Chapter 1: The Cold-Hearted Su Yan

“Hurry up, babe. My husband is coming back soon!”

Inside a luxurious mansion, a disembodied voice could be heard urging someone in the bedroom as Qin Yu stood before the door.

The voice sounded familiar to him as its owner was his wife, Su Yan.

”He’s just a good-for-nothing. So what if he’s back? I’ll have him eat humble pie even if sees us!” A man jeered with a hoarse voice.

Standing before the door, Qin Yu was trembling in rage.

The burning anger nearly caused him to lose it.

Bang!

As his anger boiled, he kicked the door open.

A man and a woman could be seen with disheveled clothing in the room.

Glaring at Su Yan, who was on the bed fawning over the man next to her, Qin Yu was brimmed with fury. Tears rolled down his cheeks uncontrollably.

”Su Yan, why are you doing this to me?” Qin Yu questioned while gritting his teeth and shooting her a wrenching look of agony.

Su Yan became slightly panicked for a moment, but she regained her composure soon after.

With that, she put on an impassive look.

”Since you’ve already found it out, I’ll not hide it anymore,” Su Yan remarked.

”Why are you treating me like this? I’ve been living a miserable life in the Su family for three years! I always listened to whatever you said — I’d never stand if you asked me to remain seated! So why did you betray me?” Qin Yu bellowed as tears drenched his face.

Su Yan derided, “No woman would like a spineless person who accomplished nothing in life like you.”

After speaking, she turned to peer at the burly man beside her.

”Do you know who this man is? He is the young master of the Zhao family, Zhao Gang! To be frank, I’ve been two-timing you with him since a long time ago. If it weren’t for grandpa, I would’ve divorced you and kicked you out of my house from day one!” Su Yan added in a derisive tone.

Upon hearing that, tears ran down Qin Yu’s face profusely.

”I’ve been living my life in fear all these time. I was always afraid of making you upset.

”I would wake up at midnight to prepare you a hot meal whenever you were hungry; I would ride the motorcycle all the way to South City just to pick your favorite flower for you.

”I—”

”That’s enough!” Su Yan interrupted in annoyance.

Those heartfelt and touching moments could not touch a heartless woman like her.

”Do you think doing these petty things are sufficient? If it weren’t for my grandpa, who insisted on our marriage, do you think I would even spare a glance at a man like you — a useless man with zero accomplishments? Know your place, wimp!” Su Yan scoffed.

”You should learn a thing or two from Zhao Gang!” Su Yan noted while wagging her finger at the man next to her.

”He amassed a fortune of nearly 100 million at such a young age! He is signing deals with the Yan family from Jindu! Can you even comprehend what that means? Do you have any idea how powerful those people from Jingdu are? They can turn us into the nouveau riche with just a word!” Su Yan remarked.

”Why are you telling him all these? How could a cuck like him know about the Yan family from Jingdu?” Zhao Gang mocked while looking at Qin Yu in contempt.

Qin Yu forced a bitter smile on his face.

Indeed, he knew nothing about the business world, but even he has heard about Jingdu’s Yan family before.

Besides, the news about them was covered all over Jiangcheng’s mass media lately. So it was practically impossible for Qin Yu not to hear about it.

Gazing at Su Yan’s beautiful yet deadpan countenance, Qin Yu could not help but weep in silence.

"I've been serving you faithfully for three whole years. One would even have feelings for a dog after such a long time..." Qin Yu lamented with a snuffle.

Su Yan snickered, "You're worse than a dog."

Zhao Gang jibed, "Hey, dork. Be sensible and forget what you saw today. Then the three of us can continue to live happily ever after, and you'll still get to serve your wife."

"But if you wanna try anything funny, then pack your stuff and get out of here." Zhao Gang chided in a snobbish tone as if he was the household owner.

Qin Yu became feeble all of a sudden.

Old Mister Su, who was addicted to fortune telling back then, had prophesied that Qin Yu would bring good luck to the Su family, so the former married the latter to his granddaughter.

Apart from Old Mister Su, No one looked up to him while he was a live-in son-in-law for the past three years.

Hence, his inferiority complex worsened, and he tried his best to please everyone in the Su family, fearing that they would be irked by him.

Yet his futile efforts were rewarded with betrayal and disappointment.

"I'm really hopeless, aren't I?" Qin Yu commented in a self-deprecating tone as the corner of his lips lifted.

”After three long years, I should start to grow a spine, right?” A glint of hostility flashed in Qin Yu’s eyes as he glared at the adulterers before him.

”Why? You cant take it?” Zhao Gang taunted after noticing Qin Yu’s look. Not only was Zhao Gang unaffected, but he also donned a satirical smirk on his face.

Qin Yu fixed his stare on Zhao Gang and clenched his fists. Gritting his teeth, he roared, “You son of a b*tch, I’ll kill you!”

Immediately after, Qin Yu dashed towards Zhao Gang.

However, a puny man like Qin Yu was no match for Zhao Gang.

Before he could land a blow on Zhao Gang, he was kicked to the ground by the latter.

He could not stand because of the unbearable pain in his abdomen.

”Bloody hell! How dare you raise your hand against me?” Zhao Gang was overflowing with wrath.

After striding towards Qin Yu, Zhao Gang beat the weak man to a pulp.

Qin Yu laid on the cold floor in despair and received every blow directed at him.

”What a pathetic life I’ve led.” Qin Yu covered his head, looking anguished.

”I couldn’t even take my revenge. I... Guess I don’t deserve to live anymore...” Qin Yu moaned with a lifeless look.

The relentless blows on his body caused blood to spill from his mouth.

”It’s alright. Just forget about him. Hitting a useless maggot like him is an insult to you,” Su Yan noted coquettishly, pulling Zhao Gang’s arm.

Zhao Gang spat on Qin Yu’s face. While crooking his finger in the door’s direction, Zhao Gang threatened, “Get lost right now! Or else I’ll beat you to death!”

Qin Yu struggled while getting on his feet and trudged towards the exit.

His heart was filled with hatred towards this pair of adulterers, but he hated himself even more for not getting even with them.

Qin Yu was reluctant to accept the humiliation and leave just like that.

”Su Yan, I promise you’ll regret this,” Qin Yu turned around and reproached.

Pointing his finger at Qin Yu, Zhao Gang berated, “Buzz off! You hear me?”

Wiping the blood off the corners of his lips, Qin Yu plodded out of the Su Residence.

As Qin Yu arrived before the main entrance, he stumbled upon his mother-in-law, Sun Yumei, who had just come back.

Noticing the Mercedes Benz parked in front of the main entrance, Sun Yumei seemed to get a hold of the story.

”Mother... ” Qin Yu greeted in a grievance.

Sun Yumei glanced at him with an emotionless look.

Waving her hand in vexation, she uttered, “Now that you know about it, then you know what you should do! To tell you the truth, all of us agreed to kick you out of our family!”

Hearing that only deepened his despair.

”Did grandpa agree to it too?” Qin Yu asked.

Sun Yumei retorted, “His opinion is irrelevant! The Zhao family has signed deals with the Yan family from Jingdu! If we can ride on the wave of the Yan family, we’ll finally elevate ourselves among the elites!

”This involves the development of our family business on a macro level. What makes you think that an old geezer like him could have a say in this?” Sun Yumei said.

”As for whatever good luck he keeps babbling on about, it’s all just feudal mindsets and backward superstitions.”

Qin Yu remained taciturn the whole time.

The Su family’s heartlessness caused him to be disheartened.

After wiping his mouth, he strode out of the Su Residence.

The physical pain and mental shock proved to be too much for him to bear.

At that moment, he finally passed out on the sidewalk of the main road.

Out of the blue, a Maybach with a Jingdu license plate came to a halt before Qin Yu.

After the window wined down, a long-haired, elegant-looking girl could be seen frowning as she stared at Qin Yu, who laid on the ground.

”So this is the guy who grandpa betrothed me to?” The woman winked her eyes as she scrutinized Qin Yu.

Her eyes were filled with disdain as she stared at the unconscious scruffy Qin Yu.

”Miss, perhaps... You may have mistaken him for that person? Surely Old Mister Yan wouldn’t match you with a dull commoner like this guy?” A man, who was dressed like a bodyguard in the car, criticized with his brows knitted together.

Yan Ruoxue remained silent. Making a gesture, she ordered, “Bring him into the car.”

”Yes, Miss.” Her bodyguards disembarked and immediately carried Qin Yu back into the car.

Her furrowed brows intensified as she peered at the unkempt man before her.

”Grandpa, do you really want me to marry this good-for-nothing of a man?” Yan Ruoxue sighed in resignation as she recounted her grandfather’s exhortation before leaving.

”Ruoxue, our family owes him a lot! If it weren’t for Qin Yu’s father, our family would never be what it is today!

”His father left him a keepsake and requested me to hand it to him once he reached thirty.

”Mr. Qin was an almighty man. I believe his son will be something else as well. Listen carefully, Ruoxue. You must be kind to Qin Yu.”

Her grandfather’s urging was played in her mind repeatedly. A hint of resignation could be seen on her breathtaking face.

”If he’s a rough diamond with untapped potential, I’ll agree to grandpa’s request,” Yan Ruoxue mumbled silently.

”But if he’s just a worthless peasant, I’ll not go along with it.” Yan Ruoxue heaved a deep sigh.

She rubbed her fingers against the turquoise jade pendant, which was the memento that her grandfather asked her to pass on to Qin Yu.

Yan Ruoxue meticulously placed the pendant around Qin Yu’s neck and turned her head away.

“With that, our family has fulfilled the promise of returning him the keepsake,” Yan Ruoxue thought.

Nevertheless, she did not notice that the pendant with bloodstains glimmered when it touched Qin Yu’s skin before entering his body at lightning speed.

Chapter 2: The Girl of His Dreams

The car was moving on the road smoothly towards the hospital.

”Miss, the mayor of Jiangcheng and the Chamber of Commerce of Jiangcheng would like to invite you over for a meal,” the secretary beside Yan Ruoxue mentioned.

Instantly, Yan Ruoxue reverted to her usual aloof attitude.

She replied with a stern look, “Turn them down. Send Qin Yu to the hospital first.”

The secretary teased with a smirk, “Miss, are you telling me that you are planning to marry this trash of a human?”

Upon hearing that, Yan Ruoxue shot him a sharp look.

”Huh? Are you trying to teach me what to do?” Yan Ruoxue remarked.

Color drained from his face, and he mentally slapped himself on the cheek and noted, “My apologies, Miss. I’ve talked too much.”

Following that, Yan Ruoxue cupped her mouth with her hand and coughed intensely.

”Miss, it’s time to take your medicine,” the secretary hurriedly reminded.

”Continue driving!” Yan Ruoxue paid no heed to his words and commanded expressionlessly.

The car sped off towards the hospital at Yan Ruoxue’s order.

At that time, however, Qin Yu felt like he was dreaming while he was in a state of unconsciousness.

In the dream, everything was pitch-black no matter where he looked.

A man could be seen staring at Qin Yu with an impassive look in the darkness.

He was a man with a gallant stature and a domineering aura. He was like a god. Just the sight of him caused one to have a powerful urge to worship him.

"W-where is this place, and who are you?" Qin Yu stammered in anxiety.

That man turned in Qin Yu's direction and looked straight into his eyes.

"To think that my son would end up being such an incompetent man," the man lamented.

Son? What is he talking about?

Qin Yu felt a stabbing sensation in his heart when he heard those words.

He had never seen his parents, not since his earliest consciousness.

It was only natural that he would long to experience familial love.

Although Qin Yu could not recognize the man standing before him, he could feel an indescribable connection.

"A-are you my father? Dad, I've missed you so much..." Qin Yu stretched out his arm, trying to touch his father, but it went right through the man.

"A man should thrive at age 30. I'll now bestow you with all of my knowledge. This is your inheritance," the man uttered coldly.

”If you’re a good-for-nothing, I believe the Yan family will take care of you for the rest of your life. But I’ll never come and see you.

”If you’ve got a backbone, there’s nothing that can stop you in this world!

”And I’m very much looking forward to our meeting.”

After his monologue, the scenery before Qin Yu began to crumble.

Upon seeing that, Qin Yu shouted like a mad man, “Dad! Don’t go, dad!”

Yet, nothing Qin Yu uttered could stop the scene before him from disappearing.

Sorrowed, Qin Yu dropped to his knees and sobbed in agony.

Even if it was just a dream, he had hoped to see his parents like other people did, to grouse about his hardships with them.

But no matter what he did, the sight before him continued to crumble into nothingness.

Soon, a collection of vast memories flooded his mind — all of which were unfamiliar to him.

Among them were scared medical knowledge, cultivation methods, mystical arts, and more.

Right then, a turquoise-colored Qi (energy) flowed into his dantian (the place where life force is located) slowly.

His consciousness went out before he could react.

When he came to, he was already lying in a king-size bed.

A girl with long hair and slender legs could be seen sitting before him.

”You’re finally awake!” Yan Ruoxue scrutinized Qin Yu as if she could see through him.

With that, Qin Yu quickly got up and stuttered in nervousness, “W-who are you?”

Yan Ruoxue did not want to disclose her identity this early, so she responded, “I’m Ruoxue. I saw you fainted on the sidewalk, so I rescued you on a whim.

”How strange though. The doctor said that there was nothing wrong with you.” Yan Ruoxue’s eyes twinkled as she peered at the man before her in curiosity.

Qin Yu frowned a little and murmured, “So it wasn’t just a dream after all?”

Closing his eyes, Qin Yu began to contemplate.

As expected, the memory was still intact, and it seemed to be merging with his! This was amazing!

Even the Qi inside his dantian did not show any sign of dispersion at all!

”So, this is all real!” A glimmer of hope lit up in Qin Yu’s heart that was brimming with disappointment up till that moment.

The scared medical scrolls and the cultivation methods were the things that could change his current miserable state.

”I saved you. Yet, you don’t even express your gratitude? Where are your manners?” Yan Ruoxue commented as she rolled her eyes.

At that, Qin Yu regained his composure and jumped to his feet. Bowing his head to Yan Ruoxue, he uttered awkwardly, "M-Miss Ruoxue, thank you for rescuing me."

Yan Ruoxue burst into laughter at the sight of Qin Yu's clumsy manner.

For some unknown reason, she somehow found the silly man before her a little cute.

"Alright, don't sweat it. I was just pulling your leg." Yan Ruoxue waved her hand.

After speaking, Yan Ruoxue covered her mouth and coughed violently.

Just then, a man in doctor's scrubs came in.

"Miss, you should take your medication," the doctor suggested while carrying a medical box in his hand.

Yan Ruoxue nodded.

A glass of warm water was placed on the table. Then, the doctor took out a table full of medicine from the box.

Gazing at Yan Ruoxue, countless knowledge from the sacred medical scrolls flashed in Qin Yu's mind.

Qin Yu could not help but feel a little excited at what was happening.

After some hesitation, he moved forward and asked, "Miss Ruoxue, are you not feeling well?"

Glancing at Qin Yu with the corners of her eyes, Yan Ruoxue replied casually, "Yeah. I've had asthma since young."

Asthma!

The treatment methods for asthma immediately came into Qin Yu's mind.

Still, Qin Yu did not dare to speak up as he lacked self-confidence.

Rooted to the spot, he watched as Yan Ruoxue swallowed all the drugs on the table.

Nevertheless, Yan Ruoxue's symptoms did not improve even after taking all the pills.

Upon seeing that, Qin Yu took a deep breath to muster his courage. Then, he took a step forward and uttered, "Miss Ruoxue, could you please let me try to help? I might be able to treat your sickness."

After hearing his words, a hint of astonishment flashed in Yan Ruoxue's pretty eyes.

A while later, she chuckled, "I have asthma. It is incurable. Don't tell me that you can't even understand something so simple?"

Qin Yu immediately clarified, "I don't know how to explain it to you. But... I still want to give it a go. Maybe this might work..."

Having heard that, Yan Ruoxue's brows knitted together.

The doctor who was standing at the side jeered, "Hey man, you're not even a doctor. So tell me, how do you plan to cure it?"

At once, Qin Yu's face turned red up to his ears. He stood awkwardly.

"I'm tired of seeing people like you. You're just lusting after Miss Ruoxue, trying to take advantage of her," the doctor added.

"If my guess is right on the money, your treatment involves the touching of skin, right?"

Qin Yu's mouth hung agape. Biting the bullet, he answered, "You are right..."

"Hahaha. You see, miss. This fellow is nothing but a lecherous scum," the doctor derided.

Yan Ruoxue's expression turned gloomy.

Glaring at Qin Yu, she warned, "Do you know what's the consequences of taking advantage of me?"

Qin Yu hurriedly explained, "No, it's not like that. I was not trying to take advantage of you. I can really cure your disease. I mean it."

"Hmph! You are spouting ridiculous words," the doctor denigrated.

"Asthma might not be a serious illness, but it has always been a chronic condition! There's no way to cure it completely! This is common sense! Miss, I suggest that we chop his hand off and throw it out of the window!" the doctor continued.

Yan Ruoxue remained taciturn and sized Qin Yu up.

No one knew what she was thinking.

"I am willing to give you a chance," Yan Ruoxue stated after a while.

"But if it doesn't work, things will get ugly for you," Yan Ruoxue added with a wink.

Despite knowing that Yan Ruoxue was not someone to be trifled with, Qin Yu was full of confidence at that time.

Besides, he could not wait to test and see if the knowledge of the scared medical scrolls was legit.

"Alright!" Qin Yu nodded strenuously.

”Miss, do you really want to trust him? It is obvious to everyone that he is just—”

”Shut up!” Yan Ruoxue reproached before the doctor could finish his lines.

Immediately, the doctor became silent. He stood at the sidelines without another word, albeit reluctantly.

”Is there anything I need to do, Doctor Qin?” Yan Ruoxue asked in a playful tone.

Having heard that, Qin Y’s face flushed and murmured, “I-I will have to place my hand on your chest...”

After Qin Yu spoke, his face was red down to his neck.

Lowering his head, Qin Yu took in Yan Ruoxue’s fair cleavage.. It was an alluring sight to behold.

Chapter 3: Get Him Back Here

Translator: Nyoui-Bo Studio **Editor:** Nyoui-Bo Studio

”You punk! How dare you make such an insolent request?” the doctor immediately bellowed in anger.

All of them regarded Yan Ruoxue as their idol in their hearts. She was comparable to that of a holy angel to them. Therefore, they would never allow anyone to defile her, especially a cuck like Qin Yu.

Even Yan Ruoxue’s bodyguards dashed forward, trying to encircle him.

However, Yan Ruoxue stared at Qin Yu emotionlessly.

After some ponderation, Yan Ruoxue finally agreed to let him try.

She thought to herself that if he was a liar, she will have a real reason to turn down this whole betrothal thing.

After lying on the bed, Yan Ruoxue’s pale and ample breasts came into Qin Yu’s sight.

With a flushed face, Qin Yu walked towards Yan Ruoxue.

He murmured, “Please excuse me, Miss Ruoxue.”

After speaking, Qin Yu stretched out his hand and gently placed it on Yan Ruoxue.

Yan Ruoxue’s beauty was out of this world. Su Yan paled in comparison.

Yan Ruoxue’s voluptuous figure was so perfect that no one could resist the sight of her.

The doctor and the bodyguards' eyes nearly popped out of their sockets at the sidelines.

If Yan Ruoxue did not stop them, they would have cut Qin Yu to pieces, turning him into mincemeat already.

Qin Yu held back his urges and disregarded his dirty thoughts to calm his nerves.

He then followed the instructions of the scared medical scrolls in his mind to channel his Qi, which took the shape of a flying dragon, in his dantian and transferred it out.

Following that, a warm feeling slowly traveled from Qin Yu's palm into Yan Ruoxue's body.

Yan Ruoxue was instantly warmed up. A while later, she felt scorching heat throughout her entire body, as if she was soaking herself in a hot spring.

As time passed, beads of sweat started to form on his forehead.

Ten minutes passed in a blink of an eye.

Yan Ruoxue's expression turned sullen. "There's a limit to how much you can take advantage of me! Would you cut it out already?"

Furthermore, Yan Ruoxue did not feel anything different apart from the warm feeling in her body.

Instead, she had difficulty breathing and was overwhelmed with stuffiness in her chest, causing an unbearable urge to cough. These symptoms only added to her frustration.

Shaking her head, Yan Ruoxue thought, "It seems grandpa had thought too highly of him."

Just then, Qin Yu moved his hand away from Yan Ruoxue's body.

Wiping his sweat off, he uttered softly, “Miss Ruoxue, I’m done with your treatment already. It should take roughly ten minutes for you to be fully recovered.”

Sitting up from the bed, Yan Ruoxue mocked, “I’ll be fully recovered in ten minutes, you say? Do you take me as a fool?”

After Yan Ruoxue spoke, she started coughing violently as her face turned ashen.

At the sight of that, Qin Yu became rooted to the ground. He was anxious that he did not know what to do with his hands.

”Miss, let us finish him off!” the burly bodyguards piped in unison.

Yan Ruoxue waved her hand while glancing at the clock on the wall. She declared, “Okay. I’ll give him ten minutes.”

Truth be told, even Qin Yu himself was unsure if it would work.

After all, Qin Yu could not tell if the surreal experience earlier was reality or just a dream.

Without warning, the bodyguards strode toward Qin Yu and surrounded him as if they were afraid that he might try to escape.

Nine minutes passed in no time at all.

Peeking at the wall clock, Yan Ruoxue questioned with a deadpan face, “Looks like you were telling me lies. So, how was it? Was it good to touch?”

Qin Yu could not help but put on a wry smile. He knew that any explanation would be futile, as they would be brushed off as an excuse. So he would rather not say a word.

The bodyguards took a step forward, trying to seize him, but Qin Yu was calm. He did not feel terrified, even for a second.

Death might be liberation for him at this point, seeing that he no longer had any hope left in this world.

"Just forget it," Yan Ruoxue stated while waving her hand.

"For reasons that I do not wish to disclose, I will let you off the hook this time. However, I do not want to see you again," Yan Ruoxue added coldly.

Remaining taciturn, Qin Yu got up and bowed to Yan Ruoxue.

"I'll take my leave now, Miss Ruoxue," Qin Yu said and turned to leave.

"Miss, are you gonna let it slide just like that?" the bodyguards queried in discontent after Qin Yu left.

Yan Ruoxue shot them a glance and remained silent for a bit.

"Just consider it as repaying the favor to his dad," Yan Ruoxue sighed silently. The disappointment was written all over her face.

Before she came to Jiangcheng, her grandfather had aggrandized Qin Yu in a loquacious manner, to the point of apotheosizing the man. She held high expectations of him.

"Grandpa, it looks like you were wrong about him," Yan Ruoxue bemoaned.

At that moment, Yan Ruoxue felt a warm feeling flowing inside of her.

Before she could react, she had a violent cough. Then a dark, turbid substance came out of her mouth.

"Miss, are you alright?"

”What did that bastard do to you? I’m gonna drag him back right now!”

”I’m so gonna slaughter him!”

Hearing their remarks, Yan Ruoxue stopped them.

After touching her chest, she was surprised to find that the stuffy feeling that had been torturing her for years had disappeared. Even the dry and itchy feeling in her throat dissipated utterly.

”So he was telling the truth?” Yan Ruoxue commented confusedly. She was confounded by what she was feeling.

”Get him back here right now!” Yan Ruoxue commanded.

Chapter 4: The Domineering Yan Ruoxue

Translator: Nyoui-Bo Studio **Editor:** Nyoui-Bo Studio

Although the bodyguards could not comprehend the situation, they did not dare to defy Yan Ruoxue's order. They immediately left to pursue Qin Yu.

At that moment, Qin Yu was trudging on the sideway of the main street aimlessly, looking despaired.

He had no idea where he should head to.

Home? That was definitely not an option. Would he end up being homeless?

"Dad, I have failed you," Qin Yu lamented as he recalled the man from his dream.

Suddenly, a Bentley accelerated in Qin Yu's direction and came to a stop before him.

Before he knew it, he noticed five bodyguards getting out of the car.

"Stop right there!" The bodyguards blocked Qin Yu's way.

"Miss Ruoxue has ordered you to come back with us!" they clarified while remaining expressionless.

Qin Yu thought that Yan Ruoxue was not letting him slide, after all. So he said, "It's okay. I'll bear the consequences of my actions. I'll follow you back."

With that, Qin Yu got into the car obediently.

Everyone remained silent along the journey.

In no time, a burly bodyguard grabbed Qin Yu's arm and dragged him before Yan Ruoxue.

"Miss, we've detained him as per your order!" The bodyguard pushed Qin Yu towards Yan Ruoxue.

Upon seeing that, she furrowed her brows.

Getting to her feet slowly, she walked towards the bodyguard.

"Who asked you to treat him like this?" Yan Ruoxue questioned in a sharp tone.

At once, the bodyguard was in a dazed state and stammered, "I... Um..."

"Apologize to Mr. Qin right now," Yan Ruoxue commanded.

"Miss, I..."

"Don't make me repeat myself!" Yan Ruoxue chided before the bodyguard could finish his sentence.

The bodyguard's face was red up to his ears.

He was incredibly reluctant to apologize to a dork like Qin Yu.

However, none of them dared to go against Yan Ruoxue's command. So he bit the bullet and bowed his head.

"I-I'm sorry, Mr. Qin." The bodyguard remained in that position and did not dare to raise his head.

Qin Yu remarked, "It's alright, Miss Ruoxue. It's no big deal. Please let bygones be bygones."

Yan Ruoxue nodded and ordered, "Leave the both of us alone."

Upon hearing that, the others got out of the room hastily.

Yan Ruoxue opened a bottle of red wine, poured Qin Yu a glass, and commented, "I really did not expect you to have medical skills."

Qin Yu was dumbfounded. Surprised, he queried in elation, "Miss Ruoxue, does that mean... You are fully recovered?"

"Well, yeah," Yan Ruoxue answered in slight confusion.

"That's great! I'm so glad!" A seed of hope sprouted amid Qin Yu's despair.

"Looks like it was real after all!" he thought.

"Well, I've checked your background. So, I'm curious as to why would a person of your medical skills led such an unimpressive life," Yan Ruoxue uttered whimsically.

Upon hearing that, Qin Yu let out a sigh.

"Miss Ruoxue, I don't know how to explain this to you," Qin Yu stated with a wry smile.

Still, there was no way Qin Yu could tell her that he had gained all his medical skills and knowledge in a dream. Should he utter such words, she would think he was out of his mind.

Nevertheless, Qin Yu seemed to be a humble person in Yan Ruoxue's opinion. Thus, his reaction only added to her good impression of him.

"No chance to display your prowess?" Yan Ruoxue asked in jest.

After chuckling, Qin Yu remained placid.

”Alright. Let me know what I can do to return the favor? Name your price. Or is there anything else that you want?” Yan Ruoxue questioned teasingly. Her words were equivocal.

Qin Yu waved his hand and rejected, “No, Miss Ruoxue. I don’t need anything. You’ve rescued me, so this is the least that I can do for you.”

”Are you sure you don’t want anything?” Yan Ruoxue asked with a faint smile.

”You know, I can fulfill whatever request that you may have. You just have to say it.” Yan Ruoxue looked a little expectant.

Qin Yu shook his head and answered, “I really don’t need anything. Thanks for your offer.”

After hearing Qin Yu’s words, a hint of gaiety flashed in Yan Ruoxue’s eyes.

Qin Yu seemed to be a kind-hearted and genuine person at the very least.

Qin Yu’s phone rang all of a sudden.

His expression turned glum upon seeing the caller ID on the screen because the person who called him was Su Yan.

Qin Yu grabbed his phone and went to the side to pick up the call.

As soon as he pressed the answer button, Su Yan could be heard saying in a harsh tone, “Are you dead? If not, get your *ss back here right now!”

Qin Yu was burning with rage upon hearing such abrasive words.

Gritting his teeth, he riposted, “Why makes you think that I will go back after what you’ve done?”

Su Yan burst into laughter immediately at his words.

”Oh, poor Qin Yu. Did you think that I wanted you to come back? Oh, please. My mom is asking you to get back here to sign the divorce agreement form,” Su Yan jeered.

”You’d better not pull anything funny! Otherwise, I will ask Zhao Gang to send you to the netherworld!” Su Yan snorted.

Having heard that, Qin Yu clenched his fists involuntarily.

Clamping his teeth together, he bellowed, “Su Yan, you are really the worst! Don’t worry. I’ll not cling to you any longer! You will regret what you did one day!”

”Hmph! The thing I regretted the most in my life was marrying a useless scum like you!” Su Yan retaliated.

She immediately ended the call after speaking.

Qin Yu appeared to be troubled as he had mixed emotions.

After all, it would be impossible not to develop feelings for someone after spending three years with them.

However, humiliation and anger drowned out his positive emotions.

”What happened?” Yan Ruoxue asked with a smile after taking a sip of the red wine.

Qin Yu shook his head and responded, “Miss Ruoxue, I-I need to go home now. There’s something that I have to deal with.”

Yan Ruoxue winked her eyes and uttered, “Divorce?”

Qin Yu was stupefied for a moment. Then he asked, “How did you know about this?”

”Just a random guess,” Yan Ruoxue answered half-heartedly.

”I’ll go with you,” Yan Ruoxue came to her feet and said.

”I-It’s okay. I’m good,” Qin Yu declined, wagging his hands.

Yan Ruoxue ordered in a domineering tone, “I will send you there! Quit whining!”

Feeling resigned, Qin Yu left together with Yan Ruoxue.

When they got out of the room, Yan Ruoxue’s secretary immediately came up to them.

Moving close towards Yan Ruoxue’s ear, he whispered, “Miss Ruoxue, the Governor of Chuzhou and the Chief of Chuzhou Region are here. They are inviting you over for a banquet.”

Yan Ruoxue had a slight headache upon hearing that.

Rubbing her temples, she murmured, “This is such a hassle. Make them wait for a while. Just tell them that I’ll be late.”

”Yes, Miss,” the secretary said.

Following that, Yan Ruoxue’s car came to a halt in front of Qin Yu.

”Get in.” Yan Ruoxue gestured with her finger.

Seeing that declination was not a wise option, Qin Yu got into the car submissively.

Soon, they arrived at the main entrance of the Su Residence.

”Miss Ruoxue, I’ll be leaving now. Thanks for the ride,” Qin Yu stated courteously before getting out of the car.

But Qin Yu did not expect Yan Ruoxue to get out of the car with him.

Running her fingers through her hair, she said with a bright smile, “I’ll join you.”

”Huh?” Qin Yu was in a dazed state.

Yan Ruoxue donned a smile on her face.. “I want to see what your family looks like.”

Chapter 5: Remove Them From the List

Translator: Nyoui-Bo Studio **Editor:** Nyoui-Bo Studio

Qin Yu felt a little awkward.

He knew very well in his heart that they would definitely humiliate him when he returned home.

Qin Yu did not want anyone to witness his most embarrassing state.

However, Yan Ruoxue seemed to read Qin Yu's mind.

She uttered with a smile, "Regardless of the difficulties, they will remain insurmountable until you've faced them, right?"

Taking a deep breath, Qin Yu nodded. Then he led Yan Ruoxue as they strode toward the main entrance.

All the Su family members were gathered in the living room.

Zhao Gang could be seen hugging Su Yan brazenly.

Not only did Qin Yu's mother-in-law, Sun Yumei, not rebuke Zhao Gang, but she even poured the arrogant man a cup of tea.

Qin Yu lost his cool at the sight and clenched his fists.

Before he could speak up, Yan Ruoxue pulled his arm and shook her head.

Shooting Yan Ruoxue a glance, Qin Yu suppressed his wrath.

"Wow. You've found yourself a chick even before we're officially divorced, huh?" Su Yan scrutinized Yan Ruoxue in displeasure.

Although Su Yan had no feelings for Qin Yu, the former was extremely upset to see her soon-to-be ex-husband courting another woman in such a short time.

On the other hand, Zhao Gang was ogling at Yan Ruoxue with drool almost leaving his lips.

The lady before his eyes was too captivating for him to avert his gaze away.

Her figure, countenance, and temperament were far too alluring — she was irresistible.

Su Yan, who was beside him, paled in comparison.

”This person is my friend. You better not disrespect her,” Qin Yu warned coldly.

Su Yan let out a snort and disregarded Qin Yu. Then she ridiculed, “Tsk! Tsk! Sis, you really are a fool. To think that you would pick up a scrap that I discarded. Don’t you know that he is a spineless worm?”

Yan Ruoxue was unaffected by the remark. Running her fingers through her hair, she riposted casually, “Only an unsophisticated woman would leech off a distinguished man. I’m nothing like you.”

Su Yan was burning with fury upon hearing that.

”Why, you little!” Su Yan was trembling in outrage, but she could not think of a single thing to say in refute.

Zhao Gang was salivating over Yan Ruoxue. It was impossible not to lust after a beauty like her.

”Miss, you don’t seem to be an average jane. And if you don’t mind my asking, what do you do for a living?” Zhao Gang questioned with a smile.

After contemplating, Yan Ruoxue replied, "I'm involved in all sorts of businesses. Real estate, investments, e-commerce, and so on."

"Real estate?" Zhao Gang's eyes widened upon hearing that.

Feeling smug, he asked, "Miss, do you know that Jingdu's Yan family is bringing in business opportunities to our city?"

Looking unfazed, Yan Ruoxue nodded. "I know."

Zhao Gang went on in a narcissistic manner, "Truth be told, my family has gotten a deal with the Yan family. Miss, are you perhaps interested in a collaboration?"

Zhao Gang's intention was obvious. He was luring Yan Ruoxue with the Yan family.

Not only did Yan Ruoxue not appreciate it, but she even let out a snicker.

"The Zhao family, right? Alright, I'll remember it now," Yan Ruoxue noted with a smile.

Thinking he had won her attention, Zhao Gang was on cloud nine. Taking out his business card, he said, "Feel free to contact me if you need anything."

"What are you doing?" Su Yan chided in annoyance.

Zhao Gang let out a cough and returned to the sidelines.

Grabbing the divorce agreement form, Su Yan slammed it on the table before Qin Yu.

"Sign it, and we are done," Su Yan snorted.

Clenching his fists, Qin Yu glared at Su Yan and piped, “Su Yan, you will regret this one day!”

”Quit it, will you?” Su Yan huffed in irritation.

With that, Qin Yu remained silent and grabbed the pen to sign his name on the papers. Then he pushed the documents back to her.

”I swear I will make both of you adulterers kneel before me and apologize!” Qin Yu bawled with bloodshot eyes. He would never forget the humiliation on that day.

Su Yan and Zhao Gang burst into laughter after hearing that.

”What a fool! We’re signing a deal with the Yan family soon, and we’ll climb our way up to become the richest in Jiangcheng! What about you? You’re nothing but an incompetent scum!” Su Yan taunted.

Taking in a deep breath, Qin Yu took Yan Ruoxue’s hand and turned around to leave while remaining silent.

Qin Yu could not hold back his overflowing animosity after getting in the car.

Gritting his teeth, he uttered, “Just you wait!”

With the knowledge he inherited from his father, Qin Yu was full of confidence.

At that moment, Yan Ruoxue queried, “Do you loathe them?”

Turning to gaze at Yan Ruoxue, Qin Yu forced a smile. “No sane man could be unmoved by a humiliation like this.”

Blinking, Yan Ruoxue contemplated.

In a short time, the car arrived at a residential area in the city center of Jiangcheng, Dragon Paradise.

Passing a set of keys to Qin Yu, she pointed towards a villa a stone's throw away from them and explained, "You should stay here for now."

Qin Yu was dumbfounded when he caught sight of the luxurious abode.

Shaking his head, he said, "Miss Ruoxue, this house is too big for me. I don't deserve this."

Yan Ruoxue shrugged. "This is the smallest property I own."

Qin Yu gaped at her, feeling speechless.

Seeing that he had no place to go, he took the keys from Yan Ruoxue.

"Miss Ruoxue, I'll never forget your kindness for as long as I live." Holding the keys in his hands, Qin Yu looked determined.

Yan Ruoxue rolled her eyes and commented, "Take care of yourself first, silly."

Yan Ruoxue sped off and left soon after.

At dusk, Yan Ruoxue came to a dinner party in a Maybach with Jingdu's license plate.

Nearly all the prominent individuals of Chuzhou were gathered at the dinner. Even Jiangcheng's richest was as insignificant as a server who refilled drinks for the guests.

Yan Ruoxue, with her hand on her cheek, was lost in deep thoughts during the journey to the banquet.

"Miss, do you really want to marry that worm?" her secretary blurted out.

Glaring at him, Yan Ruoxue answered, “To be honest, I kind of believe what grandpa told me earlier already.”

”What do you mean by believing in Old Mister Yan’s words?” the secretary questioned in concern.

”He is nothing but worthless scum. He is far too inconsequential in comparison with the young masters in Jingdu,” the secretary reminded.

Yan Ruoxue shook her head. “I don’t think so. Look, he’s a man with many skills at his command, yet he chooses to remain low-key. Besides, he did not ask anything from me in return for his favor, despite living in such a bad condition.”

”Tell me, what would you do if your wife humiliated you like that?” Yan Ruoxue queried.

The secretary furrowed his brows and snorted, “I would never forgive them for that.”

”See. That’s the normal reaction,” Yan Ruoxue mentioned.

”The fact that he did not ask for my help indicates that he’s a man with a spine,” Yan Ruoxue added with a wide smile.

The secretary mumbled, “Who knows if he will just bear with it silently and do nothing?”

”No. I know he will become someone significant in the future,” Yan Ruoxue declared with an air of expectancy.

The secretary forced a smile and scoffed, “In the future? Even if we were to give him ten lifetimes, I doubt he could even hold a candle to the young masters in Jingdu.”

”Don’t be so sure.” Yan Ruoxue shook her head and continued, “You should give the man a little time to prove himself.”

Following that, Yan Ruoxue changed the topic and asked, “Speaking of which, is there any company in our collaboration list that is run by the Zhao family?”

Switching on the laptop, the secretary ran through the list thoroughly and nodded. “Yes, Miss Ruoxue. There’s one. The Zhao family is pretty sincere. Furthermore, their company is considered one of the top in Jiangcheng based on their total annual revenue. This company is a pretty good collaboration partner.”

Having heard that, Yan Ruoxue ordered without hesitation, “Okay.. Remove them from the list.”

Chapter 6: Kneel Before Me and Apologize

Translator: Nyoui-Bo Studio **Editor:** Nyoui-Bo Studio

The secretary was dumbstruck. Although he could not comprehend the reason for Yan Ruoxue's request, he dared not ask.

"All right, Miss, I'll revoke the Zhao family's invitation," the secretary replied.

He speedily executed Yan Ruoxue's order on the laptop.

"Hold on a second." Yan Ruoxue had a sudden change of mind.

She commanded with a sly look on her face, "Don't revoke their invitation."

"Huh?" The secretary was confused.

Yan Ruoxue's big dewy eyes shined as she murmured, "I can't wait to see their reaction when they see Qin Yu at the banquet."

...

Dragon Paradise was the most high-end residential area in Jiangcheng.

And the villa that Yan Ruoxue let Qin Yu stay in was in the center of that area.

Everything before Qin Yu's eyes felt surreal as he gazed at the luxurious interior of the villa.

"I wonder who Miss Ruoxue really is," Qin Yu stated.

Qin Yu knew that he could not live off others' favors forever. Only after gaining sufficient power, wealth, and authority could he earn respect from people.

Wasting no time, Qin Yu sat in a lotus position on the sofa and closed his eyes.

Golden flares lit up in his mind one after another.

Those lights contained sacred medical knowledge and cultivation methods—wisdom beyond anyone’s imagination.

Thirsting for knowledge, Qin Yu scanned through all the information thoroughly. Soon, he realized that the sacred medical knowledge contained information beyond his wildest dreams.

At the pinnacle of its prowess, not only could he cure illnesses, but also he could resurrect people.

On top of that, Qin Yu was confounded by what cultivation was capable of.

In the first level of the Qi Refining Stage alone, one could already run wild in the world without a problem.

One could be considered invincible when they reached the Foundation Establishment Stage. And their lifespan could be extended to several hundreds of years.

Qin Yu was gradually getting excited as he ran through the information. Glee was written all over his face.

“As soon as I begin my journey in cultivation, the Zhao family and other families will be irrelevant.” Qin Yu clenched his fists as he became filled with newfound confidence.

“Zhao Gang, Su Yan! Just you wait!” A gleam of frenzy flashed across Qin Yu’s eyes.

Wasting no time, he began to absorb nature’s spiritual energy all around him in accordance to the methods recorded in his memory.

With Qin Yu as the pivot, the spiritual energy around the residential area flowed toward him.

The spiritual energy seeped through the pores of Qin Yu's skin and finally merged with his Qi in his dantian.

Qin Yu continued the process unceasingly with his eyes closed until sunrise the next day.

After opening his eyes, a cloud of turbid Qi came out of his mouth. Not only was he energized and refreshed, but also he did not feel an ounce of lethargy despite staying up the entire night.

“So this is the first level of the Qi Refining Stage, huh?” Qin Yu drew in a deep breath.

Clenching his fists, he could feel inexhaustible energy inside his body. A smile played on his lips upon realizing it.

Compared to the feeble person he was before, he could be considered a reborn man at his current stage.

Qin Yu then threw a punch at the boulder next to him.

Following a loud bang, the boulder turned into debris.

At this show of power, Qin Yu drew in a cold breath.

He did not expect his fist to produce so much power with just the first level of the Qi Refining Stage. He could not help but wonder just how much could he continue to grow.

The mere thought itself caused Qin Yu to be filled with ecstasy.

“It's such a shame that the spiritual energy's concentration level around this area is too diluted.” Qin Yu let out a deep sigh.

He had drawn in every drop of the spiritual energy around this area in one night. It was impossible for him to keep improving further.

According to the records in his memory, there was still another way to make progress other than absorbing nature's spiritual energy. That would be through the use of herbs.

The older the herbs, the more spiritual energy they contained.

After some pondering, Qin Yu decided to head to the herbal pharmacy to procure a batch of herbs.

After rummaging in his pocket, he procured a sum of 132.

Looking at the meager cash in his hand, Qin Yu put on a wary smile.

Ever since Qin Yu was married to Su Yan, he turned in every cent of his salary to her. The amount of pocket money he received every month would depend solely on her mood.

If the total asset of a man in his thirties was only around a hundred plus, everyone's jaw would drop as they burst into a chortle.

"It looks like cultivation requires a strong financial backing," Qin Yu commented with a forced smile.

He left the house with only a hundred dollars' worth of cash in his possession.

As he was strolling near the main entrance of the residential area, a Mercedes-Benz blocked his way.

The moment the car came to a halt, Zhao Gang and Su Yan could be seen getting out of it.

"Qin Yu, are you serious? How dare you stalk us all the way here?" Su Yan bellowed as soon as she got out of the car.

“What more do you want after signing the divorce agreement form? Do you think this is funny?” Su Yan added with disdain.

Qin Yu shot her a look and uttered, “Don’t flatter yourself.”

“I’m flattering myself, you say?” Su Yan pointed her finger at herself. She had a hard time holding back her laughter.

“You show up before me early in the morning, and you dare say that I’m flattering myself?” Su Yan jeered.

Zhao Gang, who was at the side, came up to Qin Yu and tapped his shoulder.

“Hey, man, Su Yan is mine! If you continue to play games with me, I’m gonna break your legs! You hear me?” Zhao Gang warned in a flippant tone.

Qin Yu was repulsed at the sight of the adulterers.

At that moment, he could not understand how he even put up with such a lousy woman and even stayed under the same roof with her for three years.

Drawing in a deep breath, Qin Yu mocked, “Don’t worry. I’m not interested in a hussy. Keep her to yourself.”

“What did you just say? Who are you calling a hussy?” Su Yan roared in rage like a shrew.

Zhao Gang immediately moved forward and stopped Qin Yu in his tracks.

Then he bawled, “Qin Yu, are you tired of living? Apologize to my wife! Otherwise, I will surely break your legs! Consider yourself warned!”

Qin Yu shoved Zhao Gang’s hand away, clenched his fists, and remarked, “I will also grant you a chance to kneel before me and apologize! Do it, and I will let this slide!”

Chapter 7: I Said That He Is

Zhao Gang was stunned by Qin Yu's words. Then he let out a chortle.

"Babe, did you hear what this fool said? He is giving me a chance! Hahaha! This is the funniest thing I've heard in a while!" Zhao Gang could not hold back his laughter.

Su Yan ridiculed, "Qin Yu, did you lose your mind in just a day? Or did you forget how it felt to be beaten to a pulp?"

Qin Yu did not say a word but shot Zhao Gang a glare and reiterated, "Zhao Gang, this is your last chance."

Placing his hand behind his ear, Zhao Gang said, "What did you say?"

"I said kneel before me and apologize. I'm—"

"Go to hell, you idiot!" Zhao Gang threw a punch at Qin Yu before the latter could finish his sentence.

However, Zhao Gang was sent flying with a slap from Qin Yu before the former could land a blow on the latter. Immediately after, the Zhao Gang hit hard against the wall.

Su Yan gaped at what was happening before her eyes in stupefaction. She could not believe what she saw.

How could a weak househusband like Qin Yu produce that much power with a single slap?

"Curse you! I'm gonna kill you!" Zhao Gang struggled to get to his feet before dashing towards Qin Yu.

With a deadpan face, Qin Yu landed a kick on Zhao Gang's stomach.

Following that, Zhao Gang could no longer get up.

Spilling blood from his mouth, he felt an agonizing pain in his abdomen, causing his face to be twisted.

Qin Yu looked at his hands in exhilaration.

"It looks like everything is real." Qin Yu was exultant.

Zhao Gang, who was still lying on the ground, could not get up no matter how hard he tried.

Qin Yu did not want to deal with scum like them anymore, so he glared at Zhao Gang and chided, "Stop bugging me again!"

After speaking, Qin Yu turned around and left.

Su Yan finally regained her senses after his silhouette could no longer be seen.

Helping Zhao Gang up, she asked in concern, "Honey, are you alright?"

With a sullen expression on his face, Zhao Gang gritted his teeth and hollered, "I swear I will kill him! I will f**king do it!"

...

With a little over a hundred in his pocket, Qin Yu visited every herbal pharmacy in Jiangcheng. But with that meager amount of cash, he could only purchase low-quality herbs that were barely effective.

"I guess I'll have to play it by ear." Qin Yu lowered his head and stared at the dried herbs in his hand while letting out a sigh.

Qin Yu's phone rang right at that moment.

After taking out his phone, he noticed that the caller was none other than Su Yan.

A glint of disdain flashed in Qin Yu's eyes before he answered the call. "What do you want?"

Su Yan remarked, "Qin Yu, you son of a b*tch! How dare you hit Zhao Gang? You bastard! You should come and apologize to Zhao Gang, or else—"

Feeling reluctant to listen to her babble, Qin Yu ended the call immediately.

Su Yan was dumbfounded at the turn of events. With her face flushed in anger, she piped, "How dare he end my call like this?"

Clenching her teeth, Su Yan immediately called back again.

"What do you want? Spit it out!" Qin Yu demanded in annoyance.

Su Yan gritted her teeth and responded, "Zhao Gang has already contacted

Brother Hu! Sit tight and be prepared for what's coming! He will definitely finish you off!"

After that, Su Yan ended the call at once.

Qin Yu turned gloomy all of a sudden.

Brother Hu, whose real name was Lei Hu, was a notorious individual in Jiangcheng. He had been banded together with real estate developers and made a windfall.

He currently had a bunch of underlings under his command.

It was not an overstatement to say that no one dared to cross Lei Hu in Jiangcheng.

Qin Yu heaved a sigh and mumbled, "I'm still far too weak. Or else, I wouldn't need to be afraid of the likes of Lei Hu."

Having said that, Qin Yu had no other way but to keep improving himself at that moment. He could only take one step at a time.

In a different location, Yan Ruoxue was sitting in her manor while enjoying her tea leisurely.

"Miss, our banquet is happening three days later. This is the list of attendees that I've drafted. Please have a look." The secretary handed over the document to Yan Ruoxue.

She immediately took it and browsed through the list.

On that list, apart from the entrepreneurs in Jiangcheng, there were also prominent figures from Chuzhou.

"Add in one more person," Yan Ruoxue ordered.

The secretary asked tentatively, "Miss, may I know who you are referring to?"

"Qin Yu," Yan Ruoxue replied with a light smile.

At the mention of Qin Yu's name, the secretary's expression turned glum.

"Miss, Qin Yu is not an entrepreneur," the secretary remarked.

Looking unfazed, Yan Ruoxue announced nonchalantly, "I said that he is."

”Not only will I let Qin Yu attend, but I’m gonna make everyone in Jiangcheng know him. I will let everyone in Jiangcheng know that Qin Yu belongs to me, Yan Ruoxue!”

Read My Rich Wife Online

Chapter 8: Do You Think You Deserve It?

Translator: Nyoui-Bo Studio **Editor:** Nyoui-Bo Studio

Yan Ruoxue only had one simple motive.

She wanted to place Qin Yu in the eye of the storm of Jiangcheng and prove to Su Yan that he was not a good-for-nothing.

Needless to say, Yan Ruoxue would give up on Qin Yu if he could not handle the pressure.

...

In the evening, Qin Yu carried the herbs he had bought earlier and prepared to return home.

When he arrived at the main entrance of the residential area, he noticed Yan Ruoxue standing there.

Adorned in a white dress, her long hair flowing in the cooling evening breeze, she caught the attention of everyone who passed by.

Upon seeing that, Qin Yu rushed towards her hurriedly.

"Miss Ruoxue, what brings you here?" Qin Yu asked.

Yan Ruoxue rolled her eyes and replied, "To come and visit you, of course."

Feeling a little flattered, Qin Yu scratched his head, as he did not know what to say in response.

"What are you carrying?" Yan Ruoxue asked after noticing the herbs in Qin Yu's hand.

”Ah. I’ve gotten myself some traditional Chinese medicine,” Qin Yu answered.

Yan Ruoxue took the bag of medicinal herbs from Qin Yu’s hand and questioned in a joking manner, “So, Doctor Qin, who are you gonna treat this time?”

Scratching his head, Qin Yu chuckled, “These are not for treatment. Um, I don’t know how to explain this to you…”

Yan Ruoxue caught a whiff of the medicinal herbs and commented, “These herbs have lost their medicinal effects, right? Why did you buy them?”

Qin Yu opened his mouth, but no words came out of it.

”Or perhaps you didn’t have enough money?” Yan Ruoxue cast a knowing glance at Qin Yu as though she knew his current miserable state.

Qin Yu nodded in awkwardness.

Yan Ruoxue chuckled and threw the bag of medicinal herbs into the trash can.

”I will send you some another time,” Yan Ruoxue uttered.

Qin Yu shook his head and declined, “No, please don’t, Miss Ruoxue. I already owe you too many favors.”

Yan Ruoxue rolled her eyes and said, “You can pay me back after you become rich.”

Qin Yu forced a smile and asked, “What if I remain broke all my life?”

”Nonsense.” Yan Ruoxue hit Qin Yu’s head.

"I believe you will become someone extraordinary in the future." Yan Ruoxue stared at Qin Yu with her big doe eyes full of sincerity.

Qin Yu's eyes became watery upon hearing that. Tears nearly ran down his face.

Since young, almost everyone deemed Qin Yu as a useless worm. Hence, no one ever had faith in him like that.

Qin Yu's heart was full of gratitude after hearing Yan Ruoxue's words of affirmation.

"Thank you, Miss Ruoxue," Qin Yu said while rubbing his eyes. He was touched.

Yan Ruoxue asserted casually, "A man must not cry that easily."

"Okay!" Qin Yu nodded vigorously.

At the same time, a van sped up toward them from a distance away.

The van came to a stop in front of Qin Yu, and a dozen bulky men got off the vehicle with wooden bats in their hands.

The leading figure was a middle-aged bald man with an iconic scar on his face.

That man was the infamous Lei Hu of Jiangcheng, who went by the name of brother Hu.

"Miss Ruoxue, please get inside immediately," Qin Yu turned to gaze at Yan Ruoxue and instructed.

Yan Ruoxue laid her eyes on those people but did not show a hint of fear.

"Are they here for you?" Yan Ruoxue asked in curiosity.

Feeling anxious, Qin Yu responded, “Miss Ruoxue, I will explain it to you later on. Please leave this place quickly.”

Yan Ruoxue remarked nonchalantly, “Oh well. I’m just a frail woman. I’m sure they won’t try to harm me.”

Overwhelmed with nervousness, Qin Yu stood before Yan Ruoxue to protect her subconsciously.

A warm feeling swept across Yan Ruoxue’s heart when Qin Yu did that. At once, her opinion of him improved even further.

Hiding behind Qin Yu, she peeked at the bunch of ruffians.

Soon, Lei Hu led his subordinates and strode toward Qin Yu.

Holding a bat in his hand, he scrutinized Qin Yu before asking, “Were you the one who hit Zhao Gang?”

Qin Yu drew in a deep breath and answered honestly, “He was the one who started it first.”

Lei Hu piped in vexation, “Quit rambling! If he hits you, then serves you right! You should just bear with it without retaliation!”

Qin Yu stated, “The law doesn’t work like that in this world!”

”Hahaha!” Lei Hu and his men burst into a chortle upon hearing his remark.

”Hey brother Hu, I think this lad has gone cuckoo! The law? Who gives a sh*t about the law?”

”You said it! Brother Hu is the law here!”

Lei Hu tapped Qin Yu's shoulder and taunted, "Let me tell you a fact, you rascal! The one with the strongest punch is the law!"

Qin Yu was brimming with fury at that point. But he could not hold his own against a dozen of hooligans before him.

Lei Hu stared at Qin Yu and remarked with a frivolous attitude, "I've got a good idea. I will consider letting you off the hook if you grovel at my feet. How does that sound?"

Qin Yu shot Lei Hu a dark look and yelled, "Hell no!"

"No?" Lei Hu's expression immediately turned sour after hearing that.

Wagging his fingers as a signal, his underlings move toward Qin Yu.

"Well, then I guess I have to break your legs so that you will be on your knees for the rest of your life!" Lei Hu yawped.

"Do you think he deserves to kneel before you?"

Suddenly, a woman's voice could be heard from behind Qin Yu.

Following that, Yan Ruoxue peered at Lei Hu in amusement.

Qin Yu's face turned pale. Then he interjected in a panic, "Lei Hu, I'm the only one who was involved in this matter! Leave her out of this!"

"Miss Ruoxue, please leave here at once!" Qin Yu hurried in perturbation.

Yan Ruoxue shook her head and continued to rest her eyes on Lei Hu.

Lei Hu rubbed his eyes the moment he saw Yan Ruoxue.

Dread was written all over his face after he took in Yan Ruoxue's countenance.. His body began to tremble.

Chapter 9: A Unique Girl

Yan Ruoxue put on a smile on her face.

Yet, it was terrifying in Lei Hu's eyes.

"Damn! This chick is hot! Hey girl, do you wanna have some fun with us?" one of Lei Hu's subordinates taunted.

"I will kill you if you dare to touch her!" Qin Yu shrieked.

"Haha! Brother Hu, did you hear what he said? This lad must be tired of living!"

"Brother Hu, this chick is really fine! Let us do it with her!"

Those ruffians were ogling at Yan Ruoxue.

However, Yan Ruoxue fixed her eyes on Lei Hu expressionlessly without saying a word.

Even Qin Yu felt a little nervous in the presence of her domineering aura.

After wiping the sweats off his forehead, Lei Hu turned around and slapped his subordinate on his face.

"Off with your vulgar request!" Lei Hu yelled.

All of his men were dumbfounded.

What has gotten into brother Hu? Why did he lose his temper all of a sudden?

Yan Ruoxue shot Lei Hu a look and remarked, “Lei Hu, I commend the bravery of your men!”

Lei Hu immediately fell to his knees hard without hesitation.

Then he stammered, “D-don’t worry. I-I’ll definitely tear his mouth open.”

Yan Ruoxue snorted, “What about you?”

Upon hearing that, Lei Hu shivered in fear.

Gritting his teeth, he took a knife out of his pocket and stabbed himself in the thigh without delay.

”I-I’m sorry. I didn’t know that Qin Yu belonged to you. Please forgive me,” Lei Hu pleaded with a terrified look as he endured the pain.

Glancing at him, Yan Ruoxue rebuked, “Scram!”

”Yes. I’ll leave at once.” Lei Hu struggled to get to his feet before dragging himself towards the van and climbing clumsily into the vehicle with his leg injured.

His underlings were stupefied at the turn of events. All of them left the scene in a hurry without saying a word.

The main entrance fell into silence once again after the van sped off.

Qin Yu was stunned as he stared at Yan Ruoxue blankly. His heart was pumping with mixed emotions.

Just who was Miss Ruoxue? Why would Lei Hu be so afraid of her? Those were the questions running through his mind at that moment.

”What’s going on?” Yan Ruoxue reverted to her cheeky self.

Tiptoeing, she patted Qin Yu's head and asked, "How did you cross people like that?"

Qin Yu raised a wry smile. "It's a long story."

"Okay," Yan Ruoxue responded and contemplated.

"Miss Ruoxue, you've helped me again. I really don't know what I can do to thank you," Qin Yu sighed.

After pondering, Yan Ruoxue suggested, "Hmm. Why don't you treat me to a meal? What do you say?"

Qin Yu was dazed for a moment.

Yan Ruoxue is only asking for a meal in return for all her favors?

"Is it a no-go?" Yan Ruoxue added, seeing that Qin Yu remained passive.

Qin Yu finally regained his composure and nodded. "Okay, sure. But I'm penniless right now, so I can only prepare the meal myself."

"That's alright. I'm not a picky eater," Yan Ruoxue noted.

With that, both of them strolled back to the villa.

On the other hand, Lei Hu had already arrived at the hospital.

"Brother Hu, who is that chick? Why were you so afraid of her?"

"I second that. Even if she is the daughter of Jiangcheng's mayor, you don't have to be so fearful."

Lei Hu looked ashen. Fear was still lingering in his heart as he recounted the scene that played out earlier.

”The mayor couldn’t even match up to her. He is only worthy of serving her beverages in her presence,” Lei Hu explained in dismay while wiping the sweat off his forehead.

He had witnessed the prominent figures of Chuzhou bow their heads before her.

He had seen with his own eyes the elites of Jiangcheng without the right to even converse with her.

”Could it be that she is the one from Jingdu?” Lei Hu’s subordinate put two and two together.

Lei Hu wore a wry smile and lamented in a forlorn tone, “Damn it! We’re in deep sh*t now! What do I do?”

...

At the villa in the center of Dragon Paradise, Qin Yu prepared two bowls of noodles and a plate of pickles for themselves.

”There’s only noodles left at home. I hope you don’t mind it,” Qin Yu said while placing the bowl before Yan Ruoxue.

After catching a whiff of the noodles, Yan Ruoxue commented in astonishment, “Wow! It smells good!”

Qin Yu scratched his head in embarrassment.

After living in the Su family as a househusband for three years, he had honed his cooking skills to near perfection.

Yan Ruoxue was satisfied with the taste of the noodles after digging into the food.

Wiping her mouth, she gave Qin Yu a thumbs up and commended, “You’re really a man full of surprises. I never expected your cooking skills to be this good.”

Qin Yu forced a smile and bemoaned, “What is in it for a man who is great at cooking? I’ll still be worthless if I remain broke.”

Su Yan had repeated those words to Qin Yu more than once.

”Who said so?” Yan Ruoxue rolled her eyes, so much so that they almost went behind their sockets.

”The ability to make money is never the criteria of judging a person’s worth,” Yan Ruoxue went on with a stern look.

Qin Yu was shocked to hear that.

He could not believe that someone would affirm him like that.

It had never crossed his mind that someone like Yan Ruoxue would exist in his life.

The stark contrast between the two women blew Qin Yu’s mind away.

”You really are an unusual woman!” Qin Yu exclaimed.

”Likewise, you’re quite exceptional yourself,” Yan Ruoxue replied.

At that, she changed the topic abruptly by pointing at the empty bowl before her and requested with a grin, “Can I have seconds?”

Qin Yu was dazed for a while before nodding. “Okay.. I’m on it.”

Chapter 10: The Daughter of the Yan Family

Translator: Nyoui-Bo Studio **Editor:** Nyoui-Bo Studio

That night, Yan Ruoxue indulged in three bowls of noodles before she left in satisfaction.

A black Maybach was parked downstairs of the villa.

After the meal, Qin Yu sent Yan Ruoxue off at the main door and saw her leave in the car.

Qin Yu remained on the spot for a long time while staring blankly in the direction where Yan Ruoxue's car departed.

At that moment, an unexplainable feeling stirred up in his heart.

"Could it be that I'm infatuated with her?" Qin Yu thought.

However, Qin Yu shook his head vigorously at the thought.

He reckoned that a divorcee like him was unworthy of an extraordinary girl like Yan Ruoxue.

...

Yan Ruoxue reverted to her usual aloof manner in the car while listening to her secretary reporting his tasks.

"Miss, the invitation cards are ready. We will be distributing them tomorrow," the secretary noted.

Yan Ruoxue nodded. Then she ordered, "Get some medicinal herbs tomorrow and send it to Qin Yu."

The secretary's expression turned glum upon hearing that.

”Miss, there is something in my mind. It is inappropriate, but I—”

”If you know it is inappropriate, then keep your mouth shut!” Yan Ruoxue interjected before the secretary could finish his sentence.

The secretary forced a smile and remained silent after that.

”Remember. The herbs must be of high quality. The older the herbs, the better,” Yan Ruoxue urged.

”Yes, Miss.” The secretary heaved a deep sigh inwardly.

He could not comprehend how did a worthless vermin like Qin Yu could win the heart of Yan Ruoxue.

...

The news of Jingdu’s Yan family’s investment in Jiangcheng spread like wildfire within the city.

At the same time, the upcoming banquet had made the headlines of Jiangcheng News.

All of a sudden, everyone in Jiangcheng was talking about the banquet.

At the Su Residence, Zhao Gang was an esteemed guest who sat in the honored seat.

He flapped the red invitation card in his hand and said in a snobbish manner, “Do you know what is this?”

Su Yan grabbed the invitation card and stated in glee, “Babe, you are the best!”

Zhao Gang declared, “As long as we successfully sign the deal with the Yan family, our business will definitely expand beyond the borders of Jiangcheng!”

After opening the invitation card, Su Yan browsed through the content. Then she exclaimed, “Honey, why is my name on the invitation card as well?”

Zhao Gang immediately took the invitation card to run through the contents himself.

As expected, the invitation card was addressed to two people—Zhao Gang and Su Yan.

Zhao Gang furrowed his brows at the sight of it.

Why did the Yan family invite Su Yan? How could the Su family be qualified to attend the banquet?

”Honey, you were the one who made this happen, right?” Su Yan remarked in elation.

Although Zhao Gang could not understand the situation, he swallowed his doubts and answered, “Of course. I requested the Yan family to add your name to the invitation list.”

”Oh, honey, you are really awesome!” Su Yan planted a kiss on Zhao Gang’s face in happiness.

Sun Yumei snickered, “Zhao Gang is really something else! Unlike someone else who knew nothing other than doing chores and cooking.”

Naturally, that “someone else” was Qin Yu.

”Yikes! Stop mentioning him on such a great day worthy of celebration! He’s such a killjoy!” Su Yan complained, feeling upset.

Sun Yumei replied with a smile, “Oops, my bad. We’ll not talk about him anymore.”

Every citizen in Jiangcheng, be it elites or commoners, was discussing the event that was happening soon.

But there was an only exception — Qin Yu, who could not care less about it.

To him, it was far more essential to improve his strength first.

Sitting in the courtyard, he ran through the relevant memories.

Qin Yu thought, “If I could refine a Qi Gathering Pill, I might be able to enter the second level of the Qi Refining Stage faster than I thought.”

A Qi Gathering Pill was the most basic pill to refine among all cultivation methods. Furthermore, its requirements for medicinal herbs were relatively simple. Without a doubt, this pill was the most suitable one for Qin Yu at that point.

Even though the gap between the first and second levels of the Qi Refining Stage was tiny, the difference in strength was like day and night.

”Too bad I don’t have money left.” Qin Yu rummaged through his pockets and heaved a deep sigh.

On second thought, he decided to pick up the medicinal herbs he bought yesterday from the trash can.

With that in mind, he walked towards the main entrance of the residential area.

Right when Qin Yu was about to sift through the trash can, a black Bentley halted before him.

Following that, five men dressed in black suits got out of the car.

Yan Ruoxue’s secretary was the one who took the lead.

Since Qin Yu had seen the secretary before, the former turned around and greeted the latter courteously.

However, the secretary put on a solemn face and glared at Qin Yu with disdain.

”These are the medicinal herbs Miss Ruoxue ordered to be sent to you,” the secretary explained.

Following his words, the four bodyguards in black, each carrying a big bag of medicinal herbs, stood behind him.

Upon seeing that, Qin Yu was stoked and spoke up, “Please tell Miss Ruoxue that I’m extremely grateful I will definitely repay her kindness one day!”

”You will repay her?”

”How can an incompetent worm like you expect to repay it?” the secretary sneered.

Qin Yu furrowed his brows a little but maintained in a polite tone, “I might not have anything as of now, but it does not mean I will remain the same forever.”

”Bahaha!” The secretary could not hold back his laughter after hearing that.

”Hey dude, I don’t mean to deny your future possibilities, but even if you were given all the time in the world, what else could you achieve?” the secretary questioned mockingly.

”Will you become affluent? What do you aim to become — the richest in Jiangcheng or Chuzhou?”

Qin Yu frowned and asked, “What do you mean by that?”

The secretary snorted, “Do you even know the caliber of Miss Ruoxue’s status?”

”I don’t know,” Qin Yu responded.

”But I do know that she is a good-natured person,” he added frankly.

The secretary announced, “Well, allow me to grace you with her greatness, then.

”Miss Ruoxue is the daughter of the Yan family from Jingdu! She is the favored child in the family! On top of that, she is the most beloved granddaughter of Old Mister Yan!

”So, tell me. What gives you the right to get close to her?”

Chapter 11: What If I Hurt You

Translator: Nyoui-Bo Studio **Editor:** Nyoui-Bo Studio

When he heard the secretary's words, Qin Yu's expression changed dramatically.

He was aware that Yan Ruoxue was no ordinary person, but he never imagined that Miss Ruoxue was the Yan family's sponsor!

"Ruoxue... Yan Ruoxue..." Qin Yu instantly understood everything.

No wonder Yan Ruoxue had such a powerful air. No wonder his father said Yan family would look after him, and no wonder Lei Hu was so afraid of Yan Ruoxue...

"Now, do you understand the gap between you and Miss Ruoxue?" The secretary seemed to be satisfied with Qin Yu's reaction.

Qin Yu was silent for quite a while.

At that moment, he suddenly exclaimed, "So what?! Someday, I will be on par with the Yan family!"

"Moreover, Miss Ruoxue has never snubbed anyone because of their status!"

The secretary's expression gradually turned cold.

"You're really gutsy." the secretary said in an icy tone.

"If you have some sense, you should stay away from Miss Yan!"

After saying this, the secretary turned around and entered the car. The secretary no longer paid any attention to Qin Yu.

It was true that the Yan family was high and mighty, but the legacy left behind by his father filled Qin Yu with confidence.

The batch of herbs was delivered to the yard.

After he was informed of Yan Ruoxue's identity, the pressure Qin Yu felt inside had increased immensely.

"If I enter the Foundation Establishment stage, I would have the qualifications to talk to the Yan family, right?" Qin Yu thought to himself.

Qin Yu no longer procrastinated and promptly proceeded to boil the Qi Gathering Pill based on the refining method in his mind.

The refinement of the Qi Gathering Pill was extremely straightforward, and it could be refined with a regular metal pot.

However, because he was not familiar enough with the technique, Qin Yu failed seven to eight times before he managed to produce one pill.

By evening time, Qin Yu had five Qi Gathering Pills ready.

"These five Qi Gathering Pills are sufficient for me to enter the second level of Qi Refining Phase," Qin Yu assured himself.

He did not hesitate and promptly ingested the five Qi Gathering Pills.

In that very instance when the Qi Gathering Pill entered his belly, Qin Yu immediately felt a hot current burst through his body.

After that, this current swam through his entire body and eventually slowly settled into his dantian.

Qin Yu's eyes were slightly closed, and the acupuncture points in various parts of his body flickered with an eerie gleam.

After an hour, there was a crackling sound from Qin Yu's body.

Qin Yu's eyes burst open.

In that moment, the timidity in his eyes vanished and was replaced with confidence.

"The power of the second level of the Qi Refining stage is actually this powerful." Qin Yu clenched his fists slightly as he experienced the never-before-seen amount of strength within his body.

His body also became incredibly light. This power gave Qin Yu back his confidence.

Before he could fully experience this power, there was a sudden knock at the door.

Qin Yu hurriedly got up and walked towards the door.

Opening the door, he saw Yan Ruoxue standing outside.

Beside her, there was a tall and sturdy man.

Yan Ruoxue blinked as she said, "Did you receive the herbs?"

Qin Yu said with gratitude, "Miss Yan, thank you very much."

Yan Ruoxue was stunned as she said, "Miss Yan? How did you find out that my last name is Yan?"

Qin Yu grimaced and said, "I'm too dumb. I should have figured it out sooner."

"Idiot, so what if you figured it out or not?" Yan Ruoxue stood on her tiptoes and gave Qin Yu a gentle pat on the head.

If someone else had seen this affectionate gesture, they would have been astonished.

Qin Yu ushered Yan Ruoxue into the house and the few of them sat at the table in the courtyard.

”Let me introduce him to you.” Yan Ruoxue pointed to the burly man who stood behind her.

”He is my bodyguard. To prevent people from messing with you, let him accompany you from now on,” Yan Ruoxue said with a smile.

Qin Yu smiled and quickly shook his head as he said, “Miss Yan, thank you for your kind offer, but... I don’t need someone to protect me anymore.”

Yan Ruoxue rolled her eyes and said, “Lei Hu wouldn’t have the guts to mess with you, but who’s to say there won’t be others who try?”

”This bodyguard is a retired bodyguard from Chuzhou Region, so handling seven or eight people shouldn’t be an issue for him.”

Qin Yu looked at the bodyguard for a moment before he shook his head and said, “My current strength might not be inferior to his.”

A flash of surprise appeared on Yan Ruoxue’s face.

To Yan Ruoxue’s understanding, Qin Yu had always been quite modest, so what was the matter with him today?

”Are you snubbing me?” The bodyguard’s expression was cold.

Qin Yu hurriedly waved his hand and said, “You misunderstand me. I didn’t mean it like that. It’s just that... I don’t really need you to protect me right now.”

What was originally a modest statement sounded incredibly cocky to the bodyguard.

The bodyguard said with fury, “Miss, I beg you to let me teach him a lesson!”

”No way!” Yan Ruoxue did not even consider it and rejected the challenge outright.

The bodyguard seemed to understand Yan Ruoxue’s worries, and he immediately implored, “Miss, don’t worry. I will be careful not to hurt him!”

Before Yan Ruoxue could say anything, Qin Yu hurriedly waved his hand and said, “I don’t want to do it. I don’t have a good grip of my strength yet, so I might hurt you....”

Chapter 12: What About Me?

Translator: Nyoui-Bo Studio **Editor:** Nyoui-Bo Studio

Qin Yu's words infuriated the bodyguard even more.

He clenched his fists and wanted to rush forward immediately to beat Qin Yu to death.

Even Yan Ruoxue looked incredibly surprised.

She opened her mouth slightly, as if she could not believe that these words were coming out of Qin Yu's mouth.

"Miss, please let me do it!" the bodyguard said with rage.

In all his life, he had never been humiliated like this.

"Okay." Yan Ruoxue finally agreed.

"But don't hurt him, understand?" Yan Ruoxue admonished.

The bodyguard nodded hastily, and he took off his suit to reveal his chiseled body.

When Qin Yu saw this, he was secretly excited.

Having just entered the second level of the Qi Refining Phase, Qin Yu really wanted to test out his strength.

"Brat, if Miss hadn't disagreed, I would definitely break your legs today," the bodyguard said in a cold tone of voice.

Qin Yu was quite courteous. He smiled as he bowed slightly and said, "Please do your best and don't hold back."

This comment enraged the bodyguard even more and almost made him lose his temper.

”Fine, if you want to dig your own grave, then don’t blame me for this!” The bodyguard roared in anger and rushed towards Qin Yu with his fists clenched.

This bodyguard was tall and his fist was the size of a pot of casserole.

A strong gust of wind rushed forward.

However, Qin Yu stood still without moving. To his astonishment, the bodyguard’s movements seemed to be in slow motion in his eyes.

”I got ya!” When the bodyguard saw that Qin Yu had not moved, he could not help but sneer.

His fist was approaching Qin Yu’s face, about to land a punch.

”Stop!” Yan Ruoxue was so shocked that she quickly rose and shouted.

But it was too late. The bodyguard was already blinded by rage.

Just when the bodyguard was about to punch Qin Yu’s face, Qin Yu finally moved.

Qin Yu tilted his body slightly, and the huge fist grazed his face.

Then, Qin Yu raised his palm and slapped the bodyguard’s chest.

There was a loud bang.

The bodyguard’s sturdy body flew off. The huge force made him spit blood from his mouth, and he was in excruciating pain.

Qin Yu looked at his palm with excitement and said, “I can’t believe I have so much strength!”

At that moment, Qin Yu used only 30% of his strength and had seriously injured the bodyguard, so if he had used his full strength, it would have been even more impressive.

Yan Ruoxue even reached out to cover her mouth.

How did Qin Yu manage to conceal his true strength so well?

Qin Yu not only had superb medical skills but also had such excellent combat skills?

Yan Ruoxue became increasingly impressed with Qin Yu.

Unlike the cocky and bossy gentry in Jingdu, Qin Yu's modesty and courtesy blew Yan Ruoxue's mind.

"Are you all right?" Qin Yu quickly walked up to the bodyguard and helped him up.

The bodyguard covered his chest and looked like he was in immense pain.

This made Qin Yu panic a little, so he hurriedly helped the bodyguard to a chair and said, "Wait a moment. I'll get you some medicine."

Qin Yu quickly ran to the kitchen and used the remaining dregs of medicine to refine a common herb.

The medicine was called Dieda Pill, which was one of the simplest medicines in medical history.

It took Qin Yu half an hour to produce a Dieda Pill.

He wiped his sweat as he ran back to his bodyguard's side.

"Quickly swallow this," Qin Yu offered somewhat guiltily.

As she looked at Qin Yu's guilty expression, Yan Ruoxue could not help but snicker.

After the bodyguard swallowed the pill, his pain gradually subsided.

He rubbed his chest as he rose up with a sigh and said, "Mr. Qin, I was the one who was being disrespectful just now, so please excuse me."

"No, no, no, it's because I didn't do it gently. I'm sorry." Qin Yu said guiltily.

This filled the bodyguard with mixed emotions. For the first time in his life, he had lost so completely.

"Since Qin Yu doesn't need you, then you can return for now," Yan Ruoxue said to the bodyguard.

The bodyguard nodded. He said goodbye to Yan Ruoxue and Qin Yu, then left the place.

By now, it was getting late and there were stars in the sky.

Qin Yu and Yan Ruoxue sat in the courtyard. The atmosphere was cozy.

"I really didn't expect you to be such a good fighter." Yan Ruoxue said with a smile.

"To be honest, I had no idea either," Qin Yu replied in awe.

Prior to this, Qin Yu had always assumed that he would live his life as a loser.

"I really have no idea what your ex-wife was thinking when she divorced such a good man." Yan Ruoxue smiled as she gazed at Qin Yu.

Qin Yu blushed slightly and felt a little flattered.

Su Yan... Had never considered Qin Yu a good man.

Yan Ruoxue asked all of a sudden, “Do you have strong feelings for her?”

”Huh?” Qin Yu froze as he did not understand what Yan Ruoxue meant.

”I said... Do you have strong feelings for Su Yan?” Yan Ruoxue stared at Qin Yu with a sparkle in her eyes.

After a moment of thought, Qin Yu said, “To be honest, before our divorce, I did like her a lot.”

“But after I found out about her adulterous affair with Zhao Gang, I only felt disgusted and loathing towards her. If I still had feelings for her after that, then I would be too spineless.”

Hearing Qin Yu’s words, Yan Ruoxue snickered and said, “Really?”

”Really,” Qin Yu nodded his head and said.

A smile appeared on Yan Ruoxue’s face.

Out of the blue, she asked, “What about me?”

Read My Rich Wife Online

Chapter 13: The Prideful Su Yan

Translator: Nyoui-Bo Studio **Editor:** Nyoui-Bo Studio

Qin Yu froze.

He looked at Yan Ruoxue in a daze. He could not believe what he was hearing.

”You... What did you say?” Qin Yu asked tentatively.

But Yan Ruoxue shook her head as she smiled and said, “Nothing.”

Although Yan Ruoxue did not ask any further questions, Qin Yu’s heart was racing wildly.

After spending some time with Yan Ruoxue, Qin Yu was naturally head over heels for Yan Ruoxue, but he felt that she was out of his league.

But if Yan Ruoxue really had that kind of interest in him, then Qin Yu would try to work hard to make himself good enough for her.

After Yan Ruoxue left, Qin Yu’s heart was still unsettled.

He sat in the courtyard all by himself as he stared at the starry sky and murmured, “Is she... Is she just messing with me, or is she serious...”

Qin Yu did not know this then, but from that moment on, his state of mind had changed forever.

...

The next day.

The banquet for the Yan family was just one day away.

All the powerful gentry had received their invitations.

But Qin Yu did not care about this. All he could think about was how to refine his strength.

Qin Yu's cell phone suddenly rang.

When he picked up the phone, Qin Yu found that the caller was Old Mister Su.

Qin Yu was indebted to Old Mister Su, who was the only person in the Su family who treated Qin Yu with kindness.

He quickly picked up the phone.

"Grandpa..." Qin Yu could not help but lower his voice a little.

On the other end, Old Mister Su said in a trembling voice, "Qin Yu, I'm sorry..."

"Grandpa, it has nothing to do with you." Qin Yu inhaled deeply.

"In the Su family, you are the only one who treated me humanely, but I don't want to rely on the Su family now. I don't want to be dependent on anyone anymore." Qin Yu said in a heavy voice.

On the other end of the line, Old Mister Su fell silent for a short moment.

After a while, Old Mister Su said in a quivering voice, "Qin Yu, will you come back to visit me?"

Qin Yu contemplated for a moment before he said, "Yes, but for now, it's time for me to say goodbye to you."

After the call was over, Qin Yu rose and headed for the Su family's home.

Everyone in the Su family had gathered together.

Ever since Su Yan received an invitation from the Yan family, she had become cockier than ever.

Qin Yu pushed open the door and walked into the Su family's home.

Upon entering, Qin Yu saw Old Mister Su sitting in the corner of the room looking a bit downcast.

He seemed to have aged a bit, and his position in the Su family was obviously not the same as before.

"What are you doing here?" As soon as she saw Qin Yu, Sun Yumei expressed her displeasure.

"Hurry up and leave so Zhao Gang won't get the wrong idea," Sun Yumei snorted.

When he saw Sun Yumei's unpleasant attitude, Qin Yu snickered.

"I was the one who told Qin Yu to come back." Old Mister Su beckoned.

Su Yan said with some annoyance, "Grandpa, why did you let this loser come? We've divorced already. Your grandson-in-law is Zhao Gang!"

Su Yan then pointed at Qin Yu and scolded, "Get lost! Or else, Zhao Gang will come back and kill you!"

Qin Yu ignored Su Yan and went to Old Mister Su. He stooped down and said in a slightly apologetic manner, "Grandpa, this will be my last time returning to the Su family."

When he heard this, Old Mister Su's eyes welled up with tears.

He took Qin Yu's hand and said with slight distress, "Qin Yu, can you please stay? Even if you and Su Yan are divorced, I will treat you as my grandson..."

Although Qin Yu's heart softened, nonetheless, he shook his head and firmly said, "No."

"Grandpa, you are really out of your mind." Su Yan could not help but scoff at the idea.

"You keep saying that Qin Yu will bring good luck to our family, but what has he accomplished over the last three years? He hasn't done anything besides doing laundry and cooking at home!"

"After I divorced him, I've had much better luck." Su Yan shook the invitation in her hand and slapped it on the table.

"The Yan family invited me, Su Yan!" Su Yan said with a gloating expression on her face.

Qin Yu glanced at the invitation letter, which was indeed the Yan family's invitation letter.

"With this invitation letter, it is only a matter of time before the Su family will be in the ranks of the elite families," Su Yan said with a smirk on her face.

Qin Yu snickered and said, "I don't think so. You should get a reality check."

Su Yan did not feel offended. Instead, she said tauntingly, "You're envious, aren't you? Even if you disparage me, it doesn't change anything!"

"I, Su Yan, now have the Yan family's favor!"

"And you'll always be a loser!"

Old Mister Su slapped the table and said furiously, “Shut up!”

”I’m just stating the truth!” Su Yan said in defiance.

Old Mister Su grabbed Qin Yu’s hand and said somewhat apologetically, “Qin Yu, don’t take it personally. She’s still young...”

”She’s still young?” When he heard this, Qin Yu could not resist the urge to smirk.

Was a woman who was almost 30 years old still considered young?

”Qin Yu, hurry up and get out of here. Do you hear me? Don’t bring bad luck to my family.” Su Yan said with a scornful look on her face.

Qin Yu glanced at Su Yan indifferently and said, “Don’t worry, I don’t want to stay here any longer.”

With that, Qin Yu bowed to Old Mister Su and left the Su family in large strides.

Old Mister Su gazed at Qin Yu’s departing back as his hazy eyes welled up with tears.

”Su Yan, you will definitely regret it...” Old Mister Su’s face was filled with sorrow.

Su Yan said with impatience, “What a god damned old fart. What do I have to regret? Isn’t Zhao Gang much better than that loser Qin Yu?”

Having said that, Su Yan flung the invitation in Old Mister Su’s face.

”Look at it clearly. The Yan family invited me! I am the one who has the greatest authority in the Su family!” Su Yan said fiercely.

Old Mister Su waved his hand dismissively and did not say anything else.

No one in the Su family took Old Mister Su seriously anymore.

In their perspective, the Su family had gotten into the Yan family's good graces, after all.

Chapter 14: Do You Deserve It

Translator: Nyoui-Bo Studio **Editor:** Nyoui-Bo Studio

Chapter 14 Do You Deserve It

Early the next morning, all the big shots in Jiangcheng were invited to the Yan family's newly purchased manor.

Even the gentry in Chuzhou province came to attend the banquet.

The time of the banquet was set at nine o'clock in the morning, but everyone came to the manor early and waited.

At that moment, Yan Ruoxue was driving to the Dragon Paradise neighborhood.

"Qin Yu, hurry up and come down. I'll wait for you at the entrance of the neighborhood." Yan Ruoxue made a phone call to Qin Yu.

Before Qin Yu had a chance to speak, Yan Ruoxue hung up the phone.

After tidying up in a simple fashion, Qin Yu arrived at the entrance of the neighborhood.

Qin Yu saw Yan Ruoxue wearing a long dress as she stood waiting in front of the car.

Her distinctive elegance dazzled Qin Yu for a moment.

"Have you stared enough?" Yan Ruoxue rolled her eyes and said.

Qin Yu then came back to his senses and coughed awkwardly as he said, "Miss Ruoxue, what brings you here?"

Yan Ruoxue smiled and said, “Get in the car. I’ll take you shopping for clothes.”

”Huh? Shopping for clothes?” Qin Yu was even more bewildered.

”The clothes you wear aren’t appropriate for formal occasions,” Yan Ruoxue replied with a smile.

Qin Yu tried to decline, but Yan Ruoxue’s bossiness gave Qin Yu no way to refuse.

After getting into the car, the two of them arrived at Jiangcheng City’s shopping mall.

”Hmm... This shirt isn’t that bad. Go try it on.” Yan Ruoxue was searching for clothes in the mall very attentively.

”This one seems nice too, so go and try it on.”

”Eh? That one seems like it would suit you too.”

”...”

Eventually, Qin Yu walked out of the fitting room while wearing a black tuxedo.

As he stood in front of the mirror, Qin Yu couldn’t believe the person in front of him was him.

The saying that the clothes make the man was true!

”You look very handsome!” Yan Ruoxue quipped.

Qin Yu scratched his head with a bashful look on his face.

”Wrap all these clothes up.” Yan Ruoxue took out her card and passed it to the sales clerk.

”No, no, I can’t wear all of these clothes...” Qin Yu hurriedly shook his head and said.

Yan Ruoxue rolled her eyes and said, “It doesn’t cost much, so just wrap them up.”

Qin Yu secretly glanced at the bill and could not help but let out a gasp.

All these clothes actually amounted to almost one million dollars!

”The world of rich people is really incomprehensible,” lamented Qin Yu bitterly.

After putting on the tuxedo, Qin Yu went back to the manor with Yan Ruoxue.

At this time, many guests had already come to the manor.

Most of them were of distinguished status and exceptional prestige.

After she returned to the manor, Yan Ruoxue resumed her usual cold demeanor and her imposing aura, as if she were an entirely different person.

Qin Yu had never attended this kind of party before, so he was anxious.

”Loosen up a bit,” Yan Ruoxue said with a smile, “You have to remember that they are the ones who coming to beg us, so consider yourself the host.”

Qin Yu could not help but flinch.

Us?

The implication of this remark by Yan Ruoxue made Qin Yu somewhat giddy.

At this moment, Qin Yu suddenly caught sight of Su Yan and Zhao Gang entering the doorway.

The two were holding hands and they seemed extremely intimate.

At the same time Qin Yu saw them, they also spotted Qin Yu.

Zhao Gang immediately gave Su Yan a kiss on the cheek, and then walked towards Qin Yu in large strides.

Qin Yu's fists clenched and his face turned icy cold.

Overwhelming rage made Qin Yu want to kill the degenerate couple.

Qin Yu suddenly felt a hand holding his own.

When he looked down, he saw Yan Ruoxue's soft hand gently holding his own.

"Are you still pissed off?" Yan Ruoxue winked at Qin Yu.

Qin Yu felt deep gratitude inside him.

"Miss Ruoxue, th... Thank you." Qin Yu said anxiously.

Very quickly, Zhao Gang and Su Yan had come up to them.

Su Yan took a look at Yan Ruoxue, who was beside him, and jealousy surfaced on her face.

The reason was that this woman was too beautiful. Her ethereal elegance overshadowed her easily.

Zhao Gang was displeased too.

How could such a beautiful woman be with Qin Yu?

”Qin Yu, is such an event something you can come to?” Su Yan ridiculed.

Qin Yu said with a cold expression on his face, “If someone like you can come, why can’t I come?”

When Su Yan heard that, she said proudly, “I was invited by Yan family to come here!”

After saying that, she even deliberately glanced at Yan Ruoxue, as if she was showing off.

However, Yan Ruoxue’s expression was filled with amusement.

”Miss, I didn’t expect you to show up as well. From the looks of it, your family has some influence,” said Zhao Gang with faux courtesy as he glanced at Yan Ruoxue.

Yan Ruoxue said indifferently, “It’s just average.”

Zhao Gang said with a smile, “Our family also received an invitation from the Yan family, so why don’t we become friends? Perhaps we can do business together in the future.”

Yan Ruoxue sized up Zhao Gang and said with a sneer, “Be friends? Are you fit to be friends with me?”

Zhao Gang’s expression instantly became a little nasty.

”Miss, you’re going a bit too far.” Zhao Gang said with displeasure.

”I pretty much know all the prominent people in Jiangcheng, but I’ve never seen you before.”

”The Zhao family is a powerful family in Jiangcheng, so if you befriend me, you won’t lose out on anything.”

Yan Ruoxue said with a cold smile, “The Zhao family holds no importance in my mind.”

Zhao Gang’s expression turned cold.

Yan Ruoxue ignored Zhao Gang and looked at Qin Yu as she said, “You can wait for a while by yourself. I have something to attend to.”

Qin Yu hurriedly nodded and said, “Okay, you can go ahead with your business.”

After Yan Ruoxue left, Su Yan said, “What’s the point of playing hard to get? She’s just a slut!”

Zhao Gang also secretly swore in his mind, “Bitch, just you wait. I’ll get you to sleep with me eventually!”

Afterwards, Zhao Gang glanced at Qin Yu and said with a grunt, “Tell that bitch that she should be careful not to fall into my hands! Or else, I won’t let her off the hook!”

Qin Yu, however, snickered in response, “Zhao Gang, you’d better apologize to her or you’ll be dead meat.”

Chapter 14: Do You Deserve It

Chapter 14 Do You Deserve It

Early the next morning, all the big shots in Jiangcheng were invited to the Yan family's newly purchased manor.

Even the gentry in Chuzhou province came to attend the banquet.

The time of the banquet was set at nine o'clock in the morning, but everyone came to the manor early and waited.

At that moment, Yan Ruoxue was driving to the Dragon Paradise neighborhood.

"Qin Yu, hurry up and come down. I'll wait for you at the entrance of the neighborhood." Yan Ruoxue made a phone call to Qin Yu.

Before Qin Yu had a chance to speak, Yan Ruoxue hung up the phone.

After tidying up in a simple fashion, Qin Yu arrived at the entrance of the neighborhood.

Qin Yu saw Yan Ruoxue wearing a long dress as she stood waiting in front of the car.

Her distinctive elegance dazzled Qin Yu for a moment.

”Have you stared enough?” Yan Ruoxue rolled her eyes and said.

Qin Yu then came back to his senses and coughed awkwardly as he said, “Miss Ruoxue, what brings you here?”

Yan Ruoxue smiled and said, “Get in the car. I’ll take you shopping for clothes.”

”Huh? Shopping for clothes?” Qin Yu was even more bewildered.

”The clothes you wear aren’t appropriate for formal occasions,” Yan Ruoxue replied with a smile.

Qin Yu tried to decline, but Yan Ruoxue’s bossiness gave Qin Yu no way to refuse.

After getting into the car, the two of them arrived at Jiangcheng City’s shopping mall.

”Hmm... This shirt isn’t that bad. Go try it on.” Yan Ruoxue was searching for clothes in the mall very attentively.

”This one seems nice too, so go and try it on.”

”Eh? That one seems like it would suit you too.”

”...”

Eventually, Qin Yu walked out of the fitting room while wearing a black tuxedo.

As he stood in front of the mirror, Qin Yu couldn't believe the person in front of him was him.

The saying that the clothes make the man was true!

"You look very handsome!" Yan Ruoxue quipped.

Qin Yu scratched his head with a bashful look on his face.

"Wrap all these clothes up." Yan Ruoxue took out her card and passed it to the sales clerk.

"No, no, I can't wear all of these clothes..." Qin Yu hurriedly shook his head and said.

Yan Ruoxue rolled her eyes and said, "It doesn't cost much, so just wrap them up."

Qin Yu secretly glanced at the bill and could not help but let out a gasp.

All these clothes actually amounted to almost one million dollars!

"The world of rich people is really incomprehensible," lamented Qin Yu bitterly.

After putting on the tuxedo, Qin Yu went back to the manor with Yan Ruoxue.

At this time, many guests had already come to the manor.

Most of them were of distinguished status and exceptional prestige.

After she returned to the manor, Yan Ruoxue resumed her usual cold demeanor and her imposing aura, as if she were an entirely different person.

Qin Yu had never attended this kind of party before, so he was anxious.

”Loosen up a bit,” Yan Ruoxue said with a smile, “You have to remember that they are the ones who coming to beg us, so consider yourself the host.”

Qin Yu could not help but flinch.

Us?

The implication of this remark by Yan Ruoxue made Qin Yu somewhat giddy.

At this moment, Qin Yu suddenly caught sight of Su Yan and Zhao Gang entering the doorway.

The two were holding hands and they seemed extremely intimate.

At the same time Qin Yu saw them, they also spotted Qin Yu.

Zhao Gang immediately gave Su Yan a kiss on the cheek, and then walked towards Qin Yu in large strides.

Qin Yu's fists clenched and his face turned icy cold.

Overwhelming rage made Qin Yu want to kill the degenerate couple.

Qin Yu suddenly felt a hand holding his own.

When he looked down, he saw Yan Ruoxue's soft hand gently holding his own.

"Are you still pissed off?" Yan Ruoxue winked at Qin Yu.

Qin Yu felt deep gratitude inside him.

"Miss Ruoxue, th... Thank you." Qin Yu said anxiously.

Very quickly, Zhao Gang and Su Yan had come up to them.

Su Yan took a look at Yan Ruoxue, who was beside him, and jealousy surfaced on her face.

The reason was that this woman was too beautiful. Her ethereal elegance overshadowed her easily.

Zhao Gang was displeased too.

How could such a beautiful woman be with Qin Yu?

"Qin Yu, is such an event something you can come to?" Su Yan ridiculed.

Qin Yu said with a cold expression on his face, "If someone like you can come, why can't I come?"

When Su Yan heard that, she said proudly, “I was invited by Yan family to come here!”

After saying that, she even deliberately glanced at Yan Ruoxue, as if she was showing off.

However, Yan Ruoxue’s expression was filled with amusement.

”Miss, I didn’t expect you to show up as well. From the looks of it, your family has some influence,” said Zhao Gang with faux courtesy as he glanced at Yan Ruoxue.

Yan Ruoxue said indifferently, “It’s just average.”

Zhao Gang said with a smile, “Our family also received an invitation from the Yan family, so why don’t we become friends? Perhaps we can do business together in the future.”

Yan Ruoxue sized up Zhao Gang and said with a sneer, “Be friends? Are you fit to be friends with me?”

Zhao Gang’s expression instantly became a little nasty.

”Miss, you’re going a bit too far.” Zhao Gang said with displeasure.

”I pretty much know all the prominent people in Jiangcheng, but I’ve never seen you before.”

”The Zhao family is a powerful family in Jiangcheng, so if you befriend me, you won’t lose out on anything.”

Yan Ruoxue said with a cold smile, “The Zhao family holds no importance in my mind.”

Zhao Gang’s expression turned cold.

Yan Ruoxue ignored Zhao Gang and looked at Qin Yu as she said, “You can wait for a while by yourself. I have something to attend to.”

Qin Yu hurriedly nodded and said, “Okay, you can go ahead with your business.”

After Yan Ruoxue left, Su Yan said, “What’s the point of playing hard to get? She’s just a slut!”

Zhao Gang also secretly swore in his mind, “Bitch, just you wait. I’ll get you to sleep with me eventually!”

Afterwards, Zhao Gang glanced at Qin Yu and said with a grunt, “Tell that bitch that she should be careful not to fall into my hands! Or else, I won’t let her off the hook!”

Qin Yu, however, snickered in response, “Zhao Gang, you’d better apologize to her or you’ll be dead meat.”

Chapter 15: She’s the Yan Family’s Oldest Daughter!

Hearing these words, Zhao Gang and Su Yan laughed out loud.

”Kid, you have the guts to threaten me? It seems that Lei Hu didn’t tame you last time.” Zhao Gang said with a cold sneer.

It was obvious that Zhao Gang didn't understand what Qin Yu meant.

Qin Yu did not bother to explain any further. He just laughed and said, "Zhao Gang, I hope you won't regret it."

"Regret it? Like hell I'll regret it!" Zhao Gang cursed with rage.

Qin Yu did not speak to him anymore and turned to leave.

The banquet had a lot of delicious food, almost all of which Qin Yu had never seen before.

In the past few days, Qin Yu had eaten almost nothing but noodles.

With such delicious food present, he could care less about his image. He let loose and gorged on the feast at the banquet.

"What a damn loser." When Su Yan saw Qin Yu's behavior, the aversion in her eyes intensified.

A young man suddenly came over to Zhao Gang's side.

This young man was no other than Du Yuan, the son of Jiangcheng's richest man Du Jing.

"Zhao Gang, you are also here?" Du Yuan walked over and greeted Zhao Gang with a smile.

Zhao Gang looked at Du Yuan and said, "Mr. Du, you're here too."

Du Yuan said in jest, “Yes, I came here brazenly.”

Zhao Gang laughed and said, “Mr. Du, don’t be ridiculous. Your dad is the richest man in Jiangcheng.”

Du Yuan snickered and said, “The Du family is nothing in front of the Yan family.”

When they heard this, Su Yan and Zhao Gang became even cockier because the Yan family had invited them after all.

”Mr. Du, I was told that you guys attended the Yan family’s banquet a while back. How was it? Is there any insider information that you can reveal to your buddy?” Zhao Gang asked coaxingly.

Du Yuan did not hide anything and immediately said, “It’s not really insider information, but the person who came this time is the beloved granddaughter of Old Mister Yan.”

”It’s a woman?” Zhao Gang frowned a little.

Du Yuan nodded and said, “I heard one more piece of news. Miss Yan is planning to sponsor a young man in Jiangcheng.”

”A young man?” Zhao Gang’s eyes lit up and he asked in a hurry, “Who is it?”

Du Yuan shook his head as he said, “I have no idea because he didn’t show up at the banquet either.”

Su Yan said with some excitement, “Could it be us?”

Encouraged by Su Yan's words, Zhao Gang also felt that it was a possibility.

In these few years, the Zhao family was flourishing in Jiangcheng. And most of the credit went to Zhao Gang.

In addition, Su Yan received an invitation from the Yan family for some reason, so could it be because of the Zhao family's prestige?

Furthermore, there were only a handful of up-and-coming young people in Jiangcheng these past few years.

If it was not Du Yuan, then it was most likely himself.

With this train of thought, Zhao Gang became even more exhilarated.

"Maybe it's really you," Du Yuan joined in on the fun.

"When that happens, don't forget to give your buddy a hand." Du Yuan reached out and patted Zhao Gang's shoulder.

Zhao Gang patted his chest and said, "Don't worry, when the time comes, we will join forces and work together to achieve glory!"

"Great, my golden opportunity has finally come!" Su Yan covered her mouth and was excited beyond words.

Su Yan felt increasingly fortunate for her decision.

If she had stayed with that loser Qin Yu, wouldn't her entire life be doomed?

”Bitch, let’s see what you’ll do then!” Yan Ruoxue’s cocky demeanor replayed in Zhao Gang’s mind.

He had even thought of how to humiliate Yan Ruoxue!

”What’s wrong? Your expression is so unpleasant,” Du Yuan asked in an offhand manner.

Zhao Gang grunted coldly as he leaned over Du Yuan’s ear and said, “Just now, a bitch, on account of her good looks, played hard to get with me.”

”Oh really?” Du Yuan raised an eyebrow as he said in jest, “Who was it?”

”I have no idea. If it wasn’t for the fact that she’s from the provincial capital, I would have settled the score!” Zhao Gang said with a sneer.

Du Yuan laughed and said, “With the Yan family backing you up, what’s there to be afraid of about the provincial capital?”

”Indeed.” Zhao Gang said with a smug smirk.

”The provincial city is nothing compared to the Yan family.” Zhao Gang said with an aloof smile.

As the two were speaking, Zhao Gang’s eyes suddenly stared off towards the distance.

He saw Yan Ruoxue standing by Qin Cheng’s side while discussing something.

Zhao Gang stared at Yan Ruoxue's back and his eyes glinted wickedly.

"The woman I'm talking about is her." Zhao Gang pointed in the direction of Yan Ruoxue.

Du Yuan looked over in the direction of Zhao Gang's finger.

But when he got a good look at Yan Ruoxue's face, his expression changed abruptly.

In a flash, he stood up.

"You... Are you certain that it was her?" Du Yuan's expression was ugly, and a drop of sweat trickled down his forehead.

"That's right." Zhao Gang didn't think anything of it and even joked, "Mr. Du, are you also interested in her?"

"I don't have the slightest interest in her! She's the Yan family's oldest daughter, Yan Ruoxue! If you want to get killed, you can do it yourself. Don't f**king drag me into it!" Mr.. Du Yuan rebuked with fury.

Chapter 16: It' s Actually Her!

Du Yuan was so frightened that his face turned pale. It was unknown whether it was because of fear or anger, but his body trembled uncontrollably.

Zhao Gang was even more dumbfounded. His expression became nervous.

”Stop kidding around. How can she... How can she be Yan Ruoxue...” said Zhao Gang stiffly as he wiped his sweat.

”Yeah, how could Qin Yu know Miss Yan? You’re mistaken, aren’t you?” Su Yan said with even more confusion.

Du Yuan gave them a cold look and said, “I saw with my own eyes Jiangcheng City’s Mayor pouring her wine and Chuzhou War Zone’s chief talking to her with a smile! What do you think?”

When he heard this, Zhao Gang’s expression was instantly became ashen. His hand that was holding a wine glass also trembled a little.

”No way, absolutely no way!” said Su Yan with gritted teeth, “Qin Yu is a loser, so how could he know Miss Yan?”

Du Yuan said with a snicker, “I have no idea how they met each other, but I suggest you guys pray for yourselves.”

With that, Du Yuan turned and was about to leave.

At this moment, Zhao Gang rushed to grab Du Yuan’s wrist.

He said in a quivering voice, “Du... You have to help me... Or else... Otherwise, I’m dead meat...”

Du Yuan snickered coldly as he said, “Help you? Why would I want to help you? Moreover, how can I be in a position to help you? It’s not like you are unaware of the ways of people in Kyoto, right?”

”You have to help me! We’re friends!” Zhao Gang held onto Du Yuan’s arm for dear life.

”Friends?” Du Yuan, however, snickered coldly.

”Who are you? Do I know you? Please stay away from me!” Du Yuan shrugged off Zhao Gang’s arm. He did not even spare them a glance when he left.

Zhao Gang fell limp on the sofa with sweat dripping from his forehead.

”Honey, don’t worry. Maybe... Maybe Du Yuan misidentified her...” Su Yan whispered to console him.

”That’s bullsh*t!” Zhao Gang gritted his teeth.

”It’s all your fault! If it wasn’t for you, I wouldn’t have offended Miss Yan!” Zhao Gang slapped Su Yan’s face.

Su Yan covered her face and did not dare to say a word.

Zhao Gang breathed in deeply and forced himself to calm down.

He contemplated it for a while, then he said in a cold tone of voice, “I didn’t offend Miss Yan. Later, go with me to apologize!”

”I’m telling you. Even if Miss Yan asks you to kowtow, you’re not allowed to refuse. Do you hear me?!” Zhao Gang shouted in rage.

Su Yan covered her face as she whispered, “I... I got it.”

However, despite this, Zhao Gang was still feeling uneasy.

He sucked in a deep breath and proceeded to say, “And Qin Yu! Hasn’t he always been head over heels in love with you? Find a way to beg him!”

When she heard this, Su Yan immediately said with reluctance, “Beg that loser? Why on earth should...”

”Go!” Zhao Gang slapped Su Yan’s face again.

”You better do whatever I tell you to do! Otherwise, if anything happens, I won’t take care of the mess!” Zhao Gang gritted his teeth.

Nonetheless, Su Yan still said with defiance, “What could possibly happen... I don’t believe for a second that she has the ability to do anything to me...”

When he heard Su Yan’s words, Zhao Gang was infuriated and frustrated at the same time. How could he have fallen for such a foolish person?

”Let me tell you.” Zhao Gang forcibly held back his rage and explained, “To the Yan family, just one word is all it takes to make you, me, and even the Su family and Zhao family vanish from this world!”

Su Yan said yes, but deep down, she did not take his words seriously.

How could someone like her, who had been raised with a silver spoon, stoop so low and apologize to someone?

Moreover, in Su Yan's perspective, even if she was an heiress, so what? Worst case scenario, there would be no business cooperation opportunities. Zhao Gang was just being paranoid!

"Hmph, if given the chance, I won't show that heiress any mercy. I'm also an heiress!" Su Yan mused to herself.

"Honey, don't fret so much about it. The Yan family probably isn't that narrow-minded..." Su Yan said. "And didn't Du Yuan say that the young man that the Yan family will support might be you?"

Su Yan was still somewhat skeptical.

In her point of view, Qin Yu was a loser after all. How could a loser be with Miss Yan?

Zhao Gang was silent, but he still harbored hope.

Although Yan Ruoxue and Qin Yu appeared to have a good relationship, Zhao Gang knew Qin Yu very well and he was just a loser.

Even if their relationship was good, the Yan family would have to support a capable person. They would never support a useless person.

"I hope so," Zhao Gang murmured in a low voice and let out a sigh.

He had guessed all the people he could think of in Jiangcheng, and no one was more qualified than himself.

Just then, the venue quieted down all of a sudden.

Several rays of light landed on the stage.

”Let’s welcome Miss Yan Ruoxue!” Along with the host’s loud cry, a young woman wearing a white dress with long hair slowly walked onto the stage.

All eyes were on her the moment she appeared — her appearance was just that breathtakingly beautiful.

”How beautiful ...” Someone murmured in a low voice. People could not help but exclaim in awe.

At this moment, Yan Ruoxue gave off a very different impression from the gentle Yan Ruoxue who stayed by Qin Yu’s side.

Even though she had a breezy smile on her face, she gave people the impression that she was aloof and that she was someone out of their reach.

Everyone was stunned by Yan Ruoxue’s beauty. For a moment, the venue was so silent that you could even hear people breathing.

”Humph, she’s just a b*tch.” A snarky voice sounded all of a sudden.

These words were spoken by none other than Su Yan.

Even though her voice was not that loud, almost everyone in the venue heard her.

The crowd of people all cast their eyes on Su Yan.

Chapter 17: Please Welcome Qin Yu!

Her voice was not loud, but it was extremely audible and jarring in the silent environment.

Even Yan Ruoxue coldly glanced in her direction.

”Who is this woman? Is she out of her mind? How dare she curse Miss Yan?”

”She wants to dig her own grave! Does she know Miss Yan’s status? How can she just curse her as she pleases?”

”I know her. She seems to be from the Su family, a second-class family at best.”

”It’s true that ignorant people have no fear.”

The crowd grunted and their expressions grew even colder.

Zhao Gang’s expression was even more ashen, and he wanted to slap the idiotic Su Yan to death!

”What the f*ck are you talking about?!” Zhao Gang scolded anxiously.

At this moment, Zhao Gang was thoroughly exasperated.

He had already pissed off Yan Ruoxue, and now, Su Yan was spouting nonsense. She was forcing him into a corner.

”She... She is talking about me. I was caught messing around last night. Sorry for the misunderstanding...” In that critical moment, Zhao Gang came up with a witty excuse and anxiously defended her.

”Keep your woman in line, and be careful so you don’t get into trouble,” Somebody grunted coldly.

”Yes, yes, I’m the one to blame...” Zhao Gang wiped his cold sweat while apologizing with a smile.

Everyone was impatient, except for Su Yan, who was unimpressed.

She was emboldened after seeing Yan Ruoxue’s lack of reaction.

”Hmph, what’s so impressive? It’s nothing remarkable,” Su Yan snorted lightly.

Zhao Gang shot a fierce glare at Su Yan and said with fury, “Shut the f*ck up! If you dare to spout bullsh*t again, I’ll chase you out!”

If it was not for the fact that it was not appropriate to do so on such an occasion, Zhao Gang would have beaten Su Yan up.

Su Yan said aggrievedly, “I got it. I won’t say anything anymore...”

Zhao Gang took a deep breath and prayed that things would not get worse.

He glanced at Yan Ruoxue every now and then. Only after he was certain that Yan Ruoxue was not bothered by Su Yan's remarks did he let out a sigh of relief.

"It's a good thing that I'm smart," Zhao Gang thought to himself.

He even let himself get caught up in his own hopeful imagination. Since Yan Ruoxue came to Jiangcheng with investments in mind, and naturally, the purpose of investment is to make money, she would definitely choose an outstanding young man.

In addition, his own adaptability and quick-wittedness might have attracted Yan Ruoxue's interest.

When he thought of this, a glimmer of hope surfaced in Zhao Gang's heart.

"Please quiet down," the host on stage spoke up.

The entire venue immediately quieted down.

Yan Ruoxue stood on the stage as if she was a proud white swan.

Wherever her gaze went, the people in her view became uplifted.

In those eyes, there was arrogance, coldness, and aloofness.

Everyone waited for Yan Ruoxue to speak.

"The reason I have come to Jiangcheng is to invest on behalf of the Yan family, but also for my own sake." At last, Yan Ruoxue spoke.

”I spent some time in Jiangcheng, and I’ve met quite a few people.”

”There are some astonishing people in Jiancheng.”

”There are also people who are sickening.”

When she said these words, Yan Ruoxue’s gaze fell on Su Yan.

Su Yan’s expression immediately became unpleasant. She cursed Yan Ruoxue mentally.

”We’re dead meat!” Zhao Gang obviously caught the look in Yan Ruoxue’s eyes, and he glared at Su Yan with regret.

Yan Ruoxue swept her eyes over the crowd and proceeded to say, “Now, I would like to introduce everyone to a young man who is the most outstanding person I have ever met in Jiangcheng.”

When he heard these words, Zhao Gang was relieved.

The most outstanding person? That certainly was not Qin Yu.

In Zhao Gang’s point of view, Qin Yu was not outstanding in the slightest.

Zhao Gang’s mind quickly skimmed over several names.

There were few people in Jiangcheng’s younger generation who could be called outstanding.

However, Zhao Gang knew almost all of these people.

After pondering about it, Zhao Gang had a candidate in mind: it was either himself or Du Yuan.

"If it weren't for this bitch Su Yan, this candidate would definitely be me!" Zhao Gang gritted his teeth.

"But this is also fine. If I can maintain a good relationship with Du Yuan, there is still hope for the Zhao family," Zhao Gang mused.

The venue was completely quiet, and many people were on the edge of their seats.

Everyone was eager to find out who was the young man that caught the Yan family's interest. After all, if the Yan family had set their eyes on him, he would be able to soar to the top.

"With a round of applause, please welcome..." Yan Ruoxue purposely kept them on their feet.

A spotlight lit up in the venue.

The light scanned around the venue as if it was picking around.

The light eventually landed on Zhao Gang.

In a flash, everyone looked at Zhao Gang.

"Terrific! Terrific!" Zhao Gang was even more excited and burst into tears out of excitement.

"My guess was right after all. A businessperson as savvy as Miss Yan would never let personal feelings interfere with making a profit!" Zhao Gang thought to himself with excitement.

”Honey, did you see that? Qin Yu is just a loser, so why would the Yan family pick him?” Su Yan also said with a smug look on her face.

Zhao Gang also felt that his apprehension was a bit ridiculous.

How could the Yan family pick a loser who could not even keep an eye on his cheating wife?

”Please let us welcome Qin Yu, Mr. Qin!”

However, just then, Yan Ruoxue unexpectedly shouted out Qin Yu’s name instead.

The crowd applauded loudly.

Qin Yu walked out from the crowd, bathed in the blinding spotlight.

Chapter 18: Gutsy Su Yan

He wore a black tuxedo and had a slightly bashful smile on his face. He actually appeared quite dashing and handsome.

Qin Yu had never been to such a grand occasion before and having lived at the bottom rungs of society, he had never been noticed in such a high profile manner like this before.

When faced with such an unfamiliar scenario, mere words could not describe how nervous he was.

But when Qin Yu met Yan Ruoxue's gaze, he was filled with confidence and assurance.

Yan Ruoxue's encouraging gaze became Qin Yu's confidence and backbone.

He stepped forward and stood in front of Yan Ruoxue.

Under the stage, there was a momentary period of silence.

But soon, the crowd started buzzing with discussion.

"Qin Yu? How come I've never heard of this guy before?"

"Who the heck is he? There's a Qin family in Jiangcheng?"

"Forget Jiangcheng, even Chuzhou doesn't have such a family either!"

Zhao Gang's face looked even paler than before. His lips quivered as he murmured, "This... How is this even possible... How can this be possible?"

"How can this loser qualify?" Su Yan clenched her fists while her face filled with resentment.

The tables have turned — the person whom she despised to the core had become a distinguished guest of the Yan family.

To Su Yan, this was a huge blow.

The light that shone on Zhao Gang did not disappear, and at that moment, Zhao Gang seemed utterly pathetic.

Obviously, this was Yan Ruoxue's intention. She wanted to publicly embarrass Zhao Gang.

"I'm finished. I'm finished..." Under the spotlight, Zhao Gang's agonized and frightened expression was extremely comical.

As everyone was deep in discussion, an astounding moment happened.

Yan Ruoxue walked up to Qin Yu, stood on her tiptoes and caressed Qin Yu's head.

"Dummy, your clothes aren't even worn neatly. You're really a pain in the *ss." Yan Ruoxue said cheekily.

After saying that, she personally tidied up Qin Yu's clothes in front of everyone.

That gesture was a stark contrast to her usual high and mighty appearance.

The crowd could not help but let out a unified gasp.

Qin Yu... What on earth is his background? How could he make the haughty daughter of the Yan family straighten his clothes?

"I'm doomed. I'm doomed..." Zhao Gang did not have the strength to even support himself anymore and fell on his butt.

Qin Yu, who was on the stage, looked sheepish as well.

He whispered, "We're in public, isn't this a little inappropriate..."

”What’s inappropriate about it?” Yan Ruoxue rolled her eyes and said softly, “Have some confidence. With me around, no one will look down on you, nor will anyone dare to look down on you.”

Although her voice was barely a whisper, everyone heard her.

Qin Yu took a deep breath as he nodded determinedly and said, “Alright, I understand!”

The venue was silent, but deep down, everyone was astonished.

They became increasingly curious about Qin Yu’s identity.

”Do you want to say a few words?” Yan Ruoxue whispered in Qin Yu’s ear.

Qin Yu’s expression stiffened and he seemed to be a little nervous.

”It’s alright. It’s fine if you don’t want to say anything,” comforted Yan Ruoxue with a smile.

”No.” However, Qin Yu took a deep breath and grabbed the microphone.

”I won’t ever disappoint you.” Qin Yu’s tone was firm and resolute.

Yan Ruoxue stared at Qin Yu with astonishment, and her big eyes were filled with surprise.

Qin Yu grabbed the microphone as he glanced down the stage.

Facing the distinguished guests, Qin Yu attempted to calm himself down.

He took a deep breath before saying carefully, “I understand that no one has any idea about who I am, and prior to this, I was a nobody. In fact, you might have even called me a loser.”

”But mark my words, the name Qin Yu will be known to everyone!”

”That’s all I have to say.”

Qin Yu gave the microphone back to Yan Ruoxue.

The venue was silent — deadly silent.

Some were skeptical, some were snickering, and some chose to have faith in him.

”Well said. I have faith in you!” In this awkward moment, Yan Ruoxue broke the silence.

”Right... Yes, well said! We have faith in you too!”

”That’s right! Mr. Qin will definitely achieve great things!”

The crowd followed suit and shouted. There was thunderous applause at the venue.

However, Qin Yu could only force himself to put on a bitter smile.

Deep down, he understood very clearly that it was not that these people believed in him, but rather, they did not have the guts to offend Yan Ruoxue.

”Hmph, you just know how to brag,” Su Yan sneered coldly.

The people around Su Yan became somewhat displeased with her.

”It seems that you have a great desire to show off, so why don’t you go on stage and say a few words?” This time, Yan Ruoxue glanced at Su Yan with a cold expression.

Chapter 19: Uncle Wu’ s Skepticism

Yan Ruoxue looked at Su Yan with cold eyes, her face filled with iciness.

“I...” Su Yan glared at her and was about to open her mouth to retort.

Luckily, Zhao Gang covered her mouth in time and then said in a trembling voice, “Miss Yan, she... How can she be qualified to go on stage? Don’t be ridiculous...”

Yan Ruoxue sneered and said, “If she dares to speak out of turn again, she will face the consequences.”

After saying this, Yan Ruoxue ignored Zhao Gang.

“Hmph, isn’t she deliberately messing with us? If they didn’t choose us, why did they shine the light on us?” Su Yan murmured.

“Shut up!” Zhao Gang let out a stern bellow. He could not help but feel vexed. The longer he looked at Su Yan, the more annoyed he felt.

“No, the opportunity that the Zhao family fought so hard for cannot be ruined just like that!” Zhao Gang thought to himself furiously.

His mind was racing as he tried to find a way to salvage the situation.

At the same time, Yan Ruoxue was already dragging Qin Yu off the stage and straight toward the front table.

Everyone seated at the table was people of prominent status. No one from Jiangcheng, except the Mayor, could sit there.

It was impossible not to be nervous in front of these big shots.

But Qin Yu came to his senses. He had been a coward for most of his life, but from now on, he would never be a coward again.

Moreover, in his heart, Qin Yu had already developed feelings for Yan Ruoxue.

If he continued to be a coward, how could he be deserving to be with Yan Ruoxue?

The two walked straight to the table and sat down.

Yan Ruoxue smiled graciously.

Qin Yu also tried to act as natural as possible.

Once the pair sat down, everyone's gazes were directed at Qin Yu. There was blatant confusion in their eyes.

“Ruoxue, what exactly is this young man's background? Why is it that I've never heard of him before?” At last, a middle-aged man in a traditional Chinese suit asked the question that was on everyone's mind.

Yan Ruoxue smiled as she said, “Uncle Wu, would you believe me if I tell you he is an up-and-coming big shot?”

Uncle Wu laughed heartily as he said, “So he really has nothing at the moment?”

Yan Ruoxue remained quiet for a moment before answering, “If we are talking about wealth and status, Qin Yu indeed has nothing right now.”

“But... If we are talking about talent and substance, I think he is incredibly rich.”

This statement made Qin Yu blush and his heart race.

But to the crowd, it sounded absurd.

Substance and talent? Who cared about talent and substance in this era? Wealth and power were the only things that could garner people's respect!

Uncle Wu seemed to have the intention of making things difficult for Qin Yu. He scrutinized him and said, “Young man, Ruoxue has given you such a high evaluation. I wonder what kind of talent you have.”

Qin Yu observed Uncle Wu carefully and then said with a frown, “Uncle Wu, have you been feeling unwell lately? Such as angina pectoris or cardiac irregularities...”

When Uncle Wu heard that, he burst out laughing and said, “You sound like a doctor. Are you a doctor?”

“Sort of,” Qin Yu replied.

Uncle Wu shook his head and said with a slight chuckle, “What a coincidence. I just had a full-body examination a few days ago, and everything was normal.”

Qin Yu frowned and said, “Uncle Wu, I suggest you check up on your heart.”

When Uncle Wu heard that, he laughed, “I don’t think there’s a need for that.”

“Uncle Wu, I’m telling you the truth.” Qin Yu’s tone became impatient.

Qin Yu could clearly see that in the location of Uncle Wu’s heart, there was black gas.

Even though Qin Yu was not sure what the black gas signified, it was definitely a bad sign.

However, at this moment, Uncle Wu’s expression was already slightly displeased.

“I understand young people’s eagerness to climb to the top, but showing off forcibly, on the contrary, can easily backfire.” Uncle Wu’s tone carried a hint of warning.

If it were not for Yan Ruoxue’s sake, Uncle Wu would have thrown a fit already.

“Young man, Mr. Wu is the chief of the Chuzhou Region, and the one who examined his body is also a doctor of the Chuzhou Region, so you shouldn’t insist on your opinion any longer.” Someone next to him tried to play mediator but could not help letting a laugh slide.

Qin Yu frowned and did not know what to say.

“Ruoxue, you’re still young. You should be more vigilant about who you keep around you,” Uncle Wu advised.

When Yan Ruoxue heard this, she immediately smiled and said, “I actually think Uncle Wu should take Qin Yu’s advice.”

This made Uncle Wu look a little awkward, but because of Yan Ruoxue’s reputation, he kept his cool.

“Let’s start eating, or the food will get cold.” The person beside him quickly raised a glass of wine to calm the situation.

The atmosphere was harmonious and peaceful, but Uncle Wu’s expression was nowhere near pleasant.

Seeing this, Qin Yu lifted his glass and offered a toast to the man.

“Uncle Wu, perhaps I was wrong. Please do not be offended.”

Uncle Wu glanced at Qin Yu with a grunt and turned his head to the side.

Qin Yu was extremely embarrassed with his wine glass left hanging in the air.

He had no choice but to withdraw his hand.

“There is no need to be upset,” said Yan Ruoxue with a smile. She leaned in close to Qin Yu.

“To them, you are just an ordinary person, but for my sake, they will respect you. That is only on the surface, though.”

“If you want to gain the respect of others, prove yourself to them,” Yan Ruoxue said with a wink.

When he met Yan Ruoxue’s gaze, Qin Yu immediately felt that no obstacle could stop him.

He nodded his head determinedly and said, “I will definitely prove to them that your choice is right!”

“I believe in you.” Yan Ruoxue’s gaze made Qin Yu feel smitten.

“Yan... Miss Yan...”

Interrupting Qin Yu was Zhao Gang and Su Yan, who suddenly came over with their glasses of wine.

Zhao Gang was reluctant to bring along the idiotic Su Yan, but if she did not come to apologize, then being forgiven would be close to impossible!

Zhao Gang seriously explained the stakes at hand to Su Yan before biting the bullet and walking over with her.

As she looked at the couple, Yan Ruoxue could not help but smirk with amusement.

Zhao Gang had nervousness written all over his face, and his hand was even trembling as he held the wine glass.

He knew that this woman in front of him could decide the fate of the Zhao family with the wave of a hand.

“Yan... Miss Yan, I was ignorant to have offended you. I hope you will forgive me...” Zhao Gang said in a quivering voice.

He tugged Su Yan’s hand with great force.

Even though Su Yan was unwilling, she apologized and said, “Miss Yan, right? A word of caution. How could you fall for a person like Qin Yu? He’s a total loser who can’t do anything but fold laundry and cook! The word ‘loser’ is a compliment when it comes to the likes of him!”

Chapter 20: Who’s Trash?

After hearing Su Yan’s words, Zhao Gang could feel exhaustion wearing him down.

He wondered how such an idiot could exist in this world.

Yan Ruoxue stood up suddenly.

She looked at Su Yan with a smile and said in a friendly manner, “What did you just say?”

Su Yan was still without any sense of shame, and she proceeded to say, “I said that Qin Yu is just a...”

”Slap!”

Before Su Yan could finish her sentence, Yan Ruoxue slapped her across the face.

Su Yan’s face instantly flushed and a clear slap mark was visible on her cheek.

”Who gave you the right to judge him?” Yan Ruoxue said in a cold tone of voice.

Su Yan covered her face — she could not believe what was happening.

”You... You slapped me?” Su Yan felt aggrieved and indignant at the same time.

She immediately glanced at Zhao Gang and said furiously, “Honey, she hit me. You have to get revenge for me!”

”Like h*ll I’ll get revenge for you!” Zhao Gang lifted his hand and slapped Su Yan in the face too.

This slap was so vigorous that it shocked Su Yan, who stood there with a dumbfounded expression on her face.

”You stupid b*tch, shut up! Or I’ll rip your mouth off!” Zhao Gang gritted his teeth, feeling a strong urge to tear Su Yan apart.

Then, Zhao Gang kneeled directly in front of Yan Ruoxue and said in a quivering voice, “Yan... Miss Yan, please forgive me. Please forgive me...”

Yan Ruoxue smiled as she tousled her hair and said indifferently, “Is it me you should be apologizing to?”

The implication of this statement was clear — the person they should apologize to is Qin Yu.

Zhao Gang gritted his teeth as he held his glass of wine and said with embarrassment, “Qin Yu, I’m sorry... I’m sorry. I shouldn’t have acted in such a violent manner. I can return Su Yan to you immediately if you want me to!”

Qin Yu felt a little sick in his stomach when he saw Su Yan’s despicable appearance.

He said with a grim expression, “It’s not necessary. You can keep trash like her for yourself.”

”And there’s no need for you to apologize to me. I don’t give a hoot about trivial people like you,” Qin Yu said icily.

When she heard these words, a hint of indignation surfaced on Su Yan’s face. She flushed in embarrassment.

She simply could not believe that Qin Yu, who was sucking up to her a few days ago, despised her so much now,

Qin Yu was obviously a sucker for her. He would come back as soon as she summoned him. What had happened?

Su Yan was baffled.

”Thank you, thank you, I swear I won’t disturb you in the future!” Zhao Gang was bowing profusely and was ecstatic.

After that, he dragged Su Yan with him and left.

After they left, Yan Ruoxue expressed her surprise and said, “Are you going to let them off the hook just like that?”

Qin Yu stared in Su Yan’s direction with a cold expression on his face and said, “No, I will take revenge with my own means.”

Qin Yu was well aware that Yan Ruoxue would make Zhao Gang and Su Yan vanish into thin air if he gave the word.

But Qin Yu did not want that. He wanted to make Su Yan regret it herself!

The banquet ended at 4:00 pm.

The crowd dispersed, and the only person left in the large Yan family manor was Uncle Wu.

Uncle Wu, Yan Ruoxue and Qin Yu were sitting at a table sipping tea.

Uncle Wu asked with a smile, “Ruoxue, how is Old Mister Yan doing?”

Yan Ruoxue smiled and said, "Thanks to you, he's in good health."

Uncle Wu sighed and said, "I've been meaning to visit him, but I simply don't have any time to do so."

While the two were chatting, Qin Yu grew worried.

He saw that the black gas in Uncle Wu's heart had spread.

"Uncle Wu, do you really not feel any discomfort?" Qin Yu could not help but ask.

When he heard this, Uncle Wu's bright expression instantly darkened.

"Aren't you tired of saying the same thing?" Uncle Wu scolded furiously.

Qin Yu opened his mouth but could only smile bitterly.

He was aware that regardless of what he said, Uncle Wu would never be convinced.

Therefore, Qin Yu sighed and said, "Uncle Wu, it would be better for you to stay in Jiangcheng for the next few days. If anything happens, you can come to me."

Uncle Wu snickered coldly as he said, "I don't think I need anything from someone like you."

When Qin Yu heard this, he kept silent.

He said goodbye to Yan Ruoxue and left the Yan family manor.

As she stared at Qin Yu's departing figure, Yan Ruoxue pondered for a moment. Eventually, a rather meaningful smile appeared on her lips.

"Uncle Wu, I suggest that you listen to Qin Yu's advice," Yan Ruoxue said as she poured Uncle Wu a cup of tea.

Even though Uncle Wu disliked Qin Yu, he show respect to the face of the Yan family.

Uncle Wu grimaced and said, "Okay, okay, I'll listen to you this time."

...

After he left the Yan family manor, Qin Yu headed for the Su family home.

He was going back because he had been preparing medicine for Old Mister Su for the past few days.

The medicine was called Soul Nourishment Pill. Even though it could not resuscitate the dead, it could extend one's life.

Qin Yu was a person who distinguished between gratitude and grievances. He would never forget anyone who has been kind to him.

"This will be my repayment for Old Mister Su's care over the years. From now on, I will no longer have any ties with the Su family." Qin Yu secretly thought.

At that moment, the Su family was in the middle of celebrating. Sun Yumei was standing at the door while waiting for Zhao Gang to come back.

”Why isn’t he back yet?” It was getting late, and Sun Yumei could not help but worry as she stood at the entrance.

”What’s the rush? He is working with the Yan family. Zhao Gang has to go to the company to settle things.” Su Wen, Su Yan’s father, chuckled.

”That’s true.” Sun Yumei nodded.

Qin Yu walked in from a short distance away.

As soon as they saw Qin Yu, Sun Yumei and Su Wen’s eyes widened.

”What are you doing here?!” Sun Yumei took a step forward and blocked Qin Yu’s way.

”Get lost. I’m telling you, the Su family is out of your league now!” Su Wen also shouted.

”That’s right, Su Yan is now a member of the Yan family.. Get out of here!” Sun Yumei snorted.

Read My Rich Wife Online

Chapter 21: I am the One Chosen by the Yan Family!

Qin Yu's disgusted facial expression intensified when looking at his ex-father-in-law and ex-mother-in-law.

He could not comprehend how their three-year relationship could be this fragile.

Qin Yu took in a deep breath and said, "I am here to see Grandfather."

Su Wen sneered and responded, "My father does not need your visit. Get out of here right now!"

Faced with their clamoring, Qin Yu had a lot of mixed feelings.

If it were him in the past, Qin Yu would have evaded cowardly. But he no longer wished to live like a wimp.

"What are you staring at? Why don't you get out of here right now?" Su Wen pointed to Qin Yu's nose and cursed.

As Qin Yu was about to respond, Zhao Gang drove over.

Sun Yumei and Su Wen rushed to greet Zhao Gang when he arrived.

"Well! My dear son-in-law, how was the banquet today?" Sun Yumei eagerly asked.

Su Wen also smiled and said, “I heard that the Yan family would be supporting a young man in Jiangcheng. No doubt, the person must be you, my most outstanding son-in-law!”

Zhao Gang was completely silent with an awful look on his face.

Sun Yumei was puzzled and asked, “Son-in-law, why don’t you say something?”

Su Wen grabbed Zhao Gang’s arm and said, “He must be too happy to speak! Come on, let’s get a drink to celebrate!”

“Damn it!” Zhao Gang pushed Su Wen’s hands away.

Su Wen was stunned and somewhat a bit embarrassed. “What... What is going on now?”

Zhao Gang had a lot of mixed feelings. He did not utter a word but only stared at Qin Yu.

A few days ago, Qin Yu was merely a loser that he taunted as he wished. Overnight, his identity changed to become the most distinguished guest of the Yan family.

Zhao Gang felt utterly fed up. But due to the Yan family’s backing, he did not dare show any disrespect.

“I got it now!” All of a sudden, Sun Yumei clapped her hands in realization. “Are you upset with Qin Yu here? No worries. I will get him out of your sight right now!”

As soon as she finished talking, Sun Yumei ran in front of Qin Yu and scolded, “My son-in-law has come home. Why don’t you get out of here?”

Su Wen waved her fist and threatened, “I’m warning you, you better not mess with my son-in-law. Otherwise, I will make you pay!”

Qin Yu’s patience had reached its limit. He was not an ingrate person like the Su family, let alone a bastard.

Facing the people he had spent so many days and nights together with, Qin Yu found it difficult to treat them heartlessly.

He tried to hold back his anger and said, “I have stated my case. I am only here to see my grandfather.”

Su Wen yelled, “Bullsh*t! Who cares about your visit?”

However, Zhao Gang, who was not far away, suddenly ordered, “Let him in.”

Su Wen and Sun Yumei were stunned when they heard his words.

They scratched their ears, wondering if they had heard him wrong.

“Son-in-law, why should you let him in? Don’t worry, I will...”

Zhao Gang shouted and interrupted Sun Yumei, “I said let him in!”

Sun Yumei froze, overwhelmed with embarrassment.

Su Wen spoke with excitement, “My son-in-law is so soft-hearted! Never mind, I am in a good mood today. Haha! Just let him in.”

Sun Yumei said with threatening gestures, “You brat, you should be thanking Zhao Gang for everything! Do you understand?”

Qin Yu did not respond but walked straight into the Su house.

Zhao Gang was left behind with a deathly pale face.

Zhao Gang had a straightforward idea in mind. Perhaps, everything would be okay if he apologized to Qin Yu.

“Why do I have to apologize to such a loser?” The more Zhao Gang thought about it, the more humiliated he felt.

But things had come to the point where he had no other choice.

...

After arriving at the Su house, Qin Yu gave Old Mister Su the Soul Nourishment Pill.

Qin Yu quietly looked at Old Mister Su and said, “Grandpa, this may be the last time I come to see you.”

Old Mister Su’s wrinkled face expressed a hint of sorrow, but he soon let go of the sadness.

Old Mister Su sighed and said, “I have to apologize to you, Qin Yu.”

Old Mister Su could not help but tear up. “I married you into the Su family thinking that you would bring good luck to us. You have been humiliated due to my selfishness.”

Qin Yu did not utter a single word. Of course, he knew all about it.

Old Mister Su elaborated, "I had my fortune told. I predict that my life is coming to an end. I have very few days to live."

Old Mister Su held Qin Yu's hands tightly and begged, "Can you forgive Su Yan and me?"

Qin Yu stayed silent for quite a while, but in the end, he shook his head and stated, "What comes around goes around. She has to be responsible for what she has done."

"I will never forgive Su Yan." Qin Yu walked out of Old Mister Su's room after saying those words.

The Su family was still gathered in the living room, focusing on Zhao Gang.

Sun Yumei spoke impatiently, "Are you done? If so, get out of here!"

Su Wen sneered, "It always makes me so angry looking at a worthless loser like you! You have wasted our three years."

"Take a good look at Zhao Gang. He is the chosen one by the Yan family! Now take a look at yourself. Your only worth is doing laundry and cooking."

Qin Yu initially wanted to ignore them. But he could no longer bear it after hearing those words.

He looked at the Su family coldly and spoke each word bitterly, "Loser? Let me tell you something. I am the one chosen by the Yan family, not Zhao Gang!"

Chapter 22: The Su Family Received a Shock

Qin Yu did not want to argue with the Su family, but they crossed the line.

Even a clay figure had a temper — Qin Yu was no exception.

Su Wen and Sun Yumei were stunned for a split second before laughing out loud.

Sun Yumei laughed so hard, her hands were holding her stomach and tears were in her eyes. “Did you hear what he just said? He claims that the Yan family has chosen him. I’m going to die laughing!”

Su Wen displayed the same attitude. He mockingly said, “You might get picked if the Yan family meant to find a maid. Unfortunately, they are looking for a talented person with exceptional ability, not a worthless loser!”

“Maybe you can beg Zhao Gang to let you work as a maid. At the very least, you won’t starve to death, don’t you agree?”

Qin Yu’s expression turned even colder from looking at the pair’s disgusting faces.

He changed his mind about not making a big deal out of it and sat on the sofa.

Sun Yumei let out a high pitch scream, “Did I allow you to sit?”

Qin Yu sneered, "For the past few years when you ordered me to stand, I would not dare to sit. When you told me to go east, I would not dare to seek the west."

Qin Yu added in a cold voice, "Do you remember anything good about me? You only regard me as a loser with no guts."

He finally realized that the world showed no mercy to honest people. Kinder people tend to be the ones bullied.

Su Wen stood up at once as if he was about to attack.

Zhao Gang shouted impatiently, "That's enough! Shut up right now!"

Su Wen was stunned and glanced at Zhao Gang. He felt that Zhao Gang was acting slightly out of character.

Even so, Su Wen obeyed and quietly sat on the side.

Zhao Gang took a deep breath and said with a forced smile, "Qin Yu, It was all my fault. Please do not stoop to the same level as me. We should keep in touch in the future..."

Su Wen and Sun Yumei could not understand what they just heard.

Zhao Gang usually had a bad temper; what made him a completely different person today?

Qin Yu stared at Zhao Gang and said coldly, "You stole my wife and took over the family I was with the past three years. Are you telling me to let go of all the shame you put me through?"

Qin Yu said coldly, "Unfortunately, I am not that generous."

Sun Yumei stared and said, “Qin Yu, you should feel ashamed of yourself.”

Zhao Gang also felt unhappy about the situation but did not dare act up.

Zhao Gang said with conviction, “Qin Yu, I will give you back your home and walk away right now if you wish!”

Qin Yu sneered, “Give me back my home? Do you still consider this place my home? I feel sick having to spend even one second here.”

Zhao Gang’s facial expression changed, and he started to feel a bit angry.

Qin Yu took a deep breath and elaborated, “Zhao Gang, I made it very clear to you at the banquet.”

Qin Yu stood up slowly from the sofa. “I do not want to have anything to do with any of you anymore. But I will remember all the things you have done to me.”

He did not want to spend any more time in this house.

“Qin Yu!” Zhao Gang shouted just as Qin Yu was about to step out of the house.

Qin Yu paused and asked with a cold voice, “What else do you want?”

Zhao Gang clenched his teeth and said, “What exactly do you plan to do to us?”

Qin Yu replied with a cold voice, “You should think about it yourself.”

Qin Yu strode away from the Su family without looking back.

Zhao Gang was furious. His face turned cold and pale. However, an intense fear almost brought him to the point of collapse.

“Zhao Gang, what is the matter with you?” Su Wen frowned.

Sun Yumei mumbled, “He’s right. Why did you have to beg a loser like him?”

Zhao Gang remained silent with his head down.

Seeing Zhao Gang not uttering a word, Sun Yumei turned to look at Su Yan on the side.

Sun Yumei asked, “Su Yan, what’s going on? What happened?”

Su Yan opened her mouth but did not know how to explain what happened.

At that moment, Zhao Gang raised his head.

He felt a bit tired and said, “Do you know who the Yan family selected this time?”

Su Wen smiled and said, “It has to be you! If not for you, how could we, the Su family, get invited?”

“Exactly! If not you, who else could it be? Qin Yu? Ha!” Sun Yumei could not help but laugh out loud.

However, Zhao Gang stared at Sun Yumei and said somberly, “The Yan family chose Qin Yu.”

Chapter 23: Miss Yan, Can You and I be Together?

The Su family members were stunned, especially Su Wen and Sun Yumei. Their faces expressed total disbelief.

Sun Yumei waved her hand dismissively. “Zhao Gang, you must have lost your mind. Why would the Yan family choose Qin Yu?”

Unless the Yan family were blind, it was not a possible decision.

Zhao Gang looked at Sun Yumei with cold eyes and said, “I did not want to believe it either. But the Yan family did choose Qin Yu.”

Su Yan added with reluctance, “Do you still remember the girl Qin Yu brought home a few days ago? That girl was Miss Yan.”

The sound of the news from the television interrupted Su Yan.

The news media was reporting on the Yan family banquet.

They could see Qin Yu standing on the stage, speaking confidently with composure.

Most shockingly, Zhao Gang also appeared on the screen.

The embarrassed and regretful look on his face was even more obvious under the spotlight.

“Damn it!” Zhao Gang stood up in anger.

He finally realized why there was a spotlight on him.

The purpose was for everyone in Jiangcheng City to view him as a hypocritical and contemptible scoundrel.

Sun Yumei’s face was painted with misery. “How... How could this be possible?”

Su Wen also sat in silence with a puzzled expression on his face.

“Qin Yu is not worthy of this!” Sun Yumei said through clenched teeth.

Clenching his teeth while holding his cellphone tightly in his hand, Zhao Gang wished to crawl into a hole.

Sun Yumei suddenly thought about something. “This is terrible! Now that the Yan family has chosen Qin Yu, will he retaliate against us?”

Su Wen’s face also turned dark after hearing her words.

“He will never let us go...” Su Wen started to feel frightened after thinking about all the sarcastic words they shot at him earlier.

Sun Yumei suddenly thought about Old Mister Su. “Quick, go talk to your father. He will know what to do!”

Old Mister Su was the only person that treated Qin Yu like a human being. He might be able to beg him for forgiveness.

The whole Su family rushed to Old Mister Su’s room.

Old Mister Su was sitting inside his room feeling upset.

Qin Yu's departure was also a big blow to him.

"Dad, stop mourning. Please speak to Qin Yu and ask him for forgiveness for all our sakes." Sun Yumei eagerly asked.

Old Mister Su was confused about what was going on.

Sun Yumei hurriedly said, "Well, I don't know how to explain it in such a short time."

Su Wen stated, "Basically, we must obtain Qin Yu's forgiveness as soon as possible! It would be even better if we can get him back into our household!"

Old Mister Su could not help but shake his head.

Qin Yu made a firm decision when he left. Old Mister Su understood that he would never come back.

Old Mister Su weakly waved his hand. "You were the ones who forced him to leave. Do you think he will come back here just because you ask him to?"

"Just try to talk to him. If he does not come back, it will be the end for our Su family!" Su Wen looked alarmed.

Old Mister Su ignored him.

He waved his hand and murmured, "Let it be! Let it be! This is destiny. I should never have selfishly brought him into our Su family in the first place."

What goes around comes around. Old Mister Su had already seen it through.

Sun Yumei responded with anger, “You are useless when we need you!”

“Never mind, I will go. I will do it myself. I refuse to believe that he will reject me!” Sun Yumei said resolutely.

...

Meanwhile, Qin Yu was sitting in the courtyard of Dragon Paradise Villa in a daze.

Qin Yu felt uncomfortable about how the Su family treated him.

Qin Yu had no feelings towards the Su family anymore. He only felt unspeakable disgust and revulsion toward them.

Qin Yu quickly stood up.

He looked into the distance and murmured, “I will never be as cowardly as I used to be.”

Things in the past are beyond redemption, but we can pursue what lies in the future.

Yan Ruoxue’s car suddenly drove into the villa at that moment.

Yan Ruoxue walked out by herself when the car came to a stop.

When Qin Yu saw Yan Ruoxue, it brought a smile to his face and swept away the dark thoughts in his mind.

He stood up and rushed over to greet her. He said with surprise, “Miss Yan, what brings you here?”

Yan Ruoxue smiled while taking a good look at Qin Yu, “How do you feel today?”

Qin Yu pondered for a bit and said, “Feel? To be honest with you, it was my first time being the center of attention, and also the first time I got a taste of what it feels like to be respected.”

Yan Ruoxue burst into a chortle.

She stood on tiptoes, patted Qin Yu’s head, and said, “Do you know that with greater attention comes greater risks?”

“Risks?” Qin Yu frowned, unable to comprehend what she was saying.

Yan Ruoxue explained, “Do you know why Uncle Wu targeted you like that today? He was looking down on you.”

“Uncle Wu would not be the only one who does so. Now that everyone knows about my relationship with you, more people will deliberately try to find fault with us.”

Qin Yu did not make a sound.

He stood there, pondering for a moment, and said jokingly, “Do you mean... Like a love rival?”

“To hell with you!” Yan Ruoxue gave Qin Yu an angry stare.

Yan Ruoxue stated in a strict tone, “But... What you said makes sense.”

Qin Yu smiled bitterly. He had undoubtedly thought about the consequences.

Since Yan Ruoxue was such an exceptional girl, countless people with social and political influence were gunning for her.

Even though Qin Yu and Yan Ruoxue were not in an official relationship, it was pretty clear that Yan Ruoxue favored Qin Yu.

“Are you afraid?” Yan Ruoxue blinked and asked.

Qin Yu looked at Yan Ruoxue with a steadfast expression. “As long as I can be by your side, even if there is extreme danger awaiting me, such as a mountain of swords or a sea of flames, a dragon’s pool or a tiger’s den, I will not be scared!”

The atmosphere turned intense — there was an ambiguous tension in the air.

Yan Ruoxue’s eyes were clear like water. Her long hair flowed in the wind, gently brushing Qin Yu’s face.

A touch of charming red surfaced unexpectedly on Yan Ruoxue’s cheeks.

Qin Yu boldly asked, “Miss Yan, can you and I be together?”

Chapter 24: The Shameless Sun Yumei

It seemed that even Yan Ruoxue did not expect Qin Yu to be so bold.

She stared at Qin Yu in astonishment without saying anything for a long time.

”Staying with me... It will be dangerous.” Yan Ruoxue stared straight at Qin Yu with her large eyes.

”I’m not scared!” Qin Yu’s gaze was extremely determined.

Yan Ruoxue shook her head with a smile and said, “Qin Yu, Jiangcheng is just a small, small place. You have not even seen how people in Jingdu do business. I...”

”So what if it’s Jingdu?!” Qin Yu cut off Yan Ruoxue.

”If I’m able to be with you, I won’t be afraid of anything!” Qin Yu’s tone was passionate.

Yan Ruoxue remained silent for a moment before patting Qin Yu’s head and smiling as she said, “I believe in you, but... I still need to see how you fare, and... I have to see if you can pass the test.”

”Test?” Qin Yu froze. He asked quickly, “What test? I’ll give it my best shot!”

Yan Ruoxue giggled and said, “You’ll find out later.”

”Your words are all that’s needed.” Qin Yu was so excited that he almost jumped up and down. He was extremely motivated at this moment.

He rose and said earnestly, “If you give me some time, I promise to become good enough for you! I will show the entire world that I like you! I will go to Jingdu, to the Yan family, and propose to you with sincerity!”

As she looked at Qin Yu’s confident appearance, Yan Ruoxue also began to feel emotional.

Men with confidence were the most attractive, and Qin Yu was no different.

Yan Ruoxue glanced at Qin Yu and snickered as she said, “Okay, then don’t keep me waiting for too long.”

”I won’t!” Qin Yu nodded his head passionately.

Yan Ruoxue’s appearance in Qin Yu’s life had changed him completely.

When Yan Ruoxue was gone, Qin Yu sat on the ground and inhaled the spiritual energy around him.

But the spiritual energy in this area was too diluted, and throughout the night, Qin Yu’s strength did not make any progress.

But it wasn’t all for nothing. Ever since he set out on the path of spiritual cultivation, Qin Yu had the feeling that his state of mind was gradually changing.

His state of mind seemed to be incredibly strengthened and was completely different from how self-deprecating and cowardly he used to be.

”As the saying goes, the longer the path of cultivation, the colder one will be. This appears to be true,” Qin Yu thought to himself.

As he was preparing to go out, a car suddenly raced by.

Lei Hu stepped out from the car with his bodyguard, who was holding two gift boxes.

Qin Yu was a bit surprised. He had no interactions with Lei Hu, so why did he suddenly appear?

However, Qin Yu immediately understood.

People like Lei Hu almost always relied on connections to do business.

Now, his relationship with Miss Yan had already spread all over Jiangcheng. Lei Hu must have come here to butter him up.

Qin Yu rubbed his chin and thought, “Right now, I really would like someone to help me pluck a batch of medicinal herbs. Lei Hu would be a good candidate.”

”Mr. Qin!” Speedily, Lei Hu ran up to Qin Yu in a frenzy.

”Mr. Lei, what brings you here?” Qin Yu was surprised.

When he heard Qin Yu’s address, Lei Hu instantly felt flattered.

He immediately replied, “Mr. Qin, please call me by my first name. If not, I’ll be too burdened by the honor.”

Qin Yu did not dwell on this with him, and continued to ask, “What do you want to see me for?”

”Ever since I upset Miss Yan the other day, everyone in Jiangcheng no longer has the desire to do business with me... You know I have a bunch of employees, so if I don’t earn any profit, I’ll be in serious trouble...” Lei Hu lamented.

Qin Yu frowned and said, “If that’s the case, what do you want from me?”

Lei Hu placed his palms together. With a pleading smile, he asked, “Mr. Qin, if it’s all right with you, can you please put in a good word about me with Miss Yan so that she can let me off the hook...”

”Of course, you will get something out of it as well. I’m willing to give you ten percent of the profit!” Lei Hu said with a pat on his chest.

Qin Yu pondered over it for a moment and said, “Ms. Yan won’t necessarily do what I say.”

”What are you talking about? Everyone in Jiangcheng is privy to the relationship between you two. If you put in a word, Ms. Yan would definitely agree!” Lei Hu said hurriedly.

Qin Yu remained quiet for a moment, then said audaciously, “Okay, I will give it a try, but... I want thirty percent of the profit.”

Qin Yu really needed money, and after recent events, Qin Yu also realized that being too soft-hearted would make it hard to establish himself in this business world.

Lei Hu frowned and said through gritted teeth, "Fine! I will give you my word!"

Lei Hu looked at the bodyguard beside him and yelled, "Place the gifts inside the house for Mr. Qin!"

"No, just leave it here." Qin Yu took the gifts and turned to look at Lei Hu's bodyguard.

This bodyguard was sturdy and serious. From his scent, it was obvious that he was a practitioner.

"Mr. Qin, this is Lance, my personal bodyguard. As you know, people like me are always in danger, so I have to be on my guard." Lei Hu, noticing Qin Yu's gaze, explained.

Then, Lei Hu said proudly, "Lance is also a disciple of Lincheng's Mr. Lin!"

"Lincheng?" This name was rather unfamiliar to Qin Yu.

"Yes, Lincheng's Mr. Lin, who is deemed the number one martial art practitioner in Jiangcheng!" Lei Hu said with a smile.

Jiangcheng's number one martial arts practitioner? This title was a bit surprising to Qin Yu.

"Then... If there's nothing else, I'll be leaving," Lei Hu said.

"Wait a moment," Qin Yu called out to Lei Hu.

He said in a hushed voice, "I do have a favor to ask you."

”Mr. Qin, ask away! I won’t refuse if it’s within my ability!” Lei Hu patted his chest and said.

Qin Yu said in a hushed voice, “I need some herbs. The more the better, and the older the better.”

Lei Hu was stunned. He asked with some confusion, “Mr. Qin, what do you need herbs for?”

”I will tell you the details later,” Qin Yu said, waving his hand dismissively.

”All right, it’s no problem.” Lei Hu hurriedly nodded his head.

Just as the words left his mouth, someone else walked in the door. Sun Yumei and Su Yan were walking through the doorway and were looking around.

From the looks of it, Su Yan even made a special effort to dress up. She wore a super short pink skirt paired with a tiny tank top that barely covered anything.. On her legs were black silk stockings.

Chapter 25: I’ ll Get Lei Hu To Beat You Up Again

When he looked at the two women, Qin Yu suddenly felt a gush of revulsion.

”Geez Qin Yu, you’re living in such a nice house now,” Sun Yumei said as she surveyed her surroundings.

Qin Yu looked at Sun Yumei with cold eyes and said, “What do you want?”

”Look at you. I can’t come to see you if I don’t have a purpose in mind?” Sun Yumei replied cheerfully.

The contrast in attitude before and after she found out about the Yan family’s connection with Qin Yu made him feel increasingly disgusted.

Lei Hu stood aside. He looked awkward as he could not find the right time to interject.

Qin Yu turned around and walked inside the room.

Sun Yumei saw this and gave Su Yan a quick look.

Although Su Yan was reluctant, she followed him into the room.

As soon as they entered the living room, Sun Yumei exclaimed, “This house is so lavish. It’s much better than ours!”

Qin Yu grunted coldly and did not say anything.

”Qin Yu, you see, we have lived together for three years. Three years of bonding can’t be discarded so easily.” Sun Yumei tried to tap on Qin Yu’s emotional side.

”Because of Su family’s education, you are able to achieve great success now, isn’t that so?” Sun Yumei said shamelessly.

When Qin Yu heard that he could not refrain from snickering and said, “The Su family’s education? What did you teach me? Laundry and cooking? Or to be scolded and beaten?”

Sun Yumei’s face flushed with embarrassment as she laughed and said, “Oh, that’s all in the past! Even if you and Su Yan are divorced, I will always treat you like family!”

After that, Sun Yumei shouted to Su Yan, “Go get Qin Yu a glass of water!”

Su Yan came forward coyly. When she poured water for Qin Yu, she deliberately slipped into Qin Yu’s arms.

Luckily, Qin Yu reacted swiftly and hastily dodged to the side.

Su Yan, who was supposed to fall into Qin Yu’s arms, fell heavily to the ground instead.

”Ouch...” Su Yan covered her arm with a pained look on her face.

After that, she got up from the ground and looked at Qin Yu angrily. She was about to throw a fit.

Sun Yumei, however, hurriedly stopped her before she could do so.

Sun Yumei pulled Qin Yu aside and said with a wink, “Qin Yu, I know you’re upset after what happened, and I don’t know how to make it up to you.”

”If you wish, you and Su Yan can also do the same thing in the future!” Sun Yumei said with a wicked smirk.

Qin Yu said with a cold expression on his face, “What do you mean by that?”

”Do what Su Yan and Zhao Gang used to do. You two can have an affair, so consider it revenge on Zhao Gang,” Sun Yumei said, blinking deviously.

Qin Yu instantly felt a sense of revulsion.

Qin Yu was disgusted to the core by the Su family.

”Don’t you guys feel disgusted when you sell your own body out for wealth?” Qin Yu said in a cold voice.

”I’m not a pervert like Zhao Gang is. Moreover, I feel disgusted at the sight of someone like Su Yan, so it’s better to leave you to Zhao Gang.” Qin Yu said without mercy.

When she heard Qin Yu’s words, Su Yan could not hold back her fury any longer.

She pointed her finger at Qin Yu and cursed, “Qin Yu, you really are shameless! Have you forgotten how you used to kiss up to me?”

”Just because I was a fool before doesn’t mean I’m a fool now.” Qin Yu said in an emotionless voice.

Su Yan said through gritted teeth, “Qin Yu, aren’t you just a freeloader? You’re a loser who has only relied on women all his life! We’ll see how long you can keep this cocky act up!”

Sun Yumei could not help but feel slightly annoyed that it was impossible to reconcile the two at this point.

Feeling defeated, Sun Yumei also changed her attitude and scolded, “Su Yan is right. You’re a total loser who will stay a loser for the rest of your life!”

As expected, a leopard never changes its spots.

Fortunately, Qin Yu did not give a hoot anymore. He said coldly, “Get out! Get out immediately!”

Su Yan crossed her arms and snickered as she said, “You have the nerve to curse at me? Don’t think you can do whatever you want just because you have the Yan family to protect you! Remember how Lei Hu beat you up last time? I can get Zhao Gang to call Lei Hu to beat you up again.”

Chapter 26: Make a Bet

Su Yan glared at Qin Yu, confident that the mention of Lei Hu would intimidate Qin Yu.

Qin Yu nearly burst out laughing. Lei Hu was standing right next to him.

Lei Hu also felt puzzled. How did the conversation lead to him ?

”What, are you afraid ? Too late for that!” When she saw that Qin Yu did not say anything, Su Yan thought she had successfully intimidated Qin Yu.

”Scared ?” Su Yan taunted. Qin Yu could not help but snicker.

”Afraid of what ? Afraid that Lei Hu will trouble me ?” Qin Yu asked in return.

Su Yan said proudly, “That’s right, Qin Yu. This is Jiangcheng! The Yan family, no matter how formidable they are, can’t possibly extend their influence here. If you still want to stay in Jiangcheng, behave!”

Qin Yu paid no attention to Su Yan, but turned his head to Lei Hu and said, “Mr. Lei, are you going to trouble me ?”

Lei Hu hurriedly shook his head and smiled, “Mr. Qin, you must be joking. I’m here to ask for your help, so how could I possibly have the nerve to trouble you...”

Qin Yu glanced at Su Yan and said with a sneer, “Did you hear that ?”

Su Yan was stunned as she sized up Lei Hu and muttered, “Who are you ? Did I tell you to answer ?”

Before Lei Hu could say anything, Lance could not help but interject, “He’s Brother Hu, Lei Hu!”

When she heard this, Su Yan’s expression changed dramatically.

”You... You are Lei Hu?” Su Yan gulped and looked extremely embarrassed.

Lei Hu said in a cold voice, “Do you think I’m joking with you? Do you need me to call Zhao Gang?”

Su Yan shook her head quickly and said, “No... No need, Brother Hu, I... I’m just kidding. Excuse me, I’ll leave now...”

With that, Su Yan dragged Sun Yumei with her and fled.

When they were gone, Lei Hu tentatively asked, “Mr. Qin, do you want me to deal with those two?”

Qin Yu shook his head. “No need. I don’t want to waste any time on them.”

When Lei Hu heard this, he did not push the matter anymore.

After some thought, Lei Hu spoke up with a sly grin, “Mr. Qin, I would like to say one more thing. Sometimes, I think you’re too soft-hearted. To put it nicely, it’s indecisiveness, but to put it bluntly, it’s timidity... I hope you’re not offended.”

Lei Hu’s words reminded Qin Yu of something.

He stared at Lei Hu as he nodded and said, “Alright, thank you for the reminder. I will keep it in mind.”

...

Yan Family Manor.

Yan Ruoxue was sitting in the courtyard and having tea with Uncle Wu.

It was already the third day that Uncle Wu has been in Jiangcheng.

”Ruoxue, it looks like you’re in for a disappointment. I’m in good health.” Uncle Wu chuckled lightly as he moved his arms and legs freely.

Yan Ruoxue looked at Uncle Wu and said, “There’s no need to rush to a judgment of the situation.”

Uncle Wu frowned and sighed, “Ruoxue, the Yan family is one of the top gentries in the country. I really don’t know what you see in Qin Yu.”

”Sometimes, falling in love with someone is an instantaneous thing,” Yan Ruoxue replied softly.

When Qin Yu was mentioned, Yan Ruoxue’s eyes seemed to sparkle, and a smile broke her cold countenance.

Uncle Wu said with a light snort, “Ruoxue, I’m afraid you’ve misjudged the man! I’ve already had someone check him out.”

”He is nearly 30 years old and he has no achievements whatsoever. To put it nicely, he is an ordinary person, but to put it bluntly, he is a loser!” Uncle Wu said with a snort.

Yan Ruoxue’s eyes filled with discontent.

She set down the cup of tea in her hand and said in a gentle voice, “Uncle Wu, people in high-ranking positions are well-versed and perceptive. Are you aware that ninety percent of the people in the vast Yan country are ordinary? Do you know that 90 percent of the people in Pyro are ordinary? Are they all losers?”

”From my point of view, if a man is willing to be responsible, he is worthy of praise and recognition regardless of his mediocrity.”

She left Uncle Wu speechless.

”That’s true, but you’re out of Qin Yu’s league! Everything he has comes from you and the Yan family. If you leave Jiangcheng, Qin Yu won’t be able to survive longer than two days,” Uncle Wu said in a cold voice.

When she heard this, Yan Ruoxue simply laughed.

”Do you really think a city as small as Jiangcheng is enough to stop him?” Yan Ruoxue raised her eyebrows.

Uncle Wu snorted and retorted, “He’s a loser, so why do you say that he can’t be stopped?”

Yan Ruoxue pondered over it and said, “How about this, Uncle Wu, I’ll make a bet with you. In a month, Qin Yu will definitely impress you.”

”Beyond the small city of Jiangcheng, and even beyond Chuzhou, there is no one who can rival him!”

Chapter 27: Flustered Uncle Wu

Uncle Wu burst into laughter and said, “Ruoxue, do you truly believe this? If you do, don’t help him. We’ll see what he can accomplish without your assistance!”

The reason Uncle Wu targeted Qin Yu so aggressively was not only because he did not like Qin Yu, but also because he had a personal agenda.

The reason was that his late friend’s son has been in love with Yan Ruoxue for many years, but Yan Ruoxue always remained apathetic towards his affections.

However, Yan Ruoxue suddenly showed such interest in an ordinary man who had been married once. It was no wonder that he was upset.

Yan Ruoxue remained quiet for some time, then laughed lightly and said, “Uncle Wu, I won’t show mercy to anyone who tries to harm him.”

Yan Ruoxue’s tone was calm, but a layer of threat was weaved into her voice.

This was targeted at Uncle Wu.

Uncle Wu was no fool — he understood what Yan Ruoxue was suggesting.

He snorted and said, “It seems that you also think Qin Yu is no match for Shen Tian. Otherwise, why would you not have the guts to give them a fair fight?”

Shen Tian was the son of Uncle Wu's old friend.

Hearing this, Yan Ruoxue could not help but laugh.

"So you're referring to Shen Tian... I can agree to that," Yan Ruoxue said with a shake of her head.

Uncle Wu froze and hastily asked, "Are you serious?"

"Of course," Yan Ruoxue replied with a smile.

"Indeed, Qin Yu isn't on par with the gentries in Jingdu, but when it comes to Shen Tian... He can become a stepping stone for Qin Yu." Yan Ruoxue sneered.

This comment infuriated Uncle Wu.

He scolded, "You look down on Shen Tian that much? Well, well, I'd like to see what Qin Yu can do against Shen Tian!"

After saying that, Uncle Wu turned his head and was ready to leave.

"Uncle Wu, the time isn't up yet, so please pay attention to your health." Yan Ruoxue reminded.

Uncle Wu stopped in his tracks and sneered, "I'm in good health, so Qin Yu doesn't have to worry about it."

After making this remark, Uncle Wu got into the car and set off back to Chuzhou.

”You will come back soon to beg him for help,” Yan Ruoxue murmured in a low voice.

...

Qin Yu was at home and was searching through the memories in his mind.

The inheritance left behind by his father was a genuine treasure trove.

”Other than relying on spiritual energy and pills, the other method is the formation,” Qin Yu mused.

Nowadays, spiritual energy has become extremely scarce, especially in the city.

Qin Yu had to use a formation to congregate all the spiritual energy in his surroundings into a single place.

By doing so, Qin Yu’s cultivation methods’ speed increased significantly.

However, with Qin Yu’s current skills, setting up formation was almost impossible.

Qin Yu took a deep breath and murmured, “I will rise to the top for sure.”

Throughout Qin Yu’s life, no one ever had any faith in him, nor did anyone ever give him any encouragement.

Yet, Yan Ruoxue believed in him so much, so Qin Yu did not want to disappoint her.

At nightfall, Qin Yu left the Dragon Paradise Villa's neighborhood and came to the foot of a mountain.

This place had mountains and rivers, and the population was sparse compared to that of the city, so the spiritual energy was much more concentrated.

"This is it." Qin Yu sat down next to a small stream.

After that, he closed his eyes as he started to take in the spiritual energy in his surroundings.

As he breathed in and out, the spiritual energy around him began to slowly coalesce.

With Qin Yu at the center, the spiritual energy formed a small vortex.

If someone passed by, they would be able to feel a slight breeze.

On the other hand, Uncle Wu's car was slowly departing from Jiangcheng.

"Hmph, I'd like to see what Qin Yu is capable of doing," Uncle Wu said indignantly.

The man beside him said with a forced smile, "Mr. Wu, Qin Yu is indeed a nobody, but if you anger the Yan family because of him, things would be bad..."

Uncle Wu waved his hand and said, "I have a sense of discretion. Now that the Shen family has been informed of this, I believe it won't take long before Shen Tian arrives in Jiangcheng."

”Shen Tian is far more outstanding than Qin Yu in many ways. I believe it won’t take long before Qin Yu backs off!”

In Uncle Wu’s opinion, Qin Yu was simply no match for Shen Tian.

As he was talking, Uncle Wu suddenly felt a stabbing pain in his heart. Although it was fleeting, Uncle Wu could not resist the urge to cough.

”Looks like I’ll have to smoke less in the future.” Uncle Wu did not think much about it and assumed it was because he had been smoking too many cigarettes recently.

The instant he put out his cigarette, the stabbing pain struck his heart again.

But this time, the pain was even more intense.

Uncle Wu covered his chest and said with a frown, “What... What’s happening?”

Before he could react, the pain struck again.

It felt like a million arrows had gone through his heart, which stung and itched at the same time.

An agonized expression appeared on Uncle Wu’s face as he covered his chest and said with difficulty, “No... Oh no...”

He was instantly reminded of Qin Yu’s cautionary words.

"Return to Jiangcheng immediately!" Uncle Wu shouted in a hurry.

Chapter 28: Miserable Uncle Wu

As much as Uncle Wu did not want to believe it, the excruciating pain in his body was unbearable.

Uncle Wu was driven to the hospital. However, the doctor's examination at the hospital proved fruitless! The medical practitioners could not find out the root cause of his pain. All tests showed that Uncle Wu's bodily functions were normal.

"This... How can this be?" Uncle Wu wore a gloomy expression, and the constant pain was making him sweat profusely.

This made him think of Qin Yu again.

"Drive to the Yan Family's manor!" Even though Uncle Wu did not want to believe it, his pain made it impossible for him to think about anything else.

The car quickly drove towards the Yan family's manor.

Yan Ruoxue sat in the manor sipping tea while enjoying the evening breeze.

"Miss Yan, isn't it rather unwise to fall out with Mr. Wu over Qin Yu?" The secretary couldn't resist cautioning her.

Yan Ruoxue gave him a look and said with a smile, “Why is it unwise? He is the one who will suffer a loss, not me.”

The secretary said with a sigh, “Although you are trying to protect Qin Yu, acting this way will only make Mr. Wu detest Qin Yu even more. It might even bring him some trouble...”

”Without trouble, how can he grow?” Yan Ruoxue said with a smile.

”Moreover, Uncle Wu will return,” Yan Ruoxue said calmly while looking towards the door.

As soon as the words left her mouth, Uncle Wu’s car pulled up in the driveway.

”See, he’s already back.” A confident smile formed on Yan Ruoxue’s lips.

She put down the teacup in her hand and took the initiative to welcome him.

”Uncle Wu, what brings you back again?” Yan Ruoxue said with a smile.

Uncle Wu covered his chest and said in agony, “Ruoxue, hurry... Hurry up and tell Qin Yu to come and see me. Hurry up...”

Yan Ruoxue was not fazed and said with a casual smile, “Uncle Wu, isn’t it rude to ask Qin Yu to come over when you’re one asking for help?”

Uncle Wu's expression changed. He was aware that Yan Ruoxue was deliberately giving him a hard time.

However, he had no other choice. Uncle Wu could only plead in agony, "I believe in him now. Can you bring me to see him please?"

"That's too much to ask." Yan Ruoxue did not look anxious at all.

Uncle Wu said in agony, "Hurry up. I really can't take the pain anymore..."

Yan Ruoxue simply wanted to teach Uncle Wu a lesson and did not actually mean him any harm. She immediately brought Uncle Wu to the Dragon Paradise Villa.

They arrived at Qin Yu's house, but after looking around, they could not find Qin Yu anywhere.

"Where is he?" Uncle Wu asked impatiently.

Yan Ruoxue shook her head and said, "I have no idea. I'll call him."

Yan Ruoxue took out her cell phone and called Qin Yu.

Unfortunately, Qin Yu's phone was turned off.

"It's turned off." Yan Ruoxue said in a defeated tone.

Uncle Wu's expression became very unpleasant. He felt like he could faint at any moment from the excruciating pain,

"Quickly find him!" Uncle Wu shouted frantically.

”Yes, Mr. Wu!” Uncle Wu’s men hurriedly ran out.

However, despite searching the entire Jiangcheng, they could not find Qin Yu.

This made Uncle Wu feel extremely frustrated. He said bitterly, “What can we do...”

The man working under him said indignantly, “Qin Yu must have done this on purpose. He’s really a scoundrel!”

Yan Ruoxue glanced at him and said with a grim snicker, “You guys didn’t believe in him at all yet you expected him to wait foolishly for you at home?”

”I...” Uncle Wu’s men were at a loss for words.

Qin Yu did not come back the entire night.

In that night alone, Uncle Wu passed out from pain a total of three times. The pain intensified with every passing second.

It was only in the wee hours of the morning did Qin Yu open his eyes.

”There is still not enough spiritual energy.” Qin Yu frowned.

He had practically sucked all the spiritual energy in his surroundings, but he was still unable to reach the third level of the Qi Refining Stage.

”In the future, cultivation will probably become increasingly difficult,” Qin Yu said with a sigh.

He washed up briefly before heading home.

When he arrived home, it was already eight o'clock in the morning.

When Qin Yu saw the guests at his home, he was surprised.

"Miss Yan, Uncle Wu! Why in the world are the both of you here?" Qin Yu exclaimed in shock.

Before Yan Ruoxue could say anything, Uncle Wu's men shouted angrily, "Where the h*ll have you been? We've been waiting for you for the whole night!"

Qin Yu frowned with displeasure.

"I went out to attend to some business," Qin Yu replied with an impassive expression.

"What business can you possibly have?" The man said through clenched teeth.

When he heard these words, the anger in Qin Yu's heart intensified.

"If not for Ruoxue, I definitely would not let you off the hook! Quickly treat me!" Uncle Wu said furiously while glaring at him.

Qin Yu gave him a cold look and said, "Really? To tell you the truth, I only address you as Uncle Wu for Ruoxue's sake. If not, you would be nothing to me! Your status and identity have nothing to do with me!"

”As for treating your illness, I’m tired now and don’t want to wait on you, so please get out of my house right now!” Qin Yu said in a cold voice.

Chapter 29: I Refuse to Treat Him!

Chapter 29: I Refuse to Treat Him!

Everyone froze when they heard what Qin Yu said.

Even Yan Ruoxue looked at Qin Yu in astonishment.

As far as she could remember, Qin Yu was a person who rarely lost his temper.

However, Yan Ruoxue immediately laughed out loud. It appeared that she was extremely pleased with Qin Yu’s reaction.

”Brat, what did you just say?!” Upon hearing this, Uncle Wu immediately went into a fit of anger.

The man under his command stepped forward and said in a cold tone of voice, “Do you know who Mr. Wu is? How dare you talk to him in that way?”

Upon hearing this, Qin Yu eyed them indifferently and retorted, “I told you that his status and position have nothing to do with me.”

”Originally, I warned him about his ailment out of the goodness of my heart, but your entitled attitude disgusts me. I refuse to treat him, so scram!”

Upon hearing this, the man under Uncle Wu’s command was instantly enraged. He took a step forward as he warned in a cold voice, “Treat Mr. Wu right now or I’ll kill you!”

”Is that so?” Qin Yu shouted. He decided to strike first and punched him in the face.

This punch sent the man flying. The impact even caused one of his teeth to fall out of his mouth.

”You!” He glared at Qin Yu in rage.

”Go back and train properly before you run your mouth,” Qin Yu warned in a cold tone of voice.

With that, Qin Yu turned and walked back into the house.

With a bang, he slammed the door shut.

There was dead silence. Uncle Wu’s expression made it clear that he was feeling indignant.

However, because of the pain, he could only compromise.

”Ruoxue, is this the way one should treat their elders?” Uncle Wu took a deep breath and said.

Yan Ruoxue laughed and said, “Uncle Wu, now that you are the one begging others for help, you shouldn’t act so cocky and condescending.”

”I won’t interfere in what happens between you guys,” Yan Ruoxue said with indifference.

To prove her point, she got into the car and left the place.

Uncle Wu’s face contorted in pain as he covered his chest in agony.

However, Qin Yu paid no heed to the man.

Time passed by quickly — an hour came and went in the blink of an eye.

Eventually, Uncle Wu could not stand it anymore.

He went forward with difficulty and knocked on Qin Yu’s door. He said in agony, “Qin Yu, I was rude. Let me apologize to you...”

There was silence in the room.

Uncle Wu said in anguish, “Qin Yu, please just help me out. I really can’t take it anymore...”

”It’s my fault for being so full of myself...”

”Just help me for Ruoxue’s sake. I...”

Before Uncle Wu could finish his sentence, the door opened.

Qin Yu stood in the doorway with a pill in his hand.

”Take this pill and you will feel better.” Qin Yu tossed him a black, ugly pill.

Upon hearing this, Uncle Wu hurriedly picked up the pill and carefully examined it.

The pill was extremely unattractive and resembled sheep’s poop.

This led Uncle Wu to believe that Qin Yu was purposely toying with him.

”Qin Yu, are you certain that this can treat my illness...” Uncle Wu said hesitantly.

”Whether you believe it or not is up to you. If you don’t believe me, you can throw it away,” Qin Yu replied coldly.

The younger man closed the door again and went back to the room.

Uncle Wu stared at the pill. Even though he had doubts, he could barely think properly due to the pain. He decided to take a leap of faith.

Uncle Wu put the pill into his mouth and swallowed it.

The moment the pill entered his body, Uncle Wu felt a rush of heat.

The heat wandered through his body before congregating at his heart.

Very quickly, the pain at his heart began to subside.

In the span of a few minutes, Uncle Wu discovered to his amazement that the piercing pain in his heart had vanished completely.

Uncle Wu touched his chest in astonishment. "I can't believe it... I'm cured?"

Who in the world was Qin Yu? How could he have such excellent medical skills?

Could it be that what Yan Ruoxue said was true?

"If you don't need anything else, you guys may leave now." Qin Yu's voice sounded from the room.

At this moment, Qin Yu did not have any good feeling towards Uncle Wu. If not for Yan Ruoxue's sake, he would not have helped the old man at all.

Uncle Wu opened his mouth but no sound came out. Instead, he simply shook his head.

"Mr.. Wu, your illness must have been this kid's doing! Otherwise, how could the hospital not be able to diagnose your pain? Furthermore, how is it possible that you became better just by taking a pill?" The person under Uncle Wu's command accused Qin Yu relentlessly.

Chapter 30: Chuzhou's Shen Tian

After he started refining his cultivation methods, Qin Yu's sense of hearing had improved tremendously.

Although the two men outside his room spoke in a low voice, Qin Yu could hear them clearly.

Uncle Wu's subordinate looked at Uncle Wu expectantly. He seemed to be waiting for his answer.

Uncle Wu looked in the direction of Qin Yu's room and did not say a word.

After a long time, Uncle Wu waved his hand and said, "Let's return to Chuzhou."

After this incident, Uncle Wu's impression of Qin Yu had changed.

But he also had his suspicions.

"Mr. Wu, you can't just let this slide. How about I secretly help Shen Tian?" Uncle Wu's subordinate suggested.

Uncle Wu remained quiet for a moment before waving his hand.

"From now on, I won't interfere in what happens between Qin Yu and Shen Tian," Uncle Wu said with a sigh.

"But Mr. Wu..."

"Say no more." Uncle Wu waved his hand and cut him off.

...

When Uncle Wu departed, Qin Yu began formulating his plan.

Right now, the most important thing was to earn money because he could not be dependent on Yan Ruoxue for everything.

As he sat in the room, he began to concoct the Soul Nourishment Pill.

Although it was easy to make this kind of pill, it had tremendous benefits for the human body.

Nowadays, many people's health are deteriorated by alcohol and sex. Although they may seem physically fit, they were actually unhealthy inside.

The Soul Nourishment Pill was the perfect remedy for the body.

It took Qin Yu the entire day to make the pill.

Aside from the Soul Nourishment Pill, Qin Yu also concocted a special Aqua Rhyme Pill for Yan Ruoxue.

This Aqua Rhyme Pill alone took Qin Yu three hours to make.

The herbs used to make the Aqua Rhyme Pill were carefully selected by Qin Yu, who chose the best ones from the batch of herbs he had.

"I've never given a gift to Miss Yan, so this will be my small token of appreciation," Qin Yu thought.

He headed to the dollar store and bought a wooden box to put the Aqua Rhyme Pill in.

Afterwards, Qin Yu grabbed the Aqua Rhyme Pill and rushed towards the Yan family's manor.

When he arrived at Yan Ruoxue's house, Yan Ruoxue was on the phone.

When she saw Qin Yu, Yan Ruoxue hung up immediately and said with surprise, "Qin Yu, what are you doing here?"

Qin Yu grinned wryly and said, "I'm here to apologize."

"Apologize? Apologize for what?" Astonishment was visible in Yan Ruoxue's beautiful eyes.

Qin Yu replied sheepishly, "I shouldn't have ignored your request this morning..."

When she heard this, Yan Ruoxue let out a snort of laughter.

She rolled her eyes and said, "Idiot, why would I blame you for that? Instead, if you didn't stand up for yourself, then I really would have despised you."

"Really?" Qin Yu said in astonishment.

"Absolutely," Yan Ruoxue said with a smile.

"Qin Yu, I much prefer it when you act like yourself instead of putting up with others because you are too concerned about what they think." Yan Ruoxue said earnestly.

Qin Yu became increasingly smitten with Yan Ruoxue.

He did not know if it was because of his social class, but Qin Yu had never met a girl like Yan Ruoxue before.

”Alright!” Qin Yu nodded eagerly.

Just as he was about to take out his Aqua Rhyme Pill, the sudden rumbling of an engine caught his attention.

When he glanced over his shoulder, he saw a Lamborghini sports car parked outside.

A tall young man with bleached hair stepped out of the car.

The young man was 6 feet tall with a muscular body. He wore a crisp, clean suit that made him look like a handsome man straight out of a TV show.

In comparison, Qin Yu seemed a little dwarfed.

This young man was none other than Shen Tian from Chuzhou.

Shen Tian walked into the house and quickly made his way to Yan Ruoxue.

”Miss Yan, why didn’t you tell me you were in Chuzhou?” Shen Tian said with a passionate look on his face.

”Why would I tell you?” Yan Ruoxue, however, did not show any interest in him.

Her response made Shen Tian feel awkward.

He let out a cough before saying, "I heard that you've been getting close to a young man named Qin Yu recently. To be honest, I'm curious as to what kind of a man he is for him to catch Miss Yan's eye."

"I am Qin Yu." Qin Yu stepped forward.

Shen Tian sized up Qin Yu and said with a smile, "Really? You are Qin Yu?"

"It's true," Qin Yu responded with an impassive expression on his face.

Shen Tian could barely suppress his urge to laugh.

This short guy in front of him was his rival?

Despite his condescending thoughts, Shen Tian still politely extended his hand and said, "Hello."

Qin Yu immediately extended his hand to shake his.

"Hello," Qin Yu greeted impassively.

The moment their hands touched, Qin Yu felt an immense force pressing squeezing his hand. Shen Tian had a taunting look on his face.

Qin Yu's eyes narrowed. He smirked coldly in response.

In the next moment, Shen Tian's expression began to change. From amusement, it swiftly became one of astonishment, rage, and panic.

Shen Tian felt as if his hand was grabbed by an iron vise.. He feared that his bones were about to break.

Chapter 31: Treat a Radish Like It' s Ginseng

Shen Tian's face was red up to his ears as he struggled to pull his hand away.

But Qin Yu's grip was as tight as an iron vise and Shen Tian's hand was stuck.

Realizing that Shen Tian had scrunched up his face, Qin Yu asked in a concerned tone, "Mr. Shen, what's the matter? Why are you grimacing? Are you feeling uncomfortable somewhere?"

Qin Yu's words made Shen Tian's blood boil.

"Why are you not speaking? Mr. Shen, I am something of a medical practitioner myself. Why don't I take a look at your condition?" Qin Yu offered flippantly.

"L-Let go of me!" Shen Tian roared in rage.

"Ah. Why didn't you say so earlier?" Qin Yu acted like he had an epiphany and released his clutch.

Qin Yu's sudden release caused Shen Tian's body to lose balance. The taller man took several steps backwards in an attempt to stabilize himself. But he ended up plonking onto the ground, landing heavily on his backside.

”Mr. Shen, what’s going on? Are you alright?” Qin Yu pretended to be worried and came over to help him up.

Shen Tian shoved Qin Yu’s hand away and scolded, “Are you treating me like a fool?”

”Whoa. Mr. Shen, where did this even come from? I don’t understand what you are talking about,” Qin Yu noted with a smug.

”Why, you little!” Shen Tian gritted his teeth. He drew in a deep breath in an attempt to calm his nerves.

”I’m not gonna stoop to your level and argue with you.” Considering that Yan Ruoxue was with them, Shen Tian replaced his angry expression with a gentle smile.

Qin Yu, too, did not want to bother bickering with the likes of Shen Tian. So, he took out his Aqua Rhyme Pill and presented it to Yan Ruoxue.

”Miss Yan, we’ve known each other for some time already, yet I never had the opportunity to give you a present. This is my token of appreciation. I hope that you will accept it.” Qin Yu handed the box to Yan Ruoxue.

Before Yan Ruoxue accept the gift, Shen Tian could be heard jeering, “What’s with that shabby-looking box? Did you get it from the flea market? Judging from its appearance, it costs only a hundred dollars at most.”

”Nonsense!” Qin Yu shot Shen Tian a glare and continued, “I got this from the dollar store!”

Shen Tian snickered, “Wow. That’s really generous of you, Mr. Qin. To think that you had the guts to give Miss Yan a tacky gift like that! Are you insulting her?”

”On the contrary, I like this.” Yan Ruoxue stretched her hand to receive the gift box.

”Thanks a lot, Qin Yu. I really love it,” Yan Ruoxue murmured as she grinned from ear to ear.

Shen Tian glowered angrily at the sight of Yan Ruoxue’s unexpected happiness.

”Miss Yan, I brought you a gift as well,” Shen Tian declared in a supercilious tone.

”I heard rumors that you have been procuring medicinal herbs lately. After searching high and low in Chuzhou with my connections, I finally found a ginseng root that is over a hundred years old.” Shen Tian took out an exquisite gift box and handed it to Yan Ruoxue.

Yan Ruoxue took the gift box with an impassive look.

Upon seeing that, Shen Tian felt a little disappointed. But he was not a quitter. He asked, “Miss Yan, don’t you want to take a look at it?”

”Is there a need for that?” Yan Ruoxue declined euphemistically.

”Miss Yan, I think you should at least take a peek,” Qin Yu suggested enthusiastically.

A ginseng root that was over a hundred years old was considered a sacred treasure to Qin Yu.

If Qin Yu were to attain one for himself, he could easily reach the third or even the fourth level of the Qi Refining Stage.

”Alright.” Yan Ruoxue nodded.

With that, she opened the sandalwood box.

A ginseng root could be seen inside of it.

”Look, dude. This is what you call a gift. Even the box itself is beyond your purchasing power, let alone the ginseng root inside,” Shen Tian bragged with a snobbish attitude.

Taking a glance at the ginseng, Qin Yu remarked, “My gift may not be extravagant, but it is a sincere one at the very least. Very unlike you, who calls a radish a ginseng root, yet still feels proud of himself.”

”Mr. Shen, should I consider you uneducated, or are you perhaps trying to fool Miss Yan?”

Color drained from Shen Tian’s face, and he exclaimed, “What do you mean?”

”What do I mean, you say?” Qin Yu grabbed the ginseng root.

”This is just an ordinary ginseng root that was artificially cultivated. Its medicinal effect is comparable to that of a regular radish.

”If the seller deceived you, then I could only say that you were ignorant.

”But if you did it on purpose, then you are essentially conning Miss Yan!”

Beads of cold sweats formed on Shen Tian’s forehead as Qin Yu let out a volley of remarks.

Chapter 32: Ten Million

Needless to say, Shen Tian already knew that it was an ordinary ginseng root. To him, there was no difference between a century-old ginseng root and a normal one. He believed it was all a mass marketing fraud.

With this mindset, he went to a random herbal pharmacy, purchased a regular ginseng root, and then kept it in an exquisite box.

It never crossed his mind that Qin Yu would reveal his trick.

”W-what nonsense are you babbling about?” Shen Tian stammered in panic.

”Miss Yan, please don’t listen to him. He’s trying to defame me,” Shen Tian defended himself as he turned to look at Yan Ruoxue.

Upon seeing that, Yan Ruoxue heaved a long sigh. She looked disappointed while holding the ginseng root in her hand.

At that, Shen Tian wiped off his sweat and tried to redeem himself, “Miss Yan, I really didn’t know that it was fake. P-please, let me explain...”

Disregarding Shen Tian, Yan Ruoxue turned to Qin Yu and said, “Well, I guess I should throw it away then.”

Yan Ruoxue threw the ginseng root into the trash can.

”Being poor is not a problem. The problem arises when you try to pass a counterfeit item as genuine. The mere thought of it is revolting,” Yan Ruoxue criticized.

Shen Tian was rooted to the ground as his face reddened.

His shoulders were quivering. It was unclear whether the tremble was due to anger or humiliation.

Looking at Yan Ruoxue, Qin Yu flashed a smile on his face.

Shen Tian gave Qin Yu a death glare, as if he would swallow the latter like a python.

”I need to tend to a few things. Please make yourself comfortable,” Yan Ruoxue said suddenly.

She then went up to the second floor, her secretary following closely behind.

There was a surveillance room on the second floor.

Yan Ruoxue was sitting before the monitors that played the live feed from the surveillance cameras. She was eager to see how the scene would play out downstairs.

”Miss Yan, t-there’s something that I don’t understand.” The secretary was confused.

”Don’t you think that you were being a little too merciless toward Shen Tian?” the secretary questioned in an upset tone.

Yan Ruoxue’s smile only broadened.

She raised her head, stared at her secretary, and clarified, “Do you seriously think that Shen Tian likes me? People of his caliber don’t usually like someone as an individual, but are rather in love with their family.”

The secretary furrowed his brows and queried, “I know that you favor Qin Yu. But why are you making enemies for him? This will only cause more conflict between Qin Yu and Shen Tian.”

Yan Ruoxue took a sip of tea and replied, “As I mentioned, Shen Tian is nothing but a stepping-stone for Qin Yu’s growth. That’s all there is to it.”

Shen Tian would have gone mad if he heard Yan Ruoxue’s words.

...

On the first floor, Shen Tian gave Qin Yu a dark look.

He stopped putting up an act and revealed his true, hideous self.

”Qin Yu, you are really something else, I’ll give you that. To think that you succeeded in winning the heart of Jingdu’s famous ice queen,” Shen Tian commented.

Qin Yu let out a laugh and mocked, “I’m nothing like you. I do not pull any tricks, unlike you. I’ve been treating her with sincerity. That’s it.”

Shen Tian snorted, “Qin Yu, please stop flattering yourself. You are not that noble. You are only getting close to Yan Ruoxue for her wealth and status. How does it feel like to live off a woman?”

”For her wealth and status?” Qin Yu raised his brows before replying sharply.

”Shen Tian, you are stealing my line. As far as I know, your family is not on the same level as her family. Tell me, why are you acting so ingratiating towards the Yan family?”

Shen Tian immediately scowled at Qin Yu after hearing the latter’s remarks. Shen Tian took a step forward and bellowed, “Qin Yu, you are just a commoner in my eyes! A vermin that I could easily destroy with a mere trample! Without the backing of the Yan family, you are nothing!”

”Who are you without the Shen family’s financial support?” Qin Yu asked.

Shen Tian chortled, “Listen carefully, Qin Yu! I was a gifted child at a very young age! My father sent me to the Chuzhou Region for training when I was eight! At age 14, I was sent overseas to further my studies! At age 21, I’ve already owned—”

”Alright. That’s enough,” Qin Yu interrupted Shen Tian’s words.

”Quit flaunting your inconsequential achievements! I’m tired of listening!” Qin Yu wagged his hand.

”Why, you little!” Shen Tian flushed with rage.

Gritting his teeth, he warned, “Hey dork, you would be better off staying away from Miss Yan! I swear you will suffer the consequences of my wrath if you get any closer!”

Qin Yu riposted, “I’m looking forward to it.”

Yan Ruoxue witnessed the entire exchange on the second floor.

A faint smile played on her lips as she pondered about what had happened.

...

Qin Yu headed straight home after leaving the Yan family’s manor.

There were about twenty Soul Nourishment Pills at his abode. After some consideration, Qin Yu decided to pass these pills to Lei Hu and let him sell them. It was something that could benefit the man.

With that, Qin Yu made a phone call to Lei Hu.

Around half an hour later, Lei Hu’s car came to a stop in front of the villa’s main door.

Lance had followed Lei Hu to Qin Yu's residence.

"Mr. Qin, how may I help you?" Lei Hu asked, trying to curry favor with Qin Yu.

Qin Yu crooked his fingers towards the pills on the table and explained, "This pill is called the Soul Nourishing Pill. It basically strengthens and nourishes our bodies. There are only twenty of them in the market. Yes, they are all here."

Glancing at the black pills on the table, Lei Hu could not figure out what Qin Yu was trying to imply at that moment.

Qin Yu continued, "Take these pills with you and sell them. Hmm. I'll collect only fifty thousand per pill from you. There is no price ceiling for this product, so you can decide how much you want to mark up the price."

The real value of the Soul Nourishment Pill undoubtedly exceeded fifty thousand each. Qin Yu sold them at such an affordable price so that Lei Hu could make a windfall for himself.

However, Lei Hu had a grumpy look on his face as he thought.

What? He is asking for fifty thousand dollars for one random black pill? Isn't this daylight robbery?

"Mr. Qin. isn't fifty thousand... Slightly overpriced?" Lei Hu asked tentatively.

Shooting him a look, Qin Yu remarked, "Mr. Lei, this is a good deal for you."

Lei Hu's expression immediately changed, as if an epiphany occurred to him.

Despite being reluctant, he paid the money for it without making a fuss.

For twenty pills, he paid a total of ten million in cash.

After getting into the car, Lei Hu lambasted, "I never expected Qin Yu to be such an unscrupulous person! What are these stupid pills, anyway? Is he crazy? Why is he selling these things for fifty thousand each?"

Lance frowned and asked, "Brother Hu, why did you agree to it?"

Lei Hu snorted, "You have no idea. These pills are just a facade. His real motive is to leech off me. It's a common tactic used by big shots."

Upon realization, Lance mumbled, "Did Qin Yu think that he is invincible now that he has the Yan family backing him?"

Lei Hu heaved a long sigh. "Men like us must keep a good rapport with people from all walks of life. Otherwise, things can get out of hand anytime."

He might look glamorous on the outside, but Lei Hu was constantly living life on a tightrope.

"Brother Hu, should we throw these pills away?" Lance questioned.

Lei Hu took a pill and put it inside his mouth. Then he snorted, “We will look for some suckers and make them buy these things from us, just like what Qin Yu did to us.”

Similar to how Lei Hu did not dare to reject Qin Yu, there were people who did not dare to refuse him either.

To Lei Hu, this was just how hierarchy works.

Chapter 33: The Challenge of Shen Tian

After Lei Hu consumed a pill himself, he separated the remaining pills into two.

He sold the first half to those who were asking favors from him. As for the second half, he gave them to the big shots in Jiangcheng as gifts.

Although the pills were inferior, the name of the Yan family was significant.

As someone who has been living on the streets for a long time, Lei Hu had countless ways to get rid of the pills.

That night, Lei Hu got it on with his arm candy as usual, and his physical condition was exceptional.

After Lei Hu was done, he rubbed his chin in thought while lying in bed. Could it be the work of that pill?

The following day, many people were already gathering in Lei Hu's house when he got out of bed.

The crowd was made up of Jiangcheng's entrepreneurs and some elites.

They all had one thing in common — they had all consumed the Soul Nourishment Pill.

They jumped to their feet the moment Lei Hu came into sight.

"Brother Hu, do you still have the pill from yesterday? I'm willing to pay one million for it!"

"Brother Hu, a friend of mine from Chuzhou wants that pill as well. Acquire a few for me, and the project in Chengxi will be yours."

"Brother Hu, you must keep at least one of those pills for me..."

Lei Hu was stupefied by the scene before his eyes. He was over the moon.

"Alright, sure! Don't worry, everyone! The supply of pills is sufficient!" Lei Hu was exhilarated as he did not expect the pills Qin Yu gave him to have such magical effects.

That day, Lei Hu scuttled towards Qin Yu's house.

"Mr. Qin, do you still have the Soul Nourishment Pill from yesterday? I want as many as possible!" Lei Hu requested in jubilation.

Looking at Lei Hu's reaction, Qin Yu nodded.

Clearly, the Soul Nourishment Pill was more popular than he expected.

"Come and get them a few days later. However, there will be an increase in price this time. I will be selling it at one million each," Qin Yu answered in a deep voice.

Lei Hu's lips twitched upon hearing that.

Even though it was a little costly, it was still within an acceptable range. Lei Hu agreed to the deal without hesitation.

"Speaking of which, is there any way that I can procure high-quality medicinal herbs?" Qin Yu queried.

"High-quality medicinal herbs?" Lei Hu squeezed his brows together.

After some thought, he continued, "Mr. Qin, you can try your luck at the auction in Nancheng. I heard that one of the rarest items in previous months was a 100-year-old Chinese Knotweed."

"An auction?" Qin Yu raised his brows.

After mulling over it, he nodded. "Okay. Got it."

Qin Yu had a stack of ten million at hand. The auction was definitely worth a visit.

The technique and medicinal herbs required to refine the Soul Nourishment Pill were straightforward and ordinary. Or else, it would have been arduous for Qin Yu to mass-produce them.

With that, the funding issues were solved temporarily.

At dusk, Yan Ruoxue made a phone call to Qin Yu.

Noticing her call, Qin Yu hurriedly picked up.

“Miss Yan, why are you calling me all of a sudden?” Qin Yu asked in bliss.

Yan Ruoxue replied, “Shen Tian is holding a business party. He invited me over, but I don’t feel like going. Do you want to go in my stead?”

“You want me to go?” Qin Yu was stunned and confused.

Qin Yu hated Shen Tian’s guts. He was quite reluctant to attend the party nor did he want to see the younger man.

“Why? Are you afraid?” Yan Ruoxue bantered, seeing that Qin Yu remained taciturn.

Qin Yu forced a smile. “Of course not. It’s just that...”

“Giving up on your first test?” Yan Ruoxue teased.

“Test?” Qin Yu immediately agreed when he heard that word, “Okay! I’ll go! Tell me the time and venue!”

Yan Ruoxue's mouth curved into a smile. "Seven in the evening at Riverside Villa."

"Okay! I'll be there on time!" Qin Yu said.

Since it was a test for him, Qin Yu would not let Yan Ruoxue down.

Besides, Qin Yu was relatively curious to know the ways of distinguished individuals.

At nightfall, Qin Yu took a taxi and headed towards Riverside Villa.

Riverside Villa was situated in the suburbs. Naturally, the landscape around that area was breathtaking. There was also a long, flowing river before the villa's main entrance.

By the time Qin Yu arrived at the destination, the place was already packed to the brim.

Although it was titled a business party, it was, in fact, a cocktail party.

There was an array of luxury cars parked outside the main entrance. Among them were the likes of Lamborghini, Ferrari, and other high-end vehicles like Bentley, Rolls-Royce, and so on.

The taxi that Qin Yu came with looked out of place.

"Hmm?" Qin Yu raised his brows the moment he got out of the car. Excitement flashed in his eyes — he had picked up on a wealth of spiritual energy in this area.

He did not expect the concentration of spiritual energy in nature to be so high here. It was even higher than that of the mountain base.

"This is a great location." Euphoria was written all over his face.

The cocktail party at the villa was already in full swing.. Many young girls in revealing clothing were tipsy and were dancing sloppily.

Chapter 34: The Cocktail Party of the Rich Kids

Staring at the clamorous crowd, Qin Yu furrowed his brows.

He was not fond of such an environment, so he searched for a desolate place and sat down.

Qin Yu then closed his eyes and began his breathing exercises.

The concentration of spiritual energy around this area was relatively high so Qin Yu would never miss the opportunity to take in as much Qi as possible.

At that time, Zhao Gang and Su Yan, who were invited to the cocktail party, arrived at the venue.

”Honey, I heard that the person hosting this cocktail party is some big shot. Shen Tian from Chuzhou, I think? Is he someone outstanding?” Su Yan whispered.

Zhao Gang snorted, “Would you listen to yourself? The Shen family is considered the elite among the elites in Chuzhou. They are leagues apart from us.”

Upon hearing that, Su Yan started contemplating.

”How do they compare with the Yan family?” Su Yan asked.

Zhao Gang frowned a little and heaved a sigh.

”The Yan family is from Jingdu. So, do you still think they are on the same level?” Zhao Gang shot her a look.

Zhao Gang then abruptly changed the topic by remarking, “Speaking of which, I heard rumors about Shen Tian’s infatuation with Yan Ruoxue. Hence, I presumed that he came here this time for Qin Yu.”

Su Yan was excited and questioned, “So, are you suggesting that Qin Yu is in a tight spot now?”

”Well, I guess you are right,” Zhao Gang replied.

”That’s awesome!” Su Yan exclaimed, jumping for joy.

”It rubs me the wrong way whenever I recount the fact that Qin Yu thought he had his own way,” Su Yan shrilled.

Even though Zhao Gang did not say a word, he seconded Su Yan’s remark.

Zhao Gang was displeased that a person who used to be unable to tie his shoelaces had now risen through the ranks to surpass him.

The crowd at the party was mostly made up of rich kids and gold-diggers who buttered up the former in an attempt to become their mistresses.

At the front row of the party, a white-haired young man whispered, “Mr. Shen, Qin Yu has arrived.”

Narrowing his eyes, Shen Tian chided, “Why is he here?”

After some contemplation, a cunning smirk ran across Shen Tian’s face.

”Since he had the guts to come uninvited, he should be prepared for the humiliation. Fret not, for we have an impromptu program,” Shen Tian stated with his eyes squinted.

”Do you want me to deal with him?” the white-haired young man asked tentatively.

Shen Tian shook his head and replied, “No, we’re not in a hurry. I want to humiliate him as much as I can first. Then, I’ll wipe the floor with him and let him know his place!”

The white-haired young man nodded before questioning in worry, “If we lay a finger on Qin Yu, wouldn’t Yan Ruoxue be furious? If that’s the case, things will get ugly.”

Shen Tian chortled, “Don’t sweat it. Yan Ruoxue is known to be an ice queen. We might have gotten the impression that Qin Yu has won her heart, but she would never concern herself with anyone.”

”That’s great to hear.” The white-haired young man heaved a sigh of relief.

What Shen Tian said was the truth. Yan Ruoxue was the center of the spotlight in Jingdu. The countless attempts of her admirers came up futile with her ruthless rejections. Some of them lamented that she had a heart made of stone.

However, Shen Tian totally underestimated the importance of Qin Yu to Yan Ruoxue.

...

Qin Yu sat in a corner, absorbing the spiritual energy around him as much as possible.

He had never encountered any place with such a high concentration of Qi.

"Mr. Qin?" a voice could be heard calling out.

Frowning, Qin Yu slowly opened his eyes and was met with the gaze of a young man, standing before him with a gentle smile.

That person was none other than the son of Jiangcheng's richest, Du Yuan.

"Fancy seeing you here." Qin Yu stared at Du Yuan in confusion.

Du Yuan queried with a courteous smile, "Do you mind if I sit here?"

"Suit yourself." Qin Yu nodded and closed his eyes again.

"Mr. Qin, please pardon me for overstepping, but could you please hear me out?" Du Yuan said.

Qin Yu heaved a long, silent sigh.

He had planned to focus on his cultivation initially, but it seems the current circumstance would not allow him to do so.

Thus, he resignedly gave up on it for the time being.

”You may speak your mind. You don’t have to be modest,” Qin Yu assured.

Du Yuan scanned his surroundings before murmuring to Qin Yu, “Mr. Qin, you have to leave now.”

”Leave?” Qin Yu lifted his brows, peering at Du Yuan in perplexity.

Du Yuan sighed, “I heard from a friend that Shen Tian feels animosity towards you.”

Qin Yu had anticipated that long ago, hence he was not in the slightest bit surprised. He nodded with a polite smile in response.

Upon seeing that, Du Yuan reminded, “Mr. Qin, you must not underestimate Shen Tian. His family is from Chuzhou.

”Also, I’ve heard that he even brought a skilled fighter with him today. So, please heed my advice and leave at once.”

After scrutinizing Du Yuan, Qin Yu asked in suspicion, “Mr. Du, I don’t remember being that close with you. So why are you telling me all these? Aren’t you afraid to be overheard by Shen Tian?”

Du Yuan smiled wryly and declared, “To be honest, I may be afraid of crossing Shen Tian, but I have despised him since day one!”

Exasperation was written all over Du Yuan's face as he spoke.

He went on, "Years ago, my father went on a business trip to the capital, and he came across the Shen family there.

"Do you know what Shen Tian said? He called us savages, jeering at us that country bumpkins like us should return to Jiangcheng!"

Du Yuan was burning with anger at the mention of this matter.

"Who is he to be so full of himself? Who does he think he is?" Du Yuan chastised.

At that, Qin Yu let out a chuckle.

It seemed like Shen Tian was a natural-born narcissist with a severe superiority complex.

"Mr. Qin, please don't mind my prattle, but it'd be best for you to leave now. Otherwise, Shen Tian will not let you off the hook so easily," Du Yuan exhorted.

Qin Yu answered with a smile, "Thanks for your advice.. But I'm not scared of him."

Chapter 35: The Shameless Su Yan

Du Yuan gaped at Qin Yu's words. Then he commented, "Well, yeah. You have Miss Yan's backing. Indeed, you don't have to be afraid of Shen Tian."

Qin Yu heaved a sigh upon hearing Du Yuan's remark.

To everyone, Qin Yu was just an incompetent bum flaunting his strong connection with the Yan family.

He knew it would be difficult to change people's perception of him within a short time.

After a few conversations, Qin Yu realized that Du Yuan was not a shady character. In fact, the latter seemed to be a knowledgeable man with good ideals, unlike the other rich kids.

"Mr. Qin!"

Qin Yu turned towards the voice's direction and caught sight of Lei Hu, who was dashing towards him.

Lei Hu said in delight, "I didn't expect to see you here!"

His presence came as a surprise to Qin Yu.

Considering Qin Yu's identity, he shouldn't have shown up to this cocktail party.

The three of them were sitting silently in an inconspicuous corner in the raucous environment.

As the party carried on, everyone fully indulged themselves in the moment, giving in to their hedonistic desires.

The whole cocktail party was in a tumult.

Soon, Shen Tian strolled in the direction of Qin Yu, the white-haired young man in tow.

”Mr. Qin, Shen Tian is coming,” Lei Hu hurriedly informed Qin Yu.

Nevertheless, Qin Yu remained taciturn with a deadpan face, as if he could not see Shen Tian.

In a blink of an eye, Shen Tian stopped before Qin Yu.

Glaring at Qin Yu, Shen Tian jibed, “Aren’t you a shameless prick to have come here uninvited, Qin Yu?”

Shooting him a gaze, Qin Yu riposted with a smug, “You seem to have misunderstood something here, Mr. Shen. I came here in Miss Yan’s stead.”

Shen Tian glowered at Qin Yu upon hearing that, nearly losing his cool. The white-haired young man next to him emanated a powerful killing intent.

Knitting his brows together, Qin Yu turned his glare to the white-haired young man.

As their gazes met, the murderous aura around them intensified.

”Hmmm. We have a familiar face here.” Shen Tian noticed Du Yuan, who sat next to Qin Yu.

After scrutinizing Du Yuan, Shen Tian patted his head and noted, “Oh, yes! I remember you! You are Du Yuan, right?”

Although feeling irked, Du Yuan bit the bullet and greeted the host, “Pleased to meet you, Mr. Shen.”

With a contemptuous look on his face, Shen Tian snorted, “As I recall, your family wanted to sign a deal with us, right?”

At Shen Tian’s words, awkwardness crept up on Du Yuan but he remained silent.

Shen Tian carried on, “Here’s the thing. I’m giving you a chance to close a deal with us today. But the condition is that you have to slap Qin Yu on his cheeks twice. How does that sound?”

Du Yuan’s face immediately turned sullen because he knew that Shen Tian was poking fun at him.

”You have been pleading with us to sign deals with our company, right? Why don’t you seize the opportunity presented before you?” Shen Tian taunted with a smirk.

Holding back his indignation, Du Yuan replied, trying to maintain his composure, “I’m sorry, but we are not lacking business partners as of now.”

Hearing that, Shen Tian’s expression turned glum.

”There goes your chance! You think you’re somebody now, eh?” Shen Tian snapped.

”I see. Not lacking business partners now, are we? I can make your family go bankrupt tomorrow! Mark my words!” Shen Tian threatened.

It was uncalled for to Du Yuan.

But he was not given any option. He had anticipated this would happen when he first sat next to Qin Yu.

"You can't put the blame on me. If anything, Qin Yu is the one responsible for this," Shen Tian accused.

"What an idiot!" Qin Yu mocked.

"Who are you calling an idiot? Are you tired of living?" the white-haired young man beside Shen Tian took a step forward menacingly.

"Who let the dogs out? The owner should put a leash on it," Qin Yu ridiculed after taking a sip from his glass.

"Why, you little!" The white-haired young man became furious and was about to land a blow on Qin Yu.

Shen Tian stopped him and turned to Qin Yu. A while later, he said with a sly smirk, "Qin Yu, rumor has it that your ex-wife had been cuckolding you for three years and you were kept in the dark the whole time. Is it true?"

The music playing in the background suddenly stopped as he spoke, resulting in everyone hearing the words coming out of his mouth.

Needless to say, he had meant for this to happen.

Qin Yu peered at Shen Tian without saying a word.

"So we're playing the silent game now, huh?" Shen Tian scoffed.

With a wave of his hand, his men immediately brought Su Yan and Zhao Gang over.

”Since you are being tight-lipped, someone else will help you to answer,” Shen Tian sneered.

He then turned to Su Yan and asked, “To be frank, I’m intrigued to know if you really did cuckold Qin Yu for three years. How did you do it?”

Su Yan had rehearsed the whole thing with Shen Tian earlier. Hence, she uttered shamelessly, “Yes, he had been cuckolded by me since the first day of our marriage.”

Everyone at the scene burst into laughter instantly. They were looking at Qin Yu mockingly.

Nevertheless, Qin Yu remained silently expressionless.

”Hey, I wonder if he even realizes it at all?” Shen Tian questioned.

Su Yan responded with a devious smile, “Well, Qin Yu had no dignity in my household back then. He would not dare to stand if I were to make him squat.

”As a result, he would not dare to question me even if I were to be home late.

”Furthermore, what could he possibly do even if he knew it? He might as well pretend to be ignorant.”

Chapter 36: This Slap Is Payback

The crowd burst out laughing, and the villa was filled with boisterous laughter.

Shen Tian appeared to be extremely pleased with the situation.

He gave Qin Yu a provocative look and said, “Gee, it’s really hard for me to imagine that a man can live such a humiliating life!”

“Yes, to be cuckolded for three years and still having to put up with it is too pathetic.”

“Qin Yu really lives a sh*tty life and is too spineless.”

The crowd’s mocking voices continued.

Looking at Qin Yu, Su Yan only felt a burst of pleasure!

With an icy expression on his face, Qin Yu couldn’t help but shake his head and said, “Su Yan, instead of being ashamed of yourself, you are proud of yourself? How do you manage to be so thick-skinned?”

Su Yan let out a light snort and said, “You are the one who should be ashamed, not me, so what do I have to be afraid of?”

Qin Yu couldn’t be bothered to talk to this kind of person.

He immediately closed his eyes and paid no more attention to them.

There was clamor from all around the room, and these voices were no doubt interfering with Qin Yu’s state of mind.

But no one imagined that at this moment, Qin Yu was actually meditating.

Faced with such taunting and not to mention humiliation, maintaining composure was proving extremely difficult.

Therefore, the spiritual energy around Qin Yu coalesced and collapsed many times before coalescing and collapsing again. Drops of sweat trickled down his forehead.

It was obvious that it was now becoming extremely taxing for Qin Yu.

“You think that if you pretend that you can’t hear us, it means it’s not happening?” Shen Tian continued to jeer, and he wasn’t the only one. Almost everyone had the same look on their face, and some even took out their cell phones and took pictures of the scene to post on the Internet.

Qin Yu forced himself to remain calm as he opened the pores of his body and breathed in the spiritual energy from his surroundings.

A few minutes later, he finally started to calm down.

It was as if he couldn’t hear the sounds around him and was immersed in his own world.

Wisps of spiritual energy slowly flowed into Qin Yu’s body as he breathed in and out.

“This fool thinks he can act deaf if his eyes are closed?” When Shen Tian saw this, he couldn’t help but snort softly.

The white-haired young man by his side frowned a little because he had the feeling that something was off with Qin Yu's breathing and exhalation, but he couldn't quite put his finger on it at the moment.

"Mr. Shen, Mr. Qin hasn't even talked back, so why don't you just forget about it?" Lei Hu rose and intervened.

Shen Tian sized up Lei Hu and said with a frown, "Who are you?"

Lei Hu hurriedly said, "My name is Lei Hu. I am Concordia Realty's CEO."

"Lei Hu?" Shen Tian pondered for a moment. Then he suddenly said with realization, "I remember now. You're the famous punk in Jiangcheng, right?"

"Yes, yes." Lei Hu was delighted and chuckled as he said, "I am surprised that you know about me. Mr. Shen, please do me a favor and let him go."

Shen Tian said with a smile as he looked at Lei Hu, "You want me to do you a favor?"

As soon as the words left his mouth, Shen Tian slapped Lei Hu's face!

A crisp slap resounded into everyone's ears!

"Who the h*ll are you to have the nerve to ask me for a favor? A lowlife bastard like you really considers yourself important?" Shen Tian snickered.

Lei Hu's face blushed with embarrassment.

Zhao Gang, on the other hand, was filled with glee.

He had asked Lei Hu to beat up Qin Yu in the past, but unexpectedly, Lei Hu did not do anything even after receiving the money.

Therefore, Zhao Gang had been holding a grudge against him for this.

When he saw Lei Hu suffering, he was naturally delighted.

Shen Tian reached out to give Lei Hu a couple of pats on the cheek and said in an indifferent voice, “Even a loser has the guts to demand attention? You want a favor, right? All right, kneel down and kowtow three times. I’ll grant you a favor then!”

After saying that, Shen Tian took a couple of steps backward and gestured for Lei Hu to kneel down.

Lei Hu’s expression was extremely unpleasant, and he was naturally unwilling to kneel down in front of so many people.

But if he didn’t kneel, Shen Tian would never forgive him!

“I’ll give you ten seconds, and if you don’t kneel down, I’ll break your legs,” Shen Tian said coldly.

“Kneel! Kneel! Kneel!” The people around them started to make a commotion, and the entire place was incredibly rowdy.

Lei Hu’s face was flushed, and he clenched his fists.

He gritted his teeth and wished he could kill Shen Tian!

“Are you going to kneel?” When he saw that Lei Hu wasn’t doing anything, Shen Tian’s expression became increasingly cold.

Lei Hu took a deep breath, and he said stiffly, “Mr. Shen. I... I’ll kneel.”

“That’s more like it.” Shen Tian smiled contentedly.

He waved his hand and gestured for Lei Hu to kneel down.

Lei Hu gritted his teeth, forcibly holding back the fury he felt bubbling inside as his legs slowly knelt toward the ground.

At the very moment his knees were about to make contact with the ground, a pair of hands suddenly grabbed him by the arms.

“Kneel for you? Are you worthy of it?” Qin Yu was holding Lei Hu with one hand, while his other hand swung toward Shen Tian!

With a crisp snap, Shen Tian’s lips cracked, and his lips were stained red with blood.

“This slap is payback on behalf of Lei Hu..” Qin Yu stated coldly as he looked at Shen Tian.

Chapter 37: No One Will Be Able to Rescue You Today!

The crowd at the scene gasped as they looked at Shen Tian, whose mouth was covered in blood!

Qin Yu actually had the guts to hit Shen Tian? And he struck so ruthlessly?

”This brat is dead meat!” Su Yan and Zhao Gang were ecstatic! They were well aware that Shen Tian would never let Qin Yu off the hook!

”Thanks a lot, Mr. Qin...” Lei Hu said gratefully.

Qin Yu did not say anything as he slowly stood up and gave Shen Tian a cold, hard look.

Shen Tian wiped the blood on his mouth and said with indignation, “You... You have the guts to hit me?”

Qin Yu replied coldly, “You insulted me numerous times and at first I didn’t take it seriously. However, not only did you not call it a day, but you became more aggressive instead. Do you really think I wouldn’t get angry?”

Shen Tian was so enraged that he roared, “I’ll kill you!” and rushed towards Qin Yu with clenched fists!

Shen Tian had been training in the Chuzhou Region since he was a child so was naturally not to be underestimated.

However, he was no match for Qin Yu.

Qin Yu easily dodged Shen Tian’s attack multiple times.

”Are you done fighting?” Qin Yu said, a cold smile on his lips.

Shen Tian stood gasping for breath at a distance, his rage intensifying the more he looked at Qin Yu.

”Since the fight is over, it’s now my turn.” Qin Yu sneered, then clenched his fist and swung it hard at Shen Tian.

Qin Yu punch was extremely quick and had such tremendous force! Even from a distance, one could sense the unrivaled force of his punch.

Shen Tian's expression changed and he quickly tried to dodge to his side, but was unfortunately too slow.

The punch landed solidly on Shen Tian's chest!

With a loud bang, Shen Tian took several steps backwards and landed on his bottom!

"Qin Yu, I'll kill you!" Shen Tian glared at him with rage.

Qin Yu frowned a little as he took a step forward and said coldly, "If people like you aren't taught a lesson, you'll never change."

"For the sake of Miss Yan, I will only break your arm today." Qin Yu slowly walked towards Shen Tian.

Shen Tian's face immediately grew pale. Since he was a child, no one had ever dared to hurt him, making him extremely brazen. Therefore, he didn't expect that Qin Yu was going to break one of his arms today.

At that moment, Qin Yu extended his hand to Shen Tian's arm.

"How dare you!"

At that very moment, the white-haired young man made a move.

With a furious bellow, he threw a punch at Qin Yu.

”You can’t do anything to stop me!” Qin Yu remained unfazed and reached out to meet him head on.

The two fists collided with a “bang”.

The white haired young man’s wrist broke instantly.

”This... How is this possible?” The white-haired young man looked down at his wrist incredulously.

Qin Yu snickered.

Right from the moment he saw the white-haired young man, Qin Yu could tell that this person was dangerous and that even he himself was no match for him.

Therefore, Qin Yu had prepared himself early, and in the midst of the crowd’s tirade of scorn, he gradually took his time to absorb the concentrated spiritual energy of the place.

Just a short while ago, he had successfully reached the third level of Qi Refining stage.

”If I hadn’t reached this new level, I really might not have been able to be his opponent.” Qin Yu couldn’t help but to secretly muse as he glanced at the white-haired young man.

This made Qin Yu lament that there was no telling how many experts these rich families had at their disposal.

”Now, it’s your turn.” Qin Yu turned around to look at Shen Tian coldly.

”Help me! Hurry up and help me!” Shen Tian was completely distraught. He could sense that Qin Yu was definitely not fooling around.

The white-haired young man gritted his teeth and rushed towards Qin Yu again.

Qin Yu didn’t even dodge, but instead punched him directly in the other arm.

With a sharp crack, the white haired young man’s arm was broken.

”Ouch!” The white-haired young man roared in pain as he tried to move both arms.

The crowd couldn’t help but gasp and move away to avoid getting caught in the crossfire.

”When did Qin Yu... become such a skilled fighter...” Even Su Yan couldn’t help but cover her mouth, an astonished expression on her face.

By this time, Qin Yu had already walked up to Shen Tian.

”No one will be able to rescue you today,” Qin Yu said menacingly.

”Qin Yu, if you try to lay your hands on me, my father won’t let you off the hook!” Shen Tian roared in terror.

He fell to the ground, and kept retreating backwards.

Faced with Shen Tian's threat, Qin Yu wasn't in the slightest bit intimidated.

He slowly raised his foot and stomped down on Shen Tian's arm.

Another crisp crack resounded, and Shen Tian's arm was broken into pieces.

"Ouch!" Shen Tian yelled out in pain.

Covering his arm, he roared in fury, "You son of a b*tch... How dare you break my arm... I'll kill you! I'll kill you!"

When he heard Shen Tian's furious snarl, Qin Yu couldn't help but frown.

He turned around.

"You really have a potty mouth." Qin Yu extended his hand to give Shen Tian a heavy slap on the mouth.

The slap was so heavy that it ruptured Shen Tian's lips and fractured his jaw.. He couldn't utter a single word.

Chapter 38: I' ve Shown You Too Much Respect, Right?

The scene was silent.

No one thought that things would escalate to this point.

No one expected Qin Yu to disregard the status of the Shen family and strike so hard.

At this moment, Qin Yu glanced at Su Yan with cold eyes and said, "I no longer have a relationship with you, so you'd better leave me alone. Otherwise...you will be responsible for the consequences!"

These words weren't only directed at Su Yan, but also at Zhao Gang.

When Qin Yu was gone, Su Yan couldn't refrain from sneering and saying, "You beat Shen Tian. I'll see how many more days you can act cocky for!"

Almost everyone had the same thought.

After stepping out of the villa, Qin Yu got into Lei Hu's car.

"Mr. Qin, you were awesome today!" Lei Hu gave him a thumbs up.

Qin Yu wasn't thinking about that, but the environment of this villa.

The spiritual energy here enabled Qin Yu to enter the third level of the Qi Refining stage with increased concentration. Therefore, this place was a mecca for Qin Yu.

Qin Yu secretly thought.

While heading back, Lei Hu whispered a caution, "Mr. Qin, you'd better go to Miss Ruoxue's place one of these days, or else...the Shen family definitely won't let you off the hook..."

Qin Yu looked at Lei Hu and said with a shake of his head, “I can’t trouble her with everything, not to mention...The Shen family is no big deal.”

The Shen family was very powerful but Qin Yu was unafraid.

He was a lone wolf, so what could the Shen family possibly do to him?

When Lei Hu saw this, he didn’t say anything further.

Later that evening, Shen Tian was brought to the hospital.

Unfortunately, the bones in his arm were so badly shattered that they had turned into dust, making it impossible to fix.

When Shen Tian found out about this, he was devastated.

”Do I have to be a cripple for the rest of my life...Qin Yu, I will kill you! I will kill you!” Shen Tian roared in rage.

The following day, news of the incident had spread throughout most of Jiangcheng.

Yan family manor.

”Qin Yu has guts! Because of his relationship with you, he can do whatever he pleases! He even dared to beat up Mr. Shen!” the secretary said indignantly.

Yan Ruoxue, however, didn’t take it to heart and was excited instead of upset as she watched the video recording of the incident.

”Miss Ruoxue, Qin Yu has only known you for a few days and he’s already causing all sorts of trouble everywhere. It will be even worse in the future,” the secretary muttered on the side.

Yan Ruoxue shook her head as she showed the video to the secretary and said, “What have you discovered?”

The secretary watched the video and mumbled after some scrutiny, “Miss, forgive me for my stupidity. I don’t notice anything unusual...”

Yan Ruoxue said with a soft smile, “In the face of so many people’s criticism and abuse, Qin Yu not only didn’t lose his temper but also managed to keep his cool.”

”This mentality alone is something that Shen Tian can’t rival,” Yan Ruoxue said with a smile.

The secretary muttered, “This is not a big deal. There are a lot of people with strong self-composure in Jingdu...”

”Yes, this is indeed not a big deal,” Yan Ruoxue said indifferently.

”Those people have been trained either by their families since childhood and have become accustomed to it, or their experience has come from age.”

”It only took Qin Yu a week to possess this resilient mindset, and a week ago, he was just an ordinary commoner,” Yan Ruoxue sounded slightly relieved.

The secretary was perplexed. He looked down on Qin Yu from the core. Therefore, regardless of what Yan Ruoxue said, changing his mind was difficult.

”From the looks of it, my grandfather was right. Qin Yu won’t disappoint me,” Yan Ruoxue laughed lightly.

The secretary muttered, “Miss Yan, but...he beat up Shen Tian. The Shen family will never forgive him, and you will have to explain...”

”Explain?” Disdain flashed in Yan Ruoxue’s eyes.

”Why should I explain? Do I need to explain to the Shen family?” Yan Ruoxue snickered coldly.

When the secretary heard this, he didn’t say anything further.

Meanwhile, Shen Tian’s father, Shen Yun, had rushed to Jiangcheng.

At the hospital, Shen Tian grabbed Shen Yun’s arm with a face full of tears.

”Dad, you must take revenge for me! I want him killed by a thousand stabs!” Shen Tian cried out.

”And there’s Yan Ruoxue. Without Yan Ruoxue’s backing, that kid would never have dared to be so brazen!”

When he saw his son in this state, Shen Yun was seething with anger!

”Son, don’t worry. I will avenge you!” said Shen Yun through gritted teeth.

”Rest well. I will make him suffer the consequences.” Shen Yun gave some instructions before he left the hospital and headed straight to the Yan family’s estate.

When she saw the furious Shen Yun, Yan Ruoxue wasn’t taken aback but smiled politely and said, “Uncle Shen, what brings you here?”

Shen Yun berated, “Yan Ruoxue, don’t bullsh*t me! My son came to Jiangcheng from the provincial capital to win you over, but what did you do? Instead of looking after him, you let him get badly hurt! What do you have to say about this incident?”

When she heard Shen Yun’s words, Yan Ruoxue’s expression gradually cooled down.

”I’ve shown you a lot of respect, but do you consider yourself some big shot?” Yan Ruoxue said in a cold voice. “I call you uncle because I’m polite, not because I’m afraid of you.”

”Shen Yun, who gave you the guts to raise your voice in front of me?”

Chapter 39: He Deserves It!

Shen Yun’s expression instantly turned awkward.

He immediately remembered the disparity in their status and a drop of sweat rolled down his forehead.

”Miss Yan, sorry, I was just too impatient...” Shen Yun wiped the sweat on his forehead and awkwardly said, “I hope you won’t take offense. Shen Tian is in the hospital and I was too anxious...”

When she saw Shen Yun’s expression, Yan Ruoxue didn’t seem bothered by it.

She smiled and said, “Uncle Shen, what is it that you came to see me about?”

Shen Yun felt frustrated.

He had intended to hold her accountable, but in this situation, how could he hold her accountable?

”You can rest assured,” Yan Ruoxue spoke up first.

”I won’t interfere in what happens between you and Qin Yu,” Yan Ruoxue said indifferently.

When he heard this, Shen Yun’s eyes immediately lit up.

He said with excitement, “Miss Yan, you...Are you serious?”

”Of course I am,” Yan Ruoxue said with a smile.

”I will neither help him nor help you, so you can settle things between yourselves,” Yan Ruoxue said.

Shen Yun was immediately over the moon!

He didn’t need anyone’s help at all to deal with Qin Yu.

If Yan Ruoxue doesn't intervene, it would be extremely beneficial for Shen Yun!

"Alright, Miss Yan, I'll excuse myself then." After Shen Yun bowed, he quickly left the Yan Family Manor.

...

At this moment, Qin Yu was at home searching through the memories of the inheritance in his mind.

This inheritance had contemporary mystical arts in addition to medical arts and cultivation methods, but Qin Yu had never used them.

Qin Yu thought to himself.

If he entered the Foundation Building Stage, or even the more advanced Monastic Period, curing a disease would be a piece of cake.

Afterward, Qin Yu spent the day refining ten Soul Nourishment Pills.

Later in the evening, Qin Yu called Lei Hu to his home.

"Here are ten Soul Nourishment Pills," Qin Yu handed the Soul Nourishment Pills to Lei Hu.

"Mr. Qin, are there only ten pills this time?" Lei Hu asked tentatively.

Qin Yu smiled and said, "One pill costs % 200,000 and you can have as many as you want. In addition to money, of course, you can also use herbs in exchange for them if they are more than twenty years old."

"All right, no problem," Lei Hu hurriedly nodded and said.

A short time after Lei Hu left, a surprise guest came to Qin Yu's house.

This person was the white-haired young man from the day before.

The white-haired youth had scars on his face and even had a cane.

"What are you doing here?" Qin Yu asked after glancing at him.

The white-haired young man replied, "Mr. Shen sent me here. He will be hosting a banquet at Riverfish House this evening."

"Oh really?" Qin Yu raised an eyebrow.

He pondered about it for a moment and said, "Alright, I will attend the banquet on time."

The white-haired young man nodded his head but had no intention of leaving.

"What? Do you still need something?" Qin Yu said with a frown.

The white-haired youth stewed for a moment and then asked, “I want to ask you a question. Last night, at Mr. Shen’s banquet, I saw you breathing in and out, and today, I specifically re-watched the video. It seems very extraordinary.”

This was a surprise to Qin Yu.

”You could tell what was going on?” Qin Yu was puzzled.

The white-haired young man said in a hushed voice, “I once saw someone who had a form of exhalation that supposedly repaired the five internal organs, from the inside out, and I feel that it resembles your method.”

Qin Yu was all the more amazed and it seemed that he was by no means the only person in this world who cultivated.

”I’m simply curious and don’t mean anything else.” When the white-haired young man saw that Qin Yu did not say anything, he nodded and left.

Qin Yu stared at his back as he left, and secretly thought,

...

When evening approached, Qin Yu headed for Riverfish House.

Despite everything, Qin Yu had broken Shen Tian’s arm, so he had prepared a Marrow Pill as compensation and an apology.

Of course, Qin Yu was doing it more for the sake of Yan Ruoxue. After all, he wasn’t well informed about the conflicts between these

families, not to mention whether the Yan family was afraid of the Shen family or not.

In no time, Qin Yu had arrived at Riverfish House.

Riverfish House was situated on the riverside and while its location was remote, it had a beautiful environment.

Today, the place was booked by Shen Yun.

Four bodyguards were standing at the entrance of the hotel and each of them seemed strong.

Qin Yu had just walked to the door when he was stopped by a few bodyguards.

"Who are you?" one of the bodyguards asked.

"Qin Yu," Qin Yu said without subservience.

The bodyguard nodded and made way to let him pass.

"Go in. Mr. Shen is waiting for you," the bodyguard said with a cold expression.

Qin Yu didn't hesitate and immediately walked in with large strides.

In the lobby of the hotel, there were more than ten bodyguards.

A man in a white suit was sitting at the front seat while feasting.

Qin Yu looked at him before walking forward and politely said, "Greetings, Mr. Shen."

Shen Yun looked up at Qin Yu with fury in his eyes.

”You’re Qin Yu? You have some nerve to dare to lay a hand on my son and break his arm!” Shen Yun said through gritted teeth.

Qin Yu explained, “It was Shen Tian who forced me to do so, otherwise I would have...”

”I don’t care what the reason is!” Shen Yun cut Qin Yu off.

He shook a stick in his hand and said in a cold voice, “I won’t spare anyone who dares to harm my son!”

As soon as the words left his mouth, Shen Yun picked the stick up and ruthlessly struck the white-haired youth’s knee!

With a crisp sound, the white-haired young man’s kneecap was instantly broken causing him to fall to the ground!

Shen Yun spat on the white-haired youth’s face and coldly said, “Useless trash. I asked you to protect my son, but you let him break his arm, so what use do I have for you?”

The white-haired young man was in agony but he didn’t say a word.

”Break his limbs and throw him out,” Shen Yun said in a cold voice.

”Yes!” The bodyguards by Shen Yun’s side immediately made their way toward the white-haired young man.

”Wait!” Anger surfaced on Qin Yu’s face.

”Your son was beaten by me, so what’s it got to do with him?”
Qin Yu said in a cold voice.

Shen Yun let out a light snort and said, “He didn’t protect my son, so he failed to do his job! If he failed to do his job, he should be punished!”

Qin Yu laughed coldly as he glanced at Shen Yun and said, “He failed to do his job by not protecting Shen Tian. Then if you failed to raise your son properly, would that be considered a failure to do your job properly?”

”How dare you say that!” Shen Yun immediately rose to his feet!

”Who are you to lecture me?” Shen Yun berated.

Qin Yu eyed Shen Yun coldly and said, “No wonder Shen Tian is so cocky and bossy. With a father like you, it’s not that surprising. Today, I’ll let you know that by breaking your son’s arm, I was going easy on him.. If he messes with me again, I’ll kill him!”

Chapter 40: Make the Shen Family Bankrupt!

Qin Yu’s words were so compelling that even the white-haired young man couldn’t help but look over.

Shen Yun laughed in anger as he pointed at Qin Yu and said, “Well, well! I never thought there would be someone who would dare to talk to me like this in such a little place like Jiangcheng!”

After saying that, Shen Yun threw the stick at Qin Yu’s feet.

”I’ll give you a chance to break your own legs and I’ll let this slide,” Shen Yun said in a cold voice.

Qin Yu glanced at the stick at his feet, and then kicked it violently.

The stick flew towards Shen Yun with a whoosh.

The stick grazed Shen Yun’s head and pierced the wall behind him.

The wall immediately broke and cracks like spider webs appeared.

Shen Yun’s expression grew increasingly cold as he said with a sneer, “I’ve given you a chance, and since you don’t cherish it, don’t blame me for being merciless.”

”Starting from tomorrow, all the people close to you will suffer!” Shen Yun’s expression was ruthless.

Qin Yu didn’t know many people and was practically a lone wolf.

Therefore, he wasn’t intimidated by Shen Yun’s warning.

”You can scam now,” Shen Yun waved his hand and said.

Qin Yu, however, stood there without moving.

Shen Yun frowned and rebuked, “I told you to get lost. Didn’t you hear me?”

Qin Yu paid no attention to Shen Yun, and instead looked at the white-haired young man and said, “Would you like to come with me?”

The white-haired young man couldn't help but freeze as he stared blankly at Qin Yu in disbelief.

”As a grown man, how can you live such a subservient life? Are you willing to stay as a dog by the side of such people, or do you want to live with dignity for the rest of your life?” Qin Yu asked in a cold voice.

The white-haired young man did not say anything as he lowered his head, and a conflicted look appeared on his face.

Shen Yun, who was quite amused, kicked the white-haired young man and said, “A dog is a dog and has no chance of becoming a human being.”

At that moment, the white-haired young man suddenly rose from the ground!

He gritted his teeth as he said, “Shen Yun, I've had enough of you!”

”When you face people who are more powerful than you, you kiss up to them. When you face less powerful people, you don't even treat them like human beings! I quit!”

After saying that, the white-haired young man furiously threw the suit he was wearing on the ground and approached Qin Yu.

Shen Yun's expression was cold and he waved his hand at once. His bodyguard instantly understood and grabbed a knife to stab the white-haired young man in the back!

Just as the knife was about to strike the white-haired young man, Qin Yu flicked his finger and the bodyguard's wrist was struck hard by something! The knife fell as well!

He turned his head and saw that it was a coin!

"Let's go." Qin Yu looked at the white-haired young man and supported him as he walked out of the hotel.

Shen Yun's expression was grim and he flipped the table over!

"I will never let him off!" A vicious look appeared on Shen Yun's face.

...

Qin Yu took the white-haired young man back to his residence.

After a short conversation, Qin Yu learned that the white-haired young man's name was Yao Qing, a bodyguard hired by Shen Yun at great expense.

"Thank you for saving my life twice, but unfortunately, I am now a cripple. I'm afraid I can't repay you." Yao Qing sat beside Qin Yu and appeared despondent.

Qin Yu gave him a look and took out a pill.

"Take this," said Qin Yu indifferently.

Yao Qing froze and said with a frown, “What is this?”

”Take it before you ask.” Qin Yu didn’t provide any explanation.

When Yao Qing heard this, he didn’t say anything further and immediately swallowed the pill.

This pill was the Marrow Pill that Qin Yu had refined.

He had planned to give it to Shen Yun as compensation, but after seeing Shen Yun’s disgusting attitude, Qin Yu changed his mind.

The moment the Marrow Pill entered his belly, Qin Yu reached out his hand and placed it on Shen Yun’s kneecap, and a surge of spiritual energy covered his palm.

Yao Qing felt a burst of soreness and itchiness at his knee, and the feeling was incredibly bizarre.

Half a minute later, Qin Yu removed his hand.

”Try taking a couple of steps,” said Qin Yu nonchalantly.

Yao Qing attempted to move his arms and legs, and then, to his surprise, he found that his broken leg had healed!

”This... How is this possible?” Yao Qing was astonished!

”Even the world’s best doctors don’t have the skills to do this...” Yao Qing was amazed.

But Qin Yu said with a light smile, “The world’s best doctors can’t be compared to me.”

He wasn't bluffing but was telling the truth.

After getting the cultivation method, Qin Yu had reached the ultimate level. He could even break the stars with one punch and raise the dead.

"Okay, I'm going to ask you a few questions now." At this point, Qin Yu glanced at Yao Qing.

Yao Qing hurriedly said, "I won't forget the kindness you have shown me, so if you have any questions, just ask!"

Qin Yu's eyes flashed with coldness.

"I need you to reveal to me everything about the Shen family, including their business, assets, and capabilities," Qin Yu said in a cold voice.

"I want the Shen family to lose everything." Qin Yu's voice, resolute and cold, was unwavering.

Qin Yu wanted to ask Yao Qing a lot of questions, but right now, what Qin Yu wanted to do most was to make the Shen family bankrupt!

Read My Rich Wife Online

Chapter 41: The Power of the Shen Family

Yao Qing didn't refuse. Although he had been a henchman of the Shen family, he had always looked down on the Shen family.

Therefore, Yao Qing told Qin Yu everything he knew.

"The Shen family's main source of income is from health care products, but rich people nowadays are more or less somewhat involved in the real estate industry," Yao Qing said.

"Health care products?" Qin Yu raised his eyebrows and couldn't help but sneer.

Wasn't this just right for him?

Any one of Qin Yu's pill formulas could bankrupt the Shen family!

"Mr. Qin, why don't you let the Yan family help you with this matter?" Yao Qing asked with some puzzlement.

"The Yan family can bankrupt the Shen family at the drop of a hat."

Qin Yu shook his head and said in a low voice, "You can't rely on other people for everything. Only if you have the ability can you win the respect of other people."

If he depended on Yan Ruoxue for everything, what right would Qin Yu have to go to the Yan family to propose marriage?

After living in the Su family for three years, Qin Yu knew very clearly that if they weren't equally matched, he wouldn't have any dignity.

“There is one more thing I want to ask you.” At this moment, Qin Yu continued.

“Who did you learn your ability from?” Qin Yu asked.

Yao Qing’s strength level was the strongest Qin Yu had ever seen.

Even Qin Yu, who was at the second level of the Qi Refining Stage, wasn’t his match.

Yao Qing was silent for a moment, then forced a smile and said, “I studied under the Southeast Sect, but unfortunately, I was too weak, so I was kicked out.”

“Too weak?” Qin Yu couldn’t help but be a little astonished.

Yao Qing was actually kicked out of the sect because he was considered weak, then how strong was the Southeast Sect?

Yao Qing continued to explain, “The Southeast Sect also trains Inner Strength, and my level is at most at the eighth stage of Inner Strength.”

“For the Southeast Sect, those below the master level of Inner Strength aren’t qualified.” Yao Qing’s expression was somewhat regretful.

This immediately aroused Qin Yu’s interest.

After the conversation, he learned that an Inner Strength master could only be considered a beginner in the Southeast Sect. There were also Inner Strength grandmasters and even martial grandmasters above them.

Those who were strong enough either dominated a region or went to a top-tier blue-blood family.

“In fact, Miss Yan should know more about this.” Yao Qing said.

This made Qin Yu feel a sense of crisis.

“It seems that I have to increase my strength as soon as possible,” Qin Yu thought to himself.

...

The next day, the Shen family released an important piece of news in Jiangcheng: every businessman who had dealings with Qin Yu were enemies of the Shen family!

Once this news was released, it caused a huge uproar.

In just one day, dozens of people went to visit the Shen family.

Most of these people were local businessmen in Jiangcheng. They all wanted to use this opportunity to curry favor with the Shen family.

Qin Yu didn't care much about it. He didn't know many businessmen to begin with, so the matter didn't have much to do with him.

In the evening, Qin Yu suddenly received a phone call.

This phone call actually came from Du Yuan.

“Mr. Qin, my father wants to invite you to dinner. I wonder if you are free tonight?” Du Yuan said very politely over the phone.

Qin Yu couldn't help but laugh. “Your father? I have no ties with your father. If you have something to say, just say it.”

Du Yuan said bitterly, “I really can't hide anything from you. My father wants to ask for your help. If it's convenient for you, let's meet and talk.”

Qin Yu thought for a moment and agreed, “Okay.”

Ten minutes later, Du Yuan personally drove to Dragon Paradise.

Du Yuan looked a bit haggard, and he was extremely listless.

When he saw Yao Qing, his expression changed.

“Mr. Qin, why is he here?” Du Yuan said with some vigilance.

Qin Yu smiled. He reached out and patted Yao Qing’s shoulder, saying, “He’s my man now.”

Du Yuan suddenly froze, as if he couldn’t understand.

“Let’s not talk about this.” Qin Yu waved his hand. “Let’s go.”

So, Qin Yu got into Du Yuan’s car.

Du Yuan drove a Mercedes-benz G63 that was quite posh and outshone almost all the cars in the neighborhood.

Just as the car was about to drive out of the neighborhood, a car suddenly came in.

Du Yuan frowned. Just as he was about to speak, he saw Zhao Gang roll down the window.

“Yo, isn’t this Mr. Du?” Zhao Gang said slyly.

Du Yuan frowned and said, “Zhao Gang? What’s the matter?”

Zhao Gang smirked mischievously and said, “Nothing much. I just heard that your family’s situation isn’t that optimistic. I heard that your business partners have terminated their contracts with you?”

Du Yuan’s expression was ice-cold and he didn’t say anything.

Zhao Gang said proudly, “Gee, President Shen is treating us to dinner tonight. I don’t think he invited you, right?”

“It’s none of your business. Move the car!” Du Yuan berated coldly.

Zhao Gang snorted and said, “Du Yuan, why are you acting so pretentious? President Shen has already given the word that he wants your family to go bankrupt! Do you still think your family is the richest one?”

Qin Yu, who was in the car, couldn’t help but frown.

He rolled down the car window, looked at Zhao Gang coldly and said, “Move the car. I don’t want to say it a second time.”

“Oh, Qin Yu is here too?” When he saw Qin Yu, the smile on Zhao Gang’s expression grew even wider.

Qin Yu didn’t say anything and directly pushed open the car door to get out.

Seeing this, Zhao Gang hurriedly climbed into the car and locked the car door.

“What? You want to hit me? Come, try hitting me,” Zhao Gang said slyly.

Qin Yu nodded. He reached out and grabbed the car door. Then, he suddenly exerted force, and the car door immediately let out a loud clatter!

In the next second, the locked car door was actually forcefully pulled down by Qin Yu!

Chapter 42: Qin Yu’s Mystical Arts

Zhao Gang stared blankly at the car door that had been pulled down and couldn't help but swallow hard.

Was he even human? He had actually pulled the car door down?

While he was still in shock, Qin Yu had already reached out and pulled him out.

"Qin... Qin Yu, take it easy. I was just joking with you..." Zhao Gang said with an embarrassed smile.

He had seen Qin Yu break Shen Tian's arm with his own eyes!

Seeing him like this, Qin Yu sneered and said, "I won't make things difficult for you. I'll give you a slap as a lesson."

After saying that, Qin Yu stretched out his hand and slapped his face.

Although Qin Yu went easy on him with the slap, it still made half of Zhao Gang's face swell up.

"Move the car away quickly," Qin Yu said with a cold expression.

Although Zhao Gang was angry deep down, he didn't have the guts to say anything. He could only suppress his anger and move the car to the side.

After Qin Yu left, Zhao Gang angrily scolded, "Who do you think you are? If Yan Ruoxue leaves Jiangcheng, you'll be a laughing stock to everyone!"

Then, Zhao Gang couldn't help but lament, "When will Yan Ruoxue leave..."

Although Yan Ruoxue had kept a low profile recently, she gave everyone immense pressure and kept them on edge.

Even the Shen family didn't have the guts to cross her.

...

The car drove all the way to the Du family's home.

As the richest family in Jiangcheng, the Du family was naturally wealthy, and the house they lived in was extremely luxurious.

However, as soon as Qin Yu entered the Du family's front door, he felt a chilly atmosphere.

"Huh?" Qin Yu couldn't help but frown.

The entire Du family seemed to be surrounded by an ominous aura.

"Mr. Qin, what's wrong?" Du Yuan asked.

Qin Yu shook his head and said, "Nothing."

After the car was parked, the two of them walked into the living room.

"Mr. Qin, please wait for a moment. I'll go call my dad," Du Yuan said politely.

He ordered a servant to pour a glass of water for Qin Yu and hurried upstairs.

A few minutes later, Du Yuan and his father, Du Hengsheng, came down.

An old man with a white beard followed them.

"Mr. Qin." Du Hengsheng walked up quickly and shook hands with Qin Yu.

Qin Yu looked at Du Hengsheng and couldn't help but frown.

Du Hengsheng's expression was pale, his lips were purplish, and his temples were dark. He looked very ill.

Most importantly, Qin Yu couldn't feel any sense of vitality from him.

"Are you not feeling well, Mr. Du?" Qin Yu asked casually.

Du Hengsheng sighed and forced a smile. "Yes, I've been experiencing all sorts of troubles lately."

"Dad, Mr. Qin is also a doctor. You can ask him to examine you," Du Yuan said quickly.

Du Hengsheng waved his hand and said, "I'm not sick..."

At this point, Du Hengsheng said apologetically, "Mr. Qin, if you're not busy, can you wait for a moment?"

Qin Yu nodded and said, "It's okay. You may go ahead."

"Thank you." Du Hengsheng nodded quickly.

Then, he looked at the old man in white beside him and said, "Lu Sr., thank you for your trouble."

The old man who was called Lu Sr. smiled and said, "Don't worry, I have found the problem."

Du Hengsheng was immediately delighted and quickly said, "Please explain, Lu Sr.!"

Lu Sr. said calmly, "You have been in poor health recently. You consulted many doctors without avail. This is caused by Feng Shui."

"Mr. Du, go to the west wall of the bedroom now and see if there are any sharp objects," Lu Sr. continued to say.

Du Hengsheng didn't delay and hurriedly walked in the direction that Lu Sr. had told him to.

A few minutes later, Du Hengsheng came back with a broken vase.

"There really are! This vase has been in the cabinet the whole time. I don't know how it broke," Du Hengsheng said with some shock.

Lu Sr. laughed and said, "This is the crux of the problem. Having a broken object in the house is a big taboo."

Du Hengsheng reached out and held Lu Sr.'s hand. He said excitedly, "Thank you, Lu Sr.. You are indeed a Feng Shui Master!"

Lu Sr. took out some coins and handed them to Du Hengsheng. He smiled and said, "Hang this in the position just now. Remember, take it down and bury it three days later. I guarantee that your health will be restored."

"You have enlightened me, Lu Sr.. Thank you, Lu Sr.!" Du Hengsheng looked excited.

"I don't think this is the crux of the problem," at this moment, Qin Yu suddenly said.

As soon as he said this, things immediately became a bit awkward.

Lu Sr.'s expression darkened. He was extremely dissatisfied with Qin Yu's interruption.

"Mr. Qin, Lu Sr. is a famous Feng Shui master in Jiangcheng. His words are trustworthy," Du Hengsheng hurriedly tried to smooth things over.

Qin Yu stood up and said, "Lu Sr., I don't mean to disrespect you. It's just that... This vase is definitely not the key to the problem."

Lu Sr. said unhappily, “Who are you?”

“Lu Sr., this is Qin Yu, Miss Yan’s man,” Du Hengsheng said quickly.

However, Lu Sr. didn’t show him any respect at all. He said coldly, “No matter who he is, he can’t just spout nonsense!”

Qin Yu shook his head helplessly and said, “Lu Sr., I’m definitely not spouting nonsense. Everything I said is true.”

Du Hengsheng was a little unhappy about this.

However, he had a favor to ask from Qin Yu, so he didn’t have the guts to lose his temper.

“Mr. Qin, you don’t know Feng Shui. Lu Sr. is the master in this aspect,” Du Hengsheng tried his best to remain polite.

Lu Sr. waved his hand. He glanced coldly at Qin Yu and said, “You said that this vase isn’t the key to the problem. Then I’d like to hear your brilliant theory!”

Qin Yu didn’t stand on ceremony. He pointed to the courtyard outside and said, “The real problem is in the courtyard.”

After saying that, Qin Yu stood up straight and strode into the courtyard.

Lu Sr. snorted and immediately followed him out.

“What’s wrong with Qin Yu?” Du Hengsheng couldn’t help but frown.

Du Yuan forced a smile and said, “Dad, maybe Mr. Qin really knows...”

“Understand my *ss! How can there be someone who is an expert in all aspects in this world?!” Du Hengsheng snorted coldly.

Even so, he still followed him out.

Qin Yu didn't stop until he reached the center of the courtyard.

He raised his head to look at the sky, then stepped on the ground with his foot. Then he said, "The problem lies here."

Hearing this, Lu Sr. couldn't help but laugh. "Young man, do you know Feng Shui or not? What problem can there be here?"

"I don't know anything about Feng Shui," Qin Yu said with a smile.

"But I do know mystical arts."

After that, Qin Yu looked at Du Hengsheng and said, "Mr. Du, find someone to dig from here."

Du Hengsheng said awkwardly, "Mr. Qin, I don't think there's a need for that, right?"

"Dig. Trust me," Qin Yu said with a smile.

Du Hengsheng had no choice but to wave his hand and call a few people over.

"Then... how many feet should we dig?" Du Hengsheng asked tentatively.

Qin Yu shook his head and said, "I don't know either. Dig until you find something.."

Chapter 43: Southwest Fury Soul Technique

Qin Yu's words made Lu Sr. laugh.

He didn't even know how many feet to dig, yet he still dared to boast?

Du Hengsheng's expression was also somewhat unhappy. He had seen many sons of important figures who used their connections to do whatever they wanted and shot their mouths off.

Most importantly, the people around him had to play along.

In Du Hengsheng's eyes, Qin Yu was this kind of person.

He had never been interested in rich playboys.

But now that he had a favor to ask Qin Yu, Du Hengsheng could only wave his hand and say, "Do as Mr. Qin says."

The few of them took shovels and began to dig down.

One foot, two feet, three feet...

Soon, a big hole appeared in front of everyone.

However, other than the soil, there was nothing unusual in the hole.

Qin Yu stared at the hole, and the ominous feeling became more and more intense.

"Mr. Du, do you still want to continue digging?" A few workers wiped their sweat and said tiredly.

Du Hengsheng didn't answer. Instead, he looked at Qin Yu and said, "Mr. Qin, do they still need to continue digging?"

"I don't think there's a need for that," Lu Sr. snorted.

"Some people are taking advantage of their connections to do whatever they want. I don't have the time to play along," Lu Sr. said with a hint of arrogance.

Qin Yu pointed at the hole and said, “Continue digging until you find something!”

“Mr. Qin, we’ve already dug four feet, and we haven’t seen anything. Are we going to dig through the earth?” Du Hengsheng said unhappily.

“Continue digging,” Qin Yu said calmly.

At this time, Lu Sr. took a step forward and berated him coldly, “What if we can’t dig anything out?”

Qin Yu glanced at him and said, “If we can’t dig anything out, I’ll eat this pile of soil.”

“Okay!” Lu Sr. waved his hand and said, “If we can dig something out, I am willing to acknowledge you as my master!”

“It’s a deal,” Qin Yu said with a smile.

They continued to dig down the ground, and in the blink of an eye, they dug another foot.

This time, even the workers were a little impatient.

“Mr. Du, how much longer do we have to dig?” A worker asked curiously.

“We can’t keep digging like this...”

Du Hengsheng waved his hand and said, “Dig, dig, sigh.”

The workers had no choice but to continue digging.

“Kid, my time is very precious. I don’t have time to play along with you.” At this time, Lu Ning snorted.

“On account of your young age, you don’t have to eat that pile of soil. But you have to remember that there is always someone better than you. Don’t think too highly of yourself!” Lu Ning waved his sleeve and turned to leave.

Qin Yu didn’t say anything. He just stared at the bottom of the cave.

At this moment, the workers’ shovel suddenly made a crisp sound, as if it had touched something hard.

“Mr. Du, we dug something!” One of the workers shouted.

Hearing this, everyone quickly surrounded him.

A few workers quickly took out an iron box from the cave.

“Hurry up and bring it up!” Du Hengsheng said hurriedly.

The workers didn’t dare to waste time and quickly brought the box up.

Lu Ning, who was about to leave, also stopped and turned back.

“This is it.” Qin Yu stared at the box and frowned.

“Open it,” Qin Yu pointed at the box and said.

They quickly opened the box according to Qin Yu’s instructions.

The moment the box was opened, a bloody smell assailed their nostrils.

Inside the box was a black knife with traces of blood on it.

“What... What’s going on?!” Du Hengsheng’s face was pale and full of fear.

“Get out of the way!” Lu Ning took a step forward. He reached out his hand and touched a trace of blood, sniffed it, and then his expression changed!

“This... This is a mixture of black dog’s blood and corpse oil!” A serious look appeared on Lu Ning’s face.

“Black dog’s blood, corpse oil, machete... Southwest Fury Soul Technique?”

“What a vicious technique. This... would have taken Mr. Du’s Life!” Lu Ning muttered in a low voice.

When he heard this, Du Hengsheng’s expression became even more unsightly!

“Lu Sr., who... who did this? !” Du Hengsheng asked in a trembling voice.

Lu Ning shook his head and said, “I don’t know either.”

“Then what should I do now?” Du Hengsheng, his tone filled with fear, grabbed Lu Ning’s wrist.

Lu Ning couldn’t help but laugh bitterly and said, “Mr. Du, perhaps you should ask Mr. Qin about this....”

Chapter 44: Lack of Foresight

Du Hengsheng suddenly thought of Qin Yu.

He hurried to Qin Yu’s side, cupped his hands, and said, “Mr. Qin, you must help me...”

Qin Yu looked at Lu Ning and smiled. “Perhaps Lu Sr. is more professional in this kind of thing.”

Lu Ning couldn't help but force a smile and said, "Mr. Qin, please forgive me for my ignorance."

"Lu Sr., you're too polite. I just got lucky. In terms of professional knowledge, I can't compare to Lu Sr.," Qin Yu said politely.

This made Lu Sr. sigh.

To be so humble at such a young age was really admirable.

"This boy's future is definitely full of potential," Lu Ning thought to himself.

Then, Lu Ning walked to Qin Yu's side, bowed and said, "I've said that if I can really dig up something, I, Lu Ning, am willing to take you as my master."

Hearing this, Qin Yu immediately said with some fear, "Lu Sr., I can't afford that. Everyone learns from each other. There is no difference in rank."

This immediately made Lu Ning feel grateful.

He was almost 70 years old. It was indeed inappropriate for him to call Qin Yu a teacher.

Therefore, Lu Ning bowed and said, "Mr. Qin, if there is anything you need help with, just let me know!"

"Okay." Qin Yu nodded and agreed.

Lu Ning spent half an hour dispelling the sorcery.

He didn't stay any longer and left the Du family in a hurry.

Qin Yu, Du Hengsheng, and Du Yuan returned to the living room. Du Hengsheng said with gratitude, “Mr. Qin, you saved my life. I, Du Hengsheng, will definitely remember this favor!”

After saying that, Du Hengsheng took out a bank card and handed it to Qin Yu.

“There is one million in here. Although it isn’t a lot, it is a token of my appreciation. Please accept it, Mr. Qin,” Du Hengsheng said with a smile.

Qin Yu didn’t stand on ceremony and immediately put the bank card into his pocket.

“Mr. Du, why did you ask me to come here this time?” Qin Yu took the initiative to ask.

Du Hengsheng forced a smile and said, “To tell you the truth, I really have something to ask you for help.”

“Under the suppression of the Shen family, many of our company’s partners have announced the unilateral termination of their contracts. Many of the projects of the Du family have been terminated,” Du Hengsheng sighed.

“It has only been one day, but the Du family is already in a pinch and the Shen family has no intention of leaving. I’m afraid the Du family will be in even more trouble.”

Qin Yu couldn’t help but lament the Shen family’s strength. Even the richest man in Jiangcheng was unable to retaliate, so let alone the others?

Qin Yu was silent for a moment and said, “Although I sympathize with you, I don’t think I can be of much help in this matter.”

Du Yuan, who was at the side, smiled and said, “Mr. Qin, as long as you give us a share of the project in your hands, our family will be able to revive.”

Qin Yu was stunned. He said awkwardly, “Project? When did I have a project...”

Du Yuan said in surprise, “Mr. Qin, don’t you know? Miss Yan said that all the investment of the Yan family in Jiangcheng will be up to you.”

“Yes, as long as you agree, our family will be able to get the Yan family’s project,” Du Hengsheng also nodded and said.

“Although the Shen family is strong, they definitely won’t dare to get their hands on the Yan family’s project.”

After saying that, Du Hengsheng stood up and bowed to Qin Yu. He said with a slightly pleading tone, “Mr. Qin, you are the only one who can help us now. Otherwise, our family will definitely go bankrupt...”

Qin Yu was a little surprised. He had never thought that Yan Ruoxue would hand over the authority of the Yan family’s investment to him.

Moreover, it was obvious that not many people knew about this news. Otherwise, there would be tons of people knocking on Qin Yu’s door.

Qin Yu didn’t say anything for a moment. Instead, he sat there and pondered for a moment.

“I have a better business,” Qin Yu said at this moment.

Du Hengsheng was stunned. He said with some surprise, “A better business?”

Qin Yu nodded and said, “That’s right. The Shen family made their fortune with health products. I have a better product in my hands.”

At the moment, the Soul Nourishment Pill needed a strong company to act as an agent. Lei Hu definitely didn’t have those capabilities.

As the richest family in Jiangcheng, the Du family was the best candidate.

Qin Yu took out a Soul Nourishment Pill from his pocket and put it on the table.

“I can give this medicine to your family as an agent. I can also tell you that this medicine will definitely become popular. Using it to deal with the Shen family, or even surpassing the Shen family, won’t be a problem!” Qin Yu’s tone was filled with confidence.

As long as the price was kept down and sold on a large scale, the Shen family wouldn’t be a match against it at all.

However, Du Hengsheng didn’t think so. In his opinion, this medicine wasn’t reliable at all.

Therefore, Du Hengsheng said tactfully, “Mr. Qin, if it’s possible, you... you’d better give us a project... we really don’t have it in us to enjoy this medicine...”

Although Du Hengsheng didn’t say it explicitly, his meaning was very obvious.

Du Hengsheng didn’t care about the Soul Nourishment Pill at all.

Qin Yu sighed slightly. He put away the Soul Nourishment Pill and said, “If that’s the case, then fine. Come to me with the contract tomorrow.”

“Good, good. Thank you, Mr. Qin!” Du Hengsheng’s face was instantly filled with excitement.

He suddenly didn’t realize that he had inadvertently missed an excellent business opportunity.

This also made Qin Yu feel regretful for Du Hengsheng.

“In that case, I’ll leave the Soul Nourishment Pill to Lei Hu for the time being,” Qin Yu thought to himself..

Chapter 45: Soul Nourishment Pill

After leaving the Du family, Qin Yu asked Lei Hu to prepare a large number of herbs.

After that, he prepared to refine the Soul Nourishment Pill.

To Qin Yu, the Soul Nourishment Pill barely had any cost, and the price could easily be lowered.

For three days, Qin Yu barely rested. He spent all his time refining the Soul Nourishment Pill.

During these three days, Yao Qing was in charge of guarding Qin Yu to prevent anyone from disturbing him.

Three days later, Qin Yu successfully refined more than three hundred Soul Nourishment Pills.

Looking at the pills placed in front of him, Qin Yu wiped the sweat from his forehead.

Currently, to Qin Yu, these three hundred plus Soul Nourishment Pills were extremely taxing and he looked much more haggard.

“I believe these three hundred Soul Nourishment Pills are enough to give the Shen family a blow,” Qin Yu thought to himself.

“Mr. Qin, what kind of pill is this?” Yao Qing couldn’t help but ask.

Qin Yu casually took one and threw it to Yao Qing. He smiled and said, “Try it.”

Yao Qing didn’t even look at it and directly stuffed it into his mouth.

A moment later, Yao Qing felt refreshed all over, and all his fatigue was swept away!

“This... What kind of pill is this?” Yao Qing’s face was full of shock, and his mouth was agape.

Qin Yu smiled and said, “This is called the Soul Nourishment Pill. In short, it is beneficial to the body.”

This made Yao Qing admire Qin Yu even more.

“Not only has Mr. Qin mastered the extraordinary breathing exercise, but you also have such outstanding alchemy skills...” Yao Qing said with a face full of admiration.

Qin Yu smiled and said, “If there is an opportunity in the future, I will teach you this breathing exercise method.”

“Thank you, Mr. Qin!” Hearing this, Yao Qing was overjoyed!

“Oh, right.” Yao Qing suddenly thought of something.

“Miss Yan came yesterday. I wonder what the matter is,” Yao Qing said.

At the mention of Yan Ruoxue, Qin Yu felt his tiredness disappear instantly, and a smile appeared on his face.

“Rumor has it that when you think of someone you like, you will subconsciously smile. So it’s true,” Yao Qing joked at the side.

“Screw you.” Qin Yu rolled his eyes at Yao Qing.

Then, he took out his phone and called Lei Hu.

About half an hour later, Lei Hu hurriedly drove to Dragon Paradise.

Qin Yu handed the Soul Nourishment Pill to Lei Hu and then said, “The price of these three hundred pills should be cheap, about three hundred yuan per pill.”

Lei Hu was stunned. He said somewhat awkwardly, “Three hundred Yuan for one pill? Isn’t... isn’t this too cheap? Previously, it was one million yuan for one pill...”

“Do what I ask you to do,” Qin Yu said coldly.

Then, he handed these three hundred pills to Lei Hu.

Lei Hu held the pill, and he got an idea.

He thought to himself, “As long as I do a good job of keeping it a secret, when the time comes, I will sell it at a higher price and he definitely won’t know.”

Thinking of this, Lei Hu held the pill and was about to leave.

“Wait.”

At this moment, Qin Yu suddenly called out to Lei Hu.

In the next second, Qin Yu took a step forward and reached out to grab Lei Hu’s neck, lifting him into the air!

Lei Hu struggled with all his might, but he found that he couldn't break free at all!

Qin Yu's palm was like an iron pincer and he was unable to move!

Soon, Lei Hu felt that it was difficult to breathe, and his face instantly flushed!

"You'd better not think of any shady ideas. You'll only make money if I let you," Qin Yu said coldly.

"I... I know..." Lei Hu said these few words with difficulty.

Qin Yu let go of Lei Hu, and Lei Hu sat down on the ground.

He wiped the sweat from his forehead and felt a chill on his back!

Lei Hu was certain that Qin Yu might have really killed him just now!

"I... I'm sorry, Mr. Qin..." Lei Hu wiped the sweat from his forehead and said with some lingering fear.

Qin Yu glanced at him and said indifferently, "Don't worry, as long as you are obedient, I will never let you suffer a loss."

Lei Hu hurriedly nodded and said, "Thank you, Mr. Qin. Thank you, Mr. Qin..."

"You can go now." Qin Yu waved his hand.

Lei Hu didn't stay any longer and quickly left the place.

Qin Yu knew very well that he had to use both kindness and power to make a sly fox like Lei Hu obedient. Otherwise, he could backstab him at any time.

“Next, I should prepare to go to the auction. I just don’t know if ten million is enough.” Qin Yu thought to himself.

Since ancient times, cultivation had always been extremely costly.

At this moment, Qin Yu deeply understood this sentence.

There was still half a month left before the auction, so Qin Yu wasn’t in a hurry.

After Lei Hu left, Qin Yu fell asleep.

He slept for three whole days.

In these three days, the Soul Nourishment Pill had already circulated more than half of Jiangcheng!

Without any publicity, the Soul Nourishment Pill had practically spread through the entire city!

In an instant, Lei Hu became a popular person! He used this opportunity to quickly establish a health product company.

And the Shen family also quickly received this news.

“Mr. Shen, this is the Soul Nourishment Pill.” In Shen Yun’s office, Zhao Gang handed the Soul Nourishment Pill to Shen Yun with a fawning expression.

Shen Yun caressed the pill and couldn’t help but snort, “Is this pill really that miraculous?”

“It’s true!” Zhao Gang said hurriedly.

“I heard that many high-level figures in the city are fighting for this kind of pill.”

Shen Yun frowned. He stroked his chin and said in a low voice, "If I can obtain the formula for the Soul Nourishment Pill, the Shen family will definitely be able to rise to a higher level. By then, it won't be a problem for us to expand out of Chuzhou!"

Thinking of this, Shen Yun looked at Zhao Gang and said, "Where did this Soul Nourishment Pill come from?"

Zhao Gang quickly said, "Rumor has it that it came from Lei Hu!"

"Lei Hu? You mean that lowlife?" Shen Yun couldn't help but show a hint of contempt on his face.

"Yes, it's him!" Zhao Gang hurriedly nodded and said.

Shen Yun couldn't help but sneer as he said, "Does someone like him deserve the Soul Nourishment Pill?"

Chapter 46: The Regretful Du Hengsheng

Hearing Shen Yun's words, Zhao Gang hurriedly nodded.

Zhao Gang, wanting to cooperate with Lei Hu and obtain the rights to represent the Soul Nourishment Pill, had gone to look for Lei Hu before this.

But he didn't expect that not only did Lei Hu not agree, but he even got someone to throw him out.

So, in a fit of anger, Zhao Gang, wanting Shen Yun to punish Lei Hu, told Shen Yun this matter.

"Yes, why does Lei Hu deserve to have the Soul Nourishment Pill?!"
Zhao Gang nodded repeatedly.

Shen Yun snorted lightly and said, “Looks like I have to find time to talk to Lei Hu.”

When Zhao Gang heard this, he got an idea, and then he said slyly, “President Shen, Lei Hu values the Soul Nourishment Pill more than his own life. I feel that it would be difficult for him to hand it over to you.”

Shen Yun glanced at him and sneered as he said, “He only has two options. Either hand over the Soul Nourishment Pill or die. Which one do you think he will choose?”

Zhao Gang was immediately overjoyed. An expression of having succeeded in his evil scheme appeared on his face.

“President Shen, on account of me telling you the news, can you give me a proxy when the time comes?” Zhao Gang rubbed his hands and said with an embarrassed smile.

“As long as you are obedient, that won’t be a problem,” Shen Yun said nonchalantly.

Although the Shen family was prominent, their foundation was still in the provincial capital.

Now that they had come to Jiangcheng, they indeed needed a few henchmen.

Zhao Gang was the right candidate.

“Thank you, President Shen!” Zhao Gang was overjoyed and thanked him repeatedly.

After Zhao Gang left, Shen Yun made a phone call and was ready to find Lei Hu.

On the other hand, Qin Yu was sitting in the courtyard of the villa while basking in the sun.

He was waiting for the Soul Nourishment Pill to take the entire Jiangcheng by storm.

“Things will change in Jiangcheng very soon.” Qin Yu’s lips curled into a smile.

...

With the help of Qin Yu, Du Hengsheng obtained the Yan family’s project.

These few days, Du Hengsheng spent almost all his time eating with his superiors.

Today was no exception.

At the dinner party, everyone was drunk.

At this moment, the mayor of Jiangcheng suddenly said, “I don’t know if you’ve heard, but recently, a medicine called the Soul Nourishment Pill has been released in Jiangcheng. Everyone is scrambling to buy it.”

Du Hengsheng smiled and said, “Mayor Li, I’ve also heard a little about it. By the way, what exactly is this Soul Nourishment Pill?”

Mayor Li immediately said, “This Soul Nourishment Pill is really miraculous. One pill can strengthen one’s health. If taken for a long period of time, it can prolong one’s life!”

“That’s right. Now, almost everyone affluent in Jiangcheng has one pill,” the others echoed.

“Sigh, it’s a pity that this kind of medicine is too rare. It’s gone now.”

“Lei Hu used this Soul Nourishment Pill to transform himself. He went from a lowlife to a high-class businessman. God knows how many companies are begging him for the rights to act as an agent.”

Du Hengsheng was also interested.

Even the mayor of Jiangcheng was bragging about this Soul Nourishment Pill. It seemed that it wasn't groundless. Who knew how much wealth it would create in the future?

If he could get a share of the profits, he might be able to make a windfall.

Thinking of this, Du Hengsheng asked tentatively, “Who has a Soul Nourishment Pill? I'm willing to pay a high price to buy one!”

Hearing this, everyone couldn't help but roll their eyes. “Mr. Du, do you think you can buy it just because you have money? There's no telling how many people can't buy it even for a million!”

“Exactly, if there really is one, who will give it to you?”

Hearing this, Du Hengsheng was even more surprised.

The Soul Nourishment Pill was actually that popular?

At this moment, Mayor Li suddenly said mysteriously, “To tell you the truth, I still have one, but I have to keep it for my own use.”

“Mayor Li, I'll give you two million to sell it to me!” Someone next to him joked.

Mayor Li rolled his eyes. “Even if you offer five million, I won't sell it!”

At this point, he changed the topic and smiled. “But... I can let you smell it.”

After saying that, Mayor Li took out the Soul Nourishment Pill and said with a slightly ostentatious tone, “I’ll let you see it, but I’m telling you, you can only smell it! If anyone dares to eat it, I won’t let him off the hook!”

“Mayor Li, don’t worry,” everyone said one after another.

Du Hengsheng also hurriedly stood up and looked at the Soul Nourishment Pill.

But when he saw the appearance of the Soul Nourishment Pill clearly, his expression suddenly changed!

“Mayor Li, please let me take a look!” Du Hengsheng said somewhat anxiously.

Before Mayor Li could agree, Du Hengsheng snatched the Soul Nourishment Pill.

When he saw the pill in his hand, Du Hengsheng’s expression became more and more unsightly.

Wasn’t this the same pill that Qin Yu had taken out a few days ago? At that time, Qin Yu had even said that he would be the agent, but unfortunately, he had rejected it!

Chapter 47: The Overbearing Shen Yun

Du Hengsheng looked at the pill repeatedly. In the end, he ascertained that this was the pill Qin Yu had given him!

“Mr. Du, are you done looking at it? It’s time to return it to me.” Mayor Li took the Soul Nourishment Pill back.

Then, Mayor Li said jokingly, “Mr. Du, you have to be careful. Lei Hu might become the richest man in Jiangcheng and replace you.”

The others also joked, “Mr. Du, your position is in danger!”

Everyone laughed. Du Hengsheng looked embarrassed and couldn't laugh.

...

At downtown Jiangcheng, there was a set of shops. This was Lei Hu's office.

Recently, Lei Hu's office had been crowded with people. Many rich people wanted to get the Soul Nourishment Pill's power of agency and even wanted to monopolize it.

This was also the first time Lei Hu enjoyed the feeling of being kissed up to.

“Lei Hu, Mr. Sun wants to see you.”

“Lei Hu, Mr. Zhang has been waiting at the door for an hour.”

“Lei Hu...”

Lei Hu impatiently waved his hand and said, “I won't see him. I'm not free!”

Before this, these so-called bosses looked down on Lei Hu, but now, they were begging at the door.

“It's all thanks to this Soul Nourishment Pill,” Lei Hu said proudly.

At this moment, the office door was suddenly opened.

“Didn't I say that I won't see anyone?!” Lei Hu scolded impatiently.

“Lei Hu, you’re so imposing.” At this moment, a voice entered Lei Hu’s ears.

Lei Hu turned around and saw Shen Yun standing at the door, and Zhao Gang following behind him.

“President Shen? Why are you here?” Lei Hu’s expression changed, and he hurriedly stood up to greet him.

Shen Yun snorted lightly. He didn’t say anything and sat down on the sofa.

“Why aren’t you pouring water for President Shen?” Zhao Gang said as he glared at him.

Lei Hu looked at Zhao Gang with some displeasure, but he still obediently poured a glass of water for Shen Yun.

“President Shen, why are you looking for me?” Lei Hu sat opposite Shen Yun and said sheepishly.

Shen Yun drank a mouthful of water and said nonchalantly, “I heard that you have a medicine called the Soul Nourishment Pill, right?”

Lei Hu’s expression changed, and he had a bad feeling.

“President Shen, the Soul Nourishment Pill is indeed in my hands...” Lei Hu braced himself and said.

Shen Yun coldly snorted and said, “Give me the formula for the Soul Nourishment Pill, and I can give you a sum of money.”

After saying that, Shen Yun took out a bank card and placed it on the table.

“There is one million in the card. It is enough to buy your formula.”
Before Shen Yun said anything, Zhao Gang was already showing off his wealth.

Lei Hu’s expression changed, and he couldn’t help but curse, “Only one million? Do you think I am a beggar or something?”

“Are you any different from beggars?” Shen Yun sneered.

Hearing this, Lei Hu couldn’t help but lose his temper.

He glared at Shen Yun and said, “Shen Yun, don’t go too far!”

“Go too far?” Shen Yun’s expression turned cold, and he said icily, “How dare you talk to me like that?”

After saying that, Shen Yun waved his hand, and a few bodyguards immediately rushed in from outside. With a few punches and kicks, they pressed Lei Hu to the ground!

Shen Yun looked down at Lei Hu and said, “Lei Hu, either hand over the prescription, or I’ll cripple you. It’s your choice.”

Lei Hu’s expression was extremely ugly, and he didn’t speak for a moment.

“You won’t speak?” Shen Yun nodded. “Break his legs for me!”

“Yes!” A few bodyguards shouted loudly and were going to break Lei Hu’s legs.

“Wait!” Lei Hu saw the situation and hurriedly shouted.

He raised his head to look at Shen Yun and said with a sheepish smile, “President Shen, it’s not that I don’t want to give it to you. The main thing

is... I don't have a prescription either. This Soul Nourishment Pill was sold to me by someone else..."

"Someone else?" Shen Yun frowned and asked, "Who?"

Lei Hu got an idea and said, "It's... it's a doctor! How about this, I'll make an appointment for him to meet you in three days? Do you think it's okay?"

Shen Yun sized up Lei Hu and pondered for a moment. Then, he snorted coldly and said, "It's okay, but I'm warning you. If you dare to play me, I won't let you off the hook!"

"I wouldn't dare. I wouldn't dare..." Lei Hu said with a sheepish smile.

Shen Yun waved his hand and left Lei Hu's office with his people.

After he left, Lei Hu couldn't help but spit on the ground.

"What the h*ll! Just you wait for me!" Lei Hu cursed.

Then, Lei Hu drove out of the office and went straight to Dragon Paradise.

At this time, Qin Yu was in the huge manor and doing breathing exercises with his eyes closed.

"Mr. Qin!" Lei Hu, looking very anxious, ran to Qin Yu with sweat all over his head.

Qin Yu slowly opened his eyes and looked at Lei Hu.

"What's the matter? Why are you in such a hurry?" Qin Yu said nonchalantly.

Lei Hu wiped his sweat and hurriedly said, "Shen Yun came to find me. He gave me a million yuan and asked me to hand over the pill formula."

Qin Yu's expression was calm. He wasn't surprised.

He had long guessed that the Shen family would be interested in this pill formula.

"What did you say?" Qin Yu asked nonchalantly.

"I lied to him that the pill formula was given to me by an old Chinese doctor. I also promised him that he would meet him in three days," Lei Hu said carefully.

"Mr. Qin, Please don't blame me. Shen Yun wanted to cripple my legs, so I had no choice but to say this!" Lei Hu hurriedly added.

Qin Yu didn't say anything.

He put his hands behind his back and looked into the distance. He said nonchalantly, "You did well. Lei Hu, go and make arrangements. In three days, all those who want to get the pill formula will come to the No. 1 Grand Mansion."

"At that time, I will choose a robust company to cooperate with.."

Chapter 48: Yan Ruoxue's Transformation

Upon hearing Qin Yu's words, Lei Hu was clearly a little disappointed.

He wanted to rely on this Soul Nourishment Pill to transform himself. If he were to give it to another partner, then his advantage would no longer exist.

Although he thought so deep down, Lei Hu didn't say anything and only nodded his head in agreement.

Qin Yu saw through Lei Hu's thoughts and smiled while saying, "Don't worry, the overall authority of the Soul Nourishment Pill will always be in your hands."

When Lei Hu heard this, he was immediately overjoyed and hurriedly nodded while saying, "Thank you, Mr. Qin!"

Lei Hu quickly spread the news.

For a while, everyone in Jiangcheng was discussing this matter.

...

At the Yan family manor, the usually aloof Yan Ruoxue actually wore an apron today and hummed a song as she happily busied herself in the kitchen.

"Miss, you should rest quickly..." There were countless people surrounding her. They, afraid that Yan Ruoxue would accidentally hurt herself, had anxious expressions on their faces.

The secretary smiled bitterly and said, "Miss, how can you do such a menial task? Just let us servants do it..."

Yan Ruoxue didn't care at all. This was the first time she realized that cooking was so fun!

Because Qin Yu was coming to eat tonight, Yan Ruoxue personally cooked.

At night, Yan Ruoxue meticulously decorated the room with dim lights, a table full of delicious food, and a bottle of 1982 red wine.

All the servants were chased out by Yan Ruoxue. In the huge room, only Qin Yu and Yan Ruoxue were left.

“These were all made by you?” Qin Yu couldn’t believe it.

How could a rich heiress like Yan Ruoxue be so dexterous?

“Quick, try it and see how it tastes!” Yan Ruoxue said with some anticipation.

Qin Yu hurriedly picked up his chopsticks and started eating.

Just after the first bite, Qin Yu grimaced.

This was too d*mn disgusting!

“Is it good?” Yan Ruoxue blinked her eyes and asked excitedly.

Looking at Yan Ruoxue’s expectant expression, Qin Yu really couldn’t bear to hurt her feelings, so he braced himself and said, “It’s... delicious, extremely delicious...”

“Really?!” The usually aloof ice queen was as excited as a little girl!

“Really!” Qin Yu nodded vigorously.

“Then eat more!” Yan Ruoxue said with a smile.

Qin Yu felt as if he had shot himself in the foot.

After finishing the meal with great difficulty, Qin Yu, along with Yan Ruoxue, walked around the manor while admiring the night scenery.

Smelling the faint fragrance on Yan Ruoxue’s body, Qin Yu felt a little titillated.

He secretly glanced at Yan Ruoxue’s side profile and his heart skipped a beat.

Qin Yu, wanting to hold Yan Ruoxue's hand, mustered up his courage and carefully reached out his hand.

At this moment, Yan Ruoxue suddenly said, "Qin Yu."

Qin Yu was so startled that he trembled and hurriedly withdrew his hand.

"Huh, what's wrong?" Qin Yu asked.

Yan Ruoxue looked at the sky and said, "Do you like this kind of life?"

Qin Yu was stunned and didn't understand Yan Ruoxue's words.

"This kind of life... What kind of life is it?" Qin Yu asked in puzzlement.

Yan Ruoxue smiled and said, "Have you been tired recently?"

Qin Yu thought for a moment and said with a bitter smile, "A little."

Indeed, Qin Yu's life had been very tiring recently and he barely had time to rest.

Yan Ruoxue smiled and said, "Why don't I take care of you?"

Qin Yu was stunned. He shook his head and said, "Why did you say that all of a sudden?"

Yan Ruoxue said, "If you don't like this kind of life, I can take care of you."

Qin Yu thought that Yan Ruoxue was joking, so he replied with a smile, "Then I'll be a gigolo. How can I buy a wedding ring and hold a wedding in that case?"

Yan Ruoxue looked at Qin Yu seriously and said, "A wedding ring doesn't necessarily have to be bought by a man, and the wedding doesn't

necessarily have to be held by you. If you are willing, I'll buy the wedding ring, and I'll hold the wedding."

Hearing Yan Ruoxue's words, Qin Yu was instantly stunned.

He turned to look at Yan Ruoxue and said seriously and firmly, "Although I have been a little tired recently, I'm very fulfilled."

"Before I met you, I was like a walking zombie without any goals in life."

"Since I met you, my life has gained meaning and I have a goal to strive towards."

At this point, Qin Yu took a deep breath and continued saying, "Miss Yan, give me one year, at most one year."

"One year later, I'll go to the Yan family to propose marriage and give you a grand wedding."

The atmosphere became a little amorous.

With these vows, the two of them seemed to have returned to their youth.

However, Qin Yu's words touched Yan Ruoxue slightly.

"Okay." Yan Ruoxue smiled.

"One year later, I will wait for you to give me a grand wedding."

After Qin Yu left, Yan Ruoxue sat in the courtyard for a long time.

The secretary couldn't help but walk forward and sigh while saying, "Miss, I feel that you have changed."

Yan Ruoxue glanced at him and smiled while saying, “How have I changed?”

The secretary smiled bitterly and said, “Before coming to Jiangcheng, we have always admired your shrewdness and your decisiveness.”

“You also said that if Qin Yu was a good-for-nothing, you would leave Jiangcheng and cancel this engagement.”

“But now... you don’t seem to care whether Qin Yu has achieved anything. It’s like... It’s like you’ve turned from a rational and shrewd ice queen to a down-to-earth girl next door...”

Yan Ruoxue smiled and didn’t comment.

Just as the secretary said, Yan Ruoxue didn’t really care about whether or not Qin Yu made a name for himself.

“I will respect Qin Yu’s choice.” Yan Ruoxue smiled.

“If he doesn’t want to strive anymore, I’ll take care of him.”

“If he wants to make a name for himself, then I’ll do my best to help him.”

Obviously, Qin Yu chose the latter..

Chapter 49: Good-for-nothing?

It was very easy for Yan Ruoxue to help someone. She could make Qin Yu a top businessman in Jiangcheng and even Chuzhou at the drop of a hat.

However, if Qin Yu wanted to make a name for himself in Jingdu, he had to have the ability.

Yan Ruoxue understood this very well, so what she wanted to do wasn't to help Qin Yu remove obstacles, but to let Qin Yu grow under the premise of ensuring his safety.

The secretary at the side sighed slightly and whispered, "Love is really toxic... who would have thought that the famous Yan Ruoxue of Jingdu would fall head over heels in love in a remote town like Jiangcheng..."

...

Ever since Lei Hu released the news, everyone in Jiangcheng had been spreading it.

Other than relevant herbs manufacturers, even some powerful real estate developers wanted a piece of the pie.

Recently, Zhao Gang had been staying by Shen Yun's side every day. He was a surprisingly loyal henchman.

"President Shen, what does Lei Hu mean by this? Why did he announce that he was choosing a partner?" Zhao Gang said as he poured water for Shen Yun.

Shen Yun glanced at him and said nonchalantly, "It is probably the intention of that old doctor. Big shots are all cocky because of their talent. I understand."

Zhao Gang nodded and then said flatteringly, "That's true. Who in Jiangcheng is more powerful than the Shen family?"

Shen Yun didn't say anything, but his face couldn't help but show an arrogant look.

"As long as the Yan family doesn't participate, who will dare to compete with me, Shen Yun?" Shen Yun thought to himself.

Time flew by.

In the blink of an eye, it was the third day.

On this day, the entrance of No. 1 Grand Mansion was filled with luxury cars. Many wealthy businessmen were waiting there.

“Alas, if we had listened to Mr. Qin back then, we wouldn’t have to come here to compete!” Du Yuan couldn’t help but grumble.

Du Hengsheng couldn’t help but lament, “I originally thought that Qin Yu didn’t have any real talent. I didn’t expect... Alas, no wonder the Yan family supported him.”

The two of them regretted it, but it was too late.

In the hall, many businessmen were chattering in low voices. No one knew the background of this so-called old doctor.

At this moment, the venue suddenly quieted down.

Looking over, they saw Shen Yun and Zhao Gang walking in from outside.

Shen Yun’s arrival immediately made everyone feel crestfallen.

Everyone knew how powerful the Shen family was. Even in Chuzhou, they were top-notch, let alone Jiangcheng?

“President Shen, I didn’t expect you to come!” A businessman was the first to react and rushed over to curry favor with them.

Since Shen Yun was here, no one could compete with them.

Since they couldn’t compete, they might as well curry favor with Shen Yun and get the agency rights from Shen Yun!

Soon, these sly men all reacted and rushed up to greet him.

“Dad, should we go over?” Du Yuan asked.

Du Hengsheng shook his head and said, “Our relationship with the Shen family is too hostile. If we go over, we will only embarrass ourselves.”

“That’s true.” Du Yuan nodded, then smiled and said, “It seems that Shen Yun doesn’t know that the Soul Nourishment Pill came from Qin Yu.”

Faced with everyone’s flattery, Shen Yun appeared even more proud.

People like Shen Yun looked down on the businessmen of Jiangcheng.

In his eyes, the so-called successful people of Jiangcheng were at the bottom of the barrel and not worth mentioning.

However, to establish a foothold in Jiangcheng, he indeed needed a group of followers, so even though he looked down on this group of people, he still dealt with them one by one.

“Honey, you’re so amazing!” Su Yan couldn’t help but whisper as she followed Zhao Gang.

“As long as we curry favor with the Shen family, won’t we be rich in the future?” Su Yan’s eyes sparkled.

Zhao Gang said proudly, “Of course.”

At this moment, Zhao Gang suddenly saw Qin Yu walking in from outside.

The moment he saw Qin Yu, Zhao Gang’s expression instantly turned cold.

“Why is he here?” Su Yan’s eyes flashed with disgust.

Zhao Gang snorted lightly and brought Su Yan towards Qin Yu.

“Yo, Qin Yu, you also want to participate in this business deal?” Zhao Gang said derisively.

Qin Yu glanced at him and said with a nonchalant smile, “Yes.”

Zhao Gang sneered as he said, “Qin Yu, do you think you can participate in this business just because you are close to Lei Hu?”

“Let me tell you, it’s impossible! This business was arranged by President Shen! President Shen calls the shots!”

At this point, Zhao Gang changed the topic and said with some pride, “But I’m different. I’ve already seized the opportunity to get close to President Shen!”

“Honey, you’re so impressive!” Su Yan immediately shouted in a flattering manner.

Then, Su Yan sized up Qin Yu and said derisively, “That’s why I said that this type of ability is innate. A good-for-nothing is nothing but a good-for-nothing.. Even if you suck up to the Yan family, you’re still a good-for-nothing!”

Chapter 50: The Arrogant Lei Hu

Qin Yu glanced at them and said coldly, “Idiot.”

After saying this, Qin Yu strode into the venue with Yao Qing.

“D*mn it, how dare you scold me!” Su Yan said angrily.

Zhao Gang snorted while saying, “It’s okay. He won’t be on his high horse for long.”

Then, Zhao Gang told Shen Yun about Qin Yu's arrival.

Shen Yun couldn't help but laugh after hearing it. "How could a good-for-nothing like him get his hands on this kind of business? What a joke!"

"Yeah, yeah, I think so too!" Zhao Gang also shouted.

Most of the businessmen surrounded Shen Yun.

They all knew about the conflict between Qin Yu and the Shen family, so no one was willing to get close to Qin Yu.

"President Shen, when you bring in the big bucks, don't forget us!"

"That's right, President Shen, just give us a first-level agent opportunity!"

"When the time comes, our factory can OEM for your company!"

Shen Yun, his eyes fixed in the direction of Qin Yu, acted as if he didn't hear anything.

Thinking of his son, Shen Tian, who was still bed-ridden, Shen Yun wished that he could tear Qin Yu into pieces!

Someone followed Shen Yun's gaze and looked over, then realization dawned upon him.

"I didn't expect that Qin Yu would also come!" A businessman deliberately shouted and then walked in the direction of Qin Yu.

This businessman was called Sun Peng. He was the head of the medicinal herbs processing factory in Jiangcheng. However, in Jiangcheng, Sun Peng wasn't a big shot. He wasn't even qualified to attend the Yan family's banquet.

If they seized the opportunity to cooperate with the Shen family this time, the Sun family had a chance to become one of the upper families in Jiangcheng!

In order to curry favor with Shen Yun, Sun Peng took the initiative to walk over to Qin Yu.

“Mr. Qin, why are you here?” Sun Peng pretended to be concerned and asked.

Qin Yu glanced at him and said, “Do I know you?”

Sun Peng smiled and said, “You don’t know me, but I know you. You are a famous figure in Jiangcheng. Who doesn’t know that you are the number one scoundrel in Jiangcheng?”

After saying that, Sun Peng burst into laughter.

Qin Yu wasn’t angry. He just looked at Sun Peng and sneered as he said, “Do you think that by pleasing the Shen family, you are qualified to participate in the business of the Soul Nourishment Pill?”

Sun Peng said with a smile, “What else? Don’t tell me I should try to please you?”

“Pleasing me might be more useful,” Qin Yu said indifferently.

Hearing this, Sun Peng couldn’t help but laugh.

“You are too full of yourself,” Sun Peng sneered.

“That old doctor said that he wants to find a company with strength to cooperate with! Who is the most qualified? Of course, it’s President Shen!”

“What about you? What qualifications do you have?”

Qin Yu glanced at Sun Peng and said with a nonchalant smile, “I indeed don’t have much qualifications, but maybe I am that old doctor?”

“Hahaha!” Sun Peng laughed even more exaggeratedly.

“If you are that old doctor, I, Sun Peng, will write my name upside down!”

Qin Yu couldn’t be bothered to argue with such a petty person, so he turned his head to the side and ignored him.

Seeing Qin Yu ignore him, Sun Peng ran back to Shen Yun in an obsequious manner.

Shen Yun glanced at Sun Peng and said indifferently, “Well done.”

“Thank you, President Shen!” Sun Peng was overjoyed!

The rest of the businessmen followed suit. They ran to Qin Yu to mock him and show off.

Faced with these people’s taunts, Qin Yu didn’t say a word. He just looked at them coldly and silently remembered their faces.

Soon, Shen Yun walked to Qin Yu.

He glowered at Qin Yu contemptuously and said, “I really don’t know why you are here. Are you asking for humiliation?”

“The one who is asking for humiliation isn’t me, but you,” Qin Yu said with a sneer.

When Shen Yun heard this, he snorted and said, “I want to see how long you can keep acting tough.”

At this moment, Lei Hu walked out from the backstage.

His appearance immediately attracted the attention of countless people.

Everyone walked towards Lei Hu.

“Qin Yu, let’s settle the score slowly,” Shen Yun said and walked towards Lei Hu.

“Lei Hu, where’s that old doctor?”

“Mr. Lei, invite that old doctor out quickly!”

Looking at everyone’s expectant expression, Lei Hu felt a little smug for a moment.

He cleared his throat and said, “Everyone, please be quiet. I know that everyone wants to obtain the formula for the Soul Nourishment Pill.

Everyone, please be patient!”

“Stop talking nonsense and quickly invite that old doctor out,” Shen Yun said impatiently.

Lei Hu glanced at Shen Yun and said with a smile, “Why are you so impatient? If you can’t wait any longer, then get out!”

Chapter 51: Old Doctor

Shen Yun was stunned. He scratched his ears, as if he couldn't believe that these words came from Lei Hu's mouth!

“Lei Hu, what the f * ck did you say?” Before Shen Yun could say anything, Zhao Gang was the first to curse.

Lei Hu smiled. He casually picked up a stool and threw it directly at Zhao Gang's head!

“Who do you think you are? How dare you shout at me?” Lei Hu glared at Zhao Gang and cursed!

Everyone's expression was ugly, and they felt that something was wrong.

Didn't they say that Shen Yun was a shoe in? But from Lei Hu's attitude towards Shen Yun, it didn't seem like the case...

Shen Yun's expression was extremely cold. He took a deep breath and said, “Lei Hu, I'll settle the score with you later! Quickly get that so-called doctor out now!”

Lei Hu snorted and ignored Shen Yun. He ran to Qin Yu and said with a sheepish smile, “Mr. Qin, they are calling for you.”

Although his voice wasn't loud, it reached everyone's ears.

“Lei Hu, what do you mean?” Zhao Gang couldn't help but shout.

“I asked you to invite the so-called doctor out. Why are you looking for that loser?”

“That’s right, are you playing us?”

“Our time is very precious. How can you afford to waste our time?”

Lei Hu sneered as he said, “Are your brains not working, or are your ears not working? Mr. Qin is that so-called doctor. Is it that hard to understand?”

“How is that possible?!” Zhao Gang shouted.

“Qin Yu is a loser. When did he become a so-called doctor? What a joke.” Su Yan, who was at the side, also sneered.

There was immediately an uproar at the scene. It was obvious that no one believed that Qin Yu was that so-called doctor.

Qin Yu slowly stood up and strode to the stage.

“Yao Qing!” Qin Yu shouted.

“Yes, Mr. Qin.” Yao Qing immediately nodded.

He took a sack and walked to Qin Yu’s side.

Then, the sack fell to the ground, and one Soul Nourishment Pill after another rolled out of the sack.

At a glance, there were at least hundreds of Soul Nourishment Pills on the ground!

Everyone present couldn’t help but gasp!

Although the Soul Nourishment Pill had caused a huge uproar in Jiangcheng, it was extremely rare!

Many big shots were willing to spend millions just to buy one!

How much was so many Soul Nourishment Pills worth?!

“Hehe, taking a bunch of ordinary pills and pretending that they are Soul Nourishment Pills?” Shen Yun couldn’t help but sneer.

Upon hearing this, everyone quickly reacted.

“That’s right, how do we know whether this is a Soul Nourishment Pill or not?”

“Who doesn’t know that you’re just a freeloader? When did you become a medical practitioner...”

“Tsk tsk, scamming our money together with Lei Hu? Hehe, in Jiangcheng, we’re the only ones who get to scam others’ money. Others don’t get the right to scam us!”

When he heard the comments of the crowd, Qin Yu’s eyes narrowed slightly.

At this moment, an old man with white hair suddenly rushed onto the stage in a hurry!

“Hurry up and stop him!” Lei Hu hurriedly shouted.

“Wait!” Qin Yu waved his hand.

After the old man ran onto the stage, he picked up a Soul Nourishment Pill and looked at it carefully.

“It’s the genius Dr. Yang!” At this moment, someone recognized this old man!

“It’s really the genius Dr. Yang, the top doctor in Jiangcheng!”

“I didn’t expect that the genius Dr. Yang would also come. Just in time. Let the genius Dr. Yang take a look!” Everyone shouted one after another.

The old man who was called the genius Dr. Yang held the Soul Nourishment Pill and looked at it carefully. His expression became more and more excited, and even his body began to tremble!

“Soul Nourishment Pill... it really is a Soul Nourishment Pill!” the genius Dr. Yang said in a trembling voice.

Then, he turned to look at Qin Yu and said somewhat excitedly, “Was this pill really refined by you?”

Qin Yu politely supported the genius Dr. Yang and nodded as he said, “This pill was indeed refined by me.”

Hearing this, the genius Dr. Yang didn’t say a word and knelt on the ground on the spot!

“I have studied medicine for decades, but I have never seen such a miraculous pill! Please accept my bow!” The genius Dr. Yang said excitedly.

Seeing this, Qin Yu hurriedly reached out to help the genius Dr. Yang up.

“Sir, please get up quickly. You are a senior. I can’t accept this!” Qin Yu said with some fear.

The genius Dr. Yang shook his head and said, “Age has never meant anything. Your ability is above mine, so you have the right to accept my bow!”

Hearing this, Qin Yu was filled with respect for the genius Dr. Yang!

There was no telling how many people exploited their seniority. There were few people as upright and humble as the genius Dr. Yang!

This scene shocked everyone below the stage.

“Even the genius Dr. Yang said it. It seems that it is really the Soul Nourishment Pill...” someone murmured.

“I didn’t expect Qin Yu to really be that so-called doctor...”

“He has such outstanding talent at such a young age. No wonder he is favored by the Yan family...”

“Mr. Qin, can you sell me the formula for the Soul Nourishment Pill? I’m willing to pay ten million!” Someone was the first to react!

“I’m willing to pay one hundred million!”

“I’m willing to spend money to buy an agency right!”

Many businessmen below the stage shouted one after another!

Shen Yun’s expression turned extremely ugly. Those who curried favor with the Shen family were filled with regret..

Chapter 52: Chinese Medicine Conference

It was under Sun Peng’s lead that everyone ran over to mock and ridicule Qin Yu!

Qin Yu looked at the many businessmen below the stage and slowly said, "I don't have a prescription, but I can give you all the rights to represent me. I will only take 10%."

Hearing this, everyone was instantly extremely excited!

Just taking 10% was equivalent to giving it to them for free!

"But I have a condition." At this moment, Qin Yu suddenly spoke.

He looked coldly at Shen Tian and said, "No one is allowed to do business with the Shen family, and all the prices must be the same."

"Otherwise, your right to act as an agent will be revoked."

Qin Yu was clearly targeting the Shen family.

Once the price was standardized, Shen Yun would have no way to buy it from others!

Shen Yun looked at Qin Yu coldly. He suddenly slammed the table and stood up as he angrily berated, "Qin Yu, do you think you can compete against me with this lousy Soul Nourishment Pill? Let me tell you, it's impossible!"

"Whether or not it's impossible is not up to you," Qin Yu said coldly.

Shen Yun glared at Qin Yu and said with a vicious tone, "Let's wait and see!"

After saying that, Shen Yun turned around and left.

Sun Peng, who was standing at the side, couldn't help but feel a little embarrassed. He shamelessly walked to Qin Yu and said with a sheepish smile, "Mr. Qin, I . . . I was just joking just now. Are you offended?"

Qin Yu glanced at him and waved his hand as he said, “Lei Hu, throw him out!”

“Yes! Mr. Qin!” Lei Hu quickly called out to a few people and directly threw Sun Peng out of the door.

Su Yan and Zhao Gang didn’t dare to stay any longer and quickly left No. 1 Grand Mansion.

“When did that loser learn about Chinese medicine...” After walking out of No. 1 Grand Mansion, Su Yan couldn’t help but mutter in a low voice.

She had lived with Qin Yu for three whole years, but in these three years, Qin Yu couldn’t do anything other than doing laundry and cooking!

Zhao Gang’s expression was grim, and he didn’t say anything.

After it was over, Qin Yu and the genius Dr. Yang came backstage.

“Mr. Yang, this is the pill formula for the Soul Nourishment Pill.” Qin Yu was very generous, and directly handed the pill formula for the Soul Nourishment Pill to Mr. Yang.

“I can’t believe that I actually get to see such a mysterious pill formula in my life... I will die without regrets!” Mr. Yang grabbed the pill formula, and tears of excitement flowed down his face.

At this point, Mr. Yang suddenly looked at Qin Yu and said, “If you are willing, I can refine the Soul Nourishment Pill for you!”

Qin Yu froze for a moment before he said happily, “Mr. Yang, are you serious?”

“I’m absolutely serious! Please trust me!” Mr. Yang said earnestly.

“That’s great!” Qin Yu’s tone was filled with excitement.

With Mr. Yang's help, Qin Yu could free up a lot of time.

Moreover, Mr. Yang had many disciples under him and they could all refine the Soul Nourishment Pill for Qin Yu.

The two of them instantly bonded, and they chatted happily.

Through their communication, Qin Yu could clearly feel that Mr. Yang was a medicine geek. He had practically devoted his entire life to refining pills.

"It's a pity that I'm not talented enough. I can only stay in Jiangcheng for my entire life." Mr. Yang sighed slightly.

Then, he changed the topic and looked at Qin Yu while saying, "With your talent, you definitely shouldn't just stay in Jiangcheng. At least, you should go to the Chinese Medicine Conference to compete and prove yourself!"

"Chinese Medicine Conference?" Qin Yu frowned and asked with some confusion, "What's that?"

Mr. Yang said in surprise, "You actually don't know?"

Qin Yu scratched his head and said awkwardly, "Mr. Yang, I rarely go out, so I don't know much about this..."

When Mr. Yang heard this, he immediately explained, "The Chinese Medicine Conference is a competition organized by our country for Chinese medicine. It's usually held biannually. As long as you rank high, you will get a stalk of herbs as a reward."

"Last year, the first prize in Chuzhou was allegedly a hundred-year-old King of Medicine."

Hearing this, Qin Yu immediately stood up.

“Mr. Yang, is what you said true?” Qin Yu’s excitement couldn’t be concealed.

A 100-year-old King of Medicine was enough for Qin Yu to refine ten Qi Gathering Pills! When that time came, his strength would definitely improve by leaps and bounds!

Mr. Yang nodded and said, “Of course it’s true.”

At this point, Mr. Yang said somewhat regretfully, “I’ve participated a few times, but I wasn’t able to rank high for Jiangcheng.”

“I thought there was no hope for Jiangcheng.. If you participate, you will definitely bring glory to Jiangcheng’s traditional Chinese medicine world!”

Chapter 53: Unruly Heiress

Qin Yu was beyond excited.

He held Mr. Yang’s hand tightly and said, “Mr. Yang, don’t worry. I will definitely get first place in Chuzhou!”

Qin Yu had countless prescriptions in his hands. Although Qin Yu was temporarily unable to refine a pill with these prescriptions, as long as his strength improved slightly, it wouldn’t be a problem.

“In my lifetime, I will be able to see Jiangcheng take first place in the Chinese Medicine Conference. I can rest in peace,” Mr. Yang couldn’t help but lament.

Through the conversation, he learned that the next Chinese Medicine Conference was within a month.

To be on the safe side, Qin Yu had to increase his strength as soon as possible within a month to ensure that he could successfully refine the pill.

At present, Qin Yu couldn't wait to increase his strength.

Because he knew very well that Yan Ruoxue was too perfect.

The average Joe was definitely unworthy of such a woman.

Since Yan Ruoxue was willing to believe in Qin Yu, then Qin Yu definitely wouldn't let Yan Ruoxue down.

"Ruoxue, I definitely won't let you down." Qin Yu, his eyes shining brightly, clenched his fists.

...

Shen Yun's expression was ashen and his face was full of anger.

"This lowlife actually dared to trick me!" Shen Yun flipped over the vase on the table!

"Dad, what happened?" Shen Tian, who had just been discharged from the hospital, asked in puzzlement.

Shen Yun coldly snorted and berated, "Shut the f * ck up! It's all because of you, you loser!"

Shen Tian immediately said with some grievance, "What has it got to do with me..."

At this moment, Zhao Gang walked over and said with a sheepish smile, “President Shen, if I were you, I would just get rid of Qin Yu!”

“You talk too much!” Shen Yun kicked Zhao Gang’s butt.

“If I kill Qin Yu, what if Yan Ruoxue investigates it? Will you be responsible?!” Shen Yun vented all his anger on Zhao Gang.

Zhao Gang shrunk to the side sheepishly. Although he was unhappy, he didn’t dare to say anything.

Shen Yun snorted and said, “My family has hundreds of products and more than ten experts. I want to see what an insignificant Soul Nourishment Pill can do!”

...

The next day, Qin Yu got up early and prepared to rush to the market to buy a batch of herbs.

Ever since Shen Tian appeared, Qin Yu felt a strong sense of crisis.

Just Shen Tian alone was enough to give Qin Yu a headache. What about a top-tier city like Jingdu?

A perfect girl like Yan Ruoxue definitely didn’t lack suitors. Moreover, the suitors definitely had powerful backgrounds.

Qin Yu didn’t dare to waste any time.

He called Lei Hu and rushed to the market together.

The market in Jiangcheng was located on Market Street. Every morning, countless small vendors would set up stalls here.

In addition to vegetables, meat, and other daily necessities, there were also some herb vendors from the mountains who came to set up stalls.

“Mr. Qin, I’ve been here for a long time. There’s nothing interesting here.” After getting out of the car, Lei Hu muttered at the side.

Qin Yu smiled and said, “Maybe it’s because you can’t discern quality.”

Lei Hu touched his nose and said sheepishly, “I can’t discern quality, but I was born on this street. There are too many swindlers here.”

Qin Yu didn’t say anything else. Instead, he began to walk on the street.

Just as Lei Hu said, almost all the herb merchants here were swindlers. Qin Yu walked down more than half of the street but didn’t even see a single wild herb.

At this moment, Qin Yu suddenly noticed a vendor in the last row.

The vendor in front of him displayed a dazzling array of artificial herbs.

Only a stalk of *Angelica dahurica* caught Qin Yu’s attention.

Only a stalk of almost withered *Angelica dahurica* was emitting a strong medicinal fragrance.

Seeing this stalk of *Angelica dahurica*, Qin Yu’s eyes immediately lit up.

He hurriedly walked forward, casually picked up a stalk of herbs, and asked politely, “Sir, how much is this stalk of *Angelica*?”

The vendor glanced at it and said, “30,000!”

“F * ck you, is this highway robbery? I will smash your lousy stall!” Lei Hu pointed at the vendor’s nose and cursed.

The vendor glared at Lei Hu and said, “If you can buy it, then buy it. If you don’t buy it, then get lost. Stop harassing me, you pauper.”

“You motherf * cker...” Lei Hu rolled up his sleeves and was about to beat him.

Qin Yu hurriedly stopped him and shook his head with a smile.

“30,000 it is then. I want it,” Qin Yu said with a smile.

When he heard this, the vendor’s expression immediately changed. He hurriedly sat up and said, “You’re so perceptive. I’ll give it to you right now!”

The difference in his attitude amused Qin Yu.

He smiled and shook his head, then looked at Lei Hu.

Lei Hu hurriedly took out 30,000 yuan from his bag and threw it to the hawker while muttering, “If it weren’t for Mr. Qin’s good temper, I would have beaten you!”

Just as Qin Yu was about to reach out to take the stalk of *Angelica dahurica*, someone grabbed it before him.

“I want this stalk of *Angelica dahurica*!” The person who spoke was a well-dressed young girl.

The young girl was only 17 to 18 years old. She had light makeup on her face, and the head-to-toe designer clothes on her body indicated that she was wealthy.

The bodyguards around her also showed that she was the daughter of a wealthy family.

Qin Yu couldn't help but frown and said as politely as he could, "Miss, I saw this stalk of *Angelica dahurica* first. I've already paid for it."

"It's none of my business. It's mine since it's in my hands!" The young girl said arrogantly.

Qin Yu frowned and said with some displeasure, "Miss, you have to be reasonable."

"Why should I be reasonable with you? I told you, it's mine if I want it!" The girl said defiantly.

Qin Yu's expression gradually turned cold. He took a step forward and said, "You'd better give this stalk of *Angelica dahurica* to me obediently. Otherwise, don't blame me for being rude."

"Yo, are you trying to scare me? Do you know who I am?" The girl sneered.

"I don't care who you are. You have to be reasonable." Qin Yu's voice was extremely cold.

"Miss Lin? Why are you here?" At this moment, Lei Hu's bodyguard, Lance, suddenly exclaimed.

Qin Yu frowned. He looked at Lance and said, "You know her?"

Lance didn't say anything, but the girl said rudely, "Lance, tell her who I am! Tell him to get lost!"

Lance said awkwardly, "Mr. Qin, she is my master's daughter, Lin Wan..."

"Your master?" Qin Yu frowned and said, "Lincheng?"

“Yes...” Lance nodded.

Lin Wan took a step forward and snorted. “Do you know who I am now? Get out of my sight, or I’ll break your legs!”

Qin Yu looked at Lin Wan and sneered. “I don’t care who you are. This stalk of *Angelica dahurica* is mine!”

Lin Wan’s expression was filled with anger. She yelled, “My father is Lincheng! The number one martial artist in Jiangcheng!”

“No one can have it even if he’s the king!” With that, Qin Yu waved his hand, and the stalk of *Angelica dahurica* fell into Qin Yu’s hands.

“You!” Lin Wan was so angry that her petite body trembled. She pointed at Qin Yu and ordered, “Give me back the stalk of *Angelica dahurica*!”

“No,” Qin Yu said expressionlessly.

“You... You’re courting death!” Lin Wan shouted and swung her small fist at Qin Yu.

Lance quickly pulled Lin Wan back and said awkwardly, “Miss Lin, you’d better leave quickly. Mr. Qin saw this stalk of *Angelica dahurica* first...”

Hearing Lance’s words, Lin Wan became even angrier.

She raised her hand and slapped Lance.. She said angrily, “You traitor, hurry up and snatch it back for me!”

Chapter 54: Lin Family Martial Arts School

Lance received a slap from Lin Wan, but he didn’t say a word. However, his hand still held Lin Wan’s wrist tightly.

Lin Wan couldn't break free, so she looked at the bodyguard behind her in exasperation.

“Zhang Xing, beat him up!” Lin Wan shouted.

The man called Zhang Xing took a step forward and raised his hand to slap Lance's wrist.

Lance's wrist was in pain, and he moved his hand away.

“Lance, what's wrong? You don't know your place anymore after becoming Lei Hu's sidekick, do you?” Zhang Xing sneered.

Lance's expression was a little ugly. He forced a smile and said, “Miss Lin is indeed wrong in this matter...”

“I don't care who is right or wrong. My master's orders are for me to protect her!” Zhang Xing snorted coldly.

“Stop talking nonsense and beat him up!” Lin Wan kept shouting angrily.

Qin Yu's expression became colder and colder.

He looked at Lin Wan icily and said, “How did your parents raise you to be so rude at such a young age?”

“How dare you talk about my parents?” Lin Wan widened her eyes.

“Zhang Xing, beat him up!” Lin Wan stomped her feet and said angrily.

Zhang Xing took a step forward. He looked Qin Yu up and down and said aloofly, “Hurry up and return Angelica dahurica to her. Then bow and apologize to her. I can spare you then.”

Qin Yu sneered and said, “Are you worthy of it?”

Zhang Xing's expression changed and he immediately shouted, "You're courting death!"

After saying that, Zhang Xing clenched his fist and swung it at Qin Yu!

Zhang Xing's strength was indeed above Lance's, but his strength wasn't even comparable to Yao Qing's, so how could he be a match for Qin Yu?

Qin Yu didn't even look at him as he raised his foot and kicked Zhang Xing's lower abdomen.

Before Zhang Xing's fist touched Qin Yu, his body flew out and he fell heavily to the ground!

A mouthful of blood gushed out!

When she saw this scene, not only did Lin Wan not have the slightest bit of repentance, but she instead clenched her fist and swung it at Qin Yu.

"You're dead meat. If you dare to provoke me, my father will definitely beat you to death!" Lin Wan continuously hit and kicked Qin Yu's body.

Qin Yu became more and more impatient. He wished that he could knock this defiant brat out with a slap.

However, Qin Yu, who had been strictly raised since he was young, was unable to lay a hand on a woman.

Fortunately, Lance managed to pull Lin Wan to the side in time.

Lin Wan was probably tired from the beating, so she stood not far away and pointed at Qin Yu. "Just you wait. My father definitely won't let you off the hook!"

Qin Yu couldn't be bothered to waste his breath on such a person, so he ignored her.

After getting into the car, Lance couldn't help but say apologetically, "Mr. Qin, I'm really sorry..."

Qin Yu waved his hand and said, "What does this have to do with you? As for your master, I'm wondering whether he's worthy of his title or not. To have raised such a daughter, I guess he himself isn't that good."

Lance heard this and quickly explained, "My master is a good person. It's just that... back then, he made enemies during a martial arts competition and caused his wife's death. Therefore, he has always felt guilty toward Lin Wan, so he dotes on her..."

Hearing this, Qin Yu didn't say anything.

Lei Hu sent Qin Yu back to Dragon Paradise. Before he left, Lance said, "Don't worry, Mr. Qin. I will definitely explain everything to my master."

Qin Yu nodded.

He didn't really care. If Lincheng dared to target him, Qin Yu didn't mind teaching him a lesson.

After Lei Hu left, Qin Yu couldn't wait to take out the stalk of *Angelica dahurica*.

Although the appearance of this stalk of *Angelica dahurica* wasn't very appealing, it had a strong herbal aroma. He estimated that this stalk of *Angelica dahurica* was around ten years old. It was the oldest herb Qin Yu had ever seen.

Qin Yu didn't waste any time and prepared to use this stalk of *Angelica dahurica* to refine the Qi Gathering Pill.

For those in the Qi Refining Stage, the Qi Gathering Pill was a holy object. A single Qi Gathering Pill could advance him to the next level!

“This stalk of *Angelica dahurica* should be able to refine a Qi Gathering Pill,” Qin Yu thought to himself.

Then, Qin Yu cut the *Angelica dahurica* open and threw it into the casserole.

Qin Yu hadn't yet produced spiritual fire, so he could only rely on natural fire.

Qin Yu raised his finger and injected spiritual energy into the casserole. With his spiritual energy as the guide, he refined the Qi Gathering Pill.

After more than two hours, the spiritual energy in Qin Yu's body was almost completely drained.

Finally, with a loud explosion, the casserole suddenly cracked!

Two pills the size of peanuts lay quietly in the debris of the casserole.

“I actually refined two pills?” Looking at the two Qi Gathering Pills, Qin Yu was extremely excited!

He thought he could only refine one pill, but he didn't expect to refine two pills! It completely exceeded Qin Yu's expectations!

“I refined two Qi Gathering Pills with just a ten-year-old herbal pill. If it takes twenty to thirty years or even a hundred years... how many pills would I be able to refine?”

The more Qin Yu thought about it, the more excited he became! As long as he had enough herbs, it wasn't difficult to enter the foundation establishment stage!

After that, Qin Yu didn't waste any time and directly swallowed the two Qi Gathering Pills.

...

As the number one martial artist in Jiangcheng, Lincheng was well-known throughout Jiangcheng.

Many rich kids would come to train under him. This was because Lincheng was becoming increasingly well-connected.

"Dad, I don't care. You have to teach him a lesson no matter what!" Lin Wan stomped her feet and complained petulantly.

Lincheng said with a slight headache, "Did you get into trouble again?"

During this period of time, the Lin Family Martial Arts School was having a competition with the Zheng Family Martial Arts School. Although it was a competition between disciples, it showcased the strength of a martial arts school.

Although Lincheng had many disciples under him, it was rumored that the Zheng family had hired a martial artist to help them. Lincheng was worried about this matter.

If they lost, the prestige of the Lin Family Martial Arts School would plummet.

To the Lin family, this would undoubtedly be a disaster.

"I didn't cause trouble! It was clearly him who was causing trouble for me!" Lin Wan said angrily.

Lincheng looked at Zhang Xing and said with a dark expression, "What's going on? Didn't I ask you to protect her?"

Zhang Xing said somewhat apologetically, “Master, that kid was well-versed in martial arts. I wasn’t his match at all...”

“You piece of trash. He knocked you out with one kick!” Lin Wan couldn’t help but scold him with some disdain.

Hearing this, Lincheng said in surprise, “Jiangcheng has such an outstanding martial artist?”

Zhang Xing was his most outstanding disciple! He actually knocked him out with one kick?

Zhang Xing braced himself and said, “Master, I underestimated the enemy.”

“You’re trash. Don’t make excuses!” Lin Wan crossed her arms in front of her chest and said discontentedly.

However, Lincheng had other ideas.

If he could get him to help, wouldn’t the Lin family’s predicament be solved?

However, Lincheng sighed slightly.

His daughter had just offended the other party, so how could the other party help?

“Oh right, and Lance actually helped that kid!” At this time, Lin Wan said angrily.

Hearing this, Lincheng immediately said with some excitement, “You mean... Lance knows him?”

“Yeah, he even helped him. Dad, you must teach Lance a good lesson!”
Lin Wan said angrily.

Lincheng was immediately overjoyed. He laughed and said, “God is on my family’s side. Hurry up and call Lance!”

“Okay, I’ll call him over right now and teach him a good lesson!” Lin Wan thought that Lincheng was going to help her get revenge, so she shouted excitedly..

Chapter 55: Lincheng’s Attitude

In Dragon Paradise, Qin Yu didn’t sleep for an entire night.

After he swallowed two Qi Gathering Pills, the spiritual energy in his body rapidly expanded in his dantian.

It took an entire night for the spiritual energy of the two Qi Gathering Pills to be completely digested.

Nine o’clock in the morning, Qin Yu’s eyes snapped open!

His internal qi had been greatly enhanced, and even his state of mind was undergoing slight changes.

Cultivation not only heightened his physical strength, but also changed his state of mind.

It was said that a true almighty would even abandon his urges and desires.

Although Qin Yu had just entered the path of cultivation, his state of mind had undergone a huge change.

It was as if... he had become much more resilient than before.

“I advanced two levels all the way to level five of the Qi Refining Stage.”
Qin Yu couldn't help but think to himself.

He felt an abundant amount of strength in his body, and the corners of his mouth curled up into a smile.

Advancing to the Foundation Establishment Stage was imminent!

At this moment, Lance suddenly came to Dragon Paradise.

“Mr. Qin.” Seeing Lance, Qin Yu had a guess.

“Why, does your master want to challenge me?” Qin Yu's tone was somewhat indifferent.

Lance hurriedly shook his head and said, “No, no, no, my master heard about this matter, and specially set up a banquet to apologize to you.”

“Oh really?” This surprised Qin Yu a little.

Lincheng was actually that polite? Then why was his daughter so unruly and rude?

“My master also specially prepared a ten-year-old ginseng for you,”
Lance continued.

After saying that, he took out a gift box from the car.

Qin Yu opened the gift box and saw that it was indeed a ten-year-old ginseng!

This made Qin Yu feel a little embarrassed.

Lincheng was a little too polite.

“Okay, when?” Qin Yu couldn't refuse such a polite offer.

Lance said, "I'll pick you up at seven tonight."

"Okay." Qin Yu nodded and agreed.

...

In the Yan family's manor, during this period of time, although Yan Ruoxue didn't go out, she was in control of everything in Jiangcheng.

She held the Soul Nourishment Pill in her hand and said with a smile, "This pill is enough to defeat the Shen family."

The secretary couldn't help but say, "Miss, you are underestimating the Shen family..."

"I am not underestimating the Shen family." Yan Ruoxue shook her head.

The Aqua Rhyme Pill that Qin Yu gave her last time blew her mind.

After taking that pill, Yan Ruoxue felt that her skin had become more elastic and smooth.

Even in Jingdu, Yan Ruoxue had never seen such a miraculous medicine.

"Right, send out all my bodyguards to protect Qin Yu's safety," Yan Ruoxue suddenly said.

The secretary was stunned. He asked in confusion, "Is someone trying to harm Qin Yu?"

Yan Ruoxue said with a nonchalant smile, "Desperate people do drastic things. No one knows what will happen when the Shen family collapses."

"What about you?" The secretary asked with some worry.

But after asking, the secretary felt that it was a little unnecessary.

If anything happened to Yan Ruoxue, then Old Mister Yan would probably wipe out the entire Jiangcheng.

Then, the secretary followed Yan Ruoxue's instructions and sent out the bodyguards who were responsible for secretly protecting Yan Ruoxue's safety.

...

At night, Qin Yu followed Lance and arrived at the Lin family's home on time.

The Lin family had set up a banquet in the courtyard early and was waiting for Qin Yu's arrival.

"Dad, what do you mean?! He bullied your daughter, but you're treating him to a meal and giving him gifts?" Lin Wan said angrily.

"And that ginseng! What are you giving it to him for? How valuable is it? Does he deserve it?!" Lin Wan said angrily.

Seeing this, Lincheng said helplessly, "We have something to ask him for help for. I have no choice."

"Then I got beaten up for nothing!" Lin Wan said with a cold expression.

Lincheng thought for a moment and said, "How about this? After he finishes helping us, Dad will teach him a lesson for you, okay?"

"Then it's a deal." Lin Wan eased up a little.

Lincheng nodded and said, "Okay, okay, definitely!"

Soon, Qin Yu and Lance arrived at the Lin family home.

Seeing Qin Yu, Lincheng hurriedly walked forward and greeted him,
“Mr. Qin, you are finally here!”

When he saw how polite Lincheng was, Qin Yu also said politely, “Mr. Lin, you are really too polite!”

“Quick, take your seat!” Lincheng enthusiastically pulled Qin Yu to the dining table and sat down.

Lin Wan glared at Qin Yu and slammed the chopsticks and bowls on the table.

“I lost my appetite when I saw a certain someone!” Lin Wan said sarcastically.

“Mr. Qin, I’m sorry. I spoil my daughter. Please don’t take offense,” Lincheng said with a smile.

Qin Yu said with a smile, “I don’t mind.”

Although he said that, Qin Yu could clearly feel that Lincheng had no intention of blaming Lin Wan.

The meal was nearing the end.

“Mr. Qin, actually, I looked for you this time to ask you for a favor,” Lincheng said with a smile.

Hearing this, Qin Yu suddenly understood.

No wonder Lincheng was so polite. It turned out that he had a favor to ask.

“Since I’ve accepted your gift Mr. Lin, feel free to ask,” Qin Yu nodded and said.

Lincheng hurriedly told Qin Yu the whole story.

After Qin Yu heard it, he said in a sullen voice, “Mr. Lin, why don’t you participate in it yourself?”

Before Lincheng could say anything, Lin Wan sneered as she said, “Do you have trouble understanding people? It’s a disciple competition. My dad can’t participate. Otherwise, why would he need you?”

Qin Yu ignored Lin Wan. He thought for a moment and said, “Okay, I promise you.”

Qin Yu naturally couldn’t take other people’s things for free.

“Thank you very much!” Lincheng raised his wine glass and said with a smile.

“Uncle Lin!”

At this moment, a voice suddenly came from outside.

They saw a young man in his twenties standing at the door.

This young man was tall and handsome, like a heartthrob straight out of a movie.

Seeing this young man, Lin Wan got up and ran over excitedly.

“Qi Yang, why are you here?” Lin Wan threw herself into the young man’s arms.

The young man called Qi Yang said with a smile, “I heard that Uncle Lin is going to have a martial arts competition with the Zheng family, so my dad asked me to help Uncle Lin.”

Hearing this, Lincheng immediately got up and said with a smile, “Qi Yang, I appreciate your kindness, but... the Zheng family isn’t easy to deal with. I heard that they invited an expert.”

Qi Yang said with a nonchalant smile, “Don’t worry, Uncle Lin. I already developed inner strength a month ago.”

Lincheng was stunned, and then he said excitedly, “Is what you said true?”

“Of course, I’m at inner strength level one,” Qi Yang said with some excitement.

“Oh, that’s great!” Lincheng walked forward enthusiastically and held Qi Yang’s hand.

“What a promising young man! What a promising young man! To have inner strength at the age of twenty, you’re definitely a genius!”

At this time, Lin Wan suddenly ran to Qin Yu and said arrogantly, “Qi Yang is here. We don’t need a good-for-nothing like you. You can get lost now!”

Qin Yu frowned slightly. He didn’t say anything but looked at Lincheng.

However, to Qin Yu’s surprise, Lincheng also smiled and said, “She is right. Since Qi Yang is here, I won’t trouble you..”

Chapter 56: Ungrateful B*stard

When he heard Lincheng’s words, Qin Yu’s expression instantly turned cold.

He had never expected Lincheng to turn hostile in the blink of an eye.

“Uncle Lin, who is this person?” Qi Yang looked at Qin Yu with a gentle smile on his face.

Lincheng said indifferently, “I originally wanted him to come and help, but since you’re here, I don’t need him anymore.”

“Yes, Qi Yang, this b*stard bullied me. You must avenge me!” Lin Wan said angrily.

“Oh? So he’s also an expert?” Qi Yang’s eyes showed great interest.

Then, he walked to Qin Yu’s side and said indifferently, “Are you also an inner strength expert?”

“No,” Qin Yu answered without thinking.

Qin Yu didn’t lie. He really didn’t know what inner strength was because he was an immortal cultivator.

Strictly speaking, he was much stronger than the so-called inner strength masters.

But to Qi Yang, Qin Yu was just a loser who hadn’t generated inner strength yet.

“You aren’t even an inner strength master, yet you have the guts to stand up for other people?” Qi Yang’s eyes flashed with ridicule.

Qin Yu couldn’t be bothered to waste his time on Qi Yang. He stood up and looked at Lincheng while saying, “If that’s the case, then I’ll take my leave. However, I hope you won’t regret it.”

Lincheng said with a smile, “Don’t worry, I won’t regret it.”

“Master, you!” Lance’s expression was extremely unsightly. He wanted to say something, but was stopped by Qin Yu, who reached out his hand and stopped him.

“Mr. Qin!” At this moment, Lincheng suddenly called out to Qin Yu.

Qin Yu stopped in his tracks, turned around and said, “What’s the matter, Mr. Lin?”

Lincheng said with a smile, “Mr. Qin, please return that ginseng.”

Qin Yu, growing more and more disgusted with Lincheng’s behavior, narrowed his eyes slightly.

“Why? You don’t want to return it?” Lin Wan said while glaring at him.

Qin Yu took a deep breath and said, “Send someone to my house to collect it tomorrow.”

“Master, aren’t you going too far?!” Lance couldn’t help but shout angrily.

Lincheng looked at Lance coldly and scolded, “You still know that I’m your master?! She was bullied by other people, and you’re actually helping an outsider!”

“I...” Lance suddenly fell silent and didn’t know what to say.

“Lance, let’s go.” Qin Yu patted Lance on the shoulder.

“If you leave today, you will no longer be my disciple! I won’t teach you any martial arts in the future!” Lincheng said coldly.

Lance stopped and Qin Yu looked at Lance.

Lance turned around and walked towards Lincheng.

Seeing this, Lincheng couldn't help but laugh out loud as he said, "Good disciple!"

However, Lance walked to Lincheng's side and bowed slightly, then said, "Thank you for all these years of tutelage. I just saw what kind of person you are today. From now on, there will be no more ties between us."

After saying that, Lance pulled off his shirt and threw it on the ground.

"What an ungrateful b*stard." Lincheng's expression was cold.

"Lance, you better think it through. Today, when you leave, you won't be able to learn anything from me anymore!" Lincheng shouted from behind.

At this time, Qin Yu sneered and said, "There's no need to learn from a jack of all trades like you."

"Hahaha! Don't talk nonsense!" Lincheng couldn't help but shout.

"Compared to ordinary people, you may be strong, but in the eyes of inner strength experts like us, you are nothing!" Lincheng laughed.

Qin Yu didn't want to see Lincheng's petty demeanor again, so he didn't say anything.

"Lance, let's go." Qin Yu shouted and then walked toward the door.

Just as the two of them walked to the door, Qi Yang suddenly shouted, "Stop."

Qin Yu stopped in his tracks.

With his back facing Qi Yang, he asked coldly, "Is there anything else?"

Qi Yang smiled and said, "You bullied her. This matter isn't over yet."

Qin Yu sneered and said, “Why? Do you want to stand up for her?”

Qi Yang laughed and said, “Lin Wan is like my sister. I naturally have to stand up for her.”

“Thank you, Qi Yang. You’re the best!” Lin Wan shouted excitedly.

“I want you to break her legs, kneel on the ground and kowtow to me!”
Lin Wan said viciously..

Chapter 57: The Zheng Family Visits

Qi Yang stroked Lin Wan’s hair with a doting expression and said with a smile, “Alright, I promise you.”

Qin Yu’s patience began to fade.

Qin Yu loathed women like Lin Wan even more.

Qin Yu slowly turned around and was about to speak when Lincheng suddenly waved his hand and said, “Forget it. Forget it. Let him go.”

“Dad!” Lin Wan immediately stomped her feet in displeasure.

Lincheng berated, “Brat, why aren’t you leaving?!”

Qin Yu was still enraged.

Ever since he entered the fifth level of the Qi Refining Stage, Qin Yu felt that he was becoming colder and colder.

But in the end, he still held it in.

“Mr. Lin, I advise you to discipline your daughter properly. Otherwise, she will suffer sooner or later.” Qin Yu glanced at them coldly and then left.

After Qin Yu and the others left, Lin Wan angrily said, “Dad, what do you mean? It’s bad enough that you don’t help me deal with him, but you won’t even let Qi Yang beat him up?!”

Lincheng glanced at Lin Wan and lamented, “This kid has the backing of the Yan family. It’s fine if we humiliate him, but if we really hurt him, we won’t be able to bear the consequences.”

Qi Yang was a lot less cocky when he heard this.

Lin Wan was the only one who was still unwilling to give up. “I don’t care about the Yan family. I will definitely take revenge!”

...

Qin Yu and Lance left the Lin family.

On the way back, Lance was extremely nervous.

When the car arrived at Dragon Paradise, Lance suddenly knelt on the ground with a plop.

“Mr. Qin, I’ve let you down. I didn’t expect Lincheng to be such a person...” Lance, his face full of guilt, kneeled on the ground.

Qin Yu frowned slightly. He reached out his hand to Lance and said, “It’s not your fault. You’re the one who surprised me.”

Lance didn’t quite understand Qin Yu’s words.

Qin Yu lamented and said, “In such a degenerate environment like the Lin family, you’re still good-natured. That means you’re at least a person with morals.”

Lance was still well disposed, which was already very good.

“Thank you for your praise, Mr. Qin,” Lance said with some guilt.

“Oh, right.” At this time, Qin Yu suddenly looked at Lance.

He smiled and said, “Do you want to generate inner strength?”

Lance was stunned. He hurriedly nodded and said, “Of course!”

Qin Yu smiled and said, “Okay, come to my house in three days. I will teach you.”

“Really... really?!” Lance widened his eyes, as if he could not believe it.

Qin Yu smiled and said, “A promise is a promise.”

“Thank you, Mr. Qin!” Lance was extremely excited and knelt on the ground again.

After Lance left, Qin Yu turned around and returned home.

Yao Qing made a pot of tea for Qin Yu. After seeing Qin Yu’s expression, Yao Qing asked, “Mr. Qin, what’s wrong?”

Qin Yu lamented, then waved his hand and said, “The Lin family has really taught me a lesson.”

“Huh?” Yao Qing was baffled.

Qin Yu drank a mouthful of tea and said to himself, “Sometimes, under a genteel facade, there is a dirty heart.”

The next day, Qin Yu got up early and ran laps around Dragon Paradise with Yao Qing.

The two of them ran thirty laps for more than two hours.

When they walked back, the two of them were already drenched in sweat.

However, the difference was that Yao Qing was panting while Qin Yu's breathing was still steady.

"Mr. Qin, when are you going to teach me the breathing exercise?" Yao Qing couldn't help but ask.

Qin Yu smiled and said, "Don't worry. Since I promised you, I will definitely teach you."

As they spoke, the two of them returned to their home.

Just as they reached the door, Qin Yu was surprised to find a car parked at the door.

And beside the car stood a man in his fifties.

Qin Yu frowned slightly. He walked forward and before he could say anything, the man cupped his hands and said, "Greetings, Mr. Qin."

This confused Qin Yu even more.

"You are?" Qin Yu looked at the man and asked politely.

The man continued, "Mr. Qin, you may not have heard of me. I am Zheng Mingshuo, the head of the Zheng Family Martial Arts School."

"Zheng Family Martial Arts School?" Qin Yu was stunned.

“The Zheng family that is going to compete with the Lin Family Martial Arts School?” Qin Yu said in astonishment.

Zheng Mingshuo immediately said with some surprise, “I didn’t expect you to have heard of our martial arts school.”

Qin Yu smiled and couldn’t help but exclaim, “Fate is really a fickle thing.”

“Huh?” Zheng Mingshuo was confused.

Qin Yu waved his hand and said, “Since you are here, come in and have a seat.”

Zheng Mingshuo didn’t stand on ceremony and immediately followed Qin Yu into the courtyard of the villa.

“Yao Qing, go make a pot of tea,” Qin Yu said.

Yao Qing nodded. A few minutes later, Yao Qing came up with a pot of tea.

Zheng Mingshuo couldn’t help but lament, “I didn’t expect you to be so courteous despite your talent.”

Qin Yu smiled and said, “Mr. Zheng, you must be joking. I’m just an ordinary person.”

“If you were an ordinary person, I’m afraid we wouldn’t be worthy of living,” Zheng Mingshuo said self-mockingly.

Qin Yu sized up Zheng Mingshuo and couldn’t help but think to himself, it seemed that Zheng Mingshuo had a certain understanding of him.

“Why are you looking for me?” Qin Yu asked.

Zheng Mingshuo hurriedly waved his hand, and the person beside him immediately brought over a gift box.

After the gift box was opened, he saw that there was a ginseng inside.

Although this ginseng couldn't compare to Lincheng's, it was also ten years old.

"This is a wild mountain ginseng that I have treasured. I hope that you will accept it," said Zheng Mingshuo.

Qin Yu frowned and shook his head. "I don't accept gifts for free. Why are you looking for me, Mr. Zheng? Just tell me."

Zheng Mingshuo was silent for a moment before saying, "I really have something I need your help with."

Then, Zheng Mingshuo lamented and said, "As you know, our family and the Lin family are going to hold a competition. Both sides will send their best disciples to participate in the competition."

"That being said, in reality, everyone will find external help. The Lin family's connections are stronger than ours, so the external help they find is also far superior to our family's."

At this point, Zheng Mingshuo paused and then said with a pleading tone, "So, I would like to ask you to represent our family's martial arts school in the competition!"

Hearing this, Qin Yu almost spat out a mouthful of tea!

He had just gone to the Lin family last night, and today, the Zheng family came?

“What a coincidence.” Qin Yu couldn’t help but smile and shake his head.

Qin Yu looked at Zheng Mingshuo and said with puzzlement, “Didn’t the Zheng family invite an expert? Why would you guys come to find me?”

Zheng Mingshuo forced a smile and said, “That’s just to scare Lincheng. With our family’s ability, what kind of expert can we invite?”

Qin Yu suddenly understood.

He didn’t expect that these martial arts centers also had infighting.

Seeing that Qin Yu didn’t speak for a long time, Zheng Mingshuo couldn’t help but lament and said, “I knew you wouldn’t agree. I’m sorry to disturb you.”

After saying that, Zheng Mingshuo turned around and was about to leave.

Qin Yu looked at Zheng Mingshuo’s back and said with a smile, “Mr. Zheng, you didn’t take your ginseng.”

Zheng Mingshuo stopped in his tracks and shook his head. “There’s no reason to take back what I’ve given away. Mr. Qin, I’ll take my leave.”

After saying that, Zheng Mingshuo left in large strides without turning his head back.

Zheng Mingshuo’s attitude had indeed moved Qin Yu.

Moreover, Qin Yu also wanted to let Lincheng know that Qi Yang wasn’t worth mentioning when compared to him!

“Wait.” So, Qin Yu called out to Zheng Mingshuo..

Chapter 58: I Promise You

Zheng Mingshuo stopped again.

He turned around and said politely, “Mr. Qin, is there anything else?”

Qin Yu stood up and returned the ginseng to Zheng Mingshuo.

Zheng Mingshuo was stunned and said with some fear, “Mr. Qin, what do you mean?”

Qin Yu said nonchalantly, “I promise you, and I guarantee that the Zheng Family Martial Arts School will win.”

“As for this ginseng, you can take it back. I’ll help you for free this time.”

Qin Yu had always hated the Lin family’s attitude.

In addition, Zheng Mingshuo’s attitude was very polite, which formed a sharp contrast with Lincheng’s.

Even if there was no ginseng, Qin Yu would help the Zheng family.

Zheng Mingshuo was stunned at first, then he said excitedly, “Mr. Qin, is what you said true?”

“Absolutely true,” Qin Yu said aloofly.

Zheng Mingshuo was immediately overjoyed. He reminded, “Mr. Qin, I heard that Lincheng has invited an inner strength expert. You must be careful.”

Hearing this, Qin Yu said aloofly, “I can crush him to death with one finger.”

A mere level one inner strength expert didn’t even have the right to fight back against Qin Yu.

Zheng Mingshuo bowed repeatedly and left Dragon Paradise.

The time was set for tomorrow, which Qin Yu looked forward to.

Ordinary people didn't pay attention to the match between the two.

However, for some rich people and martial artists, this match was a big deal. Some people even started betting.

The Lin family and the Zheng family had been competing for many years. From the beginning, when Lincheng and Zheng Mingshuo fought, to later when their disciples fought, the Zheng family would lose every time.

But the Zheng family would never let go of any chance to compete with the Lin family.

Zheng Mingshuo believed that as long as he didn't die, he would eventually be able to prevail

The next day, Zheng Mingshuo was prepared to send a car to pick up Qin Yu, but was rejected by Qin Yu.

He, Yao Qing, and Lance went to Jiangcheng City Stadium together.

Many people had already gathered in the stadium early on, and the tickets here were sold in the four figures.

Lincheng, Lin Wan, and the others had been waiting here for a long time.

“Qi Yang, you have to finish early. I still have to go shopping later!” Lin Wan said petulantly.

Qi Yang smiled nonchalantly and said, “What's the point of shopping? I'll take you to an upscale banquet after it's over!”

“Wow, really?!” Lin Wan’s eyes suddenly lit up, and she said excitedly, “Thank you, Qi Yang!”

Lincheng, looking like a top-notch martial artist, sat at the side with his eyes slightly closed.

The local businessmen of Jiangcheng City walked up and greeted him frequently.

It could be seen that Lincheng had a very high status in Jiangcheng City.

“Master, Zheng Mingshuo is here,” Zhang Xing whispered in Lincheng’s ear at this time.

Hearing this, Lincheng immediately opened his eyes and looked at the door.

He smiled and said, “Let’s go and meet Mr. Zheng.”

Then, he stood up and walked toward Zheng Mingshuo with Qi Yang, Zhang Xing, and the others.

“Mr. Zheng, long time no see!” Lincheng shouted with a smile.

Zheng Mingshuo looked at Lincheng and cupped his hands politely as he said, “Mr. Lin, you’re here early.”

Lincheng smiled nonchalantly as he said, “Yes, I want to finish early and go home early. After all, everyone is busy.”

Zheng Mingshuo didn’t say anything about Lincheng’s provocation.

“Huh? Why don’t I see your disciple?” Lincheng looked around and his gaze fell on the sidekick beside Zheng Mingshuo.

“It can’t be this kid, right? From the looks of it, he probably can’t even take a punch, right?” Lincheng laughed loudly.

“You!” Zheng Mingshuo’s sidekick was instantly enraged. He was about to speak, but was stopped by Zheng Mingshuo.

Zheng Mingshuo smiled and said, “Mr. Lin, it’s indeed not him. My disciple hasn’t come yet.”

“Could it be that he doesn’t have the guts to come?” Lincheng sneered.

“It doesn’t matter whether he comes or not. In any case, he will lose.” Qi Yang smiled and said.

Zheng Mingshuo’s gaze fell on Qi Yang, then he smiled and said, “He’s Mr. Lin’s disciple, right?”

Lincheng said proudly, “That’s right! His name is Qi Yang, and he’s a level 1 inner strength expert!”

Zheng Mingshuo’s expression changed slightly.

It seemed that the rumors were true. Lincheng had indeed invited an inner strength expert.

“Mr. Zheng, do you think there’s still a need to fight?” Lincheng said with a smile.

Zheng Mingshuo said politely, “The outcome hasn’t been decided yet, so there’s no rush.”

“Hmph, there aren’t many people in Jiangcheng who can rival Qi Yang!” Lin Wan snorted at the side.

Zheng Mingshuo smiled. He looked at Lin Wan and said, “Miss Lin, you should be studying at this time, right? Why do you have the time to follow your father to watch the competition?”

Lincheng frowned.

Lin Wan was notorious in Jiangcheng for being pampered and spoiled. Everyone knew that Lincheng’s daughter was rebellious and had been expelled from many schools a while ago.

Obviously, Zheng Mingshuo was deliberately rubbing salt into the wound.

“I can go wherever I want. It’s none of your business, old man,” Lin Wan scolded.

Zheng Mingshuo burst into laughter and ignored the Lin family.

The few of them sat on the spectator stand while waiting for the match to begin.

In the blink of an eye, more than ten minutes had passed.

“Mr. Zheng, why aren’t your people here yet?” Lincheng said with a hint of mockery.

“There’s no rush. Perhaps there’s a traffic jam on the road,” Zheng Mingshuo explained.

“Hehe, is there a traffic jam, or are they afraid to come?” Lincheng sneered.

“Mr. Zheng, how about this?” At this moment, Qi Yang suddenly said.

“Since your disciple isn’t here, why don’t I fight with you?” Qi Yang clenched his fist.

“If you’re not my match, then your disciple doesn’t need to come.”

Zheng Mingshuo’s expression immediately became a little ugly.

Qi Yang was obviously humiliating him! Lincheng had sent a disciple to fight with him. Regardless of whether he won or lost, it would make people laugh their heads off!

“Hehe, it can’t be that you don’t have the guts to, right? This is only one of my disciples.” Lincheng ridiculed from the side.

Zheng Mingshuo’s expression was extremely unsightly. He didn’t care about the previous jab, but Qi Yang was dissing him way too outrageously!

“I...”

“Mr. Zheng, I’m sorry for being late.”

Just as Zheng Mingshuo was about to agree, Qin Yu’s voice suddenly sounded from outside the door.

Following that, Qin Yu brought along Lance, Yao Qing, and the others as they walked towards Zheng Mingshuo’s direction..

Chapter 59: You Don’ t Have a Chance Anymore

Qin Yu, along with Lance and Yao Qing, slowly walked to the front of the crowd.

“Mr. Qin, you’re here!” Seeing Qin Yu, Zheng Mingshuo immediately heaved a sigh of relief.

At the side, the faces of Lincheng and the others turned cold.

“It’s you?” Lincheng narrowed his eyes and said.

Qin Yu sneered as he said, “Why can’t it be me?”

“You traitor, you actually ran to the other side!” Lin Wan pointed at Qin Yu and scolded.

Qin Yu glanced at her and sneered as he said, “Traitor? What’s the relationship between me and you?”

“Nonsense! We’ve looked for you, so you can’t look for other people. Don’t you understand?!” Lin Wan looked arrogant and domineering.

Qin Yu looked at Lin Wan coldly and said, “Don’t think that everyone in the world is your father and will spoil you. If you weren’t a girl, I would have slapped you long ago.”

When she heard this, not only did Lin Wan not restrain herself, but she became even more aggressive.

She stuck her face in front of Qin Yu and shouted, “Come, try hitting me! How capable are you?!”

Qin Yu sneered and said, “Sorry, I don’t hit dogs.”

“You!” Lin Wan was enraged and was about to make a move.

At this time, Qi Yang reached out his hand to stop Lin Wan and said with a smile, “Lin Wan, don’t you want revenge? Isn’t this a good opportunity?”

Lin Wan was stunned and then said excitedly, “That’s right! Qi Yang, you must give him a good beating!”

“Don’t worry.” Qi Yang’s eyes flashed with a hint of viciousness.

Lincheng also nodded slightly and said, "That's right. Even the Yan family can't say anything about a fair fight."

Zheng Mingshuo, who was listening by the side, was confused and didn't understand the situation for a moment.

"So you guys know each other," Zheng Mingshuo, puzzled, said.

Lincheng said with a nonchalant smile, "We've crossed paths before, but we don't really know each other."

"Who would know a loser like him?" Lin Wan snorted lightly.

Qin Yu was too lazy to argue with them, so he didn't reply.

The few of them sat on the spectator stand while quietly waiting for the start of the match.

At this time, many people had already arrived at the venue.

"Isn't that guy Qin Yu? The one who appeared at the Yan family's banquet not long ago?"

"Yes, I heard that he even broke Shen Tian's arm!"

"This guy has been doing well recently. He's a big shot in Jiangcheng."

"Without the Yan family, he's nothing."

Everyone spoke one after another, but not many people thought highly of Qin Yu.

"Qi Yang, I want you to break his legs to avenge me!" Lin Wan said with a vicious expression.

Qi Yang smiled nonchalantly and said, "Alright, I'll do as you say. I'll break both of his legs."

Even though their voices were very soft, Qin Yu could still hear them clearly.

"He's really ruthless." Qin Yu's expression couldn't help but turn cold.

He wanted to break someone's legs because of an argument. How overbearing.

Qin Yu glanced at them coldly and made up his mind.

At this moment, the host walked onto the stage.

With the host's introduction, the competition officially began.

"Qi Yang, don't hold back," Lincheng shouted at Qi Yang before he went on stage.

Qi Yang bowed slightly and said, "Please don't worry, Uncle Lin."

Zheng Mingshuo was a little worried. He couldn't help but remind him in a low voice, "Mr. Qin, you must be careful. The people of the Lin Family Martial Arts School have always been ruthless."

Qin Yu smiled and said, "Don't worry, Mr. Zheng."

The two stood on the stage and looked at each other coldly.

Qi Yang's lips curled into a sneer and he said, "It's not too late to repent now. As long as you apologize to Lin Wan, I can forgive you."

Qin Yu shook his head and said, "Sorry, it's too late. I don't plan to let you off the hook."

Hearing this, Qi Yang couldn't help but laugh out loud.

“How arrogant! Today, I will let you get a taste of what an inner strength expert is!” Qi Yang shouted and his inner strength began to flow rapidly in his body!

“Die!” Qi Yang roared and rushed toward Qin Yu with clenched fists!

Qi Yang was extremely vicious. He raised his hand and charged towards Qin Yu with all his might!

This made Qin Yu's expression turn even colder.

“What grudge is there between us? He looks like he actually wants to kill me.” Qin Yu narrowed his eyes and couldn't help but mutter softly.

“As expected of Mr. Lin's disciple!”

“How fast! The Lin Family Martial Arts School is getting stronger and stronger!”

“I'm afraid this guy is dead meat!”

At this moment, Qi Yang had already rushed in front of Qin Yu!

Qin Yu didn't move an inch and only looked at Qi Yang coldly.

Just as Qi Yang's fist was about to touch Qin Yu, Qin Yu suddenly raised his hand and grabbed his fist!

Chapter 60: If You Can Do It, Then You Do It

Qi Yang's expression instantly turned extremely ugly!

The venue was dead silent!

“What... What happened?” Someone whispered.

Lin Wan even shouted from below the stage, “Qi Yang, stop playing around and quickly beat him up!”

Hearing Lin Wan’s shout, Qi Yang couldn’t help but curse in his heart.

As if he didn’t want to move! Was it him? He couldn’t move at all!

“This is your so-called inner strength?” A hint of ridicule flashed across Qin Yu’s face.

Qi Yang gritted his teeth and shouted angrily, “Don’t mock me!”

After saying that, he held up his other hand and pressed it towards Qin Yu’s head!

This time, Qin Yu didn’t even move and allowed Qi Yang’s fist to smash towards him!

“Bang!” A muffled sound rang out! Qin Yu didn’t move at all!

Qi Yang felt as if his fist had smashed into a rock and it hurted to the core!

“This... how is this possible?!” Qi Yang’s expression became increasingly unsightly!

This punch had almost used up all of his strength, yet it didn’t injure Qin Yu in the slightest? How was this possible?

“Inner strength isn’t that impressive.” Qin Yu sneered.

Qi Yang gritted his teeth. He tried his best to break free, but he realized that his strength was no match for Qin Yu’s!

At this moment, Qi Yang was filled with indescribable fear!

He was definitely not a match for the man in front of him!

At this moment, Qi Yang only wanted to escape!

“Qi Yang, break his arm quickly. Don’t hold back!” Lin Wan shouted desperately on the spectator stand!

Hearing this, Qi Yang was enraged!

He wanted to rush over and slap Lin Wan!

“You want to break my arm?” Qin Yu said with some amusement.

Cold sweat dripped down Qi Yang’s forehead. He hurriedly shook his head and said, “No... No, I absolutely have no such intention!”

“Is that so?” Qin Yu sneered.

He raised his hand and smacked Qi Yang’s chest lightly.

“Bang!”

Qi Yang’s entire body was sent flying!

Waves of suffocatingly intense pain came from his ribs. It was difficult for him to even breathe!

The venue became completely silent.

Everyone watched this scene in a daze, as if they couldn’t believe that this was actually happening!

That palm... didn’t seem strong at all!

“How is this possible?!” Lincheng’s eyes widened and his expression was extremely ugly!

“Qi Yang!” Seeing this, Lin Wan hurriedly ran to the stage.

She supported Qi Yang and then cursed loudly, “Qin Yu, you’re really ruthless. You actually beat my Qi Yang into this state. Don’t you have any sense of shame?!”

Hearing Lin Wan’s words, Qin Yu couldn’t help but feel like laughing.

Lin Wan really had double standards.

On the spectator stand, Zheng Mingshuo laughed loudly and said, “Mr. Lin, it seems that the helper you invited isn’t impressive!”

Lincheng’s complexion was pale, and he was filled with regret!

If he had known earlier, he wouldn’t have chased Qin Yu away!

Now, not only did he offend him, but his reputation was also ruined!

“Mr. Lin, your disciple can’t even stand up. I think there’s no need to compete anymore, right?” Zheng Mingshuo said with a nonchalant smile.

Although Lincheng was annoyed, there was no way out for him.

He braced himself, stood up and shouted, “This is a fake match! Zheng Mingshuo bribed Qi Yang in advance. That’s all!”

As soon as they heard this, the entire venue was in an uproar!

Everyone came to a sudden realization!

“No wonder, I was wondering. How could Qin Yu be Qi Yang’s opponent?!” Someone shouted from below the stage.

“That’s right! And Qin Yu’s punches look very weak. How could he send someone flying?”

“The Zheng Family Martial Arts School is really shameless!”

“So that’s how it is! I knew it! How could Qi Yang lose?!” On the stage, Lin Wan couldn’t help but come to a realization.

After saying that, she slapped Qi Yang hard and said, “Qi Yang, you didn’t even tell me. You scared me!”

Qi Yang, who already had a broken rib, grimaced in pain after receiving Lin Wan’s slap!

He, wishing that he could beat this idiot to death, glared at Lin Wan fiercely!

“Qi Yang, what’s wrong with you? Why are you looking at me like that?” Lin Wan mumbled.

Qi Yang gritted his teeth and said, “It’s... It’s nothing.”

Seeing that the public opinion was one-sided, Lincheng couldn’t help but sneer.

“You want to fight with me? You’re no match for me,” Lincheng said indifferently.

Zheng Mingshuo’s expression turned ashen. He couldn’t help but grit his teeth and say, “Lincheng! You’re really shameless to the extreme!”

“Hahaha! This is called a tactic.” Lincheng didn’t feel ashamed. Instead, he felt proud.

“Zheng Mingshuo, so what if you won the competition? Your martial arts school still lost,” Lincheng said with some pride.

“You!” Zheng Mingshuo was furious, but he couldn’t do anything to Lincheng!

Lincheng stood up and said indifferently, “This farce should end. I’m sure everyone has seen the strength of the Zheng family’s dojo clearly. As for me, I won’t fool around with you guys anymore. Goodbye.”

After saying this, Lincheng turned around and left.

He was extremely proud of himself, and he was even more proud of his clever last-minute tactic.

“Hold on.”

At this moment, Qin Yu suddenly shouted from the stage.

Lin Cheng stopped in his tracks. He turned around and said with a nonchalant smile, “Do you have anything else?”

Qin Yu narrowed his eyes and said, “Mr. Lin, since you said that Mr. Zheng bribed Qi Yang, how about this? You come, and we’ll fight..”

Read My Rich Wife Online

Chapter 61: Appointment with Miss Yan

Upon hearing this, Lincheng's expression immediately changed!

He knew very well that Qi Yang wasn't bribed, but the difference in strength was too great!

Qin Yu's strength was something that even Lincheng couldn't rival!

"You're too big for your britches. Do you think you're a match for my father?" Before Lincheng could say anything, Lin Wan had already started chattering at the side.

Qin Yu ignored Lin Wan. Instead, he looked coldly at Lincheng and said, "Mr. Lin, please."

Lincheng took a deep breath and said with a shameless smile, "Even if you want to fight, you have to fight Mr. Zheng. Where does a disciple like you get the right to do that?"

"If you don't have the guts, just say you don't have the guts. I won't beat you up then," Qin Yu said indifferently.

Hearing this, Lin Wan shouted again, "Gee, you're so full of yourself. Who do you think you are?"

Then, Lin Wan shouted at Lincheng, "Dad, teach him a lesson and take revenge for me. Break his legs!"

Lin Wan was forcing Lincheng into a dead end!

At this moment, Lincheng really wanted Lin Wan to shut up!

“Mr. Lin, Miss Lin is right. Teach this cocky guy a lesson,” the others also shouted.

“Yes, Mr. Lin, just think of it as educating the younger generation.”

“Mr. Lin, beat him up!”

Countless people jeered, making it difficult for Lincheng to back down.

If he went on stage, he would definitely lose to Qin Yu today.

But if he didn't go on stage, the Lin Family Martial Arts School's reputation would be ruined.

“My... my stomach isn't feeling well,” Lincheng said shamelessly.

Qin Yu sneered while saying, “Mr. Lin, I'm afraid you don't know that I'm also a doctor. The Soul Nourishment Pill that is popular in Jiangcheng was produced by me.”

“I can testify,” Lance quickly said.

Lincheng gritted his teeth. Just as he was about to find another excuse, Qin Yu took a step forward and said, “It seems that you really don't have the guts to. Are you worthy of being called the number one martial artist in Jiangcheng?”

“Kid, don't get too cocky!” Lincheng's tone contained some anger.

He roared and then raised his feet to walk towards the stage.

“Don't think that I'm really afraid of you?! I just don't want to hurt you,” Lincheng said with a cold expression.

Qin Yu narrowed his eyes slightly and said coldly, “People like you really disgust me. Your daughter said that she would break my legs. I'm

also a reasonable person. I'll only break both of your legs. I definitely won't kill you."

Lincheng's expression changed drastically! Just as he was about to speak, Qin Yu had already walked over!

Qin Yu's speed was extremely fast. The gust of wind from his fist was terrifying. Lincheng was alarmed!

Qin Yu's strength was far beyond his imagination!

"Oh no!" Lincheng was alarmed and hurriedly retreated.

However, Qin Yu didn't give him a chance. In an instant, he arrived beside Lincheng and kicked Lincheng's calf.

With a crisp crack, Lincheng's calf was bent!

"Ah!!" Lincheng couldn't help but scream due to the intense pain!

Qin Yu didn't stop there. He raised his foot again and kicked another calf.

With another crisp crack, Lincheng's legs bent backward in a strange arc!

Without the support of his legs, Lincheng directly knelt on the ground!

"Alright, I've broken both of your legs. We're even now," Qin Yu said coldly.

Lincheng, his face distorted from the pain, clasped his legs!

Beads of sweat dripped down his forehead and he seemed to be in extreme anguish!

The venue was silent.

After a short period of silence, there was an uproar!

“How is this possible? Mr. Lin didn’t even have the strength to fight back?”

“The number one martial artist in Jiangcheng lost just like that?”

“D*mn, this young man called Qin Yu... is actually that impressive?”

“So... Mr. Zheng didn’t bribe Qi Yang at all?”

“No wonder he was favored by the Yan family...”

Lincheng’s expression was extremely unsightly. He wished he could find a hole to hide in!

If he had known earlier, he wouldn’t have offended Qin Yu!

“Dad, Dad, are you alright?!” Lin Wan hurriedly ran in front of Lincheng.

She raised her head and glared at Qin Yu fiercely. “You’re so ruthless!”

“He brought it on himself,” Qin Yu said coldly.

“You, his daughter, also have to bear some of the responsibility.”

After Qin Yu said this, he turned his head and walked off the stage.

“Call an ambulance...” Lincheng used all his strength to say these words.

“Yes, yes, call an ambulance!” Lin Wan took out her phone in a panic.

Meanwhile, Qin Yu had already left the stadium with Zheng Mingshuo and the others.

In the car that was heading back, Mr. Zheng couldn’t help but cup his hands and say, “Mr. Qin, thank you for your help. I will definitely repay you!”

After saying that, Zheng Mingshuo looked at his disciple beside him and said, "From today onwards, the Zheng Family Martial Arts School will take out 10% of the profits and gift it to Mr. Qin."

Upon hearing Zheng Mingshuo's words, Qin Yu was deeply astonished.

He waved his hand and said, "Mr. Zheng, there's no need. You've already given me a ginseng."

"No, that ginseng is only for Mr. Qin to help," Zheng Mingshuo said somewhat stubbornly.

"Mr. Qin's actions today will bring the Zheng Family Martial Arts School a very high increase in profits. You deserve 10% of the profits," Zheng Mingshuo said sincerely.

Seeing this, Qin Yu didn't refuse.

They returned to Dragon Paradise.

"Mr. Qin, if you have time tonight, I'd like to treat you to a meal," Zheng Mingshuo said.

Just as Qin Yu was about to agree, his phone suddenly rang.

He picked up the phone and saw that the caller was Yan Ruoxue.

Qin Yu hurriedly walked to the side and picked up the phone.

"Miss Yan." Qin Yu's tone carried a hint of gentle mirth.

"Doctor Qin, what are you doing?" Yan Ruoxue asked playfully.

Qin Yu smiled and said, "Nothing, I'm just idling at home."

“Then... accompany me to a dance party tonight? I need a companion,” Yan Ruoxue said.

Qin Yu hadn't seen Yan Ruoxue for a few days, and he missed her immensely.

Therefore, Qin Yu agreed without thinking.

After hanging up the phone, Qin Yu turned around and walked back to Zheng Mingshuo's side.

“Mr. Zheng, I'm afraid I don't have time tonight,” Qin Yu said with a smile.

“Mr. Qin... Do you have an appointment?” Zheng Mingshuo asked tentatively.

Before Qin Yu said anything, Yao Qing, who was at the side, teased, “Seeing how he's smiling so happily, it must be his appointment with Miss Yan.”

“Screw you.” Qin Yu kicked Yao Qing's butt.

Zheng Mingshuo also had a look of sudden realization. He cupped his hands and said, “Then I won't disturb you, Mr. Qin..”

Chapter 62: Who Are You Calling a B*stard?

Qin Yu didn't care about the banquet, he just wanted to see Yan Ruoxue.

At night.

A Bentley that was used to take pictures in Jingdu stopped at the door.

Yan Ruoxue rolled down the window and waved at Qin Yu.

Qin Yu quickly trotted to the front of the car.

“Get in the car.” Yan Ruoxue blinked.

Qin Yu got into the car and sat next to Yan Ruoxue.

It wasn't known whether it was because of the hot weather, but Yan Ruoxue's face was flushed, which made her look even more attractive under the moonlight.

Qin Yu kept staring at Yan Ruoxue and was so mesmerized that he was unable to look away.

“Have you seen enough?” Yan Ruoxue reached out and patted Qin Yu's head.

Only then did Qin Yu come back to his senses. He rubbed his nose resentfully, looking a little embarrassed.

“Let me tell you a piece of good news,” Yan Ruoxue said.

“What good news?” Qin Yu hurriedly asked.

Yan Ruoxue smiled and said, “Recently, the market share of the Shen family's products in Chuzhou has been dropping non-stop. In just a few days, it has dropped by nearly 10% .”

“I think it won't be long before Shen Tian comes to find you,” Yan Ruoxue snickered.

This gave Qin Yu a pleasant surprise. He had thought that it would take at least a month for it to take effect, but it had far exceeded his expectations.

“Qin Yu, let me ask you a question.” At this moment, Yan Ruoxue suddenly said with a serious expression.

“What question?” Qin Yu asked.

Yan Ruoxue tousled her hair and said with a smile, “If Shen Yun came to beg you, would you let him off the hook?”

Hearing this question, Qin Yu fell into a short silence.

Ever since he was a child, Qin Yu had always been merciful. Even if someone had hurt him, Qin Yu would forgive them.

But as he grew older, Qin Yu slowly realized that his benevolence not only wouldn't help him gain the respect of other people, but he would even be looked down upon by other people.

After thinking for a long time, Qin Yu shook his head and said, “No, I won't be merciful to him, and I won't let him off.”

Yan Ruoxue nodded slightly and smiled.

Although she didn't say anything, it could be seen that Yan Ruoxue was very satisfied with this answer.

The secretary sitting in the front row said offhandedly, “The Shen family has been prominent for many years, so even if it declines, it won't be so easy to deal with.”

Qin Yu knew that this secretary looked down on him, so.., he replied in a neither servile nor overbearing manner, “Maybe you think too highly of the Shen family, or maybe you look down on me too much, but the trifling Shen family can't stop me, and he isn't my target.”

Hearing this, the secretary turned his head.

He looked at Qin Yu with some surprise, and then secretly glanced at Yan Ruoxue, as if he was very surprised by Qin Yu's words.

It wasn't for other reasons, but because Yan Ruoxue had also said these words.

"If you can really eliminate the Shen family, I might look at you in a new light," the secretary said indifferently.

Qin Yu shook his head and said, "I don't need you to look at me in a new light, because I don't care about your opinion at all."

"You!" The secretary was instantly rendered speechless by the snub.

Yan Ruoxue, who was at the side, secretly laughed.

...

The car arrived at a hotel, and the party was set up on the rooftop of the hotel.

"Wait for me here," Yan Ruoxue said to the secretary.

"Yes, Miss," the secretary nodded.

Then, Yan Ruoxue and Qin Yu walked into the hotel together.

When they came to the rooftop, Yan Ruoxue stretched out her arm and rolled her eyes. "Do you still need me to teach you what to do?"

Qin Yu froze, then quickly reached out and held Yan Ruoxue's arm.

"I've never attended such an occasion before..." Qin Yu said with some embarrassment.

"It's okay. There will be more opportunities in the future," Yan Ruoxue said with a smile.

At this moment, two other people also came to the banquet.

“Mr. Lin is still lying in the hospital. I’m not feeling too well. Why must I attend this banquet?” Qi Yang said with some helplessness.

His ribs were in pain, but he had to endure it. This was simply torture.

“Ugh, even if I stay in the hospital, I can’t help much. Besides, I’ve never attended this kind of cocktail party before!” Lin Wan said in a petulant voice.

Qi Yang frowned. He was getting increasingly annoyed with Lin Wan.

Soon, the two of them arrived at the rooftop.

After showing the invitation, the two of them walked straight into the cocktail party’s venue.

“Wow! This place is so lavish!” As soon as they entered the cocktail party, Lin Wan shouted excitedly!

Qi Yang also said with some pride, “Although I’m not from Jiangcheng, I have a lot of friends in Jiangcheng.”

“This hotel is the tallest building in Jiangcheng. Standing here, you can overlook more than half of Jiangcheng!” Qi Yang said proudly.

Lin Wan quickly nodded and said, “Standing here gives me a lofty feeling!”

Qi Yang laughed and said, “I’ll bring you to meet my friend later. He is a big shot in Jiangcheng!”

As soon as he said that, Qi Yang suddenly frowned and saw Qin Yu a short distance away.

“Why is he here?” Qi Yang frowned and asked.

Ever since he witnessed Qin Yu's strength, Qi Yang became terrified of Qin Yu.

It was definitely not a good thing to meet him at this cocktail party.

"I hope Lin Wan won't see him," Qi Yang thought to himself.

He knew very well that if Lin Wan saw him, she would definitely go over and provoke him.

Moreover, Qi Yang could also tell that Qin Yu didn't hit women. When the time came, he might vent his anger on himself.

"Huh? That b*stard is actually here!" At this moment, Lin Wan suddenly shouted.

Qi Yang's expression instantly darkened.

What he was afraid of came true.

"Qi Yang, look, it's that B * Stard. Let's go. I'm going to scold him to vent my anger!" Lin Wan said angrily.

Qi Yang coughed and said, "Forget it? It's not good to cause trouble at this cocktail party..."

"It's fine. If Qin Yu dares to get violent here, the owner of the hotel definitely won't forgive him!" Lin Wan said smugly.

Even though that was the case, Qi Yang was still a little afraid.

The experience from the last time they fought still frightened him completely.

"Qi Yang, are you afraid?" Lin Wan rolled her eyes.

Hearing this, Qi Yang immediately braced himself and said, “I’m afraid? Why would I be afraid of him? I’m just about to settle the score with him! Let’s go!”

After saying that, the two of them walked towards Qin Yu.

On the way, Qi Yang kept praying in his heart, “I hope Qin Yu doesn’t dare to make a move, or else I’ll really have to go to the hospital...”

Very soon, the two of them arrived behind Qin Yu.

“You b*stard, you actually came!” Lin Wan shouted from behind.

Hearing the two of them shouting, Qin Yu and Yan Ruoxue turned their heads at the same time.

Looking at the two of them in front of him, Qin Yu couldn’t help but frown and say, “Qi Yang, I was kind enough to show mercy to you, but you still want to find trouble?”

“I . . .” Qi Yang opened his mouth but didn’t dare to say anything for a moment.

“Cut the crap!” Lin Wan shouted loudly.

“What right do you have to participate in this kind of upscale cocktail party? You hurt my father. Do you think you will be let off the hook?” Lin Wan snorted and said.

“B*stard, you’d better disappear right now, or I’ll beat you to death!” Lin Wan shouted defiantly.

Qin Yu frowned slightly.. Just as he was about to speak, Yan Ruoxue, who was beside him, suddenly said, “Who are you calling a b*stard?”

Chapter 63: Lin Wan Gets Served

Yan Ruoxue's expression was a little cold, and her powerful aura instantly intimidated Lin Wan.

Lin Wan, who had always been fearless, was actually unable to speak at this moment.

“What does it have to do with you?!” Lin Wan braced herself and said.

Yan Ruoxue looked coldly at Lin Wan and said, “You said he's a b*stard?”

“That's right, he's a b*stard!” Lin Wan snorted and said.

However, just as Lin Wan finished speaking, a clear palm print appeared on her face.

Yan Ruoxue raised her hand and slapped Lin Wan's face!

Lin Wan covered her face and was stunned for a moment.

In all her life, no one had ever hit her!

“You... you actually dared to hit me?” Lin Wan widened her eyes and shouted in shock.

Yan Ruoxue said in an icy tone of voice, “If you dare to talk nonsense again, I will tear your mouth apart and make you unable to speak forever.”

“You... I'm gonna beat you black and blue!” Lin Wan pounced towards Yan Ruoxue.

Unfortunately, Lin Wan had just raised her hand when she received another slap from Yan Ruoxue.

The two consecutive slaps had stupefied Lin Wan, and her eyes were brimming with tears.

“You’re dead meat. I won’t let you off the hook!” Lin Wan said through gritted teeth.

Then, Lin Wan looked at Qi Yang and said angrily, “Qi Yang, quickly call your friends out and chase them out!”

Qi Yang coughed and braced himself to walk forward.

“How can you hit people? The boss here is my friend!” Qi Yang tried his best to maintain an arrogant attitude.

At this moment, Qin Yu took a step forward and said with a smile, “Miss Yan, leave this person to me.”

Yan Ruoxue didn’t refuse and nodded in agreement.

However, Qi Yang was frightened by this address.

Miss Yan? There weren’t many people with the surname Yan in the entire Jiangcheng!

Coupled with her powerful aura and the fact that she was standing beside Qin Yu...

Could it be that she was Yan Ruoxue from Jingdu?

When he thought of this, Qi Yang’s expression immediately changed!

He immediately changed his expression and said with a smile, “Gee, it’s all a misunderstanding. Qin Yu, this is Lin Wan’s fault. I will definitely teach her a good lesson!”

This caused Qin Yu, who was about to make a move, to freeze for a moment.

Why did Qi Yang, who was arrogant just a moment ago, change his expression in the blink of an eye?

“Qi Yang, what are you talking about?!” Lin Wan said angrily.

Qi Yang tugged Lin Wan and apologized, “I’m sorry. I’m sorry. We’ll leave now...”

After saying that, Qi Yang dragged Lin Wan to the side.

After walking far away, Lin Wan said angrily, “What do you mean?! That woman slapped me twice and you’re still apologizing to them?”

Qi Yang suppressed his anger and said, “Do you know who that woman is? If you provoke her, your family will be dead meat!”

“I don’t give a hoot about who she is. She has to pay the price for hitting me!” Lin Wan said with a bit of viciousness.

Qi Yang impatiently waved his hand and said, “If you want to dig your own grave, then do it yourself. Don’t implicate me!”

After saying that, Qi Yang directly walked to the side.

...

At the banquet venue, Yan Ruoxue and Qin Yu sat down.

“Do you want to dance together?” Yan Ruoxue asked with a smile.

Qin Yu hurriedly shook his head and said, “No, no, no. I don’t know how to dance, and I don’t like it either.”

Yan Ruoxue didn't insist and said with a smile, "Alright then. I'll introduce you to a friend later."

More than ten minutes later, a middle-aged man in a suit and leather shoes hurried over.

"Miss Yan, I'm really sorry. I was delayed by something at home," the middle-aged man said while wiping his sweat.

Yan Ruoxue smiled and said, "Mr. Wei, you don't have to be so polite. Please take a seat."

The man called Mr. Wei hurriedly nodded and sat down.

Then, Yan Ruoxue smiled and said, "Let me introduce you. This is Chuzhou's bank manager, Wei Jiang."

After saying that, Yan Ruoxue looked at Qin Yu and said, "This is Qin Yu."

Wei Jiang quickly stood up and shook hands with Qin Yu warmly.

"Mr. Qin, you've been quite famous recently. Your name has taken Chuzhou by storm," Wei Jiang said with a polite smile.

Qin Yu knew that Wei Jiang was just being polite, so he quickly said, "Thank you, Mr. Wei."

"Mr. Wei, is your wife okay?" At this time, Yan Ruoxue suddenly asked.

Wei Jiang sighed and said, "The situation isn't optimistic. I just hired a famous doctor from abroad, and it was because of this matter that I was delayed."

Yan Ruoxue smiled as she looked at Qin Yu and said, “It just so happens that Mr. Qin is also a doctor. He may be able to help you.”

Wei Jiang looked at Qin Yu and pretended to be surprised. “Mr. Qin is a Chinese doctor?”

“Er... sort of.” In fact, Qin Yu didn’t know exactly what he was.

“Then I’ll have to trouble you, Mr. Qin,” Wei Jiang said with a smile.

“Qin Yu, Mr. Wei entrusted his wife to you. You can’t let him down.”

Yan Ruoxue winked at Qin Yu.

Qin Yu nodded and couldn’t help but sigh to himself.

Chuzhou Bank was the largest bank in Chuzhou. Almost all commercial loans were approved by Chuzhou Bank.

How could Qin Yu not understand Yan Ruoxue’s intentions? She was clearly paving the way for him....

Chapter 64: Harum-scarum Lin Wan

Qin Yu naturally understood Yan Ruoxue’s good intentions.

Wei Jiang, who wasn’t far away, seemed a little troubled. He didn’t want Qin Yu to help, but Yan Ruoxue’s words gave him no way out.

At this moment, whether he was willing or not, he had to agree.

“Then I can only trouble Mr. Qin,” Wei Jiang was forced to say with a smile.

Qin Yu was also quite helpless. Although his medical skills were superb, not many people recognized him, so Wei Jiang couldn’t be blamed for this.

After the banquet, Yan Ruoxue sent Qin Yu to Dragon Paradise.

The car stopped at the entrance, but the two of them weren't in a hurry to get out.

At this time, Yan Ruoxue suddenly looked at Qin Yu and asked, "Qin Yu, if one day, I return to Jingdu, can you take care of yourself?"

Hearing this, Qin Yu froze. He hurriedly asked, "Miss Yan, are you returning to Jingdu?"

Yan Ruoxue shook her head and said, "Not yet, but there will be a day when I return."

Qin Yu opened his mouth, but he didn't know what to say.

Yes, Yan Ruoxue had to return to Jingdu sooner or later. That was her home.

But with Qin Yu's current ability, going to Jingdu was equivalent to forcing himself into a dead end.

Yan Ruoxue was a wealthy heiress. Even in Jingdu, she was a prominent figure. There were probably countless people chasing after her.

With Qin Yu's current abilities, Yan Ruoxue was way out of his league.

"If you return to Jingdu, I will try to go to Jingdu to see you and propose marriage as soon as possible," Qin Yu took a deep breath and replied seriously.

Hearing Qin Yu's reply, Yan Ruoxue blinked her eyes and said, "With this promise, I'm satisfied."

After Yan Ruoxue let Qin Yu off, she returned to the Yan family's manor.

The next day, Yan Ruoxue was going out to participate in an event downtown.

Not long after she went out, her car was stopped by a few people.

“Miss Yan, there are two cars blocking our way,” the driver frowned and said.

Yan Ruoxue looked up and couldn't help but feel a little astonished.

There was someone in Jiangcheng who dared to block her car?

“Miss Yan, please wait a moment. I'll go down and take a look,” the secretary said.

“No need.” Yan Ruoxue shook her head.

She opened the car door and got out of the car.

After Yan Ruoxue got out of the car, seven to eight people jumped out of the cars blocking the road in front.

The leader was a young man with gold-rimmed glasses, and the one following him was actually Lin Wan!

When she saw Lin Wan, Yan Ruoxue's expression couldn't help but turn cold.

“B * tch, I've been waiting for you for a long time!” Lin Wan angrily ran in front of Yan Ruoxue.

“Jiang Tao, he's the one who hit me!” Lin Wan said angrily.

The young man called Jiang Tao walked over with a smile. When he saw Yan Ruoxue's face clearly, he couldn't help but gasp!

This woman was too beautiful! It wouldn't be an exaggeration to say that no one in the nation rivaled her beauty! He had never even seen such a beautiful woman in beauty contests!

"Jiang Tao, hurry up and teach him a lesson!" Lin Wan urged from the side.

Jiang Tao smiled. He walked in front of Yan Ruoxue and said nonchalantly, "Miss, seeing how beautiful you are, I really can't bear to do it."

"How about you apologize to Lin Wan and let this matter pass?" said Jiang Tao.

Yan Ruoxue looked at Jiang Tao coldly and said, "Get lost."

Jiang Tao froze, and a hint of displeasure appeared on his face.

"Although I'm merciful towards women, it doesn't mean that I don't have a temper," said Jiang Tao coldly.

Lin Wan, who was at the side, cursed, "Weren't you very cocky yesterday? Didn't you slap me yesterday? Show me your arrogance again today!"

"Okay." Yan Ruoxue raised her hand and slapped Lin Wan again!

Lin Wan froze, and then she shouted crazily, "You're dead meat. I'm going to kill you, you b * tch!"

Jiang Tao, who was at the side, also said with a cold expression, "Since you refuse to back down for my sake, don't blame me for being rude!"

"Wait."

At this moment, the secretary suddenly got out of the car.

He walked all the way to Jiang Tao and said with a smile, “May I ask if your name is Jiang Tao?”

Jiang Tao froze and frowned, “You know me?”

The secretary continued, “The son of Deputy Mayor Jiang?”

Hearing that, Jiang Tao immediately said with some pride, “That’s right! Since you know who I am, then hurry up and admit your mistake!”

The secretary pushed up his glasses and sneered while saying, “Even your father wouldn’t dare to say that.”

“You’re bluffing. Who do you think you are?” Jiang Tao couldn’t help but burst into laughter!

“If your father still wants his job, you’d better ask him to come over and apologize,” Yan Ruoxue said coldly.

“Ask my father to apologize? You’re too big for your britches!” Jiang Tao said angrily.

“No one in Jiangcheng dares to boast about something so over the top!”

Seeing this, the secretary stopped talking.

He took out his cell phone and dialed a number.

After the call was connected, Deputy Mayor Jiang said politely, “Why isn’t Miss Yan here yet? We have been waiting for her for a long time!”

The secretary sneered and said, “Mr. Jiang, I’m afraid Miss Yan can’t go today. Your son blocked the road and threatened to beat Miss Yan.”

“Mr. Jiang, let me remind you that you’d better handle it properly.”

After saying that, the secretary hung up the phone.

“You’re so pretentious.” Jiang Tao wasn’t intimidated.

“Do you really think you’re some big shot?” Jiang Tao sneered.

Lin Wan, who was next to him, cursed, “That’s right. What Miss Yan? Do you think we’re afraid of you because you’re from Jingdu?”

“That’s right, what do you think... ?” Before Jiang Tao could finish his sentence, he suddenly reacted.

“You... Who did you say she was?” Jiang Tao grabbed Lin Wan’s arm and said anxiously.

“Miss Yan from Jingdu, what’s wrong... ?” Lin Wan asked, somewhat puzzled.

Hearing this, Jiang Tao felt even more apprehensive and remorseful!

He gritted his teeth and slapped Lin Wan!

“You screwed me over!” Jiang Tao roared angrily.

After saying that, Jiang Tao hurriedly looked at Yan Ruoxue and said with a trembling voice, “Miss... Miss Yan, I didn’t know it was you. Sorry for offending you. I hope you can forgive me...”

Yan Ruoxue glanced at Lin Wan coldly and didn’t say anything.

“Let’s go home.” Then, Yan Ruoxue went straight back to the car.

Jiang Tao was on edge. Jiangcheng City dedicated a lot of manpower and resources to convince Yan Ruoxue to attend this meeting.

But now, because of him, the meeting was canceled!

“I’m dead meat...” Jiang Tao’s expression was extremely ugly.

At this moment, Jiang Tao’s phone rang.

He picked up the phone and saw that it was his father calling.

Jiang Tao picked up the phone with a trembling voice and quivering lips, “Dad... Dad, what’s wrong?”

“What’s wrong? Are you trying to dig your own grave? Hurry up and get back here!” Deputy Mayor Jiang cursed on the other end..

Chapter 65: Encountering an Old Classmate

After hanging up the phone, Jiang Tao felt extremely remorseful.

“Jiang Tao, what’s going on? Isn’t your father the deputy mayor...” Lin Wan whispered.

Jiang Tao, wishing he could kill Lin Wan, glared at her!

“Teach this woman a lesson and throw her back to the Lin Family!” Jiang Tao said with a cold expression.

“Yes, Jiang Tao.” A few people immediately went forward and dragged Lin Wan to the car.

...

At this time, the market share of the Shen family was still declining, and the capital flow was also encountering difficulties.

“Mr. Shen, our capital has encountered a huge problem.” Shen Yun’s secretary sighed.

Shen Yun, his expression cold, stood in front of the window.

He was silent for a moment and said, "It's okay. The loan I just applied for will probably come down soon."

"But... our market share is still declining." The secretary sighed.

Shen Yun didn't say anything. He held the soul nourishment pill in his hand and couldn't help but fall into deep thought.

He had never thought that such a small pill would actually bring such a big loss to the company.

What was even more unexpected to Shen Yun was that Yan Ruoxue had already predicted that the Shen family's funds would run out and that the loan would be approved.

That was why she had introduced Qin Yu to the president of the Chuzhou Bank.

Everything seemed to be within Yan Ruoxue's expectations.

...

"Mr. Qin, where are we going?" At this moment, Qin Yu and Yao Qing had already arrived at the bus stop.

Qin Yu smiled and said, "To the provincial capital."

Although Wei Jiang had suggested bringing his wife to Jiangcheng, she was still a sick person after all. She couldn't withstand fatigue, so Qin Yu had rejected it.

Standing at the entrance of the bus station, Qin Yu and Yao Qing bought two tickets.

"Mr. Qin, why don't you buy a car? Taking a bus is too degrading," Yao Qing muttered in a low voice while sitting in the waiting room.

Qin Yu rolled his eyes and said, “I’m just an ordinary person. What’s so degrading about taking a bus?”

“I didn’t mean that,” Yao Qing explained.

“The main thing is that you don’t lack money right now. Why...”

Although Yao Qing didn’t continue, his meaning was very obvious.

Qin Yu nodded slightly and said, “I don’t lack money right now, but the money has to be spent wisely.”

Buying a car wasn’t that beneficial for Qin Yu. It was far less affordable than riding a bus.

Moreover, Qin Yu wasn’t a vain person. He didn’t need a car to make himself seem like a big shot.

After more than ten minutes, the two of them boarded a bus to the provincial capital.

As soon as they sat down, Qin Yu’s shoulder was patted by someone.

Qin Yu turned around and saw a fashionable girl looking at him.

“Are you... Qin Yu?” She asked tentatively.

Qin Yu eyed at the girl carefully and suddenly exclaimed, “You are... Song Wei?”

“Yes, it’s me, Qin Yu. I didn’t expect to meet you here!” Song Wei said with some surprise.

Song Wei was Qin Yu’s high school classmate, and she was the only one who had a good relationship with him.

It wasn't because of anything else, but because Song Wei's background was similar to Qin Yu's. Both of them had been orphans since they were young, so they were ignored by people in the class.

At the last class reunion, Song Wei was also not invited.

"We haven't seen each other for more than ten years. You've changed." Qin Yu looked at Song Wei and couldn't help but lament.

He remembered that when she was in school, Song Wei was a girl who didn't know how to dress up and wore unfashionable clothes.

Now, she had matured into a beautiful lady.

"You too." Song Wei said somewhat embarrassedly.

"By the way, are you also going to work in the provincial capital?" Song Wei asked.

Qin Yu shook his head and said with a smile, "I'm going to treat someone."

"Treat someone?" Song Wei was a little surprised.

"I haven't seen you for a few years, but you've actually become a doctor," Song Wei said with some surprise.

Qin Yu smiled and didn't explain.

Song Wei was born into a poor family, so she studied hard and now had a master's degree from a prestigious university.

As long as the work went smoothly this time, her future would be full of potential

The two of them talked all the way and didn't stop until they arrived at the provincial capital.

Before leaving, Song Wei gave Qin Yu her cell phone number and said, "We'll contact each other again when we have time. I'll treat you to a meal when my job stabilizes."

Qin Yu smiled and said, "Okay, it's a promise."

Then, Song Wei took a taxi and left the place.

Qin Yu and Yao Qing stood at the station while waiting for Wei Jiang's car.

Ten minutes later, an Audi A6 stopped in front of the two of them.

In the car, Wei Jiang's son, Wei Hang, frowned and said, "Dad, are you really going to let Qin Yu treat my mom's illness?"

Wei Jiang couldn't help but sigh slightly.

He naturally couldn't trust Qin Yu, but Yan Ruoxue's meaning was too obvious. Wei Jiang had no choice.

"If Qin Yu is sensible, he probably won't interfere." Wei Jiang sighed.

Wei Hang frowned and said, "But what if he insists on intervening?"

Wei Jiang's expression tensed up and his face was full of worry.

"For the sake of your mother, I can only offend the Yan family." Wei Jiang gritted his teeth, as if he had made a big decision.

Following that, Wei Jiang got out of the car and walked all the way to Qin Yu.

“Mr. Qin, please get in the car,” Wei Jiang said politely.

Qin Yu greeted Wei Jiang and then got into the car with Yao Qing..

Chapter 66: Traitorous Foreign Worshipper

Perhaps because of Yan Ruoxue, Wei Jiang treated Qin Yu quite politely.

On the way to the Wei family's home, Wei Jiang said with a smile, "Mr. Qin, my wife's illness is quite serious, and it just so happens that there is already an international treatment plan. She can be considered lucky."

Wei Jiang was extremely tactful, but Qin Yu could still discern Wei Jiang's meaning. He was insinuating Qin Yu from the side that he didn't need to treat her illness.

"Mr. Wei, if your wife has a better treatment plan, that would naturally be the best. Our goal is for your wife to be healthy," Qin Yu said with a smile.

Hearing Qin Yu's words, Wei Jiang was instantly overjoyed.

He hurriedly cupped his hands and said, "Mr. Qin, don't worry. I won't let you come for nothing this time. I've already prepared a gift for you. You must accept it."

"That's not necessary." Qin Yu waved his hand.

"Mr. Qin, just accept it. Our family doesn't like to owe others a favor," said Wei Hang.

This was the truth. Wei Jiang never owed others a favor.

Qin Yu didn't say anything more and nodded in agreement.

The car drove to the Wei family's home and soon stopped at a high-end residential area.

Then, Qin Yu followed Wei Jiang all the way upstairs.

In the room, besides some other people, there was a young man in his thirties.

The young man was dressed very elegantly and he spoke eloquently. He had the demeanor of a successful elite.

"Mr. Xu." Wei Jiang walked over and shook hands with the young man.

The man called Mr. Xu nodded. Then, he looked at Qin Yu with a puzzled look in his eyes.

Seeing this, Wei Jiang quickly introduced, "This is Dr. Xu Majun. He has been studying abroad for many years and has just returned to the country."

Then, Wei Jiang looked at Qin Yu and said, "This is Mr. Qin."

After that, Wei Jiang stood to the side and didn't say anything else.

Yao Qing couldn't help but frown and immediately added, "Mr. Qin specially came from Jiangcheng to examine Mrs. Wei."

Hearing this, Wei Jiang's face immediately showed an awkward expression.

Mr. Xu frowned even more and said somewhat unhappily, "Mr. Wei, what do you mean? You don't trust me?"

"No, no, no." Wei Jiang hurriedly shook his head.

"Mr. Xu, please don't misunderstand. Mr. Qin is only here as accompaniment." Wei Jiang braced himself and said.

Xu Maojun glanced at Qin Yu and then snorted, "It's okay as accompaniment, but I'm warning you. I don't like to be disturbed when I'm treating patients."

Displeasure flashed across Yao Qing's face. He was about to speak when Qin Yu reached out and stopped him.

"Mr. Qin, please drink some water first. I'll accompany Mr. Xu for the examination," Wei Jiang said politely.

Then, Wei Jiang and Mr. Xu walked into the bedroom together.

In the living room, Wei Hang poured a cup of tea for Qin Yu and Yao Qing. Then, he smiled and said, "Mr. Qin, are you a traditional Chinese medicine practitioner?"

"Er... you can say that." Qin Yu nodded.

In the medical inheritance left by his father, silver needles were indeed used. It should have some connection with traditional Chinese medicine.

However, after he heard these words, a hint of contempt flashed across Wei Hang's face.

“Don't you know that traditional Chinese medicine is all a lie?” Wei Hang said with slight derision.

Qin Yu wasn't angry. The traditional Chinese medicine world had indeed been tarnished by a bunch of swindlers.

“Some diseases can only be treated by traditional Chinese medicine. Both traditional Chinese medicine and Western medicine have their own advantages and disadvantages,” Qin Yu said with a smile.

Wei Hang shook his head and didn't say anything else.

Time passed minute by minute. After about half an hour, Wei Jiang and Xu Maojun finally walked out.

“Mr. Wei, don't worry about your wife's illness. It's just caused by low blood sugar,” Xu Maojun said nonchalantly.

“Oh right, in traditional Chinese medicine, it's called Qi and Yang imbalance caused by low blood sugar. It leads to physical and mental fatigue.” At this time, Xu Maojun looked at Qin Yu provocatively.

In reality, Qin Yu didn't understand any of this at all. He had never studied traditional Chinese medicine, so he naturally didn't understand these professional terms.

Beside him, Wei Jiang sighed and said, “We have gone to the hospital to check and the hospital has said the same thing. But after taking so many medicines, she hasn't been cured at all.”

Xu Maojun said a little proudly, “The hospital resources in Chuzhou aren’t good. Their equipment and herbs have already fallen behind the foreign countries for many years, so naturally she wouldn’t be cured.”

After Xu Maojun said that, he took out a small blue bottle and handed it to Wei Jiang. He said nonchalantly, “This is the latest research product from the foreign countries. It’s far more effective than that of the backward Pyro. As long as you give it to your wife to take a few times, she will be able to recover fully.”

Hearing Xu Maojun’s words, Yao Qing couldn’t help but snort softly as he said, “What a foreign worshiper. Having studied abroad for so many years, all you have learned is how to kiss up to them, haven’t you?”

As soon as these words were said, the expressions of the people in the room changed drastically!

Especially Xu Maojun, who even scolded, “Mr. Qin, please discipline your subordinate!”

“He isn’t my subordinate, but my friend. Moreover, I think what he said is right,” Qin Yu said expressionlessly.

Xu Maojun’s every move had a foreign-worshipping air. When he mentioned his own country, his face was full of disdain, but when he mentioned foreign countries, his face was full of pride, which really made people feel disgusted.

Xu Maojun snickered and said, “What, I’m not allowed to say that this country lagging behind?”

“We can catch up if we are lagging behind, but Pyro is the place where we were born and raised, and we shouldn’t look down upon it.” Qin Yu said with a cold expression.

When Xu Maojun heard that, he couldn’t help but laugh out loud and say, “I’m sorry, I have already obtained a green card overseas. Strictly speaking, I am no longer a citizen of Pyro.”

Qin Yu looked coldly at Xu Maojun and said, “From the tone of your voice, I can tell what kind of person you are.”

“Oh really?” Xu Maojun raised an eyebrow.

“What kind of person do you think I am?” Xu Maojun asked with a tinge of amusement.

Qin Yu snickered and said, “You’re a traitorous person who throws your own country under the bus and kisses up to outsiders! A person like you definitely won’t have any outstanding medical skills. To be more precise, a person like you won’t be able to learn anything at all.”

“Therefore, I doubt your diagnosis!”

Qin Yu’s words were sonorous and powerful, making it hard for people to trivialize them!

Chapter 67: Only Six Hours Left

In fact, Wei Jiang was also very unhappy with Xu Maokun’s attitude. However, Xu Maokun had just helped him, so it was really not appropriate for him to turn hostile.

At this moment, Wei Jiang gave Qin Yu a thumbs up deep down when he heard Qin Yu's words.

Xu Maokun sneered and said, "You doubt my diagnosis? On what basis? On the basis of your deceitful Chinese Medicine?"

Qin Yu said coldly, "Don't think that just because you've been abroad for a few years that you've seen the world. Let me tell you, I've seen a lot of people like you!"

"As for whether I'm lying or not, it's not up to you to decide."

After saying this, Qin Yu looked at Wei Jiang and said, "Mr. Wei, let me take a look at your wife. Is that alright?"

"Mr. Wei, do you think it's necessary?" Xu Maojun's tone was a bit threatening.

Wei Jiang's expression was a bit awkward. He braced himself and said, "Since you're here, why don't I let you take a look..."

"Take a look?" Xu Maojun's expression turned cold. He snorted and said, "In that case, you don't need me. Let him treat your wife!"

Wei Jiang's expression suddenly became a bit ugly.

In order to treat his wife, Wei Jiang had already spent too much effort.

This time, he had to use countless connections to invite Xu Maokun.

If Xu Maokun refused to treat her, Wei Jiang really wouldn't know what to do.

“Mr. Wei, please return that bottle of medicine to him. He isn’t the only doctor in the world,” Qin Yu said coldly.

Wei Jiang felt distressed deep down.

Qin Yu made it sound easy. If it was really that simple, why would he invite Xu Maokun ?

“Mr. Wei.” Qin Yu saw that Wei Jiang was hesitant, so he walked forward.

He said seriously, “I promise you. I will definitely be able to cure your wife’s illness.”

Qin Yu’s medical heritage could be considered omnipotent. It didn’t bring people back from the dead, but it was close.

Therefore, Qin Yu was full of confidence.

However, Wei Jiang was a little worried. Wei Hang, who was at the side, said anxiously, “No, Dad, we can’t take this risk!”

Wei Jiang, his expression conflicted, frowned.

At this moment, Qin Yu suddenly waved his hand, and a gush of wind instantly rushed towards Wei Jiang!

“Crack!”

Then, the medicine bottle in Wei Jiang’s hand shattered! The medicine was scattered all over the ground!

Seeing this scene, Wei Hang was instantly furious and immediately berated, “What are you doing?!”

Qin Yu said indifferently, “Since Mr. Wei doesn’t know what decision to make, I’ll make the choice for him.”

Wei Jiang opened his mouth. Although he was angry deep down, he couldn’t lose his temper.

“Since things have come to this, I can only ask Mr. Qin to go take a look.” Wei Jiang sighed.

Xu Maojun, who wasn’t far away, sneered as he said, “Mr. Wei, this will be the worst decision you’ve ever made in your life.”

Qin Yu ignored him and strode toward Wei Jiang’s bedroom.

After pushing the door open, he saw a pale woman lying on the bed.

She looked extremely weak, and it was difficult for her to even speak.

Qin Yu didn’t say anything. He walked to the woman’s side quickly.

“Mrs. Wei, please relax,” Qin Yu said politely.

After saying that, Qin Yu slowly raised his hand and placed it on her forehead.

“This is called treatment?” Xu Maojun couldn’t help but sneer.

Wei Jiang was also a bit worried.

Ever since his wife fell ill, he had looked for countless Chinese and Western doctors, but he had never seen such a treatment method.

“If anything happens to my mother, I definitely won’t let you off the hook!” Wei Hang said through gritted teeth.

Qin Yu didn’t say anything. He just placed his hand on the woman’s head.

A few minutes later, Qin Yu finally took his hand away.

“Mr. Qin, how is she?” Wei Jiang asked anxiously.

Qin Yu didn’t answer Wei Jiang. Instead, he looked coldly at Xu Maojun.

“You are indeed useless,” Qin Yu said indifferently.

Xu Maojun was stunned. Then, he said angrily, “What did you say? You said I am useless? I studied abroad for several years, and now...”

“Even if you studied abroad for a hundred years, you are still useless after studying.” Qin Yu interrupted Xu Maojun’s words coldly.

“You said Mrs. Wei has low blood sugar. You are simply babbling bullsh*t! How many people will die because of a quack like you?” Qin Yu berated loudly.

Xu Maojun’s expression was extremely ugly. He gritted his teeth and said, “You think you’re qualified to give me pointers? Alright, since you said that it’s not low blood sugar, then say what illness it is!”

Qin Yu sneered and said, "This is a brain aneurysm."

Although Qin Yu hadn't studied medicine, he could clearly feel the abnormality in Mrs. Wei's brain.

There was an extremely small black spot in her artery. Other than a brain aneurysm, Qin Yu couldn't think of anything else.

However, Xu Maojun couldn't help but burst into laughter.

"Kid, do you know what you are talking about? If it's a brain aneurysm, will the hospital not be able to find it? Hahahaha!" Xu Maojun raised his head and burst into laughter.

Wei Jiang also frowned and said, "Yes, we have gone to the hospital to check many times, but they have never found an aneurysm..."

Qin Yu said in a sullen voice, "This cerebral aneurysm is still very small. Maybe it has just grown out. Otherwise, your wife would have passed away long ago."

"You're talking nonsense!" Wei Hang couldn't hold it in anymore. He took a step forward and shouted, "Get out of here! If you dare to curse my mother again, I will never forgive you!"

"You dare to be rude to Mr. Qin? You're courting death!" Yao Qing, ready to attack, took a step forward.

Qin Yu stretched out his hand to stop Yao Qing.

He looked at Wei Jiang and said, "Mr. Wei, please make a decision on this matter."

“Mr. Wei, if you tell him to get lost now, I can give you another bottle of medicine,” Xu Maojun took out another bottle of medicine from his bag and said indifferently.

Wei Jiang was once again in a dilemma and didn't know how to make a decision for a moment.

One was a doctor who had studied abroad, and the other was a person who had never studied systematically and couldn't even be considered a doctor... Most people would probably choose the former.

After thinking for a while, Wei Jiang cupped his hands to Qin Yu and sighed, “Mr. Qin, I hope you don't blame me. I love my wife very much. I really don't want to take this risk...”

“Hahahaha, kid, you heard him, right? Hurry up and get lost!” Xu Maojun couldn't help but laugh out loud.

Qin Yu was stunned, and then he couldn't help but force a smile.

“Mr. Wei, I don't blame you.” Qin Yu shook his head. He understood that Wei Jiang loved his wife dearly.

“But I have to remind you.” Qin Yu sighed and continued, “I'm afraid your wife only has six hours left. After six hours, even God won't be able to save her.”

“Bullsh * t, Mr. Wei, don't listen to his nonsense!” Xu Maojun scolded loudly.

Wei Jiang cupped his hands towards Qin Yu again and said, “I will definitely remember your words.”

“Ignorant.” Yao Qing couldn’t help but snort coldly.

After that, the two of them turned their heads and left the Wei family’s residence.

After walking out of the door, Yao Qing couldn’t help but ask, “Mr. Qin, does Mrs. Wei really only have six hours left?”

Qin Yu nodded and said, “I know some mystical arts. Her Disease and Erosion Chambers have already turned black. She only has six hours at most..”

Chapter 68: Go Find Mr. Qin!

After saying that, Qin Yu looked at Yao Qing and instructed, “Go and buy a box of silver needles for me.”

“silver needles?” Yao Qing froze. “Mr. Qin, why do you need silver needles?”

Qin Yu forced a smile. “I’m afraid that silver needles will be needed for this treatment.”

When Yao Qing heard that, he couldn’t help but sigh. “The Wei family doesn’t believe you, yet you still plan to save them. Mr. Qin, you are a true doctor!”

Qin Yu waved his hand and didn’t say anything else.

At this time, in the Wei family’s bedroom, Xu Maojun was reprimanding Wei Jiang.

“Mr. Wei, I made an exception for you. If it were anyone else, I would have left long ago!” Xu Maojun said angrily.

“Yes, yes, yes... Doctor Xu, please treat my wife’s illness...” Wei Jiang said with a smile.

Xu Maojun snorted as he said, “Don’t worry, I know what to do.”

“Also,” said Xu Maojun while pausing for a moment.

“We agreed on a million yuan for the consultation fee, right? Now, you have to pay more!” Said Xu Maojun with a cold expression.

Wei Jiang’s expression changed, and he said awkwardly, “Doctor Xu, it’s not appropriate to pay more at this time, right? And I...”

“If you don’t pay more, I’ll leave right now!” Xu Maojun pretended he was about to leave.

Wei Jiang hurriedly grabbed Xu Maojun and nodded. “Okay, okay, I promise you. I’ll raise it to as much as you say!”

“That’s more like it. Then give me another one million,” Xu Maojun said indifferently.

“Okay, one million it is!” This amount of money was nothing to Wei Jiang, so he agreed straightforwardly.

“Then go and transfer the money. What are you waiting for?” Xu Maojun rolled his eyes.

Wei Jiang frowned and said, “Doctor Xu, can you treat my wife’s illness first?”

“That won’t do! What if you don’t pay when the illness is cured?” Xu Maojun snorted and said.

Wei Jiang couldn’t help but curse Xu Maojun a hundred times in his mind! But he had no other choice but to agree.

“Wei Hang, go and transfer the money to Doctor Xu!” Wei Jiang gritted his teeth and said.

“It’s all Qin Yu’s fault. He made us waste a million yuan for nothing,” Wei Hang couldn’t help but complain.

After saying that, Wei Hang hurriedly left the house.

Wei Jiang stood by the bed impatiently. Looking at his wife, who was suffering on the bed, he was even more anxious.

“Don’t worry. Everything is under my control,” Xu Maojun said nonchalantly.

In the blink of an eye, an hour had passed. Wei Hang finally rushed back.

“The money has been transferred,” said Wei Hang, panting heavily.

Xu Maojun took out his phone to check and nodded with satisfaction.

He took out a small bottle of medicine and handed it to Mrs. Wei while saying, “Drink this.”

Mrs. Wei looked extremely weak, even a little delirious.

In a daze, she took the bottle, opened her mouth with difficulty, and swallowed the medicine.

“Honey, how do you feel?” Wei Jiang hurriedly asked.

Mrs. Wei opened her mouth but didn't say anything.

But from her expression, it was obvious that she wasn't feeling very good.

“Don't worry, it won't act that fast,” Xu Maojun said.

“Even if it's a special medicine, it'll take at least half an hour for it to take effect. Wait for it.”

Although Wei Jiang was extremely worried, he could only nod his head.

“Go and pour me a pot of water. I'm thirsty.” Xu Maojun waved his hand and said.

“Quickly go and pour water for Doctor Xu!” Wei Jiang ordered.

Wei Hang quickly ran out and took out the tea leaves that he had treasured for many years and made a pot of tea for Xu Maojun.

Xu Maojun sat by the bed and drank tea while waiting.

Wei Jiang and Wei Hang could only accompany him.

“This tea isn't bad,” Xu Majun said.

Wei Jiang forced a smile and said, “Only you can cure my wife’s illness, Doctor Xu. I’ll buy more tea leaves for you in the future.”

“Hehe, thank you very much, Mr. Wei.” Xu Majun nodded in satisfaction.

Time passed minute by minute. In the blink of an eye, half an hour had passed.

During this time, Wei Jiang had been staring at the clock. When the time was up, he rushed to the bedside and asked, “Wife, how are you feeling now?”

Mrs. Wei’s complexion became even paler. Perhaps because of the pain, her expression became a little distorted.

She opened her mouth and wanted to say something, but in the next second, she fainted.

“Honey!”

“Mom!”

Seeing this, the father and son rushed over and hugged Mrs. Wei tightly!

“Honey, what’s wrong? Wake up!” Wei Jiang said in a panic.

But no matter how he shouted, Mrs. Wei didn’t respond.

“What’s going on? Didn’t you say that it would take half an hour to take effect?” Wei Hang turned around angrily and grabbed Xu Maojun’s collar!

Xu Maokun's expression was also a little ugly. He said with a flustered expression, "I... I don't know either. Maybe... maybe it will take a while to take effect..."

"Wait my *ss!" Wei Hang clenched his fist angrily and punched Xu Maokun!

"Stop hitting him!" At this time, Wei Jiang suddenly shouted.

"Hurry up and find Mr. Qin. Go and invite him back!"

Only then did Wei Hang come to his senses.. He released Xu Maojun and pointed at his nose while saying, "Just you wait!"

Chapter 69: Supreme Spiritual Needle

But at this time, Wei Jiang finally realized that he didn't have Qin Yu's contact information at all.

And now, he also didn't know where Qin Yu was!

"We're doomed." Wei Jiang was filled with regret. For a moment, all of his anger was directed at Xu Maojun!

Wei Jiang turned around and glared at Xu Maojun while shouting angrily, "It's all your fault, you b*stard! Let me tell you, if anything happens to my wife, I'll definitely kill you!"

Xu Maojun was even more flustered. With Wei Jiang's ability, if he really wanted to get rid of someone, it would be a piece of cake!

"Dad, what do we do now?" Wei Hang asked with a pale face.

Wei Jiang gritted his teeth and said, "Let's go out and look. Perhaps Mr. Qin is nearby."

Although it wasn't likely, they couldn't think of any other way.

...

"Mr. Qin, I bought the silver needles." Yao Qing handed a needle box to Qin Yu.

Qin Yu nodded and said, "Let's go."

"Where are we going?" Yao Qing asked in confusion.

Qin Yu smiled and said, "I calculated the time. Wei Jiang should be looking for us now."

"Looking for us? How is that possible?" Yao Qing obviously didn't believe it.

Qin Yu didn't explain. He turned around and walked towards the Wei family's home with Yao Qing.

Wei Hang searched around downstairs, but he couldn't find Qin Yu at all.

This made Wei Hang even angrier, and the regret in his heart reached its max.

"Dad, I didn't find Mr. Qin." Wei Hang seemed exhausted.

He raised his hand and slapped his own face while saying in anguish, "It's all my fault! It's all my fault! I endangered my mom's life..."

After saying that, Wei Hang squatted on the ground and started crying.

Wei Jiang's mood was the same. Everyone in Chuzhou knew that Wei Jiang loved his wife the most, and he would do anything for his wife.

Looking at his wife lying unconscious on the bed, he even felt suicidal.

"If anything happens to you, I'll go with you," Wei Jiang sat by the bed and gently caressed his wife's face as he said in a soft voice.

The entire room was filled with a pessimistic atmosphere.

At this moment, the sound of the doorbell suddenly came from outside.

Wei Jiang said weakly, "Wei Hang, go and open the door."

Wei Hang stood up from the ground and walked to the door dejectedly.

The moment the door opened, Wei Hang saw a familiar figure.

"Mr. Wei, I'm back again. You won't not welcome me, right?" Qin Yu smiled.

Wei Hang was stunned for a moment. Then, with a plop, he knelt on the ground.

He hugged Qin Yu's calf and begged, "Mr. Qin, I beg you to save my mother. As long as you can cure my mother's illness, I, Wei Hang, will repay you with my life..."

Looking at the crying Wei Hang, Yao Qing, who was at the side, couldn't help but feel dumbfounded. This made him feel even more respect towards Qin Yu.

"Mr. Wei, get up quickly. Since I'm back, I'm naturally here to save your mother." Qin Yu helped Wei Hang up.

Wei Hang wiped his tears and nodded vigorously. "Thank you, Mr. Qin. Thank you..."

Qin Yu didn't say anything and hurriedly walked into the bedroom.

Wei Jiang, who was already in despair, was instantly stunned when he saw Qin Yu.

Just as he was about to speak, Qin Yu waved his hand and said, "There's no need to say anything. Saving people is more important."

Wei Jiang nodded vigorously and said, "Okay, okay."

Qin Yu didn't waste any time. He took out the silver needles that he had prepared beforehand and walked in front of Mrs. Wei.

With Qin Yu's current ability, he could only treat people with medical skills, and he even needed the help of silver needles.

If his strength reached the peak state, Qin Yu could easily cure this kind of illness with a flip of his hand.

Qin Yu carefully stabbed the twelve silver needles into the Mrs. Wei's major acupuncture points according to the "Supreme Spiritual Needle" technique that his father had left behind in his inheritance.

Just administering the needles alone already exhausted most of Qin Yu's physical strength, and traces of sweat appeared on his forehead.

"Hmph, in this modern era, why do you still believe in such backward things?" Xu Maokun couldn't help but ridicule.

Wei Hang turned around and kicked Xu Maokun's stomach hard. He gritted his teeth and said, "You traitor, shut up!"

Xu Maokun's stomach was in immense pain from Wei Hang's kick. He didn't dare to say anything, and could only stand to the side with his hand on his stomach.

Qin Yu held the silver needle in his hand. Traces of spiritual energy flowed through the silver needle into Mrs. Wei's body.

Layers of sweat appeared on Mrs. Wei's forehead.

A faint layer of mist even appeared around her body.

This needle technique consumed a lot of Qin Yu's energy. His forehead was already covered in sweat, and his vision was somewhat blurry.

However, the needle technique was complex, so Qin Yu didn't dare to lose focus. He could only force himself to focus and administer the needle for Mrs. Wei.

The father and son by the side clenched their fists tightly. They, afraid that something unexpected would happen, looked extremely nervous.

Time passed minute by minute. In the blink of an eye, half an hour had passed.

And Qin Yu's acupuncture was still not over.

"Mr. Qin, it's still..."

"Don't disturb Mr. Qin." Wei Hang was about to ask, but was stopped by Wei Jiang with a wave of his hand.

As soon as he finished speaking, Qin Yu finally released his hand.

His vision had become increasingly blurry, and he looked extremely haggard, as if he had been drained of energy.

"Mr. Qin, how is my wife?" Wei Jiang hurriedly asked.

Qin Yu waved his hand and said weakly, "After I take out the needles and wait for an hour, I believe Mrs. Wei will wake up."

"Hehe, you make it sound like it's true." Xu Maojun couldn't help but snort.

Even Wei Hang was a bit worried. He frowned and said, "Mr. Qin, please don't let anything happen..."

"If you don't believe in Mr. Qin, why did you look for Mr. Qin?" Yao Qing said unhappily.

Upon hearing this, Wei Hang didn't say anything more.

Qin Yu carefully took out twelve silver needles and put them back into the box.

Then, Qin Yu walked to the side and sat down cross-legged.

The energy consumption of administering needles this time was too great, so Qin Yu had to replenish his strength as soon as possible.

He closed his eyes and began to meditate to slowly replenish the spiritual energy in his body.

Meanwhile, the father and son sat in front of the bed while glancing up at the watch hanging on the wall from time to time.

"Hmph, I might not have good medical skills, but his trick isn't as good as mine," Xu Maojun said again.

This time, Yao Qing slapped him directly on the mouth.

This slap made the corner of his mouth seep with blood.

"If you dare to talk nonsense again, I will kill you," Yao Qing said coldly.

Soon, twenty-nine minutes passed.

Mrs. Wei, who was lying on the bed, still showed no signs of waking up.

"Mr. Qin, what... what's going on?" Wei Jiang couldn't help but ask.

Qin Yu opened his eyes and looked at the watch on the wall. He said indifferently, "It's not even half an hour yet, right?"

"What's the difference between twenty-nine minutes and half an hour?" Wei Jiang was anxious.

Qin Yu didn't say anything. He just counted the time silently.

"Hurry up and send your mother to the hospital!" Wei Jiang clenched his teeth and waved his hand.

"Okay." Wei Hang hurriedly nodded.

He walked to the bedside and was about to pick up Mrs. Wei when Mrs. Wei suddenly opened her eyes..

Chapter 70: I Hope You Cut off the Loan!

Mrs. Wei looked around in a daze, as if she didn't understand the situation.

"Mom, you're awake!" Seeing that Mrs. Wei had woken up, Wei Hang was so excited that tears flowed down his face!

Meanwhile, Wei Jiang rushed over and hugged Mrs. Wei!

"Honey, you're awake. That's great. That's great..." This man in his forties was crying like a kid.

Mrs. Wei rubbed her forehead and tried to move her hands and feet. She exclaimed, "I... I don't feel sick anymore..."

“Really?!” Wei Jiang wiped his tears and hurriedly said, “Honey, let me help you out of the bed!”

“No need.” Mrs. Wei reached out her hand to stop Wei Jiang.

She walked down from the bed herself.

Perhaps because she hadn't walked for too long, Mrs. Wei's footsteps were a little clumsy.

The Wei family's father and son, afraid that something would happen to Mrs. Wei, followed closely by her side.

A few minutes later, Mrs. Wei exclaimed, “I'm really fine! I'm really fine!”

The family of three hugged each other tightly.

When he saw this touching scene, even Qin Yu was a little moved.

At this moment, Wei Jiang finally remembered Qin Yu.

He hurriedly walked in front of Qin Yu and knelt on the ground with a plop.

“I, Wei Jiang, will never forget your great kindness, Mr. Qin!” Wei Jiang said with great emotion.

“It was my fault for not recognizing your talent earlier. Please forgive me.” Wei Hang also knelt on the ground.

Qin Yu hurriedly helped the two of them up and said with a smile, “Mr. Wei, you don't have to be so polite.”

“Mr. Qin, thank you for saving my life.” Mrs. Wei also walked forward and bowed slightly.

Qin Yu quickly returned the greeting with a smile.

“Mr. Qin, don’t leave tonight. I’ll cook for you myself. Let’s drink!” Wei Jiang said with some excitement.

Qin Yu didn’t want to ruin everyone’s mood, so he nodded and agreed.

Xu Maojun’s expression was extremely ugly. He couldn’t believe that Qin Yu had really cured Mrs. Wei!

“Who on earth is this guy...” Xu Maojun thought to himself.

At this moment, Wei Hang walked in front of him and said with a cold expression, “Return the money to me and get lost.”

Xu Maojun smiled embarrassedly and said, “Mr. Wei, although I didn’t cure her illness, you also used two bottles of my medicine. This money...”

“Cut the crap!” Wei Hang shouted!

“You’re already lucky enough that I didn’t settle the score with you,” Wei Hang said coldly.

Xu Maojun had no choice but to return the two million yuan.

At night, Wei Jiang and Wei Hang cooked a table full of dishes.

Wei Jiang even took out the good wine that he had treasured for many years and drank with Qin Yu.

After three rounds of wine, Wei Jiang looked at Wei Hang and said, “Go and take out the gifts that we’ve prepared.”

“Okay.” Wei Hang quickly nodded.

A few minutes later, Wei Hang came back with a gift box.

Before the gift box was opened, Qin Yu smelled a strong herbal aroma.

“This is...” Qin Yu sniffed hard, and couldn’t help but feel a little excited.

Wei Jiang said, “I heard from Miss Yan that you like herbs. This is the Changbai Mountain wild ginseng that a good friend of mine gave me a few years ago. Please accept it, Mr. Qin.”

Qin Yu hurriedly took the gift box, opened it, and sniffed it.

He couldn’t help but show a hint of excitement on his face!

This ginseng was probably more than thirty years old! It was almost the best herb that Qin Yu had ever seen!

“Mr. Wei, then I will accept it!” Qin Yu indeed needed herbs, so he accepted it directly.

Wei Jiang laughed loudly and said, “How can a mere herb compare to my wife’s life? Mr. Qin, if you need me in the future, just let me know!”

This reminded Qin Yu.

He handed the herbs to Yao Qing and then said in a sullen voice, “Mr. Wei, I really have something to ask you for help.”

“Mr. Qin, just let me know. As long as I can do it, I won’t refuse!” Wei Jiang patted his chest and said.

Qin Yu was silent for a moment, and his eyes flashed with coldness.

Then, Qin Yu slowly said, “Has the Shen family recently borrowed a sum of money from the Chuzhou Bank?”

Wei Jiang froze, then nodded and said, “Yes, Shen Yun just applied for a large loan of two billion from our bank for three years. I have already agreed to it.”

Qin Yu said coldly, “Mr.. Wei, I hope you will cut off his loan, refuse his loan, and never grant a loan to the Shen family in the future!”

Read My Rich Wife Online

Chapter 71: Please Have Some Self-respect!

Hearing Qin Yu's words, Wei Jiang instantly fell into silence.

He drank two mouthfuls of wine and didn't speak for a long time.

"Mr. Wei, if you are in a difficult position, just pretend that I didn't say anything just now." Qin Yu raised his wine glass and said with a smile.

"No, no, no." Wei Jiang hurriedly shook his head. "Mr. Qin, you misunderstood. Although the Shen family is a big customer of our bank, I have veto power."

"Shen Yun just happens to be coming to our bank tomorrow. How about this, you accompany me there tomorrow?" Wei Jiang raised his wine glass and said.

Qin Yu hurriedly nodded and said, "Thank you very much, Mr. Wei!"

"Mr. Qin, you don't have to be so polite. It's a simple matter to take care of," Wei Jiang said with a smile.

Without this loan, the Shen family's capital chain would be broken. At that time, the Shen family would be ruined.

After eating the meal, Qin Yu left the Wei family's home with Yao Qing.

"With this medicine and the one that Zheng Mingshuo gave me, I might be able to try to break through to the Foundation Establishment Stage," Qin Yu thought to himself.

This made him a little excited.

Although there was only a level difference between the Foundation Establishment Stage and the Qi Refining Stage, there was a huge difference in strength.

The more Qin Yu thought about it, the more excited he became. He couldn't wait to find out what power the Foundation Establishment Stage would bring.

Qin Yu and Yao Qing found a hotel and booked a room.

At this moment, Qin Yu's phone suddenly rang.

He picked up the phone and saw that it was a call from Song Wei.

After the call was picked up, he heard Song Wei say with some surprise on the other end of the line, "Qin Yu, I have good news for you. My cousin has already helped me get a job interview tomorrow!"

"Is that so? Then congratulations," Qin Yu said with a smile.

Song Wei then said, "Qin Yu, if you're free, how about we go out for a walk?"

Qin Yu frowned slightly and immediately refused, "I'm sorry. I have something to do now. I'm afraid I can't go over."

Song Wei said with some regret, "Alright then. We'll meet again another day."

After Qin Yu hung up the phone, Yao Qing smiled and said, "Mr. Qin, aren't we free now? Why did you reject her?"

Qin Yu sighed and said, "I don't want to get too close to any woman other than Miss Yan."

Yao Qing rolled his eyes and said, “Are you thinking too much? She just came to this city and doesn’t know anyone.”

“Maybe,” Qin Yu said with a smile.

That night, Qin Yu fell asleep early.

He had been too busy recently, and Qin Yu hadn’t had a good rest for a long time, so he slept very well that night.

The next day, Qin Yu got up early and tidied up to go to the Chuzhou Bank.

He wanted to call Yao Qing, but at this time, Yao Qing was sleeping soundly, so Qin Yu didn’t disturb him.

After leaving the house, Qin Yu took a taxi and headed straight for Chuzhou Bank.

As the largest bank in Chuzhou province, Chuzhou Bank naturally had an endless stream of customers.

Rumor had it that their deposits were among the top in the whole country.

At the entrance, there were all kinds of luxury cars, such as Bentleys, Rolls-royces, Maybach, and so on. All of them were commercial models, which was enough to prove Chuzhou Bank’s status in the eyes of businessmen.

Just as Qin Yu was about to enter the door, he was suddenly patted on the shoulder.

“Qin Yu? You’re actually here too!” He turned around and saw Song Wei standing with a man.

Qin Yu said with some surprise, “Song Wei? What are you doing here?”

Song Wei smiled and said, “I’m here to work. Today, my cousin will take me to see their manager and apply for the position.”

“What about You? Are you also here for work?” Song Wei asked back.

Qin Yu shook his head and said, “No, I’m here to look for the bank’s president.”

“The bank’s president?” Before Song Wei could say anything, his cousin couldn’t help but laugh.

“You’re a little too full of yourself. Do you know the status of Chuzhou Bank’s president?” His cousin shook his head and said.

Qin Yu smiled and didn’t explain.

“Qin Yu, if you are looking for a job, my cousin might be able to help you,” Song Wei smiled and said.

“Okay, then thank you very much,” Qin Yu replied casually.

The few of them chatted as they walked toward Chuzhou Bank.

They learned that this boy was called Li Yan, and he was the son of Song Wei’s uncle.

This time, Li Yan had to pull a lot of strings to help Song Wei find a job before he found the manager of Chuzhou Bank.

Wei Jiang hadn’t arrived yet, and Qin Yu had nothing to do, so he followed Song Wei to the manager’s office.

“Don’t talk later. Mr. Zhang is a big shot. Don’t offend him,” Li Yan warned before entering the door.

Song Wei quickly nodded and said, "I know. Don't worry."

"The same goes for you," Li Yan glanced at Qin Yu and said.

Qin Yu nodded.

After that, they pushed the door open and entered the manager's office.

As soon as they entered, they saw the manager hugging a woman in a business suit. When she saw Qin Yu and the others, the woman hurriedly jumped off the manager's leg.

"What's wrong with you? Don't you know how to knock when you come in?" Mr. Zhang said with some displeasure.

Li Yan quickly smiled apologetically and said, "I'm sorry, Mr. Zhang. We were rude."

Mr. Zhang waved his hand and looked at the woman in business attire. He said, "You can go out first."

"Okay, Mr. Zhang." The woman in business attire nodded and walked out of the office.

After she left, Li Yan quickly dragged Song Wei in front of Mr. Zhang.

"Mr. Zhang, this is my cousin, Song Wei. I told you last time." Li Yan nodded and bowed.

Mr. Zhang looked at Song Wei, and his eyes suddenly lit up.

This woman was really beautiful!

"This is your cousin?" Mr. Zhang quickly changed his attitude.

“She’s really pretty.” Mr. Zhang looked at Song Wei with a lecherous look in his eyes.

Song Wei quickly said, “Nice to meet you, Mr. Zhang.”

“Gee, don’t be so formal. Take a seat!” Mr. Zhang personally stood up and pulled Song Wei to sit at the side.

“Song Wei, how many people are there in your family? Where do you live? How old are you this year?” Mr. Zhang held Song Wei’s hand and asked with a lecherous look.

Song Wei’s expression was a little awkward. She hurriedly pulled her hand out and answered Mr. Zhang’s questions one by one.

Mr. Zhang grabbed Song Wei’s hand again and said with a mischievous smile, “Why are you calling me Mr. Zhang? Just call me by my name. If you’re free tonight, how about we go out for dinner together?”

Song Wei said awkwardly, “Mr. Zhang, I don’t think... that’s necessary...”

“What’s there to be shy about? It’s only right for me to treat you to dinner...” Mr. Zhang said as he touched Song Wei’s leg.

“Mr. Zhang!” Li Yan saw the situation and hurriedly shouted.

But Mr. Zhang didn’t care at all. He didn’t say anything and put his hand on Song Wei’s leg.

Song Wei pushed Mr. Zhang’s hand away and stood up. “Mr. Zhang, please have some self-respect!”

When he saw Song Wei’s attitude, Mr. Zhang’s expression gradually darkened..

Chapter 72: The Arrogant Manager

Mr. Zhang lit a cigarette and looked at Li Yan unhappily.

“Li Yan, I only gave your cousin this opportunity because of your friend,” Mr. Zhang said derisively.

“Yes, yes, yes, Mr. Zhang, I understand.” Li Yan quickly nodded and bowed.

Mr. Zhang continued, “But your cousin is too disrespectful, isn’t she? Why is treating her to a meal so hard?”

Hearing Mr. Zhang’s words, Qin Yu couldn’t help but curse inside.

Even a fool would be able to see through his thoughts!

Li Yan smiled embarrassedly and said, “Mr. Zhang, my cousin is a chaste girl. If you really want to have some fun, I’ll make arrangements tonight. I guarantee that you will be satisfied...”

“F * ck you!” Hearing this, Mr. Zhang threw the cigarette butt in his hand at Li Yan.

“Li Yan, what the f * ck are you talking about? Do I lack that money or something?” Mr. Zhang said with a cold expression.

Li Yan stood there looking extremely embarrassed. Although he was angry, he didn’t dare to lose his temper.

“Li Yan, let me tell you the truth. I just want to fool around with your cousin! And I’m definitely going to do it!” Mr. Zhang said with a sneer.

Song Wei’s expression turned extremely ugly. She looked at Li Yan with some worry.

Qin Yu glanced at Li Yan, as if he wanted to see his attitude.

Li Yan stood there without saying anything for a long time. He gritted his teeth and said, “Mr. Zhang, we’ll just give up this job!”

After saying that, Li Yan walked to Song Wei’s side and said, “Let’s go!”

“Stop!” Mr. Zhang sneered.

“I said, this woman is mine for sure! If you leave now, not only will you lose your job, but you’ll also cross me!” Mr. Zhang said aggressively.

When he heard this, Li Yan’s expression turned even uglier.

As the manager of Chuzhou Bank, Mr. Zhang knew many well-connected businessmen.

If he wanted to ruin a person, it would be a piece of cake!

“It’s not too late to repent now,” Mr. Zhang said nonchalantly.

Li Yan gritted his teeth, took a deep breath, and said, “Mr. Zhang, just come at me. It has nothing to do with my cousin.”

Qin Yu felt a little heartened inside.

It seemed that Li Yan wasn’t a bad person. At least he wasn’t a person who sold out his family for his own benefits.

“Let’s go,” Song Wei whispered to Qin Yu.

However, Qin Yu shook his head. He pulled Song Wei back and said with a smile, “Do you really want this job?”

Song Wei said with a bitter smile, “Of course. I studied hard for so many years and finally graduated with a master’s degree. I didn’t expect to be humiliated like this when looking for a job...”

Qin Yu also sighed inside.

It was because of people like Mr. Zhang that the lives of young people became more and more difficult.

Qin Yu reached out and patted Song Wei’s shoulder while saying, “Don’t worry. I’ll let you get what you want and work at Chuzhou Bank.”

“Enough, stop bluffing.” Li Yan couldn’t help but snort.

“You’re from out of town. How do you have the ability to do that?”

Qin Yu didn’t explain. He turned around and walked towards Mr. Zhang, then sat down on Mr. Zhang’s desk.

Mr. Zhang froze, then he said angrily, “Are you courting death?! Get out of here quickly!”

Qin Yu stared at Mr. Zhang and said indifferently, “Apologize to my friend now, and then obediently complete the entry procedures for her. Then I can let it slide.”

Hearing Qin Yu’s words, Mr. Zhang couldn’t help laughing and said, “Where did this fool come from? Let it slide? Who do you think you are?”

Qin Yu sneered and said, “This is my final warning to you.”

“Warning my *ss!” Without further ado, Mr. Zhang threw a punch at Qin Yu!

Qin Yu raised his hand and grabbed Mr. Zhang's fist! Then, Mr. Zhang was unable to move!

"You... let go of me, or I won't forgive you!" Mr. Zhang said in a panic.

Song Wei and Li Yan also rushed forward.

"Qin Yu, let go of him for me. Forget it and let's go, okay?" Song Wei said in a panic.

Li Yan also smiled and said, "Mr. Zhang, my friend just came to Chuzhou and doesn't know how to behave. You... Don't take offense..."

Upon hearing that Qin Yu had just come to Chuzhou, Mr. Zhang became even more emboldened.

He cursed loudly, "How dare you cross me? I'm telling you, I'll never forgive you!"

"From today onwards, you can forget about staying in Chuzhou!" Mr. Zhang said with a grimace.

Song Wei and Li Yan were instantly filled with despair.

Li Yan said angrily, "If you want to dig your own grave, then do it yourself. Why drag us into this?!"

Qin Yu slowly let go of Mr. Zhang, then took out his phone to call Wei Jiang.

But Mr. Zhang thought Qin Yu was afraid.

He immediately pointed at Qin Yu's nose and scolded, "Now you know that you should be afraid? Let me tell you, it's too late! Even if you kneel down and beg me, I won't spare you!"

Qin Yu ignored him. He took out his phone and was about to call Wei Jiang when Wei Jiang called first.

After the call was connected, Wei Jiang said over the phone, “Mr. Qin, I’m already at the office. When are you coming over?”

Qin Yu said in a sullen voice, “Mr. Wei, I’m in your manager’s office right now. He molested a subordinate and threatened to kick me out of Chuzhou.”

Wei Jiang froze and hurriedly asked, “Mr. Qin, which manager’s office are you in?”

“Mr. Zhang,” said Qin Yu.

“Okay, please wait a moment. I’ll be right there!” said Wei Jiang hurriedly..

Chapter 73: The Shocked Song Wei

After the phone call ended, Qin Yu looked at Mr. Zhang and said indifferently, “Your president will be here soon.”

“Pfft!”

Mr. Zhang couldn’t hold back his laughter for a moment.

“Do you know how much of a big shot our president is? Do you know how many people he meets every day?” Mr. Zhang sneered.

“You don’t even know how to bluff convincingly. Look at the way you dress. Do you think you’re worthy enough to mention our bank president?”

Even Li Yan, who was standing at the side, frowned.

This guy was too unreliable.

He said that he knew the president of the largest bank in Chuzhou?

“Qin Yu, let’s hurry up and leave...” Song Wei looked extremely scared and kept urging Qin Yu.

Qin Yu was unfazed and sat there quietly while waiting.

In the blink of an eye, five minutes had passed.

Mr. Zhang was slightly impatient and shouted, “Alright, I don’t have time to play around with you! Where are the security guards?! Throw these people out quickly!”

Four to five security guards rushed in from outside the door. They looked at Qin Yu aggressively.

Qin Yu frowned slightly. These security guards were naturally no match for him.

However, he would be causing trouble for Mr. Wei by getting violent here.

“Hurry up and drag him out!” Mr. Zhang shouted.

The security guards walked over to Qin Yu without saying a word.

“All of you, stop!”

At this moment, Wei Jiang pushed open the door and entered!

He clasped his legs and was panting heavily. Beads of sweat were dripping down his face.

Mr. Zhang was stunned when he saw Wei Jiang.

He hurriedly walked over and said with a sheepish smile, “President, why are you here?”

Wei Jiang gave Mr. Zhang a cold glance and didn’t say anything.

Then, Wei Jiang walked in front of Qin Yu and said apologetically, “Mr. Qin, I’m really sorry that such a thing happened. As the president, I should take responsibility...”

“You’re too courteous, Mr. Wei,” Qin Yu said.

Seeing this scene, Mr. Zhang was immediately terrified! His face paled!

This guy really knew the bank president?

And the bank president’s attitude towards him... was deferential?

“You, pack your things and get out of here immediately!” Wei Jiang turned around and pointed at Mr. Zhang.

Hearing this, Mr. Zhang immediately panicked.

He had been in the Chuzhou Bank for many years and had made a lot of money.

His high salary enabled him to take out loans to buy countless cars and houses.

If he was fired, his life would be over!

Thinking of this, Mr. Zhang fell to his knees with a plop and begged desperately, “Mr. Wei, I was wrong. On account of my many years of work, please spare me...”

Wei Jiang pushed Mr. Zhang's hand away and said coldly, "You've already been complained about countless times. Haven't you learned your lesson? A person like you can't work for our bank! Get lost immediately!"

Mr. Zhang's face was ashen. At this time, he suddenly ran to Qin Yu and hugged Qin Yu's thigh as he begged bitterly, "I was ignorant. Please help me plead for mercy. I really know I was wrong..."

Qin Yu sneered as he said, "I've already given you a chance."

"Security, throw him out!" Wei Jiang waved his hand impatiently.

A few security guards quickly walked forward and forcefully dragged Mr. Zhang out of the office.

Li Yan and Song Wei were stunned. They never thought that Qin Yu had such influence!

"Why didn't you say earlier that you have such a powerful friend..." Li Yan said somewhat awkwardly.

Song Wei whispered, "I don't know either. We haven't seen each other for a long time..."

"Mr. Qin, let's go back to the office," Wei Jiang looked at Qin Yu and said.

Qin Yu nodded and smiled as he said, "Okay."

When the two of them reached the door, Qin Yu suddenly stopped in his tracks.

He turned around and pointed at Song Wei as he said, "Mr. Wei, this is my classmate. She is highly educated and is morally upright."

Wei Jiang glanced at Song Wei and smiled. “Really? Our bank will never let such a talent slip through our fingers!”

Hearing this, Song Wei immediately jumped up in excitement.

She quickly bowed and said, “Thank you, Mr. Wei!”

Then, Qin Yu and Wei Jiang walked into the bank manager’s office.

Wei Jiang’s office wasn’t luxurious, but quite minimalistic.

The bookshelves were filled with flowers and plants. It was obvious that Wei Jiang was a very tasteful person.

“Mr. Qin, according to the agreement, Shen Yun will come to apply for a loan at nine in the morning.” Wei Jiang personally poured a glass of water for Qin Yu.

Qin Yu took a deep breath. He felt a sense of anticipation in his heart.

Qin Yu really wanted to know what this person who thought himself to be high and mighty would feel like when trampled under his feet.

“Mr. Qin, may I ask what your relationship with Miss Yan is?” At this moment, Wei Jiang suddenly asked tentatively.

At the mention of Yan Ruoxue, Qin Yu’s face couldn’t help but blush slightly, and the corners of his mouth rose into a smile.

“I can’t reveal it.” Qin Yu shook his head and said.

Seeing Qin Yu’s reaction, Wei Jiang laughed loudly and said, “I understand. No wonder Miss Yan cares so much about you.”

At this point, Wei Jiang came forward and whispered, “Miss Yan called me last night.”

Qin Yu was stunned and hurriedly asked, “She called you? What did she say?”

Chapter 74: The Distraught Shen Yun

Wei Jiang took a sip of tea and said with a smile, “She asked about the treatment situation and also instructed me something.”

Qin Yu glanced at Wei Jiang and waited for him to continue.

Wei Jiang said with a smile, “The Shen family has applied for a loan of two billion, and this money has been provided. Miss Yan hopes that this two billion can be used as a three-year interest-free loan to be lent to you.”

Qin Yu was stunned.

Two billion lent to him? And it was interest-free?

Qin Yu couldn't help but swallow hard. Ever since childhood, Qin Yu had never seen so much money! He didn't even have a concept of that much money!

“Mr. Qin, you don't have to worry.” Wei Jiang glanced around and said cautiously.

“Even if you don't return this money, Miss Yan will definitely think of a way for you!” Wei Jiang said slyly.

Qin Yu took a deep breath and said, “I will definitely return the money. Please rest assured, Mr. Wei.”

Wei Jiang burst into laughter and didn't comment.

At this moment, the secretary knocked on the door and stood outside the door and said, “Bank manager, Mr. Shen Yun is here.”

“Oh really?” Wei Jiang raised his eyebrows. “Where is he?”

The secretary said, “He is waiting for you in the VIP reception room.”

“Tell him to come to my office,” Wei Jiang instructed.

“Yes, President.” The secretary nodded and walked out.

Qin Yu’s heart was beating fast. He glanced at the door expectantly while waiting for Shen Yun’s arrival.

Time passed minute by minute. Five minutes later, the door was opened.

Then, he saw Shen Yun, smiling, walking in with a few gift boxes in his hands.

“Mr. Wei, why is it that today...” Before Shen Yun could finish his sentence, he saw Qin Yu.

The smile on his face instantly disappeared and was replaced by coldness.

“What are you doing here?” Shen Yun said coldly.

“If you can come, why can’t I come?” Qin Yu said indifferently.

Shen Yun snorted coldly and put the gift box on the table. Then, he glanced at Wei Jiang and said politely, “Mr. Wei, I brought you a little gift. Please accept it.”

Wei Jiang waved his hand and said, “Mr. Shen, please take a seat.”

Shen Yun sat down beside Qin Yu.

Before Wei Jiang could say anything, Shen Yun said in an icy tone of voice, “Mr. Wei, this guy is also here for a loan, right? I knew it. With your capabilities, it’s impossible for you to run a company!”

“I think you might as well give me the Soul Nourishment Pill. I can give you 10% to 20%,” Shen Yun said with some smugness.

Qin Yu sneered and said, “I think you’re dreaming.”

“Mr. Wei, on account of our friendship, please reject his loan! Because he simply doesn’t have the ability to repay it!” Shen Yun coldly glanced at Qin Yu.

Wei Jiang smiled and said, “Mr. Shen, drink a glass of water first. Don’t be anxious.”

How could Shen Yun have the mood to drink water? Looking at Wei Jiang’s attitude, he couldn’t help but frown and say, “Mr. Wei, you’re not thinking of being a peacemaker for the two of us, are you? Let me tell you, it’s impossible! I absolutely won’t let this guy off!”

Wei Jiang smiled nonchalantly and said, “I absolutely have no such intention.”

This time, Shen Yun was a little confused.

He frowned and said, “Mr. Wei, then what exactly do you mean?”

Wei Jiang said indifferently, “Mr. Shen, let me tell you some bad news. Your loan application has been rejected.”

Hearing this, Shen Yun immediately slammed the table and stood up!

He glared at Wei Jiang and shouted, “How is this possible?!”

Wei Jiang spread his hands and said, “There’s nothing I can do. After our examination, we found that your company has a loophole, and your market share is rapidly declining.”

“You also know that our bank is also afraid of bad debts,” Wei Jiang said with a smile.

Shen Yun immediately said anxiously, “Mr. Wei, our company has borrowed money from your bank countless times, but there has never been a problem! You have to believe me!”

“Just because there were no problems in the past doesn’t mean that there won’t be problems in the future, right?” Wei Jiang said with a smile.

Shen Yun immediately became anxious. If he didn’t have this money, the Shen family’s capital chain would definitely be cut off, and at that time, they would face a complete collapse!

Thinking of this, Shen Yun said with some pleading, “Mr. Wei, this money is really important to me. Please think of a way. I, Shen Yun, will definitely remember this favor for the rest of my life!”

Wei Jiang waved his hand and said, “I don’t have the final say on this. Why don’t you go to another bank and try?”

Shen Yun was furious! Other than Chuzhou Bank, which bank would approve a commercial loan of two billion?

“Mr. Wei, help me think of a way...” Shen Yun pleaded bitterly.

However, Wei Jiang ignored Shen Yun.

He glanced at Qin Yu and said, “Mr. Qin, this is your loan contract. Just sign it and it will be completed.”

“Okay, thank you very much, Mr. Wei.” Qin Yu took the pen with a smile and deliberately glanced in Shen Yun’s direction.

Shen Yun stared at the contract. He clearly saw the amount of the loan on the contract. It was exactly two billion!

At this moment, Shen Yun instantly understood!

He said angrily, “Wei Jiang! You tricked me! Whether in terms of qualifications or financial ability, this guy can’t compare to me. He actually has a loan of two billion? I think you clearly gave my approval to this guy!”

Wei Jiang was unfazed. He sneered and said, “Mr. Shen, congratulations on guessing correctly, but unfortunately, there is no reward..”

Chapter 75: No Way?

Shen Yun became even angrier.

He never thought that Wei Jiang would admit it directly and not show him any respect at all!

“Wei Jiang, you’ve gone too far!” Shen Yun gritted his teeth.

“I don’t believe that I can’t do without Chuzhou Bank!” Shen Yun shouted and turned to leave.

“Hold on.” At this moment, Wei Jiang stopped Shen Yun.

Shen Yun was delighted. He thought that there was still a chance, so he quickly turned around.

Unexpectedly, Wei Jiang pointed at the gift box on the table and said, “You didn’t take your things.”

This made Shen Yun even angrier. He pointed at Wei Jiang and said, “Just you wait!”

After saying this, Shen Yun rushed out of the door!

Seeing this scene, Qin Yu sneered inside.

Shen Yun relied on his affluence and connections to act high and mighty while treating ordinary people like dirt. This kind of person would get what he deserved sooner or later.

After he left, Wei Jiang looked at Qin Yu and said with a smile, “Mr. Qin, this contract requires a total of sixty-four signatures. Don’t miss any.”

“Don’t worry,” Qin Yu said with a smile.

It took him nearly twenty minutes to sign the contract.

After Qin Yu signed the contract, Wei Jiang took out a black bank card.

“This bank card is a VIP card of Chuzhou Bank. As long as you have this card, you will always be a VIP customer of Chuzhou Bank,” Wei Jiang said.

“With this card, most high-end stores will give you special treatment. Of course, it is only limited to Chuzhou,” Wei Jiang continued.

Qin Yu, feeling a myriad of emotions, caressed his bank card.

Just a few weeks ago, Qin Yu had nothing, but now, he had a bank card worth two billion yuan.

Such a drastic change felt surreal to Qin Yu.

“Mr. Wei, if there’s nothing else, I’ll take my leave first,” Qin Yu stood up and said.

Wei Jiang nodded and said, “Okay, Mr. Qin. If there’s anything, we’ll keep in contact.”

After walking out of the Chuzhou Bank, Qin Yu found Song Wei and Li Yan waiting for him at the door.

“Qin Yu!” As soon as Song Wei saw Qin Yu, she trotted over.

Li Yan walked in front of Qin Yu sheepishly and said with a sheepish smile, “Mr. Qin, I was ignorant of your identity before. I hope you don’t mind.”

Qin Yu glanced at Li Yan and shook his head with a smile.

Although Li Yan made disparaging remarks previously, he was still a good person. He protected his cousin and didn’t betray her for personal benefits.

“Why are you still here?” Qin Yu asked.

Song Wei smiled and said, “You have helped me so much. Of course I have to thank you properly.”

“Yes, yes, yes. Mr. Qin, you didn’t know that Chuzhou Bank directly arranged for Xiao Wei to replace Mr. Zhang!” Li Yan said hurriedly.

“I’m the manager of the Chuzhou Bank. How incredible.” Then, Li Yan couldn’t help but exclaim in awe.

Qin Yu was also a little surprised. He didn’t expect Wei Jiang to show him so much respect.

“Qin Yu, let me treat you to dinner tonight,” said Song Wei.

“There’s no need for that.” Qin Yu shook his head.

He didn’t want to get involved with any woman except Yan Ruoxue, and Song Wei was no exception.

“Mr. Qin, no matter what, I have to treat you to dinner tonight! You rarely come here, so let me do my best as a host,” Li Yan said with extreme enthusiasm.

Seeing Li Yan’s hospitality, Qin Yu couldn’t refuse.

Helpless, Qin Yu could only nod and agree.

They made an appointment at six in the afternoon, and then Qin Yu returned to the hotel.

After Qin Yu returned to the hotel, Yao Qing was waiting for Qin Yu in the hotel.

As soon as he saw Qin Yu, Yao Qing hurried over.

“Mr. Qin, why didn’t you call me?” Yao Qing said somewhat anxiously.

Qin Yu smiled and said, “Seeing that you were sleeping soundly, I didn’t have the heart to disturb you.”

Yao Qing said with slight embarrassment, “I’m a heavy sleeper. Next time, you can wake me directly. If it really doesn’t work, you can beat me up. I will definitely wake up.”

Qin Yu couldn’t help but laugh.

On the other hand, after Shen Yun left the Chuzhou Bank, he wasn’t in a hurry to leave the provincial capital. He first went to all the major banks in Chuzhou, but unfortunately, all the banks rejected the Shen family’s loan.

And the reason was the same: they didn’t think highly of the Shen family’s future and thought that the Shen family didn’t have the ability to repay the loan.

Shen Yun used countless connections, but all of them were rejected.

This made Shen Yun come to a sudden realization. Obviously, someone was deliberately messing with the Shen family. Otherwise, they wouldn't be rejected by all the banks!

And there was only one person who could do all of this in Chuzhou.

That was Yan Ruoxue.

“She clearly said that she wouldn't meddle in this matter!” Shen Yun was instantly dumbfounded and furious!

But in the face of the Yan family, the Shen family was too weak.

Shen Yun held his phone and after much hesitation, he finally dialed Yan Ruoxue's number.

The call was quickly picked up and Yan Ruoxue's cold voice came from the other end.

“Mr. Shen, why are you free to call me?” Yan Ruoxue's voice always seemed to sound calm and graceful.

Shen Yun took a deep breath and said with a sheepish smile, “Miss Yan, didn't you say that you wouldn't meddle in the dispute between the Shen family and Qin Yu?”

On the other end, Yan Ruoxue said in shock, “I indeed didn't meddle in this matter. Why are you asking this?”

Shen Yun suppressed his anger and said, “Then why did Wei Jiang reject the Shen family's loan and approve the loan to Qin Yu instead?!”

Yan Ruoxue smiled and said, “Uncle Shen, you've really misunderstood me. This wasn't instigated by me, but by Qin Yu himself.”

Shen Yun said angrily, “How is this possible?! He is just a good-for-... an ordinary person. How can he have any influence to Wei Jiang?!”

“Uncle Shen, don’t you know? Qin Yu cured Mrs. Wei’s illness. Wei Jiang loves his wife the most.” Yan Ruoxue smiled and said.

“No way. The Shen family is so prominent, yet you guys actually aren’t a match against just Qin Yu alone?” Yan Ruoxue’s words had a hidden insinuation.

Shen Yun was stunned on the spot.

Could it be... that Qin Yu really did everything himself?

“Uncle Shen, if there’s nothing else, I’ll hang up first,” Yan Ruoxue said with a smile.

After saying that, she directly hung up the phone.

Shen Yun sat in the car with a livid expression on his face. No one knew what he was thinking about.

“Mr. Shen, where are we going now?” The driver asked.

Shen Yun said with a cold expression, “Let’s go back to Jiangcheng first..”

Chapter 76: Underground Boxing Ring

On this day, Qin Yu sat in the hotel while absorbing the spiritual energy from the surroundings with great difficulty.

There were many people in the provincial capital, but the land was sparse, and the spiritual energy was also extremely scarce. For the entire day, Qin Yu’s gains were almost negligible.

“It seems that the big city isn’t suitable for me,” Qin Yu thought to himself.

Although that was the case, Qin Yu knew very well that although the spiritual energy in the big cities was scarce, other resources it had were far from what other cities could compare with.

For example, herbs.

In Jiangcheng, herbs that were more than ten years old were considered precious. However, in the provincial capital, one could even see the king of herbs that were fifty or even a hundred years old.

At night, Song Wei called Qin Yu punctually.

She and Li Yan had already booked a restaurant early and were waiting for Qin Yu in the restaurant.

Half an hour later, Qin Yu and Yao Qing arrived at this restaurant.

Li Yan specially found a private room in the high-end restaurant. This restaurant was extremely expensive, and costed 20,000 yuan per person.

To Li Yan, this was definitely a huge sum of money.

After Qin Yu entered, Li Yan hurriedly stood up to welcome him.

“Mr. Qin, you’re here.” Li Yan’s attitude was extremely respectful.

This made Qin Yu a little embarrassed. He waved his hand and said, “There’s no need to be so polite.”

Li Yan smiled embarrassedly and said, “I’m sorry. I’ve been in the workforce for a long time. When I see someone with a higher status than me, I’m used to groveling.”

Qin Yu didn't comment on this. This was indeed the reality.

Then, Li Yan called for the waiter to begin to serve the dishes.

The meal was extremely extravagant, with Boston lobster and French foie gras, almost all of which Qin Yu had never eaten before.

“Qin Yu, what kind of job do you have now? You're so impressive that even Wei Jiang showed respect to you,” Song Wei asked at the dinner table.

Qin Yu thought for a moment and said, “I don't have any high status. I'm just an ordinary person.”

“Tsk, you're so low-key,” Song Wei rolled her eyes and said.

Qin Yu smiled and didn't explain.

Halfway through the meal, Qin Yu asked Yao Qing to pay the bill in advance.

At the end of the meal, Li Yan was a little drunk.

He patted his chest and said, “Mr. Qin, I'll make the arrangements after the meal!”

Qin Yu hurriedly shook his head and said, “No, go back and rest after the meal.”

“That won't do!” Li Yan said stubbornly.

“I know that big shots like you must be tired of bars and nightclubs. Later, I'll take you to see the specialties of the provincial capital!” Li Yan said with some pride.

“Specialties?” Qin Yu raised his eyebrows in interest.

Li Yan said in a low voice, “The most famous place in the provincial capital is the underground boxing ring! The fighters there are all black boxing, and there are countless martial artists!”

After saying that, Li Yan patted his chest and said, “Mr. Qin, to tell you the truth, although I’m very skinny, I’m also a martial artist. I can single handedly take down three to five people!”

Hearing this, Yao Qing, who was next to Qin Yu, couldn’t help but burst out laughing.

This made Li Yan even more determined to go to the underground boxing ring. He widened his eyes and said, “You don’t believe me, do you? I’ll let you see it later!”

“Okay, okay, okay, I’ll listen to you,” Qin Yu said helplessly.

However, Qin Yu was indeed quite interested in this underground boxing ring.

Ever since he heard about inner strength masters from Yao Qing, Qin Yu really wanted to see how strong inner strength masters were.

After dinner, the few of them left the restaurant together. Song Wei drove them to the underground boxing ring.

The car soon arrived at the entrance of a hotel.

After parking the car, Li Yan said with a smile, “Mr. Qin, this is a hotel on the upper level, and the underground boxing ring is two levels below. Those who can come here for fun are all affluent.”

Qin Yu nodded and glanced at the parking lot. As expected, there were many luxury cars parked nearby.

This also made Qin Yu more interested in this underground boxing ring.

Then, Li Yan led Qin Yu and the others to the underground boxing ring.

At the door, there were two strong men in suits guarding it. Qin Yu looked carefully and found that these two people were quite robust.

“It seems that this underground boxing ring is quite special,” Qin Yu thought to himself.

After Li Yan negotiated with the two muscular men, he waved his hand and said, “Mr. Qin, we can go in now!”

The few of them strode into the first level of the underground boxing ring.

As soon as they entered, Qin Yu heard commotion coming from inside.

There were shouts and curses. The layout of the underground boxing ring was similar to that of a bar.

There were scattered tables and booths all around. One could drink and eat.

The only difference was that the dance floor in front of them had been turned into a ring.

“Mr. Qin, follow me.” Li Yan waved his hand, then the few of them walked to a booth and sat down.

As soon as they sat down, the waiter came over with a wine list.

Qin Yu casually glanced around and found that the wine here was extremely expensive. A bottle of beer actually cost close to a hundred yuan.

At this moment, there were two brawny men brawling in the arena. Each of their punches seemed extremely lethal!

Every time someone fell, there would be excited shouts coming from all around. It was simply no different from a Colosseum.

“Mr. Qin, we can also place bets here on which contestant would win. Do you want to play?” Li Yan said with a smile.

Qin Yu waved his hand. He wasn't interested in gambling at all.

“What's so fun about this place? It's too cruel.” Song Wei frowned and couldn't help but turn her face to the side.

“Gee, you don't understand. This is called the most primitive form of fighting! The most primitive form of violence!” Li Yan said excitedly.

He looked at the fighting on the stage and waved his hands.

Unfortunately, Li Yan was obviously an amateur.

“Yo, isn't Li Yan?!”

At this moment, a woman with large bouncy curls and wearing a short skirt suddenly walked over.

She walked directly to Li Yan and said with a mocking expression, “Li Yan, do you think you are qualified to come to this kind of place for fun?”

When he saw this woman, Li Yan's expression instantly turned a little ugly.

With a cold expression, he said, “It has nothing to do with you.”

The provocatively-dressed girl snorted and looked at Song Wei. She sneered and said, “Is this your new girlfriend? What? Has your taste in women changed? Do you like goody-two-shoes now?”

“Goody-two-shoes? It’s obvious that she’s just pretending. There’s no telling how many men she’s actually screwing in reality!” A woman in a tight-fitting skirt beside the provocatively-dressed girl sneered..

Chapter 77: Mr. Qin, Got It

Upon hearing the words of these two people, Li Yan immediately flew into a rage!

He stood up abruptly and berated angrily, “Gao Tingting, I’ve already broken up with you long ago. Don’t be so b*tchy! Hurry up and get lost!”

The expression of the short-skirted woman called Gao Tingting changed. She gritted her teeth and said, “Li Yan, how dare you talk to me like that? Just you wait!”

After saying that, Gao Tingting turned around and left.

Li Yan’s expression didn’t look too good, and he was much more sober now.

Qin Yu asked casually, “Who is that person?”

Li Yan forced a smile and said, “My ex-girlfriend. I found out that she cheated on me, so we broke up. I didn’t expect to meet her here today.”

When he heard this, Qin Yu couldn’t help but feel sympathy.

Wasn’t this encounter exactly the same as his?

Qin Yu reached out and patted his shoulder while comforting him, “You will meet a better girl in the future, so good that you can’t believe that there’s such a girl in your life.”

These words were meant for Li Yan, but also for Qin Yu.

“Thank you, Mr. Qin.” Li Yan grabbed the wine and suddenly poured it into his mouth.

Qin Yu didn’t say anything else. He raised his head and looked in the direction of the ring.

In the ring, two muscular men who were more than six feet tall and weighed more than 200kg were fighting for their lives.

Fists hitting flesh brought the scene to a climax.

Qin Yu drank his beer while enjoying the fight in the ring.

“These people are no good.” Yao Qing couldn’t help but shake his head.

Qin Yu joked, “If you go on stage, how long will it take for you to beat them?”

Yao Qing said with some pride, “If I don’t knock him to the ground in half a minute, I’ll lose.”

Qin Yu smiled and didn’t comment.

At this moment, Gao Tingting walked over.

Beside her was an extremely burly man.

That man was extremely burly and was practically the size of a small mountain! He was almost two meters tall! He was extremely eye-catching in the crowd!

When he saw this burly man, Li Yan's expression immediately turned extremely ugly!

"Mr. Qin, let's hurry up and leave!" Li Yan grabbed Qin Yu's arm and said hurriedly.

Qin Yu shook his head and said, "If you want to leave now, I'm afraid it's already too late."

As expected, Gao Tingting quickly ran over and grabbed Li Yan's arm.

"What? You want to run now? Are you afraid now?" Gao Tingting sneered.

Li Yan braced himself and said, "Who... who says I wanted to run? Can't I go to the bathroom?"

"Sit here for me!" Gao Tingting sneered.

As she spoke, the brawny man had already walked to the table.

He sized them up and said, "Tingting, which one is your ex-boyfriend?"

Gao Tingting pointed at Li Yan and said, "Brother Boar, it's him!"

"You're Li Yan?" The Man called Brother Boar walked to Li Yan.

It was impossible not to be afraid when facing such a terrifying figure.

Li Yan's lips trembled as he said, "You... who are you? What do you want?"

"My name is Brother Boar. Didn't you scold me on the phone last time?" The brawny man sneered.

When he heard this, Li Yan's expression changed. He said with some anger, "Was it you who slept with Gao Tingting last time?"

"Hahaha, that's right, it was me!" Brother Boar sneered.

After saying that, Brother Boar raised his huge hand and patted Li Yan's shoulder. He sneered and said, "You said you wanted to kill me last time, but I'm right in front of you now. Why are you cowardly?"

Li Yan's face was ashen, and his heart was filled with bitterness.

How could he be a match for such a burly man?!

"Hmph, look at Brother Boar, and then look at you. You're simply a good-for-nothing!" Gao Tingting's slender body leaned against Brother Boar's body as she said in a sweet voice.

Li Yan gritted his teeth, but he didn't dare to say anything.

When he saw this scene, Qin Yu's expression was extremely ugly.

This was exactly the same as what he had experienced back then.

"Brother Boar, stop talking nonsense with him. He just scolded me and even defended that b*tch! !" Gao Tingting said angrily.

Brother Boar laughed. "Babe, what do you want to do?"

Gao Tingting gritted her teeth and said, "I want him to lick the soles of my shoes! As for that b*tch, Brother Boar, you can do whatever you want."

When he heard this, Brother Boar couldn't help but laugh out loud.

He sized up Song Wei and said with a wicked smile, "This little girl is pretty good-looking, but I don't know if she can tolerate me?"

A hint of fear flashed in Song Wei's eyes, but she still mustered up her courage and berated, "What do you want to do?! I'll call the police!"

Brother Boar froze for a moment before it burst into laughter.

"Little girl, you have quite a temper. Go ahead and call the police. I'll see if you're faster or if I'm faster." Brother Boar laughed evilly.

"Come at me if you want to do anything!" Li Yan seemed to have gone all out as he raised his fist and thrust it at Brother Boar's body.

However, with his meager strength, punching Brother Boar's body was almost like scratching an itch for Brother Boar.

Brother Boar glanced at him and sneered while saying, "You didn't eat?"

Li Yan's expression became even more unsightly. He braced himself and said, "If you have the ability, then beat me to death!"

Brother Boar narrowed its eyes and laughed evilly, "Alright, then I'll satisfy you."

Qin Yu's expression was ice-cold. He glanced at Yao Qing and said, "I really don't like this despicable couple."

Yao Qing nodded. He rubbed his fist and said, "Mr. Qin, got it.."

Chapter 78: The Consequences of Being Soft-hearted

Yao Qing's attacks were extremely fast. Just as Brother Boar's fist was about to land on Li Yan's body, Yao Qing gently pushed it away and instantly caused Brother Boar's fist to deviate by five centimeters.

His huge fist brushed past Li Yan's face.

The sweat on Li Yan's face was swept to the side by the gust of wind of the punch.

Brother Boar frowned slightly. He turned to look at Yao Qing and frowned as he said, "Are you courting death?"

Yao Qing rubbed his fists and sneered as he said, "Mr. Qin said that he doesn't like you."

Brother Boar froze, then laughed out loud as he said, "Doesn't like me? Why the f * ck do I need him to like me? If you want to die, don't be anxious. After I finish dealing with this kid, you will be next!"

Yao Qing sneered again and again. He sized up Brother Boar and said indifferently, "From now on, your opponent is me."

After saying that, Yao Qing pushed Li Yan behind him.

This made Li Yan's expression even more unsightly. He hurriedly looked at Qin Yu and shook his head. "Mr. Qin, this matter started because of me. You can't let your friend get hurt because of me!"

"Don't worry," Qin Yu said with a smile.

"Yao Qing taking care of him is no different from stepping on an ant," Qin Yu said with a faint smile.

How could Li Yan believe Qin Yu's words?

Brother Boar was nearly two meters tall, and his body was like a small mountain.

On the other hand, Li Yan was extremely skinny and weak-looking, as if even a gust of wind could blow him down.

The difference in their body sizes was too big.

Li Yan became more and more anxious. He pleaded, “Mr. Qin, thank you for your kindness, but I, Li Yan, can’t let others take the fall for me!”

After saying that, Li Yan shouted, “Brother Boar, this matter started because of me. If you have the ability, come at me!”

Brother Boar picked his nose and sneered. “What, do all of you want to die so much? But unfortunately, I’ve changed my mind now.”

He looked at Yao Qing and said coldly, “This kid insulted me. I’ve decided to break his bones first!”

“F * ck you, Brother Boar. If you have the ability, come at me, you b*stard!” Li Yan directly cursed.

Brother Boar’s expression became colder and colder. His patience was also gradually disappearing.

“Okay, then I’ll crush you first.” Brother Boar looked at Li Yan coldly. In the next second, he directly waved his fist and thrust it at Li Yan!

Li Yan closed his eyes. This time, there was no fear on his face, as if he was waiting.

However, after several seconds, Brother Boar’s fist still didn’t land on his body.

Li Yan frowned slightly. He opened his eyes suspiciously and saw that Brother Boar’s fist was tightly held in Yao Qing’s hand.

“I said, your opponent is me. Don’t you understand human language?” Yao Qing said coldly.

Brother Boar struggled with all its might, but he found that he couldn't break free at all!

This made Brother Boar both shocked and angry. He roared, "You're courting death!"

After saying that, he clenched his other fist and fiercely thrust it at Yao Qing!

Unfortunately, this fist was also easily grabbed by Yao Qing.

"That's all you have to show?" Yao Qing's expression was somewhat mocking.

The surrounding people were also dumbstruck.

This scrawny man actually had such great strength? He caught Brother Boar's fist that easily?

"Yao Qing, stop playing around," at this moment, Qin Yu frowned and shouted.

"Yes, Mr. Qin." Yao Qing nodded. As soon as he finished his words, his body rose into the air and he kicked Brother Boar's head!

As soon as his foot landed, Yao Qing turned around and walked away.

Brother Boar's huge body stood frozen in place for less than a second before his entire body collapsed like a small mountain!

The loud noise attracted the attention of the crowd!

The bodyguards of the underground boxing ring hurriedly ran over.

They saw Brother Boar lying unconscious on the ground.

Li Yan swallowed hard. He looked at Yao Qing in a daze with disbelief written all over his face.

Yao Qing... He was actually such a good fighter? He rendered Brother Boar unconscious with one kick?

Others might not be able to tell what was going on with Yao Qing's kick, but Qin Yu knew about it very clearly.

This kick had used up almost all of his strength. Even if Brother Boar woke up, his head would probably be severely injured.

“Brother Boar!” Gao Tingting, who was at the side, hurriedly ran to the side of Brother Boar and shook his body with all her might.

However, Brother Boar didn't move at all, as if he was dead.

“Mr. Qin, what should we do with that woman?” At this moment, Yao Qing walked to Qin Yu and asked.

Qin Yu glanced at him and said, “Ask Li Yan.”

Yao Qing immediately looked in Li Yan's direction.

Li Yan was filled with mixed feelings. He hated Gao Tingting very much, but at this moment, his heart softened.

“Forget it.” Li Yan shook his head. “After all, we were once in love. Let it be.”

This made Qin Yu sigh.

“Li Yan, think about it carefully. Even if you let her off the hook, she might not be grateful,” Qin Yu warned him.

Li Yan forced a smile and said, “Mr. Qin, I’m very grateful for your friend’s help, but... let this matter be.”

Qin Yu didn’t say anything else.

Kind people tended to be soft-hearted, and soft-hearted people would be bullied.

Obviously, Li Yan didn’t understand this.

“Let’s go,” Li Yan stood up and said.

Qin Yu nodded and was about to leave when Gao Tingting shouted, “Stop right there!”

Sure enough, just as Qin Yu guessed, Gao Tingting definitely wouldn’t be grateful to Li Yan for this.

Qin Yu’s expression was impassive, as if everything was within his expectations.

“See, the consequences for being soft-hearted have come.” Qin Yu couldn’t help but shake his head helplessly..

Chapter 79: Are You Sure You Want to Fight Me?

Gao Tingting quickly ran in front of Li Yan, pointed at him and cursed, “You want to leave after beating him? In your dreams!”

Li Yan’s expression was livid. He suppressed his anger and said, “I don’t want to tangle with you. You’d better stay away from me.”

“Who wants to tangle with you?” Gao Tingting crossed her arms and sneered.

“Let me tell you, you guys beat up Brother Boar, so no one can leave here today!” Gao Tingting’s tone sounded smug.

Just as Gao Tingting said, seven to eight burly men walked over from not far away.

And these seven to eight burly men were all fighters of this underground boxing ring. Each of them had extraordinary combat strength.

Li Yan gritted his teeth. He pointed at Gao Tingting and cursed, “Why are you so shameless?! You clearly did something wrong, yet now you’re actually troubling me?”

“Cut the crap!” Gao Tingting snorted. “You have to bear the consequences!”

Li Yan looked at the cold woman in front of him. For a moment, he was in a daze.

The scene mirrored that of when Qin Yu was kicked out of his house.

“Gao Tingting.” Li Yan took a deep breath.

He said with some pleading, “For the sake of our past relationship, can you let my friends go first?”

“Let your friends go first?” Gao Tingting sneered.

“Okay, then kneel down and beg me. Maybe I can be merciful and let your friends go,” Gao Tingting said with amusement while fiddling with her short skirt.

Li Yan was stunned. He glared at Gao Tingting while wishing he could give her two big slaps.

But in the end, Li Yan still forced a smile.

He said slowly, “Okay, I’ll agree to it.”

After saying that, Li Yan bent his knees and was about to kneel on the ground.

At this moment, a hand grabbed his arm.

Looking up, he saw Qin Yu staring at him. He shook his head and said, “Not long ago, I was the same as you. I thought I could get forgiveness from others that way, but I found out later that it wasn’t the case.”

“The weaker you are, the more you will be bullied. In the eyes of others, your pleas will only make you a laughing stock,” Qin Yu said in a sullen voice.

Li Yan looked up at Qin Yu and was instantly persuaded.

“Who the f * ck are you? It’s none of your business! I…” Gao Tingting ran forward aggressively.

“Slap!”

Before Gao Tingting could finish her words, Qin Yu slapped her in the face.

This slap made Gao Tingting turn 360 degrees on the spot, and she plopped down on the ground.

This was the first time Qin Yu had hit a woman. Although he didn’t kill her, he still made half of Gao Tingting’s face swollen.

“Noisy thing,” Qin Yu said to Gao Tingting coldly.

The surrounding boxers immediately walked toward Qin Yu. They surrounded Qin Yu in the middle and said coldly, “Kid, it seems that you really don’t want to walk out of here.”

Yao Qing hurriedly took a step forward and asked in a low voice, “Mr. Qin, I’ll take care of them for you right now.”

“Yo, there’s actually someone who dares to cause trouble here?”

At this moment, a voice suddenly came from the crowd.

Turning around, they saw a man wearing a black shirt slowly walking over.

This man was about 1.8 meters tall. Although he looked quite skinny, his footsteps were extremely steady. One could tell that he was obviously a martial artist.

His appearance immediately caused a commotion.

“Brother Mang, you’re here.” The fighters opened a path for him and looked at him respectfully.

The man called Brother Mang walked straight to Yao Qing and said indifferently, “You’re quite the fighter, aren’t you?”

Yao Qing narrowed his eyes and said, “Finally, there is an inner strength master. Unfortunately, you’re only a fifth stage inner strength master. That’s not worth mentioning.”

“Huh? You know about inner strength?” Brother Mang asked in shock.

Yao Qing ignored Brother Mang. He leaned towards Qin Yu’s ear and said, “This person is only a fifth stage inner strength master. I can easily deal with him.”

Qin Yu nodded and said, “Then do it as soon as possible. Don’t waste time.”

“Yes, Mr. Qin.” Yao Qing nodded.

At this moment, Gao Tingting suddenly rushed over.

She ran to Brother Mang’s side and said angrily, “Brother Mang, they beat up Brother Boar. You must teach them a good lesson!”

Brother Mang glanced at Gao Tingting and said with some displeasure, “You only know how to cause trouble! You’ll pay for Brother Boar’s medical expenses.”

Although Gao Tingting was unwilling, she didn’t dare to refuse, so she hurriedly nodded and said, “I understand, Brother Mang.”

After saying that, Gao Tingting retreated to the side.

Then, Yao Qing quickly walked to Brother Mang’s side. He rubbed his fist and said, “Let’s do it. Mr. Qin said that he doesn’t want to delay for too long.”

Brother Mang glanced at Yao Qing and sneered as he said, “You’re a bodyguard. I don’t want to fight with you.”

After saying that, Brother Mang walked directly to Qin Yu.

He looked down at Qin Yu and said, “This was caused by you, right? Did you order your man to injure Brother Boar?”

Qin Yu looked at Brother Mang and couldn’t help but frown. “What are you bulshi*ting about? Can you be more direct?”

Brother Mang narrowed his eyes and sneered. “Since you ordered it, you should bear the responsibility! Of course, I’m not an unreasonable person. Let’s meet in the arena.”

Qin Yu froze. He scratched his head and said, “You want to fight with me?”

Brother Mang sneered. “Why? You don’t have the guts?”

Qin Yu couldn’t help but look at Brother Mang with some amusement and said, “Are you sure you want to fight with me?”

Chapter 80: Shen Tian’s Bad Idea

Brother Mang raised his eyebrows and said, “What? Do you think I’m joking with you again?”

Gao Tingting, who wasn’t far away, also hurriedly shouted, “Yes, hit him! He was the one who ordered it!”

Brother Mang snorted nonchalantly and pointed at Qin Yu. He said, “I’ll wait for you in the arena.”

After saying this, Brother Mang turned his head and walked towards the arena.

“No need.” At this time, Qin Yu said nonchalantly.

“It will only be a matter of a few minutes. There’s no need to go to the ring. It’s too troublesome,” Qin Yu said.

A fifth stage inner strength martial artist simply didn’t have the qualifications to fight with Qin Yu.

But when Brother Mang heard this, he thought that Qin Yu had admitted defeat.

He turned around and smiled. “It seems that you are quite self-aware. Okay, then I’ll do as you say.”

Then, Brother Mang quickly walked to Qin Yu. He rubbed his fist and said with a sneer, “Today, I...”

“Bang!”

Before Brother Mang could finish his words, Qin Yu suddenly raised his hand and slapped Brother Mang’s face!

Before Brother Mang could even react, his entire body was sent flying for more than ten meters.

Half of his facial bones were directly shattered, and he fell to the ground without standing up again.

The venue was completely silent.

No one dared to believe this scene.

They didn’t even know what had happened.

“This... That’s it?” Li Yan swallowed hard and looked at Qin Yu in shock.

Qin Yu, on the other hand, was calm and collected, as if he had done something beneath mentioning.

“Let’s go.” Qin Yu looked at Li Yan and the others, then strode towards the door.

This time, no one dared to stop Qin Yu, and all of them obediently retreated to the side.

Brother Mang was the number one martial artist in the underground boxing ring. In front of Qin Yu, he didn't even have the chance to fight back, so who dared to stop him?

The few of them swaggered out of the underground boxing ring.

After they left, Li Yan couldn't help but say excitedly, "Mr. Qin, I didn't expect you to be so impressive! How unbelievable!"

Qin Yu smiled and didn't say anything.

To put it bluntly, this underground boxing ring was just for entertainment. Real martial artists wouldn't come to such a place at all.

After such an incident happened, no one was in the mood to play, so they directly dispersed.

That night, Qin Yu went to bed early and planned to return to Jiangcheng the next day.

At this time, Shen Yun was sitting in his office with a livid look on his face.

"Dad, what happened?" Shen Tian asked with some confusion.

Shen Yun glanced at him and said with some fatigue, "The Shen family's financial chain is broken."

"Huh?" Shen Tian was stunned. "How is this possible?"

Shen Yun gritted his teeth and said with a cold expression, "It's all because of Qin Yu! All of this is his doing!"

Following that, Shen Yun told Shen Tian what happened.

Shen Tian was even more furious after hearing it!

He had always been so arrogant and bossy that he treated ordinary people as ants!

Now that his life was being ruined by an ant, how could Shen Tian not be angry?!

“This must be Yan Ruoxue’s doing!” Shen Tian said through gritted teeth.

Shen Yun knew it clearly in his heart.

Without Yan Ruoxue’s help, no one could grow so fast.

However, what could the Shen family do?

“If I have no other choice, I can only ask for a reconciliation.” Shen Yun took a deep breath and said somewhat unwillingly.

“Ask for a reconciliation? F * ck asking for a reconciliation!” Shen Tian said angrily.

“If it were up to me, I would directly tie Yan Ruoxue up and teach her a lesson! Otherwise, she would keep acting too big for her britches!” Shen Tian said with a bit of viciousness.

When he heard this, Shen Yun hurriedly waved his hand and said, “Shut up! Shen Tian, I’m warning you, don’t you ever say that again in the future! Otherwise, it will bring disaster to our family!”

Shen Yun said impatiently, but unfortunately, Shen Tian didn’t listen to a single word he said.

His mind raced, and no one knew what he was thinking about.

“Dad, even if you go beg Qin Yu and Yan Ruoxue, will they let you off the hook?” Shen Tian snorted coldly.

Shen Yun sighed. He rubbed his forehead and said, “I can only find Mr. Wu to fix this.”

Uncle Wu was, after all, a high-ranking official in the military district, and he had a friendship with the Yan family.

If Uncle Wu stepped forward, there was still room for remedy.

Currently, Shen Yun didn't have the mood to think about revenge at all. He was thinking about how to protect the Shen family.

Shen Tian, who was beside him, snorted coldly and walked out without saying anything.

Shen Yun took out his phone and dialed Uncle Wu's number.

He told Uncle Wu the whole story over the phone.

Uncle Wu fell into silence after hearing it.

Uncle Wu didn't expect that the prominent Shen family would be forced into such a situation by someone as insignificant as Qin Yu.

“You have to help me!” Shen Yun pleaded on the phone.

Uncle Wu sighed and said, “Alright, I'll go to Jiangcheng tomorrow and treat you and Qin Yu to a meal. But... Old Shen, you have to act more humble.”

“I understand. Don't worry,” Shen Yun agreed.

On the other side, Shen Tian had already walked out of his house and all the way to the bar.

“Shen Tian, what’s wrong? Are you unhappy?” His lackey, Zhao Gang, asked considerately.

Shen Tian didn’t say anything. He looked at Zhao Gang and suddenly thought of a bad idea.

“Zhao Gang, do you want to make a fortune? Do you want to cooperate with our family?” Shen Tian asked with a smile.

Zhao Gang was stunned and hurriedly nodded. “Shen Tian, I’ve been dreaming of it! I just lack an opportunity!”

Shen Tian patted Zhao Gang’s shoulder and said, “Now, your opportunity has come. As long as you help me do one thing, I’ll let you cooperate with the Shen Family!”

“Really? Shen Tian, it’s my honor to be able to work for you!” Zhao Gang hurriedly said.

A sinister light flashed in Shen Tian’s eyes. He looked at Zhao Gang and coldly said, “I want you to find a few people to kidnap Yan Ruoxue!”

When he heard this, Zhao Gang’s expression instantly became extremely ugly, and he even suddenly shivered.

“Shen Tian, don’t joke around. Yan Ruoxue is the granddaughter of the Yan family...” Zhao Gang said with some fear.

Shen Tian said with a cold expression, “What are you afraid of? We’re not hurting her. We’re just scaring her.”

“Find a few reliable people and imprison her for a few days, then let her go. What can happen?”

“Besides, no one will know about this except for you and me.. We can totally keep it a secret!”

Chapter 81: Shen Yun Apologizes

Even though that was the case, Zhao Gang was still afraid.

To Zhao Gang, it was undoubtedly a huge risk to touch someone whose status was far higher than his.

“If we are discovered, then... we would be dead meat...” Zhao Gang’s face was filled with fear.

Shen Tian snorted and said, “If you want to be a big shot, how can you not take risks? If you want to live like this for the rest of your life, you can refuse.”

After saying that, Shen Tian turned his head to the side and didn’t say anything else.

Zhao Gang sat there for a long time without saying anything.

After a long time, Zhao Gang looked at Shen Tian and said, “Let me think about it. I’ll give you my decision tomorrow.”

“Okay.” Shen Tian nodded.

Then, he said with a smile, “There aren’t many opportunities in life. You have to consider it carefully.”

“I know.” Zhao Gang nodded and then left the bar.

Shen Tian sneered.

He believed that Zhao Gang would definitely agree, because a greedy person like Zhao Gang definitely wouldn’t be able to resist the temptation.

The greed of human nature was the biggest loophole to be exploited.

Shen Tian's idea was very simple. If he found someone to kidnap Yan Ruoxue, then the Yan family would be furious and would definitely vent their anger on Qin Yu.

Even if Qin Yu was lucky enough to obtain the Yan family's forgiveness, Yan Ruoxue would definitely be brought back to Jingdu.

At that time, wouldn't Qin Yu be a piece of cake for him to deal with?

Even if the Yan family really found out, the Shen family could still deny it and blame everything on Zhao Gang.

"I'm really a genius!" Shen Tian couldn't help but laugh smugly.

...

The next day, Qin Yu rushed back to Jiangcheng from the provincial capital.

This time, his harvest was quite bountiful. The herbs given by Wei Jiang and the one given by Zheng Mingshuo were enough for Qin Yu to advance to the Foundation Establishment Stage.

"I wonder how long it will take for me to advance to the Foundation Establishment Stage from the Qi Refining Stage," Qin Yu thought to himself.

Therefore, before that, Qin Yu had to make arrangements in advance.

He put away the herbs for the time being and then planned to pick the prime spot.

"It would be great if I could stay in Shen Tian's villa," Qin Yu thought to himself.

The spiritual energy environment there was the best Qin Yu had ever seen. Unfortunately, the relationship between the two made it impossible for Qin Yu to stay there.

At this moment, a Land Rover suddenly drove in from outside the door.

The car stopped in front of Qin Yu, and then a man in a black suit walked out.

“Is Mr. Qin at home?” The man in the black suit stood at the door and asked.

Qin Yu frowned. He walked forward and said, “I am. What do you want?”

The man in the black suit said politely, “Mr. Wu wants to invite you to dinner tonight. I wonder if you are free.”

“Mr. Wu? Uncle Wu?” Qin Yu suddenly remembered him.

Since the last incident, the two of them hadn't crossed any paths.

“Could it be that he's here for the Shen Family?” Qin Yu thought to himself.

Uncle Wu and the Yan family had a good relationship, plus Qin Yu had already snubbed him last time.

Therefore, after thinking about it, Qin Yu decided to agree to it for Yan Ruoxue's sake.

“Okay, tell me the time and place,” Qin Yu said.

The man in the black suit hurriedly said, “It's tonight at eight o'clock, at the Xiaojiang Fishing Village.”

“Okay, I’ll definitely be there on time,” Qin Yu said.

After the man in the black suit left, Yao Qing walked forward quickly.

“Mr. Qin, Mr. Wu and Shen Yun are good friends. I’m afraid it’s a trap,” Yao Qing warned him.

Qin Yu smiled slightly and said, “It’s okay. I believe they won’t be able to do anything to me.”

Yao Qing wanted to say something, but was stopped by Qin Yu with a wave of his hand.

On the other hand, Zhao Gang and Su Yan were lying on the bed. Zhao Gang was smoking non-stop with a frown.

“Honey, what’s wrong?” Su Yan laid on Zhao Gang’s body and said in a sweet voice.

Looking at Su Yan, Zhao Gang felt an inexplicable sense of annoyance.

He was feeling more and more regretful that he married such a shallow and vain woman.

“No, I can’t accept the status quo!” Zhao Gang made up his mind and threw the cigarette butt in his hand on the ground. Then, he picked up his phone and ran to the balcony.

He made a call to Shen Tian.

After the call was connected, Zhao Gang said on the phone, “Mr. Shen, I agree.”

On the other end, Shen Tian burst into laughter and said, “I knew you would make the right choice.”

Zhao Gang said in a sullen voice, “Mr. Shen, I have a few conditions.”

“Go ahead,” Shen Tian agreed.

“If we succeed, the Zhao family will have a deep business cooperation with the Shen family,” Zhao Gang said.

Shen Tian smiled nonchalantly and said, “Of course, there’s no problem with that. Don’t worry, My Shen family definitely won’t mistreat you.”

Zhao Gang continued, “If the matter is exposed, you have to prepare 100 million in cash for me and guarantee my safe departure.”

“Hahaha, no problem!” Shen Tian laughed out loud. “But no one can find out that this has anything to do with the Shen family. Otherwise, you know the consequences.”

“Okay.” Zhao Gang nodded and agreed.

After hanging up the phone, Shen Tian couldn’t help but sneer.

If this matter got exposed, Zhao Gang wanted him to give me cash? He might as well wait for his death! He would have disassociated himself long before that!

“Just wait and see. There will be drama.” Shen Tian smiled smugly.

...

At night, Qin Yu prepared a simple gift and rushed to Xiaojiang Fishing Village.

There was already some waiting at the entrance of Xiaojiang Fishing Village. As soon as he saw Qin Yu, he quickly walked forward and said, “Mr. Wu has been waiting for you for a long time.”

Qin Yu nodded. He followed behind the receptionist and entered the private room.

“This is the place. Mr. Qin, please come in,” the receptionist said politely.

Qin Yu glanced around and made sure that there was no danger before pushing open the door and entering.

The moment the door opened, Qin Yu’s expression turned cold.

“As expected,” Qin Yu said coldly.

Then, Qin Yu looked at Uncle Wu and said, “Uncle Wu, if you want to have dinner with me, I’m very happy. If you have ulterior motives, then I’m sorry, but I won’t accompany you.”

After saying this, Qin Yu turned around to leave.

Uncle Wu hurriedly shouted, “Qin Yu, don’t be so impatient. Just do this for my sake, okay?”

Qin Yu stopped and looked at Uncle Wu. He said with a nonchalant smile, “Uncle Wu, have you forgotten what you said? You said that the Shen family won’t let me off the hook. What do you mean by doing this now?”

Uncle Wu couldn’t help but blush. How could he have expected that the Shen family wasn’t a match for Qin Yu?

“Qin Yu, there are no eternal enemies, only eternal interests,” Shen Yun finally said.

He stood up and said, “I was wrong for what happened before. This time, I invited Uncle Wu to set up this meeting to apologize to you!”

“Apologize to me?” Qin Yu scratched his ears, as if he couldn’t believe what he was hearing.

Uncle Wu waved his hand and said, “Have a seat. Have a seat..”

Chapter 82: Yan Ruoxue Gets Kidnapped

Qin Yu looked at Uncle Wu for a while and finally sat down.

He really wanted to hear what Shen Yun would say.

“Qin Yu, I really didn’t expect you to grow so fast,” Uncle Wu said politely.

Shen Yun also lamented, “Young people nowadays really surprise us.”

Qin Yu glanced at Shen Yun and said, “If you have something to say, just say it. I’m very busy. I have something to do later.”

Uncle Wu frowned slightly. It was obvious that he wasn’t satisfied with Qin Yu’s attitude.

However, in this kind of situation, he couldn’t say anything. He looked at Shen Yun.

Shen Yun coughed and said, “Qin Yu, from the beginning to the end, our Shen family didn’t do anything wrong.”

“You broke my son’s arm, and I didn’t take any drastic actions. So if you think about it carefully, we don’t seem to have any unresolvable enmity, right?” Shen Yun said with a smile.

Qin Yu looked at Shen Yun and said with an insincere smile, “Director Shen, is this what you mean? If I didn’t have the Soul Nourishment Pill, would you sit down and talk with me calmly now?”

Shen Yun laughed and said, “There is no absolute in everything.”

Qin Yu sneered.

He had long promised Yan Ruoxue that even if Shen Yun begged him, he would never give him a way out.

A person like Shen Yun would definitely backstab him once he got the chance.

Uncle Wu coughed and said, “There has to be an end to this matter. Today, everyone is sitting together for my sake. How about this?”

He paused for a moment, then pointed at Shen Yun and said, “Isn’t it beneficial for your families to work together to become more powerful and profit together?”

“Yes, yes, yes, I also have the same intention! With the strength of our Shen family and the Soul Nourishment Pill in your hands, we will definitely be able to become more powerful!” Shen Yun hurriedly raised his wine cup and said.

However, Qin Yu didn’t have the intention to toast him. Instead, he kept sneering.

“Shen Yun, what qualifications do you have to cooperate with me now?” Qin Yu asked coldly.

Shen Yun’s expression instantly changed. He never thought that Qin Yu would say it so straightforwardly! He also never thought that Qin Yu would be so arrogant!

“Shen Yun, to tell you the truth, I can cure your son’s arm. Moreover, when we first met, I thought of treating your son’s arm,” Qin Yu said coldly.

“But unfortunately, your arrogant attitude made me change my mind.”

“Now, I don’t plan to have anything to do with you anymore.”

After hearing Qin Yu’s words, Shen Yun hurriedly said with a bit of urgency, “Qin Yu, is what you said true? Can you really fix my son’s arm?”

“Absolutely true,” Qin Yu said coldly.

Shen Yun immediately became a bit excited.

His Adam’s apple bobbed and he said with some pleading, “Qin Yu, if you can cure my son’s arm, I’m willing to agree to anything!”

“I can give you 10% ... No, 30% of the company’s shares!” Shen Yun said anxiously.

Qin Yu shook his head and said, “I said that I absolutely won’t cooperate with you.”

Shen Yun gritted his teeth and said, “Let’s put aside the matter of cooperation for now. I beg you to cure my son’s arm!”

After saying that, Shen Yun actually stood up and knelt down to Qin Yu.

This surprised Qin Yu extremely.

He never expected that a person like Shen Yun would stoop to kneel down to him!

“He really loves his son dearly.” Qin Yu couldn’t help but lament inside.

He pondered over it for a moment and said, “I can cure your son’s arm, but... it’s impossible to cooperate unless you’re willing to work for me.”

Shen Yun gritted his teeth and said, “Okay, I promise you!”

Qin Yu nodded slightly and said, “Let your son come to my house tomorrow.”

“Of course! Of course!” Shen Yun stood up and thanked him repeatedly.

Uncle Wu, who was beside him, fell into deep thought.

At this moment, his impression of Qin Yu suddenly changed.

He originally thought that Qin Yu was just a good-for-nothing. However, through tonight’s dinner, Uncle Wu realized that this Qin Yu had a sense of decency and was extremely ambitious.

Facing the olive branch that the Shen family offered, he wasn’t the slightest bit tempted. Instead, he chose to annex the other party.

It might be too cruel for ordinary people, but in the business world, it was a necessary evil.

When done by a young man who had just entered the business world, this indeed surprised Uncle Wu.

“Then let’s hope everything goes smoothly!” Uncle Wu raised his wine glass and said with a smile.

This time, Qin Yu picked up his wine glass.

Just as he was about to clink glasses, Qin Yu’s phone suddenly rang.

He picked up his cell phone and saw that the caller was actually Yan Ruoxue’s secretary.

Qin Yu couldn’t help but frown. He put down his wine glass and said politely, “Sorry, I have to take this call first.”

As soon as the call was connected, Qin Yu heard the secretary on the other end say anxiously, “Qin Yu, Miss Yan has been kidnapped!”

“What?!” Qin Yu’s expression suddenly changed drastically. A murderous aura instantly filled the entire room!

“What’s going on?” Qin Yu hurriedly asked.

The secretary on the other end hurriedly recounted what had happened to Qin Yu.

“I’ve already informed all personnel in Jiangcheng, but we still haven’t found any trace of her,” the secretary said with some distress.

Qin Yu’s expression was extremely cold. Anger instantly overcame him!

To Qin Yu, Yan Ruoxue was the light of his life.

Qin Yu was willing to give up everything else, but he would never allow anyone to hurt Yan Ruoxue

He took a deep breath and said, “I’ll go over right now.”

“Qin Yu, what happened?” Uncle Wu asked after Qin Yu hung up the phone.

Qin Yu didn’t have time to explain to them, so he looked at Uncle Wu and said, “Lend me your car.”

“Huh? If there’s an emergency, I’ll get someone to send you there,” Uncle Wu said.

“No need.” Qin Yu didn’t bother to explain. He picked up the keys on the table and turned to leave.

On the way, Qin Yu frantically rushed to the Yan family's manor. He stepped on the accelerator so forcefully that it was almost broken, and he drove through countless traffic lights.

The passers-by cursed at Qin Yu and treated him as a drag racer.

After Qin Yu left, Uncle Wu received a phone call and got the news.

After he hung up the phone, Uncle Wu's expression was extremely ugly.

“What happened?” Shen Yun asked in confusion.

Uncle Wu took a deep breath and said in a sullen voice, “Someone kidnapped Yan Ruoxue.”

“What?!” Hearing this, Shen Yun suddenly stood up!

“Who... who is so bold? Do they want to get themselves killed?” Shen Yun widened his eyes and said in shock.

Uncle Wu didn't say anything. He just sighed and said, “I'm afraid things are going to change in Jiangcheng..”

Chapter 83: The Angry Qin Yu

In Jiangcheng, this night was full of chaos

After this incident happened, Uncle Wu wasn't in the mood to eat. He said goodbye to Shen Yun and quickly left Jiangcheng.

Shen Yun also returned home resentfully.

When he got home, Shen Tian was sitting on the sofa playing games and eating snacks. He looked quite comfortable.

“Dad, what's wrong?” Shen Tian asked casually.

Shen Yun glanced at him and whispered, “Yan Ruoxue was kidnapped. I really don’t know who did it...”

Hearing this, Shen Tian couldn’t help but laugh.

He said proudly, “Dad, you can’t imagine it, right? I did this!”

Shen Yun frowned slightly and said, “You can’t joke about this kind of thing.”

Shen Tian hurriedly explained, “I really did it! Didn’t I tell you? We have to teach her a lesson!”

Shen Yun, who was sitting on the sofa, suddenly stood up.

He stared at Shen Tian and said in a trembling voice, “It... It really was you?”

“Why would I lie? It’s absolutely true!” Shen Tian patted his chest and said.

Hearing this, Shen Yun raised his hand and slapped Shen Tian’s face!

“Are you crazy! Don’t you know who Yan Ruoxue is?!” Shen Yun, his body trembling, glared at Shen Tian.

Shen Tian covered his face and said with some anger, “Dad, you... you actually hit me? You’ve never hit me before!”

“I want to kill you!” Shen Yun gritted his teeth.

“This matter originally had a turn for the better, but you just had to cause trouble! Do you know the consequences of hurting Yan Ruoxue?!” Shen Yun said angrily.

Shen Tian didn't care. He snorted and said, "Dad, what are you worried about? I've already found a scapegoat. My plan is foolproof!"

Then, Shen Tian told Shen Yun what happened.

After Shen Yun heard it, he broke out in a cold sweat.

This was called foolproof? This was simply full of loopholes!

"You are really an idiot!" Shen Yun said through gritted teeth.

He kept pacing around the room. Panic and fear overwhelmed him.

This was also the first time Shen Yun felt such fear.

However, since he was a quick-witted businessman, Shen Yun finally calmed down.

Shen Yun pointed at Shen Tian and said, "Find someone to kill Zhao Gang right now! We can't let him implicate us!"

"Dad, Zhao Gang is very reliable. He won't tell anyone about us," Shen Tian muttered.

"F * ck you!" Shen Yun was so angry that he almost fainted.

"Only dead people can keep a secret. Once he betrays us, the Yan family will never let us off the hook! Even if they have no evidence!" Shen Yun said coldly.

"Do it now! Do it now! After that, you and I will return to the provincial capital overnight!" Shen Yun said coldly.

Shen Tian had no choice but to nod.

...

On the other side, Qin Yu had already arrived at the Yan family's manor.

In the huge Yan family's manor, there was only the secretary alone.

The moment Qin Yu entered, the secretary said angrily, "It's all because of you! It's because Miss Yan was worried about your safety that she sent all her bodyguards to your side! You b*stard, you'll drag Miss Yan to her death sooner or later!"

Qin Yu was stunned. He stared blankly at the secretary and said in a trembling voice, "You... are you telling the truth?"

"Of course!" The secretary said coldly.

"Let me tell you, I have already informed my master about this matter."

"If anything happens to Miss Yan, just wait for your death!" The secretary said coldly.

Qin Yu's expression was extremely ugly. He never thought that Yan Ruoxue would send all her bodyguards to his side!

Most importantly, Qin Yu didn't even notice it!

Qin Yu was filled with mixed feelings. He wished he could give himself a slap.

But now wasn't the time to let his imagination run wild. The most important thing was to find Yan Ruoxue's location as soon as possible and ensure her safety.

"Take me to Miss Yan's room immediately." Qin Yu looked at the secretary and said anxiously.

The secretary said coldly, "What do you want to do?"

“I have a way to find her! Take me to her quickly!” Qin Yu almost roared out these words.

The secretary gritted his teeth and said coldly, “Follow me.”

The two of them came all the way to Yan Ruoxue’s room.

As soon as they entered the door, Qin Yu searched around Yan Ruoxue’s bed.

“What are you doing?” The secretary frowned and asked.

“Why is there no hair?” Qin Yu asked anxiously.

The secretary sneered, “Miss Yan’s room is cleaned every day. How can there be hair?”

Qin Yu immediately panicked. He grabbed the secretary’s arm and said anxiously, “Quick, go and find a strand of Miss Yan’s hair for me immediately. Quick!”

Seeing Qin Yu’s anxious look, the secretary didn’t dare to ask further.

“Wait here.” The secretary snorted.

Qin Yu kept walking around the room while sweating profusely.

Anger and guilt overcame Qin Yu and made him even more anxious.

Finally, the secretary came in with a few strands of hair.

“Qin Yu, what are you trying to do?” The secretary said with a cold expression.

Qin Yu didn’t answer the question, but asked, “Are you sure this is Miss Yan’s hair?”

“Obviously,” the secretary said impatiently.

Qin Yu nodded. He waved his hand and said, “You can go out first.”

“What on earth do you want to do?!” The secretary was getting increasingly puzzled by Qin Yu’s behavior.

“Get out!” Qin Yu immediately shouted!

The secretary gritted his teeth. Although he was angry, he didn’t lose his temper.

After the secretary went out, Qin Yu reached out and pinched a strand of hair.

He took a deep breath and bit his finger before throwing a drop of blood into the air.

At the same time, a dark red light slowly lit up on his finger.

The light quickly wrapped around the strand of hair and floated into the air to merge with the drop of blood.

This was a forbidden technique left behind by his father. It was extremely harmful to the body and might even affect his future advancement path.

However, Qin Yu couldn’t care less now. As long as he could find Yan Ruoxue, Qin Yu was willing to do anything.

The air was filled with the smell of blood. The scarlet light was like a lamp, lighting up the entire room!

“Phew!”

Qin Yu spat out a mouthful of blood. His forehead was also covered in layers of sweat.

A few minutes later, Qin Yu's eyes suddenly opened.

The light in the room also quickly disappeared.

Everything returned to calm.

Qin Yu stood up with a murderous look in his eyes.

Then, he turned his head and walked out of the room.

At this time, the secretary was waiting outside the door. When he saw Qin Yu, the secretary asked, "Where are you going?"

Qin Yu glanced at him and said coldly, "I found Miss Yan's location. I will bring Miss Yan back safely."

"You found her?" The secretary was stunned.

He wanted to ask more questions, but Qin Yu had already walked out quickly and left the Yan family manor in his car..

Chapter 84: You Guys Deserve to Die!

An extremely remote hill.

This place was sparsely populated and was surrounded by dense forests.

Here in this godforsaken place, there wasn't even a cell phone signal.

In a certain cave, two burly men with tattoos were guarding a beautiful woman.

"Boss, this girl is really pretty," one of the big men said with a lecherous look.

The other burly man also swallowed hard. They had never seen such a beautiful woman in their entire lives.

“Boss, why don’t we have some fun first?” One of the burly men asked.

The other man frowned and waved his hand. “Forget it. The client said that we must not hurt her.”

The person tied to the chair was Yan Ruoxue.

At this moment, there was no trace of panic on her face. She was extremely calm, which made the burly men a little unhappy.

“Do you know the consequences of kidnapping me?” Yan Ruoxue looked at the two men and said indifferently.

“Hehe, what consequences can there be? I will leave after I get the money!” One of them said with a smile.

A nonchalant smile appeared on Yan Ruoxue’s face.

“Boss, are we going to stay here for two days?” One of them frowned and said.

“We can earn 20 million in two days. Where else can we earn so much money? Don’t be insatiable.” The other person waved his hand and said.

Time passed minute by minute. Qin Yu was rushing here frantically.

The cars on the road kept backing up, but Qin Yu’s panic didn’t subside in the slightest.

If anything happened to Yan Ruoxue, Qin Yu would be miserable for the rest of his life.

Finally, half an hour later, the car stopped at the foot of the mountain.

Qin Yu, his fists unconsciously clenched, raised his head to look at the small mountain.

A murderous aura emanated from him. Anyone who saw it would tremble.

In the cave, the two burly men kept sizing up Yan Ruoxue.

Looking at Yan Ruoxue's smooth skin, the two men kept swallowing hard.

"There's such a beautiful woman right in front of us, but we can't touch her. What a pity!" One of them said.

The eyes of the other brawny man kept darting around. No one knew what he was thinking.

"F * ck, it doesn't matter! We're going to run away sooner or later anyway. If we sleep with her and go abroad directly, who can find us?" They finally couldn't hold it in anymore!

On the second day, they stood up and walked towards Yan Ruoxue.

Yan Ruoxue's expression became a bit cold.

Facing such desperados, Yan Ruoxue couldn't do anything either.

"You'd better think about it carefully," Yan Ruoxue warned coldly.

"We've thought about it for a long time now," the two brawny men said with a smile.

"To be able to play with a beautiful woman like you for two days, even if we can't get the money, we'll still be satisfied!"

They stretched out their hands and approached Yan Ruoxue step by step.

When they saw that they were getting closer and closer to her, the breathing of the two of them became rapid.

Just as they were about to touch Yan Ruoxue, a stone suddenly flew in like a bullet!

This stone happened to hit one of the men's hands!

In an instant, the palm was pierced through and white bones were exposed. A bloody smell immediately emanated!

“You... are courting death!” Qin Yu gave off a murderous aura that could even be felt by Yan Ruoxue, who was a distance away!

Yan Ruoxue looked at Qin Yu in shock. She knew that someone would definitely come to save her, but she didn't expect that the first person to be found would be Qin Yu!

“Miss Yan, are you alright?” Qin Yu looked at Yan Ruoxue and asked anxiously.

Yan Ruoxue smiled and said, “If you had come a little later, something might have really happened.”

“D*mn, where did this b*stard come from? How dare he ruin our fun!” The brawny man covered his hands and said in pain.

“You want to save the damsel in distress? Then I will screw this woman in front of you!” Another brawny man sneered.

When he heard this, Qin Yu's anger instantly reached its peak!

In Qin Yu's heart, Yan Ruoxue was a noble and inviolable woman! Even Qin Yu himself didn't dare to have any lewd thoughts!

Yet these two men actually dared to have such improper desires towards Yan Ruoxue!

“You... are courting death!” Qin Yu clenched his fists tightly. The murderous aura on his body became increasingly stronger, and a sense of oppression emanated!

The expressions of the two brawny men changed. For some reason, they actually felt a sense of fear!

“D*mn it, hurry up and kill this kid!” One of them shouted loudly.

As soon as he finished speaking, the two men charged towards Qin Yu!

Qin Yu’s patience had long since disappeared. He took a step forward and raised his foot to smash his kneecap into pieces!

“Ouch! !” A painful wail resounded throughout the valley!

Qin Yu didn’t stop there. He reached out and grabbed the necks of the two burly men to lift them into the air!

“Tell me, who told you to do this?” Qin Yu suppressed his killing intent and said coldly.

The two burly men struggled desperately in the air, but they found that they couldn’t break free!

The fear in their hearts reached its peak in an instant!

“Don’t... Don’t kill us...” they spat out these words with great difficulty.

“Say it quickly!” Qin Yu roared angrily, scaring the two men so much that they instantly wet their pants!

“It’s... It’s Zhao Gang. Someone called Zhao Gang asked us to do this!”
The two brawny men didn’t dare to hide anything and immediately spilled the beans on Zhao Gang.

When he heard this name, Qin Yu’s expression became even colder.

“Zhao Gang... I didn’t kill you, but you actually dared to plot against me... and even made a move against Miss Yan...” Qin Yu’s body trembled due to his anger.

“D*mn it... d*mn it... I shouldn’t have been soft-hearted. I should have killed him earlier...” Qin Yu guiltily muttered in a low voice.

If he had killed Zhao Gang earlier, Miss Yan wouldn’t have suffered this kind of misery!

“Sir... We have already told you, so can you spare us...” the two burly men said in anguish.

Qin Yu looked at the two of them coldly and said, “Anyone who dares to touch Yan Ruoxue will die!”

After saying that, Qin Yu exerted force with his hand and directly broke the necks of the two men!

Two burly men instantly fell to the ground and blood stained the ground..

Chapter 85: Reckoning!

After he killed these two people, Qin Yu’s anger didn’t dissipate at all.

He quickly walked in front of Yan Ruoxue and stretched out his hand to break the rope on Yan Ruoxue’s body.

Yan Ruoxue’s face was somewhat pale. It wasn’t because she was kidnapped, but because of the two corpses.

Only then did Qin Yu remember that he should not have killed people in front of Yan Ruoxue.

But at that time, he had already been blinded by anger, so how could he have thought of it?

“Are you okay?” Qin Yu blocked Yan Ruoxue’s view to prevent her seeing the corpses.

Yan Ruoxue shook her head and said, “I’m fine.”

“That’s good. Let’s go home.” Qin Yu bent down, then carried Yan Ruoxue in his arms and walked down the mountain.

Lying in Qin Yu’s arms, Yan Ruoxue felt extremely safe.

She looked up at Qin Yu’s face and couldn’t help but smile.

This kind of warm feeling made Yan Ruoxue, a tough and haughty woman, feel demure.

They walked all the way down the mountain. Qin Yu carried Yan Ruoxue into the car and then rushed to the Yan family’s manor.

“Miss Yan, this is all my fault. I promise that it won’t happen again,” Qin Yu said in a deep voice as he drove.

Yan Ruoxue smiled and said, “This wasn’t your fault to begin with. If you want to blame someone, blame them for being too bold.”

Qin Yu sighed. He didn’t know what to say.

“Miss Yan, tell your bodyguards to go back. I don’t need protection,” Qin Yu said with a slight sigh.

Hearing this, Yan Ruoxue couldn’t help but feel a little surprised.

“What a blabbermouth.” Then, Yan Ruoxue couldn’t help but mutter in a low voice.

The car arrived at the Yan family’s manor soon after.

At this time, the top bigwigs of Jiangcheng had gathered in the Yan family’s manor.

They looked anxious and had mixed feelings.

If something happened to Yan Ruoxue in Jiangcheng, it would be troublesome to deal with!

“Miss Yan is back!” At this moment, someone shouted and everyone rushed towards Yan Ruoxue.

“Miss Yan, are you alright? You scared us to death!”

“I promise to investigate Jiangcheng’s safety issues immediately!”

“I will send someone to protect Miss Yan 24/7 later!”

Everyone spoke one after another with lingering fear.

Yan Ruoxue waved her hand and said, “You guys can go back. I’m a little tired and want to rest.”

“This...” everyone looked at each other without knowing what to do.

“Miss Yan asked you guys to leave, so you guys can go.” The secretary waved his hand and said.

Hearing this, everyone left one after another.

After they all left, the secretary looked at Qin Yu and snorted lightly.

“Fortunately, Miss Yan is fine.”

Qin Yu ignored him. He looked at Yan Ruoxue and said, “Miss Yan, you should rest early. I won’t disturb you.”

“Where are you going?” Yan Ruoxue called out to Qin Yu.

Qin Yu’s back was facing Yan Ruoxue. He took a deep breath and said, “Nowhere. I should go home and rest.”

After saying this, Qin Yu walked out of the Yan family’s manor quickly.

“Hmph, what a rascal. He’s going to go home and rest just like that? How rude.” The secretary couldn’t help but snort.

Yan Ruoxue glanced at him and said, “Do you really think he wants to go home?”

The secretary was stunned and quickly asked, “Miss Yan, what do you mean by that?”

Yan Ruoxue didn’t answer, but sighed slightly and said, “Call the higher-ups to ensure Qin Yu’s safety and get someone to clean up the aftermath.”

The secretary hesitated for a moment and quickly reacted.

Qin Yu wasn’t going home at all. He was going to find the culprit!

“Miss Yan, I might not need to summon anyone.” The secretary shook his head.

“I have already told the Master, who was furious when he heard the news and has already informed all personnel in the Chuzhou region. They sent a special forces team to Jiangcheng.”

Hearing this, Yan Ruoxue couldn’t help but frown.

“Shut up!” Yan Ruoxue shouted in a cold voice.

The secretary didn't dare to make a sound.

Yan Ruoxue couldn't help but rub her smooth forehead in frustration.

“Miss Yan, who is the culprit behind this?” A moment later, the secretary walked forward and asked tentatively.

Yan Ruoxue didn't answer this question, but she already had the answer in mind.

It was definitely not Zhao Gang, who the gangsters mentioned, but someone else.

...

At this moment, Qin Yu was rushing towards the Zhao family.

The Zhao family lived in Dragon Paradise, the same neighborhood as Qin Yu did.

At this moment, Zhao Gang was pacing back and forth in his room.

“Honey, what exactly happened? Why do I have a bad premonition?” Su Yan said with a frown.

Zhao Gang didn't say anything, but he was terrified.

He called the two gangsters twice, but they couldn't get through.

“Please don't let anything happen,” Zhao Gang murmured in a trembling voice.

At this moment, figure suddenly flashed through the door.

Zhao Gang, who was already nervous, jumped up in alarm.

“Who is it?! Who’s outside?!” Zhao Gang shouted.

It was silent outside the door.

“Honey, who’s there? Aren’t you a little too paranoid?” Su Yan muttered.

Zhao Gang wiped the sweat from his forehead and said in a low voice, “I hope so...”

“Kacha!”

At this moment, the door of the room was violently smashed open!

Then, a man stepped in!

Chapter 86: Her Father Arrives!

The man’s expression was cold and fierce. It was obvious that he wasn’t someone to be trifled with.

“Who... who are you?!” Zhao Gang suppressed his fear and said in a trembling voice.

The man didn’t speak. He only said coldly, “Someone paid for a hit on your life. Don’t worry, I will let you go more comfortably.”

After saying that, the man walked towards Zhao Gang.

Zhao Gang said in fear, “Don’t come over! Otherwise, I won’t let you off the hook!”

The man didn’t say anything. He raised his hand and grabbed Zhao Gang.

His fingers were like sharp blades. Whoever he caught was dead meat!

“Bang!”

At this moment, the door was opened again.

The man stopped.

“Qin Yu, you... you came at the right time. Save us quickly!” Zhao Gang took this opportunity and hurriedly ran to the side.

Qin Yu ignored him. He glared at Zhao Gang and said, “Zhao Gang, I hadn’t planned to settle the score with you, but how dare you try to plot against Miss Yan... I must kill you today. I must kill you!”

Zhao Gang’s face instantly turned pale!

He had been exposed? Qin Yu actually knew?

“You... what nonsense are you talking about? I have no idea what you’re talking about!” Zhao Gang braced himself and said.

Qin Yu gritted his teeth and said, “I won’t give you any chance to explain.”

“Who are you?” At this moment, the assassin suddenly asked in a cold voice.

Qin Yu glanced at him and said coldly, “Get lost!”

“How insolent!” The assassin berated.

Qin Yu frowned slightly. He looked at the assassin and said, “Do you want to die too?”

“That depends on whether you have the ability or not!” The assassin shouted angrily and grabbed at Qin Yu.

Qin Yu didn’t have the mood to tangle with him. He immediately clenched his fist and punched him!

This punch almost used up all of Qin Yu's strength and instantly broke the assassin's fist!

Following that, Qin Yu punched through the assassin's chest!

The assassin, his eyes filled with disbelief, stared blankly at the bloody hole in front of his chest.

The bloody scene made Su Yan scream!

"Shut up!" Qin Yu was furious. He kicked a stool at Su Yan!

The stool just happened to hit Su Yan's mouth!

After dealing with this assassin, Qin Yu walked towards Zhao Gang step by step.

He looked at Zhao Gang coldly and said, "Have you considered the consequences of this? I was kind enough to spare you, but you actually dared to plot against Miss Yan... you are simply unforgivable!"

At this moment, Zhao Gang was already scared to death. His entire body was trembling non-stop, and he couldn't even stand up.

"Qin Yu, please spare me. It was... it was Shen Tian who asked me to do this. It has nothing to do with me. It has nothing to do with me... !" Zhao Gang knelt on the ground with a plop and kept kowtowing.

Qin Yu's expression turned cold.

It was actually Shen Tian who instigated it!

Originally, Qin Yu had already planned to let the Shen family go. He didn't expect Shen Tian to actually do such a thing!

“I will never be soft-hearted to anyone in my life ever again.” Qin Yu’s heart grew even colder at this moment.

Looking at Zhao Gang, who was miserably begging him on the ground, Qin Yu didn’t have the slightest bit of pity.

He raised his foot and stomped on Zhao Gang’s head.

Zhao Gang’s head suffered such a huge force that it instantly exploded, like a watermelon!

Su Yan was so scared that she almost fainted. She ignored the pain of her mouth and knelt on the ground to beg for mercy, “Qin Yu, for the sake of us being husband and wife for so many years, please spare my life. I didn’t know about this at all. I swear...”

Looking at Su Yan, Qin Yu no longer had any patience.

He would rather kill a thousand innocent people than let one guilty person go!

Just as Qin Yu was about to make his move, his phone suddenly rang.

He picked up the phone and saw that the caller was Yan Ruoxue.

Qin Yu glanced at Su Yan, then walked to the side with the phone.

“Miss Yan, what’s wrong?” Qin Yu asked over the phone.

Yan Ruoxue said, “Where are you now?”

Qin Yu lied, “I’m... I’m at home.”

“I’m at the gate of Dragon Paradise Villa. Accompany me to the provincial capital,” Yan Ruoxue said in a sullen tone of voice.

Qin Yu was silent for a moment and said, "Okay."

After hanging up the phone, Qin Yu looked at Su Yan.

"Su Yan, from today onwards, you and I have nothing to do with each other. Of course, I also warn you that you'd better not tell a soul about this," Qin Yu said coldly.

After saying this, Qin Yu quickly rushed to the door.

At the door, a Maybach was waiting.

After Qin Yu got into the car, the car quickly sped off into the darkness.

"You killed Zhao Gang?" Yan Ruoxue asked.

Qin Yu knew that he couldn't hide it, so he nodded.

Yan Ruoxue didn't say anything more about this.

"Oh right, this was plotted by Shen Tian!" At this time, Qin Yu seemed to have thought of something and quickly said.

Before Yan Ruoxue could say anything, the secretary snorted lightly. "Do you think Miss Yan doesn't know? Otherwise, why would we go to the provincial capital?"

Qin Yu opened his mouth and couldn't help but smile bitterly.

At this moment, at the Shen family in the provincial capital.

Shen Yun's family was filled with unease, and everyone had a look of fear on their faces.

"It's all your fault, you b*stard!" Shen Yun slapped Shen Tian's face again.

Shen Tian covered his face and muttered, “Dad, things really aren’t as serious as you think... There’s no way the Yan family would know that we did it...”

“F * ck you! You idiot!” Shen Yun’s face was filled with disappointment.

If he had known earlier, he wouldn’t have indulged in Shen Tian like this!

At this moment, a car suddenly stopped outside the door.

The moment the car stopped, they saw a tall middle-aged man get out of the car.

He was tall and had an air of grace. His footsteps were sonorous and beside him, there were two bodyguards.

When he saw this man, Shen Yun’s expression instantly turned extremely ugly! Even his body started to tremble!

“Yan... Yan Yongxiu! Why... why is he here...” Shen Yun was already shaking like a leaf!

It was because this man was none other than Yan Ruoxue’s father, the son of Old Mister Yan!

Chapter 87: The Arrogant Shen Tian

The arrival of Yan Yongxiu unnerved Shen Yun.

This was enough to show that it was almost impossible for this matter to be settled.

“Shen Tian, remember later. No matter what he says, you must not admit that this matter has anything to do with you, understand?!” Shen Yun shouted anxiously.

Shen Tian was still unfazed. He just nodded and said, "I understand."

Shen Yun was extremely uneasy. In the face of a person like Yan Yongxiu, none of his achievements and status were worth mentioning!

Very soon, Yan Yongxiu brought people to push the door open and entered.

Yan Yongxiu's expression was calm and indifferent.

However, his intimidating aura made people tremble!

Even Shen Tian, who was extremely audacious, was a little afraid at this moment.

Because Yan Yongxiu's presence was too imposing! Even the governor wasn't as intimidating as him!

"Mr. ... Mr. Yan, why are you here..." Shen Yun suppressed the fear inside and said with a sheepish smile.

Yan Yongxiu glanced at him indifferently and didn't say anything.

The bodyguard beside him immediately moved a chair and placed it behind Yan Yongxiu.

Yan Yongxiu slowly sat down and the person beside him lit a cigar for him.

The room was silent, but the more it was like this, the more frightened Shen Yun was.

Facing such a person was simply a kind of psychological torture! It was unbearable!

More and more sweat appeared on Shen Yun's forehead. His body swayed and he almost fell to the ground.

Yan Yongxiu slowly exhaled a ring of smoke. He looked at Shen Yun and said indifferently, "Shen Yun, you have quite some guts."

When he heard this, Shen Yun's body softened and he immediately fell to the ground!

"Mr. ... Mr. Yan, I don't understand your words..." Shen Yun braced himself and said.

"Oh really?" Yan Yongxiu raised his eyebrows. He took a puff of his cigar and said with a smile, "Do you think it's meaningful to lie in front of me?"

Shen Yun's body quivered again. He raised his head and said in a trembling voice, "Mr. ... Mr. Yan, I really don't understand..."

"I don't understand..." Yan Yunheng's expression gradually turned cold.

"Then I'll remind you."

"The last person who plotted against my daughter was the Sun family. You should know about the fate of the Sun family very clearly."

When he heard these words, Shen Yun's expression changed drastically again!

The Sun family of Jingdu! Back then, they were also a top-class blue-blood family in Jingdu!

However, the Sun family, which was prominent at that time, went bankrupt within a few days! Rumor had it that the Sun family's elders and children had gone missing!

That incident was sensational in Jingdu back then, but no one knew exactly what had happened!

Some people said that the Sun family's management wasn't good, and some said that the Sun family had provoked someone they shouldn't have provoked...

But no one knew that this was actually done by the Yan family!

Shen Yun knelt on the ground with a plop. His head hung on the ground, and he didn't even dare to raise his head to look at Yan Yongxiu!

"Mr. ... Mr. Yan, this incident has absolutely nothing to do with the Shen family!" Shen Yun clenched his teeth tightly!

He knew very well inside that he couldn't admit it no matter what! Because once he admitted it, the Yan family would never let them off the hook!

Yan Yongxiu looked down at Shen Yun and said coldly, "Raise your head and look at me."

Shen Yun's body stiffened and he said in a trembling voice, "I... I don't dare..."

"I told you to raise your head!" Yan Yongxiu immediately shouted!

This bellow scared Shen Yun so much that he fell to the ground.

He struggled to get up from the ground and braced himself to look at Yan Yongxiu.

As he looked at Yan Yongxiu's icy countenance, Shen Yun trembled like a sieve!

Yan Yongxiu looked at Shen Yun coldly and said, “Do you think I need evidence if I want to get rid of you?”

Shen Yun was stunned and immediately sat down on the ground.

Yes, the Yan family didn't need evidence at all.

Once they were suspected by the Yan family, there was almost no chance of survival!

Yan Yongxiu glanced at Shen Tian, who wasn't far away, and asked indifferently, “This is your son?”

Shen Yun hurriedly replied, “Yes, yes, Mr. Yan. This is my son, Shen Tian...”

After saying that, Shen Yun turned his head and shouted, “Greet him!”

Although Shen Tian could feel the powerful aura emanating from Yan Yongxiu, he, who had been spoiled, still didn't feel fear.

He snorted and said, “My father has already said that this matter has nothing to do with us. Why are you so unreasonable?”

When he heard these words, Shen Yun was so angry that he almost fainted!

“What are you saying, you b*stard?! Apologize to Mr. Yan!” Shen Yun hurriedly shouted!

Shen Tian still said recklessly, “Even if you are a prominent family in Jingdu, you still need evidence. What right do you have to say that it has something to do with us?”

Looking at the stubborn Shen Tian, Yan Yongxiu couldn't help but laugh.

“Interesting.” Yan Yongxiu rubbed the chair, and the corner of his mouth curled into a cold smile.

“How impudent! How dare you talk to Mr. Yan like this, are you courting death!” The bodyguard beside Yan Yongxiu roared angrily.

Shen Tian snorted coldly. “This is Chuzhou, not Jingdu! Moreover, there are only two of you. As long as I make a call, I guarantee that you won’t be able to leave Chuzhou. you don’t believe me?!”

Shen Yun was so angered by Shen Tian’s ignorance and arrogance that he almost collapsed.

At this moment, Yan Yongxiu’s expression had already gradually turned cold.

“It’s over. It’s over...” Shen Yun knew that this matter probably had no room for reconciliation.

He slumped to the ground with a vacant look in his eyes.

Shen Tian continued to look at Yan Yongxiu arrogantly while snorting coldly and said, “You have already made me unhappy. A strong dragon can’t suppress a local snake. Today, I will punish all of you!”

Yan Yongxiu looked at Shen Tian coldly without saying a word.

Shen Tian took out his phone and quickly dialed a number.

After making the call, Shen Tian sneered and said, “Get lost now. It’s not too late. Otherwise, I’ll make sure you won’t see the sun tomorrow!”

“Is that so?” Yan Yongxiu smiled nonchalantly.

“It’s been many years since someone dared to talk to me like that.” Yan Yongxiu raised his head and said with a sigh.

Shen Tian snorted lightly and said, "I've already given you a chance. It's you who didn't cherish it. Don't blame me!"

"Mr. Yan, they're already here." At this moment, the bodyguard beside Yan Yongxiu said.

As soon as he finished speaking, the sound of helicopters suddenly came from outside the door!

Countless lasers passed through the window and directly shone into the house!

In addition, there were dozens of armored vehicles and hundreds of fully armed soldiers outside!

Chapter 88: The Power of the Yan Family

When he saw this scene, Shen Tian's expression changed drastically!

This... What the h*ll was this situation? Why were the people from the Chuzhou region here?

"People inside, listen up. You are surrounded! Put down your weapons!"
A loud shout came from outside!

Surrounded? Put down your weapons?

What did this mean?

Shen Tian was dumbfounded. Why did it seem like they were going to kidnap him?

At this moment, Yan Yongxiu looked at Shen Yun and said indifferently, "Shen Yun, didn't you want evidence? I'll give you one now."

“You kidnapped a Jingdu merchant and threatened him. Your crime is unforgivable,” Yan Yongxiu said coldly.

The Shen family’s father and son instantly understood!

Since they couldn’t find evidence of Yan Ruoxue’s kidnapping, then they would create another crime of kidnapping!

No one would be able to clear themselves of the accusation!

“You... you’re falsely incriminating me!” Shen Tian said anxiously.

“Falsely incriminating? Do you think they will believe me or you?” Yan Yongxiu said indifferently.

Shen Tian immediately became impatient, but he couldn’t think of any way to deal with it!

Shen Yun breathed a sigh of relief. It was better to be in prison than to be killed.

“Thank you for showing mercy, Mr. Yan...” Shen Yun knelt on the ground and kowtowed desperately.

“Shen Yun,” Yan Yongxiu called out coldly.

Shen Yun hurriedly raised his head and looked at Yan Yongxiu.

“I’m giving you a chance now,” Yan Yongxiu said indifferently.

“As long as you admit to the kidnapping, I can spare your son,” Yan Yongxiu pointed at Shen Tian and said.

Hearing this, Shen Yun hurriedly shook his head and said, “Mr. Yan, I really don’t understand what you’re saying...”

After saying that, Shen Yun even hurriedly gave Shen Tian a look.

Unfortunately, not only did Shen Tian ignore Shen Yun, but he even ran to Yan Yongxiu and said anxiously, “Yes, this matter was done by my father! It has nothing to do with me!”

Hearing Shen Tian’s words, Shen Yun was stunned on the spot.

“You... what nonsense are you spouting!” Shen Yun shouted angrily.

Shen Tian said in a panic, “Dad, admit it quickly. I’m still young. I don’t want to go to jail...”

“Mr. Yan said that as long as you admit it, he’ll let me go. Admit it quickly! You’re already so old. Even if you die, there’s no pity. I’m still young...”

Shen Yun could barely believe that these words came from his own son’s mouth!

At this moment, Shen Yun suddenly felt extremely regretful. He regretted indulging Shen Tian too much...

“What goes around comes around,” Yan Yongxiu said nonchalantly.

Shen Yun’s face was already covered in tears. He raised his head to look at Yan Yongxiu and said in anguish, “Mr. Yan, this matter... was done by me. It has nothing to do with my son. Please... please let him go...”

“Mr. Yan, you heard it. My father has already admitted it. Can I leave now?” Shen Yun said anxiously.

Yan Yongxiu looked at Shen Tian coldly and shook his head. “Kidnapping my daughter is an unforgivable crime.”

After saying this, Yan Yongxiu slowly stood up and turned around to leave.

Shen Tian immediately panicked. He shouted desperately, “Mr. Yan, you said you would let me go. You can’t go back on your word!”

Unfortunately, Yan Yongxiu completely ignored him and walked straight out of the door.

“You lied to me! Yan Yongxiu, you lied to me!” Shen Tian was on the verge of breaking down as he roared.

“I’ll fight it out with you. I’ll fight it out with you!” Shen Tian roared and then rushed towards Yan Yongxiu!

“Bang! Bang!”

At this moment, two gunshots suddenly came from outside the window!

The bullets shattered the glass and shot straight towards the Shen family’s father and son!

A bloody hole instantly appeared on their foreheads.

Following that, they collapsed to the ground dead.

“Reporting to the commander, the two criminals have been successfully killed!” A loud shout came from outside.

“Alright, return to the team.”

Qin Yu sat in the car and saw this scene clearly.

As he watched the scene in front of him, he couldn’t help but feel a sense of powerlessness.

Was this the power of the top aristocratic families in Jingdu...

Yan Ruoxue sat in the car silently. She seemed to have foreseen this outcome long ago.

Qin Yu looked at Yan Yongxiu, who walked out of the Shen family, and the sense of powerlessness in his heart grew.

It was because... The two bodyguards by Yan Yongxiu's side were all top martial artists!

Qin Yu couldn't even gauge their strength!

Chapter 89: Become so Soft-hearted

Qin Yu couldn't help but fall into deep thought.

He sat in the car and didn't speak for a long time. Even his expression was a little crestfallen.

"Is this a big family? Even the strength that I am most proud of isn't worth mentioning..." Qin Yu couldn't help but mutter in a low voice.

Just how strong was the Yan Family? It was simply unimaginable.

At least... It far exceeded Qin Yu's expectations.

"Let's go down," Yan Ruoxue said softly in Qin Yu's ear.

Qin Yu didn't move for a long time. He raised his head to look at Yan Ruoxue, his heart filled with mixed feelings.

Yan Ruoxue... just how did she take a fancy to him...

“Get off,” Yan Ruoxue said with a smile.

Qin Yu nodded and followed behind Yan Ruoxue.

a short distance away, Yan Yongxiu was talking to someone.

All the important figures in the provincial capital expressed their apologies for fear that they might accidentally offend him.

At this moment, Uncle Wu walked over from a short distance away.

“I’m really sorry.” Uncle Wu sighed slightly.

“I didn’t expect things to come to this point.”

Yan Yongxiu looked at Uncle Wu and slowly said, “This matter... old Mister is very unhappy. You should know that old Mister Loves Ruoxue the most.”

Uncle Wu’s expression couldn’t help but change.

The old master was naturally referring to old Mister Yan, the true ruler of the Yan family.

“Mister Yan, I will go to Jingdu these few days and personally explain to the old master.”
Uncle Wu sighed.

Yan Yongxiu didn't say anything else. He turned around and walked towards the car.

“Ruoxue, get in the car.” When he walked to the front of the car, Yan Yongxiu suddenly called out to Yan Ruoxue.

Yan Ruoxue looked at Qin Yu and said with a smile, “Don't think too much about it. You've already done very well.”

After saying that, Yan Ruoxue walked in the direction of Yan Yongxiu.

Qin Yu hurriedly stretched out his hand to pull Yan Ruoxue. The expression on his face was somewhat indescribable.

“What's wrong?” Yan Ruoxue asked with a smile.

Qin Yu opened his mouth and said, “Where are you going?”

“Silly, my father is here. Of course I want to see him,” Yan Ruoxue said with a smile.

“Okay, you find a place to rest tonight. I’ll call you tomorrow.” Yan Ruoxue stood on her tiptoes and patted Qin Yu’s head gently.

After saying that, Yan Ruoxue walked in the direction of Yan Yongxiu.

The two of them got into the car. Qin Yu’s eyes were fixed on the direction of the car.

Yan Yongxiu’s car slowly passed by Qin Yu’s side.

At this moment, the car window suddenly rolled down.

Yan Yongxiu was looking at Qin Yu coldly.

This powerful aura made even Qin Yu feel uncomfortable.

Even just one look was enough to make one not dare to resist.

Qin Yu’s gaze met Yan Yongxiu’s gaze. Qin Yu’s eyes stared at Yan Yongxiu without any intention of turning his head.

The car finally passed by Qin Yu and sped off into the distance.

Qin Yu stood where he was without moving. He clenched his fists tightly and his heart was filled with mixed feelings.

...

In the car, Yan Yongxiu lit a cigar while Yan Ruoxue sat at the side.

“You can’t even do such a small thing well. What’s the use of me keeping you around?” At this moment, Yan Yongxiu looked coldly at Yan Ruoxue’s secretary.

When the secretary heard this, a hint of panic immediately appeared on his face.

He hurriedly said, “President... President Yan, it’s my fault... I didn’t fulfill my duties. Please punish me...”

“Punish you?” Yan Yongxiu’s tone became even colder.

“If something happens to my daughter, what will you do to make up for it?”

The secretary’s entire body trembled, and he didn’t dare to say another word.

Yan Yongxiu continued to hold the cigar in his mouth until the cigar was finished.

“Mr. Wu, throw all those good-for-nothings who are responsible for protecting Ruoxue into the river,” Yan Yongxiu said coldly.

Hearing this, the secretary was instantly terrified.

He begged desperately, “President Yan, please spare me this time and give me a chance to make up for it...”

“Make up for it?” Yan Yongxiu’s expression became even colder.

He said angrily, “If anything happens to my daughter, even a hundred lives won’t be enough to compensate for hers! How dare you ask me to forgive you?”

The secretary was trembling all over and his tears were streaming down his face. He looked extremely pitiful.

“Dad, this matter has nothing to do with them. Don’t scare them.” Yan Ruoxue rolled her eyes.

Yan Yongxiu took a deep breath and said, “No, your grandfather also knows about this matter. He is very unhappy.”

“Gee, that’s enough!” Yan Ruoxue said with some displeasure.

“I’ve already said that it has nothing to do with them! They didn’t do anything wrong. Why should you punish him?”

“Moreover, I asked them to protect Qin Yu.” Yan Ruoxue said with a frown.

Yan Yongxiu opened his mouth. After thinking for a moment, he said, “The death penalty can be avoided, but the punishment can’t be. Send them to mine in a remote country.”

“No!” Yan Ruoxue still objected.

“They didn’t do anything wrong, so they shouldn’t be punished.”

This made Yan Yongxiu somewhat surprised.

He looked at Yan Ruoxue in surprise and said, “Ruoxue, we haven’t seen each other for a few days. Why have you become so soft-hearted?”

Yan Ruoxue rolled her eyes and said, “In any case, if I say no, it means no! If you don’t listen, I’ll go to my grandfather!”

Hearing this, Yan Yongxiu couldn’t help but shake his head helplessly.

“Okay, okay, okay. I’ll listen to you, okay?” Yan Yongxiu seemed frustrated.

The secretary couldn’t help but sigh in relief. He wiped the sweat on his forehead and hurriedly looked at Yan Ruoxue as he said, “Thank you, Miss, for pleading for me...”

Yan Ruoxue glanced at the secretary and said indifferently, “Perhaps you should go and thank Qin Yu.”

The secretary couldn’t help but freeze, as if he didn’t quite understand.

But very quickly, the secretary understood.

He couldn’t help but laugh and muttered in a low voice, “Yes, perhaps I really should go and thank Qin Yu...”

Ever since Yan Ruoxue met Qin Yu, she had clearly changed a lot.

If it was the previous Yan Ruoxue, she wouldn’t have pleaded for anyone, much less be as soft-hearted as she was now.

“Start packing up for the next few days. I’ll bring you back to Jingdu,” Yan Yongxiu suddenly said.

Hearing this, Yan Ruoxue hurriedly shook her head and said, “No, I don’t want to go back to Jingdu!”

“Ruoxue! You have to go back this time!” Yan Yongxiu said with a dark expression.

“After something like this happened, the entire Yan family has been worried about you!”

“If I let you stay in Jiangcheng any longer, if something happens, your grandfather will turn Jiangcheng upside down!”

Even though that was the case, Yan Ruoxue still desperately refused.

“I don’t want to go back to Jingdu! What happened this time was just an accident!” Yan Ruoxue said stubbornly.

“If it really doesn’t work, you can just send a few more people to protect me,” Yan Ruoxue said with a snort..

Chapter 90: Yan Yongxiu’s Curiosity

Yan Ruoxue’s stubbornness made Yan Yongxiu sigh.

Of course, he knew that the reason why Yan Ruoxue didn’t want to leave was because of that young man called Qin Yu.

But now that this incident had happened, Yan Yongxiu was worried about letting Yan Ruoxue stay in Jiangcheng by herself.

“Ruoxue, you have to go back this time.” Yan Yongxiu took a deep breath.

“In addition, your grandfather also agreed,” Yan Yongxiu said in a low voice.

Hearing these words, Yan Ruoxue immediately showed astonishment. For a moment, she fell into silence.

Yan Ruoxue could refuse to listen to anyone but Old Mister Yan.

“You know that the person your grandfather dotes on the most is you. If you don’t leave, your grandfather will come to Jiangcheng. It’s up to you.” Yan Yongxiu shook his head.

Yan Ruoxue immediately frowned.

Old Mister Yan was old and hadn’t left Jingdu for many years.

Yan Ruoxue absolutely couldn’t let her grandfather travel to Jiangcheng from afar because of her own personal reasons.

“Give me three days.” Yan Ruoxue took a deep breath and said.

When he heard this, a smile immediately appeared on Yan Yongxiu’s face.

“Good, good. Of course, no problem.” Yan Yongxiu nodded repeatedly.

“I have another condition.” At this moment, Yan Ruoxue continued.

Yan Yongxiu hurriedly nodded and said, “You say, I will try my best to promise you.”

“You must guarantee Qin Yu’s safety.” Yan Ruoxue’s tone was firm.

“Also, those few bodyguards must continue to stay by Qin Yu’s side.”

Yan Yongxiu had mixed feelings.

During this short period of time, Yan Ruoxue seemed to have become a completely different person. For a moment, Yan Yongxiu felt that it was a little astonishing.

“It won’t take too long.” At this moment, Yan Ruoxue suddenly smiled.

“At most one year. After one year, I believe that he will no longer need the protection of the Yan family.”

Yan Ruoxue’s tone was both firm and even carried a trace of happiness.

Even her face had a happy and expectant smile.

Yan Yongxiu was even more surprised.

What kind of young man was Yan Ruoxue so optimistic about?

“One year...” Yan Yongxiu felt skeptical deep inside.

He doubted Yan Ruoxue’s judgment.

How much could a young man with nothing grow in a short year?

Even if he was a genius, it was impossible for him to become like Yan Ruoxue expected him to.

“I promise you.” Yan Yongxiu didn’t say anything in the end.

Then, Yan Yongxiu brought Yan Ruoxue to the hotel.

After Yan Ruoxue fell asleep, Yan Yongxiu strode out of the hotel.

“President Yan, where are we going now?” The two bodyguards beside him asked.

Yan Yongxiu’s expression was cold as he said indifferently, “I want to see this young man called Qin Yu.”

“I really want to know what kind of man was able to capture my daughter’s heart.” Yan Yongxiu lit a cigar and blew out a smoke ring.

“Yes, President Yan.” The two bodyguards nodded, then the car sped towards Qin Yu’s residence.

With the power of the Yan family, finding a person was a matter of minutes.

In the car, Yan Yongxiu looked out of the window with worry.

It was Old Mister Yan’s idea to come to Jiangcheng to see Qin Yu.

In Yan Yongxiu's eyes, the prideful and haughty Yan Ruoxue would probably return to Jingdu very soon. It was absolutely impossible for her to take a fancy to an ordinary youth from Jiangcheng.

There were countless outstanding talents in Jingdu. Yan Ruoxue didn't take a fancy to any of them, so how could she take a fancy to a person from Jiangcheng who had nothing?

But from the looks of it... things were clearly completely different from what Yan Yongxiu had expected.

"I'm looking forward to meeting this young man more and more."

At this moment, Qin Yu was tossing and turning on the bed in the hotel, but was unable to fall asleep no matter how hard he tried.

He had a bad premonition in his heart, and... after seeing how powerful the Yan family was, Qin Yu was even more invigorated.

The power displayed by the Yan family was far beyond Qin Yu's imagination! It even made Qin Yu feel a trace of helplessness!

However, for Qin Yu, even if there were thousands of obstacles ahead, he would never give up.

As long as he could be with Yan Ruoxue, Qin Yu was willing to give up everything.

"D*mn it!" Qin Yu suddenly sat up from the bed.

It was impossible for him to sleep!

Qin Yu stood up and looked at the scenery outside the window. He couldn't help but clench his fists.

"At most one year, at most one year. I will definitely venture into Jingdu. I will definitely be with Yan Ruoxue openly!" Qin Yu said these words through gritted teeth.

At this moment, Qin Yu saw a Rolls-royce car slowly drive past downstairs.

Then, the car steadily parked downstairs.

A middle-aged man got out of the car.

“Yan... Yan Ruoxue’s father?” Qin Yu’s expression changed.

“What is he doing here? Is he looking for me?” Qin Yu was somewhat confused.

But regardless of whether Yan Yongxiu was looking for him, he had to be prepared.

Therefore, Qin Yu tidied up the room and brewed coffee. Then, he sat in the room and waited quietly.

Soon, the sound of leather shoes hitting the ground came from outside the door..

Read My Rich Wife Online

Chapter 91: Shut up!

Yan Yongxiu and his two bodyguards soon appeared at the door.

The door was deliberately left open, as if he was waiting for them.

This surprised Yan Yongxiu somewhat.

Qin Yu hurriedly got up and walked forward to say, "Greetings, Mr. Yan."

Yan Yongxiu didn't pay attention to him. He walked straight to the sofa and sat down. Then, the bodyguards beside him lit a cigar for him.

It was impossible to say that Qin Yu wasn't nervous when facing such a person. However, Qin Yu tried his best to appear calm.

Yan Yongxiu took a puff of his cigar and said indifferently, "You knew that I would come?"

"No, I didn't know." Qin Yu shook his head.

"I just happened to see you from outside the window."

Yan Yongxiu couldn't help but laugh. He slowly stood up and walked in front of Qin Yu. He asked directly, "What qualifications do you have to be with my daughter?"

Qin Yu was stunned.

This question was indeed difficult for him to answer.

Currently, Qin Yu wasn't worthy of Yan Ruoxue in any aspect.

The two of them were worlds apart in terms of social status.

Qin Yu fell into silence and didn't speak for a long time.

Yan Yongxiu couldn't help but shake his head. He slowly stood up and said in a low voice, "It seems that my daughter has overestimated you."

"Mr. Yan." At this moment, Qin Yu finally opened his mouth.

He took a deep breath and said, "Currently, I am indeed a nobody, but give me a year's time. I will prove that I am worthy of Miss Yan."

"A year's time?" Yan Yongxiu narrowed his eyes and then said coldly, "Why should I wait for you for a year? What qualifications do you have to make me give you a year's time?"

Qin Yu looked at Yan Yongxiu and said word by word, "I'm worth you waiting for."

"Hahahahaha!" Yan Yongxiu couldn't help but burst into laughter.

"Young man, you've only been a frog in the well in Jiangcheng! How much have you seen of the real world?" Yan Yongxiu said coldly.

Qin Yu gritted his teeth and said, "Mr. Yan, one who has made great progress in a short period of time should be treated differently! My current achievements are indeed nothing in your eyes, but there's still a long way to go. No one can dismiss my future potential!"

"Oh really?" Yan Yongxiu raised his eyebrows.

Yan Yongxiu, who was about to leave, stopped again.

"Don't think that I don't understand you," Yan Yongxiu said coldly.

“The only thing you are proud of now is your martial arts skills, right?” Yan Yongxiu narrowed his eyes, as if he wanted to see through Qin Yu.

Qin Yu didn't deny it.

Just as Yan Yongxiu said, what Qin Yu could rely on now were indeed his martial arts skills and cultivation methods.

When Yan Yongxiu saw this, he couldn't help but snort, “Your mediocre skills aren't thing in my eyes! Any of my subordinates can kill you with the flip of a wrist!”

As soon as he finished speaking, the bodyguard beside Yan Yongxiu took a step forward and said coldly, “My name is Yan Jiang, President Yan's bodyguard.”

After saying that, Yan Jiang gestured at Qin Yu with a provocative look on his face.

Qin Yu stood there motionlessly.

He knew very well that he was no match for Yan Jiang.

“What? You don't even have the guts to fight?” Yan Yongxiu said coldly.

Hearing this, Qin Yu immediately clenched his fist.

He looked at Yan Jiang, and a belligerent look appeared in his eyes!

In fact, Qin Yu also wanted to know how powerful these so-called top martial artists were!

When he saw Qin Yu's reaction, Yan Jiang couldn't help but sneer.

He beckoned Qin Yu again and said, “Show me your trump card. Let me see it.”

Qin Yu took a deep breath. He mobilized the internal spiritual energy in his body and heightened it to the max.

“Mr. Yan, then I won’t go easy on you.” Qin Yu said with some expectation.

“Yan Jiang, be mindful,” Yan Yongxiu reminded him.

Yan Yongxiu also felt a little helpless. If it were any other time, he wouldn’t even bat an eye even if he killed Qin Yu.

However, this kid was the man that Yan Ruoxue liked. If anything really happened to him, his daughter would probably hate him for the rest of her life.

Yan Jiang nodded and said, “Yes, Mr. Yan.”

After saying that, Yan Jiang beckoned Qin Yu again.

Qin Yu didn’t hesitate at all. He roared angrily, clenched his fist, and rushed toward Yan Jiang!

The speed of his punch was extremely fast, and its strength was even more powerful! Qin Yu used up almost all of his strength to prove himself!

However, when the fist was about to touch Yan Jiang, Yan Jiang dodged it agilely.

“How... how is this possible?!” Qin Yu’s expression was extremely ugly!

He didn't even see Yan Jiang's dodging move clearly! He clearly saw that he had already punched him!

"Again." Yan Jiang's eyes were filled with some amusement.

Qin Yu gritted his teeth, roared angrily, and charged towards Yan Jiang again!

This time, Qin Yu used both his fists and legs, and his speed was raised to the peak!

In the blink of an eye, Qin Yu had already thrown out dozens of punches!

However, what made Qin Yu feel despair was that these dozens of punches didn't even touch Yan Jiang's clothes! Instead, it had exhausted him!

Qin Yu panted heavily, and layers of sweat appeared on his forehead.

On the other hand, Yan Jiang was calm and composed with his internal spiritual energy stable.

"Hmph, is that all you've got?" Yan Jiang sneered.

"If this is your trump card, then I advise you to give up early," Yan Yongxiu also said coldly.

"This mediocre skill of yours... isn't even worth mentioning in Jingdu! Any young master is far better than you by a thousand times or ten thousand times!" Yan Yongxiu berated loudly!

Qin Yu's expression was extremely unsightly. He clenched his teeth tightly with defiance!

"Again!" Qin Yu roared and charged towards Yan Jiang once again!

However, the result was the same this time. No matter how hard Qin Yu tried, he couldn't even touch a single hair on Yan Jiang's head!

Yan Jiang placed his hands behind his back and allowed Qin Yu to attack. He didn't have the slightest intention to attack!

"How is this possible?!" Qin Yu couldn't help but roar repeatedly!

He knew that there was a gap between him and Yan Jiang, but he didn't expect the gap to be so huge!

"You're too weak, too weak." Yan Jiang dodged while shaking his head. The ridicule in his eyes was unconcealed.

"With your little abilities, do you think you are qualified to make Miss Yan wait for you?" Yan Jiang sneered.

"You'd better lie low and stay in Jiangcheng. Miss Yan should be with outstanding people." Yan Jiang sneered.

"Shut up!"

At this moment, Qin Yu suddenly roared! His internal spiritual energy instantly peaked, and he threw a punch at Yan Jiang's face!

The sudden increase in speed made Yan Jiang unable to react in time!

This punch landed squarely on Yan Jiang's face!

Yan Jiang, with anger and disbelief on his face, couldn't help but take a step back!

On the other hand, Yan Yongxiu seemed to be somewhat intrigued.

Qin Yu stood in the distance while panting heavily.

He grinned and said, “So you aren’t invincible... hehe...”

Chapter 92: Defeat after Defeat!

Yan Jiang’s expression was a little cold.

He wiped the corner of his mouth and looked coldly at Qin Yu. He said, “It’s really embarrassing to be hit by trash like you...”

At this point, Yan Jiang paused for a moment and then shouted angrily, “Unfortunately, you’re out of luck!”

As soon as he finished speaking, Yan Jiang actually took the initiative to rush towards Qin Yu!

His speed was so fast that before Qin Yu could even react, his fist had already smashed into Qin Yu’s lower abdomen!

With a loud bang, Qin Yu felt as if his internal organs were about to be shattered!

The intense pain was unbearable for Qin Yu!

He clutched his stomach and collapsed onto the ground.

A mouthful of fresh blood spewed out from his mouth!

“Ouch...” Qin Yu opened his mouth and couldn’t help but moan in pain!

Yan Jiang looked at Qin Yu coldly and snickered. “As I said before, with your mediocre abilities, you aren’t worthy enough to pursue Miss Yan.”

After saying that, Yan Jiang turned to look at Yan Yongxiu.

“Mr. Yan, it’s over,” Yan Jiang said.

Yan Yongxiu looked at Qin Yu, who was struggling to get up, and couldn't help but shake his head.

Obviously, Qin Yu had lost the ability to fight.

“Let's go.” Yan Yongxiu waved his hand.

“Yes.” Yan Jiang and the other bodyguard nodded and then walked out of the door.

“Stop right there!” At this moment, Qin Yu suddenly shouted from behind!

After turning around, they saw that Qin Yu had already stood up!

Although he was a bit unsteady, he stood there firmly without letting himself fall down!

“It's not over yet...” Qin Yu wiped the blood from the corner of his mouth and said coldly.

Yan Jiang couldn't help but show a hint of displeasure on his face.

“What? Do you still want to get beaten up?” Yan Jiang said with a hint of anger.

“F * ck you!” Qin Yu roared angrily and actually rushed towards Yan Jiang!

“You're too big for your britches.” Yan Jiang snorted coldly.

He easily dodged Qin Yu's fist. Then, he grabbed Qin Yu's neck and slammed his knee into Qin Yu's lower abdomen!

“Pfft!”

His knee exerted more force, and the pain was even more intense!

Qin Yu clutched his stomach and fell to the ground in pain!

“Ouch...” This time, the pain almost made Qin Yu faint, and cold sweat broke out on his forehead!

“Mr. Yan, let’s go,” said Yan Jiang.

Yan Yongxiu frowned. Just as he was about to leave, Qin Yu stood up again!

He clutched his body tightly and glared at Yan Jiang while shouting, “It’s not over yet! I haven’t lost yet!!”

This time, Yan Jiang was completely disgruntled.

His expression became colder, and the internal qi in his body suddenly intensified.

“Do you want to die?” Yan Jiang turned around and walked towards Qin Yu step by step.

Qin Yu’s face was already covered in blood. He lowered his head and grinned. “I haven’t lost yet... Go to h*ll!”

He instantly thrust his fist towards Yan Jiang!

He once again punched Yan Jiang’s face!

However, this infuriated Yan Jiang even more!

He suddenly kicked Qin Yu’s chest and sent Qin Yu flying!

However, Qin Yu still stood up!

Even though he was heavily injured, he still supported himself against the wall and stood up again!

Yan Jiang's expression changed and he said angrily, "Are you a lunatic?! Stay down for me!"

Following an angry roar, Yan Jiang suddenly threw a punch!

With a loud bang, Qin Yu fell to the ground again!

This time, Qin Yu fell to the ground without moving, as if he had fainted.

Yan Jiang panted heavily. He wiped the sweat on his forehead, and he couldn't help but feel a little afraid.

He wasn't afraid of Qin Yu's combat kills, but he was afraid that this lunatic would stand up again!

Even Yan Yongxiu stood there and waited quietly.

But as time passed, Qin Yu still didn't respond even after they waited for a full five minutes.

"He shouldn't be able to get up this time." Yan Yongxiu shook his head.

"Let's go."

Yan Jiang let out a sigh of relief.

They had finally gotten rid of this madman.

The few of them walked towards the door. Just as they were about to step out of the room, a voice came from behind them.

"Stop right there!"

The loud shout almost made Yan Jiang lose his balance!

He couldn't help but turn around and scream in frustration, "Do you really want to die?!"

Qin Yu forced himself to stand up. His body shook and he grinned. "I... I haven't fallen yet. Continue... continue..."

Yan Yongxiu couldn't help but frown, "If this continues, you will die."

Qin Yu grinned coldly. "I... I won't die. Before I marry Miss Yan again... I will never die..."

"D*mn it, I will kill you right now!" Yan Jiang said furiously.

He smashed his steel-like fist at Qin Yu fiercely!

However, something shocking happened!

This time, Yan Jiang's fist actually didn't smash at Qin Yu's body! Instead, Qin Yu firmly grasped it in his hand!

"How... how is this possible?!" Yan Yongxiu's mouth instantly dropped agape! He could barely believe the scene in front of him!

Yan Jiang's pupils dilated dramatically!

How did this guy do it?!

"Hehe... you want to kill me?" Qin Yu raised his head and looked at Yan Jiang with a somewhat malevolent expression.

"I said... before marrying Miss Yan, I won't die!!" Qin Yu raised his head and shouted!

Along with this angry roar, Qin Yu punched Yan Jiang's face with all his might!

Chapter 93: Qin Yu's Future

“Bang!”

When this punch landed, Yan Jiang was actually sent flying!

His entire body crashed into the wall, and instantly, spider-like cracks appeared on the wall!

Qin Yu's entire body was covered in blood, and his face could barely be seen.

However, his mouth still had a smile on it. At this moment, his smile was extremely terrifying!

“Hehe...” Qin Yu swayed unsteadily and was about to fall at any moment.

“You... You're courting death!” Yan Jiang climbed up from the ground. His face was bright red. It was obvious that he had even been injured by this punch!

“Young man, as long as you fall, everything will be over. Why struggle?” Yan Yong Xiu looked at Qin Yu coldly and said.

Qin Yu struggled to support his body. He sneered and said, “Mr. Yan, if you don't agree, then please kill me...”

To Qin Yu, life without Yan Ruoxue would be worse than death.

When Yan Yong Xiu heard this, he couldn't help but feel startled.

He frowned slightly, then put his hands behind his back and snorted lightly.

“Bang!”

At this time, Yan Jiang had already rushed over. He punched Qin Yu and sent him flying!

Yan Jiang clearly increased the force of this punch! And Yan Jiang was also fully confident that he could knock Qin Yu out with it.

“It’s finally over,” Yan Jiang panted and said coldly.

Yan Yong Xiu waved his hand and said, “Let’s go.”

But at this moment, Qin Yu, who was lying on the ground, actually let out a muffled groan.

Then, Qin Yu pressed his arm against the ground and struggled to support his body to stand up again.

Once, twice, three times...

Qin Yu tried a total of nine times, but was unable to get up! His injuries were too serious. If it were anyone else, they would have died long ago!

But even so, Qin Yu still didn’t have the intention to give up! He still wanted to try for the tenth time!

A look of astonishment flashed across Yan Yong Xiu’s face.

He stood there and pondered for a moment, then walked in front of Qin Yu.

“Your name is Qin Yu, right?” Yan Yong Xiu took a deep breath.

“I can give you a year’s time, but you have to remember that there’s only one year. If you don’t meet the requirements after one year, then even if you die, I won’t agree,” Yan Yong Xiu said coldly.

“Mr. Yan!” When the two bodyguards heard this, their expressions immediately changed!

Yan Yong Xiu... actually agreed?

Yan Yong Xiu waved his hand to indicate for the two of them not to speak.

Qin Yu, who was on the ground, finally collapsed on the ground and couldn't stand up anymore.

He used all his strength and muttered in a low voice, “Mr. Yan... Thank you...”

Yan Yong Xiu didn't say anything else and turned around to leave the hotel.

...

At this time, Yan Ruoxue had already woken up from her sleep.

Because she felt uneasy.

When she saw that Yan Yong Xiu wasn't in the hotel, the uneasy feeling intensified.

Soon, Yan Yong Xiu returned to the hotel.

“Where did you go?” Before the lights were turned on, Yan Ruoxue's airy voice was heard.

Yan Yong Xiu's body trembled. He said somewhat awkwardly, “Ruoxue, you... you haven't slept yet?”

“Have you gone to look for Qin Yu?” Yan Ruoxue's voice instantly increased by a few notches.

Yan Yong Xiu couldn't help but force a smile.

Facing his own daughter, he was completely helpless.

“Ruoxue, I promise you that nothing has happened to Qin Yu!” Yan Yong Xiu was like a child as he raised his finger and swore.

Yan Ruoxue stared at Yan Yong Xiu, as if she wanted to determine if he was lying.

After a while, Yan Ruoxue said coldly, “Dad, I never joke. As long as I say something, I will do it.”

Yan Yong Xiu wiped the sweat on his forehead and said with a sheepish smile, “Yes, yes, Ruoxue, go to bed. It's late...”

Yan Yong Xiu heaved a sigh of relief after Yan Ruoxue returned to her room.

“Phew, I really don't know how Qin Yu won over Ruoxue...” Yan Yong Xiu couldn't help but mutter.

“Mr. Yan, do you really intend to let Miss Yan marry Qin Yu?” Yan Jiang couldn't help but frown.

Yan Yong Xiu said with a nonchalant smile, “When did I agree? I only said that I would give him a year's time. It's just a year. I can afford to wait.”

“But...” Yan Jiang frowned. “What if after a year, he really accomplished something?”

Yan Yong Xiu glanced at Yan Jiang and said, “If Qin Yu really goes to Jingdu, he would know what he faces. Those young masters in Jingdu definitely won't let him off easily.”

At this point, Yan Yong Xiu paused for a moment and continued, “Of course, if Qin Yu really does surpass those young masters, then Ruoxue won’t be at a loss by marrying him.”

When Yan Jiang heard that, he couldn’t help but force a smile and said, “It’s easier said than done... . . Qin Yu started from nothing and wants to rival the young masters of the various aristocratic families in Jingdu? That’s simply impossible.”

Yan Yong Xiu shook his head and said, “That might not necessarily be the case. It’s not like there aren’t people who can hold their own against the various aristocratic families all by themselves.”

“Like Ye Qing, like Jiang He.”

Upon hearing those words, Yan Jiang muttered softly, “Ye Qing is now a highly important figure at the top of the military regions, and Jiang He is known as the guardian of Pyro. If you are comparing Qin Yu to them, aren’t you thinking too highly of him... . .”

Yan Yong Xiu didn’t answer that question.

Others might not know, but Yan Yong Xiu knew very clearly.

If Qin Yu was really the son of that person, then no one knew what level Qin Yu would reach in the future.

One must know... . . that figure was someone that all the great aristocratic families had to defer to!

Chapter 94: Yan Ruoxue Accompanies Qin Yu

This was also one of the reasons why Yan Yongxiu agreed to Qin Yu.

The next day, after Yan Ruoxue woke up, she drove out of the hotel.

She and Yan Yongxiu had agreed to meet in the provincial capital three days later.

As for these three days, Yan Ruoxue wanted to accompany Qin Yu. No matter what Qin Yu did, she would accompany him.

After Yan Ruoxue left, Yan Yongxiu stood upstairs and watched the car slowly drive away.

“Yan Jiang, get a few people to secretly protect Ruoxue’s safety,” Yan Yongxiu took a puff of his cigar and said indifferently.

“Yes, President Yan.” Yan Jiang nodded and then walked out.

The car soon arrived at the entrance of Qin Yu’s hotel. After asking for the room number, she went straight upstairs.

As soon as she entered the room, Yan Ruoxue said with a smile, “Qin Yu, are you still...”

Before she could finish her words, Yan Ruoxue’s expression turned cold.

It was because she saw countless scars all over Qin Yu’s body! And his face was swollen beyond recognition!

Yan Ruoxue’s expression was extremely cold. She looked at Qin Yu and said coldly, “Who did it?”

Qin Yu waved his hand and said with a smile, “I’m fine. I accidentally bumped into something.”

“I’m asking you who did it?!” Yan Ruoxue’s tone of voice became even colder. Even Qin Yu couldn’t help but feel intimidated.

Qin Yu didn’t know how to explain. He couldn’t say that it was Yan Yongxiu who did it, right?

Unfortunately, Yan Ruoxue was so smart that she quickly guessed who it was.

“It was my dad, wasn’t it?” Yan Ruoxue looked at Qin Yu and asked.

Qin Yu didn’t say anything, which was an acquiescence.

Yan Ruoxue was instantly furious. She took out her phone and was about to call Yan Yongxiu.

Qin Yu quickly stopped her and shook his head. “Miss Yan, don’t blame Mr. Yan. To be honest, I’m... very grateful to him.”

“Very grateful?” Yan Ruoxue was stunned, as if she didn’t understand what Qin Yu meant.

Qin Yu smiled and said, “It’s true. He promised to give me a year to prove myself.”

Even though that was the case, Yan Ruoxue was still a little displeased.

She reached out and touched Qin Yu’s face, then said with heartache, “How could he beat you up like this? This is too outrageous.”

“It doesn’t hurt, really.” Qin Yu shook his head and said.

“Silly.” Yan Ruoxue rolled her eyes at Qin Yu.

Then, she called the front desk, and soon, the front desk delivered the medicine.

“Sit here obediently and bear with the pain,” Yan Ruoxue said while holding the medicine.

Qin Yu looked a little embarrassed, but he felt extremely warm to the heart.

Since childhood, Qin Yu had been bullied countless times, but no one had ever cared if he was in pain, and no one had ever applied ointment on him.

Yan Ruoxue's appearance made Qin Yu feel heartened again and again.

He sat by the bed obediently while receiving Yan Ruoxue's gentle care.

Yan Ruoxue took the medicine and carefully applied it on Qin Yu's wound.

"Does it hurt?" Yan Ruoxue asked carefully as she applied the medicine on Qin Yu.

Qin Yu quickly said, "No... it doesn't hurt."

Their close distance made Qin Yu extremely nervous.

The subtle fragrance on Yan Ruoxue's body almost made Qin Yu swoon.

He took a deep breath and carefully sniffed Yan Ruoxue's fragrant scent.

On Yan Ruoxue's aloof and beautiful face, there was only worry and heartache at this moment. Qin Yu couldn't help but grin.

"You're beaten black and blue, yet you're still smiling." Yan Ruoxue rolled her eyes.

Qin Yu scratched his head and smiled embarrassedly.

After applying the medicine, Yan Ruoxue drove Qin Yu out to eat.

After the meal, Yan Ruoxue asked, "Do you have any plans for the next few days?"

Qin Yu nodded and said, "I do. I heard that there's an auction in South City. It should be tonight."

"South City's auction? What do you want to buy?" Yan Ruoxue couldn't help but feel a little surprised.

"I want to try my luck and see if there are any top-grade herbs," Qin Yu said with an embarrassed smile.

Yan Ruoxue nodded and said in a low voice, "The auction in South City is quite famous. I've heard about it in Jingdu."

"Then how about this? Let's set off now and go to South City!" Yan Ruoxue immediately started the car and sped towards South City.

At this moment, the entire provincial capital was discussing the fall of the Shen family.

As a prominent family in Chuzhou, the Shen family soon made the headlines when this incident happened.

The news was even more sensational. Almost all the headlines were criticism of the Shen family.

For example, "The Ten Crimes of the Shen Family", "The Negative Impact of the Shen family on Chuzhou" and so on.

The Shen family's reputation was so bad that everyone cursed them.

Those who once had ties with the Shen family also hurriedly distanced themselves for fear that they would get implicated.

...

South City was a coastal city.

The people there were affluent and the environment was beautiful. It was an excellent place for cultivation.

Qin Yu now had two billion in loans, so he wasn't too worried.

After five hours, the car finally arrived at South City.

As soon as he got out of the car, Qin Yu couldn't help but take a deep breath.

Compared to the provincial capital, the air in South City was unbelievably fresh!

Qin Yu closed his eyes slightly and tried to feel the surrounding spiritual energy.

As expected, the spiritual energy in South City far surpassed that of Jiangcheng and the provincial capital!

It was really the prime spot. He must come to South City to settle down when he had the chance, Qin Yu thought to himself.

It was already past six o'clock in the afternoon, and the auction would start at eight o'clock in the evening.

Therefore, Yan Ruoxue suggested, "Let's find a place to eat first. What do you want to eat?"

As a man, how could Qin Yu have the nerve to actually say what he wanted to eat? Therefore, he shook his head and said, "Anything is fine."

Yan Ruoxue gently patted Qin Yu's head and rolled her eyes. "Just say what you want to eat. Don't be shy like a little girl.."

Chapter 95: What Does It Have to Do With Us?

Hearing Yan Ruoxue's words, Qin Yu didn't stand on ceremony and nodded. "Then let's go to the beach to eat seafood?"

To Qin Yu, seafood was already considered a luxury. Ever since childhood, Qin Yu had only heard about it from others, but he had never eaten it before.

"Alright, then let's go eat seafood. Let's go!" Yan Ruoxue stretched out her arm in a girlish manner that was completely different from her usual image.

The two of them came to the beach.

During this season, there were countless people playing by the beach. Many people were taking photos and swimming nearby.

Qin Yu and Yan Ruoxue found a booth and sat down. Then, Yan Ruoxue pointed at the dishes on the menu and said, "Give me a serving of all of them!"

"I can't eat that much!" Qin Yu hurriedly waved his hand.

"It's okay. I think your appetite is quite big now." Yan Ruoxue blinked and said.

This surprised Qin Yu a little. Ever since he stepped into the fifth level of the Qi Refining Stage, Qin Yu's appetite had indeed become very big.

About ten minutes later, a dazzling array of seafood began to be served.

There were countless crabs, mantis shrimps, scallops, and so on.

These seafood were actually very ordinary seafood, but in Qin Yu's eyes, it was something he couldn't afford to eat.

During the meal, Yan Ruoxue suddenly said to Qin Yu, “Last night, was it Yan Jiang who beat you up?”

Qin Yu frowned and nodded. “Yes.”

“En... you fought with Yan Jiang and didn’t get seriously injured. That means you’re not bad!” Yan Ruoxue said with a smile.

Qin Yu was very interested in the bodyguards of prominent families. Since Yan Ruoxue mentioned it, Qin Yu asked, “Miss Yan, what is Yan Jiang’s strength like?”

Yan Ruoxue thought for a moment and said, “He is probably a Grandmaster of Inner Strength. Maybe he’s even more powerful. I don’t know.”

“Grandmaster of Inner Strength?” Qin Yu’s expression couldn’t help but change.

He had heard from Yao Qing that Inner Strength Master Hands were ranked above Inner Strength Masters. Inner Strength Past Masters were ranked above the Master Hands of Inner Strength, and of Inner Strength Grandmasters were even more powerful.

Even if such masters didn’t work as bodyguards for the prominent families, they could still venture on their own and become big shots.

“It seems that Yan Jiang has gone easy on me, and by quite a lot...” Qin Yu couldn’t help but force a smile.

Yan Ruoxue stared at Qin Yu and said, “Actually, many aristocratic families have a group of martial artists. Not only our family, but also in Chuzhou.”

“I once asked someone to investigate. There is an Inner Strength Grandmaster in Chuzhou. You have to be careful in the future,” Yan Ruoxue warned him seriously.

“Inner Strength Grandmaster...” Qin Yu murmured in a low voice.

This level indeed wasn't something that Qin Yu could currently compare with.

If an Inner Strength Grandmaster was converted to the cultivation level, he should be at the monastic stage.

However, cultivation wasn't martial arts after all, so his capabilities were naturally beyond that of martial arts.

Qin Yu was fully confident that as long as he reached the Foundation Establishment Stage, he would be able to advance by leaps and bounds and defeat an Inner Strength Grandmaster.

“However, you don't have to worry too much. Inner Strength Grandmasters are considered to be as rare as Phoenix feathers and unicorn horns. I'm afraid that there are no more than ten of them in the entire Chuzhou,” Yan Ruoxue continued.

Qin Yu nodded silently.

At this time, Qin Yu asked curiously, “Miss Yan, do the young masters of Jingdu... have this kind of ability?”

At the mention of this topic, Yan Ruoxue's expression changed slightly.

She put down the chopsticks in her hand and said in a low voice, “It depends on the situation. Some families value martial arts, so their children naturally aren't bad at it. Some families don't value martial arts, so they keep a group of bodyguards.”

Qin Yu hurriedly asked, “Then what is the strength of the most powerful of those young masters?”

Yan Ruoxue thought for a moment and said, “There are a few geniuses in Jingdu... they seem to be on the verge of becoming martial grandmasters.”

Qin Yu’s expression couldn’t help but change slightly.

Martial grandmasters! That was Yan Jiang’s level of strength!

Qin Yu knew very well inside that currently, he and Yan Jiang were worlds apart in terms of strength!

“However, for you to be able to reach the Grandmaster realm within a year is already very, very impressive. It’s enough to make the Yan family look at you in a new light!” Yan Ruoxue patted Qin Yu’s shoulder with an affirmative expression.

Qin Yu didn’t think so.

He took a deep breath and said, “I want to surpass them within a year!”

“Pfft!” Yan Ruoxue rolled her eyes at Qin Yu.

“It’s not that I don’t believe you, but it’s simply impossible.” Yan Ruoxue blinked her eyes and said.

At this point, Yan Ruoxue leaned towards Qin Yu’s ear and whispered, “Don’t feel too much pressure. If you really don’t achieve any results after a year, I... I’ll elope with you!”

After saying this, Yan Ruoxue blushed all the way to the root of her neck.

Even Yan Ruoxue herself didn’t believe that she was the one who said these words!

As a girl from a large aristocratic family, how could she say such shameful words...

“How embarrassing!” Yan Ruoxue covered her face and whispered.

Qin Yu only felt a sense of warmth inside.

He looked at Yan Ruoxue seriously and said, “Miss Yan, I promised you that I would go to Jingdu to propose marriage openly! I will make the Yan family accept me and I will take you to see the most beautiful scenery!”

“Gee, let’s eat. Let’s eat.” Yan Ruoxue hurriedly lowered her head shyly.

“I didn’t expect Miss Yan to have such a girly side,” Qin Yu said jokingly.

Yan Ruoxue glared at Qin Yu. “If you dare to say that again, I will beat you up!”

After saying that, Yan Ruoxue clenched her little fists and hit Qin Yu’s body.

“Gee, it hurts...” Qin Yu pretended to be in pain and covered his wound.

“Ah!” Yan Ruoxue’s expression changed and she said anxiously, “I’m sorry, I forgot that you have injuries. I’ll find a doctor right away...”

At this moment, Qin Yu suddenly laughed out loud. “I tricked you!”

“Well, you have quite some guts now!” Yan Ruoxue clenched her small fist and started to fool around with Qin Yu again.

While the two of them were playing, a few bodyguards in black suddenly walked over from a short distance away.

There was a beautifully dressed woman in the middle of them. This woman was wearing sunglasses and a mask on her face.

Even though she had wrapped herself up tightly, one could still tell that her appearance was gorgeous.

A few bodyguards walked in front of Qin Yu and Yan Ruoxue and said somewhat domineeringly, “We are going to take photos. We have commandeered this place. You guys can eat in another place.”

Hearing this, Qin Yu couldn't help but frown.

Yan Ruoxue quickly switched back to her cool demeanor.

“What does your taking photos have anything to do with us?” Yan Ruoxue looked at the bodyguard and said with a somewhat cold tone..

Chapter 96: Yan Ruoxue Disses Him

Qin Yu was stuffing food into his mouth as he looked at the bodyguards.

“Our lady needs to take a photo. Get out of the way quickly. Don't be so shameless!” The bodyguard berated.

Yan Ruoxue couldn't help but sneer. “Who does this lady think she is to be so stuck up? Others need to make way for her to take a photo? Who gave her the right?”

Just as the bodyguard was about to lose his temper, a man in a white suit walked over.

He waved his hand and said with a nonchalant smile, “We have to be a little more polite. Don't create repercussions.”

“Yes, Mr. Bai.” The bodyguard hurriedly nodded.

The man called Mr. Bai walked in front of Yan Ruoxue. He took out a stack of money from his bag and said indifferently, “Don’t you just want money? This is ten thousand. Is it enough?”

After saying that, Mr. Bai threw the money on the ground and waved his hand.

Seeing Mr. Bai’s attitude, Qin Yu and Yan Ruoxue couldn’t help but laugh.

“I’ll give you twenty thousand. Can you go to the toilet and eat sh * t?” Qin Yu couldn’t help but say.

“Gee, I’m eating. Don’t talk about such disgusting topics.” Yan Ruoxue rolled her eyes at Qin Yu.

Then, before Qin Yu could say anything, Yan Ruoxue muttered, “But it’s true. These people are already disgusting enough. They really can’t eat anymore...”

When he heard the conversation between the two, Mr. Bai’s expression immediately became extremely displeased.

He said with a cold expression, “Since you didn’t take me up on the offer when I offered it, even if you want to, you don’t have the chance now!”

After saying that, Mr. Bai waved his hand and said coldly, “Clear the area!”

A few bodyguards immediately walked towards Yan Ruoxue’s direction.

He rubbed his fist and said coldly, “Don’t blame us for being impolite!”

As soon as he said that, the bodyguard reached out his hand to grab Yan Ruoxue!

However, his hand froze in mid-air!

He saw Qin Yu using a pair of chopsticks to firmly grasp the bodyguard's wrist!

"Don't touch Miss Yan with your dirty hands," Qin Yu said coldly.

The bodyguard's expression couldn't help but turn ugly. He struggled with all his might, but he found that he couldn't break free at all!

"What are you doing? Don't waste time!" Mr. Bai said with a frown.

"Mr. Bai, I can't move my hands anymore..." the bodyguard said in pain.

Mr. Bai frowned slightly and snickered, "How useless. All of you, attack together!"

"Yes!"

Four to five bodyguards immediately swarmed towards Qin Yu!

They were tall and strong, and their punches carried immense force!

But they simply weren't a match for Qin Yu!

Qin Yu took a step forward, as if he was strolling leisurely, and traveled between the few of them.

Every time he extended his hand, a person would fall!

In just two minutes, these seven to eight bodyguards all fell to the ground and were unable to get up! They let out moans of anguish!

Mr. Bai's expression became somewhat unsightly. He had never expected Qin Yu to be so skilled at combat!

“Hurry up and get lost. Don’t disturb our meal.” Qin Yu looked at Mr. Bai coldly and said.

Mr. Bai gritted his teeth and said, “Just you wait!”

After saying this, Mr. Bai turned his head and walked to the girl’s side.

He whispered a few words beside the girl, and then the few of them left the place.

“Seriously, what kind of people are they? How overbearing.” Yan Ruoxue muttered in a low voice.

Qin Yu spread his hands and said helplessly, “People like them are everywhere. They have money, so they think everyone in the world has to listen to them.”

“Forget it. Forget about them. The auction is about to begin. Let’s hurry up and pack up. Don’t waste time.” Yan Ruoxue wiped her mouth and said.

“Okay!”

Then, the two of them got into the car and sped in the direction of the auction.

The South City auction was well-known locally and had even affected many surrounding cities.

Even Yan Ruoxue, who lived in Jingdu, had heard of it. That was enough to show the scale and impact of this auction.

When Qin Yu and Yan Ruoxue arrived, the entrance was already filled with countless luxury cars.

The entire parking lot was filled with people.

“There are so many people. Things will probably be a little difficult today,” Qin Yu couldn’t help but sigh.

Yan Ruoxue smiled and said, “It’s okay. Don’t worry too much about it.”

Qin Yu nodded, and then the two of them walked towards the auction.

There were two security guards at the entrance of the auction. Qin Yu took a closer look and realized that these two security guards were both Inner Strength Masters!

Although they weren’t very strong, it was still somewhat extravagant for an Inner Strength Master to be in charge of security.

Qin Yu and Yan Ruoxue had just reached the door when they were stopped by two people.

“Our auction requires capital verification. Only those with assets of more than one billion are eligible to enter,” the two security guards said expressionlessly.

“One billion? That’s a lot...” Qin Yu couldn’t help but sigh.

Fortunately, Qin Yu had the black card given by Wei Jiang. It shouldn’t be difficult to enter this venue.

“If you don’t have money, don’t block the road. You’d better go back and eat your roadside stalls.” At this moment, a voice suddenly came from behind Qin Yu.

Turning his head to look, he actually found that it was Mr. Bai, whom he had met on the beach just now.

Mr. Bai sneered and said, “Do you know what this place is? Those who can come here have wealth and status. Do you people who eat roadside stalls deserve to come to this kind of place?”

Qin Yu frowned slightly and said, “Are you not right in the head?”

Mr. Bai wasn't angry. He ignored Qin Yu and looked at Yan Ruoxue instead. He said with a nonchalant smile, “Lady, you are so beautiful. Why did you find a boyfriend who can only afford to eat at roadside stalls?”

Yan Ruoxue played with her hair and said with a smile, “So what if I eat at roadside stalls? Don't tell me they go to the toilet to eat sh*t like you..”

Chapter 97: The Auction Began

Upon hearing Yan Ruoxue's words, Qin Yu almost spat out a mouthful of water!

Even the security guard at the door couldn't help but secretly laugh.

However, Mr. Bai's expression was extremely cold. He took a deep breath and suppressed his anger as he said, “On account of your beauty, I won't lower myself to your level.”

Speaking up to this point, Mr. Bai paused and continued to laugh, “You want to go in? How about this, you come with me, and I'll bring you in. How about that?”

Yan Ruoxue pretended to be surprised. “You can go in?”

Mr. Bai said with some pride, “Of course! It's just a billion. It's not worth mentioning!”

“Oh really, is that so?” Yan Ruoxue nodded.

Then, she took out her phone and dialed a number. Over the phone, she said, “There’s a person with the surname Bai at your door. I don’t want him to go in.”

After saying this, Yan Ruoxue directly hung up the phone.

“You shouldn’t be able to go in now,” Yan Ruoxue said with a smile.

Mr. Bai sneered. “Beautiful lady, are you joking with me? Or have you watched too many TV dramas?”

At this moment, the phone of the security guard at the door suddenly rang.

He held the phone and said over the phone, “Yes, yes, I understand. Please don’t worry!”

After the phone call was disconnected, the security guard hurriedly walked in front of Yan Ruoxue and Qin Yu. He bowed and said, “Sir, Miss, our boss said that you don’t need a capital verification. Please come in!”

Yan Ruoxue blinked. She looked at Mr. Bai, who wasn’t far away, and said, “We’ll wait for you inside.”

Mr. Bai snorted lightly and immediately walked towards the door.

However, when he reached the door, he was stopped by two security guards.

“What are you doing?! Don’t block the way!” Mr. Bai berated.

The security guard said expressionlessly, “Sorry, the higher-ups ordered not to let you go in.”

Mr. Bai's expression changed and he immediately flew into a rage.
"Nonsense! Get out of my way quickly. I'm friends with your boss!"

"It was our boss who gave the order personally," the security guard said with a cold expression.

Mr. Bai was stunned.

The boss of the auction personally gave the order? What was going on?

Could it be that what that woman said just now... was true?

...

Qin Yu and Yan Ruoxue received the number plate and entered the auction.

Qin Yu naturally liked to keep a low profile, so he sat down in a corner.

"Isn't this place too remote?" Qin Yu muttered.

"It doesn't matter where we sit," Yan Ruoxue said with a smile.

Qin Yu nodded and didn't say anything else.

Ten minutes later, more and more people came to the auction venue.
Soon, the seats were full.

These people were all wealthy people with a net worth of more than one billion, and their outfits were even more extravagant.

Qin Yu glanced at the crowd. Wanting to see if there were any martial artists among them, he tried to release his Inner Strength.

Not long after, Qin Yu discovered that there were many martial artists with Inner Strength, at least ten of them!

“It seems that Miss Yan is right,” Qin Yu thought to himself.

Most of these wealthy people had martial artists by their side to protect their safety.

At this moment, the host walked onto the stage, and the venue quickly quieted down.

“Welcome to the South City auction, everyone!” The host said with a breezy smile.

“The South City auction has prepared the auction items for everyone with great care. I believe that everyone will definitely return from this auction with a full load!” The host shouted.

With the sound of his voice, the auction officially began.

There was a wide variety of items in the South City auction. There were jewelry, antiques, limited edition luxury goods, bonds, and herbs that Qin Yu wanted so badly.

The first item was a limited edition jewelry. It was allegedly personally crafted by a foreign master. In the end, it was sold for 880,000 yuan.

The second item was calligraphy. It allegedly originated from the Qing dynasty. The final price was as high as 3.5 million yuan!

Qin Yu wasn't interested in these items, and he was a little anxious.

There were already four items on the stage, but there were still no herbs.

“Don't worry.” At this moment, Yan Ruoxue suddenly grabbed Qin Yu's hand.

“In most cases, the later the item is auctioned, the higher the value. Maybe the herbs you want are the finale.” Yan Ruoxue blinked and said.

Qin Yu nodded and muttered, “I wonder if I can get a piece today...”

He needed to identify the age of the herbs himself. Many top-grade herbs didn't look nice in terms of appearance.

At this moment, the host suddenly took out a dark green jade pendant.

The jade pendant was of excellent quality and was a brilliant emerald color. One could tell that it was obviously rare jade material!

“This is an auction item entrusted to us by our auctioneer. It is made of natural ice seeds. The starting price is six million! Each increment must not be less than five hundred thousand!” The host shouted.

Looking at this piece of jade, Qin Yu immediately raised his number plate and shouted, “Six million and five hundred thousand!”

This surprised Yan Ruoxue a little. She looked at Qin Yu and said, “You like Jade?”

Qin Yu scratched his head and smiled. “I have never given you any decent gifts. I want to bid for it and give it to you.”

“You can't refuse. This carries my earnest intentions!” Before Yan Ruoxue could say anything, Qin Yu hurriedly said.

A hint of embarrassment appeared on Yan Ruoxue's aloof countenance. She smiled and nodded. “Okay, I will definitely accept it!”

There was another reason Qin Yu wanted to bid for this jade stone and give it to Yan Ruoxue.

It was because Jade was an excellent item to refine. Qin Yu planned to refine this jade stone into an amulet and give it to Yan Ruoxue.

Ever since the last incident, Qin Yu had been blaming himself. However, he couldn't always be by Yan Ruoxue's side, so he came up with this idea..

Chapter 98: Century-old Herbal King

The better the quality of the jade, the greater the effect of the amulet.

Therefore, Qin Yu was determined to obtain this piece of jade.

“Seven million!” Very soon, someone continued to raise the price.

Without thinking, Qin Yu shouted, “Eight million!”

“Nine million!” At this moment, a young man sitting in the front row said coldly.

Qin Yu looked in his direction and saw that this young man had a handsome appearance and an ice-cold expression. Beside him stood an old man and a middle-aged man.

Qin Yu, wanting to probe the strength of these two people, released his internal qi.

Just as Qin Yu's internal qi was about to touch that young man, his internal qi suddenly broke off, as if it was cut off by something!

Qin Yu's expression instantly changed! He hurriedly looked at that old man and saw that the old man was also looking at Qin Yu.

The corners of the old man's mouth curled up into a sneer, and his gaze was even colder.

“This old man is definitely a practitioner,” Qin Yu thought inside.

This was the first time Qin Yu had encountered his internal qi being directly cut off!

His strength was probably beyond Qin Yu's imagination!

“What's wrong?” Yan Ruoxue asked softly when she saw this.

Qin Yu shook his head and said, “Nothing.”

Then, Qin Yu raised his number plate and continued shouting, “10 million!”

The young man in the front row frowned slightly, as if he was a little displeased with Qin Yu's behavior.

He thought about it for a moment, then raised his number plate again and said, “20 million!”

As soon as he said this, everyone at the venue couldn't help but gasp!

Although this piece of ice jade could be considered top-grade, it was definitely not worth this price!

Using 20 million to buy a huge rock was simply crazy!

“30 million!” While Qin Yu was hesitating, Yan Ruoxue suddenly raised the number plate.

“Miss Yan, you...” Just as Qin Yu was about to say something, Yan Ruoxue reached out and covered Qin Yu's mouth.

“It's okay. It doesn't matter who is spending the money. You have to return the money. Use it wisely.” Yan Ruoxue blinked and said.

At this point, Yan Ruoxue paused for a moment. She leaned towards Qin Yu's ear and whispered, "I secretly saved a lot of money in allowance. There's 500 million!"

Qin Yu couldn't help but feel stunned. Then, he couldn't help but laugh.

To be able to save up to 500 million in allowance, just how rich was the Yan family...

In front, the young man's expression was extremely displeased. It was obvious that he was also very interested in this piece of jade.

Just as the young man was about to raise the number plate, the old man beside him suddenly shook his head and said, "Young Master Liu, our target isn't this piece of jade. We need to preserve our strength now."

The young man called Young Master Liu took a deep breath and forcefully suppressed his anger as he nodded.

"Congratulations to Mr. Qin for successfully bidding for the ice jade pendant at the price of 30 million!" The host shouted.

After he successfully bid for the Jade pendant, Qin Yu kept looking at Young Master Liu who wasn't far away.

He felt that this young man wasn't ordinary, especially the old man beside him, who was even more mysterious.

"Miss Yan, do you know that young man?" Qin Yu pointed at Young Master Liu, who wasn't far away, and asked.

Yan Ruoxue looked ahead and shook her head. "No, why?"

"I have a feeling that he's not ordinary," Qin Yu muttered.

"Maybe I'm overthinking it." Then, Qin Yu waved his hand again.

The auction continued.

The next few items were mostly antiques, so Qin Yu wasn't interested in them at all.

Finally, when the sixteenth item was auctioned, the host brought a glass cabinet.

Inside the cabinet was a ginseng. The ginseng looked glossy and smooth, and its quality was quite good.

“The next item to be auctioned is a hundred-year ginseng king. The starting price is 30 million, and each increment must not be less than a million!” The host shouted.

Once this item was out, the excitement at the scene immediately reached its climax.

“31 million!”

“36 million!”

“40 million!”

” ...”

These rich people all seemed to want a ginseng. To them, health was the most important thing, and a hundred-year-old ginseng could very likely save their lives at a critical moment.

“Isn't this what you want? Why didn't you bid?” Yan Ruoxue said with some surprise.

Qin Yu shook his head and said in a sullen voice, “Although this ginseng is a hundred-year-old herb king, in fact, the herbal effect has long dried

up. As for spiritual energy... it's even more pitifully scarce. It's even worse than an ordinary herb."

As he spoke, Qin Yu's eyes were fixed on Young Master Liu, who was in the front row.

Other than when bidding for that piece of Jade, Young Master Liu didn't say a word. His motive was very obvious. It was very likely that he had come for the herbs.

What made Qin Yu even more worried was that Young Master Liu hadn't made a bid for this hundred-year-old ginseng.

"Looks like this guy is also very knowledgeable," Qin Yu thought to himself.

This gave Qin Yu a headache. Once he had an opponent, it meant that he would have to spend a lot more money.

"Congratulations, Mr. Wang, for bidding for the hundred-year-old ginseng king at a price of 180 million!" At this moment, the host on the stage suddenly shouted.

Qin Yu couldn't help but frown slightly.

A ginseng whose herbal effects had already dried up was bid for nearly 200 million. How exaggerated would the price of a real medicine king be?

"Cultivation is indeed a very expensive thing." Qin Yu couldn't help but sigh.

"Next is our final item," the host said calmly on the stage.

He waved his hand, and the two of them carefully walked up with a hibiscus box.

Then, the host said with a nonchalant smile, “This was picked up by a fellow auctioneer from the mountain. It’s allegedly a wild Chinese knotweed. The starting price is 100 million, and each increment must be no less than 10 million!”

Then, the host slowly opened the box.

In the box laid a Chinese knotweed that was almost withered.

This Chinese knotweed looked very unattractive, like the wild grass on the roadside.

“D*mn, is he that poor? Shabby grass is being sold for 200 million?”

“Only a fool would buy it. Even the radishes I plucked from my backyard are better than this grass!”

“Hehe, not to mention 20 million, but I wouldn’t want it even for 20,000!”

Everyone present ridiculed it one after another, and they were clearly displeased.

Meanwhile, Qin Yu was staring fixedly at this Chinese knotweed! His eyeballs almost popped out!

Other than Qin Yu, Young Master Liu, who was sitting in the front row, also looked extremely excited!

“Young Master Liu, this Chinese knotweed is at least 200 years old,” the old man beside him reminded him.

Young Master Liu narrowed his eyes and said, "I must get this Chinese knotweed!"

Chapter 99: The Liu Family of South City

Young Master Liu turned around and gave Qin Yu a cold glance.

At this moment, Qin Yu was also looking at him.

Their eyes met, and Qin Yu's brows furrowed tightly.

"This guy is quite discerning." Qin Yu took a deep breath.

It seemed that it was almost impossible to get a bargain today.

Qin Yu didn't think any further. He raised his hand and shouted, "200 million."

As soon as he said this, everyone present gasped!

"Spending 200 million to buy a stalk of wild grass?"

"This guy must be crazy. Where did this young master come from? Why does he look so unfamiliar?"

Although these people were very wealthy, 200 million wasn't a small amount of money to them.

Moreover, rich people were more penny-pinching and wise with money.

"250 million." At this moment, Young Master Liu raised the number plate in his hand.

This time, everyone was even more shocked!

The bid was raised again?

“300 million,” Qin Yu said with a cold expression.

Qin Yu was determined to get this Chinese knotweed.

Young Master Liu looked a little unhappy. He turned around to take a look and then shouted, “500 million!”

As soon as he said this, everyone was shocked!

Even Qin Yu’s expression was a little ugly!

He raised it to 500 million at the drop of a hat. This price was indeed too over the top!

Qin Yu only had 2 billion, and it was borrowed. Spending 500 million on a Chinese knotweed was indeed a little inappropriate.

For a moment, Qin Yu fell into deep thought.

“600 million!” Yan Ruoxue shouted.

Qin Yu was stunned. He hurriedly looked at Yan Ruoxue and shook his head. “Miss Yan, I definitely can’t let you spend money this time. It’s too expensive!”

Yan Ruoxue blinked and smiled. “It’s okay. It doesn’t matter whose money you spend.”

Qin Yu suddenly didn’t know what to say. Even if the Yan family was rich, Qin Yu felt guilty about it.

“Eight hundred million!” Young Master Liu shouted angrily!

Yan Ruoxue snorted and said, “One hundred million!”

“Hiss...”

Everyone at the scene looked at these two!

One stalk of Chinese knotweed was being sold for one hundred million. This probably broke the record of the South City auction!

Yan Ruoxue gazed at Qin Yu's face and a smile appeared on her face.

"I'm leaving soon. Treat it as my last gift to you," Yan Ruoxue thought to herself.

When the price was raised to one billion, Young Master Liu, who was in the front row, finally stopped talking.

"He's finally stopped," Qin Yu said with a frown.

Just when Qin Yu thought he was going to get it, the old man beside Young Master Liu suddenly stood up.

He turned around and looked in Qin Yu's direction, he cupped his hands and said, "Sir, this is the Liu family's young master, Liu Shihui. If you are willing to give us this Chinese knotweed, the Liu family of South City will remember this favor."

"The Liu family of South City?"

"They are actually members of the Liu family. No wonder they are so generous!"

"The Liu family is truly top-notch in South City. Rumor has it that their family has many hangers-on!"

"That's right. They are different from ordinary wealthy people. The Liu family is considered the most mysterious family in South City."

Liu Shihui couldn't help but smile when he heard the comments of the crowd.

It was obvious that Liu Shihui was quite satisfied with everyone's attitude.

Meanwhile, his old servant also swept his gaze around proudly.

"South City's Liu family..." Yan Ruoxue muttered in a low voice. No one knew what she was thinking.

Qin Yu looked in the direction of the old servant and cupped his hands politely. "Sir, this Chinese knotweed is also very important to me, so... I'm sorry."

When he heard this, Liu Shihui was extremely displeased.

The old servant frowned and said, "Young man, you might not know what kind of status our family has in South City, so I suggest you learn more about it."

"Moreover... Having the Liu family owe you a favor isn't any less beneficial than this Chinese knotweed," the old servant said with some pride.

Despite hearing this, Qin Yu still shook his head and said, "I'm sorry, I'm not very interested in face, so let's have a fair competition."

When he heard Qin Yu's words, Liu Shihui's expression finally turned cold.

He slowly stood up, turned his head to look at Qin Yu, and said in a cold voice, "Kid, it's best to consider the consequences of your conduct. Offending the Liu family isn't a wise choice."

“Thank you for your warning, Mr. Liu. I’ll take note,” Qin Yu said in a neither servile nor haughty manner.

Then, he sat down and no longer paid attention to Liu Shihui.

Liu Shihui clenched his fists. He took a deep breath and said in a threatening tone, “Kid, I hope you can safely take away this Chinese knotweed.”

Qin Yu didn’t say anything more, but he was slightly worried inside.

Although he had never heard of the Liu family, from the old servant by Liu Shihui’s side, the Liu family was definitely very powerful.

Even one of the servants was a high-level practitioner that Qin Yu couldn’t see through. This was enough to prove the strength of the Liu family.

“Don’t worry,” Yan Ruoxue comforted him.

Qin Yu sighed. He looked at Yan Ruoxue and asked, “Have you heard of the Liu Family?”

Yan Ruoxue nodded and said, “Yes, they are quite famous in the South City. There are many hangers-on, so they can’t be underestimated.”

“Young man, you’d better give this Chinese knotweed to Liu Shihui. Otherwise... the consequences will be unimaginable,” a middle-aged man next to Qin Yu warned.

“That’s right. Even if you bid for it, you might not be able to take it away. It’s better to seize the opportunity to have them owe you a favor,” another person warned.

Qin Yu nodded and said politely, “Thank you for your kind intentions, but this Chinese knotweed is very important to me, so... I still want to try it..”

Chapter 100: The Sinister Liu Shihui

Seeing how stubborn Qin Yu was, the two of them didn't say anything more, but their eyes were filled with regret.

To Qin Yu, this Chinese knotweed was extremely important. If he could obtain it, Qin Yu would have full confidence in breaking through to the Foundation Establishment Stage.

Once he reached the Foundation Establishment Stage, Qin Yu wouldn't be afraid of the Liu family at all.

“Congratulations, Mr. Qin, for buying a Chinese knotweed at a price of one billion!” The host on the stage shouted excitedly.

This was the finale of the auction, so the auction was over after the deal was done.

The crowd began to disperse. Qin Yu and Yan Ruoxue also got up and walked towards the backstage.

When they passed by Liu Shihui, Liu Shihui suddenly said coldly, “You're quite bold. No one in South City dares to offend our family.”

“Really? As the first one, I am honored,” Qin Yu said in a neither servile nor haughty manner.

Liu Shihui sneered and said, “You're really too ignorantly brazen. I hope you won't regret it.”

Qin Yu didn't pay any more attention to him. He would deal with whatever came his way.

Soon, Qin Yu and Yan Ruoxue came backstage.

“Wait for me.” Yan Ruoxue pulled Qin Yu back.

After saying that, she ran to the side and dialed Yan Yongxiu’s number.

As soon as the call was picked up, Yan Yongxiu smiled and said,

“Ruoxue, why did you suddenly think of calling me?”

“Dad, transfer 1 billion into my card quickly,” Yan Ruoxue said.

Yan Yongxiu was stunned at the other end and said somewhat helplessly,

“Why do you suddenly want so much money? Is something the matter?”

“Yes, there’s something important. Quickly transfer it over.” After saying that, Yan Ruoxue hurriedly hung up the phone.

Qin Yu was dumbfounded when he saw this.

1 billion sounded as simple as 10 yuan in Yan Ruoxue’s mouth...

Not long after, Yan Yongxiu transferred the money into Yan Ruoxue’s account.

“Let’s go.” Yan Ruoxue blinked and said.

Qin Yu didn’t know what to say, but Qin Yu was afraid that he wouldn’t be able to repay Yan Ruoxue’s kindness.

After completing the procedures, the two of them walked out with the auction items.

“Uh, isn’t this jade pendant for me?” Yan Ruoxue blinked and said.

Qin Yu said mysteriously, “I can’t give it to you for the time being. I have to deal with it briefly.”

When Yan Ruoxue heard this, she said, “Oh, then you have to hurry up.”

“Huh ? Why ?”

“Nothing.”

” ...”

The auction wasn't held every day after all, so the location was relatively remote. Their surroundings were full of forests.

Qin Yu took a deep breath and felt the spiritual energy from the surroundings. He couldn't help but feel a little excited.

“South City is really a good place.” Qin Yu, feeling a sense of pleasure and comfort, raised his hands.

“Yes.” Yan Ruoxue looked at the side of Qin Yu's face and said with a smile.

“When we grow old in the future, we should come to South City to buy a house,” Qin Yu said jokingly.

“Okay, then you have to work hard,” Yan Ruoxue said as she started the car.

“Definitely!”

At this time, Liu Shihui was sitting in a car and looking in Yan Ruoxue's direction coldly.

“It's a Jingdu license, Young Master Liu. It seems that these two people are from Jingdu. Shouldn't we be more cautious...” The old servant frowned.

Liu Shihui said with a cold expression, “So what if they came from Jingdu? If I kill them, who will trace it to me?!”

“I must get this Chinese knotweed!” Liu Shihui punched the car seat fiercely.

Seeing this, the old servant didn’t say anything further.

He knew Liu Shihui’s personality very clearly. No one could change his mind once he decided on something.

Qin Yu and Yan Ruoxue drove slowly. They enjoyed the sea breeze with comfort.

At this moment, three cars suddenly appeared in front of them and blocked their way.

Qin Yu frowned and was about to speak when he noticed another car slowly driving over from behind.

“It must be Liu Shihui,” Qin Yu said with narrowed eyes.

Then, Qin Yu looked at Yan Ruoxue and warned, “Wait for me in the car. Don’t get out no matter what happens, understand?”

“Yes, yes, I know. I believe in you!” Yan Ruoxue said with her fists clenched.

Qin Yu got out of the car.

He stood in front of the car and quietly waited for Liu Shihui’s arrival.

Soon, Liu Shihui’s car stopped in front of Qin Yu.

“I told you that you would regret it.” Liu Shihui got out of the car with his old servant.

Qin Yu smiled and said, “Do I regret it? How can you tell that I regret it?”

“Sharp-tongued kid,” Liu Shihui said coldly.

“I’ll give you a chance now. Return the Chinese knotweed to me and all I will do is cut off your legs. I can spare your life,” Liu Shihui said coldly.

Qin Yu narrowed his eyes and said, “The Liu family is really overbearing. I spent money to buy it. Why should I give it to you?”

Liu Shihui said angrily, “What I like is mine! Don’t be shameless!”

“You’re the one who is shameless.” Qin Yu’s expression was ice-cold, and his internal qi quickly rose to the maximum.

“Young Master Liu, let me take care of him.” At this time, the old servant beside Liu Shihui said.

Liu Shihui lit a cigarette and said coldly, “Since he’s so fearless, kill him.”

“Yes, Young Master.” The old servant nodded.

He walked to Qin Yu slowly and said with a sinister smile, “I know you have some tricks up your sleeve, your mediocre abilities are nothing in front of me.”

“You really talk a lot of nonsense,” Qin Yu said coldly.

“If you want to fight, then hurry up. I still have to go back to sleep.”

The old servant laughed and said, “Ignorant people are truly fearless. Good.... Then I’ll let you, a bug, know what true strength is!”

Chapter 101: Old Servant vs Yan Jiang

The old servant walked towards Qin Yu step by step. The distance between the two of them was getting closer and closer.

Qin Yu's expression didn't change. He was calm and collected, but a strong belligerent desire rose from the bottom of his heart.

Ever since he saw Yan Jiang's abilities the last time, Qin Yu had been filled with interest towards these so-called martial arts masters!

The old servant looked at Qin Yu coldly and said in a low voice, "Kid, you are dead meat today!"

After saying that, the old servant suddenly released a terrifying pressure! This pressure made Qin Yu's face turn pale with fright! It was as if two huge mountains were pressed down on his shoulders in an instant!

"Hahahaha!" The old servant couldn't help but laugh out loud proudly.

"This is the power of Inner Strength!" After saying that, the old servant suddenly took a step forward. His hands turned into claws and reached towards Qin Yu's chest fiercely!

Qin Yu hurriedly dodged to the side. The old servant's palm brushed past Qin Yu's chest, and a long tear appeared on his clothes!

"How fast!" Qin Yu couldn't help but feel awed!

This old man's strength was probably even stronger than Qin Yu had imagined!

“Boom!” At this moment, the old servant had already stretched out his second hand!

His old hand clenched into a fist and thrust towards Qin Yu’s chest!

“Boom boom boom boom!”

Qin Yu was knocked back repeatedly and almost fell to the ground!

“How strong!” Qin Yu’s face was full of astonishment.

It seemed that these martial arts masters were really quite skilled!

“Why aren’t you fighting back? Is that all you’ve got?” The old servant said indifferently with his hands behind his back.

Qin Yu clenched his fist and adjusted his internal qi to the maximum. Then, with a swoosh, he pounced towards the old servant!

“Go to h*ll!” Qin Yu shouted, and a wisp of white qi actually appeared on his fist!

The old servant’s expression didn’t change. He calmly waited for Qin Yu’s punch.

In the blink of an eye, the two of them had already exchanged more than ten blows, but Qin Yu was stunned that he didn’t even manage to touch the old servant!

“This old man’s strength is beyond imagination.” A sense of solemnity appeared in Qin Yu’s heart.

The Liu family of South City lived up to their reputation!

In the car, Yan Ruoxue was snacking while watching the show through the car window.

Although she had a noble status, she didn't know martial arts. She couldn't even tell who was stronger and who was weaker.

“Qin Yu, go for it!” Yan Ruoxue stretched out her hand and shouted to the outside.

Qin Yu immediately looked in Yan Ruoxue's direction. He took a deep breath, looked at the old man coldly and said, “Again!”

After saying that, Qin Yu launched a second round of attacks!

He threw powerful punches of high frequency and speed!

However, the old servant's body was extremely agile. Every time, he could easily dodge Qin Yu's punches.

“Bang!”

Taking advantage of the gap between Qin Yu's attacks, the old servant waved his big hand and grabbed Qin Yu's arm!

“First, I will cripple one of your arms. Then, I will slowly torture you.” A hint of viciousness flashed in the old servant's eyes.

Very soon, Qin Yu felt a huge force on his arm!

“Oh no!” Qin Yu thought to himself. He clenched his other fist and used all the strength in his body to punch the old servant!

The old servant's expression changed. He hurriedly let go of Qin Yu and retreated backward!

A hint of coldness gradually appeared on his aged face.

“Kid, it seems that I've really underestimated you.” The old servant sneered.

“Stop playing around. Finish the battle quickly and don’t cause any more trouble!” Not far away, Liu Shihui said coldly.

The old servant nodded and said, “Yes, Young Master.”

As soon as he finished speaking, the old servant’s internal qi rose once again!

An even more terrifying pressure threatened to crush Qin Yu’s bones!

“Kid, the young master has spoken. He wants you dead,” the old servant said coldly.

“Remember to reincarnate more luckily in your next life.”

With that said, the old servant instantly disappeared. In the blink of an eye, he appeared in front of Qin Yu!

His fist lit up with a faint gleam and he instantly thrust it towards Qin Yu!

At such a close distance, there was nowhere to hide!

With no other choice, Qin Yu could only clench his fist and face it head-on.

“Boom!”

Their two fists collided, creating a loud explosion!

Qin Yu retreated seven to eight steps in succession before he stabilized his body!

But even so, Qin Yu still felt as if his arm was about to be broken!

“D*mn it...” Qin Yu, his expression somewhat unsightly, couldn’t help but grit his teeth.

“If I reach the Foundation Establishment Stage, killing this old man would be a piece of cake!” Qin Yu thought to himself.

“You have the guts to be so arrogant with such little ability? You’re just a piece of trash.” The old servant came in front of Qin Yu again.

Qin Yu waved his hand and sneered. “Trash? You’re on the brink of death, yet this is all you’ve got. And I have only just started my cultivation path for a short month. Which of the two of us is really trash?”

When he heard this, the old man’s expression couldn’t help but change!

“You’re courting death!” The old servant suddenly shouted and reached out to grab Qin Yu’s neck!

He lifted Qin Yu up into the air like he was holding a chicken!

Qin Yu’s face slowly flushed and he felt that it was becoming difficult for him to breathe. The internal qi all over his body seemed to be suppressed!

“You reckless thing, I will break your neck right now!” The old servant shouted coldly, and then the strength in his hand began to slowly increase!

Qin Yu felt waves of pain coming from his neck, as if it was about to be broken!

“Let him go.”

At this moment, a voice suddenly sounded!

Turning around, he saw a young man in a suit walking out.

He looked at the old servant coldly and said word by word, “Let him go.”

The old servant narrowed his eyes and snorted. “Who are you? We are the Liu family of South City. If you don’t want to die, get lost!”

“I said, let him go!” However, the other party completely ignored the old servant’s words!

Qin Yu, who was lifted up in the air, was even more shocked!

“Yan... Yan Jiang?” Qin Yu squeezed out a name.

The old servant seemed to be a little angry.

He threw Qin Yu aside and then looked at Yan Jiang.

“What’s going on today? There’re so many reckless b*stards,” the old servant said with narrowed eyes.

Then, the old servant looked in Liu Shihui’s direction.

Liu Shihui waved his hand and said coldly, “Kill all those who obstruct us.”

“Yes.” The old servant bowed slightly and then walked towards Yan Jiang.

Yan Jiang glanced at Qin Yu and said coldly, “Go to the car and stay there.”

Qin Yu frowned and said, “I’ll help you. This old man is quite strong.”

Yan Jiang said with a cold expression, “I told you to get in the car. Keep an eye on Miss Yan!”

Hearing this, Qin Yu didn’t say anything more. He could only turn his head and walk to the car.

After Qin Yu got into the car, Yan Ruoxue hurriedly asked, “Are you okay?”

“I’m fine.” Qin Yu shook his arm and then said with a joking tone, “Give me a few more days. I won’t even need to use a move to kill this old man!”

There was a huge difference between the Foundation Establishment Stage and the Qi Refining Stage. Qin Yu was confident that once he entered the Foundation Establishment Stage, even the entire Liu family wouldn’t be a threat to him.

Outside the car, Yan Jiang stood with his hands behind his back and looked at the old servant quietly.

The old servant sneered. “Young man, it’s not too late to regret now..”

Chapter 102: What Do You Want to Do?

Yan Jiang’s eyes were filled with contempt.

This contemptuous gaze made this old servant extremely displeased!

He had had his way in South City for so many years, but no one had ever dared to look down on him like this!

“Get lost right now, and I can spare your life,” Yan Jiang said coldly.

The old servant laughed loudly and said, “No one has ever dared to speak to me like this!”

In the car, Qin Yu couldn’t help but feel a little worried.

He, afraid that Yan Jiang wouldn’t be able to defeat this old man, kept staring out of the window.

“Gee, don’t worry,” Yan Ruoxue said with a smile.

She took the snacks and asked, “Do you want to eat some?”

Qin Yu forced a smile and said, “I’m not in the mood to eat snacks...”

“You’re just always worried about something.” Yan Ruoxue rolled her eyes and said.

Qin Yu didn’t say anything else. His eyes were fixed outside the window.

At this moment, the old servant made his move.

He raised his internal qi to the maximum. His palm turned into a claw again and he grabbed at Yan Jiang fiercely!

However, Yan Jiang didn’t move at all. He allowed the old servant’s palm to grab at him!

“Got him!” The old servant was delighted. His claw just happened to grab Yan Jiang’s chest!

However, in the next second, the old servant’s expression changed drastically!

It was because he realized that he couldn’t hurt Yan Jiang at all!

“Is that all you’ve got? No wonder you can only stay in the small South City,” Yan Jiang said coldly.

The old servant’s expression changed drastically. He wanted to retreat, but it was already too late!

Yan Jiang reached out and grabbed the old servant’s wrist, and then he used force to crush it!

“Ouch! ! !” The old servant cried out in pain!

Yan Jiang’s attacks were powerful, and he didn’t hesitate at all. He reached out his hand, and with a slap, he smashed the old servant’s head into pieces!

With just one move, Yan Jiang killed the old servant!

Qin Yu, who was in the car, couldn’t help but gulp!

Yan Jiang was actually that strong? How easy did he go on him last time?

“See, I told you not to worry.” Yan Ruoxue seemed to have expected this.

Qin Yu couldn’t help but smile bitterly.

As expected of someone from an aristocratic family in Jingdu. It was indeed far beyond his imagination.

Not far away, Liu Shihui’s expression was even uglier! The fact that he killed the old servant in one move, coupled with the Jingdu license plate, made Liu Shihui immediately feel uneasy!

These people were definitely from an aristocratic family in Jingdu!

“Sir, I didn’t know your identity. Please show mercy!” Liu Shihui quickly knelt down and bowed.

Yan Jiang walked in front of Liu Shihui and looked down at him. He didn’t move for a long time.

Liu Shihui hurriedly continued, “I didn’t know that man was a disciple of a prominent family in Jingdu. I’m willing to apologize and take all the responsibility!”

Yan Jiang sneered. “That man? You seem to be mistaken. I’m doing this for Miss Yan.”

“As for Qin Yu, he has nothing to do with us.” Yan Jiang snickered.

Qin Yu, who was sitting in the car, heard these words clearly!

“Yan Jiang is really quite vindictive.” Qin Yu couldn’t help but think to himself.

Liu Shihui, who was kneeling on the ground, hurriedly nodded and said, “I understand. Please show mercy and spare my life...”

Yan Jiang frowned. He sized up Liu Shihui and then snorted coldly. “Get lost.”

Liu Shihui immediately felt as if he had been pardoned and turned to run!

Then, Yan Jiang walked to the front of the car, bowed and said, “Miss Yan, it’s getting late. Please go back and rest early.”

Yan Ruoxue nodded and said, “Thank you for your hard work. You can go back now.”

“Yes, Miss Yan.” Yan Jiang bowed and then retreated to the side before watching the car leave.

Qin Yu had mixed feelings inside.

“So this is the capability of an Inner Strength Grandmaster.” Qin Yu took a deep breath. The desire to improve his strength as soon as possible grew stronger!

The car soon returned to the hotel.

Yan Ruoxue had booked a suite beforehand. After getting the room card, the two of them walked upstairs.

After arriving at the room, Yan Ruoxue winked at Qin Yu and said, "I'm going to take a shower first."

Hearing this, Qin Yu couldn't help but blush.

And Yan Ruoxue seemed to like Qin Yu's shy expression, so she leaned against Qin Yu's ear and said softly, "Wait for me obediently."

As soon as Yan Ruoxue said this, Qin Yu's face instantly flushed all the way to the root of his neck!

Yan Ruoxue couldn't help but cover her mouth and laugh, then she went straight to the bathroom.

Qin Yu sat on the bed while growing more and more nervous.

When he heard the sound of running water coming from the bathroom, Qin Yu was even more on edge!

"Phew..."

To say that he didn't have any lust was definitely a lie. With such a beautiful woman in front of him, no one could resist.

He could only breathe as hard as he could to calm himself down.

Half an hour later, Yan Ruoxue walked out of the bathroom.

She was only wearing a simple bathrobe, and her smooth skin appeared in front of Qin Yu.

Her fair skin formed a sharp contrast with her long black hair. Her perfect figure exuded an astonishing sense of charm. Her fair and smooth feet stepped on the ground, and everything about her was so alluring.

Qin Yu was momentarily stunned as blood gushed out from his nose.

“Pfft!”

Yan Ruoxue couldn't help but laugh. She rolled her eyes and asked, “Am I beautiful?”

“You're... beautiful,” Qin Yu muttered softly.

“Hmm... am I really beautiful?” As she spoke, Yan Ruoxue walked to Qin Yu's side and sat down.

Such a close distance between them almost made Qin Yu lose control!

He got a whiff of the bodily fragrance coming from Yan Ruoxue's body, and his mind went blank!

Yan Ruoxue continued to lean on Qin Yu's body.. She used her fingers to gently slide over Qin Yu's body, and said with a seductive smile, “What do you want to do?”

Chapter 103: Celebrity

Qin Yu, unable to say a single word, watched Yan Ruoxue nervously.

At this moment, Yan Ruoxue suddenly laid on the bed, then closed her eyes, as if she was at his disposal.

Qin Yu watched Yan Ruoxue, who was lying on the bed, while growing more and more excited.

Yan Ruoxue, not saying anything, also kept her eyes closed.

Qin Yu sat there for a long time. He took a deep breath and said, “Miss Yan, you should rest early. I’m going back to my room.”

This surprised Yan Ruoxue a little. She sat up from the bed and watched Qin Yu. “You... really don’t want to do anything?”

“Yes.” Qin Yu nodded without thinking.

“I’m not good enough for you now. You’ve helped me enough. I hope that I can help you and protect you in the future,” Qin Yu said seriously.

His eyes and tone were filled with determination, making it hard for her to doubt him.

Yan Ruoxue seemed to be very satisfied with Qin Yu’s answer. She nodded and said with a smile, “Go back to sleep.”

Qin Yu turned around and quickly returned to his room. He took a cold shower and finally calmed himself down.

“Phew, I almost couldn’t control myself.” Qin Yu took a long breath.

Then, Qin Yu took out the jade pendant from his pocket and prepared to make an amulet for Yan Ruoxue.

He closed his eyes and felt the inheritance in his mind.

Soon, Qin Yu found an amulet technique named “Form One Dharma Decree” in the inheritance.

This amulet technique was very useful. Not only could it drive away evil spirits and beautify one’s appearance, but it could also save one’s life at a critical moment.

Once one was in a life-threatening situation, the protective talisman would take effect.

The only drawback was that it could only be used once. After one use, the protective talisman would shatter.

“It’s you,” Qin Yu thought to himself.

The Form One Dharma Decree was extremely taxing on Qin Yu. He spent an entire night and dripped fifteen drops of blood essence, but he still couldn’t successfully refine it. He only managed to refine a half-finished product.

“Looks like it will take another night,” Qin Yu said weakly.

The sky gradually brightened up. Qin Yu washed up briefly and walked out of the room.

Yan Ruoxue had already tidied herself up. When she saw Qin Yu, she blinked and said, “There’s an amusement park nearby. Should we go there?”

“Okay.” Although Qin Yu was a little tired, he didn’t want to spoil the mood, so he agreed.

After the two of them had breakfast, they rushed to the amusement park.

On the other hand, after Liu Shihui returned home, he hurriedly asked someone to investigate Yan Ruoxue’s background.

“Young Master Liu, that girl is the Yan family’s oldest daughter, Yan Ruoxue,” one of his subordinates said to Liu Shihui.

“What?!” Hearing this, Liu Shihui suddenly sat up!

His expression couldn't help but turn ugly, and he felt a chill run down his back!

"That was close. I almost harmed the entire Liu family..." Liu Shihui felt a lingering sense of fear.

The Shen family's incident was still vivid in his mind. He had nearly doomed him and the entire Liu family.

"But... that person called Qin Yu doesn't seem to have any impressive background." At this moment, his subordinate continued.

Liu Shihui glanced at him to indicate for him to continue.

"According to our investigation, Qin Yu came from Jiangcheng. For some reason, he received Miss Yan's favor."

Hearing this, Liu Shihui said somewhat impatiently, "Then aren't you spouting something pointless?! Miss Yan is his backer. Who would dare to provoke him?!"

"Young Master Liu, I heard that Miss Yan is about to leave Jingdu. When that time comes, we might have a chance." His subordinate continued.

"Moreover... the people of the Yan family might not take a fancy to Qin Yu."

Liu Shihui's eyes lit up.

He couldn't help but think of what Yan Jiang had said last night.

From Yan Jiang's tone, it was clear that the Yan family didn't take a fancy to Qin Yu.

"Then it seems that there's still a chance," Yan Jiang narrowed his eyes and thought to himself.

He snorted lightly and said, “After Miss Yan leaves Jingdu, I want to personally go and have a chat with Qin Yu.”

“Yes, Young Master.” His subordinate nodded.

“Oh right, today, we have artists from the company taking photos at the amusement park. Should we go take a look?” His subordinate continued.

Liu Shihui thought for a moment and nodded. “Mm, I just happen to be planning to go out for a walk. Prepare the car.”

...

The amusement park was the largest amusement park in South City.

As a coastal city, South City naturally had many tourists every year.

Once she entered the amusement park, Yan Ruoxue felt like she was a young little princess, and she felt extremely happy and blissful.

In the dark, Yan Jiang watched this scene and couldn't help but sigh. “I really can't imagine that the Miss Yan in front of me and the CEO in Jingdu are the same person...”

“Yeah, I've never seen Miss Yan smile so happily before.” The others also sighed.

Qin Yu and Yan Ruoxue played almost every ride in the amusement park, such as the sledgehammer, roller coaster, haunted house, and so on.

This kind of blissful and warm feeling filled the two of them with pleasure.

“Shall we go to the Ferris wheel to take photos?” At this time, Yan Ruoxue suddenly suggested.

“Sure, I’ve never sat on the Ferris wheel before!” Qin Yu smiled.

Thus, Yan Ruoxue held Qin Yu’s hand and ran all the way to the Ferris wheel.

Just as they bought the tickets, seven to eight bodyguards suddenly rushed over.

“Hurry up and get out of the way. We’re commandeering this place!” The leading bodyguard said with an overbearing wave of his hand.

They saw a beautifully dressed girl surrounded by them. The girl wore sunglasses and her face was covered with a veil.

Beside her was Mr. Bai!

“Why is it them again?” Qin Yu couldn’t help but frown.

“Is it Cheng Lei?” At this time, someone by the roadside suddenly asked in a low voice.

Mr. Bai said indifferently, “Yes, it’s Miss Cheng. She wants to film here. Please cooperate.”

“It’s the famous Cheng Lei!”

“Wow, Cheng Lei is here! Miss Cheng Lei, I’m your fan. Can I take a photo with you?!”

“Miss Cheng, I love you!”

Everyone shouted. Someone wanted to take a photo and went forward, but was pushed down by the bodyguard.

“Stay away from Miss Cheng! Don’t take photos. Do you hear me?” Mr. Bai pointed at the people around him and scolded.

“I told you not to take photos. Can’t you hear me ?!” Seeing someone holding a cell phone, Mr. Bai walked forward and directly threw the fan’s cell phone on the ground!

The celebrity called Cheng Lei frowned and snorted lightly. “What a bunch of crass people. How annoying!”

“So she’s a celebrity. No wonder she’s so arrogant.” Qin Yu couldn’t help but frown.

Yan Ruoxue also snorted lightly. “These minor celebrities are very arrogant now. They think they’re superior just because they have a bit of fame. It’s indeed annoying.”

“Get out of the way quickly. Do you hear me ?” The bodyguards dispersed the crowd and said impatiently.

Soon, they arrived in front of Qin Yu and Yan Ruoxue.

Mr. Bai frowned and then sneered. “It’s you guys again? What a coincidence.”

“It is quite a coincidence,” Qin Yu said with a cold expression.

This time, Mr. Bai ignored them. He walked to Cheng Lei and whispered a few words.

After Cheng Lei heard this, she walked up to Qin Yu and Yan Ruoxue without saying a word.

She said with a dark expression, “Are you guys fans? Are you guys deliberately trying to attract attention like this? How annoying. It’s disgusting to stalk celebrities like this. Don’t you guys know?”

Hearing this, Qin Yu and Yan Ruoxue felt a little baffled.

“You think too highly of yourself. I’ve never even heard of an F-list celebrity like you.” Yan Ruoxue rolled her eyes..

Chapter 104: Young Master Liu, We Meet Again

“You!”

When she heard Yan Ruoxue’s words, Cheng Lei immediately took off her sunglasses and pointed at Yan Ruoxue furiously.

Yan Ruoxue sneered. “You don’t want the finger anymore?”

It was clearly an offhand remark, but for some reason, Cheng Lei couldn’t help but put her hand down.

“I don’t care. In any case, get out of my way right now. This place has already been requisitioned by me!” Cheng Lei crossed her arms and snickered.

“Requisitioned?” Yan Ruoxue raised her eyebrows.

“What kind of power do you have to requisition a public place? Show me the requisitioned documents.” Yan Ruoxue asked coldly.

Cheng Lei’s expression became even uglier. How could she have requisitioned documents?!

“Are you leaving or not?” Cheng Lei became even angrier.

Yan Ruoxue smiled and said, “If you have the requisitioned documents, I’ll leave. If you don’t have them, I’m not leaving.”

“You b * tch, you’re so shameless!” Cheng Lei scolded furiously.

When she heard this, Yan Ruoxue’s expression instantly turned cold. She raised her hand and slapped Cheng Lei’s face.

“You... you actually dared to hit me?” Cheng Lei instantly flushed with anger! The bodyguards beside her also quickly took a step forward.

Qin Yu hurriedly shielded Yan Ruoxue behind him, and the internal qi on his body suddenly released.

Cheng Lei gritted her teeth and said, “You dared to hit me? I’ll let you know the consequences today!”

With that, Cheng Lei walked to the side and began to make a call.

After making three to four calls, Cheng Lei put down her phone.

“Just you wait! Just you wait!” Cheng Lei roared with fury.

Yan Ruoxue nodded and said, “Okay, I’ll wait for you here.”

Time passed minute by minute. Ten minutes later, one luxury car after another came from a short distance!

Mercedes-benz, BMW, Maybach, Bentley, Lamborghini... As far as the eye could see, there were at least twenty of them!

Seeing this scene, the people around couldn’t help but feel a little afraid.

“You’re dead meat. I’ll see what you can do!” Cheng Lei said arrogantly.

The car soon stopped in front of Cheng Lei, and one middle-aged man after another got out of the car.

“This woman scolded me and hit me! You have to stand up for me!” Cheng Lei said coquettishly.

“Who dares to hit my babe?”

“Exactly. That person is digging their own grave?!”

“Hurry up and apologize!”

Obviously, these people were all businessmen from South City.

And Cheng Lei’s relationship with them was naturally ambiguous.

As she watched this scene, Yan Ruoxue’s expression was calm.

She smiled and said, “You want to call people? Okay, then I’ll make a call too.”

“Go make a call quickly. I want to see who you can call!”

“In South City, I’ve never been afraid of anyone!”

Everyone clamored.

Yan Ruoxue ignored them. She took out her cell phone and made a call.

“I’ll give you ten minutes to come to the amusement park immediately,” Yan Ruoxue said coldly.

After saying this, Yan Ruoxue directly hung up the phone.

“Hehe, you’re just bluffing!”

“I’ll wait for you to find someone. Hurry up and find him!” Cheng Lei snorted.

Qin Yu wasn’t worried. Others didn’t know the power of the Yan family, but Qin Yu knew about it very clearly.

A mere F-list celebrity was far from qualified to go against the Yan family.

A few minutes later, Audi A6s drove over from a short distance.

There were actually more than twenty of them!

“F * ck, how many A6s have been called over?”

“Nobody drives such shabby cars anymore!”

“I thought you were so high and mighty, but turns out that’s all you’ve got?”

Yan Ruoxue didn’t say anything. She just smiled.

Soon, the car arrived in front of Yan Ruoxue.

Then, they saw a few men wearing Chinese tunic suits running down in a hurry.

When they saw the faces of these people clearly, everyone’s expressions became extremely ugly!

“Mayor of South City... South City...”

“Director of South City’s cultural and entertainment department...”

“South City Patrol Bureau’s police chief...”

These people were almost all top-level big shots in South City!

Yan Ruoxue’s phone call had almost mobilized all the top-level officials in South City!

“Mayor... Mayor, why are you here...”

“I’m sorry, I... I still have something to do, so I’ll leave first.”

“Cheng Lei, take care...”

The group of people quickly got into the car and dashed out!

Cheng Lei's expression was extremely ugly and she gritted her teeth so hard that they were about to break!

Mr. Bai's expression was also grave. It seemed that this woman's background wasn't simple.

"Miss Cheng, Young Master Liu is here." At this moment, a bodyguard beside her whispered in her ear.

Cheng Lei, who was dejected just a moment ago, was overjoyed when she heard this!

"Haha, Young Master Liu is here. That's great! Let's see what you guys can do!" Cheng Lei jumped up excitedly.

Mr. Bai also heaved a sigh of relief inside. Since Young Master Liu was here, then everything would be fine.

"Where is Young Master Liu? Quickly bring me there!" Cheng Lei said anxiously.

The bodyguard didn't say anything else and brought Cheng Lei to Young Master Liu.

Cheng Lei ran all the way to Young Master Liu and said with an aggrieved expression. "Young Master Liu, I was just about to take a photo, but she didn't cooperate and even hit me..."

Liu Shihui frowned and said, "What happened?"

Cheng Lei quickly gave an exaggerated account of the incident, "I said that I was a signed artist under the Liu family's company, but she said that the Liu family was nothing! She even said that you have to kneel down when you see her! She's too arrogant!"

When he heard Cheng Lei's words, Liu Shihui's expression instantly turned cold.

Liu Shihui was just about to find a place to vent his anger since he didn't get the Chinese knotweed. He didn't expect that it would come to him so soon.

"Who is so bold? I want to see for myself!" Liu Shihui said coldly.

Cheng Lei was delighted and quickly said, "She's right there! You must teach that despicable couple a good lesson!"

Liu Shihui didn't say anything and strode forward.

Cheng Lei hurriedly led the way. She couldn't wait to see Qin Yu and Yan Ruoxue's frightened expressions!

"Chief Li, Wang Shi, why are you guys here?" Liu Shihui looked at the people in front of him and couldn't help but feel a little surprised.

"Mr. Liu, is this woman signed by your company?" Wang Shi asked.

Liu Shihui nodded and said, "Yes, what's wrong?"

"Nothing." Wang Shi waved his hand, but there was some pity in his eyes.

"Inexplicable," Liu Shihui couldn't help but mutter.

After saying that, he continued to walk forward with Cheng Lei.

Soon, they arrived under the Ferris wheel.

"Young Master Liu, it's them!" Cheng Lei pointed at Qin Yu and Yan Ruoxue, who were standing under the Ferris wheel.

At this moment, Qin Yu and Yan Ruoxue had long forgotten about this fool. The two of them were looking up at the ferris wheel with blissful expressions.

Looking at the backs of the two of them, Liu Shihui snorted and said, “Reckless fools.”

After saying that, Liu Shihui walked quickly to the front of the two of them.

“It’s the two of you who beat up my artist? And you dared to show her attitude?” Liu Shihui said coldly.

When he heard Liu Shihui’s voice, Qin Yu turned his head first.

When Liu Shihui saw Qin Yu, his expression suddenly changed!

“You... It’s you? Qin Yu?” Liu Shihui suddenly had a bad feeling inside!

So... the woman Cheng Lei mentioned was Yan Ruoxue?

Liu Shihui called out tentatively. “Miss... Miss Yan.”

Yan Ruoxue slowly turned around.

“Young Master Liu, what a coincidence. We meet again,” Yan Ruoxue said with a nonchalant smile..

Chapter 105: Experience Love In Its Purest Form

“Miss... Miss Yan, it’s really you...” Looking at Yan Ruoxue, who was in front of him, Liu Shihui was filled with regret!

He thought that he had escaped a disaster yesterday, and today, he met her again!

To Liu Shihui, the humiliation he experienced these two days was more than what he had experienced in his entire life!

Without thinking, he knelt on the ground with a plop!

To Liu Shihui, doing such a thing in front of so many people was worse than death!

A short distance away, Cheng Lei and the others were dumbstruck.

What was going on? Liu Shihui actually knelt down?

“Miss... Miss Yan, I’m sorry. It’s my fault for not disciplining her properly...” Liu Shihui lowered his head and said.

Yan Ruoxue looked at Liu Shihui and said indifferently, “The Liu family is really imposing. How can you guys commandeer public places as you guys please?”

“No, no, this is definitely not the Liu family’s intention!” Liu Shihui hurriedly waved his hand and said.

Yan Ruoxue snorted lightly. She glanced at Cheng Lei and said, “I don’t like that person.”

“Miss Yan, don’t worry. I definitely won’t let her off lightly!” Liu Shihui hurriedly said.

Yan Ruoxue waved her hand and said, “You can leave now. Don’t disturb us.”

“Yes, yes.” Liu Shihui immediately heaved a sigh of relief.

He stood up from the ground and walked in front of Cheng Lei. He raised his hand and slapped her face!

“D*mn you!” Liu Shihui said through gritted teeth.

Cheng Lei was so scared that she couldn’t speak. Liu Shihui’s attitude was obvious. The other party was definitely not someone the Liu family could afford to offend!

“I was wrong, Young Master Liu...” Cheng Lei sobbed softly.

Liu Shihui didn’t say anything. He just waved his hand and the people around him dragged Cheng Lei to the car.

The scene finally quieted down.

After these big shots from South City greeted Yan Ruoxue, they left in a hurry.

“Let’s go. We’re going to ride the Ferris wheel,” Yan Ruoxue said with a smile.

“Okay... Okay,” Qin Yu agreed with a bitter smile.

However, he had mixed feelings inside.

Every time he was with Yan Ruoxue, Qin Yu could feel a strong sense of powerlessness.

This kind of gap in status and power put a lot of pressure on Qin Yu, but he couldn’t help but feel motivated as well.

The two of them took the tickets for the Ferris wheel and walked into the Ferris wheel venue.

The rest of the tourists stood outside and didn’t dare to go forward.

Facing a figure like Yan Ruoxue, they were afraid that they might accidentally get themselves into trouble.

Yan Ruoxue looked at the tourists who were looking at her from outside and said with a smile, “You guys can come along. No one is allowed to commandeer public places, not even me.”

When everyone heard this, they walked into the Ferris wheel with caution.

Qin Yu and Yan Ruoxue sat on the Ferris wheel while quietly waiting for it to turn.

“Shall we take a group photo?” Yan Ruoxue suddenly said.

Qin Yu obviously had no objections and agreed without thinking.

Yan Ruoxue took the phone and leaned her face against Qin Yu.

Then, she gestured with her hand and pressed the shutter button.

“Not enough, not enough, I need to take more pictures!” Yan Ruoxue looked excited.

She held her phone and pressed the shutter button repeatedly. She even asked Qin Yu to make all sorts of embarrassing poses.

Before the Ferris wheel even turned, Yan Ruoxue had already saved more than a dozen group photos on her phone.

When the Ferris wheel started to turn, Yan Ruoxue’s speed became even faster.

Yan Ruoxue didn’t miss any angle. She struck all kinds of weird poses, and they seemed no different from an ordinary couple.

This was also the first time Qin Yu truly experienced dating.

The Ferris wheel slowly spun, and soon, the Ferris wheel reached the highest point.

At this moment, Yan Ruoxue suddenly came over and kissed Qin Yu's face gently.

Qin Yu was stunned, and his entire face instantly flushed to the base of his neck.

However, the sense of ecstasy inside made Qin Yu's heart beat rapidly.

He looked at Yan Ruoxue with emotion. Just as he was about to speak, Yan Ruoxue reached out a finger and blocked Qin Yu's mouth.

“Legend has it that when the Ferris wheel turns to the highest position, kissing the person you love the most means you two can be together forever,” Yan Ruoxue said with some longing.

“There aren't many opportunities to come to the amusement park. I don't want to miss them,” Yan Ruoxue's words seemed to have a hidden meaning.

Qin Yu looked at Yan Ruoxue with his heart racing and whispered, “Miss... Miss Yan, I...”

“Do you still want to continue calling me Miss Yan?” Yan Ruoxue blinked her eyes and asked.

Yes, this address was too formal

Qin Yu took a deep breath, mustered up his courage, and pecked Yan Ruoxue on the face.

Then, he looked at Yan Ruoxue gently and said word by word, “Ruoxue, meeting you is the happiest thing in my life. I don’t want to leave you, and I will never leave you.”

At this moment, it was as if the world had stopped.

Their eyes met, and everything became a foil to the two of them.

Fortunately, this scene wasn’t seen by Yan Jiang and the others, or else they would have gone crazy.

This day was the most unforgettable day for Qin Yu, and also the happiest day.

The Ferris wheel finally stopped.

Both of their faces were a little flushed.

Qin Yu never thought that at the end of his youth, he could still experience love in its purest form.

Then, the two of them went to sit on the merry-go-round, the pirate ship, and so on. It wasn’t until the sky turned dark that the two of them left the amusement park.

“I had a really good time today,” Qin Yu said with a smile.

Yan Ruoxue blinked and said, “Me too.”

Although she said this, there seemed to be a hint of sadness on Yan Ruoxue’s face.

This didn’t escape Qin Yu’s eyes. He asked somewhat suspiciously, “What’s wrong?”

Yan Ruoxue shook her head and smiled. “Nothing.”

She didn't want to destroy the romantic vibe, so she didn't tell Qin Yu that she would be returning to Jingdu tomorrow.

At night, their surroundings were terrifyingly quiet.

At this moment, Qin Yu and Yan Ruoxue were in their own rooms, but they weren't sleeping.

Yan Ruoxue was wearing a nightgown. She leaned against the window and looked into the distant sky.

A gentle breeze blew past her fair and smooth cheeks, and tousled her waterfall-like black hair.

Her large clear eyes were filled with a mixture of sadness and joy.

Meanwhile, Qin Yu was sitting in his room and continuing to refine the amulet.

He hadn't slept for two whole days, but Qin Yu didn't feel tired at all.

It wasn't until early in the morning that the amulet was finally successfully refined.

There were traces of bright red in that jade pendant.

This was Qin Yu's blood essence. It could save lives at critical moments.

"Phew, it's finally over." Qin Yu couldn't help but feel a little tired.

He glanced at the time. It was only seven o'clock in the morning. Qin Yu thought for a moment and decided to sleep for an hour.

He set the alarm for eight o'clock and quickly fell asleep on his bed..

Chapter 106: Yan Ruoxue Left

Two days of hard work made Qin Yu so exhausted that he quickly fell asleep.

Not long after he fell asleep, Yan Yongxiu's car stopped downstairs.

"President Yan, Miss Yan is staying here." Yan Jiang bowed and said.

Yan Yongxiu nodded and said, "Take me upstairs."

"Yes, President Yan." Yan Jiang hurriedly led the way and brought Yan Yongxiu all the way to Yan Ruoxue's room.

Yan Ruoxue had long woken up. She barely slept at all last night.

"Ruoxue, it's time to go back," Yan Yongxiu said indifferently.

Yan Ruoxue nodded and said, "I know."

"Then let's go," Yan Yongxiu said in a sullen voice.

Yan Ruoxue bit her rosy lips with her teeth. She, wanting to say goodbye to Qin Yu, got up and went to Qin Yu's room.

However, at this moment, Qin Yu was sleeping soundly. Yan Ruoxue didn't have the heart to disturb him.

The few of them surrounded Qin Yu and didn't speak for a long time.

"Let's go," Yan Ruoxue whispered.

"Aren't you going to say goodbye to him?" Yan Yongxiu asked.

Yan Ruoxue's heart hardened and she shook her head. "No."

"Then let's go." Yan Yongxiu strode out of the door.

"Ruoxue... I like you..."

Just as the few of them were about to reach the door, Qin Yu, who was lying on the bed, suddenly blurted out a sentence in a daze.

Yan Ruoxue's body instantly stiffened, and her footsteps couldn't help but stop.

She turned around, only to find that Qin Yu was only talking in his sleep.

“Even in his dreams, he was calling your name.” Yan Yongxiu sighed.

Yan Ruoxue felt even sadder. She bit her lip and suddenly said, “Dad, wait for me for a while.”

She hurried back to her room, took out a pen, and quickly began to write something on the paper.

She revised, changed, then repeated, and wrote a full page of words.

However, no matter how she wrote it, Yan Ruoxue wasn't satisfied.

“Forget it.” In the end, Yan Ruoxue tore up the paper and threw it into the trash can.

Then, she wrote a few words in large pens: I'm returning to Jingdu. You have to take care of yourself.

These few simple words expressed Yan Ruoxue's most sincere feelings.

She placed the paper on Qin Yu's bedside, then kissed Qin Yu's forehead gently.

“Let's go.” Yan Ruoxue didn't stay any longer. She turned around and walked out of the door.

In the car, Yan Ruoxue's eyes were fixed in the direction of Qin Yu's room.

“Start the car.” Yan Ruoxue waved her hand.

“Yes, Miss Yan.” The driver started the car.

At this moment, Qin Yu suddenly woke up.

He had a bad premonition inside and sat on the bed in a daze.

Soon, Qin Yu saw the note left on the head of the bed.

Qin Yu hurriedly opened the note and saw Yan Ruoxue’s handwriting.

“Miss Yan... Miss Yan...” Qin Yu’s expression changed drastically and he felt as if his heart had been pricked by something!

He hurriedly ran to the window and looked out.

The Yan family’s car was downstairs and was about to leave.

“Ruoxue!” Qin Yu shouted with all his might!

Then, he ran downstairs at the fastest speed!

Unfortunately, the sound insulation of the car was very good, so Yan Ruoxue didn’t hear Qin Yu’s voice.

Just when Qin Yu rushed downstairs, the car started slowly and drove forward.

Qin Yu’s expression became extremely ugly. He gritted his teeth and chased after the car with all his might.

“Miss Yan! Ruoxue!” Qin Yu almost used all his strength to chase after the car.

In the car, Yan Ruoxue was in a very bad mood .

Although the two of them hadn't been together for long, Qin Yu had long left a mark in Yan Ruoxue's heart.

"Maybe in a year, this kid will really be able to come to Jingdu," Yan Yongxiu comforted.

"Not maybe, but definitely." Yan Ruoxue's tone was extremely firm.

"I hope so." Yan Yongxiu nodded.

The speed of the car was getting faster and faster, but Qin Yu, who was behind, had no intention of giving up.

His forehead was covered in sweat. As he chased, he shouted crazily.

"Miss Yan, there seems to be someone chasing us from behind." Finally, through the rearview mirror, the driver saw Qin Yu, who was desperately chasing behind them.

Hearing this, Yan Ruoxue hurriedly opened the window and looked behind the car.

"Stop the car!" Yan Ruoxue said hurriedly.

"Miss Yan, we..."

"I told you to stop the car!" Yan Ruoxue shouted.

The driver didn't dare to disobey Yan Ruoxue, so he quickly leaned the car against the roadside.

Yan Ruoxue got out of the car and walked in Qin Yu's direction.

The two of them rushing towards each other made Qin Yu even more impulsive.

He quickly ran to Yan Ruoxue and hugged Yan Ruoxue tightly!

“D*mn it, this b*stard!” Yan Jiang was furious. He was about to push the door open but was stopped by Yan Yongxiu.

“Forget it, let them be.” Yan Yongxiu waved his hand.

Hearing this, Yan Jiang had no choice but to keep quiet.

Qin Yu pulled Yan Ruoxue into his arms tightly and tears flowed out.

“Are you leaving already? Why are you in such a hurry...” Qin Yu said with some anguish.

Yan Ruoxue was still the gentle and generous Yan Ruoxue.

She reached out to wipe Qin Yu’s tears and said with a smile, “A man can’t shed tears at will.”

Qin Yu wiped the tears from the corner of his eyes and said with extreme anguish, “Can you not leave?”

“No,” Yan Ruoxue said without hesitation.

“I have been in Jiangcheng long enough. It’s time for me to return to Jingdu,” Yan Ruoxue said with a smile.

“But... but I don’t want you to leave...” Qin Yu said somewhat shamelessly.

After these few days, she had already become a part of Qin Yu’s life that he couldn’t part with.

A day of not them seeing each other felt like three years.

This was Qin Yu’s current mentality.

Yan Ruoxue reached out and gently patted Qin Yu's head. She smiled gently and said, "If you want to see me, come to Jingdu and look for me."

"One year later, I'll wait for you in Jingdu. I'll wait for you to marry me."

Qin Yu couldn't hold it in any longer, and tears almost burst out of his eyes.

But he didn't want Yan Ruoxue to worry, and he didn't want to disappoint Yan Ruoxue either. So he held back his grief.

"Of course, I'll definitely go to Jingdu to marry you one year later. Wait for me!" Qin Yu said through gritted teeth.

"Ruoxue, it's time to go," Yan Yongxiu said indifferently in the car.

Yan Ruoxue glanced at Yan Yongxiu and then at Qin Yu. "Qin Yu, you have to rely on yourself in the future."

"You can't be too soft-hearted to some people. Otherwise, you will be bullied, understand?"

"I will wait for you in Jingdu in a year. I will wait for you to marry me."

After saying this, Yan Ruoxue didn't turn around and walked towards the car.

These few words kept echoing in Qin Yu's mind.

He felt like his heart had been pierced through by countless needles. He was in extreme anguish.

Just as the car was about to start, Qin Yu suddenly thought of something.

He hurriedly shouted, "Ruoxue, wait!"

The car came to a sudden stop again.

Qin Yu anxiously ran to the front of the car. He took out the jade pendant and handed it to Yan Ruoxue.

“Ruoxue, this jade pendant is a gift from me to you. You must wear it at all times!” Qin Yu said with emotion.

Yan Ruoxue took the jade pendant and said with a smile, “Okay, definitely..”

Chapter 107: A Nobody

The car slowly left. Qin Yu watched as the Yan family’s car disappeared from his sight.

Yan Ruoxue, who was in the car, also shed a tear.

Qin Yu stood there for a long time. He clenched his fists tightly and forced himself not to shed a tear.

“I will definitely, definitely go to Jingdu as soon as possible.” Qin Yu couldn’t help but raise his head and roar.

And the people around him looked at him as if they were looking at a lunatic.

Qin Yu returned to the hotel. He packed his things and quickly left South City for Jiangcheng.

With three stalks in his hand, Qin Yu wanted to increase his strength as soon as possible and advance to the Foundation Establishment Stage.

Along the way, Qin Yu’s mood was extremely heavy and it was difficult for him to calm down.

As soon as he closed his eyes, he would see Yan Ruoxue's figure.

"Ruoxue, wait for me," Qin Yu muttered softly.

On the same day, the news of Yan Ruoxue's departure swept through the entire Jiangcheng.

Countless people heaved a sigh of relief inside.

Yan Ruoxue gave everyone immense pressure and intimidation.

During this period of time, everyone restrained their actions for fear that they would accidentally provoke her highness.

"Yan Ruoxue has finally left."

"D*mn, we've been walking on eggshells during this period of time."

"If Yan Ruoxue has left, doesn't that mean that Qin Yu doesn't have a backer?"

"Yep, without Yan Ruoxue as a backer, Qin Yu's days are numbered."

" ..."

At night, Qin Yu returned to Jiangcheng.

At home, Yao Qing had been waiting for him for a long time.

"Mr. Qin." Yao Qing made a cup of tea for Qin Yu.

Qin Yu took a sip of tea, then looked at Yao Qing and said, "During this period of time, I want you to do me a favor."

"Mr. Qin, please go ahead." Yao Qing hurriedly nodded.

Qin Yu took a deep breath and said, "I want you to protect me for at least three days."

"Protect you?" Yao Qing couldn't help but be stunned.

Qin Yu nodded and said, "I'm going into closed-door cultivation. I can't be disturbed by anyone."

"Yao Qing, I only trust you now," Qin Yu said seriously.

Yao Qing was immediately flattered by the favor and hurriedly said, "Don't worry, Mr. Qin. I'll do my best!"

Qin Yu nodded and waved his hand. "Go to rest for the night."

After returning to his room, Qin Yu laid on the bed, but he still couldn't fall asleep.

As long as he closed his eyes, Yan Ruoxue's gentle face would appear in front of him.

In his mind, the words that Yan Ruoxue had said kept echoing.

Qin Yu sat up from the bed.

He took a deep breath and sat cross-legged on the bed to force himself to calm down.

For cultivation, the state of mind was important.

For the whole night, Qin Yu's state of mind quietly changed.

He didn't know if Yan Ruoxue's words had played a role, but Qin Yu felt that his heart seemed to have hardened a little.

The next morning, Qin Yu walked out of the room.

There was no expression on his face, but it was tainted with a trace of ice-cold internal qi.

“Mr. Qin.” Yao Qing had already brewed tea for Qin Yu.

Qin Yu nodded and said, “Call Lei Hu to come and see me.”

“Yes, Mr. Qin.” Yao Qing hurriedly nodded and said.

Half an hour later, Lei Hu brought Lance to Dragon Paradise.

In the living room, Yao Qing served tea for the few of them, while Lei Hu was filled with apprehension.

Qin Yu didn't say a word and just quietly looked at Lei Hu.

“Lei Hu, how's the recent earnings?” Qin Yu asked.

Lei Hu quickly said, “Mr. Qin, our market share is steadily rising. I have already opened a factory to mass produce the Soul Nourishment Pill.”

Qin Yu narrowed his eyes and said, “Once Miss Yan leaves, I reckon many people will target me and even want to get rid of me.”

“Lei Hu, do you have such thoughts?” Qin Yu narrowed his eyes and looked at Lei Hu coldly.

Lei Hu's expression immediately changed and he hurriedly shook his head as he said, “Mr. Qin, I absolutely have no such intention! If it weren't for you, I would be a good-for-nothing now and would have been blacklisted sooner or later...”

Qin Yu looked at Lei Hu coldly. After confirming that Lei Hu had no intention of rebelling, Qin Yu continued to ask, “Alright, I won't mistreat you guys.”

“Thank you, Mr. Qin!” Lei Hu hurriedly nodded.

After that, Qin Yu stood up and glanced at Lance while saying, “I promised you last time that I would teach you the breathing exercise. Come and look for me in a week.”

Lance bowed and said, “Thank you, Mr. Qin.”

Qin Yu wouldn't completely trust Lei Hu, so he had to bribe Lance.

After Lei Hu left Dragon Paradise, he couldn't help but wipe the sweat off his forehead.

“D*mn it, he scared me,” Lei Hu muttered.

Lance frowned and said, “Lei Hu, don't tell me you really have ulterior motives?”

“Nonsense!” Lei Hu scolded loudly.

“Do you think I'm as stupid as those people? Since Miss Yan has taken a fancy to Mr. Qin, then Mr. Qin definitely has something special about him!”

“I believe that Mr. Qin will definitely achieve something remarkable soon!”

...

After Lei Hu left, Qin Yu left the Dragon Paradise with Yao Qing.

“Mr. Qin, where are we going?” Yao Qing asked.

Qin Yu said, “To find a quiet place.”

This quiet place referred to Riverside Villa, which Shen Tian had stayed in.

The environment there was quiet, uninhabited, and full of spiritual energy. It was exactly the place that Qin Yu needed.

After the destruction of the Shen family, Shen Yun's relatives took over their assets and put them up for auction online.

Qin Yu and Yao Qing soon arrived at the Riverside Villa.

Yao Qing walked forward and knocked on the door.

Soon, a man came out and opened the door.

"Who are you looking for?" The man asked.

Yao Qing quickly said, "I heard that this place is for sale, and we plan to buy it."

The man glanced at Qin Yu and nodded. "Come in."

The few of them walked into the Riverside Villa together. As soon as they entered, they saw four to five people sitting in the villa.

"Hey, Qin Yu." As soon as he saw Qin Yu, a young man in the room stood up.

Qin Yu glanced at him and said, "I don't think I know you."

"It's okay if you don't know me, but I know you." He sneered.

"I'm Liu Bu from the Liu family!" Liu Bu said with a bit of arrogance.

Qin Yu frowned slightly and said, "Liu Family? I've never heard of them."

Liu Bu's expression changed and he said angrily, "You! Fine, it's fine if you don't know me, but you know Lin Wan, right?"

"Oh, that unruly little girl." Qin Yu nodded.

Liu Bu said with a cold expression, "Because of you, Lin Wan was almost sent to the coal mine! Previously, because of the Yan family, I didn't dare to touch you. Now that Yan Ruoxue has left, I'll see what you can do on your own!"

Qin Yu couldn't help but sneer. "What do you want to say?"

Liu Bu snorted lightly. "I'll give you a chance. Either kneel down, and I'll make a video, or I'll beat you until you kneel down. It's your choice."

Qin Yu scratched his head and said, "Once Miss Yan has left, a nobody like you have the guts to stir up trouble?"

Chapter 108: Advancing to the Foundation Establishment Stage

"A nobody?" When Liu Bu heard this, he immediately flew into a rage!

"If it weren't for Miss Yan, you would be a nobody!" Liu Bu's face was filled with embarrassment and anger.

Qin Yu sized up Liu Bu and said with a smile, "You... you are probably Lin Wan's henchman, right? I remember that she seems to like someone called Mr. Yang."

"You!" These words undoubtedly rubbed salt into Liu Bu's wound!

Just like what Qin Yu said, he was really Lin Wan's lap dog!

“You motherf * cker, you’re too shameless. I’ll teach you a lesson right now!” Liu Bu waved his hand, and the people around him immediately walked over to Qin Yu.

Yao Qing immediately moved forward. Just as he was about to make a move, Qin Yu stopped him.

“Let me do it,” Qin Yu said coldly.

As soon as he finished speaking, Qin Yu disappeared from the spot with a swoosh and instantly appeared in front of them.

These people were instantly stunned and their expressions changed drastically!

Before they could even react, their bodies flew out and they blacked out on the spot!

Then, Qin Yu walked towards Liu Bu step by step.

Liu Bu’s face was extremely pale. He had no idea that Qin Yu was so strong!

“You... what do you want to do?!” Liu Bu said with some fear.

Qin Yu looked at him coldly and said, “I don’t want to do anything. I just want to break your legs.”

As soon as he said that, Qin Yu quickly kicked him.

“Bang! Bang!” Liu Bu’s kneecaps were instantly shattered!

“Ouch! ! !” A pained wail echoed throughout the entire villa!

Qin Yu looked at Liu Bu coldly and said, “Get lost. Also, tell those who want to deal with me that I will wait for them here.”

“Wait, where’s the owner of this villa?” Yao Qing stopped Liu Bu and asked.

Liu Bu was scared out of his wits. He endured the pain and said, “This villa has been handed over to my father. I... I have to go back and look for him.”

“Call him and ask him to come,” Qin Yu said coldly.

Coldness flashed across Liu Bu’s face. He immediately nodded and said, “Okay, I’ll call him right now!”

After saying that, he grabbed his phone and crawled to the side. He dialed the number in anguish.

“Mr. Qin, I’m afraid Liu Bu’s father won’t let us off easily,” Yao Qing reminded him.

Qin Yu sat on the sofa and said indifferently, “It’s alright. Let him come.”

Ten minutes later, a middle-aged man rushed to the villa.

As expected, he had a few bodyguards with him.

Just as Yao Qing was about to make a move, Liu Bu’s father slapped Liu Bu in the face!

“You only know how to cause trouble. How did I give birth to such a good-for-nothing like you?!” He cursed.

Then, he hurriedly walked to Qin Yu, cupped his hands and said, “Mr. Qin, I’m really sorry. I hadn’t disciplined him properly. I hope you can forgive us.”

This surprised Qin Yu a little.

As the saying went, one should never hit a smiling face. Qin Yu immediately flicked his finger, and a pill fell into Liu Bu's hand.

“Go back and rub this pill on your leg. There's still hope for your leg,” Qin Yu said indifferently.

Hearing this, Liu Bu's father was immediately overjoyed and hurriedly said, “Thank you, Mr. Qin!”

“Alright, stop talking nonsense. I want to buy this villa.” Qin Yu took out the black card given by Wei Jiang.

The moment he saw the black card, Liu Bu's father's expression changed slightly.

He hurriedly waved his hand and said, “Mr. Qin, since you have cured my son's leg, this villa is yours!”

“Mine?” Qin Yu was even more baffled.

He was clearly the one who broke Liu Bu's leg, so how come Liu Bu's father was so polite?

“Mr. Qin, perhaps the black card in your hand has played a role,” Yao Qing whispered in his ear.

Qin Yu suddenly came to a realization. He put away the black card and nodded. “Thank you very much. I'll remember your kindness.”

“Thank you, Mr. Qin!” Liu Bu's father hurriedly cupped his hands.

Then, he walked to Liu Bu and scolded, “Useless thing, crawl out yourself!”

The villa finally quieted down.

Qin Yu took a deep breath and felt the rich spiritual energy from the surroundings.

“It’s really a good place,” Qin Yu muttered in a low voice.

Then, he asked Yao Qing to open the box he brought with him.

Inside the box were three herbs. A strong scent of herbs instantly filled the entire villa.

Qin Yu took a deep breath. He was a little excited.

These three herbs were enough to support him in advancing to the Foundation Establishment Stage!

Qin Yu couldn’t wait to find out how powerful the Foundation Establishment Stage was!

“As the saying goes, patience is key. Although I used the pill, it only took me a month,” Qin Yu thought to himself.

In an environment where spiritual energy was scarce, Qin Yu’s speed was mind blowing.

“Yao Qing, I’ll have to trouble you for the next few days.” Qin Yu looked at Yao Qing and said.

Yao Qing quickly said, “Mr. Qin, you’re too courteous.”

Then, Qin Yu didn’t waste any more time. He took out these few herbs and prepared to refine the Qi Gathering Pill.

The later one cultivated, the more Qi Gathering Pills one needed.

If Qin Yu wanted to advance to the next stage, he would probably need at least two Qi Gathering Pills.

“These three herbs can bring me at least a dozen Qi Gathering Pills,” Qin Yu thought to himself.

Then, he took out the relevant tools and began to refine the Qi Gathering Pill.

At this moment, the Liu family was already ready to make a move.

“Young Master, there’s news that Yan Ruoxue has returned to Jingdu,” Liu Shihui’s secretary said by his ear.

Liu Shihui took a deep breath, and a hint of viciousness flashed across his eyes.

“Although she has left Jiangcheng, no one knows whether she will still continue to help Qin Yu,” Liu Shihui said with a frown.

“Why don’t we... ask for instructions first?” The secretary suggested.

Liu Shihui thought for a moment, then shook his head and said, “No, it’s best if the Yan family doesn’t know about this.”

The Chinese knotweed was too tempting for Liu Shihui. Even if it was a risk, he still wanted to try it!

Liu Shihui had seen Qin Yu’s skills with his own eyes. For an ordinary person, it indeed wasn’t bad.

But for Liu Shihui, it wasn’t worth mentioning.

Because... Liu Shihui was extremely famous in the martial arts world! He was known as a genius!

In just three years, he had advanced to the level of an Inner Strength Master Hands!

His strength was even above that old servant's!

“When the time comes, we will act according to the circumstances,” Liu Shihui said coldly.

“Yes, Young Master.” The secretary quickly nodded and said.

That day, the Liu family prepared a car and rushed to Jiangcheng.

At this time, Qin Yu's pill was about to be ready.

Qin Yu stood to the side and used spiritual energy to control the heat.

Qin Yu's experience in refining pills had already allowed him to become much more skilled.

“Bang!”

At this moment, a loud sound came from the room!

The entire furnace exploded in an instant!

A strong herbal aroma assailed his nostrils!

Qin Yu hurriedly ran over and looked down. He saw several pills lying quietly in the ruins!

Qin Yu picked up the pill and counted carefully.

“Twenty-eight pills! It's far beyond my imagination!” Qin Yu shouted in surprise..

Chapter 109: Liu Shihui's Visit

Qin Yu originally thought that there would be at most 20 pills. He never expected that the number would actually exceed this.

“28 pills are enough to support me to advance to the Foundation Establishment Stage.” Qin Yu, his heart filled with anticipation, clenched his fists.

After that, Qin Yu didn't waste any more time and hurriedly swallowed the pills.

There were more than twenty Qi Gathering Pills. Qin Yu could only consume and refine them one by one.

He swallowed the first pill and then slightly closed his eyes to feel the pill gradually blooming in his body.

When the pill entered his stomach, it felt like it exploded!

Dense spiritual energy flowed from Qin Yu's stomach into his Dantian and then slowly flowed into his entire body.

In just two hours, a pill was completely melted!

And Qin Yu directly advanced to the sixth level from the fifth level of the Qi Refining Stage!

This shocked Qin Yu even more. He didn't dare to delay, and hurriedly swallowed the second pill.

The second Qi Gathering Pill circulated even faster in Qin Yu's body, and almost disappeared in an instant!

But this time, Qin Yu frowned.

This was because the second Qi Gathering Pill didn't allow Qin Yu to advance to the seventh level of the Qi Refining Stage, and there wasn't even the slightest change in his dantian.

Qin Yu slowly opened his eyes and said with a frown, “Isn’t it said that each Qi Gathering Pill can make one advance a level?”

Although Qin Yu had expected the effect of the Qi Gathering Pill to become weaker and weaker along with the increase in strength, he didn’t expect the effect to be so weak on the seventh level.

“It seems that reality proves different from legends,” Qin Yu thought to himself.

He wasn’t in a hurry to swallow the third pill. Instead, he looked at the Qi Gathering Pill in front of him and fell into deep thought.

After thinking for a moment, Qin Yu took a deep breath and decided to swallow the rest of the Qi Gathering Pill all at once!

If he took each pill one by one and refined them, it would take too much time.

“Even if I consume too many pills, there shouldn’t be any harm,” Qin Yu thought to himself.

Thinking of this, he opened his mouth and threw the Qi Gathering Pills into his mouth one by one.

A total of twenty-six Qi Gathering Pills were swallowed into Qin Yu’s stomach. At this moment, Qin Yu felt as if his entire stomach was about to explode!

More than twenty pills were taking effect in his body at the same time. Qin Yu’s body was actually unable to hold on any longer!

Beads of sweat dripped from his forehead, and his lower abdomen was throbbing with pain!

“Ah...” Qin Yu couldn’t help but open his mouth and moan slightly.

Qin Yu had never felt such intense pain before. His body was trembling slightly, and his vision slowly dimmed.

“No!” Just when he was about to faint, Qin Yu clenched his teeth and forced himself to remain conscious.

He couldn’t help but think of Yan Ruoxue, and the words that Yan Ruoxue had said before she left!

“I absolutely can’t just collapse so easily.” Qin Yu gritted his teeth. He took a deep breath, and with his strong mental resilience, he endured the pain!

The Qi Gathering Pill exploded in Qin Yu’s body, and the rich spiritual energy rushed into Qin Yu’s Dantian like a swarm of bees.

Qin Yu endured the pain and tried his best to stabilize his state of mind.

Finally, after more than an hour, Qin Yu began to calm down bit by bit.

He seemed to have become numb to the pain. Even his trembling began to subside.

At this moment, Qin Yu’s body was surrounded by a light green light.

The light enveloped Qin Yu and isolated him from the outside world.

Spiritual energy slowly flowed into his body. Qin Yu felt the pain disappear and it was replaced by a warm current, as if he was soaking in a warm spring.

Qin Yu sat there with his legs crossed. His expression was calm as he fused spiritual energy with every cell in his body.

In the blink of an eye, an entire day had passed.

The sky gradually darkened and became filled with stars.

Yao Qing stood at the door of the room with his arms crossed over his chest. He looked around coldly, as if he was a guardian deity.

At this moment, a Land Rover drove over from a short distance away.

The car stopped steadily at the entrance of the villa. Then, a young man with two skinny men walked out of the car.

“Phew, the environment here really isn’t bad.” The people who came were none other than Liu Shihui and his entourage!

He looked at the beautiful scenery around him and couldn’t help but snort. “Qin Yu really knows how to enjoy himself.”

“Yeah, Jiangcheng is a small place, but it’s quite suitable for retirement.” Liu Shihui’s entourage also smiled and said.

Liu Shihui didn’t say anything more. He looked in the direction of the villa and waved his hand. “Let’s go and visit Qin Yu.”

After saying that, Liu Shihui brought his men and walked into the villa.

Yao Qing, who was standing at the door, quickly noticed Liu Shihui at the door.

He immediately took a step forward and blocked Liu Shihui’s way.

“This is Mr. Qin’s private residence. Please step back,” Yao Qing said coldly.

“How dare you?! Who do you think you are? How dare you talk to our Young Master like that?!” Liu Shihui’s henchman immediately shouted!

Liu Shihui waved his hand and said with a nonchalant smile, “We have to be polite. Do you understand?”

After saying that, Liu Shihui looked at Yao Qing and said with a nonchalant smile, “I’m here to talk to Qin Yu about something important.”

Yao Qing still said with a cold expression, “I’m sorry. Our Mr. Qin has something to do. He won’t be seeing any guests for the time being. If there’s anything, you can tell me.”

Liu Shihui raised his eyebrows and said with a nonchalant smile, “Qin Yu is quite cocky.”

“I’m sorry, Mr. Qin does have something important to do.” Yao Qing seemed polite, but there was a slight threatening tone in his voice.

“Kid, don’t be shameless!” At this time, Liu Shihui’s henchman suddenly shouted!

“Do you know who this is? He is Liu Shihui, the Young Master of the Liu family!”

When he heard this name, Yao Qing’s expression changed slightly.

Obviously, he had heard of Liu Shihui’s name.

“So it’s Young Master Liu.” Yao Qing frowned slightly.

“Young Master Liu, I’m very sorry. Mr. Qin really can’t see you for the time being. Why don’t you wait first? When he’s done, I’ll definitely tell him.” Yao Qing said with a slight bow.

Liu Shihui raised his eyebrows and sneered. “I rushed over from South City to see him, and you want me to wait? What, is this how you treat your guests?”

Yao Qing said awkwardly, “Young Master Liu, Mr. Qin really has something to do...”

“Cut the crap.” Liu Shihui’s henchman was a bit displeased.

“Get out of my way, or don’t blame us for being rude!”

Yao Qing’s expression suddenly became a bit ugly.

As an Inner Strength Master, he had naturally heard of the Liu family.

Yao Qing knew that he definitely wasn’t a match for these people!

But before Qin Yu went into seclusion, he said that he absolutely couldn’t let anyone disturb him!

Thinking of this, Yao Qing braced himself and took a step forward.

“Young Master Liu, please come back another day,” Yao Qing said firmly..

Chapter 110: The Loyal Yao Qing

Yao Qing’s tone made Liu Shihui very unhappy.

He looked at Yao Qing with a bit of amusement and said, “What if I insist on going in?”

Yao Qing’s expression changed. He gritted his teeth and said, “Then I won’t be polite.”

When he heard this, Liu Shihui couldn’t help but laugh and said, “A trash at the seventh stage of Inner Strength dares to act so cocky in front of me. You think too highly of yourself.”

When he heard this, Yao Qing suddenly trembled!

Liu Shihui could accurately state his level of strength, which meant that he was definitely above him!

“No need to guess.” Liu Shihui sneered.

“I am an Inner Strength Master Hands at stage two. Get lost!” Liu Shihui said in a somewhat commanding tone.

The level of an Inner Strength Master Hands and someone at the seventh stage of Inner Strength were worlds apart. Yao Qing had no chance of winning!

However, Yao Qing still braced himself and stood in front of Liu Shihui.

“Young Master Liu, I’m really sorry. Mr. Qin, he...”

“Slap!”

Before Yao Qing could finish his words, Liu Shihui slapped Yao Qing’s face!

“Who do you think you are? You’re just a lap dog. How dare you block my way?!” Liu Shihui scolded coldly.

“Get out of my way, or I’ll cripple you!” Liu Shihui was burning with murderous intent!

Yao Qing gritted his teeth and said, “Liu Shihui, I told you. Mr. Qin won’t see any guests!”

“You’re really a loyal lap dog.” Liu Shihui’s expression became colder and colder.

“Young Master Liu, let us cripple this kid!” Liu Shihui’s follower said.

Liu Shihui waved his hand and said coldly, “No, I want to personally play with him.”

After saying that, Liu Shihui looked at Yao Qing and said indifferently, “Kid, I’ll let you see the strength of an Inner Strength Master Hands Hands!”

As soon as he said that, Liu Shihui clenched his fist and rushed towards Yao Qing!

Yao Qing knew that he was no match for Liu Shihui, so he hurriedly stepped back.

“Humph, too slow.” Liu Shihui sneered. With a shake of his feet, he instantly arrived in front of Yao Qing!

Then, Liu Shihui punched Yao Qing’s chest!

Yao Qing’s body was immediately sent flying. He slid on the ground for several meters before he stabilized his body!

A mouthful of blood spurted out from his mouth!

“How strong...” Yao Qing’s expression was a bit ugly. The reputation of an Inner Strength Master Hands Hands was indeed well-deserved!

“What, is that all you’ve got?” Liu Shihui said with a bit of amusement.

With nimble steps, he soon arrived in front of Yao Qing.

“You’re just a lap dog. I’ll have some fun with you today.” Liu Shihui looked down at Yao Qing and beckoned.

Yao Qing gritted his teeth and struggled to get up from the ground.

However, just as he got up, Liu Shihui kicked him!

Yao Qing was sent flying again and crashed into the wall!

“What? You can’t even stand up?” Liu Shihui sneered.

“Liu Shihui, don’t go too far!” Yao Qing roared and jumped up from the ground!

Then, he clenched his fist and took the initiative to rush towards Liu Shihui!

“You’re too big for your britches,” Liu Shihui said coldly.

Just when Yao Qing’s fist was about to punch him, Liu Shihui suddenly reached out and grabbed Yao Qing’s fist.

“That’s all you’ve got?” Liu Shihui said with a sneer.

Yao Qing’s expression was extremely ugly!

This punch almost used up all his strength, but it was easily caught by Liu Shihui!

Yao Qing used all his strength to struggle, but he found that he couldn’t break free!

“What, don’t you have other tricks?” Liu Shihui said sinisterly.

As he spoke, he exerted more strength! Then, he pulled back forcefully, and a crisp sound came from Yao Qing’s arm!

“Ouch!!!” Yao Qing couldn’t help but scream in pain!

His arm was forcefully broken by Liu Shihui!

“You’ve been tortured by me to this extent, yet Qin Yu still doesn’t seem to be coming out. Looks like he doesn’t really care about a lap dog like you.” Liu Shihui slowly walked over to Yao Qing.

Yao Qing’s face was filled with sweat. The intense pain made his entire body tremble, and he found it difficult to support himself!

“As a lap dog, you have to behave like a lap dog. Kneel down for me!” Liu Shihui said coldly.

“In your dreams!” Yao Qing gritted his teeth and said angrily.

Liu Shihui narrowed his eyes and sneered. “Fine, if you don’t kneel, I will force you to kneel!”

After saying that, he raised his palm and punched Yao Qing’s shoulder!

A huge force immediately pressed down on Yao Qing, who felt as if he was carrying two huge mountains on his shoulders!

Under this huge force, Yao Qing’s bones even emitted cracking sounds, as if they were going to break at any time!

But even so, Yao Qing still stubbornly stood in place without allowing his legs to go soft!

“You’re holding on quite well.” Liu Shihui said coldly.

“I want to see how long you can hold on!” After saying that, Liu Shihui raised his leg and kicked Yao Qing’s knee!

“Ouch!”

Finally, Yao Qing’s legs went soft, and with a bang, he knelt on the ground.

“Hahaha!” Liu Shihui couldn’t help but laugh out loud.

“It seems that your backbone isn’t as strong as your bones,” Liu Shihui said with a playful look.

As Yao Qing kneeled on the ground, he wanted to struggle, but his legs were broken and he couldn’t stand up at all!

“Young Master Liu.” At this moment, Liu Shihui’s henchman suddenly walked over.

“What?” Liu Shihui glanced at him.

The henchman hurriedly said, “Young Master Liu, I suspect that Qin Yu is using that Chinese knotweed to enter closed-door cultivation!”

When he heard this, Liu Shihui’s expression instantly changed drastically!

“Young Master Liu, we can’t delay any longer. If we delay any further, I’m afraid we won’t be able to get that Chinese knotweed back,” the henchman said with a somewhat anxious tone.

Liu Shihui couldn’t help but fly into a rage! He looked coldly at Yao Qing and said, “How dare you waste my time! Let me tell you, if the Chinese knotweed is gone, I’ll kill you!”

After saying that, Liu Shihui hurriedly walked into the villa.

At this moment, Liu Shihui’s legs were suddenly grabbed by something, and he instantly stopped in his footsteps!

He looked down and saw that Yao Qing was tightly holding onto his calf and didn’t allow him to move!

“Mr. Qin said that he won’t see any guests...” Yao Qing said while gritting his teeth.

Liu Shihui said furiously, “Are you courting death?! Get lost!”

After saying that, Liu Shihui, wanting to kick Yao Qing away, shook his leg forcefully.

However, Yao Qing seemed to have lost his mind. He desperately clung to Liu Shihui’s leg, and Liu Shihui was unable to shake Yao Qing off!

“You’re courting death!” This completely infuriated Liu Shihui!

He raised his other leg and kicked Yao Qing’s body with all his might!

One kick, two kicks, three kicks...

Liu Shihui’s strength was extremely great. Yao Qing’s mouth kept spitting out blood, but even so, Yao Qing still didn’t have the slightest intention of letting go!

“You motherf * cker, let go of me!” Liu Shihui shouted and almost lost it.

“I... I won’t let go...” Yao Qing spat out these few words with difficulty.

Liu Shihui grimaced and said, “Okay, I will kill you now!”

Chapter 111: Just Interest

Liu Shihui looked coldly at the two henchmen and said, “The two of you can go in first.”

“Yes, Young Master.” The two henchmen nodded and then walked toward the door.

Yao Qing had no strength left to stop the two people. Although he was extremely anxious, there was nothing he could do. He could only watch helplessly as they walked over.

“Young Master Liu, the door is locked.” The henchman couldn’t help but frown as he walked to the door.

“Then break the door open for me!” Liu Shihui said furiously.

“Yes, Young Master.”

At this moment, Qin Yu was sitting in the room while refining the pills in his body.

The refining speed of the Qi Gathering Pill was far faster than Qin Yu had imagined. These pills turned into spiritual energy and flowed through his dantian to attack the various acupoints in his body.

A faint light surrounded Qin Yu’s body. This light also began to converge bit by bit and slowly gathered at the location of his dantian.

Time passed minute by second, and the sound of the door being smashed sounded.

However, Qin Yu seemed to be isolated from the outside world and couldn't hear anything at all.

“Buzz!”

Finally, these pills were completely refined! The surging spiritual energy completely fused with Qin Yu's body! Finally, a ray of light was formed in his dantian.

“Phew.”

Qin Yu's eyes snapped open!

At this moment, a breeze blew around him!

A terrifying power was traveling around his body. Even his physical body became a few times tougher at this moment!

“Twenty-eight Qi Gathering Pill couldn't help me break through to the Foundation Establishment Stage.” Qin Yu frowned slightly and murmured in a low voice.

Currently, Qin Yu was just at the peak of the Qi Refining Stage and was just a hair's breadth away from the Foundation Establishment Stage.

“It seems that it's not that easy to break through to the next level.” Qin Yu thought to himself.

Even with three herbs, he couldn't even break through to the Foundation Establishment Stage. Who knew how many herbs he would have to spend to cultivate in the future?

Qin Yu couldn't help but feel a trace of pressure.

“Fortunately, the speed is faster than I thought,” Qin Yu said in a low voice.

He thought it would take at least three days, but it only took him a dozen hours.

“Bang, bang!”

At this moment, the sound of the door being smashed came from the door again.

Then, Liu Shihui’s angry roar from the courtyard also reached Qin Yu’s ears.

After advancing to the peak of the Qi Refining Stage, Qin Yu’s hearing also improved by leaps and bounds, and the spiritual energy in his body was as vast as the sea.

“Someone came?” Qin Yu narrowed his eyes. He immediately walked to the door and pushed it open.

As soon as the door opened, he saw two henchmen standing at the door, and a short distance away, Yao Qing was hugging Liu Shihui’s thigh tightly.

When he saw this scene, Qin Yu’s expression instantly turned cold.

“Mr. Qin...” Yao Qing spat out a sentence with difficulty. Then, he fell to the ground and completely fainted. At this moment, his hand also loosened.

“Liu Shihui?” Qin Yu looked coldly at Liu Shihui. His expression was cold.

Liu Shihui said with a nonchalant smile, “Mr. Qin, I specially came from South City to visit you. I didn’t expect your subordinate to be so disrespectful, so I helped you teach him a lesson.”

Qin Yu glanced at Liu Shihui without saying anything.

He walked to Yao Qing first and put his hand on his chest to use spiritual energy to protect Yao Qing’s life.

Then, Qin Yu raised his head and looked at Liu Shihui coldly.

“What are you doing here?” Qin Yu’s tone was cold.

Liu Shihui didn’t care at all. He said with a nonchalant smile, “Qin Yu, I’m here to take back my things.”

“Your things?” Qin Yu couldn’t help but sneer.

“I don’t have your things here.”

Liu Shihui narrowed his eyes and said with a smile, “Qin Yu, don’t play dumb with me. Where’s the Chinese knotweed?”

“It’s mine. What does it have to do with you?” Qin Yu snorted.

Liu Shihui’s expression turned cold again.

“Qin Yu, think about it carefully. Yan Ruoxue is no longer in Jiangcheng!” Liu Shihui shouted!

“So?” Qin Yu raised his eyebrows.

“So you should consider the consequences!” Liu Shihui said coldly.

Qin Yu looked at Liu Shihui and said indifferently, “I have already eaten that Chinese knotweed. If you want it, I can pull it for you.”

“You!” When he heard this, Liu Shihui’s expression instantly turned livid!

However, he didn’t take him seriously. He took a deep breath and said, “How about this, Qin Yu? I, Liu Shihui, am also a reasonable person.”

“In three days, you and I will have a public competition in South City. If I win, you will return the Chinese knotweed to me. How about that?” Liu Shihui said patiently.

Although Yan Ruoxue had already left Jiangcheng, Liu Shihui still didn’t want to take this risk.

If it was a public competition, even the Yan family couldn’t say anything.

“What if you lose?” Qin Yu asked back.

Liu Shihui said with a nonchalant smile, “If I lose, that Chinese knotweed will be yours. I won’t pester you!”

“That Chinese knotweed was mine to begin with. Are you out of your mind to use my belongings as collateral for a bet?” Qin Yu said coldly.

Liu Shihui’s expression changed, and he instantly felt a burst of anger in his chest!

He gritted his teeth and said while holding back his anger, “Then what do you think we should do?”

Qin Yu said coldly, “If you lose, you will kneel down and apologize to Yao Qing. You will also give me a herb king that is more than a hundred years old. What do you think?”

Liu Shihui was overjoyed! Without thinking, he immediately agreed.

“Okay, it’s a deal!”

Liu Shihui didn't take Qin Yu's conditions seriously at all.

Because in his opinion, it was impossible for him to lose!

"Okay, I'll look for you in three days," Qin Yu said coldly.

"Qin Yu, I hope you'll keep your word." Liu Shihui snorted, waved his hand, and turned to leave.

"Wait."

At this moment, Qin Yu suddenly called out to Liu Shihui.

Liu Shihui turned around and said with puzzlement, "Do you have anything else?"

Qin Yu slowly walked to Liu Shihui, suddenly raised his hand, and slapped the henchman's face!

With this slap, the henchman's face was directly shattered!

His entire face instantly collapsed! His body slid on the ground and he couldn't stop vomiting blood!

"Number Two!" Another henchman hurriedly rushed up.

"Young Master Liu, Number Two is... He's dead!" The other henchman's expression was extremely ugly!

"Qin Yu, what the f * ck are you doing?!" Liu Shihui roared angrily.

Qin Yu said indifferently, "You hit my friend, so I'll collect some interest."

Liu Shihui's expression was extremely ugly. No one had dared to act so insolent in front of him!

At this moment, Liu Shihui wanted nothing more than to tear Qin Yu apart!

“I only taught a lap dog a lesson for you, yet you killed my henchman! Qin Yu, you’re too ruthless!” Liu Shihui clenched his teeth and said.

Qin Yu looked at Liu Shihui coldly and said, “First of all, Yao Qing isn’t my lap dog, but my friend.”

“Second of all, this is just a little interest.. Three days later, I will make you kneel in front of Yao Qing and apologize in person!”

Chapter 112: Photos of Yan Ruoxue

Liu Shihui was so angry that his whole body was trembling! If he wasn’t afraid of the Yan family, he would have fought with Qin Yu to the death!

“Okay.” Liu Shihui pointed at Qin Yu and then sneered. “I want to see how long you can be so cocky!”

After saying this, Liu Shihui turned around and left.

Qin Yu looked at his back and couldn’t help sneering.

Then, he personally poured spiritual energy into Yao Qing and brewed a few pills to treat Yao Qing’s injuries.

Looking at Yao Qing, who was lying on the bed, Qin Yu couldn’t help but sigh.

Yao Qing was really a loyal guy. Without his help, he would have been interrupted by Liu Shihui.

At noon the next day, Yao Qing woke up from his coma.

“Mr. Qin.” The moment he woke up, Yao Qing hurriedly tried to get up.

Qin Yu waved his hand and said, "Lie down properly. You can't move your body now."

Yao Qing gritted his teeth and said in a low voice, "It's all my fault for being useless..."

"No." Qin Yu shook his head.

"It's all thanks to you," Qin Yu said seriously.

Yao Qing forced a smile. He sighed and said, "Liu Shihui is an Inner Strength Master Hands. His strength can't be underestimated. The gap between us is too big."

"Inner Strength Master Hands?" Qin Yu raised his eyebrows.

If it was compared to cultivation levels, Liu Shihui's level was equivalent to the early Foundation Establishment Stage. He was slightly better than Qin Yu, who was at the peak of the Qi Refining Stage.

However, Qin Yu wasn't worried.

Cultivation and martial arts were two different things. His strength was definitely above that of martial artists.

Qin Yu was fully confident that he could easily defeat Liu Shihui.

"Don't worry, I will take revenge for you," Qin Yu said with a smile.

Yao Qing was stunned. He hurriedly said, "Mr. Qin, you must not act recklessly! The Liu family is powerful. They are even above the Shen family!"

"You've heard of the Liu Family?" Qin Yu asked in surprise.

Yao Qing nodded and said, “When I was with Shen Tian in the past, they had worked together, so I know a little about them.”

Qin Yu grunted and signaled Yao Qing to continue.

Yao Qing said in a low voice, “The Liu family’s business is different from ordinary businesses. Their family supports a large number of hangers-on, including celebrities from all walks of life.”

“For example, big shots in the calligraphy world, celebrities in the jade stone world, and experts in the martial arts world...”

“Not only that, but the Liu family also focuses on martial arts. Liu Shihui is quite famous in the martial arts world of Chuzhou, and he is considered one of the best of the younger generation.”

After he heard Yao Qing’s words, not only was Qin Yu not worried at all, but he was even slightly excited.

“In that case... if I win against Liu Shihui, I will definitely become famous in Chuzhou,” Qin Yu muttered in a low voice.

Yao Qing was stunned. He didn’t expect Qin Yu to be unafraid at all!

Right now, Qin Yu urgently needed to become famous. This way, it would be more convenient for him to get in contact with people in the martial arts world.

This way, Qin Yu would be able to get the herbs faster.

“Have a good rest. I’ll bring you to South City in three days.” Qin Yu didn’t say anything more. He got up and walked out.

The surrounding spiritual energy was quite dense, so Qin Yu naturally wouldn’t miss it.

He sat by the river and closed his eyes slightly while absorbing the spiritual energy from nature.

...

The matter between Qin Yu and Liu Shihui soon spread.

The Liu family was afraid that the Yan family would blame them, so they deliberately created a commotion. They wanted everyone to know that Liu Shihui and Qin Yu were having a “friendly exchange and fair competition.”

Almost half of Chuzhou had heard about the incident between Qin Yu and Liu Shihui.

“Haha, I knew that someone would try to settle the account with Qin Yu once Miss Yan Left!”

“I didn’t expect the Liu family to act so quickly!”

“With the Liu family as the vanguard, Qin Yu is doomed!”

The news spread around quickly.

At this moment, Qin Yu wasn’t fazed at all.

He was sitting by the river while absorbing the surrounding spiritual energy.

For an entire day and night, the surrounding spiritual energy was almost completely absorbed, but he was still unable to break through to the Foundation Establishment Stage.

“It seems that breaking through to the next level is much harder than I imagined,” Qin Yu opened his eyes and murmured softly.

He clenched his fists and felt the abundant power in his body.

His power was at least several times stronger than before.

“I really don’t know what kind of strength a Foundation Establishment Stage cultivator will have.” Qin Yu began to look forward to it more and more.

“Excuse me, is Mr. Qin at home?” At this moment, someone suddenly shouted at the door of the villa.

Qin Yu looked over and saw a man standing at the door while looking around.

After walking all the way to the door, Qin Yu said somewhat suspiciously, “I’m Qin Yu. Who are you?”

The other party smiled and said, “Mr. Qin, there’s a package for you here. It’s from Jingdu.”

“Jingdu?” When he heard this, Qin Yu’s heart skipped a beat.

He hurriedly took the package and couldn’t wait to open it.

He saw that the package was filled with photos.

At a glance, he saw that there were at least a hundred of them.

And these photos were all of Yan Ruoxue and Qin Yu at the amusement park.

Looking at these photos, Qin Yu felt a mixture of happiness and sorrow.

In the photos, Yan Ruoxue’s smile was so warm and brilliant that he wanted to touch it.

Qin Yu caressed the photos, and a happy smile appeared on his face.

“Ruoxue, wait for me.” The look in Qin Yu’s eyes instantly became extremely determined!

After signing his signature, Qin Yu took the photos back to his room.

He asked Yao Qing to buy some glue, and then pasted the hundreds of photos on the wall.

The entire wall was covered with photos of the two of them.

Looking at these photos, Qin Yu instantly felt invigorated!

Time flew by.

In the blink of an eye, there was only one day left before the competition with Liu Shihui.

At this time, upper class blue blood from all walks of life in South City had gathered at the Liu family.

“Young Master Liu, who is Qin Yu? How dare he challenge you to a fight?” Someone asked.

Liu Shihui took a sip of tea, and coldness flashed in his eyes. Then he said, “He’s a b*stard!”

When everyone heard this, their expressions couldn’t help but turn cold.

“Young Master Liu, could it be that Qin Yu is very powerful?” Another person asked.

Liu Shihui snorted lightly. “A few days ago, my subordinate, Mr. Fan, fought with him. It’s not even worth mentioning.”

Mr. Fan was referring to the old servant who was instantly killed by Yan Jiang.

Mr. Fan's strength was inferior to Liu Shihui's, so Liu Shihui was completely confident.

However, Liu Shihui didn't know that in these few days, Qin Yu's strength had improved by leaps and bounds.

"He dares to challenge Young Master Liu despite his little abilities? Young Master Liu, give me the word, and I'll go kill him!" Someone at the side shouted.

"Yes, we'll go deal with him. There's no need for Young Master Liu to personally make a move!"

Liu Shihui put down the teacup in his hand. He swept his gaze across the crowd and said nonchalantly, "Okay, but I have to remind you that he has a close relationship with Yan Ruoxue of the Yan family."

When they heard this, the crowd instantly quieted down.

"Who's going?" Liu Shihui swept his gaze across the crowd.

The crowd, who were still acting aggressive and indignant just now, immediately fell silent.

Liu Shihui pointed at a random person and said, "You go ahead."

"Ahem, um... Young Master Liu, I... I have something to do these few days. I can't... I can't go."

"Young Master Liu, I still have something to do at home. I have to go back quickly, so I'll take my leave first."

"Gee, my wife gave birth today. I forgot. Young Master Liu, I'll leave now.."

Chapter 113: Su Yan' s Cousin

Liu Shihui wasn't shocked by everyone's attitude.

He also knew that these people wouldn't take such a risk for the Liu family.

Everyone left one after another. Liu Shihui couldn't help but snort.

...

The next day, Qin Yu packed his things and prepared to rush to South City.

At this time, Yao Qing's body had basically recovered. However, his legs were still a little wobbly, and he was limping when he walked.

"Hey, Mr. Qin, it's time for us to buy a car." On the way to the station, Yao Qing couldn't help but mutter.

Qin Yu thought about it. It seemed that they did need to buy a car.

In the future, they would definitely go out more and more. It would be inconvenient to have a car.

"When we return this time, we'll go and buy one," Qin Yu said.

The two of them sat in the car heading to South City. On the way, Liu Shihui sent a message to Qin Yu. The content of the message was the address of the competition.

What surprised Qin Yu was that Liu Shihui chose a scenic area instead of an interior arena.

“It seems that Liu Shihui wants to make a big deal out of this so that the Yan family won’t hold him accountable,” Yao Qing muttered while looking at the phone.

Qin Yu snorted and said, “That’s what I want.”

Yao Qing scratched his head and said worriedly, “Mr. Qin, you have to be careful. Liu Shihui is different from ordinary people. His strength...”

“Don’t worry,” Qin Yu interrupted Yao Qing.

“It’s a piece of cake for me to beat him,” Qin Yu said indifferently.

Hearing this, Yao Qing didn’t say anything more, but he was still a bit worried.

After more than five hours, the car finally arrived at South City.

Qin Yu glanced at his phone and said, “Let’s take a taxi to the nearby area.”

Qin Yu couldn’t help but sigh. It was more convenient to have a car.

Then, Qin Yu and Yao Qing took a taxi on the roadside and rushed to their destination, the Water Dragon Cave.

This was a famous scenic spot in South City. It was supposedly spring all year round and countless people would come to soak in the hot spring every year.

“I advise you not to go to the Water Dragon Cave today,” the driver said while driving.

Qin Yu then asked, “Why?”

The driver said, “The Water Dragon Cave was requisitioned by the Liu family today. They’re going to compete with a man named Qin Yu. Even if you go there, you won’t be able to play.”

Qin Yu couldn’t help but frown.

This Liu family really liked to requisition public places.

Cheng Lei did so last time, and the competition this time was so as well.

“I didn’t expect that even the taxi driver knew about this.” Qin Yu said in a low voice.

“This matter has caused a stir in the city. It’s hard not to know about it,” the driver lamented.

“But then again, I really don’t know what Qin Yu is thinking. He actually dared to compete with Young Master Liu. He’s really crazy,” the driver continued to mutter.

Qin Yu smiled and said, “Since he dared to challenge Liu Shihui, he naturally has confidence.”

The driver glanced at Qin Yu and sneered. “You must be from out of town, right?”

Qin Yu nodded and said, “How do you know?”

The driver smiled and said, “Because the locals wouldn’t say such things. Who doesn’t know that Liu Shihui is a sly person?”

“Why do you say that?” Qin Yu asked with some puzzlement.

The driver explained, “As far as I know, over the years, Liu Shihui has arranged at least a dozen public tournaments, and each time, he won by a landslide. Do you know why?”

“I don’t know.” Qin Yu shook his head and gestured for the driver to continue.

The driver smiled and said, “Because Liu Shihui will always fight with people who are weaker than him. Liu Shihui acts very humble in front of those who are stronger than him, or those who have a more powerful background than the Liu family.”

Qin Yu couldn’t help but raise his eyebrows and suddenly understood.

“Moreover, out of everyone who fought with Liu Shihui, who ended up well? The best case scenario is the ICU, and the worst case scenario is the crematorium,” the driver muttered.

“Just wait and see. Qin Yu will definitely be dead meat.” The driver hummed a tune, as if he was used to it.

The car soon arrived at the Water Dragon Cave.

The driver didn’t turn around and leave. Instead, he found a parking spot and parked the car.

Yao Qing glanced at him and said, “Why aren’t you leaving yet?”

The driver smiled and said, “I like to watch the fun as well. Of course, I can’t miss such a big event.”

Seeing this, Qin Yu couldn’t help but smile and shake his head.

“Let’s go.” Qin Yu shook his head and said.

Then, the two of them walked towards the Water Dragon Cave.

The Water Dragon Cave scenic area occupied an extremely large area, and the most famous of them was the natural hot spring.

In front of them, there was an extremely large natural hot spring that was steaming hot.

It was said that the scenery here was the same in winter. One could hardly feel the cold all year round.

At this time, this place had been isolated. Seven to eight people were in charge of guarding it to prevent anyone from approaching.

Qin Yu and Yao Qing stood outside the isolation line and looked at the Water Dragon Cave in front of them.

“How strange.” Qin Yu frowned slightly and murmured in a low voice.

“Mr. Qin, what’s wrong?” Yao Qing asked.

Qin Yu pointed in the direction of the Water Dragon Cave and said, “I keep feeling that the water here isn’t quite normal. I can even feel a trace of spiritual energy from the hot air.”

“Spiritual energy?” Yao Qing was stunned. He had obviously never heard of this term before.

Qin Yu didn’t explain. He stared at the Water Dragon Cave and said in a low voice, “Could it be that there is something hidden under the water?”

“Gee, Qin Yu, it really is you.” At this moment, a voice suddenly came from behind Qin Yu.

After turning his head, Qin Yu saw a beautiful girl in her twenties standing behind him.

Beside her were three to four young men of similar age.

“Sun Ying?” Seeing this girl, Qin Yu couldn’t help but frown.

This girl was Su Yan’s cousin. She used to be Qin Yu’s sister-in-law, and she went to university in South City.

Back when Qin Yu was still in the Su family, Sun Ying had always looked down on Qin Yu. She ridiculed Qin Yu and even ordered him around like a servant.

He didn’t expect to meet her here today.

“Sun Ying, the person who is competing with Young Master Liu today is also called Qin Yu. It can’t be him, right?” A young girl beside Sun Ying asked with her eyes widened.

Sun Ying sneered. “How is that possible? Qin Yu is a good-for-nothing who only knows how to do laundry and cook. How can he be the same person as that Qin Yu?”

Upon hearing Sun Ying’s words, the people around couldn’t help but snicker.

“Why are you talking to Mr. Qin?” Yao Qing frowned and said with a bit of displeasure.

“Forget it.” Qin Yu waved his hand.

Qin Yu didn’t want to say anything to the people of the Su family.

“Qin Yu, why aren’t you serving my sister at home? Why did you come to South City?” Sun Ying said arrogantly.

“I have nothing to do with your sister.” Qin Yu glanced at her and said coldly.

Sun Ying suddenly understood and said, “Oh, I know.. Were you kicked out by my sister again?”

Chapter 114: Why Don’ t I Know You?

Seeing that Qin Yu didn’t say anything, Sun Ying continued, “You must have been kicked out again. My sister probably didn’t give you any money, right?”

Qin Yu didn’t say anything.

When he was in the Su family, he would often be kicked out by Su Yan because of small matters, and she wouldn’t give him a single cent.

At that time, Qin Yu couldn’t figure out why Su Yan would fly into a rage when it was obviously a very small matter.

It was only later that Qin Yu figured out that it was to let Qin Yu make room so that she could have a chance to stay with Zhao Gang.

“Forget it. You’re quite pitiful too. Why don’t you join us?” Sun Ying muttered.

Qin Yu glanced at her and said, “No need.”

“Tsk tsk, are you embarrassed? How can you live without money? Don’t try to keep up appearances. Who are you pretending for?” Sun Ying snickered.

Qin Yu couldn't be bothered to argue with Sun Ying. All his thoughts were on the Water Dragon Cave.

"You came here today for Young Master Liu's martial arts competition, right?" Sun Ying continued to ask.

Qin Yu glanced at her and nodded. "That's right."

"Tsk tsk." Sun Ying couldn't help but twitch her lips.

"Both of you are called Qin Yu. Why is the difference so big?" Sun Ying snickered.

"Sun Ying, is this your friend?" At this moment, a graceful young man suddenly walked over from a short distance away.

Seeing this young man, Sun Ying and the others hurriedly went up to greet him.

"Mr. Long, you're here too." Sun Ying and the others shouted one after another.

The man who was called Mr. Long nodded slightly and said, "Yep, it's such a big matter. Of course, I want to watch the fun. Moreover, Young Master Liu and I are friends. Of course I can't miss it."

"Wow, you and Young Master Liu are friends?" When they heard this, the eyes of Sun Ying and the others immediately lit up.

"That's right. Young Master Liu and I have known each other for many years. We can be considered old friends." Mr. Long bragged.

"Wow, Mr. Long, you're too awesome!" Sun Ying said excitedly.

At this point, Sun Ying said with a smile, “Mr. Long, look, this place is sealed off. We’re not allowed to enter. Since you and Young Master Liu are friends, can you bring us in?”

“That’s right. That’s right. Mr. Long, standing here is too far away. We can’t see anything clearly!” Sun Ying’s classmate also shouted.

The man who was called Mr. Long frowned slightly.

In fact, Mr. Long and Young Master Liu couldn’t be considered familiar with each other. They had only attended the same dinner once. It was uncertain whether Liu Shihui remembered him or not.

But in front of so many people, Mr. Long still braced himself and said, “No problem. Young Master Liu and I are friends. I’ll just ask him.”

“Wow, that’s great!” Sun Ying and the others shouted excitedly.

Qin Yu glanced at him and didn’t say anything.

Qin Yu never had a good impression of rich playboys.

“Hey, it’s probably going to start in a little more than an hour, right?” Sun Ying’s classmate, Chen Xin, said.

“I wonder who Qin Yu is. He actually dares to challenge Young Master Liu.”

“Yeah, he’s really too big for his britches.”

Everyone discussed animatedly. At this time, Mr. Long said nonchalantly, “Qin Yu’s background isn’t simple. As far as I know, he’s from a prominent family in Jingdu.”

“A prominent family in Jingdu?” When he heard this, Sun Ying and Chen Xin were somewhat surprised.

Mr. Long nodded and said nonchalantly, “That’s right, and it’s a very powerful family.”

“No wonder he dared to challenge Young Master Liu.” Sun Ying came to a realization.

“Hmph, what’s the use of having a powerful background? A martial arts competition isn’t a competition of family backgrounds.” Chen Xin snickered.

Mr. Long smiled and said, “As far as I know, Qin Yu is quite strong.”

When he heard this, even Qin Yu couldn’t help but turn around and look over.

Mr. Long said nonchalantly, “To tell you the truth, Qin Yu and I also have quite a good relationship.”

“Wow, Mr. Long, you’re too awesome! You actually know Qin Yu!” Sun Ying’s mouth was agape, and her big eyes were full of admiration.

Mr. Long nodded slightly and said, “That’s right. We’ve eaten and drank together.”

“As expected of Mr. Long! You know so many important people!” Chen Xin gave him a thumbs up.

Mr. Long said with a smile, “It’s nothing. It’s just because of the business dealings of my family. It’s not worth mentioning.”

As he listened to Mr. Long bragging, Qin Yu couldn’t bear it anymore.

He walked up to Mr. Long and said with a nonchalant smile, “You said you know Qin Yu?”

Mr. Long glanced at Qin Yu and said nonchalantly, “Of course, and he’s tight with me.”

Qin Yu sneered and said, “Then why don’t I know you?”

Chapter 115: Just a Nobody

Hearing Qin Yu’s words, Mr. Long couldn’t help but frown.

“Who are you?” Mr. Long said with a cold expression.

“I’m Qin Yu. Don’t you know me?” Qin Yu snorted coldly.

“Enough, Qin Yu. Stop fooling around. The Qin Yu that Mr. Long is talking about isn’t you, Qin Yu!” Sun Ying rolled her eyes.

Mr. Long turned to Sun Ying and said, “Sun Ying, who is this person?”

Sun Ying said somewhat reluctantly, “My cousin’s husband is also called Qin Yu. He’s just a good-for-nothing son-in-law.”

When Mr. Long heard this, he couldn’t help but burst into laughter.

“Kid, I really don’t know you!” Mr. Long said with some amusement.

“I don’t know a loser like you.” At the end, Mr. Long added another sentence.

Qin Yu couldn’t help but sneer. “At least I’m better than someone like you, who only knows how to brag.”

“I’m bragging? Kid, do you want to get beaten?!” Mr. Long instantly flew into a rage and walked in front of Qin Yu!

Yao Qing immediately took a step forward and looked at Mr. Long coldly.

“If you want to fight, I’ll accompany you,” Yao Qing said coldly.

Mr. Long sized up Yao Qing and couldn’t help but sneer. “Why is a cripple acting all high and mighty? I don’t bully disabled people.”

“Mr. Long, forget it. He’s my brother-in-law after all. Stop fooling around.” Sun Ying saw the situation and hurriedly stopped him.

Mr. Long glanced at Sun Ying and said with a cold expression, “After he dared to talk to me like that, how can I just let it go?”

Sun Ying’s expression was a bit ugly. She quickly walked over and pulled Qin Yu while saying, “Qin Yu, Mr. Long is from a powerful family. Quickly apologize to him!”

“Apologize to him? Is he worthy of it?” Qin Yu couldn’t help but sneer.

“Qin Yu!” Sun Ying’s expression instantly turned ashen!

Mr. Long’s expression was dark as he said, “Kid, you’re really arrogant to the extreme! I have to teach you a lesson today!”

After saying that, Mr. Long clenched his fists and walked towards Qin Yu.

At this time, Sun Ying held Mr. Long back firmly.

She said with some pleading, “Mr. Long, just let it go for my sake, okay?”

Mr. Long looked at Sun Ying’s figure, and a crafty look flashed across his face.

“Okay, I won’t lower myself to his level for your sake,” Mr. Long said indifferently.

Sun Ying quickly said, “Thank you, Mr. Long!”

Mr. Long snorted and didn’t say anything else.

Then, Sun Ying quickly walked to Qin Yu and said with some anger, “Qin Yu, this isn’t Jiangcheng. It’s South City! You’d better not cause trouble, or else I won’t be able to explain to my sister!”

“Your sister and I have nothing to do with each other. You don’t need to account to anyone,” Qin Yu said indifferently.

Sun Ying didn’t know that Qin Yu and Su Yan had divorced. She thought that Qin Yu was just saying so in anger again, so she waved her hand and said, “Forget it. I can’t be bothered to care about your business. Just don’t cause trouble for me.”

After saying that, Sun Ying turned her head and walked to the side.

After she left, Yao Qing couldn’t help but say, “Mr. Qin, why don’t you let me teach Jiang Long a lesson?”

Qin Yu smiled and said, “There’s no need to lower yourself to his level.”

Yao Qing could only nod his head.

Qin Yu looked at the Water Dragon Cave.

He tried to release his internal qi to feel the hot air coming out of the Water Dragon Cave.

As expected, a faint spiritual energy surged into Qin Yu’s body.

Although it was very thin, it was enough to prove that there was definitely something in the Water Dragon Cave.

“Just from the heat alone, I can feel the spiritual energy in it. I wonder what is in the water,” Qin Yu thought to himself.

When the competition was over, he must go in and take a look.

As time went by, more and more tourists came to this area.

Although the Water Dragon Cave was sealed off, there were still many people watching outside the quarantine line.

Soon, it was past seven o'clock in the evening.

The sky gradually darkened, and lights were lit up near the Water Dragon Cave.

At this moment, commotion suddenly came from the crowd a short distance away.

“Young Master Liu is here!” Someone shouted.

When everyone heard this, they immediately looked in the direction of the sound!

Sun Ying and the others beside them also looked in that direction.

“Mr. Long, Young Master Liu is here!” Chen Xin reminded from the side.

Mr. Long said indifferently, “I know. I'll greet him later and bring you in.”

“Thank you, Mr. Long!” Sun Ying and Chen Xin shouted.

“However, he can't go in.” At this time, Mr. Long pointed at Qin Yu.

Qin Yu glanced at him and sneered. “I don't need you to bring me in.”

“That’s good.” Mr. Long snorted.

As he spoke, Young Master Liu was already walking toward the direction of the Water Dragon Cave while surrounded by the crowd.

He was getting closer and closer to Qin Yu and the others. Mr. Long took this opportunity and walked forward quickly.

“Young Master Liu!” Mr. Long walked quickly to Young Master Liu and bowed.

Liu Shihui looked at Jiang Long and frowned. “You are?”

“I’m Jiang Song’s son, Jiang Long. We ate together!” Jiang Long said quickly.

Liu Shihui frowned and thought for a moment. Then he nodded and said, “I remember. There seemed to be such a person.”

Hearing this, Jiang Long suddenly looked at Sun Ying and the others with pride, as if he was showing off.

Then, Jiang Long continued, “Young Master Liu, the Water Dragon Cave is already isolated. It’s too far away. My friends can’t see it. Can you let us go in to watch for my sake?”

Liu Shihui frowned slightly and immediately looked at Jiang Long coldly.

“For your sake?” Liu Shihui narrowed his eyes and said.

As soon as he finished speaking, Liu Shihui suddenly raised his hand and slapped Jiang Long’s face!

“Who do you think you are? How dare you ask for a favor from me? In my eyes, your father is just a nobody. Who do you think you are?” Liu Shihui berated coldly.

Jiang Long covered his face and stood there looking extremely embarrassed.

“Get lost!” Liu Shihui’s henchman shouted.

Jiang Long looked at Liu Shihui awkwardly and ran back dejectedly.

Sun Ying and the others were even more dumbfounded. There was a hint of disdain in their eyes.

“My father and the Liu family might have had a conflict,” Jiang Long braced himself and explained.

“It’s not a conflict, is it? I heard him clearly. He said that your father is a nobody,” Qin Yu said indifferently from the side.

When he heard this, Jiang Long’s face flushed again.

He was a little embarrassed and angry as he scolded, “So what? He’s still much more superior than a loser like you!”

Qin Yu snorted lightly and couldn’t be bothered with him.

At this moment, Liu Shihui walked towards Qin Yu.

“Young Master Liu is coming!” Chen Xin hurriedly shouted.

Jiang Long was stunned, and then he immediately felt lucky.

Could it be that Young Master Liu had changed his mind?

“See, Young Master Liu must be here to invite us in!” Jiang Long patted his chest and said..

Chapter 116: You Want to Kill Me?

Liu Shihui got closer and closer to the crowd and soon arrived beside Jiang Long.

Jiang Long eagerly walked forward. Just as he was about to greet him, Liu Shihui directly walked past Jiang Long and arrived in front of Qin Yu.

“Qin Yu, you really dared to come,” Liu Shihui said coldly.

Qin Yu smiled nonchalantly and said, “I’m still waiting for you to apologize to my friend.”

“Hahahaha!” Liu Shihui couldn’t help but burst into laughter.

“I admire your courage to face death with resignation,” Liu Shihui said with a sneer.

“I don’t want to argue with you,” Qin Yu said coldly.

Liu Shihui nodded. He leaned towards Qin Yu’s ear and whispered, “You should feel honored to have such a big fuss made over a nobody like you.”

After saying that, Liu Shihui patted Qin Yu’s shoulder and strode into the Water Dragon Cave.

At this moment, Sun Ying, Jiang Long, and the others were all dumbfounded.

This Qin Yu was really the Qin Yu who was competing with Liu Shihui ?

“How is this possible...” Sun Ying swallowed hard, and her eyes were filled with disbelief.

Wasn't Qin Yu a good-for-nothing who only knew how to do laundry and cook? How did he become someone who challenged Liu Shihui in the blink of an eye?

Jiang Long, who was a short distance away, was even more embarrassed. He wished he could find a hole to hide in.

“Sun Ying, your brother-in-law is quite amazing!” Chen Xin's eyes couldn't help but light up as she said with some excitement.

Sun Ying was still in shock and didn't come back to her senses for a while.

“Oh right, Liu Shihui, those are my friends. Let them come in together,” Qin Yu, who had walked to the entrance of the Water Dragon Cave, suddenly shouted.

Liu Shihui turned around and glanced at him. He waved his hand and said, “Do whatever you want. As long as you're not afraid of embarrassing yourself in front of your friends.”

Qin Yu turned his head to look at Sun Ying and said, “Come in.”

Chen Xin shouted excitedly, “Sun Ying, did you hear that? Your brother-in-law wants us to go in!”

After saying that, Chen Xin pulled Sun Ying and walked into the Water Dragon Cave.

“Oh right, except you.” Qin Yu pointed at Jiang Long and said.

Jiang Long's expression changed, and he couldn't help but curse inside, "Arrogant *sshole, I looked forward to seeing Young Master Liu kill you!"

Everyone strode into the Water Dragon Cave, and the separation line was pulled up again.

At this time, there was still nearly an hour before the official martial arts competition, so Qin Yu and Liu Shihui weren't in a hurry.

"Qin Yu, you... When did you become someone with a powerful background in Jingdu?" Sun Ying couldn't help but ask.

Qin Yu glanced at her and said, "That was just Jiang Long bragging."

"Big shots always keep a low profile!" But at this moment, Sun Ying and Chen Xin already believed that Qin Yu had a powerful background. No matter what Qin Yu said, they wouldn't believe it.

Qin Yu didn't bother to explain to them. Instead, he walked to the Water Dragon Cave hot spring and squatted down.

He reached out his hand to scoop a small handful of water from the hot spring and drank it. Then, he exclaimed, "It's just as I guessed!"

The hot spring was filled with spiritual energy. Although it wasn't rich enough, it was enough to prove Qin Yu's idea!

"This is probably the reason why the Water Dragon Cave is famous." Qin Yu stood up while feeling a little excited.

There were more and more people at the scene. Yao Qing kept looking around.

Most of the famous people in South City were invited in. Other than that, some big shots in the martial arts world of Chuzhou were also invited.

“I didn’t expect him to come.” At this moment, Yao Qing looked at a young man at the door and said.

Qin Yu looked over and asked casually, “Who is he?”

Yao Qing quickly replied, “Wei Ming, from the provincial capital. He is known as one of the top three young men in the martial arts world of the provincial capital. He was good friends with Shen Tian.”

Qin Yu sized up Wei Ming, rubbed his chin and muttered, “Top three? How does he compare to Liu Shihui?”

“This... I don’t know either, but I think Wei Ming should be better,” Yao Qing said.

Qin Yu nodded and didn’t say anything more.

Other than these people, there were also people from all walks of life in South City.

Among them were the gangsters in the underground world of South City, big shots in the business world, big shots in the literary and art world, and so on.

Most of these people stood beside Liu Shihui and chatted enthusiastically with him.

“Young Master Liu, I’ll leave this kid to you.” Wei Ming sat beside Liu Shihui and said with a smile.

Liu Shihui said with a smile, “Wei Ming, treat it as revenge for you, haha!”

“Then thank you very much, Young Master Liu.” Wei Ming said with a nonchalant smile.

After saying that, Wei Ming looked coldly at Qin Yu.

Qin Yu, who was standing a short distance away, quickly felt a murderous aura approaching him!

Qin Yu frowned slightly and immediately looked at Wei Ming.

“Mr. Qin, Wei Ming is very hostile towards you. You’d better be careful.”

Yao Qing also perceived this murderous aura.

Qin Yu ignored Yao Qing’s words and looked coldly at Wei Ming.

In the next second, Qin Yu actually took the initiative to walk towards Wei Ming!

“Mr. Qin!” Seeing this, Yao Qing hurriedly followed.

Very soon, Qin Yu came to Wei Ming’s side directly.

Qin Yu’s arrival immediately attracted countless gazes.

All the celebrities present couldn’t help but look over.

“He’s Qin Yu? He looks ordinary.”

“I heard that he’s a gigolo taken care of by the heiress of the Yan family.”

“No wonder. With the Yan family around, he does have the right to be arrogant.”

Wei Ming sized up Qin Yu from head to toe. Then, he suddenly looked at Yao Qing.

“Aren’t you the lackey by Shen Tian’s side? What? You betrayed him just like that?” Wei Ming said with some amusement.

Yao Qing gritted his teeth and said, "Mr. Wei, you misunderstood. I..."

"There's no need to explain," Wei Ming interrupted Yao Qing.

"No one cares where a lap dog goes anyway," Wei Ming said indifferently.

Yao Qing's expression changed, and he couldn't help but clench his fists.

He had been in the Shen family for many years and had never been treated as a human. This was the truth.

"You and Shen Tian are friends?" At this moment, Qin Yu spoke.

Wei Ming looked at Qin Yu coldly and said, "Since you know, you still dared to come and find me?"

Qin Yu narrowed his eyes and said, "You want to kill me?"

Wei Ming was stunned. He never thought that Qin Yu would ask such a question!

"Do you want to kill me?" Qin Yu repeated.

Wei Ming snorted coldly and said, "That's right. It's because of you that Shen Tian died!"

"Oh." Qin Yu nodded.

Then, Qin Yu pointed to Liu Shihui and said indifferently, "In that case, the two of you can attack together."

When he said this, everyone was shocked!

Qin Yu was a bit too arrogant!

One had to know that these two were both top-notch in the martial arts world of Chuzhou! No one dared to say such a thing!

Liu Shihui even laughed out loud.

“Qin Yu, I can sense that your strength has increased, but you are only at the ninth stage of Inner Strength.” Liu Shihui sneered.

“You’re merely at the ninth stage of Inner Strength, but you dare to be so arrogant? I will kill you as easily as squashing an ant!” Wei Ming said coldly..

Chapter 117: Raise the Stakes

The two of them sneered and didn’t take Qin Yu seriously at all.

Qin Yu nodded and said, “I gave you a chance. If you want to take revenge for Shen Tian, I’ll wait for you at any time.”

After saying that, Qin Yu turned around and left.

“Stop!” At this time, Wei Ming shouted out loud.

He looked at Qin Yu coldly and said, “You came to provoke me and then want to leave just like that?”

Qin Yu smiled and said, “Then what else do you want?”

Wei Ming snorted coldly and said, “Stop masquerading as a hero when you’re just hiding behind a woman. I want to know how capable you are!”

As soon as he said that, Qin Yu felt a strong sense of internal qi pressing toward him!

In an instant, Qin Yu felt as if two mountains were pressing down on his shoulders!

Wei Ming looked at Qin Yu and sneered. The internal qi of his body became stronger and stronger. He wanted to show Qin Yu his might.

Qin Yu, who was standing in front of him, frowned slightly.

At this moment, his body suddenly shook slightly, and a terrifying force immediately rushed towards Wei Ming!

“Bang!”

Wei Ming immediately took a few steps back and almost fell to the ground!

This shocked Wei Ming immensely. All of his internal qi was easily dissolved by Qin Yu!

“What’s wrong?” Liu Shihui frowned and asked.

Wei Ming’s expression became a bit solemn, but he didn’t say anything for a long time.

“If you want to find trouble, I’ll wait for you,” Qin Yu looked at Wei Ming and said coldly.

After saying this, Qin Yu turned around and left.

Yao Qing, who was watching from the side, was terrified.

He followed behind Qin Yu with his forehead dripping with cold sweat.

After walking a distance away, Yao Qing wiped his sweat and said, “Mr. Qin, Liu Shihui alone is hard enough to deal with. Why do you still want to provoke Wei Ming...”

Qin Yu stopped in his tracks.

He turned around and looked at Yao Qing. He shook his head and said, “I don’t know why, but when I face these two people, I feel that they’re no threat.”

This feeling was very strange. As Inner Strength Master Hands, they were supposed to be stronger than Qin Yu.

But when Qin Yu stood in front of these two people, he felt that he could easily crush them to death.

A short distance away, Wei Ming’s expression was extremely unsightly.

He suddenly had a bad premonition inside.

“Wei Ming, what’s wrong?” Liu Shihui asked in puzzlement.

Wei Ming took a deep breath. He stared at Liu Shihui and said with a grave expression, “Young Master Liu, you have to be careful later. I’m afraid Qin Yu isn’t as simple as he seems.”

Liu Shihui was stunned for a moment before he laughed out loud.

“Wei Ming, don’t joke around. He’s only at the ninth stage of Inner Strength. He’s nothing compared to you and me! I can easily kill him!” Liu Shihui didn’t take Wei Ming’s words to heart at all.

Wei Ming wanted to say something else, but he was interrupted by Liu Shihui with a wave of his hand.

“Wei Ming, just wait and see how I will avenge you.” Liu Shihui sneered.

Wei Ming didn’t say anything more.

“Maybe it’s just an illusion,” Wei Ming comforted himself inside.

Time flew by quickly. Liu Shihui didn’t treat Qin Yu as an opponent at all, so he just sat there eating, drinking, and having fun.

Qin Yu also didn’t take Liu Shihui seriously. All his thoughts were on the Water Dragon Cave.

In this short period of time, Qin Yu circled the Water Dragon Cave several times.

“The martial arts competition is about to start. Why do you keep circling around?” Sun Ying couldn’t help but grumble.

Qin Yu didn’t pay attention to her. His eyes were still staring at the Water Dragon Cave.

“Whose property is this Water Dragon Cave?” Qin Yu frowned and asked.

Sun Ying froze, then muttered, “How would I know? Besides, are you still in the mood to ask these questions in this life and death situation? Hurry up and think of a countermeasure.”

“It seems to be the Liu family’s.” At this time, Chen Xin suddenly muttered.

“The Liu family’s?” Qin Yu looked at Chen Xin and continued, “Are you sure?”

Chen Xin held her chin and pondered for a moment. Then, she clapped her hands and said, “Yes, it’s the Liu family’s property! I’ve seen it on the news before!”

Hearing this, Qin Yu narrowed his eyes slightly.

He looked at the Water Dragon Cave and said in a low voice, “We have to think of a way to get the Water Dragon Cave from him.”

“Okay, time’s up!”

At this moment, Liu Shihui suddenly shouted from a short distance away!

With his shout, the scene also quieted down.

Almost everyone’s eyes were on Liu Shihui.

“Qin Yu, you’re dead meat.” Liu Shihui grinned and said.

Qin Yu didn’t say anything and walked directly in Liu Shihui’s direction.

“Mr. Qin, be careful!” Yao Qing shouted with a worried look on his face.

The two of them soon arrived at the center of the Water Dragon Cave. In an instant, a strong light shone on the two of them.

Liu Shihui looked down on them and said coldly, “Kid, it’s not too late for you to backtrack now.”

Qin Yu grinned and said, “It’s too late for you to regret.”

Liu Shihui narrowed his eyes and sneered. “You’re the most arrogant person I’ve ever seen!”

“Young Master Liu, let’s end this quickly. I’ve even prepared a celebration banquet for you!” Someone shouted from the stands.

Liu Shihui looked in that direction and then sneered. “Qin Yu, you heard that, right? In order not to waste time, I’ve decided to end this quickly!”

After saying that, the internal qi on Liu Shihui's body suddenly soared! In an instant, it was raised to the limit!

A terrifying qi force was pressing towards Qin Yu!

“This is the strength of an Inner Strength Master Hands!” Liu Shihui looked at Qin Yu with a smug expression, as if he wanted to see fear and terror on Qin Yu's face.

However, Qin Yu's expression was calm. Not only did he have no reaction, but he even wanted to laugh.

“It seems like what I predicted.” Qin Yu took a deep breath.

“Inner strength and spiritual power... They are indeed not on the same level. The so-called Inner Strength Master Hands are pitifully weak.” Qin Yu muttered in a low voice.

“I'll let you make the first move.” Liu Shihui beckoned Qin Yu with his finger.

“Wait.” At this moment, Qin Yu suddenly said.

Liu shihui sneered. “What, are you afraid?”

Qin Yu shook his head and said, “No, I want to raise the stakes.”

“Oh really?” Liu Shihui seemed to be quite interested.

Qin Yu said, “If you win, I will return you a stalk of Chinese knotweed and give you a stalk of herbs with similar herbal properties.”

“Oh really? Are you serious?” Liu Shihui's eyes immediately lit up.

In his opinion, Qin Yu's backer was the Yan family! He definitely didn't lack herbs!

If he could get one more, it would undoubtedly be a blessing for Liu Shihui!

“If I win, you will kneel down and apologize to Yao Qing, and give me a hundred-year-old herb king. Besides that, I also want something else,” Qin Yu said in a sullen voice.

Liu Shihui raised his eyebrows and said, “Say it. I won’t lose anyway.”

Qin Yu pointed at the Water Dragon Cave and said, “Give this place to me.”

Liu Shihui frowned. The Water Dragon Cave provided a lot of income for the Liu family every year. He was really unwilling to give it away just like that.

However, Liu Shihui thought about it again and couldn’t help but laugh.

“Okay.” Liu Shihui nodded. In his opinion, he wouldn’t lose at all. Qin Yu was just giving him free herbs..

Chapter 118: The Tyrannical Liu Shihui

Hearing Liu Shihui agree, Qin Yu smirked.

“Young Master Liu, you won’t go back on your words in front of so many people, right?” Qin Yu said with a smile.

Liu Shihui sneered and said, “I, Liu Shihui, am a man of my word! But you... you don’t actually think you can win, do you?”

Qin Yu didn’t say anything more. He stood there and beckoned Liu Shihui.

Liu Shihui's expression turned cold as he said coldly, "I'll teach you a good lesson right now, you insolent b*stard!"

With that said, Liu Shihui clenched his fist and instantly appeared in front of Qin Yu!

"How fast!" The surrounding people couldn't help but exclaim!

"As expected of Young Master Liu. I didn't even see this punch clearly!"

"He's too fast. He's really too fast!"

Sun Ying, Yao Qing, and the others' expressions also changed. This was because the strength that Liu Shihui displayed was beyond their understanding!

Everyone was shocked, but only Qin Yu's expression was calm.

He didn't dodge. He clenched his fist and faced it head-on!

"You dare to exchange punches with me? You're courting death!" An unhinged look flashed in Liu Shihui's eyes!

He roared again and again, and their two fists collided with each other!

In an instant, a huge force rippled between the two fists!

With a loud bang, Liu Shihui actually took three steps back!

On the other hand, Qin Yu stood where he was without moving at all!

"Just as I guessed." Qin Yu thought inside.

The so-called Inner Strength Master Hand wasn't worth mentioning at all!

“How is that possible?!” Liu Shihui’s expression was a bit ugly. Although he didn’t use his full strength in this punch, it was impossible for it to be repelled by someone at his level!

The venue was even more silent. No one dared to believe this scene.

“Young Master Liu is actually... at a disadvantage?”

“That guy called Qin Yu... is quite capable.”

The crowd discussed animatedly. This undoubtedly made Liu Shihui furious!

“Looks like I underestimated you.” Liu Shihui looked at Qin Yu coldly and said.

Qin Yu didn’t say anything. He only looked at Liu Shihui with amusement.

Liu Shihui shouted angrily, “It’s a pity that I only used 50% of my strength just now! And now... I want to kill you quickly!”

After saying that, Liu Shihui charged towards Qin Yu once again.

His speed was practically unrivaled. His punches were unbelievably quick and powerful!

Meanwhile, Qin Yu had his hands behind his back. His agile figure easily dodged every punch from Liu Shihui!

After more than ten punches, Liu Shihui still couldn’t touch Qin Yu!

“How is this possible?!” Liu Shihui couldn’t help but feel a little anxious inside.

He clearly saw with his own eyes that Qin Yu was easily beaten up by the old servant. How could he improve so much in just three days?!

“That’s all you’ve got?” Qin Yu sneered.

Liu Shihui panted heavily. He gritted his teeth and said, “You only know how to hide! All you do is hide behind a woman, and now you want to continue hiding, right?!”

Qin Yu raised his eyebrows and sneered. “If I fight back, I’m afraid you will never have the chance to attack again.”

“You’re too arrogant!” Liu Shihui roared again and again! He had never suffered such humiliation!

With a roar, he immediately launched a second round of attacks!

Under the support of his Inner Strength, his physical strength was practically boundless. Even after dozens of punches, he still didn’t feel tired!

Qin Yu stepped back while sizing up the Inner Strength displayed by Liu Shihui.

Unlike ordinary punches, Liu Shihui’s entire body was enveloped by the Inner Strength.

This not only reduced the consumption of his physical strength, but also ensured that his body wouldn’t be easily injured.

“So this is how Inner Strength is used.” Qin Yu seemed to have understood something.

He roared angrily and instantly released the spiritual power in his body!

The surging spiritual power quickly wrapped around Qin Yu, and in an instant, Qin Yu felt his body become even lighter!

“So this is how you use it.” Qin Yu couldn’t help but feel a little pleasantly surprised.

“You’re courting death!” Liu Shihui, who wasn’t far away, roared loudly and fiercely threw a punch towards Qin Yu’s face!

This time, Qin Yu didn’t dodge, and allowed his fist to punch him!

“Bang!” A loud sound was heard! The fist smashed onto Qin Yu’s face!

“Mr. Qin!” Yao Qing couldn’t help but roar!

He stared at Qin Yu with worry.

Liu Shihui, on the other hand, laughed out loud.

“Qin Yu, do you see this? This is the power of an Inner Strength Master Hand!” Liu Shihui said proudly.

“Inner Strength Master Hand... is this all you have? I’m a little disappointed.” At this moment, Qin Yu’s voice came from behind.

Liu Shihui’s expression changed. He hurriedly turned around and saw Qin Yu standing unharmed on the spot! A calm smile was on his face!

“How... how is this possible?!”

This time, Liu Shihui wasn’t the only one who was shocked! Wei Ming and the others on the spectator stand were also dumbfounded!

Liu Shihui’s fist... couldn’t hurt Qin Yu?

Qin Yu wiped the dust off his face and sneered. “It’s my turn now.”

As soon as he finished speaking, Qin Yu arrived in front of Liu Shihui!

Before Liu Shihui could even react, his lower abdomen was punched by Qin Yu's fist!

The intense pain made him instantly cower into fetal position, and a mouthful of fresh blood suddenly spurting out of his mouth!

Qin Yu didn't stop there. He hit Liu Shihui's back with his elbow!

“Ah! !”

It was extremely painful!

Liu Shihui only felt extreme pain! The Inner Strength wrapped around him seemed to have been directly smashed through! His body fell to the ground with a bang!

Everyone couldn't help but gape at this scene.

He... was completely on a different level! Liu Shihui was basically being beaten up!

Qin Yu looked at Liu Shihui coldly and said, “Liu Shihui, it's over. It's time for you to fulfill your promise.”

After saying this, Qin Yu turned around and looked at Yao Qing, who wasn't far away.

“I haven't lost yet!” Liu Shihui shouted and actually stood up from the ground again!

He opened his palm, and a faint light actually appeared in his palm.

This light was like a dagger, and traces of a dangerous internal qi spread out instantly!

“What’s going on? Why is Young Master Liu’s hand flashing?”

“Is it a special effect? D*mn, this is the first time I’ve seen a special effect on the spot!”

“He looks so cool! Young Master Liu, you can do it!”

The crowd clamored. They didn’t understand the situation, and thought that Liu Shihui had used some special effect.

Yet the many martial arts experts on the guest stand were all shocked!

“Young Master Liu is really a genius. He can actually release Inner Strength.” Someone exclaimed.

“Yeah, even I didn’t realize that Young Master Liu had mastered it so skillfully at such a young age.”

“I’m afraid Qin Yu is going to be in trouble. However, it’s already very impressive for him to hold his own against Young Master Liu.”

The crowd discussed animatedly. They were all shocked by Liu Shihui’s skills.

Wei Ming was silent. It was very difficult for an Inner Strength Master Hand to release his Inner Strength. It was indeed shocking that Liu Shihui was able to do it.

“Liu Shihui has actually reached such a level...” The worry on Yao Qing’s face became even more intense..

Chapter 119: The Distraught Liu Shihui!

Everyone looked at Liu Shihui with astonished expressions, while Liu Shihui’s face was full of madness!

“I really didn’t expect that you could actually force me to this extent!” Liu Shihui clenched his teeth and said.

“I don’t care what you have experienced in the past three days, but with this move, you will definitely die!” Liu Shihui raised his head and laughed loudly.

Qin Yu looked at the knife in Liu Shihui’s hand and was a little surprised.

He asked in surprise, “What is this thing?”

Liu Shihui sneered. “This is called Inner Strength release! I condensed my Inner Strength into the palm of my hand and turned it into the shape of a knife to use as my weapon!”

“It’s very rare to be able to do this at the level of an Inner Strength Master Hands! This is condensed from pure Inner Strength, and its power is beyond your imagination!”

Hearing Liu Shihui’s words, Qin Yu couldn’t help but come to a realization.

“Condensing Inner Strength in the palm of your hand? So that’s a thing...” Qin Yu murmured in a low voice.

Liu Shihui sneered. “I know it’s hard for you to understand, but it’s okay. For a nobody like you, this is indeed beyond your imagination. After all...”

Before Liu Shihui could finish his words, his expression suddenly changed!

It was because in Qin Yu’s hand, a jade-green broadsword actually condensed!

This broadsword flickered with light, and was several times bigger than the knife in Liu Shihui's hand!

"Is that so?" Qin Yu shook the broadsword in his hand and muttered.

"This... how the f * ck is this possible?!" Liu Shihui was filled with frustration!

He had been learning this move for several years before he successfully comprehended it. He didn't expect Qin Yu to condense a broadsword that was far better than him in the blink of an eye!

What kind of freak was Qin Yu?!

The mouths of the audience on the spectator stand were agape! They couldn't believe that such a freak had been in Jiangcheng all this time!

"This is quite simple," Qin Yu muttered.

"But speaking of which, I really have to thank you, Liu Shihui. If you didn't remind me, I really wouldn't know that spiritual power could be used in this way." Qin Yu looked at Liu Shihui and sneered.

"Mr. Qin... is indeed a genius..." Below the stage, Yao Qing couldn't help but swallow hard.

Wei Ming also had a solemn expression. He shook his head and said in a low voice, "As someone highly regarded by the Yan family, he indeed isn't that simple."

Liu Shihui said angrily, "Impossible, this is absolutely fake, absolutely fake!"

Qin Yu sneered and said, "Whether it's real or fake, you'll know after you try it."

After saying that, Qin Yu walked towards Liu Shihui step by step.

Liu Shihui was filled with mixed feelings.

Anger, unwillingness, and doubt interweaved with each other and he was on the verge of a mental breakdown.

“Impossible, Qin Yu, this is fake!” Liu Shihui seemed to have gone mad as he rushed towards Qin Yu!

He waved the small knife in his hand and fiercely stabbed it towards Qin Yu!

However, in front of Qin Yu’s big spiritual knife, this knife was pitifully small.

Qin Yu only waved his hand lightly, and Liu Shihui’s body was sent flying before fiercely slamming into the wall!

“Phew!”

A mouthful of blood was spat out from his mouth, and the Inner Strength knife in his hand also disappeared!

“How can there be such a person in the world...” Liu Shihui’s eyes were widened. He really wanted to stand up, but he couldn’t!

“Young Master Liu... actually lost...” The astonished onlookers murmured in a low voice of disbelief!

“Sun Ying, your brother-in-law is so powerful, yet you say he’s a gigolo. You’re lying!” Chen Xin also shook Sun Ying’s arm excitedly.

Sun Ying didn’t know what to say. The Qin Yu today wasn’t the same person as the Qin Yu in her memory!

Qin Yu walked towards Liu Shihui step by step.

He looked at the struggling Liu Shihui, and there was no pity in his heart at all.

Those who bullied others would eventually get payback.

Moreover, currently, Qin Yu was no longer the wishy-washy and indecisive Qin Yu.

“Liu Shihui, you lost,” Qin Yu said coldly.

Liu Shihui gritted his teeth and said angrily, “Qin Yu, you deserve to die...”

Qin Yu said coldly, “According to the agreement, you should kneel down and apologize to my friend.”

After saying that, Qin Yu looked in the direction of Yao Qing and shouted, “Yao Qing!”

Yao Qing walked in front of Qin Yu with some embarrassment and said in a low voice, “Mr. Qin, why don’t we forget about it...”

“Forget about it?” Anger flashed across Qin Yu’s face.

“What? Are you afraid of people with a higher status than you? If that’s the case, don’t stay by my side. I don’t need people who bully the weak and fear the strong!” Qin Yu shouted!

Yao Qing’s expression immediately turned ugly.

He gritted his teeth and bowed. “Mr. Qin, I was wrong.”

Liu Shihui struggled to get up from the ground. He grinned and said, "He's just a lap dog. How dare he ask me to apologize... ask him if he deserves it!"

"Slap!"

Just as Liu Shihui finished speaking, Qin Yu directly slapped him on the face.

"Kneel down," Qin Yu said coldly.

Liu Shihui couldn't help but be stunned, and then he said angrily, "You dared to slap my face? Qin Yu, are you f * cking crazy!"

"Slap!"

Qin Yu didn't say anything and slapped his face again.

"Kneel down for me!" Qin Yu shouted angrily.

"F * ck you!" Liu Shihui shouted angrily!

Qin Yu didn't say anything and slapped his face again!

"If you don't kneel, I will beat you until you kneel today!" Qin Yu said coldly.

One slap, two slaps, three slaps...

A series of "slap" sounds came from the scene, and Liu Shihui's face was swollen!

When everyone saw this scene, they felt that it was somewhat surreal.

Liu Shihui, who had always been high and mighty... was actually slapped in front of everyone?

“Brat, let go of Young Master Liu quickly!” At this moment, Liu Shihui’s henchman suddenly shouted angrily. He leaped up from the spectator stand and charged directly at Qin Yu!

Qin Yu didn’t even look at him and slapped him casually.

Before the henchman even landed, he was sent flying out again.

“Liu Shihui, no one can save you today.” Qin Yu continued to slap Liu Shihui’s face.

Finally, Liu Shihui couldn’t take it anymore.

If he continued to get slapped, he might really die here today!

“I’ll kneel! I’ll kneel!” Liu Shihui shouted in pain.

Qin Yu sneered and walked to the side to wait for Liu Shihui to kneel.

Under everyone’s eyes, Liu Shihui knelt in front of Yao Qing with a plop!

This was definitely a historic scene! The news of Liu Shihui kneeling down would probably spread throughout the entire South City and even the entire Chuzhou!

And this young man called Qin Yu would probably be infamous in an instant!

Looking at Liu Shihui kneeling on the ground, Qin Yu nodded his head.

“Liu Shihui, according to the agreement, you must give me a hundred-year-old herb king as well as this Water Dragon Cave,” Qin Yu reminded.

Liu Shihui grinned and laughed maniacally. “The herb king is at my house. Do you dare to take it?”

Qin Yu sneered.. “Why wouldn’t I dare to take what belongs to me?”

Chapter 120: Infamous

“Good, good!” Liu Shihui nodded frantically.

“Tomorrow at eight in the morning, I’ll wait for you at home. If you don’t come, you’re a coward!” Liu Shihui sneered.

Qin Yu nodded and said, “Okay, I’ll see you tomorrow.”

After saying that, he turned around and left.

This time, all the spotlight shone on Qin Yu’s body.

And this time, the light was on Qin Yu himself, not on Yan Ruoxue.

After taking a few steps forward, Qin Yu suddenly stopped. He raised his head and looked in Wei Ming’s direction.

Wei Ming’s expression suddenly changed, and his heart thumped!

But Qin Yu didn’t say anything and walked out with Yao Qing, Sun Ying, and the others.

Wei Ming looked at Qin Yu’s back and couldn’t help but mutter in a low voice, “I... I was actually scared just now... ?”

...

As they walked out of the Water Dragon Cave, everyone made way for Qin Yu.

On this day, Qin Yu was destined to be the center of attention.

“Mr. Qin, you can’t go tomorrow. You’ve embarrassed the Liu family. The Liu family definitely won’t let you off the hook!” Yao Qing said anxiously.

Qin Yu sneered. “Do you think I’m afraid of them?”

Yao Qing said with a trembling voice, “Mr. Qin, I know that your current strength has already exceeded my imagination, but the Liu family isn’t that simple to deal with. They...”

“Guess how much strength I used just now?” Qin Yu interrupted Yao Qing.

Yao Qing was stunned and hurriedly asked, “Mr. Qin, you didn’t use your full strength just now?”

Qin Yu snorted lightly. “I only used 30% of my strength.”

This time, Yao Qing was so shocked that he couldn’t speak.

He couldn’t figure out how a ninth stage Inner Strength Master could beat an Inner Strength Master Hands with 30% of his strength?

“Brother-in-law, you’re too cool. You’re my idol!” On the way, Sun Ying kept chattering.

Qin Yu didn’t say anything. He didn’t want to pay any attention to Sun Ying.

“Brother-in-law, why don’t we go out to eat?” Sun Ying said with a smile.

Qin Yu touched his belly. He had to admit that he was a little hungry after exercising for so long.

“Okay.” Qin Yu nodded and agreed.

“How about we go for hotpot? It’s my treat!” Sun Ying patted her chest and said.

Qin Yu nodded and said, “Anything is fine.”

The car soon arrived at a hotpot restaurant.

Sun Ying had long settled down in South City. Her family was quite rich, so she had quite a lot of pocket money.

As soon as she entered the door, she shouted, “What do you want to eat today? It’s my treat. Order whatever you want!”

Qin Yu didn’t stand on ceremony. During this period of time, his appetite was unusually large, so he ordered a table full of meat.

“Speaking of which, brother-in-law, you’re so outstanding now. My sister must be very happy, right?” Sun Ying said with a smile.

Qin Yu glanced at her and said, “Your sister and I have already divorced.”

“Divorced?” Sun Ying was stunned. She immediately slammed the table and stood up.

“What’s going on? Why did you guys get divorced?” Sun Ying looked a little nervous.

She didn’t want to lose such an outstanding brother-in-law.

Qin Yu didn’t explain, but said, “You should go ask your sister.”

Sun Ying didn’t say anything, but Chen Xin, who was beside her, was a little excited.

Young girls liked gallant men, and Chen Xin was no exception.

Ever since she saw Qin Yu's gallantry, she couldn't help but fall for him.

After dinner, Sun Ying proposed to go out for more fun, but was turned down by Qin Yu.

He and Yao Qing found a hotel and temporarily stayed there.

"Mr. Qin, it's better to be careful tomorrow," Lying next to Qin Yu, Yao Qing reminded him again.

"Okay, go to sleep quickly. I know what to do." Qin Yu yawned and then fell asleep.

Seeing this, Yao Qing sighed and didn't say anything more.

Qin Yu slept very soundly, but at this moment, the Liu family was in chaos.

Liu Shihui's father, Liu Yi, looked grim and his eyes were filled with anger.

"You trash, you've thoroughly humiliated the Liu family!" Liu Yi said angrily.

Liu Shihui didn't say anything and didn't dare to say anything.

This time, the Liu family had indeed suffered humiliation.

"Old Master, let's think about what to do," the secretary said softly.

Liu Yi said with a cold expression, "Of course. If we let him walk out of South City like this, the Liu family won't have a place in South City anymore!"

“Moreover... the hangers-on that our family supports aren't for show!”
Liu Yi said with a gloomy expression.

The Liu family supported countless hangers-on, and among them, there was no lack of martial artists.

They spent a lot of money to support this group of people, with the purpose of them being able to help at a critical time.

“Go and call Tao Shan over for me,” Liu Yi said coldly.

The secretary hurriedly nodded and said, “Yes.”

After the secretary left, Liu Shihui couldn't help but remind Liu Yi, “Dad, Qin Yu and the Yan family have a special relationship. If anything happens to him in the Liu family, the Yan family definitely won't let us off the hook...”

Liu Yi's expression changed again. He hurriedly scolded, “Why didn't you tell us earlier?”

Liu Shihui opened his mouth but didn't dare to say anything.

“Yan family, Yan family...” Liu Yi's expression was a little ugly. For a moment, he didn't know what to do.

After thinking for a moment, Liu Yi sighed and said, “We'll act according to the circumstances tomorrow.”

Other than the Liu family, many other families in South City were secretly watching.

Qin Yu's abilities naturally made them want to recruit him, but no one was in a hurry to make a move.

It was because they were waiting to see if Qin Yu could walk out of the Liu family safely.

If he died in the Liu family, then there was no need to recruit him.

The next day, Qin Yu slept until dawn.

He slept very soundly.

“How comfortable.” Qin Yu stretched and then looked at Yao Qing, who was sleeping soundly.

After thinking for a moment, Qin Yu finally decided not to disturb Yao Qing’s sleep.

He tidied himself up and rushed to the Liu family’s home.

At this time, the Liu family’s huge villa was already filled with people.

These people were all hangers-on of the Liu family.

Liu Yi made a cup of tea and quietly waited for Qin Yu’s arrival.

“Dad, Tao Shan is here.” At this moment, Liu Shihui walked forward and whispered.

They saw a two-meter-tall extremely burly man walking in.

The moment he entered, everyone felt a little awed and intimidated.

It was because Tao Shan had an extremely powerful presence!

“Mr. Liu.” Tao Shan nodded to Liu Yi.

Liu Yi waved his hand and said, “Tao Shan, follow my instructions later.”

“Okay, Mr. Liu.” Tao Shan nodded and retreated to the side.

“Maybe Qin Yu wouldn’t dare to come at all.” Someone beside joked.

Liu Yi couldn’t help but think, that would be the best.

If Qin Yu didn’t come, the Liu family would still have some dignity left, and they wouldn’t have to risk offending the Yan family.

However, at this moment, Qin Yu had already swaggered in.

His expression was calm, and there wasn’t the slightest hint of nervousness or uneasiness..

Chapter 121: Liu Yi’ s Probing

Qin Yu’s arrival had undoubtedly ruined the tranquil atmosphere.

Liu Shihui couldn’t help but clench his fists with an aggressive look in his eyes.

Qin Yu swept his gaze over and quickly fixed it on Liu Yi.

Then, Qin Yu walked to the opposite side of Liu Yi leisurely and sat down.

Liu Yi frowned slightly, but it was fleeting.

“You’re Qin Yu?” Liu Yi asked with a smile.

Qin Yu nodded and said, “Mr. Liu, have you prepared the herbs and the contract?”

Liu Yi burst into laughter and said, “Young man, you don’t need to be in such a hurry. Have some tea first.”

After saying that, Liu Yi waved his hand and motioned for the person beside him to pour a cup of tea for Qin Yu.

“Please go ahead.” Liu Yi said with a nonchalant smile.

Qin Yu lowered his head to take a look, then picked up the teacup and emptied it in one go.

After drinking it, Qin Yu couldn't help but frown slightly.

“Pour another cup for Mr. Qin.” Liu Yi said with a nonchalant smile.

The person beside him hurriedly picked up the teacup again and poured a cup of water for Qin Yu.

Qin Yu narrowed his eyes. He put down the teacup and said, “Let's talk about business.”

“Hehe, Mr. Qin, there's no need to be anxious. The Liu Family never reneges on a debt. Moreover, you and Shihui are friends. The Liu Family is willing to befriend you.” Liu Yi waved his hand dismissively again.

Hearing this, Qin Yu sneered inside.

Qin Yu wouldn't believe an old fox like him no matter what!

Liu Yi poured a cup of water for Qin Yu again and said in a casual manner, “Mr. Qin, you came from a small town like Jiangcheng, yet you have such outstanding achievements. It's really admirable.”

Qin Yu glanced at him and said, “Mr. Liu, you're too courteous. I'm just lucky.”

Liu Yi continued with an impassive expression, “I heard that you're an orphan?”

Qin Yu frowned slightly. He was a little displeased, but he still nodded and said, “Yes.”

Liu Yi touched his chin and lamented, “Sigh, nowadays, many rich kids like to leave their families and go out into the real world to gain experience while hiding their identity. I understand.”

Hearing Liu Yi’s words, Qin Yu had a rough idea of what Liu Yi wanted to ask.

He didn’t say anything and waited for Liu Yi to continue.

Seeing that Qin Yu seemed unfazed, Liu Yi continued to ask, “Not long ago, the eldest daughter of the Yan family suddenly went to Jiangcheng to invest. This matter has caused a storm in the city.”

Qin Yu smiled and said, “That’s right. Jiangcheng is just a small place. Not to mention the Yan family, but even the Liu family isn’t willing to invest.”

“Hehe, Jiangcheng indeed doesn’t have much investment value.” Liu Yi smiled and nodded.

Qin Yu fell into silence again, which made Liu Yi a little unhappy.

He probed, “Rumor has it that you are the illegitimate child of the Yan family, and this time, the Yan family came to invest for your sake.”

Qin Yu smiled.

He picked up the teacup in his hand and took a sip of tea, then said, “Mr. Liu, I have no relationship with the Yan family, and the Yan family won’t help me in any way.”

Liu Yi’s eyes lit up, but cautious by nature, he was still a little worried.

Therefore, Liu Yi pretended to be surprised and said, “That’s not possible. Miss Yan destroyed the Shen family in a rage because of you. This matter has spread throughout the entire Chuzhou.”

“That’s because the Shen family kidnapped Miss Yan. It has nothing to do with me,” said Qin Yu.

“As for the relationship between me and Miss Yan, the Yan family doesn’t approve of it.” Qin Yu didn’t hide anything.

After hearing Qin Yu’s words, Liu Yi finally felt relieved.

Since the Yan family didn’t approve of this relationship, then Liu Yi had nothing to worry about.

The smile on his face instantly disappeared. What replaced it was derision.

“Qin Yu, you’re still too young. You don’t have a sense of measure when doing things, and you don’t know the ways of the world. You revealed the truth too easily.” Liu Yi shook his head with some regret.

“If I were you, I would deliberately obscure my relationship with the Yan family so that others wouldn’t be able to guess it. That way, no one would take the risk to deal with you.”

“It’s a pity that you’re too stupid. You were deceived by my kind appearance and revealed the truth easily.” Liu Yi sneered.

Qin Yu glanced at him and said, “Do you really think that I don’t know what trick you have up your sleeve? You seem polite on the surface, but in fact, every word you say is an attempt to probe my relationship with the Yan family.”

“That’s right.” Liu Yi nodded with a nonchalant smile.

“As long as you’re sure that the Yan family won’t help me, you won’t have any scruples anymore.” Qin Yu said with a cold smile.

“Hahaha!” Liu Yi couldn’t help but burst into laughter.

“You’re right. Unfortunately, you realized it too late.” Liu Yi shook his head with some regret.

Qin Yu sneered and said, “No, Liu Yi, I’ve long seen through your thoughts.”

“Oh? Then why did you still dare to say these things to me?” Liu Yi suddenly felt a bit worried.

He said that the Yan family wouldn’t help... but could it be a lie?

Qin Yu said indifferently, “It’s because I don’t take the Liu Family seriously at all. Even without the Yan family as support, the Liu family still isn’t worth mentioning in my eyes.”

Hearing this, Liu Yi immediately showed anger.

“You’re really stubborn. No one dares to look down on the Liu Family!” Liu Yi said coldly.

“Dad, don’t talk nonsense with him. I must kill him!” Liu Shihui stood up angrily at the side and glared at Qin Yu.

Liu Yi ignored him. He took out a box of herbs and a contract from the cabinet and placed them in front of Qin Yu.

“Everything is ready. If you have the guts, just take it,” Liu Yi said indifferently.

Qin Yu looked at Liu Yi with slight amusement, and couldn't help but laugh.

Without thinking, he took the contract and the herbs.

“Thank you for the gift from the Liu family. I will remember it,” Qin Yu said with a smile.

After saying this, Qin Yu turned around and was about to leave.

However, Qin Yu was stopped by three men after he took two steps.

“Hahaha, you are indeed hotheaded. Do you think it's that easy to take something from the Liu Family?” Liu Yi couldn't help but laugh out loud.

Qin Yu looked at the three men in front of him and sneered. “You want to stop me with just these three losers?”

“Qin Yu! You're too arrogant!” Liu Shihui roared crazily.

“These three are all hangers-on of the Liu Family. Their strength far surpasses mine! Killing you is like slaughtering a chicken or dog for them!” Liu Shihui said coldly.

“Really? I don't think so.” Qin Yu shook his head.

Liu Yi, who wasn't far away, said with a nonchalant smile, “If you didn't take the contract and medicine just now, I might have considered letting you leave the Liu family. Unfortunately, you missed this opportunity.”

After saying that, Liu Yi leaned on the sofa and casually waved his hand.

The three people immediately stretched out their hands to grab Qin Yu!

Just as Liu Shihui had said, the strength of these three people was above Liu Shihui's. It seemed to be just a grab, but it was filled with ferocity!

Qin Yu looked at these three people coldly, and the spiritual power in his body instantly reached its peak!

He suddenly waved his large hand, and a huge force instantly surged out!

Chapter 122: Establishing Ties with the Lu Family

This huge force instantly caused the three hangers-on's expressions to change drastically!

However, it was already too late to retreat! They could only brace themselves and charge forward!

“Boom!”

With this swing, the huge force actually directly sent the three people flying!

The few people fell to the ground with their faces pale, and some even vomited blood on the spot!

Liu Shihui suddenly stood up as he watched this scene in astonishment. He exclaimed, “How is this possible?!”

It had only been a night. How could Qin Yu's strength have improved by leaps and bounds?

Qin Yu looked at Liu Yi coldly and said, “If there's nothing else, I'll take my leave first.”

Liu Yi shouted angrily, “Stop right there!”

Qin Yu stopped and sneered. “Is there anything else?”

Liu Yi ignored Qin Yu and shouted, “Tao Shan, cripple him for me!”

After the loud roar, it fell silent. No one spoke.

“Tao Shan?” Liu Yi frowned and turned around to look. He found Tao Shan lying on the sofa while snoring.

This made Liu Yi’s expression turn ashen.

He had agreed to act according to the signal, but Tao Shan actually fell asleep at this critical moment!

“Wake him up!” Liu Yi said through gritted teeth.

The two people beside Tao Shan hurriedly walked over.

However, no matter how much they shouted, Tao Shan didn’t have the slightest reaction. He slept like a dead pig.

“Mr. Liu, Tao Shan was tired last night. I’m afraid he won’t be able to wake up for a while...” the two people standing beside Tao Shan said with slight awkwardness.

Liu Yi was instantly furious, but there was nothing he could do!

This was Tao Shan’s shortcoming. Once he fell asleep, it was as if he was dead. He couldn’t be awoken at all.

Seeing this, Qin Yu couldn’t help but laugh.

“Since that’s the case, then I’ll be leaving first.” Qin Yu glanced at Liu Yi before swaggering out of the Liu family’s residence.

The moment he stepped out of the Liu family’s residence, Qin Yu saw a Land Rover parked at the entrance.

After seeing Qin Yu, a middle-aged man hurriedly ran towards Qin Yu from the car.

“Mr. Qin!” The middle-aged man ran in front of Qin Yu and warmly shook hands with Qin Yu.

Qin Yu seemed to have expected this scene, and there wasn't the slightest bit of surprise on his face.

“You are?” Qin Yu asked with a calm expression.

The middle-aged man took out his business card and said with a smile, “My name is Lu Shuming. I want to befriend you, Mr. Qin. I wonder if Mr. Qin will give me the honor to do so?”

“Lu Shuming?” Qin Yu thought about it carefully. He seemed to have some impression of this name and he was quite famous in South City.

“Mr. Qin, I have prepared a banquet. I would like to treat you to lunch,” Lu Shuming continued.

It was a good time for Qin Yu to expand his network, so he nodded and agreed.

After they got in the car, the car drove to the restaurant.

In fact, Qin Yu knew very well that the Lu family definitely weren't the only ones who wanted to establish ties with him, but there were many others as well.

And their motive definitely wasn't pure. Most likely, they wanted to use Qin Yu, or use the Yan family, who supported him.

Fortunately, Qin Yu wasn't worried. In any case, in the end, there was no telling who would end up using who.

After a short conversation, he learned that Lu Shuming's identity was similar to Lei Hu's in Jiangcheng.

The difference was that Lu Shuming's status far exceeded Lei Hu's, and his business had expanded to the entire country.

In South City, Lu Shuming also supported a group of hangers-on. Not only were they not afraid of the Liu family, but they had also even been secretly competing with the Liu family for many years.

To Qin Yu, Lu Shuming was a good candidate for an ally.

"Mr. Qin, you were actually able to walk out of the Liu family unscathed. You really surprised us," Lu Shuming said with a smile.

"That old fox Liu Yi must be afraid of the Yan family, who are backing you, right?" The person next to him also said.

Qin Yu glanced at them and answered truthfully, "The Yan family won't interfere, and they don't care about me. The reason I was able to walk out of the Liu family was that the people working under him are incompetent."

"Haha, Mr. Qin, you're right," Lu Shuming laughed and echoed.

Even though he said so, he didn't believe what he said.

In Lu Shuming's opinion, Qin Yu was just trying to boast.

Qin Yu understood their thoughts, but he didn't say anything.

In the entire Liu family, the strongest person was Tao Shan.

Although they didn't fight, Qin Yu didn't think that Tao Shan could win against him.

The car soon arrived at a restaurant. When they pushed the door open and entered, they saw that there were already a few people waiting at the table.

Qin Yu glanced at them. There were a total of six people. Among them, there were three Inner Strength Masters who weren't weak.

One of the elders was probably as strong as Tao Shan.

The other two people were probably evenly matched with Liu Yi.

After sitting down, Lu Shuming said with a smile, "Let me introduce everyone. This is Mr. Qin Yu. Mr. Qin just defeated Liu Shihui last night."

"Hehe, Mr. Lu, there's no need for you to introduce him. Mr. Qin is a very famous person now," someone beside him said.

"You humiliated the Liu family in front of so many people. You're the first person in South City to do so!"

Hearing everyone's praise, Qin Yu smiled and thanked them one by one.

At this moment, the old man spoke up.

He looked at Qin Yu and said indifferently, "Indeed, since you dared to challenge Liu Shihui in public."

Upon hearing the old man's words, everyone immediately fell silent and looked at him in unison.

From everyone's reactions, it could be seen that this old man had a high status in the Lu family.

“Mr. Qin, let me introduce you. This is Wu Hongchang, one of the hanger-on shareholders of the Lu family,” Lu Shuming said with a smile.

“Mr. Wu is a legend in South City. Other than that to idiot Tao Shan, Mr. Wu has never lost to anyone, right?” Someone beside him said with a smile.

Even Lu Shuming nodded slightly and said, “That’s right. In order to keep Mr. Wu, I offered 10% of my shares.”

“Greetings, Mr. Wu.” Qin Yu nodded politely to him.

Wu Hongchang looked at Qin Yu indifferently and said, “I’ve seen the video of you and Liu Shihui fighting. Although you’re not bad, your moves are full of loopholes. If I were Liu Shihui, I’m afraid you wouldn’t be able to last even one move.”

Upon hearing Wu Hongchang’s arrogant words, Qin Yu couldn’t help but feel a little displeased. However, due to his identity, Qin Yu didn’t show it.

Wu Hongchang continued, “At the age of thirty, you are only at the ninth stage of Inner Strength. You are indeed very mediocre.”

“However, for Mr. Lu’s sake, I can take you as my disciple and let you advance to the level of an Inner Strength Master Hands,” Wu Hongchang said indifferently..

Chapter 123: The Secret of the Water Dragon Cave

Upon hearing this, everyone was shocked!

Many of the guests asked excitedly, “Mr. Wu, is what you said true?”

“Of course, I, Wu Hongchang, am a man of my word!” Wu Hongchang said with a nonchalant smile.

“Gee, an Inner Strength Master Hands? This is a great opportunity!”

“As expected of Mr. Wu. If there is a chance, please help me too!”

These people looked extremely excited. To them, becoming an Inner Strength Master Hands seemed very difficult.

Even Lu Shuming whispered to Qin Yu, “Qin Yu, if you become an Inner Strength Master Hands, then Liu Shihui definitely won’t be your match!”

“You should know that Mr. Wu hasn’t accepted any disciples in a long time. Why don’t you thank Mr. Wu quickly?!”

The crowd seemed to have decided that this was a golden opportunity for Qin Yu, but Qin Yu just sat there and sneered.

To them, an Inner Strength Master Hands was an unreachable level, but to Qin Yu, this wasn’t even a start.

Moreover, Wu Hongchang seemed very full of himself, which was annoying.

“I don’t think it’s necessary.” Qin Yu tried his best to be polite and said.

Wu Hongchang was stunned. He scratched his ears, as if he couldn’t believe what he had just heard.

“Qin Yu, are you out of your mind? Becoming Mr. Wu’s disciple is definitely a great opportunity for you!” Lu Shuming said with some excitement.

Qin Yu glanced at him and said indifferently, “An Inner Strength Master Hands is nothing to me.”

Upon hearing Qin Yu’s words, everyone instantly fell into silence.

Wu Hongchang said with a bit of displeasure, “Young man, don’t be too arrogant. Do you know how many people are stuck at the peak of Inner Strength and unable to advance at all?”

Qin Yu glanced at Wu Hongchang and said, “I am indeed thirty years old, but I have only stepped into the path of cultivation for less than a month.”

“As for an Inner Strength Master Hands, that’s beneath mentioning to me!”

Although Qin Yu’s voice wasn’t loud, it was as deafening as a bolt from the blue!

“Keep bragging.” Wu Hongchang couldn’t help but laugh.

“I have been practicing martial arts for half of my life, but I am only at the peak of the Inner Strength Master Hands level. It will take you at least a month to advance to that level.” Wu Hongchang obviously didn’t believe Qin Yu’s words.

Qin Yu didn’t bother to explain to Wu Hongchang. He stood up and said, “Mr. Lu, if there is nothing else, I will leave first.”

After saying this, Qin Yu turned around and walked out of the restaurant.

Lu Shuming hurriedly followed behind him and said politely, “Qin Yu, please don’t take offense. Mr. Wu is older after all. Everyone respects him very much. Moreover, he’s very capable.”

“I know. There’s no need to say anything more.” Qin Yu nodded.

After that, Qin Yu ignored Lu Shuming and turned around to leave.

As for Qin Yu, he didn’t want to waste his breath on these people.

The most important thing now was the Water Dragon Cave.

If there was really something under the Water Dragon Cave, Qin Yu was confident that he could advance to the Foundation Establishment Stage.

After Qin Yu left, Lu Shuming also returned to the dining table.

Everyone in the room was lambasting and cursing Qin Yu.

“Mr. Lu, Qin Yu is a bit too arrogant,” someone said.

Lu Shuming waved his hand and said, “Qin Yu has the backing of the Yan family. He does have the right to be arrogant.”

“Hehe, how many rich kids failed halfway through? With his personality, he’ll be screwed sooner or later. Just wait and see,” Wu Hongchang snorted coldly.

Lu Shuming smiled and didn’t say anything else.

However, Lu Shuming didn’t expect things to come to this point.

After thinking for a moment, Lu Shuming called a subordinate over.

“Go to my office and give that watch to Qin Yu. Also, apologize on my behalf,” Lu Shuming instructed.

“Yes.” The subordinate nodded and left quickly.

...

After Qin Yu left, he returned to the hotel first.

In the hotel, Yao Qing had already woken up. He looked out of the window with worry.

It wasn't until Qin Yu returned that Yao Qing heaved a sigh of relief.

“Mr. Qin, is everything alright?” Yao Qing asked anxiously.

Qin Yu waved the herbs and contract in his hand and said, “What do you think?”

“Gee, Mr. Qin, you're so awesome!” Yao Qing couldn't help but give Qin Yu a thumbs up.

“You're probably the first person in South City to defeat the Liu family by yourself!”

Qin Yu felt a little smug inside.

He couldn't help but think that if Yan Ruoxue knew, she would definitely be happy for him.

“Pack up. Let's go,” Qin Yu said to Yao Qing.

Yao Qing hurriedly asked, “Where are we going?”

“The Water Dragon Cave,” Qin Yu said.

The mysteries of the Water Dragon Cave filled Qin Yu with curiosity. He couldn't wait to figure it out.

The two pushed the door open and were about to leave.

At this time, they found a young man in a suit standing at the door.

“Mr. Qin, President Lu asked me to come,” the young man said politely.

“Lu Shuming?” Qin Yu frowned slightly.

“What's the matter?”

The young man hurriedly handed a gift box to Qin Yu and said, “President Lu asked me to give this to you. He has something important to do, so he asked me to apologize on his behalf.”

Qin Yu opened the gift box and took out the watch inside.

This watch was very exquisite and was obviously expensive.

“Okay, please thank Mr. Lu on my behalf.” Qin Yu nodded.

After sending the young man away, Qin Yu and Yao Qing left the place together.

Soon, Qin Yu and Yao Qing arrived at the Water Dragon Cave.

At this time, the Water Dragon Cave was full of tourists. They were soaking in the hot spring while looking extremely content.

“Mr. Qin, do you want to inform Qing Ren?” Yao Qing asked.

Qin Yu glanced around and said, “No need. I'm not a spoiled brat like Liu Shihui is.”

Many tourists came all the way from other places. It was a bit cruel to chase them away just like that.

Then, Qin Yu walked to the vicinity of the Water Dragon Cave.

After taking a deep breath, he jumped into the Water Dragon Cave.

The hot spring here was very shallow, but if one swam forward, the water was extremely deep.

Qin Yu dived into the deep water area. He released his internal qi in an attempt to find something in the Water Dragon Cave.

However, after spending an entire hour searching the entire Water Dragon Cave, Qin Yu found nothing.

What surprised him even more was that the density of spiritual energy in every part of the Water Dragon Cave was almost the same.

This baffled Qin Yu. If there was something hidden under the water, the density of the internal qi would definitely be different.

“Weird.” Qin Yu rose out of the water.

He sat by the water’s edge and fell into deep thought.

Looking at the people bathing in the water, Qin Yu suddenly patted his head and his eyes instantly lit up!

“I see now!” Qin Yu stood up with some surprise!

Chapter 124: Foundation Establishment Stage!

Almost all the spiritual energy in the Water Dragon Cave was the same, and everyone who was soaking in the water enjoyed it immensely.

Even when Qin Yu had just entered the water, he felt immense warmth.

“This is probably a qi-gathering formation!” Qin Yu thought to himself.

A natural qi-gathering formation gathered all the surrounding spiritual energy here, which was one of the reasons the Water Dragon Cave was everlasting!

Thinking of this, Qin Yu jumped into the water.

He closed his eyes, opened the pores of his body, and tried to absorb the spiritual energy in the water.

Soon, Qin Yu felt the surrounding water start to spread toward him bit by bit, but after the water touched Qin Yu’s body, it quickly spread out in all directions.

“As expected!” Qin Yu was instantly overjoyed!

This was actually a natural spiritual energy formation!

If he could absorb all the spiritual energy in the water, it wouldn’t be difficult for him to advance to the Foundation Establishment Stage!

Thinking of this, Qin Yu didn’t waste any more time. He immediately closed his eyes and opened all the pores in his body to absorb the spiritual energy from his surroundings!

In an instant, all the water flowed towards Qin Yu. After touching Qin Yu, it quickly dispersed.

As long as it touched Qin Yu, the spiritual energy in the water would disappear completely and enter Qin Yu’s body.

Soon, a small whirlpool formed around Qin Yu!

The crowd, their faces filled with shock, couldn't help but look over.

However, Qin Yu was completely isolated from the world while ravenously absorbing the surrounding spiritual energy.

As time passed, the flow of water in the entire Water Dragon Cave became much faster.

The density of the spiritual energy in the Water Dragon Cave far exceeded Qin Yu's imagination!

The accumulated spiritual energy in the Water Dragon Cave had been accumulated for countless years, but now, it was all absorbed into Qin Yu's body in one breath!

As time passed from noon to the evening, the tourists in the water dragon cave gradually dispersed.

In the darkness, a faint light appeared on Qin Yu's body.

“Buzz!”

At two o'clock in the morning, Qin Yu's body suddenly emitted waves of light!

In an instant, Qin Yu's cells seemed to have undergone a transformation!

Even his skin became smooth and clear at this moment. It was as if a God had descended to the mortal world!

Yao Qing, who was standing by the side, was dumbstruck!

This process lasted for an entire half an hour.

During this period of time, Qin Yu didn't have any reaction.

“Boom!”

Half an hour later, Qin Yu’s body suddenly emanated a burst of black qi!

Qin Yu also opened his mouth in an instant and spat out bursts of black internal qi!

The internal qi gradually dissipated, and in the Water Dragon Cave, a well-proportioned young man stood there quietly.

The look on his face was calm, and there was no sadness or joy on it. The muscles on his body were perfectly chiseled.

“Mr. ... Mr. Qin?” Yao Qing called out tentatively.

Qin Yu slowly looked at Yao Qing.

“I have finally advanced to the Foundation Establishment Stage.” Qin Yu clenched his fist, and he felt as if the spiritual power in his body was about to burst!

Compared to the Qi Refining Stage, his spiritual power had increased by several times during the Foundation Establishment Stage!

And Qin Yu’s state of mind was also drastically different at this moment! It was as if he was a God who was overlooking the world!

“Mr. Qin, are you alright?” Yao Qing said with some worry.

Qin Yu walked out of the water. With a slight shake, the water on his body was instantly evaporated.

“I’m fine, and I’m very well.” The corner of Qin Yu’s mouth curled up into a smile.

This power was beyond Qin Yu’s imagination!

If he met Liu Shihui again now, Qin Yu could easily defeat him!

“Wu Hongchang? Tao Shan? They aren’t even worth mentioning,” Qin Yu said quietly.

Qin Yu didn’t even take them seriously when he was at the peak of the Qi Refining Stage. Now that he had advanced to the Foundation Establishment Stage, they were nothing to him!

Qin Yu picked up a water bead and then gently flicked it forward.

“Bang!”

The water bead was wrapped by spiritual power and shot out like a bullet!

The nearby mountain rock was instantly smashed into a big pit!

“Let’s go.” Qin Yu looked at the dumbfounded Yao Qing and said with a smile.

Yao Qing nodded blankly and followed Qin Yu out of the Water Dragon Cave.

Qin Yu slept very soundly that night. This steady and peaceful feeling was extremely enjoyable for Qin Yu.

He slept until the next afternoon.

When Qin Yu woke up, it was already three o’clock in the afternoon.

As soon as he woke up, Qin Yu saw several calls on his phone. They were all from Lu Shuming.

Qin Yu called him back and asked, “Mr. Lu, what’s the matter?”

Lu Shuming said politely on the phone, “Mr. Qin, I wonder if you have time tonight. I have to trouble you with something.”

“Okay.” Qin Yu didn’t even ask what it was and agreed.

The first reason for this was that he was short-handed.

Secondly, it was because of Qin Yu’s strong self-confidence from the inside out.

Lu Shuming, who was on the other end, couldn’t help but freeze, then he smiled and said, “Okay, I’ll pick you up tonight.”

In the evening, Lu Shuming’s Land Rover parked downstairs.

Upon seeing Qin Yu, Lu Shuming said warmly, “Mr. Qin, we meet again.”

Qin Yu nodded. After getting into the car, Qin Yu casually asked, “Mr. Lu, what do you need my help with?”

Lu Shuming smiled and said, “Mr. Qin, you also know how I started my career. I’ve offended many people during these years.”

“I have an enemy who was chased out of South City by me. I heard that he’s back recently, so I’m going to meet him tonight.”

Qin Yu immediately understood.

Perhaps this was the reason Lu Shuming spent so much money on his hangers-on.

“I heard that he trained under someone overseas these past few years and learned a lot of skills. To be on the safe side, I called you over,” Lu Shuming said.

Qin Yu didn't say anything else.

Qin Yu had just advanced to the Foundation Establishment Stage, so it was time for him to find someone to practice with.

"You'd better not disappoint me," Qin Yu said nonchalantly.

Lu Shuming didn't say anything when he heard this.

In fact, he didn't ask Qin Yu to come here because of Qin Yu's skills. Instead, he wanted the help of the Yan family, who were backing Qin Yu, just in case.

If he really just wanted someone with superb combat skills, Wu Hongchang alone would be enough.

Soon, the group arrived at a relatively remote restaurant.

As soon as they entered the restaurant, Qin Yu saw that everyone from that day were there, but Wu Hongchang was still as cocky as before.

"Why is he here too?" Wu Hongchang was a little displeased when he saw Qin Yu.

Lu Shuming quickly explained, "There is strength in numbers."

Wu Hongchang snorted lightly and said, "I alone will be enough. There's no need for others to help at all."

Ever since the last time they met, Wu Hongchang had been displeased with Qin Yu.

Now that they met again, Wu Hongchang was naturally unhappy.

Fortunately, Qin Yu's state of mind had already undergone a huge change. In his eyes, Wu Hongchang was beneath mentioning, and he couldn't care less..

Chapter 125: The Useless Wu Hongchang

"Mr. Qin, I hope you don't mind," Lu Shuming explained.

Qin Yu nodded and said, "I don't mind."

Qin Yu couldn't help but sigh. It was quite tiring for these rich people to provide for their hangers-on.

Because once a person had some abilities, they wouldn't be willing to submit to other people, making it difficult for them to obey orders.

Just like how Wu Hongchang currently was.

"It's better if you have the ability yourself." Qin Yu thought inside.

"Everyone, don't be too nervous. Perhaps nothing will happen today." Lu Shuming waved his hand and comforted everyone.

Wu Hongchang laughed out loud and said, "Nervous? Mr. Lu, apart from being excited, I don't feel anything else!"

"That's true. With Mr. Wu here, we won't be nervous," the other people said with a smile.

The flattery of the other people made Wu Hongchang even more proud.

Wanting to show off to Qin Yu, he even glanced at Qin Yu deliberately.

Unfortunately, Qin Yu sat there with his eyes closed while looking out of place.

“Humph, pretentious show-off.” Wu Hongchang couldn’t help but snort.

At this moment, the door was suddenly opened.

The moment it was opened, two men who were about the same age as Wu Hongchang walk in.

The moment they stepped into the room, Qin Yu opened his eyes immediately!

Because he could clearly feel that these two people’s internal qi was extremely powerful, and they were definitely above Wu Hongchang’s level!

“Lu Shuming, long time no see.” One of the men with a scar on his face looked at Lu Shuming coldly and said.

When facing this man, Lu Shuming looked awkward and somewhat fearful.

The man with a scar on his face sat in front of Lu Shuming. He glanced at the crowd and sneered. “Are these people all sent by you to deal with me?”

“They are all my friends. When they heard that I had something to attend to, they came to help me.” Lu Shuming seemed to be deliberately showing off his current connections.

The man with a scar on his face sneered. “Lu Shuming, you are still the same as before. You’re still in the habit of making sarcastic jabs at people.”

Lu Shuming frowned slightly. He went straight to the point and said, “What is it that you came back for this time? Just say it.”

“Hahahaha!” The man with the scarred face couldn’t help but burst into laughter.

“I came back to South City for two things.”

“First, to take back what belongs to me.”

“Second, to kill you!”

His few words instantly made the atmosphere tense up!

Lu Shuming’s expression was also slightly unsightly.

He took a deep breath and said, “It’s no longer the era of dealing with things with violence. How about this, I’ll give you a sum of money and let bygones be bygones between us from now on.”

“Let bygones be bygones?” The muscles on the face of the man with a scar instantly twitched.

He angrily shouted, “From the moment you left a scar on my face, I swore I would kill you! Do you know what kind of life I’ve led abroad all these years?! I want you to suffer thousands of times the pain I’ve suffered these five years!”

Lu Shuming’s expression was a little ugly. He looked at the man with a scar on his face coldly and said, “So there’s no peaceful way of dealing with it?”

“You want a peaceful way of dealing with it? Sure.” The man with the scarred face sneered.

“Let me slash your face first, then kneel on the ground and beg me. Maybe I can show mercy and let you get out of South City then.” The man with the scarred face said derisively.

At this point, the man with the scarred face paused and then continued, “Just like how you treated me back then.”

“Hehe.”

At this time, Wu Hongchang spoke up.

He looked at the man with the scarred face and said with a nonchalant smile, “From the conversation between the two of you, I seem to have understood something.”

“Back then, Mr. Lu showed mercy and kindly spared your life. You should remember this favor and not come back to bite people like a vicious dog,” Wu Hongchang said indifferently.

The man with the scarred face looked at Wu Hongchang coldly and said, “Who are you? Do you have the right to speak here?”

“This is Wu Hongchang! He is also Mr. Lu’s top hanger-on!” Someone beside him shouted loudly.

Wu Hongchang stroked his beard and smiled nonchalantly with a proud expression on his face.

“Bullsh * t. Mr. Wu? I’ve never heard of him.” The man with the scarred face sneered.

“Lu Shuming, do you have no one else working under you? You found such an old fart to stand up for you?” The man with the scarred face had a mocking expression.

Before Lu Shuming could say anything, Wu Hongchang flew into a rage and slammed the table!

“You maniac, you’re too big for your britches! How dare you speak so arrogantly?!” Wu Hongchang scolded angrily.

“I’m a ninth stage Inner Strength Master Hands, and I’m only a step away from the Inner Strength Past Master realm. You ignorant maniac!” Wu Hongchang put his hands behind his back and acted like a big shot.

Hearing this, the man with the scarred face couldn’t help but burst into laughter.

“A ninth stage Inner Strength Master Hands dares to boast about himself? When the cat’s away, the mice will play.!” The man with the scarred face said coldly.

Wu Hongchang couldn’t hold it in anymore. He mobilized the Inner Strength in his body and instantly rushed toward the man with the scarred face!

“Today, I will let this lunatic know how powerful I am!” Wu Hongchang raised his head and shouted.

Although Wu Hongchang was quite old, his speed was extremely fast, and his strength was even more shocking!

Before his fist even punched him, there was a gust of wind from the momentum of the fist!

“As expected of Mr. Wu!” Someone couldn’t help but exclaim.

“This punch will definitely decide the outcome!”

Everyone shouted one after another, and their faces were filled with shock from Wu Hongchang’s strength.

However, before Wu Hongchang's fist touched the man with the scarred face, his body was sent flying!

Before the crowd could even see what had happened, Wu Hongchang had already fallen to the ground and spat out blood!

"I can't believe the release of Inner Strength could reach such a level." Qin Yu couldn't help but think inside.

The scene was completely silent. The crowd held their breaths.

"He is indeed an expert. I, Wu Hongchang, am willing to admit defeat!" Seeing that the situation was bad, Wu Hongchang, immediately fell to the ground and didn't even have the intention to stand up.

"Old people like you should just retire," the man with the scarred face mocked.

Lu Shuming, on the other hand, was filled with fear. He shouted anxiously, "Mr. ... Mr. Wu, Mr. Wu?"

However, Wu Hongchang had already been scared out of his wits. When he heard Lu Shuming's shouts, not only did he ignore him, but he even laid on the ground and played dead.

This made Lu Shuming feel despair. He hurriedly looked at the other hangers-on around him and shouted, "Everyone, please join hands and restrain him together. I, Lu Shuming, will definitely reward you guys handsomely!"

However, everyone shook their heads and whispered, "Mr. Lu, it's not that we don't want to help. Even Mr. Wu isn't his match. What can we do?"

“That’s right. If we go up now, won’t we be sending ourselves to our deaths...”

“Mr. Lu, why don’t you follow this gentleman’s instructions and kneel on the ground to apologize and draw a knife across your face...”

When he heard everyone’s words, Lu Shuming’s expression turned livid with anger!

He had spent a lot of money to support this group of hangers-on, yet they actually said such words at the critical moment!

Chapter 126: Inner Strength Past Master!

The scar-faced man was laughing maniacally at the side!

“Lu Shuming, this is the person you’ve taken in? How useless!” The scar-faced man sneered.

Lu Shuming was already panicking, but since things had already come to this, he had no other choice.

“There is no grudge between us. Back then, I spared your life!” Lu Shuming roared maniacally.

The man with the scarred face sneered. “Yes, I will remember your kindness, so I won’t let you die today, as long as you kneel down and beg me, then get out of South City. How about that?”

“Impossible, don’t even think about it!” Lu Shuming said through gritted teeth.

The man with the scarred face said coldly, “Then don’t blame me for being merciless. None of you can leave today!”

After saying this, The man with the scarred face slowly stood up.

Hearing this, the hangers-on under Lu Shuming immediately panicked.

They anxiously said, “Mr. Lu, beg him for mercy quickly!”

“Yeah, you can’t implicate us. We don’t want to die.”

“Lu Shuming, don’t be too selfish!”

Hearing their shouts, Lu Shuming became even more enraged.

He gritted his teeth and suddenly shouted, “Let me tell you, Mr. Qin is from the Yan family. If you dare to touch him, the Yan family won’t forgive you!”

“The Yan family?” The man with the scarred face frowned slightly.

He glanced at Qin Yu and then sneered. “You want to scare me? As if the people of the Yan family would have relations with someone like you?”

Lu Shuming roared, “Believe it or not, he is the true love of the Yan family’s eldest daughter!”

The man with the scarred face immediately became even more incredulous.

The eldest daughter of the Yan family would like someone like him? That was impossible.

Even though that was the case, the scarred face still didn’t want to take that risk.

He sized up Qin Yu and said, “You can go. What happened today has nothing to do with you.”

Lu Shuming’s expression changed. If that was the case, then Qin Yu would be useless this time.

He, afraid that Qin Yu would agree, looked at Qin Yu nervously.

The scene fell silent for a moment. All eyes were on Qin Yu.

“I’m sorry.” Finally, Qin Yu spoke up.

He stood up slowly and shook his head. “I promised to help Mr. Lu, so I can’t leave.”

“Mr. Qin!” Lu Shuming was so excited that he was about to cry.

He didn’t expect that the person who would defend him at the critical moment would be Qin Yu!

The man with the scarred face’s expression darkened, and he said coldly, “Kid, don’t be so shameless. Even if you are a member of the Yan family, I can kill you and flee abroad!”

Qin Yu smiled and said, “Don’t worry, I have nothing to do with the Yan family.”

“Mr. Qin, you...” Lu Shuming was speechless. Why didn’t he bring out the Yan family at this time? Was he crazy?

“Qin Yu, is there something wrong with you?!”

“If you weren’t from the Yan family, why are you sitting here? Would we need you?”

The people at the side also cursed at Qin Yu.

The man with the scarred face asked with some amusement, “Really?”

Qin Yu sneered. “What do you think?”

“Hahaha, I knew it. How could the people of the Yan family have anything to do with Lu Shuming?!” The man with the scarred face was completely relieved.

He looked at Lu Shuming and sneered. “Do you have any last words? Hurry up and tell me.”

Lu Shuming was completely in despair. He originally wanted to rely on the Yan family to scare the man with the scarred face, but he didn’t expect Qin Yu to say this at the critical moment.

“I’m unlucky to have fallen into your hands.” Lu Shuming took a deep breath.

“If you want to make a move, just do it!” Lu Shuming pretended to be calm and said.

The man with the scarred face sneered and said, “Then I won’t show mercy!”

After saying that, the man with the scarred face rushed toward Lu Shuming.

“Mr. Lu, if you are willing to give me ten percent of Wu Hongchang’s shares, I can save your life.” At this moment, Qin Yu, who was at the side, spoke again.

“Save me?” Lu Shuming couldn’t help but shake his head.

“How will you have to save me? Do you think anyone still believes in your relationship with the Yan Family?”

Qin Yu said indifferently, “I don’t need to rely on the Yan family. I just need to beat him.”

Everyone felt stunned.

Beat the man with the scarred face? How was this possible?

Even Wu Hongchang wasn't his match, let alone Qin Yu?

"Mr. Qin, you can go." Lu Shuming waved his hand helplessly.

"Lu Shuming, this is your last chance. It's up to you to believe it or not."

Qin Yu poured a glass of water and said indifferently.

Looking at Qin Yu's calm appearance, Lu Shuming couldn't help but feel a little conflicted.

"Arrogant brat, I'll kill Lu Shuming first, then I'll deal with you!" The man with the scarred face shouted coldly and reached out to grab Lu Shuming.

Lu Shuming gritted his teeth. At this critical moment, he suddenly shouted, "Mr. Qin, I promise you!"

As soon as he finished speaking, the scarred-faced man's hand arrived in front of Lu Shuming!

At such a close distance, even Qin Yu wouldn't be able to arrive in time!

However, something shocking happened.

Qin Yu's hand pinched the water bead and flicked it lightly.

"Bang!" The scarred-faced man's hand was shaken away!

A trace of blood flowed down the scarred-faced man's hand!

Everyone was shocked by Qin Yu's move!

What the f * ck... What kind of tactic was this? He used a drop of water to save Lu Shuming?

Lu Shuming was ecstatic. He shouted frantically, "Thank you, Mr. Qin, for saving me!"

Qin Yu stood up slowly. He glanced at Lu Shuming and said indifferently, "Don't forget you owe me ten percent of the shares."

"Of course, of course!" Lu Shuming nodded crazily.

Not far away, the scar-faced man wiped the blood off his hands. He narrowed his eyes and said, "Using Inner Strength to wrap the water droplets? Good move. I didn't expect there to be such an expert in South City."

Qin Yu shook his head and said with a smile, "You're wrong. This isn't Inner Strength at all."

"Not Inner Strength? Then what is it?" The man with the scarred face frowned and asked.

"I don't want to tell you." Qin Yu grinned and said.

The man with the scarred face's expression darkened. He snorted coldly and said, "It's impossible for you to beat me with this tactic! I will let you see my true strength!"

After saying that, The man with the scarred face activated his internal qi and raised it to the maximum!

A terrifying aura instantly swept across the entire area!

An intense pressure caused everyone's expressions to change!

Even the cup on the table was instantly shattered!

“Inner Strength Past Master! He’s actually an Inner Strength Past Master!”
Someone exclaimed loudly!

“Those below the level of Inner Strength Past Master are all ants, this...
This is simply otherworldly!”

After they saw the strength of the scarred-faced man, everyone’s newly
risen hope was instantly extinguished once again!

“You’re actually an Inner Strength Past Master...” Lu Shuming felt even
more despair!

The number of Inner Strength Past Masters in the entire South City was
extremely few. An Inner Strength Past Master would be able to make a
name for himself wherever he went!

“To tell you the truth, I don’t lack money anymore. The main reason I
came back this time is to take revenge!” The man with the scarred face
said coldly..

Chapter 127: Shattered With a Single Punch!

With such strength, there was no need for him to return to South City.

This was because no matter where Inner Strength Past Master went, he
would be highly sought after.

He would either be supported by a prominent aristocratic family, or be a
small leader in an overseas faction, or he would reign over an area.

This made Lu Shuming feel extremely hopeless. He looked at Qin Yu
with a pleading look in his eyes.

“If you can help me get through this crisis, I’m willing to give you 20% of the shares of the Lu Family’s business!” Lu Shuming said through gritted teeth.

Qin Yu smiled and said, “Really?”

“Absolutely!” Lu Shuming said anxiously.

Compared to his life, money was nothing!

Qin Yu nodded and said, “Okay, I promise you.”

The scar-faced man not far away couldn’t help but snort coldly and said, “You’re really foolish. You know that I’m Inner Strength Past Master, yet you still dare to challenge me?”

Qin Yu laughed. “There’s nothing I can do. Mr. Lu is offering too much money. It’s really hard to refuse.”

“Moreover... I also really want to see the capabilities of an Inner Strength Past Master,” Qin Yu said indifferently.

“Alright, since that’s the case, then don’t blame me for being merciless!” The scar-faced man roared angrily, and his body actually instantly lit up with rays of light!

These rays of light firmly wrapped the scar-faced man within. Compared to Liu Shihui, his tactics were much more impressive!

Qin Yu snorted coldly. He took a step forward and charged towards the scar-faced man!

“Bang!”

Qin Yu’s fist landed firmly on the scar-faced man’s body!

However, what was shocking was that the scar-faced man didn't seem in pain at all!

“Hahaha!” The scar-faced man raised his head and laughed loudly.

“With your mediocre abilities, you actually dare to speak so arrogantly?” The scar-faced man said coldly.

Qin Yu lowered his head and looked at his own fist. He muttered in a low voice, “An Inner Strength Past Master is quite extraordinary... but you're just so-so.”

Qin Yu wasn't impressed by a so-called Inner Strength Past Master.

After all, Qin Yu had even fought with a great Inner Strength Past Master like Yan Jiang before.

And Qin Yu was just testing him out with that punch just now.

“Make your move. Otherwise, I'm afraid you won't have a chance,” Qin Yu said.

The scar-faced man sneered. “You're the most arrogant person I have ever seen. Although I just became Inner Strength Past Master not long ago, the gap between Inner Strength Master Hands and Inner Strength Past Master is like a chasm! It's definitely not something you can surpass!”

Qin Yu frowned. “You babble too much.”

The scar-faced man immediately shouted angrily, “You're courting death!”

After saying that, the scar-faced man instantly rushed towards Qin Yu!

His fist lit up with white light, as if all his Inner Strength was gathered at this point!

When they saw this punch, everyone's expression changed drastically!

Wu Hongchang, who was lying on the ground, even closed his eyes and shifted his body for fear that he would be implicated.

However, Qin Yu didn't dodge. Instead, he clenched his fist and faced it head-on!

“Clang!”

A sound that sounded like steel colliding sounded in everyone's ears!

With this punch, the scar-faced man actually took three steps back!

On the other hand, Qin Yu was as calm as ever.

“That's it?” Qin Yu sneered.

The scar-faced man's expression gradually became serious.

He clenched his fist and said coldly, “What a strong force. I'm getting more and more interested in it.”

“You've disappointed me a little.” Qin Yu shook his head.

The scar-faced man didn't mind his remark. He said coldly, “I'll give you a choice. If you're willing, I can let you join us. Moreover, your position won't be low. At the same time, you'll get a huge sum of money.”

As soon as he finished speaking, everyone's expression changed again!

This scar-faced man was actually trying to recruit Qin Yu!

“Apart from that, we’ll also provide you with various resources, herbs, top-grade pills, and even inherited cultivation techniques.” The scar-faced man continued to entice him.

“You should know that all these things are all rare and sacred.”

Qin Yu nodded slightly and said, “Your conditions are indeed very tempting.”

The scar-faced man was delighted and quickly struck while the iron was hot. “How about it? Joining us gives you a much better future than staying in South City!”

“Mr. Qin...” Lu Shuming, who wasn’t far away, suddenly became nervous.

If Qin Yu agreed, then Lu Shuming would definitely be doomed today!

“May I ask, did you bring any treasures with you today?” Qin Yu asked.

The scar-faced man was even more excited. He laughed loudly and said, “You’re indeed quite quick-witted. I have a hundred-year-old herb here. As long as you’re willing to join us, I can give it to you as a welcome gift.”

“A hundred-year-old herb? It seems that your organization is very rich.” Qin Yu sighed.

The scar-faced man said with some pride, “Of course. As long as you’re willing to join us, this is nothing.”

Qin Yu didn’t say anything. The atmosphere became a little awkward.

Lu Shuming stared at Qin Yu. He was so nervous that he was sweating profusely.

“How about it?” the scar-faced man continued to ask.

Qin Yu sighed. “Your offer is indeed very tempting, but... unfortunately, I have never been interested in overseas organizations, and I don’t want to live like a fugitive like you, so I have to refuse.”

Hearing this, Lu Shuming immediately let out a sigh of relief.

The scar-faced man was extremely angry!

He looked at Qin Yu coldly and said, “You’re foolishly unappreciative! If you refuse me, you will be offending our entire organization!”

“Do you think I will be afraid?” Qin Yu sneered.

This completely infuriated the scar-faced man. He shouted angrily, “Do you think you can beat me? Since you’re so unappreciative, then don’t blame me for being merciless!”

After saying that, the scar-faced man charged at Qin Yu again!

His speed was extremely fast, but Qin Yu was faster than him!

In the blink of an eye, Qin Yu had already punched him more than ten times! And the scar-faced man didn’t even get to touch Qin Yu!

“Your speed is really fast.” The scar-faced man squinted his eyes and said.

“Unfortunately, you can’t hurt me at all! My body is wrapped by Inner Strength, and I can even resist ordinary bullets!”

“You can’t even hurt me, so how can you beat me?” The scar-faced man raised his head and laughed crazily!

But very soon, his laughter stopped abruptly! His expression was full of fear!

“Who said I can’t hurt you? Do you really think that your Inner Strength can protect you from death?” Qin Yu’s voice sounded in the scar-faced man’s ear.

Qin Yu punched the scar-faced man’s chest!

“Crack!”

The Inner Strength wrapped around the scar-faced man’s body emitted a crisp sound!

In the next second, it shattered like an eggshell!

“This... how is this possible? How is this possible?!” The scar-faced man’s pupils dilated, and his face was filled with terror!

Qin Yu sneered. “Don’t be too full of yourself. Can’t you just hide overseas?”

After saying that, Qin Yu threw another punch!

This punch shattered the scar-faced man’s chest!

His entire chest caved in and his bones completely shattered!

“Boom!”

The scar-faced man fell to the ground and fresh blood covered his face.

“This... how is this possible...” the scar-faced man muttered in a low voice. Even until his death, he still couldn’t figure out why Qin Yu’s fist had such great strength..

Chapter 128: Chen Xin' s Phone Call

The scar-faced man fell to the ground and was unable to open his eyes again.

The bloody hole in his chest looked extremely horrifying.

Qin Yu stood in front of the scar-faced man and didn't even feel a trace of pity.

Qin Yu didn't know when it started, but he no longer felt fear.

He bent down and rubbed the scar-faced man's body.

Sure enough, there really was a hundred-year-old herb king hidden on him.

"It seems that he didn't lie to me," Qin Yu whispered.

Then, Qin Yu looked at the scarred man's follower and grinned. "Do you want to avenge him?"

The follower was stunned, and then said in surprise, "You... plan to let me go?"

"Mr. Qin, you must not let him go!" Lu Shuming hurriedly shouted.

"If he leaves, he will definitely come for revenge in the future!"

Qin Yu sized up this follower, waved his hand, and said, "I won't kill you. As for revenge... I'll wait for you guys."

This organization had abundant herbs, so Qin Yu didn't want to miss out on them.

This follower gritted his teeth, then quickly left by breaking the window and escaping!

“Cough cough.” At this moment, Wu Hongchang also got up from the ground.

He still acted like a big shot and walked in front of Qin Yu in an imposing manner.

“Qin Yu, how can you let him go? If he leaves, what will happen if he comes to find trouble with us in the future?” Wu Hongchang berated loudly.

Qin Yu narrowed his eyes and couldn't help but sneer. “If it weren't for me, you would have already died.”

“So what? You're wrong to let him go!” Wu Hongchang rebuked loudly.

“How about this? I'll keep this stalk of herb as an apology.” Then, Wu Hongchang looked at the herb in Qin Yu's hand and said.

Qin Yu couldn't help but sneer.

He had seen thick-skinned people, but he had never seen such thick-skinned people.

“You want it?” Qin Yu shook the stalk of herbs and asked.

Wu Hongchang coughed awkwardly and said, “Seeing that you sincerely admitting your mistake, I will temporarily forgive you.”

After saying that, Wu Hongchang reached out his hand to grab Qin Yu's stalk of herb.

But very soon, Wu Hongchang's expression changed!

His hand hadn't even touched the herb when Qin Yu grabbed his wrist.

“You're actually going to take it? You're shameless and unappreciative even at your old age” Qin Yu said coldly.

Panic flashed across Wu Hongchang's expression. He hurriedly said, “Qin Yu, I'm an elder. What do you want to do?!”

“Elder? You think you're worthy of that title?” After saying that, Qin Yu waved his hand and slapped Wu Hongchang's face!

Wu Hongchang's entire body was sent flying, and he crashed into the wall!

The wall was instantly covered with dense cracks, and Wu Hongchang couldn't stop spitting blood!

“You shameless thing.” Qin Yu looked at Wu Hongchang coldly and said.

The room was silent. No one dared to blame Qin Yu.

“Mr. Lu, this kid actually dared to attack me...” Wu Hongchang looked at Lu Shuming with difficulty as he complained.

Lu Shuming sneered and said, “Wu Hongchang, you can scram. From today onwards, you are no longer a member of the Lu family.”

Wu Hongchang's expression changed. He could barely believe that these words came from Lu Shuming's mouth!

One had to know that before this, Lu Shuming was extremely respectful to Wu Hongchang!

“Mr. Lu, Mr. Wu has worked hard for the Lu family for so many years. Isn't it inappropriate for you to chase him away like this?”

“Yes, Mr. Lu. If he leaves, we won’t be willing to stay either.”

Hearing everyone’s words, Lu Shuming couldn’t help but laugh out loud.

“Alright, then all of you can scam. From today onwards, you have nothing to do with the Lu family anymore!”

This time, everyone was stunned.

“Mr. Lu, I... I was just joking.” Some people gave in.

However, Lu Shuming was already extremely disappointed in them and wouldn’t give them another chance.

“Mr. Qin, let’s go.” Then, Lu Shuming looked at Qin Yu respectfully.

Qin Yu nodded and the two of them walked out of the room together.

After getting into the car, Lu Shuming sighed. “Mr. Qin, I was wrong to underestimate you before. From today onward, the Lu family will treat you as a distinguished guest.”

“Just give me the money.” Qin Yu waved his hand.

“Don’t worry, I’ll send the contract to you tomorrow,” Lu Shuming said quickly.

The car quickly sent Qin Yu back to the hotel. After experiencing this, Qin Yu was more confident in his own strength.

“The Foundation Establishment Stage really lives up to its reputation,” Qin Yu thought to himself.

In terms of martial arts, a Foundation Establishment Stage practitioner could at most be considered at the level of an Inner Strength Master Hands.

However, when faced with a so-called Inner Strength Past Master, Qin Yu was able to defeat him with ease.

Spiritual power indeed wasn't something that Inner Strength could compare to.

The next day, Qin Yu wasn't in a hurry to return to Jiangcheng because he still had to wait for Lu Shuming to deliver the contract.

Therefore, Qin Yu looked at Yao Qing and said, "Go buy me a car. It's more convenient to have a car."

Yao Qing was stunned and quickly asked, "Okay, what kind of car do you want to buy?"

"I don't know much about cars. It's up to you," said Qin Yu.

Yao Qing continued to ask, "Then do you have any requests?"

Qin Yu thought for a moment and said, "It should have high-speed performance and be low key."

As for the rest, Qin Yu didn't consider them. After all, Qin Yu was alone now.

"Okay, I understand." Yao Qing nodded.

He took Qin Yu's bank card and left the hotel.

About an hour later, the roar of an engine came from downstairs.

When Qin Yu went downstairs, he found a black Audi parked downstairs.

"It's an Audi RS7, which is fast and low-profile," Yao Qing said with a smile.

Qin Yu looked at it carefully. The car indeed looked low-profile.

“How much did you spend?” Qin Yu asked casually.

Yao Qing smiled and said, “A total of 2.1 million.”

Qin Yu didn't expect this because from the looks of it, it didn't seem expensive.

After that, Qin Yu drove around for a test drive and felt that it wasn't bad.

At night, Qin Yu and Yao Qing found a place to have dinner. During the meal, Qin Yu casually glanced at the news.

A news headline appeared in front of his eyes.

“Overseas fugitive Hong Quan was killed in South City yesterday.”

After clicking on the link, he discovered that Hong Quan was the scarred man.

The news was full of praises for Qin Yu, but it didn't reveal Qin Yu's identity. Instead, they called him a mysterious hero.

“How fast.” Qin Yu shook his head.

After eating, the two of them were ready to return to the hotel.

At this moment, Qin Yu's phone suddenly rang.

He picked up the phone and saw that the caller was an unfamiliar number.

“Hello, who is this?” Qin Yu picked up the phone.

“I'm Chen Xin, Sun Ying's classmate. Do you still remember me?” A girl's voice came from the other end.

Qin Yu frowned slightly.. “What’s the matter?”

Chapter 129: I’ ll Drink With You

Chen Xin hurriedly said, “Sun Ying just had a gathering with her classmates and was brought to the bar by her classmates. I’m afraid that something might happen to her. Can you come with us?”

Qin Yu looked at the time. It was already 10 o’clock in the evening.

“Why aren’t you back at school when it’s so late? Why are you going to the bar? Don’t you know that you’re in danger?” Qin Yu couldn’t help but say with a somewhat reproachful tone.

“Gee, it was them who dragged us here. We couldn’t turn them down,” Chen Xin said with some grievance.

“Just come with us. I beg you,” Chen Xin said sweetly on the other end of the line.

Although Qin Yu didn’t have a good impression of the Su family, Sun Ying was too young. Qin Yu really couldn’t just turn a blind eye to the fact that she was in a dangerous situation.

“Give me the location. I’ll go there in a while,” Qin Yu said.

Chen Xin was instantly delighted. She quickly said, “We’re in private room no. 888 at Midnight KTV888 now.”

“Got it,” Qin Yu answered and hung up the phone.

Then, Qin Yu looked at Yao Qing and said, “Let’s go to Midnight KTV.”

“What? Mr. Qin, you also want to have some fun?” Yao Qing said jokingly.

Qin Yu gave him a kick and rolled his eyes. "I'm not interested in that. Let's go."

The car sped along, and the roar of the engine resonated throughout the entire street.

Soon, the two of them arrived at the entrance of the Midnight KTV.

After going upstairs, Qin Yu learned that box 888 was a deluxe box, and those who came here to play were extremely affluent.

The entire eighth floor was different from the other floors. The boxes here were very large and full of VIPs.

Qin Yu and Yao Qing walked all the way to private room no. 888. When they pushed open the door, they saw a group of young men and women dancing wildly in the private room.

"Qin Yu!" After seeing Qin Yu, Chen Xin hurriedly ran over.

Sun Ying, who was sitting there drinking, said unhappily, "Why did you call him here? How annoying."

Chen Xin grinned and said, "Gee, he's your brother-in-law. Besides, it's not safe at night."

At this time, Sun Ying was drinking with a boy. The boy had bleached hair and dressed in fancy clothes. His designer clothes bespoke his identity as a rich heir.

Qin Yu glanced at him, then walked directly to Sun Ying's side and said, "It's late. Go back to your dorm and sleep."

After saying that, Qin Yu pulled Sun Ying up and was about to leave.

“Let go of me! I’m not leaving!” Sun Ying was obviously drunk, and her words were a little slurred.

Qin Yu frowned and said, “You’re a young girl, so how can you not go home when it’s in the middle of the night?!”

“Don’t worry about me. I’m not leaving!” Sun Ying struggled to break free of his grasp.

At this time, the blondie beside Sun Ying got up and said, “Dude, who are you? Can’t you see that she doesn’t want to leave?”

Qin Yu glanced at him and said, “I’m her brother-in-law.”

“You’ve already divorced my sister. You’re no longer my brother-in-law!” Sun Ying shouted in a daze.

The blonde immediately laughed. He sized up Qin Yu and said, “Dude, you heard her, right? Sun Ying said that you’re no longer her brother-in-law. Do you understand?”

Qin Yu frowned slightly. He couldn’t be bothered to lower himself to the level of these brats.

Therefore, Qin Yu looked at Sun Ying and said, “I’ll ask you one last time. Are you coming?”

“No!” Sun Ying shouted without thinking.

Qin Yu nodded and said, “I don’t care if you’re coming or not.”

After saying that, Qin Yu turned around and was about to leave.

At this time, Chen Xin hurriedly pulled Qin Yu back.

She said in a low voice, “Don’t go. If you leave, the two of us might be in trouble tonight...”

“It’s already good enough for me to come. It’s her who doesn’t want to leave. What does it have to do with me?” Qin Yu said with a cold expression.

Chen Xin grabbed Qin Yu’s arm and said pitifully, “She’s just drunk. Don’t lower yourself to her level.”

“Also... If you leave, the two of us will really be dead meat...”

Qin Yu glanced at the private room.

In the huge private room, there were a total of seven to eight boys, while Sun Ying and Chen Xin were the only girls.

If they left at this time, there was no telling what would happen.

Qin Yu thought about it for a moment. He looked at the time and said, “Okay, then I’ll wait for you guys for a while.”

“Thank you, thank you!” Chen Xin cried out in surprise.

Then, Qin Yu and Yao Qing found a random seat and sat down.

The commotion in the private room made Qin Yu a little annoyed.

The young people who were dancing wildly formed a sharp contrast with Qin Yu and Yao Qing.

Not far away, the yellow-haired man looked at Qin Yu with unhappiness.

“D*mn, why are these two idiots here? They’ll get in my way,” the yellow-haired man said with a cold expression.

The blonde was a frivolous rich heir who had screwed over a lot of young girls.

Tonight, he had lured Sun Ying and Chen Xin out for s*x.

As soon as Sun Ying and Chen Xin were drunk, these boys would drag them to the hotel.

“Dude, should we teach him a lesson?” At this time, a boy with dyed blue hair walked to the blonde’s ear and said.

The yellow-haired boy frowned and said, “How should we teach him a lesson? We can’t just go up and beat them up right now.”

“Dude, have you forgotten that my nickname is Wine God? Why don’t we challenge them to a drinking game until they’re drunk?” The blue-haired boy said with a smile.

The yellow-haired boy glanced at him, then patted his shoulder and said, “Okay, if you can drink they’re drunk, you can bang these two girls first!”

“Dude, leave it to me!” The guy with blue hair patted his chest and said.

At this moment, Qin Yu was looking at Sun Ying.

Sun Ying was being forcefully fed alcohol by a few men. Her consciousness was already drifting away, but the wine was being poured down her throat one cup after another.

“Don’t drink anymore!” Qin Yu walked in front of Sun Ying with a cold expression and snatched the wine cup away.

The guy with blue hair, who was beside him, was delighted when he saw this.

“Since you stirred things up, don’t blame me.” The guy with blue hair sneered.

Then, he sat beside Qin Yu with a smile and said, “I came out to drink so I could have a good time. Sun Ying didn’t even say that she wanted to stop drinking. What are you so worked up for? Why don’t you drink for her?”

“That’s right. Why don’t you drink for her, or you shut up!” The yellow-haired boy, who was beside him, also shouted.

Yao Qing frowned slightly. He was just about to get up and berate him when he was stopped by Qin Yu.

Qin Yu sized up the yellow-haired man and the blue-haired man, then sneered. “I can drink with you, but you have to drink as much as I drink. Do you dare to?”

When the blue-haired man heard that, he was immediately overjoyed.

Wasn’t this just what he wanted?

Hence, the blue-haired man immediately nodded and said, “Of course, there’s no problem. Let’s drink alone! If you can’t outdrink me, then get lost immediately. How about that?”

“Then what if you can’t outdrink me?” Qin Yu asked back.

The guy with blue hair sneered and said, “If I can’t outdrink you, then I’ll lie on the ground and bark like a dog!”

Chapter 130: Arrogant Blondie

“Okay, it’s a deal.” Qin Yu nodded.

The blue-haired man immediately waved his hand and shouted, “Bring me all the wine!”

Soon, ten bottles of foreign wine were placed in front of Qin Yu.

“These wines are all 43 percent alcohol. I won’t bully you. Just drink as much as I do.” The blue-haired man took two cups and placed them in front of Qin Yu.

At this moment, Chen Xin hurriedly ran to Qin Yu’s side and whispered, “Qin Yu, he can drink a lot. You have to be careful.”

Qin Yu ignored her. He looked at the blue-haired man and said, “Don’t use the cups. Let’s use the bottles.”

The blue-haired man was stunned. Then, he sneered and said, “Are you kidding me? This isn’t beer. Use the bottles?”

“What, you don’t have the guts to?” Qin Yu raised his eyebrows and said.

“Why wouldn’t I have the guts to?!” The blue-haired man snorted and opened two bottles of wine. He handed one bottle to Qin Yu and held the other bottle himself.

“Bring it on. I want to see how you use the bottle.” The blue-haired man sized up Qin Yu and said.

Qin Yu didn’t stand on ceremony. He opened a bottle of wine and stuffed it into his mouth.

In just a few seconds, he emptied this bottle of foreign wine.

The people around were all stunned! Even the blue-haired man couldn’t help but swallow hard.

He had been frequenting nightclubs for so many years, this was the first time he had seen someone drink like this!

“It’s your turn.” Qin Yu looked at the blue-haired man and said with a nonchalant smile.

The blue-haired man braced himself and opened the bottle of wine. Then, he imitated Qin Yu and opened his mouth to drink it.

After half a minute, the blue-haired man finally drank the entire bottle of wine.

After he drank the bottle of wine, the blue-haired man’s expression turned ugly.

However, he had already boasted in front of yellow hair, so he couldn’t lose.

“Bring it on. Let’s continue drinking!” The blue-haired man wiped his mouth and shouted.

Qin Yu didn’t say anything. He opened the bottle of wine and drank another bottle.

The blue-haired man looked troubled.

He thought that Qin Yu was at his limit after drinking one bottle. He didn’t expect him to drink another bottle!

“It seems that he has met his opponent,” someone beside him said.

“Keep drinking. You can’t lose to him!”

“That’s right. If you lose, we will be humiliated!”

The blue-haired man had no choice but to grab the wine and pour it into his mouth again.

This time, it took the blue-haired man a full five minutes to finish the bottle of wine.

After he drank this bottle of wine, the blue-haired man's face was completely flushed.

“Do you still... still want to continue?” The blue-haired man seemed to be a little scared.

Qin Yu didn't say anything. He opened a bottle of wine and drank it all in one gulp.

This time, the blue-haired man's face turned ashen.

He drank three bottles of foreign wine in a row. After drinking it, he would probably have gastric lavage!

“If you don't dare to, then just admit defeat,” Qin Yu said with a smile.

“Who... who doesn't dare to?! I've never lost a drinking game before!” The blue-haired man gritted his teeth, grabbed the wine, and poured it into his mouth again.

But this time, the blue-haired man held the table as he started to vomit like crazy halfway through!

Qin Yu sneered at the side. He took a step back and said, “According to the agreement, you have to lie on the ground and bark like a dog. Do it.”

The blue-haired man vomited like crazy for a long time. He wiped his mouth, gritted his teeth, and said, “You must have cheated!”

“What? You can’t afford to lose?” Qin Yu sneered.

“F * ck you!” The blue-haired man cursed.

“F * ck off, or don’t blame me for being rude!” The blue-haired man grabbed the bottle and cursed.

Qin Yu didn’t want to argue with these punks, so he didn’t say anything. He grabbed Sun Ying and was ready to leave.

“Who the f * ck told you to take Sun Ying away? I told you to scam by yourself!” The blue-haired man cursed.

The yellow-haired man beside him waved his hand, and everyone in the room quickly stood up.

“Hurry up and scam. Don’t ruin our fun.” The yellow-haired man waved his hand and said.

Qin Yu couldn’t help but sneer. “I didn’t ask you to bark like a dog, so shouldn’t you be thanking me? What, it’s bad enough that you’re a sore loser, but now you’re playing dirty with me?”

The yellow-haired guy smiled nonchalantly. “I’m sorry, but this is how we do things!”

“You actually expect me to bark like a dog? If you don’t leave now, I’ll make you bark like a dog!” The blue-haired guy held a wine bottle and pointed at Qin Yu’s nose as he scolded.

Qin Yu narrowed his eyes. He suddenly smashed the wine bottle in the blue-haired guy’s hand!

Then, Qin Yu stretched out his hand and pressed it on the blue-haired guy’s shoulder!

In an instant, the blue-haired man felt immense weight, as if he was carrying two mountains on his shoulders. His legs went soft and he fell to the ground.

“Bark like a dog for me,” Qin Yu said as he looked at the blue-haired man coldly.

The blue-haired man hadn't said anything yet when the blondie, who was at the side, flew into a rage!

“You actually dared to make a move? You're digging your own grave!” the blondie snorted coldly.

Then, the blondie shouted, “Get him for me!”

Seven to eight young men instantly rushed towards Qin Yu.

“Yao Qing!” Qin Yu shouted, and Yao Qing immediately rushed out as quickly as an arrow!

In just a few minutes, these seven to eight young men were all lying on the ground while wailing non-stop!

When he saw this scene, the yellow-haired guy's expression turned livid.

“There's only you left. Do you want to lie down yourself, or do you want me to beat you down?” Yao Qing said while rubbing his fist.

The yellow-haired man gritted his teeth and said, “If you dare to beat me up here, you're dead meat. My cousin is the manager here!”

“Yes, dude, go and call your cousin over quickly!” The blue-haired man also shouted.

Qin Yu couldn't be bothered to argue with these people. He walked in front of Sun Ying, pulled her up, and prepared to leave.

“What? Are you afraid?” The yellow-haired man hurriedly shouted.

“Let me tell you, you can run, but Sun Ying can't run!”

“Sun Ying, if you dare to leave, I'll screw you!” The blondie pointed at Sun Ying and shouted.

When he heard this, Qin Yu's expression instantly turned cold.

He stopped in his tracks and looked at the blondie coldly. “Go and call your cousin over. I'll wait here.”

“Okay, whoever leaves is a sucker!!” The blondie said and hurriedly ran out.

After he left, Chen Xin hurriedly ran to Qin Yu's side and said with a worried expression, “Qin Yu, hurry up and leave. This KTV belongs to Lu Shuming. You just offended the Liu family. If you offend the Lu family again, you'll be in trouble.”

“Lu Shuming's?” Qin Yu raised his eyebrows and couldn't help but smile.

“What a coincidence. I'll wait for him here.” Qin Yu immediately sat down on the sofa.

Chen Xin's face was pale, and she was extremely worried.

She had never thought that things would come to this!

Soon, the yellow-haired man returned to the private room.

He kicked open the door of the private room and swaggered in. Behind him were seven to eight tattooed men..

Chapter 131: The Shameless Wu Hongchang

“Cousin, it’s him!” The blondie said as he pointed at Qin Yu’s nose.

As soon as he finished speaking, he saw a young man walking over.

He rubbed the ring on his finger and slowly walked over to Qin Yu.

“It’s you who beat up my cousin?” The young man sized up Qin Yu and said.

“Why don’t you ask him why he was beaten up?” Qin Yu sneered.

“I don’t care about that. Since you dared to beat up my cousin, I’ll cripple you today!” The young man snorted coldly.

Qin Yu guessed that he was also an unreasonable person, so he waved his hand and said, “You’d better call Lu Shuming over.”

The young man froze, and then he said angrily, “Mr. Lu has a lot of affairs to attend to every day. How can you call him over so casually?”

“If you don’t call him, I will.” Qin Yu took out his phone and called Lu Shuming.

Soon, Lu Shuming picked up the phone.

He said enthusiastically on the phone, “Mr. Qin, why are you calling me so late at night?”

Qin Yu said, “Mr. Lu, you own Midnight KTV?”

Lu Shuming froze and quickly said, “Yes, I’m at Midnight KTV right now. Do you want to come to have some fun? I’ll arrange it for you right away!”

“No, I’m at Midnight KTV right now. Your manager threatened to cripple me,” Qin Yu said with a cold smile.

Lu Shuming’s expression immediately changed. He hurriedly asked, “Mr. Qin, where are you? I’ll be there right away!”

“Room 888,” Qin Yu said.

“Okay, I’ll be there right away!” Lu Shuming said anxiously.

After hanging up the phone, Qin Yu looked at the blonde’s cousin.

“Lu Shuming will be here right away,” Qin Yu said nonchalantly.

“Hehe, I think you’ve had too much to drink. Who do you think you are? Do you think you can call for President Lu just because you want to?” The young man couldn’t help but sneer.

Qin Yu didn’t want to waste time with him, so he didn’t say anything more.

The blonde’s cousin snorted coldly. He waved his hand and said, “Let’s cripple him.”

“Break his legs!” The blonde said fiercely from the side.

“No problem.” His cousin’s expression was calm.

These seven to eight strong men immediately walked towards Qin Yu. They looked fierce, and it was obvious that they weren’t to be trifled with.

At this moment, the door of the private room was suddenly opened.

Then, they saw Lu Shuming standing at the door as he panted.

When he saw Lu Shuming, the blonde's cousin froze.

He hurriedly went up to him. He said obsequiously, "Mr. Lu, why are you here?"

Lu Shuming ignored him and walked to Qin Yu quickly.

"Mr. Qin, are you okay?" Lu Shuming said somewhat anxiously.

Qin Yu smiled and said, "I'm fine, Mr. Lu. The manager of your KTV is so impressive."

Lu Shuming's expression changed. Qin Yu had just saved his life, yet now, such an incident had happened. How could Lu Shuming not panic?

"Mr. Qin, don't worry. I won't let him off easily!" Lu Shuming said with a forced smile.

Then, Lu Shuming turned to look at the manager.

At this time, the manager was already scared sh*tless.

He said with a terrified look, "Mr. Lu, I didn't know he knew you. Please... Please spare me..."

Lu Shuming said coldly, "Spare you? I think you're too arrogant. You even dare to offend Mr. Qin!"

The manager hurriedly knelt in front of Qin Yu and begged desperately, "Mr. Qin, I know I was wrong. Please forgive me this time..."

“Alright, you guys can drag him out.” Lu Shuming waved his hand impatiently.

“Yes, Mr. Lu.” The seven to eight strong men immediately changed their stances and dragged the manager out.

Not far away, the yellow-haired man was trembling with fear. He didn’t expect Qin Yu to have such powerful connections!

“Sir, I... I was wrong...” the yellow-haired man said with quivering lips.

But the yellow-haired man didn’t expect Qin Yu to completely ignore him.

It was obvious that Qin Yu didn’t take this yellow-haired man seriously at all. No matter how he pleaded, he was still ignored.

This made the yellow-haired man feel extremely humiliated, but he didn’t dare to say anything.

Lu Shuming walked to Qin Yu’s side and said, “Mr. Qin, let’s go to the private room next door and chat.”

Qin Yu glanced at Sun Ying, who was barely conscious on the sofa, and shook his head. “Forget it. I still have something to do, so I won’t chat anymore.”

Lu Shuming didn’t say anything more and nodded in agreement.

Then, Qin Yu picked up Sun Ying and walked out of the KTV.

“Do you know where her home is?” After getting into the car, Qin Yu looked at Chen Xin and asked.

Chen Xin said with some surprise, “Aren’t you her brother-in-law? You actually don’t know where her home is?”

“I’ve never been there,” Qin Yu said expressionlessly.

Chen Xin secretly stuck out her tongue, and then said, “Then I’ll take you there.”

Qin Yu agreed, and then signaled Yao Qing to drive.

...

In the Liu family’s villa.

“Dad, you absolutely can’t let it go like this. You absolutely can’t give the Water Dragon Cave to Qin Yu!” Liu Shihui said through gritted teeth.

Liu Yi glanced at him and snickered. “Of course. During this period of time, I sent someone to Jingdu to investigate and confirmed that the Yan family won’t interfere.”

When he heard this, Liu Shihui’s eyes immediately lit up and said somewhat excitedly, “Really?”

“Absolutely.” A cold look flashed in Liu Yi’s eyes.

“Since the Yan family won’t interfere, I definitely won’t let him off the hook!” Liu Yi said with a sinister expression.

The reason the Liu family kept a low profile during this period of time was because they had sent people to Jingdu.

After knowing that the Yan family wouldn’t interfere, Liu Yi relaxed completely.

“Mr. Liu, a person called Wu Hongchang requests to see you.” At this moment, a subordinate suddenly walked in and said.

“Wu Hongchang?” Upon hearing this name, Liu Yi couldn’t help but frown slightly.

“Isn’t he Lu Shuming’s subordinate?”

“Haha, that’s all in the past.” At this moment, Wu Hongchang walked in from outside the door.

He smiled nonchalantly and said, “Mr. Liu, how have you been?”

Liu Yi sized up Wu Hongchang and was a little nervous for a moment.

Because among all the hangers-on of the Liu family, only Tao Shan could deal with Wu Hongchang.

Wu Hongchang noticed Liu Yi’s worried look, so he smiled nonchalantly and said, “Mr. Liu, don’t be nervous. I’m here to defect.”

“Defect?” Liu Yi was even more confused.

“Aren’t You Lu Shuming’s subordinate? As far as I know, Lu Shuming treats you quite well.” Liu Yi asked suspiciously.

Wu Hongchang snorted and said, “A talented person is free to choose his own boss. Moreover, Lu Shuming won’t have any big developments. He’s short-sighted and bad at discerning the real deal from wannabies. I’ve decided not to help him anymore.”

Wu Hongchang’s shamelessness was indeed shocking. He was obviously chased away by the Lu family, but he acted like he had abandoned the Lu family.

“Why should I believe you? Who knows if you were sent by Lu Shuming.” Liu Yi narrowed his eyes and said.

Wu Hongchang laughed loudly and said, “What kind of person am I, Wu Hongchang? I have countless followers! Not to mention that I’m the one who abandoned Lu Shuming.”

At this point, Wu Hongchang paused for a moment and said with a nonchalant smile, “As far as I know, you have a grudge with Qin Yu, right?”

Liu Yi nodded. This matter had already spread throughout South City and even Chuzhou. It wasn’t strange for Wu Hongchang to know.

Wu Hongchang said with a nonchalant smile, “To tell you the truth, I don’t like him either.. I’ve decided to seek justice and help the Liu Family salvage its dignity!”

Chapter 132: Wu Hongchang’s Goodwill

Upon hearing Wu Hongchang’s words, Liu Yi couldn’t help but show surprise on his face.

In South City, Wu Hongchang was considered quite famous.

Plus, barely anyone knew that he had been beaten by Qin Yu.

“Mr. Wu, are you serious? Qin Yu isn’t easy to deal with.” Liu Shihui hurriedly asked before Liu Yi could speak.

Wu Hongchang snorted and said, “In my opinion, Qin Yu isn’t worth mentioning at all!”

“That’s right, that’s right. Mr. Wu, you’ve been famous for many years, so it’s a piece of cake for you to deal with Qin Yu.” Liu Yi said with a smile.

Wu Hongchang said with a nonchalant smile, “If Mr. Liu trusts me, give me two days. I’ll bring Qin Yu’s head to you!”

“Are you serious?” Liu Yi’s expression was joyful as he hurriedly asked.

Wu Hongchang nodded and said, “I’ll do as I say! But after the matter is done, I want 10% of the Liu family’s shares. Is that alright?”

“No problem!” Liu Yi hurriedly nodded and said.

“Alright, then we’ll meet the day after tomorrow.” Wu Hongchang stood up and walked out cockily.

After Wu Hongchang left, Liu Shihui couldn’t help but sneer and said, “With Mr. Wu’s help, Qin Yu will definitely be dead meat!”

“That’s right. In all these years, Wu Shichang has never been defeated by anyone besides Tao Shan. Dealing with Qin Yu is a piece of cake.” Liu Yi sneered.

...

Yao Qing drove for a long time and finally sent Sun Ying home.

Sun Ying’s family lived in a high-end residential area in South City. Although this wasn’t a single-family villa, each home was extremely large. Even the smallest home was at least 300 square meters.

“This is Sun Ying’s home,” Chen Xin pointed and said.

Qin Yu nodded. After the car was parked, Qin Yu carried Sun Ying into the residential area.

They arrived at the door of Sun Ying's home. Qin Yu stretched out his hand and knocked on the door. Not long after, Sun Ying's father, Sun Fu, opened the door and walked out.

The moment he saw Qin Yu, Sun Fu's expression immediately changed.

When he saw Sun Ying in Qin Yu's arms, his entire face flushed quickly!

"Qin Yu, how dare you touch my daughter?! I won't forgive you!" Sun Fu said aggressively and pounced towards Qin Yu.

But before he could touch Qin Yu, he was kicked to the ground by Yao Qing.

"Are you out of your mind?" Yao Qing couldn't help but say with a cold expression.

Sun Fu got up from the ground, pointed at Qin Yu and scolded, "You good-for-nothing dared to touch my daughter! You beast!"

Qin Yu said with a cold expression, "Sun Ying drank too much. I just sent her home."

"You forced my daughter to drink? She is only a teenager, yet you let her drink so much. What are your intentions?" Sun Fu was still unwilling to let it go.

Chen Xin quickly explained, "Sir, it has nothing to do with Qin Yu. If it weren't for Qin Yu, Sun Ying would have been in danger tonight. You should thank him."

"Bah! You guys are in cahoots and lying to me." Sun Fu snorted coldly.

Qin Yu couldn't help but sigh inside.

As expected of Sun Yumei's younger brother, Sun Fu acted just the same.

"Believe it or not, it has nothing to do with me." Qin Yu put Sun Ying on the ground, then turned around and left.

Sun Fu scolded from behind, "Just you wait. If anything happens to my daughter, I won't spare you, you piece of trash!"

Qin Yu didn't say anything and turned around to leave.

After going downstairs, Chen Xin couldn't help but say, "Why is Sun Ying's father like this? He's so unreasonable."

"Their whole family is the same," Qin Yu snickered.

Chen Xin stuck out her tongue and didn't say anything.

After that, Qin Yu sent Chen Xin to school and then returned to the hotel.

The next day, after Qin Yu woke up, he went to the balcony.

As he sat on the balcony, he couldn't help but think about the Chinese Medicine Conference.

"There's less than a week left until the Chinese Medicine Conference. It's time to prepare," Qin Yu thought to himself.

According to Mr. Yang, as long as he got first place in the Chinese Medicine Conference, he would be able to obtain a hundred-year-old herb stalk.

This was a rare opportunity for Qin Yu.

He sat cross-legged on the balcony and whispered, “According to the records of the inheritance, producing spiritual fire is possible at the Foundation Establishment Stage, and spiritual fire is extremely useful for refining medicine.”

Thinking of this, Qin Yu closed his eyes.

He gathered all the spiritual power in his body in his palm and tried to conjure the spiritual fire according to the method recorded in his memory.

Soon, Qin Yu’s palm felt a trace of heat flow.

This heat flow became more and more intense in Qin Yu’s palm, and the burning sensation was somewhat unbearable for Qin Yu.

“Phew!”

At this moment, a flame ignited in Qin Yu’s palm out of thin air!

Qin Yu hurriedly opened his eyes and saw that the flame, a little dim under the sunlight, was light blue in color.

“So conjuring spiritual flames is that simple.” Qin Yu couldn’t help but mutter.

If others heard this, they would definitely be extremely angered.

There was no telling how many top alchemist masters had been unable to succeed despite studying it for a lifetime.

After that, Qin Yu flicked his finger, and this wisp of spiritual flame floated out from Qin Yu’s palm.

The flame fell onto the ground and flickered for a long time.

It was only a small spark, but it actually burned for more than half an hour.

When the flame disappeared, a black hole actually appeared on the ground.

“Spiritual fire really lives up to its reputation. If it can be used to refine medicine, it will be twice the result with half the effort,” Qin Yu thought to himself.

Although that was the case, controlling it was very difficult.

If it wasn't properly controlled, the wild flames might burn the herbs into ashes.

Qin Yu stood up from the balcony. At this moment, there was a knock on the door.

As soon as the door opened, he found Wu Hongchang standing at the door.

“What are you doing here?” Qin Yu didn't have a good impression of Wu Hongchang at all. A trace of disgust flashed across his face.

Wu Hongchang hurriedly bowed and said, “Mr. Qin, I'm here to apologize to you.”

“Apologize?” Qin Yu was a little surprised.

“Yes. I didn't know how powerful you were before, so I hope you won't blame me for being rude to you,” Wu Hongchang said respectfully.

Yao Qing couldn't help but sneer. “Wu Hongchang, you were chased away by the Lu family, so you're anxious, aren't you?”

Wu Hongchang glanced at Yao Qing and said with a smile, “My young friend, you’re wrong. With my abilities, any aristocratic family would scramble to recruit me.”

It was true. Although Wu Hongchang liked to brag, he was still an Inner Strength Master Hands. Even without the Lu family, he could fend for himself.

“Mr. Qin, in order to express the sincerity of my apology, I specially prepared a gift for you,” Wu Hongchang continued.

Then, Wu Hongchang took out a pill that was emitting a green light from his pocket.

This pill looked crystal clear, and it was enveloped in a faint medicinal aroma.

“This is a medicinal herb that I have treasured for many years. I hope that I can get Mr. Qin’s forgiveness,” Wu Hongchang said politely.

As the saying went, one shouldn’t slap someone with friendly intentions.

Since Wu Hongchang’s attitude was so humble, Qin Yu couldn’t treat him coldly.

“There’s no need for that. Come in and have a seat,” Qin Yu said.

Seeing this, a crafty look flashed across Wu Hongchang’s face.

“Okay. Thank you, Mr. Qin.” Wu Hongchang bowed and then strode in..

Chapter 133: I Was Poisoned, But Not Completely

Wu Hongchang’s attitude was extremely humble, and he was no longer as arrogant as before.

He sat opposite Qin Yu and handed over the pill with both hands.

“I hope that you and I can turn over a new leaf. I also hope that Mr. Qin can give me some pointers.” Wu Hongchang said courteously.

Qin Yu took a look at the pill and shook his head. “Mr. Wu, you don’t have to be so polite. You can take this pill back. As for giving pointers, we can talk to each other.”

When he heard this, Wu Hongchang hurriedly stood up and said with slight fear, “Mr. Qin, please accept this pill! Otherwise, my conscience won’t allow it!”

Qin Yu looked at the pill and contemplated it for a moment. Then, he nodded and said, “Alright, then I can only accept it.”

This pill looked quite attractive. Although it couldn’t be compared to those hundred-year-old herbs, it would definitely be helpful in increasing one’s strength.

After Qin Yu accepted the pill, the two of them began to chat.

Wu Hongchang talked about his past and how he had come this far from nothing.

This made Qin Yu empathize with him somewhat, because Wu Hongchang’s past hardships were too similar to his own.

“Mr. Qin, your future is full of potential. Yet at my age, there’s no hope anymore.” Wu Hongchang sighed.

When he heard this, Qin Yu smiled and comforted him, “Mr. Wu, you don’t have to underestimate yourself. There are very few people who can reach your level.”

Wu Hongchang forced a smile and said, “That being said, I have been stuck at the Inner Strength Master Hands level for more than ten years. I just can’t pass that level.”

When he heard this, Qin Yu contemplated it for a moment.

He walked to Wu Hongchang and said, “You might as well try to use your Inner Strength to break through the major acupoints. Maybe it will work.”

Martial arts training and spiritual cultivation were essentially the same. The only difference was that one relied on Inner Strength, while the other relied on spiritual energy.

Therefore, Qin Yu’s experience could also be used in martial arts training.

When he heard this, Wu Hongchang hurriedly closed his eyes and tried to break through the acupoints according to Qin Yu’s method.

A few minutes later, Wu Hongchang opened his eyes in surprise and said excitedly, “It really works! Mr. Qin, you’re really a genius. I have never heard of such a method before!”

“Maybe you have never seen it before.” Qin Yu said with a smile.

Wu Hongchang was extremely excited. He had been stuck at this level for many years and had never made any progress. Now that he knew of Qin Yu’s method, he was suddenly filled with hope.

“Mr. Qin, then I won’t stay any longer. I want to try to break through to the Inner Strength Past Master level. I will never forget your kindness!” Wu Hongchang stood up and said respectfully.

“You’re too courteous, Mr. Wu.” Qin Yu nodded slightly.

After sending Wu Hongchang away, Yao Qing couldn't help but say, "Wu Hongchang is a cunning villain. You helping him is pointless and it'll never be reciprocated!"

Qin Yu smiled and didn't explain.

After taking something from him, he naturally couldn't take it for free.

Then, Qin Yu took out the pill that Wu Hongchang sent over.

He rubbed it in his hand for a moment and said, "This pill might benefit me substantially."

Thinking of this, Qin Yu swallowed the pill.

After the pill entered his stomach, Qin Yu closed his eyes slightly.

Yao Qing, afraid of disturbing Qin Yu, stood at the side and didn't say a word.

A few minutes later, Qin Yu's expression suddenly changed, then he clutched his stomach and cried out in pain!

"It hurts... my stomach hurts so much. It's like a bomb exploded..."
Drops of sweat dripped down from Qin Yu's forehead! He let out a miserable roar!

Yao Qing, who was at the side, panicked. He said anxiously, "Mr. Qin, are... are you okay? I... I'll send you to the hospital right now!"

As soon as he said that, the door of the room was suddenly kicked open!

Then, he saw Wu Hongchang standing at the door proudly.

"Hahaha, Qin Yu, you finally fell into my hands!" Wu Hongchang couldn't help but laugh.

“It was you!” Yao Qing was immediately enraged. He clenched his fist and rushed towards Wu Hongchang!

However, Wu Hongchang was an Inner Strength Master Hands after all. His strength definitely far surpassed Yao Qing’s.

Wu Hongchang waved his hand, and Yao Qing was instantly sent flying!

“Humph, a mere ant dares to make a ruckus in front of me?” Wu Hongchang said indifferently.

Yao Qing couldn’t help but feel angry. He gritted his teeth and said, “Mr. Qin was kind enough to help you breakthrough, but you backstabbed him. What sort of person are you?!”

Wu Hongchang didn’t care at all. Instead, he said proudly, “This is called ‘all is fair in war’. Qin Yu, you’re still too naive.”

Qin Yu held his stomach and said with difficulty, “You... what exactly is this thing...”

Wu Hongchang laughed and said, “This is a poison that I bought from an expert in the southwest when I was traveling a few years ago.”

“As long as you take this medicine, your body will be powerless and your Inner Strength will dissipate!”

“Qin Yu, currently, you’re no different from an ordinary person!”

Qin Yu gritted his teeth and said, “Wu Hongchang, you’re really despicable!”

Wu Hongchang sneered and said, “You deserve it. How dare a youngster try to steal my limelight? You deserve to die!”

Qin Yu held his stomach and squinted his eyes as he said, “You want to kill me because of this reason?”

“There are many reasons to kill you. I don’t like you. Does this count?”
Wu Hongchang snickered.

Qin Yu couldn’t help but show anger. In the eyes of these people, were human lives that trivial?

He looked at Qin Yu, who was lying on the ground and wailing. He couldn’t help but mutter, “The seller didn’t say that this medicine would cause stomach pain. I didn’t expect it to have an unexpected effect.”

“Huh? It won’t cause stomach pain?” Qin Yu was stunned.

“But... doesn’t poison usually cause stomach pain?” Qin Yu muttered.

When he heard this, Wu Hongchang said impatiently, “How would I know? Maybe I’m wrong. In short, you’re going to die today!”

Qin Yu suddenly came to a realization. He took his hand away from his stomach and said with a smile, “You didn’t remember wrong. I guessed wrong.”

“What do you mean?” Wu Hongchang couldn’t help but be puzzled.

“Nothing.” Qin Yu didn’t explain anything. Instead, he stood up from the ground.

He dusted his body and grinned. “Wu Hongchang, an ungrateful person like you really makes people feel disgusted. I should have beaten you to death back then.”

Wu Hongchang wasn’t fazed. He snickered and said, “So what? You’re already powerless now. What’s the point of saying all this?”

“Yeah.” Qin Yu sighed.

“I’m already crippled now. Hurry up and do it.”

Wu Hongchang snorted coldly and said, “You don’t need to remind me!”

As soon as he finished speaking, Wu Hongchang rushed towards Qin Yu!

Qin Yu didn’t dodge. He simply let his fist land on his body.

“Clang!” A loud sound was heard! Wu Hongchang felt that his fist seemed to have hit a piece of steel and his wrist was in extreme pain!

“How is that possible?!” Wu Hongchang’s expression suddenly changed.

“You... you weren’t poisoned at all?” Wu Hongchang couldn’t help but take two steps back.

Qin Yu grinned and said, “I was poisoned, but not completely..”

Chapter 134: Reckoning!

Wu Hongchang’s face was as pale as a sheet of paper. Fear had already occupied his entire mind!

“No... Impossible!” Wu Hongchang roared angrily and clenched his fist once again!

This time, Qin Yu raised his hand and met it with a punch.

“Kacha!”

A terrifying force traveled from Wu Hongchang’s fist to his entire arm!

With this punch, Wu Hongchang’s entire arm actually shattered!

“Ah! ! !” Wu Hongchang couldn’t help but shout out in pain.

Qin Yu sneered and said, "It seems that I was too soft-hearted. But speaking of which, I have to thank you. In the future, I will remember to never show mercy to people like you."

Wu Hongchang was already panicking. He retreated and said in horror, "Qin... Qin Yu, it was Liu Yi who sent me here. It has nothing to do with me. If you want to settle the account, go look for him..."

"Liu Yi?" Qin Yu frowned slightly.

"That's true. It's time for the enmity with the Liu family to be ended," Qin Yu said coldly.

Wu Hongchang hurriedly nodded and said, "Yes, yes. You should go look for the Liu family. Go look for them!"

Qin Yu sneered and said, "Okay, but I will bring you with me."

After saying that, Qin Yu took a step forward and punched Wu Hongchang's lower abdomen fiercely.

With a loud bam, Wu Hongchang was sent flying!

His internal organs were instantly blown apart, and blood gushed out of his mouth like a fountain!

Wu Hongchang fell to the ground. He tried to get up, but Qin Yu raised his foot and stomped on his chest!

With this stomp, Wu Hongchang's chest instantly sank several degrees! His bones were shattered!

And Wu Hongchang didn't even have time to repent before he died.

Qin Yu, his face emotionless, looked at his corpse.

He turned around and walked in front of Yao Qing while saying, “Are you okay?”

Yao Qing shook his head, then said with some surprise and joy, “Mr. Qin, you already knew?”

Qin Yu shook his head and said, “I didn’t know, but I was wary toward Wu Hongchang.”

What a joke. Qin Yu wouldn’t even completely believe in Lei Hu, let alone Wu Hongchang?

The moment Qin Yu swallowed the pill, he isolated it with spiritual energy.

The moment the spiritual energy touched the pill, it turned black, so Qin Yu knew that there was something wrong with the pill.

“Sigh, looks like I have to go to the bathroom to poop it out,” Qin Yu muttered.

After saying that, Qin Yu went straight to the bathroom.

Ten minutes later, Qin Yu took Wu Hongchang’s corpse and left the hotel to head straight for the Liu family’s home.

“Mr. Liu, it’s my great honor to be able to work with you. I will remember your great kindness!” Sun Fu was holding a glass of wine with an obsequious look on his face.

Liu Yi glanced at him, and a trace of disdain flashed across his face.

If it wasn’t because of the incident with Qin Yu that caused the Liu family’s business to dwindle, Liu Yi wouldn’t even consider Sun Fu.

“I never dreamed that I, Sun Fu, would have the qualifications to work with you. Mr. Liu, I... I’ll drink all of this!” Sun Fu held his wine cup and said excitedly.

Liu Yi just nodded casually and didn’t even say anything.

Sun Fu was the only one at the dining table who was chatting non-stop, but the Liu family’s father and son didn’t say a word.

“Enough. Don’t you find it annoying to be chattering nonstop?” Liu Shihui said impatiently.

A hint of embarrassment flashed across Sun Fu’s face. He said with a sheepish smile, “I’m sorry, Young Master Liu. I... I’ll punish myself with three cups!”

“If you like to drink so much, take the bottle and drink it all.” Liu Shihui grabbed the bottle and placed it on the table with a clang.

Sun Fu knew that Liu Shihui was making things difficult for him, but he had no choice but to submit to them.

Therefore, he gritted his teeth, grabbed the bottle of wine, and said, “Okay, I’ll drink the entire bottle!”

“What an idiot,” Liu Shihui couldn’t help but mutter.

His voice wasn’t loud, but Sun Fu heard it clearly.

Although he was angry inside, he didn’t dare to flare up.

At this moment, the door of the living room was suddenly kicked open!

Then, they saw Qin Yu walk in from outside the door.

The moment they saw Qin Yu, the three people in the living room stood up at the same time!

Before the Liu family's father and son could say anything, Sun Fu pointed at Qin Yu and scolded, "What are you doing here? Is this a place where someone like you can come? If there's anything, wait for me to go home!"

After saying this, Sun Fu hurriedly apologized to the Liu family's father and son, "Mr. Liu, Young Master Liu, I'm sorry. I'll let him go now."

Then, Sun Fu pulled Qin Yu to the side and said with a dark expression, "Get out of here. Do you hear me? If you ruin my business, I'll kill you!"

Qin Yu sneered. "Do you think I'm here to find you?"

"What else could you be here for? Don't think I don't know about your ulterior motives!" Sun Fu said impatiently.

He took out a few hundred yuan from his pocket and threw them to Qin Yu while saying with a cold expression, "Get out of here quickly!"

Qin Yu couldn't help but feel baffled. Sun Fu was too full of himself.

Sun Fu was about to say something when Liu Shihui shouted, "Qin Yu, you actually dare to come to my house? How dare you?!"

"Why wouldn't I dare to come?" Qin Yu said with a cold expression.

Sun Fu was stunned. He looked at Liu Shihui in a daze and said in shock, "Young Master Liu, you... you know him?"

Liu Shihui ignored Sun Fu and said through gritted teeth, "Qin Yu, you won't be able to stay arrogant for long. To tell you the truth, we have already sent someone to take your life!"

“Take my life? With that trash Wu Hongchang?” Qin Yu raised his eyebrows and pointed at the door.

The Liu family’s father and son turned their heads to look and saw Wu Hongchang’s body hanging on the door! It looked extremely horrifying!

Their expressions changed dramatically!

Wu Hongchang... was actually dead?

Qin Yu sat on the sofa. He poured himself a glass of water and said coldly, “Even if you want to find someone to kill me, you should find someone decent. You found this kind of trash to send himself to his death?”

The Liu family’s father and son couldn’t help but feel a little nervous. Liu Yi even took two steps back.

“Qin Yu, what... what do you want to do?” Liu Yi said with a cold expression.

Qin Yu glanced at him and said coldly, “What do I want to do? What do you think?”

“When you sent people to kill me, you should have considered the consequences.”

Liu Yi gritted his teeth and tried his best to remain calm as he said, “Qin Yu, tell me. What do you want to do?”

Qin Yu sneered. “How about this? Both of you kneel down and apologize to me sincerely. Then, I can consider sparing you guys.”

“In your dreams!” Liu Yi immediately flew into a rage!

“Qin Yu, who do you think you are? How dare you make us kneel down and apologize? For the Liu family, killing you is like... Ah!”

Before Liu Shihui could finish his words, Qin Yu had already slapped him.

Liu Shihui's body was sent flying and he crashed into the wall!

Qin Yu slowly stood up from the sofa. He emitted a terrifying murderous aura!

“I was too merciful to you guys in the past. You guys really thought I was a pushover, didn't you?” Qin Yu narrowed his eyes menacingly.. Even the atmosphere in the room tensed up!

Chapter 135: Tao Shan of the Liu Family!

When they sensed Qin Yu's killing intent, the Liu family's father and son instantly looked extremely apprehensive. In the depths of their hearts, an intense sense of fear even surfaced!

“Qin Yu, I don't think there is any grudge between us. Why don't we sit down and have a good talk?” Liu Yi actually gave in!

After hearing his words, Qin Yu couldn't help but sneer. “Sure. Kneel down and apologize to me first. Then we can talk.”

Liu Yi gritted his teeth and said, “Qin Yu, is this your attitude? Don't you think it's out of line to ask us to kneel down?”

“Out of line?” Qin Yu's expression instantly turned cold.

He looked at Liu Yi coldly and said, “When you asked someone to kill me, did you think it was out of line? Now, I just want you to kneel down and apologize. Do you think that's unfair?”

Liu Yi was instantly speechless. He had nothing to say.

“Qin Yu.” Liu Yi took a deep breath.

“I really want to talk to you. Do you have to be so ruthless?” Liu Yi roared.

When he heard this, Qin Yu couldn't help but laugh out loud.

“Liu Yi, don't you think it's funny to say this? If Wu Hongchang killed me, would I still be standing here? Or rather, I'm just an unarmed ordinary person, would you still try to talk things out with me?” Qin Yu's voice was sonorous.

Liu Yi immediately fell into silence.

After a moment of silence, he said, “I've already given you the Water Dragon Cave. You can raise other conditions.”

“I only want you two to kneel down and admit your mistakes,” Qin Yu pointed to the ground and said.

Liu Yi sighed and slowly said, “I'm already so old. Do you think it's appropriate for me to kneel down? Let's sit down and have a chat first. Is that okay?”

Liu Yi looked sincere, but a hint of craftiness flashed in his eyes.

Although it was only a flash, it still couldn't avoid Qin Yu's eyes.

“Mr. Liu, the same move will lose its effect after being used twice.” Qin Yu sneered repeatedly.

Liu Yi's expression changed. He pretended to be puzzled and said, “What do you mean?”

“You’re stalling for time and waiting for Tao Shan, right?” Qin Yu said coldly.

Liu Yi’s expression changed again! He never expected that his thoughts would be seen through by Qin Yu!

“Alright, I will give you this opportunity. Coincidentally, I also want to see what abilities Tao Shan has,” Qin Yu said indifferently.

As soon as he finished speaking, he saw an extremely burly man walk in from the door!

The burly man was more than two meters tall, like a small mountain!

“Tao Shan, you’re finally here!” Liu Yi was immediately overjoyed. Without saying anything, he ran in Tao Shan’s direction.

Tao Shan swayed his huge body and bowed slightly. “Mr. Liu, sorry for my tardiness.”

“No. You came just at the right time!” Liu Yi couldn’t help but look smug.

He looked at Qin Yu with a crafty expression and said with a wicked smile, “You’re still too naive. You want me to apologize to you? Are you even worthy of it?”

When he heard Liu Yi’s words, Qin Yu couldn’t help but shake his head slightly.

Liu Yi was really sly.

“Tao Shan, there’s no need to talk nonsense with him. Kill him immediately!” Liu Yi pointed at Qin Yu and ordered.

Tao Shan didn't say anything. He rubbed his huge fist and walked towards Qin Yu.

The two of them looked at each other. One was tall while the other was short, forming a sharp contrast.

However, there wasn't the slightest hint of panic on Qin Yu's face. On the contrary, he was extremely calm.

"Qin Yu, you're very courageous. To be honest, I admire you a little." At this moment, Tao Shan suddenly said.

Qin Yu raised his eyebrows. "Oh really?"

Tao Shan sighed. "To go against a prominent family on my own is something that I have thought of but never dared to do. That is why I admire you."

"Cut the crap. D*mn it, kill him immediately!" Liu Yi couldn't help but roar.

Tao Shan continued, "Unfortunately, I am indebted to the Liu family, so I have to work for the Liu family. Let's do it."

Tao Shan was quite high-minded. He took two steps back, as if waiting for Qin Yu to make a move.

"Then I will have to make the first move." Qin Yu immediately conjured his spiritual power and rushed towards Tao Shan!

Tao Shan wasn't in a hurry. He raised his fist that was the size of a casserole and smashed it down!

"Boom!" A loud sound was heard! Tao Shan's huge body was actually pushed back three to four steps!

On the other hand, Qin Yu was also pushed back a few steps. His wrist was even in pain from the impact!

“What a tough body!” Qin Yu’s eyes flashed with a hint of surprise.

Tao Shan also exclaimed, “As expected of the person who killed Wu Hongchang.”

“Tao Shan, are you trying to mess with me?! Kill him quickly!” Liu Yi couldn’t help but curse.

Tao Shan ignored Liu Yi. He fixed his eyes on Qin Yu and said slowly, “Qin Yu, I am indebted to them and work for them, so I can only kill you today.”

After saying this, Tao Shan took off his clothes to reveal his strong muscles.

Tao Shan’s muscles appeared like pieces of hard stones attached to his body. Under the light, they were even glistening!

“What a strong body!” Qin Yu was even more surprised!

Unlike ordinary muscular men, Tao Shan’s muscles really looked like a suit of armor!

“I don’t have any other hobbies and I’m obsessed with martial arts. Although I’m only an Inner Strength Master Hands, I’m also a Cross-training Master,” Tao Shan said as he shook his huge body.

“Cross-training Master?” Qin Yu couldn’t help but feel a little surprised.

Qin Yu had heard of Cross-training Masters. They specialized in body training, and they polished the body to be as hard as a stone!

Rumor had it that even a bullet couldn't penetrate a top-notch cross-training master!

Qin Yu said with some anticipation, "I heard that the body of the cross-training master is like steel. I wonder if it's true or not."

Compared to Tao Shan, Wu Hongchang simply wasn't worth mentioning!

Tao Shan said in a deep voice, "You'll know when you try."

After saying that, Tao Shan roared angrily, and the muscles on his body actually expanded a few times!

Not only that, but his body seemed to have a golden hue that looked extremely dazzling!

"I combined my Inner Strength with Cross-training. My body has already reached an indestructible level. I'm not even afraid of an Inner Strength Past Master," Tao Shan said coldly.

"How powerful!" Qin Yu thought to himself.

"I have to say, with Tao Shan around, Lu Shuming is really no match for the Liu family," Qin Yu muttered in a low voice.

Not far away, Liu Yi sneered and said, "Of course. If it weren't for Tao Shan's principle of not killing the old and the young, Wu Hongchang would have died long ago!"

Qin Yu nodded slightly. At this time, he suddenly changed the topic and said coldly, "It's a pity that the Liu family offended someone they shouldn't have offended.."

Chapter 136: Deciding the Outcome with One Move

“Hahaha, Qin Yu, you really think highly of yourself! Ever since I met Tao Shan, he has never lost!” Liu Yi couldn’t help but burst into laughter!

Qin Yu didn’t say anything else. He took large strides forward. His punches were powerful, and with a bang, he swung them towards Tao Shan!

Tao Shan’s muscles instantly tensed up. His body was like steel, and this punch actually didn’t injure him in the slightest!

“What a tough body!” Qin Yu frowned slightly.

A cross-training Master indeed lived up to his reputation!

Tao Shan’s face was expressionless.

He looked at Qin Yu and said, “Besides having a tough body, my strength has also increased greatly.”

Qin Yu gave Tao Shan a heartfelt thumbs up. This body of his had indeed exceeded Qin Yu’s imagination.

“Tao Shan! Kill him immediately!” Liu Yi, afraid that something unexpected would happen, was impatient.

Tao Shan nodded. He looked at Qin Yu and said, “It’s my turn.”

As soon as he finished speaking, Tao Shan took the initiative to attack!

He took heavy steps and forcefully rushed towards Qin Yu

His burly figure didn’t affect his speed at all!

A fist the size of a casserole arrived in front of Qin Yu in the blink of an eye!

“Good timing!” Qin Yu wasn’t afraid at all. Instead, he was filled with a strong desire to fight!

He clenched his fist and met the attack head-on!

There was another collision of two fists!

However, the result this time was very different. Under this punch, Qin Yu’s body was sent flying and he crashed into the wall behind him!

The wall collapsed with a bang, and countless pieces of rubble pressed down on Qin Yu’s body!

Dust flew up, momentarily blocking everyone’s line of sight!

“Good, good! Hahaha!” Liu Yi couldn’t help but shout out in excitement!

“Tao Shan, I really didn’t raise you in vain!”

Tao Shan, his eyes staring straight at the ruins, didn’t make a sound.

“Buzz!”

At this moment, a ray of light flashed! All the rubble was sent flying! It shot out in all directions!

Then, Qin Yu stood up from the ruins.

The clothes on his body had been torn, revealing his glistening muscles.

However, Qin Yu’s internal qi didn’t weaken at all. Instead, it became stronger.

“You’re stronger than I thought.” Qin Yu’s expression darkened.

Tao Shan's talent wasn't that impressive. Just like Wu Hongchang, he had been stuck at the peak of the Inner Strength Master Hands level for countless years.

The difference was that Wu Hongchang stopped there, while Tao Shan took a different path and developed a strong body!

"He didn't die!" Liu Yi grimaced in anger.

He ordered Tao Shan anxiously, "Kill him now!"

Tao Shan looked at Qin Yu coldly and said, "Since you know, why don't you turn around and leave now? Don't come to the Liu family's home ever again."

"Tao Shan, what are you talking about? I want you to kill him!" Not far away, Liu Yi grimaced in anxiety!

Qin Yu's expression was calm. He looked at Tao Shan and said, "Thank you for your kindness. In order to repay you, I will spare your life."

Tao Shan frowned slightly. The light on his huge body grew even brighter.

"Qin Yu, since this is the case, don't blame me for being impolite." After Tao Shan said this, the muscles on his body bulged, and his blood vessels looked like dragons!

Qin Yu was extremely calm and unfazed.

"Qin Yu, you're dead meat." After Tao Shan shouted angrily, the faint light on his body actually condensed on his fist!

In an instant, that huge fist became incomparably resplendent!

“It’s over!” Accompanied by Tao Shan’s loud roar, he thrust his fist forward!

Before the fist arrived, there was a gust of wind from the momentum!

In an instant, things were sent flying in the living room! The tables and chairs were directly shattered!

“How strong!” Liu Shihui, who wasn’t far away, widened his eyes.

If he were to receive this punch, he would definitely be dead!

“Good timing!” Qin Yu didn’t panic. He roared loudly, and a layer of light blue light appeared on his body!

This light seemed to have fused with Qin Yu, and his fist was wrapped in this blue light!

“If you can break it, then I’ll admit defeat!” Qin Yu roared angrily, and for the third time, he faced Tao Shan head-on!

“Boom!”

With this punch, the entire room was instantly struck by the force, and the wall collapsed!

Not far away, the Liu family’s father and son, as well as Sun Fu, were instantly sent flying!

Along with this loud bang, dust covered everyone’s line of sight!

Liu Yi climbed up from the ground, rubbed his eyes, and said anxiously, “How is it? Is Qin Yu dead?”

As soon as he said that, the dust in front of him suddenly stirred!

Then, a figure flew out!

This figure crashed into the wall and was crushed under countless stones!

At such a fast speed, no one could even see who it was!

“Is Qin Yu dead?” Liu Yi asked anxiously.

However, at this moment, a figure crawled out from under the ruins.

Tao Shan’s entire body was covered in wounds, and his face was filled with shock!

“How is this possible.... how can your physical body be stronger than mine?!” Tao Shan shouted in shock as his pupils dilated!

Chapter 137: The Yan Family of Jingdu

A faint layer of light lingered around Qin Yu’s body. The light on Tao Shan’s body began to disappear, and his muscles slowly returned to normal.

Qin Yu slowly walked in front of Tao Shan. He looked at Tao Shan coldly and said, “You train in both Inner Strength and Cross-training, but what I train in is different from you. What I train in is spiritual power.”

“Spiritual power?” Tao Shan seemed to have heard this term for the first time.

Qin Yu said slowly, “Don’t ask anymore. You should rest.”

After saying that, Qin Yu patted Tao Shan’s body gently.

His huge body suddenly exploded with a loud bang!

“Get the f * ck up!” Liu Yi, who wasn’t far away, roared furiously.

“You must be faking it. You must be faking it!” Liu Yi gritted his teeth. He was obviously anxious.

Liu Shihui, who was beside him, had an extremely ugly expression and was on the verge of a mental breakdown.

All along, he had considered himself a genius, but in just a few short days, he realized that Qin Yu’s strength had far exceeded his imagination!

“Even Tao Shan was defeated. How is this possible?!” Liu Shihui’s expression was extremely ugly.

He couldn’t figure out how Qin Yu’s strength had suddenly increased so much in just a few days?

Qin Yu didn’t kill Tao Shan because he knew very clearly that this matter had nothing to do with Tao Shan.

Following that, Qin Yu slowly walked in front of Liu Yi.

“Kneel down and apologize.” Qin Yu’s tone was unyielding.

Liu Yi gritted his teeth. He glared at Qin Yu and shouted, “Qin Yu, so what if you win against Tao Shan?! This is a society ruled by law. Do you dare to kill me? If you kill me, you will also be sentenced to death! Hahaha!”

Just as Liu Yi said, no one in this era could go against the authorities.

However, Qin Yu was unfazed. He sneered and said, “Do you think there is only one way to kill people?”

After saying that, Qin Yu flicked his finger, and a wisp of spiritual fire instantly landed on Wu Hongchang’s body!

“Poof!”

The moment the spiritual fire touched Wu Hongchang's body, it turned into ashes! Not even a trace was left behind!

"If I kill you, who will be able to find out?" Qin Yu narrowed his eyes and said.

Liu Yi's face instantly turned ashen, and he was extremely terrified!

He couldn't figure out how Qin Yu, who came from Jiangcheng, could force the entire Liu family to bow down to him?

A wisp of spiritual fire shot out from Qin Yu's finger again.

He sat on the sofa and said indifferently, "I'm only going to count to three. If you haven't knelt down and apologized, I won't show mercy."

After saying that, Qin Yu closed his eyes and began to count.

Liu Yi's expression was extremely ugly. Looking at the flames dancing on Qin Yu's fingers, he became even more terrified.

"Two..."

At this time, Qin Yu had already counted to the last number.

Just as Qin Yu was about to shout "three," Liu Yi suddenly knelt on the ground with a plop!

He gritted his teeth and said in misery, "Qin Yu, I was wrong... I shouldn't have offended you. I hope you can spare my life..."

"Dad!" Liu Shihui clenched his fists tightly. His face was filled with defiance.

A few days ago, Qin Yu was just a nobody. However, in just a few days, Qin Yu had the ability to go against the entire Liu family!

At this moment, Liu Yi also began to understand why so many large families insisted on hiring top-notch martial artists even if they had to spend a huge sum of money!

“What about you?” Qin Yu glanced at Liu Shihui.

Liu Shihui gritted his teeth and said, “Qin Yu, don’t even think about it!”

“Oh really?” Qin Yu raised his eyebrows. He looked at Liu Yi coldly and suddenly shouted, “Kneel down!”

These two words seemed to have the force of a thousand tons!

Liu Shihui instantly felt his legs go soft, and with a plop, he knelt on the ground!

He wanted to struggle, but he found that he couldn’t break free at all!

“How is this possible...” Liu Shihui’s ego was completely bruised!

Just two words from Qin Yu were enough to suppress him. This meant that Qin Yu’s strength had far exceeded his imagination!

Qin Yu snorted coldly. He slowly stood up, looked coldly at Liu Yi, and said, “This is the last time. If you guys provoke me again, I guarantee that the entire Liu family will disappear.”

Liu Yi lowered his head and didn’t say a word.

Liu Shihui looked completely dejected.

“Qin... Qin Yu.” At this moment, Sun Fu, who had been hiding in the corner, suddenly spoke.

He said with an embarrassed smile, “Qin Yu, I have offended you just now. You... you must not lower yourself to my level...”

Sun Fu had already been scared to death. He was just an ordinary person, so how could he have ever seen such a scene before?! Everything that happened in front of him had completely overturned his worldview!

More importantly, in his heart, the Liu family had always been out of his league but now, they were kneeling in front of Qin Yu and admitting their mistakes!

Qin Yu glanced at him and sneered. “Do you think I would stoop to your level?”

Sun Fu was stunned. He couldn't care about anything else anymore and hurriedly nodded. “Yes, yes, you're right. Just treat me as an old fart...”

Qin Yu didn't say anything, but he couldn't help but bemoan it inside.

Sun Fu and Sun Yumei were indeed blood-related siblings. They were really alike.

Qin Yu didn't stay any longer and quickly left the Liu family's home.

The next day, Qin Yu and Yao Qing prepared to return to Jiangcheng.

The two of them packed their luggage and prepared to leave.

At this time, Lu Shuming's car suddenly entered.

He said with some surprise, “Mr. Qin, I really didn't expect the Liu family to actually admit defeat!”

After saying that, Lu Shuming gave Qin Yu a thumbs up.

Qin Yu frowned slightly and said with some surprise, “How did you know?”

Lu Shuming said with an embarrassed smile, “Since I’m an opponent of the Liu family, I naturally have to pay attention to their every move. Only by knowing yourself and the enemy can you win!”

Qin Yu nodded and didn’t say anything more.

“The Liu family has fallen. No one in South City can stop you now. As long as I spread the word, you will definitely be known by everyone in South City! By that time, you can rule over an area!” Lu Shuming said excitedly.

Qin Yu glanced at him and shook his head. “There’s no need.”

Lu Shuming was stunned and said somewhat confusedly, “Mr. Qin, this is a good opportunity to establish your authority!”

Qin Yu shook his head and slowly said, “My ambitions don’t lie here.”

“Your ambitions don’t lie here?” Lu Shuming was even more confused.

Qin Yu looked to the north and slowly said, “My goal is to establish myself in Jingdu.”

To Qin Yu, everything he had done was so that he could venture into Jingdu as soon as possible and go to the Yan family to marry Yan Ruoxue.

Lu Shuming was speechless and didn’t know what to say.

...

In a huge garden in Jingdu.

This place was two thousand square meters, and the manor alone was over a thousand square meters.

In Jingdu, where every inch of land was extremely expensive, to occupy such a large area was enough to show that the owner was extremely affluent.

And this place belonged to the Yan family.

At this moment, in the huge villa, a young girl was holding a brush and drawing when the door suddenly opened. The young girl heard the sound and hurriedly closed the notebook.

“Ruoxue, what are you hiding?” The person who spoke was a kind-looking old man.

The old man’s face was full of wrinkles. The gaze he showed Yan Ruoxue was filled with doting love.

“Grandpa, why did you come in without knocking?” Yan Ruoxue pouted and said unhappily.

The old man glanced at Yan Ruoxue’s notebook and laughed.. “If I’m not mistaken, you must be writing his name, right?”

Chapter 138: Yan Ruoxue’s Worries

Yan Ruoxue blushed and said petulantly, “Grandpa, what nonsense are you talking about?!”

“Hahaha.”

“I watched you grow up. How could I not know what you’re thinking?” Old Mister Yan couldn’t help but stroke his beard and laugh.

Yan Ruoxue instantly blushed to the root of her neck. She covered the notebook and changed the topic, “Grandpa, is there something wrong?”

Old Mister Yan sat on the sofa in the bedroom and slowly said, "I'm here to tell you about Qin Yu."

Hearing this, Yan Ruoxue immediately stood up.

She quickly sat beside Old Mister Yan and said with a somewhat anxious tone, "Grandpa, how is Qin Yu now?"

Old Mister Yan didn't answer, but kept her guessing. "What do you think?"

Yan Ruoxue thought for a moment and said, "When I left, Qin Yu happened to have a feud with the Liu family. Now... Qin Yu should be thinking of a way to deal with the Liu family."

"Yep." Old Mister Yan nodded slightly to indicate for Yan Ruoxue to continue.

Yan Ruoxue thought for a moment and said, "The Liu family has Liu Shihui and Tao Shan. According to what I know, Tao Shan isn't simple to deal with. If I were Qin Yu... I would use the Yan family's reputation to protect myself. At least my life won't be in danger and I will be able to slowly develop."

Old Mister Yan seemed to have guessed what Yan Ruoxue would say. He shook his head and said, "It's a pity that I have sent people to say that the Yan family will never interfere in Qin Yu's matters, let alone care about his life or death."

Yan Ruoxue's expression immediately turned extremely ugly!

She stood up in a flash and said somewhat angrily, "Grandfather, aren't you harming Qin Yu!?"

"Hahaha." Old Mister Yan couldn't help but burst into laughter.

“If Qin Yu always has the Yan family’s protection, does he still have the chance to grow?” Old Mister Yan shook his head.

How could Yan Ruoxue still listen to him? She said anxiously, “Tell me how Qin Yu is now!”

“The Liu family has lost, and they have lost thoroughly.” Old Mister Yan said with a nonchalant smile.

Yan Ruoxue was stunned. She hurriedly asked, “Grandfather, is what you said true?”

“Of course.” Old Mister Yan said with a nonchalant smile.

“Not only that, but not long ago, Qin Yu personally killed an Inner Strength Past Master from overseas.”

This time, Yan Ruoxue was even more shocked!

Before she left, Qin Yu was only at stage five of Inner Strength. How could he develop to such a level in such a short time?

“I have already said that the son of that man isn’t an ordinary person,” Old Mister Yan said with a nonchalant smile.

A hint of relief appeared on Yan Ruoxue’s face. She said in a low voice, “I knew that Qin Yu wouldn’t let me down.”

Even Old Mister Yan sighed and said, “Yes, in fact, my prediction is similar to yours, but Qin Yu has exceeded my imagination.”

“Of course!” Yan Ruoxue’s tone sounded a little proud.

Old Mister Yan couldn't help but force a laugh. Back then, he was afraid that Yan Ruoxue would look down on Qin Yu, but he didn't expect Yan Ruoxue to fall for him herself.

"Don't be happy too early. Although Chuzhou is only a small place, there are still a few big families who reign over it," Old Mister Yan said slowly.

Of course, Yan Ruoxue already knew. Because of Qin Yu, Yan Ruoxue had a clear understanding of Chuzhou.

In Chuzhou, the truly top-tier families were still in the provincial capital.

And among them, the Jiang family was the most respected. Rumor had it that the Jiang family kept a low profile, but their assets were distributed throughout the entire Chuzhou province, and their liquid capital amounted to ten billion!

Not only that, but the Jiang family was also a martial arts blue-blood family. They had nearly ten Inner Strength Past Masters, and it was rumored that the head of the Jiang family was even a peak Inner Strength Past Master!

This might not be considered impressive in the eyes of the Yan family, but in Chuzhou, it was enough to run amok!

"Qin Yu isn't stupid. Why would he take the initiative to provoke them?" Yan Ruoxue said softly.

Old Mister Yan had a different opinion. He shook his head and said, "People cut down the tall poppy. There are some things that can't be avoided as you wish."

Hearing this, Yan Ruoxue couldn't help but bite her rosy lips.

She knew very well that with Qin Yu's current abilities, it was absolutely impossible for him to go against the Jiang family, a top-notch family in Chuzhou.

"Grandfather..." Thinking of this, Yan Ruoxue couldn't help but look at Old Mister Yan affectionately.

Old Mister Yan couldn't help but force a smile.

He had been in Jingdu for decades and had always been known for his decisive and ruthless tactics.

But when it came to his granddaughter, he could never keep a straight face.

Every time Yan Ruoxue showed affection, Old Mister Yan wouldn't even know how to reject her.

"Don't worry, I'll keep him alive," Old Mister Yan said with a forced smile.

"Really?" Yan Ruoxue's eyes lit up.

Old Mister Yan rolled his eyes. "If he really dies, won't you hold a grudge against me for the rest of your life?"

Yan Ruoxue's pretty face blushed again, and she whispered, "Grandpa, don't talk nonsense..."

...

Yao Qing sped all the way back to Jiangcheng's territory.

"Mr. Qin, did something happen in Jiangcheng? Why are there people from the military district everywhere?" Yao Qing looked out of the car window and couldn't help but frown slightly.

The entire Jiangcheng seemed to be in a state of martial law. There were armed soldiers patrolling and guarding everywhere.

Qin Yu also felt that it was a little strange, but this had nothing to do with him, so he didn't think too much about it.

The car soon returned to Dragon Paradise.

After Qin Yu arrived at Dragon Paradise, the first thing Qin Yu planned to do was to go to the factory to look for Mr. Yang and ask about the Chinese Medicine Conference.

However, just as Qin Yu took out his phone, it rang.

The caller was actually Su Yan.

Seeing her phone number, Qin Yu frowned.

After thinking for a moment, Qin Yu hung up the phone.

However, not long after, the phone rang again.

Qin Yu frowned. He picked up the phone and said with some annoyance, "What's the matter?"

On the other end, Su Yan was immediately furious, but when she thought of Zhao Gang's death last time, she felt a little intimidated.

"You... do you think I actually want to call you? Let me tell you, it's my grandpa who wants to see you. Otherwise, I wouldn't have called you!"

Su Yan braced herself and said.

Hearing this, Qin Yu immediately fell into silence.

A moment later, Qin Yu said, "I have already made it clear to Grandpa last time. I have already severed all ties with the Su family. There's no need to see me.."

Chapter 139: Who Do You Think You Are?

On the other end, Su Yan sneered. "He's about to die. It's up to you whether you want to see him or not."

After saying this, Su Yan hung up the phone.

Qin Yu's expression instantly became a little ugly, and he stood up.

"Mr. Qin, what's wrong?" Seeing this, Yao Qing hurriedly walked forward and asked.

Qin Yu took a deep breath and said, "Give me the car keys. I'm going out for a while."

"Where are you going? I'll go with you," Yao Qing hurriedly said.

"No need." Qin Yu shook his head.

After taking the car keys, Qin Yu quickly rushed to the Su family's home.

He sped all the way, and soon, Qin Yu arrived at the door of the Su family's home.

At this moment, there were many cars parked at the door. Obviously, the relatives of the Su family had come.

Qin Yu found a random place to park his car and then hurriedly walked towards the Su family's house.

The moment he stepped into the Su family's gate, he saw many relatives of the Su family sitting together. However, there wasn't a trace of sadness on their faces. Instead, everyone was beaming with joy, as if it was a family gathering.

“What are you doing here?!” The moment he saw Qin Yu, Su Wen stood up and shouted angrily.

“Get the h*ll out of here. You are no longer a member of the Su family!”

Qin Yu ignored him and asked in a cold voice, “Where is Grandpa?”

“What has it got to do with you? This is our family's business and has nothing to do with you!” Su Wen said in a cold voice.

“I am asking where your grandpa is?!” Qin Yu immediately shouted!

This angry roar contained Qin Yu's spiritual power, and it actually deafened everyone's ears until they hurt!

Su Wen was so scared that he trembled. For a moment, he didn't dare to vent his anger.

“He's in... in the room. Why are you shouting?” Su Wen mumbled timidly.

Hearing this, Qin Yu hurriedly walked into the room.

In the room, Old Mister Su was lying on the bed alone.

No one from the Su family came to take care of him.

Qin Yu quickly walked over. He squatted in front of Old Mister Su and said with some sadness, “Grandpa, you...”

Before he could finish, Old Mister Su waved his hand.

He said with a trembling voice, “Qin Yu, I... don’t have much longer to live. Before I die, I wanted to see you again...”

Qin Yu suddenly felt sad from the bottom of his heart. In the entire Su family, only Old Mister Su treated Qin Yu as a human.

After they lived together for so many years, it was impossible to say that they didn’t have affection for each other.

Old Mister Su was surrounded by a deathly aura.

The density of the death aura had already exceeded Qin Yu’s imagination.

This was clearly a sign of death.

Qin Yu gritted his teeth. He raised his hand and placed it in front of Old Mister Su. He poured the spiritual energy in his body into Old Mister Su’s body.

Unfortunately, Old Mister Su’s illness was already beyond cure. He was on the brink of death. Even Qin Yu had no way to save him.

Old Mister Su said with difficulty, “Don’t waste your energy... Qin Yu, I know that the Su family has let you down. Can you give the Su family a way out on account of me...”

Qin Yu couldn’t help but feel stunned. In fact, Qin Yu had thought of wiping out the Su family.

“Promise me...” Old Mister Su, his tone imploring, grabbed Qin Yu’s wrist tightly.

Qin Yu couldn’t bear to let him down.

He took a deep breath and nodded. “Grandfather, I promise you. As long as the Su family doesn’t provoke me, I can give the Su family a way out.”

Hearing this, Old Mister Su slowly said, “Then I’m relieved, relieved...”

As he spoke, Old Mister Su’s internal qi became weaker and weaker until it completely disappeared.

He laid on the bed and didn’t move anymore.

Qin Yu couldn’t help but feel a little sorrowful.

There were so many people in the Su family, but the one who guarded the dying Old Mister Su was actually an outsider.

“These people are really disgusting.” Qin Yu heard the commotion in the living room, and his expression couldn’t help but turn cold.

He turned his head and walked out of Old Mister Su’s room, all the way to the living room.

After they saw Qin Yu, the room immediately became quiet.

“Finished seeing him? You can go now.” Sun Yumei snorted lightly.

Qin Yu took a deep breath and said, “Old Mister Su has died. I will leave after he is buried.”

“D*mn, he finally left. He dragged it out for so long.” Su Wen’s brother, Su Wu, couldn’t help but grumble.

“Alright, alright. It wasn’t easy for us to gather together. After dad is buried, we should have a good drink!” Su Wen said with a smile.

“That’s for sure. How long has it been since the two of us last saw each other? It’s been more than ten years since I went to the provincial capital, right?”

The whole family began to chat. No one cared about Old Mister Su’s death at all.

Qin Yu sat silently at the side. He closed his eyes and tried his best to calm himself down.

At this moment, a young man suddenly walked in from the door.

The young man was about the same age as Qin Yu, and there was a gallant look to him.

“Gee, Xiao Bo, you’re finally back!” Upon seeing this young man, everyone in the room quickly stood up to welcome him.

The young man called Xiao Bo nodded slightly and said indifferently, “Yep, I had a mission, so I came back a little late.”

“Gee, it’s okay. You should attend to your business first.” Su Wen said eagerly.

Then, Su Wen asked tentatively, “Xiao Bo, your position in the military district shouldn’t be low right now, right?”

Su Bo glanced at him and said indifferently, “Yep, I have a three-stroke armband.”

“Three!” Upon hearing this, everyone gasped!

“Gee, Xiao Bo is really promising!”

“We have to count on Xiao Bo in the future!”

At this time, Su Bo's father, Su Wu, deliberately asked, "Xiao Bo, why are there so many soldiers coming to Jiangcheng recently? Is there some big shot coming?"

Su Bo nodded slightly and said, "Yes, the Deputy Chief of the Chuzhou region will come to Jiangcheng in the next few days."

"Deputy Chief?" Hearing this, everyone was even more shocked!

That was a big shot with a high position and power!

"Why would such a big shot come to Jiangcheng?" Su Wen asked in surprise.

Su Bo said, "I heard that it's to recruit someone. skilled in medicine and martial arts, but I don't know who exactly he is."

"D*mn, who is so capable to even have the vice-chief come and invite him?" The people in the room immediately buzzed with discussion.

While everyone was discussing, Su Bo suddenly noticed Qin Yu, who sitting wasn't far away.

He frowned slightly and then casually asked, "Who is that person?"

Everyone immediately looked at Qin Yu, who wasn't far away.

"He is your sister's ex-husband and had married into the Su family. Now that he has been chased out, he is just a loser. There is no need to pay attention to him," Su Wen snorted and said.

Su Bo's expression immediately became a little unhappy. Someone like that was actually putting on airs? Why was he still sitting there when he saw him?

Thinking of this, Su Bo immediately walked towards Qin Yu.

“Don’t you know to get up and welcome me when you see me coming? Why, is your butt exceptionally heavy?” Su Bo said with a cold expression.

Hearing this, Qin Yu slowly opened his eyes.

He glanced at Su Bo and frowned.. “Welcome you? Who do you think you are to let me welcome you?”

Chapter 140: Invitation!

Anger flashed across Su Bo’s face.

He looked coldly at Qin Yu and said, “Why? Because I’m a big shot in the Chuzhou region! Because my status is higher than yours!”

Hearing this, Qin Yu couldn’t help but sneer. “In the eyes of people like you, a high status means superiority, but in my eyes, everyone is the same, regardless of whether their status is high or low.”

“As for you, from the way you speak, I already know that you aren’t worthy of me welcoming you,” Qin Yu said coldly.

The corner of Su Bo’s mouth twitched slightly. It was obvious that he was somewhat annoyed by Qin Yu’s words.

“Young man, you must be mindful of what you say.” Su Bo raised his hand and pressed it on Qin Yu’s shoulder.

Qin Yu immediately felt a force on his shoulder, and the corner of Su Bo’s mouth curled up into a smile.

Qin Yu didn't say anything. His arm shook, and a huge force was immediately returned to him!

Su Bo's wrist was immediately hurt from the force, and he even took a few steps back!

"You're also a martial artist." Su Bo's eyes narrowed slightly.

Su Yan, who was beside him, hurriedly warned him, "Cousin, he's quite good. Don't fight with him!"

Su Bo shook his wrist and sneered. "How good can an ordinary person's skills be? Moreover, if I want to deal of him, there are many ways!"

"Since I have a mission, I won't lower myself to your level for the time being. After I'm done with this matter, see how I'll deal with you!" Su Bo pointed at Qin Yu's nose and said.

Qin Yu couldn't be bothered with him at all. The reason he stayed here was only for Old Mister Su.

After that, Su Bo went to the sofa and sat down. The members of the Su family surrounded him and kept flattering him.

"Xiao Bo, who is your senior officer coming to Jiangcheng this time? Can you tell us about it?" Su Wen asked while pouring tea.

Su Bo said indifferently, "I don't know. Moreover, this is a secret. We can't reveal it at will."

"Xiao Bo, there's nothing you can't tell your family." Su Wu said from the side.

Hearing this, Su Bo immediately smiled nonchalantly and said, "There's no harm in telling you guys."

When they heard this, everyone immediately pricked up their ears with excitement.

Su Bo slowly said, “According to our Commander, this person knows Chief Wu. However, there’s a small misunderstanding between the two of them. Otherwise, the person who came to invite him would be Chief Wu.”

When everyone heard this, they immediately asked in surprise, “Who actually needs Chief Wu to personally invite him?”

Su Bo smiled nonchalantly and said, “In short, he is a very outstanding person. Although I have never seen him before, to be able to get so many important people to invite him, he is definitely an extraordinary person.”

At this point, Su Bo paused for a moment and continued, “Of course, our Deputy Chief’s subordinates are also the elites of the Military District.”

He was obviously boasting about his position in the military district.

“Of course. I knew that Xiao Bo would have a bright future!” Su Wen quickly shouted.

“Gee, Xiao Bo finally came back, so we have to celebrate tonight!” Sun Yumei said obsequiously.

The rest of the relatives also shouted, “That’s right. We will all get drunk tonight!”

Just when the atmosphere was getting merry, Qin Yu suddenly said coldly, “The old man’s body isn’t cold yet, and he is still lying on the bed. As his descendants, it’s bad enough that you guys aren’t sad at all, but you guys are actually celebrating instead. You guys are really f * cking inhuman.”

Upon hearing Qin Yu's words, everyone in the living room immediately became quiet, and the atmosphere became a little tense.

"Tsk tsk, you are an outsider, so why are you pretending to be filial?"

"That's right. If you were really so filial, why didn't you come back earlier?"

"It's already good enough that we didn't ask you to get out!"

Su Bo snorted coldly and said, "A son-in-law who married into the family really thinks highly of himself. Don't you know what it means to live in the present?"

Qin Yu glanced at Su Bo and said, "Filial piety is the first priority. You don't even know filial piety, yet you actually dare to say that you're an elite. I think you're not far from being fired."

"Hehe, sorry, but I'm steadily rising in the military district. The higher-ups praise me a lot, and might promote me at any time." Su Bo smiled nonchalantly.

"But you, a piece of trash who married into the family, have been kicked out. I think it'll be hard for you to even survive."

Qin Yu glanced at him and didn't say anything else.

Soon, the car of the crematorium arrived at the door of the house.

Qin Yu personally carried Old Mister Su's body into the car and accompanied everyone to the cremation and burial.

It took the entire day, and when he was done, the sky was already dark.

"We're finally done. Let's go back and drink!" Su Wen said with a smile.

“We have to get drunk tonight and have a good time!” Su Wu and Su Wen put their arms around each other’s shoulders, and the atmosphere was quite harmonious.

Qin Yu glanced at them and felt that it wasn’t worth it for Old Mister Su to care so much about them.

Maybe Old Mister Su already expected this scene, so he told him not to harm the Su family, Qin Yu thought to himself.

What a pity.

Then, Qin Yu drove to Dragon Paradise.

At this moment, two people stood at the gate of Dragon Paradise.

These two people were tall and had a dignified bearing. They had bold features and gave off a gallant air.

“Commander Guo, how come I’ve never heard of Qin Yu? Why did Commander Wu insist on recruiting him into the war zone?” One of the slightly younger people said.

The man called Commander Guo smiled and said, “Xiao Yu, don’t make wild guesses. Chief Wu naturally has his own plans.”

Xiao Yu said somewhat defiantly, “He actually let the Deputy Chief personally come to recruit him. I’ve never seen something so high profile. Anyway, I don’t think it’s worth it.”

Commander Guo was silent for a moment, then said, “Not long ago, Liu Shihui of the Liu family was defeated by him.”

“He’s just a kid from a rich family. I can do it too,” Xiao Yu said defiantly.

Officer Guo was instantly speechless.

It was true. Although he was quite capable, it wasn't worth Chuzhou spending so much manpower to invite him.

“Officer Guo, you actually don't know much about it, right? I suspect that there's something shady going on,” Xiao Yu muttered.

Officer Guo immediately reprimanded, “Don't talk nonsense!”

Xiao Yu said defiantly, “It's true. I've heard rumors that Qin Yu has treated Commander Wu's illness before.. There's even some aristocratic family backing him! Maybe he's a rich kid who wants to go to the military district to squander money”

Chapter 141: You Have to Change Your Bad Temper

Commander Guo didn't comment on this, but he still waved his hand and said, "Don't doubt my decision."

Xiao Yu didn't say anything. He was Commander Guo's favorite soldier, so he disobeyed orders very often.

Time passed by minute by minute, and the two of them stood there waiting.

Finally, an Audi drove over slowly.

As soon as the car stopped, a young man walked out.

Seeing this, the two of them quickly walked in Qin Yu's direction.

Qin Yu looked at the two unfamiliar faces in surprise and couldn't help but be a little vigilant.

"You two are?" Qin Yu asked tentatively.

Before Commander Guo said anything, Xiao Yu took a step forward and said, "You are Qin Yu. We are from the Chuzhou Region."

"Chuzhou Region?" Qin Yu was even more confused.

"I don't seem to have anything to do with you guys."

Xiao Yu was about to say something when Commander Guo smiled and said, "Mr. Qin, don't misunderstand. We are here to specially invite you to attend the banquet under the orders of our superiors."

“Banquet?” Qin Yu suddenly remembered the banquet that Su Bo mentioned.

Rumor had it that this banquet was specially designed to invite a young man, and that young man was actually himself?

“Is there no one at home? Why don’t you guys go in?” Qin Yu said in surprise.

Xiao Yu said with some displeasure, “You actually have the nerve to say that? We’ve been waiting here for several hours. Not to mention people, but there’s not even a bird.”

Qin Yu hurriedly walked to the door, and sure enough, the door was locked.

“Yao Qing isn’t home?” Qin Yu muttered as he opened the door.

“Officers, please come in,” Qin Yu said politely.

Commander Guo nodded and immediately followed behind Qin Yu.

Looking at the huge yard and the magnificent villa, Xiao Yu couldn’t help but say enviously, “To live in such a good place, you must be from a rich family.”

“Xiao Yu, don’t talk nonsense!” Commander Guo scolded.

Xiao Yu immediately kept quiet, but his expression showed that he still felt defiant.

Qin Yu went to make a pot of tea and poured it for the two of them. Then, he asked, “If you have something to say, just say it.”

Commander Guo smiled and said, “It’s like this. Under the orders of the Deputy Chief, we would like to invite you to take up a post in the Chuzhou Region.”

“Take up a post?” Qin Yu spat out a mouthful of water.

He shook his head and smiled. “Don’t joke around. What kind of capabilities do I have to be able to take up a post in the Chuzhou Region?”

“Yeah, I think so too. You even made our Deputy Chief personally invite you,” Xiao Yu snorted.

Qin Yu glanced at him and didn’t argue.

“We aren’t sure about that either. In short, it was an order from the higher-ups,” Commander Guo said politely.

Qin Yu thought for a moment and then said, “Could it be Chief Wu’s idea?”

Commander Guo was stunned and couldn’t help but forced a smile. “It seems that you know about it.”

“Of course he knows. It’s obviously nepotism!” Xiao Yu snorted lightly.

Qin Yu frowned slightly. He didn’t quite understand Xiao Yu’s hostility towards him.

“I don’t think we know each other.” Qin Yu looked at Xiao Yu and frowned.

“I don’t know you. I’ve never heard of you.” Xiao Yu said in an unfriendly tone.

Qin Yu smiled and said, “Then why do you keep going against me?”

Just as Xiao Yu was about to speak, Commander Guo scolded him, “Xiao Yu, don’t be rude!”

“Hmph.” Xiao Yu scowled and was obviously very unhappy.

Qin Yu smiled and said, “If you have something to say, just say it. I won’t fuss over it.”

With Qin Yu’s words, Xiao Yu suddenly had confidence.

He stood up and said, “Although I, Yu Jin, am not a person of high status, I look down on you rich kids who came to our military district just to have some fun!”

“Do you know what the Military District is? It’s a place for national defense, not a place for you rich kids to go and have fun!”

Qin Yu nodded slightly. He approved of Yu Jin’s words.

“I agree with what you said, but unfortunately, I come from a humble family and have been poor since childhood. I’m not some rich kid.” Qin Yu shook his head and said.

Yu Jin snorted coldly and said, “If you weren’t a son of a rich family, would you live in such a lavish place?”

“If you weren’t a son of a rich family, would Chief Wu have sent a Deputy Chief to invite you?”

“How can a nobody enjoy such treatment?”

Commander Guo remained silent. Obviously, he was also puzzled.

Qin Yu put down the teacup in his hand and said, "That's not my fault. You should go back and ask Mr. Wu."

"As for the treatment you mentioned... I'm actually not too sure either. I have the same doubts as you." Qin Yu shook his head.

Yu Jin sneered and said, "Stop pretending. Let me give you a piece of advice. If you don't have any real talent, don't go to the Chuzhou Region to defile us!"

Qin Yu nodded and said, "Okay, I won't go."

"Humph, he is indeed a useless piece of trash. Commander Guo, we can go now." Yu Jin snorted coldly.

When he heard Yu Jin's words, Qin Yu's expression finally turned cold.

He looked at Yu Jin and said coldly, "Stop."

Yu Jin paused, turned around, and said, "What? Do you have something else?"

Qin Yu said with a cold expression, "I don't know you, but you have insulted me many times. Why? Is this the privilege of people of the Chuzhou Region?"

"Mr. Qin, Yu Jin has a bad temper. You must not lower yourself to his level," Commander Guo explained.

Qin Yu looked at Yu Jin and said coldly, "If you have a big temper, you have to change it. Otherwise, you will suffer because of it sooner or later."

"Suffer? I dare you to let me suffer!" Yu Jin suddenly stood up, and the internal qi on his body instantly reached its peak!

“Inner Strength Master Hands?” Qin Yu couldn’t help but sneer. “Come on, let me, a good-for-nothing, change your temper.”

“That’s exactly what I want!” Yu Jin roared and quickly clenched his fist as he rushed toward Qin Yu!

He pushed his internal qi to the maximum. It was obvious that he wanted to show Qin Yu his might!

However, Qin Yu didn’t move at all. He didn’t even look at Yu Jin and simply waved his hand.

A terrifying force surged towards him like a landslide!

When he felt this force, Yu Jin’s expression changed drastically!

However, it was too late!

This huge force was so terrifying that Yu Jin felt as if he had been hit by a train.. His entire body was sent flying!

Chapter 142: Valued By the Military District

With just a wave of Qin Yu’s hand, Yu Jin’s fierce attack was neutralized! He was even knocked to the ground!

Lying on the ground, Yu Jin couldn’t stop vomiting blood. He felt bursts of pain in his chest!

“Xiao Yu!” Commander Guo, his expression full of anxiety, hurriedly stood up.

“Don’t worry, he just has a broken rib.” Qin Yu drank a mouthful of tea and said indifferently.

Commander Guo's expression didn't look pleasant and he said unhappily, "Qin Yu, even if you want to prove yourself, you don't have to be so ruthless."

Qin Yu frowned slightly. Just as he was about to speak, Yu Jin, who wasn't far away, suddenly shouted, "Commander Guo! This has nothing to do with Mr. Qin. I admit defeat!"

After saying that, Yu Jin climbed up from the ground with difficulty and cupped his hands toward Qin Yu. "Mr. Qin, I was rude earlier. I hope you can forgive me."

This surprised Qin Yu a little. The contrast in his attitude made him seem like a different person.

He sized up Yu Jin and said with a smile, "Aren't you angry that I hurt you?"

Yu Jin shook his head and said, "I was the one who provoked you first. Moreover, I think you have already shown mercy."

Qin Yu nodded and said, "I only used thirty percent of my strength."

When he heard this, Yu Jin forced a smile.

"I was too arrogant and ignorant." Yu Jin said with a forced smile.

Qin Yu admired Yu Jin's attitude.

Although Yu Jin was arrogant, he acknowledged his mistake and admitted his loss. He was at least high-minded.

Commander Guo also shook his head and said, "This is how his character is. He only admires the strong."

Qin Yu bowed and said, "Please wait a moment, Officer Yu."

Then, Qin Yu turned around and returned to his room.

He took out a few herbs from the warehouse and opened his palm. A wisp of spiritual fire flickered in his palm.

Qin Yu flicked his finger and the flame fell into the tool.

With the support of the spiritual fire, Qin Yu's pill refining speed was several times faster. Unfortunately, it was too unstable. After Qin Yu refined it many times, the herbs were all destroyed.

Finally, on the sixth time, Qin Yu successfully refined the Dieda Pill.

"D*mn, it's really difficult to control the spiritual fire." Qin Yu wipe his sweat.

Then, Qin Yu took the Dieda Pill and walked out.

He handed the Dieda Pill to Yu Jin and said with a smile, "Take it, and the pain in your body will disappear."

Yu Jin took the Dieda Pill and swallowed it dubiously.

A few minutes later, the pain in his chest disappeared without a trace.

"It actually worked!" The admiration on Yu Jin's expression intensified!

He immediately cupped his hands and said, "Mr. Qin, I, Yu Jin, sincerely admit defeat to you. I was mistaken earlier, so I apologize to you sincerely."

Qin Yu waved his hand to show that he didn't mind.

Then, Qin Yu said, “Take this Diedo Pill once a day. In three days at most, your ribs will be as good as new.”

“Thank you, Mr. Qin,” Yu Jin said sincerely.

Commander Guo sighed and said, “It seems that Commander Wu is right. He really has both medicine and martial arts skills! Qin Yu, our trip wasn’t in vain!”

However, Qin Yu fell into silence.

After a while, Qin Yu shook his head and said, “Commander Guo, I’m sorry. I’m not interested in joining the military district. Please go back and tell Chief Wu that I thank him for his kind intentions.”

Commander Guo felt stunned. Then, he said jokingly, “Qin Yu, you can put on airs, but you can’t keep playing hard to get.”

Yu Jin, who was at the side, said anxiously, “Mr. Qin, are you blaming me? If that’s the case, I’m willing to be punished by you!”

Qin Yu hurriedly shook his head and said, “It has nothing to do with you. It’s just that I’m used to enjoying freedom, so I don’t like to be restrained. I’m sorry.”

Commander Guo was silent for a moment and then said, “Qin Yu, you have to consider it carefully. Joining the Military District will bring you no harm.”

“Thank you for your kind intentions. I won’t consider joining the military district for the time being. I’m sorry.” Qin Yu refused repeatedly.

Commander Guo could only sigh and say, “It seems that I won’t be able to fulfill the task.”

Qin Yu didn't say anything. Whether or not Commander Guo fulfilled his task had nothing to do with him.

It was not suitable for Qin Yu to join the military district. Although there were more resources in the military district, there were also many restrictions.

The most important reason was that Qin Yu felt that even if he went to the military district now, he might not be taken seriously.

Commander Guo didn't say anything more. After drinking the last cup of tea, Commander Guo left in a hurry with Yu Jing.

After returning, Commander Guo quickly told the Deputy Chief about Qin Yu's attitude.

The Deputy Chief was a little shocked by Qin Yu's rejection. After all, many people strived to join the military district.

"I'll invite him personally," said the Deputy Chief on the other end.

When he heard this, Commander Guo said in surprise, "Deputy Chief, Qin Yu is capable, but he isn't worthy of us making such a big fuss, is he?"

The Deputy Chief smiled nonchalantly and said, "You don't understand. Qin Yu is far more than just capable."

"According to what we know, that Inner Strength Past Master from overseas died at Qin Yu's hands not long ago."

"Inner Strength Past Master?" Commander Guo's expression suddenly changed.

“Are you kidding me? Judging from his aura, Qin Yu is only an Inner Strength Master Hands. How could he win against a Inner Strength Past Master...” Commander Guo said awkwardly.

Although he wasn't a martial artist, he understood the gap between the two.

The Deputy Chief laughed and said, “This is why we value him. We won't value an Inner Strength Master Hands that much. However, there are very few Inner Strength Master Hands who can defeat a Inner Strength Past Master.”

“As far as I know, other than Ye Qing back then, no one else has been able to achieve this,” the Deputy Chief said.

Ye Qing?

Commander Guo swallowed hard.

“Deputy Chief, isn't your evaluation a little too high... Ye Qing is a legend in the Military District...” Commander Guo said with some incredulity.

The Deputy Chief laughed and said, “He isn't as capable as Ye Qing now, but his future is full of potential. Moreover... Qin Yu even knows how to refine medicine. The Soul Nourishment Pill that he made is now all the rage in the province. The Ministry of Commerce is planning to focus on supporting the business.

At this point, the Deputy Chief paused for a moment before continuing, “Oh right, it just so happens that you will accompany me to his factory tomorrow to observe.”

“Okay!” Commander Guo didn't say anything more and simply agreed.

...

At night, Qin Yu sat alone in the courtyard.

Wisps of flames were flickering in his palms, and in front of him were many ordinary herbs.

These herbs were all meticulously prepared by Lei Hu. Although they weren't considered exquisite, they were very suitable for practice.

“Whoosh”

A breeze blew past, and the herbs in front of Qin Yu were burned into dregs by the spiritual fire.

“I failed again.” Looking at the ashes in front of him, Qin Yu forced a smile.

Qin Yu had just produced the spiritual fire, so he wasn't familiar with how to control the fire. He had only succeeded once in more than ten times of refining medicine.

“With such instability, it's very likely that an accident will occur at the Chinese Medical Conference.” Qin Yu thought to himself.

It was less than a week before the Chinese Medical Conference. It was almost impossible to improve his control in such a short time.

“It seems that I should use ordinary flames for the time being.” Qin Yu forced a smile.

Although the speed was a little slower, at least it was safe.

Qin Yu didn't sleep the whole night, and Yao Qing didn't come back.

The next morning, Qin Yu set off for the factory.

The Chinese Medicine Conference was getting closer and closer. Qin Yu wanted to find Mr. Yang to find out about some details of it.

During this period of time, Mr. Yang spent almost all his time in the factory. With Qin Yu's pill formula, Mr. Yang was able to obtain the Soul Nourishment Pill with ease.

Soon, Qin Yu's car arrived at the factory's entrance.

However, just as he arrived at the entrance, Qin Yu saw that there were many people standing at the entrance. The one leading them was none other than Su Bo..

Chapter 143: Exploiting Official Power For a Personal Vendetta

Seeing Su Bo, Qin Yu couldn't help but feel puzzled. What was he doing here?

Without much time to dwell on it, Qin Yu quickly drove to the front of the crowd.

As soon as he saw Qin Yu, Mr. Yang hurriedly walked over.

"Mr. Qin, I was just about to call you." Mr. Yang's face was full of anxiety and worry.

Qin Yu quickly asked, "Mr. Yang, what happened?"

Mr. Yang pointed at Su Bo and the others a short distance away and said, "They said that our herbs are not up to standard and that they have to destroy all of them. They also have to investigate our factory."

"Mr. Qin, with this investigation, we will have to stop all of our work. I don't know when we will be able to resume our business..."

After hearing Mr. Yang's words, Qin Yu couldn't help but squint and look at Su Bo coldly.

It was very obvious that Su Bo was trying to cause trouble.

The factory had been open for so long, and it had always received good reviews.

As for the herbs, it was even less likely that there would be problems because the requirements for herbs for the Soul Nourishment Pill was extremely low. Otherwise, it wouldn't have reached the stage of mass production.

"Mr. Yang, don't be anxious. Leave this matter to me to handle." Qin Yu consoled him considerately.

Mr. Yang quickly nodded and said, "Okay, okay. We will give gifts when we should. Don't be too stubborn..."

Qin Yu smiled and said, "I understand, Mr. Yang."

After saying that, Qin Yu walked toward Su Bo.

Su Bo seemed to have expected it. He sized up Qin Yu and said with some amusement, "I didn't expect you, a good-for-nothing, to open your own factory. It's quite impressive."

Qin Yu looked at Su Bo coldly and said, "What do you want to do?"

"What do I want to do?" Su Bo couldn't help but burst into laughter.

"What else can I do? I'm here to investigate your factory." Su Bo sneered.

"Investigate the factory?" Qin Yu narrowed his eyes and asked coldly, "You don't seem to have the right to do that, right?"

Su Bo sneered and said, “Is there a problem with the joint inspection of our Military District and the Quality Inspection Department?”

“There’s no problem.” Qin Yu nodded. He moved aside and said, “You can investigate however you want. If there is a problem, you don’t have to tell me. I will shut it down myself!”

Hearing this, Su Bo laughed again.

“Qin Yu, you are really childish. Isn’t it up to me to decide whether there is a problem or not?” Su Bo sneered.

After saying this, Su Bo immediately waved his hand and said, “Go and check his warehouse! As long as there are any problems, burn it on the spot!”

The relevant personnel of the Quality Inspection Department immediately walked towards Qin Yu’s warehouse.

As for Su Bo and Qin Yu, they just stood at the door and waited.

Not long after, two people ran out and shouted, “Found it! These few herbs are all products that don’t meet standards!”

Su Bo couldn’t help but sneer. He coughed and said indifferently, “Okay, burn them immediately!”

“This... This is a false accusation!” Mr. Yang immediately became anxious.

He ran to Qin Yu and explained anxiously, “Mr. Qin, I personally selected these herbs. There is absolutely no problem. You have to believe me!”

Qin Yu smiled and comforted him, “Mr. Yang, of course I believe you. This matter has nothing to do with you. He is here to target me.”

“Kid, don’t slander me!” Su Bo said with a nonchalant smile.

“I’m following the procedure. What do you mean by I’m here to target you?” Su Bo sneered.

Qin Yu took a deep breath and walked to Su Bo. He said, “Su Bo, I don’t think I’ve offended you, right?”

“You haven’t offended me?” Su Bo couldn’t help but sneer.

“A certain someone didn’t have this attitude yesterday. Why? Aren’t you quite arrogant? Why aren’t you showing off?” Su Bo snickered.

Anger flashed across Qin Yu’s face. He looked at Su Bo coldly and said, “Just because of a verbal conflict, you want to use your power for personal gain and retaliate. Su Bo, you really don’t deserve to stay in the Military District!”

“Hehe, whether I deserve it or not, it’s not up to you to decide.” Su Bo snickered.

“Let me tell you the truth. Not only do I want to burn your herbs, but I also want your factory to be renovated!”

“If I’m in a good mood, I’ll let you resume production in one or two years. If I’m in a bad mood... I might have to change it for ten or twenty years.”

At this point, Su Bo paused for a moment. He leaned towards Qin Yu’s ear and whispered, “If you don’t want your factory to close down, beg me. Maybe I’ll be merciful and let you resume production as soon as possible. Hahaha!”

Looking at Su Bo’s face, Qin Yu couldn’t help but feel a trace of anger.

He looked at Su Bo coldly and said, “I will definitely tell my superior about this matter.”

“Tell my superior? Who do you think you are to have the right to see my superior? What a joke!” Su Bo sneered.

After saying that, Su Bo waved his hand and shouted, “Burn these herbs that don’t meet standard on the spot!”

“Yes!” A few people from the relevant departments immediately walked towards the direction of Qin Yu’s warehouse.

“Let’s see who dares to!” At this moment, Qin Yu suddenly shouted and swiftly arrived at the door of the warehouse!

With this shout, everyone couldn’t help but freeze in their footsteps. The terrifying pressure made them cautious for a moment.

Su Bo’s expression turned cold and he immediately walked towards Qin Yu.

As he walked, he shouted, “Qin Yu, do you want to go against the law?! If you dare to go against the law, I will kill you on the spot!”

“I dare you.” Qin Yu said coldly.

“See if I dare to!” Su Bo quickly walked in front of Qin Yu.

Without saying anything, he took out his gun and pointed it at Qin Yu.

However, Qin Yu quickly reached out and grabbed the gun in his hand. In the next second, the gun was crushed by Qin Yu!

Su Bo's expression suddenly changed. He took two steps back and then said angrily, "Qin Yu, if you want to snatch the gun, I have the right to kill you on the spot!"

"If you dare to take another step forward, I guarantee that you will die here first," Qin Yu said coldly.

When he heard Qin Yu's words, a wave of fear suddenly rose in Su Bo's heart!

He didn't know why, but he didn't dare to take another step forward!

"Well, well. You actually dare to threaten a soldier!" Su Bo gritted his teeth. He pointed at Qin Yu and said, "Just you wait. I will report this to my superior right now!"

After saying this, Su Bo took out his phone and was about to make a call.

"I will wait for your superiors to come. Coincidentally, I have some ties with them," Qin Yu said coldly.

Hearing this, Su Bo immediately burst into laughter.

"You have ties with my boss? Who do you think you are? Get a reality check!" Su Bo laughed crazily.

Qin Yu sneered. "I'm sorry, but your commander personally invited me to the Military District. Do you think I have a good relationship with him or not?"

As soon as he said that, Su Bo laughed even crazier.

He held his stomach and said, "Invited you to the Military District? To wash clothes and cook? I'm dying of laughter! Hahaha!"

Qin Yu couldn't be bothered to talk nonsense with him. He just waved his hand, indicating for him to make the phone call.

At this moment, a car with a government license plate suddenly drove over from a short distance away.

"This is Qin Yu's factory?" The Deputy Chief looked outside and asked with a smile.

"Yes, Deputy Chief," Commander Guo hurriedly replied.

The Deputy Chief nodded slightly and said, "I talked to the provincial Department of Commerce a few days ago. This is a key factory in the province. You must take good care of it."

Commander Guo forced a smile and said, "Qin Yu is very famous in Jiangcheng. Who would make things difficult for his factory...."

Chapter 144: The Panicked Su Bo

"That's true." The Deputy Chief couldn't help but laugh.

Outside the factory, Su Bo was instantly delighted when he saw this car. He pointed at Qin Yu and said, "You're dead meat. our Chief has arrived!"

The car quickly drove in. As soon as it stopped, Commander Guo, Yu Jin, and a square-faced man walk in.

Su Bo hurriedly walked forward, saluted, and shouted, "Hello, Chief!"

The square-faced man frowned. He glanced around and said, "What's going on?"

Su Bo hurriedly said, “We investigated this factory with relevant departments. After inspection, we found that this factory is full of herbs not up to standards!”

The Deputy Chief, Commander Guo, and the others looked at each other with their eyes full of doubt.

Su Bo continued, “Reporting to the Deputy Chief, other than the herbs not up to standards, the boss of this factory, Qin Yu, should be punished!”

When he heard this, the Deputy Chief said in a deep voice, “Tell me the reason.”

Su Bo glanced at Qin Yu with a wicked smile, and then said coldly, “Not only did he produce health products not up to standards, but he even resisted with violence. He even claimed to be acquainted with the higher-ups of our Military District! Please give the order to punish him!”

Before the Deputy Chief said anything, Yu Jin, who was at the side, stepped forward and shouted, “Su Bo, you have to take responsibility for what you said!”

Su Bo was stunned. He looked at Yu Jin with a puzzled expression, then nodded and said, “What I said is the truth. Please investigate it, sir!”

Commander Guo frowned and said, “Su Bo, do you know who he is?”

Su Bo glanced at Qin Yu and said, “Yes, he is the son-in-law of the Su family, a man who only knows how to wash clothes and cook.”

“How dare you?! Mr. Qin is a distinguished guest of our Military District, and also the purpose of this trip!” Yu Jin immediately shouted angrily.

When he heard this, Su Bo’s expression suddenly changed!

Qin Yu was actually the person that Chief Wu invited by name? How was this possible? Didn't Su Wen say that he was just a good-for-nothing?

Yu Jin glanced at Su Bo coldly, then quickly walked in front of Qin Yu and said apologetically, "Mr. Qin, what exactly is going on?"

"Yes, Qin Yu. Is there a misunderstanding?" Commander Guo also asked.

Qin Yu said coldly, "Commander Guo, I'm very disappointed with your Military District."

Commander Guo frowned and said, "Qin Yu, why do you say that?"

Qin Yu looked at Su Bo coldly and said, "Su Bo claims to be an elite of your Military District, but he has no moral integrity! Just because I didn't salute him, he joined hands with the Quality Inspection Department to frame me!"

Su Bo's expression changed and he hurriedly said, "Sir, don't listen to his nonsense!"

Qin Yu sneered. "I have a surveillance camera here. Do you want to take a look at it?"

When he heard this, Su Bo sneered. "Sorry, the surveillance camera is broken."

"How do you know?" Qin Yu narrowed his eyes and asked indifferently.

Su Bo's heart suddenly thumped! Oh no, it slipped out!

"I . . . I guessed it." Su Bo braced himself and said.

Yu Jin looked at Su Bo coldly and said, "Su Bo, if we find out that you're the one who caused trouble, I won't let you off easily!"

Su Bo complained inside, how could he have known that Qin Yu had such powerful connections ?!

But since things had come to this point, he could only brace himself and take it one step at a time.

Su Bo took a deep breath and said with some timidity, “Even if Qin Yu is an honored guest of our Military District, he should still abide by the law.”

“The products produced by this factory are all not up to standards. He should be punished accordingly.”

The Deputy Chief frowned. He glanced at Su Bo and asked in a cold voice, “Not up to standards? This factory is the focus of the commercial department. How can there be products not up to standards?”

After listening to the Deputy Chief’s words, Su Bo became more and more anxious. Cold sweat dripped down his forehead.

“Tell me quickly. What is going on?!” Yu Jin shouted angrily at the people of the Quality Inspection Department.

“I’m telling you, if you admit it now, we can give you a lighter sentence. If we find out, don’t blame me for being rude!” Yu Jin looked at the person-in-charge of the quality inspection coldly and said.

The expression of the person-in-charge of the quality inspection became extremely ugly, and he stood there uneasily.

But after thinking for a moment, he still braced himself and said, “There’s no problem with... with what Mr. Su said.”

“Okay.” The Deputy Chief nodded.

He looked at Commander Guo and said, “Immediately call the people from the second team of the Military District and have them investigate for me. If there’s no problem, all of you will be fired and investigated!”

“Yes!” Commander Guo saluted and immediately took out his phone to make a call.

At this time, the person-in-charge of the Quality Inspection Department suddenly shouted, “Don’t... Don’t call. I’ll tell you. I’ll tell you...”

Yu Jin snorted lightly and said, “Tell me, what’s going on?”

The person-in-charge pointed at Su Bo and said with a trembling voice, “He asked us to frame Qin Yu...”

“You... you’re talking nonsense!” Su Bo’s face paled, and he was sweating profusely!

At this point, the person in charge couldn’t care less about that.

He pointed at Su Bo and said, “He’s the one who asked us to do this. He even said that it would be best if we could find some, but if we can’t find any, then he’ll let us secretly put in bad herbs to frame Qin Yu...”

“You... you’re slandering me!” Su Bo’s expression was ashen. He hurriedly looked at the Deputy Chief and said, “Deputy Chief, you... Don’t listen to his nonsense. It’s all made up by him!”

The Deputy Chief looked at Su Bo coldly and said, “Are you still not going to admit it?”

Su Bo gritted his teeth and said, “Deputy Chief, this was all his own idea. I... I was just passing by!”

“Think about it. I’m a martial artist. How can I have the right to investigate herbs? This matter has nothing to do with me!” Su Bo pointed to the sky, as if he was swearing to the heavens.

The person in charge gritted his teeth and said, “I have a recording here! Mr. Qin is a famous person in Jiangcheng, so I was afraid that something would happen, and I specially recorded the conversation with Su Bo!”

“Take it out!” Yu Jin berated.

The person in charge immediately took out his phone and began to search for the recording.

Su Bo’s expression was panicked, and bean-sized sweat covered his forehead.

At this moment, Su Bo, wanting to snatch the phone, suddenly reached out his hand.

However, with a flick of Qin Yu’s finger, Su Bo’s body was sent flying!

“You want to destroy the evidence?” Qin Yu sneered..

Chapter 145: Guaranteed Spot

Su Bo got up from the ground and stared at the cell phone in the person-in-charge’s hand.

He had completely panicked at this point.

“You still won’t admit it?” The Deputy Chief’s expression was extremely cold.

“You’re really stubborn.” Yu Jin snatched the cell phone and pressed the play button.

A recording was played from the phone.

“Qin Yu is a good-for-nothing. A good-for-nothing actually dared to disobey me. How can I let him go just like that?!”

“Don’t worry, I’m the elite of the Military District. I have connections with powerful people! Who would dare to go against me?”

“This time, I want Qin Yu to kneel in front of me and beg me. Otherwise, I will shut his factory down!”

When they heard these recordings, everyone’s expressions turned extremely gloomy.

Meanwhile, anger appeared on the Deputy Chief’s face.

“Embarrassing, this is simply embarrassing!” The Deputy Chief said furiously!

“Chuzhou Region actually has such a scum. I have been completely humiliated by you!”

Upon seeing the Deputy Chief’s attitude, Su Bo fell to his knees with a plop!

He begged miserably, “Deputy Chief, I didn’t know that Qin Yu was our honored guest. I... was wrong...”

“From what you said, if I was just an ordinary person, I deserved to be messed with by you, right?” Qin Yu questioned coldly.

“No... No, I absolutely didn’t mean that!” Su Bo hurriedly waved his hand.

He gritted his teeth and said, “It’s all Su Yan’s fault! It was Su Yan who asked me to do this. She said that she wanted me to take revenge for her. It has nothing to do with me!”

“Someone without morals or a sense of responsibility doesn’t deserve to stay in the Military District,” Qin Yu said coldly.

Commander Guo immediately took a step forward and said, “Qin Yu, don’t worry. I will immediately expel him from the Military District and take legal action!”

“No... Don’t. I know I’m wrong. Sir, please forgive me for once...” Su Bo begged desperately.

It wasn’t easy for him to reach where he was today. He was naturally unwilling to return to his original state.

But unfortunately, the Deputy Chief couldn’t give him a chance.

“Take him out quickly. He’s a disgrace!” The Deputy Chief said coldly.

As soon as he said that, a few soldiers came forward and grabbed Su Bo’s arm before bringing him to the car.

“Qin Yu, I’m really sorry. I didn’t expect there to be such a scum in the Military District. Sorry for the trouble.” The Deputy Chief personally walked forward and shook hands with Qin Yu.

Qin Yu said politely, “Deputy Chief, you’re too courteous. Please take a seat in the room.”

“Okay.” The Deputy Chief didn’t stand on ceremony. He nodded and followed Qin Yu into the office.

After the Deputy Chief entered and sat down, Qin Yu personally brewed a cup of tea for them.

“Sigh, I originally wanted to invite you to join the Chuzhou Region of the Military District. Now, I don’t even have the nerve to say this.” The Deputy Chief rubbed the teacup and shook his head.

Qin Yu smiled and said, “Deputy Chief, that has nothing to do with this matter. I don’t want to go to the Military District for the time being. Thank you for your kind intentions.”

The Deputy Chief didn’t insist any further. He nodded and then changed the topic, “Qin Yu, your Soul Nourishment Pill is a key project in the province. Rumor has it that the Soul Nourishment Pill has been taken to the province to be a model for research!”

Hearing this, Qin Yu said with some surprise, “Deputy Chief, is what you said true?”

“Of course!” The Deputy Chief laughed out loud.

Mr. Yang, who was beside him, also hurriedly said, “Mr. Qin, this officer is right. Do you still remember the Chinese Medical Conference?”

Qin Yu nodded and said, “To tell you the truth, I came to the factory this time for the Chinese Medical Conference.”

Mr. Yang heaved a sigh of relief and said with a smile, “That’s good. That’s good. I have submitted the information to you.”

The Deputy Chief asked in surprise, “The Chinese Medicine Conference?”

“Chief, you also know about the Chinese Medicine Conference?” Qin Yu asked in surprise.

The Deputy Chief laughed out loud and said, “Of course. Although the Chinese medicine world has declined over the years, the higher-ups still attach great importance to this Chinese Medicine Conference.”

At this point, the Deputy Chief looked at Commander Guo and said, “If he submits the Soul Nourishment Pill, Qin Yu should be able to get a guaranteed spot in the finals, right?”

Commander Guo shook his head and said, “Deputy Chief, I don’t know much about this...”

The Deputy Chief muttered, “I’ll ask around when I get back.”

Qin Yu, looking a little embarrassed, scratched his head.

“I really didn’t expect that a mere Soul Nourishment Pill would cause such a big impact,” Qin Yu muttered inside.

“Qin Yu, you must have put in a lot of effort for this Soul Nourishment Pill, right?” The Deputy Chief asked casually.

Qin Yu said somewhat awkwardly, “To tell you the truth, this Soul Nourishment Pill was only casually refined by me...”

This wasn’t false. The Soul Nourishment Pill was only the simplest pill in Qin Yu’s inherited alchemy methods handbook. It wasn’t worth mentioning at all.

The Deputy Chief smiled. It was obvious that he didn’t believe it.

But he didn’t say anything. In the Deputy Chief’s opinion, it wasn’t a bad thing for a young man to have some vanity.

Half an hour later, the Deputy Chief and the others were ready to leave the factory.

Before leaving, the Deputy Chief warned, “Qin Yu, you have to work harder in the future. I have high hopes for you.”

“Yes, our Deputy Chief said that you might become the second Ye Qing!” Yu Jin said with a wink.

“Yu Jin!” Commander Guo frowned slightly and glared at Yu Jin.

Yu Jin stuck out his tongue and quickly covered his mouth.

They didn’t stay any longer. After saying goodbye, they left the factory.

Qin Yu touched his chin and whispered, “Ye Qing... how come I’ve never heard of this name?”

After returning to the office, Qin Yu looked at Mr. Yang and asked, “When will the Chinese Medical Conference begin?”

Mr. Yang quickly said, “I took the initiative to submit your information half a month ago. About a week later, the Chinese Medicine Conference will officially begin.”

Qin Yu nodded silently, then stood up and said, “Mr. Yang, I’ll have to trouble you to help guide me when the time comes.”

Mr. Yang hurriedly waved his hand and said, “You must be joking. Your achievements are far above mine. You should be the one to guide me.”

These people who were obsessed with a certain academic field were like this. They didn’t care about age, and only cared about achievements.

For example, Mr. Yang, and Yu Jin.

Qin Yu didn't stay in the factory for long, and soon returned to Dragon Paradise Villa.

When he returned home, Qin Yu found that Sun Yumei and the members of the Su family were actually standing at the door.

“What are they doing here?” Qin Yu frowned slightly and then walked over quickly.

“What are you doing at my house?” Qin Yu asked with a cold expression.

When he saw Qin Yu, Su Wu suddenly seemed to have gone crazy as he rushed towards Qin Yu.

“You b*stard, you actually ruined my son's career! Do you know how much effort my son put into it?!” Su Wu gnashed his teeth and said.

When he heard Su Wu's words, Qin Yu couldn't help but sneer.

“Your son didn't live up to expectations, but now, you blame it on me?” Qin Yu said coldly.

“F * ck you, you have to take responsibility!” Su Wu gritted his teeth and said.

Su Wen also said fiercely, “Not only did you harm my daughter, but now, you also want to harm my nephew. Because of you, the Su family is in turmoil now.. How are you going to take responsibility for it?!”

Chapter 146: The Shameless Doctor

Looking at these people in front of him, Qin Yu couldn't help but feel a little angry.

Ever since he advanced to the Foundation Establishment Stage, Qin Yu became more and more calm about killing people.

However, Qin Yu had promised Old Mister Su to give them a way out, so Qin Yu still took a deep breath and endured it.

“Then what do you want?” Qin Yu said coldly.

Su Wu snorted. “With my son’s ability, he can at least earn 100 million. How about this, give us 100 million and we’ll leave immediately!”

Hearing this, Qin Yu couldn’t help but snicker.

“100 million? You actually dare to ask so much,” Qin Yu said coldly.

Su Wu snorted. “Stop talking nonsense. If you don’t give it, I won’t leave today!”

After saying that, Su Wu walked straight to the door and sat down.

Qin Yu looked at Su Wu coldly and didn’t say anything for a while.

“Are you also a member of the Su family?” After a long while, Qin Yu suddenly said.

Su Wu froze and said impatiently, “What does it have to do with you?”

“You only need to answer yes or no,” Qin Yu said coldly.

Su Wu didn’t say anything for a moment, and his mind raced.

He knew that Qin Yu and the Su family didn’t have a good relationship. If he was a member of the Su family, he probably wouldn’t get anything today.

Thinking of this, Su Wu said proudly, “I haven’t returned to the Su family’s home for more than ten years. Strictly speaking, I’m not a member of the Su family!”

“Okay.” Qin Yu sneered.

“Since you’re not a member of the Su family, I’m relieved.” After saying that, Qin Yu strode towards Su Wu.

Su Wu was immediately overjoyed! It seemed that he had guessed correctly!

Thinking of this, Su Wu immediately stood up from the ground.

“It’s only 100 million. I didn’t even ask for more. At least you’re sensible.” Su Wu said with a smile.

Su Wen and the others muttered, “I didn’t expect this kid to actually have 100 million. F * ck.”

However, in the next second, Su Wen and the others’ faces turned extremely pale!

Qin Yu waved his hand and smashed Su Wu’s head!

Then, Qin Yu grabbed his collar and threw him in front of Su Wen!

“Since you’re not a member of the Su family, then you can go to h*ll,” Qin Yu sneered wickedly.

Su Wen and Sun Yumei were both stunned. Half a second later, a scream came out from Sun Yumei’s mouth!

“Murder!” Sun Yumei’s whole body was trembling. Her legs went weak, and she wanted to run, but she couldn’t move her legs!

Su Wen's lips were also trembling, and he was so scared that he peed his pants.

Qin Yu looked at Su Wen coldly and said, "If you don't want to die, you'd better not provoke me again!"

Su Wen had already been scared to death, so how could he dare to talk back?

He pulled Sun Yumei away and struggled to get into the car.

As soon as they got in the car, the two of them sped away.

Looking at their departing car, Qin Yu took a deep breath.

He flicked his finger and a wisp of spiritual fire landed on Su Wu's body.

In less than a minute, Su Wu's body was burned clean.

After returning home, Qin Yu changed his clothes and prepared to go to the warehouse to find some herbs to familiarize himself with alchemy.

However, when he arrived at the warehouse, Qin Yu found that the warehouse was empty.

"There aren't any more herbs." Qin Yu frowned.

He wanted to call Lei Hu, but on second thought, since he had nothing to do, he might as well go out for a walk.

Thus, Qin Yu got into his car and drove towards the Chinese Medicine Hospital.

Very soon, Qin Yu arrived at the entrance of the Chinese Medicine Hospital.

Today, there were especially many people at the entrance of the Chinese Medicine Hospital. There was even a large sign hanging at the entrance that had a line of words clearly written on it: Provincial Capital's Chinese Medicine Genius, Zhou Tong, giving free medical services!

“Chinese Medicine Genius?” Qin Yu frowned slightly. “No wonder there are so many people today.”

After Qin Yu parked the car, he walked into the hospital.

He saw a long line in the hall of the hospital.

An old man in his sixties was sitting in front of him. This old man looked like a sage, but there was arrogance in his eyes.

“This person should be Zhou Tong.” Qin Yu glanced over and murmured in a low voice.

Since he was a Chinese Medicine Genius, he would definitely be present at this Chinese Medicine Conference.

Thinking of this, Qin Yu decided to line up to see the Chinese Medicine Genius's abilities.

Thus, Qin Yu stood at the back and waited quietly.

The line was very long because many people came after hearing the news.

Among them, there were those who actually needed to see a doctor, and there were also those who came to join in the fun.

A woman holding a child was standing in front of Qin Yu. This woman was dressed extremely shabbily, and one look was enough to tell that she was from a poor family.

Two hours later, Qin Yu was finally getting closer and closer to Zhou Tong.

The peasant in front of him hurriedly carried the child and walked forward. She said anxiously, “Doctor... Doctor Zhou, please take a look at my daughter. Her fever has not subsided. She has been taking a lot of medicine, but they don’t work...”

Zhou Tong glanced at the peasant, but didn’t say anything. Instead, he closed his eyes.

The farmer’s wife was instantly stunned, and she hurriedly said, “Doctor Zhou, can you examine the child?”

Zhou Tong still didn’t say anything. He just placed his hand on the table.

The farmer’s wife had a puzzled look on her face. She asked tentatively, “Doctor... Doctor Zhou?”

At this time, a young man beside Zhou Tong said impatiently, “What are you clamoring about? Why are you so insensible? Why did you come empty-handed?”

The peasant said awkwardly, “Didn’t it say free consultation on the sign?”

“Free consultation? Don’t you know that you should bring something to show respect to Doctor Zhou?” The young man said impatiently.

“How d*mn stupid. No wonder you’re poor.” The young man muttered in a low voice.

The peasant immediately panicked. She searched all her pockets and gathered more than a hundred yuan.

“Doctor... Doctor Zhou, this is all the money I have on me...” the farmer’s wife’s hands trembled as she handed over a hundred yuan.

“Oh right, these are eggs I brought from my hometown. I will give it to Doctor Zhou...” the farmer’s wife hurriedly picked up a basket of eggs from the ground.

Zhou Tong glanced at it and couldn’t help but snicker, “Do you think I’m a beggar?”

With that, the basket of eggs was knocked to the ground!

Qin Yu, who was standing behind, immediately showed a cold expression. Zhou Tong was actually quite pretentious. Since he wanted money, why did he say that he would give free consultations?

“Hey hey hey, move aside!” At this moment, a man with golden chains walked over and squeezed to the front rudely.

“Sir, it’s... I came first...” the peasant said in a low voice.

The man with the golden chains glared at the peasant and berated, “So what if you came first? I’m going to cut the line. Even if you’re not satisfied, suck it up!”

After saying this, the man with the golden chains took out a jade pendant from his pocket and stuffed it into Zhou Tong’s hands.

“Doctor Zhou, can you help me take a look?” The man with the golden chains winked and said.

Zhou Tong silently accepted the jade pendant, and his attitude instantly changed drastically.

“What can I do for you?” Zhou Tong asked kindly.

The man with the golden chains smiled and said, "It has been quite long now. Can you help me take a look?"

Zhou Tong laughed and said, "No problem!"

Chapter 147: Do You Want a Slap?

When he saw Zhou Tong's attitude, Qin Yu's anger rose from the bottom of his heart.

The peasant couldn't afford to offend these two people. She could only look at the child in her arms and cry silently.

Qin Yu's expression turned cold. He took a step forward and stood in front of the man with the golden chains.

Then, he looked at Zhou Tong and said, "Doctor Zhou, I have a better treasure here. Can you let me go first?"

"Who are you? Don't you know how to queue?" The man with the golden chains said angrily.

Qin Yu glanced at him and said with a sneer, "Are you queuing?"

"I don't give a f * ck about that. Get out of my way!" After saying that, the man with the golden chains reached out and grabbed Qin Yu's shoulder to pull Qin Yu to the side.

However, he tried his best, but he couldn't move Qin Yu at all!

"Okay, okay. Just you wait!" The man with the golden chains pointed at Qin Yu's nose and scolded.

"You dare to provoke me in Jiangcheng? I'll f * cking kill you!" The man with the golden chains walked to the side and took out his phone to make a call.

Qin Yu couldn't be bothered with him at all. Instead, he looked at Zhou Tong and sneered. "Doctor Zhou, can I?"

Doctor Zhou smiled nonchalantly and said, "Of course you can, but you have to first show me what kind of treasure it is. If it is really valuable enough, I will naturally treat you first."

Qin Yu nodded. He waved his hand and said, "This is it."

Zhou Tong frowned and said with some confusion, "What do you mean? You clearly don't have anything in your hand."

"No? It's in my hand. Can't you see it?" Qin Yu asked.

Zhou Tong frowned and said with some displeasure, "You clearly don't have anything in your hand. Are you teasing me?"

Qin Yu waved his hand and sneered. "Aren't I?"

After saying that, Qin Yu slapped him in the face!

Zhou Tong immediately flew out of the chair!

"Do you want a slap?" Qin Yu sneered.

Zhou Tong was instantly furious. He got up from the ground and pointed at Qin Yu's nose as he scolded, "You f * cking dared to hit me? Are you crazy?"

The crowd also whispered, "He dared to hit Doctor Zhou. What's the background of this young man?"

"Yeah, if he offended Doctor Zhou, would Doctor Zhou treat us?"

"Young people are impulsive."

Hearing the murmurs of the crowd, Qin Yu couldn't help but feel sorrowful from the bottom of his heart.

These people only cared about the benefits in front of them. If the persecution didn't happen to them, they wouldn't stand up or fight back.

It was precisely because of this reason that those oppressors were unbridled.

Qin Yu looked at Zhou Tong coldly and said, "Do you think you're qualified to claim to be a Chinese Medicine Genius? Do you even have the benevolence a doctor should have?"

"The child in this woman's arms has a high fever, yet you didn't treat him. And that man with the golden chains just didn't have enough time, yet you want to treat him. Can you be considered a doctor?"

"A person like you calls yourself a Chinese Medicine Genius? What a joke!"

These words made Zhou Tong's face flushed.

However, he didn't take Qin Yu's words to heart at all. Instead, he pointed at Qin Yu and said, "This is the way of society. Don't you understand?! You don't have money, yet you want people to do things for you?"

"Only a weakling follows bad rules," Qin Yu said coldly.

"Hahaha!" Zhou Tong couldn't help but burst into laughter.

"You hit me. Have you thought about the consequences?!" Zhou Tong questioned loudly.

Qin Yu sneered. “If you killed a maggot, would you think about the consequences?”

Zhou Tong’s expression suddenly changed. He pointed at Qin Yu and cursed, “You dare to call me a maggot? Do you know what kind of status I have? Do you know how many high-ranking officials and nobles owe me favors?”

“None of my business.” Qin Yu sneered.

Zhou Tong’s expression changed. At this time, he suddenly looked at the door and said with pleasant surprise, “Kid, your retribution has come!”

He turned his head and saw a large group of tattooed burly men coming to the door!

These strong men were all fierce and burlesque!

“Kid, you dared to cut in front of me and even dared to hit Doctor Zhou. I will cripple you today!” The man with the golden chains said arrogantly.

Qin Yu didn’t even think it was worth it to make a move on such a nobody.

He took out his phone and immediately called Lei Hu.

“Come to Jiangcheng’s Chinese Medical Hospital and bring people with you.” Qin Yu’s words were brief and concise. After he said that, he hung up the phone.

On the other end, Lei Hu didn’t understand the situation at all. However, Qin Yu was his financial backer. He didn’t dare to go against Qin Yu’s wishes.

After thinking about it, Lei Hu said to Lance, “Go and call all your buddies. Go to the Chinese Medical Hospital immediately!” he said.

“Yes, Mr. Hu.” Lance nodded.

In the hospital, the man with the golden chains pointed at Qin Yu and cursed, “Kid, it’s not too late for you to apologize to me now.”

Qin Yu glanced at him and said, “You’re just a nobody. You’re not worth my time. Just wait. Someone will come and negotiate with you later.”

“f * ck you. Who are you trying to scare? You’re just a nobody. Who do you think you are?” The man with the golden chains cursed.

Zhou Tong, who wasn’t far away, also sat down and drank some tea. He looked like he was looking forward to the drama.

“Thank you for your kindness, but... you should leave quickly. Don’t let anything happen to you because of me...” the peasant woman beside him said anxiously.

Qin Yu smiled and comforted, “Don’t worry. I’ll be fine.”

After saying that, Qin Yu glanced at the girl in her arms and said, “I’ll help you treat your daughter’s illness.”

“Hehe, you really know how to brag.” Zhou Tong couldn’t help but sneer.

“Who do you think you are? You can treat people’s illnesses?”

Qin Yu glanced at him and said, “No matter who I am, I’m much better than a villain like you.”

“Doctor Zhou, leave this matter to me!” The man with the golden chains shouted, as if he was taking credit.

Zhou Tong nodded and said indifferently, “As long as you help me deal with this kid, I can treat your illness three times for free.”

“Really? Thank you, Doctor Zhou!” The man with the golden chains was instantly overjoyed!

“Rumble...”

At this moment, the sound of engines suddenly came from outside the door!

They saw countless cars driving towards the hospital!

These cars blocked the entrance of the Chinese Medical Hospital. Then, many burly men jumped out of the cars!

When they saw this scene, everyone’s faces turned pale with fright!

The man with the golden chains was stunned and muttered, “Why is Mr. Hu here?”

“Mr. Hu, why are you here?” Although the man with the golden chains couldn’t figure it out, he quickly walked over with a cigarette in his hand.

Lei Hu didn’t even look at him. Instead, he rushed to Qin Yu.

He wiped the sweat from his forehead and said, “Mr. Qin, what do you want to talk to me about....”

Chapter 148: I’ ll Be the Doctor!

Seeing Lei Hu’s nervous attitude, the crowd couldn’t help but feel stunned.

And the golden-chained man’s expression changed drastically!

To people like them, Lei Hu was legendary. No one dared to provoke him!

“So these people were summoned by that young man.”

“No wonder this young man dares to be so cocky. Looks like he has a powerful background.”

Everyone discussed animatedly and took a few steps back in unison.

Qin Yu glanced at the man with the golden chains and said, “I’ll leave this person to you.”

Lei Hu hurriedly nodded and said, “No problem.”

After saying that, Lei Hu waved his hand, and everyone immediately swarmed forward. In just a few moments, they pressed the man with the golden chains to the ground!

“Mr. Hu, I didn’t know that he was your man. I... I was wrong...” the man with the golden chains said with a terrified expression.

When Lei Hu heard this, he immediately berated, “One of my people? He is Mr. Qin Yu. If you dare to be disrespectful, I definitely won’t forgive you!”

When they heard Qin Yu’s name, there was once again an uproar.

“So he’s Qin Yu! No wonder he’s so confident!”

“Not long ago, Qin Yu defeated the Liu family of South City!”

“I heard that his medical skills are also outstanding!”

Zhou Tong, who wasn’t far away, narrowed his eyes.

He sized up Qin Yu and sneered. "So you're Qin Yu. I've heard of your name. I heard that the Soul Nourishment Pill came from you."

Qin Yu glanced at him and said, "I'm very sorry, but I've never heard of your name."

Zhou Tong's expression turned cold. He narrowed his eyes and said, "Qin Yu, speaking of which, you and I are also people of the same field. Why do you have to offend me for a peasant's sake?"

"Of the same field?" Qin Yu snickered.

"A person who is greedy for money and tramples on people of lower status while kissing up to people of higher status is worthy to be of the same field as me?" Qin Yu spoke harshly, causing Zhou Tong to blush.

Zhou Tong said with a cold expression, "Qin Yu, don't be too cocky. Sooner or later, you will need me!"

"I'm sorry. I won't need someone like you for the rest of my life," Qin Yu said coldly.

Just as Zhou Tong was about to fly into a rage, a middle-aged man in a suit and tie ran over.

This middle-aged man was none other than the dean of the Chinese Medical Hospital.

He ran to the middle of the two people in a panic and asked awkwardly, "What... what's going on?"

Zhou Tong immediately snorted and said, "Mr. Ding, I traveled thousands of miles from the provincial capital to Jiangcheng to treat patients for you. Is this how you treat me?"

Mr. Ding hurriedly said, “Doctor Zhou, is... is there some kind of misunderstanding...”

“Misunderstanding?” Zhou Tong raised his eyebrows. He pointed at Qin Yu and berated, “I was kind enough to treat patients for you, but this person came to cause trouble. Mr. Ding, what sort of security measures does this hospital have?!”

Mr. Ding glanced at Qin Yu and immediately complained inside.

Qin Yu had become famous recently, so Mr. Ding couldn't afford to offend either of these two people.

“Mr. ... Mr. Qin, what exactly is going on...” Mr. Ding braced himself and asked.

Qin Yu glanced at him and said, “Aren't you afraid of affecting the reputation of your hospital by inviting this kind of person to give a consultation?”

“Mr. Ding, you heard him, right? No matter what, I am his senior, yet he spoke to me so rudely!” Zhou Tong snorted coldly.

“I demand that you kick him out immediately, or else I will cancel today's consultations!” Zhou Tong's tone carried a hint of threat.

The crowd immediately panicked. They had already queued for so long. In order to see Zhou Tong, countless people had specially asked for leave.

Mr. Ding was even more worried. In order to invite Zhou Tong, he had spent a large amount of money. If he left now, all his efforts would be in vain!

Zhou Tong looked at Qin Yu smugly and said with a sneer, “Kid, don’t you have a benevolent heart? Then hurry up and get lost. Otherwise, these people will have nowhere to go even if they want to see a doctor.”

“Nowhere to go?” Qin Yu raised his eyebrows.

“Do you really think you’re a big shot? Do you think that other than you, no one else can treat people?” Qin Yu sneered again and again.

Zhou Tong sneered and said, “What do you mean?”

Qin Yu didn’t pay attention to Zhou Tong. Instead, he looked at Mr. Ding and said, “Mr. Ding, if you don’t mind, I’m willing to take Zhou Tong’s place. I’ll give free consultations and treat patients for free.”

“Hahahaha!” As soon as Qin Yu finished speaking, Zhou Tong couldn’t help but burst into laughter.

“Qin Yu, do you think that just because you developed the Soul Nourishment Pill, it means that your medical skills are extraordinary?” Zhou Tong questioned loudly.

“I, Zhou Tong, started to study medicine at the age of eight, became famous at the age of nineteen, and mastered Chinese and Western medicine at the age of twenty-seven! Now, I’m even called a Medical Genius! Who do you think you are?” Zhou Tong sneered.

Mr. Ding was also somewhat conflicted. After all, he wasn’t familiar with Qin Yu at all.

Moreover, Qin Yu indeed didn’t have much of a reputation in the medical world.

“Mr. Qin, you have a noble status. How can you treat our patients...” the person beside him said even more softly.

“That’s right. Mr. Qin, why don’t you leave first? We can spend some money ...”

“Mr. Qin, we know that you have good intentions, but...”

Everyone stepped forward to advise him. It was obvious that they didn’t believe in Qin Yu’s abilities at all.

Qin Yu looked at Mr. Ding and said, “Mr. Ding, what do you think?”

Mr. Ding thought for a moment and mustered up his courage to say, “Mr. Qin, I know that you have a famous reputation. It’s just that we have only heard of your medical skills and have never seen them before. I wonder if you can show them to us on the spot?”

“Yes, Mr. Qin. It’s not that we don’t believe you, but... we don’t want to take the risk...” someone beside him said.

Qin Yu nodded. He looked at the peasant beside him and said politely, “I just promised to treat your daughter’s illness. Are you willing to believe me?”

The peasant’s expression was somewhat conflicted. She looked at the crying child in her arms and then at Qin Yu.

Then, she gritted her teeth and said, “Mr. Qin, I believe you because you’re willing to offend Zhou Tong for the sake of a peasant like me!”

“Alright.” Qin Yu immediately walked in front of the child.

He slowly raised his hand and placed it on the little girl’s forehead.

Following that, traces of spiritual energy flowed along Qin Yu's palm and surged towards the little girl's forehead.

In just thirty seconds, the little girl's crying stopped abruptly!

The peasant was stunned. She hurriedly raised her hand and placed it on the little girl's forehead. She exclaimed, "The fever has really subsided. The fever has really subsided!"

Mr. Ding hurriedly went forward and examined the little girl.

"The fever has indeed subsided!" Mr. Ding said with a shocked expression.

"Mr. Qin, thank you so much!" The peasant wanted to bow to Qin Yu.

Qin Yu gently waved his hand, and a gentle force lifted the peasant up.

"I will never go back on my promise. You don't have to bow to me," Qin Yu said indifferently..

Chapter 149: Registration

The crowd immediately went into an uproar.

Just by extending his hand, he was able to cure the child's illness? What kind of medical skill was this?

Qin Yu placed his hands behind his back calmly.

This was his prowess at the Foundation Establishment Stage. Ordinary illnesses could be cured with just spiritual energy.

Mr. Ding, who was at the side, walked to Qin Yu's side quickly. He cupped his hands and said, "Mr. Qin, thank you for your help."

After saying this, Mr. Ding turned to Zhou Tong and said, “Doctor Zhou, I clearly saw what you have done through the surveillance cameras.”

“I gave you a sum of money to invite you to give free consultations, but I didn’t expect you to accept bribes in private, so I’m sorry,” Mr. Ding said in a neither servile nor overbearing manner.

Qin Yu was rather appreciative of Mr. Ding’s behavior and couldn’t help but nod slightly.

Zhou Tong’s expression was ice-cold. He looked at Mr. Ding and said, “Mr. Ding, I hope you don’t regret it.”

“Of course I won’t regret it,” Mr. Ding said nonchalantly.

“Zhou Tong, you can get lost now,” Qin Yu scolded coldly.

Zhou Tong’s expression was extremely displeased. He looked at the two people beside him.

The two people immediately understood. They looked at each other and suddenly threw a punch at Qin Yu!

Qin Yu had already discerned that these two were Inner Strength Masters, so he was prepared.

Qin Yu raised his hands calmly and met them head-on.

With a crisp sound, these two were sent flying!

The bones in their hands were broken, and they were in extreme pain!

“You guys actually dare to provoke me?” Qin Yu said coldly.

The two of them got up from the ground and stood beside Zhou Tong without daring to say anything.

“Qin Yu, you will pay for your actions. Don’t underestimate the power of a famous doctor,” Zhou Tong said coldly.

Qin Yu sneered. “No matter how good your medical skills are, it’s not worth mentioning if you don’t have medical ethics.”

“Hahaha!” Zhou Tong couldn’t help but laugh loudly.

“My medical skills are just a means for me to get acquainted with high officials and nobles. As for you, I want to see how far your kindness can get you!” Zhou Tong said fiercely.

After saying this, Zhou Tong turned around and left.

The crowd quickly erupted into thunderous applause. Countless people were praising Qin Yu.

And Qin Yu also kept his promise. He immediately sat on Zhou Tong’s seat and began to treat everyone.

For the entire day, it was only until nine o’clock in the evening that the hospital gradually quieted down.

Qin Yu stretched his body and felt extremely exhausted.

Such a huge consumption of spiritual energy was something that even Qin Yu couldn’t tolerate.

“Mr. Qin, I have really troubled you.” Mr. Ding brought a cup of water for Qin Yu and said politely.

Qin Yu smiled and said, “Mr. Ding, you don’t have to be so polite. I’m not doing this for you.”

Although that was the case, Qin Yu’s action brought great benefits to the Chinese Medical Hospital.

“Mr. Qin, if you are willing, I would like to hire you as a special doctor. What do you think?” Mr. Ding suddenly said.

Qin Yu frowned slightly and said with some confusion, “Special doctor? What do you mean?”

“I mean that you will be a nominal doctor. I’ll give you a salary every month, and your position will only be second to mine! You only need to come once in a while,” Mr. Ding quickly said.

Qin Yu thought about it for a moment. This was a good offer.

After thinking for a moment, Qin Yu said, “Forget about the salary. How about this? You only need to send me a batch of herbs every month. Is that okay?”

Mr. Ding was immediately overjoyed. He hurriedly nodded and said, “Absolutely no problem! Our Chinese Medical Hospital lacks everything except herbs!”

“Okay, then I’ll have to trouble you.” Qin Yu nodded and then turned around to leave.

When he returned home, it was already past ten o’clock at night.

Qin Yu walked around the house, but he still didn’t find Yao Qing.

“Weird, where did this brat go?” Qin Yu mumbled.

Yao Qing hadn’t been home for two whole days, and he couldn’t be reached by his phone. This worried Qin Yu a little.

Fortunately, Yao Qing was also an Inner Strength Master, so he probably wouldn’t encounter any big problems. Therefore, Qin Yu didn’t think too much about it.

He slept until dawn.

The next morning, Mr. Ding asked someone to send over a batch of herbs.

In the next few days, Qin Yu spent almost all his time refining herbs.

“D*mn, it’s really difficult to completely control the spiritual fire.” Qin Yu looked at the burned herbs in front of him and couldn’t help but feel a little annoyed.

In the past few days, Qin Yu had tried countless times, but he always failed to control the fire properly. If he was even just a little careless, the herbs would be burned to ashes.

However, there was no shortcut to this. He could only rely on time to improve his experience.

Five days passed in the blink of an eye.

There were only two days left until the Chinese Medicine Conference.

Early in the morning, Mr. Yang arrived at Qin Yu’s door.

He stood in front of Qin Yu and said politely, “Mr. Qin, I have already arranged the work in the factory. Do you think we should set off?”

Qin Yu said in surprise, “This early?”

Mr. Yang forced a smile and said, “We still have to register in advance and go through the relevant procedures.”

Qin Yu thought for a moment and said, “Alright, please wait a moment. I’ll pack up.”

After half an hour, Qin Yu brought some personal belongings with him and set off for the provincial capital with Mr. Yang.

Chinese medicine had declined over the years. It wasn't an exaggeration to say that the influence of Chinese medicine couldn't be compared to that of modern medicine.

Of course, no one could be blamed for this. The main reason was that too many swindlers were using traditional Chinese medicine as a ruse to swindle people, so no one was willing to believe in traditional Chinese medicine anymore.

After driving for a long time, they finally arrived at the provincial capital.

This was the second time Qin Yu had come to the provincial capital, so Qin Yu was familiar with the area.

Mr. Yang brought Qin Yu all the way to the venue of the traditional Chinese Medicine Conference.

"This is the venue of the Chinese Medicine Conference," Mr. Yang said as he pointed at the huge stadium in front of him.

Qin Yu nodded and said, "It doesn't look like there are many people."

Mr. Yang forced a smile and said, "In a normal city, there are at most two or three people participating in the competition. In Jiangcheng, for so many years, I was the only one who participated."

Qin Yu couldn't help but sigh. It wasn't easy for Mr. Yang to remain dedicated for so many years.

"Let's go in and register. I've already submitted the relevant information," Mr. Yang said.

Qin Yu nodded and followed Mr. Yang into the venue.

The registration area was a huge office. The interior decoration was extremely magnificent, and the person in charge of the examination was the provincial capital's Chinese Medicine Association.

Qin Yu followed Mr. Yang into the office.

He saw four to five old men signing up in the office.

When they saw Mr. Yang, they teased him, "Mr. Yang, you're here to sign up again."

"This must be your thirteenth time participating in the competition, right? This time, work harder. Don't be the last one."

"That's right. You lose every year, yet you still don't give up. I really admire your enthusiasm despite repeated failure.."

Chapter 150: I' m Guaranteed a Spot in the Finals

Mr. Yang didn't feel awkward in the face of everyone's ridicule. He only said politely, "I'm not participating this time. It's Mr. Qin who's participating."

After saying that, Mr. Yang looked at Qin Yu.

The group of old men couldn't help but laugh when they saw this.

"Mr. Yang, is there no one else in Jiangcheng? You found a little kid to participate."

"That's right. Alchemy is all about experience. What can a kid like him do?"

Mr. Yang's expression was a little awkward, but he didn't say anything.

It was obvious that he was already used to everyone's ridicule.

“Mr. Yang, it’s okay. These people aren’t worth mentioning at all.” Qin Yu smiled and comforted him.

Although his voice wasn’t loud, it reached everyone’s ears.

This group of old men immediately flew into a rage and berated, “Brat, we are your elders after all. How dare you talk to your elders like this!?”

Qin Yu glanced at them, then said indifferently, “There are always people who like to use their age to oppress others. Does being old mean you’re always right? Does being old give you the right to spout nonsense? If you have morals, I respect you. If you have no morals, I’m sorry, but you’re nothing in my eyes.”

These words made everyone blush.

“From your words, I know that you don’t have any real ability!” Someone snorted coldly.

Qin Yu sneered and said, “Old fart, right back at you.”

“You!” The few of them were so angry that their expressions turned ashen, but they had nothing to say.

“Don’t lower yourself to their level,” Mr. Yang said to Qin Yu in a low voice.

Although that was the case, it was obvious that Mr. Yang felt extremely satisfied.

He had been ridiculed by these people for many years. Now that Qin Yu was able to help him fight back, how could Mr. Yang not be happy?

Then, Mr. Yang brought Qin Yu to find a place to sit down and wait for the people from the Chinese Medical Association to arrive.

Qin Yu looked around and couldn't help but frown.

This place was usually deserted, but the decorations were extremely luxurious. This made Qin Yu somewhat suspicious.

Was the decline of Chinese medicine related to these people?

“These people are all here to amass money. They only care about profiting. How can they care about anything else?” Mr. Yang seemed to notice Qin Yu's doubts and said from the side.

Qin Yu nodded slightly and couldn't help but sigh inside. The moral degeneration of the world was getting worse day by day.

The group of people waited for two whole hours, but the people from the Chinese Medical Association still didn't appear.

Qin Yu looked at his watch. It was already four o'clock in the afternoon.

“Didn't they say that the registration time starts at two o'clock? They're already two hours late,” Qin Yu muttered.

Mr. Yang forced a smile and said, “Get used to it. These people are very arrogant.”

As he spoke, the door opened.

Then, a young man walk in from outside.

He reeked of alcohol and walked unsteadily. It was obvious that he had drunk too much.

When they saw this young man, the few old men hurriedly stood up and bowed. “Mr. Zhong, you're here.”

The young man who was called Mr. Zhong didn't pay any attention to them. He sauntered over to the sofa and sat down.

Then, he said with some annoyance, "The form is on the table. Take it and fill it out yourselves."

"Alright, Mr. Zhong!" The few old men eagerly took the form and began to fill it out.

Seeing this, Qin Yu couldn't help but sneer.

Mr. Zhong wasn't even as old as Qin Yu, but these old men were full of respect for him. They didn't care about his age at all. Such double standards.

"Let's go get the form too," Mr. Yang said to Qin Yu.

Qin Yu nodded. His original intention was to get hundred-year-old herbs, so he was too lazy to argue with these people.

After taking the form, Qin Yu quickly filled out his information and put it on the table.

"Is this enough?" Qin Yu asked Mr. Yang.

Mr. Yang nodded and said, "Yes, let's go."

Qin Yu nodded and turned to leave.

Just as he reached the door, the door was opened.

Then, he saw Zhou Tong standing outside the door.

When he saw Zhou Tong, Qin Yu was stunned.

Zhou Tong stayed where he was as he sized up Qin Yu and sneered.
“What are you doing here?”

Qin Yu opened his mouth, but before he could answer, Zhou Tong suddenly understood. “I know. You’re here to participate in the Chinese Medicine Conference, right?”

“Mr. Zhou, do you know Qin Yu?” Mr. Yang asked from the side.

Zhou Tong sneered. “I know him. Not only do I know him, but I’ve dealt with him before.”

Qin Yu frowned slightly and had a bad feeling.

As expected, Zhou Tong walked to the table, picked up Qin Yu’s application form, and glanced at it.

Then, he tore the form and threw it on the ground.

“I’m sorry, but you’re unqualified to participate in the Chinese Medicine Conference,” Zhou Tong said indifferently.

As soon as he said that, Mr. Yang immediately became anxious.

He quickly walked forward and said anxiously, “Mr. Zhou, why is Qin Yu unqualified to participate? I submitted his information before, and everyone was very satisfied with his qualifications...”

Zhou Tong took a sip of tea and said indifferently, “It’s not for any reason. It’s just because he offended me.”

His unabashed shameless attitude shocked Qin Yu somewhat.

Mr. Yang’s expression suddenly changed, and he stood there in confusion.

Zhou Tong walked in front of Qin Yu and sneered. “Qin Yu, do you still remember what I told you? Sooner or later, you will have to beg me!”

After saying that, Zhou Tong put his hands behind his back and said proudly, “If you beg me, I might be able to show mercy and let you participate in the Chinese Medical Conference.”

“Beg you?” Qin Yu raised his eyebrows. “Who do you think you are?”

Zhou Tong’s expression couldn’t help but change. He sneered. “You’re really stubborn! In that case, you can get lost. We don’t welcome you in the Chinese Medical Conference!”

The few old men also shouted one after another, “Serves him right! This kind of person shouldn’t be allowed to participate!”

“Hurry up and scram, little b*stard!”

Facing everyone’s curses, Qin Yu remained silent.

Mr. Yang was extremely anxious. He hurriedly walked in front of Zhou Tong and said with a pleading tone, “Mr. Zhou, what exactly is going on? Qin Yu is still young. Don’t lower yourself to his level...”

“Hehe, as long as he is willing to beg me, I can consider it. It’s just that he isn’t willing.” Zhou Tong sneered.

Mr. Yang was extremely anxious. He walked back to Qin Yu’s side and whispered, “We have no choice but to do what they ask. Qin Yu, why don’t you apologize to him...”

“Apologize to him? Why should I apologize to a sh *thead?” Qin Yu sneered.

“You heard him, right?” Zhou Tong sneered. “Hurry up and get lost!”

Qin Yu snorted and turned to leave.

At this moment, Qin Yu's phone suddenly rang.

He picked up the phone and saw that the caller was Yu Jing.

Qin Yu picked up the phone and said, "Mr. Yu, what's wrong?"

On the other end, Yu Jing said with some excitement, "Mr. Qin, do you still remember what the Deputy Chief said last time? He said that he could get you a spot to send you to the finals. Now, the spot has been given to you. Where are you? I'll send it to you!"

When he heard this, Qin Yu immediately smiled.

He told Yu Jin the address and then hung up the phone.

Zhou Tong looked at Qin Yu coldly and said, "Why? Have you thought it through?"

Qin Yu shook his head and said with a nonchalant smile, "I'm sorry, I don't need to ask you, because I'm guaranteed a spot in the finals.."

Chapter 151: The Furious Zhou Tong

After hearing Qin Yu's words, Zhou Tong couldn't help but burst into laughter.

The surrounding old men also had mocking expressions on their faces. The way they looked at Qin Yu was as if they were looking at a clown.

"Guaranteed a spot in the finals? I've never even heard of such a thing."

Zhou Tong took a sip of tea.

"That's right, he can't even brag convincingly."

“At such a young age, it’s fine if you don’t have any abilities, but you’re actually full of lies. Mr. Yang, is this the person you’re vouching for?”

Hearing their words, Qin Yu sneered again and again.

“Whether I’m guaranteed a spot or not, we’ll know the result immediately.” Qin Yu pulled Mr. Yang and found a place to sit down.

Zhou Tong sneered and said, “You’re planning to stay here without leaving, right? Even if there is a spot guaranteed, it has to pass through me, the president.”

“Even I, the president, don’t know about this. How did you get the guarantee?” Zhou Tong asked with mockery.

Qin Yu glanced at him and said, “There are some things that don’t need to go through you.”

Zhou Tong laughed and said, “You really know how to brag. Okay, I’ll wait and see!”

After saying that, Zhou Tong slammed the teacup on the table.

Qin Yu wasn’t anxious. He closed his eyes and quietly waited.

“Mr. Qin, did you really get a guaranteed spot in the finals?” Mr. Yang said with some worry.

Qin Yu smiled and said, “Mr. Yang, don’t worry. I never brag.”

“That’s good, that’s good.” Mr. Yang patted his chest. It could be seen that Mr. Yang attached great importance to this Chinese Medicine Conference.

Qin Yu closed his eyes and tried to sense the aura of the internal qi around him.

Unfortunately, Qin Yu didn't feel any spiritual energy in the Chinese Medicine Association.

“Does the Chinese Medicine Association not even have any herbs?” Qin Yu frowned.

What was this so-called Chinese Medicine Association for? What was the point of it?

Time passed by minute by minute, and in the blink of an eye, it was already five o'clock.

The sun was setting, and the sky began to darken a little.

Zhou Tong yawned and said, “Qin Yu, it's almost dark, and your guaranteed spot hasn't arrived yet. Don't waste our precious time.”

Qin Yu glanced at him and sneered. “The sky turned dark so quickly because you came too late. Did the higher-ups give you bunch of good-for-nothings money just to have fun?”

Zhou Tong's expression changed and he immediately said angrily, “Who are you calling a good-for-nothing?!”

“Whoever answers.” Qin Yu said indifferently.

“Well, you have completely offended me!” Zhou Tong said angrily.

“No matter who comes, you can forget about participating in this Chinese Medicine Conference!” Zhou Tong said coldly.

As soon as he said that, the office door was suddenly opened.

Then, Yu Jin quickly walked towards Qin Yu.

“Mr. Qin, why didn’t you tell me you came to the provincial capital?” Yu Jin said with a smile.

Qin Yu stood up and said politely, “Officer Yu, I just arrived too.”

Yu Jin smiled and said, “Alright, this Chinese Medicine Conference is about to start, right? Contact me when you’re done.”

Qin Yu nodded and said, “Okay.”

After saying that, Yu Jin took out a document from his bag and handed it to Qin Yu.

“This is to be sent to the Chinese Medicine Conference. You can enter the finals,” Yu Jin said with a smile.

“Hehe, here comes another braggart,” Zhou Tong couldn’t help but sneer.

Yu Jin frowned slightly. He turned to look at Zhou Tong and said, “What do you mean?”

“What do you mean?” Zhou Tong sneered.

“I’m the President of the Chinese Medical Association. How come I don’t know about the guaranteed spot? Aren’t you bragging?” Zhou Tong sneered.

Yu Jin suddenly understood and then explained, “You’re the President, right? It’s like this. This guaranteed spot is issued by the sponsor. Didn’t they tell you?”

“Sponsor?” Zhou Tong was stunned.

“Isn’t the sponsor the Department of Commerce?” Zhou Tong said with some confusion.

“Yes, it’s issued by the Department of Commerce.” Yu Jin took the document and handed it to Zhou Tong.

Zhou Tong opened it and took a look. As expected, there was a stamp of the Department of Commerce on it.

“How is that possible?!” Zhou Tong’s expression suddenly became extremely ugly. He held this document tightly while wishing that he could tear this document into pieces!

However, all these years, the Chinese Medical Association was sponsored by the Department of Commerce. All the funds came from the Department of Commerce. Speaking of which, the Department of Commerce was Zhou Tong’s immediate superior!

He could only suppress his anger and he didn’t dare to flip out.

“If there’s nothing else, I’ll be leaving first,” Yu Jin said to Qin Yu.

Qin Yu nodded and said, “Sorry to trouble you, Officer Yu.”

“It’s no trouble.” Yu Jin smiled and said, “I look forward to seeing you get a good result.”

After Yu Jin left, Qin Yu glanced at Zhou Tong and said with a nonchalant smile, “It seems that I don’t need to ask you for me to participate in the finals.”

Zhou Tong gritted his teeth and said, “Qin Yu, don’t be arrogant too early. This is the provincial capital, my territory. You better be careful!”

Qin Yu sneered. “Your territory? Who do you think you are? If you have any tricks up your sleeve, feel free to use it. But I have to remind you that people who offend me usually don’t have a good ending.”

After saying this, Qin Yu turned around and left with Mr. Yang.

Zhou Tong was so angry that he wanted to smash the table!

“What’s there to be arrogant about? Isn’t he just someone who relied on his connections to enter the finals?”

“That’s right. During the finals, his true colors will definitely be revealed.”

“President Zhou, please calm down. There’s no need to lower yourself to his level.”

Zhou Tong didn’t say anything, but viciousness rose in his heart.

As the President of the Chinese Medical Association, he naturally had a wide network of connections.

Wealthy people were quite close to famous doctors.

The people Zhou Tong knew extended to almost every industry.

“Just you wait!” Zhou Tong narrowed his eyes and muttered in a low voice.

...

Qin Yu and Mr. Yang returned to their residence. On the way, Mr. Yang seemed to be in high spirits.

“Mr. Qin, you really helped me get payback this time!” Mr. Yang said angrily.

Qin Yu smiled and said, “It’s just that I don’t know if there’s a chance to beat those old rascals.”

“There’s absolutely no problem!” Mr. Yang patted his chest and said.

“With your skills, it won’t be a problem to beat them.”

Qin Yu shook his head and said, “That’s not what I mean. I’m just afraid that they won’t be able to make it to the finals.”

Qin Yu also had some anticipation in his heart.

He wanted to find out how capable these so-called experts were.

At night, Qin Yu laid on the bed with his eyes closed.

Countless pill formulas flashed through his mind, and these pill formulas all came from cultivation methods. Any one of these pill formulas was enough to shock the world.

Qin Yu eventually chose a pill.

“If I can successfully refine this pill, it should be easy for me to become the champion with this pill,” Qin Yu thought to himself..

Chapter 152: Wei Ming’s Plea for Peace

The next day, Qin Yu didn’t go out.

He sat in the hotel with his eyes closed while comprehending the cultivation method in his mind.

In addition to looking at the realm, the cultivation method was also an extremely important factor that determined strength.

A top-grade cultivation method could even allow an ordinary person to advance to the next level.

There were countless cultivation methods in Qin Yu's inheritance. Any random one was enough to shock the world.

On the other side, Zhou Tong was sitting at home and sulking.

When he thought of Qin Yu's arrogant expression, he felt enraged.

"Enough. It's just a small matter. Why are you so angry?" A beautiful woman beside him advised in a soft voice.

Zhou Tong glanced at her and berated coldly, "What do you know?! I, Zhou Tong, am a reputable person. In the entire provincial capital, who wouldn't show me some respect?"

"He, Qin Yu, is just a country bumpkin from the countryside. How dare he be so disrespectful to me and even speak so rudely?!" The more Zhou Tong thought about it, the angrier he got. He waved his arm and threw all the things on the table to the ground.

The beautiful woman at the side didn't dare to say anything when she saw this. She could only sigh.

Zhou Tong sneered and said, "It's wrong for young people to be arrogant and defiant. If I, Zhou Tong, don't teach him a lesson, I won't be called Zhou Tong!"

Thinking of this, Zhou Tong said to the beautiful woman, "Go and bring me my precious Ganoderma."

"What do you want to do?" The beautiful woman frowned, as if she was a little worried.

Zhou Tong said impatiently, “Do whatever I tell you to do. Why do you have to ask so many questions?!”

The beautiful woman forced a smile and could only turn around to return to her room and take out the Ganoderma.

After Zhou Tong took the Ganoderma, he turned around and was about to leave.

“Zhou Tong, forget it. You have to try to forgive people.” The beautiful woman grabbed Zhou Tong’s arm and said softly.

Zhou Tong sneered. “Why did I work so hard to climb to a high position? It was to make these people at the bottom respect me! Otherwise, what’s the point of me working hard for most of my life?”

After saying this, Zhou Tong turned around and left.

Although Zhou Tong wasn’t a good person, he did have some medicine skills. Therefore, he had accumulated countless connections over the years.

In the martial arts world, many people owed Zhou Tong a favor, so Zhou Tong was full of confidence.

In a private manor.

This manor occupied an extremely large area and was obviously the home of a wealthy family.

At this time, in the manor, Zhou Tong was sitting upright with a smile on his face.

“Mr. Hong, you must help me with this matter,” Zhou Tong said courteously.

The man called Mr. Hong fumbled around with a necklace. He sized up Zhou Tong and slowly said, “Mr. Zhou, I should help you with this matter, but I heard that Qin Yu isn’t someone to be trifled with. Even the Liu family has admitted defeat.”

Zhou Tong smiled embarrassedly and said, “If he was easy to deal with, I wouldn’t have come to look for you. Besides, the Liu family is nothing compared to you.”

Mr. Hong said with a nonchalant smile, “You don’t have to flatter me. I’m afraid I can’t help you with this.”

Zhou Tong’s expression changed. He gritted his teeth and took out the Ganoderma from his pocket.

“Mr. Hong, haven’t you always wanted this Ganoderma? As long as you’re willing to help, I’ll give this Ganoderma to you!” Zhou Tong said with some distress

Seeing this Ganoderma, Mr. Hong’s eyes suddenly lit up, and he stood up quickly!

“Are you serious?” Mr. Hong stared at the Ganoderma and said.

Zhou Tong gritted his teeth and said, “Absolutely!”

Mr. Hong laughed and said, “Good, good. What do you want me to do?”

Zhou Tong said with viciousness, “It would be best if you could kill him. Even if you can’t, you must make sure that he can’t attend the Chinese Medicine Conference!”

...

Qin Yu only opened his eyes after an entire day.

Mr. Yang stood at the side and didn't dare to say anything.

In the evening, Qin Yu opened his eyes and looked at Mr. Yang.

"Mr. Qin, you're awake." Mr. Yang served Qin Yu a cup of hot tea.

After Qin Yu thanked him, he took a sip of the hot tea.

"Mr. Yang, do you know of any relatively famous places in the provincial capital? Such as auctions or Jiangcheng's medicinal herbs street?" Qin Yu asked.

Mr. Yang thought for a moment and said, "Yes, are you interested, Mr. Qin?"

Qin Yu nodded and said, "Yes."

Since it was the provincial capital of Chuzhou, the resources here far exceeded those of Jiangcheng. Qin Yu wouldn't miss such an opportunity.

Therefore, Mr. Yang also left the hotel and took a taxi to a place called Yunsheng Street.

On the way, Mr. Yang and Qin Yu explained, "Yunsheng Street is a gathering place for miscellaneous things. Not only are there herbs, but there are also antiques, calligraphy, and paintings."

Qin Yu nodded. For a big city, this seemed to be very common.

Soon, the two of them arrived at Yunsheng Street.

As far as the eye could see, Yunsheng Street was filled with people, but most of them were young people.

These young people had different purposes from Qin Yu. Most of them were couples who came to take photos, or join in the fun.

Qin Yu tried to release his internal qi and sense his surroundings.

Unfortunately, there were very few martial artists here. This made Qin Yu feel a little disappointed.

This meant that the herbs in Yunsheng Street were probably very common. Otherwise, it would attract a large number of martial artists or pharmacists.

“Let’s go in and have a look,” Qin Yu waved his hand and said.

Then, Qin Yu and Mr. Yang walked into Yunsheng Street.

There were small stalls around Yunsheng Street. Just as Mr. Yang said, there were all kinds of strange things here.

Qin Yu and Mr. Yang looked for a few herb stalls, but they didn’t find any herbs worth buying.

“It seems that this place isn’t that good.” Qin Yu frowned and said.

“Rather than saying that it is a street of herbs, it is more like a tourist attraction.” Qin Yu looked around and whispered.

Mr. Yang forced a smile and said, “I’m really sorry. Based on my understanding of the provincial capital, I only know the Yunsheng Street.”

As he was speaking, Qin Yu suddenly found a familiar person.

This person was none other than Shen Tian’s good friend, Wei Ming.

The moment Qin Yu saw Wei Ming, Wei Ming also noticed Qin Yu’s gaze.

He frowned, and his expression seemed to be somewhat conflicted.

A moment later, Wei Ming actually took the initiative to walk towards Qin Yu.

This surprised Qin Yu. He turned to look at Mr. Yang and said, “Mr. Yang, stay close to me.”

Mr. Yang was stunned. Although he didn’t understand, he still stood beside Qin Yu obediently.

Soon, Wei Ming walked in front of Qin Yu.

The two of them looked at each other, and the atmosphere was a little awkward.

“What? You want to avenge Shen Tian?” Qin Yu’s internal qi was raised to the extreme.

After he felt Qin Yu’s power, Wei Ming’s heart thumped again!

He could clearly feel that Qin Yu’s strength was several times stronger than when he was in South City!

Wei Ming took a deep breath, cupped his hands and said, “Mr. Qin, don’t misunderstand. I’m just saying hello to you.”

“Oh really?” Qin Yu raised his eyebrows and couldn’t help but sneer.

“What, you don’t want to take revenge for Shen Tian?”

Wei Ming forced a smile. “Mr. Qin, you must be joking. The Shen family is already in the past. What’s the point of me taking revenge for them?”

“Moreover, Mr. Qin’s future is bright. As long as one isn’t stupid, one knows who to choose.”

Wei Ming was honest. Indeed, it definitely wasn't a wise choice to offend Qin Yu for a person who was already worthless.

"Then why did you come to me?" Qin Yu said with a nonchalant smile.

Wei Ming said, "I just want to be friends with Mr. Qin.."

Chapter 153: Veteran Inner Strength Past Master!

Qin Yu didn't say anything. He didn't know Wei Ming at all.

Moreover, making friends wasn't something that could be done with just a few words.

Wei Ming seemed to have seen through Qin Yu's thoughts, so he changed the topic and said, "Mr. Qin, are you here to have fun? I'm very familiar with this place. Why don't I bring you around?"

Qin Yu glanced at him and nodded. "Okay, then I'll have to trouble you."

Then, Wei Ming brought Qin Yu around the area and almost introduced all the stalls around them.

Unfortunately, none of these were what Qin Yu wanted.

"Are there any herbs here?" Qin Yu asked.

Wei Ming froze, then he smiled and said, "There are, but most of the herbs here are used to swindle those rich people."

"In other words, most of the herbs here are used to swindle those rich people from other places. They can't discern good quality herbs from bad quality herbs anyway."

After listening to Wei Ming's explanation, Mr. Yang couldn't help but feel a little embarrassed.

“Mr. Qin, if you want to find herbs, I’ll take you to a place when I have the chance,” Wei Ming said with a smile.

Qin Yu nodded slightly and said, “Okay, thank you.”

Since there were no herbs, there was no need for Qin Yu to stay.

Moreover, he had to attend the Chinese Medical Conference tomorrow, so he had to have a good rest.

Just as Qin Yu was about to leave, Qin Yu suddenly felt an extremely strong internal qi around him.

The fluctuation of this internal qi was almost the strongest one Qin Yu had ever seen other than on Yan Jiang!

Not only that, but his body was filled with killing intent as he approached Qin Yu!

Wei Ming seemed to have also noticed this overwhelming aura and couldn’t help but blurt out, “Inner Strength Past Master?”

Qin Yu frowned slightly and looked around vigilantly.

Not long after, he saw a man slowly walking over from not far away.

“You’re Qin Yu?” This person looked to be around fifty years old, but the muscles on his body didn’t show any signs of aging.

Qin Yu looked at him coldly and said, “Who are you? I don’t think I know you.”

“Someone told me to take your life,” the man said indifferently with his hands behind his back.

Qin Yu's expression turned cold. Just as he was about to speak, Wei Ming suddenly exclaimed, "Hong... Hong Wu?"

"Hong Wu?" Qin Yu frowned and looked at Wei Ming.

Wei Ming's expression turned serious. He took a deep breath and explained, "His name is Hong Wu. He is an old Inner Strength Past Master and is well-known in South City. Almost everyone knows him."

Wei Ming paused and continued, "Mr. Qin, how did you offend such a person?"

Qin Yu frowned and said, "I don't know him at all."

"Do you want to come with me, or do you want me to kill you and then take you away?" Hong Wu said with his hands behind his back.

"Mr. Hong!" At this moment, Wei Ming stepped forward and cupped his hands toward Hong Wu.

Hong Wu looked at Wei Ming and frowned. "Are you... that kid from the Wei family?"

Wei Ming quickly said, "Greetings, Mr. Hong."

Hong Wu nodded slightly and said, "Alright, this had nothing to do with you. You should leave quickly so that you won't be hurt."

Upon hearing Hong Wu's words, Wei Ming gritted his teeth and stepped forward. He cupped his hands and said, "Mr. Hong, Qin Yu is my friend. I don't know if he has offended you in any way, but please let him go on account of me."

Hong Wu froze. Then, he frowned and shook his head. "No."

“Mr. Hong, I . . .” Wei Ming wanted to say something, but Hong Wu waved his hand and berated him, “I said no!”

His voice was deep and sonorous. It contained boundless Inner Strength, and it was so loud that it hurt people’s eardrums.

Wei Ming frowned slightly and stood there without knowing what to do.

“Okay, don’t worry about it.” At this moment, Qin Yu suddenly waved his hand.

“You and I have only just met. Moreover, I’m someone who lives on a high wire. I might die tomorrow. I believe you won’t be so stupid to offend Hong Wu for such a person,” Qin Yu said nonchalantly.

Wei Ming froze, then he said apologetically, “Mr. Qin, I’m really sorry.”

Qin Yu nodded slightly, but he didn’t really mind.

After all, he and Wei Ming had only met by chance, so there was no reason for him to help.

Just as Wei Ming was about to leave, Qin Yu shouted, “Young Master Wei, do me a favor.”

Wei Ming stopped in his tracks, and his expression seemed a little nervous.

Qin Yu smiled and said, “Don’t worry. I just want you to take Mr. Yang with you.”

“Mr. Qin, I...” Mr. Yang wanted to say something, but Qin Yu waved his hand and interrupted him.

Wei Ming gritted his teeth, turned around, and dragged Mr. Yang away.

It wasn't until Mr. Yang was far away that Qin Yu looked at Hong Wu.

Hong Wu put his hands behind his back with indifference.

Obviously, he didn't take Qin Yu seriously at all.

“Zhou Tong sent you here?” Qin Yu suddenly asked.

Hong Wu shook his head and said, “Do you think I will tell you?”

Qin Yu said with a nonchalant smile, “I'm about to die anyway, so what's the harm in telling me? Are you afraid that you're no match for me?”

Hong Wu couldn't help but laugh and said, “I know that you're quite capable. You defeated the Liu family and defeated Tao Shan, but unfortunately, you have no chance of winning against me.”

Qin Yu looked at Hong Wu and found that he was a stage three Inner Strength Past Master!

Although he was only two levels higher than the man with the scarred face, there was a huge difference in strength!

“I'll ask you one last time. Are you coming with me or should I take you with me?” Hong Wu asked coldly.

Qin Yu sneered and said, “You'll have to see if you have the ability to take me with you.”

“You're courting death.” Hong Wu's expression turned cold. He took a step forward, and the terrifying qi energy immediately pressed toward Qin Yu!

This qi energy was extremely powerful, and it even created a hurricane! Even the surrounding stalls were overturned instantly!

Faced with this terrifying pressure, Qin Yu still had his hands behind his back, and wasn't anxious at all.

“You are quite impressive.” Hong Wu sneered. Suddenly, his feet shook, and this terrifying qi energy became even more powerful!

In an instant, Qin Yu felt as if two mountains were pressing down on his shoulders!

The people around him were also affected, and those who were close to him even vomited blood!

Qin Yu frowned slightly and couldn't help but lament to himself, “As expected of a veteran Inner Strength Past Master. He is indeed terrifying.”

Hong Wu walked towards Qin Yu step by step. His steps appeared extremely light, but there was also terrifying qi energy in them.

This showed that Hong Wu had mastered the release of Inner Strength!

“Die!” At this moment, Hong Wu suddenly shouted angrily.. He clenched his fist, and the dense qi energy smashed towards Qin Yu with the strong wind generated from his punch!

Chapter 154: Face the Battle!

Before the fist arrived, he already felt the wind generated from the punch!

This terrifying Inner Strength was like a mountain that could topple the seas as it rushed towards Qin Yu!

A serious expression flashed across Qin Yu's face. Strictly speaking, Qin Yu was only an Inner Strength Master Hands, and there was a huge difference between him and a Inner Strength Past Master.

Therefore, one could imagine the pressure when an Inner Strength Master Hands was against an experienced Inner Strength Past Master!

Qin Yu clenched his fist and charged forward.

The terrifying collision shook the surrounding dust into the air!

The peddlers, afraid that they would be caught in the crossfire, hurriedly retreated into the distance!

As the dust fell, Qin Yu's fist was wrapped in a light blue light.

Under the darkness, this light looked somewhat demonic.

“Oh really?” Hong Wu raised his eyebrows.

“A mere Inner Strength Master Hands can withstand my punch?” Hong Wu was shocked.

Qin Yu became more and more heavy-hearted. If this punch wasn't wrapped by spiritual power, his bones would have been shattered!

“You're a genius to be able to fight with me despite such a big gap,” Hong Wu said with a nonchalant smile.

“In that case, I have to kill you. Otherwise, how could you let me go after you've advanced?” A fierce look flashed across Hong Wu's expression.

Qin Yu looked at Hong Wu coldly and said, “I'm afraid you don't have the ability to kill me!”

“How arrogant! I can kill you with just a raise of my hand!” Hong Wu roared and swung his fist again!

The strength of this punch increased by several degrees. Qin Yu's expression changed. He wanted to dodge, but there was nowhere to hide because Hong Wu was too fast!

Boom!

With this punch, the spiritual power wrapped in Qin Yu's hand was shattered!

"How powerful." Qin Yu frowned, and he was even more shocked.

Such a big commotion instantly attracted countless gazes.

"There are people fighting over there. Should we call the police?"

"Yeah right. They're obviously filming a movie. Can't you see the light on their bodies?"

"That's true, but why can't I see the cameras?"

"The cameras are all invisible these days. That's why they're so realistic."

The group of people discussed animatedly, but some of them recognized Hong Wu.

"That guy is Hong Wu? The old Inner Strength Past Master who's been famous for many years?"

"He hasn't fought for many years. Why would he fight in public today?"

"Who is that young man? How could he withstand two punches from Hong Wu?"

These people took out their cell phones, as if they didn't want to miss this scene.

Qin Yu panted and looked at Hong Wu vigilantly.

“You can withstand two punches from me, but what about the third punch?” Hong Wu asked with a flippant tone.

Qin Yu took a deep breath and said, “Hong Wu, if you turn around and leave now, I’ll owe you a favor.”

Hong Wu laughed and said, “Do I need a favor from you?”

“Are you really not leaving?” Qin Yu frowned and seemed to be in a dilemma.

Hong Wu sneered and said, “What do you think? You must die here today.”

When he heard this, Qin Yu’s expression gradually turned cold.

“Then there’s nothing I can do.” Qin Yu took a deep breath. His body suddenly shook, and his internal qi was raised to the maximum.

Hong Wu said nonchalantly, “If you know what’s good for you, you can come with me now. Maybe you’ll suffer less.”

Qin Yu said coldly, “Now that things have come to this, I can only try my best to kill you.”

“Kill me? Hahaha, you’re dreaming!” Hong Wu shouted angrily.

“You’re just a child who is too big for your britches. Today, I’ll let you know what an Inner Strength Past Master is all about!”

With that, Hong Wu clenched his fist again and charged towards Qin Yu!

This time, Qin Yu didn’t wait. A gust of wind appeared under his feet, and he retreated swiftly.

“You want to run?” Hong Wu narrowed his eyes and immediately chased after Qin Yu!

Qin Yu knew that he couldn't escape like this, so he condensed the spiritual essence in his body into his fist and seized the opportunity to charge towards Hong Wu!

Hong Wu snorted and said, “You actually dare to attack me? You're courting death!”

After saying that, Hong Wu casually raised his palm and met him face-on.

In his eyes, Qin Yu was only an Inner Strength Master Hands. An attack of this level couldn't even break through his defense.

However, when Qin Yu's fist approached, Hong Wu's expression suddenly changed!

This terrifying momentum made him feel danger!

He even wondered if this was really an attack from an Inner Strength Master Hands?

“How is this possible?!” Hong Wu had no other choice but to brace himself and face the attack.

Boom

Under this punch, Hong Wu's expression changed drastically!

He felt as if his fist had been hit by a train. Then, the bones in his hand bent backward with a crisp crack!

“Ah!”

He felt excruciating pain!

This was Hong Wu's first feeling!

He took a few steps back, and his right fist revealed a ghastly white bone. It was extremely horrifying!

The onlookers in the distance were even more dumbfounded.

Hong Wu's wrist was broken? How could this be?

"Who is that young man? How could he manage to hurt Hong Wu?"

"I remember now. He is the famous Qin Yu!"

Not far away, Qin Yu panted, and a drop of sweat dripped down his forehead.

"I only broke his wrist with my full strength." Qin Yu's expression became more and more serious.

Hong Wu, who wasn't far away, was even more furious!

He held his wrist and roared, "You broke my wrist? I'm going to cut you into a thousand pieces!"

Looking at the furious Hong Wu, the onlookers stepped back again!

"Hong Wu is going crazy. I'm afraid this kid is doomed," someone whispered.

At this moment, Hong Wu's right hand had been broken. He could only clench his left fist and pour all of his Inner Strength into his left fist.

"I'm going to kill you!" Hong Wu shouted and punched towards Qin Yu with all his might!

A long stream of Inner Strength condensed in his fist. With a buzzing sound, the Inner Strength was like a long dragon!

This punch was so powerful that even Qin Yu's expression changed drastically!

However, Qin Yu had no other choice but to face it with all his strength.

“Ah!!” Qin Yu raised his head and roared. Then, he raised both of his fists to face the punch.

The moment they collided, sand and stones flew into the air! Countless pieces of dust were stirred up and blocked everyone's sight!

This was Hong Wu's trump card, so he was very confident.

Even though he only used his left hand, which reduced his power greatly, it was easy for him to deal with an Inner Strength Master Hands.

“As expected, geniuses always die young.”

“What a pity.”

The people around shook their heads and prepared to leave.

However, at this moment, a person suddenly emerged from the dust!

This person was none other than Qin Yu!

His internal qi seemed to have increased again, and his entire body was enveloped by a faint golden hue. At a glance, he looked golden in color!

“How is this possible?!” Hong Wu's expression changed drastically, and he hurriedly crossed his arms in front of him to defend himself!

“Dang! Dang! Dang!” Qin Yu punched Hong Wu repeatedly.. Hong Wu felt his arms go numb, and his body kept retreating!

My Rich Wife Novel – Chapter 153 –

Chapter 153: Veteran Inner Strength Past Master!

Qin Yu didn't say anything. He didn't know Wei Ming at all.

Moreover, making friends wasn't something that could be done with just a few words.

Wei Ming seemed to have seen through Qin Yu's thoughts, so he changed the topic and said, "Mr. Qin, are you here to have fun? I'm very familiar with this place. Why don't I bring you around?"

Qin Yu glanced at him and nodded. "Okay, then I'll have to trouble you."

Then, Wei Ming brought Qin Yu around the area and almost introduced all the stalls around them.

Unfortunately, none of these were what Qin Yu wanted.

"Are there any herbs here?" Qin Yu asked.

Wei Ming froze, then he smiled and said, "There are, but most of the herbs here are used to swindle those rich people."

“In other words, most of the herbs here are used to swindle those rich people from other places. They can’t discern good quality herbs from bad quality herbs anyway.”

After listening to Wei Ming’s explanation, Mr. Yang couldn’t help but feel a little embarrassed.

“Mr. Qin, if you want to find herbs, I’ll take you to a place when I have the chance,” Wei Ming said with a smile.

Qin Yu nodded slightly and said, “Okay, thank you.”

Since there were no herbs, there was no need for Qin Yu to stay.

Moreover, he had to attend the Chinese Medical Conference tomorrow, so he had to have a good rest.

Just as Qin Yu was about to leave, Qin Yu suddenly felt an extremely strong internal qi around him.

The fluctuation of this internal qi was almost the strongest one Qin Yu had ever seen other than on Yan Jiang!

Not only that, but his body was filled with killing intent as he approached Qin Yu!

Wei Ming seemed to have also noticed this overwhelming aura and couldn’t help but blurt out, “Inner Strength Past Master?”

Qin Yu frowned slightly and looked around vigilantly.

Not long after, he saw a man slowly walking over from not far away.

“You’re Qin Yu?” This person looked to be around fifty years old, but the muscles on his body didn’t show any signs of aging.

Qin Yu looked at him coldly and said, “Who are you? I don’t think I know you.”

“Someone told me to take your life,” the man said indifferently with his hands behind his back.

Qin Yu’s expression turned cold. Just as he was about to speak, Wei Ming suddenly exclaimed, “Hong... Hong Wu?”

“Hong Wu?” Qin Yu frowned and looked at Wei Ming.

Wei Ming’s expression turned serious. He took a deep breath and explained, “His name is Hong Wu. He is an old Inner Strength Past Master and is well-known in South City. Almost everyone knows him.”

Wei Ming paused and continued, “Mr. Qin, how did you offend such a person?”

Qin Yu frowned and said, “I don’t know him at all.”

“Do you want to come with me, or do you want me to kill you and then take you away?” Hong Wu said with his hands behind his back.

“Mr. Hong!” At this moment, Wei Ming stepped forward and cupped his hands toward Hong Wu.

Hong Wu looked at Wei Ming and frowned. “Are you... that kid from the Wei family?”

Wei Ming quickly said, "Greetings, Mr. Hong."

Hong Wu nodded slightly and said, "Alright, this had nothing to do with you. You should leave quickly so that you won't be hurt."

Upon hearing Hong Wu's words, Wei Ming gritted his teeth and stepped forward. He cupped his hands and said, "Mr. Hong, Qin Yu is my friend. I don't know if he has offended you in any way, but please let him go on account of me."

Hong Wu froze. Then, he frowned and shook his head. "No."

"Mr. Hong, I. . ." Wei Ming wanted to say something, but Hong Wu waved his hand and berated him, "I said no!"

His voice was deep and sonorous. It contained boundless Inner Strength, and it was so loud that it hurt people's eardrums.

Wei Ming frowned slightly and stood there without knowing what to do.

"Okay, don't worry about it." At this moment, Qin Yu suddenly waved his hand.

"You and I have only just met. Moreover, I'm someone who lives on a high wire. I might die tomorrow. I believe you won't be so stupid to offend Hong Wu for such a person," Qin Yu said nonchalantly.

Wei Ming froze, then he said apologetically, "Mr. Qin, I'm really sorry."

Qin Yu nodded slightly, but he didn't really mind.

After all, he and Wei Ming had only met by chance, so there was no reason for him to help.

Just as Wei Ming was about to leave, Qin Yu shouted, “Young Master Wei, do me a favor.”

Wei Ming stopped in his tracks, and his expression seemed a little nervous.

Qin Yu smiled and said, “Don’t worry. I just want you to take Mr. Yang with you.”

“Mr. Qin, I...” Mr. Yang wanted to say something, but Qin Yu waved his hand and interrupted him.

Wei Ming gritted his teeth, turned around, and dragged Mr. Yang away.

It wasn’t until Mr. Yang was far away that Qin Yu looked at Hong Wu.

Hong Wu put his hands behind his back with indifference.

Obviously, he didn’t take Qin Yu seriously at all.

“Zhou Tong sent you here?” Qin Yu suddenly asked.

Hong Wu shook his head and said, “Do you think I will tell you?”

Qin Yu said with a nonchalant smile, “I’m about to die anyway, so what’s the harm in telling me? Are you afraid that you’re no match for me?”

Hong Wu couldn't help but laugh and said, "I know that you're quite capable. You defeated the Liu family and defeated Tao Shan, but unfortunately, you have no chance of winning against me."

Qin Yu looked at Hong Wu and found that he was a stage three Inner Strength Past Master!

Although he was only two levels higher than the man with the scarred face, there was a huge difference in strength!

"I'll ask you one last time. Are you coming with me or should I take you with me?" Hong Wu asked coldly.

Qin Yu sneered and said, "You'll have to see if you have the ability to take me with you."

"You're courting death." Hong Wu's expression turned cold. He took a step forward, and the terrifying qi energy immediately pressed toward Qin Yu!

This qi energy was extremely powerful, and it even created a hurricane! Even the surrounding stalls were overturned instantly!

Faced with this terrifying pressure, Qin Yu still had his hands behind his back, and wasn't anxious at all.

"You are quite impressive." Hong Wu sneered. Suddenly, his feet shook, and this terrifying qi energy became even more powerful!

In an instant, Qin Yu felt as if two mountains were pressing down on his shoulders!

The people around him were also affected, and those who were close to him even vomited blood!

Qin Yu frowned slightly and couldn't help but lament to himself, "As expected of a veteran Inner Strength Past Master. He is indeed terrifying."

Hong Wu walked towards Qin Yu step by step. His steps appeared extremely light, but there was also terrifying qi energy in them.

This showed that Hong Wu had mastered the release of Inner Strength!

"Die!" At this moment, Hong Wu suddenly shouted angrily.. He clenched his fist, and the dense qi energy smashed towards Qin Yu with the strong wind generated from his punch!

Chapter 154: Face the Battle!

Before the fist arrived, he already felt the wind generated from the punch!

This terrifying Inner Strength was like a mountain that could topple the seas as it rushed towards Qin Yu!

A serious expression flashed across Qin Yu's face. Strictly speaking, Qin Yu was only an Inner Strength Master Hands, and there was a huge difference between him and a Inner Strength Past Master.

Therefore, one could imagine the pressure when an Inner Strength Master Hands was against an experienced Inner Strength Past Master!

Qin Yu clenched his fist and charged forward.

The terrifying collision shook the surrounding dust into the air!

The peddlers, afraid that they would be caught in the crossfire, hurriedly retreated into the distance!

As the dust fell, Qin Yu's fist was wrapped in a light blue light.

Under the darkness, this light looked somewhat demonic.

“Oh really?” Hong Wu raised his eyebrows.

“A mere Inner Strength Master Hands can withstand my punch?” Hong Wu was shocked.

Qin Yu became more and more heavy-hearted. If this punch wasn't wrapped by spiritual power, his bones would have been shattered!

“You're a genius to be able to fight with me despite such a big gap,” Hong Wu said with a nonchalant smile.

“In that case, I have to kill you. Otherwise, how could you let me go after you've advanced?” A fierce look flashed across Hong Wu's expression.

Qin Yu looked at Hong Wu coldly and said, “I'm afraid you don't have the ability to kill me!”

“How arrogant! I can kill you with just a raise of my hand!” Hong Wu roared and swung his fist again!

The strength of this punch increased by several degrees. Qin Yu's expression changed. He wanted to dodge, but there was nowhere to hide because Hong Wu was too fast!

Boom!

With this punch, the spiritual power wrapped in Qin Yu's hand was shattered!

"How powerful." Qin Yu frowned, and he was even more shocked.

Such a big commotion instantly attracted countless gazes.

"There are people fighting over there. Should we call the police?"

"Yeah right. They're obviously filming a movie. Can't you see the light on their bodies?"

"That's true, but why can't I see the cameras?"

"The cameras are all invisible these days. That's why they're so realistic."

The group of people discussed animatedly, but some of them recognized Hong Wu.

"That guy is Hong Wu? The old Inner Strength Past Master who's been famous for many years?"

"He hasn't fought for many years. Why would he fight in public today?"

“Who is that young man? How could he withstand two punches from Hong Wu?”

These people took out their cell phones, as if they didn't want to miss this scene.

Qin Yu panted and looked at Hong Wu vigilantly.

“You can withstand two punches from me, but what about the third punch?” Hong Wu asked with a flippant tone.

Qin Yu took a deep breath and said, “Hong Wu, if you turn around and leave now, I'll owe you a favor.”

Hong Wu laughed and said, “Do I need a favor from you?”

“Are you really not leaving?” Qin Yu frowned and seemed to be in a dilemma.

Hong Wu sneered and said, “What do you think? You must die here today.”

When he heard this, Qin Yu's expression gradually turned cold.

“Then there's nothing I can do.” Qin Yu took a deep breath. His body suddenly shook, and his internal qi was raised to the maximum.

Hong Wu said nonchalantly, “If you know what's good for you, you can come with me now. Maybe you'll suffer less.”

Qin Yu said coldly, “Now that things have come to this, I can only try my best to kill you.”

“Kill me ? Hahaha, you’re dreaming!” Hong Wu shouted angrily.

“You’re just a child who is too big for your btirches. Today, I’ll let you know what a Inner Strength Past Master is all about!”

With that, Hong Wu clenched his fist again and charged towards Qin Yu!

This time, Qin Yu didn’t wait. A gust of wind appeared under his feet, and he retreated swiftly.

“You want to run ?” Hong Wu narrowed his eyes and immediately chased after Qin Yu!

Qin Yu knew that he couldn’t escape like this, so he condensed the spiritual essence in his body into his fist and seized the opportunity to charge towards Hong Wu!

Hong Wu snorted and said, “You actually dare to attack me ? You’re courting death!”

After saying that, Hong Wu casually raised his palm and met him face-on.

In his eyes, Qin Yu was only an Inner Strength Master Hands. An attack of this level couldn’t even break through his defense.

However, when Qin Yu’s fist approached, Hong Wu’s expression suddenly changed!

This terrifying momentum made him feel danger!

He even wondered if this was really an attack from an Inner Strength Master Hands?

“How is this possible?!” Hong Wu had no other choice but to brace himself and face the attack.

Boom

Under this punch, Hong Wu’s expression changed drastically!

He felt as if his fist had been hit by a train. Then, the bones in his hand bent backward with a crisp crack!

“Ah!”

He felt excruciating pain!

This was Hong Wu’s first feeling!

He took a few steps back, and his right fist revealed a ghastly white bone. It was extremely horrifying!

The onlookers in the distance were even more dumbfounded.

Hong Wu’s wrist was broken? How could this be?

“Who is that young man? How could he manage to hurt Hong Wu?”

“I remember now. He is the famous Qin Yu!”

Not far away, Qin Yu panted, and a drop of sweat dripped down his forehead.

“I only broke his wrist with my full strength.” Qin Yu’s expression became more and more serious.

Hong Wu, who wasn’t far away, was even more furious!

He held his wrist and roared, “You broke my wrist? I’m going to cut you into a thousand pieces!”

Looking at the furious Hong Wu, the onlookers stepped back again!

“Hong Wu is going crazy. I’m afraid this kid is doomed,” someone whispered.

At this moment, Hong Wu’s right hand had been broken. He could only clench his left fist and pour all of his Inner Strength into his left fist.

“I’m going to kill you!” Hong Wu shouted and punched towards Qin Yu with all his might!

A long stream of Inner Strength condensed in his fist. With a buzzing sound, the Inner Strength was like a long dragon!

This punch was so powerful that even Qin Yu’s expression changed drastically!

However, Qin Yu had no other choice but to face it with all his strength.

“Ah!!” Qin Yu raised his head and roared. Then, he raised both of his fists to face the punch.

The moment they collided, sand and stones flew into the air!
Countless pieces of dust were stirred up and blocked everyone's sight!

This was Hong Wu's trump card, so he was very confident.

Even though he only used his left hand, which reduced his power greatly, it was easy for him to deal with an Inner Strength Master Hands.

"As expected, geniuses always die young."

"What a pity."

The people around shook their heads and prepared to leave.

However, at this moment, a person suddenly emerged from the dust!

This person was none other than Qin Yu!

His internal qi seemed to have increased again, and his entire body was enveloped by a faint golden hue. At a glance, he looked golden in color!

"How is this possible?!" Hong Wu's expression changed drastically, and he hurriedly crossed his arms in front of him to defend himself!

"Dang! Dang! Dang!" Qin Yu punched Hong Wu repeatedly.. Hong Wu felt his arms go numb, and his body kept retreating!

Chapter 155: Easily Destroyed

The fierce punches kept landing on Hong Wu's body. Facing Qin Yu's attacks, Hong Wu found it hard to bear for a moment!

Not far away, exclamations sounded. They were all shocked by Qin Yu's speed!

"Did you see that? Hong Wu was beaten back again and again!"

"D*mn, Qin Yu is only an Inner Strength Master Hands. How could he have such strength?!"

"Is Hong Wu going to lose?!"

With a calm expression, Qin Yu punched at Hong Wu aggressively.

"Enough!"

Finally, Hong Wu couldn't take it anymore.

With an angry roar, his Inner Strength burst out and knocked Qin Yu back several steps! At last, he was able to catch his breath.

Standing not far away, Qin Yu looked at Hong Wu coldly.

Hong Wu gritted his teeth and said, "Why did your strength suddenly improve by leaps and bounds? Were you just pretending?"

Qin Yu shook his head and said, "Hong Wu, do you know that cultivation techniques are equally important as realms?"

Hong Wu was stunned. He didn't know any cultivation techniques.

Although Hong Wu was indeed a big shot in the provincial capital, he had never come into contact with any top-tier cultivation techniques.

He had figured out all the techniques he knew by himself, and he was just using his Inner Strength to fight.

Qin Yu looked down at the faint golden color around him and said slowly, “This is called the Saintly Body Technique.”

This was the Saintly Body Technique that Qin Yu had just learned, and it was only the lowest-tier cultivation technique in the inheritance.

Even Qin Yu himself didn’t expect that the Saintly Body Technique would be so powerful.

“Saintly Body Technique?” Hong Wu narrowed his eyes as he suddenly thought of something. Then, he laughed and said, “Qin Yu, your Saintly Body Technique can’t last for long, right?”

Everyone was shocked!

Just as Hong Wu said, the Saintly Body Technique couldn’t last for long, and it consumed a lot of spiritual energy!

With Qin Yu’s current cultivation base, he could last for half an hour at most.

“That’s right.” Qin Yu nodded. “So what? I can beat you in this short amount of time.”

“Hahaha, you’re bluffing! Qin Yu, as long as I can hold on for a while, you’ll be beaten back to your original state!” Hong Wu sneered.

“You’ve consumed a lot of energy just now. How long can you hold on?” Hong Wu narrowed his eyes and said.

The people around him also nodded.

That’s right. Qin Yu had used up more than half of his energy to withstand Hong Wu’s three punches. How long could he last?

However, Qin Yu didn’t panic at all. Instead, the corners of his mouth curled up into a smile.

Qin Yu took out a few pill pills from his pocket and stuffed them into his mouth.

The moment the pills entered his mouth, Qin Yu felt the qi and energy in his body recover to its peak! The spiritual energy in his dantian also became abundant!

“Hong Wu, I’m afraid you don’t know that I’m also an alchemist, an apothecary, and a doctor,” Qin Yu sneered.

Hong Wu’s expression suddenly changed!

Of course, he knew that Qin Yu was an apothecary because he had heard from Zhou Tong that Qin Yu was going to participate in the Chinese Medical Conference.

However, Hong Wu didn’t expect that Qin Yu would be able to refine such a freaky thing!

“Bring it on, Hong Wu. It’s time to end this,” Qin Yu said coldly.

Hong Wu gritted his teeth and said coldly, “So what if you have the Saintly Body Technique? I don’t believe that you can defeat me, an Inner Strength Past Master!”

Qin Yu glanced at the time and said in a low voice, “It’s getting late. If I don’t rest now, I might not be able to recover to my peak condition.”

“Hong Wu, let’s decide the winner as soon as possible,” Qin Yu said coldly.

Then, the faint golden color on Qin Yu’s body slowly disappeared.

Seeing this, Hong Wu was overjoyed!

Was it going to be over so soon?

“Hahaha, Qin Yu, I knew you were bragging! You can’t even last five minutes!” Hong Wu laughed crazily.

“Really?”

However, the next second, Hong Wu’s smile froze.

The faint golden light on Qin Yu’s body condensed in one spot, which was Qin Yu’s fist!

At this moment, Qin Yu’s fist was as scorching as the sun!

“What... What is this?” Hong Wu couldn’t help but show a hint of fear on his face.

He never expected that a veteran Inner Strength Past Master like him would be afraid at this moment!

“This is called the Holy Fist. When cultivated to its peak, it can destroy even the sun and the moon,” Qin Yu said nonchalantly.

“Bullsh * t! You’ve read too many novels. Destroy the sun and moon?!” Hong Wu couldn’t help but curse.

Qin Yu shook his head. He knew that this was hard to understand, but it was recorded in the inheritance.

“Hong Wu, you’ll definitely die from this punch,” Qin Yu said coldly.

“Hahaha, you’re bluffing! I want to see how powerful you are!” Hong Wu took a deep breath and quickly adjusted his internal qi. Then, he looked at Qin Yu with a serious expression.

“Whoosh!”

In the next second, Qin Yu suddenly disappeared and appeared in front of Hong Wu almost instantly!

Then, his fist, which was as bright as the sun and the moon, drew an arc in the air and smashed towards Hong Wu!

Boom!

At this moment, it was as if a bomb had exploded! The ground under Hong Wu’s feet collapsed directly!

The dust obstructed their vision, and everyone was eagerly watching in order to find out the result.

“Hong Wu should be able to withstand it, right?”

“Of course. Hong Wu is a veteran Inner Strength Past Master. He is very well established in Chuzhou.”

“That’s right. Although that Qin Yu is quite strong, he is too young and doesn’t have much experience.”

Everyone had different opinions, but everyone was more optimistic about Hong Wu.

Finally, the dust slowly fell.

A blurry figure came into view.

“Who is it? Is it Hong Wu?”

“No, that doesn’t look like Hong Wu’s figure!”

“It’s Qin Yu! I see him. It’s that young man called Qin Yu!”

Under the dust, Hong Wu’s clothes were torn and his body was covered in wounds.

He fell to the ground with fear written all over his face.

Qin Yu stood coldly in front of Hong Wu.

“You actually didn’t die.” Qin Yu frowned slightly, as if he was dissatisfied with the result.

Hong Wu opened his mouth and said with difficulty, “Spare... spare me. I don’t want to die...”

“Spare you? You should have known the consequences before you tried to kill me,” Qin Yu said coldly.

Hong Wu said in anguish, “I... I can give you a Ganoderma... a top-grade Ganoderma...”

“Oh really?” Qin Yu raised his eyebrows. “But I can get it even if I kill you.”

“Don’t kill me... Please...” Hong Wu’s face was full of fear!

Qin Yu looked at Hong Wu, as if he was thinking it over.

“Okay, I’ll spare your life.” Qin Yu took a deep breath.

“Remember to send the Ganoderma to me personally,” Qin Yu said coldly.

Hong Wu immediately nodded with relief, as if he had been pardoned.

Qin Yu didn’t stay any longer. He turned around and left in a taxi.

Once he got into the taxi, Qin Yu couldn’t hold on any longer. He collapsed on the seat and felt that he didn’t even have the strength to move.

“If it weren’t for the side effects of the Saintly Body Technique, how could I have spared you?!” Qin Yu murmured coldly.

He didn't have the ability to kill Hong Wu just now, so he just took advantage of the situation..

Chapter 156: Even Hit Old Men?

Qin Yu laid in the taxi. He didn't have any strength at all.

Just now, he used up all his strength to climb into the taxi.

“It's a pity that I didn't kill him.” Qin Yu's eyes were cold.

Qin Yu would never show mercy to those who wanted to kill him. Otherwise, they could make a comeback at any time.

He really didn't expect the consumption of the Saintly Body Technique to be so huge. It seems that he should use it as little as possible in the future, Qin Yu thought to himself.

The car finally reached the hotel.

Even after the long journey, Qin Yu still couldn't recover his strength.

Helpless, Qin Yu could only ask the taxi driver to carry him to the bed.

Lying on the bed, Qin Yu couldn't help but feel a little worried.

“I wonder if I can recover tomorrow,” Qin Yu said in a sullen voice.

Tomorrow was the traditional Chinese Medicine Conference. If he couldn't recover, things would really be troublesome.

On the other side, after Hong Wu went home, he fell into contemplation.

He couldn't figure out how an Inner Strength Master Hands could defeat him despite such a large gap.

At this moment, Hong Wu felt a little conflicted.

He knew very well that Qin Yu had defeated him with the Saintly Body Technique.

If he tried to kill Qin Yu before the Saintly Body Technique was used, Qin Yu wouldn't have had a chance.

But what if he failed? If he couldn't kill Qin Yu, he would definitely die.

After thinking for a long time, Hong Wu finally decided not to take the risk.

“What a pity.” Hong Wu played with the Ganoderma and couldn't help but feel a bit sad.

It wasn't easy for him to get this Ganoderma, but he didn't expect to send it back so soon.

At this moment, Mr. Yang was brought to the Wei family's home.

Mr. Yang's expression was dark, and his heart was full of worry.

“Young Master Wei, will Qin Yu... be okay...” Mr. Yang looked at Wei Ming.

Wei Ming opened his mouth, but didn't say anything. However, the expression on his face showed his thoughts.

"It's impossible for an Inner Strength Master Hands to escape from Hong Wu's hands..." Wei Ming sighed in the end.

"Can you think of a way to save him..." Mr. Yang asked.

Wei Ming shook his head and said, "Hong Wu is an old Inner Strength Past Master. Even the Wei family isn't willing to offend him."

Mr. Yang suddenly felt sad. He laid on the bed with a sorrowful look on his face.

"Mr. Yang, rest early." Wei Ming nodded to Mr. Yang and then walked out of the room.

How could Mr. Yang sleep? He laid on the bed with worry.

The next morning was the beginning of the Chinese medical conference.

Wei Ming prepared breakfast for Mr. Yang, but Mr. Yang was worried and couldn't eat at all.

"Mr. Yang, what's wrong?" Wei Ming asked casually.

Mr. Yang suddenly put down the chopsticks in his hand, stood up and said, "Young Master Wei, can you send me to the Chinese Medicine Conference's venue?"

Wei Ming froze and frowned. "The Chinese Medicine Conference?"

Mr. Yang nodded and said, "It was originally Mr. Qin who was supposed to participate. Now that Mr. Qin had an accident, I will participate in his place!"

Wei Ming couldn't help but fall silent for a moment, then he said, "Okay, I'll send you there. Finish your meal first."

After the meal, Wei Ming personally drove Mr. Yang to the venue of the Chinese Medicine Conference.

At this time, all the contestants had already arrived, and Zhou Tong was sitting in the judge's seat with his face beaming with pride.

Mr. Yang slowly walked into the venue with heavy steps.

As soon as someone saw Mr. Yang, he teased, "Yo, Mr. Yang, where's Qin Yu? Why isn't he here?"

Mr. Yang turned a deaf ear and didn't say anything. He just walked towards the venue with a heavy heart.

Soon, Zhou Tong discovered Mr. Yang's figure.

When he saw Mr. Yang alone, the smile on Zhou Tong's face grew even wider.

He stood up and walked towards Mr. Yang. His huge figure blocked Mr. Yang's path.

Mr. Yang raised his head and glanced at Zhou Tong. He couldn't help but frown slightly.

“Mr. Yang, where’s Qin Yu? Why isn’t he here?” Zhou Tong asked despite knowing the answer.

Mr. Yang looked at Zhou Tong and said with a dark expression, “Mr. Qin has something to do. I’ll attend on his behalf.”

“Something to do?” Zhou Tong couldn’t help but burst into laughter.

“Is there something to do, or is he already dead?” Zhou Tong sneered again and again.

When he heard this, Mr. Yang’s expression instantly changed!

He raised his head and stared at Zhou Tong while berating, “Was it you who did it?”

Zhou Tong was instantly overjoyed. Qin Yu was indeed dead!

“Hahaha! So what? What can you do about it?” Zhou Tong said with some amusement.

Mr. Yang gritted his teeth and pounced towards Zhou Tong.

“You vicious villain!” Mr. Yang said aggressively and was extremely furious!

But he was already old, so how could he hurt Zhou Tong?

Zhou Tong grabbed Mr. Yang’s arm with ease and said coldly, “You dare to attack me? I now announce that you are disqualified!”

“So what if I am disqualified? I’ll fight it out with you!” Mr. Yang frantically waved his fists.

“You’re too gutsy!” Zhou Tong was instantly furious. He raised his hand and slapped Mr. Yang!

However, at this moment, a hand suddenly grabbed Zhou Tong’s wrist!

“You even hit old men. Zhou Tong, do you think you’re worthy of being the President?” Qin Yu was standing by his side while looking at Zhou Tong coldly..

Chapter 157: Sure!

Zhou Tong’s expression changed drastically when he saw Qin Yu!

It was as if he had seen a ghost!

“Qin... Qin Yu! How could it be you?!” Zhou Tong shouted in shock, and his body trembled nonstop!

Qin Yu sneered. “Why? Are you disappointed that I didn’t die?”

Zhou Tong’s expression was extremely ugly, and he was extremely puzzled!

He couldn’t figure out how Qin Yu could escape from Hong Wu!

“Zhou Tong, do you know the consequences of finding someone to kill me?” Qin Yu narrowed his eyes, and the expression on his face was menacing.

This terrified Zhou Tong, and he said in a panic, “You... let go of me right now! Otherwise, I’ll call someone!”

Qin Yu sneered. “Okay.”

After saying that, Qin Yu raised his hand and slapped Zhou Tong’s face.

This slap made Zhou Tong turn 360 degrees on the spot, and then he fell to the ground.

“You... you actually dare to hit me! I will revoke your qualification to participate in the competition!” Zhou Tong shouted angrily.

Qin Yu glanced at him and sneered. “Sorry, you can’t revoke it.”

After saying that, Qin Yu pulled Mr. Yang away and left.

Mr. Yang was overjoyed. He grabbed Qin Yu’s arm and said excitedly, “Qin Yu, you’re not dead. That’s great. We all thought you were...”

Qin Yu smiled and said, “It’s not that easy to kill me.”

On the other side, Zhou Tong’s expression turned extremely ugly after he went back and sat down.

He gritted his teeth, took out his cell phone, and called Hong Wu.

“Hong Wu, what’s going on? Why is Qin Yu still alive?!” Zhou Tong asked angrily.

Hong Wu sighed and said, “I’m not his match.”

“What?!” Zhou Tong’s expression turned even uglier!

Even a veteran Inner Strength Past Master was no match for Qin Yu?
How could this be?

At this moment, the news had already spread, and almost everyone was talking about it.

Even the internet was filled with videos of Qin Yu and Hong Wu!

The people in the martial arts world of the provincial capital were discussing this matter and wondering who Qin Yu was.

However, Zhou Tong didn't know anything about it.

“D*mn it!” After he hung up the phone, Zhou Tong couldn't help but get angry!

“Qin Yu, let me tell you, you definitely won't win the championship!” Zhou Tong narrowed his eyes and sneered.

...

Qin Yu and Mr. Yang sat in the audience seats and quietly watched the match on the stage.

Unfortunately, these people weren't impressive at all. Compared to Qin Yu, they were simply worlds apart.

After watching a few matches, Qin Yu felt bored, so he didn't continue watching. Instead, he took out his phone and browsed the local news.

News of the incident was playing everywhere, and the video had gone viral.

The comment section below was even more lively. For a moment, it was as if the entire provincial capital was discussing this matter.

Qin Yu looked at the news and couldn't help but shake his head.

Hong Wu was a veteran Inner Strength Past Master. His defeat would undoubtedly cause a huge uproar.

Compared to the Liu family's submission, this seemed to be more proof of Qin Yu's ability.

In the Wei Family's Residence, Wei Ming stared at the video intently while beads of sweat were dripping down his forehead.

"Hong Wu actually lost..." Wei Ming couldn't believe it!

He clearly remembered that not long ago, Qin Yu was only on par with Liu Shihui. How could he be so invincible now?

"Fortunately, I didn't offend him..." Wei Ming wiped the sweat off his forehead while feeling a lingering sense of fear.

A Inner Strength Past Master had the power to rule over an area! A thirty-year-old Inner Strength Past Master would be highly sought after and even recruited!

At the same time, people in the Chuzhou Region also saw this video.

The Deputy Chief, Mr. Wu, and the others were watching the multimedia screen.

On the screen, there was the fight between Qin Yu and Hong Wu.

“Are you sure that he is only an Inner Strength Master Hands?” The Deputy Chief looked at Yu Jin in shock.

Yu Jin quickly saluted him and said, “That’s right, I swear!”

“Hahahaha!” The Deputy Chief couldn’t help but burst into laughter!

He looked at Commander Guo and said, “What do you think? I told you that Qin Yu is definitely worth recruiting!”

Commander Guo also sighed and said, “Hong Wu has been distinguished for many years and is a famous Inner Strength Past Master in Chuzhou. Other than those prominent families, no one can control him. I never thought that he would be defeated by someone much younger.”

This would undoubtedly shock the entire martial arts world of Chuzhou!

Mr. Wu, who was standing at the side, kept silent. He stared at the video and no one knew what he was thinking.

“Chief Wu, what do you think?” The Deputy Chief looked at Mr. Wu and asked with a smile.

Mr. Wu sighed slightly.

He whispered, “I underestimated Qin Yu. Maybe... he really has the qualifications to marry Miss Yan.”

Mr. Wu couldn’t help but think of the bet between him and Yan Ruoxue.

Mr. Wu shook his head helplessly at the thought of this.

“The Yan family really has foresight,” Mr. Wu muttered.

“From now on, Qin Yu’s name might become a household name in Chuzhou.”

...

Qin Yu had no idea about the comments from the outside world.

He had no idea what it meant to win against Hong Wu.

“Mr. Qin, as far as I know, Zhou Tong’s personal disciple is also participating in this competition,” Mr. Yang reminded him.

Qin Yu narrowed his eyes. He looked at a young man on the stage and asked, “Is it him?”

Mr. Yang asked in surprise, “Mr. Qin, how did you know?”

Qin Yu sneered and said, “His alchemy skills are quite impressive. The others aren’t on the same level as him.”

“Most importantly, the herbs in his box are obviously much better than the others! This must have been arranged by Zhou Tong,” Qin Yu said coldly.

Mr. Yang suddenly came to a realization. He gave Qin Yu a thumbs up and said, “Mr. Qin, you’re quite sharp.”

Qin Yu didn’t say anything. He just looked at the young man quietly.

This young man was indeed quite capable. Moreover, Qin Yu had a premonition that this wasn't his true strength.

“Mr. Qin, are you sure you can win against him?” Mr. Yang asked tentatively.

Qin Yu narrowed his eyes and said indifferently, “I'm 100% sure.. Let alone Zhou Tong's disciple, even if Zhou Tong comes personally, I can still win!”

Chapter 158: The Despicable Zhou Tong!

With Qin Yu's assurance, Mr. Yang was relieved.

But in reality, Qin Yu wasn't 100% confident.

From last night until now, Qin Yu's strength had recovered by 30% at most.

Without the support of spiritual energy, Qin Yu's alchemy skills would drop dramatically.

“There should be no problem.” Qin Yu looked at the crowd on the stage and muttered softly.

Time flew by, and the selection went through round after round.

Zhou Tong's disciple survived every round by a landslide.

After nearly an entire morning, the selection finally came to an end.

Besides Zhou Tong's disciple, three other contestants were selected.

Including Qin Yu, there were a total of five people.

During the lunch break, Qin Yu and Mr. Yang casually found a place to have lunch.

At this time, Zhou Tong was sitting in the restaurant with the other judges and his disciple.

“Luo Jian, come in and take a seat.” Zhou Tong waved to his disciple.

The young man called Luo Jian quickly walked into the private room and greeted everyone politely, “Greetings, judges.”

“Hehe, Luo Jian, you don’t have to be so polite.”

“Yeah, your technique really surprised us.”

“That’s right, this technique rivals your mentor Zhou Tong’s!”

Zhou Tong even said with some pride, “To tell you the truth, Luo Jian has long surpassed his mentor!”

Luo Jian sat silently at the side, but a hint of pride appeared on his face.

After the meal, the judges took the lead to leave.

Zhou Tong, on the other hand, pulled Luo Jian and said in a sullen voice, “Luo Jian, you have to pay special attention to that person called Qin Yu. This person isn’t easy to deal with.”

Luo Jian, however, said indifferently, “I know him. He’s just a martial artist. He’s not worth mentioning. It’s easy for me to win against him!”

Zhou Tong, however, said with a solemn expression, “Luo Jian, I believe in your strength, but Qin Yu isn’t easy to deal with. You have to do your best, understand? I will also secretly help you.”

Luo Jian said with a nonchalant smile, “Sir, I said that I don’t need your help. I can defeat him easily!”

Zhou Tong frowned slightly. Just as he was about to speak, Luo Jian waved his hand.

Then, he saw Luo Jian spread out his palm. In his palm, flames actually condensed.

When he saw this flame, Zhou Tong’s pupils suddenly dilated! He suddenly stood up straight!

“This... this is spiritual fire?” Zhou Tong swallowed hard, and his eyes were filled with amazement!

Luo Jian said with a nonchalant smile, “That’s right, sir, now you know why I have such confidence, right?”

Zhou Tong said somewhat excitedly, “I really didn’t misjudge you. Luo Jian, you’re a genius!”

To Zhou Tong, spiritual fire was something rare and precious.

He had worked hard all his life, but he had never succeeded in producing spiritual fire. Unexpectedly, his disciple had already mastered spiritual fire!

Luo Jian said with a nonchalant smile, “Sir, just watch how I beat him.”

With that, Luo Jian turned around and walked out.

In the afternoon, the final competition of the Chinese Medicine Conference officially began.

What surprised Qin Yu was that the final competition was completely different from the previous advancement competition. The venue was full of people!

Many high-ranking officials and noblemen had come to the venue to watch. There were also countless low profile martial arts experts as well.

Qin Yu raised his eyebrows and quickly understood.

These high-ranking officials and noblemen also wanted to build a good relationship with the victor. If there was an opportunity, they would probably take the opportunity to recruit him.

“Mr. Qin, good luck.” Mr. Yang said somewhat excitedly.

Qin Yu nodded and said with a smile, “Mr. Yang, don’t worry.”

After saying that, Qin Yu walked straight to the stage.

Coincidentally, Luo Jian was standing next to Qin Yu. The distance between the two of them was no more than two meters.

“You’re Qin Yu?” Luo Jian glanced at Qin Yu and asked indifferently.

Qin Yu closed his eyes and ignored him.

Luo Jian wasn’t angry. He snorted lightly and said, “You humiliated my mentor, right?”

Qin Yu still ignored him. He just closed his eyes to recover the spiritual energy in his body.

“Humph, putting on airs.” Luo Jian couldn’t help but snort.

“I announce that the final competition of the Chinese Medicine Conference begins now!” At this time, the host walked up to the stage and shouted!

After the shout, a few people carried the medicine baskets up.

These medicine baskets were filled with herbs for the participants to use.

Qin Yu lowered his head and glanced at his own medicine baskets. He couldn’t help but frown.

Because his medicine baskets were filled with almost abandoned herbs! Not to mention spiritual energy, but even the medicinal effects were almost nonexistent!

Qin Yu's expression turned cold. He couldn't help but look at Zhou Tong, who was below the stage.

As expected, Zhou Tong had a proud smile on his face. He looked at Qin Yu provocatively.

"What a despicable person." Qin Yu couldn't help but think to himself inside.

"The competition time is one hour. In one hour, the judges will decide the winner! Let's start now!" The host shouted.

After the shout, the contestants on the stage began to refine medicine rapidly.

Luo Tong, who was at the side, did the same. He skillfully threw the herbs into the pot and then glanced at Qin Yu.

Only Qin Yu stood there with a frown without moving at all.

Because these herbs couldn't be used at all.

"Let's see how you win!" Zhou Tong sneered.

Qin Yu took a deep breath and said in a low voice, "It seems that I can only use that method."

After saying that, he threw all the abandoned herbs into the pot.

Then, Qin Yu poured water, started a fire, and began to boil the herbs.

The people below the stage couldn't help but frown and say, "What method is this? Throwing all the herbs in and stewing them in one pot?"

"I think this kid doesn't know how to refine medicine at all. Does he think that this is stewing pork?"

"I heard that the Soul Nourishment Pill was produced by him. It's probably a lie."

Zhou Tong couldn't help but laugh out loud.

"Is he giving up on himself? Hahaha, I've never seen such a technique before!" Zhou Tong sneered repeatedly.

At the same time, Zhou Tong was also rejoicing inside.

This way, Qin Yu would have no way to push the responsibility of the herbs being unuseable onto himself!

Despite hearing the discussions, Qin Yu remained silent. He only focused on increasing the flames and boiling the herbs into a paste as soon as possible.

Very soon, the herbs in Qin Yu's pot were boiled into porridge, but there wasn't a single hint of medicinal fragrance in it.

"Qin Yu, if you boil the herbs like this, the medicinal effects will have been completely drained. Is there still a need to continue?" Luo Jian sneered.

Qin Yu didn't say anything. He just stared at the pot of medicinal herbs.

“Hehe, you really don’t live up to your reputation. I think you should hurry up and scram. Don’t embarrass yourself!” Luo Jian continued to ridicule.

Qin Yu glanced at him and sneered. “I indeed don’t live up to my reputation, but it shouldn’t be a problem to beat you.”

With that, Qin Yu suddenly raised his palm and inserted his hand into the paste-like medicinal herbs!

Waves of spiritual energy surged out from Qin Yu’s palm!

In an instant, the pot of paste-like herbs turned light blue!

Chapter 159: What Do You Think of My Spiritual Fire?

Qin Yu forcefully injected the spiritual energy in his body into the pile of herbs!

At this moment, the herbs became the carrier of the spiritual energy in Qin Yu’s body!

Countless amounts of spiritual energy flowed out from Qin Yu’s body, but it wasn’t enough for alchemy!

However, Qin Yu had no other choice at the moment. He could only brace himself and continue.

“What technique is this?” Someone not far away whispered.

“What’s with that blue light? Why have I never seen it before?”

The judges below the stage also furrowed their brows tightly. It was very obvious that the technique Qin Yu had used had already exceeded their understanding.

Only Zhou Tong, his eyes carrying a hint of shock, suddenly stood up!

“This... This light blue color... is similar to the one from the Divine Alchemist Pavilion back then!” Zhou Tong, suddenly having an ominous premonition inside, muttered in a low voice!

When he was traveling in the early years, he once saw a expert refining pills!

And that expert’s method of refining pills was extremely similar to Qin Yu’s current method!

“Impossible, absolutely impossible!” Zhou Tong hurriedly shook his head and denied.

“He’s just a country bumpkin from Jiangcheng, so how could he know any experts?!” Zhou Tong said with a cold expression.

Even though that was the case, he still had some worries inside.

Time flew by, and in the blink of an eye, half of the amount of time had passed.

There was only half an hour left until the end.

On the stage, Luo Jian’s expression was relaxed, and he wasn’t anxious at all.

He had his hands behind his back as he quietly looked at the apparatus in front of him.

Meanwhile, the other three contestants were still flustered as they tried to control the flame.

“Hmph, competing with you guys is simply a disgrace.” At this moment, Luo Jian suddenly snorted.

He glanced at the crowd not far away from the stage and said indifferently, “Today, I’ll show you guys what I’ve got!”

After saying that, Luo Jian raised his palm. Then, they saw that there was actually a flame burning in his palm!

Upon seeing this wisp of flame, everyone immediately buzzed with discussion!

“What is that?! How could there be a flame in his hand?!”

“How did he do that? Is it a special effect?”

And a martial artist exclaimed, “That... that’s a spiritual fire? Luo Jian actually conjured a spiritual fire?”

The judges, their eyes full of shock, below the stage suddenly stood up!

“Luo Jian actually generated spiritual fire? How is this possible!”

“He’s only in his twenties, so how can he have such talent?!”

“With spiritual fire, how can they be his match? They’re simply worlds apart!”

Everyone was shocked by Luo Jian’s technique!

Rumor had it that those who could give birth to a spiritual fire were all geniuses that were one in ten thousand!

There were very few people who could do so in the entire Chuzhou!

“This guy will definitely be able to achieve great things in the future!” All the judges exclaimed one after another.

Luo Jian seemed to be quite satisfied with everyone’s attitude.

He played with the spiritual fire in his palm and then looked at Qin Yu.

“Kid, do you know what this is called?” Luo Jian said somewhat provocatively.

Qin Yu looked at him coldly and couldn’t help but think to himself, “This kid isn’t as simple as I thought.”

When Luo Jian saw that Qin Yu didn’t speak, he laughed out loud and said, “With your limited knowledge, you don’t know what this is, do you? Fine, I’ll explain it to you today.”

“The fire in my hand is called spiritual fire. It is created through my extraordinary talent.”

“And there are very few people in the world who can produce spiritual fire! I, Luo Jian, am one of them!”

“Qin Yu, do you think there is still a need for us to compete?” Luo Jian said in a provocative manner while feeling pleased with himself.

Qin Yu pulled his hand out of the medicinal paste.

He looked at the pile of medicinal paste and muttered in a low voice, “It should be about it. Although I can’t refine any top-grade pill, it should be considered top-grade in the secular world.”

After saying that, Qin Yu turned his head to look at Luo Jian.

“You dare to call that bean-sized flame in your hand spiritual fire?” Qin Yu sneered.

After he heard Qin Yu’s words, Luo Jian’s expression suddenly changed.

“How ignorant!” Luo Jian said coldly.

“It’s not easy to produce spiritual fire, even if it’s only the size of a bean!”

“There are countless pharmacists in the world, and which one of them isn’t crazy about spiritual fire? You are too ignorant. How dare you say something so outrageous?!”

Qin Yu glanced at him and said with a nonchalant smile, “I don’t think there is anything special about your spiritual fire.”

Anger flashed across Luo Jian’s face! Even the flame in his hand flickered rapidly!

“Are you anxious?” Qin Yu looked at the restless flame in his hand and couldn’t help but raise his eyebrows as he asked.

Luo Jian said coldly, “Ignorant people are gutsy! Let me tell you, people who have spiritual fire surpass all the pharmacists in the world!”

“Is that so?” Qin Yu raised his eyebrows.

Then, he gently opened his palm, and a blue flame instantly appeared in Qin Yu’s palm!

“Then what do you think of my spiritual fire?” Qin Yu said with a cold smile..

Chapter 160: Are You Here to Tickle Me?

A blue flame was dancing in Qin Yu’s palm.

Even though they were several meters apart, they could still feel the intense power.

“Blue... blue spiritual fire?” Luo Jian’s face instantly turned pale when he saw this spiritual fire. A sense of powerlessness appeared in his heart!

The people below the stage who were in the know suddenly stood up and stared at Qin Yu’s palm!

“That... that’s blue spiritual fire. It’s really blue!”

“Blue spiritual fire... it really exists!”

“Who is that young man?! How could he possess blue spiritual fire?!”

Even Zhou Tong plopped down on the ground with a look of despair on his face!

Qin Yu was a little surprised.

These people seemed to be a little afraid... of the spiritual fire in his hand?

“This is impossible, absolutely impossible!” Beads of sweat dripped down Luo Jian’s forehead.

Qin Yu frowned and said, “What do you mean? Could it be that your spiritual fire is different from mine?”

Luo Jian gritted his teeth and berated him, “Don’t pretend to be ignorant!”

This made Qin Yu even more puzzled. What exactly was going on?

“Rumor has it that spiritual fires are divided into seven grades, red, orange, yellow, green, green, blue, and purple.” At this time, an elder below the stage suddenly said.

“Among them, red is the lowest grade and purple is the highest grade, but those are all rumors. No one has seen them before. Most people produce spiritual fires that are red.”

“I didn’t expect there to really be blue spiritual fires.”

After hearing his explanation, Qin Yu suddenly came to a realization.

In other words, other than purple, this blue flame was the highest grade?

“No wonder the power of this flame is so intense,” Qin Yu muttered in a low voice.

At this moment, Luo Jian’s ego was bruised!

He simply couldn’t imagine that Qin Yu would actually possess a blue spiritual fire!

“Once this news spreads, he will definitely become the focus of the pharmacist world.” Someone commented secretly.

“I’m afraid it’s not just the pharmacist world. He will be greatly respected even the martial arts world and might be targeted as well.”

“A man’s wealth is his own ruin by causing other’s greed..”

Everyone lamented repeatedly, but Qin Yu was the only one who didn’t take it seriously.

At this moment, there were only ten minutes left until the end.

If he relied on ordinary flames, it would be too late.

“It seems that I can only try to use this spiritual fire.” Qin Yu felt a little helpless.

He wasn’t familiar with how to control this spiritual fire, and the slightest negligence could cause the herbs to get burned.

But now, Qin Yu had no other way, so he could only take the risk.

Then, Qin Yu raised his palm and flicked his finger.

A wisp of spiritual fire fell into the pot.

The moment the fire fell into the pot, crisp sizzling sounds were heard!

Qin Yu didn't dare to be distracted. He closed his eyes and focused all his attention on the spiritual fire.

This not only consumed Qin Yu's physical strength, but also consumed a lot of mental strength.

The medicinal paste in the pot began to slowly condense! Rays of light suddenly appeared in it! It was a beautiful scenery!

Zhou Tong gritted his teeth. He stared at Qin Yu on the stage and suddenly shouted, "Luo Jian! The control of the spiritual fire requires concentration. The slightest negligence could cause the herbs to get burned!"

Although he wasn't very explicit, his intention was very obvious.

Luo Jian was a smart person. He sneered and said, "I understand."

After saying that, Luo Jian looked at Qin Yu and sneered. "I won't let you refine medicine in peace."

Under the watchful eyes of the crowd, Luo Jian actually clenched his fist and charged at Qin Yu! He wanted to use this to distract Qin Yu!

Mr. Yang was instantly dumbfounded. He glared at Luo Jian and roared angrily, "You... you guys are cheating! How shameless!"

Zhou Tong turned a blind eye to it. Instead, he pulled aside a few of the judges and started chatting on the stage.

Mr. Yang was furious, but there was nothing he could do!

On the stage, Luo Jian kept punching Qin Yu's body.

However, what shocked Luo Jian was that his punches couldn't affect Qin Yu at all. Instead, they made his wrist hurt!

“This... how is this possible?!” Luo Jian was getting more and more anxious. He seemed to have gone mad. He used both his fists and legs to kick and punch Qin Yu's body.

As time passed, Qin Yu still kept his eyes closed and ignored Luo Jian.

All his attention was focused on controlling the spiritual fire.

“Zhou Tong is really shameless.” Someone below the stage couldn't help but snort.

“It's a pity that his disciple can't hurt Qin Yu at all.”

“Stop joking. Even a master like Hong Wu was defeated by Qin Yu, let alone Luo Jian.”

Time flew by quickly, and there was only one minute left before the end.

Below the stage, Zhou Tong looked at Qin Yu coldly, and he felt a little uneasy.

“I can’t let this kid continue to develop,” Zhou Tong thought to himself.

An Inner Strength Past Master with blue spiritual fire wasn’t someone he, Zhou Tong, could afford to offend!

Luo Jian still didn’t give up. He clenched his fist and punched Qin Yu’s vital point!

It was also at this moment that Qin Yu’s eyes suddenly opened!

He turned to look at Luo Jian and said with a nonchalant smile, “Are you here to tickle me? What, you didn’t eat enough for lunch?”

Chapter 161: Conjures Danyun!

Luo Jian’s expression changed, but before he could speak, he was sent flying by Qin Yu’s slap!

Although he didn’t exert much force for this slap, it still caused half of Luo Jian’s face to swell up!

“Qin Yu, you actually dare to hit someone in public! I will revoke your qualifications!” Below the stage, Zhou Tong seemed to have seized the opportunity as he quickly stood up and berated loudly!

Qin Yu couldn’t help but sneer. “Are you blind? Were you mute when he hit me just now?”

Zhou Tong snorted lightly. “Sorry, my eyes weren’t feeling well just now, so I didn’t see it.”

Qin Yu was already used to Zhou Tong's shamelessness.

He looked coldly at Zhou Tong and was about to speak.

At this time, the crowd below the stage became restless.

“Zhou Tong, do you think the crowd is blind?”

“That's right. Your disciple hits someone and you pretend not to see it, but when others hit people, you jump out? Such double standards!”

“If you want to disqualify someone, then both of them should be disqualified!”

The crowd was in an uproar below the stage.

Zhou Tong's expression couldn't help but change. He had never thought that he would actually cause public outrage!

One had to know that these people usually had something to ask of him, and which one of them wouldn't suck up to him when they met him?

In the face of everyone's criticism, Zhou Tong could only clench his teeth and wave his hand. “Forget it, don't let it happen again!”

The crowd snorted lightly and completely ignored Zhou Tong.

As a person who possessed spiritual fire and had defeated an old Inner Strength Past Master, Qin Yu was far more valuable than Zhou Tong!

These businessmen always sided with those who would benefit them the most.

“Time’s up!” The host slowly walked to the stage.

He looked at the contestants and said, “Please open the lid.”

Luo Jian got up from the ground. He gnashed his teeth and glared at Qin Yu while saying, “You will never win!”

Qin Yu, completely ignoring Luo Jian, didn’t say anything.

Soon, the other three contestants opened the lid and took out the pill.

Although their pill wasn’t bad, it was a pity that they were up against Qin Yu and Luo Jian, so no one paid attention to them.

Everyone’s attention was on Qin Yu and Luo Jian.

Luo Jian narrowed his eyes and said, “Qin Yu, watch carefully!”

After saying that, Luo Jian shouted and blew away the lid of the pot!

They saw a red pill lying in the pot.

A rich herbal aroma instantly filled the entire area!

“This... This is the Dragon Phoenix Pill?”

“It’s the Dragon Phoenix Pill. It’s definitely the Dragon Phoenix Pill! Didn’t they say that the recipe for the Dragon Phoenix Pill has already been lost?”

“Rumor has it that the Dragon Phoenix Pill has a miraculous effect and can extend a person’s life for three days! It’s extraordinary!”

“Luo Jian is a genius!”

Extending one’s life for three days! This was definitely a precious sacred item!

One had to know that for a prominent aristocratic family, there was too much to do in three days!

Seeing this, Zhou Tong burst into laughter.

“Qin Yu, I don’t believe that you can come up with a better pill.” Luo Jian sneered repeatedly.

Qin Yu glanced at Luo Jian and nodded slightly. “You’re talented, but it’s just a pity that you acknowledged the wrong person as your mentor.”

“Cut the crap!” Luo Jian said with a cold expression.

“So what if you produce spiritual fire? With my alchemy skills, any aristocratic family will fight for me!”

“Today, you will definitely lose!”

Qin Yu didn’t say anything. His face was calm and no expression could be seen on it.

“Okay, Qin Yu, you’re the only one left.” Zhou Tong stood up and said with his hands behind his back.

Qin Yu glanced at him and nodded. “Okay, then I will let you see what a real pill is!”

After saying that, Qin Yu opened the lid!

Inside the apparatus, there were eight bean-sized pills.

The pills looked ordinary. Not to mention the herbal aroma, but it even reeked of a stench.

The venue instantly fell silent. A moment later, bursts of laughter came from the judges.

“Hahaha! I’m dying of laughter. What is this? A piece of sh * t?”

“D * mn, it took him such a long time to create this?”

“Looks like Qin Yu isn’t skilled enough. What a pity.”

Zhou Tong sneered repeatedly.

“As expected, controlling the blue spiritual fire is extremely difficult. It’s very obvious that he failed.” Zhou Tong placed his hands behind his back and said with a nonchalant smile.

Luo Jian looked at Qin Yu and said mockingly, “I thought it would be some precious pill. Just this? It really makes people laugh their heads off!”

Qin Yu remained silent and was extremely calm.

“Although Qin Yu failed, he has much more potential than Luo Jian.”

“Mm, not bad. If there’s a chance, I must befriend him.”

The crowd below the stage still had high hopes for Qin Yu. After all, the blue spiritual fire was too shocking.

“Qin Yu, you’ve lost. Host, you can announce the results.” Zhou Tong said indifferently with his hands behind his back.

The host nodded and then said, “I now announce that the winner is…”

“Hold on.”

At this moment, Qin Yu finally spoke.

“Do you have anything else to say?” The host asked.

Qin Yu said indifferently, “Who said I lost?”

“Qin Yu, the results are already in front of us. Do you still want to play dirty? Let me tell you, the audience isn’t blind!” Zhou Tong said with a sneer.

With one sentence, he pulled the audience into his camp.

Qin Yu, on the other hand, was unfazed. He swept his gaze across the crowd and said with a nonchalant smile, “You guys didn’t even look at the pill and made a hasty conclusion. That’s not appropriate.”

“We didn’t even look at the pill? Are you an idiot? Isn’t it right in front of us? What, you’re a sore loser?” Luo Jian said with a cold smile.

Qin Yu smiled nonchalantly and said, “This is only the appetizer, not the real pill.”

After he finished speaking, Qin Yu walked to the front of the pot.

He swept his gaze over everyone and slowly said, “Everyone, please be mentally prepared.”

“Pretending to be mysterious.” Luo Jian snickered endlessly.

Qin Yu ignored him. He raised his hand and slowly reached into the pot.

Qin Yu’s palm moved and swept the eight pills to the side.

Immediately after, one could see that there was actually a purple pill hidden beneath the eight pills!

The pill flickered with a dark gleam in an extremely demonic manner.

“This... what is this? How come I’ve never seen it before?”

“Uh... Even though I’ve never seen it before, I can tell at a glance that it’s remarkable.”

“Indeed, I keep feeling like that pill is filled with mystery.”

Zhou Tong’s expression was somewhat unsightly. He hurriedly stood up and said coldly, “Qin Yu, we’ve never seen this kind of pill before. No one knows its effects, so the champion is still Luo Jian. Is there a problem?”

The others also nodded.

Even though the pill that Qin Yu refined looked extraordinary, everyone knew what the specific effects were.

Qin Yu wasn't anxious, and he said with a nonchalant smile, "It is rumored that top-grade pills are divided into heaven, earth, black, and yellow. The heaven pill ranks at the top, and the yellow pill ranks at the bottom. However, even the lowest ranking yellow pill can trigger the miraculous Danyun Phenomenon. Therefore, the Danyun is the only criterion for judging top-grade pills."

"What do you mean? What do you want to say?" Zhou Tong said with a frown.

Qin Yu said indifferently, "Everyone, please enjoy the Danyun."

As soon as he said that, colorful clouds suddenly condensed in the sky!

Danyun took form!

Chapter 162: You're Under Arrest!

Looking at the large clouds gathering in the sky, everyone was stunned by this scene!

Zhou Tong and Luo Jian stared at this strange scene with disbelief in their eyes!

"It's... It's really a Danyun..." Zhou Tong muttered softly. He had never seen a real Danyun before!

At this moment, Luo Jian also felt helpless. He instantly understood that he and Qin Yu weren't on the same level at all!

“Danyun, the legendary Danyun!” The crowd began to become restless.

“I didn't expect this!”

“Who exactly is Qin Yu? Not only is he capable of defeating a veteran Inner Strength Past Master, but he also has such heaven-defying pill refining techniques...”

“Qin Yu's future is limitless!”

The condensed Danyun quickly began to slowly dissipate, until it completely disappeared.

The sky returned to normal, as if nothing had happened.

Qin Yu looked at Luo Jian and said indifferently, “Do you still think that you can win?”

Luo Jian forced a laugh inside. All of his pride was completely shattered at this moment.

Just as Luo Jian was about to speak, Zhou Tong suddenly shouted from below the stage, “Wait!”

Everyone's gazes quickly fell on Zhou Tong.

Zhou Tong gnashed his teeth and said, “Even if you can condense a Danyun, so what?! Who knows whether this pill of yours has powerful effects or not!”

As soon as they heard this, the crowd immediately began to discuss in low voices.

“Yes, if there is no actual effect, even a top-grade pill has no value.”

“Mr. Qin, please explain this pill’s effects.”

“Yes, Mr. Qin, forgive us for being rude, but we really want to know the actual effect of this pill.”

The way everyone addressed him had changed.

From the initial address of “brat” to the later “Qin Yu”, it had now become “Mr. Qin”.

This was enough to prove that they started to respect Qin Yu more and more.

Qin Yu glanced at Zhou Tong, who wasn’t far away, and couldn’t help but sneer. “You still don’t want to give up even now? Alright, then I’ll tell you the effect of this pill.”

“This pill is called the nine dragon pill. Its effect is simple and crude. It can cure any illness, even terminal illnesses.”

“Of course, this medicine also has a weakness. It can’t treat external injuries, and it can only be taken once in a lifetime.”

When they heard this, the audience below the stage immediately became excited!

It could cure incurable diseases? Didn’t that mean that they would have two lives?

Compared to this nine dragon pill, Luo Jian's Dragon Phoenix Pill instantly became worthless!

"There's actually such a pill in the world!"

"Mr. Qin, can you sell this pill to me? I'm willing to pay a high price!"

"That's right, Mr. Qin. No matter how much money it costs, I'm willing to pay!"

When he heard everyone's shouts, a nonchalant smile appeared on Qin Yu's face.

"I'll find an opportunity to auction this pill publicly," said Qin Yu.

Zhou Tong's expression was extremely ugly!

He couldn't understand. How could there be such a medicine in the world? It could cure all diseases? This was simply a fantasy!

However, Qin Yu didn't mind it at all. This medicine was refined from the purest spiritual energy in Qin Yu's body. Curing diseases was a piece of cake.

Moreover, this nine dragon pill was only a divine medicine in the secular world. In Qin Yu's inheritance, it was still considered a low-grade pill formula.

There were two reasons why Qin Yu refined the nine dragon pill.

The first reason was that the basket of medicine that Zhou Tong gave him didn't have any healing effects, so Qin Yu had to rely on his own spiritual energy.

This way, he was unable to refine a pill that was useful to martial artists.

The second reason was that Qin Yu didn't want to cause trouble.

If he really refined a pill that made martial artists go crazy over it, then there would definitely be countless people eyeing Qin Yu.

At that time, it was very likely that a top-notch martial artist might make a move against him.

“Can we announce the results now?” Qin Yu glanced at the host and said indifferently.

“Um, this...” the host was suddenly in a bit of a dilemma. He looked at Zhou Tong.

Zhou Tong's expression was ashen, but he didn't know what to do.

The final judgment was in his hands. But now, all the audience members were impressed by Qin Yu. Even if he wanted to defend Luo Jian, he had to find a good excuse.

The venue fell silent, and countless pairs of eyes were on Zhou Tong.

Zhou Tong gritted his teeth and said, “I think the champion should be Luo Jian.”

Everyone was shocked!

Everyone scoffed at Zhou Tong's shamelessness.

"No one has seen the effect of Qin Yu's nine dragon pill. Who knows if it's real or fake? Are we going to just rely on what he said entirely?" Zhou Tong snorted coldly.

"Hehe, President Zhou, aren't you being too outrageous?" Someone beside him couldn't help but say.

"Yeah, you're being unreasonable."

Zhou Tong still didn't mind. He snorted coldly and said, "I'm the President of the Chinese Medicine Association. The decision is in my hands. Whoever I say wins will win!"

"Forget it." However, at this moment, Luo Jian suddenly shook his head.

"I'm not Qin Yu's match. Just based on this Danyun, he's already far superior to me."

"A loss is a loss. There's no need to persist," said Luo Jian.

When he heard Luo Jian's words, Qin Yu couldn't help but sneer.

"Zhou Tong, your disciple is more sensible than you."

Zhou Tong gritted his teeth and berated loudly, "Useless thing! I said that the decision is in my hands. Whoever isn't convinced should suck it up!"

Qin Yu frowned slightly.

Qin Yu really didn't expect Zhou Tong to be so shameless.

The others couldn't help but curse inside, but there was nothing they could do.

Zhou Tong snickered. He looked at Qin Yu and said indifferently, "See? This is called power. Sometimes, power is more important than ability."

"Is that so, Zhou Tong? Do you really think that no one can control you?" At this moment, a voice suddenly came from the door.

After turning around, he saw two men dressed in public office clothes walking in.

Zhou Tong frowned and said, "Who are you guys?"

These two people took out their badges one after another and said, "We're from the Association. After the higher-ups' investigation, your status as the president of the Chinese Medicine Association has been revoked. Qin Yu will take your place."

When he heard this, Zhou Tong's expression instantly became extremely ugly!

"How... How is that possible?! He's just a braggart, so what qualifications does he have to be the President?!" Zhou Tong said through gritted teeth.

"This is the decision of the higher-ups. If you're not satisfied, go find the director yourself!" The other party snorted coldly.

At this time, a few people entered the door.

These people were even more direct. They walked in front of Zhou Tong, took out a document, and said, “Zhou Tong, you’re suspected of many crimes.. I now announce that you’re under arrest!”

Chapter 163: Testing Each Other

Zhou Tong froze. He was actually being arrested ?

A few people walked forward and stretched out their hands to arrest Zhou Tong.

But at this time, Zhou Tong shouted, “I’m friends with your boss. Let me give him a call!”

These people weren’t in a hurry. They immediately stood to the side and nodded. “You can make the call.”

Zhou Tong took out his cell phone and made a call.

After the call was connected, Zhou Tong hurriedly said, “Mr. Fang, what’s going on ? Why are your people here to arrest me ?”

The man called Mr. Fang sneered. “You broke the law. Who should they arrest if not you ?”

Zhou Tong’s expression changed again. He said somewhat anxiously, “Mr. Fang, you... what do you mean ?!”

“What do I mean ? Hehe, Zhou Tong, you’re finished!” After saying that, Mr. Fang hung up the phone.

Zhou Tong immediately felt despair inside. His legs went soft and he fell to the ground with a plop.

The few of them didn't say anything. They walked forward, grabbed Zhou Tong's arm and walked out.

The sudden change made the venue completely silent.

The president who was high and mighty not long ago had now become a criminal. It made them feel astonished.

Then, a few people from the Association came in front of Qin Yu.

"Mr. Qin, the higher-ups have decided that you will be the president of the Chinese Medical Association," the few people said.

Qin Yu scratched his head and said, "Can I not be the president of the Chinese Medical Association?"

When the few people heard this, they couldn't help but force a smile and say, "Many people have risked their lives to be the president, but you actually refused?"

Qin Yu said helplessly, "I'm used to enjoying freedom. I really don't want to be under control."

"Mr. Qin, you'd better tell our director. We are only responsible for passing on the message." The few of them shook their heads.

After saying this, they left the place.

"Mr. Qin, congratulations on becoming the new President!"

“Should we call you President Qin?”

“President Qin, this is my business card. If you need anything, just let me know!”

Countless people ran over to curry favor with Qin Yu, and their demeanor was extremely servile.

It was very obvious that Qin Yu had underestimated the power of the position of president.

Even though he didn't belong to any official organization, he had a lot of power.

Then, Qin Yu followed the host backstage.

Backstage, there was a wooden box.

Qin Yu couldn't wait to take the wooden box. He opened it and saw a 100-year-old Chinese knotweed inside.

“What a strong herbal aroma!” Qin Yu took a deep breath and couldn't help but feel a little delighted!

With this 100-year-old Chinese knotweed, he might advance to the second level of the Foundation Establishment Stage!

Although the Foundation Establishment Stage was the foundation of cultivation, it was the most crucial step.

Just like building a house, the Foundation Establishment Stage laid the foundation.

If he didn't get the hang of this step, the path of cultivation in the future would be extremely difficult.

“A hundred-year-old Chinese knotweed can cultivate a Foundation Establishment Pill,” Qin Yu thought to himself.

However, the Foundation Establishment Pill wasn't like the Qi Gathering Pill, which could help him advance one level. On the contrary, the effect of the Foundation Establishment Pill was different for everyone.

Some people could advance several levels with one pill, while others couldn't even advance one level with several pills.

After taking the Chinese knotweed, Qin Yu planned to leave.

When he walked to the door, Qin Yu happened to meet Luo Jian.

Luo Jian, with a gloomy and hesitant look on his face, stood at the door. He clenched his fists, and there seemed to be some unwillingness on his face.

“You have much potential.” At this moment, Qin Yu said from behind him.

Luo Jian suddenly turned around and looked at Qin Yu coldly.

Qin Yu continued, “It's a pity that you accepted the wrong person as your mentor. How about you be my disciple?”

Luo Jian snorted coldly. “Be your disciple? In your dreams! Let me tell you, from tomorrow onwards, I will set out on a journey. I will

visit all the top pharmacists! Sooner or later, my achievements will surpass yours!”

Qin Yu, not caring at all, spread his hands out.

“Then I wish you good luck.” Qin Yu was joking with him anyway. It was absolutely impossible for him to really take him as a disciple.

After that, Qin Yu and Mr. Yang returned to the hotel.

On the way back to the hotel, Mr. Yang was extremely excited.

“Mr. Qin, I really didn’t expect your alchemy achievements to be so outstanding!” Mr. Yang exclaimed in awe from the bottom of his heart.

Qin Yu also nodded and said, “To be honest, I didn’t expect it myself.”

Qin Yu didn’t know the level of the spiritual fire at all.

After returning to the hotel, Qin Yu was extremely tired.

On this day, there was an endless stream of people who came to visit Qin Yu.

Among them were the various aristocratic families, martial arts experts, and people who wanted to buy the Nine Dragon Pill.

Qin Yu contemplated for a moment and then said to Mr. Yang, “Mr. Yang, I’ll give this Nine Dragon Pill to you. If anyone wants to get the Nine Dragon Pill, they can exchange it with hundred-year-old herbs.”

Mr. Yang was immediately overjoyed. He took the Nine Dragon Pill and nodded repeatedly. "Thank you, Mr. Qin, for your trust in me!"

Qin Yu, extremely tired, yawned.

Qin Yu had been really tired these few days. The spiritual energy in his body was already extremely depleted, and it would be difficult for him to recover in a short time.

"Mr. Qin, you should go rest." Seeing this, Mr. Yang said with some heartache.

Qin Yu shook his head and said, "I'm waiting for someone."

"Waiting for someone?" Mr. Yang froze. "Who?"

"Hong Wu," Qin Yu said in a deep voice.

Qin Yu didn't trust Hong Wu at all.

He wasn't even sure if Hong Wu would send the Ganoderma over.

On the other side, Hong Wu was also waiting.

For the whole day, he didn't go out. Instead, he sat in the courtyard and waited quietly.

If Qin Yu came to ask for it personally, Hong Wu would give the Ganoderma to Qin Yu.

If Qin Yu didn't come, Hong Wu wouldn't give the Ganoderma to Qin Yu.

This was a test. After all, the Ganoderma was 200 years old. No one would be willing to give it away for free.

Time passed, and in the blink of an eye, it was night.

“It seems that Hong Wu won’t come,” Qin Yu stood in front of the window and murmured.

On the other side, Hong Wu couldn’t help but sneer. “I’m right. Qin Yu doesn’t dare to come! Without the Saintly Body Technique, he’s afraid of dying in my hands.”

As soon as he finished his words, a young man ran in from outside.

“Sir!” The young man shouted while running.

Hong Wu glanced at him and asked, “What’s the matter?”

The young man said excitedly, “Sir, it’s fortunate that you didn’t become enemies with Qin Yu. Otherwise, things really would have been troublesome!”

Hong Wu frowned and asked, “What do you mean?”

The young man said in surprise, “Sir, don’t you know? Qin Yu was in the limelight at today’s Chinese Medicine Conference!”

Hong Wu frowned even more and signaled the young man to continue.

The young man said excitedly, “Not only did Qin Yu conjure spiritual fire, but he even conjured blue spiritual fire! He also activated Danyun at today’s Chinese Medicine Conference!”

“That’s Danyun fro God’s sake! I’ve only heard rumors about it, but I’ve never seen it before! How amazing! Just this alchemy technique alone is enough to make all the prominent families value him highly!”

Chapter 164: Snatch By Force

Hearing this, Hong Wu suddenly stood up and exclaimed, “Is what you said true?”

The young man hurriedly nodded and said, “It’s true! The whole provincial capital is talking about this! Look, there are videos on the internet!”

After saying this, the young man handed the phone to Hong Wu.

Hong Wu took the phone and stared at the screen.

On the screen, there was the scene of Qin Yu refining pills.

When he saw the blue spiritual fire in Qin Yu’s hand and the Danyun Phenomenon in the sky, his face was filled with shock!

“Quick, bring me my Ganoderma! Take me to Qin Yu immediately!”
Hong Wu said anxiously.

A mere Ganoderma wasn’t thing if it meant he could be acquainted with such an extraordinary alchemist!

After all, the effects of the same herbs in the hands of alchemists were far greater than those of ordinary martial artists like them!

At this moment, Qin Yu was still waiting for Hong Wu.

He glanced at his phone and saw that it was already eleven o'clock in the evening.

“It seems that he won't come.” Qin Yu's expression was a little ugly.

Qin Yu didn't like people who went back on their words.

“It's time for me to rest.” Qin Yu stretched and yawned a few times.

At this moment, Hong Wu's car parked downstairs.

Then, he saw Hong Wu running up in a hurry.

Hong Wu handed the Ganoderma to Qin Yu respectfully.

“Mr. Qin, I'm sorry. I was delayed today, so I came a little late,”
Hong Wu said apologetically.

Qin Yu glanced at Hong Wu and said with a nonchalant smile, “Were you delayed by something, or were you testing me on purpose?”

Hong Wu's expression changed slightly. He hurriedly shook his head and said, “Mr. Qin, I really had something to do. Otherwise, I would have brought it to you earlier!”

Although he said that, everyone knew the truth.

Qin Yu didn't expose him. He took the Ganoderma and nodded.

“Thank you, Mr. Hong.”

Hong Wu cupped his hands and said, “Mr. Qin, you must be joking. This thing was yours to begin with.”

Qin Yu nodded slightly. Hong Wu was very tactful. He didn’t stay any longer and quickly left the hotel.

“Hong Wu really knows how to weigh the pros and cons.” Qin Yu played with the Ganoderma and couldn’t help but laugh.

“But... it’s a gain to get this Ganoderma.” Looking at the Ganoderma in his hand, Qin Yu was a little excited.

After putting away the Ganoderma, Qin Yu laid on the bed.

Soon, sleepiness overcame him.

The tiredness of the past few days was released at this moment, and Qin Yu quickly fell asleep.

The next day, there was still an endless stream of people who came to ask for the Nine Dragon Pill.

Many high-ranking officials and nobles came one after another. They offered a high price in exchange for this Nine Dragon Pill.

Mr. Yang received them politely and expressed Qin Yu’s intention.

“Mr. Qin said that this Nine Dragon Pill isn’t for sale. If you want it, you can exchange it with hundred-year-old herbs,” Mr. Yang said politely.

When everyone heard this, they all felt a little awkward.

Hundred-year-old herbs weren't easy to come by, like cabbages by the roadside. Even for these rich people, it wasn't easy to obtain them.

Just like that, after two days, there were still people coming to ask for the pill every day, but no one took out the hundred-year-old herbs.

Three days later, Qin Yu still didn't wake up.

Mr. Yang glanced at Qin Yu's room and couldn't help but lament, "Mr. Qin has slept for five whole days, but he still hasn't waken up. Could he be dead?"

Thinking of this, Mr. Yang tiptoed into the room to check.

After confirming that Qin Yu was still alive, Mr. Yang was relieved.

At this moment, there was a knock on the door.

Mr. Yang quickly walked forward and opened the door.

As soon as the door was opened, he saw a young man in an expensive looking suit.

There were two bodyguards beside this young man.

"I heard that you have the Nine Dragon Pill?" The young man entered the door and said straightforwardly.

Mr. Yang said politely, "Yes, but you need to exchange it for hundred-year-old herbs."

The young man nodded. He stretched out his hand, and the bodyguard immediately handed over a box.

“This is a hundred-year-old ginseng. Is it okay to exchange it for the Nine Dragon Pill in your hand?” The young man asked.

Mr. Yang quickly said, “Of course, but I have to check it first.”

After saying that, Mr. Yang took the ginseng and carefully looked at it.

After a while, Mr. Yang frowned.

He raised his head to look at the young man and said, “This doesn’t seem to be a hundred-year-old ginseng. This seems to be an ordinary herb.”

Hearing this, the young man pretended to be shocked and said, “Impossible, I brought a hundred-year-old ginseng!”

Mr. Yang said helplessly, “You were scammed by someone.”

The young man sneered, pointed at the ginseng in Mr. Yang’s hand and said, “You secretly changed it. I brought the hundred-year-old ginseng!”

Mr. Yang’s expression changed, and he immediately understood!

This young man clearly wanted to snatch the ginseng away!

“Don’t talk nonsense.” Mr. Yang returned the ginseng to the young man.

However, the young man snorted. “It was clearly you who wanted to take the hundred-year-old ginseng, so you swapped the ginseng and used it to deceive Qin Yu. Then, you framed me!”

Mr. Yang was instantly livid with anger. He stood up and said, “How can you make things up?!”

The young man sneered. “Do you think will Qin Yu believe you or me? Let me tell you, I will get the Nine Dragon Pill!”

After saying that, the young man waved his hand, then the two bodyguards behind him immediately stepped forward and pressed Mr. Yang on the table!

Then, the bodyguard snatched the Nine Dragon Pill.

“Young Master.” The bodyguard handed the Nine Dragon Pill to the young man.

A proud smile appeared on the young man’s face. He put away the Nine Dragon Pill and then said with a nonchalant smile, “I will take this Nine Dragon Pill. As for how you explain it to Qin Yu, that’s your business.”

Mr. Yang gritted his teeth and said, “When Mr. Qin wakes up, he definitely won’t let you off the hook!”

The young man laughed loudly and said, “Won’t let me off the hook? Do you know who I am? I’m Jiang Yu of the Jiang Family! If he, Qin Yu, is smart, he wouldn’t offend me for this pill!”

After saying this, Jiang Yu turned around and left.

Mr. Yang's expression was somewhat ugly.

He had heard of the Jiang family before.

They were a blue-blood family in Chuzhou! They were many times more powerful than the Shen family was in the past!

Mr. Yang was at a loss.

At this moment, there was another knock on the door.

He opened the door and saw that it was Wei Ming.

Wei Ming cupped his hands to Mr. Yang and said, "Mr. Yang, where's Mr. Qin?"

Mr. Yang said dejectedly, "He's sleeping."

Wei Ming frowned and said, "Mr. Yang, why do you look so sickly?"

Mr. Yang forced a smile and immediately told Wei Ming what had happened.

"Jiang Yu?" Hearing this name, Wei Ming immediately frowned..

Chapter 165: Second Level of the Foundation Establishment Stage

A grave expression appeared on Wei Ming's face.

However, Mr. Yang was completely unaware. He still said angrily, "When Mr. Qin wakes up, he will definitely seek justice!"

However, Wei Ming shook his head. He looked at Mr. Yang with a grave expression and said, "It's best not to let him know about this matter."

Mr. Yang was stunned and asked with a puzzled expression, "Why... Why?"

Wei Ming said in a sullen voice, "The Jiang family is the most powerful family in the entire Chuzhou. Their power completely surpasses all the other families in Chuzhou. They basically rule over the area."

"If Mr. Qin were to know about it, do you think he would let it go just like that? If there is a conflict, he might end up dead!" Wei Ming looked at Mr. Yang and asked.

Mr. Yang's expression instantly turned a little ugly.

He knew that the Jiang family wasn't ordinary, but he didn't expect that even Wei Ming was so afraid.

"Then... then what should we do? The Nine Dragon Pill has been taken away by them. I... I can't explain it to him." Mr. Yang seemed to be at a loss.

Wei Ming sighed. He reached out and patted Mr. Yang's shoulder while saying, "Mr. Yang, if you don't want anything to happen to Qin Yu, you can take the blame yourself."

Although he didn't say it clearly, his intention was very obvious.

Then, Wei Ming didn't stay any longer and left quickly.

After he left, Mr. Yang sat there and fell into deep thought.

After a while, Mr. Yang let out a long sigh.

“I’ll listen to Young Master Wei,” Mr. Yang muttered in a low voice.

Time flew by, and Qin Yu still hadn’t woken up in the past few days.

There were still many people who came to ask for the pill every day, but they were all rejected by Mr. Yang.

Two days later, Qin Yu finally woke up from his sleep.

He stretched his body while feeling refreshed all over.

Then, Qin Yu clenched his fist tentatively. After feeling the abundant energy in his body, Qin Yu heaved a sigh of relief.

“My physical strength has finally completely recovered,” Qin Yu thought to himself.

Then, he pushed open the door and walked out.

It was noon. When Mr. Yang saw Qin Yu, he quickly walked forward and greeted him, “Mr. Qin, you’re awake.”

Qin Yu smiled and said, “Mr. Yang, how many days have I slept?”

Mr. Yang counted with his fingers and said, “Exactly a week.”

“That long?” This surprised Qin Yu.

Mr. Yang made a cup of tea for Qin Yu and said, “Yeah, I didn’t expect you to sleep for so long.”

After not eating or drinking for several days, Qin Yu also felt hungry and thirsty. So, after Qin Yu washed up, he took Mr. Yang out to a restaurant.

Qin Yu devoured the meal ravenously.

The meal lasted at least three hours.

After eating to his heart’s content, Qin Yu asked casually, “Mr. Yang, there were probably quite a number of people who came to look for me recently.”

Mr. Yang’s expression changed slightly. After a moment of silence, he said, “That’s right. Almost every day, people come to visit. Some people want the pill, and some people want to invite you to a banquet.”

Qin Yu smiled and said, “As I expected. Has the Nine Dragon Pill been sold?”

Mr. Yang looked a little embarrassed. He braced himself and said, “No... No.”

Qin Yu didn’t care. He smiled and said, “That’s normal. After all, hundred-year-old herbs aren’t that easy to find.”

“No... No.” Mr. Yang raised his head and looked at Qin Yu.

Qin Yu was stunned and said in surprise, “No? What do you mean?”

Mr. Yang said with his face flushed, “I ate the Nine Dragon Pill. I . . . I have been feeling very uncomfortable recently, so I ate it myself...”

At this point, Mr. Yang quickly stood up, bowed, and said, “Mr. Qin, I’ll buy this pill. Deduct it from my salary in the future!”

Qin Yu stared at Mr. Yang and didn’t say anything for a while.

The more he acted like this, the more nervous Mr. Yang felt.

“Mr. Yang, you’re being too polite when you say this.” Qin Yu shook his head.

“Since you’re not feeling well, I’ll give you the Nine Dragon Pill.” Qin Yu wiped his mouth and said with a smile.

Mr. Yang was stunned. He raised his head and looked at Qin Yu. He couldn’t help but feel touched.

“Mr. Qin, is what you said true?” Mr. Yang found it hard to believe.

That was the Nine Dragon Pill. Who knew how many aristocratic families were willing to spend a lot of money to buy it?!

But Qin Yu was actually willing to give it to him?

“Of course. It’s just a Nine Dragon Pill.” Qin Yu waved his hand.

“Thank you, Mr. Qin!” Mr. Yang quickly bowed respectfully.

Qin Yu smiled and said, “Well, it’s time to go back. After resting for so long, it’s time to get down to business.”

The two of them returned to the hotel, but Qin Yu felt that something wasn't right.

Because when Mr. Yang spoke, his eyes looked shifty, as if he was hiding something.

Of course, Qin Yu didn't think too much about it. He thought that it was because Mr. Yang felt guilty about it.

After returning to the hotel, Qin Yu looked at Mr. Yang and said, "Mr. Yang, I'm afraid that I'll be busy for a few days. No matter who comes to find me, I won't see them."

Mr. Yang bowed and said, "Yes, Mr. Qin."

Then, Qin Yu turned around and returned to his room before locking the door.

He took out the two stalks of Ganoderma.

One was a hundred years old, and the other was two hundred years old.

"With these two stalks of Ganoderma, I should be able to refine at least three Foundation Establishment Pills," Qin Yu thought to himself.

As for the exact number, it still depended on the method of refining the pill.

The more skillful the method, the more pills would be refined.

Qin Yu placed the two stalks of Ganoderma properly, then began to control the spiritual fire to refine the Foundation Establishment Pill.

After the last Chinese Medicine Conference, Qin Yu's control over the spiritual fire had obviously improved a lot.

With the support of the spiritual fire, Qin Yu only used one night to successfully refine the Foundation Establishment Pill.

The Foundation Establishment Pill was a basic pill, so the spiritual power consumption wasn't much.

In the early morning, a total of eight Foundation Establishment Pills appeared in front of Qin Yu.

"No wonder they are so shocked by the blue spiritual fire. Its effect is far beyond imagination." Qin Yu looked at the eight Foundation Establishment Pills in front of him and couldn't help but think to himself.

"Eight Foundation Establishment Pills can at least let me advance to the third level of the Foundation Establishment Stage." Qin Yu touched his chin and guessed.

Without thinking much about it, Qin Yu quickly swallowed the few pills.

Not long after, Qin Yu felt that his Dantian was filled with a huge amount of spiritual energy!

This spiritual energy was like a small stream, with the Dantian as the center, as it rushed towards the various acupoints in his body.

Qin Yu, guiding the flow of spiritual energy in his body, closed his eyes.

For an entire day, Qin Yu didn't leave the room.

These eight Foundation Establishment Pills were quickly digested in Qin Yu's body, but what was surprising was that Qin Yu didn't advance to the first level.

It wasn't until the last Foundation Establishment Pill was digested that Qin Yu felt that he was on the verge of breaking through to the second level of the Foundation Establishment Stage.

Waves of energy started to swirl around Qin Yu's body.

Qin Yu closed his eyes and began to advance to the second level of the Foundation Establishment Stage.

His body suddenly lit up with a faint golden light, and this light illuminated the entire room, as if it was daytime..

Chapter 166: Mr. Wu's Request

This ray of light was lingering around his body, and it was getting stronger and stronger.

Qin Yu was completely unaware of it. He only felt that his entire body was extremely hot, as if he was about to explode. Layers of sweat were seeping from his forehead!

“Buzz!”

An hour later, the surrounding golden light began to gather around Qin Yu!

All the light gathered on Qin Yu's body and finally fused with his skin.

Qin Yu suddenly opened his eyes!

He lowered his head and looked at his skin. For some reason, it seemed that the pores on his skin had become smaller.

Moreover... There was a faint dark golden color on his body.

“What's going on?” Qin Yu frowned slightly.

The Foundation Establishment Stage was the foundation of cultivation, and also the beginning of the true path of cultivation.

Rumor had it that everyone's potential would begin to appear at the Foundation Establishment Stage.

At this moment, Qin Yu had a strong feeling that his physical body had hardened immensely!

When he looked at the faint dark gold color, this feeling was even stronger.

Qin Yu stood up, grabbed the fruit knife beside him, and stabbed it into his arm fiercely!

“Clang!”

The sound of metal colliding instantly sounded!

On the other hand, Qin Yu's arm didn't even have a scratch on it. There was only a white mark left on it.

"My physical body... is indeed much stronger," Qin Yu thought to himself.

This made him excited. As long as his physical body was strong enough, his strength would naturally soar!

Otherwise, Cross-training Masters wouldn't be so powerful!

"With this body and the augmentation of the Saintly Body Technique, there's no telling how strong my body will be," Qin Yu thought to himself.

The only thing that made Qin Yu unhappy was that the eight Foundation Establishment Pills had only increased his level by one rank.

Normally, the eight Foundation Establishment Pills would help one advance by at least two ranks.

"If this goes on, I don't know how many herbs need to be consumed in the future." Qin Yu couldn't help but force a smile.

At this time, it was almost dawn, and Mr. Yang was sleeping. Therefore, Qin Yu quietly pushed open the door and left the hotel.

Qin Yu drove to a park nearby.

The park was full of trees. Qin Yu clenched his fist and suddenly smashed it into a big tree!

The big tree suddenly collapsed!

The surrounding old men who were doing morning exercises were all dumbfounded. How could such a thick tree suddenly collapse?

Qin Yu was a little embarrassed. He didn't dare to stay any longer and turned around to leave.

On the way back, Qin Yu whispered, "This is too ridiculous. I only used less than 10% of my strength..."

He didn't want to destroy public property, but he had too much power.

"I have to find an opportunity to compensate them," Qin Yu thought to himself.

On the way home, Qin Yu suddenly received a phone call.

He picked up the phone and saw that it was Mr. Wu calling.

Qin Yu frowned slightly.

Because of the previous conflict, Qin Yu didn't have a good impression of Mr. Wu.

But after thinking for a moment, Qin Yu picked up the phone.

"Mr. Wu, is there something you want to talk to me about?" Qin Yu asked directly.

On the other end, Mr. Wu smiled and said, "Qin Yu, you have been in the limelight recently."

Qin Yu said with a nonchalant smile, “Mr. Wu, don’t make fun of me. I’m just a good-for-nothing, so how can I be in the limelight?”

He obviously meant to mock Mr. Wu. On the other end, Mr. Wu laughed wryly and said, “Alright, are you still holding a grudge? I was in the wrong to look down on you, so I’m here to apologize to you.”

Qin Yu wasn’t an unreasonable person. Since Mr. Wu had said this, if Qin Yu didn’t forgive him, it would seem a little petty.

Therefore, Qin Yu smiled and said, “Mr. Wu, I was just joking with you. Did you call me for something? If you want to recruit me for the Military District, then there’s no need to say anything.”

Mr. Wu laughed loudly on the other end and said, “You’re really an exception. Other people go all out to become a high-ranking official, but you try to avoid it.”

Qin Yu smiled wryly. Once the authorities were involved, many things would become troublesome.

“Alright, let’s get back to the main topic,” Mr. Wu said seriously on the other end.

“I’m calling you this time because of a personal matter,” Mr. Wu said.

Qin Yu agreed. “Mr. Wu, if you have anything to say, just say it.”

Mr. Wu said, “My daughter hasn’t been resting well recently. She has nightmares every day. I didn’t take it seriously initially, but this

situation has been going on for an entire month. She is about to collapse.”

At this point, Mr. Wu paused and then said jokingly, “Originally, I looked for Zhou Tong, but because of you, Zhou Tong has already been arrested, so you have to be responsible for this matter.”

Qin Yu smiled and said, “Okay, when you have time, I’ll go over.”

“No problem!” Mr. Wu immediately agreed, “If it’s convenient for you, it’s best for you to come over tonight.”

“Okay, see you tonight.” Qin Yu agreed.

In the evening, Qin Yu drove to Mr. Wu’s house according to the address Mr. Wu gave him.

Mr. Wu didn’t live in a military complex. Instead, he bought a residential house in a relatively remote place.

Although the house wasn’t as luxurious as a villa, it was still quite nice. Not only that, but the surrounding scenery was also extremely beautiful.

The moment Qin Yu got out of the car, he frowned.

He sniffed around and muttered, “That’s not right. Normally, such a good environment should have rich spiritual energy, but... not only do I not feel any spiritual energy here, but it’s also barren.”

After Qin Yu parked the car, he walked straight into Mr. Wu’s house.

Mr. Wu had already prepared food. Although they were all home-cooked dishes, they were extremely sumptuous.

Mr. Wu even took out a bottle of good wine and waited for Qin Yu.

“Qin Yu, you’re finally here.” Mr. Wu said with a smile.

“Mr. Wu.” Qin Yu walked forward and greeted Mr. Wu.

Mr. Wu quickly pulled Qin Yu to sit down. Then, he poured a glass of wine for Qin Yu.

“Eat first. Let’s talk while eating!” Mr. Wu said with a smile.

Qin Yu didn’t stand on ceremony and immediately drank with Mr. Wu at the table.

After three glasses of wine, Mr. Wu’s face gradually became flushed.

He patted Qin Yu’s shoulder and lamented, “I was really blind back then. I almost missed out on someone so full of potential like you. Speaking of which, Miss Yan is quite sharp.”

Qin Yu was also puzzled about this.

Why did Yan Ruoxue, a lofty heiress, favor him so much?

To put it bluntly, even Qin Yu looked down on himself back then.

“Without Miss Yan, I wouldn’t be where I am today.” Qin Yu took a deep breath and said seriously.

All of Qin Yu's self-respect, confidence, and hope were given by Yan Ruoxue.

Before Yan Ruoxue appeared, Qin Yu's life was filled with darkness.

At this moment, a little girl who looked about sixteen to seventeen years old and with her hair in two pigtailed walked in.

As soon as she entered, she glared at Qin Yu and said, "Are you Qin Yu, the man who is dating Ruoxue?"

Chapter 167: Dual Cultivation Physique?

"Xiao Yu, what are you talking about?!" Mr. Wu scolded with a dark expression.

The girl called Xiao Yu didn't care at all. She ran to Qin Yu's side and looked left and right. Then she muttered, "There's nothing impressive about him. He looks ordinary and even a little old."

"Xiao Yu, don't talk nonsense. Greet him properly!" Mr. Wu hurriedly scolded.

Qin Yu was amused. He looked at Mr. Wu and said, "Mr. Wu, is this your daughter?"

Mr. Wu forced a smile and said, "Yes, my daughter has been spoiled by me. Qin Yu, please don't mind."

"It's okay." Qin Yu shook his head.

Then, Qin Yu looked at Xiao Yu and said, “From your words, you seem to be very familiar with Ruoxue?”

“Of course! Ruoxue treats me very well!” Xiao Yu said proudly.

Qin Yu nodded slightly. Since she was on good terms with Yan Ruoxue, Qin Yu would naturally treat her well.

“Alright, Xiao Yu, go back to your room first. I have something to talk to Qin Yu about.” Mr. Wu waved his hand and said.

After sending Xiao Yu away, Mr. Wu said in a sullen voice, “Back then, Xiao Yu’s mother passed away unexpectedly because of work. So, I have felt very guilty towards Xiao Yu all these years. This also caused her to be a little rebellious and spoiled. Sigh.”

Qin Yu nodded. A child who grew up in a single-parent family like this was pitiful.

“Come, let’s eat first.” Mr. Wu raised his wine glass.

The two of them drank two bottles of white wine. Mr. Wu had been in the Military District for many years, and his tolerance for alcohol was also very good. He drank a bottle of white wine, but although his face was a little flushed, he didn’t lose his composure.

After eating, Mr. Wu stood up and said, “Qin Yu, it’s getting late. Why don’t you go to Xiao Yu’s room to have a look first?”

Qin Yu shook his head and said, “I already know where the problem lies.”

“Oh really?” Mr. Wu was stunned and seemed to be a little surprised.

Qin Yu said, “Xiao Yu isn’t sick. She has been entangled by something foul, but I don’t know what exactly it is.”

Mr. Wu frowned and said in a sullen voice, “Others have said so, but I don’t believe in superstition at all. But since you have said so, I’m suspicious.”

Qin Yu smiled and said, “It’s normal. You’ve been in the Military District for many years, and you’re righteous. There won’t be any foul things around you, but that might not be the case for Xiao Yu.”

After saying that, Qin Yu stood up and walked into Xiao Yu’s room.

When he reached the door, Qin Yu said, “Mr. Wu, wait for me outside.”

“Okay.” Mr. Wu nodded.

After entering Xiao Yu’s room, Qin Yu restrained his internal qi and closed the door.

Xiao Yu was lying on the bed and playing with her phone. When she saw Qin Yu, Xiao Yu jumped up from the bed.

“What are you doing? Is it appropriate for an old man to run into a little girl’s room?” Xiao Yu rolled her eyes.

Qin Yu was amused. He said helplessly, “You have something foul on you. Do you know that?”

“Tsk.” Xiao Yu rolled her eyes.

“What era is this? You still believe in superstition? Aren’t you a little too lame?” Xiao Yu didn’t believe in Qin Yu at all.

Qin Yu said jokingly, “Then why do you have nightmares every night?”

“Having nightmares doesn’t mean anything. It only means that I’m too tired. I’ve been under too much pressure recently.” Xiao Yu pretended to be mature and sighed, but she looked rather funny to Qin Yu.

Qin Yu sat next to Xiao Yu and said, “There’s really something foul on you, and it’s very scary.”

“Tsk, then call it out and let me take a look. I’ll kill it with one punch!” Xiao Yu raised her little fist and said angrily.

Qin Yu was silent for a moment, and then said, “Do you really want to see it?”

“Yes, if you can call it out, I’ll look. And I have to look carefully!” Xiao Yu said seriously.

“Okay, don’t be afraid later,” Qin Yu said with a smile.

“Tsk, as if you’re speaking the truth,” Xiao Yu rolled her eyes.

Qin Yu knew some stuff about mystical art, so he could tell at a glance that Xiao Yu was filled with evil energy.

However, Qin Yu knew nothing about how to exorcise ghosts.

He could only rely on his own guess to test it out.

Then, Qin Yu raised his hand and put it on Xiao Yu's forehead.

"What are you doing?" Xiao Yu said with her eyes wide open.

Qin Yu said, "I'm going to help you exorcise the demon. Close your eyes."

"Tsk." Xiao Yu rolled her eyes at Qin Yu, but she still obediently closed her eyes.

Qin Yu could feel that there was a black gas on Xiao Yu's forehead. This was the source.

The moment he placed his palm on Xiao Yu's forehead, Qin Yu activated his spiritual energy and it surged towards Xiao Yu's forehead.

In an instant, Xiao Yu's forehead began to squirm slowly.

"It... it hurts!" Xiao Yu's expression turned ugly, and her little face scrunched up tightly.

Qin Yu, still channeling the spiritual energy in his body, remained silent.

At this moment, traces of blood suddenly appeared on Xiao Yu's forehead!

Then, a black shadow rushed out from between her brows!

The moment the black shadow appeared, it flew out of the window, as if it was trying to escape.

Qin Yu snorted. “Trying to escape?”

Qin Yu waved his hand, and a big blue hand instantly condensed in the air!

This big hand grabbed the black shadow and made it unable to move!

The black shadow instantly let out a shrill cry, and its voice was filled with fear, as well as menace. It sounded extremely horrifying!

“Ah! ! !”

When Xiao Yu saw this scene, she immediately let out a terrified roar!

Meanwhile, Mr. Wu, who was outside the door, hurriedly pushed the door open and entered!

“What’s going on?!” Mr. Wu shouted anxiously.

When he saw the black shadow in Qin Yu’s big hand, his expression suddenly changed!

“What... What is this?” Mr. Wu’s face was a bit pale as he asked.

Qin Yu said in a sullen voice, “I don’t know exactly what it is, but the dark energy on it... is really dense.”

The temperature in the entire room dropped by a few degrees!

Seeing the frightened expression on Xiao Yu’s face, Qin Yu wasn’t in the mood to joke with her.

Just as Qin Yu was about to crush the big hand, a light flashed in his mind!

Then, the pores on Qin Yu's body rapidly opened up, and this ball of black energy was actually absorbed into Qin Yu's body!

“What... What's going on?” Even Qin Yu himself was stunned!

This was clearly dark energy, which was a stark contrast to the spiritual energy that Qin Yu needed for cultivation. How could he possibly absorb this dark energy?

Most importantly, after absorbing this dark energy, Qin Yu could clearly feel that his strength had improved a little!

“Could it be that... I can cultivate both spiritual energy and dark energy at the same time?” Qin Yu suddenly thought of something, and immediately became ecstatic!

If that was really the case, then cultivating might be much easier for Qin Yu!

After the black energy was completely absorbed by Qin Yu, two black little bugs flew out.

“Parasites?” Qin Yu immediately frowned.

“Southwest parasites.” Qin Yu stretched out his hand and grabbed the two parasites.

Then, he handed these parasites to Xiao Yu..

Chapter 168: Xiao Yu Gets Teased

“Take it away quickly! Take it away quickly!”

Xiao Yu didn't have the guts to look at this parasite. She hurriedly covered her eyes and kept stepping back.

Qin Yu handed the parasite to Mr. Wu and said in a sullen voice, “Mr. Wu, this is probably a parasite from the southwest.”

Mr. Wu looked at the parasite in Qin Yu's hand with a serious expression and said in a sullen voice, “I didn't expect that two little worms would be so terrifying.”

Qin Yu smiled and said, “There are many experts in the southwest who use parasites for good purposes. This is no big deal.”

“I think you should think about whether you have offended anyone.” Qin Yu said seriously.

Mr. Wu forced a smile and said, “In my position, do you think it is possible not to offend anyone?”

This was the truth. To climb to this position, who knew how many people he stepped on?

Even Lu Shuming had countless enemies, let alone a leader of a military district?

Qin Yu's hands lit up with spiritual fire to burn these two parasites into ashes.

“There shouldn't be any problems in the future.” Qin Yu looked at the pale Xiao Yu.

This matter probably had a great impact on her.

“Mr. Wu, if you have time, spend more time with your child.” Qin Yu looked at Xiao Yu and said.

Mr. Wu nodded and said, “Okay, I will.”

“If there’s nothing else, I’ll take my leave first,” Qin Yu said to Mr. Wu and then left.

After returning to the hotel, Qin Yu didn’t sleep for a long time.

All he could think about was the mass of black energy that surged into his body.

Qin Yu looked down at his palm and muttered, “Can I really absorb dark energy?”

At this moment, Qin Yu had mixed feelings. He was both happy and worried.

What he was happy about was that apart from using spiritual energy, there was another way to cultivate.

What he was worried about was that people who used dark energy to cultivate were usually not good people. They didn’t have good endings.

“What a catch-22.” Qin Yu shook his head helplessly.

He didn’t continue to think about it. He would just take it one step at a time.

The next day, Qin Yu planned to go out for a walk and salvage some herbs along the way.

At this moment, Wei Ming called Qin Yu.

He smiled and said, “Mr. Qin, didn’t I promise to bring you to look for herbs last time? I wonder if you are free tonight?”

Qin Yu smiled and said, “Of course. I was just planning to go out.”

Wei Ming laughed and said, “Then I’ll see you tonight. I know the provincial capital like the back of my hand.”

“Okay, then I’ll have to trouble you.” Qin Yu agreed and then hung up the phone.

Since he had Wei Ming’s help, Qin Yu canceled his plans for today.

In the evening, Qin Yu’s cell phone rang again.

But what surprised Qin Yu was that this call was from Xiao Yu.

She said in surprise over the phone, “Qin Yu, I actually didn’t have a nightmare last night. How amazing!”

Qin Yu rolled his eyes and said, “Now you believe what I said?”

Xiao Yu said on the other end, “I really didn’t expect you to be so capable.”

“Alright, is there anything else? If there’s nothing else, I’m hanging up,” said Qin Yu.

“How dare you?!” Xiao Yu immediately shouted from the other end.

“Why don’t you act like a gentleman at all?” Xiao Yu said unhappily.

Qin Yu said somewhat helplessly, “Then what else do you have? Hurry up and say it.”

Xiao Yu said with a grin, “You’ve helped me a lot. I’ll treat you to a meal tonight as a way to repay you.”

“No need. It’s just a small matter. Besides, I have something to do tonight,” said Qin Yu.

Xiao Yu glared at him and said, “No way! I mustered up the courage to invite you, but you dare to refuse? Do you know how many people want to treat me to a meal?”

“Then you can go eat with them. I’m not free anyway,” Qin Yu rolled his eyes and said.

After saying that, Qin Yu was about to hang up the phone.

At this moment, Xiao Yu shouted from the other end, “If you don’t go, I’ll look for my dad and ask him to look for you!”

Qin Yu rubbed his head. These spoiled and pampered heiresses were really troublesome.

At the same time, this also made Qin Yu feel that someone like Yan Ruoxue was even more precious.

“Alright, don’t bother your dad. I’ll go with you. Alright?” Qin Yu said helplessly.

Xiao Yu was pleasantly surprised. “Then what are we going to eat? How about barbecue?”

Qin Yu didn't think about it and agreed, “Okay.”

Then, Qin Yu drove to Mr. Wu's house.

Xiao Yu had been waiting here for a long time and had specially dressed up. She wore a small t-shirt on her upper body and a pink short skirt underneath. She looked cute, yet slightly mature.

After seeing Qin Yu's car, Xiao Yu said with some surprise, “Hey, it's an Audi RS7, a high-performance car.”

“You know quite a lot,” Qin Yu rolled his eyes.

Xiao Yu snorted and said, “I know a lot of car enthusiasts. They know more than you do!”

That was the truth. Qin Yu didn't know anything about performance. He just needed it to run fast and be convenient.

After getting into the car, Xiao Yu said, “I know a barbecue stall that's very delicious. I'll take you there!”

Qin Yu had no objections because he didn't care anyway.

The car sped along and soon stopped in front of a relatively remote barbecue stall.

“This place looks unremarkable, but the taste is superb!” Xiao Yu said while drooling.

Qin Yu said jokingly, “Rich heiresses also eat roadside stalls?”

Xiao Yu sighed and said somewhat helplessly, “Usually, my father doesn’t let me eat it and saying that it’s dirty. Today, I finally found an opportunity.”

“Do you want to treat me to a meal, or use me as an excuse?” Qin Yu rolled his eyes.

“Half and half.” Xiao Yu waved her hand.

Then, the two of them found a seat and sat down. Xiao Yu was quite generous when she ordered the dishes, and she asked the owner to serve them one of each dish.

After the dishes were served, Xiao Yu kept stuffing food into her mouth. She didn’t look like a wealthy heiress at all.

A gentle breeze blew on them quite comfortably.

At this moment, a few men at the next table looked over with lecherous looks in their eyes.

Their eyes were fixed on the bottom of Xiao Yu’s skirt, and their faces were full of lust. Some of them even whistled.

“Be careful not to expose yourself,” Qin Yu reminded her.

Only then did Xiao Yu notice that her skirt was blown up by the wind from time to time.

She glared at the group of tattooed guys at the table next to them. She scolded, “Go home and look at your mothers instead. If you keep looking, I’ll dig out your eyeballs!”

The tattooed guys at the next table giggled and said, “Young lady, you have quite a temper.”

“Aren’t you dressed so sl*tty just for us to see?”

“Since you’re so sl*tty, can your boyfriend satisfy you? Do you need help from us?”

Chapter 169: Someone Is Bullying Me!

Qin Yu frowned when he heard the tattooed guy’s words.

Xiao Yu, who was at the side, cursed, “Are you a f * cking idiot? Go home and find your mom. Let your mom accompany you!”

The tattooed guys weren’t angry. They continued to laugh and said, “You’re so feisty. We like feisty girls!”

Then, they looked at Qin Yu and shouted, “Bro, it must be nice to bang such a beautiful girl every day, right?”

After saying that, they laughed again.

Xiao Yu was immediately angry. She grabbed the dishes on the table and threw them over!

“How have the guts you talk dirty?!” Xiao Yu said angrily.

The tattooed guys had soup splashed all over their bodies. Their expressions gradually became a little ugly.

“Little sl*t, you’re so shameless. Today, you’d better lick all the soup off my body!” A few people stood up and walked towards Xiao Yu coldly.

Although Xiao Yu was angry, she wasn’t stupid. Seeing these people stand up, she immediately ran behind Qin Yu and hid.

“Qin Yu, beat them up for me!” Xiao Yu said while glaring at them.

Qin Yu sat there without moving and continued to eat his skewers.

A few young men quickly walked to Qin Yu’s side. They sized up Qin Yu and said, “Kid, your girlfriend splashed soup all over us. What do you think we should do?”

Qin Yu glanced at them and said indifferently, “What do you guys want to do?”

Hearing Qin Yu’s words, they immediately felt that Qin Yu was a coward.

Therefore, they said with a nonchalant smile, “Let your girlfriend accompany us for one night, and we’ll forget about this matter. How about it?”

Qin Yu couldn’t help but shake his head.

He put down the skewers in his hand and said indifferently, “First, she’s not my girlfriend.”

“Second, if you don’t want to die, you’d better scam right now.”

Hearing that, the few of them immediately laughed loudly and said, “Kid, you sure talk big!”

Qin Yu sneered. “Bullsh*tting isn’t a good habit.”

The few of them said with dark expressions, “You’re courting death! Don’t be shameless. Bros, cripple him for me!”

After saying that, the few of them immediately rushed towards Qin Yu.

Qin Yu sat there. He didn’t even stand up. With a wave of his hand, the few of them were instantly sent flying!

A huge force sent them flying, and they even spat out a mouthful of blood!

“Serves you right! If you have the guts to spout nonsense again, I’ll tear your mouth apart!” Xiao Yu said while glaring at them.

A few youths got up from the ground. They pointed at Qin Yu’s nose and said, “Brat, just you wait. We are members of the Red Star Society! If you have the guts, don’t leave!”

“I haven’t finished my meal. Of course I won’t leave,” Qin Yu said indifferently.

These young men gritted their teeth and turned around to leave.

“What bullsh * t Red Star Society? I’ve never heard of it!” Xiao Yu said with a snort.

At this time, the owner of the restaurant suddenly walked over.

He advised, “Young man, you’d better leave quickly. This Red Star Society isn’t to be trifled with. They have dozens of people under their command. They run amok in this area. No one have the gutss to provoke them!”

“Run amok?” Qin Yu raised his eyebrows.

The owner sighed and said, “Yes, they always owe us money when they come to eat. They never pay us back. We get angry, but we don’t have the guts to speak up.”

Qin Yu frowned and said, “Then why do you still serve them food?”

The owner forced a smile and said, “I’m just a small business owner. If I can tolerate it, I’ll tolerate it. Who wants to cause trouble?”

“Are they that despicable? What era is this? They actually have the guts to oppress ordinary civilians?!” Before Qin Yu could finish, Xiao Yu was so angry that she lambasted them indignantly.

“Owner, don’t worry. I’ll get justice for you today!” Xiao Yu patted her own chest and said.

The owner forced a smile.

“You’re just a little girl. How can you do anything?” The owner forced a smile.

Qin Yu, who was at the side, smiled and said, “She might really be able to do something for you.”

The owner was stunned, and his face was immediately filled with confusion.

Meanwhile, Xiao Yu took out her phone and dialed a number.

After the call was connected, Xiao Yu said on the phone, “Mr. Guo, I was bullied at the Jade Dragon Street barbecue stall. The Red Star Society wants to take me away. Mwaah...”

Then, Xiao Yu continued, “Yes, bring more people. They have hundreds of people under them!”

On the other end, Mr. Guo was shocked.

Mr. Wu’s daughter was bullied by Society X? How could that be?

He immediately ordered, “Gather the second combat division. Go to Jade Dragon Street immediately!”

“Yes!”

...

At the barbecue stall, Xiao Yu said with a smile, “Don’t worry. The Red Star Society will be gone soon.”

The owner naturally wouldn’t believe it. The Red Star Society had been tyrannizing them for so long. How could it be eradicated by a little girl?

“You guys should leave quickly. If you don’t leave now, you might even implicate us. I won’t charge you for this meal. Just treat it as my treat, okay?” The owner pleaded.

Xiao Yu widened her eyes and said, “What are you talking about? I’m not one of those hooligans. How can I take advantage of you?!”

Qin Yu smiled and said, “I didn’t expect you to have such a strong sense of justice.”

“Of course! Everyone in our school calls me the incarnation of justice!” Xiao Yu said proudly.

Qin Yu sighed to himself.

How many small organizations like the Red Star Society were there?

Would those people who were bullied by them be lucky enough to meet someone like Xiao Yu?

Seeing that he couldn’t persuade them, the owner didn’t say anything more. He could only sigh at the side.

Qin Yu and Xiao Yu didn’t care and continued to eat the barbecue.

Soon, a few cars drove over from a short distance away!

The leader drove a Mercedes-Benz, and behind him, there were a bunch of luxury cars.

As soon as the car stopped, they saw a bald man wearing a gold necklace and playing with mala beads in his hand get down.

“Bro, it’s them!” The young men who had been beaten up hurriedly pointed in Qin Yu’s direction.

The bald man snorted, waved his hand, and said, “Go surround their table!”

“Yes!”

Dozens of underlings quickly swarmed over and surrounded Qin Yu’s table!

Xiao Yu couldn’t help but feel a little scared and hid behind Qin Yu.

Qin Yu, on the other hand, was calm and didn’t take these people seriously at all.

The bald man walked in front of Qin Yu. He played with the mala beads and said, “You are the one who beat up my buddy?”

Qin Yu didn’t even raise his head and said coldly, “If you don’t get lost, you will be the next one to be beaten up.”

The bald man’s expression immediately turned cold. He snorted and said, “You reckless little b*stard, cripple him for me!”

“Yes!” Dozens of people instantly grabbed their clubs and charged towards Qin Yu!

“Rumble...”

At this moment, a series of rumbling sounds suddenly came from a short distance away.

After turning around to look, they saw countless war chariots driving over!

Chapter 170: Qin Yu!

These chariots quickly swarmed forward and surrounded the entire barbecue stall!

Then, they saw Mr. Guo get down from the chariots. He looked around coldly and shouted, “Surround them! Don’t let even a fly out!”

“Yes!”

Countless soldiers shouted and their voices were deafening!

The bald man’s expression turned ashen with fright. He gulped and muttered, “What’s going on? It shouldn’t have anything to do with me, right?”

At this moment, Xiao Yu ran toward Mr. Guo.

“Mr. Guo!” Xiao Yu ran to Mr. Guo in a few steps.

When he saw Xiao Yu, Mr. Guo’s expression immediately softened.

He smiled and said, “Xiao Yu, is everything okay?”

“It’s fine. Fortunately, you guys came early. Otherwise, I would have been brought to mine coal by them!” Xiao Yu wrinkled her nose and said with a snort.

The bald man’s expression suddenly turned ashen.

What was he afraid of?!

Mr. Guo waved his hand and shouted, “Arrest them all!”

“Yes!”

Many soldiers immediately took out their guns and pointed them at the bald man and the others!

The bald man was so scared that his whole body was trembling and cold sweat was pouring down his back.

He braced himself and said, “Sir... sir, what... What’s going on? Is there some sort of mistake?”

Before Mr. Guo could say anything, Xiao Yu glared at him and said, “You’re bullying ordinary civilians. How dare you ask if there’s some sort of mistake? Do you have any shame? Let me tell you, I’ll arrest all of you and shoot all of you today!”

The bald man’s body suddenly went limp and he fell to the ground.

“I had no idea who you are. Sorry if I’ve offended you. Please forgive me...” the bald man begged for mercy desperately.

Xiao Yu snorted lightly and said, “Now you know to apologize? Why didn’t you think about other people’s feelings when you bullied them?”

Mr. Guo said coldly, “No need to say anything. Take all of them away and hand them over to the relevant departments. If there’s no problem, I’ll naturally let you go. If it’s really like what Xiao Yu said, then everything will be dealt with according to the law!”

With that, a group of soldiers stuffed the bald man and the others into the car.

The people watching the scene were all in shock.

What the h*ll was going on?

The owner of the barbecue stall couldn't help but swallow hard.

So this little girl wasn't lying?

“Qin Yu.”

At this time, Mr. Guo saw Qin Yu a short distance away.

He walked in front of Qin Yu and said with a smile, “Xiao Yu is with you?”

Qin Yu spread his hands and said, “She insisted on treating me to a meal, so I had no choice but to come.”

“Bah, you insisted on coming with me!” Xiao Yu said with her eyes widened.

Mr. Guo was amused. He waved his hand and said, “Then I won't disturb the two of you. But... Qin Yu, you have to take good care of Xiao Yu.”

“Don't worry.” Qin Yu nodded helplessly.

After Mr. Guo left, Qin Yu was basically full.

He patted his belly and said, “Let's go. I'll send you home.”

“This early? I still want to go out and play,” Xiao Yu said reluctantly.

“It’s so late, but you don’t want to go home? Be careful of foul things!” Qin Yu deliberately scared her.

Xiao Yu was so scared that her face turned pale. She waved her hand and said, “No, no, I want to go home.”

Qin Yu didn’t waste any time. He immediately drove Xiao Yu home.

Before he left, Xiao Yu leaned on the car window and said, “I’ll introduce you to a few friends some other day. You can compete to see whose car can run faster!”

“I’m not interested.” Qin Yu rolled his eyes.

These people who played with cars were all rich playboys. Qin Yu wasn’t like them at all.

Moreover, Qin Yu didn’t have so much free time.

After driving home, Qin Yu sent a message to Wei Ming. He said that he would go to look for herbs tomorrow night.

But plans could always change.

The next morning, Wei Ming called Qin Yu back.

He said apologetically on the phone, “Mr. Qin, I’m sorry. My dad is going to take me to a banquet tonight, so I’m afraid we’ll have to delay things for a day.”

Qin Yu smiled and said, "Okay, you can go ahead. I'm not in a hurry."

"Thank you," Wei Ming agreed.

Qin Yu didn't go out for the whole day.

All he could think about was cultivation.

"With my current strength, maybe I can try to set up a formation," Qin Yu thought to himself.

Just like the Water Dragon Cave, who knew how much spiritual energy a formation could gather?

Other than that, Qin Yu was also thinking about whether he should find a time to verify if he could rely on dark energy to cultivate.

Time flew by, and night soon fell.

In the evening, Qin Yu's phone rang again.

He picked up the phone and saw that the caller was Mr. Wu.

Qin Yu picked up the phone and said, "Mr. Wu, what's the matter?"

Mr. Wu smiled on the phone and said, "Do you have time? Come with me to a banquet tonight."

"A banquet?" Qin Yu frowned. "What banquet?"

Mr. Wu smiled and said, "Don't worry, it will definitely benefit you."

Since he said so, Qin Yu didn't say anything more and agreed.

After thinking about it, Qin Yu decided to bring Mr. Yang out to expand his network as well. After all, Mr. Yang was still the main factory owner.

Half an hour later, Mr. Wu sent a car to the entrance of the hotel.

After getting in the car, Qin Yu couldn't help but ask, "Mr. Wu, what kind of banquet are we going to?"

Mr. Wu said mysteriously, "You'll know when you get there. Anyway, all the important people in the provincial capital will be there. You've been in the limelight recently, and many people are curious about you."

"As expected." It was just as Qin Yu had guessed.

The car sped all the way and soon arrived at a hotel.

The entrance of the hotel was filled with luxury cars.

And this hotel was booked, so one needed an invitation letter to enter.

Qin Yu followed behind Mr. Wu and walked in. As soon as he entered, people around him walked up and greeted Mr. Wu.

Mr. Wu was helpless and could only say to Qin Yu, "Qin Yu, you can take a stroll first. I'll come and look for you later."

"Okay, you go ahead." Qin Yu nodded.

Then, Qin Yu and Mr. Yang strolled around the venue.

It had to be said that the scale of this gathering was indeed very large. The people who came here were all dressed to the nines and had an elegant aura.

“Recently, that person called Qin Yu has been in the limelight. I heard that this kid is not only powerful but also possesses blue spirit fire!”

“Yeah, I also watched the video. Qin Yu’s talent is indeed outstanding!”

Just after strolling around for a moment, Qin Yu heard someone talking about him.

This surprised Qin Yu a little.

“I really didn’t expect that I would be so famous now.” Qin Yu rubbed his nose and muttered.

“What bullsh * t Qin Yu? He’s just a coward. I snatched his pill, but he didn’t even dare to do anything about it!”

At this moment, a disdainful voice entered Qin Yu’s ears..

Chapter 171: Do You Take Me for a Fool?

Qin Yu looked over and saw that these words came from the mouth of an extremely well-dressed young man.

“Of course, you are Young Master Jiang.”

“No matter how capable Qin Yu is, he wouldn’t dare to go against the Jiang family.”

“Young Master Jiang, let me toast you with a cup of wine!”

Qin Yu shook his head and didn’t think too much about it.

After all, many young people liked to brag, not to mention that Qin Yu had never seen this “Young Master Jiang” before.

“Mr. Yang, let’s find a place to sit down.” Qin Yu looked at Mr. Yang and said with a smile.

Mr. Yang appeared somewhat ill at ease. He had never participated in such an occasion before, so he naturally couldn’t let loose.

The two of them found a relatively remote place to sit down. They drank the fine wine on the table while eating delicious food very happily.

At this moment, Wei Ming suddenly walked over from a short distance away.

When he saw Qin Yu, his expression was extremely awkward.

“Mr. ... Mr. Qin, why are you here?” Wei Ming said somewhat awkwardly.

Qin Yu smiled and said, “Mr. Wu brought me here. Perhaps he wants me to expand my network. What’s wrong?”

“No... nothing.” Wei Ming hurriedly shook his head.

Then, he simply sat next to Qin Yu.

“Mr. Qin, if there’s nothing else, I’ll take you to look for herbs now. Look at how boring this place is,” Wei Ming said with a sheepish smile.

Qin Yu touched his chin and said, “This place is indeed quite boring, but... it’s too impolite to leave just like that.”

Wei Ming wanted to say something, but was interrupted by Qin Yu with a wave of his hand. He said, “It’s okay. We’re not in a hurry anyway. We’ll go tomorrow.”

Seeing this, Wei Ming couldn’t say anything more and could only sit there uneasily.

Seeing Wei Ming’s attitude, Qin Yu was even more puzzled.

He said jokingly, “You seem to be anxious.”

“No... No, it’s just a little stuffy here,” Wei Ming said as he wiped the sweat off his forehead.

Qin Yu felt more and more suspicious, but he didn’t ask any more questions.

Soon, Mr. Wu came from a short distance away.

Seeing Mr. Wu, Wei Ming quickly got up and greeted, “Greetings, Mr. Wu.”

Mr. Wu nodded to Wei Ming and said, “Wei Ming, why don’t I see your dad?”

Wei Ming said, "My dad has something to do today, so he left first."

Mr. Wu then looked at Qin Yu and said, "Qin Yu, let's go. I'll bring you to meet someone."

"Okay." Qin Yu got up and was about to follow Mr. Wu.

At this time, Wei Ming suddenly shouted, "Mr. Wu! I have something to talk to you about."

Mr. Wu frowned slightly and said, "Just say what you have to say."

Wei Ming said awkwardly, "Mr. Wu, can we have some privacy?"

Although Mr. Wu was a little puzzled, he still followed Wei Ming to the side.

After walking far away, Wei Ming whispered, "Mr. Wu, you'd better hurry up and take Qin Yu away."

"Huh?" Mr. Wu was stunned. "Take Qin Yu away? Why?"

Wei Ming forced a smile and said, "If we don't leave now, Qin Yu and Jiang Yu might have a conflict."

"Jiang Yu?" Even Mr. Wu frowned when he heard this name.

"What's going on?" Mr. Wu asked hurriedly.

Wei Ming immediately told Mr. Wu what happened.

"You also know Qin Yu's character. Will he let it go?" Wei Ming said with a wry smile.

A grave expression flashed across Mr. Wu's face.

He couldn't help but recall the time when he went to see Qin Yu for treatment.

"You're right." Mr. Wu took a deep breath.

"This kid from the Jiang family is really going overboard!" Mr. Wu said coldly.

Even though that was the case, Mr. Wu couldn't do anything about it.

Hence, he turned around and walked back to Qin Yu's side.

"Qin Yu, I just received a call. There's something we need to do. Let's leave quickly," Mr. Wu said.

Qin Yu felt that something was wrong. He frowned and said, "Mr. Wu, why is it so sudden?"

"It's an emergency. I can't explain it to you right now." Mr. Wu pulled Qin Yu and was about to leave.

Unfortunately, it was too late.

A short distance away, Jiang Yu noticed Qin Yu's figure and walked over.

"Hey, isn't this Qin Yu?" Jiang Yu walked in front of Qin Yu in a few steps.

Seeing this young man, Qin Yu frowned slightly.

Wasn't this the kid who badmouthed him behind his back just now?
He actually took the initiative to run over and talk to him?

Shouldn't he avoid him?

"Young Master Jiang." Wei Ming greeted him with a sheepish smile.

Jiang Yu glanced at Wei Ming and sneered. "Wei Ming, I remember that you and Shen Tian were friends. Why did you ally yourself with Qin Yu?"

Wei Ming, not knowing what to do, smiled embarrassedly.

"Jiang Yu, let's talk about it another day. Qin Yu and I have something to do," Mr. Wu said in a sullen voice.

Jiang Yu smiled and said, "Mr. Wu, are you trying to protect Qin Yu? Isn't Qin Yu supposedly fearless? Why is he so cowardly?"

"Cowardly?" Qin Yu shook his head and said, "I haven't been cowardly for a long time."

"Hahaha!" Jiang Yu couldn't help but laugh out loud.

He pointed at Mr. Yang and said, "This old fart swallowed your herbs. Why are you still keeping him by your side?"

"Swallowed my herbs?" Qin Yu looked at Mr. Yang in confusion.

Mr. Yang's face was flushed and he couldn't say a word.

Jiang Yu sneered. "It seems that you still don't know. I used a hundred-year-old ginseng to be exchanged for your nine dragon pill,

but this old fart took the hundred-year-old ginseng for himself and sold it!”

“Shouldn’t you teach this kind of treacherous person a lesson?” Jiang Yu raised his eyebrows and said.

Mr. Yang’s face immediately flushed red. He shouted angrily, “You’re talking nonsense! It’s clearly...”

“Mr. Yang!” At this moment, Wei Ming suddenly interrupted Mr. Yang’s words.

Then, Wei Ming quickly walked to the middle of the two of them and said with a smile, “Young Master Jiang, don’t joke anymore.”

However, Qin Yu had already noticed that something was wrong. He frowned at Wei Ming and said, “What on earth is going on?”

Wei Ming braced himself and said, “Qin Yu, I’ll explain it to you when we get back.”

“What exactly is going on with that hundred-year-old ginseng?!” Qin Yu couldn’t help but feel a little angry.

This feeling of being kept in the dark was very uncomfortable. It reminded him of the three years he had been deceived by Su Yan.

Wei Ming didn’t know how to explain it. He looked extremely uneasy.

“Young Master Jiang is right. I took your ginseng. I sold it.” At this moment, Mr. Yang suddenly braced himself and said.

“Mr. Qin, please punish me.” Mr. Yang sighed.

“Hahaha!” When Jiang Yu saw this scene, he laughed even more happily.

“Qin Yu, what’s the point of keeping such a person? If it were me, I would definitely kill him as soon as possible!” Jiang Yu snorted.

Qin Yu looked at Mr. Yang, and a trace of anger appeared on his face.

A terrifying murderous aura lingered around his body.

“Hurry up and punish him. What are you dawdling for? Do you need my help?” Jiang Yu urged from the side.

“Noisy thing! Do you take me for a fool?”

At this moment, Qin Yu suddenly turned around and slapped Jiang Yu!

Chapter 172: Using a Herb to Exchange for Him

Qin Yu’s sudden move caught them all off guard!

However, just as Qin Yu was about to slap Jiang Yu’s face, a hand suddenly reached out and grabbed Qin Yu’s wrist.

After turning around, he saw Wei Ming holding Qin Yu tightly.

“Mr. Qin, don’t.” Wei Ming shook his head at Qin Yu.

“Qin Yu, calm down.” Even Mr. Wu advised him.

This made Qin Yu frown.

Their attitude clearly showed that Jiang Yu was of extraordinary status.

“You want to hit me?” Jiang Yu narrowed his eyes.

“You want to hit me? Do you know who I am?” Jiang Yu said coldly.

Qin Yu ignored Jiang Yu. He looked at Wei Ming and said, “What’s going on?”

Wei Ming pulled Qin Yu aside and said, “In short, I’ll give you the herbs. Don’t ask anymore, okay?”

“No.” Qin Yu broke free from Wei Ming’s restraints.

He turned to Mr. Yang and said, “Mr. Yang, tell me the truth. What exactly is going on?”

Mr. Yang seemed to be in a dilemma. He wanted to say it, but he felt that it was inappropriate.

Qin Yu took a deep breath and said, “I, Qin Yu, can bear all the consequences.”

At this moment, Jiang Yu laughed and said, “You want to know? Fine, let me tell you!”

“I like your Nine Dragon Pill. I forcefully exchanged your Nine Dragon Pill with an ordinary ginseng. Why? Is there a problem?” Jiang Yu said indifferently.

“As expected.” Qin Yu understood.

He looked at Wei Ming, then looked at Mr. Yang, and said in a somber voice, “Thank you for your good intentions, but the truth comes out eventually.”

Things had developed to this point, and it was far beyond Wei Ming’s control.

“Alright, Qin Yu, forget it.” Mr. Wu pulled Qin Yu’s arm.

Jiang Yu, who was at the side, sneered. “Did you see that? The people around you are all trying to stop you because they know very well what it means to offend the Jiang family.”

Qin Yu looked at Jiang Yu coldly and said, “What does it mean to offend you?”

Jiang Yu was stunned, then he frowned and said, “Are you provoking me?”

Qin Yu ignored this sentence and repeated, “Let me ask you, what does it mean to offend you?”

Jiang Yu seemed to be enraged. He said with a cold expression, “Offending me means offending the Jiang family. Offending the Jiang family means that you can’t survive in Chuzhou!”

“Qin Yu, forget it.” Mr. Wu shook his head.

Then, he looked at Jiang Yu and said, “Jiang Yu, stop talking.”

However, Jiang Yu didn't stop. He sneered and said, "Qin Yu, let me tell you. I'm already showing you respect by giving you an ordinary ginseng. If you know what's good for you, you should be grateful, understand?"

Qin Yu sneered again and again.

He pushed away Mr. Wu's hand, looked at Jiang Yu coldly and said, "Your arrogant attitude of looking down on everyone really makes me unhappy."

"Hehe, so what?" Jiang Yu raised his eyebrows and said.

Qin Yu took a deep breath and said, "If you return the Nine Dragon Pill now, I can let it go."

"Return the Nine Dragon Pill?" Jiang Yu raised his eyebrows and sneered. "I've already eaten it, so how can I return it? How about I sh*t it out for you?"

After saying that, Jiang Yu burst into laughter.

Qin Yu held back his anger and said, "Then ask your family to send a stalk of hundred-year-old herbs."

"Ask my family?" Jiang Yu narrowed his eyes and sneered. "It seems that you really don't know the Jiang Family!"

"Kid, let me tell you clearly. Even if I snatch this Nine Dragon Pill out in the open, you have to suck it up!" Jiang Yu shouted.

Following his angry roar, the two bodyguards beside Jiang Yu immediately took a step forward.

At the same time, intense qi energy burst out from their bodies!

“Inner Strength Past Master!” Wei Ming’s expression changed.

Jiang Yu said coldly, “You have already angered me. It’s best for you to disappear from my sight right now.”

“What if I don’t disappear?” Qin Yu said coldly.

Jiang Yu narrowed his eyes and said, “Then I’ll cripple you.”

The two bodyguards moved forward once again, and the terrifying qi energy approached Qin Yu!

Qin Yu was unfazed and said coldly, “With just the two of them?”

As soon as he finished speaking, Qin Yu waved his large hand, and the terrifying force sent the two bodyguards flying!

The crowd couldn’t help but exclaim in shock. Even Wei Ming and Mr. Wu couldn’t help but turn pale with fright!

To send two Inner Strength Past Masters flying with a wave of his hand, what kind of strength was that?

Jiang Yu raised his eyebrows and said, “You dare to hit my people?”

“Not only do I want to hit your people, but I also want to hit you,” Qin Yu said coldly.

As he spoke, Qin Yu took another step toward Jiang Yu.

However, Jiang Yu wasn't afraid at all. On the contrary, he was calm and collected.

"Stop scaring people. In Chuzhou, no one dares to touch me," Jiang Yu said indifferently.

"Is that so?" Qin Yu narrowed his eyes and was about to attack!

At this moment, Wei Ming hurriedly grabbed Qin Yu's arm.

He shook his head desperately and said, "Mr. Qin, calm down! You can't afford to offend Jiang Yu!"

"Qin Yu, you're not from the provincial capital. You don't know the power of the Jiang family," even Mr. Wu said in a somber voice.

"The Jiang family not only has many top-tier martial artists, but they have extremely powerful connections as well."

"If you beat him up, no one can save you!" Mr. Wu said in a somber voice.

"Yes, it's not too late to endure it for a while and take revenge later!" Wei Ming advised.

The internal qi on Qin Yu's body immediately weakened.

He stood there silently while thinking about something.

"Kid, did you hear that? Didn't you want to hit me? Why? Are you scared now?" Jiang Yu sneered.

He was used to getting his way in Chuzhou. In all these years, no one had ever challenged the Jiang family's authority.

Therefore, no matter who Jiang Yu faced, he wouldn't show any fear.

Qin Yu's internal qi had been completely restrained. Wei Ming and Mr. Wu also heaved a sigh of relief.

Just when the two of them thought that things had calmed down, Qin Yu suddenly gave Jiang Yu a hard slap in the face!

This slap sent Jiang Yu flying! It was unknown how many tables had been smashed before he finally stopped!

Qin Yu looked at Jiang Yu coldly and said, "Turns out the Jiang family is powerful, but unfortunately, bullying the weak and fearing the strong isn't reflective of my character."

"Qin Yu, you!" Mr. Wu and Wei Ming's expressions instantly turned extremely ugly!

As for the others around, their expressions were even more ashen!

There was actually someone who dared to hit a member of the Jiang family? Was he crazy?

Just as everyone was feeling shocked, Qin Yu walked towards Jiang Yu.

He grabbed Jiang Yu like he was holding a chick and strode out of the door.

When he walked to Mr. Wu's side, Qin Yu stopped and smiled. "Mr. Wu, please pass a message to the Jiang family and ask them to exchange a stalk of hundred-year-old herb for him.."

Chapter 173: Chuzhou Was Shaken

Qin Yu's actions stunned everyone!

Not only did he beat up Jiang Yu, but he also wanted to take Jiang Yu away?

There was actually such a gutsy person in Chuzhou?

The entire hotel was silent. Everyone was stunned on the spot.

They only reacted after Qin Yu had left!

"This... This can't be true..."

"Jiang Yu was actually taken away?"

"Qin Yu is too arrogant. I'm afraid the Jiang family will be furious this time!"

"Sigh, young people always do things without considering the consequences."

"Just wait and see. There will be drama."

As Qin Yu left, Mr. Wu stared at Qin Yu's back with mixed feelings inside.

Wei Ming's expression was also bitter. The development of the matter had far exceeded their imagination.

No one had expected Qin Yu to act in such a manner.

At this moment, Qin Yu had already stuffed Jiang Yu into the car and left.

On the way, Jiang Yu gritted his teeth and said, "Qin Yu, you are the most arrogant person I have ever met!"

Qin Yu ignored him and only focused on driving.

"Qin Yu, let me tell you, the Jiang family definitely won't let you off! The Jiang family will definitely tear you into pieces!" Jiang Yu shouted at the top of his lungs.

Qin Yu raised his hand and slapped Jiang Yu's mouth.

Jiang Yu's mouth was instantly split open from the slap, and it was dripping with blood.

"If you babble any more nonsense, I will break your mouth and make you unable to speak for the rest of your life," Qin Yu said coldly.

Jiang Yu felt as if a fishbone was stuck in his throat, and he didn't dare to say a word.

Because he believed that the madman in front of him would really keep his word!

The car sped all the way, and Qin Yu brought Jiang Yu to a cemetery in the suburbs.

It was extremely cold, desolate, and uninhabited here. There wasn't a single person within a radius of a few miles.

And after seeing the cemetery, Jiang Yu was frightened to the point of trembling!

“Qin... Qin Yu, don't kill me. My family will definitely exchange herbs for my life...” Jiang Yu said in terror.

Qin Yu raised his eyebrows and said, “If they don't come, I will bury you here.”

Jiang Yu's body trembled and he almost fainted.

A young master like him had never suffered such misery!

Qin Yu found a few ropes and tied Jiang Yu up, then ignored him.

The reason Qin Yu came to the cemetery was that he wanted to verify whether he could really rely on dark energy to cultivate his powers.

The surroundings were barren, and with the graves everywhere, the dark energy was naturally dense.

Qin Yu sat down cross-legged and tried to absorb the dark energy in the surroundings by absorbing spiritual energy.

The dark energy was like cold ice. It condensed around Qin Yu's body, and it was bone-piercing.

However, what surprised Qin Yu was that the dark energy actually went into Qin Yu's body!

However, very quickly, Qin Yu's expression changed slightly.

After the dark energy and spiritual energy collided in Qin Yu's body, a huge collision occurred.

In an instant, Qin Yu felt bursts of pain in his lower abdomen, and his entire Dantian seemed to be on the verge of bursting!

"It hurts so much..." Qin Yu clutched his stomach and wailed in pain on the ground.

The surrounding dark energy was still surging over, and as the dark energy accumulated, Qin Yu's pain became increasingly intense.

This pain was different from ordinary abdominal pain. It was extreme pain from ice and fire combined!

Qin Yu, trying to rely on his strong willpower to endure it, gritted his teeth.

However, the pain was too intense. Qin Yu couldn't withstand it in the end. He fell to the ground and fainted.

Endless dark energy was still surging over. With Qin Yu as the center, it slowly condensed. Finally, a layer of frost formed on Qin Yu's body.

"Don't... don't die! If you die, who will save me?!" Jiang Yu hurriedly shouted.

However, no matter how much he shouted, Qin Yu still didn't have the slightest reaction.

This made Jiang Yu feel extremely devastated. He looked at the gloomy environment around him and couldn't help but shiver.

At this moment, the provincial capital was already in an uproar.

It was the first time in history that Jiang Yu had been kidnapped.

The news spread throughout the entire provincial capital!

Almost everyone was discussing this matter.

“Qin Yu is too arrogant. He even dares to lay his hands on members of the Jiang Family!”

“That's normal. It's easy to get complacent when you're young.”

“Yeah. First, he crushed the Liu family, then he defeated the old Inner Strength Past Master Hong Wu, and now he's the president of the Chinese Medicine Association. How can he not be arrogant with such achievements?”

“It's a pity that he offended the wrong person this time.”

...

Hong Wu sat in the huge living room with a serious look on his face.

“Qin Yu is really gutsy.” Hong Wu took a deep breath.

“That's the Jiang family, the top dog in the provincial capital. For so many years, who has ever dared to provoke the Jiang family?”

The people around Hong Wu also nodded slightly and said, “Mr. Hong, we’d better draw a clear line with Qin Yu as soon as possible so that we won’t get into trouble.”

Hong Wu kept silent and sighed repeatedly.

At this moment, Mr. Wu brought a generous gift to the Jiang family.

The Jiang family was the top dog in Chuzhou, so their business was naturally huge.

And their huge manor provided for countless people.

These people trained day and night and were all martial artists.

Mr. Wu brought the gift all the way to the living room.

As soon as he entered, he saw Jiang Yu’s brother, Jiang Haoran, sitting there drinking tea.

A few businessmen stood in front of him, and it looked as if they were discussing a business deal.

Jiang Haoran was different from Jiang Yu. Jiang Yu was just a playboy, while Jiang Haoran was the future successor of the Jiang family.

Not only did Jiang Haoran have outstanding business acumen, but he was also a genius in martial arts.

Rumor had it that when he was eighteen years old, he had already advanced to the Inner Strength Past Master realm, and his current strength was even more impressive.

After seeing Mr. Wu, Jiang Haoran waved his hand to indicate for them to leave.

Jiang Haoran said politely, “Mr. Wu, why are you here?”

Seeing Jiang Haoran’s attitude, Mr. Wu couldn’t help but frown slightly.

Could it be that Jiang Haoran still didn’t know about Jiang Yu’s kidnapping?

“Haoran, where’s your father?” Mr. Wu asked.

Jiang Haoran smiled and said, “My father has been in seclusion for three years. Now, I’m in charge of the Jiang family.”

Mr. Wu heaved a sigh of relief.

He smiled and said, “Haoran, I came here today to talk to you about something.”

Jiang Haoran nodded and said, “If you have something to say, just say it.”

Mr. Wu was silent for a moment, then he told Jiang Haoran what had happened.

After Jiang Haoran heard it, his expression immediately turned cold.

“You said that my brother was kidnapped?” Jiang Haoran’s tone was a little cold.

Mr. Wu quickly explained, “This is actually just a misunderstanding. Why don’t I set up a meeting and let us resolve the misunderstanding?”

Jiang Haoran sighed slightly and said, “I know my brother’s temper. This good-for-nothing only knows how to cause trouble outside every day!”

Hearing this, Mr. Wu heaved a sigh of relief inside.

He smiled and said, “Jiang Yu is still young. Don’t blame him too much.”

Jiang Haoran nodded in response. Then, he looked at Mr. Wu and changed the topic, “Who kidnapped my brother?”

Mr. Wu’s expression changed slightly, and he thought to himself, this wasn’t good.

Jiang Haoran said indifferently, “Although my brother is mischievous, he represents the entire Jiang family!”

“If someone dares to touch a member of my Jiang family, that would be challenging the Jiang family’s status and dignity! What, does the Jiang family no longer have any deterrence in Chuzhou?”

Chapter 174: If There Are no Herbs, I Will Kill Him

A heavy look flashed across Mr. Wu’s face.

He didn’t expect that Jiang Haoran would be so unyielding.

“Haoran, Qin Yu, he...”

“Mr. Wu, there’s no need to say more.” Before Mr. Wu could finish his words, Jiang Haoran waved his hand and interrupted him.

“Qin Yu has been in the limelight recently and he’s getting too big for his britches. He even dares to provoke the Jiang family. I think it’s time to put him in his place,” Jiang Haoran snorted coldly.

Mr. Wu knew that there was no room for compromise. He could only nod and say, “I got it, Haoran. Send my regards to your father.”

After saying this, Mr. Wu turned around and left the Jiang family.

“Qin Yu is really a troublemaker.” Mr. Wu sat in the car and lit a cigarette.

He felt a little conflicted. Should he tell Yan Ruoxue about this matter?

But after thinking for a moment, Mr. Wu finally gave up on this idea.

With the Yan family’s capabilities, perhaps they had already been secretly observing every move.

...

At this moment, Qin Yu was lying on the ground and had already fainted many times.

Every time he woke up, he would be tormented by this intense pain until he fainted again.

The collision between the spiritual energy and dark energy in his Dantian still didn't have any momentum of stopping. Instead, it was getting more and more intense.

This also made the pain more unbearable.

Finally, Qin Yu began to adapt to the pain.

He relied on his strong willpower to grit his teeth and sit cross-legged on the ground.

“If this continues, my Dantian might be damaged.” Qin Yu wiped the sweat from his forehead.

Spiritual energy and dark energy both had no consciousness. It was impossible for them to stop on their own.

Therefore, Qin Yu had to guide the fusion of the two or coexist peacefully.

He sat cross-legged on the ground and endured the pain while starting to guide the two with his consciousness.

He originally wanted to fuse dark energy and spiritual energy, but every time they collided, Qin Yu felt a sharp pain in his abdomen and nearly fainted.

After trying eighteen times, Qin Yu gave up helplessly.

“If I can fuse them, I think my strength will probably advance by leaps and bounds.” Qin Yu took a deep breath and thought.

But unfortunately, Qin Yu could only think about it, because with his current abilities, he simply couldn't do it.

Helpless, Qin Yu began to try to let the two coexist peacefully.

He used his consciousness to guide the two, and placed them on one side of the Dantian.

However, this was also extremely difficult for Qin Yu.

The cold sweat on his forehead didn't stop dripping down, while his body was sometimes cold and sometimes hot.

Not far away, Jiang Yu was dumbfounded.

He had never seen such a cultivation method before!

The sky gradually brightened up, and the surrounding dark energy began to dissipate.

And at noon, Qin Yu finally opened his eyes.

'I've finally completed it. Cultivating both spiritual energy and dark energy at the same time might be criticized by others, but this is the fastest way for me to cultivate,' Qin Yu thought to himself.

Qin Yu wasn't from a rich family, so he didn't have any ready-made resources to enjoy.

Therefore, he could only resort to unorthodox methods.

"After experiencing torture during the night, my spiritual power seems to have increased." Qin Yu couldn't help but force a smile.

He tried to feel the internal qi in his body and found that he was on the brink of reaching the third level of the Foundation Establishment Stage.

“If I try again tonight, I might be able to break through to the third level of the Foundation Establishment Stage,” Qin Yu murmured.

The Foundation Establishment Stage was the most important part of cultivation. Usually, the talent of a cultivator would be revealed at this stage.

For example, Qin Yu’s blue spiritual fire, the hardness of his body, and the current dual cultivation of spiritual energy.

Qin Yu looked down at his phone and found that it was already twelve o’clock at noon.

However, the people from the Jiang family still didn’t come.

“It seems that your position in the Jiang family isn’t that high.” Qin Yu glanced at Jiang Yu and sneered.

Jiang Yu hurriedly said, “Impossible! My brother loves me very much. He will definitely come to save me!”

“Really? I hope so.” Qin Yu closed his eyes and no longer paid attention to Jiang Yu.

In the Jiang family’s home, Jiang Haoran packed up and prepared to go out.

“Eldest Young Master, I have already instructed eight great generals to go with you.” The Butler stood beside Jiang Haoran and said.

Jiang Haoran sneered and said, "There's no need. I, Jiang Haoran, will go personally. Even if he's the king, he has to obediently let him go."

The butler frowned and said, "Young Master, Qin Yu's thinking is different from ordinary people's. You should still..."

"No one dares to cross me," Jiang Haoran snorted lightly.

With that, he drove away from the Jiang family.

Half an hour later, Jiang Haoran finally arrived at his destination.

Looking at the surrounding environment, Jiang Haoran couldn't help but frown.

"This is really a good place to kill people," Jiang Haoran snorted coldly.

Then, Jiang Haoran walked in Qin Yu's direction.

The moment he saw Jiang Haoran, Jiang Yu immediately roared crazily.

"Haoran, Haoran, save me! This madman wants to kill me!" Jiang Yu shouted at the top of his lungs.

Jiang Haoran frowned. He raised his hand and a shadow instantly slapped Jiang Yu's face!

"Slap!" A crisp sound was heard, and Jiang Yu was instantly slapped out of his wits.

“Useless thing, the Jiang family has been thoroughly embarrassed by you!” Jiang Haoran berated coldly.

In the face of Jiang Haoran’s berating, Jiang Yu didn’t dare to say a word.

It could be seen that Jiang Haoran seemed to value the Jiang family’s honor very much.

“You’re Qin Yu?” Jiang Haoran looked at Qin Yu coldly and said.

Qin Yu nodded and said, “Young Master Jiang, have you brought the thing?”

Jiang Haoran sneered and said, “If I really give it to you, would you dare to take it?”

As soon as he said that, Jiang Haoran flicked his finger.

His Inner Strength was like a knife, and it instantly cut the rope on Jiang Yu’s body.

“Get over here! You coward!” Jiang Haoran said with a cold expression.

Jiang Yu frantically ran towards Jiang Haoran.

However, he had just taken half a step when he felt a huge force in his leg, and then he knelt on the ground with a plop!

When he saw this scene, Jiang Haoran’s expression instantly turned extremely cold!

“What do you mean by this?” Jiang Haoran said coldly.

Qin Yu said indifferently, “Young Master Jiang, have you forgotten something? You haven’t given me what I want yet.”

Jiang Haoran’s expression suddenly changed drastically!

He looked at Qin Yu coldly and said, “You actually dare to ask for it?”

“Do you think I’m joking with you?” Qin Yu said indifferently.

Jiang Haoran said coldly, “Even if it’s the king, no one dares to cross me, Jiang Haoran! Even if I don’t give it to you, what can you do about it?”

Qin Yu slowly opened his eyes.

He looked at Jiang Haoran and said coldly, “Without herbs, even if the king comes, I won’t show mercy.”

“How insolent! I won’t give it to you. I want to see what you dare to do!” Jiang Haoran snorted coldly.

“Oh really?” Qin Yu raised his eyebrows and then shook his head.
“Then I can only apologize in advance.”

“Haoran, don’t provoke him. This guy is crazy. He will do anything!”
Jiang Yu was instantly anxious.

However, Jiang Haoran snorted and said, “He’s just bluffing. Don’t be afraid. I don’t believe that he would dare to do anything to you.”

However, the next second, Jiang Haoran's expression suddenly changed!

Qin Yu flicked his finger, and a terrifying force shattered Jiang Yu's knee!

The intense pain instantly made Jiang Yu cry out in pain!

"If there are no herbs, I'll kill him," Qin Yu said coldly..

Chapter 175: Comparing Inheritance?

Jiang Haoran's pupils dilated as a terrifying murderous aura rose!

"Qin Yu, don't you dare!" Jiang Haoran glared at Qin Yu angrily and berated loudly.

Qin Yu sneered and said, "You can try and see if I dare."

Jiang Haoran was just about to speak when Jiang Yu shouted desperately, "I beg you, don't provoke him..."

Seeing Jiang Yu's miserable state, Jiang Haoran was furious again!

"No one dares to do this to the Jiang family." Jiang Haoran looked at Qin Yu coldly.

"Do you know the consequences of crossing the Jiang Family?"

Qin Yu said nonchalantly, "I live in the moment."

“Okay, okay!” A terrifying qi energy burst out from Jiang Haoran’s body! A faint light surrounded his body!

Qin Yu raised his eyebrows and was surprised to find that Jiang Haoran was a second stage Inner Strength Past Master like Hong Wu!

“What? Do you want to fight?” Qin Yu raised his eyebrows and asked.

“Don’t!” Jiang Haoran, his face full of fear, shouted desperately!

Jiang Haoran glared at Qin Yu hatefully.

But in the end, he didn’t make a move. After all, Jiang Yu was still in Qin Yu’s hands.

“Kid, let me tell you, even if you run to the ends of the earth, I will tear you into pieces!” Jiang Haoran said coldly.

After saying this, Jiang Haoran turned around and left.

“Oh right.” After taking a few steps, Jiang Haoran stopped.

“If my brother loses even half a hair, I won’t let you go.” Jiang Haoran snorted nonchalantly and got in the car.

Qin Yu’s expression was calm, and there was no sign of fear.

He sat cross-legged on the ground while waiting for Jiang Haoran to deliver the herbs.

After Jiang Haoran returned home, a group of people from the Jiang family quickly surrounded him.

“Eldest Young Master, where is the Second Young Master?” The butler asked anxiously.

Jiang Haoran’s expression was full of anger, and he didn’t say anything.

After he returned to the living room, he couldn’t help but say angrily, “Qin Yu is really too brazen! He doesn’t take the Jiang family seriously at all!”

The butler asked in confusion, “Eldest Young Master, what happened?”

Jiang Haoran waved his hand and said, “Don’t talk nonsense. Go and prepare a hundred-year-old ginseng immediately.”

The butler froze and frowned. “Eldest Young Master, if this matter is spread, the Jiang family’s reputation might...”

Jiang Haoran glanced at him and said coldly, “Then what about my brother? Is the Jiang family’s reputation more important than my brother’s life?”

The butler was speechless and could only order people to prepare.

Jiang Haoran took a deep breath and said with a vicious expression, “I will definitely cut Qin Yu into pieces!”

With the Jiang family’s abilities, it wasn’t a problem to prepare the herbs.

In just an hour, the butler brought back a hundred-year-old herb.

After taking the herb, Jiang Haoran turned around and left.

In the cemetery, Qin Yu sat cross-legged without any sense of fear.

Jiang Yu grimaced in pain and almost fainted many times.

“He’s coming.”

At this moment, Qin Yu’s eyes opened.

Then, he looked at the car a short distance away.

Soon, Jiang Haoran came to Qin Yu with the herbs.

“Here are the herbs. Let my brother go.” Jiang Haoran directly handed the herbs to Qin Yu.

Qin Yu sniffed hard. It was indeed a hundred-year-old ginseng.

“As expected of the Jiang family. You guys found a hundred-year-old ginseng so quickly.” Qin Yu sighed.

Jiang Haoran said coldly, “Cut the crap. You have what you want, so let him go quickly!”

Qin Yu glanced at Jiang Yu and said, “Go.”

When he heard this, Jiang Yu ran away.

However, his leg was injured, so he could only roll and crawl.

Seeing this, Jiang Haoran was instantly furious.

The dignified Young Master of the Jiang family was actually climbing on the ground like a dog!

“Trash, the Jiang family is completely disgraced by you!” Jiang Haoran said through gritted teeth.

Jiang Yu didn't dare to say anything. He could only keep his head lowered with a fearful expression.

“Get in the car!” Jiang Haoran scolded coldly.

After Jiang Yu got in the car, Qin Yu got up from the ground and was ready to leave.

However, Jiang Haoran took a step forward and blocked Qin Yu's way.

“What? You want to leave after taking the Jiang family's things?” Jiang Haoran sneered.

“The Jiang family's things? This ginseng was mine to begin with.” Qin Yu shook his head.

Jiang Haoran sneered and said, “Don't tell me a story. I don't want to hear it. All I know is that offending the Jiang family will only lead to death!”

As soon as he said that, a terrifying burst of qi energy burst out from Jiang Haoran's body!

His qi energy was comparable to Hong Wu's!

“Young Master Jiang, save your strength. You’re no match for me,”
Qin Yu shook his head and said.

Jiang Haoran laughed and said, “No match for you? Kid, do you think you are invincible after defeating Hong Wu?”

“You aren’t much stronger than Hong Wu. Besides, I’m not at the same level I was at that time,” Qin Yu said nonchalantly with his hands behind his back.

Just as Qin Yu said, when he fought with Hong Wu, Qin Yu was only at level one of the Foundation Establishment Stage.

But now, Qin Yu had reached the second level.

Although it was only one level above, Qin Yu’s strength had increased!

His potential had been further released, and his physical body was several times stronger than before!

Therefore, Qin Yu was fearless when facing Jiang Haoran.

This was why he was so confident.

Jiang Haoran sneered and said, “Qin Yu, do you know how powerful a prominent family is?”

Qin Yu shook his head and said, “I’m all ears.”

Jiang Haoran narrowed his eyes and said, “Do you know what the determining factor is when at the same level of strength? It’s the cultivation method!”

“The Jiang family has accumulated it for countless years, so our cultivation method inheritance is unparalleled. How can the puny Hong Wu be compared to us?”

When he heard this, Qin Yu couldn't help but want to laugh.

No matter how impressive the Jiang family's heritage was, how could it be more impressive than his father's?

How could a martial artist, no matter how impressive his heritage was, be compared to an immortal cultivator?

“Your so-called heritage isn't worth mentioning in front of me,” Qin Yu said with a nonchalant smile.

“Ignorant thing, I'll let you know right now what an innate gap is!” After Jiang Haoran roared angrily, his Inner Strength instantly burst out!

This Inner Strength lingered on his fist, and then it swung towards Qin Yu's chest fiercely!

But what surprised Jiang Haoran was that Qin Yu didn't have any intention of dodging, and he allowed Jiang Haoran's fist to smash towards his chest.

“Gotcha!” Jiang Haoran was instantly overjoyed!

Qin Yu would definitely die from this punch!

“Clang!”

After a loud sound, Jiang Haoran's expression changed drastically!

He only felt as if his fist had smashed into steel. Not only was it unable to injure him in the slightest, it even hurted!

Qin Yu lowered his head to look at his own chest and shook his head. “If this is all you have, you should save your strength..”

Chapter 176: One Heavy Blow!

Jiang Haoran, with disbelief written all over his face, lowered his head to look at his own fist!

Although after his father went into seclusion for the past few years, all of his attention was placed on business, and his strength had decreased, he was still a genuine Inner Strength Past Master!

In fact, Qin Yu was also a little surprised.

He knew that his physical body had become stronger, but he didn't expect it to be so hard.

“Is there anything else? If there's nothing else, I will leave now.” Qin Yu patted the soil on his clothes and turned around to leave.

How could Jiang Haoran give up just like that? He gritted his teeth and the energy in his body burst out again!

“Stop right there!” Jiang Haoran roared!

“Just now, I was just testing you. I've said before that the cultivation technique I have is enough to allow me to advance to the next level!”

After saying that, his strength began to rise rapidly! It seemed like he had used some kind of cultivation technique.

This stunned Qin Yu. He nodded and said, “Hmm, it seems pretty impressive.”

Although it was a compliment, to Jiang Haoran, it was undoubtedly an insult!

“You have the guts to look down on me? You’re courting death!”
Jiang Haoran suddenly threw out a ruthless punch towards Qin Yu!

“Saintly Body Technique!” Qin Yu muttered in a low voice. A faint layer of light immediately lit up around his body!

“Clang!”

Under this punch, Qin Yu still didn’t retaliate and endured it!

And he didn’t move at all!

“With the enhancement of the Saintly Body Technique, I wonder how strong my physical body will be.” Qin Yu looked at his own chest with excitement.

Jiang Haoran’s expression was ashen and his face was full of disbelief!

“How is this possible?! How is this possible?!” Jiang Haoran was astonished!

He seemed to have gone mad and started punching Qin Yu like crazy!

Qin Yu, however, closed his eyes with his hands behind his back and allowed Jiang Haoran to punch his body.

“Dang dang dang” sounds were incessant, and Qin Yu’s figure kept retreating.

However, Qin Yu’s physical body didn’t suffer the slightest bit of damage!

“Looks like the Jiang family’s inherited cultivation method is only so-so,” Qin Yu said with a cold smile.

Jiang Haoran panted heavily as he stared fixedly at Qin Yu.

Anger ignited in his chest, but as a levelheaded businessman, he quickly calmed down.

“You really made me look at you in a new light.” Jiang Haoran looked coldly at Qin Yu.

Qin Yu smiled and said, “It seems that you are going to use some kind of amazing martial art.”

Jiang Haoran sneered and said, “You guessed right, but unfortunately, there is no reward!”

After saying that, Jiang Haoran slowly raised his hands.

The Inner Strength in his body surged toward his fists at an extremely fast speed.

His fists condensed into the shape of a dragon head!

“This is a cultivation technique created by my grandfather. It’s called the Divine Dragon Fist,” Jiang Haoran said coldly.

“Back then, my grandfather used the Divine Dragon Fist to kill countless people!”

“Qin Yu, you should feel honored to die under the Divine Dragon Fist fist!”

As soon as he finished speaking, Jiang Haoran punched forward!

Two divine dragons appeared on his fists!

With the enhancement of internal qi, his strength was extremely powerful!

Even Qin Yu sensed the danger!

“Die!” Jiang Haoran roared crazily, as if he could already foresee Qin Yu’s death from the punch!

Qin Yu, who wasn’t far away, finally moved.

Light blue light surrounded his hands. His hands turned into claws as he grabbed forward!

“Boom!”

With a loud sound, Qin Yu’s hands grabbed the necks of the two divine dragons!

Then, Qin Yu’s fists flashed with light.

In the next second, the two divine dragons were crushed by Qin Yu!

“How... how is this possible?!” Jiang Haoran, his eyes full of fear, took two steps back!

Qin Yu said indifferently, “This move of mine was created by my father. It’s called the Dragon Capturing Hand. It seems to be a little more powerful than your Divine Dragon Fist.”

Jiang Haoran’s expression was a bit ugly.

How could Qin Yu have such a cultivation technique?

Could it be that his father was actually a martial artist?

Even Jiang Yu, who was in the car, widened his eyes.

Although he was weak, he knew the power of the Divine Dragon Fist!

That was one of the Jiang family’s trump cards!

“Jiang Haoran, I’m tired of playing with it. You can get lost now,” Qin Yu said coldly.

Jiang Haoran wouldn’t give up. He gritted his teeth and said, “Qin Yu, if I’m not mistaken, your bullsh * t Dragon Capturing Hand has exhausted your strength, right? Currently, you are just a lamb waiting to be slaughtered!”

Qin Yu couldn’t help but scratch his head and said, “Why do you people like to blind guess?”

“Hahaha! I must be right!” Jiang Haoran laughed loudly.

“Otherwise, why would you be in such a hurry to leave?”

Qin Yu frowned.

“Jiang Haoran, don’t be so stubborn. Are you only happy if I cripple you?” Qin Yu said with a cold expression.

Jiang Haoran still didn’t care. He sneered and said, “Your physical strength has been exhausted. How will you cripple me? With your mouth? Try it if you have the ability to!”

Qin Yu’s expression gradually turned cold.

“You are really a sore loser. Well then, I will satisfy you,” Qin Yu said coldly.

Qin Yu’s fist began to gather qi.

All the spiritual power in his body gathered on Qin Yu’s fist in an instant!

“Jiang Haoran, try this punch!” Qin Yu roared angrily, and his body suddenly disappeared in the next second!

“Quite putting on an act. You don’t scare me!” Jiang Haoran roared angrily, and actually met it head-on!

But the moment the two fists collided, Jiang Haoran regretted it.

He clearly felt that this punch would probably take his life!

“Bang!”

The two fists collided, and Qin Yu’s terrifying punch sent Jiang Haoran flying!!

Half of his arm was broken, and the gust of wind from the punch sent Jiang Haoran flying!

The unparalleled force of the punch was so strong that Jiang Haoran was bleeding from the corner of his mouth, and his chest caved in, as if his internal organs were about to be shattered!

Jiang Haoran laid on the ground. He wanted to get up, but he found that his whole body was in extreme pain!

“Just one punch... and I fell...” Jiang Haoran suddenly spat out a mouthful of blood, and then his vision went black as he fainted.

He was seriously injured from one punch!

Qin Yu glanced at Jiang Yu, who was trembling in the car, and then said, “Kid, hurry up and drag your brother back. If you guys go back too late, I’m afraid you won’t be able to save him.”

Jiang Yu’s expression was ugly. His leg bone was broken, so he drove the car to Jiang Haoran with great difficulty.

Qin Yu glanced at them and didn’t say anything. He turned around and left.

In the hotel, Mr. Wu, Wei Ming, and Mr. Yang were gathered together.

Their faces were full of worry, and Mr. Wu was hesitating whether to inform Yan Ruoxue or not.

“I just received news that Jiang Haoran went to look for Qin Yu,” Wei Ming said in a deep voice.

“With Jiang Haoran’s temper, he will never let Qin Yu off the hook.”

“Most importantly, Jiang Haoran is an Inner Strength Past Master, and his strength is above Hong Wu’s!”

Chapter 177: Resounded Throughout Chuzhou!

Mr. Wu’s expression became even more unsightly.

He had personally gone to look for Jiang Haoran, so he naturally knew Jiang Haoran’s attitude.

And several years ago, Jiang Haoran had already become a powerful figure in Chuzhou.

At that time, Qin Yu was still a nobody.

“This time, I’m afraid Qin Yu has really met with a tough opponent.” Mr. Wu sighed.

Just as everyone was worried, the door was suddenly opened.

Everyone turned around and saw Qin Yu carrying a box while walking in from the door.

“Why are all of you here?” Qin Yu said with a smile.

Seeing Qin Yu's relaxed expression, everyone couldn't help but be stunned.

"Qin Yu, you... are you okay?" Mr. Wu was the first to stand up and looked at Qin Yu with a face full of shock.

Qin Yu smiled and said, "What could have happened to me?"

Everyone was even more confused.

Could it be that... Qin Yu and Jiang Haoran had reconciled?

"Did Jiang Haoran not come to you?" Wei Ming frowned and said.

"Yes, he did." Qin Yu shook the herbs in his hand.

Then he smiled and said, "If he didn't come to me, where did I get this herb?"

Wei Ming immediately swallowed hard.

"You mean... this herb was given to you by Jiang Haoran?" Wei Ming said in a daze.

Qin Yu nodded and said, "This should have been mine to begin with. I just took it back."

"Jiang Haoran is actually that compromising?" Mr. Wu felt that it was somewhat unbelievable.

He clearly remembered that Jiang Haoran had said that he wouldn't let Qin Yu off the hook, so how could he have sent the herb?

“Mr. Wu, you are wrong.” At this moment, Qin Yu couldn’t help but shake his head.

“That rascal was too uncompromising. If I didn’t teach him a lesson, he wouldn’t have given the herb to me.” Qin Yu snorted coldly.

Teach him a lesson?

Upon hearing this, everyone gasped!

“What did you do to Jiang Haoran?” Mr. Wu asked anxiously.

Qin Yu glanced at Mr. Wu and said coldly, “He’s heavily injured. But with the Jiang family’s power, he won’t die.”

Mr. Wu’s expression instantly turned extremely ugly!

Wei Ming even sat down on the bed.

“You actually hit Jiang Haoran?” Mr. Wu grabbed Qin Yu’s arm tightly.

Qin Yu frowned and said, “He attacked first.”

Mr. Wu hurriedly took out his cell phone and made a call.

After he confirmed that Qin Yu wasn’t lying, Mr. Wu’s expression instantly turned pale!

“Qin Yu, leave Chuzhou immediately. I will arrange a place for you to go. Leave immediately!” Mr. Wu said anxiously.

“Leave? Leave for where? Why do I have to leave?” Qin Yu shook his head.

Mr. Wu said anxiously, “I don’t know how to explain it to you. In short, the Jiang family isn’t someone you can offend!”

“I’m not leaving.” Qin Yu refused without even thinking about it.

“Let’s not talk about whether I can leave or not. Even if I do, the Jiang family will shift their target to the people around me.” Qin Yu shook his head.

“I’ll take responsibility for what I’ve done.”

Mr. Wu said anxiously, “Now isn’t the time to tough things out! Listen to me and leave immediately!”

However, Qin Yu stubbornly refused to leave.

After the battle with Jiang Haoran, Qin Yu discovered something.

The strength of cultivation and martial arts were far from the same level.

Even though Qin Yu seemed to be on the level of a second-level Inner Strength Master Hands, he didn’t feel the slightest bit of pressure when facing an Inner Strength Past Master.

This meant that cultivation and martial arts were on completely different levels even at the same level.

Therefore, Qin Yu wasn’t afraid of the Jiang family at all.

“Mr. Wu, Wei Ming, thank you for your kindness, but you don’t have to worry,” said Qin Yu.

“If you are afraid of being implicated by me, you can cut ties with me as soon as possible,” said Qin Yu with a smile.

Mr. Wu said with a sullen expression, “Qin Yu, what are you saying?! Although I can’t do anything to the Jiang family, the Jiang family can’t do anything to me either!”

Qin Yu thought for a moment and nodded. “That’s true.”

Then, Qin Yu looked at Wei Ming.

“Wei Ming, you’re different from Mr. Wu. You’re a businessman with many scruples. If you leave now, I won’t blame you,” Qin Yu said with a smile.

Wei Ming’s expression was dark, and he had mixed feelings.

Just as Qin Yu said, if the Jiang family wanted to take revenge, those who were too close to Qin Yu would definitely be implicated.

However, Wei Ming was thinking of the big picture at this moment.

When he first met Qin Yu, Qin Yu was only slightly stronger than Liu Shihui.

However, in this short month, not only did Qin Yu defeat an Inner Strength Past Master, but he even defeated the Eldest Young Master of the Jiang family easily.

This rate of growth could only be described as terrifying!

If Qin Yu was given enough time, the Jiang family wouldn't even be worth mentioning!

"I'm not leaving." Wei Ming made a decision.

He looked at Qin Yu and said half-jokingly and half-seriously, "If you become rich in the future, I don't want to regret today's decision."

Qin Yu rolled his eyes and said, "Maybe I'll die tomorrow. Then you'll lose the bet."

"So you have to ensure that you stay alive." Wei Ming laughed, and Qin Yu also laughed.

"Then, according to the original plan, you will accompany me to look for herbs tonight," said Qin Yu.

Wei Ming nodded and said, "Okay, see you tonight."

On the other side, Jiang Haoran was sent back to the Jiang family.

His body was full of injuries. His ribs were broken, and even his internal organs were ruptured!

When he saw Jiang Haoran, who was covered in blood, the butler's expression was extremely cold!

"Mr. Zhong, save my brother!" Jiang Yu said anxiously.

Mr. Zhong took a deep breath and said, "Second Young Master, what happened? How did Eldest Young Master become like this?"

Jiang Yu gritted his teeth and said, "It was all Qin Yu's fault!"

"Qin Yu?" Mr. Zhong's expression changed slightly.

Qin Yu actually had such abilities?

"This matter must be kept a secret. It can't be spread." Mr. Zhong took a deep breath.

Once it was spread, the reputation of the Jiang family would be ruined.

Not only that, but the prestige that the Jiang family had established in Chuzhou for many years would probably collapse as well.

But the truth would eventually come out.

That afternoon, after Jiang Haoran was resuscitated, his life was finally saved.

Unfortunately, Jiang Haoran fell into a coma and became a vegetable.

Although the Jiang family tried their best to suppress the news, this matter still spread throughout Chuzhou.

For a moment, everyone was talking about this matter.

Qin Yu once again became a sensation!

His name was a household name in Chuzhou!

In the dark, Yan Jiang was sitting in a car with a confused expression.

Last time, at Yan Ruoxue's strong request, Yan Jiang was kept in Chuzhou by the Yan family and was in charge of secretly observing Qin Yu.

Therefore, he found out about this matter soon.

“Jiang Haoran was actually beaten into a vegetable by Qin Yu?” Yan Jiang was extremely bewildered.

How could this kid improve so quickly? Moreover.... Qin Yu looked unscathed!

Chapter 178: Stone Gambling

“Could it be that what Miss Yan said is true?” This time, even Yan Jiang had some doubts.

At this moment, Qin Yu was sitting cross-legged on the bed.

He acted as if no one was around and didn't care about the Jiang family at all.

“How should I use this dark energy?” Qin Yu tried to mobilize the dark energy in his body, but he found that he didn't know how to use it at all.

Even the inheritance left by his father didn't have any specific method to use dark energy.

“Looks like I can only rely on myself to figure it out,” Qin Yu thought to himself.

If he could combine dark energy and spiritual energy, Qin Yu's strength would definitely increase once more.

Unfortunately, Qin Yu had no knowledge of how to do so!

"I'm afraid I won't be able to think of a solution for a while." Qin Yu shook his head.

The sky quickly darkened. At seven o'clock in the evening, Wei Ming drove to the hotel.

"Mr. Qin, it's about time. We should set off," Wei Ming said to Qin Yu.

Qin Yu nodded, then got into Wei Ming's car.

Wei Ming brought Qin Yu to an extremely luxurious venue.

The venue looked extremely high-end, and admission tickets were required.

Qin Yu took a closer look and realized that the people guarding the entrance were actually two Inner Strength Master Hands.

"This venue is quite extraordinary." Qin Yu couldn't help but sigh.

Wei Ming nodded and said, "The owner of this venue is very mysterious. Rumor has it that he is a person with extraordinary power."

Qin Yu sighed slightly and said, "There are a lot of powerful low profile people in the provincial capital."

“Indeed.” Wei Ming nodded.

“Rumor has it that three years ago, there was a martial artist who taught the Jiang family a lesson. Since then, the Jiang family has kept a much lower profile,” Wei Ming explained.

“Oh?” This made Qin Yu somewhat surprised.

The Jiang family’s behavior was so high-profile, yet they were actually keeping a low profile? Then how brazen had they been in the past?

“Let’s go.” Wei Ming brought Qin Yu into the venue.

The moment they stepped into the venue, Qin Yu smelled rich herbal aroma.

Sure enough, this place was much better than Yunsheng Street.

Inside the venue, there were counters one after another, and the goods sold at each counter were different.

There were bright paintings, medicinal herbs, antiques, and most surprisingly, there were also those who sold medical skills.

For example, they would treat people’s health and then collect money according to their condition.

“Mr. Qin, although this place is high-end, you still need to determine whether something is real or fake by yourself,” Wei Ming reminded him.

Qin Yu nodded and said, “I understand.”

No matter how high-end a place was, it was full of swindlers.

It was nothing more than the difference between a low-level swindler and a high-level swindler.

“Qin Yu!”

At this moment, a familiar voice suddenly came from behind Qin Yu.

After turning around, he found that the person who came was actually Wei Jiang! Beside him, there was an old man in a white robe.

“Mr. Wei? Why are you here?” Qin Yu couldn't help but be a little surprised.

Wei Jiang laughed loudly and said, “I just had some free time recently, so I came out to play. As for you, you have been targeted by the Jiang family, but you still dare to come here so brazenly?”

Qin Yu forced a smile and said, “I didn't expect that even you knew about this matter.”

“Now, everyone in Chuzhou is talking about it. Qin Yu, the last time I saw you, you were just a nobody. I didn't expect you to become a famous person in Chuzhou now,” Wei Jiang said jokingly.

Qin Yu said helplessly, “Mr. Wei, please don't make fun of me.”

“Hahaha!” Wei Jiang couldn't help but laugh.

Since they had met, they would naturally stroll around together.

After a short conversation, he learned that Wei Jiang came here for stone gambling.

The wealthier the person, the more likely they were to gamble. Wei Jiang and Wei Ming were the same.

The reason Wei Ming knew about this venue was purely because of stone gambling.

“Rumor has it that there are many top-grade gems. If we’re lucky, it’s not impossible to make a fortune in one day.” Wei Jiang’s eyes lit up at the mention of stone gambling.

Wei Ming, on the other hand, scolded, “Don’t mention it. I’ve already lost several million here. I haven’t even earned a single cent.”

Wei Jiang laughed loudly and said, “Who isn’t like that? Because of this, I specially invited Mr. Qiu Feng. He’s a master in this field and also a good friend of mine. This time, let’s earn back all the losses!”

The old man called Qiu Feng nodded slightly as a greeting.

Wei Ming hurriedly nodded and said, “Then let’s not waste any more time. Let’s go now!”

Thus, the few of them walked towards the direction of the stone gambling venue.

This stone gambling venue was the distinguishing feature of this venue.

Rumor had it that the raw stones here all came from the southwest border.

At this moment, a large group of people gathered in the stone gambling venue. Their eyes were either burning with excitement or filled with dejection.

Qin Yu took a sweeping glance and was surprised to find that there were many martial artists here. Among them, there were three people that Qin Yu couldn't see through at all.

“It's a place full of low-key big shots.” Qin Yu couldn't help but sigh.

Wei Ming and Wei Jiang entered the venue early. They glanced at these stones with strong anticipation in their eyes.

“Mr. Qiu, please help me take a look.” Wei Jiang said politely.

Qiu Feng waved his hand and said, “You can choose by yourself. Let me take a look after you're done.”

“Okay!”

Wei Jiang and Wei Ming immediately felt invigorated. They chose from left to right and bought four to five raw stones.

“Mr. Qiu, these raw stones cost me more than three million. Please help me take a look,” Wei Jiang said excitedly.

Qiu Feng glanced at them and shook his head. “These are all trash. Wei Jiang, your taste is terrible.”

“What about me? Mr. Qiu, please help me take a look!” Wei Ming said anxiously.

Mr. Qiu looked at the raw stone in Wei Ming's hand. A moment later, he picked out the smallest one from the raw stone.

“This one should be high quality, but it won't make up for the cost,” Qiu Feng said.

Wei Jiang and Wei Ming didn't seem to be convinced.

Although they weren't experts in this field, they had played for many years and had some experience.

Therefore, they disregarded his remarks and immediately cut all the raw stones.

Unfortunately, everything was as Qiu Feng had expected.

Except for the one that Qiu Feng had his eyes on, the others were all useless.

“Mr. Qiu is quite sharp!” Wei Jiang and Wei Ming were thoroughly impressed!

Qiu Feng waved his hand and said, “With your judgement, I'm afraid you won't be able to pick any decent raw stones.”

“How about this, I'll pick. You guys pay and earn 50-50% . If you lose, you guys can deal with it yourselves,” Qiu Feng said.

“No problem!” Wei Ming and Wei Jiang agreed without thinking.

The few of them followed Qiu Feng and only used 40-50 minutes to earn more than two million.

This made Wei Ming and Wei Jiang even more impressed with Qiu Feng!

At this time, Qin Yu was also choosing.

He placed his hand on the raw stone and tried to feel it.

“This is it.” Qin Yu’s eyes lit up and he chose an extremely large raw stone.

Although Qin Yu didn’t know what was inside, he could clearly feel that there was a strong spiritual energy fluctuation inside..

Chapter 179: Precious Bronze Sword

This stone, weighing at least 500 lbs, was extremely huge. It was extremely eye-catching.

Qin Yu patted the stone and was about to speak when Wei Jiang ran forward and said, “Qin Yu, such a huge stone will cost a lot of money.”

Qin Yu smiled and said, “It’s fine, as long as something is inside.”

Seeing this, Wei Jiang suggested, “Let Mr. Qiu take a look for you.”

“Uh... There’s no need for that, right?” Qin Yu frowned and said.

He could feel the spiritual energy in the raw stone, so there was no need for Qiu Feng to take a look.

However, Qin Yu couldn't refuse Wei Jiang, so Qin Yu could only agree.

Then, Wei Jiang brought Qiu Feng to Qin Yu.

"Mr. Qiu, what do you think of this raw stone?" Wei Jiang asked.

Qiu Feng walked forward and walked around in front of the raw stone.

Then, he put his hand on the raw stone and started to fumble.

A few minutes later, Qiu Feng shook his head and said, "This is a piece of trash. I don't suggest you buy it."

"Qin Yu, do you hear me? Don't buy it," Wei Jiang said quickly.

Qin Yu said politely, "Mr. Qiu, I like this raw stone very much. I think there must be something I want inside."

Qiu Feng sneered. "You newbies don't know anything, yet still like to buy big ones. The merchants are scamming people like you!"

Qin Yu didn't mind. He smiled and didn't say anything back.

"Please help me cut this raw stone," Qin Yu shouted in the direction of the staff.

Soon, a man with a badge came to Qin Yu.

"Sir, the price of this raw stone is 32 million. Are you sure you want to cut it open?" The staff said.

“32 million?” Wei Jiang couldn’t help but change his expression.

He hurriedly said, “Qin Yu, I know you aren’t short of money now, but money shouldn’t be spent like this! Whether something comes out or not, it will be hard for you to earn it back!”

“Moreover, Mr. Qiu said that this is a piece of waste!”

Qin Yu stubbornly said, “Mr. Wei, don’t worry. I know what to do.”

“Kid, I advise you not to buy this raw stone.” Qiu Feng said with a cold expression.

Qin Yu apologized again, “Mr. Qiu, it’s not that I don’t believe you, but I really like this raw stone too much.”

Hearing this, Qiu Feng immediately scolded, “You just don’t trust me! Wei Jiang, if your friend is this stubborn, then don’t blame me for turning hostile!”

Qiu Feng’s reaction made Qin Yu frown.

Qiu Feng... seemed a little strange.

Even if Qin Yu didn’t believe him, he shouldn’t have such a big reaction. After all, he didn’t need to pay for this raw stone.

“Qin Yu, Mr. Qiu is also doing this for your own good. Don’t buy it!” Wei Jiang said anxiously.

Qin Yu didn’t pay attention to him. He quietly released his spiritual sense and covered Qiu Feng.

After a short moment of contact, Qin Yu's expression changed.

Qiu Feng... Seemed to have an extremely demonic internal qi.

This person was definitely not an ordinary person!

"Just cut this piece," Qin Yu said firmly.

Then, Qin Yu took out his bank card and handed it to the staff.

Qiu Feng's expression was a bit cold as he said coldly, "Kid, this raw stone will never turn green. It's not too late for you to give up now!"

Qin Yu raised his brows and said with a nonchalant smile, "Mr. Qiu, don't tell me you want this raw stone."

Qiu Feng's expression changed and he immediately scolded, "What nonsense are you talking about! Wei Jiang, is this your friend?"

Wei Jiang quickly apologized, "Mr. Qiu, I'm really sorry. Qin Yu... He's joking."

After saying that, Wei Jiang gave Qin Yu a look to tell him to keep quiet.

However, Qin Yu sneered and said, "Mr. Qiu, I want this raw stone."

Not long after, the staff came back.

He politely said to Qin Yu, "Sorry, the raw stone is too big. We need professional tools. Please wait a moment."

"No need." Qin Yu shook his head.

His fist condensed spiritual energy, and then he smashed the raw stone fiercely!

“Boom!” The raw stone was instantly shattered!

The people around looked dumbfounded.

He shattered a stone with one punch? Was this a movie?

“Who is this kid? He actually has such power?!”

“He seems to be Qin Yu!”

“Is he the Qin Yu who beat Young Master Jiang into a vegetable?”

At the mention of this name, the faces of the people around suddenly turned pale!

Afraid that they would be mistaken as Qin Yu’s companion, countless people hurriedly retreated to the side.

Qin Yu ignored them. He only stared at the raw stone coldly.

The raw stone shattered, bringing up waves of dust.

Everyone’s gaze was fixed on the raw stone.

As the dust slowly fell, they saw a green sword lying quietly in the ruins.

“There really is something!” Qin Yu’s eyes lit up. He hurriedly walked forward and grabbed the sword!

The moment he grabbed it, Qin Yu felt the spiritual energy in the sword resonate with the spiritual energy in his body!

At this moment, the sword seemed to have become Qin Yu's right-hand man!

A sense of familiarity rushed over!

"This definitely isn't an ordinary sword!" Qin Yu waved it to the side gently, and a loud crash immediately sounded!

The huge rock not far away was cut into two halves!

Most importantly, Qin Yu didn't activate his spiritual power at all! It was purely the power of this sword!

"It really is a treasure!" Qin Yu couldn't help but feel a little excited!

Meanwhile, Qiu Feng, who was far away, had a cold expression on his face, and a murderous look flashed in his eyes.

"What kind of sword is this? Does anyone want to appraise it?"

"It's probably an antique. Qin Yu is really lucky!"

"What's the use of being lucky? His days are numbered after offending the Jiang Family."

Even Wei Jiang and Wei Ming were dumbstruck.

"Qin Yu, I didn't expect you to know how to bet on stones!" Wei Jiang said with a stunned expression.

Qin Yu smiled and didn't say anything.

He put away the sword and said with a smile, "Mr. Qiu, it seems that what you said might not be right."

Qiu Feng snickered and said, "Although this sword isn't bad, it might not be a good thing for you."

Qin Yu said with a smile, "If someone wants to kill me to steal it, I will wait for him."

Qiu Feng snorted lightly and didn't say anything more.

Wei Jiang was confused. He frowned and said, "Qin Yu, what does he mean?"

Qin Yu glanced at Wei Jiang and said, "Mr. Wei, what is the relationship between Qiu Feng and you? Are you two really friends?"

Wei Jiang nodded and said, "Yes, we have known each other for many years. What's wrong?"

Qin Yu frowned and whispered, "That shouldn't be..."

"What's wrong?" Wei Jiang asked in puzzlement.

Qin Yu was silent for a moment, then said, "Mr. Wei, Qiu Feng wants to kill me."

Wei Jiang froze, then smiled and said, "Qin Yu, what are you talking about? Qiu Feng and I have known each other for many years, and he

wouldn't even dare to kill a chicken.. How could he want to kill you?"

Chapter 180: Making Money On the Spot

Qin Yu didn't know how to explain it, but he could clearly feel that Qiu Feng had a murderous intent towards him.

"Alright, you might have been too paranoid recently. Don't worry too much." Wei Jiang patted Qin Yu's shoulder.

Qin Yu nodded and didn't say anything.

Then, Qin Yu continued to choose raw stones in the venue.

However, after a few rounds, Qin Yu didn't find any stones that were worth buying, so he walked to the side.

Stone gambling was only a part of this venue. The venue didn't lack high-value rare herbs.

Qin Yu looked around and saw several herbs that had medicinal effects that could last several decades.

Unfortunately, these herbs were ridiculously expensive. Any one of them would cost tens of millions, or even hundreds of millions.

"How ridiculous." Even Qin Yu couldn't help but feel speechless.

No wonder the disciples of the prominent families were much more powerful than ordinary people.

The prominent families had sufficient resources, so they progressed very quickly.

And if they were powerful enough, they could earn even more money.

This was a vicious cycle.

“The poor can only depend on mutation to strike it rich. This isn’t just a saying.” Qin Yu forced a smile.

In a short while, Qin Yu spent almost all his money.

He was carrying four to five herbs dozens of years old in his hands, and he was penniless.

Just as Qin Yu was about to leave, he suddenly felt an extremely dense dark energy.

The moment this dark energy burst out, Qin Yu looked over.

Besides Qin Yu, Qiu Feng, who was a short distance away, also looked over at almost the same time.

Their eyes met.

A sharp gleam burst out from his eyes at the same time!

There was definitely something off with Qiu Feng!

Qin Yu strode towards the stall, where a stone statue was placed in front.

The dense dark energy came from the stone statue.

Qin Yu pointed at the stone statue and said, “Sir, how much is this?”

The owner didn’t even raise his head and said, “200 million, and no bargaining.”

“Sir, isn’t this price a little too high?” Qin Yu couldn’t help but frown.

If the stone statue was surrounded by spiritual energy, this price could still be understood.

If it was dark energy, the audience range would be very small.

Ordinary people avoided dark energy like the plague, so why would they pay a high price to buy it?

“It’s up to you whether you want it or not. This is my family’s heirloom. If it weren’t for an incident happening, I wouldn’t sell it no matter how much you offered,” the owner snickered.

“If you don’t have money, don’t blame other people for selling it at a high price.”

At this moment, Qiu Feng walked over from the side.

He stood beside Qin Yu and said indifferently, “Sir, I’ll pay 200 million.”

Qin Yu frowned slightly. He looked at the owner and said in a somber voice, “Sir, give me an hour. I’ll go get the money.”

“I don’t have time to wait for you!” The owner waved his hand without hesitation.

He looked at Qiu Feng and said, “After you pay the money, this thing will be yours.”

“No problem.” Qiu Feng smiled nonchalantly. He flipped his palm and a bank card fell into his hand.

Qin Yu hurriedly said, “I can pay 250 million. Keep this thing for me.”

No one could resist the temptation of money, and this owner was no exception.

After hearing Qin Yu’s words, he hurriedly withdrew his hand that he was about to pass to Qiu Feng.

“Is what you said true?” The owner’s eyes lit up and he said with some anticipation.

Qin Yu nodded and said, “Absolutely true.”

The owner had an idea and said, “I’ll only give you one hour. If you can’t get the money in an hour, I’ll sell this thing to this old man.”

“Okay.” Qin Yu nodded and agreed.

Qiu Feng’s expression was cold. He looked at Qin Yu icily and said, “This thing doesn’t seem to be of any benefit to you. It’s useless even if you want it.”

Qin Yu raised his eyebrows and sneered. “You’re quite shady. Tell me, who are you?”

Qiu Feng said coldly, “It doesn’t matter who I’m, but I’m warning you. If you ruin my big plan, I won’t let you off the hook!”

“Really? Then I’ll wait and see,” Qin Yu said coldly.

After saying this, Qin Yu turned his head and walked toward Wei Jiang and Wei Ming.

“The two of you, lend me some money. I’ll return it to you in a few days.” Qin Yu said with some difficulty.

“How much do you need?” Wei Ming asked.

Qin Yu stretched out three fingers and said, “300 million.”

Hearing this number, Wei Ming couldn’t help but stick out his tongue. Wei Jiang, who was beside him, also shook his head.

“Mr. Qin, do you think we’re all the same as you? 300 million is an astronomical figure.” Wei Ming rolled his eyes and said.

Wei Jiang nodded and said, “Even with all my savings added together, I don’t have three hundred million.”

This made Qin Yu a little embarrassed.

Qin Yu didn’t know when it started, but it seemed that he had no concept of money.

“Hehe, since you can’t get the money, the thing is mine.” Qiu Feng walked up from behind.

Qin Yu glanced at him and said indifferently, “This small amount of money can’t stop me.”

After saying that, Qin Yu walked straight to the center of the venue.

He scanned his surroundings and suddenly shouted, “From now on, I will sell my medical skills. As long as you give enough money, I will treat you three times. This time, there is no limit on time or place.”

His sonorous voice reached everyone’s ears.

There was immediately an uproar. Many people gathered around him.

Qin Yu sat cross-legged on the ground while quietly waiting for patients to come to him.

“Isn’t this Qin Yu? I heard that he’s the president of the Chinese Medicine Association.”

“That’s right, rumor has it that his medical skills are above Zhou Tong’s!”

“Last time, he refined a Nine Dragon Pill that can cure all diseases!”

With Qin Yu’s title as the President of the Chinese Medicine Association, everyone gathered around.

“Mr. Qin, can you help treat me? I’ve been feeling very weak recently and it has been going on for many years,” someone asked.

Qin Yu nodded and said, “Of course, as long as you are willing to pay.”

“Mr. Qin, my old mother has a cerebral infarction and has been lying in bed for several years. Please accompany me to see her.”

“Mr. Qin, I’m willing to pay for your Nine Dragon Pill. You can name the price.”

“Doctor Qin...”

Everyone’s enthusiasm continued to soar. To these rich people, their lives were more important than money.

Getting Qin Yu to treat them three times was equivalent to having three more lives guaranteed.

“Although Qin Yu’s medical skills are good, he has offended the Jiang family. How long do you think he can live? As if he has the chance to make house calls for you guys?”

At this moment, a voice suddenly sounded.

The person who spoke was Qiu Feng..

Chapter 181: Yan Ruoxue’s Text Message

After hearing Qiu Feng’s words, everyone at the venue was indeed much quieter.

The crowd that was still filled with excitement just now all took a step back.

This was enough to show the Jiang family's status in the provincial capital.

Even though there were so many wealthy people, none of them was willing to go against the Jiang family.

Qiu Feng looked at Qin Yu proudly and sneered. "Qin Yu, what other tricks do you have up your sleeve?"

Qin Yu frowned. He really couldn't think of any ideas.

He glanced at the crowd, but no one was willing to meet Qin Yu's eyes.

Qin Yu took a deep breath and frowned. "Do I have to give up like this, or... kill people to take the goods?"

Qin Yu never thought that he would be a person who killed people and took their goods.

"Well, the time is almost up." Qiu Feng looked at his watch.

Then he said proudly, "The thing belongs to me!"

After saying that, Qiu Feng strode towards the stone statue.

Qin Yu didn't say anything. He clenched his fists, as if he was unwilling to accept it.

At this moment, Qin Yu's phone suddenly rang.

He picked up the phone and saw a text message appear on the screen.

“Dear User, your last name is XXXX Card XX and your bank income is 500,000,000.00 yuan. Your balance is 500,001,234.10 yuan. The other party’s name is Yan XX.”

Qin Yu’s pupils dilated when he saw this text message!

This... This is the money that Yan Ruoxue transferred over?

Before Qin Yu could think about it, another unfamiliar text message came over:

The Jiang family will become your second test. Do your best, I’ll be waiting for you in Jingdu.

Excitement flashed across Qin Yu’s face. He had even forgotten about the stone statue.

Qin Yu hurriedly called back, but he found that the other party’s phone was already switched off.

This made Qin Yu’s heart skip a beat at this moment!

“Ruoxue...” Qin Yu held the phone and muttered softly.

Yan Ruoxue must have been secretly observing him!

This instantly filled Qin Yu with a sense of vigor!

Then, Qin Yu quickly walked to the front of the stone statue stall owner.

At this time, Qiu Feng’s hand had already reached for the stone statue.

Just when Qiu Feng was about to touch the stone statue, Qin Yu reached out and grabbed Qiu Feng's wrist.

Qiu Feng frowned at Qin Yu and said coldly, "Qin Yu, what do you want to do?"

Qin Yu ignored Qiu Feng and handed the bank card to the stall owner.

"Here's 250 million. I want it," Qin Yu said coldly.

Qiu Feng sneered. "Don't listen to his nonsense. He doesn't have any money in his card!"

The stall owner was also a bit suspicious.

He had just witnessed everything with his own eyes. Qin Yu obviously didn't earn a single cent.

"You'll know if it's there or not after you swipe it," Qin Yu reminded.

The stall owner nodded. He took the bank card suspiciously and tried to enter the amount.

"It's really in the account!" Not long after, the stall owner shouted excitedly!

Qin Yu took back the bank card and said indifferently, "According to the agreement, this stone statue belongs to me."

"Of course! Of course!" The vendor nodded repeatedly.

Qin Yu didn't stand on ceremony. He immediately put the stone statue into his pocket.

Qiu Feng's expression was extremely cold. He gritted his teeth and glared at Qin Yu as a terrifying murderous aura surged towards him!

Qin Yu frowned.

From the strength of this internal qi, Qiu Feng was at least an Inner Strength Past Master!

"You've ruined my plans time and time again. Brat, I'm going to kill you!" Qiu Feng's internal qi was getting stronger and stronger, as if he was going to make a move at any moment!

Qin Yu looked at Qiu Feng coldly and said, "You finally can't take it anymore. Go ahead and try!"

As he spoke, Qin Yu's internal qi suddenly soared!

The collision of the two internal qi immediately caused a breeze!

The crowd was impacted by the shockwaves from the collision of internal qi, and they retreated a couple of steps.

"Buzz"

At this moment, an extremely peaceful internal qi suddenly spread out!

This peaceful internal qi carried immense majesty, and it actually dissolved Qin Yu and Qiu Feng's internal qi!

“No one is allowed to make a move in the venue.” A voice came from all directions!

This made Qin Yu turn pale with terror!

“He actually suppressed my internal qi!” Qin Yu’s eyes scanned his surroundings!

What kind of person was the owner of this venue?!

His strength probably far exceeded Qin Yu’s imagination!

“Qin Yu, I’ll spare your life for now.” Qiu Feng’s eyes were ice-cold as he said.

With that, Qiu Feng turned around and left.

“Mr. Qiu!” Wei Jiang hurriedly shouted.

However, Qiu Feng didn’t even turn around and strode out of the venue.

“What... What’s going on?” Wei Jiang, who didn’t know what was going on, felt troubled.

Both of them were his friends, so how could Wei Jiang not feel conflicted?

Qin Yu took a deep breath. He glanced at Wei Jiang and said seriously, “Mr. Wei, are you sure Qiu Feng is your old friend?”

Wei Jiang nodded hard and said, "That's right. I've known him for almost twenty years. He has a gentle personality and a mild temper. He's never acted like he did today!"

"That means he's not Qiu Feng." Qin Yu had already guessed it.

"What do you mean?" Wei Jiang asked in puzzlement.

Qin Yu didn't explain, but said, "I'll send you back."

The few of them strode out of the venue.

The moment they came out of the venue, the suppressive power on Qin Yu's body vanished into thin air.

Qin Yu turned his head to look at the venue. He said in a low voice, "Formation Master?"

To be able to easily suppress a martial artist's inner strength and spiritual power, there was only one possibility.

That was that some kind of huge formation had been set up here!

"How surprising." Qin Yu sighed.

As he experienced more and more things, Qin Yu's understanding of the world was also quietly changing.

Many things that he had never come into contact with before began to appear in front of him bit by bit.

If he hadn't set foot on the path of cultivation, Qin Yu would probably never have known that there were so many amazing people in the world.

“Let’s go. I’ll send you back.” Qin Yu looked at Wei Jiang and Wei Ming.

Although the two of them felt a little baffled, they still nodded in agreement when they saw Qin Yu’s serious look.

Just as Qin Yu was about to leave, a woman suddenly ran out of the venue.

This woman was wearing sunglasses in the middle of the night, and her mouth was tightly wrapped by a scarf.

“Doctor Qin, may I ask if the three times you mentioned before still count?” The woman said in a low voice.

Qin Yu nodded and said, “As long as you pay, it will always count.”

The woman glanced around. After making sure that no one was around, she handed Qin Yu a cell phone number.

“Doctor Qin, please give me a call tomorrow. We can talk in detail then.”

After saying this, the woman ran away quickly.

Qin Yu held the cell phone number and forced a smile. “This woman is really cautious.. Is the Jiang family really that scary?”

Chapter 182: Chaotic Body?

Wei Jiang forced a smile and said. “The Jiang family’s power in Chuzhou is beyond your imagination.”

“That’s right.” Wei Ming also nodded.

“Jiang Haoran’s father had already dominated Chuzhou ten years ago, and they are a prominent family that has been established for many years.”

“Three years ago, Jiang Haoran’s father went into seclusion. Rumor had it that he wanted to break through to become an Inner Strength Grandmaster. Once he comes out of seclusion, Qin Yu, I’m afraid you will be in trouble.” Wei Ming said.

“Inner Strength Grandmaster...” Qin Yu muttered softly.

That was the same level as Yan Jiang.

With Qin Yu’s current strength, if he met Yan Jiang, he wouldn’t be able to fight back at all.

“Inner Strength Grandmasters are a little troublesome.” Qin Yu rubbed his forehead.

But since things had already come to this, Qin Yu had no way out.

Thinking of the text message from Yan Ruoxue, Qin Yu felt invigorated.

Then, Qin Yu drove Wei Jiang and Wei Ming home.

Halfway there, the surrounding temperature suddenly began to drop.

It was early autumn, but it felt like winter.

“It’s so cold.” Wei Jiang couldn’t help but shiver.

Even Wei Ming, a martial artist, felt a chill.

“What goes around comes around.” Qin Yu parked the car at the side.

He saw Qiu Feng standing in front.

He had his hands behind his back and his eyes closed. He looked no different from an ordinary old man.

However, the murderous aura on his body was immensely strong!

“As expected, he is waiting for me here.” Qin Yu narrowed his eyes.

“Mr. Qiu? Why is he here?” Wei Jiang couldn’t help but frown.

Qin Yu didn’t pay attention to him. Not only did he not brake, but he stepped on the accelerator and crashed into Qiu Feng!

Wei Jiang, who was in the car, immediately panicked. He said anxiously. “Qin Yu, what are you doing?! Stop the car quickly!”

However, Qin Yu was unfazed at all. The car sped towards Qiu Feng!

“Qin Yu, are you crazy?! Qiu Feng is my good friend. Are you going to kill him for this?!” Wei Jiang shouted anxiously!

Qin Yu ignored him. Finally, the car crashed towards Qiu Feng fiercely!

“Clang!”

The car came to an abrupt stop!

The huge collision even caused the airbag on the car to burst out!

Qin Yu saw Qiu Feng lifting his hand and pressing it on the front of the car!

The front of the car was flattened, but Qiu Feng was safe and sound!

“How... How is this possible?!” Wei Jiang ignored the pain on his forehead and looked at Qiu Feng in horror!

Qin Yu glanced at Wei Jiang and said coldly. “I said, this Qiu Feng is probably not the Qiu Feng you know.”

Wei Jiang wanted to say something, but was stopped by Qin Yu.

“You guys stay in the car. No matter what happens, don’t get out,” Qin Yu said.

At this time, Wei Ming also realized that something was wrong.

He hurriedly said. “Mr. Qin, I’ll get out with you.”

“No need.” Qin Yu waved his hand.

“With your strength, getting out of the car will only drag me down.”

Wei Ming was stunned, but then he couldn’t help but force a smile.

He didn’t know when it started, but he was no longer on the same level as Qin Yu.

After getting out of the car, Qin Yu looked at Qiu Feng.

“You must have been waiting for a long time.” Qin Yu looked at Qiu Feng quietly.

Qiu Feng put his hands behind his back and said indifferently. “Hand over the bronze sword and the stone statue, and I’ll spare your life.”

“Spare my life?” Qin Yu raised his eyebrows. “With this body?”

Shock flashed in Qiu Feng’s eyes, and then he laughed. “I really underestimated you. I didn’t expect you to be able to tell!”

“Tell me, who are you?” Qin Yu asked coldly.

“Also, where did the original Qiu Feng go?”

Qiu Feng squinted his eyes and said. “You’re just a man on the brink of death, so do I need to tell you?”

“Is that so?” Qin Yu’s expression turned cold, and an intense internal qi burst out from his body!

The surrounding sand and stones were instantly swept away, and even the surrounding trees shook!

However, Qiu Feng’s expression was calm, and he was unfazed at all.

“A mere Inner Strength Master Hands dares to cross me.” Qiu Feng said coldly.

“When I was making a living for myself, you were just a kid!”

As soon as he finished speaking, Qiu Feng grabbed towards Qin Yu!

His fingers were covered with black fog, and in an instant, his fingers became as tough as a dagger!

“Just in time for me to use you to test my body.” Qin Yu raised his fist and met it head-on!

“You’re too big for your britches!” Qiu Feng’s expression turned cold. His finger suddenly transformed into a palm and he grabbed Qin Yu’s fist!

Following that, black mist emanated from Qiu Feng’s palm. This black mist flowed along Qin Yu’s arm and seemed to spread throughout his entire body!

“Huh?” Qin Yu suddenly felt a chill all over his body! His body was unable to move at all!

Qiu Feng sneered. “Ignorant child, this is dark energy. It can suppress all inner strength! Once it is enveloped by the dark energy in my body, your inner strength will be crippled! At that time, you will become a cripple!”

“As I guessed!” Qin Yu’s expression turned cold.

“You’re from a certain sect in the southwest, right?” Qin Yu questioned coldly.

Qiu Feng laughed out loud. “You really know quite a lot! It’s a pity that you’re going to die soon!”

After saying that, the dark energy on Qiu Feng’s body surged and almost enveloped Qin Yu’s entire body!

“Go to h*ll!” A deranged look flashed across Qiu Feng’s eyes. The dark energy all over his body surged, as if it wanted to swallow Qin Yu’s body!

However, at this moment, the black energy that lingered around Qin Yu’s body started to disappear bit by bit!

Qiu Feng’s pupils dilated and he frowned. “What’s going on?”

Qiu Feng, who didn’t know what was going on, immediately released the dark energy again!

However, after the dark energy spread for a moment, it started to disappear again!

“Huh ?”

At this moment, Qiu Feng’s expression suddenly changed!

He was shocked to find that Qin Yu’s body was actively absorbing the dark energy!

“How is this possible?!” Qiu Feng’s expression changed drastically. He hurriedly released his hand and retreated backward!

The dark energy around Qin Yu slowly disappeared and was completely absorbed by Qin Yu’s body!

“Awesome!” Qin Yu opened his eyes and couldn’t help but let out a breath of relief!

Then, Qin Yu looked at Qiu Feng and sneered. “Thank you for your selfless gift. In order to express my gratitude, I will let you die a quick death.”

Qiu Feng’s expression was a bit ugly. He looked at Qin Yu coldly. “You actually rely on dark energy to cultivate? Who exactly are you?”

Qin Yu shook his head and sneered. “I can’t only rely on dark energy to cultivate, but I can also rely on spiritual energy and inner strength to cultivate. You didn’t expect that, did you?”

When he heard this, Qiu Feng’s expression changed drastically!

“You... you’re a chaotic body?” Qiu Feng shouted in shock!

“Chaotic body?” Qin Yu raised his eyebrows and asked in surprise. “What is that?”

Qiu Feng, his face full of shock, ignored Qin Yu and stared at him!

“Kid, if you can’t be used by me, I must kill you. Otherwise, no one will be able to stop you in the future!” Qiu Feng was brimming with dark energy, and his eyes were full of killing intent!

Qin Yu frowned and said. “You haven’t answered me. What is a chaotic body?”

“You don’t have the chance to know.. Go to H*ll and ask Satan!” Qiu Feng shouted crazily!

Chapter 183: Backlash!

Qiu Feng roared crazily, and the dark energy in his body was released in an instant!

The immense amount of dark energy caused the surrounding temperature to drop abruptly!

Even Qin Yu felt a chill!

Qiu Feng didn't stop. He urged the dark energy in his body with all his might, and then a black shadow condensed in mid-air!

This black shadow was extremely huge and looked like a skeleton. Traces of dangerous aura slowly spread out from the internal qi!

Qin Yu frowned. He didn't quite understand.

Qiu Feng clearly knew that he could absorb dark energy. Why did he still use dark energy to fight?

Wasn't he giving him nourishment?

"Hehe..." Qiu Feng opened his mouth and snickered.

"Qin Yu, this technique is inherited from the sect and has a history spanning several hundred years! Under this move, without a doubt, you will die!"

Layers of sweat appeared on Qiu Feng's forehead, and he seemed to be somewhat dispirited.

It was very obvious that this technique had exhausted him greatly.

“Qin Yu, prepare to die!” Very quickly, Qiu Feng clasped his hands together and activated the technique!

The huge skeleton that he condensed instantly arrived in front of Qin Yu!

It held a large saber in its hand and slashed at Qin Yu fiercely!

Qin Yu didn't dare to be negligent and hurriedly clenched his fist to defend himself!

However, what surprised Qin Yu was that this punch actually went straight through! It didn't even touch the skeleton!

In the next second, Qin Yu felt as if his abdomen had been struck by lightning!

“What's going on?” Qin Yu, a grave expression appearing on his face, hurriedly retreated.

Qiu Feng, who was a short distance away, sneered. “This thing isn't solid. Every move and stance will take away the internal qi in your body! Wait until I completely absorb your internal qi, then without a doubt, you will die!”

The huge skeleton swung its saber at Qin Yu again!

Its speed was so fast that it left afterimages!

Even Qin Yu couldn't dodge in time!

It penetrated Qin Yu's body in several consecutive moves.

And with each move, Qin Yu felt his internal qi weaken a little!

“If this continues, I will really die here today.” Qin Yu’s face flashed with seriousness.

He tried to use spiritual energy to resist, but unfortunately, spiritual energy was useless against the skeleton.

Because the dark energy in Qiu Feng’s body was too abundant, it was far from what Qin Yu could compare to!

“Swish swish swish”

The large saber was still brandished, forcing Qin Yu to retreat repeatedly!

In the car, Wei Jiang was trembling as he watched!

Was this still the Qiu Feng he knew?

“Wei Ming, what... what is that thing...” Wei Jiang said while trembling.

Wei Ming said in a sullen voice, “It’s a kind of technique from the southwest, but I don’t know exactly what it is.”

“Will anything happen to Qin Yu? If something happens to him, then I’ll be a sinner...” Wei Jiang’s expression was a little ugly.

If Yan Ruoxue were to blame him, then he would be screwed!

“Don’t worry.” Wei Ming shook his head.

“Mr. Qin will definitely be fine.”

After witnessing “miracles” time and time again, Wei Ming had more and more trust in Qin Yu.

Every time he thought that Qin Yu would die for sure, Qin Yu blew his mind.

Wei Ming believed that this time was no exception.

Qin Yu continued to dodge. He even used his spiritual fire, but he couldn't hurt the skeleton.

“Hehe, Qin Yu, under this technique, all your attacks are ineffective! I will slowly torture you to death!” A short distance away, Qiu Feng roared crazily!

Qin Yu didn't make a sound. His expression was calm as he dodged while thinking about something.

At this moment, Qin Yu's body suddenly stood still in spot.

Facing the skeleton's huge blade, he didn't move at all. Instead, he closed his eyes!

“Qin Yu isn't moving!” Wei Jiang, who was in the car, immediately panicked!

Even Wei Ming suddenly stood up and stared out of the window!

Could it be that... Qin Yu was really going to die here?

“Hehe, have you given up resisting?” Qiu Feng, who was a short distance away, sneered.

After he roared angrily, the skeleton swung its saber and fell down!

But what was surprising was that after this saber fell, it didn't swing its saber a second time!

“Huh? What's going on?” Qiu Feng's expression changed drastically!

The skeleton tried to pull out its saber many times but failed!

It was as if his saber was captured by Qin Yu!

Qin Yu's expression was cold and his eyes were closed.

The faint internal qi from before actually started to rise at this moment!

On the contrary, the skeleton's dark energy started to slowly disappear!

Qiu Feng's expression changed drastically! He suddenly felt as if the dark energy in his body was about to be absorbed!

“If you can absorb my internal qi, I can also absorb yours.” Qin Yu, the corners of his mouth curling into a sneer, raised his head.

“This kid actually wants to retaliate!” Qiu Feng's face instantly turned extremely pale!

The reason why this skeleton could reduce Qin Yu's internal qi was very simple. It absorbed Qin Yu's internal spiritual energy and dark energy!

Every time the blade fell, there would be a short pause.

And this pause was the process of absorbing Qin Yu's internal qi.

Unfortunately, Qin Yu took advantage of this gap and began to fight back!

The skeleton's internal qi was dissipating, and Qiu Feng, who was using this technique, felt that his strength was getting weaker!

"How is this possible?!" Qiu Feng panicked. He wanted to stop, but he realized that it was too late!

Qin Yu ravenously devoured the dark energy in Qiu Feng's body!

A huge amount of dark energy was sucked into Qin Yu's body along with the skeleton!

"Ah! !"

Qiu Feng's body began to twitch and curl, and a sharp pain came from his abdomen!

"This kid... how did he counter this technique..." Beads of sweat dripped down Qiu Feng's forehead!

No one had ever been able to counter this technique!

"If this continues, I will definitely die here!" Qiu Feng was flustered and extremely anxious!

“Looks like I can only give up this body.” Qiu Feng’s mind raced.

He had already used this body for a long time. Relying on Qiu Feng’s position in Chuzhou, he had absorbed an unknown amount of dark energy!

Now, he was naturally unwilling to give up!

“Brat, just you wait. I will definitely take revenge!”

In the next second, Qiu Feng suddenly collapsed to the ground.

Black shadows floated out of his body and disappeared into the horizon.

The skeleton in front of Qin Yu also quickly disappeared.

Qin Yu opened his eyes and looked at Qiu Feng. He frowned and said, “It’s as I expected. It’s a pity that he escaped.”

As he looked at Qiu Feng, Qin Yu’s expression was calm.

Then, he said with a smile, “But this is enough. Such a huge amount of dark energy is probably enough to support me to advance to the third level of the Foundation Establishment Stage..”

Chapter 184: I Don’ t Want to Be a Slave

He never thought that there would be an unexpected harvest.

It would be a lie to say that he wasn’t excited.

And at this moment, Qin Yu was no longer ambivalent about the dark energy.

After this period of time, Qin Yu slowly understood that the resources of the various great clans were far from what an ordinary person like Qin Yu could compare to.

Therefore, if ordinary people wanted to be on par with the descendants of those great clans, they could only resort to unscrupulous means.

So what if it was dark energy? As long as it could increase his strength, he wouldn't reject it.

After that, Qin Yu walked towards Qiu Feng.

He checked Qiu Feng's breathing and found that he was still alive, but his internal qi was extremely weak.

Qin Yu shook his head helplessly. He could only inject a wisp of spiritual energy into him to temporarily save his life.

Qin Yu carried Qiu Feng and returned to the car.

At this time, when Wei Jiang saw Qiu Feng, he tremble all over. He even moved to the side.

"Qin Yu, Qiu Feng... What's going on..." Wei Jiang asked with trembling lips.

Qin Yu waved his hand and said, "The Qiu Feng just now wasn't the real him."

“What about now?” Wei Jiang asked.

Qin Yu smiled and said, “The current one is your good friend, Mr. Qiu. Remember to take him to the hospital.”

Wei Jiang had never heard of such a thing before, so he was confused.

“I’ll send you home.” Qin Yu didn’t explain to Wei Jiang anymore. He immediately drove to Wei Jiang’s home.

After sending Wei Jiang off, Qin Yu sent Wei Ming home.

“Mr. Qin, I can go back by myself,” Wei Ming said politely.

Qin Yu shook his head and said, “No need. I just have something to ask you.”

Wei Ming quickly asked, “Mr. Qin, if you have anything to say, just say it.”

After experiencing these few incidents, Wei Ming admired Qin Yu so much that he was practically Qin Yu’s fan.

Qin Yu said in a sullen voice, “Do you know what a chaotic body is?”

“Chaotic body?” Wei Ming froze, then he shook his head and said, “I’m sorry, Mr. Qin, I’ve never heard of this term.”

Qin Yu fell into silence.

It seemed that this so-called chaotic body wasn’t something that ordinary martial artists knew about.

“If there’s a chance, I have to go to the southwest and ask about it clearly,” Qin Yu whispered.

The car soon arrived at the door of Wei Ming’s home.

As soon as they reached the door, they saw a middle-aged man standing at the door.

This middle-aged man was none other than Wei Ming’s father, Wei Tao.

“Dad, why are you here?” Wei Ming asked in surprise after getting out of the car.

However, Wei Tao said with a dark expression, “Come here!”

His attitude stunned Wei Ming.

“Dad, what’s wrong?” Wei Ming asked in confusion.

Wei Tao didn’t say anything.

He walked directly to Qin Yu and said with a cold expression, “You are Qin Yu?”

Qin Yu said politely, “Greetings, Mr. Wei.”

Wei Tao hurriedly waved his hand and said, “Don’t greet me. The Wei family can’t afford to offend you!”

“Dad, what are you talking about?!” Wei Ming immediately became anxious.

“Shut up!” Wei Tao immediately shouted!

Qin Yu frowned slightly and had a vague hunch.

As expected, in the next second, Wei Tao walked in front of Qin Yu.

“Despite your young age, you recklessly and cockily cause trouble wherever you go. You’re too big for your britches!” Wei Tao scolded.

“How can an ordinary person like you offend the Jiang Family? Do you have any idea what a hierarchy is?” Wei Tao said with a cold expression.

When he heard this term, Qin Yu’s expression slowly turned cold.

“Mr. Wei, are you lecturing me?” Qin Yu said coldly.

“Mr. Qin, my father didn’t mean that!” Wei Ming hurriedly tried to smooth things over.

Wei Tao was unmoved. He snorted coldly and said, “Let me tell you one thing. In this era, personal ability isn’t the most important thing. I have seen many geniuses. In the end, they only end up working for the big families.”

“Being too arrogant isn’t a good thing!”

Qin Yu narrowed his eyes and said, “Mr. Wei, it is because of this sort of belief that those big families think they can do whatever they want.”

“I am different from you. In my eyes, anyone should have the right and courage to question and resist injustice.”

“I don’t want to be a slave for the rest of my life.”

After listening to Qin Yu’s words, Wei Tao sneered again and again.

“There is only one final result for a thought like yours.”

“That is to die young.”

Qin Yu still wanted to say something, but Wei Tao waved his hand to stop him. “Qin Yu, please don’t interact with Wei Ming in the future.”

“Dad, what are you talking about?!” Wei Ming’s expression was instantly filled with anxiety.

Qin Yu smiled and nodded. “Okay, I got it.”

After saying this, Qin Yu turned around and left.

Not long after, Wei Ming called.

He repeatedly apologized over the phone. “Mr. Qin, I’m really sorry. My dad didn’t mean that. You...”

“No need to explain. I won’t hold it against you,” Qin Yu interrupted Wei Ming.

“Your dad is doing this for your own good. Just stay at home for the next few days.”

After saying that, Qin Yu hung up the phone.

Qin Yu wasn't surprised by Wei Tao's attitude.

With his age and status, every step he took was like treading on thin ice.

The slightest carelessness would lead to eternal damnation.

Therefore, Qin Yu could completely understand.

Only when a person had no ties of fetters could he be fearless.

Just like how Qin Yu currently was.

The car sped all the way back to the hotel.

Looking at the dent at the front of the car, Qin Yu muttered, "D*mn it, it needs major repairs. What a waste of my money. I must find a chance to get back at that b*stard."

...

The next day, the news of Qin Yu betting on stones at the venue quickly spread.

For a time, rumors started circulating in the provincial capital nonstop.

"Qin Yu beat up the Eldest Young Master of the Jiang family so badly, but nothing happened?"

"Yeah, I heard that he went stone gambling yesterday!"

“Could it be that the Jiang family doesn’t have the guts to retaliate?”

“Tsk, the Jiang family hasn’t done anything in the past few years. I think that the Jiang family isn’t as impressive as the rumors say they are.”

Everyone was puzzled.

The Jiang family actually didn’t do anything?

At this moment, in the Jiang family’s living room.

Dozens of martial artists stood in front of Mr. Zhong.

Among these people, eight of them were Inner Strength Past Masters. Even in the entire Chuzhou, they were top-notch.

Ever since Jiang Haoran was beaten into a vegetable, the Jiang family was temporarily managed by the butler Mr. Zhong.

“Mr. Zhong, there’s a rumor going around saying that the Jiang family is cowardly!”

“Not only did Qin Yu not run away, but he is even keeping up a high profile in the city. If this continues, the Jiang family’s position will be jeopardized!”

“Mr. Zhong, let us avenge the Eldest Young Master!”

Everyone, extremely furious, shouted in unison.

However, Mr. Zhong was unmoved. He just sat there drinking tea.

“Mr. Zhong, say something!”

“Mr. Zhong, do you want to seize control of the Jiang family and appropriate all its assets?” At this moment, someone suddenly said.

When he heard this, Mr. Zhong’s expression instantly turned cold.

The teacup in his hand was instantly crushed!

My Rich Wife Novel – Chapter 185 –

Chapter 185: You Have to Pay More!

A surge of internal qi was suddenly released!

Following which, with a wave of Mr. Zhong's hand, the person who spoke was sent flying!

Inner Strength Past Master!

When they sensed this internal qi, the expressions of the crowd changed slightly!

They didn't expect Mr. Zhong to be an Inner Strength Past Master as well!

They only knew that Mr. Zhong was a genius in business, but they didn't expect him to be so powerful as well!

For a moment, no one dared to say anything!

Mr. Zhong, not saying a word for a moment, coldly swept his gaze across the crowd.

A few minutes later, Mr. Zhong stood up.

He walked to the window with his hands behind his back, and slowly said, “The Jiang family has been too low-key these past few years, and many people forgot how terrifying the Jiang family is.”

The crowd remained silent, but they felt the same way.

“In a few days, the family head will come out of seclusion. At that time, the family head will personally kill Qin Yu,” Mr. Zhong continued.

“We can also use this opportunity to announce the Jiang family’s re-emergence.”

As soon as these words were said, everyone immediately understood.

The Jiang family... wanted to use Qin Yu to showcase their might!

They would also use this opportunity to warn everyone that the Jiang family was still the number one aristocratic family in Chuzhou!

...

Qin Yu sat on the bed. In front of him was the bronze sword and the stone statue.

“This stone statue has dense dark energy. I wonder what it is.” Qin Yu frowned.

He placed his hand on the stone statue and felt a trace of coldness.

What surprised Qin Yu the most was that there seemed to be an inexhaustible amount of dark energy in this stone statue.

No matter how long Qin Yu absorbed it, the dark energy in it didn't change at all.

“How strange.” Qin Yu touched his chin and felt puzzled.

The bronze sword and this stone statue was one dark energy and positive energy.

When the dark energy and positive energy fused, they would emit bursts of explosive sounds. It was obvious that they were mutually repelling each other.

“Fusing dark energy and positive energy is definitely not an easy task,” Qin Yu lamented.

He tried many times, but he was unable to fuse them.

After that, Qin Yu put away the two sacred objects. Then, he closed his eyes and prepared to break through.

This was the first time Qin Yu had tried to break through by relying on dark energy.

Therefore, Qin Yu looked extremely solemn.

However, at this moment, Qin Yu's phone suddenly rang.

He picked up the phone and saw that it was an unknown number.

Suspicious, Qin Yu picked up the phone.

As soon as the phone was picked up, he heard the other party say with some anger, “Doctor Qin, didn't you say that you would call me today?”

Qin Yu froze for a moment, then he remembered the masked woman from yesterday.

“I’m sorry. I forgot,” Qin Yu said apologetically.

The masked woman on the other end said, “Are you free now? I’m in the cafe downstairs of your hotel.”

“Okay, I’ll be right down,” Qin Yu agreed.

After hanging up the phone, Qin Yu walked to the cafe.

The masked woman sat in a private room. When Qin Yu entered the room, he saw a woman with smooth skin and soft hands. She was drop dead gorgeous.

However, Qin Yu didn’t show much surprise. Instead, his expression was calm.

“Tell me, what disease do you need me to treat?” Qin Yu went straight to the point.

The masked woman didn’t answer. Instead, she said angrily, “Don’t you know me?”

“I do. Aren’t you the masked woman from yesterday?” Qin Yu answered truthfully.

The masked woman was so angry that her chest heaved up and down!
Masked woman? This was how he addressed her?

“You really don’t know me?” The masked woman didn’t seem to believe it.

Qin Yu frowned and said, “I see. You want me to take a look at your head, right? No problem, as long as you give me the money.”

“I...” The masked woman almost lost it.

“I covered my face yesterday. Don’t you know why?” The masked woman said with displeasure.

Qin Yu frowned and said, “Isn’t it because you’re afraid of the Jiang Family?”

The masked woman was speechless.

She took out her phone and pointed at the screen while saying, “Look, open your eyes wide and see! This is the cover of a fashion magazine, and this is a super model competition cover. These two are both me, but you don’t know me?!”

Looking at the phone screen, Qin Yu suddenly understood and said, “I know!”

The masked woman smiled and said proudly, “How could anyone not know me?!”

“You sell clothes, right?” However, Qin Yu’s next sentence almost made the masked woman lost it!

” ... Forget it.” The masked woman seemed to have given up.

She simply made a self-introduction.

After the introduction, Qin Yu learned that the masked woman's name was Yang Jing. Not only was she an international model, but she was also an A-list celebrity in the country.

After Yang Jing's introduction, she said somewhat proudly, "I'm also a singer, an actor, and a businessman. How am I? Amazing, right?"

Qin Yu said apologetically, "Sorry, I don't pay attention to celebrities, so I've never heard of you."

Yang Jing grumbled unhappily, "What a straightforward man."

"Miss Yang, why are you looking for me?" Qin Yu started to get impatient.

Hearing this, Yang Jing said in a sullen voice, "Aren't you able to treat people? I want you to treat my dad."

"Your dad? What illness does he have?" Qin Yu asked.

Yang Jing said in a sullen voice, "ALS."

"ALS?" Qin Yu raised his eyebrows.

"This disease is an international problem. No one has ever cured it," Qin Yu said in a sullen voice.

Hearing this, Yang Jing hurriedly said, "Yesterday, you boasted that as long as you get paid, any disease can be cured! What, are you going back on your word today?"

Qin Yu shook his head and smiled. "Miss Yang, you misunderstood my meaning."

“ALS is an international problem. There’s no telling how many people have lost their lives because of it. It’s also a difficult problem for me.”

“So, you have to pay more!” Qin Yu said seriously.

Hearing this, Yang Jing was exasperated.

Qin Yu was really a standard money-grubber!

“As long as you can cure it, I’m willing to spend any amount of money!” Yang Jing expressed her stance.

Qin Yu nodded and said, “Okay. Originally, 300 million can be used for three house calls. Now, it can only be used once. Can you accept it?”

Yang Jing couldn’t help but feel a little distressed.

300 million for one house call was really a sky-high price.

“Okay. As long as it can be cured, 300 million is fine!” Yang Jing braced herself and said.

Qin Yu immediately gave her a card number and said, “Transfer the money.”

“We’ll talk about it after he’s cured,” Yang Jing rolled her eyes.

Hearing this, Qin Yu immediately stood up and said, “Goodbye!”

After saying this, Qin Yu turned around to leave.

Yang Jing immediately became anxious. She quickly grabbed Qin Yu's arm and said angrily, "How could you do this?! Who asks for money first?!"

"This is my rule," Qin Yu said with a nonchalant smile.

Yang Jing gritted her teeth and said, "Okay, I'll transfer it to you. But you have to leave with me immediately."

"Okay." Qin Yu nodded.

The money was transferred very quickly. Yang Jing said with frustration, "Can we go now?"

"Of course." Qin Yu nodded slightly.

"But before that, I have to deal with a few mongrels." As he spoke, Qin Yu's expression instantly turned cold..

Chapter 186: Hijacking

Mongrels?

Yang Jing, obviously not understanding, frowned.

Under the watchful eyes of everyone, Qin Yu walked toward a table at the side.

There were two young men at the table. Although they had restrained their internal qi, Qin Yu still discovered them.

Qin Yu sat down next to them and said with a nonchalant smile,
“People from the Jiang Family?”

Their expressions changed, but they composed themselves quickly.

“What did you say? We don’t understand.” The two of them shook their heads.

Qin Yu raised his hand and pressed it on their shoulders.

“Do you think I wouldn’t discover you guys?” Qin Yu said coldly.

A huge force suddenly pressed down!

The two of them felt a cracking sensation in their shoulders, as if they were about to be broken!

“Go back and tell your master that he doesn’t need to follow me. I won’t run away. If he has the ability, come at me himself,” Qin Yu said coldly.

Cold sweat dripped down their foreheads. They nodded repeatedly and said, “We... we understand.”

Qin Yu didn’t make things difficult for them and immediately let them go.

The two of them immediately felt relieved. Afraid that their bones would be crushed, they moved their arms.

The two of them had been following Qin Yu for a few days, but Qin Yu ignored them.

But now that he was going out, they had to warn the Jiang family.

“Okay, we can go now,” Qin Yu walked to Yang Jing and said.

Yang Jing nodded blankly, and then the two of them rushed to the airport.

When they arrived at the airport, Qin Yu realized that their destination was overseas!

This gave Qin Yu a headache.

“Why didn’t you tell me earlier that you were going overseas?” Qin Yu frowned.

Yang Jing mumbled, “What’s wrong with going overseas? My dad is so seriously ill right now, so he has to be recuperating overseas.”

If he had known earlier that he was going overseas, Qin Yu would have refused.

However, he couldn’t go back on his promise to someone else, so Qin Yu could only follow Yang Jing on the plane.

The plane flew into the high sky, and it took a full twenty hours to reach the destination.

Fortunately, Yang Jing didn’t lack money, so she bought a first-class cabin ticket.

Qin Yu had nothing to do on the plane, so he planned to use this opportunity to break through to the third level of the Foundation Establishment Stage.

“A small level leap of usually won’t cause any momentous phenomenon,” Qin Yu thought inside.

The Foundation Establishment Stage was a foundation building process. The possibility of triggering any momentous was almost zero.

Yang Jing was still chattering non-stop. Qin Yu glanced at her and said, “From now on, don’t talk to me. Don’t disturb me.”

Yang Jing looked offended. She said unhappily, “Other people don’t even have the chance to talk to me! Do you know how many fans I have?”

Qin Yu said with a half-hearted smile, “To your fans, you may be a lofty and unreachable person, but to people who don’t know you, you are at most a passer-by.”

Passer-by? Passer-by?

These words almost drove Yang Jing livid!

But unfortunately, Qin Yu no longer paid attention to her.

He closed his eyes and began to activate dark energy in his body while preparing to break through to the third level of the Foundation Establishment Stage.

“This is the first time I’m going to try to break through with dark energy. I wonder if I can do it.” Qin Yu was worried.

If his internal qi was disturbed, he might die on the spot!

But for ordinary people, if they didn't take risks, where would they get the chance?

Without being privileged enough to be born with abundant resources, they could only rely on taking risks.

Wisps of dark energy started to flow through his dantian to his meridians.

Qin Yu felt as if he could see what was happening inside. He felt light spots appearing one after another in front of his pitch-black eyes.

These light spots were none other than Qin Yu's major acupoints.

Dark energy surged out and began to break through the acupoints bit by bit.

During this period, the spiritual energy didn't move at all. It was as if they were two systems that didn't interfere with each other.

"It really works." After feeling dark energy forcefully breaking through the acupoints, Qin Yu couldn't help but feel pleasantly surprised.

This way, his cultivation journey would be much smoother.

Of course, there was a disadvantage to this, which was that he couldn't be discovered by others.

Otherwise, he might be surrounded by so-called "righteous people".

...

The plane was still flying.

This was an international flight route and there were all kinds of people on the plane.

Yang Jing leaned against the window and seemed a little bored.

At this moment, commotion suddenly came from the economy class!

Yang Jing heard the commotion and stood up. She pulled open the curtain and saw that the people in the economy class were screaming desperately!

And there were two masked men with pistols in their hands!

Hijacking!

This word quickly flashed through Yang Jing's mind!

She had been on countless planes, and she had only seen hijacking in the news. She didn't expect to actually encounter it today!

"Qin Yu! Someone is hijacking the plane!" Yang Jing suddenly panicked. The only person she could rely on was Qin Yu.

However, Qin Yu had no reactionzz. No matter how much she shook Qin Yu's body, Qin Yu didn't open his eyes.

"Everyone, don't be agitated. We are only after money," the two robbers said coldly.

"As long as you guys hand over the money, we will guarantee your safety."

"But if anyone doesn't cooperate... Then we will kill all of you!"

Hearing this, many passengers turned pale with fright! One after another, they said, “We are willing to cooperate!”

After all, compared to money, life was more important!

The two robbers looked at each other, then took out a black sack and began to collect money one by one.

The police on the plane had been subdued and locked in the toilet long before.

No one could come to save them.

Soon, the two robbers came to Yang Jing’s side.

The two robbers looked at Yang Jing and then laughed evilly, “You look a little familiar. Are you Yang Jing?”

Yang Jing hurriedly pushed Qin Yu and said, “See? Even the robbers know me!”

The two robbers were stunned. They obviously couldn’t understand Yang Jing’s mentality.

“Wow, it’s really Yang Jing!” Someone outside also recognized Yang Jing.

“She’s a big star! If I knew she was here, I would have gone over and asked for an autograph!”

“Yang Jing, I’m your fan!” Someone outside even shouted!

This made Yang Jing even more proud. She wanted to show off to Qin Yu, but unfortunately, Qin Yu didn't see the scene at all.

“A big star, huh? I see you on TV every day. I didn't expect to see you here.” The two robbers laughed evilly.

Hearing this, Yang Jing remembered the current situation!

Her face instantly turned pale. She quickly took out the money and said, “I... I'm willing to give you all the money...”

“Only money? That won't do.” The two robbers laughed evilly.

“There are still eighteen hours from now until the landing. It's worth it to enjoy you for eighteen hours.”

After saying that, the two robbers slowly walked towards Yang Jing.

Yang Jing immediately panicked. She hurriedly shouted, “Get lost! I have already given you all the money!”

The robbers sneered. “If you don't cooperate, I will kill everyone on this plane!”

When the passengers outside heard this, their expressions changed drastically!

“Miss Yang, please... just cooperate with them...”

“Yes, or we'll all die here....”

Chapter 187: Special Effects?

Upon hearing their words, Yang Jing was stunned.

Just now, they were still calling her name with adoration, but in the blink of an eye, she was about to be sent to her doom!

“You guys...” Yang Jing’s expression was extremely ugly, and she was speechless for a moment.

“Did you hear that? If you don’t cooperate, they will all die,” the robber sneered.

Yang Jing gritted her teeth and said, “Don’t you dare touch me. Kill me if you can!”

The two robbers immediately burst into laughter when they heard that.

The passengers outside were even more furious!

“Yang Jing, why are you so selfish?”

“Exactly. Do you want us to die with you?”

“To think that we are your fans. We will no longer be your fans in the future!”

“Hurry up and cooperate. Otherwise, we won’t let you off the hook!”

The crowd’s shouts made the two robbers’ smiles even brighter.

Yang Jing’s expression was ashen.

She gritted her teeth and said, “Didn’t you say that you only want money? You’re not keeping your word!”

“Hahaha, are you trying to reason with robbers? Are you out of your mind?” The two of them couldn’t help but laugh out loud.

“Don’t worry, we will let you guys watch as well.” Then, the robbers looked at the tourists outside.

The eyes of the tourists instantly lit up!

They had always seen Yang Jing on TV, but they didn’t expect to be able to enjoy such a scene today!

It was really a blessing in disguise!

“You guys...” Yang Jing was so angry that her whole body was trembling. She looked at Qin Yu.

However, Qin Yu was still unmoved, as if he couldn’t hear anything.

At this moment, Yang Jing suddenly felt despair.

“Don’t waste your efforts. Don’t worry, Superstar, we will make you comfortable.” After saying that, the two robbers walked towards Yang Jing with lecherous looks in their eyes.

At this moment, Qin Yu, who was beside Yang Jing, suddenly emitted rays of golden light!

Although this ray of light wasn’t very strong, it still attracted the attention of the robbers!

“Huh ? What is this thing ?” The two people said in surprise.

“As expected of a celebrity. This kid is probably Yang Jing’s special effects expert.” At this time, one of them reacted.

“Tsk tsk, I have to say, the special effects nowadays are really awesome. It’s so realistic.”

The two of them looked at Qin Yu and couldn’t help but click their tongues in wonder.

Soon, the golden light on Qin Yu’s body began to slowly condense and finally attached to Qin Yu’s body.

In an instant, Qin Yu’s body seemed to be covered in a layer of golden armor that looked extremely dazzling!

“D*mn, this special effects expert isn’t done yet.” The two robbers were getting impatient!

After saying that, the two of them stretched out their hands and grabbed Qin Yu.

They wanted to pull Qin Yu to the side, but they found that Qin Yu was like a rock and he didn’t move at all!

“Hmm ? This kid is quite strong.” The two of them immediately exerted all their strength and pulled Qin Yu with all their might.

At this moment, Qin Yu’s eyes opened!

He lowered his head to look at the golden light that was lingering around his body, and muttered in a low voice, “My body... seems to have become a bit harder.”

Every breakthrough to the Foundation Establishment Stage would unleash his strength to the maximum.

Along with the increase in his strength, Qin Yu’s physical body had undergone a qualitative change!

“Brat, get lost quickly. Do you hear me?!” The robber beside him roared angrily.

Only then did Qin Yu clearly see the situation in front of him.

He frowned and said, “Who are you guys?”

“Who are we? We’re robbers! Get lost quickly!” The two robbers said impatiently.

Qin Yu said, “Oh, you guys are robbers.”

Yang Jing hurriedly nodded and said, “Yes, they robbed everyone’s money, and... and they also want to do something bad to me...”

The two robbers said impatiently, “So what if we are robbers? What can you do about it? Take out your money!”

“I have no money.” Qin Yu shook his head.

“No money? You f * cking sit in the first-class cabin and you say you don’t have money? ?” The two robbers said angrily.

Qin Yu sneered. “Even if I have money, I won’t give it to you. If you return all the money you robbed to them now, I can spare you.”

“Are you f * cking courting death!?” The two robbers were clearly completely enraged by Qin Yu!

The anger of the two men were instantly directed toward Qin Yu!

They clenched their fists and ruthlessly thrust it towards Qin Yu!

Qin Yu didn’t dodge, and allowed their fists to land on his body.

“Clang!” A crisp sound rang out! The two men instantly felt their fists go numb, as if they had smashed into steel!

“Use more strength. Haven’t you eaten or something?” Qin Yu said with a half-hearted smile.

The two men’s expressions changed. They were about to speak when Qin Yu slapped their faces!

The two men were instantly sent flying, and they spat out two back teeth from their mouths!

“With this little bit of ability, you actually dared to be robbers?” Qin Yu sneered.

“I’m warning you. Return the money you robbed now, and I can spare your lives,” Qin Yu said coldly.

The two robbers got up from the ground. They glared at Qin Yu and shouted angrily, “Return it? I’m going to kill all of you!”

As soon as these words were said, the expressions of the passengers changed drastically!

“This kid is really a b * stard. Do you want to kill us?!”

“It’s all his fault. It has nothing to do with us!”

“You b * stard, I’m going to cripple you!” The passengers outside were filled with indignation and roared angrily!

Qin Yu looked at these people in shock and shook his head helplessly.

“The two of them are the ones who stole your money, not me. Why are you scolding me?”

“F * ck you! If it weren’t for you, we would at most lose some money!”

“It’s because of you b * stard that we are about to lose our lives!”

Qin Yu’s expression instantly turned cold.

“Alright, from now on, your life or death has nothing to do with me,” Qin Yu said coldly.

“F * ck you, who needs you to care?!” Everyone started to curse.

“That’s right, you don’t want to pay, yet you dragged us into it! What the h*ll!”

The two robbers got up from the ground.

They grinned and sneered. “Even if we don’t make a move, they will tear you apart alive!”

Qin Yu said with a cold expression, “Before that, I will kill you guys first!”

“Really?” The two robbers sneered. Then, they took out a gun from their waists and pointed it at Qin Yu!

“What’s the use of having good combat skills? I can blast your head open with one shot!”

Qin Yu frowned.

“I wonder if my body can withstand bullets.” Qin Yu was eager to give it a try.

However, after thinking for a moment, Qin Yu still shook his head.

“Saintly Body Technique!” To be safe, Qin Yu still activated the Saintly Body Technique!

For a moment, Qin Yu’s body was wrapped in golden light, and his body flickered with a faint golden hue.

“With the blessing of the Saintly Body Technique, it is probably very difficult for ordinary bullets to hurt me,” Qin Yu thought to himself.

“Hehe, when are you still playing with special effects?” The two robbers sneered.

Qin Yu raised his eyebrows and said, “Special effects? Try firing to see if it’s a special effect..”

Chapter 188: It’s Actually You?

Cold sweat dripped down the two robbers' foreheads. They didn't want to kill anyone at all!

“Shoot!” Qin Yu immediately shouted!

“You're f * cking courting death. Don't blame us!” The two robbers instantly flew into a rage! They immediately pulled the trigger!

“Bang!”

The gunshot sounded in everyone's ears!

“Ah!!” Screams echoed in the cabin!

However, the bullet only left a white mark on Qin Yu's body. It didn't even scratch his skin!

The faces of the two robbers instantly turned extremely pale!

How was this possible? He actually took the bullet?

Qin Yu picked up the bullet from the ground and sneered. “Do you still think it's a special effect?”

The two robbers' expressions were extremely ugly! At this moment, they were completely panicking!

Even a bullet couldn't penetrate him. This person was definitely not someone they could afford to offend!

“Sir, we were wrong. Please spare our lives...” the two robbers knelt on the ground and desperately begged for mercy!

“Right, we will return the money now...”

Qin Yu glanced at the passengers on the plane and sneered. “I said, their lives have nothing to do with me.”

After saying that, Qin Yu went back to his seat and closed his eyes.

The two robbers were stunned and immediately understood!

They pulled out their guns and pointed at the people outside as they shouted, “All of you f * cking behave! Otherwise, I’ll shoot you all to death!”

These passengers couldn’t help but curse, “Are you f * cking human? You clearly can subdue them, but you aren’t doing anything!”

“You’re really a b*stard!”

Qin Yu looked at them coldly and said, “I have no obligation to save you guys. Besides, you said yourselves that you don’t need my help.”

After saying that, Qin Yu closed his eyes and ignored the crowd.

Yang Jing didn’t say anything, but she also felt relieved.

The plane was still flying high in the sky and soon arrived at the destination.

The two robbers had obviously made arrangements beforehand. As soon as they got off the plane, a car brought them out of the airport.

Meanwhile, these tourists hurriedly went to the police and told them what had happened!

“This jerk actually didn’t save us!” These tourists couldn’t find the robbers, so they placed the blame on Qin Yu.

“Yes, we must let this kid compensate for our losses!”

Facing the crowd’s shouts, the police shook his head and said, “He is the same as you guys. You guys are all passengers. If you can’t do anything about it, what can he do?”

“He has a way! You don’t know, but he sent the two robbers flying with a slap!”

“Yes, we also saw that his body can resist bullets!”

The passenger police said helplessly, “I think that you guys were so scared you guys had hallucinations.”

“Exactly. How can anyone take bullets? I was almost scared to death,” Qin Yu said while pretending to be pitiful.

The police officer waved his hand and said, “Okay, you can go now.”

These passengers were angry and anxious, but there was nothing they could do.

After walking out of the airport, Yang Jing couldn’t help but snicker, “You’re so petty, but it’s quite gratifying.”

Qin Yu smiled and didn’t say anything.

Yang Jing had already arranged for a car at the airport. After walking out of the airport, Qin Yu saw a Bentley parked at the entrance.

After following Yang Jing into the car, Qin Yu discovered that the driver was actually a foreigner.

“You guys immigrated?” Qin Yu frowned and asked.

Yang Jing shook her head and said, “No, my mom is from this country and my dad is from Pyro, but my nationality is still Pyro.”

Qin Yu suddenly understood.

So Yang Jing was a mixed blood.

The car sped all the way to an extremely large manor!

The size of this manor was beyond Qin Yu’s imagination!

In the manor, there were even basketball courts, football courts, and courts of other sports.

The trees in the entire manor were lush and verdant, and almost comparable to those of a forest.

“This is really too over the top.” Qin Yu looked at the surrounding environment and couldn’t help but exclaim in awe.

Yang Jing explained, “This is the suburbs, and the population of this country is small. It’s not surprising.”

Qin Yu didn’t say anything more. He followed Yang Jing to the center of the manor.

In the center of the manor was a huge castle. There were two tall foreigners guarding it.

Qin Yu and Yang Jing had just walked forward when they were stopped by the bodyguards.

“I’m sorry. Our family has a rule that we can’t bring our phones in,” Yang Jing said apologetically.

Qin Yu frowned and seemed a little unhappy.

But he didn’t say anything and handed over his phone obediently.

The structure of the castle was like a maze. Qin Yu followed Yang Jing left and right and finally arrived at Yang Jing’s father’s room.

At the door of the room, there was a nursing team in charge of looking after Yang Jing’s father, Yang Xiao.

And the person in charge of leading this nursing team was an internationally renowned doctor called Peter.

Yang Jing brought Qin Yu to Peter and introduced him, “This is Peter, my father’s attending physician.”

She then looked at Peter and said, “This is Qin Yu, a famous doctor from Pyro.”

Peter seemed a little displeased as he said with a dark expression, “Another liar has come.”

Yang Jing’s expression changed as she coughed and said, “Qin Yu, Peter has advised me not to look for another doctor. Don’t mind him.”

“I don’t mind.” Qin Yu was already used to Peter’s attitude.

Peter said coldly, “Miss Yang, it’s not that I don’t believe in the medical skills of your country. It’s just that the medical expertise of your country are in the hands of very few people. But this kid is obviously not one of them.”

Having said that, Peter paused and continued, “To tell you the truth, I have heard from my beloved disciple that there is a top renowned doctor in Pyro. Although he isn’t very famous, he has mind blowing medical skills!” Peter said

“I have always wanted to pay him a visit and at the same time invite him to treat Mr Yang’s illness.” Peter’s eyes seemed to be filled with yearning.

Qin Yu said politely, “Mr Peter, may I know who the doctor you are talking about is? Perhaps I know him.”

Peter glanced at Qin Yu contemptuously and snorted. “I have never seen him before, but my beloved disciple said that he is a genius. He is extremely different from a liar like you.”

Qin Yu was too lazy to argue with him. He immediately walked towards Yang Xiao.

“What are you doing?!” Peter immediately shouted and quickly grabbed Qin Yu’s arm.

Qin Yu frowned and said, “I have to take a look at Mr. Yang’s body first.”

Peter scolded, “I will never let you touch Mr. Yang.”

After that, he anxiously explained to Yang Jing, “Miss Yang, trust me. My disciple will go out tonight and invite that expert!”

Yang Jing was a little helpless. She was about to speak when the door opened and a young man walked in.

“Mr. Peter!” He shouted as soon as he entered.

Peter was pleasantly surprised to see this young man.

“Mr. Xu, you came at the right time. Tell Miss Yang that this person is a liar!” Peter said excitedly.

However, when Peter’s disciple saw Qin Yu, he was stunned.

“Mr. ... Mr. Qin? Why are you here?” He shouted in surprise.

Qin Yu also said in surprise, “Xu Maojun?”

Peter’s disciple was none other than Xu Maojun, who had treated Wei Jiang’s illness..

Chapter 189: Rumors Were Spreading

Xu Maojun looked at Qin Yu in surprise and walked forward quickly.

“Mr. Xu, you know him?” Peter asked with some confusion.

Xu Maojun hurriedly nodded and said, “Sir, this is the genius doctor I told you about! He is the one who changed my views!”

“With him, Mr. Yang’s illness will definitely be cured!” Xu Maojun said excitedly.

Peter sized up Qin Yu and said with some surprise, “He actually looks so young?”

Qin Yu shook his head helplessly and said, “Can I treat Mr. Yang’s illness now?”

“Of course, but... I still have some doubts about Mr. Qin. I hope you don’t mind,” Peter said in a sullen voice.

Qin Yu smiled and said, “I won’t mind.”

Then, Qin Yu walked to Yang Xiao.

He raised his palm and placed it on Yang Xiao’s forehead.

In an instant, countless pieces of information flashed through Qin Yu’s mind.

This was the medical skills passed down from his father.

Pieces of information about Yang Xiao’s illness flashed through Qin Yu’s mind.

“Limb-onset ALS, weakness of the muscles in the limbs, difficulty in swallowing, very likely respiratory failure,” Qin Yu said in a sullen voice.

Peter nodded repeatedly. What Qin Yu said was exactly the same as Yang Xiao’s symptoms.

But that didn't mean anything. Any experienced doctor could do it.

“Mr. Qin, how is he? Can my father be saved?” Yang Jing asked anxiously.

Qin Yu nodded and said, “No problem, but I'm afraid it will take some time.”

With Qin Yu's current skills, ordinary diseases could be easily cured.

However, Qin Yu couldn't solve such a difficult problem of the century, even if he relied on spiritual energy. He could only rely on a pill.

Fortunately, a series of treatment plans and the formula for the pill quickly flashed through Qin Yu's mind.

“Miss Yang, give me three days. I will temporarily stabilize your father's condition, but I'm afraid it will take half a year to cure him,” said Qin Yu.

“Half a year?” Yang Jing couldn't help but feel stunned.

Qin Yu nodded slightly and said, “Prepare paper, pen, and a quiet room for me.”

Yang Jing didn't dare to be negligent. She quickly prepared paper and pen according to Qin Yu's request.

Qin Yu wrote down the relevant prescription on the paper and handed it to Yang Jing.

“These are common herbs on the market. They should be easy to buy,” Qin Yu said.

Yang Jing quickly nodded and said, “Okay, I’ll buy them now.”

About an hour later, Yang Jing returned to the manor with the herbs.

Qin Yu took the herbs and checked them. After making sure that there was no problem, he turned around and walked into a quiet room.

“It’s best not to disturb me during this period,” said Qin Yu.

Yang Jing quickly nodded and said, “Okay, I’ll get someone to guard this room.”

Qin Yu closed the door quickly. Qin Yu began to refine the pill according to the information in his mind.

This pill was called the pulse-protecting pill. It could temporarily stabilize Yang Xiao’s condition.

And the real cure was the marrow-generating pill.

The marrow-generating pill would slowly help Yang Xiao’s muscles recover, but it would take a long time.

“Can Qin Yu really cure Mr. Yang’s ALS? You must know that this is an international problem.” In the ward, Peter fell into deep thought.

Xu Maojun said, “Sir, I had the same doubts as you, but after seeing Mr. Qin, I realized that I was too shallow.”

Although that was the case, Peter still had some doubts.

If he could cure ALS, he could win any medical award in the world.
How could Qin Yu be so obscure ?

...

Chuzhou, provincial capital.

The Jiang family soon received the news that Qin Yu had left.

“Mr. Zhong, I heard that Qin Yu has gone abroad!” One of his subordinates said with a face full of hatred.

Mr. Zhong’s face was gloomy as he said with a cold expression,
“When the family head was about to come out of seclusion, he went abroad. Qin Yu... must have received the news!”

The news that Qin Yu had gone abroad quickly spread!

For a moment, all the families, big and small, were discussing this matter!

“Qin Yu actually ran away?”

“Sigh, facing the Jiang family, he had no choice but to run. He is a wise man who understands the circumstances.”

“Tsk tsk, then the people around him are probably going to be unlucky.”

In the Wei family’s home, Wei Tao said coldly, “You’ve heard about it, right? Qin Yu has already fled abroad!”

“Fortunately, I made you draw a clear line with him in time. Otherwise, the Wei family would definitely be implicated!”

Wei Ming hurriedly shook his head and said, “Impossible! Mr. Qin is definitely not that kind of person!”

“Not that kind of person? Could this sort of news be groundless?! I think you’ve been brainwashed by that kid!” Wei Tao berated.

Wei Ming, wanting to find out more, hurriedly took out his phone and called Qin Yu.

Unfortunately, Qin Yu’s phone was already turned off.

“How is it? Did he pick up?” Wei Tao sneered.

Wei Ming gritted his teeth and said, “He... he must have something going on, so he couldn’t pick up the phone...”

“You’re really stubborn! Let me tell you, from today onwards, you’re not allowed to mention anyone or anything related to Qin Yu, or else the Wei family will definitely suffer the wrath of the Jiang Family!” Wei Tao said and got up to leave.

The speed at which this news spread was beyond imagination.

Even Yan Ruoxue, who was far away in Jingdu, learned of this matter.

“Qin Yu actually ran away? That can’t be. With his personality and temper, he definitely wouldn’t implicate other people,” Yan Ruoxue said with a hint of shock.

Old Mister Yan put his hands behind his back and said indifferently, "In the face of the powerful Jiang family, running away is nothing. As long as one is alive, there is hope."

However, Yan Ruoxue shook her head and said, "Impossible. If Qin Yu runs away, the Jiang family will definitely vent their anger on the people around him. Qin Yu wouldn't do that."

Old Mister Yan didn't care. He shook his head and said, "Ruoxue, when a person should be ruthless, he should be ruthless. Even if Qin Yu doesn't leave, what is the point?"

Yan Ruoxue was silent, but she still found it hard to believe.

"I believe that Qin Yu would never run." Yan Ruoxue eventually chose to trust her intuition.

Old Mister Yan shook his head helplessly and said, "Ruoxue, aren't you a little optimistic about Qin Yu?"

A smile appeared on Yan Ruoxue's face. She said with some longing, "Although I haven't known him for long, I keep feeling that... I know him very well."

Hearing this, Old Mister Yan couldn't help but feel surprised.

He suddenly remembered Qin Yu's father.

At that time, Old Mister Yan was still a young man. Regarding Qin Yu's father, he was full of respect for him.

"Xiao Yan, my son and your granddaughter will be a match made in heaven. Remember, they are destined to be a couple."

As a young man, Old Mister Yan didn't even have a son, so how could he have had a granddaughter?

At that time, he didn't really believe it.

Ever since Yan Ruoxue and Qin Yu fell in love, Old Mister Yan started to believe in it more and more.

"As expected, you are never wrong." Old Mister Yan looked out of the window and whispered..

Chapter 190: The Head of the Jiang Family

At this moment, Qin Yu knew nothing about the state of Chuzhou.

He was doing his best to refine pills for Yang Jing.

Because this was a long-term treatment process, Qin Yu planned to refine a month's worth of pills for Yang Xiao in one go in case there wasn't enough.

Two days passed in the blink of an eye.

The news was still circulating in Chuzhou.

On this day, an earth-shattering sound erupted in the Jiang family's home!

A rainbow light descended from the sky and sprinkled on one of the Jiang family's mansions!

When Mr. Zhong saw this rainbow light, his face immediately revealed joy!

“This... This is the sign of an Inner Strength Grandmaster breaking through!” Mr. Zhong suddenly stood up and stared fixedly at this ray of light!

“The family head... has finally become an Inner Strength Grandmaster!”

Mr. Zhong hurriedly looked at the people around him and shouted, “Inform everyone to welcome the patriarch out of seclusion!”

“Yes!”

Dozens of people rushed towards the mansion!

They stood at the entrance of the mansion and knelt on the ground in unison while waiting for the Patriarch of the Jiang family to come out of seclusion!

After a while, the rainbow light in the sky began to dissipate.

Jiang Yu also rushed to the scene when he heard the news.

“Mr. Zhong, has my father come out?” Jiang Yu asked anxiously.

Mr. Zhong shook his head and said, “We are also waiting.”

A hint of viciousness flashed across Jiang Yu’s face. He gritted his teeth and said, “My father is finally coming out of seclusion. Qin Yu, I will definitely tear you into pieces!”

Creak.

At this moment, the door of the mansion slowly opened!

When he heard the sound of the door opening, everyone looked at the door nervously!

They saw a tall and burly old man with a long beard walking out of the mansion.

Although he had a head full of white hair, he didn't look old at all.

Not a single wrinkle could be seen on his skin. His spirit and temperament made him look like a middle-aged man in his prime!

His internal qi was exceptionally stable. At a glance, it was as if he had returned to his youth!

This was the master of the Jiang family, Jiang Gu!

“Welcome out of seclusion, master!” Mr. Zhong was the first to shout!

Following that, the entire Jiang family shouted in loud voices in unison!

Jiang Gu swept his gaze across the crowd, then he quickly arrived in front of Mr. Zhong.

“Mr. Zhong, how long have I been in closed-door cultivation?” Jiang Gu asked indifferently.

Mr. Zhong hurriedly replied, “A whole three years!”

“Three years...” Jiang Gu muttered in a low voice, “I didn’t expect it to be so long.”

Mr. Zhong probed, “Sir, have you stepped into the legendary realm?”

Jiang Gu placed his hands behind his back and said indifferently, “After three years of forbearance and three years of breakthrough, I’ve finally reached the realm of an Inner Strength Grandmaster.”

Mr. Zhong was immediately overjoyed and hurriedly said, “Congratulations sir! From today onwards, you will ascend to the top of Chuzhou and the world!”

Jiang Gu didn’t have the slightest expression on his face upon hearing Mr. Zhong’s flattery.

Jiang Gu looked quite lofty, as if he was an immortal!

Even though people couldn’t feel the slightest bit of internal qi when facing Jiang Gu, they were still filled with reverence, as if they were facing a lofty mountain!

“How has the Jiang family been during my absence?” Finally, Jiang Gu asked the most crucial question!

Mr. Zhong, not knowing what to say, opened his mouth.

“Not good, not good at all!” At this moment, Jiang Yu ran over.

“Dad, during your absence, no one has been taking the Jiang family seriously anymore!” Jiang Yu said angrily.

When he heard this, a murderous aura suddenly burst out from Jiang Gu's body!

Everyone instantly felt their bodies turn ice-cold, and their bodies trembled non-stop!

Jiang Gu looked at Jiang Yu coldly. The bone-piercing coldness made Jiang Yu dare not to look directly into Jiang Gu's eyes!

“Where's Haoran? Why isn't he here?”

At this moment, Jiang Gu suddenly asked.

Compared to Jiang Yu, Jiang Gu liked Jiang Haoran more.

Because no matter which aspect it was, Jiang Haoran was far above Jiang Yu.

Jiang Yu was a good-for-nothing profligate son.

Mr. Zhong sighed and said, “Sir, the Eldest Young Sir, he...”

At this point, Mr. Zhong didn't continue.

Jiang Gu frowned slightly and said, “What happened to Haoran?”

“My brother was beaten into a vegetable and is still lying on the hospital bed!” Jiang Yu said with some resentment.

As soon as Jiang Yu said this, a terrifying internal qi burst out from Jiang Gu's body!

The moment this internal qi burst out, everyone felt a huge pressure on their backs and subconsciously knelt down!

After he felt the terrifying killing intent from Jiang Gu's body, Mr. Zhong's face turned extremely pale!

“What's going on?” Jiang Gu looked at Mr. Zhong coldly.

Mr. Zhong gritted his teeth and slapped himself in the face. With a face full of self-reproach, he said, “It's all my fault for not taking good care of the Eldest Young Master...”

Then, Mr. Zhong told Jiang Gu the truth about what had happened.

After Jiang Gu heard it, his expression turned terrifyingly cold!

“Dad, it's all Qin Yu's fault! He doesn't take the Jiang family seriously at all!” Jiang Yu said angrily.

“Because of Qin Yu, many people are no longer afraid of the Jiang Family!”

Jiang Gu looked at Jiang Yu coldly. Then, he raised his palm, and a terrifying internal qi instantly sent Jiang Yu flying!

“Useless thing, for the sake of a pill, you put the Jiang Family in such a difficult situation. What's the use of having a good-for-nothing like you?!” Jiang Gu scolded coldly.

Jiang Yu spat out blood. He hurriedly got up from the ground and said in fear, “Dad, I... I was wrong...”

Jiang Gu snorted again and again. He said coldly, "Take me to Haoran's ward."

"Yes, master," Mr. Zhong bowed and said.

In the ward, Jiang Haoran laid motionless on the bed.

Although he was still breathing, he looked no different from a dead person.

Upon seeing his son in such a situation, Jiang Gu couldn't contain his anger anymoew!

"Ever since I experienced that incident, I have been treading on thin ice because I was afraid of offending someone I shouldn't," Jiang Yu muttered in a low voice, as if he was reminiscing.

"Now, the people of Chuzhou have already forgotten about me, Jiang Gu." Jiang Gu's words carried a strong murderous aura!

"It's fine if people from Jingdu bullies me, but how dare people from Chuzhou not take me seriously?!"

With his roar, the entire room seemed to tremble!

Mr. Zhong stood at the side silently.

Back then, Jiang Gu was extremely high-profile. He didn't even take the top dog in Chuzhou seiously.

It wasn't until three years ago, when Jiang Gu offended a rich kid from Jingdu and almost got the entire Jiang family destroyed that Jiang Gu began to restrain himself.

This also gave other families an opportunity to slowly develop.

But Jiang Gu never thought that his son would be beaten into a vegetable!

“Looks like it’s time to tell them that I, Jiang Gu, have returned,”
Jiang Gu said coldly..

Chapter 191: Jiang Gu’s Fury

The news of Jiang Gu’s exit from seclusion quickly spread throughout Chuzhou!

Almost all the aristocratic families knew about this news!

A lot of people became panicked by this news. Those who had a grudge against the Jiang family even fled away from Chuzhou!

And there were also people secretly watching the show.

“Jiang Gu has stopped his seclusion. It’s said that he has already stepped into the Great Grandmaster Realm!”

“Tsk tsk, Qin Yu is in trouble this time!”

“I have to say, Qin Yu picked a perfect timing to run away!”

Following that, the top families of Chuzhou all brought gifts to the Jiang family to congratulate Jiang Gu!

In Chuzhou, other than the Jiang family, there were also a few martial arts aristocratic families.

Although they were not as good as the Jiang family, they were also top-notch in Chuzhou.

Originally, if these families joined forces, they could still fight against the Jiang family.

Now that Jiang Gu had stepped into the Great Grandmaster Realm, they had completely lost hope.

Everyone was willing to bow down to him.

“Congratulations on stepping into the Great Grandmaster Realm, Lord Jiang!” The head of the Sha family in Chuzhou bowed with a respectful expression.

“It’s our fortune to have Lord Jiang in Chuzhou!” The Li family brought their whole family to pay their respects.

“Lord Jiang is the role model of our generation. We are willing to stand up for the Jiang family!”

Looking at these families that had been against him secretly, but now bowed to him, a faint smile couldn’t help but appear on Jiang Gu’s face.

“Thank you all for taking care of me during these three years of seclusion,” Jiang Gu said faintly.

“Now that I have broken through to the Great Grandmaster Realm, I will pardon the world today.”

“All the grudges from the past will be written off from today onwards.”

After hearing Jiang Gu's words, everyone heaved a sigh of relief secretly.

"Lord Jiang is indeed the number one person in Chuzhou. He's way more forgiving than all of us!" Everyone applauded in unison.

At this moment, Jiang Gu changed the topic.

He looked coldly at everyone and said in an icy tone, "I can let go of all the grudges from the past, but the person who injured my son... must die!"

As soon as he said that, everyone's body suddenly trembled!

Everyone present was terrified by Jiang Gu's killing intent!

"We are willing to give you a hand!" Someone hurriedly shouted.

Then, the others also shouted in unison!

On this day, all the families in Chuzhou seemed to have been unified!

In the military district, Uncle Wu's face was somewhat gloomy.

"Jiang Gu has come out of seclusion," Uncle Wu said in a deep voice.

Officer Guo frowned and said, "Fortunately, Qin Yu ran in time. Otherwise... it would have been troublesome."

Uncle Wu nodded slightly and said, "Yes, if he had stayed a bit longer, I'm afraid he wouldn't have been able to leave."

“I heard that Jiang Gu has already spread the word that if he can’t find Qin Yu, he will attack the people around him,” officer Guo said with a frown.

Uncle Wu was silent.

He didn’t have any good ideas about this.

...

House Wei.

Wei Tao was a little worried.

The news of Jiang Gu’s exit from seclusion had already spread throughout Chuzhou. Jiang Gu had been talking about revenge constantly.

This was definitely not good news for Wei Tao.

“We have already drawn a clear line between us and Qin Yu. I believe that Jiang Gu won’t do anything to us,” Wei Tao comforted himself in his head.

At this moment.

A figure suddenly flashed past outside.

Wei Tao, who was already on tenterhooks, suddenly tensed up!

“Who is it?!” Wei Tao hurriedly ran to the door and shouted.

However, there was no one at the door.

Wei Tao wiped the sweat from his forehead and frowned. “Could it be that my eyes are playing tricks on me? It seems that I am a little too nervous.”

However, just as Wei Tao turned around, he saw Jiang Gu sitting on the sofa and quietly drinking tea.

Wei Tao’s expression suddenly changed!

He took a deep breath and suppressed the fear in his heart. He said politely, “Lord Jiang, why are you here?”

Jiang Gu glanced at Wei Tao and said indifferently, “Can’t I come?”

Wei Tao hurriedly shook his head and said, “I... I didn’t mean that. You can come to my humble house. My humble house is honored by your presence...”

Jiang Gu took a sip of tea. He looked at Wei Tao and said indifferently, “I heard that you have a good relationship with Qin Yu?”

What he was afraid of came true!

Wei Tao’s body went limp and he almost fell to the ground!

“L-Lord Jiang, these are all rumors. We, the Wei family, have nothing to do with Qin Yu...” Wei Tao hurriedly said.

“Is that so? I heard that your son has a good relationship with Qin Yu,” Jiang Gu said with a faint smile.

Wei Tao's expression was extremely ashen. He anxiously said, "Lord Jiang, these are all rumors. There must be a villain who wants to frame me!"

"Rumors?" Lord Jiang narrowed his eyes.

He suddenly raised his palm, and a large hand appeared out of thin air and directly grabbed Wei Tao's neck!

"Hand over your son," Jiang Gu said indifferently.

Wei Tao was in extreme pain. He said with difficulty, "Lord Jiang... it has nothing to do with my son..."

"Huh?" Jiang Gu narrowed his eyes. "Do you think I won't be able to find him if you don't tell me?"

Wei Tao's face instantly turned purple, as if he was going to be suffocated in the next second!

"Let go of my dad!" At this moment, Wei Ming suddenly rushed out!

He stared at Jiang Gu and gritted his teeth. "If you want to kill someone, come at me. It has nothing to do with my dad!"

Jiang Gu narrowed his eyes and sneered. "You're Wei Ming? Where's Qin Yu?"

"I don't know." Wei Ming took a deep breath.

"You don't know?" Jiang Gu raised his eyebrows and increased the strength of his hand!

“Let go of my father!” Wei Ming was suddenly furious. He activated his inner strength and dashed towards Jiang Gu!

“What a clown.” Jiang Gu snorted. He raised his finger lightly and a ray of light instantly sent Wei Ming flying!

“Son!” Wei Tao ran over as if he had gone mad.

He hugged Wei Ming tightly, tears streaming down his face.

“Don’t worry, he won’t die. At most, he’ll be a vegetable,” Jiang Gu said lightly.

Wei Tao’s face instantly turned ashen.

However, not only did he not dare to flare up, he even half-knelt on the ground and said in pain, “Many... Many thanks to Lord Jiang for not killing my son...”

Jiang Gu snorted coldly, his body flashed, and he left in large strides.

Following that, everyone related to Qin Yu was suppressed.

Wei Jiang even lost his job because of this!

“Family head, there’s still no news of that Qin Yu. He fled abroad, and we can’t find him at all,” Uncle Zhong said with a frown.

Jiang Gu snorted coldly and said, “Follow me to Jiangcheng. As long as he doesn’t appear, I’ll kill a person. I want to see how long he can hide!”

“Yes, Master!” Uncle Zhong nodded quickly.

...

At this time, Qin Yu had already made 31 raw pills.

“Phew, it’s finally done.” Qin Yu wiped his sweat, looking a little tired.

Then, Qin Yu handed the Marrow Pill and the Impulse Protection Pill to Yang Jing.

“Take the Impulse Protection Pill first. As for the Marrow Pill, take it once a day. After a month, come to me for more medicine,” said Qin Yu.

Yang Jing looked at the Marrow Pill and asked curiously, “Can this really cure my father?”

Qin Yu rolled his eyes and said, “If you don’t believe it, you can throw it away.”

“No way! I spent three hundred million!” Yang Jing said with a bit of heartache.

Peter and Xu Maojun took the Marrow Pill and began to study it carefully..

Chapter 192: Storm

The two of them held the Marrow Pill and looked at it carefully, their eyes filled with curiosity.

“This small pill can actually solve an international problem? It’s really unbelievable,” Peter muttered softly.

His words were full of doubt, but Qin Yu didn’t care.

If he hadn’t experienced all this, Qin Yu probably wouldn’t have believed it himself.

Then, Qin Yu took the Impulse Protection Pill and walked to Yang Xiao.

He put his hand on Yang Xiao’s chest. After a while, Yang Xiao’s mouth opened slightly.

Qin Yu quickly put the Impulse Protection Pill into Yang Xiao’s mouth and used his Qi to move the Impulse Protection Pill into his body.

“It’s done.” After doing all this, Qin Yu looked at Yang Jing.

“I’ve done what I need to do. The rest is up to you,” said Qin Yu.

Yang Jing nodded and said, “Let’s go. I’ve asked someone to prepare a dinner party. Let’s talk while we eat.”

“I have to refuse your invitation.” Qin Yu shook his head. “I’ve gotta go back immediately.”

Yang Jing said in surprise, “Why are you in such a hurry? I was thinking of taking you out to paint the town red.”

Qin Yu muttered, “I don’t know why, but I have a bad feeling.”

This feeling was so strong that Qin Yu had to be vigilant.

Yang Jing saw that Qin Yu was determined to leave, so she didn't ask him to stay any longer.

Qin Yu walked out of the villa followed by a few people.

Then, Qin Yu took back his phone.

As soon as he switched on the phone, he saw several messages coming in.

Some messages were from Wei Jiang, Uncle Wu, and Wei Ming.

“Qin Yu, Jiang Gu has come out of seclusion. He has already entered the Great Grandmaster Realm. Remember, don't come back,” Uncle Wu said in the message.

“Qin Yu, did you really run away? Now, the whole of Chuzhou is talking about it. Everyone related to you has been suppressed by the Jiang family. Wei Ming was even severely injured...” Wei Jiang wrote in the message.

Seeing the contents of the text message, Qin Yu's face instantly turned extremely red.

“Jiang Gu... came out of seclusion at a time like this,” Qin Yu whispered.

He hurriedly looked at Yang Jing and said, “I have to go back immediately. Does your family have a private plane?”

Yang Jing rolled her eyes and said, “Private plane? Do you think my family is the richest in the country?”

Qin Yu was not in the mood to joke with her, so he urged her, “Then help me book a ticket immediately. The sooner, the better!”

“What happened?” Xu Maojun said with some surprise.

Qin Yu waved his hand and did not explain.

Then, he got into Yang Jing’s car and rushed to the airport.

On the way, Qin Yu called Uncle Wu.

The call was picked up in a short while.

Uncle Wu said anxiously, “Qin Yu, where have you been these past few days? Why did you fall out of touch?”

Qin Yu said in a deep voice, “I went out to attend to something. What’s the situation in Chuzhou Now?”

Uncle Wu was silent for a moment, then he sighed and said, “In short, don’t come back now. I’ll try my best to deal with it.”

“No.” Qin Yu was a little angry.

“Uncle Wu, I hope you can tell me the truth.” Qin Yu’s tone was a bit cold.

Hearing Qin Yu’s voice, Uncle Wu sighed and say, “Jiang Gu is looking for you. The people related to you have been suppressed to different degrees.”

“Wei Ming was beaten into a vegetable. Wei Jiang was temporarily suspended from his job. Now, Jiang Gu... has gone to Jiangcheng.”

Qin Yu’s face instantly turned extremely pale!

Anger instantly filled his chest!

“Qin Yu, in short, don’t come back now,” Uncle Wu said in a deep voice.

Qin Yu gritted his teeth. He suppressed his anger and said, “Uncle Wu, help me do something.”

“Tell me,” Uncle Wu agreed.

“Go and tell Jiang Gu that I’ll take the responsibility myself. It has nothing to do with others. At most one day, I will rush back to Jiangcheng,” Qin Yu said coldly.

On the other end, Uncle Wu turned pale with fright. He hurriedly said, “Are you crazy? Jiang Gu now is a genuine grandmaster. If you come back, you’ll die for sure!”

“Even if I die, I won’t let others die for me!” Qin Yu said coldly.

“Moreover, Jiang Gu isn’t all that. He might not be able to kill me.”

Uncle Wu tried to persuade Qin Yu to change his mind but to no avail.

Uncle Wu had no choice but to agree.

After hanging up the phone, Qin Yu looked at Yang Jing and said, “Please Drive Faster.”

...

Jiangcheng.

The news of Jiang Gu's arrival instantly spread throughout the whole city.

The higher-ups immediately stopped Qin Yu's factory in order to calm things down.

The people who were related to Qin Yu were also in a panic at this moment.

"Brother Hu, I heard that Jiang Gu is ruthless and full of tricks. Should we hide?" In Lei Hu's office, one of his subordinates said in a deep voice.

Lei Hu's expression was extremely pale.

How could he not be afraid!

If people were asked about who was the person closest to Qin Yu in Jiangcheng, everyone would answer it was him, Lei Hu!

It was very likely that Jiang Gu would kill him to threaten others!

"No." After hesitating over and over again, Lei Hu still shook his head. "If I leave, the ones who will suffer will probably be others."

Lei Hu's underling muttered, "Brother Hu, Qin Yu has already run away, why should we stay here? Speaking of which, Qin Yu is such a selfish coward .."

Lei Hu glared at him and berated, “Don’t talk nonsense! I believe that Mr. Qin is not that kind of person!”

That said, Lei Hu was still a little worried internally.

In the past few days, he had heard lots of news from Chuzhou.

Even those who were not very close to Qin Yu were severely injured.

Yet, Qin Yu never showed up.

Although Lei Hu wanted to believe Qin Yu with all his heart, the fact made him a bit worried.

“Opportunities and risks coexist. That’s the old saying we should believe.” Lei Hu gritted his teeth.

“If I can stand up for Mr. Qin this time, I may seize the greatest opportunity in my life!” Lei Hu stood up and made up his mind.

It was very hard for him to further climb the social ladder. This position may be the highest one he could reach.

But who didn’t have ambition? Who didn’t want to be a big shot who could almost dominate the whole country?

...

Su family.

Su Wen and Sun Yumei were sitting at home watching TV.

As two ordinary citizens, they naturally didn't know anything about Jiang Gu.

The two of them were eating watermelon in early autumn while watching the soap opera on TV.

At this moment, a Rolls-royce Gaste pulled up at the door.

When the car stopped, they saw Jiang Gu and uncle Zhong get out of the car.

“Master, this is Qin Yu's original family,” Uncle Zhong said.

Jiang Gu snorted and said, “Since it's his original family, it must be very important to Qin Yu. Let's start with them.”

“Yes.” Uncle Zhong nodded slightly.

Jiang Gu and Uncle Zhong pushed open the gate and strode in.

As soon as they entered, Sun Yumei stared at Jiang Gu.

“Who are you? Who let you in?” Sun Yumei frowned and asked.

Jiang Gu glanced at them and said indifferently, “Is this Qin Yu's home?”

At the mention of Qin Yu, Sun Yumei was so angry that she couldn't even speak.

“You are Qin Yu's friends, right? Let me tell you, get out of Here!” Sun Yumei yelled in a huff..

Chapter 193: Fear

Hearing Sun Yumei's words, Uncle Zhong's face turned cold.

“Do you know who this is? Watch your manners!” Uncle Zhong shouted.

Sun Yumei sneered, “I don't care who you are. What can Qin Yu's friend be? Are you guys going to scam or not? If you don't, Don't blame me for being impolite!”

After saying that, Sun Yumei picked up the broom and smacked it towards Jiang Gu!

“A mere ant dares to shout at me. You're pulling the bell of death!” Jiang Gu waved his hand and Sun Yumei was sent flying!

Su Wen's expression suddenly changed! He hurriedly ran over to hug Sun Yumei and shouted in pain, “Yumei! !”

However, Sun Yumei had stopped breathing, and her signs of life had completely disappeared!

Jiang Gu looked at Su Wen coldly as if he was waiting for his next move.

However, he never expected that not only did Su Wen not have any intention of taking revenge, he even knelt on the ground with a plop!

“Please forgive me! We were stupid to treat you like that! Please have mercy and spare my life...” Su Wen's entire body trembled as he said in fear.

Jiang Gu and Uncle Zhong exchanged looks and couldn't help but sneer.

“What a coward! No wonder Qin Yu ran away like a chicken. It seems cowardice runs in your family!” Jiang Gu sneered.

“Tell me, where is Qin Yu?” Uncle Zhong asked.

Su Wen hurriedly shook his head and said, “I don't know. We have nothing to do with Qin Yu, but... I know where he usually lives!”

“Tell me,” Uncle Zhong said coldly.

“In the Dragon Paradise Villa!” Su Wen hurriedly said.

Jiang Gu and Uncle Zhong looked at each other, then turned around and left.

Su Wen sat on the ground and looked at Sun Yumei's corpse. A trace of pain flickered across his face.

“It's all Qin Yu's fault. Qin Yu, you harmed my entire family!” Su Wen gritted his teeth and raised his head to roar!

...

Jiang Gu and Uncle Zhong came to Qin Yu's residence.

There was no one here, but the environment was rather elegant.

Jiang Gu violently broke open the door and strode into the villa.

“Zhong, spread the news, I, Jiang Gu, invite all influential figures of Jiangcheng to have a chat,” said Jiang Gu indifferently.

Uncle Zhong hurriedly nodded and said, "Understood."

That day, all the famous people of Jiangcheng were invited.

As Qin Yu's representative, Lei Hu was naturally the first to be invited.

Looking at the invitation letter placed in front of him, Lei Hu's expression was extremely pale.

"Brother Hu, you can't go there! This is definitely a trap!" Lei Hu's underling exclaimed.

"That's right! If you go there, Jiang Gu will definitely let you have it!"

Lei Hu's was also somewhat afraid.

After all, Jiang Gu was an incredible big shot in Chuzhou. When he became famous, Lei Hu was still just a small hooligan.

Lei Hu held the invitation letter in his hand. He gritted his teeth, stood up, and said, "Someone has to face Jiang Gu in Jiangcheng. Otherwise, no one knows what he will do."

At this moment, Lei Hu was quite responsible.

Moreover, Lei Hu was also afraid that this matter would have a negative influence on his family.

"Which one of you is willing to go with me?" Lei Hu's eyes roamed across the crowd.

The group of underlings kept silent. No one spoke.

Lei Hu shook his head and smiled bitterly. “Forget it, I’ll go alone.”

“Brother Hu, I’ll go with you.” At this moment, Lance took one step forward.

Lei Hu opened his mouth. He patted Lance’s shoulder and said, “You’re a true friend! If I can make it out alive, I’ll give you a promotion!”

In the evening.

All the famous people of Jiangcheng gathered in Dragon Paradise Villa.

Everyone was frightened and uneasy. They walked together and discussed in horror.

“It’s all Qin Yu’s fault. This bastard ran away on his own and made us take the fall!”

“Yeah, I knew he wasn’t a good guy!”

“Qin Yu is just a coward. He doesn’t even have the courage to face Jiang Gu. He’s such a worthless so-and-so!”

“If anyone dares to talk nonsense again, don’t blame me for tearing his mouth apart!”

At this moment, a voice suddenly came over.

Turning around, they saw Lei Hu and Lance walking over.

Facing Lei Hu, everyone still had some fear in their hearts.

For a moment, all the people quieted down.

Lei Hu swept his gaze over everyone and said coldly, “You all have made lots of money out of Soul Nourishment Pill, haven’t you? Why didn’t you say anything when you were earning money? If you can talk nothing but sh*t, then shut up!”

Although everyone kept silent at Lei Hu’s words, in their heads, they had cursed Lei Hu as much as they could.

Lei Hu snorted lightly and went into the villa with Lance.

After Lei Hu had left, these people started cursing, “Who do you think you are? You’re just a minion!”

“Lei Hu is Qin Yu’s number one minion. Let’s see how much longer he can remain arrogant!”

In the villa.

Jiang Gu stood in a higher place and looked down on everyone.

To Jiang Gu, these so-called important figures in front of him were just ants. They were not worth looking at.

It was very quiet inside the hall. No one dared to say anything.

“What’s your relationship with Qin Yu?” At this moment, Uncle Zhong opened his mouth.

Hearing this, everyone hurriedly said, “Mr. Jiang, we have nothing to do with Qin Yu!”

“Yes! We have disliked him so long!”

“Mr. Jiang, please get rid of this evil bast*rd for us!”

Everyone shouted loudly, belittling Qin Yu as if he was a worthless rat.

Jiang Gu enjoyed this feeling very much.

He liked to be praised as if he was a God, and he enjoyed looking down on all livings.

“A clever guy knows when the right time to jump ship is. As long as you all distance yourselves from Qin Yu, we, the Jiang family, will not do anything to you,” Uncle Zhong said indifferently.

“Don’t worry, Qin Yu is just a loser! Who would take a fancy to him?”

“Exactly, how could Qin Yu have the qualifications to be on par with you!”

“We are willing to follow Mr. Jiang!”

“Follow me?” Jiang Gu raised his eyebrows.

He sneered, “Do you guys think you deserve a leader like me?”

As soon as he said this, the atmosphere became extremely awkward.

“In my eyes, you are just a bunch of reptiles. I’m in a good mood, so I don’t have to step on you to death,” Jiang Gu said coldly.

The famous figures of Jiangcheng immediately looked embarrassed.

“Mr. Jiang... Mr. Jiang is right!” Someone shouted.

“We are just ants. It’s our honor to meet Mr. Jiang!”

Looking at everyone’s attitude, Lei Hu couldn’t help but curse in his head.

“Who’s Lei Hu?” At this moment, Uncle Zhong suddenly looked around.

Everyone cast a look at Lei Hu in unison.

Lei Hu’s expression changed slightly. He brought himself to stand up and said, “M-Mr. Jiang, I’m Lei Hu...”

“I heard that you have a good relationship with Qin Yu?” Jiang Gu narrowed his eyes and asked.

Lei Hu’s heart pounded, and he didn’t know what to say for a moment.

“That’s right, Mr. Jiang. Lei Hu is Qin Yu’s loyal minion!”

“Yes, just now he was talking nonsense at the door, saying that he would kill you like killing a dog when Qin Yu comes back!”

“Mr.. Jiang, you can’t let up on him!”

Chapter 194: Different Paths Lead to Different Strategies

Lei Hu's face instantly turned extremely pale!

He stared at the people around him while his eyes were filled with anger!

“What are you guys looking at? Isn't that the case? You're the one managing the factory.”

“Yes, there's also Mr. Yang!”

Jiang Gu looked at Lei Hu coldly and said indifferently, “I just came to Jiangcheng, and I really need to find someone to establish my authority. You're a good choice.”

Lei Hu swallowed hard. He braced himself and said, “Mr. Jiang, I believe that Mr. Qin will definitely come back. He...”

“Bang!”

Before Lei Hu could finish his words, he was sent flying by Jiang Gu's slap!

“How can a stray dog be worthy of addressing me?” Jiang Gu said coldly.

Although he didn't use much strength, Lei Hu was an ordinary person after all. His body was severely injured, and he kept spitting out blood from his mouth!

“Hmm ?”

At this moment, Jiang Gu’s eyes suddenly landed on Lance.

He swept his gaze over Lance and coldly said, “You want to kill me ?”

Lance’s body tensed up.

His murderous gaze was actually seen by Jiang Gu!

“I am impressed with all of you.” Jiang Gu sneered.

“You’re just a lap dog, yet you actually dare to have killing intent towards me ?” Jiang Gu flicked his finger, and a burst of internal qi instantly shot out!

“Bang!” A crisp sound rang out!

Lance’s knees were immediately shattered, and with a “plop” , he knelt on the ground!

When he saw Lance kneeling on the ground, Jiang Gu’s eyes flashed with contempt.

“I’ll use the two of you to establish my authority.” Jiang Gu stood up.

Since he wanted to establish his authority, he naturally wanted to make people feel fear.

Jiang Gu’s hands emitted internal qi.

This internal qi slowly flowed, and in the end, it took the shape of a dragon's head!

This technique was the Divine Dragon Fist that Jiang Haoran had used before!

“Mr. Jiang is indeed a living legend! He actually has such outstanding abilities!”

“Mr. Jiang is a prodigy!”

Everyone started to flatter him, and their faces were filled with shock!

When had they ever seen such a technique? In their eyes, this was simply a legendary technique!

Jiang Gu's eyes were filled with indifference, as if what was in front of him wasn't a human life, but a piece of grass.

“Don't worry, I will hang your corpses on the wall tomorrow,” Jiang Gu said indifferently.

Just as he was about to activate the spell, his phone suddenly rang.

Mr. Zhong picked up the phone and took a look, then hurriedly handed it to Jiang Gu.

“Master, it's Qin Yu's cell phone number!” Mr. Zhong exclaimed.

“Oh really?” Jiang Gu raised his eyebrows.

He took the cell phone and sneered. “Qin Yu actually dares to call me?”

“He probably wants to beg for mercy,” Mr. Zhong said from the side.

Jiang Gu sneered. “Beg for mercy? If I don’t tear him into pieces, I’m not Jiang Gu!”

Then, Jiang Gu picked up the phone.

“Qin Yu, you...”

“Old fart, I’m warning you. This matter has nothing to do with anyone but me. You’d better not try to take it out on anyone else!” Before Jiang Gu could finish his words, he heard a series of angry curses!

Jiang Gu’s expression instantly turned extremely ugly!

“Qin Yu, do you know what you’re saying?!” Jiang Gu scolded.

Qin Yu said coldly, “There are at most 20 hours before I arrive at the provincial capital. Wait for me to chop off your head!”

The veins on Jiang Gu’s forehead bulged, and a murderous aura instantly spread out!

He had reigned in Chuzhou for many years, but no one had ever dared to speak to him like this!

“I’m at your house now,” Jiang Gu said coldly.

“You must pay the price if you dare to scold me,” Jiang Gu said with a cold smile.

Qin Yu didn't panic at all. Instead, he said with a sneer, “Jiang Gu, to tell you the truth, I've left a mark on your son's body. As long as I want to, he will be dead.”

“If you don't want your son to die, you'd better wait for me to come back.”

Jiang Gu's expression changed slightly, and then he laughed out loud. “You want to scare me? Do you think I'm scared?”

“You can try if you don't believe me! Oh right, I forgot to tell you. I'm an apothecary. A mere mark is nothing at all.” Qin Yu said with a cold smile.

Jiang Gu's expression immediately became somewhat ugly.

He coldly berated, “Alright, Qin Yu, I'll wait for you! I'll personally tear you into pieces!”

“In three days, I'll go to the provincial capital to look for you. Wait for me,” Qin Yu said coldly.

After saying this, Qin Yu hung up the phone.

On the other end, Jiang Gu's face was ashen. He looked at Mr. Zhong.

Mr. Zhong said in a sullen voice, “Qin Yu is indeed an apothecary, and he has mastered the Blue Spirit Fire.”

“Blue Spirit Fire?” This shocked Jiang Gu somewhat.

He had never seen blue-colored spiritual fire!

“Consider yourselves lucky.” Jiang Gu glanced at Lei Hu and Lance.

Then, he waved his hand and said, “Let’s go home!”

Jiang Gu and Mr. Zhong didn’t dare to stay any longer and quickly left Jiangcheng.

On the other side, Qin Yu was rushing back in a hurry.

The so-called “mark” was all nonsense from Qin Yu. If it weren’t for Jiang Haoran’s unrelenting attitude, Qin Yu wouldn’t have planned to hurt him at all, so why would he leave the mark in advance?

However, in order to protect everyone, Qin Yu had no choice.

In the living room, Lei Hu swept his gaze across everyone, gritted his teeth, and said, “You guys will get retribution! When Mr. Qin returns, he definitely won’t let you off!”

“Hehe, how long do you think Qin Yu can live?” However, these people weren’t afraid at all.

“Lei Hu, now that everyone knows that Qin Yu has offended Jiang Gu, and you are Qin Yu’s man, how many more days do you think you can act all high and mighty?”

Lei Hu’s expression was cold. He didn’t say anything. Instead, he stood up and left the Longhai Mountain neighborhood with difficulty while carrying Lance on his back.

Time flew by, and twenty hours passed in the blink of an eye.

Mr. Wu had been waiting for Qin Yu at the airport early on. As soon as he saw Qin Yu alight from the plane, he ran over quickly.

“Qin Yu, you are too reckless.” Mr. Wu shook his head.

Qin Yu glanced at Mr. Wu and said, “If I don’t come back, the one who will be injured will be someone else.”

Mr. Wu sighed. “Qin Yu, I have something I don’t know if I should say.”

“Which successful person didn’t climb up by stepping on others? Which one is truly clean?”

“For some people, being sacrificed is their destiny.”

Hearing this, Qin Yu’s face instantly turned extremely ugly!

He looked at Mr. Wu coldly and said, “Mr. Wu, in your eyes, anyone can be used as a tool, but in my eyes, it’s different. Everyone’s life should be respected.”

“In your high position, you should be more considerate of the lower class, and not feel arrogant and superior.”

“I hope that we have the right to question the strong, and not deprive the weak of their remaining dignity and life.”

“Mr. Wu, I don’t wish to hear such words again.”

Qin Yu’s few words left Mr. Wu speechless.

He seemed to find this sentence somewhat familiar, as if he had heard it before.

“Miss Yan?” Mr. Wu suddenly remembered.

At that time, Yan Ruoxue had said something similar..

Chapter 195: The Letter of Challenge

Mr. Wu stood there in silence for a long time before he quickly followed behind.

Qin Yu’s return to Chuzhou wasn’t publicized.

The first thing he did when he returned was to head straight for the Wei family’s home.

The Wei family’s home was perhaps the family that had suffered the most. If Qin Yu didn’t come to visit, it would be indecent of him.

At the entrance of the Wei family’s home.

Qin Yu’s Audi RS9 had already been repaired and was placed at the entrance.

Looking at the car, Qin Yu felt anguish in his heart.

Although he understood that Wei Ming was only standing on his side because of benefits, not many people would have believed him at a time like that.

Qin Yu took a deep breath. He pushed open the door and was about to walk in when Wei Tao walked out.

The moment he saw Qin Yu, his eyes immediately burned with rage!

“Qin Yu, you bastard! It’s because of you that my son became a vegetable. You have to return my son’s life...” Wei Tao kept punching Qin Yu’s body.

Qin Yu, allowing Wei Tao’s fists to land on his body, didn’t move at all.

Perhaps Wei Tao was tired from beating Qin Yu, he sat on the ground and looked extremely tired.

Qin Yu sighed slightly. He bent down and patted Wei Tao’s shoulder gently.

“Mr. Wei, I will avenge Wei Ming and treat Wei Ming’s illness at the same time,” Qin Yu said sincerely.

Wei Tao glanced at Qin Yu coldly and sneered. “Revenge? If you dared to take revenge, why would you run away to another country?”

Qin Yu knew that it was useless to say anything more, so he turned around and walked into Wei Ming’s room.

Wei Ming laid on the bed without moving. If it wasn’t for the fact that he still had internal qi, he would probably be considered dead.

Qin Yu sat beside Wei Ming and said quietly, “Wei Ming, I will remember your kindness.”

He sat by the bed for a long time before leaving the Wei family’s home.

“Qin Yu, I will definitely tell Jiang Gu about your return,” Wei Tao said coldly.

Qin Yu stopped in his tracks.

With his back facing Wei Tao, he said in a sullen voice, “I won’t trouble you. I’ll tell him myself.”

After saying this, Qin Yu left the Wei family’s home.

Besides Wei Ming, Hong Wu, Wei Jiang, and even Mr. Yang were all retaliated against.

Among them, the one who suffered the most was Hong Wu.

Although the ruthless Jiang Gu didn’t kill Hong Wu, he crippled his cultivation base!

He turned from an experienced Inner Strength Past Master into a cripple!

When Qin Yu arrived at the Hong family’s home, Hong Wu was sitting at the door while looking like an old man in his twilight years.

His followers had left a long time ago and he was alone in the huge manor. He looked extremely lonely.

“Mr. Qin.” Hong Wu wasn’t too surprised when he saw Qin Yu.

Qin Yu said in a sullen voice, “Mr. Hong, you can beg Jiang Gu for mercy to avoid this.”

A bitter smile flashed across Hong Wu’s face.

“Jiang Gu said that he would rather kill a thousand wrongdoers than let one go. Do you think it’s useful to beg for mercy?” Hong Wu’s face was full of anguish.

“I did beg for mercy, but it only saved my life.”

“To me, losing my cultivation base is no different from dying.”

Hong Wu’s voice was trembling as he spoke, and even Qin Yu felt anguish.

“Hong Wu, I will bear all the responsibility for my mistakes,” Qin Yu said in a sullen voice.

Hong Wu shook his head and said with a wry smile, “It’s useless to say this. I’m alone now. What’s the point of you killing Jiang Gu?”

Hong Wu, in order to cultivate, had never married or had children.

It was no exaggeration to say that martial arts were everything to him.

Now that his cultivation had been crippled, he was indeed living a life worse than death.

Qin Yu raised his hand and placed it on Hong Wu’s lower abdomen.

“What are you doing?” Hong Wu frowned.

Qin Yu said in a sullen voice, “Hong Wu, this might be an opportunity for you.”

“Opportunity?” Anger appeared on Hong Wu’s face.

“When I found out that you were a pharmacist, I mistakenly thought that I had obtained an opportunity.”

“But in the end? The result was that I became a cripple!”

Hong Wu glared at Qin Yu, and the anger that had been burning for days finally exploded!

Qin Yu was silent for a moment before he slowly said, “There are more than one cultivation method. As long as your Dantian isn’t shattered, you might be able to break through to the grandmaster realm.”

Hong Wu was stunned, and his eyes were filled with confusion.

However, Qin Yu didn’t explain to him. Instead, he patted Hong Wu on the shoulder and said, “In three days, when I kill Jiang Gu, I will make it up to you.”

After saying this, Qin Yu left the Hong family.

Although the news of Qin Yu’s return didn’t spread widely, it still spread around Chuzhou.

Almost everyone knew about it.

“Qin Yu actually came back!”

“It seems that he can’t hold on any longer. After all, the Jiang family is ruthless.”

“Hehe, his return this time is like sending himself to his death.”

Everyone discussed animatedly. The Jiang family also received the news.

“Sir, Qin Yu is back.” Mr. Zhong stood beside Jiang Gu and said in a sullen voice.

A fierce look flashed across Jiang Gu’s face!

“Qin Yu... you really dared to come back! I will tear you into pieces!” A murderous aura rose from Jiang Gu’s body, and the entire room’s atmosphere became cold and eerie.

“Mr. Zhong, set off immediately. I want to kill Qin Yu!” Jiang Gu said coldly.

At this moment, a disciple of the Jiang family suddenly ran in.

“Master, Qin Yu sent a letter!” The disciple said anxiously.

Jiang Gu hurriedly took the letter.

He opened it and saw four words on it: A letter of challenge.

The time and place were written on it.

Apart from that, there were also some harsh words.

“I will chop off your head for my friend.”

“See you at the Eastern Cemetery in three days.”

“I hope you can come to the appointment on time.”

Upon seeing the contents of the letter of challenge, Jiang Gu couldn't contain his anger anymore!

"It's been a long time since someone dared to speak to me like that!" Jiang Gu tore the letter of challenge into pieces!

"Qin Yu is really reckless." Mr. Zhong couldn't help but sigh.

Jiang Gu was an Inner Strength Grandmaster and was a truly top-notch existence. How could Qin Yu compare to him?

"Answer him. Tell him that in three days, I will go to the Eastern Cemetery to take revenge for my son," Jiang Gu said coldly.

"Yes." Mr. Zhong hurriedly nodded.

This matter quickly spread. The matter of Qin Yu taking the initiative to challenge Jiang Gu became a hot topic.

"Qin Yu is really audacious. He actually took the initiative to challenge Jiang Gu!"

"I heard that he specifically chose the cemetery. Could it be because it's convenient to bury his body?"

"If this kid can really win, he will definitely achieve great things in the future!"

No one had expected that not only did Qin Yu not hide, but he even took the initiative to provoke Jiang Gu!

Yan Jiang, who was in charge of secretly observing, also sighed slightly.

“Qin Yu’s courage has really exceeded my imagination.” Yan Jiang took a puff of his cigarette and muttered in a low voice.

At this moment, his phone suddenly rang.

He picked up the phone and saw a text message.

The person who sent the text message was Yan Ruoxue..

Chapter 196: On the Eve of the Great Battle

Yan Jiang didn’t dare to neglect Yan Ruoxue’s text message.

He hurriedly took out his phone and opened the text message.

The content of the text message was very short. There were only a few words: keep an eye on Qin Yu. If necessary, you can kill Jiang Gu, or even wipe out the Jiang family.

Yan Jiang’s expression turned cold, and he quickly replied, “Yes, miss.”

After replying, Yan Jiang couldn’t help but take two puffs of his cigarette.

“What kind of fortune did Qin Yu cultivate in his lifetime...” Yan Jiang shook his head.

...

On the other side, after Qin Yu issued his challenge, he rushed straight to the Eastern Cemetery.

This place was desolate and uninhabited, and the dark energy was dense. The moment he stepped in, he felt a little uncomfortable.

Qin Yu first walked around this area, then turned around and left this place before arriving at the market.

He swaggered around the market and attracted a lot of people's attention.

"Isn't that Qin Yu? He actually has the mood to stroll around the market?"

"Hurry up and stay away from him, lest you get caught in the crossfire."

Qin Yu was unmoved by the discussions of the crowd.

He bought a lot of strange things in big and small bags, then rushed back to the Eastern Cemetery.

In the next few days, Qin Yu didn't leave the Eastern Cemetery. Instead, he stayed here all day, and no one knew what he was doing.

In the dark, Mr. Zhong was quietly observing Qin Yu.

"Humph, what does Qin Yu want to do?" Mr. Zhong couldn't help but frown when he saw Qin Yu's strange actions.

"Mr. Zhong, do you need me to go and test the waters?" The person beside him asked.

Mr. Zhong was silent for a moment before he said coldly, "I'll go myself."

Then, Mr. Zhong put his hands behind his back and strode into the Eastern Cemetery.

At this moment, Qin Yu was sitting in the Eastern Cemetery while doing breathing exercises.

Everything looked unusually calm.

It wasn't until Mr. Zhong walked to his side that Qin Yu slowly opened his eyes.

Looking at Mr. Zhong's gloomy face, Qin Yu said coldly, "You're the loyal dog of the Jiang family, right?"

Mr. Zhong's expression changed, and the people around him were even more eager to make a move!

"You're quite carefree," Mr. Zhong said with a sneer.

Qin Yu glanced at him and said indifferently, "If you have something to say, say it quickly. I don't want to see the people of the Jiang family."

Mr. Zhong berated, "I heard that you are an apothecary?"

"So what if I am?" Qin Yu raised his eyebrows and said.

Mr. Zhong said indifferently, "In that case, I think you can cure the eldest young master."

Qin Yu couldn't help but sneer.

“You’re right. I do have a way to cure Jiang Haoran, but so what?”
Qin Yu said coldly.

Mr. Zhong said with a nonchalant smile, “Before you die, there’s still room for maneuver.”

“How about this? You cure the eldest young master’s illness, then ruin your own cultivation base and kneel in front of the Jiang family’s door for three days and three nights to announce to the world that this matter is over. How about it?” Mr. Zhong said indifferently with his hands behind his back.

“This can at least save your life, right?” Mr. Zhong continued.

When he heard this, Qin Yu’s face flashed with ridicule.

“Who do you think you are?” Qin Yu raised his brows and asked.

“A dog dares to appear in front of me and speak so cockily?!” Qin Yu coldly berated.

Mr. Zhong’s expression slightly changed. He narrowed his eyes and said, “I gave you a chance. Since you didn’t appreciate it, then wait for death!”

After saying this, Mr. Zhong turned around and left.

“Stop.”

At this moment, Qin Yu suddenly shouted.

Mr. Zhong sneered and said, “Why? Have you thought it through?”

Qin Yu didn't say anything. Instead, he instantly appeared in front of Mr. Zhong.

"I want to give you a reality check" Qin Yu said indifferently.

As soon as he said this, Qin Yu suddenly attacked! He suddenly smashed Mr. Zhong's lower abdomen!

It seemed to be an ordinary punch, but it shattered Mr. Zhong's dantian!

"You have to pay the price for showing off," Qin Yu said with a sneer.

Mr. Zhong held his lower abdomen while feeling the rapid loss of inner strength in his body.

His expression instantly became extremely ugly!

"You... you actually ruined my cultivation base!" Mr. Zhong shouted in horror.

Qin Yu sneered and said, "I spared your life. You should thank me."

He gave him a taste of his own medicine.

Mr. Zhong never thought that what he said would actually come true for him!

"Qin Yu, your crime can't be forgiven! The patriarch definitely won't let you off!" Mr. Zhong roared again and again.

Qin Yu ignored him. He turned his head back and continued to meditate.

In the Jiang family's home, Jiang Gu's expression was livid and he was furious!

“Qin Yu doesn't take the Jiang family seriously at all!” Jiang Gu roared!

He never thought Qin Yu would be so arrogant!

Mr. Zhong said in pain, “Master, my cultivation base is crippled. You must avenge me...”

Jiang Gu glanced at Mr. Zhong and said coldly, “Don't worry. I will skin him, pull out his tendons, and cut him into pieces!”

...

Time flew by.

In the blink of an eye, there was only one night left before the fight between the two.

That night, Qin Yu slowly opened his eyes.

“At level three of the Foundation Establishment Stage, my chances of winning against an Inner Strength Grandmaster are almost zero,” Qin Yu murmured.

He flipped his palm and took out the bronze sword and the stone statue.

“I wonder if this bronze sword can give me a surprise,” Qin Yu held the bronze sword in his right hand and murmured.

– The next morning –.

The Eastern Cemetery was packed with people.

Many warriors, afraid to miss this good show, came because of the buzz.

They didn't dare to go forward, but surrounded the cemetery.

Hong Wu also came to the cemetery. He looked at Qin Yu, who was sitting cross-legged, with mixed feelings.

“Look, Qin Yu is already here.”

“What is he doing sitting there? Why does it look like he is meditating?”

“Don't you guys think it's a little strange? Ever since I stepped into the Eastern Cemetery, my body has been feeling a sense of oppression.”

“Yeah, the dark energy in the Eastern Cemetery is too heavy. It goes against our inner strength, so naturally, our strength will be suppressed.”

“Could it be that Qin Yu did this on purpose? But he will also be suppressed.”

For a moment, the surrounding people discussed animatedly.

Yan Jiang and another Inner Strength Grandmaster who was responsible for Qin Yu's safety also came to the scene.

This Inner Strength Grandmaster was called Gao Rui. Although he wasn't as strong as Yan Jiang, he was still a top Inner Strength Grandmaster.

He was far more powerful than Jiang Gu, who had just become an Inner Strength Grandmaster.

The two of them restrained their internal qi and observed in the dark.

"Mr. Yan, my internal qi also seems to feel a suppression," Gao Rui said in a sullen voice.

Yan Jiang nodded slightly and said, "Regardless of the strength, there will be a certain level of suppression. However, the higher the strength, the smaller the suppression."

Hearing this, Gao Rui couldn't help but exclaim, "Isn't Qin Yu digging his own grave?"

Yan Jiang also couldn't figure it out.

After all, Jiang Gu was an Inner Strength Grandmaster, so the suppression he suffered was definitely much smaller than Qin Yu's.

Just when the two were puzzled, a Rolls-royce drove over in a very high-profile manner.

As soon as the car stopped, they saw Jiang Gu get out of the car..

Chapter 197: The Power of an Inner Strength Grandmaster!

Jiang Gu's arrival immediately brought the tense atmosphere to a climax!

Countless people greeted Jiang Gu one after another, and there were even shouts from the scene.

Jiang Gu's eyes were only on Qin Yu.

He glared at Qin Yu and said coldly, "Little b * stard, you really dared to come!"

Qin Yu slowly stood up from the ground.

He put his hands behind his back and said with a nonchalant smile, "Old b * stard, I've been waiting for you for a long time. Have you washed your neck clean?"

Everyone at the scene went into an uproar!

Many people gasped!

Qin Yu didn't take Jiang Gu seriously at all!

Jiang Gu's expression was livid. He sneered and said, "Sharp-tongued brat, I'll sew your mouth up for you later!"

After saying that, Jiang Gu took a step forward and arrived at the Eastern Cemetery in an instant.

The internal qi of an Inner Strength Grandmaster was released in an instant!

This terrifying aura instantly caused sand and stones to fly in the Eastern Cemetery!

“So this is an Inner Strength Grandmaster’s power!” Someone exclaimed.

“How powerful. I even feel like I can’t breathe.”

“Inner Strength Grandmasters indeed live up to their reputation!”

After sensing this internal qi, Qin Yu frowned slightly.

The strength of this internal qi was clearly beyond Qin Yu’s imagination.

“You hurt my son and ruined my family’s reputation. If I don’t kill you, I, Jiang Gu, won’t be a human!” Jiang Gu raised his head and roared!

His voice was filled with inner strength, and it shook everyone’s eardrums until they felt pain!

Qin Yu looked at Jiang Gu coldly and said, “It was your son who took my things. As for Jiang Haoran, I didn’t want to hurt him at all. It was all because he refused to let go.”

“Cut the crap! Die!” Jiang Gu didn’t listen to him at all. He held his inner strength and raised his hand to attack Qin Yu!

The power of an Inner Strength Grandmaster exploded in an instant. The terrifying gust of wind from his first seemed to tear the air apart!

This punch was extremely powerful and instantly smashed into Qin Yu's body!

“Boom!”

Qin Yu's body flew out and crashed into the mountain rock!

The small mountain was covered with cracks and then collapsed!

Everyone was shocked!

Just a single punch was so powerful. The strength of an Inner Strength Grandmaster was beyond imagination!

“Is it over?” Someone frowned.

“If it's over, it would be meaningless.”

Jiang Gu didn't put his hands behind his back as he looked at Qin Yu coldly.

Soon, Qin Yu walked out of the ruins.

His clothes had been torn and it revealed his strong muscles.

But what was shocking was that Qin Yu's body wasn't injured at all.

“What a powerful punch.” Qin Yu looked at his body and murmured.

At the same time, Qin Yu sighed to himself.

The toughness of his body was also beyond imagination.

In the next second, Jiang Gu stepped forward again!

With surging killing intent, he arrived in front of Qin Yu in an instant.

With a “bang”, Qin Yu rose from the ground into the air!

Jiang Gu followed closely behind, and another punch landed on Qin Yu’s back!

Qin Yu, who had just soared into the air, fell heavily into the ground again!

A huge crater was created on the ground! However, Jiang Gu still didn’t give up.

Qin Yu was like a puppet, and he couldn’t resist at all!

“This... is a crushing defeat.”

“What is Qin Yu thinking? How dare he provoke Jiang Gu with his current level of strength?”

“It’s over. Qin Yu can’t fight back at all.”

Hong Wu was also shocked. Jiang Gu’s punches were beyond his imagination!

“If it were me, I would probably be dead by now,” Hong Wu murmured.

After a series of bombardment, Qin Yu was smashed into a deep pit.

The scene was completely silent.

After a long while, the deep pit didn't move at all.

Jiang Gu looked in that direction coldly and said, "Even a peak-stage Inner Strength Past Master wouldn't be able to withstand these punches. You're dead meat."

At this moment, a sound came from the deep pit.

A figure flew out from the deep pit with a swoosh!

Qin Yu's body was covered with a faint dark golden light. His physical body was intact!

"As expected of an Inner Strength Grandmaster. Without the Saintly Body Technique, these few punches would be able to shatter my physical body." Qin Yu looked at his own body and whispered.

Jiang Gu's expression changed slightly. He said coldly, "Kid, it seems that you have quite some ability."

Qin Yu looked at Jiang Gu and said in a sullen voice, "Jiang Gu, your strength is indeed stronger than I imagined."

Jiang Gu narrowed his eyes and laughed loudly. "Kid, just now, I only used 50% of my strength. Otherwise, you would have already become a corpse!"

50% of his strength?

Everyone present gasped!

To have such power at close to 50% of his strength, how terrifying would his full strength be?

“Swoosh!”

Right at this moment, Jiang Gu approached again!

His fist was wrapped with strong inner strength, and it was approaching Qin Yu’s face!

“The same old trick? It’s useless!” Qin Yu roared and actually went up to meet it head-on!

“Clang!”

There was a deafening loud sound!

Qin Yu only felt his arm go numb, as if it was about to be shattered by this internal force!

“Boom!”

Jiang Gu didn’t stop there and approached him!

In the blink of an eye, the two sides exchanged more than ten punches, but Qin Yu was actually not at a disadvantage!

“How is this possible?! Qin Yu is only an Inner Strength Master Hands, but he actually exchanged blows with an Inner Strength Grandmaster?”

“Could it be that Qin Yu is concealing his strength?!”

“No one present can withstand these few punches from Jiang Gu!”

After more than ten punches, Qin Yu began to feel that his arm was a little unable to withstand it anymore!

Jiang Gu’s expression became increasingly sullen. The stalemate was an insult to him!

“Qin Yu, you have successfully angered me!” Jiang Gu raised his head and roared angrily while instantly raising his internal qi to its peak!

“Boom!”

Another punch!

After this punch, Qin Yu couldn’t take it anymore!

The full-strength attack of an Inner Strength Grandmaster was far beyond imagination!

Even with the augmentation of the Saintly Body Technique, Qin Yu’s arm was still nearly broken!

This internal force shook Qin Yu so much that he couldn’t stop vomiting blood!

“Swoosh!”

Qin Yu was smashed to the ground for the second time!

And this time, Qin Yu’s situation looked extremely bad.

His entire body was dyed red with blood, and his flesh was shattered, revealing his white bones!

Jiang Gu sneered and then laughed out loud!

“In front of an Inner Strength Grandmaster, you have no way to fight back.” Jiang Gu put his hands behind his back while feeling that victory was in his hands.

In the crowd, Yan Jiang frowned.

He stared at Qin Yu while thinking about something.

“Qin Yu, I will kill you now and take revenge for my son!” Jiang Gu shouted and slapped his palm down!

This palm could cover the sky and cover the earth! A huge palm condensed in the air!

The palm pressed down while crushing everything!

“Mr. Yan, it’s time for us to make our move!” Gao Rui said anxiously.

Just when Gao Rui was about to make his move, Yan Jiang stopped him.

“Wait a little longer.” Yan Jiang shook his head.

He remembered the first time he taught Qin Yu a lesson.

At that time, Qin Yu was knocked down by Yan Jiang several times, but he still stood up.

In the end, his potential exploded, and he even injured Yan Jiang!

“I believe that he won’t fall just like that.” Yan Jiang stared in Qin Yu’s direction and said coldly..

Chapter 198: Twists and Turns!

At some point in time, Yan Jiang’s attitude towards Qin Yu changed from doubt to passive trust.

High up in the sky, the large hand was still rolling downwards.

Sand and stones rose with the strong wind. The rolling power almost caused the ground to sink!

And the person below the ground was none other than Qin Yu.

“Mr. Yan, we have to make a move. If anything happens to Qin Yu, Miss Yan will never forgive us!” Gao Rui said anxiously.

Yan Jiang still dragged Gao Rui back and shook his head. “Wait a little longer.”

“Buzz!”

That big hand finally slammed down fiercely!

A huge handprint instantly appeared on the ground!

“It’s over,” Jiang Gu said indifferently with his hands behind his back.

The scene was silent. Everyone held their breath and looked in Qin Yu's direction.

"It seems that this kid is really dead meat."

"It's already pretty impressive that he can hold on for so long in front of an Inner Strength Grandmaster."

Hong Wu, who wasn't far away, shook his head. He had mixed feelings.

"It seems that there won't be any more miracles this time," Hong Wu murmured.

He had already used the Saintly Body Technique, but he still couldn't withstand it. How could Qin Yu resist it?

Just as everyone was making their decision, Qin Yu's body erupted with light once again!

This time, the golden light flourished even more, and even his pores turned dark golden in an instant!

Under the brilliant light, Qin Yu's body also slowly stood up from the ground.

"As expected!" Yan Jiang was instantly overjoyed. "I knew this kid wouldn't fall so easily!"

"Qin Yu didn't die!"

Everyone gasped!

Under the crushing force of Jiang Gu's palm, not only did Qin Yu not die, but his internal qi was even stronger!

"Fortunately, I have the support of the second level of the Saintly Body Technique." Qin Yu looked at his destroyed body and couldn't help but mutter in a low voice.

It was almost impossible to raise his level in a short period of time.

Therefore, Qin Yu used these few days to cultivate the Saintly Body Technique to the second level.

"Little b*stard, you are really lucky." Jiang Gu's expression was cold, and his tone contained some anger.

Not being able to get rid of Qin Yu in a short period of time wasn't a good thing.

What Jiang Gu wanted wasn't only to kill Qin Yu, but also to use it to establish his power!

Qin Yu looked up at Jiang Gu and said coldly, "Jiang Gu, come and try again."

Jiang Gu shouted, "You're courting death!"

As he spoke, Jiang Gu's figure suddenly disappeared and quickly closed in on him!

"You want to fight me in close combat? That's exactly what I want!" Qin Yu said coldly.

He clenched his golden fist and faced Jiang Gu head-on!

Gusts of fist wind stirred up explosive sounds in the air!

“Bang! Bang!” The sound kept ringing out, but this time, Qin Yu wasn’t at a disadvantage at all. He even suppressed Jiang Gu!

Jiang Gu’s expression was a little ugly. Qin Yu’s physical body was far beyond his imagination!

Every time they clashed, Jiang Gu’s fist felt waves of numbness!

“How is this possible? He is just a mere Inner Strength Master Hands, so how can his physical body be so strong?!” Jiang Gu became more and more flustered as the battle went on. If this continued, it wouldn’t be good for him!

And the onlookers not far away were even more dumbfounded.

Qin Yu actually had an advantage over Jiang Gu? And he was at the level of an Inner Strength Master Hands?

There was a gap of two levels!

One had to know that even the legendary Ye Qing only fought someone one level above!

“This kid’s potential is beyond imagination.” Yan Jiang was greatly shocked!

At this moment, he completely changed his view!

If Qin Yu was given some time, he might really be able to attain outstanding progress!

“Whoosh!”

Finally, Jiang Gu couldn't hold on any longer. There was a gust of wind beneath his feet and he quickly retreated!

“I definitely can't fight this brat with his body.” Jiang Gu shook his slightly numb arm and muttered in a low voice.

The golden light on Qin Yu's body didn't diminish. He raised his head and looked at Jiang Gu while his eyes were filled with a strong fighting spirit.

“I'm tired of playing with you.” Jiang Gu said coldly.

“I'm tired of playing with you, too.” There was no expression on Qin Yu's face.

“D*mn you, I'll send you to hell right now!” Jiang Gu's face was ferocious as he roared angrily!

His fists slowly moved through the air, and a terrifying internal qi gathered on his fists!

His fists began to glow, and the light grew bigger and bigger until it was like two huge disks!

Traces of a dangerous internal qi spread out in all directions.

The terrifying pressure suffocated people!

Those who were weaker were shaken until they vomited blood!

“Boom!”

With a loud sound, the light on Jiang Gu's fist turned into two dragon heads!

This technique was the Jiang family's trump card, the Divine Dragon Fist!

Compared to Jiang Haoran, the power that Jiang Gu displayed was many times stronger!

"It's the Divine Dragon Fist. Jiang Gu was forced to such an extent!"

"The Divine Dragon Fist was created by the ancestors of the Jiang family. It can even shatter a small mountain!"

"I'm afraid Qin Yu is in trouble!"

Everyone was enveloped by a dangerous internal qi. Even Yan Jiang's expression turned solemn.

"The power of this Divine Dragon Fist is beyond imagination," Yan Jiang said in a low voice.

Gao Rui nodded. He said nervously, "Mr. Yan, it's time to make a move."

This time, even Yan Jiang had the same thought.

The internal qi released by this punch was too terrifying!

"Find an opportunity to end the fight as soon as possible," Yan Jiang looked at Gao Rui and said in a low voice.

Gao Rui nodded slightly. He quickly raised his internal qi to the maximum and could make a move at any time.

“They’re finally here.” Looking at the two dragon heads that condensed in the air, Qin Yu’s expression was a little solemn.

“Little b*stard, go to hell!” Jiang Gu’s hair flapped wildly as his fists suddenly smashed down!

The two huge dragon heads instantly came crashing towards him! If one listened carefully, one could even hear a hint of a dragon’s roar!

“Today, I’ll cut off your dragon head!” Qin Yu shouted loudly. With a flip of his palm, a bronze sword fell into his hand!

“Come!” Qin Yu’s body soared into the air. With the bronze sword in his hand, he ruthlessly hacked at the two dragon heads!

“Clang!”

The moment the bronze sword touched the dragon heads, it immediately let out a sound like the collision of steel and iron!

The two dragon heads weren’t affected in the slightest. The bronze sword only left a white scar!

On the other hand, Qin Yu only felt his arm go numb. His thumb split open, and blood dripped down!

“Hahaha, it’s useless! Qin Yu, you’re dead for sure today!” Jiang Gu laughed maniacally.

Qin Yu sighed. He glanced at the bronze sword and whispered, “Looks like I can’t rely on you anymore...”

Seeing Qin Yu’s miserable expression, Yan Jiang hurriedly said, “We can’t wait any longer. Attack!”

However, in the next second, the corner of Qin Yu’s mouth curled up into a smile.

“Fortunately, I made two preparations. Jiang Gu, you will definitely die today!” Qin Yu laughed coldly.

His feet shook, and his hands spread open. The surrounding dark energy gathered towards Qin Yu!

“Do you know that I came to the Eastern Cemetery three days in advance?” Qin Yu grinned coldly.

“Because.... I have already set up a formation here! Old b*stard, the one who deserves to die is you!” Qin Yu roared, and the surroundings of the cemetery suddenly flashed with rays of light!

Chapter 199: Becoming Famous After a Single Battle!

In an instant, eight rays of light flashed across the graveyard!

The radiance was so bright that it almost pierced through the clouds!

“What is this?” Everyone was shocked by this scene!

Even Yan Jiang's face was filled with astonishment as he stared fixedly at these rays of light.

"Could it be that... Qin Yu is also a Formation Master?" Yan Jiang swallowed hard.

He suddenly realized that he had underestimated Qin Yu previously. He was really too ignorant!

He had martial arts skills, medical skills, and formation skills. These skills were enough to establish a top-tier family!

"Old b*stard, you deserve to die." Qin Yu's gaze was extremely cold. At this moment, even his aura instantly changed!

Waves of dark energy surged over from all directions. With Qin Yu as the center, they gathered into a small vortex.

The atmosphere instantly became tense, and some people even shivered!

A look of shock flashed across Jiang Gu's face, but he wasn't afraid.

Because... Jiang Gu had full confidence in the Divine Dragon Fist!

"Putting on airs? Qin Yu, you will definitely die today!" Jiang Gu roared again and again, and the two huge dragon heads ruthlessly smashed towards Qin Yu!

"Watch me crush you!" Qin Yu roared, and all the dark energy instantly gathered on his fist!

"Boom!"

This was an unprecedented huge collision, and everyone was affected.

The strong ones retreated a few steps, while the weak ones kneeled on the spot!

“Rumble!”

The small hill in the distance was shattered, and the sand and stones were turned into dust. The vast and mighty aura almost filled this small area of the internal qi!

“Old b*stard, go to hell!” Qin Yu’s face was ferocious, and he roared repeatedly. The muscles on his body bulged like veins, and his fists crushed down with a crushing force!

Finally, the two dragon heads couldn’t take it anymore, and cracks began to appear!

“Crack!”

Then, under everyone’s watchful eyes, the dragon heads directly collapsed before turning into light spots and dissipating in the air!

“How is this possible?!” Jiang Gu’s pupils dilated, and he immediately felt that something was wrong!

However, it was already too late. After Qin Yu absorbed the dark energy, he seemed to have fallen into a state of madness!

He took a step forward, and his fist that was surrounded by golden light smashed into Jiang Gu’s chest fiercely!

Jiang Gu's chest instantly sank a few times, and his body fell heavily onto the ground!

"Go to hell!" Qin Yu didn't stop at all. He took advantage of the situation and continued to attack. Again and again, he kept punching at Jiang Gu's body fiercely!

Under this huge force, Jiang Gu's body was almost shattered!

He spat out a huge mouthful of blood!

"How is this possible?!" Everyone gasped!

A dignified Inner Strength Grandmaster was actually pressed into the ground and beaten up?

Jiang Gu, who had roamed Chuzhou for so many years, was actually lying on the ground like a dead dog?

This... this simply blew everyone's minds!

"Little b*stard, how dare you?!" Jiang Gu roared furiously, but he was punched again!

"Bang!"

Another punch landed on Jiang Gu's face.

Under this punch, Jiang Gu's facial bones were directly shattered!
His face was black and blue!

After a series of attacks, Jiang Gu had completely fallen to the ground.

He wanted to get up many times, but he was on the verge of collapsing and fell heavily to the ground.

Qin Yu panted heavily and stared at Jiang Gu.

“Little b*stard, you...” Jiang Gu spat out these words with difficulty.

But before he could finish his words, he spat out a mouthful of blood.

Then, he fell to the ground and completely fainted.

It was over.

This fight, which was the focus of everyone’s attention, ended just like that.

Jiang Gu had cultivated for three years and thought that he could once again dominate Chuzhou.

However, he had just come out of seclusion when he was severely injured by a junior.

“Jiang Gu has lost,” someone whispered.

They knew that from today onwards, Qin Yu would definitely be the focus of everyone’s attention. There would even be countless people trying to join his sect.

If he wanted to, he might be able to replace the Jiang family.

“Qin Yu... actually won...” Hong Wu was a little excited.

Although his cultivation base had been crippled, he couldn't help but be happy when he saw Qin Yu win.

“This kid is definitely a top-notch genius. Given some time, it's not impossible for him to go to Jingdu to compete with the disciples of the aristocratic families.” fanaticism flashed in Yan Jiang's eyes.

Such a genius couldn't be wasted!

“From today onwards, I will definitely watch him grow to the peak.” Yan Jiang made up his mind.

Previously, he had protected Qin Yu purely because of the Yan family's orders.

But now, Yan Jiang was willing to see Qin Yu stand at the peak!

“Jiang Gu, take care of yourself,” Qin Yu said coldly.

After saying this, Qin Yu moved his body and walked toward the crowd with difficulty.

“Mr. Qin, please get in the car.” Hong Wu walked forward quickly and helped Qin Yu into the car.

While he was sitting in the car, a smile finally appeared on Qin Yu's face.

He used his last bit of strength to send a message to Yan Ruoxue.

“Ruoxue, I won.”

After sending this text message, Qin Yu fainted.

Because of his physical exhaustion, he urgently needed to rest.

...

The news of Jiang Gu's defeat quickly spread throughout Chuzhou.

Although Jiang Gu didn't die, he was severely injured because of it.

This result was beyond everyone's imagination.

Even people in Jiangcheng found out about this matter.

"Mr. Qin really won!" Lei Hu jumped up in excitement!

The merchants who betrayed Qin Yu, however, felt a trace of worry.

They even held a private meeting to decide whether or not to leave Jiangcheng.

After much consideration, they still couldn't let go of Jiangcheng's business opportunities.

"Qin Yu is a soft-hearted person. As long as we apologize, I think he won't hold us accountable." Everyone came to an agreement.

Because of this, the Jiang family suffered a heavy blow. In contrast, Qin Yu became a big shot in Chuzhou.

Countless people came to him because of the incident. Many big families even wanted to spend a high price to obtain Qin Yu's protection.

In the blink of an eye, three days had passed.

Jiang Gu's body was tightly wrapped as he laid on the bed and couldn't move at all.

"Master..." Mr. Zhong looked extremely sorrowful.

He knelt on the ground and said resentfully, "Master, we can't let Qin Yu off!"

How could Jiang Gu not want to take revenge?

But now that he couldn't even move, what could he do?

"Master, since we can't defeat him through martial arts, then we'll use the Jiang family's connections to get rid of Qin Yu!" Viciousness flashed in Mr. Zhong's eyes!

Jiang Gu seemed to understand Mr. Zhong's meaning. He blinked his eyes to express his agreement.

Mr. Zhong immediately got up and walked out of the ward.

He took out his cell phone and made a call.

"Send someone to capture Qin Yu immediately!" Mr. Zhong said coldly.

No matter how good his martial arts skills were, in modern society, one couldn't go against the authorities!

And no one could resist modern firearms!

Chapter 200: Reckoning!

On the other hand, after Qin Yu woke up, he felt that his body had almost fully recovered.

The number of hangers-on who came to visit was still endless. For a while, Qin Yu was somewhat overwhelmed.

It was time to return to Jiangcheng, Qin Yu thought to himself.

At the very least, there wouldn't be so many people who came to disturb him in Jiangcheng. It was relatively quiet, so Qin Yu could take this opportunity to refine medicine to save Wei Ming.

Other than that, Qin Yu was also a little worried about the situation in Jiangcheng. After all, Jiang Gu had been there once.

Therefore, Qin Yu drove to Jiangcheng on the same day.

The news of Qin Yu's return to Jiangcheng spread like wildfire. As long as someone saw him on the road, he would take the initiative to greet Qin Yu.

The impact of this incident had far exceeded Qin Yu's imagination.

Not long after Qin Yu returned home, Lei Hu drove to Dragon Paradise Villa.

Upon seeing Qin Yu, Lei Hu fell to his knees with a plop.

He burst into tears and lost his usual gangster-like demeanor.

Qin Yu stretched out his palm, and a gentle force helped Lei Hu up.

“What are you crying for? What happened?” Qin Yu frowned.

Lei Hu sobbed as he told Qin Yu what had happened.

“These people are all two-faced. If it weren’t for them, Lance wouldn’t have lost two of his legs...” As he spoke, Lei Hu’s tears flowed down his face again. “Lance...” .

Qin Yu’s expression was a little unsightly, and a wave of anger suddenly rose up.

He took a deep breath and slowly said, “Lei Hu, arrange a dinner tonight. Just say that you want to welcome me back.”

Hearing this, Qin Yu hurriedly nodded and said, “Okay. Mr. Qin, who do you need to invite?”

“No one needs to be invited. Those who are willing to come will naturally come,” Qin Yu said slowly.

Lei Hu hurriedly nodded and said, “I’ll go and arrange it right away.”

After Lei Hu left, Qin Yu turned around and went upstairs.

Since Jiang Gu could easily summon this group of merchants, why not Qin Yu?

“Maybe I was too low-key,” Qin Yu thought to himself.

It was because of this that Qin Yu’s position in everyone’s heart wasn’t that high.

Then, Qin Yu found a chef and prepared a table full of dishes while waiting for the arrival of everyone.

In the evening, countless merchants flocked to the scene.

The people of Jiangcheng didn't want to miss this opportunity.

They all came to Dragon Paradise Villa with generous gifts.

Even Zheng Mingshuo came to the scene.

“Mr. Qin, I really didn't expect you to develop to such a level in such a short time,” Zheng Mingshuo sighed.

Qin Yu smiled and said, “I was just lucky.”

“Mr. Qin, don't be modest,” Zheng Mingshuo said with a wry smile.

Soon, the Dragon Paradise Villa was full of people.

Among these people, some relied on the Soul Nourishment Pill to make a living, and some purely came to welcome Qin Yu.

After a while, Lei Hu also came to the scene.

He pushed Lance, who was sitting in the wheelchair, and walked toward Qin Yu.

“Mr. Qin,” Lance greeted Qin Yu.

Looking at Lance, who was sitting in the wheelchair, Qin Yu felt a little guilty.

“Don't worry, your leg will recover.” Qin Yu patted Lance on the shoulder.

Lei Hu gritted his teeth and said, “Mr. Qin, don’t let these people off the hook no matter what!”

Qin Yu smiled and said, “I have my own plans. Please take your seat.”

Then, Qin Yu brought Lei Hu into the banquet hall.

When they saw Lei Hu, the expressions of many people present turned ugly.

“Mr. Lei, you’re here too.” The person who spoke was called Xiong Yi, the boss of a pharmaceutical factory.

Originally, Xiong Yi’s company was very ordinary. However, ever since he established ties with Qin Yu, the company also developed on a greater scale.

And he was the leader of this group of people. When they were kissing up to Jiang Gu back then, he was the first to stand out.

“Since a piece of trash like you is here, why can’t I come?” Lei Hu said in a bad mood.

Xiong Yi smiled embarrassedly and said, “Mr. Lei, why are you so angry? Sit down quickly. Let’s drink a little.”

Lei Hu snorted and didn’t say anything.

After Qin Yu came to the table, Xiong Yi took the lead to hold the wine glass, then stood up and said, “Congratulations, Mr. Qin, for returning home with honor. Let me toast to you!”

“Okay.” Qin Yu raised his wine cup and clinked it with Xiong Yi.

Xiong Yi was immediately overjoyed.

It seemed that Qin Yu didn't blame him!

Hence, the others followed suit and raised their wine cups to toast Qin Yu one by one.

Qin Yu didn't reject them and clinked them one by one.

This confused Lei Hu somewhat. He said anxiously, “Mr. Qin, they...”

Before Lei Hu could finish speaking, he was interrupted by Qin Yu with a wave of his hand.

They drank and ate merrily.

The atmosphere of this meal was quite harmonious. Only Lei Hu was sulking.

Soon, the meal came to an end.

“Mr. Qin, I didn't expect you to be so accomplished. We deeply admire you!” Xiong Yi said with a smile.

The others also followed suit and started to flatter him.

Qin Yu smiled. He put down the wine cup in his hand and swept his gaze towards the crowd.

“Everyone is doing this for the sake of wealth, so there’s no such thing as right and wrong. Even if you guys followed Jiang Gu, I would understand,” Qin Yu said slowly.

Hearing him say this, everyone at the scene heaved a long sigh of relief.

“However... Some people took advantage of others while they were down. This makes me feel a little disgusted.” Qin Yu changed the topic, and his tone instantly became somewhat cold.

The atmosphere instantly stiffened, and for a moment, it was a little awkward.

Qin Yu swept his gaze over everyone and said indifferently, “Now, if you take the initiative to admit your mistake, I might be able to let you off the hook.”

This group of people looked around and finally focused their gazes on Xiong Yi, as if they were waiting for Xiong Yi to set an example.

Xiong Yi stood up and said, “Mr. Qin, what are you saying? Jiang Gu is nothing. Does he deserve to be compared to you?”

“Xiong Yi, that’s not what you said back then!” Lei Hu immediately flew into a rage.

Xiong Yi ignored Lei Hu and continued, “Mr. Qin, don’t be blinded by this lowly person!”

“Who the f * ck are you calling a lowly person?!” Lei Hu shouted angrily.

Xiong Yi was unmoved. He snorted lightly and said, “I think everyone here knows who I’m talking about.”

After everyone heard Xiong Yi’s words, it was as if they had received an order. They all nodded and said, “Yes, Mr. Xiong is right. Mr. Qin, you must not be blinded by this lowly person!”

Lei Hu was so angry that he almost flew into a rage. He glared at Xiong Yi angrily and wished that he could tear him apart with his own hands!

“Mr. Qin, you’ve seen it. Everyone knows the truth!” Xiong Yi said with a smile.

Qin Yu looked at Xiong Yi. He narrowed his eyes and said, “Xiong Yi, not only did you hit me when I was down, but you also took me for an idiot.”

Xiong Yi’s expression changed. He was about to say something, but Qin Yu had already waved his big hand!

“Bang!” Xiong Yi was sent flying! Fresh blood spewed out non-stop!

Xiong Yi’s expression was somewhat ugly, but he knew very clearly that he couldn’t admit it no matter what!

Thus, Xiong Yi ignored the pain and crawled up from the ground. He said aggrievedly, “Mr. Qin, you have misunderstood me. What I said is absolutely true!”

“Absolutely true?” Qin Yu sneered repeatedly.

“You really don’t shed tears until you see the coffin.” After saying that, Qin Yu clapped his hands.

A large screen suddenly appeared on the wall.

“Xiong Yi, do you know that there is something called a surveillance camera?” Qin Yu said with a sneer..

Chapter 201: Arrested

As soon as he finished speaking, he saw the big screen on the wall slowly showing the scene from that day.

On the screen, Xiong Yi bowed and even led everyone to defame Lei Hu.

Seeing the content on the screen, Lei Hu got up excitedly and said, “Xiong Yi, what else do you have to say now!”

Xiong Yi’s expression was a little ugly. He never thought that Qin Yu would leave a surveillance camera in the living room!

“Mr. Qin, what happened that day was indeed my fault.” Xiong Yi hurriedly admitted defeat.

He smiled embarrassedly and said, “Mr. Qin, I also had no choice that day. Jiang Gu was too terrifying. I also had to protect my life.”

Qin Yu sneered and said, “I can understand if you wanted to protect your own life, but you wanted to use Jiang Gu to get rid of Lei Hu. I’m sorry, but I can’t tolerate it.”

Xiong Yi wasn't flustered, because in his impression, Qin Yu was especially forgiving.

Therefore, Xiong Yi said with a smile, "Mr. Qin, please forgive me. I know I'm wrong, and I'm willing to compensate Lei Hu! What do you think?"

"Compensate?" Qin Yu's expression turned cold. "Xiong Yi, you betrayed your own people and caused Lance to lose both his legs. Can compensation solve it?"

"Then what else do you want?" Xiong Yi mumbled.

"The matter has already happened. It's already good enough that I am willing to make up for it."

"Moreover, these people are all listening to me now. Without us working for you, you can't earn money, right..."

It was very obvious that Xiong Yi didn't take Qin Yu seriously at all!

His attitude towards Jiang Gu was completely different from his attitude towards Qin Yu!

Even if Qin Yu defeated Jiang Gu, in Xiong Yi's eyes, Qin Yu's influence was far inferior to Jiang Gu's!

"Are you challenging me?" Qin Yu narrowed his eyes.

He sneered. "It seems that sometimes, I really shouldn't treat you guys too well."

As soon as he finished speaking, Qin Yu raised his finger, and a violent force directly shattered Xiong Yi's knees!

Xiong Yi instantly fell to his knees with a plop!

"I now understand a principle. To you people, I have to make you afraid of me." Qin Yu slowly stood up and walked towards Xiong Yi step by step.

Xiong Yi's expression was somewhat unsightly, and he said in terror, "You... what do you want to do?!"

"If I don't kill you, who will submit to me in the future?" Qin Yu's voice carried a surging killing intent!

For a moment, Xiong Yi's expression turned pale from fright!

He hurriedly looked at the others and anxiously shouted, "You... you guys, plead on my behalf..."

But these people were fence-sitters in the first place, so how could they plead on Xiong Yi's behalf?

"Mr. Qin, I know I'm wrong. I . . . I won't dare to do it again in the future. I beg you to spare my life..." Xiong Yi's body trembled as he said in terror.

Qin Yu sneered and said, "If you knew this would happen, why did you do it in the first place?"

As soon as he finished speaking, Qin Yu raised his hand towards Xiong Yi's head!

At this critical moment, the door outside was suddenly pushed open!

Then, they saw a few police officers walk in!

The leader was a man with a square face. He shouted coldly, "Qin Yu, you're arrested!"

Qin Yu frowned slightly.

Arrested?

"Who are you?" Qin Yu frowned and asked.

The other party sneered. "I'm from the Police Department of Chuzhou. My name is Feng Xiang."

"Feng Xiang?" Lei Hu's expression changed.

He hurriedly said, "Mr. Qin, Feng Xiang is Jiang Gu's man!"

Qin Yu's expression instantly darkened.

He never expected Jiang Gu would use such a dirty trick after losing to him!

"Take him away!" Feng Xiang waved his hand, and a few people rushed towards Qin Yu.

"What do you want to do?!" Lei Hu hurriedly shouted.

Feng Xiang questioned coldly, "Qin Yu, you want to go against the authorities?!"

Qin Yu frowned.

Going against the authorities absolutely wasn't allowed.

In this era, no matter who it was, they couldn't go against the authorities.

"Lei Hu, back off." Qin Yu waved his hand.

"Mr. Qin..." Lei Hu seemed a little anxious, but there was nothing he could do.

Qin Yu looked at Feng Xiang and said in a sullen voice, "I'll go with you."

Feng Xiang sneered. "That's more like it!"

Then, a few people walked to Qin Yu's side.

They seemed to be a little nervous. The man in front of them was, after all, someone who had won against Jiang Gu, so it was impossible not to be nervous.

Under everyone's watchful eyes, Qin Yu was brought into the car.

"D*mn it, he scared me to death." Xiong Yi panted heavily and felt a chill on his back.

"I knew Jiang Gu wouldn't let Qin Yu off. He actually wanted to kill me? Dream On!" Xiong Yi snorted coldly.

Lei Hu glared at Xiong Yi and berated loudly, "Xiong Yi, haven't you been taught a lesson from the last time?!"

"Lesson?" Xiong Yi snickered.

“Don’t tell me you think Qin Yu will still be able to come out this time? Let me tell you, the Jiang family has dominated Chuzhou for many years. Their connections are beyond your imagination!”

“This time, Qin Yu will definitely die in there!”

Xiong Yi’s words made Lei Hu’s expression turn a little ugly.

That’s right, the Jiang family had been in Chuzhou for so many years. Their connections had long been deeply established. It was too difficult to do anything to them.

“But without Qin Yu’s protection, who are you? Go back to being a gangster!” Xiong Yi sneered.

Then, he looked at the driver and shouted, “Take me to the hospital!”

...

After Qin Yu got in the car, it sped to the provincial capital.

“Mr. Feng, I want to know, what law I have broken?” Qin Yu asked.

Feng Xiang glanced at Qin Yu and sneered. “Don’t you know what law you’ve broken? You fought and even killed people, right? This is enough to get you a death sentence!”

Qin Yu frowned tightly.

Feng Xiang wasn’t wrong.

Qin Yu had indeed killed people, such as that overseas Inner Strength Past Master.

He had also fought and injured Liu Shihui, Jiang Haoran, and so on.

But... they usually turned a blind eye to competitions between martial artists.

As for that overseas Inner Strength Past Master, the media had praised Qin Yu!

Most importantly, they had no evidence of this!

“Do you think we have no evidence?” Feng Xiang seemed to have guessed Qin Yu’s thoughts.

He took out a stack of documents and sneered. “These are all evidence of you breaking the law. See for yourself!”

Qin Yu took the documents and glanced at them. They were full of murder cases.

But these weren’t done by Qin Yu at all! He had never even heard of them!

“Are you deliberately messing with me?” Qin Yu said with a cold expression.

Feng Xiang sneered. “So what if I am? So what if I’m not? Qin Yu, do you think that you can rise to the top by defeating Jiang Gu? Let me tell you, it’s impossible!”

A flash of anger flashed across Qin Yu’s expression.

He glared at Feng Xiang and said, “You’re slandering me.. You’re the one who broke the law!”

Chapter 202: Omnipotent!

“Hahahaha!” Feng Xiang couldn’t help but burst into laughter.

“Qin Yu, who would believe in your words?” Feng Xiang raised his eyebrows and said.

Qin Yu was instantly enraged, and his entire body was filled with murderous aura!

Even after feeling this murderous aura, Feng Xiang didn’t seem to be afraid.

He sneered and said, “You want to kill me? Do you dare to?”

Qin Yu almost lost his composure, but Yan Ruoxue’s figure kept appearing in his mind.

“No, I can’t be destroyed like this.” Qin Yu gritted his teeth.

He closed his eyes and began to breathe slowly to adjust his state of mind.

Feng Xiang sneered. “Stay here obediently.”

The car sped all the way and soon arrived at the provincial capital.

However, what surprised Qin Yu was that he wasn’t brought to the police station. Instead, he was transferred to a relatively remote place.

There was a huge cage with a few big words written on it: Martial Arts Association’s Prisoner Detention Center.

Qin Yu looked up at the plaque and couldn't help but frown.

What was this place? Why had he never heard of it?

"Come down." Feng Xiang waved his hand to indicate for Qin Yu to get out of the car.

Qin Yu got out of the car and followed Feng Xiang to the door.

Not long after, a person came out from inside.

Qin Yu took a closer look. This person was actually an Inner Strength Past Master!

"President Yuan, I'll leave the person to you." Feng Xiang said with a nonchalant smile.

The man called President Yuan nodded slightly and said, "Don't worry, I'll definitely deal with it seriously."

Then, Feng Xiang turned to look at Qin Yu.

He smiled nonchalantly and said, "This is the place that deals with martial artists like you, and I am the vice president here."

This was the first time Qin Yu found out about the Martial Arts Association and their responsibilities.

But... this place didn't seem to belong to the government at all.

"Don't think about escaping. Otherwise, you will be treated as a fugitive." Feng Xiang once again saw through Qin Yu's thoughts.

Qin Yu's expression was slightly ugly. He glanced at Feng Xiang coldly with his eyes filled with killing intent.

"Feng Xiang, it won't end well for you." Qin Yu coldly said.

"Are you threatening me?" Feng Xiang laughed loudly.

"I advise you to think of a way to leave this place first." Feng Xiang sneered.

Following which, Mr. Yuan waved his hand, and two more Inner Strength Past Masters walked out.

They grabbed Qin Yu's arm and walked towards the prison.

"Go in!" After walking to a cage, the two of them pushed Qin Yu in roughly.

The cage was slowly closed, and the surroundings fell into darkness.

Qin Yu stretched out his palm, and a wisp of spiritual fire fell into his palm.

Borrowing the light of the spiritual fire, Qin Yu looked around.

The environment here was extremely bad. Not only was there no light, but there wasn't even a place to sleep.

Qin Yu tried to sense the internal qi around him, but he found that the internal qi here seemed to be blocked.

"I won't die here, will I?" Qin Yu frowned.

He never thought that Jiang Gu would use such a despicable method!

...

In the Jiang family's home.

“Master, Qin Yu has been taken into custody. Yuan Hong is preparing the relevant materials. As long as the materials are ready, Qin Yu will die without a doubt,” Mr. Zhong reported.

Jiang Gu sat up with difficulty and said with a cold expression, “Spread the news! I want everyone in Chuzhou to know that no one here can go against the Jiangs!”

“Yes!” Mr. Zhong quickly agreed.

The next day, this news quickly spread throughout Jiangcheng.

This time, everyone's attitude toward Jiang Gu was both hatred and fear.

“Jiang Gu is really shameless. He used such despicable methods when he wasn't capable enough!”

“Using his connections to suppress Qin Yu is really disgusting!”

“Sigh, there's nothing we can do. The Jiang family is too well-connected in Chuzhou. What good will it be if we provoke them?”

Everyone discussed animatedly. This time, they began to pity Qin Yu.

After all, for so many years, the only person in Chuzhou who dared to provoke the Jiang family and succeed was Qin Yu alone.

...

At this moment, Mr. Wu also received the news.

“Dad, you must think of a way to save Qin Yu!” Xiao Yu shook Mr. Wu’s arm, and there was anxiety in her tone.

Mr. Wu’s expression was also extremely unsightly. He smoked one cigarette after another.

“I really didn’t expect that Jiang Gu would use such a method to suppress Qin Yu,” Mr. Wu said in a sullen voice.

But for Mr. Wu, this matter was also quite a headache.

As the top dog in Chuzhou, Jiang Gu had an extremely close relationship with the Martial Arts Association.

In the early years, there were even rumors that the Martial Arts Association was the Jiang family’s back garden.

Even if Mr. Wu went to ask for him, the Martial Arts Association probably wouldn’t give in!

“Dad, say something!” Xiao Yu said anxiously.

Mr. Wu was silent for a moment, then he stood up and said, “I’ll go and talk to Jiang Gu. There might still be a chance.”

Thinking of this, Mr. Wu quickly got up and personally drove to the Jiang family.

In the Jiang family's home, Mr. Wu sat in front of Jiang Gu's bed and said politely, "Mr. Jiang, how is your body?"

Jiang Gu smiled nonchalantly and said, "I've almost recovered. I believe that I'll be able to recover to my peak condition in no time."

These words were actually a warning.

Mr. Wu could naturally discern it and couldn't help but feel a little embarrassed.

"Chief Wu, if you have something to say to me, just say it," Jiang Gu said nonchalantly.

Seeing this, Mr. Wu didn't bother to be polite anymore.

He went straight to the point and said, "Mr. Jiang, I'm here about Qin Yu. If I still have some authority, I hope you can let Qin Yu go."

When he heard this, Jiang Gu couldn't help but laugh.

"Authority?" Jiang Gu raised his eyebrows.

"Mr. Wu, as far as I know, you seem to have retired, right?" Jiang Gu said with a nonchalant smile.

Mr. Wu frowned slightly and said in a sullen voice, "What do you mean?"

"What do I mean?" Jiang Gu sneered repeatedly.

“Mr. Wu, let me tell you, if it were in the past, I would still be afraid of you! Now that you have retired, you have no real power!”

“Show you respect? What do you think you are?” Jiang Gu shouted loudly!

When he heard Jiang Gu’s words, Mr. Wu’s expression instantly became extremely ugly!

He had guessed that Jiang Gu would refuse, but he didn’t expect him to be so impolite!

“Jiang Gu, do you think that you have the final say in Chuzhou?!” Mr. Wu glared at Jiang Gu and said.

Jiang Gu snorted coldly and said, “At least you don’t have the final say.”

“Also, let me tell you, not only do I want to lock Qin Yu in, but I also want him to die in there!”

“So what if you have great abilities in Chuzhou? As long as I give the word, even a genius will die prematurely!”

Mr. Wu was so angry that his face flushed. He pointed at Jiang Gu and said, “Jiang Gu, I will never let you off the hook!”

“Hahaha! You can go to the Martial Arts Association personally to ask for him. See if they will give in,” Jiang Gu said sarcastically.

Mr. Wu gritted his teeth and didn’t say anything more. He turned around and left the Jiang family’s home..

Chapter 203: Yao Qing?

Faced with Jiang Gu's arrogance, Mr. Wu couldn't do anything.

He couldn't make things difficult for the Jiang family, and the Martial Arts Association wouldn't give in either.

For a moment, Mr. Wu's face was full of worry.

The next day, Qin Yu was still locked in this narrow room.

But he could feel that he wasn't the only one locked in here.

"Looks like a lot of martial artists are locked up here." Qin Yu muttered softly.

He couldn't help but feel a little worried.

What if the Jiang family was really determined to have the Martial Arts Association get rid of him? What should he do?

"Escape?" Qin Yu frowned.

If he escaped, he would probably never be able to return to Pyro in the future, so how could he go to Jingdu and marry Yan Ruoxue?

But if he were to not escape and die here, then everything would be in vain.

At that moment, the sound of footsteps suddenly sounded from outside.

Not long after, a ray of light lit up.

A few people stood at the door.

And the one leading them was Yuan Hong, and Jiang Gu's butler, Mr. Zhong.

When he saw the two of them, Qin Yu's expression immediately turned icy cold.

Mr. Zhong walked forward and stood outside the prison. He sneered and said, "Qin Yu, so what if you win against him? Aren't you still a prisoner?"

Qin Yu said coldly, "Jiang Gu really has quite some backbone. Is he really the number one person in Chuzhou? Is that all he has?"

Mr. Zhong laughed and said, "The winner takes all! As long as you succeed, who will remember your methods?"

Qin Yu suddenly stood up and glared at Mr. Zhong. "If I knew this would happen, I would have killed Jiang Gu!"

"Hehe, you won't have the chance," Mr. Zhong sneered.

He leaned against the side of the cage and said gloomily, "Let me tell you, after you die, all the people who depend on you will be tortured by the Jiang family!"

"I will make your friends and relatives beg for death!" Mr. Zhong said viciously.

When he heard this, Qin Yu was furious!

He suddenly released his spiritual energy and smacked Mr. Zhong's chest!

Mr. Zhong was sent flying!

If an ordinary person was hit by his palm, they would definitely die!

However, Mr. Zhong was an Inner Strength Past Master after all. Even though his cultivation base was ruined, his body was still an Inner Strength Past Master.

Therefore, he only spat out a mouthful of blood!

"Qin Yu, you really don't know what's good for you!" Mr. Zhong wiped the blood off his mouth.

He turned to look at Yuan Hong and said, "President Yuan, transfer him to the public room."

Yuan Hong smiled and said, "No problem."

After saying that, he waved his hand and two Inner Strength Past Masters walked in from outside the door.

"Transfer the criminal Qin Yu to the public room," Yuan Hong said.

"Yes."

The two of them brought Qin Yu to the dark depths.

"Qin Yu, let me tell you. Your documents will be ready soon. At that time, you will die for sure!" Mr. Zhong's voice came from behind.

Qin Yu didn't say anything. He clenched his fists, and the anger almost devoured him!

“Get in!”

They went all the way to the public room.

The public room was very large. Rather than calling it a cage, it was more like an abandoned wasteland.

There were no beds here. Everyone was sleeping on the ground.

At a glance, there were at least dozens of martial artists in the public room!

And the strongest one almost reached the realm of an Inner Strength Past Master!

“This Martial Arts Association is really quite shady.” Qin Yu frowned slightly.

He found a random place to sit down, then closed his eyes and began to meditate.

Qin Yu's mind raced. He thought of countless methods, but none of them worked.

“Do I really have to die here...” Despair flashed across Qin Yu's face.

His state of mind became increasingly unstable, as if he was going to explode at any moment!

“No, no, I definitely can’t die here!” Qin Yu gritted his teeth, and his entire body emitted waves of light!

He stood up and looked at the exit of the cage while the energy in his body suddenly burst out!

“Kid, I advise you to give up this idea.”

At this moment, someone beside him suddenly reminded him.

“Although the Martial Arts Association is a non-governmental organization, it has an extraordinary position in the hearts of all the martial artists in the world. If you forcefully break out of the cage, then you will be the enemy of the whole world,” the person continued to say.

Qin Yu’s brows immediately furrowed.

It was very obvious that the Martial Arts Association was an official organization in the hearts of the martial artists.

No one was willing to offend them.

Qin Yu’s internal qi began to stabilize.

He took a deep breath and muttered in a low voice, “Maybe there’s still a chance. Mr. Wu and the others will definitely think of a way.”

Thinking of this, Qin Yu withdrew his internal qi and sat down again.

At this moment, a commotion suddenly came from not too far away.

“Kneel down before me!”

After turning around, he saw four to five martial artists surrounding a young man.

These four to five people were all at the Inner Strength Past Master realm, and their strength was extraordinary!

As for the young man who was surrounded, his strength was insignificant.

“Don’t even think about it! Even if I die, I won’t submit to you!” The young man roared furiously.

Originally, Qin Yu didn’t care about this kind of thing at all, but this young man’s voice was somewhat familiar to Qin Yu.

He opened his eyes and looked in the direction of the voice.

He saw that the young man who was surrounded was actually Yao Qing!

“Why is Yao Qing here?” Qin Yu’s expression changed, and he immediately stood up and walked towards Yao Qing’s direction.

A few martial artists raised their hands and pressed on Yao Qing’s shoulders.

“You’re not going to kneel, right? Then we’ll break your legs and make you kneel for the rest of your life!” The leading brawny man shouted angrily.

Yao Qing’s forehead dripped with a trace of sweat, but even so, he still forcefully held on.

“You’re too big for your britches.” The brawny man snorted coldly.

He raised his rough palm towards Yao Qing!

Just as this palm was about to land on Yao Qing’s body, a delicate and pretty palm grabbed his wrist.

The brawny man frowned slightly and shouted angrily, “Who dares to meddle in my business?!”

“Your father!” Qin Yu said coldly.

In the next second, Qin Yu exerted force with his palm and crushed the brawny man’s wrist!

“Ah!!”

The intense pain made the Brawny man roar crazily!

The people around him were even more furious and rushed towards Qin Yu!

However, in front of Qin Yu, these Inner Strength Past Masters weren’t worth mentioning.

Qin Yu was extremely ruthless. With every punch, someone’s arm and leg would be broken!

In just a few minutes, these four to five Inner Strength Past Masters were all wounded!

“Mr. Qin? You... why are you here?” Yao Qing said with a stunned expression.

Qin Yu patted Yao Qing's shoulder. Then, he swept his gaze across the crowd and said coldly, "You like to make people kneel down so much?"

"Kid, mind your own business..." someone gritted his teeth and said.

Qin Yu glanced at him and then stretched out his big hand. Like swatting a fly, he smacked him to the ground!

"You like to make people kneel down, right? Then I'll let you all have a taste of kneeling on the ground," Qin Yu said coldly.

In the next second, Qin Yu went away.

In just a few short seconds, the knees of these Inner Strength Past Masters were all shattered!

Chapter 204: I Refuse!

Such powerful strength and ruthless methods instantly caused the atmosphere to turn heavy.

Many people, afraid that they would be implicated, took two steps back.

"You don't have to go to this extent over such a small matter." At this moment, a young man said with a smile.

Qin Yu glanced at him and didn't say anything. He just waved his hand, and a wave of qi energy immediately came pressing over!

Under this burst of energy, the young man seemed to have suffered a heavy blow. With a bang, he knelt on the ground!

“Just now, when Yao Qing was bullied by them, you didn’t say a word. Now, why are you pretending to be a good person? Kneel together!” Qin Yu said coldly.

Everyone was stunned.

No one expected that this young man who had just been locked up would be so powerful!

Those few Inner Strength Past Masters were even more flustered. Which one of them wasn’t a big shot in the outside world? Which one of them wasn’t sought after by everyone?

But now, their legs were broken by Qin Yu and they were kneeling on the ground!

At this moment, they were a little afraid!

“Sir, I . . . we know that we were wrong. Please be magnanimous...” someone said in a low voice.

Qin Yu glanced at him and sneered. “Kneel down. Don’t stand up for an hour.”

After saying that, Qin Yu pulled Yao Qing to the side.

“Mr. Qin, your strength... has reached such a level?!” Yao Qing’s eyes lit up and said excitedly.

Qin Yu ignored his remark and frowned. “Why are you here?”

Yao Qing couldn't help but sigh when he mentioned this topic.

Then, Yao Qing told him the whole story.

After the conversation, Yao Qing found out that Yao Qing had a sister who was studying in the provincial capital.

When he worked for the Shen family, he had arranged for his sister to be in the provincial capital.

Now that he worked for Qin Yu, he wanted to bring his sister to Jiangcheng so that he could take care of her.

“But I never thought that I would offend someone in the provincial capital. That person is a relative of a member of the Martial Arts Association,” Yao Qing said with a bitter smile.

“I quarreled with him a little, and then I was locked up for three years.”

When he heard this, Qin Yu's expression suddenly became even colder.

This also made Qin Yu's impression of the Martial Arts Association a little worse.

“This Martial Arts Association is really unreasonable,” Qin Yu said coldly.

Yao Qing sighed and said, “What can we do about it?”

Qin Yu couldn't figure out why such an unfair organization existed and what qualifications it had to manage all the martial artists in the world.

Most importantly, no martial artist in the world had ever thought of rebelling. Instead, they viewed them as authority.

It was truly laughable.

“Mr. Qin, why are you here?” Yao Qing asked in puzzlement.

Upon the mention of this topic, Qin Yu couldn't help but fall into silence.

He didn't know if he would have a chance to leave after coming in this time. He might even die here.

Thinking of this, he couldn't help but laugh bitterly.

“Mr. Qin, what's wrong?” Yao Qing asked.

Qin Yu shook his head and smiled. “Nothing.”

“By the way, didn't I promise to teach you breathing exercises?” At this moment, Qin Yu suddenly remembered something.

Yao Qing nodded and said, “Yes, I thought you had forgotten about it.”

“Sigh, there were too many things on my mind. I had indeed forgotten about it,” Qin Yu said with a bitter smile.

“While there is still time, I will teach you the breathing exercise,” Qin Yu said in a sullen voice.

Yao Qing had followed Qin Yu for a long time without any complaints.

And Qin Yu had nothing to give him. This breathing exercise might be the best gift.

Yao Qing hurriedly nodded and said, "Okay!"

Thus, the two of them walked to the side, and Qin Yu began to teach him the breathing exercise.

Yao Qing was talented, but he didn't have the resources of a big family.

Under Qin Yu's teaching, Yao Qing only spent an hour before comprehending this breathing exercise.

"Mr. Qin, I feel that this is different from the Inner Strength that I cultivate," Yao Qing said with some surprise.

Qin Yu smiled and said, "This is much stronger than Inner Strength. Remember this method and cultivate slowly in the future. Sooner or later, your strength will surpass your imagination."

Yao Qing, not daring to say anything more, nodded repeatedly.

"Qin Yu!"

At this moment, a shout suddenly came from outside.

After turning around, he saw Yuan Hong standing at the door.

Qin Yu frowned slightly and immediately walked toward the prison door.

"What? Do you need me for something?" Qin Yu asked coldly.

Yuan Hong sized up Qin Yu and then said indifferently, “You’d better put away your defiant attitude. I don’t like it very much.”

“What does you not liking it have to do with me?” Qin Yu sneered.

Yuan Hong wasn’t angry. He snorted lightly and said, “I’ve seen many arrogant and unruly young people like you, but unfortunately, they were all tamed in the end and became ordinary people.”

“Qin Yu, do you think you will be like them?” Yuan Hong raised his eyebrows and asked.

Qin Yu said impatiently, “If you have something to say, you’d better say it quickly. I don’t want to listen to your whining here.”

When he heard this, anger finally flashed across Yuan Hong’s face.

He took a deep breath and suppressed the anger in his heart. He said coldly, “I came to find you with the intention of giving you a chance.”

“Oh really?” Qin Yu raised his eyebrows. He couldn’t help but find it funny.

Give him a chance? With the M.O. of the Jiang family, would they give anyone a chance?

Yuan Hong continued, “I heard that you are a pharmacist. Our Martial Arts Association values talents, so we decided to give you a chance.”

Qin Yu didn’t say anything and signaled Yuan Hong to continue.

“As long as you are willing to cure Jiang Haoran, we can let you go and let you leave this place. How about it?” Yuan Hong said with a smile.

Surprise flashed across Qin Yu’s face. He said in surprise, “Is what you said true?”

“Of course,” Yuan Hong said with a smile.

“Qin Yu, this is a good opportunity for you. Don’t miss it,” Yuan Hong said patiently.

Qin Yu didn’t say anything. He stroked his chin, as if he was thinking.

“Think about it carefully. There aren’t many opportunities. After all, you aren’t the only pharmacist in the world.” Yuan Hong saw that Qin Yu seemed to be persuaded, and surprise flashed across his face.

“There’s no need to think about it anymore. Come with me,” Yuan Hong urged.

However, at this moment, Qin Yu shook his head and said with a sneer. “Sorry, I refuse.”

When he heard this, Yuan Hong’s expression immediately changed.

“You refuse?” Yuan Hong’s expression turned cold.

“Qin Yu, you have to think carefully. This is the only chance for you to survive!”

“There are many pharmacists in the world, and there are countless people who can cure Jiang Haoran!”

“If we didn’t cherish talents, you wouldn’t have gotten this chance!”

Qin Yu looked at Yuan Hong and sneered. “President Yuan, I’ve been a fool for the past thirty years, so I don’t like people lying to me.”

“If pharmacists are so easy to hire, why would the Jiang family come to me?”

“Moreover... even if I really cured Jiang Haoran, with the Jiang family’s moral character, they wouldn’t let me go, right?”

These words made Yuan Hong’s expression suddenly change!

Chapter 205: Certain Death Situation?

It was obvious that Qin Yu had guessed correctly.

Yuan Hong had no intention of letting Qin Yu go!

He wanted to use Qin Yu to cure Jiang Haoran and then lock Qin Yu back in!

“Hehe, Qin Yu, if you don’t use it when I give you a chance, then don’t blame me for being merciless,” Yuan Hong said with a cold expression.

“I will submit the materials very soon. At that time... you won’t have a chance to go back even if you regret it!” Yuan Hong berated coldly.

“You don’t have to worry about that,” Qin Yu said expressionlessly.

After saying this, Qin Yu turned around and left.

Although Yuan Hong was angry, he had no choice but to leave.

He went all the way back to the office. In the office, Jiang Gu was sitting there sipping tea.

“President Yuan, how was it? Did Qin Yu agree?” Jiang Gu asked.

Yuan Hong shook his head and sighed, “Mr. Jiang, Qin Yu is smarter than we thought. He has seen through our intentions.”

Jiang Gu immediately slammed the table and stood up!

He shouted angrily, “Are you going to let my son lie in bed for the rest of his life?!”

Facing Jiang Gu’s anger, Yuan Hong didn’t dare to say anything. He could only stand at the side and tremble.

“If it really doesn’t work... let’s let Qin Yu go. This way, he might be able to treat your son’s illness...” Yuan Hong suggested.

Jiang Gu glanced at Yuan Hong and said coldly, “No, this boy must die!”

Obviously, Jiang Gu was already panicking.

If Qin Yu didn’t die, it would be a disaster for the Jiang family!

He would never allow anyone to challenge the Jiang family's position in Chuzhou!

Yuan Hong sighed and said, "Then there's nothing we can do."

Jiang Gu glanced at Yuan Hong coldly and said, "Submit the materials immediately and kill Qin Yu. We'll talk about other things later."

To Jiang Gu, the status of the family was even higher than the life of his son Jiang Haoran!

...

After Qin Yu returned to the cage, Yao Qing hurriedly walked up.

"Mr. Qin, you... you offended the Jiang family?" Yao Qing's eyes widened in disbelief.

Just as Qin Yu was about to speak, a few Inner Strength Past Masters who were kneeling on the ground walked toward Qin Yu with the help of a few people.

This time, there was no longer any resentment on their faces. What replaced it was respect!

"Mr. Qin!" The few of them cupped their hands together and shouted.

This made Qin Yu somewhat surprised.

He sized up the few people in front of him and said with a half-hearted smile, "What is this?"

The few of them hurriedly said, “We heard that recently, there was a young man in Chuzhou who not only provoked the Jiang family, but also defeated Jiang Gu.”

“I never thought that that young man would be you!”

“Yeah, your deeds have long spread. We admire you a lot!”

“Please forgive us for offending you earlier!”

Qin Yu was even more surprised.

They even got the news from inside the cage?

It seemed that the Jiang family’s influence in Chuzhou was indeed beyond imagination.

“Mr. Qin, in all these years, no one has dared to provoke the Jiang family. You are the first person!”

“That’s right. If it’s possible, we are willing to follow you!”

These people were all Inner Strength Past Masters. If they were in the outside world, they would definitely be able to stir things up.

However, it was a pity that Qin Yu wouldn’t have the chance to leave.

The few of them chatted happily, and Qin Yu also healed their legs.

Even though these people were afraid of the Jiang family, they also had a strong sense of resistance in their hearts. It was just that they didn’t dare to do it.

After looking at the angry crowd, Qin Yu couldn't help but look in the direction of the prison.

He said in a sullen voice, "Why don't you guys follow me and rebel against the Martial Arts Association to break out of this prison?"

As soon as he said this, the crowd instantly fell into silence.

The crowd that was lively just now suddenly became a bit cold and quiet, and no one dared to speak.

"Mr. Qin, it's not that we don't want to help you, but... this isn't realistic," someone said.

"That's right, Mr. Qin. We advise you to give up this idea as well."

Qin Yu frowned and said with some confusion, "I saw it when I came in. This Martial Arts Association just has a few Inner Strength Past Masters holding down the fort. As long as we stick together, it'll be easy for us to break out."

"Mr. Qin, what you saw was just the Martial Arts Association in Chuzhou." The brawny man who took the lead shook his head.

"It's true that Chuzhou only has Inner Strength Past Masters. What about Zhongzhou? What about Jingdu?"

"The Martial Arts Association is the official organization of martial artists. They will never allow anyone to challenge their authority."

"Once there is a rebellion, Zhongzhou and Jingdu will probably send people to get rid of us."

Hearing this, Qin Yu immediately understood.

This Martial Arts Association was probably a huge organization.

After so many years, they had long developed deep-rooted power.

It naturally wasn't that easy to defy them.

"Mr. Qin, we're sorry." They cupped their hands and said.

Qin Yu smiled and said, "I was just joking. I'll have to trouble you guys to take care of Yao Qing in the future."

"Mr. Qin, please rest assured." Everyone said.

They hadn't been imprisoned for long, so they naturally wouldn't take this risk with Qin Yu.

And Qin Yu didn't mention this matter again.

Time flew by.

In the evening, Yuan Hong had prepared the materials related to Qin Yu.

"These materials are enough to take Qin Yu's life." Yuan Hong handed the materials to Jiang Gu.

Jiang Gu took the materials and glanced at them, then sneered and said, "That's right. Let's not delay. If we delay, things will change. Yuan Hong, execute Qin Yu tomorrow morning!"

Yuan Hong nodded and said, "Understood."

Jiang Gu didn't stay any longer. After he left the Martial Arts Association, he asked Mr. Zhong to spread the news.

He wanted to maintain the Jiang family's position in Chuzhou and let everyone in Chuzhou know that he shouldn't try to provoke the Jiang family! Otherwise, he would only die!

What a good move!

This news quickly spread throughout Chuzhou! For a moment, countless people were discussing this matter!

"Qin Yu... lost in the end," Hong Wu murmured in a low voice like an old man's.

Even people in Jiangcheng found out about this matter.

"Hahaha, I knew Qin Yu would die for sure!" Xiong Yi couldn't help but laugh out loud while sitting in his office.

With a cigar in his mouth, he had viciousness on his face.

"He actually wanted to kill me? Dream On!" Xiong Yi said coldly.

Then, Xiong Yi shouted towards the door, "Let Mr. Wu in."

Not long after, a young man walked in.

Behind him, there was a large group of people!

And the young man called Little Wu was a genuine eighth stage Inner Strength master! His strength even surpassed Yao Qing!

"Mr. Xiong." Mr. Wu bowed and shouted.

Xiong Yi sneered and said, “Qin Yu is already in prison and will be executed tomorrow. We should shake things up a bit in Jiangcheng!”

“Mr. Wu, bring some people to deal with Lei Hu tonight!”

“Yes, Mr. Xiong.” Little Wu nodded slightly and said.

“Mr. Xiong, if Qin Yu dies, then the Soul Nourishment Pill...” Xiong Yi’s secretary couldn’t help but frown slightly.

Xiong Yi sneered and said, “I have long made preparations. Once Qin Yu dies, only one person will be able to produce the Soul Nourishment Pill, and that person will be Mr. Yang! As long as Mr. Yang is controlled, this Soul Nourishment Pill will belong to me alone!”

Chapter 206: The Furious Yan Ruoxue!

Xiong Yi’s plan could be said to be flawless. He had coveted Lei Hu’s position for a long time, but he had never found an opportunity.

Now that Qin Yu was in trouble, he could use this opportunity to act.

At night, Lei Hu, his face full of worry, sat in his office.

“Brother Hu, don’t worry too much. Doesn’t Mr. Qin still have the Yan family backing him?” Lance consoled.

Lei Hu took a puff of his cigarette and said in a low voice, “Yes, but the matter has already reached this stage, and the Yan family still has no intention of making a move. I’m afraid...”

He didn't continue, but the meaning was very clear.

Lance didn't know what to do for a moment. The matter in the provincial capital wasn't something they could interfere with.

At this moment, the office door was suddenly kicked open!

Following that, a large group of people swarmed over! They surrounded Lei Hu and Lance!

Lei Hu's expression changed. He berated coldly, "Who are you? How dare you barge into my office?"

"Hehe, Lei Hu, it's me." Very quickly, Xiong Yi walked in from outside the door.

When he saw Xiong Yi, Lei Hu's expression instantly froze.

"What do you want to do?" Lei Hu said coldly.

Xiong Yi sneered and said, "What do I want to do? Lei Hu, you've been in this position for too long. It's time to change hands."

"You're courting death!" Lei Hu instantly flew into a rage!

He picked up the phone on the table and was about to call someone.

"Don't waste your energy. Your people have already been killed by me," Xiong Yi indifferently said.

Lei Hu's expression instantly became somewhat ugly. He didn't expect Xiong Yi to actually cause trouble at this time!

“Xiong Yi, you’re quite bold. Aren’t you afraid of getting retaliation for your greed?” Lei Hu narrowed his eyes and said.

Xiong Yi clenched his nails and said with a half-hearted smile, “Now that the commercial resources of Jiangcheng are in my hands, what do I have to fear? Your backer has already fallen. Lei Hu, your reign is over!”

“You’re courting death!” ” Lance was instantly enraged. He wanted to get up, but was pressed on the shoulder by Little Wu.

“Don’t move, or you won’t just be sitting in a wheelchair,” Little Wu said nonchalantly.

Lance’s expression changed, and he said in surprise, “An Inner Strength Master?”

When he heard this term, Lei Hu’s heart suddenly thumped.

Obviously, Xiong Yi had made full preparations for this day!

“Take him away!” Xiong Yi shouted.

“Yes!”

Lei Hu, who was a big shot in Jiangcheng, was taken out of his office quietly.

His many underlings had long disappeared.

The fall of big shots was discreet.

...

Mr. Wu was anxious.

It was already late at night, but Mr. Wu wasn't sleepy at all.

He used all his connections, but they all rejected him.

For a moment, no one seemed to be able to save Qin Yu.

“Dad, think of something quickly!” Xiao Yu shook Mr. Wu's arm and said anxiously.

Mr. Wu glanced at Xiao Yu and shook his head, “I have done my best, but... sigh.”

Xiao Yu immediately said anxiously, “Then what should we do? Should we just watch Qin Yu die?”

Mr. Wu was silent and kept smoking.

Xiao Yu said angrily, “The Jiang family is too outrageous. They are simply abusing their power! Someone has to teach them a lesson!”

“What do you want to do? Xiao Yu, let me tell you, don't do anything reckless!” Mr. Wu hurriedly scolded.

Xiao Yu snorted and didn't say anything. She turned around and went back to her room before closing the door.

She laid on the bed and thought for a while. Finally, she took out her phone and found a number.

“Ruoxue, Qin Yu was captured by the Jiang family. The Jiang family is too outrageous. They couldn’t defeat Qin Yu, so they used their connections to capture Qin Yu!”

“Tomorrow, they will execute Qin Yu. My dad tried all his connections, but it was useless.”

“Ruoxue, is the Jiang family really that powerful? Is there no one who can punish them?”

After sending a few messages, Xiao Yu threw her phone to the side.

After about ten minutes, Yan Ruoxue replied, “I’m going to Chuzhou tomorrow.”

Upon seeing the message on the screen, Xiao Yu immediately jumped up from her bed!

...

In Jingdu, the Yan family’s manor.

At this moment, a young girl’s face was ice-cold, and she was unable to contain her anger.

On her cold face, there was a murderous look, but it added a different kind of charm.

“The Jiang family actually dares to act so insolent and brazen!”

“What, there’s no one left in Chuzhou?!”

Facing the furious Yan Ruoxue, even Old Mister Yan, who was extremely powerful, didn't dare to say anything.

"Ruoxue, don't worry. I'll send someone to Chuzhou in a while," Old Mister Yan said with a bitter smile.

Yan Ruoxue glanced at Old Mister Yan and said coldly, "No, I'll go there myself."

"It's just a small matter. There's no need to make such a big fuss," Old Mister Yan said helplessly.

"I said I'll go there myself," Yan Ruoxue said with a cold expression.

"I want to see how powerful the Jiang family is!"

"Shameless people!"

...

The next day, the Yan family sent out eight Inner Strength Grandmasters to protect Yan Ruoxue.

These Inner Strength Grandmasters weren't people like Jiang Gu, who had just stepped into the Inner Strength Grandmaster realm.

They had been Inner Strength Grandmasters for many years and their strength was unimaginable.

A helicopter was parked in the Yan family's manor.

"Ruoxue, be careful," Old Mister Yan reminded her worriedly.

Yan Ruoxue nodded and said, "Grandfather, don't worry."

Then, she walked into the helicopter with eight Inner Strength Grandmasters following her.

The helicopter flew across the sky towards Chuzhou.

After Yan Ruoxue left, Old Mister Yan's kind expression instantly disappeared.

What replaced it was indescribable coldness.

“Inform all parties in Chuzhou to protect Miss Yan's safety.”

“If my granddaughter loses even a hair, I will force a change in Chuzhou's power dynamics!” Old Mister Yan said coldly.

“Yes, Master.” The butler beside him hurriedly nodded.

...

That morning, Jiang Gu got up early.

He deliberately changed into a suit that made him look high-spirited.

Jiang Gu stood in front of Jiang Haoran and whispered, “Son, don't blame me. For the family, anyone can be sacrificed. You and I are no exception.”

“But don't worry. I will kill Qin Yu and avenge you.” Viciousness flashed in Jiang Gu's eyes.

In the prison, there was a tense atmosphere.

Everyone seemed to have realized something, so their expressions were somewhat sorrowful.

Only Qin Yu appeared to be quite calm.

“Mr. Qin...” Yao Qing opened his mouth, and his eyes suddenly became somewhat teary.

Qin Yu rolled his eyes and said, “A man doesn’t shed tears. Hold it back for me.”

Although it was a joke, it made Yao Qing unable to hold it in anymore.

“Mr. Qin, I’m willing to break out with you!” Yao Qing said through gritted teeth.

Qin Yu patted his shoulder and said with a smile, “No need..”

Chapter 207: The Powerful Yan Family

Yao Qing’s strength wasn’t enough for them to break out of this prison.

He stood up and looked at everyone. For a moment, everyone seemed to be sending Qin Yu off to his death.

“If I’m fine this time, let’s meet again when we get out,” Qin Yu said with a smile.

At this time, someone took the initiative to stand up. He cupped his hands and said, "If nothing happens this time, we are willing to follow Mr. Qin!"

Qin Yu was speechless.

He was silent for a moment, then nodded and said, "Okay! It's a deal!"

As soon as he finished speaking, Yuan Hong led his people to the door.

"Qin Yu, it's time to leave," Yuan Hong said with a nonchalant smile.

Qin Yu turned around to look at the crowd, then strode toward the door.

The two people beside Yuan Hong immediately stepped forward and grabbed Qin Yu's arm!

Qin Yu looked at them coldly and his entire body vibrated!

A force forced them back!

"I can walk on my own," Qin Yu said coldly.

The two people subconsciously looked at Yuan Hong. Yuan Hong waved his hand and said indifferently, "Let him be arrogant one last time."

"Yes." The two people followed closely behind Qin Yu.

On the way to the execution ground, Yuan Hong said with a sarcastic tone, “Qin Yu, if you knew this would happen, why did you do it in the first place? If you treated Jiang Haoran, you could have at least kept your life, right?”

Qin Yu looked at Yuan Hong coldly and said, “Shut your mouth. I don’t want to listen to you.”

Yuan Hong sneered and said, “You still dare to be so arrogant when you’re about to die!”

Qin Yu sneered and said, “If I didn’t die, I would have eradicated your Martial Arts Association sooner or later.”

“Eradicate the Martial Arts Association?” Yuan Hong seemed to have heard the biggest joke in the world!

He laughed loudly and said, “Ignorant people are truly fearless. You know nothing about the Martial Arts Association!”

Qin Yu snorted coldly and no longer spoke.

On the other side, the Jiang family welcomed a few guests.

A huge helicopter landed in the manor.

The whooshing sound was incessant, and the entire Jiang family was shrouded in a heavy atmosphere.

In the living room, a young woman was sitting on the sofa while drinking tea.

Her gaze was contemptuous, and her expression was ice-cold.

Beside her, there were eight Inner Strength Grandmasters!

The invisible pressure made it difficult for everyone to relax!

In front of the young girl, there was an old man trembling while kneeling.

This old man was none other than the top dog who dominated Chuzhou, Jiang Gu!

No one would have thought that Jiang Gu, who always abused his powers, would actually have such a humble attitude one day!

“I . . . I didn’t know the relationship between Qin Yu and Miss Yan...”
Jiang Gu said with difficulty.

He was extremely terrified. The scene of him being taught a lesson by the rich kids in Jingdu was still vivid in his mind!

Jiang Gu never expected that this time, something even worse would come!

Yan Ruoxue took a sip of tea. She looked down at Jiang Gu and raised her eyebrows. “You say you didn’t know?”

Jiang Gu’s body trembled and he hurriedly said, “I . . . I really didn’t know!”

After saying that, he hurriedly looked at Mr. Zhong.

Mr. Zhong forced a smile and said, “Our family head has been in seclusion for three years. He really doesn’t know anything about this...”

“Why didn’t you tell me?!” Jiang Gu said angrily.

Mr. Zhong quickly said, “I asked someone to inquire about it. The Yan family said that they wouldn’t interfere...”

“Indeed, we won’t interfere,” Yan Ruoxue said indifferently.

“But if you rely on your family’s connections to do something disgraceful, I don’t mind putting you in your place.”

Her tone suddenly became cold, and Jiang Gu’s face became even paler!

“No... I won’t dare to...” Jiang Gu said in fear.

How could the Jiang family have the ability to compete with the Yan family?

They were the most powerful family in the country! They were the top dogs in Jingdu!

The power of Jingdu was far beyond imagination!

“You want to eliminate others by suppressing them when you get defeated? Is this how the Jiang family does things? How overbearing,” Yan Ruoxue questioned in a cold voice.

Jiang Gu hurriedly kowtowed and argued, “Miss Yan, it was Qin Yu who injured my son first. I... I had no choice!”

“And I also promised that as long as Qin Yu is willing to treat my son’s illness, I can let him off the hook...”

At this moment, Jiang Gu still wanted to quibble.

But how could his malicious intentions escape Yan Ruoxue's eyes?

Yan Ruoxue had followed Old Mister Yan since she was a child. She was already familiar with the ways of the world!

Jiang Gu's thoughts were instantly seen through!

"You said that Qin Yu injured your son?" Yan Ruoxue asked indifferently.

Jiang Gu hurriedly nodded and said, "Yes..."

"As long as Qin Yu saves your son, you will let him go?" Yan Ruoxue continued to ask.

Jiang Gu hurriedly said, "You're right..."

"So, everything started because of your son?" Yan Ruoxue said with a cold smile.

Jiang Gu thought for a moment, then nodded and said, "Yes... you're right..."

"Oh." Yan Ruoxue nodded.

She turned her head to look at the Inner Strength Grandmaster who was beside her.

The Inner Strength Grandmaster immediately understood what she meant. He waved his hand, and a force instantly smashed toward Jiang Haoran's ward!

"Boom!"

The ward instantly collapsed! The huge force crushed Jiang Haoran into pieces!

“Alright, your son is already dead. There’s no need to save him,” Yan Ruoxue said coldly.

Jiang Gu’s expression instantly turned extremely ugly!

He stared at Jiang Haoran’s ward, and felt as if his heart was dripping blood!

“Son...” Anguish flashed across Jiang Gu’s face!

Yan Ruoxue said coldly, “Jiang Gu, there’s always someone more powerful than you. You can toy with other people’s lives as you wish. Naturally, someone will be able to do the same to you.”

“Do you have any objections?” Yan Ruoxue’s domineering attitude was suffocating him!

Although Jiang Gu felt anguish in his heart, he had no intention of resisting the Yan family at all.

“I... I have no objections...” Jiang Gu hurriedly kowtowed.

“Thank you, Miss Yan, for not killing me...”

This sentence seemed somewhat familiar.

Back then, Wei Tao had said the same thing to Jiang Gu.

But now, this was happening to him.

“Let him go,” Yan Ruoxue said coldly.

Jiang Gu hurriedly nodded and said, “Yes, Miss Yan...”

Then, he hurriedly got up and rushed to the Martial Arts Association.

...

The Martial Arts Association.

Qin Yu was brought to an execution ground.

As soon as he entered the execution ground, Qin Yu discovered that this execution ground was very extraordinary.

The entire execution ground was actually a huge formation!

Using this formation, the person controlling the formation would probably display unimaginable strength!

“Good formation.” Qin Yu couldn’t help but sigh.

Yuan Hong raised his eyebrows and said, “You even know about formation? You’re quite discerning.”

Qin Yu glanced at Yuan Hong and said coldly, “This formation couldn’t have been set up by you, right?”

Yuan Hong laughed and said, “Of course not! This is a formation set up for us by a master from above!”

“This formation can easily kill a beginner Inner Strength Grandmaster!”

“Qin Yu, you will definitely die today!”

Chapter 208: The Furious Yan Ruoxue!

Qin Yu’s expression was cold and he didn’t say a word.

His body was tied up by a few large iron chains and he couldn’t move.

Yuan Hong stared at Qin Yu and snorted coldly. “I really don’t like this unruly attitude of yours.”

Qin Yu closed his eyes and ignored Yuan Hong.

This undoubtedly infuriated Yuan Hong even more.

“Brat, remember to control your personality in your next life!” Yuan Hong shouted angrily. Then, he opened his hands, and instantly, rays of light shone from the surroundings!

This formation seemed to be similar to the formation that Qin Yu had set up back then!

However, Yuan Hong’s formation seemed to be even more powerful!

Following the activation of the formation, Yuan Hong’s body began to glow!

He stomped his feet, and his body soared into the air. Then, two huge blades condensed in his hands!

“Go to hell!” Yuan Hong roared angrily, and then he pressed down!

In an instant, the two huge blades hacked at Qin Yu fiercely from the highest altitude!

“Bang!”

The two huge blades struck Qin Yu’s chest without any deviation!

But a shocking scene happened!

The two giant blades didn’t hurt Qin Yu at all. They only left a white mark on his body!

“Huh?” Yuan Hong raised his eyebrows.

“What a tough body! As expected of the person who won against Jiang Gu!” Yuan Hong exclaimed.

Qin Yu glanced at Yuan Hong and sneered. “Are you tickling me?”

Yuan Hong laughed and said, “Don’t worry, Qin Yu, this is just the beginning!”

Then, Yuan Hong roared again, and the qi energy on his body exploded again!

Obviously, this formation could provide him with even more powerful strength!

“Qin Yu, I want to see how tough your body is!” Yuan Hong roared again and again!

There was another wave of crushing power!

Under this huge force, Qin Yu's body couldn't hold on any longer.

His skin cracked, and streaks of blood appeared!

The excruciating pain made Qin Yu's forehead drip with sweat!

“Hahaha! How is it, Qin Yu? Are you comfortable?” Yuan Hong laughed crazily.

Two golden whips actually appeared in his hands!

Yuan Hong held the whips and said slowly, “This technique is called the Spirit Whip. Not only can it hurt your physical body, but it can also destroy your spirit.”

“Although the Spirit Whip in my hand is only an illusion, it still contains a trace of power.”

“Qin Yu, I will let you enjoy this pain!”

Yuan Hong held the long whip in his hand and lashed it at Qin Yu's body!

Under this whip, a bloody scar immediately appeared on Qin Yu's body!

Just as Yuan Hong said, this technique not only hurt the body, but also the soul!

Qin Yu felt as if his head had been struck by lightning and he felt excruciating pain!

“Slap!”

He received another whip!

As if Yuan Hong was intentionally torturing Qin Yu, the whip in his hand was continuously lashing towards Qin Yu's body!

The repeated mental torture caused Qin Yu to feel so much pain that he wished he was dead!

His body was also covered with densely packed bloody scars!

“Ah...”

Even Qin Yu couldn't help but moan in pain under this torture!

“Hahahaha!” Yuan Hong burst into laughter.

“Qin Yu, you've endured 12 lashes. The highest record here is 17 lashes. I wonder how long you can last?” Yuan Hong sneered.

Qin Yu gritted his teeth. He tried his best to stay awake with his strong will.

“The Martial Arts Association... is actually this vicious...” Qin Yu glared at him with anger!

Who knew how many people had been tortured to death in pain!

Qin Yu was definitely not the first!

“Slap!”

Another whip came down on him!

Yuan Hong's face was filled with madness as he waved the golden whip in his hand.

Every whip hit Qin Yu's body firmly!

In the blink of an eye, it was the sixteenth whip!

Qin Yu's consciousness began to blur.

His entire body was drenched in blood, and it was almost impossible to see his appearance clearly!

"You can withstand it quite well." Yuan Hong sneered.

"Next is the seventeenth whip. I want to see if you can withstand it!" Yuan Hong shouted angrily.

The seventeenth whip fell!

Under this whip, Qin Yu's flesh split open. He felt as if his head was about to explode!

However, what was surprising was that Qin Yu was still conscious!

He had his eyes wide open as he glared at Yuan Hong!

"Huh? Looks like you're going to break the record." Yuan Hong snorted coldly.

He held the long whip and whipped again!

One whip, two whips, three whips...

In the blink of an eye, another five whips fell!

And Qin Yu had already endured 22 lashes!

“You have such strong willpower.” Yuan Hong panted heavily with a drop of sweat dripping from his forehead.

He even felt a trace of fear in his heart!

A person with such willpower would definitely be able to accomplish great things in the future!

No wonder Jiang Gu wanted to get rid of Qin Yu no matter what!

“Damn it, I will definitely whip you to death today!” Thinking of this, Yuan Hong flew into a rage.

He held the whip and whipped Qin Yu with all his might.

The huge force caused Qin Yu’s body to completely collapse before revealing his sparkling white bones! It looked terrifying!

Under such torture, even the people beside him couldn’t stand it anymore!

“F * ck, how can there be such a freak in the world?!” When Yuan Hong whipped the 30th whip, his expression became even uglier!

Being able to withstand 17 lashes was already considered a freak. By 30 lashes, he was probably a monster!

“Qin Yu, I’ve played enough with you.” Yuan Hong gritted his teeth.

“This whip will smash your head!” Yuan Hong’s expression was ice-cold, and his face was filled with malice.

He activated the formation, and the whip in his hand flashed with a golden light!

Following that, Yuan Hong grabbed the whip and ruthlessly lashed it towards Qin Yu's head!

If this whip were to land, it would probably smash Qin Yu's head into pieces!

“Go to hell!” Yuan Hong roared crazily!

Just as the whip was about to land on Qin Yu's head, light flashed past!

In the blink of an eye, he saw a young man dressed in black holding onto the whip with one hand!

“The Martial Arts Association is quite cruel,” the young man said coldly.

Yuan Hong's expression changed. He tried to pull back the whip, but he couldn't move it at all!

“Who... who are you?!” Yuan Hong was both shocked and afraid.

“I'm Yan Jiang, from Jingdu's Yan family,” the young man spat out a few words coldly.

As soon as he finished speaking, a car sped over.

As soon as the car stopped, Yan Ruoxue walked out in a hurry.

When she saw Qin Yu, who had been beaten until he was bleeding and his consciousness was fading, Yan Ruoxue's expression instantly became extremely cold!

Her anger caused her body to tremble slightly!

“You... how dare you treat him like this...” Yan Ruoxue's voice trembled. Although her long hair covered her face, one could still sense her anger!

“I will never let you off the hook!” Yan Ruoxue suddenly raised her head and glared at Yuan Hong!

Yuan Hong only felt a chill on his back.. An ominous premonition enveloped his entire body!

Chapter 209: Don' t Leave

Feeling Yan Ruoxue's anger, Yuan Hong felt more and more uneasy.

“Who... who are you ? It's none of your business!” Yuan Hong braced himself and said.

As soon as he finished speaking, Yan Jiang, who wasn't far away, suddenly pulled the whip!

In an instant, Yuan Hong arrived in front of Yan Jiang!

Then, Yan Jiang grabbed Yuan Hong's neck and said coldly, “That's our family's eldest lady.”

The Yan family's eldest lady!

Yuan Hong's body suddenly trembled, and his body suddenly went slack!

How come the Yan family's daughter came here?

"Miss, may I ask how to deal with him?" Yan Jiang looked at Yan Ruoxue and said.

Yan Ruoxue gritted her silver teeth and said coldly, "Tie him up. Treat him the way he treated Qin Yu!"

"Also, don't let him die!"

Yan Jiang nodded and said, "Yes, miss."

Yan Jiang stretched out his palm and Yuan Hong's body was instantly nailed to the wall by a few iron rods!

In the next second, Yan Jiang waved his long whip and whipped Yuan Hong's body!

"Ah!!!" With just a whip, Yuan Hong raised his head and wailed in pain!

Yan Ruoxue ran in front of Qin Yu anxiously.

At this moment, Qin Yu had already fainted.

When she saw Qin Yu being tortured to such a state, Yan Ruoxue's heart was bleeding.

She held Qin Yu's face, and tears flowed down her cheeks.

“How could they do this to you...” Yan Ruoxue caressed Qin Yu’s face, and tears streamed down.

The Inner Strength Grandmasters beside Yan Ruoxue hurriedly moved forward. They stretched out their palms, and a ray of light cut through the chains.

“Miss, let’s send him to the hospital first,” the person beside her reminded.

Yan Ruoxue hurriedly nodded and said, “Quick, send Qin Yu to the hospital!”

The few of them quickly carried Qin Yu into the car, and the car rushed all the way to the hospital.

Inside the execution ground, the whip in Yan Jiang’s hand still didn’t stop.

As the Inner Strength Grandmaster of the Yan family, he had countless spells.

Every time Yuan Hong was about to faint, Yan Jiang would activate his spells and forcefully wake him up.

This was worse than death.

“I think this kind of torturing formation should be destroyed.” Yan Jiang scanned his surroundings.

Then, he waved his hand and a terrifying force instantly gushed out from his palm!

In the next second, a powerful force descended from the sky!

In an instant, explosive sounds immediately erupted!

Clouds of dust rose up. The formation set up by the Martial Arts Association was destroyed with a single palm strike and was turned into ruins!

Such a loud sound instantly attracted much attention.

Even people in the prison heard the sound!

“It’s in the direction of the execution ground!”

“What happened? Did Mr. Qin escape?”

Everyone tensed up. They stared in the direction of the execution ground with mixed feelings.

Yao Qing couldn’t help but clench his fists and whisper, “Mr. Qin, you must be okay...”

...

Inside the execution ground, Yuan Hong had been tortured until he barely looked human.

Why didn’t he expect that the abuser would be reduced to the abused?

“Please... spare me...” Yuan Hong said in pain.

Yan Jiang sneered. “I’m sorry. I won’t stop until Miss Yan gives the order.”

This kind of pain that was worse than death made Yuan Hong want to commit suicide!

He wanted to self-detonate, but he found that he couldn't control his body at all!

“Without Miss Yan's order, you don't even have the right to die,” Yan Jiang said coldly.

...

Qin Yu was brought to the hospital.

Qin Yu was unconscious due to such a serious injury and was directly pushed into the operating theater.

Yan Ruoxue stood at the door while looking a little anxious.

“Go and get the best doctor in Jingdu for me,” Yan Ruoxue said coldly.

“Yes!”

Just as her subordinates were about to make a phone call, the doctor walked out of the operating theater.

“How is he?” Seeing the Doctor, Yan Ruoxue hurriedly walked over.

The doctor muttered, “That's strange. The patient suffered such a serious injury. An ordinary person might not even be able to survive, but he's actually fine...”

“Is what you said true?” Yan Ruoxue hurriedly asked.

The doctor quickly nodded and said, "It's true. This is simply a miracle in medical history."

With the doctor's assurance, Yan Ruoxue was relieved.

"Can I go in and see him now?" Yan Ruoxue asked.

The doctor frowned and said, "Yes, but... you have to keep quiet."

Yan Ruoxue quickly walked into the ward.

On the hospital bed, Qin Yu was lying there quietly without moving at all.

Looking at the side of Qin Yu's face, Yan Ruoxue couldn't help but feel heartache.

"How much will you have to suffer to climb up from the bottom?" Yan Ruoxue murmured.

She bent down and gently kissed Qin Yu's forehead, then whispered, "Qin Yu, you must be well..."

At this moment, Yan Ruoxue suddenly regretted it.

If she had known that Qin Yu would suffer so much, why did she insist on making him stand out?

Wasn't a peaceful life better?

However, there was no turning back. Qin Yu was already in the public eye. It was probably impossible for him to turn back.

“Miss, since Qin Yu is fine, it’s time for us to go back,” the person next to her reminded.

Yan Ruoxue frowned slightly, as if she was reluctant to part with him.

“Miss, Master said that before Qin Yu goes to Jingdu, you should try not to see each other,” the person next to her continued to advise.

Yan Ruoxue was extremely reluctant, but she was unable to go against her grandfather’s words.

“I understand. You can leave,” Yan Ruoxue said.

The people beside her didn’t dare to disobey Yan Ruoxue’s orders. They could only walk to the door and wait quietly.

Yan Ruoxue sat next to Qin Yu. She held Qin Yu’s hand and said with a smile, “Qin Yu, don’t you think it’s strange? We have clearly known each other for such a short time, but it seems like we’ve known each other for many years.”

“Ever since I was young, I’ve seen too many betrayals because of benefits. No matter how pure a relationship is, it won’t stand the test of personal benefits.”

“So I never thought that I would fall in love with someone else, until I met you.”

Yan Ruoxue whispered in Qin Yu’s ear, and a smile bloomed on her face.

She grabbed Qin Yu’s hand and placed it on her face.

“Qin Yu, you must be well. I will wait for you in Jingdu, no matter how long it takes.”

After saying this, Yan Ruoxue slowly stood up.

She reluctantly glanced at Qin Yu, then walked out of the door.

At this moment, a hand suddenly grabbed her wrist!

After turning around, she saw Qin Yu open his eyes.

“Don’t go...” Qin Yu squeezed out a few words with difficulty.

Yan Ruoxue was so happy that she cried. She turned around and held Qin Yu’s hand in her palm. She said in a low voice, “I won’t go. I’ll stay with you.”

When he heard this, a smile appeared on Qin Yu’s face, and then he fainted again.

He couldn’t even tell if this was reality or a dream..

Chapter 210: The Jiang Family Surrenders

Qin Yu fainted again, as if he was overwhelmed by happiness.

Yan Ruoxue couldn’t bear to leave for a moment.

She wanted to stay and accompany Qin Yu.

But if she stayed, Qin Yu wouldn’t grow.

“Miss, we really should go.” Outside the door, there was another hurried voice.

Yan Ruoxue nodded slowly. She got up and walked out of the door.

Every two steps she took, she looked back.

But this time, Qin Yu didn't wake up again.

Yan Ruoxue returned to Jingdu, but the Martial Arts Association still didn't stop torturing Yuan Hong.

Yuan Hong had passed out countless times, but every time, he was forcefully woken up by Yan Jiang.

An entire day passed, and in the evening, Yan Jiang received a call from Yan Ruoxue.

“I don't want to see this person again,” Yan Ruoxue said coldly over the phone.

“Yes, Miss,” Yan Jiang understood.

After he hung up the phone, he looked at Yuan Hong.

“Yuan Hong, you're free.” A murderous air emanated from Yan Jiang's body.

Yuan Hong actually had no fear when facing death.

This kind of torture that was worse than death made him wish he could die sooner.

After Yuan Hong died, his corpse wasn't left behind.

Within a day, the power dynamics had changed in Chuzhou.

In the cage of the Martial Arts Association, all the prisoners had received the news.

“That’s great. I knew Mr. Qin wouldn’t die!”

“Haha, have you heard? Yuan Hong seems to have been fired.”

“All these years, that bastard Yuan Hong used his power for personal gain and bullied others. He should have been fired a long time ago!”

Cheers reverberated in the cage.

On the other side, Jiang Gu’s expression was extremely gloomy.

His heart was filled with extreme fear.

Jiang Gu’s fear towards the aristocratic families in Jingdu came from the bottom of his heart.

“I really didn’t know that the Yan family would make a move...” Mr. Zhong knelt on the ground and begged bitterly.

Viciousness flashed through Jiang Gu’s eyes.

He stood up angrily and berated, “It was because of you that Haoran died! The Jiang family also fell into eternal damnation!”

Mr. Zhong’s body trembled and he said in anguish, “It’s my fault. It’s my fault. Master, please spare my life on account that I’ve followed you for so many years...”

Almost everyone in the Jiang family was pleading mercy for Mr. Zhong.

Jiang Gu was silent for a moment. He glanced at Mr. Zhong and waved his hand. "Forget it. I've already lost a son. I don't want to lose anyone else."

"Thank you! Thank you!" Mr. Zhong immediately felt as if he had been pardoned and kept kowtowing.

In the blink of an eye, night arrived.

However, Jiang Gu couldn't sleep at night.

The predicament that the Jiang family was facing gave Jiang Gu a headache.

"What should we do now?" Mr. Zhong said with a trembling voice.

Jiang Gu sighed and muttered in a low voice, "With Qin Yu's talent, one day he will become a giant. Since we can't kill him, we must ease our relationship with him as soon as possible."

Rather than worrying about the Yan family, Jiang Gu was more afraid of Qin Yu in the future!

"Ease our relationship?" Mr. Zhong was stunned.

"But... will Qin Yu agree?" Mr. Zhong was a little uneasy.

From his understanding of Qin Yu, this kid would never give up easily.

Jiang Gu waved his hand weakly and said, “We can only do whatever it takes to survive. No matter what request he makes, we will agree to him.”

The head of the Jiang family yielding undoubtedly meant that the situation in Chuzhou had changed.

From now on, the top dog of Chuzhou would no longer be the Jiang family.

...

The next day, Qin Yu woke up from his bed in a daze.

The people sitting in front of him were the top nurses of the provincial capital.

When they saw Qin Yu wake up, they quickly got up and asked, “Mr. Qin, how do you feel?”

Qin Yu didn't answer. His eyes scanned the surroundings, and he said somewhat anxiously, “Where's Ruoxue? Where is she?”

The nurses looked at each other and replied respectfully, “Miss Yan has already left. She also left a message for you.”

“A message?” Qin Yu's eyes lit up while he indicated for them to continue.

“Miss Yan said that she would wait for you in Jingdu,” the nurse replied truthfully.

Hearing this, Qin Yu felt his entire body filled with vigor.

Faith was perhaps the most powerful force.

It could support everyone through the darkest times.

At this moment, there was a sudden movement outside the door.

After turning his head, he saw Jiang Gu and Mr. Zhong standing at the door.

In their hands, there were gifts.

Qin Yu narrowed his eyes and said coldly, "What are you doing here?"

Jiang Gu walked to Qin Yu quickly. He waved his hand and motioned for the nurse to leave.

After the nurse left, Jiang Gu suddenly kneeled on the ground with a plop.

"Mr. Qin, I, Jiang Gu, was ignorant to have crossed you. Please forgive me for my offense," Jiang Gu said respectfully.

This surprised Qin Yu.

He sized up Jiang Gu and said with a nonchalant smile, "Jiang Gu, what tricks are you playing now?"

Jiang Gu was terrified and hurriedly said, "I won't dare to. Mr. Qin, I sincerely want to apologize to you."

"Apologize?" Qin Yu sneered again and again.

He sat up from the bed and said coldly, “Now you want to make peace? Why? What happened to your arrogant attitude from back then?”

Jiang Gu felt resentment and frustration. How could he know that Qin Yu had ties with the Yan family?!

If he had known earlier, Jiang Gu would never have offended Qin Yu!

“Mr. Qin, it’s my fault for not knowing my place. Please forgive me...” Jiang Gu sighed.

Looking at Jiang Gu, Qin Yu couldn’t help but squint his eyes.

After thinking for a moment, he sneered. “I refuse.”

Jiang Gu’s expression changed slightly. He gritted his teeth and suddenly said, “Mr. Qin, from today onwards, the Jiang family is willing to submit to you!”

Qin Yu was stunned.

This was completely beyond Qin Yu’s imagination!

Jiang Gu actually voluntarily submitted to him?

“Are you afraid of the Yan family or me?” Qin Yu frowned and asked.

Jiang Gu was stunned and didn’t know how to answer for a moment.

“Answer truthfully,” Qin Yu said.

Jiang Gu raised his head. He thought for a moment and said, “Both, but I’m more optimistic about your potential.”

Jiang Gu’s idea was very simple. If he couldn’t kill Qin Yu, he might as well establish a good relationship with Qin Yu as soon as possible.

With Qin Yu’s potential, he would definitely become a top dog in the future. At that time, the Jiang family might expand outside of Chuzhou!

Qin Yu thought for a moment and nodded. “Okay, Jiang Gu. I hope you don’t have the intention to rebel, or else...”

“I won’t dare to!” Jiang Gu hurriedly kowtowed!

Qin Yu indeed had the intention of finding powerful allies.

With his current strength, his future cultivation would certainly become more and more difficult.

Moreover, it was indeed unrealistic to think of venturing into Jingdu by himself.

He said that he was surrendering, but in fact, they were using each other.

Qin Yu helped Jiang Gu up and said in a sullen voice, “Let’s go. Since you’ve already submitted to me, I’m willing to save your son.”

At the mention of Jiang Haoran, a sorrowful look flashed in Jiang Gu’s eyes.

“No... There’s no need.” Jiang Gu waved his hand.

Qin Yu frowned and said in puzzlement, “You don’t believe me?”

“Mr. Qin, the eldest young master is... already dead!” Mr. Zhong sighed..

Chapter 211: No One Would Dare to Do Anything to You

“Dead?” Qin Yu couldn’t help but feel stunned.

Jiang Haoran actually died?

“It’s Miss Yan. She...”

“Mr. Zhong!” Jiang Gu berated and interrupted Mr. Zhong.

Mr. Zhong didn’t say anything more.

Qin Yu vaguely understood, but he didn’t say anything.

It was unknown when it started, but Qin Yu became more and more cold-hearted.

“You guys go first. I’ll go to the Jiang family’s home when I have time,” Qin Yu said.

Jiang Gu quickly cupped his hands and said, “Okay, Mr. Qin. I’ll wait for you at home.”

After they left, Qin Yu sat cross-legged on the bed.

Ever since he woke up, a golden light flashed in his mind.

The golden light was the size of a grain of rice, but it made Qin Yu feel an extraordinary power.

“What exactly is this ?” Qin Yu closed his eyes slightly and felt the golden light in his mind.

Soon, Qin Yu realized that this golden light would move according to his mind.

“Spiritual power ?” Qin Yu guessed.

Could it be that the serious injury caused by the Spirit Whip caused Qin Yu to have spiritual power ?

Normally, only those at the Nascent Soul Stage could have spiritual power alone, but Qin Yu was only at the Foundation Establishment Stage.

“It’s really a blessing in disguise,” Qin Yu couldn’t help but mutter.

Ever since he woke up, Qin Yu felt that his spiritual power had become a lot stronger.

After thinking about it, he realized there was only one possibility. It was because of the effect of the Spirit Whip on his spiritual power.

After lying on the hospital bed for the whole morning, Qin Yu came to the Jiang family’s home in the afternoon.

As the number one family in Chuzhou, the Jiang family’s strength was naturally not to be underestimated.

Not only did they have several Inner Strength Past Masters, but their assets were also spread throughout the entire province.

Rumor had it that the funds on their books were as high as ten billion.

Qin Yu's arrival undoubtedly caused everyone to be nervous.

Everyone looked at Qin Yu with covetous eyes.

Qin Yu ignored them and walked straight into the Jiang family's villa.

"Mr. Qin." Upon seeing Qin Yu, Jiang Gu immediately stood up.

Qin Yu nodded slightly. He looked at Jiang Gu and said, "The Jiang family is a blue-blood family. You guys should have a lot of herbs in stock, right?"

Hearing this, Jiang Gu couldn't help but shake his head and said, "Mr. Qin, I've been in seclusion for three years. The herbs have been completely consumed."

"That's a pity." Qin Yu'an sighed slightly.

"Mr. Qin, this is the property of the Jiang family. Please take a look." Mr. Zhong handed the prepared materials to Qin Yu.

Qin Yu took it and read it carefully.

"The assets are really beyond imagination." Looking at this document, Qin Yu couldn't help but sigh.

The Jiang family's assets extended to almost all walks of life. The Jiang family was even involved in schools and hospitals.

The Jiang family even had a 80% stake in one of the aristocratic schools!

Just this school alone would bring a huge amount of income to the Jiang family every year!

And Qin Yu would become the new owner of these assets.

"I will only take 50% of the Jiang family's profits," Qin Yu said as he caressed the document.

Jiang Gu quickly nodded and said, "Thank you, Mr. Qin!"

Jiang Gu was already lucky to have 50% left.

"By the way, release Yao Qing. He's locked up in the Martial Arts Association. Also, release all the people who are locked up because of personal grudges," Qin Yu said as he looked at Jiang Gu.

"Yes, I'll call the Martial Arts Association right away," Jiang Gu quickly nodded and said.

Then, Qin Yu got up and left the Jiang family's home.

After leaving the Jiang family, Qin Yu drove to the prison of the Martial Arts Association.

This time, no one in the Martial Arts Association dared to stop Qin Yu. Everyone was flattering Qin Yu.

Qin Yu waited for a moment at the door, and Yao Qing walked out of the Martial Arts Association.

As soon as he saw Qin Yu, he rushed over excitedly.

“Mr. Qin, I knew you would be fine!” Yao Qing said excitedly.

Qin Yu patted him on the shoulder and said, “Alright, let’s go. I don’t want to stay here for another minute.”

“Okay!” Yao Qing nodded his head vigorously.

After leaving the Martial Arts Association, the two of them found a place to have a meal.

Yao Qing wolfed down his meal.

During this period of time in the Martial Arts Association, Yao Qing had barely eaten a full meal.

After the meal, Qin Yu casually asked, “Didn’t you come to look for your sister? Where is she?”

Yao Qing sighed and said, “I haven’t even seen my sister before I was locked up.”

Qin Yu smiled and said, “Let your sister stay in the provincial capital. The educational resources here are better.”

After embarking on the path of cultivation, Qin Yu increasingly understood the importance of resources.

With the same amount of talent but different environments, the result was completely different.

Yao Qing nodded and said, "Okay."

"I'll accompany you to pick up your sister tomorrow," Qin Yu said with a smile.

Yao Qing quickly agreed, "Okay!"

Then, Yao Qing took out his phone and sent a text message to his sister in advance.

The next evening, Qin Yu and Yao Qing got into the car and rushed to the school.

The school where Yao Qing's sister was at was called Ruisi Primary School. It was an aristocratic school in Chuzhou.

Most of the people who went to school here were either rich or noble. Even Xiao Yu used to be a student of this school.

The car drove all the way to the door. School just ended.

There were many luxury cars parked at the door. Bentleys and Rolls-royces were almost everywhere.

As soon as the car stopped, Yao Qing's expression changed slightly.

He pointed at the door and said, "That's my sister!"

After turning his head, he saw a little girl who was only 11 or 12 years old. She was standing at the door with her head lowered.

In front of her stood a woman with a big belly. She was pointing at the little girl and scolding her non-stop.

Seeing this scene, Yao Qing immediately became anxious.

Before the car even stopped, he jumped out of the car and ran over.

Qin Yu frowned slightly. After he parked the car properly, he also walked over.

“Little b*tch, apologize to my son quickly!” The fat woman pointed at Yao Qing’s sister, Yao Man, and cursed.

Yao Man lowered her head and didn’t dare to say a word.

“What... What’s going on?” Yao Qing hurried over and shielded his sister behind him.

The chubby woman glared at Yao Qing and cursed, “None of your business! What’s your relationship with this little b*tch?”

“She’s my sister,” Yao Qing tried his best to explain politely.

The chubby woman sized up Yao Qing and said sarcastically, “Oh, she’s your sister? Do you know that this little b*tch bullied my son?”

“That’s impossible. My sister would never bully anyone! Besides, she’s just a little girl. How could she be a match for your son...” Yao Qing looked at the chubby kid beside the chubby woman and couldn’t help but frown.

“How is that impossible? Cut the crap and let this little b*tch apologize to my son!”

The little boy beside the chubby woman even walked over and kicked Yao Man, then made a face.

Yao Qing's expression changed slightly. He bent down and whispered, "Yao Man, what's going on?"

Yao Man shook her head and didn't say a word, but her eyes were full of fear.

"Say what you want to say. Don't be afraid. No one will dare to do anything to you." At this moment, Qin Yu walked over.

He petted Yao man's head and said with a smile..

Chapter 212: You Guys Should Be Expelled!

Meeting Qin Yu's gaze, Yao Man suddenly felt a sense of confidence.

She pointed at the little boy and said, "He... he bullied me every day. He lifted my skirt and forced me to be his servant. If I didn't agree, he would tear up my homework book..."

"Today, he fought with me for my homework book and accidentally fell down. He said that I hit him..."

When he heard Yao Man's words, the chubby woman at the side immediately cursed, "Bullsh*t, you're talking nonsense!"

Yao Qing ignored the chubby woman and said anxiously, "Why didn't you tell the teacher?"

"The teacher didn't care at all..." Yao Man said timidly.

Yao Qing couldn't help but be a little angry. He looked at the chubby woman and said, "You heard it. It was clearly your son who bullied my sister!"

"Bullsh*t!" The chubby woman cursed.

She pointed at Yao Man's nose and scolded, "Little b*tch, if you dare to talk nonsense again, I will tear your mouth apart!"

Yao Man was so scared that her body trembled. She hid behind Yao Qing.

"This lady, please be more polite. Don't call him a little b*tch," Yao Qing said while holding back his anger.

The chubby woman sneered. "I called her a little b*tch. What can you do about it?"

Yao Qing's expression was a little ugly. He opened his mouth and was about to speak when Qin Yu slapped the chubby woman's face!

"You don't need to be reasonable with this kind of person. Sometimes, violence is the best way to solve problems," Qin Yu said coldly.

The chubby woman, disbelief written all over her face, covered her face.

"You... you dared to hit me?" The chubby woman was instantly furious.

"Do you know who I am?" The chubby woman said fiercely.

Qin Yu sneered. "I don't care who you are. If you dare to talk nonsense again, I will break your mouth."

"You!" The chubby woman flew into a rage, but when she met Qin Yu's eyes, she cowered.

"What's going on?"

At this moment, a woman wearing a business suit hurried over from the school.

Seeing this woman, the chubby woman hurriedly said, "Mrs. Zhang, this little b*tch is bullying my son. Tell me what to do!"

"Mrs. Zhang, you came at the right time." Yao Qing also hurried over.

He told Mrs. Zhang what happened.

Mrs. Zhang couldn't help but frown slightly.

"Mrs. Zhang, this child bullies my sister every day. You have to take care of this matter." Yao Qing said in a sullen voice.

Mrs. Zhang glanced at Yao Qing and said with a cold expression, "Why is he bullying your sister instead of others? You have to let your sister reflect on her own problems. You can't always blame others, understand?"

She was simply being unreasonable.

When he heard these words, Yao Qing's expression also became a little ugly.

“Mrs. Zhang, this little b*tch hit my son. What do you think we should do about this matter?” The chubby woman snorted coldly.

Mrs. Zhang looked at the chubby woman and immediately changed her expression.

She smiled apologetically and said, “Mrs. Li, don’t worry. I will definitely report this matter to the higher-ups and expel Yao Man!”

“That’s more like it,” the chubby woman said proudly.

Qin Yu, who was standing at the side, couldn’t listen anymore.

He said with a cold expression, “Are your ears stuffed with donkey hair? This little fatty bullied Yao Man. It’s bad enough that you didn’t punish this little fatty, but you even want to expel my sister?”

Mrs. Zhang glanced at Qin Yu and said with a cold expression, “Please speak with respect. This is a school. Why are you so uncultured?”

“Uncultured?” Qin Yu narrowed his eyes.

“You are a teacher, but you can’t be fair and just. I think you are the one who is uncultured.” Qin Yu said coldly.

When she heard this, Mrs. Zhang decided to shed all pretense of cordiality. She snorted and said, “Ms. Li’s hubby is the director of our school. If you aren’t satisfied, go to the director and tell him. Don’t argue with me here!”

“So that’s the case.” Qin Yu suddenly understood.

He sneered and said, "I really didn't expect that even the school would trample on the students. A person like you isn't worthy of being a teacher."

"Whether I am worthy or not is not up to you to decide." Mrs. Zhang snorted lightly.

Qin Yu looked at Mrs. Zhang coldly and said, "You can scram. This school doesn't welcome you."

"Doesn't welcome me? Haha, who do you think you are?" Mrs. Zhang couldn't help but laugh out loud.

The chubby woman at the side also said proudly, "Mrs. Zhang, don't worry. I'll call my hubby in a while and ask him to give you a raise!"

"Gee, then I really have to thank you, Mrs. Li!" Mrs. Zhang said excitedly.

Qin Yu glanced at the chubby woman and sneered. "There's no need for your hubby to stay in the school anymore."

"Hahaha, I'm dying of laughter. Who do you think you are? You're too big for your britches! My hubby is the director. Besides the principal, he has the highest position!" Ms. Li snorted.

"But as for this little b*tch, let's see which school in Chuzhou dares to take her!"

Qin Yu's expression turned cold. He immediately took out his phone and called Jiang Gu.

“Ask the principal of Ruisi Primary School to meet me at the gate,”
Qin Yu said coldly.

After saying this, Qin Yu hung up the phone.

“Ask our principal to meet you? I think you’re out of your mind.”
Mrs. Zhang said while holding back her laughter.

“Our principal has a lot of things to attend to and deals with the upper
class people every day. How can you meet him as you wish?”

Qin Yu couldn’t be bothered with her at all.

The biggest shareholder of this school was Jiang Gu.

In other words, Qin Yu was also one of the shareholders of this
school.

A mere director wasn’t worth mentioning at all.

“Let’s hurry up and leave...” Yao Man seemed to be a little afraid.

Yao Qing hurriedly bent down and comforted her, “Don’t be afraid,
it’s fine. Qin Yu is very powerful.”

As they were speaking, a BMW 5 Series drove out of the school.

The chubby woman became even more excited when she saw the
car.

“Honey, you finally came out!” The chubby woman said excitedly.

As the car stopped, a man with slicked back hair came out.

“Mr. Wang, you’re here,” Mrs. Zhang said respectfully.

The man who was called Mr. Wang glanced at her and frowned.

“What happened?”

Mrs. Zhang hurriedly said, “This student is bullying your son. I’m planning to expel her!”

Mr. Wang nodded and said impatiently, “Then quickly expel her. Don’t crowd around the school gate. It won’t be good for the school.”

“Alright, I understand,” Mrs. Zhang quickly said.

Then, she looked at Qin Yu and said while glaring at him, “Did you hear that? Our director said that Yao Man has been expelled! You guys can scam!”

Qin Yu couldn’t help but sneer.

The world was really full of unjust.

“I think you guys should be expelled.” At this moment, a man in formal clothes ran out of the school anxiously..

Chapter 213: Rage

When they heard this, everyone turned around and looked over.

This man was none other than the principal of the school.

The principal panted heavily and quickly ran over.

“Principal, you... why are you here?” Director Wang said with some surprise.

The principal glared at Director Wang and said coldly, “Because of your position in the school, you abused your power to do whatever you want. I now announce that you are fired!”

When he heard this, Director Wang’s expression turned extremely ugly!

This school was one of the top aristocratic schools in Chuzhou. With his position, there was no telling how much money he had earned!

Most importantly, Director Wang thought that this was a stable job, so he took out a loan to buy a lot of luxury goods.

If he was fired now, he would probably be heavily in debt!

“Principal, I... I know now. Don’t fire me...” Director Wang said with a panicked expression.

The principal ignored him. His gaze fell on Qin Yu, and then he said with an embarrassed smile, “You are Mr. Qin Yu?”

Qin Yu nodded slightly and said with a cold expression, “It seems that your school doesn’t live up to its reputation.”

The principal’s expression changed, and he hurriedly said, “Mr. Qin, this is definitely an exception! I promise there won’t be a next time!”

Qin Yu sneered again and again.

He glanced at Mrs. Zhang, who wasn't far away, and said, "This kind of person is qualified to teach and educate people? She can't even be fair and just when facing a group of primary school children. Can she teach students properly?"

Mrs. Zhang's face instantly turned pale!

At this moment, she realized that this young man in front of her had much more power than Director Wang!

"Mr. Qin, I . . . I didn't know my place. Don't worry, from now on, I will take special care of Yao Man..." Mrs. Zhang hurriedly said.

Qin Yu sneered. "It seems that you don't understand what I'm saying."

"It's because of teachers like you that there is a bad social climate."

"You'd better scam quickly."

Mrs. Zhang wanted to say something, but the principal scolded, "Hurry up and scam? You're a disgrace!"

With one sentence, he fired Director Wang and Mrs. Zhang.

Although the two of them were unwilling, they couldn't do anything about it.

After chasing them away, Qin Yu looked at the principal.

"Principal, you have to pay attention to the school's social climate in the future," Qin Yu said with a dark expression.

The principal wiped his sweat and nodded. “Yes, yes, definitely...”

Then, Qin Yu ignored the principal.

He bent down to look at Yao Man and said with a smile, “Let’s go. I will bring you to eat. What do you want to eat?”

“I want to eat hotpot!” Yao Man said excitedly.

Qin Yu nodded and said, “Okay, let’s eat hotpot!”

Qin Yu deliberately didn’t let Yao Qing drive, but let him accompany Yao Man in the back seat.

The car sped all the way to the largest hotpot restaurant in the city.

“Order whatever you want to eat.” Qin Yu handed the menu to Yao Man.

Yao Man seemed to be a bit restrained. Obviously, her temper was a bit introverted.

“It’s okay. Mr. Qin has a lot of money. Order whatever you want to eat,” Yao Qing said with a smile.

Yao Man nodded. After hearing Yao Qing’s words, she was also a lot more relaxed.

After ordering, Yao Man asked carefully, “Mr. Qin, are you my brother’s new boss?”

Boss ?

Qin Yu raised his eyebrows and couldn't help but laugh.

He reached out to touch Yao Man's head and said, "No, your brother and I are friends."

"Wow, really?!" Yao Man suddenly looked pleasantly surprised.

"Of course, if you don't believe me, ask your brother," Qin Yu said with a smile.

Yao Qing couldn't help but feel a little awkward. He looked at Qin Yu with a grateful gaze.

Soon, all kinds of ingredients were served.

Qin Yu also liked hot pot, so there were barely any leftovers on the table.

After dinner, Qin Yu sent Yao Man back to school.

"If there's anything, just tell your brother. Don't be afraid," Qin Yu reminded before he left.

Yao Man nodded hard and said, "Thank you, Qin Yu!"

After sending Yao Man off, Qin Yu and Yao Qing left the school by car.

They returned to the hotel.

Qin Yu took out the document from the Jiang family and read it carefully.

Qin Yu's current memory was beyond imagination. He flipped through it and memorized all the places.

"Mr. Qin, I really didn't expect you to reach this stage."

At night, Yao Qing laid in bed and couldn't help but sigh.

Qin Yu shook his head and said, "This is nothing. There is always someone better than you."

If Qin Yu was satisfied with his current achievements, he would never be able to enter Jingdu and compete with the aristocratic families in Jingdu.

Qin Yu was barely able to deal with the Jiang family.

In front of the aristocratic families in Jingdu, the Jiang family was insignificant.

This was the difference.

"Go to sleep. We'll return to Jiangcheng tomorrow," said Qin Yu.

Jiangcheng was relatively more peaceful. During this period of time, many people were injured because of Qin Yu, so Qin Yu had to take responsibility for them.

The next morning, after Qin Yu woke up, he drove to Jiangcheng with Yao Qing.

A few hours later, the car entered Jiangcheng's territory.

"Mr. Qin, do you want to go straight home?" Yao Qing asked.

Qin Yu thought for a moment and said, "Let's go to the factory first. I have something to talk to Mr. Yang about."

"Okay," Yao Qing answered.

Then, the car sped in the direction of the factory.

Everything was the same in the factory. The warehouse was still full of herbs.

However, when Qin Yu entered the factory, many workers looked at Qin Yu quizzically.

Some were frightened, some were excited, and some were surprised.

"What's going on?" Qin Yu, not quite understanding, scratched his head.

"I don't know. I also think it's strange," Yao Qing muttered.

He stopped a worker and said, "Is Mr. Yang in the office?"

The worker was so scared that his face turned pale. His lips trembled as he said, "I . . . I don't know..."

After saying this, he ran away.

"How weird," Qin Yu muttered.

The two of them walked toward Mr. Yang's office.

Just as they reached the office door, Qin Yu saw four big men standing at the door.

Qin Yu looked at them closely. These four people seemed familiar.

“Lei Hu’s people?” Qin Yu couldn’t help but laugh.

“It seems that Lei Hu is quite careful. He actually sent people to protect Mr. Yang in advance.”

However, the four of them looked at Qin Yu as if they were looking at a ghost!

“You better behave yourself, or else we’ll kill you!” At this moment, a wave of curses suddenly came from the office.

“Let me tell you, Qin Yu is already dead. Now, it’s Chief Xiong who has the final say!”

“Behave yourself and work for Chief Xiong. Chief Xiong might let you live. Otherwise... be careful your entire family suffers!”

When he heard this, Qin Yu’s expression instantly turned cold.

He hurriedly walked forward and pushed open the office door.

He saw that in the office, there were two strong men glaring at Mr. Yang.

And Mr. Yang was hiding in a corner while shivering. There were obvious wounds on his body..

Chapter 214: The Arrogant Xiong Yi

The door was suddenly pushed open, and the people in the office immediately turned to look over.

“Who let you in... Qin Yu?” Before the two brawny men could finish their words, their expressions suddenly changed!

Not far away, Mr. Yang anxiously shouted, “Mr. Qin, save me...”

Qin Yu looked at the two brawny men coldly. “Who told you to do this? Lei Hu?”

The two strong men had already been scared to death. They stood there trembling while unable to say a word.

“Looks like there’s no need to ask you guys.” Qin Yu waved his hand and smashed the heads of the two men!

Following that, Qin Yu walked to Mr. Yang’s side and frowned. “Lei Hu betrayed us?”

Mr. Yang hurriedly stood up from the ground and shook his head. “No, it’s Xiong Yi! After he heard that you were captured, he captured Lei Hu and forced me to make medicine for them...”

“Xiong Yi... it’s Xiong Yi again!” Qin Yu was immediately burning with fury!

Last time, he didn’t kill him. Not only did he not know how to restrain himself, but he even became even more vicious!

Even Lei Hu suffered under his hands!

“Where is Xiong Yi now?” Qin Yu said coldly.

Mr. Yang said, "I don't know either..."

"Then what about Lei Hu?" Qin Yu hurriedly asked.

"Lei Hu is locked in a warehouse in the western suburbs," Mr. Yang said.

Qin Yu nodded and turned to leave.

At this time, Mr. Yang hurriedly stopped Qin Yu and said, "Mr. Qin, Xiong Yi found a master from God knows where. You... you have to be careful!"

"Master?" Qin Yu sneered.

Even Jiang Gu, who was known as the number one in Chuzhou, was defeated by him. Who else could Qin Yu fear?

"I understand, Mr. Yang. Don't worry." Qin Yu nodded.

Then, Qin Yu drove to the warehouse in the western suburbs.

The western suburbs were a wasteland. Because the neighboring cities in the western suburbs weren't developed, this land had always been desolated

Rumor had it that many fights in Jiangcheng in the early years were in the western suburbs.

Soon, Qin Yu drove to the western suburbs.

On a piece of barren land, there was an empty warehouse.

At the door of the warehouse, there stood a few strong men.

Qin Yu took a closer look and found that these strong men were Lei Hu's former subordinates.

"These people are really fence-sitters," Qin Yu said coldly.

"Hiss!"

The car came to a sudden stop at the door of the warehouse!

The few people in charge of guarding the warehouse immediately looked over.

"Who are you?!" The few of them shouted.

Qin Yu didn't say anything. He just waved his hand, and a wave of energy sent them flying!

Then, Qin Yu walked to the door.

The door of the warehouse was locked by a big lock. Qin Yu narrowed his eyes and suddenly smashed the lock into two halves!

With a loud bang, the door was smashed open by Qin Yu!

The two of them hurriedly walked in.

They saw that there were many herbs in the warehouse. What surprised Qin Yu was that these herbs weren't of low age!

The highest was even close to a hundred years!

"Huh? What an unexpected harvest." Qin Yu touched his chin and muttered softly.

It seemed Xiong Yi had long been prepared. He actually prepared so many herbs in advance.

But... where did he get these herbs from ?

Qin Yu didn't think too much about it. Instead, he walked into the warehouse.

In the center of the warehouse, a man covered in blood was tied up like a dog.

His entire body was covered in wounds. His appearance couldn't even be seen clearly.

"Lei Hu ?" Qin Yu called out tentatively.

Hearing this voice, the man on the ground suddenly raised his head!

When he saw Qin Yu's face clearly, he immediately burst into tears!

"Mr. ... Mr. Qin... you're finally here..." Lei Hu couldn't stop crying. He no longer had his usual demeanor.

Qin Yu's expression was extremely cold. He stretched out his hand and broke the chain.

Then, he placed his palm on Lei Hu's chest, and a gush of spiritual energy gushed out.

In just ten minutes, Lei Hu felt that more than half of his injuries had healed.

Looking at the crying Lei Hu, Qin Yu berated, "Hold back your tears!"

After he heard the stern shout, Lei Hu hurriedly covered his mouth.

“What exactly happened?” Qin Yu asked coldly.

Ruthlessness flashed in Lei Hu’s eyes.

He immediately told Qin Yu what had happened.

“After Xiong Yi found out that you were captured, he robbed the factory. More than half of my men followed Xiong Yi.” Lei Hu took a deep breath and forcefully suppressed his anger.

Qin Yu’s expression was somewhat cold.

He looked at Lei Hu and said, “Where is Xiong Yi now?”

Lei Hu hurriedly said, “He set up a Chamber of Commerce in Jiangcheng. At this time, he should be in the Chamber of Commerce.”

“Bring me there,” Qin Yu said.

“Okay!” Lei Hu hurriedly nodded.

The three of them left the warehouse and rushed toward the Chamber of Commerce under Lei Hu’s guidance.

On the way, Lei Hu told Qin Yu that almost all the merchants were with Xiong Yi now.

In other words, currently, Xiong Yi almost controlled the entire economic lifeline of Jiangcheng!

Even the Lu family, the former richest family in Jiangcheng, was far inferior to the current Xiong Yi!

“Xiong Yi...” Viciousness flashed in Qin Yu’s eyes.

The car soon arrived at a chinese-style villa by the river.

It had to be said that the environment of this villa was quite beautiful. The huge courtyard had mountains, rivers, and pavilions.

“Xiong Yi sure knows how to enjoy himself,” Qin Yu said coldly.

In the courtyard, under a pavilion, more than ten men in suits were sitting together and sipping tea.

And the one sitting at the front was Xiong Yi.

“Mr. Xiong, it was thanks to your prompt decision that we could have such an opportunity!”

“Yeah, we have disliked Lei Hu since long before!”

“Thank you, Mr. Xiong, for giving us such a lucrative opportunity!”

Everyone’s flattery made Xiong Yi even more elated.

He waved his hand and said indifferently, “Don’t worry. As long as I have a bite to eat, you guys won’t lack it either.”

“Thank you, Mr. Xiong!” Everyone flattered again.

At this moment, someone at the side suddenly said, “Mr. Xiong, there’s a rumor outside saying Qin Yu didn’t die and that the Jiang family even admitted defeat. I don’t know if it’s true.”

Upon hearing this, Xiong Yi’s expression changed slightly.

“It’s impossible, right?” Xiong Yi said suspiciously.

“I also think it’s impossible. They even said that the Jiang family has already submitted to Qin Yu. However, I’ve checked and the people in the provincial capital don’t know about this matter at all.”

Upon hearing this, Xiong Yi immediately burst into laughter.

When he heard that Qin Yu wasn’t dead, Xiong Yi was still a little worried.

But to say that the Jiang family had submitted to Qin Yu? Wasn’t that nonsense?

“Clearly, someone is spouting nonsense.” Xiong Yi snorted lightly.

“The Jiang family is a family that had been established for hundreds of years. How can Qin Yu deal with them alone?”

“Moreover, even if Qin Yu isn’t dead, what can he do? Little Wu can deal with him as he pleases!”

Little Wu immediately took a step forward and nodded. “Don’t worry. If Qin Yu is really not dead, I will go and kill him..”

Chapter 215: Leave No One Alive!

After hearing Little Wu's words, everyone was relieved.

They weren't martial artists, so they couldn't discern differences in strength. They only knew that both of them were very powerful.

Therefore, they believed in Little Wu's words without a doubt.

At this moment, the door suddenly opened.

Then, they saw Qin Yu and Lei Hu walking towards them quickly.

The moment they saw Qin Yu, everyone's expression changed!

"Qin... Qin Yu isn't dead!" Someone cried out in shock!

There were even people who quickly hid behind Little Wu!

Among them, the one scared the most was none other than Xiong Yi!

He stared fixedly at Qin Yu, and his body even began to tremble!

"He... he really isn't dead!" Xiong Yi clenched his teeth.

He hurriedly looked at Little Wu and said coldly, "Little Wu, I'm depending on you."

Little Wu nodded and said, "Don't worry. Jiangcheng is just a small place. What kind of masters can there be?"

With Little Wu's assurance, Xiong Yi was slightly relieved.

Very soon, Qin Yu brought Lei Hu and Yao Qing into the pavilion.

When they saw Qin Yu, the entire place was silent. No one dared to speak.

“Mr. Qin, I’m so happy to see that you’re fine!” Xiong Yi said shamelessly.

Qin Yu sneered. “Happy? Or afraid?”

Xiong Yi’s expression changed slightly and said, “What are you saying? Of course I’m happy!”

“Xiong Yi, you’re so shameless!” Lei Hu said angrily.

Xiong Yi said indifferently, “Lei Hu, it’s you who doesn’t have abilities. How can you blame others for it?”

“This Soul Nourishment Pill can be made better in my hands! Obviously, I’m more suitable!”

Qin Yu couldn’t help but burst into laughter when he heard that.

“Who is suitable isn’t up to you. You only have what I give you,” Qin Yu said coldly.

Xiong Yi smiled embarrassedly and said, “Yes, yes, you’re right. So, Mr. Qin, why don’t we work together and make this Soul Nourishment Pill business more lucrative?”

“Work together?” Qin Yu raised his eyebrows.

“Why don’t you take a look at yourself? Are you worthy of it?” Qin Yu said with a sneer.

When he heard that, Xiong Yi's expression also darkened.

He said with a cold expression, "Qin Yu, don't be too arrogant. Don't think that everyone is afraid of you!"

"Let me tell you, I will definitely take this Soul Nourishment Pill! If you're tactful, cooperate with me. I can even give you a share of the profit!"

"Otherwise... you will suffer what Lei Hu suffered!"

"Are you courting death?!" Before Qin Yu could speak, Yao Qing flew into a rage.

Xiong Yi hurriedly took a step back. He looked at Little Wu and said, "Do it. Kill them for me!"

Little Wu nodded slightly.

He took a step forward and said with a nonchalant smile, "You're Qin Yu? Let me give you a word of advice. It's still not too late to leave now. Otherwise..."

"Bang!"

Before Little Wu could finish his words, Qin Yu gave him a slap.

This slap directly shattered Little Wu's facial bones!

The person who was still alive just now had turned into a corpse in the blink of an eye!

Everyone was stunned!

They had never thought that the difference in strength between Little Wu and Qin Yu would be so great!

Qin Yu sneered and said, "This is the master you invited? A piece of trash dares to challenge me?"

Xiong Yi immediately panicked. He said while retreating, "Qin Yu, you... don't come over..."

Qin Yu shook his neck and said coldly, "What? Now you feel fear?"

Xiong Yi clenched his teeth and said, "Mr. Qin, I've realized my mistake. Can you... can you spare me?"

"No." Qin Yu didn't even think about it.

"You must die today."

When he heard this, Xiong Yi's expression suddenly became a bit ferocious!

He suddenly took out a pistol from his waist and pointed it at Qin Yu!

"Qin Yu, you forced me! None of us will end up well!" Xiong Yi said through gritted teeth.

Qin Yu sneered and said, "Is this what you rely on? Do you think I will be afraid?"

As he spoke, Qin Yu walked towards Xiong Yi step by step.

Xiong Yi's forehead was covered in cold sweat. As he stepped back, he shouted, "Don't force me!"

“Shoot.” Qin Yu didn’t stop at all.

“Shoot!”

Xiong Yi immediately roared crazily!

In the next second, the trigger was pulled, and the sound of the gunshot was deafening!

However, Xiong Yi was horrified to discover that this bullet had only left a white scar on Qin Yu’s body.

His body was wrapped in golden light, and even the bullet was unable to harm him in the slightest!

At this moment, Xiong Yi was completely flustered.

His legs went soft, and with a plop, he knelt on the ground.

“I... I know I was wrong. Please spare me. Please spare me...” When facing death, Xiong Yi cried like a child.

However, Qin Yu didn’t have the slightest bit of pity in his heart.

Keeping Xiong Yi alive would definitely be a disaster.

“Before I kill you, I’ll ask you a question,” Qin Yu said coldly.

Xiong Yi hurriedly raised his head and said, “Please speak. Please speak.”

“Where did you get the batch of herbs from the warehouse in the western suburbs?” Qin Yu asked.

Xiong Yi got an idea and said tentatively, “If I tell you, can you spare my life?”

“No.” Qin Yu shook his head.

“You’re not qualified to negotiate with me.”

Xiong Yi gritted his teeth and said, “Then I will never tell you!”

“Okay.” Qin Yu nodded.

His hand lit up. Just as he was about to make a move, Lei Hu suddenly shouted, “Mr. Qin, hand him over to me. I promise to ask him for you!”

Qin Yu thought for a moment and nodded. “Okay.”

Lei Hu glared at Xiong Yi and said through gritted teeth, “Xiong Yi, your good days are over!”

After saying that, Lei Hu made a phone call and called his old subordinates over.

A few people rushed over and stuffed Xiong Yi into the car.

When they got into the car, Xiong Yi was already so scared that he couldn’t stand up.

After Xiong Yi was taken away, Qin Yu looked at the merchants at the scene.

“Mr. ... Mr. Qin, we... we know we were wrong...” these people said with trembling voices.

“Yes, please spare us. If it weren’t for us, no one would work for you...”

“You can’t do everything yourself, right?”

When he heard this, Qin Yu sneered.

“You... really think highly of yourselves.” Qin Yu sighed.

“I wanted to spare your lives, but since you said so, let’s kill them all.”

When he heard this, everyone was stunned.

Qin Yu... actually wanted to kill them all?

“Mr. Qin, you...”

“Phew!”

Before they could say anything, a wisp of spiritual fire landed on their bodies.

The intense pain caused them to wail!

The blue spiritual fire could almost devour everything. In just a few minutes, they were all burned into ashes.

When the wind blew, nothing was left, as if nothing had happened.

Qin Yu stood there, but he didn’t waver at all.

It was unknown whether it was because of the increase in his strength or because he had absorbed dark energy, but Qin Yu had become more cold-hearted..

Chapter 216: King of Chuzhou

Jiangcheng city lost a large number of merchants in one go, and this matter still caused quite a stir.

But fortunately, Lei Hu's handling of the matter was quite proper, and he quickly suppressed the news.

A few days later, Jiang Gu suddenly announced the news publicly:

From today onwards, the Jiang family would submit to Qin Yu.

Once this news was released, it immediately caused a stir in the entire Chuzhou!

For a moment, almost everyone, from the great aristocratic families to ordinary families' small talk after dinner, in the entire province was discussing this matter.

And the more this news spread, the more over the top it became. In just a few days, Qin Yu had become a legendary figure!

"Mr. Qin, take a look at what nickname the internet has given you." On this day, as soon as Qin Yu woke up, Yao Qing walked over with his phone.

Qin Yu took the phone and saw that they had given Qin Yu a nickname, "King of Chuzhou."

This immediately gave Qin Yu a headache.

“King of Chuzhou. Even when the Jiang family was at the peak, they didn’t get this title.” Yao Qing sighed.

Qin Yu didn’t say anything.

This had both advantages and disadvantages for Qin Yu.

But clearly, the disadvantages were greater than the advantages.

“Let them call us.” Qin Yu, too apathetic to care about this matter, shook his head.

...

Jiangcheng was a small city that wasn’t well-known, but there were many famous tourist cities around it.

The east side was adjacent to South City, and the south side was adjacent to Qu City. The most praiseworthy city was Bai City, which was in the north.

Although the two places were only a hundred kilometers apart, the difference in prosperity between the two cities was extremely great.

It wasn’t an exaggeration to say that Bai City was the most developed city in Chuzhou.

Because they had a developed economy based on tourism, all kinds of industries were top-notch.

On this day, Qin Yu and Yao Qing arrived at Bai City.

Their cars were also carrying a large amount of supplies.

Other than the herbs that they brought from the warehouse, there was also the bronze sword and the stone statue that they obtained in the provincial capital.

During this period of time, Qin Yu had asked Jiang Gu to look for hundred-year-old herbs, but he had come back empty-handed. For a moment, Qin Yu had a headache.

Therefore, Qin Yu turned his attention to Bai City.

Bai City had a newly developed scenic area. The surrounding scenery was beautiful, and there were few people around.

According to legends, many martial arts experts had come from this place, but times had changed, so martial arts experts were unable to develop this place.

Fortunately, Jiang Gu was an Inner Strength Grandmaster, so he invested in this aspect.

They arrived at the scenic area. The infrastructure here was almost complete, but there were still a lot of workers working.

After getting out of the car, Qin Yu took a deep breath and felt the spiritual energy in the surroundings.

“Although the spiritual energy isn’t dense, it’s considered an excellent place compared to other places,” Qin Yu thought to himself.

He planned to set up a spirit gathering array near the scenic area to increase his strength.

As soon as he got out of the car, a woman in professional attire ran over quickly.

She said respectfully, “May I ask if you are the King of Chuzhou, Qin Yu?”

Upon hearing this address, Qin Yu felt uneasy.

“He is the King of Chuzhou.” Yao Qing was rather smug. Before Qin Yu could answer, Yao Qing said proudly.

When the woman heard this, respect flashed in her eyes.

“They all said that you could kill a tiger with one punch and had even killed a true dragon. Is that true?” The woman hurriedly asked.

Qin Yu said, “What is this rumor? It’s getting more and more vicious...”

After some small talk, they found out that this woman was the person in charge of this scenic area. She was also an executive of a company under the Jiang family. Her name was Kong Ping.

And to Kong Ping, Jiang Gu had always been a legendary figure! Jiang Gu’s submission would naturally make Kong Ping admire Qin Yu even more.

Along the way, Kong Ping continuously expressed her respect for Qin Yu.

Qin Yu's ears were almost callused from hearing it continuously. He said helplessly, "Miss Kong, actually, those rumors are all fake. I'm not that legendary."

However, Kong Ping didn't believe him at all. She gave Qin Yu a thumbs up and said, "Mr. Qin, you really keep a low profile!"

Qin Yu couldn't take it anymore. He waved his hand and said, "How about this? You go back to the office first. I'll take a walk around here by myself."

"Shall I accompany you? In case you get lost!" Kong Ping said excitedly.

"There's really no need," Qin Yu declined.

Kong Ping had no choice but to agree. "Okay, if you need anything, just give me a call."

After sending Kong Ping away, Qin Yu couldn't help but wipe the sweat off his forehead.

"F * ck, what is all this?" Qin Yu said helplessly.

Yao Qing rolled his eyes. "You must be very happy, right?"

"F * ck you!" Qin Yu kicked Yao Qing's butt.

Then, the two of them began to stroll around the scenic area.

The entire scenic area had just been opened, and there was less than a week left before it would be completed.

Therefore, there weren't many tourists here, but quite a number of workers were working.

In the scenic area, there was a villa area, and this villa area was used to rent to tourists.

Qin Yu walked to the vicinity of this villa area and chose from left and right. Finally, he found a place with relatively rich spiritual energy and stopped.

"This is the place." Qin Yu stopped in his tracks.

"Inform Miss Kong later and ask her to build a fence around the villa here," Qin Yu said to Yao Qing.

Yao Qing hurriedly nodded and said, "Okay, I got it."

Since they had chosen the location, Qin Yu and Yao Qing were ready to go to the office and inform Kong Ping.

At this moment, a voice came from not far away.

After turning around, they saw a beautiful young girl scolding a worker who was working.

"Are you blind? Do you know how expensive my shoes are?" The woman scolded.

The worker's face was full of fear. He said with a trembling voice, "I'm sorry, I... I really didn't see it. I... I'll compensate you."

"Compensate? This pair of shoes costs more than 10,000 yuan. Can you afford it?" The woman said resentfully.

When he heard this number, the worker's expression instantly became somewhat ugly.

"It's so expensive..." the worker said softly.

He took out a few hundred yuan bills from his pocket and handed them to the woman shakily.

"I'll give this money to you first. After the wages are paid, I'll return the rest of the money to you..." the worker said nervously.

However, this woman slapped the money away.

"Get your dirty hands off me. Why are you so close to me? Are you trying to be a pervert?" The woman chattered.

After saying this, the woman shouted into her phone, "This peasant worker wants to take advantage of me. What do you think we should do?"

"I... I'm not..." the worker immediately panicked.

The woman sneered.. "You don't know who I am, right? I'm a famous influencer, Xiao Yi! Let me tell you, the people in the live stream said that they want you to kneel down and lick my shoes clean, or else I should sue you for being a pervert!"

My Rich Wife Novel – Chapter 217 –

Chapter 217: Dignity

In the face of the female streamer's domineering attitude, the worker looked flustered.

"But... I really didn't do it..." the worker explained anxiously.

But the female streamer didn't care at all.

She didn't care about the truth of the matter. As long as she controlled the public's opinion, even what was fake could become real!

For the so-called live broadcast effect, so what if a migrant worker was sacrificed?

"I'm telling you, lick my shoes quickly, or else I'll have you arrested right now!" The female influencer said arrogantly.

The worker's expression was extremely ugly. He stood there without knowing what to do.

"Are you going to lick or not?" The female live streamer seemed to be a little impatient.

She shouted at the live broadcast room, "He won't agree. Sigh, actually, I want to forgive him, but I have to teach him a little lesson. Otherwise, there's no telling what he will do in the future."

The netizens in the live broadcast room who didn't know the truth immediately buzzed. "Hurry up and have him arrested! We can't let this kind of person get away with it!"

The female influencer sneered.

She sized up the worker and said, “I’m giving you one last chance. Do you want to lick or not?”

The worker’s expression was pale. He also had his dignity, but when he thought of the children at home who were still waiting for their tuition to be paid, the worker felt deflated.

The dignity of a middle-aged man was crushed under the burden of providing for his family.

He bent down and was about to kneel down when a hand grabbed his arm.

He looked up and saw Qin Yu looking coldly at the female streamer in front of him.

“What are you doing?” The female streamer said while glaring at him.

Qin Yu said coldly, “Kneel down.”

The female streamer sized up Qin Yu and sneered. “Who are you? You two are in cahoots, right? You want to take advantage of me too, right?”

Qin Yu couldn’t help but sneer. “Are you suffering from paranoia? You look like a pig. Who would take a fancy to you?”

Anger flashed across the female streamer’s expression. She pointed at Qin Yu and said, “Just you wait!”

Then, she shouted into her phone, “Look, another hooligan has come. I suspect that these two are in cahoots, I...”

Before she could finish her sentence, Qin Yu smashed her phone.

“You dared to smash my phone?” The female streamer’s eyes widened.

“Kneel down! Apologize to this worker,” Qin Yu said coldly.

“Kneel down to him? Is he worthy? A peasant worker, i...”

Qin Yu couldn’t be bothered to listen to her nonsense. He stretched out his hand and pressed it on her shoulder.

Under this huge force, the female streamer fell to her knees with a plop and was unable to move!

“What’s going on?!”

At this moment, a man rushed over from not far away.

Seeing this man, Qin Yu couldn’t help but feel stunned.

Because this man was none other than a good friend of his when he was young!

“Li Feng?!” Qin Yu’s eyes flashed with surprise.

Li Feng sized up Qin Yu and frowned slightly.

“You don’t remember me? I’m Qin Yu!” Qin Yu said anxiously.

Li Feng said with a dark expression, “Qin Yu, I’m at work now. Please call me Director Li.”

Qin Yu’s expression suddenly changed slightly.

“What’s going on?” Li Feng asked with a cold expression.

“Director Li, I’m the influencer that you invited! It’s bad enough that this migrant worker wanted to molest me, but this b*stard even made me kneel!” The female live streamer complained first.

“I’m telling you, you have to give me an explanation!” The female live streamer snorted.

“It’s not like that. She’s bullying people.” Qin Yu frowned and told Li Feng what happened.

However, Li Feng said with a cold expression, “Qin Yu, do you know who this is? She’s an A-list influencer! She’s here to promote our scenic spot! Who allowed you to hit her? Quickly apologize!”

When he heard Li Feng’s words, Qin Yu’s expression turned completely cold.

“Li Feng, did you not hear what I said? It’s her...”

“Don’t talk to me about these useless things!” Li Feng interrupted Qin Yu’s words.

“Qin Yu, of course a person of your class wouldn’t understand the benefits involved.”

“I don’t care who’s right or wrong. I only care about who provides higher value benefits! Understand?!”

“Now, apologize to her right now!”

Qin Yu sneered again and again.

He looked at this old friend of his when he was young and felt that he was a stranger.

“Li Feng, you really let me down.” Qin Yu shook his head.

Li Feng didn't want to continue arguing with Qin Yu.

He turned to look at the migrant worker and said with a dark expression, “You're fired!”

The worker's expression suddenly became a little ugly. He hurriedly explained, “I didn't touch her at all. She framed me...”

“Cut the crap!” Li Feng said impatiently.

Disappointment flashed across the worker's expression.

He sighed and said in a low voice, “I got it.”

“Don't worry. You won't be fired.” At this time, Qin Yu patted his shoulder.

“Hehe, Qin Yu, this isn't up to you.” Li Feng sneered.

Qin Yu looked at Li Feng. He suppressed his anger and said, “For the sake of our previous friendship, I can give you a chance. Take back your words and I'll pretend that nothing happened.”

Li Feng couldn't help but laugh when he heard that, “Qin Yu, why are you so childish? Our previous friendship? Who remembers?”

“I'm now one of the people in charge of this construction site! Other than Director Kong, I have the biggest say!”

“You’re giving me a chance? Are you daydreaming?”

Yao Qing, who was at the side, clenched his fists and immediately took a step forward.

However, Qin Yu reached out to stop him.

“Okay, remember what you said.” Qin Yu nodded to Li Feng.

The female influencer even shouted, “Idiot, if you don’t have the ability, why are you standing up for him? What the h*ll!”

Qin Yu couldn’t be bothered with her, but he felt a little sad.

He had also climbed up from the bottom, so he could understand how difficult life was at the bottom.

After leaving with Yao Qing, Qin Yu went straight to Director Kong’s office.

After entering the office, Qin Yu told Kong Ping his thoughts.

“Miss Kong, please surround the vicinity of this villa. I want to use it,” Qin Yu said while pointing at the plan.

Kong Ping quickly nodded and said, “No problem! You are my boss and my idol. It’s up to you!”

Qin Yu smiled and said, “How long will it take?”

Kong Ping thought for a moment and said, “Three days.”

“It’s too long.” Qin Yu frowned.

“Speed up the progress,” Qin Yu said.

“Okay, I’ll give you an answer in two days!” Kong Ping said quickly.

She immediately took out her cell phone and made a call.

“Li Feng, come to my office. I have something for you to do,” Kong Ping said.

Li Feng didn’t dare to waste any time and hurriedly ran to Kong Ping’s office.

As soon as he entered the office, Li Feng saw Qin Yu.

He said with a cold expression, “Qin Yu, what are you doing here? Hurry up and get out.. If you have anything to say, wait for me to get off work!”

Chapter 218: The Strange Stone Statue!

Qin Yu glanced at Li Feng and couldn’t be bothered with him at all.

Li Feng’s expression was a little ugly. He hurriedly walked up to Kong Ping and said, “Director Kong, I’ll kick him out now!”

Kong Ping looked at Li Feng with a dumbfounded expression.

She frowned and said, “Kick him out?”

“Yeah, give me some time. I’ll take care of it,” Li Feng said with an embarrassed smile.

Kong Ping didn't quite understand the situation. She frowned and said, "Mr. Qin is our boss. Why would you kick him out?"

When he heard this, Li Feng's expression changed slightly.

He said with an embarrassed smile, "Director Kong, don't joke around. Isn't our boss Jiang Gu..."

"That's right. Mr. Qin is Jiang Gu's boss. He is our boss too," Kong Ping said with a frown.

Li Feng's expression changed!

He suddenly remembered the "King of Chuzhou" who had just risen recently!

Could that person be Qin Yu?

"Did you offend Mr. Qin?" At this moment, Kong Ping suddenly realized something.

"He didn't offend me. He just told me to get out." Qin Yu sneered.

Kong Ping's expression immediately changed. She stood up and berated, "Li Feng! Who gave you the guts to tell the boss to get out?! I'm officially informing you now that you're fired!"

Li Feng was completely flustered. He looked at Qin Yu, as if he was asking for help, and said, "Qin Yu, I... We're friends. Have you forgotten that you used my pencil when you were young..."

"Now you know that you guys were friends?" Yao Qing sneered.

“Didn’t a certain someone just say that Mr. Qin isn’t on the same level as you?”

Li Feng was extremely anxious. He grabbed Qin Yu’s arm and begged bitterly, “Qin Yu, I really know that I’m wrong. You... you have to forgive me...”

However, Qin Yu pushed Li Feng’s hand away.

He looked at Li Feng coldly and said, “I don’t care whether you acknowledge me or not, but I don’t like your way of handling things.”

“Do you hear me? Hurry up and get out!” Kong Ping was a smart person. She immediately waved her hand and chased Li Feng out.

Li Feng regretted it. If he had known earlier, he would have established a good relationship with Qin Yu!

With their previous friendship, he might have been promoted!

Unfortunately, it was useless now.

After chasing Li Feng away, Qin Yu looked at Kong Ping.

“Miss Kong, I won’t disturb you for now. I hope you can finish the wall as soon as possible,” said Qin Yu.

Kong Ping quickly nodded and said, “Mr. Qin, don’t worry. I’ll arrange for someone to do it right away!”

Kong Ping had already prepared a place for Qin Yu to stay.

The surroundings were relatively quiet, and there were many abandoned houses.

After these houses had been renovated, they would be a good choice.

Qin Yu and Yao Qing temporarily stayed in this house.

Qin Yu didn't waste any time. He quickly took out the herbs he had prepared and prepared to refine a pill for Wei Ming.

...

At a training ground in South City, a muscular man who was like an iron tower was training with all his might.

His training method was extremely rigorous, and the muscles on his body were ridiculously big.

The most shocking thing was that his body seemed to be wrapped by a faint light.

This person was no other than Tao Shan.

Ever since he was defeated by Qin Yu, he had been training like crazy.

Not only did he successfully step into the Inner Strength Past Master realm, but his Cross-training level had also improved greatly.

In the dark, a figure was staring at Tao Shan.

“This is a precious physical body...” Greed flashed in the figure's eyes!

“If I get this body, with my realm, no one in Chuzhou can do anything to me!”

In the next second, the figure rushed toward Tao Shan with a whoosh!

He turned into a black mist and stuck to Tao Shan’s body!

“Ah!!”

Painful wails came out from Tao Shan’s mouth!

In less than half a minute, Tao Shan fell to the ground with a bang.

A few seconds later, Tao Shan, who had fallen, stood up again.

But this time, his expression became a little sinister, and the smile on the corner of his mouth was extremely eerie.

This person was none other than the southwest Magus who had possessed Qiu Feng back in the provincial capital!

This Magus was called Hui Ming, and he was once an important figure in the southwest!

Unfortunately, his physical body was later destroyed, which was why he fell into such a situation!

Ever since Qiu Feng was defeated by Qin Yu, he had escaped to South City!

And now, he had possessed Tao Shan’s body!

“With this body, I will definitely be able to snatch back the stone statue!” Viciousness flashed in his eyes!

“Tao Shan, how was your training today?”

At this moment, a young man walked over from not far away.

Hui Ming glanced at this young man and muttered in a low voice, “Peak Inner Strength Master Hands? Although a mosquito is small, it’s still meat...”

After saying that, Hui Ming raised his hand and slapped his head!

“Ah...” the young man immediately let out a painful wail.

In less than a minute, his inner strength was completely absorbed.

His body withered.

After Hui Ming absorbed this inner strength, rays of light began to stick to his body.

His body instantly became tougher!

“How comfortable. How comfortable...” Hui Ming licked his lips in satisfaction.

He looked at this body with satisfaction and couldn’t help but feel a little excited.

For Magi, their weakest point was their body.

Tao Shan just happened to make up for his weakness!

“Qin Yu, I will return the humiliation I suffered from you last time!”
Hui Ming said sinisterly.

...

At this moment, Qin Yu had already finished refining the pill.

He put the pill into a box and put it aside.

“I’ll find a time to send it to Wei Ming,” Qin Yu thought to himself.

After refining the pill, Qin Yu took out the stone statue.

The stone statue had an extremely dense dark energy. Even Qin Yu could feel the bone-piercing coldness.

This stone statue was definitely more mysterious than he had imagined!

“Since I can’t find any herbs, I might as well rely on the dark energy on the stone statue to cultivate for now,” Qin Yu thought to himself.

He placed his hand on the stone statue, and the dark energy on the stone statue instantly surged towards Qin Yu like a spring!

“Such strong dark energy!” Qin Yu couldn’t help but widen his eyes!

He had absorbed it for more than an hour, but the dark energy on the stone statue still didn’t diminish at all!

“How much... how much dark energy is there in this stone statue?”
Qin Yu was ecstatic!

If that was the case, wouldn't he be able to absorb dark energy without limit to increase his strength?

"That's great." Qin Yu's face was full of excitement!

This stone statue was indeed not some common object! No wonder Hui Ming had risked his life to get it!

Just as Qin Yu was excited, a strange light suddenly burst out from the stone statue.

The moment this light appeared, the golden light in Qin Yu's mind began to surge.

"Huh? What's going on?" Qin Yu's expression changed slightly. He felt that the divine sense of power in his mind was about to be absorbed by the stone statue!

Qin Yu hurriedly wanted to move his hand away, but he realized that his palm seemed to be sucked by the stone statue!

Chapter 219: The Thick-skinned Qin Yu

Qin Yu's spiritual sense was instantly extracted, and then it rushed into the stone statue!

The pain of the spiritual sense being extracted was unimaginable. In almost an instant, Qin Yu fainted.

His vision turned pitch-black. In the darkness, Qin Yu lowered his head to look at his hands, and found that his entire body was shining with golden light.

“This... is my spiritual sense?” Qin Yu couldn’t help but mutter.

At this moment, a ray of light appeared not far away.

The light grew bigger and bigger until it finally transformed into a human figure!

The instant the human figure appeared, his surroundings became bone-piercing cold, and the sky-piercing dark energy immediately forced its way over!

Looking at the tall human figure in front of him, Qin Yu’s expression couldn’t help but change slightly.

“You... are you my junior? You’re finally here...” Just as Qin Yu was panicking, the human figure spoke.

There was a trace of excitement and sorrow in his voice. His loud voice made Qin Yu’s head buzz.

“I knew my junior would definitely find me!” The human figure continued to say.

Qin Yu didn’t understand the situation for a moment. He sized up the giant in front of him and didn’t dare to say a word.

“Is the Earth Fiend Valley doing well?” The person continued to ask.

When he heard the words ‘Earth Fiend Valley’, Qin Yu’s expression immediately changed.

He had heard of this sect. It was a notorious sect in the southwest region.

Rumor had it that they lived on dark energy. Countless young girls had been tricked into their cave dwellings and become nourishment.

This kind of sect had harmed countless people. It was truly an evil sect!

“Could it be... that this person is the Earth Fiend Valley’s ancestor?”
Qin Yu suddenly guessed something.

His mind raced, and the corners of his mouth couldn’t help but curl into a cold smile.

“It’s me!” Qin Yu suddenly cried out sorrowfully.

“I’ve finally found you. You have no idea how much effort I’ve put in all these years to find you!” Qin Yu put on his best acting skills and he couldn’t stop crying.

“You have done well.” The old ancestor said indifferently.

Qin Yu’s heart was immediately filled with joy.

He had guessed it right!

“It wasn’t arduous. As long as I can find you, everything will be worth it!” Qin Yu pretended to wipe away his tears as he said with a slightly sorrowful tone.

The old ancestor nodded slightly and he turned to look at Qin Yu while saying, “Have you found a way to lift the seal?”

Lift the seal ?

So this old man had been sealed!

Qin Yu's eyes darted around as he sighed. "Not yet. I have traveled all over Pyro over the past few years but haven't found a way to remove the seal."

When he heard those words, the old ancestor's expression immediately changed.

A terrifying internal qi immediately pressed down upon Qin Yu!

"Boom!"

Faced with such a powerful internal qi, Qin Yu didn't have the slightest bit of strength to resist and with a bang, he was pressed to the ground!

In an instant, Qin Yu felt as if his divine sense was about to break!

"What a powerful force!" Qin Yu couldn't help but feel shocked inside!

This old man actually attacked his own sect's people so ruthlessly! As expected of someone from an evil sect!

"Useless trash!" The old ancestor's voice boomed, causing Qin Yu's ears to buzz.

Qin Yu couldn't help but curse inside.

Just a moment ago, he was praising him for doing a good job. Now, in the blink of an eye, he had turned against him. What an old b*stard!

“It’s not my fault. I have already thought of many ways,” Qin Yu said hurriedly.

The old man said coldly, “I don’t want to know the process. I only want the result! Since you can’t find a way to break the seal, then you can stay here and accompany me!”

When he heard this, Qin Yu’s face instantly turned pale!

This old b*stard was really ruthless! He turned hostile faster than flipping through a book!

“I have worked hard for all these years without any merit. On account of the many years of hard searching, let me go...” Qin Yu braced himself and said.

But the elder ancestor sneered. “So many years without any results? That means you’re trash. I think you should stay here.”

Qin Yu couldn’t help but curse inside. This old man was really inhumane!

However, Qin Yu didn’t have the slightest ability to resist it.

It was absolutely impossible to forcefully leave!

Thinking of this, Qin Yu’s mind spun quickly.

“Old Ancestor!” At this moment, Qin Yu suddenly thought of something.

He raised his head to look at the old ancestor of the Earth Fiend Valley and said anxiously, “Actually, if you give me a little more time, I will be able to find a way to break the seal!”

In the face of such a selfish person, it was useless for you to complain about his hard efforts. Only by letting them see hope would he be able to protect himself!

“Do you think I am stupid?” However, the old ancestor sneered again and again.

“You want to make up a lie to let me let you out? I think you’re too big for your britches!”

After an angry roar, the old ancestor’s big hand slapped down again!

This time, Qin Yu suddenly felt as if his head was about to explode!

His spiritual sense was injured, and the pain was far beyond his imagination

Qin Yu grimaced in pain!

“Old b*stard, I’ll kill you sooner or later...” Qin Yu gritted his teeth and cursed secretly.

Although that was the case, he still had to think of a way to get out as soon as possible.

“Elder ancestor!” At this time, Qin Yu shouted again.

He looked at the old ancestor with grief and indignation and said in feigned anguish, "I'm telling the truth! If you give me a little more time, I'll definitely find a way to break the seal, but..."

"But what?!" The old ancestor asked coldly.

Qin Yu sighed and murmured in a low voice, "I don't dare to say it. I'm afraid you'll blame me..."

"Say it quickly!" The old ancestor shouted angrily.

Qin Yu pretended to be in distress and said, "I've found a way, but I need some time. But now... the Earth Fiend Valley is facing the disaster of extermination and is on the verge of collapse. I. . . I really can't think of a way..."

After hearing these words, the old ancestor was indeed filled with grief and indignation!

He said angrily, "Who is it? Who dared to harm the Earth Fiend Valley?! Unforgivable, unforgivable!"

Qin Yu had an idea as he hurriedly said, "It's... it's someone called Qin Yu! He said that the people of the Earth Fiend Valley are all a bunch of jerks! He wants to uproot the entire Earth Fiend Valley!"

"Ah! ! !" This old ancestor was extremely furious as he roared repeatedly! Qin Yu's eardrums were about to burst!

"How dare he slander the Earth Fiend Valley in such a manner? I won't let him off easily, I won't let him off easily!" The old ancestor roared furiously.

Qin Yu struck while the iron was hot and continued, “Qin Yu is a great hero. He is too powerful. He has already reached the Inner Strength Grandmaster realm at such a young age. He is destroying the Earth Fiend Valley!”

When he said this, Qin Yu couldn't help but blush.

D*mn, the feeling of boasting was really a little awkward.

“A mere Inner Strength Grandmaster dares to oppress the Earth Fiend Valley?!” The old ancestor looked at Qin Yu coldly.

“I'll let you out now. Go and find a way to break the seal. I want to tear Qin Yu into pieces!” The old ancestor said coldly.

Qin Yu hurriedly shook his head and said, “It's too late. By the time I find a way to break the seal, the Earth Fiend Valley will have been wiped out long ago!”

“Why don't you pass on your strength to me? I'll kill Qin Yu for you....” Qin Yu said shamelessly.

Chapter 220: Endless Dark Energy!

At the moment, Qin Yu was lacking herbs. It would be best if he could borrow this old man's help.

The ancestor was silent for a moment before saying, “The path of cultivation can't be transferred, at least not with my ability.”

“Can't be transferred?” Qin Yu couldn't help but feel stunned.

The ancestor nodded and said, "That's right. There are no shortcuts to the path of cultivation. I can't pass on my internal qi to you."

"Could it be that there isn't even an Inner Strength Grandmaster in the Earth Fiend Valley?" At this moment, the ancestor suddenly changed the topic and looked at Qin Yu coldly.

Qin Yu sighed and said, "Times have changed. It's already the age of chaos. Our cultivation path is extremely difficult."

"Difficult?" The ancestor snorted coldly.

"There are so many women in the world. They can all become the nourishment of the Earth Fiend Valley," the ancestor said coldly.

When he heard this, Qin Yu couldn't help but curse inside.

The Earth Fiend Valley was really disgusting!

He didn't know how many women they had to exploit to attain their current achievements!

Qin Yu continued to lie, "Now, everything is under the supervision of the government. How can women be so easy to find?"

"You can't find them?" The ancestor's expression turned cold.

"I remember that the Earth Fiend Valley raises a group of women, right? The newborns they give birth to are the purest cultivation nutrients!" The ancestor continued to say.

When he heard this, Qin Yu almost couldn't hold in his anger!

If it wasn't for his lack of strength, Qin Yu would definitely slap this old b*stard to death!

“What a b*stard. Sooner or later, I will make a trip to the Earth Fiend Valley.” Qin Yu cursed inside.

Even though that was the case, Qin Yu still maintained a cordial pretense and said, “The Earth Fiend Valley is facing a disaster of extermination. Those women were all saved by Qin Yu!”

“The current Earth Fiend Valley is suffering!”

Grief flashed across the ancestor's face.

He sighed and said, “I really didn't expect that the Earth Fiend Valley would fall to such a state.”

“It's not like there's no other way.” Qin Yu raised his head and said.

“I'm the genius of the current generation of the Earth Fiend Valley! My cultivation speed is beyond imagination! It's just that I lack dark energy!”

“If you are willing to offer me dark energy, I believe that I will be able to become an Inner Strength Grandmaster very quickly and kill Qin Yu!”

Qin Yu said these words with confidence. He didn't blush and his heart didn't race.

The ancestor frowned slightly.

He rubbed his chin and thought for a moment before saying in a sullen voice, “If that’s the case, then my strength will definitely be diminished...”

“Isn’t that just what I want?!” Qin Yu shouted wildly in his mind!

As long as he absorbed all the dark energy of this old man, he could slap him to death. That would be the best of both worlds!

“As long as the Earth Fiend Valley survives this crisis, you will still have a chance to see the light of day!” Qin Yu said anxiously.

“If the Earth Fiend Valley is destroyed, I’m afraid you will never be able to leave this place!”

“Besides, with your omnipotence, as long as you leave this place, you’ll be able to reach the peak state at any time!”

Upon hearing Qin Yu’s words, the ancestor seemed to be slightly moved.

Qin Yu struck while the iron was hot and said, “There’s no time to think too much about it! Qin Yu can destroy the Earth Fiend Valley at any time!”

The ancestor nodded slightly and said, “Perhaps this is the only way.”

Qin Yu was instantly overjoyed!

This old man was still quite easy to fool!

At this moment, the ancestor suddenly thought of something.

He raised his hand, and a huge force instantly pressed down on Qin Yu's body!

In an instant, Qin Yu's entire divine sense was slapped to the ground with a bang!

There was another wave of intense pain! Qin Yu grimaced in pain!

“You aren't lying to me, are you?” The ancestor said coldly.

Qin Yu hurriedly said, “How could I... I really want to save you!”

The ancestor didn't say anything. He raised his finger and a dark light instantly enveloped Qin Yu.

As the light enveloped Qin Yu, he felt as if he was about to be seen through by the ancestor!

Qin Yu's expression changed. He hurriedly restrained his spiritual energy and tried his best to suppress the internal qi while releasing the dark energy!

Half a minute later, the ancestor retracted the ray of light.

He nodded slightly and said, “Alright, we'll do as you say. I happen to be short of a servant. You're a good choice.”

Servant?

F * ck him!

Although Qin Yu was extremely unwilling, it wasn't Qin Yu's turn to make the decision.

The ancestor pointed with his finger, and a pitch-black dot of light fell into Qin Yu's spiritual sense.

“In order to prevent you from betraying me, I left a mark in your spiritual sense.”

“As long as you dare to disobey my orders, I can take your life at the drop of a hat,” said the ancestor coldly.

Qin Yu's expression instantly turned pale!

If that was the case, how could Qin Yu kill him?

“Of course, this mark has its benefits. You can absorb my dark energy at any time,” said the ancestor indifferently.

Qin Yu hurriedly nodded and said, “Thank you, ancestor! In that case, I won't waste any more time!”

The ancestor nodded slightly. With a wave of his palm, Qin Yu's spiritual sense was pushed out.

After the spiritual sense returned to his body, Qin Yu also sat up from the ground.

“Mr. Qin, are you okay?” Yao Qing said somewhat anxiously.

Qin Yu shook his head. He stroked his chin and couldn't help but be a little worried.

If the mark left in his spiritual sense wasn't erased, Qin Yu might really become this old b*stard's slave.

“That’s right!”

At this moment, Qin Yu suddenly thought of the inheritance left by his father!

“My father’s strength should be above this old b*stard, right?” Qin Yu thought inside.

He left Qin Yu with an incomparably vast inheritance. Perhaps he could find a way to erase the mark!

Thinking of this, Qin Yu didn’t dare to waste any more time. He hurriedly closed his eyes and searched for a way to erase the mark.

Very quickly, a ray of light flashed through Qin Yu’s mind.

Following that, countless memories surged into Qin Yu’s mind.

“As expected, it can be erased!” After sensing this memory, Qin Yu was instantly overjoyed!

As long as he could erase this mark, Qin Yu no longer had to worry about this ancestor of the Earth Fiend Valley!

“I really wonder who my father is,” Qin Yu thought to himself.

From what the inheritance showed, his father was practically an omnipotent existence.

As long as Qin Yu’s mind moved, he would be able to obtain the corresponding cultivation technique.

This technique was heaven-defying.

“Forget about him. Let’s first absorb this old b*stard’s dark energy first,” Qin Yu thought to himself.

This old b*stard’s dark energy was as vast as the sea. If he could absorb all of it, Qin Yu’s strength would definitely rise to a higher level!

Therefore, he didn’t waste any more time. Instead, he sat down cross-legged and absorbed this ancestor’s dark energy through the imprint.

Endless dark energy surged into Qin Yu’s body through the mark.

The vastness of this dark energy far exceeded Qin Yu’s imagination!

His entire body was instantly enveloped by the dark energy! The internal qi in his body was increasing at a speed visible to the naked eye!

Chapter 221: Ravenous!

Qin Yu absorbed the dark energy with hunger and thirst. For a moment, the spiritual energy seemed to be suppressed, and there was no movement in his body!

This was the first time Qin Yu felt an endless amount of dark energy!

He even felt that this dark energy couldn’t be completely absorbed!

“The ancestor really didn’t lie to me,” Qin Yu muttered in a low voice.

He didn't know how much time he would have to spend in meditation this time!

Because it was almost impossible to completely absorb this dark energy!

Time passed by minute by minute, and in the blink of an eye, a day and a night had passed.

And Qin Yu's strength had successfully advanced from the third level of the Foundation Establishment Stage to the fourth level!

His body flashed with a golden light, so the golden light stuck to his skin layer by layer, as if it had been absorbed by his skin.

Qin Yu's body became even tougher!

This wasn't the end, because the dark energy still was not depleted!

In the blink of an eye, another three days had passed!

During these three days, Qin Yu didn't eat, drink, or sleep, and desperately absorbed the dark energy from the mark!

The surrounding temperature became extremely cold, and even the flowers and plants began to slowly wither!

No one knew how long Qin Yu would take to meditate this time.

...

In the Jiang family, ever since the Jiang family announced that they were allied with Qin Yu, their status had been declining at a speed visible to the naked eye.

It was almost impossible to see the Jiang family rising to dominance again.

“Dad, are we just going to admit defeat like this?” Jiang Yu sat at the side and muttered.

Jiang Gu looked at Jiang Yu coldly and couldn't help but curse, “It's all because of you, you piece of trash! If it wasn't for you, the Jiang family wouldn't have encountered this disaster and your brother wouldn't have died!”

Jiang Gu didn't dare to make a sound after being scolded.

“Useless trash!” Jiang Gu scolded.

“Hehe, you want to vent your anger on your son because you're not capable enough?”

At this moment, a voice suddenly came from outside.

After looking up, he saw a figure that looked like an iron tower standing at the door!

His body was extremely muscular and his muscles were bulging, giving off an oppressive aura.

“Who are you?” Jiang Gu's expression changed slightly, and his face was filled with vigilance.

This person's figure was huge, but he appeared in front of him as stealthy as a ghost!

This was enough to prove that the man in front of him wasn't some average Joe!

"Of course I'm here to help you." The brawny man slowly walked in front of Jiang Gu and sat down on his own.

Jiang Gu frowned slightly. He looked at Jiang Yu and waved his hand. "You can go out first."

"Give me some money first. I'm going out for a party tonight. I don't have any money," Jiang Yu said obsequiously.

When he heard this, Jiang Gu became even angrier.

He had been so high and mighty all his life. How could he give birth to such a good-for-nothing?!

"Go and get it from Mr. Zhong!" Jiang Gu said while holding back his anger.

"Thanks, Dad!" Jiang Yu was instantly overjoyed and ran out.

Jiang Gu stretched out his hand and closed the door.

Then, he looked at the burly man in front of him and said coldly, "What do you mean?"

The strong man smiled and said, "Do you want to be suppressed by Qin Yu for the rest of your life?"

Jiang Gu was silent.

Of course he didn't want to! Jiang Gu, who used to be the sole top dog of Chuzhou, wasn't willing to submit to a junior!

"Who are you?" Jiang Gu asked as he sized up the brawny man in front of him.

The brawny man smiled nonchalantly and said, "My name is Hui Ming, and I come from the Earth Fiend Valley."

When he heard the words 'Earth Fiend Valley', Jiang Gu's expression changed slightly!

As an Inner Strength Grandmaster, he had naturally heard of the Earth Fiend Valley!

This was a sect that everyone wanted to beat up! Rumor had it that they were hiding in the southwest and cultivating evil techniques. Who knew how many people they had harmed?!

"As long as you cooperate with our Earth Fiend Valley, you will once again become the top dog of Chuzhou." Hui Ming's expression was somewhat proud.

He looked at Jiang Gu with confidence.

Hui Ming was very self-assured. He believed that Jiang Gu wouldn't refuse the invitation of the Earth Fiend Valley.

However, Jiang Gu shook his head.

"I'm sorry. I'm not interested in the Earth Fiend Valley. Please leave immediately," Jiang Gu said with a cold expression.

When he heard this, Hui Ming frowned immediately.

“What? Is the Earth Fiend Valley unworthy?” Hui Ming said with an unfriendly tone.

Jiang Gu said with a cold expression, “Since I’ve agreed to submit to Qin Yu, I won’t go back on my words. Please leave immediately!”

Hui Ming narrowed his eyes and said coldly, “Jiang Gu, I hope you’ll think about it carefully.”

“I said, I won’t agree. Leave the Jiang family’s home immediately!” Jiang Gu scolded.

When he heard this, Hui Ming couldn’t help but laugh out loud. “I really didn’t expect that Jiang Gu, who is known as the invincible in Chuzhou, would be scared to death by a junior!”

Jiang Gu said coldly, “That’s still better than you guys living in a corner like maggots.”

Anger flashed across Hui Ming’s face, and a terrifying internal qi burst from his body!

The entire room instantly vibrated, like there was an earthquake!

The furniture in the room also shattered!

Jiang Gu’s expression changed slightly.

Hui Ming’s strength had clearly exceeded his expectations!

“What do you mean? Do you want to make a move?” Jiang Gu forced himself to remain calm.

Hui Ming said coldly, “Jiang Gu, I came to cooperate with you because I’m showing you respect. Don’t be so shameless.”

Jiang Gu snorted coldly. An internal qi also burst out from his body. He said in a neither servile nor overbearing manner, “I’ve made myself clear. Please leave immediately!”

Hui Ming sneered again and again. He stood up and said, “I hope you won’t regret it.”

After saying that, Hui Ming turned around and left.

Jiang Gu couldn’t help but sigh in relief.

He didn’t expect that the Earth Fiend Valley would come looking for him.

After Hui Ming left, Mr. Zhong quickly walked in.

“Master, why didn’t you agree to it?” Mr. Zhong, somewhat puzzled, asked.

Jiang Gu glanced at Mr. Zhong and snorted coldly. “The Earth Fiend Valley’s strength is indeed powerful, but they cower in the southwest and don’t have the guts to be in the public eye! Me cooperating with them? In their dreams!”

Mr. Zhong suddenly came to a realization.

If it was a first-rate aristocratic family from Jingdu who came to cooperate, Jiang Gu wouldn't even think about it and immediately agree.

But the Earth Fiend Valley... Although they were powerful, they were nothing compared to the Yan family in Jingdu.

This was modern society after all. If they really pushed the Yan family into a corner, they could directly use war means to flatten the Earth Fiend Valley!

"Don't let this matter spread," Jiang Gu glanced at Mr. Zhong and said.

"Also, inform Qin Yu immediately," Jiang Gu continued.

Mr. Zhong nodded and said, "Yes."

After Mr. Zhong received the order, he quickly went out and prepared to find Qin Yu.

"Where are you going?" However, just as Mr. Zhong got into the car, a gloomy voice came from behind!

When he looked back, he saw that this person was Hui Ming!

...

At this moment, Qin Yu was still ravenously absorbing the dark energy.

In just a few days, Qin Yu's strength had increased once again!

He had successfully advanced from the third level of the Foundation Establishment Stage to the fifth level! And he still had no signs of stopping!

Qin Yu almost lost his rationality!

“If I can directly reach the Monastic Stage, then what’s there to be afraid of in this world?!” Qin Yu became even more berserk!

Chapter 222: Hui Ming’s Trick

Qin Yu’s environment became colder and colder, and the surrounding trees had completely withered.

Winter was about to arrive, and with the dark energy in Qin Yu’s body, the environment looked exceptionally desolate.

In the room, Yao Qing stood quietly by the window and looked at Qin Yu.

He wanted to cultivate according to the breathing exercise method taught by Qin Yu, but he found that the spiritual energy seemed to be suppressed and he was unable to advance at all.

“Mr. Qin’s cultivation method... seems a bit strange,” Yao Qing whispered.

On the other side, Jiang Gu was sitting in the living room quietly waiting for Mr. Zhong.

However, half a minute later, a corpse was brought in.

“Master, Mr. Zhong... he’s dead!” The Jiang family’s servant, his face full of panic, kneeled on the ground.

It was Mr. Zhong lying on the ground.

He laid quietly on the ground, and his whole body seemed to have shriveled up.

“Mr. Zhong!” Seeing this scene, Jiang Gu felt like his heart was being cut by a knife!

He held Mr. Zhong’s corpse and his face was full of anguish.

Mr. Zhong had followed Jiang Gu for dozens of years, and these years, he had been working diligently and loyally for the Jiang family.

Therefore, Jiang Gu’s relationship with him was extremely deep!

Even when the Jiang family was implicated because of Mr. Zhong’s mistake last time, Jiang Gu couldn’t bring himself to kill him!

“Who did it?!” Jiang Gu’s eyes were bloodshot as he said angrily.

Before his subordinates could answer, Jiang Gu’s phone rang.

After the call was connected, a gloomy voice came from the other end.

“Mr. Jiang, did you receive the gift I gave you?” This voice was Hui Ming’s!

Jiang Gu’s expression suddenly changed and he shouted angrily, “It was you! I will tear you into pieces!”

“Tear me into pieces?” Hui Ming laughed out loud on the other end.

“Mr. Jiang, don’t be anxious. You can make a decision after you watch the video,” Hui Ming said nonchalantly.

After saying that, he directly dialed the number.

Not long after, Jiang Gu received a text message on his phone.

On the text message, there was a video, and in the video, Jiang Yu’s entire body was covered in black energy. His lips were purple, and he looked like he was in imminent danger!

“Son!” Jiang Gu’s pupils dilated, and his face turned pale!

At the right time, a call came in again.

“Mr. Jiang, your son has been poisoned by me, as long as I want him to, he will die without a doubt.” Hui Ming said indifferently.

Jiang Gu shouted anxiously, “What do you want to do?! Don’t hurt my son!”

“Hahaha!” Hui Ming couldn’t help but burst into laughter.

“If you don’t want anything to happen to your son, you’d better cooperate with me obediently,” Hui Ming said with a cold smile.

At this moment, Jiang Gu was completely flustered.

Jiang Haoran was already dead, and Jiang Yu had already become the only child of the Jiang family!

Although Jiang Yu was a good-for-nothing, he was still Jiang Gu's biological son! How could Jiang Gu not be anxious?!

All parents in the world love their children!

"I'll promise you anything. Don't touch my son!" Jiang Gu said anxiously.

Hui Ming smiled nonchalantly and said, "You should have done this before. Jiang Gu, don't worry. After the matter is settled, I promise to let the Jiang family become the number one family in Chuzhou once again."

After saying this, Hui Ming hung up the phone.

Jiang Gu was anxious, but he had no way at all.

The Earth Fiend Valley was sinister and vicious, and their methods were even more bizarre. Even Jiang Gu had no solution at all.

...

Time flew by.

Another three days passed.

Qin Yu's phone rang several times, but no one picked up.

Because at this moment, Qin Yu was trying to break through to the seventh level of the Foundation Establishment Stage!

He seemed to have reached his bottleneck stage. Although the dark energy was surging with endless supply, his strength couldn't advance any further.

“Swish!”

Finally, Qin Yu opened his eyes.

He couldn't help but let out a deep breath, and his eyes emitted traces of dark light.

Qin Yu looked around and suddenly found that there seemed to be some changes in his eyes.

He turned his head to look at Yao Qing, and was surprised to find that his gaze seemed to be able to see through Yao Qing!

“Could it be that this is also a talent?” Qin Yu thought to himself.

Every time one advanced in the Foundation Establishment Stage, it would allow the cultivator's talent to be revealed bit by bit.

For example, Qin Yu's spiritual fire and his tough physical body.

The current change in his eyes was also the same.

Qin Yu lowered his head to look at his own body and muttered in a low voice, “It seems that the sixth level of the Foundation Establishment Stage is already my bottleneck.”

Other than the resources required for cultivation, the more important thing was the state of mind.

Many disciples of great families didn't have talent. Even if they had abundant herbs every day, it would be useless.

The improvement of the state of mind was relatively more important.

“It seems that I have to continue to deceive that old b*stard for a period of time.” Qin Yu sighed.

Thinking of the ancestor of the Earth Fiend Valley, Qin Yu was filled with anger.

“Mr. Qin.”

At this moment, Yao Qing walked over from outside.

Qin Yu nodded at him and said, “How long have I been in seclusion this time?”

Yao Qing said, “It's already been thirteen days.”

“How long.” Qin Yu frowned slightly.

Fortunately, his strength had been greatly improved.

Although it was only at level three, there was a drastic difference.

“Now, if I were to fight against Jiang Gu, perhaps it wouldn't be so strenuous anymore.” Qin Yu clenched his fist and thought to himself.

At this moment, Qin Yu's phone rang again.

After picking up the phone, Qin Yu saw that the caller was Jiang Gu.

Qin Yu didn't think too much about it and immediately picked up the phone.

On the other end, Jiang Gu said in an awkward voice, "Mr. ... Mr. Qin, do you have time? I want to treat you to a meal."

"Treat me to a meal?" Qin Yu raised his eyebrows.

"What's the matter?"

Jiang Gu said with some hesitation, "There's... there's something I need to tell you."

Qin Yu was silent for a moment, then he agreed, "Okay, I'll be there in a while."

After hanging up the phone, Qin Yu couldn't help but touch his chin.

Jiang Gu sounded a little strange...

After a simple shower, Qin Yu went out and rushed to the Jiang family.

At this moment, there were seven to eight corpses lying in front of Hui Ming.

These corpses were all shriveled up and looked extremely terrifying.

And they were all the elite forces of the Jiang family! Their strength had already reached the Inner Strength Past Master realm!

“How comfortable. It’s really comfortable...” Hui Ming licked his lips with a satisfied expression.

Jiang Gu was extremely furious, but he didn’t dare to say anything.

“Qin Yu has already agreed. He should be arriving soon,” Jiang Gu said with a cold expression.

“Remember to return my son after the matter is done.”

“If my son loses a hair, I will never forgive you!”

Hui Ming smiled nonchalantly and said, “Mr. Jiang, don’t worry. I, Hui Ming, am a man of my word.”

“I hope so.” Jiang Gu snorted coldly and then left with a flick of his sleeve.

Hui Ming sneered again and again. The dark energy on his body surged. He slowly raised his palm, and instantly, waves of black energy gushed out from nine directions!

“How dare you snatch my things, Qin Yu. This time, I want you to die without a burial ground!” Hui Ming said sinisterly.

Soon, Qin Yu drove to the Jiang family’s residence.

Jiang Gu had been waiting at the door for a long time ago.. When he saw Qin Yu arrive, an awkward look flashed across Jiang Gu’s face.

Chapter 223: You Didn’ t Cherish It

Jiang Gu suppressed the emotions inside and walked in front of Qin Yu.

“Mr. Qin.” Jiang Gu’s smile was somewhat unnatural.

Qin Yu sized up Jiang Gu and said with a smile. “What’s wrong? You look so pale. Did something happen?”

Jiang Gu was stunned and quickly shook his head. “No... No, I just haven’t been resting well recently.”

Qin Yu smiled and said, “I’ll give you a pill some other day. I guarantee that you’ll sleep better.”

The more Qin Yu acted like this, the more unnatural Jiang Gu’s expression became.

“Mr. Qin, let’s... let’s go in quickly.” Jiang Gu pulled Qin Yu’s arm and said.

In the living room, the dining table was already filled with delicacies.

“There’s so much food? It just so happens that I haven’t eaten properly for a few days.” Qin Yu sat down excitedly, picked up his chopsticks, and began to wolf down food.

Jiang Gu sat there without saying a word.

He glanced at Qin Yu from time to time, and then looked outside the door.

“Why aren’t you eating?” Qin Yu asked as he stuffed the food into his mouth.

“I... I’m not hungry,” Jiang Gu said with an embarrassed smile.

Qin Yu didn’t say anything more.

After he was full, Qin Yu patted his stomach in satisfaction.

He wiped his mouth and said with a half-hearted smile. “Jiang Gu, sometimes a person’s decision can change his whole life.”

When he heard this, Jiang Gu’s expression suddenly changed!

He almost couldn’t hold it in and wanted to tell him about Hui Ming!

But when he thought of his son Jiang Yu, Jiang Gu finally held it in.

“Mr. ... Mr. Qin, I don’t understand what you said...” Jiang Gu braced himself and said.

Qin Yu stretched and said, “Forget it if you don’t understand. Just pretend that I didn’t say anything.”

“By the way, aren’t you looking for me for something? Tell me, what is it?” Qin Yu glanced at Jiang Gu and said with a smile.

Jiang Gu suddenly didn’t know what to do.

His mission was to trick Qin Yu to come here!

As for the specific task, Hui Ming didn’t say anything at all!

“I...”

“Qin Yu, I’m the one looking for you.”

Just when Jiang Gu was at a loss, Hui Ming walked in from outside the door.

Qin Yu looked at Hui Ming and said in surprise. “Tao Shan? Why are you here?”

Hui Ming said with a smile. “Qin Yu, I just joined Jiang Gu recently.”

“Joined Jiang Gu?” Qin Yu raised his eyebrows.

“Aren’t you a member of the Liu Family?” Qin Yu said in surprise.

Hui Ming pretended to be angry and said, “The Liu family is too outrageous. If I follow them, I will never have any future! People should always aim higher.”

When he heard this, Qin Yu touched his chin and didn’t say anything for a long time.

“Qin Yu, I really didn’t expect you to develop to such a level in such a short time. Even Jiang Gu lost to you.”

Hui Ming walked to Qin Yu and sat down while saying with some enthusiasm.

Qin Yu smiled and said, “You aren’t bad. You have successfully broken through to the Grandmaster realm. You should celebrate.”

Hui Ming laughed out loud and said, “Compared to your achievements, it’s not worth mentioning!”

Following that, Hui Ming poured a cup of wine for Qin Yu and said with a smile. “Come, in order to celebrate you becoming the King of Chuzhou, I’ll toast you!”

Qin Yu didn’t refuse. He raised his wine cup and clinked it with Hui Ming, then emptied it in one go.

Qin Yu, who was already full, drank a few more cups of wine with Hui Ming.

During this time, Jiang Gu sat on the side without saying anything or eating.

“Qin Yu, I’m a little thirsty. Can you help me get some water?” Hui Ming suddenly said with a smile.

“No problem.” Qin Yu turned around and walked towards the kettle without thinking.

However, the moment Qin Yu turned his back on Hui Ming, a vicious glint flashed in Hui Ming’s eyes!

His fingers flashed with light, and with a swoosh, he grabbed at Qin Yu!

Under the cover of his inner strength, Hui Ming’s fingers were sharper than daggers, and they were extremely fast!

Even steel could be penetrated in an instant!

Therefore, Hui Ming was fully confident that he could kill Qin Yu in one strike!

“Huh? Why is my shoelace untied?” However, at this moment, Qin Yu suddenly squatted down.

Hui Ming’s finger brushed past Qin Yu’s body!

“F * ck!” Hui Ming immediately cursed inside!

Qin Yu was really lucky!

He looked coldly at Qin Yu, who was squatting on the ground, and extended his finger for the second time!

“That one is also untied. How annoying.” However, Qin Yu’s body tilted slightly again and he just happened to dodge this fatal blow.

This made Hui Ming’s expression turn extremely ugly! He was so exasperated that he almost flew into a rage!

“I don’t believe that your luck will always be this good!” Hui Ming couldn’t contain his anger and extended both of his hands at the same time!

“Jiang Gu, as the host, you should go and get some water.” However, Qin Yu turned around at this time and once again dodged Hui Ming’s attack!

“How is this possible?!” Hui Ming was going crazy!

He suddenly had a bad feeling!

A person could be lucky once or twice, but it was impossible to dodge every time!

Just when Hui Ming was shocked, Qin Yu suddenly turned around.

He sighed slightly. "I have already given you three chances to kill me, so why didn't you cherish it?"

Chapter 224: A Good Tool to Exploit

When he heard Qin Yu's words, Hui Ming's expression suddenly changed!

He hurriedly took two steps back and said with some vigilance, "Qin Yu, what do you mean by this?"

"What do I mean?" Qin Yu sneered repeatedly.

"Do you still want to pretend? You tried to take my life three times. Do you really think I didn't notice?" Qin Yu said coldly.

At this moment, Hui Ming still tried to hide it.

He braced himself and said, "Qin Yu, you and I have fought each other before. Why would I take your life..."

Qin Yu drank a mouthful of water and said indifferently, "Indeed, Tao Shan wouldn't take my life and wouldn't provoke me. But unfortunately, you aren't Tao Shan."

As soon as he said this, Hui Ming's face was immediately filled with shock!

Since things had already come to this point, there was no point in continuing to pretend. Therefore, Hui Ming simply stopped all pretenses.

He sneered and said, "I really didn't expect to be seen through by you."

"But... I'm very curious. How do you know that I'm not Tao Shan?" Hui Ming asked in puzzlement.

Qin Yu shook his head and said, "You have too many flaws. The most important thing is... Tao Shan is a tough man, but you... are like a sissy."

Hui Ming's pupils suddenly dilated!

He glared at Qin Yu and shouted, "You're insulting me!"

Qin Yu smiled nonchalantly and said, "Tsk tsk, I can't believe you saw through it."

Hui Ming's body was full of dark energy and he had the intention to make a move!

"If I'm not wrong, you're that b*stard from the Earth Fiend Valley, right?" Qin Yu continued to say.

Hui Ming frowned again and the shock on his face deepened.

"Hahahaha!" Hui Ming burst into laughter.

"I didn't expect you to guess it! But so what? Do you think you can walk out alive today?" Hui Ming sneered.

Qin Yu, on the other hand, looked indifferent.

He glanced at Hui Ming and sneered. “Stop pretending. If you really had the ability to kill me, there would be no need for you to go through such lengths.”

It was just as Qin Yu said.

Hui Ming wasn't confident at all.

Otherwise, he wouldn't need to use Jiang Gu at all.

“If we fight openly, I might not be your opponent,” Hui Ming said sinisterly.

“But do you think I would stand here if I wasn't fully prepared?”

As soon as he said that, Hui Ming suddenly roared!

In an instant, nine streams of black energy burst out from nine different directions!

The black energy seemed as if it was going to swallow up the entire house. The eerie and terrifying aura was even more freaky!

Qin Yu frowned slightly. He looked at the scene in front of him and asked in a low voice, “What is this?”

Hui Ming didn't say a word. His hands quickly slid through the air.

A few minutes later, the nine streaks of black gas began to disappear.

The surrounding environment didn't seem to have changed at all. It also seemed as if everything had changed.

Qin Yu frowned and said, "You've been shouting for quite some time, yet this is all you've got? It seems that the Earth Fiend Valley's cultivation method isn't that good."

When he heard Qin Yu's words, a few veins popped up on Hui Ming's forehead.

He gritted his teeth and said, "Qin Yu, you won't be complacent for too long. Let me tell you, you won't be able to escape today!"

Qin Yu slowly stood up. He looked coldly at Hui Ming and said, "Even if you didn't come looking for me, I would have still come looking for you, because the people of the Earth Fiend Valley deserve to die!"

"Hahahaha!" Hui Ming burst into laughter.

"Then give it a shot!" Hui Ming put his hands behind his back and looked very confident.

Qin Yu didn't say anything.

He detested the Earth Fiend Valley to the extreme.

This kind of spell that harmed ordinary people shouldn't exist in this world!

Since he couldn't kill the ancestor of the Earth Fiend Valley for the time being, he might as well kill Hui Ming, who was in front of him!

“Whoosh!”

Qin Yu didn't waste any more time. The energy in his entire body burst out and his body suddenly disappeared from where he was!

An extremely fierce fist arrived in front of Hui Ming in an instant!

This astonishingly fast speed made Hui Ming's expression change!

His aura made Hui Ming even more fearful!

Even Jiang Gu, who wasn't far away, had a face full of fear!

This time, Qin Yu... seemed to be even stronger than he was the last time they exchanged blows!

“Bang!”

He punched Hui Ming's face without any deviation.

His entire body was sent flying and smashed into the wall!

His entire face almost cracked. If Tao Shan's body wasn't tough, this punch would have smashed his head!

Qin Yu looked at Hui Ming and couldn't help but snort coldly. “Is that all you've got?”

“Hahaha!”

However, Hui Ming quickly stood up from the ground.

What was shocking was that the wound on his face was healing at an extremely fast speed!

In almost an instant, his face had recovered to its original state! Not a single scar could be seen!

“How is this possible?!” Qin Yu’s expression changed slightly.

Even a top-tier pharmacist wouldn’t be able to heal it in such a short period of time!

“No matter what trick you have, I will destroy it today!” Qin Yu roared angrily and stepped forward once again!

This time, Qin Yu’s punch was even more ferocious!

Just the force of the punch caused the entire room to vibrate and almost collapse!

“What a powerful qi energy!” Hui Ming exclaimed!

However, not only did he not panic, but a hint of excitement flashed in his eyes instead!

“Boom!”

This punch smashed Tao Shan’s tough body into pieces!

Large patches of flesh and blood appeared, and countless tendons and bones were shattered!

“Just a physical body can unleash such terrifying power. How inconceivable...” Jiang Gu was also shocked by this punch!

“Hahaha!”

Very quickly, Hui Ming stood up once again.

As usual, his physical body recovered very quickly.

“Hahaha! As expected of a chaotic body!”

“Originally, I only wanted to take back the stone statue. Ever since I found out that you are a chaotic body, I’ve changed my mind.” Hui Ming’s eyes were filled with frenzy!

Qin Yu narrowed his eyes and said, “Why? Do you want to possess me?”

Hui Ming sneered and said, “No, this body of mine is enough.”

“I want to kill you and use your body to resurrect the ancestor!”

“At that time, the Earth Fiend Valley will no longer have to cower in the southwest!” Hui Ming raised his head and laughed loudly.

Qin Yu raised his eyebrows.

He glanced at Hui Ming and said indifferently, “The ancestor you mentioned... could it be that old b*stard in the stone statue? Tsk tsk, you are really a filial good lap dog.”

When he heard this, Hui Ming’s pupils instantly dilated!

“You... you’ve already entered the stone statue?” Hui Ming glared at Qin Yu and said angrily.

Qin Yu smiled nonchalantly and said, “That’s right, not only have I entered, but I’ve also absorbed his dark energy.”

“I have to say, this old b*stard’s dark energy is really vast. He’s a good tool to exploit.”

Qin Yu’s words infuriated Hui Ming!

He raised his head and roared, “Ah!!! You actually dared to treat the ancestor as a tool! Qin Yu, I’m going to kill you!!”

After saying that, Hui Ming pressed his palms together and chanted a spell silently. A huge black sphere quickly appeared above his head!

Chapter 225: The Demonic Art of the Earth Fiend Valley

The giant black ball grew bigger and bigger above Hui Ming’s head, and a terrifying pressure instantly spread out!

A serious look flashed across Jiang Gu’s face, and he immediately circulated his inner strength to protect his body.

On the other hand, Qin Yu’s expression was calm, and he didn’t take Hui Ming’s move seriously at all.

“Qin Yu, die!” Hui Ming roared angrily! Then, he pushed his palm forward!

The huge black ball rolled over with a rumbling sound. Wherever it touched was instantly shattered!

“What a simple trick. Watch me shatter it with one punch!” Qin Yu roared. He clenched his fist and faced it head-on!

“Boom!”

After a loud sound, Qin Yu’s fist instantly collided with the huge black ball!

The huge collision shattered the entire room into pieces!

Both sides were in a stalemate for a moment, and the black ball was unable to move closer!

“Break!”

Qin Yu roared! Cracks began to appear on the huge black ball!

“Boom!”

Finally, the black ball couldn’t take it anymore. In an instant, it turned into dark energy and spread out in all directions!

Qin Yu’s expression was cold. He looked at Hui Ming and sneered.

“That’s it?”

Hui Ming licked his lips and sneered. “As expected of a chaotic body. To be honest, I’m getting more and more interested in you.”

“What exactly is the chaotic body you’re talking about?” Qin Yu frowned and asked.

This was the second time he had heard this term from Hui Ming.

“Go to h*ll to ask about it!” Hui Ming roared, and the black ball in his palm appeared again!

“Again?” Qin Yu couldn’t help but frown.

Hui Ming knew that this spell was ineffective, but he still persisted.
What was the point?

“Hahaha, even if you can withstand one, what about ten?” Hui Ming laughed crazily!

Then, he pushed the black ball out of his hand, and another black ball condensed!

“Huh?” Qin Yu’s expression changed slightly, and shock flashed in his eyes.

This technique consumed a lot of energy, but Hui Ming could throw out one black ball after another!

Could it be that his physical strength was infinite?

“Boom!”

Several black balls exploded beside Qin Yu’s ears at the same time!
He felt like his eardrum was shattered!

Even Qin Yu’s ears were bleeding!

“This can’t go on.” Qin Yu’s expression turned cold as he took large strides forward!

Magi weren’t good at close combat, but were good at using spells.
Hence, he couldn’t allow Hui Ming to stand at a far distance!

Whoosh!

Qin Yu turned into a ray of golden light and arrived in front of Hui Ming in an instant.

A huge fist smashed towards Hui Ming with a crushing force!

“Want to get close? I’m not afraid of you. This body isn’t inferior to yours!” Hui Ming snorted coldly and actually clenched his fist to meet the fist head-on!

“Clang!”

The sound of the two fists colliding was deafening. Waves of sound waves spread out in all directions while shattering the entire house!

“Bam!”

Hui Ming retreated again after again, and the bones in his hands were broken!

The powerful inner strength even penetrated his entire arm, and the bones were almost shattered!

“How is this possible?!” Hui Ming grimaced in pain.

He lowered his head to look at his arms, then his face was full of shock!

This body was the toughest that Hui Ming had ever seen, but in front of Qin Yu, there was actually no room for resistance!

“Bang!”

Another punch came right at his face!

With this punch, Hui Ming's entire body was sent flying!

Qin Yu didn't stop there. He kept throwing powerful punches at him!

In the blink of an eye, Hui Ming had already withstood dozens of punches!

All the bones in his body were smashed into pieces!

"Did he win?" Jiang Gu, who wasn't far away, muttered in a low voice.

As soon as he finished speaking, Hui Ming's body slowly healed again!

In just a few minutes, Hui Ming's body was as good as new!

"Huh?" Qin Yu raised his eyebrows slightly.

He rubbed his chin and thought for a moment, then muttered, "So that's how it is. I understand..."

"Hahaha! Qin Yu, you can't kill me! But I can slowly exhaust you to death!" Hui Ming laughed crazily.

Qin Yu sneered. "I've already guessed it."

"You've guessed it?" Hui Ming sneered.

"You keep boasting shamelessly! How can an ant-like you guess the ultimate technique of the Earth Fiend Valley?" Hui Ming sneered.

Qin Yu glanced around and said indifferently, “At first, I thought you had some unimaginable technique that could heal you quickly, but later, I realized it didn’t seem like it.”

“That was until I saw your endless internal qi and... When you recovered your body, you recovered together with the collapsed house. I confirmed my guess.”

When he heard Qin Yu’s words, Jiang Gu quickly looked around.

Sure enough, the house that had just been shattered was actually intact!

Hui Ming sneered. “You have keen observation.”

Qin Yu ignored Hui Ming and continued to guess, “In other words, you have an immortal body here, right?”

“That’s right,” Hui Ming said with a nonchalant smile.

“This spell is quite wondrous,” Qin Yu sighed.

It seemed that the Earth Fiend Valley lived up to its reputation.

“So what if you guessed it? I can slowly exhaust your physical strength. When your internal qi is exhausted, you will die!” Hui Ming said with a cold smile.

As he spoke, Hui Ming’s palm moved again.

In an instant, a violent wind blew. A huge black figure actually condensed behind his back!

What shocked Qin Yu was that the appearance of this black figure was precisely that of the ancestor within the stone statue!

“Qin Yu, obediently sacrifice your physical body for the ancestor!” Hui Ming’s voice boomed like thunder and was deafening to the ears.

Qin Yu raised his head to look at this huge figure and said coldly, “If you want to beat me with this technique, then I’m afraid you miscalculated.”

“Hahaha! Sharp-tongued brat, you’re boasting shamelessly! This is the ultimate technique of the Earth Fiend Valley. With a single palm, I can smash a small mountain!” Hui Ming roared.

“No matter how tough your body is, I can still smash you into minced meat!”

“Die!”

With that said, Hui Ming activated his spell, and the huge figure started to move.

He raised his huge palm, and with a rolling force, he pressed it towards Qin Yu!

In an instant, the entire ground seemed to be on the verge of shattering!

Even Jiang Gu, who wasn’t far away, felt pain in his chest from the pressure, and he spat out a mouthful of blood!

“This isn’t good!” Jiang Gu thought to himself.

Even he might not be able to withstand the strike of this palm!

The ground beneath Qin Yu's feet began to collapse, and his entire body sank several times!

"This simple trick isn't worth mentioning. I'll smash your head right now!" Qin Yu didn't panic at all.

He snorted coldly, and his entire body instantly turned golden!

Golden light surged along his body before finally condensing on his two fists!

"Immemorial sacred spring!"

Along with Qin Yu's furious roar, the light on his fists instantly became as dazzling as the sun!

"Smash it!" Qin Yu clenched his fists, and his body soared into the air before ruthlessly pouncing over!

Chapter 226: Are You Afraid of Pain?

A golden light flashed, making it difficult for people to open their eyes!

The terrifying internal qi even shattered the ground!

"Boom!"

A shocking scene appeared. Qin Yu's punch had actually shattered the palm of the ancestor's illusory figure!

The palm directly pierced through it. Under the golden light, it appeared to be unable to withstand a single blow!

However, Qin Yu didn't stop there. His fierce fist pierced through the palm and headed straight for the gigantic head!

Hui Ming's pupils suddenly dilated as he roared repeatedly!

“How is this possible?!” Hui Ming's entire body was trembling!

“Bang!”

This punch directly shattered the so-called ultimate technique of the Earth Fiend Valley!

It was just one punch! It already had such outstanding power!

Most importantly, Qin Yu didn't use the formation this time!

Everything returned to silence.

The black shadow gradually disappeared, and the room was a mess.

Qin Yu's body was burning with golden light and he looked like a God had descended to the mortal world.

“The ultimate technique of the Earth Fiend Valley can't withstand a single blow,” Qin Yu said as he looked at Hui Ming coldly.

Hui Ming's expression changed again and again, and finally, he snorted lightly.

“From the aura, Qin Yu is only at the sixth level of the Inner Strength Master Hands level. How could he have such strength...” Jiang Gu gulped and he was extremely shocked inside!

Even a legendary warrior from back then would never be able to attain such a level!

“No matter what the chaotic body does, I won’t be too surprised.” Hui Ming licked his lips.

He became increasingly infatuated. He was becoming more and more interested in Qin Yu’s body.

“What other moves do you have? Just use them,” Qin Yu said coldly.

Hui Ming licked his lips and sneered. “Qin Yu, although you’re strong, it’s a pity that your realm is too low. It’s impossible for you to escape from here.”

“As long as you’re still here, I won’t die, and your inner strength will be exhausted sooner or later!”

Hui Ming wasn’t anxious. What he wanted was to slowly torture Qin Yu and exhaust his physical strength so that he could get his physical body.

Qin Yu wasn’t flustered at all. There was even a hint of a mocking smile.

This smile made Hui Ming feel very uncomfortable!

“Keep putting on an act. I want to see how long you can last!” Hui Ming said sinisterly.

After saying that, Hui Ming raised his hand and activated a spell. A huge hand descended from the sky!

The rumbling sound continued to be heard as a terrifying pressure surged!

Qin Yu didn't panic. He raised his hand and threw a punch to meet it.

The punch seemed flimsy, but it had the power to destroy the world!

Hui Ming's spell looked weak under this punch!

“Is there any point in wasting time like this? If you're sensible, why don't you obediently hand over this body? I might be able to teach you the possession technique and let you continue to live...” Hui Ming licked his lips and said coldly.

Qin Yu didn't answer him. Instead, he asked. “Are you afraid of pain?”

Hui Ming was stunned. He frowned and asked. “What do you mean?”

Qin Yu shook his head and smiled. “Your spell is indeed quite amazing. As long as someone's realm is lower than yours, they won't be able to break out of it.”

“That's right.” Hui Ming placed his hands behind his back while appearing somewhat proud.

“However, this spell has a fatal flaw.” Qin Yu suddenly changed the topic, and the smile on his face became even more pronounced.

Hui Ming’s expression changed. He looked at Qin Yu coldly and said, “Quit putting on airs and spouting nonsense! Don’t even think about deceiving me!”

Qin Yu sneered. “You don’t believe me?”

Hui Ming snorted lightly. “Of course I... pfft!”

Before Hui Ming could finish his words, Qin Yu had already arrived in front of him and punched Hui Ming’s chest!

This punch penetrated Hui Ming’s chest!

The intense pain caused Hui Ming’s pupils to dilate abruptly! Even his body trembled a little!

He wiped the fresh blood that he spat out from his mouth, gritted his teeth, and said, “So what if you pierced through my chest?! My physical body can recover at any time!”

“Yes.” Qin Yu nodded.

“Your physical body can indeed recover, but... you will still feel the pain.”

Qin Yu’s words instantly made Hui Ming’s expression change!

“You... what do you mean?!” Hui Ming suddenly had a bad premonition inside!

Qin Yu sneered. “What do I mean? You aren’t my match. So what if your physical body can recover? I can torture you endlessly, but sooner or later, you won’t be able to endure it anymore.”

Hui Ming suddenly understood!

Yes, in terms of strength, Hui Ming was no match for Qin Yu, so he could only use this method!

But he had overlooked an important problem!

Qin Yu could also use his strength to crush him and torture him! He could make him suffer so much that he wished he could die!

Everyone had a limit. Once they crossed that limit, they would collapse!

“It seems that you understand.” Qin Yu opened his mouth and revealed a mouthful of white teeth.

However, this extremely brilliant smile looked evil in Hui Ming’s eyes!

“No, I absolutely can’t let him get close to me!” Hui Ming muttered to himself. He turned around and was about to run.

Unfortunately, it was already too late.

Qin Yu was one step ahead of him and approached him!

Following that, Qin Yu grabbed Hui Ming’s neck. After a low roar, a huge force was instantly released from his palm!

“Crack!”

Under this huge force, Qin Yu broke Hui Ming’s neck!

“Ah!!”

It was extremely painful!

It made him feel heart-wrenching pain!

But soon, Hui Ming’s body began to heal.

After he finished healing, Qin Yu once again came close to him and grabbed Hui Ming’s fingers!

“Crack!”

Ten fingers were broken by Qin Yu one by one!

As the saying went, the ten fingers were connected to the heart. At this moment, Hui Ming had firsthand experience of it!

The endless torture began from this point.

Qin Yu had an infinite number of methods. Every time Hui Ming’s body recovered fully, he would be subjected to inhuman torture again!

Even Jiang Gu, who wasn’t far away, couldn’t bear to see such cruel methods!

Hui Ming began to feel that he couldn’t bear it anymore.

After being tortured like this, his vision began to blur.

Qin Yu looked down at Hui Ming and sneered. “You might have made a mistake.. I trapped you, instead of you trapping me.”

Chapter 227: The Distressed Jiang Gu

Hui Ming’s face suddenly turned pale! A wave of fear spread from the bottom of his heart!

This person was simply a devil!

His bones, chest, head, and even his lower body had been shattered countless times by Qin Yu!

No one could withstand such pain!

In the blink of an eye, an hour had passed.

Hui Ming’s body had been smashed countless times!

He was on the verge of collapse! He could pass out at any moment!

Qin Yu began to show signs of exhaustion.

The spiritual power in his body was shockingly insufficient, and even his internal qi began to slowly decline!

Before long, Qin Yu’s physical strength would also be exhausted.

“No, I can’t hold on any longer.” Hui Ming’s forehead dripped with sweat.

“Boom!”

Without waiting for him to make a decision, Qin Yu threw another punch, shattering his body once again.

The repeated shattering and reorganization pushed Hui Ming to the brink of collapse!

“Ah!! Shameless brat!” Hui Ming raised his head and roared angrily.

“I won’t let you off the hook!”

“Pa!”

Just as he finished speaking, Qin Yu smashed his face into pieces with a slap!

“Cut the crap, I actually like torturing people quite much,” Qin Yu said while panting slightly.

“People like you should go to the eighteenth level of h*ll!”

“I’ll treat it as letting you experience the torture of h*ll in advance.”

Qin Yu grinned while revealing a mouthful of white teeth.

The cruel smile on his face made Hui Ming, who had wanted to persist, completely break down!

No one could bear the inhuman torture!

“No, I can’t hold on anymore!” Hui Ming’s expression was extremely anguished. He gritted his teeth and felt somewhat annoyed!

No matter how well prepared he was, he had never foreseen this!

Right at this moment, Hui Ming suddenly thought of something!

He turned his head to look at Jiang Gu, who had been watching the battle, and the corners of his mouth curled up into a sneer.

In terms of raw strength, Jiang Gu's strength was above Hui Ming's!

And he had been watching the battle all this time, so he was in his peak condition.

Dealing with the current Qin Yu wouldn't be a problem for him at all!

At the thought of this, Hui Ming couldn't help but laugh out loud!

He chanted a spell and the scene in front of him began to transform!

Soon, the surroundings returned to the scene during the meal.

Qin Yu glanced around and sneered. "What, you can't hold on anymore?"

Hui Ming licked his lips and sneered. "You're right, I can't hold on anymore."

"So?" Qin Yu raised his eyebrows and walked toward Hui Ming step by step.

Hui Ming wasn't afraid. He gritted his teeth and said, "But unfortunately, you still have to die today!"

"Oh really?" Qin Yu raised his eyebrows.

Hui Ming didn't say anything. He turned his head to look at Jiang Gu and shouted, "Jiang Gu, your chance is here! Kill Qin Yu immediately!"

When he heard this, Qin Yu and Jiang Gu's expressions changed at the same time.

Their eyes met. It was as if the two sides had been in a stalemate for countless rounds!

Qin Yu looked at Jiang Gu coldly. Vigilance flashed in his eyes.

Jiang Gu, on the other hand, had a conflicted look on his face. His heart was beating violently!

"Jiang Gu, kill him for me! Now!" Hui Ming couldn't help but roar angrily when he saw that Jiang Gu didn't make a move!

Jiang Gu took a deep breath, and his internal qi began to rise rapidly!

The pressure of an Inner Strength Grandmaster burst out again!

After feeling this strong pressure, Hui Ming couldn't help but laugh out loud!

"An Inner Strength Grandmaster is powerful enough to kill you now!" Hui Ming roared crazily.

Qin Yu ignored Hui Ming.

He looked at Jiang Gu and said coldly, "Why did you betray me?"

Distress flashed across Jiang Gu's face.

He gritted his teeth and said, “Mr. Qin, Hui Ming kidnapped my son. If... If I don’t comply, my son will die!”

“I’ve already lost Haoran. I can’t lose Jiang Yu...”

As he spoke, Jiang Gu’s face was already covered in tears.

He knelt on the ground with a plop and sobbed.

“Mr. Qin, forgive me. I will definitely avenge you...” Jiang Gu wiped his tears and said indignantly.

Hui Ming, who was at the side, laughed maniacally. “Well done. Stop talking nonsense. As long as you kill Qin Yu, I will return your son to you!”

“At that time, you can still be the King of Chuzhou!”

“The Earth Fiend Valley will also secretly get rid of all your opponents for you!”

“Do it!”

Jiang Gu stood up from the ground.

A strong murderous aura burst out from his body.

As the top dog in Chuzhou, his strength couldn’t be doubted.

A dense aura pressed toward Qin Yu.

Inner strength surged on both of his hands.

A strange light appeared on Jiang Gu’s palms.

“Mr. Qin, I hope you don’t blame me...” Jiang Gu murmured in a low voice.

Chapter 228: Escape Once Again

Jiang Gu’s internal qi became heavier and heavier, and a sense of pressure pressed down on him.

Qin Yu’s expression was somewhat solemn.

Jiang Gu was an Inner Strength Grandmaster after all, and his strength couldn’t be underestimated.

If he attacked him, Qin Yu would probably die here as well.

“Rumble...”

Jiang Gu waved his palm while pressing towards Qin Yu!

“Mr. Qin!”

At this moment, a loud shout came from outside!

He turned around and saw Yao Qing standing at the door while panting.

He was holding a person in his hand.

This person was none other than Jiang Yu!

Jiang Gu laid in Yao Qing’s arms without moving, and he appeared to be dead.

“Son!” The moment he saw Jiang Yu, Jiang Gu immediately pounced over!

He hugged Jiang Yu and said anxiously, “Son, you... what happened to you...”

Qin Yu heaved a sigh of relief.

He had long guessed that there was something fishy going on, so he had investigated the situation of the Jiang family in advance.

Then, he came to the Jiang family ahead of time and took a strand of Jiang Yu’s hair. Using the method he used to find Yan Ruoxue, he found Jiang Yu’s location.

Then, he asked Yao Qing to find Jiang Yu, while he came to attend the banquet alone.

“Fortunately, you made it in time.” Qin Yu was a little scared.

With that slap from Jiang Gu, Qin Yu would definitely have died!

“Qin Yu, how did you find Jiang Yu?!” Hui Ming stared at Qin Yu and his eyes were full of resentment.

Qin Yu sneered. “Do you think it has anything to do with you?”

Not far away, Jiang Gu was still hugging Jiang Yu’s body.

What made him miserable was that he found that Jiang Yu was no longer breathing.

“Hui Ming, how dare you lie to me?! I’m going to kill you!!” Jiang Gu raised his head and roared angrily. The force of grief and indignation shook the house until it collapsed!

After feeling this terrifying killing intent, Hui Ming’s expression suddenly changed!

“Oh no, with my current state, I have no way of retaliating!” Hui Ming secretly thought.

“D*mn it, Qin Yu, you better remember this, I will kill you sooner or later!”

At this critical moment, Hui Ming left Tao Shan’s body before turning into a streak of black energy and leaving!

“Stop!”

Qin Yu hurriedly shouted!

But it was too late!

Jiang Gu, who was blinded by anger, only wanted to slap Hui Ming to death!

But the person in front of him was no longer Hui Ming, but Tao Shan!

In a moment of desperation, Qin Yu gritted his teeth. He blocked in front of Tao Shan!

“Level two of the Saintly Body Technique!” Qin Yu roared and hurriedly activated the spell!

His body instantly turned golden! He forcefully withstood this attack with his physical body!

“Boom!”

The terrifying force smashed onto Qin Yu’s body!

A large area of the ground where Qin Yu was standing immediately sank, and dust flew up, obscuring everyone’s vision!

“Mr. Qin!” Yao Qing immediately panicked and ran over in a hurry!

Even Qin Yu couldn’t withstand this attack.

The golden color on his body was cracked, and fresh blood almost covered his entire face.

“Mr. Qin!” Yao Qing panicked. He hugged Qin Yu’s body and roared crazily.

“What are you shouting for... I’m not dead yet...” Just when Yao Qing was in grief and indignation, Qin Yu suddenly got up from the ground.

His body was a little unstable. Obviously, Qin Yu was also seriously injured by this attack.

“Are... are you okay?” Yao Qing asked in a panic.

Qin Yu waved his hand. Then, he shook his body with difficulty and walked toward Jiang Gu.

“Why did you stop me?!” Jiang Gu glared at Qin Yu with fury in his eyes!

Qin Yu waved his hand and said, “Hui Ming has already run away. This body now belongs to a tough man called Tao Shan...”

Jiang Gu roared angrily, “I want to go to the southwest. I want to destroy the Earth Fiend Valley!”

“Don’t worry...” Qin Yu waved his hand.

He walked to Jiang Yu and put his hand on Jiang Gu’s chest.

Qin Yu injected the last trace of spiritual energy in his body to Jiang Yu’s body.

Then, he raised his other hand and put it on Jiang Yu’s forehead.

Wisps of dark energy were absorbed by Jiang Yu’s body.

A moment later, Jiang Yu, who was lying lifeless on the ground, suddenly coughed!

When he heard this cough, ecstasy flashed across Jiang Gu’s face!

“Son!” Jiang Gu ran over and hugged Jiang Yu. His face, which was full of wrinkles, was instantly covered with tears!

At this time, Qin Yu was already out of strength. He muttered in a low voice, “Fortunately, he was saved in time. Otherwise, I’m afraid he would have died...”

After saying this, Qin Yu fell heavily to the ground!

“Mr. Qin!” Yao Qing immediately shouted!

“Jiang Gu, it’s all your fault. You almost killed Mr. Qin!” Yao Qing looked at Jiang Gu with hatred.

Jiang Gu turned around and knelt toward Qin Yu with a plop.

“Mr. Qin, thank you for saving my son... from today onwards, I will obey your orders!” Jiang Gu cried.

If the reason why he submitted to Qin Yu before was because of fear, now, it was because of admiration and respect.

Qin Yu laid on the bed for an entire night.

It wasn’t until the next morning that his body gradually recovered.

“Phew!”

The next day, Qin Yu jumped up from the huge bed.

He moved his body and felt that his entire body was sore.

“Jiang Gu’s attack... really nearly killed me,” Qin Yu muttered.

Soon, Jiang Gu walked in with Jiang Yu.

“Mr. Qin, you’re awake,” Jiang Gu bowed and said.

Qin Yu rolled his eyes and said, “I almost couldn’t wake up.”

Jiang Gu couldn’t help but feel a little guilty. He immediately bowed to Qin Yu again and again.

Then, Jiang Gu looked at Jiang Yu and scolded, “Hurry up and thank your savior!”

Jiang Yu glared at Qin Yu and said with some dissatisfaction, “Thank you.”

“Speak nicely!” Jiang Gu scolded.

Qin Yu waved his hand and said, “Forget it. It’s no big deal. Don’t take it to heart.”

Jiang Gu opened his mouth, but didn’t know what to say.

“If there’s nothing else, I’ll go back first.” Qin Yu got up from the bed and said.

Jiang Gu hurriedly asked, “Are you leaving already?”

“Yes, my time is precious. I can’t be delayed,” Qin Yu muttered.

Jiang Gu had no choice but to send Qin Yu away from the provincial capital.

At this point, Qin Yu suddenly thought of something.

He turned around and glanced at Jiang Gu while smiling. “One day, I will personally destroy the Earth Fiend Valley.”

After saying this, Qin Yu turned around and left.

He originally wanted to go to Bai City, but on second thought, he decided to return to Jiangcheng first.

After all, that place was his hometown, and he really felt a sense of belonging.

The car sped along the road and soon arrived at Jiangcheng.

And today, an uninvited guest had arrived at the entrance of the Dragon Paradise Villa.

A Maybach sedan was parked at the entrance. The Jingdu license plate showed that the visitor was of extraordinary status.

A young man broke open the door of the villa and walked into Qin Yu's house.

He acted as if no one was there, as if he was the owner of the house.

The young man stood in Qin Yu's bedroom.

He raised his head and looked at the group photo that was plastered all over the wall.. His expression became colder.

Chapter 229: Which One of Us Is Trash!

As he looked at the intimate photo of Yan Ruoxue and Qin Yu on the wall, the young man's whole body trembled!

"This b*stard..." the young man roared in a low voice. His eyes were bloodshot, and anger was burning in his chest!

"Young master..." the person next to him called out shakily.

The young man took a deep breath. He raised his hand and was about to erase these photos.

At this moment, the sound of an engine came from outside.

After looking sideways, he saw an Audi RS7 drive in.

The young man's expression turned cold, and he immediately turned around to walk out.

His entourage followed closely behind.

In the courtyard, Qin Yu looked at the car with the Jingdu license plate, and his eyes couldn't help but flash with excitement!

"Ruoxue is here?" Qin Yu whispered.

Thinking of this, he hurriedly ran into the room.

However, just as he reached the door, Qin Yu bumped into this young man.

This young man's body was extremely hard, and it felt as if he had bumped into a wall.

Qin Yu raised his head to size up this young man, and asked with a frown, "Who are you?"

The young man didn't answer this question. Instead, he sneered and said, "King of Chuzhou? You're so impressive."

Qin Yu couldn't figure out the identity of this young man for a moment, so he said politely, "Those are all rumors. I'm just an ordinary citizen."

“You actually know that it is a rumor?” The young man’s expression was cold.

“You actually know that you’re just an ordinary citizen?” Then, the young man shouted loudly!

At this moment, Qin Yu’s expression gradually turned cold.

It was very obvious that this person was an enemy, not a friend.

“Who exactly are you?” Qin Yu took a step back and coldly questioned.

“This is young master Han Wei, the eldest son of the Han family of Jingdu!” The attendant beside him shouted loudly.

Qin Yu frowned slightly.

The Han family of Jingdu?

Why hadn’t he heard of them before?

“I don’t know anything about the Han family. What exactly are you doing here?” Qin Yu said with a frown.

“You don’t know about the Han family? How dare you?!” When he heard this, the attendant by the side was instantly enraged!

He was about to make a move, but was stopped by Han Wei.

“It’s normal for commoners like you not to know about the Han family,” Han Wei said indifferently.

“I only need to tell you that the Han family is on par with the Yan family. That’s enough.”

On par with the Yan family?

The Han family really had quite a powerful background!

Qin Yu frowned and said, “I don’t seem to know you.”

Han Wei narrowed his eyes and said, “But I know you! You’re just a lowly commoner from Chuzhou, yet you actually dare to covet the daughter of the Yan family. How sinful!”

When he heard this, Qin Yu completely understood.

He was most likely a love rival.

Qin Yu smiled and said, “Miss Yan and I are in love with each other. What’s wrong with that?”

Han Wei sneered and said, “How can a lowly commoner like you be worthy of Yan Ruoxue?”

Qin Yu frowned and said, “Sir, I’m indeed just an ordinary person, but isn’t your address a little too rude.”

“Rude?” Han Wei laughed loudly.

“What? A commoner also has dignity?” Han Wei narrowed his eyes and said.

Qin Yu’s expression gradually turned cold.

He took a deep breath and suppressed his anger as he said, "Please leave immediately. My home does not welcome you."

"Oh really?" Han Wei raised his eyebrows.

He didn't take Qin Yu seriously at all. Instead, he said cockily, "You're just a commoner, yet you actually want to go from rags to riches. Do you know what it means to be evenly matched in terms of status?"

"I don't know," Qin Yu said with a cold expression.

"I only know that I like Yan Ruoxue, and Yan Ruoxue likes me. That's enough."

"As for status, I believe that one day, I will be worthy of Miss Yan."

These few words completely infuriated Han Wei!

Waves of terrifying internal qi burst out from his body!

A sense of oppression was emitted!

Qin Yu's expression changed!

Han Wei's strength was beyond imagination. He had never felt this before, not even in Jiang Gu!

"Do you really think that you have the qualifications to be with Yan Ruoxue?" Han Wei narrowed his eyes and said.

"Other than Old Mister Yan, no one in the entire Yan family supports you!"

“Now, Old Mister Yan is alive, so he can still make the decision. What happens after Old Mister Yan dies?”

“I’ve asked someone to do a divination. Old Mister Yan’s future lifespan is at most two years! When that time comes, what right do you have to marry Yan Ruoxue?”

After he heard Han Wei’s words, Qin Yu’s expression changed slightly.

He took a deep breath and said, “I’m indeed unworthy of Yan Ruoxue now. The Yan family also has the right to look down on me.”

“But I believe that before long, I will definitely be qualified to marry Yan Ruoxue,” Qin Yu said in a neither servile nor overbearing manner.

When Han Wei heard this, it was as if he had heard the biggest joke in the world!

“The people living at the bottom are really pitiful. Some minor fame in Chuzhou has already blinded your eyes,” Han Wei mocked.

“Don’t tell me you really think of yourself as a genius? In Jingdu, there are many people like you!” Han Wei shouted angrily.

Qin Yu said coldly, “I do have a lot of confidence in myself.”

“Confidence?” Han Wei’s expression turned cold.

“Fine, I’ll shatter your confidence today!”

After an explosive shout, Han Wei took a step forward!

The terrifying pressure instantly caused Qin Yu's bones to emit cracking sounds!

Qin Yu's forehead was covered in layers of secret sweat. Even his bodily movements were suppressed!

"I'll let you know today that trash is just trash." Han Wei raised his fist and thrust it over!

Qin Yu didn't dare to be negligent. He hurriedly activated his Saintly Body Technique and the Archaic Sacred Fist to meet it head-on!

Qin Yu used all of his trump cards right from the start. This was enough to show Qin Yu's cautiousness!

"Boom!"

The two fists collided, creating a huge explosion!

The golden light on Qin Yu's fists was directly shattered!

Just a casual punch shattered Qin Yu's trump card!

"Boom!"

With another punch, Qin Yu's body was sent flying!

The inner strength spread throughout Qin Yu's entire body almost in an instant!

Only the fist was injured, but Qin Yu could clearly feel that his entire body was injured!

"King of Chuzhou? That's all you have?" Han Wei sneered.

Qin Yu gritted his teeth. He wanted to get up from the ground, but he found that he didn't have any strength at all!

Han Wei walked in front of Qin Yu and stepped on Qin Yu's head.

"This world isn't something ordinary people like you can understand," Han Wei said coldly.

"Even your trump card was easily crushed by me. What right do you have to fight with me?"

"If I want to kill you, I can crush you right now!"

Qin Yu struggled desperately, but his body couldn't move!

Han Wei's feet rolled over Qin Yu's body. He narrowed his eyes and said, "Trash, give up. Whether it is your identity, background, or even your most proud talent, they aren't worth mentioning in front of me."

Qin Yu glared at Han Wei. He gritted his teeth and said, "You can get to where you are today only because of the resources your family gave you!"

"If you were like me, who was born with nothing, you would probably be worse off than me!"

"I only used half a year to get to where I am from having nothing. And you, with the endless resources of the big families in Jingdu, are only an Inner Strength Grandmaster."

"Which one of us is trash?!"

Chapter 230: See You In a Year!

Qin Yu wasn't afraid of Han Wei at all. He even provoked him!

This made Han Wei a little interested.

He sized up Qin Yu and said indifferently, "It's been a long time since an ant dared to yell at me."

Almost everyone around Han Wei obeyed his orders.

Which one of those people wasn't a big shot in Jingdu?

But Qin Yu, a maggot who lived at the bottom, actually dared to defy him!

How interesting!

Han Wei couldn't help but laugh out loud!

He sized up Qin Yu and said, "I was born at the top of the mountain. With a word from me, I can change your life. You're a maggot, so where on earth do you get your confidence from?"

Qin Yu climbed up from the ground.

He wiped the blood from the corner of his mouth and said coldly, "I don't like your lofty attitude, and I don't like your attitude of looking down on us, people at the bottom."

"Do you really think you're invincible? How many families have fallen during changing times?"

“Your name is Han Wei, right? In less than a year, I will go to Jingdu to propose marriage. I hope that you and I can fight again.”

Qin Yu’s words were neither servile nor overbearing, but it made Han Wei laugh non-stop!

“Hahaha, this is really too interesting, too interesting!” Han Wei laughed wildly.

“Did you hear that? An ant is challenging me.” Han Wei shook his head.

Qin Yu sneered. “You don’t have to laugh. Just say whether you dare to agree or not.”

Han Wei narrowed his eyes and said, “It’s not that I don’t want to accept it, but I don’t think you’re worthy enough.”

“What right does a maggot that I can stomp to death with just a lift of my foot have to challenge me?”

The more Han Wei thought about it, the more ridiculous it felt.

All of this was too surreal for Han Wei!

He had never thought that there would be an ant who dared to provoke him like this.

“Then it means you still don’t have the guts to agree,” Qin Yu said with a sneer.

“It seems that you’re not that confident about the resources of the Han family and your talent,” Qin Yu said with a sneer.

Han Wei narrowed his eyes.

He looked at Qin Yu coldly and said in an icy voice, “You’re goading me? Very well, you succeeded.”

“In a year, I will wait for you in Jingdu.”

“I will personally step on a maggot like you in front of Yan Ruoxue!”

At this point, Han Wei paused.

He glanced at Yao Qing and said indifferently, “At that time, everyone around you will die.”

Qin Yu’s expression turned cold, and fury ignited in his heart!

These so-called big shots didn’t take ordinary people seriously at all!

It was as if they could casually decide a person’s life or death!

“Han Wei, it’s a deal.” Qin Yu took a deep breath.

“I’ll see you in Jingdu. If I win, I won’t let the Han family off the hook!”

“I’ll kill all of you so-called big shots and blue-blood families who toy with other people’s lives!” Qin Yu said coldly.

Han Wei was laughing his head off.

“You’re the most courageous ant I have ever seen!” Han Wei sneered.

“Don’t worry. When you go to Jingdu, I will propose to Miss Yan and kill you at the same time.”

Han Wei’s tone was indifferent, as if he would just kill an ant, and not a human.

“Let’s go.” Then, Han Wei turned around and prepared to leave with his entourage.

“Oh right, I forgot about something.” At this moment, Han Wei seemed to have remembered something.

He turned around and waved his hand lightly. A fierce force instantly blasted towards Qin Yu’s house!

“Boom!”

With just a casual strike, the house in front of Qin Yu collapsed!

“I really don’t like to see those photos.” Han Wei snorted coldly.

Photos!

Qin Yu’s pupils suddenly dilated!

Anger almost made him lose his rationality!

He clenched his fists tightly, and was ready to attack at any time!

But in the end, Qin Yu still held it in.

He knew very well that he was definitely not Han Wei’s opponent right now.

“Phew.” Qin Yu let out a long breath.

He looked coldly in the direction Han Wei left with palpitations a flash of coldness in his eyes.

“Han Wei... you won't always be in that position,” Qin Yu said coldly.

Yao Qing, who was at the side, quickly walked over.

He swallowed hard and said in a low voice, “Mr. Qin, Han Wei... is so terrifying! The pressure he carries on his body actually made me unable to move...”

Qin Yu glanced at Yao Qing and didn't say anything.

Han Wei's strength was indeed beyond imagination.

It was even stronger than the pressure brought by Yan Jiang back then.

The house was destroyed, and the photos on the wall were all reduced to black powder.

This made Qin Yu's heart ache immensely, and his hatred for Han Wei deepened by another level.

At the same time, this also made Qin Yu clearly realize the gap between him and the young masters of Jingdu.

“Let's go.” Qin Yu regained his rationality.

He turned around and got into the car.

“Mr. Qin, where are we going now?” Yao Qing asked.

“Bai City,” Qin Yu said in a sullen voice.

“Okay.” Yao Qing didn’t say anything more. He started the accelerator and sped toward Bai City.

On the highway, the two Audi RS7 let out bursts of roars.

The extremely fast speed caught people’s attention on the highway.

Qin Yu sat in the car with his eyes closed.

He could feel the internal qi in his body and couldn’t help but frown.

He had clearly reached the ceiling of the seventh level of the Foundation Establishment Stage, but he couldn’t break through it.

At this moment, the car suddenly braked! Qin Yu’s head hit the front seat of the car!

“What’s going on?” Qin Yu frowned.

Before Yao Qing could say anything, he saw a BMW M 3 driving side by side with them!

This BMW M 3 had obviously undergone modifications. It was very flashy.

“Mr. Qin, this car is deliberately slamming against us,” Yao Qing said with a frown.

Qin Yu glanced outside and waved his hand. "It's probably some rich kids. Ignore them."

"Yes." Yao Qing nodded. He deliberately slowed down and let the M3 leave first.

He thought that the matter would end here, but he didn't expect that when they arrived at the toll station, the M3 was actually waiting for Qin Yu.

After seeing Qin Yu's car, two young men dressed in thuggish clothes walked over.

They knocked on the car door and said provocatively, "What? Are you scared now? Why are you driving so slowly? Why are you driving an RS7?"

Yao Qing's expression changed and he couldn't help but scold, "Don't look for trouble!"

"You're getting anxious already?" The young man sneered.

"You're so worked up. Remember to catch up with us later. Otherwise, we won't let you get off the highway!"

The two young men snorted coldly and turned around to return to the car.

Yao Qing gritted his teeth.. He looked at Qin Yu and waited for Qin Yu's order.

Chapter 231: Medicine King Dong Tianhai

Qin Yu simply didn't want to lower himself to their level.

He waved his hands at Yao Qing to indicate for him to ignore them.

Although Yao Qing was angry, he could only endure it.

“Looks like this car is quite prone to trouble.” Qin Yu couldn't help but think to himself.

The car passed the toll station and entered another highway.

The two young men were still waiting on the road. As soon as they saw Qin Yu, they stepped on the accelerator and sped out.

Yao Qing was also a hot-headed young man. He originally wanted to chase after him, but because of Qin Yu's orders, he could only obediently follow behind.

The car drove slowly on the road. Qin Yu closed his eyes and breathed lightly.

Unfortunately, the moment he closed his eyes, Han Wei's arrogant appearance appeared in his mind.

“Han Wei...” Qin Yu couldn't help but clench his teeth.

At this moment, the car suddenly came to a sudden stop!

Qin Yu's head hit the front seat again!

“F * ck...” Qin Yu was about to curse when he saw the scene outside the window.

The car was stopped by the two young men. They blocked the front of the car with arrogant expressions.

“It’s not over yet...” Qin Yu narrowed his eyes and couldn’t help but feel a little impatient.

He pushed open the car door and got out of the car.

The two young men stood in front of the M 3 and looked at Yao Qing arrogantly.

“What? Are you scared already?” A young man with yellow hair sneered.

“You’re driving like a turtle. What are you dawdling for? Are you afraid?” Another young man also shouted.

Yao Qing gritted his teeth. He suppressed his anger and said, “We don’t want to compete with you. Also, the person in the car is the famous King of Chuzhou, Qin Yu.”

He thought that he could scare them by mentioning the King of Chuzhou.

But unexpectedly, after hearing this title, they became even more excited.

“King of Chuzhou? I’ve wanted to see him since long ago.” The blonde guy said with a grimace.

“You’re hyped up on the internet every day and use some special effects to deceive people. If you have the ability, let’s try it out now.”

I'll go call someone now. Do you have the guts to?" The blondie sneered.

Qin Yu was impatient.

He took a step forward and looked coldly at the blondie while saying, "Are you done?"

"Hehe, you're the King of Chuzhou? The one who is overhyped and only knows how to brag? Come, tell us, which media company are you from?" The blondie sneered.

The young man next to him also shouted, "If you have the capabilities, then let's have a try. Otherwise, you will post a video on the internet saying that you are my younger brother!"

"That's right, let them know who the real king is!" The blonde guy sneered.

Qin Yu glanced at them and said coldly, "I'm on my way. Get lost right now."

The blonde guy sneered. "You don't understand what I said? You want us to get lost? Who do you think you are?"

Qin Yu didn't say anything. He took a step forward and raised his hand to slap the blonde man!

Although he held back, the slap made the blonde man turn 360 degrees on the spot, and he fell to the ground.

"Don't look for trouble," Qin Yu glanced at them and said coldly.

The young man next to the blonde man was so scared that he didn't have the guts to say anything. When he came back to his senses, Qin Yu had already driven away.

...

Without the blonde man's harassment, the journey was much faster.

Soon, the two of them arrived at Bai City.

The villa here was already surrounded. As soon as they entered the door, there was a large independent space.

Qin Yu took a deep breath and felt the faint spiritual energy around him. He muttered in a low voice, "If I set up a spiritual energy gathering formation here, the spiritual energy will definitely be several times denser."

He didn't waste any time. He immediately took out the materials and started to set up the formation.

The spiritual energy gathering formation was considered the most basic formation for cultivators. Although it couldn't be compared to a natural spiritual energy gathering formation, it was still useful for ordinary cultivators.

By the time Qin Yu set up the formation, it was already night.

Looking at the starry sky, Qin Yu murmured, "I wonder if I can break through this time."

He sat cross-legged on the ground and closed his eyes while preparing to break through to the seventh level of the Foundation Establishment Stage.

Unfortunately, he failed to break through this time.

He had reached the seventh level, but he still couldn't break through.

Qin Yu stood up from the ground and said helplessly, "It seems that I still need a fortuitous event to break through. If I stay behind closed doors, I will never be able to reach the seventh level."

During this period of time, Qin Yu spent almost all his time cultivating.

Perhaps he should enter the secular world at the right time.

In the next few days, Qin Yu opened up a large vegetable garden in this spiritual energy gathering formation.

Different from ordinary vegetable gardens, the plants here were all herbs.

With the support of the spiritual energy gathering formation, the growth rate of the herbs was several times faster.

Under the scorching sun, Qin Yu waved his hoe and was so tired that he was drenched in sweat.

"Mr. Qin, why did you plant vegetables..." Yao Qing muttered.

Qin Yu wiped the sweat from his forehead and said, "Sometimes, planting vegetables is also a kind of cultivation."

"I don't understand..." Yao Qing shook his head while looking very confused.

Qin Yu smiled and said, “Everyone’s cultivation has a different path. Only by finding your own path can you succeed.”

Yao Qing was confused and didn’t seem to understand.

Qin Yu didn’t say anything more. He raised his head to look at the sun and whispered, “Path... What is my own path...”

After a few days of exploration, more than half of the villa had become a vegetable garden.

“The originally nice villa has become like this,” Yao Qing muttered.

Qin Yu was quite satisfied.

Looking at these herbs that were growing healthily, Qin Yu had a satisfied look on his face.

At noon the next day, Qin Yu continued to explore as usual.

At this moment, his phone suddenly rang.

He picked up the phone and saw that the caller was Lei Hu.

Qin Yu walked to the side and picked up the phone.

“What’s the matter?” Qin Yu asked.

On the other end, Lei Hu said, “Mr. Qin, I’ve already made Xiong Yi talk.”

Qin Yu agreed and motioned Lei Hu to continue.

Lei Hu said in a sullen voice, “The one who is cooperating with him is Dong Tianhai, who is known as the medicine king in the Jiang Bei region.”

“Dong Tianhai?” Qin Yu frowned slightly.

Qin Yu had never heard of this name before.

On the other end, Lei Hu explained, “This medicine king has spent more than half of his life traveling the world and collecting herbs. He has countless top-grade herbs in his hands!”

“The batch of herbs that Dong Tianhai traded with Xiong Yi are defective items in Dong Tianhai’s hands.”

Qin Yu couldn’t help but be shocked!

Herbs that had medicinal effects for decades were considered defective items?

How many top-grade herbs did Dong Tianhai have in stock for him to be so magnanimous?

“Can I get his contact information?” Qin Yu frowned and asked.

On the other end, Lei Hu smiled and said, “Dong Tianhai has been in Chuzhou recently. I have already made an appointment for you.. He is in Bai City.”

Chapter 232: Dong Tianhai’s Probing

Qin Yu was instantly overjoyed and immediately praised, “Well done!”

Following that, Lei Hu sent the address and time to Qin Yu.

The time was set at noon, and the location was the largest restaurant in the area, called Yihe Winery.

At noon, Qin Yu packed up and prepared to leave.

Before he left, Qin Yu reminded him, “Take care of the herbs in the garden. Don’t forget to water it later.”

“I know. I know.” Yao Qing waved his hand impatiently.

Then, Qin Yu drove to the Yihe Winery.

In a small private room in the winery, there were three people sitting there.

One of them was an old man, and the other two were young men.

“Master, do you really think Qin Yu is that capable?” A young man asked with a frown.

Dong Tianhai said in a sullen voice, “I think so. I know Jiang Gu very well. He values the reputation of his family very much. If Qin Yu doesn’t have the ability, it’s impossible for him to make Jiang Gu submit to him willingly.”

“I still don’t think it’s possible.” The other young man snorted.

“Master, I’ve heard that Qin Yu has a special relationship with the Yan family”

“Moreover, back then, Yan Ruoxue came personally and asked Jiang Gu to let him go. I think Jiang Gu is most likely afraid of the Yan family.”

Dong Tianhai didn’t say anything.

He rubbed his chin and thought for a moment, then nodded and said, “Mm, it’s indeed possible. Let’s talk after I meet him.”

The two of them didn’t say anything else. They just sat there and waited quietly.

A few minutes later, Qin Yu pushed the door open and entered.

The moment they saw Qin Yu, the two disciples frowned even more.

Judging from his aura, Qin Yu was only an Inner Strength Master Hands. He wasn’t even a grandmaster. How could he possibly win against Jiang Gu, who was an Inner Strength Grandmaster?

Even Dong Tiannan was a bit suspicious.

It was impossible for an Inner Strength Master Hands to win against an Inner Strength Grandmaster, even if he was a genius!

Could it be that Qin Yu really had an undeserved reputation?

“You must be the medicine king, Mr. Dong.” Qin Yu took the initiative to walk forward and shook hands with Dong Tianhai.

Dong Tianhai nodded. After the two of them shook hands, Qin Yu sat down.

After exchanging some pleasantries, Dong Tianhai said with some flattery, “Mr. Qin, you have already achieved so much at such a young age. It really surprises us.”

Qin Yu cupped his hands and said, “Mr. Dong, you must be joking. Compared to you, my achievements aren’t worth mentioning.”

A disciple at the side laughed and said, “Mr. Qin, I’ve long heard that your strength is extraordinary. Even Jiang Gu was defeated by you. Seeing you in person today really surprised me.”

He seemed to be complimenting him, but in fact, he was suspicious.

The other disciple said straightforwardly, “I think Jiang Gu just has some misgivings.”

Qin Yu frowned. Although he was displeased, he didn’t say anything.

“Mr. Qin, if you don’t mind, I wonder if you and I can spar?” The disciple stood up and said somewhat provocatively.

Qin Yu glanced at Dong Tianhai and shook his head. “Forget it. I came here today because I have something to ask of you, Mr. Dong.”

“Hehe.” The disciple smiled and didn’t say anything more.

At this moment, Qin Yu felt a wave of internal qi sweep across his body.

Although it was only for an instant, Qin Yu still caught it.

He looked at Dong Tianhai and couldn't help but frown.

Dong Tianhai wasn't as simple as he seemed! He was indeed worthy of being called the king of herbs.

“Mr. Dong, I came here to discuss a cooperation with you.” Qin Yu didn't say anything more and went straight to the point.

Dong Tianhai poured a glass of wine and took a sip. He smiled and said, “I wonder what kind of cooperation Mr. Qin wants to discuss?”

Qin Yu was silent for a moment and then said, “Mr. Dong is called the king of herbs. I believe you must have top-notch herbs in your hands.”

Dong Tianhai wasn't modest. He nodded and said, “That's right. I have more than ten stalks of herbs that are hundreds of years old.”

Hearing this, Qin Yu couldn't help but gasp!

More than ten stalks of herbs that were hundreds of years old? Dong Tianhai was really rich!

Qin Yu said somewhat enthusiastically, “Mr. Dong, if possible, I want to buy a few stalks from you. Name your price!”

“Mr. Qin, are you looking down on my master? Do you think my master is short of money?” His disciple sneered.

Qin Yu quickly changed his words, “Mr. Dong, if it's possible, I'm willing to exchange an item of equal value with you!”

“An item of equal value?” Dong Tianhai raised his eyebrows.

He put down the wine cup in his hand and said with a nonchalant smile, “Mr. Qin, may I ask if you have anything precious in your hands?”

Qin Yu thought for a moment and said, “I have pills. Is that okay? No matter what pill it is, as long as you ask, I can try making them.”

“Hahahaha!” Hearing this, Dong Tiannan couldn’t help but laugh out loud.

“I didn’t expect Mr. Qin to know how to refine pills,” Dong Tianhai said with a nonchalant smile.

Qin Yu nodded and said, “I know a little about it.”

Dong Tianhai couldn’t help but narrow his eyes.

After thinking for a moment, he suddenly said, “Okay, if you can give me a Nine Transformation Golden Pill, you can choose any of my herbs!”

“Nine Transformation Golden Pill?” Qin Yu immediately searched through his inherited memories.

Soon, the formula for the Nine Transformation Golden Pill appeared in Qin Yu’s mind.

“No Problem!” Qin Yu immediately agreed.

Since he had the formula, refining the Nine Transformation Golden Pill should not be a problem.

“Okay, then it’s a deal!” Dong Tianhai nodded.

Qin Yu was overjoyed. He quickly raised his wine cup and clinked it with Dong Tianhai.

After eating this meal, Qin Yu said goodbye to Dong Tianhai and left the winery.

After Qin Yu left, Dong Tianhai’s expression immediately darkened.

“Master, this kid is definitely bragging.” His disciple snickered.

“That’s right! I proposed to spar with him, but he didn’t dare to agree! If he really has the ability, why would he refuse?!” The other disciple also said.

Even Dong Tianhai snickered.

He glanced at his two disciples and said, “From his aura, he is indeed only a seventh stage Inner Strength Master Hands. His strength is low and isn’t worth mentioning.”

“Moreover... I deliberately used the Nine Transformation Golden Pill to test him, but he actually agreed.” Dong Tianhai narrowed his eyes and said.

“You must know that even in the Divine Alchemist Pavilion, there are very few people who can refine the Nine Transformation Golden Pill?! It is very obvious that he is a braggart!”

The other two disciples nodded one after another.

Not to mention that the refinement of the Nine Transformation Golden Pill was extremely difficult, but just the herbs required for the refinement were extremely rare.

Qin Yu's firm assurance made Dong Tianhai suspicious.

"Master, the King of Chuzhou is just an empty title. It seems that we have to find someone else to work with," his disciple said in a sullen voice.

Dong Tianhai nodded and sighed slowly. "Fortunately, I didn't tell Qin Yu about the birth of the Divine Medicine...."

Chapter 233: Nine Transformation Golden Pill

The reason why Dong Tianhai stayed in Chuzhou was because a Divine Medicine was about to be created in Bai City.

And this Divine Medicine lasted as long as a thousand years!

Even Dong Tianhai didn't have this Divine Medicine in his possession!

But the appearance of this Divine Medicine would definitely cause a commotion!

Although not many people knew about it, the families of Chuzhou and even the entire Jiang Bei region might have received the news.

Helpless, Dong Tianhai thought of looking for someone to work with.

He originally wanted to look for Qin Yu, who was the King of Chuzhou. However, after seeing him today, Dong Tianhai dispelled this idea.

“Master, why don’t we look for the Martial Arts Association?” At this moment, his disciple suggested.

“Although there aren’t many experts in the Martial Arts Association of Chuzhou, there are still many Inner Strength Past Masters.”

“With their help, our chances of success will be higher.”

After hearing his disciple’s words, Dong Tianhai thought for a moment, then nodded and said, “This is the only way.”

In the Martial Arts Association, ever since Yuan Hong’s death, Yuan Hong’s eldest disciple had taken over as the new president.

This president’s name was Wan Xin, and he was Yuan Hong’s favorite disciple. The two of them had a very good relationship.

Ever since Yuan Hong’s death, Wan Xin’s mind had been filled with thoughts of revenge. However, he wasn’t strong enough, and he was afraid of the Yan family, so there was nothing he could do.

Wan Xin sat in his office. In front of him was the video of Yan Jiang torturing Yuan Hong that day.

“Qin Yu...” The more Wan Xin watched, the angrier he became!

He didn’t have the ability to take revenge on the Yan family, so he directed all his anger onto Qin Yu!

“President Wan, someone is looking for you outside.” At this moment, a subordinate walked in and said.

“Who?” Wan Xin frowned and said.

“Jiang Bei’s King of Medicine, Dong Tianhai,” the subordinate answered truthfully.

When he heard this name, Wan Xin immediately stood up!

“Quick, invite them in!” Wan Xin hurriedly said.

Soon, Dong Tianhai led his disciple into the office.

As for Wan Xin, he made tea and waited respectfully.

Upon seeing Dong Tianhai, Wan Xin quickly walked forward and said warmly, “I’ve heard of the King of Medicine’s achievements since long before. Seeing you in person today, I see that you are indeed extraordinary!”

“President Wan, you’re too polite,” Dong Tianhai said indifferently.

After sitting down, Wan Xin probed, “May I know what you are here for?”

His disciple opened his mouth and was about to speak, but was interrupted by Dong Tianhai with a wave of his hand.

He looked at Wan Xin and indifferently said, “President Wan, there’s something I want to ask you.”

“Medicine king, feel free to tell me! As long as I know, I’ll tell you everything!” Wan Xin patted his chest and said.

Dong Tianhai was silent for a moment and said, “I’m not from Chuzhou, so I don’t know much about Chuzhou.”

“Recently, there’s a young man in Chuzhou who has been in the limelight. His name is Qin Yu, and he’s known as the King of Chuzhou. Rumor has it that he beat Jiang Gu.”

“I wonder if this is true?”

When he heard Dong Tianhai’s words, Wan Xin’s expression instantly turned cold.

He gnashed his teeth and said, “Qin Yu is only at the seventh stage of the Inner Strength Master Hands realm. How could he possibly defeat Jiang Gu?”

“Oh really?” Dong Tianhai raised his eyebrows. “But rumor has it that Jiang Gu was defeated by Qin Yu.”

Wan Xin snorted and said, “Isn’t it because of the Yan family? If it weren’t for the Yan family, Qin Yu would have died long ago!”

“Are you serious?” Dong Tianhai frowned and said.

“If you don’t believe me, I have a video here!” Wan Xin hurriedly turned on his computer and opened the video.

The content was the video of Yan Jiang torturing Yuan Hong.

“This person is from the Yan family and is extremely powerful! If it weren't for him, Qin Yu would have died long ago!” Wan Xin snorted coldly.

Dong Tianhai looked at the content of the video and couldn't help but fall into deep thought.

“Master, I've already said it before. Qin Yu only has an empty title!”

“That's right. How can an Inner Strength Master Hands like him win against an Inner Strength Grandmaster? Just think about it and you will know that it is impossible.” The two disciples shouted.

Wan Xin also said, “These two gentlemen are right. Qin Yu's realm is low and it isn't worth mentioning. It's just that the Yan family wants to support him.”

“You also know that with the Yan family's ability, even if it's a pile of dog sh*t, they can still help him rise to the top.”

Dong Tianhai sighed and said in a low voice, “It seems that I have overestimated Qin Yu.”

In that case, they could only rely on the Martial Arts Association.

After that, Dong Tianhai expressed his intentionS.

“Divine Medicine? This is simply amazing!” Wan Xin said with ecstasy.

“Thank you, Mr. Dong, for giving us this opportunity!” Wan Xin said excitedly.

Dong Tianhai nodded and said, “Remember, don’t tell anyone about this. You must keep it a secret.”

Wan Xin patted his chest and said, “Don’t worry. Who doesn’t know that I, Wan Xin, keep my mouth shut?”

“In that case, organize the personnel in half a month,” Dong Tianhai said.

After giving his instructions, Dong Tianhai left with his disciple and returned to the winery.

...

On the other hand, Qin Yu returned home excitedly.

He didn’t dare to waste any time and immediately prepared to refine the Nine Transformation Golden Pill.

However, when he looked at the prescription carefully, his brows furrowed tightly.

“I was too excited just now. I actually didn’t look at the required herbs...” Qin Yu felt a headache coming on.

The herbs needed for the Nine Transformation Golden Pill were extremely rare. It required a ginseng that was more than a hundred years old, two Chinese knotweed that was a hundred and fifty years old, and a variety of weird commonplace herbs.

Qin Yu was unable to even get his hands on these herbs.

“I agreed too quickly.” Qin Yu sighed.

“However... the effect of this Nine Transformation Golden Pill is beyond imagination.” Qin Yu glanced at it and said in a low voice.

As the name implied, the Nine Transformation Golden Pill gave the user nine chances to remodel his body.

The first three times were to temper the body, and the next few times were to temper the internal organs and even the spiritual sense.

Even in the immortal cultivation world, the Nine Transformation Golden Pill was a high-quality medicinal pill, and its level was as high as the Earth Rank.

“If it weren’t for Dong Tianhai, I wouldn’t have known that there was such a miraculous medicinal pill,” Qin Yu said as he stroked his chin.

Even so, Qin Yu couldn’t do anything about the difficulty of acquiring the herbs.

“Oh, right!” At this moment, Qin Yu slapped his head.

Since Dong Tianhai was called the King of Herbs, these herbs would be easy for him to obtain!

Thinking of this, Qin Yu hurriedly got up and rushed to Yihe Winery.

Yihe Winery was not only a restaurant, but also a hotel.

Qin Yu guessed that Dong Tianhai would stay here, so he came in a hurry.

When he arrived at the door, Dong Tianhai had just returned.

The two of them met at the door, which saved a lot of trouble.

Qin Yu walked up quickly and said politely, “Mr. Dong, there’s something I need to trouble you with. This Nine Transformation Golden Pill requires a hundred-year-old ginseng, a hundred and fifty-year-old Chinese knotweed, and many ordinary herbs.”

After saying that, Qin Yu took out a piece of paper and said with a smile, “I’ve written down all the herbs I need.”

Dong Tianhai took the list of herbs and took a look. Then, he sneered and said, “Are you sure this is the formula for the Nine Transformation Golden Pill?”

“Yes.” Qin Yu nodded.

Dong Tianhai sneered and said, “If this is all the herbs needed for the Nine Transformation Golden Pill, it won’t be called the rarest medicinal pill!”

Chapter 234: Chapter 234, the Divine sect pill

Dong Tianhai’s words could not help but leave Qin Yu baffled.

For a moment, he even suspected that he had remembered wrongly.

Qin Yu hurriedly compared the list of herbs in his inherited memories. After confirming that there were no problems, he said, “Mr. Dong, what do you mean by this?”

Dong Tianhai was not angry. He said with a faint smile, “Qin Yu, to tell you the truth, I know better than you the herbs needed for the nine transformations Golden Pill.”

Qin Yu did not say anything. He waited for Dong Tianhai to continue.

Dong Tianhai said slowly, “The nine transformation golden pill is known as a warrior’s holy pill. The herbs he needs are not hundred-year-old human bodies and Chinese knotweed, but two five-hundred-year-old herbs! and three hundred-year-old herbs!”

“So, if you can refine a nine transformation golden pill, I can give you my herb bank, let alone herbs,”dong Tianhai said with a faint smile.

This made Qin Yu somewhat surprised.

Could it be that... the inheritance left behind by his father was wrong?

Impossible! This was absolutely impossible!

With his father’s ability, a mere nine transformation golden pill was absolutely not a problem.

In this way, there was only one possibility.

That was that the alchemy technique left behind by his father was even more brilliant!

Thinking of this, Qin Yu smiled and said, “Mr. Dong, as long as you provide me with the herbs on my list, I can give you a nine transformation golden pill.”

Hearing Qin Yu's words, Dong Tianhai couldn't help but burst into laughter.

His disciple's face turned ashen. He took a step forward and berated, "Qin Yu, do you still want to deceive us? Let me tell you..."

"Shut up!" Dong Tianhai interrupted his disciple's words.

He looked at Qin Yu with a smile and said, "Qin Yu, I can't provide you with these herbs. Since you agreed to use the nine transformation golden core to exchange for my herbs, then the raw materials for this nine transformation golden core naturally need you to think of a way yourself."

Qin Yu was silent for a moment.

He raised his head to look at Dong Tianhai and said, "It's not impossible. It's just that the time needed may be extended. If you don't mind, I naturally have no problem with it."

"Of course I don't mind." Dong Tianhai forced down his smile.

Qin Yu nodded and didn't say anything else.

After greeting Dong Tianhai, Qin Yu turned his head and left.

After Qin Yu left, Dong Tianhai confirmed his own thoughts.

"This Qin Yu actually wants to swindle herbs from master?" His disciple snorted.

Dong Tianhai said with a faint smile, “It’s normal. People like him who achieve success at a young age easily think that they are the smartest and treat others as fools.”

“Fortunately, I didn’t work with him,”his disciple said with a cold snort.

Dong Tianhai waved his hand and didn’t say anything else.

After Qin Yu returned, he prepared to look for herbs.

If what Dong Tianhai said was true, then this nine transformation golden core could probably be exchanged for many top-grade herbs.

Looks like I have to think of a way to store a batch of hundred-year-old herbs, Qin Yu thought to himself.

Although hundred-year-old herbs were rare, Qin Yu’s connections were much stronger now.

With his current ability, it was not particularly difficult for him to obtain hundred-year-old herbs.

After thinking about it, Qin Yu finally decided to ask Jiang Gu for help.

Then, Qin Yu took out his phone and dialed Jiang Gu’s number.

As soon as the call was picked up, Jiang Gu on the other end smiled and said, “Mr. Qin, I was just about to call you. You are also here for the Divine Medicine, right?”

Qin Yu frowned and said, “Divine medicine? What Divine Medicine?”

Jiang Gu said with some surprise, “You still don’t know? It’s said that a divine medicine is about to be born in Bai Town. Many big families in the Jiang Bei region have heard of it and come here, ready to take a chance.”

This made Qin Yu even more surprised.

He didn’t know anything about the divine medicine at all.

Jiang Gu immediately told Qin Yu what had happened.

Only after Jiang Gu’s narration did Qin Yu learn of this matter.

“In that case, Dong Tianhai is most likely here for this divine medicine,” Qin Yu thought to himself.

A thousand-year-old divine medicine was hard to come by. Even Dong Tianhai, who was known as the Medicine King, had never seen it before.

“If I can obtain this divine medicine, I might be able to attempt to break through to the monastic stage.” Qin Yu felt a faint sense of excitement in his heart.

On the other end, Jiang Gu said, “Mr. Qin, The Allure of the Divine Medicine is too great. When the time comes, the families of the Jiang Bei region will definitely come and snatch it.”

“Jiang Bei region...” Qin Yu silently said this name.

The Jiang Bei region had a total of three provinces, and Chuzhou was a relatively weak area in terms of martial arts.

Other than Jiang Gu, there wasn't even a martial grandmaster.

As for the other two provinces, there were several martial grandmasters overseeing them.

Wanting to obtain the divine medicine was indeed not a simple matter.

“Mr. Qin, I have a few old friends in the Jiang Bei region. Perhaps we can try to join forces with them,” Jiang Gu suggested.

Qin Yu was silent for a moment.

The effects of the thousand year divine medicine were unimaginable. It was unlikely that he could swallow it alone.

Therefore, cooperation was essential.

“Okay, I'll leave this matter to you,” said Qin Yu.

Jiang Gu agreed, “I'll try to contact them as soon as possible.”

“Oh right, do me a favor.” At this point, Qin Yu suddenly changed the topic.

Jiang Gu hurriedly said, “Mr. Qin, please go ahead.”

Qin Yu said in a deep voice, “I urgently need a hundred-year-old ginseng and a Chinese knotweed that is more than 150 years old. Help me think of a way. The price can be negotiated.”

Hearing this, Jiang Gu on the other end of the line immediately felt a little awkward.

“Mr. Qin, these hundred-year-old herbs are not like cabbages by the roadside. Moreover... people who have these herbs are usually not short of money,” Jiang Gu said in a low voice.

Qin Yu was silent for a moment and said, “How about this? Spread the word that as long as you can provide me with hundred-year-old herbs, I’m willing to exchange them with the divine sect pill.”

“Divine Sect Pill?” On the other end, Jiang Gu was immediately shocked.

“Mr. Qin, is what you said true?” Jiang GU said with some excitement.

“Yes. As long as you can provide me with 100-year-old herbs, I can have as many divine sect pills as I want,” Qin Yu said indifferently.

The Divine sect pill was a kind of pill in the Martial World.

And the effect of this pill was even more simple and crude.

A martial artist at the grandmaster realm only needed to consume one pill to be able to advance one level.

If one was talented, one pill could even advance several levels!

In other words, relying on this divine sect pill, one could create a large group of experts at the peak of the Grandmaster realm!

“No problem, Mr. Qin, I’ll spread the word right away!” Jiang Gu hurriedly said.

After hanging up the phone, Qin Yu touched his chin.

“If I want to cooperate with others, I still need to have sufficient strength,” Qin Yu thought to himself.

If he didn’t have the strength, even if he could cooperate, he definitely wouldn’t have the initiative.

“There’s still half a month’s time. I have to think of a way as soon as possible,” Qin Yu thought to himself.

Soon, Jiang Gu spread the news of the Divine sect pill.

As expected, the moment these words were said, it immediately caused a commotion in the martial arts world!

Martial arts aristocratic families of all sizes came one after another, wanting to obtain a Shenzong Dan!

Chapter 235: Chapter 235, the power of the ancestor!

A hundred-year-old divine medicine was indeed precious. However, martial families and the wealthy of the upper class would usually collect one or more of them.

Therefore, after the news spread, many people came to look for Jiang Gu.

The Divine Sect Pill was indeed a divine medicine to martial artists.

However, to Qin Yu, it was nothing.

The pill refining technique left behind by his father was extremely exquisite, far surpassing that of the present age!

Even the Divine Medicine Pavilion, which was revered as a god by the world, might not be able to compare to it.

Relying on the batch of herbs left behind by Xiong Yi, Qin Yu spent three days to refine a total of seven divine sect pills.

“Yao Qing, send this divine sect pill to the Jiang family.” Qin Yu wrapped up the seven divine sect pills and handed them over to Yao Qing.

“And this one, send it to the Wei family. Tell Wei Tao that this pill can save his son.” Qin Yu carefully wrapped up the other pill and said.

Yao Qing didn't dare to delay. After taking the divine sect pill, he quickly left.

After Yao Qing left, Qin Yu originally wanted to take care of the vegetable garden. However, at this moment, a piercing pain suddenly appeared in Qin Yu's mind!

“What's wrong? Have you forgotten your master?”

A sinister voice entered Qin Yu's mind!

This intense pain was hard for Qin Yu to bear.

Under this intense pain, Qin Yu took out the stone statue and touched it.

A light flashed and Qin Yu's spiritual sense was instantly sucked in.

The moment he entered the stone statue, a terrifying pressure pressed down!

“Boom!” A loud sound rang out!

Qin Yu's entire body was slapped onto the ground!

“You want to trick me?” The old ancestor said coldly.

Qin Yu hurriedly said, “I don't dare. Old ancestor, how would I dare to trick you...”

The old ancestor snorted coldly and said, “How's the matter of the seal? Any Progress?”

Qin Yu hurriedly said, “Soon, soon. Give me a few more days, and I'll definitely bring you out!”

“Boom!”

Another huge palm slammed fiercely onto Qin Yu's body!

“Ah!” This huge palm was extremely powerful, and even Qin Yu couldn't help but wail in pain!

The patriarch glared at Qin Yu and berated, “You better be clear of your identity! You are only my slave! I don't care what happens to you, put it all down! Immediately find a way to break the seal!”

Qin Yu cursed in his heart!

Slave, my slave!

This old bastard really treated Qin Yu as a slave!

“Patriarch, I just received a special news.” At this time, Qin Yu suddenly thought of something.

His eyes rolled and said, “I found out that Qin Yu is actually the legendary chaotic body! No wonder his talent is so high!”

Hearing the words “Chaotic body”, the patriarch’s expression changed drastically!

The black gas inside the stone statue rolled over, as if it was going to swallow the whole world!

“Is what you said true? !” The patriarch stared at Qin Yu and said.

Qin Yu hurriedly nodded and said, “Yes! I have fought with him a few times, there is absolutely no mistake!”

“Hahahaha!” The patriarch could not help but laugh out loud in excitement!

That laughter was like Rolling Thunder, directly striking Qin Yu’s spiritual sense, causing him to almost faint!

“Legend has it that the primal chaos body is the number one physique in the world. Its physical body is incomparably tough and fierce, and is known as invincible among those of the same level!”

“If I can obtain the primal chaos body, who in the world would be afraid of Me?”The patriarch laughed out loud again and again!

Number One physique in the world? Its physical body is incomparably tough and fierce? Invincible among those of the same level?

Qin Yu couldn't help but be secretly shocked in his heart!

No wonder his body had been improved again and again during the Foundation Establishment Stage!

“Kid, no matter what, you must get this chaotic body.”The patriarch looked at Qin Yu coldly and said.

Qin Yu hurriedly nodded and said, “Patriarch, don't worry. Give me a little more time, and I promise to let you leave this damn place!”

The patriarch said coldly, “I can't wait any longer! I don't want to stay in this place for a minute!”

Qin Yu said awkwardly, “Patriarch, I also want to be faster, but now that the sect is in danger, I'm not a match for Qin Yu...”

The patriarch was silent for a moment, then he looked at Qin Yu and said slowly, “I can lend you my inner strength for the time being.”

Qin Yu was stunned, and then he said happily, “Patriarch, is what you said true?”

The patriarch nodded and said, “Yes, but this technique consumes a lot of my energy. It might very well affect my foundation.”

“But as long as I can obtain the chaos body, this little price is nothing.”The patriarch changed the topic and said.

Qin Yu was ecstatic in his heart!

This old bastard actually wanted to lend his strength to him!

Qin Yu was just worrying about how to snatch that divine medicine!

“Patriarch, May I ask... What realm are you at exactly?”Qin Yu probed.

The patriarch snorted lightly, “When I was at my peak, I was a martial ancestor. Now that my strength has been damaged, perhaps I can only reach the martial ancestor realm.”

Martial ancestor realm ?

This old bastard actually surpassed the martial ancestor realm ?

“Enough, enough!”Qin Yu hurriedly nodded.

“As long as I can reach the Martial Grandmaster realm, killing that Qin Yu will be as easy as flipping my hand!”Qin Yu said excitedly.

The patriarch nodded slightly. He looked coldly at Qin Yu and said, “How long do you need ?”

Qin Yu thought for a moment and said, “One month! Within one month, I will definitely bring you out of this damned place!”

“No, it’s too late,”the patriarch said coldly.

“I will give you at most twenty days.”

Qin Yu sneered in his heart:

I knew you, Old Thing, had to bargain. Fortunately, I said ten days in advance!

Twenty days was completely enough for Qin Yu!

“Remember, you only have twenty days,”the patriarch whispered.

In the next second, Qin Yu’s spiritual sense returned to his body.

As soon as Qin Yu got up from the ground, the mark in his mind began to shine.

Then, a terrifying internal force burst out from the Mark!

This internal force circulated around Qin Yu’s body and followed Qin Yu’s meridians, reincarnating twenty times!

Finally, this internal force poured into Qin Yu’s Dantian!

A terrifying force suddenly burst out!

Qin Yu felt that his body had undergone a qualitative change, and his strength had increased by dozens of times in an instant!

“Boom!”

A terrifying force of Qi burst out from Qin Yu’s body!

The tyrannical internal Qi directly turned the surrounding area into flat ground!

Even the ground under Qin Yu's feet was covered with dense cracks!

“Boom!”

Finally, the ground couldn't take it anymore and started to sink!

Finally, it turned into a huge pit that was several meters wide!

“Sou!”

Soon, a ray of golden light flew out from the huge pit!

Qin Yu's entire body was covered in golden light. Under the sunlight, he was shining brilliantly, as if a true God had descended to the mortal world!

This was a power that Qin Yu had never felt before! It even made it difficult for Qin Yu to control it for a moment!

“So this is a great grandmaster....”Qin Yu clenched his fist and the corners of his mouth curled up into a sneer.

Chapter 236: Chapter 236, you don't believe me?

After feeling the power of a martial grandmaster, Qin Yu looked forward to the future even more.

He couldn't wait to step into the Martial Grandmaster realm!

With his chaotic body constitution, what did Qin Yu have to fear?

After that, Qin Yu restrained his internal Qi and looked no different from an ordinary person.

“With the strength of this ancestor, I must obtain this divine herb.” Qin Yu sneered in his heart.

In the evening.

Yao Qing returned to Bai town from the Jiang family.

He still held many herbs in his hands.

“Mr. Qin, the seven divine sect pills have been swept clean. These are herbs.” Yao Qing handed these few herbs to Qin Yu.

Qin Yu glanced at them. They were all herbs that were more than a hundred years old.

“These people are really rich.” Qin Yu stared at these herbs and couldn't help but mutter softly.

A crazy thought flashed through his mind.

If he were to plunder all the aristocratic families in the world, how many herbs would there be?

Of course, this was just a thought. Qin Yu would not do such a despicable thing.

“Mr. Qin, Jiang Gu said that the divine sect pills will definitely be in short supply. He asked me to ask you, do you still have the Divine sect pills?” Yao Qing said.

Qin Yu said, "As long as you exchange it for herbs, you can have as many as you want."

Yao Qing nodded and said, "I understand."

In the next few days, Qin Yu began to refine the nine revolutions golden pill.

Since the nine revolutions Golden Pill was said to be an earth grade medicinal pill, the refining method was naturally extremely complicated.

If not for the current Qin Yu having the strength of a martial grandmaster, it was likely that the nine revolutions golden pill would not have succeeded.

For three whole days.

Qin Yu sat in his room without leaving the room.

The spiritual fire in his hand was almost exhausted, but the ninth transformation golden core had only taken shape.

Another three days passed.

On this day, dark clouds suddenly appeared in the sky.

The dark clouds blotted out the sky and the Sun. Thunder rumbled, as if it was going to shake the heaven and earth.

"Strange, it's almost winter. How can there be Thunder?" The people of Bai City couldn't help but mutter.

“It seems like the heavens want to take us in. Strange things have been happening more and more these past few years.”

“TSK TSK, this is the result of humans destroying the environment.”

Everyone stared at this strange scene and discussed animatedly. At this moment, Dong Tianhai was also looking up at this strange scene in Yi he winery.

“Master, the sky was clear just a moment ago. Why is it suddenly going to rain?” His disciple frowned and asked.

Dong Tianhai looked at this scene and didn't say a word.

Rumble..

The Thunder in the sky was still brewing, and within the dark clouds, there was actually a hint of auspicious color!

“Could it be... could it be that an earth-rank pill has appeared?” Dong Tianhai suddenly thought of something!

“Earth-rank Pill?” His disciple was even more stunned.

“There's still someone in Bai Town who can refine an earth-rank pill?”

Dong Tianhai didn't say anything. He raised his head and stared at the sky, his eyes filled with fanaticism!

“Could it be... that Qin Yu?” Soon, Qin Yu's figure flashed across Dong Tianhai's mind!

“Master, don’t joke around. How Could Qin Yu have such ability?”The disciple sneered.

Dong Tianhai also felt that it was unlikely.

If Qin Yu really had such ability, the Divine Alchemist Pavilion would have invited him long ago. Why would he hide in a tiny Chuzhou ?

“Rumble!”

Finally, a bolt of lightning descended!

A large hole was directly opened in Qin Yu’s house!

Lightning flashed, thunder rumbled, and Sparks kept on flying.

A terrifying power burst out in front of Qin Yu!

A golden-shimmering pill flew out from the container!

It was as if he had his own spiritual sense, and he actually wanted to escape!

“Want to escape?”Qin Yu raised his eyebrows. He waved his hand, and a tyrannical power directly grabbed the pill in his hand!

The nine revolutions Golden Pill struggled in Qin Yu’s palm for a long time, but it finally slowly calmed down.

Qin Yu opened his palm and saw a pearl-sized pill lying in his palm.

The pill looked dull and dull. It was completely different from the brilliant golden light just now. It looked ordinary.

“This is the nine revolutions Golden Pill?” Even Qin Yu was a little suspicious for a moment.

After such a big commotion, this thing was finally refined?

Qin Yu glanced at the nine revolutions Golden Pill recorded in the inheritance. As expected, it was exactly like this.

“No problem.” Qin Yu put away the nine revolutions Golden Pill.

However, at this moment, he was a little sleepy, so he didn't rush to find Dong Tianhai. Instead, he lay on the bed and fell into a deep sleep.

The next day.

Qin Yu took this nine revolutions golden pill and got up to rush to the Unity Winery.

Inside the winery, Dong Tianhai and a few disciples were preparing to leave for the martial arts association.

“There's only a week left until the divine medicine is born. I believe that many aristocratic families have already come to White City,” Dong Tianhai said in a deep voice.

“Master, we have to go and investigate. This divine medicine must not fall into the hands of others,” the disciple said.

Dong Tianhai nodded slightly. Then, the few of them walked out of the one-way winery.

Just as they walked out of the door, they bumped into Qin Yu.

“Why are you here again?” After seeing Qin Yu, the two disciples looked extremely impatient.

Qin Yu didn't pay attention to them, but looked at Dong Tianhai.

“Mr. Dong, are you going out?” Qin Yu asked politely.

Dong Tianhai nodded slightly and said, “Are you looking for me for something?”

Qin Yu smiled and said, “I'm here to deliver something to you.”

“Deliver something?” Dong Tianhai raised his eyebrows as if he was a little surprised.

Qin Yu didn't say much. He took out the nine revolutions golden pill and handed it to Dong Tianhai.

“Speaking of which, I really can't bear to part with it,” Qin Yu said with a smile.

“But you and I have an agreement in advance. I'll hand this pill to you,” Qin Yu said reluctantly.

Dong Tianhai took the nine revolutions Golden Pill. He placed it under the sunlight and carefully examined it. Then, he frowned and said, “What is this thing?”

Qin Yu was stunned and quickly said, “Nine transformation golden core.”

“Nine transformation golden core?” Dong Tianhai was stunned and then laughed out loud.

“You said this thing is a nine transformation golden core?” His two disciples laughed even louder.

Qin Yu nodded and said, “Yes, why are you laughing?”

His disciple sneered and said, “You still have the nerve to ask? Why? You take a piece of trash and say it is a nine transformation golden core?”

Qin Yu frowned slightly, and a hint of displeasure flashed across his face.

However, he didn't flare up. Instead, he looked at Dong Tianhai.

“Mr. Dong, this is indeed a nine transformation golden pill,” Qin Yu said in a deep voice.

Dong Tianhai stuffed the pill back to Qin Yu.

“Qin Yu, you'd better take it back and eat it yourself,” Dong Tianhai said expressionlessly.

Qin Yu frowned and said, “Mr. Dong, you don't believe me either?”

Dong Tianhai seemed to be a little impatient.

He said with a cold face, “Qin Yu, as someone who has been through this, I have to give you a word of advice.”

“You are not the only smart person in this world.”

“Don’t treat others as fools, especially smart people!”

“Also, using tiger skin as a banner will be exposed sooner or later! Without Real Talent, your road will not be long!”

Chapter 237: Chapter 237, breaking the record

Dong Tianhai’s words had completely shed all pretense of cordiality.

Qin Yu was not a fool. Although he did not know why Dong Tianhai would have such an attitude, Qin Yu could not do such a thing.

Playing with the nine revolutions golden core in his hand, Qin Yu raised his head and looked at Dong Tianhai.

“Mr. Dong, are you sure you don’t want this nine revolutions Golden Core?” Qin Yu asked with a faint smile.

Dong Tianhai shook his head and sneered, “Is it meaningful for you to persist until now?”

“Good, I happen to be a little reluctant to part with it.” Qin Yu didn’t say anything more.

Qin Yu was currently at the bottleneck stage of his realm.

And this nine revolutions golden core might be able to bring a glimmer of opportunity.

Qin Yu put away this nine revolutions golden core and turned around to leave.

“Humph, this kid has completely taken us for fools.”

“Exactly, using a low-quality golden core to deceive us time and time again. What a joke.”

“How can such a person be worthy of the title of King of Chuzhou?”

Dong Tianhai and the others sneered. They despised Qin Yu even more.

Qin Yu quickly returned to Bai Town.

In the villa, the spirit-gathering array was still operating. All the Qi/spiritual energy within a hundred miles was gathering here.

In the vegetable garden, Yao Qing was squatting in front of a stalk of herbs to observe.

On the surface of the herbs, there were layers of misty water droplets.

He tried to lick the water droplets with his tongue, and found that the water droplets actually contained qi/spiritual energy!

Yao Qing was instantly overjoyed. He immediately lay down in the vegetable garden and began to lick them one by one.

“What are you doing?” At this moment, Qin Yu’s voice sounded from behind.

Yao Qing turned around and said with an embarrassed smile, “Mr. Qin, I am absorbing the Qi/spiritual energy in this water droplet.”

Qin Yu rolled his eyes and said, “Your posture is too indecent. Those who don’t know would think that there is a black dog in the vegetable garden.”

Yao Qing did not care. He said with a smile, “Anyway, no one saw it. What’s there to be afraid of?”

Qin Yu did not say anything more. He calculated the time. There was only one week left until the birth of the divine medicine.

“Mr. Qin, what exactly is the use of your nine revolutions Golden Pill?” Yao Qing could not help but ask.

“It is said that the refinement of this nine revolutions golden pill takes a very long time. The minimum is half a year, the maximum is life.” Qin Yu played with the nine revolutions golden pill and muttered softly.

“One week, maybe I can try to complete the first three revolutions.” Qin Yu said to himself.

Yao Qing couldn’t help but ask, “Mr. Qin, what does the first three revolutions mean?”

Qin Yu glanced at him and said with a smile, “The first three revolutions is a process of body refining. In other words, it is the body remodeling.”

“Body remodeling?” Yao Qing didn’t seem to understand.

Qin Yu smiled and said, “In short, you just need to understand that every body remodeling will improve the quality of the body. That’s enough.”

“It is said that the level of body tempering is different for each person. According to the records of the inheritance, the current record is 130 body tempering sessions.”

130 body tempering sessions was the highest record in history.

And the effect of 130 body tempering sessions was unimaginable!

50 body tempering sessions could allow one’s body to reach another realm, and 130 body tempering sessions could make one’s body comparable to steel!

“More than a hundred times to temper the body, how exaggerated is the body?” After listening to the explanation, Yao Qing could not help but exclaim in surprise.

“It’s enough for me to have a hundred times.” Qin Yu said with a smile.

After that, Qin Yu did not say anything more. He looked at Yao Qing and said, “Help me record and see how many times I can reshape it.”

After saying that, Qin Yu found a relatively quiet place and swallowed the nine transformation golden core.

The moment the nine transformation golden core entered his body, Qin Yu's Dantian lit up with rays of light that were like the sun and moon!

This ray of light almost made Qin Yu's entire body extremely transparent!

At a glance, one could even see through his internal organs!

Yao Qing, who was watching this scene from the side, could not help but cover his mouth.

"This... What is this thing?" Yao Qing gulped.

Qin Yu didn't make a sound. He closed his eyes and used the Qi/spiritual energy in his body to guide the Nine Transformation Golden Pill.

The first transformation of the nine transformation golden pill began!

The pill and Qin Yu's Dantian began to combine. This was the first transformation of the nine transformation golden pill!

The second transformation, the pill exploded in Qin Yu's body, enveloping his body, blood, and Bones!

And the third transformation was the most important. That was the official beginning of body tempering!

"Crack!"

The moment the third transformation began, Qin Yu's bones instantly shattered! And cracks began to appear on his body!

The so-called body tempering was a process where the body was destroyed and then rebuilt!

“Crack! Crack!”

Qin Yu’s body continued to shatter and reassemble.

This process was extremely painful. Every body tempering would cause a huge blow to the mind!

At the same time, every time he reconstructed his body, his physical body would receive a huge improvement!

Looking at Qin Yu who was covered in blood, Yao Qing was so scared that his face turned pale. He could not help but take a few steps back!

He even wanted to wake Qin Yu up. After hesitating for a long time, he finally gave up on this idea.

“Kacha Kacha!”

In the blink of an eye, Qin Yu’s physical body was completely reconstructed for the first time!

After the reconstruction, Qin Yu’s body glittered with a faint golden light. It was like layers of gold dust that covered Qin Yu’s bones.

Crack

Soon, the second reconstruction began!

Qin Yu gritted his teeth and endured the pain.

At the same time, he was somewhat nervous.

It was said that the chaotic body was invincible. No one knew how effective the nine transformation golden core could be!

The body shattered and fused again.

In just half an hour, Qin Yu had completed two body tempering sessions!

The third, fourth, fifth...

Time flew, and the full moon hung in the sky.

In five hours, Qin Yu's body had completed ninety-three body tempering sessions!

At this moment, Qin Yu's body had completely entered another realm!

His bones were emitting golden light, and his skin was crystal clear. One could not even see his pores with the naked eye!

Meanwhile, Qin Yu's body tempering was still continuing! He did not have the slightest intention of stopping!

"I've already tempered my body 123 times. Mr. Qin might be able to break the record!" Yao Qing could not help but feel a little excited!

The sky gradually lit up. It had already been 12 hours since Qin Yu swallowed the nine revolutions Golden Core.

At this moment, Qin Yu's body tempering had already reached the 130th time!

"You've broken the record, Mr. Qin, you've broken the record!" Yao Qing couldn't help but shout excitedly!

However, what surprised Yao Qing was that Qin Yu didn't move at all!

His body was already continuously breaking and reassembling!

"Don't tell me... Don't tell me I have to continue?" Yao Qing swallowed his saliva, his eyes filled with shock!

He didn't dare to say anything more and hurriedly sat beside Qin Yu, nervously looking at Qin Yu's body.

The 131st time, the 132nd time, the 133rd time...

At noon, Qin Yu's body had already been reconstructed 260 times, twice the highest record!

Yao Qing was even a little numb, he couldn't see the end of the body tempering.

Chapter 238: Chapter 238, 531 body tempering sessions!

Yao Qing did not know when the body tempering session would end.

In the blink of an eye, it was already night time.

And at this time, Qin Yu had already tempered his body 531 times!
It had exceeded the highest record by more than 400 times!

“Isn’t it over yet...” Yao Qing looked at Qin Yu in a daze.

As the 532nd time came, all the bones in Qin Yu’s body turned white!

And his skin was faintly flashing with a golden light!

This light was brewing on Qin Yu’s body, like a bomb that was about to explode!

“Boom!”

Finally, after the 533rd time of body tempering, the light on Qin Yu’s body split open!

A heaven-shaking power burst out, and the terrifying aura directly shook Yao Qing, who was sitting on the ground, into the air!

Qin Yu’s body had already reached an incredible state!

Qin Yu slowly opened his eyes and looked around, his eyes filled with doubt.

Yao Qing hurriedly got up from the ground and arrived in front of Qin Yu in a few steps.

He stared at Qin Yu and said excitedly, “Mr. Qin, do you know how many times you have tempered your body?”

Qin Yu looked at his own body and guessed in a low voice, “A hundred times?”

Yao Qing hurriedly shook his head and said, “Far more than a hundred times!”

Far more than a hundred times?

Could it be that he was close to the highest record?

Or... he broke the highest record?

“150 times?” Qin Yu asked tentatively.

Yao Qing could no longer hold it in and shouted, “A total of 531 times! This is too unbelievable!”

“What?!” Qin Yu was stunned and could not help but be shocked!

More than 500 times of body tempering? How was this possible?

“You... Are You speaking the truth?” Qin Yu said in a deep voice.

Yao Qing hurriedly nodded and said, “Absolutely true! Mr. Qin, you are really a genius!”

This time, even Qin Yu’s face showed a fanatical look!

He looked at Yao Qing and said, “Yao Qing, use your full strength and attack me.”

“Ah?” Yao Qing was stunned.

“I want to test the strength of my physical body,”Qin Yu said in a deep voice.

Hearing this, Yao Qing hurriedly nodded his head.

He urged his inner strength and used all his strength to ruthlessly punch at Qin Yu!

“Clang!”

Yao Qing’s hand bones were shattered and his body was sent flying!

Qin Yu stood there without moving, not even leaving a white spot!

Qin Yu frowned. He turned around and returned to his room. A moment later, Qin Yu came out with a bronze sword.

Qin Yu threw the bronze sword in front of Yao Qing and said slowly, “Try it with this.”

Yao Qing nodded and picked up the bronze sword. Then, he took a deep breath and swung it at Qin Yu with all his strength!

“Clang!”

There was another crisp sound!

Yao Qing’s thumb and forefinger were shaken until they were bleeding. The bronze sword in his hand also fell to the ground unconsciously!

On the other hand, Qin Yu’s body was still not injured in the slightest!

With such hardness, even Qin Yu sucked in a breath of cold air!

“This is too exaggerated...” Yao Qing couldn’t care less about the pain in his wrist as he stared blankly at Qin Yu.

Qin Yu was faintly excited.

With this body and his martial grandmaster realm, Qin Yu was determined to obtain the divine medicine!

“Fortunately, Dong Tianhai doesn’t know what’s good for him.” The corners of Qin Yu’s mouth curled into a sneer.

Comparatively speaking, the value of this nine transformation golden core far exceeded the value of five hundred years worth of herbs!

...

Time flew by.

In the blink of an eye, five days had passed.

There were only two days left until the divine medicine was released.

And on this day, the big families of the Jiangbei region all came to White City.

The already prosperous white city was even more crowded these few days.

Even the local economy was rapidly boosted, and the prices of hotels rose day by day.

The Jiang family.

A tea set was placed in front of Jiang Gu. He stood up personally and poured water for the people in front of him.

“Jiang Gu, I heard that you lost to a thirty-year-old young man?” An old man in front of him said indifferently.

This old man’s name was Chen Meng, and he was the famous patriarch of the Chen family in the Jiang Bei region. His strength had even reached a terrifying third grade martial grandmaster!

Jiang Gu said politely, “I did lose to Qin Yu, and I was completely convinced.”

“Hehe, did I lose to Qin Yu, or did I lose to the family behind Qin Yu?” Another old man beside him said with a faint smile.

This person’s name was Zhang Hua, and he also had an extremely high position in the Jiang Bei region.

Jiang Gu said with a bitter smile, “You two must be joking. I am indeed not a match for Qin Yu.”

“Chuzhou has always been a place where martial strength is weak. However, we would never have thought that such a huge Chuzhou would allow a junior to dominate. What a joke.” Chen Meng said with a cold smile.

Jiang Gu remained silent.

Although the Jiang family was one of the top families in Chuzhou, in the entire Jiang Bei region, the Jiang family was nothing.

“Let’s get down to business. Jiang Gu, Why did you call us here?”Chen Meng said seriously.

Jiang Gu was silent for a moment, then said, “I think the two of you are here for the divine medicine. There are definitely many people who are coveting the Divine Medicine, and there are even top experts among them.”

“So?”Zhang Hua raised her eyebrows.

Jiang Gu quickly cupped his hands and said, “There are too many strong enemies. Maybe we should huddle together to keep warm.”

“Huddle together to keep warm?”Hearing this, Zhang Hua and Chen Meng laughed at the same time.

“No Way, Jiang Gu. Even you want to covet this Divine Herb?”Zhang Hua Snickered.

Chen Meng, who was at the side, sneered, “You’re just a newly advanced martial grandmaster. What right do you have to snatch this divine herb?”

Faced with the ridicule of the two people, Jiang Gu dared to be angry but did not dare to say anything.

He braced himself and said, “With my Jiang family’s ability, I naturally don’t have the right to cooperate with you two. However, we’re old friends after all... and I’ve helped the two of you before...”

Hearing these words, Chen Meng’s expression immediately turned cold.

Zhang Hua, who was at the side, narrowed his eyes and said, “Jiang Gu, you are so old. Have you lived to the point of being a dog? If you bring up old favors again, it will become hatred. Don’t you understand this logic?”

“Old friends? In the face of benefits, how can there be any friendship?”

Jiang Gu’s expression slightly changed.

He had guessed that these two people might reject him, but he didn’t expect that they would reject him so directly.

“Jiang Gu, we can give you a chance.” At this time, Zhang Hua changed the topic and said indifferently.

Jiang Gu hurriedly bowed and said, “Thank you, Mr. Zhang!”

“Don’t be in a hurry to thank me.” Zhang Hua said indifferently.

“We are not cooperating with you, but with the king of Chuzhou, Qin Yu.”

“Since you lost to Qin Yu, Qin Yu’s ability must be above yours.”

Chen Meng nodded slightly and said, “That’s right. If that Qin Yu is really capable, we are naturally willing to cooperate with him.”

Jiang Gu was immediately overjoyed. He quickly stood up and said, “Okay, please wait a moment.. I will call Mr. Qin Right Now!”

Chapter 239: Chapter 239, did I ask you to leave?

“There’s no need.” The two of them waved their hands.

“Since we’re going to White City anyway, we might as well go look for him directly,” Zhang Hua said.

Jiang gu smiled and said, “That’s even better. I’ll go arrange a carriage right away!”

The appearance of the divine medicine this time would affect countless clans.

No one knew if there would be other great clans joining in besides the Jiangbei region.

Moreover, the Jiangbei region alone had countless powerful enemies.

It was naturally best to work with an expert.

Qin Yu’s reputation as the king of the Chu region had long spread. Many families in the Jiangbei region were filled with interest towards this Qin Yu who had suddenly appeared.

At this moment, Qin Yu was standing in the vegetable garden, observing this batch of herbs.

“Almost all of the Qi/spiritual energy in the spirit gathering array has been absorbed by these herbs,” Qin Yu said in a low voice.

Fortunately, these herbs were growing vigorously, and their effects could be maximized in the shortest time possible. It was not a loss.

At this moment, Jiang Gu's car stopped at the door.

Then, Jiang Gu walked in with Zhang Hua and Chen Meng.

“Martial Grandmaster?” Qin Yu unconsciously sized up the two people and narrowed his eyes.

“Mr. Qin!” Jiang Gu walked quickly to Qin Yu.

Then, Jiang Gu explained, “This is the head of the Chen family in the Jiangbei region, Chen Meng. This is Zhang Hua from the Zhang family.”

Qin Yu nodded to them and said politely, “Greetings, seniors.”

Chen Meng sized up Qin Yu's bright eyes and said, “You are the Qin Yu who beat Jiang Gu?”

Qin Yu smiled and said, “That's all because of luck.”

Zhang Hua and Chen Meng looked at each other, and their eyes couldn't help but be filled with suspicion.

This Qin Yu looked ordinary, and his aura was calm. He didn't look like an expert at all. However, he didn't seem to have any internal Qi.

“The two of you can take a seat in the room,” Qin Yu said politely.

Then, he turned around and returned to the room, making a pot of tea for them.

After sitting down, Jiang Gu said anxiously, “Mr. Qin, these two are mighty figures of the Jiang Bei region. With the appearance of the

divine medicine this time, if we can cooperate with them, we might be able to get a share.”

Get a share ?

Qin Yu couldn't help but want to laugh.

Half a month ago, Qin Yu really only wanted to drink some soup.

But with Qin Yu's current strength, he had long changed his mind!

Although he thought so in his heart, Qin Yu still said politely on the surface, “To be able to work with the two of you, it's my honor.”

Zhang Hua glanced at Qin Yu and said somewhat proudly, “It's said that there are no talents in Chuzhou. Seeing you today, you really live up to your reputation.”

“Hehe, my disciple can probably become the king of Chuzhou.”

“TSK TSK, so the famous king of Chuzhou is just an ordinary junior.”

Although Qin Yu was displeased, he still said politely, “It's just the name of others.”

At this time, Chen Meng said, “Speaking of which, I really want to know what level you are at to be called the king of Chuzhou.”

Qin Yu thought for a moment and said, “According to the division of martial arts, I should be... an inner strength master now.”

Hearing this, Chen Meng immediately spat out a mouthful of water!

Zhang Hua frowned even more tightly.

“Are you kidding? An inner strength master?” Chen Meng said with a doubtful look.

Qin Yu nodded and said, “Yes, to be precise, it’s an inner strength master of the sixth rank.”

“An inner strength master is not even qualified to carry our shoes. So this king of Chuzhou is just a joke!” Zhang Hua snorted.

Chen Meng also sneered and said, “An inner strength master is qualified to cooperate with us? It’s simply a pipe dream!”

Qin Yu scratched his head and said, “It seems that you came to find me, right?”

Jiang Gu hurriedly explained, “Mr. Qin is not an ordinary inner strength master. His strength is beyond imagination. Even a martial grandmaster might not be his match!”

“Hahahaha!” Zhang Hua and Chen Meng burst into laughter at the same time!

“Jiang Gu, you really don’t know how to brag! Even if an inner strength master is not ordinary, he is only a Master!”

“You are just a bottom-level person, yet you dare to try to cooperate with us? Jiang Gu, I think you are just playing with us!”

A flash of anxiety flashed across Jiang Gu’s face.

He said with a somewhat humble tone, “What I said is true! Please think twice, take it as giving me face...”

“And Mr. Qin’s potential is absolutely beyond imagination! If he can get this divine medicine, he will definitely...”

“Jiang Gu, you don’t have to be so humble.”At this moment, Qin Yu interrupted Jiang Gu.

He took a sip of tea and said indifferently, “To tell you the truth, I don’t really want to cooperate with you. You look down on me, and I also look down on you.”

Hearing Qin Yu’s words, Jiang Gu’s face suddenly changed!

It must be known that when Qin Yu faced Jiang Gu, it was already very difficult for him to win!

And Zhang Hua and Chen Meng’s strength was far above Jiang Gu’s!

“You don’t have much ability, but you talk big.”

“Jiang Gu, did you hear that? It’s him who doesn’t want to cooperate with us,”Zhang Hua said with some displeasure.

Chen Meng said with a strange tone, “Sigh, I originally wanted to bring you along, but I didn’t expect you to be so arrogant. TSK TSK, then don’t blame us.”

Jiang Gu wanted to say something, but Qin Yu had already stood up and said politely, “If there’s nothing else, the two of you can leave now.”

Zhang Hua and Chen Meng were obviously very unhappy with Qin Yu's attitude.

"Young people, when you speak and do things, you have to know your limits. Otherwise, it's easy to get burned." Zhang Hua said with a hint of warning.

Qin Yu couldn't help but laugh, "I'm already polite enough to you. If it weren't for Jiang Gu's face, I would have kicked you out long ago."

"What big words! I'd like to see what you're capable of as an inner strength master!" Chen Meng suddenly flew into a rage. He waved his hand, and a sharp qi force came straight for his face!

This Chen Meng's methods were extremely vicious. He raised his hand and came straight for his life!

Qin Yu couldn't help but feel a chill on his face.

They had formed an enmity just like that?

Both sides had only failed to come to an agreement, and this Chen Meng wanted to take someone's life?

This was simply unreasonable!

Just as Qin Yu was about to make a move, Jiang Gu hurriedly took a step forward and raised his hand to welcome him.

"Boom!"

With a loud bang, a terrifying qi force spread out in all directions with Jiang Gu as the center!

The entire room instantly collapsed, and Yao Qing was even more shaken by this Qi force until he couldn't stop vomiting blood!

Jiang Gu's body took a few steps back in succession, and he fiercely crashed into the wall!

Cracks appeared on the wall, and Jiang Gu spat out a mouthful of blood!

Qin Yu's face turned even colder, and a strong killing intent filled his entire body!

Just as Zhang Hua condensed his Qi again, Jiang Gu hurriedly took a step forward and cupped his hands, saying, "For the sake of our old friendship, please stop..."

Zhang Hua frowned slightly.

He withdrew the Qi from his body and snorted lightly, "Fine, I'll give you face and spare his life! Jiang Gu, from now on, we don't owe each other anything."

"Thank you, Mr. Zhang..." Jiang Gu endured the pain and cupped his hands, saying.

Zhang Hua snorted coldly and turned around to leave.

"Did I let you go?"

At this moment, Qin Yu shouted coldly.

"You injured my people and destroyed my house.. Do you want to leave just like that?" Qin Yu said coldly.

Chapter 240: Chapter 240, the appeal of the divine medicine

Zhang Hua and Chen Meng instantly stopped in their tracks.

Both of their faces were filled with anger.

Zhang Hua, in particular, had an intense killing intent lingering around his body. His terrifying internal Qi caused the surrounding gravel to fly wildly!

On the other hand, Qin Yu stood there without moving an inch, as if he was not affected at all.

“Then what do you want?” Zhang Hua narrowed his eyes as he asked.

Qin Yu sneered, “It’s very simple. Let me first calculate your ribs and then compensate my house. This matter will end here.”

“Hahahaha!” Zhang Hua immediately burst into laughter.

“You really don’t know what’s good for you!” Then, Zhang Hua roared angrily!

This roar contained his terrifying inner strength, and a terrifying aura rushed toward Qin Yu!

Using sound as a carrier to release inner strength, this strength was indeed extraordinary!

However, Qin Yu did not move at all, allowing this inner strength to land on his body.

“Clang!”

After a crisp sound, Qin Yu’s body was not affected in the slightest.

That inner strength instantly dissipated, disappearing without a trace.

“You have some ability.”Zhang Hua’s eyes narrowed slightly.

Jiang Gu, who was at the side, couldn’t wait any longer. He anxiously walked forward, cupped his hands and said, “I apologize to you on behalf of Mr. Qin. Please let it Go!”

“Jiang Gu, I have already given you face. This kid is courting death!”Zhang Hua said coldly.

Just when the situation was in a deadlock, Chen Meng suddenly walked forward and said with a faint smile, “Mr. Qin, we have disturbed you today. Please forgive us.”

“You and I are doing this out of respect for Jiang Gu. Even if we can’t work together, it won’t end up like this,”Chen Meng said with a smile.

When he said this, everyone was stunned.

Zhang hua frowned and said, “Patriarch Chen, what do you mean?”

Chen Meng berated, “Mr. Zhang, it was our fault in the first place! Alright, stop fooling around and leave quickly!”

Although Zhang Hua did not understand the situation, he still nodded silently.

“Kid, you better be careful.” Before leaving, Zhang Hua coldly said.

“The same goes for you.” Qin Yu said lightly.

After walking out of Qin Yu’s house, Zhang Hua said in confusion, “Why are you stopping me? That Kid is so arrogant, he should let me slap him to death!”

Chen Meng glanced at Zhang Hua and snorted, “As you can see, this Qin Yu is only an inner strength master. How can he defeat Jiang Gu?”

Zhang Hua frowned and asked in confusion, “What do you mean?”

“Rotten wood can not be carved.” Chen Meng felt a headache.

“Jiang Gu’s strength is far above Qin Yu’s, but he is willing to bow down to Qin Yu. What does this mean?” Chen Meng said with a cold face.

Zhang Hua thought for a moment, then said in surprise, “You mean... Jiang Gu is afraid of the force behind Qin Yu?”

“Not only afraid, I’m afraid he is scared out of his wits,” Chen Meng said indifferently.

“Do you think you can safely leave Chuzhou after killing Qin Yu Here?” Chen Meng said with raised eyebrows.

Zhang Hua understood.

He wiped the sweat on his forehead and couldn’t help but feel a little scared.

In this world, no one dared to say that they were standing at a fixed point.

Zhang Hua had a certain amount of weight in the Jiang bei region, but in the entire country, there were many people who were stronger than him.

“Are we just going to endure it like this? I’m not resigned!” Zhang Hua said through gritted teeth.

Chen Meng smiled faintly and said, “Of course we can’t just endure it like this.”

Zhang Hua hurriedly looked at Chen Meng and waited for him to continue.

Chen Meng said with a sinister face, “This time, the divine medicine will be born. This Qin Yu will definitely not miss it! And after the Divine Medicine is born, it will definitely attract competition. When that time comes, we will kill him. Who will know that it was us who did it?”

“No matter how strong the family behind him is, it will be impossible to trace it back to us!”

“A person like Qin Yu, who knows how many enemies he has!”

Zhang Hua suddenly came to a realization.

He gave Chen Meng a thumbs up and said, “Old Chen, you’re really smart! When the time comes, I’ll see how arrogant this Qin Yu is!”

Chen Meng had other plans.

As long as he killed Qin Yu, Chuzhou would be leaderless. At that time, the number one person in Chuzhou would definitely be Jiang Gu.

And with Jiang Gu's strength, he would definitely not be able to resist the Chen family!

At that time, the Chen family would enter Chuzhou on a large scale and seize the market!

“What an unexpected gain.” The corners of Chen Meng's mouth curled up into a sneer.

...

Looking at the ruined villa, Qin Yu could not help but feel a little heartache.

“If you want to make a move, then make a move. Why did you break my house...” Qin Yu rubbed his head and muttered softly.

Jiang Gu, who was at the side, could not help but not know whether to laugh or cry.

He said anxiously, “Mr. Qin, that Chen Meng and Zhang Hua's strength is far above mine! And with their personalities, they will never give up!”

“Well, then?” Qin Yu looked around with a distressed heart and asked casually.

Jiang Gu hurriedly said, “When the divine medicine is born, if they attack you, even the Yan family won't be able to find evidence!”

“Continue.”Qin Yu didn’t care at all. He even walked to the table and drank tea.

Jiang gu gritted his teeth and said, “Mr. Qin, if we really can’t do it, let’s give up the divine medicine...”

“Give up?”Qin Yu raised his eyebrows. “Why should we give up?”

Jiang gu hurriedly said, “There’s always hope! With your talent and potential, there’s no need to take such a risk!”

Qin Yu sneered.

“They can’t kill me.”Qin Yu smirked.

“Besides... I’m a vengeful person. Even if they don’t look for me, I’ll still look for them,”Qin Yu said while sipping his tea.

Jiang Gu opened his mouth, not knowing what to say.

Jiang Gu had fought with Qin Yu before, so he knew Qin Yu’s strength very well.

Although he did lose to Qin Yu, Qin Yu didn’t win easily either. He even borrowed a formation.

In Jiang Gu’s opinion, with Qin Yu’s strength, it was absolutely impossible for him to defeat either Chen Meng or Zhang Hua.

“Mr. Qin...”Jiang Gu opened his mouth and wanted to say something, but was interrupted by Qin Yu’s wave of his hand.

“Get Ready. We’ll set off together the day after tomorrow.”Qin Yu waved his hand.

Seeing how Stubborn Qin Yu was, Jiang Gu couldn’t continue to persuade him. He could only nod and agree.

The next day.

More and more people came to White City from all over the north of the river.

Even some families that were further away had received the news and rushed to White City.

This was the appeal of a divine herb!

Yihe Winery.

“Master, the news has spread. Many big families have come to White City.”Dong Tianhai’s disciples sighed.

Dong Tianhai nodded slightly and said, “After all, it’s the appearance of a thousand-year-old divine medicine. Other than those top families, I’m afraid no one can resist the temptation of a thousand-year-old divine medicine.”

“Master, are those trash from the martial arts association useful? In this way, grandmasters are not worth mentioning.”His disciple frowned.

Dong Tianhai smiled and shook his head, “The martial arts association has other uses.. Don’t worry, everything is under my control.”

Chapter 241: Chapter 241: Endless Trouble

For Dong Tianhai, the Martial Arts Association's greatest use was that it had a certain official nature.

In other words, the martial arts association had a certain amount of face among the major families. No one was willing to shed all pretense of cordiality with them.

Of course, the top aristocratic families in Jingdu were excluded.

Time flew by.

Soon, the day of the birth of the divine medicine arrived.

On this day, auspicious clouds floated in the sky of White City.

The auspicious clouds were a faint purple color. Although the light was not strong, it was still visible to the naked eye.

Such a scene naturally attracted countless gazes.

Whether it was the ordinary people or the warriors who coveted the divine medicine, they all raised their heads to look at the sky.

“This is a great omen!”

“God bless Bai Cheng!”

“I will definitely make a fortune this year!”

Many people knelt on the ground and kowtowed to the sky three times in an extremely respectful manner.

The Warriors were even more excited!

This was the omen of the birth of the divine medicine!

“It is said that a thousand-year-old divine medicine can trigger a certain heaven and earth phenomenon. Seeing it today, it is as expected,” some warriors murmured.

They didn't dare to waste time and immediately ran in the direction where the Divine Medicine was born.

The place where the Divine Medicine was born was in a deep mountain.

Usually, there were few people here, but the trees grew luxuriously.

Under the nourishment of the divine medicine, all kinds of fierce beasts also moved around here.

But today, the area near this deep mountain was full of luxury cars.

The license plates came from different provinces and cities. As far as the eye could see, there were at least close to a hundred people waiting again.

“Yao Qing, remember to look after those herbs for me.” Before Qin Yu left, he reminded Yao Qing in all sorts of ways.

Yao Qing was a little impatient. He waved his hand and said, “Alright, Alright, I got it. Hurry up and go.”

Jiang Gu, who was at the side, was a little worried.

After hesitating for a while, he finally advised, “Mr. Qin, are you really going? Although the value of the divine medicine is high, life is more important...”

Qin Yu glanced at Jiang Gu and said with a faint smile, “If you’re afraid, you don’t have to go.”

Jiang Gu said with a bitter smile, “I’m not afraid. I... Sigh, forget it.”

Seeing how Stubborn Qin Yu was, Jiang Gu didn’t say anything else.

The car sped along and soon arrived at the entrance of this deep mountain.

Looking at the people all over the mountain, Qin Yu couldn’t help but sigh and say, “As expected of a thousand-year-old divine medicine. Normally, I can’t even see a martial artist, but today, it’s like a spring bamboo shoot after a rain. All of them have appeared.”

After saying this, Qin Yu took a deep breath.

“Even the air is fragrant and sweet. As expected of a divine medicine.” Qin Yu had a look of enjoyment.

Jiang Gu didn’t have Qin Yu’s leisurely mood. He immediately released his divine sense and looked around.

Soon, Jiang Gu’s face darkened.

Because he discovered that among these people, there were at least ten or so martial grandmasters, and there were countless martial grandmasters!

The strongest among them had even reached the realm of a fourth grade martial grandmaster!

“I’m afraid we’ll be in trouble today. Mr. Qin, we’d better keep a low profile,”Jiang Gu reminded softly from the side.

“Oh? The King of Chuzhou, Qin Yu, is here too?”As soon as Jiang Gu finished speaking, someone shouted from not far away.

This shout immediately attracted countless gazes.

Almost everyone turned to look in the direction of Qin Yu.

Qin Yu couldn’t help but have a headache.

This title really brought him a lot of trouble.

This didn’t conform to Qin Yu’s low-key personality.

“He is the king of Chuzhou? It’s rare to see someone called king at such a young age.”

“Yeah, I heard that ye Qing also had this title back then.”

“Haha, comparing him to Ye Qing is a bit too much. Ye Qing is a genius that doesn’t appear for a hundred years.”

Qin Yu did not want to reveal his strength too quickly. Otherwise, he would attract unnecessary trouble.

Therefore, Qin Yu deliberately restrained his aura. At a glance, he was no different from an ordinary internal Qi master.

At this moment, a few young men walked toward Qin Yu.

They were not old, and looked to be in their twenties.

Three of them were men, and one was a woman.

The men all had extraordinary postures, and the woman was even more enchanting. She had the potential to topple cities.

“That woman is Fang Yue, who is known as the number one beauty in the Jiang Bei Region?”

“It’s said that no man can resist Fang Yue’s charm. Seeing her today, she really lives up to her reputation!”

“TSK tsk, this figure really makes people unable to control themselves.”

Everyone looked at the woman and swallowed their saliva.

“The four great geniuses of the Jiang Bei Region? They actually came as well?” Upon seeing these four people, Jiang Gu frowned slightly.

“Oh? The four great geniuses of the Jiang Bei Region?” Qin Yu was quite interested in this title.

Jiang gu nodded and said, “These four people are the most talented martial artists in the Jiang Bei region in recent years. The capital family behind them can not be underestimated.”

Then, Jiang Gu pointed at the young man leading the group and said, “This person is called Jing Lu. He stepped into the Martial Grandmaster realm three years ago.”

After saying that, Jiang Gu pointed at the enchanting woman and said, “Among the four of them, this woman named Fang Yue is the most dangerous. It is said that she doesn’t have any background, but her strength is beyond imagination.”

Qin Yu silently nodded and subconsciously sized up Fang Yue.

It had to be said that Fang Yue’s appearance was indeed quite attractive. Her front was protruding and her back was curvy. The parts that should have flesh were extremely plump, and the parts that should be thin didn’t have a trace of fat.

What surprised Qin Yu the most was that this Fang Yue’s body had a natural charm that made it difficult for people to resist.

“Strange.” Qin Yu touched his chin.

“This Fang Yue’s internal Qi... is a little strange.”

At this moment, a few people had already arrived in front of Qin Yu.

“You are Qin Yu?” Jing Lu was the first to speak.

Qin Yu nodded slightly as a form of greeting.

“King of Chuzhou, what a big name! I just don’t know if you have the real ability!” An extremely strong young man beside Jing Lu snorted coldly.

“Since you are called King of Chuzhou, you must be quite powerful. Compared to Brother Qin, the four of us geniuses’ names instantly dimmed,”Jing Lu said indifferently.

“Hehe, is that so? I, Duan Shi, really want to experience it!”The Brawny man rubbed his fist and said coldly.

The moment they met, they were already at daggers drawn. This couldn’t help but give Jiang Gu a headache.

Qin Yu, on the other hand, looked calm, as if he had already expected this.

“Sigh, Brother Qin, don’t be angry. Duan Shi is called a genius of the present age, but he didn’t even receive the title of King. It’s only natural that he feels indignant in his heart. However, I guess... Brother Qin’s strength is definitely above the four of us,”Jing Lu said, pretending to be regretful.

Jing Lu’s words seemed to be trying to mediate the fight, but in fact, he was deliberately stirring up the conflict between the two of them.

In other words, Jing Lu wanted to use Duan Shi’s hand to test Qin Yu.

As expected, as soon as these words came out, Duan Shi became even more unconvinced.

He clenched his fist and said, “Qin Yu, do you dare to Spar with me? Don’t worry, I Won’t Hurt You!”

Qin Yu was silent for a moment and didn’t speak for a long time.

“Brother Duan, Qin Yu is the king of Chuzhou after all, how can he casually attack?”Jing Lu saw that Qin Yu didn’t speak, so he continued to add fuel to the fire.

Hearing this, Duan Shi couldn’t hold it in anymore.

He rubbed his fist and said, “The king of Chuzhou, right? I want to see how powerful you are as the king of Chuzhou!”

After saying that, Duan Shi roared angrily and strode forward. His fist that was like a casserole came straight at Qin Yu!

Chapter 242: Chapter 242: I’ ll kill all of you later

Duan Shi’s body was extremely large, and his fists were incomparably fierce!

The sharp wind was like numerous sharp blades, cutting into one’s skin until it hurt!

Faced with such a powerful attack, Qin Yu did not dodge, raising his hand to meet it head-on!

“Clang!”A loud sound rang out!

After the two fists collided, a shocking scene appeared!

Qin Yu’s entire body was like a kite with a broken string, instantly flying out!

And his mouth spat out a mouthful of blood! In an instant, he became extremely weak!

“Mr. Qin!” Seeing this, Jiang Gu hurriedly ran over!

He supported Qin Yu and said anxiously, “Mr. Qin, Are You Alright?”

Qin Yu’s face didn’t have the slightest bit of panic, and there was even a smile that was difficult to notice.

“What? This is the king of Chuzhou? He really makes people laugh their teeth out,” Duan Shi sneered.

Jing Lu shook his head.

It seemed that this king of Chuzhou was some kind of expert.

The king of Chuzhou couldn’t even take a normal punch from Duan Shi!

Weak, too weak!

At this moment, the surrounding spectators couldn’t help but be speechless.

They didn’t Expect Qin Yu to be defeated so miserably!

“Master, this Qin Yu is indeed a good-for-nothing. He can’t even withstand a punch from Duan Shi.” Not far away, Dong Tianhai’s disciple sneered.

Dong Tianhai nodded slightly and said, “There’s no choice. In this era, the status of martial artists is not high. In front of capital, they are nothing.”

The power of capital was far from what the so-called martial artists could compare with.

Other than Dong Tianhai, Chen Meng and Zhang Hua also saw this scene.

“Ha, this is the different master that Jiang Gu kept saying?” Zhang Hua sneered.

“A piece of trash like him, I can crush him to death with one finger!”

In the face of everyone’s sighs, Qin Yu didn’t say a word.

He stood up and wiped the blood from the corner of his mouth, and the smile on the corner of his mouth thickened.

With Qin Yu’s current strength, Duan Shi’s punch was not even worth mentioning!

And the reason why Qin Yu was sent flying was because he had done it on purpose.

Qin Yu had many enemies in the dark, and there were countless people who wanted to step on Qin Yu.

If he revealed his strength too early, he would very likely become the target of public criticism.

“Mr. Qin, Are You Alright?” Jiang Gu said somewhat anxiously.

Qin Yu glanced at him and said with a smile, "I'm fine."

At this moment, Fang Yue suddenly walked over with graceful steps.

Her voice was sweet and pleasant. She whispered in Qin Yu's ear, "Brother Qin, are you okay?"

Qin Yu said politely, "Miss Fang, I'm fine. I'm just a little weak from the injury."

Fang Yue covered her mouth and smiled. She suddenly raised her hand and placed it on Qin Yu's chest.

Waves of warm energy surged into Qin Yu's body.

After feeling this warmth, Qin Yu's expression suddenly changed!

This feeling was too familiar to Qin Yu!

What Fang Yue released was precisely the Qi/spiritual energy that Qin Yu relied on!

"As expected, I'm not the only immortal cultivator in the world," Qin Yu said with narrowed eyes.

"Of course," Fang Yue said with a faint smile.

Qin Yu's expression changed again!

This Fang Yue... ? She could actually hear his inner thoughts? How did she do it?

“Brother Qin, don’t worry. This is the power of spiritual sense. In the secular world, it’s called spiritual power,”Fang Yue took the initiative to reply again.

This made Qin Yu feel a little uneasy.

If that was the case, Fang Yue would probably easily see through him!

“Thank you, Miss Fang, for treating my injuries. I’ve already recovered.”Thinking of this, Qin Yu immediately wanted to stay far away from Fang Yue.

However, things did not go as he wished. Not only did Fang Yue not leave, she smiled and said, “Brother Qin, why don’t We Travel Together?”

Travel together?

Qin Yu’s expression gradually darkened.

He looked coldly at Fang Yue, a hint of vigilance flashed in his eyes.

“Brother Qin, there’s no need to worry,”Fang Yue said with a faint smile.

“I just feel that brother Qin is not as simple as he looks,”Fang Yue said faintly.

Qin Yu frowned slightly.

After thinking for a moment, he said, “As you wish.”

Since Fang Yue had already determined that he was not ordinary, there was no need to argue with her.

Fang Yue covered her mouth and laughed softly, not saying anything more.

From time to time, loud booms came from deep in the mountains.

This was the sign before the birth of the divine medicine.

“It is said that after the birth of the divine medicine, it will trigger the phenomena of heaven and earth, and even form an isolation with the surrounding world. I don’t know if it is true or false,”Jiang Gu said in a deep voice.

Fang Yue nodded slightly and said, “That’s right. Under the irrigation of the Sun and Moon for a thousand years, the divine medicine has long developed a spiritual sense. When it is born, it will think of ways to protect itself.”

“So Powerful?”Qin Yu was a little surprised.

Fang Yue glanced at Qin Yu and said, “Brother Qin, didn’t you hear the old man mention it when you were young? The wild people on the mountain participated in the meeting and escaped on their own.”

“There is indeed such a legend, but no one has ever seen it,”Jiang Gu said.

Qin Yu scratched his head. He really didn’t know anything about this.

Qin Yu, who had no parents since he was young, had never heard any old man talk nonsense.

“When that time comes, Brother Qin, you have to think of a way to protect yourself. According to my observation, there are many people who want to kill you here,” Fang Yue suddenly reminded him.

“There are many people?” Qin Yu frowned slightly.

He looked around and found that he didn't have many enemies. There were only a few of them.

“Once a person stands at a high place, it's easy to attract hatred. Especially after you were sent flying by Duan Shi's punch, there will naturally be people who want to step on you to get to the top,” Fang Yue said.

Qin Yu suddenly came to a realization.

So that was the case.

However, he was not worried. Instead, he was faintly looking forward to it.

As long as he stepped into this isolated area, it was not certain who would kill who.

Time flew by, and the time for the divine medicine to be born was getting closer and closer.

The booming sounds between heaven and earth also became more frequent.

Many people were looking at the entrance of the Deep Mountain, preparing to enter.

Qin Yu was no exception. He took a step forward and stood near the deep mountain.

“Qin Yu, you really dare to come.”Zhang Hua glanced at Qin Yu coldly and said.

Qin Yu smiled faintly and said, “Why don’t I dare to come?”

Zhang Hua narrowed his eyes and said, “You are the bravest person I have ever seen. Let me tell you the truth. As long as you step into this deep forest, I will definitely kill you with my own hands!”

“That depends on whether you have the ability or not.”Qin Yu said faintly.

Zhang Hua laughed and said, “How dare a mere inner strength master say such arrogant words! I will kill you like stepping on an ant!”

“Really? Then I will wait and see.”Qin Yu sneered.

As he spoke, Qin Yu looked around.

As expected, he found that many pairs of eyes in the dark were staring at him.

“I will kill all of you later.”Qin Yu said coldly in his heart.

Just when everyone was nervous, a series of explosions suddenly came from the sky!

This series of explosions quickly attracted countless gazes!

A helicopter steadily stopped in front of everyone!

The huge propeller set off a series of hurricanes.

The Hurricanes swept up the dust, temporarily obscuring their vision.

Compared to this helicopter, the luxury cars at the scene paled in comparison.

Chapter 243: Chapter 243. None of your business. None of my business

Such a grand scene immediately attracted countless gazes.

Everyone stopped in their tracks and turned their heads to look.

Even Qin Yu was no exception.

A young man stepped out of the helicopter.

The young man had an extraordinary appearance and a graceful bearing.

Behind him were two old men.

Qin Yu narrowed his eyes and unconsciously glanced at the young man.

“Inner Strength Master?”

This surprised Qin Yu greatly.

Inner Strength Master Dared to Covet This Divine Medicine? Wasn't he afraid of dying here?

Could it be that he was not an ordinary inner strength master like himself?

"Han family's side branch, Han Yilong." At this moment, Fang Yue suddenly said.

"The Han Family?" Qin Yu's pupils suddenly constricted!

He hurriedly looked at Fang Yue beside him and said, "Is it the Han family from Jingdu?"

Fang Yue said with some surprise, "Brother Qin, do you know the Han family from Jingdu?"

Qin Yu nodded slightly and said, "Yes, I've heard of it a little."

Fang Yue smiled and said, "It is indeed the Han family from Jingdu, but the Han family is big and has more than ten side branches. Han Yilong is one of them."

"I see." Qin Yu nodded slightly.

"Miss Fang, what about Han Wei?" Qin Yu continued to ask.

Fang Yue said in surprise, "Han Wei? He is the eldest young master of the Han family! His status is not something that this Han Yilong can compare to!"

“If we really count, Han Wei can be considered Han Yilong’s cousin.”

Qin Yu did not speak anymore.

He had never thought that he would run into someone from the Han family here.

Soon, Han Yilong walked over with the two elders behind him.

They were both masters of internal strength, but their attitudes were completely different.

“Young Master Han, I didn’t expect you to come.”The one who took the lead was Zhang Hua, who had a grudge with Qin Yu.

He changed his face and flattered, “We are very honored to meet Young Master Han!”

Han Yilong glanced at him and sneered, “Even you martial artists can come, so why can’t I Come?”

“Yes, yes, yes.”Zhang Hua didn’t dare to say anything more and nodded repeatedly.

Han Yilong stretched his body and glanced at the crowd, saying indifferently, “Listen well, I’m Han Yilong of the Han family. If you are sensible and give me the divine medicine obediently, My Han family might still remember him as a favor.”

Speaking up to this point, Han Yilong paused for a moment. Then, he changed the topic and sneered, “Of course, those who are not convinced can try to fight against my Han clan.”

As soon as he finished speaking, the two old men behind him immediately erupted with a powerful internal Qi!

A terrifying pressure immediately pressed over!

A third grade martial grandmaster!

Han Yilong had indeed come prepared!

Everyone's expression changed slightly.

Although these people had a place in the Jiang bei region, they were nothing compared to the Han family!

After all, in modern society, the power of capital was far from what a martial artist could contend against!

The scene was silent as everyone looked at each other.

“Why!” At this moment, a young man suddenly stood out!

He glared at Han Yilong and shouted, “The divine medicine is a gift from nature. Whoever gets it will get it. Even if you are a member of the Han family, you can't be so overbearing!”

Hearing the young man's words, everyone couldn't help but be shocked!

“Oh?” Han Yilong raised his eyebrows and a cold light flashed in his eyes.

In the next second, the old man behind him took a step forward and waved his big hand!

Boom

A terrifying force instantly came from the air and directly smashed the young man into a meat patty!

“Who else is unconvinced?” Han Yilong glanced at the crowd and sneered.

The crowd was silent, and the scene was completely silent.

“It’s our honor to... to be able to serve young master Han!” Zhang Hua shouted!

With Zhang Hua taking the lead, the others also shouted, “Since young master Han wants it, we can only give it to him.”

Han Yilong nodded.

He was quite satisfied with everyone’s attitude.

Of course, there were naturally some who were not satisfied.

For example, the four great geniuses of the Jiang Bei region.

A divine medicine had an extraordinary meaning. They were naturally unwilling to give it to him just like that!

However, they did not dare to confront Han Yilong directly. They could only curse in their hearts.

“This Han Yilong is really overbearing.” Jing Lu could not help but grit his teeth.

“Sigh, it can’t be helped. After all, he is a member of the Han family.”Duan Shi also curled his lips.

Seeing the attitude of the crowd, Qin Yu couldn’t help but feel a bit disdainful.

The crowd that was still shouting about the superiority of strength just a moment ago had turned into frosty eggplants.

“What Bullsh * t Warriors ? They are just a bunch of people who are trying to curry favor with the powerful.”Qin Yu snorted in his heart.

“Mr. Qin, since the members of the Han family are here, I’m afraid we won’t have the chance to get this divine medicine. How about...”Jiang Gu said in a low voice.

Qin Yu sneered, “I don’t care about the Han family. I want this divine herb!”

Jiang Gu couldn’t help but sigh in his heart.

The ignorant are truly fearless.

“Which one of you is called Qin Yu ?”

At this moment, Han Yilong suddenly asked indifferently.

Hearing this, everyone’s eyes turned to Qin Yu’s direction.

Qin Yu frowned slightly.

He didn’t expect Han Yilong to come to him.

“Young Master Han, he is!” Zhang Hua hurriedly ran forward and pointed at Qin Yu.

Han Yilong glanced at Zhang Hua and said with satisfaction, “You did well. You’re a good dog.”

Zhang Hua didn’t feel humiliated by such humiliating words. Instead, he said excitedly, “Thank you for your praise, Young Master Han!”

Han Yilong no longer paid attention to Zhang Hua. He turned to Qin Yu and said, “You, come here.”

Qin Yu stood there without moving an inch. He only looked at Han Yilong coldly.

“Young Master Han asked you to come here. Are You Deaf?” Zhang Hua scolded.

Qin Yu sneered, “I have to go over just because he asked me to?”

Zhang Hua was stunned and quickly scolded, “This is the young master of the Han family! It is your honor that he asked you to come here!”

“Honor?” Qin Yu sneered.

“Zhang Hua, if you are willing to be a dog with a broken back, no one will stop you, but I’m not willing,” Qin Yu said coldly.

When these words were said, the scene was in an uproar!

They never thought that Qin Yu would not give the Han family any face at all!

“You have quite a backbone,” Han Yilong said with narrowed eyes.

Qin Yu glanced at him and said indifferently, “Why are you looking for me?”

Han Yilong slowly walked toward Qin Yu. As he walked, he said, “I heard that you have a good relationship with Yan Ruoxue, the eldest miss of the Yan Family?”

The eldest miss of the Yan Family?

The warriors at the scene suddenly understood!

No Wonder Qin Yu was only a master of internal strength, but he could be called the king of Chuzhou!

It turned out that he had the Yan family behind him!

“What does it have to do with you?” Qin Yu snorted lightly.

Han Yilong’s expression changed slightly. He said with a cold face, “Then do you know that my cousin Han Wei has been pursuing Miss Yan?”

“I know, but what does that have to do with me?” Qin Yu sneered.

Chapter 244: Chapter 244, just a piece of trash

Qin Yu’s words naturally caused countless people to be shocked.

And his words infuriated Han Yilong even more!

Han Yilong narrowed his eyes as he sized up Qin Yu and said, “You seem to not put me in your eyes.”

Qin Yu sneered and said, “Put you in my eyes? I don’t even put Han Wei in my eyes. Who Do you think you are?”

Hiss!

Everyone sucked in a breath of cold air!

This Qin Yu was a little too arrogant!

Put Han Wei in his eyes? He was the young master of a top aristocratic family in Jingdu!

“Hahaha!”

Han Yilong couldn’t help but burst into laughter.

“Kid, you have successfully angered me!” Han Yilong took a step forward.

The two elders beside him burst out with a deep aura!

The surging internal Qi crushed towards Qin Yu. In an instant, Qin Yu felt a sense of pressure slowly approaching him.

Qin Yu did not move at all. He stood there like a towering mountain.

“Boom!”

Just as he was about to make his move, a terrifying wave of internal Qi suddenly erupted from the deep mountain!

Then, a barrier slowly formed around the deep mountain.

With the mountain as the center, the barrier spread out in all directions.

“The divine medicine is about to be born!” Someone exclaimed!

“Quick, if we don’t go in, I’m afraid we won’t be able to get in!” Many people shouted.

Han Yilong couldn’t care about Qin Yu anymore. He looked at Qin Yu coldly and warned, “Kid, just you wait.”

“Young Master Han, don’t worry. I’ll take care of him for you later!” Zhang Hua said eagerly.

Qin Yu sneered in his heart.

I’ll kill all of you later!

There were at least dozens of people who were willing to help Han Yilong. At that time, Qin Yu would probably have to face dozens of people.

This also reminded Qin Yu of a spell used by Hui Ming of the Disha Valley.

That spell could absorb the inner strength of others for its own use, thus increasing one’s strength.

“Although it’s an evil spell, it does have a magical effect. If only I knew it,” Qin Yu thought to himself.

The benefits of dozens of people were definitely beyond his imagination.

This thought flashed across Qin Yu's mind.

However, in the next second, a memory called "Heaven swallowing technique" appeared!

Qin Yu was immediately shocked, and then he was ecstatic!

There was really such a technique in his father's inheritance?

Moreover, this "Heaven swallowing technique" was much more advanced than that of Hui Ming's technique!

Not only could it absorb internal Qi, but it could also absorb yin qi and Qi/spiritual energy!

"The inheritance left by my father is really thoughtful." Qin Yu couldn't help but lick his lips. For a moment, he was even looking forward to it.

"I will swallow all of you later!" Qin Yu sneered.

Then, he looked at Jiang Gu and said, "Let's go."

Jiang Gu looked very worried, as if he was extremely worried. However, he still followed Qin Yu into the Deep Mountains.

The moment the two of them entered, the barrier was formed.

The surrounding internal Qi was blocked, and the deep mountains seemed to have become another world.

“Brother Qin, you have such guts.” At this moment, Jing Lu walked over from not far away.

He smiled faintly and said, “To dare to challenge the Han family, you are indeed the king of Chuzhou.”

“You call this guts? You are obviously reckless!” Duan Shi snorted.

“A mere inner strength master dares to shout at others. Isn’t he a Fool?”

Qin Yu glanced at him and sneered, “Even if you are weak, it doesn’t mean that you have to bow and scrape.”

“Hehe, I have seen many people like you.” Duan Shi sneered.

“Just because you have some talent, you are not afraid of anything!”

“There is only one ending for you, and that is to die without a complete corpse!”

Qin Yu did not care about Duan Shi’s words at all.

He glanced at Duan Shi and sneered, “It’s not certain who will die without a complete corpse.”

“Alright, let’s leave quickly.” Jing Lu waved his hand, as if he was afraid of getting involved with Qin Yu.

After they left, Qin Yu glanced at Fang Yue and smiled, “Miss Fang, I’ve offended the Han family, and I’m afraid I’ve become everyone’s Public Enemy. Aren’t you leaving yet?”

“Me? Why should I Leave?” Fang Yue said with a smile.

“Aren't you afraid of getting yourself into trouble?” Qin Yu raised his eyebrows.

Fang Yue said with a light smile, “We've all climbed up from the bottom step by step. We're supposed to look out for each other.”

“Moreover... the one who offended the Han family is you, not me.”

Qin Yu spread his hands and said, “As you wish.”

Everyone was following their internal Qi toward the divine medicine.

It was obvious that the divine medicine was in the center of the mountain.

However, what was surprising was that although these people were rushing, they were not too far away from Han Yilong.

After traveling for half an hour, they were getting closer and closer to the divine medicine.

At this moment, Han Yilong stopped.

The others also stopped at the same time.

Qin Yu narrowed his eyes and was surprised to find that Zhang Hua and Chen Meng were actually following Han Yilong like crawling dogs.

Then, Han Yilong's gaze fell on Qin Yu.

He slowly walked to Qin Yu and said coldly, "I'll give you a chance now. Kneel down and apologize to me and promise that you'll never see Miss Yan again. Maybe I can spare your life."

Han Yilong's words immediately attracted everyone's attention.

"Young Master Han, what's there to talk about with this trash? Just let us kill him!" Zhang Hua rubbed his hands as waves of internal Qi burst out from his body.

Han Yilong ignored him. He pointed to the ground and said, "Kneel down. It's Your Last Chance."

Qin Yu raised his eyebrows and sneered, "You so-called aristocratic families and big figures seem to like to make others kneel down."

"What? Do you feel a sense of accomplishment to make others kneel down?" Qin Yu questioned.

Han Yilong laughed out loud, "People like you who live at the bottom should look up to me! Shouldn't you kneel down?"

Qin Yu shook his head and sneered, "Han Yilong, you think too highly of yourself."

"Perhaps in the eyes of others, you are some high and mighty young master."

"But in my eyes, you are just a piece of trash who uses the backing of your family to oppress others."

“You are almost thirty years old, but you are only an inner strength master. Such good resources, but your strength is so low. What use do you have for this divine medicine?”

“Such a huge amount of resources, even if used on a dog, it is probably better than you.”

These few words made Han Yilong’s face extremely ugly!

Just as Qin Yu had said, his talent had always been criticized by others!

Even though his family had spent a lot of money on him, he was still stuck at the level of an inner strength master, and it was difficult for him to improve any further!

This was also the reason why he came to look for the godly medicine. He wanted to take a gamble and change the current situation!

Qin Yu’s words were clearly opening up his scar!

“You... you are courting death!” Han Yilong said through gritted teeth.

“Young Master Han, don’t be angry. I will kill him for you!” Zhang Hua volunteered.

“This Qin Yu is only an inner strength master. I will crush him like an ant!”

Chapter 245: Chapter 245: Riding on a tiger

“Trash? Who are you calling trash?” Han Yilong glared at Zhang Hua, his face livid.

Zhang Hua’s face immediately changed!

Han Yilong was also an inner strength master! He had forgotten about this!

Thinking of this, Zhang Hua hurriedly changed his words and said, “Young Master Han, how can this Qin Yu compare to you? We are both inner strength masters, but you are a member of the Han family! Your strength is definitely above Qin Yu’s!”

“As for Qin Yu, he is just a worm living in the gutter. Comparing him to you is tarnishing you!”

Zhang Hua was indeed good at flattery.

Han Yilong’s face obviously softened a lot.

“Young Master Han, don’t worry. Leave this kid to me!” Zhang Hua patted his chest and said.

Zhang Hua’s body was full of murderous intent. Obviously, he wanted to show off in front of Han Yilong and take advantage of this opportunity to hug this big tree.

Qin Yu did not panic. He looked coldly at Zhang Hua with the intention to make a move.

“Wait.”

At this moment, Fang Yue suddenly walked out with a smile.

She first walked in front of Han Yilong and bowed slightly.

“Greetings, Young Master Han.”

Han Yilong looked at Fang Yue and his eyes immediately widened!

Beautiful! Too Beautiful!

The temperament of this Fang Yue was completely different from those flirtatious B * tches that he had played with before! It was simply irresistible!

Han Yilong swallowed his saliva and his eyes wandered around Fang Yue’s body.

If there weren’t so many people, Han Yilong would have pounced on her long ago!

“Miss Fang, what’s the matter?” Zhang Hua asked.

Fang Yue ignored Zhang Hua and said with a smile, “Young Master Han, Qin Yu is only an inner strength master, and you are also an inner strength master.”

“Moreover... the background of the Han family is not something that Qin Yu can compare to.”

“As the young master of the Han family, your cultivation technique is naturally far superior to Qin Yu’s. Why should you let a servant do it?”

Zhang Hua’s face turned black!

This Fang Yue actually called him a servant?

Han Yilong touched his chin and said with a faint smile, “Miss Fang’s words make sense.”

“Young Master.” The two old men beside him hurriedly took a step forward as if they were a little worried.

However, in order to show off in front of Fang Yue, Han Yilong waved his hand and said indifferently, “As a member of the Han family, I’m not invincible among people of the same level. It’s more or less the same!”

“I only raised my hand to kill this Qin Yu!” Han Yilong said proudly.

Qin Yu couldn’t help but want to laugh.

This Han Yilong actually wanted to do it himself?

A master of inner strength probably didn’t even have the chance to fight back in front of Qin Yu!

The surrounding people also looked at the two with interest.

“This Qin Yu’s strength is not worth mentioning. He might not be a match for Han Yilong.” Duan Shi snorted lightly.

Jing Lu didn’t say anything. He just looked at the two quietly.

“Kid, just do as Miss Fang said. I will deal with you personally,” Han Yilong said coldly.

Qin Yu raised his eyebrows and said, “Are you sure? Just You? An inner strength master?”

“Yes, just me!” Han Yilong roared angrily. He clenched his fist and swung it toward Qin Yu with a Whoosh!

Two spikes of inner strength condensed on Han Yilong’s fists! It seemed like they were going to pierce through Qin Yu’s chest!

Qin Yu stood there without moving at all, a mocking smile hanging on his face.

This smile infuriated Han Yilong even more!

“You’re courting death!” Han Yilong roared again! His entire fist was instantly filled with dense needles!

“Bang!”

This needle pierced fiercely into Qin Yu’s chest!

Qin Yu did not Dodge, he just stood there!

“Kacha!”

A crisp sound!

The Needle on Han Yilong’s fist broke!

On the other hand, Qin Yu had his hands behind his back and was unharmed!

“It seems that the young master of the Han family is not that good.” Qin Yu sneered.

Han Yilong’s face was a bit ugly.

He lowered his head to look at his fist and whispered, “How is this possible! We are both inner strength masters, he definitely can’t beat me!”

“Young Master Han, this kid’s body is a bit strange. Don’t get too close to him!”Zhang Hua hurriedly said.

“Hu”

A gentle breeze blew past, and the expression on Han Yilong’s face became a bit ferocious.

His hands slowly moved in the air, and the surrounding trees also began to move.

Endless Qi/spiritual energy from all directions actually gathered toward Han Yilong!

“As expected of the Han family, their techniques are indeed extraordinary!”Qin Yu sighed in his heart!

To be able to borrow the Qi/spiritual energy from nature, this was definitely not something an ordinary martial artist could do.

Qi/spiritual energy gathered in Han Yilong’s palm, and along with his furious roar, Han Yilong’s hands gathered above his head!

Then, Han Yilong’s hands condensed into a circular plate!

The circular disk grew bigger and bigger until it was like a huge wheel!

“Kid, I’ll let you know what the heritage of an aristocratic family is!” Han Yilong roared angrily!

“Boom!”

Han Yilong’s hands pressed forward, and a surge of spiritual energy was pressing directly on Qin Yu’s head!

Qin Yu’s expression was calm, but he still did not have the intention to attack.

Han Yilong’s face lit up with joy, and he sneered, “You got it, Kid, you’re dead meat!”

“Boom!”

The huge disc smashed onto Qin Yu’s body!

The scene was instantly filled with dust, and even trees were uprooted!

“As expected of someone from the Han family. Although it’s just a side branch, its resources are far beyond what we can imagine,” someone murmured.

The strength that Han Yilong displayed had far surpassed that of an inner strength master!

Even a grandmaster was not inferior!

This also made many martial artists feel a sense of despair.

The gap between them was definitely not something that could be surpassed in a single generation!

The dust began to slowly dissipate, and everyone stared in the direction of Qin Yu.

“This is it?”

At this moment, a mocking voice came from the dust.

Everyone’s expression immediately changed!

They saw Qin Yu standing there motionlessly, and Han Yilong’s attack actually did not have the slightest effect!

“How is this possible!” Han Yilong’s face changed!

Qin Yu was not affected at all? Was he really an inner strength master?

“This kid’s physical body is so abnormal?”

“Even I can’t do it perfectly.”

“Could it be that this Qin Yu is a body refiner?”

Everyone was discussing with shock on their faces.

“Huh? That shouldn’t be.” Duan Shi, who was not far away, also frowned slightly.

“He couldn’t even take a punch from me just now. Why does he look like a different person now?”

Jing Lu narrowed his eyes and said, “Could it be that he’s deliberately hiding his strength?”

In the distance, Han Yilong’s expression was a little awkward.

Two moves in a row had failed to hurt Qin Yu.

This was simply a disgrace to the Han family!

Just as Han Wei was about to give up, Fang Yue, who was at the side, suddenly smiled and said, “Young Master Han, don’t hide your strength. We all want to see the foundation of the Han family.”

As soon as these words were said, Han Yilong found it hard to back down!

He braced himself and said, “In that case, I’ll let you see my real strength!”

After saying that, Han Yilong braced himself and clenched his fist and rushed toward Qin Yu!

This punch had almost exhausted all the inner strength in his body, and he wanted to show Qin Yu his might!

However, just as his fist was about to touch Qin Yu, Qin Yu reached out and grabbed Han Yilong’s fists.

“It’s my turn, right?” Qin Yu grinned and revealed his white teeth.

Chapter 246: Chapter 246, then I will kill all of you!

A dangerous aura spread out from the internal Qi.

Han Yilong felt a strong sense of fear in his heart!

He tried to struggle, but he found that the internal Qi in his body seemed to be suppressed!

Han Yilong knew very well that this was an illusion created by the huge difference in strength!

“You... Let Go of me!” Han Yilong shouted angrily.

Qin Yu sneered, “What, are you afraid?”

“How the F * CK Would I be afraid of You!” Han Yilong immediately flew into a rage!

He clenched his left fist and smashed it at Qin Yu!

“Pa!”

However, before his fist could touch Qin Yu, he was slapped in the face.

Although the slap was not heavy, it was extremely insulting!

The dignified young master of the Han family was actually slapped in front of everyone!

“You... You’re courting death!” Han Yilong roared angrily and rushed towards Qin Yu like he had gone mad!

Qin Yu's expression was calm. He lightly stomped his feet and a surge of surging spiritual energy had already spread out in all directions with Qin Yu as the center!

“Boom!”

Under this huge force, Han Yilong's body was directly sent flying before he could even Touch Qin Yu!

There were many fractures on his body, and his calves were bent backward in an extremely strange arc.

His mouth was also dripping with blood, and he looked somewhat miserable.

Everyone was dumbstruck and dumbfounded!

This Han Yilong was actually unable to fight back in front of Qin Yu?

“Didn't they say... that the great clans have a very strong foundation? How could Han Yilong lose so miserably?”

“Could it be that this Qin Yu has hidden his strength?”

Everyone discussed animatedly, but they did not dare to speak loudly.

“You are not my match.” Qin Yu looked coldly at Han Yilong, the corners of his mouth curling up into a contemptuous smile.

At this moment, Han Yilong did not care about his face anymore.

He glared at Qin Yu and laughed maniacally, “Hahaha! So what! Even if you are strong, you will still die today!”

“As long as I give the order, everyone here will rise up and Attack!” Han Yilong said gloomily.

Qin Yu narrowed his eyes.

He subconsciously glanced at everyone.

At least half of these people were willing to work for Han Yilong.

The power of money and background made them willing to be reptilian dogs.

“Han Yilong has never treated you as a human. Don’t tell me all of You Like Being Dogs?” Qin Yu narrowed his eyes and said coldly.

“Cut the crap! Qin Yu, don’t even think about bewitching people!” Zhang Hua cursed.

“Today, we will definitely get rid of you bastard for Young Master Han!” Zhang Hua put his hands behind his back and acted like an expert.

Qin Yu didn’t say anything. He swept his gaze around and said coldly, “Do you think so too?”

“That’s right!” Chen Meng walked out.

He sneered and said, “Qin Yu, you’re just a lucky bug. Do you want to become a Phoenix? You have to die here today.”

Such a situation naturally made people tremble with fear.

Jiang Gu's expression was somewhat ugly. There were at least ten martial grandmasters here, and there was no lack of third grade martial grandmasters among them.

Even if they risked their lives, it was impossible to defeat them!

"Mr. Qin..." Jiang Gu muttered in a low voice, as if he wanted to advise something.

Qin Yu's face didn't show the slightest ripple.

He looked at everyone coldly and said coldly, "I don't believe that everyone is willing to work for Han Yilong."

"Hahahaha!" Han Yilong laughed loudly.

"Qin Yu, you're really childish!"

"Under the Han family's deterrence, who dares to Disobey?"

"Come, those who are willing to fight for me, stand on my side!" Han Yilong shouted.

The crowd began to become restless.

The first to stand by Han Yilong's side were Zhang Hua and Chen Meng.

"Jing Lu, are we going to stand on our side?" Duan Shi asked in a low voice.

Jing Lu shook his head and said indifferently, “There’s no rush. We’ll talk about it after the situation has stabilized.”

Duan Shi agreed and didn’t say anything more.

“Master, what should we do?”The people around Dong Tianhai also asked in a low voice.

Dong Tianhai shook his head and didn’t seem to be in a hurry to take sides.

Soon, everyone split into two groups.

There were at least 70 to 80 people standing beside Han Yilong in a group of nearly 100 people.

The remaining people didn’t seem to want to get involved in this matter.

“Brother Qin, I’m afraid you’re in danger.”Fang Yue shook her head.

“Forgive me for not being able to accompany you. I’ll take my leave,”Fang Yue said softly.

Qin Yu nodded.

He and Fang Yue had only met by chance. There was no reason for them to risk their lives for him.

“Qin Yu, what else do you want to say?”Zhang Hua grinned.

“There are so many of us. A single spit from each of us can drown you!”

“You’d better kneel down and apologize to young master Han right now. Perhaps Young Master Han will spare your dog life!”

Zhang Hua was cursing non-stop. It was obvious that he wanted to take advantage of this opportunity to become a member of the Han family.

Qin Yu glanced at him and sneered, “You’re just a dog of the Han family. What right do you have to make a fuss here?”

“You!” Zhang Hua was instantly furious, but he had nothing to retort.

“What About Me?” Han Yilong said with a faint smile.

“What Zhang Hua said represents my intention.”

Qin Yu still shook his head and said, “You’re just a side branch of the Han family. Do you really think that you’re the legitimate young master of the Han Family?”

“I reckon that you don’t even have the right to sit at the table when the Han family gathers, right? Your position in the Han family is no different from a servant.”

Qin Yu’s two sentences caused Han Yilong’s expression to change drastically once again!

Just as Qin Yu had said, Han Yilong really did not have much face in the Han family!

Compared to a legitimate son like Han Wei, he was nothing!

“Qin Yu, you’ve provoked me time and time again. I must kill you today!” Han Yilong said through gritted teeth.

“Please give the order, Young Master Han. I’ll kill him with my own hands right now!”Zhang Hua shouted.

“That’s right, young master Han. With your command, we will definitely attack him as a group.”

Qin Yu swept his gaze across the crowd and coldly said, “I’ll ask you one last time. Are you guys really going to make a move on me?”

“Cut the crap. One is young master Han, while the other is a trash with an empty reputation. The winner will be determined!”Zhang Hua coldly snorted.

Everyone nodded in agreement, their eyes revealing a strong killing intent.

Qin Yu’s internal Qi also began to slowly change.

He glanced at everyone and coldly said, “Fine, then I’ll kill all of You!”

Chapter 247: Chapter 247, one punch!

Qin Yu’s shocking words stunned everyone.

Kill everyone? How was this possible?

After all, there were ten martial grandmasters present! There were countless martial grandmasters!

An inner strength master actually dared to say such arrogant words?

“Qin Yu, I think you are inflated.”Zhang Hua sneered.

“I am consoling myself.”

“Maybe it’s because I’m confident.”

Han Yilong’s lips curled into an imperceptible smile.

He cracked a smile and said, “If I kill you, Han Wei might reward me... Qin Yu, Oh Qin Yu, you’ve really brought me a surprise.”

“I’m just afraid that you won’t have the chance.”Qin Yu’s lips curled into a sneer.

Han Yilong didn’t waste any more words. He took a step back and said coldly, “Everyone, kill this Qin Yu for me!”

As soon as he finished speaking, waves of surging killing intent ignited from everyone’s bodies.

Internal Qi exploded one after another. The auras of more than ten martial grandmasters instantly caused sand and rocks to fly and trees to be uprooted!

Under this pressure, countless wild beasts were directly shaken into a bloody mist!

Some of the weaker ones even vomited blood non-stop!

Even Jing Lu, Jiang Gu, and the others felt waves of intense pressure.

“I’m Afraid Qin Yu is in trouble. What a pity.”Fang Yue shook her head slightly, feeling sorry for Qin Yu.

Jiang Gu's expression was extremely ugly.

He originally wanted to rely on Qin Yu to lead the Jiang family to soar into the sky, but he didn't expect to encounter such a sure-kill situation!

"Mr. Qin, I'm willing to accompany you!" After thinking over and over again, Jiang Gu finally stood up!

His martial Grandmaster's internal Qi instantly erupted, resisting the pressure from the outside world!

"Jiang Gu, you really don't know your place." Zhang Hua said coldly.

"Hehe, then we'll kill you first." Chen Meng's body flickered with light, as if he was going to attack at any moment.

"Chen Meng, you ungrateful wretch, don't think that I'm afraid of You!" Jiang Gu roared and strode forward!

As the former number one person in Chuzhou, his strength naturally could not be underestimated!

After sensing Jiang Gu's internal Qi, Chen Meng's expression changed slightly.

"This Jiang Gu's strength seems to have improved quite a bit." Chen Meng's expression was somewhat solemn.

Zhang Hua also narrowed his eyes.

They seemed to have underestimated Jiang Gu's strength.

“Let’s attack together and kill him!”Zhang Hua said coldly.

Chen Meng nodded, and the two of them immediately stepped forward!

“Come on, what’s there to be afraid of For me, Jiang Gu!”Jiang gu shouted angrily, and in an instant, his internal Qi surged and wildly danced!

The number one person in Chuzhou lived up to his reputation!

However, just as he was about to make a move, Qin Yu stretched out his hand to stop Jiang Gu.

“You can leave,”Qin Yu said indifferently.

Jiang Gu was stunned. He hurriedly said, “Mr. Qin, you...”

“I will kill them like slaughtering chickens and dogs!”Qin Yu said coldly.

Arrogant!

This was what everyone thought in their hearts!

Qin Yu’s arrogance had clearly exceeded their imagination!

“Mr. Qin...”

“No need to say more.”Jiang Gu wanted to say something, but was interrupted by Qin Yu.

“Since you want to die, then don’t blame us for being impolite!”Zhang Hua said coldly.

“I also want to see what’s so special about this so-called different master of yours!”Chen Meng said sinisterly.

As soon as he finished speaking, Zhang Hua took the initiative to attack!

His feet lightly shook, and his body instantly flew up into the air!

In the next second, Zhang Hua fiercely smashed down from the air toward Qin Yu!

Qin Yu was not in a hurry. He just raised his head and looked at Zhang Hua coldly!

“Little Trash, Go to Hell!”Zhang Hua roared angrily. The terrifying fist wind directly caused the ground under Qin Yu’s feet to sink several times!

“What a terrifying strength!”

“Is this the strength of a martial grandmaster...”

“As expected, it’s not something that the internal Qi master can compare to.”

Everyone was shocked!

Just an ordinary punch was already so powerful! Just how terrifying was this martial grandmaster!

“Boom!”

Very quickly, Zhang Hua’s iron fist arrived in front of Qin Yu!

“Come, let me see just how powerful a second grade martial grandmaster is!” Qin Yu’s aura did not move. He raised his fist into the air and met it head-on

“Dang!”

The loud sound was so loud that it almost broke one’s eardrums!

The ground beneath Qin Yu’s feet sank a little under this huge force!

One tall and one short, one up and one down.

The scene seemed to have frozen in place!

The scene where Qin Yu’s body was smashed did not appear! It was just a stalemate in mid-air!

“How... how is this possible!” Zhang Hua’s expression changed drastically, and he felt a wave of terror in his heart!

He only felt that Qin Yu’s fist seemed to be made of steel, incomparably hard!

“How can his body be so hard!” Zhang Hua thought to himself, something was wrong. He turned his head and tried to pull away!

But Qin Yu did not give him a chance at all!

“Taking the initiative to approach me is the biggest mistake of your life.” The corners of Qin Yu’s mouth split open, revealing a terrifying smile!

Zhang Hua’s expression changed drastically, and his heart was filled with incomparable fear!

Just as he was about to leave, Qin Yu had already approached him and reached out to grab Zhang Hua’s arm!

Following that, Qin Yu suddenly exerted force with his palm, directly crushing Zhang Hua’s bones!

“Ah!!!”

Zhang Hua was in excruciating pain as he roared out in pain!

“Dang!”

Qin Yu did not give up just like that. He waved his large hand and slapped towards Zhang Hua!

Zhang Hua did not have time to dodge. He could only brace himself and raise his hand to meet Qin Yu!

However, Qin Yu’s body had been tempered more than 500 times. How could Zhang Hua be compared to him?

The moment Zhang Hua’s palm touched Qin Yu, his bones were directly shattered into powder!

Without the support of his bones, Zhang Hua’s two arms were like a pile of rotten meat. They hung in front of his chest, unable to move!

The scene was deathly silent.

Only the occasional sound of swallowing could be heard.

No one would have thought that Qin Yu's physical body would actually be so strong to such an extent!

The physical body of a martial grandmaster in front of him was shockingly like an egg hitting a stone!

"How... how is this possible..." someone muttered softly.

"This Qin Yu... actually broke Zhang Hua's arm?"

In the distance, Duan Shi's face was also extremely ugly!

"This kid definitely hid his strength just now!" Duan Shi felt some lingering fear in his heart!

However, Jing Lu shook his head.

He said indifferently, "This Qin Yu doesn't have any aura fluctuations on his body. He is also a master of Internal Qi."

"What do you mean?" Zhang Hua frowned and asked.

Jing lu sneered and said, "This Qin Yu only has a strong physical body. Other than that, he is useless."

Duan Shi hurriedly looked at Qin Yu.

As expected, this Qin Yu was only an inner strength master!

The reason why he was able to hit Zhang Hua's arm was purely because he had an extremely hard physical body!

Not far away, Zhang Hua's expression was extremely ugly! It even left a psychological scar!

Because Qin Yu's physical body was too hard!

"Don't let him get close to you. Other than his physical body, he has no other outstanding points.."At this time, the attendant beside Han Wei said indifferently.

Chapter 248: Chapter 248, crushing!

Hearing this, Zhang Hua also received a reminder.

The level of Qin Yu's physical body was indeed beyond his imagination.

Not to mention a mere second grade martial grandmaster, even a third grade martial grandmaster wouldn't be able to do it.

"How could this kid's physical body be so strong to this extent?"In the dark, Dong Tianhai's expression was somewhat unsightly.

"Then who knows?"The disciple didn't think too much about it.

"Maybe he is a body refining master."

Dong Tianhai shook his head and said in a low voice, "No matter how strong He is, he can't be this strong. You have to know that this Qin Yu is only an inner strength master!"

Hearing Dong Tianhai's words, the disciple seemed to have guessed something.

"Master, you mean... nine transformation golden core?" The Disciple's face suddenly changed!

Dong Tianhai did not speak, but his intention was very obvious.

It was very likely that Qin Yu had consumed the nine transformation golden core and completed the first three transformations!

That was why his body was so hard to this extent!

"If that's really the case, then I really am an idiot," Dong Tianhai could not help but think to himself.

Thinking of this, he suddenly looked at Wan Xin beside him.

"Don't you have a grudge with Qin Yu?" Dong Tianhai glanced at Wan Xin and said.

After seeing Qin Yu's strength, how would Wan Xin dare to make a move! ! It was too late for him to escape!

But after all, he had promised Dong Tianhai, so Wan Xin could only bite the bullet and say, "With so many experts present, there's no need for us to make a move."

Dong Tianhai snorted coldly, extremely dissatisfied with Wan Xin.

"It was because I listened to your nonsense that I missed this expert, Qin Yu!" Dong Tianhai said coldly.

Wan Xin opened his mouth and was speechless.

“But it’s okay. If I really joined hands with Qin Yu, I’m afraid I Won’t be able to escape this disaster today.”Thinking of this, Dong Tianhai’s mood couldn’t help but ease a little.

Not far away, Zhang Hua’s face was ice-cold.

He didn’t dare to approach Qin Yu and could only stand hundreds of meters away.

“I’ve already seen through your move. Qin Yu, go to Hell!”Zhang Hua gritted his teeth and said.

Qin Yu sneered and said, “Are you sure you’ve seen through it?”

“Cut the crap!”Zhang Hua roared angrily. His entire body surged with energy, and his mouth actually lit up with specks of light!

These specks of light were the purest form of internal Qi, and the power contained within them was no less than a bomb!

The specks of light brewed in Zhang Hua’s mouth, and a terrifying aura instantly filled the entire area!

“As expected of a second grade martial grandmaster. Even with his mouth, he was able to unleash such power!”Someone in the distance couldn’t help but Sigh!

“Whoosh!”

Zhang Hua’s mouth spewed out with force, and in an instant, countless light spots headed straight for Qin Yu!

That terrifying aura caused one to feel a chill down their spine!

The people around Qin Yu hurriedly retreated, afraid that they would be affected!

On the other hand, Qin Yu didn't move at all. He just stood there and looked at Zhang Hua coldly!

“What is this Qin Yu doing?”The people around couldn't help but frown.

“He... he wants to use his physical body to resist!”Someone finally revealed Qin Yu's intentions!

“Using his physical body to resist a martial Grandmaster's attack? This is simply insane!”

“Bang Bang Bang!”

These light spots were like raindrops, densely packed together as they smashed towards Qin Yu!

However, what was shocking was that when the light spots touched Qin Yu, they were immediately shattered!

Then, they turned into a breeze and disappeared without a trace!

Only white spots were left on Qin Yu's body! Even his skin was not broken!

“How is this possible!”Everyone sucked in a breath of cold air!

Even a body refining grandmaster would not be able to do such a thing!

“What a powerful body.” Not far away, Fang Yue’s beautiful eyes were filled with shock!

Duan Shi, Jing Lu, and the others were even more dumbfounded!

“Mr. Qin is Mighty!” Jiang gu shouted out in excitement!

“How is this possible!” Zhang Hua’s expression was extremely ugly, and his heart was filled with fear!

However, as a grandmaster, he would never give up like this!

Just as he was preparing for the second round of attacks, Qin Yu took a step forward!

“You don’t have to pay for my house. I’ll treat it as burning paper money for you.” Qin Yu’s voice sounded as if it came from hell, causing Zhang Hua to be incomparably terrified!

“Don’t let him get close!” Someone shouted!

When Zhang Hua heard this, he quickly reacted!

Wind immediately blew under his feet, and he hurriedly retreated!

Qin Yu sneered and said, “What, you want to run? Do you think you can escape?”

Qin Yu’s feet shook hard, and his body instantly shot toward Zhang Hua like a cannonball!

Zhang Hua seemed to have gone crazy as he desperately fled in the air.

Qin Yu was chasing closely behind him!

Seeing this chase and escape, everyone couldn't help but rub their eyes.

Was this F * cking real?

A second grade martial grandmaster was being chased and beaten by an inner strength master?

"I think I'm Dreaming..."no one dared to believe that this was real.

In mid-air, Zhang Hua was still fleeing.

However, Qin Yu's speed was extremely fast. If he continued to chase, Zhang Hua would definitely die!

This was because Qin Yu purely relied on the strength of his physical body, while Zhang Hua relied on his inner strength!

Once his inner strength dissipated, he would definitely be caught by Qin Yu!

"This can not go on."Zhang Hua roared crazily in his heart!

He subconsciously looked down.

Unfortunately, no one planned to attack.

"These bastards!"Zhang Hua couldn't wait any longer!

As he fled, he used his mouth to condense his inner strength!

The terrifying inner strength almost covered Zhang Hua's entire head.

It was obvious that Zhang Hua was planning to risk his life!

“Go to hell!”

At this moment, Zhang Hua suddenly roared and his mouth suddenly shot towards Qin Yu!

However, in the next second, Zhang Hua's face turned into the color of a pig's liver!

Qin Yu approached him and took a step forward. His jade-like palm directly covered Zhang Hua's mouth!

“Such a powerful spell, it's better for you to enjoy it yourself.” Qin Yu opened his mouth and sneered.

Zhang Hua was extremely terrified! He opened his eyes wide and wanted to struggle, but he couldn't break free at all!

“No... No!” Zhang Hua roared crazily in his heart!

Unfortunately, it was too late.

The huge light directly exploded when it touched Qin Yu's palm!

“Okay, Blow Qin Yu to death together!” Han Yilong said through gritted teeth.

“Let’s perish together, let’s perish together!” Han Yilong roared crazily!

“Boom!”

In the sky, it was as if a bomb had exploded.

The light that soared to the sky made it difficult for people to open their eyes for a moment.

“Is Qin Yu Dead?” Someone anxiously shouted in the light.

“I don’t know.”

“Mr. Qin...” only Jiang Gu had a worried expression!

He even forced his eyes open and looked at the sky.

The sky was peaceful.

Qin Yu’s body was already dyed red.

“Huh? What is this?” Someone touched the corner of his mouth.

“F * ck, it’s meat, human meat!”

Then, countless people below vomited crazily!

Zhang Hua was directly blown into flesh and blood!

However, Qin Yu was also slightly injured, but it was not serious.

“This Qin Yu... how could he be so powerful!”

Han Yilong gritted his teeth!

Both of them were inner strength masters, but their strengths were as different as the clouds and the mud!

“Oh no!” Qin Yu, who was in the air, suddenly thought of something.

He slapped his head and actually forgot about the heaven-devouring technique!

“Damn it, what a pity!” Qin Yu felt his heart ache!

Zhang Hua was a second grade martial grandmaster. If he could swallow him, it would definitely be useful!

“Let’s attack together and kill him!” At this moment, Han Yilong roared!

“Qin Yu, so what if your physical body is strong? You are only an inner strength master! Can you beat so many people?” Han Yilong said with a cold face.

“That’s right! With just a strong physical body, it is impossible to beat us!” The others also shouted.

Qin Yu narrowed his eyes, and a smile appeared on his face. He sneered and said, “Master of inner strength? Are you sure?”

Chapter 249: Chapter 249, the Martial Grandmaster realm!

Qin Yu's words couldn't help but make people feel a little confused.

Wasn't the aura he displayed a master of Internal Qi? Could it be that he was hiding his strength?

"Stop pretending, Qin Yu. Are you trying to scare us?" Someone said coldly.

"Remember, no matter how strong you are, you are only a master of internal Qi. There is a limit to your strength."

"It is already your limit that you can cross ranks and fight. You want to challenge so many of us? Only death awaits you!"

Faced with the ridicule of the crowd, Qin Yu could not help but raise his head and laugh.

"Hahahaha!" Qin Yu's smile looked a little crazy!

"So many people want to kill me. I am truly honored." Qin Yu coldly glanced at the crowd.

"All of you, come at me together. I, Qin Yu, have nothing to fear!" A loud roar sounded!

Following that, one could see Qin Yu's internal Qi rising rapidly!

His strength had jumped from an internal Qi master to a Grandmaster!

His monstrous power even caused the surroundings to rumble!

The terrifying pressure caused the hearts of the crowd to be filled with fear!

“This Qin Yu has indeed concealed his strength.” Someone muttered in the dark.

Duan Shi, Jing Lu, and the others frowned.

This Qin Yu was actually a Grandmaster?

Just as everyone was feeling uneasy, Han Yilong sneered, “So what if he’s a Grandmaster? Do you think a grandmaster like you can fight against so many of us?”

Qin Yu narrowed his eyes and looked at Han Yilong, sneering, “Is that so? How about this?”

As soon as he finished speaking, Qin Yu’s strength rose again!

From grandmaster realm, he directly became a martial grandmaster!

Martial grandmaster 1-grade, martial grandmaster 2-grade, martial grandmaster 3-grade...

Qin Yu actually directly became a martial grandmaster 3-grade from inner strength master!

Surging spiritual power surrounded Qin Yu’s body.

Countless plants in the deep forest were uprooted!

Sand and stones flew everywhere, as if the end of the world was coming!

This was the strength of a third grade martial grandmaster!

“Mr. Qin has actually stepped into the realm of a third grade martial grandmaster!” Jiang Gu was both surprised and happy!

No Wonder Qin Yu was so confident! The realm of a third grade martial grandmaster was indeed able to look down on the entire place!

“Oh No.”

Everyone’s hearts were covered with a layer of shadow.

Qin Yu, who was at the master level, was able to beat Zhang Hua. Now that he had stepped into the realm of a third grade martial grandmaster, what kind of terrifying level of strength did his strength reach?

“Young master, be careful.” Han Yilong’s followers quickly protected Han Yilong behind him.

Han Yilong gritted his teeth, extremely furious!

He never expected that Qin Yu was actually a third grade martial grandmaster!

In mid-air, Qin Yu coldly swept his gaze across this group of people.

“I said, I will kill all of you.” The corners of Qin Yu’s mouth cracked into a smile.

Below, everyone held their breath and focused. No one dared to say anything.

After feeling the surging power from Qin Yu’s body, they began to regret.

“Humph, it’s just a bluff,” Chen Meng said in a low voice.

“In that case, you go first,” Han Yilong said coldly.

Chen Meng's expression immediately changed. He said awkwardly, "Young Master Han, I... Let's go together."

"If you don't attack, I'll kill you right now!" Han Yilong shouted angrily.

As soon as he said this, Han Yilong's two followers immediately looked at Chen Meng coldly.

Chen Meng's heart was filled with regret. If he had known earlier, he wouldn't have been able to pretend!

"Attack!" Han Yilong said angrily.

Chen Meng had no choice. He would die anyway. He could only brace himself and stand out.

"Qin Yu, we are both martial grandmasters. Don't think that I'm afraid of you. Let me tell you..."

Sou

Before Chen Meng could finish his words, Qin Yu's body vanished into thin air and appeared in front of him!

Intense pain was the only thing Chen Meng felt.

He only felt waves of warmth in his chest, as if something was flowing out.

Looking down, he saw that Qin Yu's fist had already pierced through his body.

"How... how is this possible..." Chen Meng's face was pale as he stared at his lower abdomen!

He didn't even have time to react before he died just like that?

The surrounding people were all dumbfounded.

Wasn't this speed a little too fast?

"Oh no, we've been tricked..." someone whispered.

They originally thought that Qin Yu was trapped in this deep mountain, but at this moment, they realized that they were the ones trapped!

"A martial grandmaster is only so-so," Qin Yu said coldly.

Chen Meng's internal Qi was quickly disappearing.

His life was clearly at its end.

"If I let you die just like that, I would be at a great disadvantage," Qin Yu laughed coldly.

After saying this, he raised his hand and slapped Chen Meng's head!

"Heaven Devouring Technique!"

Qin Yu roared angrily! The internal Qi in Chen Meng's body flowed out from Qin Yu's palm!

"Ah!!!"

This piercing pain made Chen Meng almost faint!

In less than half a second, Chen Meng's Dantian had collapsed.

His death was extremely tragic. His eyeballs bulged out and his body dried up. He was no different from a dried corpse.

Everyone's expression changed drastically! They couldn't help but retreat!

What kind of technique was this? It actually absorbed the inner strength of others?

“It’s really comfortable.”Qin Yu felt a wave of comfort in his body. In the eyes of others, he looked like a demon!

After that, Qin Yu looked coldly at the others.

“It’s your turn.”Qin Yu sneered.

“This kid cultivates an evil technique!”At this moment, someone shouted!

“This kind of evil technique absolutely can not be left in this world. Everyone, attack together and kill him!”

Sorcery!

Even the neutral group had ugly expressions on their faces.

Qin Yu wouldn’t kill them together, right?

After all, those who cultivated sorcery were all vicious and vicious!

Just as they were in a dilemma, Han Yilong’s people attacked!

“Everyone, attack together and kill him!”

“Boom!”

In an instant, waves of terrifying internal Qi erupted from the scene!

This internal Qi caused even the mountains in the distance to rumble as countless rocks rolled down!

“Let’s attack together!”

Dozens of figures rushed towards Qin Yu in an instant!

Qin Yu laughed coldly as he let out an angry roar. Surging spiritual power instantly surged out like a landslide!

“You guys want to kill me? Come, what do I have to be afraid of!” Qin Yu waved his hand as surging spiritual power instantly rushed towards the crowd!

“Boom!”

This was a huge collision, and countless explosions sounded in the air!

Many kinds of lights converged in the air, and the scene was extremely chaotic!

“Young master, quickly retreat!” The servant beside Han Yilong quickly cast a spell, protecting Han Yilong within it.

But even so, Han Yilong still received the Impact!

His face turned pale, and he spat out a mouthful of blood!

“Ah!”

At this moment, someone in the air couldn't hold on any longer, and was directly sent flying!

Following that, countless people retreated repeatedly, spitting out mouthfuls of blood!

Everyone was dumbstruck, dumbstruck!

Just a single palm strike was enough to repel the combined forces of ten martial grandmasters?

What kind of strength was this? How could there be such a huge gap between two people of the same realm?

Chapter 250: Chapter 250, the law of the Jungle!

Countless evolved Jing Masters were sent flying by Qin Yu's slap. They were like kites with broken strings, swaying from side to side.

Qin Yu stood there with a cold expression. A strong killing intent lingered around his body.

No one dared to say anything. The neutral group also canceled their plans to attack.

With such a huge difference in strength, there was no way they could fight.

The faces of the grandmasters and martial grandmasters turned pale, and they were slightly regretful.

If they had known earlier, they would not have provoked Qin Yu!

Their surroundings were isolated by a barrier. Now, they could not run even if they wanted to! It was really hard to stop!

"Attack together, kill him for me!" Han Yilong shouted anxiously.

However, this time, no one listened to his orders.

"Mr. Qin, we are willing to give up the fight for the Divine Medicine. Can you let us live?" At this time, someone suddenly said.

Qin Yu glanced at him and sneered, "When you attack me, you should consider the consequences."

"Since I said I would kill all of you, then I won't let any of you live."

“Qin Yu, don’t go too far!”Someone shouted angrily.

“Go Too Far?”Qin Yu couldn’t help but find it funny.

“When you attacked me in order to lick Han Yilong’s boots, did you ever think of going too far?”

“Why? Now that you’re facing death, do you know that you’ve gone too far?”

Everyone was speechless.

“This Qin Yu already has the intention to kill. Even if we beg him, it’s useless. Why don’t we join forces and kill him together!”Someone suggested.

“This kid’s strength is beyond our imagination. Even if we join forces, we might not be his match.”

“If it really doesn’t work, we’ll just stall for time. When the barrier of the divine medicine disappears, we can leave and find an opportunity to take his life!”

This suggestion seemed to have received the approval of most people.

But if they could think of it, how could Qin Yu not think of it?

Qin Yu didn’t say anything more and walked towards them step by step.

The absolute pressure made everyone’s faces pale and they kept retreating.

“Pa!”

Very quickly, Qin Yu stretched out his hand and grabbed a person’s head! Then, the Heaven Devouring technique absorbed it!

One, two, in the blink of an eye, three of the ten martial grandmasters had died!

“If this goes on, we will all die here!” These people were terrified and extremely anxious!

At this moment, an old man stood out.

This person looked like an immortal, but there was a vicious look in his eyes.

This old man ignored everyone. He looked at Qin Yu, cupped his hands and said, “Little Friend Qin, why do you have to commit such a crime? Why Don’t you give me, Gu Jinhong, some face and stop here, how about it?”

“Gu Jinhong! ?”

Hearing this name, everyone’s faces were immediately shocked, followed by waves of Ecstasy!

“Master GU is actually here!”

“Master Gu is a famous figure in the Jiang Bei region. It’s said that he once wiped out all the families in the Jiang Bei region single-handedly!”

“With master gu around, we might be able to save Our Lives!”

“Master Gu, please kill him!”

Gu Jinhong ignored him. He looked at Qin Yu with a smile as if he was waiting for Qin Yu’s answer.

Just as Qin Yu was about to speak, Jiang Gu rushed over.

He leaned against Qin Yu's ear and whispered, "Mr. Qin, you must not provoke Gu Jinhong! He was called a genius decades ago, and his strength is even more unfathomable now!"

"Most importantly, his master is the famous Gu Taichu!"

Hearing Jiang Gu's words, Qin Yu said indifferently, "I got it. You can go back."

Jiang Gu nodded and said with some worry, "Mr. Qin, remember what I said. You must never provoke Gu Jinhong!"

Qin Yu ignored him and looked up at Gu Jinhong who was not far away.

Gu Jinhong said with a faint smile, "Mr. Qin, as long as you are willing to stop, I, Gu Jinhong, will remember your favor."

"Master Gu, Why are you talking nonsense with him! Remember his favor? Who does he think he is!"

"Hurry up and kill this kid!"

Gu Jinhong ignored him and just waited for Qin Yu's answer.

Qin Yu looked at Gu Jinhong coldly and asked with a faint smile, "Let me ask you, how do you compare with the Han Family?"

Gu Jinhong was stunned. He clearly did not expect Qin Yu to ask such a question.

After thinking for a moment, Gu Jinhong said, "Mr. Qin, you must be joking. The Han family is a top family in Jingdu. Naturally, I, Gu, can not be compared to them."

“I don’t even give face to the Han family. Why should I give face to you?”

“You also made a move just now, right?”Qin Yu said coldly.

Qin Yu’s response immediately shocked everyone.

“You really don’t know the immensity of Heaven and earth! You Don’t know what’s good for you!”

“Master Gu was kind enough to give you a chance, but you actually don’t know what’s good for you?”

Jiang Gu, who was not far away, felt a headache coming on.

F * ck, it was a waste of advice!

Gu Jinhong took a deep breath and said with a smile, “Mr. Qin, you’ve already taken advantage of us. Moreover, everyone is willing to give you the divine medicine, so why are you so aggressive? You have to forgive and forget!”

“Aggressive?”Qin Yu could not help but laugh out loud.

“If I were just an ordinary martial artist, would you have stood up and talked to me? I’m afraid you would have slapped me to death long ago!”

“Now that you know you are not my match, you want to negotiate peace?”

“Gu Jinhong, what kind of good guy are you pretending to be now? Why didn’t you say this when they wanted to kill me just now?”

The more Qin Yu spoke, the more agitated he became. He glared at Gu Jinhong and berated, “Do you need him to lecture me about such Bullsh

* t reasoning? It's nothing more than the law of the jungle. Whoever tries to stop me today will die!"

Gu Jinhong's expression gradually turned cold.

He said somewhat threateningly, "So you are determined to fight to the death?"

"I don't want to repeat myself a second time. If you want to make a move, feel free to do so," Qin Yu said coldly.

"Okay!" Gu Jinhong sneered.

"Qin Yu, don't think that you are invincible. There is always someone better than you!"

Gu Jinhong turned to look at the people behind him and shouted, "Everyone, I want to use your internal Qi to kill this guy!"

After saying that, Gu Jinhong slowly waved his hands in the air. Then, a Taiji diagram appeared in front of him!

The moment the Taiji diagram appeared, Gu Jinhong's internal Qi began to increase!

"Please lend me your internal QI for the time being!" Gu Jinhong shouted.

Along with this shout, the internal Qi of more than ten martial grandmasters instantly poured into Gu Jinhong's body like a spring!

"It's the top technique of the GU family, the Taiji seal!" Jiang Gu's face suddenly changed!

"It's said that the tai chi seal can borrow the strength of others and unleash the power of swallowing the sky!"

Even Fang Yue's expression was somewhat unsightly. Back then, Gu Jinhong had relied on this technique to kill countless martial grandmasters!

Among them, there were even several martial grandmasters whose strength was far above Gu Jinhong!

The instant the Tai Chi Seal was formed, a terrifying pressure spread out!

Countless people at the scene could not bear it any longer, and their knees fell to the ground with a Bang!

"What Bullshit Tai Chi Seal! Watch me smash it with one punch!" Qin Yu roared angrily, and golden light burst out from his entire body!

Chapter 251: Chapter 251, massacre!

Facing Gu Jinhong's attack, Qin Yu wasn't afraid at all!

He roared again and again, and the Golden Light on his body was as hot as the sun!

His fists were completely wrapped in internal QI, and the overwhelming aura made everyone's face change!

"Is... is this really the aura from Qin Yu's body?" Duan Shi's face turned green!

Even Jing Lu's face was as dark as water.

At this moment, he suddenly realized that the so-called Jiang Bei region's four great geniuses were not worth mentioning at all!

Qin Yu already had the capital to compete with the veteran martial grandmasters!

“Rumble...”

Gu Jinhong's palm shot forward, and the Taiji seal immediately brought with it an aura of death as it pressed down on him in all directions!

Within a radius of dozens of meters, everyone was hit by the fight, and some of the weaker ones even died on the spot!

The two followers of Han Yilong hurriedly set up a protective formation. However, under this intense pressure, it suddenly exploded!

“Go to hell!” Gu Jinhong raised his head and roared!

Qin Yu's eyes were filled with madness!

“Absolute beginning Sacred Fist!” Raising his hand, he used Qin Yu's trump card!

The Golden Fist enveloped the world and collided with the Tai Chi Seal!

At this moment, waves of killing intent spread out in all directions like waves of water!

Countless trees were cut in half, and even the small hills in the distance exploded!

“So terrifying!”

This was what almost everyone thought in their hearts!

“Break for me!” Qin Yu roared, and the golden light on his body intensified!

His muscles bulged in an instant, and his veins were like small snakes!

Both sides were trump cards!

On one side was Qin Yu, who was in the body of chaos, and on the other side was grandmaster Gu, who had absorbed the inner strength of ten grandmasters!

Boom

Qin Yu's face was filled with madness as he punched out again!

Cracks appeared on the overwhelming Taiji seal!

Crack

In less than half a second, the Taiji seal was completely shattered!

The inner strength turned into substance and shot out in all directions like daggers!

“Puchi!”

Countless people were pierced through by the inner strength!

Qin Yu was right in the center, allowing the inner strength to hit his body like Raindrops!

The golden sounds of his body rang out continuously, and white spots appeared on his steel-like body!

“Boom!”

Finally, the Tai Chi seal disappeared in a heavy rain of internal force!

The scene was completely silent. Their pupils constricted as they stared at Qin Yu.

The trump card of the Gu family was actually shattered by Qin Yu with one punch!

What kind of body was this and how awe-inspiring was it!

“Impossible!” Gu Jinhong’s face was pale as he roared crazily!

Qin Yu did not say any nonsense. He quickly rushed over and punched Gu Jinhong’s lower abdomen.

“Bang!”

Gu Jinhong was sent flying by this punch! God knows how many trees were smashed!

After the collision of dozens of meters, Gu Jinhong finally stabilized.

However, his body no longer had a human form. Many parts of his body were shattered, revealing sparkling white bones!

At this moment, Gu Jinhong panicked.

He didn’t even care about his face, and with a plop, he knelt on the ground!

“Mr. ... Mr. Qin, don’t kill me, please spare me...” Gu Jinhong crazily kowtowed on the ground!

The sounds of banging echoed incessantly, and the onlookers were even more terrified.

The Genius of the Jiangbei region actually kowtowed to a young man and begged for mercy?

This was simply subverting their understanding!

“As long as you spare me, I’m willing to give you anything! I still have many herbs at home, my master will definitely remember your favor!” Gu Jinhong said anxiously.

However, a cruel smile appeared on Qin Yu's face.

“Do you think I'll spare you?” The killing intent on Qin Yu's body almost swallowed him whole!

Gu Jinhong roared crazily, “You can't kill me! My master is Gu... Ah!!!”

“Bang!”

Before he could finish, Qin Yu's hand slapped Gu Jinhong's head.

Under the heaven-swallowing technique, the Heaven's Pride Gu Jinhong turned into a dried corpse.

And at this moment, Qin Yu could clearly feel that he was at the critical point of breaking through.

This made Qin Yu somewhat confused. He had tried many methods before, but he was unable to break through.

But after today's massacre, he had quickly reached the critical point.

Could it be... that his path was a path of killing?

To kill the righteous path, this was completely inconsistent with Qin Yu's intentions.

Now was not the time to think about these things. Qin Yu turned around and prepared to deal with the remaining people.

However, at this moment, a shadow floated out of Gu Jinhong's body!

Seeing this shadow, everyone could not help but take a deep breath!

This was Gu Jinhong's master, Gu Taichu!

Gu Taichu glanced around and soon his gaze fell on Gu Jinhong's body.

Seeing Gu Jinhong's corpse, Gu Taichu's expression instantly darkened!

"Who killed my disciple!" Gu Taichu's voice was like thunder!

Qin Yu was neither servile nor overbearing. He said indifferently, "I killed your disciple."

Gu Taichu narrowed his eyes and said, "How dare you! You even dare to kill my disciple!"

"He sent himself to his death. Why wouldn't I Dare?" Qin Yu sneered.

Gu Taichu said coldly, "Kid, you'd better come to my gu family and kneel down to accept your death right now. Otherwise... you can't bear the consequences!"

"F * ck!" Qin Yu cursed. Then, he raised his hand and crushed the shadow.

Qin Yu's actions made everyone feel powerless to be shocked.

They also understood that this Qin Yu didn't respect respect the hierarchy at all!

Qin Yu didn't take Gu Taichu's matter to heart at all.

He took a step forward and arrived in front of everyone.

An intense pressure immediately came from all directions!

The ten martial grandmasters instantly felt as if their shoulders were as heavy as a mountain!

Their inner strength was almost depleted. Facing the pressure from Qin Yu, they lost the ability to fight back.

“Don’t... Don’t kill me... we are willing to submit to you!” Someone shouted anxiously.

“Yes, as long as you spare us, we are willing to be slaves for generations!”

Qin Yu sneered, “I’m sorry, I don’t need so many people by my side.”

After saying that, Qin Yu’s feet shook again, and the pressure instantly increased by a few times!

These ten plus people were directly crushed into meat paste by Qin Yu!

Killing more than ten people in one breath, this deep mountain seemed to have become a hell on Earth.

Everyone’s faces were filled with fear, and they didn’t even dare to breathe loudly!

The remaining Grandmaster Qin Yu didn’t let go either, directly absorbing all of them!

In the blink of an eye, everyone standing beside Han Yilong died.

Everyone was guessing whether Qin Yu would let go of Han Yilong.

Han Yilong’s followers were even more nervous. With Qin Yu’s current strength, they couldn’t stop him at all!

“Sou!”

Very quickly, Qin Yu arrived in front of Han Yilong.

The two followers immediately became even more nervous.

“Qin Yu, our young master is a member of the Han family after all. If you kill him, the consequences will be unimaginable, so...”

“Slap!”

Before the attendant could finish his words, his head was smashed into pieces by Qin Yu’s slap.

“You talk too much nonsense,”Qin Yu said coldly.

The other attendant saw that things were not going well and hurriedly moved aside. He cupped his hands and said, “Please Help Yourself, Mr. Qin. I’m just trying to make a living.”

“What the F * ck are you talking about!”Han Yilong immediately became anxious!

However, Qin Yu could not help but burst into laughter.

“Han Yilong, you keep talking about capital, family, and background. You think that everyone will work for you.”

“But in front of life, what can the capital you talk about do for You?”

Chapter 252: Chapter 252, taking advantage of the situation

“Han Yilong, you’ve always looked down on so-called martial artists. What about now?”Qin Yu walked in front of Han Yilong and said coldly.

Han Yilong was so scared that he almost wet his pants. His lips trembled as he said, “You can’t kill me. I’m a member of the Han family. I...”

“Bang!”

Before Han Yilong could finish his words, Qin Yu raised his finger and directly smashed Han Yilong's knee!

The people around him were already numb. This Qin Yu was too ruthless. No matter what identity or background he had, no matter who tried to persuade him, it was useless.

As long as they provoked him, they would definitely pay the price.

Han Yilong held his knee. Because of fear, his entire body was trembling.

Qin Yu sneered, "What Bullsh * t Han Family? Do You Think I'm afraid?"

"I was wrong, I was wrong... I beg you to spare me..." Han Yilong was crying his eyes out, looking a little pitiful.

Qin Yu said coldly, "You young masters of aristocratic families think that you can play with others just because you have a background. Let me tell you, not everyone will bow and scrape in front of you."

"Remember to be a good person in your next life."

After saying that, Qin Yu directly smashed Han Yilong's head with his big hand!

The young master of the Han family was tortured to death!

Although he was a side branch, as long as he was related to the Han family, no one would dare to provoke him.

But today, this law was broken.

The people around all kept quiet. No one dared to provoke this god of killing.

“Mr. Qin, can... Can You Spare my life?” Han Yilong’s follower asked respectfully.

Qin Yu glanced at him and sneered, “Don’t worry, I won’t kill you. I still need you to go back and report the news.”

Report the news?

Not only did Qin Yu not avoid it, he even wanted the Han family to know about it?

“Go back and tell Han Wei that I’m definitely going to marry Yan Ruoxue! No one can snatch her away!” Qin Yu said coldly.

The attendant hurriedly cupped his hands and said, “Yes, Yes, Mr. Qin. I’ll definitely deliver the message.”

Qin Yu no longer paid attention to the attendant. His eyes looked at the high mountain not far away.

That was the place where the Divine Medicine was born.

Qin Yu took a deep breath, then looked at Jiang Gu and said, “Follow me.”

“Yes!” Jiang Gu was the most excited in his heart.

Qin Yu’s performance today had far exceeded his imagination!

All along, Chuzhou had been extremely weak in the Jiang bei region.

And Qin Yu’s appearance could very possibly change this situation.

Everyone watched Qin Yu’s back as he left, unable to react for a moment.

“Should we follow him?” Duan Shi asked.

“Of course,”Jing Lu snorted lightly.

“After this battle, how much stamina do you think Qin Yu has left?”Jing Lu raised his brows and asked.

Duan Shi’s expression changed, and he probed, “You mean...”

“A man must judge the situation.”Jing Lu snorted coldly, and then rushed into the depths.

Just as Jing Lu said, Qin Yu’s internal Qi was indeed somewhat dispirited.

Even though he had borrowed the strength of the Earth Fiend Valley’s patriarch, a long battle still caused Qin Yu’s internal Qi to drop rapidly.

“Mr. Qin, I really didn’t expect you to have such strength!”Jiang gu flattered him non-stop along the way.

However, Qin Yu’s face was cold, and no one knew what he was thinking.

“I’m afraid that someone will attack me later.”Qin Yu suddenly turned to look at Jiang Gu.

Jiang Gu was stunned, and he said with an embarrassed smile, “It can’t be? These people should have been scared out of their wits...”

Qin Yu shook his head and said, “As long as there are enough benefits, countless brave men will be born.”

“Moreover... I’m not in a good condition right now,”Qin Yu said in a low voice.

The absolute beginning holy fist consumed a lot of energy, which was why Qin Yu didn’t use it easily.

They were getting closer and closer to the place where the Divine Medicine was born, and the others soon caught up with them.

In the valley, there were dots of light.

Qin Yu's pupils shrank, and he almost looked through the entire valley!

His internal Qi was released in an instant, covering more than half of the valley.

Following that, the corners of Qin Yu's mouth curled up.

"As expected of a divine medicine. Interesting." The gloominess on Qin Yu's face was swept away, replaced by an indescribable confidence.

"Brother Qin really had the appearance of a heavenly God descending to Earth just now." At this moment, Fang Yue was the first to catch up.

Qin Yu glanced at her and smiled faintly. "Miss Fang, you must be joking."

Fang Yue covered her mouth and said, "Just now, I didn't lend a hand to save you. Brother Qin, you won't blame me, right?"

Qin Yu shook his head. "You and I don't have deep feelings for each other. If we were to really help each other out, that would make me feel strange."

"That's good." Fang Yue smiled.

"Mr. Qin, you've made enemies everywhere. The road in the future won't be easy to walk," Fang Yue reminded.

Qin Yu said with a calm expression, "Which almighty expert hasn't overcome all obstacles along the way? If everything goes smoothly, the path you'll take won't be too far."

“Brother Qin, you’re really full of lofty sentiments.”

At this moment, Jing Lu also followed.

He cupped his hands towards Qin Yu and said, “Brother Qin, we’ve really underestimated you. In front of you, even the four great geniuses are eclipsed.”

Qin Yu did not have a good impression of Jing Lu.

This person was too scheming and liked to make use of others.

Therefore, Qin Yu only nodded to him.

“It seems that this divine medicine belongs to Brother Qin,”Jing Lu continued.

“Not necessarily,”Qin Yu replied quietly.

“I am not the only one who wants this divine medicine.”

Jing lu smiled and said, “Who dares to snatch it from Brother Qin?”

Qin Yu ignored Jing Lu and did not move for a long time. Instead, he went to get the medicine.

Jing Lu retreated to the side, but his eyes narrowed slightly.

“This Qin Yu’s internal Qi is completely exhausted. It’s a good time to kill him,”Jing Lu said coldly.

Duan shi hurriedly asked, “Is what you said true?”

Jing Lu snorted lightly and said, “It’s absolutely true! Later, you and I will kill him together! You and I will split the divine medicine equally!”

“Okay!” Duan Shi hurriedly nodded.

Besides Jing Lu, Dong Tianhai’s brows also furrowed slightly.

“This Qin Yu has killed so many people. As the President of the Martial Arts Association, don’t you have anything to say?” Dong Tianhai glanced at Wan Xin.

Wan Xin said awkwardly, “I... I will report it.”

“Humph, a piece of trash.” Dong Tianhai snorted coldly.

At this moment, the light in the valley erupted again! It was going to come out at any time!

“Now, kill him!” Jing Lu said viciously.

“Good!” Duan Shi took the lead and took a step forward, throwing a punch at Qin Yu from behind!

“PFFT!”

With this punch, Qin Yu spat out a mouthful of blood!

Duan Shi was instantly overjoyed. He rubbed his fist and sneered, “Qin Yu, it seems that you’re exhausted.”

Qin Yu turned around and looked at Duan Shi coldly, “Sneak attack from behind?”

“Hahaha! So what if we fight head-on!” Duan Shi snorted.

“I have been gifted since I was a child, how can I be inferior to you!”

“I will kill you now!” After saying that, Duan Shi swung his fist!

At this moment, a light gauze robe floated over, and Duan Shi's fist immediately tilted to the side.

Chapter 253: Chapter 253, divine medicine in hand!

He turned around and saw Fang Yue standing in front of Qin Yu.

Duan Shi frowned and said coldly, "Fang Yue, what do you mean?"

Fang Yue chuckled and said, "If it weren't for Qin Yu, we wouldn't have had a chance to get our hands on this divine medicine."

"Isn't it inappropriate to attack now?"

Duan Shi laughed out loud and said, "Fang Yue, when did you become so soft-hearted?"

Fang Yue shook her head and said, "It's not that I'm soft-hearted. I just hope that brother Duan will give me some face."

"Why don't we split this divine medicine equally, how about it?" Qin Yu said.

Hearing this, Duan Shi was even happier in his heart!

It seemed that this Qin Yu really couldn't take it anymore. Otherwise, why would he give in!

Since that was the case, why would he give it to him?

"In Your Dreams!" Duan Shi snorted coldly.

"If you scam now, I might be able to spare your life."

Qin Yu narrowed his eyes and said, "Are you really going to do this?"

“Hehe, do you think I’m joking with You?”Duan Shi roared angrily and rushed towards Qin Yu with one step!

“How dare you!”At this moment, Jiang Gu roared angrily and raised his hand to meet it!

He received Duan Shi’s fist with his palm, but Jiang Gu was still forced back a few steps!

Duan Shi snorted coldly and said, “Old Thing, don’t get in the way!”

Jiang gu said coldly, “With me here, don’t even think about taking a step forward!”

“You’re really a loyal old dog!”Duan Shi sneered.

“In that case, I’ll Kill You First!”Duan Shi roared angrily and raised his foot to charge at Jiang Gu!

However, at this moment, Qin Yu made a shocking move.

He didn’t Help Jiang Gu. Instead, he took this opportunity to charge towards the entrance of the cave!

Duan Shi’s expression changed and he shouted, “Despicable scoundrel! Old Dog, Qin Yu doesn’t care about you anymore. Get lost!”

He didn’t care about Jiang Gu and rushed towards the entrance of the cave with all his might!

It wasn’t just Duan Shi! The others followed closely behind!

They didn’t Expect Qin Yu to abandon Jiang Gu for that divine medicine!

Even Jiang Gu himself felt a bit disappointed!

“What’s the use of running in? Can you swallow it all in one gulp?”Duan Shi sneered.

Everyone quickly rushed into the entrance of the cave!

A thousand-year-old ginseng floated in the air, shining with a holy light.

Qin Yu stood in front of the ginseng with his hands behind his back, as if he was waiting for something.

“Qin Yu, you despicable person!”Duan Shi roared.

“You want to keep the Divine Medicine for yourself? Qin Yu, aren’t you too greedy?”The others also said in a strange tone.

Qin Yu smiled faintly and said, “You guys are right. I do intend to keep the divine medicine for myself. So What?”

Everyone was stunned.

Was this Qin Yu Crazy?

His internal Qi was already extremely weak, yet he still dared to say such words?

“If that’s the case, then don’t blame me for being impolite!”Duan Shi roared and then rushed towards Qin Yu!

“Clang!”

Qin Yu stood there without moving an inch. He didn’t even look at Duan Shi.

Duan Shi’s expression suddenly changed!

How was this possible!

Qin Yu was completely fine with this punch ? !

Could it be that he was faking it just now ?

Duan Shi knew something was wrong. He swung his fist again.

But this punch had the same result. Qin Yu was not affected at all.

“How could this be ?”Duan Shi panicked!

Qin Yu sneered and said, “Don’t think too much. My Aura is indeed almost dry, but unfortunately, there is a restriction around this divine medicine. Your Internal Qi was also suppressed.”

After Qin Yu’s reminder, they realized that they couldn’t use their internal Qi at all!

In other words, in this valley, they could only rely on the strength of their physical bodies!

“How could this be ?”These people were all panicking.

“If he only relied on his physical body, wouldn’t Qin Yu Be Invincible ?”

“Who can compete with him in terms of physical body ?”

Duan Shi’s face was extremely ugly. He subconsciously looked at Jing Lu who was not far away.

“Brother Duan, how could you do such a Thing ?”However, Jing Lu’s words made Duan Shi even more desperate!

“Although we are not friends, I don’t like your behavior,”Jing Lu continued.

Duan Shi said angrily, “Jing Lu, you...”

“PFFT!”

Before Duan Shi could finish speaking, Jing Lu took a step forward and directly punched through Duan Shi’s chest!

“It’s my shame to be friends with you,”Jing Lu shook his head and said.

Duan Shi’s eyes widened, and his huge body fell straight down.

Qin Yu couldn’t help but sneer in his heart.

This Jing Lu was really a ruthless and merciless person.

“Brother Qin, I killed him for you. Take it as an apology,”Jing Lu said with a smile.

Qin Yu didn’t pay attention to him. He sat cross-legged beside the godly medicine and slowly recovered the spiritual power in his body.

During this time, someone tried to approach the divine medicine, but his head was smashed by Qin Yu.

After more than an hour, Qin Yu finally stood up from the ground.

“This divine medicine belongs to me,”Qin Yu said coldly.

Then, he stretched out his hand and directly held the divine medicine in his hand!

The surrounding light disappeared in an instant, and the valley instantly dimmed.

Qin Yu kicked the divine medicine and said coldly, “Everyone, are you still not leaving? I’m leaving first.”

Only then did everyone come to their senses.

They complained bitterly in their hearts.

Not only did they not get anything this time, but they almost died here!

“Congratulations, Brother Qin!”Jing Lu cupped his hands and said.

Qin Yu glanced at him, suddenly raised his hand, and pressed it on Jing Lu’s shoulder!

In an instant, Jing Lu felt a huge force on his shoulders! His knees could not help but sink down!

“Bang!”Jing Lu knelt on the ground!

“Jing Lu, don’t think that I don’t know what you’re thinking,”Qin Yu said coldly.

“Put away your schemes, or else...”

Before he could finish his words, Qin Yu’s strength increased by a few times!

Boom!

Jing Lu’s knees smashed into the ground! He sank down hard!

What BULLSH * t four great geniuses, in front of Qin Yu, they were worthless!

Qin Yu let go of his hands, turned his head and walked out of the valley.

Jing Lu knelt on the ground, his face almost twisted!

“Qin Yu, you dare... you dare to make me kneel!”Jing Lu’s entire body trembled.

“I will definitely kill you, I will definitely kill you!”Jing Lu roared in his heart!

He had been revered as a genius since he was young, but he had never suffered such humiliation!

Qin Yu brought Jiang Gu and strode out of the valley.

After obtaining this divine medicine, Qin Yu was completely confident that he would be able to step into the peak of the foundation establishment stage or even the monastic stage!

At that time, Qin Yu would no longer need to rely on the power of the ancestor to fight against a martial grandmaster.

“Mr. Qin.”

At this moment, Dong Tianhai brought his disciple to Qin Yu.

He cupped his hands and said, “Congratulations, Mr. Qin, for obtaining the Divine Medicine.”

Qin Yu said with a faint smile, “Master Dong, what’s the matter?”

Dong Tianhai couldn’t help but complain in his heart. He braced himself and asked, “Did you... Take the nine revolutions Golden Pill?”

Qin Yu sneered, “Didn’t you say that it was a fake?”

Chapter 254: Chapter 253, God of War, Ye Qing!

Although Dong Tianhai had already guessed it, he still felt extremely regretful when he received the definite answer!

He hurriedly said, “Mr. Qin, I’m willing to offer two herbs in exchange for your nine Transformation Golden Pill!”

Qin Yu sneered, "Forget it."

Previously, Qin Yu didn't know the value of the nine transformation golden pill, so he agreed to Dong Tianhai's offer.

Now, Qin Yu didn't lack Dong Tianhai's two herbs at all.

After saying this, Qin Yu turned around and left.

Dong Tianhai's expression was extremely unsightly. He stood there for a long time without saying a word.

"Master, what do we do now?" Dong Tianhai's disciple asked.

Dong Tianhai slowly said, "It's the will of heaven, it's all the will of heaven..."

...

After obtaining the Divine Medicine, Qin Yu prepared to leave.

"Mr. Qin, if you have time, come to Jiang Bei to play with me," Fang Yue said with a smile.

Qin Yu said with a wry smile, "I'm afraid I Won't be able to go there for a while."

After all, he had offended Gu Jinhong's master. If he went to Jiang Bei, who knew what would happen.

Fang Yue seemed to have guessed it as well. She said with a light smile, "Alright, we'll meet again if we're fated."

"We'll meet again if we're fated." Qin Yu nodded slightly.

After parting ways, Qin Yu drove Jiang Gu back.

On the way, Qin Yu glanced at Jiang Gu through the rearview mirror and said with a smile, “Don’t worry, I Won’t let you come all this way for nothing.”

Although the divine medicine was good, it couldn’t be taken all by itself.

Moreover, Jiang Gu was willing to help Qin Yu at the moment of life and death. Qin Yu would never forget this favor.

“I promise to let you step into the second or even third grade martial grandmaster realm in the near future,”Qin Yu said indifferently.

Hearing this, Jiang Gu was instantly overjoyed!

To him, a first grade martial grandmaster was probably already a bottleneck. He might not even be able to advance one step further in this lifetime!

Jiang Gu said with a face full of gratitude, “Thank You, Mr. Qin!”

It seemed that the Jiang family didn’t make the wrong bet this time.

...

After returning to Bai Town, the first thing Qin Yu did was to look at his vegetable garden.

When he walked into the vegetable garden, he saw that there was nothing in it.

“What... What Happened?”Qin Yu couldn’t help but be stunned.

“Yao Qing! Where’s My Medicine!”Qin Yu said angrily to the house.

After a while, Yao Qing ran out of the room.

He said awkwardly, “Mr. Qin, I used all the medicine... I couldn’t help myself.”

Qin Yu took a closer look. Sure enough, Yao Qing’s strength had improved a lot.

He had successfully stepped into the realm of inner strength master.

“You won’t blame me, right?” Yao Qing said with an embarrassed smile.

Qin Yu waved his hand helplessly and said, “Forget it. Since you ate it, then eat it.”

“I originally planned to give you a portion of this thousand year divine medicine, but now it’s better to forget it.”

Hearing the last sentence, Yao Qing even wanted to die!

...

The news of Qin Yu slaughtering everyone in the deep mountains quickly spread.

The news of the four great geniuses of the Jiang Bei region kneeling down and Gu Jinhong being beheaded spread like wings.

Everyone became more and more curious about the name Qin Yu.

They even guessed that Qin Yu was the Yan family’s plan in the Jiang Bei region.

One afternoon, a car suddenly came from outside.

As soon as the car stopped, they saw Uncle Wu come down.

Then, Xiao Yu jumped down and followed.

“Qin Yu!”

As soon as she saw Qin Yu, Xiao Yu’s face was filled with excitement.

She walked over with an internal Qi of the pugilistic world and hit Qin Yu’s chest. She said, “You’re good. As expected of the man that my sister Ruoxue has taken a fancy to!”

Qin Yu rolled her eyes and said, “You’re just a child. Why are you pretending to be a little adult?”

“You’re the Little One! I’m not little anymore, okay!” Xiao Yu deliberately puffed out her chest.

HMM, she was really not little. This little girl’s growth was indeed not bad.

“Alright, stop pestering your brother Qin Yu.” Uncle Wu waved his hand and said.

Xiao Yu rolled her eyes at uncle Wu and muttered, “I’m not pestering him...”

Qin Yu welcomed Uncle Wu into the house and personally poured him a cup of tea.

Uncle Wu took a sip and could not help but sigh, “Qin Yu, speaking of which, I really find it unbelievable.”

“When I saw you half a year ago, you were just a down-and-out son who had just been kicked out of the house, but now you have such an achievement. Miss Yan’s judgment is really sharp.”

Qin Yu smiled and said, “Everything is just luck. It’s not worth mentioning.”

“Luck?” Uncle Wu smiled bitterly.

People could indeed rely on luck, but they definitely would not go too far.

It was even more impossible for them to become the number one person in Chuzhou like Qin Yu. They could even suppress the four great geniuses of the Jiang Bei region until they could not breathe.

“Uncle Wu, why are you looking for me?” Qin Yu said.

Uncle Wu nodded and said, “I do have something to ask you.”

“To invite me into the Military District?” Qin Yu guessed.

Uncle Wu was stunned. He said in surprise, “How did you know?”

“I guessed.” Qin Yu smiled.

Uncle Wu sighed and said, “As your fame grew, the relevant departments also noticed you.”

“Now, the higher-ups have given a death order. No matter what method is used, you must be invited to join the Military District.”

Qin Yu thought for a moment and smiled, “I can agree to it, but I have conditions.”

Uncle Wu was delighted and quickly said, “You say, as long as I can do it within my authority, I will agree to it!”

Qin Yu said in a deep voice, “First, I can only go once in a while to maintain my freedom. Of course, I will not ask for a position.”

“Second, I Won’t stay in Chuzhou forever, or even in Jiangbei, so I may not return to Chuzhou for a long time in the future.”

Uncle Wu was silent for a moment. He thought for a moment and said, "I can promise you that the military district of Jingdu can give ye Qing such conditions. Our Military District of Chuzhou can do the same."

"Ye Qing?" Qin Yu was stunned.

He had heard this name many times, but he didn't know him at all.

"Who exactly is ye Qing?" Qin Yu asked.

Uncle Wu asked in surprise, "You don't know Ye Qing?"

"I don't know." Qin Yu shook his head.

At the mention of Ye Qing, Uncle Wu's face was filled with admiration.

"Ye Qing is the same as you. Although he was born in Jingdu, he doesn't have any background," uncle Wu said slowly.

"When he first showed his edge, he was suppressed by the aristocratic families of Jingdu."

"But under this suppression, he still became a hero of his generation! He even suppressed all the major families!"

"And after he joined the Military District, he became known as the god of War!"

At this point, Uncle Wu paused. He looked at Qin Yu and said with a smile, "To tell you the truth, back then Miss Yan said that you would become the next ye Qing."

"At that time, I didn't take it seriously, but now I'm starting to believe it."

Qin Yu touched his chin and whispered, "Ye Qing.... I'll remember this name."

Chapter 255: Chapter 255: The Unruly Little Fish

Since Uncle Wu had agreed to all his requests, Qin Yu could not refuse any further, so he could only agree to it for the time being.

“I’ll set off for the provincial capital tomorrow,” Qin Yu said.

Uncle Wu hurriedly nodded and said, “Okay, I’ll wait for you in the provincial capital.”

Then, Uncle Wu left White City with little fish.

After returning to his room, Qin Yu looked at the divine medicine in his hand and fell into deep thought.

The effects of this divine herb were absolutely beyond imagination.

Moreover, divine herbs were hard to come by, so Qin Yu definitely couldn’t waste its effects.

“What pill should I refine...” Qin Yu stared at this divine herb and muttered softly.

Of course, even if this divine herb was directly swallowed, it would have unimaginable effects.

But if it was refined into a pill, the effects would be even greater.

Just like Yao Qing swallowing all the herbs, it was simply a reckless waste of a god’s gift.

“It’s time to try and break through.” Qin Yu put away this divine herb temporarily.

After experiencing this battle, Qin Yu had long felt the critical point of breaking through.

Therefore, he immediately closed his eyes and started breathing exercise, feeling the Qi/spiritual energy and yin energy in his body.

Traces of internal Qi flowed through Qin Yu's meridians and into his entire body.

Under Qin Yu's guidance, his internal Qi began to slowly increase and attack all the acupoints in his body.

Qin Yu did not open his eyes for an entire night.

It was not until the next morning that Qin Yu sat down on the ground.

This time, his physical body had actually improved again!

Although it was not as exaggerated as before, it was enough to show that the strength of the physical body brought by the improvement of the ninth transformation golden core and the level did not conflict!

Qin Yu clenched his fist and muttered in a low voice, "The consumption of Qi/spiritual energy this time is dozens of times more than before..."

It could even be said that the consumption of Qi/spiritual energy from the Qi refining stage to the sixth level of the foundation establishment stage was not as much as the consumption of this small level!

"It seems that the cultivation in the future will become more and more difficult..." Qin Yu could not help but sigh.

After a simple wash, Qin Yu and Yao Qing rushed to the provincial capital.

...

Jingdu, Han family.

A man who looked like a butler walked into the study.

A young man was sitting in the study, holding a book in his hand and flipping through it.

This young man was none other than the son of the first wife of the Han family, Han Wei!

“Didn’t I tell you not to disturb me when I’m Reading?” A hint of displeasure flashed across Han Wei’s face.

The Butler quickly bowed and said, “Young master, there’s something important that I think I should tell you as soon as possible...”

“Something important?” Han Wei raised his eyebrows.

He closed the book in his hand and asked casually, “What is it?”

The butler quickly said, “Han Yilong... was killed...”

“This piece of trash deserved to be killed.” Han Wei snorted lightly.

“All these years, he has been using the name of the Han family to bluff and cheat, but in the end, he is still an inner strength master!”

“This kind of trash is simply a disgrace to the Han family!”

It was obvious that Han Wei did not care about Han Yilong at all, and he even felt a little disgusted.

The Butler was silent for a moment before he said tentatively, “Young master, the person who killed Han Yilong... has a special identity.”

“Oh?” Han Wei raised his eyebrows.

He sneered, “Could it be the young master of some aristocratic family?”

The Butler shook his head and said with a bitter smile, “It’s... It’s that Qin Yu.”

“Qin Yu? !”Hearing this, Han Wei’s face immediately turned cold.

“This Qin Yu... actually dares to provoke my Han family?”Han Wei looked at the Butler coldly.

The Butler said with a bitter smile, “Qin Yu doesn’t even care about you, let alone that Han Yilong...”

Han Wei put his hands behind his back and looked out of the window, not saying a word for a while.

“Trash killing trash, it’s really interesting.”Han Wei touched his chin and said.

The Butler said with a bitter smile, “Young master, although Han Yilong is incompetent, he is still a member of our Han family...”

“If we don’t do anything, the Han family’s prestige will definitely be damaged. At that time... the consequences will be unimaginable...”

Han Wei did not speak for a while, as if he felt that the butler’s words made sense.

“How about... finding someone to teach him a lesson? or directly...”the butler made a gesture of cutting his throat.

Han Wei shook his head and sneered, “No rush, no rush.”

“If I kill Qin Yu Now, Yan Ruoxue won’t let me off easily.”

The butler frowned and asked, “Then what should we do?”

Han Wei sneered, “Can’t we just kill everyone who witnessed it?”

The Butler quickly cupped his hands and said, “Young master, I understand!”

After saying that, he turned around and walked out.

Han Wei looked out of the window, squinted his eyes and said, “Interesting, interesting... Qin Yu, I will personally kill you in front of Yan Ruoxue!”

...

Qin Yu rushed all the way to Uncle Wu’s house.

The food had already been prepared at home to welcome Qin Yu.

As soon as she entered the house, she saw Xiao Yu sitting on the sofa throwing a tantrum.

Meanwhile, Uncle Wu comforted her with a helpless look on his face.

“If you don’t think of a way for me, I will fast, and I will not eat!” Xiao Yu said angrily.

Uncle Wu said with a frown, “Do you think your father is omnipotent? I really can’t help you with this kind of thing...”

“What’s going on?” Qin Yu asked in surprise.

Uncle Wu smiled bitterly and said, “Little Yu insisted that I help him find some connections to get tickets for some celebrity concert.”

“I’m a chief, can I help her do this kind of thing?”

Little Yu widened her eyes and said, “You just don’t want to help me! With your status, it’s nothing to ask someone for a few tickets!”

“Anyway, if you don’t help me, I’ll go on a hunger strike!”Xiao Yu said with determination.

Qin Yu asked in surprise, “What tickets?”

Xiao Yu glanced at Qin Yu and said, “The tickets for the Big Star Yang Jing! She’s very popular now. I stared at her all night last night, and the tickets were empty in less than a minute.”

“Yang Jing?”Qin Yu touched his chin.

He didn’t expect Yang Jing to be so popular. Even Xiao Yu was her fan.

“What’s there to chase after these celebrities? Aren’t they just a bunch of actors?”Uncle Wu muttered at the side.

Hearing this, Xiao Yu became even angrier.

“What do you know! It’s fine if you don’t help me, but you’re still slandering my idol! I want to run away from home!”Xiao Yu stood up angrily and turned around to leave.

Uncle Wu stood by the side, unable to do anything. He could only coax and deceive.

“I can help you get a ticket,”at this moment, Qin Yu suddenly said.

Xiao Yu’s eyes lit up, and he said excitedly, “Really?”

Qin Yu nodded and said, “Of course, but I have a condition.”

Xiao Yu quickly said, “What condition? Hurry up and say it. I’ll agree to it even if I have to work as a slave!”

“Really?”Qin Yu Face Evil Smile.

Chapter 256: Chapter 256, Pendant

Seeing Qin Yu's expression, Little Yu was shocked.

She clutched her chest and said, "You... you pervert, what are you trying to do?"

Qin Yu rolled his eyes and said, "Don't worry, I'm not interested in a brat like you."

"My condition is to eat obediently and listen to your father," Qin Yu rolled his eyes and said.

Xiao Yu was instantly delighted and said excitedly, "Really?"

"Of course, but if your father says you're disobedient, I Won't Give It to you," Qin Yu said with a smile.

"Listen, Listen, I'll definitely listen!" Xiao Yu ran to the dining table excitedly and began to eat in big mouthfuls.

Uncle Wu could not help but give Qin Yu a thumbs up and said, "You still have a way. Sigh, I can't control her anymore."

Qin Yu smiled and said, "Every age has its own ideas. Imposing our ideas on her might not work."

Uncle Wu nodded thoughtfully.

Then, uncle Wu asked, "By the way, where are you going to get tickets?"

Qin Yu said, "I know Yang Jing. Two tickets shouldn't be a problem."

Hearing this, Uncle Wu's admiration for Qin Yu increased.

After dinner, Qin Yu took Yao Qing and prepared to leave.

Before leaving, Xiao Yu kept saying, “Qin Yu, don’t forget. It’s best to get a few more tickets!”

“Don’t worry.”Qin Yu waved his hand.

The car sped all the way home.

Qin Yu checked online and found that Yang Jing’s concert was about two days later.

Qin Yu calculated the time and found that it was exactly the day that Yang Jing came to pick up the medicine.

If I’m not wrong, she will come to me of her own accord, Qin Yu thought to himself.

Then, Qin Yu went online to check Yang Jing’s concert venue and couldn’t help but frown.

“This doesn’t sound like much. It’s simply a dance of demons,”Qin Yu whispered.

Just then, Yao Qing walked in from outside the door.

He said mysteriously, “Mr. Qin, there’s a beautiful woman outside looking for you.”

“Let her in,”Qin Yu said faintly.

Yao Qing pretended to be surprised and said, “It seems that you two have known each other for a long time. What’s up, X Friend?”

“F * ck you!”Qin Yu scolded with a smile and pretended to kick him.

Yao Qing then walked out obediently.

A moment later, Yang Jing walked in from outside the door.

As usual, Yang Jing was still wrapped up tightly.

This also made Qin Yu wonder how Yao Qing could tell that she was a beauty.

After sitting down, Yang Jing took off the mask on her face and her eyes.

“Oh my, I’m suffocating.” Yang Jing panted heavily.

Qin Yu glanced at her and said, “Are you here to get the medicine?”

Yang Jing rolled her eyes and said, “What? I Can’t look for you if I don’t get the medicine? I miss you, Okay?”

“No,” Qin Yu said quietly.

Yang Jing said angrily, “You don’t know what’s good for you! Do you think I really miss you?”

“It’s best if you don’t,” Qin Yu said expressionlessly.

“You!” Yang Jing opened her mouth, but there was nothing she could say.

“Forget it, forget it. Hurry up and get me the medicine,” Yang Jing said impatiently.

However, Qin Yu’s eyes unconsciously looked at Yang Jing’s chest.

Yang Jing noticed Qin Yu’s gaze and immediately covered her chest. She rolled her eyes and said, “Men really don’t mean what they say. How about it? Are you still convinced by Sister’s Figure?”

Qin Yu ignored her. He reached out his hand and reached for Yang Jing’s chest.

Yang Jing immediately panicked, and her face flushed red.

Her heart beat violently, and her body trembled slightly.

Although she had a good impression of Qin Yu, this... Wasn't this too fast?

Just as Yang Jing's thoughts were running wild, Qin Yu reached out and pulled the pendant off her neck.

"Who gave this to you?" Qin Yu stared at the pendant and asked with a frown.

Yang Jing grabbed the pendant back in a panic and said with a frightened face, "You can't touch this pendant. I got it from master. It can bring me good luck. If you like it, I'll take you to ask for another one."

"Master?" Qin Yu raised his eyebrows.

The pendant was filled with yin energy and there were even traces of blood. How could such a thing bring good luck?

"I'm afraid you've been deceived." Qin Yu touched the pendant and felt that it was not simple.

Yang Jing rolled her eyes and said, "What nonsense are you talking about? This is a pendant that can make me burn! It's very effective! And it does bring me good luck!"

After saying that, Yang Jing even put the pendant in front of her chest, afraid that it would be snatched away.

"Do you really think that this thing is going to bring you good luck?" Qin Yu said with a faint smile.

"Of course!" Yang Jing said seriously.

Qin Yu reached out his hand and said, "Give me the pendant."

"Ah?" Yang Jing was stunned.

Qin Yu said, "Don't worry, I won't snatch your pendant. Moreover, I don't lack it."

Yang Jing frowned slightly, as if she was in a dilemma.

A moment later, she still handed the jade pendant to Qin Yu obediently.

After Qin Yu took the jade pendant, he immediately circulated his mental cultivation method.

There were countless mystical arts left in the inheritance. Qin Yu could choose any one of them to exorcise demons and ward off evil.

He dropped a drop of blood essence from his finger on the pendant.

The moment the blood fell, thick smoke immediately rose from the pendant!

Waves of pitch-black yin energy gushed out from it!

In the end, the yin energy slowly took shape in the air, showing one miserable human head after another!

The human heads looked extremely horrifying. Even the most brilliant horror movie couldn't compare to them!

When Yang Jing saw this ghost head, she was so scared that her face turned pale. Her body swayed and she almost fell down!

"What... What is this..." Yang Jing said with trembling lips.

"This is what you hid in your pendant," Qin Yu said coldly.

The ghost head burst out a series of miserable screams in the air, as if it was going to Swallow Qin Yu.

“How dare you act rashly in front of me?” Qin Yu narrowed his eyes and suddenly opened his mouth. The ghost head was directly sucked in by Qin Yu!

The huge ghost head was directly swallowed by Qin Yu!

The scene slowly quieted down. Yang Jing, who was at the side, was already scared out of her wits.

She looked at Qin Yu with a trace of fear in her eyes. Even her body was a few steps away from Qin Yu.

“Why? Are You Afraid?” Qin Yu raised his eyebrows and asked.

Yang Jing swallowed her saliva and whispered, “You... you actually swallowed it?”

Qin Yu said with a faint smile, “To you, it’s an evil thing, but to me, it’s a nourishing holy object.”

Qin Yu paused for a moment and looked at Yang Jing coldly. “Do you know the consequences of wearing this thing?”

Yang Jing hurriedly shook her head, her small face full of grievance.

Qin Yu said coldly, “If you hadn’t met me today, this thing would have killed you.”

Chapter 257: Chapter 257, concert

Yang Jing was so scared that she quickly dodged to the side, afraid to touch the jade pendant.

With a flick of Qin Yu's finger, the jade pendant instantly shattered.

"Don't worry, I will accompany you with a protective jade pendant," Qin Yu said.

No matter what, this jade pendant had brought Qin Yu some benefits.

It was indeed inappropriate not to compensate her.

Yang Jing quickly said, "Qin Yu, thank you. You helped me once again..."

At this point, Qin Yu suddenly remembered about Little Yu.

"By the way, I heard that you are going to hold a concert in the provincial capital soon?" Qin Yu asked.

At the mention of this topic, Yang Jing was suddenly full of energy.

She said with some pride, "What? You also know? I thought you don't chase after celebrities!"

Qin Yu glanced at her and said lightly, "My friend asked for your concert tickets."

"Your friend wants them?" Yang Jing was a little disappointed.

"If you want them, I have no problem with it. As for your friend, forget it," Yang Jing said deliberately.

"Oh, forget it then." Qin Yu stood up and turned to go back to his room.

Yang Jing was so angry that she stomped her feet. She glared at Qin Yu and said, "Why don't you know how to be humorous? Do you treat all girls like this?"

“More or less. There’s only one exception,”Qin Yu said with a smile.

The exception was naturally Yan Ruoxue.

In front of Yan Ruoxue, Qin Yu always acted like a child unconsciously.

Perhaps this was the feeling of being cared for.

“Forget it, forget it.”Yang Jing was like a deflated rubber ball.

“When your friend goes, tell me. I’ll take her to the VIP channel.”

Qin Yu nodded and said, “Thank You Then. I’ll take it as I owe you a favor.”

“PFFT, you’ve helped me so many times. This little favor is nothing,”said Yang Jing.

Qin Yu smiled and didn’t say anything.

Yang Jing didn’t stay here any longer and quickly disappeared into the night.

The next morning.

Qin Yu ran around the area a few times. It had to be said that the morning air was indeed refreshing.

When he went back, it was only eight o’clock in the morning. However, just as Qin Yu reached the door of his house, he saw Xiao Yu waiting there.

“Did you get the tickets?”Upon seeing Qin Yu, Xiao Yu ran up excitedly.

Qin Yu shook his head and said, “No.”

“Ah?”Xiao Yu immediately became anxious.

“There’s only one day left until the concert! I’ve already bragged to my classmates. If you don’t get the tickets, where will I put my old face?” Xiao Yu pouted and said.

Qin Yu rolled his eyes. “Why do you always like to pretend to be an old man at such a young age? Don’t worry. Although I didn’t get the tickets, I can take you through the VIP channel.”

“Really?” Xiao Yu was immediately happy again.

She even jumped up and wanted to kiss Qin Yu on the face.

Unfortunately, Qin Yu dodged it.

“Okay, if there’s nothing else, Hurry home. Don’t waste my time,” Qin Yu said.

“Then don’t Forget Tomorrow...” Xiao Yu muttered.

Qin Yu didn’t say anything. After he went back, Yao Qing walked over with his phone.

“Mr. Qin.” Yao Qing frowned slightly, and his face didn’t look too good.

Qin Yu glanced at him and said, “What’s Wrong?”

Yao Qing took a deep breath and said, “This Gu Taichu has spread the word.”

“Oh?” Qin Yu raised his eyebrows and became interested.

Yao Qing said, “Gu Taichu said that he will only give you three days to go to the Gu family to die. If you don’t go, he will come to Chuzhou personally.”

Qin Yu sneered, “This Gu Taichu is really arrogant. He wants me to die?”

Yao Qing frowned and said, “Mr. Qin, this Gu Taichu is not simple. His strength is far above Jiang Gu and the others.”

“It is said that three years ago, he was already a fifth grade martial grandmaster. Now, his strength is even more unfathomable!”

“There is even a rumor that he can be ranked in the top five in the Jiang Bei Region!”

Qin Yu touched his chin and muttered, “So he is not the first... then what is there for him to be arrogant about?”

Yao Qing was instantly speechless.

He sighed and said, “Mr. Qin, you should hurry up and think of a way.”

“I have to think of a way,” Qin Yu thought to himself.

The strength that the old ancestor of the Earth Fiend Valley had lent him could not last until then.

With Qin Yu’s current strength, it would be very difficult for him to defeat the ancient times.

“It seems that I have to set up a formation in advance,” Qin Yu thought to himself.

Another Day passed.

Qin Yu’s life these two days was quite leisurely. Although he was famous, no one came to provoke him, and no one wanted to become his disciple.

Perhaps because of Gu Taichu, everyone was waiting.

In the afternoon.

Xiao Yu called Qin Yu.

She said anxiously, “Why aren’t you here yet? Did you forget?”

Qin Yu scratched his head.

He really forgot about this matter.

“I’ll go now,” Qin Yu said.

The venue of Yang Jing’s concert was the provincial capital’s stadium.

Qin Yu sped all the way and soon arrived at the venue.

What surprised Qin Yu was that the place was packed with people. They even mobilized relevant personnel to maintain order.

The entire street was filled with people. Some people were hawking their wares, while others were waiting.

“Celebrities are actually so attractive?” Qin Yu didn’t expect this.

With no other choice, Qin Yu could only call Xiao Yu.

After parking the car, Xiao Yu ran over in a hurry.

Beside her was a little girl of the same age as her.

The little girl was dressed quite decently, and there was a small tattoo on her collarbone. It was obvious that she was a rebellious girl.

“Xiao Yu, is this the brother you were talking about? He doesn’t look like much. Can he drive a broken Audi?” The girl sized up Qin Yu and said.

Xiao Yu was speechless and said, “Brother, do you know what an RS7 is? This is a performance car.”

“A performance car is also a lousy Audi. My friends all drive Porsches!”The girl said proudly.

Xiao Yu was too lazy to argue with her. She pulled Qin Yu and said, “How is it? When can you take us in?”

Qin Yu thought for a moment and said, “I’ll give Yang Jing a call.”

“Give Yang Jing a call? Wow, uncle, you’re so good at bragging. How Can Yang Jing Like You?”The girl rolled her eyes.

Even Xiao Yu found it unbelievable.

“Qin Yu, your bragging seems a little unrealistic,”Xiao Yu muttered.

Qin Yu smiled and said, “Just wait and see.”

At this moment, two young men walked over from not far away.

“Xiao Mi, are you here to watch the concert?”The young man asked.

The girl called Xiao Mi quickly said, “Brother Yang Zhao? Why are you here? Did you get the tickets?”

Yang Zhao said indifferently, “With my relationship, it’s no problem to get a few tickets.”

“Wow, brother Yang Zhao is so awesome!”Xiao Mi immediately said excitedly.

After saying that, she looked at Xiao Yu with disdain and said, “Look at brother Yang Zhao, and then look at your friend.”

“It’s okay if you don’t have a ticket, but you still know Yang Jing. It’s hilarious.”

“Know Yang Jing? Hehe, as far as I know, Yang Jing doesn’t seem to have any friends in Chuzhou,” Yang Zhao said faintly.

After saying that, he glanced at Qin Yu and said with a frown, “It’s You? !”

Chapter 258: Chapter 258: excited little fish

Qin Yu sized up the young man and seemed to find him a little strange.

“Do we know each other?” Qin Yu asked with a frown.

Yang Zhao sneered, “Why? Are you pretending not to know each other? Didn’t you drive that Broken Rs7?”

Hearing this, Qin Yu finally remembered.

This kid was the one who drove the M 3 on the highway and shouted.

“Brother Yang Zhao, do you know him?” Xiaomi asked in surprise.

Yang Zhao snorted, “He’s just a coward. I don’t know him.”

With Yang Zhao’s words, Xiaomi became even more excited.

She pulled Xiao Yu and said, “Did you hear that? Brother Yang Zhao said that he’s a coward. How could he know Yang Jing?”

“Exactly. Who Is Yang Jing? She can’t even brag,” Xiaomi snorted.

Xiao Yu stared at him and said, “What are you talking about? You’re the Coward. If you dare to talk nonsense again, I’ll tear your mouth apart!”

Such an intense reaction naturally gave Yang Zhao and Xiaomi a fright.

“No Way, Xiao Yu. Why Are You So Angry?” Yang Zhao scratched his head and said.

“Get lost. Do I know you very well?” Xiao Yu said angrily.

Yang Zhao was embarrassed by the continuous abuse.

He narrowed his eyes and said fiercely, “Your father has already retired from the second-string. What is there for you to be arrogant about? Who is spoiling your bad habit?”

Xiao Yu cursed, “F * ck you! So what if you retired? I look down on you after you retired. You are a piece of SH * t!”

After saying that, Xiao Yu pulled Qin Yu’s arm and said, “Let’s go. Let’s not lower ourselves to their level!”

Qin Yu smiled and said, “Don’t you want to watch the concert?”

“If you don’t want to watch it, then don’t. What’s there to be arrogant about?” Xiao Yu said angrily.

Qin Yu patted Xiao Yu’s head and said, “Alright, wait here for a while. Yang Jing will be here in a while.”

“Still bragging? I just want to see how you’re going to call Yang Jing over,” Xiao Yu snorted.

Xiao Yu seemed to be a little anxious.

She pulled qin yu and whispered, “If you can’t get in, you can’t get in. Don’t Brag! This place is full of her fans. How is she going to get here?”

“Don’t worry. Yang Jing’s dressing skills are... well, top-notch.”

Qin Yu thought of the situation when Yang Jing came to find him and couldn't help but praise her.

Time passed by minute by minute. In the blink of an eye, more than ten minutes had passed.

"The concert is about to start. Why isn't Yang Jing Here Yet?" Yang Zhao seemed to be a little impatient.

"Brother Yang Zhao, he must be bragging. Shall we go in?" Xiaomi blinked her eyes and said.

Yang Zhao said proudly, "Of course, no problem! Come, let's go in!"

"Xiao Yu, if you coax brother Yang Zhao well, maybe you can go in too," Xiaomi said sarcastically.

Xiao Yu was so angry that smoke was coming out of her seven orifices, but she had no way to retort.

"Coming."

At this moment, Qin Yu saw a woman who was dressed very strangely walking over.

This time, she was dressed even more exaggeratedly. She wore a broken hat on her head and a special earthy scarf on her face.

No one would have thought that this would be the star that they would never forget.

"What's Here?" Xiao Yu asked in puzzlement.

Qin Yu pointed at the "Earthy old hat" not far away and said, "Yang Jing is here."

“Hahaha! I’m dying of Laughter!”Xiao Mi laughed exaggeratedly.

“Kid, are you kidding? Yang Jing is a heartthrob. How could she be dressed like this?”Yang Zhao also sneered.

Qin Yu ignored her and just waited quietly.

Soon, Yang Jing came from not far away.

She ran in front of Qin Yu and said carefully, “Let’s go. I’ll take you to the VIP Passage.”

“Hey, stop.”At this time, Yang Zhao stopped Yang Jing.

Yang Jing frowned and said, “What’s the matter?”

Yang Zhao sneered, “You’re dressed like this. Who are you trying to fool? Take off your scarf for me to see.”

“Why do you want to take it off? Why should I listen to You?”Yang Jing said with a cold face.

“Hehe, if you don’t take it off, it proves that you’re fake. It proves that Xiao Yu is lying!”Yang Zhao shouted.

Qin Yu frowned and said, “Don’t bother with them. They’re just idiots.”

Yang Jing was angry. She looked around to make sure no one was paying attention to her. Then, she took off the makeup on her face.

Under the scarf was the Yang Jing that they had been thinking about.

“It... It really is Yang Jing?”Xiaomi swallowed her saliva and was dumbfounded.

“Wow, sister Yang Jing, I like you very much!”Xiao Yu also shouted excitedly.

Qin Yu hurriedly waved his hand and said, “Keep your voice down. Don’t let anyone hear you.”

Only then did Xiao Yu react and quickly covered her mouth.

Yang Jing put on her scarf and said with a dark face, “I don’t like you very much, and I don’t want you to enter the venue.”

Yang Zhao’s expression suddenly changed, and Xiaomi was even more regretful!

So, the two of them couldn’t enter?

A hint of viciousness flashed across Yang Zhao’s face, and then he gritted his teeth and shouted, “Yang Jing, she...”

“Pa!”

Before Yang Zhao could finish his sentence, Qin Yu smashed his back teeth.

Half of his face swelled up.

“Do you want to cause a stampede?”Qin Yu glanced at Yang Jing coldly.

Just as Qin Yu had guessed, Yang Zhao wanted to tell everyone that Yang Jing was here!

At that time, the fanatical fans would definitely cause a stampede! Yang Jing’s future might not be guaranteed!

Yang Zhao covered his face, his face full of anger! But he couldn’t say a word.

“Let’s hurry up and leave.” Yang Jing tugged at Qin Yu’s arm.

Qin Yu nodded.

And so, the few of them walked towards the VIP passage.

Those who could walk through this passage were either their insiders or good friends in the circle.

Along the way, Little Yu was unusually excited and kept expressing her love for Yang Jing.

Then, little Yu said excitedly, “Well done, Qin Yu. I didn’t expect you to really know her! I underestimated you!”

Qin Yu rolled his eyes and said, “Okay, stop talking nonsense. Hurry up and go in.”

After sending Little Yu in, Yang Jing looked at Qin Yu and said with a strange tone, “I didn’t expect you to like this kind of girl. What, is an old cow eating young grass?”

“Don’t talk nonsense. She can only be considered as my sister,” Qin Yu said helplessly.

“Oh, really? What Sister?” Yang Jing snorted.

“None of your business,” Qin Yu rolled his eyes.

“You!” Yang Jing was so angry that she gritted her teeth, but there was nothing she could do.

“Forget it. I Can’t be bothered with you. I have to prepare for my makeup,” Yang Jing said.

“Oh right, I have reserved a seat for you,” Yang Jing said before she left.

Qin Yu calculated the time. This concert would take two hours.

Since he had nothing to do, he might as well go in and take a look.

Therefore, Qin Yu walked into the venue and found a place to sit down.

Chapter 259: Chapter 259, threats

The venue was filled with noise. Amidst the cheers of the crowd, Yang Jing finally stepped onto the stage.

It had to be said that Yang Jing was indeed shining brightly on the stage. She was quite infectious.

Fortunately, Qin Yu was surrounded by Yang Jing's friends, so other than Little Yu, no one else was cheering wildly.

Qin Yu was not interested in this kind of concert, so he simply closed his eyes and felt the inner strength in his body.

Streams of spiritual sense were released under Qin Yu's guidance.

Now, Qin Yu's spiritual sense was a bit stronger. Although it couldn't be compared to Fang Yue's, it could cover the entire concert with ease.

“Eh?”

Soon, Qin Yu felt a strong internal Qi in this concert.

“There are actually martial artists coming to watch the concert?” Qin Yu touched his chin and subconsciously looked back.

According to the direction of his spiritual sense, Qin Yu looked at a distance not far away.

What surprised Qin Yu was that the other party was also looking at Qin Yu.

Their eyes met, and the other party quickly shifted his gaze to the stage.

Qin Yu frowned slightly.

The other party was a man in his thirties. This person looked ordinary, but his internal Qi was quite strong.

Qin Yu guessed that the other party was at least a grandmaster, or even a peak grandmaster.

“Who is it?” Qin Yu touched his chin, feeling puzzled.

However, Qin Yu didn't think too much about it. A mere grandmaster couldn't hurt him.

Time flew by, and two hours passed in a flash.

The performance on the stage also began to come to an end.

Yang Jing was holding a farewell ceremony on stage, and many of the fans were crying.

Even Little Yu's eyes were red, and she looked reluctant to leave.

Qin Yu rolled his eyes and said, “That's enough. There are plenty of opportunities for you to see him.”

Little Yu rubbed her eyes and stammered, “You don't understand.”

The concert ended with a series of cheers.

As soon as it ended, Qin Yu couldn't wait to pull Xiao Yu back.

Although Xiao Yu was very reluctant, he was still pulled out by Qin Yu.

Fortunately, Qin Yu and the others left early. Otherwise, they would have been stuck in traffic for the rest of their lives.

After sending Xiao Yu home, Qin Yu drove home.

Qin Yu had too many things to do at the moment. The invitation from the Military District and Gu Taichu's clamor gave Qin Yu a headache.

After rushing home, Qin Yu prepared another formation to fight Gu Taichu.

However, as soon as Qin Yu arrived home, he saw two people standing at the door.

One of them was old and the other was young. The young one was the one Qin Yu met at the concert.

Qin Yu frowned slightly. He walked forward and asked in a deep voice, "Why are you looking for me?"

The young man smiled and said, "Mr. Qin, we meet again."

"Who are you?" Qin Yu asked expressionlessly.

"Hehe, Mr. Qin, you once killed one of our members. Have you forgotten about this matter?" The old man said indifferently.

Hearing this, Qin Yu frowned even more.

Killed one of their members? Why didn't he have any impression?

"Mr. Qin is really forgetful," the old man said indifferently.

"The tragic death of our members in South city is Mr. Qin's masterpiece," the old man said with a faint smile.

Qin Yu finally remembered.

Back in South City, Qin Yu helped Lu Shuming kill an enemy named Scarface.

Scarface had said that his organization would come to seek revenge.

But he didn't expect it to be so late. Qin Yu had almost forgotten about this matter.

"Are you here for revenge?" Qin Yu narrowed his eyes and asked indifferently.

The old man laughed and said, "Mr. Qin, you are wrong. That kind of ant, it doesn't matter if it dies. What's the point?"

"Oh?" The doubt on Qin Yu's face grew more.

"Then what do you mean?" Qin Yu asked.

The old man said indifferently, "Why don't we talk in the room?"

"I don't think there's a need. If you have something to say, just say it here," Qin Yu said expressionlessly.

These organizations were all swindlers, so Qin Yu naturally didn't like them.

The old man wasn't angry. He smiled and said, "Okay, let me introduce myself. I'm Xing Hongtao, a consultant of the Hong Yi sect."

Hong clan?

Was this the name of that organization?

Qin Yu frowned and said, "What do you want from me?"

Xing hongtao smiled faintly and said, “To tell you the truth, the Hong Clan has always been vengeful. No one dares to kill a member of our Hong Clan.”

Qin Yu said somewhat impatiently, “Can we get straight to the point?”

Xing hongtao laughed loudly and said, “It seems that Mr. Qin is a straightforward person.”

“According to our previous rules, we must take your life and establish the might of our Hong Yi sect.”

“However, our elders admire Mr. Qin’s potential as well as his alchemy skills, so we specially invited you to join the Hong Yi sect.”

“As for the conditions, feel free to state them. Whether it’s money, herbs, or cultivation techniques, we will never be stingy!”

After hearing Xing Hongtao’s words, Qin Yu couldn’t help but sneer.

Although he didn’t know much about Hong Yi sect, he had heard from Lu Shuming that Hong Yi sect almost didn’t dare to enter the border.

This was enough to prove that what they did was definitely not a good deed.

“Sorry, I’m not interested,”Qin Yu said expressionlessly.

Xing Hongtao said with a smile, “Mr. Qin, why are you in such a hurry to refuse? I can give you a few days to consider.”

“There’s no need to consider it. I said I’m not interested,”Qin Yu said expressionlessly.

“If there’s nothing else, I’m going home.”

After saying that, Qin Yu turned around and left.

“Stop!”

At this time, the young man suddenly shouted!

An invisible wall appeared in front of Qin Yu, Blocking Qin Yu’s way!

“Why? Do you still have something to do?” Qin Yu narrowed his eyes and said.

Xing Hongtao said with a faint smile, “Mr. Qin, it’s okay if you don’t join the Hong Yi sect, but you have to hand over the formula for the nine transformation golden pill as compensation for our Hong Yi sect.”

“Nine Transformation Golden Pill?” Qin Yu frowned slightly.

How did they know? Could it be that Dong Tianhai had released the news?

“Mr. Qin, as long as you hand over the formula for the nine transformation Golden Pill, our Hong Yi sect will never bother you again,” Xing Hongtao said with a faint smile.

Qin Yu slowly turned around.

He looked at Xing hongtao coldly and said, “What if I don’t hand it over?”

“If you don’t hand it over, you won’t be able to leave!” The young man shouted.

“You won’t be able to leave?” Qin Yu’s face turned cold. He suddenly threw a punch backward, and the invisible wall was instantly shattered!

“With such a clumsy technique?” Qin Yu said coldly.

The young man's expression suddenly changed, and his heart was somewhat shocked.

Xing hongtao chuckled and said, "As expected of the king of Chuzhou. You live up to your reputation!"

Qin Yu said with a cold face, "It's best if you don't bother me anymore."

After saying that, Qin Yu walked home.

"Mr. Qin, if you don't hand over the formula for the nine transformation golden core, our Hongyi sect will definitely not let you off!" Xing Hongtao shouted from behind.

Qin Yu, who had intended to go home, immediately stopped when he heard these words.

He turned around and said with narrowed eyes, "Are you threatening me?"

Chapter 260: Chapter 260, the origin of the Hong clan

Facing Qin Yu's question, Xing Hongtao said with a faint smile, "Mr. Qin, you can understand it that way, but we don't have to go to such an extent."

"As long as you agree to join us, we will definitely give you abundant resources," Xing Hongtao said patiently.

Qin Yu said coldly, "Why? Don't you understand what I said?"

Seeing Qin Yu's unyielding attitude, Xing Hongtao knew that it was almost impossible to rope Qin Yu in.

Therefore, he said with a faint smile, “Alright, Qin Yu, let’s pretend that we never came.”

After saying this, Xing Hongtao turned around and left with the young man.

However, at this moment, Xing Hongtao suddenly felt a chill behind his back!

“Not good!” Xing Hongtao cursed inwardly. He was about to turn around, but it was already too late!

Qin Yu’s fist smashed onto his back!

This punch directly shattered Xing Hongtao’s bones! His body was sent flying!

“Qin Yu, you actually dare to make a move?” The young man immediately shouted.

Qin Yu raised his hand and smashed his head.

In the distance, Xing Hongtao crawled up from the ground.

He narrowed his eyes and said, “Qin Yu, if you kill us, the Hong family will definitely not spare you!”

Qin Yu sneered, “Since we have already formed an enmity, why should I let you go?”

Xing Hongtao’s expression immediately changed!

He was filled with regret. If he had known this would happen, he wouldn’t have made such an absolute statement!

Qin Yu walked toward Xing Hongtao step by step, and a towering killing intent surged toward him!

Xing Hongtao was a zongshi realm pinnacle expert, so his strength wasn't to be underestimated.

Facing Qin Yu's killing intent, Xing Hongtao didn't wait for his death.

He spat out a mouthful of silver needles, and they shot toward Qin Yu!

Qin Yu frowned slightly. These silver needles were too small, and Qin Yu didn't guard against them at all.

The silver needles entered the space between Qin Yu's eyebrows.

A drop of blood flowed down the bridge of his nose.

Qin Yu touched the blood on his nose, and his expression became even gloomier.

Xing hongtao laughed out loud and said, "Qin Yu, you have already been hit by my Hong Yi Divine Needle. You will definitely die within three days! If you admit your mistake now and hand over the formula of the nine transformation golden pill, I might be able to give you the antidote!"

Qin Yu narrowed his eyes and said, "Three days, right? This is enough for me to kill you ten thousand times before."

Xing Hongtao immediately panicked and said with some fear, "Qin Yu, you... Don't you want to live anymore? !"

"I'd rather die than be threatened by a person like you," Qin Yu said coldly.

He raised his big hand and directly slapped Xing Hongtao's head.

“Heaven-devouring technique!”

After an explosive shout, Xing Hongtao’s face immediately distorted.

The pain made him shout again and again!

In a short while, Xing hongtao became a dried corpse. He fell to the ground and no longer had any life.

Qin Yu looked at Xing Hongtao’s corpse and reached out to grab it, then threw it into the yard.

After returning home, Qin Yu was surprised to find that Yao Qing was lying on the bed with no idea whether he was dead or alive.

“Yao Qing!”Qin Yu was a little anxious.

He hurried over to check his injuries.

Fortunately, Yao Qing was only unconscious and did not suffer any fatal injuries.

Qin Yu transferred Qi/spiritual energy to him. A moment later, Yao Qing slowly opened his eyes.

“Mr. Qin, there was an old man just now...”

“I know everything. Rest well,”Qin Yu interrupted Yao Qing.

Then, he turned around and returned to his room to sit cross-legged.

Qin Yu was somewhat worried about Xing Hongtao’s shot.

He didn’t dare to neglect it. He immediately closed his eyes and used his soul consciousness.

He saw a small black dot in his golden soul consciousness.

And this black dot was spreading at an extremely slow speed.

“Not good,”Qin Yu murmured.

He tried to control his soul consciousness to erase this black dot, but he found that the black dot seemed to be embedded in his soul consciousness. It couldn't be erased at all.

This made Qin Yu extremely uneasy. Although he didn't know what consequences the black dot would bring, if he didn't deal with it, there would definitely be consequences.

That night, Qin Yu tried almost all methods, but he couldn't erase the black dot. He could only stabilize it temporarily and not let it spread in his spiritual sense.

When he woke up, it was already the second day.

“I was careless. I was tricked by him.”Qin Yu took a deep breath, and a serious expression flashed across his face.

At this moment, the sky was already bright.

There was only one day left until the time mentioned by ancient times.

“Uncle Wu should take me to the military district today,”Qin Yu thought to himself.

He didn't have much time left, so Qin Yu hurriedly began to set up a formation.

He could feel that the power left behind by the Earth Fiend Valley's patriarch was already dissipating.

It wouldn't be long before Qin Yu was beaten back to his original form.

This formation wasn't difficult for Qin Yu, but this place was a peaceful place and didn't have any yin energy to support it.

After thinking about it, Qin Yu suddenly thought of the stone statue!

The stone statue contained endless yin energy. If it was used as the formation core, this problem would naturally be solved!

"I'm really a F * CKING GENIUS!" Qin Yu thought to himself.

Of course, using the stone statue as a formation core also had a hidden danger.

If it was discovered, it was very likely to be destroyed.

Then the formation would also collapse in an instant.

Qin Yu found a relatively hidden place and placed the stone statue inside.

After checking a few times and confirming that there was no problem, Qin Yu heaved a sigh of relief.

It was also at this time that Uncle Wu brought Xiao Yu to the door.

As soon as they got out of the car, Xiao Yu ran excitedly towards Qin Yu.

"Qin Yu, I have something important to look for you. You have to help me no matter what!" Xiao Yu said impatiently.

Qin Yu said helplessly, "What is it this time?"

Xiao Yu said, "It's that Yang Zhao from last night. He said that he wants to run a lap with you."

“Run a lap?” Qin Yu frowned.

Without thinking, he refused, “I’m not interested.”

“Aiya, if you don’t go, he will definitely make things difficult for me...” Xiao Yu muttered softly.

Qin Yu rolled his eyes and said, “I have a lot of things to do. I don’t have time to play with you kids.”

Uncle Wu also berated him, “Xiao Yu, stop fooling around. I have something important to discuss with your brother Qin Yu today.”

Although Xiao Yu was a little unwilling, she still obediently ran to the side.

Uncle Wu walked forward. He pointed at the corpses in the courtyard and frowned, “What’s going on?”

Qin Yu said, “This person came from the Hong Yi sect. He attacked me last night and was killed by me.”

“Hong Yi sect?!” Uncle Wu’s expression changed slightly and a grave expression appeared on his face.

“Uncle Wu, you know of the Hong Clan?” Qin Yu asked.

Uncle Wu nodded slightly and said in a low voice: “A few years ago, this Hong clan used the name of the Hong Clan to swindle and swindle, to burn, kill, and plunder, and they were very powerful. It was said that there were people who surpassed the great grandmaster level among them.”

“It was only a few years ago, when ye Qing made a move, that they were driven out of the Fire Country Pyro.”

“And they have been doing well overseas, like a raging fire, with countless experts under them.”

Qin Yu nodded his head, and he had a general understanding of Hong Yi men.

“How did you get yourself into trouble with such an organization?” Uncle Wu asked with a frown.

Chapter 261: Chapter 261: not willing to be punished

Qin Yu sighed, “It’s a long story.”

Uncle Wu said in a deep voice, “Why don’t we arrange for you to enter the war zone first? No matter how arrogant the Hong family is, they won’t dare to go against the war zone.”

“That won’t be necessary,” Qin Yu said with a smile.

“Right, according to the agreement, today is the day I go to the war zone, right?” Qin Yu suddenly remembered.

Uncle Wu nodded and said, “That’s why I’m here. If it’s convenient, we’d better set off now.”

Qin Yu nodded and said, “No problem.”

“Little Yu, let’s go.” Uncle Wu shouted in Little Yu’s direction.

Little Yu opened her mouth as if she had something to say.

“Say what you want to say.” Qin Yu smiled and said.

Little Yu waved her hand like a little adult and said, “Forget it, forget it. I’ve already promised you to listen to my father’s words. We’ll keep our word.”

“TSK tsk, you’re quite a trustworthy person,”Qin Yu teased.

“Of course! Otherwise, how would I be able to roam the jianghu?”Xiao Yu sniffed at her little nose with a proud expression.

It had to be said that many adults could not compare to Xiao Yu in this aspect.

The car sped all the way and arrived at the war zone.

The security of the war zone was extremely strict. There were two armed soldiers standing at the door, and an invisible pressure followed.

After the car drove over, uncle Wu showed his identity and the door slowly opened.

In the office, officer Guo and Little Yu had been waiting for him for a long time.

When he saw Qin Yu, Little Yu ran over excitedly.

“Mr. Qin, your deeds have been spreading. My ears are getting calluses,”little Yu said respectfully.

Qin Yu smiled and said, “Officer Yu, don’t Tease Me.”

“No, no, no.”Xiao Yu hurriedly shook his head.

“I really want to acknowledge you as my master!”Xiao Yu’s eyes were full of admiration.

“Okay, today Qin Yu is here on official business. Don’t mess around,” officer Guo scolded from the side.

Xiao Yu was standing to the side resentfully.

“Old Guo, I’ll leave the matters here to you,” uncle Wu said to officer Guo.

Officer Guo nodded and said, “Officer Wu, please rest assured!”

It could be seen that uncle Wu had indeed retreated to the second line. Not to say that he did not have any real power in his hands, but it was about right.

After Uncle Wu left, officer Guo invited Qin Yu into the guest room and made a pot of good tea.

Xiao Yu was serving tea at the side while officer guo sighed and said, “Who could have imagined that you would grow so fast?”

Qin Yu smiled bitterly and said: “Officer Guo, please don’t make fun of me. Let’s get back to business.”

Officer Guo nodded his head and said in a serious tone: “Based on your request, we are planning to invite you to become a specially appointed coach for the battle region of Chuzhou.”

“Specially appointed coach?” Qin Yu was a little surprised.

Officer Guo nodded his head and said: “The Yan country will hold a few competitions for the battle regions every year and Chuzhou has always been a weak spot. Besides Jiang Gu, almost no one else can bring it up.”

“Jiang Gu is also a businessman. His entire heart and soul is focused on his clan and he has always ignored the invitations from the battle regions.”

“This has also caused our Chuzhou battle region to always be at the bottom.”

Qin Yu suddenly came to a realization.

He took a sip of his tea and asked: “Chief Guo, can you tell me the average strength of the Warriors?”

Chief Guo said with a wry smile: “The average strength of the exhibitors has just reached the level of a master.”

Qin Yu said in surprise, “So weak?”

Officer Guo rolled his eyes and said, “Do you really think that martial artists are like cabbages by the roadside?”

Qin Yu touched his chin. It seemed to be the case.

The reason why Qin Yu felt so much was that he had set foot on this road and entered this circle.

When Qin Yu was still an ordinary person, he had never met a single martial artist.

This was enough to show that martial artists were very scarce.

“Officer Guo, may I ask, which battle zone is the one with the best results now?” Qin Yu asked.

“Of course, it’s the Jingdu Battle Zone!” Before officer Guo could answer, Xiao Yu said.

Officer Guo nodded and said, “That’s right. After all, there is a ye Qing in the Jingdu battle zone. Ye Qing left them a lot of body-tempering techniques long ago.”

“This has also caused the JINGDU battle region to be far ahead.”

Qin Yu rubbed his chin.

In terms of cultivation techniques, Qin Yu was really not afraid of anyone.

Even if it was those top aristocratic families in Jingdu, Qin Yu did not feel that they were stronger than him.

It was just that it was not so easy to find a suitable person for these soldiers.

“Qin Yu, don’t be too pressured,” officer Guo said.

“The higher-ups don’t have high expectations for you. It’s enough as long as you’re not the last one this year,” officer Guo said bitterly.

Qin Yu did not respond to him. Instead, he asked, “Officer Guo, how much longer until the competition?”

Officer Guo said in a low voice, “According to the time in previous years, it should be the end of the year.”

The end of the year...

Qin Yu calculated the time. There were still two months left.

It was enough.

There were countless spells left in his father’s inheritance. Any one of them was enough to let the Warriors make a breakthrough.

Taking a step back, if it was really not possible, Qin Yu could still refine pills to forcefully increase the strength of the Warriors.

“How about this? In a month, I will come to conduct special training for the Warriors,” Qin Yu said.

“A month?” Officer Guo was obviously a little surprised.

He said tactfully, “Qin Yu, although this request isn’t high, but... If we can get a better result, it’ll naturally be better...”

Qin Yu stood up and said with a faint smile, “I’ll let Chuzhou battle region take the first place in this competition.”

“What? First Place?!” Officer Guo suddenly stood up.

Qin Yu nodded and said, “That’s right, first place.”

Xiao Yu, who was at the side, said with an embarrassed smile, “Mr. Qin, it’s not that I’m looking down on you. Although you’re strong now, you’re still far from being comparable to ye Qing.”

Qin Yu smiled and said, “Indeed, in terms of strength, I naturally can’t be compared to War God Ye.”

“But in terms of cultivation technique foundation... War God ye might not be my match,” Qin Yu said with a faint smile.

Officer Guo and Xiao Yu suddenly looked at each other in disbelief.

Qin Yu didn’t explain to them. He stood up and said, “If you don’t get first place, officer Guo can hold me accountable.”

Seeing Qin Yu so confident, officer Guo didn’t say anything else.

“Qin Yu, if you really get first place, you’ll be the hero of the battlefield in Chuzhou. We’ll definitely reward you!” Officer Guo said seriously.

“There is no need for the reward. Just treat it as a contribution to the country,” Qin Yu said with a smile.

Qin Yu didn't stay in the Chuzhou battle zone any longer. He didn't even go to the special forces to take a look before he left.

“Officer Guo, do you think what Mr. Qin said is true?” After Qin Yu left, Xiao Yu couldn't help but ask.

Officer Guo said with a bitter smile, “It's easy to be complacent when you are young. Qin Yu clearly doesn't know what the word ‘ye Qing’ means....”

Chapter 262: Chapter 262, Gu Taichu

After Qin Yu returned home, he quietly waited for Gu Taichu's arrival.

According to the agreement, Gu Taichu would arrive in Chuzhou the next day to take revenge for his disciple.

“Mr. Qin, Gu Taichu is still saying that he will give you one last day,” Yao Qing said in a deep voice.

“This matter has become a hot topic on the Internet,” Yao Qing said with a frown.

Qin Yu raised his eyebrows and asked in surprise, “On the Internet?”

“Yes.” Yao Qing took the phone and handed it to Qin Yu.

After Qin Yu took it, he found that the screen showed a place called the martial arts forum.

“Martial arts forum... I've never heard of it,” Qin Yu said with a frown.

Yao Qing explained, “This is the official forum of the Jingdu Martial Arts Association, and also the gathering place of this circle.”

“Basically, whatever happens, it will be the first to be posted on this forum.”

Then, Yao Qing pointed to a post at the top and said, “This is the news from Gu Taichu.”

Qin Yu opened it and took a look. She saw Gu Taichu spouting nonsense on the internet, threatening to get rid of Qin Yu.

The Jiangbei region covered many provinces and could be said to be a place full of hidden dragons and Crouching Tigers.

Even in ancient times, it could not be ranked first in the Jiangbei region.

Because there were too many hidden experts in the Jiangbei region.

Qin Yu opened the thread and took a look. Countless people were commenting below.

“This Qin Yu is indeed extremely arrogant. He is clearly a junior, but he is actually so arrogant.”

“You can’t say that. One must have a backbone. You Can’t rely on your seniority to make others bow and scrape, right?”

“Qin Yu represents the power of the new faction! He also represents the new generation!”

Basically, the forum was divided into two factions. One supported Qin Yu, and the other supported Gu Tai Chu.

After all, Gu Tai Chu had been famous for many years. Naturally, there were more people who supported him.

Qin Yu thought for a moment and said, “Help me respond to one. Say that I’m waiting for him in Chuzhou.”

Yao Qing’s expression changed slightly. He frowned and said, “Mr. Qin, if that’s the case, it won’t be easy to end things...”

Qin Yu glanced at him and said, “Do you think Gu Taichu will go back on his word? A person like him will definitely care about his reputation very much.”

Yao Qing hesitated for a moment and finally agreed.

Then, Yao Qing replied online, “Gu Taichu, I’ll wait for you in Chuzhou.”

Just a few words had made this news that was about to fall silent become popular again!

In just a few short hours, this post had received over a thousand replies!

No one had expected that Qin Yu would actually take the initiative to respond!

The next day.

The Jiangbei Region Martial Arts Association even sent a reporter to watch this matter.

Meanwhile, Qin Yu got up early and stood in the courtyard, waiting for Gu Taichu.

What was surprising was that Gu Taichu did not appear from morning till evening.

This made people's jaws drop.

Could it be that Gu Taichu was afraid? Facing the provocation of a junior, he was actually indifferent?

Even Qin Yu felt that it was a little strange.

With Gu Taichu's ability, it was not a problem to deal with Qin Yu. Why would he go back on his words?

"Strange." In the dark, the people from the martial arts association could not help but frown.

"Could it be that Gu Taichu is really afraid?"

"Forget it, let's retreat first. It's better to send people to interview Gu Taichu," the reporters said in a low voice.

Then, they left Chuzhou.

...

The Jiangbei region covered five whole provinces.

Chuzhou was the weakest of them all.

The most powerful martial artist was Bin Province.

And Gu Taichu was from Bin Province.

At this moment, in a medium-sized Chinese-style mansion in Peach Blossom City in Bin Province, an old man with white hair was drinking tea.

"Master, why did you break your promise?" His disciple looked a little angry!

However, Gu Taichu didn't say anything and just drank tea.

The tea he drank was extraordinary and each piece was emerald green.

The most shocking thing was that this tea contained a dense qi/spiritual energy!

The density of Qi/spiritual energy was almost comparable to hundreds of years old herbs!

“How many pieces of this tea are left?” At this moment, Gu Taichu suddenly looked at his disciple and asked.

His disciple said, “There are three pieces left.”

“Three pieces... in a flash, dozens of years have passed,” Gu Taichu muttered softly.

His disciple frowned and said, “Master, where did this tea come from? Why do you take it so seriously?”

Gu Taichu had always been extremely cautious about this tea. Even his disciple had no idea where it came from.

Facing his disciple's question, Gu Taichu hesitated for a moment, then slowly said, “This tea is called enlightenment tea. It was once given to me by an expert.”

“Enlightenment Tea?” His disciple seemed a little surprised.

Gu Taichu sighed, “That was fifty years ago. Thinking back, I was just an ordinary warrior...”

Fifty years ago, Gu Taichu's talent was average. Not to mention a great grandmaster, even a great master had to work hard.

And during a training trip, Gu Taichu met an expert who was traveling.

It was that man who casually gave Gu Taichu more than ten pieces of enlightenment tea.

It was also because of this enlightenment tea that Gu Taichu was born today.

“If I remember correctly, that expert’s surname should be Qin,” Gu Taichu whispered.

“The same surname as Qin Yu?” His disciple was a little surprised.

Gu Taichu didn’t say anything else.

He put his hands behind his back, stood up, and looked into the distance. He murmured, “I really don’t know. My good fortune was given to me by that expert casually. I really don’t know if Qin Yu is related to that expert...”

It was precisely because of this reason that Gu Taichu suddenly canceled the preparation to look for Qin Yu.

“Master, won’t you know whether it’s related or not after you go and take a look?” His disciple suggested.

Gu Taichu was silent for a moment before saying, “Pick a suitable time to go to Chuzhou.”

“Yes, Master.”

...

Gu Taichu did not come, but Qin Yu’s formation was not in a hurry to be removed.

Because no one knew if Gu Taichu would suddenly visit.

At this moment, at a large bar in the provincial capital.

Yang Zhao was partying on the dance floor, looking extremely happy.

“Young Master Yang, what’s so happy?” A woman wearing a bottom-hugging skirt walked up and asked.

Yang Zhao said proudly, “That little fish has agreed to compete with me. She said that as long as I win, she will listen to me.”

“Oh? Compete with Young Master Yang? Are you so overconfident?” The bottom-hugging skirt asked in surprise.

Yang Zhao sneered and said, “I originally invited that Qin Yu, but for some reason, Little Fish volunteered to compete with me.”

“If that’s the case, then don’t blame me for being impolite...” a hint of lust flashed in Yang Zhao’s eyes.

Thinking of Little Fish’s graceful figure and tender face, Yang Zhao felt an evil fire in his lower abdomen.

He couldn’t wait to travel to that day.

Chapter 263: Chapter 263 — never give up

Yang Zhao was quite pleased with himself that night, so he drank quite a bit.

After leaving the house, he was even more disoriented.

He went alone to the underground garage. Just as he was about to drive home, he felt a chill down his spine.

Yang Zhao subconsciously turned around and saw a creepy old man sitting behind him.

“Ah!”

Yang Zhao was so scared that his whole body trembled. He was more than half sober!

The old man raised his hand and pressed on Yang Zhao’s shoulder. The huge force made Yang Zhao unable to move!

“Uncle... I’ll give you as much money as you want. Don’t kill me...”Yang Zhao was so scared that he almost peed his pants.

The old man looked at Yang Zhao darkly and then poked his head over.

A strong stench of bad breath immediately assailed his nostrils.

This made Yang Zhao, who was already drunk, almost spit out.

“Little Yu that girl... Our Earth Fiend Valley has taken a liking to her. You... can’t touch her...”the old man said gloomily.

Yang Zhao was stunned.

This old man actually took a liking to Little Yu?

And what Earth Fiend Valley was he talking about? What was that?

“I want you to take her to a deserted place after the competition tomorrow, and then hand her over to me...”the old man said in Yang Zhao’s ear.

Although Yang Zhao coveted Little Fish’s body, under such circumstances, how could he have the courage to refuse.

“Good, good. Don’t worry, I’ll definitely do it!” Yang Zhao hurriedly nodded.

Although he said yes, Yang Zhao was sneering in his heart.

When I run away, who do you think you are? Just find someone to arrest you and it’s Done!

As for Little Fish, that’s mine!

Obviously, the old man had guessed what he was thinking.

The old man stretched out his finger, and a sinister head appeared in front of Yang Zhao.

Seeing this scene, Yang Zhao was so scared that he almost fainted, and his crotch was yellow.

“You better do as I say, or else... I will make your life worse than death!” The old man shouted shrilly.

Yang Zhao was so scared that he was out of his mind. He covered his eyes and shouted desperately, “Definitely, definitely!”

After saying this, there was no more movement from the backseat.

Yang Zhao mustered up his courage and looked back.

He saw that there was no one in the backseat.

Yang Zhao wiped the sweat off his forehead and said with lingering fear, “What is that thing? It’s too scary...”

...

The next day.

Gu Taichu did not show up, which gradually made Qin Yu lower his guard.

However, he still did not put away the formation. After all, Qin Yu had to be on guard against an expert like Gu Taichu.

On this day, Qin Yu took Yao Qing out to the herbs market to buy a batch of herbs to grow in Bai town.

Coincidentally, not long after Qin Yu and Yao Qing left the house, they bumped into Xiao Yu and Xiaomi.

“Xiao Yu? Where are you going?” Qin Yu greeted Xiao Yu.

Xiao Yu said in surprise, “What a coincidence! I didn’t expect you to be here!”

Xiaomi said with her eyes wide open, “Some people are really not men.”

Xiaomi kept staring at Qin Yu when she said this.

This made Qin Yu a little puzzled. He couldn’t help but frown and said, “Are you talking about me?”

“Who else can you talk about if not me?” Xiaomi snorted.

“Xiaomi She...”

“Okay, stop talking.” Xiaomi was about to speak, but was interrupted by Xiaomi.

Then, Xiaomi hurriedly greeted Qin Yu and ran away with Xiaomi.

Seeing their expressions, Qin Yu was confused.

“I don’t think I provoked her...” Qin Yu scratched his head.

“Who can guess a little girl’s Thoughts?” Yao Qing mumbled.

He went to the herbs market and bought a sack full of herbs. When he went home, the sky had darkened.

After sealing up these herbs, Qin Yu went back to his bedroom and took out the divine herb.

‘since Gu Taichu hasn’t come yet, I should consider going into seclusion,’ Qin Yu thought to himself.

With this divine herb, Qin Yu was prepared to try to break through to the monastic stage.

As long as he entered the monastic stage, Qin Yu was confident that he wouldn’t be afraid of any martial grandmaster, even a young master like Han Wei.

After thinking about it, Qin Yu decided to go back to Jiangcheng and go into seclusion.

There were too many people in the provincial capital, and it was easy to attract unnecessary trouble.

Just as Qin Yu was thinking, his phone suddenly rang.

He picked up the phone and saw that the caller was an unfamiliar number.

“Hello?” After picking up the phone, Qin Yu called out tentatively.

The other party scolded, “Qin Yu, you really aren’t a man! Just because of you, Little Yu offended Yang Zhao, don’t you know!”

From her voice, it seemed to be Xiaomi’s.

However, what she said made Qin Yu somewhat puzzled.

If there was a real reason, wasn't it still because of Xiaomi?

"What do you mean?" Qin Yu frowned.

Xiaomi gnashed her teeth and said, "Yang Zhao wants to race with you. If you don't agree, Xiao Yu will personally go up and compete with Yang Zhao."

"In the end, Yang Zhao deliberately stopped the car on the track. Now, Xiao Yu is already unconscious!" Xiaomi gnashed her teeth and said.

"Let me tell you, Xiao Yu promised Yang Zhao that as long as he lost, he would listen to Yang Zhao. That Yang Zhao is a pervert. You decide for yourself!"

After saying that, Xiaomi directly hung up the phone.

Qin Yu frowned. After thinking for a while, he searched the nearby car track and then drove away.

At this time, in the car track.

Yang Zhao was famous for being dirty on the track. Most of the drivers who competed with him wouldn't get off the track unscathed.

The inexperienced Xiao Yu was even forced to flip the car by Yang Zhao.

In the car, Xiao Yu was unconscious with multiple injuries.

"Don't worry, I'll send her to the hospital right away." Yang Zhao pretended to be righteous.

"Yang Zhao, if anything happens to Xiao Yu, I won't let you off!" Xiao Mi said angrily.

Yang Zhao glanced at Xiaomi and said sarcastically, “Didn’t you call me brother Yang Zhao a few days ago?”

“Who knew you were a despicable, shameless, and despicable person!”Xiaomi cursed.

Yang Zhao’s face immediately darkened.

He narrowed his eyes and sized up Xiaomi. Suddenly, his heart throbbed:

Although Xiaomi’s beauty was not as good as Xiao Yu’s, it was definitely top-notch!

Besides, Xiaomi’s background wasn’t as complicated as Xiaoyu’s. If they were to play together... It would be a good choice!

“Why didn’t I notice this Xiaomi before...”Yang Zhao couldn’t help but size up Xiaomi with a lecherous look.

Xiaomi stared at him and said, “What are you still standing there for? Hurry up and take Xiaoyu to the hospital!”

Yang Zhao thought for a moment and said with a wicked smile, “Xiaomi, why don’t You Come with me to take Xiaoyu to the hospital? I’ll go alone. Do You Trust Me?”

Hearing this, Xiaomi couldn’t help but frown

After thinking for a moment, she nodded and said, “I’ll go with you. If anything happens to Xiaoyu, I’ll definitely not let you off!”

“Okay, no problem!”Yang Zhao couldn’t help but smile evilly in his heart.

When we reach the destination, see if I won’t play you to death!

Then, Yang Zhao carried Xiaoyu and walked into the car.

Looking at Xiaoyu's snow-white and smooth legs, Yang Zhao liked them more and more. He almost drooled.

But when he thought of last night's scene, Yang Zhao couldn't help but shiver. In the end, he didn't dare to make a move.

Yang Zhao drove away from the race track and headed towards a remote mountain.

At this moment, there was an old man waiting on the mountain.

Chapter 264: Chapter 264: Xiao Yu's accident

The old man on the mountain had his hands behind his back, and a cold light burst out of his eyes.

Meanwhile, Yang Zhao was driving fast on the road.

Looking at the two beauties in the car, Yang Zhao couldn't help but swallow his saliva.

Especially Xiao Yu, her figure and face were simply irresistible.

"Forget it, having Xiao Mi is enough..." Yang Zhao thought to himself.

"Yang Zhao, this doesn't seem to be the way to the hospital, right?" Xiaomi frowned.

Yang Zhao said with a lecherous look, "Don't worry. I have a friend who is a godly doctor. He's much better than the hospital!"

Xiaomi frowned even more.

She always felt that this Yang Zhao was lying.

Moreover, his gaze made people feel very strange.

The further they walked on this road, the darker it became. Soon, there were almost no signs of human habitation in the surroundings.

“Let’s go to the hospital,”Xiaomi said with some fear.

Yang Zhao smiled evilly. “We’re almost there. What are you afraid of? Don’t worry. You’ll be happy soon...”

Hearing this, Xiaomi became even more afraid.

She shook the car door, but found that it was locked.

“Put us down quickly. I’m not going!”Xiaomi said anxiously.

But Yang Zhao didn’t listen at all. He drove all the way to the foot of the mountain.

“We’re here.”Yang Zhao stepped on the brakes and stopped the car in front of the old man.

Looking at the surrounding environment, Xiaomi’s face was extremely ugly, and her heart was incomparably panicked!

She opened the car door and turned around to run, but Yang Zhao grabbed her hair!

“B * Tch, you want to run now? It’s Too Late!”Yang Zhao said fiercely.

Xiaomi struggled desperately, but she was just an ordinary girl. How could she be a match for Yang Zhao?

Yang Zhao raised his hand and slapped Xiaomi’s face. He cursed fiercely, “You’d better F * cking behave yourself! Otherwise, I’ll kill you!”

Xiaomi was so scared that her face was pale, and she couldn't help but cry.

Her whole body trembled, and her lips trembled as she said, "Yang Zhao, you... What do you want to do..."

"Hehe, Little Slut, what do you think I want to do? You still dare to Scold Me, right?" Yang Zhao gnashed his teeth and said.

At this moment, the old man said indifferently, "Not bad, there are unexpectedly unexpected gains."

"Ah?" Yang Zhao was stunned.

The old man raised his finger, and a powerful force immediately pressed towards Xiaomi.

Almost in an instant, Xiaomi directly fainted.

Then, the old man waved his hand, and Xiaomi was directly grabbed by the old man.

Seeing the old man's methods, Yang Zhao was dumbstruck.

He had never seen such a magical ability!

For a moment, Yang Zhao thought this old man was a living immortal!

"Well, he is actually a virgin. Well done." The old man nodded with satisfaction.

Yang Zhao's face changed, and he said boldly, "Old... Old Immortal, this girl is mine. Can you give her to me..."

The old man narrowed his eyes and looked coldly at Yang Zhao.

Yang Zhao instantly felt a chill on his back and cold sweat flowed down his back!

He hurriedly knelt down and begged for mercy. “Old Immortal, I was wrong. This girl is yours...”

The old man snorted coldly and said indifferently, “From today onwards, you will be in charge of finding me a woman. Remember, as long as you are a virgin, the younger the better.”

Yang Zhao was stunned. He smiled embarrassedly and said, “Old Immortal, I didn’t expect you to have such a hobby...”

When the old man heard this, he immediately raised his hand and pressed down!

The terrifying qi force directly made Yang Zhao kneel on the ground and not get up!

“Old Immortal, I was wrong...”Yang Zhao hurriedly said.

The old man then withdrew his Qi force and snorted coldly, “Remember, in the future, find me three virgins every month. The younger the better, understand?”

“Yes, yes...”Yang Zhao nodded desperately.

“Don’t worry, there will be no lack of benefits for you.”With that, the old man flicked his finger, and a pill fell into Yang Zhao’s hand.

Yang Zhao took the pill, and his glasses couldn’t help but be a little puzzled.

“This pill came from the hands of my Earth Fiend Valley Elder. It is a holy pill. After taking it, it will have a magical effect on you,” the old man said indifferently.

Yang Zhao hurriedly nodded and said, “Thank you, Old Immortal!”

In the next second, the old man reached out and grabbed Xiao Yu and Xiao Mi, disappearing into the night.

Yang Zhao wiped his sweat, feeling a lingering fear in his heart.

This old man’s methods looked too scary...

He carefully put away the pill, then drove home.

...

On the other side.

Qin Yu was speeding toward the race track.

But when he arrived at the race track, he found that Yang Zhao had long disappeared.

Qin Yu frowned slightly. He looked at the people on the track and asked coldly, “Where’s Yang Zhao?”

A few young men sized up Qin Yu and said impatiently, “Who are you?”

“I’m asking you where Yang Zhao is,” Qin Yu said coldly.

The young man waved his hand and said, “How would I know? Get lost!”

After saying that, the young man reached out and pushed Qin Yu’s chest.

Qin Yu immediately grabbed his wrist and suddenly exerted force. The young man immediately grimaced in pain and shouted.

“I’m asking you, where is Yang Zhao?” Qin Yu said coldly.

The young man hurriedly said, “Big Brother, something happened to Yang Zhao just now. He took a girl named Xiao Yu to the hospital...”

“Hospital?” Qin Yu frowned slightly.

“Big Brother, can you let go first...” the young man said in pain.

Qin Yu let go of his hand, and the young man immediately heaved a sigh of relief.

“What happened exactly?” Qin Yu asked coldly.

The young man smiled bitterly and said, “Yang Zhao said that he wanted to hook up with that girl named Xiao Yu, so he made a bet with her on car racing.”

“But for some reason, Yang Zhao deliberately stopped the car during the race, causing Xiao Yu to overturn the car, causing her to fall into a coma...”

“Later on, he took Xiaoyu and her friend called Xiaomi to the hospital...”

Qin Yu’s expression instantly turned extremely cold.

He didn’t say anything else and turned around to walk out of the door.

After walking out of the door, Uncle Wu’s call came in.

“Qin Yu, why hasn’t Xiaoyu returned home yet?” Uncle Wu muttered.

Qin Yu frowned and said, “I was just about to tell you about this.”

“Ah?” Uncle Wu was stunned.

“Isn’t Xiaoyu with you?”

Qin Yu frowned and said, “No...”

Then, Qin Yu told Uncle Wu the whole story.

After uncle Wu heard it, he was furious!

“This Yang Zhao... how dare he have designs on My Daughter? I will never forgive him!” Uncle Wu roared angrily.

“Uncle Wu, the most important thing right now is to find Xiaoyu first,” Qin Yu said in a deep voice.

“How about this? Find out which hospital Xiaoyu is in. I’ll go find Yang Zhao. Let’s split up,” Qin Yu said.

“Okay, okay. I’ll go find someone to ask!” Uncle Wu said quickly.

After hanging up the phone, Qin Yu turned around and returned to the racing field.. He grabbed a random young man and rushed to Yang Zhao’s house.

Chapter 265: Chapter 247, heading to the Disha Valley

On the way, Qin Yu’s car drove extremely fast.

And the young man beside Qin Yu was so frightened that his face turned pale.

“Brother, I... I don’t know anything. Please spare me...” the young man said with an embarrassed smile.

Qin Yu glanced at him and said, "I won't do anything to you. As long as you bring me to Yang Zhao's door, I will let you go."

"Yes, yes..."the young man hurriedly nodded.

After driving for about half an hour, they finally stopped at the door of a villa.

"Brother, this is the Yang family. Do you see the room with the lights on? That is Yang Zhao's bedroom."The young man said eagerly.

Qin Yu nodded. Then, he lightly exerted strength under his feet and his body directly soared into the air!

"What the..."the young man rubbed his eyes and was dumbstruck.

In the room.

Yang Zhao was holding the pill and studying it.

"I wonder how much this thing will be worth if I sell it..."Yang Zhao thought to himself.

"I don't care about him. Let's try it first."

After saying this, Yang Zhao opened his mouth, wanting to stuff the pill into his mouth.

At this moment, the window suddenly burst open!

Then, he saw Qin Yu leap out of the window and approach.

The moment he saw Qin Yu, Yang Zhao was instantly stunned.

"What are you doing here? Get out of here right now, do you hear me?"Yang Zhao got up from the bed and cursed.

Qin Yu ignored this sentence and asked coldly, “Where’s Little Yu?”

“What little fish, big fish, how would I know!” Yang Zhao cursed angrily.

“Get the hell out of here, or I’ll call for Help!”

Qin Yu’s face turned cold. He raised his finger, and a wisp of spirit energy instantly shot out like a bullet!

“Bang!”

A bloody hole appeared on Yang Zhao’s knee, and both of his knees suddenly kneeled down!

“My leg...” Yang Zhao covered his calf in pain!

“I’ll ask again. Where’s little fish? If you don’t tell me, I’ll kill you.” Qin Yu’s body burst out with surging killing intent!

This killing intent was extremely terrifying, even more intense than the one on that old man’s body!

This made Yang Zhao extremely terrified! His face was deathly pale!

He said in a trembling voice, “You... What do you want to Do? Let me tell you, don’t do anything reckless...”

Qin Yu waved his large hand, directly slamming Yang Zhao onto the ground!

The enormous force made Yang Zhao vomit blood continuously!

“One last time, where’s Little Yu!” Qin Yu shouted explosively.

At this time, Yang Zhao was completely frightened to the point of peeing. He hurriedly said, “Don’t kill me, don’t kill me... Xiao Yu was taken away by an old man...”

“Old Man?” Qin Yu frowned.

“What exactly happened? Tell me clearly!” Qin Yu shouted angrily.

Yang Zhao painfully told Qin Yu what happened.

“That old man also said that I have to find three virgins for him every month,” Yang Zhao said anxiously.

“Oh right, as a reward, he also gave me a Pill!”

Yang Zhao took out the pill from his pocket and held it in his palm.

Qin Yu took the pill and glanced at it. He couldn’t help but be a little surprised.

This pill... was actually filled with Qi/spiritual energy?

But now was not the time to pay attention to this. Qin Yu put the pill away and then asked, “Where is that old man?”

“I don’t know either... I don’t even know him...” Yang Zhao said bitterly.

Qin Yu narrowed his eyes and said coldly, “It seems that you don’t cry until you see the coffin...”

“Don’t, don’t, I really don’t know!” Yang Zhao shouted desperately.

“I remember now. He said something about the Disha valley... Yes, it’s the Disha Valley!” In his panic, Yang Zhao remembered what the old man said.

When he heard the words ‘Disha Valley’, Qin Yu’s face instantly turned extremely cold!

Even the temperature of the room dropped to the freezing point in an instant!

“This Disha valley... really doesn’t change after repeated lessons.” Qin Yu took a deep breath, a flash of anger in his eyes.

“Brother, I’ve told you everything I know. It really has nothing to do with me...” Yang Zhao said with some fear.

Qin Yu didn’t have the time to care about Yang Zhao. He jumped into the air and jumped out of the window.

After leaving Yang Zhao’s house, Qin Yu drove to Uncle Wu’s house.

When he arrived, Uncle Wu was calling nonstop to find out which hospital Xiao Yu was in.

As soon as he saw Qin Yu, Uncle Wu rushed over.

He said with some panic, “Qin Yu, where is Xiao Yu? Is there any news?”

Qin Yu nodded. He looked at Uncle Wu and said in a low voice, “Little Yu, she...”

“What happened to her? Tell me!” Uncle Wu was so anxious that he was about to cry.

“Little Yu was taken away by the people of the Disha Valley.” Qin Yu sighed.

“The Disha Valley?” Uncle Wu frowned, “Where is the Disha Valley?”

“It’s an organization in the southwest. They specially select the Yin Qi of uncultivated young girls to use for cultivation.”Qin Yu said coldly.

“Previously, I thought the Gu Worm on Little Yu was released by your enemy. Now it seems that the Earth Fiend Valley has already targeted Little Yu,”Qin Yu said slowly.

After hearing Qin Yu’s words, uncle Wu immediately became anxious.

He grabbed Qin Yu’s shoulder and said with tears in his eyes, “I only have one daughter, I can’t lose her. Qin Yu, you must help me think of a way, I can’t Lose Little Yu...”

As he spoke, Uncle Wu’s tears flowed out.

Looking at Uncle Wu’s attitude, Qin Yu couldn’t help but sigh in his heart.

His parents would always love him the most, no matter when.

“Uncle Wu, don’t worry. I’ll definitely bring Xiaoyu back safely,”Qin Yu comforted him.

Uncle Wu wiped his tears and said anxiously, “As long as you bring Xiaoyu back, I’ll listen to You!”

“Uncle Wu, you should rest first. I’ll leave now and head to the southwest,”said Qin Yu.

After saying this, Qin Yu turned around and left the Wu family.

He sat in the car and called Jiang Gu.

At this time, Jiang Gu was not asleep. After receiving Qin Yu's call, he said in surprise, "Mr. Qin, why are you calling me in the middle of the night?"

Qin Yu said in a deep voice, "Do you know the location of the Disha Valley?"

Jiang Gu was stunned and frowned, "Mr. Qin, why are you asking this all of a sudden?"

"I'm going to save people," Qin Yu said coldly.

"Save people?" Jiang Gu was even more confused.

"I don't have time to explain to you now," Qin Yu said with a frown.

Jiang Gu said in a deep voice, "I know the location of the Disha Valley, but... the Disha valley is mysterious and unpredictable. Even if a martial grandmaster went in, he would probably die..."

Qin Yu let out a long breath and said, "Okay, I'll wait for you at the airport."

Jiang Gu was stunned and said awkwardly, "I have to go too?"

"Who else will lead the way for me?" Qin Yu said.

"I'll give you half an hour." After saying that, Qin Yu directly hung up the phone.

Although the murder of little fish was not very related to Qin Yu, it had a direct connection.

In other words, Qin Yu was not the root cause, but the direct cause.

Therefore, Qin Yu had to get to the bottom of this matter.

Chapter 266: Chapter 266, Qin Yu' s father

Moreover, Qin Yu couldn't tolerate the actions of the Earth Fiend Valley.

Over the years, they had kidnapped countless young girls and harmed countless families!

“The Earth Fiend Valley... must not exist!”Qin Yu gnashed his teeth in extreme anger!

...

Jiang Gu quickly arrived at the airport. After buying the tickets, the two of them took a plane to the southwest.

“Mr. Qin, although the Earth Fiend Valley has declined over the years, it shouldn't be a problem to deal with one or two martial grandmasters,”said Jiang Gu.

Qin Yu nodded and said, “I know.”

Jiang Gu opened his mouth, wanting to say something, but in the end, he didn't say anything.

After this period of understanding, Jiang Gu had already understood Qin Yu's character.

Once a decision was made, no one could say anything.

Sitting on the plane, Qin Yu took out the stone statue.

The Earth Fiend Valley's Patriarch's strength had already reached the deadline, Qin Yu didn't know if he could borrow it a second time.

After thinking about it, Qin Yu finally gave up this idea.

Moreover... Qin Yu also wanted to know how his current strength was.

Just as Qin Yu was about to put away the stone statue, a piercing pain suddenly came to his mind!

Then, Qin Yu's spiritual sense was sucked into the stone statue.

As usual, as soon as Qin Yu's spiritual sense entered the stone statue, he was slapped to the ground by the Patriarch of the Disha Valley!

His methods were extremely fierce and ruthless, and he directly attacked the spiritual sense. Even Qin Yu grimaced in pain.

“Have you found the way to break the seal?”The patriarch said coldly.

Looking at the patriarch in front of him, Qin Yu couldn't help but recall the evil deeds done by the Earth Fiend Valley.

This also made Qin Yu's face turn cold. He wished he could kill the patriarch right away!

But in the end, Qin Yu still endured it.

He took a deep breath and tried his best to maintain a smile. “According to the patriarch, we have found it.”

When the patriarch heard it, he was instantly overjoyed!

“Quick, quickly remove the seal for me!”The patriarch roared crazily!

A series of ear-piercing sounds almost shattered Qin Yu's spiritual sense!

Qin Yu endured the pain and said wryly, “Patriarch, the seal has been found, but there was an accident.”

“What ? !”The patriarch was furious. He suddenly raised his hand and pinched Qin Yu’s spiritual sense in it.

“Ah! !”

The pain was beyond imagination. Qin Yu’s face instantly turned extremely pale, and his whole body trembled non-stop!

Qin Yu’s body was sweating profusely, and his face was pale.

“Are you kidding me ? ! Accidents happen again and again. Do you think I’m Stupid ? !”The patriarch said coldly.

“I think you just don’t want me to go out. You are coveting the Earth Fiend Valley!”

Qin Yu suppressed the anger in his heart and said, “Patriarch, I absolutely have no such intention. It’s that Qin Yu... I don’t know where he got the news and snatched the method to remove the seal...”

“Qin Yu ? It’s that Qin Yu Again!”At the mention of this name, Patriarch was furious to the point of madness!

“I want to kill him, I want to tear him into ten thousand pieces! Pull out his tendons and skin him!”

Looking at the furious look of the patriarch, Qin Yu laughed coldly in his heart.

“Patriarch, the chaotic body indeed lives up to its reputation. Even if I borrow your strength to step into the Grandmaster realm, I’m still not his match.”Qin Yu sighed.

The patriarch did not seem to be surprised.

He looked at Qin Yu coldly and said, “The chaotic body is invincible among those of the same level. It’s not a rumor. It’s understandable that you’re not his match.”

“Patriarch, what should we do now? If we don’t get rid of this Qin Yu, the Earth Fiend Valley will disappear, and you will never be able to leave this place...”Qin Yu sighed.

Patriarch glanced at Qin Yu and did not speak for a long time.

A few minutes later, he suddenly said, “I will temporarily lend you all my strength, but I will enter a dispirited state.”

“AH? Then how can I be embarrassed...”although he said this, Qin Yu’s heart was so excited that it almost jumped up!

This idiot actually wanted to lend him all his strength!

“Patriarch, if you will be injured, please forgive me for not being able to accept it!”Qin Yu pretended to be terrified and said.

The patriarch sneered and said, “It doesn’t matter. I only need the blood essence of a thousand young girls, and I will be able to recover to my peak.”

Hearing this, Qin Yu wanted to tear this patriarch into pieces immediately!

A thousand young girls were actually so insignificant in his mouth!

The Disha Valley had existed for so many years, how many people should it have harmed?

Qin Yu almost couldn’t hold it in, but for the sake of the overall situation, he still braced himself and said, “Well, this is the only way for now.”

The patriarch nodded and said, “But remember, you can only last for three days. You must kill him within these three days.”

“Three days is enough.”Qin Yu nodded and said.

The patriarch didn't say anything more and immediately began to activate the spell.

At the same time, Qin Yu's spiritual sense also left the stone statue and returned to his original body.

“Mr. Qin, are you okay?”Jiang gu asked worriedly.

Qin Yu waved his hands repeatedly, but his expression was somewhat unsightly.

Waves of power that did not belong to him surged wildly toward Qin Yu's body!

Qin Yu's body found it difficult to withstand such a huge force for a moment!

His Dantian was about to explode, and his abdomen was throbbing with pain!

Qin Yu's forehead was full of sweat. He gritted his teeth tightly, and his entire body was almost curled up!

“No... I have to hold it in, or else my Dantian will explode...”Qin Yu could clearly feel that his Dantian had reached the critical point of collapse!

If he were to transmit even a sliver of it, his Dantian would definitely shatter!

“It’s over...”Qin Yu’s face was pale and his heart was incomparably terrified!

At this moment, Qin Yu’s Dantian lit up with a ray of light!

The light seemed to suddenly come out from the darkness, and in the end, it actually turned into a large golden hand!

The huge hand directly covered Qin Yu’s Dantian.

The violent power instantly became like a stream, and it stabilized.

Qin Yu couldn’t help but be stunned.

Whose Hand was this? Where did it come from? Why did it appear in his body?

Before Qin Yu could react, the huge hand had already disappeared without a trace.

Qin Yu’s face was filled with shock as countless thoughts flashed through his mind.

“Could it be...”Qin Yu suddenly thought of something.

“Could it be a backup plan left behind by Father?”Qin Yu muttered in a low voice.

Other than his father, Qin Yu couldn’t think of any other possibilities!

“It must be like this, it must be like this!”Qin Yu couldn’t help but feel a little excited!

From a young age, Qin Yu had always envied the children of other families.

And this kind of lack of familial affection made Qin Yu feel a little inferior in his heart.

He felt that he was a child that no one loved, and even hated his parents.

But it was only now that Qin Yu slowly realized.

Although his father did not accompany Qin Yu to grow up, but in the dark, he had already paved the way for himself.

“Father...”Qin Yu muttered in a low voice, and he could not help but cry.

Sure enough, there was no one who didn't love their child.

However, why did his father never come to see him?

Chapter 267: Chapter 267, an ancient tower

Qin Yu didn't speak for a long time, and Jiang Gu didn't dare to say anything.

After a long time, Qin Yu slowly sighed.

“Mr. Qin, what... is wrong with you?”Jiang Gu couldn't hold it in anymore.

Qin Yu shook his head and smiled, “Nothing.”

He gently clenched his fist. As expected, the realm of a Martial Grandmaster had returned.

Originally, he didn't want to borrow this old ancestor's strength, but unexpectedly, he licked his lips and insisted on sending it over.

Then there was no other choice. He could only ‘be forced’to borrow the power of the Disha Valley to get rid of the Disha Valley.

Chuzhou was very far from southwest cloud state, so the plane stopped at an airport midway.

After the stop, a few people boarded the plane.

Originally, there was no one at Qin Yu's side, but after the stop this time, a girl boarded the plane.

This girl was about twenty years old, and she was dressed very cutely.

And there was a young man beside her. The young man was dressed in a tight suit, and his aura was extraordinary.

Qin Yu looked closely and found that this young man was actually at the peak of the Internal Qi master realm.

This made Qin Yu somewhat surprised.

"I didn't expect to meet an internal Qi master on the plane..." Qin Yu touched his chin and thought to himself.

At this moment, the girl took out a pile of snacks from her bag and handed a bag to Qin Yu politely.

Qin Yu waved his hand and said, "I don't want to eat."

The girl put the snacks aside and said with a smile, "Are you going to Yunzhou Too?"

Qin Yu didn't have much time to chat, so he just nodded.

However, the girl was quite enthusiastic. She said to herself, "My name is Tang Ling, and that's my friend Cheng Cai."

Qin Yu nodded and didn't say anything. Instead, he closed his eyes slightly.

At this time, Cheng cai frowned and said, “Why Are You So Rude?”

“Aiya, it’s okay.”Tang Ling quickly waved her hand.

Then, Tang Ling sat on the plane and began to eat snacks carefully.

Meanwhile, Cheng Cai’s gaze fell on Jiang Gu.

He stared at Jiang Gu for a long time, then leaned forward and whispered, “Are you a martial artist?”

Jiang gu glanced at him without saying anything.

Cheng Cai was not angry. He said excitedly, “From your internal Qi, you are at least a grandmaster, right?”

Jiang gu frowned and asked, “What’s the matter?”

Cheng Cai quickly waved his hand and said, “Nothing, nothing. I’m just curious... you should be a master, right?”

“A first grade martial grandmaster,”Jiang Gu said indifferently.

When he heard these words, Cheng Cai’s eyes instantly lit up!

He excitedly said, “Greetings, senior! I didn’t expect to actually meet an expert like you on the plane!”

After that, Cheng Cai started chattering non-stop, continuously expressing his respect.

Jiang Gu was so annoyed that his face turned ashen. He couldn’t help but say, “Do you have anything else? If there’s nothing else, I want to rest.”

Cheng cai hurriedly said, “Senior, please rest first.”

The surroundings finally quieted down. Jiang gu closed his eyes slightly and restrained the internal Qi on his body.

The plane passed by in the high sky and sped toward Yunzhou.

At this time, Xiao Yu and Xiao Mi had already been caught in the Disha Valley.

On the way to the Disha Valley, the old man fed Xiao Yu a pill.

After taking the pill, Xiao Yu unexpectedly woke up.

Even the wounds on her body were slowly healing.

At this moment, Xiao Yu and Xiao Mi were imprisoned in a dungeon.

This dungeon was specially used to lock up young girls who were not in a human condition. At a glance, there were at least hundreds of people in the dungeon.

Every young girl's face was filled with fear.

They were shouting and shouting desperately, but no one could come to save them.

“Xiao Yu, what should we do now...”Xiaomi grabbed Xiao Yu's arm in fear, her whole body trembling non-stop.

Xiao Yu was also afraid, her tender face was filled with fear.

Looking at the surrounding environment, Xiao Yu was on the verge of breaking down.

But at this moment of difficulty, Qin Yu's figure flashed through her mind unconsciously.

Whenever she thought of Qin Yu, Xiao Yu's heart was filled with a sense of security.

"Don't be afraid, we'll be fine." Looking at the Crying Xiaomi, Xiao Yu held back her fear and comforted her.

However, Xiaomi couldn't suppress the fear in her heart.

She was born in the city, so how could she have ever seen such a scene?

To Xiaomi, this dungeon was a living hell!

"I don't want to die, Xiaomi, I don't want to die..." Xiaomi was so scared that her tears flowed down her face, and her pupils shrank.

"It's all that Qin Yu's fault. If it weren't for him, we wouldn't have been caught and brought here..." Xiaomi said with a bit of a breakdown.

Hearing this, Xiaomi said somewhat speechlessly, "Wasn't it Yang Zhao who harmed us? You Don't blame Yang Zhao, but you blame Qin Yu?"

"If it wasn't because Qin Yu rejected you, we wouldn't have fallen for Yang Zhao's trick..." Xiaomi said with a trembling voice.

Xiao Yu was instantly speechless. She was extremely speechless and didn't say anything more.

She glanced at her surroundings. The entire dungeon was filled with helpless young girls.

"When I get out, I'll definitely get my dad to eradicate this place!" Xiao Yu underestimated her.

"You want to get out of here? Stop Dreaming," someone next to her snorted.

“As long as you come here, you can forget about leaving.”

Hearing this, Xiao Mi became even more desperate. She couldn't help but burst into tears in the dungeon.

A hint of fear flashed across Xiao Yu's face.

She was only a teenager. If she were to be locked up here for the rest of her life, it would be worse than death!

At such a critical moment, for some reason, Qin Yu's figure flashed across Little Yu's mind.

“Qin Yu...” Little Yu looked at the glimmer of light outside and could not help but mutter softly.

...

The plane flew high in the sky for seven hours before landing.

At this time, the sky turned white.

Qin Yu looked at his watch. It was five o'clock in the morning.

“I hope Little Yu is okay...” Qin Yu clenched his teeth and clenched his fist unconsciously.

“Senior, where are you going?” On the other side, Cheng Cai was still following Jiang Gu closely.

Jiang Gu glanced at him and said coldly, “An ancient tower.”

“What a coincidence!” Cheng Cai's eyes lit up.

He hurriedly said, “We are also going to an ancient tower! Senior, Can We Go Together?”

“There’s no need to go together,”Qin Yu said expressionlessly.

Cheng Cai glared at Qin Yu and berated, “Did I ask you? Who Wants to go with you?”

After saying that, Cheng Cai looked at Jiang Gu with an embarrassed smile.

“Senior, let’s go together. We can take care of each other on the way...”

Jiang gu snorted lightly. He ignored Cheng Cai and walked to Qin Yu. He bowed and said, “Mr. Qin, I will arrange a car now.. Please wait a moment.”

Chapter 268: Chapter 268, breaking the heavenly gate

After hearing Jiang Gu’s address, Cheng Cai couldn’t help but be stunned.

These two people were actually together?

And this senior actually called him Mr. Qin?

“Humph, he must be a rich young master,”Cheng Cai said coldly.

He tried to sense Qin Yu’s internal Qi and found that Qin Yu’s strength was so low that it could be ignored.

This confirmed Cheng Cai’s thoughts.

“Why don’t We Go Together? We have already arranged a car,”Tang Ling said while pointing at an off-road vehicle not far away.

It was indeed a waste of time to look for a car now that the matter was urgent.

Qin Yu thought for a moment and nodded, “Okay, thank you.”

Therefore, they got into the car together and rushed to an ancient tower.

Along the way, Cheng Cai was chattering non-stop.

“It’s said that this ancient tower is mysterious and unpredictable. It even sells a top-grade pill. As long as you take it, you can increase your strength,” Cheng Cai said.

Tang Ling also nodded and said, “Oh right, and you can even make a wish. Many people say that making a wish here is especially effective!”

“Mr. Qin, they are talking about the Disha Valley,” Jiang Gu said softly at the side.

Qin Yu frowned slightly. He looked at Jiang Gu with puzzlement and said, “The Disha Valley actually sells pills?”

“That’s right, and the industry is extremely huge,” Jiang Gu said in a deep voice.

Qin Yu snorted coldly and said, “I don’t believe what they say. The Disha Valley is an evil sect, and its purpose is definitely not simple.”

Jiang Gu sighed and said, “Yes, the Disha valley is definitely not for money, but no one knows what it is for.”

The carriage sped along and soon arrived at an ancient tower.

Although the name of the ancient tower was “Tower”, it was actually a small hill. However, on the hill, there was something similar to a signal tower.

On the signal tower hung a golden plaque, which recorded all kinds of mysterious history.

Qin Yu sized up the signal tower and couldn't help but frown.

“Do you feel that this signal tower is a bit strange?” Qin Yu said in a deep voice.

Jiang gu hurriedly nodded and said, “This signal tower seems to be emitting a strong spiritual power, making people unconsciously yearn for it.”

“The power of Faith?” Qin Yu whispered.

It was said that the power of faith was the purest power, and its effect was beyond imagination.

“I don't have time to think too much. Let's go,” Qin Yu said in a low voice.

Then, they rushed toward the small hill.

A long stone ladder was built under the hill.

The stone ladder was at least dozens of meters long, and two warriors stood on both sides of the stone ladder.

Qin Yu glanced at them and found that the two warriors had reached the master realm.

“Are there any conditions to enter this place?” Qin Yu frowned and asked.

“Of course, if you want to enter this place, you must have a devout heart. Otherwise, you don't have the qualifications to enter,” Tang Ling explained with a smile.

Cheng Cai glanced at Qin Yu and said intentionally or unintentionally, “Many rich second-generation heirs want to use money to cheat their way through, but unfortunately, they haven’t succeeded.”

These words obviously referred to Qin Yu. In Cheng Cai’s opinion, Qin Yu was a useless young master from a rich family.

And Jiang Gu was Qin Yu’s bodyguard.

Qin Yu didn’t say anything. He strode forward and arrived at the entrance in the blink of an eye.

The two people at the entrance quickly reached out to stop Qin Yu.

In front of them was a stone tablet.

The stone tablet was emitting a faint yin qi.

If one wanted to enter, they had to go through the inspection of the stone tablet.

“I’ll go first!” Cheng Cai quickly walked to the front of the stone tablet.

He raised his hand and placed it on the stone tablet. A moment later, a faint rumbling sound was emitted from the stone tablet.

Although the sound was not loud, one could clearly see that the stone tablet was shaking.

“You can enter now,” the two guards said faintly.

Cheng Cai was overjoyed when he heard this!

However, he wasn’t in a hurry to enter. Instead, he waited for Tang Ling and the others.

Just as Tang Ling was about to check, the guard said, “Women are exempt from inspection. You can enter directly.”

Hearing this, Qin Yu couldn't help but sneer.

This Earth Fiend Valley was indeed not for money.

“Senior, hurry up. I'll wait for you,” Cheng Cai shouted from the side.

Jiang gu frowned slightly. He subconsciously looked at Qin Yu, as if waiting for Qin Yu's order.

“I'll go first.” Qin Yu walked to the front of the stone tablet. He raised his hand and placed it on the stone tablet.

The moment he touched it, Qin Yu immediately felt a lightning-like internal Qi pass through his body!

In just an instant, Qin Yu's spiritual sense became dimmer!

“Absorb the power of spiritual sense?” Qin Yu frowned slightly.

Just as Qin Yu was thinking, the two guards walked forward and said coldly, “You are not devout enough, so you can't enter.”

“Haha, I Knew It!” Cheng Cai laughed crazily at the side.

“For a playboy like you, how would you know martial arts, and how would you know what Faith Is?” Cheng Cai sneered.

Qin Yu ignored him. He glanced at the guard and said coldly, “How can I be devout enough?”

The guard said impatiently, “Don't ask me. I don't know. In short, everything depends on the stone tablet.”

“Okay, don’t waste time. Wait for us outside,” Cheng Cai shouted from the side.

Qin Yu’s face was cold. He looked at the two guards and said, “If I can’t pass the test of this stone tablet, I can’t go in, right?”

“That’s right.” The two guards nodded.

“What if I have to go in?” Qin Yu’s tone became more and more unfriendly.

“Can you not waste time?” Cheng Cai, who was beside him, shouted impatiently.

“As long as you don’t pass the recognition of this stone tablet, you can’t go through the Heaven Gate, understand?” Cheng Cai said with some displeasure.

Qin Yu frowned and said, “Heaven Gate?”

Cheng Cai sneered and said, “It seems that you don’t know much about an ancient pagoda.”

“This ancient pagoda is a heaven-blessed land. It is the grace of the heavens! If you don’t obtain anything, you will be isolated by the Heaven’s Gate! No matter how capable you are, you have to stand outside obediently!” Cheng Cai snorted coldly.

Qin Yu narrowed his eyes and looked at the entrance.

As expected, there was a transparent barrier at the entrance.

As long as one did not pass the stone tablet’s approval, they would be isolated from the outside world.

And after passing the stone tablet's approval, they would be able to directly pass through this barrier.

“You have not received the approval of the heavens, do you understand?” Cheng Cai shouted.

Tang Ling also whispered at the side, “I think I've heard of it before. Don't make things difficult for them. They can't control the Heaven's gate either...”

Qin Yu laughed coldly.

He looked at the gate and the stone tablet at the side and smiled.

“If I break this so-called gate of heaven, won't I be able to enter?” Qin Yu raised his eyebrows and asked.

Hearing this, Cheng Cai immediately burst into laughter.

“You're really funny. You want to break the Gate of Heaven? You're not awake, right? Even a martial grandmaster can't do it, understand?” Cheng Cai sneered.

Qin Yu didn't say anything.. He clenched his fist and rays of golden light wrapped around it.

Chapter 269: Chapter 269, the formation of the Disha Valley

A terrifying internal Qi spread out in an instant!

“Boom!”

Qin Yu clenched his Golden Fist and smashed it towards the so-called Heaven's gate with a crushing force!

Under this punch, the Heaven's Gate seemed to have suffered a heavy blow! Countless cracks spread out like ripples of water!

Following that, the entire barrier was directly shattered by Qin Yu's punch!

The stone tablet at the side also exploded in an instant!

"What bullshit heavenly gate, it's just a man-made formation," Qin Yu said coldly.

Tang Ling and Cheng Cai were dumbstruck as they watched from the side.

This heavenly gate was actually shattered by Qin Yu's punch?

"You... How dare you!" The two guards shouted with some lack of confidence.

Then, they looked at Cheng Cai and Tang Ling and scolded, "Get Out, the ancient tower doesn't Welcome You!"

Cheng Cai's expression changed and he hurriedly said, "This has nothing to do with us, we don't even know each other!"

The guard said coldly, "Cut the crap! You Dare to barge into the Heaven's Gate, this is a great disrespect to the heavens! Get lost!"

Cheng Cai was instantly enraged. He glared at Qin Yu and berated, "It's all your fault! Now even we can't enter! How can you be so selfish!"

Qin Yu couldn't be bothered with Cheng Cai at all. He strode towards the stone stairs.

Although the two guards were afraid, they still braced themselves and walked forward.

“I said, you... You Can’t go in!” One of the guards said.

Qin Yu looked at him coldly and said, “Get lost.”

After meeting Qin Yu’s eyes, the guard immediately felt a strong sense of danger!

But even so, he still didn’t move his body.

Qin Yu didn’t have time to waste with him. He immediately waved his hand and smashed the guard’s head.

“Ah! !” Tang Ling couldn’t help but scream out of fear.

Cheng Cai, who was at the side, was also pale and nervous.

Killing people just like that? Who Was this Qin Yu?

Qin Yu and Jiang gu strode toward the stone stairs.

The two of them were extremely fast. In the blink of an eye, they had reached the top of the mountain.

“Are we still going?” Tang Ling asked carefully.

Cheng Cai gritted his teeth and said, “It’s not easy to come here. We can’t let go of this opportunity!”

Thus, Cheng Cai braced himself and followed.

...

On the mountain top, there were two old men sitting cross-legged on the mountain top.

They were dressed like immortals. At a glance, they looked like old immortals.

In front of them stood many young men and women.

Some were asking for medicine, while others were making wishes.

Qin Yu pushed aside the crowd and walked in front of the two people.

“Go and queue up,” the old man said without even lifting his head.

The people in line behind him also scolded, “Hurry up and queue up. Do you have any manners? !”

Qin Yu ignored them. He reached out with his big hand and directly pinched the old man’s head, forcefully lifting him up!

Such actions immediately made the old man furious!

He immediately activated a spell, and rays of pitch-black light burst out from his chest, aiming straight for Qin Yu’s face.

“Clang!”

But when the light touched Qin Yu’s body, it was directly shattered!

The old man’s expression suddenly changed! He tried to struggle, but found that Qin Yu’s strength was incomparably powerful, and he couldn’t break free at all!

“You... What do you want to Do!” The old man was shocked and angry.

Qin Yu said coldly, “Take me to the Disha Valley.”

Hearing the words ‘Disha Valley’, the old man’s expression became even uglier!

“Who exactly are you!”The old man said vigilantly.

Qin Yu did not answer this question, but repeated, “Take me to the Disha Valley, or I will crush your head.”

As he spoke, the strength in Qin Yu’s hand increased by a few points!

The old man instantly felt as if his head was about to be torn apart. The intense pain made his vision go black. Fear made his entire body tremble.

“Don’t... Don’t kill me... I’ll take you there. I’ll Take You There!”The old man said in fear.

Qin Yu snorted. He spread his fingers and the old man fell to the ground.

He got up from the ground and patted the soil on his body. He said with a cunning tone, “Sir, please follow me...”

The sudden change made the surrounding tourists dumbfounded.

What was going on? What did the Disha Valley Mean?

The old man led Qin Yu and Jiang Gu to the back of the mountain.

Behind the mountain, there was a big canyon.

The terrain here was complicated, and the roads were winding.

The entire canyon was barren, and not even a tree could be seen.

Looking from the sky, the place was gloomy, almost covering the sky!

The Disha Valley was in the center of this Grand Canyon.

The Old Man took Qin Yu and Jiang Gu around the Grand Canyon, and in the blink of an eye, they had walked for nearly half an hour.

“How much longer?” Qin Yu asked coldly.

The old man hurriedly said, “Soon, soon...”

Qin Yu narrowed his eyes and said, “You’d better not play any tricks on me. Just take me to the Disha Valley obediently, and I might spare your life.”

The old man’s expression changed, and his body trembled.

“Yes, yes...” the old man answered repeatedly.

“Mr. Qin, this Disha Valley is sinister and vicious. It’s full of schemes. You must be more careful,” Jiang Gu reminded from the side.

Qin Yu sneered, “If I Were Afraid, I wouldn’t have come.”

They continued to move forward. The Yin Qi in the surroundings became denser, and even the mountain rocks seemed to be infected, showing a faint black color.

“Six Yin Divine Formation, activate!”

Right at this moment, the old man suddenly shouted!

Following that, the surrounding yin qi gushed out like a spring, attacking from all directions!

And the old man’s body directly disappeared into this yin qi!

The pitch-black yin qi covered almost half of the valley!

What was more terrifying was that in this yin qi, dense gu worms could be seen!

Such a scene caused Jiang Gu’s expression to change greatly!

He could clearly feel that the inner strength in his body had disappeared without a trace in an instant!

“Mr. Qin, this is bad!” Jiang gu shouted in alarm.

“You dare to barge into My Earth Fiend Valley, you don’t know Death!” The old man’s voice seemed to come from all directions!

“As long as you step into the Earth Fiend Valley, you will either be used by me or Die Here!”

Qin Yu looked ahead and said coldly: “It seems that you have given up your last chance to live.”

The old man sneered: “Yellow-mouthed child, don’t be too arrogant! Here, even the heavenly king himself will die here!”

Following the Old Man’s Loud Roar, a fierce wind blew in the valley!

These gu worms carried a terrifying yin qi and attacked Qin Yu and Jiang Gu!

Jiang Gu’s expression changed drastically. He tried to resist, but there were too many gu worms and his inner strength was suppressed. Soon, Jiang Gu was pressed to the ground by these Gu Worms!

These gu worms tore at Jiang Gu’s body wantonly. Even a martial grandmaster would not be able to withstand a single blow from these Gu Worms!

Qin Yu’s condition was not any better. His entire body was wrapped in Yin Qi, and tens of thousands of Gu worms covered his body, preventing him from moving!

“Hehe, these Gu worms will not only absorb your flesh and blood, they will also absorb your divine sense!”The old man laughed coldly.

“So what if they are martial grandmasters, in front of the six Yin divine formation, they are not worth mentioning!”

The old man’s crazy laughter echoed in the valley!

Right at this moment, a blue light suddenly burst out from Qin Yu’s body!

The moment the light appeared, these Gu worms immediately fell from his body with a crackling sound!

The Gu worms dispersed, only to see Qin Yu’s body wrapped in a faint blue flame.

All the Gu Worms did not dare to take even half a step forward!

Chapter 270: Chapter 270, one sword Slash!

The thing that wrapped around Qin Yu was precisely the spiritual fire!

The spiritual fire was an item of extreme yang, the heavenly nemesis Gu Worm!

All the Gu worms evaded several meters under the threat of the spiritual fire!

Qin Yu flicked his finger, and another wisp of spiritual fire landed on Jiang Gu’s body.

In an instant, crackling sounds like fried beans came from Jiang Gu’s body.

Jiang Gu hurriedly got up from the ground. He looked at his body with lingering fear and could not help but break out in cold sweat.

These gu worms were too terrifying!

No wonder everyone was unwilling to go deep into the southwest, and even more unwilling to go deep into the Earth Fiend Valley!

“Thank you, Mr. Qin.” Jiang Gu cupped his hands towards Qin Yu.

Qin Yu did not speak, but looked around coldly.

Although these Gu worms did not dare to move forward, they did not disperse either.

They surrounded Qin Yu and Jiang Gu, not allowing them to move forward.

“Spiritual Fire?” The old man’s voice came from the dark.

“Blue Spiritual Fire?” There was a hint of greed in his voice.

It was obvious that even in the Earth Fiend Valley, they looked forward to blue spiritual fire!

Qin Yu did not say anything, he raised his hand and threw a ball of spirit fire forward.

In an instant, countless gu worms turned into corpses under the burning of the Spirit Fire.

The Old Man in the dark rebuked coldly: “The consumption of the spirit fire is huge, I want to see how long you can last!”

Just as he said that, the surrounding gu worms increased by several times!

“Rise!”

Then, the old man in the dark roared again and again!

Countless gu worms flew into the sky.

The Gu worms that blotted out the sky turned this valley into pitch black!

And these Gu worms that were mixed with yin qi actually transformed into a huge human figure in the sky!

The pitch black giant was at least the level of a three-story building!

The overwhelming yin qi made people break out in cold sweat!

“Hahaha! I’d like to see how long your spiritual fire can last!”The old man laughed coldly.

Qin Yu didn’t say a word. He held the spiritual fire in his hand and took a step forward, pressing directly on the giant!

“Chi la!”

Qin Yu’s fist that was wrapped in the spiritual fire was like a blade, directly tearing apart this gu worm!

When this fist fell, at least thousands of Gu Worms died!

But what surprised Qin Yu was that soon, Gu Worms made up for it!

“Huh?”Qin Yu frowned slightly.

How many Gu worms were there in this Earth Fiend Valley?

“Hehe, I really want to know how long you can last.”The old man said coldly.

“Unfortunately, I don’t have time to accompany you, so you’d better die!”

The old man roared angrily, he activated this giant, and actually took the initiative to force Qin Yu!

Qin Yu hurriedly wrapped his body in spiritual fire, clenched his Golden Fist, and met it head-on!

“Chi la!”

Another group of Gu Worms were torn apart! However, Qin Yu’s body also suffered a heavy blow!

These gu worms contained a terrifying poisonous gas, making Qin Yu’s vision go black!

“If this continues, I’m afraid my spiritual power will really be exhausted.”Qin Yu thought in his heart.

There were countless gu worms here, fighting a battle of attrition was definitely not a wise choice.

“Your Earth Fiend Valley really likes to play attrition.”Qin Yu sneered.

Hui Ming was the same back then, and now that they had entered deep into the Earth Fiend Valley, they still encountered such a situation.

“Hahaha! So What?”The old man’s voice came from all directions.

Qin Yu’s lips curled into a cold smile, the blue flame on his body slowly disappeared until it was completely extinguished.

“What, you gave up?”The old man sneered.

“Then come and be the Gu Worm’s fodder!”

After a furious roar, the giant charged at Qin Yu again!

A huge hand came crushing down in the air, almost shattering the entire canyon!

“Go to hell!”The old man roared crazily!

This huge hand ruthlessly descended!

The entire ground instantly caved in!

Smoke and dust rose up, obscuring one’s vision. Endless falling rocks rolled down, as if a huge collision had occurred.

The old man’s figure finally appeared.

He stood at a vantage point in the canyon, coldly looking in the direction of the explosion.

“You Reckless Thing,”the old man said coldly.

Just as he turned around and was about to leave, a golden light suddenly cut through the smoke and darkness! It lit up the entire canyon!

“Crash!”

The sword went straight for the giant! The sharp sword Qi actually split the giant in half!

The Old Man’s face suddenly changed and exclaimed, “How is this possible!”

A figure jumped out from the rubble.

In his hand was a long sword that was stained with golden light.

This sword was the bronze sword that Qin Yu had obtained at the auction!

The bronze sword contained pure Qi/spiritual energy, and it was the heavenly nemesis of the Earth Fiend Valley!

“Do you really think I can’t do anything about it?” Qin Yu sneered.

The old man’s expression was a little ugly. He silently recited an incantation once again and activated a spell, condensing the giant again.

However, before the giant could take form, Qin Yu’s sword had already chopped off its head!

“If you condense once, I will slash once. If you condense ten times, I will slash ten times!” Qin Yu’s voice was ice-cold, causing people’s hearts to turn cold!

The old man was a little flustered. As he retreated, he said in a trembling voice, “No... No, I will bring you to the Disha Valley now. Don’t kill me!”

Qin Yu’s feet shook, and in the blink of an eye, he arrived in front of the old man.

Then, Qin Yu held the bronze sword in his hand and slashed out with a sharp sword.

“Chi La!”

This sword actually directly cut the old man into two halves from his waist!

“Ah! ! !”

This kind of pain was unimaginable, and the old man almost fainted from the pain!

Qin Yu stretched out his palm, and a stream of Qi/spiritual energy directly protected the old man's wound.

“Don't worry, I won't kill you. I still need you to lead the way for me...”Qin Yu said with a smile.

...

Earth Fiend Valley, dungeon.

This place was divided into two dungeons. In addition to imprisoning the young girl, there was also a group of martial artists.

The young girl was used to absorb yin energy, while the martial artists would be turned into puppets.

At this moment, little fish was desperately staying in this dungeon.

She raised her head to look at the last bit of light, and her eyes couldn't help but become moist.

“Dad, I missed you so much... I shouldn't have been so willful...”at this moment, Xiao Yu suddenly remembered her usual unruly behavior.

“If I can get out, I will definitely listen to you...”the more Xiao Yu thought about it, the more upset she became, and tears couldn't help but flow out.

Beside her, Xiaomi was even more desperate, and she fainted many times.

“Qin Yu, when will you come and save me...”Qin Yu’s figure kept flashing in Xiao Yu’s mind.

However, so much time had passed, but Qin Yu still didn’t show up.

Perhaps, she was really going to die here.

At this moment, the door of the dungeon opened.

Then, two old men in black robes walked in.

Fear flashed in the eyes of the girls. They curled up in a corner, afraid that the two old men would see them.

The two old men glanced at each other, then their eyes fell on Xiao Yu and Xiao Mi.

Chapter 271: Chapter 271, the pained little fish

After noticing the old man’s gaze, Little Fish and Xiaomi’s expressions immediately turned ugly.

As for the others, their eyes were filled with pity.

“It should be the two of them,”one of the old men said.

“Yeah, but which one specifically?”The other old man frowned slightly.

The two of them sized up little fish and Xiaomi, seemingly unable to make a decision for a moment.

However, at this moment, Xiaomi suddenly pointed at Xiao Yu and said, “It must be her, it must be her. It has nothing to do with me. I want to catch you guys to catch her...”

Hearing Xiaomi's words, Xiao Yu's pupils constricted, and disbelief was written all over her face.

She found it hard to believe that these words came out of Xiaomi's Mouth!

"Xiao Yu, just admit it on your own initiative. Yang Zhao went for you back then. It has nothing to do with me..."Xiaomi said with a trembling voice.

"Uncles... No, grandpas, the person we wanted to catch back then was Xiaoyu, not me. SOB, sob, sob, don't look for me..."

The two old men were deep in thought. After sizing up Xiaoyu, they nodded and said, "It should be her."

After saying that, the two men walked forward and caught Xiaoyu in their hands.

However, Xiaoyu still hadn't recovered from her shock.

She stared at Xiao Mi's direction and couldn't help but feel a little sad.

Her best friend actually said such words at this moment.

It was impossible not to feel sad.

The two old men brought Xiao Yu out of the dungeon and arrived at the entrance of a cave.

After entering the cave, they saw that there were all kinds of instruments inside.

Other than that, there were countless snakes, insects, blood, and corpses.

And at the very front, there was a huge formation stage!

In the center of the formation stage, there was the corpse of a young man!

Hui Ming was sitting at the side of the corpse!

Seeing this scene, Xiao Yu was scared out of his wits and was trembling non-stop.

“Sect master, I’ve brought the person.”The two old men brought Xiao Yu over.

Hui Ming’s eyes suddenly turned towards little fish!

His quick-witted gaze almost made little fish cry out of fear!

“TSK TSK, this is the pure yin body...”Hui Ming licked his lips and said.

“You live up to your reputation, you live up to your reputation!”Hui Ming could not help but laugh out loud.

An elder beside Hui Ming said in a deep voice, “With the pure yin body, reviving the ancestor should not be a problem.”

“That’s right.”Hui Ming nodded slightly.

He narrowed his eyes and said coldly, “It’s a pity that the stone statue is still in Qin Yu’s hands...”

“Qin Yu? is that the chaotic body you mentioned?”The old man beside him asked.

Hui Ming narrowed his eyes and said, “That’s right.”

“If we can use the chaotic body to revive the ancestor, then the ancestor will be invincible in this world!”Hui Ming said coldly.

At this point, a hint of anger flashed across Hui Ming’s face.

He took a deep breath and said, “Unfortunately, we can’t subdue Qin Yu for the time being, so we can only use this holy body temporarily.”

The holy body referred to the male corpse lying in the center of the array platform.

Originally, Hui Ming had prepared this corpse for himself.

Unfortunately, he couldn’t find a better body to resurrect the patriarch, so he could only bear the pain and give up this holy body.

“It’s all Qin Yu’s fault for delaying the resurrection plan for so long! If we had the stone statue, the patriarch would have been resurrected long ago!” Hui Ming said angrily.

“Since the patriarch is resurrected, we don’t have to cower here in fear!”

The more Hui Ming spoke, the angrier he became. He could not help but emit a terrifying aura from his internal Qi.

Under this aura, the entire valley was buzzing!

Xiao Yu was even shaken until blood flowed out of his seven orifices. His small face was deathly pale.

“It doesn’t matter. After the patriarch is resurrected, we can go and seize that Qin Yu’s body.” The elder beside him said.

Hui Ming nodded and said in a deep voice, “This is the only way.”

“Sect master, it’s best that we don’t waste any more time in case anything happens.” Someone beside him reminded.

Hui Ming nodded and said in a low voice, “Everyone, fall back and activate the revival formation!”

As soon as he said that, the eight elders flew up and sat in the eight directions of the formation!

As for little fish, she was brought to a furnace.

The furnace was extremely cold. The moment it touched little fish, it seemed like it was going to suck her body dry!

Little Fish only felt extreme pain, and her entire body was in excruciating pain!

The cold chill caused Little Fish's consciousness to become somewhat blurry.

However, her strong desire to survive allowed her to firmly maintain her consciousness.

"I don't want to die..." little fish muttered in a low voice. Her lips had already turned deathly white. As her small mouth squirmed, cold air flew out.

"Formation, Rise!" Hui Ming roared angrily! The eight elders activated their spells at the same time!

The entire formation erupted with a sky-piercing radiance in an instant!

The radiance pierced through the valley! It shot straight into the sky!

As the formation was activated, the Yin energy in Xiao Yu's body was rapidly extracted!

Even Qin Yu could not endure such pain, let alone Xiao Yu?

"I'm in so much pain... so much pain..." Xiao Yu's eyes were filled with tears.

She wanted to struggle, but she found that she didn't have any strength at all.

"Qin Yu, when are you going to save me..." Xiao Yu's face was full of despair, and her vision began to slowly turn black.

"It seems... I'm really going to die here..." Xiao Yu couldn't take it anymore. Her eyelids moved up and down, and the light in her eyes began to dim.

Just as Xiao Yu was about to faint, a sword light rose from the sky and cut through the valley!

Under the Sword Qi, a huge hole was created in the cave!

However, the terrifying sword Qi did not disappear! Instead, it landed on the Resurrection Formation!

"Not good!" Hui Ming's expression changed. He leaped into the air and quickly dodged!

The eight elders did not dare to be negligent. They shot to the side at almost the same time!

The formation stopped at that moment.

Hui Ming's face was extremely cold, and his chest was filled with anger!

"Who dares to ruin the Great Plan of our Earth Fiend Valley's revival! !" Hui Ming raised his head and roared, his voice shaking the sky!

"Hui Ming, I didn't expect you to hide in this kind of ghost place." Qin Yu's voice came from the door.

Hui Ming's pupils constricted, and he hurriedly looked at the entrance!

Sure enough, Qin Yu and Jiang Gu were standing at the door coldly.

“Qin Yu?” Hui Ming couldn’t help but be stunned before he burst into laughter.

“Qin Yu, I was just worried that I wouldn’t be able to kill you. I didn’t expect you to come to my door of your own accord. hahaha!” Hui Ming couldn’t help but burst into laughter.

Qin Yu sneered, “Hui Ming, you’re about to die. How can you still laugh?”

“The one who died is you!” Hui Ming said coldly.

“With your strength, you dare to barge into my Disha Valley?”

“Hui Ming, you almost killed my son. Today, I will make you pay with your life!” Jiang Gu’s long hair danced in the wind, full of killing intent!

Hui Ming narrowed his eyes and said, “Just the two of you? One is an inner strength master, and the other is a new martial grandmaster?”

Chapter 272: Chapter 272 was just a piece of grass

Hui Ming was not worried at all. He was even a little excited.

He was just thinking about how to catch Qin Yu when he did not expect Qin Yu to deliver himself to his doorstep.

Qin Yu released his spiritual sense and scanned his surroundings.

Soon, he found little fish lying inside the utensil!

Qin Yu’s expression instantly turned extremely ugly!

He immediately strode towards the tool, wanting to save little fish.

“Stop him!” Hui Ming ordered coldly.

“Yes!”

Several people immediately pounced towards Qin Yu’s direction!

However, Qin Yu didn’t even look at it, only the Qi force on his body suddenly exploded!

“Boom!”

The surging and terrifying qi force directly sent these people flying!

The weaker ones might even die on the spot!

Hui Ming’s pupils constricted and his brows furrowed tightly.

This Qin Yu’s strength... seemed to have become stronger again!

“Let’s attack together and stop him!” Hui Ming said coldly.

The eight elders nodded. They soared into the air and stood in mid-air. They chanted incantations silently and activated the Disha Valley’s spell!

“Hualala!”

As the spell was activated, eight wrist-thick chains suddenly appeared in the air!

The chains rushed at Qin Yu at an extremely fast speed. In the blink of an eye, they tied Qin Yu Up!

His wrists, ankles, waist, abdomen, and even neck were all tightly bound by the chains. He could not move at all!

Qin Yu’s footsteps also stopped unconsciously.

Hui Ming sneered and said, “Qin Yu, don’t forget where you are. This is the Disha Valley! My Territory!”

“You still dare to behave atrociously in my territory? Do you really think that my Disha Valley is just a decoration?”

After saying that, Hui Ming walked toward Qin Yu.

“Qin Yu, I want this body of yours!” Hui Ming grinned and said coldly.

At this moment, Qin Yu raised his head.

He looked at Hui Ming coldly and said, “You want to trap me with just these eight chains?”

Hui Ming’s expression changed. He suddenly felt a sense of danger!

Before he could react, a golden light appeared on Qin Yu’s body! Endless power burst forth!

“Boom!”

Qin Yu roared angrily, and the eight chains immediately made a loud noise!

The expressions of the eight elders were extremely unsightly. They hurriedly pressed their palms together, trying to stabilize the chains.

“Kacha!”

Unfortunately, the Qi force on Qin Yu’s body was too great, and it actually directly shattered the chains!

“Pu!”

The eight elders instantly suffered a backlash, and their bodies were directly sent flying, fiercely slamming into the wall!

Hui Ming's expression immediately became extremely gloomy, and his body unconsciously took two steps back.

At this moment, he suddenly realized that the Qin Yu in front of him was completely different from the Qin Yu from last time.

The difference in strength between the two was like a natural moat!

Qin Yu ignored Hui Ming, and walked in front of little fish. With a shake of his big hand, he directly shattered the tool into pieces!

Xiao Yu's body fell from the sky.

Qin Yu quickly stretched out his arm and caught Xiao Yu in his arms.

At this moment, Xiao Yu's consciousness was on the verge of collapse.

She looked at Qin Yu in a daze and whispered, "Qin Yu, is that you..."

Qin Yu smiled and said, "Have a good sleep. You'll be fine."

Feeling Qin Yu's warm embrace, little fish suddenly felt a sense of security.

She lay in Qin Yu's arms and fell into a deep sleep.

Qin Yu turned to Jiang Gu and said, "Jiang Gu, keep an eye on Little Fish."

"Mr. Qin, You're alone..."

"Don't worry. They're no match for me," Qin Yu interrupted Jiang Gu.

After that, Qin Yu handed little fish to Jiang Gu.

Then, he looked up at Hui Ming.

Countless thoughts flashed through Hui Ming's mind, and the expression on his face changed again and again.

In the end, a smile appeared on Hui Ming's face.

At this critical moment when the old ancestor was about to be resurrected, he could not take the risk!

Therefore, Hui Ming put on a smiling face and said gently, "Qin Yu, there is no deep hatred between us. There is no need to cause such a scene."

"Oh?" Qin Yu raised his eyebrows and was somewhat surprised.

Hui Ming continued, "The grudge between us is nothing more than because of this girl. I will return her to you now and we will be even. How about it?"

"Oh? You Don't Want My Body Anymore?" Qin Yu sneered.

Hui Ming sighed and said, "To be honest, this is not entirely my fault. The main reason is that the temptation of the chaos body is too great. I was temporarily obsessed."

"From now on, I promise that I will never covet your body again. How about it?"

Although he said that, he was roaring crazily in his heart.

When the old ancestor resurrected, he would definitely cut you into a thousand pieces!

“Mr. Qin, How About It?” Hui Ming saw that Qin Yu did not speak, so he continued to ask.

Qin Yu sneered and said, “You made me run so far and caused me so much trouble, and now you want to send me away with just a few words?”

Hui Ming rolled his eyes and quickly said, “Our Earth Fiend Valley will naturally compensate you.”

After saying that, Hui Ming reached out his palm and a snake skin bag fell into his hand.

“This is the holy medicine of our Earth Fiend Valley. It has a magical effect on you.” Hui Ming handed the snake skin bag to Qin Yu.

Qin Yu opened the snake skin bag and took a look. Inside were pill after pill.

And inside these pills, almost all contained extremely strong Qi/spiritual energy.

This made Qin Yu somewhat surprised.

Didn't the Disha Valley cultivate yin energy? How could they refine a pill that contained Qi/spiritual energy?

“Qin Yu, our Disha Valley can supply you with this kind of pill for a long time. How about it?” Hui Ming continued to say.

Qin Yu didn't say anything. He touched his chin, and no one knew what he was thinking.

Hui Ming saw that Qin Yu was trying to ease up, so he struck while the iron was hot. “We didn’t touch this girl, and you didn’t lose anything. You can even get this holy medicine for a long time. Why Not?”

Qin Yu nodded slowly. “I indeed didn’t lose anything...”

“That’s right!” Hui Ming nodded quickly.

“So, Qin Yu, not only are we not enemies, we might even become friends!”

Qin Yu raised his head and looked at Hui Ming. He sneered and said, “Become friends? become friends with maggots like you? Then wouldn’t I also become a Maggot?”

Hui Ming’s expression changed. He frowned and said, “Qin Yu, what do you mean?”

“You are right. I indeed have nothing to lose,” Qin Yu said coldly.

“But your Disha Valley has done evil things. You are unscrupulous. For the sake of your cultivation, you have harmed countless young girls and families!”

“I have long detested your Disha Valley!”

“Are you even worthy to be your friends? !”

His words were sonorous and powerful, shaking the entire valley!

Hui Ming couldn’t help but laugh out loud.

“To cultivators, the lives of these ordinary people are nothing but grass. Qin Yu, you are going against my Disha Valley for a group of low-level people?” Hui Ming laughed so hard that he almost couldn’t breathe.

Qin Yu's expression became even colder, and the killing intent on his body became even stronger.

"I really don't know where your sense of superiority comes from.... to you, ordinary people are dirt, but to me, aren't you the same?" Qin Yu said coldly.

Chapter 273: Chapter 273, Chaos Body Vs sacred body

Qin Yu's words instantly angered Hui Ming.

His expression turned cold, and a killing intent overflowed.

"You Shameless Thing, do you really think I'm afraid of You? !" Yin Qi surged around Hui Ming's body, and rays of black light shot out from his Dantian.

The entire canyon was enveloped by an ominous internal Qi.

This internal Qi was something that no one dared to ignore. Even Jiang Gu was a little afraid of it.

"Qin Yu, you have repeatedly ruined the good things of My Earth Fiend Valley. If I don't kill you today, you will become the Valley Master of the Earth Fiend Valley!"

Hui Ming roared repeatedly as the rays of light in his DANTIAN flowed towards the body in the middle!

"Everyone, sacrifice yourselves for the revival of the Earth Fiend Valley!" Hui Ming roared again!

He raised his palm, as though he was supporting the heavens!

In an instant, the faces of the eight elders contorted, and the internal Qi in their Dantian was forcefully sucked out!

“Valley Lord, you...”the elders looked at Hui Ming with great pain and difficulty.

Hui Ming laughed coldly, “It is your honor to give up your lives for the Disha Valley.”

As he spoke, the internal Qi of the eight elders was completely sucked out!

At this moment, a human figure flew out from between Hui Ming’s brows!

The human figure dashed towards the sacred body at an extremely fast speed!

“Mr. Qin, not good! We must not let him complete the possession!”Jiang gu shouted anxiously.

Qin Yu frowned slightly. He had already seen through Hui Ming’s intentions, but it was already too late for him to make a move now.

“That body... is not simple.”Qin Yu touched his chin and muttered in a low voice.

However, he didn’t have any fear in his heart. Instead, he was faintly excited!

Ever since he stepped into the path of cultivation, Qin Yu hadn’t met anyone stronger than him!

This holy body in front of him might be one of them!

“Come, let me see this so-called holy body.”Qin Yu’s feet shook, and waves of golden light burst out from his body!

The light enveloped him, and at a glance, he looked as if he was wearing a layer of golden armor!

The male corpse in the center of the array platform was enveloped by the black qi, and crackling sounds could be heard from within.

“Boom!”

Not long after, the center of the array platform burst out with a huge tremor!

The entire canyon was shaking so loudly that even the dungeons far away were affected by the internal Qi!

“What’s going on?”Cheng Cai and Tang Ling, who were following closely behind, couldn’t help but change their expressions.

They looked into the distance, their eyes filled with shock.

“Someone must be fighting. Quick, we mustn’t miss this opportunity!”Cheng Cai said excitedly.

...

The array platform was completely shattered by this internal Qi! The Darkness also disappeared in an instant!

The corpse lying in the center of the array platform slowly stood up.

An aura that looked down on the world rippled over, making people have the urge to worship it!

This kind of pressure seemed to come from the suppression of the bloodline. Even if one was powerful, they couldn't resist it.

Even Jiang Gu's legs trembled!

"What a powerful pressure." Qin Yu looked at Hui Ming who had completed the possession and murmured in a low voice.

Hui Ming slowly walked toward Qin Yu from the center of the array.

Although there was no light covering his body, one could tell at a glance that his body was extraordinary.

"How Wonderful..." Hui Ming licked his lips and lowered his head to look at his body.

Hui Ming seemed to enjoy this unprecedented power.

"I originally planned to use it to resurrect the patriarch, but now it seems that there's no need." Hui Ming opened his mouth and sneered.

He looked at Qin Yu and said with a gloomy tone, "Speaking of which, I have to thank you. It is really a pity to give such a good body to someone else."

Qin Yu sneered, "This is the saintly being? It is just so-so."

"Hahahaha!" Hui Ming raised his head and laughed loudly.

His laughter was like rolling thunder, Shaking People's ears.

"Although the saintly being is not as good as the chaotic body, the difference is not big." Hui Ming grinned and said with a cold smile.

“This body had reached the peak of the Grandmaster realm when it was alive. Qin Yu, why are you playing with me!” Hui Ming shouted, and the surging inner strength immediately came over!

“Puff!”

Jiang gu could not withstand this pressure, and he suddenly spat out a mouthful of blood!

Qin Yu also felt that his chest seemed to be blocked by something, and he felt a little uncomfortable.

“This saintly being is indeed extraordinary,” Qin Yu said in a deep voice.

Fortunately, he didn't let the stone statue fall into Hui Ming's hands. If the ancestor was resurrected, he would be in trouble.

“Qin Yu, I can't wait to feel this body! hahahaha!” Hui Ming raised his head and laughed loudly. The inner strength in his entire body seemed to be boiling!

Following that, Hui Ming took a step forward, and his crushing fist headed straight for Qin Yu's body!

“Clang!”

Qin Yu did not Dodge or Dodge. It proved that he had clenched his fist to meet the fist!

“Rumble!”

The collision of the two fists caused an explosion in the air!

The entire Earth Fiend Valley could not withstand it anymore and began to collapse at this moment!

“As expected of a sacred physique!” Qin Yu’s pupils constricted and his battle intent was thick!

This was the first time Qin Yu had met an existence that could face him head-on with a hard steel body!

Hui Ming also licked his lips and grinned, “The chaos body is indeed worthy of its reputation. Unfortunately... you will definitely die here today!”

As he spoke, Hui Ming rushed over again!

The two sides engaged in an unprecedented melee!

The fist-to-fist combat caused the scene to be extremely chaotic!

The sound of “Dang Dang” was even more incessant!

Jiang Gu, who was not far away, gritted his teeth. He formed a spell with his hands in an attempt to help Qin Yu.

Countless streams of inner strength turned into raindrops and headed straight for Hui Ming.

However, what was shocking was that Jiang Gu’s attack was completely ineffective! It was not even able to hurt Hui Ming’s skin!

“How is this possible!” Jiang Gu’s expression turned extremely ugly!

Hui Ming’s physical body was actually so strong?

Qin Yu was fighting against such a monster in close combat?

This was almost beyond Jiang Gu’s understanding!

“Boom!”

Hui Ming let out an angry roar. His fist expanded by a few points and smashed fiercely onto Qin Yu's chest!

Qin Yu's body instantly pierced through the mountain rocks and was directly sent flying!

“Hahahaha! This is the power, this is the power!” Hui Ming shouted excitedly, his mood was extremely high!

Qin Yu crawled out from the rubble. He lowered his head and looked at his fist. His face could not help but reveal a grave expression.

‘the toughness of this saintly being is even stronger than mine,’ Qin Yu thought to himself.

The saintly being was, after all, a peak martial grandmaster when it was alive, and its realm was much higher than Qin Yu's.

If not for Qin Yu having tempered his body over 500 times, he might have really died here.

“Sou!”

Just as Qin Yu was thinking, Hui Ming charged forward again!

The two sides did not have any gorgeous moves, only simple and unadorned punches and kicks!

“Clang! Clang!”

Every punch made the air tremble. No one could interfere in the battle between the two sides!

“What... What is that? So powerful...” Cheng Cai, who had rushed to the scene, could not help but look at the sky in shock.

“It seems to be Qin Yu,”Tang Ling said in surprise.

Chapter 274: Chapter 274, Invincible physical body!

Cheng Cai took a closer look and realized that it was really Qin Yu!

This kind of movement was actually caused by that inner strength master?

How could this be possible? !

“Sou!”

Just as Cheng Cai was in a daze, a piece of gravel shot toward Cheng Cai like a bullet!

With such a fast speed, Cheng Cai was unable to dodge at all. For a moment, he was rooted to the spot.

At this critical moment, a ray of light lit up and shattered the broken stone.

“Stand further away, or you’ll be killed. No one will pay with your life,”Jiang Gu said coldly.

Cheng Cai nodded in a daze and quickly stood to the side.

Explosions continued in the sky. The physical collision between the two had reached the limit.

Qin Yu’s body was damaged in many places. His thumb and index finger cracked. Even the golden light on his body was dimmed a little.

Hui Ming was also having a hard time. His chest was pierced through by Qin Yu's punch. Fresh blood poured out, making him look extremely horrifying.

"Hahahaha!" Hui Ming became more and more excited as he fought. He had never felt such a tough body before!

Qin Yu's face was also flashing with excitement. The satisfying close-combat made Qin Yu's battle intent reach the peak!

The chaotic body and the sacred body launched an unprecedented battle!

"As expected of the chaotic body. It's actually on par with me." Hui Ming licked the fresh blood on his body and sneered.

Qin Yu also shook his fist and said, "Indeed, this body has successfully aroused my interest."

"Hehe, it's a pity that you're going to die here today!"

Hui Ming's face turned cold. He suddenly raised his head and roared. Countless black gas suddenly attacked from all directions in the valley!

"Ah! !"

In the dungeon, those warriors even let out painful wails!

He only felt that the inner strength in his body seemed to have been absorbed, and his entire body became extremely weak!

Hui Ming's body began to expand, and blue veins bulged in an instant. Under the sunlight, his body flickered with a dark light!

The saintly being seemed to step into another stage in an instant!

“Qin Yu, I’ll let you experience the power of the saintly being!” Hui Ming said, and then disappeared into thin air.

In the blink of an eye, Hui Ming’s fist had already arrived in front of Qin Yu!

The terrifying fist wind directly shattered a small mountain behind him!

Jiang Gu, who was at the side, seemed to have suffered a heavy blow, and was actually sent flying by the Fist Wind!

“Ah!” Qin Yu did not Dodge or Dodge. He roared in anger again and again.

He clenched his Golden Fist and met the punch head-on!

“Boom!”

It was like a muffled thunder in the sky! The huge collision caused a chain effect!

The surrounding mountain rocks were directly shaken into grains of sand, and the Earth Fiend Valley was instantly turned into ruins!

“Whoosh!”

Under this punch, Qin Yu’s body was directly sent flying!

What made people even more desperate was that Qin Yu’s arm was broken, and he was severely injured.

“Is this really the power that a human can exert...” Cheng Cai was almost dumbfounded.

He swallowed his saliva, and couldn’t help but think of the contempt he felt for Qin Yu.

“Go to hell!” Hui Ming didn’t stop there. He jumped up and punched several times in the air toward Qin Yu’s direction!

The ground kept sinking and dust rose dozens of feet high!

Hui Ming stood in mid-air with his hands behind his back and said indifferently, “It’s over.”

Jiang Gu’s expression was a little ugly.

He could clearly feel the terror of that power!

If it was him, he would have been beaten into a pulp!

“Buzz!”

At this moment, a golden light flashed!

The golden light cut through Qin Yu’s body at any moment!

“Huh? He didn’t die?” Hui Ming raised his eyebrows, a hint of surprise flashed in his eyes!

“Whoosh!”

A figure shot out from the ruins!

Qin Yu’s body was wrapped in a strong golden light. Under the Golden Light, his body looked bigger.

“I didn’t expect that even the second level of the sagely physique technique couldn’t withstand it.” Qin Yu looked at his wounded body and couldn’t help but sigh.

This was the first time that the second level of the sagely physique technique had failed.

The sagely physique lived up to its reputation!

“I’m surprised that you didn’t die,” Hui Ming said with a cold smile.

However, he didn’t panic. Fighting with his body alone, Hui Ming didn’t need to worry about his inner strength being exhausted.

Qin Yu looked at Hui Ming coldly and said, “Thank you for letting me know that such a strong body exists in this world.”

“What’s the big deal if a dying person knows?” Hui Ming said coldly.

Qin Yu didn’t say anything. The Aura on his body started to surge all over.

“Level three of the saintly physique technique!”

As Qin Yu roared, his physical body improved again!

Even his strength had undergone a qualitative change in that instant!

There were nine levels of the sacred physique technique, and each level would bring about a great increase!

It was said that ordinary people who cultivated the sacred physique technique to the ninth level could even fight against all major physiques!

With the support of the third level of the sacred physique technique, Qin Yu’s strength had shockingly reached another level.

“Putting on an act.” Hui Ming sneered.

“Under my saintly being, everything will turn into nothingness!”

After saying that, Hui Ming clenched his fist again!

This time, Qin Yu did not confront him directly, but dodged to the side.

“Whoosh! Whoosh! Whoosh!”

Three consecutive punches were easily dodged by Qin Yu!

“What, are you afraid?” Hui Ming sneered.

“Isn’t the chaos body known as the number one constitution in the world? Now it seems that it is just so-so.” Hui Ming opened his mouth, revealing a mouthful of yellow teeth.

Qin Yu looked at Hui Ming coldly and said, “I don’t have much time left, so I plan to kill you as soon as possible.”

The consumption of the saint physique technique was extremely great, and this strength did not belong to Qin Yu. If this continued to drag on, the outcome would be hard to say.

“Arrogant words! If you have that ability again, why bother with me!” Hui Ming’s body was full of killing intent.

He seemed to be tired of it as well. He began to gather his Qi on his fists.

Countless streams of zhenqi wrapped around his fists. The overwhelming might of his fist caused a violent wind to blow.

“Go to hell!” Hui Ming roared furiously as he threw a punch at Qin Yu!

“Absolute beginning... Sacred Fist!”

Qin Yu’s pupils constricted as he roared. All of the golden light gathered on his left fist!

“Boom!”

This collision was unprecedented!

Strong winds blew, and light shone!

The dark clouds in the sky were all dispersed in an instant!

“So... So Strong!” Cheng Cai swallowed hard. He couldn’t believe that this was the power that could be unleashed by a human!

“Crack!”

The moment the two fists collided, the entire fist of the saintly being was directly shattered!

And this terrifying golden light was like a mountain-toppling, overturning sea as it directly smashed towards Hui Ming’s body!

“How is this possible!”

After feeling the shattered fist, Hui Ming’s expression instantly changed wildly!

Read My Rich Wife Online

Chapter 275: Chapter 275, Sacred Body, Jianggu!

The power of the absolute beginning sacred fist could be said to be able to destroy everything! Even a sacred body could not withstand it at all!

Hui Ming's physical body directly shot down from the sky! It smashed a huge pit several meters deep into the ground!

Qin Yu did not stop there. He quickly caught up and dived down!

“Boom!”

The sun-like blazing light ruthlessly smashed onto the ground!

Smoke and dust rose up, blocking everyone's vision.

Qin Yu stood at the side, quietly looking at the Big Pit.

“Mr. Qin!” Jiang Gu ran over quickly.

“Is Hui Ming Dead?” Jiang gu asked with some confusion.

Qin Yu didn't answer, but stared at the Big Pit.

At this time, Qin Yu's pupils suddenly shrank, and he hurriedly shouted, “Get out of the way!”

Unfortunately, it was too late! Hui Ming burst out from the deep pit, and with a bang, his fist smashed onto Jiang Gu's body!

The saintly being was originally fierce, and Jiang Gu didn't have the slightest bit of defense.

With this punch, Jiang Gu's body was almost smashed into pieces!

His body was broken in many places, and he fell into a pool of blood!

“Jiang Gu!” Qin Yu's expression changed, and he hurriedly rushed toward Jiang Gu.

Jiang Gu kept spitting out blood, and he said with difficulty, “Mr. Qin, I . . .”

He wanted to say something, but he had no strength left.

Qin Yu didn't have time to think. He quickly put his hand on Jiang Gu's body, and Qi/spiritual energy surged into Jiang Gu's body through his palm.

However, Jiang Gu's injuries were too severe, and all his bones were broken! His internal Qi was rapidly draining away!

Even Qin Yu couldn't do anything about it!

“Hahahaha!” Hui Ming couldn't help but laugh out loud.

“If I can't kill you, killing the dog beside you isn't bad either.” Hui Ming grinned.

Qin Yu's expression was extremely ugly. Even his body was trembling.

“Hui Ming...” Qin Yu growled in a low voice. Suddenly, he turned around and shot out a punch at Hui Ming's face!

“Bang!”

Hui Ming was directly sent flying by this punch. Half of his face was almost distorted!

Qin Yu did not stop at this point. His fist was like a cannonball that bombarded wildly!

Although Hui Ming's body was extremely tough, he was still beaten into a bloody mess!

After an unknown amount of time, Qin Yu finally stopped what he was doing.

He stared at Hui Ming, his anger almost swallowing Qin Yu.

“Hehe... with this body, you can't kill me...”Hui Ming grinned.

Qin Yu's eyes gradually narrowed.

“You abandoned your body and escaped twice,”Qin Yu said coldly.

“Again and again. Do you really think I'm not prepared?”

Hui Ming's expression changed slightly, and he said in surprise, “What do you mean?”

Qin Yu did not say anything. The corner of his mouth was mumbling, and the divine sense in his mind lit up.

“Divine judgment!”

After saying that, Qin Yu's divine sense suddenly shot out a ray of light!

This light passed through Hui Ming's head and directly hit Hui Ming's divine sense.

“Buzz!”

Under this judgment technique, Hui Ming's face instantly became distorted!

“You... you actually cut off my divine sense...”Hui Ming cried out in pain.

His divine sense was slowly taken away from his body until the body of his saintly being was taken away!

What was even more terrifying was that Hui Ming’s divine sense was being torn apart bit by bit!

“Don’t... Don’t kill me...”at this moment, Hui Ming was completely panicking!

He could look for his body again if it was gone, but without his divine sense, even a great golden immortal could not save him!

Qin Yu sneered and said, “Hui Ming, your retribution has come.”

“Hu”

Hui Ming’s spiritual sense was torn bit by bit until it completely disappeared.

The Valley Master of the Earth Fiend Valley had died just like that.

Cheng Cai, who was not far away, had a stiff expression and was extremely shocked.

He had never expected that Qin Yu was so powerful!

Tang Ling even covered her small mouth, her face full of surprise.

Qin Yu turned around and walked in front of Jiang Gu.

Jiang Gu’s internal Qi was about to be extinguished.

He slowly picked Jiang Gu up with a sad look on his face.

“Don’t worry. I will bury everyone in the Earth Fiend Valley with you,”Qin Yu said coldly.

After saying that, Qin Yu held Jiang Gu with one hand and turned around to walk toward the Earth Fiend Valley.

Countless people died in the Earth Fiend Valley. Only the strongest people in the valley were still alive.

“Don’t... Don’t kill us...”these people said in horror.

Qin Yu looked at them coldly and said, “All of you from the Earth Fiend Valley deserve to die!”

After saying that, Qin Yu waved his hand and directly smashed a person’s head!

The expressions of the rest of them immediately changed drastically and they were extremely terrified!

“Don’t kill me! I Can Save Your Friend!”At this moment, someone suddenly shouted.

Qin Yu heard this and hurriedly looked at him.

“Is what you said true?”Qin Yu grabbed his collar and asked anxiously.

The old man hurriedly nodded and said, “It’s true!”

“Hurry up and say it, I’ll spare your life,”Qin Yu said coldly.

The old man pointed at the Resurrection Formation not far away and said, “As long as you use this formation and transfer your friend’s spiritual sense to the sacred body, you’ll be able to save your life!”

Hearing this, Qin Yu suddenly came to a realization!

But... ? ... this resurrection formation had been damaged in the battle just now, how should he use it?

“Don’t worry, we have prepared more than ten resurrection formations,” the old man suddenly said at this moment.

He cast a spell, and another formation quickly appeared in front of him!

Seeing this, Qin Yu didn’t waste any more time.

He hurriedly turned around and ran to the sacred physique.

Then, he grabbed Jiang Gu and ran back.

“Ma Shan, activate the Resurrection Array!” Qin Yu said coldly.

The survivors quickly got up from the ground.

“The resurrection array requires eight people to do it at the same time. We don’t have enough people...” the old man frowned.

Qin Yu glanced at them. Including Qin Yu, there were only seven people.

“You, come here.” Qin Yu pointed at Cheng Cai.

Cheng Cai was stunned. He pointed at his nose and said, “Me?”

“What else?” Qin Yu said coldly.

“There are enough people now,” Qin Yu said.

The old man nodded and said, “Please return to your positions. I will guide the formation.”

Qin Yu followed the old man’s request and placed the holy body at the center of the formation.

The old man sat beside the saintly being and began to activate the formation.

The moment the formation was activated, the eight people's bodies began to rush towards the light.

The light gathered at one point and landed on the saintly being's body!

To Cheng Cai, the pressure of the resurrection formation was extremely great.

Cold sweat was dripping down his forehead, as if he couldn't hold on any longer.

But when he thought of Qin Yu's abilities, Cheng Cai gritted his teeth and forcefully held on.

Half an hour later, the light began to converge!

“Buzz!”

A demonic light lit up, and the resurrection array shattered once again!

“It's done.”The old man wiped his sweat and said tiredly.

Cheng Cai's head tilted and he fell to the ground.

Qin Yu hurriedly ran in front of the saintly being and looked at him nervously.

Not long after, the saintly being moved his finger, and his eyes opened slightly.

“Mr. Qin, I... I'm Not Dead?”Jiang gu murmured in a low voice.

Seeing Jiang Gu's words, the stone hanging in Qin Yu's heart finally dropped.

"Mr. Qin, Can We Leave Now?" The people of the Earth Fiend Valley asked tentatively.

Qin Yu glanced at him and a killing intent suddenly flashed in his eyes.

"Sorry, we can't!" Qin Yu said coldly.

Chapter 276: Chapter 276, crushing the Disha Valley!

When they heard Qin Yu's words, their expressions instantly changed.

"You... didn't you say that you could spare us?" The old man said in shock.

Qin Yu sneered, "None of the surviving members of the Disha Valley can live. I was just lying to you."

"You... you went back on your word!" The old man was on the verge of breaking down.

As if he had gone mad, he took the initiative to rush toward Qin Yu.

Qin Yu clenched his fist and directly pierced through his chest!

The remaining few people were not spared either. Qin Yu raised his hand and killed all of them!

The Disha Valley fell just like that.

Not far away, Tang Ling and Cheng Cai's eyes were filled with fear. They could not help but take two steps back, as if they were afraid of Qin Yu.

Qin Yu glanced at them and said, "I only kill people from the Disha Valley."

After saying that, Qin Yu walked towards Jiang Gu.

At this time, Jiang Gu had already sat up from the formation.

He looked at his own corpse beside him, and his expression immediately changed.

"Mr. Qin, what... What's going on?" Jiang Gu said in horror.

Qin Yu did not hide anything and told Jiang Gu the whole story.

After hearing Qin Yu's words, Jiang Gu was stunned.

"So... I now have a saintly being?" Jiang Gu gulped.

He had seen with his own eyes that a saintly being could fight Qin Yu in close combat without being at a disadvantage!

With such a body, his strength would definitely increase by a lot!

"Thank you, Mr. Qin!" Jiang Gu was abnormally excited and kowtowed.

Qin Yu helped Jiang Gu up and said with a smile, "As for how you explain your identity, it's up to you."

"Don't worry, Mr. Qin!" Jiang Gu clenched his fist and felt the abundant power coming from his body.

Qin Yu turned around and walked into the depths of the Earth Evil Valley.

The Earth Evil Valley occupied an extremely large area, and there were many caves in this valley.

In each cave, there were human corpses and some poisonous things.

For example, Gu Worms, poisonous snakes, toads, and so on.

And behind the Disha Valley, there was a huge artificial stone statue.

The appearance of the stone statue was that of the Disha Valley's ancestor.

Qin Yu raised his head and looked at the huge stone statue with an extremely cold expression.

It was this ancestor who created the Disha Valley, and it was also because of him that so many innocent people were harmed.

Qin Yu held the golden light in his hand and smashed it toward the stone statue with a loud bang.

The stone statue shattered under the tremendous force!

“Mr. Qin!”

At this moment, Jiang Gu ran over from not far away.

He exclaimed, “I found this kind of pill in the valley!”

The Pill in Jiang Gu's hand was the one that Hui Ming had been showing off earlier.

Qin Yu was instantly delighted and hurriedly asked, “How many more are there?”

“At least three snake skin pouches!” Jiang Gu said excitedly.

This pill contained pure Qi/spiritual energy. Three snake skin pouches were unimaginably valuable.

“Bring these pills with you later,” Qin Yu said.

“Yes!”Jiang gu hurriedly nodded.

Then, Qin Yu walked towards the Dungeon of the Earth Fiend Valley.

The two dungeons held the young girl and the martial artist respectively.

At this moment, each of their faces were filled with despair.

“I don’t want to die, I don’t want to die...”Xiaomi repeated this sentence repeatedly as if she had gone crazy.

The other people’s conditions were not much better. This kind of encounter had caused a great trauma to their psychology.

At this moment, a voice suddenly came from the entrance of the dungeon.

Everyone’s expression changed abruptly, and some of them were so scared that they cried on the spot!

“Don’t kill me, don’t kill me...”

The dungeon was filled with mournful cries, and their bodies could not help but curl backwards.

Looking at everyone’s posture, Qin Yu could not help but sigh slightly.

The psychological damage caused by this kind of encounter would probably need a lifetime to be erased.

“Don’t be afraid, I’m here to save you.”Qin Yu held the bronze sword in his hand, and with a gentle wave, he directly sliced the door into two.

However, these people didn’t seem to believe Qin Yu, and no one even dared to come out.

Qin Yu appeared to be quite helpless, and for a moment, he didn't know what to say.

“Cousin? Why are you here?” At this moment, Tang Ling suddenly shouted in surprise!

After hearing her voice, a woman in her twenties immediately looked at Tang Ling.

“Tang... Tang Ling? Is it really you?” The woman couldn't stop her tears.

She rushed out quickly and hugged Tang Ling. She couldn't help but burst into tears.

“Why are you here?” Tang Ling asked in surprise.

Tang Ling's cousin cried and said, “I heard that the divination of an ancient pagoda is very accurate, so I wanted to give it a try. I didn't expect to be locked up here by them...”

Hearing this, Tang Ling couldn't help but feel a lingering fear.

If it wasn't for Qin Yu, she would probably be locked up here too, right?

At this time, Xiaomi also recognized Qin Yu. She wiped her tears and ran out of the dungeon.

“Qin Yu, is it really you...” Xiaomi said in a trembling voice.

“Those people are so scary. They took Xiao Yu, i...”

“They are already dead,” Qin Yu interrupted Xiaomi.

Tang Ling also said from the side, “Those bad guys were killed by Mr. Qin. You are safe now!”

Finally, these girls began to try to walk out of the dungeon.

After confirming that Qin Yu was not a bad guy, these girls began to express their gratitude to Qin Yu.

Qin Yu did not have the time to listen to their heartfelt words. Instead, he turned around and walked to another dungeon.

This dungeon was full of martial artists. The difference was that many of the martial artists were already skin and bones. Dried corpses could be seen everywhere.

Qin Yu frowned.

He touched his chin, as if he had guessed something.

“Those pills... could they be refined from the inner strength of these martial artists?” Qin Yu murmured in a low voice.

Hui Ming could absorb the inner strength of others, but the capacity of his Dantian was limited. It was very likely that Hui Ming had refined the extra inner strength into a pill!

“This Hui Ming really has some tricks.” Qin Yu couldn't help but sigh.

After saving the people, Qin Yu planned to leave the Disha Valley.

The few of them rushed to the airport together. On the way, Cheng Cai said in a low voice, “Mr. Qin, it's all thanks to you. Otherwise, we would definitely be part of that dungeon...”

Qin Yu closed his eyes and didn't say a word.

Tang Ling said in a low voice, “Mr. Qin, Can I have your phone number?”

“Mr. Qin is very tired and needs to rest. You Don’t have to disturb him,”Jiang Gu said in a deep voice.

Seeing this, Tang Ling looked at Jiang Gu and said, “Uncle, can you give me your phone number?”

Jiang gu frowned slightly, but in the end, he still gave his phone number to Tang Ling.

The car sped along. Xiaomi looked at the unconscious Xiao Yu with a guilty look on her face.

Soon, the car arrived at the airport.

Jiang Gu went to check in and the few of them were ready to leave.

“Mr. Qin.”At this moment, Tang Ling suddenly tugged at the corner of Qin Yu’s shirt.

“Will we have the chance to meet again in the future?”Tang Ling asked softly.

Qin Yu smiled and said, “Perhaps.”

After saying this, Qin Yu turned around and walked towards the plane.

It was an unchanging principle that beauties loved heroes.

Tang Ling was naturally no exception.

The scene of Qin Yu’s blood staining the sky and slashing through the ashes left an indelible mark in Tang Ling’s heart.

She looked in the direction of Qin Yu, her beautiful eyes shining with brilliance.

Qin Yu didn't take her words seriously at all.

After getting on the plane, Jiang Gu teased, "That little girl called Tang Ling might have fallen in love with you."

Qin Yu rolled his eyes at Jiang Gu and said, "I've only met her once, how could I like her?"

"You can't say that. Miss Yan hasn't known you for long," Jiang Gu retorted.

Qin Yu was instantly speechless.

At this moment, Qin Yu suddenly felt the imprint in his mind flickering.

Then, Qin Yu's spiritual sense was directly sucked into the stone statue.

Chapter 277: Chapter 277, devouring divine sense

This time was different from usual. The patriarch did not knock Qin Yu to the ground. On the contrary, his voice was somewhat weak.

In the darkness, a weak figure slowly floated toward Qin Yu.

He raised his head to look at Qin Yu and said, "How is the Earth Fiend Valley?"

Qin Yu looked at the Earth Fiend Valley Patriarch and said in a deep voice, "It's done. Don't worry."

Hearing that, the patriarch hurriedly said, "What about the seal? Have you found a way?"

"Yes, I found it." Qin Yu nodded.

"Patriarch, don't worry. It won't be long before you can leave this place."

The patriarch immediately raised his head and shouted, “Finally, finally! I can finally leave this damn place, hahaha!”

“Please Wait a moment, Patriarch. I will go and remove the seal for you now,”said Qin Yu.

The patriarch hurriedly nodded and said, “Good, good, well done! When I leave this place, I will definitely reward you well!”

“Thank you, Patriarch,”said Qin Yu, suppressing the anger in his heart.

The patriarch activated the spell, and Qin Yu’s spiritual sense returned to his body.

He did not waste any time. He immediately closed his eyes and activated the spell left by his father, preparing to erase this mark.

This spell was none other than the divine judgment!

It was precisely because he was looking for a way to erase the mark that Qin Yu was able to use the divine judgment on Hui Ming at a critical moment!

Qin Yu silently activated the spell. Rays of light exploded within his divine sense.

The rays of light flowed like a stream towards the mark.

At this moment, Qin Yu suddenly felt that the mark was attempting to devour his divine sense!

“Oh ?”Qin Yu’s expression changed, and he immediately felt waves of shock!

This was... The Mark of the devouring divine sense!

In other words, the Earth Fiend Valley's Patriarch had deceived Qin Yu!

This divine sense was not what he had said, to prevent Qin Yu from rebelling, but to wait for an opportunity to devour Qin Yu's divine sense!

If he had not discovered it in time, he might have used his body to be reborn!

"The people of the Earth Fiend Valley are indeed extremely sinister," Qin Yu said with narrowed eyes.

Qin Yu did not waste any more time. He immediately activated a spell to erase this mark.

Rays of light flowed like streams towards that mark.

In a flash, this mark was submerged.

Waves of piercing pain came from Qin Yu's head, as if his spiritual sense was about to be cut apart!

The entire imprint emitted streams of steam-like internal Qi. In less than a minute, the imprint was completely erased.

Qin Yu suddenly opened his eyes. He tried to sense the imprint, but there was nothing else in his spiritual sense other than that black dot.

"Hu."

Qin Yu let out a long breath. A cold glint flashed in his eyes.

It was time to pay back the sins of the Earth Fiend Valley!

Qin Yu took out the stone statue from his bag and placed his hands on it. His spiritual sense was sucked into the stone statue.

He was extremely excited to see Qin Yu again!

He turned into a black shadow and instantly appeared in front of Qin Yu.

“How is it? Has the seal been lifted?”The patriarch asked anxiously.

Qin Yu did not answer. He only looked at the old ancestor coldly.

After Feeling Qin Yu’s gaze, the old ancestor said angrily, “I’m asking you a question. What’s wrong? Are You Mute?”

After saying that, the old ancestor waved his big hand again and smacked towards Qin Yu!

Unfortunately, this time, he did not Smite Qin Yu to the ground. Instead, Qin Yu grabbed his wrist!

The patriarch’s expression immediately changed. He roared angrily, “Do you want to rebel? !”

“Rebel?”Qin Yu’s voice became incomparably cold.

“Your Earth Fiend Valley is sinister and vicious. You have committed many evil deeds. Over the years, you have harmed countless people!”When Qin Yu said these words, he was practically gritting his teeth!

“And you are the main culprit! I wish I could eat your flesh and peel off your skin!”

The patriarch’s expression changed. He looked at Qin Yu coldly and asked, “Who are you?”

Qin Yu sneered, “I am Qin Yu.”

The patriarch's expression changed drastically! He roared, "You dare to lie to me? You Dare to lie to me? !"

"That's right, not only did I lie to you, I even used your strength to crush the Earth Fiend Valley!" Qin Yu sneered.

"Ah! ! !"

The Earth Fiend Valley's patriarch was on the verge of collapse. He raised his head and roared angrily!

"Brat, I will cut you into a thousand pieces and tear you into a thousand pieces!" The Earth Fiend Valley's patriarch roared angrily.

In an instant, the cold wind in the stone statue burst out. Countless black rays of light shot towards Qin Yu!

Unfortunately, the Earth Fiend Valley's Patriarch's strength had already been greatly injured. All of his moves were not worth mentioning!

Rays of light shone from Qin Yu's body, and he easily dodged the Patriarch's attack.

"It's useless. You have lent me your strength many times, and now you are a cripple," Qin Yu said with a sneer.

The Patriarch of the Disha Valley was so angry that he was trembling, and his teeth were chattering!

He wished he could tear Qin Yu apart with his own hands!

"Old Bastard, you should have died a long time ago," Qin Yu said coldly.

The patriarch of the Disha Valley gnashed his teeth and said, “Don’t be happy too early. I dare to lend you my strength, so I naturally have a way to deal with you!”

“Oh? Are you talking about the mark you left behind?” Qin Yu said with a sneer.

“That’s right! As long as my mind moves, your soul and spirit will be destroyed!” The patriarch said sinisterly.

Qin Yu narrowed his eyes and said, “You can try.”

The patriarch did not say anything more and immediately muttered in a low voice, activating the spell!

But unfortunately, Qin Yu stood there without moving at all. His spiritual sense was not affected at all.

“How is that possible!” The face of the Patriarch of the Earth Fiend Valley changed!

He hurriedly activated the spell again, but it was still useless!

Qin Yu sneered and said, “Just now, the mark you laid down was erased by me. Old Bastard, what other tricks do you have? Go ahead and use them!”

The patriarch of the Disha Valley immediately panicked and said anxiously, “Qin Yu! I have helped you so many times, why do you have to kill me?”

“Help me?” Qin Yu sneered again and again.

“Do you really think I don’t know your methods? It looks like you are helping me, but in fact, you are waiting for an opportunity to devour my spiritual sense, right?”

“You... how do you know?”The patriarch of the Disha Valley immediately became even more panicked.

Qin Yu said coldly, “You should go to hell and ask Yama.”

“Oh, no, I’m afraid you won’t have the chance to ask Yama.”

Qin Yu raised his hands and grabbed the patriarch of the Disha Valley!

“Heaven swallowing technique!”

Following Qin Yu’s roar, the patriarch’s spiritual sense began to distort!

“Ah! ! !”The patriarch of the Disha Valley struggled with all his might, but it was nothing in front of the heaven swallowing technique!

“Qin Yu, you bastard! !”

The patriarch’s spiritual sense was completely devoured by Qin Yu.

Endless Yin Qi was directly absorbed by Qin Yu!

“Crack!”

The stone statue was shattered at this moment!

The world inside the stone statue was slowly collapsing!

Qin Yu didn’t dare to waste time. He hurriedly left this space and returned to his body.

“Eh? This... This Is...”

As soon as he returned to his body, Qin Yu's expression couldn't help but change!

Chapter 278: Chapter 278, peak of the Martial Grandmaster realm!

After Qin Yu returned to his body, he could clearly feel that the strength of his spiritual sense was rapidly increasing!

The light that was the size of a grain of rice in his mind instantly increased by a few degrees!

"Could it be that... swallowing the spiritual sense of others can also increase the strength of my spiritual sense?" Qin Yu finally understood!

However, this method was a little too cruel.

Once the spiritual sense was swallowed, it would truly destroy one's soul!

This was still somewhat difficult for Qin Yu to accept.

"Forget it. When I go back this time, it's time for me to go into seclusion," Qin Yu thought to himself.

He had gained quite a lot this time. Not only had he swallowed the Earth Fiend Valley's patriarch, he had also obtained three sacks of medicinal pills.

More importantly, Qin Yu seemed to have obtained a faster way to increase his strength.

"Ruoxue, perhaps I'll be able to go to Jingdu to see you soon," Qin Yu muttered in a low voice, and a smile could not help but appear on his face.

...

The plane sped along.

Halfway through, Xiao Yu finally woke up, but she was still extremely weak.

She rubbed her eyes and subconsciously said, “Where am I...”

“Xiao Yu, you’re finally awake!” Seeing that Xiao Yu had woken up, Xiao Mi hurriedly shouted.

Xiao Yu glanced at Xiao Mi, but his face turned cold.

Xiao Mi also felt the change in Xiao Yu’s attitude, so she smiled and said, “Xiao Yu, are you still angry with me? I had no choice in that situation...”

“No Choice? Xiao Mi, think about it. How many times have I helped you? When you were bullied, wasn’t it me who stood up for You?” Xiao Yu said angrily.

“We never let you spend money when we go out. I was the one who introduced you to all the people you know.”

“In the end, you said such things. Don’t you have a conscience!”

The more Xiaomi said, the angrier she got. She simply ignored Xiaomi.

Xiaomi was a little flustered. Her family was not as good as Xiaomi’s.

If it were not for Xiaomi, she would probably have become an ordinary girl again.

“Qin Yu, I have to thank you. If it weren’t for you, I might have really died there,” Xiao Yu no longer paid attention to Xiaomi. Instead, she stuck close to Qin Yu and said in a sweet voice.

Qin Yu rolled his eyes and said, “Don’t go out to play in the future. Your father is almost scared to death.”

“Aiya, I know. I will definitely listen to him in the future!” Xiao Yu said seriously.

The plane soon landed in Chuzhou.

After getting off the plane, Uncle Wu’s car had been waiting here for a long time.

As soon as he saw Xiao Yu, he ran over with tears in his eyes.

“You Child, Why Are You So Disobedient? Are you trying to scare me to death? !” Uncle Wu was angry and happy, and he couldn’t help but cry.

Xiao Yu also seemed to feel a little guilty. She said in a low voice, “Dad, I’m sorry. I . . . I didn’t expect this to happen.”

“Actually, this matter is not necessarily Xiaoyu’s fault,” Qin Yu suddenly said.

Uncle Wu was stunned and frowned. “Qin Yu, what does this mean?”

Qin Yu said in a deep voice, “I keep feeling that Xiaoyu’s body seems to be a little different. Maybe it has attracted the Disha valley in some way.”

“I remember now. They said that Xiaoyu has a pure yin body!” At this moment, Xiaomi suddenly shouted.

“Pure Yin Body? Then it’s not strange.” Jiang Gu’s face changed slightly.

“Do you know this kind of body?” Qin Yu asked.

Jiang gu nodded and said, “Pure yin body and pure Yang body are two extremes. The difference is that one cultivates yang qi and the other cultivates yin qi.”

“It’s said that if you use these two kinds of bodies to refine medicine, you can refine a top-grade divine medicine.”

“There is also a rumor that when these two physiques combine, you will be able to increase your strength.”

Hearing this, Qin Yu could not help but blush, and Little Yu also felt a little unnatural.

“Chief Wu, the Earth Fiend Valley will not be the last to target Little Yu. You better keep an eye on her in the future,”Jiang Gu reminded him.

Uncle Wu hurriedly nodded and said, “I know, I know.”

Then, he suspiciously inquired about Jiang Gu’s identity.

Jiang Gu was helpless and could only explain the matter once.

After sending Xiao Yu away, Qin Yu was ready to go home.

Jiang Gu had just changed his identity and had many things to deal with, so he didn’t go with Qin Yu.

Qin Yu didn’t dare to waste time. After going home, he didn’t even rest and was ready to start breaking through.

After absorbing the Patriarch of the Earth Fiend Valley, Qin Yu was confident that he could directly break through to the seventh level of the foundation establishment stage.

Just as Qin Yu was preparing to enter closed-door cultivation to break through, he suddenly felt an extremely powerful internal Qi approaching him!

The strength of this internal Qi far exceeded Qin Yu's imagination!

Qin Yu's expression immediately changed. From this internal Qi, it seemed that the other party was at least a martial grandmaster, and not just one!

Qin Yu hurriedly walked out of his house and looked around coldly.

"Since you're here, why are you acting so sneaky?" Qin Yu said coldly.

"Your perception is pretty good."

Three figures walked out from the darkness.

Even though these three had restrained their internal Qi, Qin Yu could still clearly sense their terrifying strength!

"Who are you people?" Qin Yu looked at these three people warily.

The other party sneered, "Don't you know who you've offended?"

"I've offended many people." Qin Yu sneered.

"TSK tsk, it seems that our Hong Yi sect isn't worthy of your attention." The other party said indifferently.

Hong Yi sect!

He didn't expect that the people of Hong Yi sect would come looking for him so quickly!

“The three martial grandmasters really think highly of me.”Qin Yu narrowed his eyes and said.

“Hahahaha! To be precise... it’s three martial grandmasters at the peak!”The other party said indifferently.

Martial grandmasters at the peak ?

Qin Yu’s expression immediately became extremely unsightly!

This was practically the strongest opponent Qin Yu had encountered!

With his current strength, not to mention three martial grandmasters at the peak, even if it was just one, Qin Yu wouldn’t be able to deal with it!

“Why, are you afraid?”The other party said indifferently.

Qin Yu’s expression was slightly unsightly. He quickly raised his internal Qi, ready to make a move at any moment.

“Hehe, don’t waste your strength. In front of us, your strength isn’t worth mentioning.”The three of them slowly approached Qin Yu.

“Cut the crap, make your move.”Qin Yu roared furiously, and his internal Qi was raised to the limit!

“You don’t know death.”The three of them coldly said, and a terrifying pressure immediately swept over!

In that instant, Qin Yu felt as if his entire body had been struck by lightning, and even his movements seemed to be suppressed!

It was only a few stages, but there was such a huge difference in strength!

“You can’t even move, how are you going to resist?”The three of them said with a cold laugh.

Right at that moment, a figure shot out explosively, blocking in front of Qin Yu!

“Who allowed your Hong clan to step into the fire country’s Pyro?”

Chapter 279: Chapter 279, Yan Jiang’s true strength

Seeing this familiar figure, Qin Yu’s face couldn’t help but flash with surprise.

“Yan Jiang?” Qin Yu stared blankly at the man in front of him.

Yan Jiang Glanced at Qin Yu and coldly said, “Move to the side.”

Qin Yu said with some worry, “These three are all peak-stage martial grandmasters. I’m afraid it’s difficult for you to fight them alone.”

After saying that, golden light lit up on Qin Yu’s body as he quickly stood at the side of Yan Jiang.

After sensing Qin Yu’s internal Qi, Yan Jiang said with a faint smile, “You’ve improved quite a bit.”

Qin Yu smiled bitterly and said, “At this time, don’t say such useless things.”

Yan Jiang put his hands behind his back and said coldly, “You, step aside. If anything happens, miss won’t forgive me.”

“As for these three people, I don’t think much of them.”

As he spoke, the internal Qi on Yan Jiang’s body suddenly exploded!

The tyrannical internal Qi actually forced Qin Yu back a few steps!

This couldn't help but cause Qin Yu's expression to change greatly!

Yan Jiang's strength... was actually so terrifying?

Just how much water did he release before...

The expressions of the three people not far away couldn't help but change.

They looked at Yanjiang coldly and said with some vigilance, "Who are you?"

"You don't need to know," Yanjiang said coldly.

"All in all, you have barged into the fire country today, and you will die here." Yan Jiang stepped out, and the ground was immediately trampled into a Pyro!

Qin Yu's facial expression changes crazily, in the heart is shocked to the extreme!

Obviously, the strength of Yanjiang, far beyond Qin Yu's imagination!

The three people face more and more ugly, they did not think Qin Yu side also have such a master.

"We are presumptuous, we leave now." The three people actually had the intention to retreat.

After saying this, the three of them turned their heads and left.

However, Yanjiang waved his hand!

A huge tree that was as thick as two people's arms suddenly collapsed! It blocked in front of the three of them!

“I said, since we’re here, we can’t leave,” Yan Jiang said coldly.

The three of them seemed to be a little angry. They looked at Yan Jiang coldly and said, “We’re both peak-stage martial grandmasters. If we really fight, you might not be our match. Why are you so aggressive?”

“Is that so? Then come and try!” Yan Jiang did not waste any more words. With a shake of his feet, his body disappeared into thin air!

The speed was so fast that Qin Yu was dumbstruck!

There was even an afterimage of Yan Jiang left on the spot!

“Bang!”

With such a fast speed, the three of them could not react in time either. One of them was pierced through the chest by Yan Jiang! Blood was dripping down!

“Don’t think that we are afraid of You!” The three of them were instantly enraged, and all the spells on their bodies were activated! The entire villa was buzzing!

Yan Jiang did not say anything. With a light step, a formation actually appeared in front of him!

Within this formation, Yan Jiang was like an immortal. With a retreat of his palm, a formation of energy burst out.

One against three, Yan Jiang was not at a disadvantage at all. He was even one head above the three of them!

Standing not far away, Qin Yu was even more shocked.

The personal bodyguard of the Yan family was indeed beyond imagination!

“Boom!”

At this moment, Yan Jiang raised his palm, and streams of inner strength condensed in the air.

A moment later, it actually turned into a huge mountain!

The huge mountain crashed down, and the three people were immediately shocked until they vomited blood continuously!

The three assassins of the Hong Yi sect had ugly expressions. They looked at each other, and then the three people formed a seal at the same time!

“Ten Thousand Buddha Claws!”

As the three of them roared, a huge hand appeared in front of them!

The huge hand turned into a claw and grabbed at Yan Jiang!

“It’s just a small trick, not worth mentioning,” Yan Jiang said coldly.

Then, they saw Yan Jiang’s palm reach forward, and he muttered in a low voice, “Nine Heavens Divine Palm!”

Using the palm to receive the claw, he completely did not put the three from Hong Yi sect in his eyes!

“Boom!”

The collision of the two techniques caused a huge shock!

A terrifying internal Qi spread out from both sides!

Under this collision, even Qin Yu was forced back a few meters! White marks appeared on his body one after another!

“Pu!”

The three of them were ultimately not Yan Jiang’s match. Their bodies were forced back dozens of steps before they spat out a mouthful of blood and collapsed onto the ground!

Yan Jiang did not stop there. He did not even give them a chance to speak!

Yan Jiang raised his hand and a huge sharp blade appeared out of thin air above the three of them!

“Slash!”

Yan Jiang roared and the sharp blade slashed towards the three of them at an extremely fast speed!

“Puchi!”

The three of them did not even have the time to resist before their bodies were sliced into two!

Fresh blood splattered all over the courtyard.

At a glance, it was like hell on Earth.

Yan Jiang raised his foot and lightly shook it. The formation under his feet slowly disappeared.

Everything returned to normal. There were only three more corpses.

Qin Yu could not help but feel some lingering fear. He recalled the first time he fought with Yan Jiang.

If it was Yan Jiang who killed him, Qin Yu would have died a long time ago, right?

“Are you okay?”

At this moment, Yan Jiang turned around and looked at Qin Yu.

Qin Yu quickly shook his head and said, “I’m fine. Thank you.”

Qin Yu knew in his heart that Yan Jiang had always looked down on him, so he did not deliberately approach him.

“Why? I helped you kill three enemies. Shouldn’t you treat me to a drink?”

However, Yan Jiang’s words made Qin Yu stunned.

Is this still the same Yan Jiang from before? Didn’t he always look down on me?

“Of course. Please come in.” Qin Yu came back to his senses and said politely.

“Wait for me to deal with these three corpses first.” Yan Jiang raised his hand and walked forward. Then, he stretched out his palm and the three corpses disappeared into thin air.

This kind of spell made Qin Yu somewhat surprised.

“How did you do this?” Qin Yu asked in puzzlement.

Yan Jiang shook his wristband and said, “Spatial magic artifact.”

“Spatial Magic Artifact?” Qin Yu’s eyes instantly lit up.

This was a good thing! Although spatial magic artifacts were not worth mentioning in the immortal cultivation world, in the human world, they were top-tier Treasures!

“You Like It?” Yan Jiang raised his eyebrows and asked.

Qin Yu smiled and said, “I’m afraid that no one doesn’t like this kind of holy object.”

Yan Jiang immediately took off the bracelet and threw it to Qin Yu.

“If you like it, I’ll give it to you,” Yan Jiang said somewhat casually.

Qin Yu was stunned. He hurriedly returned the bracelet to Yan Jiang and shook his head repeatedly. “No, it’s too valuable. Moreover, you saved my life. I should thank you.”

“Take it. Miss will reimburse me,” Yan Jiang said.

Miss was naturally referring to Yan Ruoxue.

This also made Qin Yu realize the gap between him and the Yan family more clearly.

Qin Yu could not help but laugh bitterly.

The road of cultivation was long. It was not easy to catch up with the Yan family. To be worthy of Yan Ruoxue was like ascending to the heavens.

In the room, Qin Yu took out a bottle of wine and poured it for Yan Jiang. He also poured himself another glass.

Yan Jiang took a sip of wine and then looked up at Qin Yu.

“If you have anything you want to ask, just ask now. Only today,” Yan Jiang said lightly.

Qin Yu was stunned and hurriedly said, “Really?”

He wanted to know everything about the Yan family too much. It was just that he did not have the chance.

And Yan Jiang, as Yan Yunheng’s bodyguard, knew the Yan family like the back of his hand!

Chapter 280: Chapter 280, the current situation of the Yan family

Yan Jiang shook the wine cup in his hand and said indifferently, “There are some things that I should tell you.”

Qin Yu stared at Yan Jiang in front of him and couldn’t help but feel a little nervous.

He took a deep breath and slowly said, “I want to know everything about the Yan family.”

Yan Jiang seemed to have guessed it long ago.

He didn’t speak for a long time and only shook the wine glass in his hand.

After a while, Yan Jiang slowly said, “The strength of the Yan family is beyond your imagination. Even in jingdu, it can be ranked in the top few.”

Qin Yu nodded repeatedly, but didn’t interrupt Yan Jiang’s words.

Yan Jiang continued, “A big family like this, the complexity of it is beyond your imagination.”

“Although the Yan family is very strong, it is not as flawless as it looks on the surface.”

Qin Yu could not help but frown. “What do you mean?”

Yan Jiang glanced at Qin Yu and said, “On the surface, the Yan family seems to be impregnable, but in fact, it is unstable internally.”

“The reason why the Yan family has not fallen apart now is that old Mister Yan is still alive.”

“As long as he is alive, the Yan family will not fall.”

Qin Yu’s expression was a little ugly.

He could not help but think of what Han Wei had said.

Old Mister Yan’s lifespan was not long.

Qin Yu quickly looked at Yan Jiang, waiting for his next words.

Yan Jiang continued, “Such a large family has branches that are beyond your imagination. They say that they are a family, but in reality, they are fighting among themselves.”

“Old Mister Yan has four sons. Each of them is secretly competing for the position of the Yan family.”

“For example, the eldest miss’ father, Yan Yongxiu. His position in the Yan family is not as high as you think.”

Qin Yu did not say a word. No one knew what he was thinking.

Yan Jiang continued, “But because old Mister Yan favored the eldest miss, Yan Yongxiu was able to rise with the tide.”

“But what about after old Mister Yan passed away? At that time, would Yan Yongxiu be able to maintain his current status?”

“Miss, can you continue to be the apple of the Yan family’s Eye?”

Qin Yu’s expression became even more unsightly. He said somewhat unwillingly, “Even if old Mister Yan really passed away, his four sons are still blood brothers after all...”

“Blood-related brothers?” Yan Jiang scoffed at this.

“There are no true feelings in a big family. In the face of benefits, no relationship is worth mentioning.”

Speaking up to this point, Yan Jiang looked at Qin Yu and said, “Let me tell you some bad news.”

“Among the four branches of the Yan family, the strongest is the eldest of the Yan family, Yan Sihai.”

“And Yan Sihai’s relationship with Yan Yongxiu is not good. It can even be said to be very bad.”

“Because of old Mister Yan’s favoritism towards the eldest lady, it caused Yan Sihai’s heart to be filled with hatred.”

Qin Yu’s brows were tightly knitted together.

He could not understand these large families, and could not understand the conflict between them.

“Which of the people above did not climb up with blood and tears? To them, their feelings have long been abandoned.” Yan Jiang shook his head, appearing somewhat helpless.

Qin Yu was silent.

He raised his wine glass and emptied it.

Qin Yu did not expect that Yan Ruoxue would also be in a predicament.

“Old Mister Yan is still alive. Miss can protect you, but once old Mister Yan is dead, I’m afraid miss will not be able to protect herself.” Yan Jiang put down the wine glass in his hand.

Qin Yu immediately felt a strong sense of crisis!

Although Qin Yu did not understand the internal conflict of the Yan family, he understood one thing in his heart.

That was, once old Mister Yan died, it would mean that Yan Ruoxue’s status would rapidly decline! It would even attract disaster!

“Qin Yu, Miss has high expectations for you,” Yan Jiang said lightly.

Qin Yu clenched his fists. His gaze towards Yan Jiang was filled with determination.

“I won’t let her down.”

“If one day she really falls into a difficult situation, I will never let her suffer any grievances.”

“Even if the opponent is the Yan family or the Han family!”

Yan Jiang laughed.

He reached out and patted Qin Yu’s shoulder, saying, “Qin Yu, some things can’t be said easily. Before you have absolute strength, you are not qualified to say this.”

“Although your progress can be said to be divine, with your current achievements, in front of the Yan family, you don’t have the slightest ability to fight back.”

Qin Yu didn't say anything. He knew that the gap between him and the Yan family was very big, but he didn't expect the gap to be so big.

"I hope you can protect miss for the rest of her life," Yan Jiang said half-jokingly and half-seriously.

Qin Yu looked at Yan Jiang and said seriously, "I will let Ruoxue stand at the peak of Jingdu."

Hearing this, Yan Jiang couldn't help but want to laugh.

"It's not that I look down on you, it's just that these words are not realistic." Yan Jiang shook his head.

"Unless you can become the next ye Qing before old Mister Yan dies."

Ye Qing, it was ye Qing again.

Qin Yu had heard this name countless times!

He was silent for a long time, then raised his head to look at Yan Jiang and said, "What level is ye Qing at? And what realm is he at?"

Yan Jiang looked at Qin Yu and said indifferently, "In short, he is an existence that surpasses martial grandmasters. When he was thirty years old, he had already reached the realm of Marquis Wu."

Marquis Wu?

This was the first time Qin Yu had heard of this realm.

Yan Jiang smiled and said, "In short, you only need to know that Marquis Wu's strength is far above that of martial grandmasters."

"Even a hundred peak martial grandmasters are not worth mentioning in front of Marquis Wu."

Qin Yu nodded and said, "I understand."

Speaking up to this point, Qin Yu looked at Yan Jiang and asked with some doubt, "Why did you suddenly tell me all this?"

Yan Jiang let out a long sigh and said, "To tell you the truth, when I first met you, I completely looked down on you."

Qin Yu nodded. He was very clear about this in his heart.

"But I didn't expect you to have such achievements in such a short period of time."

"And... I like your unyielding spirit, even when facing families and forces that are far beyond yours."

"In today's society, which person isn't groveling and groveling, struggling to survive..."

Yan Jiang sighed slightly, as if he was lamenting something.

Qin Yu also felt the same. He also knew that every person who stood at the top was accompanied by blood and flesh, along with the plundering of resources.

This also caused the people at the bottom to always raise their heads to look up at them.

"Let's not talk about this anymore. It's time for me to leave." Yan Jiang stood up and said.

"Thank you for the wine. Although it doesn't taste good, I like it."

After saying this, Yan Jiang was ready to leave.

"Wait!"

At this moment, Qin Yu suddenly called out to Yan Jiang.

He stared at Yan Jiang and said, “Who is stronger between you and Han Wei?”

Yan Jiang was silent for a moment and said, “Han Wei is the son of the first wife of the Han family. The resources he enjoys are not something I can compare to.”

Although Yan Jiang did not say it explicitly, his meaning was very obvious.

“Oh right, I have bad news for you.”

“The eldest son of the Yan family, Yan Sihai, is quite close to the Han family.. If Old Mister Yan is gone, Yan Sihai will most likely betroth miss to Han Wei.”

Chapter 281: Chapter 281, Qin Yu's choice

Hearing Yan Jiang's words, Qin Yu's face instantly turned pale.

An unprecedented sense of crisis almost swallowed Qin Yu.

Yan Jiang stood up and was ready to leave.

“Wait!”

At this time, Qin Yu called out to Yan Jiang again.

He walked quickly to Yan Jiang and said slowly, “Can you let me see your true strength?”

Yan Jiang was stunned and asked in confusion, “What do you mean?”

“I want to know how big the gap is between you and me.”Qin Yu took a deep breath.

Yan Jiang frowned slightly.

He said in a deep voice, “You may be injured.”

“As long as you don’t die.”Qin Yu turned around and went into the courtyard.

Yan Jiang Thought for a moment and finally followed him out.

Their eyes met and Yan Jiang asked, “Are you sure you want to fight me?”

Qin Yu nodded and said, “I’m sure. I hope you won’t show any mercy.”

After saying that, the Qi and energy in Qin Yu’s body exploded in an instant!

This was Qin Yu’s own strength, and he didn’t rely on the old rent from the Earth Fiend Valley!

Therefore, the current Qin Yu was still far from becoming a martial grandmaster.

Yan Jiang looked at Qin Yu, who was bursting with golden light, and said coldly, “Fine, I’ll satisfy you.”

With that said, Yan Jiang’s body disappeared into thin air and appeared in front of Qin Yu in almost an instant!

Facing Yan Jiang, Qin Yu did not dare to hide his strength. He roared angrily and immediately activated the third level of the sacred body technique!

And the fist that greeted Yan Jiang was Qin Yu's trump card, the absolute beginning sacred fist!

The two fists collided, creating a huge wave of air!

The strong wind swept in an instant, and the surrounding trees were uprooted!

The Golden Light on Qin Yu's fist started to crack.

Then, the golden light retreated, using his physical body to firmly form this fist.

His body retreated, smashing the wall behind him.

His arm was almost shattered, and his entire body was covered in blood.

Even Qin Yu, who had tempered his body, could not fight against Yan Jiang!

Looking at Qin Yu who was lying on the ground, Yan Jiang slowly walked over.

"You have improved very fast, but it is not enough," Yan Jiang said.

Qin Yu fell to the ground and did not say anything.

He stared at the sky, and the moonlight shone on his face.

"Han Wei... is stronger than Yan Jiang?" Qin Yu murmured.

Yan Jiang left, and Qin Yu lay on the ground, not getting up for a long time.

Countless thoughts flashed through his mind, and he looked a little numb.

Ten minutes later, Qin Yu struggled to get up from the ground.

He endured the pain in his body, and his eyes became determined again.

“I won’t lose to Han Wei, and I Won’t lose to the Yan family.”Qin Yu’s voice was a little cold.

He quickly sat cross-legged on the ground and began to heal himself.

Then, he took out the pill from the snakeskin bag.

These pills were the purest inner strength of a martial artist, and their effects were not inferior to divine medicine.

Qin Yu stuffed them into his mouth as if he was eating beans.

Soon, he felt the critical point of his breakthrough.

Perhaps the truth of the Yan family had dealt a blow, or perhaps the difference in strength had triggered Qin Yu’s fighting spirit.

In short, Qin Yu’s realm seemed to have improved a lot without him realizing it.

The breakthrough this time was extremely smooth. Qin Yu easily crossed this level and directly stepped into the eighth level of the foundation establishment stage.

At this time, the sky had already lit up, and Yao Qing had also returned from outside.

He looked at the surrounding environment and hurriedly said, “Mr. Qin, what happened?”

Qin Yu shook his head and didn’t say anything. He just kept stuffing the pill into his mouth.

“Oh right, I’ll give these pills to you.” Qin Yu didn’t swallow all the pills from the Earth Fiend Valley.

He gave three bags to Jiang Gu and Yao Qing.

The remaining bag was the cornerstone of the breakthrough.

Qin Yu continued to swallow the pill. The long-term qi/spiritual energy input had caused a great burden to his dantian.

However, Qin Yu had no intention of giving up. He swallowed all the pills in the snake skin pouch into his stomach.

The purest inner strength exploded in Qin Yu’s Dantian, almost bursting the entire Dantian.

The excruciating pain made Qin Yu’s face sweat.

However, there was no change in his expression. He looked extremely calm.

Qin Yu guided the inner strength in his Dantian and circulated it through his meridians.

This was to offset the burden on his dantian.

Slowly, the pain in Qin Yu’s Dantian began to disappear.

It was obvious that Qin Yu’s experiment had succeeded.

If he did not have this method, Qin Yu’s consumption of the pill would be too restrictive.

This would also prolong Qin Yu’s cultivation indefinitely.

Three days and three nights.

Qin Yu finally reached the boundary of the ninth level of the foundation establishment stage.

However, the Qi/spiritual energy had already reached the state of being dried up, so Qin Yu could only give up temporarily.

He stood up from the ground and picked up the spatial magic tool that Yan Jiang had given him to examine it.

Yan Jiang didn't tell Qin Yu how to use the spatial magic tool, so Qin Yu could only fumble around on his own.

His divine sense moved, and a strand of blood essence flew out from between his brows.

Qin Yu dripped this drop of blood essence onto the spatial magic artifact, but he discovered that the spatial magic artifact did not have the slightest reaction.

“Looks like this method isn't right.” Qin Yu could not help but frown.

Then, he sent another strand of divine sense into the spatial magic artifact.

“Buzz!”

Finally, the spatial magic artifact had a reaction!

Rays of light bloomed on the spatial magic tool, and Qin Yu's spiritual sense could enter and exit the spatial magic tool at will.

As long as his mind moved, he could control this magic tool.

“It really is a babe,” Qin Yu thought to himself.

He walked around the spatial magic tool, and other than the three corpses, there was nothing inside.

Therefore, Qin Yu withdrew his spiritual sense.

He stood up from the ground and an idea appeared in his mind.

Qin Yu took out his cell phone and called Jiang Gu.

After the call was connected, Qin Yu said, "Help me arrange an appointment with the four big families in Chuzhou."

Jiang Gu was stunned and said in surprise, "Arrange an appointment with the four big families? Mr. Qin, what's the matter?"

"Well, it's something like that," Qin Yu said.

Jiang Gu asked, "When?"

Qin Yu thought for a moment and said, "Tomorrow then."

Although Jiang Gu was a little puzzled, he still agreed.

After Qin Yu hung up the phone, a flash of coldness flashed across his face.

After this conversation with Yan Jiang, Qin Yu understood one thing:

The growth of the bottom level would inevitably be accompanied by the plundering of resources.

This king of Chuzhou can not have an empty title.

Chapter 282: Chapter 282: Surrender or die

The four great martial families of Chuzhou were the Wang family, the Li family, the Hua family, and the Luo family.

Over the years, the four great families had appeared peaceful, but in reality, they were fighting openly and secretly.

The other small families of Chuzhou had to offer them regular offerings.

They collected countless herbs every year.

Qin Yu's eyes were cold as he whispered, "It's time to make you bleed."

Then, Qin Yu lowered his head and looked at the divine pill in his hand.

He didn't rush over to refine the pill. Instead, he temporarily put the divine pill into his wristband. This was because the refinement of this divine pill would probably take a very long time.

Moreover, Qin Yu was somewhat dissatisfied with his current strength.

Many high-grade pills required the support of strength.

Therefore, Qin Yu planned to step into the monastic stage and then use this medicinal herb.

At that time, Qin Yu could try to refine a heaven-grade pill.

The next day.

The four great martial arts aristocratic families arrived at the Jiang family early.

In a pavilion, everyone toasted each other and looked quite satisfied.

"Jiang, why is Qin Yu looking for us?" Wang Wu of the Wang family asked.

Jiang gu shook his head and said, "I'm not sure either."

“TSK tsk, being called the king of Chu prefecture at such a young age is really enviable.” At this moment, someone from the Hua family suddenly said in a strange tone.

Jiang gu glanced at him and said, “Mr. Qin has the qualifications. Moreover, the title of King of Chu Prefecture is also called by everyone.”

As he was speaking, Qin Yu walked over from not far away.

When they saw Qin Yu, everyone stood up and greeted Qin Yu.

Qin Yu nodded slightly as a form of greeting.

He walked into the pavilion, found a seat, and sat down. Then, he looked at the people in front of him.

“Mr. Qin, why are you looking for us this time?” Wang Wu asked.

Qin Yu took a sip of water. Then, he looked at everyone and said straightforwardly, “I want you to submit to me.”

As soon as he said this, everyone was shocked!

Wang Wu stood up angrily and said loudly, “Submit to you? Our four big families have been in Chuzhou for many years, but we have never submitted to anyone!”

“That’s right. Even when the Jiang family was at its peak, we have never submitted.”

Qin Yu glanced at them and said indifferently, “That’s because I didn’t come before. Now That I’m here, all of you should submit.”

“From today on, I want you to offer me a stalk of herbs every month for more than fifty years.”

Qin Yu's overbearing tone immediately aroused the dissatisfaction of the crowd.

Wang Wuleng looked at Qin Yu and said, "Mr. Qin, you are seizing, seizing! Do you think this is reasonable?"

Qin Yu said indifferently, "You are right. But as far as I know, all the martial arts families in Chuzhou will also offer you a stalk of herbs every year, right? "Even some herbs merchants want to give you herbs at a low price. Do you consider it as robbing?"

"That's what they should do." Wang Wu snorted.

Luo Zhan of the Luo family also said indifferently, "It's just the law of the jungle. They're not strong enough, so they deserve to be robbed."

Hearing that, Qin Yu couldn't help but sneer, "Yeah, in my eyes, aren't you the same?"

"If all of you bully others, I can also bully all of you."

When they heard this, the four of them could not sit still anymore!

They slammed the table and stood up, shouting angrily, "Qin Yu, don't go too far! Although our four families can not be considered as top aristocratic families, it's definitely not up to you to humiliate us!"

Wang Wu said coldly, "I'm sorry, we won't accept your suggestion."

Qin Yu coldly swept his gaze across the crowd and said, "Do you think I'm discussing this with you? I'm informing you."

"Today, I'll only give you two choices. Either you submit or you die here."

Everyone's expressions changed. Wang Wu took large strides towards Qin Yu and berated, "Qin Yu, you're going too far!"

Qin Yu immediately waved his large hand and slammed his palm towards Wang Wu!

With a crisp "Bang" sound, Wang Wu was directly sent flying! A mouthful of blood spewed out!

"If you agree, then you have to agree. If you don't agree, then you have to agree," Qin Yu said coldly.

Seeing Wang Wu lying on the ground and not getting up, the few of them had ugly expressions on their faces.

"Mr. Qin, can you give us some time to think about it?" Luo Zhan braced himself and asked.

"No." Qin Yu was extremely overbearing and didn't give them any chance at all.

"Hehe, Qin Yu, do you know that our hua family used to be a prestigious family in the Jiang Bei Region?" At this moment, Hua Jie suddenly asked.

"So?" Qin Yu raised his eyebrows and asked.

Hua Jie said indifferently, "Jing Lu in the Jiang Bei region used to be a friend of our hua family. My Son, Hua Liyu, is also known as a genius!"

"Yes, Jing Lu once knelt down and begged for mercy in front of me," Qin Yu said indifferently.

When Hua Jie heard this, he couldn't help but laugh out loud, "You're bragging! Jing Lu is a genius of the Jiang bei region. How can he beg for mercy from You?"

“I prove that what Mr. Qin said is true,”Jiang Gu said in a deep voice.

Hua Jie cursed loudly, “Jiang Gu, you and Qin Yu are just in cahoots with each other. Do you think I’ll Believe Your Words?”

Jiang Gu’s face turned cold. He suddenly reached out and grabbed Hua Jie’s neck!

“Who gave you the courage to shout in front of me?”Jiang Gu said coldly.

He gradually exerted strength in his hand, and Hua Jie’s face instantly turned red!

“Jiang Gu... i... F * ck you!”Hua Jie gritted his teeth and spat out these words.

“You don’t know life from Death!”Jiang Gu suddenly exerted strength in his hand, and Hua Jie’s neck was directly broken on the spot!

The faces of the few people present instantly turned ashen, and they were extremely frightened.

“I’ll only give you one minute to consider,”Qin Yu said indifferently.

The few people looked at each other. Wang Wu was the first to clench his teeth and say, “Mr. Qin, I... I’m willing to submit!”

Qin Yu nodded with satisfaction and said, “What About You?”

The others also agreed, “We’re also willing to submit!”

Qin Yu nodded in satisfaction. He slowly stood up and swept his gaze over the crowd, saying, “I won’t take your herbs for free.”

After saying that, Qin Yu extended his palm, and three foundation establishment pills fell into his palm.

“This pill is called Foundation Establishment Pill. After swallowing it, it can increase a small stage.”Qin Yu flicked his finger, and the three pills fell into the hands of the few of them.

After receiving the pill, they quickly cupped their hands and said, “Thank you, Mr. Qin!”

Qin Yu glanced at everyone and said, “I hope that you can send the herbs to me tomorrow.”

After saying this, Qin Yu was ready to get up and leave.

“The king of Chuzhou is really overbearing.”

At this moment, a voice suddenly came from not far away.

Turning around, he saw an old man slowly walking over with his hands behind his back.

Chapter 283: Chapter 283, as expected of his descendant

The old man’s aura was extremely strong. Although one could not feel the fluctuations of his internal QI, they still did not dare to underestimate him.

When Qin Yu looked at this person, his expression changed slightly.

“Master Gu!”Jiang Gu was the first to call out this name.

The person who came was none other than Gu Taichu! A person who could command the winds and clouds in Jiang Bei!

“Gu... Gu Taichu?”The others’expressions changed drastically!

Gu Taichu had long released the news that he wanted to kill Qin Yu, but he never showed up.

He didn't expect that he would appear in the Gu family today!

"You are Qin Yu?" Gu Taichu looked at Qin Yu.

Qin Yu was neither servile nor overbearing. He nodded and said, "That's right."

"Yes, they are too alike!" Gu Taichu sized up Qin Yu and said something irrelevant.

Qin Yu frowned and said, "Alike? What do you mean?"

Gu Taichu didn't explain and just walked towards Qin Yu step by step.

"Master Gu!" Seeing this, Jiang Gu hurriedly took a step forward.

"Sit down."

Jiang Gu was about to say something when Gu Taichu raised his big hand and pressed it towards Jiang Gu.

With just a palm in the air, Jiang Gu suddenly sat down and couldn't even move!

"So... so strong..." Jiang Gu's expression was extremely ugly.

Qin Yu also saw how extraordinary Gu Taichu was. Without the support of the ancestor's power, it would be difficult for Qin Yu to defeat Gu Taichu.

Gu Taichu walked to Qin Yu in a few steps. One was tall and the other was short. Their eyes met.

Gu Taichu's powerful aura made everyone present tremble.

Only Qin Yu's expression was calm. He was neither arrogant nor aggressive.

The Aura on Gu Taichu's body suddenly exploded!

In an instant, the pavilion was overturned!

Everyone present, except for Jiang Gu, vomited blood continuously!

Qin Yu could clearly feel the pressure. He immediately circulated his Qi and formed a confrontation with Gu Taichu.

Qin Yu's body didn't move, and there was no joy or sorrow on his face.

This surprised Gu Tai Chu.

He laughed and said, "Yes, it's really too similar! Even the expression and action are exactly the same! hahaha!"

Qin Yu said coldly, "What exactly do you mean by that!"

Gu Tai Chu did not answer this question. Instead, he slowly asked, "What realm are you at now?"

Qin Yu frowned and answered truthfully, "With the strength of a martial artist, I'm at the peak of the master level."

Gu Taichu thought for a moment and said, "Peak of the Foundation Establishment Stage?"

Qin Yu's face immediately changed!

It was another immortal cultivator who had broken away from the martial path!

“You know a lot,”Qin Yu said coldly.

Gu Taichu put his hands behind his back and said indifferently, “Go back. In three days, I will visit you. I hope you won’t disappoint me.”

Visit Me!

It was obvious that he was going to attack Qin Yu!

“Master Gu... Please Show Mercy!”Jiang gu said with some pleading.

However, Gu Taichu raised his head to look at the sky and murmured, “I really didn’t expect to meet his descendant...”

At this point, Gu Taichu suddenly turned to Qin Yu and said indifferently, “I won’t bully you. I’ll suppress my realm to the peak of the foundation establishment stage and fight with you.”

Qin Yu’s pupils constricted!

Gu Taichu actually wanted to suppress his own strength?

This... This was too f * cking gentlemanly...

“Are you serious?”Qin Yu frowned and said.

Gu Taichu said indifferently, “I, Gu Taichu, never lie.”

“Okay.”Qin Yu smiled.

“You are the most gentlemanly opponent I have ever seen,”Qin Yu said.

Gu Taichu did not say anything. He took a step forward and disappeared in front of everyone in the blink of an eye.

“What speed!”Qin Yu’s expression changed drastically!

This was akin to shrinking the ground into an inch! Even Yan Jiang would not be able to do this!

“This Gu Taichu... is not simple,” Qin Yu thought to himself.

Then, he turned to look at Jiang Gu and said, “I’ll take my leave first.”

Jiang Gu hurriedly stopped Qin Yu and said anxiously, “Gu Taichu’s strength is beyond imagination. Why don’t we... apologize to him?”

Qin Yu smiled and said, “I’m not afraid of anyone in the same level.”

After saying this, Qin Yu ignored Jiang Gu and turned to leave.

Since Gu Taichu was so particular, there was naturally no need for Qin Yu to set up a formation.

He sat at home and quietly waited for Gu Taichu to come to his house.

This news quickly spread throughout Chuzhou and even the Jiangbei region!

For a time, reporters from the Jiangbei martial arts association rushed to Chuzhou and even hid in the dark near Qin Yu’s house.

On the other side, Jiangbei province.

Gu Taichu went to Jiangbei alone and did not bring any disciples.

The entire Gu family was under the control of Gu Taichu’s eldest disciple, Chi Feng.

At this moment, Chi Feng was tiptoeing carefully into Gu Taichu’s room.

This room was where the path-understanding tea was located.

All along, Chi Feng had been making tea for Gu Taichu.

However, Chi Feng had no idea that this was not an ordinary tea!

Ever since Gu Taichu had told him, he had always coveted this path-understanding tea, but he had no chance!

And today, the opportunity had finally arrived!

He opened the cabinet and quickly discovered the three pieces of Dao Enlightenment tea inside.

“Fortunately, it’s still there!” Chi Feng’s eyes lit up as he stared at The Dao Enlightenment Tea!

Following that, Chi Feng directly grabbed the three pieces of tea, stuffed them all into his mouth, and began to chew.

When The dao enlightenment tea entered his stomach, Chi Feng’s eyes instantly turned red!

He felt as if his entire body was bursting with an internal Qi that did not belong to him!

Even his realm was rapidly rising!

At this moment, Chi Feng was only a rank one great grandmaster. After swallowing three pieces of The dao enlightenment tea, Chi Feng’s strength had actually directly stepped into the rank eight great grandmaster realm! It had even surpassed the ancient absolute beginning realm!

Chi Feng immediately raised his head and laughed loudly when he felt this power!

“The Enlightenment tea... is actually such a holy object, hahahaha!” Chi Feng’s eyes were filled with madness!

One had to know that even in the cultivation world, the Enlightenment tea was a holy object that was rarely seen! Let alone in the mortal world!

Chi Feng's lips curled into a sneer as he muttered in a low voice, "Hehehe... Ancient Taichu, thank you..."

...

Chu Zhou's provincial capital.

Qin Yu sat cross-legged on the ground as he quietly felt the flow of internal Qi.

Although Qin Yu believed that he would not be able to find an opponent of the same level, he did not dare to neglect GU Taichu.

Time flew by. In the blink of an eye, the day of their battle had arrived.

On this morning, Gu Taichu suddenly appeared at Qin Yu's house.

Qin Yu sat cross-legged on the ground with his eyes slightly closed.

"Master Gu, You're here," Qin Yu said in a low voice the moment Gu Taichu appeared.

Gu Taichu put his hands behind his back and said with some admiration, "As expected of his descendant. His perception is very strong."

Qin Yu's brows immediately contracted tightly.

He stood up and looked at Gu Taichu and said coldly, "You've always said that I'm his descendant. who exactly is he that you're talking about?"

Chapter 284: Chapter 284, you' ve won

Gu Taichu smiled faintly. “You Want to know?”

Qin Yu didn’t say anything. He just stared at Gu Taichu.

Gu Taichu said slowly, “If you defeat me, I’ll naturally tell you.”

“Then don’t waste time!”Qin Yu said coldly.

As soon as he finished speaking, Qin Yu’s internal Qi suddenly exploded!

Qin Yu really wanted to know the “He”that Gu Taichu was talking about!

This was because Qin Yu had a strong feeling that this might be able to let him know his father and his own background!

After sensing this internal Qi, the smile on Gu Taichu’s face became even wider.

“Good, good, to be able to unleash such an internal Qi at the peak of the Foundation Establishment Stage!”Gu Taichu’s face was full of admiration!

However, he wasn’t in a hurry to make a move. Instead, he raised his hand and waved it lightly.

The reporters who were in charge of filming in the dark immediately fainted.

In the entire courtyard, only Qin Yu and Gu Tai Chu were left!

“Make Your Move,”Qin Yu said coldly.

Gu Tai Chu immediately suppressed his own strength to the peak of the foundation establishment stage. Then, he looked at Qin Yu.

“Come!”As soon as he finished speaking, Gu Tai Chu took the lead to punch out and charge towards Qin Yu!

Qin Yu didn't show any weakness and immediately clenched his fist to meet him!

This was a purely physical confrontation! Although Gu Taichu suppressed his strength to the peak of the foundation establishment stage, his physical body was still a grade five martial grandmaster!

When the two fists collided, Qin Yu retreated three steps, and his wrist was shaken until it hurt.

As for Gu Taichu, he retreated dozens of steps, and his palm was even shattered!

“What a strong body!” Gu Taichu was a little surprised.

Qin Yu said coldly, “You're not my match just with your body.”

Gu taichu sighed, “There's so much difference in realms, but your body is more powerful than mine. It's really shocking.”

After saying that, Gu Taichu's expression became serious.

He stepped lightly, and a ray of light came from below him and wrapped around Gu Taichu like armor!

This process was extremely fast. In the blink of an eye, Gu Taichu had already put on a level of armor!

“What is this?” Qin Yu could not help but frown, looking a little surprised.

Gu Taichu said two words indifferently, “A spell.”

After he said that, Gu Taichu's body floated into the air!

Then, Gu Taichu waved his hand, and the light on his body immediately rose like needles!

“Whoosh! Whoosh! Whoosh!”

This light was extremely fine, almost comparable to a person’s pores! It was also extremely fast, and could be called a needle rain!

Qin Yu tried to use his physical body to resist it, but he discovered that this light had directly pierced into his body!

“Pu!”

In a short moment, Qin Yu felt as if his internal organs had received an impact!

Not only that, even his internal Qi had begun to become chaotic, and it was almost difficult to control!

“What a magical spell.”Qin Yu’s expression changed slightly.

He took a deep breath and forced himself to calm down. Then, he raised his head to look at Gu Taichu.

At this moment, Gu Taichu’s second wave of attacks had already attacked Qin Yu!

“SWISH SWISH SWISH!”

This time, the number was even larger, almost covering the entire courtyard!

Qin Yu’s expression changed drastically. He wanted to dodge, but he found that there was nowhere to hide!

“No, if we fight with spells, I’m not his match at all,”Qin Yu muttered softly.

Since fighting with spells did not work, he could only rely on his physical body to fight!

Thus, Qin Yu immediately shouted and forcefully endured the spells. He clenched his fist and charged at Gu Tai Chu!

However, what shocked Qin Yu was that Gu Tai Chu did not intend to fight with him with his physical body at all!

He dodged to the side at an extremely fast speed and controlled the spells to attack Qin Yu once again!

Qin Yu chased after him relentlessly, but no matter what, he could not touch Gu Taichu!

In a short moment, Qin Yu's body had already been hit by hundreds of needles!

And his internal Qi had already been disrupted to the point that he was almost unable to control it!

“Not good, if this continues, I'll definitely lose.” Qin Yu's forehead dripped with a trace of sweat.

“In the end, you're still not my match,” Gu Taichu said indifferently.

As soon as he finished speaking, the third round of attacks pressed towards Qin Yu!

“Pu, Pu, Pu!”

This time, Qin Yu's dodging slowed down a lot!

Countless rays of light directly pierced into Qin Yu's body!

Qin Yu's pupils became somewhat dull, and his body swayed on the verge of collapse.

In a short moment, Qin Yu crashed onto the ground, unable to get up.

In mid-air, the corners of Gu Taichu's mouth curled up into a smile.

He put his hands behind his back and said slowly, "Although your body is tough, your weakness is obvious."

After saying that, Gu Taichu descended from the sky and walked toward Qin Yu.

He looked at Qin Yu who was on the ground and said in a low voice, "If I wanted to kill you now, you would be dead."

"Is that so?"

However, at this moment, Qin Yu, who had fainted, suddenly opened his eyes!

"Absolute beginning Holy Fist!"

Qin Yu's fist had been wrapped in gold at some point in time!

The fist that was like a round sun instantly arrived in front of Gu Taichu!

Gu Taichu's expression immediately changed! At such a close distance, it was difficult for him to dodge no matter how fast he was!

"Absolute beginning... Holy Fist!" Gu Taichu suddenly shouted the same name!

His fist was also dyed with a golden light!

The two fists collided, and waves of air spread out in all directions!

The courtyard, which was already riddled with holes, was now even more dilapidated!

Boom

Gu absolute beginning's physical strength was still slightly inferior. His body was instantly enveloped by the light on his fist, and his physical body was sent flying!

Qin Yu panted heavily. He forced himself to calm down his chaotic internal Qi and looked at Gu Taichu nervously.

As the light descended, Gu Taichu's body was covered in blood, and his physical body was on the verge of shattering!

Qin Yu clenched his fist and charged towards Gu Taichu once again!

At this critical moment, Gu Taichu removed the suppression of his strength and quickly recovered to his peak!

“Bang!”

Gu Taichu, a rank five martial grandmaster, easily received Qin Yu's punch.

Qin Yu couldn't help but be annoyed. “You're cheating!”

Gu Taichu smiled bitterly. “If I continue to suppress my strength, I'm afraid I'll die under this punch today.”

After saying this, Gu Taichu released his fist and slowly said, “Pretending to lie on the ground and not getting up, deliberately attracting me to get closer and then waiting for an opportunity to move.”

“That's right. Your combat experience is beyond my imagination.”

Qin Yu didn't have time to listen to him. He asked anxiously, "I won, didn't I?"

"You won." Gu Taichu nodded slightly.

Qin Yu hurriedly said, "Okay. According to the agreement, you must answer my question!"

Gu Taichu stroked his beard and smiled. "You can ask."

Qin Yu said in a deep voice, "Why do you know the absolute beginning Holy Fist?"

The absolute beginning Holy Fist was the inheritance left behind by his father, and Gu Taichu actually performed the same move!

This couldn't help but Surprise Qin Yu!

Gu Taichu glanced at Qin Yu and slowly smiled. "This was passed down to me by your father. Even my name was given to me by your father."

Qin Yu's pupils constricted when he heard this!

Chapter 285: Chapter 285, Qin Yu's father

As expected! Gu Taichu was related to his father!

Qin Yu's emotions instantly became somewhat agitated.

Even his internal Qi began to fluctuate.

Gu Taichu seemed to have noticed Qin Yu's emotions. He walked to a rock and sat down. Then, he slowly said, "It seems that you don't know your father very well."

Qin Yu took a step forward and said anxiously, “Master Gu, what is your relationship with my father? And who is my father?”

Gu Taichu looked at the sky and said slowly, “I don’t know your father very well, but I know that he is a man of great power.”

“Back then, I was just an ordinary inner strength master. I was the last among my peers.”

“Later, I Met Your Father by chance. It was your father who gave me a good fortune.”

Qin Yu was a little confused.

His father gave him a good fortune?

He made a last in his generation become a famous master in the Jiang Bei Region?

What kind of method was this?

Qin Yu’s eyes were filled with anticipation and nervousness as he waited for Gu Taichu to continue.

Gu Taichu continued, “Back then, he suppressed his strength to the Grandmaster realm and fought with me once.”

Qin Yu was instantly stunned.

No wonder Gu Taichu wanted to forcefully suppress his strength to the Grandmaster realm! So it turned out that his father had also taught Gu Taichu like this back then!

“What happened in the end?” Qin Yu asked.

Gu Taichu smiled bitterly and said, “He only raised his hand and I fainted.”

Qin Yu could not help but suck in a breath of cold air.

In the same realm, his father could actually achieve such a level of suppression!

Even Qin Yu, who was a primal chaos body, could not do it at all!

“Of course, at that time, I did not know any spells, so I could not compare with you.”Gu Taichu sighed.

“If you and I are really on the same level, perhaps you can do the same.”Gu Taichu said with a smile.

Qin Yu didn't say anything, but he agreed with him in his heart.

Not to mention the same level, Qin Yu didn't even care about a grandmaster.

“Master Gu, Can you tell me what kind of person my father is? Is He still alive? What kind of person is my mother? Why have they never come to see me?”Qin Yu threw out several questions in one breath.

Gu Taichu did not seem to know how to answer.

He thought for a moment and said, “I've only been in contact with your father for three days, so I don't know much about him.”

“But I know that his ability is perhaps not something we can understand.”

“As for where he went, no one knows. But I believe that I'm not the only one who has received his favor.”

Qin Yu was even more shocked.

Towards his father, Qin Yu was even more eager to know everything.

“Oh Right.” Speaking up to this point, Gu Taichu suddenly thought of something.

“Your father once left me ten pieces of path-understanding tea. He said that seven pieces belong to me and three pieces belong to you,” Gu Taichu said.

“Path-understanding tea?” Qin Yu was somewhat unfamiliar with this term.

Gu Taichu nodded and said, “Ever since I took the path-understanding tea, my strength has increased by leaps and bounds in a short period of time. From the Grandmaster realm, I have become a great grandmaster.”

Qin Yu immediately sucked in a breath of cold air!

Crossing two great levels in a row, this path-understanding tea was practically a holy object!

With the path-understanding tea, wouldn't Qin Yu be able to directly step into the monastic stage or even higher?

In that case, Qin Yu would have the capital to head to Jingdu!

“Master Gu, where is the path-understanding tea?” Qin Yu asked anxiously.

Gu Taichu shook his head and said, “Before seeing you again, I wasn't sure if you were his descendant, so I didn't bring the path-understanding tea with me.”

“So... the path-understanding tea was placed in Jiangbei?” Qin Yu hurriedly asked.

Gu Taichu slowly stood up and smiled. “That’s right. If you’re willing, you can follow me to get it.”

“I’m willing, of course I’m Willing!”Qin Yu hurriedly nodded.

So father had once left behind such a holy item!

Gu Taichu stood up from the rock. He put his hands behind his back and slowly said, “Alright, get ready. We’ll set off tomorrow.”

After saying this, Gu Taichu turned around and left.

His speed was extremely fast. In the blink of an eye, he disappeared in front of Qin Yu.

Meanwhile, Qin Yu was sitting in the courtyard. His heart could not calm down for a long time.

Qin Yu was even more curious about his father.

What kind of person was he exactly? How was he compared to the god of War, Ye Qing? Why was there no legend of him in the world?

And who was his mother?

Countless thoughts burst out in Qin Yu’s mind, disturbing his mind for a moment.

He sat cross-legged on the ground and circulated his internal Qi to flow through his meridians.

After circulating it three times, Qin Yu’s mood finally calmed down slightly.

He stood up from the ground and looked at the sky, recalling the scene when he fought with Gu Taichu.

After this battle, Qin Yu clearly discovered his weakness.

Although his physical strength was strong enough, once he met someone like the ancient Taichu who was extremely fast, the advantage of his physical body would be insignificant. He might even become a living target.

I have to think of a countermeasure, Qin Yu thought to himself.

He returned to his room and began to search for the technique in the inheritance.

Outside the door, the fainted reporters also woke up.

They looked at the scene in the courtyard and could not help but be a little confused.

“Where are they? Where are they?”

“What happened to us? Did we fall asleep suddenly?”

“From the situation in the courtyard, the two of them probably have already fought.”

After thinking about it for a while, they decided to interview Qin Yu.

The leader was a female reporter who had just graduated from university. She was wearing a professional outfit, which outlined her extremely sexy figure.

The female reporter led a few people and pushed open the door.

As soon as the door opened, Qin Yu's eyes suddenly opened.

“Who let you in?” Qin Yu asked coldly.

The female reporter walked forward quickly and said politely, "Sorry to disturb you, Mr. Qin. We are reporters from the Jiangbei Martial Arts Association. We have a question to ask you."

Qin Yu glanced at her and said, "I'm sorry, I don't have time."

The female reporter said somewhat awkwardly, "Mr. Qin, we don't mean any harm. It's just that..."

"I told you, I don't have time," Qin Yu interrupted the female reporter.

The female reporter was defeated and had no choice but to leave.

Qin Yu waved his hand and closed the door.

At night, Yao Qing also came back from outside.

He sat beside Qin Yu and said, "Mr. Qin, I went out for a walk today and gained a lot."

"According to the breathing exercise you taught me, my progress can be said to be godly!"

Qin Yu glanced at Yao Qing. As expected, Yao Qing had already stepped into the peak of inner strength master.

This speed was very fast.

"Mr. Qin, I will take you there tomorrow. The Qi/spiritual energy there is extremely abundant!" Yao Qing said excitedly.

This made Qin Yu a little surprised. He was about to speak when there was a knock on the door.

After Yao Qing opened the door, he saw a girl wearing a business suit.

This girl was none other than the female reporter.

“Is Qin Yu at home?”The female reporter asked in a low voice.

Yao Qing quickly shouted into the room, “Mr. Qin, a girl with big breasts is looking for you!”

Chapter 286: Chapter 286, Declaration of war

Hearing Yao Qing’s words, the female reporter’s face immediately turned red.

Qin Yu, who was in the room, didn’t know whether to laugh or cry.

He waved his hand and said, “Let her in.”

The female reporter hurriedly walked into the room. She quickly walked in front of Qin Yu and said with a pleading look, “Can you accept my interview?”

Qin Yu said helplessly, “I’ve already answered you once. Do you want me to answer you a second time?”

Hearing this, the female reporter immediately wiped her eyes and pretended to sob, “It wasn’t easy for me to get this job. If I can’t get it, I’ll be fired.”

“What does that have to do with me?”Qin Yu raised his eyebrows and said.

“You want to morally kidnap me? I’m sorry, I have no morals.”

The female reporter was instantly speechless. She didn’t even know what to say.

“Mr. Qin, I’m begging you. Please help me,”the female reporter said softly.

“As long as you promise me, I’ll do anything you want!”

Before Qin Yu could say anything, Yao Qing, who was at the side, said with a lecherous look, “Really?”

The female reporter glared at Yao Qing and said, “I’m not interviewing you. What does it have to do with you!”

After saying that, she put on a pitiful look and looked at Qin Yu.

Qin Yu touched his chin. He could see that if he didn’t agree today, this female reporter wouldn’t give up.

However, he had no way to tell her about the fight between him and Gu Taichu.

Gu Taichu had deliberately suppressed his strength and cultivation. If he really fought, Qin Yu wouldn’t be able to win.

After thinking for a moment, Qin Yu said, “I can’t tell you about this.”

“Aiya, just promise me.”The female reporter grabbed Qin Yu’s arm and kept shaking it.

Qin Yu said in a deep voice, “But I can promise you an interview. As for the content of the interview, I will decide it.”

“Ah?”The female reporter was stunned.

“But... the request is for me to interview you and master Gu for the decisive battle...”the female reporter said with some difficulty.

Qin Yu smiled and said, “Don’t worry, I will give you a satisfactory interview.”

The female reporter was a little confused, but there was still some anticipation in her eyes.

An idea was born in Qin Yu’s heart. This idea was related to the Han family, and its value was definitely greater than the fight with Gu Taichu.

Thus, the female reporter held the attitude of giving it a try and started the interview.

A video recorder was placed in the room, and the female reporter held the microphone and faced Qin Yu.

“Has it started?” Qin Yu asked.

The female reporter hurriedly nodded and said, “It has started.”

Qin Yu coughed at the camera, and then slowly said, “I am Qin Yu. Not long ago, I had an agreement with the eldest young master of the Han family, Han Wei.”

Hearing this, the female reporter’s expression changed slightly.

Qin Yu continued, “He had always coveted my wife and tried to use the backing of the aristocratic families to oppress me. However, after all my resistance, he did not succeed in the end.”

“At the same time, Han Wei and I had our first agreement.”

“Half a year later, I will go to Jingdu and propose to the eldest miss of the Yan family. I will also publicly battle with Han Wei. If I win, he will give

up my wife, Yan Ruoxue, and Kowtow to me three times to call me grandfather.”

Han Wei did not say these words at all. It was completely made up by Qin Yu himself.

Not to mention the female reporter, even Yao Qing, who was at the side, widened his eyes.

“Then what if you lose?”The female reporter asked.

Qin Yu said indifferently, “I will not lose. I will crush Han Wei to death, just like crushing an ant!”

Qin Yu paused at this point and continued, “But I also ask everyone to supervise, in case Han Wei is afraid of not being able to beat me and sends someone to kill me in advance.”

The interview came to an end.

Meanwhile, the female reporter was filled with excitement!

“Mr. Qin, this news is too explosive!”The female reporter said excitedly.

“Thank you so much! When I take this back, the higher-ups will definitely be very satisfied. They might even give me a promotion and raise my salary!”

Qin Yu smiled faintly and said, “Oh right, as the media, you should know how to choose a headline, right?”

The female reporter was stunned and asked in confusion, “What do you mean?”

Qin Yu touched his chin and said, “The title is called... This is a struggle between the lower class and the aristocratic families, and also a revolt against oppression!”

“As to who will be the victor, I hope everyone will pay more attention.”

Hearing Qin Yu’s words, the female reporter could not help but give him a thumbs up and said, “Mr. Qin, you are really a genius! It would be a pity if you don’t become an editor!”

Qin Yu’s title quickly raised his own position.

He had become a warrior fighting against the aristocratic families, while the Han family had been labeled as a black-hearted capitalist.

Qin Yu had lived at the bottom level since he was young, and he knew in his heart that countless people hated capital as much as he did.

Therefore, as long as this news was broadcast, it would definitely attract everyone’s attention and even praise.

“Mr. Qin, I don’t even know how to thank you. How about... I treat you to a meal?”The female reporter said.

“There’s no need for a meal. It’s just a small matter.”Qin Yu waved his hand.

The female reporter thought for a moment, then took out a business card and gave it to Qin Yu. She said, “How about this? In the future, if you go to Jiang Bei, you can call me. I’ll definitely thank you properly then!”

“How do I thank you?”Yao Qing came forward and asked with a lecherous look.

“Shut up!”The female reporter glared at Yao Qing.

Then, the female reporter said goodbye to Qin Yu and left the place.

Qin Yu glanced at the business card and learned the female reporter's name: Li Ruodan.

"Mr. Qin, if you're not interested, can you give her to me?" Yao Qing rubbed his hands and said.

Qin Yu rolled his eyes and said, "If you want to pick up a girl, go pick her up yourself. This thing isn't an item, how can I give it to you?"

After saying that, Qin Yu ignored Yao Qing and turned around to walk upstairs.

Qin Yu believed that this news would definitely blow up the entire martial arts world!

...

The next day.

Gu Taichu arrived at Qin Yu's door early in the morning.

Qin Yu also prepared a car and was ready to set off.

"Mr. Qin, where are We Going?" After getting into the car, Yao Qing asked.

"Jiangbei, Bin Province," Qin Yu said.

Yao Qing's pupils immediately constricted as he said with some fear, "Mr. Qin, I remember that old thing Gu Taichu is in Bin Province, right? If we go to Bin Province, will that old thing let us off?"

"Moreover, I've even insulted him on the Internet. This old bastard will definitely not let me off!" Yao Qing muttered.

Qin Yu immediately could not help but look at Gu Taichu.

Chapter 287: Chapter 287, the pained Gu Tai Chu

Gu Tai Chu's expression was also somewhat unnatural, and he even looked rather strange.

"Mr. Qin, why don't you go by yourself? I'm not going," Yao Qing muttered.

Qin Yu looked at Gu Tai Chu and smiled. "Master Gu, please forgive him."

Gu Tai Chu sighed slightly. "For your sake, I'll spare his little life."

Yao Qing immediately reacted. He looked at Gu Taichu in horror like a cat whose fur had exploded.

"You... You're Gu Taichu?" Yao Qing gulped.

Gu Taichu ignored him and just waved his hand. "Let's go."

The car sped toward the Jiangbei region.

The Jiangbei region was extremely large. Chuzhou was the smallest of these provinces.

And Bin Province and Chuzhou were separated by another province, so the journey was extremely slow.

Qin Yu and Yao Qing switched cars and drove from day to night. It was not until the next morning that the three of them arrived at Bin Province.

"This is Bin Province." After entering the border of Bin Province, Qin Yu took a deep breath.

He released his spiritual sense and sensed more than half of bin province.

“I have to say, the Qi/spiritual energy of bin province far surpasses that of Chuzhou,”Qin Yu said in a deep voice.

Gu Taichu nodded slightly and said, “Because this place is close to the divine medicine pavilion, the Qi/spiritual energy is naturally denser.”

“Divine Medicine Pavilion?”Qin Yu’s pupils constricted.

He knew this place. It was said that their social status was extremely high, and their medical skills could be said to be unparalleled in the world.

Many important figures would go to the divine medicine pavilion to seek treatment.

And the Pavilion Master of the Divine Medicine Pavilion was even more elusive. It was extremely difficult to meet him.

“If I have the chance, I have to pay a visit to the Divine Medicine Pavilion,”Qin Yu thought to himself.

The car continued to move forward, and soon, they arrived at the Gu family’s residence.

Gu Tai Chu’s residence was rather elegant, and the entire house was constructed in a Chinese style.

After pushing open the door and entering the house, one would be greeted by a winding path.

On both sides of the path were bamboo forests. It had the air of a martial arts warrior.

“My Residence is in front.”Gu Taichu pointed at a mansion not far away.

Qin Yu nodded slightly and said, “Master Gu’s residence is really unique. To have such a house in this era is simply a pleasure.”

Gu Taichu didn’t say anything. He put his hands behind his back and took the lead to walk into the mansion.

As a master of the Jiangbei region, Gu Taichu naturally had many disciples.

But today, Gu Taichu was a bit puzzled. He hadn’t seen a single disciple.

“It’s really strange,” Gu Taichu frowned and said.

He tried to release his soul consciousness, but found that there was no one in the entire Gu family.

“Did they all go out?” Gu Taichu frowned.

“What’s Wrong?” Qin Yu asked.

Gu Taichu waved his hand, indicating that there was nothing wrong.

“I’ll take you to See the Enlightenment tea first,” Gu Taichu said.

Qin Yu nodded excitedly. “Okay!”

Thus, Gu Taichu brought Qin Yu to a secret room.

Although it was called a secret room, it was actually just a warehouse. and the key to this warehouse was only owned by two people.

One was Gu Taichu, and the other was Gu Taichu’s eldest disciple, Chi Feng.

Gu Taichu opened the door of the warehouse and walked to a wooden cabinet.

“The Enlightenment tea is here.”Gu Taichu slowly opened the cabinet.

Qin Yu was extremely excited. He stared at the cabinet, wanting to see what the Enlightenment tea looked like.

However, when the cabinet was opened, there was nothing inside.

“Huh ?”Gu Taichu frowned.

He quickly rummaged through the cabinet and searched the entire warehouse, but he still couldn't find the Enlightenment tea!

“How could this be ?”At this moment, even Gu Taichu was panicking!

“Master Gu, what happened ?”Qin Yu frowned.

Gu Taichu didn't say anything, but his face was a bit cold.

“Could it be that Chi Feng took it away ?”Gu Taichu's face became colder and colder.

After saying that, he looked at Qin Yu and cupped his hands. “I'm sorry, I'm afraid this enlightenment tea has been taken away by someone. But don't worry, I'll find a way to get it back.”

“It was taken away by someone ?”Qin Yu frowned slightly.

Gu Taichu didn't say anything more. He pushed the door open and hurried into the courtyard.

He couldn't find anyone in the entire courtyard.

Gu Taichu had a bad feeling about this.

At this moment, a voice suddenly came from the ancient well in the courtyard.

“Master, Are You Back?”The voice came from the bottom of the ancient well.

Gu Taichu hurried to the ancient well. He saw a disciple shivering in the depths of the ancient well!

“What... What’s going on? !”

Gu Taichu’s face changed greatly. He raised his hand to reach the well. A gentle force brought the disciple up.

The moment the disciple saw Gu Taichu, he couldn’t help but burst into tears.

“What happened?”Gu Taichu asked coldly.

The disciple wiped his tears and sobbed, “It’s Chi Feng!”

“Chi Feng?”Gu Taichu felt that something was wrong.

His disciple continued, “After you left, Chi Feng went crazy and wanted to establish his own sect. He even asked us to be his slaves.”

“If we don’t agree, Chi Feng will kill us!”

“His strength has increased by leaps and bounds. Even if we join hands, we can’t defeat him!”

At this point, his disciple’s tears started to flow out.

He knelt on the ground in pain and said, “Chi Feng flew into a rage out of humiliation. He... killed all of our senior and Junior Brothers!”

“What? !”Upon hearing this, Gu Taichu was instantly enraged!

Waves of internal Qi instantly erupted, causing the entire bamboo forest to rustle!

“Master, you must kill Chi Feng and avenge us!” His disciple cried out.

Gu Taichu didn't say anything for a long time. He quickly restrained his internal Qi.

In just a few seconds, a trace of sadness flashed across Gu Taichu's face.

At this moment, Gu Taichu seemed to have aged dozens of years.

“Master Gu, are... are you okay?” Qin Yu frowned.

Gu Taichu waved his hand and said weakly, “I'm fine, I'm fine...”

After saying that, Gu Taichu fell to the ground.

Qin Yu quickly supported him and poured her qi/spiritual energy into Gu Taichu's body.

“Let's go back to the room first.” Qin Yu supported Gu Taichu and walked all the way to the bedroom.

Gu Taichu was lying on the bed with a complicated expression on his face.

“Qin Yu, I'm really sorry that I couldn't keep your father's promise...” Gu Taichu said guiltily.

Qin Yu waved his hand and said, “At this time, there's no need to say these things.”

Gu Taichu sighed and said in pain, “Chi Feng has no parents since he was young. I've watched him grow up and taught him all my abilities. I didn't expect... that he would do such a thing.”

After saying that, muddy tears flowed out of Gu Taichu's eyes.

Looking at Gu Taichu who was heartbroken, Qin Yu had mixed feelings in his heart.

He could understand Gu Taichu's mentality.

The feeling of being betrayed was not good.

Especially the people closest to him.

Chapter 288: Chapter 288, the heartless Chi Feng

Gu Taichu lay on the bed, his expression extremely weathered.

At a glance, he looked like an ordinary farmer in the fields.

Qin Yu didn't know how to comfort Gu Taichu, although he had some regrets in his heart.

After all, the effects of the path-understanding tea were too alluring.

Moreover, different talents brought different effects to the path-understanding tea.

If he consumed the three pieces of the path-understanding tea, Qin Yu might be able to find Han Wei directly.

"Master Gu, don't be too sad," Qin Yu comforted him.

Gu Taichu looked at Qin Yu with some guilt in his eyes.

He put his hand on his forehead and said in a low voice, "Qin Yu, I owe you this."

Qin Yu shook his head and smiled. “Master Gu, you can’t say that. In the face of temptation, you can still keep your promise for so many years. It’s enough to make people admire you.”

Gu Taichu said with some surprise, “Do you really think so?”

Qin Yu nodded seriously and said, “What I said is true. Moreover, there are opportunities at any time.”

Hearing that, Gu Taichu couldn’t help but sit up from the bed.

He had a bitter smile on his face. He seemed to think that his behavior was a little ridiculous.

“You can’t just let things go like this.” Gu Taichu’s face became a little cold.

Qin Yu frowned. “Master Gu, what do you want to Do?”

Gu Taichu said coldly, “Clean the house!”

...

In a private room, Chi Feng was lying comfortably on a rocking chair.

He had never thought that he would one day be able to step into this realm, and even surpass his master, Gu Taichu!

“With my current realm, it’s enough for me to occupy a place in binprovince and even the Jiangbei region,” Chi Feng said with a faint smile.

Even in ancient times, he could be called a master, so why couldn’t he?

Although that was the case, he still lacked an opportunity to turn the situation around. He lacked a chance to fight.

“Who should I look for?” Chi Feng touched his chin and whispered.

If he didn't step on a powerful opponent, how could he rise to the top?

At this moment, a voice suddenly came from outside the door.

Chi Feng's perception was extremely sharp, and he knew who it was almost instantly.

“Gu Taichu?” Chi Feng raised his eyebrows, and then a cold smile appeared on his face.

“I was worried about an opportunity, but I didn't expect someone to come to my door!”

After saying that, Chi Feng's body flashed, and he arrived at the door directly.

At the door, Gu Taichu was looking at Chi Feng coldly.

Beside him were Qin Yu, Yao Qing, and the others.

“Master, why are you here?” Chi Feng said hypocritically.

Gu Taichu clenched his fists. His anger almost made him lose his mind.

However, as a master of a generation, Gu Taichu finally suppressed his anger.

“Chi Feng, shouldn't you give me an explanation?” Gu Taichu said in a deep voice.

Hearing this, Qin Yu couldn't help but feel a little uncomfortable.

Even at this moment, Gu Taichu still didn't want to believe that Chi Feng had betrayed him.

He even wanted to give him a chance.

It was obvious that Gu Taichu had long treated Chi Feng as his son.

Chi Feng sneered, “Explanation? What explanation? Why Can’t I understand what you’re saying?”

Once these words were said, Gu Taichu’s anger could no longer be contained!

Yao Qing, who was standing at the side, cursed out loud, “You’re really a beast! If it wasn’t for Master Gu, you would probably have ended up on the streets long ago, right?”

“Master gu painstakingly raised you up and even taught you all his skills, yet you’ve done such a heartless thing! Are you still human? !”

Yao Qing’s face was filled with anger as he cursed!

Chi Feng glanced at Yao Qing and sneered, “Where did this wild dog come from?”

After saying that, Chi Feng waved his sleeve and a powerful force instantly slapped towards Yao Qing!

Yao Qing’s expression changed. He wanted to dodge, but it was too late!

“Dang!”

At this moment, Qin Yu blocked in front of Yao Qing.

He crossed his arms in front of him and forcefully blocked this attack.

The terrifying Qi Force Shook Qin Yu’s arm until it hurt.

At a glance, wounds appeared on his arm.

“As expected of an eighth grade martial grandmaster.”Qin Yu frowned.

If he didn't have this body, this Qi force would have smashed him into meat paste!

“Oh? Where did this wild dog come from?”Chi Feng was a bit surprised.

“He is only in the inner strength master realm, but he was able to resist my attack. TSK, TSK, he is really amazing.”

Qin Yu looked at Chi Feng coldly and said, “Qin Yu from Chuzhou.”

Hearing this name, Chi Feng suddenly understood.

“So you are the king of Chuzhou, Qin Yu. Well, today I will kill you, a rising star.”Chi Feng sneered.

“Enough!”

At this moment, Gu Taichu shouted!

He glared at Chi Feng and said, “Chi Feng, why did you steal the Enlightenment Tea? Why did you kill your senior and Junior Brothers?”

Chi Feng sneered, “You are already so old. Wouldn't it be a waste to give you the Enlightenment Tea?”

“You keep saying that you treat me as your own son, but in the end, you kept the Enlightenment Tea for yourself!”

“How could you treat your own son like that, HMM?”

Chi Feng's words undoubtedly made people furious!

Gu Taichu was so angry that his whole body was trembling!

He forced himself to calm down and said coldly, “Then why did you kill Your Senior and Junior Brothers? They are your own brothers who get along with you day and night. How could you be so heartless!”

“Hehe,” Chi Feng laughed coldly.

“Gu Taichu, don’t talk about yourself as a saint. Qin Yu killed Gu Jinhong. Not only did you not take revenge, but you even colluded with him. You still have the face to talk about me?”

Gu Taichu was speechless and didn’t know how to answer him.

“Gu Taichu, I can spare your life on account of our past friendship. Get lost,” Chi Feng said indifferently.

However, Gu Tai Chu’s energy surged and he said coldly, “Chi Feng, you’re heartless. If I don’t kill you, I’ll be ashamed of my cultivation!”

“Hahahaha!” Chi Feng couldn’t help but burst into laughter.

“Do You Think You’re my match with your current strength? I know all your moves and my realm is one level higher than yours. What right do you have to kill me?” Chi Feng narrowed his eyes and said.

Gu Taichu gritted his teeth and said, “Even if I have to risk my old life, I’ll take you to Hell With Me!”

Chi Feng’s expression became even colder, and the corners of his mouth curled into a sneer.

“Gu Taichu, I’ve given you a chance. Since you want to die, then don’t blame me.” Chi Feng’s internal Qi started to slowly rise.

“I need someone to show my power. You’re a good chance!”

Chapter 289: Chapter 289, I' ll Fight You!

Both sides' internal Qi was rising rapidly.

The two of them collided.

“Chi La Chi La” sounds kept ringing in their ears, and strong winds blew around them. Sand and stones flew everywhere.

Qin Yu frowned. Although neither of them attacked, Qin Yu could clearly feel that Chi Feng's internal Qi was above that of ancient Taichu.
