Qin Yu glanced at him and said, "Deng Sheng, it seems that you really enjoy the feeling of being the sect master."

Deng Sheng's expression changed, and he hurriedly shook his head and said, "Don't talk nonsense! I'm loyal to Sect Master Gu!"

"No need to worry." Qin Yu waved his hand.

"If I can let you take over Gu Canghai's position and become the next sect leader, would you be willing?" Qin Yu raised his eyebrows and asked.

A hint of greed flashed across Deng Sheng's face.

Although it was fleeting, it still couldn't escape Qin Yu's eyes.

"I don't want to be the sect leader. Sect leader Gu is our leader!" Deng Sheng said.

Qin Yu sneered, "What if Gu Canghai dies?"

Deng Sheng was stunned and hurriedly said, "Sect master Gu is dead?"

"Not yet, but soon," Qin Yu said indifferently.

"As long as you cooperate with me, I promise to make you the next sect master. How about it?" Qin Yu said.

Upon hearing this, Deng Sheng's eyes immediately flashed with an intense greed!

Qin Yu could not help but sneer in his heart.

Back then, Gu Canghai had used this method to defeat the Divine Alchemist Pavilion.

And now, Qin Yu was going to use the same method to defeat the Saint Confucian sect!

"You... What do you need me to do?" Deng Sheng tried to ask.

Qin Yu said faintly, "As long as you take me to the Saint Confucian sect's spirit spring and cover my identity, it will be enough."

Chapter 553: Chapter 553, taking drastic measures

Hearing these words, Deng Sheng's face couldn't help but change slightly, and his heart was greatly shocked!

The Saint Confucian sect was currently capturing Qin Yu, and not only did Qin Yu not run away, he even coveted the Saint Confucian sect's spirit spring?

"Qin Yu, this spirit spring is the foundation of the Saint Confucian sect's establishment. I... I Can't bring you there." Deng Sheng braced himself and said.

Qin Yu sneered, "Fine, then I'll kill you. In any case, there are many people in the entire Saint Confucian sect who are willing to do it."

Deng Sheng's expression immediately changed!

He was well aware of Qin Yu's strength. As long as Gu Canghai was not around, no one in the entire Saint Confucian sect would be his match!

Just as Qin Yu said, even if he didn't do it, others would definitely do it!

Deng Sheng's expression was gloomy and uncertain. After thinking for a moment, he gritted his teeth and then raised his head to ask, "Are you sure that I can become the new sect master of the Saint Confucian sect?"

"I'm sure," Qin Yu said indifferently.

"When Gu Canghai dies, you will be the next sect master."

Deng Sheng gritted his teeth and said, "Okay! I Promise You!"

Qin Yu nodded in satisfaction. He reached out and patted Deng Sheng's shoulder, saying, "Congratulations, you have made the right choice."

Then, Qin Yu put on a simple disguise and followed Deng Sheng out of the hall.

The two of them walked in the direction of the spiritual spring.

Along the way, countless people greeted Deng Sheng, and some people unconsciously looked at Qin Yu twice.

Fortunately, Qin Yu covered his face and didn't arouse too much suspicion.

After a few hundred meters, the two of them finally came to the bottom of a waterfall.

As soon as they got close, Qin Yu felt a trace of dense qi/spiritual energy coming toward him!

Qin Yu couldn't help but exclaim, "No wonder the Saint Confucian school hasn't declined for a long time. This spiritual spring is enough to feed the entire Saint Confucian school!"

Such dense qi/spiritual energy made Qin Yu somewhat excited.

"Do we need to drive them away?" Deng Sheng asked.

Qin Yu shook his head and said, "There's no need. Driving them away will only arouse suspicion."

Deng Sheng agreed and said, "Okay, then I'll wait here."

"Wait." At this time, Qin Yu called Deng Sheng.

He raised his finger, and a light spot was placed between Deng Sheng's brows.

Deng Sheng frowned slightly and said, “What do you mean?”

Qin Yu said indifferently, “I’ve left a mark in your spiritual sense. If you dare to inform Gu Canghai, I’ll take your life immediately.”

Deng Sheng’s expression suddenly changed, and he felt a bit uneasy.

But things had already come to this point, and there was no turning back.

“I got it.” Deng Sheng took a deep breath and nodded in agreement.

There were more than ten people cultivating near the entire spiritual spring.

They were bathing in the spiritual spring, relying on a secret method to absorb the Qi/spiritual energy from the spiritual spring.

Not far away was a waterfall. The water here was turbulent, but it was also the place with the densest Qi/spiritual energy.

Qin Yu strode down the waterfall.

His body shook, and his clothes were torn.

Then, Qin Yu sat cross-legged under the waterfall, allowing the water to hit his body.

The water contained extremely strong Qi/spiritual energy, and its density was beyond imagination.

Not only that, the Qi/spiritual energy in the spring seemed to be endless and inexhaustible.

Qin Yu didn’t waste any time. He closed his eyes and began to cultivate.

The Qi/spiritual energy in the waterfall flowed out from Qin Yu's body and stuck tightly to Qin Yu's body.

Because Qin Yu was at the source of the Qi/spiritual energy, almost all of the Qi/spiritual energy was occupied by Qin Yu alone.

The people who came to cultivate soon realized that something was wrong.

They could clearly feel that the Qi/spiritual energy in the spiritual spring had become extremely thin, so thin that it could be ignored.

The people looked at each other and then looked at Qin Yu who was not far away.

“How can he sit under the waterfall?”

“It seems that the Saint Confucian sect has a clear rule that no one is allowed to cultivate under the waterfall except for the sect master, right?”

“Who is that Kid? Does he not know the rules?”

Everyone looked at Deng Sheng in unison and said, “Elder Deng, who is that person? Why is he cultivating under the waterfall?”

“Almost all of the Qi/spiritual energy has been taken by him. How are we supposed to cultivate?”

Deng Sheng gritted his teeth in his heart.

He glanced at everyone and said indifferently, “The sect master asked us to do this. It is said that this kid is a genius that the sect master found. He is also the next martial marquis of the Saint Confucian sect.”

When everyone heard this, they couldn't help but say with some surprise, "The next martial marquis? A second martial marquis is going to appear in the sage Confucian school?!"

"Even if he can become the next martial marquis, he can't be so overbearing..."

"It seems that no one in the sage Confucian school has ever received such treatment..."

Deng Sheng frowned and said with some displeasure, "This is the order of the sect master. Whoever is not satisfied, go find the sect master yourself!"

Although everyone was unwilling in their hearts, there was nothing they could do.

Almost all of the Qi/spiritual energy in this spirit spring had been absorbed by Qin Yu. There was not much meaning for them to stay.

Therefore, Qin Yu was soon left alone in the vicinity of this spirit spring.

After everyone left, Qin Yu opened his eyes and looked at Deng Sheng. He frowned and said, "They won't tell Gu Canghai about this, right?"

Deng Sheng shook his head and said, "No, the system of the Saint Confucian sect is extremely strict. Not many people can get in touch with sect leader Gu."

Although he said that, Qin Yu still felt a little worried.

The reason why he didn't let Deng Sheng drive him away was to keep a low profile so as to avoid arousing suspicion.

However, the current situation had become even more high profile.

“I have to hurry,” Qin Yu thought to himself.

However, the speed of absorbing the Qi/spiritual energy was limited after all. It was not something Qin Yu could control.

Moreover, this spiritual spring could not be taken away at all.

I have to try my best to step into the Martial Marquis realm before Gu Canghai realizes it, Qin Yu thought to himself.

Then, the three pure ancient trees above his head circulated his mental cultivation method and continued to absorb the Qi/spiritual energy.

At the same time, Gu Canghai had already arrived at the Green Moon Villa.

Standing below the villa, Gu Canghai could not help but snort coldly, “Jade Moon Villa, Qin Yu, you really have some guts.”

As he spoke, Gu Canghai directly waved his hand and shattered the mountain gate!

Then, Gu Canghai strode into the Jade Moon Villa.

He stood on the square and shouted, “Qin Yu, come out quickly and face your death!”

His voice was like rolling thunder and spread throughout the entire villa!

However, no one responded to the huge Jade Moon villa at all.

Gu Canghai frowned slightly. He released his divine sense and found that there was no one in the Jade Moon Villa!

“No One?” Gu Canghai frowned.

His figure flashed and he immediately searched the entire Jade Moon Villa.

As expected, there was no one in the Jade Moon Villa!

“This Qin Yu... is not here?” Gu Canghai’s face turned cold.

He snorted coldly and said, “Okay, I’ll wait for you here and explore the Iceheart Lake.”

Then, Gu Canghai strode toward the Iceheart Lake.

At this moment, Gu Canghai’s phone rang.

He picked up the phone and saw that the caller was Yan Sihai!

Gu Canghai didn’t dare to be negligent and quickly picked up the phone.

“President Yan,” Gu Canghai called out politely.

However, Yan Sihai on the other end of the line cursed out loud, “Gu Canghai, you are really an idiot! Qin Yu has already run to the door, but you are completely unaware. Trash, trash!”

Chapter 554: Chapter 554: Han Wei woke up

Gu Canghai was stunned when he heard Yan Sihai’s words.

He hurriedly explained, “Mr. Yan, I just received news that Qin Yu is in the Jade Moon Villa. I...”

“What the F * ck!” Yan Sihai rudely interrupted Gu Canghai’s words.

“Trash, he has already broken into our house. You still don’t know what’s the use of having a trash like you!” Yan Sihai said angrily.

“Let me tell you, if you can’t even do this, don’t stay in the Yan family anymore!”

After saying this, Yan Sihai hung up the phone.

A dark look flashed across Gu Canghai’s face, and a murderous aura suddenly burst out.

“Qin Yu... I will definitely kill you!” Gu Canghai’s muscles kept shaking.

Ever since Qin Yu appeared, Gu Canghai had been scolded by Yan Sihai several times.

If this went on, he might really be kicked out.

Gu Canghai didn’t dare to think too much and immediately rushed to the Saint Confucian school.

...

Qin Yu sat under the waterfall and steadily absorbed the Qi/spiritual energy from the spiritual spring.

This Qi/spiritual energy was incomparably abundant and extremely pure.

The only pity was that Qin Yu had no way to take this spiritual spring away.

“If I step into the Martial Marquis realm, I will definitely occupy this Saint Confucian school!” Qin Yu thought to himself.

Ever since he had talked to Jiang he, Qin Yu’s target was no longer the martial saint.

He wanted to step into the martial saint stage and step into the truly invincible stage!

He wanted to make the Han family and Yan family submit to him!

“As long as I step into the martial saint stage, I can try to kill the martial saint stage,” Qin Yu thought to himself.

The martial saint stage was the aurous core stage in the cultivation world, and the aurous core would be born in his body.

And inside the aurous core was his lifetime cultivation.

As long as he swallowed the aurous core, his cultivation would definitely improve at a godly speed.

Therefore, as long as he stepped into the Marquis Wu Realm, everything would become clear.

Qin Yu was like a spiritual energy filter, all the water that passed through Qin Yu’s body, the Qi/spiritual energy within it would be completely absorbed.

Time flew by, and in the blink of an eye, half a day had passed.

Qin Yu could clearly feel that the Qi/spiritual energy in his body was getting denser and denser.

At this moment, Qin Yu suddenly opened his eyes!

A trace of panic flashed across his face, and then he cried out in alarm, "It's bad!"

Qin Yu suddenly thought that the Saint Confucian school belonged to the Yan family!

Since it belonged to the Yan family, the Yan family would definitely arrange their confidants in the Saint Confucian school to monitor Gu Canghai!

Therefore, his arrival was very likely to have been exposed!

"I actually forgot about the level of Yan Sihai." Qin Yu frowned tightly.

His head spun rapidly, and a trace of viciousness flashed in his eyes.

Then, Qin Yu covered his face and quickly went to the main hall.

At this time, Deng Sheng was sitting on Gu Canghai's seat and sipping tea.

After seeing Qin Yu, a trace of panic flashed in Deng Sheng's eyes.

"Deng Sheng, immediately call the people who are cultivating near the spirit spring today," Qin Yu said coldly.

Deng Sheng frowned and said, "What's Wrong?"

“Don’t ask, go right away. Remember, everyone must come, not one less!”Qin Yu said anxiously.

Seeing this, Deng Sheng didn’t dare to say anything. He hurriedly followed Qin Yu’s request, and the ten or so people beside the spirit spring all called over.

In the Great Hall, these ten plus people said with some puzzlement, “Elder Deng, you suddenly called us over. Is there something you want?”

Deng Sheng did not speak, because he did not know what exactly was the matter.

Thus, Deng Sheng subconsciously looked at Qin Yu, as if waiting for Qin Yu to speak.

Qin Yu slowly stood up. He swept his gaze over the crowd, and suddenly slapped out in mid-air!

“Kacha!”

This slap directly shattered a person’s head!

Upon seeing this, everyone’s expressions changed drastically!

“What... What are you doing!”Even Deng Sheng could not help but shout loudly.

Qin Yu said coldly, “In order to prevent accidents, these people must die.”

After hearing Qin Yu’s words, these people instantly panicked.

But with their strength, how could they fight against Qin Yu?

In just a few minutes, these ten people all died tragically at Qin Yu's hands!

Looking at the bloodstains on the ground, Deng Sheng's expression was extremely unsightly.

"Qin Yu, what on Earth do you want to do!" Deng Sheng gritted his teeth and said.

Qin Yu glanced at him and said, "I reckon that Gu Canghai has probably already received the news, and the news was spread from these few people."

"How is that possible!" Deng Sheng gnashed his teeth and said.

"I've already told you, the hierarchy of the Saint Confucian school is strict. They can't get in touch with Gu Canghai!"

Qin Yu said coldly, "Among them, I'm afraid there are people from Yan Sihai."

This feeling was extremely strong. Even if he killed all these people, Qin Yu was still worried.

"If Gu Canghai comes back later, it means that my guess is right." Qin Yu looked at Deng Sheng.

"As for how to explain it, you have to think of a way."

"I don't think of a way!" Deng Sheng was somewhat exasperated.

“These people are all elites of the sage Confucian school. How can I explain that so many of them died in one go!”

Qin Yu said, “You can tell him that I came, but remember, don’t mention the matter of me cultivating in the Spirit Spring.”

Deng Sheng said coldly, “I really regret working with you.”

“It’s not too late for you to regret now. I killed you, so you don’t have to explain.” Qin Yu looked at Deng Sheng with a pair of cold eyes.

Deng Sheng’s expression froze when he sensed the murderous aura from Qin Yu.

He gritted his teeth and said, “Okay, I got it.”

Qin Yu did not stay any longer and immediately left the Saint Confucian school.

After the Saint Confucian school left, Qin Yu was not in a hurry to return to the Jade Moon Villa. Instead, he temporarily stayed in the Blue Island City and waited for an opportunity to make a move.

In the evening.

Gu Canghai rushed back to the Saint Confucian school in a hurry as expected.

Seeing Gu Canghai’s face full of hatred, Deng Sheng’s heart immediately thumped.

“Has Qin Yu been here before?” Gu Canghai asked Deng Sheng coldly.

Deng Sheng suppressed the nervousness in his heart and pretended to be surprised, “Sect master, how did you know?”

Gu Canghai's expression immediately changed!

He clenched his fists and said through gritted teeth, "He actually came, Qin Yu..."

"Not only did he come, he also killed more than ten of us," Deng Sheng pretended to be in pain as he said.

"If it wasn't for my quick escape, I'm afraid I would have died at his hands."

"Qin Yu... Qin Yu, I must kill you!!!" Gu Canghai's angry roar spread throughout the entire hall!

Deng Sheng couldn't help but sigh in relief.

Damn it, luckily he didn't suspect me.

...

On the other side, Qin Yu found a place to stay for the time being.

At night, Deng Sheng sent a message to Qin Yu:

Everything went as you expected. Gu Canghai had returned and knew that you had been here before.

Qin Yu frowned slightly. He put down his phone and patted his chest lightly.

"Fortunately, if I hadn't thought of this level, I'm afraid I would have died at Gu Canghai's hands." Qin Yu patted his chest and couldn't help but let out a sigh of relief.

...

Jingdu, Han family.

Han Wei, who had been unconscious for many days, finally woke up.

“Son, you’re finally awake.” Seeing Han Wei wake up, Han Meng’s eyes couldn’t help but tear up.

Han Wei gnashed his teeth and said, “Dad, What About Qin Yu? I want to kill him, I want to kill him! !”

At the mention of Qin Yu, Han Meng couldn’t help but sigh.

He gently patted Han Wei’s shoulder and said, “Have a good rest first.”

“I won’t! I want to kill Qin Yu! He must die!” As he said that, Han Wei struggled to get up.

Han Meng saw the situation and could only comfort him, “Don’t worry, Dad will definitely avenge you. I have already used my connections and asked Ma Hai to help.”

“Ma Hai?” Han Wei was stunned.

“It’s Ma Hai who became a recluse decades ago?”

Han Meng said coldly, “That’s right.”

Chapter 555: Chapter 555, Ice Heart Lake obtained

Han Meng said in a deep voice, “That’s right.”

Upon hearing the name Ma Hai, a cold smile appeared on Han Wei's face.

“With Mr. Ma's help, this Qin Yu will definitely die!” Han Wei said coldly.

Ma Hai's strength was unfathomable. Not only that, he was also extremely good at scheming.

It was said that a few decades ago, he had the opportunity to compete with Jiang he and the others. However, for some unknown reason, he suddenly chose to live in seclusion.

Now, he came out of the mountain for Qin Yu!

...

Qin Yu waited in Cang City for three whole days, but Gu Canghai never left the Saint Confucian school.

This also made Qin Yu lose the chance to go to the spirit spring again.

“It seems that there is no chance to absorb the Spirit Spring,” Qin Yu thought to himself.

Thinking of this, he decided to give up temporarily.

The spiritual spring was there anyway, and no one could take it away.

I have to think of a way to open that gap as soon as possible, Qin Yu thought to himself.

As long as I open that gap, Qin Yu had full confidence to step into the Martial Marquis Realm!

On the same day, Qin Yu set off and went straight back to the Green Moon Villa.

At the same time, he notified Zhen Yue and called all the people of the Green Moon Villa back to the Green Moon Villa.

Not only that, Qin Yu also posted the address of the Green Moon Villa on the martial arts forum!

“As long as you have the strength, the Green Moon Villa will let you live with dignity!”

“All members of the Green Moon Villa will get a top-tier pill!”

Countless slogans were posted on the martial arts forum.

“Mr. Qin, won't the people of the Saint Confucian school come to us again?” Zhen Yue couldn't help but ask.

Qin Yu glanced at Zhen Yue and said, “Yes.”

“Then... then aren't we courting death by coming back?” Zhen Yue frowned.

Qin Yu sighed and didn't say anything.

The Saint Confucian sect had their eyes on Ice Heart Lake, so they would come sooner or later.

This time, Qin Yu didn't plan to leave. He was ready to face Gu Canghai.

This was the only way to make Zhen Yue feel danger. When that time came, she would open the gap and tell Qin Yu.

In the next few days, the Quiet Green Moon Villa welcomed countless people.

These people came because of their fame. In just a few days, the members of the Green Moon Villa had reached nearly a hundred!

Such speed was shocking!

Even Qin Yu didn't expect his appeal to be so strong!

"Mr. Qin, I counted that at least fifty people came to register today!" Zhen Yue said excitedly.

Qin Yu took a sip of tea and said with a faint smile, "This is just the beginning."

Zhen Yue looked extremely excited. She had never thought that such a day would come for her Bi Luo Tower.

That night, Qin Yu didn't sleep for the whole night.

He spent the whole night refining a batch of pills.

These pills were called the divine Yang Pill. The effects of this pill were extremely powerful. It could raise the level of warriors below the Martial Marquis realm by a small level!

The next day, Qin Yu handed the divine Yang Pill to Zhen Yue with bloodshot eyes.

"Mr. Qin, What's wrong with you? Why do you look so pale?" Zhen Yue exclaimed.

Qin Yu didn't answer this question. Instead, he handed a big bag of divine yang pills to Zhen Yue.

"Divide these pills among each of you. Also, tell them that there will be an endless supply of pills in the future," Qin Yu said.

Zhen Yue took the pill, and her heart ached a little.

"Mr. Qin, thank you for your hard work. You... you should go rest now," Zhen Yue said.

Qin Yu waved his hand. He didn't choose to rest. Instead, he went straight to the Ice Heart Lake and came to the bottom of the lake again to absorb the Qi/spiritual energy from the gap.

After distributing the pill, the whole Green Moon villa was in an uproar!

"Mr. Qin really won't lie to us!"

"Divine Sun Pill! I never thought that I, a grandmaster, would be able to obtain the Divine Sun Pill!"

"Mr. Qin is Mighty!"

Everyone shouted in unison. Not only that, Qin Yu even invited them to head to the Iceheart Lake to cultivate.

Such a resource couldn't help but cause people to be shocked.

One had to know that the Iceheart Lake was an existence comparable to the sacred Confucian school's Spirit Spring!

The Sacred Confucian school's Spirit Spring was only given to highly talented martial artists. The mediocre ones simply didn't have the chance!

But in the Jade Moon Villa, everyone was equal. Everyone could enjoy the icy heart lake!

For a time, this matter was being publicized on the martial arts forum.

Many martial artists who chose to wait and see also began to head towards the Jade Moon villa at this moment!

There were even some who chose to leave the sacred Confucian school and come to the Jade Moon Villa!

In just a short week, the Jade Moon Villa had become extremely prosperous, with over 300 members!

Although their strength couldn't be considered elite, this strength was still not to be underestimated!

Some were happy, while others were sad.

At this moment, Gu Canghai's face was ashen, and he was extremely angry.

"Jade Moon Villa..."Gu Canghai muttered this name.

The next second, he looked at Deng Sheng and said coldly, "Go and gather all the half-step martial marquises and peak martial grandmasters of the Saint Confucianism sect."

“Spread the word that the green moon villa will be given three days. If it doesn’t disband, the Saint Confucianism sect will go out and destroy the Green Moon Villa!”

Deng Sheng didn’t dare to say anything and nodded immediately, “Yes, sect master.”

The news of the Saint Confucian sect spread that day.

As soon as Qin Yu walked out of the icy heart lake, Zhen Yue ran to Qin Yu in a hurry.

She held her phone and said, “Mr. Qin, something bad has happened!”

“What’s Wrong?” Qin Yu glanced at her.

Zhen Yue handed the phone to Qin Yu and said, “The Saint Confucian sect has spread the word that they will give us three days to disband. Otherwise... They will destroy the Green Moon Villa!”

Qin Yu didn’t show any emotion on his face. Everything was under his control.

“The whole Green Moon Villa is in chaos now. Many people have to leave after hearing the news...” Zhen Yue bit his lips and said in a low voice.

Qin Yu spread out his hands and said, “What can we do? The Saint Confucian school has a marquis. We are no match for them.”

“Then... then what should we do?” Zhen Yue was at a loss.

Qin Yu sighed and said, “I don’t know either. We can only take it one step at a time.”

“If we can’t... We can only disband the Green Moon Villa. We can’t let so many innocent people die,”Qin Yu said.

“Besides... The Saint Confucian school has always wanted the icy heart lake.”

At this point, Qin Yu looked at Zhen Yue and asked, “By the way, do you have no descendants?”

Zhen yue frowned and said, “I’m not married yet. How can I have descendants...”

“Then, when you die, the Icy Heart Lake will definitely fall into the hands of the Saint Confucian sect,”Qin Yu sighed slightly.

After saying this, Qin Yu turned around and left.

Zhen Yue’s face was extremely ugly.

She had been immersed in the excitement of the Green Moon Villa for the past few days. Now that she was disbanded, she naturally couldn’t bear it.

Moreover... Qin Yu was right.

If she died, wouldn’t the Icy Heart Lake become ownerless? Wouldn’t the inheritance that she had guarded for so many years be buried in her hands?

At the thought of this, Zhen Yue’s expression became even uglier.

She bit her lips, and a trace of blood immediately flowed out from her cherry lips.

“Instead of giving the icy heart lake to the Saint Confucian sect, I might as well give it to Mr. Qin..”Zhen Yue seemed to have made a difficult decision.

Chapter 556: Chapter 556, breaking through to the Martial Marquis Realm

Zhen Yue had this thought in her mind, but she wasn't in a hurry to make a decision.

The whole night.

Zhen Yue lay in bed without sleeping and kept thinking about this question.

Finally, in the early morning, Zhen Yue sat up from her bed.

“Mr. Qin is the Vice Sect Master of the Green Moon Villa. Bingxin gave it to him. Maybe he left it in the green falling tower in another way.”Zhen Yue took a deep breath.

This might be the best choice for her.

Therefore, Zhen Yue stood up and walked towards Qin Yu's room.

When she reached the door, she heard the sound of alchemy coming from inside.

This also strengthened Zhen Yue's thoughts!

“Mr. Qin has done his best for the Green Moon Villa. Maybe Bingxin should really be handed over to him.”

At the thought of this, Zhen Yue pushed the door open and entered.

Seeing Zhen Yue walking in, Qin Yu slowly stood up and said with a smile, "Sect Master Zhen, why are you here?"

Zhen Yue gritted her teeth and said in a low voice, "Mr. Qin, if I give Bingxin to you, you can step into the Martial Marquis Realm, right?"

"Bingxin?" Qin Yu was stunned.

Zhen Yue nodded and said, "Right under that gap."

Qin Yu said in a low voice, "I'm 90% sure."

"Okay!" Zhen Yue made up her mind.

"Then come with me. I'll take you there now and open that gap."

After saying that, Zhen Yue turned around and walked out.

Qin Yu was extremely excited and kept shouting in his heart.

"Finally, I've finally tricked them!" Qin Yu almost jumped up!

Although it was indeed a double trick, if Qin Yu didn't take it, he would belong to the Saint Confucian school sooner or later.

At least Qin Yu could restore the Green Moon Villa to its former glory.

Suppressing the excitement in his heart, Qin Yu followed Zhen Yue to the Ice Heart Lake.

Standing by the lake, Zhen Yue bit her lips.

She looked up at Qin Yu and said, “You will definitely help the Green Moon Villa develop, right?”

Qin Yu said in a deep voice, “The first goal is to replace the Saint Confucian School.”

“Okay!” Zhen Yue nodded.

Then, she took the lead and stepped into the Ice Heart Lake.

Qin Yu didn’t waste any time and followed closely behind.

The two went deep into the Ice Heart Lake and soon arrived at the gap.

Zhen Yue put her palms together and murmured to herself.

The gap started to glow.

Then, the gap grew bigger and bigger until it was as big as a disk!

Streams of icy-blue light were revealed from the gap.

Zhen Yue pointed at the gap and said, “Bingxin is here.”

Qin Yu stared at the gap.

There was a rock that looked like an ice block in the gap.

The rock was shining with a pale-blue light and looked beautiful underwater.

Then, a stream of rich qi/spiritual energy gushed out.

In an instant, the Qi/spiritual energy in the entire icy heart lake surged!

Qin Yu reached out his slightly trembling hand and took the icy heart out of the gap.

“Is this the icy heart? It’s been passed down for ten thousand years...”Qin Yu’s eyes sparkled, and he couldn’t calm down for a long time.

“Mr. Qin, Let’s go up,”Zhen Yue said in a low voice.

After saying that, she took the lead and swam up.

Qin Yu put the Bing Xin into the spatial artifact for the time being and then came to the shore.

“Sect Master Zhen, thank you very much.”Qin Yu bowed to Zhen Yue sincerely.

Zhen Yue sighed and said in a low voice, “I’ve thought it through. The news of Bing Xin has already spread out. Keeping it would be a disaster.”

At this point, Zhen Yue looked at Qin Yu and said, “How will others cultivate after you take bingxin away?”

Qin Yu smiled and said, “Don’t worry. After i kill Gu Canghai, I’ll occupy the Saint Confucian school.”

“By then, the Saint Confucian school will be the new sect of our Green Moon Villa.”

Zhen Yue could only nod her head when she saw this.

“I don’t have much time, so I won’t chat with you,”Qin Yu said.

Gu Canghai said that he would only give him three days.

Qin Yu had to devour this ice heart within these three days!

As long as he reached the Martial Marquis Realm, Qin Yu didn't have to fear Gu Canghai anymore!

Qin Yu took the ice heart and returned to his room.

“Sect Master Zhen, Don't disturb me for the next few days,” Qin Yu said.

Zhen yue nodded and said, “Okay, I understand.”

Qin Yu closed the door.

He took out the ice heart and felt the Qi/spiritual energy from it.

Then, Qin Yu opened all the pores on his body and started to devour the Ice Heart at an extremely fast speed!

Endless amounts of Qi/spiritual energy surged into Qin Yu's body.

The speed was so fast that it made people speechless!

Even Qin Yu himself was a little surprised because the Qi/spiritual energy in the ice heart was even denser and purer than Qin Yu had imagined!

There were almost no impurities in the ice heart!

“I've never felt such pure Qi/spiritual energy before!” Qin Yu couldn't help but suck in a breath of cold air!

Even the five thousand year-old herbs and even the warehouse of the Divine Alchemist Pavilion couldn't compare to it

“I understand!” Qin Yu suddenly guessed something!

This so-called ice heart was actually a block of ice formed from pure Qi/spiritual energy!

It was said that when the Qi/spiritual energy was dense enough, it would turn from Qi into dew.

And now, this Qi/spiritual energy had directly turned into a block of ice. The degree of its density was self-evident!

In the current society, it was already fortunate enough to be able to deduct a bit of resources from the Jingdu Martial Arts Association and the various aristocratic families.

A ice heart as dense as qi/spiritual energy was simply unimaginable!

“It’s a good thing that they are targeting the Saint Confucian sect and not the Jingdu Martial Arts Association,”Qin Yu thought to himself.

Otherwise, Bing Xin would have already changed owners. With their abilities, they would probably be able to retrieve Bing Xin even without Zhen Yue.

Time passed by minute by minute. In the blink of an eye, a day had passed.

In this one day, Bing Xin’s Qi/spiritual energy had not been depleted at all!

This also made Qin Yu a little anxious.

After all, time was short, and Qin Yu could not afford to wait.

After thinking about it, he simply broke off a small piece of the ice heart and stuffed it into his mouth.

The moment this small piece of ice heart entered his stomach, Qin Yu immediately felt an incomparably dense qi/spiritual energy explode in Qin Yu's Dantian! "..."

"It's bad!"

Qin Yu inwardly exclaimed that things were not good!

This ice heart had only entered his stomach for less than a second, but it had already filled the entire Dantian!

If this ice heart was completely dissolved, wouldn't it explode his dantian?

Qin Yu hurriedly circulated his mental cultivation method, wanting to digest this Qi/spiritual energy.

However, the density of the Qi/spiritual energy was beyond imagination, and waves of intense pain still came from his lower abdomen!

The Manic Qi/spiritual energy flowed along Qin Yu's Dantian and began to surge upwards.

His chest and forehead were almost filled with this Qi/spiritual energy.

Qin Yu felt as if his head was about to explode, and his forehead was full of sweat.

He circulated his mental cultivation method with all his might and used up this Qi/spiritual energy.

Fortunately, this Qi/spiritual energy finally began to stabilize and slowly flow in his body.

...

Time flew by, and in the blink of an eye, it was already the third day.

In the Saint Confucian sect, Gu Canghai's face was ice-cold, and there were several people standing in front of him.

These people were all the elites of the Saint Confucian sect!

Chapter 557: Chapter 557, Gu Canghai's attack!

Gu Canghai swept his cold gaze across the crowd and slowly said, "The sage scholarly faction has never sent out such a large-scale crusade against any sect, and no one has ever dared to challenge the sage scholarly faction's prestige!"

"And the cause of all this is all because of that Qin Yu!"

As he spoke, Gu Canghai slowly stood up.

He swept his gaze over everyone and coldly said, "Listen carefully. This time, when we head to the Jade Moon Villa, we will kill anyone we see! The Saint Confucian school wants to use this to tell the world the consequences of provoking us!"

"Yes!" Everyone immediately shouted in unison.

...

The Jingdu Martial Arts Association had a prison that specialized in imprisoning prisoners.

These prisoners all had tyrannical strength, and there was no lack of Marquis Wu!

And now, in the depths of this prison, there was an ordinary person without any cultivation.

She was locked in a single cell, and every day, she ate big fish and big meat.

Not only that, there were all kinds of top-notch herbs in her food.

But even so, her face was still incomparably pale, and she looked extremely weak!

This woman was none other than Yan Ruoxue!

“Miss Yan, it’s time.”

A martial marquis walked in from outside the door.

He held a needle in his hand and walked in front of Yan Ruoxue.

A trace of fear flashed across Yan Ruoxue’s pale face.

“Miss Yan, please bear with it. Don’t worry, it won’t hurt your life.”The Martial Marquis said with a smile.

Then, the Martial Marquis raised his hand and Yan Ruoxue’s figure floated in the air, unable to move!

The Marquis immediately took the syringe and fiercely stabbed it into Yan Ruoxue’s snow-white neck!

Fresh blood flowed out along the syringe.

Yan Ruoxue’s face instantly became even paler, and the pain on her face was even more indescribable.

“Alright, Miss Yan.” After drawing the blood, the Marquis released Yan Ruoxue.

Yan Ruoxue looked at the marquis coldly and said, “What exactly do you want!”

The marquis smiled and said, “Miss Yan, don’t worry. We just need your blood. As long as you cooperate obediently, we won’t hurt you.”

“When will you let me go?” Yan Ruoxue asked coldly.

“This... not necessarily, Hehe.” After the Marquis threw these words, he no longer paid attention to Yan Ruoxue and walked out directly.

No one expected that the JINGDU martial arts association would treat Yan Ruoxue like this.

...

Green Moon Villa.

It was unusually lively today.

Zhen Yue sat in the hall, her eyes filled with worry.

As long as there was any movement outside, Zhen Yue couldn’t help but look outside.

It wasn’t because of anything else, but because today was the day that the Saint Confucian sect came to crusade.

“Why hasn’t Mr. Qin Come Out Yet?” The worry in Zhen Yue’s heart grew more and more intense.

At this moment, waves of powerful internal Qi approached the Green Moon Villa!

This internal Qi was extremely powerful, and almost everyone in the Green Moon Villa felt its terrifying pressure!

Zhen Yue stood up abruptly and walked out quickly.

Soon, more than ten people entered the Green Moon Villa in large strides.

“Who... Who Are You?” Zhen Yue braced herself and asked.

“Gu Canghai,” the leader said coldly.

Hearing the name Gu Canghai, everyone was so scared that their faces turned pale!

“Gu... Gu Canghai, the sect master of Saint Confucianism sect!”

“They’re really here...”

Gu Canghai glanced at the crowd and asked coldly, “Where’s Qin Yu?”

Zhen Yue suppressed the fear in her heart and took a deep breath. “Sect master Gu, Mr. Qin isn’t here for something. May I know why you’re looking for him?”

“He’s not here?” Gu Canghai narrowed his eyes.

Then, he sneered, “If he’s here, I’ll kill all of You!”

Hearing this, the crowd turned chaotic!

Facing Gu Canghai, they didn't have any means to fight back!

“Wait!”

At this moment, Zhen Yue suddenly shouted.

She gritted her teeth and said, “Mr. GU, I know that your Saint Confucianism sect wants the Icy Heart Lake. I... I can give it to you.”

Gu Canghai stroked his beard and sneered, “After I kill you, the Icy Heart Lake will be mine!”

After saying this, Gu Canghai ordered, “Do it! Leave No one alive!”

“I can tell you where Qin Yu is!”

At this moment, someone in the crowd suddenly shouted.

Hearing this, Gu Canghai waved his hand.

Then, he asked coldly, “Do you know where Qin Yu Is?”

“Yes... I know.”The martial artist said with a trembling voice.

“Take me there.”A trace of viciousness flashed in Gu Canghai's eyes.

The warrior didn't dare to say anything and quickly cupped his hands, “Please come with me...”

Zhen Yue stared at this scene with fire almost spurting out of her eyes.

However, she couldn't do anything to Gu Canghai and could only let him be.

Gu Canghai led his men and Strode toward Qin Yu's residence.

At this moment, Qin Yu was trying to break through to the rank of Marquis.

He could clearly feel that his qi/spiritual energy was enough to support him to step into the rank of Marquis Wu.

However, every time he tried, he failed.

"Sigh." Qin Yu couldn't help but sigh slightly.

"Everyone says that stepping into the rank of Marquis Wu requires an opportunity. It seems to be true." Qin Yu frowned tightly.

It was too difficult to forcefully break through.

At this moment, the door was suddenly opened!

Then, Qin Yu felt a strong killing intent burst in!

Looking over, he saw Gu Canghai standing at the door coldly.

"Qin Yu..." the moment he saw Qin Yu, Gu Canghai clenched his fist!

Gu Canghai hated Qin Yu to the bone!

"Gu Canghai, you are finally here." Qin Yu slowly stood up from the ground.

Looking at Gu Canghai in front of him, Qin Yu felt somewhat worried.

Not being able to successfully step into the Martial Marquis realm was not good news for Qin Yu.

“If it really doesn’t work, I can only try to forcefully step into the Martial Marquis realm using a secret technique again.”Qin Yu could not help but frown.

Gu Canghai said coldly, “I want to see who else can come and save you this time!”

Qin Yu stood up and said, “It’s true that no one can save me, but I’m afraid it won’t be that easy for you to kill me.”

“Is that so?”Upon hearing this, Gu Canghai’s internal Qi instantly erupted!

This terrifying internal Qi directly sent the surrounding people flying!

Chapter 558: Chapter 558: the opportunity to become a martial marquis

Qin Yu couldn’t help but frown when he sensed gu Canghai’s powerful internal Qi.

“Mr. Qin, did you... Did you succeed?”Zhen Yue asked anxiously.

Qin Yu shook his head and said regretfully, “No, I was just one step away.”

Gu Canghai narrowed his eyes as if he had guessed something.

“It seems that you don’t have the chance to become a martial marquis.”Gu Canghai grinned.

Qin Yu looked at Gu Canghai coldly and said, “Gu Canghai, when I become a martial marquis, I will personally go and flatten the Saint Confucian school.”

“Hahaha, it’s a pity that you don’t have the chance!” Gu Canghai shouted, and a terrifying internal Qi immediately rushed over!

The internal Qi was like sharp knives, leaving white marks on Qin Yu’s hard body!

In the next second, Gu Canghai’s palm turned into a claw, and directly grabbed at Qin Yu’s face!

Qin Yu didn’t dare to delay, and the absolute beginning sacred fist instantly rose up, facing it head on!

The golden light streaked across the void, and ruthlessly smashed onto Gu Canghai’s finger!

“Clang!”

A clear sound like a bomb exploded! Under the suppression of Gu Canghai’s realm, Qin Yu could not help but take a few steps back!

“As expected, it’s very difficult to have any chance of winning against Marquis Wu.” Qin Yu frowned.

Gu Canghai coldly said, “Resist with all your might! Previously, you were able to escape because the Yan family wanted to spare your dog life!”

“Now that the battle between you and Han Wei has ended, I no longer have any scruples.”

The killing intent in his entire body suddenly erupted at this moment!

Feeling the killing intent in Gu Canghai's body, Qin Yu's expression could not help but change!

“Die!” Gu Canghai roared angrily, and a huge palm instantly smashed towards Qin Yu with a force that could topple mountains and overturn seas!

Without any scruples, Gu Canghai's every move was aimed at taking Qin Yu's life!

He did not want to give Qin Yu any more chances. He only wanted to kill him as soon as possible so that he would not cause any more trouble.

“Bang!”

This palm was formed from pure inner strength. Its speed was extremely fast!

Qin Yu did not even have the time to react before this palm landed firmly on Qin Yu's chest!

“Swoosh!”

Under this palm strike, Qin Yu's physical body was directly sent flying. His chest even sank a few points!

Marquis Wu's attack was beyond imagination, and even Qin Yu's body couldn't resist it!

Qin Yu spat out a mouthful of blood, and several ribs were broken on his chest.

“Mr. Qin!” Zhen Yue couldn’t help but shout.

Qin Yu wiped the blood from the corner of his mouth and stood up slowly.

“Huh? He’s not dead?” Gu Canghai was a bit surprised.

One had to know that a martial marquis could easily kill a half-step martial marquis! Not to mention his killing move!

“This body of yours is really beyond imagination,” Gu Canghai said with narrowed eyes.

“Qin Yu, if you are willing to serve me, I might be able to spare your life. But I guess a person like you will never submit to me,” Gu Canghai said coldly.

“So... you should just die!”

As soon as he finished his words, Gu Canghai’s figure suddenly disappeared!

In almost an instant, he arrived in front of Qin Yu!

Qin Yu’s pupils constricted, and he immediately felt that something was wrong.

He hurriedly used shrinking earth into an inch, but it was already too late!

“Go to hell!” Gu Canghai’s fingers curved, and he ruthlessly clawed at Qin Yu’s heart!

This claw contained almost all of Gu Canghai's inner strength. Even a small mountain would be crushed in an instant!

“Clang!”

A crisp sound was heard. Gu Canghai immediately felt waves of pain coming from his fingers!

Looking down, he saw a mini version of a small mountain shining on Qin Yu's chest.

“That was close...”Qin Yu hurriedly retreated. He couldn't help but let out a sigh of relief as he dragged the mountain of five peaks in his hand.

If Gu Canghai caught him, Qin Yu's body would probably be directly pierced through!

“This mountain of the five peaks is really indestructible...”Qin Yu thought to himself.

On the other hand, Gu Canghai's fingers were trembling slightly from the shock. It was extremely painful.

“Little Bastard...”gu Canghai's expression was incomparably cold.

His pair of gloomy and cold eyes were filled with anger!

“I want to see what else you can do!”Gu Canghai stepped forward, his two huge hands that were filled with surging energy ferociously pressed down!

Qin Yu did not dare to be negligent, he immediately used all his trump cards! His two fists quickly met the attack.

“Boom!”

However, the gap between a half-step Marquis and a Marquis was too big. Even though Qin Yu had the power of the Divine Dragon, under this huge gap in cultivation realm, he was still slapped to the ground!

A huge palm print was directly smashed on the ground. Qin Yu's body was shattered in many places, and blood dripped down.

“Little Bastard, you're Not Dead Yet?” Gu Canghai's face turned cold. He raised his hand slightly, and his finger immediately flashed with light!

Rays of light that were like blood gathered on Gu Canghai's finger.

In the next second, Gu Canghai's palm stretched forward, and the ten rays of light instantly shot towards Qin Yu!

Qin Yu's expression changed. He gritted his teeth and wanted to dodge, but the speed of the rays of light was too fast, and he could not Dodge in time!

“Pu Pu Pu!”

The ten rays of blood-red light were like sharp blades, stabbing into Qin Yu's acupuncture points!

In just this instant, Qin Yu felt as if his spiritual power had been sealed, and he could not use it!

“Little Bastard, let's see who else can save you today.” Gu Canghai looked at Qin Yu coldly and walked over step by step.

Qin Yu gritted his teeth and tried his best to mobilize the internal QI in his body in an attempt to break through the shackles.

Unfortunately, his spiritual power seemed to be blocked. No matter how Qin Yu struggled, he could not break through!

Seeing that Gu Canghai had already walked over, Qin Yu's expression became even more unsightly.

"It's useless. I have already sealed all the vital gates of your spiritual power. Even if you have great abilities, you will not be able to escape!" Gu Canghai's ice-cold voice rang out.

After that, Gu Canghai's entire body shone with light, and terrifying killing intent condensed on his palms!

"Little Bastard, you've killed hundreds of people from our Saint Confucian school. Just because of you, President Yan is already displeased with me! You Damned Little Bastard!" Gu Canghai said through gritted teeth.

Qin Yu raised his head to look at Gu Canghai and grinned, "Old Bastard, you deserve it..."

"You're courting death!" Gu Canghai was instantly enraged. His large palm immediately smashed down fiercely towards Qin Yu!

"Pu!"

This palm strike was extremely powerful. Qin Yu felt as if his internal organs were about to be smashed into pieces as a mouthful of blood gushed out!

"I'll see how long you can keep your mouth shut!" Gu Canghai roared furiously.

His palm contained a suppressive force that was like a mountain as it ruthlessly smashed towards Qin Yu!

Once, twice, thrice...

Qin Yu's body was instantly covered in bloody scars and many of his bones were shattered!

However, Gu Canghai still didn't show any signs of stopping. He kept Smashing Qin Yu's body with his palms.

In just a few seconds, Qin Yu's body was almost smashed into pieces.

His consciousness started to become blurry, and a sense of fatigue rose from his heart.

"Mr. Qin..."Zhen Yue couldn't help but sob softly when she saw this scene.

Qin Yu opened his mouth slightly, and everything in front of him became a little hazy.

"Damn it... the realm of the martial marquis... as expected, I can't cross it..."Qin Yu muttered in his heart.

"I can't even use my secret technique... am I really going to die here today..."

"Ruoxue, I... I've disappointed you..."

Following Gu Canghai's attack, Qin Yu's consciousness became increasingly blurry. He couldn't even feel pain anymore.

Countless images flashed through Qin Yu's mind. The scenes of the past were like a passing lantern that flashed through Qin Yu's mind.

At this moment, Qin Yu thought of many things. This kind of thinking without a master was like a memory at the moment of death.

“En... I seem to have thought of something...”at this moment of death, a crazy thought suddenly burst out in Qin Yu's mind!

“I know, I know how to step into the Martial Marquis realm... !”

His eyes, which had already turned gray, were now filled with determination!

“I know!”Qin Yu shouted excitedly in his heart!

My Rich Wife – Chapter 559 –

Chapter 559: Chapter 589, farewell to Yan Jiang!

At this moment of life and death, Qin Yu finally understood the opportunity to step into the Marquis of Martial Arts!

The Marquis of martial arts was in the aurous core stage. Once he stepped into the aurous core stage, all his cultivation would be in the aurous core stage!

As a primal chaos body, Qin Yu could cultivate both yin and yang!

To Qin Yu, the opportunity to step into the Marquis of martial arts was the fusion of yin and yang!

Once the fusion was successful, the Golden Core would be formed and he would step into the true martial Marquis Realm!

“Unfortunately... stepping into the martial marquis realm requires peace and quiet. I Can’t be disturbed at all.”Qin Yu quickly became desperate again.

Although he had comprehended the opportunity to step into the Martial Marquis realm, how could there still be a chance?

“If only I could have thought of it earlier...”Qin Yu couldn’t help but feel a little sad and indignant in his heart.

Success was right in front of his eyes, but he had lost the opportunity. The pain was indescribable, and despair was written all over his face.

“Little Bastard, you are quite able to resist,”gu Canghai said coldly.

As he spoke, Gu Canghai slowly raised both of his hands, as if he was condensing some spell.

A terrifying light exploded in Gu Canghai's palms!

“Go to hell!”

Accompanied by Gu Canghai's explosive roar, this ray of light, which contained a strong killing intent, ruthlessly smashed towards Qin Yu!

“Boom!”

However, at this moment, a burst of internal Qi suddenly shot over from not far away, colliding with Gu Canghai's spell!

A huge explosion instantly shattered this room!

The surrounding people were directly pushed back dozens of meters, and some people were even turned into meat paste on the spot!

“Who is it!” Gu Canghai's expression turned cold as he berated coldly.

A man around 40 years old slowly walked in from the door.

Qin Yu was instantly stunned when he saw this man.

“Yan... Yan Jiang? ! You're not dead? !” Qin Yu could not help but gape as a trace of excitement appeared in his eyes!

He wanted to stand up, but his injuries were too severe and he could not stand up at all.

“Big Brother Yan Jiang...” Qin Yu used all his strength to say these words.

Yan Jiang Glanced at Qin Yu and nodded slightly.

“Yan Jiang, why are you here?”Gu Canghai said coldly.

Yan Jiang said in a deep voice, “Miss told me to protect Qin Yu well.”

Hearing this, Qin Yu’s heart was filled with gratitude.

Qin Yu didn’t expect that Yan Jiang still remembered Yan Ruoxue’s order today.

“Hahahaha!”Gu Canghai couldn’t help but burst into laughter.

“Miss Yan is no longer the eldest miss of the Yan family. Why do you have to be so persistent?”Gu Canghai said indifferently.

Yan Jiang said coldly, “In my heart, she will always be the eldest miss of the Yan family.”

Gu Canghai narrowed his eyes and coldly said, “As a member of the Yan family, you actually want to disobey President Yan’s orders? !”

“I only listen to the orders of the Miss,”Yan Jiang coldly said.

Gu Canghai’s expression instantly turned cold.

He took a deep breath and said, “Yan Jiang, I remember that you’re only at the peak of the Great Grandmaster realm, right? Do You Think You Can Stop Me?”

“How would I know if I don’t try?”The internal Qi on Yan Jiang’s body also began to surge! The strength of a half-step martial marquis was fully displayed at this moment!

Qin Yu couldn't help but gape! He never thought that not only did Yan Jiang not die, but he even stepped into the half-step martial Marquis Realm!

"Half-step Martial Marquis?" Gu Canghai sneered.

"A mere half-step martial marquis wants to stop me? What a joke!"

Yan Jiang didn't say anything. His mouth was slightly open, as if he was casting some kind of spell.

In a short instant, the internal Qi on Yan Jiang's body began to surge again!

He had directly stepped into the Martial Marquis realm from the half-step Martial Marquis Realm!

This kind of spell was exactly the same as the one Han Wei had used that day!

"As the eldest miss' bodyguard, the master once brought me to the Jingdu Martial Arts Association's library. When necessary, I will forcefully step into the Martial Marquis Realm," Yan Jiang said coldly.

Gu Canghai's expression became even colder.

Seeing that he was about to succeed and another Yan Jiang had jumped out, how could Gu Canghai not be angry!

"So what if you forcefully step into the martial marquis? You can at most hold on for half an hour!" Gu Canghai said coldly.

"In half an hour, killing you will be as easy as flipping my hand!"

Yan Jiang said coldly, “No need for nonsense. Do It.”

“You’re courting death!” Gu Canghai was instantly furious. He curled his palm and grabbed at Yan Jiang!

Yan Jiang’s expression was ice-cold. He clenched his fist and met the attack head-on!

A great battle was about to break out. Both of them were martial marquises, and it was difficult to determine who was stronger for a moment!

Qin Yu gritted his teeth. If he could step into the rank of martial marquis in this half an hour, then the outcome could be reversed!

“I must cherish the time that Yan Jiang has bought for me...” Qin Yu muttered in a low voice.

He gritted his teeth and adjusted his state of mind.

Then, Qin Yu closed his eyes slightly and began to try to fuse the yin qi and Qi/spiritual energy in his dantian.

Under the guidance of Qin Yu’s powerful spiritual sense, the Qi/spiritual energy and yin qi in his dantian, which had never interfered with each other, began to try to touch each other at this moment.

“Bang!”

However, the moment they touched, an explosive sound was produced in the Dantian! Qin Yu felt a sharp pain in his abdomen!

It was naturally not that easy to fuse the two opposing internal Qi.

However, Qin Yu could not care about that anymore. He endured the pain and forcefully tried to fuse them.

“Bang Bang Bang!”

Crisp sounds rang out in Qin Yu’s Dantian.

The two internal Qi were constantly repelling each other!

The intense pain made Qin Yu’s forehead break out in cold sweat. However, he did not dare to waste any time. He tried his best to fuse the yin and yang internal Qi!

“Chi la!”

Finally, under Qin Yu’s hard work, the two internal Qi began to fuse!

“There’s a chance!” Qin Yu was instantly overjoyed!

He immediately struck while the iron was hot and used all his mental strength to guide the fusion of the internal Qi of yin and yang.

“Chi La Chi La Chi la...”

Following the fusion of the two internal Qi, Qin Yu’s Dantian continued to emit sounds!

However, these two internal Qi were extremely huge. It was not so easy to complete the fusion within a short period of time.

“No... I have to be faster!” Qin Yu was so anxious that he bared his teeth. He tried his best to guide the fusion, not daring to delay even the slightest bit!

“Boom!”

Not far away, the battle between Yan Jiang and Gu Canghai was still ongoing!

However, Yan Jiang had relied on a secret technique to forcefully enter the Martial Marquis Realm. Compared to Gu Canghai who was already in the Martial Marquis realm, he was clearly slightly inferior.

“Clang!”

At this moment, Gu Canghai’s palm struck Yan Jiang’s chest. Yan Jiang was instantly sent flying several meters away, and his mouth was bleeding non-stop!

“Yan Jiang, I advise you to stop. Otherwise, you will definitely die today!” Gu Canghai shouted loudly.

Yan Jiang wiped the blood at the corner of his mouth and said coldly, “Stop talking nonsense. Unless I die here, otherwise... you can forget about killing Qin Yu!”

“Okay, then I will kill you first!” Gu Canghai’s hair danced wildly as he rushed toward Yan Jiang Again!

Chapter 560: Chapter 560, the Stubborn Yan Jiang!

Gu Canghai’s Qi burst forth, and each of his moves was aimed at Yan Jiang’s vital points!

Faced with Gu Canghai’s strength, Yan Jiang had no way to retreat. He could only face the attack head-on.

The light in the sky continued to shine, and the entire Bi Luo Tower seemed to have been turned into ruins. The scene was even more chaotic.

This was a battle between martial marquises. No one dared to move forward. Everyone retreated one after another, afraid that they would be implicated.

At this moment, Qin Yu was desperately fusing the two internal Qi.

“Hurry, I have to hurry...” Qin Yu gritted his teeth and used all his spiritual sense to fuse the two internal Qi.

In the blink of an eye, twenty minutes had passed. Qin Yu’s internal Qi seemed to have reached the butler’s position!

“No... At this speed, we won’t be able to make it in time.” Qin Yu’s face was extremely ugly.

At this moment, Zhen Yue took advantage of the chaos and ran over from not far away.

“Mr. Qin, I. . . I’ll save you,” Zhen Yue said anxiously.

After saying that, she started to pull out the light beams that were inserted into Qin Yu’s life gates.

Unfortunately, with Zhen Yue’s strength, she couldn’t move these ten light beams at all.

Even if she tried her best, she couldn’t move them at all!

“What... What should I do?” Zhen Yue was so anxious that her face turned red and she was at a loss.

Qin Yu didn't pay attention to her. He didn't dare to be distracted because he was pressed for time.

Swoosh

At this moment, Gu Canghai's sharp fingers tore at Yan Jiang's chest like steel claws!

His chest was instantly torn into pieces. The three bloody marks were so shocking that crystal white bones were even exposed!

"Yan Jiang, you are no match for me, Die!" Gu Canghai shouted.

Black Qi condensed on Gu Canghai's hands. At a glance, it was as if his hands had come from the depths of hell!

This technique was Gu Canghai's famous consummate skill, called the deadly ghost hand!

It was said that this technique could not only harm the physical body, but it could even cause a spiritual impact!

Yan Jiang did not dare to help. He opened his mouth slightly, and a light seal shot out!

This technique came from the Jingdu Martial Arts Association, and it was called the Rainbow Divine Seal!

This divine seal gave off rolling power, and it ruthlessly smashed toward Gu Canghai's deadly ghost hand!

"Boom!"

The two techniques collided, and a boiling wave of air, like a sea of fire, spread out in all directions!

Under this technique, Gu Canghai immediately took a few steps back.

His face was gloomy, and he said coldly, “You actually know the rainbow divine seal. Old Mister Yan really cares about you.”

Yan Jiang didn’t say a word as he slightly panted.

His internal Qi started to become unstable. It seemed that he couldn’t maintain his martial marquis realm anymore.

“Yan Jiang, I’ll ask you one last time. Do you really want to betray the Yan Family?” Gu Canghai coldly said.

Yan Jiang wiped the blood at the corner of his mouth and coldly replied, “If old Mister Yan were alive, he definitely wouldn’t treat miss like Yan Sihai.”

“So, the one who betrayed you is you. I have never betrayed anyone,” Yan Jiang said coldly.

Gu Canghai laughed and said, “Yan Jiang, you are really a loyal dog! Old Mister Yan has long become a thing of the past. Now, the Yan family is under the control of Yan Sihai!”

“This is the difference between you and me,” Yan Jiang said while gritting his teeth.

Obviously, Gu Canghai was suspected of deliberately stalling for time.

Yan Jiang could only maintain the martial marquis realm for half an hour. As long as he could stall for this half an hour, then Yan Jiang would not be worth mentioning.

“Sect leader Gu, that Qin Yu seems to be trying to break through to the Martial Marquis Realm!” At this moment, someone suddenly shouted!

Hearing this, Gu Canghai immediately looked in the direction of Qin Yu!

Sure enough, at this moment, Qin Yu’s internal Qi was condensed, and all the acupoints were shining!

Gu Canghai’s face turned cold, and he shouted, “Brat, don’t even think about stepping into the Martial Marquis Realm!”

After saying that, Gu Canghai quickly walked towards Qin Yu!

However, a figure blocked Gu Canghai’s path!

“Before I die, don’t even think about getting close to Qin Yu,” Yan Jiang said coldly.

Gu Canghai was furious, “You’re courting death!”

After saying that, Gu Canghai used the same trick again, his huge palm fiercely smashing towards Yan Jiang!

Yan Jiang naturally did not dare to be negligent, he clenched his fist and went up to meet it.

But this time, the collision caused Yan Jiang to retreat dozens of steps!

There was no other reason, it was because Yan Jiang's martial marquis realm was rapidly disappearing!

"Hahaha!" Seeing this scene, Gu Canghai immediately burst into laughter!

"Your internal QI is about to disappear. I'd like to see how you can stop me!"

Gu Canghai's internal qi burst forth and charged towards Yan Jiang once again!

Another palm strike landed on Yan Jiang's chest. This palm strike almost shattered Yan Jiang's body!

In an instant, Yan Jiang's entire body was covered in blood. It was a tragic sight!

But even so, Yan Jiang stood up once again!

He stood in front of Gu Canghai with great difficulty, gritted his teeth, and said, "Don't even think about getting half a step closer!"

"You're courting death!" Gu Canghai did not say a word, and struck at Yan Jiang with his palm.

"Boom!"

A loud sound came from Yan Jiang's body. He did not know how many parts of his bones had been broken!

He lay on the ground and wanted to stand up, but he found that the internal Qi in his entire body was beginning to weaken!

“Oh No.” Yan Jiang’s face was a little ugly.

After using a secret technique to step into the Martial Marquis realm, he would fall into a coma! At that time, not to mention stopping Gu Canghai, it would be impossible for him to stay awake!

Yan Jiang gritted his teeth and tried his best to get up, but he failed every time!

At this moment, Gu Canghai was already walking towards Qin Yu!

Yan Jiang’s face was extremely ugly. In his mind, he couldn’t help but think of the first time he met Qin Yu!

Back then, Qin Yu was also defeated countless times!

Every time Yan Jiang thought he couldn’t get up, he would stand up!

It was because of his strong will and fighting spirit!

“Ah! !” Yan Jiang roared with all his strength. He slowly got up and shot toward Gu Canghai!

Yan Jiang curled his hands and grabbed Gu Canghai’s waist from behind!

Gu Canghai’s expression turned cold as he said sinisterly, “You’re really courting death!”

He held a huge force in his hands and ruthlessly smashed towards Yan Jiang’s back!

“Crack!”

Under this huge force, Yan Jiang's back was on the verge of being shattered!

But even so, Yan Jiang still did not show any signs of letting go!

His entire body had already turned blood red, but his unyielding will allowed him to hug Gu Canghai tightly!

Gu Canghai was thoroughly enraged. A light that was like a sharp blade lingered on his palm as he coldly said, "You're courting death! Courting Death!"

"Chi!"

As he spoke, the light from Gu Canghai's palm ruthlessly pierced into Yan Jiang's back!

"Pu!"

Yan Jiang's face instantly turned extremely pale, and his internal Qi began to rapidly dissipate!

However, what Gu Canghai didn't expect was that Yan Jiang's hand was still tightly holding onto Gu Canghai!

Gu Canghai was instantly flustered and exasperated.. He looked at the person beside him and shouted, "Go, quickly kill that Qin Yu. No matter what, don't let him step into the rank of Marquis!"

Chapter 561: Chapter 561, the Heavenly Tribulation!

The disciples of the Saint Confucianism sect didn't dare to be negligent. They rushed toward Qin Yu with all kinds of spells in their hands, trying to interrupt Qin Yu's breakthrough!

At this moment, Zhen Yue led the people of the Green Moon Villa to Block Qin Yu.

"Don't you dare to interrupt Mr. Qin's cultivation!" Zhen Yue shouted fiercely!

The people of the green moon villa also shouted, "Don't you dare to interrupt Sect Master Qin's cultivation!"

"Humph! A bunch of reckless fools!" Gu Canghai said coldly.

"Kill anyone who dares to stop us!"

"Yes!" The people of the Saint Confucianism sect shouted immediately.

They were all peak-stage martial grandmasters, or even half-step martial marquises!

The strongest people of the Green Moon Villa were only peak-stage martial grandmasters, so how could they deal with them!

"Everyone, we must stop them no matter what!" Zhen Yue gritted her teeth and said.

"As long as Mr. Qin makes a breakthrough, the Saint Confucianism sect will be destroyed!"

With that said, Zhen Yue took the lead and charged forward!

With Zhen Yue's leadership and Yan Jiang's sacrifice, everyone seemed to be infected.

The battle broke out in an instant!

In an instant, light shone everywhere, and blood flowed like a river!

From time to time, people were sent flying, and one could even see their skulls being shattered on the spot!

Even so, they still stood in front of Qin Yu!

“Bang!”

Someone slapped Zhen Yue's chest.

Zhen Yue's delicate body was sent flying, and her face turned extremely pale.

“Humph! A bunch of ants trying to stop us?” The disciples of the Saint Confucianism sect said coldly.

Zhen Yue glanced at Qin Yu, who was glowing with light. She gritted her teeth and stood up from the ground!

“Mr. Qin, you have to be fast!” Zhen Yue shouted in her heart!

Seeing this, Gu Canghai's face turned extremely ugly!

He tried to shake off Yan Jiang, but Yan Jiang was like a shackle that tightly bound him. He wouldn't let go no matter what.

Gu Canghai started to get anxious. He knew very well that once Qin Yu stepped into the rank of Marquis, the Saint Confucian school would not be able to stop Qin Yu's anger!

“These damn ants!” Gu Canghai roared again and again!

He subconsciously looked in the direction of Qin Yu and saw that his internal Qi was bursting out and his acupoints were lit up everywhere. It was the sign of breaking through to the rank of Marquis!

“Damn it! Damn it!” Gu Canghai raised his head and roared. His palm shot out rays of light and pierced straight into Yan Jiang's junior!

“Pu!”

Yan Jiang seemed like he couldn't take it anymore. His consciousness gradually became blurry, but his mind kept giving him an order.

That was to stop Gu Canghai!

“Boom!”

At this moment, Zhen Yue's body was sent flying again!

Blood continued to flow from the corner of her mouth, and a huge bloody hole appeared in her chest!

Facing a half-step martial marquis, Zhen Yue had no way to fight back.

She tried to get up, but a sharp blade pierced into her left chest, and her body was nailed to the wall!

More than half of the people in Green Moon Villa were killed or injured, and the rest of the people started to be afraid.

Looking at the corpses on the ground, they couldn't help but step back.

Although they admired Qin Yu, everyone was afraid of death.

“Hurry up and stop Qin Yu!” Gu Canghai shouted.

The people around him immediately walked towards Qin Yu!

At this moment, Yan Jiang couldn't hold on any longer.

His entire body started to feel weak, and all his internal Qi was slowly disappearing.

His vision was pitch black, and the hand that was holding Gu Canghai was finally released.

“Qin Yu, I'll leave it to you...” Yan Jiang muttered in a low voice, and then collapsed on the ground.

Gu Canghai's face was ice-cold, and his internal Qi surged. He snorted coldly and said, “Qin Yu, don't even think about stepping into the Martial Marquis Realm!”

As he spoke, Gu Canghai had already rushed toward Qin Yu with large strides!

He held the power of destruction in his hand, and wanted to kill Qin Yu with one strike!

Just as his palm was about to reach out toward Qin Yu, dark clouds suddenly condensed in the sky!

“Kacha!”

A muffled thunder shot down from the sky!

The lightning landed right in front of Gu Canghai!

Gu Canghai's expression changed drastically, and his hand subconsciously retracted!

“Oh no! It's Too Late!”Gu Canghai's expression was extremely ugly!

If Qin Yu stepped into the Martial Marquis realm, then Gu Canghai would not be worth mentioning!

Gu Canghai knew better than anyone that he gritted his teeth and wanted to stop Qin Yu's breakthrough.

However, facing this heavenly tribulation that contained the power of heaven and earth, Gu Canghai did not dare to take a step forward!

Qin Yu's body flickered with specks of light, and a terrifying internal Qi was brewing in his body.

Kacha

At this moment, the ten beams of light that were inserted into Qin Yu's body were forcefully broken through by the Internal Qi!

His physical body was recovering at an extremely fast speed!

Qin Yu slowly stood up from the ground.

At this moment, Qin Yu's face was glowing like a god of war!

His pair of ice-cold eyes looked coldly at Gu Canghai.

Just this gaze alone made Gu Canghai feel a chill on his back!

“The heavenly tribulation... has finally arrived.”Qin Yu raised his head to look at the large clouds that had gathered in the sky and muttered softly.

Gu Canghai took a deep breath and said coldly, “Qin Yu, with me here, you can forget about successfully surviving the heavenly tribulation!”

“Do as you wish,”Qin Yu said coldly.

Gu Canghai gritted his teeth. The Qi force on his body surged rapidly, wanting to stop Qin Yu!

But at this moment, heavenly lightning descended from the sky!

“Boom!”

This heavenly lightning struck down ruthlessly like a silver snake!

The enormous force directly sent Gu Canghai flying!

“How... how is this possible!”Seeing this heavenly tribulation, Gu Canghai’s eyes immediately widened!

He himself had also passed the heavenly tribulation of the Martial Marquis realm, but he definitely didn’t have such powerful strength!

The scale of this heavenly tribulation was at least dozens of times more powerful than when Gu Canghai passed the tribulation!

The surrounding people were also stunned.

How was this like transcending a tribulation? This was simply like wanting to chop someone to death!

“Such a terrifying heavenly tribulation is really hard to imagine.” Gu Canghai narrowed his eyes and muttered in a low voice.

As a marquis of Wu, he naturally understood what such a terrifying heavenly tribulation meant.

The more talented one was, the more terrifying the power of the heavenly tribulation would be!

“If this kid doesn’t die, who knows how terrifying he will be in the future.” Gu Canghai narrowed his eyes and said.

He took a few steps back and sneered, “Well, I don’t believe you can withstand such a heavenly tribulation.”

At this moment, the heavenly tribulation smashed down again!

This time, the heavenly tribulation was even more terrifying than before!

Gu Canghai couldn’t help but shout, “Let’s see how you will deal with it!”

Before he finished his words, Gu Canghai’s eyes widened!

He swallowed his saliva and said in a low voice, “What does this Qin Yu want to do? !”

Qin Yu did not have any countermeasures. Instead, he sat cross-legged on the ground and allowed the silver light to pour down on his body!

Chapter 562: Chapter 562, stepping into the Martial Marquis Realm!

Crack

The heavenly lightning that contained the power of heaven and Earth smashed onto Qin Yu's golden body!

Cracks appeared on his body for a short time, as if it was about to be shattered!

Even so, Qin Yu was still unmoved. His face didn't even show any emotion!

"Could... could it be that this kid wants to use the heavenly tribulation to temper his body?!" Gu Canghai seemed to have understood something!

He couldn't help but suck in a breath of cold air!

When others faced the heavenly tribulation, they couldn't avoid it in time. They prepared all kinds of magical artifacts to deal with it so that they wouldn't die under the Heavenly Tribulation.

However, not only did Qin Yu not deal with it, he even treated the heavenly tribulation as an opportunity to temper himself!

Such a crazy behavior was simply unheard of!

"It's... It's too terrifying!" Everyone sucked in a breath of cold air at this moment!

Gu Canghai broke out in cold sweat and felt his legs go weak!

At this moment, he suddenly began to regret provoking Qin Yu!

“I don’t believe you can withstand it with your physical body!” Gu Canghai said angrily!

Qin Yu’s actions seemed to have angered the heavens. A third bolt of lightning slowly brewed in the dark clouds, and a silver light lit up the entire sky.

“Boom!”

A deafening sound exploded! The silver lightning increased by a few more points! In an instant, it smashed the entire ground!

Qin Yu’s body was directly shattered by this heavenly lightning!

“Good, good! Let’s kill this crazy person like this!” Gu Canghai couldn’t help but shout excitedly when he saw this!

However, Qin Yu’s shattered body was slowly healing.

“So comfortable...” Qin Yu licked his lips, and a crazy expression appeared on his face!

“Boom!”

The fourth bolt of heavenly lightning descended! This time, it directly turned the scene into a sea of lightning!

Everything within a few meters turned silver!

Those who couldn’t Dodge in time turned into ashes on the spot!

“Quickly retreat!” Everyone hurriedly shouted when they saw this!

Countless people retreated, afraid that they would be affected by this heavenly tribulation!

Even Gu Canghai did not dare to come any closer!

Qin Yu's body was bathed in golden light, golden and silver interweaving together. The scene looked both terrifying and magnificent!

His body was constantly being shattered, revealing sparkling white bones.

But every time it was shattered, his body would slowly heal!

The fifth heavenly lightning descended! This time, Qin Yu's body seemed to have become much tougher!

The sixth bolt of Heavenly Lightning only broke Qin Yu's skin!

The seventh bolt of heavenly lightning only left white marks on Qin Yu's body!

The eighth bolt, the ninth bolt...

Every time the heavenly lightning descended, Qin Yu's body became a few times stronger!

When the tenth bolt of heavenly lightning descended, Qin Yu was completely unafraid of the heavenly lightning!

And his body also became indestructible at this moment!

The golden light was restrained, and his remaining physical body flickered with an invincible posture!

“No... Not Good!”Gu Canghai’s expression was extremely unsightly!

At this rate, Qin Yu might really step into the Martial Marquis Realm!

“If he steps into the Martial Marquis Realm, I’m afraid I won’t be able to retaliate at all.”Gu Canghai took a deep breath.

His eyes narrowed slightly, then he snorted coldly, turned around, and left!

No one had expected Gu Canghai to take advantage of this opportunity to escape!

“Sect master Gu has left, let’s hurry and retreat.”The others also felt that something was amiss.

They exchanged a glance, and immediately left the Jade Moon Villa!

Gu Canghai sped away, desperately rushing towards the Saint Confucian school.

“We must inform the Yan family of this news as soon as possible!”Gu Canghai said through gritted teeth.

At this moment, he could no longer care about Yan Sihai’s thoughts. The most important thing was to save his life!

...

In the Green Moon Villa, the sky was still buzzing.

Everyone looked at Qin Yu, who was bathing in the silver light, and there was some excitement in their eyes.

The eleventh, the twelfth... A total of eighteen heavenly tribulations fell on Qin Yu's body!

At this time, the heavenly tribulation could no longer cause any damage to Qin Yu!

Finally, the heavenly tribulation began to slowly disappear.

The gray clouds also slowly retreated, revealing the sunlight once again.

And at Qin Yu's Dantian, streaks of golden light flickered!

Looking inside, one could see that within this Dantian, there was a marble-sized aurous core that was resting in the lower abdomen.

This was the symbol of the aurous core stage! It was also the Martial Marquis realm of the Martial World!

It was quiet all around. Qin Yu stood there without saying anything for a long time, as if he was feeling the uncontrollable power in his body.

"Finally... I've reached the realm of the Martial Marquis!" Qin Yu's eyes shone brightly!

At first glance, Qin Yu didn't have much internal Qi. Instead, he looked like an ordinary person.

However, his body had become like a piece of jade, sparkling and translucent!

"Congratulations, Mr. Qin!" Zhen Yue was the first to react.

Then, everyone shouted in unison, "Congratulations, Sect Master Qin!"

The entire Green Moon Villa burst into an earth-shaking roar!

At this moment, Qin Yu was like their new God!

Looking at the corpses on the ground, Qin Yu's eyes flashed with killing intent.

“So many people died... Saint Confucian sect, you will pay the price!” Qin Yu said coldly.

Then, he took a step forward and arrived in front of Yan Jiang in an instant.

At this time, Yan Jiang's body was already broken, and he looked terrible.

Qin Yu hurriedly picked up Yan Jiang, raised his palm, and placed it on Yan Jiang's chest.

“Fortunately, it was in time,” Qin Yu said in a low voice.

He used qi/spiritual energy to seal all the vital gates of Yan Jiang, and temporarily saved Yan Jiang's life.

After that, Qin Yu checked every single one of them. As long as they could be saved, Qin Yu wouldn't give up.

An hour passed.

Zhen yue frowned and said, “Mr. Qin, more than 30 of US died.”

“More than 30 people...” Qin Yu couldn't help but feel uncomfortable.

These people died because of him. They were all innocent people.

“Gu Canghai... It’s time for you to pay the price,”Qin Yu said coldly.

At this moment, Gu Canghai was pacing back and forth in the Saint Confucian school. He was extremely uneasy.

He was terrified and worried.

Once Qin Yu barged into the Saint Confucian school, no one would be able to stop him!

Thinking of this, Gu Canghai took out his phone while trembling.

He braced himself and dialed Yan Sihai’s number.

Once the call was connected, Yan Sihai said coldly, “How is it? Is Qin Yu Dead?”

Gu Canghai opened his mouth, not knowing how to explain for a moment.

Yan sihai frowned and said, “I’m asking you a question! Is Qin Yu Dead?”

Gu Canghai swallowed his saliva and braced himself and said, “President... President Yan, I have bad news for you. Qin Yu... Qin Yu has stepped into the rank of Marquis Wu....”

Chapter 563: Chapter 563: Gu Canghai’ s death!

Gu Canghai told Yan Sihai with a trembling voice.

Yan Sihai was stunned for a moment after hearing it, and then he said angrily, “What did you say? ! Qin Yu has become a Marquis?”

“Yes... yes...” Gu Canghai braced himself and said.

Yan Sihai gritted his teeth and said, “Trash, you trash!”

“Gu Canghai, the Yan family has spent so many resources on you all these years, and you can’t even handle such a small matter!”

In the face of Yan Sihai’s abuse, Gu Canghai did not dare to say a word.

“What’s the use of having a trash like you!” Yan Sihai almost smashed his phone on the other end.

He did not expect that Qin Yu would actually step into the rank of Marquis in such a short period of time!

“President Yan, we had already succeeded, but Yan Jiang appeared again!” Gu Canghai explained.

“If it weren’t for Yan Jiang, Qin Yu would be a corpse now!”

“Yan Jiang?” Yan Sihai frowned slightly.

It had been too long. He had almost forgotten about Yan Jiang.

“President Yan, you have to think of a way. Otherwise, this Qin Yu will never forgive me...” Gu Canghai started to be afraid. The only person he could ask for help now was Yan Sihai.

Yan Sihai sneered, “Useless thing, I’ll think of a way? I’ll think of a way for you? Are you going to send someone to protect you?”

“You’re a mighty Marquis Wu, and you still need someone to protect you. Aren’t you afraid of being laughed at if this gets out?”

Gu Canghai said somewhat anxiously, “President Yan, you’ve seen the fight between Qin Yu and Han Wei. Once he steps into the Marquis Wu, even young master Han would not be able to retaliate, let alone me...”

On the other end, how could Yan Sihai listen to this? He sneered and said, “Think of a way yourself. Whether you live or Die, you deserve it.”

After saying this, Yan Sihai directly hung up the phone.

This time, Gu Canghai completely panicked.

If the Yan family didn’t help, then he absolutely had no right to challenge Qin Yu!

After thinking for a while, Gu Canghai quickly got up.

He called Deng Sheng in and said coldly, “Immediately pass the message that the Saint Confucian school will be closed from today onwards! No one is allowed to enter or leave!”

Deng Sheng naturally knew what had happened. He nodded and said, “Okay, I understand.”

After walking out of the main hall, Deng Sheng could not help but sneer in his heart.

“It seems that this Gu Canghai is really afraid. Perhaps I can really sit on the position of the Saint Confucian school’s Headmaster.” The corners of Deng Sheng’s mouth could not help but curl up into a proud smile.

After Deng Sheng left, Gu Canghai couldn’t wait to leave the hall.

He paced back and forth and finally made up his mind:

I should leave Saint Confucian sect for the time being and find a place to hide!

Otherwise, I will definitely be killed by Qin Yu!

Thinking of this, Gu Canghai immediately left Saint Confucian sect.

...

The Green Moon villa was peaceful.

The mountain gate was destroyed and needed to be rebuilt.

Fortunately, Zhen Yue didn't lack money. Besides being a warrior, she also ran many businesses.

At night, Qin Yu and Zhen Yue buried all the members of the Green Moon Villa who had died in battle and set up gravestones for them.

"Mr. Qin, perhaps you are more suitable for the position of the sect master," Zhen Yue, who was standing beside Qin Yu, suddenly said.

Qin Yu glanced at Zhen Yue and shook his head, "I promised you that I wouldn't go back on my words if I let you be the sect master."

"Besides, I'm not interested in the sect at all."

Zhen Yue bit his lips and didn't know what to say for a moment.

"I'll leave the reconstruction of the sect to you," Qin Yu said.

Zhen Yue nodded and then asked, "What are your plans?"

Qin Yu said, "I'm Going Out Tomorrow."

“Where?” Zhen Yue asked.

“To kill people.”

...

The next day.

Qin Yu carried the unconscious Yan Jiang and left the Green Moon Villa.

Although the Green Moon Villa was developing well, not many people dared to enter because of the sacred Confucian school.

Qin Yu was not in a hurry. He knew very well that the most important thing now was to establish his authority.

Of course, Qin Yu was not in a hurry to go to the Saint Confucian sect. Instead, he brought Yan Jiang to the Divine Alchemist Pavilion.

Yan Jiang had helped Qin Yu many times. This time, he had made great contributions.

If it were not for Yan Jiang, Qin Yu would probably have died.

In the Pavilion Master's building.

Qin Yu placed Yan Jiang on an empty space at the side.

The Pavilion Master drank a mouthful of tea. She glanced at Qin Yu and said indifferently, “You have stepped into the rank of Marquis Wu?”

Qin Yu nodded and said, “Yes, I just made a breakthrough yesterday.”

The pavilion master put down the water in her hand and said with a smile, “Old Mister Jiang is right. The day will not be too late.”

Qin Yu nodded slightly and said, “Pavilion Master, thank you for your help during this period of time. I may have to trouble you again.”

After saying that, Qin Yu looked at the unconscious Yan Jiang.

The pavilion master nodded and said, “What are your plans next?”

Qin Yu’s expression turned cold as he said coldly, “I’ll go kill the Saint Confucian school first. Next, I’ll go straight to the Jingdu Martial Arts Association!”

“No matter what, I’ll take Ruoxue Away!”

The Pavilion Master was silent for a moment and said, “Qin Yu, don’t underestimate the Jingdu Martial Arts Association. They...”

“I know,” Qin Yu interrupted the pavilion master.

“Although I have become a martial marquis, I also know that there are people beyond heaven, not to mention the Jingdu Martial Arts Association.”

“As for the Jingdu Martial Arts Association, I Know Nothing but legends. I also want to personally see how powerful they are.”

The pavilion master frowned and said, “Aren’t you afraid that you won’t be able to leave if you go?”

“I’m not afraid,” said Qin Yu in a deep voice.

“Even if I can’t do anything to them, I still have a way to escape.”

The Pavilion Master knew that Qin Yu had made up his mind to leave, so he didn’t say anything more.

“Then I wish you all the best,” said the pavilion master.

Qin Yu bowed slightly and said, “Thank you for your kind words.”

After putting down Yan Jiang, Qin Yu left the Divine Alchemist Pavilion.

His next trip was to the Saint Confucian school!

Qin Yu, who had just stepped into the Martial Marquis realm, did not know how powerful he was. Gu Canghai was the right person to practice with.

Moreover, Gu Canghai had given Qin Yu a lot of trouble. He had no choice but to take revenge.

On this afternoon, the sun was high up in the sky, and the Saint Confucian school appeared somewhat peaceful.

A figure suddenly appeared outside the mountain gate.

The gate of the sacred scholarly faction had long since been sealed, and it looked quite strict.

A young man took a deep breath and then roared, “Gu Canghai, come out and die!”

With just a roar, the mountain gate was shattered!

A terrifying aura penetrated deep into the sacred scholarly faction's internal Qi!

For a moment, the entire sacred scholarly faction buzzed!

“Not good, Qin Yu is here!” Someone cried out in alarm.

“Quick... quickly go and invite the sect master!”

Everyone immediately panicked. They all hid in the main hall, not daring to breathe loudly.

Qin Yu walked step by step towards the sacred scholarly faction. Along the way, no one dared to stop him.

“Gu Canghai, come out and face your death!” Another shout sounded!

This time, the plaque hanging on the main hall was directly shattered!

Chapter 564: Chapter 564. It's too late to negotiate now!

Hearing Qin Yu's angry roar, everyone couldn't help but tremble!

Qin Yu's figure was getting closer and closer. The feeling of waiting for death wasn't pleasant.

In the main hall, some people even wet their pants on the spot.

Soon, Qin Yu walked in.

The moment they saw Qin Yu, everyone took a step back in unison.

“Where's Gu Canghai?” Qin Yu glanced at everyone and asked coldly.

“Sect master... sect master isn't here...” someone said with a trembling voice.

“Qin... Qin Yu, this matter has nothing to do with us...”

“Don't Kill Us...”

Qin Yu glanced at them and said coldly, “Don't worry, I won't kill you. Tell Gu Canghai that I'll find him very soon.”

After saying this, Qin Yu turned around and left.

Seeing Qin Yu's back, they finally let out a sigh of relief.

...

The news of Qin Yu's clamor for the Holy Confucian school quickly spread on the martial arts forum!

“Have you heard? ! Qin Yu went to the Holy Confucian school alone, but no one dared to fight him!”

“I heard that the Holy Confucian school has been sealed because they are worried that Qin Yu will come to them!”

“Not only that, I also heard that Gu Canghai has already run away!”

“Damn, the leader of the number one sect in the north has been scared into running away?”

“The latest news is that Qin Yu has officially stepped into the Martial Marquis Realm! Gu Canghai does not dare to accept the challenge and has abandoned his sect to run away!”

Countless messages flooded in!

Gu Canghai looked at the messages on the screen with an extremely ugly expression.

He had never thought that his reputation would be ruined just like that!

At this moment, Gu Canghai's phone rang.

He picked up the phone and saw that the caller was Deng Sheng.

He hurriedly picked up the phone and said, "Deng Sheng, what's the situation now?"

Deng Sheng on the other end said, "Sect master, where are you? Qin Yu said that if you don't come back, he will take over the Saint Confucian school. Moreover, he said that he will definitely find you and kill you personally."

Hearing this, Gu Canghai's face turned extremely ugly.

He gritted his teeth and said, "I know."

After he hung up the phone, Gu Canghai took a deep breath.

The hand holding the phone trembled slightly as he kept flipping through the phone number.

Over the years, Gu Canghai had accumulated a lot of connections.

Now that Yan Sihai did not care about him, he could only think of ways to protect himself.

After searching around, most of the people rejected Gu Canghai's request.

Finally, a big shot in Cang City agreed.

This big shot was an important figure in Cang city. Although he was not a martial artist, he had a strong background and played the most important role in Cang City.

This person was called Shen bin. Besides being an official figure in Cang City, he also had relatives in the depths of Jingdu.

After calling Shen bin, Gu Canghai told him what had happened.

Shen bin was silent for a moment after hearing this. Then, he said, "I've heard of this Qin Yu. He's been in the limelight recently."

"That's right, Mr. Shen. If it weren't for the thorny matter, I wouldn't have troubled you..."gu Canghai said with a bitter smile.

As a Marquis of Wu, he wasn't willing to deal with officials.

Shen bin Thought for a moment and said, "I can set up a trap and let you guys talk. As for whether it can be negotiated or not, that's up to you."

Gu Canghai gritted his teeth and said, "Mr. Shen, it's enough to have a chance to negotiate!"

"Okay, I'll arrange a time and place."After saying this, Shen bin hung up the phone.

...

On the other side, Qin Yu was not in a hurry to leave this city.

Over the past few days, he had been investigating the Jingdu Martial Arts Association.

After his investigation, Qin Yu found that the Jingdu martial arts association indeed had a deep foundation.

Apart from controlling almost all the resources, they also had extremely strong connections.

For example, Xia hang was a puppet that was specially used to negotiate with the various aristocratic families.

Other than Xia Hang, there were other presidents that were used to negotiate with the upper echelons of jingdu.

As for martial arts, there wasn't much information on the Internet.

“After I kill Gu Canghai, I'll go to the Jingdu Martial Arts Association to get him,”Qin Yu said coldly.

After that, Qin Yu stood up and prepared to head to the Saint Confucian school again.

He didn't want to waste any more time. Since Gu Canghai wasn't willing to appear, he would directly crush the Saint Confucian school!

At this moment, two men in suits blocked Qin Yu's way.

“Mr. Qin, our Mister Invites You,”the two said expressionlessly.

Qin Yu glanced at them and said, “Who's Your Mister?”

“Shen Bin,”the other party said.

Qin Yu shook his head and said, “I don't know him.”

The two men looked at each other and then took out their work certificates.

Qin Yu couldn't help but frown when he saw that the two of them were officials.

“Shen bin... I seem to recall that he is an important figure of the Cangzhou city's officials,” Qin Yu said in a deep voice.

Even if Qin Yu had stepped into the Marquis of Wu, he couldn't go against the officials.

After thinking for a while, Qin Yu nodded and said, “Okay, I'll go with you.”

Then, Qin Yu followed the two of them into the car.

The car came to a private farmhouse courtyard.

“Go in. My husband is waiting for you inside,” said the two people.

Qin Yu didn't say anything. He walked into the farmhouse courtyard. As soon as he entered, he saw a familiar person.

“Gu Canghai, so you're hiding here!” Qin Yu said coldly. A murderous aura instantly erupted!

After sensing the murderous aura from Qin Yu, Gu Canghai's expression instantly changed slightly.

He subconsciously looked at Shen bin at the side.

Shen bin waved his hand and said, “You're Qin Yu? Sit down first.”

Qin Yu glanced at Shen bin and slightly bowed. “Mr. Shen.”

Shen bin poured a glass of water for Qin Yu and said with a smile, “Qin Yu, I called you here today because of the grudge between you and Gu Canghai.”

Qin Yu did not say a word and waited for Shen bin’s follow-up.

Shen bin said, “There is no deep hatred between the two of you. Why Don’t you sit down and talk about how to resolve this matter? This is also Gu Canghai’s intention.”

Gu Canghai braced himself and said, “Qin Yu, I was also instructed by the Yan family previously. It was not my original intention.”

Qin Yu glanced at Gu Canghai and sneered, “What, now you know to find someone to negotiate?”

Gu Canghai said awkwardly, “I also have no choice... Qin Yu, no matter what you want, we can talk about it...”

When Qin Yu heard that, he could not help but sneer, “I don’t want anything. I Just Want Your Dog Life!”

“Now you want to negotiate? Too Late!”

Chapter 565: Chapter 565: not giving face to anyone

Qin Yu’s murderous aura was not concealed, causing the temperature of the entire room to drop by a few degrees!

Gu Canghai looked at Shen bin as if he was asking for help, his eyes filled with pleading.

Shen bin coughed and said, “Qin Yu, everything can be discussed. Perhaps Gu Canghai can give you conditions that you are satisfied with.”

“Yes, yes, yes!” Gu Canghai hurriedly nodded.

“Qin Yu, if you are willing, I can give the sacred Confucian school to You!”

“That sacred Confucian school has a spirit spring in it. It will definitely be of great use to you!”

Qin Yu sneered and said, “If you were willing to take out the spirit spring a few days ago, I would definitely agree to it. But now it’s too late.”

“Because... if I kill you, the Spirit Spring will still be mine!”

Gu Canghai gritted his teeth, stood up and said, “Qin Yu, does this mean that we really have to fight to the death!”

“What do you think?” Qin Yu sneered.

“If I didn’t step into the Marquis of Wu, would you give me a Chance?”

Gu Canghai opened his mouth and was immediately speechless.

Now, all his hopes were placed on Shen bin.

Thus, Gu Canghai immediately said coldly, “Don’t tell me you won’t give Mr. Shen any face!”

Qin Yu glanced at Shen bin and said, “Mr. Shen, are you really determined to protect him?”

Shen bin was silent for a moment and said, “What if I Say Yes?”

Qin Yu sneered and said, “Then I’m sorry. I Won’t give face to the Yan family, and I won’t give face to yours either!”

Hearing that, Shen bin couldn’t help but say helplessly, “It seems that the rumors are true. You really don’t recognize your own family.”

“I don’t know you to begin with. Out of respect for your identity, I only came today.”Qin Yu was neither servile nor overbearing.

At this point, Qin Yu paused for a moment. He looked at Shen bin and said, “I can give you the greatest face, but I won’t kill him in front of you.”

Shen bin rubbed his chin and thought for a moment. Then, he looked at Gu Canghai and said, “Gu Canghai, you heard it too. I Can’t do anything about this matter. He doesn’t give me any face at all.”

Gu Canghai immediately became anxious. He said anxiously, “Mr. Shen, you must save me! Otherwise, I... I will definitely die in his hands!”

“I can’t help you even if I want to.”Shen bin waved his hand.

Gu Canghai’s expression was extremely ugly! He sat there and did not say anything for a long time.

At this moment, Gu Canghai suddenly made an unexpected move!

Gu Canghai’s entire body was surging with energy. His body suddenly flashed and he ran away!

Even Shen Bin was stunned.

The dignified sect master of the Saint Confucian school ran away just like that? !

Qin Yu was not in a hurry to chase after him. He looked at Shen bin and said, "Speaking of which, I have to thank you."

"Thank me? Thank me for what?" Shen bin asked in puzzlement.

"If it wasn't for you, I'm afraid I wouldn't have been able to find Gu Canghai in such a short time," Qin Yu said.

After saying this, Qin Yu turned around and left.

He stood in the small courtyard and suddenly released his spiritual sense!

Ever since he stepped into the Martial Marquis Realm, Qin Yu's spiritual sense had become extremely powerful!

Even though Gu Canghai had already escaped for several miles, he still couldn't escape Qin Yu's capture!

"Gu Canghai, no one can save you today," Qin Yu said coldly.

Then, Qin Yu turned into a golden light and quickly chased after him!

At this moment, Gu Canghai was trying his best to escape!

With a glance, he saw an old man with disheveled hair running away in a sorry state!

"HM? What's going on? Who's that old man?"

"Damn, isn't that Gu Canghai? The sect master of the Saint Confucianism sect!"

"Why is he running away?"

“Look behind you! Is that Qin Yu? !”

“Qin Yu? Hasn't Gu Canghai been looking for him? What... What's going on?”

Such a scene left everyone dumbstruck.

And Gu Canghai, who had always been high and mighty, had lost all face today.

But at this moment, how could he care about his face?

“Gu Canghai, you can't escape.”Qin Yu's voice came from behind.

Gu Canghai gritted his teeth as he ran, “Qin Yu, what do you want!”

“I said, I will definitely kill you,”Qin Yu said coldly.

Gu Canghai roared angrily, “This is what the Yan family asked me to do. If you want to settle the score, you should go to the Yan family!”

“Don't worry, I will go,”Qin Yu said coldly.

In the next second, Qin Yu directly used shrinking earth into an inch and instantly arrived in front of Gu Canghai.

Their eyes met, and Gu Canghai's heart was abnormally terrified!

He braced himself and said, “What exactly are you going to do to let me go?”

“Don't say such an impossible thing,”Qin Yu said coldly.

Gu Canghai was almost driven mad. He roared, “Qin Yu! Don’t go too far! Don’t think that I’m really afraid of You!”

“Is that so?”Qin Yu sneered.

He walked toward Gu Canghai step by step and said coldly, “Come, let me see what you are capable of.”

Gu Canghai roared angrily, “Good, good! I’ll fight with you!”

Gu Canghai danced wildly as his aura surged. He bent his hands, and a terrifying internal Qi burst forth!

In the next second, Gu Canghai’s figure flashed, and he ruthlessly grabbed at Qin Yu’s chest!

Qin Yu stood there without moving an inch, allowing Gu Canghai’s fingers to grab onto his chest.

“Chi la!”

The instant the fingers collided, his clothes were instantly torn apart!

However, Qin Yu’s body was not damaged at all. Not even a single white scar was left on his body!

“How... how is this possible!”Gu Canghai’s expression was extremely unsightly!

His all-out attack was actually not even able to leave a single white scar?

Just how terrifying was his physical body? !

“Do you have any other tricks?”Qin Yu sneered.

Gu Canghai gritted his teeth. With a furious roar, Black Qi immediately condensed on his hands. At a glance, it was as if these two hands had come from hell!

This was Gu Canghai's ultimate skill, the life-reaping ghost hand!

"Qin Yu, I'm going to kill you!" Gu Canghai roared and immediately grabbed at Qin Yu!

Qin Yu still did not move. His ultimate skill only left a few white marks on Qin Yu's body.

"That's it?" Qin Yu sneered.

"Gu Canghai, the Yan family only raised a trash like you?"

Gu Canghai instantly fell into despair! He knew that there was a certain gap in strength between the two of them, but he didn't expect the gap to be this big!

"Do you still have any other tricks?" Qin Yu said indifferently with his hands behind his back.

Gu Canghai's face was gloomy. He knew that it would be difficult to be kind today.

Therefore, Gu Canghai took two steps back and took a deep breath. Then, he slammed his palm on his chest.

The next second, Gu Canghai spat out a mouthful of blood!

Gu Canghai's hands moved quickly in the air as if he was performing some secret technique!

A terrifying aura gathered between Gu Canghai's hands. The blood that spurted out from his mouth began to merge with the Internal Qi!

"Qin Yu... I'll fight it out with you!" Gu Canghai's eyes widened and his body trembled!

A huge black light seal condensed between his hands!

"I didn't want things to end up like this, but you forced me to..." blood flowed out of Gu Canghai's mouth, and the black light seal in his hands became even heavier.

It was obvious that the pressure this technique exerted on Gu Canghai was extremely great!

The black light seal became even stronger, and Gu Canghai hugged it with both hands, making it seem like a huge mountain!

"This is Gu Canghai's mountain-destroying seal!" Someone recognized this technique and immediately shouted!

"Mountain-destroying seal? It is said that this technique contains the power to destroy the heavens and earth. Even a towering mountain would be destroyed in an instant! Hence, it is called the mountain-destroying seal!"

"But this technique affects the foundation and even the lifespan. It seems that Gu Canghai is really forced into a corner."

Qin Yu put his hands behind his back and quietly watched the light seal in Gu Canghai's hand grow bigger and bigger.

Chapter 566: Chapter 556, the first golden core was in his hands

The black light grew larger and larger, shining brightly under the sunlight.

At a glance, the black light flickered, as if it was a real towering mountain

“I originally didn’t want to be like this... It’s all because you forced me!”Gu Canghai’s mouth dripped with blood as he roared angrily!

Qin Yu sneered, “I should be the one to say this to you.”

“Go to hell!”Gu Canghai was already unable to listen to anything. He roared loudly, and the mountain destroying seal in his hand ruthlessly smashed towards Qin Yu!

“Rumble...”

The instant the light seal was thrown out, it was like a real mountain that was pressing towards Qin Yu!

The rolling might brought about waves of hurricanes in the surroundings. The surrounding people hurriedly retreated, afraid of being affected!

The mountain crushing seal grew increasingly stronger, crushing down from high above!

In front of this mountain crushing seal, Qin Yu’s thin and weak figure appeared extremely weak!

But the powerful aura on his body made people not dare to ignore it! It was truly like Mount Tai collapsing in front of him without any change in expression!

“Rumble!”

The mountain crushing seal was getting closer and closer to Qin Yu. Finally, that enormous light engulfed Qin Yu at this moment!

Qin Yu, who had not moved at all, finally slowly raised his hand.

He slowly clenched his hand, and the golden light instantly exploded!

At this moment, that pair of iron fists seemed to contain the ability to swallow the sky!

“What Bullsh * t mountain-destroying seal, I think it’s nothing more than this!”Qin Yu coldly spat out a sentence, and then suddenly threw a punch, ruthlessly smashing towards the mountain-destroying seal!

“Rumble!”

At the instant of the collision, the world began to produce a huge tremor!

Qin Yu’s fist contained a crushing force, and instantly pierced through that black luster!

“Boom!”

Another explosion sounded, and that extraordinary mountain-destroying seal actually exploded in an instant! Then, it vanished into thin air!

On the other hand, Qin Yu’s expression was calm, and his expression was indifferent, as if he had done something insignificant.

Everyone was dumbstruck, and some of them even swallowed their saliva.

This mountain-crushing seal was destroyed with just one punch ? !

One had to know that this was Gu Canghai's trump card!

"How... how is this possible..."

At this moment, Gu Canghai was completely in despair!

Even if he gave it his all, he still couldn't defeat Qin Yu's casual punch!

The gap between the two of them had reached an irreparable state!

Qin Yu looked at Gu Canghai coldly and said, "Is this your ability? It's only so-so."

Gu Canghai was completely terrified. Cold sweat was dripping down his forehead and his entire body was trembling. In the end, he even knelt in front of Qin Yu with a plop!

At this moment, Gu Canghai no longer had the slightest bit of arrogance. Instead, he was like an ordinary old man, completely different from the high and mighty sect master of the Saint Confucian school.

"Qin Yu... spare me..." Gu Canghai knelt on the ground, his entire body trembling as he wept bitterly.

Qin Yu sneered, "Do you think that's possible?"

Gu Canghai suddenly raised his head. He thought of something and shouted, "Qin Yu, I... I have three ten-thousand-year-old herbs! I can give them to you!"

Qin Yu shook his head and said, "If I kill you, those herbs will still be mine."

Gu Canghai was extremely flustered. He was desperately thinking, trying to find a condition that could move Qin Yu.

“I . . . I still have hundreds of millions of family assets! I can give them to you, as long as you spare my life!” Gu Canghai said anxiously.

Qin Yu sneered, “Gu Canghai, don’t say these useless things. You’d better give me your last words.”

However, how could Gu Canghai give up? It was not easy for him to climb to his current position. In order to step into the Marquis of Wu, he had sacrificed a lot!

“Qin Yu, don’t you have a grudge with the Yan family? I . . . I know a lot of information about the Yan family. I can provide it to you!” Gu Canghai said desperately.

“You can even . . . you can even be a spy! When the time comes, we can cooperate from the inside and the outside!”

Qin Yu narrowed his eyes and said, “Gu Canghai, if I’m not wrong, the Yan family has already given up on you, right?”

Hearing this, Gu Canghai’s expression suddenly changed! A trace of panic flashed through his eyes!

Qin Yu continued, “If the Yan family had not given up on you, you would not have gone to look for Shen bin.”

Gu Canghai was in despair. All his conditions were unable to move Qin Yu. He was afraid that he would not be able to escape death today.

“You can’t kill me, you can’t kill me...”Gu Canghai shook his head non-stop.

“It wasn’t easy for me to become a marquis. It wasn’t easy for me to become the sect master of the Saint Confucian School!”Gu Canghai roared with a hint of madness!

“In order to become a marquis, I became the slave of the Yan family. My Life is worse than a dog! I Can’t just Die Like This!”

Qin Yu looked at Gu Canghai coldly and didn’t say a word.

Gu Canghai seemed to have gone mad. He raised his head and roared, “Yan family, you are not human! I became the slave of the Yan family and worked hard without complaint. Now, you have turned against me!”

“Yan Sihai, you are a beast!”

The painful roar spread throughout the entire world.

However, Qin Yu didn’t feel any sympathy in his heart.

Since he had submitted to capital, he would be abandoned by capital sooner or later.

The path he had chosen, he had to bear the consequences.

“Good, good. If you want me to die, none of you will be able to live!”Gu Canghai’s face was filled with madness!

One could see that his aura was expanding, and there was even an internal qi surging rapidly in his abdomen!

A destructive energy was quietly gathering!

“Not good, this Gu Canghai wants to self-destruct!” At this moment, someone seemed to have guessed something!

As soon as he said this, everyone turned pale with fright and fled!

Qin Yu looked coldly at Gu Canghai and said, “If you want to self-destruct, I’m afraid you won’t have the chance!”

Before he finished his words, Qin Yu’s palm flashed with golden light, and his physical strength was unleashed to the extreme!

“Pa!”

A sharp slap landed on Gu Canghai’s head!

“Kacha!”

With just one slap, Gu Canghai’s head was directly shattered!

His body was like a deflated rubber ball, instantly wilting.

And Gu Canghai’s pupils rapidly turned gray, no longer showing any signs of life.

The great and formidable Gu Canghai had died just like that.

The surroundings gradually calmed down. While everyone was panicking, they could not help but sigh.

Who would have thought that Gu Canghai, who was still awe-inspiring a few days ago, would turn into a skeleton in the blink of an eye.

“There really are talented people emerging from every generation.” Someone sighed slightly.

Qin Yu looked at Gu Canghai, who was kneeling on the ground in front of him, and a hint of excitement flashed across his face.

“It’s time to test the effect of this golden core,” Qin Yu whispered.

He had been looking forward to this day for too long! The golden core had long been nurtured in Marquis Wu’s body, and this golden core was very likely the fastest way to increase his cultivation!

Qin Yu slowly raised his hand and slapped Gu Canghai’s lower abdomen.

His lower abdomen immediately exploded! A pearl the size of a marble flickered in the Dark Dantian.

Qin Yu stretched out his hand and the golden core fell into his palm.

“Is this the Golden Core?” Qin Yu was very excited.

Chapter 567: Chapter 567: the destruction of the sacred Confucian school

The golden core in Qin Yu’s palm shimmered with light, and a dense qi/spiritual energy was irresistible.

This was a martial marquis’ lifetime worth of Qi/spiritual energy, and its density was beyond imagination!

With the golden core, Qin Yu didn’t even need to rely on the heaven swallowing technique! Moreover, its effect was far above the heaven swallowing technique!

Qin Yu caressed the golden core, and without wasting any time, he immediately swallowed it into his stomach!

The golden pill immediately exploded in Qin Yu's Dantian! A dense qi/spiritual energy instantly filled the entire dantian!

"Awesome!" Qin Yu could not help but shout out!

This feeling far surpassed that of a panacea!

As long as he slaughtered enough Marquis Wu, Qin Yu had no doubt that he would be able to become a martial saint in the fastest time possible!

The surrounding people were still gathered here. They looked up at Qin Yu with respect and fear in their eyes.

Qin Yu glanced at them and didn't stay any longer. He turned around and left.

Gu Canghai was dead.

His miserable appearance before his death also spread!

From then on, it represented the rise of the younger generation at the bottom!

Qin Yu came all the way to the main hall of the Saint Confucian school.

Inside the Saint Confucian school, countless people were trembling with fear.

Looking at this young man in front of them, they were afraid from the bottom of their hearts.

Qin Yu glanced at them and said indifferently, "From today onwards, the Saint Confucian school will be renamed as the Jade Moon Villa. Those

who are willing to stay will be the people of the Jade Moon Villa. Those who are not willing to stay can leave now.”

Everyone looked at each other and found it difficult to make a decision.

“I’m willing to stay!” At this moment, Deng Sheng shouted!

With Deng Sheng taking the lead, the others also shouted, “I’m also willing to stay!”

Out of the hundreds of people in the Saint Confucian school, most chose to stay.

Those who had received Gu Canghai’s favor before naturally left.

...

In the main hall, Qin Yu sat on Gu Canghai’s former seat, holding a few documents in his hands.

These documents were the properties of the Saint Confucian school.

Looking at the categories of these properties, Qin Yu couldn’t help but sigh.

As expected of the number one sect in the north, the assets under its banner were simply beyond imagination!

Now, the Jade Moon Villa had replaced the Saint Confucian school and become the number one sect in the north!

This represented the strongest power of the martial arts in the north!

However, Qin Yu was also very clear in his heart that it was impossible to go against the aristocratic families with just martial strength.

This was because all along, the sects had only been working for the aristocratic families. They were only pawns raised by the aristocratic families.

If they wanted to truly challenge the Yan family and the Han family, they would also have to draw in the powers of various worlds.

“Mr. Qin, do you still remember what you said before... that you wanted me to be the sect master of the Saint Confucian School?” At this moment, Deng Sheng, who was at the side, said with an embarrassed smile.

Qin Yu glanced at him and said indifferently, “Of course I remember.”

Deng Sheng was immediately overjoyed when he heard this. He hurriedly said, “Thank you, Mr. Qin!”

Qin Yu sneered and said, “Unfortunately, the Saint Confucian school no longer exists. This is the Green Moon Villa.”

Deng Sheng’s expression changed. He probed, “Mr. Qin, what... What do you mean?”

Qin Yu put away the document, stood up and said, “If you are willing to stay, I can give you the position of an elder. If you are not willing, you can follow the late Saint Confucian school.”

Deng Sheng’s face was extremely ugly. He never thought that this would be the end result.

After a long time, he was still an elder. There was no change at all.

“I . . . I am willing to stay.”Deng Sheng had no choice but to bow and submit.

Qin Yu ignored him. He called Zhen Yue that day and asked her to take over the Saint Confucianism sect.

In the evening, Zhen Yue brought a few core members of the Green Moon Villa to the Saint Confucian sect.

Looking at the huge Saint Confucian sect, Zhen Yue felt a little surreal for a moment.

“Deng Sheng, Zhen Yue is the sect master of the Green Moon Villa. From today on, you have to assist her,”Qin Yu said coldly.

Deng Sheng didn't dare to say anything more. He hurriedly nodded and said, “Yes, Mr. Qin.”

Zhen Yue said awkwardly, “Mr. Qin, let's forget about it. I'll give you the position of sect master...”

“No, I promised you.”Qin Yu shook his head.

Zhen Yue sighed and didn't know what to say for a while.

...

Jingdu, Han family.

After recuperating for so many days, Han Wei's injuries finally improved.

He sat on the sofa, but his heart was filled with anxiety.

“Dad, quickly arrange training for me. I want to step into the Marquis realm before Qin Yu!” Han Wei said coldly.

Han Meng walked over from the side. He opened his mouth, not knowing how to speak for a moment.

“Dad, What’s Wrong?” After seeing Han Meng’s expression, Han Wei couldn’t help but frown.

Han Meng sighed slightly and said, “Qin Yu... Qin Yu has already stepped into the Marquis of Wu. Gu Canghai died in his hands.”

Upon hearing this, Han Wei suddenly sat up from the sofa!

His eyes widened, and his face was filled with pain and disbelief!

“He... he actually stepped into the Marquis of Wu...” the veins on Han Wei’s forehead bulged, and his fists were clenched tightly!

Han Wei couldn’t figure out how Qin Yu, who he had trampled under his feet last year, could widen the gap between them in such a short period of time!

Han Meng patted Han Wei’s shoulder and said, “Don’t worry. Ma Hai has already set off. It won’t be long before Qin Yu becomes a corpse.”

Although that was the case, Han Wei was still unwilling to accept it.

He thought that he was the proud son of Heaven and didn’t lose to anyone, but now he was completely pulled away by a bottom-level person! How could he accept this!

“Qin Yu... Qin Yu! !” Han Wei was extremely angry and couldn’t help but raise his head and Roar!

...

Green Moon Villa.

After Qin Yu arranged Zhen Yue, he was about to call Yao Qing and ask him and Tao Zi to come to Green Moon Villa.

At this moment, Qin Yu's phone rang first.

He picked up the phone and saw that the caller was Teng Gongzi from sea city.

Qin Yu picked up the phone and smiled, "Mr. Teng, why are you calling me?"

Teng gongzi chuckled, "Qin Yu, I heard that Gu Canghai died? You did well."

Qin Yu said politely, "Mr. Teng, you flatter me."

On the other end, Duke Teng indifferently said, "You have some ability. I acknowledge you. From today onwards, I will allow you to become a part of my Teng family and work for the TENG family!"

"As long as you have my Teng family as your background, you will definitely have the chance to wrestle with the Yan family!"

Hearing this, Qin Yu frowned.

He was silent for a moment and said, "Mr. Teng, are you mistaken? You and I are only partners, not subordinate to the TENG family."

Duke Teng's voice immediately sank.

He said coldly, “Qin Yu, what do you mean by that?”

Qin Yu frowned and said, “I told you clearly from the beginning, right? We are only cooperating to achieve our goals. There is no relationship between us.”

Duke Teng said angrily, “Cooperate with me? You Want to cooperate with me? Qin Yu, even the Saint Confucian school was only a subsidiary sect of the Yan family. Now you want to be on equal footing with me? !”

Hearing this, Qin Yu’s tone gradually darkened.

“The Saint Confucian school is the Saint Confucian school, and I am me. Gu Canghai is willing to be a dog, but I am not willing,” Qin Yu said coldly.

“Good, good!” Duke Teng flew into a rage.

He sneered, “I want to see how far you can go without the support of capital!”

“Also, Qin Yu, let me tell you, you have offended me!”

Chapter 568: Chapter 568, your golden core, I want it

After the phone call, Qin Yu couldn’t help but want to laugh.

These assets always wanted to be above others and turn everyone into their tools.

For Qin Yu, this was absolutely unacceptable. Gu Canghai was a good example.

Then, Qin Yu picked up his phone and called Yao Qing.

After the call was connected, Qin Yu said, “Yao Qing, you and Peach will set off tomorrow. Come to Cang City.”

“Qin Yu, I’ve finally found you...”

However, a gloomy voice came from the other end.

Qin Yu frowned slightly. “Who are you?”

“Me? Someone paid me to kill you, but I couldn’t find you, so I could only come to your house and wait for You,” the other party said faintly.

“Oh, let me introduce myself. You should have heard of my name. I’m Ma Hai.”

Qin Yu said coldly, “What Ma Hai and donkey hai? Who Are You?”

On the other end, Ma Hai was stunned. Then, he couldn’t help but sneer, “You actually haven’t heard of my name? It seems that your world isn’t wide...”

“What did you do to Yao Qing and Peaches?” Qin Yu didn’t have the mood to listen to his nonsense.

Ma Hai said indifferently, “If you came back early enough, they shouldn’t be dead. But if you continue to hide, it’s hard to say...”

“Okay, wait for me in Chuzhou. I’ll go back immediately,” Qin Yu said coldly.

After hanging up the phone, Qin Yu turned his head and left the Green Moon Villa, heading straight for Chuzhou.

...

Chuzhou.

Ma Hai sat cross-legged in the courtyard, looking like an otherworldly expert.

He held a small teapot in his hand and sipped it from time to time.

This teapot not only could drink water, but it was also an extraordinary magical artifact!

It was said that this magical artifact was snatched from the hands of a marquis, and contained a trace of the power of Heaven and earth.

Using the power of Heaven and earth to brew tea was enough to show how extravagant Ma Hai was.

“As long as you are obedient, I won’t kill you.”Ma Hai glanced at Yao Qing and Peaches who were lying on the ground and said indifferently.

Peaches’face was full of tears and her delicate body trembled slightly.

Yao Qing clenched his fists and was extremely angry!

This Ma Hai was extremely vicious. He left a shocking scar on peaches’ delicate face and a scar in Yao Qing’s Dantian!

Looking at the two people’s pained expressions, Ma Hai seemed to enjoy it.

“Fellow Daoist, I’ve come to look for you again.”At this moment, a figure suddenly appeared at the door.

This person was none other than the handlebar mustache.

The moment the handlebar mustache entered the door, he saw the scene in front of him.

He coughed dryly and said with an embarrassed smile, "Sorry, I've come to the wrong door."

After saying this, the moustache man turned around and was about to run away.

Ma Hai's expression turned cold, and he snorted lightly, "Since you're here, then come and accompany them."

As he spoke, Ma Hai raised his finger slightly and pointed forward.

In an instant, a terrifying force rippled out like water ripples.

Then, a powerful killing force rushed straight at the Moustache Man!

"I'll Go!" The handlebar mustache trembled and then ran away.

In the blink of an eye, the handlebar mustache disappeared without a trace.

This couldn't help but make Ma Hai frown slightly.

"What a fast speed," Ma Hai said in a low voice.

Although it was only a follow-up attack, it was, after all, the work of an old martial marquis.

Being dodged so easily, it couldn't help but make people suspicious.

"Who was that person just now?" Ma Hai Glanced at Yao Qing on the ground and asked.

Yao Qing gritted his teeth and said, “It was your father!”

Ma Hai was not angry. He smiled faintly and said, “His strength is not necessarily much, but his temper is not small. Aren’t you afraid that I will kill you?”

“If you kill me, Mr. Qin will definitely kill you!” Yao Qing roared angrily.

Ma Hai laughed loudly and said, “When I dominated the world, that Qin Yu was probably not even born yet.”

“Old Fart, stop bragging. Don’t think that I don’t know that you are someone else’s dog!” Yao Qing cursed.

Ma Hai narrowed his eyes slightly and said darkly, “Looks like you are really not afraid of death. Alright, then I will send you on your way First!”

After saying that, Ma Hai raised his finger, and a terrifying force gathered on his finger.

“Chi la!”

Ma Hai pointed his finger forward lightly, and a sharp ray of light headed straight for Yao Qing’s glabella!

At this critical moment, a thumb ring shot out from not far away!

“Clang!”

This thumb ring happened to block in front of Yao Qing’s glabella!

Ma Hai frowned slightly. He was about to say something when he saw the mustached man standing at the door with a wretched look on his face.

“Fellow Daoist, you don’t want to kill people,” the mustached man said with an embarrassed smile.

Ma Hai’s face was slightly cold. He narrowed his eyes and said, “I let you escape just now, and you still dare to meddle in other people’s business? I think you are courting death!”

After saying that, Ma Hai waved his big palm, and a terrifying qi force rushed toward the mustached man!

The handlebar mustache’s expression changed. He hurriedly took out his magic tool and threw it at Ma Hai.

“Clang!”

Ma Hai’s spell was canceled out again!

And the handlebar mustache’s magic tool also shattered.

“It’s over, it’s over. I threw it wrong. This magic tool is my beloved thing. I can’t Throw It!” The handlebar mustache said with a pained expression.

Ma Hai’s expression became even colder. He slowly stood up and said with narrowed eyes, “Kid, you’ve completely infuriated me.”

The mustached man said fawningly, “Fellow Daoist, don’t be anxious. We can sit down and chat. How about... we find a place to have a drink? It’s Your Treat!”

“F * ck you!” Ma Hai was thoroughly enraged!

He raised his palm, and countless spells instantly pressed down on him in all directions!

The mustached man shivered and continued to take out a magical artifact from his spatial artifact and throw it over.

In an instant, copper pots, rings, and Jade Stones flew all over the sky.

“Bang, Bang, Bang!”

One after another, the spiritual artifacts exploded in the air. The handlebar mustache felt his heart ache as he looked at them.

“F * ck, these spiritual artifacts are my true love!”The handlebar mustache looked like he wanted to cry, but no tears came out.

Meanwhile, Ma Hai’s face became even gloomier.

How could he not be angry when he couldn’t take down an unknown kid for a long time!

“Fellow Daoist, let’s stop here. If we continue to throw down my collection of decades, it will be gone!”The handlebar mustache kept waving his hand.

Ma Hai was getting angrier and angrier!

This kid in front of him clearly seemed to be playing with him!

A murderous aura burst out from Ma Hai’s body.

He took a deep breath and said, “I don’t care who you are. Today, I will definitely kill you!”

“That depends on whether you have the ability or not!”

At this moment, a cold voice came from the distance, followed by a golden light coming straight at his face!

Ma Hai did not dare to be negligent. His feet shook and he immediately dodged to the side!

“Qin Yu, you are finally back,”the mustached man said hurriedly.

“This old bastard broke more than ten of my magical artifacts. You have to pay me back!”The mustached man said seriously.

Qin Yu didn't pay attention to the Mustache Man.. He glanced at Yao Qing and Peaches on the ground and said coldly, “Your golden core belongs to me.”

Chapter 569: Chapter 569, facing off against Ma Hai

His arrogant tone made ma hai burst into laughter.

“Kid, do you know who I am? No one dares to be so arrogant in front of me!”Ma Hai said coldly.

“Who you are has nothing to do with me. I just want to know who asked you to come.”Qin Yu questioned coldly.

Ma Hai narrowed his eyes and said with some displeasure, “Are you looking down on me? No one in the world dares to look down on me like this!”

Before he could finish his words, Ma Hai had already clenched his fist and came over!

The terrifying qi force instantly brought about gusts of violent wind!

As a half-step martial marquis, Ma Hai's strength could not be underestimated. His casual punch caused the air to buzz!

“Pa da!”

However, just as his fist was about to Touch Qin Yu, it was easily caught by Qin Yu.

Ma Hai was stunned. Before he could react, a golden light had already appeared in front of his eyes!

Qin Yu clenched his Golden Fist and smashed it on Ma Hai's chin from the bottom up!

With this punch, Ma Hai's body flew up into the air and his chin was almost shattered!

He rolled in the air and stabilized his body with great difficulty.

Then, Ma Hai touched his chin and said coldly, “You are really not simple.”

Qin Yu just stood there quietly. There was not a single trace of internal Qi fluctuation from his body.

Ma Hai narrowed his eyes and stretched out his finger. Rays of light shot toward Qin Yu like bullets!

Qin Yu was expressionless and allowed the rays of light to fall on his body!

“Clang! Clang! Clang!”

The sound of metal colliding could be heard continuously!

Qin Yu was carrying these rays of light as he walked towards Ma Hai
Step by step.

Ma Hai's expression changed drastically!

Just his physical body alone was able to withstand a spell? What kind of
physique was this?

“As expected of a chaos body!”The mustached man at the side couldn't
help but be flabbergasted!

The strength of this physical body had completely exceeded the scope of
understanding!

“How could this child's physical body be so strong!”Ma Hai immediately
retreated!

With such a tough body, he definitely could not fight with his body!

Ma Hai raised his finger again, and a red light immediately condensed on
his fingertip!

The light slowly condensed on his fingertip, and a huge wave of light
rapidly crushed toward Qin Yu!

Qin Yu was expressionless. He raised his palm and casually slapped
over.

“Crack!”

The light ball that Ma Hai condensed was shattered by Qin Yu's casual
slap!

“How... how is this possible!”Ma Hai sucked in a breath of cold air, and his face instantly turned extremely ugly!

What kind of F * cking body was this? It was actually so tough to such an extent?

Even ye Qingjiang he couldn't do it, right?

“You... Who Are You!”A trace of panic flashed in Ma Hai's eyes.

Qin Yu's expression was ice-cold, and his eyes were filled with killing intent.

Without saying a word, his figure suddenly disappeared, and in the blink of an eye, he was in front of Ma Hai.

“Pa!”

The extremely fast speed caused ma hai to be unable to react in time, and his face received a vicious slap!

This slap was also Qin Yu's pure physical strength, but it directly shattered Ma Hai's face bone!

Fresh blood flowed down from his shattered face!

“How... how could this be...”Ma Hai was incomparably panicked!

Just his physical strength alone was already so tyrannical, then how terrifying was his full strength? !

He didn't dare to imagine!

“Tell me who told you to come, I’ll let you die a quick death.”Qin Yu was like a demon, walking step by step towards Ma Hai.

As an old martial marquis, Ma Hai had never suffered such humiliation.

He waved his hand, and a long sword appeared in his palm.

The long sword flickered with a dark light in the darkness, and a cold intent came from the sword light.

“Black Iron Sword?”The Mustache Man raised his eyebrows.

Then, he shouted to Qin Yu, “Fellow Daoist, this is black iron sword. It is known to cut iron like mud. You must be careful.”

Qin Yu ignored him and continued to look at Ma Hai coldly.

Ma Hai gritted his teeth and said coldly, “I want to see how strong your body is!”

After he said that, Ma Hai’s Qi began to fluctuate, and countless internal Qi surged into the sword!

“Buzz!”

The blade of the sword suddenly flashed, and traces of Senhan’s aura rippled on the sword.

“Go to hell!”Ma Hai Roared, and the sword in his hand slashed at Qin Yu!

Qin Yu’s eyes turned cold. He suddenly reached out his hand and grabbed the blade!

Ma Hai was overjoyed!

He had used this sword to flatten a mountain, let alone Qin Yu's body!

"Arrogance will pay the price!" Ma Hai roared crazily!

"Clang."

However, in the next second, Ma Hai's expression froze on his face!

Qin Yu's palm flashed with golden light, and the blade of the sword was forcefully grabbed in his hand.

Traces of blood flowed down his palm, but he could not move a single inch!

"To be able to cut through my skin, it is indeed a good sword," Qin Yu said coldly.

Ma Hai's pupils constricted, and his face was filled with shock!

He had lived for dozens of years, but he had never seen such a hard body!

"The chaos body is really abnormal." The mustached man could not help but shrug his shoulders.

Ma Hai's face was extremely gloomy. He immediately made a decision and quickly threw down the sword and shot backward!

"I must not let this child touch me." Ma Hai took a deep breath.

Then, he saw a burst of light under Ma Hai's feet. Rays of light spread out in all directions with his feet as the center.

In a few short moments, this light covered a radius of several hundred meters!

Ma Hai took a deep breath. Then, his body became extremely light!

“This child’s physical body has reached an unimaginable level, but it’s not impossible to kill him.”Ma Hai thought to himself.

“As long as I keep a distance from him and use a spell, I will definitely be able to kill him!”

Qin Yu saw through Ma Hai’s intentions and said coldly, “You keep saying that you’re some old martial marquis, but now you can’t even get close to him? Is that all you have?”

Ma hai sneered and said, “So what? Killing people doesn’t necessarily depend on strength, and brains are also very important!”

Qin Yu narrowed his eyes and said, “Your idea is not bad, but unfortunately, it’s useless against me.”

As he spoke, Qin Yu directly used shrinking earth into an inch and rushed towards Ma Hai!

But what was surprising was that Ma Hai’s figure suddenly disappeared from where he was and quickly hid a few meters away!

His speed was even faster than shrinking earth into an inch!

“Hahahaha!”Ma Hai could not help but burst into laughter.

“Qin Yu, so what if you have the power of the heavens? You Can’t touch me at all!”Ma Hai was extremely proud.

“But I can use spells to slowly exhaust you to death!”

After saying that, Ma Hai suddenly pushed forward with both hands, and a terrifying force came from all directions!

Ma Hai relied on his exquisite spells to continuously attack Qin Yu.

Every time Qin Yu tried to approach him, his figure would quickly disappear.

In the blink of an eye, Ma Hai had already cast hundreds of spells!

Even though Qin Yu’s physical body was incomparably strong, under this spell, his body was still in pain, and many wounds even appeared.

“It worked.” Ma Hai could not help but sneer.

At this moment, Ma Hai finally relaxed.

He smiled lightly and said, “Qin Yu, to tell you the truth, in the Martial Marquis realm, I have never lost. Unless you are a martial saint, you can forget about defeating me!”

Chapter 570: Chapter 570, Yan Ruoxue’s current situation!

Qin Yu remained silent.

This Ma Hai had been deliberately keeping a distance from Qin Yu. Even shrinking the ground to an inch would not be able to catch up to him.

“Heavenly saint’s Hand!”

At this moment, Ma Hai attacked once again!

He waved his large palm, and a fiery red palm suddenly appeared in front of Qin Yu!

This palm was extremely fast, and in the blink of an eye, it covered Qin Yu's body!

Ma Hai seemed to be able to control this large hand. As he clenched his hands, Qin Yu was immediately grabbed tightly by this hand!

"Next, it will be my torture on you," Ma Hai said with a grin.

His mouth opened slightly, and a strange sound came out from his mouth.

"HM? Motherf * cker, it's a spiritual sense attack," the mustached man thought to himself, and hurriedly covered his ears.

On the other hand, Qin Yu didn't feel so good.

His body was caught by this big hand and couldn't move at all.

The strange sound from Ma Hai's mouth kept entering Qin Yu's ears.

For a moment, Qin Yu felt his head go numb and his spiritual sense buzzed.

Ma Hai struck while the iron was hot. His palm moved for a while and took the black iron sword again.

Then, Ma Hai waved the black iron sword again and slashed at Qin Yu in the air!

"God slaying Slash!"

Accompanied by Ma Hai's explosive shout, a sword ray that was several feet long instantly slashed towards Qin Yu!

"Chi la!"

The Sword Ray landed on Qin Yu's shoulder, instantly sinking several centimeters, revealing the ghastly white bones!

"Hahahaha!" Ma Hai could not help but laugh wildly.

"Qin Yu, I will slowly torture you to death!" Ma Hai grinned and said.

"Is that so?" Qin Yu narrowed his eyes. His entire body shook, and a terrifying internal Qi burst out. The large hand that covered his body was directly shattered!

Ma Hai's expression turned cold. He snorted coldly and said, "So what if you can escape? You Can't touch me at all!"

Qin Yu swept his gaze around. He pointed at the light in a radius of dozens of meters and said, "Your speed is so fast because of the light under your feet, right?"

Ma Hai's pupils constricted, and he secretly thought that something was wrong.

But he quickly calmed down and sneered, "So what if it is?"

"This should be a space spell," Qin Yu continued.

Ma Hai frowned slightly. Obviously, Qin Yu was right again.

"It seems that the same principle should apply to my heavy falling space." Qin Yu sneered again and again, and then burst into laughter.

“What are you laughing at!”Ma Hai was furious!

This laughter made him feel extremely uneasy!

Qin Yu sneered and said, “Ma Hai, you’re right. Fighting doesn’t depend entirely on one’s realm, it also depends on one’s brain.”

As he spoke, Qin Yu’s feet shook slightly. In an instant, rays of light began to gather under Qin Yu’s feet!

This was the light from the heavy falling space! All along, the heavy drop space that Qin Yu could cast only had a radius of one meter!

But after seeing Ma Hai’s spell today, Qin Yu suddenly reacted!

This heavy drop space might be able to expand the range!

“Ah! !”

Qin Yu roared angrily, and the power of a Marquis completely erupted!

And the light under his feet was also rapidly spreading in all directions!

In a short moment, the heavy falling space directly covered the light under Ma Hai’s feet!

Not only that, the heavy falling space was also spreading in all directions!

Very quickly, the heavy falling space directly covered an area of one kilometer!

“F * ck, why do I feel like I Can’t move anymore?”The handlebar mustache at the side muttered.

And Ma Hai also discovered to his horror that his speed had decreased!

“How... how could this be!” Ma Hai’s expression was somewhat ugly!

Qin Yu sneered and said, “Ma Hai, if it wasn’t for you, I might never have thought that the area of the heavy fall could be so large...”

“In order to repay you, I can let you die a quick death.”

Before he finished his sentence, Qin Yu directly used the shrinking earth into an inch and charged towards Ma Hai!

Ma Hai knew that things were not going well. He tried the same trick again, trying to increase the distance between them.

However, to his horror, he realized that his speed was far from the previous one!

“It’s over!”

Ma Hai’s heart was filled with terror!

Before he could think of a countermeasure, Qin Yu had already arrived by his side.

The Golden Palm cut through the sky and slapped onto Ma Hai’s body with a “PA” sound!

The strength of this palm was so great that it directly shattered half of Ma Hai’s body!

“AH...” a trace of pain wailed from Ma Hai’s mouth!

However, Qin Yu did not give him the chance to do so and sent another palm strike at him!

“Boom!”

That piece of ground directly sank, and Ma Hai’s body was almost smashed into meat paste!

“Ah! ! !”Ma Hai was extremely furious. He took out his teapot and offered it to Qin Yu!

Qin Yu did not even bother to look at it. He directly smashed the teapot with one punch and then kicked Ma Hai’s chest in the air!

“PFFT!”

This kick directly smashed Ma Hai’s chest!

Qin Yu picked up his body with one hand and bent it from left and right.

With each slap, Ma Hai’s face would change shape once.

After more than ten slaps, Ma Hai’s head was directly smashed into pieces.

His internal Qi was also rapidly weakening, and in the blink of an eye, he had become a corpse.

Qin Yu coldly looked at Ma Hai in front of him. He stretched out his palm and took out Ma Hai’s golden core. Without thinking, he directly swallowed it into his stomach.

“It’s too brutal,”the handlebar mustache not far away muttered.

Qin Yu did not pay attention to it. He walked to Yao Qing and Peach's side and helped them up.

"How is it?" Qin Yu asked.

Yao Qing said with a bit of pain, "Mr. Qin, My Dantian is damaged. I... I'm afraid I'm going to be a cripple..."

Hearing this, Qin Yu's face immediately turned ugly!

"This Ma Hai..." Qin Yu gritted his teeth.

If he had known earlier, he wouldn't have killed Ma Hai so easily!

Qin Yu took a deep breath and said, "Don't worry. I'll definitely think of a way."

Peach's situation was not good either. She was as beautiful as a flower, but her face was disfigured. For a girl, this was undoubtedly painful.

"I will send you to the Divine Alchemist Pavilion Tomorrow. No matter what, I will think of a way for you," Qin Yu said in a deep voice.

Then, Qin Yu looked at the handlebar mustache and said, "Why are you here?"

The handlebar mustache muttered, "Didn't you ask me how to save that girl? I finally figured out a way."

"Fang Yue?" Qin Yu raised his eyebrows.

Then, he hurriedly asked, "What Way?"

The handlebar mustache opened his mouth. Just as he was about to speak, a text message came from Qin Yu's phone.

Qin Yu frowned slightly and took out his phone.

In the text message, there was a video.

Seeing this video, Qin Yu's face instantly turned pale! Even his body began to tremble slightly!

In the video, Yan Ruoxue was locked in a prison.

Her face was deathly pale. Tubes that were like chains were placed on each of Yan Ruoxue's acupuncture points!

And the fresh blood in her body was flowing out through the tubes!

Chapter 571: Chapter 571, breaking into the Jingdu Martial Arts Association!

Qin Yu stared fixedly at this video. His entire body was trembling violently!

A terrifying killing intent directly erupted!

This killing intent was at an unprecedented peak. It directly sent the handlebar mustache and the others flying!

"Ruoxue..." Qin Yu shivered. His eyes were scarlet. His entire person looked like a beast that had lost its human heart!

"Fellow Daoist, you're too scary." The Mustache Man hurriedly jumped to the side, afraid that he would be affected.

Qin Yu took out his phone and immediately called the person who sent the message.

The call was quickly picked up, and a somewhat familiar man's voice came from the other end.

“Who are you? How did you get this video? Also, where is Ruoxue Now!” Qin Yu questioned in a voice that was almost hoarse.

A cautious voice came from the other end.

He said on the phone, “Qin Yu, I Am Yan Yongxiu.”

“Yan Yongxiu...” Qin Yu whispered.

He didn't expect that the person on the phone was Yan Ruoxue's father.

Qin Yu couldn't help but be angry at the bottom of his heart. he shouted angrily, “Yan Yongxiu! You Coward! Don't you feel anything when you see Ruoxue suffer? ! Do you want to Be Yan Sihai's dog forever? !”

Yan Yongxiu did not get angry at Qin Yu's abuse.

He said in a deep voice, “Qin Yu, I'm also helpless.”

“All along, Yan Sihai's influence has been extremely strong. Moreover, he has been planning to become the Yan family for a long time.”

“Now, I have long been vacant. Although I'm said to be one of the four leaders of the Yan family, I'm actually just a puppet. The power that I can use is almost zero.”

Qin Yu did not speak, waiting for Yan Yongxiu to continue.

Yan Yongxiu continued, “Ever since Yan Sihai became the Yan family, he no longer cares about Ruoxue’s life or death.”

“This time, Ruoxue was taken away by the Jingdu Martial Arts Association. Yan Sihai did not pay any attention to it. In the entire Yan family, no one knows what happened to Ruoxue and what kind of situation she is facing.”

“I’ve already used almost all my connections to get this video.”

Yan Yongxiu’s tone was somewhat sorrowful and painful, and even slightly trembling.

“Qin Yu, I take back my prejudice against you,” Yan Yongxiu said in a trembling voice.

“I only have Ruoxue as my only daughter. Right now, the only person I can count on is You...”

“Qin Yu, no matter what, you have to save Ruoxue. I beg you...”

Yan Yongxiu finally could not hold it in any longer and started sobbing softly over the phone.

Qin Yu’s expression was ice-cold and he could not contain his anger.

He took a deep breath and said, “There’s no need for you to say it. No matter what, I will save Ruoxue.”

After saying this, Qin Yu directly hung up the phone.

He took a deep breath, but the anger in his heart was still hard to restrain.

“Handlebeard, take the two of them to the Divine Alchemist Pavilion.” Qin Yu took out his elder token and handed it to handlebeard.

After handlebeard took the token, his eyes couldn't help but light up. He said with an embarrassed smile, “Fellow Daoist, this is the Divine Alchemist Pavilion's elder token. Aren't you afraid that I will take the token and run away? Or do something bad?”

Qin Yu looked at him coldly and said, “Then I'll definitely kill you.”

The mustached man shivered and rolled his eyes. “I'm just joking. Don't be so excited.”

“By the way, where are you going? I still have something to tell you,” the mustached man said mysteriously.

Having said that, he moved closer and said secretly, “This is a huge matter! Even the Jingdu Martial Arts Association doesn't know about it!”

Qin Yu said coldly, “I want to go to the martial arts association. Nothing is more important than saving Ruoxue.”

“Ruoxue?” The mustached man touched his chin.

It was obvious that he had heard of Yan Ruoxue's name.

“Since ancient times, heroes can not overcome beauties,” the mustached man muttered.

Qin Yu was not in the mood to listen to his nonsense. Whenever he thought of the scene in the video, Qin Yu's heart felt like it was being twisted by a knife.

“Jingdu Martial Arts Association...”Qin Yu clenched his teeth tightly.

At this moment, his hatred had reached its peak!

Not only to Jingdu martial arts association, but also to the Yan family!

“I will definitely let you die, Let You Die!”Qin Yu almost gritted his teeth!

That night, he went straight to the airport and headed straight to Jingdu.

As the most authoritative organization in the martial arts world, almost no one dared to challenge the Jingdu Martial Arts Association.

At least in the martial arts world, no one would choose to offend the Jingdu Martial Arts Association.

But no one expected that a young man was going to the Jingdu Martial Arts Association alone.

Early in the morning.

It was quiet in front of the Jingdu Martial Arts Association.

But in this quiet, there was a bit of strictness.

“Okay, it’s time to change shifts.”Two people walked out of the Jingdu Martial Arts Association.

The other two yawned and said, “I’ve been sleepy for a long time. I’ll leave it to you guys.”

Looking closely, these few people in charge of guarding the door were actually peak grandmasters!

This was enough to prove the strength of the Jingdu Martial Arts Association

It was said to be guarding the door, but in reality, it was just standing guard. This was because in all these years, no one had ever forcefully barged into the Jingdu Martial Arts Association.

However, at this moment, a figure walked straight towards the door.

His entire body was overflowing with killing intent. Even from a few Li away, he could feel an intense chill!

Even though he was alone, he gave people a sense of intimidation that was akin to an army of thousands of horses!

“Who are you? Stop!” The two security guards immediately shouted.

Qin Yu’s expression was ice-cold, and he didn’t say a word.

“I said Stop!” The two people were instantly enraged, and they took a step forward together!

“This is the important place of the Jingdu Martial Arts Association. No one is allowed to get close to it!”

“If you don’t want to die, get lost!”

Qin Yu looked at the two of them coldly and said in a cold voice, “Get lost.”

The two of them looked at each other and then sneered, “I think you have lost your mind. Do you know where you are? This is...”

“Bang!”

Before he could finish his words, his head was directly smashed by a punch!

The other security guard's face instantly turned incomparably pale, and his body trembled even more.

“You...”

“Scram.” Qin Yu only spat out one word.

The security guard didn't dare to say anything more, and turned to run.

Qin Yu didn't say anything, and directly walked towards the Jingdu Martial Arts Association.

This was Qin Yu's first time entering the Jingdu Martial Arts Association.. As soon as he stepped in, he felt a strong sense of oppression.

Chapter 572: Chapter 572, one against six!

The structure of the entire Jingdu martial arts association was extremely complex. It was very different from the Gao Tang Ming Jing that he had imagined. On the contrary, it was dark.

The first thing that came into view was a long corridor, followed by a large hall.

There were several rooms on both sides, and each room was marked with a position.

The Jingdu Martial Arts Association, which had always been peaceful, had an uninvited guest today.

Qin Yu released his internal Qi in an attempt to find Yan Ruoxue's figure.

However, just as he released his internal Qi, his expression became somewhat unsightly.

In the depths of the Jingdu martial arts association, waves of intense auras were pressing over!

These auras were extremely chaotic. There were at least several hundred of them!

Among them were peak martial grandmasters, half-step martial marquises, martial marquises, and even more powerful experts!

With such a chaotic internal Qi, it was impossible for Qin Yu to find an ordinary person like Yan Ruoxue!

“Hualala!”

At this moment, several figures instantly appeared in front of them!

These people wore white robes, and their internal Qi surged, making them extremely powerful!

Their white robes even indicated their identities!

“Who dares to forcefully barge into the Jingdu Martial Arts Association?” A voice came from deep within.

Then, a figure slowly walked over.

The moment this person appeared, everyone hurriedly made way for him and shouted in unison, “President Xia.”

The person who came was none other than Xia Hang!

He strode in front of everyone. Just as he was about to speak, his expression changed slightly.

“Qin Yu?” Xia Hang frowned and then sneered, “Are you crazy? Coming to the Jingdu Martial Arts Association to kill people? Do you really think you are invincible?”

The moment he saw Xia Hang, the murderous aura on Qin Yu’s body could not be held back!

The murderous aura on his body exploded, and the temperature of the entire room suddenly dropped!

Feeling this strong murderous intent, everyone could not help but shiver.

Even Xia Hang’s expression changed!

“Xia Hang... Your Jingdu martial arts association actually dared to imprison Yan Ruoxue...” Qin Yu’s entire body was trembling with anger, and his eyes were bloodshot. The terrifying aura made people not dare to take even half a step forward!

Hearing these words, Xia Hang’s expression instantly changed drastically!

He shouted loudly, “What nonsense are you spouting! who dares to imprison the Yan family and beat up the Miss!”

“F * ck your farts!” Qin Yu roared angrily. This terrifying penetrating force instantly shook the JINGDU martial arts association to the point of buzzing!

The half-step martial marquis and Martial Grandmaster present were directly shaken until they vomited blood!

Even Xia hang felt a strong sense of oppression!

“Qin Yu, who are you listening to nonsense!”Xia hang suppressed the shock in his heart and tried his best to remain calm.

“I’m not in the mood to listen to your nonsense.”Qin Yu walked towards Xia hang step by step.

“If you don’t hand over the people today, I’ll kill all of You!”

Xia hang subconsciously took two steps back and then said angrily, “Qin Yu! Open your eyes and see where this is! This is the JINGDU martial arts association, it’s not something you can act Rashly!”

“F * ck you!”Qin Yu was furious. Golden Light burst out from his hand, and he suddenly threw a punch at Xia Hang!

The terrifying fist force directly sent everyone flying, and the Jingdu martial arts association was even making a loud noise!

This punch could be said to be as easy as crushing dead wood. It was so terrifying that it almost shattered the void!

Faced with this punch, Xia Hang’s expression changed drastically!

Even though he had also stepped into the Martial Marquis realm today, he could not even muster the slightest bit of fighting spirit when facing Qin Yu in front of him!

Seeing this punch approaching, Xia Hang’s expression became even uglier!

“Weng!”

Right at this moment, a large hand suddenly stretched out from the darkness!

This large hand carried rolling inner strength as it collided with Qin Yu’s fist!

“Boom!”

A huge boom instantly exploded. The terrifying qi force directly forced everyone back!

Qin Yu’s expression turned cold as he coldly looked towards the depths of the Jingdu Martial Arts Association.

“Young people nowadays really don’t know how to respect.” A voice came from the depths.

“That’s right. A mere martial marquis dares to come to the Jingdu Martial Arts Association to find trouble?” Another voice came out.

“TSK TSK, how many years has it been since someone dared to be so arrogant.”

Qin Yu said coldly, “Who are you? Get out here and don’t be a coward!”

Before he finished his sentence, six figures walked out from the dark!

These six people were also wearing white robes, but there was no word on their white robes.

At a glance, these six people were all in the Martial Marquis Realm!

“President Xia, who is this guy? How dare he come to Jingdu Martial Arts Association to cause trouble?” Someone said indifferently.

Xia hang glanced at him and said coldly, “He is Qin Yu. I order you to arrest him immediately!”

The six of them smiled and said, “President Xia, don’t worry. You Don’t have to say it. We won’t let him go either.”

As they spoke, the internal Qi of the six martial marquises slowly spread out.

These six people were not ordinary martial marquises. Each of their strength was above a third-grade martial marquis!

And Qin Yu was only a first-grade martial marquis. Naturally, they would not put Qin Yu in their eyes.

“Kid, do you want to obediently follow us into the prison, or do you want us to cripple you and throw you in?” One of them said with a faint smile.

Qin Yu coldly glanced at the six of them and immediately took a step forward. Golden Light instantly erupted!

“It’s just six martial marquises. Come, I, Qin Yu, have nothing to fear!” Qin Yu’s hair danced wildly in the wind as he looked down at the world with disdain!

“HMPH, you don’t know whether you are dead or alive.” One of them snorted coldly. His figure suddenly disappeared before he threw a punch at Qin Yu!

“Ah! !”

Qin Yu let out an angry roar. His golden fist contained a power that seemed to be able to shatter the heavens and earth, and it smashed down with a bang!

“Boom!”

Everyone saw golden light rise in all directions, and killing intent pervaded the air!

And in the next second, everyone saw a figure being directly sent flying!

His entire body was covered in blood, and his flesh was shattered. His fist was directly smashed into powder!

On the other hand, Qin Yu's internal Qi was surging, his fighting spirit was overflowing, and his invincible posture was fully displayed!

Seeing this scene, everyone's facial expression couldn't help but slightly change.

In the bottom of Xia Hang's heart, a storm was stirred up!

Qin Yu's strength was shockingly beyond his imagination!

He had just entered the Martial Marquis realm, but he already had such terrifying fighting strength, his future strength was unimaginable!

The things he was most afraid of were being shown one by one!

Qin Yu roared angrily, “Come, whoever dares to stop me today, I will kill them!”

With a loud roar, he swallowed the mountains and rivers, and he was the supreme ruler!

The faces of the six people from the Jingdu Martial Arts Association finally revealed a trace of solemnity.

“No wonder he dared to forcefully barge into the JINGDU martial arts association. He has some ability,” one of them said coldly.

“Third brother, are you alright?” They helped up a martial marquis who was sent flying by Qin Yu.

“I’m... I’m fine.” Third brother wiped the blood stains and shook his head with difficulty.

“Xia Hang, what’s the background of this person? How can a first grade martial marquis have such combat strength?” Third Brother looked at Xia Hang.

Xia hang glanced at him and snorted, “Even the higher-ups have noticed him. What do you think?”

“If you can take down this Qin Yu today, the higher-ups will definitely reward you.”

Chapter 573: Chapter 573, the prison of the association

Hearing this, the six of them nodded at the same time.

They looked at Qin Yu with a grave expression and walked over one after another.

Third brother, who had almost collapsed from Qin Yu’s punch earlier, also walked over.

Facing the six martial marquises, Qin Yu did not show the slightest bit of fear. On the contrary, his Qi and blood were burning, and his fighting spirit was overflowing!

“Boom!”

Just as the six of them were deep in thought, Qin Yu took the initiative to attack, and clenched his fist!

Qin Yu raised his hand and used the absolute beginning holy fist. The terrifying golden light had the ability to swallow the sky, and the terrifying qi force made the six of them turn pale with fright!

These six martial marquises did not dare to be negligent, and all of them unleashed their own spells in an attempt to stop Qin Yu!

However, at this moment, Qin Yu was at the peak of his fighting spirit. His fist force was invincible, and the internal Qi contained within it was beyond imagination!

All the spells were directly shattered at this moment. The terrifying golden light pierced through the six people, directly forcing the six of them to retreat several steps!

“What powerful battle strength!” Someone exclaimed.

“This child is not an ordinary marquis. Everyone must immediately join hands and suppress him!”

Xia Hang, who was at the side, shouted even louder, “If he is forced to retreat at the door of his home, the status of the JINGDU martial arts association will be threatened!”

“Of course we know that,” they said coldly.

Then, the eldest of the six shouted first, and a terrifying inner strength condensed on his fist!

In an instant, there was actually a burst of Dragon’s roar on his fist, and a ray of light turned into a divine dragon, illuminating the entire Jingdu Martial Arts Association!

“Die!”

The eldest shouted, and his body suddenly disappeared, and in the next second, he arrived in the sky above Qin Yu!

“You’re courting death!” Qin Yu’s expression turned cold. His incomparably fierce fist directly met the incoming attack!

The current Qin Yu could be said to have gone crazy. He completely gave up on his defense and used all his strength to meet the incoming attack! “...”

Relying on his invincible body, Qin Yu’s moves were wide open and unrestrained. All the Golden Light gathered on his fist!

Just one punch was enough to make everyone feel an intense sense of danger!

“Boom!”

The moment the two fists collided, the Condensed Divine Dragon instantly collapsed!

Accompanied by a series of bone cracking sounds, the boss was directly sent flying!

The terrifying fist force did not stop there. Instead, it rushed over!

“Not good!” The Boss’ face changed greatly. He did not care about the pain in his body and wanted to run away!

When the others saw that the situation was not good, they activated their spells at the same time, trying to stop Qin Yu’s movements!

However, Qin Yu was eager to save them and did not have the mood to tangle with them. Therefore, Qin Yu activated his sacred body technique and directly ignored the spells of the few of them, allowing the terrifying qi force to smash onto his body!

Several spells actually failed to stop Qin Yu even half a step!

He clenched his Golden Fist and pushed forward!

The Boss’ pupils constricted, and his face suddenly changed drastically!

“No... Don’t!” The boss couldn’t help but shout out in fear.

But How Could Qin Yu give him a chance! This terrifying fist force was directly aimed at the boss’ face!

“Boom!”

With one punch, the boss’ head was directly smashed!

A martial marquis died just like that!

No one would have thought that the martial marquis of the Jingdu Martial Arts Association would actually be so vulnerable in front of Qin Yu!

Everyone felt waves of shock, their hearts palpitating with fear!

“Not good, quickly retreat!” They seemed to have realized the terror of Qin Yu. They looked at each other and turned to leave!

“If you want to leave now, it’s Too Late!” Qin Yu shouted. With a burst of his feet, the heavy falling space immediately spread out!

Everyone’s movements were immediately restricted, and their speed decreased by countless times!

The Golden Light on Qin Yu’s body grew even more intense, and this light practically illuminated the entire JINGDU martial arts association!

“What kind of light is this?”

“It seems like someone forcefully broke into the Jingdu Martial Arts Association!”

For a moment, even the prison felt this power!

“Boom!”

A huge palm blotted out the sky and covered the earth. The golden light instantly illuminated so much that people couldn’t open their eyes!

“Bang!”

Those who could not dodge in time were directly smacked to the ground, and many cracks appeared on their bodies!

“Everyone, quickly try to escape!” Xia hang shouted!

“Of course we know. Xia hang, cut the F * cking crap!” Everyone was flustered and exasperated as they cursed!

Who would have thought that Qin Yu’s combat strength would be so astonishing!

Even more so, no one would have thought that Qin Yu was not afraid of the threat of the Jingdu Martial Arts Association at all!

“Buzz!”

At this moment, someone took out a spiritual artifact.

The spiritual artifact carried a trace of peaceful power and spread out in the surroundings.

With the appearance of this spiritual artifact, Qin Yu’s heavy falling space directly exploded!

The few of them got a breath of air and started to run!

“You can actually break my heavy falling space? As expected of the Jingdu Martial Arts Association!” Qin Yu pursued relentlessly from behind!

He immediately used shrinking earth into an inch and chased after them!

Looking at the six escaping people, Qin Yu’s pupils constricted, and he directly rushed towards Xia Hang!

Qin Yu’s goal was not to kill people, but to save people!

Among these people, Qin Yu only knew that Xia Hang was the vice president, so he definitely knew about Yan Ruoxue!

Seeing that Qin Yu's figure was getting closer and closer, Xia hang instantly became angry.

He was on the verge of breaking down as he cursed, "Why the F * ck are you chasing me? There are so many people, why the F * ck are you chasing me!"

However, this did not stop Qin Yu's actions. Very quickly, Qin Yu arrived in front of Xia Hang.

He raised both his hands and directly grabbed Xia hang's neck, lifting him into the air!

"Speak, where is Ruoxue!" Qin Yu shouted angrily.

Xia hang's throat was grabbed by Qin Yu, and he looked like he was in extreme pain.

"You... you let go of me first..." Xia Hang said in pain.

Qin Yu glanced at Xia hang coldly, then released his hand, and Xia hang landed on the ground.

"Kacha!"

Just as Xia hang was about to let out a sigh of relief, a sharp pain came from his calf!

Qin Yu flicked his finger and directly shattered Xia hang's knee!

"Ah! !" The painful wail immediately spread throughout the JINGDU martial arts association!

Cold sweat was dripping down his forehead, and his eyes were filled with hatred!

“Speak, where is Ruoxue?” Qin Yu looked at Xia hang coldly.

Xia hang gritted his teeth and looked at Qin Yu, saying, “You want to see Yan Ruoxue, right? Fine, I’ll bring you there. If you have the guts, come with me!”

“Cut the F * cking crap!” Qin Yu directly slapped Xia Hang’s face.

Xia hang had never suffered such humiliation before. The veins on his forehead bulged, but he did not dare to fart.

“Qin Yu, let me tell you, it’s not so easy to break into the Jingdu Martial Arts Association. You will regret it.” Xia hang climbed up from the ground with difficulty.

He brought Qin Yu and walked deeper into the prison step by step.

A trace of coldness flashed across Xia Hang’s eyes. He could not help but sneer in his heart, “The prison is filled with magical artifacts. If you dare to enter, you will die without a doubt!”

Qin Yu was not stupid. Of course, he knew that the Jingdu martial arts association was not that simple.

But as long as he thought of Yan Ruoxue who was suffering in the prison, Qin Yu’s heart felt like it was being cut by a knife.. He could not care about any danger.

Chapter 574: Chapter 574, lovers meet

Xia hang brought Qin Yu and walked deeper into the corridor.

This corridor was very long. Xia hang's legs left a trail of blood on the road.

Very soon, the two of them arrived at a large door.

This door seemed to be opened using a secret technique. As the vice president, Xia hang naturally had the authority.

He stood at the door, raised his palm, and slowly placed it on the door.

Then, his palm flashed with a ray of light, and in a moment, the door slowly opened.

Qin Yu raised his hand and grabbed Xia hang's palm, saying coldly, "How did you open this door, tell me."

Xia hang said coldly, "Qin Yu, you better not have any ideas about this door."

"Even if you take my palm, it's useless. As long as I die, the secret technique in my hand will immediately disappear."

Qin Yu frowned slightly.

This Idiot Xia hang actually saw through his intentions.

Qin Yu didn't say anything more. He kicked Xia hang, and Xia hang instantly walked into the prison.

As soon as he walked into the prison, Qin Yu felt waves of intense internal Qi surging!

At a glance, in this prison, there were martial grandmasters, half-step martial marquises, and there was no lack of martial marquises!

“See that? Even if it’s a martial marquis, the Jingdu martial arts association can capture him,” Xia hang said with a threatening tone.

Hearing this, Qin Yu immediately slapped Xia hang’s mouth.

“Pa!” The sound instantly spread throughout the entire prison!

Xia hang’s mouth was directly beaten until it was dripping with blood, and he couldn’t even speak.

“You talk too much nonsense,” Qin Yu said coldly.

Xia hang was extremely angry, but there was nothing he could do.

“Well done!” In the prison, there were waves of excited shouts!

“Xia Hang, I didn’t expect you to have such a day, Haha!”

“Warrior, kill him just like that!”

Xia hang was extremely angry and a trace of anger flashed in his eyes!

Then, he saw Xia hang flip his palm and a token appeared in his palm!

Xia hang picked up the token and the light in his palm rolled. In an instant, the prison shone with an extremely majestic light!

“Ah! ! !”

Then, waves of wails came from the entire prison!

Everyone knelt on the ground and could not get up. There was no lack of marquis Wu among them!

Qin Yu's expression changed slightly.

This JINGDU martial arts association was indeed not simple. Just a token was enough to make even marquis Wu unable to withstand it.

Just how deep its foundation was, it was hard to imagine!

Xia hang snorted coldly. He brought Qin Yu along and continued to move forward.

Along the way, countless people were cursing at Xia Hang, but Xia hang no longer had the mood to care about them.

In the bottom of his heart, there was a faint hint of worry.

This prison was an important place of the Jingdu Martial Arts Association, but now an outsider had barged in.

If the higher-ups knew about it, they would definitely be severely punished!

“See that door in front?” At this time, Xia hang pointed at a pitch-black door not far away and said.

“If you have something to say, say it,” Qin Yu said coldly.

Xia hang grinned and said, “What's locked up in there is an existence that surpasses the martial marquis.”

“An existence that surpasses the martial marquis?” Qin Yu's expression changed slightly.

Could it be that behind that door was a martial saint ?

The Jingdu Martial Arts Association could even lock up a martial saint ? !

“Stop farting. Do you think I would believe it ?” Very quickly, Qin Yu denied his own thoughts.

“Ignorant.” Xia hang snorted coldly.

Qin Yu was somewhat anxious in his heart. He looked at Xia hang coldly and said, “How much longer do we have ?”

“Don’t be anxious. Yan Ruoxue is the eldest miss of the Yan family. Naturally, we have to arrange a different prison for her,” Xia Hang said with a smile that was not a smile.

Qin Yu did not say anything, but the anger in his heart grew.

He could not imagine what kind of suffering Yan Ruoxue, who was born in an aristocratic family since she was a child, would suffer and what kind of torture she would suffer.

Just thinking about it made it difficult for Qin Yu to bear.

“We’re here.”

Finally, the two of them stopped in front of a prison.

This prison was covered by iron gates. At a glance, one could not see what was inside.

“Qin Yu, didn’t you want to see Yan Ruoxue ? Hehe... I hope you won’t regret it,” Xia Hang said cruelly.

“Cut the F * cking crap!”Qin Yu said angrily.

Xia hang didn't say anything more. He raised his palm and placed it on the gate.

The gate slowly opened.

A huge iron cage was reflected in Qin Yu's eyes!

And Yan Ruoxue was locked in this iron cage!

Everything was the same as what was shown in the video message. Yan Ruoxue's body was tied up by a chain-like pipe!

Her body was suspended in mid-air. Her face was pale and her lips had no color at all.

Her delicate body was trembling slightly. Anyone who saw it would find it hard to bear.

“Ruoxue!”Qin Yu opened his eyes wide and immediately shouted!

Yan Ruoxue opened her eyes slightly.

The moment she saw Qin Yu, her eyes lit up and a smile appeared on her face with great difficulty.

“Qin Yu, you... Why are you here...”Yan Ruoxue said weakly.

“Ruoxue, I... You...”Qin Yu opened his mouth and felt extreme pain in his heart.

A trace of tears immediately flowed out of his eyes. It was unknown whether it was because of anger or pain, but Qin Yu's entire body trembled like a sieve!

"Don't Cry... a man shouldn't shed tears when he bleeds..." Yan Ruoxue said weakly.

This sentence even broke Qin Yu's psychological defense line.

His tears were like a river that burst through a dam, continuously flowing out.

Yan Ruoxue subconsciously wanted to Pat Qin Yu's head, but when she raised her hand, she realized that her arm had already been tied up.

"Ruoxue, I... I'll Save You Right Now!" Qin Yu said in a panic.

His hand was surrounded by light, and all of his energy was adjusted to the maximum at this moment!

"Boom!"

Qin Yu suddenly threw a punch at the iron cage!

"Clang!"

The huge boom almost broke the eardrums, but the iron cage didn't move at all...

"How could this be..." Qin Yu's face became more and more flustered.

He turned around and roared, "Xia Hang, open the door quickly!"

However, Xia hang's figure was slowly disappearing.

“Qin Yu, enjoy your intimate time. You Can’t save her, you can’t save anyone...”Xia hang’s gloomy voice came from all directions.

Qin Yu reached out to grab Xia hang, but found that his figure was like an illusion, slowly disappearing.

“Xia Hang, F * ck you!”Qin Yu roared angrily. The veins on his neck bulged, and his eyes were extremely red!

However, Xia Hang had already disappeared, just like that.

“Ruoxue, I... I’ll Save You Right Now!”Qin Yu gritted his teeth. Golden light flashed on his body, and the power of the divine dragon exploded at this moment.

“Ruoxue, don’t worry. I... I’ll definitely save you!”

Qin Yu roared angrily. He used all the strength in his body to smash the iron cage once again!

Chapter 575: Chapter 575, the Furious Qin Yu!

Qin Yu’s fist was incomparably fierce. This was practically all of his strength!

“Clang!”

The sound of this punch instantly became louder!

But the iron cage still didn’t move at all. It wasn’t affected at all!

“How... how could this be...”Qin Yu’s expression was incomparably flustered.

He wasn't resigned to it and once again clenched his fist and smashed it.

One punch, two punches, three punches!

“Clang Clang Clang Clang Clang” sounds continued to be heard and spread throughout the entire prison.

However, this iron cage was not affected at all!

Qin Yu hurriedly took out his bronze sword. He bit his finger and dropped a drop of blood essence onto it.

Then, Qin Yu held the bronze sword in his hand and ruthlessly hacked down!

“Clang!”

Another loud sound rang out. Not even a single line was left on the iron cage!

Qin Yu used all of his trump cards and did his best. All kinds of spells appeared one after another, but they were unable to shake the cage in the slightest!

“How could this be...” Qin Yu's face was filled with despair!

Seeing his beloved suffer, he was helpless. This kind of pain was indescribable!

He knelt on the ground with both knees, and tears could not help but flow out.

“Jingdu Martial Arts Association... You Bunch of bastards!”Qin Yu’s eyes revealed a fierce light, and his hatred reached its peak at this moment!

“It’s useless...”Yan Ruoxue, who was in the prison, said weakly.

She looked at Qin Yu and said with difficulty, “Talk to me...”

“Good, good!”Qin Yu hurriedly stood up from the ground.

He looked at Yan Ruoxue in the prison and said in a trembling voice, “Ruoxue, what exactly is going on? Why did Jingdu Martial Arts Association bring you in? What exactly are they going to do!”

Yan Ruoxue shook her head. She did not answer this question. Instead, she said with some relief, “I really didn’t expect you to come to this step so quickly...”

“Did you know that on the day of the decisive battle between you and Han Wei, you were as mesmerizing as a hero... Qin Yu, I really did not misjudge you...”

Hearing Yan Ruoxue’s words, Qin Yu’s heart felt like it was being twisted by a knife. He was in great pain.

“I must save you!”Qin Yu gritted his teeth. His fingers flickered with golden light as he shot towards the chains on Yan Ruoxue’s body!

“Clang!”

However, this chain-like pipe was not affected either!

“Qin Yu, it’s useless. Don’t waste your energy...”Yan Ruoxue said with difficulty.

“Qin Yu, how have you been during this period of time?”

Qin Yu hurriedly said, “Fine, I’m Fine! I’m now a Marquis. No one can kill me!”

“I killed Gu Canghai, flattened the saint Confucian school, and established the Jade Moon Villa...”

“Next, I want to force Yan Sihai to abdicate. I also want to crush the Jingdu Martial Arts Association!”

Yan ruoxue smiled gently and said, “Qin Yu, no matter what, you have to protect yourself...”

Qin Yu opened his mouth and was about to speak when a ray of light suddenly flashed in the prison.

This ray of light was extremely bright and carried an extremely strong force!

“Qin Yu, hurry up and leave, or else... you won’t be able to leave...”Yan Ruoxue forced herself to speak.

Qin Yu shook his head and said, “I don’t want to leave, I don’t want to leave...”

“Boom!”

At this moment, the light poured down on Qin Yu and ruthlessly smashed onto Qin Yu’s back!

The force was extremely strong, directly hitting Qin Yu’s body until it was dripping with blood, and he directly fell to the ground!

“Hurry up and leave...”Yan Ruoxue’s eyes revealed a trace of unspeakable heartache.

Qin Yu struggled to stand up from the ground. He wiped the blood at the corner of his mouth, shook his head and said, “I don’t want to leave... I want to save you...”

“It’s useless, hurry up and leave...”Yan Ruoxue’s tone was a little anxious.

But seeing his beloved being locked in prison, who would be willing to leave?

Moreover, to Qin Yu, everything he did was for Yan Ruoxue!

“Boom!”

That Ray of light spread out again. This time, it was even more powerful, directly knocking Qin Yu to the ground.

His body was riddled with wounds, and his internal organs seemed to have received an impact.

Even though Qin Yu’s physical body was indestructible, this ray of light was an unknown magical artifact, directly shattering Qin Yu’s defense.

Qin Yu climbed up from the ground again. He opened his mouth, and just as he was about to speak, that Ray of light shot out again!

“Go to hell!”Qin Yu roared angrily, and clenched his fist to meet it!

“Boom!”

The two fists collided, creating a huge explosion!

However, the force was too great. Qin Yu's body immediately smashed into the iron cage!

"Hurry up, hurry up..." Yan Ruoxue became more and more anxious.

"Rumble..."

At this moment, a series of explosions came from afar. The Iron Gate of the prison seemed to be slowly closing!

"Qin Yu, leave quickly!" Yan Ruoxue seemed to have used up all her strength.

"You are the only one I have now. You can not die, and you can not be locked in..."

"Qin Yu, as long as you are still outside, I have the hope of being rescued. If you are also kept here, then I have no hope at all..."

Hearing Yan Ruoxue's words, Qin Yu's expression became even uglier.

Yan Ruoxue was right. If he was locked up here, then there was no hope at all!

The door was still slowly closing, and the gap was getting smaller and smaller!

"Hurry up and leave..." Yan Ruoxue's voice had some pleading in it.

Qin Yu glanced at the iron door, then at Yan Ruoxue.

He gritted his teeth and said, "Ruoxue, I will rescue you very soon. Wait for me!"

After saying that, Qin Yu immediately used shrinking earth into an inch and rushed towards the door!

The gap in the door became smaller and smaller. It looked like there was only room for one person left!

Qin Yu used all the strength in his body. Shrinking Earth into an inch was used to the maximum!

“Boom!”

Finally, Qin Yu tightly brushed against the door of the prison and escaped.

The door closed with a sound.

In the prison, Yan Ruoxue finally heaved a sigh of relief. A relieved smile appeared on her face.

Qin Yu stood there, not leaving for a long time.

His eyes were fixed on the door, and his fists unconsciously clenched.

“Jingdu martial arts association... I must kill all of you!” Qin Yu gnashed his teeth.

“I will repay Ruoxue’s pain a thousand times or a hundred times over!”

Although Qin Yu was unwilling, this was not the place to stay for long.

He had to leave this place and think of a way to save Yan Ruoxue!

A golden light flashed, and Qin Yu escaped from the Jingdu Martial Arts Association at an extremely fast speed.

Not long after he left, the Jingdu Martial Arts Association's reinforcements arrived at the scene.

Not only that, Xia hang even informed the Jingdu martial arts association's higher-ups!

"He actually escaped," a tall man said coldly.

This person's name was Yan Guiyi, and he was a martial marquis of the sixth rank! He held an important position in the Jingdu Martial Arts Association!

Most importantly, he had several top-tier magical artifacts on him!

Chapter 576: Chapter 576: If You Want to kill me, here I Come!

Although they were both martial marquises, there was a huge gap between a sixth-grade martial marquis and a first-grade martial marquis.

A sixth-grade martial Marquis was also known as the intermediate stage of the Martial Marquis Realm. There was a world of difference between a sixth-grade martial marquis and a newly advanced martial marquis.

For the Jingdu martial arts association, they rarely sent out intermediate stage martial marquises.

Even when Qin Yu and Han Wei fought, there were only three first-grade martial marquises.

Now that Yan Guiyi had arrived, it was enough to witness how furious the Jingdu Martial Arts Association was.

“Reckless Brat.” Yan Guiyi looked at the mess and couldn’t help but say coldly.

“How many years has it been since someone dared to come to the Jingdu Martial Arts Association and Provoke Them?”

As he spoke, Yan Guiyi’s body slightly emitted traces of killing intent.

Just a trace of killing intent was enough to make everyone tremble in fear!

“Mr. Yan, the higher-ups are already in a meeting. It’s better to wait for them to make a decision,” the person beside him said.

Yan Guiyi coldly snorted. He did not say anything and turned around to leave.

...

The association’s higher-ups’ meeting.

Those few higher-ups were still hidden in the darkness. It was not much different from the previous meetings.

However, the atmosphere of today’s meeting seemed to be a little strange.

Xia hang was seriously injured, but he still sat there obediently, as if he was waiting for the judgment of the higher-ups.

“We can’t let him continue to grow,” someone said coldly.

“While everything is still under control, we must eliminate him immediately.”

“The martial arts world doesn’t allow such a person to exist!”

Hearing the words of the higher-ups, Xia hang finally heaved a sigh of relief.

He stood up and said, “Higher-ups, I suggest that we directly mobilize the top-notch combat strength of the martial arts association. We can not let Qin Yu have the slightest chance of escaping.”

The many higher-ups said coldly, “Xia Hang, you go and make the arrangements. As long as we find Qin Yu, we will immediately kill him!”

“Yes.” Xia hang was faintly a little excited.

Today, Qin Yu’s performance had already exceeded Xia Hang’s imagination.

Qin Yu had only just entered the rank of Marquis Wu, but he had already displayed his prowess. No one dared to imagine what kind of disaster he would bring in the future.

Qin Yu’s heart was filled with grief and indignation, and he was in unbearable pain.

However, reason told him that the current Jingdu was a land of chaos. If he didn’t leave, it was very likely that he would attract a fatal disaster.

Qin Yu stood on a piece of empty land for a long time without moving.

His expression was extremely cold, and anger filled his chest.

As long as he closed his eyes, the scene of Yan Ruoxue in prison would appear in his mind.

“Yan family... Yan family!”Qin Yu was in extreme pain.

He couldn't understand why the Yan family would allow the Jingdu martial arts association to treat Yan Ruoxue Like This!

As Yan Ruoxue's uncle, why would Yan Sihai be so ruthless!

A strong killing intent flashed through his eyes!

This killing intent was not only directed at the Jingdu Martial Arts Association, but also at the Yan family!

Qin Yu took a deep breath and tried his best to remain calm.

Breaking into the Jingdu Martial Arts Association this time gave Qin Yu a general understanding of the strength of the Jingdu Martial Arts Association.

Even Marquis Wu and the others could be imprisoned. The strength of the Jingdu martial arts association was absolutely beyond imagination!

Not only that, the divine artifact hanging in the depths of the prison could easily break through Qin Yu's defense!

No one knew what kind of magical artifact it was.

On the other side, the major families of Jingdu all received this news at the same time.

Yan family's meeting.

The four brothers gathered together.

Yan Sihai smoked his cigar and said indifferently, “That Qin Yu is really bold. He actually barged into the Jingdu Martial Arts Association.”

Hearing this, an unnatural look flashed across Yan Yongxiu’s face.

Yan Sihai glanced at him and said, “I heard that Qin Yu went for Ruoxue. Yongxiu, this Qin Yu seems to care more about your daughter than you do.”

Yan Yongxiu’s face turned cold, and a trace of anger flashed across his heart.

He took a deep breath and said, “All of this was arranged by Big Brother. I believe there won’t be any problems.”

“Hahahaha!” Yan Sihai couldn’t help but burst into laughter.

“Yongxiu, you’re right. Although Ruoxue is disobedient, she is still a member of our Yan family. That represents the face of our Yan family.”

“No matter how powerful the Jingdu Martial Arts Association is, he wouldn’t dare to lay a finger on our Yan family, right?”

Anger had long risen in Yan Yongxiu’s heart, but he still maintained a calm expression.

“Big Brother, let’s find an opportunity to bring ruoxue out.” Yan Yongxiu hesitated for a long time before finally saying.

Yan Sihai took a puff of his cigar and said indifferently, “Don’t worry. I’ll go and ask for her. As for whether they will give face, it’s hard to say.”

Speaking up to this point, Yan Sihai glanced at everyone and said with a faint smile, “What do you all think of Qin Yu?”

“Big Brother, I suggest that we get rid of Qin Yu as soon as possible,” Yan Shanhe suggested.

“Also, I heard that the Jingdu Martial Arts Association sent out six martial marquises, but they were unable to stop Qin Yu. One of them was even killed.”

At this time, Yan Yongxiu suddenly stood up and said, “Big Brother, now that Qin Yu has such achievements, have you ever considered betrothing ruoxue to him?”

“In this way, not only can the Yan family obtain an outstanding Marquis Wu, the Yan family’s crisis will also be resolved!”

However, these words angered Yan Sihai.

He slammed the table and stood up, saying coldly, “The Yan family’s Crisis? Our Yan family has a crisis? Just a mere Qin Yu can bring a crisis to our Yan family?!”

Yan Yongxiu frowned and said, “Big Brother, that’s not what I meant.”

Yan Sihai snorted coldly and said, “Betroth Ruoxue to him? Yan Yongxiu, is your brain filled with dog shit?”

“If we betroth Yan Ruoxue to Qin Yu, wouldn’t that be telling the world that our Yan family has lowered its head?”

“If we lower our head to a country bumpkin, where will our Yan family’s face go?!”

A few words made Yan Yongxiu speechless.

To the aristocratic families, reputation seemed to be more important than anything else.

“It’s just a mere Qin Yu. I’ll immediately send people to kill him.”Yan Sihai said with a cold snort.

“If a martial marquis can’t kill him, I’ll hire ten! If ten can’t kill him, I’ll hire a martial saint! My Yan family can crush him to death with our money!”

Yan sihai indeed had such confidence. After all, they had wealth that could rival a country, as well as connections and resources.

“I’ll head to the Jingdu martial arts association later and find someone to kill this Qin Yu!”Yan Sihai said coldly.

“At the same time, I’ll issue a bounty. As long as you kill Qin Yu, I’ll give him ten billion! is that enough! ?”

Looking at the furious Yan Sihai, no one dared to say anything.

“No need to trouble yourself. If you want to kill me, I’m here.”

However, at this moment, a sudden voice suddenly sounded!

Turning around, he saw a young man striding in from outside the door.

His expression was extremely cold and his entire body was filled with killing intent!

Chapter 577: Chapter 577, Qin Yu VS Yan Jinyao

“Qin Yu!”

The moment they saw the young man, everyone in the room stood up!

Yan Sihai’s expression was even colder. He sized up Qin Yu and snorted coldly, “How dare you come to My Yan family? Are you tired of living?”

Qin Yu walked straight to Yan Sihai. He looked down at Yan Sihai and said, “Go to the Jingdu Martial Arts Association and save Yan Ruoxue, right now.”

Hearing Qin Yu’s words, Yan Sihai could not help but want to laugh.

He snorted coldly and said, “Qin Yu, are you crazy? Are you ordering me?”

“You can think of it this way.” Qin Yu’s killing intent was not concealed at all.

Yan Sihai narrowed his eyes and said, “What if I don’t?”

“Then I will kill you.” With that said, Qin Yu raised his hand and slapped at Yan Sihai!

As a peak martial grandmaster, Yan Sihai naturally wouldn’t just sit around and wait for his death!

Yan Sihai clenched his fists and charged forward!

“Boom!”

At the instant of the collision, Yan Sihai’s body was sent flying and crashed into the wall!

A mouthful of fresh blood spewed out from his mouth!

Seeing this scene, everyone sucked in a breath of cold air!

They did not expect that Qin Yu would actually dare to make a move!

“Qin Yu, I think you are courting death!” Yan Sihai was instantly enraged!

Qin Yu took a step forward and kicked Yan Sihai’s chest with hatred!

This kick caused Yan Sihai, who was just about to get up, to fall to the ground again!

Qin Yu’s foot stepped on Yan Sihai’s chest and said coldly, “So what if you are rich? We only have one life.”

“I want to kill you now, but your wealth can’t help you with a flip of my hand.”

Yan Sihai had never suffered such humiliation. He struggled with all his might, but he found that he couldn’t break free at all!

“Qin Yu, don’t Be Rash!” Yan Yongxiu said hurriedly.

Qin Yu ignored him. He looked at Yan Sihai coldly and said word by word, “Call them and ask them to release him.”

Yan Sihai sneered, “Don’t even think about it! Qin Yu, you have no idea what you’re doing! Kill me, and I guarantee that you won’t live past Tomorrow!”

“Then let’s die together!” Qin Yu suddenly increased the strength of his feet!

Yan Sihai felt as if his chest was being pressed down by a huge mountain. He was in great pain!

“Release her!” Qin Yu shouted angrily.

Yan Sihai was unmoved. He sneered and said, “If you have the ability, then kill me. Kill me. Yan Ruoxue will never come out!”

“You are courting death!” Qin Yu’s body immediately flashed with light. His heart was filled with killing intent!

“Qin Yu, Stop!” Yan Yongxiu shouted anxiously from the side.

However, Qin Yu could not care about that anymore. As long as he remembered the scene in the prison, Qin Yu’s blood would surge to the top of his head!

At this moment, a ray of light suddenly shot over from behind!

Qin Yu frowned slightly. He hurriedly turned around and met it with a punch!

“Boom!”

The entire room immediately erupted with a terrifying wave of air!

The four brothers of the Yan family were directly sent flying!

Qin Yu coldly looked at the person who had arrived at the door. A trace of battle intent appeared in his eyes!

“Yan Jinyao!” Qin Yu roared, and a burst of intense internal Qi immediately erupted from his body!

Yan Jinyao was not willing to be outdone. His body also possessed the might to look down on the world!

The collision of the two air currents instantly caused the entire room to buzz!

“Everyone says that you, Yan Jinyao, are the number one genius in Jingdu. I would like to see it today,”Qin Yu said coldly.

Yan Jinyao’s expression was calm as he said indifferently, “I also want to personally kill you, the murderer who killed my grandfather.”

“Go to hell!”

Qin Yu was furious, and the absolute beginning Holy Fist immediately erupted!

Yan Jinyao snorted coldly. He didn’t panic at all, and his hands quickly slid through the air. Then, a holy light seal was formed in front of him!

“Boom!”

A fist smashed down, and the light seal was directly shattered!

But Qin Yu’s body also took a few steps back!

The first time they exchanged blows, neither side seemed to gain any advantage.

“Jingdu’s number one genius really lives up to its reputation,”Qin Yu said coldly.

But Yan Jinyao said coldly, “I’m Not Jingdu’s number one genius. There are many people in Jingdu who are stronger than me.”

Qin Yu frowned. Yan Jinyao's strength was far beyond Qin Yu's imagination. Compared to Han Wei, he was much stronger.

If he wanted to take Yan Jinyao down in a short period of time, it would not be so easy.

Qin Yu took a deep breath. His reason told him that he could not continue to be entangled here.

Otherwise, once the Yan family's reinforcements arrived, there would be nowhere to run.

"Yan Sihai, remember this. I will pay you back twice the amount of damage that Yan Ruoxue has suffered," Qin Yu said coldly.

After saying this, Qin Yu immediately shrunk the ground into an inch and turned around to leave!

Yan Jinyao did not chase after him. He stood there quietly with a calm expression.

"Jinyao, why don't you kill him!" Yan Sihai gnashed his teeth and said.

Yan Jinyao glanced at Yan Sihai and said with a faint smile, "Dad, we finally have a decent opponent. It's such a pity to kill him just like that."

Hearing this, the brothers of the Yan family couldn't help but sigh in their hearts.

This father and son pair of Yan Sihai were really the same. They both liked to show off.

"Damn it, damn it!" Yan Sihai was incomparably furious!

This humiliation was simply unbearable for him!

No one could accept being beaten up at home!

At the same time, this also made Yan Sihai realize a problem:

That was, the current Qin Yu already had the ability to get rid of him.

It was time to pay attention to his own safety.

...

Qin Yu didn't continue to stay in Jingdu. That day, he left this troubled land.

He rushed all the way to Chuzhou. Just as he arrived in Chuzhou, Qin Yu's phone rang.

He picked up the phone and saw that the caller was the Pavilion Master of the Divine Medicine Pavilion.

Qin Yu picked up the phone and said, "Lord Pavilion Master."

The pavilion master on the other end said in a deep voice, "You went to the Jingdu Martial Arts Association?"

"EN, if you want to blame me, blame me." Qin Yu did not say much.

The Pavilion Master was silent for a moment, but in the end, he only said, "It's good that you're fine."

Speaking up to this point, the pavilion master continued, "In three days, you'll accompany me to Jingdu."

“Go to Jingdu?”Qin Yu frowned slightly.

The pavilion master hummed in gratitude and said, “To participate in a JINGDU conference. The people participating in the conference are all people who have an extremely important say.”

Qin Yu’s mouth gaped open, momentarily unable to make sense of the pavilion head’s intentions.

“Protect yourself these few days. The Jingdu Martial Arts Association will not let this matter rest.”The Pavilion Head said.

Qin Yu took a deep breath and said: “I understand.”

The next day.

On the forum, there was a small piece of news:

The Jingdu Martial Arts Association had sent Yan Guiyi to capture Qin Yu!

Other than that, there was another piece of news:

The veteran Marquis Ma Hai had been killed by Qin Yu. Three days later, Ma Hai’s master would descend upon the fire country and take revenge!

[1][2][2][3][3][3][3][3][3][3][3][3][3][3][3][3][3][3][3][3]

Chapter 578: Chapter 578, Yan Guiyi’ s attack

Bad news came one after another, but everyone seemed to have gotten used to it.

Qin Yu had long become a regular on the martial arts forum. It would be strange if he didn't see it one day.

Qin Yu also saw the news.

Qin Yu didn't know anything about Yan Guiyi or Ma Hai's master.

But he knew in his heart that the people sent by the Jingdu Martial Arts Association were definitely not ordinary people.

Qin Yu put away his phone.

For the next three days, Qin Yu would probably have to hide for a while.

He found a place to stay for the time being.

Then, Qin Yu took out his phone and took out the video.

The content of the video was the one that Yan Yongxiu had sent.

Qin Yu stared at the video, a trace of hesitation and pain flashed across his face.

It was impossible to go to the martial arts association to ask for Yan Ruoxue Now!

But Qin Yu couldn't bear to see Yan Ruoxue suffer!

No one knew when it would end!

So, Qin Yu wanted to release this video!

This way, the Yan family would definitely go to the JINGDU martial arts association to ask for Yan Ruoxue out of respect.

“Ruoxue... I can only do this.”Qin Yu took a deep breath, and a trace of pain flashed across his face.

Of course, he didn't want others to see his beloved suffer, but Qin Yu had no other choice.

Just as Qin Yu took out his phone and was about to play the video, he suddenly felt a few powerful internal Qi rushing toward him!

“Not good.”Qin Yu's expression changed slightly.

The strength of this internal Qi was far beyond his imagination!

“The people from the Jingdu martial arts association are moving so fast.”Qin Yu took a deep breath.

He didn't dare to stay any longer. He immediately stood up and left the hotel.

Not long after Qin Yu left, a man wearing black and gold clothes led several people into the room.

This man was tall and straight, and his internal Qi was cold.

His hands were behind his back, and he looked like an expert.

“We actually let him escape. It seems that this guy is very vigilant,”Yan Guiyi said coldly.

“Mr. Yan, what should we do now ?”The attendant beside him asked.

Yan Guiyi sneered, “No one can escape from my hands.”

With that, he walked to Qin Yu’s bed and tossed and turned as if he was looking for something.

Finally, he picked up a strand of hair from the bed.

This strand of hair came from Qin Yu!

Then, Yan Guiyi’s palm shimmered with light, and strands of internal QI entered Yan Guiyi’s glabella.

“Southeast direction. You haven’t gone far yet. Chase after him,” Yan Guiyi said coldly

“Yes!”

The few of them immediately followed behind Yan Guiyi and sped toward the southeast direction.

...

Qin Yu used shrinking earth to quickly increase the distance between the two of them.

Only when he was sure that no one was chasing after him did Qin Yu let out a sigh of relief.

He took out his phone and flipped through the video again.

“Sorry, Ruoxue.” Qin Yu clicked on the transmission.

In a few short moments, this video was transmitted to all the major platforms!

The title was even more eye-catching: Jingdu Martial Arts Association, harming the Yan family's miss, the Yan family did not care about it.

After posting the video, Qin Yu temporarily sat down and waited for the information to ferment.

After about half an hour, Qin Yu took out his phone, wanting to see the effect.

But at this time, he discovered that all the videos had been blocked!

Qin Yu stood up with a "Bang"!

His expression was somewhat ugly as he said in a low voice, "How could this be..."

Qin Yu tried to continue uploading, but discovered that even his own account had been directly deleted!

This made Qin Yu suddenly find it hard to accept!

"Looks like this path is not going to work." Qin Yu took a deep breath.

He had underestimated the Jingdu martial arts association, and he had even underestimated the Yan family.

Qin Yu gritted his teeth, his face extremely dark.

"If it really doesn't work, I will crash the press conference!" Qin Yu said coldly.

There were countless large scale press conferences held in the Yan country. As long as this video was released at the press conference, even the Yan family would not be able to wipe it clean at that time!

Just as Qin Yu was deep in thought, he once again felt the numerous powerful waves of internal Qi!

“They have caught up to us so quickly?” Qin Yu’s brows were tightly knitted together.

He did not dare to waste any more time. He once again used the shrinking earth to shrink into an inch and continued to flee.

Yan Guiyi and the others soon arrived near Qin Yu.

“We actually let him escape again,” Yan Guiyi said coldly.

“This kid seems to be able to sense our arrival,” the person next to him said.

Yan Guiyi narrowed his eyes slightly and said in a low voice, “It seems that this kid’s spiritual sense is quite powerful... but unfortunately, it’s useless!”

Yan Guiyi waved his hand, and a ray of light fell on everyone’s bodies.

This was a technique commonly used by the JINGDU martial arts association. As long as one used this technique, one could hide one’s internal qi and avoid being detected by others.

Then, Yan Guiyi closed his eyes slightly, as if he was looking for Qin Yu’s position.

“Northeast direction, after him,” Yan Guiyi said coldly.

“Yes.”

The few of them followed behind Yan Guiyi and sped off again!

This time, Qin Yu escaped to a valley.

The surroundings were quiet. There were mountains and rivers. It was a good place for cultivation.

“They seem to be able to track my location.” Qin Yu frowned.

He estimated the time. The time for them to chase was about half an hour.

In other words, they would catch up in half an hour.

Therefore, Qin Yu had to change places every half an hour.

Qin Yu didn't know about Yan Guiyi's strength, so he didn't dare to take the risk.

Because once he was caught, he would have no chance to save Yan Ruoxue.

Qin Yu sat cross-legged on the ground, slowly recovering his internal Qi.

Time flew. About twenty minutes later, Qin Yu opened his eyes.

He glanced at his watch and said in a low voice, “It's about time to change to the next place.”

However, just as Qin Yu was about to get up and leave, four figures suddenly shot out from the darkness!

These four people were all Marquis Wu. They stood in four different directions and blocked Qin Yu's way!

Qin Yu frowned slightly and said in a low voice, "I'm actually one step too late."

He looked at the four people and asked coldly, "Who are you people?"

The four people did not say anything and only looked at Qin Yu coldly.

Qin Yu narrowed his eyes and said, "Are you mute? A bunch of trash. Do It. Don't waste my time."

"How Bold."

At this moment, another figure slowly walked out.

This person was none other than Yan Guiyi!

His face was calm, and almost no fluctuations of internal Qi could be seen.

But even so, Qin Yu could still feel that this person was extraordinary.

Yan Guiyi was playing with two black and gold balls in his hands, slowly walking toward Qin Yu.

"You are Yan Guiyi?" Qin Yu squinted his eyes and asked.

Yan Guiyi smiled faintly and said, "Since you have heard of me, then obediently follow me back. Otherwise, you will inevitably suffer a physical pain."

"Go to Hell. I'll give your mother a flesh and blood pain.." Qin Yu cursed.

Chapter 579: Chapter 579, facing Yan Guiyi!

Yan Guiyi was not angry at all. He said with a faint smile, “I know you have some ability, but I advise you to put away your arrogance, because it will bring you a fatal disaster.”

Qin Yu looked at Yan Guiyi coldly, and the internal Qi on his body slowly rose.

Yan Guiyi continued, “I have seen a lot of people like you. Usually, there are only two outcomes

“Either you die, or you compromise. As for the third outcome, I’ve never seen it before.”

“But go to Hell. Why do you have so much nonsense to say?” Qin Yu sneered.

As he spoke, a golden light suddenly appeared on Qin Yu’s body, and a terrifying internal Qi immediately swept over.

“Since the Jingdu Martial Arts Association sent you here, you must have some ability. I hope you won’t disappoint me.”

As he spoke, Qin Yu’s figure suddenly whispered and shot towards Yan Guiyi!

Yan Guiyi narrowed his eyes. He stretched out his palm and a black-gold light immediately condensed in front of him!

This light was like an iron plate, blocking in front of Yan Guiyi.

Qin Yu punched out. This light emitted a loud bang and cracks appeared on it!

Yan Guiyi said in surprise, “You actually broke my black gold heavenly gate. You really have some ability.”

Qin Yu was also extremely shocked.

He was very clear about the power of his punch. It could even break a small mountain!

But now, it only left a crack on the Black Gold Heavenly Gate!

Yan Guiyi put his hands behind his back and sneered, “If that’s all you have, you’d better come back with me obediently.”

“You talk too much nonsense!” Qin Yu shouted coldly and stepped forward again!

The absolute beginning Holy Fist was unleashed to the maximum at this moment, and it was heading straight for Yan Guiyi’s face!

Yan Guiyi narrowed his eyes. He didn’t Dodge, but chose to face Qin Yu head-on!

The two fists collided at this moment with a trembling sound!

At the moment of contact, streams of black and gold light burst out from Yan Guiyi’s body and finally enveloped his entire body!

“Clang!”

A loud sound rang out, and Qin Yu’s expression changed drastically!

Not only did this punch fail to hurt Yan Guiyi in the slightest, it even shook his wrist until it hurt!

“How could this be!” Qin Yu’s expression changed slightly!

Qin Yu had never been afraid of anyone when it came to his physical body! And this Yan Guiyi was actually slightly better than him!

“It is said that the chaos body is unparalleled in the world. Seeing it today, it really lives up to its reputation.” Yan Guiyi sneered.

He glanced at his fist and then said indifferently, “It seems that the higher-ups’ judgment is right. In time, you might really be able to overturn the entire martial arts world.”

Qin Yu was not in the mood to listen to his nonsense. He looked at Yan Guiyi coldly and kept thinking of countermeasures in his mind.

“Come on, let’s see how strong your internal QI is.” The Aura on Yan Guiyi’s body began to surge!

At the same time, the four of them shot out!

The four of them stood in four different directions. In their hands, they took out a magical artifact.

The magical artifact was suspended in four different directions, and in the end, it flickered with dazzling rays of light!

The rays of light seemed to confine the space, wrapping the space into a cube!

Yan Guiyi sneered, “Qin Yu, you can’t escape anymore.”

Qin Yu looked around. The four lights seemed to confine Qin Yu and Yan Guiyi into the square.

“Since you can’t escape, I’ll kill you.” Qin Yu’s eyes flashed with killing intent, and the power of the divine dragon lit up on his forehead.

Yan Guiyi’s face finally turned cold at this moment.

“In that case, don’t blame me for being rude,” Yan Guiyi said with a cold snort.

With a loud shout, his body turned into a black-gold light and shot toward Qin Yu!

Qin Yu did not dare to be negligent. He immediately used the holy body technique and met the attack head-on!

This was a collision of physical bodies, and the sound of Peng Peng Peng could not be heard.

Both of them seemed to have extremely strong physical bodies. Every collision would cause the space to shake!

In the blink of an eye, the two parties had already exchanged dozens of punches!

The two rays of light clashed together, and it was difficult for them to come to a standstill for a moment!

“Clang!”

It was another head-on clash of fists!

Qin Yu only felt as if his bones were about to be shattered! His thumb and forefinger even cracked!

“How could this be!” Qin Yu lowered his head to look at his bloody fist, and his expression could not help but turn somewhat ugly!

With his current physical body, it was impossible for him to meet an opponent in the Martial Marquis Realm!

How did this Yan Guiyi do it! !

“Qin Yu, give me your life!” Yan Guiyi roared angrily, and the terrifying fist force rushed toward Qin Yu again!

Qin Yu gritted his teeth, roared angrily, and smashed his absolute beginning holy fist!

“Boom!”

However, at this moment, Yan Guiyi’s fist suddenly changed direction and smashed into Qin Yu’s chest!

“Bang!”

Qin Yu instantly shot into the ground like a bullet!

A huge hole was created in the ground, and the Golden Light on Qin Yu’s body was smashed into pieces!

“Hahaha!” Yan Guiyi couldn’t help but laugh out loud.

He patted his chest and said indifferently, “My whole body is made of holy metal. Even if you have great strength, you can forget about hurting me.”

Holy Metal Stone ?

Qin Yu's expression changed. He suddenly thought of something!

Could it be that Yan Guiyi was wearing the same material as the prison of Jingdu Martial Arts Association ?

If that was the case, then it was understandable.

Qin Yu got up from the ground.

He raised his head to look at Yan Guiyi, and a serious expression appeared on his face.

If he continued to fight like this, he might really be captured by Yan Guiyi.

Qin Yu took a deep breath, and his body was rapidly rising.

Then, beams of golden light began to converge, and Qin Yu's body began to expand!

“Limitless Dharma Idol!”

Seeing this technique, Yan Guiyi's eyes immediately flashed with a hint of heat!

“This Qin Yu really controls the limitless dharma idol!”

In the blink of an eye, Qin Yu's body had already expanded to more than three meters tall!

His muscles tensed up, and his body had reached its peak!

Yan Guiyi narrowed his eyes and said, “It’s said that the Infinity Dharma Idol is a lost heaven-rank holy spell. I’ve finally seen it today...”

“Come on, let me see this heaven-rank holy spell!” Yan Guiyi roared angrily. His internal Qi soared, and he rushed toward Qin Yu!

At this moment, Qin Yu suddenly raised his hand slowly, and a purple flame instantly landed on his palm!

This flame was the spiritual fire that claimed to be able to destroy everything!

Qin Yu waved his hand, and threw the spiritual fire directly at Yan Guiyi!

Yan Guiyi could not Dodge in time, and could only let the spiritual fire land on his body!

“Whoosh!”

In an instant, sparks flew in all directions, and Yan Guiyi’s entire body turned purple!

The Flames burned fiercely on his body, wrapping around Yan Guiyi!

Faced with this purple spiritual fire, Yan Guiyi did not panic at all.

His body shook, and an intense chill appeared all over his body!

Under this chill, the flames actually began to disappear!

Then, Yan Guiyi stepped forward again!

Qin Yu's expression changed. He did not dare to be negligent, and immediately clenched his fist to meet it!

“Boom!”

A loud sound spread out. It seemed that all of Yan Guiyi's inner strength was gathered on this punch!

“Deng Deng Deng!”

Qin Yu's body immediately took a few steps back!

Even with the support of the Infinity Dharma Idol, it was still difficult for Qin Yu to defeat Yan Guiyi!

“It's a pity that the Infinity Dharma Idol is in your hands,” Yan Guiyi said coldly.

“If you are willing to hand over the Infinity Dharma Idol, I might consider sparing your life.”

Qin Yu looked at Yan Guiyi coldly and said, “There's no other way. It's the only way.”

Qin Yu closed his eyes slightly, as if he was activating some kind of spell.

In a moment, the internal Qi on Qin Yu's body began to surge!

The golden light on his body seemed to be pulled out, and his body rapidly shrank!

A ball of light instantly condensed on Qin Yu's hands!

The ball of light flickered with a blazing light like the sun, and a rolling heat wave seemed to spread out in all directions!

Chapter 580: Chapter 580, a top-notch big shot

The terrifying wave of Qi caused the few people present to frown slightly.

Even Yan Guiyi could smell a trace of danger from the internal Qi.

His expression turned cold, and the energy in his body erupted. He looked at Qin Yu with a grave expression!

“Rumble...”

The ball of light was still condensing in Qin Yu’s palm. The ball of light grew bigger and bigger. At a glance, it was like a huge sun!

Qin Yu’s pupils looked coldly at Yan Guiyi.

“Such a small space. Even if you want to hide, there’s nowhere to hide,” Qin Yu said coldly.

Yan Guiyi narrowed his eyes and said, “Hide? I don’t need to hide. Come On!”

Qin Yu didn’t say anything more. He shouted angrily and smashed the ball of light in his hand at Yan Guiyi!

In an instant, the blazing white light blocked everyone’s vision!

At that moment, it was as if a Sun had fallen from the sky. The boiling airwaves shook the entire space until it buzzed!

“Come on!” Yan Guiyi roared angrily. His entire body was enveloped by the black-gold light, and his hands ruthlessly pushed towards the huge ball of light!

“Boom!”

A huge explosion sounded! Yan Guiyi relied on his armor to actually use his physical body to withstand it!

“Clang!”

The huge impact force forced Yan Guiyi back dozens of meters!

Not only that, his black-gold armor was flattened!

Yan Guiyi’s expression changed slightly. He shouted angrily and his hands were immediately wrapped by inner strength. He tried his best to fight against the ball of light!

“Rumble...”

This was a confrontation between martial marquises, causing the surroundings to collapse!

The veins on Yan Guiyi’s forehead bulged. His vision seemed to have lost everything. All that was left was a vast expanse of whiteness!

“Ah! !”

Yan Guiyi roared again and again. It could be seen that this technique was putting a lot of pressure on him!

The veins on his arms bulged, and his body was constantly being suppressed downwards.

Even the armor on his body was cracking at this moment!

“Break!”

With Yan Guiyi’s furious roar, the internal Qi on his body burst out to the extreme!

The light ball finally began to disappear slowly.

Yan Guiyi panted heavily, cold sweat kept flowing down his forehead.

He wiped the sweat off his forehead and sneered, “Qin Yu, I have to say, this technique has caused me a lot of trouble, but it’s not difficult for me! You...”

Before Yan Guiyi could finish his words, he frowned slightly.

The four people who used the spatial technique also looked a little lost.

“Where is he? !”Yan Guiyi shouted angrily.

“We... We don’t know either,”the four people said awkwardly.

At a glance, where was Qin Yu’s figure in this space?

However, the spatial barrier had a huge opening, and Qin Yu’s figure had long disappeared without a trace!

“He actually took advantage of this opportunity to escape.”Yan Guiyi’s expression was somewhat unsightly.

Only at this moment did he realize that the original intention of the light ball was not to repel him, but to draw his attention and escape!

“I’ve been played by him.” Yan Guiyi took a deep breath, veins bulging on his forehead.

Anger made his face turn ashen.

At this moment, Qin Yu was speeding away.

“Idiot, who wants to fight you to the end?” Qin Yu snorted as he fled.

Qin Yu didn’t understand Yan Guiyi’s strength.

However, Qin Yu knew very well that the Jingdu martial arts association had countless methods. Even if Yan Guiyi couldn’t kill him, they would still have a way to catch him.

Qin Yu only stopped after running for several kilometers.

He took a deep breath and frowned. “The intermediate stage of the Martial Marquis realm can still cause pressure on me.”

Qin Yu secretly speculated in his heart that if both parties were to fight to the death, it was hard to say who would win or lose.

However, even if he barely won against Yan Guiyi, he would probably be heavily injured.

At that time, it would be very easy for the Jingdu Martial Arts Association to capture him.

Yan Guiyi tried to find Qin Yu’s figure again, but found that his spell had failed.

After all, what he got was only a strand of Qin Yu’s hair. It could not last for long.

“Phew.”

Yan Guiyi looked a little unhappy.

This was the first time he had failed.

“Interesting.”Yan Guiyi snorted.

He looked at the person next to him and said, “Call back and ask the local authorities to look for him.”

“Yes, Mr. Yan.”The person next to him hurriedly nodded.

...

For the next two days, Qin Yu did not stop for even a second.

On the third day, Qin Yu finally arrived at the airport in Jingdu.

According to the agreement, Qin Yu was going to accompany the pavilion master to attend a meeting today.

Although he did not know what kind of meeting it was, Qin Yu believed that the pavilion master would never harm him.

After waiting here for more than an hour, Qin Yu finally caught the figure of the pavilion master.

“Lord Pavilion Master!”Qin Yu quickly walked forward and greeted him.

The pavilion master sized up Qin Yu from head to toe. After confirming that Qin Yu was fine, he nodded slightly and said, “You haven’t encountered any trouble these few days, right?”

Qin Yu smiled bitterly and said, “Yes, the Jingdu martial arts association sent someone called Yan Guiyi.”

Hearing Yan Guiyi’s name, the pavilion master frowned slightly.

“Did you meet him?”The pavilion master asked.

Qin Yu nodded and said, “Yes, this person’s strength is not simple. Even if I tried my best, I might not be able to kill him.”

Hearing this, the pavilion master could not help but be a little surprised.

Then, she said with some gratification, “I really didn’t expect you to have grown to this level.”

“That Yan Guiyi is very famous in the Jingdu Martial Arts Association, even more so than the internationally famous Marquis of Wu. He was the one who captured him. If you kill him, the Jingdu martial arts association will probably explode.”

Qin Yu said coldly, “The next time I see him, I will definitely kill him.”

The pavilion master smiled and said, “It’s about time. We should set off too.”

The two of them stopped a car and rushed to the venue.

On the way, Qin Yu could not help but ask, “Pavilion master, what kind of meeting are we attending?”

The pavilion master said in a deep voice, “A very important meeting, a meeting with a big shot.”

Big Shot?

Even the pavilion master called him a big shot. This meeting was probably not simple.

After driving for two hours, the car finally stopped in front of a venue.

The venue was not huge, but it was magnificent.

The cars parked at the entrance were not luxury cars. Most of them were Audi A6, Volkswagen, and other models.

“This is the place,” said the pavilion master.

She glanced at Qin Yu and said, “Later, remember to restrain your temper and not speak carelessly. Otherwise, you will easily attract trouble.”

Hearing the Pavilion Master’s words, Qin Yu seemed to have understood something.

This meeting was likely to face an official figure.

“I understand.” Qin Yu nodded.

At this moment, another car drove over not far away.

The moment the car stopped, Qin Yu saw a familiar figure.

This person was none other than Xia Hang!

Beside him, there was an old man in a white robe with white hair.

Chapter 581: Chapter 581, I Don’ t care who you are

Although this old man was quite old, his aura was very strong.

Even though one could not see his strength, he was still full of a sense of oppression.

“Qin Yu? Why are you here?” Xia hang frowned tightly.

Normally, shouldn't Qin Yu be chased by Yan Guiyi at this time?

Even if he wasn't killed, he shouldn't be so calm!

Qin Yu sneered, “Why, are you surprised that I'm here? Are you wondering why Yan Guiyi didn't kill me?”

Xia hang frowned even more!

Could it be that even Yan Guiyi was defeated by Qin Yu? !

“You are Qin Yu?”

At this time, the old man beside Xia hang opened his mouth.

His pair of sharp eyes looked coldly at Qin Yu.

“I am, and which Old Bastard are you?” Qin Yu asked bluntly.

Although Qin Yu didn't know who this old man was, since he and Xia hang got out of the same car, he was definitely not a good person. He was most likely someone from the Jingdu Martial Arts Association.

“What did you call me? ! Do you know who I am? !” A trace of anger flashed across the old man's face.

“What, are you old and deaf?” Qin Yu sneered.

“I called you an Old Bastard, an old undying one. What’s Wrong?”

A trace of coldness appeared on the old man’s face. He narrowed his eyes and said, “Truly ignorant people are fearless.”

“Qin Yu! This is the president of our Jingdu Martial Arts Association!” Xia Hang said angrily.

Qin Yu glanced at him and sneered, “Oh, you are the leader of those bastards? I just have something to say to you.”

After saying that, Qin Yu walked toward the old man step by step.

Then, Qin Yu looked at him coldly and said word by word, “Old Beast, you are the one who had Yan Ruoxue captured, right? Listen well, I Will F * CK You Today!”

“You better pray that you can kill me soon. Otherwise, I will definitely pull out your tendons and skin you!”

These few words made the old man’s face turn extremely cold!

A terrifying internal Qi burst out from his body. This internal Qi carried a strong sense of oppression!

Qin Yu did not panic at all. He sneered and said, “What, Old Bastard, you want to make a move? Let’s see where we are. If you have the ability, go ahead and try.”

It was very obvious that Qin Yu had made the right bet.

At the entrance of the venue, even if this old man was angry, he could only endure it!

“You don’t dare to make a move? Then I will come.”Qin Yu sneered.

After saying that, Qin Yu slapped the Old Man’s face!

This slap was unexpected, and even the pavilion master was stunned.

No one had expected that Qin Yu would actually dare to directly slap the president’s mouth!

That president was so angry that his entire body was trembling! He angrily said, “Brat, you really deserve to die!”

Qin Yu sneered and said, “The same goes for you. This slap is just interest. If Ruoxue suffers, I will make you pay back ten times or a hundred times!”

The old man gritted his teeth. He snorted coldly and then flicked his sleeves and left.

After they entered the venue, the pavilion master finally couldn’t help but laugh.

“Qin Yu, how Dare You?”The Pavilion Master couldn’t help but laugh.

“This person’s name is Qu Xie. He is the honorary president of the Jingdu Martial Arts Association and has an extraordinary status. Even the major aristocratic families have to give him some face.”

Qin Yu coldly snorted, “I don’t care who he loves.”

The pavilion master helplessly shook his head and said, “This person’s strength is unfathomable. You’d better be careful.”

“There are many lice and they are not afraid of being bitten.”Qin Yu waved his hand.

“Moreover, in my heart, he has long been sentenced to death.”

Seeing this, the pavilion master did not say anything more.

“Let’s go in,”said the pavilion master.

Qin Yu grunted in gratitude. He followed behind the Pavilion Master and entered the venue.

The venue was not big, but it was filled with the smell of an official.

After the pavilion master entered, he greeted everyone.

Qin Yu didn’t know these people, so he casually found a place to sit down.

A few minutes later, the pavilion master walked to Qin Yu’s side and sat down.

“These people are all not simple. Try not to provoke anyone,”the pavilion master reminded.

Qin Yu grunted and said, “I know what to do.”

More and more people walked into the venue. At this moment, Qin Yu suddenly saw a familiar figure.

The God of the Military District, Ye Qing!

His figure was tall and straight, and his aura was full of vigor. The moment he entered, countless people stood up and greeted him.

Ye Qing nodded slightly, but no expression could be seen on his face.

Qin Yu also waved his hand and shouted, "Mr. Ye, we meet again."

Ye Qing turned around after hearing the news and looked at Qin Yu.

A trace of surprise flashed across his face. Then, he walked quickly to Qin Yu.

"Qin Yu, why are you here?" Ye Qing asked in puzzlement.

"I brought him here," the pavilion master said with a faint smile.

Ye Qing suddenly understood. He looked at the pavilion master and said with a smile, "Ji Yuhong, it must be because of you that Qin Yu can improve so fast, right?"

However, the pavilion master said with a faint smile, "This child is very hard-working. The only reason he can get to where he is today is because of himself."

Ye Qing could not help but burst into laughter. Then, he patted Qin Yu's shoulder and said, "I have high hopes for you."

Qin Yu nodded slightly and said, "Thank you for your good words."

After Ye Qing left, Qin Yu looked at the pavilion master and said, "Pavilion Master, do you know Ye Qing?"

"Yes, we have crossed paths a few times," said the pavilion master.

At this time, a doubt flashed through Qin Yu's mind.

He smiled and said, "Pavilion Master, who do you think is more powerful between Ye Qing and Jiang he?"

The pavilion master shook his head and said, "It seems that the two of them have never crossed paths before. I can only say that... the two of them are not the same kind of people, and they have chosen different paths."

"Ye Qing is a talent type, Jiang he is more hardworking."

Qin Yu touched his chin and said in a low voice, "I can see that Jiang he is a pure martial artist."

"Qin Yu, you have absorbed the strengths of the two of them," the pavilion master said with a smile.

"Pavilion Master, you flatter me." Qin Yu shook his head.

Although Qin Yu had already stepped into the Martial Marquis realm, there was still a big gap between him and ye Qing and Jiang He.

At this moment, a man wearing a Chinese tunic suit walked out from the backstage.

This man looked to be in his fifties. He had eyes and was refined and refined.

Although his expression was warm, his powerful aura made people not dare to look at him directly!

Even though he did not have the internal Qi of a martial artist, it still made people feel a great pressure.

As soon as this person appeared, everyone present stood up in unison.

“Greetings, Mr. Zhou,” everyone said.

Mr. Zhou smiled and waved his hand, saying, “Everyone, please take a seat. There’s no need for such formalities.”

When everyone heard this, they all sat down.

The pavilion master glanced at Qin Yu and said, “This Mr. Zhou might be the person with the highest status you’ve seen so far.”

Chapter 582: Chapter 582. Everyone was shocked!

Qin Yu silently nodded his head.

From everyone’s attitude toward Mr. Zhou, one could tell how high his status was.

After Mr. Zhou took the stage, the meeting officially began.

He took out a document. This document seemed to be aimed at the requirements of various industries.

For example, the Medicine God Pavilion and the Jingdu Martial Arts Association, which represented martial arts.

Qin Yu wasn’t too interested in these things, so he couldn’t say anything. He just sat there quietly and waited.

The entire meeting was solemn and solemn. Everyone was seriously taking notes.

It wasn't because of anything else, but because Mr. Zhou was representing the official opinion.

The meeting lasted for a long time. Qin Yu listened attentively.

After about two hours, the meeting finally came to an end.

Mr. Zhou put away the documents and said with a smile, "This meeting is basically over. Do you have any suggestions or opinions?"

"No, no, of course not. We will follow the arrangements."

"That's right. Mr. Zhou, thank you for your trouble. We will carry out everything strictly according to the standards."

Mr. Zhou nodded. He stood up and said with a smile, "In that case..."

"Hold on." At this moment, Qin Yu suddenly stood up.

Everyone looked at Qin Yu in unison. Their eyes were filled with confusion and shock!

What was this Qin Yu trying to do? Could it be that he really wanted to raise some objections?

"Qin Yu, don't talk nonsense." The pavilion master seemed to be deliberately saying this.

Mr. Zhou, who was in front, looked at Qin Yu and said with a smile, "This is?"

"Hello, Mr. Zhou. My name is Qin Yu, an unknown ordinary person," said Qin Yu.

“Qin Yu...”Mr. Zhou seemed to be thinking about this name.

A moment later, he said with a smile, “I’ve heard of your name. Not long ago, because of the little girl of the Yan family, you caused quite a commotion with Han Wei of the Han family, right?”

Qin Yu slightly bowed and said, “Yes, Mr. Zhou.”

Mr. Zhou sat down again and said with a smile, “If you have something to say, just say it.”

Qin Yu glanced at the crowd and then took a deep breath, he said slowly, “Mr. Zhou, although I’m alone, I can represent a part of the people in the martial arts world. I believe that what I said today is what they want to express.”

At this point, Qin Yu pointed at Qu Xie and said coldly, “I want to ask a question. The cultivation resources in the world are shared by everyone, right?”

Mr. Zhou thought for a moment and nodded. “Yes. Although this belongs to the country, anyone can participate in cultivation.”

Qin Yu said in a deep voice, “Then I don’t understand why all the martial arts resources are occupied by the Jingdu Martial Arts Association.”

“They have taken all the resources. No one is allowed to participate except for their own people!”

“Mr. Zhou, do you think this is fair? Or did you acquiesce to it?”

Almost immediately, everyone broke out in cold sweat!

“This Qin Yu is crazy!” Someone thought to himself.

“I knew this kid was a hothead. I didn’t expect that he was still lacking a brain.”

“Ji Yuhong brought him here. Isn’t she bringing trouble upon herself?”

Qu Qu laughed coldly in his heart.

Was this Qin Yu questioning Mr. Zhou? He was simply courting death!

“Perhaps we don’t need to do anything.” Qu Qu laughed coldly in his heart.

“Qin Yu, quickly shut up! Don’t talk nonsense!” Ye Qing coughed and berated.

“How can you talk to Mr. Zhou! Quickly sit down!”

Qin Yu completely ignored him. His eyes were fixed on Mr. Zhou, as if waiting for his answer.

Mr. Zhou smiled and waved his hand, saying, “Everyone, don’t be so nervous. Since we’ve asked you to come, then you should put forward your suggestions and opinions.”

“I feel that Qin Yu’s arrival has indeed added some vitality to this meeting.”

Hearing this, everyone couldn’t help but be surprised!

Could it be that Mr. Zhou really wanted to answer Qin Yu’s question?

Mr. Zhou seemed to see through everyone's thoughts. He said with a faint smile, "Today, I will not only answer Qin Yu's question directly, but also solve this problem."

Then, he looked at Qu Xie and asked, "Is what Qin Yu said the truth?"

Qu Xie looked a little embarrassed. He hurriedly stood up and said, "Mr. Zhou, it's like this. We..."

"Yes, or No. Don't say too many useless words," Mr. Zhou said with a smile.

Qu Xie braced himself and said, "Yes."

Mr. Zhou nodded slightly and said, "Although the management of your martial arts association is relatively lenient, it is not completely ignored."

"Qin Yu is right. The Jingdu martial arts association has to carry out certain responsibilities."

Qin Yu struck while the iron was hot and continued, "The JINGDU martial arts association has organized all the resources, and these resources are all given to the descendants of the big families!"

"Not only that, if ordinary people like us participate in it, we might even be imprisoned by them!"

Mr. Zhou glanced at Qu Xie and asked with a smile, "Is it true?"

"Yes... yes..." Qu Xie braced himself and said.

Mr. Zhou nodded slightly and said, "Okay, I'll settle this matter today."

He looked at Qu Xie and said, “Your Jingdu Martial Arts Association has organized all the resources, right?”

Qu xie nodded and said, “We have indeed integrated a part of the resources.”

“This part of the resources has to be open to everyone. As for the mechanism, I hope you can come up with a reasonable solution yourself,”said Mr. Zhou.

“Qu Xie, can you do it?”Asked Mr. Zhou.

Qu Xie hurriedly stood up and said, “Yes, I can definitely...”

Mr. Zhou nodded slightly. Then, he said, intentionally or unintentionally, “Qu Xie, don’t treat yourself as an official of the Jingdu Martial Arts Association. Do you understand?”

As soon as he said that, cold sweat immediately broke out on Qu Xie’s forehead!

His words seemed casual, but there was a hint of warning in them!

“I . . . I understand. Don’t worry,”Qu Xie hurriedly nodded and said.

“Also.”Mr. Zhou took a sip of tea.

Then, he continued, “The JINGDU martial arts association has to pay attention to evidence and propriety when doing things. Don’t say that you can do whatever you want.”

“Yes, don’t worry...”Qu Xie kept nodding.

Mr. Zhou nodded. Then, he looked at Qin Yu and said, “Qin Yu, do you have anything else to say?”

Qin Yu gritted his teeth. He was just about to ask Mr. Zhou to rescue Yan Ruoxue.

At this time, the pavilion master reached out and tugged at Qin Yu, shaking his head slightly.

Seeing this, Qin Yu could only take a deep breath, then nodded and said, “Thank you, Mr. Zhou. I have no other questions.”

“Mm, if there are no other questions, then the meeting is over.” Mr. Zhou put away the documents and stood up.

After Mr. Zhou left, everyone looked at Qin Yu with a strange expression.

Qin Yu ignored everyone. He looked at the pavilion master and said, “Lord Pavilion Master, why didn’t you let me continue?”

The pavilion master glanced at Qin Yu and said, “Do you still want Mr. Zhou to interfere in your private affairs? That’s asking for an inch and asking for a mile. You Don’t know what’s good for you.”

Qin Yu opened his mouth and could only lower his head in annoyance.

“Well, you’ve already fought for a great deal of rights and benefits today,” said the pavilion master.

“The Jingdu martial arts association has occupied resources for many years. This time, I’m afraid it’s going to be a bloodbath.”

“You must seize this opportunity and cultivate as soon as possible.”

Chapter 583: Chapter 583, the latest strength ranking

Qin Yu nodded.

This was perhaps the pavilion master's goal.

In the entire meeting, perhaps only Qin Yu dared to speak.

And it was precisely because of this characteristic of Qin Yu that the pavilion master brought him to the meeting.

It had to be said that although this meeting was short, Qin Yu could be considered to have established his reputation among these people.

"I think you can have some free time from now on," the pavilion master said with a smile.

Qin Yu grunted and said, "If I die now, I believe the higher-ups will hold me accountable."

"That's right." The pavilion master nodded his head approvingly.

"Lord Pavilion Master, did you already guess that I would do this?" Qin Yu asked doubtfully.

The pavilion master smiled and didn't comment.

The two of them walked out of the venue. Just as they reached the door, they saw Qu Xie standing there coldly.

He and Xia Hang walked quickly to Qin Yu and said with narrowed eyes, "Qin Yu, how dare you! Do you know the consequences of your actions?!"

“Of course I know,” Qin Yu said coldly.

“From today onwards, the power of the Jingdu Martial Arts Association will definitely be reduced. Everyone will have the opportunity to participate in cultivation!”

Xie Qu sneered. He narrowed his eyes and said, “Qin Yu, you are too naive. Your words today have touched the cake of all the aristocratic families.”

“Do you think they will let you off?”

Qin Yu sneered. “If I was afraid, I wouldn’t have come.”

“Good, good!” Qu Qu gave Qin Yu a thumbs up.

He said coldly, “Don’t think that we won’t have a chance to kill you. There are plenty of opportunities. We’ll see.”

After saying that, Qu Xie turned around and left.

Qin Yu looked at Qu Xie’s back and sneered.

“If nothing unexpected happens, the Jingdu Martial Arts Association will definitely release a public resource,” Qin Yu said.

“That’s right, but you have to be careful. If you participate, they won’t let you have a good end.” The pavilion master also nodded.

Qin Yu said in a deep voice, “Risks and opportunities coexist. I can only do this. Otherwise... I don’t know when I will be able to save Ruoxue.”

Seeing this, the pavilion master could only comfort him, “I will try my best to find someone to make Yan Ruoxue’s life more comfortable.”

Qin Yu nodded. At this time, he suddenly thought of something and said, “Right, how is Yan Jiang?”

The pavilion master said in a deep voice, “He is still unconscious, but his life is not in danger.”

Qin Yu heaved a sigh of relief. He cupped his hands and said, “Pavilion master, when he wakes up, please thank him on my behalf.”

The pavilion master nodded slightly and didn’t say anything more.

On the other side.

After Qu Xie got on the car, his face instantly turned cold.

“F * CK, F * ck!” Qu Xie rarely swore!

“I never thought that I would be defeated by this Qin Yu today. Motherf * cker!”

Xia hang also sighed and tried to ask, “President Qu, this matter is reported to the higher-ups. The higher-ups should handle it, right?”

Qu Xie glanced at Xia hang and snorted, “Handle my ass! Mr. Zhou represents the government. Do they still dare to go against the Government?”

Xia hang opened his mouth and could only comfort him. “Don’t worry, Mr. Yan will definitely kill this Qin Yu as soon as possible.”

“Kill my ass!” Qu Xie said with some displeasure.

“Call him immediately and bring Yan Guiyi back.”

Xia hang was stunned and said, "Why? Mr. Yan should succeed very soon..."

Qu Xie said coldly, "Idiot! If we kill Qin Yu Now, What Will Mr. Zhou think? Do You Want Our Jingdu Martial Arts Association to stand on the opposite side of the government!"

Xia hang suddenly understood. He frowned and said, "Are we going to let Qin Yu go just like that?"

"Let him go?" Qu Xie sneered.

"Doesn't Qin Yu want resources? I'll give them to him!"

"As long as he dares to go, no one can say clearly how he will die."

Xia hang immediately understood after hearing that.

"President Qu, I'll make the arrangements right away! The Jingdu martial arts association has countless resources. Just Pick any one and give it to them," Xia Hang said with a smile.

Qu xie exhorted, "Remember, don't put on an act. You must satisfy Mr. Zhou."

"I understand. Please rest assured." Xia hang nodded slightly.

...

On the other side, after Qin Yu and the Pavilion Master parted ways, they went straight back to Chuzhou.

When they arrived home, handlebar mustache and Yao Qing were roasting mutton to eat.

The two of them looked very happy, and there was a pile of beer bottles beside them.

After seeing Qin Yu, Yao Qing hurriedly stood up and said, “Mr. Qin, you’re back. Come and have some!”

Qin Yu glanced at Yao Qing and said, “Your Dantian was destroyed, and you still have the mood to roast meat?”

Yao Qing said with a smile, “What’s there to worry about? You will help me anyway, right?”

Qin Yu couldn’t help but be speechless. This Yao Qing was really big-hearted.

“Where’s Peaches?” Qin Yu swept a glance, but didn’t find peaches’ figure.

Yao Qing sighed and said, “Peaches’ face has been disfigured. She’s been in a bad mood these few days. You’d better think of a way.”

Qin Yu also felt a little uncomfortable. If it weren’t for him, Peaches wouldn’t have suffered this kind of suffering.

Fortunately, repairing his face wasn’t a difficult thing for Qin Yu.

“Handlebar mustache, what did you want to talk to me about?” Qin Yu asked.

With a wave of his hand, a prescription landed in front of Qin Yu.

“Look, this is the prescription to save Fang Yue,” said the handlebar mustache.

Qin Yu took the prescription and glanced at it. A trace of surprise flashed in his eyes.

This handlebar mustache was really not simple. He could even get such a prescription.

“Thank you.” Qin Yu nodded slightly.

At this point, Qin Yu suddenly thought of something.

He looked at the handlebar mustache and said seriously, “Handlebar mustache, when are you going to dig a grave?”

The handlebar mustache’s old face darkened and he rolled his eyes.

“What do you mean by digging a grave? That’s called archaeology and historical research!”

“Okay, when are you going to archaeology?” Qin Yu said helplessly.

The mustache man mumbled, “Not necessarily. Maybe in the next two days.”

“When you do the archaeology in the future... I’ll go with you,” Qin Yu said.

The Mustache Man threw the mutton in his hand and said with a smile, “Really? That’s a good relationship. I need a fighter!”

“Really.” Qin Yu nodded.

Now, Qin Yu had to seize every opportunity that he could. Maybe he could get lucky through the Mustache Man.

“Okay, then I’ll tell you when I set off,”the handlebar moustache said excitedly.

Qin Yu naturally couldn’t leave these few days, because he knew in his heart that the Jingdu Martial Arts Association would definitely make a gesture.

Sure enough, three days later, the Jingdu Martial Arts Association publicly released a message on the forum:

For the development of the martial arts world, the Jingdu Martial Arts Association would make its private resources public.

Next Monday, we will select ten martial artists from the rankings to participate in our training.

Seeing this news, Qin Yu couldn’t help but sneer.

This JINGDU martial arts association was really shameless. They were obviously forced to, but they made themselves sound so noble.

Then, a ranking list was released.

This list was also the latest and most authoritative ranking list of strength.

Chapter 584: Chapter 584, worried Yan Sihai

There seemed to be a huge change in the rankings this time.

Qin Yu didn’t recognize most of the names.

Ye Qing and Jiang he were still in first place.

Kong Luo of the Kong family was in second place.

However, Han Xiu, who was in third place before, was nowhere to be seen. He was replaced by someone called Song Lun.

Further down, Yan Jinyao's name had also disappeared.

Qin Yu did not see anyone familiar in the entire top ten.

"It seems that the ranking of the martial arts forum is not accurate," Qin Yu thought to himself.

After all, there were many hidden experts who had not been included in the ranking.

Moreover, there was no martial saint in this ranking.

The second ranking was the ranking of the younger generation.

This list had also undergone a huge change!

The person ranked first was Yan Jinyao from the Yan family! His strength was also marked on the list.

The current Yan Jinyao was already a rank three martial marquis and was not far from the intermediate stage.

The second person was Kong Yun, who was also a rank two martial marquis.

The third person was Yao Meng from the Yao family in Jingdu. This was a girl, and she was also a rank two martial marquis!

Looking at this list, Qin Yu couldn't help but feel a little surprised.

Just how many young masters from the aristocratic families hadn't been counted?

Why was this list so different from the previous one?

Continuing to look down, Qin Yu was ranked fourth! He was also the young man with the highest ranking other than the aristocratic families!

Qin Yu's appearance wasn't surprising. After all, with his battle results here, even if the martial arts association wanted to kick him out, it was almost impossible.

Looking further down, it was the people from the various aristocratic families.

For example, Chu Heng, Kong Yun, Zhuang Teng, and the others were also on the list.

It was worth mentioning that the Chu family had two people on the list, Chu Heng and Chu Hedao.

Qin Yu continued to look down, and very quickly, he found a familiar person:

He Teng!

The current he teng had also stepped into the Martial Marquis Realm!
And he was ranked tenth!

"This kid is still alive." Qin Yu narrowed his eyes and couldn't help but snort coldly.

"If he dares to show up this time, I'll take the opportunity to kill him," Qin Yu thought to himself.

There were ten people on the entire list. Besides this list, there were eight more spots.

This spot was specially reserved for ordinary families by the Jingdu Martial Arts Association. Its purpose was to answer Mr. Zhou's request.

This ranking might seem fair, but in reality, it was not accurate. There were many people who had not been counted at all.

For example, the seemingly unreliable handlebar moustache. His strength was definitely not to be underestimated.

Moreover, the fire country was just too big, and no one knew if there were any low profile geniuses.

The time was set to be the Monday of the next week. Qin Yu was not in a hurry and he had plenty of time to make preparations.

"No." I know what kind of benefits this experience will bring, Qin Yu thought to himself.

For the current Qin Yu, only by improving his strength as soon as possible could he have the right to challenge the JINGDU martial arts association head-on.

"Once I understand the strength of the Jingdu Martial Arts Association, it's time for me to take action," Qin Yu said coldly.

Yan Ruoxue was still suffering in prison, which made it impossible for Qin Yu to remain calm.

Moreover, the JINGDU martial arts association had always wanted to get rid of Qin Yu.

...

Jingdu martial arts association.

On this day, Yan Sihai came to Qu Xie's office.

Yan Sihai held a cigar in his mouth as usual, but there was a hint of anger on his face.

"Is your Jingdu Martial Arts Association a piece of trash? You Can't even kill Qin Yu!" Yan Sihai said angrily.

"You keep saying that you're the boss of some martial arts world, but in the end, you're nothing!"

"President Yan, not only is Qin Yu an enemy of the Yan family, he's also the number one criminal of our Jingdu Martial Arts Association," Xie Qu said in a deep voice.

"As long as there's a chance, we'll get rid of Qin Yu immediately."

Yan sihai snorted and said, "Your Jingdu Martial Arts Association sent Yan Guiyi to kill him, but in the end? He didn't kill him, and instead, he appeared in the meeting to stir up trouble."

Qu Xie was not angry at Yan Sihai's rebuke. He smiled faintly and said, "That was just an accident. You have to believe in the ability of our Jingdu Martial Arts Association."

"As long as we are willing, no one can escape our pursuit."

Yan Sihai said somewhat impatiently, "Don't talk big to me here. I Won't believe anything you say until I see his head."

At this time, a young man next to Qu Xie said with a faint smile,
“President Yan, didn’t the Yan family claim to get rid of Qin Yu a long time ago?”

“I remember you said that Qin Yu is an ant in front of the Yan family, right?”

Yan Sihai’s face turned cold. He looked at the young man coldly and said,
“Are you mocking me?”

“I don’t Dare,”the young man sneered.

“The Yan family is a big family. Who Dares to mock you?”

Yan Sihai slapped the table and stood up immediately!

He pointed at the young man’s nose and cursed, “Who do you think you are? Do you even have the right to speak here?”

The young man opened his mouth and wanted to say something, but qu Xie waved her hand and interrupted him.

“President Yan, you came to find me this time for something,”qu Xie changed the topic.

Yan Sihai glanced at Qu Xie and said, “I want to find a few bodyguards from your Jingdu Martial Arts Association. The stronger the better.”

Ever since he was threatened by Qin Yu, Yan Sihai had been restless all day.

Although the Yan family could hire countless experts, the proud Yan Sihai had never paid attention to his own safety.

He didn't even have a bodyguard by his side.

Qu xie smiled and said, "President Yan, why do you suddenly want to find a bodyguard? I remember that the Yan family has a lot of martial marquises, right?"

Yan Sihai was full of anger at the mention of this topic.

He snorted coldly and said, "The Yan family did have a lot of martial marquises, but I've driven them away now."

"Did you drive them away, or did they not listen to your orders at all?" The young man next to Qu Xie said with a faint smile.

"As far as I know, the martial marquises supported by the Yan family don't seem to listen to your orders at all, right? They seem to only listen to the orders of old Mister Yan and Miss Yan, right?"

"And... They seem to be in the dark, as long as Old Mister Yan knows how to contact them."

Hearing the young man's words, Yan Sihai's expression immediately changed slightly.

Just as the young man had said, the Yan family, as a top aristocratic family in jingdu, would naturally provide for a large number of top martial artists!

These people were practically all single-handedly groomed by old Mister Yan. All of them had extraordinary strength!

However, this was a secret of the Yan family. Even Yan Ruoxue herself did not know! How did this young man know about it?

“Speaking of which, I’m also a little curious. President Yan, as the head of the Yan family, how could you not know where the Yan family’s Marquis Wu Is?”The young man continued to ridicule.

Yan Sihai suddenly stood up and said coldly, “You’re courting death, right?”

Chapter 585: Chapter 585, the peak of the Martial Marquis realm

Yan Sihai’s body was full of energy, and anger filled his chest.

Yan Sihai had only recently learned about the information that the youth had mentioned.

But he had never thought that this news would spread to the Jingdu Martial Arts Association.

“Hua Xing, don’t be rude,”Qu Xie said in a low voice.

The youth called Hua Xing took two steps back and didn’t say anything more.

Qu Xie stood up and said, “President Yan, it’s not a problem for you to find a bodyguard. What are your requirements?”

Yan sihai snorted and said, “The stronger the better.”

Qu xie smiled and said, “Come with me.”

The two turned around and walked straight into the prison of the martial arts association.

Soon, they passed by the place where Yan Ruoxue was imprisoned.

Seeing the pale-faced Yan Ruoxue, Yan Sihai's expression changed slightly.

Yan Ruoxue, who was imprisoned in the prison, suddenly narrowed her eyes.

She seemed to want to say something, but she seemed to have lost her strength and couldn't say a word.

"What's going on?" Yan Sihai said coldly.

Qu Xie didn't seem to avoid Yan Sihai. He said with a faint smile, "Why would president Yan care about this?"

Yan Sihai snorted and said, "After all, Yan Ruoxue is my niece."

"Hahahaha!" Qu Xie couldn't help but laugh.

"President Yan, if Yan Ruoxue goes out, aren't you afraid that your position in the Yan family won't be stable?" Qu Xie said jokingly.

Yan Sihai frowned slightly, and a trace of hesitation flashed across his face.

Of course, he was worried, especially when he learned that old Mister Yan had secretly groomed a group of martial marquises.

For the sake of the Yan family's patriarch, he could even kill his own father, let alone his niece.

"Let's go." In the end, Yan Sihai ignored Yan Ruoxue.

Xie Qu sneered. The two of them went straight to a prison of the martial arts association.

In this prison, a thin man was imprisoned.

The man was sitting cross-legged on the ground, his body exuding an internal Qi.

“How is he?” Qu Xie pointed at the man and asked.

Yan Sihai sized him up and asked, “What’s his strength?”

“Marquis Wu, Peak,” Qu Xie said slowly.

Hearing this, even Yan Sihai couldn’t help but be surprised.

“Okay, it’s him!” Yan Sihai put out his cigar and sneered.

...

There were only three days left until Monday.

In these few days, Qin Yu was not in the mood to cultivate.

Ordinary cultivation had already begun to have any effect on him, unless it was ten-thousand-year-old herbs, golden core, demonic beast inner core, spirit vein, and so on.

Therefore, these few days, he had been sending people to inquire about the Jingdu Martial Arts Association.

“Handlebar mustache, you are very knowledgeable. Do you know of a material called Black Gold Stone?” Qin Yu asked.

When he heard black gold stone, handlebar mustache immediately ran over.

“What? You have black gold stone? where is it? Quickly bring me there!” Handlebar mustache said excitedly.

Qin Yu shook his head and said, “No, I’ve only heard of black gold stone, but I don’t know about it.”

A hint of disappointment flashed across handlebar mustache’s face. He sat next to Qin Yu and muttered, “I’m happy for nothing.”

“What kind of material is this black gold stone?” Qin Yu asked.

The handlebar mustache slowly said, “The black gold stone is said to be the hardest material in the world. It is said that this material can even resist the martial saint’s attack.”

Hearing this, Qin Yu could not help but suck in a breath of cold air.

It could resist the martial saint’s attack? Wasn’t this too exaggerated?

“The prison of the Jingdu martial arts association seems to be using the black gold stone.” Qin Yu said with a frown.

Thinking of this, he looked at the handlebar mustache and said, “If you can even resist a martial saint’s attack, then doesn’t that mean that no one can break the defense of the Black Gold Stone?”

“That’s not true.” The handlebar mustache shook his head.

“If you have the strongest shield, you will definitely have the sharpest spear.”

“It is said that there is a material called the golden feather stone. This golden feather stone is the nemesis of the black gold stone, but I have never seen it before.”

Qin Yu’s brows instantly furrowed even more tightly.

Regardless of whether it was the martial saint or the golden feather stone, it was still far away for Qin Yu.

Could it be that he wanted to let Yan Ruoxue suffer in prison forever? Until he found the golden feather stone or stepped into the Martial Saint Realm?

“Is there no other way?” Qin Yu asked in a deep voice.

The mustached man spread his hands and said, “What I know is gone.”

Qin Yu was silent.

“Don’t be too anxious about some things. You can’t eat hot tofu if you are anxious.” The mustached man patted Qin Yu’s shoulder and said no more.

Time flew. There was only one day left until Monday.

Jingdu martial arts association.

A man in a black and gold robe stood in front of Qu Xie.

This man was Yan Guiyi.

“President Qu, are you sure that Qin Yu will participate in this experiential learning?” Yan Guiyi asked coldly.

“He knows that our Jingdu Martial Arts Association won’t let him go, so why would he come to court death?”

Qu Xie smiled faintly. “Old Yan, you don’t understand people who climb up from the bottom.”

“For us, the risk must be controlled within a certain range before we consider the benefits.”

“But for people like them, as long as the temptation is big enough, he will try no matter how high the risk is.”

Yan Guiyi played with the two black beads in his hand and snorted. “As long as he dares to come, I will not let him go.”

Thinking back to the time when he was played by Qin Yu, Yan Guiyi was furious.

Qu Xie said indifferently, “Many people want him dead. As long as he dares to participate, he will die without a doubt!”

At this moment, Xia Hang walked in with two people.

“President Qu, Mr. Han is here,” Xia Hang said.

At a glance, the people who came were Han Meng and Han Wei.

During this period of time, Han Wei’s body had basically recovered, but his strength had stagnated for a long time. He couldn’t even squeeze into the top ten of the ranking list.

“Mr. Han, why are you here?” Qu Xie asked indifferently.

Qu Xie's attitude toward Han Meng was completely different from his attitude toward Yan Sihai.

When facing Han Meng, Qu Xie seemed to be high and mighty.

Han Meng bowed and said, "President Qu, my son, Han Wei, also wants to participate in this experiential learning."

Qu Xie rubbed his chin and said, "Mr. Han, this doesn't seem to be in accordance with the rules."

Han Meng gritted his teeth and said, "President Qu, take it that the Han family owes you a favor."

Qu Xie stood up and said with a smile, "It's not difficult to put someone in, but... that Qin Yu will also participate in this experiential learning."

At the mention of Qin Yu's name, Han Wei's eyes widened and his fists couldn't help but clench!

Han Meng noticed Han Wei's reaction. He took a deep breath and said, "President Qu, this is exactly why I came to look for you."

"Ever since my son lost, this Qin Yu seems to have become his inner demon, causing a great hindrance to his future cultivation."

"So.... I hope president Qu can use this experience to kill Qin Yu! and get rid of Qin Yu in front of my son!"

Chapter 586: Chapter 586: Who Is A lowly commoner?

If Qin Yu didn't die, Han Wei's cultivation would probably stop here!

This was an unbearable loss for the Han family!

Qu Xie had obviously guessed Han Meng's intentions. He smiled faintly and said, "Since Mr. Han has found me, I will naturally satisfy you."

Han Meng was instantly overjoyed and hurriedly nodded. "Thank you very much, President Qu."

Qu Qu snickered in his heart. They had originally planned to get rid of Qin Yu, but they had not expected to earn a favor from the Han family for nothing.

...

Time flew by, and in the blink of an eye, it was Monday.

On this morning, many people had gathered at the entrance of the Jingdu Martial Arts Association.

"I didn't expect that the Jingdu Martial Arts Association would open their training to the public." Zhuang Teng, who was standing in the crowd, could not help but sigh.

"Yeah." Chu Heng was also slightly surprised.

"The Jingdu martial arts association has always monopolized resources. Other than their members, no one else can get their hands on them. What they did this time was really surprising."

"Young Master Yan is here." At this moment, someone saw Yan Jinyao not far away.

As the number one person of the younger generation in Jingdu, his appearance naturally attracted countless gazes.

Zhuang Teng and Chu Heng also walked over with questions.

“Young Master Yan.”Zhuang Teng greeted Yan Jinyao.

Yan Jinyao nodded and didn't say anything.

“Young Master Yan, I heard that Qin Yu will also participate this time,”Chu Heng said, intentionally or unintentionally.

Zhuang teng chuckled and said, “This Qin Yu is really not simple. He suppressed us on the rankings. He really surprised us.”

Yan Jinyao glanced at them and said indifferently, “There's nothing to be surprised about. Every generation will have a proud son of heaven, suppressing all the brilliance of geniuses.”

Hearing this, Zhuang Teng said with some surprise, “Young Master Yan, are you saying that Qin Yu is the son of the proud son of Heaven of our generation?”

Yan jinyao sneered and said, “That's only to you. To me, he's not.”

Yan Jinyao's words were extremely arrogant, and he also belittled Zhuang Teng and the others.

A hint of awkwardness flashed across Zhuang Teng and Chu Heng's faces, but they did not say anything.

Just as the few of them were conversing, a girl walked over from not far away.

This girl had a proud figure, outstanding looks, and an appearance that could topple nations and cities.

And that unique temperament of hers made people unable to help but take a few more glances.

“Miss Yao.” Zhuang Teng bowed slightly.

The girl who was called Miss Yao also greeted politely, “Mr. Zhuang.”

This person was the number one martial artist in Jingdu, Yao Meng! She was also the only young woman who had stepped into the Martial Marquis Realm!

“Miss Yao’s talent really makes others envious.” Chu Heng sighed slightly.

“Yeah, we put our lives on the line to cultivate, but we were still suppressed by Miss Yao.”

“If it wasn’t for this ranking update, I’m afraid we wouldn’t have known that Miss Yao had already stepped into the second rank of the Martial Marquis.”

In the face of everyone’s praise, Yao Meng smiled politely and said, “Everyone is overpraising me. I was just lucky and relied on my naturally superior resources.”

“If we’re talking about talent, I think that Qin Yu is even more surprising. He only took a year to step into the Martial Marquis Realm, right?”

Chu Heng said with some surprise, “Miss Yao also knows Qin Yu?”

Yao Meng smiled and said, “Qin Yu’s name has long spread throughout Jingdu. It’s hard not to know. Speaking of which, I really want to see what kind of person he is.”

Speaking of the Devil, the Devil arrived.

At this moment, Qin Yu appeared at the entrance of the Jingdu Martial Arts Association.

Qin Yu's appearance attracted countless gazes!

Everyone looked at Qin Yu in unison. Their gazes were filled with unspeakable hostility and killing intent!

Faced with everyone's hostility, Qin Yu was not afraid at all. He walked slowly, as if he was strolling in a leisurely courtyard.

"Qin Yu, this is not a place you can come!" At this moment, someone suddenly shouted!

Following that, a young man strode out, his entire body filled with killing intent!

"I knew someone would be restless," Zhuang Teng said with a faint smile.

"His name is Hou Sheng, ranked ninth on the list. At the same time, he is Yan Guiyi's disciple. His provocation is not surprising."

Yao Meng remained silent, her beautiful eyes staring at Qin Yu with interest.

Hou Sheng strode toward Qin Yu. He looked down at Qin Yu and said coldly, "How dare a lowly commoner like you come and get your hands on top-grade resources! Are You Worthy?"

Qin Yu glanced at Hou Sheng and sneered, “Lowly commoner? Top-grade resources? Where do you get your sense of superiority from? Are you relying on your foul mouth?”

Hou Sheng said furiously, “I’m relying on my iron fists!”

Before he finished his words, Hou Sheng’s fists shone with light!

Then, he clenched his fists tightly and smashed them towards Qin Yu with violent inner strength!

Qin Yu’s face turned cold. A golden light instantly rose up and met Hou Sheng head-on!

“Boom!”

A huge boom instantly spread across the entire square!

Then, Hou Sheng was seen to retreat more than ten steps in succession!

On the other hand, Qin Yu stood there without moving an inch.

“With your little ability, you dare to jump out and shout?” Qin Yu said coldly.

Hou Sheng’s face was somewhat embarrassed. He snorted coldly and said, “Humph, it seems that this lowly commoner of yours has some strength, but it’s only so-so.”

After throwing out these words, Hou Sheng turned his head and was about to leave.

“Stop.” Qin Yu said coldly.

Hou Sheng stopped his footsteps and coldly said, “What?”

“You rashly attacked me, and now you want to leave just like that?” Qin Yu said coldly.

Hou Sheng narrowed his eyes and said, “What, do you still have a temper as a lowly commoner? I can leave just like that, what can you do to me?”

“Is that so?” Qin Yu laughed coldly.

A golden light appeared on his body and he appeared in front of Hou Sheng in the blink of an eye!

His speed was so fast that Hou Sheng did not even have time to react before Qin Yu’s palm had already slapped down!

“Boom!”

The huge golden palm ruthlessly slapped onto Hou Sheng’s body!

This palm was extremely powerful and it directly smashed Hou Sheng’s body into pieces, causing fresh blood to drip out.

Even the ground of the square had cracks appearing one after another!

The sudden change of events caused everyone to turn their heads to look at it, and they couldn’t help but mutter softly.

“They’re fighting! They’re fighting!”

“The one who attacked seems to be that Qin Yu! The one who was beaten seems to be Yan Guiyi’s disciple!”

Qin Yu looked at Hou Sheng coldly, and said with a sneer, “The lowlife that you speak of has now trampled you under his feet. Do you still feel that you’re full of superiority now?”

Being slapped to the ground in front of so many people, Hou Sheng’s expression immediately became extremely ugly!

“You Lowly commoner, quickly let go of me!” Hou Sheng shouted angrily.

Qin Yu’s eyes narrowed. He picked up Hou Sheng with one hand and his other hand flashed with a golden light. He slapped Hou Sheng’s face!

“Who is a lowly commoner?” Qin Yu said coldly.

Hou Sheng’s face flushed red. He gritted his teeth and said, “You lowly commoner, you...”

“Slap!”

Without saying a word, Qin Yu slapped him on the face again.

“Who is a lowly peasant?” Qin Yu asked coldly.

Hou Sheng opened his mouth, but he braced himself and said, “YOU MOTHERF * cker...”

“Slap!”

Before Hou Sheng could finish, Qin Yu slapped him again!

This slap sent Hou Sheng flying.

His body spun 360 degrees in the air and finally fell to the ground.

“You’d better put away your sense of superiority. These few slaps will be taken as a lesson to you,”Qin Yu said coldly.

“If you dare to call me a lowly commoner in the future, I promise to pull out your tongue!”

Chapter 587: Chapter 587, Yan Ruoxue’ s friend

Hou Sheng was thrown to the side like a dead dog.

Seeing this, everyone could not help but sigh.

There were many people who wanted to attack Qin Yu, but at this moment, they all wanted to retreat.

“TSK tsk, Hou Sheng, who is ranked ninth on the ranking list, doesn’t seem to have the ability to fight back in front of Qin Yu.”Zhuang Teng sighed.

“That’s right. I’ve already said that if this kid steps into Marquis Wu, there won’t be many people who can beat him.”Chu Heng also said in a deep voice.

“When two people of different levels come into contact with each other, there will definitely be conflicts. This experiential learning won’t be boring.”

...

Qin Yu stood alone at the door, quietly waiting for the beginning of this experiential learning.

His eyes had been staring in the direction of the Jingdu Martial Arts Association, and the killing intent in his eyes was not concealed.

As long as he saw the Jingdu Martial Arts Association's plaque, Qin Yu would think of Yan Ruoxue who was suffering in the depths of the city.

"Damn it..."Qin Yu clenched his fists tightly.

"Mr. Qin, you have great strength."

At this moment, a voice suddenly came from the side.

He turned around and saw that it was Yao Meng.

"Who are you?"Qin Yu sized up Yao Meng, and a hint of hostility couldn't help but appear in his eyes.

Yao Meng smiled and said, "Mr. Qin, don't be nervous. My name is Yao Meng, and I'm friends with Ruoxue."

"You and Ruoxue are friends?"A trace of excitement immediately appeared in Qin Yu's eyes.

He hurriedly looked at Yao Meng and said, "Do you have any way to save Ruoxue?"

Yao Meng said in surprise, "What about Ruoxue?"

Qin Yu's face turned cold, and he couldn't help but gnash his teeth and say, "The JINGDU martial arts association took Ruoxue and locked her in prison."

"I don't know what they want to do, but Ruoxue's body is tied with all kinds of tubes."

“Tubes?” Yao Meng frowned slightly. “That shouldn’t be. Ruoxue is the eldest miss of the Yan family. Why would the Jingdu martial arts association do this...”

Qin Yu snorted coldly. “The Yan family is a bunch of B * stars. Why would they care about Ruoxue?”

Yao Meng chuckled. “Mr. Qin, don’t worry. I believe Ruoxue will be fine.”

This meaningless consolation had no effect on Qin Yu.

However, out of courtesy, Qin Yu still bowed slightly and said, “Thank you, Miss Yao.”

The two of them fell into a short silence.

At this moment, Yao Meng suddenly said, “Mr. Qin, the tube you mentioned just now... I seem to have remembered something.”

Qin Yu hurriedly looked at Yao Meng, waiting for her to continue.

Yao Meng said, “I once went to the library of the Jingdu Martial Arts Association and saw this technique in an ancient book.”

“The pipe you mentioned, is it black and white?”

Qin Yu hurriedly nodded and said, “Yes!”

Yao Meng continued, “This is a kind of spell called blood oath.”

“Blood Oath?” Qin Yu was stunned. Qin Yu was quite unfamiliar with this name.

“Yes, it is said that the blood oath is for the special bloodline of the recipient. This bloodline usually has extremely strong bloodline power,” Yao Meng said.

“After obtaining this bloodline, you can transform yourself. You can even artificially create a group of heaven’s favored children to forcefully inherit this extremely strong bloodline power.”

Speaking up to this point, Yao Meng paused for a moment, and then asked in puzzlement, “I remember... Miss Ruoxue doesn’t seem to be a warrior. She’s just an ordinary person, right?”

Qin Yu also frowned and said, “Yeah, why would she have an extremely powerful bloodline on her body...”

Yao Meng smiled and said, “Maybe that’s really the case. But if that’s the case, you don’t have to worry too much.”

“In order to continuously obtain this bloodline power, the Jingdu Martial Arts Association will definitely ensure Ruoxue’s safety. Of course, suffering is certain.”

Qin Yu’s expression couldn’t help but be a bit strange.

For a moment, he didn’t know whether to be happy or angry.

The good news was that Ruoxue’s life wouldn’t be in danger, which would give Qin Yu more time.

But this pain would last. Such cruel methods made people angry.

“Mr. Qin, I think you should be more worried about your own safety,” Yao Meng said with a smile.

She stretched out her hand and pointed at a group of people not far away.
“They are all full of hostility toward you.”

Qin Yu glanced at them. Those people were the young masters in Jingdu’s circle.

Led by Yan Jinyao, they all cast hostile gazes at Qin Yu.

“If I was afraid of them, I wouldn’t have come,” Qin Yu said coldly.

Seeing this, Yao Meng only smiled and didn’t say anything.

At this moment, another young man walked over.

This young man looked extremely weak, with an indescribable weakness.

The internal Qi on his body was concealed extremely deeply. Even Qin Yu couldn’t see through it.

“You must be Qin Yu.” The young man walked up to Qin Yu and said with a smile.

Qin Yu sized him up and said, “Who are you?”

“I’m Xiao Yuan. I’ve long heard of Brother Qin’s great name. I’ve finally met you today.” The young man said with a smile.

“Xiao Yuan?” Qin Yu frowned slightly.

This name was somewhat familiar. It seemed to be ranked fifth on the list, next to Qin Yu.

“Brother Qin’s talent really makes me ashamed. In a short year’s time, you can step into the Martial Marquis realm. You really make me admire you.”Xiao Yuan cupped his hands and said.

As the saying goes, one should never hit a smiling person. Although Qin Yu didn’t know this Xiao Yuan, he still replied politely, “Brother Xiao, you flatter me. I’m just lucky.”

“Luck is just the humble words of a strong man. Brother Qin, you’re too modest.”Xiao Yuan said politely.

Qin Yu nodded slightly and didn’t say anything else.

“Brother Qin, I’ll go over there and say hello. See you later,”Xiao Yuan said with a smile.

“Okay.”Qin Yu nodded.

After Xiao Yuan left, Qin Yu couldn’t help but frown and say, “He seems to be in the circle of Jingdu too.”

“That’s right.”Yao Meng nodded slightly.

“But this person has never liked to participate in any circle. He can be considered an exception to the Jingdu Young Master.”

Qin Yu nodded and didn’t say anything more.

People began to arrive on the square one after another. Around ten o’clock in the morning, almost everyone had arrived.

Qin Yu swept his gaze around and found several familiar figures.

Among them were he teng and Han Wei.

Although no one could divide them, everyone still couldn't help but form two circles.

The jingdu circle represented by Yan Jinyao and another group of ordinary people's level.

They didn't care about each other, but there was a faint hostility between them.

At 11 o'clock in the morning.

The door of the Jingdu Martial Arts Association finally opened slowly.

Then, they saw Qu Xie, Xia Hang, and Yan Guiyi walk out.

"Everyone here is a chosen one. This is a rare opportunity for all of you," Qu Xie said kindly.

"The location of our training is an island at the border. According to the information we have, this island has excellent Qi/spiritual energy and Demon Beast inner cores."

"Inner cores?" Qin Yu raised his eyebrows.

The inner cores of demon beasts were probably the most attractive item for Qin Yu.

Qu Xie continued, "The people who went on the training last time have all entered the middle stage of Marquis Wu and hold important positions in the Jingdu Martial Arts Association."

"I believe that all of you here will achieve better results!"

Hearing this, the whole place was in an uproar. Even Qin Yu was tempted.

“Everyone, please calm down. Captain Yan will read out the important points later,” Qu Xie said with a smile.

Then, the three of them turned around and returned to the martial arts association.

As soon as they entered the door, Qu Xie’s face turned cold.

He looked at Yan Guiyi and said coldly, “After we get to the island, kill all the people from the bottom level. Leave No one alive!”

Chapter 588: Chapter 588, the collision of the two circles

Yan Guiyi frowned. “Is that necessary?”

Xie Qu snorted. “Didn’t Mr. Zhou ask us to distribute the resources to them? Then I’ll give them the resources!”

“As long as enough people die this time, they won’t dare to participate again even if we invite them next time!”

Yan Guiyi immediately understood and continued, “But... Only the people at the bottom level die, and none of the young masters of the aristocratic families die. is that reasonable?”

“What’s unreasonable about that?” Qu Xie sneered.

“The people at the bottom are weak to begin with. If the weak don’t die, should the strong die?”

Yan Guiyi suddenly understood. He couldn't help but sigh in his heart. The older the ginger, the spicier it was.

Thus, Yan Guiyi turned around and walked out.

He stood in front of everyone again and said slowly, "This trip will be fraught with danger. The association will try its best to ensure everyone's safety."

"Of course, if anyone is afraid, you can withdraw now."

The people below did not say a word. They had fought so hard for this opportunity, how could they let it go.

Yan Guiyi seemed to have guessed it long ago, so he was not surprised. Instead, he took out a total of 18 bracelets.

The bracelets were engraved with dense runes, which seemed to contain a special power.

"Each of you will get a copy of this bracelet. As long as you bring it, I will know everyone's location," Yan Guiyi said.

Then, Yan Guiyi asked someone to divide the bracelet.

After taking the bracelet, Qin Yu couldn't help but carefully examine it.

He injected a trace of spiritual power into the bracelet and found that it contained an extremely powerful power.

This force did not seem to be ownerless. It was obviously made by a special secret technique.

“I’m afraid there’s something strange in this bracelet.”Qin Yu could not help but frown slightly.

He raised his head to look at Yan Guiyi and shouted, “I don’t want to wear the bracelet. I also suggest that no one should wear it.”

Everyone immediately turned to look at Qin Yu, their eyes seeming to be somewhat puzzled.

Yan Guiyi said coldly, “Qin Yu, you’d better not cause trouble!”

Qin Yu ignored Yan guiyi and shouted, “I suspect that this bracelet is used to control us. Once we wear this bracelet, we might become fish meat waiting to be slaughtered.”

Hearing Qin Yu’s words, the ordinary cultivators from the bottom level were all shocked.

In their hearts, Qin Yu was a god-like figure. Therefore, Qin Yu’s words held an extremely high weight in their hearts.

Above them, Yan Guiyi’s expression couldn’t help but turn cold, and his fists were slightly clenched.

He snorted coldly and said, “Whether you want to wear it or not, as long as you don’t wear this bracelet, you’re not qualified to participate in this experiential learning! This is the rule, it’s up to you!”

Qin Yu caressed the bracelet, and couldn’t help but frown.

“Mr. Qin, it’s better to wear it. Don’t those noblemen also wear a bracelet?”Someone at the side advised.

Qin Yu didn't say anything. Although he felt that this bracelet was strange, this experiential learning was an important opportunity, and Qin Yu couldn't miss it.

Therefore, he took a deep breath, and finally put the bracelet on his hand.

Seeing this scene, Yan Guiyi's lips curled into an imperceptible sneer.

He put his hands behind his back and said slowly, "After you put the bracelet on, let's get ready to set off."

The Jingdu Martial Arts Association was the benchmark of the martial arts world, so their financial resources were naturally very strong.

They had even booked a plane for this trip.

The plane passed through the high sky and flew toward the training island.

Sitting on the plane, Qin Yu could clearly feel several murderous auras coming towards him from the dark.

Two of them were the most powerful.

He turned around and looked at the two murderous auras. He found that the two murderous auras came from Han Wei and he teng!

He Teng was wearing a black robe. His face was covered by the black robe, only revealing his vulture-like eyes.

On the other hand, Han Wei's face was full of anger. His eyes were wide open, as if he wanted to Swallow Qin Yu whole.

Qin Yu narrowed his eyes and couldn't help but Snort coldly.

He slowly stood up and walked in the direction of He Teng. Then, he sat down beside him.

“I really didn’t expect that a beast like you would still be alive,” Qin Yu said coldly.

He Teng said in a somewhat hoarse voice, “If I didn’t kill you... how could I die...”

Seeing he Teng’s behavior, Qin Yu couldn’t help but mock, “With your current appearance that is neither human nor Ghost?”

Hearing this, a trace of anger flashed across He Teng’s face!

“If it wasn’t for you... how could I have become like this!” He Teng’s body was full of murderous intent!

“Qin Yu, don’t worry. If the Jingdu Martial Arts Association doesn’t kill you this time, I will personally kill you!”

Qin Yu narrowed his eyes and said, “I also want to see the guy hidden in your body.”

He Teng’s expression changed slightly again. He snorted coldly and didn’t say anything else.

The plane flew in the air for more than four hours before finally landing on a huge island.

As soon as he got off the plane, Qin Yu felt a thread of dense qi/spiritual energy.

This Qi/spiritual energy filled the entire island, causing the island to be lush and full of life.

The entire island was extremely huge. Qin Yu tried to release his spiritual sense, but he realized that his huge spiritual sense was unable to cover the entire island.

“The resources controlled by the Jingdu Martial Arts Association really live up to their reputation,” Qin Yu thought to himself.

Just the resources casually thrown out had such strong Qi/spiritual energy. Who knew how much more they had in such a place.

“From now on, everyone must listen to my orders,” Yan Guiyi said coldly with his hands behind his back.

It was getting late. Yan Guiyi said coldly, “Tomorrow morning, we will officially take action. Now, everyone should take a break.”

Hearing this, everyone immediately dispersed.

Some gathered to chat, some found a place to sleep, and some, like Qin Yu, wanted to make a move first.

The eighteen people had unknowingly formed three forces.

One was the Jingdu Circle represented by Yan Jinyao, one was an ordinary martial artist without any background, and the third was like Qin Yu, who traveled alone.

Qin Yu stood on the seaside. He bent down and picked up a handful of seawater to sniff.

“This seawater actually contains qi/spiritual energy.” Qin Yu was immediately incomparably surprised.

Humans were far from being able to explore the underwater world. No one knew what secrets were hidden under the sea.

“The Qi/spiritual energy on land has long been exhausted. Is there a possibility that all the Qi/spiritual energy has been deposited under the sea?” A bold idea popped up in Qin Yu’s mind!

He put down the sea water in his hand and planned to dive into the sea to investigate.

“Boom!”

At this moment, a loud sound suddenly came from not far away!

A bright ray of light directly illuminated a large area of the sky!

This sound instantly attracted everyone’s attention. Qin Yu’s gaze also unconsciously looked over.

Seeing the scene in front of him, Qin Yu couldn’t help but frown and his expression turned cold.

Chapter 589: Chapter 589, I Think You’re blind!

Not far away, a few people were gathered together.

One of the youths had a sunken chest and blood was flowing out of his mouth.

He sat on the ground, his body constantly curling backwards.

“What, is this a genius from the bottom?” A tall man said coldly.

This person's name was Ling Guan, and he was ranked sixth on the martial arts rankings!

His entire body was filled with flames, and he had a condescending attitude.

When the surrounding people saw this scene, no one dared to approach him.

Ling Guan continued to walk towards the youth. He raised his large hand and grabbed the neck of the youth who was vomiting blood, lifting him up into the air.

“Tell me, is this the ability of the bottom tier? Ants are indeed ants!” Ling Guan Roared, and he exerted force with his hand, directly throwing the youth out!

The young man spat out a mouthful of blood, and two bloody marks appeared on his neck.

Seeing this, Qin Yu didn't say anything and just watched quietly.

Ling Guan didn't stop. He strode toward the young man and stepped on the young man's chest.

“A bunch of ants trying to covet natural treasures,” Ling Guan said coldly.

The young man struggled with all his might. Because he used too much strength, blood started to flow from his seven orifices.

Everyone looked on coldly. Even the low-level martial artists just watched silently.

Not far away, Yan Guiyi saw this scene and couldn't help but smirk.

“Two people of different levels will clash sooner or later, but I didn't expect it to happen so quickly.” Yan Guiyi crossed his arms and sneered.

Qin Yu naturally understood this logic, but he had no intention of making a move.

The biggest weakness of these ordinary cultivators was that they would never band together.

They would never interfere unless it happened to them.

“Why don't you just hide in your small city? Why do you have to get involved in this mess?” Ling Guan's feet became stronger and stronger, as if he would be trampled to death by the young man at any moment.

“Say it, tell me!” Ling Guan shouted loudly.

“F * ck your mother!”

At this moment, a figure suddenly shot out!

He held onto the scarlet light in his hand and headed straight for Ling Guan!

The terrifying force caused even Ling Guan's expression to change slightly!

“Bang!”

The huge collision stirred up a hundred thousand feet of waves on the sea surface!

The two fists collided, but the two actually didn't gain any benefits!

“What bottom level? The top level? It’s all divided by the two of you. I, Chang Mang, am not convinced!” A tall young man shouted loudly.

Ling Guan narrowed his eyes and sneered, “What, you want to stand out? I think you’re courting death!”

Ling Guan let out an explosive shout and his body suddenly shot out explosively, shooting towards Chang Mang!

Chang Mang wasn’t afraid at all. His body was surging with flames, burning with a boundless red light!

Chang Mang let out an angry roar and his incomparably fierce fist collided with Ling Guan!

“Dang!”

Something shocking happened. Ling Guan actually took a few steps back, and the bones in his hand were almost broken!

“A member of an aristocratic family, you are only so-so. I, Chang Mang, will kill you right now!”

Chang Mang’s killing intent surged, and his aura was burning to the extreme!

His red fist contained the power to move mountains and overturn seas as it ruthlessly smashed towards Ling Guan!

His speed was even faster to the extreme!

Ling Guan’s expression changed slightly. He hurriedly activated his spell and formed a barrier in front of him!

“Kacha!”

However, Chang Mang’s strength was beyond his imagination. He actually directly shattered this barrier, and then headed straight towards Ling Guan!

“Boom!”

This punch landed squarely on Ling Guan’s body!

In an instant, ling Guan’s flesh was mangled and his bones shattered!

“I’ll kill you today!” Chang Mang went crazy. He did not have the slightest intention of stopping. Instead, he became even more frantic!

His pair of iron fists did not care about obstructing him and directly smashed towards Ling Guan’s head!

“Boom!”

Right at this moment, a black-gold light suddenly shot over from not far away and headed straight for Chang Mang’s side!

Under this light, Chang Mang was directly sent flying!

With a glance, he saw Yan Guiyi standing in front of Ling Guan, coldly looking at Chang Mang.

Chang Mang’s back was covered in blood from this blow, but he seemed to not know pain as he climbed up from the ground again!

He glared at Yan Guiyi, the murderous aura around his body growing stronger!

Seeing this, Qin Yu could not help but be slightly surprised.

This Chang Mang's body was actually so strong?

Yan Guiyi said coldly, "Attacking a companion is an unforgivable crime. This is a rule of the Jingdu Martial Arts Association."

As he spoke, a ball of black and gold light condensed on Yan Guiyi's palm.

This light pointed directly at Chang Mang, shockingly wanting to take his life!

"The lowest level is the lowest level. You will never understand what rules are!" Yan Guiyi shouted loudly, and the light in his hand immediately shot towards Chang Mang!

At this moment, a golden light blotted out the sky and covered the earth, blocking in front of Chang Mang!

The Golden Fist collided with the black-golden light!

In an instant, the entire surface of the sea seemed to have exploded, with a loud bang!

The waves hit the rocks, and the sound of crashing was heard.

Looking over, they saw Qin Yu standing in front of Chang Mang.

Although he was not tall, he was filled with a sense of security.

Yan Guiyi narrowed his eyes and said coldly, "Qin Yu? Do you want to meddle in other people's business?"

“Meddle in other people’s business?”Qin Yu sneered.

“As the team leader, why did you attack Chang Mang?”

Yan Guiyi snorted and said, “He hurt people first. As the team leader, I naturally have to get rid of such an unstable person.”

“Hurt People First?”Qin Yu couldn’t help but feel like laughing.

“Why didn’t you take action when Ling Guan was bullying people just now? Why? Is it a capital crime for us to rebel at the bottom? Only state officials are allowed to set fires, and commoners are not allowed to light lamps?”

Yan Guiyi’s expression changed, and he snorted lightly. “That’s because I didn’t see it just now.”

“Didn’t see it? I think you’re blind. Since your eyes are useless, why don’t you just take them out and throw them away?”Qin Yu said coldly.

Yan Guiyi couldn’t help but smile. His internal Qi slowly rose, and a strong killing intent swept across the whole place!

“Qin Yu, you slandered the captain. I have the right to punish you,”Yan Guiyi said with narrowed eyes.

Qin Yu’s body emitted a golden light. He sneered and said, “Can’t hold it in any longer?”

“Captain Yan, you... You’re too much of a bully!”At this time, another person stood up!

“Yes! We saw it clearly. It was clearly that Ling Guan who bullied US first. If you want to punish him, you have to punish Ling Guan First!”

His words stirred up a thousand waves. In an instant, all the low-level martial artists started shouting.

This made Yan Guiyi's expression become even colder. He snorted coldly and said, "What a bunch of unruly things! Fine, then I'll teach you what etiquette is!"

As he spoke, Yan Guiyi closed his eyes slightly and muttered something.

Chapter 590: Chapter 590, inner core!

As Yan Guiyi recited the spell, rays of light suddenly lit up on everyone's wrists!

Then, the runes on the bracelet began to emit a dense power that covered everyone's bodies!

In an instant, an extremely terrifying power pressed down on their bodies!

Not only that, that power seemed to be able to corrode people's spiritual sense, causing their brains to rumble!

"Ah!!!"

In an instant, everyone at the bottom level felt as if they had received a tremendous force, wailing incessantly.

They fell to the ground, rolling their bodies non-stop to alleviate the pain.

Even Qin Yu's expression was extremely unsightly, but he did not say a word, enduring the pain with all his might.

“HMPH, you don’t know life from death.”Yan Guiyi placed his hands behind his back, sneering.

“This is the consequence of resisting! A bunch of ants. Do you really think you’re some kind of Heaven’s favorite?”

Qin Yu gritted his teeth. Looking at the pained expressions on everyone’s faces, a wave of anger rose from the bottom of his heart.

Qin Yu forcefully supported his physical body. He held a golden light in his hand and walked toward Yan Guiyi step by step!

“HM?”Yan Guiyi raised his eyebrows and then sneered, “As expected of someone who forced his way up the stairway to heaven. You can even withstand this?”

“F * ck you!”Qin Yu roared. He endured the pain and clenched his fist as he charged at Yan Guiyi!

However, Qin Yu’s body was in pain and his internal Qi was less than one-tenth of his strength. How could he hurt Yan Guiyi?

Yan Guiyi waved his hand and sent Qin Yu flying!

“You dare to fight with me?”Yan Guiyi walked toward Qin Yu.

Internal Qi burst out from his hand, and a sharp blade condensed in his palm.

“Since you are so disobedient, I will kill all of you,”Yan Guiyi narrowed his eyes and said.

“Captain Yan.”

At this moment, Yao Meng suddenly walked out.

She smiled and said, “Mr. Yan, even if they are at fault, they don’t deserve to die. Your casual and indiscriminate killing will easily arouse the dissatisfaction of everyone.”

Yan Guiyi frowned slightly. Just as he was about to speak, Xiao Yuan also walked over from the side.

“Miss Yao is right, Mr. Yan. It’s easy for people to think that you are using the public to seek personal revenge,” Xiao Yuan said with a faint smile.

Yan Guiyi’s frown deepened. He took a deep breath, then snorted softly and withdrew his power.

Everyone was able to breathe, and their faces were extremely pale.

Yan Guiyi, on the other hand, was a little unhappy.

He had thought that he could do whatever he wanted on this island, but he had never expected that these people were not as simple as he had imagined.

“On account of Miss Yao and Young Master Xiao, I forgive you this time,” Yan Guiyi snorted coldly.

“I’m telling you, on this island, you must listen to my orders. If there’s a next time, I won’t show Mercy!”

With that, Yan Guiyi flicked his sleeves and left.

Yao Meng and Xiao Yuan walked to Qin Yu. They helped Qin Yu up and said with a smile, “Are You Alright?”

Qin Yu wiped the sweat from his forehead and shook his head. "I'm fine. Thank you both."

Yao Meng chuckled. "Mr. Qin, you must be joking. Although we are not the same kind of people, I believe that no one will agree if Yan Guiyi wants to kill the innocent."

"That's right. The ancient emperors had to find an excuse to kill people." Xiao Yuan also laughed.

Qin Yu nodded and did not say anything more.

He lowered his head and looked at the bracelet in his hand. His expression could not help but turn ugly.

The power of this bracelet was completely beyond his imagination. It was almost impossible to resist it.

"If this continues, I'm afraid I'll really be at the mercy of others." Qin Yu took a deep breath.

Everyone's faces didn't look too good.

Although they came from the bottom, which one of them wasn't a proud son of heaven?

Now that they were being treated like this, how could their proud hearts accept it?

"Qin Yu, thank you very much." Chang Mang also walked forward and said.

Qin Yu looked at Chang Mang and said with a smile, "To be honest, you quite surprised me."

Chang mang snorted, “What’s there to be surprised about? If I was stronger than Yan Guiyi, I would definitely kill him!”

As he spoke, Chang Mang clenched his fists, and a crimson aura ignited once again from his internal Qi.

“Speaking of which, your physical body is really surprising,”Qin Yu said after the difference between them reached that crimson color.

Chang mang nodded and said, “Yes, I have been extremely strong since I was young. I also found it strange, until someone said that I was some kind of saintly being and then brought me to cultivate.”

“Saintly being?”A trace of shock flashed across Qin Yu’s face!

This Chang Mang was actually a saintly being? One had to know that this kind of physique was one of the top physiques in the world!

“In other words... that scarlet color is because of your physique?”Qin Yu asked.

“Yes.”Chang Mang nodded.

“In that case, it should be the same as my golden color,”Qin Yu thought to himself.

This also made Qin Yu involuntarily think of Jiang Gu’s body.

His body was also a saintly being, but it didn’t have this scarlet color.

Perhaps it was because that saintly being didn’t belong to Jiang Gu.

After this incident, the circles were officially divided.

The jingdu circles led by Yan Jinyao, and the ordinary circles led by Qin Yu.

Perhaps it was because of Qin Yu's strength, that night, the people of the Jingdu circles didn't come looking for trouble.

The next day.

Everyone stood on the beach, waiting for Yan Guiyi's order.

Yan Guiyi swept his gaze over everyone and coldly said, "Since it's training, there's naturally no lack of danger. and on this island, the most important resource is the demonic beasts."

"As long as you kill the Demonic Beasts, you will be able to obtain an inner core. All the inner cores you obtain must be handed over, and they will be distributed by me."

Hearing this, Qin Yu could not help but laugh coldly.

Let Yan Guiyi distribute them? Then wouldn't the low-level circle be reduced to a part-time job?

In their lives, they belonged to the level of being exploited. Now that they had come to this island, they were still going to be exploited?

"How interesting." Qin Yu could not help but laugh coldly in his heart.

Yan Guiyi swept his gaze across the crowd. He had his hands behind his back, as if he was silently reciting some kind of spell.

"Soul Guiding spell. The Jingdu Martial Arts Association actually knows Soul Guiding Spell." In the dark, he teng's mouth muttered softly.

Back then, he teng had also used soul guiding spell to summon a dragon spirit, and Yan Guiyi's soul guiding spell was clearly of a higher level.

As he recited the spell silently, the surface of the sea suddenly churned with huge waves!

Then, a huge demonic beast roared and rose!

This demonic beast was at least ten meters tall and looked extremely horrifying!

Not only that, its aura was also extremely violent. With just a roar, it shook the earth and caused it to buzz!

For a moment, everyone was frightened by this demonic beast!

Yan Guiyi said coldly, "This is a demonic beast. Kill it and you will get the internal Qi."

"And the Internal Qi of a demonic beast is equivalent to the golden core in Marquis Wu's body!"

Qin Yu's eyes narrowed, and a trace of pleasant surprise flashed across his face.

It was equivalent to the golden core in Marquis Wu's body? In other words, as long as he killed enough demonic beasts, he would have the chance to become a martial saint?

My Rich Wife – Chapter 591 –

Chapter 591: Chapter 591, one punch!

This demonic beast looked extremely huge, and its internal Qi was extremely dense.

“What kind of spell did Yan Guiyi use to summon this demonic beast?” Qin Yu frowned and couldn’t help but think in his heart.

If he could obtain this spell, then he would be able to rely on the demonic beast to cultivate.

Yan Guiyi swept his gaze across the crowd and said by name, “Now, I will appoint a person to kill the demonic beast.”

Then, Yan Guiyi looked directly at Yan Jinyao and said, “Yan Jinyao, you do it.”

Yan Jinyao nodded slightly. He took a step forward and soared into the sky!

With a flip of his palm, a long sword fell into his hand!

Yan Jinyao held the long sword in his hand. With a wave of his hand, a huge sword light suddenly came from the sky!

“Swoosh!”

The sword light seemed like it was going to split the surface of the sea!
The rainbow-like light fiercely landed on the neck of the Demon Beast!

“Roar!”

The moment the sword light landed, the demon beast let out a hoarse roar!

Then, the head of the Demon Beast was directly chopped off by a sword!

Seeing this, everyone could not help but be dumbfounded.

Just a single sword had chopped off this huge monster?

This was a little too terrifying!

Even Yan Guiyi's face flashed with a trace of admiration.

He nodded slightly and said, "As expected of the number one person on the ranking list!"

Yan Jinyao, however, appeared extremely calm. With a wave of his hand, he directly tore open the stomach of the demonic beast and took out an inner core.

He handed the inner core to Yan Guiyi and then retreated to the side.

Yan Guiyi smiled and said, "As everyone can see, this is the inner core! The inner core contains the purest Qi/spiritual energy, and it has a magical effect on cultivation."

Then, Yan Guiyi once again used the soul guiding technique and summoned a second demonic beast!

This demonic beast was still very powerful, and the one who attacked was Kong Yun!

Kong Yun was not inferior either. In just two moves, he subdued the demonic beast and took away the inner core!

The third demonic beast was attacked by Yao Meng!

Yao Meng's method seemed to be much gentler. She raised her jade-like hand and lightly slapped forward. The entire surface of the sea was instantly stirred up by boundless waves!

The penetrating force of this palm was extremely strong. The demonic beast immediately fainted and collapsed onto the ground.

As the fourth person on the ranking list, Qin Yu was naturally the next to attack.

Yan Guiyi glanced at Qin Yu, a sinister glint flashing in his eyes.

Then, he saw Yan Guiyi putting his hands together and mumbling something.

This time, the casting time was extremely long. It lasted for a whole few minutes, but there was still no sign of it stopping.

Not far away, he teng seemed to have heard the spell that Yan Guiyi was mumbling.

He Teng's expression changed, and he exclaimed, "This is... This is the spell to summon the Qingfu Tortoise! Yan Guiyi actually wants to summon the Qingfu Tortoise!"

Han Wei, who was standing beside he teng, frowned and asked, "What is the Qingfu Tortoise?"

He Teng said in a deep voice, "Young Master Han, to tell you the truth, this Qingfu Tortoise is an earth-rank demonic beast. Its body is

indestructible, and it is extremely fierce. Its terrifying strength is beyond imagination.”

Han Wei heard this and could not help but sneer, “It seems that Yan Guiyi wants to use this qingfu tortoise to get rid of Qin Yu.”

He teng nodded slightly, “That’s right. The few demonic beasts that Yan Guiyi summoned before are nothing compared to the Qingfu Tortoise.”

“Hurry up and let him die, let him die!” Han Wei gnashed his teeth and said.

“Young Master Han, don’t worry. Qin Yu will definitely die this time,” he teng said.

Following Yan Guiyi’s internal Qi, a powerful aura blew over!

Although the demonic beast had yet to show itself, the immense pressure was suffocating.

“Boom!”

Finally, a huge demonic beast burst out from the surface of the sea!

This demonic beast was extremely huge. Its entire body was green and it looked like a turtle!

Unlike a turtle, it had fangs in its mouth and scarlet eyes. It looked extremely terrifying!

Yan Guiyi closed his hands and said indifferently, “Qin Yu, it’s your turn.”

Qin Yu could naturally see Yan Guiyi's intention. He glanced at Yan Guiyi and sneered, "You want to kill me with a Chance?"

Yan Guiyi pretended to be innocent and said, "What do you mean by killing you with a chance? Why? Are you blaming me if you can't do it yourself?"

Qin Yu couldn't be bothered to argue with Yan Guiyi. He stared at the huge qingfu turtle in front of him and couldn't help but look solemn.

"Boom!"

At this moment, the Qingfu tortoise struck at Qin Yu!

What was shocking was that the qingfu tortoise was huge in size, but its speed was extremely fast. In the blink of an eye, it had arrived in front of Qin Yu!

"What speed!" Everyone could not help but suck in a breath of cold air!

Qin Yu naturally did not dare to be negligent. He used shrinking earth into an inch and quickly retreated.

That huge palm slammed fiercely onto the ground.

The entire ground instantly buzzed, and a huge pit appeared in front of everyone!

"HMPH, this is the bottom layer. Compared to the geniuses of the aristocratic families, it's far inferior," Yan Guiyi mocked.

Qin Yu ignored Yan Guiyi. His body erupted with golden light as he looked at the Qingfu tortoise with vigilance.

“Boom!”

The qingfu tortoise struck out with its palm once again. The huge palm arrived almost instantly!

Qin Yu let out an angry roar as golden light appeared all over his body. Not only did he not Dodge, he faced it head-on!

This was the physical collision between a human and a Demon Beast! It was almost unprecedented!

“You don’t know death.” Seeing this, Yan Guiyi could not help but sneer in his heart.

One must know that the inner cores of demonic beasts of the same level were much stronger than that of humans. It was definitely not something that humans could resist!

“Boom!”

The giant palm of the Qingfu Tortoise and Qin Yu’s fist collided fiercely!

However, the giant palm of the Qingfu tortoise did not stop at all. It pressed down directly!

“Qin Yu!” Everyone could not help but roar when they saw the situation!

Even Yao Meng covered her mouth slightly!

“Fighting head-on with the Qingfu tortoise is really reckless,” Yan Jinyao said faintly.

“I remember that a few years ago, a qingfu tortoise once appeared on the surface of the sea. Later, an army was mobilized to kill that Qingfu Tortoise.”

“Yes, I also heard about it. It is said that a lot of modern thermal weapons were used.”

That huge palm laid on the ground, raising a hundred thousand feet of dust.

Yan Guiyi’s lips curled into a cold smile. He put his hands behind his back and said indifferently, “I declare that Qin Yu is dead, and that his experience has been lost...”

“Boom!”

Before Yan Guiyi could say the word “Lost,” the Qingfu Turtle’s huge palm was directly propped up!

At a glance, a golden light that shook the heaven and earth burst out!

Qin Yu’s body was constantly expanding, and his body was covered in a dazzling golden light!

In the blink of an eye, Qin Yu’s body grew to more than five meters tall! Not only that, but his body was also growing!

“Infinity Dharma Idol!” Seeing this scene, Yan Guiyi’s face could not help but change!

“The Infinity Dharma Idol this time... is much bigger than the last time...”

This made Yan Guiyi feel a trace of unease. One had to know that the limitless aspect was a godly skill. Back then, it had caused a lot of trouble to the Martial Arts Association!

“Boom!”

Finally, the body that was over seven meters tall finally stopped!

Qin Yu opened the Qingfu Tortoise’s internal QI. He stared coldly at the Qingfu Tortoise. The aura around his body was rising rapidly!

In the next second, Qin Yu clenched his fists. His feet shook, and his Golden Fist smashed fiercely at the Qingfu tortoise!

That golden light almost covered the sun!

The Golden Fist smashed directly at the Qingfu Tortoise’s head!

“Boom!”

This punch could be said to be as easy as crushing a dried twig, shaking the past and the present. Its power exceeded everyone’s imagination!

“Pu!”

In the next second, something shocking happened.

The Qingfu Tortoise’s head exploded under this punch, turning into a puddle of blood!

Just one punch had shattered the Qingfu Tortoise’s head!

Chapter 592: Chapter 592, Collusion

The supposedly indestructible Qingfu Tortoise's head exploded at this moment!

What appeared before everyone's eyes was a tall golden giant with a cold gaze!

He held the Golden Spring in his hand, looking awe-inspiring, with an attitude of looking down on the world.

At this moment, even Yan Jinyao and the others couldn't help but be moved!

"How is this possible..." Yan Guiyi's face was extremely unsightly, and the killing intent in his heart increased by a few points!

It had only been a few days, and Qin Yu's infinity aspect had improved so much. In time, what kind of state would he step into?

He dared not imagine!

At this moment, Qin Yu's eyes suddenly looked coldly at Yan Guiyi.

Although it was only a glance, there was a strong sense of warning.

It was as if it was saying, "Can your black gold stone withstand this punch?"?

Yan Guiyi's pupils shrank, and his face was extremely gloomy.

He could not help but clench his fists, and a strong killing intent emerged from the bottom of his heart.

At this moment, Qin Yu flipped the Qingfu Tortoise's body, and then his huge hands grabbed the qingfu tortoise, directly tearing it into two halves!

An inner core fell into Qin Yu's hands.

This inner core was colorful, and there were colors flowing within it. It was like a rainbow, completely different from an ordinary inner core.

Qin Yu's body slowly returned to normal, and a layer of sweat appeared on his forehead.

Even though Qin Yu had already stepped into the Martial Marquis realm, it was still somewhat difficult for him to use the limitless aspect.

Qin Yu took the inner core and walked in front of Yan Guiyi.

He handed the inner core to Yan Guiyi and said coldly, "It's a pity that the qingfu tortoise couldn't kill me."

Yan Guiyi's expression changed slightly again. He took the inner core and couldn't help but Snort coldly.

Not far away, he teng and Han Wei's expressions became even more unsightly.

"Didn't you say that the Qingfu tortoise could definitely tear Qin Yu Apart?" Han Wei said coldly.

He Teng glanced at Han Wei and frowned. "I didn't Expect Qin Yu's strength to be this overbearing..."

Han Wei gritted his teeth, his eyes wide open.

As long as someone praised Qin Yu, his heart would be filled with anger!

To Han Wei, he was unwilling to admit that the kid he had stepped on previously had already left him far behind!

“My mood back then was exactly the same as yours.” He Teng seemed to have hammered out Han Wei’s thoughts.

Han Wei glanced at He Teng and coldly snorted, “You? You’re just a lowly ant. How could you understand my thoughts?”

When He Teng heard this, the corners of his mouth could not help but curl up into a sneer.

“The attitude of you noblemen is really disgusting at times,” He Teng said darkly.

Han Wei snorted, “You’d better pay attention to your attitude when talking to me. I can’t kill Qin Yu, so killing you is not a problem.”

He Teng didn’t pay attention to Han Wei, not because he was afraid of Han Wei, but because Han Wei was a member of Jingdu’s circle. If he offended him here, Yan Guiyi would not sit idly by.

Qin Yu found a place to sit cross-legged. He absorbed the internal Qi/spiritual energy from the bottom of the sea to recover the aura of his body.

Not far away, Demon Beasts fell one after another, but none of them could be compared to the qingfu tortoise.

After an unknown period of time, it was finally Chang Mang’s turn to make a move.

Qin Yu's eyes slowly opened at this moment.

Chang Mang was facing a huge demon beast called the bloody rain dolphin. Its body was huge and its strength was not ordinary.

Although it was not as strong as the qingfu tortoise, it was much stronger than the other demon beasts.

Obviously, Yan Guyi did this on purpose. After all, Chang Mang had contradicted him before.

Yan Guyi looked coldly in Chang Mang's direction, and the corner of his mouth curled into a sneer.

"You low-level trash, you should also pay... Huh? !" Before Yan Guyi finished his fart, his face suddenly changed drastically!

Chang Mang roared angrily, and his entire body was covered in red! His towering rage made Chang Mang look like a ferocious beast that had lost its rationality!

"Boom!"

His Crimson Fist smashed fiercely onto the bloody rain dolphin's Body!

With just one punch, his incomparably fierce fist had shattered the bloody rain dolphin's body, turning it into a rain of blood that filled the sky!

"How... how could this be!" Yan Gui flew into a rage! "..."

He could still tolerate a Qin Yu, but why was there another Chang Mang Now? !

“What’s going on with these bottom-level people! These damn bastards!” Yan Guiyi roared angrily in his heart!

Chang Mang dug out the inner core and walked to Yan Guiyi.

He handed the inner core to Yan Guiyi, snorted lightly, and walked to the side.

The veins on Yan Guiyi’s forehead bulged. Because of his anger, his whole body was almost trembling!

“These people at the bottom must die, they must die!” Yan Guiyi said angrily.

Not far away, Qin Yu was also a bit surprised.

“As expected of a saintly being,” Qin Yu thought to himself.

“It seems that Jiang Gu’s saintly being hasn’t been developed yet.” Qin Yu couldn’t help but exclaim that it was a bit of a waste.

The summoning of the demonic beasts continued, and several more demonic beasts fell.

At this moment, it was finally He Teng’s turn.

Qin Yu looked coldly in the direction of He Teng. He also wanted to know what kind of ability he Teng had now.

He Teng’s entire body was wrapped in a black robe, so no one could see the expression on his face clearly.

Facing the Demonic Beasts, He Teng’s methods were completely different from Qin Yu’s.

He did not rely on his physical body. Instead, he held a huge amount of energy in his hand.

The strength of this energy was beyond imagination. It was like a pure energy ball.

Even Yan Guiyi was shocked by this energy. Such a dense energy was completely not something that a newly advanced marquis could use.

“Boom!”

He Teng lightly flicked his palm, and this huge energy ball stirred up raging waves on the surface of the sea!

The enormous demonic beast seemed to be unable to withstand a single blow, and was instantly torn apart by the energy ball!

He Teng's finger gently pointed forward, and the inner core fell into his hand.

Qin Yu's brows slightly furrowed, and his face carried a hint of coldness.

This He Teng's strength was clearly beyond imagination.

Moreover, this was definitely not his full ability. After all, when facing the people from the Jingdu Martial Arts Association, he would definitely have his trump card.

“It seems that the guy hidden in his body is very unusual,” Qin Yu thought to himself.

He Teng took the inner core and walked to Yan Guiyi.

He handed the inner core to Yan Guiyi and turned to leave.

At this time, Yan Guiyi reached out and pulled he teng.

“Are you he teng, who is known as the number one in the Central Plains?” Yan Guiyi asked coldly.

He Teng bowed slightly and said with a smile, “That’s just an empty title. It has long become a joke.”

As he said this, he teng unconsciously glanced at Qin Yu, who was not far away.

Yan Guiyi narrowed his eyes and said, “I remember that you have a grudge against Qin Yu, right? Do you want to take revenge?”

He Teng said with some surprise, “Captain Yan, what does this mean?”

Yan Guiyi put his hands behind his back and said faintly, “I can give you a chance to take revenge and let you join the Jingdu Martial Arts Association.”

Chapter 593: Chapter 593, the sinister Yan Guiyi

Hearing this, he teng couldn’t help but squint his eyes.

To He Teng, he had always wanted to change his identity.

A mere aristocratic family from the central plains wasn’t even worth mentioning.

If he could join the Jingdu Martial Arts Association, then that would be the true qualitative change of his identity.

“Captain Yan, what do you need me to do?” He Teng asked.

Yan Guiyi put his hands behind his back and said indifferently, "I can see that you are not simple. I will create an opportunity for you to get rid of Qin Yu."

"When you kill Qin Yu, the Jingdu Martial Arts Association will naturally give you a position."

He Teng said in a low voice, "Captain Yan, do you think I can kill Qin Yu by myself?"

"No." Yan Guiyi shook his head.

He put his hands behind his back and said slowly, "To tell you the truth, even I am not completely confident that I can kill Qin Yu, but I will think of a way to make Qin Yu's condition decline."

"Oh?" This made He Teng even more surprised.

"If that's the case, why didn't you find someone else to do it? Instead, you came to me?"

Yan Guiyi snorted, "Because you are the most suitable."

He Teng didn't say anything. He was silent for a moment, then nodded and said, "Okay, I promise you."

Yan Guiyi nodded approvingly and said, "Go. I will find an opportunity for you."

He Teng didn't say anything more and turned around to leave.

The first round of the Demon Beast Slaughter gradually came to an end.

At this time, the sky gradually darkened and the sun had already set.

At night.

Yan Guiyi gathered everyone together. He held the inner pellet in his hand and said faintly, “Now, I’ll distribute the inner pellets.”

He flipped his palm, and one inner pellet after another fell into his palm.

The quality of these inner pellets was good and bad. Among them, the qingfu turtle inner pellet that Qin Yu killed was the most precious.

Yan Guiyi took out the qingfu turtle’s inner pellet. He glanced at everyone and said, “Yan Jinyao.”

Yan Jinyao walked out with big steps. He looked at Yan Guiyi quietly and waited for Yan Guiyi to continue.

Yan Guiyi handed the inner pellet to Yan Jinyao and said, “This is your inner pellet.”

Hearing this, the faces of the people at the bottom couldn’t help but change.

Qin Yu’s brows also furrowed slightly.

“F * ck you! This inner core clearly belongs to Qin Yu. Why should it be given to Yan Jinyao?” At this moment, Chang Mang suddenly said angrily.

Yan Guiyi’s face turned cold. He raised his finger, and the bracelet on Chang Mang’s hand immediately sparkled.

The intense pain instantly made Chang Mang gape and want to kneel on the ground!

“I’ll give you a chance to reorganize your words,” Yan Guiyi said coldly.

Chang Mang endured the pain and struggled to stand up from the ground. His entire body was covered in a layer of crimson red.

“I’ll... kill you!” Not only did Chang Mang not show any remorse, he even clenched his fist and rushed towards Yan Guiyi!

Yan Guiyi snorted lightly. He waved his large palm and a huge force instantly sent Chang Mang flying!

“You all saw it. He was disrespectful first,” Yan Guiyi said coldly.

He was worried that he couldn’t find a reason to get rid of Chang Mang. He didn’t expect Chang Mang to come to him of his own accord!

At this moment, Qin Yu stood in front of Chang Mang. He looked at Yan Guiyi coldly and said, “Chang Mang is right. The inner core of this qingfu turtle should belong to me. Why should you give it to Yan Jinyao?”

Yan Guiyi snorted lightly and said, “Since the distribution rights are in my hands, I can give it to whoever I want.”

Yan Jinyao smiled faintly and said, “The stronger you are, the more you will get. If you don’t give it to me, should I give it to you?”

“Oh?” Qin Yu immediately took a step forward when he heard that!

His body was full of fighting spirit. He sneered and said, “So you think you are stronger than me?”

“Or what?” Yan Jinyao did not want to be outdone. He looked at Qin Yu and burst out with an aura.

“Then let’s give it a try!” Qin Yu strode forward, his fighting spirit bursting to the limit!

The sudden change made everyone somewhat surprised!

Yan Guiyi frowned slightly and snorted, “The people at the bottom don’t know the rules. It seems that we have to teach you a good lesson. Otherwise... you will never know what it means to be obedient!”

With that, Yan Guiyi let out an angry roar, and the power on his bracelet exploded once again!

This terrifying power directly wrapped around everyone’s body, and everyone’s faces changed drastically!

The power this time seemed to be even more tyrannical than the last time. Even Qin Yu could not bear it and fell to the ground with a plop!

It was also at this time that Yan Jinyao strode forward and punched out both his fists at the same time, sending Qin Yu flying directly!

Qin Yu struggled to stand up from the ground. Just as he was about to move forward, Yan Guiyi suddenly increased his strength!

“Boom!”

In an instant, Qin Yu’s entire mind received a heavy blow, and he instantly fell to the ground!

Yan Guiyi looked at Qin Yu coldly and said, “Do you know your mistake?”

“I know your mother!”Qin Yu said through gritted teeth.

Even if Qin Yu could not stand up, it still could not change his unyielding will!

Yan guiyi sneered and said, “You are quite stubborn. Well, let everyone accompany you to be punished.”

Qin Yu’s face was extremely ugly. He looked at the others and saw that their faces were already pale. Some of them could not even bear it anymore.

“Qin Yu, even if we die, we will not lower our heads to him!”Chang Mang gritted his teeth and said.

However, Qin Yu’s brows were tightly knitted.

He could withstand this power, but the others might very well be tortured to death by this power.

Thinking of this, Qin Yu couldn’t help but clench his teeth.

He took a deep breath and said, “This inner core... I’ll give it to you.”

Only then did Yan Guiyi nod his head in satisfaction. He waved his hand and dispelled the power in everyone’s bodies.

“Remember, in this place, I have the final say,”Yan Guiyi swept his gaze over everyone and said coldly.

Qin Yu’s expression was extremely cold. Although he had hatred in his heart, he could only endure it.

A few minutes later, Yan Guiyi finished distributing the inner cores in his hands.

When it was Qin Yu's turn, Yan Guiyi deliberately threw the inner cores on the ground and stomped on them until they were crushed.

"TSK tsk, I'm sorry. I accidentally crushed these inner cores," Yan Guiyi said with a faint smile.

Qin Yu's face turned cold, and a murderous aura instantly burst out!

"What? Are you not convinced?" Yan Guiyi raised his eyebrows and asked.

Qin Yu gritted his teeth and said coldly, "Yan Guiyi, you will pay the price. We'll see."

Hearing this, Yan Guiyi couldn't help but sneer.

He leaned against Qin Yu's ear and said in a low voice, "Think about how you're going to leave this place first. Oh, right. Yan Ruoxue is in a lot of pain in prison now. Although she won't die, she will be tortured forever."

"Can you imagine the pain of having all the regenerated blood stripped away? TSK TSK, you can't even protect the woman you love. What a waste."

"F * ck you!" Qin Yu couldn't hold it in anymore.

His golden fist burst out and smashed at Yan Guiyi!

Chapter 594: Chapter 594, Fight He Teng again!

Qin Yu's punch contained anger, and its power was beyond imagination!

More importantly, the distance between the two was too close, and Yan Guiyi could not retaliate at all!

He could only quickly put his arms in front of him to take Qin Yu's punch head-on.

“Boom!”

This punch landed squarely on Yan Guiyi's arm.

In an instant, Yan Guiyi's body shot backward, and his arms went numb from the Impact!

If not for the protection of the black gold stone, this punch would have broken his bones!

“If you dare to say another word, I will kill you!” Qin Yu's eyes were wide open, and his ferocious face made people look extremely terrified!

Yan Guiyi's face was a bit cold. He shook his arm and sneered, “So anxious? Hehe, it's just a useless rage.”

“Say It Again!” Qin Yu took a step forward and a terrifying internal Qi burst out!

Yan Guiyi's face turned cold and he said coldly, “I think you're courting death!”

Just as the conflict between the two sides was about to break out, he suddenly walked over slowly.

He stood between the two and faced Qin Yu. He said with a faint smile, “Brother Qin, Captain Yan is our leader and our senior. You should at least have some respect.”

Qin Yu narrowed his eyes and sneered, “He teng, what are you trying to say?”

He Teng was not angry. He put his hands behind his back and said slowly, “Not only do you not know respect, but you even fought with them. This is the reason why they look down on us, do you understand?”

“You really talk a lot of Bullsh * t.” Qin Yu walked toward he teng step by step.

“Two dog bastards who are in cahoots with each other. What kind of logic are you talking to me about here? Are you even worthy?” Qin Yu shouted angrily.

He teng sneered and said, “To be honest, the last time I was defeated by Brother Qin, I learned from my mistakes and bitterly cultivated day and night.”

“Now, I can be considered to have some results. I also want to experience brother Qin’s skills.”

Qin Yu couldn’t help but laugh, “Good, I let you escape last time. This time, I want to see who can save you!”

After saying that, Qin Yu shouted, and the absolute beginning holy fist instantly appeared, heading straight for he teng!

He Teng didn’t want to be outdone. His hands quickly slid in front of him, and a black internal force condensed!

“Puff!”

Qin Yu’s fist fiercely smashed into this ball of energy, but the expected head-on collision didn’t happen.

The ball of energy was like a ball of cotton. The Moment Qin Yu touched it, the force on his body disappeared.

This feeling was like throwing a punch with enough force, but hitting a pile of cotton.

He teng sneered, “It seems that Brother Qin doesn’t know what it means to use softness to overcome hardness.”

Qin Yu looked at He Teng coldly, narrowed his eyes and said, “He Teng, your body seems to be extremely weak. All your abilities are dependent on that guy in your body, right?”

He Teng put his hands behind his back and did not comment.

“You can only rely on his enormous inner strength as support. In other words, you are just a puppet now.” Qin Yu sneered.

“You are just a walking corpse, how can you be called the number one person in the Central Plains?”

He teng sneered and said, “History will only remember the victor, no matter what the means of victory are.”

After throwing out these words, he teng turned to look at Yan Guiyi and cupped his hands slightly, “Captain Yan, I request to spar with Qin Yu.”

Yan Guiyi had been waiting for this moment, and he teng was obviously deliberately speaking to Yan Guiyi.

“Sure,” Yan Guiyi said lightly.

“Between young people, they should spar more.”

Seeing this, he teng sneered.

“If I beat him, I will be the fourth person on the list, right?” He Teng asked.

“Of course.” Yan Guiyi nodded.

“Okay!” He Teng immediately looked at Qin Yu coldly.

His entire body was wrapped in a black energy. This energy looked like a fluid that was slowly circulating around his body.

“Go to Hell. Instead of challenging the disciples of the Jingdu aristocratic families, you’re fighting with your own people. Let me deal with you!”

At this moment, Chang Mang suddenly took a step forward and stood beside Qin Yu.

His entire body was burning with energy and blood. His fierce body was completely red.

It had to be said that Chang Mang lived up to his name. His nature was extremely reckless.

He Teng glanced at Chang Mang and said coldly, “You are not worthy to fight with me. Furthermore, who is one of us! Scram!”

Chang Mang said furiously, “I am not willing to treat you as one of us. Take a punch from Me First!”

Chang Mang's moves were not flashy at all. He only had a tough and fierce body.

However, the result of this punch was the same as Qin Yu's. The fist sank into the energy and all the power was instantly dissipated.

“What the Hell Is This ? If you're a man, fight me head-on!” Chang Mang shouted.

He teng coldly said, “You really don't know what's good for you. I Don't Mind Killing You First!”

“Why would I be afraid of a sissy like you!” Chang Mang shouted.

Qin Yu pulled Chang Mang to the side and shook his head, “This is between me and him. Chang Mang, you can leave first.”

Chang mang frowned and snorted, “Alright, when you're done fighting, I'll deal with him!”

Qin Yu ignored Chang Mang. He knew very well that the He Teng in front of him was not simple.

His strength was not weaker than the young masters present.

“Qin Yu, I've been looking forward to this day for a long time.” He Teng said with narrowed eyes.

“Everyone says that the chaotic body is invincible among those of the same level. I'd like to experience it today.”

Before he finished his sentence, he teng took the initiative to attack.

With a wave of his hand, the black energy surrounding his body shot out explosively!

This energy turned invisible. It seemed to be balls of soft inner strength, but when it came in front of Qin Yu, it turned into a fierce fist!

Qin Yu did not dare to be negligent and immediately clenched his fist to receive the Attack!

However, the moment Qin Yu's fist smashed over, this energy turned into a soft shape and wrapped around Qin Yu's fist!

“Boom!”

Before Qin Yu could react, another ball of energy turned hard and fiercely smashed into Qin Yu's side!

The huge impact instantly sent Qin Yu flying!

“This is the combination of hardness and softness. It is specially used to restrain people like you who have strong bodies,” he teng said with a sinister tone.

Qin Yu stood up from the ground. He looked at he teng coldly and frowned slightly.

The inner strength surrounding he Teng's body was extremely strange. Every punch that Qin Yu threw seemed to have hit nothing. This kind of feeling made people very uncomfortable.

“Qin Yu, it's time for you to pay the price!” He Teng snorted coldly. With a thought, that ball of energy once again shot toward Qin Yu!

Qin Yu narrowed his eyes. The Flames all over his body were burning. His body was wrapped in spiritual fire. Purple and gold merged into one, and a powerful pressure rushed toward him!

“What combination of hardness and softness? As long as one’s strength is strong enough, one can shatter all things!”Qin Yu roared angrily.

Chapter 595: Chapter 594, bewitching power!

Just as Qin Yu had said, as long as the power was strong enough, it could sweep away everything!

Ever since Qin Yu stepped into the Martial Marquis realm, his strength had exceeded his imagination, completely crushing those of the same level!

Although this he Teng’s move was somewhat strange, in front of absolute strength, it was not worth mentioning at all!

Blue veins bulged on Qin Yu’s arm, and all of his spiritual power gathered at one point!

He Teng snorted coldly. He raised his finger, and that strange black energy once again swept towards Qin Yu! ,

“What Bullsh * T is using softness to counter hardness? I only believe in absolute strength!”

Along with Qin Yu’s explosive shout, the light on his fist instantly turned incandescent!

The instant that black energy touched, it once again unleashed its soft power, wrapping around Qin Yu.

However, this time, it was unable to stop Qin Yu's fist attack!

That Ball of black energy was directly blasted apart!

Not far away, he Teng's expression changed, and he immediately took a few steps back!

His face turned pale, and he spat out a mouthful of blood.

Seeing this, Qin Yu could not help but sneer, "Looks like this ball of strange energy is inextricably linked to your main body."

He Teng's expression was somewhat unsightly. He had never thought that Qin Yu could be so firm and gentle!

Not far away, Yan Jinyao, Yao Meng, and the others were also watching this scene.

"I've heard of this he teng. He has some strength," Zhuang Teng said.

"Mm, when he stepped into the half-step martial marquis realm, I was still at the peak of the Great Grandmaster realm," Chu Heng also said.

Then, the two looked at Yan Jinyao and said, "Brother Yan, who do you think will win?"

Yan Jinyao snorted lightly and said, "It doesn't matter who wins and who loses. Those who survive might have the qualifications to fight with me."

These words were extremely arrogant! It was as if Qin Yu and he teng were fighting for the qualifications to fight with him!

“Brother Yan’s words make sense. No matter who it is, I’m afraid they aren’t brother Yan’s match.”The few of them couldn’t help but laugh.

Not far away, he teng wiped the blood from the corner of his mouth and looked coldly at Qin Yu.

“If this is your ability, you will definitely die today.”Qin Yu said coldly.

“I know you have a spatial magic tool, but today... don’t even think about escaping!”

Qin Yu roared angrily. His internal Qi exploded, and rays of golden light spread out in all directions with his feet as the center!

After that, the light enveloped Qin Yu and he teng, as if it had split open a small world!

“Oh? This Qin Yu has actually comprehended a spatial spell?”Someone not far away exclaimed in surprise.

“This kid is really surprising.”

He Teng’s expression was gloomy as he sneered, “Qin Yu, you’ve underestimated this power of mine. Do you think that it can only use softness to counter hardness? Then you’re gravely mistaken!”

He Teng let out an angry roar as the black energy surrounding him once again rushed towards Qin Yu!

Qin Yu sneered, “I thought there was some new trick, but it turns out it’s just a new bottle of old wine. It’s not worth mentioning!”

With that said, Qin Yu’s golden light suddenly appeared and he threw a punch!

Just as the two rays of light were about to collide, the black energy suddenly transformed into a human face!

And this human face was none other than Yan Ruoxue's face!

"Ruoxue... Ruoxue!" Qin Yu was instantly in a daze, and his fist instantly lost its color!

That was the woman he loved, How Could Qin Yu make a move!

"I've been tricked!" He Teng shouted loudly!

That force rapidly transformed into a fierce fist, smashing fiercely onto Qin Yu's chest!

"Boom!"

This punch was extremely powerful and directly sent Qin Yu flying!

"Qin Yu!" When the crowd saw this, they couldn't help but shout!

Qin Yu stood up from the ground and looked at his chest. This punch didn't cause any substantial damage to him.

"Hehe, Qin Yu, just a woman can make you lose your mind. This means that you are destined to be at the bottom forever!" He Teng said indifferently.

Qin Yu's expression was a little ugly.

It had to be said that this move was extremely effective on Qin Yu.

Although Yan Ruoxue's face only flashed by, it was better than thousands of spells!

“If you can’t even let go of a woman, how can you stand at the highest peak!” He Teng said coldly.

Qin Yu didn’t say a word, but his mind was already in a mess.

His mind was filled with Yan Ruoxue’s face, and his internal Qi was even more chaotic.

If that punch had landed on that face that he had been dreaming about, how painful would that have been.

“Hehe, Yan Ruoxue is indeed his weakness.” Seeing this, Yan Gui could not help but sneer.

“This matter must be reported to the higher-ups. As long as Yan Ruoxue is still in our hands, then he is destined to not be able to stir up any waves!”

Not far away, the black energy on He Teng’s body began to surge again.

“Qin Yu, how are you going to get past this hurdle!” He Teng roared angrily, and that energy once again erupted towards Qin Yu!

This time, the black energy still transformed into Yan Ruoxue’s face!

Even though Qin Yu knew that it was fake, his body seemed to not listen to his commands, and he simply could not do it!

“Pu!”

When that energy got close to Qin Yu, it directly transformed into a sharp blade, piercing through Qin Yu’s golden light and directly entering into his physical body!

Fresh blood flowed down his body.

“Go to hell!” He Teng seemed to have gone mad, and several streams of energy rained down densely on Qin Yu!

“Bang Bang Bang!”

Under this force, Qin Yu was beaten back repeatedly, and his body was unable to hold on any longer!

“Hahaha! Qin Yu, so you are just a person with no ambition!” He Teng laughed crazily.

“Today, I will let you get rid of your pain and go to hell!”

This time, the image created by that power was even more realistic! One could even see Yan Ruoxue’s pitiful look!

Qin Yu stared blankly at “Yan Ruoxue” in front of him. He reached out his hand and whispered, “Ruoxue... i. . . I am useless, I couldn’t save you...”

“Save the F * ck!”

Just as Qin Yu was in a daze, a scarlet red light smashed down tyrannically!

“Boom!”

Under this punch, the black energy ball directly exploded, and “Yan Ruoxue” also disappeared.

Chang Mang glared angrily at Qin Yu and shouted, “Qin Yu, are you f * cking retarded? This is a fake, a fake!”

He shook Qin Yu's body with a furious expression.

Qin Yu's absent-minded eyes slowly regained their focus.

He rubbed his eyes and frowned, "No, I just... seemed to have been bewitched."

That black energy seemed to have disturbed Qin Yu's spiritual sense and made Qin Yu lose his fighting spirit unknowingly.

If it was just a fake face, Qin Yu would definitely not be affected so much!

He Teng narrowed his eyes and snorted, "You actually saw through it!"

"Hehe, that's right. As long as you were hit the first time, you would be endlessly bewitched, but unfortunately.... it was broken by this bastard!"

Chapter 596: Chapter 596, he Teng's inner demon

He Teng's pupils, which were hidden in his black robe, looked coldly at Chang Mang.

"I have long disliked you," he Teng said coldly.

Chang mang shouted, "Is that so? I have long disliked you too!"

Chang Mang's body was full of arrogance. Before he Teng could say anything, he had already clenched his fist and rushed forward!

He Teng snorted coldly. He raised both of his hands, and the power surrounding his body actually transformed into two rays!

These two rays of power were pressing towards Qin Yu and Chang Mang respectively!

Chang Mang was not afraid at all. He held a scarlet light in his hands and faced them head-on!

However, right at this moment, a human face suddenly appeared in front of Chang Mang!

This human face was a middle-aged woman with a kind face. Her eyes were filled with deep love.

“Mom... Mom!” Seeing the middle-aged woman, Chang Mang immediately cried out!

The black energy quickly turned into a sharp blade, and fiercely pierced into Chang Mang’s body!

Although Chang Mang was a saintly being, the power was extremely strange, and directly pierced through his body!

“Mom... Mom...” Chang Mang could not care about the pain on his body. His face was full of tears, and he could not stop crying!

“Hahahaha!” He Teng laughed loudly again.

“As expected, you people at the bottom all have weaknesses!”

Qin Yu’s expression was somewhat ugly. He knew that Chang Mang was also bewitched by this power.

He hurriedly walked in front of Chang Mang and helped him up.

“Chang Mang, that’s fake. That’s not your mother!”Qin Yu shouted loudly.

But Chang Mang didn’t listen at all. His eyes were dull, and he kept repeating the word “Mother.”.

Qin Yu frowned. It seemed that it wouldn’t be so easy to Wake Chang Mang up in a short time.

Not far away, Yan Jinyao and the others couldn’t help but raise their eyebrows.

“He specializes in extracting spiritual sense. This technique is comparable to the environment in the tribulation,”Yan Jinyao said with slight surprise.

“Haha, these two people’s bodies are incomparably tough and fierce, but this he teng uses spiritual sense as a blade! Interesting!”

Everyone was filled with astonishment at He Teng’s methods.

Qin Yu stood up and looked at He Teng coldly.

He Teng said with a faint smile, “Qin Yu, it’s your turn next. As long as you fall into my technique again, who else can save you?”

Qin Yu didn’t say anything. He said coldly, “Do you think you can be invincible with this spell?”

He Teng narrowed his eyes and said, “Although it’s not invincible, it’s more than enough to take care of you!”

With he Teng’s explosive shout, that black energy rushed toward Qin Yu again!

This time, Qin Yu stood there without moving at all. His eyes were slightly closed.

“What, have you given up resisting? !” He Teng roared crazily!

“Then you can go to hell!”

That black energy was extremely agitated and headed straight for Qin Yu’s face!

“Weng!”

At this moment, a light suddenly flashed between Qin Yu’s brows!

Following that, a golden energy drilled out from between his brows!

“Eh? This... This is divine sense?” When everyone saw this, they couldn’t help but be shocked!

The golden light transformed into a large hand and smashed down viciously!

“Ah!”

This was the power of divine sense, directly smashing this black energy over!

What was shocking was that this golden divine sense did not stop there, but instead charged towards He Teng!

He Teng’s expression changed slightly. He was about to try to resist, but Qin Yu’s divine sense actually transformed into a human figure!

This human figure was neither he Teng's lover nor he Teng's mother. Instead, it had transformed into Qin Yu's appearance!

Qin Yu, who had transformed into a golden spiritual sense, was tall and had a cold expression on his face. A trace of indifference could be seen in his eyes.

This gaze was as if he was looking down on an ant!

He Teng's face instantly turned incomparably pale!

The power that lingered around his body also became chaotic and uneasy!

"Hahahaha!" Seeing this scene, Qin Yu could not help but burst into laughter.

"He Teng, so your inner demon is me, hahahaha!"

The surrounding people could not help but be a little surprised.

"This guy's inner demon is actually Qin Yu? How embarrassing."

"I really thought that he didn't have any weak points, but in the end, he was left with a shadow by Qin Yu."

"TSK TSK, if he can't even overcome his inner demon, what right does he have to laugh at others?"

Countless comments flooded in from all directions like a tide.

He Teng's face instantly turned extremely pale!

He shouted angrily, "Shut up!"

He Teng glared at Qin Yu and said coldly, "As long as I kill you, I won't have any flaws!"

Qin Yu sneered, "But do you have that ability? Your spell has already been broken by me, how can you fight with me?"

"I'm not afraid of You!" He Teng roared angrily and actually took the initiative to rush towards Qin Yu!

His body was wrapped by a black light, and in the blink of an eye, he arrived in front of Qin Yu!

"Fighting with me? You're courting death!" Qin Yu snorted coldly, and then slapped him!

"Boom!"

This slap sent He Teng flying!

If it wasn't for the black light protecting his body, this slap would probably have shattered his body!

He Teng struggled to get up from the ground. He gritted his teeth and said, "Qin Yu, I must kill you today!"

"You don't have a chance." Qin Yu stepped forward. His golden body was like a scenery.

The huge fist suddenly smashed towards He Teng. The black energy surrounding him seemed to be unable to withstand it!

This was the purest physical strength, but all the spells seemed to be unable to withstand a single blow.

Qin Yu was as usual. He gave up resisting and allowed he teng's fists and feet to land on his body.

However, Qin Yu's physical body was too strong. He Teng's strength was insignificant.

On the contrary, every time Qin Yu's fist landed on his body, it almost shattered his body!

“Ah! !”

He Teng roared furiously and fought back with all his might. However, what greeted him was a golden palm!

Seeing he teng being beaten up repeatedly, Yan Guiyi, who was not far away, gradually turned cold.

“Qin Yu must die today,”Yan Guiyi said coldly.

After saying that, he silently chanted a spell and began to activate the bracelet!

“BUZZ!”

A holy light streaked across, and the bracelet hanging on Qin Yu's body suddenly flickered with light!

In just an instant, Qin Yu felt as if he had been struck by lightning, and all the strength in his body seemed to have been sucked out! The punch he threw out was even more powerless!

He Teng was stunned, and he subconsciously looked at Yan Guiyi.

Yan Guiyi only glanced at him coldly.

Exchanging glances, he teng immediately understood.

He stood up and shouted, “Qin Yu, don’t be so arrogant. I’m coming to take your life right now!”

After he said that, black light burst out from He Teng’s body. He suddenly slammed his palm toward Qin Yu!

“Boom!”

Under the torture of the bracelet, Qin Yu had no strength to resist he teng!

This slap directly sent Qin Yu flying!

He Teng seized the opportunity to chase after Qin Yu. A dazzling light suddenly appeared, and the overwhelming spells pressed down on Qin Yu until he couldn’t breathe.

“Pu!”

Under the bombardment of the spells, Qin Yu spat out a mouthful of blood.

He wanted to stand up to resist, but the strength of the bracelet made him unable to stand up!

The pain went straight to his mind!

Chapter 597: Chapter 597: Alive or dead

The characters on the bracelet flickered with light. A force that could directly strike at one's spiritual sense made it extremely difficult for Qin Yu to even get up.

He Teng sneered repeatedly. He seized this opportunity and took another step towards Qin Yu.

Under the support of this black energy, he teng grabbed Qin Yu's neck and continuously smashed it towards his body.

One punch, two punches, three punches! Qin Yu had almost no ability to fight back!

Seeing this scene, everyone could not help but be a little surprised.

Just now, he teng was still being crushed. How did the situation reverse in the blink of an eye?

"Captain Yan activated Qin Yu's bracelet," Yao Meng whispered.

Hearing this, everyone immediately understood.

Zhuang Teng said with slight surprise, "Isn't this too despicable?"

"I don't think it's despicable. That Qin Yu is just a low-level reptile. All his fame is just bragging," Kong Yun said coldly.

"That's right. This Qin Yu might have some ability, but there's no need to flatter him too much." Chu Heng nodded slightly.

At this moment, Yao Meng smiled and said, "I have a different opinion."

"Oh?" Everyone looked at Yao Meng.

Yao Meng smiled and said, “I think that Qin Yu’s ability might not be inferior to ours.”

“Humph, Miss Yao, aren’t you overestimating this Qin Yu a little too much?”Kong Yun said with some displeasure.

“So what if he has some strength? Under such adversity, he can only fall. There is no future to speak of.”

Yao Meng smiled and said, “The more people grow in adversity, the more limitless their future will be.”

This immediately caused everyone to be dissatisfied, but they could not find any words to refute.

Not far away, he teng lifted Qin Yu’s neck with one hand. A black light condensed in his hand.

That light turned into a sharp blade. This sharp blade was pointed directly at Qin Yu’s vital point!

“Qin Yu, I admit that your ability is better than mine,”He Teng said darkly.

“But it’s a pity that strength has never been respected in this world! Unruly and unruly often die the fastest!”

As he spoke, the sharp blade in he Teng’s hand suddenly stabbed forward!

“Boom!”

However, at this moment, Qin Yu endured the pain and his body suddenly shook, directly sending he teng flying!

“Huh?” Yan Guiyi frowned and snorted, “You can still resist?”

Then, a trace of coldness flashed across Yan Guiyi’s face.

He said gloomily, “It seems that I have to increase my strength...”

After saying that, Yan Guiyi murmured, and the strength on the bracelet increased sharply again!

“Ah! ! !”

This time, Qin Yu immediately raised his head and roared in pain!

Every inch of his skin seemed to have been pierced by a sharp blade, and his chest felt stuffy!

Even his spiritual sense felt waves of sharp pain like needles!

This intense pain caused Qin Yu to collapse onto the ground with a plop.

Qin Yu gritted his teeth. He wanted to force himself to stand up, but all the strength in his body seemed to have been sucked out, and he couldn’t stand up at all!

Not far away, he teng wiped off the blood at the corner of his mouth. He slowly stood up and said coldly, “If you don’t die, I, he teng, will never be able to rise again!”

Before he could finish his words, he teng’s figure suddenly disappeared. In the next second, he appeared in front of Qin Yu!

“Qin Yu, go to Hell!”

Accompanied by He Teng's angry roar, he held a sharp blade in his hand and ruthlessly stabbed at Qin Yu's chest!

“Pu!”

This sharp blade directly pierced through Qin Yu's body, and a mouthful of fresh blood instantly spewed out from his mouth!

He teng sneered, “Qin Yu, I Won't give you another chance. This time... I'll directly kill you!”

He Teng's entire body glowed brightly, as if he was brewing some sort of move.

After that, the rays of black light turned into small balls one after another.

These small balls were like bombs, containing extremely terrifying power.

“Qin Yu, I know that your physical body is incomparably strong. This move is specially prepared for you,” he teng said with a cold smile.

“Under this technique, no matter how tough your physical body is, it will be blasted through!”

“Come, let me see just how Strong Your Primal Chaos Body Is!”

He Teng spread out his palm, and those small black balls immediately shot towards Qin Yu from all directions!

“Boom!”

Countless small black balls exploded on Qin Yu's body!

A terrifying airwave instantly swept through the surroundings!

In an instant, even the surrounding seawater was evaporated!

He Teng retreated rapidly, afraid of being affected by the Airwave!

The people not far away also scattered and fled, standing dozens of meters away!

Yan Guiyi narrowed his eyes slightly and said coldly, “Even the black gold stone might not be able to withstand this force, let alone this Qin Yu.”

Everyone stared at the center of the explosion.

They also wanted to know if Qin Yu could survive this big explosion!

Finally, the smoke and dust slowly dispersed, and a figure appeared in front of everyone.

His body was covered in blood, and his flesh was almost shattered. Crystal white bones were exposed, looking extremely horrifying!

His body was already filled with wounds. Fresh blood covered his face, and it was almost impossible to see his human form.

“He actually didn’t die?” He Teng raised his brows and sneered. “As expected of a chaotic body. He didn’t die even though he was here.”

Qin Yu panted heavily. His face was ferocious, and he was heavily injured. His aura had become extremely weak. He Teng’s internal Qi was extremely weak.

He Teng walked towards Qin Yu step by step. He looked down at Qin Yu from above and sneered. “Qin Yu, it’s time to send you on your way.”

A black light burst out from He Teng’s palm. The black light pointed directly at Qin Yu’s chest.

“Go to hell!” He Teng roared, and the black light immediately smashed toward Qin Yu!

In an instant, Qin Yu’s body was sent flying hundreds of meters! Then, he fiercely fell into the sea, stirring up huge waves!

“It’s over,” he teng said with a faint smile.

He turned around and walked in front of Yan Guiyi. He said with a smile, “Captain Yan, I was a bit harsh. I’m sorry.”

Yan Guiyi glanced at he teng and then said in a cold voice, “There are risks in sparring. No Harm.”

He Teng bowed and said with a smile, “Thank you, Captain Yan.”

Yan Guiyi said nothing more and turned around to leave.

Everything returned to calmness. Many warriors from the bottom level stood on the seaside and quietly watched.

They were waiting, waiting for a miracle.

But in the blink of an eye, the sky darkened, but the sea was calm and without a trace.

“Qin Yu... died just like that?” Chang Mang clenched his fists, anger written all over his face.

The others kept silent, but their faces were full of sorrow.

Without Qin Yu, the warriors from the bottom naturally were even more disliked.

Not far away, Yan Guiyi was also looking at the surface of the water.

“Captain Yan, can I join the Jingdu Martial Arts Association Now?” He Teng said with a faint smile.

Yan Guiyi glanced at him and snorted coldly, “Who told you to throw him into the sea?”

He Teng was stunned and said with a smile, “Captain Yan, what do you mean?”

Yan Guiyi said coldly, “I want to see him alive, and I want to see his corpse if I Die! He Teng, you have to find Qin Yu’s corpse for me!”

He teng smiled and said, “Mr. Yan, aren’t you being a little too cautious? I have a lot of confidence in myself. I believe that no one will be able to survive under this indiscriminate bombardment.”

“Shut up! I told you to go and find him. Why do you have to talk so much nonsense!” Yan Guiyi said coldly.

Yan Guiyi’s expression was extremely ugly because the real treasure of this experiential learning was under this island!

Chapter 598: Chapter 598, 100,000 inner cores!

The so-called inner cores of demonic beasts were just a test of the water. The real treasure lay beneath the huge island.

This was the information from the Jingdu Martial Arts Association.
There was absolutely no mistake.

Looking at the surface of the sea, Yan Guiyi felt more and more uneasy.

He would never feel at ease unless he saw Qin Yu's body with his own eyes.

...

In the sea.

Qin Yu's fresh blood dyed the surrounding sea red.

He opened his eyes with difficulty. The Five Mountains of honor was still hanging on his chest.

"You Saved My Life Again..."Qin Yu stroked the Five Mountains of honor and said in a low voice.

He tried to move his body, and waves of pain came from every part of his body.

Under the invasion of the sea water, his wounds were in unbearable pain.

He stared at his surroundings, which were pitch black.

Then, Qin Yu cast a water repellent spell, igniting a spiritual fire under the sea.

Qin Yu tried to stabilize his body in the water to prevent himself from falling continuously.

He raised his head to look at the sky, but it was pitch black above him.

This meant that Qin Yu had already fallen very deep into the sea.

If not for the strength of his body, he would have been crushed into meat paste by the water pressure long ago.

“With my current state, if I encounter a demonic beast... I will definitely die.” Qin Yu frowned.

He took out the pill furnace that the Pavilion Master had given him and the herbs that had been stored for a long time.

“I can only use the pill to recover my physical body.” Qin Yu said in a low voice.

Qin Yu put the herbs into the pill furnace with great difficulty. Then, he ignited the spirit fire and began to refine the pill.

The pill that Qin Yu refined was called the blood clotting pill. It was an extremely simple pill that could be refined with ordinary herbs.

“Sigh, using these herbs to refine the blood clotting pill... What a waste of heaven’s gifts.” Qin Yu couldn’t help but feel a little pained.

But at the moment, he couldn’t care less. The key was to recover his physical body as soon as possible.

...

Late at night.

He teng rose from the surface of the sea.

He walked to Yan Guiyi and shook his head. “I didn’t find him. He must have fallen to the bottom of the sea.”

Yan Guiyi glanced at he teng and said coldly, “Keep looking.”

“Captain Yan, please believe me. That strike is definitely enough to take Qin Yu’s life,”he teng said in a low voice.

Yan Guiyi said coldly, “This boy often escapes from death. I Won’t feel at ease until I see his body.”

Although he teng was reluctant, he could only follow Yan Guiyi’s request and dive into the sea again.

After an unknown amount of time, Qin Yu finally mastered eight blood coagulation pills.

He did not waste any time and immediately swallowed the blood coagulation pills into his stomach.

The moment the pill entered his stomach, Qin Yu’s body slowly recovered at a speed visible to the naked eye.

After a full three hours, Qin Yu’s internal Qi had finally recovered more than half.

“If I don’t die from this disaster, I will definitely have good fortune in the future.”Qin Yu took a deep breath.

He raised his head to look at the sky, but he wasn’t in a hurry to leave.

“If I can’t take off this bracelet, I will die if I go up,”Qin Yu said with a frown.

He tried to use brute force to cancel the bracelet, but he found that he couldn’t do it at all.

The bracelet seemed to be stuck to his skin, and he couldn't take it off at all.

“Do I have to wear this bracelet all the time?”Qin Yu frowned tightly.

But soon, Qin Yu came back to his senses.

“That's not right. This bracelet must have a time limit. Otherwise, the JINGDU martial arts association could almost rule everyone with this bracelet!”Qin Yu said in a low voice.

Just as Qin Yu thought, this bracelet did have a time limit.

If it was permanent, this bracelet could be considered a divine artifact.

“We can only wait for now,”Qin Yu said in a deep voice.

“The moment this bracelet loses its effect, it will be the moment he teng dies.”

Although Qin Yu didn't know if his guess was right, he could only wait for now.

He controlled the water avoidance spell, so there wasn't too much risk in staying under the sea.

Qin Yu released his internal Qi and covered a large area of the sea, capturing one aura after another.

Soon, Qin Yu felt the internal Qi of several martial marquises.

“These internal Qi should come from the island,”Qin Yu thought to himself.

There were not many martial marquises, not to mention that this place was extremely remote. There was only one possibility for finding martial marquises, and that was Yan Guiyi and the others.

Qin Yu followed the internal Qi and swam over. About an hour later, Qin Yu saw a huge island in front of him.

This island was extremely huge. What was even more shocking was that this island was actually suspended in the sea.

“Strange.” Qin Yu could not help but be a little surprised.

“Rootless Island? Then how is this island fixed in the same position?”

One had to know that there were a lot of storms on the sea. Since it was rootless, it would naturally change its position continuously.

“Looks like this island isn’t simple.” Qin Yu touched his chin. Then, he urged his spirit energy and approached the island.

As he saw that he was getting closer and closer to the island, the line of sight in front of Qin Yu began to light up.

In front of him, it was as if countless lights were lit up. Although the light was quite dim, it appeared extremely strange on this island.

“HMM? What are those lights?” When he got closer to the island, Qin Yu suddenly realized that there were dim lights under the island!

If he looked carefully, there were beads condensing under the island!

At a glance, there were countless beads!

“Are these... night-luminescent beads?”Qin Yu couldn’t help but be puzzled.

He hurried to the bottom of the island and carefully observed it.

The beads weren’t big, only the size of a glass ball. All the beads were attached to the island.

Qin Yu reached out and pulled out a bead.

In an instant, a wave of Qi/spiritual energy spread out.

Qin Yu was stunned, and then a trace of excitement flashed in his eyes.

“Could it be... This is an inner core ? !”Qin Yu exclaimed!

Qin Yu didn’t dare to think too much and hurriedly swallowed the inner core into his stomach.

As expected, a surge of Qi/spiritual energy exploded in Qin Yu’s Dantian!

“This... This is really an inner core!”Qin Yu shouted out in excitement!

This island was huge, but the inner core covered the entire bottom of the island!

At a glance, there were countless inner cores. There were at least tens of thousands of them!

“I’m... Rich!”Qin Yu was overjoyed and overjoyed!

Such a huge number of inner cores was simply unimaginable!

Chapter 599: Chapter 599, the immortal slaying sect!

Qin Yu didn't have the time to think too much and immediately began to pull out the inner cores.

One, two, three...

Countless inner cores were kept by Qin Yu into the spatial divine weapon.

But there were simply too many inner cores here. Even if Qin Yu used a spell, the speed of pulling them out was extremely slow.

After spending nearly an hour, Qin Yu pulled out at least thousands of inner cores from under the island!

The awkward thing was that the space God weapon was soon running out of space.

The entire God weapon was already filled to the brim with inner cores.

"Damn, what a pity." Looking at the countless inner cores in front of him, Qin Yu felt anxious.

If he could take all these inner cores away, then he would no longer need to worry about the problem of Qi/spiritual energy.

Qin Yu racked his brain, but he could not think of any way.

"What a pity, what a pity." Qin Yu kept muttering these words.

Qin Yu gritted his teeth. Since the spatial divine weapon could not hold it, then he would swallow it and swallow as much as he could.

Thus, Qin Yu continued to pull out the inner cores. Every time he pulled out one, Qin Yu would stuff it into his stomach.

At the same time, Qin Yu silently circulated his true heart technique to prevent too much qi/spiritual energy from putting too much pressure on his body.

After swallowing more than twenty inner cores, Qin Yu finally couldn't take it anymore.

He gritted his teeth and braced himself to continue stuffing them into his stomach.

Just as he pulled out the 8037th inner core, a huge door suddenly appeared in front of him!

This huge door was extremely huge and majestic.

The huge plaque carried a trace of majesty, making it seem extremely unusual under Haiti.

A few words were written on the plaque: Immortal Massacre Sect.

Such an overbearing name could not help but make people pale with fright!

“This name is too overbearing,” Qin Yu said with a frown.

He stared at the door and said in a low voice, “Could it be that... This main island is actually a sinking sect?”

If that was really the case, this sect had existed for an unknown number of years!

Looking at the extremely majestic door in front of him, waves of ancient and simple internal Qi assaulted his face.

Qin Yu did not know the origin of this immortal massacre sect, but to have such a huge sect, it must be extraordinary.

Qin Yu used the sacred physique technique to protect his body as he walked warily towards the door.

The door was slowly opened, and a shocking scene entered his eyes.

It was different from the scene they had imagined. What replaced it was a mess.

At a glance, there were bones and corpses everywhere! There was no sign of life!

It was as if this was a battlefield. The countless bones were terrifying!

“Could it be... that this sect has been massacred?” Qin Yu thought of a possibility.

The entire sect was filled with dried corpses. It was obvious that they had suffered a disaster.

Qin Yu walked cautiously into the sect. At this moment, Qin Yu suddenly felt something hard beneath his feet.

Looking down, he saw a skull under his feet.

Qin Yu bent down and picked up the skull.

This skull looked like it had been there for at least thousands of years, but surprisingly, there was no sign of weathering.

Qin Yu slowly exerted strength in his hands, wanting to crush this skull.

But what surprised Qin Yu was that even if he exerted all his strength, he was still unable to crush this skull!

“What a hard bone!” Qin Yu couldn’t help but turn pale with fright!

With Qin Yu’s current strength, even the head of a Marquis could be crushed in an instant! But he was unable to crush this skull!

One had to know that this skull had been aged for at least several thousand years! A normal bone would probably shatter upon contact!

“I really don’t know what level the owner of this skull was at when he was alive,” Qin Yu thought to himself.

Qin Yu continued to walk forward as he picked up many more bones.

What surprised him was that each bone was incomparably tough and could not be crushed!

“This immortal massacre sect is really terrifying!” Qin Yu couldn’t help but suck in a breath of cold air.

To pick up a random bone and make it so hard, it was enough to show that the members of the Immortal Massacre sect were all beyond imagination!

“Such a powerful sect, what exactly did they go through to be killed by the immortal massacre sect... and what kind of person is the one who attacked them...” Qin Yu couldn’t help but feel a chill on his back!

Compared to them, Qin Yu’s strength was not worth mentioning!

“The so-called invincible Marquis Wu at the moment is probably not worth mentioning a few thousand years ago,”Qin Yu said in a low voice.

He threw down his bones and continued to walk forward.

Very soon, Qin Yu arrived at the main hall.

The main hall was also covered in dry bones. There were also broken magical artifacts and broken swords on the ground.

The bones in this great hall seemed to be even harder. Even if Qin Yu used the absolute beginning holy fist, he would not be able to break them.

“It seems that the people in this great hall are stronger,”Qin Yu thought to himself.

What level were they at when they were alive? Martial Saints? Or surpassing martial saints?

Martial Saints had become a legend in the current era, but in the entire path of immortal cultivation, they were not even worth mentioning.

The martial saint was only at the nascent soul stage in the immortal cultivation world, and above the nascent soul stage, there were soul formation, return to void, Dao fusing, and tribulation transcending!

According to Qin Yu’s speculation, these withered bones had at least reached the soul formation stage when they were alive!

“Soul formation stage... That’s a true mighty figure.”Qin Yu could not help but sigh slightly.

The Soul Formation stage was also called a mighty figure, and even in the entire cultivation world, they were also top-notch existences.

It was said that those who stepped into the mighty figure stage had a lifespan of several thousand years. With a casual strike, they could destroy a small country. They were not any weaker than the top-notch hot weapons at the moment!

A sect with so many mighty figures was actually massacred. God knows how many mighty figures were there thousands of years ago.

They continued to walk forward. At the end of the hall, there was a chair.

And on the chair sat a skeleton with his back facing the door!

Qin Yu tiptoed and walked in front of the skeleton.

The skeleton's hair was disheveled, and the flesh and blood on his body had not completely receded. One could even see the expression on his face.

His expression looked extremely horrified, as if he was afraid of something!

"I think this person should be the cult master of the immortal slaying sect." Qin Yu thought to himself.

As the cult master, what level did he have to be at?

Qin Yu stretched out his hand and placed it on the withered bone.

In an instant, Qin Yu's mind felt as if it had been struck by lightning! Images immediately appeared in Qin Yu's mind!

“Ah!”

Qin Yu’s expression couldn’t help but change drastically. He wanted to retreat, but it was already too late!

His entire spiritual sense seemed to have fused with the withered bone. Images appeared in Qin Yu’s mind one after another!

In the images, hundreds of cultivators were fighting each other. Their spells could reach the heavens, and a casual strike could shatter the void!

“What... What level is this? !” Seeing their spells, Qin Yu couldn’t help but turn pale with fright!

Qin Yu followed the images and saw a figure standing at the gate of the Slaughter Immortal sect.

She raised her hand and waved it, and dozens of people’s bodies were directly shattered!

“Could it be that... this person is the murderer of the slaughtering immortal sect? !” Qin Yu couldn’t help but exclaim in surprise.

In this case, the powerful slaughtering immortal sect was exterminated by one person? !

Qin Yu looked at the figure at the gate.

At this moment, Qin Yu suddenly realized that this figure seemed familiar!

Chapter 600: Chapter 600: if there are no evildoers, there will be evildoers

With a wave of the figure's hand, countless people were sent flying!

The people who had wanted to resist now wanted to retreat and flee in all directions!

Qin Yu stared at the figure with a strange expression!

She had a mask on her face, and this mask was exactly the same as the mask in Little Fish's hand!

"Could it be... that this person is the owner of that mask?!" Qin Yu exclaimed in surprise!

More importantly, there seemed to be a connection between that mask and Xiao Yu!

Soon, the masked woman rushed into the hall.

The cultivators in the hall couldn't even withstand a single blow, and they couldn't fight back at all.

In a short time, blood flowed like a river in the immortal slaying sect.

The sect leader, who was sitting on the chair, turned even paler.

He opened his mouth as if he was saying something, but Qin Yu couldn't hear anything.

From the shape of his mouth, it seemed as if he was begging for mercy.

However, the masked woman didn't give him any chance. She only raised her hand and directly crushed the immortal slaying sect's sect leader's spiritual sense!

Qin Yu stood there, his face still filled with shock.

Just what was the background of this masked woman? ! All the mighty figures in the sect actually didn't have the strength to fight back? !

The masked woman stood in the hall for a long time. After an unknown amount of time, she slowly left.

Qin Yu's divine sense also left at this moment.

He looked at the scene in front of him and couldn't help but break out in cold sweat.

"So many mighty figures... actually didn't have the strength to fight back..."Qin Yu couldn't help but look horrified.

This also made Qin Yu start to suspect that these almighty experts had lifespans of thousands of years. Did any of them actually live to this day? !

Also, what was the relationship between the masked woman and Little Fish? Why was only little fish able to wear the mask?

Could it be...

Little Fish was the Reincarnator of the masked woman? !

If that was really the case, then Little Fish's future... Was limitless!

Qin Yu stretched out his hand, wanting to touch the corpse sitting on the chair.

But at this moment, the corpse suddenly collapsed and turned into ashes, disappearing without a trace.

"Strange."Qin Yu frowned.

“Just now, it was indestructible. How did it suddenly turn into ashes?”

“Could it be... someone deliberately wanted me to see this scene?”

At this moment, the entire hall suddenly turned cold.

Waves of cold air emanated from the withered bones one after another!

“This is yin qi... so many people died, but the yin qi only erupted at this moment.”Qin Yu couldn't help but feel even more puzzled.

“When I find the time... I have to bring little Yu here to give it a try.”Qin Yu thought to himself.

Soon after, Qin Yu began to explore the immortal slaying sect.

After all, these people were all at the Almighty realm, or even existences that surpassed the Almighty Realm.

Any treasure they had on them was a rare holy item.

...

Above the island, the sky was bright.

Yan Guiyi stood on the surface of the sea, his brows tightly furrowed.

Soon, he suddenly appeared on the surface of the sea.

He walked in front of Yan Guiyi, shook his head, and said, “Captain Yan, we still haven't found him. I'm afraid he's already dead at the bottom of the sea.”

Yan Guiyi didn't say anything. He said in a low voice, “I hope so.”

Although he said so, Yan Guiyi still felt a bit uneasy.

Yan Guiyi didn't know what was under this island.

“We can't delay any longer. If we delay any longer, this bracelet will lose its effect,” Yan Guiyi said in a low voice.

Once the bracelet lost its effect, these low-level warriors would be hard to control.

Although they didn't dare to resist for the time being, if there really was a treasure under the island, they wouldn't continue to be weak.

As long as the benefits were big enough, any coward could become a hero.

Therefore, Yan Guiyi gathered everyone and said coldly, “From now on, I will take you to see the real treasure.”

Hearing this, everyone looked at Yan Guiyi with some confusion.

“There seems to be some Babe hidden under the sea,” Yan Jinyao said faintly.

“Oh? Brother Yan seems to know something inside?” The few people looked at Yan Jinyao.

Yan Jinyao glanced at them and said, “I have been to the library of the Jingdu Martial Arts Association. There are locations and brief introductions of all the secret realms in the world.”

Hearing this, everyone couldn't help but be surprised.

“What is the relationship between brother Yan and the Jingdu Martial Arts Association? You can even see this?” Zhuang Teng said in surprise.

Yan Jinyao glanced at him and said indifferently, “Yes, because the Jingdu martial arts association has sent me an invitation to become the candidate for the President.”

Hearing this, everyone couldn't help but suck in a breath of cold air!

They never thought that Yan Jinyao would be so valued!

“Miss Yao, it seems that Qin Yu is dead.” Kong Yun suddenly changed the topic.

Yao Meng glanced at Kong Yun and said with a smile, “Mr. Kong, you seem to be targeting Qin Yu.”

Kong Yun snorted and said, “Not really. A small character like him is not worthy of being targeted by me.”

Hearing that, Yao Meng said with a faint smile, “I don't think Qin Yu will die just like that.”

“Hehe, it's been a day and a night. If he didn't die, would he be resting at the bottom of the sea?” Kong Yun sneered.

“We can make a bet,” Yao Meng said with a smile.

“Sure. What's the bet?” Kong Yun snorted coldly.

Yao Meng thought for a moment and said, “If he doesn't die, you can give me the secret treasure of the Kong family. How about it?”

Kong Yun's face suddenly changed. He said with a cold face, "Miss Yao, isn't this bet a bit too much? I don't have the final say on the secret treasure of the Kong family."

Yao Meng said with a faint smile, "It seems that Mr. Kong is not very sure."

Being provoked by Yao Meng, Kong Yun immediately snorted and said, "I'll take the bet! What if you lose?"

"If I lose, I can give the Yao family's guqin to you," Yao Meng said with a smile.

"Guqin? A secret treasure passed down from the Yao family's ancestors?" Kong Yun's eyes lit up.

"Miss Yao, I hope you keep your word."

Yao Meng slightly bowed and said, "Likewise."

After that, everyone stopped talking and looked at Yan Guiyi in unison.

Yan Guiyi said in a cold voice, "The seabed is full of dangers. The slightest carelessness could lead to eternal damnation. From now on, everyone leave me by half a step. Otherwise, you will bear the consequences."

Everyone nodded slightly.

Yan Guiyi looked at He Teng and said in a cold voice, "When we go to the seabed, I want you to kill all those low-level warriors, not leaving a single one alive! At that time, I will urge the bracelet to cooperate with you."

He Teng couldn't help but frown. "Mr. Yan, isn't this a bit inappropriate? If we kill all of them, won't I bear a bad reputation?"

Yan Guiyi narrowed his eyes and said, "Otherwise, what do I want you to do? Let me tell you, the reason I let you join the Jingdu Martial Arts Association is that I want you to make black gloves and do things that are inconvenient for us!"

Speaking up to this point, Yan Guiyi paused for a moment and sneered. "After we leave this place, you have to kill more people.. Without evil people, we have to create evil people. Only then can we highlight the value of our Jingdu Martial Arts Association, Understand?"

Chapter 601: Chapter 601, rumors of the Church of the slaughter of Immortals

He Teng frowned slightly.

In this way, he was not considered to have joined the JINGDU martial arts association at all. Instead, he was going to become a scapegoat for the JINGDU martial arts association.

"You no longer have the right to go back on your words," Yan Guiyi said coldly.

At this point, Yan Guiyi changed the topic and said with a faint smile, "Of course, the Jingdu Martial Arts Association will ensure the best resources for you."

He Teng's eyes lost focus, and a black light flashed through his eyes. Then, he Teng's expression suddenly changed.

He opened his mouth and said with a sinister smile, “Okay... I’ll agree to it...”

Yan Guiyi frowned, as if he felt something was wrong, but he didn’t think too much about it and just nodded.

Led by Yan Guiyi, the group swam underwater.

The group of more than a dozen people passed through the sea and soon arrived at the bottom of the island.

Looking at the inner core attached to the bottom of the island, everyone was shocked for a moment.

“This is... inner core!” Yan Jinyao’s pupils constricted, and his eyes shone with excitement.

Even Yan Guiyi was shocked. He didn’t expect that there would be so many inner cores under the island!

“As expected of the Jingdu Martial Arts Association. Even if we searched our whole lives for such a resource, we might not be able to touch it,” someone said in a low voice.

Some people had even lost their minds from the excitement and directly pounced on it.

Yan Guiyi placed his hands behind his back and swept his gaze over the inner cores in front of him.

Soon, he found the main gate of the immortal slaying sect.

“The immortal slaying sect... is really here,” Yan Guiyi said coldly.

He waved his hand and said coldly, “Everyone listen to my order and break into the slaughtering immortal sect with me!”

After hearing Yan Guiyi’s words, they found the gate of the slaughtering immortal sect in front of them.

“The slaughtering immortal sect? What kind of sect is this? How come I’ve never heard of it?”The crowd looked up at the magnificent plaque and said in a low voice.

“I’m afraid this sect has existed for many years.”

Yan Guiyi swept his gaze across the crowd and coldly said, “Immortal slaughtering sect was a sect from ten thousand years ago. Its level of danger is beyond imagination. Those who don’t want to die, follow me closely!”

After throwing out these words, Yan Guiyi took the lead and walked into the main door.

Even Yan Guiyi was quite cautious. He had read the relevant information in the Jingdu martial arts association regarding the immortal slaughtering sect. Compared to the others, Yan Guiyi had a better understanding of it.

Everyone followed behind Yan Guiyi and carefully walked toward the gate.

Yan Guiyi activated his inner strength and gently pushed the gate.

There was a hint of horror on his face, as if he was afraid of alerting something.

In the immortal slaying sect, Qin Yu also noticed this abnormality.

“Someone is coming.”Qin Yu frowned slightly.

In such a place, only Yan Guiyi and the others could come.

Qin Yu lowered his head and looked at the bracelet in his hand.

The bracelet still showed no signs of loosening.

“If they find me, I’m afraid I’ll die without a doubt.”Qin Yu frowned, his face somewhat unsightly.

At this moment, Qin Yu narrowed his eyes, as if he had thought of something.

Therefore, Qin Yu walked quickly to the chair of the Hierarch in front of the Hall and sat down with his back facing the door.

I hope they don’t find me, Qin Yu thought to himself.

It took Yan Guiyi a long time to push open the door.

Cold sweat was dripping down his forehead. It could be seen that even though Yan Guiyi was in the middle stage of the Marquis realm, he was still very vigilant against the immortal slaying cult.

“Fortunately, it was a close call,”Yan Guiyi wiped the sweat off his forehead and said in a deep voice.

Seeing this, Yan Jinyao couldn’t help but ask, “Captain Yan, what’s the origin of this immortal massacre sect? Why Are You So Nervous?”

Yan Guiyi glanced at Yan Jinyao and said coldly, “According to the information, this immortal massacre sect used to be the number one sect in the world, with tens of thousands of disciples.”

“The number one sect in the world?” Hearing this, everyone couldn’t help but be surprised.

Yan Guiyi nodded and said, “That was the number one sect ten thousand years ago. The cultivation environment at that time was very different from now.”

“It’s said that any disciple of the immortal massacre sect is a mighty figure, and their sect master is even more unfathomable.”

Hearing Yan Guiyi’s words, everyone couldn’t help but turn pale with fright.

Any one of them was a mighty figure? What kind of sect was this? No wonder they dared to name it the immortal slaying sect!

“For a sect like this that was once at its peak, no one can guarantee that they won’t leave behind any trump cards or even give birth to any ominous objects,” Yan Guiyi said with some vigilance.

“Indeed. Large sects usually leave behind their trump cards or even their lives. We’d better be careful,” Yao Meng also said in a deep voice.

“Captain Yan, how did such a prosperous sect collapse?” Someone asked in puzzlement.

Yan Guiyi said coldly, “It’s said that the immortal slaying sect was massacred by an itinerant cultivator who had reached the great success stage.”

“Massacred by an itinerant cultivator?” Everyone looked at each other in dismay.

A sect that was at its peak for a time would be massacred by an itinerant cultivator?

Yan Guiyi snorted lightly and said slightly, “Of course, the credibility of this information is not high. How could such a top sect be massacred by an itinerant cultivator?”

Qin Yu, who was sitting on the chair, could not help but sneer in his heart.

This Yan Guiyi was too self-righteous. He always thought that people above their class would not be broken by ordinary people.

Unfortunately, those who broke the class were usually ordinary people who had nothing.

“Everyone, be careful. Places like this are often fraught with danger,” Yan Guiyi reminded again.

Naturally, no one dared to be reckless. They followed closely behind Yan Guiyi and walked into the main hall.

There were still dry bones in the main hall, and the yin qi inside was bone-chilling.

Yan Guiyi was sweating profusely. He released his spiritual sense, afraid that he would run into any danger.

“Whoosh!”

At this moment, a gust of cold wind blew past, and everyone couldn't help but shiver.

Yan Guiyi, who was in a state of panic, suddenly shivered and unconsciously took two steps back. He exclaimed, “Senior, we didn’t mean to offend you. Please Show Mercy!”

Yan Guiyi cupped his hands, his face full of nervousness.

However, there was only a gust of cold wind in the hall. How could there be a “Senior”?

The atmosphere was a little awkward, and some people couldn’t help but laugh out loud.

“Don’t laugh!” Yan Guiyi shouted.

“Let me tell you, if any creatures appear here, we will die without a doubt!” Yan Guiyi said coldly.

“TSK TSK, so this is the big shot of the Jingdu Martial Arts Association. He is so afraid of death,” Chang Mang said with a sneer.

He didn’t like this Yan Guiyi to begin with. Now that he had such an opportunity, he naturally couldn’t help but ridicule him.

Yan Jinyao narrowed his eyes and said indifferently, “An ant like you who was born at the bottom doesn’t know what it means to be in a prosperous sect. An ignorant person is fearless.”

“F * ck you! You’re full of SH * T. You’re so timid.. Why Don’t you go home and take your milk? Hide in your mother’s arms and don’t come out,” Chang Mang scolded him mercilessly.

Chapter 602: Chapter 602, the sorrowful and indignant Chang Mang

The atmosphere between the two sides immediately became tense.

Chang Mang's words not only scolded Yan Jinyao, but almost everyone in Jingdu's inner circle.

Yan Jinyao looked coldly at Chang Mang and said, "I think you're looking for death. Qin Yu is already dead, what more do you have to be arrogant about?"

Chang mang shouted, "Do you think I'm afraid of You! What BULLSH * t number one person? I think it's just an empty title!"

"You don't know what's good for you!" Yan Jinyao was furious. He raised his hand and a powerful internal Qi rushed toward Chang Mang!

"I'm not afraid of You!" Chang Mang was not worried at all. His internal Qi burst out and met the attack head-on!

"Clang!"

A loud sound reverberated throughout the entire hall!

Chang Mang unconsciously took three steps back, and his fist felt waves of pain.

"You're really something, a child with a breast!" Chang Mang shook his fist and said coldly.

Yan Jinyao narrowed his eyes and said, "You foul-mouthed thing. If I don't Teach You a lesson, you won't know what reverence is!"

After saying that, Yan Jinyao stepped forward again.

However, at this moment, Yan Guiyi stood between the two of them.

He said coldly, “This is the immortal slaughtering sect. Aren’t you afraid of waking up some living beings by fighting like this?”

“You want to die, but we don’t want to die.”

Yan Jinyao glanced at Yan Guiyi and snorted, “I’ll spare your life for now.”

“Bah! Go home and hug your milk!” Chang Mang said sarcastically.

The conflict was settled for now, but Yan Guiyi knew that the two sides would definitely fight to the death.

Putting aside whether or not there would be any treasures in the hall, just the inner cores at the door were enough to drive everyone crazy.

“It’s time to get rid of these people,” Yan Guiyi said coldly.

He glanced at He Teng, and He Teng immediately understood Yan Guiyi’s meaning.

The two sides hit it off, and a black light suddenly appeared around He Teng, blocking in front of everyone.

“He Teng, what do you want to do!” Chang Mang couldn’t help but frown.

He Teng narrowed his eyes and said, “Of course I want to kill you.”

“Kill me? hahahaha, what big words!” Chang Mang roared angrily.

He Teng snorted coldly and said, “Qin Yu is already dead. No one will come to help you anymore. Today... you must die here.”

Chang Mang narrowed his eyes and said, “He teng, are you trying to be a dog for the people in the Jingdu Circle? Do you really think that you can squeeze into their circle just by wagging your tail? Dream On!”

He teng calmly said, “Then it has nothing to do with you. Everyone makes their own choices.”

Chang mang shouted, “Fine! Do you think I’m afraid of You? ! What’s more, I have so many brothers by my side!”

He Teng couldn’t help but laugh loudly and say, “Chang Mang, you think too highly of them. Do you think they will fight side by side with you? What a joke!”

“Open your eyes and see. They will only watch coldly from the sidelines!”

Chang Mang swept his gaze around him. As expected, these low-level martial artists had no intention of attacking.

Although Chang Mang wasn’t afraid of He Teng, their numbness still made Chang Mang feel waves of anger.

“Do you really want to watch coldly from the sidelines? Let me tell you, if I die, you will be next!” Chang Mang said angrily.

“Do you think this is He Teng’s own idea? This is the idea of their circle in Jingdu! They have no intention of giving you the treasure at all!”

Chang Mang shouted again and again, but everyone was unmoved.

Yan Guiyi couldn’t help but squint his eyes, carefully sizing up Chang Mang.

Although Chang Mang looked extremely reckless, there were details in his rough, and he knew the importance of forming a group.

“Brother Chang, this is a dispute between you and he teng. It has nothing to do with us, right?”

“That’s right. The two of you have had enmity since the beginning. How can you divide the problem into different levels?”

“Brother Chang has enemies on all sides. Naturally, he will attract trouble. This doesn’t seem to have much to do with us.”

Hearing everyone’s words, Chang Mang’s face turned ashen.

“This is between the two of you. It has nothing to do with me,” Yan Guiyi said indifferently.

“Don’t worry. The Jingdu Martial Arts Association will protect your safety.”

As soon as these words were said, these low-level martial artists immediately became more certain and completely ignored Chang Mang’s words.

Chang Mang couldn’t help but be furious. He angrily berated, “A bunch of spineless things! It’s because of your cowardice that they become more and more arrogant!”

After saying that, Chang Mang looked at he teng and shouted, “Come, I’ll kill you right now and avenge Brother Qin!”

As soon as he finished speaking, Chang Mang’s entire body lit up with a scarlet light as he strode towards he teng!

However, right at this moment, an intense pain struck his mind! Chang Mang's spiritual sense instantly went blank.

Although it was only for an instant, in this kind of life and death battle, it could change the outcome of the battle in an instant!

“Chi!”

He Teng seized the opportunity, and a sharp blade pierced through Chang Mang's body! Then, his black light turned into a large palm, and directly sent Chang Mang flying!

Chang Mang fell to the ground, his face twisted.

The pain made it difficult for him to get up.

“F * ck...” Chang Mang could not help but curse through gritted teeth.

He tried to get up, but Yan Guiyi immediately increased his strength, and Chang Mang fell to the ground again.

Qin Yu, who was sitting on the chair, was extremely anxious. He tried to feel the bracelet, but he found that the bracelet still did not loosen.

“Yan Guiyi, I'll Kill You First!”

At this moment, Chang Mang suddenly burst out and charged straight at Yan Guiyi!

No one had expected this scene, and even Yan Guiyi himself did not have time to react!

Chang Mang's fist landed squarely on Yan Guiyi's face, sending him flying!

Everyone was dumbfounded. Someone even whispered, “Is Chang Mang Crazy? Why does he look like a mad dog?”

Yan Guiyi stood up from the ground. He rubbed his face and said coldly, “Chang Mang, you’re Courting Death!”

Chang Mang struggled to support his body and sneered, “Two B * stars, working together in collusion. If you have the ability, take the bracelet for me. I’ll kill you!”

Yan Guiyi ignored Chang Mang and looked at He Teng coldly.

He Teng immediately urged his power again and dashed toward Chang Mang!

This spell was exactly the same as the one used against Qin Yu. The huge explosion directly smashed Chang Mang’s body into pieces, and he fell to the ground, dying.

He wanted to get up, but found that he couldn’t get up at all.

On the stage, Qin Yu was extremely anxious.

If this went on, Chang Mang would definitely die here!

“Captain Yan, should we continue moving forward?” Someone asked.

Yan Guiyi didn’t say anything. He only glanced at he teng.

He Teng nodded slightly. His body was full of murderous intent. He floated up and swept his gaze toward all the martial artists at the bottom level.

“Chang Mang is right. If he and Qin Yu Die, you will be like a group of dragons without a leader... Then I will let you become the souls of the dead in my hands..”He Teng grinned and revealed a sinister smile.

Chapter 603: Chapter 603. Everyone, Kowtow!

He Teng’s cold voice entered everyone’s ears.

The expressions of these low-level martial artists immediately changed!

They couldn’t help but think of Chang Mang’s words. They never thought that what Chang Mang said was actually true!

Everyone hurriedly looked at Yan Guiyi with pleading eyes.

However, Yan Guiyi coldly said, “The Church of the massacre immortal is full of danger. The low-level warriors are weak and disobedient, and they died because of the church of the Massacre Immortal!”

“You... You!”Yan Guiyi’s words sent chills down everyone’s spine!

Not far away, the people in the Jingdu Circle were expressionless. It was as if they had long guessed this outcome.

Qin Yu, who was sitting on the chair, was even more anxious. If this continued, these people might really die here!

Qin Yu tried to sense Chang Mang’s internal Qi and found that Chang Mang was not dead, but his internal Qi was extremely weak.

If he did not save him, he would definitely die.

“Captain Yan, isn’t this inappropriate?”Yao Meng suddenly asked.

Hearing Yao Meng's words, Qin Yu could not help but feel slightly relieved.

As expected of Yan Ruoxue's friend, at least she was kind.

However, Yao Meng's request alone couldn't change anything.

Yan Guiyi said coldly, "Miss Yao, this is a decision that we all agreed on. You'd better not say more."

Kong Yun also snorted coldly and said, "They're just a bunch of ants. If they die, they die. Miss Yao, why do you need to be so concerned?"

Yao Meng opened her mouth as if she wanted to say something, but was interrupted by Yan Guiyi with a wave of his hand.

"He Teng, it's your turn," Yan Guiyi said coldly.

He Teng licked his lips and said, "Don't worry."

With that said, he teng held the black energy in his hand and walked toward the crowd.

On the stage, Qin Yu's face was covered in sweat and he couldn't wait any longer.

The bracelet still showed no signs of loosening. Even if Qin Yu made a move, he wouldn't be able to stop them. Instead, he would risk his own life!

"I got it!" At this moment, Qin Yu seemed to have thought of something!

He mustered all his strength and shouted, "How dare you, Young Man! How dare you intrude into our Slaughter Immortal Sect!"

The shout immediately gave everyone a fright.

Yan Guiyi, on the other hand, suddenly shivered, and beads of sweat appeared on his forehead!

He hurriedly walked forward and came in front of Qin Yu. He cupped his hands and said, “Senior... senior, we didn’t mean to offend you. Please forgive us...”

“How dare you!” Qin Yu made a banner out of tiger skin and shouted, “Kneel down!”

Yan Guiyi didn’t know that Qin Yu was acting. He thought that this was the cult master of the immortal slaying sect.

Therefore, Yan Guiyi hurriedly waved his hands and said, “Kneel down, all of you, quickly kneel down!”

These young masters from the circle of Jingdu all cherished their lives very much and also knelt down with Yan Guiyi.

“Senior, we have no intention of offending you. We hold the slaughtering immortal cult in high esteem and hope that senior will forgive us... .” Yan Gui Yi knelt down on the ground and said in a trembling voice.

He was already panicking in his heart. After all, the people who had just come to participate were all the cream of the crop of the younger generation in the fire country!

More importantly, there were the disciples from the various aristocratic families among them.

If one of them died, they would be in big trouble!

Qin Yu, who was sitting on the chair, couldn't help but be secretly happy. He really wanted to turn around and see Yan Guiyi kneeling on the ground and begging.

“Who are you people? Who asked you to come to our Slaughter Immortal Sect?” Qin Yu continued to pretend.

Yan Guiyi hurriedly said, “Senior, we are from the Jingdu Martial Arts Association. This time, we came to the slaughter immortal sect... also to visit. We want to see the legendary number one sect in the world...”

Qin Yu snorted coldly and said, “Is that so? Junior, if you dare to lie to me, I will destroy your soul and Soul!”

“I don't dare, I don't dare. I definitely don't dare to lie to you, senior,” Yan Guiyi hurriedly said.

He pressed his head against the ground, afraid that he would anger this “Sect master” of the immortal slaying sect.

Qin Yu didn't know what to say for a moment, and the scene fell into silence for a while.

Yan Guiyi and the others didn't even dare to breathe loudly. They knelt on the ground and waited for their orders.

“Jingdu Martial Arts Association... What is that? How come I've never heard of it?” Qin Yu continued to ask.

Yan Guiyi hurriedly said, “Jingdu martial arts association is one of our organizations. It just rose up in recent years...”

“Humph, there really is no tiger in the mountain. A monkey calls itself a King!”Qin Yu said coldly.

“You intruded into our sect rashly and woke me up from my sleep. This is a capital offense!”Qin Yu shouted.

Yan Guiyi’s expression changed drastically, and he hurriedly said, “Please show mercy, senior. We... We’ll Leave Now!”

“Do you think our sect is a vegetable market? You can come and go as you please!”Qin Yu said angrily.

“Everyone, kneel down and kowtow thirty times. I may consider sparing your lives.”

Yan Guiyi heard this and hurriedly said, “Alright, Alright. We will listen to Senior’s arrangements.”

After saying this, Yan Guiyi took the lead and kowtowed to the ground.

The others didn’t seem to be willing to kowtow. They were all proud sons of Heaven and were naturally unwilling to be humiliated like this.

“If you don’t want to die, then quickly kowtow to me! The Cult Master of the immortal slaying sect is a great cultivator at the return to void stage. A single thought from him can destroy your souls and souls!”Yan Guiyi said angrily.

Although they were unwilling, Yan Guiyi spoke as if it were true, so they could only kowtow to the ground.

For a moment, the sound of “Bang, Bang, Bang”was incessant, and it spread throughout the entire hall.

Qin Yu laughed wildly in his heart. To make a young master in the Jingdu Circle Kowtow, what kind of experience was this ?

In the entire world, probably no one had ever seen such a scene!

Thirty kowtows were finally finished.

Yan Guiyi raised his head and said with a trembling voice, “Senior, can... Can We leave now?”

Qin Yu forced down his laughter and said, “Get lost. Remember, My Slaughter Immortal sect is not a place for small characters like you. If I meet you again, I will definitely slaughter your Jingdu Martial Arts Association!”

“Yes, Yes, I accept your order...”Yan Guiyi hurriedly got up and turned around to leave.

“PFFT!”

Just as they were about to leave, Qin Yu, who was sitting on the chair, could not hold back his laughter and burst out laughing.

This laughter immediately made everyone freeze on the spot.

“Oh no!”Qin Yu thought to himself that things were not looking good!

“Just now... was someone laughing?”Yan Jinyao asked with a frown.

Yan Guiyi scratched his ears and looked at Qin Yu tentatively. “May I ask... is senior laughing?”

“Yes, it’s me,”Qin Yu braced himself and said.

“If there’s nothing else, just get lost,”Qin Yu said coldly.

“Wait.”At this moment, Yan Jinyao suddenly looked at Qin Yu.

He said coldly, “Senior, can you turn around and let me see your real face?”

“Impudent! How can you see my true appearance? !”Qin Yu shouted loudly.

Yan Jinyao coldly snorted and said, “Senior, why do I feel that you are a little strange? The Way you dress doesn’t seem to come from ten thousand years ago.”

“Moreover... all these years, your clothes won’t be torn?”

After Yan Jinyao’s reminder, everyone began to feel that something was wrong.

“Turn around and let us take a look,”Yan Jinyao said coldly.

“Otherwise, don’t blame me for being rude..”A light circled around Yan Jinyao’s hand, indicating that he was about to attack.

Chapter 604: Chapter 604, Bracelet, shattered!

Seeing this, Yan Gui hurriedly stood in front of Yan Jinyao.

“Yan Jinyao, don’t take this risk. If he really is the cult master, then we...”

“He definitely isn’t,”Yan Jinyao said with a cold smile.

“Captain Yan, if he was the cult master, he would have long suppressed us. Why wait until now!”

Seeing this, Qin Yu couldn't help but sigh slightly.

He could only slowly turn around and spread out his hands. “Today, I am your ancestors. I, Qin Yu, will accept your great gift.”

Seeing Qin Yu's face, the atmosphere instantly fell into awkwardness.

The entire scene was silent. For a moment, no one seemed to be able to react.

“You Lost.” At this moment, Yao Meng looked at Kong Yun with a smile.

Only after saying this did everyone come back to their senses.

This so-called sect master... was actually Qin Yu ? !

In other words... so many people had been played by Qin Yu ?

“Qin Yu, you're F * cking courting death!” Yan Jinyao instantly flew into a rage!

Qin Yu sneered and said, “Young Master Yan, you are the heir of the Yan family in Jingdu. I didn't expect you to kneel down with me.”

Yan Jinyao said coldly, “Qin Yu, I will never forgive you for such humiliation. If I don't kill you, I, Yan Jinyao, will never be a human!”

Qin Yu sneered and said, “F * ck you. Do you think I'm afraid of You ?”

For a moment, everyone was furious!

They were the proud sons of Heaven of the current era and people in Jingdu's circle.

Now, they knelt down with Qin Yu. How could they not be angry!

“Qin Yu, you actually didn't die,”Yan Guiyi said coldly.

Qin Yu put his hands behind his back and said with a faint smile, “Yes, surviving a great disaster is bound to bring good fortune. I never thought that I would come here before you guys.”

Yan Guiyi narrowed his eyes and said, “I was almost cheated by you... but unfortunately, you still have to die here today!”

Qin Yu didn't pay attention to Yan Guiyi anymore. His body shook, and he arrived in front of Chang Mang.

“How are you? Are You Okay?”Qin Yu asked as he transferred the Qi/spiritual energy to Chang Mang.

Chang Mang wiped the blood from the corner of his mouth, looking extremely pained.

However, he pretended to be strong and said, “I'm fine. Help me up. I want to kill them...”

Qin Yu patted Chang Mang's shoulder and said, “Lie here obediently. If we fight with them now, we will definitely lose.”

Chang Mang's face was also a bit ugly. He thought of the intense pain brought by the bracelet and couldn't help but feel a lingering fear.

Qin Yu stood up and looked at Yan Guiyi and the others.

“Why don’t we make a Deal?”Qin Yu said with a smile.

Yan Guiyi raised his eyebrows and sneered, “Make a deal? Qin Yu, what can you offer in exchange for your life?”

Qin Yu touched his chin and said, “I came here before you, so I will naturally sweep this place clean.”

Everyone’s faces changed drastically! They came here from thousands of miles away for the treasures of the immortal slaying sect!

Now that Qin Yu was one step ahead of them, how could they not be angry!

“How about this? You let us go, and I’ll give you the treasure.”Qin Yu said with a faint smile.

“Hehe, Qin Yu, don’t think too much. As long as we kill you, this treasure will still be ours.”Yan Jinyao said coldly.

Qin Yu did not panic. He said with a faint smile, “That treasure has long been hidden by me. If you kill me, you will never find it.”

Yan Jinyao narrowed his eyes and said, “Then... I don’t want it!”

After saying that, Yan Jinyao’s figure flashed and instantly appeared in front of Qin Yu!

The qi-jin in his hand was extremely terrifying. It shook the entire immortal slaying sect to the point that it was buzzing!

Qin Yu snorted coldly and said, “I also want to see what you are capable of!”

Golden Light burst out from Qin Yu's body, and the terrifying golden light illuminated the entire seabed!

“Boom!”

The two fists collided at this moment! Waves of air spread out in all directions with the two of them as the center!

This was the second time that the two of them had exchanged blows! Both of them took three steps back!

Yan Jinyao narrowed his eyes and said, “You have some ability, but unfortunately, if you only have this little ability, you are no match for me.”

“Is that so!” Qin Yu took a step forward, and the battle raged!

His hair danced wildly, and his blood and Qi were burning, showing his disdain for the world!

“Yan Jinyao, it's time for your position as the number one person to change hands!” Qin Yu shouted.

After saying that, Qin Yu stepped forward again!

He clenched his Golden Fist and smashed it at Yan Jinyao with a crushing force!

Yan Jinyao was not afraid at all. He gathered the inner strength in his body and chose to fight head-on with Qin Yu again!

However, this time, Yan Jinyao did not gain any benefits. His fist shattered and his body took a few steps back!

“You, the number one person, are only so-so!”Qin Yu snorted coldly.

Yan Jinyao narrowed his eyes and sneered, “I know that your body is strong, but I have 10,000 ways to avoid your body and kill you!”

“Then you try it!”Qin Yu shouted.

Just as Qin Yu was about to attack for the third time, the bracelet began to shine again.

The terrifying force instantly covered Qin Yu.

The intense pain caused Qin Yu to collapse to the ground again!

The intense pain caused Qin Yu’s entire body to tremble incessantly.

He tried to stand up, but he discovered that the strength on the bracelet was getting stronger and stronger!

Qin Yu’s expression was ice-cold. He gritted his teeth and sneered, “So you, the number one person, also have to rely on despicable methods...”

Yan Jinyao did not seem to mind at all. He sneered and said, “The winner takes all! Qin Yu, as long as you can win, any method is noble!”

Before he finished his words, Yan Jinyao pinched a ray of light and smashed it at Qin Yu!

“Boom!”

The ground was smashed through! Under the pain of the bracelet, Qin Yu had no way to dodge at all!

His body was seriously injured again, and he was dripping with blood!

Yan Guiyi sneered and said, "Qin Yu, this is your end."

"Hand over the treasure of the immortal slaying sect, and I might consider letting you die a quick death," Yan Guiyi said indifferently with his hands behind his back.

Qin Yu wiped the blood from the corner of his mouth and sneered, "I hid the treasure... in the F * cking grave!"

Yan Guiyi's pupils constricted, and he shouted angrily, "You're courting death!"

A fierce fist fiercely smashed on Qin Yu's face, directly forcing Qin Yu to retreat.

At this time, he teng walked forward and said with a faint smile, "Captain Yan, leave it to me. I have ten thousand ways to torture him and make him suffer a fate worse than death."

Yan Guiyi glanced at he teng and said coldly, "Don't disappoint me again this time."

"Don't worry," He Teng said with a sinister smile.

Then, he teng walked toward Qin Yu step by step.

He looked down at Qin Yu and said indifferently, "Qin Yu, I admit that you are capable, but sometimes the key factor of success or failure has little to do with your ability."

"For example, right now, you are tormented by this bracelet. How are you going to deal with me?"

Qin Yu said coldly, "What a sissy. You talk too much nonsense."

He Teng said with a faint smile, “Okay, then I will satisfy you.”

“Crack.”

However, at this moment, a crisp sound suddenly came.

“Crack Crack Crack Crack!”

Then, countless sounds spread throughout the hall!

The bracelet in everyone’s hands was broken!

Chapter 605: Chapter 605, the great battle!

The sound of the explosion spread throughout the entire hall!

Qin Yu hurriedly lowered his head to look at his wrist. As expected, the bracelet had already turned into pieces!

“The bracelet... finally broke!” Qin Yu could not help but mutter in a low voice, and then burst into ecstasy!

Meanwhile, he Teng’s expression changed slightly, and the hand that had just stretched out involuntarily retracted.

“It actually shattered at this time...” Yan Guiyi’s brows were tightly knitted together. His expression was extremely unsightly.

This thing had yet to be divided, and the bracelet had already shattered. For Yan Guiyi, this was not good news.

“He Teng, without the suppression of this bracelet, do you still have the right to make a ruckus in front of me?” Qin Yu said coldly.

He Teng's expression changed slightly. He snorted lightly and said, "Qin Yu, don't think that I'm afraid of you. So what if I don't have this bracelet? I'm still not afraid of You!"

"Is that so!" Qin Yu shouted loudly. His voice was like thunder, shaking the entire hall and causing a buzzing sound!

Following that, Qin Yu took a step forward. In an instant, a terrifying aura swept through the entire hall! He Teng's internal Qi surged out from his body!

He Teng's expression was extremely unsightly. He knew very well in his heart that if it wasn't for the suppression of this bracelet, he wouldn't be a match for Qin Yu at all!

Thinking of this, he teng couldn't help but look at Yan Guiyi.

But Yan Guiyi did not say anything.

"Damn it." He Teng gritted his teeth.

Now that things had come to this, he had no other choice. He could only take large strides forward and shout angrily, "Qin Yu, don't be so arrogant. Do you really think that I, he teng, am afraid of You?!"

Before he could finish his words, he teng used the same trick again. He once again activated the black energy around him and rushed towards Qin Yu!

Qin Yu sneered, "The same technique will be useless after two tries."

The black energy once again transformed into Yan Ruoxue's appearance and closed in on Qin Yu.

However, this time, Qin Yu closed his eyes!

His powerful divine sense directly covered the entire immortal Slayer sect!

With this divine sense, Qin Yu was able to figure out all of He Teng's movements!

“Boom!”

As the black energy rushed over, Qin Yu punched out, directly piercing through that mass of energy!

He Teng immediately spat out a mouthful of blood, and his body couldn't help but retreat backwards.

“This time, I'll see who else can save you!” Qin Yu shouted loudly.

He didn't give he teng the slightest chance. His body transformed into a golden light, instantly arriving in front of He Teng.

“Boom!”

A golden light appeared and the terrifying absolute beginning Holy Fist smashed down!

He Teng's expression changed drastically. He hurriedly urged the black energy around him to react.

However, Qin Yu's power was too strong. It directly pierced through his black energy and headed straight for he Teng's body!

“PFFT!”

He Teng's chest took this punch. His body retreated continuously!

If not for the buffering of this black energy, this punch might have directly taken he Teng's life!

He Teng's face was pale. He struggled to stand up from the ground, and his hands quickly slid in the air.

The black energy once again turned into small balls!

Each small ball contained an incomparably terrifying power!

On the island, he teng had relied on this technique to shatter Qin Yu's body!

"It's this technique again?" Qin Yu couldn't help but sneer when he saw this.

"Didn't I tell you that the same technique won't work the second time?" Qin Yu narrowed his eyes and said.

He Teng didn't pay any attention to it. He clenched his teeth and his internal Qi boiled like boiling water!

The small black balls gathered around his body one after another.

A terrifying pressure immediately spread out.

Even though they were far away, they could still feel the destructive energy contained in the small ball!

He Teng stared at Qin Yu and snorted coldly, "Qin Yu, no matter what price I have to pay, I will kill you!"

Qin Yu's expression was solemn as he looked coldly at he teng in the distance.

Following he Teng's furious roar, the black ball in his hand immediately smashed towards Qin Yu!

“Boom!”

A huge explosion resounded throughout the entire hall!

Thick smoke rose up in all directions, as if a huge bomb had exploded at this moment!

A terrifying energy rippled out in all directions, and everyone was forced back several steps by this energy!

Even Yan Guiyi's face flashed with a trace of surprise!

The patch of disciples under Qin Yu's feet turned into ashes, and a huge pit that was dozens of meters deep appeared in front of everyone!

The smoke and dust slowly dispersed, and everyone's eyes were fixed on the direction of the huge pit.

“Huh? He's not dead?”

Soon, someone noticed Qin Yu's figure!

A small hill in front of him was shining, blocking Qin Yu behind him!

Even so, Qin Yu's clothes were still ragged, and there were many bloody marks on his body!

“A magic tool?” Yan Guiyi narrowed his eyes and frowned slightly.

“What kind of magic tool is this? How could it block such a terrifying attack?”

He Teng’s face was even uglier! This attack had exhausted all of his energy. If he couldn’t kill Qin Yu, then he would be the one to die!

Qin Yu put away the five peaks of the mountain and wiped the bloody marks on his body. He couldn’t help but say coldly, “If it weren’t for the five peaks of the mountain, this spell would have brought me a lot of trouble.”

He Teng didn’t say anything. He panted heavily, and his eyes were full of fear.

Qin Yu tidied his clothes and walked toward he teng step by step.

“He Teng, what other tricks do you have? Just use them,” Qin Yu said as he walked.

That powerful pressure made he Teng’s body twitch, and his face was full of fear.

“Do you still want to use your spatial magic tool?” Qin Yu said with narrowed eyes.

He waved his big hand and directly trapped he teng on the spot.

That small space seemed to be confined.

“It seems that you don’t have any other tricks,” Qin Yu sneered.

“He Teng, then you can go to hell!”

Accompanied by Qin Yu's Angry Roar, he clenched his Golden Fist and quickly rushed toward he teng!

“Stop!”

At this critical moment, Yan Guiyi finally planned to make a move!

His figure flashed explosively as he rushed towards he teng.

Qin Yu glanced at him coldly and said, “Yan Guiyi, you can't save him!”

The terrifying golden light arrived beside he teng in the blink of an eye!

Yan Guiyi was obviously too late. He gritted his teeth and flipped his palm. A black-gold ball suddenly shot out!

These black-gold balls were the two that Yan Guiyi played with every day!

“Clang!”

The black-gold ball blocked in front of He Teng and collided with Qin Yu's fist!

Qin Yu's fist immediately felt waves of pain, and the golden light was shattered by the black-gold ball!

He Teng, who had been saved, was immediately drenched in sweat, and his legs were weak.

Yan Guiyi took the opportunity to rush to he teng.

He looked at Qin Yu coldly and said, “I asked you to stop. Can't You Hear Me?”

Chapter 606: Chapter 606, the great battle against Yan Guiyi!

Qin Yu's expression was ice-cold. His eyes unconsciously glanced at the black ball in Yan Guiyi's hand.

If his guess was correct, this black ball was definitely made of black gold stone and had been specially refined.

This was one of the reasons why Qin Yu had always been afraid of Yan Guiyi.

As a member of the Jingdu Martial Arts Association, he had countless treasures on him. He was definitely not someone Qin Yu could compare to.

"Qin Yu, you have repeatedly ignored the rules. If I don't punish you, how can I lead the team?" Yan Guiyi said coldly.

Qin Yu narrowed his eyes and said, "Yan Guiyi, stop pretending. If I'm not wrong, the purpose of this experiential learning is not only for the treasures, but also for another purpose."

Yan Guiyi sneered, "So what if I am? So what if I am not? You are already here."

Qin Yu's internal Qi was rising rapidly. He was ready for a big battle.

"Then let's do it. No more nonsense," Qin Yu said coldly.

Yan Guiyi said indifferently, "Do you think I am the only one who wants to kill you? Let me tell you, there are many people who want to kill you."

"That's right."

At this time, Yan Jinyao also stood out.

“Qin Yu indeed deserves to die.” Han Wei followed closely behind.

“A person who wants to challenge the authority should indeed not exist.” Kong Yun also stood out.

Zhuang Teng, Chu Hedao, Chu Heng, and the others were silent.

Yao Meng and Xiao Yuan stood to the side very consciously, obviously not wanting to get involved in this matter.

“Qin Yu, do you see?” Yan Guiyi sneered.

“This is the sin you have committed. If you don’t die, the heavens will not tolerate it!”

With a loud shout, several people walked towards Qin Yu at the same time!

Qin Yu’s expression was ice-cold. He swept his gaze towards these people, his eyes brimming with fighting spirit.

“Captain Yan, you guys have gone too far. Chang Mang is right. Our biggest mistake was to believe in your Jingdu Martial Arts Association.”

At this moment, many of the lower level martial artists also stood out in unison.

“The rights and benefits are earned by ourselves. They are definitely not given by others. If Qin Yu dies, I’m afraid we won’t be able to walk out of here,” the crowd said coldly.

Qin Yu glanced at them, and a trace of relief finally appeared on his face.

Fortunately, these people were not too numb. They finally knew that it was time to resist.

Yan Guiyi glanced at the crowd and said coldly, “Do you want to Die?”

“Even if we don’t fight, we will die. If we fight, we might have a chance of survival,” someone coldly said.

“Hahaha! What a joke. They are just a bunch of ants. Do they really think they are ants?” Yan Jinyao narrowed his eyes and said.

The two sides had completely shed all pretenses of cordiality. A great battle was about to break out!

Qin Yu led many warriors from the bottom level, and beside Yan Guiyi was a young master from the Jingdu Circle!

“We must not let them leave,” Yan Guiyi said coldly in his heart.

After this incident, these people had already stood on Qin Yu’s side.

Once they were let go, these people would become Qin Yu’s battle strength! They would become members of the Green Moon Villa!

They were all extremely talented people, and with the involvement of the Divine Alchemist Pavilion, it was very likely that they would become a great enemy of the Jingdu Martial Arts Association in the future!

Moreover, Qu Qu had given a death order. Qin Yu had to die here no matter what!

“Then there’s no need to talk nonsense.” Yan Guiyi’s body flickered with light, and his body slowly floated up.

Yan Jinyao and the others were not willing to be outdone. As Heaven's favorites, their strength naturally did not need to be said.

Several streams of internal Qi converged at this moment, and the air made sizzling sounds when they collided.

The entire Main Hall began to rumble, as if it was about to be unable to withstand this powerful force!

A great battle was about to break out. Golden Light burst forth from Qin Yu's body, and the power of the Divine Dragon erupted!

A pair of scarlet eyes swept across the crowd, and the battle intent in his eyes caused everyone to feel a chill!

"Qin Yu, you've been in the limelight for long enough. It's time for you to die!" Yan Guiyi's voice was filled with terrifying internal strength, and it shook everyone's ears until they felt pain.

Qin Yu's body suddenly shook, and he snorted coldly, "No more nonsense. Let's do it!"

Before he could finish his words, Qin Yu actually took the initiative to attack!

And his target was none other than Yan Guiyi!

Facing Qin Yu's tyrannical physical body, Yan Guiyi did not dare to be negligent. He immediately activated the armor on his body, and a black-gold light rapidly erupted!

"Boom!"

A simple yet extreme collision of bodies ignited this great battle!

Qin Yu's hair danced wildly, his eyes were sharp, and his confidence of victory outlined him as the Undefeatable War God!

The terrifying collision of bodies caused the great hall to Rumble!

In the blink of an eye, the two of them exchanged dozens of punches!
Each punch caused the space to Rumble!

The more Qin Yu fought, the braver he became. With the support of the power of the divine dragon, even when facing the black-gold rock, he was not at all afraid!

Yan Guiyi could not help but look cold, and his heart was filled with shock!

Qin Yu was probably the best person who could match the black gold stone with just his physical body!

“Go to hell!”

Qin Yu let out an angry roar, and a fist filled with anger drew an arc in the air and swung out fiercely!

“You don't know Death!” Yan Guiyi shouted loudly. The black gold light on his body shone to the extreme, and sharp thorns appeared on his fist!

These spikes were all made of black-gold stone, and could be said to be indestructible!

The moment the two fists collided, the black spikes instantly pierced through Qin Yu's fist!

However, the huge impact still caused Yan Guiyi to be pushed back repeatedly!

Everyone watched the battle without blinking, and their eyes were filled with a hint of shock.

They did not expect that even with the black-gold Stone's blessing, Qin Yu could still be on par with Yan Guiyi!

Yan Guiyi shook his arm, and his eyes became colder and colder.

He was in the middle stage of the Martial Marquis Realm, and there was a gap of several realms between them!

Not only that, he also had the invincible black gold stone, but even so, he still couldn't take down Qin Yu in a short time!

"No wonder the higher-ups value him so much," Yan Guiyi said in a deep voice.

Yan Guiyi had only wanted to complete the mission when he killed Qin Yu.

But now, Yan Guiyi was starting to feel a little scared.

He was afraid that such a person would rise up and that he would step into the invincible state.

"Damn you," Yan Guiyi murmured with his eyes narrowed.

Qin Yu, on the other hand, didn't say anything, as if he was casting some kind of spell.

A moment later, Qin Yu suddenly raised his head! His pupils flickered with light, and a golden light flashed in his mind!

“Divine judgment!”

Following Qin Yu’s Loud Roar, a golden light shot straight towards Yan Guiyi’s glabella!

“Not good!” Yan Guiyi thought to himself. He wanted to dodge, but it was too late!

The golden light pierced straight into Yan Guiyi’s mind!

This was a spiritual attack. Although Yan Guiyi had the black gold stone to protect his body, his spiritual sense was blank!

“Puchi!”

The golden light pierced into Yan Guiyi’s mind, and Yan Guiyi was stunned!

“Now!” Qin Yu seized this opportunity, and his hand began to move quickly!

A purple lotus flower condensed in Qin Yu’s palm!

With the appearance of the lotus flower, a terrifying pressure spread out.

Chapter 607: Chapter 607, you can stay here!

This technique was one of the heaven-ranked techniques that Qin Yu controlled. It was called the spiritual fire seal. The energy contained within it was enough to destroy a top-tier religion!

Everyone could feel the terrifying power contained within the spiritual fire seal. For a moment, everyone's expressions could not help but change.

“Go to hell!”

Qin Yu let out an angry roar. The lotus flower in his hand ruthlessly pressed down on Yan Guiyi!

Yan Guiyi's expression changed drastically. He had regained his senses at this critical moment.

Unfortunately, the lotus flower had already arrived in front of him at this moment!

Even with the protection of the black gold stone, Yan Guiyi still sensed a hint of danger!

He hurriedly raised his arm to block his body.

“Boom!”

The lotus flower exploded on Yan Guiyi's body, and a terrifying airwave instantly spread out in all directions!

The terrifying power even caused the entire island to shake slightly, and that space instantly turned into a sea of fire!

The Flames soared into the sky and entered everyone's sight.

And Yan Guiyi was engulfed by the Sea of fire, and nothing could be seen clearly.

Qin Yu panted heavily, and his face was ice-cold.

This was the second time he had used the spiritual fire seal, and the last time was when he was fighting Meng Wuxiong.

This technique consumed a lot of energy, and Qin Yu was not willing to use it easily.

However, other than the spiritual fire, Qin Yu could not think of any other way to hurt Yan Guiyi!

The atmosphere froze, and everyone's eyes were fixed on the Sea of fire.

As the aura and flames rushed toward them, everyone could feel the scorching waves of fire.

“Ah! !”

At this moment, a figure rushed out of the Sea of fire.

His right arm was swallowed by the flames, looking extremely painful.

Not only that, the flames did not stop there. Instead, they spread towards his body!

Qin Yu's brows were tightly furrowed, and a trace of solemnity could not help but flash across his face.

Even after using two top-notch techniques, he still could not kill Yan Guiyi.

This middle-stage Marquis of the Jingdu martial arts association was indeed not simple!

The Flames were still slowly engulfing Yan Guiyi. If this continued, Yan Guiyi would definitely die!

His face was already covered in tears, and a rarely seen trace of fear appeared in his pupils.

At this moment, Yan Guiyi gritted his teeth, as if he had made a decision.

With a furious roar, he grabbed his arm with one hand, and then suddenly exerted force, directly tearing off the arm wrapped in flames!

Blood immediately splattered everywhere. Without the support of the internal strength in his body, the arm that had been torn off was instantly burned into ashes by the spiritual fire.

Yan Guiyi's face was extremely ugly, and his eyes were filled with anger!

"You... actually destroyed one of my arms!" Yan Guiyi stared at Qin Yu. At this moment, his anger had reached its peak!

In all the years he had been in the Jingdu Martial Arts Association, no one had been able to hurt him!

One Arm was too much of a price for Yan Guiyi!

"Qin Yu... I will definitely tear you into pieces! !!" Yan Guiyi raised his head and roared, his thick inner strength instantly bursting out!

For a moment, the entire hall was shaking. Yan Guiyi's anger was like an unquenchable flame, making people tremble in fear!

"If I had been the one fighting him just now, I'm afraid my ending would have been even worse," Yan Jinyao said in a deep voice.

“En, I didn’t expect Qin Yu to have such a spell on him,”Chu Heng also said in a deep voice.

Chu Hedao, who had been silent the whole time, said in a rare tone, “Qin Yu always creates miracles every time. No one should underestimate him.”

Chu Heng glanced at him and said, “It seems that you know him quite well.”

Chu Hedao didn’t say anything and silently walked to the side.

Not far away, Yan Guiyi became a one-armed man.

He clenched his fist with one hand, and all the inner strength gathered on his arm.

Qin Yu’s face was solemn, and his body was shining with golden light. He was ready to fight Yan Guiyi.

“I really didn’t expect that the God’s judgment and the spiritual fire seal could only replace one of his arms,”Qin Yu murmured in a low voice.

“Stop watching the show. It’s time for us to make our move.”Yan Jinyao’s body flashed with purple light as he took a step forward.

The Warriors at the bottom level also took a step forward in unison. Yan Guiyi had lost an arm, which undoubtedly boosted their morale.

The battle between the two levels was about to break out at this moment!

The Qi strength of both sides reached its peak at this moment!

“You bunch of damn ants, I’m going to kill all of you!” Yan Guiyi gnashed his teeth. He walked towards Qin Yu step by step.

“Rumble...”

Just as both sides were about to make their move, the ground suddenly began to tremble violently!

Following that, the main hall began to crack. A terrifying internal Qi filled the entire immortal Slayer sect!

Everyone’s expressions changed slightly. In the face of this sudden turn of events, their expressions were somewhat solemn. After all, this was the immortal slaying sect.

“Kacha!”

Right at this moment, a terrifying killing force cleaved down from the sky!

This single strike had actually pierced through Yan Guiyi’s black-gold Stone!

“Everyone, be careful!” Seeing this scene, Qin Yu’s expression couldn’t help but change drastically as he hurriedly shouted!

A trace of fear flashed across Yan Guiyi’s face. He swept his gaze over everyone and said, “Hurry up and retreat. I’m afraid that the slaughter array of the slaughter immortal sect has been activated. Hurry up and leave!”

At this moment, they couldn’t care less about their grudges.

Against the slaughter array of the Slaughter Immortal Sect, Marquis Wu had no chance of winning at all!

“Rumble...”

At this moment, another change occurred!

The gate of the Immortal Massacre sect was slowly closing!

“Run!”Qin Yu shouted.

Everyone cast their spells and ran desperately towards the gate of the Immortal Massacre Sect!

“Kacha!”

The killing intent continued to erupt. Every strike was enough to pierce through the ground!

Qin Yu ran halfway when he suddenly thought of Chang Mang!

“Oh no, Chang Mang is still lying there!”Qin Yu’s expression couldn’t help but change.

He gritted his teeth and turned around, wanting to go back and save Chang Mang.

“Brother Qin, don’t go back. If you go back now, you won’t be able to take it out,”Yao Meng said in a deep voice.

“Qin Yu, hurry up and leave. If you are locked up here, you will definitely die!”The martial artists at the bottom level also hurriedly shouted.

Qin Yu glanced at the door that was about to close and then looked at Chang Mang who was lying on the ground.

He gritted his teeth and said, "You guys go first!"

After saying this, Qin Yu immediately used shrinking earth into an inch and ran in Chang Mang's direction.

He picked up Chang Mang and hurriedly ran in the direction of the door.

The door was about to close, and the killing intent became more and more intense.

Except for Qin Yu and Chang Mang, everyone had successfully escaped from the immortal slaying sect.

Qin Yu channeled all the spiritual power in his body and ran toward the door with all his might.

However, at this moment, Qin Yu found Yan Guiyi standing at the door, looking at Qin Yu coldly.

He channeled the light in his hand, and a strange smile appeared on his face.

"Qin Yu.... you can stay here!" Yan Guiyi shouted!

Chapter 608: Chapter 608, Father, is that you? !

Yan Guiyi cast a spell and blocked Qin Yu's path!

Qin Yu roared, "Yan Guiyi, F * ck you!"

He clenched his Golden Fist and tried to force his way in.

However, Yan Guiyi took out his black ball magic artifact, leaving Qin Yu powerless to deal with it!

The door was about to close. In such a short time, it was almost impossible for Qin Yu to rush out!

Qin Yu's expression was extremely ugly. He gritted his teeth, grabbed Chang Mang with one hand, and threw him out!

Just as Qin Yu threw Chang Mang out, the door was completely closed, not even a single crack was left.

Seeing this, Yan Gui could not help but laugh out loud. "Qin Yu, just wait for your death inside!"

Everyone's expressions were a little ugly. They did not expect that Qin Yu would actually be locked inside.

"If... It wasn't for the sake of saving Chang Mang, Qin Yu wouldn't have been locked inside," someone whispered.

"I really didn't expect that Qin Yu would be willing to sacrifice himself for Chang Mang."

For a moment, everyone was infected.

Yao Meng opened her mouth but didn't say anything.

"I hope... Mr. Qin can keep his life," someone whispered.

Yan guiyi sneered and said, "Stop daydreaming. The killing formation of the Slaughtering Immortal sect was set up by a mighty figure at the very least. A wisp of internal Qi can annihilate a person!"

“Do you think it’s possible for him to survive in such an environment?”

These words immediately cast a shadow over everyone’s heart at a level.

No one had expected such an outcome in the end.

“Alright, Qin Yu is already dead. It’s your turn next.”Yan Guiyi changed the topic and sneered again and again.

This time, all the low-level warriors were no longer filled with fear.

They stared coldly at Yan Guiyi and said in a cold voice, “Yan Guiyi, you’re just an animal. At worst, we’ll fight it out with you!”

“For the sake of his companions, Qin Yu can disregard his own life. What About You?”

“Yan Guiyi, if you want to kill us, it won’t be that easy!”

Hearing the angry roars of the crowd, Yan Guiyi’s face turned even colder.

He played with the two black and gold balls in his hands and said coldly, “Fine, then I’ll send you ants on your way!”

“Captain Yan.”At this time, Yao Meng suddenly stood up.

“Qin Yu has already died because of you. It’s enough. There’s no need to kill them again, right?”

Yan Guiyi said coldly, “Miss Yao, I hope you don’t say anything more about this matter.”

“I think what Miss Yao said makes sense.” At this time, Chu Hedao also stood up.

“Yes, Captain Yan. The death of Qin Yu is enough.”

This made Yan Guiyi frown.

He glanced at everyone and said coldly, “Is that what you all mean?”

“He’s just a bunch of ants. Life and death have nothing to do with me,” Yan Jinyao snorted lightly.

“Captain Yan, you can do whatever you want. Kill them if you want to, and let them live if you don’t want to. Why would we care about their lives?” Another young master sneered.

Yan Guiyi frowned slightly.

He thought for a moment and snorted coldly. “Fine. For the sake of Yao Meng and Chu Hedao, I’ll spare your lives. Get lost!”

Everyone gritted their teeth. Although they were filled with anger, they knew that they were no match for Yan Guiyi.

Thus, they picked up Chang Mang and turned to leave.

“Alright, the inner cores here belong to all of you.” Yan Guiyi waved his hand and pointed at the inner cores attached to the island.

The young masters of the aristocratic families did not stand on ceremony and immediately began to collect the inner cores.

Only Yao Meng stood there without moving an inch. She muttered in a low voice, “I finally know why Ruoxue likes you...”

...

Within the immortal slaying sect, streams of killing intent continued to descend.

Qin Yu dodged from side to side, wanting to avoid these streams of killing intent.

However, this killing array was set up by a mighty figure after all. Even if Qin Yu controlled the shrinking earth into an inch, he would still be unable to avoid it!

“Pu!”

A strand of killing intent landed on Qin Yu’s body. This terrifying power easily penetrated Qin Yu’s body!

Blood flowed out from the bloody holes, and his bones were directly shattered!

Qin Yu covered his wound and continued to dodge.

However, this killing formation did not seem to have stopped. Streams of killing intent came straight at Qin Yu.

“Pu Pu Pu!”

In just a few short moments, Qin Yu’s body was covered in blood.

Countless bloody holes made Qin Yu look extremely miserable. His physical strength began to wither, and even his speed slowed down.

Qin Yu stared at the gate of the immortal slaying sect and murmured, “Am I going to die here... I’m really unwilling!”

Qin Yu forced himself to stand in front of the gate, wanting to forcefully break it open.

However, the door was indestructible. Qin Yu tried his best, but he was unable to move it at all!

“Pu!”

Another killing intent pierced through Qin Yu’s abdomen!

That killing intent was only a hair’s breadth away from Qin Yu’s golden core!

“Plop!”

Finally, the wounds on his body began to make Qin Yu unable to bear it.

He knelt on one knee on the ground, his face pale.

No matter how strong his willpower was, he could not bear the pain on his body.

“It seems that... I’m really going to die here...”Qin Yu lay weakly on the door, a bitter smile appearing on the corner of his mouth.

It was not easy for him to reach this step, but he did not expect such a result in the end.

“I... In the end, nothing can change...”Qin Yu muttered in a low voice. He closed his eyes slightly, as if he was waiting for the judgment of death.

Right in front of him, a strand of killing intent was gathering.

This strand of killing intent was closing in on Qin Yu's glabella.

But this time, Qin Yu was already unable to resist.

“Buzz!”

That strand of killing intent rushed towards Qin Yu at this moment!

Qin Yu fell limply to the ground, without the slightest bit of resistance.

At this critical moment, Qin Yu's Dantian suddenly flashed with golden light!

Following that, an illusory figure flew out from Qin Yu's Dantian!

This figure was incomparably tall, and his back was facing Qin Yu. That imposing figure made people involuntarily want to prostrate themselves in worship!

One could only see him raise a single hand and lightly float towards that strand of killing intent.

“Weng!”

An explosion sounded out, and that strand of killing intent was actually directly crushed!

Following that, this illusory figure waved his hand, and waves of collapsing sounds could be heard not far away!

This... This was the sign of the destruction of the killing formation!

With the destruction of the killing formation, the terrifying killing intent also began to dissipate.

Qin Yu stared blankly at the back of the Phantom as he said in a trembling voice, "Are... Are You Father?"

The Phantom did not speak for a long time. He only had his back facing Qin Yu.

His imposing figure gave people an indescribable sense of security.

"Father, is that you!" Qin Yu shouted again.

Finally, the shadow slowly turned around.

Chapter 609: Chapter 609, the despicable Jingdu martial arts association

This figure slowly turned his body.

His eyes were extremely deep, and the expression on his face was filled with a trace of coldness.

His face that was as if it had been cut by a knife, his firm edges, and his masculine facial features quietly looked at Qin Yu.

Qin Yu hurriedly got up. He reached out to hug him, but his hands directly went through.

"Father! Father!" Qin Yu shouted desperately.

"Where are you? Where are you? Why haven't you come to see me?!" Qin Yu shouted desperately.

But the figure didn't say anything. He just looked at Qin Yu quietly.

All the grievances in Qin Yu's heart exploded at this moment.

“Since I was young, why haven't you come to see me? You clearly have the ability to reach the sky, why did you throw me away? ! Do you know how much I've suffered all these years? !”Qin Yu roared angrily.

“I've been bullied, humiliated, looked down upon, chased out of the house, and...”

Even though Qin Yu wanted to save face in front of his father, tears still welled up in his eyes.

“I'm no longer the Qin Yu who allowed others to bully me.”Qin Yu rubbed his eyes, but in the end, no tears fell.

Their eyes met, and Qin Yu stood up straight.

The Phantom seemed to be slowly disappearing.

Qin Yu resisted the longing in his heart and clenched his fists tightly.

After experiencing so much, Qin Yu had long understood that complaining would not solve any problems.

As a man, no matter what, he should be as calm as water.

Just as the Phantom was about to disappear, he suddenly raised his big hand that was rushing through the vicissitudes of life, as if he wanted to Touch Qin Yu's head.

However, this shadow still passed through Qin Yu's body in the end and slowly disappeared.

Qin Yu clenched his fists tightly, tears welling up in his eyes once again.

“Dad...”finally, Qin Yu could not hold it in any longer. With a plop, he knelt on the ground, pain crawling all over his face.

A sense of tiredness spread from his entire body.

Qin Yu fell to the ground and said in a low voice, “I’m so tired, so tired...”

As he said that, his vision started to darken, and then he fainted.

...

In the outside world, Yan Guiyi had brought everyone back to the Jingdu Martial Arts Association.

“Everyone, disband,”Yan Guiyi said coldly.

After saying that, Yan Guiyi hurried to Qu Qu’s office.

Qu Qu couldn’t help but frown when she saw Yan Guiyi who had lost an arm.

“What happened?”Qu Xie asked.

Yan Guiyi gritted his teeth and said, “It was Qin Yu!”

Qu Xie was silent for a moment, then continued to ask, “Where is Qin Yu Now?”

“He is dead,”Yan Guiyi said with a cold smile.

“I locked him up in the immortal slaying sect.”

Then, Yan Guiyi told Qu Xie everything that had happened.

Qu Xie narrowed his eyes and said, “This Qin Yu... is finally dead!”

Yan Guiyi said coldly, “If he doesn’t die, my arm will be broken for nothing!”

Qu Xie didn’t seem to care about Yan Guiyi’s arm at all. He narrowed his eyes and said, “Those people at the bottom... still dare to resist?”

“Yes.” A hint of anger flashed across Yan Guiyi’s face when this topic was brought up.

“Don’t worry, I’ll go kill them right away!”

Qu Qu shook his head. “You can’t attack them anymore. It’ll easily cause dissatisfaction from the higher-ups.”

Yan Guiyi was silent for a moment before saying, “President Qu, don’t worry. I’ve already thought of a countermeasure. Those people... don’t even think about living!”

Qu Xie seemed to be quite at ease with Yan Guiyi. He didn’t ask any more questions and continued to instruct, “Right, Qin Yu still has some Green Moon Villa, right? Make him disappear.”

Yan Guiyi nodded slightly and said, “Okay, I got it.”

...

Jingdu, on a lonely mountain.

Yan Guiyi, who only had one arm, was standing there, waiting for someone.

“Mr. Yan...”

Soon, a man in a black robe appeared behind Yan Guiyi.

It was none other than he teng.

Yan Guiyi glanced at he teng and said coldly, "I'm going to kill Chang Mang and the others, leaving no one alive."

Saying that, Yan Guiyi threw a list to he teng.

Not only were their names on the list, but their personal details were also included.

He Teng took the list and said darkly, "Mr. Yan, what benefits do I have?"

Yan Guiyi said coldly, "I naturally won't mistreat you. Just go ahead and do it."

He Teng was not stupid. He knew very well what kind of person Yan Guiyi was.

It was impossible to fool he teng with empty promises.

Seeing that he teng did not leave, Yan Guiyi said impatiently, "What do you want?"

He Teng's eyes glanced at the two black balls in Yan Guiyi's hands.

"I want the two black gold stone artifacts," he teng said.

Hearing this, Yan Guiyi's pupils immediately constricted!

He looked at he teng coldly and said with a hint of warning, "Don't be too greedy, or you'll easily get yourself killed!"

He Teng didn't panic. He said with a faint smile, "Mr. Yan, those people are all top-notch, especially that Chang Mang. His strength is not inferior to mine..."

"If my operation fails, it will also be a loss for you, isn't it?"

"Moreover, this black gold stone... to the Jingdu Martial Arts Association, it is not considered a rare item, right?"

Yan Guiyi frowned slightly. He snorted coldly and then waved his hand, and the two black balls fell into he Teng's hands.

"Just do it. You have to do it cleanly," Yan Guiyi said coldly.

"Also, don't let people suspect the Jingdu Martial Arts Association!"

He Teng licked his lips and said, "Mr. Yan, don't worry."

...

Qin Yu was dead!

This news quickly swept through the entire martial arts world!

"Qin Yu... died just like that?"

"It's said that he died in the slaughtering immortal sect."

"Slaughtering Immortal sect? Is it the sect from ten thousand years ago?"

"I think there might be an inside story. Maybe it was Yan Guiyi who took revenge. Who doesn't know that the Jingdu martial arts association sent Yan Guiyi to kill Qin Yu?"

“Qin Yu is really dead? I don’t think it’s possible...”

For a moment, rumors spread. Almost half of the people didn’t believe that Qin Yu was dead.

In the green moon villa, Zhen Yue and the others were extremely pale.

“Mr. Qin... He can’t have died just like that!”

Tao Zi and Yao Qing were filled with grief and indignation, but they still believed in their hearts that Qin Yu hadn’t died!

Time passed by minute by minute, and in the blink of an eye, a week had passed.

However, Qin Yu still didn’t appear, which made everyone start to believe the fact that Qin Yu had died.

...

At this moment, Qin Yu finally woke up from his coma.

He walked to the front of the door and tried to break it open.

“Boom!”

However, even if Qin Yu used all his strength, he was still unable to break open the door.

“What should I do?” Qin Yu could not help but frown.

Chapter 610: Chapter 610, swallowing the inner core

Qin Yu tried his best, but he was still unable to do anything to this door.

This door was simple and unadorned. He didn't know what material it was made of, but it was incomparably hard. Even black gold stone couldn't compare to it.

“Perhaps... there is some mechanism here that can open this door?” Qin Yu thought to himself.

He immediately released his divine sense and began a carpet-like search, trying to find the mechanism of this door.

But unfortunately, Qin Yu spent an entire day and still couldn't find the so-called mechanism.

This couldn't help but make Qin Yu worry.

Could it be that he would be trapped here for the rest of his life?

“Forget it.” After thinking for a long time, Qin Yu finally decided to first cultivate in seclusion and swallow these inner cores.

If he was strong enough, he might be able to break through this door.

Although no one knew what realm he had to reach to have such a possibility, Qin Yu had no other way at the moment.

The immortal slaughtering sect was extremely large and almost occupied the internal space of the entire island.

In fact, not only Qin Yu, but even Yan Guiyi and the others had not searched the immortal slaughtering sect.

Therefore, no one knew what treasures there were in the immortal massacre sect.

“Corpses will rot and their bodies will be destroyed. However, Dharmic artifacts and weapons will definitely be left behind.”Qin Yu thought to himself.

Normally speaking, people who had cultivated to the mighty figure realm would be able to preserve their bodies for many years even if they died.

However, the strangest thing about the immortal massacre sect was that there wasn't a single corpse. Other than the sect master's flesh and blood, the rest had practically become dry bones.

Qin Yu didn't think any further. He took out his inner core and began to devour and cultivate.

...

In the blink of an eye, ten days had passed.

During these ten days, the discussion about Qin Yu never stopped.

Qin Yu's friends and others all came to the Green Moon Villa, waiting for Qin Yu's arrival.

However, after such a long time, there was still no news of Qin Yu. This made them lose confidence.

“Mr. Qin... is he really dead...”Yao Qing knelt on the ground with tears on his face.

Among these people, Yao Qing was the most upset.

He had known Qin Yu for the longest time and had experienced too much together.

Now that his hope had faded, the pain still surged into his heart.

Zhen Yue stood by the bed and gazed outside, murmuring, "Mr. Qin... is he really not coming back..."

...

Jingdu martial arts association.

Qu Xie hadn't reported this news to anyone.

Although he thought it was impossible for Qin Yu to escape from the immortal slaying sect, he was still worried.

Now that ten days had passed, Qu Xie finally breathed a sigh of relief.

"It seems that this guy is really dead," Qu Xie sneered.

Then, he turned around and walked toward the conference room.

On the other side, the Yan family and the Han family were celebrating.

"Haha, that Qin Yu is finally dead!" Han Meng said with a smile while holding a glass.

Yan Sihai shook the red wine in his hand and said indifferently, "I've said before that he is not worth mentioning. He is just a martial artist. You think too highly of him."

"President Yan is right!" Han Meng hurriedly raised his glass and said.

Speaking up to this point, Han Meng gave Han Wei a look.

Seeing this, Han Wei hurriedly raised his glass and said, “Uncle Yan, look... about my wedding with Miss Yan...”

Yan Sihai glanced at Han Wei and snorted lightly, “Han Wei, it’s not that I don’t like you. You lost to Qin Yu in front of everyone. Do you still have the face to come to My Yan family to propose marriage?”

Upon hearing this, Han Wei’s expression immediately changed.

He hurriedly said, “Uncle Yan, please give me another chance. I... I definitely won’t let you down!”

“The last time was just an accident. You have to believe me. My ability is definitely not below Qin Yu’s!”

Han Meng, who was beside him, also said with a smile, “President Yan, isn’t Qin Yu already dead? Besides, martial arts doesn’t mean everything, right?”

Yan Sihai waved his hand and said, “Let’s talk about this matter in the future.”

Han Wei’s face was a bit ugly. He gritted his teeth, but didn’t dare to say anything.

In a private house in the suburbs.

This private house wasn’t big, but it had a total of seven people living in it.

They surrounded a strong man with a slight worry on their faces.

“Chang Mang won’t die just like that, right?” Someone asked with a frown.

“If that’s the case, wouldn’t Mr. Qin have died in vain?”

“It’s been ten days, but Chang Mang still has no signs of waking up... this...”

Everyone frowned.

Qin Yu died because he saved Chang Mang. If Chang Mang died just like that, no one would be able to accept it.

At this moment, Chang Mang finally opened his eyes slightly.

He rubbed his forehead, slowly stood up and said, “Where am I?”

“You... You’re finally awake!” When they saw Chang Mang wake up, everyone immediately surrounded him.

Chang Mang said somewhat dumbfoundedly, “What... What’s going on?”

Everyone opened their mouths and then sighed. They told Chang Mang what had happened.

After Chang Mang heard this, he suddenly sat up from the window.

“You... you said that because Qin Yu saved me, he was locked up in the immortal slaying sect?” Chang Mang’s eyes were wide open, like copper bells.

The few of them nodded and said, “Yes.”

This made Chang Mang extremely pained, and his huge body trembled slightly.

“Qin Yu...”Chang Mang gritted his teeth. He glared at the north and shouted, “Qin Yu, I will definitely avenge you. I will definitely kill that Yan Guiyi!”

His angry voice reverberated for a long time.

The few of them thought it over and finally decided to join the Green Moon Villa!

The Green Moon Villa was Qin Yu’s blood and sweat. They had decided to protect the Green Moon Villa well.

On the other side.

He Teng was rushing towards the Green Moon Villa.

The current him had an even more serious internal QI. It was almost impossible to tell the male from the female. Even his voice had become a little shrill.

“As long as I devour enough people... I can be resurrected! No, to be precise, I can live with you!”That hoarse voice sounded in he Teng’s mind.

He Teng licked his lips and said darkly, “This is why you agreed to Yan Guiyi, isn’t it?”

“That’s right... cooperating with the JINGDU martial arts association will make it easier for us to kill people!”That hoarse voice sounded.

He teng sneered, “Yan Guiyi wants to use me... he doesn’t know that I’m using him too!”

He planned to head to the Green Moon Villa and start a massacre!

Not only would he be able to complete the Mission Yan Guiyi had given him, he would also be able to raise his own cultivation!

He Teng's ambition was extremely great. He had long been fed up with the faces of the aristocratic family members!

However, unlike Qin Yu, Everything Qin Yu did was not for him to be able to replace them. What he wanted was for everyone to have the same power.

And he teng wanted to become one of the aristocratic families, to be above everyone!

Chapter 611: Chapter 611, the power of the black golden ball!

The scene of the Massacre Immortal Sect's decline.

In the main hall of the Massacre Immortal sect sat a young man. In front of him were countless inner cores.

As the inner cores were swallowed one after another, Qin Yu successfully advanced from a first grade martial marquis to a second grade martial marquis.

He slowly opened his eyes and could not help but sigh. "I can't even feel the passage of time here."

The mortal world was so wonderful, and cultivation was so boring.

He stared at the towering door in front of him, and his heart began to yearn for life outside.

“There are nearly ten thousand inner cores left. Let’s eat these inner cores first.”Qin Yu shook his head helplessly and could only continue cultivating.

In the Green Moon Villa, Chang Mang and the others had already become members of the Green Moon Villa.

As a saintly being, Chang Mang’s strength didn’t need to be said. There weren’t many people in the younger generation who could defeat him.

Now that Qin Yu wasn’t here, Chang Mang had unknowingly become the backbone of the Green Moon Villa.

“Sect Master Zhen, don’t worry. I will make the Green Moon Villa Glorious!”Chang Mang said confidently.

Zhen Yue opened his mouth, but in the end, he only sighed and said, “Alright.”

However, someone was secretly plotting something.

This person was Deng Sheng, the former elder of the Saint Confucianism sect!

Ever since he heard about Qin Yu’s death, Deng Sheng had been looking for an opportunity to restore the Saint Confucianism sect!

However, Deng Sheng, who was cautious by nature, was not in a hurry to attack because he was afraid that Qin Yu would be killed if he didn’t die.

More than ten days had passed, and Qin Yu still hadn’t shown up.

Just when Deng Sheng thought that an opportunity had come, another Chang Mang appeared!

“We must find a way to make Chang Mang leave,” Deng Sheng said grimly.

As long as Chang Mang left, Deng Sheng would have a way to take back the sacred Confucian school!

By then, he would be the sect master of the sacred Confucian school!

If he had the chance, he could even gain the appreciation of the big families and replace Gu Canghai!

“Sect Master Zhen, Mr. Chang, there’s a man who claims to be Mr. Qin’s old friend who is here to see you.” At this moment, someone walked in and said.

“Mr. Qin’s old friend?” The two looked at each other and said, “Let him in!”

“Yes.”

A few minutes later, a man in a black robe walked in. He was full of Yin Energy.

Seeing this man, Chang Mang suddenly stood up and shouted, “He teng? You still dare to come!”

He Teng took off the black robe that covered his vision and said in a sinister tone, “If you can come, why can’t I?”

Chang Mang took a step forward and without saying a word, he threw a punch!

The terrifying qi force brought about a majestic wind as it charged straight at He Teng!

He Teng did not expect Chang Mang to make a move without saying a word. He hurriedly raised his hand, and responded in a panic.

“Boom!”

The two fists collided, and he Teng’s body was directly pushed back dozens of steps, smashing the door behind him!

His wrist was also in waves of pain. Even with the protection of the black energy, the bones of his hand were still shattered.

“What a powerful force.” He Teng’s expression could not help but change.

“This kid’s strength, even compared to that Qin Yu, I’m afraid he won’t be able to find out much.”

This caused a trace of anger to rise in He Teng’s heart!

“Where did these people come from!” He Teng said angrily.

One Qin Yu had already dealt him a huge blow, and now there was another Chang Mang!

“He Teng, when you were on the island, you plotted against Qin Yu many times. If it wasn’t for you, Mr. Qin would not have died!” Chang Mang shouted.

“I was just about to seek revenge on you, but I didn’t expect you to deliver yourself to my doorstep!”

He Teng looked at Chang Mang coldly and said, "Looks like you have forgotten the lesson from last time!"

The Black Energy on he teng's body was slowly surging. It was obvious that he teng was prepared to use the same trick again.

When Chang Mang saw this technique, his expression changed slightly.

He snorted coldly and said, "He Teng, I will kill you right now. I will use your head to pay tribute to Qin Yu!"

As he spoke, Chang Mang stepped forward once again!

He Teng did not dare to be negligent. He immediately urged this black energy and charged towards Chang Mang.

However, this time, Chang Mang directly closed his eyes. After that, he urged all the inner strength in his body and ruthlessly smashed it over!

The Scarlet Light carried a powerful force and directly shattered that ball of black energy!

This Chang Mang was like a madman, once he attacked, he did not know how to turn back.

He took large strides forward, his sturdy body appearing in front of He Teng in the Blink of an eye!

He Teng's expression changed. Just as he was about to activate the black energy to protect his body, Chang Mang's fist had already ruthlessly smashed into his chest!

"Pu!"

A mouthful of fresh blood spurted out from He Teng's mouth!

His body was sent flying dozens of meters away, and he looked a little dispirited!

"This bastard..."he teng could not help but feel a little shocked.

He had never expected that Chang Mang's strength was actually so powerful!

"Give me your life!"Chang Mang shouted loudly. He held the scarlet light in his hand and charged towards he teng once again!

He Teng gritted his teeth. He took out the black gold ball and said coldly, "If it wasn't for this black gold ball... I really wouldn't be his match!"

This made he teng extremely furious!

Once upon a time, he was the number one person in the Central Plains, and there was almost no match for the younger generation!

But now, these prodigies were like bamboo shoots after a rain, appearing one after another, and each one of them was extremely powerful!

"Kill him... take his body."

At this moment, that hoarse voice sounded in he Teng's mind.

He Teng did not say anything. Facing Chang Mang who was rushing over, he immediately urged the black-gold ball to meet him.

"Whoosh!"

The black-gold ball turned into a ray of light and directly met Chang Mang!

“Clang!”

The black-gold ball fiercely smashed into Chang Mang’s fist. Chang Mang was immediately knocked back repeatedly, and cracks appeared on the bones of his hand!

“What is this thing? It’s so hard.” Chang Mang glanced at his fist and said in a low voice.

He Teng stood up from the ground. He looked at Chang Mang coldly and said, “Chang Mang, I admire you very much. Are you interested in working with me?”

“F * ck you. I’d rather die than work with a despicable person like you!” Chang Mang roared angrily and stepped forward again!

He relied on his pair of Iron Fists and was almost invincible.

But today, he had met his nemesis.

He Teng urged the black gold ball to meet Chang Mang.

The other Black Gold Ball was more like a bullet, and in the blink of an eye, it smashed dozens of times on Chang Mang’s body!

Under he Teng’s control, the two black gold balls worked seamlessly together, and Chang Mang had no way to resist!

Looking at Chang Mang who was beaten until he vomited blood, he teng could not help but lick his lips and sneered, “This black gold ball... is really a good thing...”

“Don’t waste time, quickly get rid of him...”that hoarse voice sounded again.

He Teng nodded and raised his palms. The two black gold balls immediately erupted with a terrifying power and smashed fiercely on Chang Mang’s chest at an extremely fast speed!

This attack directly shattered Chang Mang’s physical body, and his entire body fell to the ground!

Chang Mang struggled to get up, but he found that he couldn’t get up at all!

“F * ck you...”Chang Mang glared at He Teng with a pair of bell-like eyes.

He Teng slowly walked in front of Chang Mang and said with a sinister tone, “Chang Mang.... Don’t worry, I’ll send you on Your Way Right Now!”

Chapter 612: Chapter 611, top-tier weapon!

He Teng held the black gold ball in his hand and fused it with the black energy on his body.

Just as he teng was about to make his move, his phone suddenly rang.

He picked up the phone and saw that the caller was actually Yan Guiyi.

He Teng frowned slightly. He picked up the phone and walked to the side.

“How’s the matter going?”Yan Guiyi asked coldly.

He Teng glanced at Chang Mang, who was struggling on the ground, and said, "I'm planning to kill him."

"Bring him back," Yan Guiyi said coldly.

"Remember, he has to be alive. Someone is interested in his body."

He Teng frowned slightly. He was about to speak, but Yan Guiyi directly hung up the phone.

"Damn it..." Yan Guiyi's face was cold. Chang Mang was a saintly being, so he was also interested. But he didn't expect Yan Guiyi to actually target him.

He Teng stared at this body for a long time, his eyes gloomy and uncertain.

"We can't offend Yan Guiyi for the time being..." at this moment, the hoarse voice sounded in his mind.

He Teng gritted his teeth and could only give up.

He picked up Chang Mang and turned around to leave.

The entire Green Moon Villa was indignant, and they all had the intention of stopping him.

At this moment, Deng Sheng appeared in time and stopped everyone.

"We are no match for he teng. Everyone, please calm down," Deng Sheng said coldly.

"Are we just going to watch him take Chang Mang Away Like This?" Someone said angrily.

Deng Sheng snorted. “What else? Are We Going to die for nothing? Remember, there is no need to worry about firewood when there is still green mountain.”

Although everyone was unwilling, Deng Sheng’s words made sense.

After Chang Mang was taken away, Deng Sheng revealed a cold smile on his face.

“The heavens are really helping me!”

...

In the church of the Fairy Slayer, Qin Yu was still swallowing the inner cores.

One inner core after another exploded in Qin Yu’s body, and his strength increased quietly.

In the blink of an eye, a whole month had passed.

The number of inner cores in Qin Yu’s hands also decreased.

He got up and tried to break open the door, but unfortunately, the door still couldn’t be broken open. Not even a crack could be left.

“Don’t tell me... I’m really going to be trapped here for the rest of my life.” Qin Yu frowned tightly.

The slaughtering immortal sect had been declining for many years. There were no renewable resources at all.

Without the inner cores, Qin Yu couldn’t even cultivate here.

“I wonder if there are any weapons left in the slaughtering immortal sect. Perhaps I can use them to try and open this door.”Qin Yu thought to himself.

He could only place his hopes on this weapon.

Thus, Qin Yu began to search for the slaughtering immortal sect.

The members of the Slaughtering Immortal sect were all at the mighty figure realm. The weapons they used naturally couldn't be underestimated.

However, what disappointed Qin Yu was that there were indeed quite a few weapons, but they had all been smashed into dregs.

Forget about using them, he couldn't even pick them up.

“What should I do...”looking at these dregs of weapons, Qin Yu couldn't help but frown.

He picked up a small fragment from the ground and tried to use his strength to crush it.

However, this fragment was incomparably hard. Even if Qin Yu used all his strength, he was unable to shake it in the slightest.

“As expected of a weapon of the Almighty Realm!”Qin Yu couldn't help but be somewhat surprised.

Such hardness was something that even black gold couldn't compare to, right?

“If I can use these fragments... perhaps I can create a top-tier weapon!”Qin Yu muttered in a low voice.

At this moment, Qin Yu slapped his head as if he had thought of something!

He hurriedly took out a cauldron from the spatial artifact and placed it in the middle!

This cauldron was the artifact refining cauldron that he and the handlebar mustache had obtained by chance at the dragon vein!

“That’s right, I have an artifact refining cauldron! If I can collect these fragments and attach them to the bronze sword, won’t I be able to forge a top-tier weapon! ?”Qin Yu was overjoyed!

With Qin Yu’s weapon refining skills, it was impossible for him to forge a complete weapon with these fragments.

Therefore, he could only try to attach them to the bronze sword!

However, this was enough. After all, these materials had been passed down since ancient times and were used by mighty figures.

Thinking of this, Qin Yu immediately began to search for fragments.

He spent a day and a night to finally collect a lump of fragments.

Qin Yu put these fragments into the weapon refining cauldron and then took out the bronze sword.

“Hu, I hope that I can succeed.”Qin Yu threw the bronze sword and the fragments into the weapon refining cauldron.

Then, he began to search for the weapon refining technique in the memories left by his father.

Fortunately, the techniques in his father's inheritance were not light, so the weapon refining technique was not difficult to find.

Qin Yu spent another three days to understand the weapon refining spell.

After everything was ready, Qin Yu was ready to start refining.

Weapon Refining and pill refining had the same effect.

The difference was that the flames needed for weapon refining were purer.

After all, the hardness of these materials was far higher than that of the herbs.

Of course, in this way, the control of the fire did not need to be so delicate.

“Refining a weapon consumes much more spiritual fire than refining pills,” Qin Yu thought to himself.

He tried to place a ball of spiritual fire into the weapon refining cauldron. Then, he began to urge the Flames to refine the bronze sword.

As the spiritual fire entered, the weapon refining cauldron immediately emitted waves of dense air.

These waves of internal Qi fused with the spiritual fire and released a powerful energy!

It was by relying on this energy that Qin Yu was able to fuse with these fragments.

“I really don't know what a weapon refining cauldron is. It can even refine such hard materials,” Qin Yu thought to himself.

He urged the purple spiritual fire and slowly melted these materials.

Under the combination of the spiritual fire and the weapon refining cauldron, the materials began to melt.

Next was the most important step.

Qin Yu slightly closed his eyes and relied on his powerful spiritual sense to activate the internal Qi of the weapon refining cauldron so that the melted materials would fuse with the bronze sword.

This was an extremely complicated and long process. Qin Yu sat there for three whole days.

In these three days, his spiritual power had been depleted by more than half, and his spiritual sense was almost exhausted.

However, Qin Yu did not dare to relax, because if he relaxed even a little, it might lead to the failure of the artifact refinement.

The material was attached to the bronze sword, and the bronze sword emitted a series of buzzing sounds. In the artifact refinement cauldron, it began to tremble slightly.

“Buzz!”

Another three days passed, and the bronze sword finally erupted with a dazzling light!

A huge wave of energy exploded, and then, the bronze sword actually turned into a scarlet color! It was as if it was stained with blood!

Qin Yu suddenly opened his eyes. He couldn't care less about his body's tiredness, and quickly took out the bronze sword from the cauldron!

“Success!”Qin Yu said excitedly.

“It seems that... the artifact refinement isn’t that difficult.”

If these words were to be spread out, who knew how many people would die of anger.

Qin Yu held the bronze sword and tried to inject a wisp of spiritual power into it.

In an instant, the bronze sword began to tremble violently!

An ancient and unadorned internal Qi wrapped around the bronze sword!

Qin Yu closed his eyes slightly. He could even feel the vigorous and surging power within the bronze sword!

“What a powerful power!”Qin Yu exclaimed in shock.

Not only were these fragments indestructible, they were also contaminated with a trace of the power of a mighty figure!

Now, all of this power had been injected into the bronze sword!

Qin Yu held back his excitement. He looked at the door not far away and said in a low voice, “I don’t know if I can break through this door!”

Chapter 613: Chapter 613, the handlebar mustache arrives!

Qin Yu held the bronze sword and walked quickly to the door.

Standing at the door, Qin Yu couldn’t help but feel a little nervous.

Whether or not he could break through the door depended on the bronze sword in his hand.

“Buzz!”

As Qin Yu injected his spiritual power, the bronze sword exploded with a dazzling light. The entire sword seemed to have been endowed with life, and it was trembling non-stop!

Qin Yu shouted loudly, and the bronze sword in his hand immediately swung towards the door!

“Clang!”

The loud sound was deafening and deafening! The terrifying recoil force even forced Qin Yu back a few steps!

Under the tremendous power of the bronze sword, a shocking scar was cut on the door!

“It’s finally effective!” Qin Yu’s eyes flickered with a strange light, and hope was ignited in the bottom of his heart!

He held the bronze sword and slashed at the door again!

The door rumbled again, and another mark appeared!

However, other than the mark, the door showed no signs of breaking open!

Qin Yu didn’t give up. He held the bronze sword and slashed out more than ten times.

Each slash could cut through the surface of the door, but it couldn't completely break open!

Qin Yu's expression began to turn ugly.

"Could it be that... Even with this weapon, it's impossible to break through this door?" Qin Yu frowned.

He took two steps back and prepared to activate the Taiqing nine slashes!

This was a true heaven rank spell. Qin Yu had comprehended it a long time ago, but he had not used it many times.

"With my current strength, I can only use three slashes at most," Qin Yu thought in his heart.

It was said that every time one comprehended the Taiqing nine slashes, its power would increase explosively!

And the ninth slashes even had the power to split the heaven and earth apart!

Qin Yu took a deep breath, the spiritual power in his body was boiling.

"The Taiqing nine slashes, the first slashes!"

Qin Yu roared angrily, and his physical body instantly appeared out of thin air!

He held the scarlet bronze sword in his hand, and slashed down from high up!

The huge sword light instantly covered his vision. As if it came from the horizon, it landed on the gate!

“Boom!”

A loud sound was heard and the ground around the gate collapsed!

However, the gate still couldn't be broken open!

“How could this be...”Qin Yu gritted his teeth.

He immediately activated the third strike of the nine slashes of supreme purity, but he still couldn't break open the gate.

“Damn it!”Qin Yu could not help but curse in his heart.

He tried to strike out the fourth strike, but unfortunately, he failed.

Even though all the spiritual power in his body was drained, Qin Yu still could not strike out the fourth strike!

On the contrary, his strength was completely depleted, and his butt collapsed on the ground.

“Do you really want to trap me here for Life!”Qin Yu was on the verge of breaking down, and he could not help but raise his head and Roar!

He still had too many things that he couldn't complete. He still hadn't been able to save Yan Ruoxue. How could he bear to be locked up here like this? !

“Let me out! Let Me Out!”Qin Yu couldn't help but break down and roar loudly!

His voice reverberated in the immortal slaying sect for a long time, making Qin Yu appear even more desolate.

“Buzz”

Just as Qin Yu was about to give up, a pitch-black hole suddenly appeared out of thin air.

Then, a man with a handlebar mustache jumped out.

“Oh my God, you’re still alive! ?”The handlebar mustache was obviously shocked when he saw Qin Yu.

Qin Yu was even more stunned. He hurriedly got up and hugged the handlebar mustache!

He hugged the handlebar mustache tightly, his excitement was beyond words.

At this moment, Qin Yu wished he could kiss the handlebar mustache!

“Oh my God, fellow Daoist, I don’t want to Hug You. I’m not interested in men,”the handlebar mustache said with a look of disdain.

Qin Yu couldn’t care less about the handlebar mustache’s teasing. He said excitedly, “I’m saved! I’m saved!”

The handlebar mustache rolled his eyes and said, “I thought you were dead. I didn’t expect you to still be alive.”

Qin Yu suppressed the excitement in his heart. He stared at the handlebar mustache and said excitedly, “Why are you here ?”

The handlebar mustache proudly said, “The ancient ruins of the immortal slaughtering sect have been unearthed. Of course, this venerable one has to come and clean it up!”

At this point, the handlebar mustache said with a squint, “This is the immortal slaughtering sect... the number one sect in the world back then definitely has a Babe!”

“By the way, how did you get in?” Qin Yu asked with some doubt.

The handlebar mustache said with a squint, “Of course, it’s by relying on the array platform. For someone like this venerable one who often deals with ancient ruins, he has to control a certain spell array platform.”

Qin Yu said jokingly, “Since there is such a spell, why didn’t you come to save me earlier? At least you could have collected my corpse.”

The mustached man glared at Qin Yu and said, “Do you think the spatial array platform is easy to set up? I spent more than a month to successfully set it up!”

“More than a month... in other words, I have been locked up here for more than a month,” Qin Yu said with a frown.

The mustached man patted Qin Yu’s shoulder and said, “Now the people outside all think you are dead. It Won’t be long before they forget about you.”

Hearing this, Qin Yu said anxiously, “Let’s Go!”

“Where are we going?” The mustached man rolled his eyes.

Qin Yu said, “Of course we are going out!”

“F * ck you. It was not easy for this venerable self to come in. How can we just go out like this?” The mustached man muttered.

“I came here to search for treasures, not to save you.”

Qin Yu smiled bitterly and said, “I’ve looked around. There’s nothing here. I’m afraid you’ve come here for nothing.”

“No, no, no. In your eyes, there’s nothing here. But in my eyes, this is a Babe!”The mustached man said with a smile.

Qin Yu suddenly came to a realization.

It made sense. The mustached man was a professional. Treasures that Qin Yu couldn’t find might not necessarily be treasures for the mustached man.

“What is this?”At this moment, the handlebar mustache noticed the bronze sword in Qin Yu’s hand.

Qin Yu didn’t hide anything and told the handlebar mustache what happened.

After the handlebar mustache heard it, he said with a pained expression, “What a waste of God’s gift! With so many materials, you only refined such a thing?”

“If those materials were given to me, I could perfectly duplicate them. What a pity, what a pity!”The handlebar mustache clutched his chest, his face full of heartache.

Qin Yu waved the bronze sword in his hand and said, “There’s no other way. I have to think of a way to save myself.”

“Moreover... This bronze sword isn’t bad.”

The mustached man glanced at the bronze sword and said, "It's not bad. It can be considered a good weapon. It's just that... compared to a powerful weapon, it's far too inferior."

At this point, the mustached man waved his hand and said, "Forget it, forget it. Perhaps there's a complete powerful weapon hidden here. If I can obtain a powerful weapon, won't I be invincible in the world?"

"When the time comes, the SH * T Jingdu martial arts association and the aristocratic families of Jingdu can go to hell!" The mustached man said excitedly.

Chapter 614: Chapter 614, the handlebar mustache

Looking at the handlebar mustache a greedy look, Qin Yu for a time also some heart moved.

More than one person has said that the slaughter of Immortals is the first sect, if you can get an opportunity here, it will definitely change your life.

"Then quickly set off, don't delay time." Qin Yuxin to the outside world, then urged.

The Mustache Man rolled his eyes and said, "What's the rush? I have to prepare. This is the immortal slaying sect. If I touch something that shouldn't be touched, I'll leave it here."

After saying that, the Mustache Man took out one magic artifact after another from his pocket.

These magic artifacts were extremely strange. There was a pestle, a POW, and some densely-packed runes.

Qin Yu couldn't help but ask curiously, "What's This?"

The mustache said, "This is from Western Buddhism. It has the purest power of faith, which can be used to protect the body."

Qin Yu nodded and did not ask further.

His body was tired now, so he took this opportunity to have a good rest.

...

In the outside world.

They seemed to be used to the fact that Qin Yu was dead.

There were very few people who still had hope. After all, Qin Yu had not appeared for an entire month.

In the Green Moon Villa.

A white-haired young man was sitting by the spirit spring, absorbing the Qi/spiritual energy from the spirit spring.

This young man was none other than Yao Qing.

Ever since he learned of Qin Yu's death, Yao Qing's cheerful expression had completely disappeared. In its place was a young man who had worked hard.

Peach chose to return to the Divine Alchemist Pavilion. The reason why she had left was because of Qin Yu.

Now that Qin Yu wasn't here, she had nothing to be reluctant about.

“Who told you to cultivate here!”

At this moment, two people walked forward and pointed at Yao Qing and shouted.

Yao Qing opened his eyes. A trace of anger flashed across his brows, but he eventually endured it.

After that, Yao Qing stood up and turned his head to leave the spirit spring.

He walked all the way to the main hall and turned around to enter a boudoir.

The one staying in this room was Zhen Yue.

Yao Qing pushed the door open and entered the room.

Seeing Yao Qing, Zhen Yue slowly stood up and said with an unpleasant expression, “Yao Qing...”

Yao Qing took a deep breath and said, “Sect Master Zhen, I plan to leave the Green Moon Villa.”

A trace of absent-mindedness flashed across Zhen Yue’s face. She frowned and asked, “Why... Why?”

Yao Qing said in a deep voice, “Mr. Qin is no longer here, and the Green Moon Villa has fallen into the hands of evil people. It’s time for me to leave.”

Zhen Yue opened her mouth and sighed, “It’s very dangerous to go out to train alone. Now, there’s no Qin Yu to back you up.”

Hearing this, Yao Qing's face showed a trace of pain.

Then, he said in a deep voice, "I've been relying too much on Mr. Qin during this period of time, so I haven't made any progress for more than a year."

"If I continue to cultivate, maybe... maybe I can help Mr. Qin. At the very least, I can kill Deng Sheng!"

Zhen Yue opened her red lips slightly as if she wanted to say something, but in the end, she didn't say anything and just nodded.

"Then I wish you a smooth journey," Zhen Yue said.

Yao Qing grunted in gratitude, then turned around and left.

Zhen Yue was still the sect master of the Jade Moon Villa, but she had long become a puppet.

The real sect master had long become Deng Sheng.

The only reason Deng Sheng kept Zhen Yue alive was because Zhen Yue still had a certain amount of prestige in the Jade Moon Villa!

Even if Deng Sheng wanted to take over the Green Moon Villa, he had to take over Zhen Yue step by step.

In the center of the Green Moon Villa, there was a huge stone statue.

This stone statue looked exactly like Qin Yu.

Qin Yu, who was made of the stone statue, looked like a sword-like man with starry eyes. He had a dignified bearing and looked like he was looking down on the world.

Deng Sheng looked up at this stone statue and sneered, “Qin Yu, I knew you would die sooner or later, but I didn’t expect you to die so quickly.”

“When I completely take back the Saint Confucian sect, this stone statue of yours will disappear!”

...

Jingdu martial arts association.

In this month, the Jingdu martial arts association had nurtured many experts, including eight newly promoted martial marquises!

There were even rumors that someone from the Jingdu martial arts association had stepped into the peak of the Martial Marquis Realm! His strength was only second to a martial saint!

This also allowed the JINGDU martial arts association to obtain an unprecedented grandeur! Their prestige was further deepened!

During this period of time, the young masters of the various aristocratic families had also stepped into the Martial Marquis realm.

The outstanding ones among them had also stepped into the middle stage of the Martial Marquis Realm.

For example, Yan Jinyao, Kong Yun, and Chu Hedao.

With the death of Qin Yu, Jingdu seemed to have quietened down. Everything was progressing in a stable direction.

“Since Qin Yu’s death, Jingdu has become much more peaceful,”an old man on the rooftop of the Jingdu Martial Arts Association said quietly with his hands behind his back.

“Yeah, the appearance of this unstable person really made us break out in cold sweat,” said Qu Xie, who was behind the old man.

The old man glanced at Qu Xie and said, “Jiang he is in front, and Qin Yu is behind. I wonder who will be next.”

Qu xie sneered, “No matter who it is, we will crush it to death in the bud!”

“Moreover... The Jingdu martial arts association’s strength is now at a higher level. Let alone the next Qin Yu, even if Qin Yu is still alive, he won’t be as hard on us as before.”

The old man didn’t say anything and just nodded.

...

The Medicine God Pavilion.

Jiang he appeared in the Pavilion Master’s building for a rare occasion.

The two of them looked at each other and sat, sipping their tea gently.

“In the blink of an eye, more than a month has passed,” Jiang he sighed slightly.

“Yes.” The pavilion master nodded his head.

“Time passes really quickly. I think those people in Jingdu must be very happy now,” said the pavilion master.

At this point, Jiang he suddenly paused and continued, “Ji Yuhong, do you really think Qin Yu is dead?”

When she heard this, the pavilion master's hand that was holding the tea suddenly stopped in mid-air.

She put down the tea and said with a smile, "You and I should have the answer in our hearts."

Jiang he could not help but stroke his beard and laugh.

After a moment, Jiang he said in a low voice, "The JINGDU martial arts association has already deeply detested Qin Yu. It's not a bad choice for him to disappear now."

"Mm."The pavilion master agreed with this.

"The Jingdu martial arts association has already endured him to the extreme. If Qin Yu continues, I don't doubt that they will send a martial saint."

"Yes."Jiang he sighed.

He put down the Teacup in his hand and said, "I hope Qin Yu can understand this logic and continue to hide."

"By the way, have you seen Yan Yunheng recently?"Jiang he suddenly asked.

The pavilion master shook his head and said, "Ever since Qin Yu's death, Yan Yunheng seemed to have disappeared. I sent people to investigate, but they didn't find anything."

"The companies he registered before have also been canceled."

Jiang he couldn't help but frown slightly, as if he was a little worried.

However, the pavilion master smiled and said, “Old Mister Jiang, there’s no need to think too much. Yan Yunheng is much stronger than we imagined.”

Hearing this, Jiang he only nodded and did not ask any more questions.

...

Inside the immortal slaying sect.

The mustache was densely engraved with some strange characters on the paper.

After an entire night, the mustache was finally completed.

He wiped his sweat and said excitedly, “We can set off now!”

Chapter 615: Chapter 615, the corpse of a mighty figure

The handlebar mustache held a bowl in his hand and then handed Qin Yu a pestle.

He waved his hand and said, “Let’s go, we can set off now!”

Qin Yu couldn’t wait any longer. He followed beside the handlebar mustache and strode forward.

After taking a few steps forward, the handlebar mustache took out a glittering golden plate.

The plate was also engraved with dense runes, making it look extremely strange and magical.

Qin Yu asked in puzzlement, “What is this thing?”

The mustached man said with a face full of love, “This is a divine artifact specially used for archaeology. If it weren’t for him, I wouldn’t have been able to get so many Babe.”

“An archaeology divine artifact?”Qin Yu scratched his head.

“Where did you get it?”

The handlebar mustache said with some pride, “This is something I made myself. I named it the Divine Plate.”

“You made it yourself?”

This made Qin Yu somewhat surprised.

This handlebar mustache was indeed not as simple as it looked!

“Alright, I won’t say much. Let’s go. Follow me closely,”said the handlebar mustache.

Qin Yu knew that the handlebar mustache was an expert in this area, so he didn’t dare to say anything more and followed behind the handlebar mustache.

The handlebar mustache held the bowl in one hand and the divine plate in the other.

His steps were extremely slow, and he had to lower his head to look at the divine plate in his hand with every step he took.

There were densely packed characters on the divine plate, and these characters seemed to represent the direction.

The two of them took a few hundred steps forward, and suddenly, a character on the divine plate flickered with light.

“There really is a Babe!”The handlebar mustache’s eyes instantly lit up!

He looked at the direction the divine plate was pointing at and pulled Qin Yu along as he strode forward.

The light on the character grew brighter and brighter until they arrived in front of a stone tablet. The mustached man stopped in his tracks.

“According to the direction indicated on the divine plate, this is the place,”the mustached man said in a deep voice.

Qin Yu swept his gaze over and discovered that there was nothing else in the surroundings other than this stone tablet.

And this stone tablet didn’t seem to be placed here on purpose. Instead, it seemed to be formed by a broken wall inserted into the ground by chance.

The moustache man looked around. He lay on the ground and sniffed, then ran to the stone tablet and looked at it carefully.

“Break this stone tablet,”the moustache man said.

Qin Yu nodded. He immediately threw a punch, and the stone tablet shattered.

After shattering the stone stele, there were no changes to the scene, nor did any treasures appear.

“Not here.”The Mustache Man frowned slightly.

He lay on the ground and carefully observed it for a moment, then took out a tool and began to inscribe dao talismans on the ground.

After busying himself for half a day, no treasures appeared.

“Strange.”The mustache man stroked his beard, frowning slightly.

Qin Yu couldn't help but ask, “Is your divine disk reliable or not?”

The Mustache Man glared at Qin Yu and said, “You are doubting my professional ability! This divine disk has never made a mistake!”

After saying that, the Mustache Man took out a piece of paper from his pocket and began to carve on the ground.

A few minutes later, the mustache man bit his finger and took out a ball of white ash-like powder and sprinkled it on the white paper.

“Buzz!”

The moment the ash fell, it turned into flames!

The Flames were blue and scattered in all directions. There were nine of them.

The moustache man stared at the flames. After a few seconds, his face suddenly changed.

“Oh no!”The Moustache Man's face instantly turned pale. In the next second, he directly hid behind Qin Yu!

“What's Wrong?”Qin Yu said with some doubt.

The mustached man said in a deep voice, “According to my experience, this is the omen of a zombie transformation!”

“Zombie Transformation?”

Qin Yu couldn't help but feel like laughing.

“I'm starting to doubt your ability now.” Qin Yu shook his head helplessly.

However, before Qin Yu could say anything, he suddenly felt a gust of cold wind behind him!

Turning around, he saw a headless brawny man smashing his fist at Qin Yu!

“Boom!”

This punch was extremely powerful. Even Qin Yu was sent flying, and his nose was bleeding non-stop!

Qin Yu got up from the ground. Looking at the Headless Brawny Man in front of him, he couldn't help but exclaim, “What the F * CK Is This?”

The mustached man rolled his eyes and said, “I told you, this is the scene of a zombie transformation. Don't forget where you are! This is the immortal slaying sect!”

“The members of the immortal slaying sect are all mighty figures. Even if they die, their fleshly bodies can still be living beings.”

Looking at the Headless Brawny Man in front of him, Qin Yu said somewhat warily, “In other words... this person is very likely to be the body of a mighty figure?”

“That’s right.”The moustache man nodded slightly.

“The spell I used just now was used to attract treasures, but it’s also possible to summon such a thing.”The moustache man said as though it was a matter of fact.

Qin Yu frowned tightly.

A mighty figure’s physical body? How powerful would his physical body be?

“What should we do next?”Qin Yu asked warily as he retreated.

The moustache man rolled his eyes. “What else can we do? Of course, it’s up to you. This venerable self doesn’t know how to fight and kill.”

Without waiting for Qin Yu to speak, the headless brawny man had already charged towards Qin Yu!

His speed was extremely fast, and his physical body was incomparably fierce, almost shattering the void!

Qin Yu didn’t dare to be negligent. He hurriedly used his saint body technique to protect his body, and then sent a direct punch forward.

“Boom!”

A wave of air directly exploded between the two of them!

This wave of air directly sent the handlebar mustache flying, and Qin Yu suffered an even more devastating punch. His entire body flew back nearly a hundred meters, and the bones in his hands were even shattered!

“What a powerful body!” Qin Yu’s expression couldn’t help but change drastically!

As expected of a mighty figure’s body. Even after so many years, it was still so tyrannical!

One had to know that Qin Yu was known as the primal chaos body with the strongest constitution!

If it had been any other marquis, this punch would probably have shattered his body!

“Fellow Daoist, I’ll be relying on you from now on. This venerable self trusts you.” The mustached man ran a few hundred meters in a flash and said with a smile.

Qin Yu didn’t dare to be negligent. He looked at the Headless Brawny Man in front of him vigilantly.

He adjusted his internal Qi to the maximum, and his pair of iron fists flickered with golden light.

“A body without a soul can only rely on the body to fight.” Qin Yu thought to himself.

“So... I still have a chance to win against him!”

After saying that, Qin Yu silently chanted a spell, and a golden light condensed on his fists.

Right at this moment, the headless brawny man had already charged towards Qin Yu!

Although he had already lost his soul, his speed was still extremely fast just by relying on his physical body!

“Come, let me see just how powerful a mighty figure’s body is!”Qin Yu roared angrily, and then threw out both fists!

A resplendent golden light instantly charged towards the Headless Brawny Man!

Chapter 616: Chapter 616, bone refining

These two rays of golden light were formed from the purest spiritual energy, and their power could be said to be invincible!

“Boom!”

However, the result was completely different from what Qin Yu had imagined!

The headless brawny man directly smashed the Golden Light, and he didn’t even stop for a single step!

“F * ck!”Seeing this, Qin Yu couldn’t help but swear!

Before he could recover, the headless man had already come to his side.

His strong body crashed into Qin Yu’s body.

Even though Qin Yu had the blessing of the sacred body technique, he was still knocked over. The golden light on his body exploded.

Qin Yu crawled up from the ground in pain. He rubbed his chest and felt as if his internal organs had been hit.

That feeling was as though he had been hit by a train!

“What the hell is this...”Qin Yu could not help but exclaim in shock.

Compared to this headless brawny man, even Yan Guiyi’s black-gold stone was not worth mentioning!

“Fellow Daoist, your chaos body can’t do it either.”Not far away, the mustached man said with a beaming smile.

Qin Yu glared at him and said, “Don’t just stand there and talk. Come and try!”

At this moment, Qin Yu clearly understood the difference in strength between him and this almighty.

Even if he only had a physical body, it was definitely not something a martial marquis could lay his hands on.

“Dong Dong Dong!”

The Headless Brawny man charged towards Qin Yu again. Qin Yu did not dare to hide anything anymore. He immediately held the bronze sword in his hand and directly executed the third cut of the supreme purity nine slashes!

The huge sword light suddenly appeared out of thin air and passed by the Headless Man!

“Clang!”

The loud sound was deafening. The sword light slashed across his body, but only left a white mark!

“F * ck...”this made Qin Yu completely flustered.

The third cut of the nine slashes of supreme purity only left a white mark ?

What kind of body was this ? Even the current hot weapons probably couldn't hurt him, right ?

“Fellow Daoist, run quickly, he's coming again!”The handlebar mustache shouted from afar.

Qin Yu gritted his teeth. After thinking for a while, he immediately took out the five peaks of the mountain.

“Rumble...”

The five peaks of the mountain appeared out of thin air with a series of rumbling sounds.

With the support of Qin Yu's spells, the five peaks of the mountain grew larger and larger, hanging above the headless brawny man!

“Suppress!”

Following Qin Yu's explosive roar, the mountain fiercely suppressed the headless man!

“Boom!”

The mountain lived up to its reputation, directly pressing the headless man to the ground!

“Success!”Qin Yu shouted excitedly.

“Rumble...”

But... Before Qin Yu could be happy, the mountain began to tremble!

In less than half a second, the mountain was sent flying, and the headless man stood up again!

“Oh no!” Qin Yu thought to himself.

He had already used all his trump cards, but he was still unable to do anything to the headless man. If this continued, he might really be beaten to death by him!

“Fellow Daoist, quickly think of a way.” The mustached man shouted from afar.

Qin Yu cursed loudly, “I can think of a chicken feather way! This is the body of a mighty figure, I’m just a F * cking little marquis Wu, what can I think of!”

“Then hurry up and run!” The moustache man muttered.

Qin Yu didn’t waste any more words with the moustache man and immediately ran away.

However, the headless man’s speed was extremely fast. Even if Qin Yu used shrinking earth into an inch, he was still far from being able to catch up! “...”

In the blink of an eye, the headless man had caught up!

His huge fist was right behind him. That sharp wind was about to Split Qin Yu’s body apart!

“It’s over!” Qin Yu’s face turned pale when he felt the terrifying force from this fist!

He did not doubt the power of this fist. His physical body would not be able to withstand it at all!

“Buzz!”

At this moment, runes suddenly flashed above the head of the Headless Brawny Man.

The moment the runes appeared, the Headless Brawny man instantly became absent-minded. The movements of his hands also stopped abruptly.

That huge fist was only a step away from Qin Yu’s back.

This could not help but scare Qin Yu into a cold sweat. His face was even more pale.

“I told you to run if you can’t beat him,”the mustached man muttered.

Qin Yu glared at the mustached man and scolded, “Since you have a way to deal with him, why didn’t you act earlier!”

“Aiya, I thought you could beat him!”The mustached man said with a smile.

Qin Yu wiped the sweat from his forehead and couldn’t help but curse in his heart.

He raised his head to look at the characters condensed above the brawny man and frowned. “What is this thing? Why is it able to freeze him?”

The mustached man spread his hands and said, “This headless brawny man has no soul. He is just a body that is driven by Yin Qi. This

character of mine is a secret technique of Taoism. It can drive away evil spirits.”

Qin Yu was confused when he heard this. Fortunately, he was able to suppress this headless brawny man. At least, he was able to keep his life.

“Is this the body of a mighty figure?” Qin Yu touched the headless man’s body and said in a deep voice.

“Handlebar mustache, do you think you can dismember the body of this strong man and stick it to my body?” Qin Yu muttered.

Handlebar mustache rolled his eyes and said, “You’re dreaming. Let’s not talk about whether you can break his body. Even if you can, how can you stick it to your body?”

At this point, the mustached man paused for a moment and said with a smile, “But his bones can be used to refine artifacts. Those are the bones of mighty figures!”

“That’s right!” Qin Yu also came to a sudden realization.

“If we can take out his bones and refine artifacts, won’t we be invincible in the world? !”

The mustached man nodded seriously and said, “Yes, but who can break his body and take out his bones?”

“Anyone who can take out his bones probably won’t need to use his bones to refine weapons.”

Qin Yu frowned slightly.

That was true. Someone who could take out his bones must be at least at the Almighty Realm. Why would he need such a weapon.

“It’s broken!”

This couldn’t help but remind Qin Yu of the skulls on the ground when he first stepped into the hall!

Couldn’t those skulls be used to refine weapons?

And... Skulls were the hardest parts of the human body!

“Got it!”Qin Yu said excitedly.

“There are skulls in the hall. Maybe we can try to use them to refine weapons!”Qin Yu said excitedly.

The mustached man’s eyes lit up and he hurriedly said, “Really?”

“Absolutely!”Qin Yu nodded seriously.

“Take me there quickly!”The Mustache Man put away his moustache and said excitedly.

Qin Yu didn’t waste any time and immediately ran into the main hall with the Mustache Man.

Chapter 617: Chapter 617, Yin Qi beyond imagination!

The two of them hurriedly ran into the main hall.

Along the way, Qin Yu and the handlebar mustache were extremely excited.

The handlebar mustache kept muttering, “The skull of a mighty figure will definitely be able to forge a top-tier weapon!”

Qin Yu couldn’t help but feel somewhat vexed. Why hadn’t he thought of this before.

Soon, the two of them arrived at the main hall.

A part of the skull had already been shattered, but as long as they searched carefully, they could still find a few pieces.

The two of them began to search in a carpet style. Soon, Qin Yu found a skull on the ground.

He hurriedly shouted, “I found it!”

The mustached man ran to Qin Yu’s side in a flash and said excitedly, “This skull belongs to me!”

After saying that, he reached out to take the skull.

However, when the mustached man’s hand touched the skull, the bone immediately melted and turned into powder.

When the wind blew, nothing was left.

“What’s going on?” Qin Yu frowned immediately.

The Mustached Man’s face also showed a hint of solemnity.

He didn’t give up and continued to search for the skull.

However, the skull he found next had the same result. As long as he touched it, it would shatter.

“How can this be!”Qin Yu’s expression was somewhat unsightly.

The mustached man was silent for a long while. He didn’t say a word.

“Could it be... related to that corpse?”Qin Yu thought of the cult master’s corpse.

Ever since Qin Yu touched his corpse, these bones had begun to shatter.

Even if they hadn’t shattered, they couldn’t be used anymore.

The mustached man sighed and muttered, “I was too excited for nothing. I knew that the bones of a mighty figure aren’t that simple...”

Qin Yu frowned. “Then what should we do?”

“What else can we do? Just continue to follow me. My goal isn’t some cranium anyway,”the mustached man said mysteriously.

Qin Yu pulled the mustached man and said in a deep voice, “Then what’s your goal?”

The mustached man opened his mouth as if he didn’t want to tell Qin Yu.

But after a moment, he still waved his hand and said, “Forget it. I’ll tell you if you see me.”

“The slaughtering immortal sect is known as the number one sect in the world. They have countless treasures.”

“But, I’m not here for the slaughtering immortal sect. I’m here for a woman.”

Qin Yu frowned and said, “A woman?”

The mustached man nodded and said, “The woman who destroyed the massacre immortal sect!”

Hearing this, Qin Yu thought of the Masked Woman!

He hurriedly looked at the mustached man and said, “Do you know that woman very well?”

“Not really,” said the mustached man.

“But according to the information I have read over the years, this woman is absolutely unimpeded in this world! The Massacre Immortal sect is not worth mentioning in front of her.”

At this point, the mustached man paused for a moment and said mysteriously, “I have a feeling that that woman might have left some treasure here.”

“If it’s her treasure, the foundation of the Immortal Massacre sect is not worth mentioning at all!”

“If I can get that woman’s mask... Hehe, then I’ll Be Rich.”

Mask?

The mask that the mustached man was talking about was probably the mask in Little Fish’s hands, right?

“Let’s go, don’t waste time,” the mustached man said.

“If we can find that mask, I’ll give you all the treasures of the immortal slaying sect!”

Qin Yu didn't say anything, but he knew very well that the mustached man wouldn't be able to get that mask today.

"It seems that I have to think of a way to inform little fish. I must not let others know about the existence of that mask," Qin Yu thought to himself.

The two of them continued to move forward. The handlebar mustache held the divine plate in his hand and searched for the secret treasure.

After an unknown amount of time, the divine plate in his hand flickered with light again.

This time, the light was even stronger than before, almost turning into white-hot.

This made the handlebar mustache extremely excited! He held Qin Yu's hand and said excitedly, "See? The light of this divine plate is so dazzling. This means that there must be an unimaginable babe here!"

Qin Yu said with some lingering fear, "Don't make another headless corpse."

The handlebar mustache ignored Qin Yu. He sat cross-legged on the ground and repeated the same trick.

Streaks of white ash exploded in front of the handlebar mustache with a dazzling light.

Then, the world actually began to hum!

A few minutes later, a crack suddenly appeared on the ground!

“There really is a crack!” The handlebar mustache was so excited that it almost jumped up!

Qin Yu’s eyes were also filled with anticipation.

This was the immortal Slayer sect, the number one sect in the world ten thousand years ago. God knows how much heritage they had!

The crack grew bigger and bigger until it finally became a huge gap.

Looking down from the gap, it seemed to be a tomb!

This tomb was extremely beautiful. It covered a huge area and one could not see the end of it.

The mustached man took out a lamp from his pocket and pulled Qin Yu with a serious expression. “This tomb might not belong to anyone. If it is that woman’s tomb, it will definitely be filled with danger.”

Qin Yu nodded and said, “Don’t worry. I will definitely follow you closely.”

The mustached man waved his hand and said, “No, I mean you have to protect me well.”

Qin Yu:”...”

The two of them carefully walked into the tomb.

The passage of this tomb was extremely long, at least a few hundred meters.

The deeper they went, the stronger the Yin Qi became.

And this yin qi seemed to give Qin Yu a sense of familiarity.

This... Was extremely similar to the Yin Qi in the huge pit in Chuzhou!
The density was about the same!

The mustached man shivered and said with trembling lips, "I have a feeling... something is not right."

At this moment, the mustached man actually had the intention to retreat and stood there hesitantly.

Qin Yu grabbed the lamp and said in a deep voice, "Follow me closely."

After saying that, Qin Yu took the lead and walked into the tomb.

As expected, the deeper they went, the stronger the Yin Qi became.

A large area of the tomb in front of them was frozen!

On the wall of the tomb, there were icicles hanging one after another.

Qin Yu broke off an icicle, put it in his mouth and tasted it. Then he exclaimed, "This is... an icicle formed by Yin Qi!"

In other words, the yin qi here was too dense, so dense that it turned into water droplets.

And because this place was too cold, the water droplets formed by the yin qi directly froze into icicles!

"Such dense yin qi... it's really terrifying," Qin Yu said in a deep voice.

"I've walked around the tomb for so many years, but I've never seen such dense yin qi..." the mustached man said with trembling lips.

Qin Yu was the same. The density of the yin qi here was beyond imagination!

“Why... Why don't we just forget about it? I'm afraid this is really that woman's tomb,” the mustache man said while trembling.

Qin Yu glanced at him and said, “Why are you so afraid?”

The mustache man swallowed his saliva and said, “Qin Yu, you don't know how terrifying that woman is. According to my understanding, this woman is a murderer. The backup plan she left behind is not something we can resist...”

Qin Yu smiled and said, “Don't you have the pestle and the POW from Western Buddhism? What's there to be afraid of?”

Upon hearing this, the moustache man hurriedly chose the POW on his head.

“Crack!”

However, at this moment, the POW on the moustache man's head actually shattered!

Chapter 618: Chapter 618, two Supreme Treasures!

The Pestle in Qin Yu's hand was trembling non-stop as it shattered into pieces!

The mustached man looked extremely terrified as he said in a trembling voice, “I... I've never seen such a scene... this pestle actually shattered!”

Qin Yu's expression was also a little nervous.

One had to know that this pestle and pestle came from Buddhism.

It was imbued with an extremely strong power of faith and an aura of peace, capable of restraining all evil in the world.

But now, this Podao actually directly shattered!

“Let’s go. No treasure is more important than life.”The Mustache Man pulled Qin Yu and was about to leave.

However, Qin Yu said coldly, “If you want to leave, you can leave. I’m not leaving. The more dangerous the place, the more opportunities there are.”

Qin Yu didn’t have much time left, so he had to take the risk.

As long as he could improve his strength, everything was worth it.

After saying that, Qin Yu strode forward.

The mustached man hesitated for a moment. Finally, he gritted his teeth and muttered, “F * ck, I’ll go. I don’t believe that he can kill me!”

Therefore, the mustached man quickly caught up.

The deeper they went, the thicker the Yin Qi became.

When they reached the deepest part of the cave, they found it difficult to even breathe.

The Qi/spiritual energy in their bodies had been completely suppressed and frozen. All their cultivation could not be used at this moment.

“Look, what’s That!”

At this moment, Qin Yu pointed at a concave wall not far away and said.

At a glance, the concave looked like a room with an open door.

“Fellow Daoist, go and see what that is,” the mustache man whispered behind Qin Yu.

Qin Yu didn't pay attention to the Mustache Man. He held the lamp and walked toward the sunken wall.

“Huh?”

Seeing the scene in front of him, Qin Yu's expression couldn't help but change.

In front of him was an extremely large coffin!

Most importantly, there were two corpses on both sides of the coffin!

“The corpses are not placed in the coffin, but on both sides of the coffin?” Qin Yu frowned slightly.

He tried to feel the yin energy. As expected, the Yin energy in the tomb came from here.

Staring at the coffin, Qin Yu could not help but fall into deep thought.

This coffin was carved with dragons and phoenixes. It was unknown what material the coffin was made of, but it did not show any signs of decay after so many years.

Qin Yu thought for a moment and reached out his hand, wanting to open the coffin.

“Don’t move!”

At this time, the mustached man hurriedly shouted.

He walked quickly to Qin Yu and stared at the coffin.

“What’s Wrong?” Qin Yu asked.

The mustached man ignored Qin Yu and kept repeating, “It’s really that woman’s Tomb!”

Qin Yu asked in puzzlement, “How do you know?”

The mustached man pointed to the side of the coffin and said in a deep voice, “Look at this picture. It’s That Woman’s mask.”

Qin Yu looked over and saw the picture of the mask as expected.

And this picture was the mask in Xiao Yu’s hand!

“Xiao Yu... What does it have to do with that woman!” The doubt on Qin Yu’s face became more and more intense.

Could it be that Little Yu was really the reincarnation of that woman?

It had been a long time since Qin Yu had visited Little Yu, and he didn’t know how strong she was now.

“Open the coffin,” Qin Yu said.

The Mustache Man was a bit serious. He said in a low voice, “I’m afraid that when the coffin is opened, it won’t be a treasure, but a killing intent.”

Qin Yu frowned. “Are we just going to leave it there?”

The Mustache Man Couldn’t make up his mind for a moment.

He took out one spiritual artifact after another from the spatial divine artifact, trying to use them to resist.

But in the end, all the spiritual artifacts were given up by the Mustache Man.

“What’s Wrong?” Qin Yu couldn’t help but ask when he saw the situation.

The Mustache Man smiled bitterly and said, “These spiritual artifacts of mine are definitely top-notch treasures in the world, but in front of her, they are just a pile of junk. They are meaningless.”

“Then open it directly,” Qin Yu said in a deep voice.

After saying that, he immediately urged his spiritual power and pushed it toward the coffin.

The coffin was extremely heavy. Even Qin Yu had to use a lot of strength to push it.

After more than ten minutes, Qin Yu finally opened a hole in the coffin.

During this time, the mustached man stood by the side with a nervous expression.

Boom

With a loud bang, the coffin was finally opened!

“What’s inside?”The mustached man ran over in a hurry.

Qin Yu frowned and said, “There’s no corpse? That’s strange...”

At a glance, there was a black bracelet, a picture, and a piece of clothing inside the coffin.

“This clothing should belong to that woman,”Qin Yu said while looking at the style of the clothes.

The mustached man didn’t have the time to pay attention to Qin Yu’s words. He hurriedly took out two treasures and said excitedly, “This... this really belongs to that woman!”

Qin Yu frowned and said, “It’s just a bracelet and a picture. There isn’t the slightest qi/spiritual energy fluctuation on it. Can this be considered a treasure?”

The mustached man glared at Qin Yu and said, “What do you know! For a figure like her, even the clothes she wears aren’t ordinary!”

Qin Yu still wanted to say something, but the mustache man waved his hand and said, “Hurry up and divide the spoils. This place is too gloomy. I don’t want to stay here for too long.”

“I don’t want that shirt,”Qin Yu said first.

“As for these two... I want that picture. I’m a man, so I can’t wear a bracelet.”

The Mustache Man said with some heartache, “To be honest, I don’t want to give you these two...”

Qin Yu said jokingly, “If I kill you, these two things will belong to me.”

The handlebar mustache's old face darkened, and he muttered, "I'll give them to you. Can't I give them to you?"

After taking the picture, Qin Yu still didn't feel the slightest difference.

It looked like an ordinary picture.

The things drawn on the picture were like Ghost Talismans, and nothing could be understood.

"After searching for so long, I've only found this lousy painting," Qin Yu muttered softly.

"Fortunately, the yin energy here is strong enough to support my cultivation."

However, Qin Yu's first thought was to return first. After all, Qin Yu did not know what had happened in the outside world.

Moreover... he had disappeared for too long.

"Let's go, let's leave this place quickly," the mustached man said with lingering fear.

Qin Yu nodded, thinking of leaving for the time being.

"Boom!"

At this moment, a loud sound was suddenly heard!

Qin Yu frowned. Just as he was about to speak, the corpses lying on both sides of the coffin suddenly stood up!

"It's over!"

Upon hearing this sound, the faces of the two men instantly turned pale!

“Oh no. These two male corpses are probably guarding the path. Let’s hurry up and escape!”The mustached man said in fear.

Qin Yu’s expression was extremely unsightly as well. He immediately wanted to run.

However, these two only raised their hands, and a level of barrier appeared in front of them, blocking their path!

Qin Yu did not dare to be negligent and directly clenched his fist and smashed it over!

“Clang!”

However, the hardness of this barrier was completely beyond Qin Yu’s imagination, and he was instantly forced back!

“Qin Yu!”The moustache man roared loudly.

“These two male corpses are probably existences that surpass mighty figures! Quickly think of a way to escape!”

Chapter 619: Chapter 619, the identity of the masked woman

Although that was the case, the road ahead was already blocked. How could he escape?

Even if Qin Yu used all his strength, he was completely unable to break through this barrier!

And behind him, the two male corpses were walking over step by step.

The distance between them was getting closer and closer. The powerful pressure on their bodies was almost suffocating!

Qin Yu felt even more terrified, as if the two people in front of him were like two demons!

“Damn it!” The mustached man gritted his teeth and took out one magic weapon after another from his spatial artifact.

“I’ll think of a way to stop them, and you’ll think of a way to break this barrier!” The mustached man said.

Qin Yu hurriedly nodded. He took out the bronze sword in his hand, intending to try it out with the bronze sword.

Then, the mustached man shouted and took out the spiritual artifact in his hand!

However, a shocking scene happened.

The two male corpses only raised their hands and glanced at it from the corner of their eyes. The spiritual artifact directly exploded!

“How... how could this be!” At this moment, Qin Yu was dumbfounded!

The spiritual artifacts in the mustached man’s hand were all top-notch in the world!

But such a top-notch magical artifact was directly shattered by a single glance!

What kind of strength and what kind of spell was this?

“It’s over!” Seeing this scene, the handlebar moustache’s face was ashen.

He knew that no matter how many magical artifacts there were, they probably wouldn't be able to restrain these two male corpses!

“Get out of the way, I'll do it!”Qin Yu hurriedly walked to the front of the handlebar moustache.

He nervously stared at the two male corpses, the fear in his heart growing stronger.

This fear came from the bottom of his heart, and it came from the gap in strength! There was simply no way to restrain it!

Qin Yu held the bronze sword in his hand, and with an angry roar, he poured all his spiritual power into the bronze sword. Then, his body rose into the air and slashed down viciously!

“Clang!”

The Instant Qin Yu's sword landed on their bodies, it was directly sent flying!

That terrifying power directly shook Qin Yu until he vomited blood!

“How can there be such a person in this world...”Qin Yu's face was Pale, and his heart was filled with terror.

“It's over, it's over.”The mustached man was also panicking at this moment.

He had walked through so many tombs, but he had never seen an existence with such strength!

“Don't you know how to set up a formation? Quickly set up a formation and send us out!”Qin Yu shouted anxiously.

The mustached man couldn't help but curse, "Do you think a formation is that easy to set up? Do you think I have time to set up a formation?!"

"Furthermore, do you think a formation is useful in front of such an existence?!"

Qin Yu's expression turned uglier and uglier. The two male corpses were getting closer and closer to Qin Yu. That powerful pressure felt as if it was going to flatten their bodies!

"This won't do... If this continues, they won't even need to make a move. We'll all be crushed into meat paste!" Qin Yu said in pain.

He curled up his body and was about to kneel on the ground.

Cracking sounds came from all over his body. His bones seemed to be crushed, and cracks appeared on his body!

"I told you to leave quickly!" The mustached man couldn't help but curse.

"This is great. I'm going to die here..."

Qin Yu didn't say anything. He looked up at the two male corpses and kept thinking, trying to find a way to escape.

"I got it!"

At this moment, Qin Yu suddenly had an idea, as if he had thought of something!

He hurriedly took out the picture he had taken from the coffin and threw it out!

Although he didn't know if it would work, Qin Yu could only give it a try now.

Buzz

The picture floated directly above the male corpse, exuding an ancient and internal Qi.

The two male corpses stopped in their tracks.

They raised their heads and looked at the picture.

The atmosphere was awkward, and Qin Yu was extremely nervous!

“Is it useful?”The mustached man asked.

Qin Yu gritted his teeth and said, “I don't know. I can only give it a try. If it really doesn't work, I'll return this thing!”

The mustached man nodded and said, “Yes, my life is important.”

The picture hung in the air, and the two male corpses just stared blankly.

“Quickly take out your bracelets and clothes!”Qin Yu shouted.

At this moment, the mustached man didn't dare to be negligent. He hurriedly took out his clothes and bracelets and threw them forward.

The clothes floated in the air and flew toward the two male corpses.

The moment the two male corpses saw the clothes, a trace of fear flashed in their eyes!

In the next second, the male corpse turned around and walked away. His footsteps were even somewhat panicked.

All the internal Qi started to disappear at this moment. Everything returned to calm.

Qin Yu panted heavily, and the pressure on his body almost made him unable to breathe.

“It really works!” The moustache man said excitedly.

“Fellow Daoist, your brain really works!”

Qin Yu didn't say anything. His face was filled with mixed emotions, and the scene from just now couldn't help but flash through his mind.

When the two male corpses saw the clothes, they seemed to be extremely terrified.

One had to know that they were existences that surpassed mighty figures!

It was such an invincible existence that was scared off by a single piece of clothing...

Just what level had that masked woman reached?

Just what had she done to cause these two invincible cultivators to be afraid of even a single piece of her clothing?

“Let's hurry up and leave. I don't want to stay in this place for even a minute.” The handlebar mustache clothes, bracelet, and picture were taken back as they said anxiously.

Qin Yu nodded. He didn't think about it anymore. Instead, he nodded and said, "Yes, it's time to go back and take a look."

"Go Back?" The handlebar-mustache man was stunned.

"Go Back Where?"

Qin Yu glanced at him and said, "Of course, I'm leaving the immortal slaying sect. I'm going back to where I came from."

Hearing this, the handlebar-mustache man fell into silence.

A moment later, he reached out and patted Qin Yu's shoulder and said, "Fellow Daoist, I suggest that you don't leave for the time being."

Qin Yu frowned slightly and asked, "Why?"

The Mustache Man said in a deep voice, "In the month that you disappeared, all the young masters broke through one after another. The Jingdu Martial Arts Association even had a new peak martial marquis."

"Moreover... The Jingdu martial arts association announced to the public that you were dead. If you weren't dead, it would be a slap to their faces."

"They will definitely use the fastest method to kill you regardless of the cost! They will even spare no expense to dispatch a martial saint!"

Hearing these words, Qin Yu instantly fell into silence.

The moustache's words made sense. Qin Yu knew very well that he had already repeatedly crossed the bottom line of the Jingdu Martial Arts Association and the various aristocratic families.

“You are now a famous person. Wherever you go, you will receive a lot of attention.. Once you appear, there is no escape,”the moustache said.

Chapter 620: Chapter 620, absorbing Yin Energy

Qin Yu stood there without saying a word for a long time.

After a long time, Qin Yu looked around and said, “I plan to seclude myself here temporarily.”

The mustached man shivered and muttered, “Seclude myself here? Are you sure? Aren’t you afraid that the two male corpses will jump out again?”

Qin Yu smiled and said, “Anyway, I’ve found a way to deal with them. Moreover... The cultivation environment here is very rare for me.”

The moustache man rolled his eyes and said, “If you want to stay, then stay. I Won’t accompany you anyway. I don’t want to stay in this damn place for even a second.”

Obviously, the scene just now had scared the moustache man to death.

Qin Yu pulled the moustache man and said, “You have to come and pick me up in a while. Otherwise, I won’t be able to leave.”

The moustache man rolled his eyes and said, “Don’t worry. I Won’t leave the immortal slaying sect for the time being.”

“The slaughtering immortal sect is so big. There must be some other Babe.”The mustached man licked his lips and said.

Qin Yu nodded and said, “Okay.”

Then, he turned around and walked deeper into the tomb, returning to the depression.

Looking at the coffin in front of him, Qin Yu took a deep breath.

It had to be said that even Qin Yu felt a little uncomfortable with the yin qi here.

He wasn't sure whether the yin qi came from the coffin or from the bodies of the two male corpses.

“After absorbing the yin qi here, my strength should increase quite a bit,” Qin Yu thought to himself.

Thinking of this, he directly took out the three purities ancient tree and hung it above his head.

Then, he began to cultivate bitterly.

The surrounding Yin Qi rushed towards Qin Yu's body, strands after strands, almost freezing Qin Yu.

...

In the outside world.

It had been one and a half months since Qin Yu had left.

Everyone seemed to have forgotten about Qin Yu. To them, Qin Yu was like a bright shooting star that disappeared in a flash.

“Most geniuses have short lives, especially those without any background,” someone said.

Jingdu Martial Arts Association.

Yan Ruoxue's blood was still being sucked out every day.

And the Jingdu Martial Arts Association would send Yan Ruoxue top-grade pills and herbs every day.

These herbs could ensure that Yan Ruoxue's life would not be harmed, as well as a daily ration of fresh blood supply.

"I have to say, her bloodline is indeed powerful," Qu Xie said in a deep voice as he stood at the door of the prison.

An old woman with a hunched figure stood beside him.

This old woman looked to be at least in her eighties, but the vague internal Qi on her body indicated her formidable strength.

"With this bloodline... The Jingdu martial arts association can activate the bloodline power of three people," the old woman said quietly.

Xie Qu nodded and said, "Yes, people with this bloodline power are invincible among those of the same level. They can even fight across levels."

At this point, Qu Xie asked with some confusion, "Granny Qin, what kind of bloodline does Yan Ruoxue have? Why is she so powerful?"

The old woman called Granny Qin bowed slightly, "We don't know exactly what kind of bloodline she has. In short... Her bloodline is very powerful. As long as we rely on this bloodline, we can create countless super experts."

Qu Qu bowed and sighed, "It's really terrifying. The three people who have been baptized by the bloodline are probably not weaker than Qin Yu."

Granny Qin said with a smile, “Of course.”

Granny Qin glanced at Qu Qu and said, “Let’s continue selecting talents.”

After saying that, Granny Qin turned around and was about to leave.

At this moment, Qu Xie suddenly blocked Granny Qin’s way.

“Why? Do you have something else to do?” Granny Qin asked.

Qu Xie opened his mouth and said, “Granny Qin, I . . . I . . .”

“You also want the power of this bloodline, don’t you?” Granny Qin said faintly.

Qu Xie nodded and said with a bitter smile, “Who wouldn’t want this kind of power...”

Granny Qin smiled. “Don’t worry. You have contributed a lot to the JINGDU martial arts association over the years. The power of your bloodline... is naturally not lacking.”

Qu Xie was overjoyed when he heard that. “Thank you, Granny Qin!”

Granny Qin didn’t say anything else and turned to leave.

Qu Xie looked at Yan Ruoxue in the prison and couldn’t help but smile. “Miss Yan, you have contributed a lot to the Jingdu martial arts association. I think... The JINGDU martial arts association will remember you forever.”

Yan Ruoxue raised her head with great difficulty. Her pale face had no color at all.

Although the JINGDU martial arts association used the top-notch herbs to support Yan Ruoxue, her body was still extremely weak after being drained of blood for a long time.

“You... will be destroyed sooner or later,” Yan Ruoxue said with great difficulty.

When Qu Xie heard this, he couldn't help but laugh out loud. “Miss Yan, who do you think can destroy the Jingdu Martial Arts Association? Don't tell me you are still counting on Qin Yu?”

At this point, Qu Xie paused for a moment, then patted his head and said, “I forgot to tell you. Qin Yu is already dead. You still don't know, right?”

Hearing this, Yan Ruoxue's face suddenly changed, and a trace of panic flashed in her eyes!

“What... What did you say? !” Yan Ruoxue's voice was filled with intense fear.

Qu Xie said with a faint smile, “Qin Yu has been dead for more than a month. His body is probably rotten by now.”

“No... impossible! Absolutely Impossible!” Yan Ruoxue shouted in grief and indignation.

Qu Xie sneered, “Do you think I have to lie to You? He, Qin Yu, has provoked our Jingdu martial arts association many times. This is what he gets!”

“You guys are really as naive as me. You All think that you can overthrow us with the power of one person. TSK TSK, how pathetic.”

Yan ruoxue said coldly, “I won’t believe you. Qin Yu will never die!”

Xie Qu spread his hands and said, “It’s your own business whether you believe it or not.”

After saying that, he turned around and left.

“You... you come back! You Come Back! Tell me that Qin Yu is not dead!”

Yan Ruoxue’s shrill cry came from behind him.

However, Qu Xie ignored her and walked out of the prison.

...

Green Moon Villa.

Deng Sheng sat on the sect master’s throne as he wished.

As a former elder of the Saint Confucianism sect, his ability to buy people’s hearts was far superior to Zhen Yue’s.

Deng Sheng spent a month to successfully take Zhen Yue over and become the sect master of Green Moon Villa.

“Miss Zhen, if you listen to me, I will let you stay in the Green Moon Villa and give you a way out,”Deng Sheng said lightly.

Zhen Yue’s face was extremely ugly, but she couldn’t change anything.

Deng Sheng snorted and glanced at the crowd. He said lightly, “From today on, the Green Moon Villa will be renamed as the Saint Confucianism sect!”

“Also, the statue of Qin Yu in the square will be demolished immediately!”

Chapter 621: Chapter 621, the physical body of a virtual entity

The statue on the square was dismantled as he wished.

Outside the door, a plaque of the Saint Confucian sect was erected.

Zhen Yue looked at all of this and wept silently, but she couldn't do anything.

Ever since Qin Yu “Died”, everything seemed to have changed. Even the world had changed.

No one dared to stand out and shout no to the Jingdu Martial Arts Association and the various aristocratic families!

All the martial artists were willing to submit to the various aristocratic families and the Jingdu Martial Arts Association.

During this period of time, three geniuses had appeared in the martial arts world.

It was said that these three geniuses had been personally promoted by the Jingdu Martial Arts Association. Their strength had shockingly reached the intermediate stage of the Marquis of Martial Arts.

And these three people were practically invincible! Even the young masters of the various aristocratic families were slightly lacking!

Jingdu, Yao family.

Yao Meng sat in the huge Yao family manor, quietly sipping her tea.

In front of her was the second ranked Kong Yun.

“Brother Kong, according to what I know, the next three people will be challenging you, right?” Yao Meng said with a faint smile as she drank her coffee.

Kong Yun lightly snorted, “These three people are somewhat arrogant. They really think that they are the ones in charge of the younger generation!”

Yao Meng smiled and said, “Brother Kong, don’t underestimate these three people. They have already won every single person on the ranking list.”

Kong Yun sneered and said, “So what? Meeting Me is the beginning of their defeat.”

“I also received their challenge.”

At this time, Xiao Yuan suddenly walked in from outside the door.

Seeing Xiao Yuan, Yao Meng bowed slightly and said, “Brother Xiao.”

Xiao Yuan also politely replied, “Miss Yao.”

“Did you accept the challenge?” Kong Yun asked with a fake smile.

Xiao Yuan shook his head and said with a smile, “Brother Kong, you should know that I don’t like to stand out, not to mention that these three people are not weak.”

Kong Yun coldly snorted and said, “Where did these three people come from? It’s really F * cking sudden.”

“It’s said that in order to prevent the appearance of the next Qin Yu, the Jingdu Martial Arts Association specially created Super Experts,” Xiao Yuan said with a faint smile.

At the mention of Qin Yu, a trace of uneasiness flashed across the faces of the three people.

“Brother Xiao, do you think Qin Yu is really dead?” Yao Meng asked.

Xiao Yuan spread his hands and said, “Although I don’t want to believe that Brother Qin is already dead, more than a month has already passed. I’m afraid that he’s doomed.”

Yao Meng sighed slightly and said, “Qin Yu’s appearance has indeed caused a huge wave to rise in the Jingdu, which has been peaceful for many years.”

Xiao Yuan smiled and said, “That’s right. Even the Jingdu martial arts association attaches great importance to him. Yan Sihai even hired a peak-stage martial marquis to protect him. TSK TSK, how many years has it been since someone could do this?”

Kong Yun sneered and said, “I don’t think that Qin Yu has much ability. If he met me, he would have died long ago.”

Xiao Yuan said politely, "Of course. Brother Kong's strength is obvious to all."

"By the way, I don't know if the island from last time is still there. I should go there when I have time. The inner core there... is a holy object for cultivation," Yao Meng suddenly said.

Xiao Yuan said jokingly, "Miss Yao, is it for the inner core or for Qin Yu?"

"Neither." Yao Meng shook her head.

"I'm doing it for Yan Ruoxue."

...

In the immortal slaying sect.

Qin Yu was almost frozen into an ice sculpture. Even his eyelashes had turned white.

The Yin Qi here seemed to be endless. Even though Qin Yu was devouring it at an extremely fast speed, the Yin Qi here didn't seem to be exhausted.

After such a long time, Qin Yu gradually understood the source of the yin qi.

This yin qi came from this coffin!

Qin Yu tried to cultivate in the coffin, but the strong yin qi almost took his life.

In the blink of an eye, another month passed.

In this one month, Qin Yu's strength went from a rank two martial marquis to a rank four martial marquis.

If news of such a speed were to spread, it would shock the world.

Staying in this tomb, Qin Yu could hardly feel the passage of time. However, he felt a little uneasy in the bottom of his heart.

The worry about the outside world made Qin Yu even more panicked.

"The handlebar mustache hasn't come to find me yet. I guess not much time has passed," Qin Yu thought to himself.

Therefore, Qin Yu closed his eyes again and continued to cultivate.

Time flew by, and soon, it was winter from summer.

Another year had passed.

And Qin Yu had already stayed in this tomb for more than four months!

His entire body became extremely cold, and he could hardly feel any warmth.

On this day, Qin Yu's slightly closed eyes opened slightly.

He frowned slightly and said in a low voice, "I've reached a bottleneck again."

Although Qin Yu had a chaotic body, his golden core needed to reach a balance.

The Yin Qi in his body had far surpassed the Qi/spiritual energy.

This also caused Qin Yu's cultivation to be unable to advance even a little bit by relying on the yin qi.

Qin Yu stood up and looked at the coffin. He couldn't help but frown and say, "This is a treasure. I really can't bear to give it up just like that."

The gate of the slaughtering immortal sect had been closed. After such a long time, no second wave of people had come in.

This was enough to show that the gate of the slaughtering immortal sect couldn't be opened from the outside.

"If I want to come here next time, I'm afraid I'll have to rely on the handlebar mustache," Qin Yu muttered.

However, the handlebar mustache came and went without a trace. It was too uncertain to see him only by luck.

Thinking about it, Qin Yu's mind will pop out of a bold idea!

That is to take this coffin with you! Doesn't that mean you can absorb the yin energy from the coffin at any time?

Thinking of this, Qin Yu immediately stood up, ready to move the coffin.

I don't know what it's made of, but it's heavy.

Even Qin Yu had a hard time moving it.

Fortunately, Qin Yu, who had stepped into the fourth rank martial marquis realm, had greatly increased his strength. In the end, he still kept the coffin into the spatial artifact.

Qin Yu did not stay any longer. He turned around and was ready to leave.

However, after taking two steps, Qin Yu turned around and walked back.

He stared at the two male corpses in front of him and said in a low voice, “Nonsense, I’m afraid these two people are existences that have surpassed mighty figures. They are also experts at the return to Void Realm!”

Above the martial saint was the soul formation stage. Mighty figures were one step above the soul formation stage, and above mighty figures were the return to void stage!

It was said that those at the return to void stage were all people who could reach the heavens. Their punch could even shatter a small planet!

Not to mention in the world, even if one looked back thousands of years, they would still be the top existences!

“Damn it, if these two male corpses can be used by me, then the Jingdu Martial Arts Association is nothing,” Qin Yu thought to himself.

Even though these two male corpses had long lost their souls and spiritual sense, their bodies were genuine void transformation realm experts!

After thinking about it, Qin Yu decided to bring these two male corpses with him. Who knows, he might have a chance to use them one day!

No matter how bad it was, he could still use these two male corpses as weapons.

Thinking of this, Qin Yu immediately put these two corpses into his spatial artifact.

Chapter 622: Chapter 622, the power of Yan Ruoxue' s bloodline

Qin Yu knew very well that these two corpses could be time bombs and could be resurrected at any time.

Therefore, after thinking for a long time, Qin Yu decided to get the clothes to suppress the two male corpses.

After preparing everything, Qin Yu walked out of the tomb.

After coming to the top, Qin Yu released his spiritual sense.

Soon, he caught sight of the figure of the handlebar mustache.

According to the position in his spiritual sense, Qin Yu Strode in the direction of the handlebar mustache.

After walking for dozens of minutes, he finally found the handlebar mustache digging out a babe in front of a tomb.

Judging from the exhausted look on the handlebar mustache's face, he must have obtained a lot of treasures during this period of time.

“It seems that you have gained quite a lot.”Qin Yu walked behind the handlebar mustache and said with a smile.

Hearing this, the handlebar mustache hurriedly covered the pottery pot in his hand and stammered, “What harvest? This is my first piece...”

Qin Yu rolled his eyes and said, "Alright, I won't fight with you. No matter what you have obtained during this period of time, it is yours."

The mustached man immediately heaved a sigh of relief. He patted his chest and muttered, "You scared me."

"But... I have a condition." Qin Yu changed the topic and said with a smile.

"What condition?" The mustached man said with vigilance.

Qin Yu said in a deep voice, "I want the clothes of the masked woman."

"Clothes?" The mustached man was stunned.

"What do you want those clothes for?"

Qin Yu said, "I brought out the coffin and the two male corpses, so I need this clothes."

"What? !" Hearing this, the mustached man ran a few meters away!

He said with vigilance, "Qin Yu, are you crazy? You Dare to bring that thing out?"

Qin Yu spread his hands and said, "This coffin is full of yin qi. It's a holy object for cultivation to me, so I naturally can't miss it."

"You..." the mustached man opened his mouth and gave Qin Yu a thumbs up. "You're amazing."

"Cut the crap and give me the clothes." Qin Yu rolled his eyes.

The mustached man didn't hesitate. He took out the clothes and handed them to Qin Yu.

“Fellow Daoist, I have to remind you that that thing is very dangerous. You'd better be careful,” the mustached man said in a deep voice.

Qin Yu nodded and said, “I understand.”

After putting away the clothes, Qin Yu stood to the side and waited for the handlebar mustache.

At this moment, the reputation of the three people from the Jingdu Martial Arts Association had already soared!

The reason was because they were almost evenly matched with the second-ranked Kong Yun!

Although Kong Yun won with one move in the end, his entire body was heavily injured and his blood splattered in the sky!

This news immediately shocked the entire martial arts world!

Not only that, the martial arts association also quickly released a statement: the three of them are not the strongest in our martial arts association, but we can create countless martial artists with their strength.

Once this news was released, everyone immediately sucked in a breath of cold air!

If the JINGDU martial arts association could create countless martial artists like this, then who else could be compared to the Jingdu Martial Arts Association in the future?

Inside the Jingdu Martial Arts Association.

Yan Sihai sat opposite Qu Xie, and beside him was Yan Jinyao.

“Qu Xie, what’s going on?” Yan Sihai said with a frown while smoking his cigar.

“When did the Jingdu martial arts association secretly train such a group of experts?”

Qu Xie said with a smile, “Mr. Yan, this is a secret of our martial arts association, so...”

“Bullsh * T!” Yan Sihai cursed.

“I heard that this matter has something to do with Yan Ruoxue! What did you do to Yan Ruoxue? !”

Qu Xie’s face suddenly changed.

This was a secret of the Jingdu Martial Arts Association. How did Yan Sihai Know About It?

“Qu Xie, don’t underestimate me, and don’t underestimate the Yan family,” Yan Sihai seemed to see Qu Xie’s doubt and immediately warned him coldly.

Qu Xie fell into silence and said in a deep voice, “Mr. Yan, I don’t mean to underestimate the Yan family. Even our higher-ups have never underestimated the Yan family.”

“Then tell me quickly,” Yan Sihai said impatiently.

Seeing that he couldn’t hide it anymore, Qu Xie could only tell him slowly.

“This matter is indeed related to Miss Yan,” said Qu Xie.

“Master god-diviner once said that a top-tier bloodline would appear in the Yan family. Before this, we had always thought that the top-tier bloodline was young master Yan Jinyao.”

“But... Later, the higher-ups gave an order. That bloodline wasn't young master Yan, but Miss Yan.”

Hearing this, Yan Sihai was furious and slammed the table!

“Bullsh * T! What nonsense! Yan Ruoxue is just an ordinary person, not even a warrior. How could she have a top-tier bloodline?” Yan Sihai said angrily.

Yan Jinyao's face was also cold.

This was a heavy blow to him.

Qu Xie said with a bitter smile, “We didn't want to believe it, but the facts proved that Miss Yan is indeed the inheritor of that bloodline.”

“We relied on Miss Yan's bloodline to create several super experts! This is enough to prove everything.”

Yan Sihai gritted his teeth. His face was livid with anger.

Old Mister Yan had always favored Yan Ruoxue, which made Yan Sihai even more unwilling to see Yan Ruoxue's good side.

“What Bullsh * t Bloodline?” Yan Jinyao said coldly.

“Arrange that so-called super expert of yours to fight with me. I will prove to you that the so-called super expert is not worth mentioning.”

“As for the bloodline you are talking about, it is just an illusion.”

After saying this, Yan Jinyao turned around and left.

Qu Xie opened his mouth and said, “Mr. Yan, this...”

“This, what, do as my son says,” Yan Sihai snorted coldly.

Qu Qu smiled. “Yes, but if Young Master Yan is injured, I Hope Mr. Yan won’t mind.”

“Hehe, if my son is injured, that super expert of yours will definitely die.”

Yan sihai continued, “By the way, Yan Ruoxue is a member of the Yan family. Now that you have used the bloodline of the Yan family to create a super expert, shouldn’t the Yan family get some benefits as well?”

“Mr. Yan now knows that Yan Ruoxue is a member of the Yan Family?” At this moment, the assistant beside Qu Xie said with a faint smile.

Yan Sihai glanced at him coldly and said, “You have provoked me many times. I have been displeased with you for a long time.”

“Shut up!”

The assistant wanted to say something, but was interrupted by Qu Xie’s loud shout.

Then, Qu Xie said with a smile, “Mr. Yan, if Young Master Yan is willing, we can provide him with Yan Ruoxue’s bloodline.. We can even let him bathe in the bloodline and get the most complete bloodline power.”

My Rich Wife – Chapter 623 –

Chapter 623: Chapter 623, terrifying bloodline power

This was not a bad suggestion.

Although the JINGDU martial arts association had used Yan Ruoxue's bloodline power to create many experts.

In reality, the number of bloodlines they could inherit was less than 30% .

There were two reasons. One was that the amount of bloodlines given to them was very little.

The other was because the compatibility was not enough.

As Yan Ruoxue's younger brother, Yan Jinyao was naturally able to pass on the bloodline power to the maximum.

“Mr. Yan, what do you think?” Qu Xie asked with a smile.

Yan Sihai snorted and said, “Let's see what my son thinks.”

After saying that, Yan Sihai got up and left.

After he left, the assistant behind Qu Xie could not help but snort coldly. “President, why are you so polite to him? Yan Sihai doesn't give you any face at all!”

Qu Xie glanced at his assistant and shook his head. “You don't know the strength of the Yan family.”

“Strength? Strength my ass. I just can’t figure out what kind of strength the Yan family has!” His assistant said unwillingly.

“Even the bodyguards have to be found in the Jingdu Martial Arts Association. Where does he get his strength from?”

Qu Xie glanced at his assistant and snorted. “What era is this? Do you think you can solve everything just by being powerless?”

“It’s true that the Yan family is not very powerful in martial arts, but they are very powerful in politics, business, and even the military world

“Moreover, these forces are not just for show. They really have a very strong relationship with the Yan family!”

The assistant mumbled, “Why didn’t I see that Yan Sihai had such a great ability...”

Qu Xie sighed slowly. “There’s nothing we can do about it. Back then, Yan Yunheng conquered the country for him. Even if he enjoyed the fruits of his labor, no one was willing to provoke them.”

...

The battle between Yan Jinyao and the three disciples of the Jingdu Martial Arts Association was quickly arranged.

As the number one person of the younger generation, Yan Jinyao was naturally very popular.

And these three people were in the limelight recently. The battle between them quickly attracted countless people.

“Do we need to clear the area?” Before the battle, Yan Jinyao’s follower asked.

Hearing this, Yan Jinyao looked at him coldly and said coldly, “Do you think I will lose?”

The follower hurriedly said, “I . . . I definitely don’t have that intention.”

Yan Jinyao said coldly, “The more people you see, the better. I want them to know that the so-called bloodline is not worth mentioning at all!”

At this point, Yan Jinyao couldn’t help but clench his fists.

This big battle lasted for three whole days!

The final result was naturally Yan Jinyao’s victory. He defeated all three of them single-handedly!

Such a result naturally shook the entire martial arts world!

“As expected of the number one person! He won single-handedly against three people!”

“Compared to Kong Yun, Yan Jinyao’s strength seems to be much higher.”

After winning, Yan Jinyao turned around and walked off the stage.

However, his expression didn’t look too good.

“What Bullsh * t Bloodline? Compared to my son, it’s not even worth mentioning!” Yan Sihai excitedly ran up and said.

Yan Jinyao glanced at Yan Sihai, shook his head and said, “No, Dad. After this battle, I... I actually changed my opinion.”

“Huh?” Yan Sihai was stunned.

Yan Jinyao said in a deep voice, “Just the three of them. If they didn’t have the bloodline power, I could have suppressed them with a raise of my hand!”

“But because of the bloodline power, I won with great difficulty... how many benefits did the bloodline power bring them? It brought them to a height that they shouldn’t have reached!”

At this point, Yan Jinyao suddenly spat out a mouthful of blood!

It was very obvious that Yan Jinyao had won with great difficulty in this battle.

His calmness was all an Act!

“Son, are you okay?” Yan Sihai hurriedly held Yan Jinyao.

Yan Jinyao’s face was extremely pale. He waved his hand and said, “I’m fine... Dad, immediately arrange for me to enter the Jingdu Martial Arts Association. I must get this bloodline power!”

...

At this moment, Qin Yu and the handlebar mustache were preparing to leave the church of the massacre immortal.

“Let me tell you, the way I set up the array platform isn’t very good. Even if it’s a very short distance, it will still take a long time,” the handlebar mustache muttered.

Qin Yu rolled his eyes and said, “Enough, stop talking nonsense and quickly leave.”

The handlebar mustache didn't say anything more. He immediately opened the array platform and brought Qin Yu into it.

The two of them quickly entered the array platform and spread it out to the outside of the immortal slaying sect.

After an unknown amount of time, the two of them finally arrived at an extremely remote place on the island.

There was an array platform the size of a table, which was just enough to accommodate two people.

The moment the two of them appeared, the array platform collapsed with a loud bang.

“Damn, that was close!” The moustache man suddenly shivered when he saw this.

Qin Yu also asked with some lingering fear, “What will happen if this array platform breaks early?”

The mustached man whispered, “If this array platform breaks early, the two of us... will never be able to come out.”

This could not help but make Qin Yu feel a chill on his back!

If it were a little later, this array platform might really break here!

“Sigh, with my technique, in fact, it can only carry one person. Bringing you out is indeed a lot of pressure,” the mustached man muttered.

Qin Yu did not say anything. He carefully looked at the array platform in front of him.

There were small flags in each of the four directions of the array platform.

The flags looked tattered, but there were a few characters on them.

“What flag is this?” Qin Yu asked.

The Mustache Man kept the flags and said, “This is called the octagonal flag. If you want to set up this teleportation array platform, you must use the octagonal flag.”

Qin Yu nodded. He glanced at the moustache man and asked, “Where do you plan to go?”

“I don’t know. I’m going to find the next tomb,” the moustache man said.

Qin Yu didn’t say anything. He cupped his hands to the moustache man and said, “I owe you one. Let’s part ways here.”

“No Rush, no rush,” the moustache man said with a smile.

“I heard that there are inner cores at the bottom of the sea. Since we’re already here, it would be a pity not to take some.”

Qin Yu also wanted to follow the Mustache Man to fish up some Babe. It would be best if they didn’t part ways.

Thus, the two of them dived into the bottom of the sea again and swam down the island.

At this moment, there were seven or eight people gathered at the bottom of the island.

They were wearing white robes with the JINGDU martial arts association logo on them.

“Jingdu Martial Arts Association...”Qin Yu’s face instantly turned cold when he saw them.

“From today onwards, I will kill every single person from the Jingdu Martial Arts Association!”

After saying this, Qin Yu strode towards those people.

Chapter 624: Chapter 624, heading to Jingdu

There were still countless inner cores under the island. The JINGDU martial arts association would naturally not miss this opportunity.

They would send people to retrieve the inner cores almost every day and bring them back to the Jingdu Martial Arts Association.

“Then Qin Yu died here, right?”Someone pointed at the gate of the Church of the slaughter of Immortals.

“Yes, I heard that he was slapped back by Mr. Yan.”

“Serves him right. He has caused us a lot of trouble.”

Hearing their sarcasm, Qin Yu couldn’t help but sneer.

“Put down all the inner cores.”Qin Yu’s voice came from behind them.

Hearing this, they all hurriedly turned around.

Looking at the bearded young man in front of them, they couldn't help but sneer, "Who are you? Who told you to come here? How dare you talk to us like that?"

Qin Yu closed his eyes slightly and said coldly, "How many inner cores did you take? Hand them all over."

"Are you courting death?!" The few of them were obviously angered by Qin Yu.

They strode forward with surging internal Qi.

"You don't know death." Qin Yu opened his eyes slightly. In the next second, he waved his hand and directly smashed a person's head!

When they saw this, their expressions instantly changed greatly!

"You... who exactly are you!" Someone asked in surprise.

Qin Yu grinned and said, "I am Qin Yu. Unfortunately, I am not dead."

Hearing this name, everyone's faces instantly became extremely pale!

Someone even hurriedly said, "Mr. Qin, we are only following orders. Please spare our lives!"

Qin Yu shook his head and said, "I'm sorry. I don't want the Jingdu Martial Arts Association to know that I'm still alive for the time being, so... It's better for all of you to die!"

Before he finished speaking, Qin Yu took a step forward. The terrifying force directly crushed these people into meat paste!

After killing these people, Qin Yu took out all the inner cores on their bodies and put them into his pocket.

Then, Qin Yu and the handlebar mustache moved forward together and began to harvest the inner cores under the island.

Only after filling up the spatial god artifact did the two of them plan to leave.

Qin Yu took a hat from these people and put it on his head to avoid any unnecessary complications.

“Let’s go.” Qin Yu looked at the handlebar mustache.

The two of them returned to the island.

“Where do you plan to go next?” Qin Yu looked at the handlebar mustache and asked.

The handlebar mustache muttered, “I plan to go to Jingdu. It is said that there will be an auction in Jingdu.”

“Auction?” Qin Yu frowned and then asked, “What auction?”

The handlebar mustache explained, “The Jingdu Martial Arts Association will sell a batch of treasures every few years.”

“Although they say it’s a treasure, it’s actually an obsolete item of the Jingdu Martial Arts Association.”

“Since it’s an obsolete item, is there still a need to go?” Qin Yu asked, puzzled.

The moustache man widened his eyes and said, “Of course! If their obsolete items are in my hands, they might still be usable.”

“Moreover... There are people who pick up scraps from this auction every year.”

Qin Yu said in a deep voice, “When?”

The handlebar mustache fiddled with his fingers and calculated, then said, “About a week.”

Qin Yu was silent for a moment, then said, “I also plan to go to Jingdu. Then we’ll meet in Jingdu.”

It just so happened that Qin Yu also planned to go to Jingdu and secretly investigate the background of the Jingdu Martial Arts Association.

Qin Yu had never been particularly clear about the strength of the Jingdu Martial Arts Association.

In addition, Qin Yu’s identity was too sensitive, which resulted in Qin Yu not having the opportunity to investigate the Jingdu Martial Arts Association.

After parting with the handlebar mustache, Qin Yu planned to return to the Green Moon Villa for the time being.

After disappearing for four to five months, Qin Yu had no idea what had happened in the outside world.

After leaving here, Qin Yu rushed to this Cang City.

In the evening, Qin Yu arrived at the gate of the Green Moon Villa as he wished.

However, the first thing he saw was the plaque of the Saint Confucian school.

Seeing this scene, Qin Yu frowned slightly.

“Saint Deng?” Qin Yu murmured in a low voice, as if he had guessed something.

He didn't continue thinking and strode into the Green Moon Villa.

The Green Moon Villa was even more powerful than the Saint Confucian sect. It was said that there were nearly a thousand disciples!

At a glance, the grand scene was unprecedented.

Qin Yu pulled a random person and asked, “Where is sect leader Zhen?”

“What sect leader Zhen? You're new, right? There's only sect leader Deng here, not sect leader Zhen!”

Qin Yu frowned slightly.

Sure enough, this Saint Deng had changed sides.

Qin Yu didn't say anything more. He released his spiritual sense and quickly caught Zhen Yue's position.

Zhen Yue was now under house arrest in his own room. Although it could meet the daily supply and demand, there were very few places for activities.

Qin Yu's body flashed and he walked straight in.

As soon as he entered, he saw Zhen Yue sitting in front of the table, drunk and paralyzed.

Qin Yu frowned slightly. He walked to Zhen Yue's side and whispered, "Zhen Yue, wake up."

In a daze, Zhen Yue opened his eyes and saw Qin Yu in front of him. He waved his hand weakly and said, "F * ck, I'm Dreaming again."

After saying that, Zhen Yue fell asleep again.

Qin Yu didn't know whether to laugh or cry. He had no choice but to raise his palm and put it on Zhen Yue's forehead, using his qi/spiritual energy to forcefully save her.

A moment later, Zhen Yue woke up in a daze.

She rubbed her eyes and said in surprise, "Qin Yu, you..."

"Shh." Qin Yu hurriedly covered her mouth and said in a low voice, "Don't shout."

Zhen Yue nodded hard, and Qin Yu let go of her hand.

"Mr. Qin, you... You're not dead?" Zhen Yue was surprised and excited.

Qin Yu nodded and asked, "What's going on? How did this Green Moon Villa become a Saint Confucian sect?"

Zhen Yue opened her mouth and sighed.

She told Qin Yu everything that had happened.

Through their conversation, they learned that all the sects in the north were under the management of the Jingdu Martial Arts Association.

And the managers were the three experts they had trained.

“During the time you disappeared, many young masters in Jingdu had reached the middle stage of the Martial Marquis Realm, and the martial arts association had created a peak martial artist. You... you’d better be careful,” Zhen Yue said worriedly.

Qin Yu narrowed his eyes, not showing much shock.

“Zhen Yue, I’m afraid you’ll have to suffer for a while,” Qin Yu said to Zhen Yue.

Zhen Yue asked with some confusion, “What are you going to do?”

Qin Yu said coldly, “After I find out the background of the Jingdu Martial Arts Association, I’ll Take Back the Green Moon Villa.”

After saying this, Qin Yu directly left the Green Moon Villa and headed straight for Jingdu.

The night was dark.

Xia hang staggered back home.

As the vice-president, his main responsibility was to maintain good relations with the various aristocratic families, so he was drunk almost every day, and today was no exception.

Xia hang returned home. As soon as he opened the door, he saw a young man sitting on the sofa, looking at him coldly.

Seeing the young man in front of him, Xia hang instantly sobered up.

Chapter 625: Chapter 625, the strength of the Jingdu Martial Arts Association

“Qin... Qin Yu!” Seeing Qin Yu’s figure, Xia Hang’s expression suddenly became extremely ugly!

Qin Yu raised his finger, and the door at the door was directly closed.

“You actually didn’t die!” Xia hang shouted.

Qin Yu sneered, “Not only did I not die, I am now very well.”

Xia hang narrowed his eyes and said, “Hehe, I was lucky to get a dog’s life back. Why didn’t you find a place to hide for your whole life? How dare you run to Jingdu! Are you courting death!”

Qin Yu slowly stood up and said, “Do you think that the probability of either of US dying is higher now?”

Xia hang was stunned and then shouted, “Arrogant! Do you really think that you are my opponent!”

The current Xia hang had already stepped into the realm of martial marquis, and it was time for his confidence to explode.

Facing Qin Yu, not only did he not have the slightest fear, he even walked forward with big steps. The fist in his hand danced with the wind, directly approaching Qin Yu’s face!

His fist was incomparably fierce, and almost all the inner strength in his body exploded on his fist!

However, Qin Yu raised his hand and casually pinched his fist.

“What, you think you’re invincible after stepping into the Martial Marquis Realm?” Qin Yu said coldly.

As he spoke, Qin Yu exerted force on Xia Hang’s fist. Xia hang’s fist was immediately squeezed until it made a cracking sound!

The intense pain made Xia hang wish he was dead!

Then, Qin Yu kicked Xia hang’s lower abdomen. Xia hang’s body was directly pushed back, and a mouthful of blood was spat out from his mouth!

Xia hang wiped the blood from his mouth. He gritted his teeth and said, “Qin Yu, don’t be arrogant. The Jingdu Martial Arts Association will not let you off. Tomorrow, I will definitely ask the peak of the Martial Marquis realm to directly suppress you!”

“Do you think I will give you this chance?” Qin Yu said coldly.

Xia hang secretly felt that things were not good, and he started to run.

“Dad...” at this time, a little girl’s voice came from the room.

Xia Hang’s face instantly turned extremely pale!

“Daughter... Daughter!” Xia hang turned around in fear. He took three steps and two steps, and in the blink of an eye, he arrived beside the little girl.

“This is your daughter, she is quite cute.” Qin Yu said with a smile that was not a smile.

Xia hang's body tightened and he said in fear, "Qin Yu, what are you trying to do! This matter has nothing to do with my daughter. If you touch a finger of my daughter, I will definitely not let you off!"

Qin Yu sneered, "Don't worry. As long as you answer a few questions of mine, I promise I won't touch your daughter."

"You! You're despicable!" Xia hang roared angrily.

Qin Yu said coldly, "If you don't want to be beaten in front of your daughter, you'd better answer my questions honestly."

Xia hang was panicking in his heart. His wife was just an ordinary person, she couldn't withstand Xia hang's inner strength at all.

Therefore, Xia Hang's wife passed away after giving birth to his daughter.

To Xia Hang, his daughter was everything to him.

He gritted his teeth and then looked at the little girl. He tried his best to remain calm as he said, "Daughter, go back to your room first. Daddy and uncle will have a few words, okay?"

The little girl nodded and said, "Daddy, then you should rest early."

After saying that, she turned around and went back to her room.

"Your daughter is so obedient." Qin Yu smiled.

Xia hang looked at Qin Yu coldly and said, "What do you want to ask?"

"Tell me everything you know about the Jingdu Martial Arts Association," Qin Yu said coldly.

“If you dare to lie, I can’t guarantee what I will do.”

Xia Hang’s expression turned cold, and then he sneered, “Qin Yu, I don’t believe that you would lay your hands on a child!”

Hearing this, Qin Yu’s heart was instantly filled with anger!

He stood up angrily and grabbed Xia hang’s neck, gritting his teeth, he said, “How could I not want to be a good person with a good heart! But Your Jingdu martial arts association has kidnapped my woman and tried every means to put me to death, making it difficult for me to even survive!”

“If it weren’t for you bunch of animals, who would be willing to be a murderous devil!”

“Don’t You F * cking stand on the moral high ground and criticize me!”

As he spoke, the strength in Qin Yu’s hand became stronger and stronger, almost suffocating Xia hang.

Qin Yu stared at Xia Hang and finally let go of him.

“Speak, tell me everything you know. If you dare to lie, I will kill you,”Qin Yu said coldly.

After feeling the murderous aura from Qin Yu, Xia hang was completely afraid.

He did not doubt that Qin Yu could really do something crazy!

Hence, Xia hang poured a glass of water and slowly told him everything he knew.

After Xia Hang's narration, Qin Yu learned that the president of the Jingdu Martial Arts Association was not the top manager.

Behind them were eight higher-ups. As for the identity of these eight higher-ups, Xia hang did not know either.

"Everything we do is conveyed by the higher-ups. We will carry it out,"Xia Hang said.

Qin Yu said coldly, "These so-called higher-ups, what exactly are their strengths and identities?"

Xia hang shook his head and said, "I don't know either. In short... their strength is far above ours."

Speaking up to this point, Qin Yu looked at Xia hang and said, "Let me ask you, currently, does the JINGDU martial arts association have the existence of a martial saint?"

A martial saint was an existence that could not be provoked.

Once they met, they would most likely die in a single exchange.

Xia hang was silent for a moment and said, "I'm not sure either, but if the Jingdu martial arts association wants to find a martial saint, it won't be difficult."

This could not help but make Qin Yu's expression turn a little ugly.

He did not expect that the JINGDU martial arts association actually had a martial saint.

“Apart from that, we also have a large number of martial saint weapons,” Xia hang continued.

“Back then, the higher-ups gave the order to kill you. If Yan Guiyi fails, we will use our martial marquis weapons to kill you directly to prevent future trouble.”

Qin Yu nodded.

Just as Qin Yu thought, his actions had already touched the bottom line of the Jingdu Martial Arts Association.

Apart from that, Xia hang also told Qin Yu the general division of strength and level of the Jingdu Martial Arts Association.

For example, those wearing white robes were the most ordinary members, and above that were Xia hang and the others. As for those who were a level higher, they were people like Yan Guiyi who wore black and gold robes.

All those who wore black and gold robes were the best among the martial marquises, and their strength was outstanding.

Above the black and gold robes were the purple robes. They were the most powerful combat strength of the Jingdu Martial Arts Association.

“Oh right, I heard that three geniuses have appeared in your Jingdu Martial Arts Association. They are said to be the newly created super experts. What exactly is going on? What methods did they use?” Qin Yu looked at Xia Hang.

When this topic was brought up, Xia Hang’s expression instantly became extremely ugly.

He stuttered for a long time, but didn't say a single word.

"Xia Hang, you'd better not play tricks on me." Qin Yu's fingers flickered with a sharp light as he said coldly.

Xia hang gritted his teeth and said, "I can tell you, but you must promise not to vent your anger on me and my daughter."

Chapter 626: Chapter 626, kill them!

Hearing this, Qin Yu immediately felt that something was wrong.

He said anxiously, "Hurry up and say it. I promise I won't vent my anger on your daughter."

Xia hang was silent for a moment, and then slowly said, "The super experts of the Jingdu Martial Arts Association... were all forged with Miss Yan's blood. This is also the reason why we took Miss Yan Away..."

"What? !" Hearing this, Qin Yu stood up angrily.

He glared at Xia hang and said through gritted teeth, "Explain clearly to me!"

Xia hang knew that Qin Yu would definitely be furious, so he did not look too surprised.

He lit a cigarette and then said, "It is said that Miss Yan's bloodline is not simple. People with such a bloodline will have strength beyond imagination."

“Every day, we will extract blood from Miss Yan’s body to supply the talented members of the Association.”

“Those three people are our test subjects.”

Hearing this, anger could not help but come out from his chest.

His veins bulged and his eyebrows stood up. The murderous aura from his body filled the entire room. Even Xia Hang felt a chill.

“Jingdu Martial Arts Association...”Qin Yu only felt a stabbing pain in his chest. His Qi and blood were swimming up and down, and he almost fainted.

“You actually used Ruoxue’s blood to nurture others... you bunch of animals!”

Xia hang fiercely took a puff of his cigarette and said, “Don’t worry, Miss Yan’s life will not be safe. We have always been feeding him with top-notch herbs. There’s no need to be angry.”

“No need to be angry?”Qin Yu’s eyes were bloodshot.

“If I were to hang your daughter up, draw her blood every day, and give her the best panacea, would you be willing!”

Xia hang’s face turned pale. He said in a slightly panicked tone, “Qin Yu, you... Don’t be rash.”

Qin Yu suppressed the anger in his heart and tried his best to calm himself down.

He never thought that these so-called super powerhouses would actually suck Yan Ruoxue’s blood to create their own benefits!

“You guys... are really a bunch of vampires.”Qin Yu panted heavily.

Xia hang kept silent. He knew that this matter would definitely make Qin Yu furious, but he had no other way.

Qin Yu sat there and did not speak for a long time.

He took Xia hang’s cigarette and took a deep breath.

“Where are the three so-called super powerhouses?”Qin Yu asked coldly.

Xia hang was stunned and asked in confusion, “What do you want to Do?”

“I want to kill them,”Qin Yu said coldly.

“Xia Hang, I’m not afraid to tell you that from today onwards, as long as your Jingdu Martial Arts Association produces a super expert, I will kill one!”

“I will not spare a single person who used Yan Ruoxue’s blood! Until you give up.”

This news made Xia hang secretly happy.

As the vice president of the Martial Arts Association, he naturally knew how powerful those three super experts were.

If Qin Yu went to look for them, wouldn’t that be courting death?

Therefore, Xia hang did not even think and directly said, “They will basically go to Dingsheng Bar to drink at night. You might be able to try your luck.”

Qin Yu glanced at Xia hang and said, “You’d better not lie to me, or else... you’ll have to bear the consequences.”

Xia hang spread his hands and said, “I swear to God, I’m not lying to you.”

Qin Yu didn’t say anything more. He got up and was about to leave.

After taking two steps, Qin Yu suddenly turned around and walked toward Xia hang’s daughter’s room.

“What... What are you doing!” Xia hang was shocked and hurriedly chased after her.

Qin Yu sat beside the little girl and said with a smile, “Little sister, this is the latest candy bean. Do you want to try it? It’s very sweet.”

The little girl did not know the relationship between Qin Yu and Xia Hang. She sniffed the pill and was quickly captivated by the smell of the pill.

“Qin Yu, what are you trying to do!” Xia hang reached out to snatch the pill but was grabbed by Qin Yu’s wrist.

“Don’t worry, this is a pill I made myself. As long as you cooperate with me, not only will this pill not harm your daughter, it will bring her benefits instead,” Qin Yu said coldly.

“Of course, if you dare to spread this news, this pill will immediately become a deadly poison!”

Xia hang's expression was extremely unsightly. He clenched his fists tightly and said coldly, "You better guarantee that this pill won't harm my daughter, otherwise... I will kill you even if I have to risk my life!"

"I don't have to touch your daughter," Qin Yu stood up and said.

He walked to the door and stopped. He said in a deep voice, "I don't want anyone to know that I'm still alive for the time being, so... you know what to do."

After saying this, Qin Yu left directly.

Looking at Qin Yu's departing figure, Xia Hang's expression was ferocious, but he was helpless.

...

In the dark night, a man dressed in a black robe was walking in a hurry.

This person was none other than Qin Yu.

He came all the way to Dingsheng bar and casually found a seat to sit down.

Dingsheng bar was extremely famous in Jingdu. It was said that most of the people who came here to play were rich young masters or popular celebrities.

Their clothes were luxurious, and Qin Yu's black robe seemed to be out of place.

Under the black robe, Qin Yu's expression was extremely cold.

Even though he covered up the murderous aura on his body, he could still feel a trace of coldness.

“Damn it...”

Xia Hang’s words rang in Qin Yu’s mind all the time.

He wished that he could immediately rush to the Jingdu Martial Arts Association and save them.

However, the current Qin Yu was no longer that rash and impulsive person. He knew very well that if he went to the martial arts association now, not only would he not be able to save them, he would even lose his life in vain.

After sitting down, Qin Yu released his spiritual sense.

Very soon, he caught the figures of several martial artists.

“Eh? There’s actually a martial marquis?” Qin Yu raised his eyebrows and could not help but glance at a place not far away.

He saw a woman sitting not far away. When Qin Yu looked at her, her eyes also happened to look at Qin Yu.

“Why is there a martial marquis in this small bar?” Qin Yu frowned.

One had to know that there were not many marquises in this world. It was rare to see one on a normal day.

Just as Qin Yu was thinking, this woman actually walked towards Qin Yu.

“Friend, have a drink?” The woman handed Qin Yu a glass of wine.

Qin Yu did not say anything and ignored this woman.

The woman continued, “As a marquis, you wrapped yourself so tightly. You must be here to kill someone.”

Qin Yu’s face turned cold and he said coldly, “It has nothing to do with you. I advise you to mind your own business.”

The woman ignored him and continued, “There are not many people in this world who can make things difficult for Marquis Wu. You killed someone, yet you wrapped yourself up so tightly. The person you want to kill must not be simple.”

Qin Yu’s face gradually turned cold.. He took a sip of wine and said coldly, “People who are too smart will easily get themselves killed.”

Chapter 627: Chapter 627, fighting against three people!

Hearing Qin Yu’s words, the woman was not angry.

She smiled and said, “I might be able to help you.”

Qin Yu said coldly, “I don’t need it. Besides, you can’t help me with anything.”

Seeing this, the woman took out a business card from her bag and placed it in front of Qin Yu.

“If you need it, you can contact me,”the woman said.

After putting down the business card, she stood up and left.

Qin Yu picked up the business card and took a look. He found that the woman's name was Su Qian.

Besides her name, there was nothing else.

“Inexplicable.” Qin Yu's hand burst into flames and directly burned the business card into ashes.

For the current Qin Yu, he would not easily trust others, let alone a stranger.

The sky was getting darker and darker. Many rich young masters had come to this bar and started their nightlife.

Qin Yu silently drank his wine and quietly waited for the other party to appear.

As time passed, the bar became more and more noisy.

From time to time, one could see people arguing, playing, and even indecent acts.

And here, Qin Yu also saw how ridiculous the private lives of these rich people were.

Soon, it was nine o'clock in the evening.

At this time, three people walked in from the door.

As soon as they entered the door, they attracted countless gazes.

These rich young masters rushed over to greet them.

Qin Yu narrowed his eyes, and a trace of coldness flashed across his face.

These three people were all in the Martial Marquis realm. Although they had restrained their internal Qi, it was still unable to conceal their extraordinary strength.

“It’s the three of them,”Qin Yu said coldly.

He was not in a hurry to make a move. Instead, he quietly observed in the dark.

A group of people surrounded the three of them and constantly flattered them. There were also people who wanted to acknowledge them as their teachers.

After their conversation, Qin Yu learned that the three people’s names were respectively: Guan Shan, Guan Shui, and Guan Hai.

Their names were very simple. It was said that they were given the title by the Jingdu Martial Arts Association.

They were not old, at most in their early thirties.

Although their talent was good, without the power of their bloodline, they would definitely not be able to compete with the young masters of Jingdu.

“Brother Shan, Brother Kong has a very high evaluation of the three of you.”

“Yes, there are not many people in Jingdu who are your opponents right now, right?”

The eldest brother of the three, Guan Shan, smiled faintly and said, “Mm, other than those at the peak, we shouldn’t be afraid of anyone in the younger generation.”

“Brother Shan, tell us the news. How did the JINGDU martial arts association create such a Super Expert?” Someone asked.

Guan Shan did not hide anything. He smiled and said, “These are the resources of the Association! and the Jingdu Martial Arts Association will openly recruit young people. As long as they have enough talent, they will have a chance!”

Hearing this, Qin Yu could not help but clench his fists!

A murderous aura pressed straight towards the three people!

These bastards actually treated Yan Ruoxue as their resource! How Could Qin Yu endure this!

A burst of murderous aura immediately attracted the attention of the three people.

The three people exchanged a glance, and then walked towards Qin Yu.

They sat beside Qin Yu and coldly said, “You seem to be very hostile towards us.”

Qin Yu forcefully suppressed the anger in his heart and coldly said, “So what if I am? So what if I am not?”

“Oh? What Big Words,” Guan Shan narrowed his eyes and said.

Qin Yu drank a mouthful of wine and coldly said, “The people of the Jingdu Martial Arts Association are all trash. Every single one of them is good.”

As soon as he said this, everyone couldn't help but suck in a breath of cold air!

Who was this person? He actually dared to insult the Jingdu Martial Arts Association in public? Was he crazy?

The expressions of the three people instantly turned cold.

“Kid, do you know what you're talking about?”Guan Hai said.

Qin Yu coldly said, “What, did I step on your tails? You're just trash who forcefully stole someone else's talent.”

“Are you courting death? !”Guan Shan was furious. He immediately raised his hand and pressed it on Qin Yu's shoulder!

Qin Yu's body suddenly shook, and a terrifying qi force instantly erupted!

Qin Yu, who had stepped into the fourth rank Martial Marquis Realm, was several times stronger than before. These three people were actually directly pushed back!

“You have some ability,”Guan Shan said coldly.

“Who exactly are you? Tell me the truth!”Guan Shui said furiously.

Qin Yu coldly swept his gaze over the three of them, releasing an icy internal Qi from his body.

In the next second, Qin Yu's palm shook, and a scarlet longsword fell into Qin Yu's hand!

"The person who killed you," Qin Yu said coldly.

Before he could finish his words, Qin Yu took the lead and stepped forward, slashing out with his sword in the air!

The terrifying sword light instantly lit up the dim bar!

"You don't know life from Death!" Guan Shan shouted loudly. His hands shook and he clenched his fists to meet the attack head-on!

"Chi la!"

The sword light directly cut through his body, leaving a bloody scar of dozens of centimeters on Guan Shan's body. His body was directly pushed back!

Qin Yu held a scarlet long sword in his hand. His black robe added a bit of mysterious color to him.

Guan Shan frowned slightly. At this moment, he realized that the black-robed man in front of him was not simple!

"Marquis Wu? There aren't many Marquis Wu in Jingdu. Who exactly are you?!" Guan Shan said coldly.

Qin Yu did not say a word. He responded with another sword!

"Boom!"

This sword was extremely fast. The entire bar was swept flat!

Those who could not dodge in time were cut into two pieces in the air!

The people in the entire bar were instantly flustered. They turned around and ran, afraid that they would be affected!

Guan Shan roared loudly. Then, his hands condensed a ray of light and charged forward with a bang!

“Chi la!”

Qin Yu’s bronze sword actually directly shattered this ray of light! Then, the blade of the sword charged straight towards the three people!

“You’re courting death!”

The three people were instantly enraged and immediately activated their spells!

Countless resplendent rays of light approached Qin Yu, but Qin Yu was completely unafraid. He withstood the spells and slashed out with his sword!

The spells of the three of them landed on Qin Yu’s body, and Qin Yu’s bronze sword directly chopped off Guan Shan’s head!

“Hiss...”

The remaining two couldn’t help but suck in a breath of cold air!

Guan Shan died just like that? The super expert of the JINGDU martial arts association had his head chopped off with a single sword?

Qin Yu shook the bronze sword and said coldly, “Next is the two of you.”

His spiritual power surged into the bronze sword.

This bronze sword was made of the fragments of countless almighty weapons, and its power was far beyond imagination!

Even the gate of the Church of the slaughter of Immortals had been cut off, let alone these three martial marquises!

Qin Yu knew that it was not good to stay here for long, or else he would definitely attract the people of the Jingdu Martial Arts Association!

Therefore, Qin Yu directly pulled out his sword and lifted it up to perform the Tai Qing nine slashes!

In an instant, a sword ray that was several feet long seemed to come from the horizon.

Qin Yu held his sword with both hands and ruthlessly slashed down!

Chapter 628: Chapter 628, one sword slash!

The sword light seemed to come from the sky. Looking from the outside, it lit up the entire sky.

A strong sense of oppression made people fearful!

And the two remaining brothers of the Butler were also frightened!

That strong sense of danger made them extremely frightened!

The two knew that the black-robed man in front of them was not simple. They immediately used their trump cards and prepared to take this sword!

“Swoosh!”

The first strike of the Tai Qing nine slashes was almost in front of the two of them in an instant!

“Ah! !”

They shouted loudly, and the light in their hands turned into a solid barrier!

“Hiss!”

However, the strengthened bronze sword was too powerful!

Coupled with this heaven rank spell, it was invincible and easily cut open the barrier formed by their inner strength!

The sword light passed through the two of them and landed a heavy blow.

“Boom!”

The entire bar was split into two halves!

The sword light passed through the two of them and broke through all their defenses!

Two deep sword scars landed on their bodies.

Their surroundings turned into ruins.

Guan Shui and Guan Hai collapsed on the ground, their eyes filled with fear.

Their bodies were almost shattered, and huge bloody wounds were bleeding profusely!

“How... how is this possible!”

They did not seem to want to believe this scene!

It was not easy for them to become the focus of the world, but they were about to face death in the blink of an eye!

Qin Yu dragged the long sword and walked towards the two of them step by step.

The surroundings were filled with broken walls and no one could be seen.

Qin Yu looked down at the two of them and said coldly, “There are some things that no one can touch. Otherwise... only death awaits.”

“Who... Who Are You!”Guan Hai shouted with all his strength.

Qin Yu looked at the two of them coldly. A moment later, he took off his black robe and revealed his real face.

“Qin Yu.”Qin Yu spat out two words.

Upon hearing this name, the two of them narrowed their eyes and spat out a mouthful of blood!

“You... you are Qin Yu...”

This made them even more desperate!

If the person who attacked was an old martial marquis, they would still be able to accept it.

But as members of the younger generation, he easily took their lives. How could they tolerate this!

“Qin Yu, you...”

They opened their mouths as if they wanted to say something, but Qin Yu did not give them a chance. He swung his sword.

“Buzz!”

The sword sliced through the necks of the two people and took their lives.

After drinking the blood, the bronze sword seemed to have become excited. It trembled endlessly in Qin Yu’s hand.

Looking at the two corpses in front of him, Qin Yu did not do anything.

He wanted to use this to warn the JINGDU martial arts association!

Qin Yu put on his black robe, turned around, and disappeared into the night.

...

The next day.

The entire martial arts circle exploded!

“The three super experts created by the JINGDU martial arts association were actually killed!”

“It’s said that the murderer was a person wearing a black robe and holding a long sword! He only used one sword to cut Guan Shan!”

“When did such an expert appear in Jingdu?”

“It must have been some reclusive expert who did not like them, so he killed them in secret!”

“It could also have been revenge from the aristocratic families.”

Countless comments surged up, but no one thought that the person who attacked would be a young man.

After all, these three people had consecutively challenged more than ten young masters in Jingdu. Other than Yan Jinyao and Kong Yun, they had not suffered a single defeat!

Jingdu Martial Arts Association.

The Three Corpses were placed in front of Qu Xie.

Qu Xie’s expression was extremely cold, and his face was filled with anger.

“Who did this? !” Qu Xie slapped the table and stood up. The table was instantly smashed into powder.

“President Qu, the person who attacked must be extraordinary. Judging from Guan Shan’s wounds, the murderer only used one sword strike to kill Guan Shan,” said the assistant at the side.

Qu Xie gritted his teeth and said coldly, “He killed Guan Shan with one sword attack. Who on Earth has the ability to do that?”

“It must be a hidden expert or an expert hired by an aristocratic family.”

Everyone was discussing animatedly. Only Xia hang remained silent.

At this moment, Xia Hang's heart was filled with shock!

He knew that Qin Yu's strength was not ordinary, but he did not expect that he could kill Guan Shan with only one sword attack!

Not only that, he had even fought against three so-called super experts by himself!

"No matter what, you have to find this person for me!" Qu Xie gnashed his teeth and said.

"President Qu, we will do our best to investigate."

At this moment, Yan Sihai walked in with Yan Jinyao.

As soon as they entered, they saw a few corpses on the ground.

Yan Jinyao frowned. Obviously, he didn't know.

"Who did this?" Yan Jinyao asked.

Qu Xie said in a deep voice, "A man in a black robe with a long sword in his hand."

"You mean... they died at the hands of the same person?" Yan Jinyao didn't look good.

"Not only that, but the murderer only used one sword," said the assistant next to him.

This shocked Yan Jinyao greatly!

He had fought with these three people before, and it had taken him a lot of effort to win!

This was enough to show that the black-robed man's strength was far above his!

But soon, Yan Jinyao thought it through.

"The one who attacked must be a top-notch old martial marquis," said Yan Jinyao.

Qu xie nodded and said, "We think so too. No young man can do this."

"Even young master Yan can't do it, right?" The assistant asked.

Hearing this, Yan sihai immediately cursed, "Bullsh * T! My son can kill them with just a raise of his hand!"

"I don't think so," the assistant snorted.

Yan Sihai was about to say something when Yan Jinyao shook his head and said, "I really can't do it. If I fight these three people at the same time, I'm afraid I'll die."

"So, I can be sure that the one who attacked must be a veteran top-notch martial marquis."

Hearing this, Xia hang could not help but be greatly shocked!

Yan Jinyao was the number one person in the younger generation!

In this way, Qin Yu's strength was probably far above Yan Jinyao's!

"Really... really terrifying!" Xia hang was extremely terrified in his heart!

At this moment, he began to regret going against Qin Yu!

“I can either tell the Jingdu martial arts association about this and have them send out their strongest forces to kill Qin Yu, or... I can never make an enemy out of Qin Yu!” Xia hang roared crazily in his heart!

He struggled for a long time, but in the end, he let out a long breath.

“Forget it, I’d better not get involved in this mess.” Xia hang finally shook his head. After all, his daughter’s life was in Qin Yu’s hands.

“President Qu, I just received news that someone suspects that the black-robed man is Qin Yu.”

At this moment, a person walked in with a document.

Chapter 629: Chapter 629, the mysterious black-robed man

As soon as he said that, everyone turned to look at him!

“Qin Yu? !” Xie Qu was stunned, then he couldn’t help but burst into laughter.

Soon, everyone in the office couldn’t help but sneer.

“Putting aside the fact that Qin Yu is dead, even if he isn’t dead, do you think he can do it with his ability?” Xie Qu sneered.

Yan jinyao snorted and said, “Even I can’t do it, let alone Qin Yu.”

Everyone sneered at this guess. No one took it seriously.

Although Qin Yu was talented, he was not that strong.

Moreover, in their eyes, Qin Yu had long become a dead man.

“Fortunately, we have a new inheritor,” said Qu Xie with a smile.

“A new inheritor?” Yan Jinyao frowned.

Qu xie nodded and said, “Yes. To tell you the truth, the three brothers didn’t have more than 10% inheritance, but this time, their compatibility is very high, as high as 40% !”

Yan Jinyao’s face changed slightly.

40% ? The three brothers from before had made Yan Jinyao feel pressured.

Wouldn’t this 40% inheritor be even stronger ?

“You guys aren’t outsiders, so I’m not afraid to tell you,” Qu Xie continued.

“The higher-ups’ opinion is to select talents from all over the country and choose the one with the highest compatibility.”

“If the compatibility can reach 80% , then his strength will be unimaginable.”

This made Yan Jinyao feel a little uneasy. He looked at Qu Xie and said coldly, “President Qu, please arrange a blood bath for me immediately. The sooner the better.”

Qu Xie seemed to have guessed it, so he wasn’t surprised.

“Don’t worry. We have already prepared it for you. Come here and wait for me tomorrow morning,” said Qu Xie.

Yan Jinyao nodded. He didn’t say anything and turned around to leave.

...

In a house in the suburbs of Jingdu.

Qin Yu took off his black robe and changed into a clean set of clothes.

“I don’t think anyone can guess my identity,” Qin Yu thought to himself.

He deliberately chose the bronze sword instead of using his fist.

This way, no one would suspect him.

This bronze sword... is stronger than I imagined, Qin Yu thought to himself.

Just one sword had cut down Guan Shan, even Qin Yu himself did not expect it.

But Qin Yu knew very well that his identity would be exposed sooner or later.

Therefore, Qin Yu wanted to take advantage of this period of time to cultivate as soon as possible and at the same time thoroughly understand the JINGDU martial arts association.

In the evening, the news that the JINGDU martial arts association was preparing to recruit people from all over the country spread.

At the same time, they also announced in a high-profile manner that an even stronger person had appeared in the Jingdu Martial Arts Association. His strength was above that of the three Butler Brothers!

After seeing this news, Qin Yu’s expression became incomparably cold!

Recruiting people from all over the country? How much blood would it take?!

One had to know that this blood all came from Yan Ruoxue!

The more blood she absorbed, the more suffering Yan Ruoxue would have to endure!

Qin Yu clenched his teeth, almost breaking them!

After a long time, Qin Yu finally loosened his tightly clenched fist.

That night.

Qin Yu came to Xia Hang's home again.

Seeing Qin Yu sitting on the sofa, Xia Hang's expression was extremely ugly.

He said with a cold face, "Qin Yu, why are you here again!"

Qin Yu picked up a cigarette from the table and lit it, then slowly said, "I will come often in the future."

This made the veins on Xia Hang's forehead bulge. He berated, "Qin Yu! You killed the three Butler Brothers. You have already attracted attention! You are implicating me, do you understand!"

Qin Yu sneered, "Xia Hang, do you have any other choice now? If the Jingdu Martial Arts Association finds out that you told me your location, do you think they will spare you?"

Xia Hang opened his mouth, and his expression did not look too good.

“When I overthrow the Jingdu Martial Arts Association, I will give you a credit.” Qin Yu blew out a smoke ring.

Xia hang could not help but sneer, “It’s already good enough that you can save Yan Ruoxue, but you still want to overthrow the Jingdu Martial Arts Association?”

Qin Yu glanced at Xia hang coldly and said, “Not only do I want to overthrow the Jingdu martial arts association, I also want to kill all the higher-ups behind it.”

Xia hang seemed unwilling to argue with Qin Yu. He said coldly, “Why are you looking for me? Just say it.”

“The Jingdu martial arts association has nurtured a few blood heirs, right?” Qin Yu played with the lighter and said coldly.

Xia hang said coldly, “Qin Yu, stop, or else...”

“Cut the crap!” Qin Yu interrupted Xia Hang.

Xia hang gritted his teeth and said coldly, “I can tell you, but this is the last time.”

“You have no choice.” Qin Yu had no intention of negotiating.

Xia hang had no choice. He could only write down an address on the paper.

Qin Yu took the address and glanced at it. He sneered, “Looks like there are quite a number of people.”

Xia hang snorted, “You can leave.”

“No, I still have one more thing.”Qin Yu shook his head.

“What else do you want to do!”Xia hang said with some anger.

Qin Yu said coldly, “I want to enter the Jingdu Martial Arts Association, you think of a way to bring me in.”

“Don’t even think about it!”Hearing this, Xia Hang was instantly furious!

“Qin Yu, are you crazy! ! Do you think I’m Omnipotent! ! Entering the Jingdu Martial Arts Association requires a series of selections and a thorough investigation of one’s identity! If you dare to enter the Jingdu Martial Arts Association, you will definitely be exposed, and I will also be implicated by you!”

Xia hang almost roared out these words.

A trace of a playful smile hung on Qin Yu’s face, and then he said faintly, “Alright, it’s fine if you don’t go in. I heard that your Jingdu martial arts association is going to openly recruit people, right?”

Xia hang frowned slightly. He thought for a while and nodded. “En, the Jingdu martial arts association is going to recruit geniuses and use Yan Ruoxue’s blood to activate the bloodline.”

“I want to go in.”Qin Yu’s expectations were beyond doubt.

Xia hang frowned and said, “But... there are quotas, and my quotas have already been distributed.”

“Then you have to come back!”Qin Yu said coldly.

“Xia Hang, you’d better cut the crap. I don’t have that much patience.”

Xia hang gritted his teeth and said, "I'll think of a way."

Qin Yu didn't say anything more, got up and left.

Looking at Qin Yu's departing figure, Xia Hang's uneasiness grew stronger.

"If this continues, I'll definitely be implicated by him." Xia hang took a deep breath.

"I have to think of a way. I Can't be held back by him anymore." A trace of coldness flashed in Xia Hang's eyes.

...

The next day.

A piece of news was sent out again.

The six super experts recommended by the Jingdu Martial Arts Association were all killed!

And the murderer was still that black-robed man!

What was even more shocking was that the corpses of these six people were all hung on the main door of the Jingdu Martial Arts Association!

Chapter 630: Chapter 630, the agonized Yan Ruoxue

Looking at the corpses at the door, Qu Xie's face turned ashen, and blue veins bulged on his forehead.

"Move the corpses in!" Qu Xie shouted angrily.

The few of them hurried to bring the corpses back.

In the monitoring room.

Qu Xie looked at the black-robed man on the screen, and his face turned even uglier.

“Not many people can do this, but... who is this person? !” Qu Xie was furious.

Xia hang opened his mouth as if he had something to say.

“President Qu, this person’s goal is obviously to get the bloodline power,” Xia Hang said in a deep voice.

“So... this person might be related to Yan Ruoxue.”

Xia hang racked his brain, trying to hint at Qu Xie.

After Qu Xie heard this, he couldn’t help but say coldly, “Could it be... the person that Yan Yongxiu found?”

Hearing this, Xia hang immediately felt a headache.

“Impossible, Yan Yongxiu has no real power now. As long as he has real power, he would never let us do anything to his daughter,” Xia Hang said in a deep voice.

“President Qu, I suggest throwing out the bait and ambushing him secretly,” the assistant next to him said at this time.

Qu Xie was silent for a moment, then nodded and said, “That makes sense, but... it’s not that easy to create another bloodline inheritor.”

After all, Yan Ruoxue's blood was limited, and the accumulation of this period of time had to be handed over to Yan Jinyao.

"We can find anyone and say that he has the bloodline. As long as we don't say it, who knows if it's true or false," the assistant said with a smile.

However, this suggestion was quickly denied by Xia Hang.

"I suggest that we wait for a while more. That black-robed person is not a fool," Xia Hang said.

"How can that black-robed person believe that he has introduced a new successor in such a short time?"

Xia Hang's words were approved by Qu Xie.

He nodded slightly and said, "Alright, we'll do as you say."

Xia hang heaved a sigh of relief.

As long as Qin Yu died, his daughter would be saved, and he would be free.

...

The black-robed man's actions immediately caused a huge uproar.

The Jingdu martial arts association had carefully selected geniuses, but they were all killed by the same person one after another. How could this news not be shocking!

For a moment, almost everyone was guessing the black-robed man's identity.

“Even Qin Yu back then couldn’t have achieved the strength of this black-robed man.”

“Qin Yu is far inferior to him. This black-robed man is definitely a veteran martial marquis!”

“En, there aren’t many people in the world who can kill someone at the intermediate stage of the Martial Marquis realm so easily.”

“He might be at the peak of the Martial Marquis Realm.”

With the rise of the black-robed man, the reputation of the Jingdu martial arts association was completely lost.

If the JINGDU martial arts association still couldn’t catch him, their reputation would probably be completely ruined.

In a certain room of the Jingdu Martial Arts Association.

This room was on the 60th floor and could be said to be looking down from above.

And in the room, there was a huge bathtub!

What was shocking was that what was in the bathroom wasn’t water, but bright red blood, filled with a bathtub full of blood!

And this blood all came from Yan Ruoxue!

God knows how much suffering Yan Ruoxue had suffered!

“Young Master Yan, this is Yan Ruoxue’s blood,” Qu Xie pointed at the bathtub and said.

Yan Jinyao couldn't help but frown. He stared at the bathtub full of blood and said in a deep voice, "Is this blood really so useful?"

"Yes," Qu Xie said with a faint smile.

Seeing this, Yan Jinyao didn't say anything more.

He slowly took off his clothes and walked to the side of the Bath. Then, he slowly immersed his entire body into it.

"Sizzle!"

The moment his body touched the blood, white steam emerged from Yan Jinyao's body!

The blood seemed to be boiling, and steam was coming out of it!

"Ah! !"

Yan Jinyao felt as if his body was about to be boiled. Waves of intense pain made him break out in cold sweat!

Qu Xie said excitedly, "Indeed! As a member of the Yan family, this blood has a much higher degree of inheritance!"

The blood became hotter and hotter, almost merging with Yan Jinyao!

In an instant, Yan Jinyao felt that his body was quietly changing!

A formation plate under the bathtub turned purple!

Sizzle

At this moment, the bright red in the blood began to disappear, as if it had been absorbed by Yan Jinyao!

His body became incomparably translucent, and his physical body became countless times stronger!

Not only that, Yan Jinyao felt that his state of mind instantly became clear, and even his spiritual sense skyrocketed!

“Huala!”

Another loud sound rang out!

The formation plate under the bathtub began to tremble, as if it was about to shatter!

The bright red color of the blood completely disappeared. At a glance, it was almost dried up!

“This feeling... is beyond imagination!” A rare trace of excitement appeared on Yan Jinyao’s face!

He slowly walked out of the bathtub and clenched his fist lightly. He felt that the power of his physical body had become countless times stronger!

“This is the power of the Yan family’s Bloodline?” Yan Jinyao murmured in a low voice.

Qu Xie said with admiration, “Young Master Yan, your bloodline inheritance is as high as 60% ! As expected of a member of the Yan family!”

“60% ?” Yan Jinyao frowned.

He looked at Qu xie coldly and said, “President Qu, only 60% ?”

“60% is not bad.”Qu Xie seemed to understand Yan Jinyao’s meaning.

“I’m afraid no one can surpass this number except for Yan Ruoxue herself.”

Yan Jinyao’s expression became even more unsightly when he heard this!

“In other words... Yan Ruoxue herself is 100% ?”Yan Jinyao said coldly.

“Of course her own bloodline is 100% ,”qu Xie said somewhat speechlessly.

This immediately made Yan Jinyao feel defeated!

He had only inherited 60% of the power, but his strength had already undergone a qualitative change.

Then, wouldn’t Yan Ruoxue herself be beyond imagination ? !

“President Qu, I’m a little curious. Instead of spending so much effort to nurture others, why don’t you just let Yan Ruoxue cultivate on her own ?”Yan Jinyao asked tentatively.

“She has a complete bloodline power. If she cultivates, her future will be limitless, right ?”

President Qu nodded slightly. “We did plan to do so, but... she and Qin Yu are like glue. How can she be used by US ?”

“Now, we have killed the person she loved. If we let her cultivate, she will definitely become the archenemy of the Jingdu martial arts association in the future.”

Yan Jinyao narrowed his eyes and said, “In other words... you have no intention of letting Yan Ruoxue Leave?”

“We absolutely can’t let her leave!” Qu Xie said affirmatively.

Yan Jinyao didn’t say anything for a long time. After a while, he slightly let out a sigh of relief.

As long as Yan Ruoxue couldn’t leave the prison, he would be the successor with the highest inheritance!

“With my current strength, there shouldn’t be many people in this world who can beat me,” Yan Jinyao clenched his fist and said in a low voice.

Qu Xie smiled faintly. “That’s right, but... you have to be careful of that black-robed man. If he finds out about this, he will definitely kill you.”

“Black-robed man?” Yan Jinyao narrowed his eyes, a hint of interest appearing on his face.

“I feel great now. I really want to see that black-robed man....” Yan Jinyao sneered.

Chapter 631: Chapter 631, the method to control the male corpse!

At this moment, Yan Jinyao was extremely inflated. He was very interested in this legendary black-robed man.

“Young Master Yan, it’s best if you don’t underestimate the enemy. According to our speculation, this black-robed man might be Guan Zu,” Qu Xie said in a deep voice.

“Guan Zu?” Hearing this name, Yan Jinyao frowned slightly.

Guan zu was not famous, but to the Jingdu martial arts association, he was quite famous.

It was said that thirty years ago, the Jingdu martial arts association sent several martial marquises to capture Guan Zu, but they all failed in the end.

Not only that, Guan zu also killed more than ten martial marquises of the Jingdu Martial Arts Association!

“Back then, he could be considered an invincible existence. After so many years, God knows what level his strength has reached,” Qu Xie said.

Yan Jinyao’s expression also didn’t look too good.

If it was ancestor guan, then he might really have to be a little more careful.

“President Qu, I understand. Thank you for the Reminder.” Yan Jinyao nodded slightly, then turned around and left.

In order to protect Yan Jinyao, the Jingdu Martial Arts Association didn’t spread the news that Yan Jinyao had activated his bloodline, so as not to attract the black-robed man’s attack.

On the other side, Qin Yu did not take any action for the time being.

He stayed in his private room all day, thinking about how to save Yan Ruoxue.

“Continuing to kill like this won’t solve the fundamental problem,”Qin Yu said in a low voice.

However, Qin Yu’s current strength was not enough to save Yan Ruoxue.

So far, Qin Yu had seen the black-gold robe of the Jingdu Martial Arts Association. There was also a purple robe on it.

A black-gold-robed Yan Guiyi was enough to make Qin Yu’s hair stand on end, not to mention the even more powerful purple robe.

“What should I do...”Qin Yu clenched his fists, and his heart seemed to be bleeding.

As long as he thought of Yan Ruoxue’s suffering, Qin Yu couldn’t control his emotions.

“If I can use those two male corpses... saving people won’t be a problem,”Qin Yu thought to himself.

He immediately released the two male corpses from the spatial artifact.

The two corpses didn’t move at all and were placed right in front of Qin Yu.

Qin Yu tried to use his spiritual sense to awaken the two corpses, but unfortunately, he failed.

“Oh my God, quickly put these two things away!”

At this moment, the voice of the mustached man suddenly came from outside.

Qin Yu frowned slightly. He glanced at the moustache and said, "How did you know I Was Here?"

The moustache said mysteriously, "I have my own brilliant plan. I Can't speak, I can't speak."

Looking at the moustache in front of him, the doubts in Qin Yu's heart grew heavier and heavier.

What was the origin of this competition? Even Qin Yu had never heard of the spells he controlled.

"By the way, do you have a way to make these two male corpses move?" Qin Yu pointed at the corpses on the ground and asked.

Hearing this, the mustache man immediately shivered.

"Are you sick? Do You Want to die? You forgot about the last time, right?" The Mustache Man had a look of lingering fear.

Qin Yu explained, "I mean... to use their bodies to attack the Jingdu Martial Arts Association."

"You mean... you want to use your spiritual sense to control them?" The handlebar mustache guessed.

Qin Yu nodded. "That's right."

"You're simply Dreaming." The handlebar mustache couldn't help but sneer.

“Do you know the origins of these two corpses? You Want to control them? Do you have the qualifications?”

Qin Yu spread his hands and said, “If you can’t, then forget it. I’m just saying.”

“But... If we can find the mask of the masked woman, we might still have a chance.” At this time, the Mustache Man suddenly changed the topic.

Hearing this, Qin Yu’s eyes immediately lit up!

He hurriedly grabbed the mustache man’s shoulder and said anxiously, “Are you telling the truth?”

“Of course,” the mustache man said proudly.

“I’ve read a lot of information these few days and learned that these two corpses are the servants of the masked woman. If you can really find the mask, I might really have a way to make them move,” the mustache man said seriously.

Qin Yu grabbed the mustached man’s arm and said excitedly, “Quickly tell me how to operate it, what is that spell!”

The mustached man rolled his eyes and said, “What’s the use of telling you? You Don’t have a mask.”

Qin Yu braced himself and muttered in a low voice, “Maybe... maybe we can find it.”

“We’ll talk about it when you find it.” The mustached man opened Qin Yu’s hand.

But Qin Yu didn't give up. He grabbed the handlebar mustache's arm and said, "If you don't tell me, I definitely won't Let Go!"

The handlebar mustache scratched his head. His eyes rolled and he said, "Do you really want to know?"

"Nonsense!" Qin Yu glared at him.

A trace of craftiness flashed through the handlebar mustache's eyes. He said with a smile, "I can tell you, but there is a condition."

"What condition? Tell me," Qin Yu hurriedly said.

The mustached man smiled and said, "As far as I know, there is a sword to be auctioned at the Jingdu Martial Arts Association's auction. I am very interested in this sword."

"It's a pity that I don't have enough money to bid for it. If fellow Daoist is willing to contribute generously, I can consider it."

Qin Yu hurriedly nodded and said, "No problem, I don't lack money!"

But as soon as he said it, Qin Yu regretted it.

He was now a "Dead man", so he didn't dare to use the money in his bank card, or else he would definitely be exposed.

"What's wrong? Is there a problem?" The mustached man asked.

Qin Yu frowned and said, "How much money do you need?"

The mustached man counted with his fingers and said, "At least one billion, right? Those bastards from the Jingdu Martial Arts Association are so greedy."

“One billion...”Qin Yu whispered.

For the current him, one billion was simply an astronomical figure.

“Sigh, if you really have no other way, then forget it.”The moustache man waved his hand.

“Who says I have no other way!”Qin Yu stopped the moustache man.

“What? You have money? Then just give it to me directly.”The moustache man stretched out his hand and said.

Qin Yu shook his head and said, “No money.”

“Then you’re just spouting nonsense!”The mustached man said with his eyes wide open.

Qin Yu sneered and said, “I don’t need money at all.”

As he spoke, Qin Yu’s eyes looked at the black robe that was thrown on the ground.

The mustached man seemed to have understood something.

His body tensed up and he exclaimed, “Don’t tell me... You Want to Rob?”

“That’s right,”Qin Yu said coldly.

“It would be a waste not to snatch something from the Jingdu Martial Arts Association.”

“Moreover, the identity of this black-robed person makes it more convenient for me to do this.”

The mustache man frowned and said, “Fellow Daoist, this is very risky. Not only can you expose your identity, you might even be killed on the spot!”

Qin Yu glanced at the moustache man and shook his head. “I have no other way.”

As long as he could obtain the technique to control the male corpse, any method was worth trying!

Chapter 632: Chapter 632, the eve of the auction

The handlebar mustache did not have much of an opinion about Qin Yu’s suggestion.

He spread his hands and said, “Sure, as long as you can give me the sword. After all, I’m not the one who’s going to rob you.”

Qin Yu looked at the male corpse in front of him. After thinking for a while, he took out the coffin again.

Looking at the coffin made of bright red wood, the handlebar mustache could not help but shiver.

“Why did you take this thing out? It’s so scary,”the mustached man muttered.

Qin Yu patted the coffin and said, “I’m afraid I’ll have to trouble you to take care of this coffin for the next few days. Otherwise, I won’t be able to fit it in my spatial artifact.”

The mustached man immediately jumped thirty feet high like a cat whose tail had been stepped on.

He said in horror, “You want me to stay with this thing? or for a few days?”

Qin Yu rolled his eyes and said, “That’s enough. It’s not as scary as you think.”

“That’s because you don’t know what this masked woman has done!” The mustached man said in a trembling voice.

“Anyway, this is the only way. Do you agree or not?” Qin Yu said with a rogue look.

The mustached man stared at the coffin for a long time. After a moment, he gritted his teeth and said, “People die for money and birds die for food. I’ll go all out. I’ll agree to it!”

“Okay, it’s a deal.” Qin Yu nodded slightly.

The agreement between the two was thus set.

As long as he could get the method to control the male corpse, Qin Yu would be able to go to the Jingdu Martial Arts Association to save the man.

There were still three days before the auction began.

For the next three days, Qin Yu did not leave the private room.

He sat in the room all day, swallowing his inner core.

Qin Yu did not take many inner cores. In the end, he had used up all of them on the second day.

A rank five martial marquis was the middle stage of the Martial Marquis Realm.

And the current Qin Yu was still a step away from the middle stage of the Martial Marquis Realm.

For the Martial Marquis realm, the three stages represented different strengths.

The early stage of the Martial Marquis realm was different from the middle stage of the Martial Marquis Realm.

And the peak of the Martial Marquis realm was far more powerful than the middle stage of the Martial Marquis Realm.

Now that the young masters of Jingdu had all stepped into the middle stage of the Martial Marquis Realm, it was time for Qin Yu to speed up.

On the other side.

After Yan Jinyao obtained the bloodline power of the Yan family, his strength had improved qualitatively!

Although Yan Jinyao didn't know what this so-called bloodline was, his physical body was far stronger than before.

“Everyone says that Qin Yu's flesh is unparalleled, but it's a pity that he's dead. Otherwise, I would really like to try it with him.” Yan Jinyao tightened his grip, and the black gold stone in his hand immediately crackled.

“From today onwards, I may be the only existence in the younger generation of Jingdu.”

This was Yan Jinyao's incomparable confidence.

Just then, Yan Sihai walked in from outside the door. Beside him was a rather sturdy man.

This man did not say a word, but he carried an extremely strong sense of oppression.

Even Yan Jinyao felt a slight discomfort.

This person was none other than the peak-stage martial marquis that Yan Sihai had rescued from the Jingdu Martial Arts Association's prison.

Yan Sihai directly sat beside Yan Jinyao, his face somewhat gloomy.

"Dad, What's Wrong?" Yan Jinyao asked.

Yan Sihai coldly said, "The JINGDU martial arts association actually wants to distribute the power of blood to all the descendants of the aristocratic families!"

"Motherf*cker, take the things of My Yan family and distribute them to outsiders!"

Yan Jinyao slightly frowned and said, "This matter... shouldn't it be agreed upon by us?"

"I've negotiated with them, but their attitude is extremely unyielding," Yan Sihai coldly said.

"If it really doesn't work, I'll take Yan Ruoxue Back!"

Hearing this, Yan Jinyao hurriedly waved his hand and said, "Absolutely not."

Yan Sihai frowned slightly and said, “Why?”

Yan Jinyao said in a deep voice, “We don’t have the techniques of the Jingdu martial arts association, nor can we draw blood from Yan Ruoxue’s body.”

“If we bring her back, it will actually increase her chances of cultivation.”

Obviously, after Yan Jinyao felt the strength of this bloodline power, he began to be afraid.

He was afraid that once Yan Ruoxue stepped into the path of cultivation, she would directly surpass him, and then it would be troublesome.

Yan Sihai frowned and said, “Is this bloodline power really so powerful?”

“Although I don’t want to believe it, this bloodline power... is indeed beyond imagination,” Yan Jinyao said in a deep voice.

At this point, Yan Jinyao looked at Yan Sihai and said, “Father, what is the origin of our ancestors? Why did Yan Ruoxue inherit such a Bloodline?”

“I don’t know.” Yan Sihai shook his head.

“Perhaps only your grandfather knows about the matter of the Yan family’s ancestors.”

When Yan Jinyao heard this, his face couldn’t help but turn cold.

He took a deep breath and said, “It’s impossible for our Yan family to monopolize this bloodline power. Sooner or later, we will share it with those aristocratic families.”

Yan Sihai snorted coldly and said, “Of course I know, but the Jingdu Martial Arts Association can forget about keeping this favor for themselves!”

“Dad, What are you going to do?” Yan Jinyao asked with a frown.

Yan Sihai waved his hand and said, “I have my own plans in mind.”

Seeing this, Yan Jinyao couldn’t say anything more.

...

The higher-ups of the Jingdu Martial Arts Association held many meetings.

And these meetings were all aimed at Yan Ruoxue’s bloodline.

After a few meetings, they drew up a list.

On this list was the name of the person who wanted to use Yan Ruoxue’s blood.

“After the auction is over, let’s begin.” A voice came from the dark.

Qu Xie took the list, cupped his hands and said, “Yes.”

There were more than a dozen names on the list, and each person was a well-known figure in Jingdu.

After walking out of the meeting room, Xia Hang grabbed Qu Xie.

“President Qu, before we begin, I have a suggestion,” Xia Hang said with a frown.

“What suggestion?” Qu Xie asked.

Xia Hang said in a deep voice, “Get rid of that black-robed man first! Follow our plan!”

“Otherwise, when that black-robed man finds out about the names on the list, he will definitely start a massacre!”

“When that time comes, I’m afraid that all the major families in Jingdu will be in a Panic!”

Qu Xie narrowed his eyes and said coldly, “What you said makes sense... alright, we’ll do as you say.”

“Get rid of that black-robed man first, and then make this list public!”

Hearing this, Xia hang heaved a sigh of relief.

Of course, he had selfish motives in his heart.

If Qin Yu did not die, he would definitely come and ask Xia hang to add Qin Yu’s name.

As long as he killed Qin Yu, he would be free.

“Threaten me, and you will pay the price!” Xia Hang said darkly.

...

Time flew.

In the blink of an eye, it was the day of the auction.

The location of the auction was in a great hall in Jingdu.

And the JINGDU martial arts association attached great importance to this auction, sending out three black gold robes! Yan Guiyi was among them!

Chapter 633: Chapter 633, pavilion master and Yan Shanhe

This auction was a way for the Jingdu Martial Arts Association to withdraw their funds. At the same time, it was also a symbol of the Jingdu martial arts association's strength to the outside world.

Thus, they would absolutely not let anything happen to the auction.

Sending out three black gold robes was enough to show how much they valued it.

Of course, the status of the Jingdu martial arts association was extremely high. In all these years, no one had ever come to find trouble with the Jingdu Martial Arts Association.

"The funds collected this time must reach at least ten billion," Yan Guiyi said to the two black gold robes beside him.

The two people nodded slightly and then said, "This has little to do with us. Our main criticism is to maintain order at the venue."

Yan Guiyi did not say anything. He swept his gaze across the venue and then retreated to the side.

Only the one-armed Yan Guiyi appeared a little strange.

Therefore, the JINGDU martial arts association did not want Yan Guiyi to show his face in public because it was a disgrace to them.

This also filled Yan Guiyi with hatred towards Qin Yu.

Time flew by. At around eight o'clock in the morning, aristocratic families from all over the country rushed to the venue one after another.

These aristocratic families included both martial arts aristocratic families and ordinary wealthy individuals.

The entrance was already filled with luxurious cars.

Rolls Royces, Bentleys, and so on were countless.

They had one thing in common, which was that they had a large amount of cash on them.

However, at this moment, there was a black-robed person sitting in a car not far away.

This person was none other than Qin Yu.

Qin Yu coldly looked at the entrance of the auction, a trace of viciousness flashing in his eyes.

At this moment, Qin Yu suddenly saw a familiar figure.

“HMM? The Pavilion Master is here too?”

A beautiful figure slowly walked out of the car.

There were two other people beside her, and one of them was peach.

With the help of the pavilion master, it was almost impossible to see any scars on Peach's face.

However, Peaches didn't look happy. She looked extremely lonely.

Qin Yu frowned slightly and said in a low voice, "Could it be that the pavilion master wants something?"

Besides the pavilion master, Qin Yu saw many familiar figures.

People from the Han family, the Chu family, and even the Yan family came to participate.

Of course, the people who came to participate in such a top aristocratic family were naturally not from the highest level.

"It seems that the prosperity of this auction is much higher than I imagined." Qin Yu frowned.

In other words... The influence of Qin Yu's snatching auction this time would probably be much greater than I imagined!

With the arrow on the bow, Qin Yu had no choice but to shoot it. He had no other choice.

The auction was set at 10 am. At 9:30 am, almost everyone had arrived.

Qin Yu was not in a hurry to make a move. He sat in the car and waited quietly.

In the auction.

The pavilion master closed his eyes slightly and waited quietly for the auction to begin.

“Ji Yuhong? I didn’t expect you to come too.”

At this moment, a voice sounded in the pavilion master’s ear.

He looked up and saw Yan Sihai’s brother, Yan Shanhe.

The current Yan Shanhe had long since worn the same pants as Yan Sihai. It was also because of this reason that Yan Shanhe possessed a certain amount of core assets of the Yan family.

The pavilion master glanced at him but didn’t say anything.

Yan Shanhe sat directly beside the pavilion master and said with a smile, “Ji Yuhong, back then, you went against our Yan family for a Qin Yu. What happened in the end?”

“Not only did you not get any benefits, you even offended our Yan family!” Yan Shanhe said with an ice-cold face.

The pavilion master glanced at Yan Shanhe and said indifferently, “What can you do after offending your Yan Family? Do you think you can boast to me?”

Yan Shanhe said with a cold smile, “Our Yan family has no other ability but money! Ji Yuhong, you will slowly know the consequences of offending the Yan family.”

“Is that so?” The pavilion head snorted lightly.

“Yan Shan he, I hope that the day you fall ill will not come. Otherwise, you will also know the consequences of offending the Divine Alchemist Pavilion.”

When Yan Shan he heard that, he could not help but laugh out loud and said: “Do you think that you can control all the medical resources in the country? Hahaha, what a joke!”

“By the same logic, do you think that your Yan family can control the entire Yan Country?” The pavilion head was not at a pyro.

Yan Shan he smiled faintly and said: “I will not argue with you, but I am afraid that you will not be able to get what you want today, heh heh.”

After saying that, Yan Shan he walked to the side.

After he had left, peach could not help but ask: “Lord Pavilion Head, who is this person?”

The pavilion head said: “Yan Shan he, is known to be the Yan family’s business elite. The Yan family’s economic lifeline is now in his hands.”

Tao Zi frowned and said, “What about Yan Sihai? Isn’t he the head of the Yan Family?”

The pavilion master nodded and said, “Speaking of which, the Yan family is really a magical family. The four brothers each have their own strengths.”

“Yan Sihai is ruthless, Yan Shanhe is proficient in business, Yan Tianhong has an extremely strong network, and Yan Yongxiu... has a trace of humanity.”

Tao Zi was deep in thought. She asked in puzzlement, “What about Yan Yunheng?”

“Together, they make a complete Yan Yunheng, which is also the magical part of the Yan family,” said the pavilion master.

Tao Zi nodded, not fully understanding. A moment later, she said in a low voice, “In any case, every good thing.”

As she spoke, the host walked to the stage.

Then, the door slowly closed.

From the backstage, several white-robed warriors walked out.

They stood on both sides of the corridor, majestic and mighty.

And in the dark, there were three black-gold robes led by Yan Guiyi.

They released their spiritual senses and covered the entire venue. If anything unexpected happened, they would act quickly.

On the stage, a host walked up.

He smiled faintly and said, “The annual auction of the Jingdu Martial Arts Association Begins Now!”

“This time, we have prepared a total of thirty items for everyone!”

Thirty items. This was almost the largest number of items the Jingdu Martial Arts Association had produced in recent years!

Not only that, this time, the Jingdu Martial Arts Association had invested a lot of money and brought out many treasures!

There was only one reason for this. It was because the higher-ups realized that the higher-ups were dissatisfied with them, so they had to perform well.

“I must get the rainbow colored glaze this time,”the pavilion master thought to himself.

The auction soon began, with all kinds of treasures appearing one after another.

There were ordinary antiques, calligraphy, and paintings, as well as warriors’ magical artifacts and herbs.

“The next item for auction is rainbow colored glaze!”Soon, the host took out a rainbow colored glass cup.

Seeing this glass cup, the pavilion master’s eyes immediately lit up.

“Rainbow Colored Glass is a treasure that the Jingdu martial arts association obtained from abroad. It is said that this item has an indescribable magical effect on medicine refinement. With rainbow colored glass, one can achieve twice the result with half the effort,”the host said with a faint smile.

“The starting price is 80 million!”

Very quickly, someone in the venue called out the price. In just a short ten minutes, this rainbow colored glass had been raised to more than 300 million.

“It’s about time to make a move,”the pavilion master said.

She raised her hand slightly and said, “Five hundred million.”

As soon as she said this, everyone immediately turned to look at the pavilion master.

“So it’s the Pavilion Master of the Medicine God Pavilion.” Upon seeing the pavilion master’s face, everyone immediately had the intention to retreat.

“This item should be the most compatible with the pavilion master,” someone said.

“Eight hundred million!”

However, a discordant voice was heard.

Yan Shanhe looked at the Pavilion Master with a faint smile.

Chapter 634: Chapter 634 saw Yan Guiyi again!

Yan Shanhe’s voice immediately attracted countless people.

“It seems that the Yan family and the Divine Alchemist Pavilion have always had conflicts. I’m afraid they are going to compete in secret this time.”

“Yeah, it’s said that it’s for that Qin Yu.”

“The Divine Alchemist Pavilion invested a lot in Qin Yu, but now that Qin Yu is dead, the Divine Alchemist Pavilion has gained nothing. Instead, they have made a lot of enemies.”

“This kind of investment is really too risky. It’s not worth it.”

Everyone discussed animatedly, as if they wanted to watch a good show.

The pavilion master silently raised his hand and raised the price, “One billion.”

“One and a half billion!” Yan Shanhe raised his hand and shouted without thinking.

“Two billion.” The Pavilion Master continued to raise the price.

Yan Shanhe snorted lightly, “Three billion!”

The price was instantly raised to an extremely high position.

This also made the Jingdu martial arts association extremely excited. Someone competing was what they liked to see the most.

“Pavilion Master, do we still want to raise the price?” Peach asked with a frown.

The Pavilion Master’s brows also slightly furrowed.

Although this rainbow colored glass was very important, she knew very well in her heart that if she continued to shout, it would not be of any benefit to her.

“Forget it.” The pavilion master took a deep breath and shook his head. “The Yan family and the Jingdu Martial Arts Association have a very close relationship. Continuing to shout won’t be of any benefit to us.”

Tao Zi nodded slightly and said in a low voice, “The four brothers of the Yan family are really nothing good.”

After the pavilion master gave up, Yan Shanhe couldn’t help but sneer. “What? The Mighty Divine Alchemist Pavilion only has this little strength? You’re giving up after three billion?”

“Three billion is nothing to the Yan family,” Yan Shanhe said rather arrogantly.

The Pavilion Master kept silent and couldn't be bothered with Yan Shanhe.

Yan Shanhe stood up and said with a faint smile, “Ji Yuhong, if you are willing to apologize to the Yan family and admit defeat, we might consider forgiving you.”

However, the pavilion master still didn't say anything and even slightly closed his eyes.

Yan Shanhe snorted coldly and immediately walked up to the stage.

The auction of the Jingdu Martial Arts Association was different from other auctions.

They had a unique rule.

The items that were auctioned had to be paid on the spot to avoid unnecessary disputes.

Yan Shanhe walked straight to the stage. He took out a bank card and swiped it on the spot. There was no expression on his face, as if the three billion didn't hurt at all.

“Congratulations, Mr. Yan!” The host carefully picked up the seven-colored glass and said respectfully.

Yan Shanhe took the seven-colored glass, his face full of pride.

“Ji Yuhong, this seven-colored glass belongs to me,” Yan Shanhe shouted from far away.

The crowd burst into applause, and the pride on Yan Shanhe's face intensified.

“Boom!”

However, at this moment, a loud sound came from the main door!

This loud sound immediately gave everyone a fright!

Turning around, they saw that the main door had been blasted open. The two white-robed men who were responsible for guarding the door had their necks grabbed by a black-robed man.

The black-robed man waved his hand and directly threw the two black-robed men out.

“You two have been kidnapped,”Qin Yu said coldly.

His voice spread throughout the entire venue.

After a short silence, there was a burst of thunderous laughter!

“What did you say? We have been kidnapped? Kid, do you know where we are?”

“Kidnapped us in the territory of the Jingdu Martial Arts Association? Are you crazy?”

“Where did this lunatic come from? !”

They could not stop laughing. They simply could not believe that someone would dare to come to the JINGDU martial arts association's auction and Rob Them!

Qin Yu coldly glanced at them and said, “This matter has nothing to do with you. I only want the things from the Jingdu Martial Arts Association.”

“Hahahaha!”

The laughter at the scene instantly became even more joyous.

“Is this some new program?”

“I reckon that the JINGDU martial arts association specially invited them to liven up the atmosphere?”

“Want the things from the Jingdu Martial Arts Association? You think too much!”

Qin Yu’s body burst out with a cold killing intent in the face of everyone’s snickering.

Then, a scarlet long sword suddenly appeared in his palm!

With a wave of the long sword, a terrifying sword light instantly split the stage in half!

A loud sound entered everyone’s ears.

“I’ll say it again. You’ve been kidnapped,” Qin Yu said coldly.

At this moment, they realized that the black-robed man was not joking at all!

“It’s him, the black-robed man!” Someone seemed to have thought of something!

“The black robe, the scarlet longsword... it’s him, the black-robed man!”

“The black-robed man who killed nine super experts of the Jingdu Martial Arts Association? !”

The scene immediately became a mess. Everyone was chattering and fleeing in all directions!

Qin Yu glanced at them and then waved his hand. A golden barrier directly blocked the door!

“No one is allowed to leave until I’m done,”Qin Yu said coldly.

“Black-robed man... We were looking for you. I didn’t expect you to dare to come to our door!”The white-robed men quickly erupted and rushed toward Qin Yu in unison!

Qin Yu’s expression was ice-cold. He waved the longsword in his hand, and several white-robed bodies were directly cut in half at the waist! The scene was filled with the stench of blood!

“Ah! ! !”Some people in the scene were so frightened that they screamed repeatedly. There were even people hiding under the tables!

Qin Yu ignored the crowd and walked straight towards the stage.

At this moment, Yan Shanhe was still standing on the stage that had been split into two halves.

He held the rainbow colored glass with both hands, looking extremely embarrassed.

Qin Yu walked quickly to the stage. He glanced at Yan Shanhe and said, “Give me the thing.”

Yan Shanhe frowned slightly and tried his best to remain calm as he said, “Black-robed man, I Am Yan Shanhe of the Yan family. I have already bought this thing. I have already paid the money.”

“Then you can only blame your bad luck,”Qin Yu said coldly.

Yan Shanhe said somewhat unwillingly, “Black-robed man, if you are willing to let this go, My Yan family owes you a favor.”

Hearing this, Qin Yu could not help but laugh coldly.

Yan Shanhe thought that Qin Yu had been persuaded. He struck while the iron was hot and said, “If one day you are captured by the Jingdu Martial Arts Association, I Can Promise You That I can save your life and even let you join our Yan family!”

“I’ll add your mother!”Qin Yu directly waved his hand and sent Yan Shanhe flying with a slap!

The seven-colored glazed tile also fell into Qin Yu’s hand.

This slap made Yan Shanhe’s face bleed. Although Qin Yu withdrew his strength, Yan Shanhe was just an ordinary person and could not withstand this enormous force.

Everyone present was instantly silenced.

Even Yan Shanhe did not have face, let alone them?

Qin Yu put away the seven-colored glass and then said coldly, “Put back all the items that you have won.”

After saying that, Qin Yu looked at the host and said coldly, "Hand over all the auction items to me."

The host's lips kept trembling and he quickly nodded.

"Black-robed man, how Dare You?"

At this moment, an extremely powerful internal Qi was emitted.

Turning his head, he saw Yan Guiyi walking out.

Two black-gold robes followed him.

Chapter 635: Chapter 635, another battle with Yan Guiyi!

The three of them were all in the middle stage of the Marquis of Internal Qi!

Even though Yan Guiyi only had one arm left, his aura did not diminish.

Looking at Yan Guiyi in front of him, Qin Yu suddenly felt a strong killing intent in his heart!

"Yan Guiyi..."Qin Yu muttered the name in a low voice.

Then, the sword in his hand buzzed, and the blood-red internal Qi became denser.

"Black-robed man, are you stupid? There are so many people in the Jingdu Martial Arts Association, and you still dare to come to the auction to die,"Yan Guiyi said coldly.

“No one has dared to provoke our Jingdu martial arts association like this,” the black-gold-robed man next to him sneered.

Qin Yu narrowed his eyes slightly and sneered, “I want this thing today.”

“Oh? You have such big words,” Yan Guiyi said with narrowed eyes.

“Don’t think I don’t know who you are!”

Hearing this, Qin Yu’s heart tightened.

Could it be... that he had been exposed?

“Ancestor Guan, do you think you can hide the stench on your body by hiding in the Black Robe?” Just when Qin Yu was panicking, Yan Guiyi suddenly sneered.

Hearing this, Qin Yu couldn’t help but heave a sigh of relief.

What ancestor Guan? Qin Yu had never heard of him.

“Guan Zu, are you coming with us, or shall we kill you on the spot?” Yan Guiyi said with a cold smile.

The long sword in Qin Yu’s hand trembled slightly. He was actually somewhat looking forward to it!

“I wonder if the bronze sword can break his black-gold armor,” Qin Yu thought to himself.

As long as he didn’t have the protection of the black-gold armor, Yan Guiyi was not worth mentioning at all!

Sensing the killing intent from Qin Yu, Yan Guiyi could not help but snort, “It seems that you made the wrong choice!”

As he spoke, his internal Qi began to climb rapidly, and a black-gold light surrounded his body!

Qin Yu’s face was cold. He shook the longsword in his hand, and a stream of spiritual power was injected into it.

At this moment, the bronze sword seemed to have become Qin Yu’s right-hand man!

“I originally only wanted to snatch the thing, but I didn’t expect to have an unexpected harvest,”Qin Yu said coldly.

“I’ll take the lives of you three bastards!”

As he spoke, Qin Yu’s figure suddenly shot up, and his sword slashed down from the sky!

Yan Guiyi snorted coldly. He immediately raised one hand, and a black and gold light condensed in his hand, and fiercely collided with Qin Yu’s bronze sword!

“Buzz!”

The entire venue suddenly erupted with a burst of dazzling light!

Countless people were sent flying by this internal Qi, and the venue became even more chaotic!

The bronze sword directly penetrated the black-gold light and shook on Yan Guiyi’s palm!

Yan Guiyi felt waves of soreness on his palm, and a white scar appeared on his black-gold Armor!

This made Yan Guiyi's expression change slightly. He glanced at the two people beside him and said coldly, "Let's attack together and kill him!"

The two people didn't say anything and Strode forward!

They were, after all, in the middle stage of the Marquis realm, and their strength couldn't be underestimated. Even Qin Yu didn't dare to neglect them.

Qin Yu held the bronze sword in his hand and slashed out a sword ray in the air!

"Swoosh!"

The sword ray was several feet long and slashed towards the three of them!

The three of them immediately activated their spells and a huge hand appeared in front of them!

This huge hand actually grabbed Qin Yu's bronze sword!

The three of them seemed to be able to use the same spell and their strength suddenly increased explosively!

"Boom!"

At this moment, a huge hand condensed above the three of them!

The huge hand clenched into a fist and smashed directly at Qin Yu!

Qin Yu could not Dodge in time and was instantly hit in the chest, sending his body flying out!

“You don’t know Death!”Yan Guiyi said coldly.

The three people walked over together. Above their heads, there were two huge hands.

This technique was inherited from the Jingdu Martial Arts Association. Only three people could use it!

Qin Yu climbed up from the ground and looked coldly at the three people in front of him. He could not help but frown slightly.

“This is not a place to stay for long. I have to finish this battle as soon as possible,”Qin Yu thought to himself.

Thinking of this, he took a few steps back and held his sword with both hands. The first cut of the nine Tai Qing slashes was formed!

“Buzz!”

A terrifying sword light rose from the bronze sword. The bright light almost made people unable to open their eyes!

Yan Guiyi’s expression changed slightly and he said coldly, “This technique is not simple. Be careful!”

Then, the three of them worked together to activate the big hand!

The big hand held up both hands, intending to resist the sword light!

“Hiss!”

The Taiqing nine slashes were all-conquering, and the sharp sword light slashed directly at the two big hands!

The two big hands that were formed were actually slashed apart the moment they touched! They couldn't even block the sword light by half a step!

“Not good!” Yan Guiyi's expression changed drastically, but the sword light was already falling toward the three of them!

“Boom!”

The ground beneath the three of them was shattered! The smoke and dust blocked everyone's line of sight at this moment!

“Nine slashes of supreme purity?”

Below the stage, the pavilion master seemed to have seen through this technique.

“Could it be that the black-robed man is Qin Yu?” The pavilion master frowned slightly.

Above them, Qin Yu looked coldly in the direction of the three people.

As the dust settled, they saw a platinum shield in front of them!

This shield blocked the three people behind them, blocking the first slash of the nine Tai Qing slashes!

But even so, the white shield still left a mark!

“It actually survived.” Qin Yu sneered repeatedly.

The longsword in his hand swayed slightly, and an extremely terrifying internal Qi gathered on the bronze sword!

“If you can withstand the first strike, then what about the second strike?” Qin Yu asked coldly.

Sensing the terrifying internal Qi on the bronze sword, the three people’s expressions turned extremely ugly!

“Not good. This sword is probably several times stronger than the previous strike!” Yan Guiyi cried out in alarm!

The other two naturally felt this dangerous internal Qi as well!

Qin Yu said coldly, “Leave your dog lives.”

The sword light slowly condensed, and the second cut of the nine slashes of supreme purity took shape.

An extremely strong pressure made the three people’s faces suddenly change drastically!

Cold sweat flowed down their foreheads, and fear filled their brains!

Yan Guiyi gritted his teeth and reached out his hand to activate the black gold ball.

But it was only then that he remembered that the black gold ball had long disappeared!

“Go to hell!” At this moment, Qin Yu roared and the sword in his hand fell down fiercely!

The Sword Ray, which was several feet wide, almost covered the entire venue!

Everyone was impacted at this moment. Although they were not the target, they were still shaken until they vomited blood. Some ordinary people were even crushed into meat paste on the spot!

“Ah! !”

Under the Sword Light, a series of angry roars could be heard.

They activated their spells, and the white shield was above their heads!

“Buzz!”

However, this sword was too powerful. The white shield was directly cut into two! It fell straight down.

“Crack!”

The ground beneath their feet turned into ruins. A sword scar that was dozens of meters long slashed across the ground.

Half a second later, the Underground Sword Scar issued a series of loud sounds!

Chapter 636: Chapter 636, wreaking havoc in the venue!

Sword Qi erupted from the mark, and in an instant, the entire venue was almost split into two!

Qin Yu panted and looked coldly in the direction of the three people.

At this moment, something that shocked Qin Yu happened!

Yan Guiyi actually ran away!

The two black-gold robes were already lying on the ground on their last breaths, and Yan Guiyi had disappeared without a trace!

“He actually ran away?” Qin Yu’s expression turned cold, and then he couldn’t help but laugh mockingly.

“The people from the Jingdu martial arts association are really like that. They all like to leave their companions behind and run away by themselves.”

Qin Yu walked straight to the front of the two men.

They opened their mouths as if they wanted to beg for mercy, but Qin Yu didn’t give them a chance at all. He directly cut the two men into two halves with his sword.

Qin Yu knew very well that this was definitely not a place to stay for long.

Yan Guiyi had escaped. He would definitely go and get help.

Therefore, Qin Yu looked at the host who was almost peeing in fear and said coldly, “Where’s the auction item?”

The host pointed to the back with a trembling voice and said, “It’s... It’s in the back. Don’t kill me...”

“Take me there,” Qin Yu said coldly.

The host had long been scared out of his wits. How could he dare to say anything more? He hurriedly brought Qin Yu to the back.

All the way to the hiding place of the auction items, Qin Yu violently broke the lock on the door.

“It’s all here...”the host said with a trembling voice.

Qin Yu glanced at it and soon found a long sword.

This sword looked ordinary. It couldn’t even be compared to the bronze sword in his hand.

However, Qin Yu didn’t have time to think about it. He immediately took all the items in the auction.

At this moment, Yan Guiyi was holding a cell phone and notifying the Jingdu martial arts association.

“President, it’s not good. The black-robed man robbed our auction!”Yan Guiyi said through gritted teeth.

On the other end, Qu Xie immediately slapped the table and stood up, shouting angrily, “What did you say? !”

Yan Guiyi wiped the blood from the corner of his mouth and said, “Send someone to the venue immediately. We can’t let him escape!”

Qu Xie was furious. He said coldly, “Stall him! We can’t let him escape!”

After saying that, Qu Xie hung up the phone.

However, Yan Guiyi was worried. He knew that he was no match for the black-robed man when he went back.

However, he was the one in charge of this auction. Now that such a thing had happened, the higher-ups would definitely not let him off.

If he escaped now, it would be an even greater crime.

After thinking about it, Yan Guiyi gritted his teeth and turned around to walk towards the venue.

Inside the venue, Qin Yu kept all the auction items in his bag and was ready to leave.

He wore a black robe and strode towards the door.

After walking out of the venue, Qin Yu quickly discovered Yan Guiyi who was hiding in the dark.

His eyes looked towards the place where Yan Guiyi was hiding, and a murderous aura burst out.

Sensing the murderous aura from Qin Yu, Yan Guiyi's body immediately tensed up.

Qin Yu snorted coldly and turned to leave.

In a short time, Qin Yu could not take down Yan Guiyi, but the support of the Jingdu Martial Arts Association would probably arrive soon.

Therefore, Qin Yu finally gave up the idea of killing Yan Guiyi and turned around to leave.

Seeing this, Yan Guiyi also heaved a sigh of relief.

He hurriedly returned to the venue and quietly waited for Qu Xie's arrival.

Ten minutes later.

A number of cars stopped at the entrance.

As soon as the cars stopped, Qu Xie hurried into the venue.

There were at least eight black-gold robes beside him! Each of them was stronger than Yan Guiyi!

After entering the venue, Qu Xie saw wolves and corpses everywhere!

Not only were the warriors injured, but ordinary people were also affected!

Seeing this scene, Qu Xie flew into a rage, his anger rising from his heart!

“Black-robed man... This black-robed man is going too far!” Qu Xie opened his eyes wide and raised his head to ROAR!

This auction was an event for the entire society of the Jingdu Martial Arts Association!

Now that the black-robed man had caused such a ruckus, it was simply a slap to the face of the Jingdu Martial Arts Association! He would even be punished by the higher-ups!

“Yan Guiyi! where is he? !” Qu Xie shouted furiously.

Yan Guiyi gritted his teeth and said, “I'm not his match. I let him escape...”

Qu Xie grabbed Yan Guiyi's collar and said angrily, "Didn't I tell you to keep an eye on him?!"

Yan Guiyi frowned and said, "I tried to stop him, but... but I was no match for him. Two of our companions died under his sword..."

"You didn't stop him at all, did you? I clearly saw you leave your companions behind and run away." At this time, the pavilion master in the Hall added fuel to the fire.

Hearing this, Yan Guiyi's expression immediately changed!

"Don't talk nonsense!" Yan Guiyi said angrily.

"The Pavilion Master is right. We saw it too." Someone next to him snorted.

"That black-robed man killed two of your companions, but you ran out of the venue early and put our lives at risk. Is this how the Jingdu Martial Arts Association does things?" An injured ordinary wealthy man snorted.

For a moment, everyone pointed their fingers at Yan Guiyi.

Qu Xie's face was even uglier!

He took a deep breath and explained patiently, "Everyone, this accident was just an accident. I will definitely give everyone an explanation."

"Humph, President Qu, I hope you will keep your word."

President Qu bowed slightly and said, "Everyone, go to the hospital first."

After sending everyone away, Qu Xie's face finally darkened.

“Yan Guiyi, you coward!” Qu Xie said coldly.

Yan Guiyi's face turned cold, and then he gritted his teeth and said, “Who isn't afraid of Death? I've already lost an arm for the Jingdu Martial Arts Association, and the Jingdu Martial Arts Association didn't seem to give me any reward!”

Qu Xie turned cold, then he frowned and said, “Yan Guiyi, are you crazy?”

Yan Guiyi snorted and said, “Qu Xie, am I not telling the truth?”

“How many people in the prison were captured by me all these years? What benefits did I get?”

“I've applied for the bloodline power many times this time, but all of you rejected it. Now You Want Me to Die?”

Qu Xie opened his mouth, but he was speechless.

Although he was the president, his real power was not in his hands, but in the hands of the higher-ups.

This was why Yan Guiyi dared to blame Qu Xie.

“Let's deal with the accident first and think about how to explain it to the others,” someone said.

Qu Xie took a deep breath and said coldly, “We must catch this black-robed man no matter what! No matter what the price!”

...

At this moment, Qin Yu had already fled back to the civilian house.

As soon as he entered the house, Qin Yu saw that the mustached man was sitting several meters away from the coffin. He stared at the coffin without blinking, as if he was afraid that the coffin would make any strange movements.

“I’ve brought the things back for you.. It’s time for you to tell me how to activate the two male corpses,”said Qin Yu.

Chapter 637: Chapter 637, the method to activate the male corpse!

Hearing Qin Yu’s voice, the Mustache Man was so frightened that he jumped ten feet high.

He stared at him and said, “Why are you like a Ghost? You Can’t even make a sound!”

Qin Yu rolled his eyes and said, “It’s because you were too engrossed in looking at it. I really don’t understand. Is this coffin that scary?”

The Mustache Man waved his hand impatiently and said, “She... forget it. You won’t understand even if I tell you. Where are the things?”

Qin Yu didn’t waste any more time. He immediately activated his spatial artifact and released all the items he had snatched from the auction.

Thirty treasures were placed neatly here.

The worldly antiques and cultural relics were thrown to the side by the moustache man.

His eyes quickly locked onto the sword and he excitedly grabbed it in his hand.

“That’s it!”The moustache man said excitedly.

He held the sword and danced excitedly, his eyes shining with a strange light.

Qin Yu muttered, “This sword looks ordinary, and it doesn’t seem like a treasure. Why are you so excited?”

The handlebar mustache stroked the sword and said excitedly, “Indeed, this sword is nothing. Otherwise, the Jingdu Martial Arts Association wouldn’t have let him out.”

At this point, the moustache man paused.

He put away the sword and then said with a faint smile, “But if this sword is in my hands, then it’s different.”

“What do you mean?”Qin Yu asked, puzzled.

The moustache man stroked his chin and thought for a moment, then waved his hand and said, “Forget it, forget it. Let me tell you.”

“There are four swords in total. They are called the four swords of immortal execution. They are the weapons of an important figure.”

“As for who that important figure is, you won’t know even if I tell you. In any case, he is an extremely powerful figure from many years ago.”

Hearing the words of the handlebar mustache, Qin Yu became more and more curious about him.

This handlebar mustache seemed to know everything, and he also knew a lot of things from many years ago.

“Important figure.” Qin Yu Thought for a moment.

Then, he looked at the handlebar mustache and said, “This master of the four swords of immortal execution and that masked woman, who is more powerful?”

When the masked woman was mentioned, the handlebar mustache’s expression became a little ugly.

He said impatiently, “Then how would I know? I have to let the two of them fight.”

Seeing this, Qin Yu didn’t ask anymore. Instead, he said seriously, “I have already given you the thing. You should tell me how to activate the two male corpses.”

The mustached man said with a smile, “Of course I can tell you, but only I can activate the method to activate the male corpses!”

Qin Yu was stunned and said unhappily, “What do you mean? Do you want to deny it?”

“No, no, no, I have no intention of denying it!” The mustached man hurriedly waved his hand.

“What I said is true. Only I can activate this spell.”

“As long as you bring the mask over, I have a way to make these two male corpses move!”

At this point, the mustached man chuckled and said, "Look, it's not that I don't want to help you, but the mask is not here."

Qin Yu frowned slightly and could not make up his mind for a moment.

Although Qin Yu had been in a deep relationship with the mustached man during this period of time, in reality, Qin Yu did not know anything about the background of the mustached man.

No one knew if he could be trusted.

If he was an evil person, he would definitely be a danger to Xiao Yu.

"I can get the mask," Qin Yu said coldly.

The Mustache Man waved his hand and said, "Alright, stop bragging. I've been looking for that mask for many years, but I still can't find it."

Qin Yu said in a deep voice, "I can really find the mask, but I'm sorry, I Can't give it to you."

When the mustached man saw Qin Yu's serious face, his expression also changed slightly.

"You... Are You telling the truth?" The mustached man no longer had the slightest bit of amusement.

Qin Yu nodded and said, "Yes, but I said, I can't give it to you."

The mustached man frowned and said, "That mask is a holy object. If you really know where it is, even if it's just a meeting, I'll be satisfied."

"Really?" Qin Yu asked.

“Really.”The moustache man nodded.

Although that was the case, Qin Yu was still a little worried.

After thinking for a while, Qin Yu looked at the moustache man and said,
“Give me one night to think about it.”

The moustache man touched his chin and said, “You still don’t believe me? I saved your life.”

“This thing isn’t mine, so I have to seriously consider it,”Qin Yu said.

“I’ll give you the news tomorrow morning.”

Seeing this, the moustache man could only spread his hands and say,
“Alright then, I won’t make things difficult for you.”

Qin Yu grunted and said no more.

He put away the treasures on the ground, turned around, and walked into the inner room.

At this time, the Jingdu martial arts association was in an uproar.

This matter had a great impact on the Jingdu Martial Arts Association! It was like slapping them in front of everyone!

“The most important thing now is to catch that black-robed man as soon as possible!”In the meeting, Qu Qu gritted her teeth and said.

“Well, as long as we catch the black-robed man, we can at least give an explanation.”The assistant nodded slightly.

“I’m afraid it won’t be long before the higher-ups come to hold us accountable.” Qu Xie sighed with a trace of worry on his face.

Speaking of the devil, he spoke.

At this moment, a man wearing a Chinese tunic walked in.

Upon seeing this person, everyone from the Jingdu Martial Arts Association stood up in unison.

“Big Secretary, you... Why are you here...” Qu Xie said with an unsightly expression.

The big secretary said coldly, “How do you Jingdu Martial Arts Association Do Things? Can’t you even do Security?”

Qu Xie hurriedly explained, “This... This is just a misunderstanding...”

“Misunderstanding?” The big secretary slapped the table.

“There are so many casualties this time, and you’re telling me it’s a misunderstanding?”

“Isn’t your Jingdu martial arts association known as the official of the martial arts world? Is this your result?”

Qu Xie opened his mouth, wanting to explain, but the big secret didn’t give him a chance at all.

“Many ordinary people were implicated in this matter. You’d better give me a reasonable explanation,” the big secret said coldly.

“Otherwise, your Jingdu Martial Arts Association should consider your future carefully.”

After saying this, the big secret turned around and left.

Although it was just a few words, it made Qu Xie and the others break out in cold sweat.

“It’s all that black-robed man’s fault...”Qu Xie’s body burst out with a murderous aura that quickly swept across the entire scene.

Xia hang hurriedly said, “President Qu, quickly follow my plan and get rid of this black-robed man.”

Qu Xie glanced at Xia hang and said, “Okay, you will be in charge of this matter. I will give you the authority to use the black-gold robe.”

“AH ? me ?”Xia hang’s expression suddenly became a little ugly.

If he stepped out, wouldn’t Qin Yu know that he was the one behind this ?

“Why ? Is there a problem ?”Qu Xie asked with a cold face.

Xia hang gritted his teeth and his mind spun rapidly.

“No Problem!”Xia hang braced himself and accepted it!

“As long as that Qin Yu is dead, even if he knows, what can he do!”Xia Hang said coldly in his heart.

Chapter 638: Chapter 638, Rage!

Xia hang had obtained the authority to mobilize the black gold robe. To him, this was an almost impossible thing.

Every Black Gold Robe's strength was above Xia Hang's, so their status was naturally much higher than his, the empty position of vice president.

However, Xia Hang knew in his heart that if he could get rid of Qin Yu this time, he would definitely be credited with a great merit, and he would be able to eliminate the potential danger.

...

Qin Yu sat in the courtyard the whole night without falling asleep.

He raised his head to look at the Moon hanging high in the sky and couldn't help but sigh slightly.

"What should I do..."Qin Yu couldn't help but mutter in a low voice.

If he told the matter of the mask to the handlebar mustache, with the handlebar mustache's experience, he would definitely be able to see the relationship between Xiao Yu and the masked woman.

If he hurt Xiao Yu, Qin Yu would definitely not be able to accept it.

But if he didn't do that, how could he save Yan Ruoxue?

The handlebar mustache looked trustworthy, but the premise was that the temptation of benefits was not big enough. As long as the benefits reached a certain level, no one could guarantee what would happen.

They sat like this for the whole night.

In the early morning, Qin Yu stood up and gritted his teeth, "Little Yu, I will try my best to protect you!"

For Yan Ruoxue's sake, Qin Yu had no other choice.

He turned around and went to the handlebar mustache's room, then knocked on the door.

After the door opened, the handlebar mustache rubbed his eyes and said, "What are you doing? I haven't woken up yet."

Qin Yu said, "Didn't you want to know the whereabouts of the mask? I can tell you."

"Really?" The mustached man's eyes lit up and he immediately became clear-headed.

Qin Yu nodded and said, "But you have to tell me how to activate this male corpse."

The mustached man waved his hand and said, "Aiya, I said that only I can use this spell. As long as you bring the mask, I will definitely be able to satisfy you."

Qin Yu narrowed his eyes and said, "Let me ask you, to activate this male corpse... does it require a certain amount of preparation?"

The mustached man was stunned and muttered, "How do you know?"

Qin Yu rolled his eyes and said, "Every thing you do requires a large amount of preparation. and activating the male corpse is not an easy task, so naturally, you need to prepare."

The mustached man muttered, "Indeed, and I need a certain amount of materials. I don't have these materials at the moment."

"Okay." Qin Yu nodded.

“When you have gathered the materials and are ready, I will take you to see the mask,” said Qin Yu.

Hearing this, the moustache man immediately became anxious. He grabbed Qin Yu and said, “Don’t. Take Me to see the mask first, even if it’s just a glance!”

“No.” Qin Yu’s tone was not negotiable.

“If you have the time, you’d better hurry up and prepare the materials.”

The mustached man scratched his ears and cheeks anxiously, but he couldn’t do anything to Qin Yu.

“Okay, I’ll agree to it.” In the end, the mustached man could only compromise.

“But you can’t Fool Me. These materials require a lot of effort,” the mustached man reminded him.

“Don’t worry, I’m more anxious than you.” Qin Yu glanced at him and said.

At this point, Qin Yu asked, “How much time does this material need?”

The handlebar mustache thought for a moment and said, “At least a month, at most half a year. In short, I’ll do it as soon as possible.”

“It’ll take longer than I thought,” Qin Yu thought to himself.

However, this was the fastest way to challenge the Jingdu Martial Arts Association.

If Qin Yu relied on himself, he would have to become a martial saint, at least at the peak of the Martial Marquis realm.

However, it was almost impossible for him to reach the martial saint realm within a short period of time.

“Then go and prepare as soon as possible. I’ll wait for you,” Qin Yu said.

The handlebar mustache did not hesitate and set off on the same day to search for materials.

After he left, Qin Yu took out his phone and opened the martial arts forum.

As expected, the forum was already in an uproar.

Although the JINGDU martial arts association had tried all means to suppress the news, the impact of this matter was too great. It was already beyond the control of the Jingdu Martial Arts Association.

“Who is this black-robed man? He can actually make the Jingdu martial arts association suffer such a great loss!”

“After so many years, no one has dared to rob them.”

“Even Qin Yu back then could not do such a thing.”

“It is said that this person is Guan zu! That old top martial marquis!”

“Mm, it is said that Guan zu’s seniority is even older than Jiang he. If it is him, then it is not surprising.”

“He robbed the auction, killed three black-gold-robed men, and then left. TSK, TSK, how terrifying.”

For a moment, the words “Black-robed man” became synonymous with mystery.

Naturally, the Jingdu Martial Arts Association lost all face.

...

Jingdu, at a certain golf course.

Today, a few young masters from aristocratic families seemed to be gathering here.

“Have you heard? That black-robed man killed two black-gold robes. If it wasn't for Yan Guiyi's quick escape, I'm afraid he would have died under his blade,” Chu Heng said in a deep voice.

Xiao Yuan smiled slightly and said, “This news is probably known by everyone. It's hard not to know.”

“Who exactly is this person? He actually has such heaven-defying strength. Could it really be that Guan Zu?” Zhuang Teng said with a frown.

Yao Meng, who had been silent the whole time, shook her head and said, “I don't think it's Guan Zu. There's no need for Guan zu to do that.”

“If it's not Guan Zu, who else could it be? It Can't Be Jiang He, right?” Everyone laughed.

“Sigh, I heard that anyone who gets a bloodline from the Jingdu martial arts association will become his prey. This makes us all afraid to go.” Chu Heng sighed.

These people were all on the list. It was originally a good thing, but they didn't dare to go unless the black-robed man died.

Even though they were the top young masters in Jingdu, they only had one life.

“Yeah, if we meet that black-robed man, we... probably won't have a chance to escape,”Zhuang Teng also sighed.

“There's always someone better than us. I was quite self-sufficient originally,”someone said self-mockingly.

At this moment, Kong Yun coldly snorted. “There's no need to belittle yourself. That black-robed man has lived for who knows how many years. If he was as old as us, he definitely wouldn't be a match for us.”

“That's true. Brother Kong is right.”

“That black-robed man has cultivated for who knows how many years. He merely used time to exchange for space.”

Kong Yun's words clearly received everyone's approval.

...

Another day passed, and the Jingdu Martial Arts Association's operation officially began.

In the association's Office, a total of eight black-gold robes stood in front of Xia Hang.

These eight black-gold robes were all in the middle stage of the Martial Marquis Realm.

Not only that, they had also prepared several kinds of spiritual artifacts!

“Has the scene been prepared?” Xia hang swept his gaze across the crowd and asked.

“En, we have long set up an inescapable net. As long as he dares to appear, he will die without a doubt!” One of the black-gold robes said.

Xia hang took a deep breath, then stood up and said, “I will go ask President Qu for the martial saint’s weapon! I promise to kill him at the first opportunity!”

Chapter 639: Chapter 639, disaster!

Use the martial saint weapon!

Hearing this, the black-gold robes could not help but look at each other.

One had to know that the Jingdu martial arts association had not used the martial saint weapon for many years.

Even the last time, Qin Yu, the Jingdu Martial Arts Association had not used the martial saint weapon!

“Is there a need for that? We have made so many preparations, why do we need to use the martial saint weapon?” Someone said coldly.

“The few of us are enough to kill that black-robed man. The key question now is whether he will appear.”

“Martial saint weapon... that’s not a small matter.”

Xia hang said coldly, “You guys don’t know how terrifying this black-robed man is!”

“How terrifying can he be? Do you think he can defeat the eight of us?” Someone sneered.

“Vice president Xia, don’t tell me you think the risk level of this black-robed man is the same as Qin Yu’s?”

“Although the strength of this black-robed man is far above Qin Yu’s, the risk level is far lower than Qin Yu’s.”

“After all, Qin Yu is too young. We are worried about his future growth, but this black-robed man has clearly reached a bottleneck. He can’t pose much of a threat to the Jingdu Martial Arts Association.”

Xia hang slammed the table and stood up. He opened his mouth and was about to say that Qin Yu was the black-robed man.

But in the end, Xia hang held back.

He took a deep breath and said, “In any case, I will apply. Please do your jobs well.”

The few of them snorted and did not say anything. They turned around and walked out.

Xia hang took a deep breath, his face gloomy and uncertain.

To Xia Hang, this was an adventure. Qin Yu Must Die!

If he did not die, then his daughter would be in danger! Therefore, there must not be any accidents!

Thus, Xia hang immediately got up and went to Qu Xie's office, and stated his purpose of coming.

After Qu Xie heard it, he could not help but sneer, "Xia Hang, are you crazy? Using the martial saint's weapon? What are you thinking about? Do you know what the martial saint's weapon means?"

Xia hang said anxiously, "President Qu, only by using a martial saint weapon can we guarantee to kill this Qin Yu! I..."

"Shut up!" Qu Xie shouted sternly and interrupted Xia hang.

"Xia Hang, it's already my limit that I can give you the authority to use the black gold robe! You still want the Martial Saint Weapon?"

"If you run away with the martial saint weapon, who will be responsible? Do you know what a martial saint weapon means?"

Xia hang gritted his teeth. He had an impulse to tell Qu Xie that Qin Yu was the black-robed man.

But in the end, Xia hang gave up on this idea.

Xia hang did not know Qin Yu's methods at all. He was very afraid that after he exposed Qin Yu's identity, the pill would automatically take effect.

"Xia Hang, you have to do this well for me, understand?" Qu Xie said coldly.

Xia hang nodded and said in a low voice, "President Qu, I understand..."

After leaving the Jingdu martial arts association, Xia Hang began to arrange the relevant work.

They had specially set up an academy, and this academy was used to activate the bloodline.

Originally, this academy was going to be put on the agenda very soon, but because Qin Yu had snatched the auction, this matter was put off again and again.

“As long as we release the news about this academy, that Qin Yu will definitely come.” Xia hang took a deep breath.

They had long set up an inescapable net near the academy. As long as Qin Yu dared to appear, even if he had wings, he wouldn't be able to escape!

...

At this moment, Qin Yu was putting away his bedding and preparing to change places.

He put on his hat and left Jingdu that day, heading straight for Qinghe town.

At night.

Qin Yu held his breath and carefully walked into the divine medicine pavilion.

The reason he came to the divine medicine pavilion was to hand over the rainbow glass to the pavilion master.

Below the pavilion master.

Qin Yu's body was as light as a swallow as he arrived at the Pavilion Master's Building.

It was completely silent upstairs. The two apprentice alchemists who were serving the pavilion master had already fallen asleep.

At a glance, a large antique bed came into view.

A white curtain wrapped around the large bed. The gentle breeze caused the white curtain to sway slightly.

Qin Yu walked straight to the side of the bed. He opened his mouth and was about to speak when he saw a scene that he should not have seen.

He saw the pavilion master lying on the bed. She was naked and her snow-white body was clearly visible.

Even though she was not young, her body was like that of a young girl. Her skin was like cream and her hands were like soft hands.

Qin Yu's old face turned red. She quickly turned her face to the side and said softly, "Lord... Lord Pavilion Master..."

Although Qin Yu's voice was very soft, it still woke the Pavilion Master Up!

She opened her eyes and frowned slightly. Her expression was not too good!

But even so, the pavilion master still did not say anything. After all, she knew in her heart that the current Qin Yu could not be seen in public.

Hence, the pavilion master waved her hand and a long robe draped over her body.

“What did you see?”The pavilion master said coldly.

Qin Yu hurriedly waved her hand and said, “I didn’t see anything...”

The pavilion master frowned. She glanced at the medicine boy outside and then waved her hand. A stream of internal Qi landed on the faces of the two of them.

The two of them immediately fell into a deep sleep.

“Pavilion Master, I... I really didn’t see anything... The main thing is that I didn’t expect you to sleep naked...”Qin Yu said with some lack of confidence.

The Pavilion Master’s face turned cold and said coldly, “Don’t mention this topic again!”

Qin Yu hurriedly covered his mouth and nodded like a chick pecking at rice.

“Follow me.”The pavilion master stood up and turned around to walk towards a secret room.

The pavilion master waved his hand and a secret room appeared in front of the two of them.

“Go in.”The pavilion master said.

Qin Yu was the first to step in. The first thing that entered his sight was a huge tea table. Other than that, there were also many paintings and calligraphy hanging on it.

“During this period of time, you can hide here. No one will think that you are here.”The pavilion master said.

Qin Yu shook his head and said, "Pavilion Master, you have misunderstood. I am not here to escape."

The pavilion master asked doubtfully, "Then why are you here?"

Qin Yu's mind moved and he took out the seven-colored glazed tile.

He placed the seven-colored glazed tile on the table and said, "I am here to give you this."

Looking at the seven-colored glazed tile in front of him, the pavilion master sighed slightly and said, "That black-robed man... is indeed you."

Although she had long guessed it, she still had some doubts in her heart. Now, she had completely confirmed Qin Yu's identity.

"Qin Yu, do you know that you have caused trouble?" The pavilion master said in a deep voice.

Qin Yu nodded and said, "I know, but I have no other choice."

The pavilion master narrowed her eyes and said, "Then do you know that the person who is arresting you now is not only the JINGDU martial arts association! The authorities have also issued a warrant for your arrest!"

Chapter 640: Chapter 640 had finally taken the bait!

Of course, Qin Yu knew. After all, the impact of this matter was too great.

Most importantly, there were ordinary people involved.

“Lord Pavilion Master, I... have no other way,”Qin Yu said in a deep voice.

The pavilion master sighed. “Sometimes, don’t be too hasty in doing things. You’ve already done well enough, so why care about the moment?”

Hearing this, Qin Yu suddenly raised his head.

He gritted his teeth and said, “Pavilion Master, you don’t know what Ruoxue encountered in the Jingdu Martial Arts Association! These animals are drinking her blood all the time!”

“Now they even treat Yan Ruoxue as their own martial arts resources and use her to create some super powerhouse! They keep transferring the bloodline of Yan Ruoxue to others!”

“I can’t bear it! As long as I close my eyes, her painful expression will appear in front of me, torturing me all the time!”

“I want to kill all of them, all of them!”

Qin Yu’s emotions were agitated and his eyes were scarlet red. Even the pavilion master was somewhat shocked when he saw it.

“Qin Yu, you... you calm down first.”The pavilion master patted Qin Yu’s shoulder.

Qin Yu took a deep breath and tried his best to calm himself down.

“Pavilion Master, I’m sorry. I lost my composure,”Qin Yu said in a low voice.

The pavilion master shook her head. She didn't continue this topic. Instead, she asked in puzzlement, "Why do you want to snatch the auction? What's in it for you?"

Qin Yu opened his mouth. He originally wanted to tell the pavilion master about the male corpse.

But after thinking about it, he still didn't say it in the end.

"In short, it's useful to me," Qin Yu said.

Seeing this, the pavilion master didn't continue to ask.

"Qin Yu, you have to be careful. If you are captured..." the pavilion master didn't continue, but his intention was very obvious.

Qin Yu nodded and said, "Don't worry, I will be careful."

"Stay here for the next few days to avoid the limelight," the Pavilion Master said.

Qin Yu didn't refuse. He nodded and agreed.

That night, Qin Yu stayed in this secret room.

No one knew that Qin Yu would appear in the Divine Alchemist Pavilion. Even the pharmacists of the Divine Alchemist Pavilion knew nothing about it.

The next day.

Qin Yu took out the auction items that he had snatched from the auction.

Among these auction items, there were many precious herbs that were more than a thousand years old.

Qin Yu took advantage of these few days to start refining pills and devouring them.

In the blink of an eye, three days had passed, and Qin Yu had finished eating all the herbs.

However, these herbs could not help Qin Yu reach the intermediate stage of the Martial Marquis Realm. The higher he went, the more difficult it was for Qin Yu to cultivate, especially for him.

The amount of Qi/spiritual energy he needed to cultivate was ten times or even dozens of times that of others! Therefore, he needed a large amount of herbs!

This also caused Qin Yu to be unable to stop and rest.

Qin Yu sighed slightly. He took out his phone and opened the martial arts forum.

On the Forum, the top message was about the establishment of the academy by the Jingdu Martial Arts Association!

Qin Yu hurriedly opened this message and saw that it described the activation of the bloodline!

“Damn it!” Qin Yu immediately flew into a rage!

The Jingdu Martial Arts Association had actually established an academy. Was it going to suck Ruoxue’s blood dry! !

Not only that, this message also included Uncle Chen. There were already many students in the academy who had been baptized by the blood.

This made Qin Yu Burn with rage and anger!

“Jingdu Martial Arts Association...”Qin Yu could not calm down. He clenched his fists and then pushed open the door and walked out.

After pushing open the door, he bumped into the pavilion master.

The pavilion master frowned. “What’s Wrong?”

Qin Yu said, “Lord Pavilion Master, I’m going to Jingdu.”

“Go to Jingdu?”The pavilion master frowned slightly.

“Now they are all thinking of ways to catch you. Aren’t you sending yourself to death by going to Jingdu?”

Qin Yu said coldly, “I have to go.”

Although the pavilion master wanted to advise Qin Yu, she could see that Qin Yu had made up his mind to go.

Thus, she could only say, “Then be careful.”

Qin Yu grunted in gratitude. That day, he left Qinghe town and headed straight for Jingdu.

After arriving in Jingdu, Qin Yu was not in a hurry to act. Instead, he temporarily found a place to stay and looked up information about this academy.

After investigation, Qin Yu learned that this academy was named Jingdu Martial Arts Academy.

And the first batch of students were the inner members of Jingdu martial arts association, including the nine people who were killed by Qin Yu.

As for the second batch of students, they were the talented young masters of the various aristocratic families.

These young masters had yet to participate for the time being, and the exact time was yet to be determined.

“This academy... MUST NOT be established!” Qin Yu said through gritted teeth.

Once they were successfully established, it meant that Qin Yu would go against all the aristocratic families!

At that time, Qin Yu would definitely be in a passive position.

At night.

Qin Yu came to Xia Hang's home again.

When Xia Hang returned home, Qin Yu was playing with the building blocks with Xia Hang's daughter.

“Uncle, I still want to eat.” The little girl grabbed Qin Yu's arm and said.

Qin Yu smiled. He took out a lollipop as if he was performing a magic trick.

“This is the last lollipop. Eating too much is not good for your health.” Qin Yu handed the lollipop to the little girl.

“En!”The little girl nodded vigorously. She grabbed the lollipop and ran to the side.

Seeing this scene, Xia hang hurried over.

He said coldly, “Qin Yu, what did you let my daughter Eat!”

Qin Yu glanced at him and said, “Don’t be nervous. It’s just an ordinary lollipop. I bought it from a small store.”

Even though that was the case, Xia hang was obviously worried.

Qin Yu snorted and said, “Before you betray me, I Won’t do anything to a child. After all, I’m not a beast of your Jingdu martial arts. I haven’t lost my humanity yet.”

Xia hang’s expression was a bit ugly. He tried his best to calm down and said, “What are you doing here?”

Qin Yu said coldly, “Jingdu Martial Arts Academy has a few members now.”

Hearing this, Xia Hang’s heart immediately rejoiced.

However, he still pretended to be cold and said, “Three. Why?”

“Nothing much.”Qin Yu stood up and said.

“Your Jingdu Martial Arts Association is really a bunch of bastards. In order to expand their own power, they don’t care about the safety of other people’s lives.”

Xia hang sneered, “Qin Yu, don’t be so childish. As long as the benefits are enough, a life is nothing.”

“Oh?” Qin Yu couldn’t help but sneer.

“Then how much do you plan to exchange for Your Daughter’s life?”

Hearing this, Xia hang immediately became furious, “Qin Yu, my daughter’s life is not worth anything!”

“Your Daughter’s life is life, but other people’s lives are not life?” Qin Yu said coldly.

Xia hang was stunned and had nothing to say.

Qin Yu didn’t continue to talk nonsense with Xia Hang. He turned around and prepared to leave.

“Wait!” At this time, Xia hang suddenly called out to Qin Yu.

Qin Yu glanced at him and said, “Why, do you still have something to do?”

“No.” Xia hang waved his hand again.

Qin Yu didn’t say anything. He turned around and left.

After Qin Yu left, Xia Hang took a deep breath. His eyes emitted a chill.

“Finally, you’ve taken the bait. Qin Yu, this time, you’re dead for sure!”

Chapter 641: Chapter 641, Qin Yu appeared!

Xia hang was waiting for him to fall into the trap!

As long as Qin Yu died, he could rest easy and even receive the reward from the Jingdu Martial Arts Association!

“No one in the world can threaten me.”Xia hang’s figure hid in the darkness and said coldly.

...

After Qin Yu left, he returned to the hotel.

He caressed the black robe in his hand and coldly said, “Tomorrow, I will let them all die in my hands.”

This so-called academy would also be destroyed!

However, at this moment, Qin Yu did not know that the JINGDU martial arts association had already set up an inescapable net.

The next day.

The vicinity of the Jingdu Martial Arts Academy was completely silent.

Martial Arts was originally a side sect, and very few people participated in it. Therefore, the location where this academy was set up was also relatively remote.

As far as the eye could see, there was no one there.

The surroundings were either lofty mountains or endless forests.

At this moment, there were eight men in black and gold robes hiding in the dark of the academy.

They stood at the commanding point and looked coldly at the entrance of the Academy.

“Is everything ready?” Xia hang asked coldly.

“En, there is no inescapable net here. As long as he comes, there is no way he can escape.”

“The eight of us have already used our magical artifacts to seal off this area. Even if he grows wings, there’s no way he can escape.”

Xia hang glanced at them and said coldly, “We must kill him at the first opportunity. We must not give him the slightest chance to catch his breath!”

“Don’t worry. If we can kill them, we naturally won’t choose to capture them alive,” someone said coldly.

Xia hang lit up a cigarette and took a deep breath.

His fingers trembled slightly, as if he was a little nervous.

Xia hang knew very well that this was a choice.

Between the Jingdu Martial Arts Association and Qin Yu, Xia Hang chose the Jingdu Martial Arts Association.

Xia Hang, who originally planned to be on both sides, changed his mind.

There was no other reason, it was just that Qin Yu was too unstable.

He had no respect for the strong. Such an unruly and unruly person would usually die halfway.

“I’ll leave the rest to you guys,”Xia Hang said coldly.

“What, you’re not going to show up?”Someone beside him asked.

Xia hang said self-deprecatingly, “With my strength, I won’t be of much help.”

“I’ll wait for Your Good News.”

After saying this, Xia hang turned his head and left.

Time flew by.

The surroundings of the Academy were still silent.

Qin Yu’s figure did not appear for a long time.

They waited from early morning to evening, but Qin Yu still did not appear.

This could not help but make them suspicious.

“Hasn’t he arrived yet?”Xia hang walked over from the dark and asked in a deep voice.

The few of them looked at Xia hang coldly and said, “We still want to ask you. where is he? Didn’t you say that he would definitely come?”

Xia hang lit up a cigarette and took a deep puff. Then, he said, “Don’t worry, he will most likely come at night.”

“I hope so.”The few of them snorted.

The sky gradually darkened and turned from dark to bright again.

However, the black-robed man that they had been waiting for still did not come.

“Vice President Xia, are you kidding us?” The few of them were slightly unhappy.

Xia hang said angrily, “Do I have the mood to joke with you! I want to kill him more than any of you!”

“Then where is He!” These people did not give in and shouted angrily.

Xia hang frowned slightly, and he was also somewhat puzzled.

Could it be that... Qin Yu had given up?

Or perhaps, he had realized something?

“Let’s continue to wait, he will come sooner or later.” Xia hang said as he blew out a smoke ring.

“Continue waiting? How long will we have to wait? If he doesn’t come, won’t we have to wait for the rest of Our Lives?” The few of them said coldly.

Xia hang narrowed his eyes and said, “He will definitely come. It’s just a matter of time.”

“Also, since President Qu has given me the authority, you have to listen to me!”

“I am your superior now. If anyone dares to disobey my orders, I will definitely report it to President Qu.”

After saying this, Xia hang turned around and left.

After he left, a trace of mockery appeared on their faces.

To these black gold robes, they simply looked down on Xia hang.

Although Xia Hang was a vice president, everyone knew in their hearts that the purpose of his existence was for him to benefit from the outside world and build a good relationship with the various aristocratic families.

As for his strength, it was not even worth mentioning in front of these black-gold robes.

Time flew by.

In the blink of an eye, another day had passed, but the black-robed man still did not appear.

This made everyone even more anxious, and they even had the intention to leave.

At this time, Qin Yu had already found a second house to rent.

Although Qin Yu's anger was hard to calm down, he was not a rash person.

Qin Yu was somewhat wary of Xia Hang.

Therefore, he was not in a hurry to head to the Martial Arts Academy. Instead, he planned to wait and let the bullets fly for a while.

Qin Yu's thoughts were naturally fine, but Xia hang was not a fool.

As someone who often interacted with the various aristocratic families, he naturally had a deep grasp of the hearts of people.

In the next few days, Qin Yu did not have any intention of heading to the Martial Arts Academy.

A few black gold robes suggested that they continue to release the news to agitate Qin Yu. However, this idea was immediately rejected by Xia Hang.

“Absolutely not. Don’t move at all. Just wait here.” Xia Hang said while smoking.

“Xia Hang, I think you’re playing with us. If he doesn’t come, you won’t Do Anything?” Someone said coldly.

Xia hang glanced at him and snorted, “What a bunch of idiots with strong limbs and Simple Minds!”

“What did you say?” The few of them narrowed their eyes and revealed a trace of killing intent.

Xia hang was fearless and sneered, “If we release the News Now, don’t you think it’s too deliberate?”

“The reason why Qin... The black-robed man didn’t show up, it means that he suspects that we have a trap.”

“Once we release the news now, even a fool can see that we are deliberately luring him here.”

These few words instantly rendered the eight black-gold-robed men speechless.

“Alright, then I’ll wait for him for another three days! If he doesn’t come in three days, we’ll go and explain the situation to President Qu,” the few of them said coldly.

Xia hang remained silent. He stood at a high place and whispered, “It seems that this Qin Yu isn’t a reckless man. I underestimated him.”

Another two days passed, and Qin Yu still did not come.

This made the black and gold robes lose their patience completely.

They looked coldly at Xia hang and said, “Xia hang, even though what you said makes sense, we will not continue to wait. Time is very precious to us.”

After saying this, the few of them turned around and were about to leave.

Xia hang was anxious, but there was nothing he could do.

However, at this moment, a black shadow appeared not far away.

He was walking towards the entrance of the martial arts academy.

“He’s Here!” Xia hang hurriedly stopped everyone!

Looking down, he saw that the black-robed man was walking over!

“He’s finally here..” The eight people’s expressions turned cold, and a strong killing intent burst out from their eyes.

Chapter 642: Chapter 642, fighting against the eight black-gold robes!

At this moment, Qin Yu was walking towards the martial arts academy step by step.

He did not know that there was an ambush waiting for his arrival.

Very soon, Qin Yu arrived at the entrance of the martial arts academy.

He released his spiritual sense, trying to investigate something.

“HM?”

Very soon, Qin Yu felt several powerful internal Qi!

“Eight intermediate stage martial marquises?” Qin Yu frowned slightly.

Before he could react, these eight black-gold robes had already arrived!

They hovered in eight different directions and looked at Qin Yu coldly.

“Black-robed man, today is the Day You Die!” A chill burst out from the eight people.

The Aura on their bodies was extremely strong, and it could not help but make people feel a chill in their hearts!

Qin Yu’s expression changed slightly, and he could not help but clench his fists.

“Even though I was so cautious, I still fell for it...” Qin Yu quickly understood.

He swept his gaze over these eight people, and quickly made a judgment in his heart.

The strength of these eight people was not inferior to Yan Guiyi, and was even above Yan Guiyi!

Most importantly, they had made sufficient preparations to specifically target Qin Yue!

“Not good,” Qin Yu thought to himself.

Qin Yu might have the strength to fight against eight intermediate stage martial marquises.

However, since they had set up an ambush, they must have made thorough preparations!

“I must think of a way to retreat quickly,” Qin Yu thought to himself.

“Black-robed man, surrender. We can leave a complete corpse for you,” someone in the air said coldly.

Qin Yu didn't say a word. His palm shook, and he held the scarlet bronze sword in his hand!

Then, Qin Yu directly slashed at them.

A blood-red sword light was about to cut through the air. It carried a sharp sword power and rippled.

“Clang!”

However, the other party only raised his hand slightly to block this attack!

“If we weren't prepared, how would we dare to wait for you here?” They said coldly.

Qin Yu focused his eyes and saw that his hand was wrapped in a black-gold glove.

Obviously, this fist was also made of black-gold Stone!

Qin Yu secretly felt that things were not good. He took a deep breath and gathered his spiritual energy on his legs.

In the next second, Qin Yu's body flashed explosively, trying to find an opening to escape!

But at this moment, a golden light suddenly flashed in the sky!

A magic tool was suspended in the air, and it emitted waves of golden light!

The light formed a circle and blocked Qin Yu's path!

"Do you think you can still escape? !" A fierce shout entered Qin Yu's ears!

Qin Yu's expression changed slightly. It would not be so easy to escape today.

The black-gold robe of the Jingdu martial arts association was divided into groups.

Each group had an extremely strong ability to cooperate.

Moreover, the more people there were, the stronger they would be.

This was a group of eight people. Their strength was definitely above Yan Guiyi's three-person group!

“Surrender!” A shout came like a lightning strike!

Qin Yu felt his eyes lose focus and almost fell to the ground!

“His voice contains a spiritual attack!” Qin Yu’s expression changed slightly!

At the moment he went blank, a beam of light shot out from the ground and directly sent Qin Yu flying!

“Swish! Swish! Swish!”

Before Qin Yu could get up, several beams of light like vines drilled out from the ground and bound Qin Yu’s entire body!

Qin Yu’s expression changed. He tried to break out of this restraint, but he realized that these lights were both hard and soft. As long as Qin Yu exerted his strength, he would be tightly bound!

“It’s useless,” someone in the air said coldly.

“We’ve been waiting for you here for several days. How could we not be prepared?”

Qin Yu narrowed his eyes and said coldly, “If I’m not wrong, the organizer of this operation... is Xia Hang, right?”

“It has nothing to do with you. You just need to know that you will definitely die today,” they replied coldly.

Qin Yu frowned. He tried to wave the bronze sword, but found that his wrist was tied up and he couldn’t move at all.

“Swish!”

At this moment, a sharp magic weapon shot toward Qin Yu!

This sharp blade was extremely vicious and was aimed directly at Qin Yu's glabella!

Qin Yu's expression changed. He did not dare to be negligent and quickly activated the holy body technique to protect his body!

A Ray of golden light lit up from Qin Yu's body, and the area between Qin Yu's glabella became even more resplendent!

“Clang!”

The sharp blade shot onto this golden light, causing a loud sound to ring out!

“Oh? Golden Light? Interesting.” Seeing this scene, those people could not help but be a little surprised.

“I remember that Qin Yu... is also covered in golden light. This kid can't be related to Qin Yu, right?”

Qin Yu's expression became a little ugly. He knew very well that once he used the sacred body technique, there was a very high possibility of being exposed!

However, Qin Yu had no other way at the moment. If he did not use the sacred body technique, he would definitely die!

“Stop talking nonsense. Just kill him directly.” The few people looked at each other and said coldly.

They didn't say anything more and walked towards Qin Yu with big steps.

However, at this moment, a golden light suddenly burst out from Qin Yu's body!

A terrifying internal Qi instantly burst out!

“Bang!”

The light surrounding Qin Yu was directly shattered!

Qin Yu left the silence. He waved his big hand and held the bronze sword again. He raised his hand and slashed out with the Tai Qing nine slashes!

“Buzz!”

A terrifying sword light rose up. Qin Yu held the sword with both hands and slashed down ruthlessly!

“You don't know Death!”The few of them snorted. The eight of them activated their spells at the same time. In an instant, a huge circular plate condensed in the sky above them!

What was horrifying was that this circular plate actually swallowed the sword light directly!

“I'll return it to you!”They snorted coldly. Then, they pushed with both hands. The sword light actually erupted from the circular plate and slashed toward Qin Yu!

Qin Yu's expression changed. He hurriedly held the bronze sword horizontally in front of him!

“Clang!”

At the instant of the collision, a loud explosion sounded out!

Even though Qin Yu used the bronze sword to block it, the terrifying power still sent Qin Yu flying dozens of steps!

“What kind of spell is this?” Qin Yu looked at the circular plate in their hands and his expression couldn’t help but change.

At this moment, the huge circular plate turned into eight small circular plates, hanging in each person’s palm.

“There are also spells, just use them,” the few people said coldly.

Qin Yu frowned and said in a low voice, “That disk seems to be a magic tool... it can swallow my spiritual power.”

The essence of this sword light was still formed by Qin Yu’s spiritual power.

In other words, the bronze sword was a vessel, used to carry the spiritual power of the person holding the sword.

And the higher the level of this vessel, the greater the power it would unleash.

Therefore, a true master of swordsmanship had to rely on rich spiritual power or inner strength.

This was just Qin Yu’s guess, he didn’t know whether it was true or not.

Therefore, he immediately held his sword and slashed out a second time!

Chapter 643: Chapter 643, unparalleled physical body!

A streak of sword light slashed out once again!

The few of them used the same trick again. The disc lit up once again and swallowed the streak of Sword Light.

In the next second, the sword light erupted from the disc and slashed fiercely at Qin Yu!

“Clang!”

Qin Yu held the bronze sword in his hand and his body was once again sent flying.

“As expected.” Qin Yu’s expression was slightly unsightly.

It was very obvious that this round plate was specially used to deal with Qin Yu.

All the spells would be swallowed into it, and it would be returned with double the amount!

In other words, if Qin Yu continued to use the sword, he would not be able to hurt these people at all!

“All the spells would be swallowed, and then it would be returned with double the amount,” Qin Yu said coldly.

“In this case, I can only rely on my physical body.” Qin Yu frowned very tightly.

If he relied solely on his physical body, Qin Yu would not be afraid of these people at all.

Ever since he stepped into the rank four Martial Marquis Realm, Qin Yu's physical body had once again become tyrannical.

However, if that was the case, his identity would definitely be exposed!

“Chi la!”

Just as Qin Yu was hesitating, a hand knife slashed towards qin yu with a “Shua” sound.

With an extremely fast speed, it instantly tore apart Qin Yu's black robe!

Not only that, Qin Yu's body was also slashed with a meter long bloody scar!

The blood flowed down along the scar. Qin Yu lowered his head to look at his own body, his expression becoming colder and colder.

Raising his head to look, he saw that the palm was wrapped in black gold rock.

The black gold rock transformed into a sharp hand knife. With each palm strike, it could shatter mountains and rivers!

“Humph, all your sword techniques are not worth mentioning in front of us.” The few people sneered.

“Everything you have done to the JINGDU martial arts association, only death can calm your anger!”

Qin Yu gritted his teeth. He looked at these people coldly, and his heart faintly felt somewhat perturbed.

The bronze sword was no longer useful. If he slashed out a third time, not only would he not be able to hurt them, he would even lose his life!

Unless Qin Yu was able to use the fourth strike, using an unimaginable amount of spiritual power to directly shatter the circular magic tool!

However, this was simply impossible. No one could use the fourth strike at the early stage of the Marquis Realm!

“Kid, it’s time for you to pay the price!”

Accompanied by a loud shout, several people simultaneously activated their spells and attacked Qin Yu!

As the black-gold robes of the Jingdu martial arts association, they had countless spells in their hands!

The overwhelming spells blotted out the sky and covered the sun, making it impossible for Qin Yu to dodge them!

These spells were all reinforced by black-gold stones, and their power was incomparably powerful. Even Qin Yu’s physical body did not dare to take them head-on!

He hurriedly dodged, looking rather miserable.

However, these spells were densely packed, making it impossible for him to dodge them in time. Qin Yu’s physical body was constantly being smashed, and his body was continuously pushed back.

He only felt as if his internal organs had been hit, and fresh blood flowed out of his mouth continuously.

Wounds appeared on Qin Yu’s body one after another.

His black and gold robe was almost pulled back, and it hung on his body like strips of cloth.

“No... if this continues, I will definitely die here...”Qin Yu gritted his teeth.

Even if his body was made of iron, it would not be able to withstand this indiscriminate bombardment!

“I have to think of a way to escape this place as soon as possible.”Qin Yu raised his head and looked at the Golden Magic tool that was suspended in the air.

This magic tool was round, like a golden bowl.

Qin Yu took a deep breath. He held the bronze sword in his hand and then slashed out!

“Clang!”

However, the few black-gold robes quickly blocked the magic tool in front of the Golden Bowl, blocking this spell!

“HMPH, you want to destroy this magic item? In your dreams!”One of them snorted coldly.

Then, he directly took out the disc and covered the magic item on the Golden Bowl!

“Damn it...”Qin Yu wiped the blood from the corner of his mouth, and his expression couldn't help but turn ugly.

At this moment, Qin Yu couldn't help but think of the handlebar mustache.

If the handlebar mustache was there, there would definitely be a way. He had countless treasures in his hands, and he would definitely be able to think of a way to escape!

“Don’t put up a stubborn resistance. It’s useless. When you attack the Jingdu Martial Arts Association, you should have thought of the consequences,” the few people said coldly.

“Buzz!”

The few people raised their hands, and another spell came crashing over. It smashed into Qin Yu’s Dantian, sending Qin Yu flying dozens of meters!

“Hmph, I have to say, your strength is indeed not bad, but our Jingdu martial arts association has long formulated a plan to deal with you.”

“Anyone, in front of the Jingdu martial arts association, can only submit or die.”

Qin Yu wiped the blood at the corner of his mouth and said in a low voice, “As expected of the Jingdu Martial Arts Association. Treasures are really piling up one after another. These few magic tools... are really beyond imagination.”

“Hehe, this is just the tip of the iceberg. The Jingdu martial arts association controls the most luxurious martial arts resources in the world. No one can compare.” There was an unspeakable pride in their tone.

“The current you is just a fish in a jar, a fish in a chopping board!” They placed their hands behind their backs, and their black and gold robes shone brilliantly under the light.

Qin Yu held the bronze sword in his hand, and his expression became even more solemn.

His black robe was already soaked in blood, and it was almost tattered.

If this continued, he would definitely die!

“Alright, we’ve waited for so long. It’s time to reel in the net,” the few people said faintly.

One of them raised his palm, which was facing Qin Yu. It flickered with rays of black-gold light.

The light condensed in his palm, and an extremely powerful force rippled out.

Qin Yu focused his eyes and couldn’t help but say coldly, “Black-gold stone again!”

At the core of the light, there was actually a black-gold stone!

Its terrifying power was enough to destroy the world!

The rest of them lifted up the disks. Seven disks flickered in the air, ready to absorb Qin Yu’s sword light at any time!

Qin Yu stood up straight and looked at the sky coldly.

The black-gold stone that contained destructive power became more and more powerful in his palm!

A whirlwind blew around him, and the entire enemy seemed to be buzzing!

Anyone could see that the power of this technique was extraordinary!

“No matter who you are, it’s time for you to pay the price!”The few people said coldly.

In the next second, that palm suddenly pushed towards Qin Yu’s direction!

The black-golden light wrapped around the black-golden ball and shot towards Qin Yu explosively!

“I don’t care anymore!”Qin Yu gritted his teeth and said in a low voice.

At this moment, he did not care about whether or not his identity would be exposed!

The most important thing was to protect his life first!

Streams of golden light burst out from Qin Yu’s body! This golden light even covered Qin Yu’s black and gold robe!

The powerful light was even inferior to the round spiritual artifact hanging in the sky!

“Absolute beginning Holy Fist!”

The light on Qin Yu’s fist became brighter and brighter, and the terrifying power of his body began to burst out!

Chapter 644: Chapter 644, could it be that he was Qin Yu! !

Raising his head to look at the black-golden light, Qin Yu let out an angry roar. His fist immediately shone with a golden light as he met it head-on!

“HMPH, a sword master dares to use his physical body to fight. He’s simply courting death.”

Seeing this, the few of them could not help but sneer.

One had to know that usually, a sword master’s physical body was not that good. One could even call it his weakness!

However, they did not expect that the person under the Black Robe was Qin Yu!

“Clang!”

The moment the fist collided with the black-gold light, the entire ground was instantly filled with dense cracks!

Even the martial arts academy in the distance began to crumble!

Crushed Rocks shot out like bullets, and the sound of “Crackling crackling” could be heard continuously!

“Ah! !”

Qin Yu kept roaring. His veins bulged, and his physical body was pushed to the limit!

“Boom!”

Finally, the black golden ball could not take it anymore and flew back!

The faces of the few people changed drastically, and they exclaimed, “How is this possible! ?”

The smoke and dust dispersed, and Qin Yu’s body was covered in golden light!

His fist carried a fierce force, and there was not a single scratch on it!

“This kid’s body... how can it be so strong!”The few of them had ugly expressions on their faces!

“Golden light... strong body... why does this black-robed man look so similar to the deceased Qin Yu!”

“Impossible, Qin Yu is already dead. He died long ago in the immortal slaying sect!”

“Who exactly are you? What does it have to do with Qin Yu!”

Qin Yu didn’t say anything. He stomped on the ground, and with the absolute beginning Holy Fist in his hand, he shot towards the few of them!

They didn’t dare to be negligent and immediately clenched their fists to receive the attack.

They had the protection of the Black Goldstone, so they naturally wouldn’t be afraid of Qin Yu!

“Clang!”

The moment the fists collided, the Black Goldstone immediately buzzed!

Even though the Black Goldstone protected his fist, the huge impact force directly forced him back!

“How is this possible! His physical body is actually comparable to the Black Goldstone!” When they saw this, they immediately turned pale with fright!

Qin Yu seized the opportunity, and his fists smashed down like raindrops!

This was the first time Qin Yu had used his physical body to fight after he had stepped into the rank four martial Marquis Realm!

Even Qin Yu had not expected such terrifying power!

The black gold robe was continuously pushed back by Qin Yu, and the Black Gold Stone armor on his body began to collapse!

His body suffered a huge impact force, and the force penetrated through the black gold stone armor, almost breaking his physical body into pieces!

After a series of indiscriminate bombardments, the black-gold robe directly fell to the ground, bleeding profusely.

The black-gold armor on his body collapsed in many places. Although it could not be shattered, it had already shocked everyone!

“He could actually beat the black-gold stone to such an extent... how could the strength of this kid’s body be so terrifying!” A trace of solemnity flashed across their faces!

According to the information they had received, this black-robed man was only a sword master. That was why they had prepared a disk magic weapon!

However, they did not expect that this person's physical strength would be so tyrannical to such an extent!

Qin Yu took a deep breath, and a trace of solemnity once again appeared on his face.

“As expected of the black gold stone. Even a fourth grade martial marquis would not be able to break it.”Qin Yu frowned.

If he had used the bronze sword, he would have been able to shatter the black gold stone! Unfortunately, he could not use it at all.

“Everyone, don't waste any more time. Hurry up and kill him!”

At this moment, the remaining seven black gold robes said coldly.

Qin Yu did not dare to be negligent. He immediately turned around and looked at these people.

Their expressions were somewhat solemn, and the internal Qi on their bodies was rapidly rising.

“Supreme Divine Chant!”

At this moment, one of the black-gold robes suddenly opened his mouth, and a strange voice came from his mouth!

In that instant, Qin Yu felt his entire brain buzzing. He was in a daze, and his spiritual sense seemed to have received a huge impact!

Another spiritual sense attack! This person's voice seemed to contain an extremely powerful spiritual sense attack, causing Qin Yu to fall into a momentary state of Chaos!

In a life-and-death battle, victory and defeat could be decided in just a second!

“Heavenly Lightning!” Taking advantage of this gap, another person activated a spell!

Muffled Thunder condensed in the sky and poured down on Qin Yu's body!

“Spirit Light Buddha hand!”

“Scarlet Sun Boom!”

“Swimming Dragon Sacred Saber!”

In just a split second, several people activated their spells at the same time and smashed towards Qin Yu!

“Boom!”

A few spells exploded on Qin Yu's body and smashed him into the ground!

A huge pit appeared in the ground, and Qin Yu's body was smashed several meters into the ground!

“Golden Bell Thunder!”

They struck while the iron was hot, and the spells in their hands condensed again.

“Boom!”

The huge pit seemed to be buried with thousands of bombs, and it almost blew the ground apart!

Dust rose up in the surroundings, and many bloody marks appeared on Qin Yu’s body!

The sparkling white bones were exposed, and it was a horrible sight!

Qin Yu climbed out of the pit with great difficulty. He looked at the people in front of him, and his face became colder and colder.

“If this continues... I will really die here.”Qin Yu took a deep breath.

At this moment, Qin Yu couldn’t care about anything else.

His mouth opened slightly, and his eyes instantly turned scarlet red. The symbol of the divine dragon seal appeared on his forehead!

At this moment, Qin Yu’s internal Qi was instantly adjusted to the extreme. The toughness of his physical body far surpassed that of steel!

Under the augmentation of the sacred physique technique, Qin Yu’s body shone with golden light!

“HMM? What kind of technique is this?”When the few of them saw this scene, their expressions couldn’t help but change!

For some reason, the black-robed man in front of them seemed to become more and more familiar!

A golden body, scarlet eyes, and an incomparably fierce fist...

“Why does this person look so similar to Qin Yu!”

“Could it be that he is Qin Yu?”

“Impossible! Qin Yu is only in his early thirties. He is only a junior. It is impossible for him to have such strength!”

“This person is probably Qin Yu’s Master!”

Just as they were guessing, Qin Yu’s feet had already stepped on the ground and shrunk into an inch as he shot over explosively!

“Boom!”

His fist was extremely fast, leaving afterimages in the air!

This punch directly smashed into his lower abdomen!

The black-gold Robe’s body instantly turned into a shrimp-like shape. His eyeballs almost popped out, as if they were about to explode!

Qin Yu did not stop there. He clasped his hands together and ruthlessly smashed towards his spine!

“Kacha!”

This crushing force directly smashed his body into a strange arc, and then he rapidly fell downwards!

His spine was actually directly shattered!

“Not good! This person’s physical strength is beyond our imagination!” They cried out in alarm!

“Chi Yang Hong!” Upon seeing this, the few of them once again activated their spells!

But this time, Qin Yu directly clenched his Golden Fist to meet it!

“Boom!”

After the huge explosion, that Scarlet Sun Boom was directly smashed into pieces by Qin Yu!

The terrifying fist arrived in front of him in the blink of an eye!

“Bang!”

This fist firmly smashed into his face!

In an instant, his nose bone was shattered, and his face bone caved in!

“What a terrifying body...” seeing this, the few people turned pale with fright!

Qin Yu said coldly, “As expected of the black gold robe of the Jingdu Martial Arts Association. This punch actually didn’t break your head!”

Chapter 645: In chapter 645, he was Qin Yu!

The battle prowess displayed by Qin Yu was obviously beyond their imagination.

They had never thought that Qin Yu’s physical body would be so tyrannical!

If they had gotten this information earlier, they wouldn’t be in such a sorry state now!

“No, if this continues, it might be disadvantageous to us,” the few people said coldly.

Qin Yu had the same thought in his heart.

The few swords he swung out were used to use a large amount of spiritual power.

Although Qin Yu could use his physical body to fight, at that time, he wouldn't be able to use the holy body technique or the power of the Divine Dragon, and shrinking the ground into an inch would also disappear.

More importantly, no one knew if the Jingdu martial arts association had any support!

The two sides looked at each other as if they were testing each other.

“Everyone, if you can't kill him, then trap him!” At this moment, the few of them seemed to have made up their minds.

In the next second, their bodies and minds took a few steps back! Then, the few of them whispered at the same time, as if they were casting some kind of spell!

Qin Yu didn't dare to waste any more time. He took a deep breath, then his feet shook, and the heavy falling space instantly spread out!

“We must kill them in the shortest time possible,” Qin Yu said coldly.

He strode forward and strode toward these people!

Under the influence of the heavy falling space, their speed was greatly restricted. They were far from being on par with Qin Yu!

Golden Light burst out from Qin Yu's body, and his pair of iron fists carried a great sense of oppression!

“Go to hell!”

Just as Qin Yu was about to make his move, the golden bowl suspended in mid-air suddenly exploded with a ray of light!

The golden bowl suspended in mid-air grew larger and larger, and from high above, it covered Qin Yu!

Qin Yu's expression changed. He wanted to use shrink earth to escape, but he realized that he couldn't break free at all!

A few rays of light condensed under his feet once again, firmly wrapping around Qin Yu's body!

The Golden Bowl covered Qin Yu, and the bright light began to converge on the top of Qin Yu's head!

“Boom!”

Finally, the Golden Bowl fiercely pressed down on the ground, raising waves of dust!

Seeing this, the few of them finally heaved a sigh of relief.

“First trap him here, then bring him back to the Jingdu Martial Arts Association,” the few of them said coldly.

They glanced around. In this battle, three of them were actually seriously injured!

“Dong!”

At this moment, a loud sound came from the Golden Bowl!

“Dong!”

Before they could react, another loud sound came from the Golden Bowl!

“He won’t break this Golden Bowl, right?” Someone frowned.

“Don’t worry. This golden bowl is as hard as black gold stone. It’s impossible to break it.”

In the Golden Bowl, Qin Yu kept throwing punches at the Golden Bowl.

Although the Golden Bowl appeared to have collapsed, it didn’t show any signs of collapsing.

Looking up at the huge golden bowl, Qin Yu couldn’t help but squint his eyes.

Then, Qin Yu’s palm shook, and he took out the bronze sword again!

“There’s no disk to protect my body now, right?” Qin Yu said coldly.

Then, Qin Yu held the sword with both hands, and rays of bright light condensed on the bronze sword!

“Nine slashes of supreme purity, third slash!”

Qin Yu roared angrily, and all his spiritual power was injected into the bronze sword!

A terrifying sword light rose up, and slashed across the golden bowl from top to bottom!

Then, a sword mark appeared on the Golden Bowl!

“What... What is this?” The faces of the black and gold robes could not help but change!

Before they could react, the crack burst out with brilliance, and the entire Golden Bowl was actually split into two halves!

“It’s broken, the Golden Bowl is broken!” Seeing this scene, they immediately panicked!

Qin Yu jumped out of the Golden Bowl!

He held the bronze sword in his hand, and his mouth was panting.

It was obvious that Qin Yu was already exhausted.

“We can’t continue fighting. We have to escape as soon as possible.” Qin Yu glanced around.

Without the Golden Bowl, the surrounding light naturally disappeared.

Qin Yu glanced at them coldly, then turned around and left!

He stepped on the ground and quickly disappeared from their sight.

These black-gold robes didn’t dare to chase after him. They only looked coldly in the direction where Qin Yu escaped.

“We actually let him escape,” one of them said coldly.

“It’s not our fault. No one expected that this person not only had excellent swordsmanship, but also had an unparalleled body.”

“Let’s go back first and report this situation to President Qu.”

The few of them looked at each other. They helped the injured person up and left the place.

...

Jingdu martial arts association.

Xia hang was sitting in his office, feeling uneasy.

He kept drinking tea, and his eyes looked out from time to time.

At this moment, the few black and gold robes appeared in Xia Hang’s field of vision!

He quickly stood up and went out to greet them.

“How is he? Is He Dead?”Xia hang asked anxiously.

The few of them just looked at Xia hang coldly and did not say anything.

“What’s going on? Is He Dead?”Xia hang asked anxiously.

The few of them still ignored him and strode toward Qu Qu’s office.

Xia hang had no choice but to follow closely behind.

They came all the way to Qu Xie’s office.

When he saw the severely injured people, Qu Xie could not help but frown. “What’s going on? Did you catch the black-robed man?”

“No,”they said coldly.

“What? No?!” Xia hang immediately became anxious.

“Are you all trash? ! So many people can’t even kill a black-robed man!”

The few of them looked at Xia hang coldly, their eyes filled with a strong sense of threat.

“President Qu, we underestimated this black-robed man. Not only does he have superb swordsmanship, but his physical body is also beyond imagination!”

“That’s right. This black-robed man used his fist to flatten the black gold stone and even shattered the Golden Bowl.”

After Qu Xie heard this, he couldn’t help but frown. “His swordsmanship is amazing, but his physical body is still so strong? How is this possible?”

“But it’s true,” they said coldly.

“Also... This kid’s technique is somewhat similar to the late Qin Yu.”

“Both are golden lights, but both are tough bodies.”

“To be precise, this person’s body is above Qin Yu’s, and it even far surpasses Qin Yu’s.”

“We suspect that... He is Qin Yu’s master.”

Qu Xie frowned tightly.

“This Qin Yu... actually has a master! No wonder he has been targeting our JINGDU martial arts association!” Qu Xie said coldly.

Xia hang's face was extremely pale.

He knew very well that if Qin Yu didn't die, he would definitely guess that it was related to him!

At that time, wouldn't his daughter be killed!

His face was extremely ugly, and his brain was spinning rapidly.

After hesitating for a long time, Xia hang grabbed Qu Xie's arm!

"Xia Hang, what are you doing!" Qu Xie said unhappily.

Xia Hang said with a trembling voice, "President qu... President Qu, that black-robed man is not Qin Yu's master. He.... He is Qin Yu!"

Chapter 646: Chapter 646 shocked everyone!

Xia hang seemed to have made up his mind, and there was a hint of fear in his eyes.

Qin Yu didn't die. To Xia Hang, it was like a bolt from the blue!

That meant that his daughter's life might be in danger!

"President Qu, that Qin Yu didn't die. The black-robed man is Qin Yu!" Xia hang said with a terrified expression.

However, Xie Qu couldn't help but sneer, "Xia Hang, are you crazy? That black-robed man is Qin Yu? Are you out of your mind?"

“Although Qin Yu has a lot of potential, what qualifications does he have to kill nine super experts of our Jingdu Martial Arts Association? And with just one slash?”

“Where does he get the ability to fight against eight black-gold-robed men?”

“In the whole world, no young man can do it! Not even Yan Jinyao!”

Qu Xie’s words were sonorous and powerful.

Xia hang said desperately, “President Qu! Although I don’t want to believe it, it’s true! That black-robed man is Qin Yu!”

As he said that, someone suddenly walked in from outside the door.

It was none other than Yan Jinyao.

“Guys, what happened?” Yan Jinyao looked at the black-gold robe covered in blood and couldn’t help but be surprised.

“Greetings, Young Master Yan,” they greeted one after another.

Qu Qu smiled and said, “Young Master Yan, you came at the right time. We sent eight black-gold robes, but we still couldn’t take down that black-robed man. Not only did we let him escape, but we were also injured.”

Yan Jinyao couldn’t help but be surprised when he heard that.

“That black-robed man... has such strength?” Yan Jinyao exclaimed.

One had to know that even the current Yan Jinyao might not be able to escape from the hands of the eight black gold-robed men!

Qu Xie nodded slightly and said, "That's right. That black-robed man's strength is even stronger than we imagined. Young Master Yan, you have to be careful."

Yan jinyao smiled and said, "I understand, president Qu."

"Oh, right. Xia hang just said that the black-robed man is Qin Yu," Qu Xie said with a smile.

Hearing this, Yan Jinyao couldn't help but sneer, "Vice president Xia, don't joke. Qin Yu? Does he have the ability to do that? Moreover, he is already dead."

"It's true!" Xia hang explained anxiously.

"Qin Yu is really that black-robed man!"

Hearing this, Yan Jinyao couldn't help but sneer, "Xia hang, putting aside that Qin Yu is already dead, even if he isn't dead, do you think he has such a great ability?"

"Not to mention him, even the current me might not be able to do it!"

Obviously, no one believed that Qin Yu was the black-robed man.

After all, no one was willing to believe that Qin Yu had already achieved such an achievement at the same age.

Xia hang knew that his explanation was useless, and he didn't know what to say for a moment.

His heart was very chaotic, but he was more worried that his daughter would die in Qin Yu's hands!

“Heaven bless, I hope that Qin Yu doesn’t realize that this matter has something to do with me...”Xia hang could only pray silently in his heart.

...

At this time, Qin Yu had already fled back to the private room.

He had many wounds all over his body and his aura was weak. He was seriously injured.

As for that black robe, it was already in tatters like a rag.

“I almost died at their hands...”Qin Yu wiped the blood at the corner of his mouth, his expression somewhat unsightly.

At this moment, Qin Yu was also somewhat worried.

He was worried that his identity would be exposed. If that was the case, the Jingdu Martial Arts Association would definitely mobilize their combat strength to kill him!

“Xia Hang... you actually dared to harm me!”Qin Yu took a deep breath, a trace of coldness flashed across his face!

He sat cross-legged on the ground, slowly healing the wounds on his body.

At this time, the outside had already exploded!

“The Jingdu Martial Arts Association sent out eight black-gold robes, but they still couldn’t get rid of the black-robed man!”

“It is rumored that the Jingdu Martial Arts Association made a comprehensive analysis and preparation of the black-robed man, but they still returned in defeat!”

“Not only that, three black-gold robes from the Jingdu martial arts association were seriously injured!”

“TSK TSK, it has been many years since anyone could defeat the black-gold robes. I really don’t know where this black-robed man came from.”

For a moment, rumors spread everywhere. Not only did the JINGDU martial arts association fail to establish its authority, it was even more humiliated.

...

In a certain teahouse in Jingdu, a few young masters were also gathered together.

“You’ve all heard about the matter, right?” Zhuang Teng drank a mouthful of tea and asked rather casually.

“Eight black-gold robes... What kind of battle strength is this, yet they were still unable to kill that black-robed man.”

“I really don’t know who this black-robed man is. He’s too terrifying.”

Even Kong Yun, who had always been arrogant, nodded slightly and said, “Mm, eight black-gold-robed men are enough to wipe out a family. This black-robed man is probably a reclusive old man who won’t die.”

As he spoke, Yan Jinyao walked over from not far away.

When they saw Yan Jinyao, everyone greeted him.

“Young Master Yan, you should have heard about it, right?” Zhuang Teng asked with a smile.

Yan Jinyao nodded slightly and said, “I just went to the Jingdu martial arts association today. Guess what Xia Hang told me.”

“What? Could it be that he wants to capture the black-robed man?” Zhuang Teng said jokingly.

Yan Jinyao shook his head and sneered, “Xia Hang said that the black-robed man is Qin Yu.”

“Qin Yu?” As soon as these words were said, everyone shook their heads.

“If Qin Yu is that black-robed man, then he is probably the number one person among the younger generation in Jingdu.”

“No young man can escape from the hands of the eight black-gold robes.”

Even Yao Meng felt that it was somewhat impossible.

Those were eight black-gold robes! Their strength was unimaginable!

Even if they wanted to capture an international criminal, they did not need to send out eight black-gold robes!

“I also feel that it’s somewhat laughable.” Yan Jinyao scoffed.

“But then again, this black-robed person is probably inextricably linked to Qin Yu.” At this moment, Yan Jinyao changed the topic and said.

“Oh? What do you mean by dazzling?” Everyone asked one after another.

Yan Jinyao snorted lightly and said, “This black-robed person’s technique is quite similar to that of Qin Yu, and his physical body is equally tyrannical!”

“According to our speculation, this person must be related to Qin Yu. He is most likely here to take revenge for Qin Yu.”

Everyone came to a sudden realization, “No wonder he has such strength! So he is that Qin Yu’s Master!”

“To be able to teach a disciple like Qin Yu, he is naturally not an ordinary person. Then it is easy to understand.”

Even if Qin Yu revealed his technique, no one would suspect him.

...

At night.

Xia hang returned home in fear.

As soon as he pushed open the door, Xia hang smelled a pungent smell of blood!

As far as the eye could see, Qin Yu was sitting on the sofa!

Xia hang’s expression changed drastically! He rushed in in a hurry and shouted angrily, “Qin Yu, what did you do to my daughter!”

Qin Yu glanced at Xia hang coldly and raised his hand to slap his face!

Xia hang got up from the ground and said angrily, “You dare to touch my daughter, I will kill you!”

His internal Qi exploded and he walked towards Qin Yu!

“Dad, you’re back!”

At this moment, a little girl’s voice came from the room.

Xia hang was stunned when he saw the little girl.

He quickly ran to the little girl’s side and touched her face to look left and right. He said with a terrified face, “Daughter, are.... are you okay?”

Chapter 647: Chapter 647, the vicious Qu scorpion

Xia hang looked left and right, his face full of fear.

Qin Yu said coldly from the side, “I’m different from you guys. At least I have humanity.”

Xia hang looked at Qin Yu with a slightly complicated gaze.

“Daughter, you go back to your room first,”Xia Hang said softly.

After sending the little girl back to her room, Xia Hang walked to Qin Yu.

Just as he opened his mouth, Qin Yu suddenly kicked Xia hang’s lower abdomen!

This kick directly sent Xia hang flying!

His knees unconsciously kneeled on the ground, smashing the ground into pieces!

“Xia Hang, how dare you.”Qin Yu said coldly.

Xia hang climbed up from the ground, wiped the blood at the corner of his mouth, and said coldly, “Do whatever you want.”

“Is that so!”Qin Yu was furious. He strode forward and raised his hand to slap Xia Hang’s face!

Xia hang knew that he was no match for Qin Yu, so he simply gave up resisting and let Qin Yu ravage him.

Qin Yu looked at Xia hang coldly and said, “You can actually disregard the life and death of your daughter. Are you still human?”

Xia hang gritted his teeth and said, “I would rather believe in the martial arts association than you!”

“Really?”Hearing this, Qin Yu couldn’t help but sneer.

At this moment, Qin Yu suddenly changed his mind.

He sized up Xia hang in front of him and said lightly, “It’s easy for me to kill you now.”

Xia hang kept silent and said he wasn’t afraid. That was impossible. Facing death, anyone would be terrified.

“But I don’t want to kill you,”Qin Yu said lightly.

“Xia Hang, let me make a bet with you.”

Xia hang raised his head to look at Qin Yu and said, “What are you betting on?”

“I’m betting on whether the Jingdu martial arts association is trustworthy or not.” Qin Yu sat on the sofa.

He took a cigarette from Xia hang and stuffed it into his mouth. Then, he said faintly, “You can go and tell the Jingdu martial arts association everything that happened. See if they will help you or not.”

Xia hang heard this and could not help but snort, “Qin Yu, in your eyes, is Jingdu martial arts association so weak?”

“If I tell them the truth, they will definitely think of a way to save my daughter!”

“Okay.” The corner of Qin Yu’s mouth curled up into a sneer.

“If they really help you, I will not come to find you again from now on,” Qin Yu said.

“But if they don’t help you, then you have to work for Me, Okay?”

Xia hang sneered, “Qin Yu, you’re going to lose for sure!”

“Okay, it’s a deal.” Qin Yu was too lazy to talk nonsense with Xia Hang. He immediately got up and left.

...

The next day.

Qu Xie was sitting in the office with a livid face.

It had been several days since the black-robed man appeared, but they still couldn't capture him.

Not only would this have a huge negative impact on the reputation of the Jingdu martial arts association, it would also make the people above them doubt their ability to handle matters!

"The higher-ups have already given the order to capture this black-robed man no matter what." Qu Xie took a deep breath.

But the last time was their best opportunity. Now that they had missed it, how could the black-robed man fall for it?

"President Qu, I have an idea," the assistant suddenly said.

Qu Xie glanced at him and nodded. "Speak."

The assistant sneered. "Now that we have basically confirmed the relationship between the black-robed man and Qin Yu, and what he did seems to be related to Yan Ruoxue's bloodline."

Qu Xie nodded. "And then?"

The assistant said indifferently, "We can spread the word that Yan ruoxue will be publicly executed! I don't believe that the black-robed man will not show up!"

"As long as he dares to show up, we will immediately kill him!"

This idea sounded really good!

Even Qu Xie's eyes couldn't help but light up!

“It’s a good idea, but Yan Ruoxue is the eldest miss of the Yan family after all. Publicly executing her? isn’t that a slap to the Yan family’s face?” Qu Xie frowned.

“Even if Yan Sihai has no feelings for Yan Ruoxue, in order to protect the face of the Yan family, Yan Sihai will definitely organize us.”

The assistant curled his lips and said, “President Qu, why are you so afraid of Yan Sihai?”

“You don’t understand.” Qu Xie shook his head.

The assistant spread his hands and said, “Then there’s nothing I can do. In any case, if we can’t catch him, the higher-ups will definitely hold him accountable.”

“At that time, we might even cancel the Jingdu Martial Arts Association.”

Qu Xie’s face was extremely gloomy, and he couldn’t make up his mind for a moment.

“Forget it. I’ll go and discuss it with Yan Sihai. Maybe we can come up with a foolproof plan,” said Qu Xie with narrowed eyes.

At this moment, someone suddenly rushed in from outside.

The moment he saw Qu Xie, he fell to his knees with a thud.

This person was none other than Xia Hang!

“Xia Hang, what are you doing?” Qu Xie asked with a frown.

Xia hang said anxiously, “President Qu, that black-robed man poisoned my daughter. You have to help me!”

“Poisoned Your Daughter?” Qu Xie could not help but squint.

“Why would he do that to Your Daughter?”

Xia hang gritted his teeth and immediately told Qu Xie what had happened.

“You know, I only have one daughter...” Xia hang said in pain.

“For my daughter, I have to listen to his orders. My Daughter is only four years old. I... I Can’t watch her die.”

“President Qu, with the Jingdu martial arts association’s ability, they can definitely get rid of the poison in my daughter’s body. Please help me...”

Looking at Xia hang who was begging bitterly, Qu Xie’s expression was extremely gloomy.

His attention was not on Xia hang’s daughter at all. Instead, he said with a cold face, “So... you were the one who tipped off the black-robed man?”

Xia Hang’s expression changed. He hurriedly said, “President Qu, I... I had no choice. If I didn’t listen to his orders, my daughter, he...”

“Bastard!” However, Qu Xie slapped Xia hang!

This slap caused Xia hang to bleed profusely and broke his sternum!

“You actually dared to inform that black-robed man? No wonder we couldn’t catch him,” Qu Xie said coldly.

Xia hang struggled to get up from the ground. He gritted his teeth and said, “President Qu, I Can’t lose my daughter... i... I was forced...”

“No matter how you punish me, I will accept it. I only hope that you can save my daughter! Otherwise, my daughter will definitely die...”

Qu Xie heard this and sneered, “Xia Hang, you have been in the Jingdu Martial Arts Association for many years, right?”

Xia hang nodded and said, “Twenty-one years.”

Qu Xie narrowed his eyes and said, “Then you should understand a principle. Once a person has a weakness, they will lose their value. And your daughter is your weakness!”

“If you want to succeed, you have to pull out your own weakness!”

Xia Hang’s expression changed, and he asked in a trembling voice, “What... What do you mean?”

Qu Xie put her hands behind her back and said indifferently, “This is a good opportunity. As long as your daughter is gone, your weakness will disappear, and your future achievements will be even higher.”

“Since your daughter has been poisoned, then use this opportunity to pull out your own weakness.”

Chapter 648: Chapter 648, public execution of Yan Ruoxue!

Xia Hang's face was pale. He could not believe that these words came out of Qu Xie's mouth!

Qu Xie seemed to have seen through Xia Hang's thoughts. He said indifferently, "Do you know why Qin Yu lost? It's because he has a weakness! and his weakness is Yan Ruoxue!"

"Otherwise, with his talent and hard work for more than ten years, we really can't do anything to him."

"Xia Hang, as the vice president, you should understand this principle."

Xia hang's expression was extremely unsightly, and he laughed bitterly in his heart.

As expected, what Qin Yu said was right.

"President Qu, I Won't give up on my daughter,"Xia hang climbed up from the ground and said in a low voice.

Qu xie snorted coldly, "Then you should think of a way yourself. The Jingdu Martial Arts Association will definitely not help you!"

Xia hang opened his mouth and wanted to say something, but Qu xie rudely interrupted him.

"Get Out!"Qu Xie waved his hand.

Xia hang didn't say anything more. With a bitter smile on his face, he turned around and left.

...

On the other side, Qin Yu's injuries hadn't fully recovered.

This battle had seriously injured Qin Yu. At the same time, he also knew how terrifying the Jingdu Martial Arts Association was.

Not only did they have extremely strong combat strength, but most importantly, they could make different battle plans according to different opponents.

“No wonder so many people were caught in the prison...” Qin Yu gritted his teeth and said in a low voice.

During this period of time, Qin Yu could no longer move. He just needed to stay here for the time being.

“I hope the handlebar mustache can come back soon,” Qin Yu thought to himself.

As long as they could activate the two male corpses, the Jingdu martial arts association was not worth mentioning.

Even if they used the martial saint’s weapon, they would not be able to retaliate at all!

At night.

Qin Yu once again came to Xia Hang’s home, quietly waiting for Xia Hang’s return.

“How is it?” After Xia Hang returned, Qin Yu asked indifferently.

Xia hang opened his mouth, not knowing how to speak for a moment.

Qin Yu sneered, “You don’t have to speak, I know the result.”

Xia hang laughed bitterly and said, "I have worked hard for the Jingdu Martial Arts Association for so many years, I didn't expect..."

"Xia Hang, as the vice president of the Jingdu Martial Arts Association, I didn't expect you to be so childish." Qin Yu snorted.

"You want to talk about feelings with capital? To them, the only criterion is whether they are useful or not."

Xia hang sighed. He sat opposite Qin Yu and took a deep drag on his cigarette.

Qin Yu said calmly, "According to the agreement, you must listen to me now."

Xia hang glanced at Qin Yu and said, "I think I have lost my trust in Qu Xie. I can not help you much."

"That is not something you should consider. I will think of a way to get your trust," Qin Yu stood up and said.

Xia hang frowned and asked, "What do you want to Do?"

"I naturally have my own way. When I Need You, I'll inform you," Qin Yu said.

"Xia Hang, I hope you'll keep your word. If you betray me again, I Won't be soft-hearted," Qin Yu said coldly.

Xia hang smiled bitterly. At this moment, how could he have a choice.

Qin Yu didn't stay any longer and turned around to leave.

...

In the next few days, Qin Yu hid in the private room and didn't leave. He slowly healed his wounds.

The outside world's guesses about the black-robed man's identity had increased.

In the end, all the guesses reached a consensus.

That was: the black-robed man was the master behind Qin Yu! This attack was to avenge Qin Yu!

This conclusion was accepted by almost everyone!

"No Wonder Qin Yu improved so fast. He actually has such a master behind him."

"TSK TSK, master and disciple really have the same temper. They are both Fearless Masters."

"This master is obviously better. He has made the Jingdu martial arts association suffer many times, but the JINGDU martial arts association is helpless."

Looking at the comments on the Internet, Qu Xie's face became increasingly gloomy.

The higher-ups had already given the final order to Qu Xie: the black-robed man must be brought back within three days! Otherwise, the position of President Qu Xie would be revoked!

This made Qu Xie even more anxious.

“It seems that we can only use that method.” Qu Xie’s eyes turned cold. Then, he got up and rushed straight to the Yan family.

In the center of Jingdu, there was a skyscraper.

It was said that the price of this skyscraper was ridiculously high, as high as 300,000 yuan per square meter!

And this skyscraper was the Yan Group!

In an office on the top floor, there were four hot women in front of Yan Sihai.

These women all had exquisite looks, devilish bodies, and even some second- or third-rate celebrities!

At this moment, these women who were the center of attention were kneeling in front of Yan Sihai and serving him.

At this moment, Qu Xie walked in from outside.

“President Yan,” Qu Xie said politely.

Yan Sihai glanced at him and said generously, “Have a seat.”

Then, Yan Sihai waved at the four women and said, “You can leave first.”

“Yes, President Yan.” The women stood up and left the office.

After they left, Yan Sihai asked casually, “President Qu, what do you want from me?”

Xie Qu was silent for a moment, then he told Yan Sihai his purpose of coming here.

After hearing that, Yan Sihai's face turned cold and he said, "Publicly punish Yan Ruoxue? Qu Qu, are you crazy? Do you want to make the Yan family lose face?"

Qu Xie had already guessed Yan Sihai's attitude. He smiled bitterly and said, "President Yan, I don't have any other way. As long as you agree, I can agree to any condition of yours!"

Yan Sihai snorted and said, "Qu Xie, I think you are crazy! I Can't agree to this!"

Qu Xie's face turned ugly. He thought for a moment and said, "How about this? We can narrow the range and limit this public punishment to the Martial World!"

"This way, we can minimize the losses of the Yan family! What do you think?"

Yan Sihai said angrily, "Qu Xie! Don't you understand what I'm saying? I told you, I can't agree to this!"

"No matter what, Yan Ruoxue is my niece. Public execution? You are slapping my face!"

Qu Xie didn't know what to do. This was the only way he could think of.

"How about this?" At this moment, Yan Jinyao walked in.

"Young Master Yan." Qu Xie politely greeted Yan Jinyao.

Yan jinyao nodded and said, “Change the public execution to the public extraction of blood. Don’t you have a list of names? Limit the number of people to this list.”

“Invite the young masters of the big families to come and visit.”

“In front of so many people, we’ll openly absorb Yan Ruoxue’s bloodline and distribute it to the young masters of the big families.”

“This looks more reasonable at least.”

Qu Xie was cold. Yan Jinyao’s words seemed to make some sense.

“That black-robed man is not a fool. Publicly executing Yan Ruoxue? Your Jingdu Martial Arts Association regards her as a treasure. Why would they execute her? Even a fool can see that it’s fake.” Yan Jinyao snorted.

Qu Xie hurriedly nodded. “Young Master Yan’s words make sense!”

Chapter 649: Chapter 649, I want to save her!

Qu Xie said excitedly, “Young Master Yan, this method is naturally excellent, but... President Yan...”

Yan Sihai said coldly, “It’s impossible for me to agree.”

Yan jinyao smiled and said, “Dad, you don’t have to be so resistant. I think I can agree to President Qu.”

“No!” Yan Sihai said angrily.

“How can the people of the Yan family be insulted like this!”

Yan Jinyao smiled and said, "Even if you refuse, don't those aristocratic families know about it? In fact, they have already understood it."

Hearing this, Yan Sihai frowned slightly.

These words made some sense.

"Dad, if you believe me, you can agree to President Qu's request," Yan Jinyao said earnestly.

Yan Sihai was a little hesitant.

Yan Sihai had always been proud of Yan Jinyao.

Not only did he have extraordinary talent in martial arts, but he was also very good at doing things.

Qu Xie struck while the iron was hot. "If you agree, I can make the decision and give young master Yan three more chances to bathe in his blood!"

Yan Sihai glanced at Yan Jinyao, took a deep breath, and said, "Well, since my son has said it, I can promise you."

"Thank you, President Yan!" Qu Xie was overjoyed. He stood up and cupped his hands.

After Qu Xie left, Yan Sihai asked with a sullen face, "Jinyao, why did you agree to it?"

Yan Jinyao said with a faint smile, "Dad, didn't you say that you can't let the Jingdu Martial Arts Association do this favor alone? I think this is a good opportunity."

“In fact, the major families don’t know the origin of the blood, but this time, they will know where the blood comes from!”

“To our Yan family, there are hundreds of benefits and not a single harm.”

Speaking up to this point, Yan Jinyao paused for a moment. Then, he narrowed his eyes and said, “The most important thing is... I really don’t like Yan Ruoxue!”

Ever since he learned that Yan Ruoxue had a complete bloodline, Yan Jinyao had a strong sense of crisis in the bottom of his heart!

Therefore, he wished that Yan Ruoxue would die!

“That makes sense.” Yan Sihai nodded slightly.

“Alright, then we’ll do as you say.”

...

The Jingdu Martial Arts Association obtained the consent of the Yan family and immediately began to carry out their plan.

They first issued invitations to the various aristocratic families, such as the Zhuang family, the Kong family, the Chu family, and Yao Meng. They were all invited.

Apart from that, the Jingdu Martial Arts Association publicly released a statement on the forum:

We will publicly show everyone how to draw blood, as well as the source of the blood, at the Jingdu Martial Arts Academy.

As for the people on the martial arts forum, they didn't know where the so-called blood came from.

But the JINGDU martial arts association knew that the black-robed man definitely knew! Therefore, the statement didn't need to be too detailed.

At this time, Qin Yu had already gone to the Divine Medicine Pavilion.

He planned to stay in the Divine Alchemist Pavilion for a period of time to recuperate and recover from his injuries. At the same time, he would borrow the warehouse of the Divine Alchemist Pavilion to cultivate.

However, Qin Yu had just arrived at the secret room when he saw the news on the martial arts forum.

“Openly absorbing blood?” Qin Yu's pupils suddenly constricted and he immediately stood up!

The pavilion master frowned and asked, “What's Wrong?”

Qin Yu handed the phone to the pavilion master and said through gritted teeth, “These bastards... Not only did they absorb Ruoxue's blood, they also wanted everyone to see it! They want to make Ruoxue lose face!”

The pavilion master said in a deep voice, “Qin Yu, this is very likely a conspiracy. The purpose is to attract you to save her.”

Qin Yu glanced at the pavilion master and said, “I know, but... even if I don't have a choice.”

“If I don't go, they will still carry out this project.”

“If I Go... maybe I can save Ruoxue.”

The pavilion master shook his head and said, “That’s impossible. They will definitely make a perfect plan.”

Qin Yu took a deep breath and said, “Pavilion Master, I have to go.”

“If I don’t go, they will definitely carry out the second and third round! They will definitely continue to torture Yan Ruoxue until I appear!”

The pavilion master opened his mouth, but there was nothing he could say.

Yes, Qin Yu was right.

The JINGDU martial arts association had already realized the relationship between the “Black-robed man” and Yan Ruoxue. This was the only bait they could use to lure the black-robed man.

Therefore, if Qin Yu didn’t go this time, they would continue to think of ways to torture Yan Ruoxue until Qin Yu appeared!

“Qin Yu, think carefully. If you go this time, it’s very likely that you won’t be able to come back.” The Pavilion Master grabbed Qin Yu’s arm, his expression extremely grave.

Qin Yu smiled bitterly and said, “Pavilion master, I really have no choice. If I had a choice, I would rather die.”

“Moreover, I might not die.” Qin Yu took a deep breath.

In the bottom of his heart, a plan was born.

The pavilion master knew that she couldn’t stop Qin Yu, so she didn’t say anything more.

After Qin Yu left, a trace of worry flashed across the pavilion master's handsome face.

"I can not allow him to die like this."The pavilion master frowned.

Then, she walked out of the secret room and said to the medicine boy, "Prepare a car. I need to go to the military district of Jingdu."

"Yes, Pavilion Master."

...

Jingdu Martial Arts Academy.

Qu Xie requested a martial saint weapon from the higher-ups.

He carried the martial saint weapon and personally escorted Yan Ruoxue.

Inside the prison, three black-gold robes removed the tube from Yan Ruoxue's body and brought her to a car.

Yan Ruoxue's face was extremely pale and she looked extremely weak.

"What do you want to Do?"Yan Ruoxue said weakly.

Qu xie smiled and said, "Lady Yan, don't worry. We won't do anything to you. We just want to change a place for you."

The carriage sped all the way to Jingdu Martial Arts Academy.

New equipment had long been prepared on the square of Jingdu Martial Arts Academy.

A round altar was placed in the center of the square. This was the place where Yan Ruoxue's bloodline was publicly displayed.

After arriving at Jingdu Martial Arts Academy, Qu Xie ordered everyone to hang Yan Ruoxue on the square.

Yan Ruoxue's face was extremely unsightly. As a young lady from a prestigious family, she naturally couldn't accept being hung here in such a public place.

"Miss Yan, don't worry. Those who came today are all your acquaintances," Xie Qu said with a smile.

Yan Ruoxue bit her red lips with her teeth and said in a low voice, "Xie Qu, you are despicable..."

Xie Qu laughed loudly and didn't think much of it.

He looked at Yan Ruoxue who was hanging on the round altar and couldn't help but sigh. "I have to say, Miss Yan is really a top-notch beauty."

"Of course. The number one beauty in Jingdu doesn't deserve her reputation," the assistant next to him said with a smile.

"It's a pity that she doesn't have good taste," Qu Xie snorted.

On the other side, Qin Yu was rushing toward the martial arts academy.

"Without that prison, this might be my best chance to save Yan Ruoxue!" Qin Yu said coldly in his heart.

Chapter 650: Chapter 650, the Furious Qin Yu!

In the depths of the prison, it was impossible for Qin Yu to save Yan Ruoxue.

In addition, the prison was made entirely of black gold stone and could not be broken.

Therefore, this was perhaps the best opportunity for Qin Yu.

In the Jingdu Martial Arts Academy.

Yan Ruoxue was hung on the round altar. A tube was inserted into her body, and light surged around her.

Qu Xie stood in the center of the square, quietly waiting for the black-robed man to arrive.

He had arranged for several black-gold robes to arrive, including Yan Guiyi.

In order to capture the black-robed man, Qu Xie had spent a lot of money.

“President Qu, they are here,” at this moment, a black-gold-robed man walked to Qu Xie’s side and whispered.

Qu Xie nodded slightly and said, “Let them in.”

Soon, the young masters of the big families walked into the venue one after another.

The leader was Yan Jinyao!

After walking into the square, everyone saw Yan Ruoxue hanging on the round altar.

“Is... is that Miss Yan?” Zhuang Teng couldn't help but exclaim.

“Miss Yan... how did she get scratched here?”

Yao Meng's face was even more unsightly. She had always been on good terms with Yan Ruoxue. Now that she saw Yan Ruoxue's miserable state, it was impossible for her not to be upset.

“What does this mean? Why is Miss Yan being scraped here?” Chu Hedao's tone was somewhat cold as he asked.

Yan Jinyao did not feel the slightest bit of embarrassment. He smiled faintly and said, “Everyone, don't be surprised. All the bloodlines in Jingdu originate from Yan Ruoxue. In other words, they originate from our Yan family.”

When these words were said, everyone turned pale with fright!

The Jingdu Martial Arts Association relied on Yan Ruoxue alone to actually create so many super experts?

Just what kind of bloodline did Yan ruoxue have to be so tyrannical?

“Young Master Yan, Miss Yan is, after all, a member of Your Yan family. By doing this... isn't the Yan family afraid of embarrassing themselves?” Yao Meng's tone was unfriendly.

However, Yan Jinyao did not care at all. He smiled faintly and said, “Yan Ruoxue has a top-grade bloodline and has never cultivated. If we just leave her like this, wouldn't it be a waste?”

“But...”

Yao Meng wanted to say something, but was rudely interrupted by Yan Jinyao.

He glanced at Yao Meng and said indifferently, “Why? Doesn’t Miss Yao Want This bloodline? Or is there anyone among you who is willing to give up this bloodline?”

For a moment, everyone fell silent.

The strength of this bloodline could be seen with the naked eye.

No one was willing to give up such a temptation.

“Since no one is willing to give up, then there’s no need to say anything more,” Yan Jinyao said faintly.

“Oh, right. Remember, this is the bloodline of our Yan family. The control is in the hands of our Yan family,” Yan Jinyao said deliberately.

His purpose was naturally to make everyone owe the Yan family a favor.

“Okay, please take a seat.” Yan Jinyao strode to the center of the square and sat down.

Looking up at the pale-faced Yan Ruoxue, everyone sighed.

“I really didn’t expect Miss Yan to suffer such hardship after old Mister Yan’s death,” Zhuang Teng sighed.

“Yes, when old Mister Yan was still alive, who in Jingdu dared to have designs on Miss Yan?”

“Back then, the Sun family coveted Miss Yan, and the entire Sun family disappeared from Jingdu.”

Chu Heng, who was at the side, said somewhat awkwardly, “To be honest, back then, Miss Yan and I had a conflict, and later...”

Speaking up to this point, Chu Heng seemed to find it difficult to speak.

He was silent for a moment, and then smiled bitterly. “Later, my father brought a generous gift and went to the Yan family to apologize for a few days. Only then did he finally obtain old Mister Yan’s forgiveness.”

Everyone was discussing animatedly. They couldn’t believe Yan Ruoxue’s current situation.

Yao Meng was the only one who remained silent. Her eyes were looking in Yan Ruoxue’s direction, and there were some fluctuations in her eyes.

After hesitating for a long time, Yao Meng stepped lightly and arrived in front of Yan Ruoxue.

“Ruoxue...” Yao Meng’s eyes were somewhat sad.

Yan Ruoxue opened her eyes slightly. When she saw Yao Meng, she hurriedly said, “Yao Meng, how is Qin Yu? Qu Xie said that he...”

This question made it difficult for Yao Meng to answer for a moment.

Now that Qin Yu’s death had become an established fact, even if Yao Meng wasn’t willing to admit it, it couldn’t change anything.

“Hurry up and tell me!” Yan Ruoxue urged anxiously.

The kind-hearted Yao Meng was conflicted with Xu Jiuhong. In the end, she smiled and said, “Qin Yu is fine. Qu Xie lied to you. Don’t worry.”

Hearing this, Yan Ruoxue finally heaved a sigh of relief

A rare smile appeared on her pale face.

“Ruoxue, how... How do you feel now?” Yao Meng looked up at Yan Ruoxue and sighed.

Yan Ruoxue was about to say something when Qu Xie walked over from the side.

“Miss Yao, please return to your seat,” Qu Xie said with a smile.

Yao Meng frowned slightly. She looked up at Yan Ruoxue and couldn't help but feel sad.

“Please go back,” Qu Xie urged again.

Yao Meng had no choice but to retreat to the side.

Soon, Han Wei arrived at the scene.

With his current strength, he was no longer strong enough to sit with the young masters of the various aristocratic families.

However, Han Meng had found Qu Xie, so he could only open a back door for him.

Han Wei looked at Yan Ruoxue, who was hanging on the round altar, and a trace of viciousness flashed in his eyes.

He gnashed his teeth and said, “You deserve it! B * Tch! If you had followed me back then, you wouldn't have encountered such a disaster! You Deserve It!”

At this moment, Qu Qu suddenly walked to the round altar, to Yan Ruoxue's side.

He said indifferently, "Since everyone is here, let's begin."

"All the blood comes from Yan Ruoxue, and her blood will be used for the benefit of everyone!"

Qu Xie held the light in his palm, as if he was going to activate some spell.

"Today, our Jingdu Martial Arts Association will show everyone how to absorb this blood," Qu Xie said with a smile.

In the next second, Qu Xie gently waved his palm, and the light immediately landed on Yan Ruoxue's body.

In an instant, the tube attached to Yan Ruoxue's body began to activate.

Traces of blood flowed out of Yan Ruoxue's body.

Yan Ruoxue's face instantly became extremely pale, and her expression carried a trace of pain!

"Ruoxue!" Seeing this, Yao Meng unconsciously stood up.

The other aristocratic family disciples also had ugly expressions. They hadn't thought that the Jingdu martial arts association would actually be so cruel!

Seeing the traces of blood flowing out from the tube, Yan Ruoxue's face also became increasingly pale.

"Qu Xie, F * ck you!"

At that moment, a loud shout came from outside!

Then, a black figure rushed over!

Chapter 651: Chapter 651, I Am Qin Yu!

He held a blood-red longsword and rushed toward the round altar!

A sharp blade slashed toward Qu xie from above!

Qu xie snorted and said, "You are finally here!"

Qu Xie waved his hand, and several rays of light rushed out of his white robe.

At the moment of the collision, a terrifying airwave spread out!

Qin Yu hurriedly blocked in front of Yan Ruoxue and used his physical body to forcibly withstand this airwave!

Everyone stood up and looked at the black-robed man standing on the round altar.

"The black-robed man... I've finally met him." Yan Jinyao said with narrowed eyes.

"He actually still dares to come!" The others could not help but be a little surprised.

Qin Yu on the stage did not say anything. He turned around and looked at Yan Ruoxue.

The moment he saw Yan Ruoxue, Qin Yu's heart seemed to be pulled by something, and the pain was unbearable!

Qin Yu's body began to tremble involuntarily, and the bronze sword in his hand was buzzing.

"Black-robed man, you actually dared to come here!" Xie Qu sneered.

Qin Yu looked at Qu Xie coldly and said through gritted teeth, "I came here today to kill you, you beast!"

"Hahaha!" Qu Xie couldn't help but burst into laughter.

"What a shameless boast!"

Qu Xie waved his hand, and several black-gold robes stepped forward!

Qu Xie looked at Qin Yu coldly and said, "Kill him for me!"

With a loud roar, one of the black-gold robes made the first move!

His palm turned into a claw and clawed at Qin Yu!

At this moment, Qin Yu's heart was filled with the flames of anger! It was the time for him to explode!

Facing the black-gold-robed man who was charging towards him, Qin Yu stabbed the long sword in his hand. Then, he held the golden light in his hand and smashed it fiercely!

This punch contained Qin Yu's grief and indignation, as well as his invincible battle intent!

The terrifying fist force smashed fiercely onto the black-gold-robed man's palm!

"Clang!"

A loud sound rang out! Waves of air currents rippled out in all directions with the two of them as the center!

“Crack!”

Under this punch, the black-gold Robe’s palm was directly shattered! Blood splattered everywhere! His entire body was sent flying backwards!

When everyone saw this, they could not help but suck in a breath of cold air!

Even Yan Jinyao slightly narrowed his eyes.

“He defeated a black-gold-robed man with one punch. It seems that his strength lives up to his reputation,” Yan Jinyao said coldly.

“As expected of Qin Yu’s master. I’m afraid not many people can compare with him,” said the others.

On the round altar, Qin Yu stared at Qu Xie. His body was trembling and his eyes were scarlet. He wanted to tear Qu Xie into pieces immediately!

Qu Xie looked at Qin Yu coldly and said, “Even if you are strong, you can’t change anything. Today, you will die for sure!”

“F * ck you!” Qin Yu roared. His palm shook, and the bronze sword was instantly in his hand!

“Qu Xie, I Want Your Dog Life!”

Qin Yu’s aura soared. He held the sword with both hands and raised his hand to make the first cut of the nine Tai Qing slashes!

The terrifying sword light slashed toward Qu Xie!

As the president of the Jingdu Martial Arts Association, Qu Xie's strength was self-evident.

Facing Qin Yu's Tai Qing nine slashes, Qu Xie didn't panic at all.

He raised both hands and condensed light on his palms. Then, he directly faced the sword light!

“Boom!”

This was a fierce collision! Gusts of strong wind swept over, and even the people below were affected!

When the light dissipated, Qu Xie actually took a few steps back and fell to the ground!

Seeing this, everyone couldn't help but gasp!

Qu Xie was actually not a match for this black-robed man? ! How was this possible? !

“Your strength is indeed not weak.” Qu Xie stood up from the ground.

He patted the dust on his butt and said coldly, “That was just a small test. Do you really think you can fight against the Jingdu Martial Arts Association?”

Qu Qu controlled countless top-tier spells, so he was naturally not afraid of Qin Yu.

But as the president, he did not have the need to make a move himself.

Qu Qu took a step back, and the few black-gold robes walked up.

They used the same trick again, taking out the round plate magic tool to deal with Qin Yu's bronze sword.

Qin Yu's face was cold. He stabbed the bronze sword into the round altar, and a bright golden light burst out from his body!

Upon seeing these rays of golden light, everyone's pupils constricted!

This... This was simply too similar to Qin Yu!

"Looks like he really is Qin Yu's master," Yan Jinyao said coldly.

"Mm, even their spells are exactly the same."

"I have to say, the relationship between master and disciple is really not bad."

Those few black-gold robes walked over. They silently chanted spells in the air, and streams of divine sense shot straight towards Qin Yu's mind!

It was obvious that these men had made a corresponding plan to target Qin Yu's body!

"Go to hell!" Qu Xie shouted!

Qin Yu roared, and a golden light burst out from his glabella!

The golden light was in the shape of a dagger, and then it directly slashed over!

In an instant, all the divine sense was directly cut off by Qin Yu in the Air!

“Oh? This person’s divine sense is actually so powerful?” Everyone couldn’t help but be shocked when they saw this!

Qin Yu retracted his soul consciousness. Seizing the chance, he roared and threw a fierce punch!

This punch was the absolute beginning sacred fist. Its power was unimaginable. The dazzling golden light illuminated the heaven and earth as it smashed toward everyone!

Its terrifying power was far beyond everyone’s imagination. The black-gold Robe was sent flying!

The black-gold stone on their bodies suffered a great impact and began to collapse!

“This... This is a little too terrifying,” Zhuang Teng said in a deep voice.

“Even the black-gold robe is not his match. What is the background of Qin Yu’s Master?”

Yan Jinyao’s expression was also somewhat gloomy. He originally thought that he could fight this black-robed person, but now he had the intention to retreat.

“Do you think this black-robed man is Qin Yu?” Chu Hedao guessed.

“Impossible.” Yan Jinyao glanced at him.

“Qin Yu has only cultivated for more than a year, how could he have such strength?”

“This person has cultivated for at least fifty years!”

Everyone nodded and said, “Yes, no matter how talented Qin Yu is, it’s impossible for him to improve so fast.”

On the round altar, Qin Yu’s pupils burst out with bone-piercing coldness.

He swept his gaze across the crowd. His undefeated posture couldn’t help but move people.

Qu xie sneered, “Kid, that Qin Yu is already dead. Why do you have to get involved in this muddy water for him?”

As soon as he said this, Yan Ruoxue’s face instantly turned pale!

She grabbed Qin Yu and said in fear, “Qin... Qin Yu is dead?”

Seeing the pain in Yan Ruoxue’s eyes, Qin Yu’s heart felt like it was being pricked by Needles!

“Qin Yu is dead. This person is here to avenge Qin Yu.”Qu Huo added fuel to the fire.

He sneered, “Otherwise, why didn’t Qin Yu come to save you personally?”

“No... impossible, Qin Yu can’t be dead! Tell me, Qin Yu isn’t dead!”Yan Ruoxue almost screamed out these words.

This made Qin Yu’s Heart Ache. He reached out his hand and caressed Yan Ruoxue’s face.

“Kid, don’t you dare to tell her the truth?”Xie Qu sneered.

“Impossible, Qin Yu can’t be dead, Qin Yu can’t be dead...”Yan Ruoxue’s emotions fluctuated greatly. In the next second, she spat out a mouthful of blood! Her spirit instantly became dispirited!

Seeing this, Qin Yu couldn’t hold it in anymore.

He half-knelt in front of Yan Ruoxue and said in a low voice, “Qin Yu isn’t dead, i... I Am Qin Yu!”

Seeing Yan Ruoxue’s pained look, Qin Yu couldn’t bear to hide it anymore.

He pulled out his long sword and coldly swept it at everyone present.

“I am Qin Yu,”Qin Yu said coldly.

Chapter 652: Chapter 652, the ten thousand demonic statues!

Qin Yu swept his gaze across the crowd, his words even more sonorous and forceful!

However, the crowd couldn’t help but laugh coldly, especially Yan Jinyao. He stood up and said with a faint smile, “You are Qin Yu? Why, in order to help your disciple, you are even willing to tell such a lie?”

“That’s right. It’s not like we don’t know Qin Yu’s strength. Furthermore, he has already died in the Immortal Massacre Sect!”

“No one can resolve the immortal slaying sect’s killing formation, not even the Jingdu Martial Arts Association,”Yan Guiyi said coldly.

Qin Yu’s lips curled into a cold smile, and in the next second, he burst into laughter!

“Alright, I’ll show you my true face today!”Qin Yu shouted!

With a loud shout, golden light immediately erupted from his body!

The terrifying internal Qi directly shattered the black robe on his body, revealing his true face!

Qin Yu’s face, which was as sharp as a knife, appeared in front of everyone!

His body was covered in golden light, and his invincible battle intent looked like he was looking down on the world!

Although he was not tall, standing there made people involuntarily look up to him!

“How is this possible!”

Seeing this scene, Yan Jinyao stood up with a “Bang”!

He stared at Qin Yu on the round altar, his face full of disbelief!

Yan Jinyao was the number one person in the younger generation, so he naturally didn’t want to believe that someone was stronger than him!

Han Wei clenched his fists! Unknowingly, the distance between him and Qin Yu grew larger and larger!

“What’s going on? Didn’t you say that Qin Yu is dead?”Qu Xie glared at Yan Guiyi, his face extremely cold.

Yan Guiyi gritted his teeth and said, “How is this possible? He was locked up in the immortal slaying sect... there’s no way he could escape!”

Qu Xie took a deep breath, his face unsightly.

“He’s actually Qin Yu... This kid’s potential is unimaginable. We must kill him today!” A trace of coldness flashed in Qu Xie’s eyes!

On the round altar, Qin Yu held Yan Ruoxue’s face with both hands and said in a low voice, “Ruoxue, I’ll take you out of here today. I Won’t let you suffer anymore...”

Yan Ruoxue’s watery eyes were full of tears. In a short while, bean-sized tears rolled down her cheeks.

“Qin Yu... you should run quickly. You’re not their match...” Yan Ruoxue sobbed.

Qin Yu tried his best to smile and said in a low voice, “You’ve been taking care of me all this time. Ruoxue, it’s time for me to take care of you.”

With that, Qin Yu slowly turned around.

Since his identity had been exposed, Qin Yu had nothing to hide.

Golden Light burst out from his body, and the power of the divine dragon was fully displayed. The mountain of the Five Mountains was placed on top of his head.

Buzz

Qin Yu shook his palm and put away the bronze sword

“Kill him now!” Qu Qu shouted angrily!

“Come on, I’ll Kill You Bastards Today!” Qin Yu shouted!

He was already prepared for a big battle, and his invincible fighting spirit couldn't help but make people shudder!

Below the stage, the faces of the young masters of the aristocratic families were extremely unsightly!

Qin Yu, who had emerged from the bottom, was actually stronger than them now!

How could they endure this!

“Attack!” Qu Xie said coldly.

Several black-gold robes immediately stepped towards Qin Yu!

They relied on the protection of the black-gold stone to fight Qin Yu's body!

At a glance, there were a total of twelve black-gold robes!

These were the strongest combat forces that the JINGDU martial arts association had mobilized in recent years!

Qin Yu's body was covered in golden light, and he was like an undefeatable god of war, clashing with their bodies!

For a moment, the scene rumbled incessantly, and the sound of metal clashing was extremely ear-piercing!

Qin Yu roared repeatedly, and his blood boiled. He had fought twelve in one battle, and his golden body contained surging battle prowess!

“Dong Dong Dong!”

At this moment, Qin Yu was brimming with battle intent, and he had actually forced the twelve black-gold robes to retreat repeatedly!

Even though Qin Yu's body was also damaged in many places, the black-gold stone had already caved in.

Looking at Qin Yu's blood-soaked battle stance, everyone's expressions became increasingly unsightly.

"How could he have such strength..."Yan Jinyao stared at this scene, his eyes filled with disbelief!

"Qin Yu is actually a black-robed person. Unknowingly, he has already grown to such a stage..."Yao Meng also muttered softly.

"Boom!"

Right at this moment, Qin Yu's Golden Fist smashed into the chest of a black-robed person, directly smashing him into the pit!

Numerous cracks appeared on the ground, and then the ground shattered!

"Come on!"Qin Yu shouted at the top of his lungs, roaring furiously! He was bathed in golden light, full of fighting spirit, as if a God had descended!

Even though his body was soaked in blood, his internal Qi did not show any signs of weakness. Instead, the more he fought, the braver he became!

For a moment, many of the black-golden-robed men actually had the intention to retreat, not daring to move forward anymore!

“If you guys aren’t going to make a move, then I’m Coming!”Qin Yu shouted. He stepped on the ground, and in the blink of an eye, he arrived in front of a black-robed man!

Crack

Qin Yu swung his Golden Fist and directly smashed the head of a black-gold-robed man!

He was killed with one slap! Everyone could not help but gasp!

“Kill him quickly!”Xie Qu shouted from the side.

The black-gold robes looked at each other, and then they retreated!

They stood together, and their bodies began to emit soaring flames.

In just a moment, their internal Qi seemed to have been sucked dry, and behind them, a huge figure condensed!

“Ten thousand demonic statues!”Zhuang Teng exclaimed!

“Jingdu Martial Arts Association’s heaven-grade spell, ten thousand demonic statues! I’ve finally seen it today!”

“I didn’t expect that in order to deal with Qin Yu, I would actually have to use ten thousand demonic statues.”

A huge figure slowly appeared, and a terrifying pressure instantly spread out!

This figure was huge, and it could be said to cover the sky and cover the Sun!

Its terrifying internal Qi made people feel waves of fear!

Qin Yu stared at this huge figure and angrily shouted, “What ten thousand demonic statues, watch me break you!”

After saying that, Qin Yu’s feet trembled and he actually took the initiative to attack!

His Golden Fist carried an incomparably fierce power as it poured out!

And that figure slowly waved his fist and collided with Qin Yu!

Compared to this figure’s fist, Qin Yu was insignificant!

That Fist was almost bigger than Qin Yu’s body!

“Boom!”

At the instant of the collision, a powerful internal Qi instantly exploded on Qin Yu’s fist!

In the next second, Qin Yu’s body was instantly sent flying. Like a bullet, he was fiercely embedded into the ground!

“Boom!”

A huge crater was created on the ground. With just one punch, cracks appeared on Qin Yu’s body!

“As expected of the ten thousand demonic statues!” Everyone exclaimed in shock!

Following that, the huge figure clenched his fist and smashed it fiercely in Qin Yu’s direction.

One punch, two punches, three punches!

The entire ground was like an earthquake as it rumbled. The martial arts academy's buildings could not withstand the force and began to crumble!

Chapter 653: Chapter 653, the weapon of a martial saint!

The huge figure's fist continued to smash towards the ground. The entire ground had already collapsed, but it did not show any intention of stopping!

Everyone could not help but suck in a cold breath!

With such strength, even steel would have been flattened, right?

Everyone looked at this bloody scene, and a trace of solemnity appeared on their faces.

“Boom! Boom! Boom!”

The sound of the fist was like thunder exploding in the sky.

The ground had already collapsed by a few meters, and the martial arts academy had been reduced to ruins!

Just when everyone thought that Qin Yu had been beaten flat, a golden light suddenly burst out from the pit!

The golden light exploded like a bomb. Then, a golden fist stretched out from the huge pit to meet the huge fist of the figure!

The huge fist stopped sinking! It even kept retreating!

“Ah! ! !”

An angry roar came from the huge pit!

Then, a huge golden giant crawled out from the huge pit!

It was Qin Yu! At this moment, he was extremely huge, and the golden light was even more dazzling!

“Limitless Dharma Idol!” Qu Xie’s face quickly turned ugly when he saw this technique!

Qin Yu crawled out of the huge pit. His huge body gave off a strong pressure!

“F * ck you!” Qin Yu was furious. He clenched his fist and smashed it at the ten thousand demonic statues!

The two giants began to fight at this moment!

Qin Yu’s body was stained with blood, but his internal Qi didn’t decrease at all!

The more he fought, the braver he became. His fierce fist forced the ten thousand demonic statues to retreat!

“Go to hell!”

Following Qin Yu’s furious roar, the blue veins on his arm bulged. His huge golden fist ruthlessly smashed onto the face of the myriad devil statue!

“Boom!”

The strength of this punch was incomparably terrifying. The myriad devil statue actually fell to the ground!

The scene stirred up waves of dust, causing the ground to sink even more!

Qin Yu seemed to have gone mad. His eyes were wide open and he wanted to give him a taste of his own medicine!

His golden fist continuously smashed towards the myriad devil statue!

One punch, two punches, three punches!

The huge figure looked extremely shocked. Even the young masters of the various aristocratic families could not help but feel a wave of shock in their hearts!

“Ah! ! !”

Qin Yu seemed to have gone mad. He grabbed the arm of the myriad devil statue and with a furious roar, he directly grabbed his arm!

Then, Qin Yu swung his fierce fist and smashed it on his head.

He punched countless times until the golden light on Qin Yu's body started to dissipate!

The head of the ten thousand demonic statues seemed to be about to explode, and the black-gold robe that was controlling the ten thousand demonic statues was vomiting blood non-stop, as if it couldn't take it anymore!

“This kid must die!” Qu Xie was extremely furious!

The strength that Qin Yu had displayed today had already begun to scare Qu he!

If he was allowed to continue growing, he would definitely become a great enemy of the Jingdu Martial Arts Association in the future!

“Boom!”

Another punch landed, and finally, the ten thousand demonic images couldn't take it anymore.

His huge head directly shattered, and then his body began to disintegrate!

“Pu!”

Several black-gold robes were immediately shaken until they vomited blood, and their internal Qi became even more dispirited!

“The ten thousand demonic statues... lost!” Yan Jinyao couldn't help but clench his teeth!

He had seen the ten thousand demonic statues before. That was a holy spell, and its power was unimaginable!

But now, they were actually defeated at the hands of Qin Yu. How could he endure this! !

Qin Yu's Infinity Dharma Idol still didn't disintegrate. He looked at Qu Xie with a pair of cold eyes.

“Qu Xie, I'm coming to take your dog life!” Qin Yu shouted!

Then, Qin Yu took a step forward and punched at Qu Xie with his Golden Fist!

Qu Xie said coldly, “Junior, you don’t know what’s good for you. Today is the Day You Die!”

Qu Xie took out a long ruler. The moment he took it out, an extremely terrifying force spread out!

“Prajna ruler! A martial saint weapon!” Someone recognized this magic weapon!

As Qu Xie activated the Prajna ruler, a terrifying force instantly smashed towards Qin Yu!

“Boom!”

The moment it touched Qin Yu’s body, his body was sent flying, and his fist was dripping with blood!

This was the terrifying aspect of a martial saint weapon! Even the Wuji aspect could not be compared to it!

“Today is the Day You Die!” Qu Xie said coldly.

Then, he activated the Prajna ruler again and charged at Qin Yu!

Qin Yu raised his head and roared furiously. He activated all the power in his body and charged forward again!

However, the martial saint weapon could not be resisted. All of Qin Yu’s power was not even worth mentioning in front of the Prajna ruler!

His body was sent flying and his body was almost shattered! His internal Qi also quickly withered!

“This is the terror of the Martial Saint Weapon,” Yao Meng said in a deep voice.

“Unless one has become a martial saint, no one can fight against the martial saint weapon.”

Qin Yu’s expression was also extremely ugly. Just two light collisions had caused Qin Yu to be heavily injured!

All of his spells seemed to be nothing in front of the martial saint weapon!

The Wuji Dharma Idol also began to disappear, and Qin Yu returned to his normal state.

He struggled to get up from the ground. He was even more secretive about the martial saint weapon, and a trace of fear emerged in his heart.

“This won’t do. I’m afraid I won’t be able to withstand the third attack.” Qin Yu thought to himself.

He forcefully adjusted his state, and then he used the shrinking earth to become an inch and rushed towards the round altar!

At the instant he rushed over, Qin Yu took out his bronze sword!

Then, he saw Qin Yu holding the sword with both hands and fiercely slashing towards the tube attached to Yan Ruoxue’s body!

Since he could not defeat this martial saint weapon, then he would think of a way to escape with Yan Ruoxue!

“HMPH, do you think you can save her!” Xie Qu sneered.

He once again activated the martial saint weapon and smashed it towards Qin Yu!

Qin Yu's expression changed drastically. He hurriedly summoned the five mountains to meet the Attack!

“Clang!”

This attack made the five mountains humming and trembling. In the next second, it was sent flying!

“Oh no!” Qin Yu's expression changed drastically when he saw this!

This was the first time the five mountains had lost its effect! The power of the martial saint weapon was far beyond Qin Yu's imagination!

“Qin Yu, I've let you live for so long. Today will be the day of your death,” Qu Xie said coldly.

The Prajna ruler in his hand flickered with light as if it was brewing an extremely strong killing intent!

Waves of terrifying internal Qi spread out. Just the aura alone was enough to make everyone vomit blood!

Qin Yu's expression was extremely unsightly. Under this attack, he would die without a doubt!

“Go to hell!”

Qu Xie roared furiously, and his prajna ruler shook. A terrifying power instantly crushed towards Qin Yu!

“This is the only way!”Qin Yu gritted his teeth and roared furiously. He immediately took out the two male corpses from his spatial divine weapon and welcomed them!

Chapter 654: Chapter 654, terrifying male corpses!

Qin Yu directly took out these two male corpses from his spatial divine weapon!

However, he was also very uncertain in his heart. Facing a martial saint weapon, no one knew if these two male corpses would be able to withstand it or not!

“Whoosh!”

Looking at the two corpses that flew out, everyone was stunned for a moment.

“What are those things?”

“They seem to be... corpses?”

“Is this Qin Yu Crazy? Using two corpses to fight against a martial saint weapon?”

Even Qu Xie could not help but burst into laughter.

“Do you think two corpses can die in your place? Childish!”Qu Xie shouted!

The two corpses faced the light of the martial saint weapon!

Qin Yu said helplessly in his heart, “Senior, I’m sorry. I can only treat you as meat balls.”

Just as everyone was laughing, the two corpses had already come forward to welcome them!

“Clang! !”

A loud sound rang out, and waves of terrifying qi billowed out in all directions!

Everyone was forced back several steps by this internal Qi! Qin Yu hurriedly used his physical body to protect Yan Ruoxue!

“Hahahaha, Qin Yu, your two corpses... eh? !”Before Qu Xie’s voice could fade away, his expression suddenly changed!

The two corpses were completely unharmed! The supposedly indestructible martial saint weapon did not even leave a single white mark!

“How... how is this possible!”Seeing this scene, everyone sucked in a breath of cold air!

What kind of corpses were those? They could actually withstand a martial saint weapon?

“They can indeed withstand it!”Seeing this, Qin Yu could not help but heave a sigh of relief.

The abilities of these two corpses far exceeded Qin Yu’s imagination!

Even a martial saint’s weapon was not worth mentioning at all!

“If I can revive them... then who in the world can stop me!”Qin Yu could not help but feel a little excited!

Not far away, Qu Xie flew into a rage!

A dignified martial saint’s weapon could not even break two corpses. How could he endure this! !

“Kid, don’t be happy too soon. It was just a small test,”qu Xie said coldly.

He raised the Prajna ruler and streams of internal Qi surged into the ruler.

The entire prajna ruler immediately flashed with light. Waves of extremely old aura spread out from the Prajna ruler!

Just this wave of internal Qi alone made people feel suffocated. Some people even vomited blood on the spot.

For a moment, a trace of seriousness appeared on everyone’s faces.

“Retreat!”Yan Jinyao said coldly.

Many young masters of the aristocratic families immediately shot backward, afraid that they would die under the power of this martial saint weapon.

Qin Yu’s expression was equally solemn. He took out a male corpse and placed it in front of him to resist the remaining power.

The other male corpse was prepared to use it to resist this martial saint weapon!

“Senior, I have offended you, but I really have no other choice. I hope you can forgive me.” Qin Yu cupped his hands towards the male corpse and did not say anything else. He looked at Qu Xie coldly.

“Qin Yu, go to Hell!” Qu Xie roared angrily and swung the prajna ruler in his hand towards Qin Yu!

In an instant, a stream of light rippled over like water ripples!

Its power could shake the sky and shake the Earth, and the wind and clouds churned!

“What terrifying power!” The young masters of the aristocratic families could not help but turn pale!

If they were to face this martial saint weapon, they probably would not have the slightest chance of surviving!

Looking at the surging light, Qin Yu shouted and immediately threw the male corpse in his hand over!

“Boom!”

A huge explosion occurred at the scene! For a moment, thick smoke billowed!

Waves of residual power swept out in all directions. Qin Yu hurriedly placed the male corpse in front of him to resist the residual power!

Taking advantage of this gap, Qin Yu looked at Yan Ruoxue.

“Ruoxue, I’ll think of a way to save you now.” Qin Yu’s hand shook as he took out the bronze sword!

Following that, Qin Yu held the bronze sword in his hand and ruthlessly slashed at the pipe!

“Clang!”

A crisp sound was heard, but the pipe did not move at all!

Qin Yu’s expression could not help but change drastically! He said in a low voice, “How... how could this be! Even black gold stone can’t be so hard!”

Qin Yu did not give up. He held the bronze sword in his hand and slashed at the pipe again!

Numerous densely packed characters immediately appeared on the pipe. These characters flickered with light and were quite dazzling.

“Could it be because of these characters?” Qin Yu couldn’t help but frown.

Qin Yu didn’t recognize any of these characters. He didn’t even know what their origins were.

But it was very obvious that it was impossible to break these characters with brute force!

“Hurry up and leave...” Yan Ruoxue said in a low voice.

“If you die, there’s no point for me to live anymore.”

“At least I’m still safe now. If you’re caught, they’ll kill you...”

Hearing Yan Ruoxue’s words, Qin Yu’s expression was extremely unsightly.

But Yan Ruoxue was right. If he was caught, there was only one outcome, and that was death!

“Ruoxue, I have my own plans.”Qin Yu took a deep breath.

“Wait for me. It Won’t be long before I take you out of the Jingdu Martial Arts Association!”

Not far away, the smoke and dust gradually dispersed.

The air was filled with the smell of gunpowder.

Everyone was staring at that spot, eager to know the result.

Crack

Finally, the male corpse fell to the ground unharmed.

His body was perfect, and not even a white mark was left.

“How... how is this possible!”Qu Xie’s eyes widened! His expression was as if he had seen a ghost!

“What... What is this thing? How can it be so hard!”

Everyone sucked in a breath of cold air!

Just his physical body alone had withstood the full-force attack of the martial saint artifact. Just what kind of creature was this?

“Looks like the handlebar mustache didn’t lie to me. The strength of these two corpses probably far surpasses that of a mighty figure.”Qin Yu’s eyes flickered with a sharp light.

Now was definitely not the time to continue pestering. Although Qin Yu knew that if he wasn't captured, the Jingdu Martial Arts Association would continue to torture Yan Ruoxue.

However, Qin Yu had already come up with a plan in his heart.

He put away the two male corpses and then looked at Yan Ruoxue.

"Ruoxue, wait for me." Qin Yu gritted his teeth and put away the male corpses. He immediately used shrinking earth into an inch and turned to leave.

"You want to leave? In your dreams!" Xie Qu flew into a rage!

In order to capture Qin Yu, they had gone to great lengths. If they failed again, the Jingdu Martial Arts Association would lose all its face!

Looking at the direction Qin Yu had fled to, Qu Xie's eyes turned cold. Then, he grabbed the Prajna ruler and swung it in Qin Yu's direction!

An extremely terrifying power of a martial saint surged towards Qin Yu!

Its speed was extremely fast, and it did not even have the time to react!

"Boom!"

This attack smashed fiercely onto Qin Yu's back!

With just one attack, Qin Yu's body began to shatter.. His entire body was dyed red with blood, and his body fell from midair.

My Rich Wife – Chapter 655 –

Chapter 655: Chapter 655, the martial saint's Attack!

Qin Yu's entire back was almost rotten, and even his bones were exposed.

His internal organs were all greatly impacted, and he lay on the ground in extreme pain.

“Wah!”

A mouthful of fresh blood was spat out from Qin Yu's mouth! Intense pain spread throughout his entire body!

This was the power of the martial saint's weapon! Just a casual attack had broken through all of Qin Yu's defenses!

“HMPH, let's see how you run!” Qu Xie said coldly.

He withdrew the Prajna ruler and strode toward Qin Yu.

Qin Yu gritted his teeth and forced himself to stand up again.

Then, Qin Yu exerted all of his internal Qi to shrink the ground into an inch and run away!

Qu Xie's face turned cold, and he shouted angrily, “You can still stand up! Your body is beyond imagination!”

He looked at Qin Yu coldly and sneered, “Even if you don't die, you will be seriously injured. Let's see where you can run to!”

Then, Qu Xie looked at the black-gold robes and shouted, “Go and catch him for me!”

These few black gold robes were also heavily injured, but they naturally did not dare to disobey Qu Xie’s orders. They could only get up and chase after Qin Yu.

Qu Xie looked at Yan Ruoxue. The reason why he did not chase after her personally was because he was afraid someone would take the opportunity to kidnap Yan Ruoxue.

On the other side, Qin Yu was desperately trying to escape.

This martial saint’s attack had caused him great injuries. Blood kept spurting out of his mouth.

Even so, Qin Yu still did not dare to stop. Once he was captured, he would die without a doubt!

Fortunately, those few black gold robes were also heavily injured. Their speed was not fast, and they were far inferior to Qin Yu.

After more than ten minutes, Qin Yu had completely disappeared.

The few of them stood where they were and frowned, “We let him escape. What should we do now?”

“What else can we do? We were already injured, how could we catch up?”

“Let’s go back and report.”

The few of them looked at each other and returned to the martial arts academy.

“President Qu, we didn’t catch him,”they said as they walked forward.

Qu Xie’s expression changed. He could not help but fly into a rage. “You bunch of trash! He was hit by a martial saint and is heavily injured. How can you not catch up? !”

“President Qu, our bodies are also heavily injured,”the few of them said in a low voice.

Qu Qu gritted his teeth and said, “Trash, trash!”

The black-gold-robed men stood there silently, allowing Qu Qu to curse at them.

The faces of the young masters from the other aristocratic families were gloomy. Among them, the one in the worst mood was naturally Yan Jinyao.

“That black-robed man... is actually Qin Yu!”Yan Jinyao clenched his teeth!

He, the number one young master, had actually been surpassed unknowingly!

“I thought that black-robed man was an old monster who had cultivated for several years. I didn’t expect it to be Qin Yu.”Zhuang teng sighed from the side.

“To cultivate to such a realm in less than two years, it’s really... terrifying.”Chu Heng also nodded slightly.

“We so-called young masters of aristocratic families, I’m afraid we will be completely suppressed by this Qin Yu.”

Yan Jinyao coldly glanced at everyone. He didn't say anything and turned around to leave.

“What's there to be arrogant about? I, Kong Yun, will definitely surpass that Qin Yu!”Kong Yun shouted loudly.

After that, he also turned around and left.

The young masters of the various families left the scene one after another. Soon, there were only three people left: Yao Meng, Chu Hedao, and Xiao Yuan.

“I really didn't expect that the black-robed man who caused the Jingdu Martial Arts Association a great deal of trouble was actually brother Qin,”Xiao Yuan said with a smile.

“Yeah, I didn't expect it either.”Yao Meng's beautiful eyes were also somewhat surprised.

Chu Hedao, who was at the side, said, “I think the strength of the two of you should not be below Qin Yu's.”

Once these words were said, the two of them shook their heads slightly and said, “Brother Chu, you think too highly of us. Even Yan Jinyao might not be his match, let alone the two of us.”

Chu hedao said indifferently, “I think the two of you might have already surpassed Yan Jinyao's strength.”

After saying this, Chu Hedao also left this place.

...

Qin Yu ran all the way back to his own private room.

His aura was rather dispirited. Waves of piercing pain came from every part of his body, and there were even bones that were shattered in his body.

With Qin Yu's current state, not to mention fighting against the marquis, even a martial grandmaster would be able to kill Qin Yu!

“As expected of a martial saint weapon...”Qin Yu was extremely weak as he spat out another mouthful of blood.

He sat cross-legged on the ground and tried his best to recover from his injuries.

However, his injuries this time were too severe. It was impossible for him to recover in a short period of time! It would take at least half a month!

However, half a month was too much of a luxury for Qin Yu. He had too many things to do and could not afford to waste half a month.

Qin Yu leaned against the wall and struggled to support his body.

He took out the two male corpses and examined them carefully.

As expected, the two male corpses were intact.

“The people accompanying the two men are so terrifying. I really don't know how powerful the masked woman is...”Qin Yu could not help but think to himself.

Then, Qin Yu put away the two male corpses and began to treat his wounds.

...

After only half a day, the news had already spread throughout Jingdu!

The news that Qin Yu was the black-robed man shocked everyone!

“That Qin Yu is actually this powerful?”

“I originally thought that he was Qin Yu’s master, but I didn’t expect it to be him...”

“It seems that we have all underestimated Qin Yu’s talent. If this child doesn’t die, his future cultivation will probably be far beyond our imagination!”

“If he doesn’t die, he will definitely have good fortune! There will be a good show to watch. I’m afraid the various aristocratic families are starting to get anxious, right?”

The higher-ups of the Jingdu Martial Arts Association held a meeting for this!

“No matter what, we must get rid of this Qin Yu, even if we have to use all means!”The higher-ups gave Xie Qu an ultimatum!

At the same time, the higher-ups gave Xie Qu permission to use the purple robe!

As long as he could get rid of Qin Yu, everything was worth it!

...

The sky gradually darkened. Qin Yu was hiding in the private room and felt a chill.

The injuries on his body made him look extremely weak. He couldn't even resist the cold wind.

Qin Yu opened his eyes with great difficulty. He forced himself to stand up and was ready to leave.

“TSK tsk, his injuries are so serious. If we don't treat him quickly, people will die.”

At this moment, a familiar voice was heard.

Raising his head, he saw a figure squatting in the corner of the wall.

This person was none other than the handlebar mustache!

Qin Yu hurriedly looked at the handlebar mustache and said anxiously, “Have you prepared everything?”

Chapter 656: Chapter 656, Qin Yu's plan

The Mustache Man jumped down from the wall.

He walked in front of Qin Yu and rolled his eyes. “You're already injured, and you still have the mood to ask this?”

How Could Qin Yu listen to all this? He said anxiously, “Are the things ready or not?”

The Mustache Man shook his head. “It's not that simple. I'm still lacking a material. I need you to go with me.”

“But looking at you now... I'm afraid you won't be able to go.” The Mustache Man spread his hands and said.

Qin Yu frowned and said, “You need me to go with you ? Why ?”

The mustache man said seriously, “I need your constitution.”

Qin Yu immediately fell into silence. He gritted his teeth and said, “Okay, I’ll go with you now.”

“If you go now, you’re going to die.”The Mustache Man shook his head and said.

“Even if you’re at Your Peak Condition, you may be seriously injured. In this state, you’ll definitely die.”

Having said that, the mustache man patted Qin Yu’s shoulder and said, “Fellow Daoist, you’d better take good care of your body first. There are some things that can’t be rushed.”

Qin Yu didn’t say anything, as if he was thinking about something.

A moment later, he looked at the mustache man and said, “Wait for me for a week. I’ll go with you in a week.”

“A week ?”The man with the handlebar mustache raised his eyebrows.

He sized up Qin Yu and said, “Do you think your injury can be cured in a week ?”

Qin Yu smiled bitterly and said, “There are some things that I can’t explain to you. In short, come and find me in a week.”

Seeing this, the man with the handlebar mustache could only nod and say, “Since you’re so stubborn, okay.”

Qin Yu grunted in gratitude, then turned around and was about to leave.

“Where are you going?”The moustache man hurriedly asked.

“I’m going to do something,”Qin Yu said.

After saying this, Qin Yu no longer paid attention to the moustache man.

He supported his body with great difficulty and left the house.

Looking at Qin Yu’s back, the moustache man couldn’t help but squint his eyes.

“TSK TSK, this kid is really hardworking,”the mustache man said in a low voice.

...

Xia Hang’s home.

A man covered in a black robe was sitting on the sofa, panting heavily.

This man was none other than Qin Yu.

His eyes were half open, as if he would close them at any time.

Even though Qin Yu wrapped himself tightly with his clothes, fresh blood still seeped through the black robe and dripped onto the sofa.

The entire room was filled with the stench of blood.

Xia Hang, who had returned home, quickly found Qin Yu lying on the sofa.

He quickly walked in front of Qin Yu and said coldly, “You still dare to come! Now, the Jingdu Martial Arts Association is arresting you and the authorities are looking for you. Don’t you know!”

Qin Yu grinned and said, “Of course I know... Xia Hang, I came to look for you because I have something important.”

“What is it?” Xia hang asked coldly.

Qin Yu wiped the blood from the corner of his mouth and said in a weak tone, “If I want to take down the Jingdu Martial Arts Association, I will need your cooperation... only by working together from the inside will I have a chance.”

Xia hang said coldly, “I have already made it clear to you last time that my position in the Jingdu Martial Arts Association is just an empty position.”

“And ever since what happened last time, Qu Xie doesn’t trust me anymore.”

Qin Yu waved his hand weakly and said, “I’ll give you a chance to get real power and Regain Your Trust.”

“A chance? What Chance?” Xia hang frowned.

Qin Yu pointed at his nose and said, “As long as you capture me back, you’ll naturally regain your trust and the attention of the higher-ups.”

“Bring You Back?” Xia hang raised his eyebrows and then sneered, “Do you know that you will definitely die after being brought back?”

“This has nothing to do with you.” Qin Yu waved his hand.

He slowly stood up and said, "Make preparations. When the time comes, I will cooperate with you and let you bring me back."

Hearing this, Xia hang sneered and said, "Qin Yu, with your current state, I'm afraid you are not my match. If I want to bring you back, why wait for you to give me a Chance?"

As he spoke, a strong killing intent burst out from Xia Hang's body.

Qin Yu turned around and glanced at Xia hang. He did not hide anything and nodded, "That's right. In my current state, you can indeed take me back at any time."

"Now, the choice is in your hands."

Qin Yu sat on the sofa and looked at Xia hang quietly.

Their eyes met, and for a moment, the atmosphere froze. After a long time, the two of them did not say a word.

"I admire you."

Finally, Xia hang shook his head.

He withdrew the murderous aura from his body and sat next to Qin Yu.

"Qin Yu, you really put in a lot of effort. Is there any meaning to it? What do you want? Just for a woman?" Xia hang lit a cigarette.

Qin Yu said, "You, who grew up in the upper class, of course you wouldn't understand."

"You also wouldn't understand how warm the beam of light that shot into your life when it was dark."

Xia hang took a puff of his cigarette and slowly said, “Qin Yu, haven’t you ever thought that if I really captured you today, everything that you worked so hard for would be for naught?”

Qin Yu glanced at Xia hang and said, “Of course I know, but you are an indispensable part of my plan.”

“If you didn’t catch me today, I would be able to truly trust you.”

At this point, Xia Hang asked with some confusion, “If I caught you, you would be dead.”

“It wasn’t easy to escape from the Martial Saint Weapon, why do you still want to go back?”

Qin Yu sighed and said, “If I didn’t get caught, they would definitely think of a way to torture Yan Ruoxue and force me to show myself.”

“So, it’s only a matter of time before I get caught.”

“Rather than being caught like this, it’s better for you to catch me.”

“As for whether I will die... it still depends on whether my next plan can succeed.”

Xia hang heard this and sighed slightly, “You are meticulous and brave. Maybe you can really succeed.”

Qin Yu didn’t say anything more. He stood up with difficulty and turned around to leave.

After leaving Xia Hang’s house, Qin Yu didn’t go back. Instead, he prepared to head to another place.

This place was a residence near the military district of Jingdu.

One kilometer away from the military district of Jingdu, there was a small two-story building that was neither too big nor too small. This was also the only private house within a radius of several Li.

The person who lived here was none other than ye Qing, the god of war in the Military District!

It was already late at night, and the surroundings were completely silent. The lights of this two-level building had been turned off long ago.

Unlike the higher-ups of the Military District, not only did ye Qing not live in the Military District, his residence was also not guarded by any guards.

The reason was because ye Qing did not need anyone to protect him!

At this moment, Qin Yu was leaning against the wall, standing at the door without saying a word, as if he was waiting for something.

Upstairs, Ye Qing, who had fallen asleep, suddenly opened his eyes at this moment!

“Someone is coming.” Ye Qing narrowed his eyes. He took the opportunity to grab his coat and jumped down.

“Officer Ye...” seeing ye Qing, Qin Yu forcefully supported his body and cupped his hands.

“Qin Yu?” Seeing Qin Yu in front of him, ye Qing’s face couldn’t help but turn cold.

“Qin Yu, how dare you! You still dare to come and find me!”Ye Qing strode forward, the aura on his body suddenly burst out!

Chapter 657: Chapter 657, why are you helping me?

Ye Qing’s aura was extremely strong. Under the explosion of this internal Qi, Qin Yu couldn’t bear it anymore. He spat out a mouthful of blood and half-knelt on the ground!

Looking at Qin Yu’s expression, Ye Qing couldn’t help but frown.

He said coldly, “Qin Yu, do you know that we are all trying to capture you right now ? !”

“You caused a scene at the auction and injured so many people. How dare you show yourself ? !”

Qin Yu wiped the blood from the corner of his mouth and said, “I came to find you because of something important.”

“Something important ?”Ye Qing narrowed his eyes and said coldly, “What is it ?”

“I want to cooperate with you.”Qin Yu leaned against the wall and slowly stood up.

Hearing this, Ye Qing couldn’t help but laugh out loud, “Qin Yu, who do you think you are to cooperate with me ? Do I need to cooperate with you ? !”

“You’ve hurt so many people and have already broken the law. I’ll Take You Back Now !”

Qin Yu gritted his teeth and continued, “Officer Ye, even if you want to take me, it’s not at this moment. Why Don’t you listen to what I can bring you...”

Ye Qing’s eyes narrowed, as if he felt that what Qin Yu said made sense.

He said coldly, “Alright, I’ll give you three minutes.”

Qin Yu looked at ye Qing and said: “You should know that I am an apothecary and I possess many heaven ranked pill formulas.”

“So?”Ye Qing cast a glance at Qin Yu.

Qin Yu continued: “I can provide pills for the military district of Jingdu, or even the entire fire country.”

“This kind of pill can greatly increase the strength of a warrior!”

“Other than that, I also possess a breathing exercise. This breathing exercise can allow everyone to feel the Qi/spiritual energy and allow all warriors to become warriors!”

This breathing exercise was left behind by Qin Yu’s father. Qin Yu had only taught it to Yao Qing.

But now, Qin Yu had no other way. If he wanted to negotiate with ye Qing, he had to spend a lot of money.

Ye Qing narrowed his eyes. He sized up Qin Yu and said coldly, “What do you want?”

Qin Yu wiped the blood from the corner of his mouth and said, “I want you to fish for people.”

“Get Yan Ruoxue?” Ye Qing asked.

Qin Yu shook his head and said, “No, get me.”

This immediately made Ye Qing very confused.

“Get You? Aren’t you standing here?” Ye Qing frowned and said.

Qin Yu shook his head and said, “I will soon be captured by the Jingdu Martial Arts Association. If I am captured, the Jingdu Martial Arts Association will definitely kill me.”

“I hope that at that time, officer Ye can represent the military district of Jingdu and go to the JINGDU martial arts association to ask for someone.”

Ye Qing couldn’t help but coldly say, “If you have the time, why don’t You Run Away?”

“I don’t want to run, I want to be safe!” Qin Yu said coldly.

“Can I escape for a day, can I escape for a Lifetime? Do you want me to run abroad and never come back?”

“Moreover, Yan Ruoxue is in their hands. They will definitely use Yan Ruoxue to force me to show myself.”

Ye Qing seemed to understand what Qin Yu meant. He narrowed his eyes slightly and said, “Qin Yu, you dare to come and negotiate with me? Aren’t you too confident?”

“Why do I have to go through so much trouble? I can directly capture you and force you to hand over the pill formula and the breathing exercise!”

Qin Yu wiped the blood from the corner of his mouth and sneered,
“Officer Ye, you can try and see if I can open my mouth...”

“Are you provoking me?” Ye Qing’s face turned cold, and the aura on his body suddenly exploded.

Facing the intense pressure from Ye Qing, Qin Yu was not afraid at all.

He looked straight at Ye Qing, his gaze neither servile nor overbearing.

“Officer Ye, he has suffered such serious injuries. Don’t tease him anymore.”

At this moment, a head suddenly popped out from the second floor.

With a glance, he saw the pavilion master standing in front of the window.

Qin Yu was stunned and said in surprise, “Pavilion Master? Why are you here?”

The pavilion master shook his head and didn’t explain.

Ye Qing, who was downstairs, also withdrew his imposing manner. He waved his hand and said with a smile, “She came here to look for me naturally because of you.”

Qin Yu opened his mouth and was about to speak when Ye Qing waved his hand and said, “Let’s go. Let’s go upstairs first.”

Qin Yu followed Ye Qing upstairs in a daze.

In the tea room.

Qin Yu sat in front of the two of them, his face filled with doubt.

“I didn’t expect that you could survive under the Martial Saint Weapon.”The pavilion master drank a mouthful of tea and said indifferently.

Qin Yu smiled bitterly and said, “I was just lucky.”

“Pavilion Master, why are you here?”Qin Yu asked.

Ye Qing, who was at the side, explained, “The two of you really have the same idea. Ji Yuhong also wants me to go to the JINGDU martial arts association to ask for her.”

“But I didn’t expect you to escape.”The pavilion master smiled and said.

Hearing this, Qin Yu couldn’t help but feel warm in his heart.

“Pavilion master, thank you.”Qin Yu wanted to stand up and bow to her, but his injuries were too serious, and it was difficult for him to even stand up.

“Sit there obediently.”The pavilion master waved his hand, and a gentle force pressed on Qin Yu’s shoulder.

Qin Yu’s eyes expressed his gratitude, and then he looked at ye Qing and said, “Officer Ye, no matter what, please promise me.”

Ye Qing said in a deep voice, “To be honest, if it weren’t for Ji Yuhong’s face, I wouldn’t have made any deal with you.”

The pavilion master said with a smile, “Qin Yu can be considered to have done meritorious service for the Military District.”

Ye Qing nodded and said, “That’s right, Qin Yu. Even if you don’t come to find me, I will go to the JINGDU martial arts association to ask for someone.”

Qin Yu was stunned, and the confusion in his eyes intensified.

Ye Qing said faintly, “After all, you are a member of the Chuzhou region’s military district. You belong to the Military District. The Jingdu Martial Arts Association has no authority to deal with you.”

Hearing this, Qin Yu immediately heaved a sigh of relief.

He nodded slightly and said, “Thank you, Officer Ye.”

Speaking up to this point, Qin Yu suddenly thought of something.

He asked tentatively, “Officer Ye, can you help out and save Ruoxue as well?”

“Qin Yu.”Hearing this, the pavilion master couldn’t help but lightly drink.

Ye Qing took a sip of tea and said calmly, “Qin Yu, as I said before, don’t think too highly of yourself.”

“The first reason why I helped you is that you can indeed bring benefits to the military district.”

“The second reason is that you are a member of the military district. All of this is under the premise of complying with the rules.”

“As for the matter of the Yan family, I have no right to interfere, and I won’t interfere.”

Qin Yu smiled bitterly and said, "I'm sorry. I Was Rude."

The pavilion master smiled and tried to smooth things over, "Qin Yu is still young. Don't argue with him."

Ye Qing nodded and said, "It's getting late. It's time for me to rest."

After saying this, ye Qing turned around and walked out.

"You can recuperate here for the next few days," said the pavilion master.

Then, the pavilion master flipped his palm and took out the medicinal cauldron with the Phoenix carved on it, as well as many herbs.

"I will try my best to help you recuperate these few days," said the pavilion master.

Qin Yu nodded. Then, he raised his head to look at the pavilion master and said in a low voice, "Lord Pavilion Master, I have always had a doubt in my heart. That is.... Why are you helping me?"

Chapter 658: Chapter 658, Little Fish and the masked woman

All along, the pavilion master had been taking care of Qin Yu, but Qin Yu knew in his heart that there was absolutely no kindness for no reason.

This question had been hidden in Qin Yu's heart for a long time.

The Pavilion Master looked at Qin Yu and shook his head after a while.

"There's no reason," the pavilion master said with a somewhat cold tone.

Qin Yu furrowed his brows. He wanted to continue asking more questions, but the pavilion head did not give him the chance. He just waved his hand and said: “You should go and rest. If you are injured, you should rest well.”

Before he could finish his words, Qin Yu felt a gentle and gentle force coming towards him.

Qin Yu immediately felt a strong sense of sleepiness and within a short moment, he fell into a deep sleep.

... . .

At that moment, the entire Jingdu, and even the entire fire country’s martial world, had exploded into a pyro.

The news that Qin Yu was the black robed man had spread like wildfire, and his glorious battle record had shocked everyone.

The Yan family and the Han family were the first to bear the brunt of the news, and their relationship with Qin Yu had soured. Now that they had seen Qin Yu with such a high level of cultivation, they were naturally a little worried.

“That black robed man... . . is actually Qin Yu.”Yan Si Hai’s eyes narrowed slightly, his eyes bursting with a strong killing intent.

He looked at Yan Jinyao and said, “With your current strength, are you a match for him?”

Yan Jinyao’s expression didn’t look too good. He said in a deep voice, “Although I don’t want to admit it, it’s very difficult for me to defeat him now.”

Hearing this, Yan Sihai took a deep breath.

“This Qin Yu has already escaped death many times. We can’t let him continue to grow,” Yan Sihai said coldly.

“No matter what connections we use, we must get rid of him!”

It was very clear that Yan Sihai was serious this time.

The contempt he had for Qin Yu all this while had allowed him to grow to this level. Now, he could no longer sit idly by.

“Father, tomorrow I will go to the Jingdu martial arts association and cultivate in seclusion,” Yan Jinyao said coldly.

It was very clear that this matter had dealt a great blow to Yan Jinyao.

He had already held the title of number one in the younger generation for too long. Now that he had been surpassed, Yan Jinyao couldn’t accept it at all.

It wasn’t just Yan Jinyao. All the young masters in Jingdu had the same thought.

In just one night, several young masters had chosen to cultivate in seclusion.

Some were happy, while others were sad. People like Deng Sheng and Yan Guiyi were already panicking.

They knew very well that with Qin Yu’s vengeful personality, he would never let them go.

...

In the next few days, Qin Yu stayed at ye Qing's residence.

The outside world was already in an uproar. Elites from all walks of life had been sent out to capture Qin Yu!

This included the Jingdu Martial Arts Association and even the official forces!

With the Yan and Han families taking action, it was almost impossible for Qin Yu to escape.

But in the blink of an eye, three days had passed and there was still no sign of Qin Yu.

They had almost turned the entire fire country upside down and they were still unable to find Qin Yu.

"That's really strange. Where exactly did this kid run off to?" At that moment, everyone asked.

Another three days passed.

Under the meticulous care of the pavilion master, Qin Yu's injuries had almost fully recovered.

He tidied up his clothes, changed into a set of clothes, and prepared to leave.

"Lord Pavilion Master, you must let officer ye go and get him." Before leaving, Qin Yu said in a deep voice.

The pavilion master nodded slightly and said, "Don't worry. Since ye Qing has promised you, he will definitely do it."

“Qin Yu, everyone is looking for you outside. You’d better be careful in your actions.”The pavilion master exhorted.

Qin Yu smiled and said, “If I’m too careful, how can they catch me?”

After saying this, Qin Yu shook his head, turned around and left.

Since he was going to be caught, he had to make a scene. Only in this way could the Jingdu Martial Arts Association Trust Xia Hang.

Therefore, Qin Yu aimed at the Saint Confucian school.

This was probably the best and most reasonable way.

Before heading to the Saint Confucian School, Qin Yu was the first to return to Chuzhou. He planned to go and see Little Yu.

That mask was of great importance. There must not be any accidents.

Chuzhou, outside Uncle Wu’s house.

Unlike the usual hustle and bustle, this place was extremely deserted today.

It was already late autumn. The fallen leaves in the courtyard added to the sadness.

Qin Yu frowned slightly. He released his spiritual sense and quickly caught a figure at home.

Qin Yu looked around and then strode into the room.

As soon as he entered, Qin Yu saw Uncle Wu sitting on the sofa drinking wine. He looked much older.

“Uncle Wu, what happened?” Qin Yu couldn’t help but ask.

Hearing Qin Yu’s voice, Uncle Wu was stunned.

He quickly got up. A hint of surprise flashed across his face, but then he panicked.

He hurriedly pulled qin yu and whispered, “Qin Yu, are you crazy? Everyone outside is looking for you now!”

Qin Yu smiled and said, “I know, Uncle Wu. I’ll leave in a while.”

Uncle Wu frowned. He closed the door tightly and then pulled Qin Yu to sit down.

“Uncle Wu, during this period of time... did something happen?” Qin Yu seemed to have noticed uncle Wu’s abnormality.

Uncle Wu sighed slightly and said slowly, “The Yan family interfered. I was stripped of my position. It’s already good enough that I can still live here.”

Qin Yu’s expression changed slightly. He didn’t expect the Yan family to actually attack these ordinary people.

“Uncle Wu, I’m sorry.” Qin Yu stood up with a somewhat apologetic look on his face.

He took out his bank card and handed it to uncle Wu, saying, “There’s some money in here. You can use it first.”

Uncle Wu hurriedly pushed the bank card back and said, “You’re just making me talk more. Those people are staring at me every day now.”

Hearing this, the guilt on Qin Yu's face increased.

"You'd better take care of yourself. At least I don't have to worry about food and drink now. I can be considered to be living a happy life." Uncle Wu waved his hand cheerfully.

Qin Yu whispered, "Don't worry. This kind of life won't last long. Yan Sihai will abdicate sooner or later."

At this point, Qin Yu looked at uncle Wu and asked, "Where's Xiaoyu?"

At the mention of Xiaoyu, Uncle Wu's face became more worried.

"Ever since this child started cultivating, she seemed to have changed into a different person. Her personality became more and more strange, and her personality became much more gloomy," uncle Wu sighed.

When he said this, Qin Yu couldn't help but frown.

Could it be... Xiaoyu had already developed in the direction of the masked woman?

Qin Yu didn't know much about the masked woman, but judging from the handlebar mustache's attitude toward her, this masked woman was probably not a good person.

"When will she come back?" Qin Yu asked.

Uncle Wu looked at his watch and said, "Soon. Is there anything you need from her?"

"No, I'm just looking for her," Qin Yu said in a deep voice.

"Then you can wait," uncle Wu nodded and said.

Qin Yu nodded and agreed.

At six o'clock in the afternoon, Xiao Yu finally appeared at the door.

The moment Xiao Yu appeared, Qin Yu felt an extremely strange internal Qi.

Although this internal Qi was not very strong, it was very similar to the masked woman!

Chapter 659: Chapter 659, shattered with a single palm strike

This internal Qi couldn't help but make Qin Yu's hair stand on end!

Indeed, the lively and cute look on Xiao Yu's body had been replaced by an icy coldness.

“Qin Yu? !”

The moment she saw Qin Yu, Xiao Yu immediately pounced over.

She pounced into Qin Yu's embrace and said, “I knew you wouldn't die...”

Qin Yu patted Little Yu's head and said with a smile, “Don't worry. It Won't be that easy for me to die.”

Uncle Wu sighed and said, “This child isn't that close to me anymore. The child can't help it when he's older.”

Qin Yu Sized Up Little Yu. After not seeing her for a long time, she had grown a lot taller and more mature.

“Little Yu, that mask... did you lose it?”Qin Yu asked tentatively.

“Of course not!”Little Yu said.

She pulled Qin Yu and said, “Come with me.”

Qin Yu followed Little Yu and came to her room.

Then, she took out this mask from a small locked cabinet.

Sure enough, this mask was the one that the masked woman wore!

“I don’t know why, but as long as I wear this mask, I feel a little strange,”Little Yu said while stroking the mask.

Qin Yu said in a deep voice, “Strange?”

“Yes, it’s like a memory that doesn’t belong to me is flooding into my brain. It’s very uncomfortable.”Xiao Yu wrinkled her nose.

As she spoke, she put the mask on her face.

The moment she put it on, Qin Yu subconsciously took two steps back!

It was so similar, it was exactly the same!

There was definitely a special relationship between Xiao Yu and the Masked Woman!

“What’s Wrong?”Seeing Qin Yu’s terrified look, Xiao Yu took off the mask.

Qin Yu quickly shook his head and said cautiously, “Xiao Yu, this mask is extraordinary. Remember, you must not tell anyone, or your life will be in danger, understand?”

Xiao Yu stammered, “I know...”

Seeing her expression, Qin Yu had a bad premonition.

“You... did you tell someone else?” Qin Yu said with some fear.

“No.” Xiao Yu quickly shook his head.

Qin Yu was still worried, but no matter how he asked, Xiao Yu denied it.

“Xiao Yu, I’m doing this for your own good. You must take good care of this mask, understand?” Qin Yu urged.

Xiao Yu nodded and said, “I understand. Don’t worry.”

Qin Yu grunted and didn’t say anything else.

“It’s getting late. I Can’t stay here for too long, so I’ll leave first. I’ll come and see you again when I have time,” Qin Yu said as he patted Xiao Yu’s head.

Xiao Yu looked a little disappointed, but he still nodded and didn’t say anything else.

After walking out of the room, Uncle Wu pulled Qin Yu to the side.

He patted Qin Yu’s shoulder and said, “Xiaoyu, this child, may have developed strange feelings for you. You...”

“Uncle Wu, don’t joke around. I’ve always treated Xiaoyu as my younger sister.”Qin Yu hurriedly waved his hand.

Uncle Wu opened his mouth and then said with a wry smile, “Alright, Qin Yu, be careful.”

Qin Yu nodded and turned around to leave.

Qin Yu had planned to visit Jiang Gu and the others, but things changed after a while, so he left Chuzhou.

In the Saint Confucian school in Cang City.

A huge statue stood in the center of the square. It was Deng Sheng.

Deng Sheng was putting his hand on Zhen Yue’s thigh in Zhen Yue’s boudoir.

“Zhen Yue, you should know the current situation. The Green Moon Villa no longer exists. Only the Saint Confucianism sect exists now,”Deng Sheng said with a smile.

There was a bit of disgust on Zhen Yue’s face, but she didn’t do anything too extreme.

Obviously, this wasn’t the first time Deng Sheng came to talk to Zhen Yue.

“Deng Sheng, Mr. Qin isn’t dead. When he comes back, you’ll be dead for sure,”Zhen Yue said with a cold face.

Deng Sheng couldn’t help but laugh when he heard this. “So what if Qin Yu isn’t Dead? He’s too arrogant and has caused too many troubles!”

“Now that all the worlds are catching him, do you think he’ll have a chance to come back?”

Zhen Yue sneered when she heard this. “Mr. Qin has always escaped death, and this time is no exception.”

These words undoubtedly aroused fear in Deng Sheng’s heart. He said with a bit of anger from embarrassment, “B * Tch, I’ll tell you nicely. Do you really think you’re a good-for-nothing?”

“I’m telling you today. If you want to live, you have to listen to me! Be My Canary and you can enjoy more happiness. Otherwise, I’ll make you a plaything for everyone in the Saint Confucian sect!”

“You should know that many people in the Saint Confucian sect want to play with you!” Deng Sheng said sinisterly.

Zhen Yue glared at Deng Sheng and then spat on his face.

Deng Sheng narrowed his eyes. He suddenly grabbed Zhen Yue’s hair and said fiercely, “Shameless bastard! I’ll make you suffer today!”

Then, he pulled Zhen Yue’s hair and dragged her out of the door!

This pervert was going to play with Zhen Yue in front of everyone from the Saint Confucian sect!

He dragged Zhen Yue’s hair and strode out of the hall.

However, just as he reached the door, he bumped into a steel-like body.

He looked up and saw Qin Yu looking at Deng Sheng coldly.

Deng Sheng was stunned at first, then he staggered backward and fell on his butt!

“Qin... Qin Yu!”Deng Sheng’s face was full of fear!

Qin Yu looked at Deng Sheng coldly and said, “Bastard, I shouldn’t have let you live in the first place!”

After saying that, Qin Yu suddenly kicked Deng Sheng’s lower abdomen!

This kick was extremely powerful and directly sent Deng Sheng flying.

His body shattered the hall, and the entire hall instantly buzzed!

Deng Sheng spat out a mouthful of blood from the corner of his mouth. He got up from the ground and turned around to run.

But in front of Qin Yu, how could he escape.

In the blink of an eye, Qin Yu grabbed him by the neck and dragged him to the square like a dead dog!

Such a big commotion naturally alarmed countless people.

All of a sudden, everyone from the Saint Confucianism sect gathered here!

Countless people looked at the scene in front of them and exclaimed, “Qin... Qin Yu! He’s Back!”

Zhen Yue exclaimed, “Mr. Qin, everyone is looking for you outside. You... You Better Run!”

Qin Yu glanced at Zhen Yue and didn't explain.

He had to keep a high profile. Otherwise, how could he attract the people from the Jingdu Martial Arts Association!

Qin Yu carried Deng Sheng and strode toward the center of the square.

Deng Sheng gritted his teeth. He wanted to escape quietly, but Qin Yu only raised his hand and broke Deng Sheng's legs!

Qin Yu threw Deng Sheng on the ground and glanced at the crowd coldly. He said word by word, "I, Qin Yu, am not dead, and I will not die in the future."

"This place is called Green Moon Villa, not Saint Confucian sect. Whoever dares to betray Zhen Yue will end up like Deng Sheng."

Deng Sheng opened his mouth and wanted to beg for mercy, but Qin Yu didn't give him a chance to speak.

Qin Yu raised his palm and smashed Deng Sheng's head into pieces.

The bloody scene made everyone's faces change drastically, and they kept stepping back!

Chapter 660: Chapter 660: I' ll kill you all!

Qin Yu swept his cold gaze across the crowd. His gaze was like a sharp blade, and no one dared to look him in the eye.

Then, Qin Yu looked at the huge statue in front of him. With a wave of his hand, he smashed the statue into pieces!

After doing all this, Qin Yu looked at Zhen Yue and said in a low voice, “Sect master Zhen, I Can’t stay here for too long. But don’t worry, I’ll be back at any time.”

Zhen Yue nodded in a daze. She opened her mouth, wanting to say something, but couldn’t.

Qin Yu turned around and left. With Qin Yu’s understanding of the Saint Confucian sect, there must be internal members of the Jingdu Martial Arts Association inside.

Therefore, he believed that it wouldn’t be long before the Jingdu martial arts association found him.

That night, Qin Yu went straight to Jingdu.

Just as Qin Yu had expected, the Jingdu Martial Arts Association received the news not long after he left.

“President Qu, Qin Yu showed up at the Saint Confucian school and killed Deng Sheng,”the assistant said in a low voice.

Qu Xie’s face turned cold. He couldn’t help but say coldly, “How dare this Qin Yu Show Up! Go and locate him immediately!”

The assistant nodded and said, “We have already taken care of him with the relevant departments. They are checking the surveillance. As soon as there is any news, they will inform US immediately.”

Qu Xie slowly stood up. He took a deep breath and said, “This time, we must kill Qin Yu no matter what!”

Then, he looked at Qu Xie and said, “Go, Get Geng si here for me.”

The assistant nodded and said, "Yes."

Geng si was the purple robe of the Jingdu Martial Arts Association! His strength was far above that of the black gold robe!

With his help, Qin Yu would definitely die!

Soon, Geng si walked in from outside.

After seeing Geng Si, Qu Xie stood up and said politely, "Mr. Geng, I'm afraid I'll have to trouble you."

Geng si said coldly, "You just need to give me the time and place."

Qu Xie smiled. "Don't worry. We've found his tracks. We'll be able to lock onto his position soon."

Geng si turned around and walked out without saying a word.

As a purple robe, his status wasn't any lower than Qu Xie's.

Besides, the Purple Robe wasn't responsible for Qu Xie. Usually, the higher-ups would give the order directly.

On the other side, Qin Yu arrived at Jingdu the next morning.

His eyes narrowed slightly, and he seemed to be planning something in his mind.

"If I were to be captured by Xia hang directly, it would be too obvious," Qin Yu thought to himself.

Xia hang was an important part of Qin Yu's plan. There must be no mistakes.

After thinking for a while, Qin Yu couldn't help but sneer.

Then, Qin Yu turned around and walked in a certain direction.

On the outskirts of Jingdu, there was a rather luxurious villa.

And the owner of this villa was none other than Yan Guiyi.

After thinking about it, Qin Yu finally decided to make a move on Yan Guiyi.

This way, it would mislead the Jingdu Martial Arts Association: Qin Yu intended to take revenge.

In this way, Qin Yu's appearance near Xia Hang's home would not arouse suspicion.

Inside the villa.

Yan Guiyi was lying on the sofa in the courtyard, playing with two walnuts in his hands.

Ever since the black golden ball was taken away by He Teng, Yan Guiyi felt that something was missing in his hands.

He stood up slightly and wanted to pour a glass of water, but he was missing an arm, so it was difficult for him to stand up.

This made Yan Guiyi's face turn cold. He said with a hint of viciousness, "It's all Qin Yu's fault... if it weren't for him, my arm wouldn't have broken!"

Yan Guiyi sacrificed an arm, but he still couldn't catch Qin Yu.

Not only that, he even lost his status as a black gold robe and was demoted to an ordinary white robe!

All of this was because of Qin Yu!

“Yan Guiyi, long time no see.”

Just then, Qin Yu’s voice came from behind.

Yan Guiyi’s expression suddenly changed. He hurriedly turned around and exclaimed, “Qin Yu! You... you still dare to come!”

Qin Yu coldly said, “Why don’t I dare to come?”

Yan Guiyi gritted his teeth and angrily said, “Qin Yu, the Jingdu Martial Arts Association is catching you. You Can’t escape! This time, we won’t give you any more chances!”

The corners of Qin Yu’s mouth curled up into a playful smile. He said, “It’s precisely because of this reason that I came to find you.”

“Before I am captured, I will kill all of you!”

Yan Guiyi’s expression changed slightly. He took two steps back and coldly said, “Qin Yu, I warn you that you had better not act recklessly! If you leave now, I will pretend that you never appeared!”

“Oh? is that so? In that case, I have to thank you?” Qin Yu walked towards Yan Guiyi step by step.

Yan Guiyi’s face became even more panicked. He wanted to inform the JINGDU martial arts association, but he had no chance at all!

“Yan Guiyi, you vicious and despicable person, it’s time for you to pay the price.”Qin Yu’s body was filled with murderous intent as he walked towards Yan Guiyi step by step!

The golden light was incomparably dazzling. The powerful pressure on Qin Yu’s body made Yan Guiyi’s hair stand on end!

“F * ck you!”At this moment, Yan Guiyi suddenly shouted. He held the black-golden light with one hand and swung it at Qin Yu!

Qin Yu did not dodge, but raised his hand to meet it head-on!

“Clang!”

The two fists collided, and the Earth and mountains shook immediately!

Yan Guiyi felt waves of pain in his fist, and his bones directly shattered!

“How could this be...”Yan Guiyi’s face changed drastically!

How Could Qin Yu improve so much in just a few months? !

Qin Yu seemed to see through Yan Guiyi’s doubts. He sneered and said, “Speaking of which, I have to thank you. If it weren’t for you, I wouldn’t have been able to get a babe in the immortal slaying sect.”

“The immortal slaying sect’s Babe? !”Yan Guiyi’s face turned as ugly as if he had eaten shit!

“Alright, I don’t have time to talk nonsense with you. After I kill you, I have to find the next one,”Qin Yu said coldly.

His body was full of energy, and his fist was emitting a dazzling golden light!

Yan Guiyi knew that this was Qin Yu's killer move, the absolute beginning Holy Fist!

"Go to hell!" Qin Yu shouted angrily, and then he threw a punch at Yan Guiyi!

Yan Guiyi gritted his teeth and summoned all of his internal Qi. He braced himself and went up to meet the punch!

At this moment, a black and golden light shot out from not far away!

The light collided with Qin Yu's fist, and the terrifying internal Qi directly shattered the villa!

Qin Yu frowned slightly and looked up. He saw a black-gold ball save Yan Guiyi.

"It's that black-gold ball again." Qin Yu frowned.

"Qin Yu... long time no see..."

Soon, a hoarse voice came from behind!

Qin Yu turned around and saw a sinister figure.

"He Teng?" Qin Yu's lips curled into a sneer.

"You came at the right time.. I'll Kill You Too!" Qin Yu said coldly.

Chapter 661: Chapter 661 was discovered? !

He Teng looked at Qin Yu gloomily and said with a grin, "I was about to meet you too..."

Yan guiyi hurriedly shouted, “He teng, kill him!”

He Teng licked his lips and said, “To me, you are an extremely delicious ingredient...”

“Ingredient?” Qin Yu narrowed his eyes, as if he didn’t understand what he teng meant.

He Teng did not say anything more. He put away the black gold ball, and with a shake of his palm, a long spear fell into his hand.

Looking at he teng in front of him, Qin Yu could not help but frown.

This he teng seemed to be different from before. The black energy surrounding him had completely disappeared, and his body seemed to be no longer as weak as before.

“Qin Yu, after I kill you, I will definitely have a good taste of you.” He Teng sneered. The long spear in his hand suddenly shook and headed straight for Qin Yu’s glabella!

Qin Yu was not afraid at all. He shouted loudly and held the absolute beginning sacred fist in his hand as he went straight for it!

“Clang!”

The sound of steel colliding was deafening! Under this tremendous force, Qin Yu was actually forced back three steps!

On the other hand, he Teng’s long spear was unharmed, and there were even specks of light on it!

“This spear doesn’t seem simple. Your Strength... seems to have improved,” Qin Yu said with narrowed eyes.

He Teng laughed loudly and said, “Qin Yu, do you think you’re the only one who’s improving!”

Qin Yu raised his eyebrows and said, “You’re relying on that guy in your body, right? If you’re on your own, you’re just a piece of trash.”

He Teng’s face suddenly changed, and a trace of killing intent burst out from his eyes.

“What? You hit a sore spot just like that?” Qin Yu sneered.

“He Teng, you are not worthy to fight with me. Let that guy in your body come out.”

He Teng ignored Qin Yu’s words and said coldly, “When I kill you, I will definitely sew your mouth shut!”

As he spoke, he teng held the long spear in his hand and charged at Qin Yu again!

The power of this long spear was not ordinary. Qin Yu did not dare to be negligent. He immediately used the sacred physique technique to meet it again!

“Puchi!”

What shocked Qin Yu was that this long sword actually directly pierced through Qin Yu’s golden light and pierced straight into Qin Yu’s chest.

That huge force slanted from the long spear and forced Qin Yu back several steps!

Qin Yu’s face couldn’t help but turn cold.

This he Teng's strength had actually reached such a level! He was probably not much weaker than Yan Jinyao and the others!

He Teng said coldly, "Qin Yu, today is the Day You Die!"

Before he finished his words, he teng waved the long spear as if he was casting some kind of spell.

Rays of light condensed on the long spear. The light continuously coiled and finally gathered at the spearhead!

In the next second, he teng grabbed the long spear in his hand and quickly stabbed forward!

Once, twice, three times. In just a few short seconds, he teng stabbed out thirteen times consecutively!

The thirteen rays of light instantly covered the sky and earth as they pressed down on Qin Yu!

Qin Yu's expression turned cold. His palm shook and he directly took out the bronze sword. Then, he suddenly slashed out with his sword!

"Boom!"

The terrifying sword light swept out and collided with the thirteen beams of light!

The ground immediately began to collapse. The trees not far away snapped in half, and gravel rolled down!

Yan Guiyi hurriedly retreated. He took advantage of this time to immediately call Qu Xie!

“President Qu, Qin Yu is at my home now. Send someone to catch him immediately!” Yan Guiyi said anxiously.

Qu Xie immediately ordered Geng Si to go straight to Yan Guiyi’s residence!

The scene was still roaring. Both sides held sharp blades in their hands, and in the blink of an eye, more than ten moves had passed.

The surroundings were already in ruins, and Yan Guiyi’s Villa had turned into ruins!

For a moment, the fight between the two seemed to be inextricable. He Teng became even crazier, and the long spear in his hand kept stabbing out!

Qin Yu’s eyes narrowed. He waved the large sword in his hand, and then said coldly, “He teng, the next time I see you, I will definitely kill you.”

He teng sneered and said, “What, do you want to escape?”

Qin Yu did not waste any more words with he teng. He immediately used shrink into inch and turned around to leave.

He Teng originally wanted to chase after him, but that hoarse and old voice rang in his mind.

“There’s no need to chase after him...”

Hearing this voice, he teng could not help but frown and say, “Why? This Qin Yu is clearly not my match!”

“No, this Qin Yu did not use his full strength at all...” that hoarse voice said coldly.

He teng sneered and said, “How is that possible! If he had the ability to kill me, he would not waste this time!”

The hoarse voice did not explain further, but with his experience, he could clearly see that Qin Yu did not use his full strength.

Just as he had guessed, Qin Yu originally wanted to kill Yan Guiyi, but he Teng’s appearance changed Qin Yu’s plan.

It was better to leave this Yan Guiyi with his dog life and let him go and inform the others to complete his plan.

“He Teng, hurry up and chase after him!” Yan Guiyi walked forward and shouted angrily.

He Teng looked at Yan Guiyi coldly and said, “Yan Guiyi, don’t forget that I saved you. Otherwise, you would have become a dead soul by now!”

“Also, I’m warning you, I’m not your subordinate! If you dare to talk to me like that again...”

He Teng didn’t finish his words, but a strong killing intent burst out from his body.

Yan Guiyi opened his mouth, and it was as if a fishbone was stuck in his throat.

He was actually starting to be afraid, afraid of this junior!

“We are in a cooperative relationship,” he teng warned.

Yan Guiyi felt very aggrieved. He was a dignified person in the dark, but now he was being reprimanded by two juniors consecutively!

“You should leave quickly. The people from the Jingdu martial arts association are coming soon,” Yan Guiyi said after taking a deep breath.

He Teng did not say anything more and turned around to leave.

On the other side, Qin Yu was rushing straight to Xia Hang’s home!

Geng si soon arrived at Yan Guiyi’s home.

“Where is he?” Geng si asked coldly.

Yan Guiyi shook his head and said, “He has run away.”

Yan Guiyi seemed to want to show off, so he continued, “Mr. Geng, according to my speculation, this Qin Yu seems to want to seek revenge.”

Geng si ignored Yan Guiyi’s words and coldly spat out two words, “Trash.”

Yan Guiyi’s face flushed red, but he didn’t dare to say a word.

At this time, Geng Si’s phone rang.

He picked up the phone and heard Qu Xie on the other end say, “Qin Yu is heading in the direction of Xia Hang’s home.”

Geng si didn’t say anything. He hung up the phone and turned to leave.

...

Qin Yu sped all the way and soon arrived near Xia Hang’s home.

He took a deep breath, took out his phone, and sent a message to Xia hang:

One hour later, he went downstairs.

After sending the message, Qin Yu was ready to delete the message.

However, at this moment, a big hand grabbed Qin Yu's wrist!

“One hour later, he went downstairs? It seems that Xia hang has betrayed the Jingdu Martial Arts Association.” A cold voice sounded in Qin Yu's ear.

He looked up and saw a tall man in a purple robe!

This man was none other than Geng Si!

Chapter 662: Chapter 662, Meet Geng Si!

Upon hearing this voice, Qin Yu's expression changed drastically!

He hurriedly took a few steps back and deleted Xia Hang's message at the same time.

Geng si was not in a hurry. He placed his hands behind his back and looked at Qin Yu quietly with a pair of vulture-like eyes.

Even though he had restrained his internal Qi, the powerful aura on his body still gave off a powerful pressure!

Qin Yu's expression was somewhat unsightly. He had never expected that he would be discovered by Geng Si!

“Purple Robe...”Qin Yu muttered in a low voice.

“To be able to appear silently by my side, purple robe is indeed not simple,”Qin Yu said coldly.

Geng si ignored Qin Yu’s words and only quietly said, “Have you thought about how to die?”

Qin Yu sneered and said, “To be honest, in my plan, I will escape from your hands.”

“Oh?”Geng si raised his eyebrows with a playful look on his face.

“Do you think you can escape from My Hands?”

Qin Yu shook his head and said, “No, I have changed my mind now.”

“You saw something that you shouldn’t see, so... you must die here today,”Qin Yu said coldly.

Geng si said faintly, “I’m afraid you can’t kill me with just you.”

Qin Yu was also somewhat uncertain. Although he said so, he was starting to panic in his heart.

If he wanted to escape, Qin Yu naturally had a way. Then all his previous efforts would be wasted!

At that time, Xia hang would definitely be executed by the Jingdu Martial Arts Association!

“Whether it works or not, I can only give it my all.”Qin Yu’s body burst with golden light, and a terrifying internal Qi spread out.

On the other hand, Geng Si was still extremely calm, as if he didn't care about Qin Yu at all.

“Everyone says that the purple robes of the Jingdu martial arts association are all extremely powerful. I want to experience it too!”

Qin Yu shouted, and immediately stepped on the ground to shrink into an inch. He held the absolute beginning holy fist in his hand, and charged straight at Geng Si!

“You don't know Death!” Geng si said coldly.

He raised his hand and faced Qin Yu head-on.

“Clang!”

The collision of pure physical bodies actually forced Qin Yu back a few steps!

This made Qin Yu even more uneasy! One had to know that in terms of physical body alone, Qin Yu had never met an opponent!

And at this moment, Geng Si's physical body was actually not weaker than his own!

“No, he must have used some kind of spell,” Qin Yu thought in his heart.

Geng si looked at Qin Yu coldly and said word by word, “I don't want to waste too much time, so you'd better hurry up and die.”

As soon as he finished speaking, Geng Si's figure quickly disappeared!

His extremely fast speed even made Qin Yu unable to react in time!

“Bang!”

In almost an instant, Geng Si’s palm hit Qin Yu’s chest!

“Deng Deng Deng Deng!”

Qin Yu immediately took a few steps back, and his chest felt stuffy.

His expression became even uglier. Geng Si’s speed was too fast!

“To be able to withstand my palm, not bad,”Geng si said indifferently.

Qin Yu looked at Geng Si with a serious expression and said, “As expected of the purple robe of the Jingdu Martial Arts Association... I think you are one of the outstanding ones, right?”

Geng si shook his head and said, “No, I am only the weakest among the purple robes.”

Qin Yu did not know whether Geng si was telling the truth or not, but at least he could confirm that the Jingdu martial arts association still had many purple robes!

“I have to give it my all.”Qin Yu gritted his teeth. He was definitely not willing to give up! He did not know when the next opportunity would come!

Thinking of this, Qin Yu immediately activated the power of the Divine Dragon and rushed towards Geng Si with big steps!

With the support of the power of the Divine Dragon, Qin Yu’s strength instantly skyrocketed!

His fierce fist, which was brewing the power of splitting heaven and earth, fiercely swung towards Geng Si!

Geng si snorted coldly. He casually raised his palm to meet Qin Yu!

“Clang!”

Another violent collision!

This time, Geng Si was forced back three steps!

Qin Yu was no better. He only felt that this punch was like hitting a solid rock, shaking his wrist until it hurt!

“You have some ability.”Geng Si’s face gradually turned cold.

“No wonder you sent me to attack. If I have time, I would like to play with you.”Geng si sneered.

As he spoke, his internal Qi began to climb and a strong sense of oppression assaulted his face!

“Advanced stage of the Martial Marquis Realm? !”Qin Yu’s expression could not help but change!

The early, middle, and late stage of the Martial Marquis realm were vastly different in strength. There was a huge difference between them.

After the late stage of the Martial Marquis realm, there was the peak of the Martial Marquis Realm, which was only one step away from becoming a martial saint!

Obviously, this Geng Si had already stepped into the late stage for a long time and was only one step away from the peak of the Martial Marquis realm.

Qin Yu's face was slightly solemn. He gritted his teeth and said coldly, "No matter what realm you are in, you will die here today!"

After he finished speaking, Qin Yu shouted loudly and golden light instantly exploded on his fist!

"Go to hell!"

The Golden Light on Qin Yu's fist poured out, almost shattering the entire street!

Geng si did not dare to be negligent. He slowly raised his hands, and a force gathered in front of his chest.

In the next second, Geng Si roared angrily, and his hands pushed forward with force!

"Boom!"

Two streams of internal Qi collided at this moment! A terrifying aftershock immediately spread out in all directions!

Before Qin Yu could be shocked, Geng si raised his palm once again!

A huge palm instantly appeared out of thin air!

This palm struck towards Qin Yu at an extremely fast speed!

"Boom!"

Qin Yu's entire body was instantly smacked to the ground!

Geng si did not stop at this point. His hands quickly slid, and sword-like sharp blades rapidly slashed towards Qin Yu's body.

“Chi La Chi La!”

This spell was extremely strange. It actually directly entered Qin Yu's body!

In a short while, Qin Yu's body emitted bursts of explosive sounds!

That force seemed to explode in Qin Yu's body!

“What... What kind of spell is this!” Qin Yu's expression suddenly changed!

The Qi force that came out from inside penetrated all of Qin Yu's defenses!

Geng si said coldly, “There are many ways to deal with you.”

Qin Yu gritted his teeth. He stood up from the ground and then forcefully pushed his body to shoot backward!

“Spiritual fire seal!”

In the next second, Qin Yu gathered the internal Qi in his body and directly shot out the spiritual fire seal!

He dodged the lotus-like spiritual fire and quickly pressed toward Geng Si!

Geng si narrowed his eyes and said, “Spiritual fire? Interesting.”

Geng Si's hands shook, and then he murmured in the air. A word "Exterminate" condensed in front of his chest!

This big word seemed to be cast by black flames, and a strange internal Qi jumped on it!

"Exterminate!"

Geng si shouted and then pushed the big word out with force!

"Hu!"

The moment it touched, Qin Yu's spiritual fire seal instantly dimmed a few times!

However, this did not stop the spiritual fire seal's footsteps. It landed on Geng Si's body almost instantly!

"Hu!"

Geng Si's body was instantly wrapped up by the spiritual fire seal!

Chapter 663: The 663rd chapter forcefully increased his cultivation!

Geng Si's body was enveloped by the spiritual fire seal. Although the flames were a little dim, it still made Geng si feel unbearable pain!

"It's Done!"

Seeing this, Qin Yu was immediately overjoyed!

He hurriedly took out the bronze sword and activated his internal Qi. With a loud shout, he raised his hand and used the third cut of the nine absolute beginning slashes!

The sky-reaching sword light suddenly arrived. The sharp killing move made people shudder in fear!

“Go to hell!” Qin Yu shouted. The sword light expanded and then rushed toward Geng Si!

At this moment, Geng Si, who was wrapped by the spiritual fire seal, suddenly reached out a big hand. Light gathered on his palm and actually went straight toward the sword light!

“Boom!”

At the moment of collision, the entire street turned into a vast expanse of white!

This terrifying aftershock directly pushed Qin Yu back dozens of steps, leaving several white marks on his body!

However, Qin Yu’s eyes were still fixed in the direction of Geng Si!

Geng Si’s palm was shaken until it was dripping with blood, even revealing sparkling white bones!

Seeing this, Qin Yu’s expression could not help but change.

He did not expect that the third slash would only break Geng Si’s palm!

The flames surrounding Geng Si’s body also began to slowly disappear.

The purple robe on his body had already been burned, and there were even marks on his skin.

However, what made people despair was that not only did Geng Si's internal Qi not show any signs of weakness, it was even more vigorous!

His vulture-like eyes were coldly looking at Qin Yu.

His fierce eyes made people shiver!

Qin Yu's face was slightly unsightly. He didn't expect that even though he had used all his trump cards, he still couldn't take down Geng Si!

"As expected of the purple robe of the Jingdu Martial Arts Association..." Qin Yu panted heavily, and he couldn't help but feel a little nervous.

Geng si tore off his clothes and walked toward Qin Yu step by step.

"No wonder you sent me to attack. You are really surprising." Geng Si's hands condensed a burst of brilliance.

This light seemed to be one with Geng si, like two pairs of his gloves.

"You should feel honored to be able to hurt me to this extent." Geng si's voice was getting closer and closer, and the light on his hands was becoming more and more dazzling.

Qin Yu was extremely anxious. At this rate, he was definitely not Geng Si's opponent!

But to run away like this, Qin Yu was even more unwilling!

"Whoosh!"

At this moment, Geng Si had already stepped forward!

He raised his palm and fiercely slapped towards Qin Yu!

Qin Yu did not dare to be negligent. He shouted loudly and clenched his Golden Fist to meet it!

“Boom!”

A terrifying force poured out from Geng Si’s palm!

Qin Yu’s palm instantly felt waves of soreness!

Geng Si’s left hand quickly slid. A “Destroy” word quickly condensed and then slapped onto Qin Yu’s chest!

“Bang!”

The word exploded in front of Qin Yu’s chest, and Qin Yu was instantly hit hard, and his body flew out!

A big hole was directly hit in his chest! Fresh blood flowed out from the hole!

Qin Yu’s face was extremely ugly, and waves of pain came from his chest.

“To be able to survive the word “Exterminate” is already worthy of praise,” Geng si said with a cold smile.

He continued to walk towards Qin Yu. With every step he took, the pressure on his body became stronger.

Qin Yu gritted his teeth and said in a low voice, "I can't just sit here and wait for Death!"

There were two paths in front of Qin Yu. He could either fight to the end or turn around and escape!

But once he escaped, Xia hang would definitely be exposed. At that time, Qin Yu would have no chance at all!

"No, I've worked so hard for so long. I Can't give up just like that." Qin Yu clenched his teeth.

He ignored the big hole in his chest and stared at Geng Si!

"What, are you still planning to put up a stubborn resistance?" Geng si sneered.

Qin Yu didn't say anything. He took a deep breath and said in a low voice, "I can only try!"

Qin Yu's eyes were slightly closed, as if he was casting some kind of spell!

Following that, Qin Yu's internal Qi was rapidly rising!

His cultivation had gone from the fourth rank of the Martial Marquis realm to the middle stage of the Martial Marquis Realm!

This was the spell that he had used when he was fighting Han Wei!
Forcefully raising his cultivation!

However, the side effects of this spell were too great. Once it was cast, there was no way out. It might even affect his future cultivation!

Qin Yu had no other choice now. He could only fight!

“You’re courting death.” Geng Si’s eyes shone with a cold light as he used the extermination word spell again!

A large black word instantly struck forward!

This large word seemed to carry the aura of death, making people shudder without feeling cold!

Just as this large word was about to strike Qin Yu, Qin Yu suddenly opened his eyes!

“Ah! !”

Qin Yu let out an angry roar, and golden light burst out from his hand as he met the attack with his palm!

“Boom!”

The golden light and the destruction word formula collided at this moment!

Dense cracks instantly appeared under Qin Yu’s feet!

The earth seemed to be unable to bear it anymore, and began to collapse at this moment!

“Rumble...”

Dark clouds suddenly gathered in the sky, and gusts of hurricane blew up, followed by a downpour of heavy rain!

“Break!”

Qin Yu's palm turned into a fist and suddenly pressed forward!

The "Destroy" spell could not withstand it anymore. It was directly penetrated by Qin Yu's golden light and disappeared without a trace!

At this moment, Qin Yu's strength welcomed the fusion, and his cultivation had stepped into the middle stage of the Marquis Realm!

Although it was only a thin line, the difference in strength was like heaven and earth!

Geng si looked at Qin Yu coldly, and a trace of playfulness appeared on the corner of his mouth.

"Forcefully increase your cultivation?" Geng si raised his eyebrows and said.

"Do you think this will work? As far as I know, this technique can only be maintained for half an hour at most. After half an hour, your cultivation will disappear and you will instantly become a cripple."

Qin Yu looked at Geng si coldly and nodded. "Yes, so I can only kill you in half an hour."

"Kill me?" Geng si shook his head.

"There are many people in this world who can kill me, but you are not one of them."

Qin Yu did not have time to waste with Geng Si. He only had half an hour, so he had to hurry!

Qin Yu's feet shook, and his body shot out like an arrow, instantly charging toward Geng Si!

The Golden Fist contained a crushing force, and the surging force created a crack in the ground!

Geng Si's face was cold. He raised his hand and collided with Qin Yu!

“Deng Deng Deng!”

This time, the light on Geng Si's hand seemed to dim a bit, and his body unconsciously took a few steps back!

“Eh?” This made Geng si slightly surprised.

Even if Qin Yu forcefully increased his cultivation, he was only in the middle stage of the Marquis Realm. There was still a certain gap between him and Qin Yu.

However, the power of Qin Yu's punch was actually far above his own!

“Fighting across ranks?” Geng si raised his eyebrows and then sneered, “Interesting...”

As he spoke, Geng si began to condense the extermination character on his hand.

Facing the extermination character, Qin Yu's fist also began to condense internal Qi.

His golden light transformed into a dragon. If one listened carefully, one could even hear waves of dragon roars!

Chapter 664: Was the 664th Chapter about to fail

Qin Yu's blood was burning as he raised his head and shouted angrily!

At this moment, the blood on his body seemed to have been dyed a golden color!

Geng Si's expression was similarly crazy. The 'destroy' spell in his hand grew stronger and stronger, as if it was about to explode!

"Go to hell!" Following that, Geng si shouted loudly, and the 'destroy' spell in his hand directly slapped towards Qin Yu!

Qin Yu's fist was also swung out at this moment!

"Boom!"

The moment the two spells collided, the entire space seemed to be buzzing!

The "Annihilate" spell carried a strange power, as if it wanted to Swallow Qin Yu's fist!

And Qin Yu was not willing to be outdone. The Dragon's Roar in his hand was incessant, as if it wanted to shatter everything!

The "Annihilate" spell was repeatedly pushed back by Qin Yu's fist, while Qin Yu seemed to have fallen into a state of madness, as he punched and punched non-stop!

The "Annihilate" formula became dimmer and dimmer, as if it was about to be shattered by Qin Yu!

Geng Si's face was slightly unsightly, and his pupils were filled with shock.

But he was not flustered, because the initiative was still in his hands!

“Boom!”

Finally, under the force of Qin Yu's fist, the “Annihilate” formula was directly penetrated!

The terrifying power dissipated and rippled in all directions!

Dark clouds rose in the sky and a violent wind swept up!

The blood on Qin Yu's body flowed down his body and dyed the ground red!

Geng si could not help but clap his hands and sneered, “This is really shocking...”

Qin Yu was full of fighting spirit and his eyes were sharp. He strode forward like an undefeated God of War!

“Come and fight!” Qin Yu shouted loudly, deafening!

Geng si sneered, “Fight? You can last at most half an hour. Why should I fight with you?”

As he spoke, Geng Si stepped back step by step.

He put his hands behind his back and said with a faint smile, “You are now like a stubborn mouse, and I am the cat that teased you.”

“And the final outcome of the mouse is to be played to death by the cat.”

Qin Yu knew that he could not last long, so he did not dare to waste time. He immediately stepped on the ground and rushed toward Geng Si!

Geng si kept dodging. His speed was extremely fast, and he could Dodge Qin Yu's fatal blow every time!

Qin Yu gritted his teeth. He crazily waved his fist, trying to kill Geng Si with one punch!

“Boom!”

Finally, under Qin Yu's bombardment, Geng Si's chest was hit by a punch!

This punch directly sank Geng Si's chest, and he spat out a mouthful of blood!

“You have some ability.”Geng si wiped the blood at the corner of his mouth.

“Continue to be crazy. I'll see how long you can be crazy,”Geng si said coldly.

Qin Yu raised both hands, and his feet shook. Then he shouted, “Fall heavily into space!”

Rays of light spread out from under Qin Yu's feet!

Qin Yu, who was in the middle stage of the Marquis of Wu realm, also fell heavily into space!

The moment Geng Si fell into space, his speed instantly decreased!

“What is this?” Geng si frowned slightly. He shook his arm and found that his entire body had become extremely heavy.

Qin Yu did not have time to explain to him. He immediately stepped on the ground and shrunk into an inch, rushing towards Geng Si!

Under the influence of the heavy falling space, Geng Si's speed slowed down a lot!

Faced with Qin Yu's powerful attack, Geng si looked extremely pathetic!

“Bang Bang Bang!”

Qin Yu's speed was extremely fast. There were almost no fist shadows, only streaks of golden light flashing!

In the blink of an eye, Geng si was hit several times. His body kept sinking and finally sank into the ground!

Qin Yu panted heavily and stared in Geng si's direction.

In the blink of an eye, twenty minutes had passed. There was not much time left for Qin Yu!

Upstairs, Xia hang was also watching this scene.

He knew very well that if Qin Yu lost, he would have to run away or he would die!

“Good skill...”

At this moment, Geng Si got up from the ground.

His body was almost shattered, and the blood dyed his whole body red!

“I really underestimated you...”Geng si wiped the blood from the corner of his mouth, and his face was a bit cold.

Qin Yu said coldly, “Stop talking nonsense, die!”

As he spoke, Qin Yu rushed at Geng Si again!

However, at this moment, Geng Si’s speed suddenly became extremely fast! He easily dodged Qin Yu’s fist!

In the blink of an eye, Geng Si’s figure actually retreated hundreds of meters!

“How could this be ?”Seeing this, Qin Yu’s expression suddenly changed!

Geng Si’s feet shook again, and in the blink of an eye, he was in front of Qin Yu again.

“If I were defeated by you, I wouldn’t be worthy of wearing this purple robe...”Geng si grinned and said.

Qin Yu said coldly, “How is this possible! You actually broke free from the heavy falling space ? !”

Geng si said faintly, “Heavy falling space ? It is indeed a good spell, but in front of the wind spell, it is not worth mentioning.”

“Wind spell ?”Qin Yu frowned!

There was the destruction spell before, and now there was the wind spell. What kind of spell was this ?

Geng si seemed to have noticed Qin Yu's confusion. He smiled faintly and said, "This is a top-notch spell. There are a total of 18 words. Each word contains a different energy."

"In front of the "Wind"spell, your heavy fall into space is not worth mentioning."

Qin Yu was naturally unwilling. He shouted loudly and clenched his Golden Fist to meet Geng si again!

However, Geng Si's speed was too fast. In the blink of an eye, he retreated hundreds of meters. Even Qin Yu's shrinking earth was far from it!

He threw dozens of punches in a row, but they failed to touch the corner of Geng Si's clothes!

This made Qin Yu feel extremely desperate! He panted heavily and stared in Geng si's direction. His face was full of unwillingness.

"How could this be..."Qin Yu's expression was ferocious, and he was in extreme pain!

He could clearly feel that the internal Qi on his body was rapidly declining.

Obviously, the time of the spell was about to run out, and Qin Yu would soon turn into fish meat on the chopping board.

"I can't give up just like that..."Qin Yu roared again and again. He seemed to have gone mad and kept smashing at Geng Si.

However, Geng Si went deep into Qingyan and came and went as he pleased.

“You don’t have much time left, right?” Geng si said with his hands behind his back and a playful look on his face.

Qin Yu’s breathing became heavier and heavier, and his strength was also rapidly disappearing.

Both his speed and strength had decreased by a few points!

“How could this be! ! !” Qin Yu was unwilling to give up, and he kept screaming in pain!

He had calculated everything, but in the end, Geng Si had broken the overall situation!

His many days of hard work had finally turned into nothing. This pain was indescribable!

Finally, Qin Yu couldn’t bear it anymore. The internal Qi on his body quickly withered, and his strength disappeared without a trace at this moment.

Qin Yu fell to the ground with a thud. He tried to get up, but he couldn’t.

Geng si stepped forward and stepped on Qin Yu’s body.

“What? It’s over? What a pity,” Geng si said with a cold smile.

Qin Yu’s face was full of despair. He kept mumbling, “I can’t fail... I can’t die...”

Seeing this, Geng si couldn't help but laugh. "I've seen many people who are about to die. They either beg for mercy or scream at the top of their lungs. You're the first one who's so indignant."

Qin Yu couldn't listen to anything else. He knew very well what it meant for him to fall this time.

Not only would he die, Yan Ruoxue would also stay in prison forever.

The plan seemed to have failed.

Even Xia Hang, who was watching the battle upstairs, was ashen-faced.

"It's time to go..." Xia hang gritted his teeth. He turned around and picked up his daughter, preparing to escape!

However, at this moment, Xia hang suddenly felt an even more powerful internal Qi coming from downstairs!

Xia hang was stunned. He hurriedly leaned against the window and looked outside!

He saw an old man standing on this street.

"It's.... It's him!" Seeing this old man, Xia Hang's eyes instantly widened!

Chapter 665: Chapter 665, crushed with a single palm

Seeing this old man, Xia Hang's Hope suddenly rose!

Downstairs.

Naturally, Geng si also sensed this strange internal Qi.

He released Qin Yu and turned around to look behind him.

He saw an old man standing quietly at the end of the street.

Although his body was hunched, his aura was extremely strong!

The rain fell on his body, making him look like an ordinary old man in a farm.

Geng si narrowed his eyes slightly. He turned to look at the old man and said coldly, “Jiang he?”

It was Jiang he! He looked at Geng Si quietly and walked forward step by step!

Jiang he’s sudden appearance made Geng Si’s face look a little ugly.

Soon, Jiang he walked to Geng Si.

Their eyes met, and the atmosphere was very strange.

Compared to Geng Si’s tall and straight figure, Jiang he seemed to be a little short.

But the aura on his body was not inferior to Geng Si’s at all!

“Jiang he, what are you doing here?”Geng si narrowed his eyes and said.

Jiang he pointed at Qin Yu on the ground and said, “I’m here for him.”

Geng si sneered and said, “Jiang he, didn’t you already live in seclusion and don’t care about the affairs of the world? Why, are you going back on Your Words Now?”

Jiang he slowly waved his hand and said, “This has nothing to do with you.”

Geng si laughed and said, “Jiang he! Back then, you made an enemy of the Jingdu Martial Arts Association and threatened to change the Jingdu Martial Arts Association. Did you do it?”

“You should know that the JINGDU martial arts association can not be shaken by a single person. Today, do you still want to be stubborn?”

Faced with Geng Si’s questioning, Jiang he appeared unusually calm.

He lowered his head and glanced at Qin Yu, then said with a smile, “What I didn’t do back then, he might be able to do. I see hope in him.”

“Hope?” Geng si narrowed his eyes and then sneered, “I knew you wouldn’t give up! I should have let the Jingdu Martial Arts Association kill you back then!”

Jiang he waved his hand as if he didn’t want to talk about the past.

He just pointed at Qin Yu on the ground and said, “He can definitely do it.”

“Can he do it? Hehe, you want to take him away?” Geng si narrowed his eyes and asked.

Jiang he shook his head and said, “No, in order to complete his plan, you have to die.”

You have to die!

Although it was only three short words, it made people's hair stand on end!

Geng si took two steps back and said coldly, "Jiang he, you should know the price of attacking purple robe! Do you want to give up your current stable life?"

Jiang he could not help but sigh slightly and said, "The failure back then made me unable to recover. I lived in seclusion for many years. I thought I would live on with my last breath... Until I saw Qin Yu."

"When I saw him, I thought of me in the past. This made me, who chose to live in seclusion, blush," Jiang he sighed.

"I may not be able to make an enemy of the JINGDU martial arts association now, but I think I can still pave the way for him."

Geng Si's expression immediately became extremely ugly! He stared at Jiang he and said, "Jiang he, do you know what you are doing? ! If you attack me today, you will definitely regret it!"

Jiang he looked at the root pose and slowly said, "If I don't attack, I will regret it even more."

As soon as he finished speaking, the aura on Jiang he's body suddenly changed drastically!

His originally kind face instantly became murderous! In just a short moment, he seemed to have changed into a different person!

That powerful aura made even Geng Si's heart jump!

Geng si glared at Jiang he in front of him and said, “Jiang he! Do you think I am afraid of You? It is not certain who will win!”

As he spoke, Geng Si’s hands once again condensed the ‘destroy’ word formula!

A monstrous power instantly blotted out the sky and covered the earth!

Facing Geng Si’s ‘destroy’ word formula, Jiang he also slowly raised his hand.

On his hand, a ‘Dou’ word unexpectedly condensed!

Its terrifying power far surpassed the ‘destroy’ word formula!

“Go to hell!” Geng si shouted! The ‘destroy’ word formula in his hand was immediately slapped out!

Jiang he also gently pushed his palm forward. The two big words collided in an instant, stirring up waves of terrifying air!

The moment the extermination formula touched, it quickly began to dissipate.

Not only did it take ten seconds, but the extermination formula disappeared without a trace.

The fighting formula hit Geng Si’s body hard, causing Geng si to stagger back and spit out blood!

“The so-called “Extermination” formula is just a pirated version. In front of the nine secrets, it is nothing,” Jiang he said lightly with his hands behind his back.

Geng Si's face was extremely ugly. Of course, he knew what kind of spell Jiang he was using!

This was the nine secrets of Taoism, mysterious and unpredictable!

Although what Jiang he was using was only superficial, it was definitely not comparable to the "Eighteen characters" formula!

"Jiang he, it's still not too late for you to Stop Now!" Geng si said angrily.

Jiang he shook his head. "As long as you attack, there is no way out. You should know this better than me."

Geng si thought to himself that things were not looking good. Since Jiang he was called the number one person, his strength naturally could not be underestimated!

"Now that things have come to this, I can only escape!" Geng si roared crazily in his heart!

Thinking of this, Geng si directly used the "Wind" formula, and his speed instantly reached the limit!

If he wanted to escape, as long as he escaped from here, he could inform the Jingdu Martial Arts Association of the News!

Facing Geng Si who was escaping, Jiang he was not anxious at all. He muttered in a low voice, and once again used the nine secrets!

This time, it was the "Xing" character of the nine secrets!

Its speed far exceeded the “Wind” formula. With just one step, it blocked Geng Si’s path!

“I told you, your eighteen character formula is only a copy. It’s not worth mentioning,” Jiang he said quietly with his hands behind his back.

Geng si roared angrily, “Jiang he! Are you really going to do this? !”

Jiang he smiled and said, “Is it meaningful to repeat a sentence so many times?”

As he spoke, internal Qi had already gathered on Jiang he’s old palms.

This internal Qi seemed to be vague, but its power made people’s hair stand on end!

“Ah! ! !”

Geng si immediately raised his head and roared. All of the internal Qi gathered on his hands, as if he wanted to put up a stubborn resistance!

However, Jiang he’s strength was too strong. He raised his palm and smashed all of the internal Qi gathered by Geng Si with one palm!

Such strength made Geng Si Panic!

“Jiang he, I can let you take Qin Yu away. I can also pretend that nothing happened today!” Cold sweat dripped down Geng Si’s forehead, and he was extremely flustered.

Jiang he shook his head. “Only the dead are the safest.”

Geng si wanted to say something, but Jiang he didn’t give him a chance.

His skinny palm grabbed at Geng Si's head!

Then, Jiang he exerted force, and Geng Si's head was crushed!

Chapter 666: Chapter 666, the prison opposite Yan Ruoxue

The arrogant Geng Si had turned into an ice-cold corpse in the blink of an eye!

He lay on the ground, motionless, his blood staining the rain.

No expression could be seen on Jiang he's aged face.

The rain flowed down his gully-filled cheeks. He turned around and walked towards Qin Yu step by step.

“Senior Jiang He...”Qin Yu said these words with difficulty.

Jiang he nodded slightly. He bent down and said faintly, “I'll take you back.”

“No...”Qin Yu rejected Jiang he's good intentions.

He gritted his teeth and said, “This is a rare opportunity. I can't miss it...”

Jiang he frowned slightly and said, “Can you still stand up in your current state?”

Of course, Jiang he knew the side effects of this spell. Once it was cast, it would take at least ten days to half a month to stand up.

However, Qin Yu remained silent. He gritted his teeth and struggled to stand up from the ground.

“Senior Jiang he... Thank you...”Qin Yu said with difficulty.

Jiang he was speechless for a moment.

Looking at Qin Yu in front of him, he felt inexplicably ashamed.

If he had fought with Qin Yu like this back then, would the ending be different?

“Senior Jiang he, you should leave quickly... you must not let others discover your arrival...”Qin Yu said.

Seeing this, Jiang he didn't say anything more. He nodded and took a step forward. In the blink of an eye, he disappeared from the street.

After Jiang he left, Qin Yu couldn't hold on any longer.

He staggered two steps and then fell to the ground with a bang.

“It really makes people sigh.”Xia Hang's voice appeared in Qin Yu's ear.

Qin Yu raised his head and looked at Xia hang in front of him. His worried heart was finally relieved.

“Xia Hang... Please...”

After saying this, Qin Yu directly fainted.

Xia hang stood there for a long time and sighed slightly. Then, he reached out his hand to grab Qin Yu and turned around to walk toward the Jingdu Martial Arts Association.

In the Jingdu Martial Arts Association.

Qu Xie was sitting in his office, waiting for the good news from Geng Si.

“How long has it been since the Jingdu Martial Arts Association sent out a purple robe?”The assistant couldn’t help but sigh.

Qu Xie nodded slightly and said, “An existence like Qin Yu must be killed in the bud. Otherwise, he will become a disaster. Sending out a purple robe is nothing.”

The assistant also nodded. “Yes, no one would have thought that Qin Yu was the black-robed man. His strength is indeed nerve-wracking.”

As he was speaking, the door opened.

Then, Xia Hang, who was drenched in rain, walked in.

He was holding a person in his hand.

This person was none other than Qin Yu.

Xia Hang Threw Qin Yu in front of Qu Xie without saying a word.

Seeing this scene, Qu Xie was stunned.

He hurriedly stood up and bent down to Pat Qin Yu’s face.

“Qin... Qin Yu!”Qu Xie was overjoyed! He was beyond excited!

“We finally caught this bastard!”

The assistant at the side asked in confusion, “Vice President Xia, why is Qin Yu in your hands? where is Mr. Geng?”

Xia hang lit a cigarette and said indifferently, “Geng Si is dead.”

“What? !”Qu Xie Mengran’s eyes widened!

He glared at Xia hang and said coldly, “You said Geng Si is dead? Who Did It?”

Xia hang pointed at Qin Yu who was lying on the ground with his chin and said, “Who else could it be other than him?”

“How is this possible!”Qu Xie exclaimed.

“How Could Qin Yu be a match for Geng Si? !”

Xia hang said coldly, “His body is near my house. You should be able to find it if you go there now.”

As soon as he said that, the phone on Qu Qu’s desk rang.

He picked up the phone and heard someone say, “President Qu, Geng Si is dead. His head was blown off.”

Hearing that, Qu Qu immediately sat down on the ground.

“This Qin Yu... has actually grown to such an extent? !”Qu Xie muttered in a low voice as if he could not believe it.

Xia hang said coldly, “I already said that I would directly use the martial saint weapon to kill him. Unfortunately, you did not believe me.”

Qu Xie glanced at Xia hang and then said in puzzlement, “Even Geng Si is not his match. How did you capture him?”

Xia hang looked at Qu Xie coldly and said, “President Qu, what do you mean? I captured Qin Yu, and not only did you not reward him, you even blamed him?”

After saying that, Xia hang stood up angrily and said, “I must report this matter to the higher-ups and ask them to make a decision for me!”

After saying that, Xia hang turned around and was about to leave.

Qu Xie hurriedly stopped Xia hang and said with a smile, “Vice president Xia, I absolutely have no such intention. I just think it’s strange.”

Xia hang snorted coldly. He took a puff of smoke and said, “Qin Yu used a spell to forcefully increase his cultivation, and that’s why he killed Geng Si.”

“And you should know better than me the consequences of using this spell.”

When Qu Xie heard this, he was suddenly enlightened!

He gave Xia hang a thumbs up and said, “You’ve rendered meritorious service this time. Don’t worry, I’ll definitely ask the higher-ups for meritorious service for you!”

Xia hang waved his hand and said, “There’s no need. I will tell the higher-ups personally.”

“Good, good!” Qu Xie was in high spirits and seemed to have no time to care about anything else.

He looked coldly at Qin Yu on the ground and grinned. “Little Bastard, I’ve finally caught you!”

“You’ve brought so much trouble to our Jingdu Martial Arts Association. I’ll Kill You Right Now!”

Qu Xie’s hands glowed with killing intent.

Seeing this scene, Xia Hang’s heart jumped!

If Qu Xie killed Qin Yu directly, all his efforts would be in vain!

“President Qu, let’s not kill him yet,”the assistant suddenly said at this moment.

Qu Xie frowned slightly and asked, “Why?”

The assistant smiled bitterly and said, “Have you forgotten? The people who want to capture him now are not only the JINGDU martial arts association. The officials are also trying to capture him.”

“If we kill him now, how are we going to answer to the authorities?”

Hearing this, Qu Qu suddenly understood.

He said with some lingering fear, “We almost caused trouble...”

One had to know that the higher-ups were already dissatisfied with the JINGDU martial arts association. If they were to directly deal with Qin Yu behind their backs, it would probably bring trouble to the entire association.

“Then let him live for a few more days. Once the procedures are completed, get rid of him immediately!”Qu Xie said coldly.

Then, qu Xie called for someone and dragged Qin Yu into the prison.

“Remember, lock him in front of Yan Ruoxue,” Qu Xie exhorted.

“Yes, President Qu,” the few of them nodded.

Soon, Qin Yu was dragged into the prison.

Seeing this, the people in the prison couldn't help but discuss in low voices.

“Isn't this the kid who broke into the prison not long ago?”

“Why was he also caught?”

“TSK, tsk. Going against the Jingdu Martial Arts Association really didn't end well.. What a pity.”

Chapter 667: Chapter 667, I absolutely can not fail!

Everyone discussed animatedly. It was obvious that they felt it was a pity to break Qin Yu's position.

After all, over the years, Qin Yu was the only person who forcefully broke into the Jingdu Martial Arts Association's prison.

His body dragged on the ground, and a long bloody scar appeared on the ground.

Qin Yu, who was covered in blood, looked extremely miserable. His unconscious state made people feel that his life and death were unknown.

Soon, Qin Yu was brought to the opposite side of a prison.

This prison was opposite to Yan Ruoxue.

The Moment Qin Yu appeared, a trace of fear flashed across Yan Ruoxue's pale face.

“Crash...”

Yan Ruoxue's struggling movement caused the entire pipe to make a loud noise.

“Qin Yu...”Yan Ruoxue stared in Qin Yu's direction. A trace of pain appeared on her fair and tender face.

She didn't know the inside story. She only knew that Qin Yu had been caught!

And Yan Ruoxue knew very well what it meant if Qin Yu was caught!

“I'm sorry... I've implicated you...”Yan Ruoxue's tears fell like broken beads.

The pain in her heart exploded at this moment. Deep in her heart, she blamed herself.

Qin Yu was thrown into this prison. At this moment, Qin Yu was still in a coma.

He didn't know anything about the outside world.

At this moment, the Jingdu martial arts association also began to move quickly.

Qu Xie immediately reported this news to the higher-ups.

The higher-ups also quickly held a meeting.

In the meeting room.

These eight higher-ups were still hidden in the darkness. No one could see their true appearances.

“Since Qin Yu has been captured, let’s deal with it as soon as possible.” A voice came from the darkness.

“En, this child can not be kept. We must get rid of him as soon as possible.”

“Xia Hang, since it was you who captured Qin Yu, I’ll leave this matter to you to handle.”

When Xia hang heard this, he hurriedly stood up and said, “Thank you for the appreciation of the high-ranking officials.”

“This time, you’ve made a meritorious deed. The JINGDU martial arts association will remember it.” Another voice came out.

It seemed that everything was within Qin Yu’s calculations.

This also caused Xia hang to feel some admiration for Qin Yu in his heart.

“This Qin Yu is really not as simple as I imagined.” Xia hang thought in his heart.

“It’s just... What method should he use to escape?”

Xia hang had never been able to figure out this question.

Qu Xie stood up from the side and said, “All the higher-ups, right now the authorities also want to capture this Qin Yu. Regarding the matter of

dealing with Qin Yu, I'm afraid we have to report it to the higher-ups and get the approval of the documents."

The higher-ups were silent for a moment, then said, "Then go and deal with him as soon as possible. If he lives for one more day, I will feel more uneasy."

Qu Xie couldn't help but be shocked when he heard that.

This Qin Yu had already made the higher-ups feel uneasy?

After the meeting ended, Qu Xie looked at Xia hang.

"Xia Hang, since the higher-ups have given this task to you, you should go and handle it as soon as possible and get the documents as soon as possible," Qu Xie said coldly.

Xia hang nodded slightly and said, "Don't worry, I will naturally carry out the orders of the higher-ups."

After saying this, Xia hang turned around and left.

This made Qu Xie feel a little unhappy.

Xia hang's intention was obviously to be responsible to the higher-ups, not to him, the president!

Qu Xie looked at Xia hang's back coldly and couldn't help but snort coldly. "This lowly one has achieved success. Do you really think that you can become a Phoenix by catching Qin Yu?"

...

The news of Qin Yu's capture spread like wildfire.

Almost everyone knew about it at once.

“It’s said that Qin Yu knew he would be caught, so he took revenge!”

“I also heard that he killed Deng Sheng first and then wanted to kill Yan Guiyi! Later, he went straight to Xia hang’s residence!”

“I heard that Qin Yu killed a purple robe before he was caught! That purple robe is the famous Geng Si!”

“It’s really shocking. Unfortunately, it’s all over.”

...

The Yan and Han families naturally received the news quickly.

In a certain natural secret room of the Yan family, Yan Sihai was standing beside Yan Jinyao.

This was the place where Yan Jinyao was in seclusion.

“Dad, that Qin Yu was captured?” Yan Jinyao asked faintly with his eyes slightly closed.

Yan sihai nodded and said, “That’s right. I heard that before he was captured, he forcefully beheaded a purple-robed man. It was precisely for this reason that Qin Yu was exhausted and fell into Xia Hang’s hands.”

Hearing this, Yan Jinyao couldn’t help but clench his fists!

Beheaded a purple-robed man? Such a battle record had already left Yan Jinyao far behind!

Yan Jinyao still had some confidence in an ordinary black-gold robe.

But if he were to face a purple-robed man, he would not be able to retaliate at all!

“Dad, you can go out. I’m going into seclusion.” Yan Jinyao took a deep breath and forced himself to calm down.

Yan Sihai patted Yan Jinyao’s shoulder and said, “Don’t think too much. That Qin Yu has already become a dead man.”

“I know.” Yan Jinyao closed his eyes slightly and didn’t say anything more.

...

At this time, the Han family was celebrating.

Han Wei held the red wine in his hand and danced excitedly.

The gap between him and Qin Yu was getting bigger and bigger. He had long given up on catching up and surpassing Qin Yu. He only hoped that Qin Yu would die early!

“Dad, I heard that Qin Yu was locked in front of Yan Ruoxue?” Han Wei suddenly thought of something and hurriedly stood up.

Han Meng nodded and said, “Yes, Qu Xie did this on purpose.”

Han Wei narrowed his eyes and said coldly, “Dad, I want to see Qin Yu.”

“See Qin Yu? Are you crazy?” Han Meng frowned and said.

Han Wei glanced at Han Meng and said, “Dad, I said that I would humiliate Qin Yu in front of Yan Ruoxue, but I didn’t do it. If I don’t vent my anger, I won’t be satisfied!”

Han Meng frowned and then said, “But the prison of the Jingdu Martial Arts Association is the most important one. It’s not that easy to get in.”

“Dad, just find some connections and think of a way, okay?” Han Wei’s tone was a bit pleading.

Seeing this, Han Meng couldn’t help but sigh in his heart.

Ever since the battle with Qin Yu, Han Wei had become a loser without any pursuits. All of this was because of the blow from that battle.

“Okay.” Thinking of this, Han Meng’s face darkened as he agreed.

...

In the prison, Qin Yu was still unconscious.

However, his brain was constantly showing all kinds of images.

Beads of sweat appeared on his forehead. Even though he was unconscious, Qin Yu was still thinking about his plan.

“I must not fail, I must not fail...” Qin Yu’s heart was filled with fear.

At this time, he suddenly opened his eyes and shouted, “I must not fail!”

Chapter 668: Chapter 668, the self-humiliated Han Wei!

Qin Yu's face was ferocious, his pupils constricted, and cold sweat kept dripping down his forehead.

"Qin Yu..." Yan Ruoxue whispered.

Looking at Qin Yu's appearance, Yan Ruoxue felt her heart ache.

This man, how much effort did he put in, he couldn't even get any peace when he was unconscious...

"What are you shouting for!" Someone walked over from the side.

"You Absolutely Can't Fail? You're already a prisoner."

Qin Yu looked around, and the expression on his face gradually eased up.

"Qin Yu... Are You Okay?" Yan Ruoxue's weak voice entered Qin Yu's ears.

Qin Yu hurriedly got up. He grabbed the bars of the prison and looked at Yan Ruoxue.

"Ruoxue..." Qin Yu opened his mouth.

Yan Ruoxue's tears were like a river that burst its banks, flowing down endlessly.

"I'm sorry... I'm sorry..." Yan Ruoxue shook her head as she wept.

"If it weren't for me, you wouldn't have suffered such hardship. I don't want you to become a dragon or a phoenix among men. I only want you to be safe..."

Yan Ruoxue's voice was intermittent because of her sobs.

Her tears streaked across her snow-white neck and wet her clothes.

Qin Yu grabbed the railing and hurriedly shook his head. “No, Ruoxue. If it weren’t for you, my life would have been meaningless.”

“You gave me all this, and I chose it myself...”

But how would Yan Ruoxue Know About Qin Yu’s plan? She only knew that Qin Yu had been locked up and that the Jingdu Martial Arts Association wouldn’t let him go.

At that moment, the prison’s door opened.

Then, Qu Xie walked in slowly.

He sized up Qin Yu, then glanced at Yan Ruoxue and said with a faint smile, “Qin Yu, you should thank me for allowing you to reunite with your beloved before you die.”

“Qu Xie, F * ck your mother,” Qin Yu said coldly.

The sudden abuse stunned Qu Xie for a moment.

He narrowed his eyes and said, “You are already a prisoner. Aren’t you going to be honest?”

At this point, Qu Xie changed the topic and said, “If you forcefully Increase Your Realm, you will be unconscious for at least half a month. You woke up in just one day. I have to say, you are really a talent.”

“Qu Xie.”

Qin Yu was about to speak when Yan Ruoxue suddenly shouted.

Qu Qu turned around and walked to Yan Ruoxue. He smiled and said, "Miss Yan, what's the matter?"

Yan Ruoxue looked at Qu xie coldly and said, "If you let Qin Yu go, I can agree to any of your requests."

Hearing this, Qin Yu's face changed drastically!

"Ruoxue, don't ask him! And don't beg him for me!" Qin Yu shouted anxiously!

Xie Qu glanced at Qin Yu and then said with a faint smile, "Miss Yan, do the two of you really have such a deep relationship?"

Yan ruoxue said coldly, "People like you obviously don't understand. You probably have never loved anyone else in your life."

"Hahaha!" Hearing that, Qu Xie couldn't help but burst into laughter.

He put his hands behind his back and said with a faint smile, "Miss Yan, what you said makes sense. I really don't understand your worldly love."

"Cut the crap and let Qin Yu go," Yan Ruoxue said with a cold face.

Qu Xie shook his head and said, "Miss Yan, the higher-ups have given the order to kill this Qin Yu, no matter what the price is! So... I can't agree to your request."

Yan Ruoxue widened her eyes and couldn't help but curse, "Qu Xie! Let Qin Yu Go! Otherwise, I won't spare you!"

"Hahaha!" Qu Xie laughed again.

He looked at Yan Ruoxue coldly and said with a faint smile, “Miss Yan, if Old Mister Yan was still alive, I would have to think twice about what you said, but now... Hehe.”

“Qu Xie, F * ck your mother! I will kill you sooner or later!” Qin Yu couldn't help but curse!

Qu Xie snorted, “You don't have that chance. Once the documents are sent, we will kill you immediately!”

At this point, Qu Xie suddenly thought of something.

He patted his head and said, “Oh right, an old friend is coming to see you. I almost forgot.”

After saying that, Qu Xie turned around and walked out.

Not long after he left, the prison door opened again.

Two people stood at the door. One was Qu Xie, and the other was Han Wei!

“Young Master Han, I don't give you much time. Ten minutes at most,” Qu Xie urged.

Han Wei bowed slightly and said, “President Qu, don't worry. I Won't stay for long.”

Qu Xie grunted and waved his hand, indicating for the people around him to bring him in.

“By the way, President Qu, how is Qin Yu's condition now?” Han Wei suddenly asked.

Xie Qu snorted. “He forcefully raised his realm and hasn’t recovered yet. He’s no different from an ordinary person.”

“Then I’m relieved.” A cold smile flashed across Han Wei’s face.

Then, Han Wei strode into the prison.

He walked all the way to the door of Qin Yu and said condescendingly, “TSK, TSK, aren’t you very arrogant? Why have you become like this now?”

Qin Yu looked at Han Wei coldly and said, “What are you doing here?”

“Of course I’m here to visit you.” Han Wei narrowed his eyes and said.

“Qin Yu, do you understand now? Even if you put in all your effort, you’re still just a lowly ant! In the end, you’ll still be crushed to death by people like us!”

“So what if you have talent? Your birth is destined for everything!”

The more Han Wei spoke, the crazier he became. He looked like a villain who had achieved his goal.

Qin Yu looked at Han Wei coldly and said, “To be honest, you are really pitiful now. You are like a jumping bug. It seems that the last battle left a psychological scar on you.”

When this topic was brought up, Han Wei’s expression suddenly changed!

He glared at Qin Yu and said word by word, “I said before that I would step on you in front of Yan Ruoxue! Now the opportunity has finally come!”

“Hehe, you have to rely on the Jingdu Martial Arts Association to fulfill your wish? How Pitiful,” Qin Yu mocked mercilessly.

Han Wei was furious. He looked at the prison staff and said, “Open the door for me!”

“Okay.” The staff did not hesitate and immediately walked forward, preparing to open the prison.

During this time, Han Wei glanced at Yan ruoxue proudly and said, “Yan Ruoxue, is this the Man You Love? I will make him kneel in front of me today and let you know how bad your choice is!”

As he spoke, the prison’s door slowly opened.

Han Wei Strode in. His aura surged and he said coldly, “Qin Yu, it’s time for you to pay the price!”

After saying that, Han Wei immediately clenched his internal Qi and threw a punch at Qin Yu!

“Bang!”

However, the expected scene did not appear.

Not only did Qin Yu not receive the punch, but he reached out and grabbed Han Wei’s fist!

Han Wei's face changed, and he struggled desperately, but found that he could not break free at all!

Chapter 669: Chapter 669: Trash is trash

This caused Han Wei's expression to change drastically!

Qin Yu's palm was like a pair of iron pincers, tightly grabbing onto Han Wei's fist!

Even if Han Wei tried his best, he was unable to break free!

"You... aren't you already crippled? !" Han Wei said in terror.

Qin Yu grinned, revealing a mouthful of white teeth.

"I am indeed heavily injured and my internal QI is weak. But even so, I am not someone that a trash like you can bully." Qin Yu's smile was extremely brilliant.

And this brilliant smile had left an indelible shadow in Han Wei's heart!

"Trash is trash. Even if I am heavily injured, you are still not my match." Qin Yu said with a cold smile.

"You... Let Go of me!" Han Wei shouted in horror!

Qin Yu ignored him and said coldly, "You want me to kneel? Are you even worthy!"

Following Qin Yu's shout, he raised his leg and kicked Han Wei's calf!

The huge force instantly made Han Wei kneel on the ground with a plop!

Han Wei struggled to get up, but Qin Yu raised his hand and pressed it on Han Wei's shoulder!

A distance instantly came crushing down!

Han Wei only felt that his shoulders were like a mountain, unable to move!

This humiliation made Han Wei's face and ears turn red!

He originally wanted to humiliate Qin Yu, but not only did he fail, he was humiliated by Qin Yu instead!

"How could this be..." Han Wei's face was ferocious, and his heart was filled with incomparable pain!

Even if he was facing Qin Yu, who had a weak internal Qi, was he unable to retaliate?

How did the ant that he stepped on back then grow to such a state?!

"Didn't you want me to kneel?" Qin Yu sneered.

"You... Let go of me!" Han Wei struggled desperately.

"Okay." Qin Yu let go.

Han Wei seized this opportunity and hurriedly got up. He wanted to escape, but Qin Yu kicked his butt from behind.

Before Han Wei could get up, Qin Yu had already reached out his hand and grabbed Han Wei's neck, lifting him into the air.

"Didn't you say that I'm a waste? What about now?" Qin Yu said coldly.

“Even if my internal Qi dissipates, you are still no match for me. Is this your pride? TSK TSK, which of us is a waste?” Qin Yu raised his eyebrows and said.

The huge sense of humiliation made Han Wei wish he was dead!

Today, Han Wei had lost all his face!

Not far away, a trace of surprise flashed across Yan Ruoxue’s face.

She did not expect that Qin Yu had actually grown to such an extent!

“Say it, which one of us is trash!” Qin Yu questioned coldly.

Han Wei struggled with all his might and said, “You... Let Go of me!”

Qin Yu ignored him and raised his hand to slap Han Wei’s face.

This slap was purely physical strength! Even so, the huge force still made Han Wei Dizzy!

“Tell me, which one of us is trash?” Qin Yu continued to ask.

Han Wei clenched his teeth and didn’t say a word.

“You don’t want to say it, right? Fine, I’ll hit you until you open your mouth today!” Qin Yu said coldly.

Following that, Qin Yu raised his palm and swung it left and right.

“PA, PA, PA” sounds spread throughout the entire prison. In a short while, Han Wei’s face was swollen from the slap, and blood oozed from the corner of his mouth!

“Don’t... Don’t hit me anymore...”

Finally, Han Wei couldn’t take it anymore.

If this continued, he might really be beaten to death!

“Speak, who’s trash?” Qin Yu sneered.

Han Wei clenched his teeth and braced himself to say, “It’s... It’s me, I’m Trash...”

“Hahahaha!” Seeing this, Qin Yu couldn’t help but burst into laughter.

He released Han Wei and sneered, “You’re really appreciative.”

Han Wei got up from the ground and said through gritted teeth, “Qin Yu, just you wait! I Won’t let you off!”

After saying that, Han Wei ran away.

However, Qin Yu kicked his leg again, and Han Wei immediately knelt on the ground.

“Since you came to see me, don’t be in a hurry to leave,” Qin Yu sneered.

Han Wei’s face was extremely ugly, but he didn’t dare to provoke Qin Yu again.

Outside the prison, Xie Qu glanced at his watch and frowned. “It’s been so long. Why aren’t you coming out? Are you addicted to torture?”

From Qu Xie’s point of view, he thought Han Wei was torturing Qin Yu.

Thinking of this, Qu Xie opened the prison’s door and walked in.

When he came to Qin Yu's cell, Qu Xie was stunned.

Looking at Han Wei who was kneeling on the ground, Qu Xie was dumbfounded.

“President Qu, save me!” Han Wei shouted anxiously.

Qu Xie strode in and lifted his hand to drag Han Wei out.

Then, he looked at Qin Yu coldly and said, “You are not being honest here. Qin Yu, you have guts!”

Qin Yu sneered and said, “You should have thought of the consequences when you let him in.”

The veins on Qu Xie's forehead twitched. He didn't expect Han Wei to be so cowardly.

“I want to see how long you can be arrogant!” Qu Xie snorted.

After saying that, Qu Qu turned around and walked out with Han Wei.

Time flew by, and the sky gradually darkened.

In this prison, it was almost impossible to tell day from night. The whole day was gloomy.

“Brother, What's your relationship with Miss Yan?” Someone from another prison asked.

“By the way, why did you get in here?”

“You dare to talk to Qu Qu like that. I admire you!”

Qin Yu had nothing to do, so he began to chat with these people.

Almost all of them were in the Martial Marquis realm.

And they had a common characteristic, which was that they hated the Jingdu Martial Arts Association.

Qin Yu seized the opportunity. He rolled his eyes and said, “Brothers, if I have a chance to get out, I will definitely think of a way to save all of you!”

“Haha, brother, don’t joke around. We all heard it. I’m afraid you won’t be able to get out,” the person next to him joked.

Qin Yu pretended to sigh and said, “Yes, I’m afraid I’m in trouble this time. But as long as I’m not dead, I still have a chance.”

“If I really get out, I will definitely save all of you!”

No one took it seriously, but they all smiled and said, “Okay, then we will wait for you.”

Qin Yu couldn’t help but sneer in his heart.

The people locked up here were all top-notch people. If there was a chance to let them out, then perhaps they would have the capital to fight against the Jingdu Martial Arts Association.

At that time, the Green Moon Villa would definitely become the number one sect in the world, not afraid of any aristocratic families!

At this time, the Jingdu Martial Arts Association also didn’t expect that the Dying Qin Yu would actually win over the hearts of the people in the prison.

In the next few days, Qin Yu got along with this group of people.

And when they heard Qin Yu's achievements, they were filled with admiration.

While chatting, Qin Yu also secretly inquired about the structure of this prison.

Everyone spoke one after another, clearly explaining the general structure of this prison, including the materials used in this prison.

Chapter 670: Chapter 670, the Furious Qin Yu!

The material used in this prison was not black gold stone, but a true rock that was even harder than black gold stone!

This material could be called a true treasure of Heaven and earth, and its hardness was far above black gold stone.

Apart from this, Qin Yu also learned that martial saint weapons were hung around this prison.

Therefore, it was not so easy to forcefully save people.

"If we can only resurrect the two male corpses, there shouldn't be a problem," Qin Yu thought to himself.

"Oh right, do you see that Big Door?" At this moment, someone beside him asked.

Qin Yu followed his gaze and nodded. "Yes, I've heard that the people locked inside that big door are even more powerful people."

“That’s right. It’s said that the people locked inside are either martial saints or people close to martial saints.”

Upon hearing these words, Qin Yu’s eyes immediately widened.

“The JINGDU martial arts association can really imprison Martial Saints?” Qin Yu could not help but swallow his saliva.

The person next to him smiled and said, “Don’t forget that the Jingdu martial arts association has existed for many years. Martial saints are indeed very rare now, but what about a hundred years ago?”

“At that time, the Jingdu Martial Arts Association’s power was also much stronger.”

Qin Yu frowned slightly and said, “In other words... those people were imprisoned a hundred years ago?”

“That’s right! Of course, this is only our guess.”

Qin Yu could not help but look solemn.

Even the martial saint had been imprisoned by them. The power of the Jingdu martial arts association was probably not that simple.

In the outside world.

Qu Xie was sitting in his office, waiting for the document to be handed out.

Ten minutes later, Xia hang walked in from outside.

He placed the document in his hand in front of Qu Xie and said, “The document is here.”

Qu Xie's eyes lit up. He hurriedly picked up the document and read it carefully.

"It's finally here!" Qu Xie could not help but take a deep breath, and the corners of his mouth curled into a sneer.

He threw the document to Xia hang and said, "Then hurry up and execute it. Don't waste any more time."

Xia hang opened his mouth. He wanted to stall for time, but he was afraid that Qu Xie would be suspicious.

Therefore, Xia hang could only nod and say, "I got it."

After turning around and walking out of Qu Xie's office, Xia Hang's frown deepened.

Several days had passed in the blink of an eye, but Qin Yu, who had been imprisoned, did not make any movements.

What exactly was his plan? How was he going to escape?

In the office, Qu Xie immediately informed everyone of this news.

He informed everyone, including the Yan family and the Han family, as long as they had a grudge against Qin Yu.

In the end, the execution time was set at noon the next day.

People like the Yan family were overjoyed when they heard the news.

They naturally wouldn't miss such a thing.

Time flew by, and in the blink of an eye, the next day arrived.

In the early morning, the entire prison was filled with an inexplicable atmosphere of sadness.

“There isn’t much time left for you. You should cherish it,” a prison patrol officer said with a faint smile.

As soon as these words were said, the sad atmosphere became even more intense.

On the other side, Yan Ruoxue’s face was extremely pale.

She clenched her teeth and said in a low voice, “Qin Yu, i...”

Qin Yu smiled and said, “Don’t worry too much. I was able to escape from death last time. Maybe I can do it this time.”

Even though that was the case, Yan Ruoxue’s tears still fell like pearls.

She sobbed and said, “Qin Yu, I’ve let you down... If I’m lucky enough to escape this time, you... Don’t bother about me anymore. I don’t want to see anything happen to you...”

Qin Yu opened his mouth and was about to speak when Qu Xie walked in with his men.

There were two people beside him. They were holding a strange instrument in their hands.

The instrument looked like a copper pot, but it was smaller than an ordinary copper pot.

“Qin Yu, the documents have been sent down. The punishment will be carried out this afternoon,” Qu Xie said indifferently.

Qin Yu looked at Qu Xie coldly and said, “Old man, if I don’t die this time, I will kill you.”

Qu Xie sneered, “Do you think you still have a chance?”

At this point, Qu Xie paused for a moment and said with some amusement, “Before I die, I plan to give you a surprise. Haven’t you always wanted to know how we treat Yan Ruoxue?”

After saying that, Qu Xie waved his hand.

The two people beside him immediately walked toward Yan Ruoxue.

The two of them stood on Yan Ruoxue’s side. They seemed to be chanting some spell. Soon, the tubes on Yan Ruoxue’s body began to flash with runes.

As the runes appeared, the blood in Yan Ruoxue’s body began to flow out of the tube.

Yan Ruoxue’s face instantly turned extremely pale!

The intense pain made Yan Ruoxue break out in cold sweat, and her body trembled slightly.

However, in order to not let Qin Yu worry, Yan Ruoxue gritted her teeth and did not say a word!

The blood flowed into the two copper pots through the tube.

As the blood flowed, Yan Ruoxue’s face turned paler, and her clothes were wet with sweat.

Seeing this, Qin Yu's eyes widened and he was furious!

He grabbed the railing and shouted angrily, "Qu Xie! F * ck you!"

Qu Xie laughed and said, "What? You Can't take it anymore?"

Qin Yu glared at Qu Xie, and the murderous aura on his body almost covered the entire prison!

His eyes were scarlet red, and the veins on his arms bulged like a dragon!

"Qu Xie! I will definitely kill you! I will definitely kill you!" Qin Yu's furious roar reverberated in the prison for a long time!

Qu Xie sneered and ordered expressionlessly, "Increase the strength!"

"Yes!"

The two people started chanting again! The runes on the pipe glowed even brighter!

Blood flowed out at an accelerated speed, and the pain that Yan Ruoxue suffered instantly increased by several times!

But even so, Yan Ruoxue still didn't say anything. She bit her red lips with her teeth, and because she used too much strength, her lips were bitten until they bled!

"TSK TSK, how touching. How can you hold back your screams?" Qu Xie said in surprise.

The Qu Xie in front of him was like a demon who killed without batting an eye!

“Qu Xie... I will definitely tear you into pieces. Definitely!” Qin Yu’s internal Qi instantly soared!

However, Qu xie sneered and said, “Continue to increase my strength! I want to see how long she can hold back!”

“How dare you!”

Qin Yu’s anger completely exploded at this moment!

He roared and punched the railing!

Something horrifying happened!

The railing was bent a little under this punch!

Seeing this, Qu Xie’s eyes widened!

“How... How is this possible? !” Qu Xie stared at Qin Yu.

At this moment, Qin Yu’s hair was dancing crazily, his eyes were red, and his aura was extremely cold!

Chapter 671: Chapter 671, the overbearing ye Qing!

Qin Yu’s imposing manner once made Qu Xie feel waves of fear!

And when the lever was flattened, it made people gasp!

Everyone looked at this scene in a daze and didn’t dare to speak for a moment.

No one could believe that Qin Yu’s punch had actually bent the railing!

“Forget it... forget it.” Qu Xie wiped his cold sweat and waved his hand, indicating that he should stop torturing Yan Ruoxue.

The two people quickly withdrew their spells and the tube attached to Yan Ruoxue’s body began to lose its light.

Qin Yu’s pair of extremely cold eyes stared coldly at Qu Xie.

This gaze was too terrifying! Even Qu Xie couldn’t help but break out in a cold sweat!

“No, this child must die as soon as possible!” Qu Xie roared crazily in his heart!

In that instant, Qu Xie seemed to feel death!

He didn’t say a word and turned around to walk out with his people.

The cold internal Qi that lingered around Qin Yu slowly dissipated, but the coldness on his face still made people not dare to say anything.

After an unknown amount of time, someone said, “Your punch... was too terrifying. This is the first time the railing has been bent.”

Qin Yu glanced at him and did not say anything.

The anger just now almost made Qin Yu lose control.

And this anger gave him an inexplicable power.

This was not the first time this feeling had appeared.

Back when he was facing Yan Jiang, there had been such an outburst.

“Ruoxue, how are you?” Qin Yu looked in the direction of Yan Ruoxue.

Yan Ruoxue shook her head and tried her best to maintain a smile. “I’m fine...”

Their words were like the last words of their internal QI, full of sadness.

The surrounding people were also comforting Qin Yu.

“In the next life, you will still be a good man!” Everyone said.

Qin Yu thanked everyone one by one and then quietly waited for the judgment of the Jingdu Martial Arts Association.

Ten minutes later.

Qu Xie walked in with two purple robes.

“Qin Yu, it’s time to say goodbye to this world,” Qu Xie said coldly.

Qin Yu stood up from the ground and looked at Qu Xie coldly. “Qu Xie, let me tell you, if Xue suffers, I will make you suffer a hundred or a thousand times more.”

Qu Xie wanted to mock him, but for some reason, it was stuck in his throat.

In the end, Qu Xie just snorted coldly and waved his hand. “Take her away.”

The door of the prison opened. The two purple robes grabbed Qin Yu’s shoulders and turned to walk out of the prison.

Yan Ruoxue watched Qin Yu's back as he left. Tears kept flowing down her face.

She sobbed softly and bit her red lips, trying not to make a sound.

Just like that, Qin Yu was brought out.

Finally, Yan Ruoxue could not take it anymore and began to cry loudly.

The mournful cry moved everyone. For a moment, everyone felt a little sad. Some even had tears in their eyes.

In the square behind the Jingdu Martial Arts Association, there was a place for execution.

At this moment, two black and gold robes brought Qin Yu to this place.

They used a secret technique to bind Qin Yu. At the same time, two martial saint weapons lit up in the surroundings.

These two martial saint weapons were aimed at the center of Qin Yu's brows. Once released, they would directly pierce through Qin Yu's spiritual sense!

Xia hang stared at Qin Yu, his heart becoming increasingly anxious.

"What exactly is his plan!" Xia hang roared crazily in his heart!

It was time for the execution, but Qin Yu still didn't escape!

Was he really going to die here today? !

"Qin Yu, this day next year will be the anniversary of your death," Qu Xie said coldly.

“Do you have any last words?”

Qin Yu closed his eyes slightly and looked like he was going to be punished.

“Qu Xie, do you think you can still sleep if I don’t die today?”

At this moment, Qin Yu suddenly grinned, revealing his white teeth.

Qu Xie’s heart thumped. He snorted coldly and said, “You won’t live past today. Even the Heavenly King can’t Save You!”

Qu Xie felt extremely uneasy. He could not wait for Qin Yu to die.

Thus, Qu Xie waved his hand and said, “Don’t waste time. Do It!”

“Yes.” The two purple-robed men nodded and then began to activate the two martial saint weapons!

Internal Qi of the martial saint weapons flickered with traces of an ancient aura. This aura was approaching the space between Qin Yu’s eyebrows!

The light was as dazzling as the sun, and booming sounds kept coming out.

Qin Yu clenched his teeth and stared at the two martial saint weapons.

He was also a little nervous.

“F * ck... You’re gambling with your life!” Xia hang could not help but Roar in his heart.

At this moment, Xia hang no longer held any hope.

He closed his eyes slightly and said in his heart, “Qin Yu, take it as you did me a favor. See You in the next life.”

“Buzz...”

The martial saint weapon started to emit light and headed straight for Qin Yu’s glabella!

“Stop!”

At this critical moment, an extremely domineering voice suddenly came from outside!

Turning around, he saw a tall and imposing man with an extraordinary aura striding in.

He wore a green military uniform and wore black boots. His eyes were filled with disdain!

“Ye... Ye Qing?” Qu Xie could not help but frown when he saw who it was.

He walked forward and asked, “Officer Ye, why are you here?”

Ye Qing’s clothes trembled and his coat fell off his shoulders.

The entourage quickly caught the coat.

Ye Qing walked toward Qin Yu and pointed at him. “I want to take this person away.”

Qu Xie narrowed his eyes and asked, “Officer Ye, what do you mean?”

“Why? Don’t you understand what I’m saying?” Ye Qing said with a cold face.

Qu Xie snorted, “Officer Ye, although you have an extraordinary status, you can’t just casually mention people, right?”

“This Qin Yu has committed a heinous crime. He must be punished!”

Ye Qing said coldly, “Qin Yu belongs to the military district. Even if you want to punish him, you should hand him over to our military district. Your Jingdu Martial Arts Association doesn’t have the right.”

Qu Xie couldn’t help but laugh when he heard that. “Officer Ye, I already guessed that you would say that, but unfortunately, we have already obtained the Authorization Document.”

Ye Qing glanced at him and said, “What document? Show it to me.”

Qu Xie immediately ordered the people around him to go to the office to get the document.

A few minutes later, a document appeared in Qu Xie’s hand.

He handed the document to Ye Qing and said, “Please have a look, Officer Ye.”

Ye Qing took the document. Without even looking at it, he tore the document into pieces!

“Alright, now you don’t have the authorization,” Ye Qing said expressionlessly.

Chapter 672: Chapter 672, what were the consequences?

Looking at the torn document, Qu Xie's expression changed drastically!

He glared at ye Qing and said, "What... What do you mean?!"

Ye Qing said coldly, "Why? Don't you understand?"

"Ye Qing, you... Don't go too far! So what if you're a war god in the Military District? You Can't be so overbearing!" Qu Xie gnashed his teeth and said.

Ye Qing looked coldly at Qu Xie and said, "If you don't like it, you can sue me."

"You!" Qu Qu's chest rose and fell in anger, and his face was even more livid.

"Don't even think about taking him away today!" Qu Xie said through gritted teeth.

Ye Qing snorted coldly and said, "If you dare to disobey my orders, I have the right to punish you on the spot."

Ye Qing waved his hand, and a large group of armed soldiers immediately rushed in from outside!

Not only that, the JINGDU martial arts association was also surrounded!

Seeing this scene, Qu Xie's face was extremely ugly!

It was obvious that ye Qing was determined to take him away.

If he clashed with ye Qing today, it would be equivalent to defying the authorities!

The consequences were not something Qu Xie could withstand!

“Release him!”Ye Qing shouted!

Qu Xie gritted his teeth. Although he was unwilling, he still waved his hand and said coldly, “Release him!”

The light of the martial saint weapon that was hanging around began to dim.

A few people moved their arms and legs and released Qin Yu.

Seeing this, Xia hang finally heaved a sigh of relief.

“I really didn’t expect ye Qing to come and rescue him,”Xia hang thought to himself.

He looked at Qin Yu and found it hard to understand.

All of this was in Qin Yu’s plan? How did he get ye Qing to come and rescue him?

Qin Yu walked down from the execution platform. He looked at Qu Xie coldly and said word by word, “Qu Xie, you still remember what I told you, right?”

Qu Xie’s expression changed slightly. He said coldly, “Don’t be too proud. The Jingdu Martial Arts Association won’t let you off so easily!”

“Okay, I’ll wait,”Qin Yu said coldly.

“Come with me,”ye Qing glanced at Qin Yu and said.

Qin Yu showed his gratitude and left the Jingdu martial arts association with Ye Qing.

After leaving the gate, Qin Yu found that the gate was already surrounded by soldiers.

This was the power of the government. It was definitely not comparable to the JINGDU martial arts association.

After getting into the car, Qin Yu slightly bowed to ye Qing and said, "Thank you, Officer Ye."

Ye Qing glanced at Qin Yu and said, "Don't be happy too early. The Jingdu Martial Arts Association will definitely not let this go."

Qin Yu smiled and said, "I know. Thank you for the Reminder, Officer Ye."

The car continued forward and came to a place where no one was around.

At this moment, the car stopped.

Ye Qing opened the car door and said, "Get out."

Qin Yu was stunned and said somewhat awkwardly, "Can't you lock me up for a few days?"

Ye Qing frowned and said, "If I tell you to get out, then get out. Why do you have to talk so much nonsense?"

Qin Yu shrugged and hurriedly jumped out of the car.

After getting out of the car, Ye Qing didn't say anything and directly left with his people.

Qin Yu took a deep breath and said in a low voice, “This plan... finally succeeded.”

He didn't stay any longer and immediately rushed to the Green Moon Villa.

There was a spiritual spring in the Green Moon Villa, and Qin Yu planned to use this spiritual spring to cultivate while waiting for the handlebar mustache.

The Jingdu Martial Arts Association would definitely continue to send out purple robe to kill Qin Yu.

And Qin Yu also clearly knew the gap between him and purple robe.

As long as he entered the intermediate stage of the Martial Marquis Realm, Qin Yu would have the strength to fight.

...

On the other side, after ye Qing saved people, he went straight to a private clubhouse.

In this clubhouse, there was a man in a Chinese tunic suit waiting for ye Qing.

After ye Qing entered the clubhouse, he saluted and said, “Greetings, Mr. Zhou.”

Mr. Zhou smiled and waved his hand, saying, “How is it? Everything is done?”

Ye Qing nodded and said, “Mr. Zhou, just as you expected, this Qin Yu really came to me for help.”

Mr. Zhou laughed and said, "It seems that I didn't misjudge him. Not bad, not bad."

Ye Qing sat at Mr. Zhou's side. He frowned slightly and said, "Mr. Zhou, I don't understand. Why are you helping him?"

"Helping him?" Mr. Zhou shook his head.

He said faintly, "I'm not helping him. I'm borrowing his power."

"Borrowing his power?" Ye Qing couldn't help but be a little surprised.

Mr. Zhou took a puff of his cigarette and then slowly said, "The unorganized expansion of the Jingdu Martial Arts Association over the years has already caused dissatisfaction from the higher-ups."

"But they are, after all, an organization of the martial arts world. If they were directly banned, it would easily cause unnecessary trouble."

Upon hearing this, Ye Qing suddenly came to a realization.

He exclaimed, "You want to... use Qin Yu's hand to attack the Jingdu Martial Arts Association?"

"That's right," Mr. Zhou said faintly.

"As for whether he can do it or not, that will depend on his own luck."

Unknowingly, Qin Yu had become someone else's chess piece, and Qin Yu did not even know about it.

They returned to the Green Moon Villa.

Ever since Qin Yu killed Deng Sheng, no one in the Green Moon Villa dared to try and seize the throne.

In the hall, Zhen Yue was sitting upright. In front of him were two white-robed men from the Jingdu Martial Arts Association.

Although they were only white-robed men, their statuses weren't comparable to Zhen Yue's.

"Sect master Zhen, all the sects should be under the leadership of the Jingdu Martial Arts Association," one of the white-robed men said with a faint smile.

Zhen Yue frowned and said, "Our Green Moon Villa doesn't want to get involved with the Jingdu Martial Arts Association."

"Hehe, sect Master Zhen, we're talking to you calmly now. It won't be like this next time," one of the white-robed men said with a warning tone.

Zhen Yue frowned and said, "Let's wait for Mr. Qin to come back before making a decision."

"Haha, Sect Master Zhen, today is the day of Qin Yu's execution. Don't tell me you don't know that?" The two white-robed men couldn't help but burst into laughter.

"Wait for him to come back? I'm afraid you won't be able to."

Zhen Yue gritted her teeth and said, "Nothing can be concluded without a result."

"You two, please go back. We don't welcome you here." Zhen Yue stood up and said.

The white-robed man's face instantly turned cold as he snorted, "Sect Master Zhen, are you sending us off? Do you know the consequences of rejecting us today?!"

"You can't bear the consequences. You'd better think it through!"

"What consequences?"

At this moment, a voice came from behind them.

They turned around and saw Qin Yu looking at them with a dark face.

Chapter 673: Chapter 673, the last step to resurrect the male corpse

The two white-robed men's expressions changed drastically when they saw Qin Yu!

"You... you broke out of prison?" The two men asked in confusion.

Qin Yu couldn't be bothered with them. He grabbed their collars and threw them out.

"Go back and tell Xie Qu that I'll break his legs if he comes to the Green Moon Villa again," Qin Yu said coldly.

The two white-robed men didn't dare to say anything and ran away.

"Mr. Qin, I knew you would be fine!" Zhen Yue said excitedly.

Qin Yu smiled and then asked, "Is there anything wrong with the Green Moon Villa These Days?"

“No, it’s just that the people from the Jingdu martial arts association are coming,” Zhen Yue said.

Qin Yu grunted and said, “I’ll be cultivating in the Green Moon Villa these days. Call me if there’s anything.”

After saying a few words to Zhen Yue, Qin Yu headed straight for the spiritual spring.

This spiritual spring was extremely mysterious. It was said that the Saint Confucian school had started from this spiritual spring.

It wasn’t Qin Yu’s first time here, so he knew where the fastest cultivation was.

After arriving at the bottom of the spiritual spring, Qin Yu sat down cross-legged and began to absorb the Qi/spiritual energy from the spiritual spring.

I really don’t know what the origin of this spiritual spring is, Qin Yu thought to himself.

If he could find the source of this spiritual spring, perhaps his cultivation would be countless times faster.

At this time, Qin Yu suddenly thought of something: Bingxin!

The bingxin that Qin Yu obtained from the Bingxin Lake last time was only a small portion used!

Ever since Qin Yu Borrowed Bingxin to step into the Martial Marquis realm, he had forgotten about this Bingxin!

The Spiritual Qi in the Bingxin was extremely pure, and it was also the purest Qi/Spiritual Energy Qin Yu had ever obtained!

Thinking of this, he hurriedly took out the bingxin from the spatial divine tool.

This piece of Bingxin in Qin Yu's hand flickered with a light blue light, and there was even a strong surge of Qi/spiritual energy coming from it!

“With this bingxin, why would I need to borrow this spiritual spring!” Qin Yu couldn't help but say excitedly.

He immediately broke off a small piece of the icy heart and stuffed it into his mouth.

Pure Qi/spiritual energy immediately spread throughout Qin Yu's body.

His entire body was filled with Qi/spiritual energy, and after the Qi/spiritual energy circulated in his body, it would surge into the golden core.

Qin Yu's golden core was only the size of a bean. With the injection of Qi/spiritual energy, the golden core seemed to grow bigger bit by bit.

Endless amounts of Qi/spiritual energy flowed into his body, and Qin Yu's cultivation was also quietly increasing.

At the same time, the news of Qin Yu being rescued had already spread.

All the big aristocratic families who heard the news were instantly furious! The young masters of the aristocratic families also felt waves of pressure!

And the most furious ones were the Yan and Han families.

The enmity between them and Qin Yu had reached a point where it could not be adjusted, so Qin Yu had to die!

Jingdu martial arts association.

Han Meng and Yan Sihai came to Qu Xie's office together.

"President Qu, why was Qin Yu rescued?" Han Meng asked unhappily.

Yan Sihai cursed, "Qu Xie, what the hell are you doing? How can a cooked duck fly?"

Qu Xie was even more displeased now. He said with a dark face, "If this guy doesn't die, he will become a great enemy of Jingdu Martial Arts Association. Do you think I don't want him to die?"

"Ye Qing came with a group of people to ask for him personally. What can I do? Don't you have a good relationship with him? Go find someone and take Ye Qing's position!"

Yan Sihai said with a cold face, "Qu Xie, are you talking to me in Anger?"

Qu Xie gritted his teeth and said, "I'm not talking in anger, but you can't blame me for this."

Yan Sihai sneered and said, "You can't kill him, right? Fine, then my Yan family will send someone to kill him!"

"Also, I'm telling you, if Qin Yu can't die, give Yan Ruoxue back to me!"

After saying this, Yan Sihai turned around and left.

Han Meng was naturally not as tough as Yan Sihai. Although he was anxious, he didn't dare to flare up.

“President Qu, we should think of another way. If Qin Yu doesn't die, who knows what he will do,”said Han Meng.

Qu xie nodded and said, “Yes, the Jingdu Martial Arts Association will send Purple Robe to kill Qin Yu.”

“Of course, it would be better if the Han family is willing to help.”

Han Meng nodded and said, “Don't worry. Ma Hai's master has been looking for Qin Yu.”

Qu Xie glanced at Han Meng and said with a faint smile, “Let Han Xiu handle this matter.”

Han Meng's face turned ugly, but it was impossible to hide it now.

After Han Meng returned home, Han Xiu was already waiting on the sofa.

He was wearing a black mink coat and was sitting there in a domineering manner.

“Han Xiu? What are you doing here?”Han Meng could not help but frown when he saw the situation.

Han Xiu took a bite of the apple and said indifferently, “Dad said that you should not interfere in Qin Yu's matter.”

Hearing this, Han Meng immediately said anxiously, “I will take care of this matter! It Won't be long before Qin Yu is dead!”

Han Xiu sneered and said, “You have said this many times. I’m tired of hearing it. Dad is also tired of hearing it.”

Han Meng still wanted to explain, but Han Xiu did not give him a chance at all.

Han Xiu walked out of the door and muttered, “What a waste. I thought you could hook up with the Yan family, but in the end, you’re nothing.”

Facing Han Xiu’s insult, although Han Meng was angry, there was nothing he could do!

Because between the two brothers, Han Xiu’s ability was much stronger than Han Meng’s!

More importantly, Han Xiu was also at the peak of the Martial Marquis Realm!

This made Han Meng completely lose the opportunity to compete with Han Xiu.

In the next few days, the entire Jingdu seemed calm and peaceful, but in fact, it was surging with undercurrents.

For several days in a row, Qin Yu did not leave the spirit spring.

He spent a few days before he successfully digested a small piece of ice heart.

And that pure Qi/spiritual energy brought Qin Yu great benefits. He was only one step away from the middle stage of the Martial Marquis Realm.

‘If I devour another small piece of ice heart, I should be able to step into the mid-stage of the Martial Marquis Realm. When that time comes, I

will at least have the strength to fight against the purple robe,'Qin Yu thought to himself.

However, what Qin Yu didn't expect was that the various aristocratic families and the Jingdu martial arts association were quietly making their moves.

Qin Yu stood up from the ground. He stretched his back and planned to eat something.

At this moment, a sneaky figure appeared in front of Qin Yu.

"TSK TSK, you actually didn't die. You're really lucky."The mustached man squatted on the ground with a wretched look.

Qin Yu rolled his eyes at him and said, "Alright, stop talking nonsense. How's the matter going?"

The mustached man spread his hands and said, "Most of the ingredients have been gathered. There's only one thing left. I came here for the last ingredient."

Qin Yu nodded slightly. He remembered clearly that the last material needed to be picked up by Qin Yu.

"Then don't waste time.. Let's go quickly,"said Qin Yu.

Chapter 674: Chapter 674, the two heavens of ice and fire

The moustache man muttered, "What's the rush? I've run so far. No matter what, you have to let me eat something."

“Eat my ass. When the matter is done, I’ll treat you to whatever you want to eat.” Qin Yu tugged at the moustache man and said.

The moustache man still said unhappily, “Sigh, I don’t have the energy to work if I don’t eat...”

“Don’t you want to see that mask?” Qin Yu rolled his eyes.

Once this topic was brought up, handlebar mustache immediately became spirited.

He waved his hand and said, “Forget it, forget it. I don’t want to eat anymore. Let’s Go!”

Thus, Qin Yu followed handlebar mustache and left the Green Moon Villa on the same day.

Not long after Qin Yu left, purple robe from the Jingdu Martial Arts Association and the people sent by the various aristocratic families arrived at the Green Moon Villa.

An extremely solemn aura lingered in the villa’s internal Qi.

Several top-tier martial marquises stood on the square.

Even though they had restrained their internal Qi, the aura on their bodies still sent chills down people’s spines.

“Who... are you looking for?” Zhen Yue saw that these people were not to be trifled with, so he tried his best to ask politely.

“Where’s Qin Yu?” One of the purple-robed men asked coldly.

“Mr. Qin just left. He seems to be going out to do some business,” said Zhen Yue.

The purple-robed man frowned slightly, and his body slowly floated up. Then, a terrifying spiritual sense directly covered the entire Green Moon Villa!

A few minutes later, the purple-robed man said coldly, “He’s not here.”

“How long has he been gone?” Then, someone looked at Zhen Yue.

Zhen Yue thought for a moment and said, “About half an hour.”

“Half an hour... . He hasn’t gone far. Go after him!” One of the purple robed men said.

The group immediately left the Jade Moon Villa, to search for Qin Yu’s whereabouts.

... .

At that moment, Qin Yu was following the handlebar moustache, taking all sorts of vehicles to search for the last ingredient.

The fire country was a vast and abundant land, and the place they were heading to this time was still located in the most desolate region in the northwest.

After taking the plane, they took the bus, and after taking the bus, they took the donkey cart.

After a long bumpy ride, the two of them arrived at a desert.

Standing at the edge of the desert, Qin Yu could not help but feel a wave of heat.

“The material that you mentioned, are you sure it’s Here?” Qin Yu could not help but frown.

No matter how he looked at it, it did not seem like a place with treasures.

The moustache man rolled his eyes and said: “This venerable self has already inspected it several times. Follow me.”

After saying that, the mustached man took out another compass.

He followed the directions on the compass and brought Qin Yu into the desert.

There was no one in the desert, only endless sandstorms.

The two of them walked in the desert for an entire day and night, but they still didn’t see the treasure that the mustached man was talking about. Instead, they felt that it was getting hotter and hotter.

“Is it reliable or not?” Qin Yu frowned and asked.

The moustache man said impatiently, “What are you so anxious for? You can’t eat hot tofu in a hurry. Come with me.”

Qin Yu had no choice but to follow the moustache man all the way until it was dark.

At noon the next day, the sun was shining brightly.

Qin Yu stood in the desert, his clothes wet with sweat.

“Why is it so hot...”Qin Yu wiped his sweat, feeling that his whole body was on fire.

The handlebar mustache looked even more miserable. His face was flushed red from the heat, and he was almost dehydrated.

“We’re almost there. It’s just ahead,”the handlebar mustache said weakly.

After another few miles, a big pit appeared in front of the two of them.

The closer they were to the Big Pit, the hotter their bodies became.

The handlebar mustache panted and said, “It’s in that pit.”

Qin Yu supported his body and walked quickly to the front of the pit.

He saw that there was a flame burning in the pit!

The flame was extremely hot, and its temperature was many times higher than ordinary flames!

“It’s in here ?”Qin Yu pointed at the pit with a doubtful look on his face.

“That’s right.”The mustached man wiped his sweat.

“This flame is known as true fire. With my body, as long as I touch it, it will turn into thick water.”

Qin Yu frowned and said, “True Fire ? is the temperature here all because of this huge pit ?”

“That’s right.”The mustached man nodded.

Qin Yu picked up a handful of sand from the ground and threw it into the fire pit.

The moment it touched, the sand immediately disappeared.

“What a high temperature!” Seeing this, Qin Yu couldn’t help but suck in a breath of cold air.

“Even with my physical body, I’m afraid I’ll be heavily injured if I jump down.”

The mustached man rolled his eyes and said, “If it wasn’t difficult, I wouldn’t have let you come.”

Qin Yu lowered his head and looked at the huge pit. He couldn’t see the end of it at a glance.

The heat wave coming from the front almost burned Qin Yu’s face.

“Why? Are You Afraid?” The mustached man teased from the side.

“If you’re scared, it’s still not too late.”

Qin Yu took a deep breath, a hint of determination flashed across his face.

“In order to resurrect the two male corpses, I have to go down.” Qin Yu clenched his teeth.

He tried to put his hand into the flame. The moment he touched it, Qin Yu’s hand was directly swallowed by the Flame!

The flame was extremely manic. In just a moment, it burned Qin Yu’s palm until the skin and flesh were split open!

“No.” Qin Yu hurriedly extinguished the flame.

He frowned and said, “If I jump down, I’m afraid I’ll die without a doubt.”

The mustached man spread his hands and said, “I’ve thought of many ways and tried to use magic artifacts to protect my body, but none of them worked.”

“All the magic artifacts can’t withstand this true fire, so you can only rely on your special constitution.”

Qin Yu said in a deep voice, “If my cultivation base had advanced one step further, I might have been able to walk out of this fire alive, but now... it’s impossible.”

The moment they touched, Qin Yu’s hand was almost burnt to a crisp, let alone jumping into this fire pit.

“Anyway, the thing is under this fire pit. If we can’t get it, we won’t be able to control the two male corpses,” the mustached man said with his hands spread out.

Qin Yu’s face couldn’t help but turn ugly. For a moment, he was caught in a dilemma.

“If you really can’t do it, then give up.” The mustached man tugged at Qin Yu.

“Anyway, there are many ways to save people. We don’t have to rely on the two male corpses, do we?”

Qin Yu shook his head and said, “No, this is the fastest way.”

The mustached man rolled his eyes and said, “Then you jump down.”

Qin Yu stood in front of the fire pit and didn't say anything for a long time.

“That's right!”

At this moment, Qin Yu suddenly patted his head!

“I have an idea!” Qin Yu said excitedly.

He hurriedly took out the coffin of the masked woman from the spatial artifact!

The moment the coffin appeared, the temperature immediately dropped by a few degrees!

Qin Yu pointed at the coffin and said, “As long as I hide in this coffin, I can avoid the flames, right?”

The handlebar mustache was also stunned for a moment. He scratched his head and said, “You're really a F * cking genius! But... can this coffin withstand the true fire?”

Qin Yu shook his head and said, “I don't know either. I can only try.”

“I'll drill into this coffin later.. You throw the coffin down,” Qin Yu urged.

Chapter 675: Chapter 675, tempering the body with true fire

Looking at the coffin, the mustache man seemed to have goosebumps.

He shivered, but he still nodded and said, “Okay, but... you have to be careful. I keep feeling that this coffin is very scary.”

Qin Yu ignored the Mustache Man’s words. It was not his first time entering this coffin.

Moreover, Qin Yu did not encounter any accidents.

Qin Yu did not waste any time. He immediately opened the coffin and jumped in.

“Let’s begin.”Qin Yu glanced at the moustache man and said.

The moustache man nodded. He closed the coffin and pushed the coffin to the mouth of the huge pit with all his strength.

The heat wave from the shop was coming. This kind of feeling was very uncomfortable.

Therefore, the mustache man hurriedly pushed the coffin in.

The coffin rapidly fell into the huge pit, and Qin Yu, who was in the coffin, was extremely safe.

The cold air in the coffin was beyond imagination. Even true fire could not invade it!

The coffin quickly fell into the bottom of the pit, and the surrounding flames seemed to be about to devour the coffin.

Qin Yu, who was lying in the coffin, could not help but take a deep breath.

“God bless me and successfully get this material,”Qin Yu thought in his heart.

Then, he slowly pushed the coffin board.

The coffin only opened a small opening, and Qin Yu felt an intense heat wave rushing toward him!

Qin Yu only felt his palm being roasted until it hurt, and the flames kept drilling into the coffin!

“Damn it!”Qin Yu couldn’t help but withdraw his hand.

He glanced at his palm, and saw that it was already burning red. He could even smell the smell of roasted meat.

“This true fire really lives up to its reputation,”Qin Yu thought as he lay in the coffin.

However, he had already come down, so Qin Yu didn’t retreat.

He lay in the coffin and thought for a moment, then activated the saintly being technique, preparing to forcefully take this material.

Golden Light suddenly appeared in the coffin, and Qin Yu’s body became indestructible.

He took a deep breath and then braced himself to push open a small opening in the coffin.

Then, Qin Yu stretched out his arm.

The moment he stretched out his arm, Qin Yu felt waves of pain! His entire arm seemed to be burnt!

Qin Yu did not dare to poke his head out. He could only endure the pain and rub it in the flames.

Once, twice, thrice...

Qin Yu took all kinds of strange-shaped gravel from the pit. Each piece was burned red by the fire.

He did not know which piece was the material needed for the handlebar mustache, so he could only continue to fumble.

During this time, Qin Yu's arm had been burned until his skin and flesh were torn! The intense pain made Qin Yu sweat continuously.

Outside the coffin, there was a burning fire, but inside the coffin, there was an ice-cold chill.

"Which one is the material..." Qin Yu looked down at the broken stones that were brought in and couldn't help but frown.

These broken stones didn't seem to be the required material.

Qin Yu glanced at his arm. The flesh and blood of his arm had been burnt to a pulp, even exposing his white bones.

"F * ck!" Qin Yu gritted his teeth.

"At worst, I won't take this arm!" Qin Yu was determined in his heart!

He extended his arm out again and continued to fumble outside.

Finally, the heavens did not disappoint those with good intentions. Qin Yu took out a fiery red glowing bead from the fire pit.

The bead was burning with raging flames, but the moment Qin Yu took the coffin, the flames immediately disappeared.

The bead looked extraordinary, like a fiery-red golden core with a burning internal Qi.

“This should be it,” Qin Yu thought to himself.

He retracted his arm, the flesh and blood on his arm had been completely burned.

Fortunately, Qin Yu’s bones were not damaged, but under the attack of the fire, they became black.

“With this golden core, I should be able to resurrect the two male corpses.” Qin Yu could not help but look forward to it.

The strength of the two male corpses could not be estimated, and even the Jingdu martial arts association could not compare to them!

Qin Yu closed the coffin and said in a low voice, “It’s time to go up.”

Then, Qin Yu grabbed the coffin with one hand, and his internal Qi surged, preparing to forcefully take the coffin away from the pit of fire.

Waves of internal Qi began to brew within the coffin.

The entire coffin began to tremble slightly as it slowly rose up from the pit of fire!

Qin Yu let out an angry roar as the internal Qi on his body erupted. He brought the coffin with him and forcefully rushed upwards!

“Hula!”

The instant the coffin rose up, the true fire in the pit of fire seemed to become frantic!

The Flames were like a huge hand, trying to grab the coffin!

Qin Yu only felt a huge force suppressing him, and the coffin could not help but fall down!

Damn it, could it be that this true fire also has a spiritual sense? Qin Yu thought to himself.

Qin Yu did not dare to think too much. He adjusted the internal Qi in his body to the maximum, and went all out to fight against the Flames!

The coffin was in a stalemate for a moment. Both sides seemed to be competing in terms of strength.

The veins on Qin Yu's forehead bulged as he exerted his strength to the maximum.

He roared, "I don't believe that I can still be restricted by a mere flame of yours!"

Following Qin Yu's angry roar, the golden light in the coffin suddenly erupted!

This golden light seemed to have merged with the coffin as the entire coffin finally began to slowly rise up!

After more than ten minutes, Qin Yu struggled to carry the coffin out of the fire pit.

The moment he landed on the ground, Qin Yu could not help but gasp.

“Damn it, this flame is too terrifying,” Qin Yu muttered.

The mustached man hurriedly ran over and pushed the coffin board away. He asked in panic, “Are you still alive?”

Qin Yu nodded and climbed out of the coffin. Then, he frowned and said, “This flame is really not simple.”

Looking at Qin Yu’s arm that was almost burned to the ground, the Mustache Man could not help but Shiver.

“It’s really scary. If it were me, I would probably be burned to ashes,” the mustache man muttered as he looked into the coffin.

Qin Yu glanced at it and said, “That bead should be the material you want.”

The Mustache Man nodded repeatedly and said, “Not bad, not bad. It’s that bead. Help me take it out.”

Qin Yu rolled his eyes and said, “You don’t know how to take it out yourself?”

The moustache man shivered and said, “I don’t want to put my hand into that coffin. It’s easy to bring bad luck.”

Qin Yu had no choice but to take out the bead from the coffin and hand it to the moustache man.

“The materials should be all here by now, right?” Qin Yu asked.

The moustache man touched his chin and said with a smile, “The only thing missing is the mask.”

Qin Yu grunted in gratitude. He stood at the side and stared at the coffin, showing no signs of leaving.

“Let’s go. Aren’t you in a hurry?” The moustache man muttered.

Qin Yu shook his head. He pointed at a few stones that had been brought out from the fire pit and said, “Why do you think these stones haven’t been cremated? Also, why are the walls of this huge pit able to withstand true fire?”

The sudden question confused the mustached man.

He scratched his head and said, “That’s right, what you said seems to make sense...”

Qin Yu said in a deep voice, “Do you think it’s possible that this place was just a small pit at the beginning, but it became bigger and bigger under the attack of the True Fire?”

The mustached man was confused as he listened. He seemed to not understand what Qin Yu meant.

Qin Yu continued, “In other words... the stones here are just ordinary stones. But under the slow invasion of the true fire, they can withstand the true fire...”

Hearing this, the mustached man’s expression changed slightly.

He seemed to have guessed something, and then said in surprise, “What... What do you want to Do?”

Qin Yu glanced at him and said, “If my body is tempered by the true fire, do you think my body will become stronger and stronger until it can withstand the true fire?”

Chapter 676: Chapter 676, jumping into the fire pit!

Upon hearing Qin Yu's words, the mustached man was dumbfounded.

He touched Qin Yu's forehead and said, "Are you... crazy? Do you know what you're talking about?"

Qin Yu stared at the fire pit with a serious face and said, "As long as this true fire can't kill me, I can try."

The mustache man mumbled, "You're really a madman. This is true fire. If you're not careful, you might turn into a pile of dust."

Qin Yu didn't say much, but a strong desire arose in his heart.

If he could really temper his body to the point where it was indestructible, then even if his realm wasn't high enough, his strength was still strong enough.

"Mustache Man, you should go first. After a while, you go to the Green Moon Villa to find me." Qin Yu looked at the Mustache Man.

Handlebar mustache widened his eyes and said, "Are you really going to jump into this pit of Fire?"

"Yes." Qin Yu made up his mind.

He clenched his fists and walked toward this pit of fire step by step.

"Look for me at the Green Moon Villa in about a month," Qin Yu said seriously.

Handlebar mustache kept mumbling, “What a lunatic. How can I know a lunatic like you!”

Just as Qin Yu was about to jump into this internal Qi pit, several powerful auras suddenly approached the two of them!

After sensing this aura, Qin Yu’s expression couldn’t help but change slightly.

“Someone is coming,” Qin Yu said in a deep voice.

The mustached man also nodded and said, “And the aura is not weak. It’s at least at the intermediate stage of the Marquis of Internal Qi.”

Qin Yu narrowed his eyes slightly and said in a low voice, “These people can actually chase me here... It seems that they are determined to kill me.”

The mustache man muttered, “I won’t accompany you on such matters. See You at the Green Moon Villa in a month.”

After saying this, the mustache man planned to escape.

However, at this moment, three purple-robed men had already walked over!

A terrifying internal Qi instantly enveloped the entire desert!

The three people coldly looked at Qin Yu and said, “Qin Yu, do you think that you can escape death by running here?”

Qin Yu sneered and said, “Sure enough, you are from the Jingdu Martial Arts Association... you guys are really persistent.”

“Cut the crap. You have to die today.” One of the purple-robed men slowly raised his hand.

The Mustache Man next to him hurriedly muttered, “This has nothing to do with me. I... I’m just a passerby.”

The purple-robed man glanced at him and sneered, “You can stay too!”

Hearing this, the moustache man ran away! His speed was astonishing!

Even Qin Yu could not help but swallow his saliva.

This speed... was probably even faster than shrinking the ground to an inch!

The three purple robes looked in the direction the moustache man had left and could not help but snort coldly, “He actually escaped.”

The other purple robe said, “Forget it. He’s just a small character. Our target is Qin Yu.”

The three of them nodded in unison and then walked towards Qin Yu Step by step.

Qin Yu stood beside the fire pit and said coldly, “Do you really want to kill me?”

“What do you think?” The Purple Robe said with a cold smile.

“Do you really think that with ye Qing protecting you, the Jingdu Martial Arts Association won’t be able to do anything to you?”

Hearing this, Qin Yu couldn't help but laugh out loud. "I've never thought of asking others to protect me! You Want to Kill Me First? Fine, then let's do it!"

After a fierce shout, the purple-robed men's internal Qi immediately erupted!

They originally thought that Qin Yu was going to have a big fight, but unexpectedly, Qin Yu turned around and jumped into the fire pit.

"If you want to kill me, then come down!" Qin Yu said coldly.

The three purple-robed men frowned slightly and immediately ran towards the fire pit.

They lowered their heads to look at the fire pit and couldn't help but frown, "This is... True Fire?"

"This kid actually jumped into true fire. Has He gone mad?"

The three of them looked at each other. For a moment, they seemed to be unable to make up their minds.

"Under normal circumstances, jumping into this true fire would definitely result in death. However, it is always easy for miracles to appear on this kid's body. It is better to be cautious," one of them said coldly.

They had already thought that Qin Yu would definitely die many times. However, every time, Qin Yu would jump out.

Therefore, this time, they would definitely not let Qin Yu off easily.

The few of them looked at each other, and then a purple-robed man walked in front of the true flame.

He raised his hand and reached out towards the flame.

The moment he touched the fire pit, the flame rushed over wildly and directly swallowed his palm!

The purple-robed man's expression immediately changed drastically, and he hurriedly withdrew his hand.

But even so, his palm was still badly burned, revealing his white bones!

“As expected of true fire...”the purple-robed man's expression changed.

The pain on his palm made his face sweat profusely.

“True fire isn't something that can be withstood with one's body. Normally, this kid would definitely die if he jumped in,”another purple-robed man said coldly.

The three of them looked at each other, not knowing what to do.

“I heard Qu Xie say that this kid is crazy. He will do anything,”another purple-robed man said.

“If he can find a way to avoid the true fire, he will be safe and sound in this fire pit,”another purple-robed man said with a nod.

“Impossible. Even if he has the secret technique, it won't last long.”

The three of them thought about it and finally decided to wait in front of the fire pit.

This time, they wanted to see the person alive and the corpse dead!

Under the fire pit.

Qin Yu's body continued to fall. During the process of falling, his body was burnt until his skin and flesh were split open!

The Flames seemed to have been angered by Qin Yu's provocative attitude. All the flames surged wildly and tried to cling onto Qin Yu's body with all their might!

The intense pain made Qin Yu's face ferocious!

The sweat on his body evaporated in an instant!

“AH...”

The intense pain made Qin Yu moan softly.

He took a look at his body. The flesh and blood on his body had begun to rot under the corrosion of the Flames!

However, Qin Yu was not worried. After stepping into the aurous core stage, his flesh and blood would regenerate.

What really worried Qin Yu was his own bones!

If his bones were directly burned into ashes, then even if his aurous core was not damaged, he would die without a doubt!

This kind of pain was beyond imagination, but when the pain reached a certain level, it would still take a person's life!

However, Qin Yu's firm will made him stare with his eyes wide open, maintaining his consciousness!

The more it was like this, the clearer the pain became.

Qin Yu's body melted at a speed visible to the naked eye. Under the invasion of the flames, all his flesh and blood actually evaporated!

Very soon, sparkling white bones were revealed from Qin Yu's body. His flesh and blood were almost burned clean!

"It depends on whether these bones can withstand it." Qin Yu gritted his teeth and said firmly.

If the bone was also burned, then Qin Yu would definitely die!

Soon, the flames covered Qin Yu's white bones. The terrifying temperature made Qin Yu's bones extremely painful!

The Flames covered every inch of Qin Yu's bones and began to erode them.

"Crack!"

Soon, Qin Yu's bones could not withstand it anymore and a crisp sound was heard!

Chapter 677: In chapter 677, true fire was only so-so!

Under the invasion of the Flames, Qin Yu's bones could no longer withstand it and began to break!

Qin Yu's heart instantly thumped!

It was bad!

“Crack Crack Crack Crack!”

Following that, the sound of bones breaking could be heard from every part of his body!

One bone after another began to shatter!

The pain in his body became several times stronger!

“Not good...”Qin Yu endured the pain and stared at the bones in every part of his body.

There was not a single bone in his body that could withstand this flame!

At this moment, Qin Yu was completely in despair.

The golden core in his body began to be exposed, and this flame seemed to have divine sense as it headed straight for Qin Yu’s Golden Core!

“It’s over.”Qin Yu’s face instantly turned ashen.

The flame was still burning Qin Yu’s bones, breaking every inch of Qin Yu’s bones.

Qin Yu’s face was pale, and he almost didn’t hold any hope in his heart.

Time passed by minute by minute, and the flame wrapped around Qin Yu’s bones. No one knew how much time had passed.

Just as Qin Yu was in despair, he suddenly realized that the bones wrapped in the flame didn’t shatter any further!

Every inch of the bones was even slowly healing!

Qin Yu's eyes instantly widened as he exclaimed, "There's still hope!"

It was as if he had grabbed onto a life-saving straw as he hurriedly activated the spiritual energy in his body and did his best to recover his bones!

As expected, under the support of this spiritual energy, the shattered bones began to slowly heal!

Such a provocative action naturally infuriated the true fire!

The Flames immediately grew stronger and broke Qin Yu's bones again!

"Kacha Kacha!" The sound of cracking could be heard continuously, and an intense pain was felt once again!

Qin Yu clenched his teeth. He circulated his spiritual power and tried his best to protect the bones.

Just like before, after the bones were broken, they did not continue to collapse!

Although it was wrapped in flames, it was in a stalemate for a moment!

In a moment, the bone shone and started to heal again!

"That's Great!" Qin Yu forgot about the pain for a moment and could not help but shout out excitedly!

The few purple robes holding the handle above seemed to have heard this voice.

The three of them quickly surrounded the entrance of the fire pit and said with a frown, “Did you hear the voice? It seems to be Qin Yu’s voice.”

“Yes, this child is indeed not dead.”

“Just wait here. The wailing just now is enough to show that he can’t take it anymore.”

Even though that was the case, the harsh environment in the desert made it difficult for them to take it.

Even though their cultivation was unparalleled, under the power of nature, their mouths and tongues were still dry.

Time flew by. In the blink of an eye, three days had passed.

During these three days, Qin Yu’s bones were constantly breaking and healing.

Time and time again, Qin Yu was almost used to it.

He was even able to co-exist with this pain, without fear of pain!

Every time he healed, the intensity of this flame increased by a few points!

This was not only strengthening his physical body, but also tempering Qin Yu’s will and spiritual sense!

Qin Yu sat cross-legged under the fire pit. He closed his eyes slightly and allowed the Flames to sweep over his body wantonly.

Time passed day by day. In the blink of an eye, half a month had passed.

The purple-robed man above seemed to be unable to hold it in any longer.

“If we continue to stay in such a harsh environment, I’m afraid we will die here.” One of them said with a frown.

“Yes, the inner strength in my body seems to be almost dried up. Such an environment is too terrifying.” The other person also nodded and said.

“Even we are suffering so much outside, let alone Qin Yu who is under the fire pit. I’m afraid he has already turned into blood.”

Under such an environment, the three people seemed to have the intention to retreat. They even wanted to leave.

“Let’s Wait a little longer.” At this moment, the leader among the three said in a deep voice.

“We’ve already waited for so long. It’s not too late for these few days. If we don’t see his corpse, no one will dare to make a hasty conclusion.”

The three of them had no choice but to continue waiting.

Under the fire pit.

Qin Yu had already completely adapted to this rhythm.

And the intensity of the flame seemed to have reached its peak.

The speed of each healing process was also increasing.

Seeing this, Qin Yu couldn’t help but say proudly, “I’m not afraid of you anymore.”

The flame seemed to have understood Qin Yu's provocative words and instantly became extremely agitated.

The flame crazily surged towards Qin Yu's body, but it didn't have the slightest effect.

Qin Yu couldn't help but laugh heartily, "Just this little bit of power? TSK TSK, looks like the so-called true fire is only SO-SO, Hahaha!"

Right at this moment, Qin Yu's bones had already completed the 836th Healing!

And after this healing, the true fire was actually unable to break Qin Yu's bones again!

His bones became incomparably tough and fierce, shining under the envelopment of the Flames!

"Next, it's time to recover my flesh and blood." Qin Yu grinned.

He was very clear in his heart that this was also an extremely painful process, but as long as he endured it, he would be able to push through the clouds and see the sun!

"Chi la la..."

Flesh and blood began to grow on Qin Yu's bones.

The moment the flesh and blood grew, it would be directly vaporized by the flames.

However, Qin Yu was not discouraged. He continued to recover his flesh and blood.

Once, twice, thrice...

Qin Yu's flesh and blood were directly vaporized. Gradually, it became that it would take several seconds to melt. In the later stages, the flames could only Roast Qin Yu's flesh and blood, and could not directly vaporize it.

In the blink of an eye, another half a month had passed.

Qin Yu's body had also recovered more than half.

His recovered body had turned golden. Even if he did not use the sacred body technique, his body was still incomparably tough and fierce!

Above, the three purple-robed men had already completely thought of retreating.

"This child is already dead. We can leave now," one of the purple-robed men stood up and said.

After enduring for an entire month, he could no longer endure it!

The two purple-robed men looked at the leader at the same time, waiting for him to give the order to leave.

"Wait for another three days. It's the last three days!" The leader said coldly.

"If he doesn't appear after three days, then we will leave this place."

"Is there still a need? After staying under the true fire for an entire month, no one can withstand it." The other person frowned.

The leader glanced at him and coldly said, “This child is someone who forcefully broke through the stairway to heaven. With him, anything is possible.”

Seeing this, the three of them could only nod and agree.

...

Below, Qin Yu’s body was completely healed.

He was walking in the true fire and was actually not eroded at all!

Although the Flames attempted to devour Qin Yu, they were unable to harm him in the slightest.

“True fire... I really have to thank you.” Qin Yu looked at his body, which was flickering with golden light, and could not help but laugh.

The Flames were once again enraged, making loud whooshing sounds in the windless land.

Qin Yu laughed heartily and said, “Hahaha, there’s no need to be angry, because... anger is useless!”

After throwing out these words, Qin Yu’s feet shook, and he jumped towards the fire pit!

Chapter 678: Chapter 678, an invincible physical body!

Qin Yu’s body sped towards the entrance of the fire pit!

The flames below were boiling as usual. It was like a huge hand that wanted to keep Qin Yu Here!

But unfortunately, the true fire could no longer do anything to Qin Yu, let alone stop him!

Above, the three purple robes looked at each other and said in a deep voice, "Let's go. He won't come out anymore."

"Okay."

The three of them reached an agreement and turned around to leave.

However, at this moment, they suddenly felt waves of powerful internal Qi coming from behind them!

"You guys are actually still waiting for me."

Before they could turn around, they heard Qin Yu's voice!

Turning around, they saw that not only was Qin Yu unharmed, his body had even become more ferocious!

"You are indeed not dead!" The purple-robed man took a step forward and berated loudly.

Qin Yu spread his hands and said, "I also didn't expect that you guys would have such strong willpower. This... You've waited for me for at least a month, right?"

"As long as I can wait for you, it's worth it no matter how long I wait." The three people said with a cold smile.

Their bodies emitted a surging and terrifying aura. A wave of killing intent rushed straight towards Qin Yu!

Qin Yu knew that the Purple Robe's strength was unparalleled, but at this moment, Qin Yu couldn't wait to test his new body!

He placed his hands behind his back and looked at these three people quietly, as if he didn't care about them at all.

And this completely infuriated the purple robe!

One of the purple robes shouted loudly, and his figure suddenly disappeared, appearing in front of Qin Yu in the blink of an eye!

“Clang!”

Qin Yu did not move and allowed his fist to land on his body!

The sound of metal colliding was heard, but Qin Yu was as calm as the wind. He did not even leave a white mark!

“How... How is this possible!”

Seeing this scene, the three people's faces changed drastically!

Qin Yu's body... ! How could it be so strong? !

Qin Yu lowered his head and looked at his lower abdomen. He grinned and said, “This month has not been wasted...”

“What exactly did you get in this pit of Fire? !”The purple-robed man asked coldly.

Qin Yu sneered and said, “You want to know? Jump in and you'll know everything.”

“You're courting death!”

The purple-robed man was unwilling to give up and once again stepped towards Qin Yu!

Qin Yu still did not move at all. He used his body to take the punch head-on!

Under this punch, Qin Yu was forced back three steps, but he still could not hurt Qin Yu!

“TSK tsk, just his body alone has such strength. If you add the sacred body technique and the Venerable Mountain of the Five Mountains... What kind of state would he reach?” Qin Yu murmured in a low voice.

As soon as he finished speaking, Qin Yu’s body suddenly erupted with a burst of golden internal Qi! It was the sacred body technique!

With the support of the sacred body technique, Qin Yu’s physical body had already reached a freakish state!

“Let’s try again.” Qin Yu beckoned at them.

The three of them were unwilling to give up. They pinched the light in their hands and charged at Qin Yu once again!

“Boom!”

Countless rays of bright light lit up, and the ground beneath Qin Yu’s feet instantly exploded!

In an instant, sand and stones flew everywhere, as if a sandstorm had been blown up!

However, when the sand and dust fell, Qin Yu still stood there, not moving at all!

“It seems that this physical body is even stronger than I imagined,” Qin Yu said indifferently.

At this moment, the expressions of the three people instantly became extremely unsightly!

“I’m afraid that no one below the martial saint level can compare to this child’s physical body!” One of the purple-robed men said in a deep voice.

“Our spells... actually can’t hurt him!”

Qin Yu sized up the three of them and said with a sneer, “If you don’t make a move, I will.”

As soon as he finished speaking, he saw Qin Yu’s feet shake, and rays of light rippled out from under his feet!

This spell was precisely heavy falling into space! The three of them instantly slowed down a lot!

Qin Yu took large strides forward. He clenched his Golden Fist, and with the strength of his physical body, he ruthlessly threw a punch!

“Puff!”

This punch actually directly pierced through the purple robe’s chest!

The Fist smashed into the chest and stretched out from the chest!

“As expected, the stronger the body, the stronger the strength,” Qin Yu said to himself.

“You... you...” the Purple Robe’s eyes widened, as if he could not believe the scene in front of him.

Qin Yu grinned and said, “I will take the golden core on your body.”

After saying that, Qin Yu violently stretched out his palm and directly inserted it into his dantian, directly pulling out the Golden Core!

“Ah! ! !”

This kind of pain could be said to be the separation of the soul and the soul. The pain was unbearable!

After taking away the golden core, Qin Yu directly threw his body into the fire pit.

“Don’t you want to Know What’s inside? Go and explore it yourself.”Qin Yu grinned and said.

In the blink of an eye, he had killed a purple-robed man. The remaining two were already panicking!

“It seems that he killed Geng Si... It’s true!”The two said in surprise.

Qin Yu looked at the two coldly and said with a sneer, “Don’t worry, I’ll send you in right away.”

After saying that, Qin Yu’s feet shook and he stepped toward the two!

Qin Yu’s fist contained immortal power, and every punch had the power to Swallow Mountains and rivers!

Under the influence of the heavy falling space, these two people had no way to dodge!

Qin Yu’s fist smashed into their bodies, shattering their bodies and breaking their bones!

In just a few minutes, these two people were already dripping with blood, a tragic sight!

Qin Yu sneered, "It seems that the purple robe of the Jingdu martial arts association is only so-so. I really don't know who you should send to kill me in the future."

"Qin Yu, don't be so arrogant. Let me tell you..."

"Pa!"

Before he could finish his words, the Golden Palm had already smashed his head into pieces.

In just a moment, these three people had all been reduced to corpses.

The fresh blood on the ground was quickly evaporated by the flames.

When the wind blew, not a trace of blood could be seen at the scene.

"This month has really not been wasted," Qin Yu thought to himself.

"With this body, anyone below the martial saint level can fight." Qin Yu sneered.

Of course, Qin Yu was also very clear in his heart that the reason why he could kill these three people so easily was not only because of his own strength, but also because of another reason.

It was because these three people were in an extremely dispirited state. After staying in this desert for an entire month, it was already good enough for them to display thirty percent of their internal Qi.

Qin Yu bent down and took out the golden cores from these two people's bodies. Then, he threw their bodies into the fire pit.

Playing with the three golden cores, Qin Yu immediately swallowed them into his stomach.

In an instant, an extremely pure Qi/spiritual energy spread out in Qin Yu's body!

The effect of this golden core far surpassed that of a panacea! It was almost equivalent to forcibly seizing the cultivation of others!

It was also because of this reason that in ancient times, people would specifically come to plunder other people's golden cores and rely on this to cultivate!

"If only I could have more golden cores..."Qin Yu thought to himself.

As long as he had enough golden cores, Qin Yu would be able to step into the martial saint realm as soon as possible!

"I really hope that the Jingdu martial arts association and the major aristocratic families can send more people..."Qin Yu grinned.

Chapter 679: Chapter 679, the mind of the handlebar mustache

After swallowing these three golden cores, Qin Yu felt that he could step into the intermediate stage of the Marquis of martial arts at any time.

He looked around and said in a low voice, "It has been a month. It's time to go back."

Qin Yu and the handlebar mustache had an agreement to meet at the Green Moon Villa in a month.

Therefore, Qin Yu didn't dare to waste time. He released his spiritual sense to find the direction and walked out of the desert step by step.

This desert was extremely large, and it was also very far from this city.

It took Qin Yu three days to finally walk out of this desert.

Then, Qin Yu came to a nearby airport and rushed toward this city.

Qin Yu disappeared for an entire month. Other than the three purple-robed men from the Jingdu Martial Arts Association, the rest of the people who came to kill Qin Yu had already left.

They had even lost the patience to wait for Qin Yu.

Jingdu martial arts association.

Qu Xie looked at Han Xiu and could not help but laugh. "Mr. Han, there's no need for you to personally take action on such a small matter. Our Jingdu martial arts association has already sent three purple-robed men to kill him. I think that Qin Yu is already dead."

Han Xiu's status in the Han family was extremely high, far above Han Meng's.

This also caused Han Xiu's tone to be very different from Han Meng's.

"Your Jingdu martial arts association has already sent several groups of people. Every time, they say that Qin Yu is bound to die. What's the result?" Han Xiu sneered.

"How ridiculous. Everyone says that the JINGDU martial arts association has many talented people, but in the end, they can't even kill a single Qin Yu."

Qu Xie said with slight embarrassment, “That was just an accident.”

Han Xiu stood up and stretched. “President Qu, all the big families want Qin Yu to die. You should know that.”

Qu Xie nodded. “I know. So does the Jingdu Martial Arts Association.”

Han Xiu spread his hands and said, “Okay. I’ll wait for your message.”

After Han Xiu left, Qu Xie’s face darkened.

He looked coldly at his assistant and said, “It’s been a month. Why is there still no news?”

The assistant shook his head and said, “I’m not sure. I tried to contact the three purple-robed masters, but they all failed.”

This made Qu Xie have a bad premonition.

The three purple-robed masters were already the top forces of the Jingdu Martial Arts Association.

If even they couldn’t kill Qin Yu, then they might really have to use their ultimate weapons.

“President Qu, we just received news that Qin Yu has returned to the Green Moon Villa.”

At this moment, someone walked in from outside.

Qu Xie’s face darkened, and he couldn’t help but clench his fists.

“This Qin Yu...” Qu Xie’s face was cold and full of killing intent.

His assistant frowned. “Could it be that the three purple-robed lords are already dead?”

Qu Xie shook his head. “I don’t know, but since he’s back, nothing good must have happened.”

At this point, he looked at his assistant and said in a cold voice, “Suppress the news first. Tell them that the three purple-robed lords didn’t find Qin Yu and are now back.”

“Even if the three purple-robed lords are really dead, we can’t let the news spread!”

The assistant nodded and said, “Yes.”

The Jingdu Martial Arts Association had always been the overlord of the martial arts world, and the purple robes had terrified the entire martial arts world.

If the world knew that Qin Yu had killed three purple robes, the JINGDU martial arts association’s status would definitely plummet.

The deterrence that they had worked so hard to maintain for so many years would also disappear.

...

Within the Green Moon Villa.

Qin Yu was sitting in the main hall. He looked at Zhen Yue and asked, “Has no one come to find me these few days?”

Zhen Yue said, “Yes. Almost every day, someone comes to ask if you are here.”

Qin Yu couldn't help but frown.

Zhen Yue was obviously not talking about the handlebar mustache, because the characteristics of the handlebar mustache were too obvious.

"It has been more than a month, but the handlebar mustache hasn't come yet. Did he run away with the fire bead?" Qin Yu thought to himself.

Qin Yu had always been wary of the mustache.

This person seemed crazy, but he was actually very scheming. Even Qin Yu couldn't see through him.

"Forget it. I'll wait for him for a few more days," Qin Yu thought to himself.

Time flew by. In the blink of an eye, three days had passed.

And during these three days, the mustache still hadn't appeared.

This made Qin Yu lose his patience. He thought for a moment and then said, "Forget it. I'll go into seclusion and try to break through to the middle stage of the Martial Marquis Realm First."

With Qin Yu's current physical body, if he stepped into the middle stage of the Martial Marquis Realm, he would have no fear of the purple robe. He could even fight someone at the peak of the Martial Marquis Realm!

That night.

Just as Qin Yu was about to go into seclusion, a wretched figure appeared beside Qin Yu.

He smiled and said, "I'm sorry. There was a traffic jam on the road and I was a few days late."

Qin Yu opened his eyes. He glared at the mustachioed man and said, "What kind of traffic jam can jam you for a few days!"

The mustache man smiled and said, "I thought you were dead. I didn't expect you to be so lucky."

At this point, the Mustache Man Looked Qin Yu up and down and then said in surprise, "You succeeded?"

Qin Yu nodded slightly and said, "Yes, it's just as I expected. The true fire can be used to temper one's body."

This could not help but shock the mustache man. He muttered softly, "The chaotic body is really a magical constitution..."

Following that, the Mustache Man pulled Qin Yu and said, "Alright, don't waste time. I've already prepared the materials. Let's go."

Qin Yu was already impatient. He stood up and said, "En, let's go."

The Mustache Man took out a map from his pocket.

The map was quite simple and crude, and there was a location marked on it.

The Mustache Man pointed at the mark on the map and said, "I've set up a formation stage here. I'll wait for you there."

"After you get the mask, come and find me directly."

Qin Yu frowned and said, "Aren't you going with me?"

The mustached man shook his head and said, "I still have to prepare in advance. You just need to bring the mask."

"Okay." Qin Yu didn't think much and immediately nodded and agreed.

It was already late at night, but Qin Yu still left Cang City and rushed to Chuzhou.

Looking at Qin Yu's back, the mustache man narrowed his eyes slightly.

A trace of craftiness flashed across his face, and there was a strange smile at the corner of his mouth.

"The mask... belongs to me!" The Mustache Man said coldly.

After saying this, the mustache man turned around and disappeared into the night.

Chapter 680: Chapter 680, uninvited guests

Qin Yu rushed back to Chuzhou that night.

"At this time... Xiao Yu should be asleep," Qin Yu thought to himself.

It was already midnight. Normally, Qin Yu should not disturb him.

However, Qin Yu had spent too much effort on this matter. Now that he had succeeded, Qin Yu decided to disturb him.

After getting off the plane, Qin Yu took a taxi and rushed to Xiao Yu's house.

At this moment, the scene in Uncle Wu's courtyard was very different from what Qin Yu had imagined.

There were three unfamiliar men standing in the courtyard. All three of them were exuding an extremely strong internal Qi.

This internal Qi almost enveloped the entire house.

Xiao Yu and uncle Wu stood in front of the three of them.

“Who are you? !” Uncle Wu shouted.

The three of them didn't say anything. They just looked at Xiao Yu coldly.

Uncle Wu shouted, “If you don't leave now, I'll call the Police!”

Finally, the three of them spoke.

They looked at Xiao Yu quietly and said, “We're from the Han Palace. We're not here to hurt anyone. We're just here to take something.”

Uncle Wu frowned and said, “Han Palace? What's that? I've never heard of it. Get lost!”

The three of them ignored uncle Wu's shout and kept their eyes on Xiao Yu.

Xiao Yu's expression was extremely ugly. She knew very well that the three of them must be here for the mask!

Even though Qin Yu said that no one could know about the mask, the young Xiao Yu still told her best friend the news.

“What... What do you want?”Xiao Yu tried to ask.

“You should know,”the three people said coldly.

Xiao Yu gritted her teeth and said, “I don’t understand what you’re talking about. I don’t have what you want.”

“Little girl, we don’t want to be rough, but don’t force me,”one of the three people said coldly.

Xiao Yu gritted her teeth and suppressed the fear in her heart. Then, she took a step forward, and the aura on her body exploded at this moment!

What was surprising was that Xiao Yu had already entered the grandmaster realm!

Such speed was shocking!

Uncle Wu couldn’t help but be surprised when he felt Xiao Yu’s internal Qi.

When did his daughter become so powerful?

“Little girl, are you going to fight us?”One of them asked coldly.

“You should know that you are not our match. As long as you hand over the thing, we won’t hurt you.”

Xiao Yu braced himself and said, “Don’t even think about it!”

The three of them narrowed their eyes, and their expressions couldn’t help but turn cold.

“If you refuse a toast, you’ll be forced to drink a forfeit,” one of them said coldly.

His internal Qi also erupted at this moment!

The terrifying internal Qi directly sent uncle Wu flying!

These three people were actually in the Martial Marquis realm!

“I’m Not Afraid of You!” Xiao Yu shouted, and then took the initiative to clench her fists and charge over!

However, the difference in strength between the two sides was too great. Xiao Yu had no way to fight back against Marquis Wu!

The black-robed man raised his palm and directly sent Xiao Yu flying!

Looking at Xiao Yu who was lying on the ground, uncle Wu immediately became anxious.

He grabbed a stick from the side and rushed over!

However, Uncle Wu, who was just an ordinary person, had no fighting strength. His stick was directly sent flying before it even touched the black-robed man!

Uncle Wu fell to the ground and fell into a coma.

“Dad!” Xiao Yu immediately became anxious.

She rushed to Uncle Wu’s side and said anxiously, “Dad, you... Wake Up!”

“Little girl, hand over the thing. I guarantee that you’ll be fine. Don’t bring trouble upon yourself,”the three people warned again.

Xiao Yu stood up from the ground. She gritted her silver teeth and said, “Don’t even think about it! I Won’t hand it over to you even if I Die!”

“You don’t know what’s good for you!”The three of them were completely enraged!

They took large strides forward and stretched out their palms. A palm that looked like a shriveled claw directly grabbed towards Xiao Yu!

All of Xiao Yu’s cultivation was not worth mentioning at this moment! Facing these three people, she had no way of retaliating at all!

Right at this moment, a golden fist stretched out!

The Fist went straight for the palm, and a loud sound immediately rang out!

“Boom!”

With the loud sound, the black-robed man retreated three steps in succession!

“Little Yu, are you alright?”Qin Yu looked at Little Yu and asked.

Little Yu shook her head and said anxiously, “Qin Yu, quickly save my father, he...”

“Don’t worry, Uncle Wu will be fine,”Qin Yu comforted.

He walked to Uncle Wu and bent down.

Then, he injected a trace of Qi/spiritual energy into Uncle Wu's body. After a while, uncle Wu slowly woke up.

"Qin Yu, what... What's going on?" Uncle Wu asked anxiously when he saw Qin Yu.

Qin Yu smiled and said, "Uncle Wu, it's okay. You Go back to your room first. I'll take care of this."

Uncle Wu nodded with some worry. He warned, "Qin Yu, be careful."

Qin Yu grunted in gratitude. Then, he stood up and looked at the three black-robed men.

"It seems that the news has been leaked," Qin Yu said coldly.

The three men narrowed their eyes and said, "Qin Yu, we only came for the mask. We don't want to be enemies with you."

Qin Yu sneered and said, "You came here to steal something, and you said you don't want to be enemies with me? What, Do I have to thank you guys?"

"Qin Yu, I know you have a little reputation and your strength is not weak, but I advise you to mind your own business. Otherwise, you will easily get into trouble!" The three of them said coldly.

"Then let's give it a try," Qin Yu said coldly.

He strode forward and the aura on his body exploded!

The three people looked at each other and immediately took a step back!

Obviously, they didn't want to fight Qin Yu head-on!

“Let’s end this quickly. We Can’t stay here for long,”one of the black-robed men said coldly.

The three people looked at each other and then nodded.

They stretched out their palms and an icy blue light appeared in their palms at the same time.

This light was incomparably cold and extremely strange. Even Qin Yu could not help but frown slightly.

“Weng!”

Accompanied by a light, the three palms pressed forward!

Following that, the three icy blue lights seemed to have transformed into a rain of light as they pierced towards Qin Yu’s body with crackling sounds!

Qin Yu shouted loudly, and golden light immediately burst forth from his entire body! His tough and fierce body intended to resist this light head on!

“Pu, Pu, Pu!”

However, what surprised Qin Yu was that these light rays that were like rain actually directly passed through Qin Yu’s skin and entered his body!

“What is this thing?”Seeing this, Qin Yu’s brows instantly furrowed tightly.

The three of them did not make a sound. Instead, they stood not far away and muttered softly, as if they were silently chanting some spell.

In an instant, Qin Yu's body instantly felt a trace of abnormality!

He only felt that his meridians seemed to be blocked, unable to flow!

The next second, Qin Yu's body went limp, and he directly fell to the ground!

Chapter 681: Chapter 681, the Masked Woman in the world!

Qin Yu felt his limbs go weak, and his buttocks fell to the ground.

“Qin Yu!” Seeing this, little fish ran over anxiously.

Qin Yu's brows were tightly knitted. He tried to activate the internal Qi in his body, but found that all the acupoints had been sealed, and he couldn't move at all.

“This is the ice spirit divine needle of our cold palace. It can seal the acupoints of people,” the black-robed man said coldly.

“As long as you are hit by the Ice Spirit Needle, your internal Qi will become weaker and weaker until you die.”

Qin Yu did not say a word. He lay on the ground and his face quickly turned red.

However, Qin Yu was not flustered at the moment. He tried his best to mobilize his internal Qi in an attempt to break through the ice spirit needle that had sealed the acupoints!

“What should we do with this Qin Yu?” One of the black-robed men asked.

“Kill him. We can’t let this person live,”the other person said coldly.

Thus, the three of them immediately took large strides forward!

They held onto the brilliance in their hands and ruthlessly slammed it towards Qin Yu!

“Boom!”

The ground beneath their feet instantly collapsed! And beside Qin Yu, Little Fish was also affected and was directly sent flying!

This was a strike from Marquis Wu. It was definitely not something that a peak martial grandmaster could withstand!

Under this attack, Xiao Yu’s flesh was torn apart, and his internal Qi was weakened!

“Xiao Yu!”Seeing this scene, Qin Yu’s expression changed drastically!

Gritting his teeth, he tried his best to mobilize the internal Qi in his body to continue attacking his acupoints!

“He’s actually not dead.”Seeing that Qin Yu’an was unharmed, the three of them couldn’t help but frown.

“It’s said that this kid’s body is incomparably tough. It Won’t be that easy to kill him.”

“Let’s hurry up and get the things. We Can’t stay here for too long.”

Thus, a black-robed man immediately strode over.

He reached out and grabbed Xiao Yu by the neck, directly lifting her into the air.

“Speak, where’s the mask?”The black-robed man asked coldly.

Xiao Yu gritted her teeth and said word by word, “I... I Won’t give it to you!”

“You won’t get a good end for being stubborn,”the black-robed man said coldly.

The strength in his hand slowly increased, and Xiao Yu’s face immediately turned red!

She struggled desperately, but against Marquis Wu, all her strength was not worth mentioning!

At this moment, Uncle Wu suddenly grabbed the kitchen knife and ruthlessly chopped the back of the black-robed man’s Head!

With a bang, the kitchen knife was directly shattered!

“You... Let Go of my daughter!”Uncle Wu roared angrily!

“Uncle Wu, hurry up and leave!”Seeing this, Qin Yu immediately became anxious!

Uncle Wu was just an ordinary person. He absolutely couldn’t hurt a Marquis Wu!

And a casual strike from Marquis Wu could kill Uncle Wu!

The black-robed man slowly turned his body.

He looked at Uncle Wu coldly and said, “You don’t know death!”

Then, the black-robed man waved his hand and slapped Uncle Wu!

Although it was just a casual slap, Uncle Wu was still sent flying!

This slap shattered Uncle Wu’s bones, and his body became limp and bloody!

Uncle Wu was lying on the ground. His body was covered in blood, and his face could not be seen.

“You... let go of my daughter...”uncle Wu said with difficulty, and then fainted.

His internal Qi was rapidly draining away, and the aura of death appeared on his face!

Qin Yu’s expression changed drastically when he saw this!

“No, we have to hurry up, or Uncle Wu will die for sure!”Qin Yu said anxiously!

“HMPH, truly a mayfly trying to shake a tree. You Don’t know life from death,”the black-robed man said coldly.

He raised his palm, and a ray of light condensed on his palm.

This ray of light was approaching Uncle Wu, and a terrifying power was rapidly brewing!

“Stop the F * ck!”Qin Yu immediately became anxious when he saw this!

He gritted his teeth and desperately attacked the acupuncture points in his body!

But this speed was too slow, there was no time at all!

“Weng!”

A Ray of light shot out from the black-robed man’s hand and headed straight for Uncle Wu!

“Boom!”

The ground immediately collapsed!

Uncle Wu’s body was almost shattered!

“Dad! ! !”

Seeing this scene, Xiao Yu’s eyes immediately widened!

She stared blankly in Uncle Wu’s direction as bean-sized tears flowed out from her eyes!

Uncle Wu opened his eyes with great difficulty. He opened his mouth as if he wanted to say something, but the injuries on his body already made him unable to even open his mouth.

Uncle Wu’s raised palm slowly fell down. His internal Qi suddenly stopped at this moment.

“Dad! ! !”

Xiao Yu’s painful voice cut through the Silent Night!

The expression on her face slowly became ferocious!

“I’m going to kill you! I’m going to kill you! !”Xiao Yu screamed, and the entire house suddenly began to tremble!

“Eh?”Seeing this, the black-robed men immediately frowned.

“Rumble...”

The ground was trembling, as if it was shaking! It was as if something was about to rush out!

“Swoosh!”

At this moment, a loud sound suddenly rang out, and then the room collapsed!

A mask that was flickering with a dark light flew out from the room!

“Mask! It’s this mask!”The three black-robed men were overjoyed!

They threw little fish aside and ran towards the mask!

However, the mask flew directly towards little fish and stuck tightly onto her face!

“What... What’s going on?”The three black-robed men’s expressions changed drastically!

Little Fish’s body slowly floated into the air. An extremely sinister aura quickly swept towards little fish’s internal Qi!

Her figure floated in the air, and her every movement carried an icy cold killing intent!

At this moment, Xiao Yu's face was covered by a mask, and only a pair of icy cold eyes could be seen.

Her eyes were filled with contempt, and her condescending gaze seemed to be looking down on an ant.

The extreme killing intent from her body made people tremble!

Seeing this scene, Qin Yu's eyes immediately widened!

This figure was almost exactly the same as the masked woman that Qin Yu saw in the immortal slaying sect!

"Little Yu and the masked woman... are indeed related!" Qin Yu exclaimed in shock!

Could it be that Little Yu was really the reincarnation of the masked woman? This figure was simply too similar!

Little Yu looked coldly at the three black-robed men. Her ice-cold killing intent could not help but make people feel uneasy.

The three black-robed men looked at Xiao Yu in front of them and frowned.

For some reason, they felt an indescribable fear in their hearts!

Even though there was no internal Qi surging from Xiao Yu's body, it still made people feel uneasy.

"What's going on? How did the mask fly onto her face!" One of the black-robed men said in a deep voice.

“What a charlatan! I don’t care what the reason is. Let’s kill him first!”The black-robed men gritted their teeth and strode toward Little Fish!

Chapter 682: Chapter 682, masks and coffins!

These black-robed men clearly did not know what kind of existence the masked woman was.

At this moment, besides the cold murderous aura on Xiao Yu’s body, he could not feel any internal Qi fluctuations.

Qin Yu stared in Xiao Yu’s direction, his heart filled with anticipation.

He wanted to know what kind of strength the masked woman had!

“Go!”

The three of them looked at each other, then took large strides towards Xiao Yu!

They held onto the brilliance in their hands, carrying an internal Qi. The three of them used all their trump cards at the same time, wanting to kill Xiao Yu in a short amount of time!

However, Xiao Yu did not move at all. He only looked at the three of them coldly!

“Swoosh!”

The three of them quickly arrived in front of Xiao Yu!

At this moment, Xiao Yu raised her palm slightly.

In an instant, the spells of these three people disappeared!

Not only that, their bodies froze in mid-air, unable to move!

“What... What’s going on!”The three of them were extremely terrified!

They struggled desperately, trying to break free from this restriction. However, no matter how hard they struggled, they were still unable to move!

Xiao Yu looked at this person coldly. She raised her jade-like hand and pinched lightly.

“Pu!”

As Xiao Yu closed her fingers, the bodies of these three people directly turned into a bloody mist and exploded!

The scene was filled with a strong bloody smell. Not even their bones were left!

Seeing this, Qin Yu could not help but swallow his saliva.

What kind of F * cking strength was this? With a raise of his hand, he crushed the three marquises?

Moreover, this was not a true masked woman. It was only the power brought about by the mask.

What kind of strength did a true masked woman have?

It was also at this moment that Qin Yu finally succeeded in breaking through the acupoints.

He hurriedly stood up from the ground and looked in the direction of Little Yu.

“Xiao Yu!”Qin Yu shouted!

Xiao Yu turned around and looked at Qin Yu coldly.

Just a glance made Qin Yu’s heart beat faster, and the blood in his body seemed to be boiling!

The blood in Qin Yu’s body seemed to be expanding rapidly, as if it was going to explode at any moment!

“Xiao Yu, you...”Qin Yu opened his mouth and immediately spat out a mouthful of blood!

“You... stop... I’m Qin Yu!”Qin Yu shouted with difficulty.

Facing this woman, Qin Yu didn’t even have the slightest intention of resisting!

Because he knew very well in his heart that no matter how he resisted, he was absolutely no match for her!

“Xiao Yu... I’m Qin Yu!”Qin Yu’s pores were already bleeding, and his bones were cracking!

He stared at Xiao Yu’s direction, his eyes filled with anxiety!

In mid-air, Xiao Yu looked at Qin Yu coldly.

“Xiao Yu, quickly... take off the mask. It’s okay now, I’ll help you...”Qin Yu used all his strength to say these words with difficulty.

Finally, Xiao Yu seemed to come back to his senses.

The pain that lingered in Qin Yu's body also began to disappear.

Qin Yu fell to the ground with a thud and couldn't help but gasp for breath.

"It was so close... just now... I almost died," Qin Yu muttered in a low voice.

It was just that one look, and it almost took Qin Yu's life!

This made Qin Yu Sigh. What kind of cultivation base did she have to have such strength...

"A real masked woman... What kind of existence is she?" Qin Yu couldn't help but be secretly speechless.

Xiao Yu's figure slowly fell from the sky.

She looked at Qin Yu and then at Uncle Wu. A light suddenly flashed on the mask.

As the light faded, the mask on Xiao Yu's face also slowly fell down.

Qin Yu hurriedly looked in the direction of Xiao Yu and looked at Xiao Yu's pupils.

The coldness in her pupils had disappeared. Obviously, Xiao Yu had returned to normal.

"Qin Yu, save my dad..." tears rolled out of Xiaoyu's eyes.

She knelt in front of Uncle Wu, tears flowing down her face.

Qin Yu walked up to Uncle Wu. His face was a little ugly, and he didn't know how to comfort Uncle Wu.

With Uncle Wu's current condition, it was impossible to save him. At least, with Qin Yu's cultivation, he couldn't do it.

"That masked woman can definitely do it!" At this moment, Qin Yu thought of something!

He hurriedly picked up the mask and handed it to little Yu, saying, "Little Yu, put the mask on. Maybe there's a way!"

At this moment, Little Yu was in a daze. Although she didn't know why, she still hurriedly put the mask on her face.

Unfortunately, the mask fell off.

Xiao Yu didn't turn back into the masked woman.

This made Qin Yu frown.

The masked woman clearly glanced at Uncle Wu just now. Why didn't she save Uncle Wu?

Uncle Wu was her father!

Could it be that Xiao Yu and the masked woman were not the same person?

Or... The masked woman didn't care about Uncle Wu's life and death at all?

Xiao Yu knelt in front of Uncle Wu and kept sobbing.

The scenes of the past couldn't help but appear in his mind.

"I should have been obedient... I shouldn't have been so willful..." Xiao Yu hugged uncle Wu's corpse and wept.

Qin Yu didn't know how to comfort him.

He put his hand on Xiao Yu's shoulder and whispered, "I'll help you get revenge..."

Qin Yu felt very sad after such a thing happened.

He did not have the mood to bring Xiao Yu to look for the handlebar mustache anymore.

That night, Xiao Yu accompanied Uncle Wu's corpse.

She kept recounting the past and repeatedly apologized to Uncle Wu.

But no matter what she said, it was unable to save Uncle Wu's life.

The next morning.

Qin Yu sighed slightly and said, "Set up a tombstone for Uncle Wu."

At this moment, Little Yu raised her head.

She stared at Qin Yu and said, "Can you help me think of a way to protect my father's body?"

Qin Yu was stunned. He was silent for a moment and said, "I have a friend. He might be able to do it."

That friend was naturally referring to the mustache.

The mustache had countless babe on it, so it should not be difficult to protect a corpse.

Xiao Yu wiped her tears and said with some pleading, “Take me to see him. No matter what, you have to save my father’s corpse...”

“Okay.”Qin Yu took a deep breath.

At this moment, Qin Yu suddenly thought of something.

“I might have another way,”Qin Yu said in a deep voice.

That way was the coffin in the spatial artifact!

The coffin was extremely cold, so it shouldn’t be difficult to preserve a corpse.

Thinking of this, Qin Yu immediately took out the coffin.

The blood-red coffin was placed in front of the two of them.

Qin Yu opened the coffin and said, “Put uncle Wu into this coffin for now.”

However, at this time, little fish looked at the coffin with a dull expression and didn’t say a word.

There was a piece of clothing in the coffin. This clothing came from the masked woman.

Qin Yu couldn’t help but frown slightly.

Just as he was about to speak, the mask in Xiao Yu’s hand suddenly trembled violently!

Chapter 683: Chapter 683, the terrified handlebar mustache!

The mask flickered with light as it flew into the coffin!

In an instant, the coffin emitted waves of internal Qi that gathered on the mask!

The Sinister Qi instantly engulfed the entire scene!

Qin Yu hurriedly pulled Xiao Yu to the side, afraid that he would be affected.

The mask trembled continuously in the air, and the internal Qi swept up along the coffin.

Qin Yu raised his head to look at this scene, and a trace of shock flashed across his face!

What kind of method was this? Could it be that the mask had developed a sense of self?

After a moment, the scene finally quieted down.

The mask fell into the coffin, and everything returned to peace.

Qin Yu pulled little fish to the front of the coffin. He reached out his hand and took out the mask, giving it back to little fish.

“Do you have any strange feelings?” Qin Yu asked with concern.

Xiao Yu just shook her head and didn't say anything.

Perhaps it was because of Uncle Wu's death or because of the mask, Xiao Yu seemed to have become much quieter.

The Aura on her body was no longer like that of a teenage girl, adding a bit of ice-cold internal Qi.

Qin Yu did not know whether this was a good thing or a bad thing. However, if there was really a relationship between Xiao Yu and the masked woman, then Xiao Yu's future would be unimaginable.

In the next few days, Qin Yu did not leave this place.

With Uncle Wu dead, Xiao Yu would definitely not be able to live on by herself.

After thinking about it, Qin Yu could only sigh slightly.

"I'll bring her back to Green Moon Villa for now," Qin Yu thought to himself.

In the blink of an eye, a week had passed.

And Xiao Yu's mood seemed to have eased up a lot.

Therefore, Qin Yu decided to find the handlebar mustache the next day and use it to resurrect the two male corpses.

At night.

Qin Yu took out the two male corpses from the spatial artifact.

"Xiao Yu, do you know these two people?" Qin Yu pointed at the two corpses and asked.

Xiao Yu shook his head and said, "No."

Qin Yu didn't ask any more questions. After all, it was still uncertain whether there was a relationship between Xiao Yu and the masked woman.

"Maybe it's just because of my constitution," Qin Yu thought to himself.

After all, Xiao Yu had a pure yin body. Perhaps she could have a certain reaction with the masked woman.

"The news about the mask has already spread. Next... I'm afraid there will be endless trouble." Qin Yu couldn't help but sigh.

This time, the people who came to snatch the mask were three martial marquises. What kind of existence would they be next time?

The next day.

Qin Yu brought Xiao Yu and left Chuzhou, rushing towards the location marked on the moustache.

Along the way, Xiao Yu appeared to be quite silent.

After an unknown amount of time, Qin Yu finally found the location of the moustache.

This was a desolate and uninhabited area. One could feel a trace of solemnity in the surroundings.

Qin Yu sniffed his nose and could not help but frown slightly.

"It seems that a formation has been set up here," Qin Yu said in a low voice.

He tried to mobilize the internal QI in his body, but found that the internal Qi in his body seemed to be suppressed, like a block of ice that could not be circulated.

“There really is a formation,”Qin Yu said in a low voice.

Of course, he did not think too much about it. Even if there was no surge of internal Qi, Qin Yu’s body could be said to be unparalleled.

Qin Yu brought little fish and walked forward.

Soon, an array platform fell into Qin Yu’s eyes.

Looking at it, this array platform appeared to be quite ancient.

On it were carved many strange characters. Around the array platform, there were many array flags.

“It should be here,”Qin Yu said in a deep voice.

This mysterious array platform was simple and unadorned, and there wasn’t even a hint of internal Qi surging on it.

The formation stage was also built very simply, as if it was going to break at any moment.

“Where is this?”Seeing this, little fish could not help but frown and ask.

Qin Yu did not answer this question, but said, “Little Fish, I will borrow your mask later. I will return it to you very soon.”

Little Fish conveniently passed the mask to Qin Yu.

“This mask is not safe with me. I will let you take care of it for the time being,” Little Fish said.

Qin Yu thought for a moment. It seemed reasonable, so he nodded and agreed.

Then, Qin Yu looked around and couldn't help but mutter, “Where did this kid with the Handlebar Mustache Go? could he have already left?”

“Who's the handlebar mustache?” Asked Little Yu.

Qin Yu smiled and said, “He's a friend of mine. Let's wait for him here.”

After saying that, Qin Yu pulled Little Yu and sat on the platform, waiting for the handlebar mustache.

Time passed by minute by minute, but the handlebar mustache never showed up.

Soon, night fell.

There was no light in the surroundings except for the Starlight.

At this moment, a figure was hiding in the darkness.

He looked in Qin Yu's direction, and a rare coldness flashed in his eyes.

“Fellow Daoist, although I admire you very much, for that mask... I can only let you down!” The handlebar mustache said in a low voice.

Then, he restrained his breath and strode in the direction of Qin Yu.

At this moment, Qin Yu was completely ignorant. He was meditating and cultivating on this array platform.

Very soon, the mustached man's figure appeared behind Qin Yu.

He looked coldly at Qin Yu in front of him, and a hint of conflict flashed in his eyes.

But this hint of conflict disappeared in a flash, and was replaced by a face full of coldness!

He raised his palm and slowly extended it in Qin Yu's direction!

At this moment, Xiao Yu suddenly turned his head and looked at the handlebar mustache behind him.

The handlebar mustache frowned slightly. Just as he was about to be ruthless, his expression suddenly changed drastically!

Looking at Xiao Yu in front of him, the handlebar mustache's face turned extremely pale!

In the next second, the handlebar mustache directly shot backward! There was even a trace of fear on his face!

"You... you..."the handlebar mustache pointed in the direction of Little Fish and kept muttering as if he had seen a ghost!

Such a movement naturally attracted Qin Yu's attention.

He turned around and looked at the handlebar mustache. He frowned and said, "What are you doing? Have You Seen a Ghost?"

The handlebar mustache swallowed his saliva. A trace of secret sweat kept breaking out on his forehead!

In just an instant, countless thoughts flashed through the moustache man's mind!

His plan of snatching the mask vanished into thin air at this moment!

Qin Yu looked at the moustache man suspiciously, then at Little Yu, and muttered, "What are you doing?"

The moustache man wiped the sweat off his forehead and stood up with an embarrassed smile.

"Nothing, nothing..."the moustache man returned to his carefree expression.

Qin Yu looked at the handlebar mustache up and down, then at Little Fish. Then, he said with some amusement, "Handlebar mustache, you seem to be very afraid of little fish."

Hearing this, the Handlebar Mustache's heart thumped! His expression also became extremely unnatural!

Chapter 684: Chapter 684, resurrection of the male corpse!

Qin Yu was not a fool. Of course, he could see the peculiarity of the handlebar mustache.

"Come, tell me, what do you know and what do you want to Do?"Qin Yu pulled the handlebar mustache to the side, his tone filled with hostility.

The handlebar mustache immediately fell silent. This was a rare occasion where he was so serious.

“That girl... What’s your relationship with her?” A moment later, the moustache man pointed in Xiaoyu’s direction.

Qin Yu said, “She’s my sister. What’s Wrong?”

The moustache man sighed and said, “To tell you the truth, I’ve traveled north and south for so many years, up to the Qin emperor...”

“Get to the point!” Qin Yu interrupted the moustache man’s rambling.

The mustache man coughed and continued, “I once saw a portrait of the masked woman. The woman in the portrait... is very similar to your sister.”

Hearing this, Qin Yu could not help but mutter, “It seems that there is a relationship between her and the masked woman.”

Then, Qin Yu looked at the mustache man and said, “What exactly do you know?”

The handlebar mustache said in a deep voice, “You should know that this masked woman is not from this era. Even if she has a high cultivation level, she should have turned into a pile of yellow soil by now.”

“But... I suspect that the masked woman is reincarnating in some way.”

“And your sister is most likely from a generation of her reincarnation!”

Qin Yu’s expression changed slightly.

Just as the handlebar mustache said, even a great cultivator at the tribulation stage couldn’t possibly die.

This was the law of nature, and no one could escape it.

If it was really as the handlebar mustache said, this masked woman kept reincarnating, then it would really be a terrifying thing.

“Qin Yu, the mask you said is in her hands, right?” The handlebar mustache asked.

Qin Yu nodded and said, “Yes.”

Upon hearing this, the mustached man hurriedly said, “You’d better think of a way to prevent her from awakening any memories! Otherwise, it will definitely be a disaster!”

Qin Yu rolled his eyes and said, “Aren’t you being too alarmist? I know little Yu very well. Although she’s a little mischievous, she has a kind heart. How could she have anything to do with the disaster...”

The mustached man said anxiously, “That’s because you don’t understand! Let me tell you, according to the information I have, this masked woman is a devil who kills without batting an eye!”

“As far as I know, she wouldn’t care even if it was her relatives and friends! Her kindness now is just a lie!”

Qin Yu scratched his head and said, “Is it really as scary as you say?”

The mustache man muttered, “It’s absolutely true! If it’s possible, we’d better kill her in advance!”

“Impossible!” Qin Yu rejected the Mustache Man’s suggestion without even thinking.

“And I’m warning you, you’d better not have any ideas about her,” Qin Yu said coldly.

The Mustache Man sighed slightly and said, “Qin Yu, perhaps you think that she has a good relationship with you now, but in the future... Once she takes shape in the future, she will be another person!”

“When that time comes, no one will be able to suppress her. Who knows how many people will be persecuted!”

Qin Yu looked at the mustached man with a serious expression and then at Xiao Yu who was not far away.

“Are you willing to watch so many innocent people die at her hands?” The mustached man said in a flustered manner.

Qin Yu still did not speak.

The mustached man’s words were reasonable, but it was impossible for her to get rid of Xiao Yu!

“I’ll make sure she’s fine.” Qin Yu took a deep breath.

“Even if it’s as you say, one day she becomes a devil, I’ll personally suppress her.”

The moustache man sighed. “I’m just afraid that you won’t have the ability then.”

“Alright, from now on, Don’t talk about this topic!” Qin Yu pointed at the moustache man and said.

“Also, don’t let Little Yu know about this, understand?”

The moustache couldn’t do anything to Qin Yu. He could only wave his hand and say, “Fine, fine, fine. Do As you wish. I’m too lazy to care about it.”

Qin Yu didn't continue the topic. He took out the mask from the spatial artifact and handed it to the moustache.

"This is the mask you wanted. Don't waste time," Qin Yu said.

Holding the mask, the Mustache Man had a complicated expression.

He was a little excited, but also a little horrified.

This kind of horror made Qin Yu very confused. Even if the mustache man knew many stories about the masked woman, they were only legends.

He had never experienced it personally, so how could he be terrified from the bottom of his heart?

"It really is her mask..." the Mustache Man Couldn't help but lick his lips.

"You'd better not have any ideas about this mask..." warned Qin Yu.

The mustached man waved his hand and said, "Don't worry. I've already given up on this idea just now."

Ever since he saw little fish, the thoughts in his heart had vanished into thin air.

Even the mustached man didn't know why.

"Then let's begin," said Qin Yu.

"Don't worry. We still need to repair that array platform. If it's too powerful, it'll easily destroy the array platform," said the mustached man with a smile.

Qin Yu glared at the mustached man and said, “What the F * ck did you do earlier? !”

The mustached man touched his nose and smiled sheepishly.

This formation stage was not complete at all because the mustached man had never really wanted to help Qin Yu before this.

Everything he had done was to confuse Qin Yu and take away the mask.

The mustached man removed the pressure on Qin Yu from the formation stage and then took out a few formation flags.

“How long will it take?” Qin Yu asked.

The handlebar mustache stretched out a finger and said, “Three hours.”

Qin Yu nodded and said, “Then hurry up.”

The handlebar mustache took the mask and returned to the array platform.

When he passed by Little Fish, the handlebar mustache subconsciously turned his head to the side.

This made little fish feel baffled.

She pointed at her nose and whispered, “Am I Ugly?”

“Of course not,” Qin Yu said helplessly.

“He’s a fool. You Don’t have to pay attention to her.”

Xiao Yu responded with an “OH”. She seemed to be a little sleepy. She lay on Qin Yu’s shoulder and fell asleep very quickly.

Looking at the delicate girl in front of him, Qin Yu could not connect her to the masked woman that the mustached man was talking about.

Time flew by, and three hours passed quickly.

The moustached man mended the array platform. It looked much more complete and sturdier now.

He placed special magical artifacts around the array platform to stabilize it so that it wouldn't be destroyed by the powerful force.

“Alright, take out the two corpses,” said the moustached man.

Qin Yu grunted in gratitude. He placed little fish in place, then took out the corpses and placed them in the center of the array platform.

The moustache man held a golden bowl the size of a palm in his hand and said, “I still need a trace of your blood essence to control the two corpses.”

Qin Yu did not waste any time. He immediately forced out a drop of his blood essence and placed it into the small bowl.

The handlebar mustache walked to the center of the array platform. He slowly raised his hand and chanted a spell.

In a short while, a few words appeared out of thin air on the array platform!

Streams of strange power surged from all directions and fell toward the two corpses!

Qin Yu stood silently at the side and waited quietly.

At this moment, Qin Yu's expression changed slightly.

He suddenly felt not far from two extremely terrible internal Qi, is approaching!

“Peak of Marquis Wu!”

After feeling this internal Qi, Qin Yu’s facial expression can not help but slightly change!

Chapter 685: Chapter 685, perverted woman

Two auras at the peak of the Martial Marquis Realm were rushing toward Qin Yu’s direction! This was the internal Qi of Qin Yu!

Such a terrifying aura couldn’t help but cause people’s faces to change!

Up until now, Qin Yu had never encountered a cultivator at the peak of the Martial Marquis Realm! Qin Yu didn’t know anything about their strength!

The mustached man on the array platform could also clearly sense the approach of these two auras.

“Qin Yu, no matter what, don’t let anyone disturb me,”the mustached man said with a serious expression.

Qin Yu took a deep breath and nodded. “Don’t worry. I’ll stop them. You have to hurry.”

The mustached man nodded and didn’t say anything else.

Qin Yu looked in the direction of the internal Qi’s approach and quietly waited for their arrival.

The two internal Qi were getting closer and closer. One kilometer, five hundred meters, one hundred meters!

Soon, they appeared in Qin Yu's field of vision!

A man and a woman were standing in front of Qin Yu.

The man was eight feet tall and extremely strong.

The woman's figure was even more graceful. Her twisting snake-like waist could not help but make people fantasize.

Qin Yu looked at the two people coldly and said, "Who are you? Are you people from the Jingdu Martial Arts Association? Or are you people sent by some aristocratic family?"

When the woman heard this, a charming smile couldn't help but appear on her face.

"Little brother, we are not people from any aristocratic family." The woman covered her mouth and smiled coquettishly.

Qin Yu coldly said, "Then who exactly are you people!"

"You killed two of our members, and you still want to ask who we are?" The man said coldly.

Qin Yu frowned and said, "People from the Han Palace?"

"That's right, how dare you!" The man said coldly.

"Aiyo, don't scare me," the woman said with a smile.

Qin Yu's face turned solemn.

Where did this Han Palace come from? They actually sent out two peak-stage martial marquis?

“Kid, hand over the mask and I’ll leave your corpse intact.”The man’s tone was cold, and the pressure on his body was released!

Qin Yu instantly felt his shoulders as heavy as a mountain!

“Little brother, looking at your delicate skin and flesh, I can’t bear to kill you. Why Don’t you hand over the mask and spend another night with me. I’ll plead on your behalf. How about it?”The woman licked her lips and said.

Qin Yu’s expression was extremely cold, and he didn’t say a word.

The strength of these two people was definitely stronger than he had imagined!

“Don’t even think about taking away the mask. It’s best if you don’t even think about it.”Qin Yu said coldly.

“Ha!”The man couldn’t help but sneer.

“Qin Yu, you talk big. Do You Really Think You’re Invincible?”

“Little brother, hurry up and hand over the mask. Otherwise, you’ll have to suffer.”A hint of coquettishness flashed in the woman’s eyes.

Without a word, Qin Yu’s internal Qi increased rapidly!

Rays of golden light surrounded Qin Yu’s body, lighting up the surroundings!

“Enough, I’m obviously not interested in you.”The man could not help but sneer when he saw the situation.

A hint of regret flashed in the woman’s eyes. She sighed slightly and said with a regretful expression, “Then I can only kill you...”

Before she finished her sentence, the woman’s eyes burst out with a gaze that was like a poisonous snake!

In the next second, her figure flashed explosively and instantly appeared in front of Qin Yu. A sharp palm struck towards Qin Yu’s chest!

Qin Yu shouted loudly and immediately clenched his fist to meet it!

“Boom!”

A loud sound spread out. The collision of their bodies forced the woman back a few steps! Her palm was even redder!

“What a tough body,”the man said with narrowed eyes.

Meanwhile, the woman blew at her palm in a delicate manner and said pitifully, “Little Brother, you hurt me. How do you think I Should Punish You?”

“F * ck you!”Qin Yu shouted and rushed over with the absolute beginning holy fist in his hand!

“Swoosh!”

The woman knew that her physical body was no match for Qin Yu, so she didn’t choose to take him head-on. Instead, she relied on her agile body to dodge.

She stood not far away and said pitifully, “You don’t know how to cherish a beautiful woman. You’re not a good child.”

Qin Yu’s face was slightly unsightly.

This Woman’s speed was too fast. In the blink of an eye, she had retreated hundreds of meters!

Such speed really made people feel awkward.

“Stop playing. The mission is more important,”the man next to her reminded.

The woman sighed and said with a delayed expression, “I really can’t bear to kill you just like that... but I don’t have a choice. You Won’t blame me, right?”

As she spoke, rays of icy blue cold light burst out from the woman’s body!

An icy cold chill instantly spread out!

Qin Yu did not dare to be negligent. He immediately activated the power of the Divine Dragon and looked at her warily.

“Whoosh!”

The woman’s body moved slightly, and the icy blue internal Qi on her body shot towards Qin Yu explosively!

Qin Yu did not dare to be negligent. He hurriedly used shrinking earth into an inch and retreated backwards!

However, this cold light seemed to have formed a divine sense as it followed closely behind Qin Yu!

The woman was not in a hurry. She just looked at Qin Yu with a playful look in her eyes.

“Stop fooling around!”The man could not help but shout.

The woman stuck out her tongue and muttered softly, “I know...”

As soon as she finished speaking, the woman raised her palm and pressed down gently!

In an instant, Qin Yu felt a thick force pressing down on his body!

“Boom!”

This huge force directly slammed Qin Yu into the ground!

Following that, the woman’s palm gently moved, and a huge force instantly appeared out of thin air!

Qin Yu felt as if his four limbs were about to be torn apart, and the pain was unbearable!

“Crash!”

The cold light that followed closely behind Qin Yu also erupted at this moment, directly piercing into Qin Yu’s various acupoints and pressing him to the ground!

That familiar feeling surfaced once again. Qin Yu’s internal Qi seemed to have been sealed, unable to move at all!

The woman took cat steps and slowly walked towards Qin Yu.

From a high position, she exposed her two slender and beautiful legs under her short skirt.

The woman bent down and gently patted Qin Yu's face. She sighed and said, "Why are you asking for trouble?"

Qin Yu gritted his teeth. He tried to struggle, but he found that he couldn't break free at all!

"As expected of the peak of the Martial Marquis Realm..." Qin Yu narrowed his eyes and said.

This woman obviously hadn't used her full strength yet! Compared to the late stage of the Martial Marquis realm, the peak of the Martial Marquis realm was obviously much stronger!

The woman put her hand on Qin Yu's body and stroked down along his face.

"En... strong muscles..." the woman seemed to enjoy it.

Qin Yu's face was cold. He quietly manipulated his internal Qi in an attempt to break through the acupoints.

"Don't waste your energy. It's useless," the woman said with a smile.

Qin Yu secretly thought that something was wrong.

This woman's technique was obviously much better than the two black-robed men from before!

“Spend a night with me. If you make me feel comfortable, I’ll spare your life.. What do you think ?”The woman placed her face next to Qin Yu’s ear and blew her internal Qi onto Qin Yu’s face.

Chapter 686: Chapter 686, resurrection was imminent

Her body exuded an extremely alluring charm that no one could resist.

However, Qin Yu was surprised. He did not feel anything when faced with this woman’s temptation.

Seeing that Qin Yu did not speak, the woman reached out with her palm and a dagger appeared.

“If you don’t agree, then I can only kill you,”the woman said with a regretful expression.

Qin Yu’s expression changed. If he wanted to break through this acupuncture point, he would need some time.

Therefore, he hurriedly said, “Wait, wait! Don’t be anxious!”

The woman said with a smile, “Why? Have you changed your mind?”

Qin Yu said with a smile, “I’ll agree to you. You’re so beautiful, how can I refuse...”

“Oh? Really ?”The woman’s eyes lit up and she immediately bent down.

“Really! Let Go of me first, or else... it won’t be convenient!”Qin Yu quickly said.

The woman played with the dagger. She thought for a moment, then nodded and said, "That makes sense."

Qin Yu was delighted and immediately heaved a sigh of relief.

This woman was indeed easy to deceive! As long as he opened his acupoints, Qin Yu would have a chance to continue stalling for time!

"However... your four limbs seem to be a little annoying. Let's chop off your four limbs first," the woman said with narrowed eyes.

Qin Yu's expression changed drastically, and he couldn't help but curse, "You poisonous woman, B * Tch!"

"Hehe, you're right. I'll cut off your tongue later," the woman said with a smile.

Qin Yu secretly felt that something was wrong. He hurriedly urged his internal qi and tried his best to attack his acupuncture points.

Just as the dagger was about to land on Qin Yu's arm, a golden light exploded from Qin Yu's body!

The terrifying internal Qi instantly forced the woman back a few steps!

Qin Yu got up from the ground and wiped the sweat off his forehead. He couldn't help but say with some lingering fear, "That was close..."

The woman raised her eyebrows and said, "You have some ability. You actually broke through my spell so quickly..."

Qin Yu didn't say anything more. His palm shook and he took out the bronze sword!

“B * TCH, I’ll Chop Off Your Head later!”Qin Yu said coldly.

The woman said with surprise, “How could you bear to do this to me?”

“Alright, let me do it.”At this time, the man seemed to be unable to hold it in.

He took a step forward and looked at Qin Yu coldly, “I’ll give you one last chance. Hand over the mask!”

“I’ll hand over the F * ck!”Qin Yu sneered.

The man clenched his fist, and his face turned cold.

“TSK TSK, why do you look like you’ve eaten SH * t?”Qin Yu mocked.

“Oh, I understand. You two are a couple, right? This woman is so flirtatious. She must be cheating on you every day, right?”

Qin Yu said to himself, “I see. No wonder you’re so angry. Speaking of which, it’s quite sad...”

These few words made the man’s face turn even colder.

His palm lightly shook, and a pair of gloves wrapped around his fist.

This pair of gloves was obviously a special magical artifact, flickering with a dark radiance in the darkness.

“Reckless Thing!”The man coldly spat out these words, and then he stepped towards Qin Yu!

His fist, which was the size of a casserole, brought with it an extremely violent strength, and fiercely smashed towards Qin Yu!

Qin Yu did not dare to be negligent and hurriedly held onto the bronze sword to receive it!

“Clang!”

Following a loud sound, a terrifying force spread out on the bronze sword!

This enormous force instantly forced Qin Yu back a few steps! His wrist was in even more pain!

“What a huge force!” Qin Yu could not help but be secretly shocked!

The man did not say a single word and charged towards Qin Yu once again!

His speed was no less than that of that woman's. Qin Yu had no way of escaping and could only hold his sword to deal with it!

For a moment, the sound of “Dang Dang Dang” was incessant.

The terrifying strength shook Qin Yu's thumb and thumb until they split apart. He could not even hold his sword anymore!

“Dang!”

Another punch!

Under this punch, the bronze sword in Qin Yu's hand was directly sent flying!

“Damn it!” Qin Yu's expression could not help but change!

Before he could pick up the bronze sword, that man's Iron Fist smashed towards him again!

Qin Yu had no choice but to clench his fist and receive it!

“Clang!”

This punch sent Qin Yu flying, and his wrist was even fractured!

“What a terrifying strength!” Qin Yu’s expression could not help but turn ugly!

He subconsciously glanced at the handlebar mustache not far away. At this moment, the handlebar mustache was activating a spell.

Qin Yu took a deep breath and slowly raised his hands. The golden light on his body slowly exploded!

Following that, Qin Yu’s body suddenly expanded!

A huge figure appeared in front of the two of them!

This spell was the Infinity Dharma Idol! The huge figure looked extremely oppressive!

“Wow, so Big!” Seeing this, the woman could not help but cover her mouth excitedly!

“Humph, do you think you can beat me just because your body has grown bigger?” The man sneered.

He clenched his fist and then smashed it toward Qin Yu from the sky!

A fist shadow with monstrous power rolled toward Qin Yu!

Qin Yu clenched his fist and raised his hand to meet it!

“Boom!”

The collision of the fists immediately caused the earth to shake and the mountains to shake!

The Man didn't stop there. He shouted loudly and quickly raised his fists.

Two huge fists appeared in the air above Qin Yu!

The fists were ice blue in color and emitted a powerful internal Qi!

Qin Yu's face turned ugly when he felt the internal Qi from the fists.

Even though the fists had not arrived, Qin Yu still sensed a hint of danger!

“Boom!”

The man's fists landed and the Ice Blue Fists in the air smashed down like two huge mountains!

Qin Yu gritted his teeth and clenched his fists. His golden fists met them head-on!

“Boom!”

A terrifying internal Qi instantly spread out in all directions!

That internal Qi was like a sharp blade that directly sliced off the peak of the mountain in the distance!

Rolling Stones rolled down from the peak of the mountain!

“Boom!”

Following that, the man threw another punch!

Under this punch, Qin Yu's infinity technique seemed to be unable to withstand it!

“Hualala!”

At the same time, that woman also attacked.

She only raised her palm, and numerous icy blue sharp blades condensed around Qin Yu's body.

The two of them used their spells at the same time, and Qin Yu instantly appeared to be in a sorry state!

“Boom!”

Finally, that man's fist smashed into Qin Yu's cheek, directly sending Qin Yu's huge body flying dozens of meters!

“Suppress!”

The man suddenly shouted, and a terrifying phantom directly smashed into Qin Yu's body!

“Strangle!” Then, the man spat out another two words!

Qin Yu's body was instantly strangled to the point of cracking! Sparks even jumped out one after another!

“This kid's body is really strong,” the man couldn't help but say in a low voice when he saw this.

“That’s right. When an ordinary person is strangled, their body and divine sense will be directly crushed. He can actually withstand it for so long,”the woman said in astonishment.

“It’s useless. No one can survive under this technique,”the man said indifferently.

“Sigh, what a pity for such a body,”the woman said with a slight sigh.

Not far away, Qin Yu was struggling bitterly.

This extremely inexplicable force almost ground Qin Yu’s body into pieces! Even his spiritual sense seemed to be moving crazily!

Qin Yu gritted his teeth tightly. He looked in the direction of the handlebar mustache and said with difficulty, “YOU MOTHERF * cker... are you done yet...”

The handlebar mustache did not say a word. Its mouth was still muttering.

“Ah! ! !”Qin Yu almost could not bear it anymore. His mouth let out a painful wail!

Right at this moment, the array platform suddenly shook violently! Following that, two rays of light shot into the sky!

The handlebar mustache also opened his eyes at this moment. He stared at the two male corpses in front of him and said in a low voice, “It should be enough....”

My Rich Wife – Chapter 687 –

Chapter 687: Chapter 687, the power of two male corpses

Two resplendent rays of light shot into the sky! The entire formation stage was buzzing, as if it was brewing some powerful force!

This commotion naturally attracted the attention of the man and woman.

The two of them couldn't help but look at the formation stage, their brows furrowed.

“What's going on?” The woman asked in surprise.

The Man didn't say anything, but his eyes swept over the formation stage.

The handlebar mustache realized what was happening in front of him. He glanced at the two corpses on the formation stage and quickly retreated to the side.

The two corpses were shining on the formation stage, and rumbling sounds could be heard continuously.

Kacha

Finally, the formation stage couldn't take it anymore and started to collapse!

An extremely powerful force fell into the two corpses!

“Swoosh!”

The male corpses' eyes suddenly opened!

They slowly stood up from the ruins. An extremely ancient aura lingered around the two male corpses' internal Qi.

At this moment, Qin Yu couldn't take it anymore. He gritted his teeth and shouted with all his might, "Quickly... save me!"

After an angry roar, the two corpses slowly turned around and looked in Qin Yu's direction.

Qin Yu anxiously looked at the handlebar mustache and used his eyes to ask how to control the two male corpses.

The handlebar mustache seemed to have seen through Qin Yu's intentions and hurriedly said, "Qin Yu, these two corpses borrowed your blood essence to temporarily resurrect. You have to use your spiritual sense to control them!"

At this moment, Qin Yu's spiritual sense was almost crushed by this spell! It was as difficult as ascending to the heavens to separate his spiritual sense!

"Damn it..." Qin Yu couldn't help but curse in his heart. He endured the pain and closed his eyes slightly, forcefully separating a strand of his spiritual sense.

At the center of his brows, a bean-sized golden light burst out, and then fell directly into the center of the brows of a male corpse!

The eyes of this male corpse immediately burst out with a glimmer of light.

Qin Yu did not dare to delay any longer. He immediately used his spiritual sense to urge this male corpse to walk towards him.

“What exactly is this thing?” Not far away, the eyes of the man and woman from the Han Palace were filled with doubt.

“Who cares what it is. No one can break my spell unless he is a martial saint.” The man sneered.

At that moment, the male corpse had already walked up to Qin Yu.

He slowly raised both of his hands and grabbed at the icy blue light.

“Humph, using your body to touch my spell is simply courting death!” The Man from Han Gong could not help but sneer.

However, in the next second, his expression froze!

The male corpse grabbed the icy blue light and lightly pulled with his palm. The icy blue light that covered the sky and earth was torn apart like paper!

“How is this possible? !” Han Gong and Qin Yu’s expressions changed drastically!

Qin Yu was finally able to catch his breath. He got up from the ground and the Infinity Dharma Idol on his body slowly disappeared.

“Damn it, I almost died.” Qin Yu couldn’t help but feel a lingering fear.

The Man with the handlebar mustache ran in front of Qin Yu and said with a smile, “I’ll leave the rest to these two male corpses.”

Qin Yu also nodded and said with a hint of anticipation, “I also want to see... What kind of strength these two male corpses have.”

Under Qin Yu's control, the two male corpses turned around and walked toward Han Gong and the other two.

The man immediately shook his palm, and his gloves flickered with rays of light.

However, the woman's beautiful face had a hint of solemnity.

She whispered, "Old Duan, I have a bad feeling. Let's quickly retreat."

The man who was called old Duan snorted coldly, "I am at the peak of the Milk Martial Marquis realm, and can be said to be invincible in this world! What Demons and ghosts? They are just playing tricks!"

Before he finished his words, old Duan's gloves began to shine, and then he strode toward the male corpse!

Seeing this, Qin Yu couldn't help but sneer in his heart.

Qin Yu had personally witnessed the toughness of these two male corpses.

Even the bronze sword couldn't hurt them in the slightest, yet this old Duan still dared to take the initiative to attack? He was simply courting death!

"Go to hell!" Old Duan roared angrily, and his fist fiercely smashed towards the male corpse's vital point!

"Clang!"

A loud sound instantly exploded!

This unparalleled fist smashed firmly onto the male corpse's face!

But what was frightening was that this fist actually didn't injure the male corpse in the slightest! It didn't even leave a trace!

"How... how is this possible!" Old Duan's expression instantly changed greatly!

This fist contained almost all of his inner strength, and no one in the world could resist it!

But this strange corpse in front of him... Was not affected at all. This was simply illogical!

"It's fake, it must be fake!" Old Duan was not reconciled. He roared and threw another punch!

"Kacha!"

The male corpse finally made his move. He raised his hand and grabbed old Duan's gloves.

Old Duan's face suddenly changed. He tried his best to struggle, but he found that he could not break free at all!

Then, the male corpse pressed his palm lightly, and Old Duan's glove and fist were crushed into pieces!

"Ah! ! !"

The anguished wail spread throughout the entire wilderness!

For a moment, everyone couldn't help but gasp!

The male corpse didn't stop there. He raised his pale palm and gently slapped Old Duan's head.

“Pa!”

That seemingly weak palm contained a thousand-ton force!

At the moment of contact, old Duan’s head exploded like a watermelon!

“A peak-stage martial marquis is actually so weak!”Qin Yu was overjoyed when he saw this!

The strength of these two male corpses was indeed beyond imagination!

Not far away, the woman from the Han palace had a pale face. When she saw Old Duan’s head being smashed by a palm, she already had the intention to retreat.

“You have already killed three members of our Han Palace. We will definitely remember this grudge,”the woman said coldly.

Qin Yu sneered and said, “If you don’t Leave Now, the next one to die will be you!”

As he spoke, the male corpse had already strode towards the Woman!

The woman secretly gritted her silver teeth. She fiercely glared at Qin Yu, then turned around and left!

In the blink of an eye, she disappeared from everyone’s sight.

After she left, Qin Yu hurriedly bent down and took out old Duan’s golden core.

“A golden core at the peak of the Martial Marquis realm... what an unexpected harvest.”Qin Yu licked his lips and then stuffed the golden core into his mouth.

Pure Qi/spiritual energy exploded in Qin Yu's body.

He immediately circulated his mental cultivation method and slowly absorbed this golden core.

At this moment, Qin Yu was already enough to step into the middle stage of the Martial Marquis Realm.

However, after thinking about it, Qin Yu still planned to temporarily suppress his cultivation and first go to the Jingdu Martial Arts Association to save people!

Chapter 688: Chapter 688 wants to talk to you

Qin Yu's purpose in reviving these two corpses was to save Yan Ruoxue.

After spending so much time, he finally succeeded in reviving. Qin Yu didn't want to waste a minute.

"Oh right, I have to remind you that these corpses can only last for three days at most," the handlebar mustache reminded him.

Qin Yu calculated the time and nodded. "Three days is enough."

As long as the Jingdu Martial Arts Association felt afraid, it was enough.

Then, Qin Yu looked at the handlebar mustache and said, "These two corpses... how much power can they display now?"

The handlebar mustache spread his hands and said, "After all, they are already dead, and only a body remains. In other words, they are no different from magic weapons. It depends on the strength of the controller."

“For example, the martial saint’s weapon can only be used to its maximum power in the hands of the martial saint. The Martial Marquis is next. If the inner strength master obtains the martial saint’s weapon, then I’m afraid it will be no different from scrap metal.”

Qin Yu nodded slightly and roughly understood the meaning of the mustached man.

“According to my speculation, these two corpses should be the guardians of the path. However, I don’t know what the purpose of the Guardians is.”The mustached man speculated.

Qin Yu touched his chin and said, “This dao protector faced a peak martial marquis with almost no effort. It should not be difficult to deal with a martial saint.”

When the mustached man heard this, he could not help but ridicule, “Martial saint? If these two dao protectors can use their full strength, then the martial saint is just an ant.”

“Cut the crap.”Qin Yu rolled his eyes.

If they could unleash their full strength, not to mention a small Jingdu martial arts association, even a country would not be worth mentioning.

At this time, the sky had already turned white, and Xiao Yu had also woken up from his slumber.

“You slept quite well. You can even sleep with such a loud noise.”Qin Yu said half-jokingly and half-seriously.

Xiao Yu rubbed his sleepy eyes and said, “I don’t know why, but I feel so sleepy and listless.”

Qin Yu didn't think too much about it, but the handlebar mustache next to him frowned.

He narrowed his eyes, thinking about something.

Then, Qin Yu returned to the Green Moon villa with a few people.

In the hall.

Zhen Yue looked at the two male corpses and couldn't help but ask in surprise, "Mr. Qin, who are these two people?"

Qin Yu opened his mouth, not knowing how to explain.

"They... They are my two friends. One is called Big Fatty and the other is er Zhuang," Qin Yu said.

Hearing this, the Mustache Man spat out a mouthful of water.

"These names... are so down-to-earth." Zhen Yue couldn't help but laugh.

The Mustache Man rolled his eyes and said, "If they hear these two names, they will strangle you to death."

Qin Yu was quite satisfied with these two names.

After that, Qin Yu and Zhen Yue gave some instructions and prepared to go to Jingdu.

"Qin Yu, remember my words. They can only last for three days at most. After three days, they will become corpses again," the mustache man reminded before they left.

Qin Yu took a deep breath and said, "I'll remember it."

After parting with the handlebar mustache, Qin Yu rushed to Jingdu.

...

Jingdu martial arts association.

Two iron doors that were several meters high appeared extremely solemn and solemn.

At the door, a man was smoking and scanning his surroundings.

This man was none other than Xia Hang!

Ever since he caught Qin Yu last time, his status had risen accordingly.

Not only that, the various aristocratic families had been putting pressure on the Jingdu Martial Arts Association.

This external pressure was almost all resolved by Xia Hang. As a result, Xia hang's status had risen sharply, almost to the same level as Qu Qu!

"President Xia." Those who passed by the Jingdu martial arts association greeted Xia hang politely.

The word "Vice president Xia" had unknowingly disappeared, and this made Xia hang quite happy.

"President Xia, what an elegant mood."

At this moment, a familiar voice sounded in Xia Hang's ear.

Hearing this voice, Xia Hang's expression instantly changed slightly!

He hurriedly turned around, and it was indeed Qin Yu who stood behind him!

A hint of nervousness flashed across Xia Hang's face. He looked around, and after making sure that there was no one, he pulled Qin Yu to the side.

“Are you crazy? Qu Xie is gathering people to capture you, and you still dare to come here? Are you courting death?!” Xia hang scolded in a low voice.

Qin Yu smiled and ignored this sentence. Instead, he said, “I'll have to trouble president Xia to inform him that Qin Yu wants to talk to him.”

Xia Hang's pupils constricted, and he couldn't help but curse, “Are you really crazy? ! Do you think Qu Xie will talk to you?”

Qin Yu smiled faintly and said, “Just do as I say. I know what to do.”

Xia hang wanted to say something, but at this time, someone walked out from the association.

Xia hang quickly changed his expression. He pointed at Qin Yu and said, “Stand here and don't go! I'll go and inform President Qu Now!”

...

At this time, in Qu Xie's office, there were eight black-gold robes and three purple robes!

Not only that, Qu Xie was also holding a martial saint weapon.

This martial saint weapon was the Prajna ruler that Qu Xie had used that day!

Looking at the people in front of him, Qu Xie took a deep breath and said, “The aristocratic families have been pressuring the JINGDU martial arts association to get rid of Qin Yu as soon as possible.”

Everyone remained silent and waited for Qu Xie’s next words.

Qu Xie continued, “But this Qin Yu is full of tricks. I don’t know what method he used to kill four of our purple robes!”

At this point, Qu Xie took out the prajna ruler.

He placed the Prajna ruler on the table and said, “To prevent any accidents, I asked the higher-ups for another martial saint weapon. As long as we can kill Qin Yu, even if we lose a martial saint weapon, it’s not worth mentioning!”

“President Qu, you’d better tell us where Qin Yu is,” a purple-robed man said coldly.

“That’s right. As long as you tell us what Qin Yu has done, he will die without a doubt.”

Qu Xie said in a deep voice, “I’ve just received news that Qin Yu has returned to the Jade Moon Villa.”

“Got it.” The purple-robed man grabbed the Prajna ruler on the table and turned to leave.

At this moment, Xia hang pushed the door open and walked in.

Qu Qu glanced at Xia hang and said unhappily, “Who let you in? Can’t You Knock on the door? Get Out!”

Xia hang snorted and said, "I'm here to tell you something important."

"You have to knock on the door first! I'm Your Superior!" Qu Qu shouted.

Xia hang lit a cigarette and sat directly opposite Qu Xie. Then, he said slowly, "Aren't you looking for Qin Yu? He's at the entrance of the association right now.. He said he wants to talk to you."

Chapter 689: Chapter 689, Dao Protector VS martial saint weapon

Hearing this, qu Qu sneered, "Xia Hang, do you think I'm an idiot? How dare he, Qin Yu, come to the Jingdu Martial Arts Association?"

Xia hang did not want to let Qin Yu in, so after hearing Qu Qu's words, he immediately stood up and said, "Then just pretend that I didn't say anything."

After saying this, Xia hang turned his head and walked out.

Qu Xie frowned. He looked at his assistant and said, "Go to the door and see if what Xia Hang said is true."

The assistant agreed and then walked out.

A few minutes later, the assistant ran back while panting. There was a clear palm print on his face.

"President Qu, that Qin Yu... is really at the door! He said he wants to talk to you! I... I have already sent him to the conference room." The assistant panted heavily.

Hearing this, Qu Xie suddenly stood up, and a trace of shock flashed across his face.

“This Qin Yu... is really hard to guess,” Qu Xie said with narrowed eyes.

Then, Qu Xie looked at the people around him and said coldly, “This time, we must kill Qin Yu no matter what!”

...

In the conference room.

Qin Yu made a pot of tea while the two dao protectors beside him poured tea for him.

“No one in the world has enjoyed the privilege of having two mighty figures serve me tea and water.” Qin Yu couldn’t help but feel proud.

At this moment, the door of the conference room opened.

Then, Qu Xie strode in with more than ten people behind him!

Eight of them were in black and gold robes, and three of them were in purple robes!

Qu Qu held the prajna ruler in one hand. As he walked, he slapped his own palm.

“Qin Yu, you still dare to come to the Jingdu Martial Arts Association? You sure have guts,” said Qu Qu with a cold smile.

Qin Yu sat up from the sofa and said with a faint smile, “Qu Qu, I’m here to negotiate with you.”

“Negotiate with me?” Qu Qu almost laughed out loud when he heard that.

The purple-robed people behind him couldn't help but laugh as well.

“Tell me, what do you want to talk to me about?” Qu Xie said with some amusement.

Qin Yu's expression gradually became serious.

He looked at Qu Xie coldly and said word by word, “If you are willing to let me take Yan Ruoxue away, I can spare your life.”

As soon as he said this, Qu Xie couldn't hold it in anymore.

He laughed and said, “Qin Yu, do you know what you are talking about? Spare my life? Just by You?”

“Why don't you take a look at yourself? Do you really think you are invincible?”

“Kid, do you know what a negotiation is? A negotiation is only qualified to sit at the same table when both parties are equally powerful! As for you, you are not worth mentioning in front of the Jingdu Martial Arts Association!”

Everyone sneered and kept mocking.

Qu Xie waved his hand and sized up Qin Yu. “Qin Yu, I admit that you have some ability. If you continue to grow, you might really be able to threaten the JINGDU martial arts association one day.”

“But now... you are not qualified!”

As he spoke, a strong killing intent burst out from Qu Xie's body!

The people behind him took a step forward in unison!

Qu Xie didn't seem to want to waste any more time. He looked at Qin Yu coldly and said, "Kill him."

"Yes."

Three purple-robed men walked over at the same time. Their terrifying auras shook the Jingdu Martial Arts Association!

Qin Yu's face turned cold and he ordered, "Kill them all. Leave No one alive."

The two dao protectors seemed to have received an order as they slowly walked forward.

At a glance, these two dao protectors seemed ordinary. They did not even have the slightest fluctuation of internal Qi!

Therefore, they did not put these two dao protectors in their eyes at all!

The pressure from the three of them was rapidly spreading, and their bodies were emitting waves of flames!

"Go to hell!"

One of the purple-robed men shouted angrily. Then, he raised his hand and grabbed at the Dao Protector Fatty!

Qin Yu narrowed his eyes. He immediately used his spiritual sense to control fatty.

Fatty clenched his hand and threw a punch.

“Boom!”

The seemingly ordinary punch instantly arrived in front of the purple-robed man!

After sensing the terrifying internal Qi on his fist, the purple-robed man’s expression changed drastically!

“Not good!”

The purple-robed man cursed inwardly. He wanted to turn around and escape, but it was too late!

The Big Fatty punched his head and smashed it into pieces!

Blood splashed on Qu Xie’s face.

The bloody smell filled the entire meeting room!

“How... How could this be? !”Qu Xie’s expression changed drastically!

He killed a purple robe with one punch. What kind of strength was this? This was too ridiculous!

The remaining two purple robes’ expressions were extremely unsightly. They subconsciously looked at Qu Xie.

Qu Xie gritted his teeth. Just as he was about to speak, big fatty walked over again!

He stretched out his two palms and grabbed the remaining two purple robes!

Then, big fatty moved his palms slightly, and a crisp cracking sound came from the necks of the two purple robes!

The necks of the two men were crushed by the big fatty!

The bodies of the two purple-robed men immediately went limp, and they did not move in the big fatty's hand.

When Xie Qu saw this, her face was even more shocked!

One had to know that the purple-robed men were the foundation of the Jingdu Martial Arts Association's combat strength. Even in the entire world, they were also top-notch existences!

But now, facing this big fatty, they actually did not have the power to retaliate! How could people accept this!

The big fatty threw the three bodies on the ground, then reached out his hand and directly took out the golden cores of the three of them, then turned around and handed them to Qin Yu.

Qin Yu played with the three golden cores and sneered, "Qu Xie, do I have the right to talk to you now?"

Qu Xie's face was extremely cold. Although he was shocked, he was not afraid.

The reason was because Qu Xie had a martial saint weapon in his hand! This was his confidence!

Qu Xie narrowed his eyes and looked at the big fatty. He said coldly, "Your skills are not bad. Why Don't you come and work for the Jingdu Martial Arts Association?"

Qin Yu sneered when he saw this.

“Qu Xie, they only listen to my orders. Then don’t waste your energy,” Qin Yu sneered.

When Qu Qu heard this, he immediately stood up and said, “Oh ? is that so ? It’s such a pity. I can only bear the pain and kill them...”

As he spoke, the Prajna ruler in Qu Xie’s hand began to flash with light. Streams of terrifying martial saint’s internal Qi gathered on the Prajna ruler.

The martial saint’s internal Qi was extremely terrifying. Just a wisp of it was enough to make people tremble in fear.

Even Qin Yu could feel the pressure of the martial saint’s weapon in his chest. It was as if blood was about to gush out.

“In front of the martial saint weapon, everyone must die!”

Qu Xie roared furiously and the prajna ruler in his hand immediately pressed forward!

In an instant, an intense light burst out from the Prajna ruler!

This light carried an extremely pure martial saint’s internal Qi as it crushed towards big fatty!

Chapter 690: Chapter 690, no human or animal shall be spared!

The aura of the martial saint’s internal Qi swept over swiftly!

Just a trace of residual power had forced Qin Yu to retreat repeatedly!

Qin Yu hurriedly urged the two stalwart men to block in front of him, in order to resist the residual power of the martial saint's Internal Qi.

At this moment, the aura emitted by the Prajna ruler had already crushed towards the big fatty!

Qin Yu laughed coldly. He immediately used his spiritual sense to urge big fatty and raised his palm to meet it!

Big Fatty opened his huge palm and directly grabbed at the trace of the martial saint's Internal Qi!

"You're courting death!" Qu Xie could not help but shout when he saw this!

The internal Qi of the martial saint's weapon became even stronger, as if it wanted to kill big fatty in one strike!

But what kind of existence was big fatty's body? He was the guardian of the Masked Woman's tomb, an existence that surpassed the Almighty!

His body was definitely not something a martial saint could injure!

Big Fatty's big hand pressed forward and easily withstood the residual power emitted by the martial saint weapon!

That internal Qi kept retreating under big fatty's Palm!

Qu Xie's eyes instantly widened, and his face turned extremely pale!

What the hell was this? ! Using his palm to easily block a martial saint's weapon? !

Even a current martial saint might not be able to do it so easily, right?

Before Qu Xie could regain his senses, big fatty's palm had already covered the front!

Qu Xie's expression changed, and he wanted to run away.

However, how could Qin Yu give him the chance? He immediately urged the two stout men to take a step forward and block the door!

The two stout men had a strong build and blocked the door tightly.

The big fatty even stretched out his hand and snatched the Prajna ruler.

"You... give it back to me!" Xie Qu immediately became anxious!

He stretched out his hand and wanted to snatch the Prajna ruler, but he was slapped away by the big fatty.

Then, the big fatty handed the Prajna ruler to Qin Yu.

Qin Yu took the Prajna ruler and could not help but grin. "I didn't expect there to be such an unexpected harvest... This martial saint weapon belongs to me!"

Qu Xie's expression was extremely unsightly! Losing a martial saint weapon was a huge matter!

"Qin Yu, return the Prajna ruler to me! As long as you return it to me, I can agree to any conditions!" Qu Xie said anxiously.

Qin Yu raised his brows and said, "Alright, as long as you let me take Yan Ruoxue away, I'll return this broken ruler to you."

When this topic was brought up, Qu Xie's brows instantly furrowed.

He glanced at the Big Fat Man and the muscular man, then took a deep breath and said, “Qin Yu, it’s impossible for you to take Yan Ruoxue away.”

“Impossible?” Qin Yu narrowed his eyes. “Qu Xie, do you think I’m here to negotiate with you in front of you? As long as I’m willing, I Can Smash Your Jingdu Martial Arts Association!”

Qu Xie said coldly, “Although I don’t know who these two people are, I’m telling you, no matter how strong they are, they can’t fight against the Jingdu Martial Arts Association!”

“Cut the crap.” Qin Yu stood up.

He strode to Qu Xie and said coldly, “I’ve made myself clear. I’m not here to discuss with you. I’ll take them away today. I’ll kill whoever dares to stop me!”

After saying that, Qin Yu put away the Prajna ruler and strode out of the meeting room.

Xie Qu hurriedly shouted, “Wait! Qin Yu, give me some time to think about it. What do you think?”

“You want to stall for time? Do you think I’m an Idiot?” Qin Yu said coldly.

The two dao protectors could only be controlled for three days at most. Qin Yu couldn’t give Xie Qu any chance at all.

He controlled the two dao protectors and strode toward the prison.

Qu Xie was extremely anxious, but she couldn't do anything to the two dao protectors!

Even the martial saint weapon couldn't do anything to them, so what could stop Qin Yu?

With these two dao protectors, Qin Yu could be said to be able to kill Gods and Buddhas if they were in his way.

He walked all the way to the entrance of the prison and smashed the supposedly indestructible door with a punch!

Then, Qin Yu strode into the prison.

"Qin Yu? Why are you back?"

"No way, you were caught by them again?"

Countless people on both sides greeted Qin Yu with a warm attitude.

Qin Yu nodded his head one by one and then rushed towards the direction of Yan Ruoxue's prison.

Soon, Qin Yu arrived in front of the prison entrance where Yan Ruoxue was imprisoned.

Standing in front of the door, Qin Yu's face was extremely unsightly!

Because there was no one in this prison. There was no sign of Yan Ruoxue at all!

"Where is she? Where is Yan Ruoxue?!" Qin Yu anxiously looked at the other prisons.

“Miss Yan was taken away a few days ago,” said the person in the prison next to him.

Qin Yu’s face immediately changed! He gritted his teeth and hurriedly ran into the meeting room.

In the meeting room, Qu Xie was about to report the news when Qin Yu rushed over.

He grabbed Qu Xie’s collar and said coldly, “Where is Yan Ruoxue?”

Qu xie frowned and asked, “What do you mean?”

“Stop pretending!” Qin Yu grabbed Qu Xie’s neck!

Qu Xie wanted to resist, but Qin Yu’s hand was so strong that Qu Xie couldn’t move!

“I don’t understand what you’re saying!” Qu Xie gritted his teeth and said.

“What the F * ck are you talking about! Yan Ruoxue isn’t in prison at all!” Qin Yu roared angrily, and his hand became stronger and stronger!

Qu Xie’s face immediately turned red, and he found it difficult to breathe.

He said with difficulty, “I... I told you, I didn’t know that the higher-ups wouldn’t ask for my permission to bring her up...”

Qin Yu stared at Qu Xie, his anger almost making him lose his mind.

Qu Xie’s face turned purple as if he was going to suffocate at any moment.

Qin Yu took a deep breath and let go of Qu Xie.

“You’d better not lie to me,” Qin Yu said to Qu Xie coldly.

Qu Xie panted and said coldly, “Do you think I have the final say in the Jingdu Martial Arts Association? You think too highly of me!”

“Why do the higher-ups need to explain things to me?”

Qin Yu stood there and didn’t speak for a long time.

A moment later, Qin Yu picked up Qu Xie, grabbed his clothes, and walked to the Hall of the Association.

At this time, there were many members of the association in the hall.

They looked at Qin Yu nervously, and there was a hint of fear in the depths of their eyes.

Qin Yu took a deep breath and said coldly, “Tell the higher-ups of the Jingdu Martial Arts Association that I will take Qu Xie away today and ask them to exchange him for Yan Ruoxue.”

“If I don’t see Yan Ruoxue in three days, I will kill Qu Xie and smash the Jingdu Martial Arts Association!” Qin Yu gnashed his teeth and said.

After saying this, Qin Yu threw Qu Xie to Big Fatty.

In Big Fatty’s hands, Qu Xie was like a little chick, unable to move.

Then, Qin Yu took out the bronze sword in his hand and slashed out.

The terrifying sword light instantly passed through the hall and directly slashed toward the tall building not far away!

Under this sword attack, the roof was directly flattened, and then the entire building began to buzz!

“If I don’t see Yan Ruoxue in three days... I’ll kill everyone!”

Qin Yu said coldly.. His voice was bone-chilling, making people tremble in fear.

Chapter 691: Chapter 691, exchange for Yan Ruoxue!

Qin Yu looked at Qu Xie coldly, and Qu Xie couldn’t help but tense up.

As the president of the Jingdu Martial Arts Association, he had seen countless storms.

Facing Qin Yu, Qu Xie couldn’t help but shout, “Qin Yu, don’t go too far! I’m the President of the Jingdu Martial Arts Association! Do you know the consequences of threatening us? !”

After Qu Xie’s reminder, Qin Yu seemed to have thought of something.

He sneered, “I’ve changed my mind. I’ll only give you two days. Remember, two days at most.”

“If I don’t see Yan Ruoxue in two days, I’ll publicly punish the president of the Jingdu Martial Arts Association!”

“If the higher-ups are not afraid of losing face, then go ahead!”

After saying that, Qin Yu turned around and left.

Big Fatty and er Zhuang followed behind Qin Yu. The entire journey was unimpeded, and no one dared to stop Qin Yu.

After leaving the Jingdu Martial Arts Association, Qin Yu directly returned to the Green Moon Villa.

Big Fatty and ER Zhuang didn't have much time left, so Qin Yu could at most give the Jingdu martial arts association two days.

If the Jingdu Martial Arts Association still didn't let him go after two days, then Qin Yu would kill the president of the Jingdu martial arts association in front of everyone!

Very soon, this matter was spread out.

The president of the Jingdu Martial Arts Association was captured. This was the first time in history!

“Even the president was captured alive. This is too f * cking ridiculous...”

“Yeah, to capture a thief, one must first capture the leader. TSK TSK, as expected of Qin Yu.”

“For Yan Ruoxue, this Qin Yu is really going all out...”

For a moment, there was a flurry of discussion. Almost everyone was discussing this matter.

The president was captured alive, and the Jingdu martial arts association was undoubtedly humiliated.

In the Jingdu martial arts association, Xia Hang could not help but silently smoke.

After thinking about it, Xia hang stood up and walked into the office.

After arriving at the office, Xia Hang closed the door. Then, he took out his phone and called Qin Yu.

At this moment, Qin Yu was sitting cross-legged in his room.

His face was cold and his eyes were slightly closed. Even so, he could still feel the murderous aura lingering around him.

Seeing Xia hang's phone call, Qin Yu frowned and then picked up the phone.

"Hello." Qin Yu picked up the phone and his tone was extremely calm.

Xia hang didn't say any nonsense on the other end. He went straight to the point and said, "Qin Yu, to the higher-ups, Qu Xie is just a chess piece. They will most likely not agree to your request."

As soon as he said that, Qin Yu's expression turned extremely vicious.

He took a deep breath and asked, "Who are those higher-ups?"

Xia hang smiled bitterly. "No one knows their identities. Even Qu Xie doesn't know anything."

Qin Yu fell into silence.

He didn't have a deep understanding of the JINGDU martial arts association, nor did he know anything about the higher-ups.

"After all, Qu Qu is the president. Everyone in the world knows that. Even if they don't care about Qu Qu's life, they will care about Qu Qu's identity as the president," Qin Yu said in a deep voice.

Just as Qin Yu said, even the aristocratic families cared about their own face, let alone the Jingdu Martial Arts Association?

Now that Qu Qu had been captured alive, it could be said that the matter had become a hot topic.

If the Jingdu martial arts association couldn't even save the president, it would not only lose face, but also lose prestige and prestige!

"I hope so," Xia Hang said in a deep voice.

Qin Yu sneered, "Even if they really gave up on Qu Xie, it would still be beneficial to me."

"If you kill Qu Xie, you will be the next president."

Xia hang was stunned, then he couldn't help but smile bitterly, "That's true."

Qin Yu grunted and said, "If you have any news, remember to inform me."

After saying that, Qin Yu directly hung up the phone.

Then, Qin Yu got up and walked out of his room, all the way to a dark basement.

The basement was extremely damp and there was no light. Qin Yu even threw the coffin of the masked woman here.

The entire basement was extremely cold. Even Qu Xie was badly frozen.

In this basement, there was an extremely small dog cage.

At this moment, Qu Xie was locked in this dog cage. Big Fatty and er Zhuang were in charge of guarding it.

Qu Xie was trembling non-stop in the cage. His face was extremely pale and he looked like he was in extreme pain.

When he saw Qin Yu, Qu Xie immediately grabbed the cage.

“Qin Yu, let me out!” Qu Xie shouted furiously.

Qin Yu looked at Qu Xie coldly and said, “Why? Are You in pain?”

Qu Xie gritted his teeth and said, “I am the president of the Jingdu Martial Arts Association! How could you lock me in such a small dog cage? I... I want to kill you!”

Qin Yu couldn't help but laugh. “Why? Do you know what it feels like to have your dignity humiliated? Isn't Yan Ruoxue uncomfortable being locked in a prison by you?”

“Don't tell me those warriors who were charged with crimes because they disagreed with your association have no dignity!”

With a roar, the whole cage buzzed!

Dust fell from the entire basement.

“Qu Xie, I told you that I will make you suffer a thousand times more pain,” Qin Yu sneered.

Qu Xie glared at Qin Yu and said, “The Jingdu Martial Arts Association will not let you go. You Are Dead!”

Qin Yu couldn't be bothered with Qu Xie at all. He kicked the cage, turned around, and walked out.

At this moment, the Jingdu martial arts association was holding a meeting.

In the meeting room, the few higher-ups were still hiding in the darkness.

And the person presiding over the meeting this time was no longer Qu Xie, but Xia Hang.

“Qin Yu brought two extremely powerful people and forcefully broke into the prison,” Xia hang reported truthfully.

“President Qu was holding the martial saint weapon. Not only was he unable to harm him, even the prajna ruler was snatched away by Qin Yu.”

The meeting room was silent.

After an unknown amount of time, someone finally spoke, “Qu Xie is the president after all. He can not die. Even if he dies, he can not die at the hands of Qin Yu.”

“En, no matter what, we have to bring him back.”

Hearing this, Xia hang hurriedly said, “But... Qin Yu said that he wants us to exchange Yan Ruoxue. Should we.... agree to his request?”

Chapter 692: Chapter 692, I' ll capture you as well!

Xia hang glanced around at the darkness, his eyes filled with surprise.

The scene fell silent again.

They seemed to have to consider this question.

“No, there’s no way Yan Ruoxue will be handed over.”At this time, a voice finally came from the darkness.

“You’re right. Even if we don’t Save Qu Xie, we can’t let Yan Ruoxue go,”someone else said.

“I agree.”For a moment, several higher-ups agreed to this suggestion.

Xia hang couldn’t help but sigh slightly when he heard this.

As expected, these higher-ups simply couldn’t agree to Qin Yu’s request.

“However... we still have to save Qu Xie.”At this time, someone else said.

“Come up with other conditions to exchange.”

Xia hang said in a low voice from the side, “Qin Yu has two experts by his side. Their strength is beyond imagination. Even the martial saint weapon can’t hurt them in the slightest.”

“Impossible. There is no such person in this world.”Soon, someone denied Xia hang’s statement.

Xia hang said hurriedly, “Senior executives, this is true! We saw President Qu holding the Prajna ruler with our own eyes. He was easily suppressed by those two people...”

“He must have used some secret technique.”A senior executive said in a low voice.

“Immediately send someone to scout for news. At the same time, negotiate with that Qin Yu.” A senior executive said coldly.

Xia hang slowly stood up and volunteered, “Higher-ups, I’m willing to go!”

“No need, we already have a candidate.” A cold voice came from the dark.

Xia hang opened his mouth and wanted to say something, but these higher-ups slowly retreated and disappeared into the darkness.

Xia hang frowned slightly.

Already had a candidate? Could it be that even if Qu Xie died, he wouldn’t be able to become the president?

“Everything doesn’t seem to be that simple...” Xia hang muttered.

...

Green Moon Villa.

Qin Yu was sitting cross-legged on an empty space. In front of him was a piece of ice heart.

The ice heart was emitting streams of pure Qi/spiritual energy. This Qi/spiritual energy surrounded Qin Yu’s body and formed a small whirlpool.

These streams of Qi/spiritual energy were extremely pure, but Qin Yu couldn’t calm down at all.

His forehead was sweating non-stop, and his body was trembling slightly.

“It seems that your state of mind is very unstable.”

At this moment, a voice suddenly sounded in Qin Yu’s ear.

Qin Yu’s eyes suddenly opened.

He hurriedly looked behind him and saw a skinny old woman standing there quietly.

Qin Yu looked at the old woman warily and said coldly, “Who are you? Who let you in?”

The old woman put her hands behind her back and said indifferently, “Didn’t you want to talk to the Jingdu Martial Arts Association? I’m here.”

Qin Yu’s face darkened and he said tentatively, “You are the higher-ups of the Jingdu Martial Arts Association?”

“Oh? You know about the higher-ups?” The old woman sat opposite Qin Yu and even poured herself a glass of water.

“It seems that you know us very well,” the old woman said expressionlessly.

Qin Yu’s eyes were filled with vigilance, and the internal Qi on his body was also released.

This old woman was able to enter this room silently. Her strength was probably far above Qin Yu’s!

“Tell me, what conditions do you have?”The old woman drank a mouthful of water and asked indifferently.

Qin Yu said coldly, “I said, I’ll trade Yan Ruoxue for her. The rest is out of the question.”

The old woman shook her head and said, “This is an impossible condition. Let’s change it to another one.”

“Then there’s no need to talk nonsense. Just wait to collect Qu Qu’s corpse,”Qin Yu said coldly.

The old woman was not anxious. She said indifferently, “Once we decide to give up Qu Qu, we will definitely launch a large-scale attack on the Green Moon Villa. We won’t hold back anymore! Have you thought it through?”

Qin Yu looked at the old woman coldly and said, “Old Thing, are you threatening me?”

The old woman sneered, “Do you think we can’t do it?”

“Then you can try!”Qin Yu shouted, and a golden light suddenly appeared!

At the same time, the big fatty’s figure quickly appeared behind Qin Yu.

The old woman could not help but look at the big fatty behind her, her eyes flashing with rays of light.

Then, the old woman sneered and said, “If this is what you rely on, then your beautiful dream will probably come to nothing.”

Qin Yu frowned slightly, and his heart could not help but thump.

Could it be that this old thing had seen through something?

“If I’m not wrong, this should be a corpse, right?”The old woman continued to say.

Hearing this, Qin Yu’s expression instantly became extremely ugly!

“Looks like I was right.”After the old woman saw Qin Yu’s expression, a smile couldn’t help but flash across her face.

Qin Yu took a deep breath and coldly said, “So what if he is, so what if he isn’t! Even if he is a corpse, he still has the ability to destroy the Jingdu Martial Arts Association!”

The old woman shook her head and said, “Qin Yu, you underestimate us too much. If you can find such a corpse for your own use, we can still find it.”

Qin Yu’s brows were tightly furrowed, and a trace of unease flashed across his face.

Just as the old woman had said, almost all the resources in the world were in the hands of the Jingdu Martial Arts Association.

Who could guarantee that they had not obtained even more powerful corpses?

Even the handlebar mustache could resurrect these two corpses, let alone the Jingdu Martial Arts Association?

“Qin Yu, you’ve already gotten a chance to talk. I hope you’ll cherish it,”the old woman said faintly.

“This opportunity is now or never. If Qu Xie dies, you’ll have to die with him.”

After saying this, the old woman turned around and prepared to leave.

“Stop!” At this moment, Qin Yu suddenly shouted.

Big Fatty immediately stepped forward and stood in front of the old woman.

The old woman’s Back was facing Qin Yu, and she said indifferently, “What else do you have to say?”

Qin Yu asked coldly, “Are you the only one who came today?”

The old woman said with a faint smile, “What else? Could it be that I’m like you, making a big fuss and making it known to the world?”

Qin Yu’s eyes narrowed slightly, and he grinned and said, “Although I don’t know who you are, I think you must be very important to the JINGDU martial arts association, Right?”

The old woman seemed to have sensed something. She turned to look at Qin Yu and asked, “What do you mean?”

Qin Yu sneered. “Nothing. Since a Qu scorpion can’t threaten you, I’ll capture you together!”

“Big Fatty, do it!”

With a loud shout, big fatty immediately stretched out his hand and grabbed the old woman!

Chapter 693: Chapter 693, heaven-swallowing Python

Big Fatty stretched out his two palms and grabbed towards the old woman!

The old woman naturally wouldn't sit still and wait for death. She snorted coldly and a pattern immediately condensed in her palms!

This pattern was extremely complex and mysterious, as if it contained some mysterious power!

The old woman raised her hand and slapped towards big fatty's glabella!

Big Fatty's palm came to an abrupt stop!

His two palms froze in mid-air, not moving at all, as if they had been suppressed by the Old Woman's spell!

Qin Yu's expression changed drastically! This old woman had actually restrained Big Fatty? How was this possible!

One had to know that even a peak martial marquis would not be able to retaliate in the hands of Big Fatty!

The old woman placed her hands behind her back and said indifferently, "I have to say, you are indeed quite brave, but unfortunately, it's useless."

After saying that, the old woman looked at Big Fatty, her pair of black stone-like eyes flickering with an extremely strange light.

"I have to say, this corpse can be said to be incomparably powerful, but the technique used to control it is too crude." The old woman shook her head.

Qin Yu frowned. He tried to use his spiritual sense to control big fatty, but discovered that another spiritual sense seemed to have appeared in Big Fatty's body!

This spiritual sense was extremely powerful, as if it was suppressing Qin Yu's spiritual sense!

Qin Yu subconsciously looked at the old woman, then narrowed his eyes and controlled his spiritual sense to crazily surge out!

For a moment, two rays of light appeared in big fatty's body.

One was a golden ray of light, and the other was a gray ray of light!

These two rays of light represented Qin Yu and the old woman's spiritual sense respectively! The two of them relied on their spiritual sense to fight for the control of big fatty's body!

The gray spiritual sense was quite powerful, suppressing Qin Yu's spiritual sense and forcing it to retreat.

Qin Yu gritted his teeth. He crazily urged his spiritual sense, and the golden light instantly became stronger!

The old woman sneered and said, "It's useless. You are only in the middle stage of the Marquis of martial arts, and your spiritual sense is extremely weak. It's not worth mentioning."

Qin Yu did not have the mood to pay attention to this old woman. He gritted his teeth and tried his best to control his spiritual sense.

"Ah!"

Following Qin Yu's furious roar, the golden spiritual sense in the big fatty's body suddenly transformed into a small golden person!

This small person was exactly Qin Yu's appearance! His golden appearance clenched his fist and smashed towards the old woman's gray spiritual sense!

“Chi la!”

The tiny golden figure went crazy and grabbed the gray spiritual sense, tearing it into two halves!

The old woman's spiritual sense was instantly driven out of Qin Yu's body, and Qin Yu took this opportunity to regain control of Big Fatty!

The old woman's face turned slightly pale, and her hunched body immediately took a few steps back.

Qin Yu's face also didn't look too good. He had never expected that these two corpses would have such a loophole!

If they met someone with a strong spiritual sense, wouldn't they be able to directly seize control of them?

After taking back Big Fatty's initiative, Qin Yu did not waste any more time. He immediately urged Big Fatty and threw a punch at the old woman!

The old woman snorted coldly and said, “It's just a corpse. A walking corpse is not worth mentioning!”

As she spoke, the old woman raised her skinny palm and directly slapped at Big Fatty!

It was obvious that the old woman had underestimated big fatty's strength. The moment her shriveled palm touched big fatty, it was immediately sent flying!

The old woman's expression changed slightly and she could not help but exclaim in shock, "What a tough body!"

Big Fatty did not say anything. His huge palm grabbed towards the old woman again!

The old woman narrowed her eyes and suddenly spat out the word 'exterminate'!

Qin Yu had experienced this technique before. It was the word 'destroy' spell that Geng Si had used before!

However, this old woman's Word 'destroy' spell was clearly much stronger than Geng Si's. That huge word with rolling black waves ruthlessly pressed towards Big Fatty!

Big Fatty did not use any complicated moves. He raised his hand and relied on his incomparably fierce and huge hands!

His palm directly grabbed towards the huge word. Then, he placed his hands in front of his chest and the word 'destroy' instantly disappeared.

The old woman's expression changed slightly. She shot backward while mumbling something.

A moment later, a huge black snake appeared behind the Old Woman!

This black snake spat out its sinister tongue and its eyes revealed a terrifying gaze!

Qin Yu's expression changed slightly when he saw this huge snake.

This didn't look like a spell, but a real large snake!

"Demonic Beast?" Qin Yu frowned slightly, and his eyes couldn't help but contain some surprise.

This old woman actually adopted a fierce beast?

Qin Yu tried to release his internal Qi to sense the cultivation of this large snake.

What surprised Qin Yu was that this large snake was actually at the peak of the Martial Marquis Realm!

One had to know that under the same cultivation, the strength of a demonic beast was far above that of a human!

Whether it was the internal Qi or the physical body, they were definitely not comparable to humans. This was a natural advantage!

The old woman narrowed her eyes and said indifferently, "I've adopted this heaven-swallowing Python for more than 30 years."

"During these 30 years, I've fed it elixirs, top-notch herbs, and even some martial artists who were imprisoned..."

"For the past 30 years, it has already reached a perfect state! Be it its body or its cultivation, it can be said to be the king of Demonic Beasts!"

Qin Yu listened to her bragging and could not help but sneer, "That's just right. I think its demonic beast internal Qi should be a great tonic. After I kill it, I will definitely have a good taste."

The old woman heard that and could not help but laugh, “My heaven-swallowing Python’s body is like steel. With one breath, it can destroy the world! In the past 30 years, no one has been able to hurt it at all!”

“Qin Yu, I won’t be polite with your corpse.”

After saying that, the old woman patted the sky-swallowing Python’s body with a kind expression.

The sky-swallowing Python seemed to have received an order. It shook its huge head and looked at Big Fatty.

“Sou!”

In the next second, the sky-swallowing Python suddenly stuck its head out and charged towards Big Fatty!

Big Fatty did not Dodge at all. He clenched his fist and ruthlessly smashed it towards the sky-swallowing Python!

This punch was extremely powerful. The huge head of the sky-devouring Python immediately tilted backwards!

Qin Yu seized the opportunity and controlled big fatty to charge at the sky-devouring Python!

At this moment, the huge body of the sky-devouring Python suddenly swept towards Big Fatty. Its speed was so fast that it left people speechless!

The huge body of the sky-devouring python quickly wrapped around big fatty’s body.

Following that, the tail of the sky-devouring Python began to tighten, and the strength that wrapped around big fatty's body also became greater and greater!

“Just like that, bind its body until it explodes!”The old woman roared.

Qin Yu couldn't help but laugh coldly.

Big Fatty was a mighty figure's physical body. How could the hardness of his body be compared to that of a beast?

The heaven-swallowing Python drew closer and closer. It even spat out a mouthful of black internal Qi from its huge mouth.

This internal Qi contained a lethal poison and was extremely stinky. Even Qin Yu hurriedly covered his mouth.

The heaven-swallowing Python coiled around big fatty for more than ten minutes, but big fatty didn't move at all and wasn't affected at all.

“Swallow him for me!”The old woman gave another order.

At the same time as she gave the order, a trace of craftiness flashed through the old woman's eyes.

In the next second, she grabbed her shriveled palm and directly grabbed at Qin Yu!

Chapter 694: Chapter 694, the secret realm of the Jingdu Martial Arts Association!

The old woman seemed to have noticed something. She stretched out her shriveled hand and grabbed at Qin Yu's head!

This old woman's strength was extremely tyrannical. It was obvious that she had already stepped into the peak of the Martial Marquis realm. Even Qin Yu would not dare to neglect her!

Without thinking, he took out the prajna ruler and slapped it.

“Boom!”

A wisp of martial saint's internal Qi instantly exploded on the old woman's Palm!

“Ah! !”

That force directly pierced through the old woman's palm, and fresh blood instantly dyed her long robe red.

“TSK tsk, the martial saint's weapon really lives up to its reputation.” Qin Yu shook the Prajna ruler in his hand and laughed coldly.

The old woman's eyes narrowed slightly as she said coldly, “Qu Xie's prajna ruler actually fell into your hands...”

“It seems that you are not well-informed.” Qin Yu couldn't help but sneer.

The old woman was indeed not well-informed. Strictly speaking, she didn't even belong to the Jingdu Martial Arts Association, but was only an honored guest.

However, she had a secret connection with the higher-ups of the Jingdu Martial Arts Association, which resulted in her high status.

“Old Thing, do you want to try the power of this prajna ruler again?” Qin Yu shook the Prajna ruler and sneered.

A strand of internal Qi followed Qin Yu's palm and entered the Prajna ruler.

The Prajna ruler instantly flashed with a dark and mysterious light.

The old woman's expression changed slightly, and her body unconsciously took a step back.

Obviously, this old thing was also afraid of the Prajna ruler. After all, it was a martial saint's weapon.

Both sides were in a stalemate, and neither of them dared to make the first move.

“Dong!”

At this moment, Big Fatty, who was tied up by the heaven-swallowing python, suddenly attacked!

He clenched his hand and then suddenly punched the head of the heaven-swallowing Python!

This punch was so powerful that it almost shattered the space!

The head of the heaven-swallowing Python flew out directly. Fresh blood flowed down from the head of the heaven-swallowing Python!

The old woman's expression changed drastically when she saw this!

“My heaven-swallowing Python!” The old woman screamed and ran towards the heaven-swallowing Python!

The strength of the big fatty's punch was so great that the heaven-swallowing python almost fainted!

“As expected of a top-grade demonic beast. This punch actually didn’t break its head.”Qin Yu sneered.

The old woman hugged the huge head of the heaven-swallowing Python with a sorrowful expression.

“If you dare to hurt my heaven-swallowing python, I will definitely not spare you!”The old woman screamed shrilly!

Qin Yu sneered, “Big Fatty, Peel off the skin of this heaven-swallowing python. I want to make a Coat!”

After receiving the order, big fatty took another step towards the heaven-swallowing Python!

The old woman’s expression changed drastically. She hurriedly took out her dharma artifact in an attempt to stop big fatty.

However, all of her dharma artifacts were nothing in front of Big Fatty!

With a punch, the magic tool exploded like glass!

“Boom!”

Finally, big fatty’s fist smashed onto the huge head of the heaven-swallowing Python!

With this punch, cracks immediately appeared on the head of the heaven-swallowing Python!

“My heaven-swallowing Python! !”The old woman’s eyes were wide open and her face was filled with anger!

Big Fatty still did not stop what he was doing. He clenched his fist and prepared to throw a third punch!

At this moment, the old woman hurriedly put away the heaven-swallowing python.

Then, the old woman stared at Qin Yu and said, “You hurt my heaven-swallowing python, and I will definitely kill you! Qin Yu, from now on, the JINGDU martial arts association will not negotiate with you!”

“Talk about your mother. If you don’t send Yan Ruoxue back to me, what is there to talk about between us?” Qin Yu said coldly.

The old woman’s eyes were filled with killing intent, and she hated Qin Yu to the bone.

“Big Fatty, do it,” Qin Yu said coldly.

The old woman gritted her teeth. She took out a magic artifact and slowly disappeared.

“Another spatial magic artifact?” Qin Yu frowned slightly.

Qin Yu had seen spatial magic artifacts several times, but he had never owned one.

“Qin Yu, your time of Death Is Here!” The old woman’s voice came from all directions!

Qin Yu sneered, “I’ll wait for You!”

As the old woman disappeared, Qin Yu’s thoughts gradually sank.

“It seems that Yan Ruoxue is very important to the Jingdu Martial Arts Association.”Qin Yu took a deep breath.

Even if Qin Yu kidnapped Qu Xie, they still didn’t plan to let her go.

“I have to find out what the Jingdu martial arts association has to say as soon as possible,”Qin Yu thought to himself.

Once Qu Xie was killed, there would be no turning back. The Jingdu Martial Arts Association would not rest until one of them was dead!

...

At this time, the old woman had already rushed back to the Jingdu Martial Arts Association.

In the depths of the association, there was another door.

This door looked extremely mysterious and unpredictable.

Most importantly, ordinary people were not qualified to enter the door. Even Qu Xie did not know what was behind the door.

At that moment, the old woman stood in front of the door, her hands clasped together as she silently chanted a spell.

A moment later, the door slowly opened.

What was surprising was that behind the door was a paradise! It was completely different from the Jingdu martial arts association’s reinforced forest!

Stepping into it, one could smell the dense qi/spiritual energy and the fragrance of flowers.

Behind this door was actually a small world! A small world isolated from the Jingdu Martial Arts Association!

Such a method could not help but shock people!

It was said that only mighty cultivators could open up a small world on their own!

Could it be that the JINGDU martial arts association had a cultivator of the almighty realm?

It was unimaginable!

The old woman walked into this small world with a gloomy face.

Then, the gate slowly closed.

In one of the manors in this Small World, the old woman released the heaven-swallowing Python.

At this moment, the heaven-swallowing Python was bleeding profusely, and its life and death were unknown.

The huge snake's head was stained with blood, which was too horrible to look at.

"My sky-devouring Python..."the old woman caressed its head. Muddy tears flowed out of its sunken eye sockets.

"How is it going?"

At this moment, a voice came from behind the old woman.

She turned around and saw a man in a black robe.

The old woman gritted her teeth and said with a vicious expression, “I want to kill that Qin Yu! He hurt my sky-devouring Python. I must kill him!”

When the man heard this, he could not help but say, “This sky-devouring Python is at the peak of the Martial Marquis realm. Other than the martial saint, no one can defeat it. How could that Qin Yu injure the sky-devouring Python to such a State?”

The old woman wiped her tears and said coldly, “There are two experts by Qin Yu’s side. From the strength of their bodies, they should be at least at the Almighty Realm.”

“Almighty Realm?” The man’s expression immediately changed drastically when he heard this!

“How can there be a cultivator at the almighty realm in this world? !” The man frowned and said.

The old woman said in a deep voice, “Don’t be anxious. According to my observations, there are only two corpses. They are at least thousands of years old.”

“I don’t know what secret technique that Qin Yu used to temporarily control these two corpses.”

The man was silent for a moment before sneering, “He actually managed to obtain the physical body of a mighty figure... What a surprise.”

The old woman gnashed her teeth and said, “Those two corpses won’t be able to survive for long. As soon as the time comes, I’ll immediately kill that Qin Yu with my own hands!”

Chapter 695: Chapter 695, Hong Yi Sect' s cooperation

The man said in a deep voice, “The higher-ups are getting more and more dissatisfied with our JINGDU martial arts association. Try not to use our manpower.”

The old woman frowned slightly and snorted lightly. “What’s the reason this time ?”

The man sighed and said, “The higher-ups don’t want to see an organization monopolize, understand ?”

The old woman seemed to have understood something.

Mr. Zhou’s words last time were also very clear. He wanted the Jingdu Martial Arts Association to release the resources.

“I understand.”The old woman took a deep breath.

“As long as we are willing, we can support an organization at any time.”

“Moreover... all the sects in the world can see our figures.”

The man nodded slightly and said, “It’s good that you understand.”

The old woman didn’t say anything more, but looked at the head of the heaven-swallowing python.

A few minutes later.

The old woman appeared in the prison of the Jingdu Martial Arts Association.

The one following her was Xia hang.

“Pick a few martial marquises and bring them with me,” the old woman glanced at these prisoners and said coldly.

Xia hang probed, “What do you need them for?”

The old woman’s face turned cold and scolded, “You don’t need to know so much. Just follow my orders.”

Xia hang hurriedly nodded and said, “I understand.”

He picked eight martial marquises from this prison according to the old woman’s request.

These eight people thought that they were going to be captured, but little did they know that they were going to be reduced to food for the heaven-swallowing Python.

Using the body of a Marquis as food, this kind of treatment could not help but make people feel shocked.

...

At this time, Qin Yu was in the basement.

“The Jingdu martial arts association has already given up on you,” Qin Yu looked at Qu Qu and said coldly.

Qu Qu frowned and shouted, “Impossible! I am the President of the Jingdu Martial Arts Association, the owner of the highest authority, I...”

“Are you?” Qin Yu interrupted Qu Xie.

“We both know that you, Qu Xie, are just a chess piece. The real controller is not on the surface, right?”

Qu Xie's face turned ugly, and the expression on his face changed again and again.

"I have worked for the Jingdu Martial Arts Association for decades, and now I have an extremely powerful power. They will never give up on me!" Qu Xie said coldly.

Qin Yu mocked, "Don't Fool Yourself, Qu Xie. You can give up a chess piece at any time, let alone them."

"Impossible, impossible!" Qu Xie's face was ferocious and full of unwillingness!

His angry roar echoed in the basement.

Under this huge force, the basement began to collapse!

Qin Yu ignored Qu Xie.

He turned around and walked out of the basement with a worried expression on his face.

"It seems... It's time to consider a way out," Qin Yu thought to himself.

After killing Qu Xie, the Jingdu Martial Arts Association would no longer hold back. They could send people at any time, or even attack the Green Moon Villa!

The Green Moon Villa now had hundreds of disciples. It was impossible for Qin Yu to escape by himself.

"If I set up a mountain-protecting formation in the Green Moon Villa, I wonder if it would be useful," Qin Yu thought to himself.

With Qin Yu's technique, it was not difficult for him to set up a mountain-protecting formation.

But the Jingdu martial arts association had even more experts! They might be able to break the formation at any time!

This could not help but make Qin Yu worried.

At night.

Qin Yu could not fall asleep for a long time.

Therefore, he got up and walked out of the Green Moon Villa, ready to look for a place to walk around.

He came to a quiet bar and ordered a glass of wine.

Listening to the gentle music, Qin Yu's mind could not help but relax a lot.

"During this period of time, I may really be too tired." Qin Yu sighed.

Almost every day, Qin Yu's spirit was in a high state of tension.

This sudden relaxation made qin yu feel an indescribable beauty.

"Drinking alone?"

At this moment, a woman's voice suddenly came from Qin Yu's side.

Turning around, he saw an extremely plump woman with big waves sitting behind Qin Yu.

“Why? Don’t you recognize her?”The woman took a sip of wine and said indifferently.

This woman seemed to be familiar, but Qin Yu couldn’t remember her for a moment.

“We met once at a bar in Jingdu,”the woman reminded him.

Qin Yu suddenly understood.

At that time, Qin Yu was still hiding in the black robe. This woman had come to flirt with him and gave him a business card.

“If I remember correctly, you should be called... Su Qian,”Qin Yu said as he sized up the woman in front of him.

The woman said with a faint smile, “It seems that Mr. Qin still remembers me.”

A hint of a smile could not help but appear on Qin Yu’s face.

He sized up the woman in front of him and said with a sneer, “This is the second time you’ve come to look for me. Tell Me, why did you come to look for me?”

Su Qian took a sip of wine and said with a smile, “If I said that I wanted to rope you in, would you believe me?”

“Rope me in?”Qin Yu raised his eyebrows and couldn’t help but want to laugh.

Su Qian nodded seriously and said, “That’s right, rope you in. Don’t you want to have a strong backer?”

“A strong backer? How Strong? Are they stronger than the Jingdu Martial Arts Association? Or are they more powerful than the Yan Family?”Qin Yu couldn’t help but laugh.

Su Qian wasn’t angry. She said with a faint smile, “Indeed, we can’t compete with them, but that’s only limited to our country.”

“Oh, so it’s another foreign organization, the Hong Yi sect? Or that so-called Han Palace?”Qin Yu sneered endlessly.

Su Qian was silent for a moment, then nodded and said, “That’s right, I indeed come from the Hong Yi sect.”

Hearing this, Qin Yu immediately sneered non-stop.

“Your Hong Yi sect really doesn’t give up. It’s already been two years, yet you’re still pestering me,”Qin Yu said with a sneer.

“From the moment I stepped into the cultivation path to the current Marquis Wu, all of you have appeared. It’s really amazing.”

Su Qian said with a faint smile, “This also proves our foresight.”

Qin Yu said coldly, “If you don’t want to die, then hurry up and scram. I have no interest in a notorious organization like yours.”

“Notorious?”Su Qian couldn’t help but reveal a trace of ridicule on his face.

“What is righteous and what is Evil? If you really count, you, Qin Yu, are also notorious, right?”

“Jingdu martial arts association is well-known. Don’t tell me you think they are some kind of noble sect? Are they good people?”

Hearing Su Qian's words, a trace of surprise flashed across Qin Yu's face.

He shook the wine glass in his hand, and then said, "Not bad. You successfully moved me. Continue."

Su Qian said, "Our Hong clan is indeed notorious, but we also have extremely strong strength. It's beneficial to you without any harm."

"If you're willing, we can even cooperate."

Qin Yu thought for a moment and said, "How do you prove your strength?"

Su Qian said with a faint smile, "Mr. Qin can make a request and see if we can do it."

A smile instantly appeared on Qin Yu's face.

He shook the wine glass in his hand and said indifferently, "Alright.. If you can find where Yan Ruoxue is, I'll believe you. How about it?"

Chapter 696: Chapter 695, Qu Xie begging for mercy

Upon hearing Qin Yu's words, Su Qian immediately fell into silence.

"Forget it if you can't do it," Qin Yu stood up and said.

"I also hope that your Hong family will never bother me again from now on. We will not interfere with each other's business."

After saying this, Qin Yu was about to leave.

However, Su Qian Stopped Qin Yu.

She said in a deep voice, “Okay, I’ll agree to it.”

Qin Yu raised his eyebrows and said, “If you can really find Yan Ruoxue, I’ll agree.”

Su Qian smiled and said, “In order to get Mr. Qin’s approval, we will do our best.”

Qin Yu didn’t say anything more and turned around to leave.

At this moment, Su Qian Stopped Qin Yu again.

“What’s the matter? Do you still have something to do?” Qin Yu asked.

Su Qian smiled faintly and said, “If I’m not wrong, you’re currently worrying about how to deal with the Jingdu Martial Arts Association because you can’t find a place to hide, right?”

“Yes.” Qin Yu nodded.

Su Qian continued, “I can give you a suggestion.”

Qin Yu stared at Su Qian, waiting for her to continue.

Su Qian said, “Move the entire sect and go to the Massacre Immortal sect.”

Qin Yu was stunned.

This was a good idea.

The gate of the Slaughter Immortal sect could not be opened at all. Moreover, the Jingdu Martial Arts Association was also quite afraid of the Slaughter Immortal sect. It was indeed a good place to hide.

However, Qin Yu quickly rejected this idea.

He shook his head and said, "First, the gate of the Slaughter Immortal sect has been closed. I Can't enter."

"Second, the immortal slaying sect is at the bottom of the sea. It's full of killing intent and danger. I can withstand it, but it doesn't mean that everyone can."

Su Qian smiled and said, "It's precisely because of this that you can take this opportunity to settle down."

"As for how to get in, I might be able to help you think of a way. Of course, that's after we work together."

Qin Yu sneered. He ignored Su Qian and turned around to leave.

The next day was the day Qin Yu and the Jingdu Martial Arts Association agreed on.

In the early morning, Qin Yu called Xia hang to probe for information.

Xia hang on the other end said in a deep voice, "The Jingdu Martial Arts Association's attitude is very resolute. They will definitely not let Yan Ruoxue go."

Qin Yu heard this and could not help but sneer, "Okay, then I'll give them a big gift."

After saying that, Qin Yu directly hung up the phone.

Although he had guessed that the Jingdu Martial Arts Association wouldn't agree, he still couldn't bear the anger in his heart at this moment.

"Then let's fight to the death," Qin Yu said coldly.

Then, Qin Yu turned around and walked toward the basement.

He raised his hand and grabbed the cage that was used to lock Qu Xie up and stuffed him into the car.

At the same time, he asked Big Fatty and er Zhuang to escort him personally to prevent Qu Xie from escaping.

"What are you doing!" Qu Xie couldn't help but feel terrified.

Qin Yu glanced at Qu Xie and sneered, "The JINGDU martial arts association has already given up on you. It's time for me to fulfill my promise."

Qu Xie's expression changed drastically! He said anxiously, "Qin Yu, don't be rash. I think we can talk!"

"There's nothing to talk about," Qin Yu said with a cold smile as he started the car.

Qu Xie was completely flustered. Facing death, no one was not afraid!

His mind spun crazily as if he was thinking of a countermeasure.

"Qin Yu, I know many secrets of the Jingdu Martial Arts Association! If you are willing to let me go, I can tell you everything!" Qu Xie roared crazily!

Hearing this, Qin Yu was somewhat interested.

As the president of the Jingdu Martial Arts Association for many years, Qu Xie naturally knew more about it than Xia hang.

Therefore, Qin Yu parked his car to the side and said with a smile, “I have to say, your words have moved me.”

Hearing this, Qu Xie immediately heaved a sigh of relief.

Then, qu Xie said, “What do you want to ask? As long as I know, I will tell you everything.”

Qin Yu looked at Qu Xie and said in a deep voice, “Who are the higher-ups behind you? What are their cultivation levels?”

Qu Xie shook his head and said, “I really don’t know. They have existed since I joined.”

“So, they have existed for many years? That is to say, they are not younger than you,” Qin Yu said in a deep voice.

Qu Xie quickly nodded and said, “That’s right. According to my judgment, these eight higher-ups have not changed in so many years.”

“If we are talking about cultivation, their cultivation is definitely above mine. It is very likely that they have already entered the martial Saint Realm.”

Qin Yu’s expression changed slightly.

The Jingdu martial arts association indeed had a martial saint.

“These people might be from the previous era,” Qu Xie continued.

Qin Yu was silent for a moment before he continued, “Is the Jingdu Martial Arts Association really holding a martial saint?”

“That’s right!” Qu Xie did not hide anything!

When Qin Yu heard this, he could not help but sneer. “The Jingdu Martial Arts Association is so powerful, why do you still bow down to Yan Sihai?”

Qu Xie smiled bitterly. “You said it yourself, I’m just a chess piece. Moreover, in this era, martial artists have long been forgotten.”

“Otherwise, do you think those eight high-ranking officials are willing to hide in the dark? I don’t think anyone is willing to hide in the dark for decades or even centuries.”

Qin Yu nodded silently.

This was the truth. Warriors were a small group after all. There might not be a single warrior among tens of thousands of people.

There was no other reason. It was only because warriors’ cultivation requirements were higher.

In the current era, there were very few cultivation resources, so they needed to rely on top-notch herbs to cultivate.

And every top-notch herb was expensive. It was not something that ordinary people could afford.

“There’s another problem,” Qin Yu continued.

“I remember that I don’t have any grudges with your Jingdu Martial Arts Association, but why do you want to kill me time and time again?” Qin Yu looked coldly at Qu Xie.

When this topic was brought up, Qu Xie couldn’t help but fall into silence.

He thought for a moment and said, “This is also an order from the higher-ups. It is said that... They are afraid that you will become a threat to the Association.”

“Bullsh * t. at that time, I was just a nobody and didn’t deserve the attention of the higher-ups,” Qin Yu snorted.

Qu xie nodded and said, “You are right. Not to mention the higher-ups, even I didn’t think highly of you at that time.”

“But I don’t know why, but the higher-ups are extremely cautious when dealing with you. It’s said that you’re a bit like a person from decades ago.”

Qin Yu frowned and said, “A person from decades ago?”

Qu xie grunted and said, “I heard that there was a big battle back then. That person killed dozens of martial saints from the Jingdu Martial Arts Association.”

“Killed dozens of martial saints?” Qin Yu could not help but suck in a breath of cold air.

Qu Xie said, “Yes, but that’s only a legend. I’ve never seen it with my own eyes.”

Qin Yu did not say a word, but his heart sank into deep thought.

Could it be... that person was Qin Yu's father?

Thinking of this, Qin Yu hurriedly looked at Qu Xie and asked anxiously, "What did that person look like? And what did he end up like?"

Chapter 697: Chapter 696, public execution of Xing Qu Xie!

Qu Xie just shook his head at this question.

"These are recorded in the files of the Jingdu Martial Arts Association. I've never seen them," Qu Xie said.

"Files..." Qin Yu frowned slightly.

He looked at Qu Xie and asked, "Are the files you mentioned in the Scripture Depository?"

"That's right." A hint of surprise flashed across Qu Xie's face.

Qin Yu touched his chin and said, "I think there should be a lot of things recorded in this scroll, right?"

At the mention of this topic, Qu Xie said proudly, "Of course! Almost everything that happens in the Martial World will be recorded in the scroll!"

Qin Yu thought to himself, "This scripture depository... I have to think of a way to go there."

"One last question." Qin Yu looked at Qu Xie.

Qu Xie nodded. "Go ahead."

Qin Yu rubbed his chin and smiled. “There should be a lot of places belonging to the Jingdu Martial Arts Association, Right?”

“Yes, as the Palace of the martial arts world, that’s natural.” Qu Xie felt inexplicably proud.

Qin Yu asked, “Then... which place has the most warriors?”

Qu Qu thought for a moment and said, “It’s the DAO discussion library.”

“Dao Discussion Library?” Qin Yu seemed to find the name unfamiliar.

Qu Qu nodded and said, “That’s right. The DAO discussion library is a public library set up by the Jingdu Martial Arts Association. Many warriors can come here to learn spells.”

This surprised Qin Yu.

He had never expected that the Jingdu martial arts association would make such public resources.

“The DAO discussion library... are you sure there are the most people here?” Qin Yu asked again.

Qu Xie snorted. “Of course. From great grandmasters to martial marquises, almost all of them have gone to the DAO Discussion Library!”

Qin Yu nodded silently and said, “Okay, I got it.”

After asking, Qu Xie looked up at Qin Yu and said, “You can let me go now, right?”

Qin Yu raised his eyebrows and sneered. “Let you go? When did I say that I would let you go?”

Qu Xie’s face changed. He said coldly, “Qin Yu, are you going to Break Your Trust?”

Qin Yu laughed. “Break My Trust? Why should I Break My Trust with someone like you?”

“Besides, if I let you go, it would go against the harsh words I said before. Isn’t it also disobeying my word?”

“You!” Qu Xie’s face changed drastically, and he was so angry that his face turned pale!

The internal Qi on his body quickly climbed up, and then he clenched his fist and threw it at the cage!

But at this moment, er Zhuang raised his big hand and easily pressed down on the cage.

All of Qu Qu’s Qi energy was easily dissolved.

“Do you know why I asked you which place has the most people?” Qin Yu raised his eyebrows.

Qu Qu’s expression changed. He seemed to have realized something.

“What... What do you want? !” Qu Qu said in a panic.

Qin Yu laughed. “You are the president. Of course, you deserve to be punished.”

After saying this, Qin Yu drove to the Dao discussion library.

Qu Xie's face was livid with anger. He said angrily, "Qin Yu, you are a despicable person who doesn't keep his word! I will definitely kill you!"

Qin Yu ignored Qu Xie's clamor.

He hummed a tune and rushed to the DAO discussion library.

...

The dao discussion library.

As the only welfare social resource of the Jingdu Martial Arts Association, the nature village here attracted countless martial artists.

Just as Qu Xie had said, almost everyone, from the Marquis to the Grandmaster, could be seen.

Even though the spells here weren't considered top-tier spells, for an unspecialized person, being able to learn spells was already a great opportunity.

The entire library was rather quiet. Everyone was holding books and silently learning spells.

At this moment, a series of noises came from the front of the library.

Looking Up, they saw a young man carrying a cage and walking forward.

In the cage was an old man.

Seeing this scene, everyone looked over in unison.

The librarian shouted, "Who are you? What do you want?!"

Qin Yu glanced at him and pointed at Qu Xie in the cage. “Don’t you know him?”

“How can I know such a beggar? !”The librarian snorted.

Hearing this, Qin Yu couldn’t help but burst into laughter.

“Get Out Now, or don’t blame me for being rude!”The librarian shouted.

At this moment, someone seemed to recognize Qin Yu.

“That person is Qin Yu!”

“The one in the cage... is Qu Xie, the president of Jingdu Martial Arts Association?”

“It’s true that Qu Xie was captured?”

Seeing this scene, many people took out their phones, wanting to take pictures of this scene.

Hearing this, the manager’s face changed drastically, and he hurriedly retreated.

For a moment, everyone looked in Qin Yu’s direction.

“TSK TSK, I really didn’t expect that the dignified president would actually be locked in a cage.”

“This Qu Xie looks a little pitiful.”

“Haha, he deserves it! When he imprisoned others, did he ever think of feeling it?”

“Qin Yu is really admirable. He can even lock up the president of the Jingdu Martial Arts Association.”

Faced with everyone’s gazes, Qu Xie’s expression was extremely unsightly.

He had been the center of attention since he was young. He was respected by all the martial artists, and his status was extraordinary.

But now, he was locked up in a cage and watched like a dog.

This huge difference made Qu Xie almost collapse.

“Qin Yu, let me out. I can agree to anything you want!” Qu Xie gritted his teeth and said.

Qin Yu looked at Qu Xie coldly and said, “Don’t blame me. If you want to blame someone, blame the higher-ups of Your Association. They were the ones who gave up on you.”

After saying that, Qin Yu looked at everyone.

He took a deep breath and said coldly, “I said that if the JINGDU martial arts association didn’t let Yan Ruoxue go, I would kill their President.”

“The time is up. I still haven’t seen Yan Ruoxue. According to the agreement, I want to execute Qu Xie publicly!”

“Qin Yu, how dare you! Release our president immediately!” Someone suddenly shouted in the library.

Qin Yu glanced at him coldly, then with a wave of his hand, he smashed his head into pieces!

“If anyone dares to talk nonsense again, I’ll kill them all,”Qin Yu said coldly.

The scene was instantly silent.

At this time, the old woman had already received the live broadcast.

“This Qin Yu...”the old woman gritted her teeth, her expression somewhat unsightly.

Her relationship with Qu Xie was extremely good. The two of them even had a relationship when they were young.

Now that she saw Qu Xie’s miserable state, how could she not be angry!

Hence, the old woman took out her phone and made a call.

“Go to the DAO theory library immediately and kill Qin Yu!”The old woman said coldly.

In addition to the old woman, all the big families also saw this video.

Chapter 698: Chapter 698, exposing the inside story!

“This Qin Yu... wants to kill Qu Xie?”Yan Sihai couldn’t help but be surprised when he saw the content of the video.

“Hehe, this is the efficiency of the Jingdu Martial Arts Association. It’s really laughable,”Han Xiu sneered.

He pushed the door open, turned his head, and rushed toward the DAO discussion library.

Other than Han Xiu, there were also several people rushing to the Dao discussion library.

Qin Yu stood above the Dao discussion library. He looked at Qu Qu, who was locked in a cage, and a trace of madness flashed across his face.

“Qin Yu, let me go!” Qu Qu’s face had a trace of fear.

At this moment, he didn’t care about his face anymore.

Qin Yu didn’t say anything. He stretched out his hand and took out the bronze sword.

The scarlet sword was in his hand, and traces of killing intent spread from the blade.

Qu Xie couldn’t help but tremble when he felt this killing intent.

“Qin Yu, if you let me go, I can withdraw from the Jingdu Martial Arts Association!” Qu Xie roared crazily.

“You know that I’m just a chess piece. I don’t have the final say in the Jingdu Martial Arts Association!”

“I’m just following the orders of the higher-ups behind me! Please spare me!”

As soon as he said that, there was an uproar!

“What? Qu Xie doesn’t have the final say in the Jingdu Martial Arts Association?”

“Who is the higher-ups Qu Xie is talking about? Even Qu Xie is just a chess piece?”

“Just what kind of secret is the Jingdu Martial Arts Association Hiding? What kind of role are the so-called high ranking officials behind this?”

At that moment, everyone was talking about this matter!

Qu Xie roared maniacally, “That’s right! I am just a chess piece. The Jingdu Martial Arts Association has eight high ranking officials behind it!”

“They control all the resources. They know that the fire country and even the entire world do not possess rich and fertile cultivation resources!”

Qu Xie seemed to have gone mad as he continued to shout out: “They have sealed off all the cultivation resources, making us deceive our superiors and our subordinates, to keep everyone in the Dark!”

“Even the leaders of the fire country are completely unaware of this!”

“If not for the JINGDU martial arts association’s blockade of the martial arts resources, everyone’s cultivation would not have been so difficult!”

Hearing those words, Qin Yu could not help but widen his eyes.

Qin Yu knew nothing about this information! Qu Xie had never told Qin Yu either!

“Is what you said true?” Qin Yu looked at Qu Xie and couldn’t help but frown.

Qu xie sneered, “Of course it’s true, it’s absolutely true!”

Qu Xie originally thought that the Jingdu martial arts association would send someone to save him, so he hid it in his heart.

Even when Qin Yu interrogated him, he didn't tell him about this.

But even now, no one from the Jingdu Martial Arts Association had saved him, and this had caused Qu Xie to be in complete despair!

He looked at everyone's camera lens and shouted: "Film me, come, I want to tell you all the truth!"

"The Jingdu Martial Arts Association has deceived the higher ups and the lower ups, deceiving the fire country many times, treating the public resources as their own, going against their original intentions!"

"They have used a special method to seal their Qi/spiritual energy, and as long as they discover it, it will definitely become their private resources!"

"Not only that, they also..."

"President Qu, what nonsense are you talking about?" At this moment, a figure suddenly appeared at the door.

At a glance, a man with a hooked nose appeared at the entrance of the Dao Lun Library.

This man had a short stature, white eyebrows, and a forehead full of wrinkles.

However, his internal Qi and spirit were extremely powerful, and his aura was incomparable after marriage. No one dared to ignore him!

Other than that, this man was holding a weapon that looked like a crossbow.

“President Qu, you can’t say such things blindly,”the aquiline nose said with a faint smile.

Qin Yu frowned and asked, “Who are you?”

The aquiline nose said with a faint smile, “I’m an old friend of President Qu. I’m here to save him.”

“Who is your friend? !”Qu Xie suddenly roared!

“This person’s name is Ao Zhan! He’s the mastermind of the Jingdu Martial Arts Association!”

“Not only that, Ao Zhan was also a criminal who committed heinous crimes! The Jingdu Martial Arts Association announced that they were going to execute him, but they turned him into one of their own!”Qu Xie roared crazily!

When he said this, everyone was shocked!

Qu Xie gritted his teeth and said, “This is the virtue of the Jingdu Martial Arts Association. On the surface, they are protecting the martial arts world, but in fact, they are all protecting their own interests!”

“Puchi!”

Just as Qu Xie was roaring crazily, a beam of light suddenly shot over!

Its speed was far faster than Qin Yu could imagine.

In almost an instant, it entered the space between Qu Xie’s eyebrows!

A blood-red flower suddenly bloomed between Qu Xie’s eyebrows!

“You are full of nonsense.”

Qin Yu glanced at Qu Qu in the dog cage. Qu Xie’s spiritual sense was directly blown away by his attack!

“What a vicious method,”Qin Yu said coldly.

Even Qin Yu wouldn’t kill Qu Xie’s spiritual sense like this!

“Ao Zhan? I remember now!”At this moment, someone seemed to recognize ao Zhan!

“Just as Qu Xie said, Ao Zhan is an unpardonable criminal! The Jingdu Martial Arts Association claimed that they had executed him!”

“Ao Zhan... Yes, that murderous maniac!”

“Not only did the Jingdu martial arts association not punish him, they even took him under their wing? ! Is this the so-called official of the martial arts world? !”

For a moment, everyone was cursing the Jingdu Martial Arts Association!

Qin Yu’s face couldn’t help but flash a trace of coldness.

He looked at Ao Zhan in front of him and couldn’t help but sneer, “It seems that as long as it is useful to the Jingdu martial arts association, no matter what crime you have committed, you can be spared from death.”

“But if it is useless, even if you are slightly disrespectful, you will be sentenced to death.”

“You still dare to claim that you are the official of the martial arts world? What a joke! Right or wrong, it is up to you to decide, isn’t it?”

Ao Zhan narrowed his eyes slightly.

He had never thought that Qu Qu would suddenly become ill at this time and reveal everything!

After all, the Jingdu Martial Arts Association didn’t allow outsiders to know about their relationship!

Ao Zhan took a deep breath. He put his hands behind his back and said indifferently, “Since you all know, then I can only kill all of you!”

Hearing this, everyone immediately turned pale with fright and fear!

Ao Zhan waved his hand and directly blocked the way, blocking the door!

“No one can escape today,”ao Zhan said coldly.

Qin Yu narrowed her eyes and said, “Do you think I’m afraid of You?”

Beside Qin Yu were the two masked women guardians, Big Fatty and Er Zhuang!

Although it was just a body, it was definitely not comparable to a marquis!

Ao Zhan played with the crossbow in his hand and sneered, “Killing you is just a matter of raising my hand.”

Chapter 699: Chapter 699, Han Xiu’ s arrival!

That crossbow was not simple.

The light that hit Qu Xie's glabella seemed to have come from this crossbow.

"That seems to be a magical artifact," Qin Yu narrowed his eyes and said in a low voice.

"No matter what he is, as long as Big Fatty and er Zhuang are still around, he can't do anything to me," Qin Yu said coldly.

"It's really lively."

At this moment, someone else joined the battle.

Turning around, he saw a man wearing a black sable coat.

This man had a burly figure and a full beard on his mouth. He looked extremely powerful.

"Han Xiu? The eldest young master of the Han family actually came personally!" Someone exclaimed!

Hearing this name, Qin Yu frowned.

Han Xiu? Han Meng's brother? He actually participated in this?

Two peak-stage martial marquis. This was practically the most powerful force Qin Yu had ever encountered.

Qin Yu took a deep breath.

This was no longer a matter of one person.

Because of Qin Yu's sudden appearance, everyone in the DAO theory library was implicated.

Ao Zhan wanted to kill everyone. He had achieved his goal of sealing the news!

Qin Yu looked around and found that the surrounding space had been sealed by AO Zhan through a secret technique.

Some people wanted to escape, but they were blocked by a barrier.

Ao zhan sneered, "Don't waste your energy. This space has been sealed. No one can escape."

"Before I kill all of you, even I can't get out,"ao Zhan said indifferently while playing with his crossbow.

Hearing this, everyone at the scene immediately panicked!

They all looked towards Qin Yu for help. Qin Yu in front of them had surprisingly become their savior.

Qin Yu frowned slightly. Without saying anything, he immediately controlled big fatty to clench his fist and Fly Up!

The huge fist instantly smashed towards the barrier on one side!

A terrifying power instantly poured out!

Under this punch, dense cracks instantly appeared on the barrier, and then it directly exploded!

The sound of crashing could be heard continuously, and the spatial barrier disappeared in an instant!

“Hurry up and leave!” Qin Yu swept his gaze towards the crowd and said coldly.

This group of people naturally wouldn't miss this opportunity, and they desperately tried to escape.

When Ao Zhan saw this, he couldn't help but frown.

“What a powerful force.” A trace of solemnity flashed across Ao Zhan's face.

Then, he held the crossbow in his hand and shot towards Big Fatty!

In an instant, a ray of light shot out from the crossbow!

This ray of light was formed from pure inner strength. Its power was extremely terrifying. Not only could it instantly shatter the body, but it could even wipe out the spiritual sense!

Big Fatty did not panic. He casually raised his hand and grabbed that light.

Then, he lightly exerted force with his hand and directly shattered this light!

“How is this possible!” Ao Zhan's expression immediately changed!

Han Xiu, who was at the side, lightly snorted and said, “It seems that your master did not tell you that those were two corpses from several years ago. When they were alive, their cultivation was unfathomable.”

Ao Zhan frowned and said in a low voice, “Corpses? Could it be the corpse of a martial saint?”

Han Xiu stretched lazily and said, "More or less."

After becoming a martial marquis, the gap between each stage would grow bigger and bigger! It was simply impossible to make up for!

Since ancient times until now, no one in history had ever been able to defeat a martial saint at the level of a martial marquis. In fact, no martial marquis had ever dared to provoke a martial saint!

"If it's a martial saint's body, it's really not easy to deal with." Ao Zhan frowned slightly.

In front of him, Qin Yu did not make a sound. His eyes narrowed slightly.

He sized up the two people in front of him and could not help but clench his fists.

"Big Fatty and ER Zhuang don't have much time left. I must kill these two people before this," Qin Yu said coldly.

Thinking of this, Qin Yu did not waste any more time.

He used his divine sense to urge big fatty and er Zhuang to walk towards ao Zhan!

However, at this moment, an accident happened!

Qin Yu only felt that the connection between him and the two corpses was getting weaker and weaker! It seemed like it was going to disappear at any time!

"Oh no!" Qin Yu thought to himself! It was actually time at this time!

The connection became weaker and weaker. Qin Yu almost couldn't feel the connection.

Qin Yu gritted his teeth. He tried his best to use his spiritual sense to maintain the connection with big fatty.

Under Qin Yu's efforts, Big Fatty and ER Zhuang didn't fall down directly.

"Phew." Qin Yu let out a sigh of relief.

With Big Fatty and ER Zhuang's current condition, it was probably impossible to rely on them to fight. They could only use other methods.

Qin Yu swept his gaze towards Ao Zhan and Han Xiu and said coldly, "Your guess is right. These are indeed two corpses."

"But the difference is that they are not martial saints, but mighty figures! They are even existences that have surpassed the mighty figures!"

Ao Zhan was stunned. A trace of panic could not help but flash across his face.

"The corpses of the mighty figures? How is this possible! The mighty figures have long ceased to exist!" Ao Zhan said coldly.

Qin Yu mocked, "Truly ignorant. If you don't believe me, go ahead and try to attack them!"

Ao Zhan's brows were tightly knitted together, and his eyes seemed to be somewhat conflicted.

Even though ao Zhan didn't believe that this was the corpse of a mighty figure, he still didn't dare to act Rashly!

What if it really was the body of a mighty figure? That was definitely not something he could fight against!

“I don’t believe it. So what if it’s the body of a mighty figure? The person controlling it is only a martial marquis!” Ao Zhan gritted his teeth and grabbed the crossbow in his hand!

The crossbow was brewing with a dazzling light, and the blazing temperature instantly exploded!

In the next second, the light on the crossbow shot towards Big Fatty!

Countless rays of light shot out from the crossbow like bullets!

For a moment, the crackling sound was incessant, and big fatty just stood there without moving an inch!

This light, which was enough to wipe out the divine sense of a marquis, didn’t even leave a white mark on big fatty’s body!

Ao Zhan’s expression immediately changed drastically! He subconsciously took two steps back, and layers of secret sweat appeared on his forehead!

“What a tough body. Even a martial saint would not be able to leave a white mark!” Ao Zhan said in terror.

“These two bodies... I’m afraid they really are in the Almighty Realm!”

Ao Zhan was extremely flustered, and even had the intention to retreat.

Seeing this, Qin Yu also let out a slight sigh of relief in his heart.

As long as he could deceive this idiot, he would be able to think of a way to escape.

“What’s there to be afraid of? So what if they have the body of an Almighty?”

At this moment, Han Xiu, who was at the side, couldn’t help but laugh.

Ao zhan frowned and said, “Han Xiu, you should know better than me what this body of an almighty means!”

Han Xiu snorted lightly and said, “No wonder those merchants don’t like martial artists like you. Their brains don’t seem to be very bright.”

“So what if it’s a body of a mighty being? This Qin Yu obviously lost his ability to control it. Otherwise, why would he stand here and talk nonsense with us? Wouldn’t it be more convenient to directly control his body and slap us to death?”

Chapter 700: Chapter 700. Weapons were also a part of one’s strength

Han Xiu was not a simple warrior. He also controlled a large part of the Han family’s business.

This also caused his thinking to be much stronger than ordinary warriors. He would not be so easily deceived.

“Qin Yu, there’s no need to put on airs.” Han Xiu rubbed his fist.

He sneered and said, “These two mighty bodies, I won’t be polite. I believe that in my hands, they can display greater power.”

Hearing this, Qin Yu's expression instantly changed!

These two corpses must not be lost, or it would definitely bring trouble!

Thus, without thinking, Qin Yu directly put these two bodies back into the spatial artifact.

“Hahahaha! Did you see that?” Han Xiu said with a face full of ridicule.

Ao Zhan also came to a realization. He narrowed his eyes and said coldly, “Little Bastard, I almost fell for your trick!”

Qin Yu's expression was somewhat ugly.

Han Xiu, this bastard, was actually setting him up!

Without the aid of Big Fatty and ER Zhuang, Qin Yu could only fight Ao Zhan and Han Xiu alone.

They were both at the peak of the Martial Marquis realm, and their strength was far above Qin Yu's. They were on par with the couple from the Han Palace!

“Qin Yu, you killed the president of the Jingdu Martial Arts Association. You have to take responsibility for this.” Ao Zhan waved the crossbow in his hand.

This crossbow was extremely strange. He could turn a large amount of inner strength into an extremely fierce attack power! And it could magnify its strength to the extreme!

At this moment, ao Zhan was operating the crossbow in his hand, and it was emitting rays of light.

It seemed as if there were countless rays of Qi energy brewing on the crossbow.

“Whoosh! Whoosh! Whoosh!”

As Ao Zhan clenched his hand, the Rays of light on the crossbow immediately burst out and rushed towards Qin Yu at an extremely fast speed!

Qin Yu did not Dodge or Dodge. After he shouted, he clenched his fist and faced it head-on!

The reason was none other than Qin Yu wanted to know how big the gap was between him and the peak of the Martial Marquis Realm!

“Crack!”

The three rays of light went towards the Golden Light from Qin Yu’s body!

The terrifying power of the crossbow pierced through Qin Yu’s golden light and Shattered Qin Yu’s fist!

Blood and broken bones flowed down his wrist.

Qin Yu looked down at his fist and sneered, “This crossbow is really not simple...”

Ao Zhan, who was not far away, frowned.

These three lights only shattered Qin Yu’s palm?

Under normal circumstances, no one could rely on their physical body to withstand this crossbow!

“This kid’s physical body really lives up to its reputation.” Han Xiu’s eyes were filled with a strong fighting spirit, and the internal Qi on his body was also bursting out!

They were both Marquis Wu, but their attacking methods were vastly different.

Han Xiu’s huge fist flickered with a strange light, and an extremely strong pressure rushed towards him! !

This pressure was far above that of Ao Zhan!

A trace of solemnity appeared on Qin Yu’s face, but more of it was boundless battle intent, and even a trace of excitement!

“Brat, let me test this body of yours!” Following Han Xiu’s furious roar, the ground beneath his feet instantly exploded!

And Han Xiu’s body shot towards Qin Yu like a cannonball!

The terrifying wind tore apart the dao discussion library! Before the fist arrived, the wind cut the air in half like a knife!

Qin Yu’s pupils constricted. He clenched his fists, and Golden Light appeared. A destructive power gathered on his fists!

“Absolute beginning Sacred Fist!”

With Qin Yu’s furious roar, the two fists finally collided!

Waves of air spread out in all directions with the two of them as the center!

In just a short moment, Han Xiu actually took two steps back!

On the other hand, although Qin Yu's fist was in pain from the shock, his body stood erect like a thousand-year-old pine!

Han Xiu looked at Qin Yu in surprise, and a trace of intense interest appeared in his eyes.

"What a tough body. I'm afraid no one below the martial saint level can compare to this body." Han Xiu praised from the bottom of his heart.

"No wonder my nephew lost to you. Your ability is indeed far above his."

Qin Yu narrowed his eyes and said, "Thank you for your praise, Mr. Han. I know very well in my heart that this is not your true strength."

"Hahaha!" Han Xiu could not help but burst into laughter.

"That's right! The physical body is only a part of your strength. It can't represent everything."

At this point, Han Xiu paused for a moment. Then, he narrowed his eyes and said, "But if I let you take another step forward, I might not be your opponent..."

In a fight between experts, one move was enough to test each other's strength!

"Let me do it." Ao Zhan took the initiative to take a step forward.

He held the crossbow in his hand, and there was a hint of contempt on his face.

Han Xiu's high evaluation of Qin Yu clearly made Ao Zhan feel a hint of displeasure.

He was only at the early stage of the Martial Marquis Realm, how could he deserve such high praise ?

Ao Zhan held the crossbow in his hand, emitting a terrifying radiance.

Qin Yu said coldly, “Ao Zhan, although you are at the peak of the Martial Marquis Realm, all of your strength depends on this crossbow, right ?”

Ao Zhan did not hide it. He smiled faintly and said, “Yes, weapons are also a part of strength.”

Qin Yu said coldly, “Do you dare to put down this crossbow and fight with me ?”

“Hahahaha! You’re Dreaming! I’ve said that weapons are also a part of strength!”Ao Zhan laughed coldly.

Seeing this, Qin Yu did not say anything more.

He nodded slightly and said, “Ao Zhan, although the crossbow in your hand is made of natural treasures and your technique is extremely high-end, but... This isn’t a martial saint’s weapon, right ?”

Ao zhan sneered and said, “It’s obvious that you don’t know about weapons.”

“The true level of a weapon is the sky, earth, black, and yellow! The weapon in my hand is an earth grade weapon!”

“As for the martial saint’s weapon that you mentioned, it’s just a spiritual weapon refined by the martial saint and can activate a wisp of the martial saint’s Internal Qi.”

“If it doesn’t have the martial saint’s internal Qi, then the martial saint’s weapon isn’t worth mentioning. It doesn’t have the qualifications to be compared to my crossbow!”

Looking at Ao Zhan’s proud look, Qin Yu nodded and said, “I understand the logic. So... Your crossbow did not pass through the hands of a martial saint, right?”

Ao Zhan said with a cold face, “When I become a martial saint, he will naturally become a martial saint weapon. Moreover, it will be a top-notch martial saint weapon!”

“So, what you have is not a martial saint weapon.” Qin Yu said with a smile.

Ao Zhan said with some anger, “So what if I am? So what if I am not? As long as I can kill you!”

Qin Yu nodded silently and said, “I agree with what you said. A weapon is also a part of one’s strength.”

Before he had finished speaking, Qin Yu took out the Prajna ruler.

A wisp of martial saint’s internal Qi spread out.

Rays of light were even brewing on the Prajna ruler’s body!

“Prajna ruler? Why Is it on your body? !” Ao Zhan’s expression changed drastically!

Chapter 701: Chapter 701, the power of the martial saint weapon

“You actually know the Prajna Ruler?” Qin Yu shook the ruler in his hand and said in surprise.

Han Xiu could not help but frown.

The martial saint weapon was the most important item. It was extremely important even to the major aristocratic families.

Usually, the martial saint weapon would not be taken out of the house. It would not be used unless it was a critical moment!

However, no one had expected that Qin Yu had a weapon of a martial saint on him!

“Come, let me see that broken crossbow of yours,” Qin Yu said with a smile.

Ao Zhan’s expression was extremely unsightly. He did not even have the intention to attack.

“Isn’t that crossbow some Earth grade weapon? Why did you hide it?” Qin Yu asked cheekily.

Ao Zhan said coldly, “The Prajna ruler belongs to the Jingdu Martial Arts Association, you...”

“It’s mine now.” Qin Yu grabbed the prajna ruler in his hand and casually waved it forward!

A terrifying martial saint’s internal Qi instantly rippled out!

Ao Zhan’s expression changed drastically! He hurriedly activated the crossbow and exploded with light to fight against it!

However, in front of the martial saint's weapon, his crossbow could not withstand a single blow!

All the light disappeared in an instant, and the martial saint's internal Qi swept out!

“Pu!”

After suffering this blow, Ao Zhan immediately spat out a mouthful of blood!

A huge crack appeared on his waist and abdomen, and blood was flowing out from it!

Qin Yu sneered, “It seems that your broken crossbow has failed.”

Ao Zhan stood up from the ground with difficulty.

He took a deep breath and said coldly, “Qin Yu, you're lucky today. If you have the ability, you can always carry the prajna-ruler with you!”

After saying this, AO Zhan ran away!

He was extremely fast and disappeared without a trace in the blink of an eye.

Qin Yu played with the prajna-ruler and turned to look at Han Xiu.

“Mr. Han, what about you?” Qin Yu raised his eyebrows and asked.

As an important figure on par with Yan Sihai, Han Xiu naturally would not show any signs of panic.

Han Xiu spread his hands and said, “Since you have the martial saint’s weapon, of course I won’t be unlucky. However, a martial saint’s weapon doesn’t mean anything.”

Qin Yu laughed coldly and said, “This martial saint’s weapon can at least guarantee that you won’t dare to attack US Rashly.”

Han Xiu sneered and said, “Qin Yu, only your own strength is real.”

After saying this, Han Xiu was ready to leave.

After taking two steps, Han Xiu stopped again.

“Oh, I forgot to remind you. The martial saint weapon has a number of uses. Each time it is used, the martial saint’s internal Qi will weaken a little until it completely disappears,” Han Xiu said indifferently.

“The Prajna ruler in your hand... I remember that it can be used at most three times, right? Oh, no, you just used it once. There should only be two times left.”

After he finished speaking, Han Xiu turned around and left the DAO discussion library.

However, Qin Yu’s expression could not help but change drastically. He was so anxious that he bared his teeth.

“Damn it, why didn’t you say so earlier!” Qin Yu’s face was filled with heartache!

If he had known earlier, he would not have used that attack just now!

“No wonder they don’t use the martial saint weapon so easily. It turns out that every time they use it, they use it less,” Qin Yu muttered.

In this way, in order to get rid of him, the Jingdu martial arts association had really put in a lot of capital.

Qin Yu didn't stay any longer and immediately left the DAO discussion library.

...

This matter quickly caused a huge uproar!

A hole was torn in the ugly face of the Jingdu Martial Arts Association!

For a moment, the video spread and even penetrated into the lives of ordinary people.

Qu Xie's words swept through the entire martial arts world!

"The Jingdu Martial Arts Association actually controls all the resources!"

"On the surface, they help us ordinary warriors, but in reality, they're just trying to swindle our identities and control our resources!"

"This isn't fair. Just how many resources have the JINGDU martial arts association blocked that should belong to us? !"

Looking at the news on the Internet, even the higher-ups of the Jingdu martial arts association couldn't sit still.

"Something's going to happen." A cold voice came from the dark.

"We have to handle this properly, or we will be in big trouble!"

"Qu Xie is dead, someone new has to replace him."

“Qu Xie exposed the existence of the eight of us. It’s time for us to disappear for a while.”

The figures of the eight slowly sank into the darkness.

At the same time, Xia Hang received the appointment letter and became the new president!

Not only did Xia hang become the new president, his authority was even higher than QU Scorpion’s!

There was no other reason other than the fact that the eight higher-ups wanted to stay out of the limelight for the time being.

As the matter continued to ferment, this mess naturally fell on Xia Hang’s head.

“The higher-ups will definitely question this matter.”Xia hang could not help but have a worried expression.

The higher-ups did not give an accurate instruction on this matter, which also made Xia Hang not know how to deal with it.

At this moment, the phone in Xia Hang’s office rang.

As soon as the call was connected, an extremely dignified voice was heard.

“Your Jingdu Martial Arts Association is really bold! Who gave you the right to forcefully seal off resources ? !”

Xia hang did not dare to say anything. He could only smile and apologize continuously.

“The documents you submitted are all fake!”The big secret on the other end flew into a rage!

The Jingdu Martial Arts Association had to report their work to the higher-ups every year, including the summary of the current resources.

But all these years, the resources reported by the Jingdu Martial Arts Association were all fake.

What they reported was less than 1% of the true situation.

“This was all done by Qu Xie. I... I just took office,”Xia Hang said with a bitter smile.

The Big Secretary on the other end said coldly, “Don’t play dumb with me! Xia Hang, I don’t believe that you don’t know anything!”

Xia hang opened his mouth and was immediately speechless.

The Big Secretary was silent for a moment and then continued, “Also, where are those higher-ups? I want to see them.”

This immediately made Xia hang in a difficult position.

Because he did not know where these higher-ups were.

“I really don’t know. I don’t know whether Qu Xie’s words are true or not.”Xia hang smiled bitterly.

The big secret did not intend to make things difficult for Xia Hang.

He was silent for a moment and said, “You’d better come up with a concrete plan. Otherwise, don’t blame me for being impolite!”

Xia hang quickly agreed, “Don’t worry, I Promise!”

After hanging up the phone, Xia hang could not help but lean on the sofa and let out a long sigh.

On the other side.

After Qin Yu returned to the Jade Moon Villa, he planned to bring Little Yu to the immortal slaying sect.

The coffin was unearthed in the immortal slaying sect. Little Yu might be able to obtain something.

But to enter the immortal slaying sect, he would probably need an array platform. The current Qin Yu didn’t have any information on the array platform.

Even if he were to search through the inherited memories, it would probably take some time.

...

That evening.

Qin Yu strolled around the Green Moon Villa as usual.

At this moment, Su Qian’s voice suddenly sounded from behind Qin Yu.

“Mr.. Qin, we have already found out what you wanted us to investigate,” Su Qian said indifferently.

Chapter 702: Chapter 702, The Legend of the mystic realm

Hearing Su Qian's words, Qin Yu quickly turned around.

"Where is she?" Qin Yu's tone was somewhat anxious.

Su Qian smiled faintly and said, "This doesn't seem like a place to talk, right?"

Qin Yu frowned. Although he was anxious, he still brought Su Qian to a coffee shop.

After ordering two cups of coffee, Qin Yu said impatiently, "You can tell me now, right?"

Su Qian took a sip of coffee and said in a deep voice, "According to our information, Miss Yan is still in the Jingdu Martial Arts Association."

"Impossible." Qin Yu shook his head.

"I went to the Jingdu Martial Arts Association and released my spiritual sense to look for Yan Ruoxue, but I didn't find her," Qin Yu said coldly.

Su Qian wasn't in a hurry. She smiled and said, "Mr. Qin, have you ever thought that the Jingdu martial arts association might have a small world, which is also a secret realm?"

"A Small World?" Qin Yu was instantly stunned.

To Qin Yu, this was a completely new concept. He had never heard of it before.

Su Qian explained, "Yes, it's said that the Almighty realm can create a small world by itself. It's also called a secret realm."

“Human history has a long history. There are naturally many small mystic realms in the world.”

“And I can tell you that the real resources are sealed in the Mystic Realm!”

“This secret is almost impossible to keep. The higher-ups have already sent people to investigate this matter.”

Qin Yu could not help but widen his eyes.

This completely overturned Qin Yu’s understanding.

Before this, Qin Yu had never even considered this question! Because this sounded too unbelievable!

“Are you kidding me?” Qin Yu said with narrowed eyes.

“What you said is really hard to believe. What mystic realm, what Small World, it’s simply hard to believe.”

Su Qian seemed to have guessed Qin Yu’s attitude long ago, so she was not surprised. Instead, she smiled and said, “You don’t believe it?”

“Of course I don’t believe you,” Qin Yu said with a cold smile.

Su Qian said indifferently, “I can only tell you that the Hong Yi sect controls a secret realm in the country, and that place is also our base in the country.”

Qin Yu’s pupils suddenly constricted! He stood up and said, “Is what you said true?”

“If Mr. Qin doesn’t believe me, you can follow me to take a look. It’s clear at a glance whether it’s true or not,” Su Qian said indifferently while shaking the coffee in his hand.

Qin Yu’s frown instantly tightened.

Su Qian didn’t look like he was lying, but his words were really hard to believe.

Moreover, the enmity between Qin Yu and the Hong family was not a day or two. Qin Yu was really worried about following Su Qian rashly.

“Let me think about it.” After thinking for a while, Qin Yu looked at Su Qian.

Su Qian smiled and said, “Of course. Mr. Qin, we are very sincere to you.”

Qin Yu didn’t say much about it. He said goodbye to Su Qian and left the cafe.

...

Qin Yu humiliated Qu Xie in public and even let him die tragically in the DAO theory library.

This news had spread throughout the entire martial arts world.

Everyone was waiting and waiting for the Jingdu Martial Arts Association’s Revenge.

But what was surprising was that the JINGDU martial arts association did not take any action.

The reason was none other than Qu Xie's words, which caused the eight higher-ups to not dare to act in a high-profile manner.

This also gave Qin Yu a chance to catch his breath.

At night.

Qin Yu took out his cell phone and called Xia Hang.

After the call was connected, Xia hang took the lead and said, "I just have something to tell you."

Qin Yu grunted and signaled Xia hang to continue.

Xia hang said, "I am now the president of the Jingdu Martial Arts Association."

"Then congratulations," Qin Yu said lightly.

Xia hang continued, "The information released by Qu Xie has already attracted the attention of the higher-ups. The Big Secretary personally gave me an order to come up with a suitable plan."

Qin Yu smiled. "So?"

Xia Hang said in a deep voice, "I plan to make use of the Jingdu Martial Arts Academy once again and release a portion of the resources controlled by the Jingdu Martial Arts Association."

Qin Yu's expression did not look too good when the Jingdu Martial Arts Academy was mentioned.

Xia hang seemed to have guessed something on the other end. He hurriedly explained, "Qin Yu, don't worry. The martial arts academy this time has nothing to do with Miss Yan."

"At the same time, the Jingdu Martial Arts Association isn't in the mood to target you anymore. In this period of time, I'm afraid they will have to keep a low profile for a while."

Qin Yu took a deep breath and said, "Continue."

Xia Hang said in a deep voice, "Previously, the Jingdu Martial Arts Academy had a list. On this list were all the young masters of the various aristocratic families. However, because of you, the academy wasn't able to launch it."

"Now, I plan to let this batch of people become the first batch of students. I'll treat it as an experiment. If it's possible, I'll openly recruit students."

Qin Yu was silent for a moment and said, "Do as you wish."

"Okay." Xia hang agreed.

Then, Xia hang asked, "Why are you looking for me?"

Qin Yu took a deep breath and said in a deep voice, "Let me ask you, does the Jingdu Martial Arts Association control the so-called secret realm?"

Xia hang said in surprise, "How do you know?"

"It's actually true." Qin Yu frowned.

"Where are those secret realms?" Qin Yu continued to ask.

Xia hang shook his head and said, “I don’t know either. The Secret Realms should be distributed in every corner of the world.”

“Right, the secret realms are also one of the resources of the Jingdu Martial Arts Association.”

Seeing this, Qin Yu said coldly over the phone, “Xia Hang, help me check if there are any secret realms near the Jingdu Martial Arts Association and how to open this secret realm.”

Xia hang was stunned and frowned. “Qin Yu, what do you want to Do?”

“No need to ask. Just do as I say,”Qin Yu said.

After hanging up the phone, Qin Yu couldn’t help but frown.

What Su Qian said was actually true.

It seemed that this Hong Yi sect was really not simple...

In the next few days, Qin Yu also had a rare moment of leisure.

Ever since Xie Qu’s death, everything seemed to have calmed down a lot. Even the various aristocratic families had become rather low-key.

These few days, Qin Yu didn’t leave the Green Moon Villa.

He struggled for a long time, but in the end, he still took out his phone and dialed Su Qian’s number.

After the call was connected, Su Qian smiled and said, “Mr. Qin, have you thought it through?”

Qin Yu said in a deep voice, “I want to see the so-called mystical realm of your Hong family.”

“Of course, you’re welcome anytime,” Su Qian said with a faint smile.

“See you at Qingcheng Airport Tomorrow Morning.”

After saying this, Su Qian directly hung up the phone.

Su Qian said that the mystical realm was the real precious resource, and what exactly was in it.

This could not help but make Qin Yu look forward to it.

Chapter 703: Chapter 703, the secret of the secret realm!

Originally, Qin Yu had planned to bring little fish to Qing city, but he was afraid that the people of the Hong family would notice the oddity on Little Fish, so Qin Yu could only give up.

The next day.

Qin Yu rushed to Qing city early in the morning.

Qing city was a relatively marginalized city.

It was said that this city used to be very glorious, but it gradually declined without any signs.

The local government thought of many ways, whether it was to attract investment or to invite Feng Shui Masters, they were all ineffective.

Many businessmen who came to invest ended up losing everything.

Because of this reason, Qing city received another name, the cursed city.

Qin Yu sat at the airport, his eyes scanning the surroundings.

The airport was huge, but there were very few people, which was very different from the size of the airport.

Qin Yu frowned. He released his spiritual sense, trying to sense something, but he couldn't.

“Strange.” Qin Yu touched his chin.

There was nothing unusual about this city. There was no special yin qi, but it couldn't be developed.

“Could it be... because of the mystic realm?” Qin Yu thought to himself.

At this moment, Su Qian patted Qin Yu's shoulder.

“Mr. Qin, what are you thinking about?” Su Qian asked with a smile.

Qin Yu did not hide anything. He said in a deep voice, “Qing city is called the cursed city because of that secret realm?”

Su Qian heard this and could not help but shake his head. “You're wrong.”

“Do you know why the secret realm is the most well-preserved cultivation resource? It's because the location of the secret realm does not produce any special phenomena.”

“It's also because of this reason that the mystic realm is rarely explored.”

Hearing this, Qin Yu said with some confusion, “Then how did you find it? And how did the Jingdu Martial Arts Association find it?”

Su Qian curled his lips and said, “I’m not sure either. After all, I’m just a part-time worker.”

Seeing this, Qin Yu didn’t say anything more.

He followed Su Qian to get a car and left the airport.

The car sped all the way and finally arrived at an ancient street.

This street was quite similar to the Snack Street. There were restaurants, teahouses, and all kinds of snacks on both sides.

Su Qian brought Qin Yu to a small teahouse and sat down. Then, she ordered a pot of tea.

Qin Yu looked at the surrounding environment and said, “Teahouses... are really rare to see.”

Su Qian smiled and said, “How is it? Isn’t this place a little out of place with other places?”

Qin Yu nodded silently.

In the entire Qing city, there were very few tall buildings.

In the 21st century, this was a rare sight.

“Wait a moment. Someone will come to pick us up later,” Su Qian said.

Qin Yu grunted in gratitude. He picked up the Teacup and took a sip, but a trace of surprise flashed in his eyes.

“There’s... a trace of Qi/spiritual energy in this tea?”Qin Yu couldn’t help but widen his eyes.

He hurriedly picked up the teacup and poured it into his mouth again.

As expected! There was indeed a trace of Qi/spiritual energy in this tea. Although it wasn’t dense, he could clearly feel it!

“Su Qian, where did this tea leaf come from?”Qin Yu asked with a frown.

Su Qian said, “I’m not sure either. What’s Wrong?”

Qin Yu shook his head and said, “Nothing.”

This made Qin Yu even more interested in this so-called secret realm.

Even the small teahouse on the street had Qi/spiritual energy. What kind of God was this secret realm? And what kind of treasure did it have?

“Let’s go somewhere else to have a look,”Qin Yu stood up and said.

Then, he turned around and walked out of the teahouse, wandering around the small street.

Along the way, Qin Yu was more and more surprised!

All the snacks on this small street had a trace of extremely weak qi/spiritual energy!

“It seems that it’s not the tea leaves, but the problem of this street.”Qin Yu frowned.

He looked at Su Qian and said, “Do you feel that whether it’s the food or the drinks here, they are all a bit strange?”

Su Qian lowered his head and ate a mouthful of candied haws. He shook his head and said, “No...”

“Really?” Qin Yu said in surprise.

“Really? How could I Lie to You?” Su Qian said helplessly.

“That’s really strange.” Qin Yu frowned slightly.

Su Qian was a martial marquis!

With the acuity of a martial marquis, he would definitely be able to discover the Qi/spiritual energy contained in it!

Could it be that... There’s something strange about this Qi/spiritual energy? Qin Yu thought to himself.

Thinking of this, Qin Yu released his internal Qi. In an instant, almost every pore felt the surrounding Qi/spiritual energy.

He tried to use his body to absorb the Qi/spiritual energy here, but the flow of this Qi/spiritual energy was extremely slow.

“HMM?”

At this moment, Qin Yu suddenly discovered something!

He could feel the density of the Qi/spiritual energy, and through the density of the Qi/spiritual energy, a channel of Qi/spiritual energy that looked like a “Path” appeared in Qin Yu’s heart!

In other words, through his perception of the Qi/spiritual energy, Qin Yu could clearly see the density of the Qi/spiritual energy around him.

The density of the Qi/spiritual energy was like a road sign and a path!

Qin Yu narrowed his eyes and said in a low voice, "Is this the phenomenon of the mystic realm?"

As long as it was different from the surroundings, there would definitely be a phenomenon! The mystic realm was no exception!

And the reason why Su Qian said that the mystic realm would not produce any phenomenon was probably because they did not have this ability!

"According to the direction of this Qi/spiritual energy, the place in front is the densest. That mystic realm might be there," Qin Yu narrowed his eyes and said in a low voice.

Thinking of this, Qin Yu lifted his foot and walked in that direction.

He couldn't wait to prove his method.

At this moment, a figure suddenly shot out from the second floor and blocked Qin Yu's path!

This person was eight feet tall and had a strong build. There was an unspeakable malevolence on his face.

A strong killing intent burst out from his body, and this killing intent directly blocked the connection between Qin Yu and the aura of the mystic realm.

“Who are you?” This made Qin Yu very angry. He couldn’t help but look at this person with a sullen face.

This person crossed his arms over his chest and said coldly, “You must be Qin Yu. I’ve heard of you for a long time.”

“Heard of me for what? Are you sick?” Qin Yu said impatiently.

“Get lost quickly, or don’t blame me for being rude!”

The man sneered. “Many people boast that you are the number one person of the younger generation. I, Hu Feng of Qing city, am not convinced!”

“Hu Feng? The son of sect leader Hu?” It seemed that someone had heard of this name.

“Hu Feng?” Su Qian frowned slightly at the side.

Qin Yu glanced at her and said, “You know him?”

Su Qian said, “I don’t know him, but I have heard of sect leader Hu’s name.. There is a legend that the reason Qing City declined was because sect leader Hu stole the fortunes of Qing city.”

Chapter 704: Chapter 704, seizing the fortunes

“Seizing the fortunes of a city?” Qin Yu couldn’t help but be surprised.

Qin Yu had heard of this technique before.

It was said that some extraordinary people could forcibly seize the fortunes of others and achieve the goal of changing fate.

However, Qin Yu had never heard of someone like sect leader Hu who forcibly seized the fortunes of the entire city!

“Are you guys done chatting?” At this moment, Hu Feng stood not far away and said coldly.

Qin Yu glanced at Hu Feng and said, “You should take me to see your father. You are not my match.”

Hu Feng’s pupils constricted and he shouted, “Bullshit! I, Hu Feng, am the number one person in Qing city! You, Qin Yu, are just an empty title!”

Qin Yu could not help but laugh. “Hu Feng, you should go out and take a walk. If you keep hiding in Qing city, it will be easy for your eyes to be limited.”

Hu Feng’s strength wasn’t weak. He had already stepped into the realm of a martial marquis.

However, such strength was no longer worth mentioning in front of the current Qin Yu.

“What arrogant words. Let’s see how you’ll say those words after I kill you!” Hu Feng shouted loudly. The internal Qi on his body suddenly exploded!

Following that, two round plates of material energy appeared on Hu Feng’s hands!

“Go to hell!” Hu Feng roared and pushed his hands forward!

A terrifying internal Qi rushed towards Qin Yu’s neck in an instant!

“What a vicious technique.”Qin Yu’s expression turned cold!

This Hu Feng actually tried to behead Qin Yu!

The two large plates slashed towards Qin Yu

At this moment, Qin Yu waved his hand and the golden palm sent the two large plates flying!

Hu Feng’s expression changed. Before he could react, Qin Yu was already in front of him!

“Bang!”

Qin Yu raised his palm and a terrifying force slammed onto Hu Feng’s shoulder!

Under this huge force, Hu Feng fell to his knees! Both his knees were instantly shattered!

“Ah! ! !”Hu Feng immediately cried out in pain!

He tried to struggle, but found that he could not break free at all!

The surrounding onlookers were even more shocked!

This Hu Feng was actually restrained with just a raise of his hand? What kind of strength was this?

Qin Yu looked at Hu Feng coldly and said, “I have no enmity with you, and you actually want to take my life?”

Hu Feng gritted his teeth and said, “You better let me go, or my father will not spare you!”

Qin Yu couldn't help but sneer when he heard that, "Hu Feng, I'll spare your life for the sake of your young age. I'll only break your legs as a lesson."

After saying that, Qin Yu raised his finger, and two streams of Qi directly shattered Hu Feng's thigh!

"Ah! ! !"

Another wave of painful wails! Fresh blood instantly filled the air!

Qin Yu said coldly, "Get lost."

Although Hu Feng felt indignant, he did not dare to say anything. He climbed up with difficulty.

Qin Yu did not really take this matter to heart. To Marquis Wu, healing his legs was not a problem at all.

"Mr. Qin, sect leader Hu is not someone to be trifled with," Su Qian reminded.

Qin Yu smiled and said, "I'm not even afraid of the Jingdu Martial Arts Association. Do you think I'm afraid of sect leader Hu?"

"That's true." Su Qian seemed to be deep in thought.

"However, I'm quite interested in sect leader Hu. If he can really seize the fortunes of a city, I really want to meet him," Qin Yu said faintly.

Su Qian waved his hand and smiled. "This might just be a legend. If he really had this ability, he wouldn't have stayed in Qing city."

Qin Yu didn't say anything more. He brought Su Qian and continued to follow the guidance of the Qi/spiritual energy as they walked forward.

After walking for hundreds of meters, the "Connection" became stronger.

Soon, Qin Yu stopped in an empty space.

He looked around and frowned. "Normally, it should be around here."

Then, Qin Yu looked around.

The surroundings were quite empty, and there was nothing unusual.

But that strong feeling could not be erased.

"Strange, it should be here," Qin Yu said in a low voice while stroking his chin.

Su Qian, who was beside him, was already shocked.

"What's Wrong?" Qin Yu asked.

Su Qian shook his head and said, "Nothing."

As soon as he said that, the space in front of Qin Yu suddenly rippled like water!

A moment later, a ray of light actually appeared in this space!

After the light faded, a man in brocade clothes walked out from inside.

"It really is here!" Seeing this, Qin Yu was instantly overjoyed!

In other words, Qin Yu's feeling was not wrong! This was the entrance to the mystic realm!

"Su Qian, you brought him here?" The man in Brocade clothes said coldly.

Su Qian quickly shook his head and said, "Brother Song, he came here by himself."

The Man Called Brother Song couldn't help but sneer and say, "He came here by himself? Su Qian, when did you learn to lie?"

Su Qian was about to explain, but Brother Song ignored Su Qian.

He looked at Qin Yu and said with a faint smile, "Qin Yu, you have made our Hong family lose a lot of people."

Qin Yu sensed the hostility from Brother Song, so he didn't stand on ceremony.

He said with a smile, "Then you can only blame the people you sent here for being too useless."

Brother Song's pupils suddenly shrank and he said coldly, "You're really as arrogant as the legends say!"

A trace of displeasure flashed across Qin Yu's face, and his eyes narrowed slightly.

He looked at Su Qian and said, "Is this the attitude of your Hong Yi sect when inviting people? If that's the case, I think it's better to forget about it."

After saying this, Qin Yu turned around and left.

Su Qian hurriedly tried to smooth things over. “Mr. Qin, Brother Song didn’t mean anything by it. He just...”

“There’s no need to say more,” Qin Yu interrupted Su Qian.

“Remember, it was your Hong Yi sect who invited me, not me who begged your Hong Yi sect.”

After that, Qin Yu ignored Su Qian and turned around to leave.

Brother Song gritted his teeth, snorted coldly, and turned around to leave.

After Su Qian struggled for a long time, he finally caught up with Qin Yu.

“Mr. Qin, don’t misunderstand. He can’t represent the Hong Yi sect,” Su Qian said with a sigh.

Qin Yu glanced at him but didn’t say anything.

“Mr. Qin, don’t be angry. Our leader will definitely send someone else to see you,” Su Qian continued.

Qin Yu wasn’t too interested in this.

He stared at Su Qian and said, “Do you know how to open the Mystic Realm?”

Since Qin Yu already knew how to find the mystic realm, as long as he knew how to open it, why would he go to the Hong Yi sect?

“I don’t know.” Su Qian shook his head helplessly.

“If I knew, I wouldn’t have to wait for someone to come pick us up.”

Seeing this, Qin Yu couldn't help but fall into deep thought.

"Looks like I have to think of a way to trick this way into coming here," Qin Yu thought to himself.

It was already late at night, so Qin Yu wasn't in a hurry to leave Qing city.

He and Su Qian temporarily found a place to stay and made other plans.

At night.

Qin Yu stood on the balcony and called Xia Hang.

Once the call was connected, Qin Yu asked, "Xia Hang, do you know how to open the secret realm?"

Chapter 705: Chapter 705, entering the secret realm

Xia Hang could not help but frown, "The method to open the secret realm? This is a secret, I don't know about it at the moment."

"But if this academy can be established, I will definitely get the method to open the secret realm."

Qin Yu heaved a sigh of relief, he smiled and said, "Okay, you can quickly establish this academy."

Xia Hang agreed and then asked, "Do you want to join this academy?"

"Me? Forget about me. My relationship with those Young Masters has never been good," Qin Yu said with a bitter smile.

“That’s really a pity. The Jingdu Martial Arts Association’s Scripture Pavilion still has many good things,”Xia Hang said.

“Scripture Pavilion?”Hearing this, Qin Yu immediately changed his mind.

He quickly said, “I’ll participate! Help me sign up.”

Qin Yu was still very interested in this scripture pavilion.

Not only did it have many spells, but it also recorded the history of the martial arts world!

This was a rare opportunity for Qin Yu.

...

In a mansion in Qing city.

Hu Feng limped back to the mansion. As soon as he entered the door, he roared angrily, “Damn it, damn it!”

In the mansion, a man who looked to be in his thirties slowly opened his eyes.

This man looked very young, but in fact, he was more than sixty years old!

He was the famous sect Master Hu! Hu Feng’s father!

Sect Master Hu looked at Hu Feng and asked, “What happened to your legs?”

Hu Feng gnashed his teeth and said, "It's that Qin Yu! He broke my legs in front of so many people!"

"Qin Yu?" Sect leader Hu frowned immediately.

"Is it that Qin Yu who killed Qu Xie?"

Hu Feng nodded and said, "Yes, it's him!"

"Why did he come to Qing City?" Sect leader Hu couldn't stay calm anymore.

He stood up from the ground, and there seemed to be some worry in his eyes.

"Hu Feng, why did you provoke this Qin Yu? Don't you know that this Qin Yu is not to be trifled with?" Sect leader Hu scolded loudly.

Hu Feng snorted lightly. "Why should I be afraid of him? Who knows if he has a false reputation?"

"Father, you're not afraid of that Qin Yu, are you?"

Sect Master Hu said with a cold face, "Even a big shot like Qu Xie died at his hands, let alone me!"

"Do you know those big aristocratic families in Jingdu? They are not on the same level as us!"

"If your father really had great abilities, why would he hide in this small Qing City?"

Hu Feng laughed coldly and said, "Father, he broke your son's legs. Not only did you not take revenge, but you blamed me instead?"

“I only broke your two legs. It’s already good enough that I didn’t take your life,” sect leader Hu said with a cold snort.

“I’m warning you, don’t provoke that Qin Yu again!”

Hu Feng didn’t say anything. A moment later, Hu Feng suddenly said, “Father, have you ever thought that this might be an opportunity for us?”

“Opportunity? What bullshit opportunity?” Sect Master Hu said with a cold face.

Hu Feng said, “Who doesn’t know that the great families of Jingdu all want to kill that Qin Yu? If he falls into our hands, does our hu family still need to stay here?”

“And I heard that the Jingdu martial arts association is going to recruit students! With our relationship, it’s impossible for us to enter that Academy!”

“But if we kill this Qin Yu, they will definitely give me a spot! That’s a huge matter that transcends classes!”

These words made sect leader Hu somewhat moved.

“Dad, the opportunity is right in front of us! We absolutely can not miss it!” Hu Feng struck while the iron was hot and said anxiously.

Sect leader Hu furrowed his brows and said, “But... I am not a match for Qin Yu at all.”

A strange smile flashed across Hu Feng’s face. He then said, “Father, you were able to seize the good fortune of Qing city back then. Now, why don’t you use the same trick to seize the good fortune of Qin Yu?”

“When Qin Yu’s fate is over, why do you need us to kill him?”

Sect leader Hu glanced at Hu Feng. A trace of hesitation flashed across his face.

A moment later, sect leader Hu gritted his teeth, and a trace of viciousness flashed across his eyes!

“Good! The winner takes all. Then I’ll give it a try!” Sect leader Hu said coldly.

Seeing this, Hu Feng immediately heaved a sigh of relief.

He sneered, “Qin Yu, you’re dead meat!”

...

The sky gradually brightened, and Qin Yu had just woken up from his sleep.

At the entrance of the hotel room, there were already two people waiting.

One of them was brother song from yesterday.

At this moment, he had a respectful and apologetic smile on his face.

Looking at brother song in front of him, Qin Yu could not help but frown.
“Why are you here again?”

Brother song hurriedly said, “Mr. Qin, I’m really sorry about yesterday. I hope you don’t mind.”

The man beside him took a step forward and introduced himself. “My Name Is Ning Kun. I can be considered as the person in charge of Hong

Yi's family in the country. Today, I specially brought Song Shan to apologize to you."

Qin Yu's eyes rolled around before he smiled and said, "Mr. Ning, right? Come in and have a seat."

Ning Kun hurriedly walked in and explained, "Mr. Qin, I'm really sorry. Among the people you killed, there was Song Shan's brother, so he has a certain degree of hostility toward you."

"I see." Qin Yu nodded slightly.

Ning Kun said in a deep voice, "Mr. Qin, if it's convenient for you, we don't want to waste time."

"Hong Yimen has always been very sincere to Mr. Qin. The gate of the arcane realm is even opened for Mr. Qin!"

Qin Yu said in surprise, "Are we leaving now?"

"There's no time to lose. The sooner the better," said Ning Kun.

Qin Yu thought for a moment and said, "Alright then."

The few of them walked out of the hotel. Su Qian was already waiting at the door.

After seeing Qin Yu, Su Qian also let out a sigh of relief.

She ran to Qin Yu and whispered, "Ning Kun is the biggest leader here. Don't worry, he's here."

Qin Yu grunted in gratitude and didn't say anything.

Ning Kun looked quite humble, but Qin Yu always felt that Ning Kun was like a smiling tiger, hiding a knife in his smile.

The few of them came to the open space from yesterday again.

Standing there, Ning Kun wasn't in a hurry to open the secret realm. Instead, he asked, "Mr. Qin, I heard from Song Shan that you found this place by yourself yesterday?"

Qin Yu thought for a moment and said with a smile, "No, I was just strolling around and happened to walk here."

"I see." Ning Kun seemed to be deep in thought.

Then, he saw Ning Kun raise his palm and mumble something.

In a moment, a round light appeared in front of them.

"Mr. Qin, Please." Ning Kun politely cupped his hands and said.

Qin Yu didn't waste any time.. He suppressed the excitement in his heart and strode into the secret realm.

Chapter 706: Chapter 706, the conditions of the Hong Yi sect

The moment they stepped into the mystic realm, the surrounding environment suddenly changed drastically.

As the few of them stepped into the mystic realm at the same time, the entrance immediately began to close.

Qin Yu scanned his surroundings and discovered that the environment of this so-called mystic realm was not much different from the outside world.

However, the Qi/spiritual energy in this mystic realm was indeed more abundant.

Besides that, Qin Yu could feel traces of an ancient and simple aura in this mystical realm.

Obviously, this mystical realm had existed for many years.

“Mr. Qin, how is it?”Ning Kun said with a smile.

Qin Yu nodded slightly and said, “It’s not quite what I imagined.”

“Let me show you around,”said Ning Kun.

Then, Ning Kun led the way and strolled around in this mystical realm.

This secret realm was not big, but the space was quite stable. It would almost not collapse.

As for the secret realm, apart from the internal Qi/spiritual energy that had been left over from many years ago, there was also a trace of a different aura.

This kind of aura was very magical. It was a bit like the feeling brought by the three pure ones ancient tree.

Under the environment of the internal Qi/spiritual energy, the entire secret realm’s environment was extremely beautiful.

The beautiful scenery couldn’t help but make people look forward to it.

“There are experts in the Hong family, to actually be able to create such a space.”Qin Yu sighed from the bottom of his heart.

To create a space by himself, what kind of method was that! !

“Mr. Qin, you think too highly of us.”At this moment, Ning Kun shook his head.

He smiled and said, “This kind of mystic realm isn’t something that we can create. It’s all left behind by our ancestors.”

Qin Yu thought for a moment. That was true.

Such a stable space would probably require the help of a mighty figure.

If the Hong family had a mighty figure, they wouldn’t need to fear the authorities.

After a round, Ning Kun brought Qin Yu to a villa.

“Mr. Qin, you can stay here for the time being,”said Ning Kun.

Qin Yu shook his head and said, “No need. I still have something to do. I Won’t stay here for too long. I’m leaving today. Let’s discuss some serious matters.”

Ning Kun said with some surprise, “So soon? Alright then. Mr. Qin, this way please.”

The few of them came to a hall.

In the hall, there were more than ten people sitting upright.

These ten people didn't look friendly, and there was a faint killing intent on their bodies.

"You are Qin Yu?" At this moment, a man stood up.

Qin Yu looked at him and said in a neither servile nor overbearing manner, "Yes, how about it?"

"Do you know who I am?" The man continued to say.

Qin Yu could not help but laugh, "Does who you are have anything to do with me?"

"Hahahaha!" The man immediately burst into laughter.

"You have done a lot of great things using my name." The man's palm shook, and a long sword fell into his hand.

"Took your name?" Qin Yu frowned.

Looking at the man's attire, Qin Yu seemed to have guessed something.

"You are Guan Zu?" Qin Yu asked tentatively.

"That's right!" The man stabbed the long sword into the ground and said coldly, "I am Guan Zu. You took my name and did something improper. Shouldn't you apologize to me?"

Qin Yu frowned slightly.

This guan zu seemed a little strange.

According to Qin Yu's knowledge, Guan zu and the Jingdu Martial Arts Association had never been on good terms.

If someone used his name to take care of his enemy, normally, Guan zu should be happy. At least he wouldn't be angry.

Guan zu looked at Qin Yu coldly and said, "What? Don't you understand what I'm saying?"

"I've never said that I'm ancestor Guan. Moreover, I don't know you at all," Qin Yu said quietly.

Ancestor Guan shook the long sword in his hand and then said coldly, "Good! I heard that your swordsmanship is not weak. Then let me experience it!"

Before he finished his words, ancestor Guan held a sharp blade in his hand and came straight for Qin Yu's glabella!

The Sharp and crafty sword light stabbed ruthlessly at Qin Yu's glabella!

Qin Yu's expression changed. He immediately used the shrinking ground to become an inch and shot backwards explosively.

The sword ray missed and slashed onto the ground.

A long scar instantly appeared on the ground, and then the entire ground directly exploded!

Seeing this scene, Qin Yu's expression instantly turned cold.

"You Want to kill me?" Qin Yu looked at ancestor Guan coldly.

Ancestor Guan snorted coldly and said, "So what if I am? So what if I am not?"

Qin Yu didn't say anything. He looked around.

The entire Hong family seemed to have a strong hostility toward Qin Yu.

“Mr. Guan, Mr. Qin is our distinguished guest. You...” Su Qian hurriedly came out to smooth things over.

Ning Kun, who was beside him, also smiled and said, “Qin Yu, you have indeed caused great losses to the Hong family. They are unhappy. I hope you can understand.”

Qin Yu’s expression was cold and he did not say a word.

Ning Kun hurriedly smiled and said, “Take a seat.”

Qin Yu casually found a place to sit down. Then, he looked at Ning Kun and said, “Let’s get down to business.”

Ning Kun nodded and said in a deep voice, “Our Hong family has always appreciated talents. As long as you have the strength, we are willing to give you our resources.”

“Mr. Qin, if you are willing to join our Hong Yi School, I think the Hong Yi School will agree to all your requests.”

Qin Yu shook his head and said, “It’s impossible to join the Hong Yi School. Everyone knows that the Hong Yi School is on the official blacklist. If I join you, I’m afraid I’ll have to go on the road of escape.”

“That’s true.” Ning Kun was not surprised.

He smiled faintly and said, “What if our Hong clan can help you save Yan Ruoxue?”

“Save Yan Ruoxue?” Qin Yu raised his eyebrows, and the expression on his face became somewhat unnatural.

Ning kun nodded and said, “That’s right. I think you’ll be tempted by this condition.”

Qin Yu’s brows furrowed even more tightly.

Just as Ning Kun said, Qin Yu was indeed tempted.

Everything he did was to save Yan Ruoxue.

If the Hong family could really save Yan Ruoxue, what reason did Qin Yu have to refuse.

After a moment of silence, Qin Yu took a deep breath, shook his head and said, “I don’t believe that you have the ability to save Yan Ruoxue.”

“Hahaha!” Ning Kun immediately laughed when he heard that.

He stood up and said, “It’s true that we can’t save Yan Ruoxue, but if you and I are willing to cooperate, we can definitely save her!”

“Cooperate?” Qin Yu was somewhat puzzled.

“How?”

Ning Kun said with a faint smile, “There is only one way to save Yan Ruoxue, and that is to enter the secret realm of the Jingdu Martial Arts Association. As long as we enter the secret realm, we can naturally take Yan Ruoxue away.”

“Mr. Qin, you only need to find the location of the secret realm. At that time, we will send people to help you open the secret realm and take her away. What do you think?”

Ning Kun’s words did indeed make Qin Yu somewhat moved.

He looked at Ning Kun and frowned. “Is what you said true?”

“It’s absolutely true. As long as you can find the location of the secret realm, we will be able to take her away..”Ning Kun drank a mouthful of tea and said faintly.

Chapter 707: Chapter 707, the meaning of Yan Ruoxue

Ning Kun’s words had indeed moved Qin Yu.

Even if he found the secret realm, he did not know how to take Yan Ruoxue away.

More importantly, Qin Yu had already failed many times.

Facing the powerful Jingdu Martial Arts Association, no matter how hard Qin Yu worked, it would be difficult for him to rely on himself to save her.

Unless the Jingdu Martial Arts Association disappeared from this world.

However, that was a long process. Before he became a martial saint, there was no chance at all.

“Mr. Qin, what do you think?”Ning Kun continued to ask.

Qin Yu raised his head and said in a deep voice, “Then what do you hope to get from me?”

Ning Kun drank a mouthful of water and said with a faint smile, “Our goal is very simple. We want to be on good terms with Mr. Qin, because we see great potential in you.”

This answer made Qin Yu not know what to do for a moment.

Ning Kun looked quite sincere, but Qin Yu felt that something was not right, as if there was some hidden conspiracy.

After thinking for a moment, Qin Yu said in a deep voice, “Okay, as long as I can save Yan Ruoxue, I can promise you anything.”

“Hahaha!” Ning Kun was immediately overjoyed.

He stood up and walked to Qin Yu. He shook hands with Qin Yu and said, “Then I wish us a happy cooperation!”

“Wait.” At this moment, Qin Yu changed the topic.

“Your Hong family has always emphasized that they will pour resources for me, right?” Qin Yu asked.

Ning kun nodded and said, “Of course.”

“Okay.” Qin Yu nodded.

“I urgently need a 10,000-year-old herb right now. I don’t think the Hong family will refuse me, right?” Qin Yu smiled and said.

Upon hearing this, Ning Kun’s old face could not help but darken.

Ancestor guan sneered, “10,000-year-old herbs? Do you know what a 10,000-year-old herb means? The appearance of such a herb is enough to attract the attention of all the aristocratic families! Now you’re asking for 10,000-year-old herbs?”

Qin Yu rolled his eyes and said, “TSK TSK, then what are you talking about? What exactly can you bring me?”

One sentence instantly made ancestor guan speechless.

“Mr. Ning, if you can’t do it, then forget it,” said Qin Yu.

After saying this, Qin Yu turned around and was about to leave.

At this time, Ning Kun’s body flashed and blocked Qin Yu’s way.

He smiled and said, “Mr. Qin, just as ancestor Guan said, these ten-thousand-year-old herbs are of extraordinary significance. Even for the Hong family, there is a lot of pressure. I’m afraid I have to apply to the higher-ups. Why Don’t you wait for My News?”

“Sure.” Qin Yu put his hands behind his back and looked relaxed.

“Then in three days, I’ll ask Su Qian to bring you the news,” said Ning Kun.

“Okay, I’ll wait for Your Good News.” Qin Yu nodded.

Then, Qin Yu turned around and walked out of the hall.

The resources in this mystical realm were probably all emptied out by the Hong family. Qin Yu walked around and didn’t get anything.

Therefore, there was no need for Qin Yu to stay, so he left the secret realm.

After Qin Yu left, Ning Kun's face instantly darkened.

"Mr. Ning, do you really think that Qin Yu will work for us?" Ancestor Guan said coldly.

"I also think it's unlikely. This Qin Yu is rebellious. He will never become one of us," the others said coldly.

Ning kun snorted and said, "No need to say anything. I have my own plans."

After saying this, Ning Kun turned around and left the hall.

A man in a black robe was sitting in his room.

The Man's face seemed to be covered by some kind of spell. At a glance, there was only a black hole.

"How is it? Did he agree?" The black-robed man asked coldly.

Ning kun nodded and said, "He has agreed, but he has a condition. He wants a 10,000-year-old herb."

"10,000-year-old herbs... HMPH, 10,000-year-old herbs. Our Hong clan doesn't have many of them," the black-robed man said coldly.

Ning kun frowned and said, "Then what should we do? If we can't get this 10,000-year-old herb, this Qin Yu can change his mind at any time."

The black runner was silent for a moment, then said, “We can’t take out ten-thousand-year-old herbs, but we can tell him where to find ten-thousand-year-old herbs.”

“As for whether he can get it or not, it depends on his own luck.”

Ning Kun nodded slightly, then said with some confusion, “Is it really worth paying so much for Qin Yu?”

“You should know that if we really help him save Yan Ruoxue, then we will have completely offended the JINGDU martial arts association.”

“Moreover... This Qin Yu will betray us at any time.”

The black-robed man sneered, “Do you really think that we are doing this to help him?”

Ning Kun said with some confusion, “Or else?”

The black-robed man snorted lightly, “We are doing this to snatch Yan Ruoxue from the hands of the Jingdu Martial Arts Association!”

“Snatch Yan Ruoxue Away?” Ning Kun was even more confused.

The black-robed man said indifferently, “Yan Ruoxue is in the hands of the Jingdu Martial Arts Association. We have no chance to take action, nor do we know where Yan Ruoxue is being held. Only through Qin Yu can we find Yan Ruoxue.”

Ning kun frowned, “Didn’t you say that Yan Ruoxue is being held in a secret realm?”

“That’s right, but the JINGDU martial arts association controls too many secret realms. We can’t search them one by one,” said the black-robed man.

“And we don’t even know where the Jingdu Martial Arts Association’s Secret Realm Is!”

“As long as we bring Yan Ruoxue out of the secret realm, Qin Yu will lose his value.”

As soon as he said this, Ning Kun immediately understood.

He said with some surprise, “Then you said that Yan Ruoxue was locked in the secret realm because...”

“I guessed,” the black-robed man said lightly.

“The Jingdu Martial Arts Association will definitely bring her into the secret realm because it’s the safest place.”

Ning Kun could not help but be shocked. He could not help but mutter, “What kind of identity does this Yan Ruoxue have that she’s worth us going through so much trouble?”

The black-robed man smiled faintly and said, “Let me put it this way. As long as we get Yan Ruoxue, our Hong Yi sect will no longer need to hide overseas.”

This made Ning Kun even more shocked!

A woman who had never cultivated before actually had such a great effect?

It was really hard to imagine!

...

After leaving this mystic realm, Su Qian said with a slightly apologetic tone, “Mr. Qin, you won’t take the matter of Guan Zu to heart, right? The Hong Yi sect is still looking forward to your joining.”

Qin Yu smiled faintly and said, “Of course I won’t mind. Moreover, I’ve killed so many people from the Hong family. Their attitude will naturally not be any better.”

“On the contrary, if their attitude is too humble, it will instead make me feel strange.”

Su Qian nodded and said with a smile, “That’s good, that’s good.”

Qin Yu was not in a hurry to leave Qing city. Instead, he planned to wait for Ning Kun’s news.

If he could really obtain a stalk of ten-thousand-year-old herbs, then this trip would not have been in vain.

At night.

Qin Yu sat alone on a mountain range in Qing city.

His body was bathed in white light, and the internal Qi in his body was slowly surging.

“In my current state, I am enough to step into the middle stage of the Marquis of Martial Arts,” Qin Yu could not help but think as he sensed the internal Qi in his body.

However, he was not in a hurry to break through. Instead, he continued to suppress his internal Qi.

Stepping into the intermediate stage of the Martial Marquis realm too quickly would be detrimental to Qin Yu's subsequent breakthrough.

He planned to wait for an opportunity, an opportunity to directly step into the advanced stage of the Martial Marquis Realm.

Chapter 708: Chapter 708, terrifying fortune!

In the current era, almost no martial saints were seen.

Even the extremely powerful Jingdu martial arts association had never seen a martial saint make a move.

Even a bodyguard with top-tier capital like Yan Sihai was only at the peak of the Martial Marquis Realm.

The next day.

Accompanied by Su Qian, Qin Yu toured more than half of Qing city.

"By the way, how long have you been a member of the Hong Yi Sect?" Walking on the street, Qin Yu suddenly asked.

Su Qian thought for a moment and said, "About three years."

"Three years... that's quite a long time." Qin Yu nodded slightly.

"What's wrong?" Su Qian asked.

Qin Yu shook his head and said, "Nothing."

For some reason, Qin Yu felt that this Hong Yi sect was not very trustworthy.

However, Su Qian did not seem to be lying at all.

“What exactly is Hong Yi sect after?” Qin Yu had been thinking about this question for the entire day.

No matter how he thought about it, he felt that Hong Yi sect was making a losing deal.

Even if it was like what Ning Kun said, it was because they admired Qin Yu, but they would not throw out a stalk of 10,000-year-old herbs just because they admired him.

Qin Yu’s condition was to deliberately make things difficult for the Hong family.

If they really agreed, Qin Yu had no choice but to doubt the Hong family’s intentions.

“HMM?”

At this moment, Qin Yu suddenly felt a strange feeling flow through his body.

Although this feeling was fleeting, it still couldn’t escape Qin Yu’s perception.

“What’s Wrong?” Su Qian asked.

Qin Yu shook his head and said, “Nothing.”

At night.

Qin Yu and Su Qian returned to the snack street and randomly found a tavern to eat.

Although with Qin Yu's cultivation, he didn't need to rely on food to survive, the delicacies in the world were really hard to resist.

After sitting down, Su Qian handed over the menu.

"Mr. Qin, take a look at what you want to eat," Su Qian said politely.

Qin Yu waved his hand and said, "You can order. Just order a few of your signature dishes."

Before he finished his sentence, that strange feeling appeared again.

This time, it was even more intense than the last time.

Qin Yu suddenly stood up. He frowned and looked around.

"Mr. Qin, What's Wrong?" Su Qian asked in confusion.

Qin Yu didn't say anything. He looked around coldly and released his spiritual sense.

"What's wrong with this strange feeling?" Qin Yu frowned and asked.

Under the coverage of Qin Yu's spiritual sense, no one could hide.

Soon, Qin Yu caught a figure.

"Hu Feng?" Qin Yu narrowed his eyes. With a shake of his feet, he disappeared into thin air.

In the next second, Qin Yu suddenly appeared in front of Hu Feng.

This action immediately gave Hu Feng a fright.

He trembled and said, “What... What are you doing? I didn’t do anything. Don’t do anything!”

Seeing Hu Feng’s nervous expression, Qin Yu was even more puzzled.

“What are you afraid of?” Qin Yu narrowed his eyes and asked.

A trace of panic flashed across Hu Feng’s face, and then he said in a low voice, “I . . . I’m not. Hurry up and get out of the way. I . . . I’m going home.”

After saying this, Hu Feng turned his head and left.

Looking at Hu Feng’s panicked footsteps, Qin Yu could not help but smile coldly.

At this time, Hu Feng ran home desperately. From time to time, he would turn around to look, afraid that Qin Yu would catch up.

After running all the way to the villa at home, Hu Feng hurriedly walked towards a secret room.

This secret room was engraved with densely packed dao patterns, and the stone door had a strong sense of solemnity.

“Dad, you... how are you!” Hu Feng said anxiously.

Sect Master Hu’s voice came from inside.

He said coldly, “Don’t worry, it will take some time.”

Hu Feng gritted his teeth and said, “Dad, you have to speed up. I have a feeling that Qin Yu seems to have sensed something!”

“This kind of spell will not be detected at all. I think you are scared silly by him.”Sect Master Hu snorted coldly.

Hu Feng said with a vicious face, “Dad, I can’t wait to see Qin Yu kneel in front of me and beg for mercy!”

“Hehe, as long as I complete my spell and take away his great fortune, he will become a cripple,”sect leader Hu said indifferently.

“At that time, killing him will be as easy as flipping a hand.”

Hu Feng hurriedly nodded and said, “I must make him kneel in front of me and beg for mercy in front of everyone! Let him die without a burial ground!”

“What a vicious thought.”

At this moment, a cold voice came from behind him.

He turned around and saw Qin Yu standing at the door coldly.

“Qin... Qin Yu! You... Why are you here!”Hu Feng was so scared that he sat on the ground!

Qin Yu said coldly, “I see that you have good talent and can’t bear to kill you, but you want to harm me?”

Hu Feng was already panicking. His lips trembled as he said in a trembling voice, “You... Don’t come over, or else... my father will not spare you!”

Qin Yu didn’t say anything. He raised his finger, and a ray of light directly shot into the center of Hu Feng’s brows.

His divine sense instantly exploded!

Then, Qin Yu took out the golden core from Hu Feng's body and stored it into the spatial divine weapon.

"Sect Master Hu, the guest has come to our door. Do you want to close the door and not see him?" Qin Yu said indifferently.

Sect leader Hu's expression was extremely ugly inside. He could feel that Hu Feng's internal Qi had disappeared!

"Qin Yu, you... you actually killed my son. I will not let you off!" Sect leader Hu said furiously.

"Wait until I seize your good fortune. I will definitely tear you into pieces!"

Qin Yu narrowed his eyes and said coldly, "Seize My good fortune? That strange feeling just now... is it because of your spell?"

Then, Qin Yu patted the stone door and said coldly, "Open the door."

Sect Master Hu ignored Qin Yu and sneered, "In your dreams! You killed my son, I must avenge him!"

Qin Yu didn't bother to talk nonsense with sect master Hu. He clenched his fist and threw it at the stone door!

"Boom!"

The huge boom shook the entire villa!

However, the stone door did not move at all! Only a bit of dust fell!

“Hehe, it’s useless. This door is made of a special material and there is a spell placed on it. You Won’t be able to open it!”Sect leader Hu sneered.

“Is That So ?”Qin Yu squinted his eyes and a bright golden light burst out from his fist!

“I want to see how hard this door of yours is!”

Qin Yu held the golden light in his hand and threw a punch!

“Boom!”

With this punch, the stone gate was directly shattered into ruins!

Sect leader Hu’s expression changed, and he exclaimed, “How... how is this possible!”

Qin Yu ignored sect leader Hu, and his eyes widened!

The scene in front of him was simply beyond Qin Yu’s imagination!

“This.... is the fortune that was seized? !”Qin Yu couldn’t help but mutter in a low voice.

Chapter 709: Chapter 709, the absorption of the power of creation

Looking at the scene in front of him, Qin Yu’s eyes widened.

In this room, other than a huge array platform, there were walls filled with bottles and jars!

There seemed to be something flowing inside this jar. It was like internal Qi, but also like liquid. They seemed to have life consciousness as they squirmed inside the jar.

At a glance, there were at least tens of thousands of such jars!

“These... are good fortune?” Qin Yu murmured softly.

For some reason, he felt uncomfortable.

Sect leader Hu got up from the ground. Beside his array platform, there was a huge earthen jar.

At this moment, there was some golden internal Qi in the earthen jar.

“Qin Yu, you killed my son. I must take revenge!” Sect leader Hu gritted his teeth and said.

Although he had said those harsh words, sect leader Hu’s words were very lacking in confidence. Even his body was trembling.

Qin Yu ignored his harsh words. Instead, he pointed at the jar on the surrounding wall and said, “This is fate? What kind of object is this and how should it be used?”

Sect leader Hu was stunned. He said angrily, “Qin Yu! You broke into my house and killed my son, yet you act as if nothing happened. You are not putting me in your eyes!”

Qin Yu frowned. He took a step forward and suddenly stretched out his golden palm.

This palm grabbed sect leader Hu’s neck and lifted him into the air.

The terrifying qi force immediately grabbed sect leader Hu's life vein! It made him unable to move!

"You are not my match at all. What are you saying here?" Qin Yu said coldly.

Sect leader Hu struggled with all his might. His eyes were filled with terror!

He was also a martial marquis, but in front of Qin Yu, he was like a three-year-old child. He did not have the strength to fight back!

Qin Yu let go of sect leader Hu and threw him to the ground.

Then, Qin Yu patted his palm and said coldly, "If you don't want to die, then answer my question honestly."

Sect leader Hu was also afraid. He got up from the ground and braced himself, saying, "You... Tell Me."

Qin Yu pointed at the bottles and jars around him and said, "What exactly are these?"

Sect master hu whispered, "These are the powers of creation that are drawn from the bodies of humans..."

"Powers of creation? What are those things?" Qin Yu narrowed his eyes.

Sect master Hu explained, "Powers of creation are an extremely strange divine power. I don't know how to explain it either, but this power brings great benefits."

Qin Yu motioned for sect master Hu to continue.

Sect Master Hu coughed and continued, “I don’t know if you’ve heard of the power of faith.”

Qin Yu nodded slightly and said, “It’s said to be a kind of power in religions.”

“To be more precise, it’s the power of human faith. This power is both pure and terrifying!”Sect Master Hu said.

“As for this power of creation, it’s the power formed by Creation. This power is not limited to humans, but all objects that have fate will produce the power of creation.”

Hearing these words, Qin Yu could not help but be shocked.

There was actually such a strange power in the world? It was simply unheard of!

These few days had almost overturned Qin Yu’s worldview!

“In other words... The good fortune of Qing city has really been absorbed by you?”Qin Yu frowned and asked.

Sect leader Hu did not hide it. He nodded and said, “Indeed. Most of the power of creation you see before you comes from Qing city.”

Qin Yu did not say anything. He lowered his head and looked at the jar on the array platform.

Inside the jar was a golden internal Qi.

“Is this my own internal Qi?”Qin Yu asked.

Sect leader Hu nodded and said, “Yes, but I only absorbed a part of it...”

Qin Yu was even more shocked. He picked up the jar and examined it carefully.

The so-called power of creation in the jar was balls of internal Qi.

These auras didn't even have any fluctuations. They were no different from air.

“What's the use of this power of internal Qi?” Qin Yu asked.

Sect leader Hu said, “The power of internal Qi is simply fate. The power brought by fate is endless.”

“Not only can it increase a person's cultivation, it can even change a person's fate and upper limit! It is one of the most powerful powers and also one of the most precious powers!”

Qin Yu was immediately even more shocked.

There was actually such a technique in the world?

It was one thing to forcefully take another person's cultivation, but he could actually forcefully take another person's fate?

“What are the consequences for a person who has his power of creation taken away?” Qin Yu asked.

Sect leader Hu quickly said, “Once the power of creation is taken away, a person will be especially unlucky. It takes a long time to recover...”

Speaking up to this point, sect leader Hu hurriedly explained, “I have only absorbed ten years of Qing City's luck. Next year will be the last year!”

Qin Yu swept his gaze around him. He said somewhat confusedly, “Then why did you choose to stay in Qing City? Why didn’t you choose another city?”

Sect leader Hu frowned, as if he had some misgivings.

Qin Yu said coldly, “If you don’t want to die, I will take your life now.”

Sect Master Hu was helpless. He could only say, “Many cities are unable to seize the power of creation. It is very difficult to seize the fate of a city. There are many conditions to be met.”

“For example, this city must be a new city. It must have a very long fate. There are also great restrictions on the terrain...”

“I have searched for many years, but only Qing city meets the requirements...”

Qin Yu still had some doubts. He could not help but ask, “Then why didn’t you seize an individual? Like a genius or a young master. Their luck must be very good, right?”

Sect leader Hu hummed in gratitude and said, “Normally, that is indeed the case, but in reality, it is not that easy to operate.”

“When it comes to seizing an individual, it is very easy to be discovered.”

“Moreover, the luck of a large family is usually a large amount. With my ability, I can’t forcefully seize it, and it might even invite disaster.”

Qin Yu’s expression was a little displeased.

He said with a cold face, “In other words, this BULLSH * T spell of yours can only bully the weak and fear the strong? Seize the luck of the weak?”

“Yes... Yes, that’s more or less what it means...”sect master Hu muttered in a low voice.

Qin Yu suddenly had the urge to slap sect leader Hu to death.

The Luck of ordinary people was already not good enough to begin with, yet it was still being secretly seized by this kind of warlock. It was really too difficult.

“Return this luck.”Qin Yu looked at the wall full of bottles and jars, and couldn’t help but frown.

Sect leader Hu said awkwardly, “Once the power of creation is absorbed, it’s impossible to return it...”

“Just like the power of faith, it flows in one direction.”

Qin Yu’s brows furrowed even more tightly.

He stood there for a long time before sighing helplessly, “Sigh, then I can only endure the pain of absorbing this power of creation.”

Chapter 710: Chapter 710, 10,000-year-old herbs

This full room was filled with the power of creation that sect leader Hu had absorbed.

And most of this power of creation originated from Yiqing City.

In other words, the prosperity that Qing city should have had was forcibly taken away by sect leader Hu.

“What a good method.” Even Qin Yu couldn’t help but sigh.

The world was so big that there were all kinds of strange things. If one offended such a spell master, one might be unlucky for the rest of his life.

Qin Yu picked up a bottle of Qi/spiritual energy and then took a light breath.

The Qi/spiritual energy in the bottle flowed into Qin Yu’s body.

Sure enough, after long-term storage, the Qi/spiritual energy was quite similar to spiritual Qi, and the method of absorption was also quite similar.

“This Qi/spiritual energy seems to be different from ordinary spiritual qi,” said Qin Yu.

Sect leader Hu nodded and said, “It is indeed different. According to the old saying, a place with dense spiritual energy is a place with outstanding people.”

“And the two words ‘Qi/spiritual energy’ in this sentence refers to the Qi/spiritual energy. It is purer than the Qi/spiritual energy that we use for cultivation.”

Qin Yu nodded slightly. This Qi/spiritual energy was indeed different. Compared to ordinary spiritual energy, it was easier to absorb, and the effect it brought was better than ordinary spiritual energy.

“I’ll take this Qi/spiritual energy,”Qin Yu said as he looked at the jars on the wall.

Sect leader Hu’s pupils constricted. He hurriedly shook his head and said, “No, I can only give you three bottles!”

Qin Yu sneered, “Do you think you have the right to negotiate with me?”

Sect leader Hu’s face turned a bit ugly. He seemed to be reluctant to part with this Qi/spiritual energy.

Qin Yu couldn’t be bothered to waste time with sect leader Hu. He grabbed the bottle and put it into his spatial divine artifact.

In this way, Qin Yu didn’t lack things for cultivation for the time being.

Qi/spiritual energy had ice heart and the power of creation.

And yin energy relied on that coffin.

“I should have killed you, but since you’ve provided me with so much power of creation, I’ll spare your life.”Qin Yu glanced at sect leader Hu and said.

After saying this, Qin Yu planned to leave.

At this moment, sect leader Hu’s eyes shone brightly! A sharp blade appeared in his hand!

“Go to hell!”Sect leader Hu roared. He held the sharp blade in his hand and stabbed it fiercely at Qin Yu’s body!

“Clang!”

However, not only did the sharp blade not enter Qin Yu's body, it was directly split into two!

Qin Yu slowly turned his body and sneered, "You want to kill me with this thing?"

A trace of fear flashed across sect leader Hu's face. He hurriedly begged for mercy, "Mr. ... Mr. Qin, please spare my life. I... I know I'm wrong..."

"You want to kill me, and you want me to spare your life. Do you think that's possible?" Qin Yu sneered.

Sect leader Hu wanted to say something, but Qin Yu didn't give him the chance and directly smashed sect leader Hu's head into pieces.

After that, Qin Yu took out the golden core from sect leader Hu's body.

Including the one from Hu Feng, Qin Yu now had four golden cores in his hands!

If he went into seclusion, he would definitely be able to enter the middle stage of the Martial Marquis Realm.

However, Qin Yu still decided to temporarily suppress his cultivation, because it was too dangerous to break through now.

Not only would it take a very long time, but it could also lead to a fatal disaster.

The Jingdu Martial Arts Association and the various aristocratic families could send people over at any time.

“Wait a little longer, and strive to enter the late stage of the Martial Marquis Realm in one go,” Qin Yu thought to himself.

After leaving sect leader Hu’s place, Qin Yu returned to the tavern.

Su Qian was still sitting there, looking left and right.

Qin Yu’s departure without saying goodbye made Su Qian appear somewhat at a loss.

“What are you looking at?” Qin Yu walked directly to Su Qian’s side and sat down.

Su Qian said in surprise, “Mr. Qin, where did you go? Why did you suddenly disappear?”

Qin Yu smiled and said, “I went out to do something.”

Su Qian did not ask further and only nodded.

After dinner, Su Qian received a text message from Ning Kun, requesting her to return to the mystic realm immediately.

Seeing the contents of the text message, Su Qian shook his phone and smiled. “The condition you mentioned should have news.”

Qin Yu looked calm on the surface, but in his heart, he was growing more and more suspicious.

Could it be that this Hong Yi sect really wanted to give him a stalk of ten-thousand-year-old herbs?

A stalk of ten-thousand-year-old herbs was a peerless treasure! Even to the various aristocratic families and sects, it was a rare holy item.

Ten-thousand years, even if it was a big tree, it would have its own intelligence, let alone a stalk of top-notch herbs.

“Mr. Qin, wait for me for now. I’ll inform you if there’s any news,” Su Qian said as he packed his things.

Qin Yu nodded.

He didn’t continue to think about it. As for what Hong Yimen was planning, he could only wait for it to change.

After returning to his residence, Qin Yu roughly calculated the resources in his hands:

Four golden cores in the martial marquis’ body, the remaining half of an ice heart, and nearly 10,000 bottles of the power of creation.

Other than that, there were also some miscellaneous herbs.

“If I can get a 10,000-year-old herb, I might really be able to step into the late stage of the Martial Marquis Realm,” Qin Yu thought to himself.

At the moment, Qin Yu was only in the early stage of the Martial Marquis Realm. However, with his powerful physical strength, he was already able to use most of the Martial Marquis realm.

As long as he did not meet someone at the peak of the Martial Marquis Realm, Qin Yu could basically do whatever he wanted.

“With my current strength, it’s still very difficult for me to face someone at the peak of the Martial Marquis Realm,” Qin Yu said in a low voice.

The couple from the Han palace last time almost killed Qin Yu.

No one knew how many more people at the peak of the Martial Marquis realm were like this.

“Oh No.”

When he mentioned the Han Palace, Qin Yu suddenly thought of something.

Little Fish!

The Han Palace had already set their eyes on Little Fish’s mask, so they would definitely not let it go!

“No, I have to go back quickly.”Qin Yu frowned.

Thinking of this, Qin Yu put away all the herbs and other things in front of him, turned around, and prepared to leave Qing city.

He had just walked to the entrance of the hotel when he ran into Su Qian.

“Where are you going, Mr. Qin?”Su Qian asked with some surprise.

Qin Yu said in a deep voice, “I have something to do, so I have to go back quickly.”

Su Qian asked in surprise, “Are you in such a hurry?”

“Yes.”Qin Yu nodded.

Seeing this, Su Qian didn’t say anything more. She smiled and said, “I’m here to tell you some good news.”

“Good News?”Qin Yu raised his eyebrows.

“Did you bring the ten-thousand-year-old herbs?”

Su Qian blinked and said, “Something like that.”

Chapter 711: Chapter 711, the vicious and merciless old woman

Qin Yu raised his eyebrows, and a trace of surprise flashed in his eyes.

“Is what you said true?” Qin Yu stared at Su Qian.

If Hong Yimen was really willing to take out a stalk of ten-thousand-year-old herbs, it would really make people feel conflicted.

Su Qian shook his head and said, “I didn’t bring the herbs, but Mr. Ning asked me to bring you a piece of news.”

“A piece of news?” Qin Yu’s frown deepened.

Su Qian continued to say: “This piece of news involves ten thousand year old herbs. One month later, a ten thousand year old herb will be born.”

As he said that, Su Qian took out his phone.

On the map on his phone, there was a location marked.

And this location, was in the southwest direction of the fire country, located at the Pyro.

Qin Yu stared at the location and asked: “The ten thousand year old herbs will be born here?”

Su Qian nodded and said: “That’s right. The news has not spread yet and not many people know about it.”

Qin Yu could not help but laugh coldly and said: “Not many people know about it now. That is because it is still very far away from the birth of the herbs. Who knows how many people have already made plans behind the scenes.”

Su Qian spread his hands and said, “This is the limit that the Hong Yi sect can afford.”

Qin Yu said jokingly, “It seems that the resources of the Hong Yi sect are only so-so.”

Su Qian didn't say anything about this.

Qin Yu silently remembered this position and said, “Alright, I should go back. As for this ten-thousand-year-old herbs, I'll go and try it out.”

“Mr. Qin, you have to be careful. The appearance of the ten-thousand-year-old herbs will definitely attract the attention of various powers,” Su Qian reminded.

“This power is not limited to the aristocratic families in the country. It may also attract foreign powers and many old monsters who have yet to appear.”

Qin Yu casually said, “Since you know about it, you still want me to go and retrieve it myself. I suspect that you're using me as a tool.”

Su Qian smiled bitterly and said, “That's impossible, Mr. Qin. It's just that it's inconvenient for us to move around in the country. However, I believe that they will secretly help you.”

Qin Yu did not continue this topic.

He and Su Qian waved their hands and left.

Qin Yu could not completely trust the Hong Yi sect.

Especially after they threw out such an important piece of news, it made Qin Yu even more suspicious of the Hong Yi sect's purpose.

When Qin Yu rushed back to the Green Moon Villa, it was already the next morning.

The first thing he did when he came back was to run into Little Fish's room.

At this time, little fish was still sleeping soundly. Qin Yu's intrusion immediately gave little fish a fright.

She hurriedly hugged the blanket and covered her chest. She cried out in alarm, "You... What are you doing? Pervert, hurry up and get out!"

Seeing that Xiao Yu was fine, Qin Yu also let out a sigh of relief.

He teased, "With your figure, even if you don't cover it, you won't be able to see anything."

After saying this, Qin Yu hurriedly ran out to avoid being angered by Xiao Yu.

At this moment, in Jingdu.

For a moment, the martial arts academy had officially made the decision, and there were countless people who came to register.

This time, the Jingdu Martial Arts Association announced to the outside world that they did not restrict their status, as long as they had talent.

This seemingly selfless display actually concealed their selfish motives.

As a result, the JINGDU martial arts association only needed to pay a small amount of resources, and they could plunder most of the genius disciples in the world! Unknowingly, they continued to expand the JINGDU martial arts association's ranks!

Qin Yu could see through their intentions, and so could the higher-ups.

However, the JINGDU martial arts association had existed for too many years, and it had an extremely powerful power in the martial arts world.

Thus, even the authorities weren't willing to easily cut through them.

Everything was proceeding according to schedule, and the talented disciples of the various aristocratic families also began to join the academy.

At this moment, in the Jingdu Martial Arts Association, a hunchbacked old woman was standing in the square in the dark.

In front of her stood a total of eighteen black-gold robes!

"Granny Qin, why have you summoned us?" Someone asked.

A trace of viciousness flashed through the eyes of the old woman called Granny Qin.

She took a deep breath and said through gritted teeth, "My heaven-swallowing Python was severely injured by that Qin Yu, but it still has a hidden disease..."

Granny Qin was furious when she mentioned this!

The black-gold robes looked at each other, and a hint of awkwardness flashed in their eyes.

With their current strength, they could no longer threaten Qin Yu. Other than the purple robes, no one dared to provoke Qin Yu.

“We... We will take revenge for the heaven-swallowing Python.”The black-gold robes braced themselves and said.

A hint of viciousness flashed in Granny Qin’s eyes. She narrowed her eyes and said, “Are you really willing to take revenge for the heaven-swallowing Python?”

“It’s... It’s absolutely true!”The eighteen people said one after another.

“Alright, then I’ll give you a chance to show off.”Granny Qin waved her hand, and the huge heaven-swallowing Python instantly appeared behind Granny Qin!

The heaven-swallowing Python spat out its scarlet tongue, and a pungent smell assailed their nostrils.

Its dark flesh shone brilliantly under the sunlight, and it was incomparably fierce.

However, if one looked carefully, one could see a huge wound on its body.

This wound was left by big fatty with a punch.

Seeing this heaven-swallowing python, many of the black gold robes were a little afraid.

“Granny Qin, what... What do you need us to do?”One of the black gold robes asked tentatively.

Granny Qin opened her mouth and said, “There’s no need to do anything. You just need to stand there and don’t move...”

As soon as she finished speaking, the sky-swallowing Python shot towards everyone!

That huge head appeared in front of everyone in the blink of an eye!

The sky-swallowing Python opened its mouth and swallowed the black-gold robes one by one!

Seeing this scene, all the black-gold robes turned pale with fright and started to run!

“You want to run?” Granny Qin sneered.

She stretched out her skinny palm and the black-gold robes were immediately restrained and could not move!

“Granny Qin, you... you actually want to kill us!”

“You Vicious Old Woman!”

Granny Qin did not care at all in the face of everyone’s curses.

She sneered, “A bunch of useless trash. Becoming the food of the heaven-swallowing Python is your final value.”

The eighteen black-gold robes were all swallowed by the heaven-swallowing Python!

At the same time, the enormous body of the heaven-swallowing Python began to squirm. Internal Qi was constantly brewing in his body!

In the next second, the body of the heaven-swallowing Python suddenly burst out with a burst of extremely dazzling black light!

“Boom!”

A loud sound spread through half of the Jingdu Martial Arts Association!

The body of the heaven-swallowing Python suddenly became tougher, and its internal Qi also became several times richer!

“I’ve finally broken through...”Granny Qin said with a smile, her hands behind her back.

At this moment, the heaven-swallowing Python had officially stepped into the peak of the Martial Marquis Realm!

With such strength, as long as a martial saint didn’t appear, it could be said to be invincible in this world!

And the body of a demonic beast was much tougher than that of an ordinary cultivator!

“Babe, come, eat it.”Then, the old woman took out a jade-green pill from her hand.

This pill was like a night pearl, shining brightly in the old woman’s hand.

The heaven-swallowing Python slowly stretched its head over and swallowed the pill.

“Buzz!”

As the pill entered its stomach, the body of the heaven-swallowing Python immediately began to tremble violently!

Half a minute later, the heaven-swallowing Python disappeared and was replaced by a young man who was cold all over!

Chapter 712: Chapter 712, I am the strongest

Looking at the heaven-swallowing boa in human form, Granny Qin was so excited that she almost cried.

She gently held the young man's face and said in a trembling voice, "My good child... I will definitely make you the most powerful person in the world!"

A young man at the peak of the Martial Marquis Realm appeared.

...

On this day, Jingdu Martial Arts Academy officially began to recruit students.

Early in the morning, Zhuang Teng and the others arrived at the vicinity of the Academy.

These young masters of the aristocratic families seemed to like to gather together.

A few people stood at the door, instantly attracting the attention of countless people.

"I heard that Yan Jinyao has been in closed-door cultivation recently?" Zhuang Teng asked casually.

"En, after learning that Qin Yu was the black-robed man, Yan Jinyao directly went into closed-door cultivation." Chu Heng nodded slightly.

“TSK tsk, it seems that that matter dealt a great blow to him.”

“With Yan Jinyao’s personality, he would absolutely not allow anyone to surpass him. If I’m not wrong, the first thing he did after he came out of seclusion was to send a challenge to Qin Yu.”

The few of them nodded one after another. They understood Yan Jinyao’s personality too well.

As the true genius of the Yan family, his talent was absolutely unparalleled.

Even in Jingdu, he was a well-known figure and always ranked first among the younger generation.

Now that his title had been seized by a young man from the countryside, he would definitely not be satisfied.

More and more people came to the academy’s entrance. Many people came because of his reputation.

However, the requirements for martial artists here were extremely strict. Very few people could be selected.

“By the way, have you all heard about the secret realm?” At this time, Zhuang Teng seemed to have remembered something.

“Yes, the secret realm is indeed shocking. If there really is such a place for cultivation, then it would be good news for us.”

“The Jingdu Martial Arts Association is actually secretly hiding such resources. I seriously suspect that the outside world’s judgment of the Jingdu martial arts association’s strength might be wrong.”

“Indeed, if the Jingdu martial arts association really controls more than half of the secret realm, then they might be able to create a top martial saint realm expert.”

Martial Saints were the palace in the hearts of almost all martial artists, but no one had ever set foot in it.

Even Jiang he and ye Qing, who were known as the number one, were only at the peak of the Martial Marquis realm.

“Let alone a martial marquis, a late-stage martial marquis is not someone we can compare with.” Then, Zhuang Teng laughed bitterly again.

The strength of a late-stage martial marquis was far above that of a middle-stage martial marquis.

And a peak-stage martial marquis was the strongest person in the current era.

It was said that the outstanding person at the peak of the Martial Marquis could rely on his physical body to resist the martial saint weapon!

If he had a physical body like Qin Yu's, once he stepped into the peak of the Martial Marquis Realm, the martial saint weapon would not be able to harm him at all!

Thus, the greatest reliance of the JINGDU martial arts association seemed to be helpless against Qin Yu.

Just as everyone was discussing, Qin Yu's figure suddenly appeared in everyone's field of vision.

He wore a light-colored sportswear and looked extremely refreshing.

“Qin Yu, why is he here?” Everyone was somewhat surprised when they saw this.

For a moment, everyone’s gazes fell on Qin Yu!

“Could it be that he also wants to participate in this academy?” Chu Heng exclaimed.

“Brother Qin, I didn’t expect you to come.” Zhuang Teng thought for a moment and then politely walked toward Qin Yu.

Qin Yu nodded at him and didn’t say anything.

Zhuang Teng said with a smile, “Brother Qin, why are you here?”

Qin Yu glanced at him and said, “I’m here for the same reason you are here.”

As soon as he said this, Zhuang Teng’s mouth opened wide.

“Brother Qin, you killed Qu Xie and made the Jingdu martial arts association lose face. Aren’t you afraid that they will attack you?” Zhuang Teng couldn’t help but ask.

Qin Yu sneered. “I didn’t kill Qu Xie. It was one of their own people.”

Chu Heng gave Qin Yu a thumbs up and said, “Brother Qin, I really admire your courage.”

Qin Yu didn’t say anything more. He closed his eyes slightly and waited for the academy to open.

To Qin Yu, he came here for two purposes.

The first was for the Scripture Depository, and the second was to explore the secret realm and find the secret realm that imprisoned Yan Ruoxue.

Of course, Qin Yu knew that there would be danger, but if he didn't come, he might never be able to save Yan Ruoxue.

Just as everyone was waiting, Qin Yu suddenly felt a familiar internal Qi.

He frowned slightly and looked in the direction of this internal Qi.

He saw Granny Qin and Xia hang walking over.

Beside Granny Qin was a black-haired young man.

The young man had a head of waterfall-like hair, and his long and narrow eyes were cold.

The Moment Qin Yu looked at Granny Qin, Granny Qin also noticed Qin Yu's figure.

"Qin Yu..."Granny Qin's body suddenly burst out with a ruthless aura!

She walked toward Qin Yu step by step, narrowed her eyes, and said, "Little Bastard, what are you doing here?"

Qin Yu pointed at the gate of the martial arts academy and said, "Of course I'm here to participate in the trip to the Mystic Realm."

"Are you worthy?"Granny Qin said angrily.

Qin Yu sneered, "Old Bastard, it's not up to you to decide whether you're worthy or not. Don't think that I don't know. The officials will be

monitoring the recruitment this time. I don't believe that you dare to go against the officials."

Xia hang told him all this information.

Ever since Qu Xie revealed the secret, the officials were furious.

In order to prevent the Jingdu martial arts association from using the same trick again, they had sent people to keep an eye on them.

"You Little Bastard..."Granny Qin was so angry that she was trembling.

At this moment, the black-haired young man behind him took a step forward.

A cold killing intent instantly assaulted his face!

Qin Yu frowned slightly after feeling this chill.

This youth's internal Qi seemed somewhat familiar, but he couldn't remember where he had seen it before.

"If you dare to talk nonsense again, I'll kill you."The black-haired youth's long and narrow eyes emitted a chill.

Qin Yu raised his brows and said, "Kill me? With just you? Who Are You? How come I've never seen you before?"

The black-haired youth didn't say a word. He only said quietly, "I'm stronger than all of you. In My Eyes, all of you are just a bunch of ants."

The moment these words were said, everyone was shocked.

Zhuang Teng and the others were extremely displeased.

Stronger than all of them? And he even treated the descendants of the aristocratic families as ants? This tone was too arrogant!

“Your tone is even louder than your feet. Where did you jump out from?”

At this moment, a figure walked over from not far away.

This person was none other than Kong Yun, who was second only to Yan Jinyao!

During this period of time, Kong Yun had also been in closed-door cultivation. Now, he had stepped into the advanced stage of the Marquis Realm!

This time, Kong Yun had only one purpose for coming out of closed-door cultivation. That was to become the number one person on the ranking list!

Chapter 713: Chapter 713: Swords Drawn and bows drawn

After coming out of seclusion, Kong Yun wanted to establish his might. Seeing the black-haired young man in front of him, Kong Yun naturally wouldn't miss it.

He took a step forward and coldly looked at the black-haired young man, saying, “You have such big words.”

The black-haired young man quietly said, “You're not bad, but in my eyes, you're Not Enough.”

“Madman!” Kong Yun immediately flew into a rage!

He held the destructive power in his hand and fiercely punched at the black-haired youth!

The black-haired youth did not Dodge. He raised his fist and met it head-on.

“Clang!”

A sound that sounded like steel clashing was immediately heard!

Under this tremendous force, Kong Yun was forced back three steps in succession. His fist was even shaken until it was in pain!

On the other hand, the black-haired young man was not affected at all!

All of a sudden, everyone was shocked!

“What a tough body!”Zhuang Teng exclaimed.

“His skin is like a layer of armor...”Chu Heng murmured in a low voice.

Kong Yun’s face was extremely ugly, but he had always been a person who refused to admit defeat, so how could he just let it go!

“This punch is nothing,”Kong Yun said coldly.

The internal Qi on his body was rapidly increasing, and the power of the late stage of the Martial Marquis Realm instantly erupted.

After sensing the internal Qi on his body, a powerful pressure immediately pressed down on him!

“Late stage of the Martial Marquis Realm?”Qin Yu frowned slightly.

These geniuses of the aristocratic families indeed lived up to their reputation! It had only been a short while, but Kong Yun had actually stepped into the advanced stage of the Martial Marquis Realm!

The black-haired young man's expression was still calm. He could not even feel the slightest fluctuation of internal Qi.

“Alright, let's stop here.” At this moment, Granny Qin suddenly stood up.

She looked at Kong Yun and said, “If you want to fight in the future, there will be plenty of opportunities.”

Although Kong Yun was unwilling, he still agreed to face Granny Qin.

Not far away, Blackie quietly looked in Qin Yu's direction.

“My Target is you.” Blackie stretched out his finger and pointed at Qin Yu.

The moment he raised his arm, Qin Yu realized that there was a palm print on Blackie's abdomen.

Looking carefully, Blackie's face seemed to have been injured.

These wounds seemed familiar.

“What do you mean!” Blackie's words infuriated Kong Yun once again!

“Do you think that I'm inferior to him, Qin Yu!” Kong Yun flew into a rage.

Blackie completely ignored Kong Yun. He only shot a cold glance at Qin Yu before leaving with Granny Qin.

Kong Yun's face was livid with anger. He gritted his teeth and looked at Qin Yu, saying, "Qin Yu, does he think that I'm inferior to you!"

Qin Yu glanced at him and said, "You're the best. You're the best in the world."

After saying that, Qin Yu turned around and left.

He walked toward the martial arts academy.

On the way, Qin Yu couldn't help but think of the palm print on Blacky's chest.

"I must have seen that palm print before..." Qin Yu touched his chin and thought to himself.

"HMM?"

Soon, Qin Yu seemed to have thought of something!

Wasn't this fist print on the body of the heaven-swallowing python?

And the injury on Little Black's face was also caused by a punch from Big Fatty!

"Could it be... that little black is the heaven-swallowing Python?" Qin Yu immediately turned pale with fright!

If that was the case, it was quite reasonable.

As an apothecary, Qin Yu knew of a kind of pill that could transform demonic beasts into human forms.

That pill was called the shape-changing pill, but the refining conditions were extremely harsh. Even Qin Yu might not be able to succeed with 100% success.

“Looks like Granny Qin is very interested in the heaven-swallowing Python.” Qin Yu touched his chin and said in a low voice.

“No wonder his body is so tough. I remember that this heaven-swallowing python... is at the peak of the Martial Marquis Realm, right?” Qin Yu’s expression immediately became somewhat ugly!

Even if it was an ordinary peak of the Martial Marquis Realm, Qin Yu couldn’t do anything to it, let alone a demon beast at the peak of the Martial Marquis Realm!

“Qin Yu! Go and tell that black-haired young man for me. Tell him that I, Kong Yun, will invite him to battle at Daming Mountain three days later!” At this moment, Kong Yun suddenly caught up.

Qin Yu rolled his eyes at him and said, “If you don’t want to die, don’t touch his eyebrows.”

“That black-haired young man didn’t use his full strength just now. Otherwise, you would have died a long time ago.”

“What nonsense!” Kong Yun was instantly furious!

“I am in the late stage of the Martial Marquis Realm. How could I fear him? Among my peers, even Yan Jinyao is nothing to me!”

Qin Yu sneered and said, “If you want to go, then go by yourself. But I have to remind you that this black-haired young man is in the peak stage of the Martial Marquis Realm.”

After saying this, Qin Yu shook off Kong Yun.

That day, Yan Jinyao did not show up.

However, Han Wei and the others came to the scene one after another.

As disciples of an aristocratic family, they had high talent. Naturally, they easily joined this academy.

As for ordinary people, they had to go through layers of selection, even for Qin Yu.

Just as Qin Yu was queuing up, a sinister voice suddenly came from the side.

“Qin Yu, we meet again...”that voice could not help but give people goosebumps!

Turning around, he realized that the person who came was actually He Teng!

“He Teng, you’re actually still alive!”Qin Yu’s body immediately erupted with a terrifying killing intent.

He Teng narrowed his eyes and said, “You’re not dead, of course I won’t die...”

Qin Yu did not want to waste time with He Teng. He said coldly, “Let me ask you, what’s going on with Fang Yue? Tell me and I’ll spare your life.”

“Hehe, Fang Yue... is just an ant at the bottom. Why are you so persistent...”He Teng said darkly.

“F * ck you!”Qin Yu couldn’t help but clench his teeth.

Fang Yue’s talent was very high. If it weren’t for he teng, she would definitely occupy a place among the younger generation!

But now, Fang Yue was still staying in the Divine Alchemist Pavilion, her life and death unknown.

“Are you going to tell me or not?”Qin Yu asked coldly.

He Teng narrowed his eyes and said, “Qin Yu, do you think I’m afraid of You?”

The two people’s internal Qi immediately collided with each other.

In the middle of the two people, waves of air currents even formed.

“If you want to fight, I’ll fight with you!”

At this moment, a rough voice suddenly came from not far away!

Turning around, he saw a strong man descending from the sky!

Seeing this person, Qin Yu was instantly stunned.

Because the person who came was none other than Chang Mang!

“Chang Mang? Weren’t you captured?”Qin Yu asked in a daze.

Chang Mang Strode in front of Qin Yu and said, “Qin Yu, let’s catch up later. Let Me Kill this bastard first!”

He Teng smiled sinisterly and said, “Saintly being Chang Mang... Tsk Tsk, interesting.”

“Don’t worry, we still have a long time. We have plenty of opportunities to fight.”He Teng snorted lightly.

He put away his arrogance and turned around to leave.

“Don’t go!”Chang Mang’s temper flared up again. He was just about to chase after him when he was stopped by Qin Yu.

“This is not the right time to fight. We have plenty of time to deal with him..”Qin Yu shook his head and said.

Chapter 714: Chapter 714, Yan Jinyao came out of seclusion

Chang Mang looked at He Teng’s back and then at Qin Yu, and his internal Qi started to disappear.

“Okay, I’ll listen to you.”Chang Mang snorted.

Qin Yu patted his shoulder and said, “Why are you here? Didn’t Zhen Yue say that you were taken?”

Chang mang nodded and said, “Yeah, I was almost taken. Fortunately, I woke up and escaped.”

“After I escaped, the Jingdu Martial Arts Association sent many black-gold Robes to hunt me down, so I didn’t dare to show myself.”

Qin Yu frowned and said, “I didn’t expect them to attack you as well.”

Chang Mang waved his hand and said, “The outside world said that you died in the immortal slaying sect. You...”

“I was lucky to escape,”Qin Yu said with a smile.

Chang Mang patted Qin Yu's shoulder and said, "There must be good fortune after surviving a great disaster! Qin Yu, it's all thanks to you that I owe you my life back then!"

Qin Yu said with a smile, "Alright, let's not talk about this anymore. Let's Register first."

Both of them were extremely talented people, so it was not a problem for them to join this academy.

After completing the relevant procedures, Qin Yu and Chang Mang walked out of the Academy together.

The official opening of the Academy would be three days later. As for the exact movements, no one knew.

"Follow me back to the Jade Moon Villa first." Qin Yu looked at Chang Mang and said.

Chang mang nodded and said: "Alright!"

And so, the two of them left the Jingdu together, hurrying towards the blue sky city.

After returning to the Jade Moon Villa, Zhen Yue prepared a large table of food.

At night, the few of them sat under the moonlight and drank with each other.

"Brother Qin, over the past few months, I have traveled almost half of the Yan country before I was able to escape from the pursuit." Chang Mang said as he took a sip of his wine.

Having said that, Chang Mang tore off his clothes, revealing his strong muscles.

“Look, this is what they have done.” Chang Mang said as he pointed at a shocking wound on his chest.

“Of course, they are not much better. I killed six of their black gold robes!” Then, Chang Mang changed the topic and said with a smile.

Qin Yu took a sip of wine and said in a low voice, “The Martial Arts Association of Jingdu is not that simple. Rumor has it that the purple robes are their strongest combat strength, but the truth of these words is not high.”

Chang Mang stared at Qin Yu and waited for him to continue.

Qin Yu continued, “Now I seriously suspect that they might have a top martial saint.”

“Martial Saint?” A trace of surprise flashed across Chang Mang’s face.

Qin Yu nodded and said, “That’s right, I have a strong premonition that they don’t only have a martial saint, there might even be more than one.”

Chang Mang’s expression gradually became solemn.

If there really was a martial saint, then no one would be able to go against the Jingdu Martial Arts Association.

No matter how many martial marquises were gathered, they were not worth mentioning in front of a martial saint.

“If they really have a martial saint, why didn’t they just send out a martial saint?” Xiao Yu tilted his head and said with some doubt.

Qin Yu shook his head and said, "I don't know either. Perhaps for some reason, they can't attack at will."

This feeling was very strong. Putting everything aside, just these eight high-ranking officials made Qin Yu feel a sense of danger.

"I have a thought. Do you think the martial saint of the Jingdu Martial Arts Association will cultivate in a secret realm?" Zhen Yue, who had been silent all this time, suddenly asked.

Qin Yu's eyes lit up slightly, then he nodded and said, "I have the same thought as you."

"Before the matter of the secret realm was exposed, I didn't think that the Jingdu martial arts association had such a powerful force."

"But ever since I found out that a large number of resources were hidden in the secret realm, I changed my mind."

When he said this, Qin Yu swept his gaze across the crowd and continued, "Even if they don't have a martial saint, there will definitely be someone who will step into the martial saint realm. Anything is possible in the secret realm."

The atmosphere instantly became somewhat heavy. Chang Mang, who had always been optimistic, could not help but frown.

"Then what should we do? What can we do?" Chang Mang asked.

Qin Yu shook his head and said, "What we can do is to increase our strength as soon as possible. At least, before their martial saint makes an appearance, we will have a certain amount of battle strength."

“This is the only way.”Chang Mang sighed with emotion.

Qin Yu could not help but sigh slightly.

At this moment, he felt that the Jingdu martial arts association was like an insurmountable mountain.

However, in order to save Yan Ruoxue, Qin Yu had no choice but to go forward.

After dinner, Qin Yu and Zhen Yue returned to the hall.

Qin Yu took out the Prajna ruler from his bosom and placed it in front of Zhen Yue.

“This object is called the Prajna ruler. It’s a martial saint’s weapon,”Qin Yu said.

Zhen Yue stared at the Prajna ruler in front of him, and his eyes emitted a strange light.

Qin Yu handed the prajna ruler to Zhen Yue and said, “I’ll be returning to Jingdu tomorrow. I’ll leave this prajna ruler to you.”

“If anything happens, I think the Prajna ruler should be able to handle it. But don’t use it unless it’s a critical moment.”

Zhen yue frowned and said, “Will you be gone for a long time?”

“I don’t know.”Qin Yu shook his head.

“In short, you have to guard the Green Moon Villa Well.”

Seeing Qin Yu's grave expression, Zhen Yue didn't dare to ask further. He could only nod carefully.

The Green Moon Villa might become Qin Yu's base.

After all, it was impossible to pull out the Jingdu martial arts association by one person.

...

At this moment, in a manor in Jingdu.

In a secret room in the manor, there was a strange sound, as if something was about to explode.

“Boom!”

A moment later, the secret room exploded with a strange color. The light slowed down for half a second, and then spread out like water ripples in all directions!

The loud sound immediately woke up Yan Sihai who was sleeping soundly.

Yan Sihai frowned slightly. He put on his clothes and hurried downstairs.

He saw a young man standing at the door of the secret chamber.

The Young Man's face was as white as paper. There was no color of blood on his face. He looked like a sickly man.

However, the aura on his body was extremely powerful. No one dared to look at him directly!

“Jinyao, have you come out of seclusion?” Yan Sihai walked up quickly.

After walking in, Yan Sihai realized that there was a crazy smile on Yan Jinyao’s face.

Half a second later, Yan Jinyao laughed out loud, “Hahaha, I understand, I understand!”

Yan Sihai was confused and frowned, “Jinyao, what’s Wrong?”

Yan Jinyao glanced at Yan Sihai and then sneered, “Dad, I finally understand the secret of this bloodline.”

“The mystery of the Bloodline?” Yan Sihai was stunned.

“You mean.... the bloodline of Yan Ruoxue?”

Chapter 715: Chapter 715, heaven-devouring Python V S Yan Jinyao

Yan Jinyao’s eyes were filled with madness as he nodded and said, “That’s right, it’s the bloodline of Yan Ruoxue!”

“I really didn’t expect that such a holy object would awaken in Yan Ruoxue’s body!”

Yan Sihai was confused as he listened. He knew nothing about the power of this bloodline.

“Dad, has there ever been a great cultivator in our family’s history?” Yan Jinyao asked.

Yan Sihai still shook his head and said, "I'm afraid you'll have to ask your grandfather about this."

Hearing this, Yan Jinyao immediately said, "Father, find him right away. I have something to ask him."

"Is it very important?" Yan Sihai seemed to be somewhat unwilling.

During this period of time, he had almost given up on hunting down old Mister Yan.

Of course, through the means of the Yan family, Yan Jinyao was also secretly suppressing the development of old Mister Yan's career.

"It's very important," said Yan Jinyao.

"I've already comprehended 80% of this bloodline! Just 80% is enough to enlighten me!"

"Do you know what this means? The talent of this generation that worships me has been forcefully enhanced under this bloodline!"

Speaking up to this point, Yan Jinyao clenched his fist. Rays of resplendent light gathered on his palm.

This casual grip seemed to contain a destructive energy!

The heat caused Yan Sihai's expression to change slightly.

"Boom!"

Then, Yan Jinyao gently waved the light in his hand.

This light instantly swept across, and a mountain peak in the distance was instantly split into two halves!

A casual attack could move mountains and overturn seas, and this could not help but cause Yan Sihai to turn pale with fright.

“I’ve only comprehended 80% ! If I could possess all the bloodline power, the number one person in the world would definitely be me.”The more Yan Jinyao spoke, the crazier he became.

“I even feel that I would become the first person to step into the Martial Saint Realm!”

When he heard this, Yan Sihai’s expression turned grave.

“Alright, I’ll think of a way to bring him back,”Yan Sihai said.

Then, Yan Sihai continued, “Oh right, Qu Xie was killed by Qin Yu, and there’s an important piece of news.”

Yan Sihai told everything he knew to Yan Jinyao and uncle Chen.

After Yan Jinyao heard it, he immediately frowned.

“Mystic Realm ? What is this ? Why have I never heard of it ?”Yan Jinyao frowned.

“Not to mention you, even I haven’t heard of it before,”Yan Sihai said coldly.

“It’s said that this mystic realm contains a real heritage.”

Yan Jinyao said coldly, “Mystic realm... I got it.”

At this moment, Yan Jinyao didn't seem to be interested in the mystic realm.

Compared to the mystic realm, Yan Jinyao hoped to obtain all the bloodlines!

Because that power was too tyrannical, it was as if a new world had opened up!

...

Time flew by, and in the blink of an eye, three days had passed.

At nine o'clock in the morning, the entrance of the academy was already filled with people.

To Qin Yu's surprise, there were at least close to a hundred people here!

The weakest among them was only a martial grandmaster!

"Why are there so many people?" Qin Yu asked with a frown.

Chang Mang said in a deep voice, "Could it be that the conscience of the JINGDU martial arts association has been discovered?"

"Impossible." Qin Yu shook his head.

Having crossed paths with them so many times, Qin Yu already knew what kind of person this association was.

"Sigh, let's not bother about him. Having more people won't be a bad thing," Chang Mang said.

Qin Yu didn't say much. He and Chang Mang walked into the inner part of the academy in large strides.

They were the first batch of students, and their strength was at the Martial Marquis Realm. Therefore, there were almost no restrictions in this academy.

Of course, no one would come to impart spells.

The only benefit of joining this academy was that they could enter the mystic realm together.

After a simple ceremony, they could be considered to have officially joined this academy.

As for their first experience in the mystic realm, they would have to be notified separately.

Qin Yu and Chang Mang walked in the Martial Arts Academy. He released his spiritual sense, wanting to rely on the method from the last time to find the mystic realm.

Unfortunately, there were too many people here, and the aura was chaotic. Qin Yu couldn't even catch a trace of the internal Qi.

Looks like I can only try again tonight, Qin Yu thought to himself.

Just as Qin Yu was about to leave, a black-haired youth blocked Qin Yu's way.

This person was none other than the sky-devouring Python's Blackie.

Blackie looked at Qin Yu coldly, the killing intent in his eyes was not concealed at all.

Even though he had completely restrained his internal Qi, he could still feel the powerful aura from his body.

“What are you trying to do!” Chang Mang took a step forward and his voice was like thunder.

Blackie glanced at Chang Mang and said coldly, “It has nothing to do with you. Get lost.”

Chang Mang was instantly enraged. He was about to speak, but was stopped by Qin Yu.

“Chang Mang, step aside. This is my own business,” Qin Yu said.

However, Chang Mang’s bad temper couldn’t take this in. Without saying anything, he clenched his fist and rushed towards Blackie’s face!

Blackie stood there without moving, allowing Chang Mang’s fist to land on his face.

“Dang!”

After a loud sound, Blackie was unharmed!

A black light burst out from his body.

This black light was extremely familiar, it was the color of the heaven-swallowing Python!

“HM?” Chang Mang glanced at his fist, seeming to be somewhat suspicious.

“You don’t know death.” Blackie snorted coldly, and then slapped towards Chang Mang!

The terrifying power directly forced Chang Mang back dozens of steps!

In the next second, Blackie opened its mouth slightly and spat out streams of internal Qi!

This internal Qi had a pungent smell and a foul stench.

The moment this internal Qi appeared, Qin Yu felt that something was wrong!

Because this internal Qi was poisonous!

Qin Yu hurriedly pulled Chang Mang up and blocked him behind him.

Following that, Qin Yu raised his palm and a stream of purple flames immediately flew forward!

Internal Qi was an extremely yang item, and it could restrain all yin and evil. Naturally, Blackie's aura was no exception.

After that aura was successfully extinguished, a strange smile appeared in Blackie's eyes.

“You have some ability,” Blackie said coldly.

As he spoke, he took off his black robe, revealing his extremely smooth skin.

“It really is the heaven-swallowing Python.” Seeing his skin, Qin Yu frowned.

The heaven-devouring Python was a top grade demonic beast!

Moreover, his strength was far above Qin Yu!

“There’s a good show to watch.”The people at the side quickly surrounded him.

“I didn’t expect that I would encounter such an interesting thing as soon as I came out of seclusion.”

At this moment, a familiar voice was heard.

Turning his head, he saw Yan Jinyao slowly walking over with his hands in his pockets.

“Yan Jinyao?”Seeing Yan Jinyao, Qin Yu’s face darkened again.

This B * Stard actually came too.

Yan Jinyao ignored Qin Yu and looked at little black. He acted like a senior and said, “Don’t worry. Just do it. I will protect your life.”

Little black frowned slightly.. He looked at Yan Jinyao in front of him and said coldly, “Get lost.”

Chapter 716: Chapter 716, the power of the heaven-swallowing Python!

“What did you say?”Yan Jinyao frowned slightly, and his face quickly turned cold.

“I told you to get lost. If you don’t want to die, then get lost a little further,”Blackie continued.

As soon as he said this, Yan Jinyao immediately became furious.

He looked at Blackie coldly and said with a faint smile, “Why? I’ve been in closed-door cultivation for a few days, and there’s already someone who doesn’t know me?”

Blacky didn’t know Yan Jinyao at all, not to mention Yan Jinyao’s words, which made him quite unhappy.

Qin Yu, who was watching the two of them argue, was happy to see it.

“It’s really dog-eat-dog,” Chang Mang snorted at the side.

Blacky didn’t pay attention to Yan Jinyao anymore. A black light that was like skin burst out from his body, and his aura was also unleashed at this moment.

An extremely strange aura surrounded his body. This feeling made people feel numb all over and fear from the bottom of their hearts.

Even Yan Jinyao couldn’t help but frown.

“Qin Yu, die,” Blackie said coldly.

Before he finished speaking, he clenched his fist and rushed towards Qin Yu.

His fist was brewing with a force of ten thousand tons.

A force that could topple mountains and overturn seas carried gusts of wind.

Qin Yu’s expression did not change. With a loud shout, he raised his golden fist.

In the next second, the two incomparably fierce fists collided.

“Boom!”

The collision brought about waves of terrifying collision force. This force exploded between the two of them and then spread out in all directions!

Some who could not dodge in time were directly shaken until they vomited blood.

A large locust tree beside the two of them was directly shaken into powder!

Dust fell, and the two of them stood on the spot without moving an inch.

The collision of the two rays of light appeared especially dazzling under the sunlight.

“Not bad.”After a while, little black spat out a word.

Qin Yu remained silent, but he was greatly shocked in his heart!

The physical body of this heaven-swallowing python was indeed extremely tyrannical!

With Qin Yu’s current physical body, he was no weaker than anyone below the martial saint level!

However, against the heaven-swallowing Python, Qin Yu could not gain any benefits at all!

“If I was at the same realm as him, I would have the confidence to win. However, the gap between our realms is too big.”Qin Yu frowned.

The advantage of the physique seemed to have disappeared in front of the demonic beasts.

And little black was a genuine peak-stage martial marquis! He was three realms higher than Qin Yu!

If they were to really fight, Qin Yu had no chance of winning!

Everyone held their breaths as their eyes fell on the small battlefield.

Yan Jinyao's brows slightly furrowed.

He could feel the power of Xiao Hei's punch! Moreover, he could clearly feel that this was not his full strength at all!

"When did such a pervert appear again?" Yan Jinyao said coldly.

"Brother Yan, you might not know this, but Xiao Hei is Granny Qin's disciple. It is said that he is half her son," Zhuang Teng said as he walked forward.

"Granny Qin?" Yan Jinyao seemed to have understood.

Granny Qin's status in the Jingdu martial arts association was very high. She was even higher than Qu Xie.

As for her strength, it was even more unfathomable.

Since she was one of her people, it was easy to understand.

Yan Jinyao retreated to the side, seemingly not planning to attack Blackie anymore.

At this moment, Blackie's internal Qi was still climbing.

An invisible pressure was pressing toward Qin Yu.

Qin Yu's shoulders seemed to be carrying two mountains, and his body emitted crackling sounds.

"Your realm is too low. I can kill you with just a raise of my hand," Blackie said coldly.

"Is that so?" Qin Yu took a deep breath, and the internal Qi on his body suddenly exploded!

When the two internal Qi collided, Xiao Hei was obviously stronger. Qin Yu's internal Qi seemed to be unable to resist.

Just as the swords were about to be drawn, a man wearing a brocade robe walked over.

"Fighting is not allowed in the academy." This person was none other than Xia Hang.

Xia Hang stood between the two of them and said coldly, "Both of you, stop."

Blackie frowned and seemed to be a little unhappy.

However, due to Xia Hang's identity, Blackie finally withdrew the murderous aura from his body.

"President Xia, there's nothing wrong with interacting and communicating among the same generation." Right at this moment, Granny Qin suddenly walked out.

She took an old step, and her face that was full of wrinkles bloomed with a smile that was like a steamed bun.

“Granny Qin.”Xia hang hurriedly greeted Granny Qin.

Granny Qin smiled faintly and said, “The younger generation should interact more. Otherwise, how can they improve?”

With Granny Qin as a backer, Blacky was instantly relieved.

His long hair fluttered in the wind, and his aura at the peak of the Martial Marquis realm was even more obvious!

“Peak of the Martial Marquis Realm!”After sensing this internal Qi, Yan Jinyao’s pupils suddenly constricted! His expression instantly became extremely unsightly!

“It’s really the peak of the Martial Marquis Realm!”Kong Yun also stood out and shouted loudly!

He recalled what Qin Yu said, but he didn’t believe it at that time.

Now that he thought about it, he really felt a lingering fear!

If this little black really accepted his challenge, then Daming Mountain would probably become a burial ground!

“Granny Qin, today is the first day of school, it’s not suitable to see blood.”Xia hang continued to smooth things over.

Granny Qin was silent for a moment, as if she felt that Xia hang’s words made sense.

She said with a smile, “Xiao Hei, have you remembered President Xia’s Words?”

“Granny Qin, I’ve remembered it.”Xiao Hei nodded and looked at Qin Yu at the same time.

Qin Yu couldn’t help but frown.

Granny Qin’s meaning was very obvious. She was telling Xiao Hei that he could make a move at any time after a few days.

Xiao Hei left with Granny Qin while Qin Yu stood where he was.

“Qin Yu, who told you to stir up trouble!”Xia hang shouted.

Qin Yu glanced at Xia hang and snorted, “He came to provoke me. Are You Blind?”

“You still dare to argue? Follow me to the Office!”Xia Hang said angrily.

“YOU MOTHERF * cker...”Chang Mang, who was at the side, suddenly became anxious and opened his mouth to scold.

Qin Yu hurriedly stopped Chang Mang and waved his hand, “I’m fine.”

After saying that, Qin Yu followed behind Xia Hang and walked into the office.

After arriving at the office, Xia Hang locked the door.

At the same time, he released his spiritual sense to ensure that there was no one around.

“Qin Yu, you’d better leave this place quickly,”Xia Hang said coldly.

“That little black is the incarnation of the heaven-swallowing Python. His strength is unfathomable. You are definitely not his match!”

“Other than the heaven-swallowing python, Yan Jinyao, Ao Zhan, and even Han Xiu will attack you at any time!”

Qin Yu said jokingly, “Aren’t you the president? You can protect me.”

Xia Hang said with a cold face, “I’ll protect you? Don’t you know that Granny Qin is still in charge here!”

Qin Yu was puzzled, “Why? She doesn’t seem to have any official position, right?”

Xia Hang said in a deep voice, “She doesn’t need an official position.. She controls the transfer of the purple robe, as well as many honored guests of the Jingdu Martial Arts Association.”

Chapter 717: Chapter 717, the secret of the Jingdu Martial Arts Association

“In other words, Granny Qin is in control of a very powerful force?” Qin Yu said.

Xia hang nodded and said, “Yes, her status is much higher than Qu Xie’s.”

This immediately made Qin Yu in a dilemma.

He originally planned to let Xia Hang find an opportunity to evacuate the purple robe of the Jingdu Martial Arts Association in the future.

Or rather, he would directly ask Xia Hang to betray the purple robe.

But now, it seemed that this was almost impossible.

“Xia Hang, what do you think is the most powerful force of Jingdu Martial Arts Association?” Qin Yu asked in puzzlement.

Xia Hang said in a deep voice, “On the surface, the most powerful force is the purple robe.”

Qin Yu nodded silently and said, “What exactly do you think the strength of those higher-ups is?”

“This... I don’t know either,” Xia Hang said.

“But I’ve never seen their real faces since I’ve been in the job for so long.”

“Not only me, but even Qu Xie has never seen them.”

Qin Yu touched his chin and said in a low voice, “Is it possible that these eight higher-ups can’t show their faces at all?”

“For example... they are restricted in a certain secret realm?”

Xia hang’s mouth opened wide when he heard Qin Yu’s words.

This thought was a bit crazy.

Eight executives controlled the JINGDU martial arts association by relying on their shadows?

“Otherwise, why are these eight executives so eager to expand their power?” Qin Yu said in a low voice.

“Also... Qu Xie said last time that they sealed all the resources and controlled them. What are the biggest benefits of doing this?”Qin Yu looked at Xia Hang.

Xia hang thought for a moment and suddenly said, “In order to prevent outsiders from cultivating too quickly! In case they threaten the Jingdu Martial Arts Association!”

“Yes.”Qin Yu nodded.

This idea was also what Qin Yu had just guessed.

Before the secret realm was exposed, Qin Yu had never thought of it this way.

However, this secret realm was not only hidden from the various aristocratic families, even the higher-ups had been deceived by them.

Wasn't its purpose to prevent anyone from threatening them ?

Other than that, people like Qin Yu who could threaten them, they would immediately kill them!

And Yan Ruoxue's bloodline would also be unable to escape their claws.

From the looks of it, the JINGDU martial arts association seemed to be deliberately suppressing the strength of martial artists.

“These higher-ups have existed for many years. Their cultivation level is very likely at the Martial Saint Realm,”Qin Yu said.

“If they were martial saints, there's no need to be afraid of anyone.”

“But now, they haven’t shown up for a long time. Therefore... they are most likely just a shadow.”

Speaking up to this point, Qin Yu looked at Xia Hang and said in a deep voice, “Xia Hang, I will think of a way to let you go one step further and try to get in touch with those eight higher-ups.”

Xia hang said nervously, “What do you want to Do?”

Qin Yu waved his hand and said, “No need to ask.”

“Oh right, when will the first Secret Realm Open?”Qin Yu asked.

Xia hang said, “I don’t know yet. I need to have a meeting to discuss it.”

“Okay.”Qin Yu agreed.

“Remember to tell me when you have news.”

After saying this, Qin Yu turned around and walked out of the office.

As soon as he walked out of the door, Qin Yu bumped into Kong Yun.

Kong Yun’s whole body was full of flames, and his eyes were as wide as copper bells.

Qin Yu frowned and said, “What? You still want to fight with me? Then go and queue up.”

Kong Yun was silent for a moment, then he snorted and said, “Count it as I owe you a favor.”

After saying this, Kong Yun turned around and left.

Qin Yu was confused.

Owe Me a favor? What does this mean?

“Inexplicable,” Qin Yu muttered.

...

In this academy, there was a dormitory.

After Qin Yu returned to his residence, Chang Mang quickly walked up to him.

“That bastard Xia hang didn’t do anything to you, right?” Chang Mang asked.

Qin Yu shook his head and said, “No.”

Chang Mang grunted in gratitude, and then he said in a low voice, “You have to be careful. I heard from them that that black-haired kid won’t let you off.”

This indeed gave Qin Yu a bit of a headache.

Xiao Hei was a peak-stage martial marquis, and his strength was far above Qin Yu’s.

In a fight, he really wasn’t a match for him.

I have to find a time to break through as soon as possible, Qin Yu thought in his heart.

He originally planned to wait until he entered the mystic realm to obtain the treasure, then strive to step into the late-stage martial marquis in one go.

At that time, there was no need to be afraid of Xiao Hei.

But now it seemed that it was a bit too late.

“Forget it, let’s take it one step at a time.”Qin Yu sighed slightly.

He got up and left the dormitory building. He came to the square of the academy once again.

“There are few people now. Maybe I can try to find the location of the Mystic Realm,”Qin Yu thought to himself.

He released his spiritual sense and tried to find the connection with the mystic realm.

This was a meticulous job. Qin Yu didn’t dare to be distracted at all. He tried hard to find this trace of connection.

However, at this moment, Qin Yu suddenly opened his eyes.

He frowned and said in a low voice, “Could it be that my senses are wrong?”

Thinking of this, Qin Yu closed his eyes again. His powerful spiritual sense spread out in all directions.

Very soon, Qin Yu caught sight of that figure again.

“It really is him!”Qin Yu could not help but curse in his heart.

He did not find the mystic realm, but he did find an acquaintance: the handlebar mustache!

This bastard actually came!

Qin Yu cursed in his heart. He followed his spiritual sense and ran in the direction of the handlebar mustache.

At this moment, the handlebar mustache was sitting by the roadside and talking with confidence.

“There is no place in this world that I don’t dare to Go! I can do anything from heaven to Hell!”

Just as the handlebar mustache was bragging, Qin Yu patted his shoulder with a dark face.

“When did you come?” Qin Yu asked with a dark face.

Hearing Qin Yu’s voice, the handlebar mustache hurriedly jumped up from the ground.

Then, he took off and said as he walked, “Who are you? I don’t know you. Don’t come over!”

As he spoke, the handlebar mustache had already fled hundreds of meters away while Qin Yu was chasing after him relentlessly.

The handlebar mustache only heaved a sigh of relief when he arrived at an empty place.

“What’s wrong with You Again?” Qin Yu could not help but curse.

The mustached man patted his own chest and said, “Qin Yu, don’t think that I don’t know that everyone in this academy wants to kill you. Whoever gets close to you will suffer! Don’t drag me into this.”

Qin Yu rolled his eyes and said, “Don’t worry. The person they are looking for is me. It Won’t involve you.”

The moustache man mumbled, “Who knows? It would be bad if he was injured by accident, especially the heaven-swallowing python. It is a peak-level demon beast at the peak of the Martial Marquis realm. Who would dare to provoke it...”

“You know about the heaven-swallowing Python?” Qin Yu raised his eyebrows.

The moustache man said, “Of course! Let me tell you, among demon beasts, the heaven-swallowing Python is equivalent to the concept of a chaotic body among humans. They are all invincible among the same level. Do you understand?”

“The heaven-swallowing Python is invincible in the same level among the demon beasts, let alone compared to humans.”

Chapter 718: Chapter 718, the method to open the secret realm

The promise made by the moustache made Qin Yu more worried.

“In other words, he has the advantage in terms of physique,” Qin Yu said in a deep voice.

The moustache waved his hand and said, “That’s not true. The special physique of human cultivators is not inferior to his heaven-swallowing Python.”

“Take you for example. If you two were at the same level, who knows what would happen.”

Qin Yu smiled and said, “There’s no need to be at the same level. As long as I step into the late stage of the Marquis Realm, I Won’t be afraid of his heaven-swallowing Python.”

“I don’t refute that.”The mustached man spread his hands and said.

“Let’s not talk about this.”Qin Yu changed the topic and continued to ask, “Do you know how to open the secret realm?”

The mustached man shook his head and said, “If I knew how to open the mystic realm, I wouldn’t need to come here.”

Qin Yu frowned.

He didn’t expect that even the mustached man didn’t know about the mystic realm.

“Alright, Don’t Talk to me if you have nothing to do these few days. I don’t want to be implicated,”the mustached man muttered.

After saying this, he walked away happily.

After taking two steps, the moustache man suddenly stopped and said, “Where’s the little girl by Your Side?”

“Little Girl?”Qin Yu was stunned.

“Are you talking about Little Yu?”

The moustache man nodded and said, “That’s right. The people of the Han palace have their eyes on her. Why didn’t you bring her here?”

Qin Yu was silent for a moment.

The moustache man’s words were indeed reasonable. After all, this was the territory of the Jingdu Martial Arts Association. It was likely that the Han Palace wouldn’t dare to come and act impudently.

“I’ll go back and pick her up now,” Qin Yu said.

Just as Qin Yu was about to leave, a voice suddenly came from within the academy.

The voice seemed to be transmitted through some kind of spell and came from all directions.

“Everyone, go to the square.”

The voice was extremely short, only a few words.

Qin Yu didn’t think too much and immediately walked towards the square.

The square was already filled with people.

Xia hang and Granny Qin were already standing in front of them.

“Why are you suddenly calling us to gather?” Chang Mang frowned.

Qin Yu shook his head and said, “I’m not sure.”

After about ten minutes, Granny Qin finally spoke.

She glanced at the crowd and said faintly, "I believe that everyone has heard about the secret realm. As the leader of the martial arts world, we will naturally announce the secret realm that we control to the public."

Hearing this, almost everyone present became excited.

Qin Yu narrowed his eyes slightly and waited for Granny Qin to continue.

Granny Qin continued, "The first opening of the mystic realm will be in half a month's time. I hope that everyone will arrive on time."

"Half a month? That Long?" Chang Mang could not help but frown.

It was not just Chang Mang. Almost everyone could not help but complain.

"Half a month, that's too long."

"Didn't they say it was just these few days?"

"Why did the timeline have to drag on so long?"

Everyone complained, but Qin Yu remained silent.

"Half a month?"

Qin Yu frowned.

This number seemed somewhat familiar.

A moment later, Qin Yu suddenly thought of something.

He took out his phone and calculated the time.

As expected, half a month later was the day that the ten-thousand-year-old divine herb was born! It just happened to clash with the Mystic Realm!

Qin Yu looked up at Granny Qin and suddenly had some doubts in his heart.

Could it be... That Granny Qin also got the News? So she deliberately opened the mystic realm half a month later?

One had to know that a stalk of ten-thousand-year-old herbs had extraordinary significance. Even the mystic realm could not be compared to it.

Once a herb reached 10,000 years old, it would step into another level.

Even a 9,999-year-old herb would be worlds apart from a 10,000-year-old herb.

“Is it a coincidence, or is it intentional?” Qin Yu frowned.

He looked at Granny Qin in front of him and shouted, “Are you going to lead the team to the Secret Realm?”

Granny Qin glanced at Qin Yu coldly and said, “President Xia and the three purple robes will lead the team.”

“What About You?” Qin Yu continued to ask.

Granny Qin looked at Qin Yu coldly and said, “Do I need to report to you what I Do?”

After saying this, Granny Qin snorted coldly and ignored Qin Yu.

Qin Yu touched his chin and said in a low voice, “This... doesn’t seem like a coincidence.”

This put Qin Yu in a dilemma for a moment.

Qin Yu was filled with curiosity towards the secret realm.

Although he had been to the secret realm of the Hong Yi sect last time, the resources of that secret realm had long been exhausted.

However, the attraction of these 10,000-year-old herbs to Qin Yu seemed to be even greater!

As long as he obtained this 10,000-year-old herb, Qin Yu would be able to step into the late stage of the Martial Marquis Realm! Even to the peak!

Once he stepped into the late stage, the Jingdu Martial Arts Association would be like entering an uninhabited realm to Qin Yu!

And Qin Yu also planned to attack the Jingdu martial arts association after he stepped into the late-stage of the Marquis of martial arts and forcefully save people!

“Forget it.”After hesitating over and over again, Qin Yu finally decided to give up on this trip to the mystic realm and focus on the ten-thousand-year-old medicinal herbs that had been born.

After the meeting ended, Qin Yu found the handlebar mustache.

He grabbed the handlebar mustache that he wanted to escape and said in a deep voice, “You don’t have to be so nervous. With your ability, I believe that the heaven-swallowing Python can’t do anything to you.”

The handlebar mustache muttered, “You can’t say that. I’m nothing except for Archaeology.”

Qin Yu was not in the mood to argue with him. Instead, he said in a cold voice, “Let me ask you, is there any way to resurrect the two male corpses?”

The handlebar mustache widened his eyes and said, “Are you crazy? You think too highly of me! Last time, I spent a lot of effort to help you!”

“Is there really no way?” Qin Yu frowned and said.

The mustached man shook his head and said, “There’s no way. If we continue to forcefully resurrect, those two male corpses will very likely develop their own consciousness.”

“When that time comes, it will be a disaster for the entire world.”

Qin Yu fell silent.

If two mighty figure corpses were to develop their own consciousness, it would really be a disaster.

Not to mention martial artists, even modern weapons couldn’t do anything to him.

Looks like I can only rely on myself, Qin Yu thought to himself.

The moustache man pulled Qin Yu's arm and said, "Do you have any bad ideas?"

Qin Yu sized up the moustache man and said with a smile, "Moustache man, I'll seriously talk to you about something. If you can find a way to open the secret realm, I can tell you a secret. How about it?"

"A way to open the secret realm?" The handlebar mustache touched his chin as if he was weighing the pros and cons.

"It seems that this handlebar mustache really has a way to open the secret realm," Qin Yu thought to himself.

The handlebar mustache opened his mouth and was about to speak when a figure walked toward the two of them.

Seeing this figure, the handlebar mustache hurriedly took two steps back and ran away.

My Rich Wife – Chapter 719 –

Chapter 719: Chapter 719, the Divine Dragon Mark

Seeing this figure, Qin Yu's face instantly turned cold.

It was none other than the heaven-swallowing Python's little black.

He stood in front of Qin Yu and said condescendingly, "Are you still planning to run? Who will come to save you this time?"

Qin Yu narrowed his eyes and sneered, "You bastard, that slap last time actually didn't kill you!"

The heaven-swallowing Python was not angry at all. It said coldly, "Without those two corpses, how are you going to deal with me?"

As it spoke, waves of internal Qi burst out from the body of the heaven-swallowing python.

Qin Yu knew that this big battle was inevitable. Therefore, he didn't dare to neglect it and immediately adjusted his internal Qi to the maximum.

At the same time, the power of the divine dragon flashed out from between Qin Yu's eyebrows.

A red mark flashed between his brows.

"Come." Just as Qin Yu was about to make a move, a trace of panic flashed across the heaven-swallowing Python's face!

He subconsciously took two steps back, and his black pupils were filled with fear.

Seeing the heaven-swallowing Python's appearance, Qin Yu couldn't help but frown.

What was going on? Why did the heaven-swallowing python, which was showing off a moment ago, become like this?

Qin Yu stared at the eyes of the heaven-swallowing Python and soon sensed something.

The eyes of the heaven-swallowing Python had been staring at the Divine Dragon Mark between Qin Yu's eyebrows!

In other words, this divine dragon mark scared the heaven-swallowing Python away!

"Oh, you are a demon beast, so you are naturally afraid of the Divine Dragon, right?" Qin Yu seemed to have guessed something.

As he spoke, Qin Yu walked towards the heaven-swallowing Python step by step.

The panic on the face of the heaven-swallowing Python became more and more intense.

As Qin Yu approached, his face became somewhat pale, and he even sat down on the ground!

"Hahaha!" Qin Yu could not help but burst into laughter when he saw the situation.

"Is that all you have? It seems that the fear of the divine dragon is engraved in your bones and bloodline." Qin Yu narrowed his eyes and said.

The heaven-swallowing Python struggled to stand up from the ground. He gritted his teeth and said, “Qin Yu, don’t be arrogant for too long. So what if it’s the power of the Divine Dragon!”

“Oh, is that so?”Qin Yu sneered repeatedly.

“Then you can come and try!”Qin Yu shouted loudly.

The heaven-swallowing Python’s body trembled. It seemed that it wanted to make a move, but its body didn’t listen to its command.

“You... JUST YOU WAIT!”The heaven-swallowing Python said while gnashing its teeth.

Qin Yu said coldly, “Get lost!”

The heaven-swallowing Python clenched its teeth and turned around to run.

This made Qin Yu heave a sigh of relief.

“Damn, luckily I have the power of the Divine Dragon...”Qin Yu patted his chest.

He wiped the sweat on his forehead and said in a low voice, “Relying on the power of the divine dragon is not a long-term thing. This heaven-swallowing Python will be able to overcome this psychological pressure sooner or later.”

The so-called bloodline suppression was simply the fear that was engraved in the genes. All the pressure came from the psychology.

Once the heaven-swallowing Python overcame the psychological pressure, then Qin Yu would still be unable to escape the bad luck.

“I have to increase my strength as soon as possible,” Qin Yu said in a low voice.

...

Qin Yu, who had originally planned to leave the martial arts academy, suddenly changed his mind.

That night, he stood alone in the square and released his spiritual sense, in an attempt to find the connection with the secret realm again.

The martial arts academy was not as cold as Qing city, so finding this connection was much more difficult than before.

Secret sweat continuously broke out on his forehead. His entire mind was immersed in it.

This feeling was extremely unique. It was like a large spiritual sense hand groping aimlessly, relying on the spiritual sense to grasp that faint connection.

“Found it!”

After an unknown amount of time, Qin Yu finally grasped a thread-like connection!

He suddenly opened his eyes and followed this thread of connection, taking large strides forward.

As the feeling grew stronger, Qin Yu had already walked hundreds of meters and finally stopped in a courtyard.

The courtyard door was tightly shut and extremely strict.

The surroundings were even more deserted and no one could be seen.

Qin Yu looked at the door in front of him and said in a low voice, “According to my previous experience in Qing city, there should be a secret realm hidden here.”

Then, Qin Yu reached out his hand and touched the door.

Boom

At the moment of contact, an extremely powerful force erupted and directly sent Qin Yu flying!

That terrifying power was like a landslide. Even Qin Yu’s physical body was shaken until he spat out blood.

“What a powerful force!” Qin Yu climbed up from the ground.

He stared at the door in front of him and said in a low voice, “Could ruoxue be locked in this secret realm...”

This was the only Secret Realm Qin Yu had found in the martial arts academy. However, the JINGDU martial arts association controlled countless secret realms, so it was definitely not an easy task to find the secret realm that imprisoned Yan Ruoxue.

Qin Yu took a deep breath. He wanted to forcefully break open this door, but if he did so, it would definitely alarm the people of the martial arts association.

“It’s not realistic to force open this door.” Qin Yu was in a dilemma.

After thinking about it, Qin Yu decided to retreat temporarily and discuss with the handlebar mustache the next day.

Just as Qin Yu turned around, he realized that Granny Qin was already standing behind Qin Yu.

Her eyes stared coldly at Qin Yu.

The cold and terrifying internal Qi on her body caused the temperature to drop by a few degrees.

Their eyes met, and the atmosphere suddenly became quite stiff.

“Who told you to come here?” Granny Qin said coldly.

Qin Yu frowned. He didn't want to alert the enemy, so he lied, “I can't sleep. What's wrong with coming out for a walk?”

“Coming out for a walk?” Granny Qin sneered.

“Do you take me for a Fool?”

“Believe it or not.” Qin Yu snorted and turned to leave.

However, at this time, Granny Qin stretched out her shriveled claw-like palm and blocked Qin Yu's path.

Qin Yu frowned and said, “What are you doing?”

Granny Qin said with a faint smile, “Qin Yu, you don't think that with the intervention of the authorities, I won't dare to kill you, right?”

Qin Yu stopped in his tracks and frowned slightly.

Just as Granny Qin had said, the authorities had already sent people to intervene in the Jingdu martial arts association in the past few days.

This caused the JINGDU martial arts association to be like a frightened bird, almost not daring to do anything.

“This kind of official intervention has already appeared three times. This is the fourth time,” Granny Qin said faintly.

“They will stay here for at most a week. After a week, everything will be peaceful.”

Qin Yu said coldly, “So?”

“So?” Granny Qin grinned, revealing her yellow teeth.

“So, you only have one week left to live. Cherish it.”

Qin Yu snorted. He didn't say anything and turned to leave.

At this moment, Granny Qin suddenly reached out her palm and grabbed Qin Yu's head!

Chapter 720: Chapter 720, the vicious Granny Qin

Qin Yu's expression changed. Granny Qin's sudden attack left Qin Yu with no time to dodge!

Left with no choice, Qin Yu could only quickly activate the saintly body technique, intending to forcefully resist!

Granny Qin's skinny palm slapped Qin Yu's forehead.

However, what surprised Qin Yu was that this palm didn't have much strength, and didn't even feel anything.

Granny Qin retracted her hand and said with a faint smile, "Don't worry, I won't kill you for the time being."

Qin Yu touched his forehead and said coldly, "What did you do to me?"

Granny Qin grinned and said, "Don't worry, I only left a mark on your forehead to prevent you from escaping... Hehe..."

Qin Yu's expression changed slightly.

This old bastard was actually left with a mark?

If that was the case, wouldn't this old bastard know where he went?

"Old Bastard..." Qin Yu couldn't help but clench his fists.

Hearing Qin Yu's curses, Granny Qin narrowed her eyes and said, "It's true that I can't kill you for the time being, but it doesn't mean that I can't do anything to you."

As she spoke, Granny Qin's internal Qi became more and more dense.

Qin Yu was not inferior to her. He also erupted with a strong internal Qi and was ready to make a move.

Granny Qin's face was cold. Her internal Qi had been brewing for a long time, but in the end, it slowly dissipated.

She snorted coldly and said, "There's no rush. I'll let you live for a few more days."

After saying this, Granny Qin turned around and was about to leave.

After taking about two steps, Granny Qin stopped again.

She turned around and said with a faint smile, "I heard that you did all this for your little girlfriend, Yan Ruoxue?"

When Yan Ruoxue was mentioned, Qin Yu's body suddenly froze on the spot.

He took a deep breath and said, "You'd better not mention her name..."

Granny Qin laughed loudly and said, "Don't worry, Yan Ruoxue will not die, but she will be endlessly tortured."

"Old Thing, I think you are courting death!" Qin Yu immediately clenched his teeth, and his killing intent burst out.

"Hahaha!" Granny Qin laughed out loud again.

"It seems that Yan Ruoxue is really your weakness. I may have found a more suitable way to torture you," Granny Qin said darkly.

Qin Yu immediately felt that something was wrong. He hurriedly moved forward and grabbed Granny Qin.

"What are you trying to do? !" Qin Yu asked coldly.

Granny Qin remained silent. Her body shook violently, and the terrifying internal Qi forced Qin Yu back!

The internal Qi of a martial marquis at the peak of the Martial Marquis realm was extremely terrifying!

“I don’t need to report to you what I’m trying to do,”Granny Qin said with a cold smile.

“But I can tell you in advance that your little girlfriend is in great pain right now.”

Qin Yu’s expression was extremely ugly. He was on the verge of breaking through the defense.

And Granny Qin seemed to enjoy seeing Qin Yu’s posture.

Qin Yu’s expression was extremely cold, and his body was trembling slightly.

“The heaven-swallowing python... seems to be very afraid of the power of the Divine Dragon.”At this moment, Qin Yu suddenly said.

Hearing this, Granny Qin’s expression turned slightly cold.

She narrowed her eyes and said, “So?”

Qin Yu sneered and said, “It’s nothing. You have to be careful of that beast you raised. I really like its tough skin.”

“If you use its skin to make a piece of clothing, it will definitely be indestructible.”

Granny Qin’s expression instantly turned extremely ugly!

She said coldly, “With just you? Little Black can kill you with just a raise of his hand!”

Qin Yu grinned and said, “It seems that you care about that beast very much... then you’d better be careful. If I get a chance, I’ll definitely kill him!”

“Little Beast, are you deliberately provoking me?” Granny Qin said with narrowed eyes.

“I have to say, you guessed it right. Little Black is indeed my weakness.”

“But unfortunately, his strength is far above yours. It’s not an exaggeration to say that little black is currently the strongest person in the Jingdu Martial Arts Association! Even I’m not his match!”

“So, your words can’t hurt me.” Granny Qin’s face actually revealed a trace of pride.

Qin Yu nodded and said, “Okay, then we’ll see.”

After saying this, Qin Yu turned around and left.

Granny Qin looked at Qin Yu’s back, her eyes couldn’t help but reveal a trace of coldness.

And Qin Yu’s expression was also not good.

Granny Qin’s words undoubtedly made Qin Yu even more anxious.

He had to think of all ways to find the secret realm that imprisoned Yan Ruoxue as soon as possible.

However, Xia hang also didn’t know the secret realm that Yan Ruoxue was imprisoned in. He didn’t even have the right to participate in the secret realm.

For a moment, Qin Yu was like a headless fly, not knowing what to do.

The next morning.

Granny Qin gathered everyone in the square.

She swept her gaze over everyone and said indifferently, “Apart from leading everyone into the secret realm, the outstanding ones will also receive a certain amount of bloodline inheritance.”

Hearing the words ‘Bloodline Inheritance’, Qin Yu’s pupils constricted and he immediately raised his head to look at Granny Qin!

At this moment, Granny Qin’s eyes happened to be looking at Qin Yu.

With a trace of a cruel smile on her face, she continued, “This kind of bloodline can raise the upper limit of a person. Once one obtains this bloodline, their strength will increase explosively.”

Yan Jinyao said with a faint smile, “I have obtained the bloodline inheritance and have comprehended 80% of the bloodline.”

Granny Qin nodded approvingly and said, “Young Master Yan is indeed the person with the strongest adaptability to the Bloodline.”

Everyone immediately began to discuss animatedly.

They had also heard of this bloodline.

“It is said that the JINGDU martial arts association used this bloodline to create many super experts!”

“Those who can obtain this bloodline will indeed have their strength increase explosively! It is said that they can even change a person’s talent!”

“What exactly is this bloodline? It’s said that if it’s even slightly tainted, it can be reborn!”

“I remember that the super expert who obtained this bloodline... seemed to have been killed by Qin Yu. Young Master Yan seemed to be the only survivor...”

“TSK TSK, looks like this Qin Yu is also a person who bullies the weak and fears the strong.”

Everyone’s gazes turned towards Qin Yu in unison.

At this moment, Qin Yu’s face was gloomy and his eyes were wide open.

He clenched his fists and suppressed the anger in his heart.

Then, Granny Qin continued to laugh, “The next person to receive the bloodline inheritance will be little black. We will send him to the mystic realm to undergo the bloodline baptism.”

Qin Yu hurriedly raised his head and looked at Granny Qin.

He said that he would send little black to the mystic realm? In other words, Granny Qin knew where the secret realm where Yan Ruoxue was imprisoned was? And she could enter and leave as she pleased?

At this moment, Granny Qin waved her hand and a scene appeared in front of everyone.

This scene seemed to be formed by inner strength, like a big screen playing a movie.

And the content of this scene was the image of absorbing blood!

In the scene, even though Yan Ruoxue's face was covered, Qin Yu could still recognize Yan Ruoxue at a glance!

Her body was slightly trembling, and blood flowed out of the tube continuously.

Compared to the amount of blood extracted previously, it was several times more!

Chapter 721: Chapter 721, do you dare to bet with me?

Even though they couldn't see his face, Qin Yu and all the young masters present knew who he was.

At this moment, Granny Qin was looking at Qin Yu with a smile that wasn't a smile. There was a hint of schadenfreude in her eyes.

It was obvious that she did it on purpose to make Qin Yu feel bad.

"Old Bastard..." Qin Yu wanted to flare up, but he knew very well that anger was useless.

He suppressed the anger in his heart and the fire burned in his heart. His throat suddenly tasted sweet, and a mouthful of blood immediately gushed out!

The people around looked at Qin Yu in surprise, and someone even asked.

“Mr. Qin, What’s wrong with you ? Are you sick ?”Someone surrounded him and asked.

Qin Yu wiped the blood at the corner of his mouth. He waved his hand and said, “It’s nothing...”

Granny Qin smiled faintly and said, “If you’re not feeling well, go back and rest early. Don’t force yourself. It’s useless to force yourself.”

Qin Yu glanced coldly at Granny Qin on the stage, then turned around and left.

“Humph, you’re still too young to fight with me.”Granny Qin’s voice entered Qin Yu’s ears.

Qin Yu stopped after taking a few steps.

He took a deep breath and said in a low voice, “No matter how hard I try, I can’t suppress the anger in my heart...”

Qin Yu smiled bitterly as waves of intense golden light burst out from his body!

A terrifying internal Qi instantly swept through the entire arena!

A wave of impact sent the people around him flying!

Qin Yu’s side had become a small empty circle!

On the stage, Granny Qin narrowed her eyes slightly.

She quietly sized up Qin Yu, the corners of her mouth curling into a playful smile.

Qin Yu turned around, took a deep breath, and then suddenly threw a punch forward!

A golden light instantly condensed.

On Qin Yu's fist, it was as dazzling as a round sun.

That light seemed to contain destructive power, fiercely jumping on Qin Yu's fist.

“Boom!”

As Qin Yu punched out, this power poured out like a torrent!

The extremely fast speed tore through the air, almost igniting the air in the void!

Granny Qin's expression changed slightly as she shouted, “Little Black!”

Little Black immediately took a step forward. His fingers bent into the shape of a claw as he grabbed out.

However, Qin Yu's fist light bypassed Blackie and smashed towards the screen-like scene.

“Boom!”

A loud sound was heard and an explosion-like air wave spread out in all directions!

Blackie snorted coldly. He suddenly opened his mouth and a cold light gushed out!

The air wave was immediately extinguished and was replaced by an earth-shaking coldness!

Granny Qin looked very satisfied when she saw this.

“Little Black, you did well,” Granny Qin said with a faint smile.

Little Black bowed slightly, and then looked at Qin Yu.

Qin Yu didn't say anything. With a shake of his feet, he arrived in front of little black!

Their eyes met, and the atmosphere was extremely strange!

Granny Qin said with a smile, “Qin Yu, do you want to fight with little black? I agree very much.”

Qin Yu ignored Granny Qin. He looked at Blackie coldly and the mark of the Divine Dragon's power lit up between his brows!

The mark flickered with a weak light, but the light was extremely dazzling in Blackie's eyes!

He subconsciously took two steps back, and a trace of fear flashed in his eyes.

Granny Qin saw this and hurriedly stood in front of Blackie.

She said with a cold face, “Qin Yu, how can you call yourself a hero when you play such tricks?”

“I never thought I was a hero,” Qin Yu said coldly.

“Moreover, this beast you raised was born to fear the Divine Dragon. Who Can you blame!”

Being insulted by Qin Yu in front of so many people, Blacky and Granny Qin naturally couldn't stand it!

Especially Granny Qin, she didn't hide her anger.

“Qin Yu, do you dare to give Little Black a few days?” Granny Qin squinted her eyes and said.

Qin Yu sneered, “Fine, I'll give him a month.”

“A month to overcome your fear of the power of the Divine Dragon, is that enough to forgive him?”

Blacky frowned slightly, then snorted, “One month is enough.”

“Okay, then I'll see you in a month!” Granny Qin was the first to agree.

“Wait.” At this time, Qin Yu suddenly called out to Granny Qin.

Granny Qin turned around and said with a faint smile, “Why, are you afraid?”

Qin Yu ignored Granny Qin's ridicule and said, “Since it's a challenge, I naturally have to bet on it. Otherwise, what's the point?”

Granny Qin raised her eyebrows and then laughed out loud, “Interesting, interesting!”

“Alright, I'll satisfy you. Tell me, what do you want!” Granny Qin put her hands behind her back and said indifferently.

Qin Yu narrowed his eyes and said coldly, “If I win, give me the chance to bathe in blood! Take Me to the Mystic Realm and let me awaken my bloodline!”

Granny Qin’s expression changed drastically when she heard this!

Of course, she knew Qin Yu’s purpose! It was nothing more than for Yan Ruoxue!

But this matter was of great importance, and it was a secret of the Jingdu Martial Arts Association!

The price of bringing Qin Yu in would be too great!

Most importantly, Granny Qin could not make the decision alone!

“What, are you afraid?” Qin Yu sneered.

Granny Qin narrowed her eyes and said coldly, “Change the condition.”

“Hehe, it seems that you don’t have confidence in your pet,” Qin Yu said sarcastically.

Granny Qin’s face turned cold, obviously extremely angry.

At this time, little black said behind her, “Granny Qin, one month is enough. I can kill him with a lift of my hand.”

Hearing Little Black’s words, Granny Qin seemed to have some confidence.

That’s right. Blackie wouldn’t lose anyway. So what if she agreed to it?

Granny Qin nodded slightly and said, "Alright, I'll agree to it. What if you lose?"

"If I lose, you can do whatever you want with me," Qin Yu said.

"Alright! Then it's a deal!" Granny Qin snorted coldly.

After saying this, Granny Qin turned around and was about to leave.

"Wait, wait, wait!"

At this moment, someone suddenly shouted from below the stage.

Looking down, he saw the mustached man running up excitedly.

He said with a grin, "Qin Yu, Granny Qin, this thing has no basis in words. Why don't we make a contract?"

"Contract?" Granny Qin frowned slightly, as if she didn't understand.

The mustached man hurriedly nodded and said, "Yes, yes, yes, it's a contract!"

After saying that, the mustached man extended his palm and a withered yellow paper fell into his hand.

The mustached man slapped the large piece of paper on the ground and then said with a grin, "This item is called the heavenly guardian book. It's said to have been passed down from hell. As long as you sign on it, it's equivalent to signing a contract with your soul."

"If anyone goes against it, their soul will be taken away by Hell," the mustached man said with a grin.

Chapter 722: Chapter 722, see you in a month!

The Heavenly Guardian book was the legendary book of contract.

Just as the Mustache Man had said, this contract could not be violated, or else it would endanger the soul.

The Mustache Man placed the heavenly guardian book in front of the two of them with a flattering smile on his face.

“Granny Qin, I was afraid that Qin Yu would not keep his word, so I specially prepared the heavenly guardian book for You,” the mustache man said with a grin.

Even though he said so, everyone knew that the Mustache Man was obviously helping Qin Yu.

If Qin Yu really lost, then he would face death, so why would he sign a heavenly guardian book.

Granny Qin’s face was a bit gloomy. She fiercely glared at the Mustache Man, and her eyes looked as if she wanted to swallow the mustache man alive.

“I don’t need to sign a heavenly guardian book,” Granny Qin said with a cold snort.

“I represent the Jingdu Martial Arts Association. I will never break the contract.”

Qin Yu sneered, “Your Jingdu martial arts association has always been no different from farting. If you don’t dare to sign it, then say you don’t dare.”

Granny Qin's expression became colder and colder. She narrowed her eyes and said, "Qin Yu, watch your tone when you speak."

"Cut the crap. Do you dare, or do you not dare?" Qin Yu sneered.

"It seems that you don't have much confidence in this beast that you raised. Why? Are you afraid that I'll kill him with a Slap?"

Before Granny Qin could speak, Blacky couldn't hold it in anymore.

He strode forward and said coldly, "I'll sign with you! Who's Afraid of Who!"

Seeing this, the mustached man hurriedly said, "Come, bite your finger and drop your blood on the Heavenly Guardian Book."

Blackie snorted. Just as he was about to bite his finger, Granny Qin grabbed his wrist.

"Let me do it," Granny Qin said coldly.

Qin Yu sneered, "Anyone can do it. The result will be the same anyway."

Granny Qin did not say anything. She walked to the book of Heavenly Guardian and bit her finger.

Drops of blood dripped onto the book of Heavenly Guardian along her finger.

The moment the blood dripped, thick smoke immediately rose from the Book of Heavenly Guardian!

Then, the thick smoke turned into wisps of faint light and headed straight for Granny Qin's glabella!

“Buzz”

The faint light entered Granny Qin’s glabella and the bet was officially signed.

“It’s your turn,”Granny Qin said with her eyes narrowed.

Qin Yu didn’t say anything. He bit his finger and dripped the blood onto the book of Heavenly Guardian.

Another flash of light, and the bet between the two of them officially took effect.

“See you at the Jingdu Martial Arts Association in a month.”The handlebar mustache put away the book of Heavenly Guardian.

He grinned at Granny Qin, then pretended to warn Qin Yu.

“Qin Yu, let me tell you. If this bet isn’t completed, you will never be able to break the agreement. Your Soul will sign with the underworld for the rest of your life. Do you understand?”The handlebar mustache said with his eyes wide open.

It seemed like he was saying this to Qin Yu, but in reality, he was warning Granny Qin.

If anything happened to Qin Yu during this period of time, it meant that the bet could not be completed according to the agreement, let alone be broken.

As a result, Qin Yu gained a month’s safety stage.

“I understand,”Qin Yu said with a smile.

At this moment, Qin Yu could not help but give the mustached man a thumbs up in his heart.

This kid was really “Crafty”.

Granny Qin also saw through the intentions of the handlebar mustache. She glared fiercely at the handlebar mustache and said, “Kid, you have quite a few tricks up your sleeve...”

The handlebar mustache hurriedly cupped his hands and said, “Granny Qin, you’re joking. I’m just an ant, a bottom-level person. How can I have any tricks up my sleeve?”

Granny Qin couldn’t help but clench her teeth again.

This handlebar mustache man spoke in a strange manner. It really made people angry.

Granny Qin took a deep breath. Then, she sized up the handlebar mustache man and said, “Are you interested in working for the Jingdu Martial Arts Association?”

As soon as these words were said, everyone was shocked!

Even Qin Yu opened his mouth slightly.

This Granny Qin was actually inviting the handlebar mustache man?

“Granny Qin, is what you said true?” The handlebar mustache asked in surprise.

Granny Qin said with a faint smile, “I think you are a talent. The Jingdu Martial Arts Association won’t miss out on any talent.”

The handlebar mustache exclaimed, “Granny Qin, is what you said true? A lowly ant like me has the qualifications to join the Jingdu Martial Arts Association? Oh My God, isn’t this a Dream?”

“Aren’t those who can join the JINGDU martial arts association all people with Noble bloodlines like you? Am I Worthy?”

When these words were said, someone below the stage couldn’t help but laugh.

Qin Yu’s face couldn’t help but laugh.

This handlebar mustache was really good at being eccentric.

Granny Qin’s face became uglier and uglier, and even her face twitched slightly.

Obviously, Granny Qin was thoroughly enraged.

She looked coldly at the handlebar mustache and said, “You Shameless Thing.”

The handlebar mustache smiled embarrassedly and said, “Granny Qin, what are you saying? I just feel that I’m not worthy of such a noble organization.”

Granny Qin knew that she wouldn’t be able to gain any benefits, so she no longer paid attention to the handlebar mustache.

She looked coldly at Qin Yu and said, “Qin Yu, cherish your last moments.”

Qin Yu sneered and said, “You should say that to your beast.”

Granny Qin didn't say anything more. She turned around and left with little black.

After she left, Qin Yu also came down from the stage.

“TSK, TSK, Qin Yu, you are really capable. That little black seems to be Granny Qin's personal disciple. Even I might not be 100% sure.” Yan Jinyao walked forward and said with a faint smile.

Qin Yu glanced at Yan Jinyao and said with a sneer, “You really like pictures. Whether you're confident or not is none of my business. You really think highly of yourself.”

Yan Jinyao narrowed his eyes slightly and said in a cold voice, “Qin Yu, you've already offended Granny Qin. Don't tell me you want to offend me?”

Qin Yu pointed at Yan Jinyao's nose and said, “Yan Jinyao, I'll kill you in a month. Don't be anxious.”

Yan jinyao laughed and said, “Madman! I also want to experience it. Why Don't You Show Me Now?”

“If you want to beat me, I'll accompany you!” At this time, Chang Mang jumped up and stood in front of Yan Jinyao.

Yan Jinyao looked at Chang Mang coldly and said, “Kid, you're not dead yet. Well, I want to teach you a lesson last time.”

“Is that so? Then you can come and try!” Chang Mang was full of energy and full of fighting spirit.

Qin Yu tugged at Chang Mang and then looked at Yan Jinyao and said, “Yan Jinyao, don’t worry. I’ll satisfy you in a month.”

Yan jinyao snorted and said, “Okay, I’ll see you in a month.”

After saying that, Yan Jinyao turned around and left.

Chapter 723: Chapter 723, erasing the spiritual sense

After Yan Jinyao left, the others also surrounded him.

“Brother Qin is really bold!”Zhuang teng cupped his hands and said.

Chu Heng, who was at the side, also hurriedly walked forward and sighed, “Brother Qin really makes us admire you. Yan Jinyao and little black are both famous existences today.”

Qin Yu glanced at these two people and smiled, “If I was afraid of them, I wouldn’t have come here.”

“That being said, Brother Qin, you still have to be careful.”The others also walked forward and said.

Qin Yu nodded one by one and turned around to leave.

At this time, Yao Meng suddenly walked forward and said in a low voice, “Brother Qin, do you know the background of that little black? He doesn’t seem simple.”

Qin Yu snorted and said, “His original body is a heaven-swallowing python. He has just consumed a body transformation pill.”

“Heaven-swallowing Python? Heaven-swallowing Python?” Yao Meng covered her mouth and whispered.

Qin Yu nodded and said, “That’s right.”

“No wonder he has such combat strength.” Yao Meng’s beautiful eyes were a little surprised.

“It is said that Granny Qin treats him like her own son. She will definitely try her best to help Xiao Hei improve his strength in this month. Brother Qin, you must be careful.” Yao Meng warned.

Qin Yu smiled and said, “It is already at the peak of the Martial Marquis realm. I don’t believe that he can still become a martial saint in this month.”

As long as he was not a martial saint, Qin Yu was confident.

“That’s true.” Yao Meng nodded slightly.

After a while, Chu Hedao also walked over.

He walked directly to Qin Yu and said in a deep voice, “It seems that you don’t plan to participate in the trip to the mystic realm in half a month’s time.”

Qin Yu nodded slightly and said, “Not bad. Let’s talk about it next time.”

Chu Hedao nodded in gratitude. He stood in front of Qin Yu for a long time as if he had something to say.

“Just say what you want to say,” said Qin Yu.

Chu Hedao said in a deep voice, "I do have something I want to ask you for help, but I don't think you have time for it at the moment."

"You want my help?" Qin Yu was a little surprised.

Chu hedao nodded and said, "That's right. Let's talk about it in a month."

Then, Chu Hedao walked away.

Qin Yu looked at Chu Hedao's back and was surprised to find that Chu Hedao had already entered the middle stage of the Marquis Realm.

Such speed was really amazing.

Compared to Chu Heng of the Chu family, Chu Hedao was obviously more talented.

Not only that, his treatment of people was also fundamentally different from Chu Heng's.

"Although they are both wealthy aristocratic families, if I can build a good relationship with the Chu family, it would be a good choice," Qin Yu thought in his heart.

Of course, this was probably just Qin Yu's wishful thinking.

After sending the people away, Qin Yu also planned to leave.

The mustached man followed behind Qin Yu and said with a smile, "Do you have a plan?"

Qin Yu glanced at the man with the mustache and rolled his eyes, "What plan can I have?"

The Man with the mustache sneered, “If you don’t have a plan, how dare you publicly shout about the heaven-swallowing Python and Yan Jinyao? and sign the Heavenly Guardian Book?”

“Tell me quickly, have you found some Babe?”

Qin Yu pulled the man with the mustache to the side and said mysteriously, “If you can tell me how to open the Mystic Realm, I will tell you.”

The handlebar mustache waved his hand and said, “It’s impossible for you to open the secret realm, unless it’s an ownerless secret realm.”

“Like the secret realms controlled by the Jingdu Martial Arts Association, they all have their own unique methods.”

Qin Yu frowned slightly.

The handlebar mustache was right.

This secret realm was like a person’s home, and the master naturally had the key to open the door.

“Then do you know how to open the Ownerless Secret Realm?” Qin Yu looked at the handlebar mustache.

The handlebar mustache shook his head and said, “I don’t know, but I can think of something.”

At this point, the handlebar mustache glanced at Qin Yu and said, “There are almost no ownerless secret realms now. Even if there are, it’s not something you can find.”

“Not necessarily,” Qin Yu said with a smile.

The handlebar mustache wanted to say something, but Qin Yu waved at him and said, “Okay, I won’t tell you anymore. Thank you for your help this time. I will remember this favor.”

After saying this, Qin Yu left.

The mustached man looked at Qin Yu’s back and whispered, “This kid definitely found some Babe. No, I have to follow him to take a look.”

Thus, the mustached man followed Qin Yu and chased after him.

Qin Yu couldn’t do anything to him, so he could only bring him along.

...

On the same day, Qin Yu, Chang Mang, and the mustached man left the martial arts academy and returned to the Jade Moon Villa.

“By the way, do you have a way to enter the immortal slaying sect?” Qin Yu asked the moustache man.

The moustache man replied, “I do have a way, but it will take some time.”

“How long?” Qin Yu asked.

The moustache man counted with his fingers and said, “One week.”

“No, it’s too slow.” Qin Yu frowned.

“Can it be done in three days?”

The Mustache Man glared at Qin Yu and said, “Three days? You think too highly of me!”

“Work harder and try to finish it in three days.”Qin Yu patted the shoulder of the Mustache Man.

Qin Yu planned to take Little Yu to the immortal slaying sect to see if he could find anything.

Besides that, Qin Yu’s goal was the ten-thousand-year-old herbs.

As long as he got the ten-thousand-year-old herbs, Qin Yu could go into seclusion to fight the heaven-swallowing python.

...

For the next few days, Qin Yu stayed in his room and didn’t come out.

He closed his eyes slightly and felt the mark between his eyebrows.

This was left by Granny Qin. Her purpose was to lock onto Qin Yu’s position.

Qin Yu naturally couldn’t accept it. If he didn’t get rid of this mark, all his actions would be exposed.

Qin Yu closed his eyes slightly. He once again used the God’s judgment, intending to forcibly erase this trace of Mark.

The moment the God’s judgment fell, that trace of Mark suddenly flickered and shone.

In the next second, a shadow actually flew out from between Qin Yu’s brows!

This shadow was none other than Granny Qin!

She looked coldly at Qin Yu, narrowed her eyes and said, “Little Bastard, you have quite a few tricks.”

Qin Yu sneered and said, “So it turns out that it wasn’t a mark placed on you, but a wisp of spiritual sense.”

“So what if it is? I’m telling you, don’t even think about escaping!” Granny Qin said darkly.

Qin Yu wasn’t in the mood to talk nonsense with her. He immediately waved his big hand and directly crushed this phantom into pieces.

In a certain room in the martial arts academy, Granny Qin suddenly opened her eyes.

“This little bastard actually erased this trace of spiritual sense...” Granny Qin said in a low voice.

She sat there for a long time before she snorted, “Anyway, the heavenly guardian book has been signed. He can’t escape!”

Chapter 724: Chapter 724, an ownerless secret realm

That night, the handlebar mustache left the Green Moon Villa, claiming that he was going to find the materials to set up the array platform.

Qin Yu was waiting at the Green Moon Villa.

The next day, Qin Yu brought little fish to the Green Moon Villa’s spirit spring.

This place was once the foundation of the sage Confucian school, and now there were also several martial artists cultivating here.

“That is the spirit spring.”Qin Yu pointed at it.

Little Yu nodded and said, “I know, but the spirit spring has no effect on my cultivation.”

Qin Yu didn’t say anything. He took out the coffin from the spatial artifact and placed it in front of Little Yu.

“You can rely on this to cultivate.”Qin Yu pointed at the coffin.

The coffin emitted waves of gloomy yin qi.

This yin qi covered the sky and covered the earth, almost instantly causing the surroundings to become cold.

Even the martial artists cultivating near the spirit spring couldn’t help but shiver.

“What a dense yin qi.”Little Yu couldn’t help but frown, as if she felt a trace of discomfort.

Qin Yu pointed at the coffin and said, “You can rely on this coffin to cultivate and try to see if you can withstand it.”

Xiao Yu nodded. She sat cross-legged on the side of the coffin and began to absorb the yin energy from the coffin.

In just five minutes, Xiao Yu began to cough violently, and her body trembled slightly.

“No.”Xiao Yu shook her head.

“The yin energy is too dense. I can’t withstand it at all.”

Qin Yu couldn't help but sigh slightly when he saw this.

The reason why he hadn't taken out the coffin and handed it to little fish was because he was afraid that little fish wouldn't be able to bear the yin energy here.

Therefore, Qin Yu specially brought little fish to the vicinity of the spiritual spring. He planned to rely on the Qi/spiritual energy of the spiritual spring to neutralize the yin energy in the coffin.

But even so, little fish still couldn't bear it.

Seeing Qin Yu's slightly regretful expression, little fish suddenly bit his lips and said, "I'll try again."

After saying that, Xiao Yu closed her eyes again and continued to absorb the yin energy in the coffin.

Not long after, Xiao Yu's body trembled slightly again, and her body became extremely cold.

However, this time, Xiao Yu did not get up. She secretly gritted her teeth and endured it.

One minute, two minutes, five minutes, a whole half an hour, Xiao Yu seemed to gradually adapt to the yin energy in the coffin.

Her body no longer trembled, and the Yin Qi formed a small vortex around her body, crazily surging into her body.

Qin Yu could not help but widen his eyes.

Little Fish's adaptability was too terrifying, wasn't it?

One had to know that even Qin Yu back then could not do it at all! Moreover, Qin Yu was also controlling the circulation of the mental cultivation method!

Looking at Little Fish who was absorbing the yin qi, Qin Yu could not help but mutter in a low voice, “Under normal circumstances, a pure yin constitution would not be able to do this.”

She was only a martial grandmaster. Such dense yin energy was enough to take Little Fish’s life, not to mention absorbing it.

“Looks like there’s really a connection between little fish and the masked woman,” Qin Yu said in a low voice.

Time flew by. Qin Yu didn’t leave the spirit spring. He just stood there and watched quietly, afraid that something would happen to little fish.

The sky gradually darkened, and the martial artists near the spirit spring all left.

Soon, only Qin Yu and Little Yu were left near the spirit spring.

“How terrifying.”

Looking at Little Yu who was absorbing the yin qi, Qin Yu sighed again.

Little Yu’s absorption speed was really too fast!

In just a short day, the Yin Qi in the coffin was actually reduced by half!

After all, Qin Yu had absorbed the coffin countless times, but he hadn’t been able to reduce it in the slightest!

“What kind of existence is this masked woman?” This made Qin Yu even more interested.

“I hope the handlebar mustache can come back soon,” Qin Yu thought to himself.

If little fish was really related to the masked woman, then they would definitely discover something in the immortal slaying sect.

Qin Yu sat cross-legged on Xiao Yu’s side and closed his eyes slightly.

He opened the pores all over his body and slowly absorbed the Qi/spiritual energy from the surroundings of the spiritual spring.

The nearby area was filled with the smell of Qi/spiritual energy, but it was extremely thin.

At first, Qin Yu didn’t notice anything.

But soon, Qin Yu realized that something was wrong.

He opened his eyes and unconsciously sized up the spiritual spring.

“This sense of familiarity...” Qin Yu murmured in a low voice, and his pupils shrank!

“It feels exactly the same as when I was in Qing City!” Qin Yu said in surprise!

He hurriedly stood up from the ground and then quickly ran to the side of the spirit spring.

Qin Yu picked up a handful of water from the spirit spring and put it to his mouth.

“As expected!”Qin Yu’s face was full of shock!

The water of this spirit spring was very similar to the food on the same street in Qing city!

“Could it be that... There is a secret realm hidden near this spirit spring? !”Qin Yu was shocked!

One had to know that the Saint Confucian school had been absorbing this spirit spring for many years, and the spirit spring did not show any signs of wear and tear!

At that time, Gu Canghai also tried to find the source, but all of his attempts ended in failure.

He tried almost every method, but could not detect the strangeness of this spirit spring.

“It must be like this, it must be like this!”Qin Yu was so excited that his entire body was trembling!

The Spiritual Qi/spiritual energy in this spiritual spring was very likely to have been emitted from a secret realm nearby and then merged into this spring!

Just the overflowing spiritual Qi was enough to supply the sacred Confucian school for so many years. Then how terrifying was the Qi/spiritual energy in this secret realm?

Qin Yu did not dare to think too much. He quickly closed his eyes and began to search for that faint connection with the secret realm.

Ten minutes later.

The connection became even stronger!

Qin Yu did not dare to think too much. He followed the connection and slowly walked forward.

During this time, Qin Yu kept his eyes slightly closed and relied on pure feelings to move forward.

The connection became even stronger. After moving forward for dozens of meters, the feeling reached its peak!

Qin Yu suddenly opened his eyes and looked around.

He saw that Qin Yu was standing at the source of the spiritual spring. His legs were already half submerged in the water.

“This is it.” Qin Yu was extremely excited!

“There must be an ownerless mystic realm hidden here!”

If he could possess a mystic realm, then for Qin Yu, all his problems would be easily solved!

Not only could he avoid the pursuit of the Jingdu martial arts association, he could also rely on this mystic realm to increase his cultivation!

“This is great, this is great!” Qin Yu was momentarily unable to extricate himself from his excitement.

However, the biggest problem at hand was how to open this ownerless secret realm.

Qin Yu tried to find a method from his inheritance, but unfortunately, there was no record of it.

“Looks like I can only place my hopes on the moustache,”Qin Yu thought to himself.

Other than relying on the handlebar mustache, Qin Yu had another method, which was to go to the Jingdu Martial Arts Association’s Scripture Depository.

There would definitely be a record of the method to open the ownerless secret realm.

Just as Qin Yu was excited, a loud boom suddenly came from not far away!

“HMM? It’s in Little Fish’s direction.”Qin Yu’s brows were slightly furrowed.

He didn’t have time to think and quickly ran in Little Fish’s direction.

Chapter 725: Chapter 725: Awakening of Memories?

Qin Yu walked all the way to the vicinity of Little Fish. She was emitting waves of white qi from her body.

When the White Qi was cold and gloomy, not a single blade of grass grew wherever it passed.

The surrounding trees were rapidly decaying, but the yin qi was still spreading in all directions.

Qin Yu’s expression changed slightly. If this internal Qi attacked the entire Green Moon Villa, it would definitely be a disaster!

Therefore, Qin Yu hurriedly stepped forward. He raised his hand and burst out rays of golden light, blocking the spread of this internal Qi.

The erosive power of that internal Qi was extremely strong. Even Qin Yu's golden light dimmed a little.

“What a terrifying internal Qi.” Qin Yu frowned.

His body felt a trace of discomfort, as if he was about to be swallowed by this internal Qi.

He looked at the originally lush trees around him, but at this moment, they were in a state of decline.

Boom

At this moment, waves of terrifying internal Qi erupted from Xiao Yu's body.

In the next second, a dark cloud blotted out the sky and covered the Sun!

“This is... about to break through?” Qin Yu seemed to have realized something.

Xiao Yu was clearly showing signs of breaking through to the rank of Marquis!

Dark clouds covered the sky. The density of the clouds was even higher than when Qin Yu was transcending the heavenly tribulation!

Xiao Yu still closed his eyes slightly. Facing this heavenly tribulation, he did not seem to have much fear.

“Kacha!”

A bolt of heavenly lightning struck!

The strength of this heavenly lightning was even more terrifying than when Qin Yu was transcending the Heavenly Tribulation!

Qin Yu could not help but widen his eyes!

Such a terrifying heavenly tribulation, even Qin Yu felt waves of fear!

“Crack!”

Another bolt of lightning struck, and this time, it was even stronger.

However, little fish was still sitting there, not moving an inch. The aura that was spreading to the surroundings suddenly began to shrink, and finally, it stuck tightly to Little Fish's body! The internal Qi that was spreading to the surroundings began to shrink! It was like a suit of armor!

“Crack!”

The heavenly lightning descended once again, and ruthlessly smashed onto the layer of white aura!

What was shocking was that such a terrifying heavenly lightning was actually unable to shake the white internal Qi in the slightest!

“How terrifying...”Qin Yu couldn't help but mutter in a low voice.

What exactly was this white internal Qi, to actually be so hard?

Even the heavenly lightning wasn't worth mentioning in front of it!

“Could it be the masked woman's backup plan?”Qin Yu thought to himself.

As for the relationship between Xiao Yu and the masked woman, it was still unclear.

But he could basically confirm that there must be a connection between them!

Looking up at the Blue Heavenly Lightning that filled the sky, Qin Yu's expression became more and more serious.

Cultivation was a heaven-defying force, so the higher one's talent was, the more terrifying the heavenly lightning during the tribulation would be.

Other than that, there was another reason that would affect the strength of the heavenly lightning.

That was the threat that the tribulation transcendents posed to the human world, or rather, it was a good fortune in the path of cultivation.

For example, if the tribulation transcendents killed many people, then her heavenly tribulation would definitely be even more terrifying.

The moustache once said that the masked girl had killed countless people when she was alive. She was a complete devil.

If Xiao Yu was really the masked girl, then it was equivalent to relying on her special methods to avoid the invasion of time and break the rules of the Heavenly Dao!

Then her heavenly tribulation would be even more terrifying!

Qin Yu raised his head to look at the dark clouds that were still flickering in the sky, and his face became even gloomier.

Even Qin Yu felt a chill run down his spine when he saw the heavenly lightning of such a level.

Rumble..

The Heavenly Lightning continued, and the white internal Qi on Xiao Yu's body became even denser.

It was like a layer of hard armor, blocking the heavenly tribulation that was coming down.

After more than ten heavenly tribulations fell, Xiao Yu wasn't injured at all!

"How terrifying..."Qin Yu couldn't help but mutter in a low voice.

If that layer of white internal Qi could be made into armor, how terrifying would it be?

At this moment, Xiao Yu slowly opened her eyes.

Her realm had already entered the Martial Marquis Realm!

Qin Yu quickly walked to her side and said, "Xiao Yu, how do you feel now?"

Little Yu said, "Very good."

Her words were somewhat short, and she seemed to be different from the cheeky little Yu from before.

This couldn't help but make Qin Yu a little worried.

Could it be that as Little Yu's strength increased, she would get closer and closer to the masked woman?

"No," Qin Yu thought to himself.

He had to find some time to inquire about the masked woman.

"I'm a little tired. I'll go back and rest first," Xiao Yu said to Qin Yu.

Qin Yu nodded and said, "Okay."

After she left, Qin Yu walked to the coffin.

What surprised Qin Yu was that the yin qi in the coffin was almost empty.

"This..." Qin Yu couldn't help but be stunned.

He used to think that the yin qi in the coffin was inexhaustible, but he didn't expect Xiao Yu to completely absorb it in just one try...

"Little Yu's cultivation in the future will probably be even more difficult than mine." Qin Yu could not help but sigh.

In the next few days.

Qin Yu stayed near the spirit spring almost all day.

He tried to find the connection with the mystic realm every day.

In three days, Qin Yu could easily grasp the connection and quickly find the location of the mystic realm.

"As long as I can find a way to open the mystic realm, this mystic realm will belong to me," Qin Yu thought to himself.

At this moment, Chang Mang walked over from not far away.

“Qin Yu, the handlebar mustache is back,” Chang Mang said.

Qin Yu nodded and said, “Let’s go and take a look.”

The two of them walked into the hall, and the handlebar mustache was sitting in the hall drinking tea.

Qin Yu walked quickly to him and said, “How is it? Have you found all the materials?”

The mustache man said proudly, “This is a piece of cake for me!”

“Okay, then don’t waste time. Let’s go,” said Qin Yu.

The mustache man mumbled, “Why are you always in such a hurry? I just came back...”

“Time is tight.” Qin Yu shook his head helplessly.

He returned to his room and brought little fish to the hall.

“Let’s go,” Qin Yu said to the handlebar mustache.

The handlebar mustache looked at Xiao Yu in front of him, but he only frowned.

“You... made a breakthrough?” The handlebar mustache asked tentatively.

Xiao Yu nodded and said, “Yes, I just stepped into the Martial Marquis realm a few days ago.”

The handlebar mustache's expression immediately became a bit ugly, and his eyes were filled with a bit of fear.

Then, the Mustache Man grabbed Qin Yu's arm and walked out of the hall.

"You went to the immortal slaying sect because of her?" The Mustache Man asked with a frown.

Qin Yu nodded and said, "That's right. There's the tomb of the masked woman there. If she really is the masked woman, maybe..."

"Maybe we can find the relevant memories," the Mustache Man interrupted Qin Yu.

He looked at Qin Yu coldly and said, "If Xiao Yu really found the memory of the masked woman, have you thought about what to do?"

Qin Yu frowned slightly and scratched his head.. "No Way, right? Even if she is related to the masked woman, they are not the same person."

Chapter 726: Chapter 726, entering the slaughtering immortal sect again

The mustache man sneered, "Qin Yu, think carefully. If she really awakens the masked woman's memory, it won't be something you and I can control."

These words made Qin Yu fall into deep thought.

The Mustache Man's cautious attitude couldn't help but make people worry.

Qin Yu stood there and didn't speak for a long time.

There was a conflicted look on his face.

The handlebar mustache wasn't in a hurry. He just stood to the side and waited quietly.

A few minutes later, Qin Yu turned to look at the handlebar mustache.

“Even if we don't bring her, she will still awaken that part of her memory, right?” Qin Yu asked.

The handlebar mustache nodded. “Yes.”

“Then let's go.” Qin Yu took a deep breath.

“At least the current little fish is still under control.”

“Besides, she may not be as terrifying as you think.”

The mustached man seemed to have guessed Qin Yu's decision.

He sneered and said, “Qin Yu, I'll tell you a story about the masked woman.”

Qin Yu nodded and signaled the mustached man to speak.

The mustached man said, “According to the information I know, this masked woman is not the first reincarnation. She will reincarnate every two thousand years or so.”

Qin Yu grunted and waited for the Mustache Man to finish.

The mustache man continued, “Every time she reincarnates, she has to come back to this world through her mother’s womb.”

“And her biological parents who were reincarnated last time died at her hands. No one related to her could escape, including her relatives, friends, and even her lover.”

Qin Yu’s expression changed slightly. He frowned and said, “Why did she kill her parents? And why did she kill her friends?”

The mustached man sneered, “Let me give you an example. You are now Xiao Yu’s friend, or even her brother, but you are not the masked woman’s friend.”

“To the masked woman, you are just a stranger.”

“Her parents have the same logic.”

After listening to the mustached man’s words, Qin Yu could not help but think of the death of Uncle Wu.

That time, Xiao Yu seemed to have awakened her identity as the masked woman. Her cold eyes were indeed terrifying.

More importantly, in the face of Uncle Wu’s death, Xiao Yu did not seem to have any emotional fluctuations.

It was as if the person who died was not her father, but an irrelevant passerby.

“Do you still plan to take her to the Immortal Slayer sect?” The mustached man asked.

These words undoubtedly made Qin Yu a little worried.

If it was really as the mustached man said, and Xiaoyu had awakened a part of her memory, then it would be really troublesome.

“Go.” After thinking for a while, Qin Yu finally decided to take Xiaoyu to the Immortal Slayer sect.

“Even if Xiaoyu has really awakened her memory now, she is not my match. If anything happens, I will subdue her.”

“Moreover, she is only a martial marquis now. So what if she awakens? At most, there will be one more genius among her peers in the world.”

The mustached man knew that he could not persuade Qin Yu, so he did not say anything more. He just nodded and said, “Okay.”

Therefore, Qin Yu and the mustached man turned around and returned to their rooms.

They took Xiao Yu and left the Green Moon Villa.

...

After almost a day of turbulence, Qin Yu and the other two came to the island where the immortal slaying sect was located.

“Qin Yu, you have to think it through carefully.” The Mustache Man warned Qin Yu again before they went to the bottom of the sea.

Qin Yu nodded and said, “I have thought it through.”

The Mustache Man didn't say anything more when he saw this. The three of them immediately swam to the bottom of the island.

The Church of the massacre immortal was still here, and the number of inner cores under the island had decreased by a lot.

Obviously, those inner cores had been brought back by the people of the Jingdu Martial Arts Association.

“Little Yu, do you have any impression of this place?” Qin Yu pointed at the gate of the Church of the massacre immortal and asked.

Little Yu shook his head and said somewhat suspiciously, “Where is this?”

Qin Yu waved his hand and smiled. “A sect.”

After saying that, Qin Yu looked at the handlebar mustache.

The handlebar mustache took out a well-made array platform from his spatial artifact.

This array platform was a simple and crude spatial teleportation array platform.

On the array platform were densely packed flags. The handlebar mustache stood on the array platform and opened his mouth slightly, muttering as if he was chanting some incantation.

A few minutes later, bubbles suddenly appeared around the array platform! The entire seabed seemed to be boiling!

“Buzz!”

Following a strange light, a circular spatial portal appeared in front of them.

“Let’s go,”the moustache man said.

Qin Yu nodded. He held little fish’s hand and whispered, “Follow me closely.”

Little Yu nodded and followed behind Qin Yu, stepping into the teleportation portal.

Because the teleportation portal was located at the side of the Church of the Massacre Immortal, it took them a very short time to successfully enter the Church of the Massacre Immortal.

“What kind of spell is this? It’s so magical,”Little Yu said with some doubt.

Hearing this, the handlebar mustache immediately said with a smile, “This is the teleportation portal specially made by this venerable one. How is it? Isn’t it amazing?”

Xiao Yu gave the mustached man a thumbs up and said, “It’s very amazing.”

“Then you must remember it. Remember my appearance. Don’t kill me in the future,”the mustached man muttered.

This made Xiao Yu even more confused. She rolled her eyes and said, “Why would I kill you?”

“Alright, he’s an idiot. Ignore him,”Qin Yu waved his hand and said.

“Let’s go. I’ll take you to a place.”

Qin Yu held Xiao Yu’s hand and walked towards the tomb.

The handlebar mustache followed behind him, but he was far away and was quite vigilant.

After more than ten minutes, the three of them arrived at the entrance of the tomb again.

Ever since Qin Yu took away the coffin, the yin energy in the tomb gradually dissipated.

Although they could still feel traces of coldness, compared to the previous coldness, it was negligible.

“This is the place,” Qin Yu pointed to the tomb and said.

As he spoke, Qin Yu looked at Xiao Yu and secretly observed her expression.

Unfortunately, there was no special expression on Xiao Yu’s face, only confusion.

“Come, let’s go in and take a look,” Qin Yu said.

“You guys go in. I’ll wait for you here,” the mustache man muttered.

Qin Yu couldn’t be bothered with the mustache man. He held Xiao Yu’s hand and walked into the tomb.

The moment the two of them stepped into the tomb, a gust of chilly wind suddenly rose from the ground!

That bone-piercing chill swept over again!

Qin Yu frowned slightly and hurriedly looked at Xiao Yu.

He saw that the chilly wind that rose from the ground was approaching Xiao Yu!

A moment later, the chilly wind attached itself to Xiao Yu and formed a tornado around her!

“Xiao Yu?” Qin Yu suddenly felt a little worried and tried to call out.

However, Xiao Yu ignored Qin Yu. In the darkness, she couldn't see the expression on Xiao Yu's face.

Chapter 727: Chapter 727, Little Fish's abnormality

The entire tomb was filled with gusts of cold wind. Qin Yu was certain that this cold wind was coming for Little Fish!

Qin Yu didn't dare to think too much. He held Little Fish's hand and quickly walked towards the depression.

Little Fish's hand was extremely cold. It was as if he was holding onto a piece of ice.

After walking for a long time, Qin Yu and Little Fish finally arrived at the depression.

Qin Yu flicked her finger and lit up the spiritual fire to illuminate the depression.

Under the dim light, Xiao Yu looked a little strange.

Her face was extremely pale, and her pupils were a little absent-minded.

“Xiao Yu?” Qin Yu called out tentatively.

Xiao Yu seemed to have come back to her senses. She glanced at Qin Yu and frowned. “Where is this? Why do I have a strange feeling...”

“A strange feeling? What exactly is it?” Qin Yu asked hurriedly.

Xiao Yu remained silent. She ignored Qin Yu and walked forward.

She placed her palm on the wall and slowly searched, as if she was looking for something.

A few minutes later, Xiao Yu’s hand suddenly stopped at a certain spot.

Then, she saw Xiao Yu’s hand flashing with light and she slapped it!

The wall instantly collapsed and turned into ruins!

And in the ruins, there was a small ring lying down.

The ring was entirely dark green, and in the darkness, it flickered with a weak and strange light.

Xiao Yu picked up the ring and said in a low voice, “This ring... seems to be calling me.”

“Calling you?” Qin Yu was a little surprised.

“But I keep feeling that I can’t take this ring away. There seem to be two voices in my heart.” Xiao Yu’s voice suddenly trembled.

The next second, a trace of pain flashed across her face.

“AH... My Head Hurts...” Xiao Yu grabbed her hair with both hands, her face full of pain.

Qin Yu hurriedly held Xiao Yu and said anxiously, “Xiao Yu, are you okay?”

Xiao Yu ignored Qin Yu. She scratched her head and looked extremely painful.

“Buzz!”

At this moment, the ring suddenly flashed with a ray of light.

The ray of light shot toward Xiao Yu and headed straight for her glabella!

Qin Yu did not know what this ray of light was. In order to prevent any accidents, Qin Yu hurriedly reached out his hand and tried to stop it.

However, the ray of light was too fast. In a flash, it disappeared into Xiao Yu’s glabella.

“Xiao Yu!” Qin Yu hurriedly held Xiao Yu, his face anxious.

Xiao Yu stood there silently, not saying a word.

“Xiao Yu?” Qin Yu called out tentatively, but Xiao Yu still ignored him.

A moment later, Xiao Yu raised his head and looked at Qin Yu with a pair of cold eyes.

This gaze was very similar to the masked woman in the scene! It could not help but make one’s back go numb!

“Are You Alright?” Qin Yu had an ominous premonition in his heart.

Xiao Yu did not say a word and looked at Qin Yu coldly.

There was an extremely cold internal Qi on her body. Even Qin Yu could feel some fear.

“I’m fine.”Xiao Yu finally spoke.

She took the ring and put it on her middle finger.

Then, Xiao Yu turned around and left without saying a word.

Qin Yu didn’t know what to do for a moment, so he could only follow behind Xiao Yu.

They walked out of the tomb, and the moment they left, the tomb collapsed!

The handlebar mustache not far away rushed over and asked tentatively, “How is it? Are You Okay?”

Before Qin Yu could speak, Xiao Yu looked at the handlebar mustache coldly.

The handlebar mustache’s expression changed when he felt Xiao Yu’s cold gaze.

He subconsciously took two steps back with a serious expression on his face.

“I’ve seen you before,”Xiao Yu looked at the handlebar mustache and said coldly.

The handlebar mustache shivered when he heard this!

“We... We’ve just met,”the handlebar mustache said as he braced himself.

Xiao Yu didn't say anything. She just glanced at the handlebar mustache coldly.

The handlebar mustache quickly turned his head to the side and didn't say anything more.

Xiao Yu didn't say anything. She turned around and left.

Qin Yu frowned. He took a step forward and blocked Xiao Yu's way.

"Xiao Yu, what happened to you? How Do You Feel?" Qin Yu asked.

Xiao Yu looked at Qin Yu in front of her and said, "I'm fine, Qin Yu. Thank you for taking care of me."

"What?" Qin Yu was even more confused.

Xiao Yu also seemed to frown. She shook her head and said, "It's fine. I don't know why I said that. Just pretend that you didn't hear anything."

This made Qin Yu even more confused. He frowned and said, "Did you remember something? Or... do you have memories that don't belong to you?"

"No, you don't have to worry," Xiao Yu said concisely.

Qin Yu subconsciously glanced at the handlebar mustache, but the handlebar mustache looked flustered and broke out in cold sweat.

"Where Are My Things?" Xiao Yu suddenly asked.

The "Things" she was talking about clearly referred to the mask.

“It’s not safe to leave the mask with you. I’ll keep it for you for now,”Qin Yu said.

Xiao Yu said coldly, “It’s safest to leave it with me.”

Before he finished speaking, Qin Yu felt the Space Artifact Shake.

In the next second, the mask flew out of the space artifact and landed in Xiao Yu’s hand.

Xiao Yu stroked the mask and said in a low voice, “It’s really strange... why do I Have This Feeling?”

“What feeling?”Qin Yu hurriedly asked.

Xiao Yu shook his head and said, “It’s nothing, Qin Yu. I’m going on a long trip.”

“A long trip? Where? I’ll go with you.”Qin Yu frowned and said.

“No need. There seems to be a voice in my heart. This voice has been calling me.”Xiao Yu sighed slightly.

“Although I don’t know what the reason is, my intuition tells me that I must go.”

Qin Yu frowned and said, “What if I don’t let you go?”

Hearing this, Xiao Yu’s face immediately darkened.

An extremely strong yin qi burst out from her body!

The ice-cold internal Qi instantly engulfed more than half of the Immortal Slayer sect, and the mask in Xiao Yu's hand also trembled slightly.

Qin Yu suddenly had a bad feeling.. He looked at the internal Qi in his body and was ready to fight.

Chapter 728: Chapter 728, Blacky' s Letter of challenge

The two internal Qi clashed at this moment.

Qin Yu could clearly feel the extreme killing intent on Xiaoyu's body!

This killing intent was extremely pure. It was obvious that she wanted to kill him!

Qin Yu narrowed his eyes slightly, and waves of golden light emitted from his body.

The mask in Xiaoyu's hand trembled slightly, as if it would be worn on her face in the next second.

At this critical moment, Xiao Yu suddenly released her hand.

The murderous aura on her body also disappeared.

"Qin Yu, I have to go. You Don't have to worry about me,"Xiao Yu said helplessly.

Qin Yu immediately heaved a sigh of relief.

Fortunately, Xiao Yu was still the same Xiao Yu.

“The news of the mask in your hand has already been spread. If you go out alone, it is very likely that you will encounter danger,” Qin Yu said with a frown.

“Ruoxue regards you as her younger sister. You are also my younger sister. I will not let you go.”

Xiao Yu rubbed his forehead and said, “Alright, Alright. I’ll listen to You, Alright?”

Seeing this, Qin Yu revealed a satisfied smile.

Of course, he still had some worries in his heart.

Because Xiao Yu’s expression just now really did not seem to be joking.

“If there’s nothing else... Let’s hurry up and leave, shall we?” The mustached man said as he wiped the cold sweat off his forehead.

Qin Yu walked forward and said with a smile, “Mustached man, did you steal someone’s grave? Otherwise, why would you be so afraid?”

The mustached man glared at Qin Yu and said, “I really didn’t! Even if I really did steal it, it was you who brought me to dig it up!”

Qin Yu spread his hands and said, “Alright. Anyway, there must be something between you and her.”

The moustache man scratched his head and said, “I think so too, but I don’t know what it is exactly...”

Qin Yu knew that the moustache man had many secrets, so he didn’t ask any more questions.

The three of them stepped into the array platform and left the immortal slaying sect.

After the three of them left, an intense yin qi suddenly burst out from the immortal slaying sect!

The entire ground of the immortal slaying sect was buzzing, as if something was about to be born.

...

The three of them left the immortal slaying sect and returned to the island.

“Alright, should we go back now?” Asked Little Fish.

Qin Yu smiled and said, “Why are you in such a hurry to go back? I’ll take you out to relax.”

After saying that, Qin Yu looked at the handlebar mustache and said seriously, “You can leave now.”

The handlebar mustache glared and said, “You wish! Don’t think that I don’t know what you are planning. You are definitely going to look for some Babe!”

Hearing that, Qin Yu could not help but shake his head.

Nothing could be hidden from this handlebar mustache.

Just as the handlebar mustache said, Qin Yu planned to look for that ten-thousand-year-old herb next.

As long as he could get his hands on this ten thousand year old herb, Qin Yu would have complete confidence that he would be able to step into the late stage of the Marquis of martial arts!

When that time came, Qin Yu would no longer have to worry about facing Little Black and Yan Jinyao.

“Alright then, you can come along too. It just so happens that we have an extra helper.” Qin Yu said.

According to the address given by Ning Kun, the place where the ten thousand year old herbs were born was located at a border city in the southwest of the fire country. It was called Pyro.

Although it was located at the border, it was rather prosperous.

It was not because of anything else, but because the environment here was just too good.

The four seasons were like spring. The birds sang and the flowers were fragrant. There were mountains and seas, attracting countless people to come and visit.

Many rich young masters would hold gatherings here, and many foreign friends would also come here for their holidays.

Qin Yu bought three tickets to go to Pyro City and was prepared to head there.

While waiting for the plane, Qin Yu opened the martial arts forum.

He saw that Little Black was being publicized on the forum.

In the past few days, Little Black had beaten almost all the top martial artists in Jingdu, and even Han Xiu was defeated by him!

Qin Yu looked at the content on the phone and couldn't help but frown slightly.

“Even Han Xiu lost?” The mustached man asked as he stuck his head out.

Qin Yu glanced at him and said, “There's nothing strange about it. After all, this little black is a heaven-swallowing Python and has a natural advantage.”

“Among the same level, it is very difficult for a human to defeat a demon beast, not to mention that he is an earth-rank demon beast.”

The mustached man nodded and said in a deep voice, “It is said that the skin of the heaven-swallowing python is incomparably hard, comparable to black gold stone. It is very difficult for an ordinary Marquis Wu to break through its defense.”

Qin Yu could not help but sigh slightly.

A Demon Beast at the peak of the Martial Marquis Realm really gave people a headache.

Qin Yu continued to flip through his phone, wanting to find some clues about the ten-thousand-year-old herbs this time.

But unfortunately, Qin Yu searched through the entire martial arts forum and did not find any information related to the ten-thousand-year-old herbs.

“Could it be that the Hong Yi School is lying to me?” Qin Yu frowned.

But the possibility was not high, because the Hong family had no reason to do so.

“Or perhaps... The Jingdu martial arts association is deliberately hiding this news?” Qin Yu suddenly thought of a possibility.

The Jingdu Martial Arts Association had always liked to control resources in their own hands.

These ten-thousand-year-old herbs were top-notch cultivation items. If they knew, they would not miss it.

“Even if there is news, it will probably be deleted by them.” Qin Yu shook his head helplessly.

It was unknown what role the Jingdu Martial Arts Association would send to snatch this ten-thousand-year-old herb.

Qin Yu casually fiddled with his phone. Just as he was about to close the forum, he saw a message that had just been sent:

Blackie had issued a challenge to Jiang he, and Jiang he had accepted the challenge!

Seeing this message, Qin Yu hurriedly opened the message.

He saw that the message indicated the location and time of the fight between the two of them.

The location was on the West Hengshan Mountain in Jingdu, and the time was three days later.

“This little black actually wants to challenge Jiang he? One must know that Jiang he is the number one person in the fire country!”

“I have to admire little Black’s courage.”

“It is not certain who will win or lose. That Han Xiu has already lost to little black, who can guarantee that Jiang he will not lose?”

“The new wave of the Yangtze River is pushing the new wave forward. It’s hard to say who will win or lose.”

Qin Yu held his phone and frowned.

He never expected that little black would challenge Jiang he!

“Jiang he... this little black is really arrogant,”the mustached man muttered.

Qin Yu frowned and said, “I don’t know if senior Jiang he can win or not.”

The mustached man spread his hands and said, “It’s hard to say. That Little Black is a heaven-swallowing Python after all.”

“However, I have to admire the methods of the JINGDU martial arts association. Using Jiang he to get to the top is really clever.”

Qin Yu nodded.

Little Black challenged Jiang he. Regardless of whether he won or lost, he would be famous all over the world.

Jiang he was extremely famous. The fight between the two of them would bring about a great deal of heat!

On the martial arts forum, there were even bets on who would win or lose between Jiang he and little black.

“Speaking of which, I remember that Jiang he has retired. Why would he accept Xiao Hei’s Challenge ?”The Mustache Man asked in confusion.

Qin Yu didn’t say anything.

He remembered the last time he fought with Geng Si.

“Senior Jiang he seems to have the intention to return to the martial arts world..”Qin Yu couldn’t help but sigh.

Chapter 729: Chapter 729, the ruler of the Tang city

Qin Yu picked up his phone and did not continue reading.

As to who would win between Little Black and Jiang he, Qin Yu did not know, but his heart was more inclined towards Jiang he.

As more and more secrets were revealed, Qin Yu slowly realized that Jiang he was definitely not the strongest person in the fire country, and neither was ye Qing.

They were only the strongest people on the surface, but no one knew how many experts were hidden in the shadows.

Just like the last time at the Han Palace, they had casually sent out a martial marquis, or even a martial marquis at the peak of the Martial Marquis Realm!

God knows how many experts were hiding behind them!

After more than ten minutes, they boarded the plane and headed to Tang city.

Tang city was at the border, so it took them seven hours to reach Tang city.

When they arrived, it was already night.

It was winter now, but when they got off the plane, they could still feel waves of heat.

Short skirts and short sleeves could be seen everywhere on the streets. There was no winter scene at all.

“The environment of Tang city is really not bad.”Qin Yu took a deep breath and felt the waves of sea breeze.

It had to be said that Tang city was indeed a holy resort.

“Little Yu, do you want to go to the seaside to play?”Qin Yu looked at the youngest, Little Yu.

Little Yu shook his head and said, “I’m not interested.”

Seeing this, Qin Yu could not help but glance at him.

The little fish now really looked like a different person from the little fish back then.

“Aiya, there seems to be a banquet over there. Let’s go and play,”the Mustache Man said excitedly.

Looking in the direction of the Mustache Man’s finger, sure enough, on the beach not far away, there was singing, dancing, and drumming.

“It seems that someone is holding a banquet,”said Qin Yu.

The handlebar mustache muttered, “Don’t you know that this Tang city is known as a paradise for the rich ? Many rich second-generation children will come here to show off their wealth.”

“Such as racing cars, horse races, and large-scale parties, they are all common here.”

“Many big stars will be invited to appear.”

Qin Yu was not very interested in this.

He took out the map that Hong Yimen had given him and compared it carefully.

The place where the herbs were born was not far from here.

And according to the time that Ning Kun said, there was just one week left before the herbs were born.

“Let’s go and take a look,”said Qin Yu.

The mustached man hurriedly nodded and said, “Okay, okay. I’ll go and eat something. Damn it, I’m really hungry nine times in three days following you.”

Thus, the three of them walked towards the banquet.

This banquet was a public one and almost everyone could attend it.

The banquet venue was filled with delicious food and fine wine. Many young men and women were crazily dancing their bodies to vent their youth.

Little Fish did not seem to be interested in these things. She pulled Qin Yu to find a place to sit down.

The handlebar mustache quickly blended in and even ran to dance with the little girl.

“Don’t you know that you like racing?” Qin Yu looked at Little Yu and said with a smile.

Little Yu said, “That was in the past. Now I think it’s quite childish.”

Qin Yu couldn’t help but spread his hands.

That was true. If Little Yu really awakened her memory, racing was indeed very childish to her.

“I really suspect that the masked woman and Xiao Yu are two different people.” Qin Yu felt that something was not right.

If Xiao Yu was the reincarnator of the masked woman, then her personality should not have changed. At least, the contrast would not be so great.

“It’s really strange.” Qin Yu shook his head.

Then, Qin Yu scanned the surroundings.

He released his spiritual sense and covered more than half of the banquet.

Soon, Qin Yu realized that something was wrong.

This banquet seemed to be filled with joy and harmony, as if everyone had integrated into this secular life.

However, Qin Yu discovered that there were many martial artists hidden in this banquet!

Among them, there were eighteen martial grandmasters, and more than twenty Marquis Wu. There were even three people, and Qin Yu was unable to see through his strength!

This was enough to prove that the three people's strength was above Qin Yu's!

Qin Yu retracted his divine sense, but discovered that there were several divine senses sweeping over his body.

Qin Yu's eyes narrowed, and he immediately looked in a certain direction.

He saw that in front of the wine table, there was a young man coldly looking at Qin Yu.

Their gazes met, and the two of them quickly averted their gazes.

"This isn't right." Qin Yu frowned tightly.

How could there be so many top experts in such a small banquet?

More than twenty martial marquises. Such strength was simply astonishing!

"It seems that someone has been eyeing that ten-thousand-year-old herbs for a long time," Qin Yu thought to himself.

Not far away, a young man was coldly looking at Qin Yu.

“Who is that person?”The young man looked at the person beside him and asked.

Another young man lowered his head and said, “Young Master Tang, that person is Qin Yu.”

“Qin Yu?”The person called Young Master Tang raised his eyebrows slightly.

“Is it that Qin Yu who is causing havoc in Jingdu?”

“Yes, Young Master.”The young man beside him bowed and said.

Young Master Tang shook the wine cup in his hand and sneered, “Interesting. Go and ask him to come over. Tell him that I will treat him to a drink.”

“Yes, Young Master.”

Young Master Tang’s attendant hurriedly walked towards Qin Yu.

“Mr. Qin, our young master invites you over,”the attendant said rather politely.

Qin Yu glanced at him and said, “Who’s Your Young Master?”

Hearing this, the attendant couldn’t help but say with some pride, “Our young master is the son of the Master of Tang City, Tang Mo..”

“Tang Mo?”Qin Yu frowned.

He had never heard of this name before.

Qin Yu glanced at the attendant in front of him and was surprised to find that this attendant was also a marquis.

As for that young master Tang, he had stepped into the intermediate stage of the Marquis Realm!

“I didn’t expect that there would be such an expert hidden in this small Tang city,”Qin Yu said in a deep voice.

After much consideration, Qin Yu agreed.

After all, ten-thousand-year-old herbs were going to be born here. It wasn’t a bad thing to befriend Tang Mo. .

Qin Yu brought little fish and walked towards Tang Mo. .

“Young Master Tang, Mr. Qin is here,”the attendant said.

Tang Mo waved his hand, indicating for the attendant to leave.

Then, Tang Mo looked at Qin Yu, raised his eyebrows and said, “You are Qin Yu?”

“That’s right.”Qin Yu nodded his head in a neither servile nor overbearing manner.

Tang Mo handed a bottle of beer to Qin Yu, and then said indifferently, “I heard that you are quite strong in Jingdu. You Don’t even put the various aristocratic families in your eyes?”

Qin Yu said courteously, “That’s just a false reputation. Even a rabbit will bite when it’s anxious.”

Tang Mo snorted lightly and said with a faint smile, “Qin Yu, I don’t care how powerful you are in Jingdu, but in Tang city, I have the final say. Do you understand?”

After saying this, Tang Mo pointed to the surroundings and said indifferently, “See? This banquet was organized by me! All the martial artists around are also my people!”

Hearing this, Qin Yu couldn’t help but be slightly surprised.

Those twenty-some martial marquises were all members of the Tang family?

“Last year, a rich second generation son of Jingdu tried to show off to me, but I broke his legs and threw him into the sea,” Tang Mo said indifferently.

“Later, his father came to apologize with a generous gift, so I reluctantly spared him.”

Looking at Tang Mo’s pretentious face, Qin Yu couldn’t help but frown slightly.

This Tang Mo seemed to like to show off.

However... This Tang family was able to create so many martial marquises, so they must have some ability!

Could it be that this Tang city has some secret? Qin Yu thought to himself.

Thinking of this, he decided to set up a set of words from the end of the Tang dynasty.

After all, the end of the Tang dynasty did not seem to be very smart.

Chapter 730: Chapter 730, the power of the Tang Clan

This Tang city wasn't big, but there were many people coming and going.

Normally speaking, it was almost impossible for this kind of city to produce more than 20 martial marquises.

Not to mention a small tang city, even Jingdu might not be able to do it.

"Perhaps this Tang city really does have some secrets,"Qin Yu thought to himself.

Therefore, he sat at Tang Mo's side and took a sip of his wine.

"I can see that Mr. Tang has a very high prestige in Tang City,"Qin Yu said as he shook his wine glass.

Upon hearing this, Tang Mo immediately said with some pride, "Of course! No matter which second generation comes to our Tang city, they must first greet me, Tang Mo!"

"Awesome, Awesome."Qin Yu gave Tang Mo a thumbs up.

"Young Master Tang, the Martial Marquis realm is a dragon and Phoenix among men. How can the Tang family have so many martial marquises?"Qin Yu asked.

Tang mo said proudly, "This is nothing. Our Tang family still has three martial marquises at the peak of the Martial Marquis Realm!"

“Are these people trained by you, or...”Qin Yu asked tentatively.

Tang mo snorted lightly, “Our Tang family is extremely particular about loyalty! Do you think the martial marquises that we spent money to find are loyal enough?”

After saying that, Tang Mo pointed at the surrounding marquis and said, “These servants, I told them to kneel, but they absolutely didn’t dare to stand. This is the absolute ruling power!”

Qin Yu frowned slightly.

This Tang family was actually able to nurture more than 20 marquis?

One had to know that nurturing a Marquis was an extremely resource-consuming thing.

Even if it was a heaven-gifted talent, stepping into a marquis required a huge amount of resources. If it was converted into money, a marquis would probably spend billions.

Most importantly, even if one had money, they might not be able to create a martial marquis.

“Mr. Tang, stepping into the rank of martial marquis is an extremely difficult task, and it also consumes a lot of resources. Usually, for a prosperous family to have one or two martial marquises is already worthy of praise,”Qin Yu continued to try to trick him.

“Although the Tang family is wealthy, there are some resources that can not be obtained with just money. For example, herbs, Qi/spiritual energy, and so on.”

Tang mo said proudly, “Our Tang family does not lack resources! With our Tang family’s ability, even if we create ten more martial marquises, it would not be a problem!”

This immediately made Qin Yu even more surprised.

Just what kind of existence was the Tang family, to actually have so many resources?

The more Tang Mo talked, the more excited he became. He kept bragging about the Tang family’s foundation.

And Qin Yu could also see Tang Mo’s temper and character.

As long as he brainless bragged about how awesome he was, he would get the upper hand.

“Sigh, before I met Mr. Tang, I always thought that my achievements were already pretty good.”Qin Yu pretended to sigh.

“But ever since I met young master Tang, I suddenly feel that I’ve accomplished nothing. I Can’t be compared to young master Tang at all.”

Hearing Qin Yu’s bragging, Tang Mo was even happier.

He took the initiative to pour a glass of wine for Qin Yu and said with a smile, “Brother, what are you talking about? You are also very powerful. I have heard of your great name in Tang City!”

“Yes, yes, yes. Young Master Tang is flattering me,”Qin Yu said humbly.

Tang Mo pulled Qin Yu’s arm and said, “I just realized today that you understand me! I like your temper very much!”

Qin Yu smiled and said, “Yes, yes, yes. Thank you for your appreciation, Young Master Tang.”

The more Tang Mo spoke, the happier he became. Later on, he even called Qin Yu his brother.

Meanwhile, Qin Yu was not stingy with his compliments at all. All kinds of good words kept being put on Tang Mo..

After a few hours, Tang Mo completely treated Qin Yu as a brother.

“Brother, as long as it’s in the territory of Tang City, the martial arts association or the aristocratic families of Jingdu won’t work!”Tang Mo patted his chest and said.

“As long as it’s within the Tang city territory, I promise to protect you!”

Qin Yu hurriedly cupped his hands and said, “Then thank you, Young Master Tang.”

“You still don’t have a place to stay, right?”At this time, Tang Mo seemed to have thought of something.

He looked at the attendant beside him and said, “Go, give the villa on the island to my brother!”

The attendant didn’t dare to say anything more and hurriedly took out the key and handed it to Qin Yu.

“Young Master Tang, this isn’t good, right?”Qin Yu said.

Tang Mo waved his hand and said, “This counts as a few rounds! Brother, if there’s anything you need, just tell me! There’s nothing in our Tang city that I, Tang Mo, can’t do!”

Seeing this, Qin Yu didn't stand on ceremony anymore and nodded, "Then thank you very much."

Then, Qin Yu probed, "Young Master Tang, I heard that precious herbs often appear in this Tang city. Is that true?"

Tang mo chuckled and said, "That's right, our Tang city is a place of great fortune!"

"Many foreign powers have come to look for herbs. Of course, they have to greet our Tang family first. Otherwise, he won't be able to leave!"

Qin Yu frowned slightly and suddenly felt a little worried.

According to what Tang Mo said, their Tang family would probably be involved in this ten-thousand-year-old herbs.

It would not be a wise choice to confront the Tang family directly.

However, Qin Yu was a little conflicted at this moment because he did not know whether Tang Mo knew about the ten-thousand-year-old herbs at all.

If he did not know, Qin Yu would leak the news if he told him rashly.

After thinking about it for a long time, Qin Yu still did not reveal his intentions in the end.

Time flew by and it was late at night. The attendant brought Qin Yu to the villa on the island.

"Mr. Qin, this is your residence," the attendant said politely.

"Wow, this house is really beautiful," the mustached man said excitedly.

“Mr. Qin, if you have anything to tell me, this is my contact information.” The attendant handed Qin Yu a business card.

Qin Yu took the business card and said politely, “Thank young master Tang for me.”

The attendant nodded and said, “Okay, then I won’t disturb you.”

After the attendant left, Qin Yu walked into the villa.

The handlebar mustache looked as if it had never seen the world. It kept scurrying up and down the stairs.

Qin Yu didn’t have any feelings towards these luxurious mansions. He randomly picked a house and lived in it.

This house had a balcony, and in front of the balcony was the blue sea.

Qin Yu stood on the balcony, his brows slightly furrowed, as if he was thinking about something.

“What are you thinking about?”

At this moment, little fish suddenly walked in from outside the door.

Qin Yu glanced at little fish and said, “I came to Tang city this time for a ten-thousand-year-old herb, but I don’t know if I should tell Tang Mo about this.”

“Although Tang Mo looks pretty good, ten-thousand-year-old herbs are top-grade treasures. No one can resist this temptation.”

Just as Qin Yu said, anyone could turn hostile when it came to resources, let alone the end of Tang whom he had just met.

Xiao Yu was silent for a moment and said, “I think it’s better to tell him that the birth of the ten-thousand-year-old herbs will be earth-shattering. It’s impossible to hide it.”

“Why don’t you tell the end of Tang first and win him a favor?”

Qin Yu looked at Xiao Yu in surprise and said jokingly, “Xiao Yu has grown up.”

Xiao Yu rolled his eyes at Qin Yu and said, “Think about it yourself.. Anyway, this is just my suggestion.”

Chapter 731: Chapter 731, the people of the Hong clan

It had to be said that what little fish said made some sense.

The birth of the medicine king previously could be said to be earth-shattering, let alone a ten-thousand-year-old herb.

After thinking for a long time, Qin Yu decided to tell Tang Mo the next day.

Even if he couldn’t get this ten-thousand-year-old herb, the Tang Clan would at least give him some compensation.

The next day.

Before Qin Yu woke up, there was a knock on the door.

He opened the door and saw two people standing at the door.

One of them was Song Shan and Guan Zu, whom he had met in Qing city.

Beside him was a Marquis Wu.

“Why are you here?” Qin Yu frowned.

Song Shan said with a faint smile, “Of course I’m here to help you. Since our Hong Yi School has reached a partnership with you, we will naturally help you.”

“Help me?” Qin Yu recalled what Su Qian had said before.

The Hong Yi School had indeed sent people to help him seize the ten-thousand-year-old herbs, but Song Shan and Guan zu alone were probably useless.

“From now on, you will listen to my orders,” Song Shan said indifferently.

He swaggered into the villa and glanced around. Then, he said with a strange tone, “You sure know how to enjoy living in such a place.”

Song Shan and ancestor Guan had been hostile to Qin Yu before. Now, their attitudes were even more unpredictable.

Qin Yu ignored Song Shan’s words and asked, “How do you plan to help me?”

Song Shan smiled faintly and said, “You don’t have to care about that. In short, you just have to listen to me.”

Qin Yu snorted and said, “I don’t think there’s a need for that.”

Hearing this, Song Shan raised his eyebrows.

He slowly stood up and looked at Qin Yu coldly.

“Qin Yu, you’d better not be too arrogant. There’s No Ning Kun here to help you,” Song Shan said coldly.

Guan zu also took a step forward and sneered, “You killed so many of us. Ning Kun doesn’t care, but it doesn’t mean that we don’t care!”

Qin Yu’s eyes narrowed slightly.

These two people really didn’t have good intentions.

“Get out of here right now.” Qin Yu looked at the two of them coldly and said word by word.

Hearing this, Guan zu immediately took a step forward and shouted, “I’m telling you, you’d better watch your words. Otherwise, don’t blame us for being impolite!”

Song Shan also said with a faint smile, “It’s true that we don’t dare to kill you, but it’s not a problem for us to make you suffer.”

“Is that so? Then you guys can go ahead and try!” Qin Yu shouted, and the internal Qi on his body immediately exploded!

Song Shan snorted and said, “The outside world is boasting that you are a rare genius, but I, Song Shan, think that you are just so-so!”

“Let me experience this junior who doesn’t know the immensity of Heaven and Earth!” Guan zu shouted loudly, and his fist burst out with waves of bright light!

His incomparably fierce fist immediately stirred up gusts of wind, and that violent inner strength poured out!

Qin Yu naturally wouldn't neglect it. He clenched his fist and raised his hand to unleash the absolute beginning Sacred Fist!

The golden light shook the heaven and Earth, and both fists collided in an instant.

“Boom!”

A terrifying power swept out in all directions with the two of them as the center!

The ground instantly caved in, and the villa suffered an even greater impact, with cracks appearing one after another!

“Whoosh!”

In the next second, Guan Zu was sent flying, and his fist was even beaten until it was dripping with blood!

Guan zu had relied on his swordsmanship to begin with, and just by relying on his physical body, he was not a match for him.

Seeing this scene, Song Shan's brows furrowed slightly.

“Is that all you've Got?”Qin Yu sneered.

Guan zu jumped up from the ground. Then, with a shake of his palm, a scarlet long sword fell into his palm!

“What's going on? Why Can't you stop even when you take a shit!”

At this moment, the handlebar mustache grumbled as he walked out.

Seeing the handlebar mustache, song Shan frowned slightly.

“Qin Yu, what happened?” Xiao Yu also walked out.

“Three martial marquises?” Song Shan frowned even more.

Just Qin Yu alone was enough to give them a headache.

With the addition of the two martial marquises, the handlebar mustache and Xiao Yu, Song Shan and the others had no chance of winning.

Therefore, Song Shan withdrew his internal Qi.

He looked at Qin Yu coldly and said, “Qin Yu, you do have some ability, but with just the few of you wanting to obtain ten-thousand-year-old herbs, you’re Dreaming!”

Qin Yu sneered and said, “Don’t tell me that we can get the herbs with the two of You Trash?”

Song Shan said with a faint smile, “Our Hong Yi School has been standing for so many years, so we naturally have some connections.”

“Qin Yu, don’t you understand that you have to rely on your friends when you go out?”

Qin Yu raised his eyebrows and said, “Oh? So you have helpers in Tang City?”

Song Shan snorted coldly and did not answer.

He pulled Guan zu and turned around to leave.

When they reached the door, Song Shan shouted, “Qin Yu refused to accept our help and even injured someone. We can only leave.”

Seeing Song Yu's behavior, Qin Yu could not help but feel like laughing.

"What are you shouting for? Don't worry, I won't Tell Ning Kun," Qin Yu sneered.

Song Shan didn't say anything more and turned around to leave the villa.

"Sigh, such a good house, but it's broken," the Mustache Man muttered.

Qin Yu also frowned.

After all, this house didn't belong to him. It was indeed a bit apologetic to break it.

Qin Yu took out a bank card from his pocket and said in a low voice, "I'll go and withdraw some money later to compensate Tang Mo.."

After Song Shan and Guan zu left, their faces turned cold.

"Old Guan, is your hand okay?" Song Shan asked.

Guan zu gritted his teeth and said, "It's fine if it's fine, but I can't Swallow This!"

"Back when I was famous, he, Qin Yu, probably wasn't born yet! Now, he let a junior ride on our head. How can I bear it!"

Song Shan also said coldly: "My Friend died at the hands of Qin Yu, and I want to kill him more than you do!"

Ancestor Guan looked at Song Shan and said with a frown: "But Ning Kun said that we are not allowed to have any conflict with Qin Yu, and... . This Qin Yu seems to be of use to the organization."

Song Shan's eyes narrowed and he said with a sneer: "This is the Tang city! The border of the fire country! Once the ten thousand year old herbs are born, there will definitely be a big fight!"

"When that time comes, who knows who killed Qin Yu?"

Guan zu suddenly came to a realization.

He looked at Song Shan and said: "We can not do this."

"Don't worry." Song Shan said with a faint smile.

"I have a lot of connections in the Tang city. The few foreign powers in the vicinity also have quite a good relationship with our Hong Yi sect."

Guan zu narrowed his eyes and said: "Alright, then we will rely on you."

...

In the villa, Qin Yu frowned slightly.

He was a little suspicious of Ning Kun's intentions.

He knew that Song Shan and ancestor Guan did not like him, but he sent them here. What was his intention?

Just as Qin Yu was thinking, the door was opened.

Then, he saw Tang Mo walking in with his men.

"Damn it, who did this to my Villa?" Tang Mo looked at the broken walls in the room and could not help but be furious.

Chapter 732: Chapter 732, the effect of flattery

Hearing Tang Mo's voice, Qin Yu hurriedly came down from upstairs.

He said apologetically, "Young Master Tang, I'm really sorry. Someone came to find trouble just now and accidentally broke your things."

After saying that, Qin Yu took out his bank card and handed it to Tang Mo..

"Young Master Tang, this is your compensation," Qin Yu said.

Tang Mo waved his hand and said, "Forget it, forget it. If it's broken, then it's broken. There's no need to be so formal."

Qin Yu wanted to say something, but Tang Mo suddenly asked, "You said someone came to find trouble? Who Is It? Doesn't he know that this house is mine?"

"I don't think so." Qin Yu spread his hands.

Tang mo muttered, "If I catch him, I'll kill him!"

After saying that, Tang Mo asked his attendant to take out a set of keys.

"Stay here. The house is empty," Tang Mo said.

Qin Yu waved his hand and said, "No need. We can stay here."

Tang mo said, "Alright then. I'm just here to see how you're doing."

After saying that, Tang Mo planned to leave.

At this time, Qin Yu suddenly blocked Tang Mo's way.

He was silent for a moment and said, “Young Master Tang, I have something to discuss with you.”

“What is it?” Tang Mo asked.

Qin Yu said in a deep voice, “Have you heard the news that a ten-thousand-year-old herb will be born here soon?”

“Ten-thousand-year-old herbs?” Tang Mo raised his eyebrows.

“You came for this?”

Qin Yu nodded and said, “Yes, this ten-thousand-year-old herb is very important to me.”

Tang Mo narrowed his eyes slightly. He walked to the sofa and sat down. Then, he asked, “Then why did you tell me? In the territory of Tang city, no one can snatch what the Tang family wants.”

Qin Yu thought for a moment and said, “Even if I wanted to hide it, I’m afraid I can’t hide it.”

“More importantly, Young Master Tang is so awesome. I Won’t be able to compete with you.”

The last sentence immediately made Tang Mo smile.

He said proudly, “Of course! At least you know what’s good for you!”

Qin Yu didn’t know whether to laugh or cry.

This Tang Mo really couldn’t be praised.

“Speaking of which, I don’t interfere in these matters. It’s all the family’s responsibility.”Tang Mo touched his chin.

“I think my father and the others should have known about this ten-thousand-year-old herb long ago.”

Qin Yu’s brows instantly furrowed.

The Tang family had already set their eyes on this herb. How could he still have a chance ?

“But I can discuss it with my father,”Tang Mo said in a low voice.

“How about this ? Wait for my news. If there’s a chance, I’ll bring you to see my father.”

Qin Yu nodded and said, “Then thank you, Young Master Tang.”

Tang Mo waved his hand and then swaggered off.

In the evening, Tang Mo called Qin Yu.

“Qin Yu, my father has agreed to see you. I’ll send someone to pick you up later,”Tang Mo said.

Qin Yu agreed, “Okay.”

After hanging up the phone, Qin Yu walked to the door and waited there quietly.

About ten minutes later.

A rolls-royce slowly drove over.

As soon as the car stopped, the attendant hurriedly opened the car door for Qin Yu and said respectfully, “Mr. Qin, please get in the car.”

After getting in the car, the car rushed towards the Tang family.

On the way, Qin Yu couldn't help but look at the scenery outside the window.

One had to say, the scenery of Tang city was indeed beautiful and moving, making people forget to return.

After driving for more than an hour, they arrived at a manor.

This manor was built extremely extravagantly, and its area was frighteningly large.

At a glance, the entire manor was filled with traces of man-made work. Even the trees had been quietly trimmed.

The buildings in the villa were somewhat different, and golden yellow could be seen from time to time.

It was very obvious that this manor had spent a large amount of gold, and it did not fit in with the scenery of Tang city.

The car stopped at the entrance of a villa.

The attendant opened the car door for Qin Yu and said politely, “Mr. Qin, Young Master is waiting for you inside.”

Qin Yu nodded. When he walked into the villa, he saw Tang Mo sipping tea.

“Young Master Tang.” Qin Yu went over to greet him.

Tang Mo stood up and said, "Let's go. My father is waiting for you."

Qin Yu followed behind Tang Mo and walked toward a teahouse.

Soon, the two of them arrived at the door of a teahouse.

The structure of this teahouse was extremely luxurious. Besides gold, it was also inlaid with diamonds.

Qin Yu touched his chin and roughly guessed Tang Mo's father's personality.

Tang Mo led Qin Yu into the teahouse. As soon as they entered the door, a wave of heroic spirit rushed toward them.

At the end of the Teahouse sat a middle-aged man.

This man was Tang Mo's father, Tang Sheng.

"Dad, Qin Yu is here," Tang Mo walked over and said.

Tang Sheng looked up and casually said, "Have a seat."

Qin Yu bowed and said, "Nice to meet you, Mr. Tang."

Tang Sheng didn't say a word. He just washed the tea again and again.

"Tang Mo, you can go out first." A moment later, Tang Sheng waved his hand.

Tang Mo got up and said, "Sure, Dad. You guys have a good chat."

Tang Sheng didn't say anything. After Tang Mo left, Tang Sheng finally raised his head.

He looked at Qin Yu in front of him and lightly said, “Are You Qin Yu?”

Qin Yu thought to himself, “Isn’t this F * cking nonsense...”

“I heard you stirred up the entire Jingdu by yourself?” Tang Sheng continued.

Qin Yu smiled and said, “You must be joking, Mr. Tang. It was just a small fight.”

Tang sheng snorted and said, “In my eyes, it was indeed a small fight. In Tang city, no aristocratic family is worth mentioning.”

Upon hearing Tang Sheng’s words, Qin Yu basically determined his character.

“I heard that you want to take a 10,000-year-old herb from the Tang family?” Finally, Tang Sheng got to the point.

Qin Yu nodded and said, “Yes. Although this herb hasn’t been born yet, since it’s grown in Tang City, it belongs to the Tang family.”

“So, this herb still needs Mr. Tang’s approval,” said Qin Yu with a smile.

Upon hearing Qin Yu’s flattery, a trace of smugness obviously flashed across Tang Sheng’s face.

Although it was only a flash, Qin Yu still saw it.

“Since you know it belongs to My Tang family, do you still dare to touch it?” Tang Mo put down the teapot in his hand and said.

Qin Yu sighed and said, “This ten-thousand-year-old herb is very important to me. I think a mere ten-thousand-year-old herb is not worth

mentioning in front of the Tang family. It's like wild grass on the roadside.”

“Who doesn't know the status of the Tang family in Tang City? Who doesn't know that the Tang family is as rich as a country? Who doesn't know that the patriarch of the Tang family, Tang Sheng, holds the number one resource in the world?”

“Those 10,000-year-old herbs are a rare holy object for me. To the Tang family, they are just a stalk of grass, a mere stalk of grass. I think Mr. Tang definitely doesn't care about it, so I dared to try it.”

After listening to Qin Yu's bragging, the smugness on Tang Sheng's face couldn't be hidden any longer.

Although he tried his best to hold back the smugness on his face, he couldn't help but smile complacently in the end.

Chapter 733: Chapter 733: Granny Qin came

Seeing the smile on Tang Sheng's face getting thicker, Qin Yu finally let out a sigh of relief.

This father and son pair were really the same. They both liked to be praised.

Tang Sheng also seemed to feel a bit embarrassed. He coughed and said with a serious expression, “Although what you said is true, you should know what these ten-thousand-year-old herbs mean.”

Qin Yu nodded slightly.

It was simply impossible to get him to give up the herbs just by flattering him.

The final decisive factor in the negotiation was still the value of each other's use, which was the performance of individual ability.

Tang Sheng said in a deep voice, "If I give this herb to you, what benefits will I get?"

Qin Yu thought for a moment and said, "I'm an apothecary. I can refine medicine for you, no matter what kind of medicine it is."

Tang Sheng waved his hand and shook his head, "That's not enough."

Qin Yu said in a deep voice, "Mr. Tang, please state your conditions. As long as I can do it, I won't refuse."

Tang Sheng picked up the Teacup and took a sip. He then looked at Qin Yu and lightly said, "First, you have to refine the medicine for me three times."

"No problem." Qin Yu agreed without thinking.

"Second, you have to serve the Tang family for three years," said Tang Sheng lightly.

Qin Yu slightly frowned.

Serve the Tang family for three years? What does that mean?

"Mr. Tang, I'm not sure what you mean," said Qin Yu with a frown.

Tang Sheng smiled faintly and said, "To put it bluntly, you'll be the Tang family's visiting professor. If anything happens to the Tang family in the

next three years, you must drop everything at hand and come to the Tang family.”

Qin Yu was a bit surprised. No wonder the Tang family was so strong and prosperous. It seemed that they relied on this method to obtain the help of many martial artists.

“Alright, I Promise You.”Qin Yu nodded.

“Alright, it’s settled then. Our Tang family won’t sell this 10,000-year-old herb,”said Tang Sheng with a smile

Upon hearing Tang Sheng’s words, Qin Yu didn’t say anything for a long time as an awkward expression flashed across his face.

“What?”Seeing Qin Yu’s expression, Tang sheng slightly frowned.

Qin Yu dryly coughed and said, “If it’s convenient for Mr. Tang, I wonder if you can lend me some manpower...”

As soon as he said this, Tang Sheng’s face immediately darkened.

“What do you mean? You Want My Tang family to snatch the herbs for you?”Tang Sheng seemed a bit angry.

Qin Yu forced a smile and said, “Mr. Tang, please don’t be angry. This is just a request of mine.”

“No Way!”Tang Sheng coldly snorted. “If my Tang family wants to help you, we don’t need you at all! Why don’t I Just Give You One?”

Having no other choice, Qin Yu could only nod in embarrassment.

However, an important message could be heard from Tang Sheng's words.

The Tang family had more than one 10,000-year-old herb.

Such a resource was top-notch even in the whole country.

After saying goodbye to Tang Sheng, Qin Yu got up and left the teahouse.

After leaving the house, Tang Mo came up to her.

“How was it? Did My Dad Promise You?” Asked Tang Mo..

Qin Yu smiled and said, “Yes, but... Ai, it's nothing.”

Tang mo frowned and said, “What's wrong? You're stammering like a woman. If you have something to say, just say it.”

Qin Yu eventually shook his head and did not say anything.

After leaving the Tang family, Qin Yu had been thinking of countermeasures.

This ten-thousand-year-old herbs incident would definitely attract countless people to fight over it, including foreign forces.

If the Hong family could get the news, the others could also get the news.

Qin Yu was determined to get this herb. Otherwise, he would have no chance of winning against little black.

He returned to the vicinity of the villa. Just as Qin Yu was about to enter, he suddenly saw a familiar figure!

He saw Granny Qin on the beach with eight purple robes beside her!

“Oh no!”Qin Yu’s expression changed when he saw this!

As expected, Granny Qin had also received the news.

Qin Yu didn’t dare to think too much. He quickly returned to the villa and closed the door.

“What’s wrong? Why do you have such an expression?”Xiao Yu asked casually.

Qin Yu didn’t say anything. He rubbed his chin and frowned.

Granny Qin was at the peak of the Martial Marquis Realm. Even she had eight purple robes with her, let alone him?

“The Hong family only sent two people. They obviously don’t want to help me,”Qin Yu said in a low voice.

Obviously, the Hong family was just putting on an act. They didn’t want to get involved in this mess.

“If Granny Qin gets that ten-thousand-year-old herbs, then it will be really troublesome.”Qin Yu couldn’t help but suck in a breath of cold air!

If Granny Qin gave this ten-thousand-year-old herbs to little black to consume, then wouldn’t little black have a chance to improve further?

The more he thought about it, the more afraid he became!

Qin Yu suddenly stood up from the sofa!

“No! No matter what, we can’t let these herbs fall into Granny Qin’s hands!”Qin Yu frowned tightly.

After thinking about it, Qin Yu finally decided to turn to the Tang family.

As the local leader of the Tang family, they wouldn’t be afraid of Granny Qin at all.

The fact that Tang Mo held a banquet with more than 20 Marquis Wu accompanying her was enough to prove their strength!

Qin Yu took out his phone. He originally wanted to call Tang Mo, but after thinking about it, he had just left the Tang family. It was not appropriate to make a call now.

Therefore, Qin Yu temporarily suppressed this impulse.

The next day.

Qin Yu went out for a walk.

He could clearly feel that there were many martial artists living nearby, and every one of them was at the Martial Marquis Realm.

Obviously, these people were all here for the herbs.

This made Qin Yu even more anxious.

That night, Qin Yu took out his cell phone and called Tang Mo, intending to treat him to a meal and ask him for help.

After the call was connected, Qin Yu expressed his intention to come.

Tang Mo said on the other end, “There’s no need to eat. I’ve already finished eating. If you have nothing else to do, come and play with me.”

Qin Yu agreed, “Okay, where are you?”

Tang mo said, “I’m at the island’s Grand Meeting.”

Although Qin Yu didn’t know what this place was, he still agreed.

After hanging up the phone, Qin Yu hurriedly left the house.

He casually hailed a cab and rushed to this island’s grand meeting.

Just as he got into the car, someone not far away noticed Qin Yu.

“Granny Qin, that person seems to be Qin Yu,” a purple-robed person said coldly.

Upon hearing this, Granny Qin’s expression changed slightly.

“Qin Yu? Are You Sure?” Granny Qin said with a frown.

The purple-robed person said in a deep voice, “I have a 90% chance.”

Granny Qin narrowed her eyes slightly and snorted coldly, “It seems that this Qin Yu is also here for the herbs! No wonder he said such arrogant words in public. It turns out that he wants to rely on this herb to turn the tables!”

“Granny Qin, what should we do now?” Purple Robe asked.

Granny Qin snorted coldly, “Since I’ve discovered it, how can I let him succeed! Everyone, chase after him immediately!”

Chapter 734: Chapter 734, the vicious Granny Qin

“Granny Qin, should we kill him?”The purple-robed men asked.

Granny Qin said with a gloomy face, “No, I have a bet with him. We can’t kill him.”

At this point, Granny Qin paused, then said with a sinister face, “Although we can’t kill him, we can still consider crippling him... if you want to get your hands on ten-thousand-year-old herbs, dream on!”

...

On the other side, Qin Yu knew nothing about this.

At this moment, all he could think of was how to get the Tang family to help.

It was probably impossible to rely on flattery and praise.

Although the Tang father and son liked to be praised, it didn’t mean that they were fools.

“What I can give them doesn’t seem to be much,”Qin Yu thought to himself.

Other than his identity as an apothecary, Qin Yu had almost nothing to show for it.

However, Qin Yu had no other choice. He could only place his hopes on the Tang family.

The car sped all the way. He wanted to rush to the island feast.

He thought that the island feast would be a feast, but he did not expect it to be a club.

This club was extremely high-end. The entire club was placed under the sea.

Looking out of the club, one could see the blue sea. One could even see schools of fish swimming around.

When they reached the entrance of the clubhouse, the security guard reached out to stop Qin Yu.

“Sir, we have a membership system and are not open to the public,” said the security guard.

“I’m here to look for Tang Mo. he asked me to come,” said Qin Yu as he pointed inside.

The security guard looked Qin Yu up and down and said, “Are You Qin Yu?”

“That’s right.” Qin Yu nodded.

A trace of surprise flashed through the security guard’s eyes. He grabbed Qin Yu’s arm and said, “Mr. Qin, I’m your fan! I think what you did was too cool!”

Then, the security guard bragged to Qin Yu. He almost described everything that Qin Yu had done. The more he talked, the more excited he became.

“I’m sorry, I have something to discuss with young master Tang. Can I go in now?” Helpless, Qin Yu could only interrupt the security guard.

The security guard hurriedly nodded and said, “Mr. Qin, please come in. Can we have a meal together when you’re done?”

Qin Yu smiled and said, “Of course, no problem. I’ll treat you to a meal later.”

The security guard was immediately overjoyed. He said with some anticipation, “Okay, I’ll wait for You!”

Qin Yu didn’t say anything more and quickly walked in.

The entire club was flashing with blue light.

In the center of the hall, Tang Mo was sitting.

He lazily leaned on the sofa with a table full of wine in front of him.

Qin Yu quickly walked over and said in surprise, “Why are you alone today? Where are the more than twenty martial marquises?”

Tang Mo sat up from the sofa and waved his hand, “I just came out to have fun. I don’t need such a big show.”

After saying that, Tang Mo handed Qin Yu a bottle of wine and said, “Come, have a drink with me.”

Qin Yu didn’t say anything else. He raised his glass and downed it.

After finishing the bottle of wine, Tang mo said, “Why are you looking for me? Just tell me.”

Qin Yu was silent for a moment and said, “I do have something that I need your help with.”

“It’s still because of that ten-thousand-year-old herb, isn’t it?” Tang Mo said casually.

Qin Yu nodded and said, “That’s right. The news of the birth of this medicinal herb has already been leaked. When that time comes, who knows how many people will be eyeing this medicinal herb.”

Tang Mo snorted lightly and said, “That’s because our Tang family doesn’t make a move. Otherwise, who would dare to touch it?”

Qin Yu smiled and said, “That’s only natural. If the Tang family makes a move, I’m afraid that everyone will directly give up.”

After a round of bragging, Tang Mo’s face was filled with a proud smile.

He gulped down a bottle of wine and said, “Tell me, what do you want me to do?”

Qin Yu said somewhat embarrassedly, “I think... if it’s convenient for the Tang family, it’s best if they can lend me some manpower...”

“Lend you some manpower?” Tang Mo raised his eyebrows.

He shook the wine cup in his hand and said indifferently, “Qin Yu, you should know that the emergence of these herbs will attract a large number of experts.”

“Once a big fight breaks out, casualties are inevitable. Even a martial marquis might die.”

“Do you think our relationship is so close that we can sacrifice our Tang family’s martial Marquis for You?” Tang Mo stared at Qin Yu and said.

Qin Yu immediately fell into silence.

Although Tang Mo didn't have a proper career, he wasn't a fool.

Sacrificing his family's martial marquis for the sake of the Qin Yu he just met wasn't worth it no matter how he looked at it.

"There are some things that are best if you can get them. If you can't get them, you don't have to force them." Tang Mo leaned back and was quite free and easy.

Qin Yu sighed and said, "If I had the time, I think I wouldn't be in such a hurry."

Qin Yu only had a month's time. If he could not get this ten-thousand-year-old herbs, he had no chance of winning against the heaven-swallowing Python Qin Yu.

Tang Mo waved his hand and said, "Alright, let's not talk about this anymore. I think my father has already made it clear to you."

"If our Tang family can not help you, at least you still have a chance to get it. Don't expect too much."

Seeing this, Qin Yu could only sigh slightly and said, "Alright then."

"Come, let's drink. We must enjoy life to the fullest," Tang Mo said with a smile.

Qin Yu had no other choice but to drink with Tang Mo..

In the center of the clubhouse, a few hot girls were dancing. Although the atmosphere was lively, it was not considered noisy.

At this moment, Granny Qin arrived at the entrance of the island feast.

“Granny Qin, that Qin Yu should be here.” A purple-robed person bowed and said.

Granny Qin nodded and walked into the island feast with a cold face.

At the entrance, the security guard was still immersed in the joy of seeing his idol.

Seeing Granny Qin walking over, the security guard hurriedly took a step forward and blocked Granny Qin’s Way.

“I’m sorry, we have a membership system here. It’s not open to the public,” the security guard said politely.

Granny Qin coldly glanced at the security guard and said, “Don’t give yourself trouble.”

The security guard tried his best to smile and said, “Sorry, this is the rule of the island’s feast. No members are allowed to enter.”

“You’re courting death!” Granny Qin was instantly enraged. She stretched out her shriveled claws and grabbed the security guard’s head!

“Crack!”

With a crisp sound, the security guard’s head was directly snapped off!

The security guard’s eyes widened. He had never thought that Granny Qin would be so vicious!

Granny Qin snorted coldly and then strode into the island’s feast.

In the island's feast, Qin Yu was drinking with Tang Mo, but his mind was filled with thoughts of how to ensure that he could obtain this ten-thousand-year-old herb.

At this moment, several figures appeared in front of Qin Yu.

“Qin Yu, you seem to have a lot of time on your hands.” A sinister voice sounded in Qin Yu's ear.

Qin Yu frowned slightly. He raised his head and saw Granny Qin standing in front of him.

The purple robes beside her blocked his way.

Chapter 735: Chapter 735, the furious end of Tang

Looking at the gloomy Granny Qin, Qin Yu frowned slightly.

“Old Thing, you came quite quickly.” Qin Yu squinted his eyes and said.

Granny Qin laughed loudly and said, “Qin Yu, I have to say, your information is quite sensitive.”

Qin Yu looked at Granny Qin coldly and said, “Stop talking nonsense, you old bastard, if you have something to say, say it quickly.”

Granny Qin narrowed her eyes slightly and sneered, “Qin Yu, the skyguard letter can let you live for another month, but it doesn't mean that it can guarantee your safety.”

“It's true that I can't kill you now, but I can still make your life worse than death.”

As they spoke, the three purple-robed men took a step forward in unison.

Qin Yu sneered and said, “It seems that you don’t have confidence in that bastard you raised. Are you afraid that he won’t be a match for me in a month?”

Granny Qin narrowed her eyes and said coldly, “Little Black will kill you like slaughtering chickens and dogs! But even so, I won’t let you spend this month comfortably!”

As her voice fell, a purple-robed man suddenly made a move and grabbed at Qin Yu!

Qin Yu snorted coldly and immediately clenched his fist to meet it.

“Boom!”

A loud sound reverberated throughout the entire club, and a terrifying force spread out in all directions!

“Deng Deng Deng Deng!”

Under this punch, the purple-robed man took a few steps back! His fist felt even more painful!

“What a tough body.”The purple-robed man could not help but frown.

Qin Yu slowly stood up.

He glanced at the few purple-robed men in front of him and said coldly, “Not long ago, I killed the three of you and swallowed their golden cores. Just the few of you are no match for me.”

“Hahaha!”Granny Qin couldn’t help but burst into laughter.

A terrifying killing intent burst out from her body, and an eerie internal Qi gathered on her body!

“Qin Yu, you talk big!”Granny Qin said coldly.

Sensing Granny Qin’s Internal Qi, Qin Yu couldn’t help but frown.

Granny Qin was at the peak of the Martial Marquis realm, and her strength was not ordinary. She was far above the purple-robed men.

If they really fought, they would most likely die.

“Enough!”

At this moment, Tang Mo suddenly stood up.

He stared at them and said, “You will pay for the damage? Also, who let you in? Security, security!”

The manager of the club was scared out of his wits. When he heard Tang Mo’s voice, he ran over.

“Young... Young Master Tang.”The manager looked nervous.

Tang Mo pointed at Granny Qin and the others in front of him and said impatiently, “Who let them in? Where are the security guards? How did you do the security measures?”

The manager said with some fear, “Young Master Tang, our security guards have been killed by them because they tried to stop them...”

“Killed?”When he heard this, Qin Yu’s expression immediately changed!

“You killed that security guard?” Qin Yu looked at Granny Qin coldly.

Granny Qin smiled faintly and said, “Why? Do you care about the life of an ant?”

“F * ck you! The security guard was just doing his job, and you actually wanted to kill him. Are you still a F * cking human! ?” Qin Yu couldn’t help but be furious!

He had just promised to have a meal with the security guard, but unexpectedly, in the blink of an eye, they were separated.

Granny Qin sneered and said, “Qin Yu, you even care about the life of an ant. You are destined not to achieve anything big.”

“I will do your mother’s thing! Beast!” Qin Yu clenched his fist and said fiercely.

Tang mo frowned and said, “Hurry up and get lost. Don’t disturb us. Do You Hear Me?”

Granny Qin glanced at Tang Mo and said coldly, “Kid, if you don’t want to die, don’t talk nonsense!”

Hearing this, Tang Mo couldn’t help but sneer, “Old Thing, don’t be so shameless. Do you think I’m afraid of You?”

Just as Granny Qin was about to speak, purple robe beside her whispered, “This person is the young master of the Tang family. It’s best not to offend the Tang family in Tang City.”

Hearing this, Granny Qin sneered even more.

“So what if he’s the young master of the Tang family? He’s just a small aristocratic family from a remote mountain village. How dare he challenge the Jingdu Martial Arts Association?”Granny Qin sneered.

“A small aristocratic family from a remote mountain village?”Hearing this, Tang Mo’s eyes immediately widened.

Granny Qin placed her hands behind her back and said indifferently, “That’s right. A trifling Tang city is just a place where birds don’t shit.”

“There are no tigers in the mountains. Monkeys call themselves kings. Tall men among the short ones. Do you really think you’re a descendant of some aristocratic family?”

“Go out and take a walk. See the outside world.”

Granny Qin’s incessant chatter immediately made Tang Mo’s face flush red.

Tang Mo, who had always liked to be flattered, had never suffered such humiliation?

“You... you actually look down on our Tang family!”Tang Mo gritted his teeth, his face as red as his neck.

Granny Qin snorted lightly. “What Tang family? I’ve never even heard of it!”

“I don’t care what aristocratic family you are a descendant of. Go back and tell your father. Ask him if he knows of the Jingdu Martial Arts Association!”

Tang mo gritted her teeth and said, “Okay, okay. I will definitely tell my father!”

Granny Qin seemed to want to say something else. Purple Robe, who was at the side, tugged at Granny Qin and said in a low voice, “Granny Qin, this Tang family is not simple. It’s better for us to be careful.”

“Not simple? It’s just a bunch of unruly people from the barren mountains and rivers,” Granny Qin mocked.

Purple robe said somewhat anxiously, “Tang city is named after the Tang family! This Tang family has dozens of martial marquises. If they really go crazy, the Jingdu aristocratic family might not be able to withstand it!”

Hearing this, Granny Qin was immediately stunned.

Dozens of martial marquises? A mere Tang city actually had such a martial aristocratic family?

Although the JINGDU martial arts association was not afraid of any family, this place was still extremely far from Jingdu! It would be too late to even find someone!

Granny Qin withdrew the killing intent from her body. Although she felt a little regretful, she naturally could not lose face in front of so many people.

Therefore, Granny Qin only snorted lightly and said, “Qin Yu, you’re lucky today. Just you wait.”

After saying this, Granny Qin left with her people.

The clubhouse became quiet.

Meanwhile, Tang Mo was so angry that his entire body was trembling.

“Damn it, you actually looked down on our Tang family! You said that WE ARE TIGERS!” Tang Mo said angrily.

“No, she said that you are monkeys.” Qin Yu added fuel to the fire.

“Yes, she actually said that we are monkeys!” Tang Mo suddenly jumped up in anger!

Not only did this Granny Qin not praise him, but she also belittled the Tang family?

This was simply intolerable!

“This Bullsh * t martial arts association, I want to see how capable they are!” Tang Mo said angrily.

“Qin Yu, they are also here for the herbs, right?” Tang Mo asked.

Qin Yu quickly nodded and said, “Yes! Young Master Tang, those ten-thousand-year-old herbs can not fall into the hands of such people!”

Tang mo gritted his teeth and said, “Of course! Qin Yu, follow me home to find my father. I want to show them the power of my Tang family!”

Chapter 736: Chapter 736: the birth of herbs

Upon hearing Tang Mo’s words, Qin Yu hurriedly nodded and said, “Alright!”

With that, the two of them left the place in a huff.

Never did Qin Yu expect that Granny Qin would actually give him a godly assist!

Originally, Qin Yu had already given up hope, but Granny Qin jumped out to help him!

After getting into Tang Mo's car, the two of them rushed toward the Tang family.

It was already night time, but Tang Sheng didn't sleep.

He was fishing by his own pond, looking somewhat like an immortal.

Tang Mo hurriedly ran in front of Tang Sheng and angrily said, "Dad, something happened!"

Tang Sheng glanced at Tang mo and said, "What happened? Why are you making such a fuss?"

"Dad, I was insulted at the feast on the island just now," Tang Mo angrily said.

"He said that our Tang city is nothing but a fart-sized place, and he also said that we're a small aristocratic family that has never seen the world!"

Hearing this, Tang Sheng's face turned ugly.

Tang mo continued, "He also said that we're a remote mountain village, and he also said that we're Tigers!"

"It's monkeys," Qin Yu reminded from the side.

“Yes, he said that we’re monkeys!”Tang Mo gnashed his teeth and said.

After the insult, Tang Sheng’s face turned extremely ugly and almost turned black.

Father and son were the same. They both liked to be flattered, and as long as they were flattered, they would become their friends.

“Qin Yu, you go out first,”Tang Sheng tried his best to maintain his elegance and anger.

Qin Yu nodded and said, “Okay.”

“Ah! ! ! Damn it! How dare you humiliate my Tang family! You’re courting death! ! !”

Just as Qin Yu walked out, Tang Sheng’s angry roar came from behind him!

Qin Yu couldn’t help but be secretly speechless.

It was really rare to see someone like the Tang father and son who cared about face.

Ten minutes later.

Tang Mo came out of the room.

With a gloomy face, he said, “Qin Yu, my dad said that you’re going to be our Tang family’s guest for 20 years.”

“No Problem!”Qin Yu agreed without thinking.

Tang mo continued, “In four days, I will personally bring people to help you.”

Qin Yu was instantly overjoyed and quickly cupped his hands, “Then thank you very much, Young Master Tang!”

Tang Mo waved his hand and snorted lightly, “I want to let that Granny Qin see if our Tang family is a monkey or not!”

“Yes! Teach them a good lesson!” Qin Yu clenched his fists and said.

...

After returning home, Qin Yu lay on the sofa and let out a long sigh of relief.

“It’s finally settled,” Qin Yu said in a low voice.

At this moment, the mustached man came forward and said, “Qin Yu, I observed the celestial phenomenon at night and discovered an important event!”

Qin Yu glanced at him and said, “What important event?”

The mustached man said with a gloomy face, “There will be a major event in the near future.”

“Big? What Big Thing?” Qin Yu asked, puzzled.

The Mustache Man shook his head and said, “I can’t say for sure, but it’s definitely a big thing, and it’s not a good thing.”

“Not a good thing?” This made Qin Yu a little confused.

Looking at the Mustache Man's serious expression, it didn't seem like he was joking.

But what kind of bad thing was it? The Mustache Man Couldn't say for sure.

Qin Yu didn't think too much about it. To him, the most important thing now was to get the herbs.

...

At this moment, in the immortal slaying sect.

The entire immortal slaying sect was surrounded by a cold atmosphere.

In the midst of the ruins, a man suddenly appeared.

The man's expression was cold and his figure was tall and straight. His eyes were extremely deep.

"The seal... has actually been lifted."The Man took a deep breath, and his eyes were instantly filled with black pupils!

Then, the man raised both his hands and finally muttered something.

In an instant, the immortal Slayer sect shook the earth and mountains, and the rumbling continued!

One coffin after another appeared under the ground!

These coffins pierced through the ground and appeared in front of the man!

“It’s a pity that the cult master’s corpse couldn’t be preserved,”the man said in a low voice, his eyes seemingly filled with regret.

“However... with these seven people, it’s enough to sweep across the world.”Following that, the corners of the man’s mouth curled up into a cold smile.

...

Time flew by.

In the blink of an eye, three days had passed.

There was only one day left until the appearance of the ten-thousand-year-old herbs.

And on this day, the surrounding internal Qi had become a little strange.

Although it appeared to be calm and peaceful on the surface, but in reality, it was surging with undercurrents.

Many top tier martial artists had come to the vicinity, waiting for the appearance of the ten-thousand-year-old herbs.

They did not only come from the fire country, but also from the powers outside the Pyro Empire.

Qin Yu released his spiritual sense, covering a radius of several tens of Li.

Soon, he felt many powerful internal Qi.

“There are at least twenty to thirty martial marquises here,”Qin Yu said with a frown.

“I also felt it,”Xiao Yu suddenly interrupted.

Qin Yu glanced at Xiao Yu and said in surprise, “Your spiritual sense is so sharp? Did you deliberately cultivate it?”

“No, I don’t know the reason. In short... my spiritual sense seems to change every day.”Xiao Yu shook his head.

Qin Yu didn’t say anything, but he was a little worried.

He wasn’t afraid of the masked woman, but he was worried that the masked woman and Xiao Yu were not the same person. They were just using Xiao Yu’s body to be reborn.

If that was the case, it would be troublesome.

“I have to go to the scripture depository as soon as possible,”Qin Yu thought to himself.

At night.

Qin Yu tossed and turned, unable to fall asleep.

He stood in front of the window, staring at the scenery outside.

“Tomorrow is the day of the birth of the divine herbs, yet it is so peaceful here,”Qin Yu said with a frown.

Normally, the birth of ten-thousand-year-old herbs would definitely cause a heaven and earth phenomenon.

“Perhaps this is the tranquility before the storm.”Qin Yu shook his head.

He turned around and returned to his room, taking out his phone.

At this moment, the martial arts forum was extremely heated. No one was discussing the matter of the ten-thousand-year-old herbs. Almost everyone was discussing Jiang he's battle with the heaven-swallowing Python.

“The battle lasted for three days. Jiang he won successfully!”

An eye-catching piece of news came into view!

“As expected of senior Jiang He.”Qin Yu was still somewhat surprised.

One had to know that the heaven-swallowing boa and Jiang he were both at the peak of the Martial Marquis Realm! It was very difficult to defeat Demon Beasts at the same realm! It was almost impossible to defeat earth-rank Demon Beasts!

Qin Yu browsed through the martial arts forum, and almost everyone was discussing this matter.

This also made Qin Yu wonder if Granny Qin had used this method to attract everyone's attention so that the ten-thousand-year-old herbs would not be snatched away.

The sky gradually brightened, and the sky turned white.

The atmosphere in the vicinity became even more strange.

Even though everyone had restrained their internal Qi, an extremely strong sense of oppression still gathered around them.

“Today is the day the ten-thousand-year-old herbs are born..”Qin Yu took a deep breath and immediately released his spiritual sense to cover the surroundings.

Chapter 737: Chapter 737, divining the secrets of the heavens

There were at least dozens of people hiding in the surrounding area, each with their own internal Qi.

Qin Yu retracted his internal Qi. He looked at Xiao Yu and said, “Wait for me here. Don’t go anywhere until I come back.”

Xiao Yu stubbornly said, “I want to go with you!”

“No, this is a very dangerous thing. You Can’t go with me,”Qin Yu said with a frown.

Xiao Yu said, “I’m also a Marquis Now. I’m not afraid of danger.”

Seeing that he couldn’t persuade Xiao Yu, Qin Yu had no choice but to take her downstairs.

After going downstairs, the sharp mustached man quickly sensed the abnormality.

He sniffed and then looked around, his fingers constantly gesturing in the air.

“The birth of ten-thousand-year-old herbs?”The mustached man said with a frown.

Qin Yu said with some surprise, “How did you know?”

“Professional,”the mustache man said.

Although Qin Yu was a little surprised, he didn’t say anything.

More and more people gathered in the vicinity. Soon, more than twenty martial marquises appeared in the vicinity.

“Qin Yu, you came in time.” At this time, Song Shan and Guan zu walked over.

Qin Yu glanced at them without saying anything.

Qin Yu couldn't be bothered with Song Shan and Guan zu at all.

“There are at least dozens of martial marquises here today to snatch the ten-thousand-year-old herbs. Do you think you have a chance?” Guan zu snorted coldly.

“Shut your mouth. Whether you have a chance or not has nothing to do with you,” Qin Yu said coldly.

Guan zu snorted lightly and said with a faint smile, “Qin Yu, you better be careful in case someone tries to assassinate you.”

“Are you threatening me?” Qin Yu's face turned cold and he immediately took a step forward.

A powerful pressure came at him and ancestor Guan's expression changed slightly.

“Qin Yu, we're here to help you. Why would we threaten you?” Song Shan hurriedly tried to smooth things over.

Qin Yu looked at them coldly and said, “I'm telling you, it's best if you don't Plot Against Me. Otherwise... I don't Mind Killing You First!”

Song Shan's expression changed slightly, and he was a little angry in his heart.

But for some reason, Song Shan couldn't say a word.

Qin Yu couldn't be bothered with the two of them anymore. He turned around and walked to the side.

His handlebar mustache was still gesturing in the air, as if he was searching for something.

At this moment, Granny Qin walked over from not far away with eight purple robes.

The purple robes were extremely eye-catching under the sunlight, and their identities attracted the attention of countless people.

“Purple robes? People from the Jingdu Martial Arts Association?”

“They're actually targeting them. This is troublesome.”

“Eight purple robes have been dispatched. It seems like the Jingdu martial arts association is taking this matter very seriously.”

Many of the martial marquises in the surroundings came from outside forces.

They were naturally somewhat fearful of the Jingdu Martial Arts Association.

After all, many of the overseas forces had been captured by the Jingdu Martial Arts Association. The ones who had taken action were basically purple-robed men.

Granny Qin seemed to be extremely satisfied with everyone's attitude.

She placed her hands behind her back and swept her gaze around.

Wherever her gaze landed, everyone subconsciously turned their faces to the side to avoid making eye contact with Granny Qin.

This made Granny Qin even more satisfied and a sense of superiority arose.

Then, Granny Qin led her people and Strode in the direction of Qin Yu.

“You really dare to come,”Granny Qin said with narrowed eyes.

“Why wouldn’t I dare? Even an old bastard like you has come. How could I miss it?”Qin Yu mocked.

Granny qin sneered, “Sharp-tongued brat, let’s see how long you can be arrogant!”

After saying that, Granny Qin glanced at Qin Yu’s side and sneered, “With just the three of you, you dare to touch ten-thousand-year-old herbs? You must be dreaming.”

Then, Granny Qin glanced at Little Fish and said sarcastically, “You call such a young child here to die? But I have to say, Qin Yu, your luck with women is not bad.”

“In the past, Yan Ruoxue suffered for you. Now, such a young child is willing to die with you.”

At the mention of Yan Ruoxue, Qin Yu’s expression didn’t look too good.

“You’d better shut your mouth,”Qin Yu said coldly.

Granny Qin didn't pay attention to Qin Yu. Instead, she smiled and looked at Little Yu.

“Little girl, seeing that you have entered the Martial Marquis realm at such a young age, such talent can be said to be a genius. Are you interested in joining the Jingdu Martial Arts Association?” Granny Qin said with a smile.

Xiao Yu glanced at Granny Qin, but did not say anything.

Granny Qin put on a kind face and said, “Joining the Jingdu Martial Arts Association is an official job. It is a great matter to honor our ancestors. It is much better than being by the side of a hooligan.”

Looking at Granny Qin in front of her, Xiao Yu sneered, “Old Thing, shut your mouth. Your Breath is a little stinky.”

The moment she said that, Granny Qin's face darkened.

She looked at Xiao Yu coldly and said, “You Shameless B * stard, I'd like to see what kind of ending you'll have!”

Xiao Yu said with a mocking expression, “With your age, I reckon you won't be able to see that day. You might just die tomorrow.”

“You!” Granny Qin's face turned cold. She was so angry that she laughed. Pointing at Xiao Yu, she said, “Good, good! I hope you won't regret it!”

Granny Qin knew that she wouldn't be able to gain anything from her words, so she turned around and left with the eight purple-robed men.

There were more and more people around them. Many martial marquises had gathered together.

Some had three or five people, while some had seven or eight people. Among them, the most powerful was naturally the Jingdu martial arts association.

“Why isn’t he here yet?” Qin Yu looked at the time and couldn’t help but frown.

Did Tang Mo forget about this matter?

At this moment, an old man walked over from not far away.

Seeing this old man, many martial marquis surrounded him, even Granny Qin was no exception.

“Who is that person?” Seeing this, Qin Yu couldn’t help but be a little surprised.

From the attitude of everyone towards him, this person was probably not simple.

“Divination master Chou Heguang,” the moustache man at the side said.

“Divination master?” Qin Yu was even more surprised.

The mustached man grunted and said, “They rely on divination to determine the location of the birth of the treasure, so they are very popular.”

“There’s such a profession...” Qin Yu touched his chin and said in a low voice, “No, I have to go over and take a look.”

After saying that, Qin Yu walked over eagerly.

As Qin Yu walked forward and backward, Granny Qin looked at Qin Yu coldly.

“You are not welcome here,”Granny Qin said coldly.

Qin Yu glanced at her and said, “Am I here to look for you? What has it got to do with you?”

“Granny Qin is right. You are indeed not welcome here,”chou he guang said indifferently.

Seeing this, Qin Yu frowned immediately.

“Get lost!”Granny Qin scolded coldly.

Qin Yu looked around, and it seemed that everyone had a cold look on their faces.

Although he was a little unhappy, Qin Yu could only turn around and leave dejectedly.

“F * ck, you actually don't want me to listen.”Qin Yu couldn't help but curse.

The Mustache Man at the side sneered, “It doesn't matter. That Chou he guang is known as a master, but in reality, he has deduced ten times and failed eight times.. It's not even worth mentioning.”

Chapter 738: Chapter 738, feeling the power of the Great Dao!

Two out of ten successes? The success rate was only 20% ?

Qin Yu looked at the handlebar mustache in surprise and said, “Even with a success rate of 20% , you can still be called a Master? Is this worthy of flattery?”

The handlebar mustache glanced at Qin Yu and sneered, “Do you think that divining the Heavenly Secrets is an easy thing? Even the best divination masters only have a success rate of 50% .”

“Moreover, there are very few divination masters. A lot of heavenly materials and earthly treasures came from their mouths.”

Qin Yu suddenly understood.

In other words, the birth of many heavenly materials and earthly treasures was divined by the divination masters in advance and then spread.

“Has no one improved the ability of divining the heavenly secrets to 100% ?”Qin Yu asked in puzzlement.

When the mustached man heard this, he could not help but say, “Divining the heavenly secrets is an ability to comprehend the Great Dao. This is an innate ability. It is very difficult to change it after birth.”

When he said this, the mustached man paused for a moment and then said with some pride, “Even for me, the success rate of divining the heavenly secrets is only 30% .”

When he heard this, Qin Yu could not help but roll his eyes and say, “After talking for so long, you are preparing to boast.”

The mustached man chuckled and said, “You can say that, but what I said is true. Divining the heavenly secrets is really a very difficult thing.”

“Many people can not feel the Great Dao in their lifetime, so they are unable to deduce the heavenly secrets.”

Hearing this, Qin Yu could not help but have the intention to give it a try.

He closed his eyes slightly, preparing to feel the Great Dao mentioned by the mustached man.

The Great Dao was the Law of Heaven and earth.

Although cultivators were breaking the law, they were always in the Great Dao. No one could jump out.

This kind of law did not have a specific shape or state. It was completely an empty existence.

Those who could feel the Great Dao were all heaven’s chosen.

Qin Yu closed his eyes slightly. His spiritual sense seemed to be wandering.

Qin Yu held his breath and focused his attention, trying to resonate with the Great Dao.

“Qin Yu, you already have enough advantages. Want to comprehend the Great Dao? That’s impossible.”

The mustache knocked out Qin Yu’s intention and couldn’t help but laugh at him.

Qin Yu ignored him and continued to resonate with the Great Dao.

A few minutes later.

The pitch-black scene in front of Qin Yu suddenly had a fusion!

The line of sight in front of him was like an inner scene, with illusory rays of light appearing one after another.

These rays of light were as fine as threads, drifting with the wind. They looked like dandelions without any pattern, but if one looked carefully, one would discover that all the rays of light were swaying according to a certain pattern.

“This is the Great Dao?” Qin Yu was overjoyed!

Although that was the case, Qin Yu did not know how to deduce the heavenly secrets by relying on this Great Dao.

Qin Yu hurriedly opened his eyes, and the scene in front of him returned to normal.

“How was it? You failed, right?” The mustached man said proudly.

“Even for me, it took me several months to successfully comprehend the Great Dao, and it was precisely by relying on this great dao that I was able to do the archaeology.”

“You want to comprehend the power of the Great Dao? That’s simply impossible!”

Qin Yu ignored the moustache’s incessant chatter and said anxiously, “Quickly tell me, how do you deduce the heavenly secrets by relying on this Great Dao? And how do you find treasures?”

The moustache frowned and said, “Why are you asking this?”

Qin Yu did not hide anything and immediately told the moustache everything he had observed in the interior.

After hearing that, the handlebar mustache could not help but widen his eyes.

“Is what you said true?”The handlebar mustache swallowed his saliva.

“I’m not in the mood to joke with you.”Qin Yu said with a frown.

The handlebar mustache could not help but swallow his saliva. Then, he said with some grief and indignation, “It’s not fair, it’s too unfair!!! What right does he have to feel the Great Dao within a few minutes!?”

“Alright, stop talking nonsense and tell me quickly,”Qin Yu rolled his eyes and said.

The moustache man sighed slightly. Although he was a little unhappy, he still told Qin Yu the method to deduce the heavenly secrets.

“The so-called divination of the heavenly secrets is to find a trace of direction that goes against the law from the Great Dao,”the moustache man said.

“All Heavenly Treasures are born outside of the Great Dao. Therefore, once you feel that the Great Dao is abnormal, it means that a treasure has been born.”

“As for how to determine the location, it’s the same method. The position you see from the inner view is the general position of the treasure.”

Qin Yu was confused, but he roughly understood the meaning of the handlebar mustache.

He scanned his surroundings and roughly looked at the nearby location.

Then, Qin Yu closed his eyes slightly and tried to find the Great Dao again.

A few minutes later, the inner scene appeared in front of Qin Yu.

The scene in front of him was quite sacred. There were threads of light that were like silk that were moving slightly.

Qin Yu stared at the extremely mysterious light in front of him and tried to find their laws.

Only by finding the laws could he find the heavenly secrets beyond the laws.

Not far away, Chou Heguang was also deducing the heavenly secrets.

His forehead was covered in layers of sweat, and he looked extremely exhausted.

Deducing the heavenly secrets was an extremely taxing task. Even Qin Yu felt a trace of pressure.

Another half an hour passed, and Qin Yu finally found the trace of abnormality in the Great Dao.

This ray of light was extremely manic in the inner scene, like a headless fly.

Not only that, the ray of light became more and more manic, and its movement became more and more irregular.

“It’s him.” Qin Yu locked onto this ray of light.

That manic posture indicated that this ten-thousand-year-old herbs were getting closer and closer to being born!

Qin Yu suddenly trembled. His divine sense seemed to have stepped into the inner scene!

Relying on his powerful divine sense, Qin Yu fused the images in his memory with the images in the inner scene!

Soon, Qin Yu discovered this trace of madness!

This was the heaven's secret that had been deduced!

Qin Yu opened his eyes with a swoosh, and then swept his gaze toward the southeast.

“The place where the ten-thousand-year-old herbs were born is in the southeast,” Qin Yu said in a deep voice.

At the same time, the handlebar mustache opened his eyes slightly.

He stood up and walked in front of Qin Yu, his face unconsciously showing some admiration.

“I didn't believe you when you said you had comprehended the Great Dao just now, but I believe you now.” The handlebar mustache gave Qin Yu a thumbs up.

“You're really a F * cking genius!”

Qin Yu said with some confusion, “Why do you say that?”

The handlebar mustache pointed to the southeast and said, “The direction I guessed is also in the southeast.”

“Only a few minutes and you can feel the Great Dao. Sigh, it’s really unfair.”The handlebar mustache could not help but sigh.

At this moment, Chou he guang, who was not far away, also opened his eyes.

When the crowd saw this, they hurriedly surrounded him.

“Master Chou, how is it? Where will the ten-thousand-year-old herbs be born?”Granny Qin asked impatiently.

Chou he guang wiped the sweat from his forehead and then pointed to the east and said, “According to my deduction, the ten-thousand-year-old herbs will be born there.”

Chapter 739: Chapter 739, I, Qin Yu, have nothing to fear!

The direction of Chou Henguang’s deduction seemed to be different from that of Qin Yu and the moustache man.

The direction he was pointing at was in the east, while Qin Yu and the moustache man thought it was in the southeast.

“Why would there be a difference?”Qin Yu was a little puzzled.

The moustache man explained, “There are too many uncertainties in the Great Dao. Each time, there might be a different result.”

“Normally, a master would deduce many times to determine the location.”

Qin Yu frowned and said, “Then, our result might not be true?”

“No.”The Mustache Man shook his head.

“I’m referring to the birth of ordinary treasures. The signs of the birth of ten-thousand-year-old herbs are still very obvious, so there won’t be any problems with our conjectures.”

Qin Yu touched his chin and said, “Then there must be a problem with Chou he guang.”

The mustached man snorted, “Chou he Guang’s talent is average, and he is also a vain person.”

“He relies on his little ability to seek social status all day long, so his ability is naturally getting worse and worse.”

Qin Yu nodded slightly.

Just as the mustached man said, a person with ability did not need to forcefully seek social status.

The so-called wealth and status were just additional products brought by ability.

“Master Chou, this time it’s all up to you,”Granny Qin said with a smile.

Chou he guang waved his hand and said with a faint smile, “It’s just a small matter. It’s not worth mentioning.”

The people around were still boasting about chou he guang, saying what kind of master he was and what kind of heavenly secrets he was.

Countless praises made Chou he guang feel a little smug.

“Hehe, really, anyone can become a master.”The mustached man could not help but mutter softly.

Even though the handlebar mustache’s voice wasn’t loud, he could still hear it clearly.

“Kid, what did you say?”Granny Qin narrowed her eyes and said.

The handlebar mustache was so scared that it trembled. He quickly smiled and said, “Nothing, nothing. I was just talking nonsense.”

Granny Qin had wanted to teach the handlebar mustache a lesson. Now that she had found an opportunity, she wouldn’t let it go.

Granny Qin led the crowd and walked toward the handlebar mustache.

“Are you mocking Master Chou?”Granny Qin said coldly.

“I knew you weren’t a good person. How dare you spout nonsense today?”

The handlebar mustache said awkwardly, “I . . . I didn’t mean that. You heard wrong...”

Granny Qin snorted coldly, “I heard wrong? Are you saying that my ears aren’t Good?”

“Yes, I’m saying that your ears aren’t good.”Qin Yu couldn’t stand watching from the side.

He stood in front of the handlebar mustache and said coldly, “Old bastard, so what if I say that your ears are not good?”

Granny Qin's expression changed slightly, and the internal Qi on her body was also increasing.

Her eyes rolled, but she was not in a hurry to attack.

Granny Qin was very calculative. She knew that if she attacked Qin Yu now, it would exhaust her strength.

After the 10,000-year-old herbs were born, she would lose her ability to compete.

Hence, Granny Qin sneered, "You said I could, but what do you mean by mocking Master Chou?"

"Right! What do you mean by mocking Master Chou? Are you doubting master Chou's ability!" Someone beside her shouted.

Chou he guang also said with a smile that was not a smile, "What did you say about me back then? I didn't hear it clearly."

Qin Yu glanced at master chou and sneered, "Looks like your ears aren't that good either. Alright, then I'll repeat it for him."

"You, Master Chou, have a few tricks up your sleeve. The success rate of the deduction is only 20%. You're just a dog with a broken spine who's greedy for vanity. Scolding you is just giving you face!"

"Do you understand now!?"

These few words made Master Chou's face extremely cold.

He glared at Qin Yu and said sinisterly, "You dare to look down on me? Do you know what divination is?"

“Half an hour ago, I didn’t know, but now I understand.”Qin Yu said with a faint smile.

“And my ability is probably above yours.”

Master Chou couldn’t help but laugh out loud, “Hahaha! Your ability is above mine? Do you know any Great Dao? !”

“Let me tell you, there are very few people in this world who can deduce the heavenly secrets! With just you? You Dare to speak so arrogantly?”

Qin Yu sneered, “You are just trash. You are just an ordinary person with mediocre talent. You can not deduce it eight times out of ten times, and you still dare to come out and bluff.”

“I will also tell you, we have also deduced the location.”

Chou he guang sneered, “Did you hear the location I said? Are you pretending that you deduced it yourself now?”

“Don’t be so narcissistic. The direction we deduced is different from yours.”Qin Yu sneered.

“Only a retard would go to the east.”

After a few words, chou he guang could not hold it in anymore.

He glared at Qin Yu and shouted, “It’s fine if you humiliate me, but you dare to humiliate my ability! You are humiliating the Great Dao! This is disrespectful!”

“Disrespectful? F * ck, don’t pull the big banner here.”Qin Yu sneered.

“Great Dao? What do you know about the Great Dao?”

Chou he guang's face became even darker.

He took a deep breath and said, "The second son is disrespectful to me, disrespectful to the Heavenly Dao! If I don't kill him, I will definitely anger the Heavenly Dao this time and invite disaster!"

These words were clearly fanning the flames.

"I think Master Chou is right,"Granny Qin agreed.

As a result, more than twenty martial marquises walked forward one after another.

They surrounded Qin Yu and the others in the middle, emitting waves of strong killing intent.

Qin Yu looked at the people around him coldly and said, "What a bunch of brainless idiots. This competition is obviously using you. Can't you see?"

"This has nothing to do with you,"someone beside him coldly said.

Granny Qin put her hands behind her back and said indifferently, "This child also has a deep hatred with our martial arts association."

As soon as these words were said, everyone became even more eager to give it a try.

"Please don't kill him. Please spare his dog life. Just cripple him,"Granny Qin said with a smile.

Qin Yu looked coldly at Granny Qin and said, "Old Bastard, remember this. When the time comes, I will cripple that bastard you raised!"

Granny Qin's face immediately darkened at the mention of little black.

"Everyone, make your move. Our JINGDU martial arts association will remember this favor," Granny Qin said coldly.

Killing intent filled the surroundings. The aura of more than twenty marquises of internal Qi was incomparably dense.

Even Qin Yu felt waves of pressure.

"Handlebar mustache, protect Little Yu." Qin Yu glanced at the handlebar mustache.

Then, Qin Yu took large strides forward, and golden light suddenly appeared on his body!

That domineering aura caused everyone's hearts to tremble!

"Come! I, Qin Yu, have nothing to fear!" Qin Yu shouted loudly. His internal Qi and blood churned, and his aura reached its peak!

Chapter 740: Chapter 740, the end of Tang VS Granny Qin

A terrifying qi energy spread out in all directions with Qin Yu as the center.

Sensing the extremely cold killing intent on Qin Yu's body, everyone's expressions couldn't help but change slightly.

"As expected of Qin Yu. He really lives up to his reputation," someone said with a cold snort.

“To be able to give the Jingdu martial arts association a headache, he is naturally not an ordinary person.”

“I would like to experience it first!” Someone snorted coldly and raised his hand to grab Qin Yu’s head!

Qin Yu coldly glanced at him, quickly clenched his fist, and suddenly smashed it over!

Waves of Golden Fist light blotted out the sky and covered the Sun, like a golden sun that blotted out the sky and covered the earth!

“Boom!”

The instant the fists collided, the attacking Marquis Wu was directly sent flying.

The bones of his hand were instantly broken, and the force of the force caused his chest to collapse!

“Pu!”

The attacker spat out a mouthful of blood. He wanted to get up, but his chest had completely shattered!

It would probably take some time for him to recover!

Seeing this, everyone could not help but suck in a breath of cold air.

Just one punch had crippled a marquis. What kind of strength was this?

“A mere early-stage martial marquis is naturally not worth mentioning.” Someone stood out.

This person was short in stature, but his internal Qi was extremely powerful!

“Peak-stage Martial Marquis!” Qin Yu frowned slightly after sensing the Qi energy from his body.

Who knew how many peak-stage martial marquis were hidden among these people!

The peak-stage Martial Marquis was an existence that Qin Yu was completely unable to deal with.

“Everyone, let’s attack together.” At this time, someone suggested.

“Ten-thousand-year-old herbs can appear at any time. Don’t waste time.”

Before he finished speaking, everyone took a step forward.

Qin Yu’s expression was ice-cold. He took a deep breath and prepared for a great battle.

“Let’s see who dares to move!”

At this moment, a familiar voice sounded!

Turning his head, he saw Tang Mo alighting from a rolls-royce.

Behind him, there were more than ten cars.

The moment the cars stopped, more than twenty people alighted from the cars.

One, two, three... More than twenty people, all of them were in the Martial Marquis Realm!

Tang Mo led his men and swaggered over.

He stood beside Qin Yu, then swept his gaze across the crowd and said, "Let's see who dares to move!"

"Young Master Tang? Didn't the Tang family not participate in this matter?" Someone asked.

Tang mo sneered and said, "It's true that our Tang family doesn't participate in this matter, but my father said that we want to help Qin Yu obtain this stalk of herbs."

"Strictly speaking, we are now Qin Yu's people."

When the crowd saw this, they immediately put out their fires.

This was Tang City, and no one was willing to offend the Tang family here.

"You're not late, are you?" Tang Mo said with a smile.

Qin Yu shook his head and said, "I came at the right time."

Everyone subconsciously took a step back. The person who had planned to make a move just now also gave up on the idea.

"No wonder this kid is so arrogant. It turns out that he received assistance from the Tang family," song Shan, who was not far away, could not help but snort coldly.

Ancestor Guan could not help but frown, and his face had a hint of unwillingness.

“Young Master Tang, is it?” At this moment, Granny Qin took a step forward.

She put her hands behind her back and said, “I am a member of the Jingdu Martial Arts Association. If you are willing to leave, the Jingdu Martial Arts Association will definitely remember you as a favor.”

Tang Mo glared fiercely at Granny Qin and said, “Old Thing, I am not interested in this Bullsh * t ten-thousand-year-old herbs at all. My purpose here is to take care of you, this old bastard.”

“Looking down on our Tang family? What kind of monkeys are you calling us? F * ck you!”

“What Jingdu Martial Arts Association? F * ck my association, what does it have to do with me? Old Thing, sooner or later, I’ll Iron Your Old Face!”

After holding back her anger for a few days, Tang Mo finally spat it out in one breath.

Granny Qin’s expression was as ugly as if she had eaten SH * t.

She looked coldly at Tang Mo and said through gritted teeth, “Little Bastard, do you know who you are talking to? !”

“I do, with an old bastard who thinks he is especially powerful, an old monkey,” Tang Mo snorted lightly.

Upon hearing this, Granny Qin could no longer hold it in.

The internal Qi on her body exploded without her realizing it. The aura of a peak-stage martial marquis instantly swept through the entire place!

As an important figure of the Jingdu Martial Arts Association, Granny Qin's strength did not need to be said.

Among those of the same level, Granny Qin was almost unmatched!

After sensing Granny Qin's internal Qi, everyone's expressions could not help but change slightly.

"As expected of someone from the Jingdu Martial Arts Association." Someone was secretly speechless.

Granny Qin looked coldly at Tang Mo and said, "Little Bastard, so what if you are a member of the Tang family? Do you really think I'm afraid of You!"

The more than twenty martial marquises around Tang Mo quickly took a step forward and stood in front of Tang Mo..

"Go ahead and try!" Tang Mo snorted coldly.

Then, he saw Tang Mo wave his hand.

A folding fan appeared out of thin air in his hand.

This folding fan looked ordinary, but there was an internal Qi lingering around it.

"Martial saint's Weapon!" When everyone saw this folding fan, they could not help but turn pale with fright!

The Tang Clan not only brought over twenty martial marquises, they even brought out a martial saint's weapon!

Just how terrifying was the Tang Clan's foundation?

Granny Qin's expression was also somewhat unsightly.

The Jingdu Martial Arts Association didn't lack a martial saint's weapon, but on this trip, Granny Qin didn't bring any at all.

"Come, see if I can beat you to death with a fan!" Tang mo shouted.

Although Granny Qin was extremely angry, she knew that now was not a good time to make a move.

She could only blame herself for belittling the Tang family. Otherwise, this mess would not have happened.

"HMPH, the Tang family, right? I'll remember it." Granny Qin took a deep breath and turned around to leave.

Tang mo continued to shout, "Old Bastard, you better leave Tang city quickly, or I'll smash your face into pieces!"

Granny Qin couldn't contain her anger. In just a short day, she had already been called an "Old bastard" by many people.

She was an important figure of the Jingdu Martial Arts Association, but now she was being insulted by a few juniors. She naturally couldn't bear it!

"Granny Qin, there's no need to offend the Tang family," Chou Heguang said.

“This Tang Mo is here to help Qin Yu, and Qin Yu’s route is different from ours, so there’s no need to worry.”

Granny Qin nodded slightly, and then said, “Master Chou, is there any problem with the location you deduced?”

“Of course there’s no problem!” Chou Heguang said with a faint smile.

“Granny Qin, you can rest assured.”

Granny Qin nodded slightly and said, “If we get the ten-thousand-year-old herbs this time, the Jingdu Martial Arts Association will definitely hire you as a professional treasure hunter.”

Upon hearing this, Chou Heguang was immediately overjoyed and said, “Thank you, Granny Qin!”

Everyone followed beside Granny Qin, while Tang Mo stood on Qin Yu’s side.

“It’s all thanks to you this time. I will remember this favor,” Qin Yu said.

Tang Mo waved his hand and said, “Our Tang family has always kept our word!”

Qin Yu nodded slightly and then said, “It’s time for us to set off too.”

The end of Tang waved his hand and said, “Set off!”

Chapter 741: Chapter 741, the birth of herbs

The two groups of people walked in different directions.

Qin Yu chose the southeast, while Granny Qin and the others chose the east.

Both sides seemed to think that the other party was an idiot, and the mockery on their faces was the same.

“Qin Yu, why are you walking in different directions with them?” At this moment, Song Shan and ancestor Guan walked over.

Qin Yu glanced at them and said, “Because they are going in the wrong direction.”

When Song Shan heard this, he could not help but sneer, “Do you really think that you are a divination master?”

“Believe it or not.” Qin Yu was too lazy to talk nonsense with them.

Song Shan and Guan zu looked at each other and then snorted, “Qin Yu, this is an opportunity that you missed. If you can’t get the herbs, it’s none of our business. When the time comes, you can explain it to Ning Kun Yourself!”

“Get out of here.” Qin Yu waved his hand impatiently.

The group continued to walk southeast.

During this time, Qin Yu and the handlebar mustache were extremely nervous. They scanned their surroundings, looking for the location they had deduced.

Soon, the two of them stopped in front of a forest.

“This is the place,” the handlebar mustache and Qin Yu said in unison.

Qin Yu looked around and found that the surroundings were normal and there was nothing special about the scenery.

“Normally, the place where the ten-thousand-year-old herbs were born should have a special scene,” Qin Yu said with a frown.

Either the trees grew exceptionally exuberant, or they were extremely decadent. However, this place was too normal, so normal that people would not even take a second look.

“You don’t understand,” the mustached man explained.

“According to my many years of experience, this kind of rare treasure is different from ordinary treasures. They seem to have gained consciousness and know how to hide themselves.

“Therefore, there won’t be any unusual phenomena. The purpose is to confuse everyone.”

Qin Yu nodded slightly, agreeing with the mustached man’s view.

“Then wait here,” said Qin Yu.

The group of more than twenty people waited here temporarily, waiting for the birth of the ten-thousand-year-old herbs.

On the other side.

Granny Qin and the others had also reached their destination.

Looking at the surrounding environment, Granny Qin nodded slightly.

“The trees here are particularly luxuriant because of the Qi/spiritual energy brought by the ten-thousand-year-old herbs!” Chou Heguang said with a faint smile.

Everyone nodded and said, “The scenery here is indeed a little different from other places.”

“It seems that Master Chou is right. The ten-thousand-year-old herbs will be born here.”

Granny Qin was a little worried.

She was not afraid of Qin Yu’s judgment, but she was afraid that the Tang family would have an expert guide them and find the place where the herbs were born.

Thinking of this, Granny Qin waved her hand and called a purple-robed man over.

“Go to Qin Yu’s place and see if there are any abnormalities,” Granny Qin said coldly.

The purple-robed man bowed and said, “Yes.”

Then, the purple-robed man released his spiritual sense and found Qin Yu’s location.

Time passed by minute by minute. Qin Yu and the others sat there and began to chat.

“Eh?”

At this moment, Qin Yu suddenly felt a flash of internal Qi.

Although it was only for an instant, it still couldn't escape Qin Yu's sharp spiritual sense.

"Looking for information?" Qin Yu narrowed his eyes and guessed the purpose of this internal QI.

Of course, Qin Yu wasn't worried at all.

Because the scene here didn't seem to have any special features to speak of.

The Purple Robe hid in the dark and swept across the scene. Then, he snorted lightly, "It's strange that herbs can be found here!"

After saying this, the purple robe turned around and returned to Granny Qin's side.

"Granny Qin, I've looked there. There's nothing there," said the purple robe.

"That scene is extremely ordinary. There's No Qi/spiritual energy fluctuation. It doesn't look like there are any signs of heavenly or earthly treasures."

Hearing this, Granny Qin finally felt relieved.

"It seems that I overestimated this Tang family!" Granny Qin narrowed her eyes and said in a low voice.

Time passed by minute by minute, and in the blink of an eye, it was noon.

"Why haven't these ten-thousand-year-old herbs appeared yet?" The mustached man couldn't help but Grumble.

Qin Yu wasn't in a hurry. He slightly closed his eyes and quietly said, "Let's Wait a little longer."

The mustached man anxiously scratched his ears and cheeks, but there was no other way.

At this moment, waves of medicinal fragrance spread out from Granny Qin's position!

"Rumble..."

The entire ground suddenly shook! Numerous spider web-like cracks appeared in front of everyone!

"Herbs are about to be born!" Granny Qin said with some excitement.

It wasn't just Granny Qin, everyone's hearts were raised!

"Boom!"

Another Rumble! Following that, a white radiance soared into the sky!

Even Qin Yu and the others could clearly see such a scene!

"Could it be that we are in the wrong direction?" The mustached man couldn't help but frown slightly.

Qin Yu was also a little worried.

After all, this was his first time trying to deduce the heavenly secrets, so it was not impossible for him to make a mistake!

"Boom!"

Eight lights flashed in the east! Then, he saw a bomb-like light explode in the air!

“Herbs!” Granny Qin narrowed her eyes and was overjoyed!

Seeing this, the crowd became even more excited. Some of them raised their feet and rushed towards the herbs!

Granny Qin narrowed her eyes and snorted, “The herbs are mine. No one can snatch them!”

Then, Granny Qin leaped up, followed closely by a few purple-robed men!

“Boom!”

Granny Qin waved her hand and killed a Marquis Wu who was blocking her way!

“Whoever dares to fight with me is an enemy of the Jingdu Martial Arts Association!” Granny Qin warned.

Hearing this, everyone’s expressions changed slightly, and some even gave up on the spot.

The eight purple-robed men quickly cast spells, and chains shook out of their palms!

These chains formed a huge net, blocking everyone’s path!

Granny Qin took the opportunity to raise her hand and grab the herbs!

The light dimmed, and a crystal clear herb appeared in Granny Qin’s hand.

Granny Qin fiddled with the herbs and said indifferently, “These herbs belong to me.”

Although everyone was unwilling, they didn't dare to offend Granny Qin.

“Granny Qin, is my deduction correct?” Chou Heguang came forward and said with a smile.

Granny Qin praised, “You have some ability. Master Chou, Don't worry. I will not go back on my promise.”

Chou Heguang quickly cupped his hands and said, “Then thank you, Granny Qin!”

Just as Granny Qin was excited, a martial marquis suddenly walked over from the side.

He looked at the herbs in Granny Qin's hand and frowned, “Granny Qin, this doesn't seem to be ten-thousand-year-old herbs, right?”

Granny Qin glanced at him and said, “What do you mean?”

That martial marquis said, “I also know a little about herbs.. According to my experience, this is not a ten-thousand-year-old herb at all, but a five-thousand-year-old herb.”

Chapter 742: Chapter 742, the illusion of ten-thousand-year-old herbs

Granny Qin played with the herbs and couldn't help but frown.

“Five-thousand-year-old herbs? Didn't they say that ten-thousand-year-old herbs were born?”

“Granny Qin, this seems to be a five-thousand-year-old herb.” Someone walked up and said.

“Yes, according to my experience, this doesn’t seem to be a ten-thousand-year-old herb.”

Granny Qin frowned even more when she heard everyone’s words.

According to her own experience, this was indeed not a 10,000-year-old herb.

However, according to the information she received, it was indeed a 10,000-year-old herb that was born today.

“Could it be that the information I received was wrong?” Granny Qin frowned and asked.

Chou Heguang said in a deep voice, “Granny Qin, many of the information is not so accurate. Perhaps someone has mixed up the 5,000-year-old herbs with the 10,000-year-old herbs.”

Granny Qin narrowed her eyes slightly.

She thought for a moment and said, “Wait here.”

Granny Qin waited here with the eight purple-robed men. She did not leave for a long time.

For more than half an hour, the place was still calm and there was no disturbance.

“It seems that the information is indeed wrong.” Granny Qin stood up from the ground.

She put away the 5,000-year-old herbs and said in a low voice, “It’s really not worth wasting so much manpower for a 5,000-year-old Herb!”

“Yeah, so many of us came all the way here and didn’t even get a single thing,” someone at the side pointed at the Mulberry Tree and cursed.

Granny Qin glanced at him and snorted, “No one can snatch what the Jingdu Martial Arts Association wants.”

Although everyone was unhappy, Granny Qin’s words made some sense.

In this world, not many people could go against the Jingdu Martial Arts Association. After all, not everyone was Qin Yu.

“Since we have the item, we should go back,” Granny Qin said.

“Granny Qin, then... Should I go with you?” Chou he walked forward and asked.

Granny Qin nodded slightly and said, “Yes, follow me back to the Jingdu Martial Arts Association.”

“Thank you, Granny Qin!” Chou he guang was immediately overjoyed and nodded excitedly.

Granny Qin left the scene, so the others naturally had no reason to stay.

The group of people left one after another, while Qin Yu and the others were still waiting in the southeast direction.

“Just now, there was an explosion of light in the east, and there was a strong medicinal fragrance. Could it be that there was a problem with our deduction?” Qin Yu couldn’t help but frown.

It was already afternoon, but the so-called ten-thousand-year-old herbs still showed no signs of being born. This made people have no choice but to suspect.

“Let’s Wait a little longer.” The Mustache Man said with a frown.

Qin Yu didn’t say anything. He could only continue waiting here.

At this moment, Granny Qin walked over from not far away with her people.

Seeing Granny Qin, Qin Yu frowned slightly and stood up subconsciously.

Granny Qin glanced at Qin Yu and couldn’t help but ridicule, “The herbs have already been obtained. What are you waiting for?”

“The herbs have been obtained?” Hearing this, Qin Yu’s expression couldn’t help but change slightly.

Granny Qin hadn’t said anything when Chou he guang beside her said proudly, “That’s right! Didn’t you guys not believe in my deduction? In the end? The herbs have indeed appeared in the East!”

“On the other hand, you guys haven’t seen a single thing, right?”

Hearing Chou He Guang’s ridicule, Qin Yu and the handlebar mustache couldn’t help but look at each other.

Could it be... that the deduction was really wrong?

“Hehe, this place doesn’t look like it can produce treasures no matter how you look at it.”Chou Heguang said with a cold smile.

Qin Yu was somewhat unwilling. He looked at Granny Qin coldly and said with a faint smile, “Are you bragging? If the things were really born in the east, how could it be so peaceful? So many people would be willing to let you take away the herbs?”

Granny Qin narrowed her eyes and said, “Little Bastard, you don’t know your place, but it doesn’t mean that everyone doesn’t know their place!”

“Who would dare to shoot something that the Jingdu martial arts association wants?”Granny Qin snorted coldly.

“Stop bragging. If you didn’t get the herbs, you didn’t get them. What are you bragging about?”Tang Mo also ridiculed.

Granny Qin narrowed her eyes slightly and sneered, “Little Bastard, are you trying to goad me?”

Qin Yu remained silent.

Just as Granny Qin said, Qin Yu wanted to goad her into taking out the herbs.

“If you really have the herbs, take them out and let us take a look,”said Qin Yu.

“Old Bastard, you won’t let us take them away if you take them out, right?”Said Qin Yu with a faint smile.

Granny Qin said with a cold face, “Okay, then I’ll Make You Give Up!”

After saying that, Granny Qin stretched out her palm and a crystal clear herb fell into her palm.

The moment the herbs appeared, a medicinal fragrance assailed his nostrils.

Qin Yu stared at the herbs and his brows immediately furrowed.

“No... this is clearly a five-thousand-year-old herb,” Qin Yu thought to himself.

As an apothecary, Qin Yu was naturally very sensitive to the age of the herbs.

With one glance, he could tell that there was something wrong with this ‘ten-thousand-year-old herbs’.

Just as Qin Yu was about to speak, the handlebar mustache on the side quietly tugged at Qin Yu’s arm.

Qin Yu glanced at the handlebar mustache and immediately understood and didn’t say anything more.

“Little Bastard, did you see that?” Chou he guang imitated Granny Qin’s tone and said.

Qin Yu glanced at Chou he guang and snorted lightly, “Lackey.”

Chou he guang was not angry. Instead, he said somewhat proudly, “Little bastard with no fur on his mouth, you still dare to doubt my deductive ability? What a joke!”

Qin Yu could not be bothered with Chou he guang anymore, so he moved the bull to the side.

“Qin Yu, don’t forget the agreement between you and Me in half a month,”Granny Qin said darkly.

After saying this, she left with her people.

After Granny Qin left, Qin Yu looked at the handlebar mustache.

“What’s going on? What he’s holding is clearly a 5,000-year-old herb. It’s not a 10,000-year-old herb at all,”Qin Yu said with a frown.

The handlebar mustache said with a sneer, “To be honest, I was also wondering if there was a problem with our deduction just now. But after seeing the herb in his hand, I gave up the idea.”

Qin Yu was a little puzzled and asked, “What do you mean?”

The mustached man said, “For herbs, 10,000 years is a watershed. Once the medicinal effect of 10,000 years is reached, it can be regarded as a top-grade herb, and it will develop intelligence.”

“Many 10,000-year-old herbs will come up with a series of measures to prevent being caught when they are born.”

Speaking up to this point, Qin Yu seemed to have understood something.

He said in a deep voice, “In other words... that 5,000-year-old herb is a trick? Deliberately attracting attention?”

“That’s right.”The mustached man nodded.

“Using 5,000-year-old herbs to attract everyone’s attention, deceiving the heavens and crossing the sea!”

Qin Yu immediately felt a little surprised.

“These herbs can actually be so scheming?” Qin Yu exclaimed.

The Mustache Man shook his head and said, “This is not scheming. To put it bluntly, this is a natural law of the birth of ten-thousand-year-old herbs.”

“Just wait and see. Ten-thousand-year-old herbs will definitely be born here!”

Chapter 743: Chapter 743: Herbs are mine!

Qin Yu understood the meaning of the handlebar mustache.

The birth of ten-thousand-year-old herbs was different from the birth of other treasures.

Not only would he not reveal any earth-shaking phenomena in advance, but he would also be extremely calm in order to cover his tracks.

Qin Yu sat there and waited quietly. He released his spiritual sense to cover his surroundings, afraid that he would miss any movement.

More than twenty martial marquises brought by the end of Tang guarded the surroundings, preventing anyone from coming to snatch it.

Time flew by. In the blink of an eye, two hours had passed.

At this time, the sky had gradually darkened, but the ten-thousand-year-old herbs still showed no signs of coming into being.

“Could it really be that there’s something wrong with your deduction?” At this time, even the end of Tang could not help but feel a little uneasy.

Qin Yu smiled bitterly and said, "It shouldn't be. We've been waiting for so long. It's not too late now."

Tang mo spread out his hands and said, "Alright, who told me to get on the boat of Thieves?"

"Boom!"

Before Tang Mo's voice had faded, Thunder suddenly descended from the sky!

This bolt of lightning could be said to be earth-shattering. It directly smashed in front of everyone!

The powerful force even sent everyone flying!

"Get Ready. The herbs are about to be born." Qin Yu hurriedly stood up and stared at this bolt of lightning.

He looked up and saw dark clouds in the sky. Rays of azure light were brewing in the dark clouds.

"Rumble..."

At this moment, the ground also began to make sounds, as if something was about to be unearthed.

Qin Yu suppressed the excitement in his heart. His eyes did not move.

He slightly clenched his fist, and his internal Qi surrounded his body, ready to catch the herbs at any time.

On the other side.

Granny Qin and the others were planning to leave Tang city and return to Jingdu.

In the airport restaurant, Granny Qin was eating.

Chou Heguang followed by her side, constantly flattering her.

At this moment, a heaven-shaking thunder suddenly flashed outside!

The loud sound even caused the airport to buzz!

“Is it going to rain?” Chou Heguang asked in surprise.

Before he could finish his words, a voice came from the airport. It said that due to the weather, the flight would be delayed, and the exact time would be announced.

Hearing this, Granny Qin frowned even more.

“The weather is fine, why is there suddenly thunder?” Granny Qin put down the chopsticks in her hand and looked at the sky.

“Sigh, the weather in Tang city is just like this.” Chou Heguang disagreed.

Granny Qin remained silent. She turned around and walked out of the airport. She raised her head and looked in the direction where the Heavenly Thunder had exploded.

“That direction... seems to be the direction where Qin Yu is.” Granny Qin frowned tightly. She suddenly had a bad premonition in her heart.

“Granny Qin, you’re thinking too much. This is just a normal change in the weather.” Chou Heguang still did not realize anything.

“Boom!”

Another bolt of lightning struck down!

Following that, the dark cloud turned into seven colors. It was extremely moving!

For a moment, everyone took out their phones and wanted to take pictures of this strange scene!

“Seven-colored auspicious cloud... the sign of the birth of a treasure! Not Good!”Granny Qin suddenly realized something!

Chou he Guang’s deduction might really have gone wrong!

“Granny Qin, this... This isn’t a seven-colored auspicious cloud...”Chou Heguang also realized that something was wrong and quickly explained.

Granny Qin glanced at Chou Heguang coldly and said, “I’ll settle the score with you later!”

After saying this, Granny Qin looked at the many purple robes and shouted, “Everyone, follow me back!”

The group of people left the airport in a hurry and rushed towards Qin Yu’s direction!

Granny Qin wasn’t the only one. The other marquises also noticed this strange phenomenon.

“Granny Qin should have already left Tang city. I might have a chance!”Some marquises thought to themselves.

Thus, many marquises rushed towards Qin Yu’s direction!

...

At this moment, Qin Yu raised his head and looked at the seven-colored auspicious cloud.

“Not good, this kind of abnormal phenomenon will definitely attract the attention of martial artists to fight over it.” Qin Yu said with a frown.

The handlebar mustache was not very worried. He said with a smile, “Don’t worry, the emergence of ten-thousand-year-old herbs is extremely fast. It Won’t be brewing for too long. I believe that before they rush over, we will be able to obtain this medicinal herb.”

Even though that was the case, Qin Yu was still a little worried.

If there was a top-tier martial marquis nearby, a great battle would inevitably occur.

“Young Master Tang, it’s all up to you,” Qin Yu said.

Tang Mo patted his chest and said, “Don’t worry!”

At this moment, an extremely dazzling light suddenly flashed in the air!

Then, one could faintly see the emergence of herbs within the light!

“This is it!” Qin Yu did not dare to waste time. He immediately stomped his feet and shot towards the herbs!

“These ten-thousand-year-old herbs belong to me!”

At this moment, several figures suddenly shot out from the darkness!

And their target was also the ten-thousand-year-old herbs!

“Not good!”

Qin Yu’s expression immediately changed!

He never expected that there were actually so many people hiding nearby!

Qin Yu did not dare to think too much. He immediately used the shrinking earth into an inch and charged towards the herbs!

“Weng”

At this moment, someone suddenly attacked Qin Yu!

A huge palm seemed to suddenly appear from the void and directly grabbed towards Qin Yu!

“Absolute beginning Sacred Fist!”

Qin Yu shouted loudly and immediately threw a punch!

That Palm was instantly shattered by Qin Yu’s palm!

“HMPH, these herbs are mine!” At this moment, another ray of light shot towards Qin Yu explosively!

This ray of light was extremely resplendent and contained the might of a martial saint!

“Not good! It’s a martial saint’s weapon!” Qin Yu’s expression changed drastically!

At this critical moment, Tang Mo walked over with a folding fan in his hand!

He waved the folding fan in his hand and directly dispersed the might of this martial saint!

At the same time, the handlebar mustache also rushed forward! Even Little Yu joined the battle!

“Qin Yu, go and get the herbs. Leave the rest to us,” said Tang Mo..

Qin Yu nodded and said, “Thank you!”

With the help of everyone, Qin Yu instantly became much lighter.

He used all his strength and shot towards the herbs!

“Swoosh!”

Under Qin Yu’s feet, several rays of light that looked like tentacles suddenly burst out and wrapped around Qin Yu’s calves!

“Chi la!”

At this moment, a sharp blade suddenly appeared in the handlebar mustache’s hand and directly cut off these tentacles!

Tang Mo even ordered more than twenty Marquis Wuwu to do their best to stop the crowd from taking the first step!

Qin Yu stared fixedly at the ray of light. He stretched out his palm and grabbed it anxiously.

He was only five steps away, three steps, one step...

“I got it!”

Just as Qin Yu's hand reached out, a huge hand suddenly appeared and grabbed the ten-thousand-year-old herbs!

Qin Yu's expression immediately changed. He looked up and saw a man in a black robe standing in front of Qin Yu!

His figure seemed to have suddenly appeared. Clearly, he had used some spatial spell!

"It's You!" Seeing the person in front of him, Qin Yu's expression immediately changed.

Chapter 744: Chapter 744: Herbs in hand!

This person was wearing a black robe, and there was a sinister aura around him!

And the face hidden under his black robe was none other than he teng!

"Qin Yu... do you think only you can get the news?" He Teng said darkly.

Qin Yu's face was a bit ugly. He took a deep breath and said, "He Teng, didn't you go to the mystic realm? Why are you here?"

He Teng snorted lightly and said, "For this ten-thousand-year-old herbs, what's the big deal about giving up a mystic realm?"

"Cut the crap, quickly return the herbs!" Tang mo shouted loudly.

The folding fan in his hand was aimed at he teng, as if he was going to attack at any moment.

However, he teng did not panic at all. He swept a glance at Tang Mo and said with a faint smile, “Tang Mo, I know that your strength is not ordinary and you hold a martial saint weapon. Unfortunately, you can’t do anything to me...”

Upon hearing He Teng’s words, Qin Yu’s expression immediately changed drastically!

“Not good! This he teng has a spatial spell. Be careful that he doesn’t escape!”Qin Yu hurriedly shouted!

He teng sneered and said, “You do know quite a lot, but unfortunately, it’s already too late!”

Qin Yu did not dare to think too much. He immediately clenched his Golden Fist and threw a vicious punch!

“Boom!”

However, this punch went straight through He Teng’s body!

“Hehe, Qin Yu, these herbs are mine. Goodbye...”he teng grinned.

His figure was gradually speaking empty words, as if he had disappeared into the void.

It was very obvious that he teng’s spatial magic had improved by a step!

Qin Yu’s expression was extremely ugly, and his heart was filled with despair!

If he could not obtain these herbs, Qin Yu would not have the slightest chance of defeating little black!

“He Teng... You Damn Bastard!”Qin Yu’s eyes widened in anger!

Just as Qin Yu was in despair, he Teng’s body, which was full of empty words, began to materialize again!

His disappearing figure appeared in front of everyone again!

He Teng frowned. He looked at his body and said in a low voice, “What’s Going On?”

“You’re not the only one who knows spatial spells,”at this moment, the handlebar mustache said indifferently.

He turned around and saw the handlebar mustache holding densely packed talismans.

These talismans landed in the air and confined this space!

This place was like a cage, where spatial spells could not escape!

Qin Yu was so happy that he cried. He said excitedly, “Handlebar mustache, good job!”

In the air, he Teng’s face was extremely cold. He tried to use the spatial spell again to escape, but he still failed.

“Bastard!”He Teng could not help but curse!

He glared at handlebar mustache and said coldly, “I will remember you. If you ruin my plan, I will definitely kill you!”

Handlebar mustache stuck out his tongue and grinned. “Come and hit me. I will anger you to death!”

“Just you wait!” He Teng’s eyes were wide open!

“Cut the crap, hand over the item!” Qin Yu took a step forward, and a terrifying internal Qi instantly erupted!

Tang Mo and the others also took large strides forward. With more than twenty martial marquises and a martial saint weapon, he teng had no chance of winning!

Although he teng was unwilling, if he did not hand over the herbs now, he was afraid that he would die without a doubt!

“Qin Yu, consider yourself lucky!” He Teng gritted his teeth and threw the herbs in his hand directly to Qin Yu.

Qin Yu hurriedly reached out and grabbed the herbs in his hand.

“Qin Yu, let’s wait and see!” He Teng left these words and planned to escape.

“Stop, who said you can leave?” Qin Yu’s body was full of arrogance as he took a step forward.

He Teng’s face turned cold as he said, “Qin Yu, don’t go too far!”

“Too far? Let me ask you, what’s going on with Fang Yue? How can I Wake Her Up!” Qin Yu questioned loudly.

He Teng frowned. He took a deep breath and said, “You only need to find a similar demonic beast spirit pill to wake her up.”

“Is that true?” Qin Yu frowned.

“It’s true,” the mustached man said from the side.

Qin Yu nodded. Then, he looked at he teng coldly and said, “He Teng, you have done many evil things and ruined my plans many times. If I don’t kill you today, the heavens will not tolerate it!”

He Teng looked at Qin Yu coldly and said, “Qin Yu, is that really the case?”

Qin Yu sneered and said, “What do you think? You have tried to kill me many times. Why are you saying such nonsense now?”

“Let me do it!” Tang Mo did not waste any words. He immediately activated the folding fan in his hand and slashed it towards he teng!

A wisp of martial saint’s internal Qi directly rushed towards he teng!

Facing the martial saint’s weapon, he Teng had nowhere to hide!

“Boom!”

Under this attack, half of He Teng’s body was directly shattered! His body was instantly covered in blood. It looked like he was neither a ghost nor a ghost. It was extremely horrifying!

“Ah...” He Teng’s face was filled with pain. He glared at Qin Yu and said, “You Damn Bastard... I Won’t let you off!”

Qin Yu sneered, “That depends on whether you still have a chance to live.”

Just as Qin Yu was about to make a move, he teng suddenly turned into a black light and sped into the distance.

Qin Yu snorted coldly, “You want to run? In your dreams!”

Qin Yu activated the shrinking earth inch. Just as he was about to chase after him, his expression could not help but change.

He could clearly feel that there were several martial marquis' internal Qi rushing over from the dark.

“Stop chasing, someone is coming,” the moustached man said.

“The most important thing now is to protect these ten-thousand-year-old herbs,” Tang Mo also said.

“I can only activate the martial saint weapon once. It's better to be careful.”

Qin Yu looked in the direction he teng had left and could not help but curse, “Damn it, he got away again!”

“Let's go quickly,” the moustached man said.

Qin Yu grunted in gratitude. He did not say anything else and immediately turned around to leave.

Not long after Qin Yu and the others had left, Granny Qin and the others arrived at the scene.

She scanned her surroundings and looked at the bloodstains on the ground. Her expression became more and more unsightly.

Then, Granny Qin took a deep breath and felt the medicinal fragrance in the air.

“This... is really the place where ten-thousand-year-old herbs were born!” Granny Qin said coldly.

As soon as she finished speaking, Granny Qin looked at Chou he guang coldly.

A trace of panic flashed across Chou He Guang's face. He hurriedly explained, "Granny Qin, this... This was an accident... I didn't expect two herbs to be born at the same time..."

"You didn't expect it either? Then what do I Need You For? !"Granny Qin's body suddenly emitted an extremely cold murderous aura!

After sensing this murderous aura, Chou Heguang instantly became even more flustered!

He said in a trembling voice, "Granny Qin... Granny Qin, even if I didn't contribute much, I still had to work hard. I helped you find at least a five thousand year-old herb..."

"Work hard? It's because of you that I missed this ten thousand year-old herb! You Damn Bastard!"Granny Qin's mournful voice spread throughout the surroundings.

Chapter 745: Chapter 745, Granny Qin VS Tang Sheng

The sound was like the wailing of ghosts and howling of wolves, giving people goosebumps all over.

Chou Heguang still wanted to explain, but Granny Qin did not give him a chance. She directly raised her palm and slapped Chou Heguang's head!

Crack

The slap directly shattered Chou Heguang's head!

Granny Qin's face was gloomy as she clenched her teeth tightly.

“Granny Qin, what should we do now?” Asked a purple-robed man.

Granny Qin took a deep breath and said, “The 10,000-year-old herbs are of great importance. We Can't give up just like that.”

“Follow me to the Tang Clan and ask for them!” Said Granny Qin coldly.

The purple-robed man next to her frowned and said, “Granny Qin, the Tang Clan is not to be trifled with. It is said that they have secretly developed their own forces and nurtured several martial marquises. Moreover, they have a large number of guest elders.”

Granny Qin glanced at the purple-robed man and could not help but grit her teeth and say, “How did Qu Xie Do Things ? ! He actually allowed the Tang family to develop to such a scale!”

“The sky is high and the emperor is far away. After all, the Tang city is at the border. President Qu can't do anything about it,” said the purple-robed man helplessly.

The Jingdu Martial Arts Association relied on the local association to supervise it.

However, the local association would usually join forces with the local aristocratic families.

This also meant that the JINGDU martial arts association had no way to interfere with the local martial arts families.

“Go and try it. I will give you sufficient conditions,” Granny Qin said coldly.

A stalk of ten-thousand-year-old herbs was of great importance, but to Granny Qin, the most important thing was that the herbs could not fall into Qin Yu's hands.

...

At this time, Qin Yu had already rushed back to the Tang family with Tang Mo and the others.

"Qin Yu, you can stay here in peace," Tang Mo patted his chest and said.

Qin Yu nodded and said, "Young Master Tang, thank you very much. This favor..."

"Alright, no need to say more," Tang Mo interrupted Qin Yu.

Having said that, Qin Yu would never forget the kindness of the Tang family.

Therefore, he got up and followed Tang Mo to see Tang Sheng.

The reason why Tang Sheng was willing to help Qin Yu was also because of Qin Yu's potential.

Over the years, the Tang family had developed rapidly. Relying on their own strength, they constantly expanded their own force.

Tang Sheng had invested in countless martial artists, and these people were all people with great potential.

As long as one of them had extraordinary achievements, the Tang family would not fall for decades.

It had to be said that although Tang Sheng had a strong vanity, his mind was also meticulous.

“Mr. Tang, I reckon Granny Qin will definitely come to the Tang family to ask for him,”Qin Yu said with a bit of worry.

Tang Sheng waved his hand and said, “Don’t worry. Since I’ve promised you, I Won’t go back on my word.”

Qin Yu bowed and said, “Thank you very much, Mr. Tang.”

Just as he said that, someone ran in from outside.

“Master, there’s someone who calls herself Granny Qin who wants to see you,”said the attendant with a bow.

“HMPH, they came really fast,”Tang Mo couldn’t help but Snort from the side.

Tang sheng smiled and said, “Let them come in. I also want to see Granny Qin.”

A few minutes later, Granny Qin Strode in with eight purple-robed men.

When Granny Qin saw Qin Yu sitting in the hall, her face instantly turned cold.

“Humph!”Granny Qin snorted coldly and then sat opposite Qin Yu.

As for the eight purple-robed men, they stood behind Granny Qin.

Granny Qin looked up at Tang Sheng and said, “Mr. Tang, please leave Qin Yu to us. Our Jingdu Martial Arts Association will definitely remember your favor.”

Tang Sheng ignored her words and smilingly said, “Are you that Granny Qin?”

Granny Qin lightly said, “Yes, I’m one of the real power holders of the Jingdu Martial Arts Association.”

Tang sheng sneered, “You’re the one who belittled our Tang family? What kind of monkey are you calling our Tang family?”

Granny Qin’s expression slightly changed. She coldly looked at Qin Yu and said, “This is all a trap set by that Little Bastard Qin Yu!”

“F * ck your mother!” Tang Mo cursed.

“You really know how to act. If I hadn’t personally watched over you, I would have really been deceived by you!”

Granny Qin’s expression turned cold. As a big shot of the Jingdu Martial Arts Association, when had she ever suffered such humiliation!

So what if she was facing a local snake? It was simply impossible to make her lower her head!

“Mr. Tang, I know that your Tang family has great power in the local area, but I have to remind you that the Jingdu Martial Arts Association is the official organization of the martial arts world,” Granny Qin said coldly.

“If you’re willing to hand Qin Yu over to me, I can let the Tang family become the President of the Tang City Association. The martial arts world of Tang City will be handed over to you.”

“Otherwise... Your Tang family will become our enemy!”

Granny Qin threatened and enticed, yet her posture was still high and mighty.

Tang Sheng couldn't help but sneer, "Do you think my Tang family is scared? My Tang family has been in charge of Tang city for more than 500 years, so how could I be afraid of You?"

Upon hearing this, Granny Qin frowned again.

More than 500 years?

In other words, the Tang family was a martial arts aristocratic family with a deep heritage!

No wonder they had so many resources!

While being surprised, a trace of greed also arose in Granny Qin's heart:

How many resources did a 500-year-old aristocratic family have? How could the Jingdu martial arts association miss such a resource?

"Mr. Tang, are you sure you won't agree?" Granny Qin slowly got up.

Tang Sheng sneered, "The reason I see you is because I want to see how arrogant you are."

"Good, good!" Granny Qin raised her shriveled hand and clapped.

"Let me tell you one thing. No matter what kind of resources you have, they are not worth mentioning in front of the Jingdu Martial Arts Association!"

"I'd like to see how long your Tang family can be arrogant!"

After saying this, Granny Qin got up and left.

Tang Sheng didn't stop her. He watched Granny Qin's back as she left and couldn't help but snort coldly, "So what if it's the Jingdu Martial Arts Association? I'm not afraid of them in Tang City!"

Qin Yu, on the other hand, said with a bit of worry, "Mr. Tang, this Jingdu martial arts association is indeed not to be trifled with. You'd better be careful."

Tang Sheng waved his hand and said, "I don't dare to offend them in other places, but in Tang city, they are nothing!"

"Qin Yu, just go into seclusion in peace. They can't do anything to you," Tang Mo patted his chest and said.

Qin Yu got up and bowed again to express his gratitude.

The Tang family had long arranged a room for Qin Yu and the others. The room was very large and had a vast courtyard.

"TSK tsk, this Tang family is simply the local emperor of Tang City," the mustached man could not help but sigh.

Qin Yu nodded and said, "I have a feeling that the JINGDU martial arts association will not let this matter rest so easily."

The mustached man curled his lips and said, "Don't think too much. Since the Tang family has already stepped in to help, there's no use regretting it."

Qin Yu grunted in gratitude. Then, he looked at the mustached man and said with a smile, "I also owe you a favor."

“You owe me a lot of favors,” the handlebar mustache rolled his eyes and said.

...

“Granny Qin, the Tang family is so arrogant. Are We just going to let it go like this ?” A purple-robed man asked with a frown.

Granny Qin said with a sullen face, “Let it go ? Humph, I’m very interested in the resources of the Tang family!”

“After this show is over, I will apply to the higher-ups to exterminate the Tang family!”

Chapter 746: Chapter 746, Breakthrough!

No one knew what kind of power the Jingdu Martial Arts Association possessed.

But everyone had a common understanding.

In terms of martial power alone, no one could compare to the JINGDU martial arts association, not even the major families of Jingdu.

And the reason why the Jingdu Martial Arts Association was afraid of the major families of Jingdu was purely because of their capital and connections.

...

Qin Yu, handlebar mustache, and the others temporarily stayed in the Tang family.

With the Tang family's help, Qin Yu could cultivate in seclusion in peace.

Around the courtyard was a deserted mountain forest.

The mountain forest was incomparably quiet. From time to time, a breeze blew past, and the leaves rustled.

Qin Yu took out the ice heart from his spatial divine artifact and placed this ten-thousand-year-old herb in front of him.

"I've been suppressing it for a long time. Now, with this ten-thousand-year-old herbs, I can try to directly enter the late stage of the Marquis Realm," Qin Yu said in a deep voice.

After experiencing so much, Qin Yu gradually understood that the Qi/spiritual energy he needed for cultivation seemed to be much more than others.

Therefore, even with so many treasures, Qin Yu didn't dare to ask for too much.

"It's better to use this ten-thousand-year-old herb to refine pills," Qin Yu thought to himself.

With a thought, a medicinal cauldron with a dragon statue carved on it landed in front of him.

This medicinal cauldron was given to Qin Yu by the pavilion master back then.

"Ten-thousand-year-old herbs... should be used to refine heaven-grade pills at the very least," Qin Yu said in a low voice.

He closed his eyes slightly and began to search for the pill formula.

A few minutes later, Qin Yu locked onto the pill formula called “Purple-gold pill.”.

This kind of pill could maximize the spiritual energy of the herbs and ensure the compatibility between the Qi/spiritual energy and the human body.

“One ten-thousand-year-old herb can refine at least ten purple-gold pills,”Qin Yu thought to himself.

He put the ten-thousand-year-old herbs into the cauldron, and then a purple spiritual fire lit up in his palm.

Qin Yu flicked his finger and threw the flame into the cauldron. In a moment, the cauldron was ablaze with flames.

Qin Yu closed his eyes, held his breath, and controlled the flame, focusing all his spiritual sense on refining pills.

Under the urging of the spiritual flame, the ten-thousand-year-old herbs began to dissolve bit by bit, turning into medicinal juice.

The rich medicinal juice brought waves of refreshing internal Qi. This fragrance was locked into the cauldron to prevent the medicinal efficacy from being lost.

In the blink of an eye, three days had passed.

Three days later, a strange phenomenon suddenly flashed in the sky. One after another, strange clouds hung high in the sky.

“The pill cloud has taken shape,” Tang Sheng from the Tang family couldn’t help but whisper.

“Wow, it’s really beautiful. I’ve never seen such a beautiful pill cloud before!” Tang Mo said in surprise.

The Tang Clan worshipped many alchemists. They had also refined medicinal pills before, but this kind of pill cloud had never appeared before.

The handlebar mustache also raised his head to look at the sky.

He slightly narrowed his eyes and said in a deep voice, “From this pill cloud, this is a sign of the birth of a heaven rank medicinal pill.”

In the entire world, there were not many people who could refine a heaven rank medicinal pill. Even in the renowned Divine Alchemist Pavilion, not many people could refine a heaven rank medicinal pill.

“SWOOSH SWOOSH SWOOSH!”

At this moment, the pill cloud in the sky was suddenly penetrated by a few bullet-like rays of light!

Immediately after, a golden figure soared into the sky. With a wave of his large hand, the golden palm instantly blotted out the sky and covered the Sun!

“Swoosh!”

The palm extended for dozens of meters and grabbed the pill in his hand.

The Pill Cloud in the sky was also completely dispersed!

Qin Yu opened his palm and looked at the few pills in his hand.

“There are only six pills.” Qin Yu frowned slightly.

It was a little less than he had imagined.

“Six should be enough,” Qin Yu said in a low voice.

After all, this was a purple-gold pill.

For others, a purple-gold pill was enough to advance from the middle stage to the late stage of the Martial Marquis Realm.

“Next, it’s time to try and break through,” Qin Yu said in a deep voice.

He sat cross-legged on the ground, and the Qi/spiritual energy that he had suppressed for a long time began to surge at this moment!

The sea-like qi/spiritual energy filled his entire body, and the wild wind in the mountain forest surged with swooshing sounds!

Qin Yu could have advanced to the intermediate stage of the Martial Marquis realm a long time ago, but he had been suppressing his cultivation.

Now that the suppression was lifted, the terrifying qi/spiritual energy exploded like a rebound!

Qin Yu reached out his hand and stuffed the purple-gold core into his mouth.

At the same time, Qin Yu swallowed the remaining ice heart into his stomach!

Such a terrifying Qi/spiritual energy was like a vast ocean, instantly engulfing Qin Yu's entire body!

His golden core was immersed in the center of the Qi/spiritual energy, spinning slightly. The Qi/spiritual energy moved along with it, forming a small vortex in his body.

The overly dense qi/spiritual energy filled Qin Yu's body, causing wisps of white qi to condense around his body.

Qin Yu frowned slightly and broke out in cold sweat. He forcefully endured the burden of the Qi/spiritual energy on his body.

It was naturally not an easy task to step into the advanced stage of the Martial Marquis Realm in one breath. However, for the current Qin Yu, this was the fastest speed.

Time passed by minute by minute, and in the blink of an eye, a week had passed.

Tang Mo, the Mustache Man, and the others from the Tang family couldn't help but be a bit worried.

"It's been a week. Why is there still no movement?" Tang Mo frowned and asked.

"Well, there's no internal Qi fluctuation in Qin Yu's position," said Tang Sheng in a deep voice.

At this point, Tang Mo looked at the mustache man and said, "Didn't you go and have a look?"

The handlebar mustache shook his head and said, “Qin Yu said that he didn’t allow anyone to come near him during his closed-door cultivation. He said that he was afraid of any accidents.”

“I’ll go and take a look,”Xiao Yu stood up and said.

The handlebar mustache hurriedly stopped Xiao Yu and shook his head. “That won’t do. Qin Yu told me before he went into closed-door cultivation that I must keep an eye on you no matter what.”

Xiao Yu frowned slightly. Her beautiful eyes looked at the handlebar mustache with a hint of coldness.

The handlebar mustache shivered and subconsciously took two steps back.

Although the two of them had been together for a long time, the handlebar mustache was still full of fear toward Xiao Yu.

“I’ll send someone to take a look,”said Tang Mo at this time.

The handlebar mustache waved his hand and said, “Forget it, forget it. I’ll go.”

Just as the few of them were arguing, a burst of bright light suddenly erupted from the distant mountain!

The light swept through the entire mountain forest and a powerful impact swept out in all directions!

It was as if the entire mountain forest had suffered a disaster! The trees were broken, the mountain range collapsed, and the wild beasts instantly turned into dry bones!

“What’s going on? How can there be such a powerful force?” Tang Mo and the others’ faces couldn’t help but slightly change!

Even Tang Sheng slightly frowned.

Although all of them were in the Martial Marquis realm, they still felt a strong sense of oppression.

“Is this force really coming from Qin Yu’s body?” Tang Mo exclaimed in alarm.

The mustached man on the side said in a deep voice, “There’s such a sense of oppression even from far away. If we get close.... I’m afraid we’ll be crushed into mud! Is this the reason why Qin Yu won’t let us get close?”

Chapter 747: Didn’t Chapter 747 let you go a long time ago?

Looking at this scene, everyone sucked in a breath of cold air.

They didn’t know what had happened at all, but they knew very well that Qin Yu’s breakthrough this time was definitely not simple.

...

In the mountain forest, waves of light burst out from Qin Yu’s body.

This light was sometimes dazzling, sometimes restrained, and looked like a landscape painting.

The internal Qi on his body was also rapidly increasing, from the early stage of the Martial Marquis Realm to the middle stage.

Level five, level six, level seven...

He was getting closer and closer to the late stage of the Martial Marquis Realm.

Qin Yu stuffed the purple gold pills in his hand into his mouth one by one.

In the blink of an eye, only two of the six purple gold pills were left.

At this time, Qin Yu was only a step away from the late stage of the Martial Marquis Realm.

At this moment.

A figure suddenly appeared in the forest.

This person had a graceful figure and was full of charm. There was a hint of flirtatious air in his every move.

This person was none other than the woman from the cold palace who had come to snatch the mask the last time!

"I said I wouldn't let you off..."this woman narrowed her eyes slightly.

She stared at Qin Yu who was sitting cross-legged, and a hint of killing intent flashed across her eyes.

Qin Yu, who was in closed-door cultivation, naturally felt this trace of strange internal Qi.

He could not help but frown slightly, but he did not panic too much.

That woman was hiding in the dark and was not in a hurry to make a move, as if she was waiting for an opportunity.

Qin Yu was the same. He did not pay any attention to this woman.

During the critical period of a breakthrough, he absolutely could not be distracted.

Time flew by, and in the blink of an eye, it was night time.

The Qi/spiritual energy on Qin Yu's body exploded again, and all the Qi/spiritual energy gathered in his dantian. With the golden core as the center, it was slowly being absorbed.

"It's now."The woman's eyes narrowed slightly, and then her divine form flashed as she walked toward Qin Yu!

"Qin Yu, we meet again."The woman's voice had some natural charm.

This charm was somewhat similar to Fang Yue's, but it seemed to be more flirtatious than Fang Yue's.

Qin Yu narrowed his eyes slightly and ignored this woman.

"Have you thought about the consequences of stopping my Han Palace?"The woman said with a faint smile.

Qin Yu still ignored her. He sat there cross-legged as if no one was there.

The woman walked in front of Qin Yu. She stretched out her jade-like palm and slowly placed it on Qin Yu's chest.

"Speaking of which, your body is really full of temptation... I really can't bear to kill you just like that,"the woman said in a delicate voice.

“Sigh, but you’ve ruined so many things for me and even killed people from our Han Palace. I can only bear the pain and kill you.”The woman sighed slightly, and her tone was somewhat regretful.

At this moment, Qin Yu, who was sitting cross-legged on the ground, finally opened his mouth.

He glanced at this woman and said indifferently, “If you don’t want to die, you’d better stay away from me.”

“Oh?”Hearing this, a trace of surprise flashed in the woman’s eyes.

Her eyes curved into a crescent moon as she said in a delicate voice, “Little brother, you still dare to threaten me even now? Big Sister is really sad...”

This Woman’s voice seemed to be able to affect one’s spiritual sense, bringing with it an extremely strong charm.

If one’s spiritual sense wasn’t strong enough, one would probably be instantly bewitched by her.

But to Qin Yu, it wasn’t of much use.

“Hurry up and leave. I Don’t want to kill you just like that,”Qin Yu said indifferently.

The woman smiled coquettishly and said, “I’m so scared. Big sister really wants to see how you’ll kill me!”

As she spoke, the woman’s hands curled up, and her scallion-like fingers pierced straight towards Qin Yu’s chest!

Just as the fingers were about to touch Qin Yu's chest, a golden light suddenly erupted from Qin Yu's body!

This golden light was incomparably powerful, and with Qin Yu as the center, it swiftly swept out in all directions!

The woman's expression suddenly changed. She was just about to retreat when this force swept out!

Her delicate body was instantly sent flying!

A mouthful of fresh blood spurted out from her mouth!

The woman's expression changed. She wiped the blood at the corner of her mouth and exclaimed, "How... how is this possible!"

Seeing the Golden Light on Qin Yu's body disappearing, the woman's expression became even uglier.

She stood up from the ground and said coldly, "Looks like I can't keep you. I have to kill you as soon as possible!"

As she spoke, the woman charged at Qin Yu again!

"Buzz!"

At this moment, Qin Yu's body suddenly emitted a strange power.

This power spread out in the surroundings as if it had formed a strange aura.

The surrounding trees began to wither at an extremely fast speed! All the living beings were drawn out of their internal Qi and gathered towards Qin Yu's body!

“What... What’s going on ?”The woman’s expression changed drastically!

She could clearly feel that the internal Qi in her body was unconsciously flowing away!

And the internal Qi that was flowing out was all sucked into Qin Yu’s body!

“How... how could this be!”The woman tried her best to stop the internal Qi from flowing away, but she realized that no matter how hard she tried, she couldn’t stop it!

“No... No, if this continues, I’m afraid I’ll be sucked dry...”beads of sweat dripped down the woman’s forehead.

She wanted to escape, but the internal Qi was flowing out too quickly. Her body was already starting to weaken, and even walking seemed to be extremely difficult!

The internal Qi was still flowing into Qin Yu’s body, but the woman had already completely lost her strength.

She collapsed on the ground, unable to move.

“This... What kind of strange spell is this...”the woman was extremely terrified. She climbed on the ground, trying to escape.

But very quickly, she did not even have the strength to climb. She could only helplessly lie on the ground.

“Buzz!”

At this moment, streams of golden light burst out from Qin Yu’s body!

Following that, his internal Qi began to rise rapidly!

Qin Yu's body gradually turned from dark gold to crystal clear.

At a glance, one could even see crystal white bones.

However, in a short instant, his skin turned bronze. The suggestion of his internal Qi could be seen with the naked eye!

“Boom!”

An internal Qi burst out from Qin Yu's body.

This internal Qi shot straight into the sky, dispersing the clouds in the sky!

The ground beneath Qin Yu's feet collapsed! The originally lush forest turned into earthen yellow ruins in the blink of an eye!

Dust covered the sky and covered the Sun, obscuring one's vision.

This powerful force shook the already extremely weak woman until she was drenched in blood!

Her clothes were shattered, revealing her fair flesh.

The dust gradually dispersed, and the surroundings slowly returned to calm.

A figure slowly walked over from not far away.

Looking Up, it was Qin Yu.

His expression was calm, neither sad nor happy. Even though his internal Qi was restrained, there was still a powerful and oppressive feeling coming from his body.

“Didn’t I tell you to leave quickly?” Qin Yu walked in front of the woman and said condescendingly.

Chapter 748: Chapter 748, the secret of the Han Palace

Qin Yu’s body carried a faintly discernible sense of oppression.

This oppressive feeling caused this woman’s expression to become even more panicked.

However, at this moment, her entire body did not have the slightest bit of strength. She had become a fish that was waiting to be slaughtered.

“You... What do you want to Do!” The woman said with some fear.

Qin Yu said with a faint smile, “Don’t worry. As long as you obediently cooperate, I guarantee that I won’t kill you.”

“Cooperate?” The woman raised her eyebrows and said with a half-smile, “This man is really cheap. He doesn’t want to be rushed, but he likes to be forced?”

Qin Yu sneered, “You’re thinking too much. I just have something to ask you. You can just lie here obediently.”

The woman frowned and said, “Something to ask? What do you want to ask?”

Qin Yu ignored her and slightly clenched his fist, feeling the abundant power in his body.

“I’ve finally stepped into the late stage of the Martial Marquis Realm.” Qin Yu sighed.

The gap between the two stages was indescribable.

There was a world of difference between the early stage of the Martial Marquis Realm and the late stage of the Martial Marquis Realm!

The current Qin Yu wasn’t afraid of the peak of the Martial Marquis realm at all!

To the chaotic body, it was just an instinct to fight against those at a higher level.

“Not only did I step into the late stage of the Martial Marquis realm, but I also comprehended a spell...” Qin Yu said in a low voice.

“Spell? What Spell?” The woman asked with a frown.

Qin Yu glanced at her and said, “A spell that can absorb the nature’s spiritual energy.”

The woman’s expression changed slightly, and she exclaimed, “The disappearance of my internal Qi just now was because of this spell?”

“That’s right.” Qin Yu nodded.

The woman said with some pain, “I’ve cultivated for dozens of years, you... you actually destroyed my foundation?”

“Don’t worry.” Qin Yu waved his hand.

“I just figured out this spell, it’s not that exaggerated.”

“The internal Qi in your body can be recovered after a period of rest.”

Although that was the case, the woman’s heart was still full of worry.

Qin Yu couldn’t be bothered with her. He touched his chin and said in a low voice, “What should the name of this spell be?”

He stood there and pondered for a long time. Then, he patted his head and said, “Just call it the divine devouring technique!”

The woman couldn’t help but snicker, “After thinking for a long time, you came up with such a name? The divine devouring technique... can it be any uglier?”

Qin Yu glanced at her and said, “You are now in my hands. It’s very easy for me to make you die. I want you to live a life worse than death. It’s even easier.”

The woman’s expression changed. She gritted her teeth and said, “You’d better not act recklessly. Otherwise... otherwise, Han Palace won’t Let You Go!”

Qin Yu squatted down and sneered, “I hate people who threaten me the most in my life. Do you understand?”

The woman opened her mouth and didn’t dare to say anything for a moment.

“From now on, you answer whatever I ask you. If I find out that you are lying, I will kill you without hesitation,” Qin Yu said coldly.

The woman bit her lips and said, “Tell me.”

“What’s Your Name?”Qin Yu asked.

The woman said coldly, “Zhang Yi Jiu.”

“What organization is the Han Palace that you mentioned?”Qin Yu continued to ask.

Speaking of Han Palace, Zhang Yi Jiu said proudly, “Our Han palace is a sect that has been passed down for thousands of years! It is not something that small characters like you can provoke!”

“A sect that has been passed down for a thousand years?”Qin Yu touched his chin.

As expected, there were still many top sects that had been passed down in this world.

“What’s the strength of your sect leader? A martial saint?”Qin Yu asked with some doubt.

Zhang Yi jiu snorted lightly, “Although our sect leader hasn’t become a martial saint, he’s still very close. He’s just one step away!”

“OH.”Qin Yu heaved a sigh of relief.

As long as he wasn’t a martial saint, then it would be easy to deal with him.

“A sect that has been passed down for a thousand years, yet the sect master is only at the peak of the Martial Marquis Realm?”Qin Yu said with a hint of ridicule.

Zhang Yi Jiu sneered, “Do you only know about the peak of the Martial Marquis Realm? Let me tell you, there’s still the perfect realm above the peak of the Martial Marquis Realm! and above the perfect realm, there’s even the half-step martial Saint Realm!”

“The difference between each realm is like the difference between the clouds and the mud! It is definitely not something you can imagine!”

Qin Yu slapped his head.

He had actually forgotten about the half-step martial saint realm.

“In other words... your sect master is a half-step martial saint?” Qin Yu asked.

Zhang Yi Jiu opened his mouth and snorted coldly, “No, our sect master is at the perfect stage.”

“That’s not very good either.” Qin Yu sneered.

“You’d better not insult our sect master! or else...”

“Or else what about you?” Qin Yu narrowed her eyes and said.

Zhang Yi Jiu gritted his teeth and snorted, “What else do you have to ask?”

“Last question.” Qin Yu stood up.

“What’s the purpose of you snatching that mask?” Qin Yu’s voice became a bit cold.

Zhang Yi Jiu frowned slightly and she shook her head. “I don’t know. In short, our sect master said that this mask is very important. We must get this mask no matter what.”

Qin Yu continued to ask, “Then did your sect master say what the function of this mask is? Or how should this mask be used?”

Zhang Yi Jiu shook his head and said, “I don’t know. Sect master didn’t say.”

Qin Yu sighed and said in a low voice, “There’s no useful information. You’re really a waste.”

Zhang Yi Jiu secretly gritted his teeth and said with some anger, “I’m at the peak of the Martial Marquis Realm! How dare you call me a waste? !”

Qin Yu didn’t respond. He reached out his hand and grabbed Zhang Yi Jiu’s collar, lifting her up.

Zhang Yi Jiu panicked. She said anxiously, “What... What are you doing? Let Me Go!”

Qin Yu glanced at her and said, “If I let you go now, can you go back?”

Zhang Yi Jiu frowned slightly.

That was the truth. He didn’t have any strength in his body now, and it was difficult for him to walk.

“Don’t worry. I still have use for you. I Won’t Kill You,” Qin Yu said as she walked.

Zhang Yi Jiu gritted his teeth. She braced herself and said, “Can you change your position? Do you have to carry me like this?”

“No,” Qin Yu said expressionlessly.

...

Qin Yu carried Zhang Yi Jiu all the way back to the Tang family.

As soon as they entered, Tang Mo ran over.

“Qin Yu, why did you bring a girl back? This girl seems pretty pretty,” Tang Mo licked her lips and said with a lecherous look.

Qin Yu rolled his eyes and said, “She cultivated by absorbing men’s essence. Anyone who has had sex with her will turn into a skeleton.”

Upon hearing this, Tang Mo immediately staggered in fright.

“Qin Yu, who exactly is this woman?” Tang Sheng couldn’t help but ask.

Qin Yu explained, “She came from Han Gong and tried to sneak attack me, but I caught her.”

“Han Gong?” Upon hearing this name, Tang Sheng’s face couldn’t help but slightly change.

“It seems you’ve heard of Han Gong.” Zhang Yijiu sneered.

“Since you’ve heard of Han Gong’s great name, I advise you to release me as soon as possible. Otherwise, our sect master will certainly bring an army to destroy your Tang family!”

Chapter 749: Chapter 749, return to Jingdu!

“Shut your mouth,”Qin Yu said coldly.

Qin Yu threw Zhang Yijiu aside and then looked at Tang Sheng. “Mr. Tang, have you heard of the Han Palace?”

Tang sheng nodded slightly and said, “Yes. This Han palace has been famous for many years. It’s said that many top martial saints are sleeping in their sects.”

“But I don’t know whether it’s true or not.”

“Sleeping Martial Saints? What do you mean?”Qin Yu didn’t seem to understand.

The handlebar mustache on the side explained, “Although it’s said to be sleeping martial saints, it’s actually a wisp of the martial saint’s remnant soul. Its purpose is to protect the sect and prevent a disaster from happening.”

“That’s right.”Tang sheng nodded.

“To tell you the truth, our Tang family is the same.”

Upon hearing this, Qin Yu suddenly understood.

No wonder Tang Sheng said that they were not afraid of the Jingdu Martial Arts Association in Tang City!

“Qin Yu, you’d better be careful. This Han palace is not easy to deal with,”Tang Sheng reminded him.

Qin Yu waved his hand and said, “It doesn’t matter. Since he’s a sleeping martial saint, there’s nothing to be afraid of.”

“Moreover... I really hope that they can send more people,”Qin Yu said with a faint smile.

For Qin Yu, swallowing the golden pill was the fastest way to cultivate.

Therefore, the more enemies there were, the faster Qin Yu’s cultivation speed would be.

After having a meal at the Tang family, Qin Yu brought Zhang Yi Jiu back to her mansion.

Sitting in this mansion, Qin Yu sipped her tea and said, “Zhang Yi Jiu, I’m giving you a chance to live, but you have to listen to me.”

At this time, Zhang Yi Jiu had recovered some of his strength.

Her eyes rolled around, and then she said coquettishly, “Okay, whatever you want me to do, I’ll listen to you.”

Qin Yu took a sip of tea and said indifferently, “I want to know the purpose of Han palace snatching this mask, and... how they will use this mask.”

“You want me to be your spy?”A trace of panic flashed across Zhang Yi Jiu’s face.

Qin Yu nodded slightly and said, “You can think of it this way.”

Zhang Yi jiu frowned and said, “No, if the sect master finds out, he will kill me.”

“You think I won’t Kill You?”Qin Yu said coldly.

Zhang Yi Jiu's face was gloomy and uncertain. A trace of craftiness flashed across her eyes.

"I temporarily promised him that as long as I leave this place, I will never come back!" Zhang Yi Jiu thought to himself.

"You'd better not try to lie to me." However, Qin Yu had seen through her thoughts.

After saying that, Qin Yu raised her finger, and a thread of golden light flew towards Zhang Yi Jiu's glabella.

Zhang Yi Jiu's expression changed slightly. She wanted to stop it, but in her current state, there was no way she could stop it.

The golden mark entered the glabella of Zhang Yi Jiu. Not only that, the light kept drilling into her mind.

The intense pain made Zhang Yi Jiu moan, and his body trembled slightly.

"You... What did you do to me? !" Zhang Yi Jiu said in pain.

Qin Yu smiled faintly and said, "I fused the mark with your spiritual sense. If you want to erase the mark, you have to destroy your spiritual sense."

"You!" Zhang Yi Jiu's face instantly turned extremely ugly!

She gritted her teeth and said, "You are so heartless!"

Qin Yu sneered and said, "Of course, you can also choose to be loyal to Han Palace. I can kill you right now."

As she spoke, Qin Yu stood up.

His body carried a bone-piercing chill, and his killing intent was even more chilling.

Facing death, Zhang Yi Jiu was finally afraid.

She hurriedly said, "I'll agree to it! But I'm not sure if our sect master will tell me."

Qin Yu said with a faint smile, "That's your business. By the way, if you can't get any information, I can destroy your spiritual sense at any time."

Zhang Yi Jiu clenched his teeth and said, "I got it."

Only then did Qin Yu nod in satisfaction.

"Just wait. I'll recover your internal Qi as soon as possible." Qin Yu stood up and turned to return to the room.

About an hour later.

Qin Yu walked out with a few pills in her hands.

"Take this pill and you can leave," Qin Yu said.

Zhang Yi Jiu asked cautiously, "What is this?"

"Don't worry. This is a pill to recover your internal Qi. If I wanted to kill you, I wouldn't need to waste my energy." Qin Yu rolled her eyes.

Zhang Yi Jiu seemed to think that it made sense. She took the pill and swallowed it.

The moment the pill entered her stomach, her inner strength slowly recovered.

In a moment, Zhang Yi Jiu's body recovered its strength.

“Qin Yu, I should have killed you earlier!” Zhang Yi Jiu looked at Qin Yu and couldn't help but gnash his teeth.

Qin Yu sneered, “Don't forget what I said. I'm not joking with you.”

Zhang Yi Jiu snorted coldly. She turned around and left without saying a word.

After she left, Qin Yu calculated the time.

There were only five days left to the date he had agreed with the heaven-swallowing Python.

“It's time to return to Jingdu.” Qin Yu took a deep breath.

As long as he defeated the heaven-swallowing Python this time, Qin Yu would know which secret realm Yan Ruoxue was locked in!

At that time, Qin Yu would have a way to save Yan Ruoxue!

The next day.

Qin Yu brought the handlebar mustache, Xiaoyu, and the others to the Tang family's lobby.

“Are you ready to leave?” Asked Tang Sheng.

Qin Yu bowed and said, “Yes. Thank you for taking care of me during this time, Mr. Tang.”

However, Tang Sheng waved his hand and said, "I'm not taking care of you. I'm just doing it for the Tang family."

"Qin Yu, come back and play when you have time," said Tang Mo with a smile.

Qin Yu smiled and said, "Don't worry, Young Master Tang. I'll definitely come back when I have time."

After bidding farewell to the Tang family, Qin Yu, handlebar mustache, and the others set out on the road back to Jingdu.

Jingdu.

Ever since Blackie fought against Jiang he, his reputation had soared.

Almost everyone regarded him as the number one person in the world.

Even Yan Jinyao had been suppressed back then.

Although Blackie and Yan Jinyao did not fight, everyone was more inclined to Blackie.

Although Yan Jinyao was not happy about this, he was not anxious.

"Young Master Yan, are you really inferior to Blackie?" An attendant beside Yan Jinyao asked.

Yan jinyao sneered, "I'm inferior to him? He's just a beast. What right does he have to be compared to me?"

"But... now the outside world thinks that Little Black's strength is above yours," someone said.

Yan jinyao sneered, “How can these ants know what bloodline power is?”

“Normally speaking, the strength of earth-rank demonic beasts is indeed above that of humans, but the so-called demonic beasts are not worth mentioning in front of bloodline power!”

As he spoke, Yan Jinyao’s hands gathered waves of energy.

His palm lightly slapped forward, and the black gold stone in front of him was directly smashed into pieces!

“This is the power of a bloodline,”Yan Jinyao said coldly.

Chapter 750: Chapter 750, ao Zhan attacked again

Seeing the shattered black gold stone, the attendant couldn’t help but widen his eyes.

This was the black gold stone that was reputed to be the hardest material! Even the prison of the Jingdu martial arts association used this material!

But now this black gold stone appeared to be so weak in front of Yan Jinyao!

“So... so strong...”the attendant couldn’t help but swallow his saliva.

Yan jinyao snorted and said, “This is only the awakening of 80% of the bloodline power. If it can be 100% ...”

That power would be unimaginable!

This made Yan Jinyao even more jealous!

He tried all the methods he could think of, but couldn't advance further.

80% seemed to be his limit.

"Fortunately, Yan Ruoxue can not cultivate..." Yan Jinyao murmured.

At the thought of this, Yan Jinyao heaved a sigh of relief.

...

There were only four days left until the final battle between Qin Yu and Blackie.

On this day, Blackie was standing in front of Granny Qin in a room in the martial arts academy.

"Blackie, you are all my hope. I see you as my descendant," Granny Qin said indifferently as she took a sip of tea.

Little Black bowed slightly and said, "Granny Qin, I know. I also see you as my mother."

Granny Qin looked up at little black and continued, "I want you to be the number one person in the world! A person who has reached the peak of martial arts!"

"That Qin Yu is only a stepping stone for you, so you can't lose."

A trace of disdain flashed through Little Black's dark eyes.

He snorted lightly, "Granny Qin, don't worry. That Qin Yu isn't worth mentioning at all."

Granny Qin said in a deep voice, “Don’t underestimate him too much. He just obtained a stalk of ten-thousand-year-old herbs. His strength will definitely improve.”

“No worries.” Blacky clenched his fist lightly.

“A mere Qin Yu isn’t worth mentioning.”

Granny Qin nodded slightly and said, “You go.”

Little black grunted in gratitude and retreated to the side.

Although little black was extremely confident, Granny Qin was somewhat uncertain.

It was not that she did not trust little black, but Granny Qin knew nothing about Qin Yu’s strength at the moment.

She did not know what kind of Realm Qin Yu had reached by relying on that ten-thousand-year-old herbs. If he stepped into the peak of the Martial Marquis realm, the outcome would be difficult to predict.

Granny Qin slowly stood up.

She stood up and left the martial arts academy, returning directly to the Jingdu Martial Arts Association.

In Xie Qu’s office, Xia Hang was sitting.

Seeing Granny Qin Walk in, Xia hang quickly stood up and respectfully called out, “Granny Qin.”

Granny Qin nodded slightly and casually asked, “Has there been any news from the higher-ups recently?”

Xia hang shook his head and said, “Not according to Granny Qin.”

Granny Qin did not say much and just nodded. “Got it. If there’s any news from the higher-ups, remember to inform me.”

“Yes, Granny Qin.”Xia hang bowed and said.

Thereafter, Granny Qin sat at Xia Hang’s seat.

She poured a cup of tea and closed her eyes slightly, as if she was waiting for someone.

About half an hour later.

A man walked in from outside the door.

This man was short, with snow-white eyebrows and a distinctive aquiline nose.

This man was none other than Ao Zhan!

“Granny Qin.”Ao Zhan walked forward and greeted Granny Qin.

Granny Qin nodded slightly, indicating for him to sit down.

Ao zhan smiled and said, “Granny Qin, if there’s anything you need, just tell me.”

Granny Qin stared at Ao Zhan in front of her and said coldly, “I want you to kill someone.”

Ao zhan hurriedly said, “You only need to tell me the name.”

Granny Qin coldly spat out two words, “Qin Yu.”

Hearing this, Ao Zhan laughed.

“Last time, I let him escape by luck. Don’t worry. This time, I will definitely take his life.”Ao Zhan said with a faint smile.

Granny Qin waved her hand and said, “No, let him live.”

Ao Zhan was stunned and said in surprise, “Let him live? Why?”

“Don’t ask what you shouldn’t ask,”Granny Qin said with a frown.

Ao Zhan was a little embarrassed, but he still nodded and agreed, “I understand.”

After saying that, he turned around and walked out.

Granny Qin did not tell Ao Zhan Qin Yu’s current strength.

The reason she sent Ao Zhan to kill Qin Yu was to test Qin Yu’s strength.

Of course, if ao Zhan could conveniently cripple Qin Yu, that would naturally be the best.

...

On the other side, Qin Yu, handlebar mustache, Little Fish, and the others had already arrived in Jingdu.

“Little Fish, after you arrive in JINGDU, you must remember that the mask can not be known by anyone, understand?”Qin Yu warned.

Little Yu nodded and said, “I understand.”

Since even the cold palace knew about the existence of the mask, the Jingdu martial arts association must also know.

If Little Yu fell into their hands, the consequences would be unimaginable.

At this time, the sky was gradually darkening, so Qin Yu temporarily found a place to stay.

“Sigh, what a pity.”The handlebar mustache counted the time with his fingers.

“It’s not easy to enter a secret realm, but I missed it.”

Qin Yu rolled his eyes and said, “If you can find a way to enter an ownerless secret realm, I promise to return you a secret realm.”

The handlebar mustache muttered, “Do you think it’s that easy to enter an ownerless secret realm? I’m afraid only the Jingdu Martial Arts Association knows this method.”

“Yes.”Qin Yu could not help but sigh.

Even the inheritance left behind by his father didn’t record it, which was enough to explain the difficulty of this method.

“I guess the method to enter the ownerless secret area was developed by the Jingdu Martial Arts Association itself,”said Qin Yu.

The Mustache Man said with some surprise, “You and I are thinking the same thing.”

“All these years, I’ve traveled all over the world and read countless ancient books, but I’ve never seen any record of the ownerless secret area.”

Qin Yu nodded and said, “The ownerless secret realms were most likely left behind by ancestors, and slowly became ownerless in the long river of history.”

“In other words, before this, there was no existence of the ownerless secret realms. All the secret realms were passed down from generation to generation, so naturally, there was no need for any method to crack it.”

“Yes.”The mustached man nodded slightly.

“An expert from the Jingdu martial arts association cracked this method.”

Qin Yu remained silent.

Cracking the master-less secret realm must involve spatial spells.

But spatial spells were definitely not something a martial marquis could get his hands on.

“If there’s a chance, I have to go to the Jingdu Martial Arts Association’s Scripture Depository to take a look,”Qin Yu thought to himself.

The scripture depository had too many secrets. Apart from spells, it also had a history of the development of martial arts.

Qin Yu wanted to see about Yan Ruoxue’s bloodline, his father, and the story of the masked woman.

Just as the two of them were chatting, Qin Yu’s phone suddenly rang.

He picked up the phone and saw that the caller was Xia hang.

He said on the phone, “Qin Yu, Granny Qin sent Ao Zhan to kill you.
Run!”

My Rich Wife – Chapter 751 –

Chapter 751: Chapter 751, I' ll Swallow It for you!

“Slaughtering chickens and dogs ? hahahaha!”Ao Zhan could not help but burst into laughter.

“What, do you still have that martial saint weapon with you ?”Ao Zhan asked somewhat tentatively.

Qin Yu sneered, “You don't have to probe. That martial saint weapon is not with me.”

Upon hearing these words, Ao Zhan could be considered to be completely relieved.

The internal Qi on his body began to surge slowly. The aura of a peak-stage martial marquis filled the entire quiet bar.

Qin Yu stood up and said, “Let's go somewhere else. Don't disturb his business.”

After saying this, Qin Yu took the lead and walked out of the door.

Looking at Qin Yu's back, Ao Zhan narrowed his eyes slightly.

He suddenly launched an attack. A gust of wind arose under his feet, and a pair of fists fiercely pressed toward Qin Yu's junior!

“Qin Yu!”Seeing this, Yao Meng immediately cried out in surprise!

However, it was too late to dodge at this time. The speed of a peak martial marquis was too fast!

“Clang!”

Ao Zhan’s fist smashed firmly onto Qin Yu’s back!

A crisp sound reverberated throughout the entire room!

However, this incomparably fierce fist was unable to shake Qin Yu in the slightest.

Qin Yu slowly turned around and said with a grin, “Even a sneak attack is useless. You really are a piece of trash.”

Ao Zhan’s expression changed slightly. He could not help but take a step back, and his face became more vigilant.

“I’ll wait for you in front,” Qin Yu said coldly.

After saying this, Qin Yu turned around and walked out of Jing Bar.

Ao Zhan snorted coldly and then quickly chased after him.

“Are We Going?” Wan Gu Qiong asked.

Yao Meng nodded and said, “Let’s go and take a look.”

...

More than ten kilometers away, there was an abandoned factory.

It was deserted and there were no lights.

Qin Yu stood there and quietly waited for Ao Zhan’s arrival.

A few minutes later, a light flashed in front of Qin Yu. Then, Ao Zhan appeared in front of Qin Yu with a crossbow in his hand.

“Qin Yu, today is the Day You Die,” Ao Zhan said coldly.

Qin Yu looked at Ao Zhan expressionlessly and said, “It seems that you are not important to the Jingdu Martial Arts Association.”

Ao Zhan frowned slightly and said coldly, “What do you mean?”

“If it were important, they wouldn’t have sent you here to die,” Qin Yu said with a sneer.

Ao Zhan’s pupils shrank and he said angrily, “Arrogant!”

Before he could finish his words, Ao Zhan grabbed the crossbow, and a ray of light shot toward Qin Yu!

This crossbow released the purest inner strength! After the crossbow, the inner strength could be dozens of times more powerful!

That Ray of light contained a powerful force, and it shot toward Qin Yu!

Qin Yu’s face was calm. He clenched his fist, and then suddenly threw a punch!

“Boom!”

A loud sound shook the ground and dust flew everywhere!

The abandoned factory, which was already in ruins, was turned into dust at this moment!

Under this punch, the light from the crossbow was shattered!

On the other hand, Qin Yu's expression was calm. He was not affected at all.

Ao Zhan's expression changed slightly and he said coldly, "What a tough body!"

"What other moves do you have? Just use them." Qin Yu looked at Ao Zhan in front of her quietly.

Ao zhan sneered and said, "Don't be happy too early. Just now, it was just a test. Now, let's get to the main topic!"

Before he finished speaking, ao Zhan's figure suddenly exploded!

The crossbow in his hand flickered with light, as if it was brewing some terrifying power!

"Hualala!"

A series of strange sounds were emitted from the crossbow.

"Hundred Light Slash!"

Accompanied by Ao Zhan's furious roar, the crossbow in his hand immediately burst out with bursts of dazzling light!

In an instant, countless balls of light shot towards Qin Yu!

These balls of light contained an extremely destructive power. Wherever they passed, even the air was ignited!

One Ball of light after another bombarded wildly, almost turning qin Yu into minced meat!

This technique was one of Ao Zhan's famous techniques. Such a huge amount of energy, under the activation of the crossbow, contained an unimaginable power!

Qin Yu's expression was cold. Facing these hundred balls of light, Qin Yu showed no fear.

With a furious roar, his body suddenly burst out with golden light!

The resplendent light instantly illuminated the surroundings!

"He wants to forcefully resist this hundred light slash!" Yao Meng, who was watching the battle, seemed to have noticed something!

A trace of surprise flashed across Wan Gu Qiong's face.

Just as Yao Meng had said, Qin Yu planned to use his physical body to forcefully resist this technique!

"Boom Boom Boom!"

The nearly hundred light balls rained down on Qin Yu's body!

The ground under Qin Yu's feet instantly collapsed, and cracks appeared one after another!

"Boom!"

The ground with Qin Yu as the center completely collapsed, and crushed stones shot out in all directions like bullets!

Seeing this scene, Ao Zhan could not help but sneer, "Arrogance will make you pay the price you deserve."

He looked down at the dust from above, and a cruel smile appeared on his face.

But in the next second, ao Zhan's expression suddenly changed.

The ground around Qin Yu collapsed, but the ground under Qin Yu's feet was intact, forming a long stone pillar.

Qin Yu's clothes had been shattered, but his body was intact.

Under the Golden Light, he looked like a God!

“How... how could this be!”Ao Zhan's expression suddenly changed!

Qin Yu looked in the direction of ao Zhan and sneered, “Is this your technique? It's just so-so.”

Ao Zhan immediately flew into a rage!

“Don't be so arrogant!”Ao Zhao roared and grabbed the crossbow with both hands!

The inner strength in Ao Zhan's body was pouring into the crossbow!

The crossbow seemed to be drawing out ao Zhan's inner strength. In a short moment, it contained an unimaginable power!

In front of the crossbow, there was a terrifying pressure.

This pressure made even Yao Meng feel a little uncomfortable.

“Go to hell!”

Accompanied by Ao Zhan's angry roar, the crossbow instantly exploded with a dazzling ball of light!

This ball of light was incomparably bright, comparable to the sun and moon, and the power within was even more unimaginable!

"What a terrifying power." Yao Meng frowned slightly.

She looked in Qin Yu's direction and couldn't help but feel a little worried.

Hence, Qin Yu didn't show any signs of responding.

"Boom!"

Following the activation of the crossbow, that ball of light crushed towards Qin Yu!

This ball of light had a diameter of several meters and was incomparably huge at a glance.

In front of this ball of light, Qin Yu's figure seemed insignificant.

In the blink of an eye, this ball of light arrived in front of Qin Yu!

Qin Yu, who had been motionless, finally made a move.

He slowly raised his hand and said coldly, "Divine devouring technique!"

In an instant, Qin Yu opened his mouth.

He grabbed the ball of light and swallowed it in the next second!

This scene immediately made everyone's jaws drop!

Even Yao Meng and Wan Gu Qiong couldn't help but be dumbfounded!

"This... what is this..." Yao Meng's beautiful eyes were filled with shock.

"I've never seen such a barbaric spell..." Wan Gu Qiong also said in shock.

Chapter 752: Chapter 752, I'll Swallow It for you!

"Slaughtering chickens and dogs? hahahaha!" Ao Zhan could not help but burst into laughter.

"What, do you still have that Martial Saint Weapon With You?" Ao Zhan asked somewhat tentatively.

Qin Yu sneered, "You don't have to probe. That martial saint weapon is not with me."

Upon hearing these words, Ao Zhan could be considered to be completely relieved.

The internal Qi on his body began to surge slowly. The aura of a peak-stage martial marquis filled the entire quiet bar.

Qin Yu stood up and said, "Let's go somewhere else. Don't disturb his business."

After saying this, Qin Yu took the lead and walked out of the door.

Looking at Qin Yu's back, Ao Zhan narrowed his eyes slightly.

He suddenly launched an attack. A gust of wind arose under his feet, and a pair of fists fiercely pressed toward Qin Yu's junior!

“Qin Yu!” Seeing this, Yao Meng immediately cried out in surprise!

Even Yao Meng and Wan Gu Qiong couldn't help but be dumbfounded!

"This... what is this..." Yao Meng's beautiful eyes were filled with shock.

"I've never seen such a barbaric spell..." Wan Gu Qiong also said in shock.

Chapter 753: Chapter 753, beheading!

The huge ball of light was sucked into Qin Yu's stomach!

The ball of light became smaller and smaller until it completely disappeared!

Qin Yu patted his stomach and burped with a satisfied expression on his face.

"Not bad, Comfortable." Qin Yu grinned.

Ao Zhan, who was not far away, had an extremely ugly expression! His forehead was covered with layers of sweat.

"How... how is this possible..." ao Zhan swallowed his saliva, as if he could not believe the scene in front of him.

Qin Yu looked at Ao Zhan coldly and said, "If this is your trump card, then you will die."

Ao Zhan gritted his teeth, grabbed the crossbow, and said coldly, “Qin Yu, don’t be so arrogant!”

After saying that, ao Zhan seemed to have gone crazy. He grabbed the crossbow in his hand and kept casting spells toward Qin Yu!

The overwhelming light almost destroyed the entire ground!

However, Qin Yu, who was covered in golden light, was not affected at all.

After a series of indiscriminate attacks, Qin Yu was still intact.

“Are you done? It’s my turn,”Qin Yu said coldly.

Ao Zhan wiped the sweat from his forehead. Just as he was about to speak, Qin Yu’s figure disappeared into thin air!

In the next second, he felt a golden light flash in front of his eyes.

Then, a huge fist smashed fiercely at the crossbow!

“Boom!”

This fist contained a force of ten thousand tons. The golden light turned into substance and directly smashed the crossbow into pieces!

The Weapon AO Zhan was proud of turned into ruins just like that!

“You... you actually destroyed my weapon!”Ao Zhan’s face was extremely pale!

Qin Yu sneered and said, “As far as I know, most of your strength came from this weapon, right?”

Ao Zhan's face was pale and he didn't say a word.

“Without this weapon, I'm afraid that your title as a peak-stage Marquis is undeserved.”Qin Yu looked down at Ao Zhan with a cold killing intent in his eyes.

Ao Zhan gritted his teeth and roared, “Qin Yu, don't be arrogant!”

After saying that, Ao Zhan clenched his fist and swung it fiercely at Qin Yu!

Ao Zhan was, after all, at the peak-stage martial marquis realm, so his strength was naturally self-evident.

However, when this punch landed on Qin Yu's body, it actually did not injure him in the slightest. Instead, it shook his wrist until it hurt!

“This... this...”ao Zhan took two steps back. A trace of panic flashed across his face, and then he took off and wanted to run!

But How Could Qin Yu give him a chance ? A huge golden hand covered the sky and covered the Earth, slamming ao Zhan onto the ground with one palm!

A huge palm print instantly appeared on the ground.

And Ao Zhan's body was almost smashed into meat paste!

Before ao Zhan could get up, a golden fist had already descended from the sky!

“Boom!”

With this punch, Ao Zhan's spine was directly shattered! Dozens of bones were instantly shattered into fine powder!

Ao Zhan wanted to get up, but he found that there was no support from the bones, and he couldn't stand up at all!

"What, is this the peak of the Martial Marquis Realm? It's just so-so." Qin Yu looked at Ao Zhan coldly.

Ao Zhan said in pain, "Spare me... I beg you... spare me..."

"Spare you? You Murderer, you've already lived for dozens of years. It's time for you to pay the price," Qin Yu said coldly.

Ao Zhan wanted to say something, but Qin Yu didn't give him a chance.

He reached out his palm and grabbed Ao Zhan's dantian.

In the next second, Qin Yu pulled Ao Zhan's golden core out of his abdomen.

Ao Zhan's internal Qi was quickly drained. In a moment, he had turned into an ice-cold corpse.

Qin Yu played with the Golden Core and was surprised to find that it was much bigger than all the other golden cores he had seen before.

Could it be that the golden core at the peak of the Martial Marquis realm is bigger? Qin Yu thought to himself.

He was not in a hurry to swallow the golden core into his stomach. Instead, he planned to keep it for the time being and use it when he broke through to the martial saint realm in the future.

After taking the golden core, Qin Yu carried ao Zhan's corpse and walked towards Yao Meng.

"Brother Qin's strength is really shocking," Yao Meng said with a smile.

"It's really surprising that brother Qin has such strength in just two years."

Qin Yu smiled and said, "Miss Yao, you flatter me."

Wan Gu Qiong could not help but sigh and said, "No wonder Miss Yan likes you. I have to say, Brother Qin is really like a peerless hero, full of charm."

Their praise made Qin Yu feel a little embarrassed.

"Gentlemen, if there's nothing else, I'll take my leave first," said Qin Yu.

Yao Meng smiled and said, "Okay, Brother Qin. See You in a few days at the Martial Arts Academy."

Qin Yu agreed, and then he took ao Zhan's body and left.

...

The next day.

Granny Qin had just left the Jingdu Martial Arts Association and was about to go to the martial arts academy when she saw the body hanging on the gate.

Granny Qin's expression changed drastically when she saw this corpse!

Even though ao Zhan's body was almost shattered, Granny Qin still recognized his identity at a glance.

"Ao Zhan... is actually dead."Granny Qin's expression was extremely cold.

"Granny Qin, what... What's going on?"Xia hang also followed out and asked while pretending to be surprised.

Granny Qin did not answer but waved her hand and said, "Get someone to dispose of the corpse."

"Yes!"Xia hang hurriedly nodded.

His heart was filled with excitement.

He had never thought that ao Zhan would actually be killed by Qin Yu!

One had to know that this was the peak state of a martial marquis!

"It seems that my choice was not wrong,"Xia hang thought to himself.

Granny Qin did not stay any longer. She turned around and walked towards the martial arts academy.

After arriving at the Martial Arts Academy, Granny Qin went straight to Blackie's room.

"Granny Qin."Seeing Granny Qin, Blacky immediately stood up.

Granny Qin said in a deep voice, "Blacky, come with me immediately."

"Where are we going?"Blacky asked in surprise.

Granny Qin said coldly, “I want to take you to the mystic realm. We can’t wait any longer.”

“To the Mystic Realm?” Blacky was even more confused.

Granny Qin glanced at him and said, “Ao Zhan died at the hands of Qin Yu. This is enough to show that the current Qin Yu is no longer the same as before.”

“In order to prevent any accidents, I want to take you to bathe in Yan Ruoxue’s blood and pass on her bloodline power.”

Blackie smiled and said, “Granny Qin, there’s no need for that. That Qin Yu is not worth mentioning.”

“Yeah, I’m just a small character. Why Bother?” At this moment, Qin Yu suddenly appeared at the door.

Granny Qin’s face turned cold and she said with a sinister tone, “Qin Yu, who told you to come here? !”

Qin Yu glanced at Blacky and said with a slightly mocking tone, “It seems that you don’t have much confidence in this beast that you raised.”

“Qin Yu, you’re courting death!” Upon hearing that, Blacky immediately took a step forward and the aura on his body suddenly exploded!

Chapter 754: Chapter 754, the worried Granny Qin

Qin Yu was unmoved by Blackie’s rage.

He looked coldly at Granny Qin and said, "Did you find someone to kill me? You want to bring him to the arcane realm ahead of time? Old Man, you're really shameless."

"You're F * cking courting death!" Blackie was completely enraged. He waved his large palm, and a black fist headed straight for Qin Yu!

Qin Yu did not give in, and clenched his fist to meet it.

"Boom!"

A loud sound spread throughout the martial arts academy!

Both sides had the strength of their physical bodies, but the waves of air that erupted from them almost destroyed the entire courtyard!

Although the two of them were only testing each other out, they still contained extremely powerful strength.

Blackie glanced at his fist, and could not help but frown slightly.

There were cracks on his black fist.

Although the injury was not serious, it was shocking.

The heaven-swallowing Python's body was extremely strong. The outer layer of its skin could be said to be indestructible.

But now, it was at a disadvantage when fighting with a human. How could he accept this.

Granny Qin's expression was not too good.

She looked coldly at Qin Yu, her killing intent unconcealed.

“Old Bastard, I’ll come and take his life on time in three days,”Qin Yu said, pointing at Blackie.

After saying this, Qin Yu turned around and left.

In the room, Granny Qin’s expression became even colder.

“This Qin Yu...”Granny Qin gritted her teeth, her skinny hands slightly clenched.

Blacky rushed forward and said, “Granny Qin, I will not lose to him.”

Granny Qin glanced at Blacky and said, “You must not lose, not even once!”

To Granny Qin, Blacky was not only her pet, but also her blood and sweat.

She even treated Blacky as her own offspring.

Therefore, Granny Qin had to make him the number one in the younger generation no matter what!

Besides that, if Blackie lost, it meant that Qin Yu could enter the secret realm that imprisoned Yan Ruoxue!

That secret realm was a secret of the Jingdu Martial Arts Association, and Qin Yu absolutely couldn’t get his hands on it.

“I won’t lose,”Blackie clenched his fists and said in a low voice.

Granny Qin didn’t say anything.

What she wanted was a hundred percent certainty.

“I’ll think of a way to let you win,”Granny Qin said in a deep voice.

She turned around and walked out of the room, a trace of killing intent bursting out of her eyes.

On the other side.

Qin Yu had officially returned to the martial arts academy.

As the first batch of academies, they received excellent treatment and had their own independent mansions.

It was unknown whether it was intentional or not, but Qin Yu’s mansion and Yan Jinyao’s mansion happened to be next to each other.

When Qin Yu returned, he happened to meet Yan Jinyao who was standing at the door.

He saw more than ten people standing beside Yan Jinyao.

These ten people were not old, only in their early twenties.

Judging from their internal QI, the strongest among these people was a new martial marquis.

The rest were more than half a step into the martial marquis realm.

“Qin Yu, I didn’t expect you to dare to come back,”Yan Jinyao said sarcastically.

Qin Yu glanced at him and said, “Why? are your followers so young now?”

Yan Jinyao glanced at the people around him and then said indifferently, “These people are my followers and also my disciples.”

Hearing this, Qin Yu couldn't help but feel like laughing.

“What? Are you planning to be independent of the Yan Family?” Qin Yu raised his eyebrows and asked.

Yan Jinyao was not anxious. Instead, he said indifferently, “If you, Qin Yu, can establish your own sect, I, Yan Jinyao, can do the same.”

“These people are all extremely talented. Compared to the rotten garlic of your Jade Moon Villa, I wonder how much stronger they are.” Yan Jinyao's tone was slightly smug.

“That's right. Our master's requirements for taking in disciples are very high. Not everyone can become a disciple,” a youth beside Yan Jinyao said coldly

Qin Yu couldn't be bothered with Yan Jinyao. He turned around and returned to his own residence.

Yan Jinyao looked at Qin Yu's back as he left. His gaze unconsciously fell on Little Yu.

“Who is that girl? Why haven't I seen her before?” Yan Jinyao frowned and asked.

“Master, I'll go and scout for information for you,” a disciple beside him hurriedly said.

Yan Jinyao shook his head and said, “No need. If I want to know, I can ask her myself.”

“Moreover, as long as I want to get someone, I can poach them from his side at any time.”

This was Yan Jinyao’s confidence.

As the Crown Prince of the Yan family, regardless of his background, looks, and resources, he was far above Qin Yu.

Therefore, Yan Jinyao believed that his charm was far from what Qin Yu could compare to.

...

In the mansion.

Qin Yu appeared to be bored to death.

There were only three days left before he had to fight with Blackie. He couldn’t do much in these short three days, so Qin Yu chose to rest.

Night fell.

However, Qin Yu couldn’t sleep at night.

He sat in the courtyard, drinking tea by himself. He was quite relaxed.

At this moment, someone had already set their eyes on Qin Yu.

In a forest near the martial arts academy, Granny Qin and a young girl were standing there.

“No matter what, we have to think of a way to lure Qin Yu Out,”Granny Qin said coldly.

The young girl in front of her said with some confusion, “Granny Qin, with Your Ability, why do you need my help? You can just kill your way in...”

Granny Qin glanced at her coldly and said, “If I make a move in the martial arts academy, won’t Everyone Know About It? At that time, even if little black wins, it won’t be glorious.”

The young girl suddenly understood. She was silent for a moment, and then said tentatively, “Granny Qin, if I can trick him out, can you really give me the Bloodline?”

“Of course.” Granny Qin nodded coldly.

The young girl gritted her teeth and said, “Okay! I’ll Go!”

After saying that, she walked quickly into the martial arts academy.

Granny Qin’s expression was extremely cold, and her eyes emitted waves of coldness.

She used a secret technique to conceal her internal qi and waited for an entire day at the entrance of Qin Yu’s residence.

However, Qin Yu had no intention of going out at all.

Helpless, Granny Qin picked a student from the martial arts academy and asked her to think of a way to trick Qin Yu Out.

“Little Bastard, your time of death has come!” Granny Qin said with a cold expression.

Chapter 755: Chapter 755, framing

Within the mansion.

Qin Yu Sat alone under the moonlight, adjusting his internal Qi slightly.

As his strength grew stronger and stronger, it became more and more difficult to increase one's realm.

Many people would be stuck at a certain realm for the rest of their lives. It was unknown how many geniuses would stop before a certain realm.

Just as Qin Yu was deep in thought, a beautiful figure appeared at the door.

Raising his head, he saw a curvy and graceful woman appear at the door.

Qin Yu glanced at her and frowned. "Who are you?"

This woman walked slowly towards Qin Yu with light steps.

She pretended to be delicate and pitiful, she whispered, "Mr. Qin, I am an ordinary member of the Martial Arts Academy. I . . . I have encountered some difficulties recently. I really have no choice. After thinking about it, I can only come to you for help..."

"Encountered some difficulties?" A trace of surprise flashed across Qin Yu's face.

The woman continued, "Yes, I am being pursued by a group of people. Right now, they are hiding outside the Jingdu Martial Arts Association. I... Once I go out, I will be attacked by them..."

Looking at the delicate and pitiful woman in front of him, a trace of ridicule flashed across Qin Yu's face.

“So What do you want me to do?”Qin Yu asked.

The woman hurriedly said, “Please help me kill them! As long as I kill them, I’ll be safe!”

“Mr. Qin, as long as you’re willing to help me, I’m willing to do anything!”

Qin Yu sneered, “Why should I help you?”

“If you don’t help me, I’ll only die...”the woman sobbed softly.

“What does your death have to do with me? Do I Know You?”Qin Yu asked coldly.

The woman opened her mouth and wanted to say something, but Qin Yu waved his hand and interrupted her.

“I won’t help you. Go Out,”Qin Yu said coldly.

“Mr. Qin, I...”

“I told you to go out. Don’t you understand?”Qin Yu said coldly.

The woman had no choice but to stand up and grit her teeth as she walked out.

Qin Yu was not a person who was overflowing with sympathy.

Moreover, the woman’s words were full of loopholes, making it hard for people to believe her.

...

In the forest, the woman told Granny Qin what had happened.

Granny Qin said with a cold face, “Trash! If you can’t even do this, how can I Trust You!”

The woman opened her mouth, bit her lips and said in a low voice, “This Qin Yu is impervious to oil and salt. He doesn’t believe me at all. I . . .”

“Bang!”

Before the woman finished her words, she was suddenly hit in the chest!

This slap immediately made her fall back again and again. Her sternum was broken and blood kept flowing out of her mouth.

The intense pain made it difficult for her to even breathe. A trace of paleness appeared on her handsome face.

She looked up and saw Granny Qin looking at her coldly.

“Granny Qin, you...”the woman pointed at Granny Qin, her face full of confusion.

Granny qin sneered, “It looks more realistic this way. Go, think of a way to trick him out.”

The woman’s face was extremely ugly, but there was no turning back. At this moment, she was already riding a tiger.

She could only endure the pain and walk towards Qin Yu’s mansion again.

Ten minutes later.

The woman appeared in front of Qin Yu again.

This time, she looked miserable.

The collapse of her chest was shocking, and the blood at the corner of her mouth kept gushing out.

“Mr. Qin, I beg you to help me, or else... or else I will die...”the woman said with a pained expression.

Seeing her like this, Qin Yu couldn't help but frown.

“You really went all out, injuring yourself?”Qin Yu couldn't help but sneer in his heart.

Just as Qin Yu was about to refuse, another figure appeared at the door.

This person was none other than Yan Jinyao.

“TSK TSK, Qin Yu, you really have a heart of a snake and a scorpion. When someone comes to beg you, you actually don't Move?”Yan Jinyao said with a strange tone.

Qin Yu glanced at him and said, “If you don't have the heart, you can help her.”

Yan Jinyao spread his hands and said, “That won't do. She's begging you, not me.”

“TSK, tsk. Didn't some people claim that they're standing on the side of ordinary people? Now that someone comes to ask for help, they're not moved. How hypocritical.”Yan Jinyao continued to ridicule.

Hearing this, Qin Yu slowly stood up.

He looked at the woman and narrowed his eyes. "I'll give you a chance. Tell me, who asked you to come?"

A trace of panic flashed through the woman's eyes. She hurriedly said, "I . . . No one asked me to come..."

From her expression, Qin Yu was even more certain of his own thoughts.

Qin Yu took a look at the wound on her chest and said in a deep voice, "You are so ruthless. Be careful not to put your life at risk."

Hearing Qin Yu's words, the woman gritted her teeth and could not help but lower her head slightly.

Qin Yu thought for a moment and then said, "You go first. I will come back later."

Hearing this, the woman hurriedly nodded and said, "Okay, thank you, Mr. Qin!"

After the woman left, Qin Yu walked straight out of the main door.

"TSK TSK, you really have a flood of sympathy, don't You?" Seeing that Qin Yu had agreed, Yan Jinyao ridiculed him again.

Qin Yu glanced at him and said, "How did your asshole grow on your face? Stay away from me, I think it stinks."

Yan Jinyao's face instantly turned cold.

He snorted lightly and said, "Vulgar Thing."

Qin Yu couldn't be bothered with Yan Jinyao. He turned around and left the mansion, walking directly toward the martial arts academy.

In the forest.

Granny Qin was looking at this woman coldly.

“It’s been half an hour. where is he?”Granny Qin said with a cold expression.

The woman quickly said, “Granny Qin, he really said that he would be here soon. You... you wait a little longer.”

Granny Qin said impatiently, “You Idiot, have you been deceived by him again?”

“No... impossible, he really promised me...”a trace of panic flashed across the woman’s face.

Granny Qin narrowed her eyes.

She was about to speak when she felt a trace of internal Qi approaching her.

“It’s coming.”Granny Qin’s lips curled into a cold smile.

In a short while, Qin Yu’s figure appeared in front of the two of them.

“Granny Qin, he’s Here!”The woman said excitedly.

Granny Qin didn’t say anything. She just quietly looked at Qin Yu, who was not far away.

“Granny Qin, you promised me the bloodline, but... you mustn’t forget it,”the woman said carefully.

Granny Qin glanced at her and then grinned, “Don’t worry, of course I won’t forget it.”

Before she could finish her words, Granny Qin suddenly stretched out her shriveled claw-like palm and slapped the woman’s Head!

With a crisp cracking sound, the woman’s head was directly smashed into pieces!

“Trash also wants to touch the bloodline? It’s simply wishful thinking,”Granny Qin said darkly.

Seeing this scene, Qin Yu shook his head helplessly.

Qin Yu had already warned her, but in the end, she still died because of her own desire.

“You are really ruthless. Aren’t you afraid of your reputation being tarnished?”Qin Yu looked at Granny Qin and said coldly.

Granny Qin said indifferently, “You are the one who killed her. Why should I Be Afraid?”

“Qin Yu had an evil plot against the female student.. He was afraid that the matter would be exposed, so he killed her ruthlessly,”Granny Qin said indifferently with her hands behind her back.

Chapter 756: Chapter 756, the prophecy of the higher-ups

Granny Qin put her hands behind her back and looked indifferent.

Qin Yu looked at Granny Qin in front of him and sneered, “You want to frame me?”

“Hehe, I’m telling the truth. Do you think everyone will believe me or you?”Granny Qin said proudly.

Qin Yu couldn’t be bothered to talk nonsense with her and immediately asked, “Tell me, why did you come to me in the middle of the night?”

Granny Qin’s eyes immediately narrowed. A strong killing intent burst out from her body.

“To teach you a lesson, of course!”Granny Qin said coldly.

“Teach me a lesson?”Qin Yu was a little surprised.

“What? The AO Zhan you sent didn’t work. Are you going to do it yourself now?”

Granny Qin didn’t hide anything and said indifferently, “That’s right.”

“TSK tsk, it seems that you have no confidence in that beast you raised. You want to cripple me again and again. You’re really persistent.”Qin Yu sneered.

Granny Qin narrowed her eyes and said, “Little black can’t lose. No one can beat him! I want to make him invincible!”

Qin Yu clapped his ears and said with a bit of ridicule, “Are you going to cripple me, or are you going to kill me?”

“I only need to injure you.”Granny Qin grinned, revealing a mouthful of yellow teeth.

Her sinister internal Qi enveloped the entire mountain forest, and that strong killing intent turned into a strong wind that was like a sharp blade, cutting through people’s lives!

“You heard it, right? Recorded It?”

Just as Granny Qin was about to make her move, Qin Yu suddenly took out his phone.

A handlebar mustache voice immediately came from the other end.

“Don’t worry, it’s all recorded.”

Upon hearing this, Granny Qin’s expression instantly changed!

With a flick of her finger, she directly smashed Qin Yu’s phone.

“It’s useless. I was afraid that you would destroy my phone, so I deliberately turned on the voice chat with my friends.” Qin Yu grinned, revealing a brilliant smile.

“Old Thing, you’re already so old. I guess you don’t know enough about modern high-tech products, right?”

Granny Qin was instantly furious! Her face, which was full of ravines, was trembling non-stop!

Qin Yu looked at Granny Qin coldly and said, “If you don’t want everyone to see your face, you’d better not play any more tricks with me.”

“Otherwise, I promise to make you and that beast you raised lose your reputation!”

Granny Qin glared at Qin Yu and said through gritted teeth, “Little Beast, You Little Beast, I will tear you into pieces!”

Qin Yu sneered and said, “Don’t worry, when I become a martial saint, you will be the first one I will kill.”

After saying this, Qin Yu turned around and left.

Granny Qin stared at Qin Yu. Her entire body was filled with a strong killing intent.

As she watched Qin Yu leave, Granny Qin’s entire body trembled.

However, in the end, she did not do anything and allowed Qin Yu to leave her sight.

She had never expected that her carefully planned plan would be easily resolved.

...

The next day.

Qin Yu and the handlebar mustache duo walked together on the main street of the martial arts academy.

“There’s a secret realm ahead,” Qin Yu said, pointing at the secret realm he had sensed last time.

The moustache man mumbled, “How did you know?”

“I can’t explain it to you right now,” Qin Yu said, waving his hand.

As they were talking, the two of them bumped into Granny Qin and Little Black.

They seemed to have come to find Qin Yu on purpose, blocking their way with one step forward.

The Mustache Man hurriedly hid behind Qin Yu with a vigilant expression.

Qin Yu, on the other hand, looked at the two of them expressionlessly.

“What’s the matter? Do you have something to do?” Qin Yu asked coldly.

Granny Qin narrowed her eyes and said, “Little Bastard, you’d better not spread the video around.”

Seeing this, Qin Yu couldn’t help but laugh.

“Why? Are you here to scout for Information?” Qin Yu said with a hint of sarcasm.

Granny Qin’s old face darkened, and her skinny claws couldn’t help but Clench.

Just as Qin Yu said, Granny Qin was afraid that Qin Yu would spread the video.

“Don’t worry. As long as you don’t come looking for trouble again, I guarantee that the video will not be spread,” Qin Yu said indifferently.

Blackie took a step forward, and his pitch-black eyes stared coldly at Qin Yu.

“If I win, how about you destroy the video?” Blackie asked.

Qin Yu raised his eyebrows and smiled. “Of course.”

Blackie said coldly, “You’d better keep your word.”

“Don’t worry, you have no chance of winning,”Qin Yu said indifferently.

After saying this, Qin Yu and the Mustache Man were ready to leave.

“You were the one who recorded last night, right?”At this time, Granny Qin suddenly looked at the Mustache Man with a gloomy expression.

The handlebar mustache’s old face turned black. He braced himself and said, “Nonsense. I went to bed early last night.”

“Hehe.”Granny Qin sneered.

“It’s better for you to be careful. If you follow the wrong person, it’s easy to lose your life.”

The handlebar mustache coughed dryly. He thought to himself, “Since I’ve already offended her, what face do I have to give her?”

Thinking of this, the handlebar mustache straightened his back and said, “Old Bastard, do you think I’m afraid of You?”

Granny Qin’s face instantly darkened. She opened her mouth and was about to say something when her phone suddenly rang.

After the call was connected, Granny Qin immediately put on a respectful expression.

“Okay, I’ll be there right away,”Granny Qin said with a nod and a bow.

After hanging up the phone, Granny Qin pointed at Qin Yu and the handlebar mustache and said coldly, “Let’s see how long you can be arrogant.”

After saying this, Granny Qin left in a hurry.

Looking at Granny Qin's back, Qin Yu couldn't help but frown slightly.

“There aren't many people who can make Granny Qin so respectful. Could it be... a call from the higher-ups?” Qin Yu suddenly guessed something.

Just as Qin Yu guessed, this call was from the higher-ups.

And the content of the call was to ask Granny Qin to attend a meeting.

...

In the meeting room.

The eight higher-ups were still hidden in the darkness.

In the huge meeting room, only Granny Qin could see their faces.

And this time, even Xia hang was not qualified to attend the meeting, which was enough to show the importance of it.

“Welcome back, higher-ups,” Granny Qin said respectfully.

The scene was silent. After a while, someone said, “Our people have just deduced the heavenly secrets and obtained a prophecy.”

Granny Qin did not say anything and waited for his follow-up.

“This prophecy is related to Qin Yu.” Another voice was heard.

Upon hearing this, Granny Qin suddenly raised her head.

She said in surprise, “What... What prophecy is it?”

“According to the prophecy, a martial saint will appear in this world.” The voice of the higher-ups came from the dark.

Granny Qin’s expression changed and she said hurriedly, “Could it be... that martial saint is Qin Yu?”

“That’s right.”

“According to the prophecy, Qin Yu will become that martial saint.”

Granny Qin’s face instantly turned pale.

She knew very well what it meant for a martial saint to appear in this world.

Chapter 757: Chapter 757, martial saint!

Granny Qin said anxiously, “Didn’t you say that martial saints can no longer appear in the current era?”

“That’s right. Normally, it’s impossible for a martial saint to appear in the current era.”

“Regardless of whether you’re a heaven’s pride or you have a strong bloodline, it’s impossible for you to become a martial saint.”

“Otherwise, people like ye Qing, Jiang He, and the others would have the chance to become a martial saint.”

“However, the current prediction is that Qin Yu will break this deadlock.”

Hearing these words, Granny Qin felt a chill run down her spine!

She knew very well that Qin Yu was a threat to the martial arts association, but she had never thought that Qin Yu would step into the martial saint realm.

Not only Granny Qin, but the entire Jingdu martial arts association also thought so.

Therefore, although they had taken measures against Qin Yu, they did not go too far.

“Is... is the prophecy accurate?” Granny Qin asked unwillingly.

“I don’t know, but the prophecy has never been wrong,” a higher-up said coldly.

Granny Qin gritted her teeth, stood up and asked, “What should we do now?”

A higher-up said coldly, “Use all methods to get rid of Qin Yu immediately. We must not give him the slightest chance to become a martial saint.”

“That’s right. With his current abilities, he’s not even worth mentioning.”

Granny Qin immediately frowned.

She hesitated for a long time before she stood up and said, “But... I have made an agreement with Qin Yu.”

“You can go back on your agreement. Don’t follow in the Han family’s footsteps,” said one of the higher-ups coldly.

Granny Qin said with some regret, “But I . . . I have signed the Heavenly Guardian book with Qin Yu.”

As soon as these words were said, the scene instantly fell into silence.

“If I lose, I have to Promise Qin Yu to enter the second mystic realm,”Granny Qin continued.

The atmosphere at the scene instantly froze.

Granny Qin’s face was full of self-blame.

She suddenly stood up and said, “If I lose, I’m willing to have my soul taken away, and I definitely won’t bring Qin Yu into the second Mystic Realm!”

“No.”The higher-ups denied Granny Qin’s words.

“We will not watch you die, don’t worry.”

“Bring your pet here, we will give him power.”

Hearing this, Granny Qin’s face was full of excitement.

“Are... are you telling the truth?”Granny Qin’s voice almost trembled.

“What do you think ?”A higher-up said unhappily.

Granny Qin hurriedly said, “Okay, okay. I’ll go and bring little black over now. Thank you, higher-ups!”

She was almost kneeling on the ground. Her excitement was self-evident.

With the help of higher-ups, that little black was almost equivalent to winning!

After the meeting ended, Granny Qin quickly found little black.

She brought little black all the way back to the Jingdu Martial Arts Association and then took him into the secret realm.

...

At this moment, Qin Yu knew nothing about this.

There were only three days left. It was rare for Qin Yu to have time to rest.

He lay in the courtyard and basked in the Sun all day long. He was very happy.

“I’m about to fight with the heaven-swallowing python. Why aren’t you worried at all?” The mustached man squatted on the wall and muttered as he ate.

Qin Yu smiled faintly and said, “I fought with little black yesterday. If I’m not surprised, he is not my match.”

The Mustache Man rolled his eyes and said, “Aren’t you afraid that he has some kind of trump card?”

“If he has it, I have it too,” Qin Yu said with a faint smile.

It was still the same saying. Qin Yu was not afraid of anyone at all when it came to the foundation of spells.

Even if his background was the Jingdu Martial Arts Association.

In the past few days, voices came from Yan Jinyao's mansion next door all day long.

It seemed that he had more and more disciples.

With the fame that he had accumulated over the years and the background of the Yan family, many people came to follow him.

In just a few days, Yan Jinyao had nearly twenty disciples.

This kind of charisma was indeed surprising.

In the blink of an eye, two days had passed.

There was only one day left before he had to fight with Blackie.

“That's weird.”

That afternoon, the handlebar mustache walked in from outside the door.

“What's Wrong?” Qin Yu asked casually.

The handlebar mustache touched his chin and said in a low voice, “I haven't seen Blacky and Granny Qin for the past few days. I wonder what tricks they are playing.”

Hearing this, Qin Yu frowned slightly, and he couldn't help but feel a little wary.

This time, winning or losing was extremely important to Qin Yu.

As long as he won, he would be able to find Yan Ruoxue, so he absolutely couldn't have any accidents.

Qin Yu originally wanted to call Xia Hang, but when he touched his pocket, Qin Yu remembered that his phone had been destroyed by Granny Qin.

“In this era, it’s always inconvenient to not have a phone,”Qin Yu said in a deep voice.

After thinking for a while, Qin Yu decided to go out and buy a phone first.

At the same time, he brought little fish out for a walk. After all, she was a little girl, so it was not appropriate for her to stay at home all day.

Therefore, Qin Yu called Little Fish and left the martial arts academy.

They arrived at the largest shopping mall in Jingdu.

There was a sea of people here, and it was very lively.

And this shopping mall was very large, almost covering all the goods.

“Look, that’s a foreigner!”The mustached man pointed at the blonde woman not far away and said.

“TSK TSK, this is an ocean horse,”the mustached man muttered.

Qin Yu rolled his eyes and said, “Shut your mouth or stay away from me.”

“What’s there to be afraid of? She doesn’t understand anyway,”the mustached man muttered.

Qin Yu couldn’t be bothered with the mustached man anymore and immediately went to buy a cell phone.

After he was done, Qin Yu looked at little Yu and said, "Wait for me for a while, I'm going to make a call."

With that, Qin Yu turned around and walked into the toilet.

He took out his phone and dialed Xia Hang's number.

After a while, the call was answered.

"Xia Hang, where has Granny Qin gone recently?" Qin Yu asked directly.

Xia Hang said in a deep voice, "She seems to have taken Xiao Hei to the secret realm."

"To the secret realm?" Qin Yu frowned immediately.

Xia Hang hummed in gratitude and continued, "Let me tell you some bad news. The eight higher-ups have already returned. You'd better be careful."

Qin Yu remained silent.

As expected, it was just as Qin Yu had guessed.

"Looks like the call Granny Qin received a few days ago did indeed come from the higher-ups." Qin Yu took a deep breath.

"Xia Hang, do you know the content of that meeting?" Qin Yu asked.

"I don't know. I don't have the right to participate in this meeting," Xia Hang said.

This made Qin Yu even more worried.

“I know.”Qin Yu hung up the phone.

He stood in the toilet for a long time, and then said in a low voice, “It seems that I have to prepare a contingency plan.”

Chapter 758: Chapter 758, pavilion of Heavenly Secrets

After coming out of the toilet, Qin Yu found little Yu and the handlebar mustache waiting for him at the door.

Qin Yu said with some surprise, “Why don’t you go out and look around the mall?”

“What’s there to look around in the mall?”Little Yu shook her head.

Qin Yu spread his hands and said with a smile, “Don’t little girls like to Go Shopping?”

Little Fish didn’t say much about this.

The moustache on the side pointed upstairs and said, “The top floor of this mall is an antique market. Hurry up and take a look. Maybe you can pick up some Babe.”

“Antique market?”A trace of interest appeared in Qin Yu’s eyes.

Qin Yu was naturally not interested in ordinary antiques.

But among these antiques, it was very likely that some unknown Babe was hidden.

After all, the martial arts world of many years ago was completely different from the present.

“Let’s go.”Qin Yu nodded.

The three of them headed upstairs.

They arrived at the top floor.

As soon as they entered the door, Qin Yu felt a trace of a sinister internal Qi.

Although the internal Qi was not dense, it was a real yin qi.

“It seems that there are really treasures in this antiques market.”Qin Yu took a deep breath.

Xiao Yu also frowned and said, “There is yin qi. Perhaps it is an antique excavated from the tomb.”

Qin Yu released his spiritual sense and covered the entire antique market.

Soon, Qin Yu found that there were many martial artists hiding in this antique market.

There were martial grandmasters, martial marquises, and even a martial marquis at the peak of the Martial Marquis realm.

“Hiss...”

At this time, the handlebar mustache suddenly inhaled a breath of cold air.

He sniffed his nose and said with some surprise, “I keep feeling like there’s some treasure here that’s summoning me.”

“Summoning you?” Qin Yu frowned slightly, his face showing some confusion.

The handlebar mustache explained, “Although I’m an expert in archaeology, many times, it’s the treasure that’s summoning me.”

“In other words, I was forced to become an expert in archaeology.”

“Shameless.” Qin Yu couldn’t help but roll his eyes at the Mustache Man.

The Mustache Man didn’t say anything. He felt the call and strode forward.

Qin Yu and Little Yu followed behind him.

The Mustache Man closed his eyes slightly and relied on the call to walk forward.

After going around in circles, he passed by many antique stalls.

Finally, the Mustache Man stopped at an extremely large stall.

He suddenly opened his eyes and said in a deep voice, “It’s here.”

Looking down, he saw several Babels on the stall.

There were weapons, spiritual artifacts, paintings, and antiques.

Qin Yu released his spiritual sense and covered the stall.

Soon, Qin Yu felt a trace of internal Qi from the antiques.

“It really is a treasure,” Qin Yu said in surprise.

The mustached man sniffed his nose and kept touching the antiques with his palm.

Qin Yu didn't stay idle either. He used his powerful spiritual sense to search for treasures.

Soon, Qin Yu and the mustached man put their hands on a calabash at the same time.

The Calabash looked ordinary, and its surface was almost cracking.

Qin Yu and the Mustache Man exchanged a look. They seemed to have the same idea.

“This calabash looks ordinary, and there isn't much internal Qi fluctuation, but I can feel an extremely old aura hidden in it,” Qin Yu said in a deep voice.

The mustache man said, “I can feel it. This calabash is the one that summoned me.”

Qin Yu reached out and took the gourd in his hand.

He looked at the stall owner and asked, “How much is this gourd?”

The stall owner glanced at Qin Yu and said, “Five billion, or an equivalent treasure to exchange for it.”

Hearing this, Qin Yu and the man with the handlebar mustache couldn't help but suck in a breath of cold air.

“Five billion? Why Don't you go and Rob It!” The man with the handlebar mustache said with his eyes wide open.

Qin Yu rolled his eyes and said, “What he meant was that he didn’t want to exchange it with money, so he threw out an exaggerated figure.”

“A wise man.”The stall owner nodded and said.

The mustached man scratched his head and immediately took out the Babe from his spatial artifact.

For a time, all kinds of spiritual artifacts appeared one after another. What was surprising was that these spiritual artifacts were all high-quality items.

Even the stall owner in front of him was stunned. He gulped and said, “You... Where did you get so many spiritual artifacts?”

The mustached man waved his hand and said, “Aiya, don’t worry about it. Just Pick one yourself.”

The stall owner didn’t stand on ceremony. He immediately began to pick from the pile of spiritual artifacts.

A few minutes later, the stall owner picked up a bead and said, “This one.”

The mustached man glanced at the bead and muttered, “You’re quite picky. This is a Buddhist bead from the western regions. It contains a trace of the power of Buddhism.”

“What? You Don’t agree? If you don’t agree, then forget it.”The stall owner pretended to take the gourd back.

“Hey, Hey, Hey, who said I don’t agree?”The mustached man anxiously stopped the stall owner.

The stall owner said with a smile, “Okay, then it’s settled. I…”

“A pile of worthless scrap metal. You have the nerve to take it out.”

Just as the two sides were about to reach an agreement, a voice suddenly came from the side.

Turning his head, he saw a graceful young man standing by Qin Yu’s side.

Qin Yu frowned slightly.

That peak-stage martial marquis’ internal Qi just now came from this young man’s body.

And the two old men who followed him made it even more difficult to see through his strength.

“Who are you talking about?” The mustached man said unhappily.

The young man said indifferently, “Put away your pile of scrap metal. You’re embarrassing yourself.”

“Little Thing, you dare to say that this is scrap metal?” The mustached man immediately became anxious. He rolled up his sleeves with a face full of anger.

“How dare you speak to our young master like that? You’re courting death!”

At this moment, the two old men beside the young man took a step forward and shouted loudly.

His body emitted waves of powerful pressure, making it difficult for people to breathe.

The mustached man's expression changed, and he hurriedly hid behind Qin Yu.

The young man glanced at the mustached man and said indifferently, "Let me introduce myself. My name is Luo Yang. You can call me young master Luo."

"Luo Yang?" Hearing this title, the stall owner immediately stood up.

"So you are the son of the Pavilion Master of the pavilion of heavenly secrets. Sorry for my disrespect!" The stall owner said respectfully.

Qin Yu frowned slightly.

Pavilion of Heavenly Secrets? What is this thing?

Luo Yang sized up the handlebar mustache and said, "You should have heard of the pavilion of Heavenly Secrets, right?"

The handlebar mustache was obviously cowardly and hid behind Qin Yu without saying a word.

The two old men beside Luo Yang looked at the mustache man coldly and said, "How Dare You Insult Our Young Master? You deserve a slap!"

After saying that, the two men strode forward and reached out to grab the mustache man.

At this moment, Qin Yu reached out his hand and grabbed the arms of the two men.

“Young Master Luo, right?” Qin Yu glanced at him.

Luo Yang looked Qin Yu up and down and said, “What?”

Qin Yu said, “Everyone is here for the treasure. Since it’s for the treasure, the one with the highest price will get it.. There’s no need to fight.”

Chapter 759: Chapter 759, Treasure Gourd

Qin Yu’s hand was tightly grasping the wrists of the two old men.

The internal Qi of both sides collided in the dark, causing the air to explode.

Luo Yang glanced at Qin Yu and said indifferently, “It makes sense.”

Qin Yu released the two old men. The moment he released them, the two men immediately said in a cold voice, “Kid, you have some strength.”

Qin Yu did not pay attention to these words. He looked at Luo Yang and said, “Young Master Luo, since you said that my friend’s are all scrap metal, then what treasure are you prepared to give out?”

Luo Yang snorted lightly. He stretched out his palm, and a treasure instantly fell into his palm.

This treasure flickered with a strange light in his palm. The light was quite dazzling, and for a moment, it was impossible to see what it was.

After ten seconds, the light gradually dimmed and revealed its true appearance.

A dagger was placed in Luo Yang’s palm.

There were dragon patterns carved on the dagger. The dragon patterns looked natural and obviously came from a master.

“Divine Dragon Blade?” The handlebar mustache seemed to have knocked out this treasure.

Luo Yang smiled faintly and said, “Not bad, you know the Divine Dragon Blade. It seems that you have some skills.”

The Mustache Man kept silent and stared at the Divine Dragon Blade.

A moment later, the mustache man frowned and said, “No, this dagger looks like the Divine Dragon Blade, but it has flaws.”

He pointed at the dragon pattern on the dagger and said, “The real divine dragon blade has dark red dragon patterns. It is said that it is made with the blood of a saint, but this one is bright red.”

“If I’m not wrong, this divine dragon blade is a high-quality imitation, right?”

Luo Yang frowned slightly and a trace of displeasure flashed across his face.

A moment later, Luo Yang smiled faintly and said, “That’s right. This is indeed a high-quality imitation. If it’s the real Divine Dragon Blade, do you think I would be willing to exchange it for this broken gourd?”

Having said that, Luo Yang changed the topic and continued, “But even if it’s a high-quality imitation, its power can not be underestimated.”

After he finished speaking, Luo Yang grabbed the divine dragon blade in his hand and lightly waved it in front of him.

An extremely powerful light instantly surged out!

This powerful Qi path almost shattered the void!

That wall even left behind a trace!

Such power, even Qin Yu couldn't help but be slightly stunned.

Just a mere imitation had such power. If it was an authentic one, how much power would it display?

The stall vendor was even more stunned. He swallowed his saliva and said, "Young master Luo, I'm willing to trade with you!"

A subtle smile flashed across Luo Yang's face.

"Hold on." At this moment, Qin Yu suddenly shouted.

Luo Yang frowned slightly and said unhappily, "What?"

Qin Yu smiled and said, "I have a treasure here too. You can take a look."

The vendor frowned as he looked at Qin Yu. His eyes were filled with anticipation.

Qin Yu flipped his palm and a pill fell into his palm.

The pill was purple in color and had a hint of medicinal fragrance on it.

"What is this?" The vendor asked doubtfully.

Qin Yu said indifferently, "Purple Gold Pill."

“Purple Gold Pill?”

Hearing this, everyone present could not help but exclaim!

Even Luo Yang could not help but be moved.

“Not bad.” Qin Yu nodded.

“This purple gold pill is personally refined by me.”

Luo Yang could not help but sneer, “You personally refined it? Do you know that there are very few people in the world who can refine this pill?”

“That’s right. According to what I know, other than the Pavilion Master of the Divine Alchemist Pavilion, there seems to be few people who can refine this pill.” The elder beside Luo Yang also said.

Qin Yu glanced at him and said, “That’s right, but I’m an elder of the Divine Alchemist Pavilion. It’s not difficult for me to refine this pill.”

“An elder of the Divine Alchemist Pavilion?” Luo Yang frowned slightly.

“Who exactly are you?”

“He is Qin Yu!” The mustached man hurriedly jumped out and said.

By now, this name had already spread throughout the world!

Even the stall owner had heard of Qin Yu’s great name!

“You are Qin Yu?” Luo Yang narrowed his eyes slightly.

Qin Yu nodded and said, “That’s right.”

After saying that, Qin Yu looked at the stall owner and said with a smile, “I don’t need to say much about the use of this purple-gold pill. It should be more valuable than the high-quality imitation of the Divine Dragon Blade.”

The stall owner swallowed his saliva and kept nodding, “Yes, yes...”

“So What’s your choice?” Qin Yu asked directly.

The stall owner glanced at Luo Yang and then at Qin Yu.

Then, he gritted his teeth and said, “I choose the Purple Gold Pill!”

After saying that, he snatched the Purple Gold Pill.

Qin Yu smiled and nodded. He picked up the gourd from the ground and said with a smile, “This gourd belongs to me.”

Luo Yang’s expression was a little ugly.

He looked at Qin Yu coldly and said, “Qin Yu, you made enemies on all sides. Haven’t you thought about the consequences?”

Qin Yu glanced at Luo Yang and said, “What do you mean, young master Luo?”

Luo Yang snorted coldly and said, “You’ve already offended a lot of people. Don’t tell me you want to add our pavilion of Heavenly Secrets?”

Qin Yu narrowed his eyes and said, “Young Master Luo, are you threatening me?”

“You can understand it that way,” Luo Yang said coldly.

“If you’re willing to give me this gourd, I can pretend that what happened today didn’t happen. Otherwise... you’ll bear the consequences!”

Qin Yu’s expression gradually turned cold.

“I hate people who threaten me the most in my life. Luo Yang, if you can represent the secret pavilion, then it seems that the secret pavilion isn’t much,” Qin Yu said coldly.

“Okay!” Luo Yang closed the folding fan in his hand and said coldly, “Let’s wait and see!”

After saying this, Luo Yang turned around and left.

Qin Yu couldn’t be bothered with Luo Yang.

He gave him face and called him young master Luo.

If he didn’t give him face, he would be a dog.

After taking the gourd, Qin Yu and the Mustache Man left the stall.

“What’s the background of the pavilion of Heavenly Secrets?” Qin Yu asked.

The Mustache Man said in a deep voice, “The pavilion of heavenly secrets is similar to the Divine Alchemist Pavilion, but the Divine Alchemist pavilion refines medicine while the pavilion of heavenly secrets refines weapons.”

“This Luo Yang’s father is a master refiner. At the same time, he is also a top expert.”

“Refining weapons usually requires an extremely high cultivation level. Therefore, a master refiner is a top expert.”

Qin Yu nodded slightly, but he didn't really care in his heart.

In any case, he already had enough enemies. He didn't need to worry about one or two more.

He wasn't afraid of being bitten by more lice.

After walking around, Qin Yu did not find any treasures that he wanted.

Therefore, the three of them left the place.

After returning to the Martial Arts Academy, Qin Yu took out the gourd.

“What is so mysterious about this gourd?” Qin Yu looked at the handlebar mustache.

The handlebar mustache took the gourd and said in a low voice, “I don't know either.”

Then, he took out a bunch of talismans and stuck them on the gourd.

Then, the handlebar mustache pressed his palms together and muttered to himself, as if he was casting some kind of spell.

After a few minutes, the gourd began to transform.

The cracked skin on it shattered!

A Ray of purple light shot into the sky!

Chapter 760: Chapter 760, none of your business

The purple light shot up into the sky and shattered the ceiling!

Qin Yu pulled Little Fish and hurriedly took a step back, afraid that he would be accidentally injured!

The light lasted for more than ten minutes before it slowly disappeared and returned to calm.

After the purple light fell, the gourd finally revealed its true appearance.

The gourd flickered with a faint purple light from top to bottom. It no longer had its previous decadent appearance. Instead, it was replaced by an indescribable demonic and holy aura.

“This is... a purple-gold gourd? !”The mustached man grabbed the gourd and exclaimed in shock.

Qin Yu frowned and asked, “What is a purple-gold gourd?”

The mustached man glanced at Qin Yu and said, “A top-notch magic artifact. Its power is unimaginable.”

“Magical Artifact?”Qin Yu scratched his head.

“Compared to the Divine Dragon Blade?”

The moustache man said in a deep voice, “Compared to the purple-gold calabash, the divine dragon blade is not even worth mentioning.”

After saying that, the moustache man held the purple-gold calabash and injected a wisp of Qi/spiritual energy into it to activate the magical artifact.

In an instant, the purple-gold calabash erupted with a terrifying radiance!

This radiance could be said to be able to destroy Heaven and earth, shaking the entire room!

The radiance shot into the distance, and then slowly disappeared.

Everything returned to calm once again.

The destructive power contained within this purple-gold calabash caused people to tremble endlessly!

“What a powerful force,” Qin Yu exclaimed.

The mustached man glanced at Qin Yu and said, “This isn’t its most terrifying aspect. The most terrifying aspect is that this purple-gold calabash can display different powers according to the user’s strength. There’s no upper limit.”

Qin Yu couldn’t help but suck in a breath of cold air.

No upper limit? This was too terrifying!

One had to know that no matter how good a magic artifact was, there was a limit.

As the user’s strength increased, all the magic artifacts would slowly become unworthy of mention.

Magic artifacts without a limit were extremely rare!

It was rare to see one in the entire world!

“I’ve struck it rich! I’ve struck it rich!” The moustache man said excitedly.

At this moment, Qin Yu suddenly had an idea.

He looked at the mustache man and said, “Try attacking me with this purple-gold gourd.”

The Mustache Man was stunned. He couldn’t believe his ears.

“What did you say?”The Mustache Man scratched his ears.

Qin Yu repeated, “Use it to attack me.”

“Are you crazy? The power of this purple-gold gourd is unimaginable. You...”

“No worries.”Qin Yu waved his hand.

“I was just about to test the strength of my body. Feel free to do it.”

The Mustache Man was silent for a moment, then muttered, “You are really a madman. You have to be careful.”

“Yes.”Qin Yu nodded.

He released his internal Qi, and golden light instantly rose.

The saintly being technique was unleashed to the extreme at this moment!

This was a top-tier magic artifact, after all. Qin Yu didn’t dare to neglect it, and the power of the Divine Dragon also appeared at this moment.

After making all the preparations, Qin Yu looked at the handlebar mustache.

“Come.”Qin Yu’s eyes revealed his determination.

“Okay.”The handlebar mustache didn’t say anything more.

He urged the purple-gold calabash and aimed it at Qin Yu.

With the injection of Qi/spiritual energy, the purple-gold calabash flickered with light again.

That destructive power spread throughout the entire mansion!

“It’s coming!”The mustached man roared, and the purple-gold calabash in his hand immediately shot out waves of terrifying light!

“Ah! !”

Qin Yu roared angrily. He clenched his fist and punched out!

“Boom!”

This was a terrifying collision! The entire ground collapsed in an instant!

Even the residence rumbled and collapsed in an instant!

Yan Jinyao’s residence next door was also not spared from the disaster and instantly turned into ruins!

“What’s going on?”Yan Jinyao’s expression changed and he hurriedly rushed into the sky.

At a glance, he could only see that the golden power and the purple radiance were colliding!

The entire surroundings were covered by dust, and he could only see two dazzling rays of light!

Yan Jinyao frowned slightly, his eyes fixed on this scene.

“What exactly is this Qin Yu doing?” Yan Jinyao muttered in a low voice.

“Boom!”

Another explosion sounded!

The two lights were canceled out at this moment!

Qin Yu’s body instantly shot out explosively, flying horizontally.

He even spat out a mouthful of blood!

“Qin Yu!”

The mustached man and Little Fish hurriedly chased after him.

Qin Yu wiped the blood at the corner of his mouth and said in a low voice, “What a terrifying power.”

“Are You... Alright?” The mustached man asked with a frown.

Qin Yu waved his hand and said, “I’m fine. It’s just a small injury. This purple-gold calabash is really terrifying.”

“Your physical body is even more terrifying,” the mustached man muttered.

“I’ve never heard of anyone who could resist the purple-gold gourd with their physical body without dying.”

Qin Yu rubbed his fist and smiled, “It’s alright.”

Qin Yu was quite satisfied with the strength of his body.

With his current body, no one below the martial saint level could compare to him.

“I’ll give this purple-gold gourd to you,” Qin Yu said.

The mustached man was stunned. He said in surprise, “Really?”

“Of course,” Qin Yu said with a smile.

“You’ve helped me a lot. Moreover, you said that this purple-gold calabash is summoning you.”

The mustached man didn’t know what to say for a moment.

He knew what a purple-gold pill meant.

Moreover, to the mustached man, he had a purpose to get close to Qin Yu.

But he didn’t expect that Qin Yu would be so generous. He gave up a purple-gold pill for him and even offended the young master of the Heaven’s Secret Pavilion.

He put away the purple-gold gourd and said with a smile, “This venerable one owes you a favor.”

Just as the two of them were thanking each other, Yan Jinyao walked over.

He sized up Qin Yu and said, “Qin Yu, what kind of spell are you researching? Why? Are you planning to use this spell to deal with little black?”

“It’s none of your business.”Qin Yu rolled his eyes.

“You shattered our mansion, and you still say it’s none of our business?”The disciple beside Yan Jinyao shouted.

“Qin Yu! You better think of how to compensate us. Otherwise, we won’t forgive you!”The disciple shouted.

Qin Yu glanced at him and slapped him.

The huge force directly made the disciple’s mouth full of blood, and his body flew out.

“Your master didn’t say anything. What’s Your Name?”Qin Yu said coldly.

“You can’t spare me? You Dare to Talk Big?”

The Disciple’s expression changed. He opened his mouth, wanting to say something, but found that his jaw had been broken, and he couldn’t say a word.

Yan Jinyao’s expression was extremely ugly.

In front of so many people, his own people had been beaten up. He would definitely not take this lying down.

Yan Jinyao narrowed his eyes and said, “Qin Yu, it doesn’t make sense for you to hit my man like that, right?”

Qin Yu smiled faintly and said, “Your man doesn’t know etiquette. I’ll teach him a lesson for you. There’s no need to be polite.”

Yan Jinyao's face was extremely gloomy. He took a deep breath and suddenly slapped Xiao Yu!

Chapter 761: Chapter 761, on the eve of the great battle

Yan Jinyao's palm struck fiercely at little fish.

Qin Yu had long realized that Yan Jinyao would do this, so he had long been prepared.

Just as Yan Jinyao's palm was about to Touch Qin Yu, Qin Yu strode forward and raised his hand to block him.

However, Yan Jinyao took a step further. He raised his other palm in advance to meet Qin Yu!

Qin Yu's expression immediately changed!

He never expected that Yan Jinyao had actually prepared a response in advance!

That palm struck towards Little Yu.

Little Yu, who had just entered the martial marquis realm, could not avoid it at all!

"Little Yu!" Qin Yu shouted in shock!

That palm ruthlessly struck towards Little Yu's body.

Just as the palm was about to touch little Yu, her body suddenly exploded with a burst of bright light!

The light suddenly appeared, and a terrifying power instantly poured out.

“Boom!”

The enormous power instantly sent Yan Jinyao flying!

His body staggered back more than ten steps before he stabilized his body, and a sweet feeling surged up from his chest.

Everyone present was stunned.

Even Qin Yu was dumbstruck.

He hurriedly walked to Little Fish’s side and asked worriedly, “Little Fish, are you okay?”

Xiao Yu shook his head, indicating that he was fine.

“Protective Dharma Treasure?” Yan Jinyao thought that Xiao Yu had a protective dharma treasure on him.

He looked at Qin Yu coldly and said through gritted teeth, “Qin Yu, I will remember this slap.”

After saying this, Yan Jinyao turned his head and left quickly.

It was not until he reached a place where no one was around that Yan Jinyao spat out a mouthful of blood!

“How did this happen...” Yan Jinyao’s face was a little pale.

This attack seemed to have injured him internally.

...

“Little Yu, how did you do that just now?”Qin Yu asked in surprise.

Little Yu shook his head and said, “I didn’t do anything.”

Qin Yu immediately fell into silence.

He subconsciously looked at the Mustache Man.

“Have you grown to such a stage?”The Mustache Man muttered in a low voice.

Qin Yu pulled the Mustache Man and walked to the side.

“What’s going on? What’s that light on Xiao Yu’s body?”Qin Yu asked.

The Mustache Man touched his chin and said, “You should have guessed it. Why are you asking me?”

Qin Yu frowned and said, “Is it related to the masked woman?”

“Yes.”The Mustache Man nodded.

“But... didn’t you say that the masked woman has been reborn many times, but the chances of her growing up are very low?”Qin Yu was a little puzzled.

The mustached man nodded and said, “That’s right. This is definitely not her first reincarnation, but there aren’t many records about her in history, so this is enough to prove that she has grown up very few times.”

“But now... it can only be said that she has grown to the stage where she has the consciousness to protect herself.”

At this point, the mustached man couldn’t help but sigh.

“I’m afraid that another devil will appear in this world. When that time comes, it will definitely be a disaster,” the mustached man muttered softly.

Seeing the handlebar mustache’s expression, Qin Yu was also a little worried.

He did not understand the masked woman, but from the various signs on Xiao Yu’s body, he knew that this masked woman was definitely not a good person.

“I have to go to the scripture depository as soon as possible,” Qin Yu thought to himself.

...

There was only a short day left before he had to fight with little black.

For the rest of the time, Qin Yu did not leave his house.

Because his residence had been destroyed, Qin Yu could only temporarily stay in the mansion with the handlebar moustache.

At this moment, in a secret realm of the Jingdu Martial Arts Association.

A Ray of light flashed, and then two figures walked out of the light.

These two were none other than Granny Qin and Blacky.

Blacky’s body was exuding a simple internal Qi. This internal Qi carried a strong sense of oppression.

Granny Qin looked at Blackie and asked, “Blackie, How Do You Feel Now?”

Blackie replied in a deep voice, “With your help, I have absolute confidence in killing Qin Yu.”

Granny Qin nodded slightly and smiled kindly, “That’s good. Blackie, remember to kill Qin Yu no matter what. Don’t hold back.”

Blackie bowed slightly and said, “Granny Qin, don’t worry.”

At this point, Granny Qin reminded, “Also, unless it’s absolutely necessary, try not to use their power.”

Blackie looked at Granny Qin, deep in thought.

Granny Qin explained, “Blackie, in their eyes, you may be just a tool, a chess piece. So I can’t guarantee that if you use their power, there will be no side effects.”

“But in my eyes, you are my child. I won’t allow any mishaps to happen to you.” Granny Qin’s eyes were rarely filled with kindness.

Blackie nodded and said, “Granny Qin, I understand.”

Then, the two returned to the martial arts academy.

At night.

Qin Yu’s cultivation was finally over.

He stood up from the ground and said in a low voice, “There shouldn’t be any problems.”

The mustached man came over and said, “Qin Yu, how about... I lend you the purple-gold Calabash First?”

Qin Yu waved his hand and said, “No need.”

“So Confident?” The mustached man looked a little surprised.

Qin Yu shook his head and said, “It’s not confidence. The rules are in their hands. No one knows if they will allow the use of magic artifacts.”

“Moreover... this purple-gold calabash is so precious. Once it appears, I can’t guarantee that they won’t snatch it away.”

The Mustache Man seemed to think that it made sense.

He nodded and said, “Then you be careful.”

Qin Yu grunted and didn’t say anything more.

Just as Qin Yu was about to go to sleep, several figures suddenly appeared at the door.

These people were none other than Yan Jinyao and his disciples.

The few of them stood at the door and quietly looked at Qin Yu.

Qin Yu frowned slightly. He walked forward and said, “Yan Jinyao? What are you doing here?”

Yan Jinyao said indifferently, “Qin Yu, the world has been talking about who is stronger and who is weaker between you and me. I think this matter should be settled.”

Qin Yu narrowed his eyes slightly and sneered, “Why? Do you want to fight with me?”

“No.” Yan Jinyao shook his head.

“Your current opponent is little black. I Won’t take advantage of him.”

Qin Yu raised his eyebrows and said, “Oh? Then what do you mean?”

Yan Jinyao said, “I’ll send my disciple to fight.”

Hearing that, Qin Yu couldn’t help but sneer, “Yan Jinyao, are you crazy?”

Yan jinyao sneered, “Outsiders say that you and I are equal, but in my eyes, you are Bullsh * T. you are only worthy to fight with my disciple.”

Hearing Yan Jinyao’s words, Qin Yu could not help but snicker, “Yan Jinyao, if you really want to compete with me, after I kill little black, I will accompany you.”

“No, no, no. You win against my disciple, then you are qualified to fight with me.”Yan Jinyao sneered.

“Oh, by the way, let me tell you in advance. If You Die Tomorrow, everyone will be safe and sound.”

“If You Are Alive Tomorrow, my disciple will immediately challenge you.. Whether you accept or not, it’s up to you.”

Chapter 762: Chapter 762, Qin Yu VS Blackie

Yan Jinyao’s face was filled with provocation and schadenfreude.

Seeing his expression, Qin Yu couldn’t help but laugh. “Yan Jinyao, I remember the first time I met you. You were a handsome young master with a gentlemanly face.”

“At that time, I thought that you were worthy of being the crown prince of the Yan family.”

“But now it seems that you are both sinister and wretched.”

Qin Yu shook his head helplessly, disappointment written all over his face.

Yan Jinyao’s eyes narrowed slightly. He snorted coldly and said, “I don’t need you to determine how I am. But whether you can survive tomorrow is hard to say.”

After saying this, Yan Jinyao turned his head and left.

Qin Yu could not be bothered to lower himself to Yan Jinyao’s level.

His motive was impure. He said that he wanted his disciple to challenge Qin Yu, but he just wanted to take advantage of the situation.

If he fought with little black, regardless of the outcome, Qin Yu would definitely be injured.

At that time, Qin Yu might not be a match for Yan Jinyao’s disciple.

“This Yan Jinyao is really cunning!” The mustached man couldn’t help but curse.

Qin Yu waved his hand and said, “No worries.”

...

The next day.

Before Qin Yu woke up, there were two people waiting at the door.

After seeing Qin Yu, the two people strode over.

“Granny Qin told us to tell you that she will wait for you at Qinggang Mountain,” the two people said.

After saying that, they turned around and left without turning back.

Qin Yu touched his chin and said in a low voice, “Qinggang Mountain... is a good place to bury people.”

After going back and making some simple preparations, Qin Yu rushed to Qinggang Mountain with little fish and the handlebar moustache.

At this moment, the vicinity of Qinggang Mountain was already filled with people.

These people came from all over the world. They had all heard the news and came to watch the battle.

As for the people from the martial arts academy, they had already gathered here early on, waiting for this long-drawn-out battle.

In the crowd.

A young man's face was full of anger. Looking at the scene in front of him, he could not help but clench his fists.

This young man was none other than Han Wei.

“How did he get to where he is today...” Han Wei clenched his teeth.

Unknowingly, he had completely distanced himself from Qin Yu.

“Young Master Han, there’s no need to be angry. People like Qin Yu will appear every once in a while, but most of them won’t have a good ending,”the attendant at the side comforted him.

Han Wei didn’t say anything, but he was extremely angry in his heart.

Ever since he lost to Qin Yu, Han Wei hadn’t been able to recover.

Even though he cultivated with all his might, his speed was extremely slow.

He, who was once in the top ten of the rankings, had long disappeared.

“Look, Little Black has appeared!”At this moment, someone in the crowd suddenly exclaimed.

Looking over, he saw little black standing on the peak of Mount Qinggang.

He was dressed in black, and his clothes fluttered in the breeze.

“What a powerful aura!”

Even though they were far away, there were still people who were inexplicably bragging.

“TSK TSK, you really know how to lick. You can feel the aura of a chicken feather from so far away,”someone sneered.

“You don’t understand. The Aura that he gives off goes straight to the bottom of his heart.”

“Go ahead and brag. If You Brag well, maybe you’ll be rewarded with a bone.”

“Is it enough to scold who?”

“I know who to scold!”

Before Qin Yu and Blacky could fight, the spectators below started arguing.

“Qin Yu is here!”

At this moment, someone shouted and everyone immediately looked over.

They saw Qin Yu, handlebar mustache, and little fish getting out of a taxi.

Compared to little black’s “Posturing” at the top of the mountain, Qin Yu looked much more down-to-earth.

He was wearing an ordinary sportswear and did not look like a top-notch person.

“Look, compared to little black, isn’t Qin Yu’s aura far inferior?”

“Bullsh * t, your imposing manner is just to see through his clothes?”

“If you don’t know how to speak, then close your anus!”

“Little Black is much more handsome than that Qin Yu. Little Black will definitely win!”

“NT, looks determine the outcome?”

“Looks are justice!”

The crowd seemed to be divided into two factions.

Those who supported little black and those who supported Qin Yu, the two factions were in a heated argument.

“There are so many people.” Looking at the Sea of people in front of him, Qin Yu couldn’t help but frown.

Obviously, Granny Qin had spread the news on purpose.

Her purpose was to let more people come to watch.

“It seems that Granny Qin is quite confident.” Qin Yu narrowed his eyes.

It seemed that little black really had some extraordinary trump card.

“You’re finally here.”

At this moment, Granny Qin walked over to Qin Yu.

Qin Yu glanced at her and sneered, “Old Bastard, if I didn’t come, how would I Kill Your Babe?”

“Little Bastard, how dare you say such arrogant words when you’re about to die!” Granny Qin’s old face was full of anger.

Qin Yu sneered, “Let it jump down from the mountain. Why Don’t you stand there and pose?”

Granny Qin glanced at Little Black on the mountain top and said with a faint smile, “Little Black is destined to stand on the mountain top, and you are his stepping stone!”

“Is that so?” Qin Yu raised his eyebrows.

He clenched his hand and a golden light appeared!

Then, Qin Yu suddenly threw a punch in Blackie's direction!

The terrifying golden light instantly covered the sky and the earth!

"It's time to make a move!" Someone shouted excitedly!

"Boom!"

The golden light fiercely smashed onto the peak of the mountain!

"Rumble..."

The huge force directly shattered the peak of the mountain!

Blackie also jumped down.

"Old Bastard, it seems that the mountain peak you mentioned is extremely fragile," Qin Yu mocked.

Granny Qin gritted her teeth. She knew that she wouldn't be able to gain any advantage, so she didn't say anything more.

"Qin Yu! I have been waiting for you for a long time!" At this moment, little black suddenly shouted!

This voice contained inner strength, and it rolled over, causing eardrums to hurt.

Qin Yu looked at little black coldly, and then walked towards little black.

"Qin Yu, you... be careful." Little Yu pulled Qin Yu and said softly.

Qin Yu smiled and said, “Don’t worry. Killing him is like squashing an ant.”

After saying this, Qin Yu’s feet shook, and his body rose into the air.

In almost an instant, Qin Yu arrived in front of little black.

Their eyes met, and there was only a distance of less than ten meters between the two of them.

Although neither of them made a move, their internal Qi was colliding in the dark.

Crack

The ground under their feet seemed to be unable to withstand it anymore, and at this moment, dense cracks appeared!

A gust of Whirlwind suddenly rose between the two of them!

“I’ve finally waited for this day,” Blackie said with a cold face.

Qin Yu sneered, “I admire your spirit of facing death with ease.”

“You talk too much nonsense!” Blackie shouted. His body shook and his black robe was instantly shattered!

Then, Blackie’s dark fist directly smashed towards Qin Yu!

Chapter 763: Chapter 763, one punch!

A powerful force, accompanied by gusts of wind, smashed towards Qin Yu!

Wherever it passed, trees were broken, and mountain rocks were destroyed!

Even from a great distance, one could still feel that terrifying internal Qi!

“What... What a powerful force...” someone exclaimed in shock.

Han Wei’s face instantly turned pale!

This force was too tyrannical!

“Just raising his hand is already so powerful...” Han Wei muttered in a low voice.

“Boom!”

At this moment, Qin Yu suddenly stretched out his hand and grabbed Blackie’s fist!

The terrifying qi flame that erupted from Blackie’s body suddenly disappeared at this moment!

The surroundings also instantly became calm.

The Qi force on his fist seemed to have been suppressed by Qin Yu.

“How... how is this possible!” Han Wei’s eyes widened when he saw this!

Blackie’s terrifying punch was actually easily neutralized?

Was the current Qin Yu already at such a level?

“How could this be...” Han Wei wanted to die.

He knew that there was a gap between him and Qin Yu, but he did not expect the gap to be this big!

“Just this little bit of strength?” Qin Yu looked coldly at little black in front of him. The golden light on his body was appearing bit by bit!

Little Black said that things were not good. He quickly broke free from Qin Yu’s palm and immediately shot backward!

In just one move, both sides seemed to have tested out the depth of each other.

Little Black looked coldly in Qin Yu’s direction, and his eyes narrowed slightly.

The atmosphere instantly froze, to the extreme.

Everyone held their breaths, not daring to breathe loudly.

“Qin Yu, you have indeed surprised me,” Blackie said coldly.

“Is that so? You have disappointed me,” Qin Yu said with a cold smile.

A dark light flashed in Blackie’s eyes. Then, the Black Qi force on his body began to erupt bit by bit.

“Qin Yu, today is the Day You Die!”

With Blackie’s furious roar, his body turned into a ray of black light and rushed toward Qin Yu!

His fist carried waves of sharp energy and rushed toward Qin Yu like a storm!

Qin Yu's body was as light as a swallow. With his hands behind his back, he relied on his extreme speed to dodge every punch.

“SWISH SWISH SWISH!”

In the blink of an eye, Blackie had already thrown out hundreds of punches!

Just the residual power alone had already smashed the ground into thousands of holes. It was enough to witness his strength!

However, no matter how strong the fist was, it could not touch a corner of Qin Yu's clothes!

After thousands of punches, Blackie could not help but gasp for breath.

“What, you only know how to Dodge?” Blackie said coldly.

Qin Yu mocked, “Who can be blamed for your slow speed?”

Blackie shouted angrily, “If you are a man, then fight openly!”

After saying that, Blackie once again shot towards Qin Yu!

His body emitted rays of black light. This light blotted out the sky and the Sun, as if it contained a mysterious and unfathomable power!

Qin Yu narrowed his eyes and sneered, “Fine, then I will satisfy you!”

Qin Yu clenched his fist and leaned back slightly.

In the next second, Qin Yu suddenly threw a punch!

“Clang!”

A crisp sound entered everyone's ears!

Qin Yu's seemingly plain and unadorned fist directly smashed the speeding Blackie away!

Everyone only saw a black figure shooting toward Qin Yu and flying back in the next second!

Blackie's body was like a cannonball, shooting backwards and smashing countless mountains!

"Boom, Boom, Boom!" The sound of countless rocks rolling down from the top of the mountain could be heard!

After smashing countless rocks, Blackie barely managed to stabilize his body.

For a moment, the scene was extremely quiet, and one could even hear the sound of breathing.

"One... One Punch?"

"Just one punch, and he sent Blackie flying..."

"No... as expected of Qin Yu, he always surprises people..."

Granny Qin's expression was also abnormally ugly.

Her wrinkled face kept shaking, and an eerie internal Qi filled her body.

"AH..."

At this moment, Blackie pushed aside the ruins and crawled out.

He looked at Qin Yu coldly, and a serious expression flashed across his face.

This punch seemed to have shattered his bones.

“What a terrifying power.” Blackie frowned slightly.

“If I didn’t have the body of the heaven-swallowing python, this punch would have smashed me into meat paste.”

Blackie took a deep breath. He shattered the mountain rocks and looked at Qin Yu again.

“Qin Yu, you are really a surprising guy.” Blackie opened his mouth and stuck out his tongue like a tongue.

“But unfortunately, no matter how strong you are, you are only a mortal!”

As he spoke, Blackie clenched his fists and his back was slightly hunched, as if he was erupting with some kind of powerful force!

Internal Qi surged out with Blackie as the center!

See small black body, send out a black arc, this arc slightly shake, after a while, with a very fast speed to spread out in all directions!

“Ah! ! !”

He clenched his fists and raised his head to ROAR!

Internal Qi of terror gushed out and swept up the whole Qinggang Mountain!

For a time, people only feel chest stuffy, and even some people on the spot were shocked to spit blood!

“What a terrifying power!”

“Is this Blackie’s full strength?”

“As expected of the person who fought with Jiang He!”

Even Yan Jinyao frowned slightly, as if he was shocked by Blackie’s power.

That power erupted for a long time and reverberated throughout the entire mountain.

“Qin Yu, are you afraid?” Blackie stretched out his finger and pointed at Qin Yu.

Qin Yu squinted his eyes and said, “Not bad power, but in my opinion, it’s just so-so.”

Blackie sneered and said, “You’re talking nonsense! I’m afraid you haven’t seen the power of a martial marquis at his peak.”

Qin Yu said with some surprise, “So this is your peak. I thought you were hiding your strength.”

A hint of displeasure flashed across Blackie’s face.

He snorted, “You’re really boastful. I hope you can still be so arrogant later!”

Qin Yu sneered, “If you have any moves, just use them. Stop talking nonsense.”

Blackie did not say anything more. He raised his palm, and streams of internal Qi flowed along his arm and gathered on his palm.

“Boom!”

After a loud sound, Blackie’s clothes were instantly shattered, revealing his dark and somewhat slippery skin!

This slightly strange skin was shining with a dazzling light under the sunlight!

And that power was still gathering towards his palm.

With a glance, he saw that his palm was wrapped by a black qi force.

Blackie coldly glanced at Qin Yu, then suddenly clenched his fist!

In an instant, the wind and clouds surged, and the sky and earth changed color!

Gusts of violent winds exploded, and a terrifying aura came from all directions!

“Pu”

Some people could not withstand this power and knelt on the ground on the spot!

Some people were even directly crushed into meat paste!

“What... What a terrifying power...”

“What kind of move is this... just the internal Qi alone is enough to make our bodies tremble...”

Even Yan Jinyao and the others seemed to feel a little uncomfortable.

“Good, that’s it. Kill him!”Granny Qin shouted excitedly. She seemed to be very confident in this move!

Blackie looked down from above, looking down on the world.

His black pupils emitted waves of strange internal Qi.

“Qin Yu, it’s time to end this,”little black said coldly.

Before he finished speaking, he shot towards Qin Yu again!

The crackling sound was incessant, and that terrifying power was about to tear apart the void!

“Go to hell!”Little Black roared again and again!

That Black and resplendent power was about to explode in front of Qin Yu!

“Boom!”

Right at this moment, Qin Yu made his move.

He used the same trick again. He clenched his fist and a golden light appeared, heading towards Blackie.

In the next second, Blackie and the Black Energy on his body were sent flying once again.

Chapter 764: Chapter 764, the power of a martial saint?

All of Blackie's power instantly crumbled and disintegrated.

Under this punch, a golden light instantly erupted.

Blackie's figure shot out once again. This time, it directly smashed a mountain into pieces, and its entire body was pressed under the mountain rocks!

Everyone couldn't help but widen their eyes!

Little Black's incomparably dazzling light was actually neutralized by a single punch?

“So... so terrifying...”

“This Qin Yu is already so tyrannical to such an extent. With just a single punch, he neutralized Little Black's killing move and even sent him flying...”

Not far away, the young masters of the aristocratic families could not help but be secretly speechless.

“This Qin Yu's growth speed is a little too fast.”Zhuang Teng sighed.

“Yeah, if it was you or me, we wouldn't be able to escape death from Xiao Hei's punch just now. However, Qin Yu actually resolved it so easily.”Chu Heng also sighed.

Even Yan Jinyao's face flashed with a trace of solemnity.

He never expected that Qin Yu would almost take Xiao Hei's life with just two punches!

“Xiao Hei!”

Granny Qin let out a mournful roar. Her aged figure suddenly shot towards Xiao Hei!

At this moment, the mountain rocks were suddenly turned into ruins. Blackie stood up once again!

“Ah! ! !”

Blackie’s body was covered in blood. He raised his head and roared. His eyes were wide open as anger filled his entire face.

“Qin Yu... You Damn Bastard!” Blackie roared angrily. A terrifying airwave swept out in all directions.

Qin Yu’s feet lightly shook, and his body rose into the air.

He looked at Blacky coldly and said, “It’s already not bad that you were able to survive this punch. The body of the heaven swallowing Python is indeed worthy of its reputation.”

This praise made Blacky feel extremely humiliated!

As a peak Earth rank demonic beast, its body could be said to be unparalleled in the world! Even among demonic beasts, it was at the peak!

But now, facing Qin Yu, it actually couldn’t gain any benefits!

“Qin Yu, I want to kill you, I must kill you!” Blacky’s mournful voice kept coming out.

Qin Yu sneered, “I’m afraid you won’t have the chance.”

Waves of golden light burst out from Qin Yu's body as the absolute beginning holy fist slowly condensed.

His fist was like a round sun, incomparably dazzling.

Accompanied by Qin Yu's furious roar, the Golden Light poured out towards Blacky!

This punch could be said to be extremely powerful!

The entire ground instantly collapsed, sand and stones flew everywhere, and the sky turned dark!

"Little Black!" Granny Qin immediately became anxious!

She suddenly stood up, and had the intention to attack!

At this moment, Little Black's body suddenly emitted a strange light.

This light contained a strange aura, and waves of internal Qi spread out.

Then, little black rose up from the ground. He stretched out his palm and slapped at Qin Yu.

"Boom!"

At the moment of the collision, the entire ground rumbled!

The golden light that Qin Yu exploded with was actually dispersed in an instant!

Qin Yu's eyes narrowed, and he could not help but frown.

“This is the power brought from the Mystic Realm?”Qin Yu thought in his heart.

He looked up and saw that Blackie was emitting a power that didn't belong to him.

This power couldn't be said to be strong, but it was extremely strange.

It was like a power that had been passed down for thousands of years.

The wounds on Blackie's body were slowly recovering.

Spots appeared one after another on his dark skin.

“What happened?”Everyone felt puzzled for a moment.

Although they couldn't see what exactly happened to Blacky, they could feel the abnormality on his body.

Even the handlebar mustache couldn't help but frown.

“This power isn't right. It doesn't belong to the heaven-devouring Python,”the handlebar mustache said with a frown.

“What do you mean?”Little Fish frowned slightly.

The handlebar mustache shook his head and didn't explain.

“In the end, I still used this power.”Granny Qin could not help but sigh.

This power was mysterious and unpredictable, and it came from the eight high-level officials.

However, no one knew what kind of side effects it would bring.

On the Qinggang Mountain that was already in the ruins of Huawei, two figures were looking at each other.

“Qin Yu, are you afraid?” Xiao Hei asked coldly.

Qin Yu narrowed his eyes and said, “Afraid? It’s just an Act!”

After saying that, Qin Yu’s body shot towards Blackie!

Blackie did not Dodge and raised his fist to meet it head on!

“Boom!”

A loud sound was heard and Qin Yu’s body was directly smashed into the ground!

For a moment, everyone was dumbfounded.

Just now, Blackie was still being beaten up. In such a short period of time, why did it seem like he had changed his identity?

In midair, Blackie looked coldly in Qin Yu’s direction. He placed his hands behind his back and waited quietly for Qin Yu.

Qin Yu crawled out of the pit.

He rubbed his neck and shook his arms.

“What a terrifying power,” Qin Yu muttered softly as he shook his wrists.

The punch just now seemed weak and powerless, but the moment it touched, it was as if a bomb had exploded. It was extremely powerful.

“What’s going on with this power on his body...” Qin Yu frowned.

He took a deep breath, and his body burned with golden light again. The mark of the power of the divine dragon lit up between his brows.

“The power of the divine dragon is no longer of use to me.” Blacky’s eyes were filled with indifference.

Qin Yu didn’t say a word. He took a deep breath and rushed toward Blacky with big steps.

The Golden Fist arrived in front of Blackie in an instant.

However, Blackie’s figure disappeared in an instant. Its speed was so fast that it was almost impossible to see with the naked eye!

“Huh? This is... the wind word formula?” Qin Yu’s expression changed slightly.

Before Qin Yu could react, Blackie appeared in the sky above Qin Yu!

He closed his fists and smashed them fiercely towards Qin Yu!

“Boom!”

Under this tremendous force, Qin Yu’s bones were instantly broken and his body shot towards the ground!

However, before Qin Yu could land on the ground, Blacky’s figure had already arrived below Qin Yu!

He reached out his hand and grabbed Qin Yu’s thigh and neck, and then his knee firmly landed on Qin Yu’s lower abdomen!

“Wah!”

Qin Yu suddenly spat out a mouthful of blood! The veins on his forehead bulged like a dragon!

“Is that all you’ve Got?” Blackie grabbed Qin Yu with one hand and threw a punch at his chest!

“PFFT!”

The punch was so powerful that it shattered Qin Yu’s chest!

“Where’s your confidence from just now?” Blackie said coldly.

Qin Yu’s face was extremely pale, and his internal Qi was somewhat dispirited.

“This power... What’s going on...” Qin Yu roared in his heart!

This was the first time Qin Yu felt an impenetrable and incomparably powerful power!

“That’s not right. There’s something wrong with Blacky’s power,” the mustached man said with a serious expression.

“This power.... is most likely from a martial saint!”

Chapter 765: Chapter 765, the mountain and water painting of the masked woman

“It’s from a martial saint?” Xiao Yu’s expression changed slightly. The surrounding people also looked at the handlebar mustache.

The handlebar mustache said with a gloomy face, “That’s right. This power definitely comes from a martial saint.”

“In other words, Xiao Hei is using the power of a martial saint?” Someone asked.

The man with a handlebar mustache frowned and said, “You can say that, but compared to a real martial saint, the strength that little black can display is far inferior.”

“Even if the strength that little black can display is not comparable to a real martial saint, it is definitely not comparable to a martial marquis.” At this moment, someone from the side walked forward and said.

“Yes, I have also heard of it. It is said that hundreds of martial marquises once planned to besiege a martial saint, but in the end, they all died at the hands of that martial saint.”

“If that’s the case, I’m Afraid Qin Yu will be in trouble.”

“This little black is, after all, a member of the Jingdu Martial Arts Association. They will certainly use unimaginable methods.”

For a moment, a trace of solemnity appeared on everyone’s faces.

“Even if little black wins, it will not be an honorable victory. Even if Qin Yu loses, it will still be an honorable defeat,” someone said coldly.

In front of them, Qin Yu was lifted into the air by little black.

His black palm grabbed Qin Yu’s head. The immense force made Qin Yu feel unbearable pain.

“What’s wrong? Qin Yu, Where’s Your Ability?” Little Black said sarcastically.

“Is that all? So that’s all you have?”

Blood dripped from the corner of Qin Yu's mouth. He was seriously injured.

He tried to break free, but he found that Little Black's strength was extremely great. He could not break free at all.

"Blacky, kill him quickly!" Granny Qin shouted.

She knew that there were too many possibilities hidden in Qin Yu's body.

Blacky glanced at Granny Qin, then sneered, "Qin Yu, did you hear that? Granny Qin asked me to kill you."

"To be able to make Granny Qin Miss You So Much, you're considered very successful."

As he spoke, Blacky's hand that was grabbing Qin Yu's head kept increasing its strength.

"Ah! !"

The excruciating pain immediately caused Qin Yu to howl in pain.

He felt as if his skull was about to be crushed, and even his spiritual sense was trembling slightly.

"Five Mountains of Honor Mountain!"

Right at this moment, Qin Yu suddenly let out a loud roar and took out his magic weapon!

The Five Mountains of Honor Mountain instantly smashed towards Blacky!

Blacky snorted coldly. He raised his left hand to receive it, but he realized that the five mountains of Honor Mountain was incomparably heavy and could not be stopped at all!

Helpless, Blackie had no choice but to throw Qin Yu aside and shoot into the distance!

Qin Yu, who had been freed, did not dare to be negligent. He took this opportunity to retreat quickly.

At the same time, a few pill pills appeared in his hand and he stuffed them into his mouth.

As the pill entered his stomach, Qin Yu's injuries instantly became much better.

“Qin Yu! Don't fight with him anymore. His strength comes from a martial saint. He is definitely not someone you can compare to!”The mustached man roared.

Qin Yu glanced at the mustached man and could not help but clench his teeth.

“The power of a martial saint... No Wonder.”Qin Yu took a deep breath.

“Qin Yu, run quickly! This little black is playing tricks!”The mustached man roared.

“Noisy thing!”

At this moment, Granny Qin suddenly stretched out her palm and slapped the mustached man.

The mustached man hurriedly pulled little fish and ran hundreds of meters away.

“Little Bastard, you’d better shut your mouth. Otherwise, I don’t mind killing you first,”Granny Qin said darkly.

On the mountain.

Qin Yu clenched his teeth.

This was his only chance to find Yan Ruoxue. If he gave up now, he did not know when he would have the chance next time.

“The power of a martial saint... I want to try it too.”Qin Yu took a deep breath.

He clenched his fists and Golden Light appeared once again.

Then, Qin Yu held the absolute beginning holy fist in his hand and charged towards little black again!

This time, little black did not move and allowed Qin Yu’s absolute beginning Holy Fist to land on his body.

“Clang!”

The loud collision sound was immediately deafening!

Qin Yu’s figure was even forced back a few steps!

On the other hand, Little Black’s dark skin was still incomparably smooth and was not affected at all.

“It can’t break through the defense...”Qin Yu frowned.

Seeing this, Blackie couldn't help but burst into laughter.

“Is this your power? Ridiculous, ridiculous!” Blackie roared crazily!

Qin Yu's face was cold. With a shake of his palm, he held the bronze sword in his hand.

This bronze sword could even leave a mark on the gate of the immortal slaying sect. Blackie's physical body was nothing to him.

“Blacky, this sword is not ordinary. You have to be careful!” Granny Qin shouted.

Blacky was like a mother's boy. He listened to Granny Qin's words.

Therefore, he immediately looked at Qin Yu, adjusted his internal Qi, and put on a solemn expression.

Qin Yu gritted his teeth. He held the bronze sword with both hands, and his spiritual power surged into the sword.

Rays of dazzling light began to surge on the bronze sword, and a terrifying aura spread out in an instant.

“Absolute beginning nine slashes, third slashes!” Qin Yu raised his hand and made the third slashes!

He knew very well that the first two slashes definitely wouldn't be able to hurt Blacky!

The sky-reaching sword light instantly appeared!

A terrifying aura spread throughout the mountain stream!

“Ah!”

Qin Yu let out an angry roar as the bronze sword in his hand ruthlessly slashed towards little black!

Little Black did not dare to be negligent. With a loud roar, he raised both of his fists at the same time and faced the sword light head-on!

“Boom!”

The terrifying internal Qi collided and sent the surrounding onlookers flying!

Even the young masters of aristocratic families were shocked until they vomited blood!

Meanwhile, Han Wei was kneeling on the ground with several of his bones broken!

“How... how could this be...” Han Wei was in extreme pain, and his face was full of humiliation!

The current him couldn't even withstand the aftershocks of Qin Yu's collision!

“Such power, can it really be unleashed by a human...” the others couldn't help but mutter in a low voice.

The light gradually dissipated, and little black shot out explosively!

He looked down at Qin Yu from above and grinned. “Looks like this is your trump card.”

“Even the third slash of the absolute beginning nine slashes could not hurt him...” Qin Yu's expression was extremely ugly.

After this little black had obtained the power of a martial saint, his strength had already exceeded his imagination!

“Qin Yu, it’s my turn.” Little Black’s hands slid around as if he was preparing some terrifying move.

In an instant, the power that engulfed the entire world gathered on his body.

After sensing this power, everyone’s faces turned extremely pale!

Even though they were very far away, they could still feel the terror of that power!

Qin Yu subconsciously took two steps back. That powerful power made Qin Yu feel an intense sense of danger!

“It’s bad.” The mustached man’s face was filled with shock, and his forehead was covered in layers of cold sweat.

“Under this technique, even Qin Yu will definitely not be able to withstand it!”

That power was still ongoing, and under this power, the entire space was shaking.

“Quickly think of something!” Little Fish said anxiously.

The mustached man did not say anything. He kept stroking his beard, looking extremely anxious.

“I got it!” At this time, the mustached man seemed to have thought of something!

He hurriedly looked at Qin Yu and shouted, “Qin Yu, take out the landscape painting of the Masked Woman!”

Chapter 766: Chapter 766, can you withstand it a second time?

Landscape painting?

Qin Yu frowned. What landscape painting did he have in his hands?

What he obtained in the coffin was only a painting that looked like a ghost drawing talisman.

However, there was no time to think about it. Blackie’s internal Qi was getting stronger and stronger. It could be said that it was earth-shaking.

Faced with this intense killing intent, everyone present sucked in a breath of cold air.

“Kill him!”Granny Qin shouted excitedly!

“Ah!”

Blackie let out a furious roar. Following that, streams of incomparably pure black flew towards Qin Yu!

“Rumble!”

Like a meteorite falling, the ground rumbled.

The powerful pressure caused Qin Yu’s entire body to tremble incessantly!

The people in the distance could not withstand this pressure and instantly knelt on the ground, unable to get up!

“Quickly retreat, stay away from them!” Someone shouted.

Then, a group of people shot behind them!

That energy came crushing down on Qin Yu!

The power that engulfed the entire area spread throughout the entire space!

“Ah! ! !”

Cracks appeared on Qin Yu’s body!

However, under this huge pressure, Qin Yu still did not give up!

He quickly put away the bronze sword and clenched his fists. Golden Light instantly erupted!

The golden light continued to condense on his fists. A sun-like light burst out!

One black and one bright. The two forces formed a sharp contrast, like a confrontation between darkness and light!

“Does this kid still want to resist?” Someone exclaimed.

The mustached man could not help but grit his teeth and said, “Qin Yu, don’t F * cking show off! This is not something you can resist!”

“HMPH, with this kind of power, he will definitely die.” Granny Qin grinned, a trace of excitement flashed across her face.

“Ah! !” At this moment, Qin Yu’s mouth let out a hoarse roar!

Following that, the golden light from his entire body gathered on his right fist!

The light from his body faded away, but his fist directly turned into a blazing white color!

“Ah! !”

At this moment, another furious roar sounded! That almost blazing white fist suddenly had traces of purple embellishment!

“Spiritual fire!” Someone seemed to have recognized that hint of purple!

But this was still not the end. The Scarlet Color of the divine dragon power seemed to have been extracted and gathered on his right fist!

In just a short moment, Qin Yu’s fist became colorful and dazzling!

“Ah! ! !”

Accompanied by Qin Yu’s furious roar, his right fist suddenly smashed out!

“Boom!”

The two forces collided violently at this moment!

A terrifying internal Qi swept out in all directions like a nuclear bomb explosion!

For a moment, even the void seemed to be trembling, emitting a strange buzzing sound!

“Boom!” After another explosive sound, the surroundings instantly turned into a vast expanse of white!

At a glance, nothing could be seen clearly!

“What’s going on? What Happened?” Everyone exclaimed.

“My eyes are blank, I can’t see anything!”

“Am I F * cking cold?”

“Who won and who lost?”

Everyone was unable to see through the scene in front of them, even Granny Qin, handlebar mustache, and the others!

“Humph, don’t even think about it. That Little Bastard Qin Yu has probably turned into a skeleton!” Granny Qin sneered.

She knew very well the power of Little Black’s technique. It was the true power of a martial saint! It was definitely not something Qin Yu could resist!

Finally, the scene in front of them began to slowly appear.

The short period of blindness also began to disappear.

“Who won? who won?” Everyone said anxiously.

Granny Qin was rather calm. She was certain that Qin Yu would die under this technique!

“Is this the power of a martial saint...”

At this moment, Qin Yu's voice entered everyone's ears!

Upon hearing this voice, Granny Qin's pupils suddenly shrank!

“What's Going On!” Granny Qin shouted in shock!

Looking closely, they saw Qin Yu standing there unmoving.

His clothes were almost torn to shreds, but there was not a single scratch on his body!

“Qin Yu... survived...” someone gulped as if he could not believe the scene before his eyes.

“That's the power of a martial saint... how did he survive?”

Even Yan Jinyao's expression was extremely ugly!

If it was him, he would have died by now!

“This Qin Yu...” Yan Jinyao could not help but clench his fists!

“Little bastard... he's actually not dead!” Granny Qin was even more furious! However, while she was angry, there was also some fear in her heart.

One had to know that the current Qin Yu was only at the late stage of the Martial Marquis Realm! He had not even stepped into the peak of the Martial Marquis Realm!

With his current realm, he was able to withstand a spell that contained the power of a martial saint. If this kid were to step into the martial saint realm, how great would that be?

“Qin Yu... You’re really hard to imagine.” Little Black’s voice was also heard.

Traces of blood flowed out from the corner of his mouth. Clearly, Qin Yu had won this battle.

Although he did not gain much, Qin Yu had relied on his own strength to defeat the power bestowed by the eight higher-ups.

Little black wiped the blood from the corner of his mouth and a trace of a cruel smile appeared on his face.

He raised his palm, and that power appeared again!

“Again? !”

“Damn... This Blackie can actually use it a second time?”

“This... how should Qin Yu deal with it?”

That power was brewing in Blackie’s hand again.

He opened his mouth, revealing a mouthful of white teeth, and sneered, “Your punch just now hurt me very much, but I don’t believe that you can use it a second time.”

Qin Yu smiled bitterly.

He had been thinking hard for the past few days to come up with this punch. He did not even have the time to name it.

This punch was naturally extremely powerful, but its weakness was that it could only hit once. It definitely did not have the strength to hit a second time.

“The power of a martial saint really lives up to its reputation.”Qin Yu sighed slightly.

“Qin Yu! Hurry up and use that picture!”The mustached man shouted.

Qin Yu took a glance at the mustached man. He took a deep breath and nodded, “This is the only way.”

Although Qin Yu did not have much confidence in that drawing, this might be the only chance now.

Not far away, the energy in Blackie’s hand was still condensing, and the entire Earth was rumbling.

“Qin Yu, go to Hell!”Blackie’s face was filled with madness as he roared!

Following that, he threw his palm fiercely towards Qin Yu!

“Rumble...”

This force covered the sky and earth as everyone was once again forced back!

Looking at this force, Qin Yu gritted his teeth. With a thought, he took out the painting of the masked woman.

“I hope there will be a miracle,”Qin Yu said in a deep voice.

Following that, Qin Yu threw this painting fiercely!

Chapter 767: Chapter 767, the guardian of the path was automatically resurrected!

This picture looked ordinary and did not have the slightest qi/spiritual energy fluctuation. It did not look like an unworldly spiritual artifact at all.

“What is this thing?” When everyone saw this picture, they could not help but laugh out loud.

“Has Qin Yu Gone Mad? He wants to use this piece of broken paper to resist the power of a martial saint?”

“Haha, this must be a desperate attempt to turn to the doctor. This is simply madness.”

The surrounding taunts flooded in like a tide. Everyone thought that Qin Yu was crazy.

Even Granny Qin’s face showed a rare smile.

“Just wait and see.” Only the handlebar mustache sneered.

He stared at the picture and sneered, “These idiots, of course they don’t know what treasure this is. The power of a martial saint? That’s nothing!”

Just as everyone was laughing, the picture suddenly flashed with a strange light!

Then, waves of terrifying and gloomy internal Qi surged out!

In an instant, the surrounding temperature suddenly dropped! It was extremely cold!

“Eh? What’s going on?” For a moment, everyone had a strange look on their faces!

At this moment, the black energy in Little Black's hand had already smashed over and collided with the picture!

At the instant of the collision, a shocking thing happened!

The picture flashed with light and directly swallowed the Black Energy!

This extremely violent energy didn't even stir up a single wave.

It was like a piece of broken stone falling into the sea, unable to stir up even a single wave!

Waves of ancient and simple aura spread out from the picture.

A divine might roamed the entire Qinggang Mountain!

This internal Qi was like the might of an emperor, making people involuntarily want to worship it!

"This... What's going on!" Everyone sucked in a breath of cold air!

What exactly was that picture? It was actually so strange?!

Blackie's expression was extremely unsightly! As if he had gone mad, waves of resplendent power burst out from his hands, smashing fiercely towards the picture!

However, all the energy was easily absorbed by the picture and there was not the slightest ripple!

"How... how could this be!" Blacky's face was extremely unsightly and his body could not help but take two steps back!

“How could this kid have such a treasure!”Granny Qin’s eyes were also wide open!

Such a strange treasure was simply unheard of!

Everyone was dumbstruck, only the handlebar moustache sneered repeatedly.

“A bunch of idiots. This is the item of the masked woman.”The handlebar mustached man sneered.

“If Qin Yu could activate this painting, not to mention a martial saint, even a mighty figure would have to die!”

Qin Yu’s expression was also somewhat unnatural.

He had never thought that this painting would be so powerful.

The power of a martial saint was actually nothing in front of it.

“Little Bastard!”At this moment, Granny Qin suddenly shouted!

“You dare to control a spiritual artifact, this is a violation!”Granny Qin said angrily.

Qin Yu sneered, “Violation? Then, is it a violation if this heaven-swallowing Python borrows the power of others?”

“Nonsense!”Granny Qin shouted.

“What evidence do you have to say that little black borrows the power of others!”

Qin Yu sneered, “Evidence? He was beaten like a dog by me just now. Are You Blind! ?”

“If he didn’t borrow the strength of others, he would have been beaten into a pile of meat paste by me!”

Granny Qin said sinisterly, “Nonsense! Little Bastard, if I don’t Teach You a lesson, you will never repent!”

After saying that, Granny Qin actually disregarded her face and jumped up, rushing towards Qin Yu with big steps!

“Shameless old bastard!” Seeing this, Qin Yu couldn’t help but curse loudly!

“Boom!”

At this moment.

A strange loud sound suddenly emitted from Qin Yu’s body!

This loud sound instantly caused Qin Yu to frown.

“What’s going on?” Qin Yu asked with a frown.

“Boom!”

Another loud sound!

This time, the sound seemed to be even louder!

Even Granny Qin heard this strange sound.

She stopped and frowned, “What Sound?”

“Boom!”

There was another loud sound!

This time, the sound was even louder, almost reaching everyone’s ears!

“Crack!”

Following that, there was an explosive sound!

Then, they saw many treasures dropped from Qin Yu’s body!

Among them were the listening bronze sword and the power of creation!

“What’s going on? !”Qin Yu’s expression immediately changed!

He hurriedly shouted, “Handlebar mustache, put the things away!”

“Don’t worry, this is my specialty.”Handlebar mustache rolled up its sleeves and flew out with a swoosh.

At this moment, Qin Yu realized that his spatial artifact had shattered!

“How... how could this be?”Qin Yu frowned tightly!

At this moment, another strange sound came from the spatial artifact.

Then, two figures shot out from the spatial artifact!

And these two figures were none other than the two dao protectors, Big Fatty and second Zhuang!

“What... What’s going on?”Qin Yu’s eyes widened!

Looking at the two guardians standing in front of him, Qin Yu couldn't help but swallow his saliva.

He tried to release his divine sense, trying to control these two guardians.

But soon, Qin Yu realized that something was wrong.

His divine sense couldn't connect with these two guardians at all!

“Oh No!” Qin Yu's expression changed drastically!

He suddenly thought of something!

“These two dao guardians... were resurrected on their own!” Qin Yu was abnormally terrified!

He recalled the scene back at the immortal slaying sect. Back then, these two dao guardians were resurrected on their own and almost took Qin Yu's life!

If not for the masked woman's clothes suppressing them, Qin Yu would have probably turned into a skeleton by now!

At this moment, the two dao guardians were emitting waves of pressure. The Dao Guardians who were resurrected on their own were obviously more powerful!

Compared to Qin Yu's control, the current dao protectors were unimaginably strong!

Thinking of this, Qin Yu hurriedly looked around and shouted, “Everyone, run! Run!”

But how could they know the urgency of the matter? They were even more unaware of how terrifying this Dao Protector was!

“What, you want to admit defeat?” Yan Jinyao sneered.

“So be it. Don’t even think about sending us away.”

“That’s right! You want us to leave now? In your dreams!”

Qin Yu could not wait any longer. He knew how terrifying these two dao protectors were!

They were resurrected on their own and were not under anyone’s control!

In other words, they would attack indiscriminately! Because in their eyes, everyone was an enemy!

“Hehe, Little Bastard, you brought out these two corpses again?” Granny Qin said with a sinister tone.

At this moment, she was shocked that she did not know that these two corpses had automatically resurrected. She thought that Qin Yu was controlling them.

“The same move, using it twice will be useless. Don’t you know!” Granny Qin shouted loudly.

Qin Yu opened his mouth and did not know how to explain for a moment.

“Forget it, it’s up to you.” Qin Yu took two steps back.

Granny Qin flipped her palm and saw a martial saint weapon in her hand.

“This time, I came with a martial saint weapon.. I’m afraid your two corpses will lose their effect!”Granny Qin shouted.

Chapter 768: Chapter 768, the Terrifying Guardian!

Qin Yu could not help but curse inwardly.

In front of the Guardian, this martial saint weapon was probably useless.

“Granny Qin actually brought a martial saint weapon!”

“Looks like she’s determined to get rid of Qin Yu!”

“I don’t know what these two corpses that flew out of Qin Yu’s body are for.”

The crowd discussed animatedly. Clearly, they had not realized the current dangerous situation.

Although Qin Yu was anxious, he could not do anything about it.

Granny Qin held the martial saint’s weapon in her hand. She looked at the Dao guardian coldly and shouted, “Today, I will smash these two corpses!”

Accompanied by an angry shout, Granny Qin activated the martial saint’s weapon in her hand and dashed towards the Dao Guardian!

The Dao Protector’s expression was ice-cold, without a trace of expression.

Facing Granny Qin who was dashing towards him, the Dao Protector only raised his head and looked over with a fierce gaze.

“Crack!”

It was just a single gaze! The martial saint weapon in Granny Qin’s hand was actually shattered!

Granny Qin’s body was sent flying!

Half of her body was directly smashed into minced meat, and only half of her body remained!

“Ah...”Granny Qin let out a painful wail from her mouth.

“How... how could this be...”she looked at the shattered martial saint’s weapon, and her eyes were filled with terror.

In the next second, Granny Qin fainted.

The scene was silent.

Everyone sucked in a breath of cold air!

They did not even know what had happened! They only knew that the martial saint weapon had suddenly shattered, and Granny Qin had suddenly flown out!

“What... What Happened...”

“Those two people... What did they do? Why did the martial saint weapon shatter, and Granny Qin flew out...”

“No... I don’t know...”

“Granny Qin!”

At this moment, Blackie suddenly let out an angry roar!

“I’m going to kill you!” Blackie let out an angry roar. He unleashed all the power in his body and charged towards the Dao Protector!

The power of a martial saint was unleashed to the extreme at this moment. Clearly, Blackie was extremely furious at this moment!

Facing Blackie who was charging towards him, the Dao Protector finally made his move.

One of them slowly raised his finger and flicked it gently.

“Boom!”

Blackie was sent flying! His incomparably fierce body was instantly shattered!

In the next second, Blackie lost his human form and returned to his original form. He fell heavily to the ground!

“AH...” Blackie spat out a mouthful of blood. Then, following Granny Qin’s footsteps, he fell unconscious.

“What... What’s going on...” when everyone saw this scene, they finally felt afraid!

“Little black, who possessed the power of a martial saint, was sent flying by a finger...”

“What the hell is that thing...”

Qin Yu gritted his teeth and could not help but curse, “A bunch of idiots. Why aren’t they running? Are they waiting to die here?”

Only after Qin Yu reminded them did they react!

“Run!” Someone shouted and ran away!

Yan Jinyao also realized that something was wrong, and his face turned extremely ugly.

“These two corpses probably don’t belong to this era. Retreat!” Yan Jinyao said coldly.

Everyone scattered like birds and beasts, and the Dao Protector also sensed them at this moment.

The two of them raised their palms and squeezed lightly.

The space in front of everyone instantly distorted!

Everyone’s path of escape was immediately blocked!

“They raised their hands and distorted the space. What... What exactly is this thing...” Qin Yu’s expression was extremely unsightly!

The Dao Protector’s awakening this time seemed to be even more powerful than the previous one!

“Not good, these two things aren’t the products of the present. If we let them live, it will definitely be a disaster!” The handlebar mustache revealed a grave expression.

Qin Yu walked over and frowned. “What should we do now? Quickly think of a way!”

The mustached man said coldly, “If we let them do whatever they want, the present society will definitely be destroyed!”

Qin Yu gritted his teeth and said, “Don’t you have many ways? Quickly think of a way! Otherwise, I’m afraid I’ll become a sinner!”

The mustached man could not help but curse, “What the F * CK Can I Do! Can’t you see how powerful they are! Back then, I told you not to bring them out, but you didn’t listen. Now it’s Over!”

A trace of guilt flashed across Qin Yu’s face.

No one had expected these two corpses to suddenly revive!

“It must be because of that picture.” Qin Yu suddenly thought of something!

“It must be because we used that picture that caused these two guardians to revive!”

The mustached man also nodded and said, “That’s right, but it’s easy to invite the gods, but difficult to send them out. If we want to get rid of them now, I’m afraid it’ll be troublesome.”

“Damn it, I’ll fight it out with you!”

In the crowd, some people seemed to be unable to withstand the fear in their hearts and actually charged towards the Dao Protector!

“You’re F * cking crazy!” Seeing this, Qin Yu instantly became anxious!

This was undoubtedly infuriating the Dao Protector!

Once the Dao Protector was enraged, everyone present would die!

Facing the person who charged over, the Dao Protector didn't even look at him before the internal Qi on his body directly turned him into meat paste.

Just as Qin Yu had guessed, this action had completely infuriated the guardian.

A terrifying killing intent emanated from their bodies!

The killing intent permeated the entire Qinggang Mountain, sending chills down people's spines!

“Pu!”

Someone could not withstand this killing intent and was directly blasted into a bloody mist!

Even Qin Yu, Yan Jinyao, the Handlebar Mustache Man, and the others felt waves of discomfort.

“We have to think of a way!” Qin Yu said anxiously.

The Mustache Man gritted his teeth and said, “Use that picture to try again!”

Qin Yu hurriedly threw the picture to the guardian.

Looking at the picture flying over, the Guardian's face clearly showed a hint of absent-mindedness.

But in just half a second, they returned to normal.

“It's over, it's useless!” Qin Yu's face changed greatly!

“Clothes! Where are the clothes!”The mustached man said anxiously.

Hearing this, Qin Yu hurriedly took out the clothes of the masked woman.

Unfortunately, it still didn't work.

This time, the Dao Protector's consciousness was obviously stronger!

“It's bad!”Qin Yu's expression was extremely ugly!

If this continued, not only would everyone here die, the entire world would probably face a disaster!

The murderous intent on the Dao Guardian's body became more and more intense.

He swept his gaze across everyone, as if he was looking at a bunch of ants, plants, and plants, without the slightest bit of emotion.

Finally, the Dao Guardian moved.

Their gray eyes swept across everyone, as if they were sentencing everyone to death.

However, when their gazes landed on Little Fish, they paused.

Only to see their pupils flashed a strong sense of fear! The body is fiercely trembling!

Chapter 769: Chapter 769, How Shameless!

Their eyes were filled with terror! Their bodies were trembling slightly!

In a short moment, the terror on their faces grew stronger!

In the next second, the Dao Guardian walked over!

When the surrounding people saw this, they were so frightened that they scattered in all directions and cried out repeatedly!

However, the Dao Guardian came directly in front of Little Fish.

Immediately after, the two dao protectors actually knelt in front of little fish with a plop!

Their bodies could be seen trembling with the naked eye, and their heads drooped down in Extreme Terror!

When everyone saw this scene, they couldn't help but gulp.

What was going on? ! How could two incomparably powerful dao protectors kneel in front of this little girl? !

Qin Yu couldn't help but reveal a shocked expression.

“It really is as you said.” Qin Yu glanced at the handlebar mustache and said in a low voice.

The handlebar mustache spread his hands and muttered, “I actually forgot about her...”

At this moment, Little Yu's gaze was somewhat sluggish.

She looked at the two dao protectors kneeling in front of her and didn't speak for a long time.

A moment later, Little Yu raised her palm and placed it on their foreheads.

It was at this moment that the two guardians lost their divine senses and fell back to the ground, becoming two corpses.

“What the hell is going on?” The surrounding people were still in a state of confusion.

Yan Jinyao stepped forward and pointed at Qin Yu. “Qin Yu, who exactly is this little girl? Also, what’s going on with those two corpses? !”

Qin Yu sneered, “Does it have anything to do with you?”

Yan Jinyao narrowed his eyes and sneered, “Don’t worry, paper can not cover fire. This matter will soon be spread! The Jingdu Martial Arts Association will definitely not sit idly by!”

Hearing this, Qin Yu immediately felt that something was wrong.

Just as Yan Jinyao said, the Jingdu Martial Arts Association would definitely not sit idly by after such a thing had happened.

“I’m afraid I really won’t be able to keep this secret.” Qin Yu glanced at Little Yu, his eyes filled with worry.

“Let’s go.” Qin Yu didn’t think much about this matter.

He put away the two corpses, pulled Little Yu along, and turned his head to leave.

The people around didn’t dare to stop him, and one after another made way for him.

They hurried all the way back to the martial arts academy.

Qin Yu squatted in front of Xiao Yu and asked with a frown, “Xiao Yu, do you feel any discomfort?”

Xiao Yu shook her head and said, “No, I don’t know what happened just now. It was like... I suddenly lost my mind.”

Qin Yu glanced at the handlebar mustache and then said with a smile, “You have made a great contribution today. If it weren’t for you, I’m afraid that blood would flow like a river today.”

The handlebar mustache muttered to the side, “I’m afraid that she’ll be even more terrifying in the future.”

“Shut up!” Qin Yu glared at the handlebar mustache.

...

After experiencing this great battle, Qin Yu’s body was extremely tired.

“Handlebar mustache, take good care of Little Yu. Don’t let anyone take her away,” Qin Yu warned.

The handlebar mustache nodded and said, “Don’t worry.”

Qin Yu grunted and turned back to his room, falling into a deep sleep.

At this time, the news of the Guardian spread like wildfire.

Not only did it spread wantonly on the martial arts forum, but it also spread throughout the entire martial arts world.

Granny Qin's body almost shattered and she fell into a coma. It was likely that she would not wake up for a while.

Blackie was even worse off. The transformation pill was ineffective, and he had once again turned into a heaven-swallowing python.

Just as Qin Yu was in a deep sleep...

Yan Jinyao suddenly brought his disciples over to pay him a visit.

The door of the mustachioed manor was kicked open and Yan Jinyao swaggered in with his two disciples.

"Where's Qin Yu! I want to fight him!" A youth stepped forward and berated loudly.

The mustachioed youth could not help but curse, "Are You Shameless? Qin Yu is currently in a deep sleep and has no time to deal with you. Get lost!"

The youth sneered, "What? Qin Yu wants to be a coward? ! Fine, if he doesn't dare to answer, then I'll leave!"

"You're really shameless. How about I fight you!" The mustached man rolled up his sleeves and said.

"Oh? What does it have to do with you? Are you planning to bully the weak?" At this time, Yan Jinyao stood out.

Seeing this, the handlebar mustache quickly withdrew.

He muttered in a low voice, "Young Master Yan, as a person, we can't be so thick-skinned..."

“Who are you talking about!” Yan Jinyao’s disciple immediately shouted.

The handlebar mustache hurriedly took two steps back and said with an embarrassed smile, “Why don’t you guys wait? Qin Yu will wake up very soon...”

“Wait? hahaha! Why? Is this Qin Yu so cautious when fighting with my disciple?” Yan Jinyao ridiculed.

At this moment, little fish suddenly stood up.

“I’ll fight with you,” she said to the young man.

Yan Jinyao frowned slightly when he saw little fish.

He saw the two dao protectors kneeling in front of little fish with his own eyes. Moreover, he was sent flying by little fish last time.

“We’re looking for Qin Yu. It has nothing to do with you,” Yan Jinyao said coldly.

Xiao Yu said, “I’m Qin Yu’s disciple. It’s fair for disciples to fight.”

Yan Jinyao opened his mouth. Just as he was about to speak, Xiao Yu beat him to it. “What’s the matter, Yan Jinyao? Are You Afraid?”

“Master, I’ll fight with her. She’s just a little brat!” Yan Jinyao’s disciple rolled up his sleeves and said.

Yan Jinyao released his internal Qi and tried to sense Xiao Yu’s internal Qi.

Soon, he discovered Xiao Yu’s strength.

“A new martial marquis?” Yan Jinyao raised his eyebrows and revealed a cold smile.

His disciple was in the middle stage of the Martial Marquis Realm!

Every small realm of the Martial Marquis realm was extremely different!

Moreover, it was such a big realm!

“Okay!” Yan Jinyao took a step back.

“If we win, it will prove that Qin Yu’s disciples are not good enough,” Yan Jinyao said indifferently.

After saying that, he waved his hand and ordered someone to record the video.

Yan Jinyao’s purpose was very simple. It was to expand his power.

“Master, don’t worry, i...”

“Boom!”

Before the young man could finish his words, Xiao Yu had already punched out!

The seemingly ordinary punch directly shattered the young man’s head!

The young man didn’t even have time to react before his head and spiritual sense were directly shattered!

“It’s over!” Little Fish clapped his hands and turned to leave.

Everyone was dumbstruck and subconsciously looked at Yan Jinyao.

Yan Jinyao naturally couldn't hold it in any longer. he shouted, "Stop right there!"

"What?" Little Fish stopped in his tracks.

Yan Jinyao narrowed his eyes and said, "It's just a friendly spar, yet you want to kill me! You're so vicious at such a young age, I can't Let You Live!"

"Young Master Yan, aren't you going too far?" The handlebar mustache hurriedly jumped out.

Yan Jinyao said coldly, "It has nothing to do with you. Get lost!"

After saying that, Yan Jinyao stretched out his palm and grabbed at little fish again!

This time, Yan Jinyao contained extremely strong power. It was obvious that he intended to kill little fish with one strike!

At this moment, a golden light burst out from the room!

Then, a golden figure held a golden fist and faced Yan Jinyao head-on!

"Boom!"

At the moment of the collision, Yan Jinyao immediately took two steps back.

He suddenly raised his head and saw Qin Yu standing in front of Xiao Yu.

"What? Are you bullying me? Yan Jinyao, you are really shameless," Qin Yu said coldly.

Chapter 770: Chapter 770. Xiao Yu left

Yan Jinyao's expression turned ugly when he saw Qin Yu.

He said coldly, "Qin Yu, this little girl killed one of my disciples. You have to give me an explanation!"

"You want an explanation? Fine, I'll give it to you." Qin Yu sneered.

Before he could finish his sentence, a golden light suddenly flashed!

Then, the head of Yan Jinyao's disciple was smashed by a slap!

"This is the explanation I gave you. Are You Satisfied?" Qin Yu questioned coldly.

Yan Jinyao's eyes instantly widened.

Anger crawled all over his face!

"Qin Yu, aren't you going too far!" Yan Jinyao said coldly.

Qin Yu sneered and said, "You were the one who brought people to find trouble. You Didn't learn well, so you deserved to be slapped to death by Little Yu."

"As your master, you actually made a move yourself! Since you are so Shameless, why should I give you any face!"

"I'm just returning the favor!"

Yan Jinyao was immediately furious and said, “You are full of nonsense! If you don’t give me an explanation today, you can forget about walking out of this door!”

Qin Yu Strode forward, and a golden light appeared!

“Yan Jinyao, if you want to pick a fight, I’ll accompany you!” Qin Yu’s arrogance was soaring, and his invincible posture was fully displayed!

Yan Jinyao’s body also erupted with rays of light, and the internal Qi of both parties instantly formed a vortex!

At this moment, Yan Jinyao suddenly withdrew his internal Qi.

He looked at Qin Yu coldly and said, “There will definitely be a battle between you and me, but not now. I’ll let you live a few more days on your last breath.”

After saying this, Yan Jinyao turned around and left.

Qin Yu did not stop him.

His body had not yet recovered to its peak. If he attacked, he might not be Yan Jinyao’s match.

After he left, Qin Yu looked at Little Yu and frowned. “How are you? Are You Hurt?”

Little Yu shook her head and said, “No.”

The mustached man smiled embarrassedly and said, “Little Yu, speaking of which, your attack just now was indeed too fierce. There’s no need to take someone’s life just like that...”

Obviously, from the Mustache Man's point of view, the masked woman's nature was beginning to show.

If she was allowed to develop, no one knew what would happen.

Qin Yu, on the other hand, had a different attitude.

He patted Xiao Yu's head and said, "It's okay. He's the one who started it. There's no need to blame himself."

"Okay." Xiao Yu nodded and didn't say anything else.

At this moment, little fish suddenly said, "I plan to leave for a period of time."

Qin Yu frowned. "Leave? Where are you going?"

Little Fish said, "I don't know either, but I keep feeling that it's time for me to leave."

Qin Yu opened his mouth, wanting to say something to stop him.

But he couldn't help but think of the confrontation between the two of them at the immortal slaying sect.

"Okay." Qin Yu agreed for the first time.

"Qin Yu, you..." the man with the handlebar moustache was shocked. He didn't expect Qin Yu to agree.

Qin Yu reached out and interrupted the man with the handlebar moustache. He looked at little Yu and continued, "But you have to wait for me for two days."

“Okay.” Little Yu nodded.

After saying that, Little Yu turned around and went back to her room.

“Qin Yu, how can you promise her? Do you know that she is an extremely dangerous person? If she is not under your nose, no one knows what she will do!” The Mustache Man said anxiously.

Qin Yu glanced at the mustache man and said, “Do you think that even if I keep her by my side, I can stop her from growing?”

The Mustache Man opened his mouth and was suddenly speechless.

That’s right. As long as Xiao Yu didn’t die, it was only a matter of time before she became a masked woman.

“Moreover, what happened last time has already been exposed. The JINGDU martial arts association can not sit idly by. With their nature, they will most likely take Xiao Yu away,” Qin Yu said in a deep voice.

“Letting her leave might be a better choice.”

Seeing this, the handlebar mustache didn’t say anything more.

Then, Qin Yu left the martial arts academy.

He went out to buy a few high-quality jade pendants and injected his spiritual sense into them.

After spending two whole days, this jade pendant finally took shape.

“Little Yu, take this jade pendant with you. Don’t take it off for even a moment. If you are in danger, I can find you immediately,” Qin Yu said.

Xiao Yu took the jade pendant and nodded. "Okay."

After taking the jade pendant, Xiao Yu said goodbye to Qin Yu and the handlebar mustache before leaving the Jingdu Martial Arts Academy.

Looking at Xiao Yu's departing figure, Qin Yu suddenly felt somewhat reluctant to part with her.

"No one knows what the next time we meet will be like," Qin Yu muttered softly.

...

It had been three full days since the last great battle.

During these three days, Granny Qin still did not wake up.

Although the JINGDU martial arts association had done their best to restore her body, her body still had not fully recovered.

Qin Yu could be considered to have gotten a few days of respite.

As he sat in the room, he could not help but recall the scene of the great battle with little black.

"The power of a martial saint... with my current realm, there's really nothing I can do," Qin Yu thought to himself.

The power of a martial saint was unrivalled. To a martial marquis, it was an existence that could crush him.

It was already a miracle for Qin Yu to be able to survive.

“Since there was no result from the previous battle, Will the Sky Guardian Book Take Effect?” Qin Yu looked at the handlebar mustache and asked.

The handlebar mustache shook his head and said, “Of course not.”

Qin Yu frowned and said, “In other words, the Sky Guardian book is no longer useful?”

“No.” The handlebar mustache shook his head.

“The last time there was no winner, it will automatically be postponed to the next fight,” the handlebar mustache explained.

Qin Yu nodded.

According to Xia Hang’s information, Granny Qin would need at least half a month to recover from her injuries.

To Qin Yu, this half a month was extremely precious.

“I must think of a way to deal with his martial saint’s power,” Qin Yu thought to himself.

Otherwise, Qin Yu would definitely lose the next time they fought.

At the same time.

The Jingdu Martial Arts Association was in the middle of a meeting.

Eight high-ranking officials appeared in the meeting room once again.

This time, the person participating was not Granny Qin, but Xia Hang.

On the big screen in the meeting room, a video was playing.

This video was the scene of Qin Yu and Little Black's battle that day.

Although the image was a little blurry, one could still roughly see the outline.

“What is that move of his? He can actually resist the power of a martial saint?” A higher-up asked coldly.

“With the Martial Marquis realm, this Qin Yu should be the only one who can resist the power of a martial saint.”

“Mm, this kid can resist the power of a martial saint at the Martial Marquis Realm. His future... I don't dare to imagine.”

“It seems that the prophecy of Heaven's secrets is correct. This child might really become a martial saint. When that time comes, it will be troublesome.”

Xia hang sat silently at the side, quietly listening to the words of the eight higher-ups.

“Shouldn't we take the necessary measures?” A higher-up said coldly.

Chapter 771: Chapter 771 was exposed!

“We have already taken enough measures.” There was a hint of mockery in the tone of the higher-ups.

“Xia Hang, what do you think?” At this moment, someone suddenly asked.

An unnatural look flashed across Xia Hang's face.

“With my current skills, I'm definitely not a match for Qin Yu. Moreover... Granny Qin is the True Controller of power. I can't do anything either.” Xia hang took advantage of the situation and said.

“How about... the higher-ups make a move personally?” Xia hang suddenly suggested.

As soon as these words were said, the scene instantly fell into silence.

No one was willing to take up this topic.

And Xia hang seemed to have guessed something from their attitude.

“En? What's that picture in Qin Yu's hand?” At this time, someone noticed the picture that Qin Yu was controlling on the screen.

“What kind of treasure is that? It actually dissolved the power of a martial saint so easily?”

“What are those two corpses?”

For a moment, the higher-ups were all attracted by the contents of the video.

After they finished watching the entire video, they fell into silence once again.

“That little girl... seems to be somewhat similar to a certain character recorded in the ancient books.” A higher-up seemed to have guessed something.

“Xia Hang, send someone to capture her immediately!” A higher-up quickly gave an order.

Xia hang said awkwardly, “With my strength, it’s impossible for me to be a match for that Qin Yu...”

The higher-ups were silent for a moment.

They could clearly bestow power to Xia Hang, but in the end, they decided to wait for Granny Qin.

It was very obvious that these higher-ups did not believe Xia hang.

“Let that Qin Yu live for a few more days,” the higher-ups said coldly.

“Xia Hang, you have to keep a close eye on Qin Yu.”

After saying this, the higher-ups began to slowly disappear.

After walking out of the meeting room, Xia hang took out a cigarette from his pocket and put it in his mouth.

A cold smile appeared on his face.

“I seem to have guessed something,” Xia Hang said with a low, cold smile.

...

Granny Qin was in a coma, and Qin Yu also had a chance to catch his breath.

These few days, Qin Yu had been racking his brains, but he couldn’t think of a way to deal with the power of the martial saint.

At this moment, Qin Yu's phone suddenly rang.

He picked up the phone and saw that the caller was the manor head.

Qin Yu hurriedly picked up the phone and said, "Manor Head, why did you suddenly call me?"

The Pavilion Master on the other end said indifferently, "Qin Yu, have you forgotten a lot of things?"

Qin Yu was stunned. He scratched his head and said, "Lord Pavilion master, what do you mean by this?"

The pavilion master said indifferently, "I remember that I said that I would take you to use the warehouse, but you have to agree to one condition of mine, right?"

Qin Yu patted his head and hurriedly said, "Lord Pavilion Master, I haven't forgotten. If there's anything you need me to do, just let me know!"

The pavilion master continued, "You also promised ye Qing that you would give them the pill formula."

"Ah, right, right, right. I've been too busy recently, I forgot..." Qin Yu was a little embarrassed.

The pavilion master on the other end said, "Come to the Divine Alchemist Pavilion. Jiang he is here too."

After saying that, the pavilion master hung up the phone.

Qin Yu quickly stood up and muttered, "Damn, I actually forgot about this."

The moustache man muttered, “What’s Wrong?”

Qin Yu said, “I’m going to the Divine Alchemist Pavilion.”

“I’ll go with you!” The moustache man quickly stood up and said.

“The Divine Alchemist Pavilion is a good place. According to my geographical speculation, it used to be a graveyard...” the moustache man licked his lips and said.

Qin Yu Glared at the moustache man and said, “You’d better not have any ideas about the Divine Alchemist Pavilion.”

The man with the handlebar mustache smiled embarrassedly and said, “Don’t worry, I won’t Do Anything Reckless.”

Just as Qin Yu was about to set off, his phone rang again.

He picked up the phone and saw that the caller was actually Xia hang.

Qin Yu frowned slightly.

He walked to the side and picked up the phone.

“What’s Wrong?” Qin Yu asked in a deep voice.

Xia hang said, “Let’s meet tonight. I have something to tell you.”

Qin Yu was silent for a moment, and then he agreed, “Okay, where shall we meet?”

“I’ll send your address later.”

After saying that, Xia hang hung up the phone.

Qin Yu grabbed his phone, and he couldn't help but frown slightly.

“Things have really come together,” Qin Yu said in a low voice.

After thinking for a while, Qin Yu sent a message to the pavilion master: I Have Something to do tonight, I'll arrive at the Medicine God Pavilion on time tomorrow.

Not long after, the pavilion master replied: Yes.

At this moment.

In a certain mansion in Jingdu.

A muscular man was sipping tea.

This man's internal Qi was unparalleled. Every movement of his had a powerful internal Qi.

Most importantly, this man was wearing a purple robe.

This man was the purple robe of the Jingdu Martial Arts Association. His position was not low and his name was Chen Huang.

As purple robe, Chen Huang was not responsible for Xia Hang or Qu Xie from before. Instead, he was directly responsible for the higher-ups and Granny Qin.

As for Xia Hang, Chen Huang had always been worried. After all, Xia Hang's previous position was to build a good relationship with the various aristocratic families.

This kind of person who went deep into the secular world was usually not firm and was easily bewitched by benefits.

Apart from that, Chen Huang also had his own selfish motives.

That was to covet the position of President!

Although this position would not be higher than the position of the purple robe, it had more resources and honor!

As long as he caught Xia Hang's little braid, he could replace him!

Therefore, Chen Huang secretly sent a purple robe to secretly monitor Xia hang.

That evening.

Chen Huang's phone rang.

"Brother Chen, Xia Hang went out."A voice came from the other end.

"Where did he go?"Chen Huang asked.

The other end said, "Qinggang Mountain."

Chen Huang's expression froze.

Qinggang Mountain? The place where Qin Yu and Xiao Hei fought?

"Before he left, Xia hang made a call,"the other end continued.

Chen Huang narrowed his eyes and said, "Keep an eye on him! No matter what news there is, inform me immediately!"

"Yes."The call was cut off.

...

At this moment, Qin Yu was rushing towards Qinggang Mountain.

Meanwhile, Xia hang had been waiting at Qinggang Mountain for a long time.

The surroundings were in ruins. Ever since that battle, Qinggang Mountain, which was already deserted, was even more deserted.

The sky gradually darkened. At around 8 o'clock in the evening, Qin Yu finally appeared at Qinggang Mountain.

Xia hang waved his hand at Qin Yu and said, "Here."

Qin Yu grunted and immediately strode toward Xia Hang.

At this moment, the purple robe hiding in the dark suddenly narrowed his eyes!

"Qin Yu?" He muttered in a low voice and then sneered, "Xia Hang, you actually dared to secretly contact Qin Yu. You're Dead!"

After saying that, the purple robe took out his phone and pressed the camera button in Xia Hang's direction.

Chapter 772: Chapter 772, no choice

Xia hang knew nothing about this.

Qin Yu walked all the way to Xia Hang, and at this moment, he suddenly stopped.

"What's Wrong?" Xia hang asked.

Qin Yu's eyes narrowed slightly, and his brows immediately furrowed.

Before Xia hang could continue to ask, Qin Yu said in a low voice, "Hit me."

"Ah?" Xia hang was instantly stunned.

"Hurry up and hit me, don't talk nonsense!" Qin Yu said angrily.

After saying that, Qin Yu took the lead to hold the golden light in his hand and threw a punch at Xia Hang!

This punch directly shattered Xia hang's chest! His entire body was sent flying!

Following that, Qin Yu held the golden light in his hand and said coldly, "Xia Hang, you still dare to ask me out alone, just because you are my opponent!"

Xia hang lay on the ground in extreme pain.

He kept spitting out blood from his mouth, looking extremely miserable.

With Xia Hang's strength, he was not Qin Yu's opponent at all. He did not even have the right to fight back!

Before Xia hang could react, Qin Yu had already walked over!

He grabbed Xia hang by the collar and threw him in a certain direction!

This direction was where the Purple Robe was hiding!

"Not good!" The Purple Robe's expression changed. He quickly stood up and disappeared from Qinggang Mountain at an extremely fast speed.

Only after he completely disappeared did Qin Yu put away the murderous aura on his body.

After making sure that there was no one around, Qin Yu pulled Xia hang up.

He placed his palm on Xia hang's chest and injected his qi/spiritual energy into it.

After a full ten minutes, the wound on Xia hang's chest eased up slightly.

"You... What's going on?" Xia hang couldn't help but ask angrily.

"I really thought you were going to kill me just now!"

Qin Yu looked around and said coldly, "You've been targeted by someone."

"What?" Xia hang's expression instantly changed.

Qin Yu stepped on the ground and said, "It's right here. Someone was hiding here just now."

"If I don't do this, you will definitely be exposed."

Xia Hang's expression immediately became a bit ugly.

If this matter was exposed, he would definitely die!

"Think about it, who is suspecting you?" Qin Yu frowned.

Xia hang frowned. He thought for a moment, then shook his head and said, "I don't know, I really can't figure it out."

Qin Yu said in a deep voice, “There’s no rush. Since they sent someone to follow you, I think they will definitely find trouble with you in the next few days. When that time comes, you will naturally know who it is.”

Xia hang frowned and said, “But... if I didn’t die at your hands, I’m afraid it wouldn’t make sense.”

This question, Qin Yu didn’t think of it.

He rubbed his chin and walked around, and then said, “If anyone asks, just say that you promised to give me a stalk of herbs, and I’ll spare your life.”

“At the same time, after you go to the Jingdu Martial Arts Association tomorrow, immediately find someone to collect the herbs and take the initiative to make trouble. Tell them about what happened tonight.”

Xia hang nodded and said, “Okay, I got it.”

“If there’s anything next time, I’ll look for you,” Qin Yu reminded him.

Xia hang grunted and agreed, “I understand.”

“Let’s get down to business.” Qin Yu sat on a piece of gravel.

Xia Hang said in a deep voice, “Today, the higher-ups found me for a meeting. This meeting is for you.”

“Oh?” Qin Yu raised his eyebrows and signaled Xia hang to continue.

Xia hang said, “They won’t make a move against you for the time being. I guess they’ll have to wait for Granny Qin.”

“As expected.”Qin Yu couldn’t help but sneer.

These higher-ups were quite cautious.

“That’s not the point.”At this time, Xia hang changed the topic.

“According to my probing today, these eight higher-ups can’t make a move personally.”

Then, Xia Hang told Qin Yu the whole story.

After Qin Yu heard it, his brows immediately furrowed.

These eight higher-ups, not only had no one seen them, they couldn’t even personally make a move. What was the reason?

“Maybe Granny Qin can know the secret,”Xia hang reminded.

Qin Yu took a deep breath and nodded, “En, since they can’t personally make a move, I’m still relatively safe for the time being.”

If those eight higher-ups made a move personally, Qin Yu probably had no chance of survival.

“Oh right, how is Granny Qin Now?”Qin Yu asked.

Xia hang said, “She shouldn’t wake up in a short period of time. According to the news, that palm almost took Granny Qin’s life.”

Hearing this, Qin Yu couldn’t help but sneer.

The one who made a move was a dao protector! His strength was even above that of a mighty figure. How could he be compared to a peak martial marquis?

“Alright, I understand.”Qin Yu stood up and said.

“You can go back. Remember, find out who is suspecting you as soon as possible.”

Xia hang nodded and said, “Alright, I understand.”

After parting with Xia Hang, Qin Yu turned around and left Mount Qinggang.

The next day.

Qin Yu left Jingdu with his handlebar moustache and rushed towards the Divine Medicine Pavilion.

He arrived at the Divine Medicine Pavilion. The moment he stepped through the door, countless pharmacists swarmed over.

“Elder Qin, you’re back!”A group of pharmacists rushed forward and protected Qin Yu in the middle.

“Qin Yu, you’ve been in the limelight recently.”At this moment, fifth elder also walked over.

Qin Yu smiled bitterly and said, “Fifth elder, don’t joke with me.”

“I’m not joking with you.”The fifth elder rolled his eyes.

“Back then, I saw that you were a talent, but I really didn’t expect that you could grow to this stage.”

Qin Yu laughed embarrassedly and then asked, “Oh right, where is Lord Pavilion Master?”

“I’ll wait for you at the Pavilion Master’s Building,” said the fifth elder.

Qin Yu grunted in gratitude and quickly walked towards the pavilion master’s building.

He came to the pavilion master’s building.

Qin Yu glanced at the handlebar mustache and said, “Wait for me here. I’ll come down later.”

The handlebar mustache impatiently waved his hand and said, “Alright, I got it. Don’t bother me anymore.”

His eyes looked around, full of cunning and greed.

Qin Yu couldn’t be bothered with him. He immediately stomped his feet and arrived at the pavilion master’s building.

At the edge of the Pavilion Master’s Building, the Pavilion Master and Jiang he were drinking tea.

Qin Yu walked forward quickly and bowed, “Greetings, pavilion master, and senior Jiang.”

“Sit.” The pavilion master waved his hand.

Qin Yu sat directly opposite the pavilion master and said with a smile, “Pavilion Master, what do you need me to do? Feel free to ask.”

However, the pavilion master did not pay attention to this question. Instead, he said indifferently, “The battle between you and the sky-devouring Python was truly earth-shattering.”

Qin Yu said with a bitter smile, "I'm currently worrying. Once the sky-devouring Python recovers, it will definitely attack again."

"I have no way to deal with the power of the martial saint that he controls."

When the pavilion master heard this, he could not help but laugh, "Then why don't You Run?"

Qin Yu smiled bitterly. "Run? I only need to win to see Yan Ruoxue. If I miss this opportunity, I don't know when I will be able to see her again."

When they heard this, the pavilion master and Jiang he could not help but look at each other and smile.

When he saw this scene, Qin Yu could not help but say with some surprise, "Pavilion Master, do you have any ideas?"

Chapter 773: Chapter 773, the method to obtain the power of a martial saint

Looking at the Pavilion Master and Jiang he's smiles, Qin Yu suddenly guessed something.

Could it be that they called him here for this matter?

"Senior Jiang he, do you have a way?" Qin Yu instantly became anxious.

"This matter is very important to me. You know that everything I do is to save Yan Ruoxue!"

“As long as I win against Xiao Hei, I can enter the Mystic Realm! At that time, I can see Yan Ruoxue!”

Jiang he glanced at Qin Yu and said, “Have you ever thought that if you really enter the mystic realm, you might never be able to come out again?”

“What if they work together to besiege you in the mystic realm? What will you do then?”

Qin Yu gritted his teeth and said, “I have my own ways! As long as I can find the mystic realm, I will definitely have a way!”

Seeing this, Jiang he could only nod and say, “It seems that you have made up your mind. I can’t say anything more.”

After saying that, Jiang he stood up.

He put his hands behind his back and said, “You should know about the heavenly secrets, right?”

“I know.”Qin Yu nodded.

“I tried to catch the heavenly secrets once and succeeded.”

This surprised Jiang he a little.

He looked at Qin Yu and said, “Capturing the heavenly secrets is a very difficult thing. You... .”

“I did manage to capture it.”Qin Yu said seriously.

Jiang he could not help but smile bitterly as a trace of admiration appeared on his face.

“Recently, the heavenly secrets had predicted that a martial saint would appear at the beginning of next year at the fire country’s Pyro.” Jiang he said.

“Martial Saint?” Qin Yu appeared to be somewhat puzzled.

Jiang he hummed and continued to say: “It’s almost the new year. In other words, it’s not far from the time that martial saint will appear.”

“So?” Qin Yu was even more confused.

Jiang he stared at Qin Yu and said: “Have you ever thought that the martial saint that the heaven’s secret has predicted is you?”

“Me?” Qin Yu pointed at his nose.

However, the current Qin Yu was still far away from becoming a martial saint.

“There are so many martial marquises at the peak of the Martial Marquis Realm in the world, how could it be me...” Qin Yu said with a bitter smile.

“They will definitely be the first to step into the Martial Saint Realm.”

“No.” Jiang he shook his head.

“Martial saints can no longer appear in this era. The first person to step into the martial saint realm will break this deadlock.”

“Therefore, many people are stuck at the perfect stage of the Martial Marquis realm and are unable to take another step forward, regardless of their talent.”

“This is the suppression of the Heavenly Dao! It has nothing to do with talent!”

When Qin Yu heard this, his eyes immediately widened.

No wonder there were so many geniuses in this era, but none of them had stepped into the Martial Saint Realm!

It had been many years since a new martial Saint had appeared!

“Senior Jiang He, why do you think it’s me?” Qin Yu asked with a frown.

Jiang he said indifferently, “I feel it.”

“I feel the same way too,” the pavilion master said as well.

“Qin Yu, why don’t you focus on increasing your strength for the time being? As long as you step into the martial saint realm, even the Jingdu martial arts association will have to negotiate with you peacefully!”

“When that time comes, you can ask for people and even fight head-on with the Jingdu Martial Arts Association!”

Qin Yu frowned deeply.

If that martial saint was really him, then it would indeed be something to look forward to.

But... would Granny Qin give him time?

After they recovered from their injuries, they would definitely use the power of a martial saint to get rid of him!

“I don’t have that much time.”Qin Yu shook his head.

When Jiang he saw this, he looked at the pavilion master.

The pavilion master said in a deep voice, “If he can obtain the power of a martial saint, you can also obtain Qin Yu.”

“I can also obtain it?”Qin Yu looked at the pavilion master hurriedly.

The pavilion master nodded and said, “That’s right. As long as you can find the power left behind by a martial saint, you can borrow the power of a martial saint.”

When he heard this, Qin Yu could not help but smile bitterly and said, “It’s not that easy to find the power left behind by the martial saint...”

“Of course it’s not that easy.”The pavilion master smiled and said.

When he said this, the pavilion master changed the topic and continued, “But it’s not that difficult.”

Qin Yu looked at the pavilion master eagerly and waited for him to continue.

The pavilion master continued, “Many of the aristocratic families left behind will have the power of the martial saint. Moreover, there are quite a number of such aristocratic families.”

Qin Yu quickly looked at the pavilion master and said, “Pavilion Master, don’t Keep Me in suspense. You must know where the aristocratic families left behind are, right?”

The pavilion master smiled lightly and said, “That’s right.”

After he finished speaking, the pavilion master took out a business card and placed it on the table.

On the business card was written a name: Xue Yuzhi.

This name was rather unfamiliar, Qin Yu had never heard of it before.

He took the business card and frowned, "Pavilion master, how come I've never heard of the Xue Family?"

"Because the Xue family has long moved abroad," said the pavilion master.

She pointed at the business card and said, "Xue Yuzhi is my good friend. Her father needs a kind of pill, called the concentric pill."

"This kind of pill is a genuine heaven rank pill. Xue Yuzhi has begged me many times, but I never agreed to it because I don't have the formula for the concentric pill at all."

Upon hearing this, Qin Yu quickly understood.

"You said you wanted me to help you refine the Unity Pill, right?" Qin Yu grabbed the business card and said.

The pavilion master nodded and said, "That's right. If you can refine the unity pill for the Xue family, I think they will give you the power of a martial saint."

Qin Yu took the business card and stood up immediately.

Then, he said with some excitement, "Pavilion master, Thank You!"

The pavilion master continued, “Don’t be happy too early. The power of a martial saint is of great significance. They might not be willing to give it to you. Therefore, you still need to do it yourself.”

“Pavilion Master, the possibility of obtaining the power of a martial saint is already worth my hard work.” Qin Yu’s eyes were extremely determined.

“Alright.” The pavilion master nodded.

“You will leave on time in three days. I will inform the Xue family to pick you up.”

Qin Yu nodded vigorously and said, “Pavilion Master, I, Qin Yu, will never forget your great kindness. I...”

“That’s enough.” The pavilion master did not seem to like hearing these things.

She waved her hand and said, “You can go down now.”

Qin Yu coughed dryly and then said with an embarrassed smile, “Then, pavilion master, Please Rest.”

After he had finished speaking, Qin Yu greeted Jiang he and jumped down from the pavilion master’s building.

After Qin Yu had left, Jiang he poured a cup of tea and said with a smile, “Do you really think Xue Yuzhi will give the power of the Martial Saint to Qin Yu?”

“I don’t know.” The pavilion master shook his head and said.

“Even if Xue Yuzhi really refused, it would be good for him to go out and hide.”

Jiang he could not help but stroke his beard and said with a smile, “You really put in a lot of effort.”

The pavilion master smiled faintly and said, “I believe in Qin Yu. He will definitely be able to obtain the power of the martial saint.”

“I don’t think it’s possible.” Jiang he shook his head and said.

“You should know what the power of the martial saint means. Not all clans can be compared to the Jingdu Martial Arts Association.”

The pavilion master smiled and said, “Why don’t we make a bet?”

“What Bet?” Jiang he asked.

The pavilion master said faintly, “If I win, you will teach the nine secrets of Taoism to Qin Yu. How about that?”

Chapter 774: Chapter 774, Jiang he’ s disciple

Upon hearing this, Jiang he immediately hesitated.

The nine secrets was Jiang he’s ultimate technique.

In the entire world, not many people knew this technique.

Even the Jingdu Martial Arts Association didn’t have any records of the nine secrets!

And the reason why Jiang he could be known as the number one person in the world was precisely because of the nine secrets!

“What, you can’t bear to?”The pavilion master smiled and poured a cup of tea for Jiang he.

Jiang he sighed slightly and said, “I originally planned to wait until after I die before I spread the nine secrets.”

“After death? The life and death of a person is not something that can be controlled by oneself.”The pavilion master shook his head.

Jiang he was stunned, then he laughed loudly and said, “That makes sense! Alright, then I’ll bet with you!”

“It’s a deal.”

...

At this time, Qin Yu had already jumped down from the Pavilion Master’s building.

And the handlebar mustache had disappeared to who knows where.

Qin Yu couldn’t help but curse inwardly, “If this bastard were to dig up the pavilion master’s ancestral grave, it would be troublesome!”

Helpless, Qin Yu could only release his spiritual sense to search for the handlebar mustache.

“Qin Yu.”

At this moment, a voice came from behind Qin Yu.

Turning around, he saw a girl standing behind Qin Yu.

And she was no other than peaches.

Peaches' face had a hint of surprise, but underneath the surprise was a hint of shyness.

“Peaches?” Qin Yu couldn't help but be a little surprised.

Since the last time they parted, the two of them hadn't seen each other for a long time.

Therefore, Qin Yu temporarily put down his mustache and went to a pavilion with peaches to sit down.

Peach poured a cup of tea for Qin Yu and then asked, “Qin Yu, have you heard from Yao Qing recently?”

Qin Yu shook his head and sighed, “No.”

Speaking of which, Qin Yu really missed this guy a little.

His despicable expression always flashed in Qin Yu's mind.

“Last time when he left, he said that he would either die outside or become famous.” Peach grabbed the corner of his clothes.

“Now that your reputation has become famous, almost everyone in the world has heard of your deeds, but Yao Qing has never returned. I'm afraid...”

Qin Yu's face darkened.

He raised his head to look at Tao Zi and said, “Do you think Yao Qing is involved?”

“I’m just worried that his talent is not high, and he’s alone again,” tao zi said.

“Moreover, everyone knows about his relationship with you. After your accident, there were quite a number of people who came to look for him.”

Qin Yu’s expression immediately turned ugly, and for a moment, he even felt uneasy.

To Qin Yu, there were not many people in this world who were important to him. Yao Qing was one of them.

“Qin Yu, don’t worry too much. I’m just guessing.”Tao Zi saw the situation and quickly comforted him.

Qin Yu couldn’t help but stand up. He couldn’t help but curse in his heart, “I should have gone to look for him earlier.”

“You can’t find him even if you look for him. He’s determined to go out and make some achievements,” peach consoled.

“This is his own choice. Perhaps... Perhaps this will make him happier.”

Qin Yu was speechless.

That’s right. Everyone would choose their own path, and only the path they chose would be willingly.

“I’ll think of a way to find him,”Qin Yu said.

Tao Zi nodded and said, “Mm.”

After some small talk, they learned that Tao Zi had also become an elder of the Divine Alchemist Pavilion.

Her talent in alchemy was extremely high, and after Qin Yu’s accident, the pavilion master had personally taken care of her. This also allowed her alchemy skills to improve at a rapid pace.

“Qin Yu, I’ll Follow You Back to the Jade Moon Villa in the future,” Tao Zi said.

Qin Yu reached out and touched Tao Zi’s head, saying, “Okay, I have the same intention.”

When Qin Yu, the Jingdu Martial Arts Association, and the various aristocratic families fought head-on, countless people would be injured.

And peach would be of great use.

After parting with peach, Qin Yu used his spiritual sense to search for the handlebar moustache.

Soon, Qin Yu found the handlebar moustache on the back mountain of the Medicine God Pavilion.

He saw that the handlebar moustache was already filled with tools, and he was working hard to dig something out.

Qin Yu rushed over and kicked his butt from behind, causing him to fall to the ground.

“What are you doing!” Qin Yu scolded.

The handlebar mustache crawled up from the ground. He stared at him and said, "Of course this venerable self is searching for treasures!"

"Don't F * cking dig up the ancestral grave of Lord Pavilion Master!" Qin Yu scolded.

The handlebar mustache pointed at the ground and said, "This isn't an ancestral grave at all! It's a battlefield that was once left behind! Just like the immortal slaying sect!"

Hearing this, Qin Yu's eyes immediately lit up.

"Is what you said true?" Qin Yu said somewhat excitedly.

The moustache stroked his beard and muttered, "Of course, saying that it's the same as the immortal slaying sect is obviously a bit of an exaggeration, but there must be a babe."

Qin Yu rolled his eyes and said, "As long as it's not a grave, it's fine. If Pavilion Master blames you, you'll be in trouble."

"Don't worry." The handlebar mustache waved his hand.

Even though that was the case, Qin Yu was still a little worried.

Hence, he sat here and quietly watched the handlebar mustache to prevent any accidents from happening.

In the evening.

A young man suddenly appeared on the back mountain.

He took steady steps and slowly walked towards Qin Yu.

This person's body contained traces of killing intent. This killing intent was approaching Qin Yu.

Qin Yu narrowed his eyes and stood up to look at him.

Looking at the young man in front of him, Qin Yu felt somewhat unfamiliar.

"I don't seem to know you. Why do you want to kill me?" Qin Yu said coldly.

The young man ignored the young man's words and said, "Everyone in the world thinks that you, Qin Yu, are a top-notch genius. Some people even call you the number one genius, but I'm not convinced."

"So?" Qin Yu questioned.

"Before you appeared, master once said that I was the person who could change the world," the young man continued.

"But ever since you appeared, he changed his view."

"Qin Yu, did you know that you took away the glory that should have belonged to me!"

As he spoke, the young man's eyes turned scarlet, and his aura erupted!

"Late-stage Martial Marquis Realm?" Qin Yu's expression changed slightly when he sensed the young man's internal Qi.

The young man continued, "We are both in the late-stage martial marquis realm. Today, I want to see just how capable you are. Are you really what master said you are?"

“Who is your master?” Qin Yu asked with a frown.

“You will know after I beat you up!” The young man roared angrily, and the internal Qi all over his body completely exploded!

“Internal Qi! Internal Qi! Internal Qi! Internal Qi! Internal Qi! Internal Qi! Internal Qi!” A wave of power that swept through the entire area instantly spread out, and the terrifying aura shook the back of the mountain until it hummed!

Qin Yu’s expression changed again.

“This person’s strength is probably not weaker than mine,” Qin Yu said in shock.

Chapter 775: Chapter 775, news of Jingdu

Seeing the change in Qin Yu’s expression, the young man immediately became even crazier!

He laughed loudly and said, “Qin Yu! Why, are you very surprised? Do you think that you are the only one in this world? I, Jiang Yi, am not convinced!”

“Jiang Yi...” Qin Yu silently said this name and immediately guessed something.

“You are senior Jiang he’s disciple?” Qin Yu suddenly raised his head and asked.

Jiang yi shouted, “No need to ask. Let’s talk after the fight!”

After saying that, Jiang Yi strode toward Qin Yu!

Jiang Yi's moves were clean and neat. There was no fancy moves, only the purest power!

That incomparably fierce fist made Qin Yu a little absent-minded for a moment!

This Jiang Yi's style was actually somewhat similar to his own!

"Qin Yu, don't be so F * cking distracted!" The mustached man couldn't help but shout.

Qin Yu's expression changed. His fist instantly flickered with golden light, and then he raised his fist to meet it!

"Bang!"

The two fists collided, and it was as if Mars had collided with earth, causing the Earth to Rumble!

In an instant, the ground collapsed, and it was sent flying at any moment. The entire back mountain seemed as if it was about to be shattered!

The two fists collided, but for a moment, the victor couldn't be determined!

"Go to hell!" Jiang Yi roared again!

The two sides immediately launched the simplest and most extreme collision!

In the blink of an eye, the two sides had already exchanged dozens of punches!

Under this tremendous force, the ground had been completely shattered!
However, the two people still couldn't decide the winner!

The mustached man couldn't help but widen his eyes.

It was indeed shocking to have a physical body against a chaotic body!

“This person really has some ability,” the mustached man could not help but say in a low voice.

“Boom!”

At this moment, another fist collided!

This time, Qin Yu and Jiang Yi both took three steps back.

The difference was that Jiang Yi was already panting, while Qin Yu still looked calm.

He frowned slightly and said, “Jiang Yi, I'm not your enemy, and you don't need to compete with me.”

“Cut the crap!” Jiang Yi shouted crazily!

“I want to prove to everyone that I, Jiang Yi, am not inferior to you, Qin Yu!”

Qin Yu's frown became tighter and tighter.

Jiang Yi was Jiang he's disciple, so Qin Yu naturally wouldn't have the intention to kill him.

However, if there was no winner today, Jiang Yi would obviously not let it go.

“Alright.”Qin Yu took a deep breath.

“I’ll accompany you in a great battle,”Qin Yu said coldly.

Before he finished his words, Qin Yu’s internal Qi started to rise, and his golden radiance erupted to the maximum.

Jiang Yi sneered, “You’d better not hide your strength, or else... You’ll die here!”

“Stop!”

At this moment, Jiang he and the pavilion master suddenly stepped forward and blocked the two of them!

When he saw Jiang he, a trace of unwillingness flashed across Jiang Yi’s face!

“Master...”Jiang Yi clenched his teeth.

Jiang he turned to look at Jiang Yi and said in a deep voice, “Why do you insist on holding onto Qin Yu?”

Jiang Yi suddenly raised his head and shouted angrily, “Because I’m not convinced! I don’t think I’m inferior to him!”

“Master, I will definitely defeat him today. I will prove to you who is the one who has stepped into the Martial Saint Realm!”Jiang Yi roared crazily.

However, Jiang he shook his head and said, “Jiang Yi, let’s stop here. You are equally outstanding. I have never felt that you are inferior to anyone.”

“Then let me have a big fight with him and determine the winner!” Jiang Yi roared angrily and charged towards Qin Yu again!

However, this time, Jiang he stepped on a secret technique and instantly stood in front of Qin Yu. He raised his hand to receive Jiang Yi’s punch.

The deafening sound was deafening!

The dazzling light made people unable to open their eyes!

“Master!” Jiang Yi clenched his teeth as if he was extremely unwilling.

At this moment, Qin Yu took a step forward and shook his head, “Senior Jiang he, please satisfy him.”

Jiang he looked at Qin Yu and frowned slightly.

He was silent for a moment, then he sighed slightly and said, “Okay.”

Jiang he moved aside and stepped aside.

“Only today,” Jiang he said.

Jiang Yi didn’t say anything more. He clenched his fist and charged at Qin Yu again.

Although Jiang Yi was Jiang he’s disciple, his moves were completely different from Jiang he’s.

Compared to Jiang he’s elegance, Jiang Yi’s moves were extremely rough. Almost every punch was a collision of extreme power.

Qin Yu no longer restrained his internal Qi. His moves were open and unrestrained. Golden Light illuminated the world, and he fought with an undefeatable posture.

This battle lasted from day to night. Jiang Yi gasped for breath and vomited blood many times, but he still didn't give up.

Even Qin Yu was slightly moved by such a posture!

Both of their bodies were covered in blood, but their Qi and blood didn't show any signs of weakening. Instead, they became braver as they fought.

The Pavilion Master couldn't help but frown and said, "Your disciple is a bit stubborn."

Jiang he sighed slightly and said, "Yes, this is his strength and also his weakness."

"If we don't guide him, he might walk another path."The pavilion master was a bit worried.

Jiang he kept silent. He naturally understood this reasoning.

All these years, he had been guiding him.

The battle was still going on. It seemed that both sides would only give up if one of them fell.

"Although Qin Yu didn't hide his strength, he didn't use his spells to oppress Jiang Yi,"the mustached man said in a low voice.

He knew very well that Qin Yu had a secret technique. If it was really a battle of life and death, Jiang Yi would have fallen long ago.

What Qin Yu did was to use the purest power to fight.

“Boom!”

Finally, in the early morning of the next day, Qin Yu punched Jiang Yi’s chest with his golden fist.

Jiang Yi’s body was smashed into the ground, and there were many bloody marks on his body.

He wanted to stand up, but he found that he couldn’t. The bones in his body were almost shattered.

“AH...” blood kept pouring out of Jiang Yi’s mouth, but his fighting spirit didn’t decrease.

Qin Yu’s body was bathed in fresh blood. The bright red and golden color merged into one.

Qin Yu walked in front of Jiang Yi and said with his head lowered, “Jiang Yi, I admire you very much. I’m not your enemy.”

Jiang Yi gritted his teeth and said with difficulty, “Qin Yu... Sooner or later, I will kill you...”

Qin Yu did not say anything more. He looked at the pavilion master and said, “Lord Pavilion Master, I’ll have to trouble you with his injuries.”

The pavilion master nodded and said, “Yes.”

Then, Qin Yu said, "I have to return to Jingdu. I have something to take care of."

"Now?" The pavilion master's brows were slightly furrowed.

She looked at the fresh blood on Qin Yu's body and seemed somewhat worried.

Qin Yu wiped the blood off his body and smiled. "I'm fine. It's just a superficial injury."

Seeing this, the pavilion master didn't say anything more.

Then, Qin Yu walked quickly to the handlebar mustache.

"There's news from Jingdu," the handlebar mustache said.

Qin Yu took the phone and looked at the content on the phone.. Qin Yu frowned slightly.

Chapter 776: Chapter 776, the soul was destroyed

The message on the phone was from Xia Hang.

He told Qin Yu an important piece of news, and this news was related to the imprisonment of Yan Ruoxue!

"The person who suspects me is the purple-robed Chen Huang," Xia Hang said on the phone.

"As far as I know, the person who took Yan ruoxue away from the prison that day was Chen Huang."

Looking at this news, Qin Yu could not help but take a deep breath.

“Chen Huang...”Qin Yu muttered softly, and then the corners of his mouth curled up into a cold smile.

This meant that as long as they found Chen Huang, they would be able to know where Yan Ruoxue was being held.

Thus, Qin Yu looked at the handlebar mustache and said, “Return to Jingdu immediately.”

“The injuries on your body... are they really not serious?”The handlebar mustache furrowed his brows tightly.

At this moment, Qin Yu looked extremely terrifying. The blood stains all over his body almost made it impossible for him to see his appearance.

“It’s just a minor injury. Let’s hurry up and leave.”Qin Yu frowned and said.

Then, the two of them rushed back to Jingdu.

Qin Yu simply changed his clothes and prepared to go look for Chen Huang.

At night.

Chen Huang sat in his mansion as usual.

On this day, there were many guests in his mansion.

Among them were the purple robe who followed Xia hang that day, as well as the black and Gold Robe Yan Guiyi and the others!

“Mr. Chen, that Xia hang almost died at the hands of Qin Yu that day. He... He can't be having an affair with Qin Yu, right?” A purple robe asked.

“Indeed, Xia Hang is now the president of the Jingdu Martial Arts Association. His status is noble. Why should he have anything to do with a person like Qin Yu?”

At this time, Yan Guiyi could not help but grit his teeth and said, “When Granny Qin recovers, that Qin Yu will definitely die! No matter how stupid Xia Hang is, he can't get involved with Qin Yu!”

Chen Huang snorted and said, “It doesn't matter whether he has a relationship with Qin Yu or not. What matters is how to make him abdicate.”

As soon as he said this, everyone in the room fell into silence.

“Yan Guiyi, I will let you control black gold robe as soon as possible,” Chen Huang said lightly.

“As long as purple robe and black gold robe disagree with Xia hang, he will have to step down.”

A hint of excitement flashed across Yan Guiyi's face. Then, he hurriedly nodded and said, “Thank you, Mr. Chen!”

Chen Huang glanced at purple robe and said, “When I become the president, Purple Robe will be led by you.”

“At that time, in the entire Jingdu martial arts association, other than the higher-ups, we will be the ones in Charge!”

The purple robe was overjoyed and thanked him profusely.

Obviously, Chen Huang knew how to win people's hearts.

“That Xia Hang is just a tool to communicate with the outside world. Does he deserve to be the President?” Chen Huang snorted.

“That's right. Before Qu Xie died, his position was even lower than mine. Now, he is suppressing me. It really makes me unhappy!” Yan Guiyi said resentfully.

Chen Huang smiled and said, “Don't worry. After Xia hang leaves the stage, I won't let him off easily.”

“TSK TSK, I really didn't expect that the inner circle of your Jingdu Martial Arts Association would be so exciting.”

At this moment, a voice suddenly sounded.

The expressions of the few people changed, and they all looked toward the direction of the door!

They saw Qin Yu slowly walking over, and then sitting down next to Yan Guiyi.

Yan Guiyi's expression changed. He stood up and wanted to leave.

“Mr. Yan, don't be in such a hurry to leave.” Qin Yu reached out and patted Yan Guiyi's shoulder.

“Qin Yu, don't... Don't do anything reckless,” Yan Guiyi said with some fear.

“Reckless?” Qin Yu raised his eyebrows. Then, he suddenly grabbed Yan Guiyi’s arm. He exerted force with his hand and broke Yan Guiyi’s arm!

“Is this fooling around?” Qin Yu sneered.

Yan Guiyi grimaced in pain and broke out in cold sweat, but he didn’t dare to say a word.

“Qin Yu, how do you know this place?” Chen Huang asked with narrowed eyes.

Qin Yu glanced at Chen Huang and poured himself a cup of tea.

“What do you think?” Qin Yu took a sip of tea and asked with a faint smile.

Chen Huang narrowed his eyes and snorted, “Xia Hang told you that?”

“That’s right.” Qin Yu nodded.

Chen Huang was stunned.

He did not expect Qin Yu to admit it so directly!

“This Xia Hang... really betrayed the Jingdu Martial Arts Association!” Chen Huang said coldly.

Qin Yu said with a faint smile, “A good bird chooses a tree to roost in. The Jingdu Martial Arts Association’s fate is over. Xia hang just made the right choice.”

“Qin Yu, don’t be arrogant!” The purple-robed man said angrily.

Qin Yu looked at him coldly and said, "It was you who followed Xiahang that day, wasn't it?"

"You... you discovered me?" The purple-robed man's expression immediately changed.

Qin Yu said sarcastically, "Your ability to hide is too clumsy. It's difficult for me not to discover you."

"So... you deliberately put on an act for us to see?" Chen Huang asked with a cold face.

"That's right." Qin Yu smiled faintly.

Chen Huang could not help but sneer when he heard that. "You admitted it very straightforwardly."

Qin Yu raised his eyebrows. "Guess why I told you all these things?"

"Why?" Chen Huang asked.

"Because you're going to die soon. Dead people can always keep their secrets," Qin Yu said faintly.

Hearing this, the purple robe next to Chen Huang shouted, "Arrogant! Do You Think You're Invincible? No one dares to threaten us, purple robe!"

After saying that, he actually walked straight towards Qin Yu!

A sharp blade condensed in his palm and pierced straight towards Qin Yu's chest!

Qin Yu did not Dodge or Dodge. He allowed the sharp blade formed by his Qi force to Pierce towards him!

“Clang!”

At the instant of contact, the sharp blade was directly shattered!

And this purple robe was even forced back four to five steps!

“How could this be!” The Purple Robe’s expression changed greatly!

Qin Yu sneered, “The famous purple robe, is that all you have?”

Before he finished speaking, Qin Yu’s figure suddenly disappeared!

In the next second, he arrived in front of this purple robe!

The purple robe only felt a golden light covering his eyes. In the next second, his head and spiritual sense were directly crushed!

He was killed in one hit!

The purple robe of the Jingdu martial arts association was actually unable to fight back!

This immediately made Chen Huang and Yan Guiyi’s expressions change drastically!

“Qin... Qin Yu, this has nothing to do with me. I... I didn’t hear anything...” Yan Guiyi said with a slight tremble.

Qin Yu glanced at him and said, “Yan Guiyi, I had forgotten about you. Why do you have to get involved in this mess?”

Just as Yan Guiyi was about to speak, Qin Yu slapped him in the air!

His head and spiritual sense exploded instantly!

Then, Qin Yu's gaze fell on Chen Huang.

Chen Huang's body tensed up. He pretended to be calm and said, "Qin Yu, what are you trying to do?"

Qin Yu ignored him and asked, "You were the one who took Yan ruoxue away that day, right?"

Chen Huang's expression changed and he hurriedly explained, "I was just following the orders of the higher-ups..."

Qin Yu waved his hand and said, "I'll give you a chance. Tell me where you took Yan Ruoxue."

Chen Huang was stunned. He asked tentatively, "Can I tell you... in exchange for my life?"

"No." Qin Yu shook his head.

Chen Huang said coldly, "Then why should I tell you?"

Qin Yu grinned and said, "Because I can leave your divine sense behind.. You should know that if your divine sense is destroyed, your soul will be destroyed."

Chapter 777: Chapter 777, heading to the pavilion of divination

Chen Huang's expression changed drastically.

He subconsciously looked at the two people who had turned into skeletons beside him, and his forehead could not help but break out in cold sweat.

“F * ck you!”

At this moment, Chen Huang suddenly made a move. His hand flashed with light and headed straight for Qin Yu’s glabella!

Qin Yu was already prepared. He could not help but snort coldly and immediately waved his hand, sending Chen Huang flying with a slap!

This slap was extremely powerful, almost breaking half of Chen Huang’s face bone.

Chen Huang fell to the ground in a sorry state!

“I don’t want to die. Please spare me...” Chen Huang was afraid.

In the face of death, everyone revealed their most vulnerable side.

Qin Yu looked down at Chen Huang and said, “Tell me, where did you bring Yan Ruoxue?”

Chen Huang hurriedly said, “I’ll tell you, I’ll tell you everything!”

“That day, Granny Qin asked me to bring Yan Ruoxue to the true martial arts room of the Jingdu Martial Arts Association. After I put her down, I chased us out.”

“I don’t know anything else. I only know that she was brought to the true martial arts room!”

Qin Yu frowned and said, “True martial arts room? where is that?”

Chen Huang hurriedly said, “It’s in a mansion in the depths of the Jingdu Martial Arts Academy! Ask Xia Hang, Xia Hang knows!”

Qin Yu sized up Chen Huang and said, “You’re not lying to me, right?”

“I swear, I’m absolutely not lying to you!” Chen Huang hurriedly explained.

Qin Yu nodded. Then, a light flashed on his palm and directly shattered Chen Huang’s spiritual sense.

Since he suspected Xia Hang, then Qin Yu would never let him live.

Then, Qin Yu used the spiritual fire to finish off the Three Corpses and left in a hurry.

All the way back to Jingdu Martial Arts Academy.

Qin Yu took out his phone and called Xia Hang.

“Where is the true martial arts room?” Qin Yu went straight to the point.

Xia hang said, “The true martial arts room? That is an important place of Jingdu Martial Arts Academy. I have never seen it before.”

Qin Yu was silent for a moment and said, “How should I go in?”

Xia hang smiled bitterly and said, “Even I don’t have the qualifications to go in...”

Qin Yu took a deep breath and thought to himself, “I have to find an opportunity to sneak in and take a look.”

After he hung up the phone, Qin Yu calculated the time.

There was still one day left before the time the pavilion master mentioned.

Therefore, Qin Yu was not in a hurry. He brought his handlebar mustache out and planned to buy a space artifact.

“Spatial artifacts are not common items. If you want to buy them, I’m afraid you can only go to the pavilion of Heavenly Secrets,” said the handlebar moustache.

“Pavilion of Heavenly Secrets?” Qin Yu frowned slightly.

Not long ago, Qin Yu had offended the young master of the pavilion of heavenly secrets. If he went to the pavilion of Heavenly Secrets Now, he would definitely be in trouble.

“Other than the pavilion of heavenly secrets, is there no other place to buy them?” Asked Qin Yu.

The Mustache Man shook his head and said, “It’s very difficult, unless you’re looking for it at an auction, but there aren’t any auctions in the near future.”

Qin Yu thought for a while and said, “Forget about him. Maybe Luo Yang isn’t here at all.”

Thus, Qin Yu left the Jingdu Martial Arts Academy with the Mustache Man and rushed toward the pavilion of heavenly secrets.

The entrance of the pavilion of heavenly secrets was very imposing. The door was shaped like a statue of a dragon and a tiger fighting. Looking in from the entrance, it was dark.

Standing at the entrance, one could feel the pressure emanating from it.

Above the entrance, there were a few big words: Pavilion of heavenly secrets.

“This is the pavilion of Heavenly Secrets,”Qin Yu said in a low voice.

The mustached man licked his lips and said, “There are countless babe here.”

Qin Yu said jokingly, “Why don’t you come here to search for Babe?”

“Come here ? Do you know what is searching for the Babe ? Searching for the Babe is searching for the treasure. There are experts here, so I can’t find anything here.”The Mustache Man rolled his eyes.

Qin Yu couldn’t help but laugh when he heard that.

There were a number of luxury cars parked at the entrance of the pavilion of heavenly secrets.

One of the cars attracted Qin Yu’s attention.

It was a Maybach with a capital plate number, and Qin Yu was quite familiar with it.

“A car from the Yan Family ?”Qin Yu frowned slightly.

As he was speaking, Yan Sihai walked out from the pavilion of heavenly secrets.

Beside him was a peak-stage martial marquis.

After seeing Qin Yu, Yan Sihai was stunned, and then he sneered, “Qin Yu ? Long time no see.”

Qin Yu also sneered, “Yeah, I thought you were dead.”

Yan Sihai raised his eyebrows and said with slight sarcasm, “What? You haven’t rescued Yan Ruoxue Yet? If you don’t bring her out, her blood will probably be sucked dry.”

Hearing this, Qin Yu’s face suddenly changed, and a burst of killing intent burst out!

Feeling this killing intent, Yan Sihai unconsciously took a step back.

And the peak-stage martial marquis beside him quickly stepped forward and blocked in front of Yan Sihai.

Qin Yu said coldly, “Yan Sihai, Yan Ruoxue is your niece after all. Not only are you not in a hurry, but you’re even proud of her being taken away. Your skin is really thick.”

Qin Yu paused for a moment and continued, “But that’s true. You can even be ruthless to your own biological father, let alone your niece.”

Yan Sihai said with a cold face, “Qin Yu, don’t think that I can’t do anything to you just because you have some achievements now. Remember what kind of society we live in now!”

Qin Yu also sneered and said, “Yan Sihai, if I want to kill you, even if you hire a bodyguard, it’s useless.”

Yan Sihai seemed to feel a sense of danger.

He snorted coldly, then turned around and left.

Looking at Yan Sihai’s departing back, Qin Yu’s eyes narrowed slightly.

“Sooner or later, I will take back the Yan family for Old Mister Yan,” Qin Yu snorted coldly.

Then, Qin Yu strode into the pavilion of heavenly secrets with his handlebar mustache.

The pavilion of heavenly secrets had all kinds of weapons and spiritual artifacts.

Some of these spiritual artifacts were purchased, and some were personally forged by them. Each of them was extraordinary.

“I hope I don’t run into that Luo Yang,” the handlebar mustache muttered.

But the truth was that what one was afraid of came true.

Not far away, Luo Yang was holding a folding fan and striding over.

“Hello, Young Master.” When the surrounding people saw Luo Yang, they all bowed to greet him.

“Damn, what bad luck!” The mustached man couldn’t help but curse.

Qin Yu pretended not to see Luo Yang and turned his head to the side.

“Qin Yu?”

But even so, he still couldn’t escape.

Luo Yang walked quickly to Qin Yu and said with some ridicule, “TSK tsk, isn’t this the famous Qin Yu? Why would a big shot like you come to my small pavilion of Heavenly Secrets?”

Seeing that he couldn’t hide, Qin Yu smiled and said, “Young Master Luo, we meet again.”

Luo Yang said sarcastically, “Yeah, I still remember the time you stole my babe.”

“Do you have that gourd with you?” Luo Yang raised his eyebrows and asked.

Qin Yu frowned slightly and didn’t answer.

At this time, a few people walked over from Luo Yang’s side and surrounded Qin Yu and the handlebar mustache.

“To be honest, I’m very interested in that gourd,” Luo Yang said faintly.

“If you’re willing to hand over that gourd, you might be able to avoid the pain of suffering.”

Chapter 778: Chapter 778, the panicking pavilion of heavenly secrets

This was Luo Yang’s territory, and it was practically a call to a hundred.

And the strength of the pavilion of Heavenly Secrets was clearly much stronger than he had imagined.

Qin Yu looked coldly at Luo Yang and said, “We are here to buy things, but you want to rob us by force. Who would dare to come to the pavilion of Heavenly Secrets in the future?”

Luo yang sneered and said, “Qin Yu, don’t tell me you think that our pavilion of heavenly secrets relies on buying things to earn money? Could it be that your divine alchemist pavilion relies on selling medicine to earn money?”

“Aiya, young master Luo, I was wrong about that gourd. It’s a fake. I threw it away a long time ago.”The mustached man quickly jumped out to smooth things over.

Luo yang sneered and said, “Do you take me for a Fool? Cut the crap. Hand over the thing and I’ll spare your lives!”

The surrounding people quickly surrounded him.

In order to please Luo Yang, many people shouted one after another, “Young master Luo, Do you need our help?”

At a glance, dozens of people from the pavilion of heavenly secrets were standing by Luo Yang’s side.

Seeing this, Luo Yang became even more proud.

He said indifferently, “Qin Yu, as long as I say the word, I can let you die here!”

“Qin Yu?”Hearing this name, the faces of the people around changed.

Some people even had the intention to retreat and retreated one after another.

Qin Yu looked at Luo Yang coldly and said, “I’m giving you face. I’ll call you young master Luo. If I don’t Give You Face, you’re nothing.”

“Qin Yu, this is the pavilion of Heavenly Secrets!”The Mustache Man suddenly became anxious and gently pulled Qin Yu.

Qin Yu ignored him. He looked at Luo Yang coldly and said, “Luo Yang, I’ll give you one last piece of advice. I’m here to buy things, not to find trouble.”

Luo Yang said with a cold face, “You’ve already angered me. Qin Yu, I’m afraid this matter will be difficult today.”

After saying this, Luo Yang took a step back.

More than ten people immediately strode towards Qin Yu.

Qin Yu’s face became colder and colder, and the internal Qi on his body also erupted.

“Do it!” Luo Yang shouted.

As soon as he gave the order, someone immediately took the lead and rushed towards Qin Yu!

Qin Yu was not used to it at all. He waved his hand, and golden light rose in all directions. He directly sent him flying with a slap!

When the others saw this, their expressions changed drastically!

He sent a middle stage martial marquis flying with a slap. What kind of strength was this?

“Attack! Attack together!” Luo Yang shouted in exasperation.

These ten over people gritted their teeth and then rushed towards Qin Yu with large strides.

In an instant, spells rose in all directions, and light burst forth!

Countless spells rushed towards Qin Yu! They held the weapons gifted by the pavilion of heavenly secrets and were approaching Qin Yu’s vital point!

Qin Yu was not afraid at all. His moves were wide open and wide, and his undefeatable stance was terrifying!

His moves were simple and neat, only having an incomparably fierce fist.

And this fist contained an undefeatable might. With a punch, one person died!

Qin Yu fought against ten people alone. He was not at a disadvantage at all. His steel-like body forced back several people!

“Boom!”

An absolute beginning holy fist smashed out and directly shattered a person's body!

In just half an hour, these ten people all fell to the ground. Some were dead, some were injured. Almost no one could stop Qin Yu's footsteps!

The surrounding people were dumbstruck. They had only heard about Qin Yu's strength. After seeing it with their own eyes today, they were greatly shocked!

Luo Yang's face was filled with exasperation. He said angrily, “A bunch of trash! A bunch of trash!”

After saying that, he glared at Qin Yu and shouted, “Qin Yu, don't be arrogant. If my father didn't have something to do, he wouldn't let you be so arrogant!”

Qin Yu glanced at Luo Yang coldly, and suddenly slapped Luo Yang's face!

This Luo Yang's strength was not weak, but compared to Qin Yu, he was dwarfed!

Qin Yu's slap caused Luo Yang's head to buzz, and his vision started to see stars.

"You... you dare to hit me!" Luo Yang immediately flew into a rage!

Qin Yu said coldly, "You uneducated thing, today I will teach you for free on behalf of your father!"

After saying that, Qin Yu slapped Luo Yang's face again.

This slap was full of force, and it directly sent Luo Yang flying.

The surrounding people didn't dare to breathe loudly, and no one dared to make a sound.

"Qin Yu, you... You're finished!" Luo Yang said through gritted teeth.

Qin Yu couldn't be bothered with Luo Yang anymore.

He walked straight to an iron platform and examined it carefully.

There were many magical weapons and weapons placed on this iron platform, and they all looked extremely exquisite.

Some of the spiritual artifacts seemed to have not been dealt with in time. They looked rusty, but one could still feel that they were extraordinary.

Qin Yu casually picked up a spatial god artifact that looked like a ring and put it on his finger.

“I originally planned to buy a spatial god artifact, but your attitude made me very unhappy. This spatial God artifact will be taken as an apology from your pavilion of Heavenly Secrets,”Qin Yu said with a sneer.

Luo Yang was flustered and exasperated, but there was nothing he could do.

“Qin Yu, you’re finished, you’re finished!”Luo Yang could only sit on the ground and fly into a rage.

After Qin Yu took the spatial artifact, he turned around and left the Heaven’s secret pavilion.

Only after he walked out of the Heaven’s secret pavilion’s door did the mustache mutter, “You’re really fierce, running to the heaven’s secret pavilion to snatch something.”

Qin Yu snorted coldly, “Doesn’t he have to pay the price for attacking me? This spatial artifact is the price.”

After saying this, Qin Yu returned to the martial arts academy with his handlebar mustache.

Then, Qin Yu put the power of creation, Coffin, and other items into the spatial artifact.

“This picture will probably be targeted,”Qin Yu thought to himself.

The video of the battle with little black that day had long been leaked out. It was so big that there must be someone who knew the value of it.

And the person who could recognize this item must be very powerful.

“This is also good. I was just worrying about not having a golden core,”Qin Yu thought to himself.

After calculating the time, they should set off tomorrow.

Qin Yu and the handlebar mustache rushed to the airport that night.

On the other side, in the secret pavilion.

In the evening, as soon as the Pavilion Master of the secret pavilion, Luo Jingyu, returned to the secret pavilion, Luo Yang ran over crying.

“Dad, someone broke into the secret pavilion and injured our people! I also got two slaps on my face!”Luo Yang pointed at his own face and said with a face full of grief and indignation.

Luo Jingyu glanced at Luo Yang and said, “What did you do this time?”

“It’s not me who caused trouble! It’s that Qin Yu who is arrogant and conceited! He doesn’t put our pavilion of heavenly secrets in his eyes! and he even wants to steal our things!”Luo Yang said angrily.

Luo Jingyu obviously didn’t believe it at all. He poured a cup of tea and said indifferently, “If you don’t tell the truth, I Won’t care about you.”

Seeing this, Luo Yang had no choice but to bite the bullet and tell him the whole story.

After Luo Jingyu heard it, he couldn’t help but snort, “You don’t have much ability, and you still want to rob others? You Deserve It!”

“Dad, you can’t blame me for this. Even Yan Jinyao might not be his match with that Qin Yu’s strength, let alone me...”Luo Yang muttered in a low voice.

Luo Jingyu glanced at Luo Yang and changed the topic, snorting coldly, “He came to my secret pavilion to fight. Isn’t he looking down on me too much?”

“Yes, yes, yes! And that Qin Yu also snatched a spatial god weapon from our iron platform!”Luo Yang hurriedly said.

Hearing this, Luo Jingyu’s face immediately changed!

He hurriedly looked at Luo Yang and said, “Which spatial God Weapon?”

“It’s the ring that was placed in the iron platform...”Luo Yang whispered.

“You.... you said he took that ring? !”Luo Jingyu instantly looked as if he had lost his parents, and his face was extremely pale!

Chapter 779: Chapter 779, searching for the power of a martial saint

“That’s right, isn’t that just a broken ring? Why are you so nervous...”Luo Yang muttered in a low voice.

Luo Jingyu gritted his teeth and slapped Luo Yang’s face!

“Broken ring? Do you know that there’s a secret hidden in that spatial artifact? You Bastard!”Luo Jingyu said through gritted teeth.

“I spent a lot of effort to get that ring, and now it’s stolen because of you!”

Luo Yang covered his face and said in a low voice, “Then why don’t you go and get it back? Does he, Qin Yu, dare to Offend Our Pavilion of Heavenly Secrets?”

“If he was afraid of our pavilion of heavenly secrets, he wouldn’t have slapped you, you piece of trash!” Luo Jingyu said coldly.

“Let me tell you, if you can’t find that ring, I’ll break your legs!”

At this moment, Luo Yang also realized that something was wrong.

He said in a low voice, “Dad, then... then what should we do?”

Luo Jingyu took a deep breath and said, “We can only pray that he didn’t discover the secret of that spatial artifact.”

After saying that, Luo Jingyu fell into silence.

After a moment, Luo Jingyu sighed and said, “Calm him down first and apologize to him.”

“Take a few treasures and exchange it for the ring!”

...

At this time, Qin Yu and the handlebar mustache arrived at the airport early.

The Pavilion Master also sent Qin Yu the address.

Seeing this address, Qin Yu seemed to feel that it was somewhat familiar.

“Shengguo...”Qin Yu muttered in a low voice.

Qin Yu had been to this country before.

Back then, in order to treat Yang Jing’s father’s illness, Qin Yu had indeed made a trip there.

“What a coincidence.”Qin Yu thought to himself.

“I’ve already informed Xue Yuzhi. Whether or not you can obtain the power of the martial saint is up to you.”The pavilion master said in the text message.

Qin Yu picked up his phone.

He took a deep breath and said in a low voice, “No matter what, I must obtain the power of the Martial Saint!”

Qin Yu bought the latest flight and the two of them rushed to the Sheng Kingdom in the early morning.

Ten hours later.

The plane successfully arrived at the Sheng Kingdom.

After he got off the plane, Qin Yu took a deep breath and could not help but feel a little emotional.

“The last time I came to the Sheng Kingdom, I had just stepped into the path of cultivation. In the blink of an eye, so much time had passed.”Qin Yu could not help but sigh.

Thinking back, it had been a long time since he had seen Yang Jing.

In the past two years, Qin Yu had almost been cultivating and had not entered the secular world for a long time.

“I’m already here. If I have time, I’ll go visit the Yang family,” Qin Yu thought to himself.

At this time, the mustache pointed to a car not far away and said, “That car should be here to pick us up.”

Qin Yu looked over and saw a car with Qin Yu’s name written on it.

Therefore, the two of them immediately walked towards the car.

As soon as they approached, two people got out of the car.

They walked to the back and opened the car door. Then, they saw a woman in her twenties.

“You are Qin Yu?” The woman asked straightforwardly.

Qin Yu nodded and said, “Are you Miss Xue Yuzhi?”

“Miss?” The woman couldn’t help but cover her mouth and laugh.

“According to my age, you should call me Auntie.”

“Auntie?” Qin Yu couldn’t help but scratch his head.

But on second thought, since Xue Yuzhi was a friend of the pavilion master, she must be around the same age.

“Hello, Auntie Xue.” Qin Yu quickly changed his words.

Xue Yuzhi smiled and said, "Get in the car."

Qin Yu did not waste any time and immediately got into the car with his handlebar mustache.

After getting into the car, Xue Yuzhi sized up qin yu and sighed, "Your Pavilion Master is full of praise for you. He said that your alchemy skills are not inferior to hers."

Qin Yu quickly waved his hand and said, "That's too exaggerated. How can I be compared to the Pavilion Master?"

"Don't be too modest. She also said that you would become the first martial saint in the world." Xue Yuzhi continued.

Qin Yu could not help but stick out his tongue.

The first martial saint?

Qin Yu had heard these words one after another in the past two days.

"Oh right, do you know how to refine the Unity Pill?" At this moment, Xue Yuzhi suddenly asked.

Qin Yu said, "It shouldn't be a problem. Auntie Xue, May I ask, what is the effect of this unity pill?"

Hearing this, a trace of doubt flashed across Xue Yuzhi's face.

Qin Yu explained, "Because I came in a hurry, I didn't make any preparations. But don't worry, since I'm here, I'll definitely give you a satisfactory explanation."

Seeing this, Xue Yuzhi nodded and said, “My father was poisoned a few years ago. This poison is extremely strange. It’s said that only the concentric pill can cure it.”

“Over the years, we have tried many methods, but all of them failed. So, we put all our hopes on the concentric pill.”

“Detoxification...”Qin Yu nodded silently.

Normally, detoxification should not be difficult.

But with the Xue family’s ability, they must have tried the ordinary pill.

Since it did not work, it was enough to show that this kind of poison was not simple.

“How is it? Is It Okay?”Xue Yuzhi asked.

Qin Yu quickly nodded and said, “No problem.”

At this point, Qin Yu suddenly thought of the martial saint’s power.

Thus, Qin Yu said, “Aunt Xue, may I ask, I heard that your Xue family has the power of the martial saint. Is that true?”

Xue Yuzhi did not avoid this question.

She smiled and said: “That’s right. It is precisely because we have the power of a martial saint that our Xue family has been able to stand firm in the Sheng Country.”

“Otherwise, I am afraid we would have been eaten long ago.”

Qin Yu frowned and said: “From what you said... . . . The Sheng country is very dangerous ?”

“Yes.”Xue Yuzhi nodded.

“The Sheng country is not very big and its management skills are very poor. That is why many organizations have been stationed here.”Xue Yuzhi explained.

Qin Yu asked a little puzzled: “Since it is so dangerous, why did you all come to the Sheng Kingdom ? Why did you not stay in the fire country ?”

Xue Yu Zhi’s expression changed slightly and she said in a deep voice: “We have enemies and we had no choice but to come to the Sheng Kingdom. Otherwise, who would be willing to leave their hometown ?”

“In any case, do not ask about things that you should not ask.”

Seeing that Xue Yu Zhi’s tone was not friendly, Qin Yu did not continue to ask.

The car sped along and soon arrived at the Xue family.

Just like the Yang family, the Xue family also owned a manor, and this manor was even more magnificent than the Yang family.

The entire border was built with city walls, almost like a small city.

After arriving at the Xue family, Xue Yuzhi asked someone to arrange a room for Qin Yu.

“You can stay here temporarily. I’ll inform you when I look for you,”Xue Yuzhi said.

Qin Yu nodded and said, “Aunt Xue, there’s no time to lose. I hope you can hurry up.”

For Qin Yu, time was of the essence.

Just as Yan Sihai said, Every Minute Qin Yu delayed, Yan Ruoxue would suffer more.

Chapter 780: Chapter 780, snatching the pill formula

Hearing Qin Yu’s words, Xue Yuzhi said with a faint smile, “There are some things that can not be rushed.”

After saying that, Xue Yuzhi looked at the door and said, “If there is anything, you can inform the people outside.”

Seeing this, Qin Yu could only nod.

After Xue Yuzhi left, Qin Yu and the handlebar mustache temporarily stayed here.

He released his spiritual sense to cover the surroundings and discovered that there were many martial artists in the Xue family.

However, these martial artists were not all top-notch. Instead, there were many weak ones.

For example, martial grandmasters, or even martial grandmasters.

“How can there be martial grandmasters in the Xue Family?” Qin Yu could not help but frown.

The difference in strength between the Xue family was a little big. Not only were there martial marquises, there were even martial grandmasters.

This simply did not make sense. A family with a martial marquis would definitely not look at Grandmasters in the eye.

Of course, Qin Yu did not think too much about it. After all, there might be geniuses in the Grandmaster realm.

In the blink of an eye, night arrived.

However, the Xue family did not make any movements, and no one came to inform Qin Yu.

This could not help but make Qin Yu a little anxious.

He stood up and walked to the door. He said politely to the person outside the door, "May I ask if Aunt Xue has come?"

"No," the person said expressionlessly.

Qin Yu said in puzzlement, "I'm here to refine pills for the Xue family. Why hasn't the Xue family made any movements?"

The person glanced at Qin Yu and sneered, "You're not the only one who refined pills for the Xue family. You'd better wait patiently."

Only then did Qin Yu come to a realization.

It turned out that the Xue clan had not invited him alone.

Those weaker grandmasters might have been the alchemists that the Xue Clan had invited.

“Looks like there is still a need for competition in this matter.”Qin Yu rubbed his chin as he thought to himself.

The Divine Alchemist’s Pavilion had gathered together the fire country’s most elite alchemists and Pyro Alchemists. But in the entire world, the Divine Alchemist’s pavilion was not the only one that was dominant.

Hence, it was normal for the Xue clan to have invited other alchemists.

“The Unity Pill... . . Have you heard of this pill before ?”Qin Yu asked as he looked at the handlebar moustache.

The handlebar moustache rolled his eyes and said: “You are an alchemist, and you ask me ? I have never heard of the Unity Pill before.”

Qin Yu said softly: “The Unity Pill is a heaven ranked pill. In the current era, most of the heaven ranked pill formulas have already been lost.”

What Troubled Qin Yu the most was that there was no concentric pill formula in his inherited memories.

That night, Qin Yu searched for an entire night, but he still could not find the concentric pill.

“Sorry for the trouble.”Qin Yu could not help but touch the tip of his nose.

If he did not have the concentric pill formula, then this trip was destined to be in vain. He could forget about the power of a martial saint.

At this moment, the sound of knocking came from outside.

In a short while, a man walked in.

“Who is Qin Yu?” He asked after entering the door.

Qin Yu stood up and said, “I am.”

“Follow me,” the man said.

Qin Yu did not hesitate. He immediately stood up and followed the man out of the room.

They arrived at a certain square in the Xue family’s manor.

At that moment, there were already dozens of people gathered in the square!

Qin Yu frowned and asked: “Why are there so many people? Could it be that they are all alchemists?”

“That’s right.” The man nodded and said.

“These people come from all over the world and they all claim to be able to concoct the concentric pill.”

Qin Yu swept his gaze over and discovered that among these people, not only were there people from the Yan country, there were also many foreigners with blonde hair and blue eyes.

“The Xue Clan has actually invited so many alchemists.” Qin Yu suddenly felt a sense of crisis in his heart.

With so many people, there was no guarantee that one of them would be able to obtain the pill formula of the heart synchronization pill.

He swept his gaze across everyone present and a vicious thought suddenly emerged in his heart.

That was to snatch the pill formula from these people's hands! In that case, the heart synchronization pill would not be a problem!

Although his thoughts were a little vicious, Qin Yu had no other choice.

Qin Yu must obtain the power of a martial saint.

"Wait here." That man said these words and then left in a hurry.

Qin Yu stood there silently and waited quietly.

The people around him all had strange expressions on their faces. They looked as if they did not care about anyone and were incomparably arrogant.

They didn't communicate with each other at all. It was as if they were enemies.

Ten minutes later.

Xue Yuzhi and two men appeared in front of them.

The two men were Xue Yuzhi's brothers, Xue Yujie and Xue Yuchen.

The three of them stood on high ground and looked down from above. All they could see were alchemists.

"Thank you for coming all the way here," Xue Yujie said.

"My father is in urgent need of a concentric pill. Whoever can refine the concentric pill will be rewarded handsomely!"

At this point, Xue Yujie stretched out three fingers and said, “I will only give you three days. After three days, I hope that you can bring the pill and gather here again.”

“As for the herbs, you can directly go to the herb warehouse to collect them.”

Everyone present bowed and said, “Mr. Xue, please rest assured.”

Xue Yujie grunted in gratitude, then waved his hand and said, “Everyone, don’t waste your time. Gather here on time in three days.”

After saying this, the three people of the Xue family turned around and left.

Qin Yu looked at an alchemist beside him and said, “Do you really have the pill formula for the concentric pill?”

“It’s none of your business!” The Alchemist glared at Qin Yu and turned to leave.

Qin Yu was rejected and could not help but feel a little awkward.

Many of the alchemists present rushed to the herbs warehouse, but Qin Yu was not in a hurry.

Without the pill formula in his hands, even if he went to the herbs warehouse, he did not know what to receive.

After returning to his residence, Qin Yu was troubled for a moment.

“How is it?” The mustached man came forward and asked.

Qin Yu smiled bitterly and said, “The Xue family has found at least dozens of alchemists, and I’m only one of them.”

“So Many?” The mustached man was also a little surprised.

Qin Yu nodded and said, “Yes. The most important thing is that I don’t have the formula for the heart-to-heart pill at all.”

“Then why are you here?” The mustached man said with his eyes wide open.

Qin Yu sighed and said, “We can only take it one step at a time. Maybe we can find another way.”

At this moment, Xue Yuzhi pushed the door open and walked in.

Qin Yu hurriedly got up and said, “Aunt Xue.”

Xue Yuzhi nodded slightly and said with a smile, “How is it? is the pill okay?”

Qin Yu opened his mouth and finally lied, “No problem. But... why did the Xue family invite so many pharmacists? Don’t tell me they all have the formula for the concentric pill?”

“No.” Xue Yuzhi shook her head.

“I told you, Shengguo is a country with very poor supervision. Many forces are stationed here.”

“Many people came because of the reputation. In these three days, they will certainly inquire about the news, find out who has the recipe for the concentric pill, and then snatch the recipe for the concentric pill.”

As soon as these words were said, Qin Yu was a bit surprised.

Wasn't this a coincidence? This thought really coincided with his own.

Chapter 781: Chapter 781, killing two people!

"In other words, someone is here for the pill formula?" Qin Yu raised his eyebrows and asked.

"That's right, so you have to be careful." Xue Yuzhi nodded with a smile.

She didn't know what Qin Yu was thinking. In her opinion, Qin Yu must have the pill formula.

"By the way, Aunt Xue, do you know who has the pill formula among these people? I want to know who my competitors are," Qin Yu lied.

Xue Yuzhi smiled and said, "Although there are many people here today, you only need to pay attention to two people."

"One is called Hou Xin, and the other is called Wen Sheng," Xue Yuzhi said.

Qin Yu silently memorized these two names and nodded. "Okay, Auntie Xue, I got it."

"Well, hurry up. You only have three days," Xue Yuzhi said.

After saying that, Xue Yuzhi got up and left.

After she left, Qin Yu couldn't help but sneer, "Snatching things? I'm the best at it."

Late at night.

The entire courtyard was silent.

And under this silence, there was an undercurrent surging.

Who knew how many people were filled with killing intent, preparing to snatch the formula for the Unity Pill.

Qin Yu got up and strode out of the house.

He restrained his internal Qi and carefully rushed towards Hou Xin's residence.

During the day, Qin Yu had already inquired about Hou Xin's residence, so it was not difficult to find Hou Xin.

He came all the way to Hou Xin's residence.

The moment he got close, Qin Yu felt several internal Qi surrounding him.

Qin Yu narrowed his eyes and could not help but sneer, "Looks like someone has already made a move."

Qin Yu looked at the door and found a few footprints.

Obviously, someone had already made a move.

He was not in a hurry to make a move. Instead, he waited silently nearby.

A few minutes later.

Hou Xin's door was easily opened by someone. Then, two martial marquises strode in!

Hou Xin, who was about to sleep, was suddenly startled. He hurriedly got up and said with some fear, "You... What are you doing?"

Hou Xin was not very strong. He was only at the peak of the Great Grandmaster realm.

Facing two martial marquises, he had no way to fight back!

"What are you doing? Hand over your concentric pill formula!" One of the martial marquises said coldly.

"Otherwise, today will be the day of your death!"

Hou Xin's face was pale. He said with fear, "I... I don't have the concentric pill formula! You... Don't act recklessly!"

"No? Bullsh * T! The outside world knows that you have the formula for the concentric pill!" One of the martial marquises shouted.

The other Martial Marquis took a step forward and grabbed Hou Xin's neck.

The huge force instantly made Hou Xin unable to breathe.

Blue veins bulged on his forehead as he said with a pained expression, "I... I really don't have the formula for the concentric pill..."

"You still want to argue? Fine! If you don't hand over the formula for the concentric pill today, then you can go to hell!" Wu Hou shouted sternly as the strength in his hands suddenly increased!

Under this tremendous force, blue veins bulged on Hou Xin's face, and his entire face turned red and swollen!

“TSK TSK, you want to kill someone just because you can't snatch something?”

At this moment, a voice entered their ears.

They turned around and saw that it was Qin Yu.

He sized up the two martial marquises in front of him and said, “Put them down.”

One of the martial marquises said coldly, “Who are you? I'm Warning You, you better mind your own business!”

Qin Yu sneered, “I told you to put them down.”

“I think you're courting death!” One of the martial marquises shouted angrily and then rushed towards Qin Yu!

The sharp claws in his hand were incomparably sharp, and directly headed towards Qin Yu's head!

Qin Yu coldly looked at this martial marquis, and then threw a punch.

“Boom!”

Just this punch, that Martial Marquis' Palm was instantly shattered!

Before he could speak, Qin Yu's Golden Palm had already slapped over.

“Crack!”

This slap directly smashed that Martial Marquis' head into pieces!

Qin Yu bent down and took out the golden pill from his stomach, then threw his body to the side.

The other Marquis Wu's face instantly turned pale. He let go of Hou Xin and said coldly, "Brother, you should also be here for the Unity Pill, right? Why don't we work together and force this kid to hand over the Unity Pill, how about it?"

Qin Yu touched his chin and muttered, "This is a good choice..."

"No... no..." Hou Xin panicked and looked at Qin Yu with a terrified expression.

"Cut the crap!" Marquis Wu slapped Hou Xin's face.

Then, he looked at Qin Yu and said with a smile, "Brother, I have many ways to torture people. I guarantee that I can get him to hand over the recipe for the Unity Pill!"

Qin Yu looked at Marquis Wu in front of him and said with a smile, "Your suggestion is good, but... I don't want to cooperate with you."

"You... What do you mean!" Marquis Wu's face suddenly changed!

Qin Yu said coldly, "I mean to kill you."

"How dare you! Do you know what kind of person I am!" Marquis Wu shouted.

"I am a member of the Purple Flame sect! If you kill me, I guarantee that you won't be able to leave Sheng Country!"

Qin Yu sneered, “What Bullshit Purple Flame sect? I fucking hate people who threaten me the most!”

After saying that, Qin Yu directly gave him a slap, directly smashing his head!

In the blink of an eye, he had killed two martial marquises. This kind of strength left Hou Xin dumbstruck!

He trembled slightly as he said, “Thank... Thank you...”

Qin Yu did not pay attention to him. He kept the two golden pills and then with a gentle wave of his hand, the door closed.

Qin Yu walked to Hou Xin and sat down. He said with a smile, “How about giving me the formula for the concentric pill? Of course, you can name the conditions.”

Hou Xin’s face changed. He said with a bitter smile, “Sir, I really don’t have the formula for the concentric pill...”

“You don’t?” Qin Yu raised his eyebrows.

“But it’s being spread outside. You have the formula, not to mention... with your strength, if you don’t have the formula for the concentric pill, why would you take this risk?”

Hou Xin was silent for a moment, then sighed and said, “To tell you the truth, I only have one substitute, which is also used to remove poison. What I want is to try my luck.”

“If my pill can only be used by Old Master Xue, then this trip will not be in vain. But I never thought that it would lead to a fatal disaster...”

Qin Yu frowned slightly.

He frowned and said, “Do you really not have the formula for the concentric pill?”

Hou Xin nodded vigorously and said, “I really don’t! But... that Wen Sheng seems to have it.”

“How do you know?” Qin Yu frowned and said.

Hou Xin stammered and said, “I also heard it from others.”

At this point, Hou Xin suddenly changed the topic and said, “You saved my life, so I owe you a favor. Although I don’t have the formula for the concentric pill, I can give you my substitute pill formula.”

Qin Yu raised his eyebrows and said in surprise, “Really?”

“Absolutely!” Hou Xin nodded and said.

Chapter 782: Chapter 782. So that’s how it is

“I, Hou Xin, have never owed anyone a favor! Please wait a moment, I’ll give you the Pill Formula Right Now!” Hou Xin hurriedly stood up and said.

Qin Yu did not refuse. He sat at the side and waited quietly.

About three hours later, Hou Xin came over with the pill formula.

“This is my substitute. It’s called the detoxification pill. It can almost remove all poisons!” Hou Xin said with confidence.

“But I’m not sure if the poison in Old Master Xue’s body can be removed.”

Qin Yu took the pill formula, stood up and said, “Thank you very much.”

“By the way, with your strength, it’s very easy for you to get yourself killed. Why Don’t you follow me to My Place?”Qin Yu suggested.

Hou Xin shook his head and said, “No, I prefer to live alone. Thank you for your concern.”

Seeing this, Qin Yu did not insist.

He nodded and left.

Then, Qin Yu rushed to Wen Sheng’s residence.

However, when Qin Yu arrived at Wen Sheng’s residence, his expression could not help but change!

He saw a corpse lying on the ground. His chest had been shattered, and it looked terrible!

Qin Yu’s expression immediately changed!

“Could it be that he is Wen Sheng? !”Qin Yu muttered in a low voice.

Before Qin Yu could think, a few people had already walked in from outside the door.

“How dare you! You actually dared to commit murder in the middle of the Night!”

Qin Yu turned around and saw that Xue Yujie was leading two Marquis Wu and looking at Qin Yu coldly.

Qin Yu frowned and said, "I didn't kill him, i..."

"If you didn't kill him, then why are you here? !"Xue Yujie shouted.

Qin Yu opened his mouth and felt something was wrong.

Oh No! Wen Sheng had been killed by someone before him!

Most importantly, this SH * T Pot was about to fall on his head!

"You actually killed Wen Sheng. What a vicious thought!"Xue Yujie said coldly.

Qin Yu said with a cold face, "I'll say it again. I didn't kill him!"

"Cut the crap. take him down!"Xue Yujie shouted.

After that, the two marquises strode toward Qin Yu!

Qin Yu's face was cold, and the internal Qi on his body was rising rapidly.

"What's going on?"

At this moment, Xue Yuzhi walked in.

Xue Yujie glanced at her and said, "This person killed Wen Sheng. He probably didn't want to take the prescription, so he killed him to silence him."

"Qin Yu?"Xue Yuzhi immediately frowned.

Qin Yu bowed and said, "Aunt Xue, I didn't kill him."

"You still dare to be stubborn? If you didn't kill him, why are you here?" Xue Yujie said angrily.

Qin Yu opened his mouth and was about to explain, but Xue Yuzhi shook her head and said, "Qin Yu was introduced by my friend. He can't lie."

"Impossible to lie? Yuzhi, don't be deceived by others," Xue Yujie said coldly.

Xue Yuzhi said in a low voice, "Brother, Wen Sheng is already dead. If you capture Qin Yu again, who will save father?"

Xue Yujie frowned slightly, as if he thought what Xue Yuzhi said made sense.

"Qin Yu, hurry up and declare your position!" Xue Yuzhi urged hurriedly.

Qin Yu looked at Xue Yujie and said in a deep voice, "Mr. Xue, I will definitely be able to refine the pill and Cure Old Master Xue."

"Also, I didn't kill the person."

Xue Yujie didn't care about Wen Sheng's life or death at all. As long as someone could refine the pill and one or two people died, he didn't care at all.

"Okay, I believe you for the time being," Xue Yujie said coldly.

"But I'm warning you, if I don't see the pill three days later, I will never let you go!"

After saying this, Xue Yujie turned around and left.

After he left, Xue Yuzhi hurriedly asked, “Qin Yu, what exactly happened?”

Qin Yu frowned and said, “I wanted to discuss the pill formula of the Unity Pill with him, but when I came, he was already dead.”

Xue Yuzhi asked in a deep voice, “Why did you come in the middle of the night?”

Qin Yu did not panic. He explained, “I went to find Hou Xin first and discussed it with him in the middle of the night, so I came late.”

Seeing this, Xue Yuzhi did not ask any more questions.

She nodded and said, “As long as I can refine the heart-to-heart pill, it doesn’t matter.”

Qin Yu grunted and said, “Aunt Xue, I understand.”

At this point, Qin Yu suddenly thought of something.

“Aunt Xue, do you know the Purple Flame sect?” Qin Yu asked.

“Purple Flame sect?” Xue Yuzhi frowned slightly.

“Why did you inquire about the Purple Flame sect for no reason?”

Qin Yu said casually, “It’s nothing. I just heard someone mention it before, so I just asked casually.”

Xue Yuzhi said in a deep voice, “The Purple Flame sect is a local force. It is very powerful. It has more than twenty martial marquises, and there is no lack of peak martial marquises among them.”

“With such strength, even our Xue family is unwilling to offend them.”

Upon hearing these words, Qin Yu immediately felt that something was amiss.

It was not that he was afraid of the Purple Flame sect. It was mainly because he was afraid that after he left, the Purple Flame sect would blame this on the Xue family.

“If I can obtain the power of a martial saint, I might as well make a trip to the Purple Flame sect.” Qin Yu thought to himself.

It was also a good opportunity to test out the power of a martial saint.

After bidding farewell to Xue Yuzhi, Qin Yu walked around the room again. He only returned to his residence in the middle of the night.

After he returned, Qin Yu took out the two golden cores.

The golden cores were emitting a dim light in the darkness.

Waves of dense qi/spiritual energy spread out.

Qin Yu took a deep breath and said, “This golden core is really a good thing. It would be great if I could get a few more.”

Thinking of this, Qin Yu suddenly had an idea.

He thought for a while and finally sneered, “It’s decided!”

Then, Qin Yu took out the pill formula given by Hou Xin and carefully studied it.

The herbs recorded in this pill formula were all quite common, and the refining method wasn't too difficult.

“Can this thing really dispel poison?” Qin Yu couldn't help but frown.

He pondered for a moment before putting the pill formula aside.

Following that, Qin Yu closed his eyes slightly and searched through his inherited memories for the pill formula for the dispel poison pill.

“There really is one!”

Very quickly, Qin Yu found the pill formula of the poison expelling pill in his inherited memories.

“HM?”

A few minutes later, Qin Yu frowned slightly.

The pill formula in his inherited memories seemed to be different from the pill formula that Hou Xin had given him.

The general medicinal herbs were basically the same, but there were a few herbs that were completely different.

Not only were the medicinal herbs different, their effects were completely opposite.

Qin Yu stared at the pill formula in his hand and immediately frowned.

A few minutes later, Qin Yu's brows relaxed.

He sneered, “So that’s how it is. I understand now...”

My Rich Wife – Chapter 783 –

Chapter 783: Chapter 783, eighteen golden cores

He put away the pill formula and closed his eyes slightly, as if he was searching for something.

The next day.

The medicine storehouse opened on time. Many alchemists came to the medicine storehouse to collect the herbs, and Qin Yu was no exception.

As soon as he arrived at the Medicine Storehouse, Qin Yu met Hou Xin.

Hou Xin greeted him warmly, “Mr. Qin, are you also here to collect the herbs?”

Qin Yu smiled and said, “Yes, how was it? Did Anything Happen Last Night?”

Hou Xin scratched his head and said, “I don’t have the formula for the concentric pill in my hands. What could have happened?”

“Yes.” Qin Yu nodded slightly.

At this time, Hou Xin suddenly asked, “Mr. Qin, I heard that you killed Wen Sheng Last Night? How was it? Did you get the formula for the concentric pill?”

This voice was not loud, but it could reach everyone’s ears.

As soon as these words were said, countless people immediately turned to look at Qin Yu.

Their eyes were filled with intense killing intent and greed.

Seeing this, Hou Xin hurriedly covered his mouth and said in a low voice, “Did... did I say something wrong?”

Qin Yu generously waved his hand and said, “It’s nothing.”

Hou Xin nodded and said, “Then, Mr. Qin, I’ll go in first.”

Qin Yu grunted in gratitude, but he was not in a hurry to follow him in.

He stood at the door and could not help but glance at the crowd.

Everyone’s gaze also fell on Qin Yu.

Qin Yu’s eyes narrowed, and a trace of a cold smile could not help but appear on his face.

Among these people, there were only seven Marquis Wu, and the rest were all martial grandmasters and grandmasters.

Other than Marquis Wu, no one dared to Covet Qin Yu.

Qin Yu snorted lightly, and then strode into the warehouse of herbs.

While collecting the herbs, Qin Yu’s eyes unconsciously swept over the crowd.

He wanted to see what herbs these people were collecting.

Soon, Qin Yu realized that something was wrong.

The herbs these people were collecting seemed to be the same.

Not only were the herbs the same, even the quantity was almost the same.

“It really is like that,”Qin Yu thought to himself.

He completely confirmed the thoughts in his heart.

After receiving the herbs, Qin Yu turned around and left the herb warehouse.

That day, Qin Yu was not in a hurry to refine a pill. Instead, he sat cross-legged on the bed and closed his eyes to rest.

“TSK TSK, you are not in a hurry at all,”the mustached man said as he leaned forward.

Qin Yu opened his eyes and said, “Do you have any ideas? Can you help me find someone?”

The mustached man was stunned. He frowned and said, “Find someone? I do have a spell, but I also need something close to him, such as hair.”

“What if there’s nothing? Is there a possibility to find someone through divination?”Qin Yu asked.

The mustache man snickered, “You’re thinking too much. If you were an Almighty, you might be able to do it, but Marquis Wu... It’s impossible.”

Seeing this, Qin Yu could only nod his head.

At night.

The sky gradually darkened.

Everything in the world seemed to have fallen asleep, but at this moment, Qin Yu suddenly opened his eyes.

He stood up and swept his gaze outside the window, as if waiting for something.

Half an hour later, there was a sudden movement outside the door.

Then, waves of strange internal Qi surged over.

“It’s Here!” Qin Yu’s eyes burst with a bright light!

Before he could finish his words, the door of the room was suddenly shaken open by an internal Qi!

Then, several people walked in with big strides!

These people were all in the Martial Marquis realm, and they held all kinds of spiritual artifacts in their hands!

Their magical artifacts were all extremely exquisite, and their internal Qi was extraordinary.

Qin Yu swept his gaze over the crowd and said indifferently, “Everyone, why have you come to visit us so late at night?”

One of them stepped forward and said with a sneer, “Kid, don’t play dumb! Where’s the pill formula for the Unity Pill?”

“That’s right! You killed Wen Sheng, so you must have the pill formula in your hands! Hand over the pill formula and I’ll spare your life!”

Qin Yu sized up the people in front of him and said with a faint smile, “What if I don’t hand it over?”

“Don’t hand it over?” One of them laughed out loud.

“You’re already surrounded by us, how can you have a choice!”

Qin Yu raised his eyebrows and said, “Surrounded? With just the few of you?”

As he spoke, Qin Yu suddenly raised his palm and then clenched it with his fingers. Instantly, spatial barriers appeared around him one after another!

“Have you all heard of an idiom called ‘inviting a man into a trap’?” Qin Yu raised his brows and asked.

The expressions of these people changed slightly as they frowned and said, “What do you mean?”

Qin Yu sneered and said, “I deliberately released the news that the Heart United Pill formula was in my hands. My purpose was to trick you all into coming to our door.”

“Trick us into coming to our door?” Upon hearing this, the few of them immediately laughed out loud.

“That’s right. Of course, don’t misunderstand. I didn’t come here to obtain some secret technique from you. I just wanted to take your golden core for a use.” Qin Yu said with a faint smile.

“Kid, you are too arrogant!” Someone stepped forward and shouted.

“Do you think that you alone are a match for the seven of us?”

Qin Yu took a sip of water and said indifferently, “You don’t even have a peak-stage martial marquis. How dare you come here to cause trouble?”

Before he finished his words, the water in Qin Yu’s hand was suddenly splashed out!

This water contained Qin Yu’s powerful spiritual power. Its power could not be compared to even bullets!

“Bang Bang Bang!”

Just a few water droplets shattered the knees of several people!

“What a powerful force!” Everyone’s expression changed drastically!

“Everyone, attack together and kill him!” One of them shouted loudly.

He held a magic artifact in his hand and walked towards Qin Yu!

The Magic artifact in his hand flickered with light, and a terrifying power instantly spread out!

“Go to hell!” With the activation of the magic artifact, the terrifying power directly approached Qin Yu!

Qin Yu snorted coldly, clenched his Golden Fist, and threw a punch to meet it!

“Clang!”

A loud sound spread in an instant! The Magic artifact shattered with a sound!

“How... how is this possible!”

Before he could react, Qin Yu had already thrown a punch at him.

Just one punch had shattered his head!

Qin Yu bent down and took out the golden core from his dantian. Then, he wiped the blood stains with his sleeve.

“En... I have almost ten golden cores,”Qin Yu said indifferently.

Their faces immediately became extremely ugly! Some people even had the intention to retreat and planned to escape!

However, Qin Yu had already set up a spatial barrier, how could he let them escape!

“Since you are here, then stay!”Qin Yu shouted coldly and immediately stepped forward!

In an instant, golden light rose up everywhere! The entire room wailed continuously!

In just a short ten minutes, there were seven more corpses in this room!

Qin Yu dug out their Dantian and dug out their golden cores.

“Including these few people, I already have eighteen golden cores..”Qin Yu had a satisfied look on his face.

Chapter 784: Chapter 734: never believed in you

If there were a little more golden cores, then there would be nothing lacking in cultivation.

‘If I can obtain the power of a martial saint, then I will go and exterminate the Purple Flame sect. At that time, I will be able to obtain a lot of golden cores,’ Qin Yu thought to himself.

If he could exterminate all the forces in the vicinity, then it would be even more satisfying.

Qin Yu used the spirit fire to finish off these few corpses, then he lay on the bed and fell asleep.

The next day.

Qin Yu came to the herbs warehouse again.

There were obviously fewer people coming to the herbs warehouse today, because most of them had already received the herbs.

When Qin Yu came to the herbs warehouse, Hou Xin was selecting herbs.

Qin Yu walked behind him and patted his shoulder, smiling, “What a coincidence.”

Hou Xin suddenly turned around and saw Qin Yu in front of him. A trace of surprise flashed across Hou Xin’s face.

“Mr. ... Mr. Qin, why are you here?” Hou Xin asked subconsciously.

Qin Yu smiled and said, “Of course I’m here to select herbs. What About You?”

Hou Xin smiled embarrassedly and said, “Me... Me Too.”

After saying that, he hurriedly selected a few herbs and left the place.

Looking at his departing back, Qin Yu couldn't help but reveal a trace of a cold smile.

Today was the last day, and all the alchemists began to exert their strength.

Pill clouds would gather in the manor from time to time. This was enough to show that many people had successfully refined a pill.

“I can't waste any more time,” Qin Yu thought to himself.

He took out the medicinal cauldron, then dyed the spiritual fire in his hand and began to refine the pill.

From morning until evening, Qin Yu slowly opened his eyes.

He slowly stood up, and then a trace of Qi/spiritual energy flowed out from his palm.

This trace of Qi/spiritual energy slowly fell into the medicinal cauldron.

At this moment, Qin Yu's pupils suddenly constricted, and he said in a low voice, “Pill success!”

“Boom!”

The entire room immediately erupted with a loud bang!

At the same time, a large patch of multicolored pill cloud condensed in the sky!

Such a pill cloud instantly attracted countless gazes!

Many people raised their heads and looked at the sky.

“What a beautiful pill cloud...” someone exclaimed.

“Such a pill cloud, it must be an extraordinary pill!”

“TSK TSK, looks like this Xue family manor really has an expert!”

The Pill Cloud condensed in the sky for a long time before gradually dissipating.

At the same time, a pill had already appeared in Qin Yu’s palm.

The Pill was pitch black, and it emitted a strange smell.

No matter how one looked at it, this pill didn’t seem like a heaven rank pill.

“This is the concentric pill?” The handlebar mustache leaned forward and asked.

Qin Yu shook his head and said, “No, I don’t have the pill formula for the concentric pill at all.”

“Then what is this?” The handlebar mustache asked in puzzlement.

Qin Yu said indifferently, “It’s also a substitute.”

“Poison expelling pill?” The handlebar mustache asked.

Qin Yu shook his head and didn’t answer.

He put away the pill and quietly waited for the arrival of tomorrow.

In the morning of the next day.

Many alchemists had gathered early in the square.

Qin Yu brought the handlebar mustache and came to the square.

Three days ago, there were dozens of people in the square.

But today, there were only a dozen people left.

“TSK, tsk. It seems that in these three days, there have been a lot of massacres,”Qin Yu sighed.

As he spoke, Qin Yu saw Hou Xin not far away.

He immediately walked in Hou Xin’s direction.

“Mr. Hou, have you finished refining the pill?”Qin Yu asked casually.

Hou Xin smiled embarrassedly and said, “Ah, I’ve successfully refined it. What About You?”

Qin Yu smiled and said, “The same goes for me. Can I take a look at your pill?”

Hou Xin’s expression changed, and he hurriedly shook his head and said, “My skills are clumsy, so I won’t take it out...”

Qin Yu smiled and did not force him.

The group of people stood on the square, waiting for the Xue family to arrive.

Ten minutes later.

The three siblings of the Xue family arrived on time.

Xue Yujie glanced at everyone and said indifferently, “Three days have passed. Congratulations on refining the pill.”

After saying this, Xue Yujie looked at Xue Yuzhi.

Xue Yuzhi immediately smiled and said, “Everyone, we will start collecting the pill now. Please hand over the pill in your hands.”

As soon as she finished speaking, the many alchemists took out the pill in their hands one after another.

Qin Yu was not anxious. Instead, he stood below and waited quietly.

Hou Xin was the same. He closed his eyes slightly and did not move for a long time.

“Mr. Hou, why haven’t you handed over the Pill Yet?” Qin Yu asked.

Hou Xin opened his eyes and smiled. “I’m not anxious.”

Seeing this, Qin Yu didn’t ask any more questions.

Above.

Xue Yuzhi received the pill from everyone, but her eyes kept flashing with disappointment.

“This isn’t the concentric pill.”

“What we want is the concentric pill. You’d better take this over.”

“I’m sorry.”

One after another, the alchemists were beaten back, and their faces were full of dejection.

Fortunately, the Xue family was still benevolent and righteous. Even if they couldn’t refine the concentric pill, they would still receive a large sum of money.

Soon, only Qin Yu and Hou Xin were left in the square.

“Mr. Qin, Why aren’t you going ?”Hou Xin asked in puzzlement.

Qin Yu smiled and said, “Aren’t we both the same pill ? You gave me the prescription. Of course, I have to let you go first.”

Hou Xin chuckled and said, “That makes sense. That makes sense.”

After saying that, Hou Xin walked toward Xue Yuzhi.

Seeing this, Qin Yu immediately followed him.

At this moment, the three brothers of the Xue family seemed to have lost their patience.

Xue Yujie frowned and said, “Is that the concentric pill in your hand ? If it’s not, there’s no need to take it out.”

Hou Xin smiled faintly and said, “Whether it is or not, you’ll know after you see it.”

After saying that, Hou Xin flipped his palm, and a pill fell into his hand.

Xue Yuzhi took the pill and carefully observed it.

A trace of surprise flashed across her face, and in the end, she excitedly said, "It's really a concentric pill! Brother, this is really a concentric pill!"

"Really?" Xue Yujie also hurriedly took it.

He carefully looked at it and exclaimed, "It really is a concentric pill!"

Hou Xin said proudly, "Of course!"

Qin Yu, who was at the side, frowned and said, "Mr. Hou, didn't you say that you don't have the pill formula and only have the pill formula for the detoxification pill? You... You Lied to me?"

Hou Xin sneered and said, "Fool, do you think that I will tell you the truth? I gave you the pill formula for the detoxification pill just to let your guard down!"

Qin Yu sighed and said, "That Wen Sheng was also deliberately released by you with the purpose of letting him die, right?"

"Hehe, you can't just say things like that." Although Hou Xin did not admit it, his meaning was very obvious.

Qin Yu sighed and said, "Hou Xin, you really hid it well."

Hou Xin said sarcastically, "This is called war without deception."

"Yes, all is fair in war." Qin Yu nodded slightly.

At this moment, a cold smile flashed across Qin Yu's face.

"Fortunately, I didn't believe your nonsense from the beginning.." Qin Yu grinned, revealing his mouth full of white teeth.

Chapter 785: Chapter 785, the true heart dispelling pill

Hou Xin's expression changed slightly, and he said coldly, "What do you mean?"

Qin Yu sneered, "Do you really think I'll believe your nonsense? The Poison Dispelling Pill Formula You gave me is full of loopholes. Not only is it fake, it can even trigger poison!"

"Hou Xin, if I'm not wrong, you should have given this fake poison dispelling pill formula to quite a number of people, right?"

A trace of panic flashed across Hou Xin's face as he said in a panic, "You... Don't talk nonsense!"

Qin Yu continued, "Your Pill formula should have been obtained from Wen Sheng's hands, right?"

Hearing this, Hou Xin's face instantly turned incomparably pale!

"I really don't know what kind of method you used to trick Wen Sheng into trusting you," Qin Yu said with a sneer.

Hou Xin exclaimed, "You... Don't talk nonsense! I . . . I didn't!"

"Didn't?" Qin Yu raised his eyebrows.

"Hou Xin, you're really a F * cking beast. Not only did you trick Wen Sheng into giving you the pill formula, but you also deliberately set someone up to kill him!" Qin Yu said coldly.

“In order to get rid of the competitors, you deliberately spread the news in the herbs warehouse that I have the pill formula of the heart-aligning pill. Your purpose is also to get rid of me, right?”

At this time, Hou Xin’s forehead was already covered in dense cold sweat.

He said in a panic, “I don’t Have It! Don’t talk nonsense! You are slandering me!”

Qin Yu sneered, “I don’t know whether it’s slandering me or not, but I only know that the formula for the concentric pill in Wen Sheng’s hand is incomplete!”

“An incomplete formula for the concentric pill not only doesn’t have any effect, but it will cause the poison to explode in the body!”

“Hou Xin, you want to kill Old Master Xue, right?”

Hou Xin’s eyes instantly widened as he said in a trembling voice, “Wh... what? That pill formula is actually incomplete?”

The moment these words were said, Qin Yu’s face instantly revealed a trace of a playful smile.

Hou Xin also realized that he had said the wrong thing, and his face instantly turned deathly pale!

Qin Yu raised his brows and said, “What, you admit it just like that?”

Xue Yujie, who was standing at the side, strode forward and grabbed Hou Xin’s neck. he shouted angrily, “Tell me! is what Qin Yu said true? !”

“No... No, he... He Lied!” Hou Xin said with some lack of confidence.

Qin Yu sneered at the side and said, “My words are already very clear. This prescription is incomplete. If Old Master Xue takes this pill, he will die on the spot.”

Xue Yujie became anxious when he heard this. He grabbed Hou Xin’s neck and said through gritted teeth, “Is what Qin Yu said true? If anything happens to my father after consuming this pill, I will make you beg for your life!”

Hou Xin was also panicking when he heard this, he said with a trembling voice, “Mr. ... Mr. Xue, I. . . I did cheat Wen Sheng’s pill formula, but... but I really didn’t know that the pill formula was incomplete! I also didn’t know that the incomplete pill formula would cause death!”

“Mr. Xue, I absolutely didn’t have the intention to harm Old Master Xue!”

Xue Yujie said furiously, “YOU MOTHERF * cker!”

After saying that, Xue Yujie slapped Hou Xin’s face!

And the pill that Hou Xin offered was crushed by Xue Yujie!

Seeing this, Qin Yu immediately heaved a sigh of relief in his heart.

In fact, all of this was Qin Yu’s guess.

The Pill formula in Wen Sheng’s hands was not incomplete. It was just that Qin Yu deliberately used it to trick Hou Xin.

That day, Qin Yu successfully found the pill formula in Wen Sheng's room.

However, Qin Yu had already guessed that Hou Xin also had the pill formula, so he deliberately said these words, causing Hou Xin to not be trusted.

In this way, only Qin Yu had the concentric pill.

“Drag him away!”Xue Yujie waved his hand and said.

A few people immediately moved forward, like dragging a dead dog, and dragged Hou Xin out.

Only Qin Yu was left at the scene. Xue Yuzhi looked at Qin Yu with a smile and said, “Qin Yu, you should have the complete concentric pill formula, right?”

“Of course.”Qin Yu said with a faint smile.

He flipped his palm and took out the concentric pill.

Then, Qin Yu handed the pill to Xue Yuzhi.

Xue Yuzhi took the pill and observed it carefully. Then, she nodded and said, “It is indeed the concentric pill.”

“Phew, it's alright.”Xue Yujie also heaved a sigh of relief.

He looked at Qin Yu and said, “Follow me. When my father wakes up, our Xue family will definitely reward you.”

Qin Yu nodded and said, “Thank you, Mr. Xue.”

Then, Qin Yu followed behind the three people from the Xue family and walked toward a villa.

Old Master Xue was placed in the sunlight room on the top floor of the villa.

There were many bodyguards guarding this place, and the door was made of a special material.

He pushed the door open and entered. There was only a big bed in the huge room.

The sunlight shone through the glass into the room, and it was quite comfortable.

Xue Yujie held the concentric pill and walked in front of Old Master Xue. Then, he gently placed the pill into Old Master Xue's mouth.

Qin Yu waited quietly by the side.

Time passed by minute by minute. After about ten minutes, old master Xue, who was lying on the bed, finally moved.

He suddenly opened his eyes, followed by a violent cough!

“Dad!”

The three members of the Xue family quickly stepped forward and supported Old Master Xue.

“Dad, you're finally awake!”

Old Master Xue coughed non-stop and Xue Yuzhi gently patted his back.

A few minutes later, Old Master Xue suddenly spat out a mouthful of black blood.

This blood emitted a thick fishy smell, as if there was a poison spreading in it.

Qin Yu's eyes narrowed, and a wisp of spiritual fire immediately extended out of his finger.

The flame fell on the blood and instantly vaporized it.

After spitting out the blood, Old Master Xue's condition was obviously much better.

"Dad, how do you feel now?" The three Xue Brothers said nervously.

Old Master Xue looked around in a daze and said, "What's wrong with me?"

"Dad, you've been in a coma for several years." The few of them told Old Master Xue everything that had happened.

Qin Yu did not stay here either. He immediately turned around and walked out of the room.

"Why did you come out?" The mustached man asked curiously.

Qin Yu spread his hands and said, "The father and son have deep feelings for each other. Why should I stay inside?"

"What about the power of the martial saint? Did they agree?" The mustached man asked hurriedly.

Qin Yu shook his head and said, "I haven't mentioned it yet. Don't worry, they will come looking for me."

There were some things that could not be rushed.

After returning to their residence, Qin Yu and the Handlebar Mustache Man waited quietly in the room.

When evening arrived, Xue Yuzhi came to the room personally.

Chapter 786: Chapter 786, the arrival of the Purple Flame sect

Xue Yuzhi pushed open the door and walked straight to Qin Yu.

She smiled and said, "Qin Yu, it's all thanks to you this time. Otherwise, it would have been a disaster."

"This is what I should do." Qin Yu nodded and said.

"How is Old Master Xue Now?"

Xue Yuzhi said, "My father is very well now. He is inviting you to a dinner party."

Qin Yu did not stand on ceremony and immediately nodded in agreement.

The two of them left the room together and walked towards the villa in the deepest part of the Xue Family Manor.

In the Hall of the villa, a sumptuous dinner party had long been arranged.

And on both sides of the table, there were even servants standing there.

Old Master Xue was sitting in the main seat, and the three siblings of the Xue family were accompanying him on one side.

“Father, Qin Yu is here.”Xue Yuzhi brought Qin Yu to Old Master Xue.

Old Master Xue Waved at Qin Yu and said in surprise, “I didn’t expect you to be so young.”

Qin Yu bowed and said, “Greetings, Old Master Xue.”

Old Master Xue waved his hand with a smile and said, “Quickly, take your seat.”

Qin Yu didn’t stand on ceremony. He found a seat and sat down.

The servant at the side immediately poured Qin Yu a cup of fine wine.

“Qin Yu, it’s all thanks to you this time. If it weren’t for you, my father would have been in big trouble.”Xue Yujie raised his cup and said.

Although Qin Yu felt a little embarrassed, he still raised his cup and clinked it with Xue Yujie’s.

At the wine table, Xue Yuzhi kept praising Qin Yu. She moved all the praise from the pavilion master to the wine table.

After three rounds of wine and five different dishes...

Old Master Xue said, “Qin Yu, you saved my life. If there’s anything you want, just say it.”

“That’s right. Whether it’s money, women, or herbs, just say it!”Xue Yujie also said.

Qin Yu was silent for a moment. He raised his head to look at Old Master Xue and said in a deep voice, "I don't need any of these. I only want one thing."

"Speak." Old Master Xue nodded.

"I want the power of the martial saint." Qin Yu said.

Upon hearing this, the crowd instantly fell into silence.

Everyone looked at each other and frowned.

"No." Old Master Xue said coldly.

"The power of the martial saint is the foundation of our Xue family. Even my life is not as important as the power of the Martial Saint!" Old Master Xue's face showed some displeasure.

Xue Yujie, who was beside him, also quickly said, "Qin Yu, change your condition. Other than the power of the martial saint, we can agree to anything."

Qin Yu said in a deep voice, "To tell you the truth, the reason I came to the Xue family this time is for the power of the martial saint. Other than the power of the martial saint, I don't need anything else."

Hearing these words, Old Master Xue immediately slammed the table and stood up!

He shouted angrily, "I will never give you the power of the martial saint! You'd better give up!"

After saying that, old master Xue waved his hand and said, “Give him a sum of money and let him go!”

Xue Yuzhi was also a little anxious. He pulled Qin Yu and said in a low voice, “Qin Yu, quickly change your condition.”

Qin Yu shook his head and said, “Aunt Xue, I don’t think I need anything else other than the power of the martial saint.”

Xue Yujie took out a bank card and said, “There’s one billion inside. You can take it.”

Qin Yu glanced at it and pushed the bank card back. He shook his head and said, “I don’t need money.”

“You didn’t want it yourself!” Old Master Xue said coldly.

Qin Yu couldn’t help but sigh in his heart when he saw this.

It was indeed not that easy to obtain the power of the martial saint.

After all, the Xue family was not the wealthy and overbearing Jingdu martial arts association.

To the aristocratic families, the power of a martial saint was their most important foundation.

Unless there was a calamity that would wipe out the entire family, they would never use the power of a martial saint.

The dinner that was still in a warm atmosphere just now had turned extremely cold in the blink of an eye.

Qin Yu slowly stood up and was about to say goodbye.

At this moment, two people suddenly barged in from outside the door.

These two people had strong bodies, strong internal Qi, and fierce muscles all over their faces. They were telling others that they were not to be trifled with.

“Who are you people!” Xue Yujie quickly stood up and berated loudly.

These two people sneered and said, “We are from the Purple Flame sect.”

When they heard the three words ‘Purple Flame sect’, the expressions of the people in the room instantly changed slightly.

The two of them walked straight to the dining table and sat down. Then, they asked indifferently, “Who’s in charge?”

Old Master Xue took a deep breath. Just as he was about to speak, Xue Yujie stood up and said, “I am. What’s the matter?”

“Hehe.” The Purple Flame sect’s people casually grabbed a piece of meat and stuffed it into their mouths.

Then, as he chewed the meat, he said, “Something happened to our purple flame sect’s people in Your Xue family. I’m afraid that you have to give us an explanation for this matter.”

“Your people?” Xue Yujie’s brows immediately furrowed.

Qin Yu’s expression also did not look too good.

The two people from the Purple Flame sect had died at his hands.

“I killed those two people.” Qin Yu stood up and said.

“If you want revenge, look for me.”

Hearing this, the two people from the Purple Flame sect could not help but frown.

They looked at each other and then said, “Kid, what’s your relationship with the Xue Family?”

Qin Yu said, “No relationship at all. I’m here to treat Old Master Xue’s illness.”

The two people’s brows instantly furrowed even more tightly.

“Hehe, regardless of whether you have any relationship with the Xue family or not, whatever it is, the person had an accident in the Xue family. Our Purple Flame sect wants to settle the score with the Xue family.” The two people snorted coldly.

“As for you, our purple flame sect will naturally not let you off.”

Qin Yu was just about to speak when Xue Yujie stopped Qin Yu and said, “Then what do you want?”

These two people stood up, stretched their bodies, and said with a faint smile, “Our sect master said that as long as you are willing to submit to our purple flame sect, this matter can be settled.”

“Otherwise... not even a chicken or a dog will be spared!”

Xue Yujie said with a cold face, “Aren’t you going a little overboard? As far as I know, it was your purple flame sect people who caused trouble in my Xue clan, that’s why...”

“Stop talking about those useless things.”The two of them waved their hands impatiently.

“I’ll give you three days to consider. If you don’t make a decision after three days, our sect master will not give you any more chances!”

After saying that, the two of them stood up and left.

Looking at their departing backs, Qin Yu could not help but frown and said, “I killed them. I will bear the responsibility for this matter.”

Xue Yujie shook his head and said, “It has nothing to do with you. The Purple Flame sect is obviously here for our Xue family.. They are just looking for an excuse to attack our Xue family.”

Chapter 787: In chapter 787, the peak of the Martial Marquis realm was not worth mentioning!

Qin Yu nodded slightly.

Of course, he could see through the purple flame sect’s intentions.

“By the way, is the Purple Flame sect very strong?”Qin Yu asked.

Xue Yujie glanced at Qin Yu and nodded, “Yes, they have over twenty martial marquises, and among them, there are several peak of the Martial Marquis Realm.”

“Other than that?”Qin Yu continued to ask.

Qin Yu did not care about these martial marquises at all.

As long as it did not involve the martial saint, Qin Yu was not afraid.

“Other than that? What do you mean?” Xue Yujie clearly did not understand.

Qin Yu said, “For example, the martial saint’s weapon? Or the power of the martial saint or even the martial saint?”

Xue Yujie sneered. “Martial saint? If the Purple Flame sect had a martial saint, why would they hide in this prosperous country?”

Qin Yu thought for a moment and agreed.

If they had a martial saint, no one in the world would be able to restrain the purple flame sect.

“There are only six martial marquises in the Xue Clan. They are far from being a match for the Purple Flame sect.” Xue Yujie took a deep breath.

“I’m afraid their goal is the same as yours. They are here for the power of a martial saint.” Old Master Xue said in a deep voice.

Qin Yu touched his chin and said, “This means that if you want to deal with the Purple Flame sect, you must use the power of the martial saint, Right?”

“Yes.” Xue Yujie did not hide this.

Qin Yu continued to ask, “Then how many times can you use the power of the Martial Saint?”

Xue Yuzhi, who was at the side, explained, “Qin Yu, it seems that you don’t understand the power of the martial saint.”

Qin Yu smiled bitterly, “Indeed, I don’t.”

Xue Yuzhi continued, “The power of the martial saint can only be used once. Once it is injected into someone’s body, the power will belong to someone.”

Qin Yu said in shock, “In other words, the power of the martial saint will remain in his body forever?”

“Of course not.”Xue Yujie continued.

“The power of the martial saint is one of the techniques of the martial saint. The effect of the power depends on the strength of the carrier.”

“If the power of the martial saint is injected into the body of the Martial Grandmaster, not only will it not have any effect, but it will cause the martial grandmaster to explode and die.”

“As for the duration of the power of the martial saint, it usually does not last more than a month.”

Xue Yuzhi nodded and said, “Yes, that is to say, once the power of the martial saint is used, it will disappear. It is only a matter of time.”

Qin Yu suddenly understood.

In this way, this power of the martial saint was like a nuclear bomb in the current era. Once it was used, there was no turning back.

“At this moment, perhaps we can only use the power of the martial saint.”Xue Yujie said in a deep voice.

“But who should we inject this power of the martial saint into?”

At this moment, it became a difficult problem.

The Xue family indeed had many martial marquises, but their strength could not be considered tyrannical.

As for these three siblings of the Xue clan, they were only at the early-stage of the Martial Marquis realm.

If the Purple Flame sect also possessed the power of a martial saint, then they would still not be a match for the Purple Flame sect.

However, if they were to inject it into someone else's body, who could guarantee that the person who obtained the power of a martial saint would not betray the Xue Clan ?

“Could it be that the Xue clan does not have powerful descendants ?” Qin Yu asked with some doubt.

Xue Yujie shook his head and said, “The descendants of the Xue family have never participated in the martial arts.”

Qin Yu instantly fell silent.

He touched his chin and said tentatively, “If that's the case, why don't you inject this martial saint's power into my body ? I will help you destroy the Purple Flame sect.”

“You ?” Xue Yujie could not help but snort coldly.

“Qin Yu, are you taking advantage of the situation ?”

Qin Yu waved his hand repeatedly and said, “No, no, no, you have misunderstood. If this martial saint's power were to be injected into my body, the effect would definitely be better than anyone else. The Purple Flame sect is not even worth mentioning.”

“Qin Yu, I know that you are in the late stage of the Martial Marquis realm, but my Xue family has the peak of the Martial Marquis Realm! What makes you think that the effect would be better if it was injected into your body?”Xue Yujie sneered.

Qin Yu was not in a hurry. He said with a faint smile, “The peak of the Martial Marquis realm is like grass in front of me.”

When he said this, everyone present could not help but laugh.

“Qin Yu, do you know how big the gap is between the realms of the Martial Marquis Realm?”Xue Yujie said.

“The realms between the peak of the Martial Marquis realm are very difficult to cross,”Xue Yuzhi also said.

Qin Yu could not help but scratch his head and thought to himself, “It seems that I have no reputation in Sheng Country.”

“That’s enough, Qin Yu. Now that such a thing has happened, don’t even think about the power of a martial saint. Go back.”Xue Yujie waved his hand and said.

“If our Xue family can avoid this disaster, we will still remember your kindness.”

After saying this, they gave the order to leave.

However, Qin Yu was not in a hurry to leave.

He smiled and said, “I know that everyone doesn’t believe me. How about this, I will fight with that peak martial Marquis and prove it to you.”

Xue Yujie impatiently waved his hand and said, “Don’t make trouble at this time. You’re just an alchemist. Your martial arts will naturally be affected. How can you be a match for other martial marquises?”

Qin Yu said, “Mr. Xue, why don’t you give me a chance? This is good for everyone.”

As he spoke, Qin Yu subconsciously looked at Xue Yuzhi.

Xue Yuzhi was silent for a moment and said, “Why don’t... let him try.”

Xue Yujie frowned and said impatiently, “Okay, but let me tell you, if anything happens to you, our Xue family will not be responsible.”

“Don’t worry,” Qin Yu said with a faint smile.

Therefore, Xue Yujie turned around and left the hall, while Qin Yu followed him out.

The few of them came to the grassland of the Xue family and waited for the arrival of the peak-stage martial marquis.

About ten minutes later.

An old man followed Xue Yujie and walked over.

“This is the peak-stage martial marquis of our Xue family,” Xue Yujie said.

“Elder Zhao, don’t be too harsh on him,” Xue Yujie looked at the old man and said.

The old man called Elder Zhao smiled faintly and said, “Don’t worry.”

After saying that, elder Zhao walked in front of Qin Yu and said indifferently, “Young people nowadays really don’t know the immensity of Heaven and earth. Do you know that it’s very easy for serious injuries or even life and death to occur in a fight between martial marquises?”

Qin Yu smiled and said, “Elder Zhao, don’t worry. I can control my strength well.”

This undoubtedly infuriated elder Zhao. His old face turned black as he berated, “I’ve never seen a junior as rude as you! If I don’t Teach You a lesson, you don’t know how arrogant you’ll Be!”

After he finished speaking, the internal Qi on elder Zhao’s body began to rise rapidly, and several powerful qi-jin burst out from his fingers!

The qi-jin materialized, and the vibrating air buzzed!

Seeing this scene, Xue Yuzhi’s face couldn’t help but change!

“This is elder Zhao’s trump card move, sky-dancing slash!” Xue Yuzhi exclaimed.

“Elder Zhao, please show Mercy!”

However, elder Zhao was already enraged, so he couldn’t care less about Xue Yuzhi.

He held a sharp blade in his hand and aimed it at Qin Yu’s chest!

Chapter 788: Chapter 788, obtaining the power of a martial saint!

Waves of killing intent emanated from that finger as it headed straight for Qin Yu's chest!

However, Qin Yu did not move at all. His face carried a few traces of coldness.

“Chi la!”

These few rays of light directly grabbed onto Qin Yu's chest!

However, the scene of him being gutted did not appear. Only a few white scars were left on Qin Yu's chest!

Elder Zhao's expression changed. He was about to retreat, but it was too late!

Qin Yu stretched out his hand and grabbed elder Zhao's head, forcefully lifting him into the air!

Elder Zhao struggled desperately, but he found that he could not break free at all!

“Elder Zhao, is there a need to fight?” Qin Yu asked.

Elder Zhao struggled desperately and roared, “The winner has not been decided yet!”

Seeing this, Qin Yu could only sigh.

The strength of his hand grew stronger and stronger. Elder Zhao's head immediately felt like it was about to split open. There were even cracking sounds!

“Ah! !” The pain caused elder Zhao to let out a series of mournful wails!

Everyone from the Xue family was dumbstruck!

This peak-stage martial marquis was actually so weak in Qin Yu's hands?!

"Alright, Qin Yu, that's enough. Let Go of elder Zhao." Xue Yujie quickly said.

Only then did Qin Yu let go of elder Zhao and casually threw him to the side.

"How is it? I didn't lie to you guys, right?" Qin Yu spread his hands and said.

The people from the Xue family could not help but laugh bitterly.

Such strength was truly shocking.

"No wonder your pavilion master kept praising you to me and even said that you would become a martial saint... ." Xue Yuzhi sighed with emotion.

"Become a martial saint?" Xue Yujie raised his brows.

Xue Yuzhi smiled and said: "Yes, the pavilion chief of the fire country's medicine pavilion once said that Qin Yu might become the first person to become a martial saint and break the deadlock."

This immediately gave Xue Yujie a great shock.

One must know that a martial saint had not appeared for many years!

If he were to become a martial saint in this world, then it would not be too much for him to lead the entire martial arts world!

“Mr. Xue, if this martial saint’s power is injected into my body, it will definitely bring out the greatest effect. What do you think?” Qin Yu asked.

Xue Yujie touched his chin and said, “Once this martial saint’s power is used, it will be gone. What benefits will it bring if it is injected into your body?”

Qin Yu thought for a moment and said with a smile, “Mr. Xue, the reason why you value the martial saint’s power so much is also to protect the Xue family, right?”

“That’s right.” Xue Yujie nodded.

Qin Yu continued, “However, the power of the martial saint can only be used once. In other words, it can only protect you guys once. If you guys have enemies in the dark, then after using the power of the martial saint, you will attract a disaster.”

“But if you guys gift the power of the martial saint to me, then it will be different. I, Qin Yu, will owe you guys a big favor. As long as I am alive, I will be able to protect your Xue family forever.”

When they heard this, the Xue family members looked at each other.

Obviously, they were moved.

If it was as Xue Yuzhi said, Qin Yu would become a martial saint, then this deal would not be a loss.

“How about this, you go back first and let us discuss. How about it?” Xue Yujie said.

Qin Yu nodded and said, "Of course, no problem."

At this moment, Qin Yu suddenly thought of something.

"By the way, can you give that Hou Xin to me?" Qin Yu asked.

"What do you want him for?" Xue Yujie said with some confusion.

Qin Yu smiled and said, "It's useful."

Xue Yujie didn't ask any further. He nodded and said, "No problem. have someone send him to your room later."

"Thank you." Qin Yu nodded.

After Qin Yu returned, about ten minutes later, someone brought Hou Xin to the room.

Upon seeing Qin Yu, Hou Xin's expression immediately turned extremely ugly.

"Qin... Qin Yu, what do you want to Do?" Hou Xin said with some fear.

Qin Yu smiled and said, "Don't be nervous. I'm just more interested in your spiritual fire."

"You... What do you mean? !" Hou Xin suddenly felt a bad premonition.

Qin Yu said, "You are the purple spiritual fire, right?"

Hou Xin took two steps back and said, "So what if I am, so what if I am not!"

Qin Yu sneered and said, “I haven’t swallowed the purple spiritual fire yet... hand over the spiritual fire yourself, and I will spare your life, how about it?”

“In Your Dreams!” Hou Xin was immediately dumbfounded!

“This beautiful spiritual fire is the foundation of my existence, don’t even think about taking it away!”

Qin Yu sneered, “Do you think you have the right to refuse?”

Hou Xin cracked a smile and said, “Then kill me. Even if you kill me, I Won’t give you the spiritual fire!”

Qin Yu’s face instantly turned cold.

He looked down at Hou Xin and said coldly, “I don’t necessarily want your spiritual fire. I’m giving you a chance to live.”

Hou Xin was extremely stubborn and had a determined look on his face.

“Handlebar mustache, do you have any means of torturing people?” Qin Yu asked.

Handlebar mustache rubbed his hands and said with a smile, “There are many ways!”

Handlebar mustache stretched out his palm and a jar half the height of a man fell in front of the two people.

“This jar is called the dark prison jar. It is said that after being thrown into the dark prison jar, the body and spiritual sense will suffer a strong blow,” handlebar mustache said.

“Up to now, no one has been able to spend ten hours in this dark prison jar.”

Qin Yu nodded slightly and said, “Good stuff.”

Therefore, Qin Yu flicked his finger and directly broke Hou Xin’s four limbs.

Before Hou Xin could howl, Qin Yu threw him into the dark prison jar.

“Is this thing reliable?” After putting Hou Xin in, Qin Yu asked with some doubt.

The mustached man patted his chest and said, “Don’t worry, he will definitely beg for mercy before long!”

...

In the Hall of the villa.

The members of the Xue family gathered together.

“The strength of the Purple Flame sect is unfathomable. This Qin Yu is indeed the best choice,” Xue Yujie said in a deep voice.

“Yes, if the power of a martial saint is injected into elder Zhao’s body, elder Zhao might not be able to deal with the Purple Flame sect.”

“If we lose, we will definitely suffer inhuman torture.”

At this point, Old Master Xue said in a low voice, “Who can guarantee that this Qin Yu is reliable? What if he disappears after he has obtained the power of the Martial Saint?”

“That should not be possible. After all, he was introduced by the Divine Alchemist Pavilion.”Xue Yuzhi said.

The Xue family members were relatively more at ease with regards to the Divine Alchemist Pavilion.

“Yuzhi, you should call the Pavilion Master of the Divine Alchemist Pavilion,”Xue Yujie suggested.

Xue Yuzhi nodded. She took out her hand and called the Pavilion Master.

A few minutes later, Xue Yuzhi walked back.

She smiled and said, “The Pavilion Master of the Divine Alchemist Pavilion said that Qin Yu is 100% trustworthy. If anything happens, she is willing to bear the responsibility.”

The few of them looked at each other and seemed to have reached a consensus.

Old Master Xue slowly stood up.

He swept his gaze across the crowd and said in a deep voice, “Then make a decision.. Inject the power of the martial saint into Qin Yu’s body.”

Chapter 789: Chapter 799, elder ancestor of the Xue family

The next day.

Qin Yu was still lying on the bed with his eyes closed to rest when there was a knock on the door.

When the door opened, Xue Yuzhi was standing at the door.

“Auntie Xue.”Qin Yu hurriedly welcomed her in.

Xue Yuzhi nodded slightly. She brought breakfast and sat opposite Qin Yu.

“Have breakfast first,”Xue Yuzhi said.

Qin Yu did not stand on ceremony and immediately opened the lunchbox.

“I’m here today to tell you a piece of good news,”Xue Yuzhi said with a smile.

Qin Yu’s eyes lit up and he quickly said, “Aunt Xue, please speak.”

Xue Yuzhi smiled and said, “After discussion, we have decided to inject the power of a martial saint into your body.”

“Thank you, Aunt Xue!”Qin Yu was instantly overjoyed and hurriedly stood up to thank her.

However, Xue Yuzhi smiled and said, “If you want to thank someone, then thank your pavilion master. It was because she was willing to vouch for you that we believed you.”

Upon hearing this, Qin Yu felt even more grateful towards the pavilion master.

“We did agree to inject the power of the martial saint into your body. However, there is still one problem at the moment,”Xue Yuzhi said.

Qin Yu nodded and said, “Go ahead.”

“You said that you will owe the Xue family a favor and guarantee that our Xue family will live forever, right?” Xue Yuzhi said.

“That’s right.” Qin Yu nodded.

“But have you ever thought that the power of the martial saint can be used at any time to deal with an emergency, but you can’t?” Xue Yuzhi said in a deep voice.

“You are far away in the Yan country and the journey is far away. If the Xue family really faces a catastrophe, it will be too late for you to make a move even if you want to.” Xue Yuzhi said in a low voice. She then added, “The Yan country is also a Place Full of troubles and many powers. No one can guarantee that the next purple flame sect will not appear.” Xue Yuzhi said in a low voice. She then added, “If the purple flame sect does not have the power of the martial saint, it will be too late.”

“And the Sheng country is a land of chaos and there are many powers. No one can guarantee that the next purple flame sect will not appear.”

Hearing Xue Yuzhi’s words, Qin Yu immediately fell silent.

Xue Yuzhi was right. Distant waters can not save a near fire. If anything were to happen to the Xue family, it would be impossible for Qin Yu to rush over immediately.

Qin Yu did not speak for a long while. A moment later, he suddenly turned to look at Xue Yuzhi.

“Aunt Xue, I will handle this matter properly. Please rest assured.” Qin Yu said with a serious face.

Xue Yuzhi said with some doubt, “Can you tell me how to handle it?”

Qin Yu smiled and said, “For now, keep it a secret. But I will promise you that I will guarantee the safety of the Xue family.”

Xue Yuzhi was silent for a moment. In the end, she chose to trust Qin Yu.

“Aunt Xue, when will the infusion ceremony of the martial saint’s power begin?” Qin Yu asked.

Xue Yuzhi said, “I will come and look for you at Eight o’clock Tonight.”

“Okay.” Qin Yu held back the excitement in his heart and nodded.

After Xue Yuzhi left, Qin Yu could not calm down for the entire day.

Although the martial saint’s power was not a true martial saint, as long as it was tainted with the word martial saint, it would be a world of difference from the Martial Marquis.

Even the power of a martial saint could unleash such a terrifying power on Little Black’s body, let alone in Qin Yu’s body?

Time flew by and in the blink of an eye, it was already evening.

Xue Yuzhi arrived in front of Qin Yu’s room at around seven o’clock in the evening.

Qin Yu had already made preparations. The moment he saw Xue Yuzhi, he immediately stood up.

“Come with me,” Xue Yuzhi said with a smile.

Qin Yu hurriedly nodded. He followed behind Xue Yuzhi and walked toward a secret room in the Xue Family Manor.

The Xue family manor was located in many properties. One of the houses that looked like a bunker was extremely inconspicuous.

The two of them stopped in front of the door.

Xue Yuzhi looked up at the door and said, "This is it."

Qin Yu took a deep breath and suppressed the excitement in his heart.

Then, Xue Yuzhi raised her palm and placed it on the door.

In an instant, the door flashed with a dazzling light. Countless strange runes flashed in front of Qin Yu.

"Boom!"

With a loud sound, the door of the blockhouse slowly opened!

The moment the door opened, a wave of internal Qi rushed in.

Xue Yuzhi was the first to step in. She looked at Qin Yu and said, "Come in."

Qin Yu didn't waste any time and quickly followed her in.

Rays of light lit up the room. As far as the eye could see, the huge blockhouse was quite empty.

And in the middle of it, there was a huge round plate.

The round plate was engraved with densely packed talismans. In the center of this round plate, there was a small rusty lock.

Qin Yu had never seen the power of a martial saint, so he did not know anything about the infusion of the power of a martial saint.

He looked at the scene before him and could not help but say with some surprise, “Is this the power of a martial saint?”

Xue Yuzhi did not pay attention to Qin Yu. She walked to the center of the round plate and put her hands together. She murmured in a low voice as if she was casting some kind of spell.

Then, Xue Yuzhi bit her finger and dripped a drop of blood at the center of the disk.

“Rumble...”

A moment later, the disk suddenly started to spin slowly with a loud rumble.

Rays of bright light burst out from the disk!

What followed closely was a strong sense of oppression!

Qin Yu’s expression was solemn. He could not help but take two steps back.

A human figure appeared above the light.

The human figure was extremely handsome and tall. He had an air of looking down on the world.

His pair of deep eyes emitted a charm that was like the stars.

Xue Yuzhi knelt on the ground and said in a low voice, “Forefather, please infuse the power of a martial saint into me to protect the Xue family from this calamity.”

That figure swept a cold glance at Xue Yuzhi. His eyes covered Xue Yuzhi’s body and he sighed, “Has the Xue family finally reached this step?”

Xue Yuzhi remained silent as she knelt on the ground and pressed her palms together.

“Come, I will use my final strength to protect the Xue family,” the ancestor said coldly.

Hearing this, Xue Yuzhi hurriedly looked at Qin Yu.

Qin Yu did not dare to waste any more time. He immediately took large strides forward and stood in front of the ancestor.

He clasped his hands together and bowed slightly. There was a respectful expression on his face.

The figure slowly raised his palm. In an instant, light shone in all directions. Waves of powerful internal Qi rushed towards Qin Yu’s head!

In an instant, Qin Yu only felt a trace of warmth flowing through his body. This warmth flowed from the top of his head to all parts of his body.

Waves of terrifying power brewed within Qin Yu’s body.

With the infusion of the martial saint’s power, the old ancestor’s figure also began to dim.

Qin Yu's Dantian was filled with streams of power that did not belong to him.

This power was beyond his imagination. It was a power that Qin Yu had never felt before!

His entire body seemed to have undergone a transformation at this moment. Even his physical body had become more indestructible!

The process lasted for a full three hours before it gradually came to an end. At this time, that figure had already become somewhat blurry.

“Junior, remember, you must never let my Xue family perish!” That voice left behind its final obsession before it drifted into the air and completely disappeared.

Chapter 790: Chapter 790, I am your father!

The voice reverberated in the fort for a long time, and this martial saint's power had already completely entered Qin Yu's body.

Qin Yu stood there without moving for a long time. He closed his eyes slightly, as if he was feeling this extreme power.

“Is this the power of a martial saint...” Qin Yu muttered in a low voice. He clenched his fists, and the power surged like an ocean!

This was a power that Qin Yu had never felt before. It was so powerful that he could not extricate himself from it!

At this moment, Qin Yu could not wait to know the power of this power of a martial saint.

He even looked forward to the arrival of the Purple Flame sect.

“How do you feel now?” Xue Yuzhi walked forward and asked.

Qin Yu nodded and said, “Very good.”

“That’s good.” Xue Yuzhi also heaved a sigh of relief when she saw the situation.

The disc in front of her began to shatter, and in the blink of an eye, it turned into ruins.

Qin Yu pointed at the ruins in front of him and said with some doubt, “Aunt Xue, that young man just now is the ancestor of the Xue Family? Why is he so young? It seems different from what I imagined.”

Xue Yuzhi explained, “Many top experts of the family would leave a backup plan at their peak to protect the family. What you see is the peak of the ancestor.”

Qin Yu suddenly understood.

These people were thinking far ahead.

The peak was usually when one was in high spirits. No one would think about the future.

After walking out of the fort, Qin Yu followed Xue Yuzhi and came to the hall of the Xue family’s villa.

In the hall, the people of the Xue family were waiting nervously.

When they saw Qin Yu, they quickly stood up.

There seemed to be some vigilance in their eyes.

Even their attitude had become a little strange.

“Qin Yu, how... How do you feel?”Xue Yujie asked tentatively.

Qin Yu slightly bowed and said, “Mr. Xue, I feel very well now.”

After seeing Qin Yu’s attitude, Xue Yujie could be considered to have heaved a sigh of relief.

He was very worried that after Qin Yu obtained the power of a martial saint, he would turn hostile and refuse to acknowledge him.

“Then... the matter of the Purple Flame sect will depend on you.”Xue Yujie said.

Qin Yu nodded and said, “Don’t worry.”

At this moment, Old Master Xue suddenly said in a deep voice, “Qin Yu, although you have already obtained the power of the martial saint, I still want to know how you plan to protect the Xue family.”

“En, regarding this question, we all really want to know.”Xue Yujie also nodded and said.

Qin Yu sat on the sofa. He was silent for a moment and then glanced at the crowd.

“There is only one way to get it done once and for all,”Qin Yu said in a deep voice.

“What Way?”The few of them looked at Qin Yu in unison.

A trace of coldness flashed in Qin Yu’s eyes.

He said coldly, “That is to make all the forces in Shengguo submit to me!”

As soon as he said this, everyone sucked in a breath of cold air!

Make all the forces submit to one person? This idea was too crazy!

“Qin Yu, the major forces in Shengguo have been stationed for many years, but they have never been unified. You want everyone to submit to you? This... is almost impossible,” said Xue Yujie.

Qin Yu smiled and said, “Simple. If they don’t agree, then kill them all.”

In any case, Qin Yu was currently in need of the Golden Core. If he killed them all, then he wouldn’t have to worry about the golden core anymore.

The people in the hall looked at each other. They seemed to feel a bit afraid of Qin Yu’s words.

Qin Yu stood up and said, “Don’t worry. I promised the Xue family that I would protect the safety of the Xue family.”

“Qin Yu, do you know that other forces might also have the power of a martial saint?” Xue Yuzhi reminded him.

Qin Yu smiled and said, “It doesn’t matter.”

“Then do you know how many martial marquises there are in the various forces of the Sheng Kingdom? Altogether, there are at least close to a hundred martial marquises!” Xue Yujie said with a serious expression.

“One against a hundred? Qin Yu, do you really think you can do it?”

Qin Yu said indifferently, “In my eyes, the current martial marquises are just ants, not worth mentioning.”

This was the confidence after obtaining the power of a martial saint!

As long as there was no martial saint in this world, Qin Yu was not afraid of anyone!

When the crowd saw Qin Yu’s confident expression, they did not know what to say for a moment.

“Let’s wait for the Purple Flame sect to come.”Qin Yu said with a smile.

After saying this, Qin Yu returned to his own residence.

As soon as he returned, the mustached man came over and said in surprise, “How is it? Did you get it?”

Qin Yu nodded and said, “Yes, I got it.”

The handlebar mustache immediately revealed a curious expression. He kept touching Qin Yu’s body and muttered, “There doesn’t seem to be any changes...”

Qin Yu rolled his eyes and said, “I haven’t activated this martial saint’s power yet. This power can only last for a month at most. How could I bear to waste it?”

In the next two days.

Qin Yu sat cross-legged in his room. He did not leave the main door or the second door. He waited quietly for the arrival of the Purple Flame sect.

Time flew by.

In the blink of an eye, three days had passed.

Early in the morning of this day.

The members of the Xue family stood on the square in unison. A trace of solemnity appeared on their faces.

They stared at the entrance with a hint of nervousness in their eyes.

At this moment, the sound of engines could be heard from the entrance.

Not long after, a few cars drove straight in.

The moment the cars stopped, more than ten Marquis Wu alighted from the cars!

The leader was a man dressed in black.

This man was tall and had a noble appearance. The faint aura of a Marquis Wu from his body was even more terrifying.

“It’s actually Bai Sha leading the team.”Xue Yujie and the others’expressions changed slightly when they saw this man.

Bai Sha led the group and walked towards Xue Yujie and the others.

He looked down at Xue Yujie and said indifferently, “Who in the Xue family is in charge?”

“Me.”Xue Yujie braced himself and walked out.

Bai Sha looked at Xue Yujie coldly and said in a cold voice, “Our Purple Flame sect has already given you three days. Now that three days have passed, how’s the discussion going?”

Xue Yujie took a deep breath and said, “Mister Bai, our Xue family has always respected the purple flame sect. Do We have to fight today?”

Bai Sha narrowed his eyes and said coldly, “From what you mean, you don’t intend to accept the good intentions of our purple flame sect.”

When Xue Yujie saw this, he could not help but coldly say, “Bai Sha, our Xue family is not afraid of You!”

Bai Shan immediately laughed out loud when he heard this!

That frightening smile reverberated in the Xue family for a long time. That intense unease filled the hearts of everyone in the Xue family.

“You don’t know life from Death!” Bai Sha’s laughter came to an abrupt end. He suddenly stretched out his hand and slapped towards Xue Yujie!

At this moment, a golden palm suddenly stretched out and grabbed Bai Sha’s wrist.

This hand was like an iron clamp, tightly grabbing Bai Sha’s wrist, making him unable to move.

Bai SHA’s expression changed slightly, and he said coldly, “Who are you?”

“I am your father!” Without a word, Qin Yu raised his golden palm and slapped Bai Sha!

Chapter 791: Chapter 791, unparalleled power

This slap was extremely powerful and extremely fast!

Before Bai Sha could even react, this slap landed heavily on his face!

Half of his face bone was directly shattered, and blood flowed down his damaged cheek and covered his entire body!

Qin Yu's slap had undoubtedly shocked everyone!

Bai Sha was even more furious. He glared at Qin Yu and gritted his teeth, "You're courting death! Kill him for me!"

The ten plus martial marquises present immediately charged at Qin Yu!

Qin Yu coldly swept his gaze across the crowd, and a trace of coldness flashed in his eyes.

In the next second, Qin Yu suddenly charged forward, and his figure suddenly disappeared!

A golden light shuttled through the crowd, and his golden fist contained the power to destroy everything!

Qin Yu was not at a disadvantage in the face of these martial marquises.

He was full of energy, like an undefeated God of War!

With every punch, a martial marquis would fall to the ground!

In just a short hour, the Xue family had already shed a river of blood! Several martial marquises collapsed to the ground, their bodies shattered!

On the other hand, Qin Yu was bathed in the blood of his enemies. The more he fought, the braver he became. He was like a killing God!

“Boom!”

Another golden fist directly shattered half of a martial marquis' body!

Before he could react, Qin Yu had already reached into his Dantian and roughly dug out his golden core!

Such a violent method made everyone feel terrified!

Bai Sha's entire body trembled. He even lost the desire to fight back!

Seeing the ten martial marquises all fall to the ground, Bai Sha's body completely went soft.

He looked at the young man in front of him in horror and said with a trembling voice, “Don't... Don't kill me...”

Qin Yu grabbed his head and lifted him up into the air.

The ice-cold killing intent almost made Bai Sha wet his pants.

“Take me to the Purple Flame sect,” Qin Yu said coldly.

Bai Sha didn't dare to say anything and hurriedly nodded, “Okay... okay.”

Qin Yu stuffed Bai Sha into the car with one hand and then sat on the side.

“Qin Yu, you... you have to be more careful,” Xue Yuzhi said worriedly.

Qin Yu smiled and said, “Auntie Xue, don’t worry.”

The car drove towards the Purple Flame sect. A crafty look flashed across Bai Sha’s face.

“When you go to the Purple Flame sect, I will tear you into pieces!” Bai Sha shouted coldly in his heart.

This trace of craftiness did not escape Qin Yu’s eyes.

However, Qin Yu remained unmoved. He only closed his eyes slightly.

The people of the Xue family looked at each other in dismay.

Looking at the corpses lying on the ground in front of them, their hearts were filled with terror.

“More than ten martial marquises died just like that...” Xue Yujie muttered in a low voice.

“Qin Yu... didn’t seem to have used the power of a martial saint just now...”

“This kid is clearly in the late stage of the Martial Marquis realm, yet he could easily crush the peak of the Martial Marquis Realm. This is simply... unheard of!”

...

The car drove towards the Purple Flame sect.

More than an hour later.

The car finally stopped in front of a house that looked like a castle.

“This... This is Chief Yan.” Bai Sha said in a trembling voice.

Qin Yu got down from the car.

A towering castle came into view.

High walls had been built around it. At a glance, it looked like a city.

And on the gate hung a few big words: Purple Flame sect.

Qin Yu glanced at Bai sha and said coldly, “Lead the way.”

Bai Sha didn’t dare to say anything and hurriedly walked forward.

The gate rumbled and slowly opened.

Bai Sha was the first to step in. As soon as he entered the gate, he immediately ran! His speed was astonishing!

Looking at his retreating figure, Qin Yu did not chase after him. Instead, he sneered.

He released his spiritual sense. His body was covered in golden light as he rose from the ground!

Following that, the golden glow on Qin Yu’s hand became increasingly resplendent. A terrifying power swept through the entire purple flame sect!

In the next second, a huge golden fist suddenly condensed in the sky!

“Boom!”

This fist directly smashed down! The terrifying internal Qi was like a bomb, quickly spreading in all directions!

The buildings of the Purple Flame sect instantly collapsed! Those who couldn't Dodge in time were directly smashed into meat paste!

After the fist landed, Qin Yu strode towards the depths of the Purple Flame sect.

“Stop, who are you!” Someone Strode forward, Blocking Qin Yu's path.

Qin Yu didn't say a word. He raised his hand and smashed Qin Yu's head into pieces!

On the way, Qin Yu killed everyone he saw. No matter what cultivation level they were at, they all wanted to escape!

In a short while, more than a hundred people from the Purple Flame sect died!

The entire purple flame sect was covered in blood and corpses!

The smell of blood filled the entire purple flame sect. At a glance, the purple flame sect was like Asura hell!

Such a cruel method was enough to shock the world!

However, Qin Yu did not feel the slightest bit of pity in his heart.

“Junior, Stop!”

At this moment, an old man rushed over.

His eyes were scarlet red, and his eyes were wide open as he stared at Qin Yu!

“You... you dare to kill a disciple of my purple flame sect! I Want You Dead!”The old man roared angrily!

The entire city was shaken until it hummed. The Purple Flame sect, which had already been reduced to ruins, had completely collapsed at this moment!

Following the angry roar of the old man, Bai Sha also rushed out with more than ten martial marquises!

Qin Yu ignored Bai Sha. He looked coldly at the old man in front of him and said, “You are the sect master of the Purple Flame sect?”

The old man clenched his teeth tightly. He did not pay attention to these words. Instead, he said in a somewhat collapsed manner, “I have spent an unknown amount of effort in order to establish the Purple Flame sect. Now... it has been destroyed by your hands!”

“I will tear your tendons, skin you, and dismember you into thousands of pieces!”

Qin Yu sneered, “Don’t say such harsh words. If you have the ability, then use it.”

The old man glared at Qin Yu angrily. The internal Qi and hormones in his body were rising.

“Peak of the Martial Marquis Realm?”Qin Yu raised his eyebrows and then shook his head, “Since you dare to provoke the Xue family, which

has the power of a martial saint, you must have a trump card. Hurry up and show it.”

The old man narrowed his eyes and said with a sinister tone, “Little Bastard, you know quite a lot! But to deal with you, you don’t need to use your trump card!”

After he finished speaking, the old man’s figure suddenly disappeared and appeared in front of Qin Yu in the next second!

His skinny body was extremely fast. His hands turned into claws and clawed at Qin Yu at an extremely fast speed!

Qin Yu kept dodging with his hands behind his back. He easily dodged every move.

“Ha!”

The old man suddenly let out a furious roar. His body suddenly burst into flames!

The Flames turned into a totem and rushed towards Qin Yu!

Staring at the overwhelming totems, Qin Yu couldn’t help but Snort coldly.

“Break for me!”

Qin Yu shouted. The absolute beginning holy fist instantly rose up, and the Golden Fist instantly smashed towards the totem!

“Boom!”

This punch could destroy everything in its path. Its power was unimaginable! Under this punch, the totem collapsed instantly!

Chapter 792: Chapter 792, activate the power of a martial saint!

Internal Qi was spreading rapidly and in the blink of an eye, it had disappeared without a trace.

Qin Yu looked at the old man in front of him and said coldly, "If you still don't Show Your Trump Card, I'm afraid you won't have a chance."

The Old Man's face instantly became solemn.

He did not expect this young man in front of him to be so powerful.

The old man took two steps back and a bracelet suddenly lit up in his hand.

This bracelet emitted a strong and simple internal Qi. The moment it was taken out, a sense of pressure spread out.

"Martial saint's Weapon?" Qin Yu raised his eyebrows as if he had recognized this item.

The old man sneered, "You know quite a lot! That's right, the weapon in my hand is a martial saint's weapon! If you know what's good for you, kneel down and beg for mercy immediately. I'll give you a quick death!"

"So you're relying on this martial saint weapon." Qin Yu said coldly.

The old man said with some displeasure, “Kid, you seem to look down on this martial saint weapon? Do you know that this martial saint weapon can erupt with the power of a true martial saint? !”

“So What?”Qin Yu sneered again and again.

Normally, the power emitted by the martial saint weapon was indeed above the power of a martial saint.

After all, that was the purest form of the martial saint’s Internal Qi, and it was not transferred to someone else’s body.

However, how could Qin Yu be an ordinary person?

How could an ordinary person compare to the power that he had unleashed after possessing the power of a martial saint?

“Little Bastard, you really don’t know what’s good for you!”The old man seemed to be a little angry.

“Alright, if that’s the case, then I’ll send you to hell!”

Following the old man’s angry roar, the bracelet in his hand immediately began to emit an internal Qi!

An internal Qi that originated from a martial saint quickly gathered on the bracelet.

“Buzz!”

A faint light emitted from the bracelet. Following that, an extremely powerful internal Qi headed straight for Qin Yu!

Qin Yu hurriedly crossed his arms in front of him to protect his face!

“Boom!”

That internal Qi smashed onto Qin Yu’s arm!

Qin Yu’s entire body was instantly sent flying!

His arm was also shattered, revealing his sparkling white bones!

Not only that, that terrifying internal Qi also caused Qin Yu’s internal organs to tremble. He could not help but spit out a mouthful of blood.

“As expected of a martial saint’s weapon.” Qin Yu looked at his own arm and could not help but mutter in a low voice.

It was still impossible for him to use his own abilities to fight against a martial saint’s weapon.

“You’re not dead.” That old man narrowed his eyes slightly and could not help but snort coldly, “Little Bastard, you’re really shocking.”

“But can you withstand it the next time? Can you withstand it the second time? !”

As the old man roared angrily, the bracelet emitted light once again!

Qin Yu no longer held back his strength. He took a deep breath and immediately activated the martial saint’s power!

The moment the martial saint’s power was activated, a warm current immediately spread throughout his body!

His Dantian was like the sea, and countless streams flowed throughout his entire body!

In an instant, the internal Qi on Qin Yu's body suddenly rose!

That incomparably powerful and terrifying power swept through the entire purple flame sect!

At this moment, Qin Yu seemed to have changed into a completely different person.

Under the blessing of the martial saint's power, Qin Yu had a strange feeling.

It was as if... everything in front of him was worthless.

That martial saint's weapon was more like a toy!

When they felt the pressure from Qin Yu's body, everyone's expression could not help but change drastically!

"It's the martial saint's power! The Xue family gave the martial saint's power to this kid!" Bai Sha Roared!

The old man shouted angrily, "So what if it's the martial saint's power! It's not worth mentioning in front of my martial saint's Weapon!"

He roared continuously and urged this martial saint weapon with all his might!

A terrifying ray of light closed in on Qin Yu!

Qin Yu looked at this approaching ray of light coldly and the corners of his mouth curled into a sneer.

Just when the ray of light was about to land on Qin Yu's body, Qin Yu clenched his fist and suddenly went up to meet it!

“Boom!”

The golden light exploded with a dazzling radiance! At the instant of the collision, the internal Qi emitted by the martial saint weapon immediately dispersed!

Not only that, the remaining power of the fist was also approaching the old man!

The old man's expression changed drastically as he hurriedly activated the martial saint weapon to counter the attack!

However, the power of this punch was too great! Even with the support of the martial saint weapon, the old man's body was trembling like a sieve!

“Crack!”

At this moment, a crisp sound entered everyone's ears.

At a glance, the martial saint weapon had shattered!

With just one punch, it had shattered the martial saint weapon!

This strength made everyone's faces turn ashen!

It was almost unheard of for a martial saint weapon to be shattered!

“Boom!”

Without the martial saint weapon, the old man's body was directly sent flying!

His skinny body was instantly shattered!

Qin Yu looked at him coldly with an indescribable indifference in his eyes.

“So this is the power of a martial saint.”Qin Yu lowered his head and looked at his own fist.

Even Qin Yu himself was a little shocked.

This was only the power of a martial saint, yet it had such a terrifying power.

If he had become a martial saint, what kind of power would he possess ?

Most likely, one punch would possess the power of a nuclear bomb ?

It was unimaginable !

The old man struggled to get up, but his body had already shattered and he could not stand up.

The intense pain all over his body caused him to wail incessantly.

The fear made him tremble like a sieve.

Qin Yu took a step forward and instantly arrived before the old man.

He looked down at the old man from above. The coldness in his eyes made the old man even more afraid.

“Don’t... Don’t kill me. I’m willing to give the Purple Flame sect to you...”the old man begged bitterly.

Qin Yu shook his head and said, “Do you know how to make an example out of a chicken ?”

The old man was stunned. An ominous premonition immediately flashed through his heart.

“Only by destroying the Purple Flame sect can we intimidate the other sects. So... you have to die. Everyone in Your Purple Flame sect has to die,”Qin Yu said coldly.

Without waiting for the old man to speak, Qin Yu stomped down.

“Crack!”

This stomp sent the old man to his death.

Qin Yu bent down and took out his golden core.

After wiping off the blood on the golden core, Qin Yu kept it in his bag.

“Don’t... Don’t Kill Us!”The remaining martial marquises of the Purple Flame sect were so scared that they quickly knelt on the ground.

However, Qin Yu did not stop. He raised his hand and lightly slapped forward.

These ten plus martial marquises were instantly smashed into meat paste.

“The power of a martial saint... is truly terrifying.”Qin Yu could not help but sigh.

The power unleashed by the power of a martial saint was far inferior to that of a true martial saint.

Even so, it still possessed such terrifying power.

This could not help but cause Qin Yu to have some longing.

He longed for the strength after stepping into the martial saint realm.

After that, Qin Yu took out their golden cores, turned around, and walked out of the Purple Flame sect.

Standing at the entrance of the Purple Flame sect, Qin Yu casually waved his palm.

In an instant, the sky and earth shook, and the entire purple flame sect turned into ruins in an instant.

Chapter 793: Chapter 793, the gates of heaven!

The Purple Flame sect was destroyed.

And Qin Yu also seized more than twenty golden cores.

After returning to the Xue family, the people of the Xue family were eagerly waiting for Qin Yu.

Seeing that Qin Yu had returned, they all rushed up.

“Qin Yu, how is it?” Xue Yuzhi asked first.

Qin Yu smiled and said, “The Purple Flame sect is gone.”

After saying that, Qin Yu went straight back to his room.

Xue Yujie hesitated for half a second, then hurriedly looked at the people around him and said, “Quick, go to the Purple Flame sect and check out the situation!”

“Yes!”

Half an hour later, this follower returned to the Xue family.

“How is the Purple Flame sect now?” Xue Yujie hurriedly asked.

That follower said in a trembling voice, “The purple flame sect... more than a hundred people of the Purple Flame sect, all... all died...”

The few people present could not help but suck in a breath of cold air when they heard this.

Qin Yu... actually killed all of them?

“It was clearly enough to kill only one sect master, he... he actually massacred the entire sect...” Xue Yujie muttered in a low voice.

At this moment, the members of the Xue family began to feel a little afraid.

For the next few days, Qin Yu did not leave the main door and did not step out of the second door.

“Are we just going to hide in the house every day?” The mustached man could not help but mutter.

Qin Yu glanced at him and said, “Don’t worry, let the bullets fly for a while.”

Qin Yu was waiting for the news to ferment.

When the news of the destruction of the purple flame sect spread throughout the entire Sheng Kingdom, Qin Yu could take action.

In the Sheng Kingdom, there were dozens of forces, big and small.

Among them, the powerful ones had many martial marquises, such as the Purple Flame sect

And the weak ones also had martial marquises.

As long as they unified all the forces, then the Xue family would no longer have any risks, and Qin Yu would also have the capital to fight against the Jingdu Martial Arts Association and the various aristocratic families!

At night.

On Qin Yu's bed, there were beads placed one after another.

These beads were precisely golden cores.

Qin Yu counted, and there were a total of forty-one beads.

"Forty-one golden cores, this is really a valuable wealth." Qin Yu could not help but be a little excited.

Unconsciously, the killing intent in Qin Yu's heart grew stronger and stronger.

He even had the idea of killing everyone and taking out their golden cores for his own cultivation many times.

Fortunately, this idea was eventually suppressed by Qin Yu's rational thoughts.

Three days later.

The news of the destruction of the purple flame sect had spread throughout the entire Sheng nation.

“The Purple Flame sect has been destroyed, and more than a hundred people from the sect have actually died.”

“The Purple Flame sect has over twenty martial marquises. How could they be annihilated just like that?”

“Not only that, the purple flame sect also has a martial saint weapon! It’s said that the martial saint weapon was shattered with a single punch.”

“What kind of strength and how vicious is this? He actually massacred their entire sect...”

Just as everyone was discussing animatedly, a piece of news spread out.

“All the forces in Sheng Kingdom, I’ll give you three days to submit to me. I’ll wait for you at the Xue family. Otherwise, I’ll slaughter a sect every other day!”

Once this news was sent out, all the forces couldn’t help but be frightened!

Slaughter a sect every other day? This was a bit too arrogant!

In the hall of the Xue family.

Xue Yujie said with some fear, “Qin Yu, aren’t you going a bit too far... by doing this?”

“Yes, Qin Yu. If they unite to deal with you, you...”

Qin Yu glanced at them and said, “No worries.”

“If they really don’t come forward to submit, will you really slaughter their entire family?” Xue Yujie asked tentatively.

Qin Yu didn't think and nodded, "Mr. Xue, do you think I'm Joking?"

These words made Xue Yujie Shiver.

After Qin Yu left, Xue Yujie stood up and said, "This Qin Yu is too vicious! I'm really afraid that he will destroy our Xue family too!"

"He won't..."Xue Yuzhi shook her head.

"Qin Yu's actions are also for the sake of our Xue family..."

Xue Yujie opened his mouth, but he had nothing to say.

He sighed slightly, and his eyes were filled with worry.

In the blink of an eye, three days had passed.

Early in the morning, Qin Yu had been waiting in the square of the Xue family.

From eight o'clock in the morning to twelve o'clock in the afternoon.

However, not a single faction came.

A trace of coldness flashed through Qin Yu's eyes, and he said in a low voice, "It seems that they think I'm joking..."

After saying this, Qin Yu's figure suddenly disappeared.

At three o'clock in the afternoon, Qin Yu returned to the Xue family.

He was covered in blood and had a few more golden cores in his hands.

In the evening, the Sheng Kingdom sent out news: The Sky Harmony League was destroyed and dozens of people died tragically!

This could not help but make all the forces start to fear!

The Sky Harmony League was also a powerful sect! However, it was destroyed in the blink of an eye!

Everyone started to panic.

They realized that Qin Yu was not joking at all. He was really going to destroy the entire sect!

“How about... We should submit to him.”

“Even the martial saint weapon could not do anything to him, let alone us.”

“To destroy the martial saint weapon with one punch, we don't seem to have any other choice in front of such strength...”

All the major forces made their decisions one after another.

The next morning.

Qin Yu was still sleeping when someone knocked on the door.

The moment the door opened, he saw Xue Yuzhi standing at the door.

“Auntie Xue, What's Wrong?” Qin Yu rubbed his sleepy eyes.

Xue Yuzhi smiled bitterly and said, “The sect leaders of the major sects are waiting for you in the Hall...”

Qin Yu was immediately energized when he heard that.

He sneered and said, “Are all of them here?”

“More or less.”Xue Yuzhi smiled bitterly.

Qin Yu nodded and said, “Okay, I got it.”

After returning to his room and briefly tidying up, Qin Yu walked toward the hall of the Xue family.

At this moment, this huge hall was already filled with people.

The Moment Qin Yu stepped into the hall, his Internal Qi was released.

That powerful pressure made everyone tense up!

Qin Yu walked straight to the main seat and sat down.

He swept his gaze across the crowd and found that there were at least dozens of people present!

This meant that dozens of forces, big and small, of Sheng Kingdom were all present!

Qin Yu’s cold eyes swept across everyone present.

Everywhere he looked was trembling.

After a long time, Qin Yu finally opened his mouth.

He swept his eyes over everyone and said indifferently, “From today onwards, Sheng Kingdom does not have another force. All of you belong to the same sect.”

“This sect is called Heaven’s Gate.”

“Heaven’s Gate?” Everyone looked at each other.

Qin Yu said coldly, “As for your sect, from today onwards, it will be renamed Tangkou. Do you understand?”

Everyone was silent for a moment before someone stood up and said, “Greetings, sect leader Qin.”

The moment these words were said, everyone shouted in unison, “Greetings, sect leader Qin!”

From then on, the Heaven’s Gate was established!

Chapter 794: Chapter 794, the influence of a martial saint

Everyone submitted to Qin Yu.

Qin Yu swept his gaze across the crowd, his face carrying an indescribable dignity.

Unknowingly, Qin Yu was no longer the weakling who needed someone to protect him in order to grow.

The current him was more like a superior. When faced with a martial artist who submitted to him, he had an indescribable calmness and calmness.

The pressure emitted from his body made people dare not raise their heads.

Qin Yu swept his gaze across the crowd and said, "From today onwards, all of you are members of the Heaven's Gate. And the Heaven's Gate will become the number one sect in the world, or even the number one sect in the world."

His voice was not loud, but it was like thunder that reverberated in one's ears, causing one's entire body to shiver.

"Since you belong to the Heaven's Gate, then you must abide by the rules. In a few days, I will issue the relevant rules," Qin Yu said in a deep voice.

A simple meeting had established the heaven's Gate.

However, Qin Yu knew very well in his heart that it was impossible for a sect to remain standing with just one or two words, and it was even more impossible for everyone to be willing.

Therefore, after sending them away, Qin Yu went to the medicinal herbs warehouse.

He spent a whole three days to refine a hundred pills.

This pill was called the Divine Seal Pill. It wasn't considered a top-tier pill, but it was extremely useful. It could take everyone's lives in its own hands.

Although this wasn't the best method, it was the simplest and most effective method at the moment.

After refining the pill, Qin Yu gave the pills to everyone.

“Swallow it and you will be a member of our heaven’s Gate,”Qin Yu said coldly.

Everyone looked at each other. Although they were unwilling, they couldn’t do anything to Qin Yu who was so powerful.

After seeing the dozens of sects consume the pill, Qin Yu let out a sigh of relief.

The Xue family members couldn’t help but be shocked by how quickly things developed.

“From today on, you are the leader of all the major forces in the Sheng Kingdom?”Xue Yujie seemed to find it unbelievable.

Qin Yu shook his head and said, “No, from today onwards, there is only one organization in the Sheng Kingdom, and that is the heaven’s Gate.”

Xue Yujie smiled bitterly.

All the major and minor forces in the Sheng Kingdom had been fighting for decades, and no one had been able to unify them.

He did not expect that Qin Yu had spent a few days to bring all the major forces into the same sect.

This could not help but be surprising.

Not only Xue Yujie, even Qin Yu did not expect that there would be unexpected gains from this trip.

If it was within the fire country’s borders, it would definitely be detected by the JINGDU martial arts association.

And outside the borders, there would not be such a worry.

After experiencing this matter, Qin Yu also understood one thing.

That was the effect of power.

The reason why Qin Yu was able to take down all the major powers so easily was because Qin Yu possessed the power of a martial saint and possessed absolute power.

“How terrifying.”Qin Yu could not help but sigh.

Just the power of a martial saint had brought about such an effect of power. What would happen if he stepped into the true martial saint realm ?

“Martial saint...”Qin Yu muttered in a low voice as a trace of longing flashed across his eyes.

The next day, Qin Yu planned to leave the Xue family.

The power of a martial saint could not be maintained for long, so Qin Yu did not dare to waste too much time.

After bidding farewell to the people of the Xue clan, Qin Yu left the Xue Clan.

“Where are we going next, Head Chief Qin ?”The handlebar mustache asked jokingly.

Qin Yu said in a low voice, “We are going to visit a friend. After that, we will return to the Yan country.”

That friend was naturally referring to Yang Jing. In any case, it was on the way.

They drove all the way to the entrance of the Yang clan.

The Yang family was as big as ever. The huge manor showed that the Yang family's wealth was not ordinary.

However, this seemingly grand manor seemed to hide a bit of decay and vicissitudes.

Qin Yu frowned and said in a low voice, "This Yang family looks a bit strange."

The mustache man also muttered, "The entire Yang family looks ugly."

Qin Yu didn't say anything. He pushed the door open and strode towards the Yang family.

When he arrived at the door, Qin Yu knocked on it.

Soon, a nanny opened the door.

"Who are you looking for?" The nanny asked.

Qin Yu said politely, "Is Miss Yang Jing at home?"

"Miss Yang?" The Nanny sized Qin Yu up and down, seeming a little surprised.

Qin Yu smiled and said, "My name is Qin Yu. I'm a friend of Miss Yang."

The nanny nodded and said, "Please wait for a moment."

After saying this, the nanny turned around and walked back.

A few minutes later, the door opened again.

The person who opened the door this time was none other than Yang Jing.

Yang Jing's eyes were very complicated. There was excitement, surprise, and a bit of confusion.

“What? Don't you recognize me?” Qin Yu said jokingly.

Yang Jing wiped her tears and said, “Come in quickly.”

Qin Yu walked into the Yang family with his handlebar mustache.

Yang Jing quickly served Qin Yu Tea. Although she tried to hide her emotions, she couldn't escape Qin Yu's eyes.

Qin Yu took a sip of tea and said, “Did something happen to you?”

Yang Jing's expression froze, then she shook her head with a smile and said, “What could have happened to me?”

Qin Yu raised his eyebrows. “Really?”

Yang Jing quickly nodded. “Really. I'm doing quite well now.”

“If you have any problems, you can tell Qin Yu. He's very powerful now. He'll definitely be able to solve them for you,” the Mustache Man said with a smile.

Yang Jing smiled and didn't take it seriously.

“By the way, Where’s your father? How’s his health?”Qin Yu asked.

Yang Jing smiled and said, “My dad is fine. He recently returned to China.”

“You’re the only one living here?”Qin Yu was a little surprised.

“More or less,”Yang Jing said with a smile.

Then, the atmosphere fell into a short period of awkwardness.

Time flew by. At noon, Yang Jing had no intention of staying.

“Miss Yang, we came all the way here. Aren’t you going to treat us to a meal?”Qin Yu leaned against the sofa and said with a smile.

A trace of panic flashed across Yang Jing’s face.

She said with some embarrassment, “Qin Yu, i. . . Let’s go out and eat.”

“No need. Let’s eat at your house. Just Eat Something,”Qin Yu said shamelessly.

Hearing this, the panic on Yang Jing’s face became more obvious.

She said anxiously, “I. . . Let’s go out and eat. Let’s go quickly...”

Qin Yu snorted, “Miss Yang, if you don’t tell me what happened to the Yang family, I won’t leave.”

Seeing this, Yang Jing couldn’t help but bite her lips.

The nanny at the side couldn't stand it anymore. She walked forward and said, "You should go quickly. Otherwise, if young master Huang sees you, he will kill you all! And then Miss Yang will be implicated!"

After saying that, the nanny even took out two hundred Yuan and placed it on the table.. She said, "Consider it my treat. Hurry up and leave!"

Chapter 795: Chapter 795, the fish that escaped the net

Looking at the two hundred Yuan placed on the table, Qin Yu could not help but feel like laughing.

He raised his head to look at Yang Jing and asked in puzzlement: "Who is young master Huang?"

Yang Jing bit her lip and said: "Young Master Huang is a very big family clan in the Sheng Kingdom. You guys can not afford to offend him, so you should hurry up and leave. I will treat you to a meal when I return to the fire country another day!"

After a simple investigation, she found out that this young master Huang was from a local family clan and because he had taken a liking to Yang Jing, he had decided to force himself upon her.

Faced with this young master Huang, Yang Jing had no choice but to send all her family members back to the fire country and face the Huang family clan by herself.

Qin Yu was just about to say something when the door opened.

After that, she saw a young man with two people walking in from outside the door.

“TSK, tsk.”The young man’s eyes fell on Qin Yu as soon as he entered the door.

“What? Stealing a man while I’m not here?”The young man sneered.

Yang Jing quickly explained, “Young Master Huang, he’s my friend. He treated my father’s illness...”

Young Master Huang Glanced at Qin Yu and sneered, “Treated your father’s illness? Do you think I’m a F * cking idiot?”

With that, young master Huang slapped Yang Jing’s face!

Qin Yu narrowed his eyes and immediately stretched out his palm, taking the lead to slap young master Huang’s face.

Although this slap wasn’t very strong, it still sent young master Huang Flying.

“You dare to hit our young master? You’re courting death!”The two bodyguards beside young master Huang immediately shouted and rushed towards Qin Yu.

Qin Yu didn’t even look at them and directly smashed their heads into pieces.

Seeing this scene, young master Huang’s face instantly turned pale!

“You... you dare to touch my people...”young master Huang’s eyes widened.

Qin Yu looked at young master Huang coldly and said coldly, “Kid, forcefully twisting a melon is not sweet.”

Young Master Huang stood up from the ground and said with a cold face, “So what? I have many women by my side. She’s just one of them! I don’t care if he’s sweet or Not!”

Qin Yu’s face turned cold and said, “Kid, I advise you to give up on this idea.”

Young master Huang sneered, “You are in trouble now. No one dares to provoke our Huang family here!”

“Is that so?” Qin Yu sneered again and again, “What a coincidence. In Shengguo, I am not afraid of anyone.”

Just as Qin Yu said, Qin Yu was the Master of all the major forces. What was a mere aristocratic family to him?

Young Master Huang wiped the blood from the corner of his mouth. He pointed at Qin Yu and said, “Alright! If you have the ability, don’t leave!”

“I’m not leaving. Go back and tell your father. I’ll give him one hour to bring the Huang family and the young ones to kneel down and apologize,” Qin Yu said coldly.

“If I don’t see them in one hour, I’ll make the Huang family disappear from this world.”

Young Master Huang didn’t say a word. He just sneered.

He turned around and left the Yang family. When he reached the door, he said fiercely, “Don’t go if you’re a man. If you dare to leave, I’ll kill this little B * Tch!”

After saying this, young master Huang ran away.

Yang Jing's face was very ugly. She couldn't help but sigh and said, "Qin Yu, you'd better leave quickly. The Huang family is very powerful in Shengguo..."

"How Big?" Qin Yu laughed.

Yang Jing thought for a moment and said, "Do you know about the Tian he alliance? His father is a member of the Tian he alliance! And he is a high-ranking member of the Tian he alliance!"

"The Tian he alliance?" Qin Yu raised his eyebrows and couldn't help but sneer.

"The Tian he alliance seems to have been destroyed. Don't tell me you don't know?"

Yang Jing frowned and said, "Destroyed? When did it happen? Who Did It? The Purple Flame sect?"

"The Purple Flame sect is gone too." Qin Yu shook his head.

"To be precise, there is only one force in Sheng Kingdom now. That force is called Heaven's Gate."

"And I am the leader of Heaven's Gate."

Hearing this, Yang Jing couldn't help but laugh, "Qin Yu, don't joke around. I admit that you have some ability, but compared to the forces in Zhe, you are still far from it."

"Qin Yu, I already owe you a favor. You should leave quickly. For me, there's no need to offend the Huang family."

Qin Yu shook his head and said, "I don't like bullies who force their way in."

Because the Han family was the same back then. Seeing Yang Jing today, Qin Yu thought of Yan Ruoxue back then.

"Miss, you'd better go and ask about the heaven's Gate. Now the Heaven's Gate is the biggest organization in Shengguo. The Heaven's Peace League is nothing."The Mustache Man said with a smile.

Seeing this, Yang Jing couldn't help but sigh slightly.

She obviously didn't believe Qin Yu's words.

Tianhe alliance had been standing in Shengguo for many years. How could it collapse just like that?

"Well, go and make some food. I'm a little hungry,"Qin Yu patted his stomach.

Yang Jing couldn't help but smile bitterly, "You're still in the mood to eat at this time. You're so generous."

Having said that, Yang Jing still obediently went to the kitchen.

A few minutes later, Yang Jing came out with two bowls of noodles.

"There's nothing to eat at home. Make do with it,"said Yang Jing.

Qin Yu smiled and said, "It's already very good. My favorite food is noodles."

"Not bad. It would be even better if there were two heads of garlic,"the mustache man nodded silently.

The two of them picked up the noodles and began to eat slowly.

Seeing that one hour was getting closer and closer, Yang Jing began to feel uneasy.

She paced back and forth anxiously in the living room. The anxiety in her eyes could not be concealed.

“Phew.” At this time, Qin Yu patted his stomach and sat on the sofa in satisfaction.

“I’m full.”

As he spoke, Qin Yu glanced at the clock on the wall and couldn’t help but frown. “It’s been an hour, right?”

Yang Jing said in a low voice, “Yes, exactly an hour.”

A trace of coldness instantly flashed across Qin Yu’s face.

“This Huang family has turned a deaf ear to my words,” Qin Yu narrowed his eyes and said.

At this moment, a voice came from outside.

“Who dares to make the Huang family kneel and apologize?”

Before the voice fell, a man walked in with young master Huang.

This man was none other than the head of the Huang family, Huang Ren!

“Who dares to make the Huang family kneel?” Huang Ren said coldly.

Young Master Huang pointed at Qin Yu and said, “Dad, it’s him!”

Yang Jing's face was a bit ugly. She quickly walked forward and explained, "Mr. Huang, this is a misunderstanding. Qin Yu is my friend. It has nothing to do with him."

Huang Ren was about to get angry when he heard Qin Yu's name. His face suddenly changed.

"Qin... Qin Yu?" Huang Ren scratched his ears.

He hurriedly looked at the young man on the sofa and asked tentatively, "You... You Are Qin Yu?"

Qin Yu did not answer him.. Instead, he frowned and said, "I clearly remember that the people of the Heavenly Peace Union were all killed by me. How could there still be a fish like you who slipped through the net?"

Chapter 796: Chapter 796, uncontrollable killing intent

Huang Ren's expression instantly changed drastically!

It was really Qin Yu!

When the Heavenly Peace Alliance was exterminated that day, he happened to be absent and narrowly avoided the calamity.

But he never expected to meet Qin Yu here again today!

"Exterminating the Heavenly Peace Alliance? What the F * ck are you talking about?" Young master Huang was still recklessly clamoring.

Huang Ren's expression changed. He slapped young master Huang hard on the face and cursed, "Hurry up and apologize to sect leader Qin!"

“There’s no need to apologize.”Qin Yu shook his head.

“I said I’ll only give you one hour. It’s already been one hour and five minutes,”Qin Yu said coldly

Huang Ren’s forehead immediately broke out in cold sweat. He said with a trembling voice, “Sect leader Qin, i... I didn’t expect it to be you...”

“That has nothing to do with me,”Qin Yu said coldly.

“Since you have exceeded the time limit, you must be punished.”

After saying that, Qin Yu raised his hand and smashed young master Huang into meat paste.

Yang Jing, who was at the side, suddenly screamed in fear. Huang Ren’s face was full of grief.

“Okay, it’s your turn,”Qin Yu said.

“I’m merciful and soft-hearted, so I won’t destroy your entire family. It’s enough to just kill the two of you.”

Huang Ren hurriedly said, “No... Don’t. Sect Master Qin, I already know my mistake. I promise I Won’t disturb Miss Yang again. I...”

“Slap!”

Before he could finish, Qin Yu had already smashed Huang Ren’s head with a slap.

In the blink of an eye, the Huang father and son died here.

Yang Jing couldn't help but cover her mouth. Her eyes were full of horror.

Qin Yu glanced at Yang Jing and said, "Well, your problem has been solved. Don't worry."

After saying that, Qin Yu flicked his finger, and a wisp of spiritual fire directly burned the bodies of the two people into ashes.

Yang Jing's face was still full of fear.

It was impossible for two people to die in front of her. It was impossible to say that they were not afraid.

Seeing this, Qin Yu didn't know what to say.

After more than an hour, Yang Jing finally calmed down a little.

She whispered, "Qin Yu, are the major forces in Shengguo Really Yours?"

"Of course," Qin Yu said with a smile.

"If you have any problems in the future, call me. The people of the Heaven's Gate will help you."

"Thank... Thank you." Yang Jing sighed slightly.

Seeing her expression, Qin Yu couldn't help but say, "Do you think I'm Too Cruel? There's no need to kill them?"

Yang Jing bit her lip and said, "I just don't think there's a need to kill Huang Ren. He's already scared out of his wits..."

Qin Yu shook his head and said, “Yang Jing, I’ve experienced a lot in the past two years, and I’ve slowly learned a truth.”

“Being merciful to the enemy is cruel to yourself. Their fear of me will pass day by day with time. When that time comes, the one who will suffer will be you.”

Yang Jing was deep in thought when she heard this.

Qin Yu stood up and said, “Well, I still have something to do, so I won’t stay any longer. If there’s anything, you can call me again.”

“Are you leaving in such a hurry?” Yang Jing said in surprise.

“Yes, I have something important to deal with when I return to China,” Qin Yu said.

With that, Qin Yu walked out of the door with the handlebar mustache.

Yang Jing whispered behind him, “In any case, Qin Yu, thank you very much.”

Qin Yu smiled and said no more.

After leaving the Yang family, Qin Yu and the handlebar mustache went directly to the airport.

After arriving at the airport, Qin Yu and the handlebar mustache sat there quietly waiting for the plane.

At this moment, the moustache man suddenly asked, “Qin Yu, do you feel that your killing intent is getting stronger and stronger? If it were in the past, would you have massacred the entire sect?”

Qin Yu remained silent. He naturally realized this problem.

For some reason, Qin Yu's killing intent was extremely serious recently. Many times, he could not even restrain himself.

"Sigh, I suspect that you have been infected by that masked woman," the moustache man muttered.

Qin Yu looked at the handlebar mustache and said, "I've seen my own path of cultivation before. It's a path of killing. It has nothing to do with others."

The handlebar mustache shrunk his neck and muttered, "Just don't kill me."

Qin Yu said jokingly, "That's hard to say. Be careful."

...

At this moment, in the country.

Granny Qin, who had been sleeping for many days, finally woke up.

Under the treatment of the martial arts association, her body had completely recovered.

She was sitting in her room. Beside her, there was a huge python coiled up.

And this Python was Blackie's heaven-swallowing Python.

Granny Qin lovingly stroked Blackie's head and said, "Don't worry, I'll definitely make you return to your human form as soon as possible."

Blacky used his huge head to gently rub Granny Qin, as if in response.

Granny Qin couldn't help but recall the scene of the battle that day.

As well as the two terrifying corpses beside Qin Yu and that strange little girl, Xiao Yu.

“Just what kind of secret is Qin Yu hiding...”recalling that day, a trace of horror flashed across Granny Qin's face!

She didn't even dare to look for Qin Yu again, afraid that she would run into those two corpses!

With just a glance, he had shattered the martial saint's weapon. What kind of strength was this!

At this moment, Granny Qin's phone rang.

Picking up the phone, two cold words came from the other end: meeting.

Granny Qin didn't dare to be negligent. She hurriedly got up and rushed to the conference room of the Jingdu Martial Arts Association.

In the conference room, all the higher-ups had already arrived.

This time, Xia hang also participated in a rare event.

Granny Qin quickly rushed to the venue. Facing the few higher-ups, Granny Qin could not help but lower her head.

“I'm sorry, I wasn't able to do my job well.”Granny Qin lowered her head and did not dare to stand up for a long time.

“Alright, it’s useless to talk about this. Come and sit down,” said a higher-up.

Hearing this, Granny Qin quickly walked over and sat down.

“Granny Qin, I have two important tasks for you,” a higher-up said.

Granny Qin quickly said, “Please give me your orders!”

The higher-up said coldly, “Bring the two corpses beside Qin Yu and the little girl called Xiao Yu here.”

Hearing this, a trace of panic flashed across Granny Qin’s face.

She said in a trembling voice, “My lords, those two corpses possess extraordinary strength. With my ability, I’m afraid...”

“It’s Alright,” a higher-up said.

“Those two corpses were figures from ten thousand years ago. Although I don’t know why they suddenly awakened their consciousness last time, this kind of situation is very difficult to happen.”

“You can bring your people there. We will give you the martial saint weapon again.”

Hearing this, Granny Qin quickly nodded and said, “Yes, I will do it right away.”

“Yes, remember, you must do it as soon as possible. If you can get those two corpses, they will definitely be of great use.”

“To us, it might be of historic significance.”

Chapter 797: Chapter 797, return to Jingdu!

Granny Qin hurriedly stood up and said, "Please rest assured, I will definitely complete the mission!"

At this point, Granny Qin suddenly raised her head and said, "My lords, I have another request."

"Request? What Request?" A higher-up asked coldly.

Granny Qin gritted her teeth and said, "I want a body transformation pill..."

The higher-ups were silent for a moment, and then coldly said, "Is it for your heaven swallowing Python?"

"Yes..." Granny Qin lowered her head.

A higher-up coldly said, "Granny Qin, you've worked for the Jingdu Martial Arts Association for so many years. You should know that if you work here, don't give yourself too many restrictions. Otherwise, it will affect the entire association."

"That's right. If you have worries in your heart, the knife in your hand will not be happy," another higher-up said.

Granny Qin raised her head and said with a pleading tone, "I have never married for the sake of the martial arts association, and I have never left behind any descendants. The only thing that is important to me now is little black."

"I would like to ask the high-ranking officials to give me a body transformation pill on account of my hard work!"

The high-ranking officials seemed to be moved.

A moment later, a high-ranking official said, "Come back in three days to collect it."

Granny Qin quickly bowed and said, "Thank you, Lord higher-ups!"

After leaving the meeting room, Granny Qin quickly rushed to the mansion with the handlebar mustache.

Unfortunately, there was no one in the mansion.

On the other side, Xia hang hurriedly called Qin Yu.

At this time, Qin Yu had not boarded the plane and his phone was not switched off.

After picking up the phone, Xia Hang told Qin Yu everything.

"Quickly hide that little girl and the corpse in your hands well," Xia Hang said in a deep voice.

Qin Yu rubbed his chin and sneered, "I had already guessed that they would do this. Don't worry, I will make proper arrangements."

The plane flew over the sky.

By the time Qin Yu arrived at the fire country, it was already late at night.

After thinking about it, Qin Yu finally decided to hide the coffin, the pictures, and the corpse all in Jiangcheng.

It was Qin Yu's hometown, and also the safest place.

That night, Qin Yu rushed back to Jiangcheng and hid the coffin in the courtyard of his home.

After all this was done, it was already early in the morning.

Qin Yu wiped the sweat from his forehead. He looked at his surroundings and whispered, "It's been a long time since I've been back."

There were Qin Yu's old friends here, but Qin Yu didn't have any time to stay.

Therefore, he didn't inform anyone. Early in the morning, he took a car and rushed back to Jingdu Martial Arts Academy.

As soon as he returned to the manor with the handlebar mustache, he saw two purple-robed men standing at the gate of the manor.

Qin Yu walked straight forward and asked, "Purple-robed lords, What's the matter?"

The two purple-robed men looked at each other and said, "Qin Yu, where have you been these past few days? Why didn't you inform us beforehand?"

Qin Yu sneered and said, "I don't think I need to inform you where I'm Going, right?"

The two purple-robed men said coldly, "You are now involved in an important matter. We will temporarily restrict your movements. We hope that you can cooperate."

"Cooperate the F * ck!" Qin Yu said impatiently.

“Go back and tell Granny Qin, if you have something to say, say it. Don’t waste my time.”

After saying this, Qin Yu was about to go in.

The two purple-robed men took a step forward and blocked Qin Yu’s path.

Qin Yu’s expression turned cold, and a strong killing intent immediately erupted from his body!

After sensing this killing intent, not only the two purple-robed men, but even the mustache man’s expression couldn’t help but change!

“Hey, Hey, Hey, calm down, you two. If there’s anything, let Granny Qin come and talk.”The Mustache Man hurriedly tried to smooth things over.

These two purple robes had long been scared out of their wits. Since the mustached man had given them a way out, they naturally went down the slope.

After they had left, the mustached man could not help but frown and said, “Qin Yu, it’s time for you to restrain your killing intent.”

Qin Yu also frowned slightly.

Ever since he had obtained the power of a martial saint, this killing intent seemed to be out of control and could erupt at any time.

“If you hadn’t stopped them just now, the two of them might have really died,”Qin Yu said in a low voice.

The Mustache Man smiled bitterly and said, "If this continues, I'm really afraid that you'll become the next masked woman."

Not only the Mustache Man, Qin Yu was also a little worried.

After returning to their residence, Qin Yu and the Mustache Man tidied up briefly.

Half an hour later.

Granny Qin led several purple-robed men and Strode in.

"Surround the door!" Granny Qin said coldly.

"Yes!" The purple-robed men quickly surrounded the residence.

Granny Qin Strode into the residence.

At this moment, Qin Yu was sitting in the hall drinking tea, looking quite pleased with himself.

"Qin Yu, you're finally back," Granny Qin said coldly.

Qin Yu raised his eyebrows and said, "Old Bastard, you're really lucky. I thought you were dead."

Granny Qin's face turned cold and she said coldly, "Where are the two corpses? Hand them over now!"

Qin Yu put down the Teacup in his hand and said, "If I hand them over, aren't you afraid that they'll slap you to Death?"

A trace of fear flashed across Granny Qin's face and she even took a step back unconsciously.

It was obvious that the previous incident had left a psychological scar on Granny Qin.

Granny Qin took a deep breath and said coldly, “Qin Yu, I am here under the orders of my superiors to ask you for the corpse and the little girl.”

“This is not a personal grudge between you and me, but an order from the highest level of the Jingdu Martial Arts Association!”

Qin Yu sneered, “What right do they have to order me? They are your superiors, not mine.”

“You want those two corpses, right? Fine, I’ll Give You Yan Ruoxue in exchange!”

Granny Qin’s expression instantly turned cold.

“Qin Yu, I advise you to not be Shameless!”Granny Qin’s body emitted a killing intent.

Qin Yu’s eyes narrowed, and the killing intent on his body instantly erupted!

“Are you threatening me?”Qin Yu stood up and said.

The internal Qi emitted from Qin Yu’s body was extremely powerful and instantly suppressed Granny Qin’s Aura!

Even Granny Qin’s expression could not help but change slightly.

Qin Yu glanced at the spiritual artifact in her hand and sneered, “Martial saint’s artifact? Why? Do you want to snatch it by force?”

Granny Qin opened her mouth but did not dare to speak for a moment.

For some unknown reason, she suddenly realized that Qin Yu in front of her seemed somewhat different from before.

“How about this?” The mustached man was afraid that Qin Yu would not be able to restrain his killing intent, so he quickly stood up and said.

“The victor between Qin Yu and Blacky has not been decided yet. Let’s use these two corpses as stakes.”

“If Qin Yu wins, you guys bring Qin Yu to the mystic realm where Yan Ruoxue is imprisoned. If Blacky wins, Qin Yu will hand over the two corpses. What do you think?”

Qin Yu glanced at the handlebar mustache and smiled without thinking..
“Okay, I agree.”

Chapter 798: Chapter 798, the Magic Weapon of the pavilion of Heavenly Secrets

Granny Qin’s face was gloomy. She had originally planned to rely on the martial saint’s weapon to forcefully bring the corpse back.

But now, for some unknown reason, when she faced Qin Yu, she actually felt some fear in her heart.

She did not know if it was because of the two corpses or because of Qin Yu himself.

After thinking over and over again, Granny Qin snorted coldly and said, “I hope you will keep your word. Otherwise, the JINGDU martial arts association will not let you off!”

After saying this, Granny Qin turned around and left.

Looking at her departing back, Qin Yu could not help but let out a cold snort.

“Come, you also possess the power of a martial saint. Let Me See who is stronger.”Qin Yu said with a cold smile.

Granny Qin turned around and returned to her own residence.

She looked at Blackie, who was leaning against her body, and could not help but smile.

“The higher-ups have already agreed. They will give me the transformation pill the day after tomorrow,”Granny Qin said with a smile.

“At that time, you will still return to your human form.”

Hearing this, Blackie used his huge head to gently rub Granny Qin.

At this moment, Granny Qin sighed slightly and said in a low voice, “Ever since that Qin Yu appeared, Jingdu has become more and more restless.”

At the mention of Qin Yu’s name, Little Black’s mouth immediately spat out his tongue, and his body also trembled slightly.

An angry internal Qi wandered through the room, shaking the entire room until it buzzed.

Granny Qin comforted him, “I know you hate him. Don’t worry. When you return to your human form, I will give you a chance.”

Hearing this, Little Black’s trembling body finally eased up.

...

For the rest of the day, Qin Yu did not leave the mansion with the handlebar moustache.

On this day, Qin Yu had just taken out the power of creation from the spatial artifact when someone suddenly walked in from outside.

“Qin Yu, someone is looking for you.”The person who came was a staff member of the Martial Arts Academy.

Qin Yu glanced at him and frowned, “Someone is looking for me? Who is looking for me?”

“The Pavilion Master of the pavilion of heavenly secrets, Luo Jingyu.”

Hearing this name, Qin Yu couldn't help but raise his eyebrows.

The Pavilion Master of the Pavilion of Heavenly Secrets? He came looking for him?

“I got it. I'll go out immediately,”Qin Yu said.

He put away the power of creation and couldn't help but smile coldly.

It seemed that the Pavilion Master of the pavilion of Heavenly Secrets was here to settle the score.

Qin Yu stood up and walked out of the martial arts academy in large strides.

At the entrance of the academy, he saw an old man and a young man standing there.

These two people were the father and son of the pavilion of heavenly secrets.

And behind them were three people.

The three people were carrying boxes of various sizes in their hands, which looked like gifts.

Qin Yu walked directly to Luo Jingyu and said with a faint smile, “Pavilion Master Luo, what business do you have with me?”

Luo Jingyu bowed and said, “A few days ago, I went out on an errand and didn’t return for a long time, so the pavilion of heavenly secrets was handed over to my son.”

“I never thought that my son would actually do such a heinous thing. After I heard about it, I immediately brought a generous gift to apologize to you.”

“Apologize?” A trace of surprise flashed across Qin Yu’s face.

This was something that Qin Yu didn’t expect.

Luo jingyu sighed and said, “My son has been pampered since he was young and doesn’t know etiquette. Mr. Qin, please forgive me.”

As the saying goes, one shouldn’t hit a smiling person.

Luo Jingyu’s attitude made it difficult for Qin Yu to flare up.

“Pavilion Master Luo is too polite,” Qin Yu replied indifferently.

Luo Jingyu sighed slightly and said, “His actions not only affected him personally, but also the entire pavilion of Heavenly Secrets! He is simply embarrassing the pavilion of Heavenly Secrets!”

After saying that, Luo Jingyun looked at Luo Yang with a cold face and berated, “Why aren’t you apologizing to Mr. Qin?”

Luo Yang quickly walked in front of Qin Yu, bowed and said, “Mr. Qin, I was rude and offended you. Please forgive me.”

Qin Yu frowned.

This was not like Luo Yang’s personality.

“No worries.” Qin Yu waved his hand.

“Why aren’t you thanking Mr. Qin?” Luo Jingyu berated.

Luo Yang quickly bowed and said, “Thank you, Mr. Qin, for your magnanimity!”

Then, Luo Jingyu looked at the people behind him and said with a smile, “Mr. Qin, this is a small token of appreciation. Take it as an apology. Please accept it.”

Qin Yu looked at the few boxes.

He released his spiritual sense and found that the boxes were all containing some spiritual artifacts.

Although these spiritual artifacts couldn’t be considered top-notch, they were still considered top-notch.

Qin Yu waved his hand repeatedly and said, "Pavilion Master Luo is too polite. I appreciate your apology. It's better to take back this gift."

Luo Jingyu said with a stern face, "That won't do. If you do something wrong, you have to pay the price. This is what you should do!"

"Hurry up and carry the things in for Mr. Qin!" Luo Jingyu shouted.

The few of them quickly carried the box and walked into the martial arts academy.

Unfortunately, outsiders couldn't enter at all, so they could only leave the box at the door.

Such a posture indeed surprised Qin Yu.

If Luo Jingyu really had such a posture, how could he have taught such an impolite person like Luo Yang? This was unreasonable.

Qin Yu was silent for a moment and said, "Pavilion Master Luo, is there something you want to talk to me about? If there's something, just say it."

"I like Mr. Qin's temper," Luo Jingyu said with a smile.

"Then I'll be frank with you. You took a spatial god weapon ring from the pavilion of Heavenly Secrets, right?"

Qin Yu smiled and said, "Yes."

Luo Jingyu quickly said, "That spatial god weapon is very important to me. Please return it to me, Mr. Qin. If you like it, I can give you another spatial god weapon."

As expected, he had something to ask!

Although that was the case, that spatial artifact was snatched by Qin Yu, so returning it was not unreasonable.

“I haven’t brought that spatial artifact yet.” After thinking about it for a while, Qin Yu finally decided to think about it.

Luo Jingyu frowned slightly and said, “Mr. Qin, why don’t you go back and get it? I’ll wait for you here.”

Qin Yu smiled and said, “How about this? I’ll send it to the pavilion of heavenly secrets in a few days.”

Luo jingyu frowned and said, “Mr. Qin, this thing is very important to me. You’d better go back and get it.”

“Sigh, I’ve put a lot of things in this spatial artifact. Even if I want to clean it up, it’ll take a few days. Pavilion Master Luo, why are you in such a hurry?”

Luo Jingyu opened his mouth and wanted to say something, but at this time, he changed the topic and said with a smile, “Okay, I’m not in a hurry. How about this, I’ll set up a table in the pavilion of Heavenly Secrets Tomorrow and wait for Mr. Qin to come.”

“Okay.” Qin Yu nodded and agreed.

“Then I won’t bother you anymore.” Luo Jingyu bowed slightly to Qin Yu and then left with Luo Yang.

After walking far away, Luo Jingyu’s face instantly darkened.

“Dad, this kid is too arrogant! He really doesn’t want face when given face!” Luo Yang couldn’t help but scold.

Luo Jingyu glanced at Luo Yang and snorted coldly, “Let him be proud first. Wait until I get the ring back, then I’ll settle the score with him!”

Chapter 799: Chapter 799, Hongmen banquet

At this point, Luo Jingyu let out a sigh of relief.

“Judging from Qin Yu’s performance, he probably didn’t discover the secret inside the ring. This can be considered a blessing in disguise,” Luo Jingyu said in a low voice.

Luo Yang, who was at the side, said worriedly, “What if he discovered it in the past two days? As far as I know, the handlebar mustache beside him seems to know something.”

Hearing this, Luo Jingyu’s expression changed slightly.

His brows were tightly furrowed, and his face was filled with intense worry.

“If it really can’t be done, why don’t we look for the people from the JINGDU martial arts association to pressure him?” Luo Yang suggested.

Luo Jingyu shook his head and said coldly, “I’ve already looked, but the people from the Jingdu Martial Arts Association said that Qin Yu doesn’t care about them at all.”

“Dad, then what should we do?” Luo Yang looked worried.

Luo Jingyu sighed and said in a low voice, “We can only take it one step at a time.”

...

On the other side, after Qin Yu went back, he rummaged through the cabinets and found this ring.

He played with the ring and said in a low voice, “The pavilion of Heavenly Secrets has brought so many Babe just to exchange for this ring, which means that this ring must be of higher value.”

Although that was the case, this thing was stolen after all. To Qin Yu, it seemed like it was only right to return it.

“Yo, where did you get so many Babe?” At this time, the mustached man walked in from outside.

Qin Yu told the mustached man the whole story.

When the mustached man heard that, a trace of surprise flashed across his face.

He frowned and said, “As far as I know, this Luo Jingyu is not a good guy. He can’t do such an apology thing.”

“Mm, otherwise, how could he have such a character like Luo Yang?” Qin Yu nodded slightly.

He handed the ring to the handlebar mustache and said, “Can you see any secrets in this ring?”

The handlebar mustache said, “Maybe there is a treasure hidden in it?”

Hearing this, Qin Yu tried to probe into it with his spiritual sense.

But the moment that spiritual sense fell into it, a mist rushed toward him.

The surroundings instantly became pitch-black, and he couldn't see his direction.

Qin Yu's spiritual sense instantly lost its use in the spatial divine artifact.

Qin Yu hurriedly withdrew his spiritual sense, and he couldn't help but frown slightly.

"I'm afraid there really is some treasure in this ring," Qin Yu said while stroking his chin.

"But this ring is someone else's after all. It doesn't seem reasonable for me to forcefully occupy it."

The mustached man at the side sneered, "What if you return the ring and Luo Jingyu turns hostile and refuses to acknowledge you? At that time, you'll probably die of anger."

"That's true." Qin Yu felt that it made sense.

After thinking over and over again, the corners of his mouth curled up into a smile.

The next day.

Qin Yu went to the pavilion of heavenly secrets again according to the agreement.

In his hand was a brocade box.

And inside the brocade box was the ring.

As soon as Qin Yu entered the door, the members of the pavilion of Heavenly Secrets on both sides hurriedly bowed and said, “Mr. Qin, Our Pavilion Master has been waiting for you for a long time. Please follow me.”

With that said, the two of them led the way in front and stepped through the hall of the pavilion of Heavenly Secrets.

Behind this pitch-black house was a towering mountain.

On this tall mountain, a few words were written by someone: Pavilion of Heavenly Secrets.

“Truly magnificent.” Seeing this, Qin Yu sighed from the bottom of his heart.

He released his spiritual sense and was surprised to discover that the pavilion of heavenly secrets actually had many martial marquises hidden within.

Apart from this, there were also several unknown powers.

“It seems that the pavilion of heavenly secrets is not as simple as it seems on the surface.” Qin Yu thought to himself.

To be able to develop to such a scale, it must have a strong foundation, and the pavilion of Heavenly Secrets was no exception.

Under the lead of the two, Qin Yu began to climb the mountain.

The peak of the mountain seemed to have been flattened by someone. It was a large plain.

And on that plain, a huge villa was located there.

“Mr. Qin, please come in,”the two bowed and said.

Qin Yu Strode into it. The first thing he saw was a huge cabinet.

There were many spiritual artifacts on the cabinet, and they were all top-notch!

Even the divine dragon blade in Luo Yang’s hand was placed on the wall.

“Mr. Qin, you’re finally here.”At this moment, Luo Jingyu walked out.

He warmly shook hands with Qin Yu and said, “Quick, hurry up and serve the table.”

However, Qin Yu waved his hand and said, “There’s no rush.”

He sized up the magic artifacts on the cabinet and said with a smile, “These magic artifacts are not ordinary. They should be more precious than those outside, right?”

Luo Jingyu said with a faint smile, “Good eyesight. The magic artifacts here are indeed more precious. They are a one-in-a-million Babe.”

Hearing this, Qin Yu said with some doubt, “Pavilion Master Luo, that ring is so important to you. Why did you put it in the hall outside?”

Luo Jingyu sighed slightly and said, “I had something important to do that day. Before I had time to deal with it, I put it on the iron platform. Unexpectedly, something like this happened.”

Qin Yu suddenly came to a realization. He glanced at the spiritual artifact on the cabinet and said, "This divine dragon blade is not bad."

Luo Jingyu's eyes rolled. He immediately took the divine dragon blade and stuffed it into Qin Yu's hands.

"If Mr. Qin wants it, just take it! Just treat it as a friend!" Luo Jingyu said with a smile.

Qin Yu didn't stand on ceremony and immediately put away the Divine Dragon Blade.

"This horsetail whisk seems to be not bad. Is it a heaven rank magic weapon?" Qin Yu's gaze fell on another horsetail whisk.

Seeing this horsetail whisk, Luo Jingyu's mouth twitched.

He braced himself and said, "You can take it if you like!"

"Then thank you very much, pavilion master Luo." Qin Yu also kept the horsetail whisk.

Following that, Qin Yu picked out several heaven rank magic weapons in succession.

What was surprising was that Luo Jingyu actually agreed to all of them!

One had to know that heaven rank magic weapons were extremely precious. Even for the pavilion of heavenly secrets, there weren't many of them.

And Qin Yu had taken four or five of them. Even the pavilion of heavenly secrets couldn't bear it.

The most puzzling thing was that Luo Jingyu had actually agreed!

“Mr. Qin, Let’s go. Let’s hurry up and take our seats,” Luo Jingyu said with a smile.

Qin Yu nodded and said, “Okay. Today, I still have to thank pavilion master Luo for his gift.”

With that, the two of them walked upstairs.

A banquet had already been set up upstairs. Besides Luo Yang, there was also a group of beautiful women in Cheongsam standing at the side.

These women had curvaceous figures and were extremely seductive. Anyone who looked at them would be unable to resist.

“Pavilion Master Luo, what does this mean?” Qin Yu said in surprise.

Luo Jingyu laughed out loud and said, “We are all men. Men only have that little hobby. Don’t stand on ceremony!”

After saying that, Luo Jingyu clapped his hands, and the more than ten beauties in cheongsam all surrounded Qin Yu.

Their graceful bodies were tightly pressed against Qin Yu’s body, and their palms were slowly moving on Qin Yu’s chest.

Chapter 800: Chapter 800: Thank You for Your Magic Tool and Golden Core!

Several beautiful women in Cheongsam exhaled into Qin Yu’s ear like orchids.

That seductive internal Qi filled the entire room.

Qin Yu's body trembled slightly, and these women were immediately forced back a few steps.

"Pavilion Master Luo, there's no need for that. Let them go out first," Qin Yu said expressionlessly.

Luo Jingyu said with some surprise, "What? Mr. Qin doesn't like it? Why don't we change the batch?"

"There's no need." Qin Yu walked straight to the table and sat down.

Seeing this, Luo Jingyu didn't ask for trouble anymore.

He poured a glass of wine for Qin Yu and said with a smile, "Mr. Qin, we can be considered to have gotten to know each other without fighting. This glass of wine is for you. I hope we can become friends in the future!"

Qin Yu raised his cup and downed it in one go.

After drinking a cup of wine, Luo Jingyu said somewhat impatiently, "Mr. Qin, did you bring that ring?"

"Of course." Qin Yu said with a smile.

Luo Jingyu suppressed the excitement in his heart and said, "Mr. Qin, that ring is quite important to me. If it's convenient, please return it to Me First."

Qin Yu smiled and said, "What's the secret of this ring? Why is pavilion master Luo so nervous?"

Luo Jingyu pretended to sigh and said, "There's no secret to this ring. It's just that it's a token of my love with my wife, so I can't lose it."

Qin Yu said in surprise, "I didn't expect pavilion master Luo to be such a sentimental person."

"Mr. Qin, you must be joking. Then you see..." Luo Jingyu rubbed his hands, looking a little anxious.

Qin Yu took out the brocade box from his pocket.

He handed the brocade box to Luo Jingyu and said, "The ring is in here. Take it, pavilion master Luo."

Luo Jingyu snatched the brocade box and opened it anxiously.

Seeing the ring inside, Luo Jingyu immediately heaved a sigh of relief.

"Pavilion Master Luo, is there a problem?" Qin Yu said with a smile.

Luo Jingyu counted with a faint smile, "No problem, but Mr. Qin, I'm afraid there's something wrong with you."

Qin Yu put down the chopsticks in his hand and raised his eyebrows, "Pavilion master Luo, what do you mean by that?"

Luo Jingyu had yet to speak when Luo Yang, who was at the side, slammed the table and stood up!

He pointed at Qin Yu's nose and said, "Qin Yu! Do you really think we want to be friends with you? Why Don't you take a look at yourself in the mirror? Do You Think You're Worthy?!"

“You hit me and stole our things. Do you think this matter will be settled just like that? !”

Qin Yu’s eyes narrowed slightly. He looked at Luo Jingyu coldly and said, “Pavilion Master Luo, is that what you mean too?”

Luo Jingyu didn’t answer this question. Instead, he smiled faintly and said, “Qin Yu, return my magic artifact. Perhaps I can spare your life.”

Seeing this, Qin Yu couldn’t help but laugh out loud. “As expected, what kind of son you have is what kind of father you have.”

Luo Jingyu said with a sneer, “Is it still useful for you to say these things now? Return the magic weapon. At least you will suffer less physical pain.”

“Just the two of you?” Qin Yu said coldly.

Luo Jingyu wasn’t in a hurry. He clapped his hands, and immediately, several martial marquises rushed out.

They held the magic artifacts of the pavilion of heavenly secrets in their hands, and they looked extraordinary.

“Even if we add them, it won’t work.” Qin Yu shook his head and said.

Luo Jingyu said indifferently, “Qin Yu, I know that your subordinates have some ability, but if I don’t do a complete plan, how could I shed all pretense of cordiality with you?”

Luo Yang, who was at the side, laughed loudly and said, “Qin Yu! The wine you drank just now was poisoned long ago! If I’m not wrong, you should have lost all your internal energy by now!”

Qin Yu didn't say anything. He stared at the wine in front of him and couldn't help but sigh slightly.

“Should I say that you guys are stupid or that you guys are smart?” Qin Yu shook his head helplessly.

Luo Jingyu frowned and said, “What do you mean by that?”

Qin Yu slowly stood up and said, “If you guys are honest with each other, I'm willing to return this ring. After all, I was the one who snatched it, but you guys chose a troublesome and Wrong Path.”

Luo Jingyu snorted coldly and said, “So what? The ring is now in my hands!”

Qin Yu sneered and said, “You made preparations. Don't tell me that I didn't make preparations?”

“Open the brocade box and take a look. Is that your ring?”

Upon hearing this, Luo Jingyu's expression changed greatly!

He hurriedly opened the brocade box and carefully observed it!

Only at this moment did he realize that this ring was actually fake! A high-quality imitation!

“You... you dare to lie to me? !” Luo Jingyu instantly flew into a rage!

Qin Yu sneered and said, “I predicted that you would lose your mind due to excitement and wouldn't carefully observe it. As expected, it's just as I expected.”

Luo Jingyu gnashed his teeth and said, "Return the ring to me, or I'll kill you!"

Qin Yu sighed again.

"Pavilion Master Luo, your brain doesn't seem to work," Qin Yu said with a cold smile.

He shook the wine cup in front of him and said with a cold smile, "Do you think I won't notice that you poisoned the elders of the Divine Alchemist Pavilion?"

As he spoke, Qin Yu opened his mouth and spat out all the wine!

Luo Jingyu's expression changed drastically again! He gritted his teeth and countless expressions flashed across his face.

A moment later, Luo Jingyu suddenly laughed out loud, "Qin Yu, I was just joking with you. Why Are You So Serious? Hurry up and sit down!"

Qin Yu mocked, "Look, your brain is really not good. It's acting up again."

"You!" Luo Jingyu's expression was extremely gloomy.

He said coldly, "Qin Yu, you better hand over that ring, or I won't let you off!"

Qin Yu's face instantly turned extremely cold.

"Pavilion Master Luo, I seem to have contracted a disease recently," Qin Yu said coldly.

“I don’t know what’s wrong with me, but I can’t restrain the killing intent in my heart, and I especially want to kill someone...”

Before he finished speaking, Qin Yu suddenly stretched out his hand and crushed the head of a martial marquis!

Such speed made people speechless!

Even Luo Jingyu was shocked!

“Luo Jingyu, thank you for the Magic Tool and.... Golden Core!”

Chapter 801: In the 800th chapter, he would fight little black again!

Luo Jingyu’s expression changed drastically. He subconsciously took two steps back and shouted, “Let’s attack together and kill him!”

Several marquises immediately activated their magic weapons and charged at Qin Yu!

Qin Yu’s expression was cold and full of killing intent.

He clenched his golden light and suddenly threw a punch!

“Boom!”

With just this punch, the charging Marquis was sent flying!

The spiritual artifacts in their hands were directly shattered!

This scene immediately made the Luo father and son suck in a breath of cold air!

It had only been a few days, how did Qin Yu grow to such an extent? !

“Not good, retreat quickly!” Luo Jingyu sensed that something was wrong. He held the spiritual artifact in his hand and muttered in a low voice. Then, he dragged Luo Yang and turned around to run!

In the blink of an eye, the two people disappeared from Qin Yu’s sight.

Qin Yu could not help but frown and snorted, “They ran quite fast.”

They ran away, but these martial marquises of the pavilion of heavenly secrets could not run away.

Qin Yu did not show any mercy. He immediately went on a killing spree, one punch after another.

In the blink of an eye, several martial marquises fell to the ground!

Qin Yu dug out their golden cores and took away their magic weapons.

Apart from that, Qin Yu turned around and returned to the hall. He looted all the magic weapons placed in the hall of the villa, leaving nothing behind!

After doing all this, Qin Yu left the pavilion of heavenly secrets.

All the magic weapons of the pavilion of heavenly secrets had been looted!

If this news were to spread, it would definitely shock the entire world!

In the afternoon, Luo Jingyu brought Luo Yang back to the pavilion of Heavenly Secrets.

Looking at the empty cabinets in the hall, Luo Jingyu's heart felt like it was cut by a knife.

“Qin Yu... This Qin Yu... Pfft!”

In his fury, Luo Jingyu spat out a mouthful of blood, and his face turned a few times paler.

“Dad!” Luo Yang hurriedly held Luo Jingyu.

Luo Jingyu glared at Luo Yang and said through gritted teeth, “It's all your fault, it's all your fault, it's all your fault!”

Luo Yang opened his mouth but didn't dare to say another word.

“Qin Yu... I want you to die, I definitely want you to die! !”

Luo Jingyu's angry roar reverberated in the hall for a long time.

...

At this moment, Qin Yu was sitting in the mansion, admiring these top-tier spiritual artifacts with his handlebar mustache.

“TSK tsk, I'm rich, I'm Rich.” The handlebar mustache licked his lips and said.

Qin Yu smiled faintly and said, “Not bad, this trip was not a waste.”

These magic artifacts were all top-notch items. Qin Yu planned to distribute them to disciples of the heaven's gate or disciples of the Green Moon Villa.

When they attacked the Jingdu Martial Arts Association, they would definitely be of great use!

At this moment, someone suddenly walked in from outside.

At a glance, it was Granny Qin, and beside her was Blackie!

At this moment, Little Black had already returned to his human form. The coldness on his face was not concealed at all.

Qin Yu slowly stood up and sneered, "You've returned to your human form so quickly. Your efficiency is quite high."

Little black said coldly, "Qin Yu, I'll See You Tomorrow at Green Hill Mountain."

"Sure." Qin Yu sneered again and again.

At this moment, Qin Yu was even more anxious than little black.

Taking advantage of the fact that the martial saint's power was still there, Qin Yu had to enter the second secret realm as soon as possible and take Yan Ruoxue away!

"Qin Yu, I hope you keep your word." Granny Qin said coldly with her hands behind her back.

Qin Yu laughed coldly and said, "Don't worry, Old Bastard."

Granny Qin snorted lightly. She did not say anything and turned around to leave with little black.

"The martial saint's power on Little Black's body is still there." The Mustache Man said with a frown.

“That’s normal. After all, it’s the Jingdu Martial Arts Association’s method. I’m afraid it’s much more advanced than the Xue family’s.”Qin Yu said.

The mustached man laughed, “Then can you defeat him?”

“With a raise of my hand.”Qin Yu said lightly.

This was the powerful confidence brought about by the martial saint’s power!

At night.

Suddenly, snowflakes floated in the sky.

Qin Yu stood in the courtyard of this mansion, allowing the heavy snow to fall on his body.

Old Mister Yan had said that on the day Yan Ruoxue was born, heavy snow fell from the sky, hence the name.

Qin Yu had also looked forward to walking in the snow with Yan Ruoxue.

All of this seemed to be within reach.

“Ruoxue, wait for me. Tomorrow, Tomorrow I will take you away!”Qin Yu clenched his fists.

Time flew by.

The next morning, little black arrived at Qinggang Mountain early.

The Qinggang Mountain had already turned into ruins, and it looked like it was in decline.

The young masters of the various major worlds in Jingdu had also arrived.

“TSK TSK, this battle is ultimately unavoidable,” Zhuang Teng sighed.

“Little Black has the power of a martial saint. It will be very difficult for Qin Yu to win unless he summons the two monsters from last time,” Chu Heng said.

Everyone could not help but shudder at the mention of the two guardians from last time.

“Tsk Tsk, I’m afraid it won’t be that simple. If Qin Yu can easily summon those two monsters, then what does the Jingdu Martial Arts Association count for?” Kong Yun could not help but snort coldly.

“That’s right. I’ve checked the information these few days. Those two monsters are completely out of control.” At this moment, Yan Jinyao opened his mouth to speak.

He crossed his arms over his chest and said coldly, “But it’s hard to say who will win today. I do hope that Qin Yu will win.”

“Oh?” A trace of surprise flashed across Zhuang Teng’s face.

Yan Jinyao snorted coldly and said, “It’s time to end things between me and Qin Yu.”

“If Qin Yu is lucky enough to survive today, I will issue a challenge to Qin Yu.”

When he said this, everyone could not help but be slightly surprised.

“Haha, the fight between Brother Yan and Qin Yu will definitely be spectacular!” Someone echoed.

Yan Jinyao didn't say a word. He closed his eyes slightly and didn't say anything more.

“HMM? It seems that someone came from the Military District?” At this moment, a car from the military district suddenly drove over.

The car stopped, and a tall man with sword-like eyebrows and starry eyes walked out.

He was wearing a military green coat, and his eyes were extremely deep. His imposing manner was hard to ignore.

“It's Ye Qing! Officer Ye is here too,” Zhuang Teng said with a frown.

“Ye Qing? Is He going to intervene?”

“The military district represents the government. Even the Jingdu Martial Arts Association doesn't dare to act Rashly.”

Ye Qing's arrival had undoubtedly pushed this great battle to its climax.

A trace of displeasure flashed across Granny Qin's face as she strode towards ye Qing.

“Officer Ye, why are you here?” Granny Qin asked tentatively with her hands behind her back.

Ye Qing glanced at her and said, “Why, can't I Come?”

Granny Qin snorted lightly and said, “Of course not. I just hope that officer ye doesn’t interfere in this matter.”

Ye Qing laughed and said, “Don’t worry. I’m only here to watch the battle. I Won’t interfere at all.”

Speaking up to this point, officer ye paused for a moment. He looked coldly at Granny Qin and said, “Also, you’d better pay attention to the tone you speak to me.. Otherwise, I can’t guarantee what will happen.”

Chapter 802: Chapter 802, beating!

Granny Qin’s expression changed slightly. Although she was extremely displeased, she still felt some fear when facing ye Qing.

Back then, Granny Qin had watched ye Qing grow up.

Moreover, the Jingdu martial arts association had given many obstacles to ye Qing’s path of growth.

Thus, the relationship between the two parties was naturally not much better.

Granny Qin snorted lightly and turned around to leave.

Just Ye Qing’s identity alone was not something she could contend with.

Ten minutes later.

A taxi drove over from not far away.

The people who came were none other than Qin Yu and the handlebar mustache!

The Moment Qin Yu got off the car, he attracted countless gazes.

Everyone looked at Qin Yu in unison and began to discuss in low voices.

Qin Yu didn't say a word. He passed through the crowd and strode towards Qinggang Mountain.

“Qin Yu!”

At this moment, ye Qing waved at Qin Yu.

Seeing ye Qing at the scene, Qin Yu was also somewhat surprised.

He quickly walked forward and exclaimed, “Officer Ye, why are you here?”

Ye Qing took a puff of his cigarette and said, intentionally or unintentionally, “I have to ensure that the people of our military district will not encounter injustice.”

These words were clearly aimed at Granny Qin and the Jingdu Martial Arts Association.

Granny Qin snorted coldly, and her heart immediately became even more displeased.

Qin Yu smiled and said, “Officer Ye, it's fine. Even if they play tricks, I'm not afraid.”

“So Confident?” Ye Qing said with some surprise.

Qin Yu glanced at Blackie and snorted coldly, “I'll kill him like slaughtering chickens and dogs.”

After saying that, Qin Yu's feet shook, and he landed in front of Blacky.

Their eyes met, and the atmosphere was pushed to the climax.

Waves of killing intent burst out from Blacky's dark pupils.

And the killing intent on Qin Yu's body was even more intense! The entire scene instantly became extremely cold!

"I've been waiting for this day for a long time." Qin Yu slightly clenched his fist, and the killing intent in his heart seemed to be unable to be restrained.

"Me Too!"

Blackie roared angrily, and the aura on his body directly exploded!

This time, both sides did not say too much nonsense!

Their hatred towards each other seemed to have been endured for a long time, and they could no longer suppress it today!

The collision of both sides' internal Qi instantly caused bursts of explosions!

And the pressure on both sides made it even more difficult to breathe!

"Qin Yu, you damn bastard!"

Along with Little Black's furious roar, he took the initiative to attack!

Relying on the power of a martial saint, Little Black threw a punch at Qin Yu!

The power of this punch was extremely terrifying. Just the wind from the punch was enough to cause the surrounding gravel to buzz!

This time, Qin Yu stood there without moving an inch.

Only a pair of cold eyes stared coldly at little black.

“Boom!”

This punch landed squarely on Qin Yu’s body!

A huge explosion exploded on Qin Yu’s body!

The crushed stones instantly turned into dust, and the dust even covered the sky!

Waves of terrifying storms swept across the entire scene, but Qin Yu, who was at the center of the storm, did not move an inch.

Little Black’s fist landed on Qin Yu’s chest. Qin Yu’s eyes were looking down at little black from above, looking coldly at him.

“How... how is this possible!” Little Black’s expression changed drastically!

This punch couldn’t even move Qin Yu? !

After all, his punch contained the power of a martial saint!

“What you have, I have.” Qin Yu’s voice sounded in Little Black’s ear.

Before little black could react, Qin Yu had already reached out and grabbed little black’s wrist.

A huge force twisted Blackie's wrist in a strange arc.

Blackie struggled with all his might, but he found that he could not break free!

“Martial saint's power, huh? I have it too!”

As his voice fell, a golden palm struck out fiercely!

“Pa!”

A clear sound, along with the sound of bones breaking, entered everyone's ears!

Blackie's body was sent flying a few hundred meters! His head was directly embedded into the ground!

The scene was silent.

No one dared to believe this scene.

“Blackie! !”Granny Qin's eyes were wide open as she shouted with all her might.

She wanted to rush forward, but was blocked by ye Qing.

“What, do you want to break the rules?”Ye Qing said coldly.

Granny Qin clenched her teeth. Tears were about to roll out of her muddy eyes.

The people around her were even more shocked!

When did Qin Yu become so powerful? ! He had completely crushed Blackie who possessed the power of a martial saint? !

Yan Jinyao's eyes widened. His pupils seemed to be filled with anger!

“Ah! ! !”

At this moment, Blackie dashed out from the ground!

Half of his face had been shattered, and it was a terrifying sight to behold!

“Qin Yu, I'm going to kill you! !” Blackie raised his head and roared, and rays of light shot out from his mouth!

This light gathered in his mouth, and in the next second, that Ray of light shot towards Qin Yu!

Qin Yu sneered, “It's useless, you'll definitely lose today!”

Facing this powerful spell, Qin Yu slightly clenched his fist, and Golden Light began to gather on his fist!

“One punch can break all spells!”

Qin Yu roared again and again, and his simple and unadorned fist instantly met it with a fierce force!

“Boom!”

A loud sound spread out!

That golden light was only delayed for half a second, and then, in a crushing manner, it poured towards Blackie!

“Boom!”

The golden light landed squarely on Blackie’s body!

He spat out a mouthful of blood, and he was forced to retreat a few meters before he finally fell to the ground!

Blackie’s body was on the verge of shattering. His supposedly indestructible skin was now drenched in blood, and it was a horrible sight to behold.

“Blacky! !”Granny Qin’s eyes immediately burst into tears!

Qin Yu was not a soft-hearted person. He took a step forward and punched Blacky’s body again!

With this punch, Blacky could not stand up at all.

His internal Qi was rapidly weakening, and his entire body was on the verge of shattering!

“You’ve lost,”Qin Yu said coldly as he looked at Blacky, who had already lost consciousness.

Granny Qin, who was not far away, shouted angrily, “He has already lost. Let Him Go!”

Qin Yu glanced at Granny Qin, who was not far away, and said with a grin, “He has indeed lost, but do you think it’s possible for me to let him go?”

After saying that, Qin Yu lifted blacky up in his hand.

Granny Qin said angrily, "What do you want to do! He has already lost. Do you want to exterminate him?"

Qin Yu sneered, "I don't know how the Jingdu Martial Arts Association brainwashed you, but I think even if I win, you won't take me to the secret realm, right?"

Granny Qin was instantly stunned.

Just as Qin Yu said, even if Qin Yu won, she wouldn't take Qin Yu to the secret realm!

Even if she had to use her spiritual sense, she would protect the Jingdu Martial Arts Association's Secret!

"It seems that I was right." Qin Yu sighed slightly.

"I have to admire the brainwashing ability of the Jingdu Martial Arts Association."

Granny Qin roared, "Qin Yu, what exactly do you want to do? If you want to kill me, then kill me!"

Qin Yu glanced at her and sneered, "Before you take me to the secret realm, I won't let him go. Take Yan Ruoxue in exchange for him!"

Chapter 803: Chapter 803, exchanging people!

Qin Yu had long guessed that Granny Qin had never married and had no children. This was enough to prove that she was 100% loyal to the Jingdu Martial Arts Association.

A person like this would never betray the JINGDU martial arts association even if he had to die.

Granny Qin valued Blacky very much, so Qin Yu could only come up with this plan.

Qin Yu picked up Blacky, who had been beaten into a dead dog, and turned to leave.

At this time, Granny Qin took a step forward and blocked Qin Yu's way.

She glared at Qin Yu and said in a hoarse voice, "Let him go!"

Qin Yu sneered, "Don't you understand what I'm saying?"

Granny Qin's body suddenly burst out with a strong killing intent. She glared at Qin Yu and almost roared, "Let him go!!!"

Qin Yu was unmoved by Granny Qin's shrieking.

He pinched little black and said coldly, "As long as you bring me to the secret realm, I will not kill him. Otherwise, just wait to collect his corpse!"

After saying this, Qin Yu turned around and was about to leave.

At this moment, Granny Qin suddenly took out the martial saint weapon!

She held the martial saint weapon and roared crazily, "I'll say it again, let him go!!!"

The moment the martial saint weapon was taken out, everyone's expression changed drastically and they took a step back subconsciously.

Even ye Qing's face was a little unnatural.

He knew very well how much power this martial saint weapon could unleash!

Only Qin Yu was unmoved. He looked at Granny Qin coldly and said with narrowed eyes, "Are you threatening me?"

How could Granny Qin still listen to these words? She gritted her teeth and said, "I'll say it one last time, let him go! !"

"Impossible!" Qin Yu said coldly.

"Then you can go to hell! !"

Following Granny Qin's furious roar, the martial saint weapon in her hand immediately flickered and shone!

In the next second, traces of martial saint's internal Qi spread out and rushed towards Qin Yu!

Qin Yu held little black with one hand and clenched his other hand into a fist.

Endless Energy instantly gathered on Qin Yu's fist!

"So what if it's a martial saint's weapon!" Qin Yu roared angrily and threw out his golden fist!

"Boom!"

A loud sound exploded between the two of them!

Rays of light burst out in all directions. Qin Yu's dazzling golden light was able to destroy the internal Qi of a martial saint!

“Deng Deng Deng Deng!”

Under this tremendous force, Granny Qin retreated several steps in succession. She even spat out a mouthful of fresh blood!

The martial saint weapon in her hand was instantly damaged!

“Do you think that I'm afraid of you with the Martial Saint Weapon?” Qin Yu said coldly.

His voice was not loud, but it entered everyone's ears!

The scene was silent, everyone was stunned.

Even ye Qing could not help but widen his eyes!

“Qin Yu... he actually destroyed the martial saint's Weapon?”

“Has Qin Yu become so powerful now? Even the martial saint's weapon can't Stop Him?”

“I can't imagine it. Could it be that Qin Yu has already become a martial saint? Didn't they say that no one below the martial saint realm can resist the martial saint's Weapon?”

The crowd discussed animatedly, and all the young masters of the aristocratic families could not help but be secretly speechless.

Yan Jinyao's expression was even more gloomy as he clenched his fists tightly!

“Granny Qin, you’d better go back and discuss it with those higher-ups,”Qin Yu said coldly.

“Let him go!”The stubborn Granny Qin was still unwilling to give up.

However, Qin Yu sneered and said, “I’ll take little black with me. You Can’t Stop Me.”

After saying this, Qin Yu grabbed little black and turned around to leave.

Everyone watched as Qin Yu left, not daring to say a word.

However, they all knew in their hearts that after today’s battle, Qin Yu had completely become famous.

And if the various aristocratic families wanted to stop Qin Yu’s growth, it wouldn’t be that simple.

...

Qin Yu didn’t return to the Jingdu Martial Arts Academy. Instead, he returned to the house he had rented previously.

He threw little black to the side and used qi/spiritual energy to seal little Black’s vital gate, temporarily saving his life.

The mustached man followed behind him and whispered, “The power of a martial saint is truly terrifying!”

Qin Yu could not help but sigh, “That’s right. He only borrowed the power of a martial saint to possess such power. I wonder how terrifying it would be if he stepped into the Martial Saint Realm!”

Right at this moment, a wail suddenly sounded from the space divine weapon of the handlebar mustache.

“Dark prison jar!” The handlebar mustache slapped his head and hurriedly took out the dark prison jar from the space divine weapon.

This voice was emitted by Hou Xin.

“Kill me... kill me...” Hou Xin almost begged.

Qin Yu glanced at him and sneered, “As long as you hand over the spiritual fire, I will naturally satisfy you.”

“As long as you let me leave this jar, I will promise you anything...” Hou Xin begged bitterly.

Qin Yu glanced at the handlebar mustache and gestured for the handlebar mustache to let him out.

The handlebar mustache immediately understood and without a word, he pulled Hou Xin out of the jar of internal Qi.

At this time, Hou Xin was no longer human. He fell to the ground and was covered in blood. His aura was extremely dispirited.

“Where is the spiritual fire?” Qin Yu asked coldly.

Hou Xin said weakly, “Qin Yu, you are ruthless...”

After saying that, Hou Xin raised his palm with great difficulty. Wisps of flame gathered in his palm.

This flame was purple in color and was only the size of a lotus flower.

Compared to Qin Yu's spiritual fire, Hou Xin's flame seemed a little small.

Qin Yu's palm immediately shook and flames rose in all directions.

Then, he used his spiritual fire to wrap around Hou Xin's palm.

In a short moment, the flame was completely swallowed.

Hou Xin raised his head and said with difficulty, "Qin Yu, can you spare my life? I know that you have great ambitions. I can help you refine pills..."

Qin Yu sneered and said, "No need. Your character is too bad. Moreover, I have a better candidate."

After saying that, Qin Yu directly smashed Hou Xin's body into pieces.

After killing Hou Xin, Qin Yu spread out his palm, and the spiritual fire fell into his palm.

This flame was obviously a few times bigger, and its power also became more powerful.

"If I use that ultimate punch now, the power will probably be even more terrifying," Qin Yu thought in his heart.

The growth of the spiritual fire was extremely difficult, and it had nothing to do with spiritual power. It could only grow by devouring the flames of others.

Qin Yu put away the flames. He raised his head to look at the sky and said in a low voice, "Now it's up to Granny Qin's decision."

The handlebar mustache said in a deep voice, “Do you think Granny Qin will betray the Jingdu Martial Arts Association for Little Black?”

Qin Yu was silent for a moment and said, “I think so. Granny Qin has long regarded little black as her own son.”

“Moreover, at her age, I’m afraid she has already begun to yearn for the warmth of future generations.”

Chapter 804: Chapter 804. Granny Qin agreed

At this moment, Granny Qin was sitting on the blanket at home, heartbroken.

Her weathered face was filled with tears. Her white hair hung in front of her forehead, and she actually looked a little pitiful.

“It’s my fault. I shouldn’t have let you fight with that Qin Yu...”Granny Qin’s tears flowed freely as she muttered in a low voice.

At this moment, Granny Qin suddenly wiped her tears. Her eyes became a little more determined, as if she had made a decision.

“I can only hide the news for now.”Granny Qin had the intention of going all out.

She decided not to tell this news to the higher-ups for now. Instead, she would secretly bring Qin Yu to the secret realm before the higher-ups found out!

Because Granny Qin knew very well that to the higher-ups, Blackie’s and her own lives were not worth mentioning!

They would definitely not expose the secret of the Jingdu Martial Arts Association for Blackie's Sake!

"I've worked for the Jingdu Martial Arts Association all my life, and now it's time for me to receive a corresponding reward."

"For Blacky's sake, I can only do this!"

Granny Qin muttered in a low voice. Then, she turned around and walked out of the house.

At night.

Qin Yu sat in the rented house, and he couldn't help but feel a little worried.

The Mustache Man, on the other hand, was quite relaxed. He was grilling while humming a tune.

"You don't say. Living in a bungalow like this is much more comfortable than living in that building." The man with the handlebar moustache muttered.

After he had finished speaking, he took the roasted meat skewer and handed it over to Qin Yu.

Qin Yu shook his head and sighed: "You go ahead and eat. I'm not in the mood."

The man with the handlebar moustache rolled his eyes and said: "Forget it if you don't want to eat."

At this moment, the news of Qin Yu smashing a martial saint's weapon with a single punch had already spread throughout the entire fire country's martial arts world.

This was almost the first time in history that breaking a martial saint's weapon at the level of a martial Marquis was unheard of.

Since the beginning of time, countless geniuses had appeared, but no one was able to achieve such a feat.

“There are so many geniuses in this world, who can be compared to Qin Yu?” In an instant, everyone ranked Qin Yu First!

Even the martial arts forum had changed the rankings.

Yan Jinyao, who had dominated the first place for many years, was now ranked second!

Looking at the news on the rankings, Yan Jinyao's face became increasingly gloomy.

“The first... can only be mine!” Yan Jinyao's eyes revealed a trace of viciousness.

...

In the early morning.

The entire world seemed to have fallen into a deep sleep, but Qin Yu did not feel sleepy at all.

He did not have much time, and the martial saint's power could disappear at any time. It was impossible to say that he was not in a hurry.

“Could it be that she really wants to give up on Blacky?” Qin Yu could not help but frown.

At this moment.

Qin Yu’s phone rang.

He picked up the phone and saw that the caller was an unfamiliar number.

Qin Yu quickly picked up the phone. As soon as the call was connected, he heard the voice of Granny Qin on the other end.

“Qin Yu, state your conditions. What is it going to take for Blacky to be released?” Granny Qin said coldly.

Qin Yu sneered, “Granny Qin, I think I’ve made myself clear enough, right?”

Granny Qin was silent for a moment, then said coldly, “See you at Qinggang Mountain at eight o’clock tomorrow morning.”

After saying this, Granny Qin directly hung up the phone.

Qin Yu couldn’t help but let out a sigh of relief, and a trace of a smile appeared on his face.

“Finally... It’s a success,” Qin Yu murmured in a low voice. The huge rock hanging in his heart was finally lifted.

Qin Yu did not fall asleep the entire night.

The next morning, Qin Yu handed Blacky over to the handlebar mustache.

“Before I come back, you must keep an eye on him,”Qin Yu warned.

The handlebar mustache nodded and said, “Don’t worry.”

Qin Yu did not say anything more. He immediately rushed to Qinggang Mountain.

At eight o’clock in the morning.

Granny Qin appeared on time at Qinggang Mountain.

In just a short day, Granny Qin looked like she had aged dozens of years. She was extremely haggard.

“You’re finally here,”Qin Yu said indifferently.

Granny Qin looked at Qin Yu coldly and said, “Qin Yu, you’re Ruthless!”

“You didn’t ask me to come here to talk nonsense, right?”Qin Yu said coldly.

Granny Qin snorted coldly and said, “Where’s little black? Let me see him.”

“No.”Qin Yu rejected Granny Qin’s request without even thinking.

Granny qin frowned and said, “What? I can’t even see him once? Then why should I believe that he’s still safe?”

Qin Yu sneered and said, “Did you let me see Yan Ruoxue back then?”

Granny Qin was stunned and suddenly had nothing to say.

“Don’t worry. Killing him won’t do me any good. You know better than me what my goal is,”Qin Yu said coldly.

Granny Qin didn’t say anything more. She threw a hat at Qin Yu and said, “Put this on.”

Qin Yu was very familiar with this person, and it was used to cover his face.

Qin Yu didn’t stand on ceremony and immediately put the hat on his head.

“When we get to the martial arts association, it’s best if you don’t say anything,”Granny Qin said coldly.

“Don’t worry,”Qin Yu said, suppressing the excitement in his heart.

Thus, the two of them immediately rushed to the martial arts association in Jingdu.

As they moved forward, the two of them finally arrived at the entrance of the martial arts association.

The entrance was still heavily guarded, and the atmosphere was solemn and solemn.

After Granny Qin appeared, the two guards at the entrance immediately bowed and said, “Greetings, Granny Qin.”

Granny Qin didn’t say a word and strode in.

Qin Yu followed closely behind. His eyes looked around, carefully observing everything around him.

After passing through the hall of the Jingdu Martial Arts Association, they arrived at the back hall.

Behind the back hall, there were houses after houses.

This was the real Jingdu Martial Arts Association.

The moment he stepped into it, Qin Yu could feel a mysterious internal Qi permeating the entire space.

This was Qin Yu's first time here. He carefully observed everything around him.

This included the buildings and the flow of people coming and going.

Because if he wanted to attack the Jingdu martial arts association, he had to understand the structure of the Jingdu Martial Arts Association and the power it possessed.

Along the way, Qin Yu discovered that there were still several mysterious powers hidden in the dark of the Jingdu Martial Arts Association.

The surrounding buildings were more like secret rooms. Each house hid a different secret.

Even the famous Scripture depository was set up here.

“Granny Qin.”

At this moment, two men walked forward. Good Granny Qin greeted them.

Granny Qin didn't say a word and only nodded.

Just as she was about to bring Qin Yu forward, the two men suddenly asked, “Granny Qin, who is this person? Why haven’t we seen him before?”

Granny Qin coldly replied, “No need to ask. I want to bring him to the higher-ups.”

“This...”the two of them looked at each other and then said, “Granny Qin, you know this is a top-secret place. Outsiders are not allowed to enter.”

Granny Qin’s expression turned cold as she said with a sinister tone, “Why? Do I still need to report to you? Or are you suspecting me?”

Chapter 805: Chapter 805, heading to the mystic realm

The two of them quickly bowed and said, “We didn’t mean that.”

“Then get lost!”Granny Qin said coldly.

After saying this, Granny Qin turned around and left with Qin Yu.

But at this moment, Qin Yu suddenly stretched out his palm and slapped the two of them on the head, directly breaking their heads!

Granny Qin’s expression immediately changed greatly when she saw this!

She angrily said, “What are you doing!”

Qin Yu said with a cold face, “If they spread the news, all their efforts will be for naught.”

“You!”Granny Qin gritted her teeth. Although she was unhappy, there was nothing she could do for Blacky.

Then, Qin Yu used the spiritual fire to burn the two people’s bodies. He followed behind Granny Qin and continued to move forward.

The Jingdu martial arts association was extremely large. There were at least dozens of houses inside.

Along the way, Qin Yu met many martial marquises.

Finally, after more than half an hour, Granny Qin finally stopped.

This was an empty space.

Qin Yu slightly closed his eyes, looking for the connection with the mystic realm.

Very quickly, Qin Yu discovered that there were many mystic realms nearby.

“Have we arrived?”Qin Yu looked at Granny Qin.

Granny Qin snorted, “This is the place.”

Qin Yu took a deep breath and suppressed the excitement in his heart. He said, “Then don’t waste time. Hurry up.”

Granny Qin didn’t say much. She closed her eyes slightly and murmured something.

Rays of light began to appear in front of her.

Qin Yu's eyes were fixed on Granny Qin, trying to find a way to open this mystic realm.

Unfortunately, the sound from her mouth was so soft that even Qin Yu couldn't hear it clearly.

“Buzz!”

At this moment, rays of light suddenly flashed in front of Granny Qin!

The light was extremely bright. In a moment, a round entrance appeared in front of them.

This was the entrance to the mystic realm!

“Alright.”Granny Qin said coldly.

Qin Yu did not dare to waste time. Without saying anything, he immediately drilled into the mystic realm.

Just as Qin Yu's palm reached into it, the entrance in front of him suddenly disappeared!

“How could this be!”Qin Yu's expression immediately changed!

Granny Qin's expression was also somewhat ugly! She seemed to have realized something, and immediately knelt on the ground with a plop!

A moment later, a figure actually appeared in front of the two of them!

This person looked to be the same age as Granny Qin, and the overbearing aura on his body made people not dare to ignore him!

“Granny Qin, how could you do such a Thing?”The old man said coldly.

Granny Qin said somewhat painfully, “Blackie is in his hands. I . . . I have no way...”

The old man frowned slightly and snorted coldly. “Don’t you know what this second secret realm means to the Jingdu Martial Arts Association? !”

Granny Qin said somewhat painfully, “I know, but I don’t want to give up on Blackie...”

The Old Man’s face was cold, and his gaze fell on Qin Yu.

Qin Yu’s eyes also narrowed slightly. He sneered, “You are a high-level official of the Jingdu Martial Arts Association?”

The old man coldly said, “Qin Yu, I advise you to stop now.”

“What if I don’t?” Qin Yu raised his eyebrows and said.

The old man sneered, “Then you will probably get yourself killed.”

“Hehe, your Jingdu martial arts association has chased and killed me many times, but in the end, am I still alive and well?” Qin Yu said with slight ridicule.

The old man narrowed his eyes and said, “Qin Yu, don’t think that your insignificant achievements can threaten the JINGDU martial arts association...”

“I can go to your mother,” Qin Yu sneered.

The Old Man’s face turned cold and said, “Do you know who you are talking to!”

Qin Yu sneered and said, "If I'm not wrong, your strength should be very strong, beyond imagination."

"But... you shouldn't be able to make a move, right?"

"What kind of power is restricting you?"

Hearing that, the old man's brows furrowed even more tightly.

"Looks like I'm right." Seeing his expression, Qin Yu sneered.

The old man said coldly, "If I can make a move, killing you is like stepping on an ant."

"I don't want to listen to your nonsense. You'd better scam quickly." Qin Yu stretched out his palm and directly crushed the Phantom!

Granny Qin, who was kneeling on the ground, was shocked!

She raised her head and glared at Qin Yu, saying, "Do you know who he is!?"

"What does it have to do with me who he is?" Qin Yu sneered.

Granny Qin gritted her teeth and got up from the ground. Then she took a deep breath and said, "Give little black back to me."

"Give it back to you?" Qin Yu raised his eyebrows.

"I didn't enter this mystic realm. Why should I give him back to you?"

Granny Qin gritted her teeth and said, "Qin Yu! I've done my best. Don't go too far!"

“Then you should continue to think of ways. Before I enter this mystic realm, I won’t give Blackie back to you,”Qin Yu said indifferently.

“You!”Granny Qin was instantly furious. The killing intent on her body also exploded.

Qin Yu mocked, “What, do you want to fight me? You should know that you are not my match. Save it, don’t break your old bones.”

After saying this, Qin Yu turned around and left.

Granny Qin looked at Qin Yu’s back. Although she was extremely angry, she was helpless.

Qin Yu turned around and walked out of the Jingdu Martial Arts Association.

After Qin Yu left, Granny Qin’s phone quickly rang.

She didn’t even need to think to know that it was a call from the higher-ups.

After the call was connected, a cold voice came from the other end, “Meeting.”

...

After Qin Yu left, he went straight back to his residence.

As soon as he entered, the handlebar mustache ran over excitedly.

“How was it? Did you go in?”The handlebar mustache seemed to be even more excited than Qin Yu.

The reason he stayed in Jingdu was for the secret realm. Now that Qin Yu had entered the second secret realm, he was naturally excited.

Qin Yu shook his head and said, “No, I was discovered.”

The handlebar mustache was stunned. He frowned and said, “That shouldn’t be. Looking at your expression, you don’t look like you were discovered. Instead, you look relaxed.”

Qin Yu leaned back on the rocking chair and said with a faint smile, “That’s right. I’ve long guessed that this trip would definitely be discovered.”

“Then why are you still going?” The Mustache Man said with a frown.

Qin Yu sneered and said, “The reason why I’m going is for three purposes.”

“First, I want to explore the power of the Jingdu Martial Arts Association.”

“Second, I want to find the location of the second secret realm. As long as I find the location, I’ll have a way to save Ruoxue.”

“Third.... I want to confirm some of my ideas.”

Chapter 806: Chapter 806, Master of the secret realm of the Hong Yi sect

Looking at Qin Yu’s mysterious expression, the handlebar mustache became even more curious.

“What are you thinking?” The handlebar mustache asked in puzzlement.

Qin Yu looked at the handlebar mustache and said, “The Jingdu martial arts association is very scary. It’s even scarier than I imagined.”

The handlebar mustache rolled his eyes and said, “Just this? Do you still need to prove this?”

Qin Yu shook his head and said, “Although they are very scary, the power they can use is very little.”

“Although I don’t know what kind of power is restricting them, I can be sure that they absolutely can’t use a martial saint!”

“In this way, the JINGDU martial arts association is not as scary as I imagined.”

The handlebar mustache touched his chin and said, “The JINGDU martial arts association has existed for so many years. They definitely have a martial saint.”

“But in the past few decades, they have indeed never used a martial saint.”

Qin Yu sneered, “That’s right. So if I were to attack the Jingdu martial arts association, there would be no need for a martial saint to hold down the fort.”

“Attack the Jingdu Martial Arts Association? !”Hearing these words, the mustached man immediately turned pale with fright!

He subconsciously took two steps back and muttered, “You’re really crazy. I have to stay away from you.”

Qin Yu glanced at him and said, “Don’t worry, I won’t do anything to them for a while.”

With Qin Yu’s current strength, it was impossible for him to attack the Jingdu Martial Arts Association.

After all, he still relied on the power of a martial saint. Once the power of a martial saint disappeared, he would still be a fish at the mercy of the Jingdu Martial Arts Association.

“But soon,” Qin Yu muttered in his heart.

At the moment, Qin Yu was only at the late stage of the Martial Marquis Realm. However, he no longer cared about ordinary people at the peak of the Martial Marquis Realm.

As for those half-step martial saints above the peak of the Martial Marquis realm, they were the most terrifying existences.

“Watch this little black carefully. I’m going to make a call,” Qin Yu said.

He got up and walked out of the house. Then, he dialed Ning Kun’s phone number.

The call was quickly picked up. On the other end, Ning Kun said with a smile, “Qin Yu, why did you suddenly call me?”

Qin Yu didn’t say any nonsense and went straight to the point. “I found the location of the secret realm that holds Yan Ruoxue, but I can’t open it now.”

On the other end, Ning Kun was stunned, then he said in surprise, “Are you sure?”

“Yes.”Qin Yu nodded.

“Does your Hong Yi School have a way to open the secret realm?”

On the other end, Ning Kun hurriedly said, “Of course! Our Hong Yi School’s history is much older than their Jingdu Martial Arts Association!”

“Okay, then send people over as soon as possible,”Qin Yu said.

Ning Kun quickly agreed, and then asked, “Do you need to send more people?”

“No need,”Qin Yu said.

Ning Kun on the other end agreed, “Okay, I’ll immediately send people to Jingdu! I’ll contact you when I get there.”

Qin Yu grunted and directly hung up the phone.

He took a deep breath and muttered in a low voice, “I’ve finally waited for this day.”

On the other side.

After Ning Kun hung up the phone, he was instantly overjoyed!

He hurriedly ran back to the secret realm and came all the way to a certain room.

In the room, a man dressed in a black robe was sitting upright.

After Ning Kun entered the room, he said excitedly, “Sir, Qin Yu found the location of Yan Ruoxue’s Mystic Realm.”

The black-robed man raised his head and looked at Ning Kun.

He narrowed his eyes slightly and said coldly, “Really?”

“Absolutely!” Ning Kun said excitedly.

When the black robed man heard that, he slowly stood up.

With his hands behind his back, he said softly: “We have finally waited for this day. As long as we can obtain Yan Ruoxue, our Hong clan will once again be glorious!”

Ning Kun also said with some longing: “The Hong Clan has been waiting patiently for so many years, and it has finally come to this day!”

The black robed man was silent for a moment, before he turned to look at Ning Kun and said: “I will send someone to Jingdu to contact Qin Yu.”

“At the same time, I will deploy the members of the fire country to set up an ambush in the vicinity.” Pyro said

“As long as we bring the person out, they will immediately bring Yan Ruoxue out of the fire country!”

Ning Kun quickly nodded and said: “Alright!”

... .

The next day.

Qin Yu sat in this extremely simple and crude room, waiting for news from Ning Kun.

At that moment, little black, who was lying on the ground, struggled to open its eyes.

This slight sound did not escape Qin Yu's ears.

"TSK TSK, as expected of a demon beast at the peak of the Earth rank. It actually woke up so quickly," Qin Yu said indifferently.

Blackie looked at Qin Yu coldly and said through gritted teeth, "Qin Yu, I Will F * cking not let you off..."

Qin Yu sneered, "Save your strength. You are not my match at all."

Blackie struggled to get up, but he couldn't.

"Lie here obediently. As long as Granny Qin is obedient, I promise I won't Hurt You," Qin Yu said with a faint smile.

"If you dare to hurt Granny Qin, I'll definitely not let you off! ! !" Blackie said angrily.

"TSK tsk, your relationship is really deep." Qin Yu curled his lips.

Just as Blackie was about to say something, Qin Yu's phone suddenly rang.

He picked up the phone and walked to the side.

After the call was connected, an unfamiliar voice came from the other side.

"Is it Qin Yu?" The other party asked coldly.

Qin Yu grunted in gratitude.

The other party continued, "I am Zheng Ke from the Hong family. I will arrive at Jingdu Airport in two hours."

"Got it," Qin Yu answered and hung up the phone.

He touched his chin and said in a low voice, "You're pretty fast..."

After making the call, Qin Yu turned around and returned to his room.

He squatted in front of Blackie and said, "Don't worry. I Won't hurt you. I just have a few questions to ask you."

Blackie snorted and immediately turned his head to the side.

Qin Yu continued, "As a Demon Beast, you should know where the Demon Beast will appear, right? Tell me the location."

"Also, I need a spiritual pill."

Blackie grinned and sneered, "Do you think I will tell you?"

Qin Yu spread his hands and said, "You will tell me. I don't have time to deal with you for now. Wait for me to come back and ask slowly."

After that, Qin Yu gave a few words to the handlebar mustache before rushing to the airport.

Two hours later.

Zheng Ke sent a message to Qin Yu: exit number three.

Qin Yu put his phone away and walked towards exit number three.

A few minutes later, a group of passengers walked out of exit number three.

Qin Yu narrowed his eyes and his gaze fell on a young man dressed in black.

The young man also looked at Qin Yu at the same time.

Chapter 807: Chapter 807, breaking into the Jingdu Martial Arts Association!

Their eyes met, and Zheng Ke walked quickly towards Qin Yu.

“You are Qin Yu?” Zheng Ke sized Qin Yu up.

Qin Yu nodded and said, “That’s right.”

Zheng Ke didn’t say much, and only asked, “When do we start?”

“The sooner the better,” Qin Yu said.

Every minute and second was time to Qin Yu.

Zheng Ke was silent for a moment and said, “Then we’ll Take Action Tonight. You lead the way.”

“Okay.” Qin Yu immediately agreed.

Then, Qin Yu planned to bring Zheng Ke back to his private room.

However, Zheng Ke shook his head and said, “I still have some things to deal with. I’ll contact you later tonight.”

After saying this, Zheng Ke turned around and left

Qin Yu looked at his back and thought for a moment. Then, he snorted and secretly followed him.

...

It was noon when Qin Yu returned to his private room.

The moustache man asked, "How is it?"

Qin Yu drank a mouthful of water and sneered, "It's quite good. The Hong Yi sect has indeed sent people, but whether or not they can open the secret realm is unknown."

The moustache man on the side said, "Although the current Hong Yi sect is not as powerful as the Jingdu Martial Arts Association, their foundation can not be underestimated. They control a lot of secret techniques."

Qin Yu glanced at the moustache man and said, "This is also one of the reasons why the Jingdu Martial Arts Association annihilated the Hong Yi sect, right?"

"I don't know." The moustache man shook his head.

"Right and wrong, how can there be true right and wrong?"

Qin Yu didn't say anything and didn't say anything more.

For the rest of the time, Qin Yu stayed in the private room, waiting for Zheng Ke's arrival.

At night, Zheng Ke called Qin Yu.

He said on the phone, “At 11 pm, I’ll wait for you at the Jingdu Martial Arts Association. You have to think of a way to bring us in.”

“Okay.”Qin Yu answered and hung up the phone.

Then, he took out his phone and called Xia Hang.

“Tonight, I’m going to enter the Jingdu Martial Arts Association and bring a friend with me,”Qin Yu said.

Xia Hang, who was on the other end, was shocked. He frowned and said, “Qin Yu, are you crazy? The Jingdu martial arts association is heavily guarded, and your identity is very special. How can I bring you in?”

“You think of a way,”Qin Yu said coldly.

“Xia Hang, you have to help me think of a way for this matter no matter what, because... This is very important to me.”

Hearing Qin Yu’s cautious tone, Xia hang could not help but frown.

“But... if Granny Qin finds out, it will be troublesome,”Xia Hang said with a frown.

Qin Yu was silent for a moment, and then said, “I will think of a way to distract Granny Qin.”

“Okay.”Hearing this, Xia hang finally agreed.

In the current Jingdu Martial Arts Association, Xia Hang was not afraid of anyone except Granny Qin.

After hanging up the phone, Qin Yu closed his eyes slightly and waited for time.

He turned around and walked in front of little black, and said in a low voice, “Do you want Granny Qin to Die?”

Hearing this, Little Black’s face suddenly changed!

He glared at Qin Yu and said, “If you dare to hurt Granny Qin, I will definitely kill you! !”

“Granny Qin treats you as her son. I think you have already treated Granny Qin as your mother,”Qin Yu said in a low voice.

Blacky snorted and said, “What exactly are you trying to say?”

Qin Yu said, “If you don’t want Granny Qin to die, tell me where I can find the Panacea.”

“Of course, you can choose not to tell me, but I will kill Granny Qin if you do.”Qin Yu’s voice suddenly became extremely cold.

A hint of hesitation flashed across Blackie’s face.

He didn’t want to tell Qin Yu at all, but if something happened to Granny Qin, it would be worse than death for him.

“You can go to the three-island sea to have a look,”Blackie said reluctantly.

Qin Yu patted Little Black’s head and said, “Okay.”

After saying this, Qin Yu found the handlebar mustache again.

He walked out of the house with the handlebar mustache and then said, “Tonight, you have to help me do something.”

The handlebar mustache frowned and said, “What is it?”

Qin Yu said in a deep voice, “Tonight at ten o’clock, you take little black to the suburbs of Jingdu and give it to Granny Qin.”

“Remember, you must think of a way to stall for time. The longer the better,” Qin Yu reminded.

The mustached man scratched his head and said, “Why?”

“No need to ask,” Qin Yu said.

After explaining everything, Qin Yu let out a long sigh of relief.

He couldn’t help but take out a cigarette and put it in his mouth.

“I’ve finally waited for this day,” Qin Yu muttered in a low voice.

Little Black, Granny Qin, and the Hong family all played their respective roles.

Qin Yu’s plan could also be implemented.

At nine o’clock in the evening.

Handlebar mustache left the house early with little black and headed to a place called Yan City on the outskirts of Jingdu.

At ten o’clock in the evening, Qin Yu took out his phone and called Granny Qin.

The call was quickly picked up. Qin Yu went straight to the point, “Granny Qin, do you still want to see Blackie?”

Hearing this, Granny Qin’s voice immediately sounded somewhat anxious.

“What do you want!” Granny Qin asked anxiously.

Qin Yu smiled and said, “Don’t be afraid. I have good news for you. If you still want to see Blackie, go to Jingdu at 11 o’clock tonight. There will be someone waiting for you there.”

“Yan City?” Granny Qin’s pupils constricted. She said in a cold and helpless voice, “Qin Yu, are you lying to me?”

“Believe it or not, it’s up to you,” Qin Yu said.

After saying this, Qin Yu directly hung up the phone without any hesitation.

Granny Qin quickly called Qin Yu back, but Qin Yu didn’t pick up.

Because Qin Yu wanted to create anxiety for Granny Qin and force her to go to Yan City as soon as possible.

Everything was as Qin Yu expected. After the phone call, Granny Qin hurried to Yan City.

11 o’clock at night.

Qin Yu appeared in Yan City on time.

On his head, he was still wearing the hat given by Granny Qin.

Zheng Ke also appeared in the vicinity ahead of time.

After seeing Qin Yu, Zheng Ke walked over quickly.

“Have you arranged everything?” Zheng Ke asked coldly.

Qin Yu nodded and said, “En, as long as nothing happens to you.”

As he spoke, Qin Yu quietly released his spiritual sense and scanned the surroundings.

After sensing the weak internal Qi in the surroundings, the corners of Qin Yu’s mouth couldn’t help but curl up into a cold smile.

At this moment, Xia Hang walked out from the Jingdu Martial Arts Association.

Qin Yu quickly walked forward when he saw Xia Hang.

“Qin Yu, who is this person?” A trace of panic flashed across Xia Hang’s face when he saw Zheng Ke beside Qin Yu.

Qin Yu glanced at Zheng Ke and said indifferently, “Don’t worry, he won’t leak the news.”

Chapter 808: Chapter 808, stepping into the secret realm!

Xia hang pulled Qin Yu to the side and said coldly, “Qin Yu, although I don’t know his background, I can’t believe him!”

“If the Jingdu martial arts association finds out about our relationship, you know better than me what the consequences will be!”

Qin Yu patted Xia Hang's shoulder and said with a faint smile, "If I say it's fine, it will definitely be fine. Don't worry."

Although Xia Hang was unwilling, he had no choice but to take action now.

"Fortunately, I have already sent them out," Xia Hang thought to himself.

Then, Xia Hang looked at Zheng Ke and said coldly, "After you enter, follow my instructions."

Zheng Ke said expressionlessly, "I know."

After glancing at these words, Xia Hang took Qin Yu and Zheng Ke and walked into the Jingdu Martial Arts Association.

At night, the Jingdu martial arts association was extremely quiet.

But normally, there would be people guarding it, but tonight, there was no one.

Obviously, Xia Hang had made some preparations.

After passing through the lobby, Xia Hang stopped.

"Qin Yu, I Can't take you in anymore," Xia Hang said.

Qin Yu nodded and said, "Okay."

After saying this, Xia Hang raised his palm and slapped the top of his head.

With this slap, Xia Hang immediately fainted.

“You are quite cautious.” Seeing this, Qin Yu couldn’t help but say in a low voice.

Then, Qin Yu continued to move forward with Zheng Ke.

The journey could be said to be unimpeded. Very soon, the two of them arrived at the entrance of the secret realm.

Qin Yu pointed with his finger and said, “It’s here.”

Zheng Ke nodded slightly and walked forward. He raised his palm and slowly searched, as if he was looking for the location of this secret realm.

Soon, his palm stopped at a certain spot in the air.

Then, a ray of light flashed from his palm.

Qin Yu said from the side, “I remember that there is a main mystic realm here, which is equivalent to a door. To open it, you need a spell similar to a key, right? How did you open it?”

Zheng Ke glanced at Qin Yu and said, “Don’t you know that there is a lock-picking master?”

Qin Yu touched his chin and muttered, “That makes sense.”

Then, Zheng Ke ignored Qin Yu, and the light on his palm became brighter.

Qin Yu’s eyes were fixed on Zheng Ke, trying to figure out something from his technique.

At this moment, Zheng Ke stretched out his palm, and a token that was flashing with a green light appeared in his hand.

Zheng Ke held the jade token and slapped it forward!

In an instant, rays of light flashed in front of the two of them!

The bright light instantly lit up the dark night!

“Buzz!”

As a ray of light lit up, a circular entrance appeared in front of the two of them!

“It’s opened,”Zheng Ke said expressionlessly.

Qin Yu glanced at Zheng Ke and said, “You were able to open this mystic realm because of that token in your hand, right?”

Zheng Ke frowned slightly and said, “Does it have anything to do with you?”

Qin Yu smiled and said, “I’m just asking casually.”

“Don’t waste time. Hurry up and go in to save people,”Zheng Ke said coldly.

Qin Yu naturally wouldn’t miss this opportunity. He raised his feet and strode into the Mystic Realm!

“I’ll wait for you outside,”Zheng Ke said coldly.

Qin Yu didn’t have the time to pay attention to Zheng Ke. He did his best and his entire body instantly entered the mystic realm.

Very quickly, a different scene appeared in front of Qin Yu!

Waves of dense qi/spiritual energy assaulted his face!

The surrounding environment made Qin Yu dumbstruck.

Although there were no tall buildings here, there were green mountains and clear waters!

Different from the steel forest in the secular world, this place was more like real nature!

Not far away, there were exquisite buildings and jade buildings that were full of grandeur.

And the lofty mountains filled Qin Yu's eyes.

Compared to the secret realm of the Hong Yi School, this second secret realm was many times stronger.

This place was like a world, while the secret realm of the Hong Yi School was like a secret base.

“The Jingdu martial arts association indeed controls resources,” Qin Yu said in a low voice.

Qin Yu tried to release his spiritual sense to search for Yan Ruoxue's figure.

But this place was too big. To find a person was like finding a needle in a haystack!

Qin Yu's brows immediately furrowed.

“I actually forgot about this.” Qin Yu frowned.

As he moved forward, he was thinking of countermeasures.

“Forget it, I’m already here. Even if I want to explore the second secret realm, it’s good too.”Qin Yu thought to himself.

Thus, Qin Yu Strode through the world of the second secret realm.

He released his internal Qi to search for Yan Ruoxue’s aura.

After traveling for dozens of miles, Qin Yu finally saw a place full of people.

He saw a young girl dancing by the riverside not far away.

“Eh? It’s actually Marquis Wu?”

Qin Yu tried to sense the young girl’s aura and found that this ordinary young girl was actually in the realm of Marquis Wu!

“It seems like there are many experts hiding in this secret realm.”Qin Yu frowned.

After thinking for a moment, he immediately strode forward and covered the young girl’s nose and mouth from behind.

A huge force immediately spread out.

The young girl tried to struggle, but she couldn’t break free at all.

“Be obedient. I Won’t hurt you. Otherwise, I’ll take your life.”Qin Yu’s cold voice sounded in her ear.

The girl blinked her eyes desperately. Her eyes were full of fear.

Qin Yu slowly let go of her. After making sure that she wouldn't scream, he let go.

“Don't worry. I'm just asking you a few questions,” Qin Yu said coldly.

The girl's big eyes contained tears. It seemed that she was scared.

This couldn't help but Surprise Qin Yu.

In the outside world, a martial marquis was a famous figure. How could he be so weak?

“Could it be that in the second secret realm, a martial Marquis is Nothing?” Qin Yu thought to himself.

At this moment, the girl's large eyes were already filled with tears. She looked delicate and pitiful.

However, Qin Yu was not a person who pitied fairies. He coldly asked, “Let me ask you, where are the people from the Jingdu Martial Arts Association? Also, where is Yan Ruoxue locked up?”

The young girl's willow-like eyebrows slightly furrowed as she said, “Are you talking about that sister who is tied up?”

Hearing this, Qin Yu's pupils suddenly constricted.

“Yes! Tell me where she is immediately!” Qin Yu grabbed the young girl's arm.

The young girl said with some fear, “She is locked up on the heavenly mystery cliff...”

“Heavenly Mystery Cliff? Take Me there.”Qin Yu anxiously stood up and said.

However, the young girl said in a low voice, “Where are the heavy soldiers guarding? Don’t let anyone get close...”

“I don’t care whether there are heavy soldiers or not. Bring me there immediately!”Qin Yu said angrily.

How could the young girl dare to go against Qin Yu’s intentions? She could only nod her head in fear and said, “Alright... I will bring you there...”

Following that, the young girl led the way in front while Qin Yu followed behind, walking towards the heavenly mystery cliff.

Chapter 809: Chapter 809, Save Yan Ruoxue!

The second mystic realm was extremely large, and there were towering mountains everywhere.

And in the center of this mystic realm, there were many houses located here.

The mountains here were even more majestic.

This place was not as noisy as the outside world, but rather rather desolate.

But the Qi/spiritual energy here was extremely comfortable.

When she arrived here, the young girl immediately stopped in her tracks.

“I can’t get close...”the young girl said.

She pointed at a large mountain not far away and said, “That’s the Heavenly Mystery Cliff.”

Qin Yu looked in the direction the young girl pointed and indeed saw a tall mountain that towered into the clouds.

Qin Yu focused his gaze and saw that there were countless people guarding the peak of the mountain.

In the middle of the mountain peak, there was a young girl who was tied to a pillar.

Her body was riddled with injuries and she looked extremely weak.

This young girl was none other than Yan Ruoxue!

“Ruoxue!”Qin Yu’s expression suddenly changed drastically and the internal Qi on his body erupted in an instant!

“Be careful. Don’t let them discover us or we’ll be dead for sure.”The young girl hurriedly stopped Qin Yu.

Qin Yu’s eyes were wide open as he stared fixedly at that spot.

He shook off the young girl, gritted his teeth and said, “I want to kill all of them. Kill all of them!”

Qin Yu’s killing intent was completely unable to be restrained at this moment!

His figure burst forth as he dashed towards the heavenly mystery cliff!

The people guarding the heavenly mystery cliff quickly discovered Qin Yu who was approaching them!

They were all at the peak of the Martial Marquis realm and their strength was unimaginable!

Faced with the sudden appearance of Qin Yu, everyone instantly entered a state of alert.

“Stop, what are you...”

“Pa!”

Before he could finish speaking, Qin Yu’s golden fist directly shattered his head!

A great battle was about to break out!

The numerous martial marquises guarding the heavenly mystery cliff attacked at this moment and shot towards Qin Yu!

However, Qin Yu, who controlled the power of a martial saint, was not afraid of them.

His body was covered in golden light and he looked like an undefeatable god of war. His methods were extremely ruthless. With every punch he threw, a person’s head would explode!

Qin Yu’s eyes seemed to have turned red from killing. In just ten minutes, the sky mystery cliff had already turned into a river of blood and corpses littered the ground!

For a moment, everyone did not even dare to approach Qin Yu!

Qin Yu Glared at everyone and berated, “Get the F * ck out of my way!”

With a loud roar, he actually shouted at everyone!

Qin Yu strode forward and arrived directly in front of Yan Ruoxue.

Yan Ruoxue opened her eyes with difficulty and looked at Qin Yu who was covered in blood. The corner of her mouth murmured, and she said in a low voice, “Qin Yu, it’s so good to see you again...”

Qin Yu’s heart felt as if it was being cut by a knife!

He gritted his teeth and said, “If you need me, I’ll bring you out right now!”

After saying that, a world-shaking power surged from Qin Yu’s fist!

Such power could not help but shock people!

“Boom!”

In the next second, Qin Yu threw a punch at the towering pillar that pierced through the clouds!

However, this pillar was extremely hard and did not move at all!

Qin Yu did not stop. He roared furiously as he threw punch after punch at the Pillar!

“Crack!”

At this moment, the pillar let out a crisp sound!

Pieces of broken rocks fell from the top!

Everyone was shocked when they saw this!

If this continued, he might really break the pillar!

“Crack!”

Another punch!

Qin Yu’s veins bulged as if he had gone mad. Golden Light illuminated the world as a terrifying power poured out!

Under this punch, the pillar collapsed!

Everyone was shocked by this scene!

Qin Yu actually shattered this pillar!

At this moment, Yan Ruoxue also fell down from the pillar!

Qin Yu picked up Yan Ruoxue and said with a pained expression, “Ruoxue, I’ll take you away now...”

Yan Ruoxue opened her mouth with difficulty. She wanted to say something, but she seemed to have lost her strength.

Qin Yu picked up Yan Ruoxue and said in a trembling voice, “Ruoxue, don’t say anything. Wait for us to get out. We can talk about it later.”

Then, Qin Yu carried Yan Ruoxue and turned around to leave.

“Stop right there!” Someone tried to stop Qin Yu, but his head was smashed by Qin Yu’s fist!

His speed was extremely fast as he desperately rushed towards the exit!

At this moment, Qin Yu suddenly looked at the young girl who was leading the way for him.

Qin Yu immediately rushed forward and grabbed her in his hand.

“Follow Me Out,” Qin Yu said coldly.

Before the young girl could speak, Qin Yu had already sped away.

The reason why he brought this young girl was because Qin Yu wanted to use her to figure out the second mystic realm.

The surrounding people immediately shouted, “Yan Ruoxue has been taken away!”

Qin Yu’s expression was ice-cold, and his footsteps became faster and faster.

He knew clearly in his heart that there must be top experts hidden in this second mystic realm, and there was even a Marquis Wu guarding it!

If he was caught up, then he definitely wouldn’t have the chance to escape!

Qin Yu was getting closer and closer to the exit. Ten kilometers, eight kilometers, five kilometers...

Soon, Qin Yu was only a few hundred meters away from the exit!

Qin Yu gritted his teeth. He hugged Yan Ruoxue and fled frantically towards the exit!

Chapter 810: Chapter 810: Escape from the second secret realm

Qin Yu's speed was extremely fast. He gritted his teeth and used all his strength to rush towards the exit!

The closer he was to the exit, the more anxious Qin Yu became!

This was because Qin Yu had encountered too many unforeseen circumstances on the way to save Yan Ruoxue!

The exit was still flickering with light. Qin Yu suddenly felt an extremely powerful force behind him approaching!

“Not good!” Qin Yu cursed inwardly. He immediately increased his speed and sprinted towards the exit!

“Buzz!”

Along with a buzz, Qin Yu's ears rang.

Qin Yu's figure finally rushed out!

The internal Qi behind him instantly disappeared. Qin Yu stood at the side of the exit, panting heavily.

He threw the young girl to the side. Then, Qin Yu lowered his head and looked at Yan Ruoxue in his arms. Tears involuntarily flowed out.

“Ruoxue, I've finally saved you...”

At this moment, Qin Yu burst into tears and sobbed.

He half-knelt on the ground and hugged Yan ruoxue tightly. All his emotions completely exploded at this moment.

“Qin Yu...”Yan Ruoxue stretched out her jade-like fingers and gently touched Qin Yu’s face.

Qin Yu grabbed Yan Ruoxue’s hand and said in a trembling voice, “Ruoxue, it’s okay. It’s okay. I’ll take you away now...”

A smile appeared on Yan Ruoxue’s face.

She stretched out her trembling hand as if she wanted to Pat Qin Yu’s head.

However, the intense pain caused Yan Ruoxue’s hand to hang down.

“Ruoxue!”Seeing this, Qin Yu’s heart instantly felt like it was being cut by a knife.

At this moment, his hatred for the Jingdu Martial Arts Association had reached its peak!

“Jingdu Martial Arts Association... If you have to suffer, I will make you pay back a thousand times over!”Qin Yu’s angry roar spread throughout the Jingdu Martial Arts Association!

Zheng Ke coldly said from the side, “Let’s leave this place first.”

Qin Yu glanced at Zheng Ke. He took a deep breath, picked up Yan Ruoxue, and Strode out.

“You Come with me,”Qin Yu coldly said as he looked at the girl he had brought out from the second secret realm.

The girl didn’t dare to say anything and could only follow behind Qin Yu.

The three of them strode out of the Jingdu Martial Arts Association.

At this moment, Yan Ruoxue's internal Qi was extremely weak. Qin Yu hurriedly transferred Qi/spiritual energy to Yan Ruoxue.

They arrived at the entrance.

Qin Yu and Zheng Ke stopped at the same time.

Zheng Ke looked at Qin Yu coldly. Qin Yu's eyes also contained killing intent.

"Qin Yu, we want to take her away," Zheng Ke said coldly.

Qin Yu narrowed his eyes and said, "Hong Yi sect is indeed not trustworthy..."

Zheng ke sneered and said, "It's already too late for you to know now."

"Too late?" Qin Yu's expression was ice-cold.

"Do you think I don't know about your schemes and schemes? Tell those who are hiding in the dark to come out," Qin Yu said coldly.

Zheng Ke raised his brows and immediately laughed out loud, "Alright!"

As his voice fell, several figures instantly shot out from the dark!

These people were all at the peak of the Martial Marquis realm, and there was no lack of powerful existences among them! Even Qin Yu could not see through his strength!

And this person was the leader of this operation!

“Half-step martial saint?” Qin Yu seemed to have guessed his cultivation.

Currently, the only person Qin Yu could not guess was a half-step martial saint.

“Elder Shen.” Zheng Ke walked forward and greeted him.

The man called Elder Shen turned his eyes to look at Qin Yu.

He said indifferently: “Qin Yu, our Hong Clan has always thought highly of you and we have also thought highly of Yan Ruoxue.”

“I know of your relationship with Yan Ruoxue. Why Don’t you leave the fire country with me and head to the Hong Clan? What do you think?”

Qin Yu laughed coldly and said: “Bullsh * t, do you think that’s possible?”

Elder Shen was not angry. He put his hands behind his back and said with a faint smile, “Qin Yu, do you think you still have a choice?”

Zheng ke said coldly, “This is the elder of our Hong Yi sect, Shen Yichun! It’s your good fortune that elder Shen invited you!”

Qin Yu looked at Shen Yichun coldly and said with a sneer, “I’m afraid a half-step martial saint can’t Stop Me!”

As he spoke, Qin Yu’s internal Qi exploded!

Under normal circumstances, Qin Yu would not be able to retaliate in front of a half-step martial saint.

However, Qin Yu, who possessed the power of a martial saint, was not afraid of a half-step martial saint at all!

After sensing Qin Yu's internal Qi, Shen Yichun's expression changed slightly.

He could not help but sigh, "Qin Yu, you're really a talent. I'm really reluctant to kill you..."

"But if you don't come to your senses, I can only kill you."

"You talk too much nonsense. I don't have that much time to talk nonsense with you!" Qin Yu coldly berated.

Shen Yichun did not say anything more. His palm immediately lit up with specks of light and crushed towards Qin Yu!

Qin Yu's expression was ice-cold. What responded to him was an incomparably fierce golden fist!

The power on the fist exploded in an instant! The radiance that Shen Yichun had condensed was directly crushed!

"Deng Deng Deng!"

Under this enormous force, Shen Yichun retreated several steps in succession!

A trace of shock flashed across his face!

"How is this possible?" Shen Yichun muttered in a low voice.

"Even if he has the power of a martial saint, it's impossible for him to be my match!"

"Elder Shen, we can't waste too much time," Zheng Ke reminded.

Shen Yichun nodded. With a shake of his palm, numerous golden chains appeared in front of everyone.

“Qin Yu, I can’t kill you for the time being. I’ll bring you back and take care of you slowly!” Shen Yichun said coldly.

Before he could finish his words, Shen Yichun’s wrist quickly shook and the chains instantly came crushing over!

With a flash of light, the chain directly tied Qin Yu Up!

A huge force wrapped around Qin Yu’s body.

And this force seemed to be getting stronger and stronger, almost crushing Qin Yu’s bones!

“Qin Yu, this chain is a heaven-grade divine artifact. Even if you have great ability, you can’t escape!” Shen Yichun said coldly.

Following that, Shen Yichun looked at Zheng Ke and the others and berated, “Go, take him away!”

Zheng Ke nodded and immediately walked towards Qin Yu.

At this moment, Qin Yu’s internal Qi was rapidly erupting. The friction between his body and the chain produced a series of crisp sounds!

“It’s useless.” Shen Yichun could not help but sneer.

“Under this chain, even if you are extremely powerful, you can forget about it... how is that possible!”

Before Shen Yichun could finish his words, Qin Yu let out an angry roar, and golden light erupted from his entire body!

The chains that were tied to his body were instantly shattered!

“Whoever dares to stop me today, I will kill them!” Qin Yu’s body emitted waves of icy cold killing intent.

Under this killing intent, everyone could not help but Shiver!

Chapter 811: Chapter 811, the Anxious Association

“Ju... he actually broke free!” Shen Yichun’s expression was somewhat unsightly!

This face-smacking came too quickly!

And Zheng Ke, who was close to Qin Yu, was directly shocked until he vomited blood!

Qin Yu looked coldly at Shen Yichun and said, “I don’t have time to deal with you now. Get lost immediately!”

Shen Yichun said with a cold face, “Qin Yu, Yan Ruoxue is very important to us. I will never give up!”

“Then go to hell!” Qin Yu was furious and threw a punch!

Shen Yichun’s face changed drastically. This punch was too fast. He had no chance to dodge. He could only brace himself and raise his fist to receive it!

“Clang!”

Qin Yu’s peerless power exploded at this moment!

Shen Yichun's fist was shattered instantly!

Qin Yu seemed to have gone mad and stepped forward again.

He held the absolute beginning holy fist in his hand, and his moves were simple and crude!

Shen Yichun's hand-kneading technique was completely shattered!

Seeing that Shen Yichun was being beaten back one after another, everyone could not help but suck in a breath of cold air!

That was a half-step martial saint! ! How could he be beaten to such a state? !

“Boom!”

Very quickly, Qin Yu's fist smashed onto Shen Yichun's chest!

Shen Yichun was instantly beaten until he was bleeding profusely and was forced to retreat repeatedly!

“This won't do... If this continues, I'm afraid I'll die here!” Shen Yichun muttered in a low voice.

At this moment, he was starting to be afraid!

A half-step martial saint being afraid of a martial marquis was simply unheard of!

“Boom!”

Just as he was in deep thought, Qin Yu threw another punch at him!

Shen Yichun hurriedly dodged. When that fist smashed onto the ground, the entire ground instantly exploded!

“No, we must retreat!” Shen Yichun said in a low voice.

Then, Shen Yichun shouted, “Everyone, retreat immediately!”

After throwing out these words, Shen Yichun immediately ran away!

As a half-step martial saint, his speed naturally did not need to be said.

Qin Yu did not have the time to waste with him. The most important thing now was to take Yan Ruoxue and leave!

“Don’t even think about leaving!”

At this moment, Qin Yu saw Zheng Ke who was planning to escape.

Qin Yu’s figure flashed, and he kicked the politician’s legs to pieces!

Zheng Ke immediately cried out in pain. He gritted his teeth and said, “Qin Yu, what do you want to do? I was the one who helped you save Yan Ruoxue!”

“No matter what, without you, I really couldn’t have saved Yan Ruoxue. Considering this, I’ll spare your dog life for now,” Qin Yu said coldly.

Then, Qin Yu grabbed Zheng Ke and left with him in large strides!

The group of people sped away.

Qin Yu’s appearance looked extremely strange.

He was holding Yan Ruoxue in his arms, and there were two people in his hands.

One was the bloody Zheng Ke, and the other was a young girl with a terrified expression.

Qin Yu quickly rushed towards the house.

By the time he returned to the house, the handlebar mustache had already returned.

“Qin Yu, you... you succeeded? !”When he saw Yan Ruoxue in his arms, the handlebar mustache immediately turned pale with fright.

Qin Yu did not have the time to waste with the handlebar mustache. He threw Zheng Ke to the handlebar mustache and said, “Leave this place immediately, quickly!”

The handlebar mustache did not dare to say anything more. He hurriedly stood up and briefly tidied up before following Qin Yu and speeding away.

The first place that Qin Yu wanted to go was the Divine Alchemist Pavilion.

He needed the pavilion master's help to treat Yan Ruoxue's injuries.

...

At this moment, Granny Qin was bringing Blackie back.

Along the way, Granny Qin's face was filled with kindness, and her eyes were filled with love.

“Blackie, one failure is nothing. In Granny Qin’s heart, you will always be the best,”Granny Qin said with a smile.

Just as the two of them were talking about their mother-son relationship, Granny Qin’s phone rang.

She picked up the phone and saw that the caller was Xia hang.

Granny Qin frowned slightly. She picked up the phone and frowned.

“What’s the matter?”

Xia hang said anxiously, “Granny Qin, it’s bad. Qin Yu... Qin Yu, he...”

“What’s wrong with him? Tell me quickly!”Granny Qin’s expression changed. She suddenly felt that something was wrong.

Xia hang said in a trembling voice, “Qin yu broke into the Jingdu Martial Arts Association. I... I don’t know what he did...”

Granny Qin’s expression suddenly changed!

“Oh no, I fell into a trap!”Granny Qin slapped her thigh and suddenly understood!

Blacky said in surprise, “Granny Qin, What’s Wrong?”

Granny Qin gritted her teeth and said, “Blacky, you go back first. I have something to do.”

After saying this, Granny Qin ran away.

She rushed all the way to the Jingdu Martial Arts Association.

Looking at the bloodstains on the ground, Granny Qin felt even more uneasy.

“What exactly happened!” Granny Qin found Xia Hang and said anxiously.

Xia hang shook his head and said, “I don’t know either. That Qin Yu knocked me out and walked towards the depths of the association.”

“I checked the surveillance cameras, but Qin Yu is too cunning. The surveillance cameras are all damaged...”

Granny Qin’s face was extremely pale!

Walking towards the depths? Could it be... the second secret realm? !

Thinking of this, Granny Qin quickly ran towards the second secret realm.

At the entrance of the second secret realm, there was a pool of blood.

This blood came from Yan Ruoxue.

“It’s over!” Granny Qin’s face was pale as if she had lost her parents!

At this moment, Granny Qin’s cell phone rang.

The call came from the higher-ups!

“A meeting.” There were still two short words on the other end of the phone.

Granny Qin wiped the sweat from her forehead. She didn’t dare to think too much and immediately walked towards the meeting room.

In the meeting room, several higher-ups were gathered here.

The atmosphere today seemed to be particularly heavy.

Granny Qin had just entered the meeting room when she felt that something was wrong.

“Yan Ruoxue has been taken away.” At this moment, a higher-up spoke.

“What? !” The thing Granny Qin was most worried about had still happened.

“Granny Qin, what did you do? Do you know what it means for Yan Ruoxue to be taken away? !” Another higher-up shouted loudly.

“He, Qin Yu, was able to break into the second mystic realm because of you!”

Granny Qin said in a trembling voice, “He... how could he open the second mystic realm...”

“There are many ways to open the mystic realm. Is this the time to talk about this?”

“If it wasn’t for you, How Could Qin Yu find the second mystic realm?”

“How should you be punished?”

Granny Qin plopped down on her knees and said in a trembling voice, “I... I will definitely bring Yan Ruoxue back!”

“No need,” a higher-up said coldly.

“We will find someone else.”

“Yan Ruoxue has been taken away, and you can’t get away with it!”

Granny Qin knelt on the ground, not daring to say a word.

At this time, a higher-up said, “According to the rules, you and your heaven-swallowing Python have to Die!”

“But since you have worked for the Jingdu Martial Arts Association for many years, we can spare your life. You can go and deal with the heaven-swallowing Python yourself.. His existence will affect your decision.”

Chapter 812: Chapter 812, the Yan family wanted someone

Hearing this, Granny Qin immediately panicked.

She hurriedly got up and said anxiously, “Esteemed higher-ups, please give me another chance on account of the many years I have devoted to the Jingdu Martial Arts Association!”

A higher-up coldly said, “It is on account of your contribution to the Jingdu Martial Arts Association that I let you personally settle this.”

Granny Qin gritted her teeth and said, “Give me a few days, okay?”

“I’ll give you three days at most. I hope you can come up with a decent result in three days,”said one of the higher-ups coldly.

“Granny Qin, I hope you don’t make the wrong decision.”

After saying this, the higher-ups slowly disappeared, leaving Granny Qin standing there in a daze.

Tears welled up in the corners of Granny Qin's eyes. She had never thought that this would be the end result.

"Qin Yu, it's all your fault... Qin Yu!!!"Granny Qin's angry voice spread throughout the entire room.

After returning home, Blacky was waiting bitterly at home.

Seeing Granny Qin return, Blacky hurriedly got up.

"Granny Qin, Are You Alright?"Blacky walked over and asked.

Granny Qin forced a smile, her face showing a trace of kindness.

"I'm Fine,"Granny Qin said with a smile.

"Blacky, no matter what, I will protect your life."Granny Qin made up her mind in her heart.

...

At this moment, Qin Yu had already carried Yan Ruoxue and sprinted all the way to the Divine Alchemist Pavilion.

As soon as he entered the door, Qin Yu shouted with all his might, "Lord Pavilion Master! Lord Pavilion Master!"

This voice contained spirit energy and immediately shook the entire divine medicine pavilion, causing it to buzz.

The many alchemists who had already fallen asleep were also woken up at this moment.

Just as everyone was panicking, the pavilion master had already floated over from upstairs.

She looked at Qin Yu, who was covered in blood, and Yan Ruoxue, who was lying in Qin Yu's arms. A trace of surprise immediately flashed across her face.

"You... really saved her?" The pavilion master seemed to be in disbelief.

"This is really... snatching food from the Tiger's mouth." Jiang he slowly walked over from the side.

Qin Yu was not in the mood to listen to their flattery. He said anxiously, "Pavilion Master, Ruoxue is seriously injured now. You... you save her!"

The pavilion master did not waste any time. She took Yan Ruoxue from Qin Yu's hands and turned around to walk upstairs.

"Just wait here." The pavilion master glanced at Qin Yu and said.

Although Qin Yu was anxious, there was nothing he could do. He could only stand to the side and wait.

...

The next day.

In a skyscraper somewhere in Jingdu.

This was where the Yan family's company was located.

In the guest room, Granny Qin and Yan Sihai looked at each other.

“Granny Qin, you said that Yan Ruoxue was taken away by Qin Yu?” Yan Sihai’s expression was a little ugly.

Granny Qin nodded and said, “It’s about what happened last night.”

Yan Sihai immediately flew into a rage, slapping the table and standing up!

“My Yan family handed over to your Jingdu Martial Arts Association, and you’re giving me such an outcome?!” Yan Sihai said angrily.

Facing Yan Sihai’s anger, even Granny Qin didn’t dare to make a sound for a moment.

Granny Qin was silent for a moment, then said, “Mr. Yan, Yan Ruoxue is a member of Your Yan family. You have the right to take her back.”

Yan Sihai could not help but sneer, “You have lost her, and you want me to ask for her back?”

Granny Qin gritted her teeth and almost begged, “Mr. Yan, the Jingdu Martial Arts Association has let you down. Just take it as I’m begging you!”

“As long as you ask for her back, the Jingdu Martial Arts Association will definitely remember this favor!”

Yan Sihai sneered again and again.

Just as he was about to refuse, Yan Jinyao walked in again.

“Granny Qin, we can promise you,” said Yan Jinyao.

Yan Sihai frowned slightly, as if he didn’t understand.

Granny Qin said excitedly, “Thank you, Young Master Yan!”

“But there’s a problem. Qin Yu has taken him away now. He must have escaped, right? Where should we go to find him?” Yan Jinyao asked in puzzlement.

Granny Qin quickly said, “Qin Yu must have gone to the Divine Alchemist Pavilion Now! Yan Ruoxue’s injuries are very serious, so he can only seek help from the Divine Alchemist Pavilion!”

Yan Jinyao was silent for a moment and said, “Okay, we understand.”

After sending Granny Qin away, Yan Sihai said in a deep voice, “Jinyao, it’s already been twice.”

Yan jinyao sighed and said, “Dad, the reason for these two times is because of Yan Ruoxue. No matter what, we can’t let Yan Ruoxue cultivate!”

“I am not doing it for the Jingdu Martial Arts Association, I am doing it for myself!”

“Once Yan Ruoxue steps onto the path of cultivation, her powers will be far above mine!”

Yan sihai frowned and said: “Yan Ruoxue alone really makes you so worried?”

“Father, you have not obtained her bloodline. You do not know what kind of power this bloodline holds.” Yan Jinyao shook his head and said.

“I have always been known as the number one person among the fire country’s younger generation, and I have always been rather proud of myself.”

“But ever since I obtained Yan Ruoxue’s bloodline, I have suddenly realised that the me in the past... . . . was nothing more than an ant! Not even worth mentioning!”

Hearing Yan Jin Yao’s words, Yan Si Hai’s face turned grave.

“But... . . Will that Qin Yu obediently let her go?” Yan Si Hai asked in puzzlement.

“Of course not,” Yan Jinyao said with a cold smile.

“So, we still have to ask Yan Yongxiu to come forward. He is Yan Ruoxue’s father, so he naturally has the right to take her back! If Qin Yu doesn’t let her go, then he will be convicted of kidnapping!”

Yan Sihai did not say anything more. The two of them immediately left the company together and found Yan Yongxiu.

“Ruoxue was taken away by Qin Yu? !” Yan Yongxiu was a little surprised, and his heart was even more shocked.

Yan Yongxiu, who grew up in Jingdu, naturally knew what the Jingdu martial arts association meant.

“Your daughter was taken away by Qin Yu. You have to come with us to get her back,” Yan Sihai said coldly.

“How can a Wild Brat take a member of our Yan family away! This concerns the face of our Yan family!”

Yan Yongxiu did not know the malicious thoughts of Yan Sihai and his son at all.

In addition, he was also filled with longing for Yan Ruoxue.

Therefore, he did not think too much and agreed.

The group of people immediately rushed towards the Divine Alchemist Pavilion.

At this moment, the pavilion master still did not come down from upstairs.

Qin Yu stood as he descended. He could smell the fragrance of medicinal herbs as well as the pill clouds that gathered in the sky from time to time.

The entire night, he still didn't get any results. This made Qin Yu extremely anxious.

"Elder Qin, there's someone outside claiming to be from the Yan family. He wants to see you!" At this moment, someone suddenly ran over and said.

"Someone from the Yan Family?" Qin Yu's brows immediately furrowed tightly.

"Handlebar mustache, you stay here and watch. I'll go take a look." Qin Yu said to the handlebar mustache.

After saying this, Qin Yu quickly walked toward the direction of the door.

Chapter 813: Chapter 813, step forward and fight!

At the door.

Yan Sihai and his son, as well as Yan Yongxiu, were waiting at the door.

Apart from that, Yan Sihai's bodyguards followed closely by his side.

At this moment, Qin Yu walked out from the Divine Alchemist Pavilion.

His face was cold and gloomy, and his entire body was filled with murderous intent.

Such a posture could not help but cause Yan Sihai to frown.

“Qin Yu!” Yan Yongxiu shouted.

Seeing the current Qin Yu, Yan Yongxiu had an indescribable feeling in his heart.

When he first met Qin Yu, he was still a useless person, but now he had grown to such a level. Yan Yongxiu really didn't expect it.

Qin Yu ignored Yan Yongxiu and asked coldly, “Yan Sihai, why are you looking for me? Just say it.”

Yan Sihai held his cigar in his mouth and said indifferently, “Okay, then I'll get straight to the point.”

“I heard that you took Yan Ruoxue Away?”

Qin Yu sneered, “Does it have anything to do with you?”

Yan Sihai said with a cold face, “Yan Ruoxue is a member of the Yan family. Do you think it has anything to do with her?”

Hearing this, Qin Yu couldn't help but laugh out of anger.

He pointed at Yan Sihai's nose and said, "Yan Sihai, do you have any F*cking shame? When Yan Ruoxue was locked up in the Jingdu Martial Arts Association and suffering, you didn't ask for her, but now you know that she is a member of the Yan Family?"

Facing Qin Yu's ridicule, Yan Sihai was not angry.

He said indifferently, "That has nothing to do with you. How we deal with the people of the Yan family has nothing to do with you."

"F*cking bullshit!" Qin Yu could not help but curse.

"Yan Sihai, you better get lost right now. Otherwise, I can't guarantee that I won't kill people."

Hearing this, Yan Sihai could not help but take a step back.

At the same time, the bodyguards beside him also hurriedly blocked in front of him.

"Qin Yu, I'm not here to quarrel with you." Yan Sihai snorted coldly.

"As an adult, Yan Ruoxue has the right to make her own choice. You let her make her own decision."

Qin Yu's brows immediately furrowed.

The current Yan Ruoxue was currently in a coma. How could she make any choice?

Yan Sihai seemed to have known all this. He smiled faintly and said, “If Yan Ruoxue can’t make a choice herself, then the guardian should make the choice.”

“Yan Yongxiu is Yan Ruoxue’s father. He has the most power. If you don’t let him go, I’ll call the police.”

“Qin Yu, no matter how bold you are, do you still dare to go against the authorities?”

Yan Sihai’s words undoubtedly infuriated Qin Yu.

He glared at Yan Sihai and said coldly, “You are really F * cking shameless...”

“Cut the crap,” Yan Sihai said with a cold smile.

“The person is from our Yan family. Hurry up and hand her over.”

Qin Yu immediately looked at Yan Yongxiu. Yan Sihai and his son also looked at Yan Yongxiu at the same time.

Yan Yongxiu frowned and said, “Qin Yu, Ruoxue is indeed my daughter. Don’t tell me I don’t even have the right to see my daughter?”

Hearing this, Qin Yu couldn’t help but gnash his teeth and say, “Yan Yongxiu, you’re really a F * cking good-for-nothing! You even know that Yan Ruoxue is Your Daughter?”

“Do you know how much suffering Yan Ruoxue has to endure every day when she’s locked up in the Jingdu Martial Arts Association? As a father, you don’t even dare to Fart, a good-for-nothing.”

Yan Yongxiu hurriedly explained, “What you said... I really don’t know.”

“F * ck you!” Qin Yu showed no mercy.

“You’re in the Yan family. I don’t believe that you don’t know anything!”

Yan Yongxiu was instantly dumbfounded.

Ever since Yan Ruoxue was caught, he had been pretending not to know. He had lied to himself in order to make himself feel better.

Now that he was exposed by Qin Yu, how could he feel comfortable in his heart.

“Now that she’s out, it shouldn’t be a problem for me to bring her home, right?” Yan Yongxiu said in a deep voice.

Qin Yu narrowed his eyes and said, “Do you know what Yan Sihai will do if he brings her back?”

“He will either kill Yan Ruoxue or send her back to the Jingdu Martial Arts Association. Do You Want Your Daughter to continue suffering?”

Yan Yongxiu’s expression suddenly changed slightly. He subconsciously looked at Yan Sihai.

Yan Sihai casually said, “Don’t worry. I Won’t do anything to Yan Ruoxue.”

“Do you believe that?” Qin Yu looked at Yan Yongxiu coldly and said, “Cultivation?”.

Yan sihai coldly said, “Qin Yu, don’t slander me!”

Qin Yu ignored Yan sihai and scolded, “Yan Yongxiu, think about how Yan Sihai treated Yan Ruoxue in the past!”

“If you are still a man and a father, don’t F * cking ask for her!”

“Yan Ruoxue is safer with me than anywhere else!”

At this point, Qin Yu changed the topic and said coldly, “Of course, if you want to force me, I don’t mind killing all of you!”

“For Yan Ruoxue, I will do anything!”

Yan Sihai narrowed his eyes and said, “Qin Yu, I don’t believe that you really dare to...”

“Pa!”

Before Yan Sihai could finish his words, a wave of boiling blood spilled on his face!

Turning around, he saw that the bodyguard beside him had his head blown open and his body had fallen straight down.

Qin Yu said coldly, “If you dare to talk nonsense again, he will be the end of you.”

At this moment, everyone was a little afraid.

A peak-stage martial marquis was actually killed by a single slap. He didn’t even have the strength to retaliate!

This kind of strength was self-evident.

“Qin Yu, I have the right to bring our people back!” Yan Sihai said in a flustered and exasperated manner.

Qin Yu stepped forward and said coldly, “Then you guys can come and try!”

As he spoke, the killing intent on Qin Yu’s body suddenly exploded. The icy coldness made people shiver all over.

At this moment, Yan Yongxiu suddenly said, “Big Brother, I think... What Qin Yu said makes sense.”

Yan Sihai was stunned and then angrily said, “Yan Yongxiu, what did you say? !”

Yan Yongxiu was silent for a moment. He gritted his teeth and said, “Big Brother, I think what Qin Yu said is right. At least it’s safer here than in the Yan family.”

“Yan Yongxiu, are you crazy?” Yan Sihai narrowed his eyes and said.

Yan Yongxiu took a deep breath and said, “I don’t have any status in the Yan family, but I don’t want to be a coward anymore.”

“When father died, I didn’t dare to say anything. I don’t want to see my daughter die too.”

“Uncle, your words will easily bring trouble to yourself...” Yan Jinyao said with a faint smile.

Qin Yu could not help but laugh out loud at the side, “Yan Jinyao, are you going to threaten your own biological uncle like this! If you are not convinced, come, let’s have a battle!”

As he spoke, Qin Yu took a step forward.. His wild hair danced wildly, and his fighting spirit was overflowing. He was like an undefeatable war god!

Chapter 814: Chapter 814, martial saint in the second secret realm

At this moment, Qin Yu's battle intent had almost reached its peak.

This pure internal Qi swept across the entire street.

Yan Jinyao's brows were tightly knitted together. He sneered and said, "Qin Yu, don't think that I don't know anything."

"You relied on the power of a martial saint to come and challenge me? Do you think that I will fall for it?"

Qin Yu sneered, "Do I need the power of a martial saint to kill you?"

"Great! The power of a martial saint will disappear one day. At that time, you will die!" Yan Jinyao also shouted.

"It's a deal." Qin Yu said coldly.

"Yan Sihai, don't think about Yan Ruoxue anymore. Cherish the last time you have with your son."

After saying this, Qin Yu turned around and left.

"Qin Yu, are you really not going to hand him over? !" Yan Sihai could not help but shout.

"F * ck you, get lost!" Qin Yu scolded without even turning his head.

Yan Sihai gritted his teeth. Although he was furious, he could not do anything to Qin Yu.

The current Qin Yu's strength had reached a point where even the Yan family could not do anything to him.

Without a martial saint, no one could restrict Qin Yu!

Helpless, the few of them could only leave.

After returning to Jingdu, Granny Qin had been waiting here for a long time.

When she saw Yan Sihai returning, she hurriedly went up to him and said, "Mr. Yan, did you bring him back?"

Yan Sihai could not help but curse, "Bring my ass! Qin Yu won't let him go at all! I still want to ask your Jingdu Martial Arts Association for him!"

Hearing these words, Granny Qin immediately sat down on the ground, her face filled with despair.

If they could not bring him back, it meant that little black was going to die!

To Granny Qin, who had no children, this was simply unacceptable!

"Granny Qin, Why Don't you send out a martial saint to kill that Qin Yu?" Yan Jinyao said with some doubt.

"The Jingdu martial arts association should have a martial saint, right? and... There seems to be a martial saint in that prison, right?"

Granny Qin glanced at Yan Jinyao and shook her head. She said, “If we could dispatch a martial saint, we wouldn’t have let Qin Yu live for so long...”

After she had said this, Granny Qin left this place in a daze.

...

At this moment, in the Divine Alchemist Pavilion.

Qin Yu stood below the pavilion master and continued to wait.

For an entire day and night.

It was late at night when the pavilion master finally walked down from upstairs.

Upon seeing the Pavilion Master, Qin Yu hurriedly ran over.

“Pavilion Master, how is Ruoxue?” Qin Yu anxiously asked.

The pavilion master shook his head and sighed. “The Jingdu martial arts association seems to have long prepared for the possibility of her being rescued.”

“What do you mean? !” Qin Yu hurriedly asked.

The pavilion master said in a deep voice, “The JINGDU martial arts association has used a secret technique on Yan Ruoxue’s spiritual sense. Only the people of the JINGDU martial arts association can solve this secret technique.”

“This secret technique will flare up once it leaves the Jingdu Martial Arts Association.”

Qin Yu's expression suddenly changed drastically.

He muttered in a low voice, "How can this be... if the secret technique is not solved, what will happen?"

The pavilion master said in a deep voice, "If this secret technique is not solved, Yan Ruoxue will never be able to regain her consciousness. To put it bluntly, she will become a living dead."

"Living Dead..." Qin Yu's heart suddenly felt as if thousands of arrows had pierced through his heart. A wave of anger shot straight to the top of his head!

"Jingdu Martial Arts Association..." Qin Yu clenched his fist tightly. His fingernails were almost embedded into his flesh!

The pavilion master at the side comforted him, "Qin Yu, don't be anxious. At least this technique won't harm your life. In other words, your little girlfriend is at least safe."

Qin Yu hurriedly looked at the pavilion master and said, "Pavilion Master, what is the name of this secret technique?"

"Spirit binding technique." The pavilion master hesitated for a moment and then replied.

"Spirit binding technique..." Qin Yu whispered the name. Then, he quickly looked for the three words spirit binding technique in his inherited memories.

Unfortunately, Qin Yu couldn't find this technique at all.

"The soul binding technique was created by the people of the Jingdu Martial Arts Association. Other than them, no one else can unravel this

technique.”The pavilion master seemed to have seen through Qin Yu’s intentions.

Qin Yu’s face immediately had a hint of despair.

If that was the case, then wouldn’t it mean that only the people of the JINGDU martial arts association could unravel it?

Thinking of this, Qin Yu stood up and said, “I’ll go to the Jingdu martial arts association right now and find Granny Qin!”

However, the pavilion master stopped him and said, “It’s already late at night. Let’s talk about it next year.”

“Moreover, since you took her away, Granny Qin might be in the secret realm.”

Qin Yu frowned, as if he felt that what the pavilion master said made sense.

“Follow me upstairs first,”said the pavilion master.

Qin Yu grunted in gratitude, then followed the Pavilion Master and jumped upstairs.

Upstairs, Yan Ruoxue was lying in a medicinal pool.

Her entire body was soaked in medicinal liquid. Drops of medicinal liquid slid down her snow-white skin.

Seeing this, Qin Yu’s heart couldn’t help but feel like it was being cut by a knife.

He walked forward and knelt in front of Yan Ruoxue on one knee.

“Ruoxue, wait for me. I’ll definitely wake you up as soon as possible. Wait for me...”Qin Yu grabbed Yan Ruoxue’s hand and said with a pained expression.

The pavilion master at the side comforted her, “You have already rescued her from the secret realm. There’s no need to blame yourself anymore.”

Qin Yu took a deep breath and stood up from the ground. His face was filled with determination.

“I will not give up. So what if it’s the Jingdu Martial Arts Association!”Qin Yu said coldly.

“Moreover... The Jingdu martial arts association has made Ruoxue suffer so much. If I don’t destroy their entire family, I will never give up!”

The pavilion master comforted him, “Don’t worry about anything. You only used two years, and you have already done so much. You should be proud.”

As he spoke, the pavilion master brought Qin Yu to the tea room.

In the tea room, Jiang he was sitting there waiting for Qin Yu.

“Senior Jiang He.”Qin Yu bowed slightly, as a greeting.

Jiang he couldn’t help but sigh, “Qin Yu, your growth rate... is much faster than I imagined.”

“Since the beginning of time, you’re probably the first person to be able to bring someone out of the Jingdu Martial Arts Association.”

Qin Yu said coldly, "It's far from enough. There are still many experts hidden in the secret realm of the Jingdu Martial Arts Association."

"That's right." Jiang he confirmed Qin Yu's thoughts.

He sighed. "After I witnessed the power of their secret realm, I felt a sense of helplessness and defeat, and I almost lost the desire to live."

Qin Yu looked at Jiang he and said, "Senior Jiang he, have you been to the secret territory as well?"

"That's right, the second secret territory." Jiang he nodded.

Qin Yu said in a low voice, "In this second secret territory, I can feel many mysterious powers."

"And before I left, there was an extremely powerful force chasing after me. Is It... The Martial Saint?"

Jiang he looked at Qin Yu and nodded, "That's right, there is indeed a martial saint in the second secret area."

My Rich Wife – Chapter 815 –

Chapter 815: Chapter 815, spirit binding technique

Qin Yu took a deep breath and said in a low voice, “As expected.”

That force was so powerful that even Qin Yu, who possessed the power of a martial saint, was no match for him.

If it was a half-step martial saint, Qin Yu might still be able to fight.

“It seems like they really can’t leave the secret realm,” Qin Yu said in a low voice.

As he spoke up to this point, Qin Yu suddenly thought of the martial saint who was imprisoned in the depths.

“It’s said that the martial arts association of Jingdu is imprisoning the martial saint. Then, how do they survive in this world?” Qin Yu asked in puzzlement.

Jiang he glanced at Qin Yu and said, “Have you ever thought that the prison is also a secret realm?”

Qin Yu was stunned and immediately understood.

That’s right, the depths of the prison might be a secret realm!

That martial saint was also locked in the secret realm!

“I understand,” Qin Yu said in a deep voice.

At this moment, he thought of something and immediately looked at the pavilion master and said, "Where are the two people I brought back?"

The pavilion master said, "They are locked in the dungeon."

"Bring me there immediately. I want to see them," Qin Yu said hurriedly.

Then, the few of them walked towards the dungeon.

As the dungeon's door opened, Qin Yu saw Zheng Ke, who was locked below, and the young girl that Qin Yu had brought out from the second secret realm.

Qin Yu frowned. He pulled the young girl's hand and pulled her out of the dungeon.

"I won't hurt you. I just want to ask you a few questions," Qin Yu said as he looked at the young girl whose face was covered in tears.

The girl hurriedly nodded, her big eyes filled with tears.

"Lord Pavilion Master, please arrange a place for her," Qin Yu said.

The pavilion master nodded slightly. She looked at the girl and said, "Follow me."

Then, Qin Yu's gaze fell on Zheng Ke.

"You should know why I'm Looking For You," Qin Yu asked coldly.

Zheng Ke looked up at Qin Yu and snorted, "How would I know?"

"If you don't know, then I'll tell you," Qin Yu said coldly.

“Tell me the method to open the mystic realm, and I’ll spare your life.”

Zheng Ke couldn’t help but laugh when he heard that, “Qin Yu, don’t think that I don’t know. Even if I tell you, you’ll still kill me!”

Qin Yu frowned.

Just as Zheng Ke said, with Qin Yu’s current state of mind, he would not let Zheng Ke off at all.

But for Yan Ruoxue, Qin Yu still took a deep breath and said, “I promise, as long as you tell me, I will spare you.”

“In your dreams! There are very few people in this world who can open the mystic realm! As long as I don’t tell you, at least I can keep my life!”Zheng Ke sneered.

“Do you think I’m a Fool? If I tell you, it means that I have lost my value! At that time, I will only die!”

Qin Yu sneered, “You know a lot, but I tell you, I, Qin Yu, will keep my word. As long as you tell me, I promise to spare you.”

“Hehe, I’m not a three-year-old child.”Zheng Ke turned his face away.

Qin Yu said coldly, “If that’s the case, then I can only kill you.”

After saying that, Qin Yu’s palm flashed with light as he walked towards Zheng Ke step by step.

At this moment, although Zheng Ke was panicking, he still closed his eyes, gritted his teeth, and didn’t say a word.

The Ray of light came close to his face, but in the end, it slowly disappeared.

“You have a tough mouth,”Qin Yu said coldly.

“But I have plenty of time. Sooner or later, you will open your mouth.”

After saying this, Qin Yu turned around and walked out of the dungeon.

He didn't have time to waste on Zheng Ke for the time being. Instead, he had to find Granny Qin as soon as possible and find a way to undo the divine binding spell.

Qin Yu didn't sleep the whole night.

The sky turned white.

The mustached man yawned and walked out of the room.

“TSK TSK, I didn't sleep the whole night,”the mustached man muttered.

Seeing the mustached man, Qin Yu hurriedly stood up and said, “Use these few days to help me build a teleportation formation.”

“Teleportation formation?”The mustached man frowned. “Where to?”

“The Church of the Immortals,”Qin Yu said in a low voice.

“The Jingdu martial arts association hasn't made a move against me yet. It doesn't mean they want to let me go. They're waiting for my martial saint's power to disappear.”

“So, I have to find a place to hide.”

The mustached man scratched his head and said, "Okay."

Qin Yu patted his shoulder and said, "Thanks. When I'm invincible in the world, I'll definitely make you the crown prince."

After saying this, Qin Yu turned around and left.

...

Jingdu.

Granny Qin's face was full of sorrow and pain.

She stood in front of Blackie's door, and she couldn't help but shed a trace of tears.

At this time, the door was pushed open, and Blackie walked out.

"Granny Qin, Why Are You Here?" Blackie rubbed his eyes and asked.

Granny Qin wiped her tears and said with a smile, "I'm fine. I just came to see you."

"Granny Qin, What's Wrong?" Blacky was a little puzzled.

Granny Qin smiled and said, "I'm fine."

Blacky welcomed Granny Qin into the room and poured her a glass of water.

"Granny Qin, if there's anything you need, you must tell me." Blacky's brows were tightly knitted and his face was filled with worry.

Granny Qin waved her hand.

At this moment, she suddenly raised her head and said in a trembling voice, “Blacky, can you call me Mother?”

Little Black was stunned. When he heard those words, he immediately knelt in front of Granny Qin and called out: “Mother.”

Granny Qin’s eyes were instantly filled with tears.

She shakily stroked little Black’s head and said with a smile: “Good Son... . Good son... . No matter what, I will not let you die.”

With that said, she fished out a bank card from her bosom and handed it to little black.

“Little Black, take this bank card and leave the JINGDU, leave the fire country, and go as far away as possible!” Granny Qin patted little black on the head and said rather reluctantly.

Little Black’s brows creased up even more tightly.

He looked at Granny Qin in puzzlement and asked: “Mother, what exactly happened, can you tell me?”

Granny Qin waved her hand helplessly and said with a sigh: “It’s all my fault, I should not have let you get involved in this muddy waters, and I should not have let you make any bet with that Qin Yu... .”

“No, I volunteered,” Blackie hurriedly said.

“Mother, if there’s anything, you can tell me, okay? I’ll bear it with you.”

“It must be the higher-ups of the Jingdu martial arts association who want to settle the score with you.”

At this moment, a voice suddenly came from outside.

Turning around, he saw Qin Yu walking over.

Seeing Qin Yu, Blackie suddenly stood up and said coldly, “Qin Yu, what do you want to do!”

Qin Yu glanced at him and said, “You are not my match. Save your strength.”

After saying that, Qin Yu swaggered to the table and sat down. He even poured himself a cup of tea.

“Granny Qin, I came here today not to quarrel with you.” Qin Yu took a sip of tea.

Granny Qin said coldly, “What do you want to Do?”

Qin Yu smiled and said, “I want to know how to undo the divine binding spell.”

Chapter 816: Chapter 816, the death of Granny Qin

“The method to undo the god binding spell?” Granny Qin couldn’t help but burst into laughter when she heard this.

“Qin Yu, so the higher-ups used the god binding spell on Yan Ruoxue. hahahaha! Even if you take her away, it’s useless! hahahaha!”

Granny Qin’s Loud Laughter Made Qin Yu’s ears hurt.

He frowned and said, "Can you stop laughing?"

Granny Qin sneered, "Qin Yu, under the spirit binding technique, so what if you take her away?"

"Do you know how to undo the spirit binding technique?" Qin Yu said impatiently.

Granny Qin looked at Qin Yu coldly and said, "Impossible, I'm not qualified to touch the spirit binding technique."

"Even you don't know it?" Qin Yu frowned even more.

Granny Qin sneered and said, "On the surface, I am indeed a top-level executive of the Jingdu Martial Arts Association, but in their eyes, I'm nothing. I'm not even a chess piece."

Qin Yu was silent. Just as Granny Qin said, the top-level was the real manager.

"In that case, I Won't disturb you." Qin Yu got up and was ready to leave.

"Wait." At this moment, Granny Qin stopped Qin Yu.

"What's the matter? Do you still have something to do?" Qin Yu turned around and asked.

Granny Qin said in a deep voice, "You... forget it, you can go."

Qin Yu sneered, "You're so coy."

After saying this, Qin Yu prepared to leave.

At this moment.

A light suddenly flashed in the room.

The moment the light appeared, a shadow floated out.

Qin Yu had seen this shadow before. It was the old man he saw at the entrance of the second mystic realm.

Granny Qin's expression changed when she saw this old man.

She knelt on the ground and said in a trembling voice, "Greetings, Sir..."

The old man glanced around and said coldly, "Qin Yu? Why is he here?"

"I can be wherever I want to be. It's none of your business." Qin Yu turned around and walked back.

The old man said coldly, "Qin Yu, you took Yan Ruoxue away. This is a capital offense. Do you know that?"

"I Know Your Grandpa!" Qin Yu could not help but curse.

"Old Man, let me ask you, do you know the method to undo the God binding spell?"

The old man sneered, "So what if I know it? So what if I don't know it? Do you think I will tell you?"

Qin Yu narrowed his eyes and said, "Old Bi, you're good. You can wash your neck and wait in the second secret realm. I'll tear your head off sooner or later!"

The old man seemed to be too lazy to pay attention to Qin Yu. He looked at Granny Qin and then looked at little black.

“Granny Qin, why haven’t you dealt with the matter that was ordered by the higher-ups?”The old man said coldly.

Beads of sweat appeared on Granny Qin’s forehead. She said in a trembling voice, “Sir, please plead for me. I treat Blacky as my son. I . . . I can’t do it...”

“If you can’t do it, then we will send someone to kill him,”the old man said coldly.

“No! !”Granny Qin immediately let out a shrill cry.

She hurriedly turned around and said anxiously, “Blackie, take the bank card and run! Run as far as you can!”

“Granny Qin, are you going to betray the Jingdu Martial Arts Association! ?”The old man shouted.

Granny Qin gritted her teeth and said, “I’m willing to die for him! All the mistakes are because of me, and it has nothing to do with Blackie...”

The old man’s brows immediately furrowed tightly.

He looked coldly at Granny Qin and said, “Are you really going to do that?”

“Yes, yes, I’m willing to die for Blackie...”Granny Qin knelt on the ground, tears streaming down her face.

Blackie, who was at the side, was already anxious. He said anxiously, “What right do you have to let my mother die! I’ll kill you!”

“Blackie! !”Granny Qin stopped Blackie.

She said with a trembling voice, “Listen to your mother. Leave quickly. Go as far away as possible...”

The old man looked coldly at Granny Qin and said, “Since you’ve already made up your mind, I won’t say anything more. This is your own choice. Don’t blame me.”

With that said, the Phantom waved its hand, and black smoke immediately rose from Granny Qin’s body!

This seemed to be the mark left by the Jingdu Martial Arts Association on Granny Qin’s body. Its purpose was to prevent anyone from betraying it!

As the black smoke exploded, Granny Qin’s mouth immediately let out a painful scream!

“Mother! !”Blacky seemed to have gone mad as it hugged Granny Qin tightly.

But no matter what he did, he could not stop the black smoke from spreading!

As the black gas exploded, Granny Qin’s body was being destroyed bit by bit!

“Mother!”At this moment, Blackie was like a helpless child.

He tried his best to use his body to stop the black gas from spreading.

However, it was useless. Blackie could only watch Granny Qin's body disappear bit by bit.

"Blackie... Escape..."Granny Qin said with difficulty.

In a moment, Granny Qin's body turned into black gas and disappeared into thin air.

"Mother! ! !"

Blackie kneeled on the ground and wailed at the top of his lungs!

The shadow was like an emotionless machine. It only snorted coldly and then slowly disappeared.

Blackie half kneeled on the ground and tears covered his face.

His body trembled slightly. Because he was too sad, he suddenly spat out a mouthful of blood!

Then, he looked extremely weak. He collapsed on the ground, extremely weak.

Qin Yu stood silently at the side.

Granny Qin's death was obviously good news for Qin Yu, but at this moment, Qin Yu could not be happy.

"Jingdu Martial Arts Association... is really vicious and merciless,"Qin Yu said in a low voice.

"I must kill them... I must kill them..."these words kept coming out of Blackie's mouth.

His face was mixed with blood and tears, looking extremely pitiful.

Qin Yu stood in front of Blackie and said in a low voice, “Make yourself stronger, so strong that you can make Jingdu martial arts association disappear.”

Little Black seemed to have lost his mind as he slumped to the ground without saying a word.

Qin Yu sighed slightly. He did not say anything more and turned to leave.

Granny Qin was dead.

This news quickly spread throughout the entire Jingdu and even the entire fire country.

“The Jingdu Martial Arts Association this year is really not going well.”

“That’s right. First, the black and gold robe was beheaded, then the purple robe was beheaded. Qu Qu and Granny Qin followed closely behind. It’s really unbelievable.”

“It seems that Xia Hang is going to officially take over the Jingdu Martial Arts Association.”

“I have to admire that Qin Yu. He really makes the Jingdu Martial Arts Association... Restless.”

Everyone knew that Granny Qin was dead, but no one knew that Granny Qin was killed by one of the Jingdu Martial Arts Association’s people.

Chapter 817: Chapter 817, the strongest expert in the second secret realm

Qin Yu rushed back to the Divine Alchemist pavilion that day.

The death of Granny Qin made Qin Yu more or less uncomfortable.

Even though Qin Yu was a bloodthirsty person now, seeing the deep affection between mother and son still made Qin Yu somewhat moved.

Granny Qin is dead. I wonder if Xia hang can officially take over her position. Qin Yu couldn't help but think to himself on the way back.

If Xia hang could take over Granny Qin's position, then Qin Yu's actions would naturally be much more convenient.

After returning to the Medicine God Pavilion, everyone already knew that Granny Qin was dead.

“Did you kill her?” Jiang he asked with some doubt.

Qin Yu shook his head and said, “No, it was the people from the Jingdu martial arts association who killed her.”

Jiang he was speechless. He sighed slightly and said, “To them, anyone can be a chess piece.”

Qin Yu had the same feeling. This high-ranking official was like a chess player. He never showed himself, but he controlled the entire game of go.

“At present, all the people I've met may not be their core figures,” Qin Yu said in a deep voice.

The true core might only be those few high-ranking officials.

But no one had seen the true faces of the high-ranking officials, even Granny Qin, who had sacrificed her life for the Jingdu Martial Arts Association.

“Right.” At this moment, Qin Yu seemed to have thought of something.

He looked at the pavilion master and Jiang he and said, “Do you think that the spirit binding technique will be recorded in the Jingdu Martial Arts Association’s Scripture Depository?”

The two looked at each other and said in a deep voice, “It’s hard to say, but even if it’s really recorded in the Scripture Depository, you won’t have the chance to go in.”

“Moreover, you’ve taken Yan Ruoxue away. The Jingdu Martial Arts Association is looking for you. Do you still dare to go back?”

Qin Yu sneered, “It’s already been a few days, but they still haven’t made a move. This means that they won’t do anything to me for the time being.”

“Or rather, they won’t be able to do anything to me for the time being.”

The pavilion master said in a low voice, “They’re waiting for your martial saint’s power to disappear.”

“That’s right.” Qin Yu nodded.

“Although I can not be compared to a real martial saint with the power of a martial saint, I am not afraid of anyone below the level of a martial saint.”

“Since the Jingdu martial arts association is unable to send out a martial saint, then I am safe.”

Jiang he said with some doubt, “What about when your martial saint’s power disappears? How are you going to deal with it?”

“It’s true that the Jingdu martial arts association is unable to send out a martial saint, but it’s not difficult for them to become a half-step martial saint.”

Qin Yu nodded slightly and said, “That’s right, I’ve already made preparations.”

“Either I run away before the martial saint’s power disappears, or I step into the half-step martial saint realm before that.”

“Step into the half-step martial Saint Realm?” A trace of surprise flashed across Jiang he and the pavilion master’s faces.

In the current era, even a half-step martial saint had not appeared for a long time.

“In short, I’ve made preparations on both sides. Let’s take it one step at a time.” Qin Yu stood up and said.

“Oh right, pavilion master, which room is the young girl I brought back from the second mystery realm in?” Qin Yu asked.

The pavilion master said, “In the west side room.”

Qin Yu grunted and turned to leave.

After Qin Yu left, the pavilion master looked at Jiang he and said, “Old Mister Jiang, when do you plan to pass the nine secrets to Qin Yu?”

Jiang he was speechless. He said with some heartache, “To be honest, I really can’t bear to...”

The pavilion master smiled and said, “I won’t bring the spells with me even if I die. Besides, the nine secrets might be more useful in Qin Yu’s hands than in yours.”

...

In the west wing.

The young girl was crying all day long and looked extremely weak.

No one could imagine that a marquis Wu who could run amok in the world actually had the posture of a delicate woman.

At this time, Qin Yu pushed the door open and entered with big steps.

When she saw Qin Yu, a hint of panic flashed across the young girl’s face.

“Don’t be afraid, I won’t hurt you.” Qin Yu said with a faint smile.

He walked straight to the side of the girl and sat down. Then, he smiled and said, “I just want to ask you a few questions. You have to answer me truthfully.”

The girl hurriedly nodded. Her big eyes were full of fear.

“What’s Your Name?” Qin Yu asked.

The girl whispered, “My name is Little Qing...”

“Little Qing...” Qin Yu nodded slightly.

“Let me ask you, in the second secret realm, how many warriors are there, who is the strongest, what is his cultivation level, and...”. “A character

like you, what kind of role do you play in the second mystery dimension?"Qin Yu threw out several questions in one breath.

Little Qing opened her mouth. She thought for a moment before speaking.

"I don't know how many martial artists are in the second place, but the strongest one is a peak martial saint. We have never seen her before."Little Qing said in a low voice.

"Peak martial saint..."Qin Yu could not help but frown.

"As for me... I'm just an ordinary person,"Xiao Qing said with a trembling voice.

After Xiao Qing's simple narration, Qin Yu had a general understanding of the second secret realm.

The second secret realm had existed for many years, and the person who created it was not someone from the Jingdu Martial Arts Association.

Initially, this second secret realm was also an ownerless secret realm, but it had fallen into the hands of the Jingdu Martial Arts Association.

After many years of development, this second secret realm was like an extremely stable small world. It already had its own people.

"I think that peak martial saint must be a high-level figure of the Jingdu Martial Arts Association."Qin Yu thought to himself.

At this moment, Qin Yu suddenly thought of something.

Perhaps the second secret realm was not its original name, but was named by the Jingdu Martial Arts Association itself.

If that was the case, didn't it mean that there was also the first secret realm?

"Do you know the first secret realm?" Qin Yu looked at Little Qing and asked.

Little Qing shook his head, indicating that he knew nothing.

Qin Yu's expression did not look too good.

If it really was as he had guessed, then the Jingdu martial arts association might be even more terrifying than he had imagined.

Qin Yu hurriedly took a piece of paper and a pen, and slowly drew a picture on the paper.

The person on this picture was the old man that Qin Yu had seen at Granny Qin's house.

"Xiao Qing, the strongest person in the second secret realm that you mentioned, is it him?" Qin Yu handed the picture in his hand to Xiao Qing.

After taking the picture, Xiao Qing cried out, "Master Gu, it's master Gu..."

"Master Gu?" Qin Yu frowned.

Xiao Qing explained, "He is indeed the strongest person in the second secret realm. His name is Gu Zizhen, and he is the owner of the second secret realm. We usually call him master Gu..."

Qin Yu nodded.

He picked up the picture and whispered, "It seems that the first secret realm really exists."

Gu Zizhen had personally admitted that he was not a high-ranking official of the Jingdu Martial Arts Association, but only worked for the second secret realm.

And Gu Zizhen was the strongest expert of the second secret realm. This was enough to prove that the eight high-ranking officials of the Jingdu Martial Arts Association were not in the second secret realm at all!

Chapter 818: Chapter 818, the Scripture Depository

"How much strength did the Jingdu martial arts association hide?" Qin Yu became more and more suspicious.

No one knew who those eight high-ranking officials were.

"As the controller of the Second Secret Realm, Gu Zizhen must know the way to open the divine binding technique," Qin Yu thought to himself.

As long as he could win against Gu Zizhen, everything would be solved easily.

Qin Yu turned around and walked out of Xiao Qing's room.

Then, Qin Yu came to the Pavilion Master's building.

Standing in front of Yan Ruoxue, Qin Yu couldn't help but feel a trace of heartache.

Although under the Pavilion Master's care, Yan Ruoxue's injuries had already recovered, the paleness on her face still couldn't be concealed.

This immediately made Qin Yu even more anxious.

"Pavilion Master, I have to return to Jingdu," Qin Yu said.

After saying this, Qin Yu pointed at Yan Ruoxue in the medicinal bath and said, "I have to bring Ruoxue away."

The pavilion master glanced at Qin Yu and said, "She is very safe here with me."

However, Qin Yu smiled bitterly and said, "Pavilion Master, I can't guarantee when the JINGDU martial arts association will send people over. If the Jingdu Martial Arts Association really goes crazy, I'm afraid the Divine Alchemist Pavilion will find it difficult to resist."

"In this way, Yan Ruoxue will be taken away, and the Divine Alchemist pavilion will also be implicated."

The pavilion master pointed in the direction of the secret chamber and said, "Qin Yu, believe me, I will make proper arrangements. Moreover, Jiang he is here."

"In addition, I will also use the corresponding connections to protect the Divine Alchemist Pavilion."

"Qin Yu, you can go without worry." Jiang he also walked over from the side.

"Do you think it's appropriate for Yan Ruoxue to run around with you in her current state?"

Qin Yu was instantly speechless.

He gritted his teeth and then bowed. “Then I’ll have to trouble the two of you. I’ll come back as soon as possible.”

Then, Qin Yu said goodbye to them and turned to leave the Divine Alchemist Pavilion.

...

At this moment, in the second mystic realm.

In a building that looked like a palace, a tall man was sitting on the imperial throne.

This man was none other than the Master of the second secret realm, Gu Zizhen!

In this second secret realm, Gu Zizhen was like an ancient emperor, possessing absolute power and dignity!

The power under his command was even more powerful!

Eighteen martial saints and twenty-one half-step martial saints!

As for the Martial Marquis realm, there were countless of them.

If this power left the second secret realm, it would be enough to sweep across the entire world!

However, at this moment, Gu Zizhen’s face carried a hint of worry.

“Father, it’s just a mere Qin Yu. Why are you so worried? As long as you give the order, I will immediately go and capture him for you!”

A young man beside Gu Zizhen said.

This young man was none other than Gu Zizhen's eldest son, Gu Xinghe.

And his strength had reached an astonishing half-step martial Saint Stage!

Gu Zizhen glanced at him and said, "That Qin Yu is not an ordinary person. Moreover, he now possesses the power of a martial saint."

However, Gu Xinghe ridiculed, "Can a genius outside of the mystic realm be considered a genius?"

"The resources they possess are pitifully few. Regardless of their background or background, they are not worth mentioning!"

Gu Xinghe agreed with this.

The geniuses of the human world were not worth mentioning in the second secret area.

"Dad, let me go. I have not become a martial saint. Even if I leave the secret area, it would not be considered breaking the agreement." Gu Xinghe volunteered.

Gu Zizhen shook his head and said, "No, too many people have died at the hands of that Qin Yu."

"Dad, don't you believe me?" Gu Xinghe was extremely displeased.

Gu Zizhen was silent for a moment before he said, "Even if I go, I have to wait until the power of the Martial Saint Qin Yu disappears."

“And... If you lose to Qin Yu, he will definitely use you to blackmail me and negotiate terms. He will even use you to return the divine binding technique.”

“At that time, I might become the Second Qin Yu.”

Gu Xinghe sneered, “Dad, who does Qin Yu think he is? Does he have the right to be compared to me?”

“Isn’t the Jingdu Martial Arts Association in need of manpower? Why Don’t you let me take over Granny Qin’s position?” Gu Xinghe suggested.

Gu Zizhen thought for a moment, then asked, “Do you really want to go?”

“Absolutely! Dad, you should know that I’ve been coveting Granny Qin’s position for a long time,” Gu Xinghe said excitedly.

Gu Zizhen thought for a moment, then slammed the table and said, “Okay! Then I’ll agree to it!”

“Tomorrow, I’ll choose three half-step martial saints to follow you to take over the Jingdu Martial Arts Association!”

...

At this time, Qin Yu had already arrived near the Jingdu Martial Arts Association.

He took out his phone and called Xia Hang.

“I’m on the roof of the long run building on the east side of the association. I want to see you,” Qin Yu said.

After he hung up the phone, Xia Hang rushed over about an hour later

After seeing Qin Yu, Xia hang was about to say something when Qin Yu took the lead and asked, “How is it? Who is in charge of the Jingdu Martial Arts Association Now? Can you take over Granny Qin’s position?”

Xia hang shook his head and said, “After Granny Qin died, it was indeed up to me. But it’s only limited to now. The higher-ups have not given any orders.”

“According to past experience, the higher-ups will definitely drop an expert to take over this position.”

“I’m afraid it’ll be a little difficult to get real power.”

Qin Yu glanced at Xia hang and said, “At least now the real power is in your hands.”

Xia hang frowned and said, “What do you want me to do?”

“I want to enter the Scripture Pavilion,”Qin Yu said coldly.

Hearing this, Xia Hang’s expression changed again.

He couldn’t help but say, “Qin Yu, if I let you enter the Scripture Depository, then I will definitely be exposed! At that time, I’m afraid I Won’t be able to escape death.”

“Then organize everyone to enter together,”Qin Yu said.

“Organize all the students of the martial arts academy to enter the Scripture Depository together.”

Xia hang was stunned. He scratched his head as if he felt that this method was feasible.

“I’ll give it a try,” Xia hang said.

“It has to be done.” Qin Yu’s tone was extremely cold.

Xia hang opened his mouth as if he wanted to say something, but in the end, he only nodded his head.

After meeting Xia Hang, Qin Yu went straight back to the martial arts academy.

When the surrounding people saw Qin Yu, they all unconsciously took a step back, as if they were avoiding the god of plague.

The reason was simple. From the outside world’s perspective, Qin Yu had killed Granny Qin. They were afraid that they would be implicated.

“Brother Qin.” At this moment, Zhuang Teng suddenly walked over from not far away.

Chu Heng was also with him.

Qin Yu nodded slightly as a form of greeting.

“We have arranged a banquet in the courtyard. I wonder if Brother Qin is interested?” Zhuang Teng asked with a smile.

Chu Heng, who was at the side, added, “Brother Qin, we have great respect for you. You must not reject us.”

Qin Yu thought for a moment.

It was a good opportunity to tell them his intention to go to the Scripture Depository.

These young masters of aristocratic families had seen the scripture depository before. They must know something.

Therefore, Qin Yu nodded and said, "Okay."

Chapter 819: Chapter 819, the secret of the Scripture Pavilion

Qin Yu followed behind Zhuang Teng and walked in a certain direction.

On the way, Zhuang Teng could not help but ask with some doubt, "Brother Qin, did you really kill Granny Qin?"

Qin Yu glanced at him and shook his head. "No."

"Brother Qin has always kept a low profile," Chu Heng said with a smile.

Qin Yu did not explain. He knew that it was useless to explain.

As they spoke, they came to a pavilion.

There was a stone table in the pavilion. The table was already filled with people.

Almost all the young masters of the aristocratic families of Jingdu were gathered here.

Other than Zhuang Teng and Chu Heng, Chu Hedao, Kong Yun, Yao Meng, Xiao Yuan, and the others were all gathered here.

Qin Yu couldn't help but frown.

He subconsciously glanced at Zhuang Teng and seemed to understand what these people meant.

These people clearly recognized Qin Yu and wanted to pull Qin Yu into their so-called circle.

“Brother Qin!” After seeing Qin Yu, Xiao Yuan stood up and cupped his hands with Qin Yu.

Qin Yu bowed slightly as a return gift.

Then, he casually found a seat and sat down.

“Qin Yu, you are truly glorious now. Even Granny Qin died at your hands,” someone said from the side.

“That’s right. Granny Qin has roamed the Jingdu for so many years. No one would have thought that she would die at the hands of a junior.”

“Sigh, I originally thought that you came from a humble background and couldn’t achieve great things, but I didn’t expect you to have come to this stage today.”

Hearing everyone’s flattery, Qin Yu did not say a word.

He was not interested in the circle of the young masters of Jingdu, and he did not have a good impression of them. Naturally, he did not say much.

“Why isn’t Yan Jinyao Here?” At this moment, Qin Yu suddenly realized something.

As expected, Yan Jinyao was nowhere to be seen.

“I heard that Yan Jinyao is in closed door cultivation,” Kong Yun said.

“Closed-door cultivation?” Qin Yu frowned slightly.

“Breaking through to the half-step martial saint?”

“Not really. He should be breaking through to the perfect stage,” Xiao Yuan continued.

Qin Yu nodded.

It seemed that he should find time to go into closed-door cultivation after this period of time.

“Oh, right.” At this moment, Qin Yu looked at the crowd.

“I heard that everyone has entered the Scripture depository before, right?”

Yao Meng was the first to nod and say, “En, normally speaking, everyone present should have entered the scripture depository before, but the number of times is different. I’ve only entered it three times.”

“Like Yan Jinyao, he should be the person who has entered the scripture depository the most times.”

Xiao Yuan also nodded slightly and said, “En, the Yan family’s business is huge. Ordinary people can’t compare to him.”

Qin Yu swept his gaze over everyone and continued, “I’m very curious, what exactly is in this scripture depository, and what did everyone obtain inside?”

“Haha, Brother Qin, you don’t know this,” Zhuang Teng said with a faint smile.

“The reason why the Scripture Pavilion is called the Scripture Pavilion is because it has been passed down from Buddhism to the Jingdu Martial Arts Association.”

Qin Yu exclaimed, “Passed down from Buddhism? That is to say, all the records in the Scripture Pavilion were not compiled by the Jingdu Martial Arts Association?”

“Of course not. The JINGDU martial arts association has only been there for a few years. How could they record so much martial arts history?” Someone beside him shook his head.

“However, the JINGDU martial arts association has indeed supplemented the scripture pavilion over the past few years. Compared to the past, the current scripture pavilion is even more abundant.”

This immediately made Qin Yu even more interested in the scripture pavilion.

“Speaking of which, the records in the Scripture Pavilion should be the most comprehensive. be it spells or the history of martial arts development,” Zhuang Teng said in a deep voice.

“That’s right.” Kong Yun, who had been silent all this time, also nodded his head.

“Unfortunately, I’ve only been there three times. What I’ve seen and heard can’t be considered much.”

It could be seen that everyone present was full of yearning for the scripture pavilion.

Seeing this, Qin Yu immediately took the opportunity to say, “Everyone, are you interested in entering the scripture pavilion again?”

“Brother Qin, I don’t think anyone can resist the temptation of this scripture pavilion, right?”Xiao Yuan said with a smile.

Qin Yu stood up and said, “If that’s the case, then please follow me to the JINGDU martial arts association to apply.”

“As the first batch of martial arts academies, we should have the qualifications to enter the Scripture Pavilion.”

“And you are all descendants of the various aristocratic families. I believe that the Jingdu martial arts association may not be able to withstand your pressure.”

As soon as these words were said, everyone immediately looked at each other.

“Brother Qin, are you serious?”Yao Meng said in surprise.

“Of course. All of you have at least entered the scripture depository, but I haven’t been there once,”Qin Yu said.

Everyone was silent for a moment. At this time, Xiao Yuan stood up and said, “I agree with Brother Qin.”

“That’s right. He, Yan Jinyao, can enter the Scripture depository many times. Why Can’t we?”Kong Yun also said.

A stone creates a thousand ripples. Everyone agreed with Qin Yu’s words.

Seeing this, Qin Yu stood up and said, “Then don’t waste time. Let’s set off now and go to the Jingdu Martial Arts Association.”

A group of people immediately followed behind Qin Yu and walked towards the Jingdu Martial Arts Association.

Arriving at Xia Hang's office, under Qin Yu's lead, everyone expressed their thoughts one after another.

Xia hang and Qin Yu had already communicated with each other. Now that all the young masters of each family had requested to enter the Scripture Pavilion, Xia hang naturally went with the flow.

"I will carefully consider this matter," Xia hang pretended to say.

"How about this, you guys go back first. I will give you an answer as soon as possible."

Qin Yu said intentionally or unintentionally at the side, "Try to be as fast as possible. Don't waste our time."

Xia hang was silent for a moment and said, "Normally, I can't make the decision for this kind of thing. But now that Granny Qin is dead, I can only temporarily take the lead."

"Since everyone is so eager, then I'll make the decision. Tomorrow Morning at eight o'clock, we'll gather at the Martial Arts Academy."

"Thank you, President Xia!" Everyone was instantly overjoyed.

After walking out of the Jingdu Martial Arts Association, everyone said in surprise, "Brother Qin, I didn't expect Xia hang to really agree."

"Yeah, Brother Qin is really capable!"

Qin Yu also smiled and said, "It has nothing to do with me. It's mainly because the family behind everyone has played a role."

Of course, these words were just a humble sentence.

After greeting everyone, Qin Yu was ready to leave.

“Brother Qin.”

At this moment, Yao Meng suddenly chased after him.

Qin Yu glanced at her and said, “Miss Yao, what’s the matter?”

Yao Meng said in a deep voice, “It’s said that Ruoxue was taken away by you. Is that true?”

“Yes.” Qin Yu did not hide anything.

Yao Meng continued, “You went to the Scripture Depository also for Ruoxue?”

Qin Yu frowned and finally nodded, “Yes, what exactly do you want to ask?”

“Miss Yao wants to remind you that Yan Ruoxue is not safe in your hands. Once she leaves the second secret realm, countless people will target her.”

Just as Yao Meng was about to speak, a young man walked over.

This young man was none other than the Wan Gu Qiong whom she had seen last time.

Chapter 820: Chapter 820, do you think I will believe you?

Looking at Wan guqiong behind him, Qin Yu frowned slightly.

“Mr. Qin, we meet again,” Wan guqiong said politely.

Qin Yu nodded to him and said, “What do you mean?”

Wan guqiong smiled and said, “You should know that Yan Ruoxue has a special bloodline. This bloodline is extremely powerful. Whoever can get Yan Ruoxue will be able to build a super powerful sect.”

Qin Yu didn't say anything, indicating for Wan guqiong to continue.

“Therefore, many sects and forces in the world will target her,” Wan guqiong continued.

Qin Yu nodded slightly. He looked at Wan Guqiong and said with a faint smile, “You said that Yan Ruoxue is not safe by my side. What should I do in your opinion?”

Wan guqiong said with a faint smile, “Mr. Qin, to tell you the truth, I also come from a secret realm.”

“Yes.” Qin Yu was not surprised by this.

Wan guqiong continued, “The safest thing is to take her to a secret realm. Of course, if Mr. Qin is willing, you can come with me.”

As soon as he said this, Qin Yu's impression of Wan Guqiong was greatly reduced.

Qin Yu simply could not believe this wan guqiong.

Moreover, the two of them were not related, so how could he be kind enough to help him.

“There’s no need,”Qin Yu said without hesitation.

Wan guqiong smiled and said, “Mr. Qin, are you worried about me? Miss Yao and I are friends.”

“Yes, Mr. Wan is trustworthy,”Yao Meng also said.

Qin Yu narrowed his eyes slightly.

He stared at Yao Meng in front of him and said with a faint smile, “Miss Yao, to be honest, I have a good impression of you before this, but since you said that... Sorry, you’d better stay away from me in the future.”

After saying that, Qin Yu turned around and left.

A trace of surprise flashed across Yao Meng’s beautiful eyes. She hesitated for a moment and then quickly caught up with him.

“Mr. Qin, do you think that I Covet Ruoxue’s Blood?”Yao Meng frowned slightly.

“Is it important whether it’s true or not?”Qin Yu sneered.

“I risked my life to bring Ruoxue out. Do you think I’ll trust you with her?”

“Mr. Qin, you have misunderstood our meaning.”Wan guqiong followed.

“I originally wanted to provide you with a place to live. After your martial saint power disappears, the Jingdu martial arts association will not let you off.”

Qin Yu sneered, “Don’t worry about it. I have my own countermeasures.”

“Also, I warn you, it’s best not to have any ideas about Yan Ruoxue. As long as there are people who are involved with Yan Ruoxue, I will not let any of them off.”

Wan guqiong and Yao Meng looked at each other and were speechless for a moment.

After Qin Yu went back, he took out his phone and made a call to the Mustache Man.

“How is it? is your teleportation array ready?”Qin Yu asked.

The mustache man mumbled, “It’s not that fast. Just wait!”

After saying that, the Mustache Man angrily hung up the phone.

Qin Yu sat in this huge mansion, feeling a little worried.

He had a feeling that things were not that simple.

At this moment, Qin Yu suddenly felt a figure appear outside.

“Who? !”Qin Yu hurriedly stood up, and his internal Qi suddenly erupted.
