

"I come from the Slaughter Immortal sect. I was born from the evil spirits, of course, including my white bone army."

"Back then, the masked woman slaughtered tens of thousands of people from the immortal massacre sect in one go, causing evil spirits to emerge from the sect. And I was born by Luck."

At this point, the Sky Blood Rainbow seemed to have thought of something.

He patted his head and said, "Oh, speaking of which, it's all thanks to someone called Qin Yu. I really have to thank him."

“If it weren’t for him taking away the masked woman’s coffin, I’m afraid we would never have been born. hahahaha!”

Hearing this, Qin Yu, who was hiding in the dark, had a drastic change in expression!

He never expected that the Sky Blood Rainbow was released by him unintentionally!

“The massacre immortal sect... you said you came from the Massacre Immortal sect? The number one sect in the World Ten Thousand Years Ago?” Gu Xinghe frowned.

“That’s right.” The Sky Blood Rainbow put his hands behind his back.

Everyone couldn’t help but gasp!

Most of them had never heard of the Massacre Immortal sect.

However, Zhuang Teng, Yao Meng, and the others were not unfamiliar with the massacre immortal sect.

This was because they had once read about it in the ancient books of the Jingdu Martial Arts Association!

“It’s rumored that the weakest person in the Massacre Immortal sect is at the Almighty Realm. In other words, the bones in his hands are all the bones of Almighty Experts!”

“No wonder he has such power! He can even slaughter a martial saint easily!”

“Oh no, his army of white bones is enough to sweep through everything in the world!”

Gu Xinghe naturally realized this problem.

He walked forward and said in a low voice, “Sir, there is no enmity between us. Why don’t we sit down and have a good talk?”

Tian Xuehong raised his brows and said with a cold smile, “Back then, I sent my people to the Jingdu Martial Arts Association and wanted to cooperate with you. Unfortunately, you rejected them and humiliated him. You haven’t forgotten, have you?”

Gu Xinghe’s expression became more and more unsightly.

At that time, how could he have known that Tian Xuehong’s background was so big!

“Alright, no need to say anything more,” Tian Xuehong said quietly.

“You don’t have to be afraid. I Won’t act Rashly. Of course, this spirit stone mine belongs to me.”

“If anyone is unconvinced, you can step forward now.”

The scene was quiet. No one dared to say anything.

Tian Xuehong nodded slightly and said, “Then I won’t stand on ceremony.”

“Wait!”

At this moment, Gu Xinghe hurriedly stopped Tian Xuehong.

“If you don’t mind, why don’t you come to my residence and have a chat?” Gu Xinghe said.

Tian Xuehong thought for a moment and said, "It's said that in the martial arts world nowadays, it's up to you, right?"

"That's right." Gu Xinghe quickly nodded.

Tian Xuehong touched his chin and said in a low voice, "Maybe we can really use you guys... Alright, I'll see what you have to say for now."

Seeing this, Gu Xinghe was immediately overjoyed and quickly said, "Sir, Please!"

Under everyone's gaze, the two of them left the place.

"Gu Xinghe... What will he talk to him about?"

"What else can he talk about? He's in cahoots with us."

"No matter what we talk about, we definitely won't gain anything."

"Perhaps we should think of a countermeasure."

The martial artists of this era were all extremely worried and sorrowful. Everyone knew very well that the negotiation between the strong and the strong would always sacrifice the weak.

"Senior Xu, Are You Alright?" Qin Yu walked quickly to Xu Huaigu's side.

Xu Huaigu waved his hand slightly and said, "I'm fine."

Qin Yu sighed and said, "Senior Xu, you should quickly go to the Divine Alchemist Pavilion and rest well."

Xu Huaigu remained silent and only bowed slightly to Qin Yu.

At this moment, Qin Yu suddenly noticed a sneaky figure.

That figure was none other than the handlebar mustache.

He sneaked out of the venue and ran away as soon as he left.

Seeing this, Qin Yu hurriedly said goodbye to Xu Huaigu and hurriedly followed him.

After catching up with the man with the handlebar mustache, Qin Yu patted his shoulder and said, “Where are you going?”

The man with the handlebar mustache widened his eyes and said, “Where the F * CK Can I Go? Didn’t you hear what they said? That Dog wants the entire spiritual stone mine!”

“I have to steal the spiritual stone before he goes!”

Qin Yu’s eyes lit up and he said hurriedly, “Good Idea!”

Chapter 932: Chapter 932, one step ahead of you!

Translator: Nyoï-Bo Studio **Editor:** Nyoï-Bo Studio

It had to be said that this guy with the handlebar moustache was indeed smart!

Before they went to the spirit stone mine, they had to quickly steal everything!

“Hurry up and leave. It’ll be troublesome if we’re discovered,” the handlebar moustache grumbled.

“After stealing, we have to find a place to hide.”

Qin Yu nodded repeatedly and followed behind the handlebar moustache.

The two of them arrived at a formation.

This formation was the one that allowed them to enter the Spirit Stone Mine!

“Through this formation and the formation I set up in the Spirit Stone Mine, we will be able to successfully enter the Spirit Stone Mine.”The moustache stroked his beard and said proudly.

Qin Yu urged, “Don’t waste any more time. Hurry up.”

The mustached man grunted and stood in front of the formation, muttering a spell.

In a short while, rays of light flashed past, and the formation opened its entrance.

“Hurry Up!”The mustached man urged.

Qin Yu grunted and didn’t waste time. He followed behind the mustached man and stepped into the formation.

With the dizziness in front of his eyes, Qin Yu only felt his body moving rapidly.

After more than ten minutes, when Qin Yu opened his eyes again, he had already fallen into a huge pit that was like a volcano!

In the deep pit, there were threads of dense qi/spiritual energy and bursts of light that were like flames.

Under this light, the bodies of the two people sizzled, as if they were about to be burned to ashes.

“Hiss, it’s still a little hot.”The handlebar mustache muttered.

Qin Yu ignored the heat on his body.

Because his gaze was attracted by the scene in front of him!

He saw that in front of the two of them, there was a dazzling light!

One by one, spirit stones that were like diamonds were placed in front of the two of them!

With such a huge amount of spirit stones, even Qin Yu couldn’t hold it in any longer.

“I’m Rich, I’m Rich!”Qin Yu grabbed a spirit stone, extremely excited!

Any one of these spiritual stones contained extremely pure Qi/spiritual energy.

As long as he got this batch of spiritual stones, he would never have to worry about it again!

“There are more spiritual stones than I expected,”the mustached man said while stroking his beard.

“Hurry up and put these spiritual stones into the spatial artifact,”Qin Yu said excitedly.

The mustached man rolled his eyes and said, “What are you so anxious for? ! Although we’ve entered, we still need to think of a way out in advance.”

“What do you mean?”Qin Yu said with some doubt.

The moustache man said, “If they set up some kind of spell here, we might be discovered if we take away a large amount of spirit stones.”

“So... I have to step down the formation to make it easier for us to escape.”

Qin Yu hurriedly nodded and said, “That makes sense. How long will it take?”

The Mustache Man counted with his fingers and said, “Normally, it will take at least five hours, but the spirit stones here can be used as materials to shorten the time...”

He calculated for a moment and then said, “Two hours.”

“Okay, then let’s hurry up,”Qin Yu hurriedly said.

The Mustache Man didn’t say anything more. He grabbed a few spirit stones and began to set up the formation.

Qin Yu looked around.

This huge pit was extremely huge. Looking Up, it looked like a volcano.

There were at least hundreds of thousands of spirit stones in the entire mine, and any one of them had effects that far exceeded the effects of five thousand years of herbs!

I really don’t know how such a huge spirit stone mine was formed, Qin Yu thought to himself.

He took a deep breath and felt the rich qi/spiritual energy that was emitted.

At the same time, Qin Yu released his spiritual sense to cover the surroundings.

Under Qin Yu's spiritual sense, he found at least eight people.

These eight people were all in the Martial Marquis realm. They must have been left behind by the various secret realms and the Jingdu Martial Arts Association to guard them.

However, Qin Yu did not care. As long as they were not martial saints, there was no need to be afraid.

At this moment, Tian Xuehong and Gu Xinghe were negotiating.

Only Tian Xuehong and Gu Xinghe were in the office.

Zhai Xing and the others were guarding outside.

About an hour later, the two of them walked out of the office.

The two of them were chatting happily and looked quite satisfied.

"I hope we can work well together," Gu Xinghe said with a smile.

Tian Xuehong nodded slightly and said, "I hope so."

After saying this, Tian Xuehong turned around and left.

After he left, Zhai Xing asked impatiently, "Young master Gu, what did you promise him?"

Gu Xinghe narrowed his eyes and said, "Nothing. I only promised him that the Jingdu martial arts association would not interfere in anything he did. When necessary, they would help him."

"At the same time, I want to give him half of the spirit stone mine."

Zhai Xing frowned and said, "This person's strength is unparalleled. No one can guarantee what he will do..."

"As long as he doesn't affect us, that's enough." Gu Xinghe sneered.

However, Zhai Xing had a different attitude.

"Young master Gu, think carefully. If he really has power far above us now, why would he sit down and negotiate with us? Why would he give up half of the spiritual stone mine?" Zhai Xing said anxiously.

"If we let him grow now, he will definitely grow to an invincible state in the future. At that time, the agreement between you and him will no longer exist!"

Gu Xinghe glanced at Zhai Xing and said coldly, "You mean you want me to attack him now?"

"That's right, think of a way to get rid of them!" Zhai Xing said.

Gu Xinghe sneered, "Uncle Zhai Xing, are you stupid? Right now, our Jingdu Martial Arts Association is being attacked from both sides. And to eliminate this sky blood rainbow, regardless of whether we succeed or not, we will suffer heavy losses!"

"When that time comes, there will definitely be someone to reap the benefits!"

“But...”

“Enough, I’ve made up my mind. There’s no need to say anymore!”

Zhai Xing still wanted to say something, but was interrupted by Gu Xinghe.

“Alright, let’s go to the spirit stone mine now,”Gu Xinghe said coldly.

...

Spirit Stone mine.

The mustached man was unhurriedly setting up a formation.

Qin Yu was slightly anxious. He covered the surroundings and quietly observed.

“Done.”

At this moment, the moustache man heaved a sigh of relief.

“The spatial formation has been set up. Hurry up and collect the items!”The moustache man said excitedly.

Qin Yu hurriedly nodded. He took out the spatial god tool and planned to put the spirit stone mine into it.

“Who is it!”

At this moment, a voice suddenly came from above!

Several Marquis Wu were standing on top, staring at the two!

“F * CK, F * CK, F * ck!” When the mustached man saw this, he could not help but curse in his heart!

“If they inform the martial saint, it will be troublesome!”

Qin Yu could not help but frown deeply.

At this moment, Qin Yu suddenly took out his spatial divine weapon and handed it to the mustached man.

At the same time, Qin Yu looked at the mustached man and said, “I’ll leave this spatial divine weapon to you. You fill it with Spirit Stones, I’ll go up and kill them.”

After saying this, Qin Yu’s body shot up and rushed toward the edge of the Spirit Stone mine!

When he arrived at the edge of the mine, the martial marquises immediately surrounded him.

“Who are you? Why did you appear in the Spirit Stone Mine!” These martial marquises shouted.

Qin Yu sneered, “I’m your father!”

Before he finished his words, Qin Yu’s golden light burst out and he threw a punch!

In an instant, flesh and blood flew everywhere. Qin Yu's incomparably fierce fist instantly shattered their bodies!

In just a few short minutes, these martial marquises had all died at Qin Yu's hands.

Qin Yu dug out the golden cores from their internal qi and put them into his pocket. Then, he looked around.

Fortunately, the martial saints did not approach them from their positions.

"Eh?" However, at this moment, Qin Yu suddenly felt a strange aura!

This internal Qi came from a martial saint!

"Oh no! We have to leave now!" Qin Yu quickly returned to the spirit stone mine.

Inside the mine, the Mustache Man was still crazily holding the spirit stones.

"We can't keep pretending. A martial saint is coming!" Qin Yu said.

However, the Mustache Man was still reluctant to leave. His face was full of greed.

At this moment, at least half of the spiritual stone mine had already been stored into their spatial divine weapons.

"Enough, we can't go on like this!" Qin Yu said with a frown.

Without any explanation, he dragged his handlebar mustache and rushed into the spatial formation.

The moment the two of them stepped into the formation, Tian Xuehong, Gu Xinghe, and the others had already arrived.

As soon as they reached the vicinity of the spirit stone mine, they realized that something was wrong.

“HMM? where is he?” Gu Xinghe frowned.

He had arranged for people to be stationed around this area, but there wasn't a single person here.

“There's no need to look for him. He's already dead.” Tian Xuehong's expression was extremely gloomy.

“Dead?” Gu Xinghe's expression changed, and he hurriedly rushed towards the spirit stone mine.

He arrived at the top of the mountain, and soon, he saw a few dismembered corpses.

Gu Xinghe's expression instantly became even more unsightly!

“What... What's going on!” Gu Xinghe shouted in alarm.

Zhai Xing frowned, as if he had thought of something.

He hurriedly looked at the spirit stone mine.

Seeing that at least half of the spirit stone was gone, Zhai Xing's face instantly darkened.

“Not good, the spirit stones have been stolen,” Zhai Xing said coldly.

“What? !” Gu Xinghe hurriedly walked to the edge.

When he saw the spirit stones that were half gone, he felt his vision go black and he almost fainted.

“How... how could this be! Who Did It!” Gu Xinghe said furiously.

Tian xuehong sneered and said, “Stop pretending. Who knows if it was you who moved the spirit stones ahead of time.”

Gu Xinghe hurriedly said, “Whoever transferred the spiritual stones is a fucking bastard!”

Tian xuehong said coldly, “Is that so? Even if you transferred the spiritual stones, you won’t admit it.”

“Heaven and earth, whoever transferred the spiritual stones will be fucking struck to death by lightning!” Gu Xinghe said angrily.

Zhai Xing narrowed his eyes and jumped into the spiritual stone mine.

“There’s a space formation here,” Zhai Xing said with a cold face.

Hearing this, the others hurried to follow him.

Looking at the space formation, their expressions became more and more unsightly.

“Uncle Zhai Xing, can you find out who transferred the Spirit Stones?” Gu Xinghe asked coldly.

Zhai xing nodded and said, “As long as they came here, they will leave their internal Qi behind.”

As he spoke, Zhai Xing closed his eyes and felt the remaining internal Qi in the surroundings.

However, very quickly, Zhai Xing's expression changed slightly.

This was because he was surprised to find that there was no internal Qi at all!

"How could this be..."Zhai Xing's brows furrowed tightly.

"What's Wrong?"Gu Xinghe asked hurriedly.

Zhai Xing shook his head and said, "Those who stole the spiritual stones are probably experts. I can't sense their internal Qi."

"Stop acting,"tianxue Hong said coldly.

"I don't care if the spiritual stones were transferred by you or not, but according to the agreement, I will take half of the spiritual stones, so the rest of the spiritual stones are mine."

Gu Xinghe said with a cold face, "On what basis?"

"On what basis? Even if the spiritual stones were not stolen by your people, they were still guarded by your people. Now that the spiritual stones are lost, you naturally have to take responsibility,"tianxue Hong said with a cold snort.

Gu Xinghe gritted his teeth. His face was full of anger, but he still had some fear towards Tian Xuehong.

After thinking for a while, Gu Xinghe braced himself and said, "We'll split the spiritual stones equally."

"Impossible. Half of your spiritual stones have already been stolen,"Tian Xuehong said with narrowed eyes.

At the same time, Tian Xuehong's body emitted a cold, evil aura.

This aura instantly caused one's entire body to feel a chill run down their spine.

"If you have the ability, then go and retrieve the spirit stones that were stolen!" Tian Xuehong said coldly.

Gu Xinghe was frightened.

He was only a half-step martial saint. Even with Zhai Xing protecting him, he still did not have the confidence.

Seeing that Gu Xinghe did not speak, Tian Xuehong snorted lightly and did not say anything else. He immediately began to store the spirit stones.

At this moment, Qin Yu and the moustache man fell out of the space formation.

"Damn it, what kind of broken space formation is this? I almost fell to my death!" Qin Yu couldn't help but curse.

The moustache man mumbled, "It's already not bad to be able to set up a formation in two hours. Why do you have so many requirements?"

Qin Yu rubbed his butt and looked around. He frowned and asked, "Where is this?"

At a glance, he couldn't see the end of the desert!

The mustachioed man patted his head and said, "I forgot to tell you. This space formation is very unstable. It might not send us there."

“You...”Qin Yu was speechless.

“Well, at least we got the spirit stones. It’s not a loss,”the mustachioed man said with a smile.

Qin Yu could only nod his head helplessly. As long as he got the Spirit Stones, everything was worth it..

Chapter 934: Chapter 934, the secret of the spatial artifact

This desert was so vast that Qin Yu even suspected that it wasn’t within the country.

He released his spiritual sense to cover the surroundings, but found that there wasn’t a single person.

“I’m afraid we’ve fallen into a no man’s land,”Qin Yu said with a bitter smile.

The mustached man waved his hand and said, “It doesn’t matter. We’ll definitely be able to walk out of here.”

With that, the moustache man began to dig out spirit stones.

“Haha, I’m Rich!”The moustache man excitedly waved his hands and danced.

He took out several hundred spirit stones, and his entire body lay inside.

Qin Yu couldn’t help but give the moustache man a thumbs up.

He never thought that this spirit stone mine would be cut off by him.

“With these spirit stones, my cultivation will also be much faster,” Qin Yu muttered.

Then, Qin Yu took out his spatial divine weapon and prepared to take out the spirit stones.

However, when his spiritual sense entered the spatial divine weapon, he was stunned.

“How could this be? !” Qin Yu’s brows were tightly furrowed, and his face was a bit flustered.

“What’s Wrong?” The mustached man muttered.

Qin Yu didn’t answer. He stood up and took out everything in the spatial divine weapon.

However, what shocked Qin Yu was that there was not a single spirit stone in it!

“Where are the spirit stones? !” Qin Yu widened his eyes and looked at the handlebar mustache.

The handlebar mustache frowned and asked, “What do you mean?”

Qin Yu’s expression was ugly as he exclaimed, “I don’t have a single spirit stone in here!”

“AH? How is that possible!” The handlebar mustache widened his eyes and said.

Qin Yu searched through the entire spatial artifact, but he still couldn't find any spirit stones!

At this moment, Qin Yu even suspected that the mustached man didn't put any spirit stones in there!

“Spirit Stones... are you going to put them in or not?” Qin Yu frowned and asked.

The mustached man widened his eyes and said, “Are you kidding me? Of course I put them in!”

“Then why is there not a single spirit stone in here!” Qin Yu said with an ugly expression.

“How would I know?!” The mustached man looked displeased.

Qin Yu sat on the ground in a daze, his expression extremely unsightly.

If the spirit stones were in there, how could there not be a single spirit stone?

“Don't you doubt me. I guarantee that the spirit stones are all in there,” the mustached man said coldly.

Qin Yu didn't say anything, but his expression became increasingly unsightly.

He couldn't figure out how the Spirit Stones could have disappeared for no reason?

Wouldn't this trip have been in vain?

“If it really can’t be done, I’ll give you some points,” the mustache man muttered.

Qin Yu sighed slightly.

He put away the spatial artifact and put away his inventory.

“Forget it.” Qin Yu waved his hand.

Although he couldn’t figure it out, he was willing to believe the Mustache Man.

Because the Mustache Man didn’t need to lie to Qin Yu.

“Let’s think of a way to leave this damn place first,” Qin Yu stood up and said.

Although he said so, the disappointment on Qin Yu’s face was still hard to hide.

“Aiya, forget it, forget it. I’ll give you half,” the mustache man muttered.

Qin Yu waved his hand and said with a bitter smile, “Let’s talk about this later.”

With that, Qin Yu turned around and planned to leave this desert.

Seeing this, the mustached man had no choice but to put away the spirit stones for the time being.

This desert was ridiculously huge. The two of them walked for an entire day, but they still couldn’t see anyone.

“Damn, what kind of damn place is this?”The mustached man couldn’t help but Mutter.

Qin Yu didn’t say anything. All he could think about was the spirit stones.

The two of them walked from day to night.

They didn’t see anyone until the sky was completely dark.

“Damn, this is a good place to hide,”the mustached man muttered.

After walking for a day, the two of them were a little tired, so they decided to rest for a while.

So, the two of them found a place to lie down.

Lying in this deserted desert, Qin Yu’s mind was still thinking about the spirit stones.

When the mustached man saw Qin Yu’s ugly expression, he thought that Qin Yu was doubting him, so he said with some grievance, “Let me tell you, I really put the spirit stones in for you, unless there’s a problem with your space artifact.”

Hearing this, Qin Yu couldn’t help but be stunned.

He hurriedly stood up and looked at the mustached man.

“What?”The mustached man muttered.

Qin Yu patted his head and said, “You said there’s a problem with the spatial artifact?”

This sentence undoubtedly reminded Qin Yu!

Back then, Luo Jingyu had thought of countless ways to get back this spatial artifact!

“Hurry up and give me a spirit stone!” Qin Yu said anxiously.

Although the handlebar mustache didn't know what Qin Yu wanted to do, he still took out a spirit stone and handed it to Qin Yu.

Without saying anything, Qin Yu put the spirit stone into the spatial god tool.

“What?” The mustached man asked in puzzlement.

Qin Yu said in a deep voice, “I'll test if it's the problem with this spatial god Tool.”

Then, Qin Yu didn't say anything more.

He waited quietly.

After a few minutes, Qin Yu sent a strand of spiritual sense into the spatial god tool.

Soon, Qin Yu's eyes widened!

“What's Wrong?” The mustached man asked hurriedly.

Qin Yu swallowed his saliva and said, “That spiritual stone... is gone again!”

“See, I told you. It has nothing to do with me!” The mustached man hurriedly muttered.

Qin Yu scratched his head and said, “Could it be... that this spatial artifact can swallow spiritual stones?”

“Impossible!” The mustached man waved his hand.

“According to my many years of experience, it’s impossible for a spatial artifact to produce spiritual sense, unless there’s something hidden in your spatial artifact.”

Qin Yu glanced at the mustached man and said, “You mean... only things with spiritual sense can swallow spirit stones?”

“Normally, that’s the case.” The mustached man nodded.

“But it’s hard to say. What if your broken space artifact leaks out?”

“Leaks out?” Qin Yu frowned and hurriedly looked at the ground.

The handlebar mustache said somewhat speechlessly, “Even if it leaks out, it can’t leak out to the ground. It might fall into nothingness and disappear without a trace.”

Qin Yu couldn’t help but frown.

He held his chin, sat on the ground and pondered for a moment, then shook his head and said, “Impossible. If this space artifact leaks out, then Luo Jingyu wouldn’t want it back so badly.”

After eliminating this possibility, there was only one possibility.

There was really something hidden in this space artifact.

And it was something with spiritual sense!

Thinking carefully, ever since he got this space artifact, Qin Yu had never examined it carefully.

Therefore, Qin Yu planned to take this opportunity to examine it carefully.

He wanted to see what was hidden in this spatial artifact that Luo Jingyu valued so much.

Therefore, Qin Yu closed his eyes slightly.

A strand of spiritual sense rushed out from between his brows.

A golden light flashed and landed in the spatial ring..

The moment his divine sense entered the spatial artifact, Qin Yu felt as if his soul had left his shell.

He sat on the ground without moving. If someone attacked Qin Yu Now, it would be extremely dangerous.

Inside the spatial artifact.

Qin Yu's divine sense transformed into a human form.

He scanned his surroundings. Other than some of the storage items in the spatial artifact, it appeared extremely empty.

“Is this the interior of the spatial artifact?” Qin Yu frowned.

His surroundings looked extremely dark, and his vision wasn't clear. Qin Yu could only slowly walk forward.

This was his first time stepping into a spatial artifact. Looking at the special structure of this spatial artifact, he couldn't help but feel somewhat surprised.

"This spatial artifact's space is so big." Qin Yu thought to himself as he walked.

After walking for dozens of minutes, Qin Yu still hadn't reached the border.

This meant that the capacity of this spatial artifact was absolutely beyond imagination.

For half a night.

Qin Yu still didn't notice the abnormality of this spatial artifact.

Helpless, Qin Yu could only leave this spatial artifact temporarily.

That strand of spiritual sense returned to his body, and Qin Yu's face instantly became extremely pale.

With his current realm, it was an extremely arduous task for a large amount of divine sense to leave his body.

"How is it?" Seeing Qin Yu open his eyes, the mustached man hurriedly asked.

Qin Yu shook his head and said, "No, this spatial artifact is much bigger than I imagined. I'm afraid I need to rest for a while."

The mustached man muttered, “Kid, your luck is really good. If there really is some divine sense hidden in this spatial artifact, then you’ll Be Rich.”

“Rich?” Qin Yu frowned slightly.

“Even if there is some divine sense hidden, what benefit does it have for me?”

The Mustache Man waved his hand and said, “You can explore this yourself. Don’t ask me everything.”

As he said this, Qin Yu’s vision suddenly turned pitch black.

The intense pain in his dantian came again.

Qin Yu’s entire body instantly became limp on the ground.

His expression only eased up slightly when he spat out a mouthful of blood from his mouth.

There was a pool of black blood on the ground, which looked shocking.

The amount of blood he spat out this time seemed to be much more than before.

“The crack in his Dantian seems to have become bigger,” Qin Yu said with a frown.

At this rate, it would not be long before the golden core would shatter.

At that time, he would definitely die.

“Pavilion master said that there might be heavenly vanilla in the second secret realm,” Qin Yu muttered softly.

However, if one wanted to step into the second secret realm, one had to at least step into the martial saint realm.

However, if the damage to the Dantian was not repaired, how could one step into the martial saint realm ?

This immediately made Qin Yu extremely worried.

“Forget it, let’s take it one step at a time.”Qin Yu sighed.

He lay in this piece of desert, closed his eyes slightly, and recovered his spiritual sense.

On the other side.

In the Jingdu Martial Arts Association, Gu Xinghe’s expression was extremely ugly.

This time, not only did he lose his spirit stones, but he also lost face.

That Bloody Rainbow did not put him in his eyes at all, how could he endure this.

“Damn it!”

The more Gu Xinghe thought about it, the angrier he got.

Ever since he took over the Jingdu Martial Arts Association, he had been in endless trouble.

Not only did he lose Yan Ruoxue, he couldn’t even catch Qin Yu.

Just then, someone suddenly walked in from outside.

“Young master Gu, there’s someone outside who calls himself Luo Yang to see you.”

“Luo Yang?” Gu Xinghe frowned slightly.

“Why is he looking for me?”

“He said he has something important to tell you.”

Gu Xinghe thought for a moment, waved his hand and said, “Let him in.”

“Yes.”

A few minutes later, Luo Yang walked in quickly.

He walked directly to the opposite side of Gu Xinghe, cupped his hands and said with a smile, “Young Master Gu, long time no see.”

“What’s the matter?” Gu Xinghe seemed a little impatient.

Luo Yang smiled faintly and said, “If there’s nothing important, how would I dare to disturb you?”

“If you have something to say, say it quickly!” Gu Xinghe berated.

Luo Yang didn’t dare to be negligent. He was silent for a moment before he said, “Young Master Gu, I came here to tell you the location of Qin Yu.”

Gu Xinghe was stunned for a moment before he suddenly stood up and glared at Luo Yang. “Qin Yu? is what you said true?”

“It’s absolutely true!” Luo Yang said lightly.

“Not long ago, he came to look for my father and took a spiritual artifact from his hands.”

“That spiritual artifact is called thousand faces, and it’s a hat. After wearing this hat, it can conceal the internal Qi!”

Gu Xinghe’s pupils suddenly constricted!

Hat?

Wasn’t that the kid who fought with Qiao Zun not long ago near the Spirit Stone Mine? !

No wonder he had such strength and courage!

“It’s actually him...”Gu Xinghe’s face instantly turned cold.

He stood up and looked at Luo Yang, saying coldly, “Is what you said true?”

“It’s absolutely true!”Luo Yang patted his chest.

“Good!”Gu Xinghe couldn’t help but smile coldly.

Right now, he couldn’t find a way to contribute to the JINGDU martial arts association. As long as he caught this Qin Yu, he would be able to contribute to the higher-ups!

“Young master Gu, I told you such important news. Can it be considered a contribution?”Luo Yang said with a smile.

Gu Xinghe glanced at him and sneered, “Of course! After I’ve captured Qin Yu, I can give you anything you want!”

Luo Yang was delighted and immediately stood up, “Young Master Gu, leave this matter to me! I have a way to trick Qin Yu into showing himself!”

“Are you serious?” Gu Xinghe became even more excited.

Luo Yang patted his chest and said, “Of course! Give me a few days, I promise to find Qin Yu!”

“Good, good!” Gu Xinghe burst into laughter.

“If you can find Qin Yu for me, I can agree to anything you want!”

Luo Yang touched his nose, stood up and said, “Young Master GU, just wait for my good news.”

After saying that, Luo Yang turned around and walked out.

...

In the next few days.

Qin Yu did not leave this desert.

He forced out his divine sense and probed into the space artifact to look for any abnormalities.

Each time, Qin Yu could only hold on for half a day.

He entered and left like this eight times. Finally, Qin Yu found an abnormality in the space artifact!

He saw that in the depths of the space artifact, there was actually an abyss!

Qin Yu quickly walked to the edge of the Abyss and looked down..

Chapter 936: Chapter 936, Demon Beast City

Translator: Nyoui-Bo Studio **Editor:** Nyoui-Bo Studio

Beneath the abyss, there were traces of light.

This light was only the size of a grain of rice, but it was extremely dazzling and resplendent!

Not only that, although this grain of rice light was very small, the power contained within it was beyond imagination!

Qin Yu even felt that the power contained within this trace of light far surpassed the Martial Saint Stage!

“What on Earth is this thing?” Qin Yu could not help but widen his eyes.

He stared at that Ray of light and tried to shout, “Hey, is anyone there?”

However, other than Qin Yu’s echo, there was nothing else in the abyss.

“That’s not right.” Qin Yu scratched his head.

According to the words of the handlebar mustache, this should be a spiritual sense.

In other words, this thread of light definitely had its own thoughts.

Qin Yu continued to shout, “Is anyone there? If anyone is there, say something!”

That thread of light still did not move.

Qin Yu touched his chin and muttered, “Could it be that you are putting on an act with me?”

Qin Yu stretched out his palm. He originally wanted to jump into the abyss to take a good look, but he was afraid that his spiritual sense would be swallowed by this thread of light.

After thinking about it, Qin Yu didn’t dare to go down in the end.

His divine sense returned to his body from the spatial artifact and then looked at the handlebar mustache.

Qin Yu told the handlebar mustache everything he saw in the spatial artifact.

“You mean... that thread of light contains extremely powerful power?”The handlebar mustache asked.

Qin Yu nodded and said, “Yes, even when he was facing star seizer, he didn’t feel this kind of pressure.”

“Then it must be the spiritual sense,”the mustached man muttered.

Qin Yu nodded and said, “I think so too, but he doesn’t want to talk to me.”

“He doesn’t want to talk to you,”the mustached man rolled his eyes and said.

“If it’s really as powerful as you say, then in his eyes, you’re just an ant.”

“Who wants to talk to an ant?”

Qin Yu nodded slightly, as if he felt that the moustache made sense.

“This thing was obtained from Luo Jingyu. I have to go back and ask him when I have time,”Qin Yu thought to himself.

Although that was the case, Qin Yu did not give up. He decided to find time to test this glimmer of light.

Then, Qin Yu and the moustache set off on their journey again.

“I have been training for so long. I think it’s time for me to go into closed door cultivation.”Qin Yu thought to himself.

Now that he had obtained the freedom divine stone and the Qi/spiritual energy from the second mystery realm, he would most likely have the chance to become a martial saint.

After Qin Yu decided to walk out of this desert, he tried to go into closed door cultivation to break through.

The two of them walked for another two whole days.

Finally, a city appeared before the two of them.

Walls had been erected around the city, making it look extremely tall.

And judging from the style of the buildings, it did not seem like it belonged to the fire country.

“But there’s finally someone here.”The handlebar moustache muttered.

Qin Yu released his divine sense, attempting to cover the entire city.

But when Qin Yu’s divine sense touched the city, it was swiftly severed.

“Eh?” Qin Yu frowned slightly.

This city had actually laid down a formation capable of isolating divine sense?

“It seems that this city isn’t simple,” the mustached man thought.

Qin Yu nodded slightly. “Correct. To be able to lay down a city in such an environment, he definitely isn’t an ordinary person.”

“Should we go in?” The mustached man asked.

“Since we’re already here, even if it’s a dragon’s Den or a tiger’s den, we still have to go in and take a look,” Qin Yu said.

Thus, the two of them strode to the vicinity of the main city.

There was no one guarding the entrance. Qin Yu and the moustache man easily walked in.

After stepping in, Qin Yu instantly felt a trace of abnormality.

Although he did not know where the abnormal internal Qi came from, he somehow felt a sense of familiarity.

“Demonic Beast?” The mustached man whispered.

After hearing the mustached man’s words, Qin Yu patted his head and said, “Yes, I have felt this strange aura on little black before.”

The mustached man was not as optimistic as Qin Yu.

He said with a gloomy face, “This internal Qi is probably only found in heaven-rank demonic beasts.”

“And then?” Qin Yu did not take it seriously.

The mustached man hurriedly waved his hand and said, “Retreat, quickly leave this place!”

After saying this, the mustached man turned around and left.

Qin Yu followed behind him and asked as he walked, “Why Are You So Nervous?”

The mustached man said coldly, “Demonic beasts are hostile towards humans, but this heaven rank demonic beast built a city in an uninhabited place. This is enough to prove that he is not friendly towards humans.”

“Moreover, once the Heaven Rank Demonic Beast is formed, its strength will definitely exceed our imagination. It is not something that we can fight against.”

As they spoke, the two of them strode out of the city.

Unfortunately, even if the two of them hurried over, they still did not have the time.

At the entrance, two figures appeared.

These two people’s strength were actually at the half-step martial Saint Stage!

The city gate was slowly closed.

These two people emitted a strong hostility.

“Who let you in?” The two people said coldly.

The mustached man frowned slightly and cupped his hands, “Senior, we didn’t mean any harm. We just intruded unintentionally. Please forgive us.”

“Intruded unintentionally? This is a deserted place. How could we intrude unintentionally!” One of them said coldly.

The other person took a step forward and said coldly, “I think you have bad intentions. Come with us to see the City Lord!”

Qin Yu frowned and said, “Friend, we really didn’t mean it. Please let us leave.”

“Cut the crap!” One of them raised his hand and grabbed Qin Yu’s shoulder!

Seeing that it did not make sense, Qin Yu could only shout and grab his wrist!

“Friend, must this be the case?” Qin Yu said coldly.

“Half-step martial saint? As expected, he is not a good person!” The other party shouted loudly.

“Do it, kill him!”

As the two people shouted, more than ten figures instantly appeared around them!

What was shocking was that these people were all at the half-step martial Saint Realm!

Qin Yu and the mustached man looked at each other and said in a low voice, “What should we do?”

“Since things have come to this, what else can we do? Think of a way to break out!” The moustache man said coldly.

As he spoke, the moustache man’s internal Qi was rapidly increasing!

This was the first time Qin Yu had seen the moustache man so serious!

This was enough to show the degree of danger in this place!

“What a powerful internal Qi.” After sensing the internal Qi of the moustache man, Qin Yu could not help but be shocked!

This internal Qi was probably not weaker than his!

The mustached man had indeed been hiding his strength!

“Boom!”

At this moment, one of them reached out to grab Qin Yu’s head!

Qin Yu did not hesitate anymore. He roared furiously and golden light erupted from his entire body!

The internal Qi of a half-step martial saint instantly erupted!

Chapter 937: Chapter 937, demon saint

Translator: Nyoï-Bo Studio **Editor:** Nyoï-Bo Studio

Qin Yu and the handlebar mustache vigilantly scanned their surroundings with traces of panic on their faces.

Although these people were all at the half-step martial saint realm, they had the body of a Demon Beast!

Their strength was far above that of humans!

“Kill him!”

At this moment, someone gave an order.

“SWISH SWISH SWISH!”

In an instant, several rays of light shot out! They headed straight for Qin Yu and the handlebar mustache!

The great battle erupted in an instant. Qin Yu held the Golden Light in his hand and fought with all his might. Each of his punches contained a force of ten thousand tons!

The two of them faced more than ten demonic beasts at the half-step martial saint realm. For a moment, it was difficult to determine the victor.

“Ah! !”

Qin Yu raised his head and let out an angry roar. He held the absolute beginning holy fist in his hand. The golden light burst out and smashed fiercely toward a demonic beast.

The collision of the two fists was like the Moon hitting the earth. It exploded with an extremely terrifying sound!

What shocked Qin Yu was that the demonic beast was only forced back, but it wasn't injured at all!

“As expected of the body of a demonic beast...”Qin Yu murmured.

Any one of them here was probably not weaker than little black!

Qin Yu subconsciously glanced at the mustache. He was surprised to find that the mustache wasn't at a disadvantage when facing several demonic beasts. It was even steadily suppressing one of them!

"This kid..."Qin Yu muttered softly.

Just as Qin Yu was in a daze, another Demon Beast stepped forward!

His body trembled, and a feather that looked like a dagger actually grew out of his body!

This feather was incomparably sharp, shooting towards Qin Yu from all directions!

Qin Yu did not dare to be negligent. With a furious roar, he unleashed his Golden Fist to the extreme, and a powerful internal Qi burst out from his body!

The endless feathers landed on Qin Yu's body, scraping out white spots one after another on Qin Yu's body!

This time, it was the Demonic Beasts'turn to be shocked.

They sized up Qin Yu, as if they were shocked by Qin Yu's body.

"Boom!"

The number of demonic beasts continued to increase. Qin Yu and the moustache were engaged in a bloody battle, and traces of injuries appeared on his body.

However, the demonic beasts were even more miserable. Many of their bodies had been destroyed, and their bodies were slowly recovering in the distance.

In the blink of an eye, the battle between the two sides had already lasted for three hours!

During these three hours, the losses of the demonic beasts were getting more and more serious.

They did not seem to have expected that the two humans in front of them were actually so powerful!

“No, if this continues, we will definitely die of exhaustion,” the mustached man said in a low voice.

Qin Yu was also slightly panting. Just as the mustached man had said, their numbers were too large! If they continued fighting like this, they would most likely die!

“Let’s go all out.” At this moment, Qin Yu gritted his teeth and prepared to use his trump card.

However, at this moment, the many demonic beasts suddenly looked in a certain direction in unison.

They saw a young man slowly walking over from afar.

He had a slender figure, a head of white hair, and wore a long white robe. His eyes were extremely long and narrow.

Most importantly, the oppressive feeling from his body made it hard for people to breathe!

“Greetings, Lord Immortal Crane!” Upon seeing this young man, everyone shouted in unison.

“Immortal Crane?”

Upon hearing this address, the mustached man couldn't help but frown slightly.

“Why? is his background very big?” Qin Yu asked.

The mustached man gritted his teeth and said in a low voice, “I'm afraid it's more troublesome than we imagined.”

He stared at the man who was called Immortal Crane not far away and said in a low voice, “Immortal crane is a genuine heaven rank demonic beast, and this person has clearly stepped into the martial saint realm.”

“A heaven rank demonic beast who has stepped into the martial saint realm... It's extremely terrifying!”

As he spoke, the crane had already walked over.

He looked down at Qin Yu and the handlebar mustache from above. Not a trace of emotion could be seen on his ice-cold face.

The handlebar mustache clenched his teeth and bowed as he said, “Greetings, Lord Crane. We are only lost here and have no intention of offending you. Please forgive us, Lord Crane. We will leave immediately.”

However, the crane did not say a word.

It slowly raised its hand and lightly slapped towards the mustached man!

That extremely fast speed even left afterimages in the air!

The moment his hand shook, an extremely terrifying internal Qi gathered in his palm.

“Pa!”

A crisp sound could be heard!

This extremely tender palm slapped onto the mustached man’s forehead!

The mustached man’s body swayed slightly, and then with a bang, he fell to the ground and lost consciousness.

“Mustached man!”

Seeing this, Qin Yu was instantly unable to contain his anger!

“What did you do to the mustached man? !”Qin Yu Glared angrily at the immortal crane, and there wasn’t the slightest trace of fear in his eyes!

The Immortal Crane didn’t reply, and only used the same trick again. That tender palm gently moved towards Qin Yu’s forehead!

However, at this moment, Qin Yu’s body suddenly flashed and retreated dozens of meters away!

The immortal crane frowned slightly, and a trace of surprise flashed in its eyes.

“The mustache has already said that we did not mean to offend you at all. We just accidentally stepped into your territory. Why do you have to force us so bitterly!”Qin Yu said coldly.

“How dare you! How dare you talk to Lord Immortal Crane Like That!”Someone beside them shouted loudly.

Qin Yu glanced at them and said coldly, “He is your Lord, not mine! You Want to kill me, right? I will not sit still and wait for death. So what if you are a martial saint!”

As soon as he finished speaking, Qin Yu’s internal Qi exploded to the extreme!

That resplendent golden light was like the sun, making people unable to open their eyes!

“Go to hell!”

Qin Yu was the first to make a move. He raised his hand and used his trump card to break ten thousand techniques with a single punch!

All the golden light gathered on his right fist and exploded in an instant!

The Immortal Crane’s expression was calm. He raised his palm and lightly welcomed the attack!

“Boom!”

An earth-shattering sound shook the entire city!

Dust was stirred up and shattered rocks were sent flying. The power of this punch shocked everyone!

Qin Yu’s fist collided with the Immortal Crane’s palm.

After the dust fell, traces of blood actually flowed out of the Immortal Crane’s Crystal Clear Palm!

His eyes were filled with astonishment, as if he did not believe that this young man in front of him could injure him!

“Lord Immortal Crane was actually injured!”

“How is this possible! Lord Immortal Crane is a martial saint, how could he be injured by a half-step martial saint! ?”

Qin Yu was panting heavily not far away, but his heart was filled with despair.

This was his strongest punch, but it only injured Xianhe’s flesh!

More importantly, this punch had almost exhausted all of his physical strength.

Xianhe, who was not far away, shook the blood from his palm. Then, he walked towards Qin Yu step by step.

Qin Yu gritted his teeth. At this critical moment, he could only use all of his trump cards!

In an instant, a mark flashed between Qin Yu’s brows.

This mark was the power of the Divine Dragon!

And the moment the power of the Divine Dragon appeared, all the demonic beasts present had terrified expressions, as if they were facing a great enemy!

At this moment, the aura of the internal Qi of the divine dragon spread rapidly.

When everyone saw the Divine Dragon Mark between Qin Yu's brows, they all retreated.

Even Immortal Crane's brows furrowed slightly.

At this moment, Qin Yu seemed to have understood something!

He couldn't help but recall the scene when little black saw the power of the Divine Dragon!

These demon beasts seemed to be very afraid of the power of the Divine Dragon!

"Haha!" Qin Yu could not help but laugh coldly, and then he swept his gaze toward the crowd.

But the immortal crane not far away only frowned, and then continued to walk toward Qin Yu.

Qin Yu's expression immediately changed greatly!

This immortal crane actually overcame the suppression of the bloodline in such a short time?

Very quickly, the immortal crane arrived in front of Qin Yu.

His entire body was surging with energy, and his elegant posture contained the most powerful power.

Qin Yu did not dare to be negligent. He could only raise his remaining internal Qi to the limit and meet the immortal crane head-on!

Unfortunately, even at his peak, Qin Yu could not threaten the immortal crane, let alone now?

The Immortal Crane only shook its arms and pushed Qin Yu back!

Before Qin Yu could get up, the immortal crane's huge hand had already slapped down.

A terrifying power poured down on Qin Yu's body. Qin Yu only felt a blackness in front of him before he fainted.

...

When Qin Yu woke up, he was already locked in a prison. Beside him was a handlebar mustache.

"F * ck." Qin Yu couldn't help but curse in his heart.

He had barged into the city of a Demon Beast!

The handlebar mustache was still not awake. Qin Yu couldn't help but walk forward to check on his injuries.

But when Qin Yu walked closer, he heard the faint snoring of the handlebar mustache.

He was actually asleep! He slept quite soundly!

"Why are you so big-hearted!" Qin Yu couldn't help but kick his butt.

The handlebar mustache turned over and fell asleep again in a daze.

Qin Yu had no choice but to pull his ears and pull him up.

The handlebar mustache, who had been pulled awake, looked around in a daze.

“What’s the situation?”The handlebar mustache rubbed his sleepy eyes.

Qin Yu said with a dark face, “We were caught by a demonic beast.”

Hearing this, the handlebar mustache instantly remembered.

His pupils constricted, and he said in a low voice, “Oh No, oh no, this is really F * cking bad luck!”

“Is there any way to escape?”Qin Yu asked.

The mustached man was just about to take the spirit stones when he shook his head and said, “No, this entire city has been set up with a formation. Even spiritual sense can’t penetrate it, let alone a formation.”

Qin Yu couldn’t help but frown slightly.

He thought for a long time, but still couldn’t find a good solution.

At this moment, two people walked over from outside.

They patted the prison’s door and said, “Lord Xianhe wants to see you.”

“It’s over. He’s going to execute us,”the man with the handlebar mustache said with a face full of grief and indignation.

“I didn’t expect that this venerable self, who has lived a life of debauchery, would actually fall to such a state. I’m not resigned!”

“Enough, stop talking nonsense.”The two people frowned.

Qin Yu was rather calm.

If the immortal crane wanted to kill them, it would have made a move long ago. There was no need to lock the two people up.

Since they were spared, there was room for maneuver.

Qin Yu and the handlebar mustache followed behind them. They went in circles all the way through the forest and streams, and finally came to a mountain range,

this place was like a paradise. Everything around it was made of mountain rocks.

There were fat fruits on the leaves, and in the cave, there was fine wine.

Looking at the smoke-filled environment, Qin Yu was a little absent-minded for a moment, thinking that he had arrived at a fairyland.

On a stone bed in front, the immortal crane was lying on its side, holding a jade pot in its hand. The pot was filled with dew-like nectar.

“Lord Crane, here they are,” said the two men.

The crane gestured for them to stand down.

“Crane Lord, spare our lives, I have a secret treasure, can give you!” The handlebar mustache ran to say.

But before he could get close to the crane, he was pushed back.

Qin Yu looked at the crane coldly, looking extremely calm.

The Immortal Crane did not speak for a long time. It was tasting the fine wine. Its long and narrow eyes were slightly closed, and the mighty wind blew past its long white hair. It looked quite beautiful.

“Aren’t you afraid?” After finishing a bottle of wine, the immortal crane finally opened its eyes and looked at Qin Yu.

Qin Yu was neither servile nor overbearing. He said calmly, “I don’t think you will kill us. You just want something from us.”

The Immortal Crane looked at Qin Yu coldly and said, “What can you give me?”

“I don’t know,” Qin Yu said expressionlessly.

The Immortal Crane sat down on the jade bed. He slowly stood up and walked toward Qin Yu.

That powerful aura couldn’t help but make people shiver.

A terrifying pressure spread out.

But even so, Qin Yu didn’t move at all. He looked at the immortal crane calmly.

Their eyes met, and the atmosphere froze for a moment.

Qin Yu’s heart was extremely calm. In an extremely short period of time, he had filtered through everything that he had.

After thinking about it, the only thing that could catch the crane’s eye was probably the power of the Divine Dragon.

It was almost impossible to forcefully seize the power of the Divine Dragon.

“Where did you get the power of the Divine Dragon?”

At this moment, the immortal crane finally spoke.

He turned around and returned to his jade bed, casually picking up a pot of fine wine.

Qin Yu heaved a sigh of relief.

It was just as he had guessed.

Thus, he told the immortal crane about the process of the power of the Divine Dragon.

After the immortal crane heard it, it said quietly, “From today onwards, I want you to use the power of the divine dragon to accompany me in cultivation.”

“Use the power of the Divine Dragon to accompany you in your cultivation?” Qin Yu was somewhat puzzled.

The crane said indifferently, “I will suppress my strength to the same level as you and fight with you.”

Qin Yu touched his chin.

Although this crane had suppressed his strength to the half-step martial saint level, his physical body was still that of a martial saint.

In addition, he was originally a heaven rank demonic beast. As such, the advantage of Qin Yu’s chaotic body no longer existed.

Seeing that Qin Yu did not speak for a long time, immortal crane stood up and said, “I will not use you for nothing. After the matter is settled, I will agree to a request of yours..”

Chapter 939: Chapter 939, fighting with the immortal crane

Qin Yu was delighted and could not help but think to himself, “This immortal crane is quite particular.”

Under normal circumstances, Qin Yu did not have the qualifications to bargain at all.

Moreover, the immortal crane’s strength was beyond imagination and was not inferior to star seizer!

To be able to fight with someone at the same level as him was also a rare experience for him. It could even rapidly improve his state of mind and help him step into the martial saint realm!

“Okay!” Qin Yu immediately nodded and agreed.

The crane stood up and said, “Wait for me here at this time tomorrow.”

“Okay.” Qin Yu bowed slightly and then left with the handlebar mustache.

After walking out of this grotto-heaven, the handlebar mustache said impatiently, “Qin Yu, my life is in your hands. You have to grasp it well!”

Qin Yu rolled his eyes and said, “You don’t have to say it. I Won’t miss this opportunity.”

At this point, Qin Yu paused and muttered, “But it’s really strange. Why did this immortal crane challenge the power of the Divine Dragon...”

The mustached man sneered and said, “You don’t understand. The power of the divine dragon to demon beasts is like an ancient subject meeting the Emperor.”

“Normally, when ordinary demon beasts see the power of the Divine Dragon, it’s good enough that they don’t care.”

Qin Yu said in surprise, “Is it really that serious?”

“If you don’t believe me, just find someone to test it out,” the mustached man muttered.

As he was speaking, a person walked over not far away.

He was in charge of bringing Qin Yu to the residence.

The three of them came to the vicinity of the residence. Qin Yu patted his shoulder and said, “Hello, May I ask if this Lord Immortal Crane’s true form is the immortal crane?”

That person hid to the side with a look of disgust. He said with a face full of disgust, “You’d better not touch me. Lord Immortal Crane Sparing Your dog life doesn’t mean that we will remain friendly to you.”

Qin Yu touched his chin. He thought for a moment and immediately activated the power of the Divine Dragon

The moment the mark of the Divine Dragon appeared, this person’s face was immediately filled with terror. His entire body was trembling non-stop.

Even though he forcefully endured it, his knees could not help but kneel down.

Qin Yu hurriedly withdrew the Divine Dragon's power and said with slight embarrassment, "I'm really sorry. I was careless just now, it was definitely not intentional!"

This person completely ignored Qin Yu's feelings. His eyes were filled with terror as he looked at Qin Yu. He turned around and ran.

"So the influence of the Divine Dragon's power on demon beasts is so great..."Qin Yu muttered.

"Speaking of which, this crane is really awesome. It can actually be so calm and at ease when facing the power of the Divine Dragon..."Qin Yu couldn't help but think to himself when he heard this.

This couldn't help but make Qin Yu think of little black.

He could be considered one of the most courageous people Qin Yu had ever seen.

But even so, when facing the power of the Divine Dragon, he almost knelt down.

Only this crane only frowned, and could even attack him.

"Sigh, for this crane to cultivate to such a realm, I roughly estimate that it must have lived for more than a thousand years,"the mustached man said while stroking his beard.

Qin Yu said in surprise, "It's already so old?"

"What do you think? The cultivation of demon beasts is much more difficult than ours, but once they cultivate and take shape, their strength will far surpass that of humans,"the mustached man muttered.

Qin Yu did not say a word. However, he could not help but feel a little more admiration for this immortal crane in his heart.

...

The next day.

Qin Yu arrived at this grotto-heaven according to the agreement.

The Immortal Crane seemed to have been waiting here for a long time. It had a head of long white hair and a nearly perfect figure. It looked like a handsome man who had walked out of a painting.

Qin Yu tried to sense its internal qi and discovered that the immortal crane had already suppressed its internal Qi to half a step into the martial saint realm.

“Let’s begin,”the immortal crane said expressionlessly.

Qin Yu did not waste any more time. He immediately activated the power of the Divine Dragon and released his Internal Qi!

The moment the power of the Divine Dragon appeared, the Immortal Crane’s brows furrowed slightly. In an extremely short period of time, beads of sweat appeared on its forehead.

This was enough to show how much pressure the power of the Divine Dragon was putting on it!

“This power of the divine dragon seems to be putting a lot of pressure on you,”said Qin Yu.

“It’s not fair to fight like this. Why don’t I lower my strength by one realm?”

“No Need,” said immortal crane coldly.

Before he could finish his words, immortal crane’s figure flashed explosively. His extremely fast speed even left behind afterimages, leaving Qin Yu completely unable to react!

Boom

The Crane’s palm slapped onto Qin Yu’s chest!

A gentle and overbearing force exploded on Qin Yu’s chest!

Even though Qin Yu had a chaotic body, he was still sent flying hundreds of meters by the strange force, and several of his sternum were broken!

Qin Yu crawled out of the ruins. He rubbed his chest and said in a low voice, “So powerful...”

This was probably the strongest opponent Qin Yu had ever met!

Most importantly, the two of them were of the same level!

“You’d better use your strength.” The Crane’s voice was a little breathless, and the sweat on its forehead kept flowing out.

Qin Yu moved his arms and said coldly, “Okay, then I’m Coming!”

Then, beams of golden light burst out from Qin Yu’s body, and his body was pushed to the limit!

“Be careful!”

Qin Yu shouted and immediately urged the absolute beginning holy fist, rushing toward the crane!

My Rich Wife – Chapter 940 – Chapter 940, understanding each other –

Chapter 940: Chapter 940, understanding each other

The Golden Light appeared and instantly closed in on the immortal crane!

The immortal crane resisted the pressure brought by the power of the Divine Dragon and raised its hand to meet Qin Yu!

At the moment of collision, the immortal crane was forced back three steps!

However, Qin Yu's condition was not much better. He only felt that his fist was in pain from the Impact!

“What a powerful physical body!” Qin Yu could not help but sigh!

This was probably the most powerful physical body Qin Yu had ever seen!

Shock also flashed across Immortal Crane's face.

He looked at Qin Yu coldly and said, “If you were to become a martial saint, I might not be your match.”

Qin Yu grinned and said, “Among those of the same level, you are also the strongest opponent I have ever met!”

After he finished speaking, Qin Yu charged towards immortal crane again!

This time, the Immortal Crane's body emitted a faint white light!

His strength instantly increased by a few points!

Both sides trembled in an instant. Both of them used all their trump cards and kept on fighting!

The entire grotto-heaven exploded from time to time. The battle between both sides attracted the attention of countless people!

The battle between the two continued for a full three hours.

After three hours, the sweat on the crane's forehead grew more and more, as if it couldn't withstand the pressure anymore.

Both of them had suffered different injuries, and Qin Yu was obviously more serious!

This couldn't help but Shock Qin Yu to the bottom of his heart!

Being in the same level, Qin Yu actually couldn't gain the upper hand, and was even suppressed by the crane!

One had to know that the crane was fighting under the pressure of the Divine Dragon's power!

"So Strong..."Qin Yu wiped the blood from the corner of his mouth, and a hint of caution appeared on his face.

At this moment, the immortal crane waved its hand and said, "Rest for a moment."

Qin Yu was stunned, then nodded and said, "Okay."

Therefore, Qin Yu found a seat and sat down, waiting for the immortal crane.

On this day, the two sides exchanged blows three times, and it only ended when the sky turned dark.

Qin Yu's injuries seemed to be very serious and even walking was somewhat difficult.

Helplessly, he had no choice but to carry Qin Yu back with his handlebar mustache.

“Did he really suppress his cultivation to the half-step martial saint realm...”lying on the bed, Qin Yu could not help but feel somewhat vexed and a sense of defeat arose spontaneously.

The handlebar mustache on the side rolled his eyes and said, “Enough, don't be unsatisfied. If it were an ordinary person, I'm afraid they would be instantly killed.”

Even though that was the case, Qin Yu still couldn't calm down for a long time.

Ever since he made his debut, he had never suffered a defeat in the same cultivation level! And the appearance of the immortal crane had completely overturned Qin Yu's worldview.

The next day, Qin Yu went to the grotto-heaven as usual and fought with the immortal crane.

On this day, Qin Yu was still at a slight disadvantage.

It was the same on the third day and the same on the fourth day.

Ten days later.

Qin Yu and Immortal Crane were already at a draw.

During the halftime interval, Qin Yu couldn't help but smile bitterly. "I haven't improved at all after so many days..."

Immortal Crane glanced at Qin Yu and said coldly, "Your improvement is much greater than I imagined. You are the strongest human I have ever seen."

Qin Yu frowned and said, "Is there? But it has been ten days, and I have just been able to tie with you..."

"Don't forget that while you're improving, my fear of the Divine Dragon's power is also gradually disappearing," reminded immortal crane.

Qin Yu suddenly came to a realization!

That's right! Immortal Crane's pressure on the Divine Dragon's power seemed to be slowly disappearing as well!

"I understand!" Qin Yu was instantly overjoyed.

He got up and bowed slightly to immortal crane, cupping his hands and saying, "Thank you!"

The Immortal Crane did not say a word. It just casually threw a pot of fine wine to Qin Yu.

After ten days of interaction, the relationship between the two seemed to be getting closer and closer.

In their spare time, the two began to chat casually.

After their conversation, they learned that their temperaments and personalities were somewhat similar.

The Immortal Crane had been a person who refused to admit defeat since he was young. When faced with demonic beasts that were stronger than him, he never yielded. In the end, he fought his way out and became a martial saint.

As for immortal crane, only the power of the divine dragon was unable to resist. That was why it left Qin Yu behind to cultivate with him.

“I never believed in bloodline suppression. I was born to be arrogant,” immortal crane said quietly.

Qin Yu could not help but admire immortal crane even more.

After immortal crane learned of Qin Yu’s story, it was also somewhat moved.

Especially after it learned of the conflict between Qin Yu and the Jingdu Martial Arts Association, as well as the fight with the young masters of aristocratic families, and so on.

“Alright, it’s time to continue.”The Immortal Crane emptied the wine in its hand and stood up to say.

“Alright!”Qin Yu nodded.

In the next few days.

Qin Yu and the immortal crane had basically maintained a level playing field.

And the immortal crane had been sweating profusely from the beginning until now, it could almost ignore the oppression of the Divine Dragon's power.

Just as Qin Yu and the immortal crane were both cultivating, the fire country's martial arts world had once again undergone a change.

Tian Xue Hong had re-established the immortal Slayer sect, and with the help of the white bone army, he was almost invincible!

Not only that, Tian Xue Hong had also massacred many of the martial artists in the current era, and the number of martial artists who had died at his hands was uncountable.

He had grabbed the martial artist's spiritual sense and swallowed it into his stomach, using it to cultivate.

This caused the entire martial arts world to be filled with terror. As the "Leader", Gu Xing he did not say a single word, as if he had not seen anything.

"Young Master Gu, isn't Tian Xuehong's actions a bit too much?" Zhai Xing asked with a frown.

Gu Xinghe put down the wine in his hand, glanced at Zhai Xing and said, "Too much? How is it too much?"

Zhai Xing said with some anger, "He treats human lives like grass and relies on the spiritual sense of a martial artist to cultivate. Isn't this too much?!"

"Many innocent people have already died in his hands. Shouldn't we do something?"

Gu Xinghe sneered, “Uncle Zhai Xing, aren’t you being too soft-hearted? A bunch of ants. What does it have to do with us?”

Zhai Xing’s face was ashen. Although he was angry, he did not know how to flare up.

“If you don’t stop him, I Will!”Zhai Xing gritted his teeth and said.

Gu Xinghe stopped Zhai Xing and said coldly, “You are not allowed to go either! Since my father has asked you to follow me, then you must listen to my orders!”

Zhai Xing’s body trembled slightly, as if he was trying to resist.

In the end, the furious Zhai Xing smashed the stone pillar in the main hall with one punch and left angrily.

Gu Xinghe snorted lightly and continued drinking.

He was not worried that Zhai Xing would betray him, because Zhai Xing’s loyalty to Gu Zi was beyond imagination.

...

In the blink of an eye, Qin Yu had been in this city for twenty days.

During these twenty days, Qin Yu’s strength had increased rapidly, and even his realm had also increased greatly.

“It can end now.”

On the twenty-third day, the immortal crane said in a low voice.

Qin Yu cupped his hands and said, “Okay, I’ll listen to you.”

“During this period of time, I’m very grateful for your sparring partner,”said the immortal crane.

Qin Yu repeatedly waved his hand and said, “I should be the one thanking you. No wonder you can become the city lord here.”

Twenty-three days had made Qin Yu bow his head in admiration to the immortal crane.

Not only was his heart higher than the sky, his thoughts were even purer.

Such a character was rarely seen among human martial artists..

Chapter 941: Chapter 941, return to the fire country. [Pyro]

The Immortal Crane took a sip of wine and then said: “According to our agreement, I can agree to one request of yours.”

One request ?

At that moment, Qin Yu’s mentality was completely different from before.

At that time, Qin Yu had only wanted to get something out of the immortal crane, but now that Qin Yu’s gains were already so great, he did not even know how to open his mouth.

“Forget it. I’ve also gained a lot during this period of time.”Qin Yu repeatedly waved his hand.

Immortal Crane glanced at Qin Yu and said, "I've never owed a favor, and I won't go back on my word."

This made Qin Yu somewhat troubled.

He scratched his head and said, "How about this? I'll keep this request for now. I'll come to You When I need it in the future."

The crane was stunned for a moment before it nodded and said, "Okay."

Then, Qin Yu turned around and left the place.

After returning to his residence, Qin Yu packed his things and said, "We should go too."

"Go? Go Where?" The Mustache Man muttered.

Qin Yu said, "We've been here long enough. Don't tell me you're still staying here. It's time to go back."

The man with the handlebar mustache stood up from the ground and muttered, "Isn't this place good? It's safe and comfortable."

Qin Yu rolled his eyes and said, "Then you can stay. I'll take my leave first."

After saying this, Qin Yu turned around and planned to leave.

The Man with the handlebar mustache rolled his eyes and said, "You've gained a lot during this period of time. I F * CKING wasted almost a month."

Even though he said so, the Mustache Man still followed Qin Yu out of the room.

Then, Qin Yu brought the Mustache Man to the front of the immortal crane.

“We plan to leave.” Qin Yu cupped his hands to the immortal crane.

The immortal crane said indifferently, “What’s there to miss in this world? It’s better to stay here.”

Qin Yu smiled bitterly and said, “I still have a lot of things to do.”

Seeing this, immortal crane didn’t say anything more.

He waved his hand, and a strong man walked over.

“Uncle Niu, send them out,” said immortal crane.

The strong man called Uncle Niu immediately cupped his hands to immortal crane and said, “Yes, Lord Immortal Crane.”

Then, Qin Yu said goodbye to Immortal Crane, followed behind Uncle Niu, and left the city.

Twenty days of cultivation had allowed Qin Yu to make great progress.

Whether it was his strength, speed, or battle experience, they had all improved greatly.

Although Qin Yu’s realm had not improved, his strength could not be compared.

This desert was extremely vast. Even with Uncle Niu leading the way, the three of them moved extremely slowly.

At night, the three of them found a place and sat down to rest.

“Uncle Niu, how many martial saints are there in this city?” Qin Yu asked in his spare time.

Uncle Niu glanced at Qin Yu and said, “Including me and Sir Xianhe, there are four of them.”

“Oh, when was Xianhe a martial saint?” Qin Yu continued to ask.

“Early-stage martial saint.” Uncle Niu said.

Qin Yu could not help but suck in a breath of cold air.

To have such strength at the early-stage martial saint was truly terrifying!

Qin Yu even felt that his strength was not inferior to Zhai Xing!

“Then what age is he?” Qin Yu asked like a chatterbox.

Uncle Niu said, “143 years old.”

Qin Yu’s eyes instantly widened, and the handlebar mustache at the side sucked in a breath of cold air.

143 years old?

The Immortal Crane was so young?

According to the mustached man’s estimation, the immortal crane was at least a thousand years old!

“To have such strength at a hundred and forty-three years old is really terrifying,” the mustached man exclaimed.

“This immortal crane is definitely a genius!”

“Of course! Although Lord Immortal Crane is young, his talent is unparalleled in the world,” Uncle Niu praised.

At the mention of Immortal Crane, Uncle Niu’s face was full of pride.

Qin Yu also sighed slightly, “Indeed, even little Black’s age is above immortal crane.”

Moreover, little black relied on the transformation pill to transform into human form.

“You guys are not demon beasts. I wonder how powerful Lord Immortal Crane is,” Uncle Niu muttered.

“To be able to rely on his own willpower to resist the bloodline suppression brought by the power of the Divine Dragon, I’m afraid only he can do it in the world.”

Qin Yu nodded and said, “Indeed, his willpower and state of mind are truly admirable.”

After more than twenty days, Qin Yu and the immortal crane could be considered to have come to appreciate each other.

“Alright, rest early. We still have to hurry on the road tomorrow.” Uncle Niu turned over and fell asleep.

Qin Yu was not in the mood to sleep.

He gazed at the night sky and could not help but mutter in a low voice, “I wonder how she’s doing now, whether she has embarked on the path of cultivation, and what kind of realm she’s in...”

“Alright, don’t think about it anymore. She has the complete bloodline of the Yan family. Even if she goes to the Yan family, she will still be treated as a princess.”The Handlebar Mustache Man yawned.

Qin Yu sighed. The longing for Yan Ruoxue was simply impossible to suppress.

... . .

At that moment, within the borders of the Pyro Nation.

The actions of the Sky Blood Rainbow were becoming more and more rampant, and countless people were already on the verge of enduring it.

However, Tian Xue Hong’s strength was unfathomable. No one dared to act rashly.

It was only until this day that the impulsive Chang Mang issued a challenge to Tian Xue Hong.

Only after the great battle between the two sides did they learn that Tian Xue Hong was only at the half-step martial saint stage. Chang Mang had been defeated in one move!

At this moment, everyone understood that the reason why Tian Xue Hong could be so rampant was because of his white bone army!

As long as the white bone army was present, no one would be able to do anything to the Sky Blood Rainbow!

At the same time, more and more young disciples walked out from the secret realm. It seemed that they all wanted to find the opportunity to become a martial saint in this world.

...

Another Day passed, and Qin Yu and the handlebar moustache were still unable to walk out of this desert.

“Uncle Niu, how much longer will it take?” Qin Yu could not help but ask.

Uncle Niu pointed ahead and said: “At most a day, we will be able to step into the fire country’s borders.”

“Phew.”

Hearing those words, Qin Yu could not help but heave a sigh of relief.

Another Day passed.

The group of three had finally stepped into the fire country’s borders.

“I will send you all here.” Uncle Niu said.

Qin Yu was just about to say goodbye when the handlebar mustache suddenly pulled Uncle Niu back and said: “Uncle Niu, look at what you are saying. You have sent us off for so long, we should at least treat you to a meal?”

Uncle Niu frowned slightly and snorted lightly, “I’m not interested in the human world.”

“Aiya, don’t say that. I’ve never owed anyone a favor. No matter what, I have to treat you to a meal!” The Mustache Man patted his chest and said.

Uncle Niu frowned. It was difficult to reject such a kind offer, so he finally agreed.

Qin Yu couldn't help but pull the mustache man to the side and whispered, "What are you up to again?"

The handlebar moustache said in a low voice: "I have speculated that we might have a disaster in the next two days, so I have to think of a way to get him to escort us."

"With a martial saint protecting us, we have nothing to be afraid of."

Qin Yu thought about it and it seemed to make sense.

After all, they had entered the fire country's borders, it would indeed be safer to get Uncle Niu to escort them to Pyro..

Chapter 942: Chapter 942, Uncle Niu came with them

"You Little Brat, you really have a lot of tricks up your sleeve." Qin Yu could not help but mutter under his breath.

"That's called being smart, what do you know?" The handlebar moustache rolled his eyes and said.

Hence, Qin Yu put on his hat and brought Uncle Niu into the fire country's borders.

"Where are we going next?" The handlebar moustache asked.

Qin Yu thought about it and said: "To the Jade Moon Villa, I have a secret realm there."

“You have a secret realm?” Uncle Niu couldn’t help but be a little surprised when he heard that.

Qin Yu grunted and said, “I got it by chance.”

“When the hell did you get a secret realm?” The mustached man couldn’t help but say in surprise.

Qin Yu didn’t pay attention to him. He leaned against his seat and closed his eyes slightly.

The three of them soon arrived at the Green Moon Villa.

The current Green Moon Villa no longer had the prosperous scene of the past. Instead, it was in an incomparable decline.

“This... What Happened?” The mustached man looked at the scene in front of him, and a trace of shock flashed across his face.

Qin Yu said coldly, “It was done by Wan Gu Qiong.”

“How F * cking cruel.” Uncle Niu couldn’t help but snort coldly.

Qin Yu didn’t say anything. He brought the three people to the vicinity of the mystic realm.

“Go and buy some food.” Qin Yu looked at the mustached man.

The handlebar mustache muttered, “Why should I go?”

“Didn’t you want to treat Uncle Niu to a meal? Don’t talk nonsense. Hurry up and go.” Qin Yu kicked the butt of the handlebar mustache.

Although the handlebar mustache was somewhat unwilling, he still agreed.

Qin Yu slowly opened the mystic realm in front of him, cupped his hands and said, "Uncle Niu, please."

Uncle Niu grunted and followed him into the mystic realm.

The moment they stepped into the mystic realm, a wave of Qi/spiritual energy assaulted their faces.

"What a dense amount of Qi/spiritual energy." Uncle Niu could not help but say in surprise.

Qin Yu smiled and said, "Uncle Niu, if you are willing, you can stay."

However, Uncle Niu waved his hand and said, "Wherever Lord Xianhe is, I will be there."

Qin Yu did not say much. After he entered the mystic realm, he realized that Jiang he was no longer in the mystic realm.

"Where is senior Jiang he?" Qin Yu could not help but frown as he looked at Li Yu.

Li Yu said, "Senior Jiang he left the secret realm some time ago."

Qin Yu frowned slightly and said, "Has he entered the Martial Saint Realm?"

"No." Li Yu shook his head.

Qin Yu was a little puzzled. Could it be that even Jiang he needed experience to enter the martial saint realm?

“Forget it.”Qin Yu waved his hand.

He brought Uncle Niu to the private house and found a place to sit down.

“Uncle Niu, please wait for a moment. The handlebar mustache will be back soon,”Qin Yu said politely.

Uncle Niu nodded and then closed his eyes slightly.

After about an hour, the handlebar mustache returned to the secret realm.

He was carrying a large pile of food and a pot of fine wine.

“Damn it, it cost me several hundred. I have to find Qin Yu to reimburse him,”the handlebar mustache could not help but mutter.

Then, the handlebar mustache waited near the mystic realm for Qin Yu to open it.

After another ten minutes, a ray of light slowly flashed in front of him.

The handlebar mustache did not think much and strode into the mystic realm.

However, the handlebar mustache did not know that he had been targeted.

After the handlebar mustache entered the secret realm, a figure slowly walked out from the darkness.

He looked at the scene in front of him coldly, then took out his cell phone and dialed a number.

“Young Master Wan, as you expected, that kid is indeed related to Qin Yu,”he said in a deep voice.

On the other end, wan gu qiong sneered, “How is it? Have you found Qin Yu?”

“Qin Yu might be hiding in a secret realm. That secret realm is in the Green Moon Villa. Master du has also come to investigate.”

Wan Gu Qiong narrowed his eyes and sneered, “Alright, you stay there and guard. I’ll be there soon.”

After he hung up the phone, Wan Gu Qiong immediately brought the two martial saints of the Wan family and rushed to the Green Moon Villa.

...

In the secret realm.

The handlebar mustache placed the dishes in front of Uncle Niu:

A plate of pork head, a plate of vegetables, a plate of peanuts, and three stir-fried vegetables.

In addition, there was a pot of unknown white wine on the table.

“Uncle Niu, eat freely. It’s my treat!”The handlebar mustache patted his chest and said.

Uncle Niu drank a mouthful of white wine and couldn’t help but frown.

“It’s so F * cking terrible. Do you usually drink this?”

“AH? This is the best wine we have here!”The Mustache Man said shamelessly.

Qin Yu couldn't help but pull the mustache man aside and frowned.

"You're treating him to this?"

"So What? Isn't this a delicacy? Besides, it's already pretty good to be able to buy these in the wilderness," the mustache man muttered.

"You're so F * cking stingy," Qin Yu couldn't help but curse.

Even though that was the case, the dishes had already been bought, so this was the only way.

After a meal, Uncle Niu patted his stomach and stood up. "Alright, thank you for your hospitality. I should go back."

"Are you in such a hurry?" Qin Yu couldn't help but frown.

"Uncle Niu, you can stay for a few more days. I'll bring you to Jingdu. There are real delicacies there," Qin Yu said.

Uncle Niu waved his hand and said, "I've been out for a long time. It's time to go back."

Seeing that Uncle Niu had made up his mind, Qin Yu couldn't say anything else. He could only nod and say, "Alright then. If you have time, remember to come and play with me."

"Okay." Uncle Niu nodded slightly.

Then, Qin Yu led Uncle Niu to the exit of the secret realm.

After he opened the mystic realm, the three of them walked out of the mystic realm.

“Uncle Niu, remember to greet the immortal crane for me when you go back.”Qin Yu cupped his hands and said.

Uncle Niu grunted and said, “I got it. If you have time, you can come to our place to play.”

“Definitely!”Qin Yu nodded repeatedly.

“TSK tsk, Qin Yu, I didn’t expect you to really find a mystic realm.”

At this moment, a voice came from the dark.

Then, he saw Wan Gu Qiong strolling out.

Behind him were two martial saints.

Qin Yu’s expression changed drastically!

He had been discovered!

“I knew there wouldn’t be a problem with my guess.”The Mustache Man hurriedly hid behind Uncle Niu.

Qin Yu looked at Wan Gu Qiong with a cold gaze. He took a deep breath and said, “Wan Gu Qiong, to be discovered by you, you really have some skills.”

Wan Gu Qiong put his hands behind his back and said indifferently, “Do you think I’m the same as those idiots? I let you escape last time, let’s see where you can run to this time!”

After he finished speaking, the two martial saints waved their big hands and directly sealed this space.

“Do you want to go with me, or do you want me to Cripple You First and then bring you back?” Wan Gu Qiong said with a cold smile.

Before Qin Yu could speak, Uncle Niu frowned and asked, “Who are these people?”

The mustached man hurriedly said, “Uncle Niu, they aren’t good people. They kill demonic beasts every day as delicacies. Last time, he wanted to kill us just because we couldn’t stand to talk about him.. They are simply animals!”

Chapter 943: Chapter 943, Uncle Niu made his move

Hearing the words of the handlebar mustache, even Qin Yu was stunned.

When did this happen? When did Wan Guqiong Scold Demon Beasts?

Uncle Niu, who was simple and honest, obviously took it seriously. He stared at Wan Guqiong and said in a deep voice, “Why did you do that?”

Wan guqiong frowned and said, “What the hell?”

Before Uncle Niu could say anything, the mustache added fuel to the fire, “Not only did this kid eat Demon Beasts, but he also cursed the immortal crane. He said that he had seen the immortal crane in his early years and almost ate it. Uncle Niu, do you think this can be tolerated?”

Hearing this, Uncle Niu’s face turned completely cold.

He strode forward and berated, “Kid, how Dare You Insult Lord Immortal Crane!”

“What nonsense? What Bullsh * t immortal crane, I don’t even know it!” Wan Gu Qiong waved his hand impatiently.

“Hey, Uncle Niu, you heard it! This kid called Lord Immortal Crane Bullsh * t!” The mustached man immediately added fuel to the fire.

Uncle Niu flew into a rage. He angrily tried wan gu qiong and shouted, “Kid, you are going too far!”

Wan Gu Qiong also became a little impatient. He took two steps back and said coldly, “Kill this lunatic!”

“Okay.” The two martial saints walked over with a cold smile.

They looked down at uncle Niu and said, “Are you going to kill yourself, or are we going to cripple you?”

Uncle Niu said with a gloomy face, “Two reckless little bastards. If I don’t Rip Off Your Dog Head Today, I will change my name!”

“Hahaha, do you know who we are? We are martial saints from the Wan family’s secret territory. How can we be a rough man like you...”

“Boom!”

Before he could finish his words, Uncle Niu had already thrown a punch!

After he felt the strength of Uncle Niu’s fist, that martial saint’s expression immediately changed drastically!

He hurriedly raised his palm to block in front of him.

“Bang!”

Uncle Niu's fist smashed onto his arm, instantly breaking his arm and sending his body flying!

When he saw this scene, Wan Gu Qiong's expression immediately changed drastically!

The other martial saint could not help but widen his eyes!

"Martial saint! This person is a martial saint!" Wan Gu Qiong cried out in shock.

Uncle Niu was like a mad bull as he strode towards that martial saint!

That martial saint did not dare to be negligent. He quickly got up from the ground and formed a spell with his hands in an attempt to resist.

However, before he could complete his spell, Uncle Niu had already slapped him!

That martial saint's face was instantly covered in blood and his bones were shattered!

Uncle Niu did not stop there. He picked up this martial saint with one hand and drew his bow from left and right as if he was holding a Chick!

At this moment, the advantage of the Demonic Beast's body was fully displayed!

Not far away, Wan Gu Qiong's expression changed drastically. He secretly said that things were not looking good and hurriedly looked at the martial saint beside him.

"Retreat, cover me and retreat!" Wan Gu Qiong said in a low voice.

“Yes!” That Martial Saint had long had this intention. When he heard these words, he immediately turned around and ran away with Wan Gu Qiong.

“Kid, stop and don’t Run!” The mustached man hurriedly shouted.

“Uncle Niu, quickly chase after him. That Kid has run away!”

However, at this moment, Uncle Niu was in a fit of anger. How could he care about Wan Gu Qiong.

He grabbed that martial saint’s head and bent it to the left and right. Then, he forcefully broke his head off!

Qin Yu and the mustached man were secretly delighted as they watched. The only pity was that Wan Gu Qiong had run away!

Right at this moment, that martial saint’s primordial spirit floated out from his body.

Just as he was about to leave, qin yu hurriedly shouted, “Uncle Niu, don’t let his primordial spirit escape!”

“Don’t worry.” Uncle Niu coldly shouted. Then, with a wave of his hand, he captured his primordial spirit!

“Uncle Niu, don’t crush him to death!” Qin Yu ran over excitedly and said with a grin, “Uncle Niu, do you think you can hand this primordial spirit over to me?”

Uncle Niu frowned and said, “What do you want this for?”

Qin Yu said with an embarrassed smile, “The essence soul of a martial saint is a great tonic! It has a wonderful use for my cultivation!”

Uncle Niu casually threw the essence soul to Qin Yu and said, “Suit yourself.”

Qin Yu hurriedly looked at the handlebar mustache and asked him to take out a spiritual artifact. Then, he stuffed the essence soul into it.

“I really didn’t expect that there would be unexpected gains,” Qin Yu said with satisfaction.

Uncle Niu, who was standing at the side, no longer had the desire to stay.

No matter how much Qin Yu and the moustache man tried to persuade him to stay, Uncle Niu still left this mystic realm without turning his head back.

After he left, Qin Yu couldn’t help but sigh slightly.

“Sigh, it’s troublesome. I’m afraid this mystic realm can’t be preserved,” Qin Yu muttered.

The moustache man hummed and said, “When Wan Gu Qiong finds out about this secret realm, he will definitely spread the news.”

“Looks like we have to find a new hiding place.” Qin Yu said in a low voice.

“Let’s quickly part ways. I don’t want to be hunted down with you.” The moustache man muttered.

Qin Yu grabbed the moustache man and said with a smile, “Good brothers should share weal and woe. How Can You Leave Now?”

The handlebar moustache glared at him and said, "Screw you. I don't want to die in the hands of a martial saint!"

Qin Yu pretended to sigh and said, "It's not impossible for you to leave. How about this? Give me half of your spiritual stones and I'll let you go."

"Alright, you want to play the Shameless game with me?" The handlebar moustache said with a displeased expression.

Qin Yu said shamelessly, "Anyway, if you don't give it to me, I won't let you go. I'll go wherever you go."

"Besides, I have the line formula. Even if I'm discovered by a martial saint, I can still escape. You might not."

The Mustache Man was so angry that he jumped up and down, blowing his beard and glaring at Qin Yu.

"You... you're even more shameless than me!" The Mustache Man said angrily.

"Aiya, enough. I'll just take it as a loan to you, okay? I'll return it to you when I become a martial saint." Qin Yu said with a smile.

The mustached man had no choice but to give Qin Yu half of the spiritual stones.

However, Qin Yu could not put any spiritual stones in his spatial divine weapon, so the mustached man could only give Qin Yu another spatial divine weapon.

"Damn it, I've lost so much," the mustached man muttered.

“I’ve spent several hundred on food and spiritual stones and spiritual artifacts. You have to return it to me.”

Qin Yu said with a smile, “I promise, I’ll return ten billion to you in the future! I’ll give you as many spiritual stones as you want!”

Chapter 944: Chapter 944, the secrets of the spatial artifact

The moustache man shrunk his neck and muttered, “Alright, stop talking nonsense. I have to run away quickly.”

After saying this, the moustache man turned around and left.

Qin Yu was the first to return to the mystic realm. He told Li Yu the news and asked him to leave temporarily.

After doing all this, Qin Yu considered his next move.

He sat near the secret realm for a long time. After thinking about it, he decided to make a trip to the pavilion of Heavenly Secrets for the time being to find out about the secrets of the spatial divine artifact.

Thus, Qin Yu put on his hat and got up to rush to Jingdu.

All the way to Jingdu, Qin Yu headed straight for the pavilion of Heavenly Secrets.

Everything in the pavilion of heavenly secrets was as usual. Qin Yu directly passed through the hall and rushed to the villa behind the pavilion of Heavenly Secrets.

In the villa, Luo Yang was sitting on the sofa drinking tea. When Qin Yu came in, Luo Yang couldn't help but shiver in fear.

“Qin... Qin Yu?” Luo Yang swallowed his saliva and asked.

Qin Yu took off his hat and threw it to the side, saying, “Where's your father?”

Luo Yang said, “My father is in the refining room. I... I'll go call him right away.”

Qin Yu grunted in gratitude. He poured a cup of tea and waved his hand, saying, “Tell him to come back quickly. I have something to find him for.”

“Okay,” Luo Yang replied and quickly walked out of the living room.

At this moment, Qin Yu didn't know that danger was approaching.

He sipped his tea slowly and waited quietly for Luo Jingyu.

After Luo Yang walked out of the villa, he hurriedly took out his cell phone and called Gu Xinghe.

Once the call was connected, Luo Yang couldn't wait to say, “Young Master Gu, Qin Yu is here! He's in the pavilion of Heavenly Secrets Right Now!”

When Gu Xinghe heard this, he sat up abruptly.

“Are you sure?” Gu Xinghe said coldly.

“Yes! I guarantee he’s at the pavilion of Heavenly Secrets! Come quickly, or he’ll leave soon,” Luo Yang said hurriedly.

Gu Xinghe narrowed his eyes and said, “Think of a way to stall him. I’ll be there right away.”

After saying this, Gu Xinghe looked at Long Mei and said, “Quick, go and get Zhai Xing for me.”

“Yes, Young Master Gu.” Long Mei did not dare to say anything and quickly walked out.

These few days, Zhai Xing had practically been cooped up in his room drinking. He did not leave the main door and did not step out.

He could not stand the Sky Blood Rainbow and did not like Gu Xinghe’s way of doing things.

However, the naturally loyal Zhai Xing could not disobey Gu Xinghe’s orders at all, so he simply hid in his room. Out of sight, out of mind.

A few minutes later, under the call of Long Brows, Zhai Xing arrived in front of Gu Xinghe.

“Young master Gu, what’s the matter?” Zhai Xing asked expressionlessly.

Gu Xinghe said coldly, “Follow me to the pavilion of heavenly secrets immediately. Qin Yu is there.”

“Qin Yu?” There was not much emotion on Zhai Xing’s face.

Gu Xinghe glanced at Zhai Xing and said with a cold face, "Uncle Zhai Xing, you seem very reluctant."

"No," Zhai Xing said expressionlessly.

"No?" The expression on Gu Xinghe's face became more and more displeased.

Zhai Xing seemed to be unable to hold it in anymore. He took a deep breath and said, "In my opinion, the one who does evil is his sky blood rainbow, not Qin Yu."

"Do Evil?" Gu Xinghe could not help but sneer.

"Uncle Zhai Xing, you are already so old, why are you still so childish?"

"What do you mean by evil? What is evil and what is good? Good and evil are just the rules that we people have made up!"

"Whoever I say is evil will be evil!"

Hearing Gu Xinghe's words, Zhai Xing's expression became even more unsightly.

"Alright, no more nonsense. Call the people and follow me," Gu Xinghe said coldly.

Zhai Xing opened his mouth but did not say anything else.

...

Inside the pavilion of heavenly secrets.

Luo Jingyu rushed into the villa.

He knew nothing about Luo Yang, so he did not know that Gu Xinghe was on his way.

After entering the door, Luo Jingyu wiped his sweat and walked quickly towards Qin Yu.

“Mr. Qin, what’s So Urgent?”Luo Jingyu asked.

Qin Yu said in a deep voice, “Pavilion Master Luo, I came to look for you this time because of the space artifact.”

Luo Jingyu’s face turned a little ugly when he mentioned the space God weapon.

Qin Yu thought for a moment and took out another space god weapon. Then, he took out hundreds of spirit stones and handed them to Luo Jingyu.

“These... These are spirit stones ? !”Luo Jingyu’s eyes widened when he saw this.

Qin Yu grunted and said, “Spirit stones are top-notch materials for refining weapons. These spirit stones can be regarded as compensation for you.”

Luo Jingyu took the spirit stones and held them in his hands excitedly. He said in a low voice, “It’s really spirit stones...”

At this time, Luo Jingyu seemed to have remembered something. He hurriedly said, “Mr. Qin, the loss of the spirit stones not long ago... was it you who did it?”

“Yes.”Qin Yu didn’t hide anything.

“This is all I can give you now. I hope you can tell me the truth about the spatial divine artifact,” said Qin Yu.

Luo Jingyu sat opposite Qin Yu. He was silent for a moment and then said, “Okay, I promise you.”

Qin Yu said, “My spiritual sense entered the spatial artifact and found a trace of light inside.”

“To tell you the truth, the Spirit Stone in my hand was also inexplicably swallowed by that trace of light.”

“You’ve been inside?” Luo Jingyu was even more surprised when he heard that.

Qin Yu grunted and said, “Normally, that thread of light should be the spiritual sense.”

Luo Jingyu pondered for a moment and said, “That’s right. What’s hidden inside is indeed the spiritual sense.”

“In fact, it’s not some spatial divine artifact, but a prison. What’s locked inside is that thread of spiritual sense.”

Qin Yu frowned slightly and said in surprise, “Prison?”

“Yes.” Luo Jingyu nodded.

“That strand of divine sense is unrivaled, and this spatial divine artifact is the place where he’s locked up.”

Qin Yu thought for a moment and said, “Then how should this strand of divine sense be released?”

Luo Jingyu smiled bitterly and said, “You shouldn’t ask me that. It might be better for you to ask him yourself.”

“But I have to remind you that since it’s a locked divine sense, it’s definitely not a kind person. No one knows what will happen after it’s released.”

Qin Yu seemed to have understood.

This strand of spiritual sense might be like the sky blood rainbow, being imprisoned in that spatial divine artifact.

“Where did you get this thing?” Qin Yu asked.

Luo Jingyu said, “I got it by chance and exchanged it with a magic artifact.”

Qin Yu nodded and said, “So you don’t know its origin?”

“Yes.” Luo Jingyu nodded and said.

Qin Yu said in a deep voice, “I understand. Thank you.”

After saying this, Qin Yu got up and prepared to leave.

“Mr. Qin, you... are you leaving already?” At this time, Luo Yang hurriedly ran in..

Chapter 945: Chapter 945, the great battle against the Martial Saint!

Qin Yu glanced at him and said, “What else could it be?”

Luo Yang's face was slightly nervous. He said with an embarrassed smile, "I just took some good tea leaves. Why Don't you... have a taste?"

"I don't want to drink anymore. I still have something to do." Qin Yu waved his hand and said.

Luo Jingyu, who was standing at the side, also scolded, "Alright, Don't waste Mr. Qin's time."

Luo Yang was still a little unwilling. He said with an embarrassed smile, "You should try it. I spent a lot of money to buy this tea..."

Qin Yu narrowed his eyes slightly and said, "Luo Yang, you are a little strange today."

Luo Yang's face instantly became even more flustered. He hurriedly waved his hand and said, "No... No, Mr. Qin, you are overthinking."

However, Qin Yu felt that something was wrong.

This place was probably not suitable for him to stay for long.

Thinking of this, Qin Yu no longer paid attention to Luo Yang. He turned around and hurriedly walked out.

Luo Yang's expression instantly became even more unsightly.

He had already informed Gu Xinghe. If he were to escape now, Gu Xinghe would definitely blame him for this.

"F * ck!" Luo Yang could not help but curse in his heart. He gritted his teeth and decided to secretly follow Qin Yu.

After Qin Yu walked out of the pavilion of heavenly secrets, he planned to leave as soon as possible.

He put on his hat and just as he was about to leave, Gu Xinghe and the others had already arrived not far away.

Qin Yu hurriedly tightened his hat and hastened his steps to leave.

However, at this moment, Gu Xinghe blocked Qin Yu's way.

Qin Yu frowned slightly and pretended to be calm as he said, "What's the matter?"

Gu xinghe laughed out loud, "Qin Yu, stop pretending. Do you think I can't recognize you just because you're wearing a hat?"

Before he could finish his words, the martial saint behind Gu Xinghe quickly extended his hand and sealed off this space.

Qin Yu's expression changed drastically! He took a deep breath and said, "I don't know what you're talking about."

"Oh? You still want to Pretend?" Gu Xinghe sneered.

"The Magic Artifact on your head is called thousand faces, right?"

Seeing this, Qin Yu's face became even colder.

Obviously, it was impossible to get away with it today.

Therefore, Qin Yu simply took off his hat and looked at Gu Xinghe coldly.

"Qin Yu, I've been looking for you so hard," Gu Xinghe said coldly.

Qin Yu said coldly, “Luo Yang told you, didn’t he?”

“Hehe, what does this have to do with you?” Gu Xinghe snorted.

“You won’t be able to escape today. Even the Heavenly King can’t Save You!”

Qin Yu knew that things were not going well. He could only take a deep breath and sneered, “Speaking of which, I really want to fight with the martial saint and see how powerful he is.”

“Oh? hahahahaha!” Gu Xinghe could not help but burst into laughter when he heard this.

“You are only a half-step martial saint. Do you want to kill a martial saint?”

Qin Yu sneered, “Not Necessarily.”

After this period of training with the immortal crane, although Qin Yu’s realm had not improved, his strength and speed had greatly increased.

With the help of the battle word formula, Qin Yu would not be defeated too badly even if he were to face a martial saint!

Qin Yu looked at the three people behind him and said coldly, “No need to talk nonsense. Let’s do it.”

“Uncle Zhai Xing, capture him immediately!” Gu Xinghe shouted.

However, Zhai Xing was extremely unwilling and stood there without moving an inch.

When Gu Xinghe saw this, he could not help but curse in his heart.

He could only look at the other martial saint and said, “Zeng Ji, capture him.”

“Yes, Young Master Gu.” The martial saint who was called Zeng Ji took a step forward and looked coldly at Qin Yu.

That powerful oppressive feeling immediately came pressing over.

There was a huge difference between a martial saint and a martial marquis. Just this natural oppressive feeling was unbearable.

This kind of pressure was like the suppression of the bloodline, making one’s body very uncomfortable.

Even the flow of spiritual power in the body had slowed down.

“Kid, you’ve been running for so long. It’s time for you to be punished,” Zeng Ji said coldly.

“Punished? What kind of punishment?” Qin Yu sneered.

“Stop talking nonsense with me. Just attack. Let me see how powerful a martial Saint You Are!” Qin Yu shouted.

Ceng ji narrowed his eyes and said, “Alright, then I’ll let you know what it means to be an ant if you can’t become a martial Saint!”

After he finished speaking, Ceng Ji raised his palm and pressed it towards Qin Yu!

Waves of mountain-like pressure rolled towards Qin Yu!

Qin Yu did not dare to be negligent. He knew very well that he could lose his life if he was not careful when facing a martial saint.

Therefore, Qin Yu immediately released the power of the Divine Dragon, and all kinds of spells instantly erupted!

Rays of golden light spread across Qin Yu's body, and the surging power even filled Qin Yu's entire body!

“Ah!”

Qin Yu roared angrily and raised his hand to unleash the absolute beginning holy fist. The golden light instantly blocked everyone's line of sight!

“Boom!”

Qin Yu's fist collided with that gigantic palm, and instantly, an earth-shattering boom sounded out!

The surrounding people immediately looked over!

They only saw that gigantic palm actually disintegrated under Qin Yu's fist!

This caused everyone's eyes to widen!

One had to know that Qin Yu was facing a genuine martial saint!

Since ancient times, no martial marquis had been able to face a martial saint!

It could even be said that a martial saint killing a martial Marquis was as easy as stepping on an ant!

But now, Qin Yu's punch had actually shattered Zeng Ji's palm. How could anyone believe this! !

Even Zhai Xing's eyes revealed a trace of shock!

"This kid's talent is probably not even as good as Jiang he." Zhai Xing thought to himself.

Zeng Ji's face was even more ashen.

It was simply a humiliation to be shattered by a martial marquis.

"Kid, you've successfully angered me." Zeng Ji said coldly with his hands behind his back.

Qin Yu grinned and said coldly, "I thought you were so amazing as a martial saint. Now, it seems that you're just so-so."

"You're courting death!"

Zeng Ji was instantly furious!

His figure flashed explosively and arrived in front of Qin Yu in the blink of an eye!

Such extreme speed was even difficult to catch!

However, Qin Yu managed to dodge such a terrifying speed!

His body flashed explosively and he easily dodged Zeng Ji's punch!

"Huh?" Zeng Ji's brows furrowed even more!

How could this kid be so fast?

"Hahahaha!" Qin Yu could not help but burst into laughter.

“A martial saint, Huh? He’s only so-so!”

Although Zeng Ji was fast, he was nothing compared to the immortal crane!

Qin Yu could even dodge the immortal crane’s moves, let alone Zeng Ji’s!

“You’re courting death!” Zeng Ji was instantly enraged! He stepped towards Qin Yu again!

Chapter 946: So what if he was a martial saint in the 946th Chapter!

His speed was pushed to the limit in an instant, but Qin Yu managed to dodge every single time!

Zeng Ji could not help but become even more furious after failing to hit the mark repeatedly.

Gu Xinghe’s expression became even gloomier.

If a martial saint could not take down a martial marquis as soon as possible, then he would have already lost!

The surrounding people also started to discuss in low voices.

“Damn, this Qin Yu is actually on par with a martial saint?”

“Is this martial saint too weak, or is Qin Yu Too Strong?”

“TSK TSK, he already has such abilities even at the Martial Marquis Realm. If he were to step into the martial saint realm, I don’t know how terrifying he would be!”

When he heard the surrounding discussions, Zeng Ji became even more furious.

He looked at Qin Yu coldly and said, “Do you only know how to hide?”

“What, I can’t even hide? Who told you to be so slow?” Qin Yu mocked.

“As a martial saint, you are so weak. How dare you talk nonsense?”

Zeng ji suppressed his anger and said, “How long can you hide? So what if you are fast? I still have a way to deal with you!”

Qin Yu thought for a moment and nodded. “Alright, then I won’t hide anymore.”

If he continued to hide like this, Qin Yu’s spiritual power would definitely be the first to be depleted.

Moreover, with the martial saint’s ability, they could shrink the space again. At that time, Qin Yu would have nowhere to hide even if he wanted to.

Zeng ji narrowed his eyes slightly. A storm was rapidly brewing on his fists.

Zeng Ji seemed to want to get back his lost face.

Therefore, the power on his fists was terrifyingly strong!

Qin Yu didn't dare to be careless. He stared at Zeng Ji's fists and said coldly, "Come!"

Then, Zeng Ji dashed toward Qin Yu with a swoosh!

Qin Yu also shouted angrily. The absolute beginning Holy Fist was unleashed to the maximum in an instant!

"Boom!"

At the instant of the collision, the sealed space seemed to have become unstable, and layers of cracks appeared!

If it wasn't for the space seal, just this collision's storm alone would have turned everyone into meat paste!

The light gradually dissipated, and Qin Yu's body was sent flying.

Cracks appeared on his fist, and his thumb was even cracked open, and blood dripped down.

Not only that, the power that poured out from his fist had even shocked Qin Yu's internal organs.

"As expected of a martial saint..." Qin Yu muttered in a low voice.

He wiped the blood from the corner of his mouth and supported himself to stand up.

Zeng Ji laughed out loud and said, "Weren't you very arrogant just now? Why, is that all you've Got?"

Qin Yu remained silent.

The strength of a martial saint was still much stronger than he had imagined.

“Go to hell!”

Zeng Ji let out an angry roar. He suddenly used a secret technique and two large void hands grabbed Qin Yu directly!

“Five Thunder Palm Print!”

Zeng Ji let out an explosive shout. Faint blue lightning burst out from his fists and smashed fiercely onto Qin Yu’s body!

Qin Yu’s body was caught in the air and could not move at all. This punch was firmly blocked.

“Pu!”

Qin Yu spat out a mouthful of blood, and the golden light on his body was directly shattered!

“What, is that all you’ve got!”Zeng ji sneered.

Qin Yu tried to break free, but he found that he couldn’t break free at all.

“F * ck!”Qin Yu couldn’t help but curse in his heart!

If this continued, he might really be beaten to death!

“Looks like I still have to use the ‘Dou’character...”Qin Yu thought to himself.

After saying that, he narrowed his eyes slightly and used the ‘Dou’character in an instant!

A huge ‘dou’ character floated out in front of Qin Yu! Qin Yu’s strength instantly increased tenfold!

At a glance, one could even see waves of energy storms around Qin Yu’s body!

“Boom!”

As Qin Yu’s body shook, the two big hands were directly shattered!

“Huh? Nine secret fighting formula?” Gu Xinghe frowned slightly.

“It seems that Jiang he passed the nine secret fighting formula to this kid,” Zhai Xing muttered in a low voice.

However, Zeng Ji didn’t take it seriously at all. He sneered and said, “In the face of absolute strength, any spell is Bullsh * t!”

After he had finished speaking, he took big strides and rushed towards Qin Yu. His pair of iron fists were aimed directly at Qin Yu’s face!

This time, Qin Yu did not Dodge or Dodge. He relied on the fighting word formula to fight with Zeng Ji with his physical body!

For a moment, there were continuous booming sounds like thunder!

In the blink of an eye, both parties had exchanged dozens of punches. However, Zeng Ji was still unable to take down Qin Yu!

Although Qin Yu’s injuries were more serious, being able to fight with a martial saint in the Martial Marquis realm was already something to be proud of!

“As expected of a martial saint...”Qin Yu could not help but mutter softly as he took a few steps back during the exchange of blows.

Zeng Ji could not help but curse, “Kid, are you really a half-step martial saint realm cultivator?”

Qin Yu sneered, “What, have you suffered a blow?”

“F * ck you!”Zeng Ji cursed.

Gu Xinghe, who was beside him, shouted, “Zeng Ji, what are you waiting for? Hurry up and finish this battle!”

Zeng Ji took a glance at gu xinghe and nodded, “I understand.”

As he spoke, the internal Qi on Zeng Ji’s body changed.

It was as if all his power had gathered at a certain point. It was obvious that he was using some kind of trump card technique.

“Hahahaha!”Qin Yu could not help but burst into laughter when he saw this.

“What bullshit martial saint! He’s blowing his trumpet so loudly that it shook the sky. Now, it seems that he’s only so-so!”

“His trump card? is he going to force you into such a situation when dealing with a half-step martial saint?”

Arrogant words filled the entire world!

However, no one thought that Qin Yu was bragging! His performance had already gained everyone’s approval!

Zeng Ji did not say anything. On his back, rays of light that were like flames condensed.

These rays of light soared and finally turned into two huge axes!

The axes flickered with a coquettish light. The extremely terrifying power was even more terrifying!

Everyone was stunned by this move, except for Qin Yu who was still laughing loudly.

“Hahahaha! Is this your trump card? !”Qin Yu could not stop laughing.

“Everyone below the martial saint level is an ant. Today, I, an ant, will slaughter a Saint!”

“History? History is left for people to create!”

After a roar, all the Golden Light on Qin Yu’s body surged towards his right fist!

The power of the Divine Dragon, the spiritual fire, and all the other powers gathered on his right fist!

This technique was the ten thousand arts destruction technique that Qin Yu had created himself!

At this moment, Qin Yu’s hair was wildly dancing, and his crazy laughter was so loud that it made people’s ears hurt!

His crazy posture shocked everyone!

“One punch can break all laws!”

With Qin Yu's angry roar, all the golden light exploded on his right fist!

Chapter 947: Chapter 947, Saint Slayer!

The dazzling golden light made it difficult for people to open their eyes for a short period of time, and even made the sun and moon lose their color!

Sweat broke out on Gu Xinghe's face, as if he was shocked by this move!

Even Zhai Xing widened his eyes and stared at the scene in front of him!

“Go to hell!” Qin Yu's voice was close to a roar, and he fiercely smashed toward Zeng Ji!

The two axes hanging above Zeng Ji's head also carried rolling power as they slashed toward Qin Yu!

“Boom!”

The moment the two axes collided, the surrounding area turned into white flames!

Everyone subconsciously covered their eyes. Some people even temporarily lost their sight!

“Crack!”

With a crisp sound, the sealed space also began to collapse!

Rolling power surged out like a flood!

Zhai Xing hurriedly waved his hand to stop this power from leaking out!

Everyone's eyes were fixed on that piece of space as if they were waiting for the result.

“Hahahahahaha!”

At this moment, a wild laughter came from within!

This voice was none other than Qin Yu!

Qin Yu's figure floated into the air. His clothes were tattered and his body was covered in blood. It was almost impossible to see his true appearance!

However, the madness in his eyes did not diminish at all!

“Hahahaha! A martial saint is only so-so!” Qin Yu shouted loudly.

Everyone's expression changed drastically!

Could it be that Qin Yu really did it?

Did Qin Yu really slaughter a half-step martial saint? !

As the dust gradually settled, they saw Zeng Ji lying limply on the ground. His body was almost shattered!

Many of the bones in his body had turned into powder. It was a tragic sight!

“Ah...” Zeng Ji raised his hand with great difficulty. The injuries on his body had almost made him unable to stand up!

“How is this possible!” Gu Xinghe’s expression changed drastically!

Qin Yu had defeated a martial saint with the strength of a martial marquis?

This... had never been recorded in history!

“You’re not dead yet, are you...” Qin Yu wiped the blood from the corner of his mouth.

Although his internal Qi was almost depleted, his frenzied stance displayed his desperate fighting style.

“Today, I, Qin Yu, will slaughter the Saint!” Qin Yu roared. In an instant, a violent wind blew in all directions, and his messy hair danced wildly in the air!

Golden Light appeared all over his body once again! Endless power surged toward his right fist!

“Come, let me see if you can take my second punch!” Qin Yu roared crazily!

Zeng Ji’s expression changed drastically. He wanted to dodge, but he could no longer stand up!

This punch would probably smash Zeng Ji’s physical body and primordial spirit into pieces!

“Go to Hell!”

Accompanied by Qin Yu’s furious roar, that golden light that soared to the sky poured down once again!

Zeng ji stared at this scene with a death stare. He was so terrified that he almost fainted!

“Boom!”

A loud sound rang out!

Everyone’s vision was once again blocked!

“How is it, how is it? Did Qin Yu really kill the Martial Saint?”

“If this kid becomes a martial saint, he will definitely be invincible in the world!”

“Everyone says that the martial marquis and the martial saint are an insurmountable chasm, but Qin Yu has created history time and time again!”

Just as everyone was discussing, the dust gradually settled down.

They saw a person standing in front of Zeng Ji.

He raised his hands and blocked Qin Yu’s punch.

This person was none other than Zhai Xing.

Zhai Xing looked in Qin Yu’s direction, but no expression could be seen on his face.

Qin Yu, who had thrown two punches, had completely lost his strength.

He looked at Zhai Xing shakily and said with a grin, “It’s a pity... he was saved...”

Zhai Xing did not say anything. He just looked at Qin Yu quietly.

Qin Yu's body swayed. He could not hold on any longer.

He fell from the sky and smashed the ground into pieces.

“Quick, quickly catch him!” Gu Xinghe said anxiously.

Zhai Xing nodded. He walked to Qin Yu's side and held him in his hand.

“Hehe...” Qin Yu grinned, revealing a mouthful of white teeth.

He stared at Gu Xinghe and said with a cruel smile, “Gu Xinghe... be careful...”

It was unknown whether it was Qin Yu's gaze that was too terrifying or his performance that made Gu Xinghe feel afraid.

In short, Gu Xinghe subconsciously turned his face to the side and said with some panic, “Hurry up and take him away!”

The few of them did not say anything more. The other martial saint grabbed Zeng Ji and turned around to leave.

Although Gu Xinghe had left, the surrounding crowd could not help but start discussing.

“If it wasn't for Zhai Xing, that martial saint would have really died at the hands of Qin Yu.”

“Terrifying... too terrifying. There's actually such a terrifying young man in this world.”

“A saint slayer... Such a feat is enough to be recorded in the annals of History!”

At the entrance of the pavilion of heavenly secrets, Luo Jingyu’s face was also filled with shock.

He knew that Qin Yu was very strong, but he did not expect him to be this strong.

He had defeated a martial saint at the half-step martial saint stage and had almost taken his life.

“That’s great. We’ve finally captured him.”Luo Yang, who was at the side, let out a sigh of relief.

Luo Jingyu glanced at Luo Yang and said coldly, “It was you who informed Gu Xinghe?”

“That’s right,”Luo Yang said with a slightly smug expression.

Luo Jingyu opened his mouth and couldn’t help but sigh in the end.

“If Qin Yu doesn’t die, we’ll definitely suffer a calamity...”Luo Jingyu muttered in a low voice.

Luo yang sneered and said, “Dad, What are you thinking? How can he not die? The Jingdu Martial Arts Association will definitely not let him off.”

Luo Jingyu waved his hand and said no more.

...

This matter quickly swept through the entire martial arts world.

Almost everyone heard the news at the first moment.

“What? Qin Yu actually defeated the martial saint? Damn, he’s giving us face!”Zhuang Teng slapped the table and said excitedly.

“That young man with the hat is Qin Yu,”Kong Yun said with a frown.

Although Kong Yun didn’t want to admit that he was inferior to Qin Yu, he was completely convinced by Qin Yu’s heroic deed today.

“No Wonder.”Chang Mang suddenly stood up.

He took a deep breath and said, “Qin Yu saved my life. Now that he is caught, I can not ignore it!”

“Brother Chang, this matter can not be conflicted. Let us discuss it,”Yao Meng said.

Chang man gritted his teeth and could only sit down unwillingly.

In the Yan family, Yan Jinyao looked at the content on his phone and could not help but tremble.

“This Qin Yu...”Yan Jinyao’s face was extremely gloomy..

Chapter 948: Chapter 948, sucking blood

Yan Jinyao, who had thought that he was already outstanding enough, was once again struck down.

No one had expected that Qin Yu would be able to defeat a martial saint!

This truth, which had always been considered impossible, had now been broken by Qin Yu.

Just as the entire martial arts world was shocked, Qin Yu had already been brought to a prison in the Jingdu Martial Arts Association.

This prison was the one that had previously imprisoned Yan Ruoxue!

Not only that, even the equipment that had absorbed Yan Ruoxue's blood had yet to be evacuated.

Qin Yu was thrown into this prison. The door was tightly shut, and measures had been put in place to prevent Qin Yu from escaping.

Looking at the prison that had been imprisoned, many prisoners looked over one after another.

“Qin Yu? Why is he being imprisoned again?”

“It seems like two martial saints brought him here this time. Could it be that he has already entered the Martial Saint Stage?”

“Hey, Qin Yu, Are You Alright?”

While many prisoners were discussing, Qin Yu was lying on the ground, unable to speak.

Qin Yu, who was already injured, had used his internal Qi to break ten thousand techniques with one punch twice. At this moment, his aura was in an extremely empty state, and he did not even have the strength to speak.

Qin Yu used the corner of his eye to look at the equipment placed in the prison, and his expression instantly became extremely gloomy.

Anger filled his chest.

This equipment, to Qin Yu, was an indelible pain.

He tried to stand up, but he simply couldn't.

Helpless, Qin Yu could only maintain this action and try his best to recover his strength.

Unfortunately, there was no qi/spiritual energy in this prison, which made it impossible for Qin Yu to recover to his peak condition.

The next day.

Qin Yu's body was finally able to move slightly.

He got up from the ground and looked at the huge device in front of him.

The scene of Yan Ruoxue being hung on the device appeared in his mind again.

"Jingdu Martial Arts Association..." Qin Yu couldn't help but clench his fists.

At this moment, someone suddenly walked in from outside.

What surprised Qin Yu was that the people who walked in were actually Gu Xinghe and Yan Jinyao!

"Young Master Gu, thank you," Yan Jinyao said indifferently.

Gu Xinghe laughed loudly and said, "Don't say that, Brother Yan. Our Jingdu Martial Arts Association will still need the support of Your Yan family in the future."

Yan Jinyao bowed slightly to express his gratitude.

Gu Xinghe didn't stay any longer and turned to leave.

Qin Yu looked coldly at Yan Jinyao and said, "Yan Jinyao, I didn't expect you to show up. I thought you were going to hide forever."

"Hide?" Yan Jinyao raised his eyebrows and sneered, "What do you mean by hide? Competing with trash like you is not hiding anymore, right?"

Qin Yu did not want to waste his breath on Yan Jinyao, so he said coldly, "What are you doing here?"

Yan Jinyao did not answer this question. Instead, he squinted his eyes and said, "I heard that you defeated a martial saint. I don't know if it's true or not."

"What? You've suffered a great blow, haven't you?" Qin Yu grinned and said.

"I'm not afraid to tell you that I have indeed defeated a martial saint. If not for Zhai Xing, I could even slaughter a martial saint."

"This is beyond your reach, right?"

Although Yan Jinyao already knew about this matter, he was still extremely shocked when he heard Qin Yu admit it personally.

"It's really surprising." Yan Jinyao shook his head and said.

"I'm thinking, what kind of secret is hidden in your body?"

“I wouldn’t be so surprised if you could defeat a martial marquis as a martial grandmaster. After all, many people have done it before.”

“But now, you’ve defeated a martial saint... This makes me suspicious.”

Qin Yu sneered and said, “What are you farting about? Hurry up and do it.”

Yan Jinyao still did not answer directly. He stared at the device behind Qin Yu and said, “This device was once used to suck the blood of your beloved woman. It’s said that the pain is unimaginable.”

“Qin Yu, do you want to try what kind of pain the woman you love has suffered?”

Qin Yu’s face turned cold and he said coldly, “What exactly do you want to say?”

Yan Jinyao smiled faintly and said, “Nothing. I just want to know if your body is like Yan Ruoxue’s and has some unimaginable bloodline?”

“F * ck you!” Qin Yu could not help but curse.

Yan Jinyao was not angry. He said with a faint smile, “I will naturally know if I have tried.”

“If I can fuse your bloodline with Yan Ruoxue’s bloodline, I wonder what kind of power will burst out.”

Qin Yu shouted, “F * ck you! Yan Jinyao! Are you a parasite? Do you have to rely on the bloodline of others to cultivate? !”

Yan Jinyao sneered, “In order to obtain strength, these are not worth mentioning.”

“Qin Yu, I have to admit that the current me is indeed no match for you, but so what?”

“80% of the bloodline in my body has awakened! If I can obtain your bloodline, then no one in the world will be my match!”

Qin Yu’s heart thumped!

He remembered what old Mister Yan had said before!

He said that his father had once told Old Mister Yan that Qin Yu and Yan Ruoxue were a match made in heaven.

If the two of them were together, they would be able to display even more powerful strength!

Did this mean the fusion of blood?

“Qin Yu, let’s wait and see.”Yan Jinyao grinned, then turned around and walked out.

Yan Jinyao’s guess had a very high possibility.

The reason why the Jingdu Martial Arts Association had first arrested Yan Ruoxue was not because of the bloodline in her body.

It was to prevent Qin Yu and Yan Ruoxue from staying together, or to engage in dual cultivation.

Because that would bring a great increase in Qin Yu’s strength.

But they never expected that the bloodline in Yan Ruoxue’s body was even more powerful!

This also caused the Jingdu Martial Arts Association to change their target!

However, the Jingdu Martial Arts Association never thought that these two bloodlines could fuse and be injected into another person's body!

...

In Gu Xinghe's office, Yan Jinyao expressed his intention.

"You mean... to absorb Qin Yu's Bloodline?" Gu Xinghe frowned slightly.

Yan Jinyao said faintly, "80% of the bloodline in my body has awakened. I'm willing to be the subject of this experiment."

Gu Xinghe was silent for a moment, then he nodded and said, "Okay, I promise you."

"Thank you, Young Master Gu." Yan Jinyao slightly bowed and said..

Chapter 949: Chapter 949, experiencing the same pain

Following that, Gu Xinghe began his preparations.

He brought the relevant staff of the Jingdu Martial Arts Association to the prison where Qin Yu was imprisoned.

Seeing these people, Qin Yu immediately had a bad premonition.

"What do you want to Do!" Qin Yu said coldly.

Gu Xinghe pointed at the equipment with his chin and sneered, "I'm going to use you to do an experiment."

"This is all Yan Jinyao's suggestion, right?" Qin Yu couldn't help but grit his teeth.

Gu Xinghe said indifferently, "That's right, but you have to thank Yan Jinyao. At least this way, your life will be saved."

With that, the door slowly opened.

A few people swarmed forward and brought Qin Yu to the equipment.

Then, they grabbed the few tubes and covered Qin Yu's body!

Qin Yu tried to struggle, but his body was extremely weak and he couldn't break free!

He watched helplessly as the tubes were inserted into his body!

One, two, three... ! In the blink of an eye, eighteen tubes were inserted into Qin Yu's body!

"HMM, not bad, it looks like it." Gu Xinghe stood outside the prison and smiled faintly.

Qin Yu glared at Gu Xinghe and struggled desperately.

But at this moment, Qin Yu realized that these tubes seemed to have set some kind of spell that could restrict the spiritual power in Qin Yu's body!

Qin Yu, who was already weak, was now even more powerless to resist!

“There are only two people who have used this equipment. One Is You, and the other is Yan Ruoxue.”Gu Xinghe smiled faintly.

Qin Yu took a deep breath and said nothing.

He did not know what kind of pain he would face next, nor did he know what kind of Pain Yan Ruoxue had suffered in the past.

At this moment, Yan Jinyao waved his hand, indicating for the equipment to be activated.

As the equipment was activated, the eighteen tubes inserted into his body suddenly flashed with light!

At this moment, Qin Yu’s face instantly became distorted!

The pain in his body made Qin Yu Gape. It was a fate worse than death!

“Ah! ! !”

Even Qin Yu, who had suffered countless pains, could not help but scream out in pain!

This pain was indescribable, and it was even more painful than any pain qin Yu had suffered!

“AH...”

Because of the pain, Qin Yu’s entire body was convulsing!

“So... Ruoxue has been enduring this kind of torture...”Qin Yu muttered in a low voice, and his heart immediately became even angrier!

He had only just started, and he already couldn't take it anymore, while Yan Ruoxue had been on this equipment for a year!

“Jingdu Martial Arts Association... I will definitely have you all killed!” Qin Yu's eyeballs bulged out, and the veins on his forehead bulged out.

It was unknown whether it was because of pain or anger.

Soon, Qin Yu fainted from the pain.

Outside the door, Gu Xinghe couldn't help clapping his hands and said, “It seems that the rumors are true. This thing is really painful.”

Then, he looked at the two people beside him and said, “You two stay here and guard. As long as you have enough blood, send it to me immediately.”

“Yes, Young Master Gu!”

Gu Xinghe didn't stay any longer and turned to leave.

In the prison, many prisoners couldn't help but sigh.

“Yan Ruoxue once suffered this kind of pain. I didn't expect it to be Qin Yu's turn again today,” someone whispered.

“Everyone says that we are unpardonable evil people, but in the end, the Jingdu martial arts association is even more disgusting.”

“Sigh, up until now, not a single person who went against them has had a good ending.”

...

After an unknown amount of time, Qin Yu finally woke up.

However, the intense pain that he had just woken up caused Qin Yu to almost faint again.

This kind of pain truly exceeded the limits of what humans could endure!

However, to Qin Yu, the pain in his body was far inferior to the pain in his heart.

He could not imagine how Yan Ruoxue had endured it back then!

A girl who was born into a wealthy family had to endure such pain for a year!

Thinking of this, Qin Yu's body could not help but tremble slightly.

“Ruoxue...” Qin Yu muttered softly.

The pain in his heart had even caused Qin Yu to temporarily forget the pain in his body.

The blood in his body was still flowing out, and he did not know where it went.

Qin Yu only knew that his body was getting weaker and weaker.

...

In a no man's land in the northwest.

This place was originally flat, but now a sect had been established.

Standing at the gate of the sect were not people, but two white bones!

“Not enough, far from enough!”

Inside the sect, Tian Xuehong suddenly opened his eyes.

He slowly stood up and said in a cold voice, “According to this progress, it will take a long time for me to recover to my peak condition!”

Tian Xuehong’s face was extremely gloomy, but there was a trace of evil mixed in it.

He was preparing a plan.

A plan to devour all the martial artists!

“I want to turn the world into an Asura Field!” Tian Xuehong said with narrowed eyes.

“When my formation is completed, all the martial artists will become my nourishment!”

But before that, Tian Xuehong had to do another thing.

In his current state, it was naturally extremely difficult for him to set up such a formation.

Thus, he wanted to use the JINGDU martial arts association to increase his strength.

...

Inside the Jingdu Martial Arts Association.

Tian Xuehong and Gu Xinghe were sitting opposite each other.

“What’s the matter?”Gu Xinghe asked.

Tian Xuehong knocked on the table and said, “There is indeed something I need your help with.”

“What is it?”Gu Xinghe was a little displeased.

Ever since the spirit stone mine was taken over by Tian Xuehong, Gu Xinghe was even more displeased with Tian Xuehong.

Tian Xuehong smiled faintly and said, “I heard that the Jingdu martial arts association is holding a lot of prisoners, right?”

Gu Xinghe frowned slightly and asked in a deep voice, “What do you mean?”

Tian xuehong said indifferently, “It’s a waste to hold them anyway. Why Don’t you hand them over to me? They are useful to me.”

“Are You Dreaming?”Gu Xinghe was instantly furious!

Hand the prisoners over to him? Then where would the face of the Jingdu Martial Arts Association Go?

Tian Xuehong was not in a hurry. He said with a faint smile, “Young master Gu, think carefully. I’m discussing with you now, but in a few days, it won’t be a discussion.”

“Are you threatening me?”Gu Xinghe’s face was dark.

Tian xuehong snorted lightly, “You can understand it that way.”

“Do you think I’m Scared? Do you really think I’m easy to bully!”Gu Xinghe shouted angrily.

Tian xuehong sneered, “There are only three martial saints by your side. Other than Zhai Xing, the other two are not worth mentioning at all.”

“And my skeleton army has dozens of people!”

“I gave you face, so I came to discuss with you.. If I’m not happy, I can even uproot your Jingdu Martial Arts Association!”

Chapter 950: Chapter 950, the power of blood fusion

In the face of the arrogant Tian Xuehong, Gu Xinghe could not contain his anger.

He narrowed his eyes and said, “Tian Xuehong, you underestimate the Jingdu Martial Arts Association. Do you really think that with your skeleton army, you can pose a threat to the Jingdu Martial Arts Association?”

Tian xuehong laughed and said, “You want to talk about the eight higher-ups of the Jingdu Martial Arts Association, Right?”

Gu Xinghe frowned slightly.

It was obvious that Tian Xuehong was right.

Tian xuehong sneered, “Don’t forget who I am, Kid. I know more things than you!”

“If those eight higher-ups could come out, how could it be your turn to strut around?”

Gu Xinghe’s expression was a little ugly, and he didn’t say anything for a while.

Tian Xuehong patted Gu Xinghe’s shoulder and said, “It’s useless to keep those prisoners anyway. Why Don’t you let me handle them? It Won’t do you any harm.”

“In return, I can give you a thousand spiritual stones.”

Gu Xinghe was silent for a moment before saying, “Give me a few days to think about it. I have to discuss such a big matter.”

Tian Xuehong nodded slightly and said, “Okay, I’ll give you a week at most.”

After saying this, Tian Xuehong turned around and walked out.

At this time, Zhai Xing walked in quickly.

He said in a deep voice, “This matter... we definitely can’t agree to it!”

Gu Xinghe glanced at Zhai Xing but didn’t say anything.

...

In the prison.

Seeing Qin Yu’s pained expression, the prisoners began to chat with Qin Yu, trying to divert their attention so as to alleviate the pain.

They talked about their past and told their own jokes.

It had to be said that it really did have some effect.

Qin Yu raised his head with difficulty and said with a smile, “Thank you, everyone...”

“No need to thank me. When Miss Yan was locked up, we also saw it with our own eyes.”

“Shut up! Don’t mention it!” Someone berated him.

The prisoner immediately covered his mouth like a child who had made a mistake.

Qin Yu looked up at the tubes. He tried to struggle but failed.

“If I can recover to my peak condition, I might be able to break free...” Qin Yu thought to himself.

However, the environment here was too terrible. It would take a long time to recover.

The next morning.

Gu Xinghe and Yan Jinyao walked in from outside.

“It’s about time,” Gu Xinghe said.

Yan Jinyao nodded slightly and said, “This blood is enough.”

Then, he raised his head to look at the extremely weak Qin Yu and said with a smile, “Qin Yu, don’t worry. If it’s really useful, I will definitely tell you.”

Although Qin Yu was angry, he couldn’t do anything to him.

The few of them took Qin Yu's blood and then went to a room in the Jingdu Martial Arts Association.

Then, they put the blood into a bathtub. Yan Jinyao took off his clothes and slowly lay in it.

He opened the pores all over his body and tried his best to absorb Qin Yu's blood.

Perhaps it was because he had Yan Ruoxue's blood in his body, but Qin Yu's blood was rushing into Yan Jinyao's body.

“Sizzle...”

White gas was emitted from Yan Jinyao's body.

The two kinds of blood seemed to merge in Yan Jinyao's body!

“AH...”

Yan Jinyao groaned.

It was unknown whether it was pain or pleasure.

As the blood was absorbed, Yan Jinyao's body was changing rapidly!

His body was covered with a layer of golden light in an instant, and his body became indestructible!

And the power of his bloodline was enhanced again at this moment!

“Chi la!”

At the moment when all the blood was absorbed, Yan Jinyao's body emitted a ray of light!

This ray of light was pure white and holy, like a god, making people unable to resist worshipping it!

Even Gu Xinghe was affected, his body slightly trembling!

“Awesome... Awesome!”

Yan Jinyao roared, a terrifying power instantly emitted from his body!

Even Gu Xinghe was forced to retreat!

“Such a powerful force... This kind of pressure, what’s going on...”Gu Xinghe couldn’t help but mutter in a low voice.

He raised his head to look at Yan Jinyao and asked with a knowing tone, “Young Master Yan, how do you feel?”

Yan Jinyao glanced at Gu Xinghe and sneered, “Good, never better! I really didn’t expect that Qin Yu’s bloodline... could have such a magical effect. It seems that my guess is correct...”

At this point, Yan Jinyao looked at Gu Xinghe and said, “Young Master Gu, please find me a martial saint.”

“Martial Saint?”Gu Xinghe frowned slightly.

“Don’t tell me you want to challenge a martial saint too?”

Yan jinyao sneered, “Not a challenge, but... killing a saint! I can definitely do what Qin Yu failed to do!”

“The fusion of these two bloodlines has made my strength reach an unpredictable level. hahahaha!”

Looking at Yan Jinyao's excited look, Gu Xinghe also made up his mind:

I should inject Qin Yu's blood into my body!

After all, my body was once irrigated by Yan Ruoxue's blood.

...

Two days later, Gu Xinghe took Qin Yu's blood.

He imitated Yan Jinyao and started to absorb Qin Yu's blood.

Unfortunately, Qin Yu's blood didn't move after he laid down.

"How could this be?" Gu Xinghe frowned immediately.

"Could there be a problem with the method?"

Long brows at the side said in a deep voice, "Could it be because of the bloodline in your body?"

"What do you mean?" Gu Xinghe frowned.

Long brows said, "Yan Jinyao and Yan Ruoxue are both members of the Yan family after all, and... Yan Jinyao's bloodline awakening has reached 80% !"

"But your bloodline seems to be less than 30% , so you can't fuse with Qin Yu's Bloodline?"

Hearing this, Gu Xinghe couldn't help but say angrily, "Isn't that f*cking a wedding dress for Yan Jinyao! In this world, only he, Yan Jinyao, has reached 80% !"

Even so, Gu Xinghe was still unwilling.

He lay in the Bath and tried countless methods, but he still couldn't fuse with Qin Yu's blood..

Chapter 951: Chapter 951 forced him to reveal himself

“Damn it!” This instantly made Gu Xinghe even angrier!

He shattered the bathtub, and blood instantly splattered everywhere!

“It actually didn't work...” Gu Xinghe's face was full of anger.

Yan Jinyao's success made Gu Xinghe feel extremely pressured.

More importantly, Yan Jinyao also wanted to challenge the martial saint!

This meant that the benefits of the blood to him were beyond imagination!

“It seems like I need to consult the higher-ups.” Gu Xinghe took a deep breath and suppressed the anger in his heart.

...

On the other side, Qin Yu's body was getting weaker and weaker.

The massive loss of blood made it difficult for Qin Yu's internal Qi to recover.

The pain all over his body was tormenting Qin Yu's spiritual sense.

“Divine sense?”

At this moment, Qin Yu seemed to have thought of something!

He could extract a part of his divine sense. Although it couldn't be too far away from his main body, it should be able to alleviate some of the pain, right?

Moreover, Qin Yu still hadn't figured out the secret of the spatial artifact.

Thinking of this, Qin Yu immediately closed his eyes and forced out a strand of divine sense from his glabella.

A strand of golden light fell into the spatial divine weapon.

In front of Qin Yu, it instantly turned black.

“Damn it! It's useless!”

Unfortunately, even though Qin Yu's spiritual sense had been pulled out, it was still unable to resist this pain.

Perhaps this was also because the spiritual sense could not leave the main body too far away.

“In the end, I'm not a martial saint. I Can't separate my primordial spirit...”Qin Yu sighed slightly in the bottom of his heart.

He did not dare to waste any more time. He endured the pain and headed towards the abyss.

He arrived near the abyss.

As usual, Qin Yu stuck his head out and shouted towards the abyss below.

“Senior?” Qin Yu called out tentatively.

However, there was no response from the Abyss.

“Senior, I know you can hear me. I also know that you’re hiding below,” Qin Yu continued to say.

“I have no ill intentions. I am here to save you.”

“Senior? If you can hear me, please respond.”

“...”

No matter how hard Qin Yu tried to speak, there was still no movement below.

That Ray of light just lay there, not moving at all.

“Senior, do you want Spirit Stones? I have many more here, I can give them to you,” Qin Yu said seductively.

“Not only spirit stones, but also a lot of great tonic items. I can give you any herbs or treasures!”

“Senior, the spirit stones from before are just sprinkling water on me. As long as you respond to me, I can give you more!”

After shouting, Qin Yu almost lost his voice. However, there was still no movement from below.

“Could it be that Luo Jingyu lied to me? This is not spiritual sense at all?” Qin Yu thought to himself.

‘that’s not right!’

But very quickly, Qin Yu rejected this idea.

Luo Jingyu might be lying, but the handlebar mustache could not lie to him.

Qin Yu narrowed his eyes and looked at that glimmer of light.

“Senior, don’t tell me you want to lie to me down there and swallow my spiritual sense? If that’s the case, no one will be able to save you,” Qin Yu muttered.

But there was still no movement below.

This immediately caused Qin Yu to lose his patience.

In addition to the waves of pain brought by his physical body, Qin Yu’s anger was also rising.

“What Bullsh * t senior, are you a mute?” Qin Yu cursed at the Abyss.

“I think you’re a son of a B * Tch, and you call yourself a Senior!”

“I reckon that when you were alive, you were also trash, right?

Otherwise, how could you be suppressed to such a place?”

“What a piece of trash. You Can’t even protect your own body. You can only stay in this abyss for the rest of your life. You’re nothing.”

After a series of curses, Qin Yu was surprised to discover that the ray of light was actually shaking slightly!

“Looks like it’s effective!” Qin Yu was instantly overjoyed!

Hence, he immediately increased his firepower.

“Trash, good-for-nothing!”

“F * CK You, Immortal Board!”

“I’ll Throw Your Ancestral Grave Tomorrow!”

“I’ll watch your wife take a bath the day after tomorrow!”

“I’ll poop for you later!”

“I’ll poop for you the day after tomorrow...”

“Little B * stard, don’t go too far!”

At this moment, an explosive shout suddenly came from below!

That voice was like rolling thunder, causing one’s ears to hurt!

Qin Yu was so scared that he took two steps back, sweat beading on his forehead.

“Phew... looks like it’s really useful. It really is a forced drink,” Qin Yu muttered.

He climbed to the edge of the Abyss again and said with an embarrassed smile, “Senior, there’s nothing I can do. If I didn’t scold you, you wouldn’t have said anything...”

However, the area below fell into silence again.

“Senior?” Qin Yu called out tentatively.

“F * ck, you F * cking refuse a toast only to be forced to drink a forfeit. Are You F * cking cheap?”

“I’m calling you senior, but you don’t care. Are you happy just because I’m scolding you? No wonder I’m trapped in this abyss, I...”

“Shut up!” That voice came again.

Qin Yu could also see that this guy was a soft-hearted person, so he no longer treated him politely.

“Old Man, let me ask you, who f * cking told you to eat my spirit stones?” Qin Yu couldn’t help but curse.

“You F * cking didn’t say anything. Are you trying to trick me to go down and devour my spiritual sense?”

“Now That You’ve failed, you must be angry out of humiliation, right? Hehe, I won’t go down. I’ll anger you to death!”

In the abyss, that bright voice said with a somewhat gloomy and cold tone, “I let you see through it. That’s right... I just wanted to devour your spiritual sense. I didn’t expect that you, this little B * stard, wouldn’t fall for it... !”

“You F * CKING Old Bastard!” Qin Yu glared at him and cursed.

“Little Bastard, you’d better be polite when you talk to me!” The light said in a gloomy tone.

“Polite to you ? What are you ? You Can’t even get out of the fucking abyss, and you’re still pretending to be me ?”

“You’re courting death!”

“You dare to Scold Your Father ?”

“I’ll Cripple You!”

“I’ll pee down there later!”

“You...”

The two sides continued to curse each other.

A moment later, Qin Yu sat down on the ground. He panted and said, “I’m not going to talk nonsense with you anymore. Let’s make a deal. What do you think ?”

“Deal ? Look at your spiritual sense. You’re just a Marquis of Wu. You want to make a deal with me ?”Someone Below said sarcastically.

Qin Yu rolled his eyes and said with a smile, “Then what realm are you in ?”

“What Realm am I in ? It’s not something you can understand,”the other party said coldly.

Qin Yu sneered and said, “What realm can you be in ? If your realm was high, would you be locked up here ?”

The other party ignored Qin Yu, and the scene fell into silence again.

Qin Yu thought for a moment and then said sarcastically, “You’re not just a martial marquis, are you?”

The other party still ignored him.

Qin Yu stood up and muttered, “A lousy martial marquis, F * CKING wasting my time. I thought he was so powerful that he couldn’t even compare to me...”

Hearing this, the other party couldn’t help but say, “Martial marquis? A martial saint is not even worth mentioning in my eyes!”

Chapter 952: Chapter 952 will allow you to step into the Martial Saint Realm

Qin Yu was instantly delighted.

This meant that this spiritual sense was at least at the Almighty Realm?

Qin Yu opened his mouth and was about to ask a question, but he suddenly felt something strange outside.

He hurriedly withdrew his spiritual sense and returned to his original body.

He saw Gu Xinghe walking in with a gloomy expression.

His expression was extremely unsightly, and his gaze when he looked at Qin Yu was filled with a sharp killing intent.

“Qin Yu, do you want to live or not?” Gu Xinghe said coldly.

Qin Yu sneered, “F * ck you. If you have something to say, quickly say it.”

Gu Xinghe took a deep breath and said, “Where is Yan Ruoxue? As long as you tell me, I can spare your life.”

Qin Yu raised his eyebrows and sneered, “Even if I tell you, you won’t be able to find her.”

“It has nothing to do with you. You just need to tell me where she is,” Gu Xinghe said coldly.

Qin Yu wanted to tell him about the secret realm of the Yan family, but he didn’t know if he could tell him about it, so he shut his mouth.

“Tell me, where is Yan Ruoxue?” Gu Xinghe shouted.

“I don’t know,” Qin Yu sneered.

Gu Xinghe gritted his teeth. He grabbed the bars of the prison with both hands and said through gritted teeth, “Qin Yu, do you really want to die?”

“I don’t want to die. It’s good to be alive. As for you, I saw the Word ‘Die’ written on your head. You have to be careful,” Qin Yu mocked.

Gu Xinghe was about to get angry when his phone suddenly rang.

He picked up the phone and saw that the caller was a higher-up.

Gu Xinghe was overjoyed!

He was about to go to the higher-ups, but the higher-ups called.

Therefore, Gu Xinghe couldn't care less about Qin Yu and rushed to the office.

He arrived at the office and as soon as he entered, Gu Xinghe said impatiently, "Dear higher-ups, I have something important to report."

"Speak," a higher-up said.

"We caught Qin Yu and found the secret on him!" Gu Xinghe said excitedly.

Then, Gu Xinghe told the higher-ups everything that happened to Yan Jinyao.

After the higher-ups heard it, they fell into silence.

After a while, one of the higher-ups sighed, "We already knew about the bloodline connection between Qin Yu and Yan Ruoxue, but we didn't expect that their bloodlines could work on a third person in this way..."

"What a pity, what a pity," another higher-up sighed.

"If only we could have discovered it earlier..."

"80% of the Bloodlines, I'm afraid no one else can reach this level except for Yan Jinyao."

Gu Xinghe said anxiously, "Dear higher-ups, we still have time. As long as we can find Yan Ruoxue's location from Qin Yu, we can continue the experiment!"

The higher-ups sighed and said, "It's impossible for us to find Yan Ruoxue. Even if we do, it's not something we can touch."

“What do you mean?” Gu Xinghe was extremely puzzled.

“Could it be that there’s someone more powerful than the Lords?”

The higher-ups said in a low voice, “What you see is just this small space. The real world is much bigger than you think. There are many people who are stronger than us.”

Gu Xinghe opened his mouth and wanted to ask something, but the higher-ups interrupted him.

“Alright, from today on, don’t mention Yan Ruoxue anymore. We are looking for you for something more important,” a higher-up said.

Although Gu Xinghe was unwilling, he could only nod.

The higher-ups said in a low voice, “We are going to disappear for a period of time. During this period, the Jingdu Martial Arts Association will be handed over to the second secret realm to manage.”

Gu Xinghe was stunned and said with some confusion, “My lords, where are you going?”

“No need to ask,” the higher-ups said coldly.

“Then... how long will it take?” Gu Xinghe continued to ask.

“Not necessarily. At least half a year, at most several years,” the higher-ups replied.

“In short, when we return, we can appear in this world.”

Without waiting for Gu Xinghe to continue asking questions, the higher-ups slowly disappeared.

“Appear in this world?” Gu Xinghe could not help but frown.

In other words, when the time came, these eight higher-ups would be able to appear in this world with their real bodies?

For more than a hundred years, no one in the JINGDU martial arts association had seen the true faces of these eight higher-ups!

Now that they were suddenly about to appear, could it be that something big was about to happen?

Gu Xinghe did not think too much about it. To him, these things were not important.

...

The next day.

The battle between the martial saint and Yan Jinyao that Gu Xinghe had arranged had officially begun.

This battle had attracted countless gazes, and the result was even more shocking!

That Martial Saint had actually lost to Yan Jinyao!

Although Yan Jinyao had won by a narrow margin with one move, this result had shocked everyone!

“Not long ago, Qin Yu had just defeated a martial saint. Today, Yan Jinyao did the same thing. Could it be that a martial marquis defeating a martial saint is Nothing?”

“Both of them are peerless geniuses. It’s nothing to be surprised that they could do the same thing.”

“I really didn’t expect that two people would be able to break history, and our generation would be able to witness it with our own eyes.”

There were many different opinions, and everyone could not help but sigh.

Many of the young masters of the aristocratic families were starting to get anxious.

It was fine if one Qin Yu had done it, but now that Yan Jinyao had done the same thing, how could they not be anxious.

And the one who was the angriest was undoubtedly Gu Xinghe.

He had seen with his own eyes that Qin Yu’s bloodline had seeped into Yan Jinyao’s body.

And the reason why Yan Jinyao was able to become a battle saint was because of the fusion of these two bloodlines!

“Damn it, damn it!” Gu Xinghe was so angry that veins were popping out all over his head!

Just when Gu Xinghe was angry, Tian Xuehong suddenly walked in from outside the door.

“Young master Gu, what are you so angry about?” Tian Xuehong asked indifferently.

Gu Xinghe suddenly raised his head and looked at Tian Xuehong.

He took a deep breath and suppressed his anger as he said, “I can promise you what you want to do, but what benefits will I get?”

Tian Xuehong raised his eyebrows and said, “Benefits? Didn’t I promise to give you a thousand spiritual stones?”

Gu Xinghe sneered, “Tian Xuehong, do you think I’m a Beggar?”

Tian Xuehong was not in a hurry to answer. He walked around the room, then stopped and said indifferently, “I can let you become a martial saint.. Is this enough?”

Chapter 953: Chapter 953, cooperation

“Entering the Martial Saint Realm?” Gu Xinghe’s pupils constricted.

Although there were people who had already entered the martial saint realm in the current era, it was extremely rare.

Even Jiang he and ye Qing, who were known as geniuses, were unable to enter the martial saint realm.

And there was not a single person in the younger generation!

Gu Xinghe narrowed his eyes and sneered, “Tian xuehong, drawing a cake for others is also my forte. Words have no basis, why should I believe you?”

Tianxue Hong couldn’t help but laugh out loud when he heard that.

“Drawing a pie? Do you think I’m the same as you?” Tianxue Hong’s eyes were full of ridicule.

“Do you know how powerful the immortal slaying sect was back then? If it wasn’t for the change of times, do you think you have the right to cooperate with me?”

Gu Xinghe sneered, “Yes, your immortal slaying sect is too powerful, so powerful that it was exterminated by one person.”

“You’re courting death!”

Hearing this, Tian Xuehong was instantly enraged!

He grabbed Gu Xinghe by the neck and lifted him into the air!

“I’m warning you, it’s best not to mention the massacre immortal sect.” Tian Xuehong’s eyes were filled with killing intent, and there seemed to be a hint of fear hidden in the depths of his killing intent.

Then, Tian Xuehong threw Gu Xinghe aside.

He took a deep breath and said, “I’ll tell you what I used these prisoners for, and how I recovered to my peak.”

“I’ll pass on the secret technique of the Massacre Immortal sect to you. As long as you obtain this secret technique, becoming a martial saint is nothing.”

Gu Xinghe tidied his clothes, then stood up and said, “Alright, I’ll agree to it.”

“Then don’t waste time. Take Me there now,” Tian Xuehong said coldly.

“Not Now.”Gu Xinghe shook his head.

Tian Xuehong’s face turned cold. “Why? Are you trying to lie to me?”

“No.”Gu Xinghe shook his head.

“Although I am in charge of the JINGDU martial arts association now, Zhai Xing doesn’t want me to do this.”

“If he interferes, it will be a troublesome matter for you.”

Tian Xuehong frowned.

He naturally saw that Zhai Xing was dissatisfied with him.

Although he wasn’t afraid of Zhai Xing with the white bone army that Tian Xuehong had, once they fought, it would be a troublesome matter.

“Then what are you going to do?”Tian Xuehong asked.

Gu Xinghe said calmly, “Give me three days. I will send Zhai Xing out. I Will Contact You Then.”

“Three days?”Tian Xuehong thought for a moment and then nodded, “Okay, I hope you won’t go back on your words after three days.”

After saying that, Tian Xuehong quickly left.

...

In the prison.

Qin Yu’s spiritual sense once again entered the space artifact.

He stood at the edge of the abyss and shouted, “Old Bastard, I’m here to See You Again!”

The Abyss shook, but no one replied.

Qin Yu said with a smile, “It’s that old thing who is locked in the abyss. I’m calling you!”

“Little Bastard, if I leave here one day, I’ll definitely kill you!”The light shouted.

Qin Yu rolled his eyes and said, “Let’s talk about it after you leave. I didn’t come here to quarrel with you today. I came here to ask for your help.”

“Help? Little Bastard, it’s already good enough that I didn’t kill you. You still want me to help you?”That voice said icily.

Qin Yu smiled and said, “Don’t be anxious. We can make a deal. I Won’t use you for nothing.”

The other party snorted coldly and didn’t say anything.

Qin Yu said to himself, “If you are willing to lend me your power, I can let you leave this place. How about it?”

Qin Yu planned to use the method he used to deal with the Earth Fiend Valley’s patriarch to deal with this glimmer of light.

Slowly absorb his power and then get rid of him!

“You Are Dreaming.”At this moment, a sneer came from below.

Qin Yu’s expression couldn’t help but change!

Could it be that he knew about it?

“Kid, that little thought of yours can’t Escape My Eyes.”The other party sneered.

“You Want to swindle my power? In your dreams!”

Qin Yu hurriedly said with an embarrassed smile, “I absolutely have no such intention, absolutely have no such intention. This is all a misunderstanding!”

“F * ck you!”The other party cursed loudly.

Qin Yu was so anxious that he scratched his ears and cheeks. However, no matter what Qin Yu said, the other party would not agree.

This made Qin Yu sit on the ground dejectedly.

“Sigh, if you don’t lend me your strength, I’m afraid I Won’t be able to escape,”Qin Yu muttered.

“Escape? Why? You bragged with me for a long time and ended up being locked up?”The other party’s voice carried a trace of ridicule.

Qin Yu muttered, “Yeah, not only did they lock me up, they even drew my blood every day. Damn, it really hurts me to death.”

“Draw your blood? Why? Is there something special about your blood?”The thread of light said.

Qin Yu shook his head and said, “I don’t know either. Maybe it’s because of my constitution.”

“Constitution? What do you mean?”The other party’s voice contained a trace of excitement.

“What Constitution do you have?”

Qin Yu said, “It’s said to be a chaotic constitution. Anyway, I don’t know much about it.”

“Chaotic constitution? !”The other party immediately became a little excited. Even that Ray of light became a few times bigger!

Qin Yu grunted and said, “If this continues, I’m afraid that my blood will be drained.”

“Are you sure you have a chaotic constitution?”He said coldly.

Qin Yu grunted and said helplessly, “Why would I lie to You?”

The other party fell into silence.

After a long time, he suddenly said, “Kid, it’s not impossible for me to help you.”

Qin Yu was delighted and quickly said, “Really?”

“I have a condition,”the other party said.

“What condition? Quickly say it!”Qin Yu said excitedly.

The other party said in a deep voice, “I don’t want other people’s bodies. I want to use yours.”

“The two of US share the same body. Otherwise, I’m afraid I’ll be cheated by you.”

Hearing this, Qin Yu's brows immediately furrowed tightly.

Share a corpse?

Luo Jingyu had said that this glimmer of light was not a good bird.

If he were to occupy his own body, it would be troublesome.

"No, I can find you a similar body," Qin Yu said.

"Then forget it." However, the other party refused.

Qin Yu frowned and said, "Can't I find you a similar body?"

"Hehe, do you think it's so easy to find a special body? Cut the crap. If you don't agree, forget it. Think about it yourself," the other party said impatiently.

Then, he fell into silence. No matter what Qin Yu said, he couldn't get a response.

Helpless, Qin Yu could only temporarily leave this spatial artifact..

Chapter 954: Chapter 954, the masked woman was still alive!

Qin Yu thought about it, but he still felt that he couldn't let his spiritual sense enter his body.

With his ability, if he wanted to forcefully occupy her, Qin Yu probably wouldn't be able to do anything.

"Damn it, I'd better forget it. It's a waste of time," Qin Yu muttered.

In the next few days.

The equipment on Qin Yu's body was inexplicably removed.

This made Qin Yu somewhat puzzled.

Could it be that... The blood in his body couldn't have any effect?

At this moment, Gu Xinghe walked over from outside.

He glanced at Qin Yu and sneered, "Qin Yu, cherish these few days that you're alive."

Qin Yu's eyes narrowed slightly.

He didn't say anything, but he had already guessed the general situation in his heart.

"It seems that my blood has no effect at all," Qin Yu said tentatively.

When this topic was brought up, Gu Xinghe's expression became a little ugly.

Qin Yu caught the change in his expression and guessed, "Could it be that my blood only has effect on Yan Jinyao?"

Hearing this, Gu Xinghe's expression suddenly became a little ferocious!

"Looks like I guessed right." Qin Yu could not help but sneer.

"Shut up! If you want to die early, I can grant your wish!" Gu Xinghe grabbed the railing and shouted angrily.

Qin Yu sneered, “I don’t have many days left anyway, what’s there to be afraid of?”

Gu Xinghe gritted his teeth, took a deep breath, pointed at Qin Yu and said, “Let’s see how many more days you can be arrogant!”

After saying that, Gu Xinghe turned around and walked out.

After he left, the prisoners all said, “Qin Yu, why do you have to be so calculative with him? After all, we are in his hands now. If we talk properly, we might be able to live for a few more days.”

Qin Yu smiled bitterly and said, “I’m different from all of you. No matter what I say, he won’t let me off.”

Everyone was speechless.

A moment later, someone comforted, “Qin Yu, don’t think too much. Who knows what might happen in a few days.”

“That’s right. When we get out, we’ll work with you!”

Qin Yu smiled and said, “Alright! Then we’ll meet outside!”

No one expected that Gu Xinghe had no intention of letting anyone off.

...

In the next few days, Qin Yu, who had removed his equipment, recovered a little.

The internal Qi here was extremely weak. It was a very slow process to recover.

Even though Qin Yu had many treasures on him, once he took them out, 90% of them would be discovered.

“Damn it, I don’t care,”Qin Yu cursed.

“If I can recover in these few days, I might be able to escape.”

Thus, when night fell, Qin Yu carefully took out the spirit stone.

The moment he took out the spirit stone, the room flashed with light.

Qin Yu’s expression changed slightly, and he hurriedly stuffed the spirit stone into his mouth.

Fortunately, this action did not attract too much attention, and Qin Yu could be considered to be slightly relieved.

He spent almost an entire night to consume this spirit stone.

However, Qin Yu’s body was too severely injured. The equipment had caused great damage to Qin Yu’s body.

Even if he borrowed spirit stones, the recovery speed was extremely slow.

“At this rate, it will probably take dozens of days to recover to its peak.”Qin Yu sighed slightly in his heart.

He raised his head to look at the device in front of him, and his heart was once again filled with anger.

Qin Yu took a deep breath and forced himself to calm down.

In the prison, many prisoners talked about their daily lives.

From south to north, from history to the future.

They seemed to have gotten used to this kind of life. Although it was boring, it could be considered dull.

From time to time, Qin Yu would join them and chat with them. Their days were pretty good.

On this day.

The prisoners chatted and chatted as usual. At this moment, the door opened.

For some reason, Qin Yu suddenly had a bad premonition.

Looking over, he saw Gu Xinghe walking in with big strides.

And there was another person beside him.

That person was none other than Tian Xuehong!

“Tian Xuehong? !”Qin Yu’s expression changed slightly.

Why did he come here?

Qin Yu had heard of the various actions of Tian Xuehong.

It was said that this person had devoured the inner strength and spiritual sense of countless warriors, causing the entire martial arts world to be filled with grief!

Could it be... He had set his mind on the numerous prisoners?

“You guys can leave first.” Gu Xinghe waved his hand and sent everyone out.

Tian Xuehong swept his gaze around, as if he was calculating the prisoners in this prison.

Very soon, Tian Xuehong’s gaze landed on Qin Yu.

“HMM? Who Is this person?” Tian xuehong sized up Qin Yu and asked.

Gu Xinghe said, “He is Qin Yu.”

“Oh?” Tian Xuehong’s interest was immediately piqued.

He took two steps forward and walked in front of Qin Yu. He said with a faint smile, “You are Qin Yu?”

Qin Yu narrowed his eyes slightly and didn’t say anything.

Tian xuehong said indifferently, “Speaking of which, I really have to thank you. If it weren’t for you, I’m afraid I would never be able to leave the slaughtering immortal sect...”

Hearing this, Qin Yu couldn’t help but sneer, “Then you owe me a favor. When do you plan to repay it?”

“A favor?” Tian Xuehong raised his eyebrows and then said with a faint smile, “Well, if you’re willing to work for me, I can consider it.”

“Tian Xuehong, this Qin Yu is extremely cunning. Don’t be deceived by him,” Gu Xinghe reminded him immediately.

Sky Blood Rainbow ignored him and looked at Qin Yu as if he was waiting for Qin Yu’s answer.

Qin Yu didn't answer his question. Instead, he said, "Sky Blood Rainbow, aren't you afraid of being suppressed again? It's better to be careful."

"Suppressed again? hahahaha!" When Sky Blood Rainbow heard this, he couldn't help but laugh out loud.

"Who else in the world can suppress me? When I rebuild the Immortal Massacre Sect, it will still be the number one sect in the world."

Tian Xuehong's tone was full of confidence and superiority.

"Is that so?" Qin Yu couldn't help but sneer.

"Tian Xuehong, I have bad news for you."

Tian Xuehong raised his eyebrows and signaled Qin Yu to continue.

Qin Yu moved his face to the side of the railing and said carefully, "The masked woman is still alive.."

Chapter 955: Chapter 955, Tian Xuehong's methods!

"The masked woman is still alive, and I've seen her before," Qin Yu whispered mysteriously into his ear.

Hearing this, Tian Xuehong immediately took a few steps back, his face filled with fear!

Even his body was trembling!

“What’s Wrong?” Gu Xinghe hurriedly walked forward and asked.

Tian Xuehong didn’t say anything, but the sweat on his forehead kept flowing down.

“You... you’re talking nonsense!” Tian Xuehong’s voice was trembling!

Qin Yu laughed, “What I said is true! Why would I lie to You?”

“Nonsense! She has been dead for more than 10,000 years!” Tian Xuehong roared angrily.

Qin Yu sneered, “Don’t you know that she has resurrected again? and more than once.”

How could Tian Xuehong not know!

Of course, he knew the masked woman’s methods!

However, most of the masked woman’s resurrections failed and didn’t cause any trouble.

The number of complete resurrections was very few!

“You want to scare me, right? Do you think I’ll believe you?” Tian Xuehong said coldly.

Qin Yu spread his hands and said, “It’s up to you. Whether you believe it or not is up to you.”

“I told you, this guy is sinister and cunning. Stay away from him!” Gu Xinghe shouted.

Tian Xuehong didn’t say anything for a long time.

He waved his hand and walked to the side as if he was trying to calm himself down.

After an unknown amount of time, Tian Xuehong finally calmed down slightly.

He walked back and sneered, “Qin Yu, I, Tian Xuehong, am not scared to death. I Won’t believe a word you say.”

“I said, whether you believe it or not is your own business,”Qin Yu sneered.

The Sky Blood Rainbow narrowed his eyes and said, “I heard that you are a chaotic body. Your spiritual sense must be very powerful, right? I will feel it properly later.”

Hearing this, Qin Yu’s expression changed immediately!

Could it be as he had guessed?

“You can start now.”The Sky Blood Rainbow looked at Gu Xinghe.

Gu Xinghe acknowledged him and retreated to the side.

Then, Tian xuehong walked to the center of the prison.

He swept his gaze across the prisoners and said coldly, “It’s your honor to serve me. Remember This!”

The prisoners were dumbfounded. They did not understand Tian Xuehong’s words at all.

Qin Yu had a bad feeling! He hurriedly shouted, “Tian Xuehong, what are you trying to do? !”

Tian Xuehong ignored Qin Yu's words, but his body emitted waves of strange internal Qi.

These internal Qi were black in color, and in the end, they transformed into the appearance of an evil ghost in the air!

The evil ghost had a large bloody mouth, and it charged towards a nearby criminal!

At the instant of the collision, the large hand of the evil ghost slapped the criminal's head. Then, the criminal's spiritual sense was forcefully pulled out by the evil ghost, and it was directly swallowed into the large bloody mouth!

His spiritual sense was absorbed just like that! The internal Qi in his body was also rapidly dissipating!

Upon seeing this scene, the expressions of all the criminals changed drastically!

"Comfortable, it's really comfortable," said Tian Xuehong with narrowed eyes.

His hands shook, and several more evil spirits flew out!

These evil spirits charged towards the criminals and began to devour their spiritual sense!

The prisoners immediately panicked! They tried to resist, but found that they couldn't hurt this evil spirit at all!

For a moment, the entire prison was wailing incessantly, and the screams were incessant!

Every prisoner's face was covered with terror!

“Hahahaha, hahahahaha!” Tian Xuehong kept laughing loudly.

Qin Yu's expression was extremely unsightly. He grabbed the railing and roared angrily, “Tian Xuehong, F * cking stop right now!”

Tian xuehong sneered, “Stop? Don't worry, it'll be your turn soon!”

Looking at the prisoners around him who were wailing incessantly, Qin Yu's heart felt as if it was being cut by a knife!

He glared angrily at Gu Xinghe and couldn't help but curse, “Gu Xinghe, as a member of the Jingdu Martial Arts Association, you actually did such a vicious thing!”

However, gu xinghe snorted lightly, “They're just a bunch of ants. Do you think I Care?”

One by one, the prisoners fell. Their faces were filled with fear. Before they died, their faces were even more twisted.

Seeing this scene, Qin Yu was extremely furious!

However, his body was too weak. He had no strength to stop them!

“Damn it!” Qin Yu slammed his palm on the railing!

“Tian Xuehong, stop right now. I can give you a treasure!” Qin Yu hurriedly shouted.

Sky Blood Rainbow Glanced at Qin Yu and sneered, “I won't believe anything you say.”

“You!”Qin Yu was instantly angry, but there was nothing he could do!

The surrounding prisoners fell one after another, and Qin Yu was in a mental breakdown!

“Damn it!”

At this moment, Qin Yu thought of the divine sense in the interspatial divine artifact!

“I’m going to fight you to the death!”Qin Yu roared. Then, he sent his divine sense into the spatial artifact and found the trace of light.

“I agree to your request. Come out immediately and accept my body!”Qin Yu shouted anxiously.

A voice slowly came from the depths of the abyss.

“You finally agreed, but in my current condition, I’m still unable to leave this place,”the other party said indifferently.

Qin Yu’s pupils constricted, and he anxiously asked, “Why?”

“I’m too weak. I still need a large amount of spirit stones.”

Qin Yu’s expression instantly became extremely unsightly!

How could he still have the time to deal with this F * cking urgent matter?

“F * ck, it’s nothing!”Qin Yu couldn’t help but curse and hurriedly left this place.

In this short period of time, nearly half of the prisoners had died.

“Tian Xuehong, stop the F * ck Now!”Qin Yu shouted angrily.

Qin Yu had a good relationship with these prisoners. Seeing them die in front of him, Qin Yu couldn't bear it at all!

Tian Xuehong glanced at Qin Yu and sneered, “Looks like you're in a hurry.”

Gu Xinghe said, “Hurry up and kill him so that he doesn't talk nonsense here!”

The sky blood rainbow nodded slightly, “Alright, since you're in such a hurry, I'll send you on your way in advance!”

With that, an evil spirit pounced towards Qin Yu!

Chapter 956: Chapter 956, Prison Break!

This evil ghost instantly pounced on Qin Yu's forehead!

Streams of black aura spread out from the evil ghost's internal Qi.

The stinky smell made people feel extremely nauseous.

Qin Yu felt as if his spiritual sense was being stripped away, and it was extremely painful!

“Damn it...”Qin Yu clenched his fists and forcefully stabilized his spiritual sense to prevent it from being pulled out of his body.

Qin Yu's spiritual sense seemed to have formed a confrontation with the power of this evil ghost!

Not far away, Tian Xuehong couldn't help but be surprised when he saw this.

“You can actually resist the three paths of evil ghosts? Interesting,” Tian Xuehong said with a cold smile.

“If you can resist one, then what about two or three?”

With that, he waved his hand, and two more evil ghosts pounced at Qin Yu!

The moment they pounced, that power instantly skyrocketed!

Qin Yu's divine sense was instantly drawn out by more than half!

This kind of pain caused Qin Yu's entire body to tremble uncontrollably!

“Ah! !” Qin Yu raised his head and roared angrily. He firmly controlled his divine sense, afraid of being pulled out of his body!

However, the power of these three evil spirits was simply too powerful. In addition, Qin Yu's body was extremely weak. Even if he tried his best to block them, his divine sense was still being drawn out bit by bit!

“It's over...” beads of sweat appeared on Qin Yu's forehead. He was already powerless to resist.

Just as Qin Yu was about to give up, a loud bang suddenly came from outside!

“Boom!”

With a loud bang, the prison's door was actually smashed open!

Looking over, one could only see several people standing at the door!

And the person leading them was none other than Chang Mang!

At this moment, his entire body was boiling red, and his aura was burning. He looked like a God!

Following behind him were Zhuang Teng, Yao Meng, and the others!

“HM?” When Gu Xinghe saw this scene, he could not help but frown slightly.

“Are you guys crazy? How dare you barge into the Jingdu Martial Arts Association’s Prison? Do you know what kind of crime this is?” Gu Xinghe said with a gloomy face.

“F * ck you!” Chang Mang shouted loudly, and then his steel-like body crashed toward Gu Xinghe!

Gu Xinghe did not dare to be negligent, and hurriedly raised his hand to respond.

However, as a saintly being, Chang Mang had immense strength. The moment they collided, he was directly sent flying!

“You guys quickly go and save them, I’ll hold them off,” Chang Mang said coldly.

Zhuang Teng and the others nodded slightly. Then, they quickly rushed toward Qin Yu.

Due to the sudden situation, Tian Xuehong had no choice but to stop what he was doing. He turned around and looked at these people coldly.

“Tian Xuehong? You’re here too!”Kong Yun couldn’t help but Shout!

“Gu Xinghe, are you shameless? How dare you collude with Tian Xuehong!”

Gu Xinghe’s expression turned even colder. He swept his gaze across the crowd and said gloomily, “Are all of you trying to rebel?”

“Cut the crap, take a punch from Me First!”Chang Mang roared angrily and his iron fist instantly smashed towards Gu Xinghe!

Chang Mang’s strength was unparalleled. Even Qin Yu did not dare to underestimate him, let alone Gu Xinghe!

Under his attack, Gu Xinghe and Tian Xuehong could only deal with him.

Taking advantage of this time, Zhuang Teng and Yao Meng quickly approached Qin Yu.

Qin Yu’s spiritual sense returned to his body, but the intense pain still made his forehead break out in cold sweat, and his body felt a little weak.

“This prison is extremely hard, you can’t open it...”Qin Yu said in a low voice.

Zhuang Teng’s body shook, and he took out a dark long sword.

“This is a divine sword passed down in our family. It is said to be able to cut through everything. Don’t worry, we have made full preparations,”Zhuang Teng said.

After he said that, he waved his hand and directly slashed towards the prison!

“Buzz!”

With a burst of light, the prison’s bars were instantly cut off!

It was so sharp that even Qin Yu was shocked!

“Don’t waste time. When their people arrive, we won’t be able to leave,” Yao Meng said.

After saying that, Zhuang Teng quickly walked in and pulled Qin Yu along, preparing to leave.

At this moment, Chang Mang was still immersed in a bloody battle. Facing the two of them, he also appeared to be extremely exhausted. Bloody Holes appeared one after another all over his body.

Looking at Chang Mang who was desperately fighting, Qin Yu suddenly felt a little unbearable.

“Get lost quickly! Leave Chang Mang to me,” Kong Yun said with a frown.

Qin Yu was speechless. He couldn’t help but feel touched.

He never thought that these people would come to save him on their own accord!

“Thank you,” Qin Yu said sincerely.

“Stop talking nonsense and leave now!” Kong Yun shouted.

Qin Yu didn't say anything more. Under the cover of them, he walked toward the door.

When he reached the door, Qin Yu suddenly stopped.

“Zhuang Teng, lend me your sword,” Qin Yu said in a low voice.

Zhuang teng frowned and asked, “What do you want to Do?”

Qin Yu shook his head and said, “Quick, there's no time.”

Seeing this, Zhuang Teng did not say anything more and immediately handed the sword in his hand to Qin Yu.

Qin Yu took the divine sword. He forcefully activated the internal Qi in his body and injected the remaining spiritual energy into the divine sword.

Then, Qin Yu swept his gaze toward the prison.

His pupils constricted, and with a furious roar, Qin Yu swung the divine sword in his hand forward!

“Buzz!”

A burst of light swept across! The terrifying internal Qi was like a surging sea, shocking everyone!

“Not good!” Gu Xinghe and Tian Xuehong hurriedly dodged to the side!

However, they didn't expect that the target of this sword was not them, but the prisoner!

The sword slashed across the prison, and all the bars were sliced flat!

“This is all I can do. You guys... Hurry up and escape...”Qin Yu looked at the prisoners and said with his last breath.

After saying this, Qin Yu’s vision went black, and he directly fainted.

Many annoying people instantly swarmed over. They, who were already full of resentment, were now even more furious!

Facing so many angry prisoners, Tian Xuehong and Gu Xinghe could only avoid their sharp edges!

“Everyone, retreat quickly!”Chang Mang and Kong Yun shouted.

The two of them covered the prisoners and retreated out of the door.

Gu Xinghe shouted, “Zhai Xing, Zhai Xing!”

But after he shouted, he remembered that Zhai Xing and the two martial saints beside him had been sent out!

“Damn it!”Gu Xinghe was instantly furious!

Tian Xuehong’s expression was also somewhat unsightly.

He coldly swept his gaze over the many prisoners who had escaped and muttered in a low voice, “They actually escaped...”

Gu Xinghe took a deep breath and coldly said, “They dared to come to the Jingdu Martial Arts Association to break out of prison. I was just worried that I wouldn’t have an excuse to deal with them...”

With that, he swept his gaze to the door and shouted, “Go, Get Zhai Xing back immediately!”

Chapter 957: Chapter 957 was known throughout the world

The entire prison was empty.

Tian Xuehong's expression didn't look good either.

His absorption had just begun, and he didn't expect to be interrupted.

Most importantly, he didn't bring his white bone army.

"Interesting... these ants actually want to resist." Tian Xuehong grinned and let out a cold smile.

"Alright, then kill them all!" The Sky Blood Rainbow clenched his hands together!

...

When Qin Yu woke up, he was already on a mountain.

This mountain wasn't big, and it looked like a temple.

Temple-like houses sat on this mountain one after another.

Qin Yu opened his eyes in a daze. Just as he tried to get up, he felt waves of intense pain all over his body.

"Where is this?" Qin Yu looked around, his eyes filled with confusion.

"You're awake!" Zhuang Teng patted Qin Yu's shoulder forcefully. Qin Yu immediately grimaced in pain.

“Be careful!” Yao Meng could not help but say.

Zhuang teng touched his nose and said somewhat embarrassedly, “I was too excited...”

Qin Yu waved his hand. He sat up from the bed with difficulty and said, “Where is this?”

Yao Meng explained, “This is nine pinnacles mountain. It is also senior Xu Huaigu’s residence.”

“Nine Pinnacles Mountain ? Xu Huaigu ?” Qin Yu’s brows furrowed even more tightly.

Yao Meng grunted and said, “We have robbed the JINGDU martial arts association’s prison. They will definitely not let this go.”

“At the moment, the only one who can help us is senior Xu Huaigu.”

Qin Yu could not help but sigh slightly.

In the end, he still brought the trouble to Xu Huaigu.

“Thank you for your help.” Qin Yu cupped his hands and then asked, “Are the others alright?”

“They’re fine. You can rest assured and recuperate here.” Zhuang Teng waved his hand.

Qin Yu lay on the bed, his face could not help but be filled with worry.

He had indeed escaped, but this was probably just the beginning.

“The Jingdu Martial Arts Association will definitely send a martial saint to take him,”Qin Yu said in a deep voice.

“We should think of a way.”

“Think of a way? Other than senior Xu Huaigu, how can there be a martial saint?”Zhuang Teng shook his head.

Qin Yu did not say anything. He thought for a moment and suddenly thought of immortal crane.

If immortal crane was called over, it would probably be able to resist the Jingdu Martial Arts Association, right?

But after thinking about it, Qin Yu finally gave up on this idea.

Xianhe and the others could be considered to be in a paradise. It was probably not appropriate to disrupt their lives for no reason.

“Just recuperate well. We will think of a way,”Yao Meng comforted.

Qin Yu nodded and didn't say anything.

The Qi/spiritual energy here wasn't very rich, but compared to the JINGDU martial arts association's prison, this place was already considered pretty good.

In the next few days, Qin Yu's body and mind were fully recovered.

Under everyone's care, Qin Yu's injuries recovered very quickly.

Perhaps it was because of the appearance of the disciples of the secret realm that caused these high and mighty young masters of Jingdu to lower their proud heads.

Zhuang Teng brought the divine sword, and Yao Meng took out all the precious herbs in the family to treat Qin Yu's illness.

Three days later, Qin Yu's injuries were almost healed.

He stood up and walked out of the house. The first thing he saw was a huge Bodhi tree.

Everyone gathered under the tree, and sitting in the middle was Xu Huaigu.

Qin Yu walked quickly to the tree.

"This junior, Qin Yu, greets senior Xu Huaigu," Qin Yu cupped his hands and said.

Xu Huaigu nodded slightly and waved his hand, "Sit."

"Qin Yu, you're good. You almost killed a martial saint. You're too awesome!" Chang Mang patted Qin Yu's shoulder forcefully.

Qin Yu smiled bitterly and said, "I barely defeated him at the cost of my life. Moreover, he was the weakest martial saint..."

"This is enough. Since ancient times, no one has been able to cross this ditch. You're already amazing." Xu Huaigu said quietly.

Qin Yu immediately cupped his hands and said, "The truly amazing one is you. You can clearly choose to live a better life, but you are willing to risk your life to fight against them."

Xu Huaigu shook his head and said, "I'm afraid that is all I can do."

“Senior, you are the first person to step into the martial saint realm today! That is a first-class genius!”Kong Yun said.

Xu Huaigu shook his head and said, “Those who have stepped into the martial saint stage may not be geniuses. There are many people with higher talent than me.”

“If I had known that stepping into the martial saint stage would cause unnecessary trouble, I would rather stay in the martial marquis stage forever.”

When everyone heard this, they instantly fell into silence.

However, Qin Yu heard something from these words.

Those who had stepped into the martial saint stage might not be geniuses?

In other words, one did not rely on talent to step into the Martial Saint Realm?

When he thought of this, Qin Yu cupped his hands towards Xu Huaigu and said, “Senior, you said that one did not rely on talent to step into the martial saint realm. Then what should it be? State of mind? Comprehension? Or Luck?”

“What you said has nothing to do with me.”Xu Huaigu shook his head.

Qin Yu cupped his hands and said, “I once tried to build a carriage behind closed doors. Later on, I began to experience the world. However, I was unable to step into the martial saint realm. I did not even have the slightest intention to step into the martial saint realm.”

“Now, I am a little confused. I don’t know what method to use to enter the martial saint realm. Please give me some guidance, senior.”

Xu Huaigu’s gaze landed on Qin Yu.

His pair of deep eyes seemed to be able to see through Qin Yu.

The surrounding people also looked at Xu Huaigu in unison as if they were waiting for his guidance.

At this moment, Xu Huaigu slowly stood up.

He slowly said a few words, “Once you comprehend Dao, the world will know.”

After saying this, Xu Huaigu slowly left.

“Once you comprehend Dao, the world will know...”Qin Yu frowned and repeated this sentence repeatedly, as if he wanted to get something out of this sentence.

“What exactly does this sentence mean?”The people beside him could not help but be puzzled.

“Seriously, can’t senior Xu be more specific? !”

“Some things have to be comprehended by oneself, what do you know? !”

Qin Yu did not say a word. He rubbed his chin and his mind was filled with this sentence.

Once one comprehended dao, the world would know...

For the entire day, Qin Yu's brows were slightly furrowed. This sentence filled his entire mind.

“Alright, don't think about it anymore. Your body hasn't recovered yet. Recuperate properly,” Chang Mang said carelessly.

Qin Yu smiled and said, “Alright.”

Even though that was the case, Qin Yu still couldn't help but ponder over these words..

Chapter 958: Chapter 958, all the way to nine Pinnacles Mountain!

For the next few days, everyone ate, lived, and traveled on nine Pinnacles Mountain.

Xu Huaigu had a vegetable garden on the mountain, filled with pure natural, pollution-free vegetables.

Other than that, he also raised chickens, ducks, and fish on the mountain, living quite happily.

“Zhuang Teng, by the way, what's the name of your sword? Why is it so fierce?”

On this day, after they finished eating, Chang Mang asked.

Speaking of this, Zhuang Teng immediately said with some pride, “This sword is called Taihe. It was passed down by my grandfather's grandfather. It is the most precious treasure of our family!”

“Taihe? That’s a good name.”Qin Yu nodded slightly.

“The prison of the Jingdu Martial Arts Association is all made of black gold stone, but this sword can be unfurled in one strike. It is considered a divine sword.”

Zhuang teng said somewhat proudly, “Of course! It is said that my grandfather’s grandfather once used this sword to slay a dragon! But my father did not pass on the sword technique to me. It is said that this sword technique can ensure the prosperity of my family’s Patriarch!”

Qin Yu smiled and said, “Then if you take out the sword, your father will not deal with you, right?”

Zhuang Teng said with a grin, “Of course I took it out secretly. If he finds out, he will definitely beat me to death.”

Hearing this, Qin Yu could not help but say gratefully, “Thank you very much.”

“It’s okay. This is nothing.”Zhuang Teng waved his hand.

Qin Yu raised his head to look at the sky and could not help but sigh slightly.

At night.

Qin Yu sat alone on the Kang.

He looked out of the window.

A full moon hung in the sky. The moonlight shone on Qin Yu’s face, making it snow-white.

“Everyone knows when one has comprehended the Dao...”Qin Yu muttered softly.

“Senior Xu Huaigu, are you saying that you need to comprehend the Dao to become a martial saint?”

Qin Yu tried to grasp the Great Dao, but this did not give him any enlightenment.

The next morning, Qin Yu arrived in front of Xu Huaigu’s house early in the morning.

At this moment, Xu Huaigu was planting vegetables in the courtyard. When he saw Qin Yu, he put down the hoe in his hand.

“Senior Xu Huaigu, I wonder if I could have a moment of your time. I would like to discuss Dao with you,”Qin Yu said.

Xu Huaigu nodded. He sat cross-legged on the ground and motioned for Qin Yu to sit as well.

Qin Yu did not say anything more and immediately sat down in Xu Huaigu’s conversation.

“Senior Xu Huaigu, when you say that you will comprehend dao in one day, are you referring to comprehending the Great Dao?”Qin Yu asked tentatively.

Xu Huaigu did not answer this question. Instead, he asked, “What is the purpose of your cultivation?”

Qin Yu frowned slightly. He scratched his head and said, “The purpose of my cultivation has always been changing. Initially, I wanted to get out of a difficult life. Later on, it was for Yan Ruoxue.”

“Later on... wanting to become stronger seemed to have become one of my pursuits. However, it was mostly because of Yan Ruoxue.”

Xu Huaigu nodded slightly, and then asked, “Then do you know the purpose of my cultivation, and what is it?”

Qin Yu shook his head, indicating that he did not know.

Xu Huaigu looked at the vegetable garden in front of him and said, “Everyone knows that my talent is mediocre and I don’t like to fight for it. I only love a Pure Land. I once thought that this was my path.”

Qin Yu looked at Xu Huaigu with some surprise and said, “What happened after that?”

Xu Huaigu smiled and said, “I realized that I don’t only favor a Pure Land, but also people, things, and everything within my sight.”

Qin Yu touched his chin and looked at Xu Huaigu with a confused expression. No one knew what he was thinking about.

“There are some things that you can only rely on yourself to comprehend. Only after you have fully comprehended them will you be able to step into another realm,” Xu Huaigu said.

“If it was purely based on talent, the person who would be the first to step into the Martial Saint Realm would definitely not be me.”

Qin Yu was silent for a moment, as if he had understood something.

“I understand.” Qin Yu stood up and said.

Xu Huaigu looked at Qin Yu, as if he wanted to know something.

Qin Yu continued, “The Dao that you cultivate is great love, and not a remote corner.”

“You relied on hard work and hard work to step into the Martial Marquis realm, but you were unable to rely on hard work and hard work to step into the martial saint realm.”

“What truly allowed you to step into the martial saint realm was to comprehend the Dao of great love.”

Xu Huaigu nodded his head approvingly. He slowly stood up and picked up the hoe again.

“Qin Yu, nothing can be accomplished overnight. Otherwise, what you will obtain in the end will always be nothing.”

Xu Huaigu said as he plowed the ground.

Qin Yu bowed slightly to Xu Huaigu and said, “Thank you, I understand.”

Everyone had their own path of cultivation. If one wanted to become a martial saint, they must find their own path.

Once, a long time ago, Qin Yu had had such an epiphany. However, at that time, he did not take it to heart.

Today, after Xu Huaigu’s reminder, Qin Yu finally understood.

“My own dao... this path, how should I find it?” Qin Yu sighed slightly.

Other than Yan Ruoxue, Qin Yu did not know what else he wanted.

However, based on emotion alone, it was impossible for it to become his great dao of cultivation.

“Perhaps senior Jiang he also understood this principle, so he left the mystic realm,”Qin Yu thought to himself.

Then, Qin Yu turned around and returned to his own residence.

He sat in his room, trying to find his own path.

The others were also discussing countermeasures on the mountain.

Nine Pinnacles Mountain looked like a pure land, a residence that protected everyone.

But at this time, Gu Xinghe and the other secret realms were preparing to attack nine pinnacles mountain.

In the reception hall of the Jingdu Martial Arts Association, the people from the secret realms had already arrived.

Gu Xinghe swept his gaze across the crowd and said coldly, “Qin Yu, Kong Yun, and the others have kidnapped the prisoners of the Jingdu Martial Arts Association. This is a great act of treason, and it is the wrath of both man and God.”

“In order to protect the legitimate rights and interests of the Jingdu Martial Arts Association, it is necessary for us to take measures against them!”

Before this, the Jingdu martial arts association had never found an excuse to take action against Zhuang Teng and the others.

But now, their actions gave Gu Xinghe a proper reason, a reason that no one could find fault with.

“We’ve already found their location. They’re all gathered at nine Pinnacles Mountain,” Gu Xinghe continued.

“Nine Pinnacles Mountain is Xu Huaigu’s residence. If he wants to protect Qin Yu and the other prisoners, we can only execute him!”

“That’s right. If he protects the prisoners, he’s also a prisoner!” Someone said.

They all knew that these words were just an excuse to attack.

Gu Xinghe slowly stood up and said coldly, “Everyone, follow me to nine Pinnacles Mountain! This time, I want all the prisoners to be punished!”

“Okay!”

Everyone in the secret realm also stood up in unison!

Chapter 959: Chapter 959, fighting against eight martial saints!

During this period of time, a few more martial saints had walked out from the secret realm.

Including the original martial saints, there were already nine martial saints!

With nine martial saints attacking, even if Xu Huaigu had great abilities, he would not be able to resist!

The group of people brought the spiritual artifacts from the secret realm and rushed towards the nine Pinnacles Mountain!

The nine Pinnacles Mountain was peaceful.

Qin Yu was still trying to figure out his own dao techniques.

This was the key to becoming a martial saint, and the only way to become one.

At this moment, Qin Yu's slightly closed eyes suddenly opened.

"Eh?" Qin Yu frowned slightly.

For some reason, his heart suddenly jumped. An extremely uneasy feeling rippled in his heart.

At this moment, Qin Yu suddenly felt traces of internal Qi approaching the nine pinnacles mountain!

Not only Qin Yu, but many people also felt this internal Qi!

"Someone is coming," Yao Meng said in a low voice.

"I also felt it." Kong Yun's face instantly turned cold.

"They are finally going to make a move." Chang Mang took a deep breath, full of fighting spirit.

Meanwhile, Xu Huaigu, who was plowing the ground, also put down the hoe in his hand.

He sighed slightly and looked into the distance as he muttered in a low voice, "What should come will come."

Qin Yu rushed out of the room with large strides. He swept his gaze across the crowd and shouted, "All of you, quickly hide!"

"Hide? Where are you hiding? Since they are here, then let's fight it out with them!" Chang Mang shouted loudly.

However, Qin Yu said with a cold face, "The one who decides the outcome is the martial saint. All of you are powerless before the martial saint."

"Qin Yu is right."

At this moment, Xu Huaigu also slowly walked over.

"Everyone, hide in the house immediately," Xu Huaigu said quietly.

Qin Yu hurriedly shouted, "Hurry and hide!"

Everyone gritted their teeth. Although they were unwilling, they still walked into the house.

"You should go too." At this moment, Xu Huaigu looked at Qin Yu.

Qin Yu hurriedly shook his head and said, "Senior, if I can stop a martial saint, at least I can share the pressure with you."

"No need. One more and one less won't change anything." Xu Huaigu shook his head.

Qin Yu opened his mouth and wanted to say something, but he was interrupted by Xu Huaigu's wave of his hand.

“This is my dao technique and the reason for my existence. Go.” Xu Huaigu said quietly.

Qin Yu was stunned. He gritted his teeth and cupped his hands, “Senior, please take care of yourself.”

Then, Qin Yu quickly hid in the room.

Everyone was hiding in this room, but their eyes were looking out the window.

“Senior Xu Huaigu will be fine, right?” Zhuang Teng said with a frown.

Qin Yu did not say anything. Although he did not want to admit it, it would not be easy to fight against so many martial saints.

“I hope everything is fine...” Qin Yu sighed in a low voice.

At the foot of the nine pinnacles mountain.

Gu Xinghe led the nine martial saints and walked up the mountain.

Every step they took seemed to land on the hearts of everyone. It was extremely heavy.

“Young master Gu.” At this moment, Zhai Xing suddenly opened his mouth as if he wanted to say something.

However, Gu Xinghe said coldly, “Uncle Zhai Xing, if you still acknowledge my father, don’t Say Anything.”

Seeing this, Zhai Xing could only sigh slightly and say nothing.

Very soon, Gu Xinghe appeared on the top of the mountain.

His gaze swept across the entire mountain, and finally landed on Xu Huaigu.

Xu Huaigu's eyes were slightly closed, and his expression was indifferent. He still looked like an immortal.

Gu Xinghe sneered and walked straight to Xu Huaigu, saying, "Xu Huaigu, they robbed the JINGDU martial arts association. This is a capital crime. You should understand, right?"

Xu Huaigu closed his eyes slightly and did not speak.

Gu Xinghe continued, "If you're sensible, hand them over."

Xu Huaigu remained silent.

Gu Xinghe snorted lightly, "You should know what crime it is to shield a criminal, right?"

Hearing this, Xu Huaigu finally spoke.

He looked at GU xinghe and said, "Does the JINGDU martial arts association still have the right to convict people?"

Gu Xinghe narrowed his eyes and sneered, "So, you're not going to hand him over?"

"There are some things that you don't need to know." Xu Huaigu shook his head.

"Okay!" Gu Xinghe seemed very satisfied with this answer.

He leaned against Xu Huaigu's ear and whispered, "I was really afraid that you would hand him over because then I would have no reason to kill you..."

After he had said this, Gu Xinghe took a few steps back.

He looked at Xu Huaigu coldly and said, "Xu Huaigu harbors criminals and is as guilty as the criminals! Everyone, listen up and bring him back!"

The Nine Martial Saints took a step forward in unison!

Zeng Ji, who had suffered a loss the last time, seemed to want to regain his face. He took the lead and walked towards Xu Huaigu.

"How dare you, who have never even entered the mystic realm, go against us? I really don't know where you get your confidence from!"

As Zeng Ji shouted angrily, he suddenly clenched his fist and smashed it toward Xu Huaigu's face!

Xu Huaigu's expression did not change. He waved his sleeve, and a force that was both firm and gentle, as well as evil, immediately rushed toward him!

The force on Zeng Ji's fist was instantly dissolved by the GENTLE FORCE! And that firm and fierce force slammed onto Zeng Ji's chest!

"Deng Deng Deng!"

Zeng Ji immediately took a few steps back, and a mouthful of blood gushed out!

Several ribs on his chest had been broken, and large amounts of blood flowed out.

“Damn it!” Zeng Ji was instantly enraged, and his internal Qi surged!

“Trash.” However, at this time, Gu Xinghe shot him a cold glance, and his eyes were filled with ridicule.

“We are not here to play with you.”

Wan Gu Qiong clapped his hands and said with a smile, “Young master Gu is right. I suggest that we all attack together and end this battle as soon as possible. We must kill this Xu Huaigu as soon as possible.”

Gu Xinghe looked at Wan Gu Qiong and nodded slightly, “I agree. Everyone, attack together!”

As soon as he gave the order, eight martial saints walked towards Xu Huaigu at the same time. Only Zhai Xing stood on Gu Xinghe’s side and did not move at all.

Xu Huaigu remained calm when facing these eight martial saints.

It was as if he had already anticipated his ending and had already disregarded his life and death.

In the room, Qin Yu and the others had extremely ugly expressions on their faces!

Even if Xu Huaigu was extremely capable, how could he deal with the eight martial saints!

Chapter 960: Chapter 960, the descent of Jiang He!

These eight martial saints looked at Xu Huaigu coldly. A great battle was about to break out at any moment!

“Old Man, go to Hell!”

With a furious roar, the great battle officially began!

The eight martial saints attacked almost at the same time! Their swift and fierce moves shook the entire nine Pinnacles Mountain!

Xu Huaigu’s expression was calm, and his movements were even more elegant and natural.

His two large sleeves carried a gentle and fierce force as he faced the eight of them at a moderate pace.

The moves were dodged one by one. What was shocking was that Xu Huaigu’s movements were incomparably elegant, and he actually easily dodged every move!

“Senior Xu is so strong!”

Seeing this scene, everyone couldn’t help but clench their fists!

Qin Yu was also somewhat shocked.

Xu Huaigu’s strength seemed to have improved a bit!

“Boom!”

The explosions outside continued. Even Qin Yu and the others were affected.

Their eyes were fixed on the outside, and their hearts were in their throats.

Gu Xinghe and the others were not in a hurry. Eight Martial Saints could grind Xu Huaigu to death!

“Why don’t you go?” Gu Xinghe glanced at Zhai Xing and asked.

“There’s no need for that,” Zhai Xing said.

Gu Xinghe snorted lightly and said, “Is there no need, or do you not want to go?”

Zhai Xing did not respond, but his intention was very obvious.

“Uncle Zhai Xing, I have to remind you that you are a member of the second mystic realm,” Gu Xinghe snorted lightly.

Zhai Xing nodded and said, “I know. I will always be a member of the second Mystic Realm.”

“Boom!”

At this moment, Xu Huaigu waved his palm and slapped a martial saint back!

“You have some ability!” This made many martial saints laugh coldly.

It was obvious that Xu Huaigu’s strength was much stronger than they had imagined.

In the room, Qin Yu frowned.

Through this short exchange, Qin Yu had already struck out Xu Huaigu's advantage and weakness.

His advantage was that he was still able to face many people calmly and easily. However, his disadvantage was also extremely obvious.

Perhaps it was because of Xu Huaigu's cultivation path that his moves did not have any fatal ability. In fact, he could not even injure his opponent in a short period of time!

If this continued, it would not be long before Xu Huaigu would fall into a disadvantageous position!

"Those eight martial saints don't seem to have used their full strength." Qin Yu muttered in a low voice.

Yao Meng, who was at the side, also nodded and said, "Other than Zeng Ji, the others seem to be testing senior Xu's foundation."

"To be able to deal with eight martial saints to such an extent is already not bad." Qin Yu sighed.

Just as the two of them were chatting, the great battle outside had already turned around!

These martial saints' internal Qi had erupted to the extreme at the same time, and their techniques had also become even fiercer. Each of their attacks were aimed at Xu Huaigu's vital points!

"Dong!"

In just a few short minutes, Xu Huaigu had already received a punch to his chest!

This punch had directly pierced through Xu Huaigu's chest, and fresh blood gushed out like a fountain!

Xu Huaigu stood up from the ground and once again came forward to receive the punch.

However, as the battle continued, Xu Huaigu's flaws grew more and more, and the injuries on his body became more and more obvious!

“Bang!”

Another palm strike struck Xu Huaigu's chest!

His body was instantly sent flying, and fresh blood spurted out from his mouth!

“Senior Xu!” Qin Yu's pupils instantly constricted upon seeing this!

He clenched his fists, and his face was filled with worry.

Xu Huaigu tried to get up from the ground. However, as soon as he stood up, a palm descended from the sky and slammed him onto the ground once again!

“Pu!”

Fresh blood gushed out from Xu Huaigu's mouth. The fresh blood had completely dyed his white clothes red!

Many martial saints looked at Xu Huaigu with a playful expression. The mocking smile on their faces made this scene even more cruel and tragic!

“I have to say, you do have some strength. It's a pity that your methods are too gentle.” A martial saint commented.

“You are truly a benevolent person. How can you kill an enemy with such methods?” A martial saint beside him also mocked.

“Xu Huaigu, you are also considered a talent. Why Don’t you follow us? Perhaps, it will bring you a second spring.”

In the face of everyone’s words, Xu Huaigu did not say a word. He stood up from the ground once again.

“Boom!”

A Ray of light pierced through his abdomen!

“Whoosh!”

Another ray of light pierced through Xu Huaigu’s calves!

Xu Huaigu fell to the ground with a “Bang” sound. He kept spitting out blood from his mouth.

Even so, Xu Huaigu still stood up with great difficulty and walked towards these martial saints!

Zhai Xing, who was not far away, seemed to be unable to bear it. He turned his head to the side and could not bear to watch any longer.

“You are really stubborn.” A martial saint sneered.

“I want to see how many times you can stand up!”

A Ray of light descended from the sky and once again slammed Xu Huaigu onto the ground!

However, Xu Huaigu stood up once again!

Once, twice, thrice! Countless times, Xu Huaigu fell, got up, got up, and fell again!

“Senior Xu!” In the room, everyone’s eyes could not help but tear up!

Looking at such a tragic Xu Huaigu, everyone was touched.

Qin Yu was even more dumbfounded. He gritted his teeth and turned to look at Zhuang Teng.

“Give me your sword!” Qin Yu gritted his teeth and said.

“What are you doing?” Yao Meng frowned.

Qin Yu gritted his teeth and said, “I can’t just watch senior Xu Huaigu die in front of me!”

“Qin Yu, you’d better calm down.” However, Yao Meng shook her head.

She pointed at Zhai Xing who was beside Gu Xinghe and said, “Zhai Xing hasn’t made his move yet. If you join him, Zhai Xing will definitely make his move too. I’m afraid the outcome will be even worse.”

“Then what should we do? Are We just going to sit and wait for death?” Kong Yun shouted.

“If senior Xu Huaigu dies, how can we live alone? !”

Yao Meng opened her mouth, but for a moment, there was nothing she could say.

Xu Huaigu fell to the ground again and stood up again.

A total of eighteen times.

Anyone who saw such a scene could not help but shed tears.

Every time he stood up, he tried to get close to them.

His stubborn attitude moved people.

Qin Yu's expression changed. He had suddenly guessed something!

“Senior Xu Huaigu... he wants to self-destruct!” Qin Yu's expression changed drastically!

Was this the reason why Xu Huaigu had been trying to get close to them! !

Outside the door.

A martial saint said with a cold smile, “Xu Huaigu, you are already very good to be able to do this.”

“Yes, I can not bear to see you struggling so hard.”

“Send him on his way. This way, at least he will suffer less.”

Wan Gu Qiong, who was not far away, sneered and said, “It is already not bad for a person who has not stepped into the secret territory to have such skills. I hope that you can reincarnate into a secret territory aristocratic family in your next life.”

“Not bad, to be able to be on par with the martial saint in our secret territory, you are indeed worthy of praise.”

Just as everyone was secretly harboring killing intent, they suddenly felt an internal Qi approaching from not far away.

“Is the martial saint in the secret realm superior to others?”

A voice entered everyone’s ears!

They raised their heads and saw a man walking over!

“Senior Jiang He!” Upon seeing him, Qin Yu was instantly surprised and delighted!

Chapter 961: Chapter 961, the descent of Jiang He!

Not far away, an old man was slowly walking over.

Although his face looked a bit old, his spirit was like that of a young man.

Compared to the last time they met, Jiang he seemed a few years younger this time.

He walked towards Xu Huaigu with light steps.

“It’s really Jiang he!”

Some people in the room recognized Jiang he.

No one had expected Jiang he to appear at this time!

“He seems to have entered the martial Saint Realm!” Someone exclaimed.

Qin Yu was extremely excited. Judging from Jiang he’s condition, he must have entered the martial saint realm!

Gu Xinghe's eyes narrowed slightly.

He sized up Jiang he and sneered, "Just in time. I'll kill him too."

Then, Gu Xinghe looked at Zhai Xing.

"I've let him escape before. This time, kill him in front of me," Gu Xinghe said coldly.

Zhai Xing gritted his teeth. He had let Jiang he go several times before. This time, he was afraid that he would not be able to do it.

Jiang he walked toward Xu Huaigu step by step.

He came to Xu Huaigu's side and helped him up.

At this moment, Xu Huaigu was extremely weak. He had intended to self-destruct, but he did not expect to survive.

"Go and rest." Jiang he said.

Xu Huaigu opened his mouth and wanted to say something. However, he was interrupted by Jiang he's wave of his hand.

"Another one has come." Many martial saints could not help but ridicule him.

"Do you also want to Die?" Someone asked.

Jiang he ignored them. He swept his gaze across the crowd and said coldly, "Let's go."

Everyone was stunned. It seemed that they did not understand what Jiang he meant.

“What did you say?” Zeng Ji scratched his ear and took a step forward.

Jiang he repeated, “You guys go. Leave this place.”

“Hahahahaha!” When Zeng Ji heard this, he could not help but burst into laughter.

“What if we don’t Leave?” Zeng Ji raised his eyebrows and said with a playful tone.

Jiang he glanced at him and said indifferently, “If we don’t leave, we won’t be able to leave.”

A trace of ridicule flashed across everyone’s faces.

We won’t be able to leave? How could this person be so arrogant?

Did he want to fight against the Nine Martial Saints alone?

“Old Man, I think you’re not thinking clearly.” Zeng ji laughed coldly.

“A new martial saint dares to say such arrogant words!”

Jiang he ignored Zeng Ji and looked at Gu Xinghe who was not far away.

“Are you leaving or not?” Jiang he asked.

Gu Xinghe raised his eyebrows and said with a faint smile, “Everyone says that you, Jiang he, are the number one genius in the world. I’ve heard a lot about you, but I’ve never seen your skills.”

“Since we’ve met today, why don’t you show us your skills?”

Jiang he's face turned cold and he said coldly, "I've given you a chance."

"F * ck you!"

Zeng ji shouted angrily and took the lead to charge at Jiang He!

His iron fists were aimed at Jiang he's face!

Jiang he dodged lightly and easily dodged.

Before Zeng Ji could regain his senses, Jiang he had already slapped Zeng Ji's chest!

That extremely fast speed even left an afterimage in the air!

"Bang!"

A crisp sound was heard.

Zeng Ji's body was directly sent flying!

Not only that, the penetrating force of that palm even directly pierced through Zeng Ji's chest!

Everyone could not help but widen their eyes, and their expressions changed abruptly!

Just one palm had dealt with Zeng Ji? ? ! What kind of technique was this?

In the room, Qin Yu and the others could not help but shout excitedly!

No one had expected that Jiang he, who had entered the martial saint stage, would be so powerful!

Unlike Xu Huaigu, Jiang he's moves were extremely sharp and full of murderous intent.

As long as one touched it, one would either die or be injured!

In fact, Xu Huaigu was not inferior to Jiang he. It was just that the Great Dao that he followed always allowed him to hold back his moves!

Zeng Ji's primordial spirit was still trying to escape, but Jiang he waved his hand and instantly crushed Zeng Ji's primordial spirit!

Everyone could not help but feel ashamed.

Jiang he's methods were actually so cold and cruel?

Qin Yu in the room seemed to have noticed something as well.

Previously, Jiang he had long gone into seclusion. Qin Yu had witnessed his methods.

At that time, Jiang he definitely could not have done it so cleanly.

But now, without saying a word, he had crushed Zeng Ji's primordial spirit.

This was enough to prove that Jiang he had also found his own path!

The faces of all the martial saints present also became solemn.

One after another, they took a step back and looked at Jiang he in front of them with vigilance.

“He’s quite capable,” someone said in a low voice.

“Looks like we can’t hold back anymore. We must think of a way to kill him immediately.”

Gu Xinghe gave the order directly and shouted, “No matter what method we use, kill him!”

The seven martial saints shouted and revealed their trump cards one after another as they charged towards Jiang he!

Jiang he raised his palm and appeared extremely calm when facing the seven martial saints.

“Boom!”

The explosions outside continued. Jiang he was fighting against seven martial saints by himself. He was not at a disadvantage at all.

Jiang he’s palm carried rays of mysterious light. The moment he waved his hand, it seemed as if he had struck out dozens of palms!

Those palm prints were clearly afterimages left behind by his palm. However, as long as they came into contact with them, they would either kill or injure him!

What was even more shocking was that those afterimages could gather on his palm and erupt with incomparably terrifying power!

Relying on this pair of palms, Jiang he’s figure did not move at all, and he was in an invincible position!

“Bang!”

Just as everyone was shocked, Jiang he's figure suddenly disappeared.

Before everyone could recover from their shock, Jiang he had already arrived behind one person, and his qi palm smashed his opponent's head into pieces!

"What speed!" Everyone exclaimed.

Qin Yu, on the other hand, recognized this move!

This was the line formula of the nine secrets!

Jiang he had actually used it in battle!

That extremely fast speed was like a ghost, making people unable to grasp it!

Jiang he had used the line formula to the extreme. Relying on his graceful steps and sharp techniques, he had killed four martial saints in the blink of an eye!

Looking at the four people who had fallen to the ground, the Martial Saints present were also afraid.

They all retreated to the back of Gu Xinghe one after another. They all looked as if they had lost their will to fight.

Gu Xinghe's expression was also a little ugly.

Just as they were about to succeed, unexpectedly, Jiang he suddenly appeared out of nowhere. Moreover, he was so powerful!

"Lord Zhai Xing, we're counting on you!" A martial saint said.

Zhai Xing frowned slightly. He looked at Gu Xinghe as if he was waiting for Gu Xinghe's order..

Chapter 962: Chapter 962, different paths

Jiang he's strength had completely exceeded Zhai Xing's expectations.

At this moment, even Zhai Xing regretted not getting rid of Jiang he earlier.

“Hehe.” Finally, Gu Xinghe spoke.

He glanced at Jiang he in front of him and said indifferently, “The famous Jiang he really lives up to his reputation.”

Jiang he looked at Gu Xinghe and said, “Let's go. Don't set foot here in the future.”

Gu Xinghe narrowed his eyes. A moment later, he sneered and said, “Alright, I'll give you face today.”

This sentence immediately shocked everyone.

Gu Xinghe actually agreed to Jiang He's request ?

This did not suit his personality.

“Let's go.” Gu Xinghe turned around and planned to leave.

Zhai Xing furrowed his brows tightly. He took a deep look at Jiang he and followed behind Gu Xinghe down the mountain.

It was not until they descended the mountain that Zhai Xing could not help but ask, “Why don’t you let me take action?”

Gu Xinghe glanced at Zhai Xing and said, “Is there any use for you to take action now?”

Zhai Xing knew that this matter was caused by him, so he said with some guilt, “I will handle this matter.”

“There’s no need.” Gu Xinghe waved his hand and then sneered, “There’s no need for you to act.”

“What do you mean?” Zhai Xing asked in confusion.

Gu Xinghe sneered, “Someone will do it.”

Zhai Xing frowned. He suddenly raised his head and said in a low voice, “You mean... The Sky Blood Rainbow?”

“That’s right.” Gu Xinghe took a deep breath.

“I want to divert the trouble and let the Sky Blood Rainbow interfere in this matter.”

Speaking up to this point, Gu Xinghe did not forget to win over the hearts of the people.

He glanced at Zhai Xing and said, “Even if you can beat Jiang He, I’m afraid it will be very difficult. I don’t want to see anything happen to you.”

Zhai Xing, who had a pure nature, did not know what Gu Xinghe was thinking.

His eyes were a little touched, touched, and also a little guilty.

“Young Master Gu, I’m sorry...”Zhai Xing bowed and said.

Gu Xinghe could not help but sneer in his heart. He patted Zhai Xing’s shoulder and said, “Uncle Zhai Xing, you’re being too polite. Get in the car.”

Everyone left nine Pinnacles Mountain.

The mountain was already in a mess.

Qin Yu and the others ran out of the house. He rushed to Xu Huaigu and asked in a low voice, “Senior, how do you feel?”

Xu Huaigu waved his hand. He opened his mouth but couldn’t say anything.

“I’ll leave Xu Huaigu to you,”Jiang he said.

Qin Yu nodded and said, “Senior Jiang he, don’t worry.”

With that, Qin Yu carried Xu Huaigu on his back and walked into the room.

Xu Huaigu’s internal and external injuries had impacted his internal organs.

Qin Yu first sealed his mingmen and then prepared to refine pills.

He wrote a prescription and handed it to Zhuang Teng.

“Buy the medicine according to this prescription,”Qin Yu said.

Zhuang Teng quickly nodded. After he took the prescription, he planned to go down the mountain.

“I’ll go with you,” Chang Mang said in a deep voice.

Zhuang Teng agreed and the two of them rushed down the mountain.

“Don’t Tell Me Gu Xinghe and the others are lying in ambush at the foot of the mountain?” Yao Meng asked with a frown.

Hearing this, Qin Yu could not help but feel a little worried.

If they met Gu Xinghe, they were afraid that they would be doomed.

Everyone waited on the mountain. Fortunately, this trip was not dangerous. In the evening, the two of them rushed back.

“How is it? Nothing happened on the way, right?” Qin Yu asked.

Zhuang Teng shook his head and said, “No.”

Qin Yu grunted in gratitude. He didn’t say anything more. After taking the herbs, he began to refine pills.

He took out the pill cauldron, and a wisp of spiritual fire lit up in his palm.

The moment the flame fell, the herbs shrank in the pill cauldron.

Everyone surrounded the pill cauldron, seemingly quite interested.

Qin Yu spent most of the night refining three kinds of pills. They were the meridian-protecting pill, the nine Yang Pill, and the Jade Dew Pill.

These three kinds of pills were used to protect the vital meridians, and to treat internal and external injuries.

After feeding these three kinds of pills to Xu Huaigu, his breathing immediately became much more stable.

“Is that enough?” Yao Meng asked softly.

Qin Yu grunted and said, “I’m afraid that senior will need to rest for a period of time.”

Xu Huaigu nodded slightly and said, “Thank you.”

Qin Yu smiled bitterly and said, “I should be thanking you. Senior, tell me, if senior Jiang he doesn’t come, are you planning to self-destruct?”

Xu Huaigu didn’t answer, but his silence had already indicated his answer.

“Senior, your selflessness is admirable.” Qin Yu couldn’t help but cupped his hands to Xu Huaigu.

The others also bowed to Xu Huaigu.

Xu Huaigu waved his hand and said, “Maybe the path I’m taking is wrong.”

Everyone was speechless, as if they didn’t understand what Xu Huaigu meant.

However, Qin Yu understood what Xu Huaigu was thinking.

After this battle, Xu Huaigu probably regretted the path he had chosen.

If he was like Jiang he, and every move was decisive and decisive, why would he have to walk the path of self-destruction ?

“Senior, rest well.”Qin Yu bowed to Xu Huaigu.

“I’ll stay and take care of senior Xu,”Yao Meng said.

Qin Yu grunted and said, “Thank you for your hard work.”

After walking out of the room, Qin Yu glanced at everyone and said, “Everyone, rest early.”

“Okay.”They all nodded.

After everyone left, Qin Yu was silent for a moment. Then, he followed Jiang he’s internal Qi and walked into a certain room.

Jiang he seemed to have expected Qin Yu to come. When Qin Yu opened the door, he was sitting quietly in front of the table and making a pot of tea.

“Senior Jiang He.”Qin Yu walked forward and leaned forward slightly.

Jiang he nodded and poured a cup of tea for Qin Yu.

“Senior, when did you enter the Martial Saint Stage ?”Qin Yu asked with some doubt.

Jiang he said, “Three days ago.”

Qin Yu was silent for a moment before he said, “Senior, you also comprehended your own dao techniques before you entered the Martial Saint Stage, right ?”

This surprised Jiang he.

“You actually know how to comprehend dao techniques. I spent more than a month to understand this principle.” Jiang he shook his head slowly.

“No wonder Ji Yuhong thinks so highly of you.”

Qin Yu smiled bitterly and said, “I only understood this principle when I was discussing dao with senior Xu Huaigu. It’s just that... I haven’t been able to find my own dao. I wonder if senior can give me some pointers..”

Chapter 963: Chapter 963, Gu Xinghe’s treacherous scheme

Qin Yu looked at Jiang he eagerly, his eyes filled with anticipation.

However, Jiang he shook his head and said, “Since you already know how to comprehend the DAO, you should understand that only by comprehending your own path can you become a martial saint.”

“Moreover, only you know your own path.”

Qin Yu was speechless.

That’s right, even he himself did not understand his own path, what more others?

“I understand.” Qin Yu nodded slightly.

“Comprehending Dao techniques is not a short process. Many people may spend decades or even a lifetime,” Jiang he said.

“Martial saints are like a fork in the road that decides which direction you want to go.”

Qin Yu stood up and nodded, “Yes, thank you for your guidance, Senior.”

After he finished speaking, Qin Yu left.

In the next few days.

Besides refining pills for Xu Huaigu, Qin Yu was also looking for his own path.

The news of Jiang he stepping into the martial saint realm also spread quickly.

This was like a heart-strengthening drug, causing everyone to heave a sigh of relief.

When the news of the battle at the nine Pinnacles Mountain spread out, everyone became even more excited!

“This is enough to prove that the martial saints who have emerged from the current era are even more powerful than the old martial saints in their secret realm!”

“As long as someone steps into the martial saint realm, he or she will be able to fight against ten of them alone!”

“I wonder who will be the next person to step into the Martial Saint Realm!”

While everyone was excited, Gu Xinghe came to the immortal slaying sect.

The immortal slaying sect looked extremely weak and was different from the top sects in their impression.

Besides the white bone army, there was only Tian Xuehong here.

“Why? Are You Looking for me?” Looking at Gu Xinghe who suddenly came to visit, Tian Xuehong opened his eyes slightly.

Gu Xinghe sat opposite Tian Xuehong. He played with a bead in front of him and said indifferently, “Don’t you want to devour a warrior’s spiritual sense? I have a good place to go.”

“Nine Pinnacles Mountain?” Tian Xuehong said with a faint smile.

Gu Xinghe was stunned and asked, “How do you know?”

Tian xuehong sneered, “Gu Xinghe, you want to use me as a spear? Do you think you are qualified?”

Gu Xinghe’s brows immediately furrowed tightly.

“Why? Are You Afraid?” Gu Xinghe raised his brows and asked.

Tian xuehong asked back, “If you aren’t afraid, Why don’t you go?”

“I don’t have your Skeleton Army. If you’re willing to lend me your skeleton army, I’ll flatten nine Pinnacles Mountain Tomorrow!” Gu Xinghe said coldly.

“Don’t Tell Me Your Skeleton Army is afraid of Jiang he?”

Tian xuehong snorted and said, “Jiang he is nothing in front of my skeleton army, but I won’t go to nine Pinnacles Mountain.”

“Why?” Gu Xinghe frowned.

Tian Xuehong said indifferently, “Because there’s no need. I have already found the top-notch cultivation method of the immortal slaying sect.”

“Top-notch cultivation method? What is that?” Gu Xinghe continued to ask.

However, Tian Xuehong closed his eyes and seemed unwilling to answer this question.

Gu Xinghe did not ask for trouble. He snorted lightly and turned to leave.

After getting into the car, Long Mei asked, “Young Master Gu, How is it?”

Gu Xinghe snorted coldly, “This is more cowardly. It seems that his army of white bones is just an empty title!”

Long Mei said in a deep voice, “Then what should we do?”

Gu Xinghe narrowed his eyes and said, “There are some things that he can not do just because he doesn’t want to!”

“Since he doesn’t want to do it, then I will force him to do it!”

After he finished speaking, Gu Xinghe waved his hand and said, “Let’s start the car.”

In the immortal slaying sect, Tian Xuehong slowly opened his eyes.

With a wave of his hand, thirteen white bones appeared in front of him!

Each of these thirteen white bones had the ability to tear a martial saint apart!

Looking at the thirteen white bones in front of him, the smile on Tian Xuehong's face became even wider.

He raised his hand, and the bodies of these thirteen white bones began to emit rays of light.

The light entered the center of Tian Xuehong's brows, and a relaxed expression appeared on his face.

A moment later, the corner of Tian Xuehong's mouth curled up into a cold smile.

“Back then, the immortal slaying sect used a secret technique to absorb the spiritual senses of tens of thousands of warriors and formed the Supreme Sect!”

“Today, I will imitate the Ancients and use a secret technique to form my supreme true body and step into the peak once again!” Tian Xuehong said with a heroic expression!

The reason why he didn't need to step on the nine pinnacles mountain was because he had found the secret technique of the immortal slaying sect!

As long as he successfully laid down this secret technique, he could absorb the spiritual sense of martial artists on a large scale to become himself!

“Just you wait. All of you will become a part of my body!” Tian Xuehong grinned and revealed a cruel smile.

...

The nine pinnacles mountain was peaceful.

Many people followed behind Jiang he and learned spells from him.

Qin Yu was an exception. The spells he mastered were no less than Jiang he's, so he didn't need to learn.

Qin Yu spent most of his time looking for his own path of cultivation.

But every time Qin Yu closed his eyes, hundreds of paths appeared in front of him.

Every path was waving at Qin Yu.

Even Qin Yu himself could not figure out which path to take.

In just a few days, Qin Yu had become thinner.

Not only that, these few days, Qin Yu's mouth kept bleeding from time to time.

The wound on the golden core in his body seemed to have expanded again.

"I'm really worried..."Qin Yu muttered in a low voice.

"After I find my own path, maybe I should go look for the heavenly vanilla,"Qin Yu thought to himself.

...

Jingdu martial arts association.

There was a person standing in Gu Xinghe's office.

This person was exuding an eerie internal QI, and his body was wrapped in a black robe.

This person was none other than he teng!

“Young Master Gu, Why are you looking for me...”he teng became more and more sinister, making people shudder. Even Gu Xinghe felt a bit uncomfortable.

He frowned and said, “I want you to kill someone, but the scene of the murder must be made to look like Gu Xinghe did it.”

“In other words, I want you to absorb spiritual sense. Can you do it?”

He teng grinned and said, “For me... It’s easy. You just need to tell me who to kill...”

Gu Xinghe took out a document and threw it to he teng.

The document was filled with people’s names.

When he saw the names clearly, he Teng’s lips curled into a cold smile.

“So many people... Jingdu martial arts association, are they so bold now...”He Teng said darkly.

Gu Xinghe said with a gloomy face, “It’s not that Jingdu martial arts association is bold, it’s that tianxue Hong is bold.”

He Teng said with a faint smile, “I understand. I’ll do it tonight...”

Chapter 964: Chapter 964, extermination

He Teng took the document, turned around, and walked out of the office.

As soon as he walked out, he bumped into Zhai Xing.

Zhai Xing had a very bad impression of He Teng. When he saw the document in his hand, he immediately said with a sullen face, “Bring it over for me to see.”

He Teng originally wanted to refuse, but the oppressive feeling that Zhai Xing gave off made him have no choice but to comply.

Looking at the list of names on the document, Zhai Xing’s expression became even more unsightly.

He returned the document to he teng, then quickly walked into the office.

“Young master Gu, You... you want to make a move against the Jingdu aristocratic families ?”Zhai Xing asked with an extremely unsightly expression.

Gu Xinghe lightly snorted, “Yes, they have no respect for the Jingdu Martial Arts Association at all. I have to do something.”

“But... isn’t exterminating a family too cruel ?”Zhai Xing said in a low voice.

Gu Xinghe sneered, “Cruel ? I don’t think so. Besides, this was done by the Heavenly Blood Rainbow, not me !”

“What you did is no different from what the Heavenly Blood Rainbow did. Can’t those aristocratic families guess your relationship with the Heavenly Blood Rainbow ? !”Zhai Xing shouted.

Gu Xinghe sneered, “That’s what I Want! If they can’t guess that it has something to do with me, then what’s the point of me doing all this? How can I Make Them Afraid of Me?”

“This way, I can make tianxue Hong take the blame and Make Them Afraid of me. Killing two birds with one stone!”

Zhai Xing was dumbfounded.

He looked at the Gu Xinghe in front of him, whom he had grown up with, and felt a little unfamiliar.

Such ruthlessness made Zhai Xing feel a little sorry for him.

“Alright, you don’t have to ask what you shouldn’t ask,”Gu Xinghe said with a sullen face.

Zhai Xing gritted his teeth, and in the end, he could only bear the pain and sigh.

...

The next day.

Qin Yu strolled on the nine pinnacles mountain every day.

He sometimes walked to the top of the mountain, and sometimes to the foot of the mountain. All he could think about was his own dao techniques.

Just as he walked to the top of the mountain, he suddenly heard a cry from the room.

Hearing the cry, Qin Yu rushed into the room.

As soon as he entered, he saw Zhuang Teng's face was full of anger, and his face was full of tears.

He grabbed the Taihe sword and was about to rush down the mountain as if he had gone mad.

Yao Meng and the others held onto Zhuang Teng tightly and kept advising him, "Zhuang Teng, calm down!"

Zhuang teng screamed, "How can I calm down! I'm going to kill Tian Xuehong, I'm going to kill him! ! !"

Qin Yu rushed forward and frowned, "What's going on? What Happened?"

Kong Yun handed Qin Yu his phone.

On the phone, there was an extremely bloody picture with a shocking title:

Late Last Night, the Zhuang family was exterminated. Currently, it was speculated that it was done by the Heavenly Blood Rainbow.

In the picture, dozens of people from the Zhuang family were lying in a pool of blood.

Their bodies looked almost shriveled, and their spiritual senses were drawn out. It indeed looked like it was done by the Heavenly Blood Rainbow.

Looking at this picture, Qin Yu's heart suddenly pounded, and his expression became even more unsightly.

“How could this be...”Qin Yu muttered softly and looked at Zhuang Teng with heartache.

Zhuang Teng was an extremely hospitable person, and he had an extremely close relationship with his family.

Now that his entire family had been wiped out, how could he not be angry!

“Sob, SOB, sob...”

Zhuang Teng covered his face and knelt on the ground.

The hand that was holding the Taihe sword also unconsciously loosened.

“If it weren’t for me taking the Taihe sword away, they wouldn’t have died... They would definitely be able to protect themselves. It’s all my fault, it’s All My Fault...”Zhuang Teng collapsed on the ground, tears streaming down his face.

Qin Yu was even more upset. Waves of uncontrollable killing intent filled his heart!

Zhuang Teng had taken out the Taihe Sword in order to save himself.

Now that such a thing had happened, Qin Yu was naturally responsible as well.

“Please let me go. I’m begging you. I want to go home... I want to kill Tian Xuehong...”Zhuang Teng kept sobbing, looking extremely pitiful.

“Even if you go down the mountain now, can you kill Tian Xuehong?”The people around could not help but sigh.

“We understand your feelings, but isn’t their goal to make us go down the mountain?”

Zhuang Teng raised his head and said in pain, “I want to go down the mountain to collect my parents’ bodies. is that not possible?”

“I’m the only one left in the Zhuang family. If I don’t go back, their bodies will definitely be lying in the wilderness...”

Hearing this, everyone was speechless.

“I’ll go down the mountain with you.”

At this moment, Qin Yu took a deep breath and said in a deep voice.

Hearing this, everyone immediately frowned.

“Qin Yu, why are you also making a fuss? You were their target to begin with. If you go down the mountain, they will not let you off!” Yao Meng said.

Qin Yu shook his head. He looked at everyone and said, “If this was really done by the Heavenly Blood Rainbow, then the Zhuang family will not be the only one.”

“Only when someone goes down the mountain can we quell this disaster. And that person can only be me,” Qin Yu said.

“I’ll go with you!” Chang Mang said hurriedly.

Qin Yu shook his head and said, “There’s no need. One more person and one less person. It doesn’t make much sense.”

Then, Qin Yu looked at Zhuang Teng. He bent down and said, “Zhuang Teng, I’ll bring their corpses back to you.”

Zhuang Teng grabbed his hair and said in pain, “Okay, okay...”

Qin Yu said goodbye to everyone, then turned around and prepared to go down the mountain.

“Wait...”

At this moment, Zhuang Teng suddenly called out to Qin Yu.

He handed the Taihe Sword to Qin Yu and said in a trembling voice, “If you can kill Tian Xuehong, I hope... I hope you can use this sword to kill him...”

Qin Yu could not help but be stunned. Then, he pushed the sword back.

“Zhuang Teng, I hope you can take revenge on your own.” Qin Yu took a deep breath.

“If you can’t do it, I will help you do it.”

“No matter what, I will let you kill Tian Xuehong with your own hands!”

Zhuang Teng was stunned. He looked at Qin Yu in a daze and tears flowed out again.

“Good, good...” Zhuang Teng clenched his teeth.

Qin Yu did not say anything more. He turned around and walked down the mountain.

At this moment, other than feeling heartache, there was also a hidden anger in the depths of Qin Yu's heart.

The anger was like a ferocious beast being locked in a cage, and this cage seemed to be about to be broken through..

Chapter 965: Chapter 965, my own path

After Qin Yu came down from the nine Pinnacles Mountain, he rushed straight to the Zhuang family.

At this moment, the vicinity of the Zhuang family had already been isolated. Without permission, no one was allowed to come near.

When Qin Yu arrived at the Zhuang family, his expression immediately became a little ugly.

The Zhuang family, which had once enjoyed life day and night, was now in a state of decline.

Even though they were very far away, Qin Yu could smell the faint yin qi that was emitted from the manor.

Qin Yu took a deep breath, his figure flashed explosively, and he stepped into the manor.

On the ground, there were corpses one after another. These corpses were so tragic that anyone who saw them would find it hard to accept.

Looking at the surrounding scene, Qin Yu's expression became increasingly gloomy.

“F * ck... Sky Blood Rainbow...”Qin Yu’s eyes were bloodshot and filled with fury!

He bent down and picked up a corpse, preparing to put it into the spatial artifact.

However, the moment he picked up the corpse, Qin Yu couldn’t help but frown slightly.

Although these corpses had their divine senses absorbed, they were somewhat different from Sky Blood Rainbow’s methods.

Qin Yu had seen with his own eyes sky blood rainbow’s methods. The evil ghosts he summoned would directly extract a person’s divine sense.

And the corpses in front of him seemed to have forcefully taken away a person’s spiritual sense after killing them.

“I seem to have seen this method before...”Qin Yu muttered in a low voice.

At this moment, Qin Yu’s pupils suddenly constricted as he thought of a person!

He Teng!

This method was extremely similar to He Teng’s methods!

“Could it be... He Teng did it!”Qin Yu’s expression became even colder.

Before Qin Yu could think, he felt someone approaching.

Qin Yu didn’t dare to waste any more time. He quickly put away the corpses and turned around to leave.

Not long after Qin Yu left, Gu Xinghe rushed over.

Looking at the corpses that were taken away, Gu Xinghe couldn't help but curse.

"I miscalculated!" Gu Xinghe gritted his teeth, his face getting gloomier and gloomier.

"I knew it. Someone must have taken the body away, and that person is most likely Qin Yu!"

Zhai Xing sniffed his internal qi and nodded, "It is indeed Qin Yu."

"Damn it!" This made Gu Xinghe even angrier!

He punched the wall hard and couldn't help but curse, "If I knew this would happen, I wouldn't have let the Heavenly Blood Rainbow take the blame!"

"What do you mean?" Zhai Xing frowned.

Before Gu Xinghe could say anything, the long-browed man beside him snorted, "Of course, I'll let Qin Yu take the blame. Master Zhai Xing, did your cultivation damage your brain?"

Zhai Xing didn't say anything and stood there silently.

Gu Xinghe narrowed his eyes and sneered, "It seems that Qin Yu has already left the mountain."

"Do you want me to take action?" Zhai Xing asked.

Gu Xinghe waved his hand and said, “No! I want to use Qin Yu’s hand to get rid of these traitors!”

Ever since the appearance of the Mystic Realm Warriors, the Warriors of the current world had become increasingly dissatisfied with the Jingdu Martial Arts Association.

On the surface, Gu Xinghe did not care at all, but in reality, he had long remembered all these people in his heart.

The Kong family, Yao family, Chu family, and so on all began to oppose the JINGDU martial arts association!

“As far as I know, Qin Yu seems to have mastered a technique called the heaven swallowing technique,” Gu Xinghe sneered.

“This kind of technique can absorb people’s inner strength for its own use, and he has used it many times in public.”

Long Mei suddenly came to a realization, cupped his hands and said, “Young Master GU is wise!”

Gu Xinghe sneered, “Qin Yu, not only do I want you to die, I also want you to die unjustly!”

Thus, Gu Xinghe turned around and returned to his office.

He found he teng again and told him his thoughts.

After he teng heard it, his eyes could not help but light up.

“Young master Gu, this is exactly what I want...” he teng licked his lips and said.

“I was just about to absorb all these people. Thank you, Young Master Gu...”

Gu Xinghe waved his hand and said, “Go. Remember, you have to come one by one and slowly cause panic, understand?”

“Don’t worry, I know this kind of thing...”he teng licked his lips and turned around to leave.

Zhai Xing couldn’t bear it and said, “Do you really want to kill so many people?”

“These people went against my will. They deserve to die!”Gu Xinghe shouted.

Zhai Xing sighed and thought to himself, “Young Master Gu, I’m afraid you’ve Lost Your Mind. If this continues, you’ll never be able to step into the martial saint realm...”

...

On the other side.

Qin Yu brought these corpses back to the nine Pinnacles Mountain.

The moment he saw the corpses, Zhuang Teng immediately burst into tears.

He knelt in front of these corpses that were no longer in human form and cried so many times that he lost his voice.

Everyone saw it and felt pain in their hearts.

“I’m sorry for your loss...”Yao Meng walked forward and comforted him softly.

Qin Yu, who was standing at the side, quietly waited for Zhuang Teng.

After an unknown amount of time, Zhuang Teng’s emotions gradually calmed down.

“Sky Blood Rainbow... I will definitely not let you off!”Zhuang Teng clenched his fists, his eyes almost spitting fire.

At this moment, Qin Yu said in a deep voice, “This matter... may not be done by Sky Blood Rainbow.”

“HMM?”Hearing this, everyone looked at Qin Yu in unison.

Qin Yu immediately explained the technique of Sky Blood Rainbow and the traces left on the corpses.

“I’ve seen the technique of the Sky Blood Rainbow with my own eyes. This definitely wasn’t done by the Sky Blood Rainbow,”Qin Yu said with a sullen face.

“If it wasn’t him, who else could it be?”Yao Meng said with a frown.

Qin Yu took a deep breath and said, “He teng, this is exactly the same as he Teng’s technique.”

“He Teng? Is he the former number one person of the Central Plains?”Kong Yun exclaimed.

Qin Yu grunted and said, “This person is now working for the Jingdu Martial Arts Association. I’m guessing that this was probably done by the Jingdu Martial Arts Association.”

“Jingdu Martial Arts Association!”

Hearing this, everyone’s eyes instantly widened!

“It can’t be. Although the Jingdu martial arts association is disgusting, it wouldn’t do such a vicious thing,” Chu Heng said from the side.

Qin Yu shook his head and said with a bitter smile, “If it was Granny Qin who controlled the Jingdu Martial Arts Association, perhaps she wouldn’t do such a thing. But now the person is Gu Xinghe. Gu Xinghe is already crazy.”

“Of course, this is just my guess.” Then, Qin Yu waved his hand again.

Everyone immediately fell into silence, as if they were thinking about this matter.

“I won’t accompany you guys anymore. I’m going down the mountain.” Qin Yu took a deep breath.

“I’ve already brought back the corpse. Why are you still going down the mountain?” Yao Meng asked.

Qin Yu narrowed his eyes and said, “I’ve gradually found my own path.”

“In other words, I’ve already found the path to become a martial saint..”

Chapter 966: Chapter 966, training the spiritual sense

After hearing Qin Yu’s words, everyone could not help but feel a little surprised. At the same time, they also felt a trace of pressure.

It was extremely difficult to step into the martial saint realm. In the current era, there was not a single young person who had stepped into the martial saint realm.

“Alright, I Won’t talk to you guys anymore. I’m going down the mountain.”Qin Yu waved his hand.

Immediately after, Qin Yu turned around and left the nine pinnacles mountain.

After going down the mountain, Qin Yu returned to Jingdu once again.

He wore a set of sportswear and a hat on his head. He had also restrained his internal Qi to the extreme.

“If this matter was really done by the Jingdu Martial Arts Association, then this is probably just the beginning,”Qin Yu said in a deep voice.

However, with Qin Yu’s current ability, he had no time to care about anything else.

Qin Yu might still have the strength to fight against a martial saint. However, once a second martial saint appeared, Qin Yu would most likely only have the qualifications to run away.

“Pu!”

At this moment, Qin Yu spat out another mouthful of blood from his mouth, and his face instantly turned a few shades paler.

“This won’t do... If this continues, I’m afraid my golden core will be crippled sooner or later.”Qin Yu’s face could not help but be filled with worry.

If he could not resolve the dao injury of his golden core, then it was probably impossible for him to step into the martial saint realm.

Qin Yu wiped the blood at the corner of his mouth and temporarily threw this matter to the back of his mind.

For the entire day, Qin Yu did not leave Jingdu.

He hid in the dark and secretly observed the movements of the various great mystery realms.

Some of the disciples in this mystery realm had already begun to attempt to become martial saints, but most of them were flaunting their might in the martial arts academy.

At night.

Qin Yu found a place to temporarily stay.

He threw a few spiritual stones into the spatial divine artifact and then extended a thread of spiritual sense into the spatial divine artifact.

After stepping into the spatial artifact, the few spirit stones disappeared without a trace.

“This old thing doesn’t think it’s shabby,”Qin Yu thought to himself.

He quickly walked to the vicinity of the Abyss and sat down. Then, he said with a strange tone, “He’s already so old, and he’s still a thief. He’s really F * cking Shameless.”

A sound came from the bottom of the abyss. “Little Bastard, who are you talking about?”

Qin Yu snorted, “Who knows? I don’t know which shameless person ate my spirit stones.”

“It’s just a few spirit stones, yet you want to be so weird. If this was a thousand years ago, I wouldn’t want it even if you gave it to me.”The light snorted coldly.

Qin Yu mocked, “Is that so? I still have more than a thousand spirit stones here. I wanted to give it to you, but if that’s the case, then forget it.”

After he finished speaking, Qin Yu turned around and was about to leave.

At this moment, there was another movement from the bottom of the abyss.

“If you give me all these spiritual stones, I might be able to try to escape from this abyss,”the other party said.

Qin Yu stopped in his tracks.

He turned around and was silent for a moment. Then, he asked, “Are you serious?”

“More or less. However, if you want to recover to Your Peak, I’m afraid you’ll need tens of thousands of spiritual stones,”he continued to say.

Qin Yu touched his chin and said, “What kind of realm can those thousand spiritual stones allow you to recover to? A martial marquis? Or a martial saint?”

“It shouldn’t be a problem for you to recover to the peak of the Martial Saint Realm.”He said.

When he said this, he paused for a moment and said somewhat seductively, “If I get out of this abyss, I can lend you my power temporarily.”

Qin Yu didn't say anything for a long time.

This old thing was obviously not as gullible as the Earth Fiend Valley's patriarch back then.

If he wanted to buy his power for free, it was probably not that simple.

I have to think of a way to restrain him, Qin Yu thought to himself.

Thinking of this, Qin Yu immediately left this spatial god tool.

After returning to his original body, Qin Yu took out a few more spirit stones and threw them into the spatial god tool.

After doing all this, Qin Yu once again came to the vicinity of the abyss.

“How was it? Did you enjoy your meal?” Qin Yu asked with a smile.

“What the F * ck are you feeding at the zoo? Do you think I'm a Monkey?” The voice from below the Abyss couldn't help but contain some anger.

Qin Yu rolled his eyes and said, “Just say whether you want it or not. If you don't, then forget it.”

The other party sneered and said, “Kid, do you really think I care about a few mere spirit stones? I've lived for so many years, what kind of treasure haven't I seen?”

“If you treat me like a monkey again, I’ll tear you apart!”His voice contained a cold killing intent.

Qin Yu mocked, “Let’s talk about it after you can come up.”

“Hehe, with your weak spiritual sense, I can raise my hand and turn you into ashes... to Oblivion! !”

With that last word, he suddenly increased the volume of his voice!

That terrifying vibration directly made Qin Yu’s spiritual sense dim a few times!

And Qin Yu’s main body suddenly spat out a mouthful of blood!

This instantly caused Qin Yu’s expression to change greatly!

He didn’t expect that a furious roar would be able to injure his spiritual sense!

“Such a weak spiritual sense, yet you dare to strut around in front of me?”He sneered.

Qin Yu forcefully endured the pain brought by the spiritual sense and once again walked to the vicinity of the abyss.

He pondered for a moment, then sat on the ground and said, “Your realm is higher than mine, so your spiritual sense is naturally stronger than mine. What’s there to brag about?”

“Even if my realm is weaker than yours, my spiritual sense is still stronger than yours,”he mocked.

Qin Yu rubbed his chin and said tentatively, “In that case, can the power of spiritual sense be trained?”

“Isn’t that nonsense?”The other party snorted coldly.

Qin Yu rubbed his chin and said somewhat deliberately, “So what if the power of spiritual sense is strong? It’s useless. As long as the realm is strong enough, it’s enough.”

“Hehe.”The bottom of the Abyss couldn’t help but laugh.

“People like you, who don’t have much experience, will naturally think so.”

“If your spiritual sense is strong enough, it will be able to surprise you! If you meet someone with a strong spiritual sense, I’m afraid you won’t even know how you died!”

Hearing this, Qin Yu suddenly understood.

He immediately nodded and said, “Thank you. When my spiritual sense is strong enough, I’ll look for You Again!”

After saying this, Qin Yu directly left the spatial artifact.

After returning to his original body, Qin Yu could still feel the damage that the furious roar had caused to his divine sense.

He rubbed his eyes, feeling that his vision had turned black, and his head was dizzy.

“Damn, it seems like it’s not that easy to ask for his help,”Qin Yu said in a low voice.

“I have to think of a way to tame him,”Qin Yu thought to himself.

It would probably be a long process, but Qin Yu was not in a hurry. After all, the spatial artifact was in his hands.

Then, Qin Yu closed his eyes slightly and tried to train his spiritual sense.

In his mind, a little golden man was sitting cross-legged.

This little golden man was Qin Yu's spiritual sense.

He tried to force his spiritual sense out of his glabella, and then tried to materialize his spiritual sense to take the spirit stone in front of him.

Unfortunately, Qin Yu's spiritual sense was too weak. He couldn't even pick up a single piece of spiritual sense.

"It's said that if the spiritual sense is strong enough, it can move the body. But now, I can't even pick up a single spirit stone." Qin Yu couldn't help but sigh.

Then, Qin Yu sent his spiritual sense into the spatial divine tool and tried to move the herbs in it.

Throughout the whole night, Qin Yu's spiritual sense had improved so much that it was almost negligible.

"It seems that I can't rely on this method anymore," Qin Yu thought to himself.

At this moment, Qin Yu couldn't help but look at the abyss.

His eyes slightly throbbed, as if he was struggling with something.

“Damn it, I don’t care anymore!”Qin Yu gritted his teeth. He looked at the Abyss and suddenly jumped down..

Chapter 967: Chapter 967, the ritual of the Sky Blood Rainbow

Qin Yu’s divine sense was rapidly descending towards the abyss below!

The Abyss seemed to have some sort of attraction as it was about to devour Qin Yu’s divine sense!

“Hahaha, Kid, you actually took the initiative to send yourself to death. Then I won’t be polite!”The light shouted loudly.

The light below the Abyss actually transformed into a bloody mouth!

Looking at the mouth, it was a shocking sight!

Qin Yu’s expression could not help but change drastically! He hurriedly controlled his divine sense, trying to stop the rapid descent.

However, the power of the mouth was too great. Qin Yu’s divine sense was not even worth mentioning in front of it!

“Hahahaha, your divine sense is mine!”The light burst into waves of excited laughter!

Just as Qin Yu’s spiritual sense was about to fall into that big mouth, it disappeared into thin air!

Qin Yu’s main body suddenly opened his eyes, and a trace of sweat dripped down his forehead.

“Damn, that was close! I was almost swallowed by him,”Qin Yu muttered.

He wiped the sweat off his forehead, rubbed his chin, and said, “But this is a good method...”

In any case, Qin Yu could withdraw his divine sense back to his main body at any time. As long as he saw that things were not going well, he could quickly withdraw his divine sense.

Thus, Qin Yu returned to the space artifact again.

He stood on the mouth of the Abyss and jumped down again.

This time, the light still opened its bloody mouth, trying to Swallow Qin Yu.

But at the critical moment, Qin Yu withdrew his divine sense back to his main body.

He went back and forth five times.

The light under the Abyss could no longer hold it in.

He cursed loudly, “Little Bastard, you dare to trick me!”

Qin Yu grinned and said, “Are you angry just like that? You should be happy that I asked you to help me train my divine sense.”

“Happy the F * ck! Kid, if I can leave this abyss one day, I will definitely tear you into pieces!”The Deep Abyss roared furiously!

“We’ll talk about it when you come out.”Qin Yu stretched lazily.

“F * ck, I played with a fool like you all night. I’m a little tired. I’m going to sleep,”Qin Yu muttered.

After saying this, Qin Yu pulled his spiritual sense back to his original body. Then, he lay on the bed and fell into a deep sleep.

However, Jingdu was not peaceful that night.

After he teng received Gu Xinghe’s orders, his actions became even more unscrupulous.

In just one night, several warriors had died at He Teng’s hands!

Their inner strength had been completely absorbed by He Teng, and they fell to the ground like dry corpses.

This method was exactly the same as Qin Yu’s heaven swallowing technique.

The next day, the news of these corpses spread, but it didn’t cause too much of a stir.

This was exactly Gu Xinghe’s plan.

He wanted to let the matter slowly ferment and let him guide it, so that everyone would gradually suspect Qin Yu.

In the office.

Gu Xinghe had a cigarette in his mouth. Combined with the expression on his face, he looked extremely vicious.

“Young Master Gu, Why didn’t you just let he teng kill people on a large scale and then directly suspect Qin Yu?”Long Mei asked, puzzled.

Gu Xinghe glanced at him and snorted coldly, “A fool like you, of course you can’t think clearly.”

“The current Qin Yu is extremely popular among the martial artists. If he’s too direct, do you think anyone will believe him?”

“I want them to guess in their own Panic! At the same time, I will send a martial saint to chase after Qin Yu and not give him any chance to defend himself!”

When Long Mei heard this, he could not help but appear a little surprised.

Even he did not expect that Gu Xinghe, who had always stayed in the second mystery dimension, would have such a meticulous and vicious mind.

“One must not be a man without poison. Those who achieve great things must be ruthless.” Gu Xinghe had already regarded this as his life’s principle.

...

On the other side, Qin Yu continued to train as usual.

He kept sinking his spiritual sense into the abyss and tried to break free himself.

As long as he was about to touch that Ray of light, Qin Yu would quickly pull back his spiritual sense.

The probing at the edge of death had allowed Qin Yu to improve extremely quickly. Moreover, his state of mind had also improved rapidly.

“At this rate, I’m afraid I will be able to step into the martial saint stage very soon.”Qin Yu thought to himself.

He could clearly feel that his state of mind was completely enough to step into the martial saint stage.

However, he was still not clear about the choice of path.

If he could break through to the martial saint realm, then the path of cultivation in the future would become incomparably smooth and smooth.

For a few days in a row, Qin Yu kept probing in the abyss.

In the end, the light in the Abyss even began to ignore Qin Yu.

Even if Qin Yu landed at the bottom of the Abyss and stood by his side, he could not be bothered to pay attention to him.

“TSK TSK, so this is what you look like.”Qin Yu stood by the side of the light and kept sizing it up.

“Little Bastard, you’d better not go too far,”the light said coldly.

Qin Yu grinned and said, “Why don’t you just obey me and lend me your divine sense. When the time comes, I’ll find you a powerful body.”

“Hehe, I’m not interested in anything else except your body,”the other party replied.

Qin Yu snorted and said, “Then let’s waste our time.”

In the following days, Qin Yu not only trained every day, but also gave this light a spirit stone.

As time went by, Qin Yu's spiritual sense became more and more powerful. He could now move the spirit stone with his spiritual sense.

At the same time.

In the immortal slaying sect in the northwest, Tian Xuehong had woken up.

In front of him stood dozens of white bones!

Each of the white bones contained an even stronger power than before!

Their bodies were emitting rays of dark light, as if they were hiding some mysterious and unfathomable power.

Tian Xuehong narrowed his eyes slightly, and a trace of madness appeared on his face!

"I've succeeded, I've finally succeeded!" Tian Xuehong was so excited that he almost roared!

"As long as I activate the ritual, I can absorb the spiritual consciousness of most people for my use

"At that time, I will be invincible in the world! hahahaha!"

Tian Xuehong's laughter reverberated in the immortal slaying sect for a long time!

A moment later, Tian Xuehong slowly stood up.

He said coldly, "Go to the Jingdu Martial Arts Association now, activate the ritual, and absorb the spiritual sense!"

Chapter 968: Chapter 968, the clash of spiritual senses

The Sky Blood Rainbow planned out a large area of land.

This area of land had the most warriors.

He spent several days to set up a formation around this area of land.

And this formation was the top technique of the immortal slaying sect, a technique that could absorb people's spiritual senses!

Back then, the immortal slaying sect had relied on this technique to carry forward their sect and become the number one sect in the world!

Now, Tian Xuehong was going to use the same trick again, intending to absorb the spiritual sense of others for his own use!

Near the Jingdu Martial Arts Association, there was a huge empty space.

This empty space was called the martial arts discussion hall, and it was once used by the Jingdu Martial Arts Association as a place for all the martial artists in the world to compete.

And ever since Granny Qin died, the martial arts discussion hall had been completely abandoned. It had been a long time since anyone had used it.

Today, Tian Xuehong stood near the martial arts school, planning to use the land again.

He looked at Gu Xinghe beside him and said indifferently, "I want you to issue an announcement to invite all the martial artists in the world to come over for a gathering."

Gu Xinghe frowned slightly and said with a cold face, “Are you ordering me?”

Tian Xuehong’s pupils suddenly emitted a dark red color!

He suddenly stretched out his hand and grabbed Gu Xinghe’s neck, lifting him up into the air.

“You can understand it this way,” Tian Xuehong said coldly.

The two martial saints beside Gu Xinghe hurriedly moved forward, trying to make a move.

But at this moment, two white bones blocked in front of him!

“If you don’t want to die, then get lost to the side,” Tian Xuehong said coldly.

The two martial saints’ expressions instantly changed, and they could not help but retreat.

Soon after, Tian Xuehong released Gu Xinghe and said with his hands behind his back, “Go, do as I say.”

Gu Xinghe gritted his teeth. Tian Xuehong’s attitude was getting more and more arrogant, and Gu Xinghe could no longer sit on the same level as him.

This also reminded Gu Xinghe of what Zhai Xing had said.

“Can I know what you want to Do?” Gu Xinghe said with a sullen face.

Tian Xuehong said indifferently, “You don’t have the right to know.”

Gu Xinghe's pupils constricted again!

Although he wanted to get angry, he forcefully suppressed it when he saw the white bones beside Tian Xuehong.

Then, Gu Xinghe turned around and left. He unwillingly followed Tian Xuehong's request and sent out the invitation.

Once the invitation was sent out, many martial artists received the news.

The time was set for three days later. Although he didn't say what it was, Gu Xinghe exaggerated the importance of this matter in his statement.

When many martial artists heard this, they all planned to come and participate.

Qin Yu, who was sitting in the hotel, naturally saw this news.

"A talk at the Martial Arts Hall? Martial artists of the World?" Qin Yu frowned slightly.

He touched his chin and muttered, "What is this Gu Xinghe up to this time?"

Looking at the guesses of the people on the martial arts forum, Qin Yu frowned more and more.

His intuition told him that this matter was not that simple.

"To be safe, it's best to tame that guy under the Abyss in these three days," Qin Yu thought to himself.

During this period of time, Qin Yu's spiritual sense had increased explosively, and he already had the qualifications to speak with him.

Thus, Qin Yu didn't waste any time. He immediately entered the spatial artifact and directly came under the abyss.

That thread of light was still in silence, and it didn't have the slightest reaction to Qin Yu's arrival.

Qin Yu played with the spirit stone in his hand, then threw it towards that thread of light.

The moment the spirit stone collided, it instantly turned into nothingness.

Such speed, even Qin Yu was dumbfounded.

"I'll make a deal with you." Qin Yu stood beside him and said with a smile.

"Deal my ass, get lost!" The light cursed without thinking.

Qin Yu smiled embarrassedly and said, "What are you doing? I haven't said anything yet, why are you so anxious?"

"F * ck you. You Fool me every day. Do you think I will fall for it?" The other party said angrily.

Qin Yu touched his chin and said, "This time I'm serious. I have a bad feeling. I'm afraid I need your help."

"It's none of my business." The other party refused without thinking.

Qin Yu rolled his eyes and said, "How about this? I'll give you a thousand spirit stones and agree to your request. What do you think?"

Hearing this, the light finally had a reaction.

“Are you serious?”He said in a deep voice.

Qin Yu grunted and said, “But I have a request.”

After saying this, Qin Yu stretched out his palm, and a halo appeared in his palm.

This halo was created by Qin Yu with a trace of his own spiritual sense. He used the legacy spell left behind by his father to create the spiritual sense confinement spell.

“This item is called the silver hoop charm. If you are willing to wear it, I can consider your request,”Qin Yu said.

“Silver hoop charm?”That sliver of light was immediately somewhat displeased.

“You don’t believe me?”

Qin Yu said with a smile, “I believe you? Unless I’m an idiot.”

“I don’t want to wear this thing,”that sliver of light humphed.

Although he said so, he was happy deep down in his heart!

Silver Hoop Curse? What a few things. You want to trap me with just this thing?

Once I get out of this Abyss and enter your body, I can easily tear this silver hoop curse apart!

When that time comes, not only will I swallow your spiritual sense, but I will also take over your body!

Qin Yu did not know what he was thinking, so he said patiently, “I have to at least guarantee my own safety, right? Your broken spiritual sense is in my body. What If you harm me?”

The Ray of light pretended to be unwilling and said, “Forget it. For My Freedom, I’ll agree to it.”

“That’s more like it,”Qin Yu muttered.

He picked up the silver hoop curse and walked toward the ray of light.

Then, Qin Yu fastened the silver hoop curse onto his spiritual sense.

The moment it was fastened, it immediately flashed with a strange light.

The light disappeared and directly entered the light.

“This is the silver hoop spell? This kind of thing wants to trap me?”The light couldn’t help but sneer in his heart.

“As long as you dare to let me escape from the Abyss, I promise to swallow you until there is nothing left!”

Although he thought so in his heart, he still snorted lightly. “It’s not easy to get out of the abyss, but in the end, you have to wear some silver hoop spell.. Damn it, damn it!”

Chapter 969: Chapter 969: Cooperation

After Qin Yu put on the silver hoop charm, he sat down beside him.

“Since we have reached an agreement, we should be honest with each other, right?”Qin Yu said.

“Yes,”he said somewhat reluctantly.

Qin Yu said with a smile, “Then let me ask you, What’s Your Name? What was your cultivation level in the past? who were you trapped here?”

The questions he threw out in a row clearly made him a little unhappy.

However, after a few seconds, he finally replied, “I’ve already forgotten my name. I only know that I once had a title, called the number one killer! Back then, I...”

“So you don’t have a name?”He was just about to brag when he was interrupted by Qin Yu.

“Since you don’t have a name, then I’ll give you one. HMM... from today onwards, you shall be called... Tie Dan.”Qin Yu muttered.

“I’ll F * ck you! I’ll F * cking...”

“Tie Dan, what’s your cultivation level?”Qin Yu interrupted him once again.

He said angrily, “Don’t call me tie Dan! Call me Asura!”

“Got it, tie Dan.”Qin Yu seemed to be deep in thought.

“If I’m not wrong, you should be... at the peak of the Martial Saint Realm? Or the Almighty Realm?”Qin Yu guessed.

Tie Dan snorted coldly and said, "I've said it before, a martial saint is not worth mentioning in front of me! Back then, I was almost able to break through to the level of a mighty one and step into the virtual entity! Unfortunately, I was sealed before I had the time to do so."

"Virtual entity?" Qin Yu could not help but be a little surprised.

Up until now, Qin Yu had never met an expert at the virtual entity Stage!

A martial saint was at the nascent soul stage, and above the nascent soul stage was the level of a mighty one, also known as the soul formation stage.

After breaking through to the soul formation stage, it was the return to void stage!

And the return to void stage also had another title, it was called a saint, or an ancient saint!

It was said that the return to void stage possessed great magical powers, and with a raise of a hand, it could destroy the world!

This kind of strength was indeed incomparably powerful!

"Even an expert who was about to enter the return to void stage would be suppressed, then the person who suppressed you is probably not simple." Qin Yu muttered.

Tie Dan snorted coldly and said, "Isn't that nonsense! Of course, if I were to enter the return to void stage, it would be hard to say who would win or lose."

Qin Yu was too lazy to care about these things. He waved his hand and said, "Let me ask you, after I give you a thousand spiritual stones, what stage can you enter?"

"A mere thousand spiritual stones are not worth mentioning at all. At most, I can recover to the martial saint stage." He muttered.

Qin Yu frowned.

Martial Saint Realm? It was much worse than he had expected.

"Of course, if you have five thousand spiritual stones, I might be able to touch the Almighty Realm." At this moment, Tie Dan changed the topic.

"Five thousand... That's a bit too much." Qin Yu scratched his head.

Currently, Qin Yu only had around five thousand spiritual stones in total.

He was really reluctant to give all of them to him.

"You can't even bear to give a mere five thousand spiritual stones? When I come back to life, I'll bring you back to earn it back," Iron Egg muttered.

"Are you serious?" Qin Yu asked.

"Absolutely!" Iron Egg said with confidence.

Qin Yu thought for a moment, then waved his hand and said, "Forget it, let me think about it."

With that, Qin Yu left the spatial god tool.

After returning to his original body, Qin Yu took out spirit stones from another spatial god tool.

At a glance, it was about five thousand spirit stones.

The efficacy of these spirit stones was beyond imagination. Qin Yu was reluctant to give them away just like that.

However, the current Qin Yu indeed needed a strong helper.

“It is said that there is a heavenly vanilla in the second secret realm. If tie Dan can take me to the second secret realm to collect the heavenly vanilla, then the five thousand spiritual stones will not be a loss,” Qin Yu thought to himself.

Without the heavenly vanilla, it was impossible for Qin Yu to step into the martial saint realm. Even his golden core would be further damaged.

Thinking of this, Qin Yu gritted his teeth and said, “Five thousand it is. If you don’t want to give up, you won’t be able to catch the Wolf!”

Thus, Qin Yu put all these spirit stones into the spatial god tool.

The moment he put them in, Qin Yu’s spiritual sense followed.

In the spatial god Tool, spirit stones were falling into the abyss one by one.

Qin Yu stood by tie Dan’s side, quietly watching him absorb these spirit stones.

One Spirit Stone after another was absorbed into the light. These spirit stones seemed to be not worth mentioning in front of him.

The moment they touched, they melted away like snowflakes encountering a heat wave.

This process was very fast. In less than half an hour, the five thousand spirit stones disappeared without a trace.

“So Fast?” Qin Yu could not help but be a little surprised.

The Ray of light was silent, as if it had fallen into silence.

“Tie Dan?” Qin Yu called out tentatively.

At this moment, the ray of light suddenly began to shake.

He condensed at an extremely fast speed, and in the blink of an eye, he transformed into a human form!

This person was only about 1.4 meters tall, and his appearance was somewhat ugly.

Different from the wretched appearance of a handlebar mustache, there was a vicious and murderous aura between this person's brows, and his pair of eyes made people shudder! “...”

Even Qin Yu was shocked by his honorable appearance.

“Tie Dan?” Qin Yu called out tentatively.

“Say it again, I'm not called Tie Dan!” He said angrily.

Qin Yu said with a smile, “Tie Dan, You Brag so much about yourself. How did you end up like this?”

Tie Dan narrowed his eyes slightly. He grinned and said with a sneer, “Do you know why I went on a killing spree for the first time back then?”

Qin Yu shook his head and said, “I don’t know.”

“It’s because someone said I was ugly,” Tie Dan said with a cold face.

“From then on, I killed whoever said I was ugly!”

“I killed at least hundreds of thousands of people! How is it? Are you scared?”

Qin Yu said in surprise, “Hundreds of thousands of people said you were ugly? Then you must be suffering in your heart, right?”

“Tell me the truth, have you ever hidden in the quilt and cried secretly?” Qin Yu said with a smile..

Chapter 970: Chapter 970, the body belongs to me!

Upon hearing Qin Yu’s words, veins bulged on Tie Dan’s forehead.

He suppressed his anger and said, “Am I talking about crying or not? Can’t you fucking grasp the main point?”

“Alright, Alright, cut the crap.” Qin Yu waved his hand. “Wait here. When I’m in a good mood, I’ll let you out.”

After saying this, Qin Yu turned around and was about to leave.

Tie Dan frowned. “What, are you planning to leave me here?”

Qin Yu smiled. “Or what?”

“Kid, you better not cause trouble. If you force me, I’ll destroy this Space Artifact!” Tie Dan said with a gloomy face.

Qin Yu sneered. “I’m afraid you don’t have that ability, right? I’ve investigated it long ago. This isn’t a space artifact at all. It’s a cage specially made for you.”

Tie Dan’s expression instantly changed slightly.

It was obvious that Qin Yu was right.

“Alright, even if I can’t destroy this spatial artifact, it’s not a problem for me to destroy your things!” Tie Dan shouted loudly.

After throwing out these words, he rushed towards the treasures placed within Qin Yu’s spatial artifact.

Qin Yu frowned slightly, and he hurriedly chased after him.

“Don’t do anything rash, or else I’ll use the Silver Hoop Curse,” Qin Yu warned.

However, Tie Dan completely ignored him.

His spiritual sense was extremely powerful, and it could already turn into a physical form. Just the power of his spiritual sense alone could destroy Qin Yu’s treasures in storage!

Just as Qin Yu was about to use the silver hoop curse, Tie Dan suddenly stopped.

He stared at the two corpses in front of him and said with a frown, “What are these? Two sentences... of the return to void tier corpses?”

“Return to void tier?” Qin Yu scratched his head.

“I always thought that these were the corpses of mighty figures. I didn’t expect them to be of the return to void tier.”

Tie Dan said with a gloomy face, “Why do you have the corpses of the return to void tier?”

“Oh, by chance,” Qin Yu said perfunctorily.

Tie Dan’s face was still gloomy. No one knew what he was thinking about.

“If you are willing, I can give you this virtual entity’s corpse,” Qin Yu said with a faint smile.

Tie Dan snorted, “I can’t control this kind of corpse. You’d better keep it for yourself.”

Qin Yu rolled his eyes and said, “Alright, then you’d better stay here obediently. Don’t worry, I’ll let you out soon.”

After saying this, Qin Yu walked out of the space artifact.

He suddenly opened his eyes and calculated the time. There were less than two days left until the day of the martial arts discussion hall.

Qin Yu opened the martial arts forum and saw that many people had already sent out photos of the martial arts discussion hall.

“It seems that quite a number of people have left,”Qin Yu thought to himself.

Then, Qin Yu took out his phone and called Xia Hang.

After the call was connected, Qin Yu asked, “Is it convenient to talk now?”

Xia hang on the other end smiled bitterly and said, “It’s convenient. I’m just an idler now. It’s convenient at any time.”

Qin Yu could not help but sigh and said, “I didn’t expect Gu Xinghe to act like this.”

Xia hang waved his hand and said, “If you have anything to ask, just ask.”

Qin Yu grunted and said, “Do you know the purpose of Gu Xinghe setting up some martial arts discussion hall?”

Xia Hang said in a deep voice, “No one knows about this matter. Not even long mei, Zhai Xing, and the others beside Gu Xinghe know nothing about it, let alone me.”

“Even they don’t Know?”Qin Yu couldn’t help but frown slightly.

“But...”at this time, Xia hang suddenly changed the topic.

“Recently, Tian Xuehong came to Jingdu martial arts association. This matter is very likely to be done by Tian Xuehong,”Xia Hang said.

Hearing this, Qin Yu’s expression immediately changed!

Tian Xuehong did it?

Qin Yu took a deep breath and said, "I got it."

After hanging up the phone, Qin Yu's expression was extremely gloomy.

Qin Yu had seen Tian Xuehong's methods before. His goal was to devour everyone's spiritual sense.

He had failed the last time he went to prison. This time, he probably planned to do it again.

"Damn it, this sky blood rainbow..." Qin Yu couldn't help but clench his teeth.

After the previous defeat, this time, the Sky Blood Rainbow would definitely bring the white bone army to help.

With Qin Yu's ability alone, he definitely couldn't stop the Sky Blood Rainbow.

"I originally wanted to temporarily lock tie Dan in the space artifact. Now it seems like... I can't do it." Qin Yu took a deep breath.

Thinking of this, Qin Yu's mind moved, and he directly released iron egg from the spatial artifact.

After a flash of light, Iron Egg's spiritual sense appeared in front of Qin Yu.

Looking at the surrounding environment, Iron Egg was first stunned, then he said with excitement and disbelief, "I... I came out?"

“Hahahaha, I came out!” Iron Egg’s unbridled laughter shook people’s ears until they hurt.

Qin Yu covered his ears and waved his hand, “Alright, stop shouting.”

Tie Dan’s eyes suddenly looked at Qin Yu and said with a faint smile, “Can I enter your body now?”

Qin Yu did not answer but asked, “Is this your primordial spirit? If it’s the primordial spirit, I’m afraid I can’t bear it.”

“What’s the difference between the primordial spirit and the spiritual sense?” Tie Dan snorted coldly.

Qin Yu frowned slightly and hurriedly asked, “What do you mean? Could it be that the primordial spirit cultivated by a martial saint is spiritual sense?”

“It seems that you don’t know anything,” Tie Dan said with some disdain.

“Hurry up and say it. Don’t talk nonsense!” Qin Yu said impatiently.

Tie Dan snorted coldly and said, “I’ll tell you after I enter your body.”

“Tell me now,” Qin Yu said with a dark face.

Although Tie Dan was unhappy, he still held back his anger and explained in order to get Qin Yu’s body, “The primordial spirit is a stronger spiritual sense. Marquis Wu cultivates the golden core in his dantian, and martial saint cultivates the primordial spirit in his spiritual sense.”

“When you step into the nascent soul realm, your spiritual sense will turn into the nascent soul, commonly known as the primordial spirit.”

Qin Yu hurriedly asked, “Then the stronger my spiritual sense is, the stronger the nascent soul after stepping into the martial saint realm will be, right?”

“That’s the reason,” Tie Dan said impatiently.

“Can you let me Enter Your Body Now?”

Qin Yu was deep in thought. After a moment, he nodded and said, “Come.”

After he finished speaking, Qin Yu slightly closed his eyes. A light that looked like an entrance appeared between his brows.

Tie Dan’s face was gloomy. With a flash of his spiritual sense, he directly entered Qin Yu’s body.

“Boy, your body is mine!” Iron Egg’s face showed waves of madness..

Chapter 971: Chapter 971, Father’s mighty means

Tie Dan’s spiritual sense frantically surged into Qin Yu’s body.

Qin Yu slightly closed his eyes and felt his spiritual sense enter his mind.

Very quickly, Tie Dan’s figure appeared in his mind.

The Little Golden Man in Qin Yu’s mind also slowly stood up.

He looked at Tie Dan in front of him and said, “Alright, from today onwards, you will temporarily belong to me.”

Tie Dan raised his eyebrows and sneered, “Belong to you? Kid, don’t you think too highly of yourself?”

Qin Yu frowned and said, “What do you mean?”

“What do you mean? hahahahaha!” Tie Dan could not help but burst into laughter.

“How dare you take over my spiritual sense! I have walked more bridges than you have walked!”

“How dare a half-step Martial Saint Act rashly in front of me? You’re still too inexperienced!”

Qin Yu’s expression changed, and he hurriedly said, “I have the Silver Hoop Curse!”

“Silver Hoop Curse? What are those things?” Tie Dan sneered.

His body shook, and the Silver Hoop curse was shattered!

“Do you really think you can control me with this thing? You’re too inexperienced!” Tie Dan roared.

“From now on, your body belongs to me. I’ll Swallow Your Spiritual Sense!”

With that, Iron Egg’s spiritual sense rushed towards Qin Yu!

Qin Yu’s expression instantly changed!

Without much time to think, Qin Yu could only brace himself and raise his golden palm to meet Iron Egg!

Unfortunately, Iron Egg's spiritual sense was too powerful. The moment it came into contact, Qin Yu's spiritual sense was directly sent flying!

"You dare to act rashly in front of me with such little ability?!" Tie Dan roared crazily.

"You call me tie Dan? I, Your Grandpa Tie!"

Qin Yu's expression was extremely ugly.

He never expected that the silver hoop curse would be useless in front of tie Dan!

"I was actually deceived by you..." Qin Yu said with some despair.

Tie Dan walked in front of Qin Yu and sneered, "Don't worry. I will fulfill your unfinished wish for You."

Then, tie Dan raised his palm and covered Qin Yu's spiritual sense!

Just as his spiritual sense was about to touch Qin Yu, a bright light suddenly burst out from not far away!

This bright light directly pierced through tie Dan's palm!

Waves of thick smoke floated up from tie Dan's palm.

Tie Dan immediately felt pain and hurriedly retreated while shouting, "Who is it?!"

A figure slowly appeared in Qin Yu's spiritual sense.

This figure was incomparably tall, and the combination of his slender body and his condescending expression made people shudder!

“You... you are a dao protector? !”Tie Dan seemed to have recognized this figure in front of him!

“Father... Father!”Qin Yu recognized this figure even more and immediately shouted out!

Qin Yu’s father looked at tie Dan coldly. That powerful deterrent force made tie Dan Shudder.

The two sides stood in confrontation and no one said anything.

“Wipe out your spiritual sense with just a wave of your hand.”

Finally, Qin Yu’s father spoke.

That voice was incomparably overbearing, as if it carried a powerful penetrating force, shaking tie Dan to the point of unbearable pain!

He held his head and hurriedly said, “I... I understand. Please show mercy. From now on, I will never dare to have any other thoughts...”

However, Qin Yu’s father ignored him and only said coldly, “You have killed countless people and should have been turned into ashes. Today, I will give you a chance to atone for your sins.”

“Yes, yes... I will definitely change my mind...”Tie Dan hurriedly said.

“Father!”Qin Yu rushed to his front and said with some longing, “Father, where... Where are you?”

The tall figure finally looked at Qin Yu.

A trace of undetectable kindness and joy flashed across his cold brows.

“When you are strong enough, you will naturally see me,”he said slowly.

Qin Yu hurriedly said, “Father, I have a lot of things to ask you. Can you... can you not leave in a hurry?”

Qin Yu’s father slowly said, “There are many things that you need to figure out on your own. Good luck.”

After saying this, his figure began to slowly disappear.

No matter how hard Qin Yu screamed, he could not stop him.

Soon, his figure disappeared without a trace.

Qin Yu’s hand froze where he was, with a dazed and shocked expression on his face.

Not far away, tie Dan stood up from the ground.

He rubbed his head and couldn’t help but say, “Why didn’t you tell me earlier that you have such an awesome father?”

Qin Yu looked at tie Dan coldly, then took a deep breath and said, “I let you out, and you actually wanted to swallow my spiritual sense!”

Tie Dan said with a smile, “Look at what you said. Isn’t this all a misunderstanding... don’t worry, there won’t be a second time!”

Qin Yu snorted coldly. He didn’t say anything and ignored tie Dan.

Qin Yu slowly opened his eyes, but he couldn’t calm down for a long time.

“Tie Dan, let me ask you,”Qin Yu suddenly said.

“Don’t F * cking call me tie Dan!”Tie Dan’s voice sounded in his mind.

Qin Yu ignored him and continued to ask, “What kind of existence is a dao guardian? Do You Know My Father?”

Iron egg frowned and said, “Your own father? You’re asking me?”

“I haven’t F * cking met my father yet.”Qin Yu couldn’t help but curse.

Iron Egg touched his nose and muttered, “Everyone says that every dao guardian has to abandon his wife and children. It seems to be true...”

“Abandon his wife and children? What does that mean?”Qin Yu hurriedly asked.

“In short, the Guardian is not allowed to have selfish motives, or else he will be punished by the heavens. That’s the general meaning,”tie dan muttered.

Qin Yu opened his mouth and said with some sadness, “Why is it like this?”

“Why is it like this? Use your fucking brain and think about it. If you have selfish motives, you will naturally do things unfairly. Then you are not qualified to be a guardian,”tie Dan muttered.

Qin Yu’s expression changed and he hurriedly asked, “Then what if you have selfish motives?”

“Didn’t I say that you will suffer the wrath of Heaven?”Iron Egg muttered.

Qin Yu’s expression instantly changed!

Although Qin Yu had never met his father, his father had left him an inheritance and had helped him many times!

Wasn't this... considered selfish?

“Is... is there any way to avoid the wrath of Heaven?” Qin Yu continued to ask.

Tie Dan sneered, “No, we are all in the path of Dao and follow the rules of Dao. How can we avoid it?”

Tie Dan paused for a moment and then said with a smile, “Unless you can jump out of this rule or break it. Of course, this is impossible..”

Chapter 972: Chapter 972, martial arts hall meeting

Qin Yu didn't say anything, but he was a little worried.

Heaven's wrath? What was that?

“Don't think about it now. It's too far away from you.” Tie Dan waved his hand.

Qin Yu took a deep breath and said in a low voice, “Yes, it's too far away. We can only take it one step at a time.”

Even though that was the case, Qin Yu silently remembered this matter.

...

The next day was the day of the discussion Martial Hall's reunion.

With tie Dan's blessing, Qin Yu was finally confident.

He restrained his internal Qi and put on his black robe. Then, he left the hotel and rushed to the discussion martial hall.

At this time, the discussion martial hall was already packed with people.

Many martial artists came after hearing the news, from the strong to the weak.

Even many martial artists who rarely showed up also came to the scene.

For example, Han Xiu, Kong Yun's father, Kong Luo, and so on.

Qin Yu tidied up his clothes, covered his face, and strode into the martial arts discussion hall.

"Qin Yu!"

At this moment, Kong Yun caught up from behind.

When he saw Kong Yun, Qin Yu's face couldn't help but change.

"How did you know that I'm Qin Yu?" Qin Yu couldn't help but ask.

Kong Yun said somewhat speechlessly, "Do you think that no one knows you because you covered your face?"

"Qin Yu, you're here too."

At this moment, Xiao Yuan also walked over.

Qin Yu was speechless.

Damn, he was recognized one after another.

"Forget it. Since he's recognized, there's no need to wear these clothes." Qin Yu took off his black robe and threw it to the side.

"By the way, do you know what Gu Xinghe is trying to do?" The few of them asked as they walked.

Qin Yu shook his head and said, "I don't know, but it's definitely nothing good."

"Qin Yu, long time no see."

At this moment, Han Xiu suddenly walked over from not far away.

Qin Yu nodded at him and said, "Do you still want to attack me?"

"Me? I'm afraid I'm not your match now, right?" Han Xiu said indifferently.

Qin Yu snorted lightly and said, "It's good that you know."

"I really didn't expect you to grow to such a level," Han Xiu couldn't help but sigh.

Seeing that Han Xiu didn't have any ill intentions, Qin Yu didn't say anything more.

Moreover, the biggest enemies now were no longer the aristocratic families of Jingdu, but the secret realm, the Jingdu Martial Arts Association, and the Sky Blood Rainbow.

At this moment, Qin Yu suddenly felt a wave of hostility.

Qin Yu frowned slightly. He looked in the direction of this hostility and saw that the hostility actually came from Han Wei.

Meeting Qin Yu's gaze, Han Wei hurriedly turned his head to the side.

Qin Yu couldn't help but shake his head.

The current Han Wei was no longer worth mentioning in his eyes.

His hostility was completely ignored.

Then, Qin Yu, Xiao Yuan, Kong Yun, and the others strode into the discussion martial arts hall.

As soon as they sat down, Kong Yun's father, Kong Luo, walked over from not far away.

Seeing Kong Luo, Qin Yu and the others stood up one after another.

"Greetings, Mr. Kong." Qin Yu bowed and said.

Kong Luo nodded slightly to Qin Yu and said, "You must be Qin Yu. You're really young and promising."

Qin Yu smiled and said, "Mr. Kong, you flatter me."

Kong Luo didn't say anything more. He found a seat and sat down.

"I really don't know what the Jingdu Martial Arts Association is trying to do this time," Kong Yun said in a deep voice.

"I'm afraid that this meeting was initiated by Tian Xuehong," Xiao Yuan said from the side.

Qin Yu glanced at him and nodded. "Yes, I've already sensed the abnormal internal qi nearby."

This internal Qi definitely didn't come from an ordinary warrior.

That faintly discernible internal Qi could not be emitted from a living person.

"I'm afraid that the Sky Blood Rainbow has brought an army of white bones." Qin Yu sighed in his heart.

"It must be the people from the immortal slaughtering sect..."

At this moment, Tie Dan's words appeared in Qin Yu's mind.

Qin Yu grunted and said, “You know the immortal slaughtering sect?”

“Everyone knows the immortal slaughtering sect, which was at its peak back then. Even though the sect was wiped out many years ago, it has still been widely spread to this day,” Tie Dan said.

Qin Yu said in a deep voice, “Then do you know what they are going to do?”

“I don’t know,” Tie Dan said without hesitation.

Seeing this, Qin Yu didn’t say anything more.

He closed his eyes slightly and waited for the beginning of the banquet.

More and more people came to the martial arts hall, and many famous warriors also came here.

The disciples in the mystic realm were also like this. People like Wan Gu Qiong and others had been waiting here for a long time.

Even they didn’t know the purpose of this meeting.

Just as Qin Yu closed his eyes, Gu Xinghe came from not far away.

He walked directly to Qin Yu and sneered, “Qin Yu, I didn’t expect you to dare to come again.”

Qin Yu slowly opened his eyes and said coldly, “If you don’t want to die, you’d better stay away from me.”

Seeing Qin Yu’s arrogant expression, Gu Xinghe couldn’t help but sneer, “I should have killed you earlier last time. I shouldn’t have been greedy...”

Qin Yu narrowed his eyes and sneered, "I'm afraid you won't have the chance."

Gu Xinghe wasn't angry either. He leaned on Qin Yu's ear and whispered, "Qin Yu, I'll let you know what it means to have overwhelming power and what it means to be toyed with!"

After saying that, Gu Xinghe patted Qin Yu's shoulder and walked to the side.

Qin Yu did not take Gu Xinghe's words seriously. He was about to close his eyes to rest when he felt a familiar internal Qi.

Qin Yu frowned when he felt this internal Qi.

"Yan Jinyao is here,"Kong Yun said coldly.

Xiao Yuan waved at Yan Jinyao and greeted him.

Yan Jinyao looked over and then walked over.

"It's him."Qin Yu's face turned cold.

This internal Qi was very familiar to Qin Yu. It had his own internal qi and the internal Qi of the Yan family.

There was probably no other person besides Yan Jinyao.

As a proud son of heaven, no matter where Yan Jinyao went, he would attract a large number of gazes.

These young masters of the aristocratic families in Jingdu all stood up and greeted Yan Jinyao.

Yan Jinyao nodded one by one and came to Qin Yu's side.

At this moment, Qin Yu was sitting while he was standing. Therefore, Yan Jinyao's condescending gaze made people feel extremely unhappy.

"No Wonder Yan Ruoxue likes you. I understand now," Yan Jinyao suddenly said.

Qin Yu raised his head and looked at Yan Jinyao coldly, waiting for him to continue..

Chapter 973: Chapter 973, the Art of the immortal slaying sect

Yan Jinyao sighed slightly and said, "The fusion of your bloodlines is really beyond my imagination."

Qin Yu looked at Yan Jinyao coldly and said, "What do you mean?"

Yan Jinyao looked at Kong Yun and said, "Excuse me."

"I told your mother to get lost!" Kong Yun cursed.

The relationship between the two of them was fine, but after this period of time, Kong Yun's impression of Yan Jinyao became worse and worse, so he didn't pamper him.

Yan Jinyao frowned slightly. Although he was a little unhappy, he didn't argue.

He just stood there and said with a faint smile, "Do you know that normally, it's very difficult for different people's bloodlines to fuse

together? Those who can get Yan Ruoxue's bloodline are all blessed by Heaven."

"But your and Yan Ruoxue's bloodlines fused together in an extremely short period of time and displayed even more powerful power!"

"A feeling that... 1 + 1 is far greater than 2. Can you understand that?" Yan Jinyao sighed.

The displeased expression on Qin Yu's face became even more obvious.

"I've obtained all the advantages of both your and Yan Ruoxue's bloodlines. In other words, my bloodline is now the most tyrannical." Yan Jinyao's tone contained some pride.

"So you are a bastard?" At this moment, Kong Yun snorted.

Hearing this, Yan Jinyao's face instantly turned extremely ugly!

Qin Yu couldn't help but give Kong Yun a thumbs up.

He didn't expect that the usually quiet Kong Yun would say such a golden sentence.

"Kong Yun, do you know what you are talking about?" Yan Jinyao said with a cold face.

Kong Yun sneered and said, "You have two bloodlines. If you're not a bastard, then what are you?"

Yan Jinyao narrowed his eyes and said, "Kong Yun, I've tolerated you for a long time. Don't be so Shameless."

"I'm not afraid of You!" Kong Yun stood up immediately.

“Do you want to fight? I’ll come too!”

At this time, Chang Mang also hurried over.

Qin Yu also slowly stood up and said with a sneer, “Yan Jinyao, this battle between you and me has dragged on for a long time. Why don’t we settle this score today?”

Yan Jinyao glanced at the few people in front of him, raised his eyebrows and said, “Do you want to fight together?”

“No need. I can deal with You Alone!”Kong Yun shouted.

“I’ve Long had enough of this title of the second in a thousand years!”

Yan Jinyao narrowed his eyes and sneered, “Don’t worry, I’ll give you a chance.”

“Hurry up and get lost!”Chang Mang scolded.

Yan Jinyao snorted and walked to the side without saying anything else.

“Damn, I’m not happy to see this kid,”Kong Yun couldn’t help but scold.

“I thought he was a gentleman, but I didn’t expect him to be a cunning villain. He’s full of cunning.”

Qin Yu nodded and said, “Yes, he looks elegant, but he’s a villain in his bones.”

Although he said that, Qin Yu could feel that the current Yan Jinyao’s strength was beyond imagination.

Qin Yu had never felt this kind of strength among his peers.

“I’m afraid that there will be a fierce battle between him and me sooner or later,”Qin Yu thought to himself.

Then, the few of them sat down and waited for the meeting to begin.

Not long after, another acquaintance arrived at the scene.

It was none other than Blackie, who had disappeared for many days.

He came to Qin Yu’s side and sat down at a nearby seat.

“Blackie, you’re here too,”Qin Yu greeted him.

Blackie said coldly, “Since it’s a matter handled by the Jingdu Martial Arts Association, I naturally won’t be absent.”

Ever since Granny Qin’s death, Blackie’s hatred for the JINGDU martial arts association was no less than Qin Yu’s.

“Your strength... seems to have become stronger again?”Qin Yu couldn’t help but feel surprised when he sensed the internal Qi on Blackie’s body.

Blackie nodded and said, “En, after this period of experience, I have indeed gained some insights.”

Qin Yu couldn’t help but sigh. Blackie was indeed a talent.

“Oh right, I’ll introduce you to a friend when I have time.”At this moment, Qin Yu suddenly thought of immortal crane.

If he introduced Blackie to Immortal Crane’s demon city, it would probably be a great improvement for him.

Time passed by minute by minute. A moment later, the Mustache Man appeared at the scene sneakily.

Of course, he did not greet Qin Yu. Instead, he found a corner and hid.

In the blink of an eye, it was already noon.

The Sun was high in the sky. Tian Xuehong and Gu Xinghe also arrived at the scene.

“What are you going to do?” Gu Xinghe couldn’t help but ask.

Tian Xuehong put his hands behind his back and said indifferently, “I’m going to hold a grand and sacred ceremony.”

“Ceremony? What ceremony?” Gu Xinghe was puzzled.

Tian Xuehong didn’t answer this question. Instead, he swept his gaze across the crowd.

Relying on his powerful inner strength, he slowly opened his mouth and said, “Today, I want to show everyone a performance. A splendid performance!”

“Performance?”

The crowd instantly became restless.

Everyone discussed animatedly and were quite puzzled.

“I spent a whole month to arrange this performance. Everyone should feel honored to be able to enjoy it today,” Tian Xuehong continued.

With that, Tian Xuehong waved his hand, and dozens of white bones suddenly appeared in all directions of the martial arts hall.

That powerful pressure made it difficult for people to breathe.

Looking at the dozens of white bones, everyone had a bad premonition.

“What are they doing? Are they not letting us leave?” Chang Mang asked with a frown.

Some people realized that something was wrong and turned around to leave the venue.

However, when he reached the exit, white bones waved its hand and smashed his head!

“The performance hasn’t started yet. Why are you in such a hurry to Leave?” Tian Xuehong shook his head slightly.

Everyone’s expressions instantly became even uglier!

The atmosphere at the venue also became increasingly strange.

“Everyone, what you are about to see is a technique from ten thousand years ago. It’s a sacred and powerful technique!”

Tian Xuehong raised his hands and started mumbling!

Then, a few pillars of light suddenly erupted from the surroundings!

One, two, three... eight pillars of light!

These eight pillars of light pierced through the clouds, and waves of strange internal Qi quickly spread out!

“What... What are these?”

“What are those eight pillars of light that suddenly appeared?”

Qin Yu also felt a sense of unease.

These eight light pillars carried an extremely strange internal Qi that made people's hair stand on end.

“The sect-raising technique of the immortal slaying sect?” At this moment, Iron Egg's voice sounded in Qin Yu's mind.

“Sect-raising technique? What is that?” Qin Yu hurriedly asked.

Iron Egg's tone was somewhat solemn as he said, “According to records, the immortal slaying sect relied on this sect-raising technique to build an extremely powerful sect!”

“This technique is very strange.. It can extract the spiritual consciousness of people on a large scale and turn it into its own use!”

Chapter 974: Chapter 974, star plucking hand

“As expected!” Qin Yu's expression immediately changed!

It was just as he had guessed! Tian Xuehong still wanted to extract the spiritual sense!

And this time, it seemed to be a large-scale extraction!

“Tian Xuehong, what on Earth are you doing!”

At this moment, someone at the scene shouted.

Tian Xuehong glanced at him and sneered, "Let's start with you."

Then, Tian Xuehong's mind moved, and the speaker's face suddenly became distorted!

Then, his spiritual sense was extracted!

The eight light pillars in the distance instantly emitted light and sucked in the spiritual sense!

The speaker's body slowly fell down, leaving only a body that had lost its soul!

Seeing this scene, everyone panicked, and the scene became a bit chaotic. Some people even screamed!

"All of you, shut up!" Tian Xuehong shouted!

He swept his cold eyes around and said coldly, "Today, I want to borrow everyone's strength to recover to the peak state. Everyone should have no objections, right?"

"F * ck you!" Someone couldn't help but curse loudly!

Tian Xuehong sneered again and again. He moved his mind and seized his spiritual sense!

"We must stop him!" Someone shouted and then rushed toward the Sky Blood Rainbow!

However, before he could touch the Sky Blood Rainbow, his body was crushed by the white bones!

The Sky Blood rainbow sneered and said, “To tell you the truth, once this spell is activated, it can’t end. Even if you kill me, you can’t stop it.”

“Do you see the light pillar in the distance? They will automatically absorb the spiritual sense of the martial artists in this spell! Until all the martial artists are absorbed!”

The light pillar looked extremely far away, which meant that it covered an extremely wide area!

“Sky Blood Rainbow, can’t we avoid it too?” A martial artist in the mystic realm shouted.

Sky blood rainbow sneered, “What do you have more than them?”

“You!”

Hearing this, everyone’s faces turned extremely ugly!

Some people couldn’t help but attack Sky Blood Rainbow, but under the protection of white bones, no one could hurt Sky Blood Rainbow!

“To tell you the truth, right now, there are countless martial artists who are being absorbed.” Tian Xue Hong said indifferently.

“And you guys might become the last batch.”

“Tian Xue Hong, you’ve gone too far!” A martial saint was furious and immediately rushed towards Tian Xue Hong!

When Tian Xue Hong saw this, he could not help but sneer, “You’re overestimating yourself.”

After he finished speaking, Bai Gu took large strides forward and sent this martial saint flying with a palm strike!

Then, white bone's large hand shook and directly smashed the martial saint's Head!

When the crowd saw this, their expressions became even more unsightly!

Even the martial saint could not withstand a single blow, who else could stop Tian Xuehong?!

"Tian Xuehong, don't tell me you plan to absorb us as well?" At this moment, Gu Xinghe said with an extremely gloomy expression.

Tian Xuehong glanced at Gu Xinghe and said indifferently, "You? Of course, I will spare your life. After all, you are still useful to me."

Gu Xinghe's brows furrowed tightly.

Under the current situation, even if he wasn't absorbed, it would probably cause public outrage.

However, Gu Xinghe thought about it. In any case, the people here were about to die, so why bother with their thoughts?

"That's good." Gu Xinghe nodded and then walked to the side.

When the surrounding people saw this, they were instantly dumbfounded!

Gu Xinghe left just like that? He didn't care about the lives of everyone?

Was this still the Jingdu Martial Arts Association?

“I won’t allow you to do this!”

At this moment, someone stood out.

The person who stood out was none other than Zhai Xing!

His tall figure seemed to have an extremely safe feeling.

And the aura that he emitted made the crowd’s internal Qi even more excited!

“What a powerful internal Qi!”Qin Yu could not help but exclaim.

“As expected of Zhai Xing. His strength is probably far above that of the other martial saints.”

“With Zhai Xing’s appearance, there might still be a chance!”

Looking at Zhai Xing who had walked out, Tian Xuehong could not help but raise his brows slightly.

“Zhai Xing, stand down. I can spare your life,”Tian Xuehong said indifferently.

Zhai Xing said coldly, “I won’t let you do whatever you want anymore.”

Tian xuehong sneered, “So, you want to try it with my white bone army?”

“Zhai Xing! Come Back!”At this time, Gu Xinghe, who was not far away, shouted.

However, this time, Zhai Xing ignored Gu Xinghe’s words.

He glared at Tian Xuehong and said, “You want to absorb the spiritual sense of all the martial artists. Such a heinous thing will definitely be punished by Heaven!”

“Hahahaha!”The Sky Blood Rainbow could not help but laugh out loud.

“Punished by the heavens? You and I are both in cultivation. How can there be punished by the heavens?”The Sky Blood Rainbow ridiculed.

Zhai Xing narrowed his eyes and said, “It’s still not too late for you to stop now.”

The Sky Blood Rainbow said with a gloomy face, “Am I not clear enough? As long as this spell is activated, it can not be stopped!”

“Then I will kill you!”Zhai Xing’s internal Qi instantly erupted to the limit as he charged towards Sky Blood Rainbow!

“You don’t know life from Death!”Sky Blood Rainbow narrowed his eyes as the white bone army instantly blocked in front of him!

Zhai Xing clenched his iron fist and ruthlessly smashed towards Sky Blood Rainbow!

“Bang!”

His fist collided with the white bone, emitting waves of terrifying buzzing sounds!

However, white bones had the body of a mighty figure and was indestructible. Even if star Seizer was incomparably powerful, he wasn’t able to injure him in the slightest!

“Don’t fight with his body!”Qin Yu hurriedly shouted.

When Star Seizer heard this, he immediately retreated.

His hands quickly moved, and rays of light condensed in his palms.

“Boom!”

As star Seizer’s hands pushed forward, that terrifying light directly approached white bones!

Bai Gu’s combat style was extremely simple, only having a steel-like fist!

A burst of radiance exploded on Bai Gu’s body, and Bai Gu was instantly forced back a few steps!

Seeing this scene, everyone present immediately became excited!

“There’s still a chance!”Someone shouted excitedly.

“Zhai Xing, come back here!”Gu Xinghe, who was not far away, shouted angrily.

However, Zhai Xing ignored him. He once again activated his radiance and blasted it towards the white bone!

“Boom! Boom! Boom!”

For a moment, the ground was smashed into smithereens!

Countless clouds of dust rose up, obscuring everyone’s line of sight!

Everyone looked nervously at the cloud of dust. Their eyes were filled with fear.

However, as the dust gradually dispersed, the white bone walked out once again!

Clearly, star Seizer's moves were unable to harm these white bones!

"What a tough body..."Qin Yu couldn't help but say in a low voice.

Star Seizer's expression also became somewhat unsightly.

The body of a mighty figure truly lived up to its reputation!

"Hmph, overestimating yourself."Sky Blood Rainbow waved his hand, and immediately, three more white bones walked out!

One white bone was already enough to leave star seizer in a terrible state, let alone three?

Zhai Xing's expression gradually turned gloomy. He looked coldly at the skeleton in front of him and slowly raised his hands above his head.

Then, one could see rays of light condensing above his head.

This light looked like stars one after another!

These countless stars-like rays of light landed on Zhai Xing's ten fingers!

"It's star Seizer's famous consummate skill, star seizer!"

"That's right, it's said that this technique is unrivalled, and star seizer got its name by relying on this technique!"

Chapter 975: Chapter 975, Can You Beat Him

One by one, starlight-like lights landed on his fingers.

The power of destruction condensed on his fingers.

Feeling this power, everyone couldn't help but look shocked!

Even the Sky Blood Rainbow couldn't help but raise his eyebrows.

“Good technique,” the Sky Blood Rainbow praised slightly.

The ten lights of star seizer were bright and mysterious. The power contained in them made people not dare to look directly at them!

“Go to hell!”

Along with Zhai Xing's furious roar, both of his hands reached out at the same time!

The ten plus internal Qi that were like stars instantly smashed towards the three white bones!

“Boom!”

A nuclear bomb-like explosion reverberated throughout the entire discussion martial hall!

The discussion martial hall instantly collapsed, and a terrifying aura quickly spread out in all directions!

Those who were weaker were directly smashed into minced meat by this aura!

Even Qin Yu and the others felt a trace of pressure!

The entire ground was smashed into pieces, and gusts of violent wind surged up.

In an instant, sand and stones flew, and the sky turned dark!

The power of the star picking hand far exceeded one's imagination!

Even the Sky Blood Rainbow's expression changed, as if he was shocked by this move!

Not far away, star picking panted slightly, and a trace of sweat appeared on his forehead.

It was obvious that the pressure the star seizer had exerted on him was also extremely great.

The light dissipated, and dust fell.

The three white bones were smashed into the ground!

White spots appeared on their bodies!

This result immediately made everyone despair!

Such a powerful move of the star seizer had only left behind white spots!
Just how hard was this white bone?

"It's over, even the star plucking hand can't hurt them..."

"The body of a mighty figure lives up to its reputation."

"It's over, it's over, I don't want to die..."

Some people even burst into tears, their faces filled with despair.

“Hahahaha!”The Heavenly Blood Rainbow couldn’t help but burst into laughter.

“Is that all you’ve got? Star plucking, you’re Only So-so!”

Accompanied by Tian Xuehong’s furious roar, a white skeleton instantly appeared in front of Zhai Xing!

“Bang!”

A white fist smashed into Zhai Xing’s chest, and his body was instantly sent flying!

His body slid on the ground for dozens of meters, and blood continuously dripped out of his mouth!

Tian Xuehong looked coldly at Zhai Xing and said, “You reckless thing, still trying to stop my grand plan!”

Zhai Xing was lying on the ground, looking extremely miserable.

“Tian Xuehong, Stop!”Gu Xinghe rushed forward and blocked in front of Zhai Xing.

Tian Xuehong glanced at gu xinghe and snorted, “I’ll only give you face one last time. If there’s a next time, don’t blame me for being impolite.”

Gu Xinghe grunted in gratitude. He picked up Zhai Xing and turned around to leave.

Even Zhai Xing had lost.

It was not an exaggeration to say that Zhai Xing was the strongest person at the moment. Even Jiang he might not be a match for him.

Even he had lost. Who else could stop Tian Xuehong!

“Weng!”

At this moment, a bright light flashed not far away. A martial artist’s spiritual sense was directly extracted!

“Ah! !”

The person sitting next to him immediately screamed in fear. His face was deathly pale!

This made the already frightened people even more desperate.

When misfortune fell upon them, the fear was far greater than what they had heard.

The scene became extremely chaotic. Everyone was afraid that they would be the next person to be extracted!

“Oh, I forgot to tell you. The divination of the divine sense is random,”said Tian Xuehong indifferently.

“One second, it might be thousands of miles away. The next second... It might be you!”Tian Xuehong grinned, revealing his mouth full of white teeth.

The sounds of Pain were endless. Some people couldn’t bear the psychological pressure and fainted on the spot.

“Tian... Tian Xuehong, please spare me. I’m willing to work for you!”

At this moment, some people began to surrender to Tian Xuehong, trying to save their lives.

“I... I’m willing too! I’m willing to join the Slaughter Immortal sect and work for the Slaughter Immortal sect. I only beg for My Life!”

Looking at the Warriors kneeling on the ground and begging, the Sky Blood Rainbow couldn’t help but ridicule, “Work for me? Are you even worthy?”

He swept his gaze across the crowd and coldly said, “Your greatest use is to provide me with spiritual sense.”

The atmosphere of despair pervaded the entire discussion martial hall.

Some people were so scared that they collapsed to the ground, while others were so scared that their crotches turned yellow.

“Damn it!”Kong Yun’s face was full of anger.

“We absolutely can not allow him to continue doing evil!”

“Even Zhai Xing has lost. We are even less of a match for him.”Qin Yu shook his head.

“Then what should we do? Are We just going to sit and wait for death?”

Qin Yu looked at the few light pillars not far away and said in a deep voice, “If we want to stop this spell, I’m afraid we have to cut off this light pillar.”

Even so, the light pillars were too far away, so how could he cut them off?

The light pillars became thicker and thicker, and the light became brighter and brighter.

Tian Xuehong's face was full of excitement. He took a deep breath and said, "It won't take long for me to recover to my peak... hahaha!"

His laughter was like a demon, echoing throughout the entire discussion martial hall!

Qin Yu closed his eyes slightly and said, "Tie Dan, do you have a way to cut off those light pillars? Or let me escape?"

"You're thinking too much. These light pillars aren't something you can cut." At this time, Iron Egg's voice sounded in his mind.

Qin Yu frowned and said, "Can't cut them? Why?"

Iron egg ridiculed, "I'm afraid you don't know how terrifying this technique is. Those eight light pillars aren't material at all. How can you cut them?"

Qin Yu couldn't help but clench his teeth and said, "Then how should I stop this technique?"

"Didn't he say that this technique can't be stopped? Back then, when the immortal slaying sect used this technique, no one could stop it," tie Dan said in a deep voice.

Qin Yu couldn't help but curse inwardly, "So, we can only sit and wait for death?"

"Yes," tie Dan muttered in a low voice.

Qin Yu took a deep breath and said, “If I lend you my body, can you defeat those white bones?”

Chapter 976: Chapter 976, Fight!

Hearing Qin Yu’s words, Tie Dan said proudly, “If you lend me your body, I can deal with a few skeletons.”

Tie Dan paused and continued, “But... even if I kill those skeletons, I can’t stop this formation.”

Qin Yu couldn’t help but turn pale.

If he couldn’t stop this formation, then there would still be martial artists dying, and even he himself wouldn’t be able to escape.

“Bang!”

At this moment, another martial artist’s spiritual sense was pulled out, and his body fell to the ground.

“Ah!”

As more and more martial artists around him were pulled out of their spiritual senses, that panic continued to spread.

Qin Yu looked coldly at Tian Xuehong, who was not far away, and his face became more and more ashen.

But at this time, no one dared to stand out, because whoever stood out would become the next target.

Tian Xuehong stood there with his hands behind his back, quietly watching everything.

The expression of enjoyment on his face was even more thought-provoking.

“Qin Yu, we can’t wait any longer. Let’s fight it out with him!” Chang Mang clenched his fist and said.

His entire body was emitting a red light. Together with his tall body, he looked extremely oppressive.

“Saintly being?” At this moment, Tie Dan’s voice sounded again.

“There really are strange people gathering around you.”

Qin Yu ignored tie Dan.

He patted Chang Mang’s shoulder and shook his head. “Don’t do anything rash. Sit Down.”

Chang Mang gritted his teeth and said, “Don’t tell me we should just watch so many innocent people die? I Can’t Do That!”

“Fight it out with him,” Kong Yun said coldly.

Qin Yu fell into silence.

He thought for a moment and said, “Sit down. I’ll try to stop him.”

“We’ll go with you!” Chang Mang and Kong Yun said hurriedly.

Qin Yu hurriedly shook his head and said, “No. Since I dare to stand out, I naturally have a way to protect myself. Before I die, no one is allowed to go forward.”

After saying this, Qin Yu slowly stood up and walked towards the sky blood rainbow under everyone’s watchful eyes.

Almost everyone’s gaze was focused on Qin Yu.

The expressions on their faces were quite complicated. There was surprise, excitement, and excitement.

No one expected Qin Yu to stand out at this time.

“HMPH, showing off?” Yan Jinyao couldn’t help but snort when he saw this.

“You still dare to show off in such a situation. You are simply courting death.”

A trace of playfulness appeared on Tian Xuehong’s face.

“Qin Yu?” Tian Xuehong sized Qin Yu up.

“I let you escape last time. I didn’t expect you to still dare to come out.”

Qin Yu walked towards Tian Xuehong step by step.

He looked at Tian xuehong coldly and said, “Tian Xuehong, stop.”

“Stop? hahahaha!” The Sky Blood Rainbow couldn’t help but laugh out loud.

“Do you have the right to say that to me?”The Sky Blood Rainbow’s eyes became extremely cold.

Qin Yu took a deep breath and said, “I’m trying to persuade you.”

“What if I don’t Listen?”The Sky Blood Rainbow raised his eyebrows and said.

Qin Yu’s body suddenly shook, and golden light immediately lit up.

“If you don’t listen, then I can only fight to the death,”Qin Yu said coldly.

Hearing this, heavenly blood rainbow laughed so hard that tears almost flowed out.

“Fight to the death? You are courting death!”Heavenly Blood Rainbow said with a cold smile.

“Even picking stars is not worth mentioning, let alone you?”

Qin Yu didn’t say anything, but his internal Qi was still rising rapidly.

“Lend me your body...”Iron Egg’s voice sounded in his mind.

Qin Yu ignored him.

Qin Yu didn’t want to use Iron Egg’s power unless it was a critical moment.

First, he didn’t trust iron egg. Second, it was easy to develop dependence, which would affect his future cultivation.

“Okay, I’ll play with you.”

Sensing the killing intent from Qin Yu, Tian Xuehong also became interested.

He took a step back and with a slight wave of his finger, a white skeleton walked up to him.

Looking at the tall white skeleton in front of him, Qin Yu felt a little nervous.

However, other than being nervous, Qin Yu also had a strong desire to fight!

In almost an instant, Qin Yu's internal Qi reached its peak!

That golden light was like the color of a hero, extremely dazzling and branded into everyone's heart!

"Kill him," Sky Blood Rainbow said coldly.

As Sky Blood Rainbow gave the order, white bones quickly raised its hand and reached out toward Qin Yu!

Qin Yu did not Dodge. Instead, he roared angrily and clenched his fist to meet it!

The Golden Fist seemed to be carrying flames as it fiercely collided with the sinister white bones.

"Boom!"

At the instant of the collision, sparks that were like steel clashing exploded!

Waves of power spread out rapidly in all directions like a shock wave!

Under this tremendous force, Qin Yu was knocked back repeatedly. It took him more than ten steps to stabilize his body!

“What a powerful force.” Seeing this, Qin Yu couldn’t help but frown.

The power of this white bone was even more powerful than he had imagined.

“Lend me your body, and I’ll teach him a lesson for you!” Iron Egg’s voice sounded again.

Qin Yu ignored him as he stood up from the ground.

The moment he stood up, he felt traces of pain coming from his internal organs.

“What a terrifying power.” Qin Yu couldn’t help but frown.

That power actually followed Qin Yu’s fist and spread throughout his entire body, causing an impact to his internal organs.

The body of a mighty figure truly lived up to its reputation.

“You don’t know whether to live or die.” When Sky Blood Rainbow saw this, he couldn’t help but sneer.

In the next second, that white bone charged towards Qin Yu once again!

Qin Yu still didn’t Dodge. He raised his hand and used the absolute beginning sacred fist!

The two of them clashed for the second time. This time, Qin Yu’s body was still sent flying, and he fiercely crashed into the wall at the edge!

His body slid off the wall, and traces of blood trickled out from his back.

“It’s even stronger than before...”Qin Yu couldn’t help but widen his eyes.

What kind of monster was this ? Under the absolute beginning sacred fist, not only did it not suffer any damage, it did not even move a single step!

“Zhai Xing is really strong, to actually be able to smash this thing into the ground...”Qin Yu wiped the blood from the corner of his mouth, and could not help but sigh in his heart.

“Qin Yu, do you have a tendency to be abused ?”Tian Xuehong said with a playful look.

Qin Yu did not say anything. He struggled to get up from the ground.

“I’m afraid I can’t hold back anymore,”Qin Yu muttered softly.

The only thing he could rely on now was to break ten thousand techniques with one punch.

Thereupon, golden light burst out from Qin Yu’s body once again. The rays of golden light were like a spring, pouring into his right arm.

In an instant, Qin Yu’s right fist became extremely hot, like a burning sun.

A terrifying power quickly filled the entire arena, and the entire discussion martial hall seemed to be heating up.

“What a hot temperature...”someone exclaimed.

“What Move Is This ?”Yan Jinyao couldn’t help but frown, and he even stood up..

Chapter 977: Chapter 977, all his trump cards were revealed

Qin Yu's punch made everyone tremble.

Even though they were far away, they could still feel the powerful strength on that fist.

Qin Yu clenched his right hand into a fist. Golden light flashed, extremely dazzling.

However, not far away, white bones did not move at all.

Qin Yu took a deep breath and said coldly, "Come, let me see just how powerful this almighty body is!"

Following Qin Yu's furious roar, his feet instantly moved, and in the blink of an eye, he arrived in front of the white bones!

Qin Yu bent his legs, and his body suddenly bounced up. A huge golden light came down from the sky, and fiercely smashed towards the white bones!

The attack method of the white bones was extremely simple. It could only use its steel-like body to clench a fist to meet the Attack!

"Bang!"

The Fists finally collided.

One Golden and one white, forming two extremely dazzling visual impacts!

This kind of confrontation caused the entire scene to stir up waves of dust. The ground rapidly sank down, as if a huge earthquake had occurred!

However, even under the influence of the earth-shaking and mountain-shaking, everyone still stared fixedly at the center of the Discussion Martial Hall.

“Whoosh!”

Soon, a figure shot out from the center!

This figure was none other than Qin Yu!

He was sent flying again, and cracks appeared on his fist!

However, the white bones only took five steps back! Not a single white spot was left on his body!

Seeing this scene, everyone could not help but suck in a cold breath!

“What... What kind of body is this? It's not damaged at all?”

“Could it be that Qin Yu's punch was just a bluff?”

“Impossible! He had used that punch before, and almost no one could withstand it!”

“After all, there's too much of a difference in realm between the two sides...”

“Cough Cough Cough!”

Qin Yu began to cough out blood from his mouth, and his face was even paler.

He supported his body and stood up from the ground.

“What a strong body...”Qin Yu wiped the blood at the corner of his mouth and muttered softly.

This was merely the bones of a mighty figure, yet it was already so powerful. Just how powerful was a true mighty figure?

“Let me do it!”Tie Dan said excitedly.

Qin Yu wiped the blood from the corner of his mouth. He was still somewhat unwilling to accept this.

“Qin Yu!”At this moment, Chang Mang finally couldn’t hold it in any longer and jumped down from above.

He ran to Qin Yu in a few steps and supported him.

“How are you? Are You Alright?”Chang Mang asked in a deep voice.

However, Qin Yu’s pupils suddenly constricted and he shouted, “Quickly dodge!”

However, it was already too late. That White Bone’s fist had already ruthlessly smashed towards Chang Mang from behind!

Before Chang Mang could react, he was directly sent flying!

His body crashed into the wall and was buried in the rubble!

“Chang Mang!”Qin Yu’s expression changed drastically!

He knew the power of the white bone. The destructive power of this punch was beyond imagination!

“Ah! !”

But at this moment, Chang Mang rushed out at any moment.

His eyes were scarlet red, like an angry bull.

“Ah! !” Chang Mang roared continuously, and the red light on his body grew stronger.

In the next second, he shot toward the white bone!

Seeing this, Qin Yu could not help but be dumbfounded.

This kid’s body was actually so strong?

Not only did he not die after taking a punch, but he became even stronger?

“The saintly being is not as weak as you think. The saintly being that grew up is not weaker than your chaos body,” tie Dan said in his mind.

Qin Yu looked at Chang Mang who was not far away. He rushed forward and was quickly repelled.

However, Chang Mang was like a cockroach that could not be beaten to death. After falling to the ground, he got up and rushed towards white bones again and again.

This scene not only stunned Qin Yu, but everyone present also widened their eyes.

“F * ck, a warrior...”

“When did such a boorish person appear...”

“He’s simply like a Madman...”

Even though that was the case, the difference in strength between Chang Mang and Bai Gu was still too great. In the end, he was still knocked to the ground and found it difficult to get up.

Qin Yu walked in front of Chang Mang, picked him up, and walked towards the stage.

“Take good care of him.” Qin Yu handed Chang Mang to Yao Meng and Kong Yun.

After that, Qin Yu returned to the battlefield again.

“Interesting, really interesting.” Tian Xuehong couldn’t help but say with a playful tone.

“I didn’t expect there to be so many people in this world with blood in their veins.”

Qin Yu looked at Tian Xuehong coldly and said, “Do you think we will just sit and wait for Death?”

“Hehe, no matter what you do, the ending will be the same,” Tian Xuehong said indifferently.

He seemed to be too lazy to talk to Qin Yu, so he waved his hand and ordered the white bone to charge at Qin Yu again.

“Swoosh!”

Looking at the white bone charging at him, Qin Yu did not dare to be negligent. He could only Dodge quickly.

However, this white bone not only possessed a strong physical body, it also possessed extremely fast speed!

Even Qin Yu, who had undergone training with the immortal crane, was quickly at a disadvantage in terms of speed!

Helpless, Qin Yu could only clench his fist to meet the attack.

However, the result was predictable. With just one punch, the Golden Light on Qin Yu's body was shattered, but the white bones were not damaged at all.

“Damn it...”

The injuries on Qin Yu's body became more and more serious. If this continued, he might really die here...

“Hurry up and give me your body!” Tie Dan urged.

“My hands are Itchy already. Hurry up and give it to me!”

Qin Yu could not help but curse in his heart.

Was he really going to give his body to Tie Dan?

But what if he did not return it?

Qin Yu had a strong premonition that his father's attack might only be that one time.

“Bang!”

Before Qin Yu could make a decision, the white bone kicked Qin Yu's jaw, sending him flying into the air!

Qin Yu turned around and smashed his fist at the head of the white bone.

“Clang!”

Unfortunately, the head was the hardest bone, so this punch didn't have any effect at all!

“Qin Yu, use the bronze sword!”

At this moment, a voice suddenly came from the crowd.

It was none other than the mustache.

He raised his head and said, “That bronze sword could even leave a mark on the gate of the immortal slaying sect, let alone this white bone!”

Qin Yu patted his head.

That's right! He had actually forgotten about the bronze sword!

Chapter 978: Chapter 978, the fourth slash of the nine absolute beginning slashes!

Ever since he was modified by Luo Jingyu, Qin Yu had never used the bronze sword!

Qin Yu, who had always relied on his physical body, had long forgotten about the bronze sword!

“Yes, the bronze sword!” Qin Yu's eyes lit up. With a shake of his palm, a longsword fell into his hand.

The Longsword was scarlet in color, and traces of killing intent emanated from it!

“Phew, thanks.” Qin Yu waved his hand in the direction of the handlebar mustache.

The handlebar mustache hurriedly hid his head in the crowd, afraid of being discovered.

Qin Yu held the bronze sword and looked coldly at the white bones in front of him.

“HMPH, do you think you can fight against a mighty figure with a broken sword?” Tian Xuehong’s eyes were filled with ridicule.

Qin Yu didn’t say anything. He held the sword with both hands and narrowed his eyes, looking somewhat nervous.

Facing this almighty body, even if he was holding the bronze sword, Qin Yu still felt a little uncertain.

“Whoosh!”

At this moment, the white bones had already rushed towards Qin Yu!

Qin Yu didn’t dare to be negligent. He immediately held the sword and slashed out fiercely!

“Clang!”

At the instant of the collision, Sparks immediately flew in all directions.

That terrifying force shook Qin Yu’s wrist until it hurt. The bronze sword in his hand almost fell down.

“F * ck, it’s useless...”Qin Yu couldn’t help but widen his eyes when he saw this!

The body of this skeleton was really beyond his imagination!

Before Qin Yu could react, the skeleton had already rushed towards Qin Yu again!

His hands turned into claws and clawed straight at Qin Yu’s head!

Qin Yu hurriedly placed the sword horizontally above his head to block this attack.

“Clang!”

There was another loud sound. This time, Qin Yu couldn’t hold it anymore. The sword in his hand flew out.

“Hahahaha!”

Seeing this scene, Tian Xuehong couldn’t help but laugh out loud.

“Is that all you have?”Tian Xuehong raised his eyebrows and said.

Qin Yu gritted his teeth. He rushed to the side of the bronze sword and pulled it out.

“Let me out! I want to teach this kid a lesson!”Tie Dan’s voice sounded urgent in his mind.

Qin Yu ignored him. He held the sword with both hands, and killing intent shot out of his eyes.

Then, the internal Qi in Qin Yu’s body rushed into the bronze sword.

Buzz

The bronze sword in Qin Yu's hand kept buzzing, and it let out a sound that sounded like the wails of ghosts and howls of wolves.

Rays of light appeared on the bronze sword!

This technique was the absolute beginning nine slashes!

Facing this almighty body, Qin Yu didn't dare to be negligent at all. He raised his hand and unleashed the third slash of the absolute beginning nine slashes!

“Go to Hell!”

Qin Yu let out an angry roar and his body rose up from the ground!

He held the sword with both hands and ruthlessly slashed towards white bones!

A terrifying sword ray descended from the sky and slashed down majestically!

Under Qin Yu's urging, that incomparably sharp sword blade slashed at white bones!

“Chi la!”

Under this sword attack, White Bones' body was actually smashed into the ground!

Not only that, a white scar appeared on his palm that he used to block!

“It worked!” Qin Yu was instantly overjoyed when he saw this!

Even the star picking hand, star picking's trump card, had only left a white scar.

Qin Yu was already strong enough to leave a white scar with a half-step martial saint!

The crowd not far away also widened their eyes when they saw this!

“Qin Yu's swordsmanship is actually so strong?”

“I always thought that his strongest point was his physical body. I didn't expect that his sword was also so powerful!”

Yan Jinyao frowned tightly.

He also didn't expect Qin Yu to be able to hurt the white bone.

On the battlefield, Qin Yu held the bronze sword and kept retreating.

His initial excitement turned into worry in the blink of an eye.

Qin Yu knew very well that the nine slashes of the absolute beginning was Qin Yu's trump card.

But even so, it only left a white mark.

Wanting to shatter this white bone was almost impossible.

“Qin Yu, you do have some ability. This sword technique is probably a heaven rank technique,” not far away, Tian Xuehong said indifferently.

“Unfortunately, such a sword technique like this, you shouldn't be able to slash it many times.”

After saying this, Tian Xuehong waved his hand, and the white bone immediately rushed towards Qin Yu.

Qin Yu did not dare to be negligent, and could only grab his sword and hurriedly respond.

For a moment, the sound of “Dang dang dang” could be heard continuously.

The white bone used his steel body to continuously smash towards the bronze sword in Qin Yu’s hand.

The huge impact caused Qin Yu’s wrist to feel pain, and it was almost broken.

“Boom!”

Finally, under the powerful attack of the white bone, the bronze sword in Qin Yu’s hand fell off again!

Before Qin Yu could react, white bones threw another punch at Qin Yu’s chest.

“Clang!”

Qin Yu’s body was sent flying dozens of meters away in an instant, and his mouth was bleeding non-stop!

“Kill him for me!” Tian Xuehong shouted.

White bones seemed to have gone mad when he received the order. Both his speed and strength increased rapidly!

Qin Yu's expression was extremely unsightly. He immediately executed the line word incantation and quickly grabbed the sword in his hand, responding in a hurry.

In just a few short seconds, white bones had already thrown out dozens of punches.

Even though Qin Yu held the bronze sword tightly, he was still shaken until he could not stop vomiting blood.

"Kid, if this continues, I'm afraid you're going to die." Iron Egg's voice sounded in his mind.

Qin Yu clenched his teeth, his face gloomy and uncertain.

Not far away, everyone could not help but stand up, staring at Qin Yu who was fighting with blood.

Their hearts were in their throats.

"Damn it, let's Go All Out!" Qin Yu seized the opportunity and shot back dozens of meters.

At this moment, Qin Yu was seriously injured, and the hand holding the sword was trembling slightly.

Qin Yu stabbed the sword fiercely into the ground, and his palm quickly slid.

In a moment, a huge "Dou" character appeared in front of him!

"Dou character?" Tie Dan was even more shocked when he saw this scene.

“How do you have the nine secrets?”

Qin Yu did not have the time to bother with Tie Dan. After using the Dou character, Qin Yu’s strength instantly increased tenfold!

That powerful aura instantly swept across the entire arena!

“Dou character... he actually has the Dou character!” Yan Jinyao’s pupils constricted again!

He had tried to find the nine secrets, but failed. He didn’t expect that Qin Yu had learned the real fighting formula!

With the help of fighting formula, Qin Yu’s strength had stepped into another level.

He grabbed the bronze sword and narrowed his eyes. Internal Qi burst out from his body and poured into the bronze sword.

“The first nine cuts, the fourth cut!”

With Qin Yu’s furious roar, Qin Yu’s body rose up from the ground!

An even more terrifying sword light lit up the sky in an instant!

Chapter 979: Chapter 979, the masked woman appeared?

This was the fourth slash of the nine absolute beginning slashes! It was also the first time Qin Yu had tried to use it!

An even sharper sword ray appeared in the sky. Qin Yu held the sword with both hands and soared through the sky.

Under the contrast of the sword ray, Qin Yu looked like a God!

His clothes had been shattered, and blood flowed down his body bit by bit. However, the determination on his face did not decrease in the slightest!

Looking at this even more powerful sword ray, everyone stood up one after another!

Under the explosion of this internal QI, gusts of wind blew up at the scene. It was as if even the clouds in the sky had been affected!

Qin Yu glared angrily at the white bones below. With a roar, he gripped his sword with both hands and ruthlessly slashed at the white bones!

The white bones still raised its hands to receive the attack. It did not know what fear was at all!

“Swish!”

The bronze sword hummed. Under the control of Qin Yu’s hands, it ruthlessly slashed towards the white bone!

At the moment of collision, the bronze sword pierced through white bone and slashed downwards!

“Boom!”

The sword smashed onto the ground, and White Bone’s two palms were also cut off by Qin Yu’s sword!

Hiss...

The scene could hear the sounds of gasps.

Qin Yu... actually cut off white bones' arms?

One had to know that this was something that even star harvester couldn't do!

Qin Yu held the bronze sword, breathing heavily.

Internal Qi and the fourth slash were both extremely stressful for him, and his aura was rapidly declining.

Above, Yan Jinyao's face was gloomy.

"It must be that sword!" Yan Jinyao said coldly.

"Either it's the problem with his technique or the battle word formula!"

"I have to think of a way to get the battle word formula!"

At this moment, Tian Xuehong's expression was extremely cold.

He never expected that a mere qin yu could actually hurt his white bone army!

"Bang!"

At this moment, Qin Yu, who was gasping for breath, was kicked away by the white bones.

At the same time, two more white bones walked forward.

Looking at these two white bones, everyone felt despair.

Qin Yu risked his life, but only managed to cut off two of his arms.

And the Heavenly Blood Rainbow had dozens of white bones!

This disparity in strength made people feel despair.

Qin Yu tried to get up, but he found that he had no strength left in his body.

He grabbed the sword in an attempt to stand up, but he failed again and again.

The Sky Blood Rainbow walked towards Qin Yu Step by step.

He looked down at Qin Yu with a trace of disgust and anger on his face.

“You actually hurt my bones. It’s unbelievable,”said the Sky Blood Rainbow coldly.

Qin Yu didn’t have the mood to pay attention to the sky blood rainbow. He struggled to stand up.

However, before Qin Yu could get up, the Sky Blood Rainbow had already stepped on Qin Yu’s body.

Qin Yu, who was already lacking in internal QI, instantly did not have the strength to stand up after this kick.

“Qin Yu, you have successfully angered me,”said the Sky Blood Rainbow coldly.

“I will let you know the price of my anger.”

After saying this, the Sky Blood Rainbow's eyes suddenly glared. A martial artist not far away was instantly drawn out of his spiritual sense, and his body violently fell to the ground!

Without waiting for everyone to be afraid, Tian Xuehong waved his hand again and drew out another martial artist's spiritual sense!

“Stop!”Qin Yu's eyes widened when he saw the situation!

However, Tian Xuehong stepped firmly on Qin Yu and sneered, “I will let you know the price of resisting me! You Bunch of maggots, you actually dare to resist!”

“You F * cking... Stop!”Qin Yu roared angrily.

However, the Sky Blood Rainbow didn't care about Qin Yu. He reached out with his palm and could absorb a person's spiritual sense!

The people at the scene instantly went crazy, wailing and screaming non-stop.

Despair made them lose their rationality. They were like headless flies, running around randomly.

It was as if this could give them a glimmer of life.

“All of you sit there!”

Tian Xuehong let out an angry roar, and several white bones rushed over!

That powerful pressure made everyone's bodies stiffen. They stood on the spot, not even daring to breathe!

The scene was terrifyingly quiet.

Everyone's hearts were entangled by despair.

Some people shed tears, while others fell to the ground, trembling.

Tian Xuehong laughed coldly. He bent down and looked down at Qin Yu.

"Qin Yu, aren't you very strong? Fine, I'll start with you," Tian Xuehong said coldly.

He stretched out his palm, and three evil ghosts appeared and pounced on Qin Yu's head!

These evil ghosts penetrated Qin Yu's brain, wanting to extract Qin Yu's spiritual sense.

Qin Yu gritted his teeth. The Golden Man in his mind erupted with power and formed a confrontation with this evil ghost!

"Oh?"

Seeing this scene, Tian Xuehong was even more shocked.

In just a few days, Qin Yu's spiritual sense had become so much stronger?

"Swoosh!"

At this moment, Tie Dan in his mind made a move and directly cut off the evil spirit's palm!

The three evil spirits lying on Qin Yu's head instantly disappeared without a trace.

Tian Xuehong immediately frowned.

“Such powerful divine sense?”

Tian Xuehong refused to believe it. He condensed three evil ghosts again and rushed toward Qin Yu.

Unfortunately, he failed in the end.

“Damn it!”

Tian Xuehong immediately became even angrier.

He lowered his head to look at Qin Yu and said, “You are really a shocking guy. It seems impossible for me to extract your divine sense with my methods.”

“But don’t be happy too early. When the spell of the immortal slaying sect lands on you, you won’t be able to escape even if you have great abilities!”

Qin Yu’s expression was extremely ugly. Tie Dan in his mind also muttered, “If it’s the power of the eight light pillars, even I can’t stop them.”

At this moment, Tian Xuehong looked around and sneered, “Since I can’t extract your spiritual sense, I’ll start with them.”

“I want you to witness how they died in front of you!”

With that, the sky blood rainbow waved his hand and another warrior fell to the ground!

As long as the sky blood rainbow raised his hand, one warrior would definitely fall to the ground!

In just a few minutes, five warriors had died in front of Qin Yu.

Qin Yu was furious, but there was nothing he could do.

That feeling of helplessness made Qin Yu feel a level of despair.

The hearts of the people present were in extreme pain.

They were all afraid. They were afraid that the next person to be extracted would be them.

“Let me out quickly! Quickly!”Tie Dan’s urging voice kept ringing in Qin Yu’s mind.

His voice was filled with anxiety, as if he couldn’t wait to control his body.

Qin Yu laughed bitterly in his heart.

Was he really going to let him out?

“Hahahaha!”

Tian Xuehong’s arrogant voice echoed in the martial arts hall.

“No one in the world can stop me! Once I absorb all of you, I will definitely return to my peak!”Tian Xuehong laughed maniacally.

“Quickly let me out, quickly!”Tie Dan was so anxious that he was about to curse.

However, at this moment, Tian Xuehong's laughter suddenly stopped.

Sweat unconsciously appeared on his forehead.

A strong sense of danger filled Tian Xuehong's heart.

Not only Tian Xuehong, but everyone present felt their hearts palpitate.

No one could stop the physical fear that came from their bodies!

“Who? !”

Tian Xuehong looked around in fear, his eyes filled with panic.

At this moment, a beautiful figure slowly appeared in the air.

She wore a mask, and her entire body was emitting an ice-cold aura that made people shudder..

Chapter 980: Chapter 980, the Terrified Heavenly Blood Rainbow!

The figure floated in mid-air. It looked like a fairy that did not exist in the mortal world, but also like a demon from the nine serenities hell.

“It's... It's You!”

Upon seeing this figure, the Heavenly Blood Rainbow's pupils dilated!
His body trembled like a sieve!

“Eh? Little... Little Fish?”Qin Yu could not help but widen his eyes.

He stood up to greet little fish, but he found that he didn't have the strength to stand up at all.

"Iron egg, hurry up and help me!" Qin Yu hurriedly shouted at Iron Egg.

However, iron egg didn't say a word, as if he had fallen into silence.

"Iron Egg?" Qin Yu tried to shout again, but there was still no response.

Qin Yu gritted his teeth. He could only do his best and shout in the direction of little fish.

However, "Xiao Yu" didn't pay attention to Qin Yu. He just looked down at the Sky Blood Rainbow.

The Sky Blood Rainbow's face was pale and his body was trembling.

It was unknown whether it was because of fear or something else, but he was like Qin Yu. His legs were weak and he couldn't stand up at all!

"You... how can you still be alive..." the sky blood rainbow's lips trembled as he said in a trembling voice.

Little Fish remained silent. That powerful pressure made everyone physically afraid.

The Sky Blood Rainbow wanted to get up many times, but he realized that his legs were completely out of control.

He knelt on the ground and said in a trembling voice, "I... I was wrong. Forgive me, forgive me..."

Hearing this, everyone was stunned.

The Sky Blood Rainbow actually knelt down and begged for mercy?

Who was that woman in midair?

“I was wrong. I beg you to spare my life...”tears actually flowed out of Tian Xuehong’s eyes.

He knelt on the ground, his head hanging on the ground, not daring to raise his head at all.

“I didn’t know you were still alive. The immortal slaying sect is gone. Please let me go...”Tian Xuehong cried bitterly.

Xiao Yu didn’t say anything. She raised her hand, and the dozens of white bones instantly turned into ashes!

Then, Xiao Yu’s hands slowly slid in the air. No one knew what kind of spell she was using.

A moment later, the light pillars began to collapse!

One, two, three... Eight light pillars disappeared without a trace!

Seeing this, Qin Yu couldn’t help but frown. “Iron Egg, didn’t you say that this spell couldn’t be stopped? Didn’t it F * cking stop?”

However, iron egg still didn’t say a word. No matter what Qin Yu shouted, he didn’t have the slightest reaction. It was as if he had fallen into a deep sleep.

At this moment, heavenly blood rainbow was still kneeling on the ground. He kept shivering and didn’t even dare to raise his head.

If there was even the slightest bit of movement, Heavenly Blood Rainbow's entire body would tremble.

After doing all this, Little Fish's gaze in midair looked coldly at Heavenly Blood Rainbow.

Although it was just a glance, it completely shattered the mental defenses of the Sky Blood Rainbow.

He seemed to have gone mad as he started to run. As he ran, he roared crazily, "She's still alive, she's still alive, Hahaha... She's still alive..."

He didn't know if he had really gone mad, or if he was deliberately using this opportunity to escape.

In short, the Sky Blood Rainbow disappeared without a trace, and his white bone army was completely shattered.

Dozens of mighty figures had turned into nothingness in an instant.

Qin Yu raised his head to look at Little Fish who was in the air. He could not help but be dumbstruck.

He had risked his life to cut off two of his arms. She had merely raised her hand and these mighty figures had been shattered?

It was not just Qin Yu. Everyone present was shocked!

With such methods, he was most likely no longer a martial saint!

After doing all this, Little Yu slowly turned around as if she wanted to leave.

Qin Yu gritted his teeth and shouted with all his might, "Little Yu!"

This roar seemed to have used up all of Qin Yu's strength.

Little Yu, who was in mid-air, stopped in her tracks.

However, after only stopping for half a second, she turned around and left, disappearing without a trace.

Qin Yu lay on the ground, unable to help but feel mixed emotions.

Was She Xiao Yu or the legendary masked woman?

If she was Xiao Yu, why didn't she say anything? If she wasn't, why did she stop for half a second?

"Qin Yu!"

Kong Yun ran to Qin Yu's side quickly and helped him up.

"How are you?" Asked Kong Yun.

Qin Yu shook his head and said, "I'm fine."

"Who was that person just now?" Yao Meng couldn't help but ask.

The person she was talking about was naturally Xiao Yu.

"If I'm not wrong, it should be the little girl who was with you before," Kong Yun said in a deep voice.

"It seems that she was also the one who subdued the two corpses last time."

Qin Yu nodded, but at this moment, Qin Yu didn't dare to guarantee that it was still Xiao Yu, and he didn't know if she still recognized him.

“It's finally over.” Everyone present couldn't help but heave a sigh of relief.

Looking at the disappearing pillar of light, the huge rock weighing down on everyone's hearts finally fell to the ground.

Some cheered, some felt their legs go weak, and some just wanted to go home.

Qin Yu waved his hand at Kong Yun and the others and said, “Bring me back to nine pinnacles mountain first...”

The few of them acknowledged him and brought Qin Yu up to nine Pinnacles Mountain.

After arriving at nine Pinnacles Mountain, Qin Yu was so tired that he couldn't open his eyes. He quickly fell asleep.

After experiencing this incident, the reputation of the Jingdu Martial Arts Association had plummeted.

If it weren't for Zhai Xing taking action at a critical moment to save some face for the JINGDU martial arts association, the Jingdu Martial Arts Association would definitely have aroused public anger.

In the office.

Gu Xinghe looked at the video at the scene and couldn't help but frown.

The masked woman in the video made Gu Xinghe feel a sense of danger.

The most important thing was that the woman knew Qin Yu.

“Young Master.” At this moment, Long Mei walked in.

“How is it? Have you found out?” Gu Xinghe hurriedly asked.

Long Mei nodded and placed the document in front of Gu Xinghe. He said, “Her appearance is very similar to that of a legendary person. It is said that... the massacre immortal sect was destroyed by her.”

“There are many legends about her. This is the relevant document. You can take a look.”

Gu Xinghe quickly picked up the document and read it carefully.

There were many records about the masked woman in the document, and the more Gu Xinghe read, the more shocked he became..

Chapter 981: Chapter 981, the treasure of the Society of the Hundred Spirits

The more Gu Xinghe read, the more shocked he became. In the end, he slammed the document in his hand onto the table!

What was recorded on it was completely beyond Gu Xinghe’s comprehension!

“He killed more than ten great cultivators undergoing tribulation?” Gu Xinghe’s face was pale as he muttered softly.

One had to know that the tribulation stage was the end of a cultivator, and it was also the highest stage.

It was said that at that stage, there was nothing that could not be done!

“According to the records, but there might be some exaggeration,” Long Mei said.

“But... according to the records, there were indeed many great cultivators at the tribulation stage in the Church of the Massacre Immortal.”

Gu Xinghe gritted his teeth and said, “How could this Qin Yu know such a character? !”

“Don’t worry, that’s just a former masked woman. She has long been submerged in the long river of history,” someone beside him said.

When Long Mei heard this, he nodded and said, “It’s said that she appeared three times after she died, but most of them didn’t cause any waves.”

Even though that was the case, Gu Xinghe was still a little worried.

“No, we have to think of a way to kill her!” Gu Xinghe gritted his teeth and said.

At this time, Zhai Xing walked out.

He shook his head and said, “I advise you not to raise that brow. This person is temperamental and can go on a killing spree at any time.”

“If you attack her, the consequences will be unimaginable.”

“Moreover, she easily wiped out those dozens of mighty figures today. Do you think we can get rid of her with just us?”

Hearing this, Gu Xinghe immediately calmed down.

After a moment of silence, he said in a low voice, “This matter... There’s still a chance for us to consult the higher-ups.”

After such a thing happened, they temporarily calmed down.

The dispute from before had been put aside unknowingly.

Everyone was watching, afraid that something big would happen again.

On the other side, Qin Yu stayed on the nine pinnacles mountain for nine days.

After nine days, his injuries finally recovered.

“Tie Dan?” On this day, Qin Yu tried to call out in his mind.

However, tie Dan still did not respond.

Qin Yu could not help but sigh slightly.

The sudden disappearance of tie Dan made Qin Yu feel that he was already dead.

“Forget it, I can’t be bothered with him.” Qin Yu waved his hand.

He sat up from the bed and said in a low voice, “After experiencing so much, I already have the capital to step into the martial saint stage.”

With Qin Yu's current condition, he could indeed try to break into the martial saint stage.

Unfortunately, Qin Yu did not have the heavenly vanilla.

If he wanted to obtain the heavenly vanilla, he would need to rely on Tie Dan.

After bidding farewell to everyone, Qin Yu left Nine Pinnacles Mountain.

Several days passed in a row, and the matter of the Heavenly Blood Rainbow began to gradually fade away.

Ever since the last time, the Heavenly Blood Rainbow had never appeared again. Some people even went to the immortal slaying sect, but they didn't find any trace of him.

On this day, Qin Yu returned to Jingdu.

There was a grand meeting to be held in Jingdu.

This meeting was called the Hundred Spirits Meeting. The Hundred Spirits meeting was held once every five years. It was said that rare treasures often appeared at the hundred spirits meeting.

Many treasures were extremely rare, and the identity of their owners was even more mysterious.

Tie Dan did not respond, so Qin Yu could only try to come to the hundred spirits meeting to try his luck and see if he could obtain a stalk of heavenly vanilla.

He came all the way to the hundred spirits meeting. As soon as he arrived, Qin Yu saw a sneaky figure.

This figure was none other than the handlebar mustache.

Qin Yu walked forward quickly and patted his shoulder from behind.

“F * ck!”The handlebar mustache was so scared that he staggered. He looked at Qin Yu warily and muttered, “F * ck, you scared me to death!”

Qin Yu rolled his eyes and said, “You’ve done too many bad things. You’re so jumpy.”

“Fart!”The handlebar mustache waved his hand.

Qin Yu followed beside the mustached man and said, “Coincidentally, I have a few questions to ask you.”

The mustached man looked at Qin Yu warily and said, “What Questions?”

“During the incident at the martial arts hall last time, the woman who appeared wearing a mask... was it Xiao Yu?”Qin Yu asked.

“What do you think?”The mustached man said somewhat speechlessly.

Qin Yu frowned and said, “Then she...”

“Then why did she ignore you, right?”The mustached man’s tone carried a hint of ridicule.

Qin Yu nodded.

The mustached man sneered and said, “I told you long ago that she was not a kind person. To her, there is no emotion to speak of.”

“Think about it. She appeared ten thousand years ago. After living for so long, what emotion is there to speak of?”

Qin Yu frowned and said, “That’s true, but... if that’s the case, why did she stop the Sky Blood Rainbow Last Time?”

These words stunned the mustached man.

He rubbed his chin and thought for a long time. In the end, he said impatiently, “How the F * CK Would I know? I have nothing to do!”

Qin Yu still wanted to ask something, but the mustached man turned his face away. He couldn’t be bothered with Qin Yu.

“Forget it.” Seeing this, Qin Yu stopped asking. It was useless to ask too many questions.

Then, Qin Yu and the moustache man began to walk around the society.

“This society is not simple. It is said that many people come from the mystic realm, or from the west,” the moustache man muttered.

“There are many Babe that even I have never seen.”

Qin Yu smiled bitterly, “I only want to get a heavenly vanilla.”

“That thing is not good.” The moustache man said.

“Why?” Qin Yu asked.

The moustache man said, “The heavenly vanilla is extremely embarrassing. To those who need it, it is a rare item. But to those who do not need it, it is no different from the weeds on the roadside.”

Qin Yu could not help but sigh slightly when he heard this.

Without the heavenly vanilla, Qin Yu would not be able to become a martial saint.

“It seems that it is not that easy to obtain a stalk of heavenly vanilla,” Qin Yu muttered.

The mustached man waved his hand and said, “There are plenty of Babe at the hundred spirits gathering. There must be something you want. Don’t keep your eyes on the heavenly vanilla.”

Qin Yu grunted in gratitude and didn’t say anything else.

The society was extremely large, almost the size of a county.

Not only were there rare treasures, but there were also clothes, food, and accommodation.

The society lasted for up to a month. It was said that this month would bring great economic benefits to the local area.

Along the way, people kept greeting Qin Yu. Ever since the incident last time, Qin Yu’s voice in the crowd was extremely loud.

“Do you see that? If this Qin Yu raises his arms and waves, who knows how many people are willing to follow him.” In the dark, a pair of eyes was coldly looking at Qin Yu.

“These people are just fence-sitters,” Gu Xinghe said with a sneer.

“Today, they see Qin Yu as a hero. Tomorrow, they may hate him to the bone.”

“And this hundred spirits society is an opportunity for us..”

Chapter 982: Chapter 982, Iron Egg cowered

There were many people from the Elfy society who came to attend.

Regardless of whether they were strong or weak, they would all come to join in the fun.

This kind of gathering would usually gather people from the same circle.

Gu Xinghe looked coldly in the direction of Qin Yu, the corners of his mouth curling up into an imperceptible sneer.

“My Plan can continue to be carried out,”Gu Xinghe said with a sneer.

...

Time flew by, and in the blink of an eye, it was night time.

Qin Yu and the moustache man found a hotel to stay in for the time being. Before they could pay the bill, a passionate person paid for Qin Yu.

“So Passionate,”Qin Yu couldn’t help but sigh.

“Yeah, you’ve been in the limelight at the Martial Arts Symposium Hall. I don’t know how many people now regard you as their idol,”the moustache man muttered.

Qin Yu smiled bitterly. He had never thought of this before.

Qin Yu's harvest for the entire day was almost zero because the Hundred Spirits Society was simply too big.

The two of them walked around once, but they had also walked less than one-tenth of it.

After returning to the hotel, Qin Yu closed his eyes slightly. He planned to once again try to find that tiny opportunity of a martial saint.

However, for some unknown reason, Qin Yu could clearly feel that he was only a hair's breadth away from becoming a martial saint, yet he still felt that there was something missing.

“Hu...”

After a while, Qin Yu opened his eyes and could not help but frown.

“This is strange.” Qin Yu touched his chin.

“Could it be that I still have a problem with my choice of path?”

It was as if he was separated from becoming a martial saint by a layer of window paper. However, this layer of window paper was always unable to pierce through.

“It seems that my dao heart is still not enough to become a martial saint.” Qin Yu thought to himself.

He looked at the handlebar mustache at the side. The handlebar mustache was snoring loudly.

Qin Yu said in a low voice, “What would the path of a person like the handlebar mustache be?”

At this moment, Qin Yu could not help but think of Xiao Yu.

Perhaps, she had already stepped into the martial saint realm? After all, she had several reincarnated memories. She was already very familiar with the path of a martial saint.

As he thought about this, Qin Yu fell into a deep sleep.

However, he did not know that someone was already taking action in the dark.

In a dark room.

He Teng stood in front of Gu Xinghe with a cruel smile on his face.

He licked his lips and said, "I can do what Tian Xuehong failed to do, and someone is taking the blame for it. I really don't dare to think..."

Gu Xinghe said with a sullen face, "Don't talk nonsense. Hurry up and go. Remember, don't let anyone find out."

He teng nodded and said, "Don't worry. I'm good at this kind of thing."

Then, he teng turned around and walked out.

The next morning, a few dried corpses appeared in many rooms.

However, no one thought much about it. They thought it was revenge, so they didn't cause too much trouble.

...

Qin Yu and the moustache man left their residence early and went to the hundred spirits gathering to continue searching for the heavenly vanilla.

But for the entire morning, Qin Yu and the moustache man didn't find anything.

"Looks like the quality of this year's hundred spirits gathering isn't too good." The moustache man stroked his beard and muttered.

"In the past, the hundred spirits gathering would always produce some earth-shattering treasures."

"I remember that the last hundred spirit gathering seemed to have unearthed an incomplete supreme artifact."

Qin Yu frowned and exclaimed, "What? Supreme Artifact?"

"Yes, but it's incomplete. As for whether it can be used or not, no one knows," the mustached man said.

"In short, until now, I haven't seen anyone use it."

Qin Yu said in a low voice, "If I obtain a supreme artifact, won't I be able to run rampant in this world?"

"You can say that," the moustache man said.

"But the premise is that it can be used. If it can't be used, then it's useless."

Qin Yu smiled and said, "As long as it can be obtained, there will always be a way to repair it."

With that said, the two continued to walk forward.

A long street was filled with people.

On both sides of the road, there were many houses along the street. These houses were rented out and used to sell treasures.

Qin Yu and the handlebar mustache shopped one by one. Finally, they stopped in front of a door that didn't look very big.

The handlebar mustache picked up a scroll and said, "What is this?"

The shop owner said, "Treasure map."

Hearing this, the handlebar mustache was immediately interested.

"Treasure map? Isn't that my old profession?" The handlebar mustache said with a smile.

After a round of bargaining, the treasure map was bought for 300,000 yuan.

"Boss, do you know where there is heavenly vanilla?" Qin Yu asked.

The shop owner shook his head and said, "I've never heard of it."

Seeing this, Qin Yu couldn't help but smile bitterly.

"Let's go." Qin Yu and the mustached man waved their hands and continued to walk forward.

After walking through a few more shops, both of them looked a little tired, so they stopped next to one of the shops.

This shop looked quite ordinary, and there were not many things in it.

The handlebar mustache took the lead and walked in. He picked up the things on the table and carefully observed them.

Qin Yu, on the other hand, released his divine sense and checked every single one of them.

“Put that leaf in the corner of the east wall into your bag. That’s a treasure!”

At this moment, Tie Dan’s voice sounded in Qin Yu’s mind.

Hearing this, Qin Yu said in surprise, “You’re still alive? I thought you were dead.”

Iron egg said anxiously, “Don’t talk nonsense. Go and get that leaf!”

Qin Yu didn’t dare to waste time. He quickly went over and took the leaf.

“Boss, how much is this leaf?” Qin Yu asked.

The boss said, “Take it for 500,000 yuan.”

“500,000 yuan? That’s too expensive. This thing looks ordinary,” Qin Yu muttered.

“Don’t bargain. Buy it before anyone finds out!” Tie Dan said anxiously.

Seeing this, Qin Yu quickly changed his words, “Boss, I want this thing.”

Then, Qin Yu swiped his card and bought the leaf.

After keeping the leaf in his bag, Qin Yu asked, “What exactly is this leaf?”

Tie Dan snorted lightly, “Kid, consider yourself lucky. This thing is called the scarlet flame leaf. Its function is also very simple. It can increase the power of your divine sense.”

“The more powerful your divine sense is, the more powerful you will become after you become a martial saint.”

Qin Yu exclaimed, “It can directly increase the power of your divine sense? There’s such a treasure?”

“If you don’t believe me, you can give it to me,” tie Dan said impatiently.

Qin Yu touched his nose and changed the topic. “Speaking of which, why did you disappear suddenly last time? I was just about to let you take over my body.”

Iron Egg couldn’t help but shiver at the mention of this. He muttered, “Pull my cock down. I don’t dare to come out with that masked woman around.”

Qin Yu couldn’t help but ask in surprise, “You know her?”

“No, but I’ve heard a lot of rumors about her.”Iron Egg’s voice was a little shaky.

“Also, I saw a portrait in a big tomb back then. Through that portrait, I saw the true body of this masked woman. That scene... I couldn’t help but Shiver.”Iron Egg shivered.

Qin Yu couldn’t help but raise his eyebrows and said, “Aren’t you known as the number one killer God? Why? Are you cowardly now?”

“What do you know!”Iron Egg said with some dissatisfaction.

“You haven’t experienced her era. Let me tell you, you are unlucky.”

“With your talent, you will be invincible in the world in time.
Unfortunately, the masked woman was resurrected in this life..”

Chapter 983: Chapter 983, the sinister Gu Xinghe

“What do you mean?”Qin Yu asked, puzzled.

Tie Dan sneered, “In the long river of history, there have been countless geniuses. All of them are like stars in the sky, but as long as they share the same life with her, they will eventually die at her hands.”

“Remember, it’s every life!”

Qin Yu couldn’t help but frown.

“It’s not as exaggerated as you say, is it?”Qin Yu said with some doubt.

Tie Dan sneered and said, “Believe it or not, every era will have top-notch geniuses that can suppress the same generation, but all the geniuses died at her hands.”

At this point, tie Dan squatted down and continued, “But you are also lucky. As long as she is resurrected, it is usually a big era.”

“Great era? What does that mean?”Qin Yu asked.

Iron egg said, “She has been reborn four times in total, and she has grown up two times in total. And these two times are the most prosperous era in the past ten thousand years.”

“There will be more geniuses in the great era, and the competition will be fiercer. There will be more top-notch talents born.”

Qin Yu didn't say anything.

Tie Dan sounded like he was telling the truth, and it didn't seem like he was lying.

Qin Yu continued to ask, “Then do you know what cultivation level this masked woman is at?”

“I don't know.” Tie Dan shook his head.

“But I can tell you that cultivators at the tribulation stage are the end of their cultivation path. Very few have reached this level.”

“But many have died in her hands.”

Qin Yu curled his lips.

The handlebar mustache, the Sky Blood Rainbow, and the current tie dan seemed to be extremely afraid of the masked woman.

Especially tie Dan.

He was obviously an extremely arrogant person, but the moment he saw the masked woman, he immediately chose to sleep.

But in Qin Yu's impression, she was clearly a brat who followed behind him.

“I don't believe that there's no one stronger than her,” Qin Yu snorted lightly.

Tie Dan waved his hand and said, “If you say ten thousand years ago, then it’s almost a legend. No one has seen it, so there’s no way to verify its authenticity.”

Qin Yu didn’t continue to ask.

He put away the scarlet fire leaf and left the place with the handlebar mustache.

After another day, the two of them still had little to gain.

This couldn’t help but make the handlebar mustache feel a little annoyed.

“If we can’t get the Babe, it means that someone else beat us to it,”the handlebar mustache sighed.

With that, he took out the treasure map in his hand and opened it.

“But we can take a look at this place.”

The mustached man took out the treasure map and started to compare it with the world map to find the location on it.

“We can take a look at this place,”reminded iron egg.

Qin Yu asked, “What? Are there really treasures here?”

“I don’t know, but according to my impression, this place is most likely a battlefield,”tie Dan said.

Qin Yu nodded slightly and said, “Okay, I got it.”

That night.

He Teng continued to move.

That night, several more people died at his hands, and the methods of committing crimes were exactly the same.

The next day, while Qin Yu was strolling with the handlebar mustache, he heard people discussing this matter.

Of course, Qin Yu didn't think too much about it. After all, it wasn't uncommon for people to kill in the martial arts world.

Moreover, this was the Hundred Spirits Association, which was looking for treasures. There was a possibility that someone might kill people and steal their goods.

In the next few days.

Qin Yu and the handlebar mustache continued strolling through the Hundred Spirits Association, resting wherever they went.

For five consecutive days.

A total of eighteen people died in the Hundred Spirits Association.

Each of them looked exactly the same before they died. It was a tragic sight.

“What's going on? Could it be that someone killed them and stole their goods?”

“This method... feels somewhat similar to the sky blood rainbow back then.”

“Impossible. The Sky Blood Rainbow has already been scared out of his wits. How dare he do such a thing again!”

“I saw the murderer with my own eyes. He was wearing a black robe and his internal Qi was extremely sinister!”

The more this matter spread, the more mystical it became. Some people even said that they saw the murderer eating flesh and bones.

“It seems that places with treasures are more dangerous,”Qin Yu said lazily with his hands on the back of his head.

“Who cares? Just Don’t blame us,”the mustache man muttered.

Qin Yu naturally couldn’t be bothered to care about such things.

In a room.

Gu Xinghe’s lips curled into a sneer.

“It’s about time to guide them,”Gu Xinghe said indifferently as he knocked on the table with two fingers.

Then, he looked at long brows and said, “Send someone to spread the word that this method is exactly the same as the spell that Qin Yu used.”

“Yes.”Long brows nodded quickly.

That night, Gu Xinghe called he teng to his room.

“Young Master Gu...”he teng leaned forward slightly.

Gu Xinghe nodded and said, “How is it? is your cultivation going well?”

He Teng licked his lips, squinted his eyes and said, “At this rate, it won’t be long before I can enter the martial saint realm...”

“Hahaha, not bad! You really live up to your reputation as the number one genius of the Central Plains!” Gu Xinghe said with some admiration.

“It’s all thanks to young master Gu’s guidance...” he teng said with a smile.

Gu Xinghe waved his hand. He took out a hat from his pocket and placed it in front of He Teng.

“What’s This?” He Teng asked in confusion.

Gu Xinghe sneered, “This is the hat that Qin Yu wore. Remember, find an opportunity to deliberately reveal a flaw and leave this hat at the scene.”

He Teng narrowed his eyes and sneered, “I got it.”

He took the hat, turned around, and walked out.

After he teng left, Zhai Xing strode in.

He looked at Gu Xinghe in front of him and said in a low voice, “If you want to kill Qin Yu, I can help you get rid of him now. Why frame him like this?”

Gu Xinghe glanced at Zhai Xing and snorted, “Uncle Zhai Xing, although you are powerful, you don’t know how to run an organization at all!”

“After this period of time, the prestige of the Jingdu martial arts association has been greatly damaged. We urgently need something to prove our worth and take back the hearts of the People!”

Zhai Xing could not help but sneer, “So you create your own enemies and destroy them yourself?”

“That’s right!” Gu Xinghe said faintly.

“This method is the simplest and most effective because those ants usually don’t have the ability to distinguish themselves and rely on others to think.”

“Moreover, Qin Yu’s voice is too loud right now.. If we get rid of him without any charges, then the public’s hatred towards the Jingdu martial arts association will probably reach its peak and explode!”

Chapter 984: Chapter 984, Unimaginable!

Gu Xinghe’s scheming made Zhai Xing feel a little scared.

He looked at Gu Xinghe in front of him and didn’t know what to say for a moment.

“Alright, Uncle Zhai Xing, I know what to do.” Gu Xinghe waved his hand and ignored Zhai Xing.

...

The next day.

The number of deaths had reached 25.

This immediately made Qin Yu begin to pay attention to it.

He and the handlebar mustache came to the door of the corpse room.

Looking at the corpse on the ground, Qin Yu could not help but frown slightly.

“This technique... seems somewhat familiar.”Qin Yu’s expression did not look too good.

“It’s he teng again?”Qin Yu’s eyes narrowed slightly, and his expression could not help but become a bit cold.

Before the discussion hall, he teng had used this technique and framed Tian Xuehong.

He didn’t expect that he would appear again at the Hundred Spirits Meeting!

“This he teng... We really can’t let him stay!”Qin Yu couldn’t help but feel a little resentful.

“Mr. Qin, you have to be careful recently.”At this time, a stranger beside him whispered.

Qin Yu said with some confusion, “Me? What am I careful of?”

The other party said mysteriously, “There are rumors in the crowd now that the killing method is very similar to the one you used before!”

Hearing this, Qin Yu’s expression immediately changed! He had a bad premonition in his heart!

“Of course, I definitely don’t believe it!”The martial artist added another sentence.

“Mr. Qin was willing to risk his life for everyone. Why would he do such a Thing?”

Qin Yu bowed slightly and said, “Thank you for Your Trust.”

Even though he said so, the worry in Qin Yu's heart became more and more serious.

The Mustache Man at the side came forward and said, "What are you worried about? Didn't those people say that they didn't believe that you did it?"

Qin Yu shook his head and said, "Three people make a tiger. No matter how fake it is, once there are too many rumors, it will become true."

The man with the handlebar mustache touched his chin and seemed to think that it made sense.

"How about... We leave the Society?" The Man with the handlebar mustache asked.

Qin Yu took a deep breath and said, "Do you think it's useful to leave? If we leave, we will not be able to clear our name."

"Then what should we do?" The mustached man asked.

Qin Yu opened his mouth, but he couldn't think of a good idea.

"If we can find he teng before then, it's naturally for the best." Qin Yu took a deep breath.

With that, he released his divine sense, covering almost the entire hundred spirits society!

But unfortunately, Qin Yu couldn't find he teng.

"I suspect that this matter is related to the martial arts association of Jingdu," Qin Yu said in a low voice.

“Something to do with them?” The Mustache Man could not help but feel a little surprised.

Qin Yu hummed in gratitude and said, “If it really has something to do with them... then we’ll be in trouble.”

“Forget it. I’m doing my job properly. If it’s not something I did, no one can pin it on me.” Qin Yu waved his hand and said.

Right now, for Qin Yu, the most important thing was to find out as soon as possible how to become a martial saint and find the heavenly vanilla.

When he returned to his residence at night, Qin Yu took out the scarlet fire leaf.

This scarlet fire leaf looked ordinary. Not to mention Qin Yu’s eyesight, even his handlebar mustache could not tell that it was extraordinary.

“How should I use this scarlet fire leaf?” Qin Yu asked in his mind.

Tie Dan said, “Don’t you have spiritual fire? Throw this scarlet fire leaf into the spiritual fire. Of course, control the strength of the fire. Otherwise, it might destroy this scarlet fire leaf.”

Qin Yu immediately nodded when he heard this.

He held his breath and stretched out his palm, and a wisp of spiritual fire fell into his palm.

The purple flame danced in the darkness like a dance, looking beautiful and enchanting.

Qin Yu used his other hand to pick up the scarlet fire leaf and put it into his right hand.

Then, Qin Yu focused all his attention on the flame and carefully roasted the scarlet fire leaf.

A few minutes later, the scarlet fire leaf started to shine with a golden light like gold!

As the spiritual fire burned, the golden light grew brighter and brighter!

The outer skin began to peel off, revealing layers of gold!

“Enough, enough!”

At this moment, Iron Egg’s voice sounded in his mind.

Qin Yu hurriedly put away the spiritual fire and looked at the scarlet fire leaf.

At this moment, the Scarlet Fire Leaf was flickering in the darkness like a red-hot meteorite.

“Well done, Qin Yu! Your eyesight has improved. You actually got a scarlet fire leaf?”The mustached man at the side said in surprise.

Qin Yu said in surprise, “You actually know that this is a scarlet fire leaf?”

“Nonsense. I’ve traveled all over the world. What haven’t I seen?”The mustached man said with a smile.

Qin Yu didn’t think too much about it. However, tie Dan in his mind said coldly, “I’m afraid this friend of yours isn’t simple.”

“HMM? Why do you say that?”Qin Yu said with some confusion.

Tie Dan said coldly, "As far as I know, the scarlet fire leaf has disappeared for more than a thousand years. Unless it's someone who has lived for more than a thousand years, it's impossible to recognize it at first glance."

Qin Yu scratched his head and said, "You're thinking too much. There are many things from a thousand years ago. Many people can still recognize it."

"The scarlet fire leaf is different. This thing completely disappeared a thousand years ago. There's no record of it," Tie Dan continued.

"He may be able to tell that this thing is extraordinary, but it's impossible for him to know that this thing is called the scarlet fire leaf. Unless he existed a thousand years ago!"

Qin Yu could not help but look at the handlebar mustache in surprise.

He had long guessed that the handlebar mustache was not simple, but he never thought that he had actually lived past a thousand years!

"Hey, Qin Yu, can I use this treasure map to exchange with you?" The handlebar mustache leaned forward and said with a smile.

Qin Yu rolled his eyes and said, "Go to Hell, in your dreams."

"Cheh, stingy," the handlebar mustache muttered.

Qin Yu carefully picked up the scarlet flame leaf and planned to refine it at this time.

"By the way, you have to take good care of this scarlet flame leaf. This item can raise your divine sense." The mustached man beside him reminded.

After he finished speaking, he even muttered, “Comparing people really pisses me off. With your physique, you are already invincible after stepping into the martial saint realm. Now, you can raise your divine sense again...”

“God, I really can’t imagine what it will be like when you become a martial saint. Who knows, you might even be able to fight against a mighty figure....”

Chapter 985: Chapter 985, Secrets of the Dao Protector

Qin Yu rolled his eyes and said, “It’s not that exaggerated. Fighting against a mighty figure? With just me?”

A mighty figure was a realm that was unreachable. That was an existence that possessed heavenly power.

The mustached man muttered, “It’s really hard to say. I saw it the other day. Your divine sense is much stronger than those of the same level.”

“With your special physique, it’s not impossible for you to become a martial saint and fight against a mighty figure in the future.”

Even tie Dan, who was in his mind, replied, “Yes, what he said makes sense.”

Hearing the words of the two of them, Qin Yu instantly looked forward to it even more.

He looked forward to the day he would become a martial saint.

At this moment.

Qin Yu suddenly felt a strong murderous aura around him.

“HMM?” Qin Yu frowned.

This aura... was very similar to he Teng’s internal Qi!

“It’s definitely he teng,” Qin Yu said coldly.

Then, Qin Yu got up and was about to leave.

At this moment, Qin Yu’s phone rang.

He picked up the phone and saw that the caller was an unknown number.

Qin Yu didn’t have time to think. He walked out and picked up the phone.

“Don’t go out!”

As soon as he picked up the phone, a cold voice came from the other end.

This voice sounded familiar, as if he had heard it somewhere before.

“You Are... Zhai Xing?” Qin Yu said in surprise.

The other party didn’t answer this question. Instead, he said, “Don’t go out. Otherwise, you will definitely take the blame.”

After saying this, the other party directly hung up the phone.

Qin Yu’s expression was extremely cold.

“What’s Wrong?”The mustached man asked.

Qin Yu took a deep breath and said, “It’s a call from Zhai Xing. He asked me not to go out.”

“Zhai Xing?”A trace of surprise immediately appeared on the Mustached Man’s face.

Qin Yu sat on the bed, his expression extremely conflicted.

If he did not go out, others might suspect him.

But if he went out, he would be even more suspected.

He was caught in a dilemma.

“It really is the JINGDU martial arts association’s doing.”Qin Yu took a deep breath.

“It seems that I have underestimated this Gu Xinghe.”

He sat by the bed and hesitated for a long time. In the end, he turned around and walked out.

Since he would be suspected no matter what, he might as well try to catch he teng!

As soon as he stepped out of the door, Qin Yu saw he teng rushing out.

As usual, his entire body was wrapped in a black robe, and a sinister aura filled the entire street. Qin Yu’s internal Qi was extremely dense.

“Stop!”Qin Yu shouted.

He Teng stopped in his tracks. He opened his mouth and said in a low voice, “Qin Yu...”

“He Teng! You Can’t Leave Today!” Qin Yu’s internal Qi exploded as he shouted.

He Teng licked his lips and said, “Since I dared to come, I naturally have a way to escape...”

Qin Yu did not waste any more time with him. He immediately executed the line word incantation and arrived in front of He Teng in the blink of an eye!

He Teng’s pupils suddenly constricted! Clearly, he did not expect Qin Yu’s speed to be so fast!

“Bang!”

Before he teng could react, Qin Yu’s fist had already smashed into his chest!

This punch directly pierced through He Teng’s chest! Blood instantly gushed out!

“So Strong...” he teng grinned and said with a smile that was not a smile.

Qin Yu’s feet moved, and heavy falling space was instantly cast!

Then, Qin Yu raised his hand and threw the absolute beginning sacred fist at He Teng!

But at this moment, he Teng’s body turned into balls of black energy!

Qin Yu’s fist instantly missed!

The balls of black energy surged in different directions!

“Although I really want to fight with you, now... is not the time...” He Teng’s voice came from all directions.

“Don’t worry... I am about to become a martial saint. When that time comes, I will definitely kill you!”

After he teng left these words, he disappeared without a trace!

Qin Yu’s expression was extremely ugly.

“He escaped again...” Qin Yu took a deep breath.

“Before you become a martial saint, I’m afraid it will be very difficult to kill him,” the Mustache Man said in a deep voice.

“You must seal off the space in order to get rid of him.”

Qin Yu grunted in gratitude and said, “We shouldn’t stay here for long. Let’s go back.”

After he finished speaking, the two of them quickly turned around and returned to their residence.

That night, Qin Yu had a bad premonition in his heart.

He had gone out to look for he teng because it was a risk. If he could not catch he teng, his suspicion would multiply.

“Forget it, do whatever you want.” Qin Yu waved his hand impatiently.

Qin Yu could not be bothered to care about what others thought. Only strength belonged to him.

That night, Qin Yu closed his eyes slightly and tried to find the path to become a martial saint again.

However, for some unknown reason, he still felt that something was missing.

It was as if he was missing a trace of opportunity.

For half a night, Qin Yu was drenched in sweat, but he still could not find that trace of opportunity.

Qin Yu had no choice but to temporarily give up.

“You must not be impatient to become a martial saint,” Tie Dan said in his mind.

“If you really can’t, you can go and beg your father. With his ability, it’s not difficult for him to let you become a martial saint.”

Qin Yu smiled bitterly and said, “I don’t even know where he is, how can I ask him?”

When he said this, Qin Yu asked curiously, “By the way, do you know what stage my father is in?”

“I don’t know.” Tie Dan shook his head and said.

“The strength of every guardian is a mystery.”

Qin Yu grunted and did not continue to ask.

His father had said that he would see him when he was strong enough.

Qin Yu lay on the bed, tossing and turning, unable to fall asleep.

At that moment, Qin Yu suddenly sat up from the bed.

“Tie Dan, let me ask you something,” Qin Yu said.

“... Don't fucking call me tie Dan!” Tie Dan said angrily.

Qin Yu ignored him and continued to ask, “Do you know the Yan Family? and the bloodline of the Yan Family?”

Tie Dan was stunned and said in surprise, “Yan Family? Which Yan family are you talking about?”

“I don't know either. Anyway... They all said that my girlfriend has an extremely powerful bloodline.”

After saying that, Qin Yu told tie Dan what had happened.

Including how the various secret realms and the martial arts association of Jingdu had snatched Yan Ruoxue away.

Hearing this, tie Dan couldn't help but take a deep breath and murmured in a low voice, “According to you, I'm afraid there's only that Yan family....”

Chapter 986: Chapter 986, Dilemma

Hearing this, Qin Yu hurriedly asked, “Do you know the Yan Family?”

Tie Dan said indifferently, “From your description, it can only be the Yan family that has been passed down for many years.”

Qin Yu nodded and said, "Continue."

Tie Dan cleared his throat and said, "The Yan family is a family with an ancient heritage. It is said that their complete bloodline is extremely powerful. They were once considered as one of the most powerful bloodlines in the world."

"According to my understanding, when the bloodline reaches 80% , they are qualified to become the head of the Yan family. 100% ... I have never seen it before."

Qin Yu immediately frowned.

"80% ? That Yan Jinyao... seems to be 80% , but he was not taken away by the Yan family,"Qin Yu said in a low voice.

"That can only mean that he is not born with a bloodline,"tie Dan said with his hands spread out.

"There is a huge difference between a natural and acquired bloodline."

"If he is born with 80% of a bloodline, the possibility of him entering the tribulation state in the future is very high. As for how strong he will be... no one knows."

At this point, tie Dan could not help but sigh, "As I said, as long as the masked woman appears, it will definitely be a great era. Now it seems that this life is really a golden era."

Qin Yu didn't say anything.

After hearing tie Dan's words, Qin Yu felt a great pressure.

"Then is the Yan family very powerful?"Qin Yu continued to ask.

Tie Dan rolled his eyes at Qin Yu and said, “What do you think of the families that have crossed the Tribulation Stage?”

“Let me put it this way. As long as a family that has crossed the tribulation stage, it will be a top aristocratic family, and its descendants will benefit from it.”

“The bloodline of a tribulation-transcending realm cultivator flows in their body. Their descendants will be very strong.”

Qin Yu scratched his head and said, “Doesn’t the immortal slaying sect also have a tribulation-transcending realm? What about their descendants?”

“Are you F * cking bullshitting me? The immortal slaying sect was destroyed. Where did their descendants come from?” Tie Dan said somewhat speechlessly.

Qin Yu suddenly came to a realization and said somewhat embarrassedly, “I see...”

“Qin Yu, in such a big era, geniuses often appear. All kinds of bloodlines that have not been seen in ten thousand years will appear. You have to be careful,” Tie Dan said with a yawn.

Qin Yu grunted and a trace of determination flashed in his eyes.

Although he felt that the pressure was a little heavy, he did not shrink back. Instead, it stimulated his fighting spirit.

The more this golden era was, the more exciting it was!

Qin Yu didn’t say anything more. He lay down on the bed and fell asleep.

The next day.

As soon as Qin Yu woke up, there was movement from downstairs.

He leaned on the window and saw two corpses being thrown at the door.

These two corpses looked the same as the previous few people. Their bodies were almost dried up.

Beside these two corpses, besides the onlookers, there was also the Purple Robe of the martial arts association of Jingdu.

“The martial arts association of Jingdu has finally sent someone,” Qin Yu said with his eyes narrowed as he rubbed his chin.

The purple robe downstairs was talking nonsense. He patted his chest and said, “Don’t worry. The Martial Arts Association of Jingdu will definitely give everyone an explanation for this matter!”

“Mr. Gu has already said that he will give us three days to catch the murderer!”

Qin Yu stood upstairs and couldn’t help but snort coldly.

“I’m afraid these people are going to pull in the net,” Qin Yu said in a low voice.

Sure enough, when Qin Yu and the handlebar mustache went to the Elfy Society that afternoon, the people around him started to look at him strangely.

Their gazes were somewhat evasive, and some people even deliberately kept a distance from Qin Yu.

“Damn it, you believe it just like that?” The handlebar mustache couldn’t help but curse.

Qin Yu sneered and said, “Like I said, three people become a tiger. No matter how fake a thing is, as long as you say it too much, it will become true.”

“Moreover, don’t forget that the mainstream media of martial arts is still in the hands of the martial arts association in Jingdu.”

The mustached man frowned and said, “Then what should we do?”

Qin Yu sighed slightly and shook his head. “It’s hard to get off a tiger. It’s a dilemma. There’s no way out.”

Everyone was just secretly suspecting that Qin Yu couldn’t just jump out and say that he didn’t do it, right?

Wasn’t that the same as admitting it without fighting?

“Ignore them.” Qin Yu shook his head.

On this day, Qin Yu could clearly feel the changes in the crowd around him.

According to Qin Yu’s calculation, at least 30% of the people were doubting him.

That night, Gu Xinghe could not help but laugh out loud.

“See? These people are just fence-sitters. Today’s hero may become a villain hated by Millions Tomorrow!” Gu Xinghe sneered.

He had long understood the hearts of the people.

“Young master Gu, do we need to release the word now?” Long eyebrows asked.

“No!” Gu Xinghe shook his head.

“If we want something to be real enough, we must not interfere directly. We must guide them from the side and let them suspect Qin Yu!” Gu Xinghe sneered.

Long Mei could not help but give Gu Xinghe a thumbs up.

“Young master Gu, I really did not expect you to have such talent! You are simply born with leadership skills!” Long Mei began to flatter.

Gu Xinghe also said with a slightly smug expression, “To deal with these people, I only need to use a little trick.”

“Qin Yu will soon understand that there are more than one way to kill people!”

Another Day passed.

The attitude of the people around Qin Yu changed again, and more and more people were afraid of Qin Yu.

Gu Xinghe even sent people to spread some seemingly rational “Analysis” among the crowd, trying to find ways to lead their suspicions to Qin Yu.

Three days later, no one dared to get close to Qin Yu.

As long as Qin Yu appeared, there would be people talking about him.

Qin Yu couldn't be bothered. He and the moustache man walked to a door, picked up a fan and asked, "Boss, how much is this?"

The Boss' expression changed, and he hurriedly said, "I... I'm not selling it."

The mustached man said unhappily, "What? Are you saying that I won't Give You Money?"

The owner was so scared that he didn't say anything, and his face was even paler.

Qin Yu waved his hand and said, "Forget it."

After walking out of the shop, the mustached man couldn't help but say, "Damn, these people are too much. A few days ago, they said that you were a hero, but in just a few days, your attitude has become like this."

Qin Yu smiled bitterly and said, "It's not their fault that someone is guiding them."

In the dark, someone looked at Qin Yu's background and could not help but reveal a trace of a cold smile.

"Young Master Wan, do you have any thoughts?" A martial saint beside him asked.

Wan Gu Qiong sneered and said, "Others may not be able to see through Gu Xinghe's methods, but I can see it clearly! In that case, I will help him!"

With that, he looked at the shop and said coldly, "Find an opportunity to kill the owner of this shop!"

Chapter 987: Chapter 987, the Furious Qin Yu

In the dark, many people had already begun to target Qin Yu.

But Qin Yu still didn't care.

After a whole day, almost no one was willing to get close to Qin Yu.

Qin Yu entered more than ten shops, but only three of the shop owners were willing to receive Qin Yu.

“Sigh.”

Qin Yu couldn't help but sigh slightly.

The handlebar mustache on the side was even more vexed.

“Don't these people have brains? Can't they think for themselves?” The handlebar mustache said angrily.

Qin Yu said helplessly, “For them, you can't ask them to think too much. Moreover, they should be afraid.”

The handlebar mustache waved his hand and said, “Then I don't care. The point is that this will delay my treasure hunt too much. It's not easy to hold a hundred spirits meeting.”

Qin Yu kicked the mustached man and scolded him with a smile, “Alright, I won't accompany you tomorrow. Come out by yourself.”

“That's more like it,” the mustached man muttered.

After returning to his residence, Qin Yu sat on the rocking chair and basked in the Sun. He closed his eyes slightly, looking quite relaxed.

“From Tomorrow onwards, you will go out by yourself. However, you have to give me some of the treasures you get,” Qin Yu said with his eyes slightly closed.

The mustached man glared and said, “Why should I?”

Qin Yu rolled his eyes and said, “If you don’t agree, I’ll go with you tomorrow. You won’t receive anything.”

“You... Alright,” the mustached man said helplessly.

“But I’m telling you, I have to distribute the things.”

“No problem.” Qin Yu nodded.

“If you can receive a stalk of heavenly vanilla for me, that would be the best.”

The mustached man mumbled, “Heavenly Vanilla, heavenly vanilla, where can I get you a stalk of heavenly vanilla...”

...

The next day.

The mustached man woke up early. After he greeted Qin Yu, he left the hotel on his own to look for treasures.

Qin Yu, on the other hand, was lying on the bed, looking rather relaxed.

“It’s said that there’s a stalk of heavenly vanilla in the second mystery realm. I wonder if it’s true,”Qin Yu muttered softly.

Qin Yu had considered asking tie Dan to go to the second mystery land to pick a heavenly vanilla for him. However, Qin Yu was still worried about tie Dan.

“Forget it. I will look for it first. If I really can’t find it, I will think of another way,”Qin Yu thought to himself.

At noon.

The man with the handlebar mustache rushed back from outside.

His head was full of big bumps and his hair was messy. He looked extremely pathetic.

Qin Yu suddenly stood up and said, “What’s going on?”

The mustached man angrily said, “These people are crazy! They are sure that you did it and beat me up when they see me! If I didn’t run fast, I’m afraid I would have been beaten to death by them!”

Qin Yu’s expression immediately became a little ugly.

He sat up from the bed and said coldly, “They attacked you?”

“That’s right. If you were here, they would have attacked you,”the moustache man mumbled.

Qin Yu frowned.

He had thought that these people would suspect him, but he had never thought that they would attack the moustache man.

“The few shops we went to yesterday, the bosses who didn’t receive us all died last night,”the moustache man said in a deep voice.

“Not only that, but one of your hats was also left at the scene. Now they are sure that you killed them.”

Qin Yu took a deep breath.

Hat? He was referring to thousand faces?

But thousand faces Qin Yu had always kept it in his spatial artifact.

“They really went to great lengths to frame me.”Qin Yu took a deep breath and said in a deep voice.

The mustached man sighed and said, “I’m afraid these people have gone crazy. Let’s hurry up and leave.”

Qin Yu didn’t say anything. He took out his phone and opened the martial arts forum.

He saw that the forum was discussing this matter.

“This person is probably really Qin Yu. Qin Yu has used such a technique before!”

“I have a video here to prove it!”

“This technique is exactly the same as Qin Yu’s!”

“Look, the hat that was left behind at the scene, is it the one that Qin Yu wore before? !”

“Impossible, how could Qin Yu do such a thing? Back then, he risked his life to fight against the Sky Blood Rainbow!”

“Hehe, a dragon-slaying warrior eventually turns into an evil dragon. Besides, who knows if he acted because he was afraid that the Sky Blood Rainbow would steal his resources?”

Looking at the comments on the Forum, Qin Yu’s expression became even uglier.

“I still underestimated them,” Qin Yu said in a deep voice.

The development of the matter had completely exceeded Qin Yu’s imagination.

Now, almost everyone did not believe him. This was something Qin Yu did not expect.

Just as Qin Yu was deep in thought, a sound suddenly came from outside.

Qin Yu leaned against the window and took a look. He found that the outside was already filled with people.

Although they did not make a big fuss, their intentions were very obvious.

Qin Yu narrowed his eyes and said in a low voice, “They actually came looking for us?”

“See, I told you. These people don’t know what’s good for them!” The Mustache Man muttered.

Qin Yu was silent for a moment, then said, "Wait for me here. I'll go down and take a look."

The mustache man muttered, "Why are you still going down? These people won't listen to your explanation."

Qin Yu sighed and said, "Then I can't hide here and not say a word. Moreover, I'm sitting upright, so I'm not afraid of them."

After saying that, Qin Yu turned around and walked downstairs.

The people downstairs were discussing something in a low voice. When they saw Qin Yu, everyone held their breath, and it was terrifyingly quiet.

Qin Yu glanced at these people and said as politely as possible, "May I know why everyone is looking for me?"

Everyone looked at each other. A moment later, someone suddenly shouted, "Qin Yu, so many people have died. Don't you think you should explain it to us?"

"That's right! These people's methods are exactly the same as yours. Did you do it or not?"

"Although we are weak, we still have the qualifications to know the truth!"

Qin Yu looked at everyone and said in a deep voice, "I didn't kill them."

"You didn't kill him? Then who else could it be? You have something at the scene!"

“The method of killing is exactly the same as yours. You said you didn’t kill him?”

“Stop pretending to be a good person!”

Hearing the comments of the crowd, Qin Yu’s heart was suddenly filled with anger.

“I said, I didn’t kill him!” Qin Yu said coldly.

“Of course you won’t admit it! Whoever killed him will admit it themselves!”

“Someone said that they saw you at the scene of the murder!”

“If you are a man, then come out. Don’t you dare to admit it!”

Qin Yu narrowed his eyes and said coldly, “If I want to kill them, why wait until midnight to do it? Do you think you are my opponents?”

A loud roar was like thunder, shaking everyone’s ears until they felt pain.

They unconsciously took a step back, a trace of fear flashed across their faces..

Chapter 988: Chapter 988, blind eyes!

Qin Yu looked coldly at the people around him, the killing intent on his body almost could not be suppressed.

“TSK TSK, what, Mr. Qin is planning to kill me to silence me and Bully Me?”

At this moment, someone walked out from the dark.

Looking over, he saw Wan Gu Qiong with his hands behind his back, smiling faintly.

Qin Yu's eyes suddenly looked at Wan Gu Qiong.

“What has it got to do with you?” Qin Yu narrowed his eyes and said.

Wan guqiong smiled faintly and said, “It doesn't have anything to do with me, but I just can't Stand Your Behavior.”

“F * ck your mother. Do you think you are qualified to stand out and pretend to be a good person?” Qin Yu said coldly.

Feeling the killing intent bursting out from Qin Yu's body, Wan Guqiong hurriedly took two steps back and pretended to be innocent, saying, “Let's talk and not fight. If you have the ability, then be reasonable.”

“Yes... Yes.” The others also whispered.

Qin Yu took a deep breath.

He wanted to tear wan guqiong into pieces immediately.

This treacherous look really made people hate him.

“I'll say it again. I didn't do this. Someone is framing me,” Qin Yu said coldly.

“As for the spell you said, I'm not the only one who can use it. There are many people in the world who know it.”

“Then how do you explain this hat?” Wan guqiong sneered.

Although Qin Yu didn't want to talk to him, he still held back his anger and took out his thousand-faced hat.

"This is my hat. That one is fake," Qin Yu said coldly.

"I don't need to say more to frame you."

The people around looked at each other and seemed to waver.

Wan guqiong said sarcastically, "Who knows if the hat in your hand is fake or not? After you went home and saw that the hat was lost, of course, you have to hurry up and get a fake one, right?"

Qin Yu didn't say anything and directly put the hat on his head.

In an instant, the thousand faces took effect and covered Qin Yu's face.

"See? If it's fake, how can it have such an effect?" Qin Yu said coldly.

Wan guqiong snorted, "As far as I know, the other hat can also have the same effect."

"Bullsh * T!" Qin Yu said coldly.

"Then tell him to take out the hat!"

Wan guqiong spread his hands and said, "The hat is not on me."

"Then shut up!" Qin Yu shouted.

"What? As a citizen, don't I have the right to question?" Wan guqiong mocked.

Qin Yu didn't pay attention to Wan guqiong anymore. He glanced at the crowd and said, "Do you believe me?"

The crowd began to discuss in low voices.

After Qin Yu's explanation, they seemed to be wavering.

"Mr. Qin doesn't seem like that kind of person."

"Yeah, he saved the building many times before. Why would he do such a Thing?"

"That's hard to say. You Can't judge a person by his appearance."

While everyone was discussing, a group of people walked over from not far away.

"Excuse me." A group of purple robes led the way.

They pushed aside the crowd and welcomed Gu Xinghe.

When he saw Gu Xinghe, Qin Yu's expression instantly turned cold.

"It really has something to do with you," Qin Yu narrowed his eyes and said.

Gu Xinghe pretended to be confused and said, "What do you mean by that? Why don't I Understand?"

Qin Yu sneered, "If you have any tricks, then quickly use them. Don't talk nonsense."

Gu Xinghe said faintly, “Qin Yu, since such a thing happened in the Elfy Society, as the person in charge of the martial arts association in Jingdu, of course, I have to come to understand the situation.”

“After a few days of investigation, we found that all the evidence pointed directly at you. What do you have to say?”

Qin Yu sneered and said, “If you want to add to the crime, there’s no need to say anything. Gu Xinghe, if I’m not wrong, this was done by He Teng, right?”

A trace of undetectable panic flashed in Gu Xinghe’s eyes, but it was fleeting.

“Don’t falsely accuse a good person,” Gu Xinghe said coldly.

“I know you won’t admit it, so I’ve long been prepared.”

With that, Gu Xinghe took out a video.

He opened the video and saw a figure shuttling back and forth.

This figure was dressed in a black robe, and his figure and back looked extremely similar to Qin Yu!

Most importantly, in the video, the black-clothed man’s technique was exactly the same as Qin Yu’s!

Seeing this video, the expressions of the surrounding people changed drastically, and they all took a step back!

“Did you all see that? Who else could it be but Qin Yu!” Gu Xinghe shouted.

Qin Yu took a deep breath and said patiently, “I didn’t see my face in that video. Also, that hat isn’t mine at all. Mine is here.”

Gu Xinghe said sarcastically, “I knew you would find a hat to replace it. Fine, I’ll make you convinced.”

After that, Gu Xinghe clapped his hands and a young man walked out from not far away.

This young man was none other than Luo Yang!

“I believe everyone knows who he is.”Gu Xinghe pointed at Luo Yang and said.

“I know, the Young Pavilion Master of the pavilion of Heavenly Secrets.”

“What does this matter have to do with him?”

Gu Xinghe sneered, “Qin Yu’s hat is called thousand faces and it was made by the pavilion of heavenly secrets. Qin Yu, you have to admit this, right?”

Qin Yu’s face was cold and he didn’t say a word.

“Luo Yang, please go and see if the hat in Qin Yu’s hand is the thousand faces of the pavilion of Heavenly Secrets,”Gu Xinghe said indifferently.

“Yes, Young Master Gu.”Luo Yang nodded.

He quickly walked towards Qin Yu.

Qin Yu lowered his head and looked at Luo Yang in front of him. He couldn’t help but emit a murderous aura.

“Luo Yang, you’ve already harmed me once,”Qin Yu said coldly.

Upon hearing this, Luo Yang hurriedly took two steps back and said in horror, “Qin... Qin Yu, don’t kill me. I... I can’t tell if it’s true or not. That’s enough, right? Please don’t kill me...”

“You!”Upon hearing this, Qin Yu was instantly enraged!

Luo Yang’s treachery was far beyond Qin Yu’s imagination!

“Qin Yu, is this a good way to threaten others?”Gu Xinghe took the opportunity to say.

“Luo Yang, just say it. I believe that everyone here will stand up for you!”

Luo Yang pretended to look at Qin Yu in horror. He took two steps back and whispered, “The hat in Qin Yu’s hand... is not a thousand faces at all...”

Once these words were said, the entire place was in an uproar!

Now, all the evidence pointed at Qin Yu!

Everyone hurriedly retreated. They could not help but look at Qin Yu with fear and a hint of disgust.

Qin Yu only felt that his chest was full of anger, and his body was more like a primitive beast imprisoned.

And this beast seemed to be about to explode at any time!

“I’ll say it again. This is all a frame-up by the martial arts association of Jingdu. You should know who I, Qin Yu, AM,” Qin Yu looked at the crowd and said while suppressing his anger.

But this time, no one responded to Qin Yu.

Qin Yu forcefully suppressed his anger and said, “None of you believe me?”

The scene was silent. The only response to Qin Yu was a look of disgust.

Seeing this scene, Qin Yu couldn’t help but laugh coldly.

“Hehe... hahahaha! A bunch of blind people!” Qin Yu said furiously.

“Alright, since you said that I did it, then I did it! I don’t need to explain to you anymore!”

As he spoke, the killing intent on Qin Yu’s body instantly exploded!

Chapter 989: Chapter 989, find the TAO technique!

Looking at the Mad Qin Yu, everyone immediately scattered in fear.

They looked at Qin Yu as if they were facing a great enemy. The hostility in their eyes made the already angry Qin Yu even more furious!

“Don’t be afraid, everyone. Since we’re here, we naturally won’t let him do whatever he wants!” Gu Xinghe said confidently.

“Don’t worry, we won’t just sit and do nothing,”Wan Gu Qiong also said.

Then, he saw three martial saints walk out.

A cold smile hung on the corners of their mouths, and their bodies were even more arrogant.

Qin Yu once again suppressed his anger.

He looked at the crowd and said, “Since you all said it was me, then it’s me. From today onwards, I’ll leave the Hundred Spirit Society.”

“Leave? You can leave just because you want to?”Gu Xinghe raised his brows.

“Then we’ll have to ask if everyone agrees.”

After saying that, Gu Xinghe looked at the crowd and asked, “Do you agree with him leaving?”

After a short period of silence, someone quickly said in a low voice, “We can’t let him leave. If we let him leave, wouldn’t we be letting him become the next Sky Blood Rainbow?”

“That’s right! With the example from the past, we must eradicate the roots and kill him!”

“We definitely can’t let him leave Alive!”

The voices became louder and louder, and almost everyone pointed their spears at Qin Yu.

“Qin Yu, did you hear that? It’s not that I don’t want you to leave, but it’s that it’s hard to go against the will of the people!”Gu Xinghe said in a strange tone.

There was no longer a sorrowful expression on Qin Yu’s face. There was only a strong killing intent and crazy laughter!

“Hahahaha! Good, good!”Qin Yu’s laughter was like rolling thunder, causing everyone to be shocked!

At this moment, the wild beast that was suppressed in his body seemed to be completely unable to be stopped!

“Back then, I risked my life to save all of you. Now, all of you want me to die. Good!”Qin Yu shouted loudly.

The killing intent on his body had already erupted to the extreme and he could no longer endure it!

“Pay attention, capture him as soon as possible,”Gu Xinghe reminded.

“Mm.”The three martial saints moved forward at the same time.

“Whoosh!”

At this moment, Qin Yu’s figure suddenly disappeared and charged into the crowd!

He was like a wild beast that had gone mad, and more like he had lost his mind!

His large hand covered the area and directly smashed a head!

Wherever his palm passed, several people fell to the ground and could not get up!

His cruel methods were shocking!

However, at this moment, Qin Yu did not feel the slightest bit of guilt. Instead, he felt extremely carefree!

“You bunch of damnable things!” Qin Yu roared again and again!

“Hurry up and kill him!” Gu Xinghe said coldly.

“I want to leave, but none of you can stop me!” Qin Yu roared.

After a furious roar, Qin Yu turned around and left like a gust of wind!

“You can’t Leave!” A martial saint shouted.

They hurriedly used their techniques to seal the space!

However, what shocked everyone was that Qin Yu had shattered the space with a single punch! Then, he turned around and left!

“I hope you don’t regret it, Hahaha!” Qin Yu’s crazy smile was still echoing.

At this moment, Qin Yu’s heart was filled with an intense killing intent.

Qin Yu had been suppressing this killing intent for a long time. Today, when he suddenly released it, Qin Yu only felt comfortable all over!

He quickly ran into the distance. After running for an unknown amount of time, the killing intent in his heart was slightly restrained.

Standing in this spacious area, Qin Yu didn't say a word. His eyes looked into the distance.

“What? The feeling of being wronged by someone isn't good, is it...” Tie Dan said in a low voice.

Qin Yu didn't say anything. He closed his eyes slightly, thinking about something.

Tie Dan thought that Qin Yu was feeling guilty, so he said, “When I first started killing, I was just like you. I felt very guilty... but they were malicious first, so I killed them.”

“You were the same. You risked your life to save them, but they saw you as an evil person. You deserved to kill them...”

Qin Yu remained silent. A moment later, he sat down cross-legged.

This made Tie Dan even more confused.

“You...”

“Don't speak!”

Tie Dan wanted to say something, but was interrupted by Qin Yu.

Seeing this, Tie Dan could only shut his mouth.

Qin Yu closed his eyes slightly in this empty area.

A trace of internal Qi surrounded him.

In the air, there seemed to be golden rays of light gathering toward Qin Yu.

Qin Yu just sat there, seemingly enjoying this feeling.

...

On the other side, Gu Xinghe was overjoyed!

He immediately arranged for people to make a statement on the martial arts forum!

He also posted the video of Qin Yu killing people in a frenzy on the martial arts forum!

When he saw that video, the condemnation of Qin Yu on the Internet increased exponentially!

Almost everyone was sure that Qin Yu was the murderer!

“Haha, hahahaha!” Seeing this, Gu Xinghe couldn’t help but laugh out loud.

“See that? This is called killing the heart! Just a Little Qin Yu wants to fight with the Martial Arts Association of Jingdu? This is ridiculous!”

Long Mei and the others immediately flattered, “Young master gu is wise. With just a few tricks, you destroyed his reputation, Qin Yu...”

Gu Xinghe said calmly, “Does he really think it’s that easy to overthrow the martial arts association of Jingdu? What a joke!”

“Young master Gu, but that Qin Yu hasn’t been caught yet. Will there be any risk?” Long Mei asked.

Gu Xinghe smiled faintly, “He can’t escape. After such a thing happened, everyone sees him as an enemy. How can he escape?”

“What people fear the most is becoming the public enemy. Once he becomes the Public Enemy, there will be no place to hide!”

Long brows cupped his hands and said, “Young Master GU is wise!”

Just as they were “Happily enjoying themselves”, Zhai Xing walked in.

He glanced at GU xinghe and said, “Young master Gu, Yan Jinyao and the other young disciples have already tried to enter closed door cultivation to become a martial saint. It’s time for you to think about it.”

After saying this, Zhai Xing walked out.

Gu xinghe snorted lightly, “It’s effortless for me to become a martial saint.”

Of course, this was only what he thought.

Without a clear dao heart, becoming a martial saint was like ascending to the heavenly moat.

...

At this moment, Qin Yu was still sitting cross-legged on this vast land.

The surrounding golden threads wrapped around Qin Yu’s body. These golden threads originated from the Great Dao!

After an unknown period of time, Qin Yu suddenly opened his eyes!

“I’ve finally found my own dao technique!” Qin Yu’s eyes were bright and full of vigor..

Chapter 990: Chapter 990, a blessing in disguise!

All along, Qin Yu had always felt that he was a little far from finding his own Daoist technique.

After experiencing this incident, Qin Yu had finally found his own Daoist technique.

“I really didn’t expect that I would actually find a blessing in disguise.” Qin Yu took a deep breath.

His Daoist technique was to kill the righteous path!

Only by killing decisively could one step into the martial saint realm!

And Qin Yu would also cultivate on this path until the end!

“Kill the Righteous Path?”

Tie Dan seemed to have guessed something.

Qin Yu replied, “Although my dao technique is similar to yours, they are not of the same lineage.”

Tie Dan sneered, “How do you know that our dao techniques are different?”

“Although I also rely on killing the righteous path, I won’t kill the innocent. I just shouldn’t be merciful,” Qin Yu said lightly.

“After all, I still care about the common people.”

Tie Dan snorted lightly and did not reply.

Qin Yu did not pay any more attention to Tie Dan. A trace of excitement appeared on his face.

“In this way, I am only one stalk of heavenly vanilla away from becoming a martial saint,” Qin Yu said in his heart.

After he finished speaking, Qin Yu thought of Tie Dan.

Thus, he shouted in his mind, “Tie Dan, with your ability, it should not be a problem to defeat a martial saint, right?”

“Martial saint? You’re underestimating me too much.” Tie Dan sneered.

“Although I can’t use my full strength with your body, I’m still at the peak of the Almighty Realm after all. A martial saint isn’t even worth mentioning in my eyes.”

Qin Yu hummed and said, “I need your help now. Help me go to the second secret realm to find a heavenly vanilla.”

“Heavenly Vanilla?” Tie Dan frowned slightly.

“Did your Jindan leave a hidden disease?”

Qin yuen nodded and said, “If I can’t get the Heavenly Vanilla, I won’t be able to enter the martial Saint Realm.”

“Indeed,” Tie Dan said.

“If the Jindan is damaged and can’t be repaired, once you face the martial saint’s Heavenly Tribulation, it’s very likely that you will become a cripple.”

At this point, Tie Dan changed the topic and continued, “But the heavenly vanilla usually only grows in high-level mystic realms. The second mystic realm that you mentioned is probably just an ordinary mystic realm.”

“High-level Mystic Realm?” Qin Yu frowned slightly.

“What do you mean?”

Tie Dan explained, “Although they are both mystic realms, there is a huge difference between mystic realms and mystic realms.”

“For example, high-level mystic realms and low-level mystic realms are not the same world at all.”

Qin Yu hurriedly explained, “The second mystic realm is quite big. It should not be an ordinary mystic realm.”

“Not an ordinary mystic realm? Do you know what a high-level mystic realm means?” Iron Egg’s tone carried a hint of ridicule.

“Let me give you an example. A mighty figure can create an ordinary mystic realm, but a high-level mystic realm needs to be created by a top-notch cultivator who is in the tribulation-transcending realm

“A real high-grade mystic realm’s world isn’t any worse than the current world! That’s a real world!”

Qin Yu’s expression didn’t look too good when he heard Tie Dan’s words.

Although the second mystic realm was huge, it definitely couldn’t be created by a great cultivator in the tribulation transcending realm.

Moreover, the second mystic realm could be said to be worlds apart when compared to the real world.

“In that case... there won't be any heavenly vanilla in the second mystic realm.”Qin Yu's expression was a little ugly.

Iron egg nodded and said, “99% there won't be. I advise you to give up on this idea.”

Qin Yu said in a deep voice, “Do you have a way to get the heavenly vanilla?”

“No,”iron egg said without hesitation.

This immediately gave Qin Yu a headache.

Everything was ready, only the east wind was needed. However, he had never expected that he would still be stuck at the heavenly vanilla.

At this moment, Qin Yu felt a trace of murderous intent approaching.

“Martial Saint?”Qin Yu frowned slightly.

Then, he hurriedly stood up, executed the line word formula, and turned around to leave.

He had originally planned to go to the nine pinnacles mountain. However, on second thought, he had already implicated Jiang he and Xu Huaigu too many times.

This time, it had caused even more public anger. He was afraid that the two of them would not be able to protect themselves.

“I can only temporarily set foot on the road of escape.”Qin Yu only stopped after he had fled for dozens of miles.

In this way, Qin Yu could not even stay in a hotel and could only stay in the wilderness.

In the next few days, Qin Yu was on the road of escape.

The various great mystery realms had sent out martial saints one after another, vowing to kill Qin Yu with their lives.

On the martial arts forum, there was even more clamor.

Although one could occasionally see people speaking up for Qin Yu, they would soon be suppressed.

In the blink of an eye, a week had passed.

During this week, Qin Yu was either on the run or on the road of escape.

Although he had been discovered many times, he was still able to escape with the help of the “Xing”formula.

“This is not the way to go on.”Qin Yu sighed slightly.

At this moment, he suddenly thought of a place.

Shan Nan Village! It was also the mountain village where Yu Qin was!

Back when Qin Yu was heavily injured, it was precisely in Shan nan village that he managed to escape!

Not only that, Shan nan village was more like a paradise that was hard to find!

Thinking of this, Qin Yu followed his memory and rushed to the mountain south village.

Everything in the mountain south village was the same as before.

Even though the “Old immortal” was killed by Qin Yu, Yu Qin still went to the mountain forest to pick herbs every day.

She followed the Prescription Qin Yu left for her and practiced her medical skills all day. Soon, she became a famous doctor in the mountain south village, even surpassing her father.

With the support of her superb medical skills, Yu Qin’s life was not bad. However, whenever she was free, she would think of Qin Yu, whom she had only met for three days.

“Xiao Qin, I don’t know what’s wrong with my arm. It keeps hurting. Please help me take a look,” an old man said with a trembling voice.

Yu Qin quickly came back to her senses and said with a gentle smile, “Uncle Li, please wait a moment. I’ll go and get the medicine for you.”

In the dark.

Qin Yu had already arrived near the mountain south village.

He looked at Yu Qin who was not far away and said with some satisfaction, “It seems that you are doing quite well.”

“Kid, you are always lenient.” Tie bin rolled his eyes and said.

“Screw you. I don’t have that kind of intention towards her.” Qin Yu rolled his eyes and said.

Just when he was about to walk out and greet Yu Qin, three cars suddenly stopped at the door.

As soon as the cars stopped, he saw five people walk out.

“Three Martial Saints!”

Qin Yu’s expression instantly changed drastically!

Three martial saints and two martial marquises got out of the cars! One of them was Zeng Ji!

Such power was enough to wipe out everything!

Zeng Ji strode forward and said coldly, “You guys know Qin Yu, right?”

When Yu Qin heard the name that she had been longing for day and night, her eyes instantly lit up. She said with some excitement and shyness, “I know him! Are... are you guys Qin Yu’s friends?”

Zeng Ji narrowed his eyes and asked coldly, “Has Qin Yu been here before?”

Yu Qin shook her head and whispered, “He hasn’t been here for a long time...”

Zeng Ji sized Yu Qin up and sneered, “It seems that your relationship with Qin Yu is not ordinary.”

“You... Don’t talk nonsense! I... I’m just friends with Qin Yu...” Yu Qin’s voice became softer and softer, and a hint of shyness appeared on her face unconsciously.

Seeing this, Zeng Ji immediately laughed and said, “Well, this woman and Qin Yu definitely have a special relationship!”

Then, he looked around and said coldly, “I’m officially informing you that if I don’t see Qin Yu within three days, your village... will not be spared!”

Hearing this, Qin Yu’s expression changed drastically!

“You’re courting death!” A hint of anger flashed across Qin Yu’s face!

Chapter 991: Chapter 991, martial saint’s Heavenly Tribulation!

Qin Yu had never expected that the Jingdu martial arts association would even find the Southern Mountain Village!

In the distance, Yu Qin’s expression was somewhat terrified.

She whispered, “You... aren’t you Qin Yu’s friends?”

“Hehe...” Zeng Ji laughed coldly. Suddenly, he waved his hand and slapped Yu Qin’s face!

Yu Qin’s delicate body was immediately sent flying!

Then, Zeng Ji’s body flew into the air.

“I’ll say it again. If I don’t see Qin Yu within three days, I’ll kill every single one of you!”

Zeng Ji's voice contained inner strength. His loud voice shook the entire village!

Everyone went out and raised their heads to look at Zeng Ji. They seemed to be full of doubts about Zeng Ji's appearance.

Zeng Ji's palm shimmered with light, and then he lightly slapped down.

Boom

The ground instantly sank! The houses collapsed in an instant!

"I'm not joking with you!" Zeng Ji said coldly.

After seeing Zeng Ji's methods, everyone's faces couldn't help but change drastically, and they scattered in all directions.

Zeng Ji was quite satisfied with this.

He slowly landed beside Yu Qin, then pinched her chin and said coldly, "You have a good relationship with Qin Yu. You should know where he is, right?"

Yu Qin gritted her teeth. Other than fear, there was also a hint of determination in her big eyes.

Yu Qin, who was originally weak, now had tears in her eyes.

Tears rolled down her cheeks, but she didn't say a word.

"Haha, good, interesting!" Zeng Ji said indifferently.

"I'm not in a hurry. I'll wait for you three days."

“If I don’t see her in three days, I’ll slaughter the whole village!”

After saying that, Zeng Ji threw Yu Qin aside.

Qin Yu, who was hiding in the dark, couldn’t help but narrow his eyes!

“Why? is that girl very important to you?” Tie Dan asked indifferently.

Qin Yu gritted his teeth and said, “It’s not a matter of whether it’s important or not. She saved me. I Can’t watch her die.”

Tie Dan smiled faintly and said, “It’s simple. As long as you lend me your body, I’ll help you kill them.”

“But I have to tell you in advance that once I make a move, I’ll fall into a long sleep. As for when I’ll wake up, it’s hard to say.”

Qin Yu did not speak for a long time.

After a long time, Qin Yu muttered in a low voice, “There might still be time in three days.”

“Time? What do you mean?” Tie Dan asked.

Qin Yu gritted his teeth and said, “Since it’s so difficult to obtain the heavenly vanilla, I don’t have any hope. I Can’t stay stuck in the realm of the Martial Marquis Forever.”

“What are you doing?” Tie Dan’s voice carried a trace of shock.

Qin Yu said coldly, “I’m going to try to forcefully enter the martial saint realm. Whether I succeed or not depends on this one move.”

“Perhaps, the effect of the Dao wound is not as terrifying as I imagined.”

Tie Dan said in a deep voice, “Are you crazy? If you fail, it’s very likely that your cultivation will be completely lost and your golden core will explode!”

Qin Yu said coldly, “Do I have any other choice? Don’t tell me you’re going to find a high-grade mystic realm?”

Tie Dan instantly fell into silence.

That’s right, finding a high-grade secret realm was even more difficult than ascending to the heavens.

Moreover, people from the high-grade secret realm would not come here, let alone bring a stalk of heavenly vanilla.

Qin Yu did not say anything else. He turned around and left.

Three days was enough time for Qin Yu to try and enter the martial saint realm.

Qin Yu sped all the way and left the mountain south village quickly.

“You guys have to hold on,” Qin Yu said in his heart.

As long as he became a martial saint, Qin Yu would no longer be afraid of everyone!

It would not be too late to save them when the time came!

He ran for dozens of kilometers.

Qin Yu only stopped when he was sure that his breakthrough would not attract Zeng Ji.

Qin Yu deliberately found a canyon to prevent others from discovering him.

“This is the place.” Qin Yu took a deep breath.

He sat cross-legged on the ground and closed his eyes slightly.

“Qin Yu, I have to remind you that this is an extremely risky thing,” Tie Dan said in a deep voice.

“If you fail, the consequences will be unimaginable.”

Qin Yu grunted and said, “I know. I have tried this kind of adventure many times. Every time, I have made the right bet. I believe that this time, I will still keep my good luck.”

Tie Dan remained silent, but a trace of admiration towards Qin Yu emerged from the bottom of his heart.

This was simply putting his life on the line.

Qin Yu did not say anything more. He closed his eyes slightly and began to try to break through to the martial saint realm.

Traces of internal Qi surged out from Qin Yu’s Dantian! They flowed throughout his body!

Following that, traces of internal Qi rushed straight to the top of his head!

Qin Yu’s divine sense transformed into a golden light and surged towards the Dantian.

At this moment, the two types of internal Qi began to try to fuse!

Traces of the power of the Great Dao spread around Qin Yu’s body!

This was the sign of stepping into the Martial Saint Realm!

The Golden Core and Qin Yu's divine sense were rapidly fusing together. Qin Yu's entire body began to tremble!

Because his golden core was damaged, the process of fusing the golden core and divine sense was extremely painful!

The wounds seemed to be torn apart, and the pain was all over his body!

Qin Yu gritted his teeth and endured the pain.

He controlled his divine sense and tried to merge with his jindan as gently and calmly as possible!

Not only did Qin Yu suffer, even tie Dan, who was in Qin Yu's mind, also suffered the same pain!

"F * ck..."tie Dan grimaced in pain and almost collapsed!

On the other hand, there was no expression on Qin Yu's face.

Although cold sweat kept falling, his face was calm!

"It's fine if you're a F * cking lunatic, but you still want to F * cking drag me along..."tie Dan could not help but curse!

Under this kind of pain, Qin Yu was still able to control the fusion of divine sense, which could not help but make tie Dan Admire Qin Yu even more!

As the fusion continued, the pain began to intensify.

The Crack in the golden core was rapidly growing! The pain from the Dantian was unbearable!

Chapter 992: Chapter 992, the fourth round of Heavenly Tribulation!

Looking at the slowly growing crack, Qin Yu's face also turned pale!

At this rate, his golden core would explode before he even stepped into the martial saint realm!

“No!” Qin Yu gritted his teeth. He hurriedly controlled his divine sense and slowed down, trying his best to stabilize his golden core.

With Qin Yu's control, the immersion of his divine sense also became much gentler.

The speed of the crack on the golden core began to slow down, and then it stopped.

“It's this speed...” Qin Yu muttered in a low voice.

He controlled his divine sense and slowly fused with the golden core at the current speed.

Although the speed was not considered fast, Qin Yu had no other way.

The two golden rays collided in Qin Yu's body, blooming with a different light.

The pain that spread from every part of his body was close to his brain, and even tie Dan was affected by it.

“If I knew this would happen, I wouldn’t have come out with you!” Tie Dan couldn’t help but curse in his heart.

Qin Yu didn’t say anything. He held his breath and tried his best to control the fusion of his golden core and divine sense.

“Rumble...”

At this moment, a loud sound suddenly came from the sky!

When they looked up, they saw colorful clouds in the sky!

These clouds were extremely peaceful, making people forget to return!

Traces of divine aura spread across half of the sky!

Even though they were far away, they could still see these auspicious clouds that blotted out the sky!

“Someone is going to become a martial saint.” When they saw this scene, someone could not help but whisper.

For a moment, countless people raised their heads to look at this auspicious cloud.

Zeng Ji and the others who were closest to him also slowly raised their heads.

“TSK TSK, is there going to be a third martial saint?” Someone beside him said.

“A third?” Zeng Ji could not help but sneer, “Do you think there are only three martial saints in this world?”

“As far as we know, this should be the third one.”The person beside him added another sentence.

Zeng ji placed his hands behind his back and looked at the auspicious clouds in the sky. He could not help but say, “I’m afraid that more and more people will step into the martial saint realm in the future.”

He did not think too much about it. After all, the area covered by the auspicious clouds was extremely large. He did not think that the place of origin was nearby.

Qin Yu slightly closed his eyes, and sweat could not help but form on his forehead.

What was going to happen next was the most critical moment!

Not only would the heavenly tribulation descend, but the power of his divine sense and jindan would also become even more frantic!

As a result, the difficulty of Qin Yu’s control over his divine sense and jindan would increase in a straight line!

In addition to the external heavenly tribulation, it would be even more difficult for Qin Yu to deal with!

“Rumble...”

The auspicious clouds began to gradually dissipate, and patches of dark clouds began to gather above Qin Yu’s head.

A powerful sense of oppression assaulted his face, and the entire mountain range buzzed!

“The scale of this heavenly tribulation... is probably not simple,” iron egg could not help but exclaim.

“Kid, are you sure you can hold on! This is double pain!”

Qin Yu gritted his teeth and said, “Whether I can hold on or not, I have to try! The arrow is on the bow, and I have no choice but to shoot!”

After saying that, Qin Yu stood up from the ground.

As he controlled the extremely violent energy in his body, he raised his head to look at the gathering dark clouds in the sky.

“Rumble...”

Muffled Thunder brewed within the dark clouds.

An extremely destructive energy seemed to be about to take shape in the clouds.

Qin Yu’s forehead was drenched in sweat. He did not know whether it was because of pain or nervousness.

“Crack!”

An earth-shattering sound rang out!

The sound of the heavenly tribulation was even faster as it struck Qin Yu’s body viciously!

“Ah!”

Intense pain!

An unprecedented pain!

This heavenly tribulation went through Qin Yu's pores and headed straight into his body!

In almost an instant, traces of lightning that looked like swimming snakes appeared in Qin Yu's body!

This lightning swam around his body and almost destroyed his internal organs!

Qin Yu gritted his teeth and endured the pain.

"Kid, the martial saint's heavenly tribulation usually has eight rounds. This is only the first round. Be careful," reminded tie Dan.

"Eight rounds..." Qin Yu's expression was ugly.

He tried to face the heavenly tribulation, but the pain in his golden core made him powerless to resist!

Qin Yu closed his eyes slightly and silently circulated his mental cultivation method. He forcefully released the Lightning that had entered his body along with his meridians.

Before Qin Yu could catch his breath, the second heavenly tribulation had already descended!

"Boom!"

This heavenly tribulation was extremely meticulous, like a stream of water, but the power contained in it was beyond imagination!

The heavenly tribulation directly smashed onto the top of Qin Yu's head, and his brain immediately smashed fiercely onto the ground!

Qin Yu, who originally needed to control his divine sense, suddenly lost control of his divine sense under this heavy blow!

The power of the fusion between the Golden Core and divine sense became manic again, and the crack in the Golden Core also rapidly expanded!

“Not good!”

Qin Yu’s face changed greatly!

He did not care about the pain in his body. He hurriedly used all his strength to control his divine sense and once again suppressed the speed!

Although Qin Yu used all his strength, the effect of this heavenly tribulation on his divine sense was too great, and the speed of the fusion was still increasing!

“This won’t do...”

Qin Yu gritted his teeth. Relying on his powerful consciousness, he tried his best to stabilize the speed of the fusion.

The heavenly tribulation seemed to be giving him a break. The third heavenly tribulation did not descend for a long time.

Qin Yu spent an entire day and night before he managed to slow down the speed of the fusion.

He panted heavily, feeling a lingering fear in his heart.

“It’s finally... stabilized,” Qin Yu said with a trembling voice.

“It’s not that I want to strike you down, but this is only the second heavenly tribulation, and it has already made you physically and mentally exhausted. I’m afraid you won’t be able to withstand the third heavenly tribulation,” Tie Dan said coldly.

Qin Yu had the same feeling in his heart.

Moreover, the third heavenly tribulation had yet to descend, but the dark clouds in the sky had not dissipated. Instead, they were getting darker and darker.

It was very likely that an extremely terrifying power was brewing.

“Rumble...”

Muffled sounds rumbled within the dark clouds.

“Boom!”

At this moment, the heavenly tribulation poured down like a torrential downpour!

The blue light illuminated the sky. Wherever it passed, the mountain rocks were directly turned into dust!

Even the air was filled with the power of lightning!

“It’s over!”

Seeing such a scale of heavenly tribulation, Qin Yu’s face instantly turned pale!

Chapter 993: Chapter 993, the power of lightning

That muffled bolt of lightning rapidly smashed towards Qin Yu!

When he was a few hundred meters away, Qin Yu felt that terrifying pressure!

And when he was only a hundred meters away, Qin Yu's entire body was directly slammed onto the ground!

He tried to get up, but he struggled and couldn't get up at all!

Most importantly, Qin Yu still needed to spend some effort to control that divine sense!

He could not do two things at once. Now that he was faced with a dilemma, Qin Yu had no choice!

He roared angrily, and his entire body burst out with golden light, intending to forcibly resist!

He put all his attention on the fusion of controlling the divine sense and the Jindan!

As for this heavenly tribulation, he could just let it hit his body with all his strength!

“Boom!”

Finally, the heavenly tribulation ruthlessly smashed into Qin Yu's body!

“Ah! ! !”

A painful wail suddenly sounded out!

That heavenly tribulation was like a cannonball, almost instantly blasting Qin Yu's skin and flesh into pieces, causing blood and flesh to fly everywhere!

His bones were shattered, and the power of lightning spread throughout Qin Yu's entire body!

The Golden Light had long disappeared without a trace, and under the influence of the power of lightning, Qin Yu's body, no matter how tough it was, began to crumble!

Qin Yu gritted his teeth and endured the pain.

However, the pain would definitely affect his divine sense.

Under this intense pain, Qin Yu was already unable to maintain his focus.

The violent power appeared once again, and his golden core was crumbling bit by bit!

“Boom!”

Without waiting for Qin Yu to make a countermeasure, the fourth lightning tribulation had already smashed down!

Seeing this lightning tribulation, Qin Yu was instantly filled with despair!

Countless blue lights completely soaked Qin Yu's body.

Those traces of blue lights directly entered Qin Yu's body!

It was as if it had its own divine sense. It suddenly passed through Qin Yu's body and headed straight for the Golden Core!

“Not good!” Qin Yu’s expression changed greatly!

At this critical moment, if he were to be distracted for even a moment, he could be instantly turned into ashes!

“Swish!”

The lightning was like a sharp blade, slicing through Qin Yu’s golden core!

The fusion of divine sense and golden core stopped at this moment.

The Lightning in the outside world completely destroyed Qin Yu’s physical body.

“Bang!”

Qin Yu’s body fiercely fell to the ground.

The dark clouds in the sky also began to dissipate.

Under the Fourth Lightning Tribulation, Qin Yu was unable to withstand it in the end.

He had actually failed this tribulation.

Qin Yu fell to the ground. A trace of tears could not help but flow out from his black eyes.

The tears streaked across his face and dripped onto the ground. However, they instantly turned into steam.

“How could this be...” Qin Yu’s tears continued to flow out.

In order to become a martial saint, Qin Yu had paid so many prices!

But at the critical moment of becoming a martial saint, he had actually failed.

How Could Qin Yu Bear This!

He closed his eyes and felt the golden core in his body. He found that the cracks in the golden core had already spread.

The entire golden core was on the verge of collapse. Once he used his spiritual power again, the Golden Core would definitely explode!

This made Qin Yu even more desperate.

He collapsed on the ground, tears flowing endlessly. A sense of defeat arose spontaneously.

The scene was silent. Only the sound of Qin Yu sobbing could be heard.

“Hey... Don't be too sad. It's already a blessing in disguise that your golden core isn't broken...”Tie Dan comforted him.

Qin Yu clenched his fist and didn't say a word.

His tears kept flowing down his face, almost washing away his dark cheeks.

After an unknown amount of time, Qin Yu slowly got up from the ground.

His expression was extremely cold. No one knew what he was thinking.

“Kid, Are You Alright?”Tie Dan asked in a deep voice.

Qin Yu said in a deep voice, "I'm fine. I want to be quiet for a while."

After he said that, Qin Yu found a seat and sat down cross-legged.

He closed his eyes slightly.

There was no internal Qi flowing around him. It was as if everything had stopped.

The whole night.

The next morning, Qin Yu slowly opened his eyes.

He stood up from the ground and said coldly, "I won't give up just like that."

"Yes, yes, yes. You just need to not use your spiritual power!" Tie Dan said quickly.

Qin Yu asked, "Can my jindan still be saved?"

Tie Dan pondered for a moment and said, "It's hard to say. If we have the heavenly vanilla, coupled with our superb alchemy skills, it's still possible to recover."

"Heavenly vanilla... we still can't avoid the heavenly vanilla," Qin Yu whispered.

Tie Dan grunted and said, "Don't you have the Purple Flame? I think your alchemy skills are not bad."

"But I don't know much about alchemy. You'd better find a professional alchemist to ask."

Qin Yu grunted and said, "I understand."

As long as one did not use spiritual power, the damage to the golden core would not increase.

If his golden core was not destroyed, he still had a chance.

"Can you still defeat a martial saint with my body?" Qin Yu asked.

"No problem," Tie Dan answered without thinking.

"I rely on my divine sense. I Won't use your Golden Core."

Qin Yu grunted and said, "Thank you."

With that, Qin Yu planned to head to the Southern Mountain Village to save Yu Qin and the others.

But at that moment, Qin Yu spat out another mouthful of blood! Then, his face turned even paler.

Qin Yu wiped the blood from the corner of his mouth and said in a low voice, "It seems that the damage to the golden core has caused a more serious burden to the body..."

"This is inevitable," Tie Dan said.

Qin Yu didn't say anything more and rushed to the southern mountain village.

"Your body is full of wounds now. Why Don't you recuperate first?" Tie Dan reminded him.

Qin Yu looked down at his body.

Sure enough, other than the wounds, his outer skin seemed to be charred.

Qin Yu calculated the time.

There was only one day left from the three days Zeng Ji had mentioned.

Therefore, Qin Yu sat down cross-legged and planned to recover his body.

The wounds on his body were recovering bit by bit.

At this moment, a crackling sound suddenly came from the wounds on his body!

Although the sound was not loud, it was extremely ear-piercing.

Qin Yu looked down and saw that there were actually streaks of lightning within the wounds.

And after Qin Yu's wounds recovered, the lightning even fused into his body!

Following that, Qin Yu was shocked to discover that after the lightning fused into his body, Qin Yu's body became even harder!

“What's going on?” Qin Yu turned pale with fright!

He tried to clench his fist, and to his shock, he discovered that his fist seemed to contain another powerful force!

This force was the power of the Lightning!

Chapter 994: Chapter 994, natural elements

A hint of surprise flashed across Qin Yu's face.

What was going on?

Where did the crackling sound come from when he clenched his fist?

This power was extremely weak and didn't play much of a role. It only brought about a small improvement.

However, this power that didn't belong to his own body still surprised Qin Yu.

"Thunder Element," Iron Egg explained in his mind.

"You really got a blessing in disguise."

Qin Yu exclaimed, "Thunder element? What do you mean?"

Iron Egg said, "It's a kind of natural energy between heaven and earth. Usually, people who control this kind of power are born with it."

"For example, some people are born with the ability to control the wind and use it to fight."

"There are also people who can control water. As long as they are on the water, their strength will increase dramatically."

Qin Yu said in surprise, "That means I can control lightning now?"

"What the F * ck do you want to Eat?" Iron Egg rolled his eyes.

“You just happened to get the power of the Lightning element. It’s already good enough that you can borrow the power of lightning. Do you still want to control it?”

Qin Yu made an “Oh” sound. He tried to borrow the power in his body, but he found that he couldn’t use it at all.

Because this power was too weak. The faint power couldn’t do anything. It could even be ignored.

But no matter what, it was true that Qin Yu’s body had become stronger.

“I remember now. So the palace master of the Cold Palace had ice and snow elements.” Qin Yu patted his head!

No wonder the cold palace was set up in such a harsh environment.

“The first is honey, the second is arsenic.” Qin Yu muttered in a low voice.

“There seems to be a lei family in the northwest. It is said that their family can borrow the power of lightning.” At this moment, Qin Yu suddenly thought of something.

This lei family had once attacked Qin Yu. At that time, Qin Yu had planned to massacre their family.

At that time, Qin Yu did not know what elements they had. He only knew that they could borrow the power of lightning.

“If I have time, I might be able to make a trip to the Lei family.” Qin Yu thought to himself.

Since he had mastered this element, he must be able to improve it.

The so-called control must be something that could only be achieved when he had mastered this element to the extreme.

Qin Yu did not continue to think about it. Instead, he rushed towards the southern mountain village.

The Southern Mountain Village.

These few days, the entire village was shrouded in an atmosphere of panic.

Zeng Ji and the others were martial saints. Naturally, their strength was not something the southern mountain village could compare to.

“Little Qin, do you not know where Qin Yu is...”an old man from the village asked in a trembling voice.

Yu Qin bit her lips and did not say a word.

The old man continued to say, “Little Qin, I am not asking you to betray Qin Yu. It’s just that... I can not watch all the elderly, children, women, and children in the village die for no reason.”

Tears welled up in Yu Qin’s eyes as she whispered, “Granny Yuan, I really don’t know where he is. He has never contacted me before...”

The old man called Granny Yuan sighed. Just as she was about to speak, Granny Yuan’s head suddenly exploded!

Blood splattered on Yu Qin’s Fair and tender face, and her expression instantly froze.

“You talk too much.”Zeng Ji walked forward and said indifferently.

He lowered his head and looked at Yu Qin. He grinned and said, “If you don’t want more people to die, then think of a way to get Qin Yu to appear. Do you understand?”

Yu Qin stared at Zeng Ji with eyes that were about to spit fire!

In the next second, Yu Qin waved her tender arms and struck Zeng Ji’s body.

Zeng Ji was a martial saint, so how could he be hurt by an ordinary girl?

With just a glance, Zeng Ji sent Yu Qin flying a few meters away!

“You don’t know life from death.”Zeng ji patted the dust off his body.

“If I didn’t have any use for you, I would have killed you long ago!”

Yu Qin struggled to get up, but she couldn’t.

She looked at Granny Yuan’s corpse, and tears kept flowing out.

Yu Qin couldn’t help but cry in despair.

At this moment, she suddenly realized that sometimes, medical skills alone couldn’t save people.

The time left for Zeng Ji to decide was getting shorter and shorter.

“How much longer?”Zeng ji glanced at the person next to him.

“Half an hour,”the person next to him said.

Zeng Ji glanced at Yu Qin and snorted, “I thought she had some relationship with Qin Yu, but now it seems that I’m overthinking.”

The person next to him laughed and said, “Mr. Zeng, Qin Yu only has Yan Ruoxue in his heart. This is the common understanding of the world. Why would he take a fancy to her?”

Zeng ji snorted and said, “Loving one person doesn’t mean loving only one person. which man doesn’t cheat?”

After saying that, Zeng Ji took Yu Qin and turned around to leave.

He dragged Yu Qin and flew into the air.

Then, Zeng ji said coldly, “I said that if Qin Yu doesn’t show up in three days, he will slaughter the whole village!”

“Now that the time is up and he still hasn’t shown up, I can only kill him!”

Then, Zeng Ji looked at Yu Qin in his hand and said indifferently, “Since you have offended me, I will start with you.”

After saying that, Zeng Ji grabbed Yu Qin and threw her to the ground like a Chick!

Yu Qin’s body was falling rapidly. She closed her eyes in despair, waiting for death to come.

But at that moment, Yu Qin felt a trace of warmth, as if she was thrown into a warm embrace.

When she opened her eyes, she saw that she was really lying in an embrace!

When she looked up, she saw the face that she had been longing for!

Qin Yu hugged Yu Qin and gently placed her on the ground.

Yu Qin's face was full of surprise and joy. She opened her mouth, not knowing what to say for a moment.

Qin Yu frowned and said, "I remember that I gave you a keepsake, right? Why didn't you use it?"

Yu Qin shook her head and did not say a word.

Qin Yu did not ask any further. Instead, he looked at Zeng Ji coldly.

Zeng Ji was also staring at his pockets. Then, he laughed loudly and said, "I really thought that you were a pure and innocent person! hahaha! Don't you love Yan Ruoxue deeply? Why would you risk your life for such a woman?"

Qin Yu looked at Zeng Ji coldly and said, "I came to save her only because she saved me. I didn't have any feelings."

When Yu Qin heard this, a hint of disappointment flashed in her eyes..

Chapter 995: Chapter 995, Tie Dan made his move

"Hahahaha!" Zeng Ji laughed even more arrogantly when he heard this.

The ear-piercing voice made Qin Yu's ears hurt.

"Tie Dan, Can you shut him up?" Qin Yu frowned and asked.

Tie Dan smiled coldly and said, "Of course, as long as you give me your body, I will shut him up immediately..."

"Okay," Qin Yu agreed and then closed his eyes slightly.

In an instant, tie Dan's divine sense took over Qin Yu's body.

At this moment, Qin Yu's temperament became a little different.

A sinister and cruel smile hung on the corner of his mouth, and the corners of his tongue would occasionally curl up, making him look like a perverted murderer.

Zeng Ji, who was not far away, was still laughing crazily without understanding the situation.

The ear-piercing sound was unbearable.

"Bang!"

At this moment, Qin Yu's figure suddenly disappeared!

In just a breath's time, he had arrived in front of Zeng Ji!

"What?" Zeng Ji's face changed, and a trace of fear flashed in his eyes!

"Bang!"

Before Zeng Ji could react, tie Dan's fist had already smashed into Zeng Ji's mouth!

Zeng Ji's body instantly soared into the air!

His jaw bone was directly smashed into pieces!

Looking at his body flying high into the air, iron egg took a deep breath.

“Hahahaha!”

Then, Iron Egg’s unbridled laughter was heard.

“This is the feeling of being alive... so cool...”iron egg licked his lips.

Everyone was dumbfounded.

Especially Yu Qin.

Was this still the Qin Yu that they knew? Why did he look like a different person?

Especially the bewitching smile on his face, which made people feel a little strange and terrifying...

“Bang!”

Soon, Zeng Ji’s body fell to the ground.

He hurriedly got up from the ground and stared at tie Dan in front of him.

“Qin Yu, how Dare You Sneak Attack Me!”Zeng ji shouted angrily.

Tie Dan grinned and sneered, “Sneak Attack You? You’re just a maggot. Do I need to sneak attack you?”

“Maggot? I’m a Maggot? !”Zeng Ji was instantly enraged.

“Qin Yu, I think you’ve gone mad! Did you gain confidence from the last fight?”Zeng Ji said with a cold face.

Tie Dan ignored Zeng Ji's words and glanced at the remaining martial saints.

"All of you, attack together..." Tie Dan said darkly.

Zeng Ji shouted loudly, "Attack together! Don't give him any chance to escape!"

The three Martial Saints stepped out in unison! A terrifying pressure instantly filled the air!

"Kid, today you..."

"Bang!"

Before that martial saint could finish speaking, Tie Dan had already closed in on him and smashed a straight fist onto his face.

His already ugly face instantly exploded!

"Do you think I'll listen to your nonsense?" Tie Dan licked his lips.

Before everyone could be shocked, Tie Dan made another crazy move.

He directly took out his opponent's primordial spirit and swallowed it in one gulp.

Everyone's expressions were extremely ugly!

Especially Zeng Ji! The sweat on his forehead kept flowing down!

"This kid... Why does he look like a different person?" Ceng Ji roared in his heart!

He didn't even let him finish his words before he attacked? !

"It's your turn." Tie Dan looked at the other martial saint.

That martial saint took two steps back and looked at Tie Dan in front of him nervously. He braced himself and said, "Let me tell you, I..."

"Whoosh!"

Another punch directly pierced through his chest!

"It seems like you don't know me very well." Tie Dan raised his head to look at the martial saint in front of him and grinned.

"This is how I do things. I'm clean, fast, accurate, and ruthless! That's why I'm the number one killer! Do you understand?" Tie Dan said in a soft voice.

This seemingly "Gentle" voice sounded as terrifying as a life-threatening talisman in everyone's ears!

He had used the same method to kill two martial saints in the blink of an eye!

Not only was Tie Dan extremely powerful, but he also did things cleanly and without any hesitation!

Even Qin Yu's impression of Tie Dan had changed!

Zeng Ji's expression was extremely cold. He took two steps back and said coldly, "Qin Yu, I think we can talk."

"Talk about your father!"

Tie Dan approached him and kicked Zeng Ji's lower abdomen!

Although Zeng Ji had used a protective spell, he was still sent flying by tie Dan's kick!

Before Zeng Ji could get up, tie Dan approached him again.

He grabbed Zeng Ji's hair, bent his knees, and slammed them hard on Zeng Ji's lower abdomen!

Then, tie Dan grabbed Zeng Ji's hands together and hammered Zeng Ji's spine!

Crack

Zeng Ji's spine was shattered instantly! His body was smashed into the ground!

Iron Egg squatted down. He grabbed Zeng Ji's hair with one hand and lifted him up.

"You're awesome," iron egg said while patting Zeng Ji's face.

Zeng Ji opened his mouth and found it difficult to speak.

Why did he look like a fucking gangster fighting? !

"I'll give you a chance. Tell me your last words." Tie Dan grabbed Zeng Ji's hair and said.

"You must cherish this opportunity. Ordinary people don't have this kind of treatment."

Zeng Ji opened his mouth and was about to speak.

At this moment, tie Dan waved his hand and said, “You speak too slowly. Hurry up and die.”

After he finished speaking, tie Dan stepped on Zeng Ji’s head and crushed it.

He had killed three martial saints in one breath. Everyone was dumbstruck.

The remaining two martial marquis were still trying to escape. Naturally, tie Dan would not give them a chance.

He kicked a rock under his foot and dashed towards the two people.

The rock seemed to contain a tremendous force and instantly took the lives of the two people.

After killing these people, tie Dan said with a comfortable expression, “It’s been a long time since I’ve killed someone... This is the feeling! This is the feeling that I’m infatuated with!”

Then, iron egg looked at Yu Qin who was not far away.

“Qin Yu, can I discuss something with you?”Iron Egg said with a smile.

“What is it?”Qin Yu asked.

Iron Egg licked his lips and said, “I think this Yu Qin is quite interested in you. Anyway, you don’t like her, so why don’t I help you?”

“Help me? What do you mean?”Qin Yu said with some confusion.

Tie Dan said with a smile, “Of course, I slept with her! I’m afraid you don’t know that other than the number one killer, I have another identity, the number one pervert!”

“Hehe... I believe that with your body, she won’t Refuse Me...”

With that, tie Dan used Qin Yu’s body and walked toward Yu Qin with a smile..

Chapter 996: Chapter 996, the Bashful Yu Qin

With a wicked smile on his face, Tie Dan walked towards Yu Qin step by step.

Seeing “Qin Yu”approaching her, a trace of doubt flashed across Yu Qin’s eyes.

The Qin Yu in front of her seemed to be somewhat different from the Qin Yu she knew.

“Stop the F * CK Right Now!”Seeing this, Qin Yu hurriedly shouted.

Iron Egg ignored Qin Yu. He walked to Yu Qin with a smile and reached out to touch her face.

Yu Qin’s face instantly turned red like a ripe tomato.

Iron Egg lifted Yu Qin’s face with one hand and said with a smile, “Little sister, do you have feelings for me?”

Yu Qin’s face was so red that it reached her neck. She stammered and couldn’t say a word.

“Tie Dan! Stop the F * CK Right Now!”Qin Yu immediately became impatient.

Tie Dan completely ignored Qin Yu. He gently caressed Yu Qin’s face and said with a smile, “Wait for me obediently in the room tonight.”

Yu Qin opened her mouth, her face as red as water.

Facing such a “Qin Yu”, she seemed to be at a loss.

Tie Dan seemed to be quite satisfied. He laughed out loud and then reminded, “Remember, leave the door open for me tonight.”

With that, tie Dan laughed out loud and walked away.

In his mind, Qin Yu couldn’t help but curse, “Tie Dan, are you F * cking crazy? Give me back my body quickly!”

Tie Dan rolled his eyes and said, “What? I’m helping you. After i sleep with her, she promises that she won’t like you anymore.”

“F * ck you! I don’t need it! Don’t ruin my reputation!”Qin Yu cursed.

Tie Dan snorted. “I have an appointment anyway. I have to go tonight no matter what.”

“Besides, I haven’t touched a woman in hundreds of years. Please satisfy me.”

“Satisfy you!”Qin Yu gnashed his teeth.

Tie Dan completely ignored Qin Yu. He hummed a little song with a happy face.

Even though Qin Yu begged him, Tie Dan didn't respond at all.

“How about this? I'll find you a body and give you a batch of spirit stones. Can you give me back the body?” Qin Yu said with some pleading.

“When the time comes, if you like to find women, you can go by yourself. You can find as many women as you like, Okay?”

Tie Dan stretched his body and said, “That won't do. Do you know how many times I've been looked down on because of my looks?”

“I've never known what it feels like to be liked by others. I have to give it a try no matter what I say today.”

Qin Yu gritted his teeth and said, “I'll find you a handsome face. I guarantee that everyone will love you!”

Tie Dan touched his chin and said, “Are you serious?”

“Absolutely! I'll do it!” Qin Yu said hurriedly.

Tie Dan thought for a moment and continued, “Apart from a handsome face, I also need a strong body. I don't want a normal body.”

“Okay, okay, okay. Tell me what body you want, and I'll find you a body.” Qin Yu said with a headache.

“Okay.” Tie Dan stretched.

“But I have an appointment. How are you going to go tonight?”

Qin Yu said impatiently, “It's none of your business. I'll figure it out myself.”

Tie Dan sighed slightly and said unwillingly, “It’s a pity that such a good-looking girl was in my hands...”

“Alright, stop talking nonsense and give me back my body!”Qin Yu couldn’t help but curse.

Tie Dan agreed and then said, “I’m afraid I’ll have to sleep for a while. During this time, you have to think of a way yourself. If something happens, no one will save you.”

“I know,”Qin Yu said perfunctorily.

“By the way, how long will you sleep for?”Qin Yu added quickly.

“It’s hard to say. At least half a month, at most several years,”iron egg said.

“Okay, I got it. Hurry up and give me back my body,”Qin Yu urged.

Iron Egg didn’t waste any more time. He borrowed Qin Yu’s body and took a deep look at the world.

Then, he returned this body to Qin Yu’s divine sense.

A light flashed in his mind, and Qin Yu successfully took back the initiative.

He lowered his head to look at his own body. After confirming that he had taken back his body, he heaved a sigh of relief.

“F * ck, it’s really risky to lend your body to someone else,”Qin Yu muttered.

Then, he tried to call out to tie Dan in his mind, but tie Dan didn't respond.

“He's really asleep...”Qin Yu muttered.

Although tie Dan was powerful, his divine sense didn't seem to be as powerful as he had imagined.

...

At night.

Qin Yu could not help but feel a headache.

He stood near Yu Qin's house, not knowing whether he should go and see Yu Qin or not.

“Damn it, Yu Qin won't take it seriously, right?”Qin Yu said in a low voice.

If Yu Qin was really ready in the room, how would he come down from the stage.

Qin Yu stood at the door and thought for a long time. In the end, he gritted his teeth and decided to explain it to Yu Qin.

Therefore, Qin Yu took a step forward and tiptoed to Yu Qin's door.

He knocked lightly on the door, and soon, Yu Qin's voice came from inside, “Come in... come in, I left the door open for you...”

Hearing this, Qin Yu felt a headache coming on.

What he was afraid of came true.

Qin Yu braced himself and pushed the door open.

As soon as the door opened, he saw Yu Qin sitting on the bed, looking at Qin Yu shyly.

Her clothes were thin, and her hair fell over her shoulders, revealing her fair skin.

On one side of the bed was a wooden barrel, in which water had already been placed.

A dense fragrance assailed her nostrils. Obviously, not only did Yu Qin take it seriously, she even specially prepared for it.

“You... You’re here.” Yu Qin’s voice was like a Mosquito’s humming, and her face was red to her neck.

She lowered her head slightly, as if she didn’t dare to look Qin Yu in the eye..

Chapter 997: Chapter 997: When a wall falls, everyone pushes it down

Seeing this scene, Qin Yu was at a loss.

He didn’t even know how to explain it to Yu Qin.

He couldn’t possibly say that the person who said those words during the day wasn’t him, right?

Even if he said it out loud, Yu Qin probably wouldn’t believe it.

“Damn it, this iron egg!”Qin Yu couldn’t help but curse in his heart.

But the matter had already happened, and it had to be resolved.

Therefore, Qin Yu braced himself and walked towards Yu Qin.

As the distance between the two of them grew closer, the atmosphere became ambiguous.

Yu Qin didn’t dare to look directly at Qin Yu. She lowered her head, and her body was even slightly trembling.

Qin Yu walked to the bedside and sat down. He didn’t speak for a long time.

“That...”

After a long time, Qin Yu opened his mouth.

“I’m sorry about what happened during the day.”Qin Yu scratched his head.

Yu Qin said softly, “It’s... It’s fine. I don’t mind...”

Qin Yu’s old face darkened and he hurriedly explained, “What I said during the day... I was joking. Don’t take it seriously.”

Yu Qin’s expression instantly froze. A hint of disappointment flashed across her eyes.

“Am... am I not good-looking?”Yu Qin mustered up her courage and asked softly.

“No, no, no.”Qin Yu hurriedly waved his hand.

Looking at Yu Qin in front of him, Qin Yu could only clench his teeth and say, “Yu Qin, you are very beautiful and very kind, but... there is someone in my heart that I like, and she is the only one.”

The expression on Yu Qin’s face instantly became somewhat sorrowful.

She bit her red lips with her pearly teeth and whispered, “Then is it Yan Ruoxue?”

Qin Yu said in surprise, “How did you know?”

“I heard it from those bad guys...”Yu Qin said softly.

Qin Yu knew that Yu Qin would be sad, but it was better to be short-lived.

Therefore, Qin Yu nodded and said, “Yes, it’s Yan Ruoxue.”

“Is She... Pretty?”Yu Qin asked softly.

At the mention of Yan Ruoxue, Qin Yu couldn’t help but smile.

“Beautiful, very beautiful. In My Heart, she is the most beautiful person in the world,”Qin Yu said with a silly smile.

“Not only is she very beautiful, but she is also very good to me and very sensible.”

The more Qin Yu said, the more excited he became. He even took out a photo from his phone and said proudly, “How is it? Beautiful, right?”

Yu Qin bit her lips and said somewhat sadly, “Beautiful, indeed very beautiful...”

Only then did Qin Yu react. He said somewhat embarrassedly, "I'm sorry... That, you have a good rest. I'm leaving."

After glancing at these words, Qin Yu hurriedly ran out of the room.

After running for hundreds of meters, Qin Yu finally stopped.

"Damn it, this bastard iron egg!" Qin Yu couldn't help but curse in his heart.

Unknowingly, he had hurt so many people!

"Forget it, I don't care about this anymore." Qin Yu shook his head hard.

What should be considered at the moment was not romantic feelings.

He clenched his fist and once again felt the trace of lightning power in his body.

"Ever since I obtained this lightning element, my physical body has improved again," Qin Yu said in a low voice.

"Unfortunately, my golden core has been damaged, so I can't use my spiritual power anymore."

As he spoke, Qin Yu spat out a mouthful of blood.

"Heavenly vanilla... when can I get it?" Qin Yu couldn't help but sigh slightly.

The next day.

Qin Yu planned to leave this mountain south village.

If he stayed any longer, he would definitely attract more people to hunt him down.

Therefore, Qin Yu found Yu Qin and planned to say goodbye to her.

When they arrived at Yu Qin's house, their eyes met, and the atmosphere was a little awkward.

"I plan to leave," Qin Yu said.

Yu Qin opened her mouth and then nodded.

"Okay, take care of yourself." After Qin Yu said this, he turned around and planned to leave.

"Wait!"

At this moment, Yu Qin suddenly called out to Qin Yu.

Qin Yu frowned and said, "What's wrong? Is there anything else?"

Yu Qin bit her lips, as if she was making a decision.

A moment later, she mustered up her courage and said, "Can you bring me along?"

Hearing this, Qin Yu's brows immediately furrowed tightly.

"Did I not make myself clear last night?" Qin Yu frowned and said.

Yu Qin hurriedly said, "No, no, that's not what I meant. I... I just want to learn martial arts from you, okay?"

"Learn martial arts?" Qin Yu couldn't help but laugh.

The martial arts she mentioned referred to cultivation.

“Why?” Qin Yu asked.

At the mention of this, a trace of pain flashed across Yu Qin’s face.

She whispered, “I saw Granny Yuan die in front of me with my own eyes, but I was powerless. At that time, I thought how good it would be if I had the same ability as you.”

Then, Yu Qin raised her head and said with a pleading face, “Qin Yu, as long as I can stay by your side, I’m willing to be your servant. I’ll do whatever you want me to do!”

Qin Yu’s face immediately showed a trace of embarrassment.

“I’m here to escape. It’s dangerous to stay by my side,” said Qin Yu.

Yu Qin hurriedly said, “I’m not afraid!”

Qin Yu thought for a moment, then said, “Let me think about it. If there’s a chance, I can take you as my disciple, but not now.”

“Okay!” Yu Qin nodded in surprise.

Qin Yu grunted in gratitude. He did not waste any more time and immediately left the mountain South Village.

In the next few days, Qin Yu covered his face and wandered around the major medicinal herbs markets, trying to find a heavenly herb.

Although Qin Yu tried his best to hide his identity, paper could not cover up the fire.

In addition, Qin Yu had been searching for the heavenly vanilla, so his identity was quickly guessed.

“Heavenly vanilla? I remember that it is a medicinal herb used when the golden core is damaged.”

“Why is Qin Yu looking for heavenly vanilla? Could it be that his golden core is damaged?”

“Latest news! A few days ago, the person who transcended the martial saint’s Heavenly Tribulation was none other than Qin Yu!”

“Now that Qin Yu needs the heavenly herb to transcend the martial saint’s Heavenly Tribulation, does this mean that he failed to transcend the tribulation? ! His Golden Core is crippled? !”

Once this news spread out, it immediately caused the entire martial arts world to be in an uproar!

“In other words, before Qin Yu found the heavenly herb, he had already become a cripple!”

“Take advantage of his illness to take his life! Now is the best time to get rid of him!”

For a moment, many martial artists were restless and wanted to take the opportunity to get rid of Qin Yu and make a name for themselves!

On this day, Qin Yu appeared at Ning Yang’s herbs market.

Both sides of the market were filled with herbs stalls. As Qin Yu walked on this street, the people around him unconsciously retreated to one side.

They looked at Qin Yu in front of them, one after another, they were ready to make a move, full of killing intent.

However, Qin Yu turned a blind eye, as if there was no one else around, and continued walking on his own path.

His eyes occasionally looked at the stalls around him, trying to find the heavenly vanilla.

“Cough Cough!”

At this time, Qin Yu’s Golden Core Dao injury took effect, and blood suddenly spurted out of his mouth.

Seeing this scene, the people around him immediately whispered, “It seems that the rumors are true! This Qin Yu really failed to transcend the Tribulation!”

“The current Qin Yu is just a cripple! Kill him!”

Everyone was restless and seemed to have the intention to make a move..

Chapter 998: Chapter 998, cats and dogs

They stared at Qin Yu, wanting to make a move, but none of them seemed to want to be the first.

“HM?”

At this moment, Qin Yu noticed a rather strange herb placed on a stall not far away.

Qin Yu walked quickly towards that stall.

When the surrounding people saw this, they hurriedly hid to the side.

Qin Yu didn't pay attention to the crowd. He picked up the herb and carefully sized it up.

“Boss, how much is this herb?” Qin Yu asked.

The boss's throat rolled as he subconsciously looked around.

Then, he braced himself and said, “No... If I don't sell it to you, I won't sell it to you!”

Qin Yu frowned slightly and said, “Why? Don't tell me I won't Give You Money?”

“Who cares about your stinky money!” The stall owner mustered up his courage and cursed.

Qin Yu caressed the medicinal herb, then nodded and said, “Alright, forget it if you don't want it.”

After saying that, Qin Yu directly put the medicinal herb into his bag, turned around and was about to leave.

“Qin Yu! Are you going to snatch it in broad daylight!?” The surrounding people shouted loudly.

Qin Yu stopped in his footsteps and said, “Didn't he say it himself that he doesn't want my stinky money?”

“Qin Yu! Don't be so arrogant! We will never let you do whatever you want!” Someone stepped forward and shouted loudly.

Qin Yu looked around coldly.

These people surrounded him in the center, afraid that he would run away.

Qin Yu put away the herbs and said coldly, “If you want to make a move, just do it. There’s no need to find any excuses.”

“Qin Yu! You Did Something Wrong First!”

“Now that you failed to transcend the tribulation, you have been punished by the heavens! Don’t you want to repent? !”

Hearing this, Qin Yu couldn’t help but sneer, “I indeed failed to transcend the tribulation and my golden core was damaged. There’s no need to test me. If you want to make a move, just do it!”

After receiving Qin Yu’s definite answer, someone finally couldn’t hold it in anymore!

A martial marquis shouted and walked out from the crowd.

He pointed at Qin Yu and said, “Qin Yu, for the sake of you fighting against the Sky Blood Rainbow back then, I’ll let you die a quick death today!”

After saying that, he clenched his fist and rushed towards Qin Yu!

Qin Yu looked at him coldly and immediately waved his large hand, slamming a palm onto his chest!

“Whoosh!”

With just this palm, the Martial Marquis who rushed forward was directly sent flying!

He fell to the ground and spat out a mouthful of blood.

“You... You!” Before he could finish his words, he fell to the ground and fainted.

When the surrounding people saw this, their faces changed and they took a few steps back!

“You... Are you faking it? !” Someone exclaimed.

Qin Yu said coldly, “My jindan is indeed damaged. Just my body alone is not something that any Tom, Dick, or Harry can provoke.”

Tom, Dick, or Harry?

Martial Marquis was called Tom, Dick, or Harry?

Was Qin Yu’s body already so strong?

“Is there anyone else who wants to make a move? I’ll just stand here and wait,” Qin Yu said coldly.

The surrounding people looked at each other in dismay. For a moment, no one dared to make a move.

Qin Yu snorted coldly and turned to leave.

“I’ve long heard that Brother Qin is invincible under the heavens. Today, we finally have the chance to meet.”

At this moment, a young man walked out.

The young man was dressed luxuriously, and his bearing was extraordinary. He seemed to be some young master.

“It’s young master Ning!”

“Young Master Ning, kill him!”

“This Qin Yu has done so many evil things. We absolutely can not let him walk out of Ning Yang Alive!”

Hearing these people’s words, Qin Yu could not help but feel like laughing.

Back then, when the Sky Blood Rainbow attacked on a large scale, they did not even dare to fart.

Now that their golden core was damaged and they were framed, they were really capable.

Bullying the weak and fearing the strong, they showed it vividly.

Young Master Ning cupped his hands to Qin Yu and said with a faint smile, “Brother Qin, I’m really sorry. I don’t want to be your enemy, but it’s really hard to go against the will of the people.”

Qin Yu glanced at him and sneered, “Do I know you? Which Hole did you come out from?”

Being humiliated in front of him, Young Master Ning’s face also became a bit ugly.

He suppressed the anger in his heart and said with a faint smile, “Brother Qin is famous in the world. Naturally, you won’t know a small character like me.”

“Of course, I, Ning, am also somewhat famous in Ning Yang. Not long ago, I just stepped into the peak of the Martial Marquis Realm and was only one step away from becoming a half-step martial saint.”

Qin Yu said coldly, “There’s no need to talk so much nonsense. Let’s do it.”

Young Master Ning pretended to be a kind person and sighed, “Brother Qin, I remember that you were also a famous figure in the past. I really don’t want to attack you.”

“How about this, you kneel down and kowtow to everyone and admit your mistake, then I’ll let you go. This way, I can at least explain to everyone, right? I believe that everyone will give me this face.”

After saying that, young master Ning looked at everyone.

Everyone around shouted, “Young Master Ning is really kind! Good, we will give young master Ning this face!”

“Young Master Ning is kind to such a villain. I really admire you!”

These words could not help but make Qin Yu feel nauseous.

The viciousness in hypocrisy was often the most disgusting.

“Brother Qin, what do you think?” Young Master Ning asked.

Qin Yu narrowed his eyes and said, “I killed you in the space of three breaths.”

Young Master Ning sighed and said, “Since brother Qin is so stubborn, then I can only take action and ask for advice.”

With that, young master ning bent his fingers and rushed toward Qin Yu!

This person was full of benevolence, justice, and morality, but his methods were extremely vicious!

His hands were aimed directly at Qin Yu's Dantian!

Qin Yu could not help but sneer. He clenched his fist and with a bang, his fist smashed onto Young Master Ning's body!

“Whoosh!”

After taking this punch, Young Master Ning was directly sent flying, smashing countless stalls!

The surroundings were silent.

Everyone looked at each other, momentarily unable to make sense of the situation.

“Young Master Ning... Young Master Ning is really kind. He actually showed Mercy!”

“Yes, yes. Young Master Ning showed mercy. You despicable person actually killed him!”

“Shameless! Young Master Ning, kill him!”

Young Master Ning stood up from the ground in a sorry state. His eyes narrowed slightly. He suppressed his anger and said, “Brother Qin killed him. Then, I can only show my true ability.”

“You F * cking talk too much!”

Qin Yu's feet shook, and he arrived in front of young master Ning with a Whoosh!

Such a fast speed was like a gust of wind!

Young Master Ning's pupils shrank.. Before he could even react, Qin Yu's fist had directly penetrated his dantian!

Chapter 999: Chapter 999, searching for the heavenly vanilla

Qin Yu's hands pierced through young master Ning's dantian, and his hands were immediately stained with blood.

Then, Qin Yu pulled out his golden core and crushed it with his bare hands!

Young Master Ning stared at Qin Yu.

He didn't want to move. He would die in the hands of someone who couldn't use spiritual power!

“Bang!”

Young Master Ning's body fell to the ground.

Qin Yu's face was expressionless.

The people around him were even more silent. No one had expected this result.

Qin Yu glanced around coldly, then turned around and left.

This time, no one dared to stop Qin Yu.

But Qin Yu knew very well that under the control of the martial arts association in Jingdu, Qin Yu had been completely molded into a villain.

It could be seen from the places where Qin Yu had passed through in the past few days.

Almost everyone wished they could kill Qin Yu.

“Looks like I can’t stay in the country any longer.” Qin Yu took a deep breath.

His reputation was already bad to begin with, and now that he had killed Young Master Ning in public, his future path would only become more and more troublesome.

After thinking about it, Qin Yu decided to leave the fire country for the time being.

Firstly, he wanted to avoid being hunted down by the martial saint. Secondly, it had been a long time since he had gone back to the Heaven Gate.

After all, it was his own sect. If he were to let it go like this, he would only slowly lose the hearts of the people.

Hence, on the same day, Qin Yu bought a plane ticket and took a plane to leave the fire country, heading straight for the Pyro Kingdom.

After spending a few hours, Qin Yu finally arrived at the Pyro Kingdom.

The Pyro Kingdom was an extremely chaotic place to begin with. Many sects had been set up here.

Even though Qin Yu had almost suppressed all the sects, large and small, Shengguo had already established a new sect after a long time.

Qin Yu took a taxi and rushed to the Heaven Gate.

The gate of the Heaven Gate was extremely grand and grand. Although Qin Yu was not there, he controlled everyone's lives with the divine seal pill.

Therefore, the Heaven Gate was still developing in an orderly manner.

Standing at the gate, two people conveniently stopped Qin Yu.

“Who are you?”The two people asked coldly.

“My name is Qin Yu, the sect Master of Heaven Gate,”Qin Yu said quietly.

When the two people heard this, they looked at each other.

“Wait a moment,”one of them said.

Then, he quickly ran back.

After a few minutes, he walked out with a middle-aged man.

The middle-aged man walked quickly to Qin Yu, then cupped his hands and said, “Greetings, Sect Master Qin!”

Qin Yu looked him up and down and said, “You are?”

“I am the acting sect master recommended by my brothers. My name is NIE tianxiang,”said the middle-aged man.

Qin Yu nodded slightly and waved his hand. "Let's go in first."

He walked into the hall of the Heaven Gate with Nie tianxiang.

This hall was extremely grand, as if it was an ancient imperial palace.

Nie tianxiang cupped his hands and invited Qin Yu to the main seat, and then sat at the side.

"When I'm not here, there won't be any trouble at the Heaven Gate, right?" Qin Yu asked.

NIE tianxiang didn't dare to hide it, and immediately told Qin Yu about the development of the Heaven Gate during this period of time.

Through nie tianxiang's narration, Qin Yu learned that the Heaven Gate now had more than twenty martial marquis and three half-step martial saints!

One of them was about to step into the martial saint realm!

This could not help but cause Qin Yu to be a little surprised.

His heaven gate actually had such powerful strength?

"If I step into the martial saint realm, the effect of the divine seal pill will disappear." Qin Yu could not help but feel a little headache.

At that time, if Qin Yu wanted to sit firmly in this position, it would not be so simple.

"What is the name of the person who is about to become a martial saint?" Qin Yu asked.

NIE tianxiang quickly replied, "His name is Zhu Jinglong."

"Zhu Jinglong... call him over,"Qin Yu said.

Nie tianxiang hurriedly nodded and said, "Yes."

A few minutes later, a young man followed behind nie tianxiang and walked in.

When he saw Qin Yu in front of him, Zhu Jinglong cupped his hands and said, "Greetings, sect leader Qin."

Qin Yu nodded.

He sized up Zhu Jinglong before him and frowned slightly.

This Zhu Jinglong did not look old.

He was about to step into the martial saint realm at such a young age. This kind of person was usually arrogant and would never lower himself to anyone.

"Now, I don't have the heavenly vanilla and am unable to step into the martial saint realm. If he is one step faster than me, I will definitely lose the Heaven Gate,"Qin Yu thought to himself.

However, if he were to get rid of Zhu Jinglong for no reason, it was likely that the hearts of everyone would scatter.

Even the ancient emperors had to find a reason to kill people, let alone Qin Yu?

He sized up Zhu Jinglong in front of him. For a moment, he could not do anything to him.

“Looks like I have to think of a way to find the heavenly vanilla as soon as possible.”Qin Yu rubbed his forehead. He only felt waves of headache.

Then, Qin Yu looked at nie tianxiang and said, “Pass down my order. Let everyone find the heavenly vanilla at all costs!”

“Heavenly vanilla? What’s That?”Nie tianxiang asked.

Qin Yu waved his hand and said, “Those who have this will naturally know.”

“Spread the news that the Heaven Gate is collecting the heavenly vanilla. As long as we can get the heavenly vanilla, I’m willing to exchange it with the nine transformation golden pill.”

Nie tianxiang quickly cupped his hands and said, “Yes!”

In the following time, the entire Heaven Gate was collecting the heaven vanilla.

In the blink of an eye, three days had passed, but there was no news of the Heaven Vanilla.

“It seems like getting the heaven vanilla is not that simple.”Qin Yu could not help but show a trace of worry on his face.

After all, the Heaven Vanilla came from a high-level mystic realm. It was more difficult than expected to get one.

A few days later, there was still no news of the Heaven Vanilla.

The people of the Heaven Gate had searched the entire Sheng kingdom and even spread the news overseas, but it was still useless.

Just when Qin Yu was about to give up, nie tianxiang suddenly ran in and said, "Sect Master Qin, someone wants to see you. He claims to have the Heaven Vanilla."

Hearing this, Qin Yu's eyes immediately lit up.

He quickly got up and said anxiously, "Quick, Go and invite him in!"

"Yes!"

Chapter 1000: Chapter 1000, Princess?

Qin Yu sat in the hall and couldn't help but feel a little excited.

A few minutes later.

NIE tianxiang walked in with a man.

This man's appearance was extremely strange, and there was a strange mark between his brows.

The man walked directly to Qin Yu and said indifferently, "Greetings, Sect Master Qin."

Qin Yu stood up and said somewhat impatiently, "You have the Heavenly Vanilla in your hand? Is It True?"

The Man didn't answer in a hurry. Instead, he glanced at nie tianxiang beside him.

Qin Yu immediately understood and immediately waved his hand. "You can go out first."

“Yes.” Nie Tianxiang cupped his hands and turned to walk out of the hall.

In the hall, only Qin Yu and this strange man were left.

The man looked at Qin Yu and said indifferently, “Let me introduce myself. My name is Hua Zongxiong. You can also call me Brother Xiong.”

Qin Yu was not in the mood to listen to his nonsense, but he did not want to be too direct, so he could only respond politely, “Greetings, Brother Xiong.”

Hua Zongxiong continued, “Back then, you unified all the sects in Shengguo in one go. Such a magnificent feat is indeed admirable.”

“Brother Xiong, you flatter me.” Qin Yu said patiently.

However, at this time, Hua Zongxiong changed the topic.

He said with a faint smile, “Unfortunately, after you unified the Heaven Gate, you left Shengguo. Although you controlled everyone with the divine seal pill, unfortunately, you are not popular at all. You have no foundation to speak of.”

Hearing this, Qin Yu already felt that something was strange.

He frowned and asked, “Brother Xiong, what do you mean by this?”

Hua Zongxiong said indifferently, “Therefore, you, the sect master, are not worthy of your name.”

“Now that you’ve suddenly returned to the Sheng Kingdom and spread the news, I’m afraid there’s only one reason why you want a stalk of heavenly vanilla.”

“That’s because you failed to transcend the tribulation! You couldn’t stay in the country anymore and ran to the Sheng Kingdom to escape!”

Qin Yu narrowed his eyes slightly and said coldly, “You don’t have any heavenly vanilla at all?”

“Hahaha, not bad!” Hua zongxiong laughed loudly.

“I came here to persuade you.”

Qin Yu frowned.

Sure enough, as long as there were people, there would be disputes.

“If you are willing to give up the Heaven Gate now, I might consider sparing your life or even keeping you in the Heaven Gate,” Hua Zongxiong said indifferently.

Qin Yu said coldly, “What if I don’t agree?”

“If you don’t agree, then I will kill you,” Hua Zongxiong said straightforwardly.

After he finished speaking, the internal Qi on Hua Zongxiong’s body exploded!

“Martial saint? !”

Qin Yu’s face instantly changed drastically!

The Hua Zongxiong in front of him was actually a martial saint!

Hua zongxiong said indifferently, “You should know that you don’t have the slightest power to fight back in front of me.”

“I’ve already given you enough face by sending all the people out and talking to you alone. I hope you don’t fail to appreciate my kindness.”

Qin Yu’s expression was a little ugly.

If he were to directly clash with this Hua Zongxiong, he would definitely die.

“Give me a few days to think about it,” Qin Yu said in a deep voice.

Hua zongxiong snorted lightly and said, “Sure, I can give you three days, but I hope you won’t play tricks.”

“In three days, I hope you can give me the answer I want.”

After saying that, Hua Zongxiong stood up and left.

After he left, NIE tianxiang rushed in.

“Sect Master Qin, how is it? Did he give you the heavenly vanilla?” Nie tianxiang asked.

Qin Yu shook his head with a bitter smile and said, “No, it’s not that easy to get the heavenly vanilla.”

A hint of confusion flashed across nie tianxiang’s face.

He wanted to ask more questions, but Qin Yu waved his hand and interrupted nie tianxiang.

Hua Zongxiong was right. He had no foundation in the Heaven Gate.

To the disciples of the Heaven Gate, it didn’t make any difference who would be the sect master.

That night, Qin Yu sat on the roof and couldn't fall asleep for a long time.

“It seems like it's impossible to obtain the Heaven Vanilla,” Qin Yu muttered softly.

“Do I really have to be trapped in the half-step martial saint realm for the rest of my life?”

This made Qin Yu feel extremely hopeless.

If all the cultivation stopped here, then this journey would be meaningless.

“If it really doesn't work, I can only temporarily give up the Heaven Gate.” Qin Yu made up his mind.

At this moment.

Qin Yu suddenly felt a movement coming from the dark.

“Who is it? !”

Qin Yu hurriedly turned around and shouted.

“Divine sense is quite sharp.” A voice came from behind.

Turning around, he saw a middle-aged man in luxurious clothes standing behind him.

Qin Yu looked at this person with vigilance and said coldly, “Who are you? Why are you spying on Me?”

The other party put his hands behind his back and said with a faint smile, “The Golden Core left such a DAO wound. I think you must have broken through to the martial saint realm by force, right?”

Qin Yu shouted, “Cut the crap! Who exactly are you! If you don’t tell me, Don’t blame me for being impolite!”

“Oh?” The other party raised his eyebrows and a trace of ridicule flashed across his face.

Qin Yu was instantly furious and charged at him with a clenched fist!

Although this punch was purely physical strength, the power was unimaginable!

But what shocked Qin Yu was that when Qin Yu’s fist touched his body, the fist directly passed through his body!

“Huh? !” Qin Yu frowned tightly.

He turned around and threw another punch! But the result was still the same!

That was clearly a physical body, but Qin Yu couldn’t touch it at all!

“Spatial spell?” Qin Yu seemed to have stepped on something.

“You know spatial spell?” The other party was clearly a little surprised.

Qin Yu said with a cold face, “If you have practiced spatial spell to such a degree, I’m afraid your strength is at least a martial saint.”

“Martial Saint?” That middle-aged man raised his eyebrows and then laughed out loud.

“Alright, I won’t tease you anymore.”At this time, he said seriously.

Qin Yu’s face was gloomy and he was extremely vigilant.

The middle-aged man smiled lightly and said, “Don’t be nervous. The princess sent me here to give you something..”

Chapter 1001: Chapter 1,001, the Heavenly Vanilla

“Princess?”Qin Yu frowned even more.

What era was this? There was still a princess?

“Who is the princess you speak of?”Qin Yu asked in a deep voice.

The middle-aged man walked straight towards Qin Yu, but Qin Yu subconsciously stepped back.

Seeing this, the middle-aged man stopped and shook his head, “It’s Yan Ruoxue.”

“Yan Ruoxue? !”Qin Yu’s pupils dilated!

He rushed to the front of the middle-aged man and grabbed his wrist, saying anxiously, “Where is Yan Ruoxue? Is she okay now? Is she safe now? When can I see her?”

Throwing out a few questions in a row, the middle-aged man didn’t know how to answer.

“Why don’t We Sit Down and talk?”The middle-aged man said.

Qin Yu forced himself to be excited and nodded. “Okay, okay.”

The two of them sat on the house. Qin Yu looked at the middle-aged man eagerly, waiting for his next words.

The middle-aged man said, “The princess is now in the secret realm. She is living very well. You Don’t have to worry.”

“It really is the secret realm of the Yan family!” Qin Yu took a deep breath.

He looked at the middle-aged man nervously and said, “Why did you take her away? Also, she doesn’t seem to be related to the people in your secret realm, right?”

“No.” The middle-aged man shook his head.

“The secret realm of the Yan family takes a fancy to the bloodline. The more the bloodline is awakened, the higher the status.”

“Like the princess, who is pure of the bloodline of the Yan family, so she has an extremely high status. She will even become the next master of the Yan family’s secret realm.”

Qin Yu could not help but take a deep breath.

As expected, it was exactly like what Tie Dan and the moustache had said!

The Yan family’s Mystic Realm had its eyes on bloodline power!

“In other words, Ruoxue is doing very well now, right?” Qin Yu hurriedly asked.

“Yes.”The middle-aged man nodded.

Qin Yu frowned and said, “Then why didn’t she come to see me?”

The middle-aged man spread his hands and said, “The princess has been delayed for too many years. Now that she has returned to the mystic realm, she naturally has to go into seclusion to cultivate.”

Qin Yu suddenly came to a realization!

That’s right, Yan Ruoxue had not been cultivating all this while, so she had indeed been delayed.

“Let me ask, what is Ruoxue’s current realm?”Qin Yu asked tentatively.

The middle-aged man smiled faintly and said, “Middle stage of the nascent soul stage, which is what you call the middle stage of the Martial Saint Stage.”

Qin Yu could not help but gasp!

“This bloodline of the Yan family is indeed worthy of its reputation...”Qin Yu said in a low voice.

“Of course,”the middle-aged man said with a smile.

“Of course, the resources in the secret realm of the Yan family are not something you can compare with, so you don’t need to feel too much pressure.”

Even though that was the case, the final result still depended on the cultivation result.

No one would care about the conditions of your resources.

“When can I see her?”Qin Yu asked.

The middle-aged man spread his hands and said, “It’s hard to say, but with your current realm, I’m afraid you can’t.”

“Realm?”Qin Yu frowned.

“Then what realm do I have to reach before I can see her?”

“The Almighty Realm,”the middle-aged man said with a smile.

“When you step into the Almighty Realm, I’m sure the Yan family will invite you.”

Qin Yu muttered in a low voice, “The Almighty realm... is too far away from me.”

“Right now, I’m trapped by the heavenly vanilla. Even a martial saint is unable to step into it, let alone the Almighty Realm...”

The middle-aged man laughed loudly and said, “The reason the princess sent me here is to give you the heavenly vanilla.”

Qin Yu’s pupils constricted again!

He hurriedly looked at the middle-aged man and said, “Ruoxue... asked you to bring me the Heavenly Vanilla?”

“That’s right.”The middle-aged man nodded and said.

With a flick of his palm, a sandalwood box appeared in his hand.

Qin Yu quickly took the box and opened it excitedly.

Inside the box were three colorful medicinal herbs, and an extremely strange fragrance assailed his nostrils!

This medicinal herb was none other than the heavenly vanilla!

Besides the heavenly vanilla, there was also a jade stone and a letter beside it.

The Jade Stone was the one that Qin Yu once gave to Yan Ruoxue.

After it broke, Yan Ruoxue carefully collected the pieces.

Now, she had used special methods to make this jade pendant into a keepsake again.

“The princess warned me not to use this keepsake lightly,” the middle-aged man reminded.

Qin Yu hurriedly nodded and said, “I understand. Thank you!”

“You should be thanking the princess, not me,” the middle-aged man said with his hands spread out.

Qin Yu raised his head and looked at the middle-aged man in front of him.

Perhaps it was because of Yan Ruoxue, the rough man in front of him also looked much more pleasing to the eye.

“I have a question.” At this moment, Qin Yu suddenly said.

“What question?” The middle-aged man asked.

“Is the secret realm of the Yan family strong?” Qin Yu asked.

“Very strong.”

“How Strong?”

“Well... in short, it’s very strong. It’s much stronger than you think.”

“Then... how does it compare to the martial arts association of Jingdu?”Qin Yu asked nervously.

Hearing this, the middle-aged man couldn’t help but laugh out loud.

“The Martial Arts Association of Jingdu? They don’t deserve to be compared to the secret realm of the Yan family at all!”The middle-aged man laughed out loud.

“Even their eight leaders are not worth mentioning in front of the Yan family.”

Qin Yu could not help but suck in a cold breath!

Not even those eight high-ranking officials were worth mentioning?

How powerful was this?

Qin Yu scratched his head and said, “There’s still one more question. There are still many people from the Yan family in Jingdu. Why Don’t you bring them back to the Yan Family?”

The middle-aged man said in a low voice, “I’ve said it before. The Yan family values bloodlines. Bloodlines represent status.”

“Their bloodlines are negligible. Naturally, we won’t take them away.”

“In other words, even if they are the offspring of the head of the Yan family, if their bloodlines are weak, they will be expelled from the Yan family’s secret realm.”

Qin Yu couldn’t help but frown when he heard this. “So Heartless?”

“In the world of the strong, emotions are not worth mentioning at all.”The middle-aged man shook his head.

At this moment, Qin Yu suddenly thought of Yan Jinyao.

“Oh right, the Yan family also has a Yan Jinyao. His bloodline seems to have reached 80% . Why didn’t you take him away?”Qin Yu asked in puzzlement.

The middle-aged man shook his head and said, “He has acquired bloodline, not innate bloodline. Acquired bloodline is not worth mentioning.”

“OH.”Qin Yu nodded.

Then, Qin Yu continued to ask, “That Jingdu martial arts association made Ruoxue suffer so much.. Why didn’t you bring people to directly destroy them?”

Chapter 1002: Chapter 1002, refining the recovery spirit pill

The middle-aged man was silent for a moment.

Then, he sighed and said, “It’s not that we don’t want to, it’s that the princess won’t let us.”

“Ruoxue won’t let us?”Qin Yu was slightly stunned, but he quickly understood.

He smiled at the middle-aged man and nodded. “Okay, I got it.”

The problem in Qin Yu’s heart was finally solved.

And Qin Yu finally got three stalks of heavenly vanilla as he wished.

“Do you know how to use this heavenly vanilla?”At this moment, the middle-aged man suddenly asked.

Qin Yu scratched his head and said, “I really forgot about this. It seems that I have to refine some pill.”

Back then, pavilion master did tell Qin Yu, but it was just a casual mention.

After such a long time, Qin Yu only remembered to get the heavenly vanilla grass, but forgot what pill to refine.

The middle-aged man took out a prescription and handed it to Qin Yu.

“Fortunately, I brought the prescription,”he said somewhat helplessly.

Qin Yu took the prescription and quickly cupped his hands, saying, “Thank you, senior.”

“Don’t thank me. If you want to thank, thank the princess,”the middle-aged man said.

“She believes that it won’t be long before you become an invincible existence in this world.”

Qin Yu took a deep breath and said, “Senior, please pass on a message for me and the princess. Just say... that I will definitely keep the promise I made back then.”

“It won’t be long before I meet her.”

“Okay, I will definitely bring her,” the middle-aged man said with a smile.

He slowly stood up and looked into the distance. “It shouldn’t be peaceful here, right?”

“How did you know?” This surprised Qin Yu.

“I guessed.” He waved his hand.

“I’ve brought the things, I should go.”

Qin Yu said politely, “How about... staying for a meal?”

“Forget it.” The middle-aged man smiled.

Then, his body shook slightly, and in the blink of an eye, he disappeared without a trace.

After he left, Qin Yu impatiently took out the sandalwood box and took out the letter that Yan Ruoxue had brought.

There was a faint fragrance on the letter.

And at the bottom right corner of the letter, there was a red lip.

This red lip was obviously left by Yan Ruoxue. Qin Yu looked at that red lip and couldn’t help but laugh foolishly.

After opening the letter, the first thing that came into his sight was a piece of black hair.

His hair was about ten centimeters long. When he saw this hair, Qin Yu could not help but think of Yan Ruoxue's face.

He even started to fantasize about the future of the two of them.

“Phew...”

Qin Yu shook his head forcefully and pulled himself back to reality.

He carefully tucked his hair away and opened the letter.

Lines of delicate and pretty words were left behind in the letter.

“Qin Yu, long time no see. I believe you are now trapped in the half-step martial Saint Realm.”

“Those three heavenly herbs should be able to help you tide over the crisis temporarily.”

“HMM... let me guess, what are you doing now? It has been so long. I believe the Martial Arts Association of Jingdu is sending people to hunt you down, right?”

“Alright, I believe you will definitely tide over this crisis. I will wait for you in the Yan family's secret realm. I hope to see you sooner.”

“If... One day you don't want to live like this anymore, you can crush the token. I will bring you to the Yan family's secret realm to stay away from the noise.”

“As long as you are willing, I can help you get rid of all your enemies. Of course, with your character, you should not be willing to do this.”

Looking at the words on it, Qin Yu felt waves of warmth in his heart.

Of course, he understood what Yan Ruoxue meant.

However, Qin Yu was no longer the young man who begged for protection.

“I won’t give up.” Qin Yu took a deep breath.

He carefully put away the token and put it into his spatial divine weapon.

“With this heavenly vanilla, I can enter the martial saint realm as soon as possible.” Qin Yu took a deep breath.

After enduring for so long, he could finally restore his golden core.

He turned around and returned to his room. Then, he carefully took out this pill formula.

This pill was called the Spirit Recovery Pill. In addition to a stalk of heavenly herb, it also required some ordinary medicinal herbs.

Other than that, there was an extremely high requirement to refine the spirit recovery pill.

It required three alchemists with purple flames to refine it together.

“Three purple flames?”

Seeing this condition, Qin Yu couldn’t help but frown.

Other than himself, the only person Qin Yu knew who had purple flames was the pavilion master.

“Three purple flames. I’m afraid it’s not easy to find them.” Qin Yu couldn’t help but frown.

There were very few people in the world who had spiritual fire to begin with, and those who had purple flames were even rarer!

“I didn’t expect that apart from being harsh on herbs, the recovery spirit pill also has such perverse conditions for alchemists,” Qin Yu said in a deep voice.

Most importantly, Qin Yu simply couldn’t afford to waste time.

Three days later, Hua Zongxiong would definitely bring people to seize the Heaven Gate.

“This time is completely insufficient.” Qin Yu took a deep breath, momentarily at a loss.

Qin Yu paced around the room for a long time before he finally decided to temporarily give up on the Heaven Gate!

“At most, I will give the Heaven Gate to him first. When I step into the martial saint realm, I will snatch it back!” Qin Yu thought to himself.

Thinking of this, Qin Yu decided to temporarily leave the Sheng Kingdom.

“Pavilion Master is the best in the industry. She might have a way.” Qin Yu thought to himself.

Hence, Qin Yu planned to return to the fire country for the time being to ask for the pavilion master's help in finding the next alchemist who possessed the Purple Pyro.

After that, Qin Yu hardened his heart and left the Heaven Gate that night.

All the way to the airport, Qin Yu bought the earliest flight back to the fire country.

In the evening of the next day, Qin Yu successfully arrived at the fire country's pyro.

After a few twists and turns, Qin Yu finally arrived at the entrance of the Divine Alchemist Pavilion at around eight o'clock in the evening.

Qin Yu could not wait to restore his golden core, so he did not think about anything and strode into the Divine Alchemist Pavilion..

Chapter 1003: Chapter 1,003, the three purple flames

Qin Yu hurried towards the Divine Alchemist Pavilion.

Fortunately, it was night time, so there weren't many people and no one noticed Qin Yu.

Qin Yu rushed all the way to the Pavilion Master's building.

Just as he was about to jump onto the pavilion master's Building, a young girl suddenly grabbed Qin Yu.

Turning around, he saw Taozi standing beside Qin Yu.

“Qin Yu?” Taozi’s face was a little surprised.

“Shhh...”

Qin Yu hurriedly made a shushing gesture.

He pulled Taozi to the side. Before he could speak, Taozi couldn’t wait to say, “What’s wrong with you lately? Why are they looking for you everywhere and saying that you’re some kind of evil person...”

Qin Yu waved his hand and said somewhat helplessly, “Do you believe it?”

“Of course I don’t believe it!” Taozi said with her eyes wide open.

“Then it’s fine,” Qin Yu said with a smile.

At this moment, Qin Yu suddenly thought of something.

He hurriedly looked at Taozi and said, “Oh right, Taozi, what color is your spiritual fire now?”

“It’s red.” Taozi stared with her big round eyes and said with some puzzlement.

“What’s Wrong?”

Qin Yu shook his head and sighed, “I need the help of two alchemists who have the purple flame. But besides me and the pavilion master, there’s still one more. Is there a newcomer who has the Purple Flame in our Divine Alchemist Pavilion?”

When this topic was brought up, Taozi felt a little disappointed.

She sighed and said, "Let's not talk about newcomers. Ever since that Wan Gu Qiong harassed the pavilion master, the Divine Alchemist Pavilion hasn't accepted any newcomers for a long time."

"Wan Gu Qiong? is he still pestering us?" Qin Yu frowned.

Taozi pointed at the pavilion master's building and said, "He's upstairs right now."

Qin Yu's pupils shrunk!

Wan Gu Qiong, this beast, was actually in the Pavilion Master's Building?

"Damn it!"

Qin Yu cursed inwardly and immediately wanted to go upstairs.

Taozi hurriedly pulled Qin Yu back and said, "Don't be rash. He has two martial saints by his side."

Qin Yu's expression instantly became even more unsightly, and he could not help but clench his fists.

"Pavilion master didn't suffer any injuries, right?" Qin Yu suppressed his anger and asked.

Taozi said, "That's not the case. With commander ye around, he didn't dare to go too far. He just kept on using foul language."

"Hu..."

Qin Yu let out a long breath.

“If you continue to persevere, it won’t be long before you can change this situation,”Qin Yu said in a low voice.

“Alright, you should come with me first and find a place to hide. I’ll inform you when the ancient jade is gone,”said Taozi as she held Qin Yu’s hand and walked.

Qin Yu nodded. This was the only thing he could do now.

He followed Taozi all the way to a mansion.

Qin Yu had never seen this mansion before. It seemed to be newly built.

“Zhang Yijiu and Xiao Qing are staying here,”Taozi said.

“They are all your old acquaintances. I don’t think they will say anything.”

“I’ll keep an eye on them now. I’ll let you know as soon as the Wan Gu Qiong leaves.”

Qin Yu nodded and said, “Thanks.”

“F * ck you!”Taozi rolled her eyes.

Qin Yu walked into the mansion quickly.

It had to be said that the environment of the mansion was not bad. The courtyard was filled with all kinds of exotic herbs. The moment he entered the door, the fragrance assailed his nostrils.

Qin Yu quickly walked into the room. As soon as he entered the door, he saw Zhang Yi Jiu and Xiao Qing sitting there playing chess.

The two of them were dressed rather comfortably. It was obvious that they were planning to sleep.

When they saw Qin Yu who suddenly barged in, the two of them were so scared that they screamed.

“Don’t shout, don’t Shout!” Qin Yu hurriedly made a shushing gesture.

Zhang Yi Jiu glared at Qin Yu and said, “Why don’t you knock! Don’t you know how to knock when you enter a girl’s room? You’re taking advantage of my door!”

Qin Yu glanced at Zhang Yi Jiu and rolled his eyes. “With your figure, I wouldn’t even look at it if you showed it to me. Xiao Qing’s is more like it.”

Xiao Qing’s small face blushed and she hurriedly covered her body with her clothes.

The two quickly put on their clothes and then asked, “Why did you suddenly come here?”

Qin Yu lay on the bed and stretched. “I came back with something.”

“TSK, TSK, you’re really big-hearted. Now the Jingdu Martial Arts Association has listed you as a fugitive,” Zhang Yi Jiu muttered.

Then, she smiled evilly and said, “It’s almost the same treatment as our Han Palace.”

At the mention of Han Palace, Qin Yu suddenly remembered the “Elements” that Tie Dan had mentioned before.

Therefore, Qin Yu took the opportunity to ask, “By the way, does the palace master of your Han Palace control some snow elements?”

“How do you know?” Zhang Yi Jiu asked in surprise.

“This is the secret of our Han Palace.”

Qin Yu scratched her head and thought to herself, “It seems that not many people in the world know about elements.”

“Then, have you mastered the elements?” Qin Yu continued to ask.

Zhang Yi Jiu shook his head and said, “The palace master said that the elements are all born, and can not be passed down the day after tomorrow.”

Qin Yu replied with an ‘Oh’ and did not continue to ask.

Compared to Zhang Yi Jiu, Little Qing was much quieter.

She sat at the side and did not say a word.

“Why, are you homesick?” Qin Yu glanced at her and asked casually.

Before Little Qing said anything, Zhang Yi Jiu, who was beside her, muttered, “Isn’t that nonsense? I was staying at home and was fine. I was brought here by you for no reason.”

Qin Yu touched her nose and said guiltily, “Don’t worry. I’ll send you back very soon and let you reunite with your family.”

Little Qing smiled bitterly and said, “It’s not that simple. If I go back now, I’ll probably be regarded as a traitor. The second mystic realm will definitely not forgive me.”

“It’s alright. After I’ve taken down the second mystic realm, you can go back.”Qin Yu said with a slightly confident tone.

Zhang Yi jiu snorted and said, “Keep bragging. The second mystic realm is guarded by a peak martial saint. It’s not something you can touch.”

Qin Yu did not explain to Zhang Yi Jiu.

Tie Dan and the handlebar mustache had said that once Qin Yu had become a martial saint, he would be invincible in this realm.

Qin Yu also possessed such confidence.

As long as he became a martial saint, he would definitely go to the second secret area!
