

My Rich Wife – Chapter 1036 – Chapter 1, 036, the battle against Star Seizer! –

Chapter 1036: Chapter 1, 036, the battle against Star Seizer!

Qin Yu's heart was extremely complicated when it came to star seizer.

He was not a simple bad person like Gu Xinghe. There was still a trace of conscience in his heart.

“Hu...”Qin Yu took a deep breath and lay down on the chair.

He would take things one step at a time. Since he had taken the initiative to come to his door, he could only accept the challenge.

That afternoon.

Jiang he and Xu Huaigu rushed to the Heaven Gate.

Naturally, they had heard of the news that Zhai Xing was coming.

The purpose of coming to the Heaven Gate this time was also very clear. He was here to assist Qin Yu.

In the room, three people sat at a table.

“Zhai Xing is very powerful. He had already stepped into the advanced stage of the Martial Saint Realm many years ago. Even in that era, he was still an outstanding person,”Jiang he said.

Xu Huaigu nodded slightly and said, “Speaking of which, Zhai Xing is our senior. Before the appearance of the mystic realm, he was indeed a rare powerhouse.”

Qin Yu remained silent. Of course, he knew Zhai Xing’s strength.

“When the time comes, I will fight with you against Zhai Xing,” Jiang he said.

“That’s not necessary.” Qin Yu shook his head.

“Senior Jiang he, I am not afraid of Zhai Xing. It’s just that... I don’t want to kill him.”

These words couldn’t help but make Jiang he and Xu Huaigu look at each other.

Don’t want to kill Zhai Xing? These words were really arrogant.

“If the two seniors want to help me, why don’t you come with me to conquer the second secret realm?” Qin Yu suggested.

He looked at Jiang he, his eyes filled with anticipation.

Qin Yu had also heard of Jiang he’s story.

Back then, he was also a person who resisted the martial arts association in Jingdu, but later on, he declined.

Qin Yu believed that there was still a ball of fire in his heart, a ball of fire that resisted.

“Let’s take care of the matter at hand first.” Jiang he slowly shook his head.

Qin Yu smiled bitterly.

It seemed that star seizer was indeed powerful enough in their hearts.

Even Jiang he, who thought that Qin Yu would be invincible, had no confidence now.

Qin Yu was not in a hurry.

The four gates of heaven were wide open. Qin Yu was in the sect, quietly waiting for the arrival of Zhai Xing.

Before Zhai Xing arrived, there were already many martial artists lurking around the Heaven Gate.

No one wanted to miss such a unique battle.

In the following days, Qin Yu swept the ground and drank tea in the yard every day. When he had nothing to do, he would play with the birds and Hum a little tune, as if he had retired early.

Qin Yu’s leisurely attitude naturally caused a heated discussion.

He originally thought that Qin Yu should be sitting in full swing, preparing and deploying before the battle. Who would have thought that Qin Yu would actually be so relaxed.

Another two days passed.

At the entrance of the Heaven Gate, a figure appeared.

This person was tall and had a resolute expression.

Standing there, he was like a lofty and immovable mountain.

This person was none other than the famous Zhai Xing!

The people hiding in the dark had chosen their positions one after another, afraid that they would miss this great battle.

“Zhai Xing is Here! It’s even faster than I thought!”

“This great battle has finally arrived.”

“I don’t know who is stronger, the top martial saints of the older generation or the peerless geniuses of the new generation.”

There were even people who opened the betting forum and placed bets.

Zhai Xing stood at the entrance. No one dared to approach him.

He was not in a hurry to enter either. He just stood there and waited quietly.

“Sect leader, it’s bad. Zhai Xing is Here!”

A disciple ran in hurriedly. His face was filled with panic.

Qin Yu put down the broom in his hand and muttered in a low voice, “What should come will come...”

After saying that, his eyes looked in the direction of the mountain gate, and a bright light shot out!

Zhai Xing, who was standing at the door, also looked at Qin Yu at the same time!

Even though the two of them were far apart, at this moment, their gazes were colliding!

Qin Yu seemed to have shifted his position and arrived in front of Zhai Xing in the blink of an eye.

The two of them were less than five meters apart, one tall and one short, one old and one young, forming a sharp contrast.

Their eyes met, and the two of them did not speak for a long time.

“Zhai Xing, you’re finally here.” Finally, Qin Yu was the first to speak.

Zhai Xing said coldly, “What else? You should know in your heart that there will definitely be a battle between you and me.”

Qin Yu frowned and said, “Zhai Xing, as a senior, who is wrong and who is right? Don’t you know in Your Heart?”

“That has nothing to do with me!”

Zhai Xing appeared extremely excited when this topic was brought up.

He said coldly, “I only know that I work for the second Mystic Realm.”

Qin Yu sighed and said, “Zhai Xing, you should know that the current you is not my match.”

When these words were said, everyone was shocked!

Although they were far away, these words had entered everyone’s ears!

They turned pale with fright, unable to lower their tongues!

Qin Yu was actually so confident and arrogant?

Facing the top experts of the older generation, he actually dared to say such words?

“That’s right.”

Under everyone’s gazes, Zhai Xing nodded and admitted Qin Yu’s arrogant words!

This instantly caused everyone’s eyes to widen!

They seemed to not dare to believe their ears!

Zhai Xing actually admitted that he was inferior to Qin Yu? How was this possible?

“I don’t want to kill you,” Qin Yu said slowly with his hands behind his back.

Zhai Xing narrowed his eyes and said coldly, “Your strength is indeed far superior to ordinary warriors, but the great battle changes in an instant. No one knows the outcome until the end.”

Qin Yu's frown became tighter and tighter.

He raised his head to look at Zhai Xing and said, "Why do you have to work for the Jingdu Martial Arts Association?"

"Cut the crap. I don't want to destroy your sect," Zhai Xing coldly said.

Qin Yu's expression also gradually turned cold.

"In that case, I can only respectfully comply." Qin Yu's body emitted a rare chill..

Chapter 1037: Chapter 1,037, true strength

Star Seizer didn't say anything more. His feet shook, and his body shot out.

Qin Yu didn't hesitate at all and immediately followed.

"Quick, the two of them have changed places. Quickly chase after them!"

The crowd hidden in the dark surged out like a tide and sped away!

Soon, the two of them arrived at an empty land.

Zhai Xing seemed to have chosen a place long ago. This place was like a wasteland, devoid of human life.

Qin Yu looked coldly at Zhai Xing and said, “Are you choosing a graveyard for yourself?”

“It’s not certain whose graveyard it is,” Zhai Xing said coldly.

“There’s no need to say more. Let Me See just how capable you are as a genius of the new era!”

After he finished speaking, the internal Qi on Zhai Xing’s body erupted!

His muscles instantly swelled up, and his already sturdy body instantly became even thicker!

Qin Yu was slightly shocked when he sensed the internal Qi on Zhai Xing’s body.

It had to be said that Zhai Xing’s strength far surpassed that of the other martial saints!

Other than immortal crane, he was practically the most powerful opponent Qin Yu had ever seen!

“Qin Yu, if you die today, don’t blame me!” Zhai Xing said coldly and shot at Qin Yu with his thick body!

His extremely fast speed brought up gusts of wind!

In a breath’s time, Zhai Xing had already arrived in front of Qin Yu!

Qin Yu naturally did not dare to be negligent. He clenched his fist and welcomed him!

With just one punch, the shaking ground began to collapse. Smoke and dust surged up like a fountain!

“Bang Bang Bang!”

The two did not use any magnificent spells. They relied on their powerful bodies to collide!

Each collision was like a bomb exploding in the sky, deafening!

In the blink of an eye, the two had exchanged dozens of punches!

Everyone was dumbfounded.

With such speed, it was already very difficult to see clearly with the naked eye!

“So Powerful!” Someone exclaimed.

“It seems like the two are evenly matched.”

“Qin Yu has just entered the martial saint realm, but he can fight to the death with a late-stage martial saint! No wonder the Jingdu martial arts association has always wanted to get rid of him!”

“After this battle, Qin Yu will definitely be famous throughout the world.”

“Boom!”

Just as everyone was discussing, another fist collided!

The two froze in mid-air, and between their fists, streams of flames collided.

“Chaotic body indeed lives up to its reputation,” Zhai Xing said coldly.

Qin Yu said in a deep voice, “Your strength is also stronger than I imagined.”

“No need to talk nonsense. Let’s end this quickly.” Zhai Xing withdrew his fist and took a step back.

Qin Yu looked at Zhai Xing and said, “I know your strongest technique. Use your star picking hand to fight.”

“I don’t need to deal with you!”

Zhai Xing shouted. He formed the sun and moon seal with both hands. The two seals slammed together and rolled toward Qin Yu like a chariot!

The Sun and Moon Seal was like a millstone, covering the sky and covering the sun as it rolled toward Qin Yu!

Everyone turned pale with fright and quickly retreated, afraid that they would be affected.

Qin Yu looked at the rolling seal and did not dare to hide his strength anymore.

He roared and golden light burst out from his body. His spiritual power instantly reached its peak!

“Absolute beginning Sacred Fist!”

Qin Yu waved his fists. Every joint of his arms seemed to be glowing!

The two’s moves were open and powerful. In a trance, it was as if they were on an ancient battlefield, with thousands of soldiers and horses galloping!

“Boom!”

The collision of the two techniques instantly crushed this piece of wasteland into dust!

The seal of the sun and moon began to shatter, then turned into specks and shot out in all directions!

Bang! Bang! Bang

Those who could not dodge in time were instantly taken away with their divine sense!

Jiang he and Xu Huaigu quickly took action and displayed their divine abilities, protecting everyone within and avoiding a calamity!

Looking at the shattered seal of the sun and moon, Zhai Xing could not help but Roar in fury.

His two iron fists collided, and a terrifying radiance erupted between them!

The radiance transformed into a strange phenomenon, and an ancient and grand scene crushed towards Qin Yu!

This was a true great divine ability, a divine ability that Qin Yu, Jiang He, and the others had yet to comprehend!

That scene stirred up the Qi of the Great Dao, and was incomparably heavy. It was as if a real world had completely smashed onto Qin Yu's body!

In an instant, the ground under Qin Yu's feet instantly shattered!

His body was almost pushed to the limit, and all of his spiritual power surged out!

“Ah! !”

Qin Yu roared repeatedly, but it was still difficult to stop the crushing of this abnormal phenomenon!

“What kind of spell is this? It's as if it's going to crush this world!” Xu Huaigu could not help but be alarmed when he saw this.

Jiang he said in a deep voice, “I've heard of such an ancient great divine power, but I've never seen it before. It's said that a strand of internal Qi from the abnormal phenomenon is as heavy as ten million Jin!”

Just as Jiang he said, the strand of internal Qi from the abnormal phenomenon instantly collapsed the ground!

The weight of the entire abnormal phenomenon that Qin Yu was carrying could be imagined!

Blood seeped out of Qin Yu's pores, and his body seemed to have withstood it to the extreme!

“One punch can break ten thousand arts!”

At this critical moment, Qin Yu instantly unleashed his trump card and smashed a single hand at the phenomenon!

“Boom!”

Under such a terrifying power, star Seizer’s great divine ability also began to tremble!

The world within the phenomenon seemed to be about to collapse!

Qin Yu took the opportunity to draw out his bronze sword and raised his hand to unleash the nine absolute beginning slashes!

With a slash of the sword, the anomaly was instantly cut into two pieces, and then it was reduced to ashes!

Qin Yu panted heavily as he stood in the distance and looked at Zhai Xing.

Zhai Xing’s expression was calm, as if he had long expected that this technique would not be able to kill Qin Yu.

“I didn’t expect you to be able to hold on for so long,” said Zhai Xing.

Qin Yu wiped the blood that flowed down from his body and said, “I also didn’t expect you to force out my trump card so quickly.”

Zhai Xing had a trace of self-mockery on the corner of his mouth. He said coldly, “Let me see your true strength.”

Qin Yu was startled, then nodded and said, “Okay..”

Chapter 1038: Chapter One Thousand and thirty-eight, the intention to pluck the stars

The conversation between the two of them could not help but cause the crowd to be even more shocked!

Such a large scale battle was actually not Qin Yu’s true strength?

Could it be that he was not at the early-stage of the martial saint?

As they spoke, the internal Qi on Qin Yu’s body began to rise rapidly!
His body was quickly dyed a golden color!

The surrounding temperature also rose, and even the traces of blood on Qin Yu’s body were quickly evaporated!

With Qin Yu as the center, streams of dragon-like internal Qi spread out in all directions.

Tens of thousands of great dao lingered around Qin Yu’s body.

When he felt the torrential flames erupting from Qin Yu’s body, even Zhai Xing’s expression changed slightly.

He had long guessed that Qin Yu’s strength was beyond his imagination, but he did not expect him to be this powerful!

“It is said that the chaotic body is only at the powerful stage after the martial saint. Now it seems that it is true,” Zhai Xing said in a low voice.

Qin Yu was slightly surprised, “There is such a saying?”

“As a chaotic body, don’t you know?” Zhai Xing said with a frown.

Qin Yu said with a bitter smile, “I don’t have a master, who will tell me these things? Why don’t you and I stop fighting and make peace, and you can tell me about it?”

“Stop dreaming, let’s end this quickly,” Zhai Xing said coldly.

Qin Yu frowned and said, “Even so, do you still want to fight with me? Why do you have to protect the Gu family? What benefits did the Gu family give you?”

“Cut the crap!”

Zhai Xing interrupted Qin Yu’s words with an angry roar and then shot over!

Qin Yu did not fight back. He just kept dodging with his agile movement technique.

“Zhai Xing, stop. I don’t want to kill you,” Qin Yu said as he retreated.

“Kid, don’t look down on me!” Zhai Xing roared and a fluorescent light rapidly condensed on his palm!

Although this fluorescent light could not compare to the star picking hand, its speed was extremely fast, and in the blink of an eye, it condensed to 1

“Boom!”

Zhai Xing extended his palm, and several fluorescent lights directly stuck onto Qin Yu’s body and exploded!

Such a terrifying power, even Qin Yu could not withstand it.

He was directly sent flying, and a large crater was created on the ground!

Zhai Xing seized the opportunity to pursue, and his palm exploded with a destructive brilliance, blasting towards Qin Yu!

Under such a scale of attack, the entire ground began to collapse!

The residual power that was emitted from it even shattered Xu Huaigu’s protective barrier!

“Retreat!” Jiang he said in a deep voice.

The numerous martial artists did not dare to be negligent and all shot backward!

Zhai Xing looked coldly in the direction of Qin Yu, his eyes slightly narrowed.

He knew that this attack could not kill Qin Yu at all.

“Whoosh!”

Very soon, Qin Yu shot out explosively.

His long hair fell to his shoulders, his clothes were tattered, and there were traces of internal Qi on his body. However, his aura was terrifyingly strong!

“If you don’t make a move now, you won’t be able to make it in time,” Zhai Xing said coldly.

He raised both his hands, and stars-like rays of light began to condense between his fingers!

This was Zhai Xing’s famous ultimate skill, the star picking hand!

The power of the star Seizer was extremely terrifying. Even the white bones of the sky blood rainbow could not withstand it!

Qin Yu was also fully aware of the power of this technique. He adjusted his internal Qi, but his expression was still calm, and even a little excited!

“Star Seizer!”

Accompanied by Star Seizer’s furious roar, the ten stars-like rays of light swept towards Qin Yu!

The brilliance drowned the world and shook the world!

Those stars seemed to be about to collapse the heavens and the earth completely collapsed!

Qin Yu's face was blown by the internal qi and almost distorted. However, his body forcefully endured this power and stood on the spot without moving at all!

“TSK TSK, this kid is actually so strong.”

In the dark, the mustached man had unknowingly come to watch the battle. He was hugging a big tree like a monkey.

“I don't know how many martial saints have died at the hands of the star-seizing hand. It is said that not many people of the same level can withstand the star-seizing hand,” Jiang he said in a low voice.

“Yes.” Although Xu Huaigu did not speak much, his expression was horrifyingly ugly!

Qin Yu looked at the ten stars that were shooting towards him. His hands began to move as if he was going to use some kind of spell!

“Seven grief void Palm!”

Qin Yu roared loudly, and his hands formed a huge palm print!

This palm print was instantly sent out, and it met the ten stars!

“Boom!”

This was an unprecedented collision, and the entire ground seemed to be overturned, and Wisps of divine might quickly spread out!

Who knew how many people suffered because of this, and they were shaken until they vomited blood continuously!

The handlebar mustache that was holding onto the big tree and watching was blown away along with the tree branches!

“Qin Yu, Your Grandpa!” The handlebar mustache could not help but curse!

On the battlefield, the palm print was actually penetrated and continued to roll over!

Qin Yu waved his hand and another palm strike!

Seven Grief Void Palm, a total of seven palm strikes!

The second palm strike shattered a star!

The third palm strike, the nine star lights seemed to be unable to withstand it and began to shatter!

The fourth palm strike instantly absorbed the star lights and turned to strike at Zhai Xing!

The fifth palm followed, and two palm prints ruthlessly struck Zhai Xing's body!

“Pu!”

Zhai Xing was instantly struck back repeatedly, vomiting blood non-stop!

Qin Yu raised both hands, but did not rush to strike out the remaining two palms.

He still held a trace of hope in the bottom of his heart, hoping that Zhai Xing would fall down and not stand up again.

But unfortunately, the stubborn Zhai Xing forced himself to stand up! He even planned to use the star picking hand a second time!

Qin Yu could not help but fly into a rage. He immediately struck out with his sixth palm!

With this palm strike, Zhai Xing's body began to shatter, turning into a bloody mess!

His body shot up explosively. Blood dyed the sky, and then he fell to the ground!

Qin Yu's brows were tightly knitted. He strode forward and said in a low voice, "Don't stand up again."

"As long as I'm not dead, I'll definitely fight you to the end!" Zhai Xing staggered up and walked in front of Qin Yu again.

Qin Yu could not help but feel a little angry.

He shouted, "What on Earth do you want? Do you really want me to kill you?!"

Zhai Xing did not answer this question. He took a deep breath and then raised his head and roared, "Today, I brought the Soul Bell. I will definitely kill you!"

"Once the soul bell is activated, humans and animals will be indistinguishable. Qin Yu, you're dead for sure!"

Zhai Xing's voice was extremely loud, causing Qin Yu's ears to hurt.

The people watching from afar naturally heard this as well.

“Not good, this Zhai Xing has gone crazy! He actually wants to activate the Soul Bell!”

“Hurry up and run! Otherwise, I'm afraid he'll die here!”

“Soul Bell?” The handlebar mustache stroked his chin, and a trace of greed flashed in his eyes.

As for Jiang he, who had been watching the battle, his expression didn't look too good.

He seemed to understand the intention of picking stars..

Chapter 1039: Chapter 1,039, return the favor

He was obviously exhausted, yet he wanted to shout loudly.

This was clearly a warning to the surrounding crowd to disperse as soon as possible!

Thinking of this, Jiang he's expression became even more unsightly.

Qin Yu also realized that something was wrong, but in the midst of a great battle, how could he be distracted to think carefully!

He only knew that the soul bell was one of the top spiritual artifacts in the second mystic realm, and its power was endless!

“Humans and animals are indistinguishable...”Qin Yu’s expression was a little ugly.

He looked around and shouted, “Hurry up and retreat!”

“It’s useless. The coverage of the soul bell is extremely wide. How far can they retreat?”Zhai Xing looked at Qin Yu coldly and said.

Qin Yu’s face was full of frost as he shouted, “Zhai Xing, why do so many people have to be involved in the grudge between us? !”

“I can’t care about that!”Zhai Xing said angrily.

“I only know that I want to serve the second secret realm!”

After saying that, he held the soul bell in his hand and slowly swung it!

“I won’t let you have your way!”Qin Yu was furious. He executed the ‘xing’ character and stepped forward in an attempt to snatch the soul bell from Zhai Xing’s hand!

However, Zhai Xing had already taken precautions. He shifted his position and retreated. His body appeared in midair in an instant!

“Once the soul bell is activated, the top-tier will sweep through all directions. Humans and animals will be indistinguishable! Qin Yu, you can’t save anyone!”Zhai Xing said coldly.

Even though he said so, the Soul Bell had not been activated for a long time!

The surrounding crowd walked further and further away. Jiang he originally wanted to advise him, but in the end, he sighed slightly.

He understood Zhai Xing too well.

He was a combination of contradiction and stubbornness.

He had good intentions, but he was also stubborn to serve the second mystic realm.

The best ending for Star Seizer was to die in battle for the Second Mystic Realm.

Jiang he let out a long sigh, turned around, and left.

The crowd grew further and further away. The Soul Bell in Star Seizer's hand also began to emit strands of heavy and extremely strange aura.

That Aura hung down from the Soul Bell, and the Soul Bell also became incomparably large in an instant! The internal Qi of the Soul Bell also became incomparably large!

Just the instant it was activated, Qin Yu felt a strong sense of oppression!

It was as if thousands of Great Dao had instantly landed on his body!

“Qin Yu, today you will die without a doubt!”Zhai Xing said coldly.

Qin Yu's expression was solemn. He revealed his saintly body technique and did not dare to hide any more trump cards.

At the same time, Qin Yu clenched his fists. He planned to rely on one punch to break ten thousand techniques to resist this soul bell!

“Rumble...”

There seemed to be a great dao rumbling within the soul bell, shaking the world.

Zhai Xing held the Soul Bell with his hand, as if a God had descended!

“Die!”

Accompanied by Zhai Xing’s furious roar, he raised his hand and slammed it fiercely onto the soul bell!

“Dang!”

Waves of extremely tyrannical internal Qi swept towards Qin Yu like sound waves!

Qin Yu’s body was directly pushed back from a great distance!

He did not dare to be negligent and raised his hand to break all the internal Qi!

Internal Qi surged onto his right fist, and golden light erupted from his fist like a Jet!

“Boom!”

The sound shook the sky, and the Great Dao rumbled. It was as if even the void was about to be shattered!

The internal Qi emitted by the soul bell penetrated his body and instantly pushed him back more than a hundred meters!

The layer of skin on his body seemed to have been burned off! The residual power emitted by the soul bell was still spreading in all directions!

Qin Yu couldn't care less about the pain in his body. He shouted and jumped up from the ground. His fists moved quickly and threw out golden seals!

The Soul Bell in Zhai Xing's hand didn't hit him a second time!

Qin Yu's golden seal hit Zhai Xing's body hard, and his body was instantly slammed into the ground!

Under this palm strike, Zhai Xing was severely injured and his internal Qi was weak!

He quickly put away the soul bell as if he was afraid that the Soul Bell would fall into Qin Yu's hands!

Qin Yu was afraid that Zhai Xing would activate the soul bell again. He did not dare to waste any more time and quickly rushed towards Zhai Xing. He raised his hand and summoned the five mountains, pressing down on Zhai Xing's body!

Zhai Xing wanted to get up, but the five mountains weighed thousands of kilograms. No matter how much he struggled, he did not move an inch!

Qin Yu looked at Zhai Xing and said in a deep voice, "Zhai Xing, why did you activate the Soul Bell?"

Zhai Xing said fiercely, “Kill me if you have the ability!”

Qin Yu was speechless.

He could not figure out why Zhai Xing was so excited.

“If you don’t kill me, I will definitely kill you!” Zhai Xing’s eyes were wide open and bloodshot!

Qin Yu was silent for a long time. Finally, he put away the mountain of the five peaks.

“You have let me go twice. I will let you go this time,” Qin Yu said.

“Hurry up and leave. If you are a wise person, don’t return to the second mystic realm.”

With that, Qin Yu turned around and planned to leave.

“This is already the second time!”

However, at this moment, Zhai Xing used his internal Qi to charge at Qin Yu again!

Qin Yu turned around and slapped Zhai Xing away again!

“Why did you do this!” Qin Yu said angrily!

Zhai Xing spat out blood and said coldly, “Cut the crap. You have already returned my favor... no matter what, I will kill you!”

He struggled to get up and staggered towards Qin Yu!

Qin Yu stood there motionlessly.

With Zhai Xing's current state, he was no longer a threat to him.

With great difficulty, he walked in front of Qin Yu, raised his palm, and slapped it towards Qin Yu.

However, that palm had already lost its strength, so how could it injure Qin Yu's steel body?

Zhai Xing's hand landed on Qin Yu's chest, and then fell straight down.

He fell to the ground and did not get up again.

Looking at Zhai Xing who was covered in blood, Qin Yu could not help but feel a bit of pity in his heart.

He sighed and turned around to leave.

However, after taking a few steps, he returned to Zhai Xing's side.

"I don't believe that you are a cruel person." Qin Yu carried Zhai Xing on his back and then strode towards the Heaven Gate.

Countless people had gathered in the Heaven Gate.

There were disciples of the Heaven Gate as well as martial artists who had come to watch the battle.

They were all waiting, waiting for the result of this battle.

"Qin Yu is back!"

At this moment, someone shouted and everyone hurriedly looked over.

Jiang he, who had his eyes closed, opened his eyes in an instant.

Qin Yu carried Zhai Xing on his back and walked back step by step..

Chapter 1040: Chapter 1, 040, the true power of the Soul Bell!

“Qin Yu has won!”

Cheers erupted from the crowd!

The crowd was overjoyed and kept shouting!

The disciples in the mystic realm couldn't help but sigh.

Even Zhai Xing had lost. How could their Mystic Realm Stop Qin Yu's invincible power?

Amidst the shouts, Qin Yu didn't say a word. He carried Zhai Xing on his back and passed through the crowd, returning to his room.

“Go and call Xiao Qing over.” Qin Yu placed Zhai Xing on his bed and said coldly.

After saying this, Qin Yu raised his palm again and placed it on Zhai Xing's chest.

Strands of internal QI entered Zhai Xing's body.

After a series of examinations, Qin Yu's expression could not help but change slightly.

He saw that Zhai Xing's meridians were all broken, and he was severely injured!

However, Qin Yu was very clear in his heart that his moves could not possibly injure Zhai Xing to such a state!

“What's going on?” Qin Yu could not help but frown.

Could it be that he had already been injured before Zhai Xing arrived?

Qin Yu did not dare to be negligent. His fingers tapped on several of Zhai Xing's acupoints, temporarily protecting Zhai Xing's heart meridian.

He looked at the extremely weak Zhai Xing and could not help but smile bitterly. “Fortunately, I'm here. Otherwise, you might really die in the wilderness.”

At this moment, Jiang he walked in from outside the door.

Seeing this, Qin Yu hurriedly stood up and said, “Senior Jiang He.”

Jiang he nodded. He looked at Zhai Xing on the bed and said, “Is he okay?”

Qin Yu frowned and said, “Zhai Xing's condition is very strange.”

After saying that, Qin Yu told Jiang he about his diagnosis.

After hearing it, Jiang he was not too surprised. Instead, he raised his head and looked at Qin Yu.

“Don’t you feel that this battle is a little strange?” Jiang he asked.

“HMM?” Qin Yu frowned slightly.

After hearing Jiang he’s reminder, Qin Yu seemed to have noticed something strange.

For example, when Zhai Xing activated the soul bell, he shouted repeatedly. Then, when he could have activated the soul bell a second time, he didn’t stop for a long time.

All of this didn’t match with Changqing.

“Senior Jiang he, could it be... Zhai Xing did this on purpose?” Qin Yu said in a low voice.

Jiang he did not make any hasty conclusions regarding this.

Qin Yu’s frown became tighter and tighter.

Why did Zhai Xing do this? What was the point?

At this moment, Little Qing walked in from outside the door.

“Little Qing, come over quickly.” Qin Yu hurriedly waved at Little Qing.

Little Qing walked to Qin Yu’s side. When she saw Zhai Xing on the bed, she could not help but turn pale with fright.

“Master Zhai Xing!” Little Qing covered her mouth and cried out in a small voice.

Qin Yu glanced at her and said, “You know her?”

“Of course. No one in the second secret realm doesn’t know Master Zhai Xing,” said Little Qing.

Qin Yu was even more surprised.

From Little Qing’s tone, she seemed to have a good impression of Zhai Xing.

“Can you tell me the story of Zhai Xing?” Qin Yu pulled a stool and let Xiao Qing sit down.

Xiao Qing nodded and then told Qin Yu everything she knew and heard.

After a short exchange, Qin Yu learned that Zhai Xing was quite popular in the second secret area.

Whether it was the Gu family’s team or the ordinary warriors.

There was only one reason, and that was that Zhai Xing treated people very kindly and did not put on airs.

Other than the title of Master Zhai Xing, Zhai Xing also had another title, and that was General Zhai Xing.

There was no other reason, only because Zhai Xing controlled most of the martial artists in the second mystic realm.

“If it wasn’t for Master Zhai Xing, the Gu family would have long lost the hearts of the people,” said Little Qing.

Qin Yu was slightly surprised and said, “Why do you say that?”

Xiao Qing said with a wry smile, “The father and son of the Gu family are the same. They rely on their strength to do whatever they want in the second mystic realm.”

“As long as the women in the second mystic realm reach a certain age, they will definitely be brought to the palace and be chosen by the father and son of the Gu family.”

“If it weren’t for Master Zhai Xing insisting on abolishing this rule, I’m afraid I would have become a plaything for the father and son of the stock price.”

After hearing Xiao Qing’s words, Qin Yu’s impression of Zhai Xing changed a little.

He rubbed his chin and said in a low voice, “Then why does he still want to serve the Gu Family?”

“I don’t know, but Master Zhai Xing is the trusted aide of the Gu family father and son, and also the person they trust the most,” Xiao Qing said.

Qin Yu did not say anything.

He suddenly guessed something.

Could it be that Zhai Xing really intended to die in this battle? Was that why he stubbornly stood up again and again?

As well as the injuries on his body, had his meridians ruptured before he arrived?

“Xiao Qing, do you know about the Soul Bell?”

At this moment, Qin Yu thought of something.

Xiao Qing nodded and said, “I do. The Soul Bell is one of the top spiritual artifacts of the Gu clan. It is said that when the soul bell is activated, it can absorb the souls of others and turn them into the Soul Bell’s attack.”

“The more people around, the more powerful it will be.”

Hearing this, Qin Yu was immediately shocked!

In that case, Star Harvester did not really use the soul bell?

Before he activated the soul bell, he kept shouting. Was he also deliberately dispersing the crowd?

Thinking of this, Qin Yu could not help but feel some lingering fear!

If this soul bell really absorbed the souls of everyone, how terrifying would the power it would unleash be? I’m afraid I have become a dead soul under the bell?

Chapter 1041: Chapter 1,041, don’t waste your energy

Qin Yu was deep in thought as he looked at Zhai Xing who was lying on the bed.

“I understand, Xiao Qing. Thank you,”Qin Yu said.

Xiao Qing quickly waved his hand and said, “You’re welcome.”

After sending Xiao Qing away, Qin Yu wrote down another prescription and sent someone to buy medicine.

Qin Yu planned to rely on his medical skills to save Zhai Xing.

Then, Qin Yu, Jiang he, and Jiang he walked out of the room.

They came to a pavilion and sat down.

Qin Yu poured a cup of tea for Jiang he and said, “Senior Jiang he, I have an idea. I don’t know if it will work.”

“You want to rope in Zhai Xing?”Jiang he seemed to have guessed something.

Qin Yu did not hide anything and simply nodded, “Yes, after listening to Xiaoqing, I think Zhai Xing should not die for the Gu family.”

“Moreover... Zhai Xing controls the military power of the second mystic realm. With his help, it will naturally be much easier to take down the second mystic realm.”

Jiang he took a sip of tea and slowly said, “What you said is right, but the possibility of Zhai Xing rebelling against the second mystic realm is almost zero.”

“He is clearly a soft-hearted person, yet he would rather watch the Gu family act atrociously than leave. It can be imagined how loyal he is to the Gu family.”

Qin Yu smiled and said, “Human actions matter. Sometimes, we have to resort to extreme measures.”

Jiang he said in a low voice, “If we can succeed, it will naturally be a good thing. But if we don’t succeed? How are you going to deal with Zhai Xing?”

This was a difficult problem.

If they could not succeed, it meant that Zhai Xing would fight to the death for the Gu family.

If they wanted to take down the GU family, they had to cross this hurdle.

“If it really doesn’t work, I can only follow his wishes and kill him.”Qin Yu’s voice was a little cold.

In this regard, Jiang he could not help but sigh slightly.

“I hope you can succeed. I don’t wish for Zhai Xing to die either.”Jiang he shook his head.

Qin Yu grunted and said, “I will try my best.”

“By the way, senior, have you heard of the Yan family’s secret realm?”At this moment, Qin Yu suddenly asked.

Jiang he immediately shook his head and said, “Not to mention the Yan family’s secret realm, I don’t even know the first secret realm.”

Qin Yu sighed slightly. These things were too far away from the current martial artists. Perhaps no one knew.

“Your father should know.” At this moment, Jiang he suddenly changed the topic.

Qin Yu opened his mouth and said with a bitter smile, “Unfortunately, I also know nothing about him.”

“Don’t worry. This is a golden age. Anything is possible,” Jiang he said with a smile.

“I used to think that I would never have the chance to become a martial saint in this lifetime. Now, it has also exceeded my expectations.”

Qin Yu sighed and said, “A golden age. I wonder how many geniuses will appear in this lifetime.”

The more golden age one was in, the more intense the competition would be.

Resources were fixed, but there would be more and more geniuses.

No one knew who would be able to step over everyone and become the top expert in this life.

...

After buying the herbs, Qin Yu personally refined and consumed the herbs for Zhai Xing.

Zhai Xing was severely injured. This was a long process. It would probably take several days for him to wake up.

Qin Yu was not in a hurry. He did not take the next step toward the second mystic realm. Instead, he placed all his attention on Zhai Xing.

The news of Zhai Xing losing to Qin Yu spread quickly, and soon everyone knew about it.

This news also spread to the second mystic realm very quickly.

In the mystic realm, Gu Zizhen was really furious!

He pushed the table and smashed almost all the decorations in the hall that could be destroyed. The fierce man on his face was trembling non-stop.

“Captured alive? How is this possible!” Gu Zizhen said angrily.

One had to know that the soul bell was a saint weapon bestowed by the higher-ups. Its power was unimaginable! It was not something a martial saint could resist!

With the soul bell in Zhexing’s hand, the possibility of losing was almost zero!

“He didn’t bring him back, and the soul bell was lost...” Gu Zizhen gnashed his teeth, his face full of anger.

Long Mei, who was at the side, came forward and said with a crafty face, “Lord zhexing probably lost to Qin Yu on purpose. After all, he let Qin Yu go a few times.”

Hearing this, Gu Zizhen’s eyes suddenly turned to long mei.

“What did you say?”Gu Zizhen’s tone was somewhat cold.

Long Mei hurriedly said, “When he was at the martial arts association in Jingdu, Zhai Xing had repeatedly opposed young master. I suspect that he lost to Qin Yu on purpose! Maybe he has already betrayed us!”

Gu Zizhen’s eyes slightly narrowed. He suddenly waved his large palm, and the terrifying force instantly sent Long Mei flying!

“Who do you think you are? How dare you speak ill of Zhai Xing!”Gu Zizhen said coldly.

“Zhai Xing and I have known each other for many years. Will he rebel? He’s full of nonsense!”

Long brows spat out blood. He endured the pain and said with a terrified expression, “It’s... It’s my unprovoked guess. I hope the patriarch can forgive me...”

Gu Zizhen said coldly, “If you dare to speak nonsense again, I’ll cut off your tongue!”

“Yes, yes...”Long Mei’s face was full of fear, and he didn’t even dare to breathe loudly.

Gu Zizhen sat on the dragon chair and coldly said, “Losing a soul bell is nothing. Just let him keep it for a while.”

“Even if he has a soul bell, he’s definitely not my match.”

“Master, what should we do now?” Someone beside him asked.

Gu Zizhen said coldly, “There’s no rush. I want to see what Qin Yu will do next.”

...

On the other side, Qin Yu was refining medicine for Zhai Xing Day and night.

At the same time, he was also slowly expanding the sphere of influence of the Heaven Gate.

After a full seven days, Zhai Xing finally woke up from his coma.

The moment he opened his eyes, the first person who entered his sight was Qin Yu, who was holding the medicine.

Seeing this scene, Zhai Xing knocked the medicine out of Qin Yu’s hand. He got up and shouted angrily, “Qin Yu, why are you here? !”

Qin Yu spread his hands and said, “This is the Heaven Gate, my territory. Where else should I be if I’m not here?”

Zhai Xing’s expression immediately changed! He lowered his head to look at his body, and the expression on his face became even uglier.

“Don’t worry, I’m not interested in men,”Qin Yu said as he stood up.

Zhai Xing ignored Qin Yu’s joke. He hurriedly stood up from the bed, then clenched his fist and rushed towards Qin Yu!

However, at this moment, Zhai Xing’s body was extremely weak. Qin Yu easily dodged it.

“Don’t waste your strength. You Can’t Hurt Me Now,”Qin Yu said indifferently.

Zhai Xing gritted his teeth and said, “If you don’t kill me, I will definitely kill you!”

“Even if you want to kill me, you have to wait until your injury recovers,”Qin Yu said with a smile.

Zhai Xing narrowed his eyes and sneered, “Qin Yu, do you think I will be moved by your small favor? You are the one wasting your energy..”

Chapter 1042: Chapter 1,042, blocking the way!

Zhai Xing saw through Qin Yu’s intentions at a glance.

Qin Yu was not in a hurry. He smiled and said, “That’s right. I do hope that you will leave the second secret realm. It would be better if you can help me.”

“I said, don’t even think about it!”Zhai Xing said coldly.

“I will either die in battle or kill you.”

Qin Yu pulled up a chair and sat down. He said indifferently, “I’m afraid it’s impossible for you to kill me unless you truly activate the Soul Bell.”

“But it’s a pity that you can’t make up your mind. Otherwise, what’s the difference between you and the Sky Blood Rainbow?”

Zhai Xing’s expression changed. He hurriedly looked at his pocket as if he was looking for a spatial artifact.

“Don’t worry, the Soul Bell is still with you,” Qin Yu said.

“I’m not interested in those spiritual artifacts that rely on others to sacrifice.”

Zhai Xing’s expression darkened and he said coldly, “Either kill me or let me go.”

“You can go, but you have to recover first,” Qin Yu said.

“No need! Stop pretending. If you have the time, you might as well think about how to deal with the Soul Bell!”

After saying this, Zhai Xing turned around and was about to leave.

A few martial saints outside the door quickly moved forward and blocked Zhai Xing’s way.

“What?” Zhai Xing turned around and glanced at Qin Yu.

Qin Yu spread out his hands and said, “Now that everyone knows that I’ve captured you alive, Will Gu Zi really believe you if you go back now?”

“Cut the crap! Don’t even think about sowing discord!” Zhai Xing said coldly.

Qin Yu narrowed his eyes and said, “Are you really going to leave?”

“What do you think?” Zhai Xing said with a sullen face.

Qin Yu stood up and walked to Zhai Xing.

“I don’t know what benefits the GU family has given you to make you so willing to help the wicked,” Qin Yu said coldly.

“Don’t you know how many people the GU family has harmed? Even the Warriors of the second mystic realm will be persecuted!”

“Their ideals are completely different from yours. Therefore, deep down, you also hope that someone can replace them, right?”

“It is precisely because of this reason that you have let go of Jiang he, who has a high chance of defeating the second mystic realm, and me later! Don’t you admit it?”

Zhai Xing’s expression changed greatly. He said somewhat angrily, “You’re talking nonsense! When have I ever let you go!”

“When? When I went to look for Jiang he, you pretended not to see me. Later on, you had many opportunities to kill me, but you didn’t do anything!”

“And this time, if you used the soul bell directly, I would at least be seriously injured! But you gave up again!” Qin Yu said word by word.

Zhai Xing’s expression was ugly. He didn’t know how to reply.

Qin Yu continued, “You want to be loyal to the second secret realm, but you also want them to disappear. Who doesn’t know the choice?”

“Loyalty is a dilemma. Loyalty like yours is considered stupid loyalty.”

Zhai Xing said angrily, “So what! It’s not up to a junior like you to educate me!”

“Of course I don’t have the right to educate you. I just hope you can make the right choice,” Qin Yu said.

“If you are willing to leave the second secret realm now, I can promise you that I will spare Gu Zizhen’s life.”

Zhai xing sneered, “You’d better kill me. I will never betray the second secret realm.”

Qin Yu took a deep breath and said coldly, “Well, in that case, I won’t say anything more. You can go.”

Zhai Xing snorted coldly. He pushed the two people in front of him away and turned around to leave.

Looking at his departing figure, Qin Yu couldn’t quite figure it out.

Why was Zhai Xing so loyal to Gu Zizhen? What kind of bewitching potion did Gu Zizhen give him.

Qin Yu sighed slightly.

It was probably not that simple to make Zhai Xing betray him.

...

Zhai Xing left the Heaven Gate and rushed toward the martial arts association in Jingdu.

But just as he was about to arrive in Jingdu, the scene in front of him suddenly began to change.

The surrounding scenery completely disappeared, and in its place was darkness.

In this darkness, two people slowly walked out.

“Who are you?” Zhai Xing said coldly.

“TSK TSK, I didn’t think that Qin Yu would actually let you go. Our trip wasn’t in vain.” The two people walked forward and said indifferently.

Zhai Xing looked at the two people and said calmly, “Who exactly are you? Did Qin Yu send you?”

“Qin Yu?” The two of them looked at each other and then sneered, “Fine, I’ll let you die with a clear death.”

After saying that, they took out a token from their waist.

There were three big words written on the token: Hong Yi sect!

“Hong Yi Sect?” Zhai Xing couldn't help but squint his eyes.

“You bunch of bugs, you haven't been exterminated yet?”

“Bugs?” The other party wasn't angry. He just sneered and said, “What difference is there in the essence of what your Jingdu's martial arts association does? You carry the flag of justice and do despicable things. You're not even as good as us.”

Zhai Xing sneered and said, “Cut the crap. What do you want to Do?”

“Nothing much. I just heard that you have a magic tool on you. It's called the Soul Bell,” the other party said with a faint smile.

“We're very interested in this magic tool. If you're willing to hand it over, we can let you go.”

Zhai Xing said with a cold face, “Just the two of you?”

“Hahahaha! If you were in your peak condition, we naturally wouldn't dare to attack you. It's a pity that you are now heavily injured and can't display 10% of your peak strength,” the two of them said with a gloomy tone.

“So.... you'd better hand over the soul bell obediently!”

Chapter 1043: Chapter One Thousand and forty-three was an extraordinary method at an extraordinary time

When faced with these two martial saints who had suddenly attacked, Zhai Xing's expression was gloomy and uncertain.

However, as a peak martial saint, he was not overly afraid.

“Hand over the thing obediently so that you won't suffer a physical pain.” Those two people said with a cold smile.

Zhai xing shouted loudly, “I've lived for so long, yet I've never known what it means to hand over the thing! If you have any ability, just use it!”

When the two people saw this, they did not say anything more. They immediately held the secret technique in their hands and charged towards Zhai Xing.

Zhai Xing's strength was extremely powerful, but unfortunately, he was too heavily injured and could not display even one-tenth of his current strength.

Faced with the two martial saints'all-out attacks, Zhai Xing quickly fell into a disadvantageous position.

The injuries on his body continued and he was continuously forced to retreat.

After more than ten rounds, Zhai Xing fell to the ground and could not get up anymore!

The two sneered. One of them raised his foot and stepped on Zhai Xing's chest. He said coldly, “I didn't expect that one day, we would be able to teach the famous Zhai Xing a lesson.”

Zhai Xing gritted his teeth. He wanted to get up, but he could not.

“It’s better to hand the thing over obediently!”

They captured Zhai Xing and forcefully took the spatial artifact!

“Give it back to me!” Zhai Xing was instantly enraged!

“Give it back to you? Zhai Xing, if we don’t kill you, you’ll be burning incense.” The two sneered.

“Should we take this opportunity to get rid of him?” One of them suggested.

“There’s no need. If we kill him, it’ll easily cause unnecessary trouble.” The other said.

Then, the two didn’t say anything more.

They dispelled the spatial spell and turned around to leave.

Zhai Xing lay on the ground. He was full of anger, but there was nothing he could do.

He didn’t know how long he lay there before he had the strength to get up.

He sighed slightly and didn’t know how to explain himself.

But the Loyal Zhai Xing still rushed to the second secret realm without hesitation.

...

Heaven Gate, in a secret room.

Qin Yu sat cross-legged here and slightly absorbed the power of creation in front of him.

Although he had already stepped into the martial saint realm, the pressure on his body did not decrease.

That Almighty from the secret territory of the Yan family had said that if he wanted to see Yan Ruoxue, he had to at least step into the Almighty Realm.

This world was too vast. Besides this planet, there was an even wider world.

At this moment, there was a sound from outside. It was as if someone was knocking on the door.

Qin Yu opened his eyes slightly. Then, with a wave of his hand, the door slowly opened.

Two unfamiliar faces walked into the secret room.

They half-knelt in front of Qin Yu, cupped their hands and said, “Sect master!”

Qin Yu stood up and said indifferently, “How is the matter?”

“Everything went smoothly.” The two took out a spatial artifact.

And this spatial artifact was the one Zhai Xing had!

Qin Yu took the spatial artifact and said in a low voice, “It wasn’t exposed, right?”

“Don’t worry, he definitely doesn’t know that we were sent by you.” The two laughed.

“It’s just that the Hong Yi sect is going to take the blame for us.”

Qin Yu snorted lightly, “The Hong Yi sect has used me so many times. Letting them take the blame once is nothing.”

No one would have thought that these two people were actually sent by Qin Yu

The one who snatched the soul bell was not the Hong Yi sect at all, but Qin Yu’s people!

“Sect leader, why are you doing this? Wouldn’t it be more direct if you directly detained Zhai Xing?” The two people voiced out the doubts in their hearts.

Qin Yu glanced at them and shook his head. “If that’s the case, Zhai Xing will never serve me.”

Special Times required some special methods.

Qin Yu had no choice.

He did not have much time to waste on the second mystic realm, so he could only use this method to shorten the time.

Moreover... Even if Zhai Xing would not betray him, he would at least take away the soul bell and avoid large-scale casualties.

Qin Yu couldn't open this spatial artifact, so he didn't study it too much and put it away.

“Zhai Xing, I can only do this,” Qin Yu whispered.

...

On the other side.

Zhai Xing returned to the second secret realm.

He knelt in front of Gu Zizhen, his face filled with guilt.

Looking at Zhai Xing in front of him, Gu Zizhen's face was cold.

“Why did you fail again?” There was a hint of anger in Gu Zizhen's voice.

“I'm no match for him,” Zhai Xing answered truthfully.

“No match for him?” Gu Zizhen could not help but grit his teeth. Then, he said furiously, “You're spouting nonsense! He's only at the early-stage of the martial saint realm. How could he be a match for You?”

Zhai Xing said in a deep voice, “I'm really no match for him. I've already said that Qin Yu is not an ordinary martial saint.”

“Haha!” Gu Zizhen was so angry that he laughed instead.

“According to what you said, if he were to step into the intermediate stage of the martial saint, even I would not be a match for him? If he were to step into the advanced stage of the Martial Saint, would he be

able to surpass his level and kill a mighty figure?” Gu Zizhen said angrily.

Zhai Xing raised his head and looked at Gu Zizhen. He shook his head and said, “To be precise, you might not be a match for him now. If he were to step into the intermediate stage of the martial saint, perhaps he would have the ability to stand firm.”

“Bullsh * T!” Gu Zizhen flipped the table in front of him.

He pointed at Zhai Xing and said, “Why do you want to make others proud and destroy your own prestige?”

“I’m just being honest with Uncle Chen.” Zhai Xing’s expression did not change.

Gu Zizhen pointed at Zhai Xing and said, “Even if what you said is true, what about the soul clock? You can use the soul clock to kill him a hundred times!”

“I... There are too few people around me. The strength of the soul bell is too weak,” Zhai Xing stammered.

Gu Zizhen sneered and said, “Zhai Xing, you are still as bad as ever at lying. Why are you blushing?”

Zhai Xing kept silent and only lowered his head.

“Forget it. I don’t want to talk nonsense with you anymore. Where is the Soul Bell?” Gu Zizhen said with a gloomy face.

Zhai Xing’s face slightly changed, and he said in a low voice, “The soul clock... has been robbed..”

Chapter 1044: Chapter 1,044, re-entering the demon city!

“What! ?”

Gu Zizhen, who was already furious, suddenly became furious!

He glared at Zhai Xing and said through gritted teeth, “You were captured by Qin Yu and even lost the Soul Bell? Do you know what that Soul Bell means to the second mystic realm! ?”

Zhai Xing said apologetically, “I’m sorry, but... The Soul Bell was stolen by someone from the Hong Yi sect.”

With that, Zhai Xing told Gu Zizhen what had happened.

After Gu Zizhen heard it, he did not say anything for a long time.

“I’m willing to be punished.” Zhai Xing stood up and slapped his own chest!

However, a flash of light struck Zhai Xing’s palm.

He said coldly, “That’s enough. If you lost it, so be it. It’s not your fault. You’re already injured. Don’t destroy yourself anymore. Go and rest.”

This instantly made Zhai Xing feel even more guilty. He cupped his hands and said, “I will compensate for the loss.”

After he finished speaking, Zhai Xing turned around and left.

On the other side, Qin Yu was cultivating slowly while waiting for news of the second mystic realm.

After he had become a martial saint, every step he took required a large amount of resources.

Although Qin Yu had the power of creation, herbs, and other items, they were like a drop in the bucket.

In the blink of an eye, three days had passed.

The inventory in Qin Yu's hands had also been completely depleted.

He stood up and walked out of the secret chamber, all the way to the main hall.

“How is it? Any News?” Qin Yu looked at Jiang Gu.

Jiang Gu shook his head and said, “No.”

Qin Yu could not help but rub his chin and muttered, “Star Harvester even lost his soul bell, yet Gu Zi really doesn't suspect anything?”

Jiang Gu stood silently at the side. He could no longer interfere in these matters.

If it wasn't for Qin Yu giving him a position out of consideration for their old friendship, he probably wouldn't even have the qualifications to join the Heaven Gate.

“If you want to drive a wedge between them, I'm afraid it won't be that simple.” At this moment, Jiang he walked in from outside the door.

Qin Yu sighed slightly, “That’s right. Since Star Harvester is so loyal to Gu Zizhen, I’m sure Gu Zizhen also thinks highly of Star Harvester.”

“Give up.” Jiang he waved his hand and said.

“If you have the time, it’s better to strengthen your team and attack.”

Qin Yu smiled and said, “These two things don’t conflict. There is a limit to any trust, especially when Zhai Xing was captured by me.”

A cold smile appeared on the corner of Qin Yu’s mouth.

“Zhai Xing, I must get it!” Qin Yu sneered.

Seeing this, Jiang he didn’t say anything more.

Then, Qin Yu stood up and looked at Jiang he, saying, “Senior Jiang he, I plan to hand over all the power of the Heaven Gate to you. You will be the chief of the disciples.”

Hearing this, Jiang he couldn’t help but frown, asking, “Why?”

Qin Yu said with a wry smile, “You also know that my mind is not here. Moreover... I will leave this land sooner or later.”

If he wanted to find Yan Ruoxue, he would definitely leave this place.

“You have high prestige and are the person I trust the most. Therefore, it is most suitable for you to be the chief,” Qin Yu said.

Hearing Qin Yu's words, Jiang he could not help but fall into silence.

“Please, senior Jiang He!” Qin Yu stood up and bowed hard.

Seeing this, Jiang he could only nod and say, “Alright, I will agree to it.”

“Thank you!” Qin Yu heaved a sigh of relief.

It was impossible for Qin Yu to spend too much time managing the sect.

To him, the most important thing was to increase his strength and step into the Almighty Realm. He wanted to see the wider world and see the person he missed in his dreams as soon as possible.

“Senior Jiang he, make your preparations. We'll attack the second mystic realm in a week.” Qin Yu stood up and said.

“So Fast?” Jiang he looked even more surprised.

“You should know that it's impossible to attack the second secret realm with your current strength, and...”

“I know,” Qin Yu interrupted Jiang He.

“But my goal is not to attack the second secret realm, but to see Zhai Xing.”

“What do you mean?” Jiang he asked.

Qin Yu said with a faint smile, “Zhai Xing’s injuries were treated by me. In other words, the injuries on his body can only be treated by me.”

“When we attack the second mystic realm this time, Zhai Xing will definitely appear. At that time, I will bring him a pill.”

“Regardless of whether he accepts it or not, it will definitely arouse Gu Zi’s suspicion.”

Having said that, Qin Yu paused for a moment before standing up and saying, “In this one week’s time, I will invite two helpers.”

“One is the Pavilion Master of the Divine Alchemist Pavilion, and the other is the city lord of the demon city, Immortal Crane.”

The pharmacist of the Divine Alchemist Pavilion could provide subsidies to the rear.

And the immortal crane of the demon city controlled an extremely powerful force.

With their help, it was only a matter of time before they took down the second mystic realm.

“I’ll set off now. I’ll leave this place to you. If there’s anything, you can discuss it with Jiang Gu and the others,” said Qin Yu.

After giving his instructions, Qin Yu set off on the same day.

There was no need for the Divine Alchemist pavilion to think too much. The Pavilion Master would definitely help Qin Yu. Therefore, the first place he went to was the demon city.

The demon city was extremely far from the Yan country, in an uninhabited land.

Qin Yu changed his ride many times and it took him three days to arrive at this desert.

This desert stretched as far as the eye could see. Its vastness was beyond imagination.

Fortunately, after Qin Yu had become a martial saint, his divine sense had become many times stronger. In an instant, it had covered more than half of the desert.

Very quickly, he had captured the location of the demon city.

“HMM? The demon city has set up a formation?” Qin Yu was surprised to discover that even with his divine sense, he could only faintly sense traces of life.

If an ordinary martial saint had come, he was afraid that they would not be able to find the demon city at all.

Qin Yu did not think too much about it. After all, the immortal crane did not like to be disturbed.

He immediately followed this trace of divine sense and rushed towards the demon city..

Chapter 1045: Chapter 1,045, the strange crane

The demon city was like a pure land.

It stood in a desolate place, yet it was extremely prosperous.

Qin Yu rushed towards the demon city on foot. The surrounding environment caused Qin Yu's internal Qi to slowly dissipate.

By the time he arrived at the demon city, his internal Qi was almost exhausted.

Qin Yu stood at the gate of the demon city and realized that the gate of the demon city was tightly shut. It was obviously different from the last time he was here.

This could not help but make Qin Yu feel that things were not looking good.

The gate was tightly shut and a formation had been set up...

Could something have happened to the demon city?

Qin Yu did not dare to think too much. He hurriedly knocked on the door.

Not long after, the gate slowly opened.

Two people walked out from within.

He sized up Qin Yu and said coldly, "Who allowed you to come close?"

Qin Yu quickly explained, "I'm friends with Immortal Crane. Please tell him that Qin Yu is here to see him."

"Friend? Why does Lord Immortal Crane have a human friend?!" The two people shouted.

Qin Yu explained helplessly, “I’m really his friend. If you don’t believe me, you can ask him.”

The two people looked at each other with a trace of doubt in their eyes.

“You stay here and watch him. I’ll go and inform Lord Xianhe,” one of them said.

After that, he turned around and walked towards the depths of the demon city.

Qin Yu looked at the other Demon Beast who was responsible for guarding the city and said with a smile, “Brother, why is the gate of the Demon City tightly shut? Is It...”

“Bang!”

Before Qin Yu could finish his words, the gate was fiercely shut.

“F * ck.” Qin Yu could not help but curse inwardly.

A dignified martial saint had actually received such treatment.

It seemed that this demon city’s disgust towards humans was truly worthy of its reputation.

A few minutes later, the door opened again.

Uncle Niu was standing at the door.

“Uncle Niu!” Qin Yu hurriedly walked forward and greeted him.

Uncle Niu laughed loudly and said, “Why did you suddenly come here?”

Qin Yu said with a lie, “I missed you guys. I came back to see you guys.”

“Hahaha, where’s that kid with the ghost head camphor?” Uncle Niu asked.

Qin Yu scratched his head and said, “He didn’t come.”

“Alright, let’s talk as we walk. Lord Immortal Crane is waiting for you,” uncle Niu said with a laugh.

“Okay!”

Qin Yu followed behind Uncle Niu and Strode into the demon city.

On the way, Qin Yu said worriedly, “Uncle Niu, the demon city’s gates are tightly shut and a formation has been set up. Did Something Happen?”

Uncle Niu waved his hand and said, “No, it’s just that we became more cautious after you barged in rashly the last time.”

“I see.” Qin Yu heaved a sigh of relief.

Soon, the two of them arrived near the grotto-heaven where the immortal crane lived.

“You can go in first. I’ll go prepare some food to welcome you!” Uncle Niu said.

Qin Yu cupped his hands and said, “Thank you, Uncle Niu.”

After stepping into the grotto-heaven, they soon saw the immortal crane lying on the jade bed.

It had long hair and fair skin. Its slender fingers held the jade pot, making it look like a fairy.

“Immortal Crane!” Qin Yu waved at it and walked over quickly.

Immortal Crane slowly stood up. He sized up Qin Yu and said with some surprise, “You’ve become a martial saint?”

“I broke through by luck,” Qin Yu said with a smile.

Immortal Crane stretched out its palm and a jug of bejewelled nectar suddenly appeared.

Qin Yu took the jug of wine and took a sip. Then, he said, “It’s really hard to find you here.”

Immortal Crane did not continue this topic. Instead, it stretched its back and said, “You must have something to tell me that you came to find me.”

Qin Yu’s old face turned red. He smiled embarrassedly and said, “No, I just missed you. I just came back to see you.”

“Oh? is that so? In that case, you can stay for a few more days. We can eat, drink, and have fun. Other than that, don’t mention anything else,” immortal crane said indifferently.

Hearing this, Qin Yu immediately became anxious.

He hurriedly changed his words and said, “To tell you the truth, I really came to find you for something.”

The Immortal Crane snorted. It stood up barefooted and said indifferently, “Tell me. What is it?”

Qin Yu was silent for a moment before he said, “I want you to help me with something. I want you to lead some people to attack the second mystic realm.”

Hearing this, the immortal crane snorted lightly.

“Do you think I will agree to it?” The Immortal Crane raised its eyebrows and stared at Qin Yu with its long and narrow eyes. There was a hint of playfulness and teasing in its eyes.

Qin Yu said with a bitter smile, “I know it’s very difficult for you to agree to it...”

“Then don’t mention it.” The crane waved its hand and interrupted Qin Yu’s words.

“I have nectar, Jade Dew, and golden fine jade sashimi here. Don’t you feel comfortable staying here and having fun for the rest of your life? Why do you want to enter the mortal world and get involved in that groundless dispute?”

Qin Yu hurriedly said, “It’s not groundless dispute to me. The second mystic realm bullied me, humiliated me, and kidnapped my woman. If I don’t get rid of it, I won’t Be Happy!”

“But to me, it’s groundless,” said immortal crane indifferently.

Qin Yu instantly fell into silence.

That's right. Immortal Crane was unwilling to enter the mortal world to begin with. It was indeed a little selfish to let him go to the second mystic realm for his sake.

“Okay, just pretend that I didn't say anything. Let's drink for a few days and talk about the past and the present!” Qin Yu waved his hand.

“Oh?” Immortal Crane raised his eyebrows again.

His soul-stirring gaze stared at Qin Yu, making Qin Yu feel extremely uncomfortable.

“If I don't help, then what should you do?” Immortal Crane asked.

Qin Yu smiled and said, “There are many ways. Take it slow.”

Immortal Crane didn't say anything and just looked at Qin Yu quietly.

This gaze was like staring at a beautiful woman, making Qin Yu feel extremely uncomfortable.

“You... Are You a pervert?” Finally, Qin Yu couldn't help it..

Chapter 1046: Chapter 1,046, Immortal Crane's selfishness

Immortal Crane's gaze made Qin Yu feel rather strange.

He clutched his chest and put on a terrified expression.

Immortal Crane smiled and stood up. "I've also heard of the second secret realm, one of the rulers of the martial arts association of Jingdu."

Qin Yu said with a shocked expression, "You've actually heard of the martial arts association of Jingdu While You're here?"

"Is it very strange?" Immortal Crane raised its eyebrows.

"I know more things than you can imagine."

Qin Yu hurriedly sat up from the jade bed and said, "What else do you know? I just happen to have a lot of questions."

Immortal Crane opened its mouth and was about to speak when Uncle Niu walked in from outside.

"Lord Immortal Crane, the food is ready," said Niu.

The immortal crane nodded slightly and said with a smile, "Let's go eat first. I'll Welcome You."

Qin Yu opened his mouth and was about to ask more questions when he was interrupted by the immortal crane with a wave of its hand.

Helpless, he had no choice but to follow the immortal crane out of the grotto-heaven.

The party arrived at the restaurant of the demon city. At that moment, the table was already filled with delicacies.

Besides Uncle Niu, there were two men and a woman sitting there.

The men were all thick and strong, and they were about the same size as Uncle Niu.

As for the woman, she was rather charming. She had a slim and fat body, and she was quite beautiful.

Qin Yu followed beside the immortal crane and sat down. Then, Uncle Niu stood up and introduced them one by one.

After the introduction, he learned that these people were all the immortal crane's confidants, and each of them had already stepped into the martial saint realm.

Their names were Su Yi, Gong Zhuang, and Wu Haichen.

Qin Yu stood up and greeted them one by one before he sat down.

“Eat, see if the food suits your taste,” immortal crane said faintly.

How Could Qin Yu have the mood to eat? He had a lot of things on his mind that he wanted to talk about, but every time, he was interrupted by immortal crane with a wave of its hand.

Qin Yu, who was burning with anxiety, could only obediently drink and have fun with them.

After three rounds of drinking.., wu Haicheng said, “Qin Yu, since you're here, you can stay here. Although our place isn't considered a paradise, it's still a place where no one dares to mess with. If you stay here, you'll have nothing to worry about for the rest of your life.”

Gong Zhuang nodded slightly and said, “Mm, it’s a strange thing that you can enter our demon city as a human.”

Su Yi Winked at Qin Yu and said, “Lord Immortal Crane has a high opinion of you. You will definitely have a place in the demon city in the future.”

Qin Yu smiled bitterly and said, “If there’s an opportunity in the future, I will definitely come and settle down here.”

Su Yi rolled her eyes and said, “Aren’t you being too polite?”

Qin Yu smiled bitterly. He wanted to live such a leisurely life, but reality forced him to move forward and did not dare to stay a single step.

“Alright.” At that moment, immortal crane raised its finger and tapped the table. Everyone immediately fell silent.

Immortal Crane glanced at Qin Yu and then swept its gaze at everyone. It said calmly, “Qin Yu wants us to leave the demon city and accompany him to attack the second mystic realm. Do any of you have any objections?”

Upon hearing that, the faces of Su Yi and the rest, who were still full of enthusiasm just a moment ago, instantly turned cold.

Uncle Niu’s chopsticks, which he had stretched out, quickly retracted back.

The atmosphere fell into an awkward state. The attitude of Su Yi and the others also turned cold.

“We don’t want to get involved in your matters,” Su Yi said first.

“That’s right. Once we enter the human realm, we won’t be able to return to this kind of stable life,” Gong Zhuang said.

Although Uncle Niu didn’t say anything, his meaning was also obvious.

Immortal Crane glanced at Qin Yu and said with a faint smile, “Qin Yu, as you can see, no one agrees.”

Seeing this, Qin Yu could only sigh slightly.

He raised his wine cup, cupped his hands, and said, “Let’s just drink and have fun, and pretend that I didn’t say anything else.”

With that, Qin Yu emptied the wine in his hand.

After hearing Qin Yu’s words, the atmosphere eased up slightly.

The fine wine here was different from ordinary wine. Normally, with their cultivation, they would not get drunk no matter how much they drank.

However, after drinking to their heart’s content, everyone’s eyes became a little blurry, and they started drinking and talking.

The few of them drank from day to night until the Moon was bright and the stars were sparse.

Qin Yu was so drunk that he lay unconscious on the dining table.

Immortal Crane glanced at Qin Yu and then looked at Gong Zhuang and the others.

“Sir Immortal Crane, come, let me toast you!” Wu Haichen said excitedly.

However, immortal crane changed the topic and said, “Perhaps we should discuss this matter.”

Upon hearing this, most of the people immediately sobered up.

Wu Haicheng quickly withdrew his hand and sat up straight.

Immortal Crane glanced at the crowd and said indifferently, “What do you all think about attacking the second mystic realm?”

“Lord Immortal Crane, didn’t we say just now? Once we leave the demon city, it won’t be so easy to come back.” Uncle Niu said with a frown.

“That’s right. We have been in the demon city for many years. How could we bear to leave?”

“Moreover, we demon beasts and humans are not on good terms. If we get involved, it will be difficult to find a pure land. At that time, a great war might break out.”

Everyone’s words were naturally very reasonable, and immortal crane was very clear about it.

But at that moment, he shook his head slightly.

Seeing this, everyone’s faces changed immediately.

“Lord Immortal Crane, are you really going to help this kid? Although he has some friendship with you, it hasn’t reached this level yet, has it?”

“Are you going to give up the demon city for him? In all these years, we have never stepped out of the Demon City!”

Immortal Crane glanced at them and shook its head. “It’s not just for him. I have my own selfish motives.”

“Selfish motives?”

The few of them looked at each other with doubt in their eyes.

Then, they looked at immortal crane and waited for its next words..

Chapter 1047: Chapter 1, 047, the world where the Yan family was located

The Immortal Crane had its back facing the crowd. It was silent for a long time, but it did not say a single word.

“Tomorrow, I will tell you why.”

After a moment, the immortal crane suddenly spoke.

Once it finished speaking, it picked up Qin Yu, turned around, and walked towards its grotto-heaven.

Wu haichen, Uncle Niu, and the others looked at each other. They looked at each other in dismay.

...

The next day.

Qin Yu woke up in a daze.

He rubbed his forehead. He felt that his head was a little heavy, and there was also a hint of pain.

“Damn, this wine is on my head,” Qin Yu muttered as he rubbed his forehead.

As he was saying this, he suddenly came to his senses and quickly looked around.

He saw himself lying on the jade bed, while the immortal crane was sitting on the jade bed with its upper body naked.

Qin Yu’s expression changed greatly, and he hurriedly sat up from the bed.

“F * ck! Are you really a pervert?” Qin Yu said with a nervous expression.

Immortal Crane glanced at Qin Yu and said indifferently, “I’m not interested in men.”

Qin Yu looked around, and after confirming that he was fine, he heaved a sigh of relief.

“F * ck, I actually drank too much.” Qin Yu rubbed his head and slowly stood up from the jade bed.

“By the way, what kind of wine is that? I can actually get drunk,” Qin Yu muttered.

“Do you want it? I’ll give you a few bottles.” The Immortal Crane waved its hand and a few jade clear bottles landed in front of Qin Yu.

Qin Yu did not stand on ceremony. He smiled as he took the few bottles of wine and kept them in his bag.

“It’s rare for me to be confused, so I’ll accept it,” Qin Yu said with a smile.

At this moment, immortal crane suddenly said with a serious expression, “When do you plan to go back?”

Qin Yu was silent for a moment and said, “I still have a lot of things to do. I Can’t stay for too long. Just these two days.”

“What about after you go back? Do you want to start a war with the second mystic realm?” Immortal Crane asked.

Qin Yu grunted and said, “Regardless of whether we win or lose, this war is unavoidable.”

Hearing this, immortal crane suddenly moved his face closer.

He said with a faint smile, “Do you want me to help you?”

Qin Yu was stunned for a moment, then he said with a wry smile, “Of course I want to, but I know that you will definitely not help. Moreover, I have also seen the attitude of Uncle Niu and the others.”

Immortal crane asked indifferently, “Then do you want me to help you?”

“Of course I want to!” Qin Yu said.

“If I have your help, it will be like adding wings to a tiger, like divine help.”

The Immortal Crane slowly sat up straight.

He stared at Qin Yu and said seriously, “Call me big brother, and I will help you.”

“Ah?” Qin Yu was stunned.

“Why? Are You Not Willing?” The Immortal Crane said half-jokingly and half-seriously.

“Yes, of course I am willing!” Qin Yu came back to his senses and said excitedly, “Big Brother!”

Speaking up to this point, Qin Yu scratched his head and said, “You’re willing to help me just because I Call You Big Brother? Isn’t that too fake?”

“Hahahaha!” When immortal crane heard this, he couldn’t help but burst into laughter.

“Follow me,” said immortal crane.

“Where to?”

“You’ll know in a while.”

Immortal Crane stretched out his palm, and a long robe fell on his body.

Then, it turned around and walked out of the grotto-heaven.

Although Qin Yu was puzzled, he still followed quickly.

The two of them walked in the demon city. Countless people greeted the immortal crane along the way.

The two of them passed through the demon city and arrived at a secret chamber deep in the demon city.

At that moment, Uncle Niu and the others were already waiting at the door of the secret chamber.

“You’re Awake?” Su Yi looked at Qin Yu and asked with a smile.

Qin Yu rubbed his forehead and said somewhat embarrassedly, “I’m awake. I accidentally drank too much yesterday.”

“Do you still remember what you said yesterday?” Su Yi said with a bit of a ruminating tone.

“What?” Qin Yu thought that something was wrong.

Su Yi didn’t answer this question. Instead, she leaned forward and said mysteriously, “Who is Yan Ruoxue?”

Qin Yu blushed and waved his hand. “Don’t help me remember after drinking.”

“Hahaha!” Uncle Niu and the others could not help but laugh.

At this moment, the door in front of them slowly opened.

“Let’s go.” Immortal Crane took the lead and walked in.

Following behind Immortal Crane, they entered the secret room.

“Uncle Niu, what is immortal crane doing?” Qin Yu asked softly.

Uncle Niu shook his head. “I don’t know either.”

Immortal Crane led the few of them through the long corridor and finally stopped in front of a painting scroll.

This painting scroll was extremely huge. A beautiful scene was outlined on it. The delicate strokes could not help but make people feel as if they were immersed in the painting.

Other than that, the painting scroll was exuding an extremely ancient and simple aura. Every single place was exuding an internal Qi of the Great Dao.

Qin Yu looked at the painting scroll and was immediately attracted by it.

“This painting scroll... seems a little strange,” Qin Yu said with a frown.

Uncle Niu and the others did not seem to have seen this painting scroll before. The expressions on their faces were similar to Qin Yu’s.

The Immortal Crane swept its gaze over everyone and said in a somewhat low voice, “Didn’t you all want to know why I agreed to Qin Yu’s request? This is the reason.”

“What do you mean?” Su Yi was the first to ask.

The Immortal Crane did not say a word. It waved its hand, and rays of light landed on the painting.

Following that, the painting seemed to come to life. The people and scenery inside seemed to move.

“Buzz!”

Divine sense flew out from between their brows!

This divine sense directly entered the painting. In an instant, it was as if they had entered another world!

It was as if they had opened up their God’s perspective, looking down from above, to be able to overlook the entire land!

Within this world, Qin Yu could see an endless stretch of land, with city after city situated within this world.

Its size and prosperity far exceeded one’s imagination!

Any random city, its size and scale far exceeded the fire country’s Pyro!

As the view was too far away, Qin Yu and the others were only able to catch a glimpse of a corner. But even so, their hearts were still greatly shaken!

They could even feel the Great Dao Qi flowing through the land, as well as the incomparable internal Qi!

“Weng!”

Without waiting for them to think any further, their divine sense had already been drawn out from the painting..

Chapter 1048: Chapter 1,048, the Gu family sent out their troops

That strand of divine sense returned to the individual’s original body.

However, they still didn’t come back to their senses. Their eyes were somewhat vacant.

“This... what is the origin of this painting? What is the world in the picture?”Qin Yu was the first to come back to his senses.

The Immortal Crane put its hands behind its back and said indifferently, “I don’t know what exactly is the world in the picture, but I know that it is a wider world.”

Having said that, the immortal crane walked in front of Qin Yu and said with a faint smile, “The Yan family that you yearn for is here.”

Qin Yu’s pupils constricted when he heard that!

“What did you say? The Yan family is in this picture?”Qin Yu hurriedly asked.

The Immortal Crane said,“... with your understanding, I suggest that you reforge it.”

Qin Yu hurriedly waved his hand and said, “I was too anxious and confused. Are you saying that the Yan family is in this world? Then where exactly is this world?”

“I don’t know exactly where it is.” Immortal Crane shook its head.

“But I know that in this world, there are many top-notch martial artist families and experts as numerous as the clouds. In this world, the tolerance is stronger. We also don’t need to hide in the demon city,” said immortal crane.

Qin Yu recalled what the higher-ups of the martial arts association in Jingdu had said.

He said that Qin Yu would leave this world sooner or later and head to a wider world.

Not only that, they could also provide conditions for Qin Yu.

At that time, Qin Yu did not think much about it, but now that he thought about it carefully, there seemed to be some other meaning in his words.

“Lord Immortal Crane, what does this have to do with you helping Qin Yu?” Uncle Niu asked with great puzzlement.

Before immortal crane could speak, Qin Yu guessed, “If you want to enter this world, I’m afraid you’ll need to pass through the second Mystic Realm or the first mystic realm, right?”

Surprise flashed in the Crane’s eyes as it said jokingly, “You’re not as stupid as you think.”

“Screw you,”Qin Yu rolled his eyes.

“Qin Yu is right. No one knows where this world is,”the crane said seriously.

“Maybe it’s another planet, or maybe it’s another starfield. With our cultivation, we can’t cross the starry sky, so we can’t figure it out.”

“But the only way I know is to pass through an ancient array platform. That array platform is in the first secret realm.”

“Ancient Array Platform?”Qin Yu touched his chin.

Everyone felt that this name was rather unfamiliar.

The immortal crane nodded and said, “So, if you want to find this array platform, you must pass through the first secret realm.”

“To be honest, before you appeared, I never considered crossing the Void and heading to this world because the martial arts association of Jingdu is too big.”

“But now, I’ve changed my mind.”

Qin Yu also nodded slightly.

He originally wanted to get rid of the martial arts association of Jingdu and the eight high-ranking officials.

After hearing the Immortal Crane’s words, Qin Yu’s conviction was even firmer.

“In that case, if you want to see Yan Ruoxue, you must pass through the first mystic realm...”Qin Yu muttered softly.

The Immortal Crane put its hands behind its back. It bent its slender body and said beside Qin Yu’s ear, “Of course, this is only one of the reasons. I agreed to it because you called me Big Brother.”

“Screw you.”Qin Yu hurriedly jumped a few meters away.

“Hahaha!”Seeing the expression on Qin Yu’s face, the crane could not help but laugh heartily.

Having said that, the crane looked at the crowd and said: “Pass down the order, three days later, to head to the fire country.”

“Yes!”Uncle Niu and the others cupped their hands together, without the slightest bit of doubt.

Qin Yu finally heaved a sigh of relief.

The powers of these demonic beasts were much stronger than those of ordinary human cultivators.

With their help, Qin Yu’s chances of winning would naturally soar.

In the next few days, Uncle Niu personally led a team to pick people, in preparation for the journey to the fire country.

Meanwhile, Qin Yu followed the immortal crane every day, drinking and having fun every day, almost becoming a drunkard.

But it had to be said that the days of being drunk was the most relaxing moment in Qin Yu’s life.

He had almost forgotten his worries, his body and mind in a state of extreme relaxation.

Just as Qin Yu was enjoying himself with wine, something unexpected happened at the Heaven Gate.

In the second secret realm, Gu Zizhen had prepared hundreds of people to attack the Heaven Gate!

Looking at the hundreds of warriors standing in front of him, Gu Zizhen sneered.

“Do you really think my second secret realm is made of mud?” Gu Zizhen said coldly.

“Since you, Qin Yu, have declared war on me, I naturally have the right to attack you, and... I have no scruples!”

At this moment, Zhai Xing walked over.

His condition was still dispirited, and his strength had recovered less than 20% . He looked extremely weak.

“Let me lead the team. Take it as making up for your mistakes...” Zhai Xing said slowly.

Gu Zizhen patted Zhai Xing’s shoulder and said, “You’d better rest well. I’ll send someone else to lead the team for this battle.”

Zhai xing hurriedly said, “I can do it. Just let me lead the team. I promise to complete the mission this time!”

Gu Zizhen sighed slightly and said, “Zhai Xing, do you think you’re still suitable to lead the team in your current physical condition?”

“But... I’m the general of the Second Mystic Realm!” Zhai Xing said in a low voice.

The original intention of his words was to make a contribution to the second mystic realm.

However, to Gu Zizhen’s ears, it sounded like he was protecting his power.

Although Gu Zizhen’s expression did not change much, he was a little unhappy deep down.

“Go and rest well. Chi Hou will lead the team for this battle,” Gu Zizhen said.

As he was speaking, Chi Hou walked over from not far away.

Chi Hou’s position in the second secret area was also quite high. Although he was not as high as Zhai Xing, he was also one of the people that Gu Zizhen trusted the most.

Most importantly, he was also a martial saint! His strength was beyond imagination!

“Lord Zhai Xing, leave this battle to me.” Chi Hou said with a laugh.

Zhai Xing gritted his teeth and said, “Chi Hou, if I didn’t take part in this battle, the injuries would definitely be even more severe!”

These words made the few people extremely displeased.

Gu Zizhen even snorted lightly and said, “What, the second secret realm can’t Do Without You?”

“That’s not what I meant. It’s just that Qin Yu will never show mercy to Chi Hou!” Zhai Xing said hurriedly.

Zhai Xing knew Qin Yu’s strength very well.

Not to mention Chi Hou, even he himself was not Qin Yu’s match!

And the reason why he could come back was because Qin Yu wanted to rope him in!

But if Chi Hou made a move, Qin Yu would definitely go on a killing spree!

It would be fine if he didn’t explain, but the more he explained, the Messier it became.

Gu Zizhen couldn’t help but sneer, “According to what you said, Qin Yu still has some feelings for you?”

“That’s not what I meant...” Zhai Xing wanted to explain, but was interrupted by Gu Zizhen with a wave of his hand.

“Chi Hou, I’ll give you another 500 people, and you lead a thousand people to flatten the Heaven Gate!” Gu Zizhen shouted loudly.

Chi Hou cupped his hands and said, “Please rest assured, master. I promise to complete the mission!”

“Let’s Go!” Gu Zizhen shouted..

Chapter 1049: Chapter 1,049, the great battle began

Following Gu Zizhen's order, Chi Hou led a thousand martial marquis and marched out of the Heaven Gate!

The exit of the secret realm was opened, and Chi Hou led them out of the second secret realm.

They stepped into the martial arts association of Jingdu, and a thousand people were ready to go!

But no one noticed that just as they left, a figure sneaked into the second secret realm.

...

Demon City.

Qin Yu was lying on his jade bed as he said in a daze, "Immortal Crane, how many people do you plan to send to the Heaven Gate with me?"

"What do you think?" Immortal Crane took a sip of wine and asked.

Qin Yu thought for a moment and said, "I don't know either. I don't need too many people. After all, I have a plan."

"Mm... three hundred people." Immortal Crane Thought for a moment and said.

Qin Yu clapped his hands and said, “Okay, three hundred people are enough! Your men can at least fight against three of them, right?”

“More or less.” Immortal Crane yawned.

“We will set off tomorrow. You must have a good rest today.”

After saying that, immortal crane lay on the bed and fell asleep.

Qin Yu picked up Immortal Crane’s wine and drank it by himself.

“HMM, the wine here is really high,” Qin Yu muttered.

...

Heaven Gate.

The Heaven Gate led by Jiang he was developing in an orderly manner.

There were people coming in and out of the mystic realm for training every day.

The Spiritual Qi contained in this mystic realm was enough for all the disciples of the Heaven Gate to cultivate.

“According to this progress, it’s only a matter of time before the Heaven Gate becomes the number one sect,” Xu Huaigu said.

Jiang Gu, who was beside him, quickly added, “That’s right. With Mr. Qin’s current prestige, becoming the number one sect is not a problem at all!”

When Jiang he heard this, he slowly said, “Qin Yuzhi is not here. To him, this sect is just a springboard.”

“His ambition is not here? He has already stepped into the martial saint realm. What else is there to pursue?” Xu Huaigu asked.

Jiang he sighed and said, “That’s right. Martial saints have been the ultimate goal of martial artists for the past hundred years or even a few hundred years.”

“But in reality, the path of cultivation is long. This is only the beginning.”

Xu Huaigu and Jiang Gu instantly fell into silence.

That’s right. No one knew what the end point of the path of cultivation was.

They had only heard about the realms above the martial saint realm.

No one had ever seen anything like moving mountains and overturning seas, destroying the heavens and destroying the earth, or crossing the void.

Just as they were chatting, a sense of danger quietly descended.

“Eh?” Jiang he frowned slightly as if he had sensed something.

“What a powerful force!” Soon, Xu Huaigu also realized that something was wrong!

Before they could react, Chi Hou had already led 1,000 martial marquis to the Heaven Gate!

This terrifying power instantly engulfed the entire Heaven Gate!

An ominous internal Qi gathered in everyone's hearts.

“Who are you?” A disciple walked forward and asked tentatively.

Chi Hou glanced at him and then waved his hand. The terrifying power directly shook that disciple into a bloody mist!

When everyone saw this, their expressions changed drastically!

Chi Hou said coldly, “I am Chi Hou from the second mystic realm. I am under the orders of the Realm Master to go against the Heaven Gate!”

“Everyone listen up. Heaven Gate... Leave No one alive!”

“Yes!”

With the order given, the great battle instantly erupted!

A Thousand Martial Marquis. This power was enough to sweep through all the sects!

Chi Hou's attitude was even more resolute. He did not give Jiang he and the others the chance to speak. He raised his hand and used a killing move!

Jiang he and Xu Huaigu quickly attacked in an attempt to stop this great battle!

However, at this moment, Chi Hou took a step forward and stood in front of Jiang he and Xu Huaigu.

“You must be the two top-notch martial artist from the Heaven Gate.” Chi Hou placed his hands behind his back and assumed the posture of a top-notch martial artist.

Jiang he said coldly, “Ask your people to stop.”

“Stop? I only came here for one purpose. To crush the Heaven Gate! Ask Me to stop? Do you think that’s possible?” Chi Hou laughed coldly.

“Where’s Qin Yu? Why isn’t he coming out to die?”

Xu Huaigu was about to speak, but Jiang he stopped him and said slowly, “We don’t need Qin Yu to deal with you. The two of us are enough. If you want to see Qin Yu, let Zhai Xing come.”

These words undoubtedly infuriated Chi Hou! He said with a cold face, “Do you think I’m not as good as Zhai Xing? Fine, then I’ll kill the two of You First!”

The great battle was about to start. Jiang he and Xu Huaigu faced off against Chi Hou. Their killing moves were fully displayed, and secret techniques emerged endlessly!

The earth was trembling, and the river was evaporating!

Although Jiang he and Xu Huaigu were both extremely powerful, Chi Hou was, after all, at the middle stage of the martial saint stage. He was a full stage higher than Jiang he and the others!

Soon, Xu Huaigu was defeated, and many parts of his body were damaged!

As a former top genius, Jiang he's strength was naturally not inferior to Chi Hou. Even though he was a realm lower than Chi Hou, he was still not at a disadvantage!

Xu Huaigu stood up again and activated his trump card secret technique to fight with Chi Hou!

Both parties fought until the sky and earth turned dark, and the Sun and Moon lost their light! For a moment, they were in a stalemate!

Chi Hou laughed out loud. The more he fought, the more courageous he became. To him, as long as he could hold on to Jiang he and Xu Huaigu, it would be a great victory! After all, the disciples of the Heaven Gate were not a match for the disciples of his secret realm!

On the other hand, Jiang he and Xu Huaigu were worried about the disciples of the Heaven Gate. They even wanted to rescue Chi Hou. This also meant that they had no way of taking down Chi Hou!

The battle went from day to night. Blood flowed like a river in the Heaven Gate, and corpses littered the ground!

Although the second secret realm was also damaged, it was like a drop in the ocean compared to the Heaven Gate!

This battle had destroyed the Heaven Gate's accumulation of several days!

The next morning, the battle still hadn't ended.

Jiang he looked at Xu Huaigu and said, "Go and protect the heaven gate disciples. Leave this place to me."

Xu Huaigu didn't waste any time and nodded. "Okay, take care of yourself."

Then, Xu Huaigu left the battlefield and rushed toward the surviving disciples.

"You dare to face me alone?" Chi Hou crossed his arms in front of his chest, looking extremely arrogant.

Jiang he didn't say a word.. He slowly moved his hands, and the fighting formula appeared in an instant! Jiang he's internal Qi instantly increased by dozens of times!

Chapter 1050: Chapter 1,050, return to the Heaven Gate

Compared to Qin Yu's immature fighting formula, Jiang he was obviously more familiar with it.

The increase in his internal Qi also shocked Chi Hou!

"Eh? You Bunch of ants are really surprising," Chi Hou said in a low voice.

Before he could finish his words, Jiang he had already arrived!

His extremely fast speed shocked Chi Hou! Beads of sweat appeared on his forehead!

Jiang he's palm slammed onto Chi Hou's chest, and a ray of light burst out!

“Boom!”

Chi Hou’s body was instantly pierced through and smashed into the ground!

“What speed!” Chi Hou’s expression changed drastically!

He couldn’t care less about his injuries as he hurriedly stood up and retreated!

Jiang he naturally wouldn’t give him a chance to escape. He immediately chased after him using the ‘xing’ Formula!

The situation was reversed in an instant. Chi Hou fled in a sorry state!

However, his speed was not worth mentioning in front of the ‘xing’ formula. Soon, he was beaten by Jiang he until he bled non-stop and was covered in wounds!

“Impossible! Impossible!” Chi Hou roared crazily. He was extremely unwilling to accept this!

However, Jiang he would not listen to his nonsense. After all, the ‘Dou’ formula had a time limit. He had to get rid of Chi Hou before he disappeared!

Chi Hou’s explosive secret technique was fully displayed as he fled frantically.

It had to be said that his vitality was indeed tenacious enough. Even though his body had been shattered, he still continued to flee. Even his internal Qi did not show signs of weakening!

This was the reason why Gu Zizhen had sent him on an expedition! Chi Hou's secret technique was to reassemble his body. His vitality was extremely tenacious!

In the second secret realm.

Gu Zizhen's expression became increasingly gloomy.

Zhai Xing's words lingered in his ears for a long time.

"Realm master, I've always had something to say." At this moment, a young man walked over from the side.

This young man's name was Xuan Qi, and he was Gu Xinghe's good friend. He was also the youngest martial saint in the second secret realm.

"I've never doubted Master Zhai Xing's loyalty to you. However, if a person's power is too great, it's very easy to lose oneself," Xuan Qi said.

Gu Zizhen narrowed his eyes slightly and said coldly, "You want me to reduce Zhai Xing's power?"

"That's right. As far as I know, almost all the martial artists in the second mystic realm listen to Zhai Xing. If one day he wants to rebel, it's not a good thing for you," Xuan Qi continued.

"Moreover, Zhai Xing is too soft-hearted. People who are too soft-hearted are not suitable to lead troops."

Gu Zizhen remained silent, but these words had taken root in his heart.

...

The surroundings of the second mystic realm were barren.

It seemed that any place near the boundary would be easily abandoned, and the second mystic realm was no exception.

The people living at the boundary were almost all at the bottom of the second mystic realm.

At this moment, there was a young man sitting here, putting something under the ground.

Not only that, he even bit his finger and dripped his blood into it.

“Big Brother, what are you doing?” At this moment, a teenager walked forward and asked with some doubt.

The teenager raised his head to look at the teenager and said coldly, “What do you think?”

The teenager scratched his head and said, “I don’t know.”

The teenager did not say anything. He slowly stood up and looked down at the teenager. Then, he sneered and said, “Little Bastard, don’t blame me for being ruthless. If you want to blame someone, blame your bad luck!”

After saying that, the young man waved his hand and directly shook the young man into a bloody mist!

After doing all this, the young man couldn't help but spill a trace of blood from the corner of his mouth, as if he had suffered some kind of injury.

“Damn it... that masked woman was actually resurrected in this life...”the young man wiped the blood at the corner of his mouth.

He was none other than the sky blood rainbow that had disappeared for a long time!

The previous failure and the fear in his heart had caused his body to suffer injuries that could not be healed for a long time.

And because of the masked woman's existence, Heavenly Blood Rainbow did not dare to continue moving in this world.

Therefore, he turned his gaze to the second mystic realm!

There were more martial artists here, and their cultivations were even stronger! Once the mystic technique was set up, he would definitely be able to recover his strength!

“Qin Yu, speaking of which, I have to thank you. If it wasn't for you attacking the second secret realm, I'm afraid I wouldn't have had the chance...”Tian Xuehong sneered repeatedly.

He wiped the blood at the corner of his mouth and walked towards the next direction.

...

The Heaven Gate was in a state of decline. Chi Hou's body was shattered and reassembled. His primordial spirit was extremely

unique. No matter how many times his body was damaged, it would not be damaged.

Most importantly, his body recovered extremely quickly. He could reassemble within a minute of being shattered.

This also made it very difficult for Jiang he to take him down.

And the longer it dragged on, the more disadvantageous it would be for Jiang he.

Once the battle word formula disappeared, it would be almost impossible to take down Chi Hou.

“Damn it, I must get my hands on this spell! This is simply a divine skill!” Chi Hou could not help but curse in his heart!

This Jiang he was clearly only at the early-stage of the martial saint realm, yet he was able to beat Chi Hou to the point where he was unable to retaliate at all!

“Boom!”

At this moment, Jiang he’s large palm had already covered Chi Hou’s body and shattered it once again!

However, Jiang he knew very well in his heart that the fighting formula could not be maintained for too long.

If this continued, Chi Hou would sooner or later be able to wait for an opportunity to counterattack.

“It’s a good thing that the disciples of the Heaven Gate have already been moved to a safe place.” Jiang he looked around.

Chi Hou who was not too far away laughed maniacally and said: “So what if you have great capabilities? You can not kill me at all! The Heaven Gate will definitely fall!”

Before he could finish his words, Jiang he struck out with a huge palm and sent Chi Hou flying once again.

In the Fey City.

Immortal Crane led a total of three hundred men and set off towards the fire country.

Other than these three hundred people, Immortal Crane’s four valiant generals also followed behind.

A total of five martial saints. Even the second mystery dimension would have to consider this power!

“Once I have incited the rebellion of star Seizer, the second mystery dimension will be within my grasp.” Qin Yu thought to himself.

He could not wait to take down the second mystery dimension and meet that so-called ancient array platform..

Chapter 1051: [chapter one thousand and fifty-one, all of you will die here!]!

With the boost from the immortal crane, Qin Yu's confidence grew even more.

The true strength of the immortal crane, was something Qin Yu had never seen before. But for him to be able to be on par with Qin Yu at the same cultivation level, it was enough to prove his ability.

The group of people then made their way towards the fire country in a vast and mighty pyro.

And at that moment, the great battle at the Heaven Gate had already sunk into a state of anxiety.

Finally, Jiang he's Dou zi technique began to slowly disappear.

His internal Qi that had increased by several tens of times had also returned to its normal state.

“Hahahaha!”

When Chi Hou saw that, he could not help but burst out laughing loudly!

“Without that secret technique of yours, how are you going to fight against me?” Chi Hou shouted out in excitement.

He had relied on his internal Qi that he almost did not wither, and he did not place the current Jiang he in his eyes at all!

Jiang he was still calm. He said indifferently, “Even without the secret technique, you might not be able to take me down.”

“Is that so? So what? Your Heaven Gate has suffered heavy losses. I’m afraid it will be difficult for you to recover your internal Qi in a short time, right?” Chi Hou sneered.

Jiang he could not help but look at the Heaven Gate.

The Heaven Gate had indeed suffered heavy losses. Countless disciples had died here, and countless were injured.

One Thousand Martial Marquis. This force was too powerful. Even Jiang he could not deal with so many people.

“Everyone, listen up. Kill Jiang he for me!” Chi Hou said coldly.

“Yes!”

The Martial Marquis in the second secret realm was like a swarm of flies. They surrounded Jiang he in the center.

“There are so many martial marquis. Even if you are a martial saint, you might not be able to withstand them,” Chi Hou said indifferently.

“Moreover, you have the support of a martial saint. How are you going to deal with them?”

Jiang he remained silent. However, a trace of ruthlessness flashed across his calm face.

“Then don’t blame me for starting a massacre,” Jiang he said indifferently. Then, he gently extended his palm and a wisp of internal Qi spread out in all directions with him as the center.

The surrounding martial marquis were immediately pushed back. However, as martial marquis, they all had rich combat experience. They retreated almost instantly.

Chi Hou crossed his arms in front of his chest and watched coldly from the side.

He didn't even have the intention to attack. Instead, he quietly watched as the nearly 1,000 martial marquis tortured Jiang he to death!

“Boom!”

A great battle was about to break out. Jiang he's internal Qi swept out like a surging sea.

His valiant and heroic appearance crushed everyone!

Although Jiang he's strength was incomparably powerful, it was still difficult for him to fight against four hands with two fists.

During the battle with Chi Hou, his internal Qi had become even weaker. Now that he was facing a large number of martial marquis, Jiang he gradually fell into a disadvantageous position.

Waves of internal Qi shot over, and the resplendent brilliance caused Jiang he to continuously retreat.

He did not have Qin Yu's fierce body, so he could not completely ignore the martial marquis' attacks!

“Boom!”

Under the joint attack of dozens of martial marquis, Jiang he was forced back, and his body sank into the ground!

His blood flowed out from his bones and his spiritual sense seemed to be trembling slightly.

More than a hundred martial marquis unleashed their killing techniques at the same time. Even Jiang he, who was in the martial saint realm, could not deal with them.

Chi Hou, who was not far away, looked on coldly as if he was waiting for Jiang He's death.

However, at this moment, Jiang he suddenly rose up from the ground and his internal Qi swept across the entire Heaven Gate once again!

“Eh?” Chi Hou could not help but frown when he saw this, and there was a hint of surprise in his eyes.

Jiang he, who was originally dispirited with his internal QI, seemed to have recovered to his peak at this moment!

He looked down on the entire scene with his peerless bearing!

“Burning his blood essence?”

Chi Hou suddenly guessed something, and then he could not help but sneer, “Dog, you actually rose up again at the cost of your life. Do you think it's useful!”

The surrounding Martial Marquis joined hands and released a sure-kill technique!

As the Warriors of the second secret realm, they naturally possessed a combined secret technique.

This wasn't a simple one plus one equals two, but a qualitative change!

With the support of the various secret techniques of the martial arts association of Jingdu, the combined strength of a hundred martial marquis wasn't any weaker than a martial saint!

The great battle continued. Jiang he used his life as the price and vowed to resist to the death.

Along with Jiang he's desperate struggle, several martial marquis were thrown off the field. Their physical bodies were shattered, and their souls were destroyed.

The fierce Jiang he was like a killing God. His every move was filled with murderous intent.

Even Chi Hou was slightly impressed by Jiang he's strength.

With such an expert in the Heaven Gate, it was no wonder that Qin Yu dared to challenge the second secret realm. It was also no wonder that the star harvesters had repeatedly let Jiang he off because of the scarcity of talents!

In the blink of an eye, Jiang he had already forced back nearly a hundred martial marquis!

However, his body was also severely injured, and he fell to the ground for the second time.

“Come, let me see how many times you can burn your blood essence!” Chi Hou strode forward, his eyes bursting with intense killing intent.

The number of times the blood essence was burned was limited, and each time the blood essence was burned, it would bring about great injuries.

Not only would it affect one’s lifespan, but it would also damage one’s foundation!

Jiang he struggled to get up from the ground for the second time.

He looked at Chi Hou coldly and said, “Before my blood essence burns out, I can at least kill all of you!”

There was sadness in his tone, but it was more arrogant and domineering!

This unparalleled confidence and domineering aura made everyone feel excited for a moment!

“Haha! Then you should try it!” Chi Hou shouted.

Just as Jiang he was about to burn his blood essence for the second time, a golden light descended from the sky.

He passed through everyone like a golden light, like a rolling chariot. The flesh and blood of the people he touched flew everywhere!

In the blink of an eye, he had created a bloody path and arrived in front of Jiang he!

“You don’t need to burn your blood essence. You will die here today.”

The cold voice went through his ears and into his heart!

Chapter 1052: Chapter 1,052, a massacre

Qin Yu’s eyes shone with a dazzling light!

Everyone was shocked wherever he went!

“You are Qin Yu?” Chi Hou looked Qin Yu up and down and sneered.

Qin Yu ignored Chi Hou. He looked at Jiang he and cupped his hands, “Senior Jiang he, I came back late.”

Jiang he shook his head slightly and said in a low voice, “No one expected the second mystic realm to take the initiative to attack.”

Qin Yu grunted and then said, “Now is not the time to talk about this. You Go and rest first. Leave this place to me.”

“Be careful. This Chi Hou is a bit strange. His body is almost immortal,” Jiang he warned.

Qin Yu sneered and said, “In front of absolute strength, all the strange and tricky spells are not worth mentioning.”

“Hahahaha!”

Chi Hou could not help but burst into laughter.

“Qin Yu, open your dog eyes wide and take a good look at how many people I have here!” Chi Hou said coldly.

Qin Yu looked at Chi Hou coldly and said, “Just a bunch of mobs.”

“Mobs? They are all at the Martial Marquis Realm!” Chi Hou laughed coldly.

“Martial marquis? We have one too.” Qin Yu whistled. Not far away, immortal crane and the others walked over with big strides!

Three Hundred Martial Marquis Demonic Beasts and several martial saints!

Chi Hou and the others could not be compared to such strength!

“Who are these people?” Jiang he was a little surprised when he felt the powerful strength from their bodies.

Qin Yu said, “They are the helpers I invited.”

“So many humans. It really makes people angry.” A demonic beast said coldly.

Uncle Niu strode over and berated, “Come, let’s have a good fight!”

Chi Hou’s expression did not look too good.

He could feel that these people were extraordinary.

However, as one of the top martial saints in the second mystic realm, Chi Hou still maintained his composure.

He sneered and said, “It’s only a few hundred people. It’s not worth mentioning.”

Qin Yu did not pay attention to his words. He looked around coldly.

Looking at the Heaven Gate disciple who was lying on the ground, Qin Yu was furious.

In the next second, his body suddenly shot into the air, and golden light flashed on his body!

He put his hands together and murmured in a low voice, as if he was casting some powerful spell.

Streams of peaceful energy spread over, as if a Golden Buddha was alive!

“Eh ?” Chi Hou frowned slightly.

Before he could react, Qin Yu’s palm had already gently slapped forward.

In an instant, thousands of palms appeared from high up in the sky!

The densely packed palms suddenly slapped down!

“Divine Buddha Thousand Hands!” Chi Hou finally recognized this technique!

That massive golden palm slapped towards everyone, and in a short moment, several people were blasted into a bloody mist!

Over half of the nearly thousand martial marquis were instantly killed or injured!

Such a technique caused even immortal crane and the others to be slightly stunned!

What a fierce spell!

It was supposed to be a peaceful spell, but it turned into a great killing weapon in Qin Yu's hands!

"I didn't Expect Qin Yu's method to be so fierce." Su Yi covered his mouth in astonishment.

"Yeah, I thought he was a particularly gentle young man. I didn't expect him to be so terrifying when he fights." Uncle Niu nodded and said.

"Let's do it. I Can't hold it anymore!" Wu Haicheng shouted loudly.

In the next second, he charged into the battlefield and started to fight!

The others didn't move at all, as if they were waiting for something.

"Kill them all! Don't spare any of them!" Qin Yu said coldly.

After hearing Qin Yu's words, the immortal crane nodded slightly. With a slight wave of his hand, the demonic beasts received the order and charged into the battlefield!

The great battle instantly erupted, and killing intent filled the entire second mystic realm!

“Leave this kid to me!” Uncle Niu shouted loudly and walked towards Chi Hou.

At this time, immortal crane stopped him and shook his head, “Leave it to Qin Yu.”

“Yes, Lord Immortal Crane.” Although Uncle Niu was unwilling, he still retreated to the side.

In midair, Qin Yu’s gaze locked onto Chi Hou’s body.

Chi Hou wasn’t panicking. He sneered, “Qin Yu, tell me the truth. Did you betray Zhai Xing?”

Qin Yu narrowed his eyes and said, “I did have such intentions. It’s a pity that Zhai Xing did not agree.”

“Hahaha! I knew it!” Chi Hou laughed loudly.

“When I return, I will definitely tell this matter to the Realm Lord!”

Qin Yu sneered, “Do you think you still have a chance to return?”

“Arrogant! I killed you in less than three breaths!” Chi Hou shouted loudly and suddenly shot towards Qin Yu!

The combination of speed and strength caused the air to explode!

This seemed to be a simple test, but Qin Yu raised his fingers and threw two punches!

One punch was thrown towards Chi Hou's fist, and the moment it touched, half of Chi Hou's arm was directly shaken into a bloody mist!

Following that, Qin Yu quickly threw a second punch, and with a bang, it shattered Chi Hou's chest bone!

All of this happened within a breath's time! Chi Hou's figure shot out explosively, and he smashed through countless mountain rocks!

“What a sharp move!” Uncle Niu, who was watching the battle from the side, could not help but feel a little stunned.

“That seems to be an intermediate stage martial saint, but he is actually so weak.” Su Yi, who was at the side, also said in a low voice.

Chi Hou crawled out from the ruins, and his physical body was rapidly recovering.

“Kid, you are indeed capable,” Chi Hou said coldly.

Qin Yu was filled with anger. He was not in the mood to waste time talking to him.

He clenched his fist and Rose. The golden light was like the falling sun and moon. With a surging internal QI, it arrived in an instant!

Chi Hou did not dare to be negligent. With a roar, he raised his hands and condensed a fluorescent light in front of him!

“Pa La Pa La!”

Dense black objects flew out from Chi Hou's spatial artifact. This object was extremely similar to an iron plate, but it was countless times harder than an iron plate!

The black object was covered by the fluorescent light and instantly became indestructible!

However, Qin Yu's fist was too powerful. It was as if even the Great Dao was making way for him. The killing intent that spread out was bone-chilling and almost swept through the entire battlefield!

“Crack!”

The black object was instantly pierced through. CHI Hou's fluorescent light was even more fragile. It did not even last half a second before it exploded!

The lingering power that was spreading out rolled over and ruthlessly smashed onto Chi Hou's chest!

His body could not withstand it and exploded!

At this moment, a martial marquis in the mystic realm seized the opportunity and stabbed towards Qin Yu's back with a divine weapon in his hand!

This divine weapon was given by Gu Zizhen. It was extremely powerful and could split mountains and split seas!

“Be careful!” Su Yi, who was watching the battle from afar, immediately cried out in alarm.

“Clang!”

The divine weapon struck Qin Yu's body and burst into flames!

However, Qin Yu's body was not injured at all. On the contrary, his divine weapon was shattered into pieces by the shock!

Qin Yu turned around and looked at the Martial Marquis coldly.

The Martial Marquis felt his hair stand on end and froze on the spot..

Chapter 1053: Chapter One Thousand and fifty-three,
Slaughter!

The so-called divine weapon was actually so unbearable!

That Martial Marquis froze on the spot, sweat pouring down like a waterfall!

Qin Yu raised his finger, and a flash of light instantly arrived, wiping out his divine sense!

Not far away, Chi Hou was slowly recovering his physical body.

He glared angrily at Qin Yu, and the two consecutive times he suffered defeat made him both shocked and afraid!

This Qin Yu was not an ordinary martial saint at all! No Wonder Zhai Xing was so fearful!

“Recover your physical body? Do you think I can't Kill You?” Qin Yu sneered as he looked at Chi Hou who had once again gathered together.

Chi Hou shouted, “Brat, you’ve cultivated so arrogantly. I’ll let you see my forbidden technique!”

In an instant, a brilliant light rose in all directions and killing intent drowned the Earth. The forbidden technique instantly appeared!

Thousands of Great Dao gathered on a white spear! This white spear seemed to be able to pierce through the heavens and earth. It was abnormally terrifying!

This was a forbidden technique bestowed upon him by the second mystic realm. It was incomparably terrifying. It was said that when cultivated to the extreme, it could even cut off one’s life force!

“Go to hell!” Chi Hou roared angrily, and the white spear shot towards Qin Yu explosively!

A waterfall-like internal Qi descended from the White Spear, wiping the ground until it was covered in scars!

Facing this forbidden technique, Qin Yu’s eyes exploded with a cold glint

With a furious roar, the Vajra’s holy body technique was fully displayed. Following that, he stretched out his two arms and grabbed the white spear!

“Chi la!”

The white spear was as hot as the sun. The Moment Qin Yu touched it, traces of internal Qi that were scorched instantly spread out!

But even so, Qin Yu still held onto the white spear tightly!

His arms were emitting smoke because of the temperature!

Under everyone's shocked gazes, Qin Yu's arms exerted strength and actually broke the white spear!

“How is this possible!”

Chi Hou's expression changed greatly!

His forbidden technique was actually broken just like that!

“Whoosh!”

Qin Yu pointed with his finger, and a light spread out, heading straight for Chi Hou's glabella!

“Swoosh!”

Before Chi Hou could react, the brilliant light had already pierced through his glabella and brain matter splattered everywhere!

However, something that shocked Qin Yu happened. Chi Hou's body had actually condensed once again!

His primordial spirit was actually uninjured!

“Eh?”

Even Qin Yu was somewhat surprised.

Could it be that his primordial spirit was not at the glabella at all?

Chi Hou, who had condensed his body once again, stood not far away and panted heavily.

He was starting to feel afraid.

This young man in front of him was too terrifying. He was definitely not someone he could deal with!

“Let’s see how many times you can reunite!”

Qin Yu punched out and shattered Chi Hou’s physical body once again!

His body had turned into pieces of minced meat, but even so, his body was still slowly recovering.

“His primordial spirit is probably not in his body,” at this moment, the immortal crane suddenly reminded.

Qin Yu seemed to have understood something. He stepped forward and picked up a ring from the pieces of flesh.

This ring was Chi Hou’s spatial divine artifact!

His primordial spirit was very likely hidden in this spatial divine artifact!

Sure enough, Chi Hou’s expression instantly became somewhat panicked after the ring was taken away.

He looked nervously at Qin Yu and said, “Return the ring to me.”

Qin Yu sneered and said, “How will you recover your body if your primordial spirit is shattered?”

“No!” Chi Hou panicked! The purpose of his trip was to make a contribution. He didn’t want to die here!

“Qin Yu, return the ring to me. Everything can be discussed!”

“Discussed? What am I discussing with you?” Qin Yu sneered.

Chi Hou gritted his teeth and said, “I can betray you! Zhai Xing doesn’t know what’s good for him, but I’m different. I can attack the second secret realm with you. You and I will work together!”

Qin Yu played with the ring and sneered, “Work together with you? Do you think you’re Worthy?”

Chi Hou saw this and couldn’t help but shout angrily, “Qin Yu! Return the ring to me, or I won’t spare you!”

“Is that so?”

Qin Yu clenched his hand, and the spatial artifact was crushed into pieces!

Chi Hou’s divine sense also flew out!

“Not everyone has the right to betray us. You should just die.” Qin Yu’s fingers flashed with light as he shot towards the primordial spirit!

“Qin Yu! The second mystic realm will definitely not let you off! Little Bastard, I’ll wait for You Underground!” Chi Hou’s hoarse roar spread throughout the entire Heaven Gate!

As the light shot in, Chi Hou’s divine sense was pierced through and dissipated into thin air!

His body fell to the ground and he never stood up again.

Martial Marquis, who had walked out of the second secret realm, instantly panicked. Even Chi Hou had died, so there was no meaning for them to continue fighting.

Some people wanted to submit, but the demonic beasts, who hated humans by nature, had already killed until their eyes were red, so how could they give up!

The disciples of the secret realm, whose morale had been reduced, instantly lost the will to fight.

This great battle instantly turned into a one-sided massacre!

The entire heaven gate was dyed red with blood, and the stench of blood filled the entire heaven gate. It was extremely pungent.

The battle continued for a long time, and the mystic realm martial artists fell one after another!

The first attack of the second mystic realm had failed!

This was naturally an extremely encouraging thing for the Heaven Gate!

Qin Yu did not want to stop it, and quietly watched the massacre.

After a long time, the battle came to an end.

Almost all the 1,000 martial Marquis sent by the Second Secret Realm had died in battle!

Qin Yu's expression was extremely cold. A martial marquis who had rolled to his feet was looking at him in horror.

Qin Yu picked him up with one hand. A trace of internal Qi was injected into his body, temporarily restoring his aura.

Then, Qin Yu pointed with his finger, and a ray of light entered his mind.

The Martial Marquis looked at Qin Yu in horror, not even able to beg for mercy.

“Go back and tell Gu Zizhen to wait for me in the second secret realm. Three days later, I will bring people to crush the second secret realm,” Qin Yu said coldly.

The Martial Marquis, who had saved his life, nodded desperately.

Qin Yu patted his shoulder and said, “Let's go.”

Without turning his head, he ran away..

Chapter 1054: Chapter 1,054, Peak Battle Sage!

Both sides suffered heavy casualties in this battle.

At least a hundred people from the Heaven Gate had died. If Qin Yu had not returned in time, many more would have died.

After returning to the main hall, the remaining heaven gate disciples began to clean up the battlefield.

Qin Yu, Immortal Crane Jiang He, and the others sat cross-legged together.

“This is Lord Immortal Crane,” Qin Yu took the initiative to introduce them.

Jiang he and the others stood up to greet him, but immortal crane, who disliked humans by nature, ignored them and just sat there without saying a word.

It wasn't just immortal crane, Uncle Niu and the others were the same.

Qin Yu was also helpless and could only wink at Jiang he and the others.

“Call us when you set off.” At this moment, immortal crane suddenly stood up and turned to leave.

After he left, Qin Yu helplessly explained, “They are all demon beasts, so they naturally don't have a good impression of human cultivators.”

“Demon Beasts ? So Many Demon Beasts ?” Jiang he couldn't help but be a little surprised.

“Qin Yu, how did you get to know so many demon beasts?” Xu Huaigu also asked.

Qin Yu waved his hand and said, “It’s a long story. In short, they are here to help us.”

“I really didn’t expect that the second Mystic Realm would take the initiative to attack.”

“Yeah, and they brought so many people.”

“It seems that the second mystic realm can’t sit still anymore.”

Qin Yu sneered and said, “That’s good too. In a few days, I will bring people to attack the second mystic realm.”

The news of this battle quickly spread. The death of 1,000 martial marquis in the second mystic realm could be said to be a shock to the world.

Although it was a golden age, the Martial Marquis realm was as rare as phoenix feathers and qilin horns.

Any one of them could become the overlord of a region.

But in this battle, more than 1,000 martial marquis had died. It was simply shocking.

On the other side, the surviving martial marquis staggered back to the second secret realm.

He knelt in front of Gu Zizhen and said in a trembling voice, “They’re all dead. Our people are all dead!”

“What!”

Gu Zizhen suddenly stood up and said angrily, “How could this be! All of the One Thousand Martial Marquis are dead? where is Chi Hou?”

“Lord Chi Hou... he was killed by Qin Yu!” The Martial Marquis said in terror.

Zhai Xing seemed to have expected this. His face was somewhat sorrowful, but he didn't say a word.

Gu Zizhen sat on the chair, his face terrifyingly cold.

“This Qin Yu... I won't forgive him!” Gu Zizhen slapped the table.

At this moment, the martial marquis kneeling in front of him suddenly exploded and died!

Blood splattered everywhere and splashed onto Gu Zizhen's face!

Then, a shadow flew out from between Gu Zizhen's eyebrows.

This shadow was none other than Qin Yu!

Qin Yu stayed in the air and looked around as if he was sizing up the structure of the palace.

“TSK TSK, your place is not bad.” Qin Yu looked at Gu Zizhen and sneered.

Gu Zizhen narrowed his eyes and said in a cold voice, “You are Qin Yu?”

“You are Gu Zizhen? We finally meet.”Qin Yu sneered.

Gu Zizhen suddenly stood up and shouted, “Kid, you killed a thousand of my martial marquis. You Are Really Vicious!”

“This is just the beginning,”Qin Yu said with a dark face.

“Wait for me to kill my way in. The second secret realm will definitely be filled with people!”

These words were meant for Gu Zizhen to hear, but also for Zhai Xing.

“Gu Zizhen, wait in the second secret realm. In a few days, I will bring people to take your dog head,”Qin Yu said with a cold smile.

Gu Zizhen waved his hand and erased this trace of divine sense.

His face was terrifyingly cold, and the murderous aura on his body was extremely shocking.

No one in the entire hall dared to say anything, afraid that this anger would descend on them.

This time, the second secret realm’s face was completely lost.

Not only did they fail to take down the Heaven Gate, but they were also massacred. If this news were to spread, they would definitely be ashamed of themselves.

...

In the next few days, Qin Yu told everyone about the second secret realm he controlled.

“There are at least 10,000 martial marquises in the second secret realm. They all work for the GU family and control the joint secret technique,” Qin Yu said.

“Besides the martial marquises, they also have several martial saints, an unknown spiritual artifact, and a peak martial saint, Gu Zizhen.”

“We might not be able to win in a fight,” Jiang he said.

Qin Yu grunted and continued, “Therefore, the purpose of this expedition is not to win. As long as we see Zhai Xing, we will have completed our mission.”

Great battles were often fraught with anxiety. It was impossible to win in one go.

Xianhe, who had been silent, suddenly said, “You can leave Gu Zizhen to me.”

Qin Yu smiled and said, “No need. I will personally take care of Gu Zizhen.”

“He is at the peak of the Martial Saint Realm. Can you do it?” The Immortal Crane raised its eyebrows.

Qin Yu stood up and said, “Not to mention the peak of the martial saint realm, even if he is at the Almighty Realm, I still want to try.”

Seeing this, the immortal crane did not say anything more.

Three days later, all the disciples of the Heaven Gate gathered at the entrance of the martial arts association in Jingdu.

Hundreds of people surrounded the entire martial arts association of Jingdu.

The surrounding crowd was discussing in low voices, and some people immediately chose to join the Heaven Gate.

Qin Yu was like a general who was about to go on an expedition. He stood on a high place and gave the highest order of the Heaven Gate.

“Everyone, listen up. Go to the second secret realm!” Qin Yu waved his hand. In an instant, hundreds of people were like tigers out of a cage, instantly shattering the martial arts association of Jingdu!

They went straight to the entrance of the second mystic realm. As the entrance opened, everyone charged into the second mystic realm!

Immortal Crane and Qin Yu stood outside without moving for a long time.

“Qin Yu, don’t forget the purpose of this trip. What I want is to enter the first mystic realm and find the ancient array platform,” said immortal crane.

Qin Yu smiled and said, “Don’t worry. I’m also very interested in this ancient array platform.”

Xianhe hummed in gratitude. He didn’t say anything else and strode into the secret realm.

The few of them entered the second secret realm together. The entrance to the secret realm slowly closed again.

Now, the Martial Arts Association of Jingdu no longer had any dignity to speak of. Many people ran in and stood at the exit to watch.

Xia hang looked at this scene and couldn't help but sigh slightly.

“I'm afraid the Martial Arts Association of Jingdu is going to become history.”

Before he could finish his words, auspicious clouds suddenly flashed in the sky!

“HMM ? It's the martial saint's auspicious clouds!” Someone exclaimed.

“Is someone going to step into the martial saint realm again ?”

The auspicious clouds quickly dispersed. Then, the Heavenly Tribulation suddenly arrived!

“Indeed, someone is going to step into the martial saint realm.”

“From this direction, it seems to be the Yan family! Could it be that Yan Jinyao is going to step into the Martial Saint Realm ?”

Just as everyone guessed, at this moment, in the Yan family's courtyard, Yan Jinyao was getting ready to face the heavenly tribulation!

“It's finally my turn!” Yan Jinyao's face revealed a crazed expression.

“I have the combined bloodline of the Yan family and Qin Yu.. The invincible one must be me!”

Chapter 1055: Chapter 1,055, the battle against Gu Zizhen!

Qin Yu led everyone into the second secret realm.

Gu Zizhen, who was in the palace, quickly felt a trace of an abnormal internal Qi!

“He’s here,”gu Zizhen stood up and said.

Xuan Qi cupped his hands and said, “I’m willing to fight.”

Gu Zizhen waved his hand and said coldly, “No need. I want to kill Qin Yu Myself!”

After saying that, Gu Zizhen walked out of the palace and rushed toward Qin Yu!

Behind him, he led a dense group of martial marquis who covered the sky and sun as they rushed toward him!

The two sides faced each other and their eyes met.

Seeing Gu Zizhen, Qin Yu couldn’t help but frown slightly.

He didn’t expect that Gu Zizhen would personally lead people here.

“Little Bastard, you really dare to barge into my second secret area!”Gu Zizhen said through gritted teeth.

Qin Yu did not say anything. He looked around as if he was looking for Zhai Xing.

“Where’s Zhai Xing?” Qin Yu asked deliberately.

Gu Zizhen’s expression changed and he said coldly, “Why are you looking for Zhai Xing?”

Qin Yu smiled and said, “I injured him. Only I can treat his injuries.”

After saying that, Qin Yu flicked his finger and a pill shot toward Gu Zizhen.

Gu Zizhen took the pill, but his face became colder and colder.

“Qin Yu, what is your relationship with Zhai Xing? Tell me the truth!” Xuan Qi suddenly took a step forward. He pointed a long spear at the tip of Qin Yu’s nose.

“Who do you think you are? Do you have the right to know?” Qin Yu narrowed his eyes. He suddenly stretched out his hand and cut at the spearhead!

“Crack!”

In the blink of an eye, the spearhead was broken!

Xuan Qi’s expression could not help but change.

The battle had yet to begin and his weapon had already been broken. This was not a good thing for a battle between two armies.

As expected, Gu Zizhen could not help but cast a cold glance at Xuan Qi.

Xuan Qi gritted his teeth. In order to make up for this mistake, he shouted, “Qin Yu, I heard that you are invincible among the younger generation. Today, I will experience your powerful move!”

After saying that, Xuan Qi threw down the long spear and shot towards Qin Yu!

Qin Yu couldn't help but sneer. He stretched out his palm, and a strong suction force instantly made Xuan Qi lose his balance.

His face changed. Before he could struggle, Qin Yu had already pushed his palm on his chest.

“Swoosh!”

Xuan Qi instantly flew hundreds of meters away, and he couldn't see the end of it.

Gu Zizhen's expression instantly became even more unsightly, and his morale instantly dropped.

On the other hand, on Qin Yu's side, their morale was high, especially the demonic beasts under immortal crane. Each of them bared their fangs as if they could not help but attack.

“Little Bastard, if I don't kill you today, I swear I won't be a human!” Gu Zizhen shouted loudly. His hair danced wildly as a terrifying aura spread out!

Peak of the Martial Saint Realm! This was the strongest person Qin Yu had ever met! He was only one step away from the Almighty Realm!

“Little Bastard, go to hell!”

Gu Zizhen clenched his fingers, and thousands of lights gathered on his palm. With a raise of his hand, it seemed like he was going to destroy the world!

Naturally, Qin Yu did not dare to be negligent. His Vajra holy body instantly erupted, and his palm met Gu Zizhen's!

This was the first time the two sides had met each other's palm. The collision of their internal Qi was too terrifying, and it seemed as if the world was about to collapse!

What was even more shocking was that under this force, the surrounding space seemed to have distorted! It seemed that the second mystery realm was about to be unable to withstand the strength of the two of them!

A huge explosion spread throughout the entire second mystery realm, and cracks appeared on the Golden Light on Qin Yu's palm!

A trace of surprise flashed across Gu Zizhen's face!

He had thought that with his strength at the peak of the Martial Saint Realm, killing Qin Yu would be as easy as cutting melons and cutting vegetables.

However, this exchange of palms had given him a huge shock!

“It seems that Zhai Xing did not lie to me. You are really not simple. No wonder my son was defeated by you.” Gu Zizhen said with a gloomy face.

Qin Yu sneered, “Your son is just a ruthless trash. I wonder how much stronger you are than him as a father.”

“You are courting death!” Gu Zizhen was furious. As he roared, the battle between the Heaven Gate and the second secret realm began!

Gu Zizhen was at the peak of the Martial Saint Realm. His strength was unimaginable. His breathing exercise seemed to be accompanied by the roar of the Great Dao!

Each of his spells seemed to be born with the Great Dao. They were extremely powerful. The black radiance was like a divine sword, slashing straight at Qin Yu’s primordial spirit!

Facing such an expert, the slightest carelessness could result in his death. Qin Yu also raised his strength to the peak, relying on the ‘line’ formula to dodge.

However, that divine sword was too terrifying. Even if its speed was extremely fast, it was impossible to dodge. It seemed like it wanted to cut down everything in the world!

“Internal Qi!” Qin Yu roared as his aura erupted. His hand formed a large golden seal, colliding with the divine sword!

“Boom!”

The collision on this scale caused the entire second mystic realm to become unstable!

The earth was shaking, mountains and rivers were crumbling, and everything seemed to vanish into thin air!

The more Gu Zizhen fought, the more shocked he became. Even if he used all his trump cards, he was still unable to take down Qin Yu!

His incomparably fierce body was completely unharmed by ordinary spells!

This made Gu Zizhen extremely angry. He opened his mouth slightly, and black flames gathered in his mouth. Then, he saw clusters of black flames!

Qin Yu had seen such black flames before. Wherever it touched, it would instantly turn into ashes!

The black flames spread rapidly and slowly condensed into a cage, trapping Qin Yu in an extremely small area!

Then, Gu Zizhen stretched out ten fingers, and the clattering sound was immediately deafening!

Several chains shot out from several directions of the secret realm. The end of the chains carried a sharp black flame and pierced towards Qin Yu's body!

Qin Yu's expression changed greatly. He smelled a sense of danger and hurriedly activated the Vajra holy body in an attempt to stop it.

But this black flame actually directly penetrated the golden light and shot towards Qin Yu's body!

Chapter 1056: Chapter 1,056, five-petaled Lotus!

In an instant, the black flame began to burn!

Gu Zizhen's fingers moved, and the black flame began to stir rapidly, as if it wanted to grind Qin Yu's body into pieces!

“Chi La Chi La!”

At this moment, a series of strange sounds came from within the Black Flame!

Following that, a blue light shot into the sky, and lightning tore apart the Black Flame!

This was the heavenly tribulation that Qin Yu had collected. It contained the true power of the Great Dao, and it actually directly tore apart the Black Flame!

Qin Yu shot out explosively from within, and a golden light shot straight towards Gu Zizhen's chest!

Gu Zizhen didn't have the time to be shocked, and hurriedly raised his hand to deal with it.

However, with just his physical body, Qin Yu wouldn't be able to meet an opponent under a mighty figure, let alone this Gu Zizhen!

The moment they touched, half of Gu Zizhen's arm was directly shaken into a bloody mist!

He hurriedly shot backwards and stood at a high place, coldly looking at Qin Yu!

“Looks like you’re not much either. I’ve overestimated you,” Qin Yu said coldly.

“If I had known this would happen, I would have led my people to directly attack the second secret realm earlier.”

These words undoubtedly made Gu Zizhen feel humiliated! As the Realm Master of the second secret realm, he had never been afraid of anyone!

Looking around, this place had completely turned into a battlefield!

Blood rained down from the sky, and the air was filled with the strong smell of blood!

“Everything will be destroyed!”

At this moment, Gu Zizhen’s killing intent suddenly rose. Tens of thousands of rays of light instantly arrived, as if they came from the horizon!

The aura of internal Qi of destruction turned into a miniature version of the second secret realm, trapping Qin Yu inside.

This was a spell of the Great Dao, born in accordance with the Heavenly Dao. It seemed to want to devour Qin Yu and turn him into a part of the second mystic realm!

Qin Yu, who did not understand what was going on, was instantly severely injured. The power of his life seemed to be rapidly sucked out by the miniature version of the second mystic realm!

Qin Yu did not dare to think too much. He roared angrily and raised his fist to punch out. The powerful force caused the miniature version of the second mystic realm to tremble violently, as if it was going to collapse at any moment!

“It’s useless.” Gu Zizhen seemed to be extremely confident. He shot out beams of terrifying light and fell into this narrow space, trapping Qin Yu firmly to death!

Even Qin Yu felt a trace of panic when he saw such a terrifying spell.

Without any time to think, Qin Yu raised his hand and smashed his fist into the four walls!

“Bang!”

With all his strength, his right fist exploded, even if it was a secret technique that was born with the Great Dao!

The explosive power even exploded through Qin Yu’s body!

The bloody pieces of flesh fell to the ground and instantly turned into nothingness!

“What a terrifying punch!” Gu Zizhen could not help but be shocked.

If that punch had landed on his body, it would have shattered his body!

At this moment, Gu Zizhen began to believe Zhai Xing’s words.

The Qin Yu in front of him was not an ordinary martial saint! His strength was not inferior to his!

“Life-ending shock!”

As a top-tier martial saint, Gu Zizhen naturally would not give up.

Each of his moves seemed to be related to the Great Dao. As he lightly opened his mouth, waves of internal Qi of destruction covered him.

This was an extremely terrifying technique of decay. Wherever it touched, all living things would turn into nothingness, becoming the dust of the second mystic realm!

Qin Yu’s finger was only contaminated by the internal Qi that was emitted, and his entire finger instantly lost the ability to move!

He did not dare to think too much and hurriedly blew up half of his finger. Then, he turned around and punched out.

Gu Zizhen let out a furious roar. Light gathered in front of him and blocked the punch.

The battle went on endlessly. Both sides had brought out their trump cards. Both of their Qi and blood had reached their limits, but there was no victor!

Both of them were extremely shocked. Neither of them had expected that the other party’s strength would be so powerful!

“This Gu Zizhen is only one realm higher than Zhai Xing, but the difference in strength is so great!” Qin Yu thought in his heart.

Compared to Zhai Xing, Gu Zizhen's strength was even more terrifying!

Both sides had exchanged thousands of moves, but Qin Yu still could not figure out Gu Zizhen's true strength.

This was enough to prove that he still had many trump cards hidden on him!

“Bang!”

Right at this moment, Gu Zizhen seemed to have summoned an object from beyond the heavens!

It was a blood-stained Phoenix that blotted out the sky and covered the earth as it crushed over!

Qin Yu's expression changed drastically. The Blood Phoenix that was whistling over sent him flying hundreds of meters away, and his entire body was embedded into the ground!

Then, the Blood Phoenix's body lowered its heavy internal Qi!

Even Qin Yu's physical body was unable to resist it, and it almost crushed it!

His internal organs were squeezed, and Qin Yu immediately spat out blood from his mouth!

“Absolute beginning nine slashes!”

At this critical moment, the others took out their bronze swords and raised their hands to slash!

The sharp blade that cut through the sky seemed to have split the sky into two, and even the Blood Phoenix into two!

After the internal Qi dissipated, Qin Yu held his sword and rose up. His entire body was covered in blood that scattered on the ground. It was a tragic sight.

Looking at the battlefield again, the two sides seemed to have entered a stalemate!

Although the immortal crane had made a move, Gu Zizhen had used a secret treasure to restrain these martial saints from the demon city!

This secret treasure was a gift from the higher-ups. It was a treasure of the same level as the soul bell. At this moment, it was resurrecting on its own, making it impossible for the immortal crane and the others to escape!

Just as Qin Yu had guessed, this was an anxious battle. It was impossible for it to end in a short period of time!

Gu Zizhen's strength was even stronger than he had imagined. Most importantly, he still had a treasure in his hands!

At this moment, the sky turned dark. The battle had already lasted for several hours. If they continued fighting, it would only increase the casualties.

“Hu!”

However, Qin Yu wanted to retreat, but Gu Zizhen wanted to leave Qin Yu here completely!

A pitch-black treasure appeared in his hands!

This was a five-petaled lotus. The moment it was taken out, everyone on the battlefield smelled danger!

The internal Qi emitted from the Lotus was unusual. It was an internal Qi that Qin Yu had never felt before!

“Today, I will kill you. I will let you know the consequences of rebelling against the Jingdu Martial Arts Association!” Gu Zizhen revealed a crazed expression.. The five-petaled lotus in his hand shone with a mysterious radiance!

Chapter 1057: Chapter 1,057, Yan Jinyao arrived

The five-petaled lotus emitted an extremely holy light that attracted everyone’s attention.

Everyone looked over and were all shocked!

Qin Yu’s expression was not too good either. He could feel the terrifying internal Qi emitted by the five-petaled Lotus!

Gu Zizhen did not say anything more. He seemed to have made up his mind to keep Qin Yu in the second secret realm!

With a light flick of his finger, a lotus flower floated out of the five-petal lotus and floated towards Qin Yu!

The five-petal lotus emitted a divine light that shot into the sky and approached Qin Yu at an extremely fast speed!

Seeing that the five-petal lotus was getting closer and closer, Qin Yu had no time to dodge.

He roared angrily and raised his fist to meet it!

At the moment of the collision, endless divine power erupted and almost drowned the entire battlefield!

That piece of void seemed to have collapsed, and the second mystic realm became extremely unstable!

The remaining power spread out like water ripples, and all the martial artists that came into contact with it were turned into ashes!

And Qin Yu, who was at the center of this storm, was even more miserable to look at!

Even if he swung his fist to break ten thousand arts, he was still unable to resist this lotus petal!

“Bang Bang Bang!”

The lotus petal seemed to have exploded on Qin Yu’s body, blasting his body into pieces, and densely packed cracks appeared on his bones!

It was as if no one had realized how terrifying the lotus flower was. They turned pale with fright, and no one even dared to go up to a thousand to save him!

Qin Yu’s mouth was bleeding non-stop. His body was shattered, and it was extremely difficult for him to even stand up.

His primordial spirit was a little dim. That destructive power had almost taken his life!

“You’re not dead? Then let’s Do It Again!” Gu Zizhen could not stop laughing coldly.

Seeing that things were not going well, the immortal crane turned into a breeze and arrived in front of Qin Yu in the blink of an eye. It hugged the injured Qin Yu in its arms.

“Retreat.”

The Immortal Crane quietly spat out a word and then took the lead to run toward the exit.

“Run? The exit has long been sealed by me. How can you escape!” Gu Zizhen shouted loudly.

“Today, I’ll use you to sacrifice the second secret realm!”

After saying this, Gu Zizhen quickly chased after them.

However, when he arrived at the exit of the secret realm, he discovered that the sealed exit had been forcefully broken open!

The exit was still emitting waves of light-colored internal Qi.

Gu Zizhen’s expression couldn’t help but turn somewhat cold.

He held the five-petaled lotus in his hand and coldly said, “We actually let him escape.”

“Master, why don’t we seize the victory and chase after him and kill him!” Xuan Qi ran up and shouted.

Seeing Xuan Qi, Gu Zizhen was so angry that he couldn’t help but burst out.

He said coldly, “You piece of trash. I originally wanted to hand over the military power to you, but in the end, you made the second mystic realm lose face!”

In this battle, Xuan Qi was sent flying by Qin Yu before he could even use a single move.

How could such a battle result convince the masses.

Xuan Qi stood at the side and did not dare to speak. The atmosphere in his heart was also extremely tense.

He did not expect Qin Yu’s strength to be so formidable. The long spear in his hand had actually been broken by him. It was simply unheard of!

Gu Zizhen’s expression was also not very good. Qin Yu’s strength was also stronger than he had imagined.

If it was not for the spiritual artifact gifted by the higher-ups, it was really hard to say who would win today.

At this moment, a pill appeared in Gu Zizhen’s hand.

He played with the pill, and his face became increasingly gloomy.

This pill was the one Qin Yu had asked him to pass to Zhai Xing.

Gu Zizhen, who was already a little suspicious, became even more distrustful of Zhai Xing at this moment.

He took a deep breath and waved his hand. “Guard this place well. If Qin Yu dares to come, tell me immediately!”

“Yes!” Xuan Qi cupped his hands, planning to guard this entrance personally.

At this moment, the Sky Blood Rainbow on the ground raised his head and looked at this scene.

“So Awesome.” The Sky Blood Rainbow sneered continuously.

“When my secret technique is completed, all of you will become a part of me!”

...

Qin Yu was brought back to the Heaven Gate by the Immortal Crane.

His injuries were extremely serious. The power contained in that lotus flower was too terrifying.

It wouldn't be an exaggeration to say that it could destroy the world.

“How do you feel?” The crane placed Qin Yu on a chair and asked.

Qin Yu opened his eyes and shook his head. “I can still hold on.”

If he were to transform into someone else, he would probably be blasted into a bloody mist.

“What is the origin of that five-petaled Lotus?” Xu Huaigu asked in a deep voice.

Qin Yu shook his head and said, “I don’t know either, but it should be a magic artifact gifted by a mighty figure.”

“Each petal of the five-petaled lotus contains an energy that can destroy everything.”

Qin Yu even felt the threat of death when the Lotus approached him.

Just the residual power alone had destroyed countless lives.

“Gu Zizhen still has many secret treasures on him. If we can’t find a way to deal with him, we definitely won’t be able to take down the second secret realm,” said Jiang he.

Qin Yu nodded. He panted heavily and said, “Let me go and ask Luo Jingyu.”

Although Luo Jingyu wasn’t very strong, he had a deep understanding of magic artifacts.

At this moment, there was still the fragment of the five-petaled Lotus on Qin Yu’s body. Luo Jingyu might be able to know something.

“You’d better rest well.” The Immortal Crane reached out and held Qin Yu down.

Qin Yu smiled bitterly and said, “I’m fine. I can rest assured even if I get to the bottom of it earlier.”

“If I tell you to rest, then you should rest.” Immortal Crane was extremely overbearing. With a flick of his finger, a soft light bound Qin Yu on the spot.

Following that, immortal crane said coldly, “Where is the place you said? I’ll go ask for you.”

Qin Yu opened his mouth and was about to speak when a strange voice came from outside.

“Attacking the second secret area is truly a great feat. I’m afraid you’re the first person to do this.”

He raised his head and saw a young man dressed like a noble young master appearing at the door.

Although he was trying his best to suppress his internal Qi, he could still feel that dense aura.

“Yan Jinyao!”

Qin Yu’s expression instantly turned cold when he saw the newcomer!

Yan Jinyao said indifferently, “Qin Yu, I’ve heard that you’re the current number one person. Now that I’ve also stepped into the martial saint realm, I really want to compete with you.”

Qin Yu opened his mouth and was about to speak when the immortal crane walked towards Yan Jinyao barefooted.

“Qin Yu is injured and needs to rest. You should go.” The immortal crane was extremely tall, one head taller than Yan Jinyao.

Its condescending attitude made Yan Jinyao extremely unhappy.

“What does his injury have to do with me?” Yan Jinyao said indifferently.

“Qin Yu, do you dare to stand up and fight with me?”

The crane narrowed its eyes and said with a somewhat cold tone,

“Are you going or not?”

“Are you threatening me? Get lost. You are not qualified. Let Qin Yu Talk to me!” Yan Jinyao said coldly..

Chapter 1058: Chapter 1,058 led to the first secret realm

“In the entire world, only Qin Yu is worthy of my attack!” Yan Jinyao said proudly with his hands behind his back.

When he heard this, the heavy internal Qi on the immortal Crane’s body instantly spread out.

In an instant, the entire room trembled!

Crack

The bottles and porcelain on the table were shattered!

That powerful pressure pierced straight into the bottom of his heart!

Yan Jinyao, who was closest to the immortal crane, felt it extremely deeply. His expression changed slightly as he looked at the immortal crane in surprise.

“If you want to fight with Qin Yu, I don’t have the right to interfere. However, I will come back after he recovers,” said the immortal crane coldly.

“If you doubt that you want to challenge Qin Yu Now, I can act on his behalf.”

Yan Jinyao’s eyes narrowed slightly.

Although he was a little surprised by the crane’s strength, he was extremely inflated now that he had Qin Yu and Yan Ruoxue’s bloodlines.

He even believed that he was the number one person below a mighty figure! As long as he did not become a mighty figure, he was definitely not his match!

Hence, yan jinyao sneered, “Where did this blind fellow come from? Since you want to die, then I’ll Grant You Your Wish!”

After saying that, Yan Jinyao slapped the face of the crane!

That terrifying internal Qi spread out, causing the crane to dance wildly!

The crane’s face was calm. It raised its hand and casually welcomed the attack.

“Boom!”

The violent collision directly overturned the roof of the Hall!

Yan Jinyao was forced back several steps by this internal Qi before he could stabilize his body!

That powerful force penetrated through Yan Jinyao's body and headed straight for his internal organs!

His face turned pale, and his heart was even more shocked!

Who was this man in front of him? ! He was actually so powerful!

When did another powerhouse appear in this world? !

Yan Jinyao resisted the urge to vomit blood and pretended to be calm, "You have some ability. There are not many people in this world who can fight with me, Yan Jinyao. You are one of them."

At this point, Yan Jinyao looked at Qin Yu and said coldly, "Qin Yu, I, Yan Jinyao, don't want to take advantage of others. I will come to find you when you are better!"

After saying this, Yan Jinyao turned around and left without looking back.

Qin Yu looked at the immortal crane and said, "How are you? Are you okay..."

The Immortal Crane shook its head and said coldly, "You should take care of yourself."

Qin Yu laughed bitterly and said helplessly, "It's really a case of a house falling into the rain. I didn't expect Yan Jinyao to break through at this time..."

He was definitely a great enemy! An extremely powerful opponent!

Yan Jinyao left the Heaven Gate with quick steps. Only when he returned to the Yan family did he spit out a mouthful of blood!

His face was ferocious as he said angrily, “How is this possible! How is this possible! I’m the unrivalled one in the world! Who Is this man? We are both martial saints, how can I be inferior to him!”

At this moment, Yan Jinyao’s heart was undoubtedly on the verge of collapse. He thought that he was unrivalled in the world, but unexpectedly, besides Qin Yu, another one had appeared!

“Damn it, damn it! I must kill all of you!” Yan Jinyao was incomparably furious, and his heart was almost twisted.

...

In the next few days, Qin Yu was recuperating while thinking of countermeasures.

The five-petaled Lotus was extremely powerful. Qin Yu did not want to endure it a second time.

If he were to rely on his physical body to withstand it again, his soul would probably be shattered.

“I wonder how many more such magic artifacts there are in the second secret realm.” Qin Yu thought to himself.

He flipped his palm and took out the soul bell.

The power of the soul bell should not be below the five-petaled lotus.

However, once this item was activated, it would be an indiscriminate attack. Who knew how many people would be sacrificed.

“I wonder how Zhai Xing is doing.” Qin Yu put away the soul bell and thought in his heart.

If he could make Zhai Xing betray him, that would naturally be the best.

However, if it was really not possible, Qin Yu could only activate the soul bell and fight to the death.

“No one can stop me!” Qin Yu’s tone was somewhat vicious.

At this moment, the immortal crane suddenly walked in from outside the door.

He sat beside Qin Yu and asked casually, “How is your body?”

Qin Yu nodded and said, “It’s almost recovered. When I find a way to deal with the five-petal Lotus, we will immediately take action a second time.”

At this moment, immortal crane was silent for a moment, then said, “I came to find you precisely for this matter.”

Qin Yu’s eyes carried a hint of surprise as he waited for Immortal Crane to continue.

Immortal Crane said, “You saw the result of the last battle. The second mystic realm is not stable.”

Qin Yu nodded. Just as immortal crane said, during the last battle, the second mystic realm had many cracks in the void. This was enough to prove that the second mystic realm could not withstand such a large-scale battle.

“You know why I came.” Immortal Crane stared at Qin Yu and said in a low voice.

“Yes, I didn’t forget,” Qin Yu agreed.

That was not only immortal crane’s goal, but also Qin Yu’s goal.

“So... no matter what, the second mystic realm can’t be destroyed,” immortal Crane’s voice became extremely serious.

Qin Yu said in surprise, “Then what do you mean?”

Immortal Crane stood up and said with his hands behind his back, “The second mystic realm can’t withstand so many of us fighting. If we keep fighting, the second mystic realm will be destroyed.”

“The best way is to let Gu Zizhen come out. In short, we can’t start a large-scale war in the second mystic realm. If the second mystic realm is destroyed, then it’s over.”

Qin Yu immediately frowned.

He touched his chin and said in a low voice, “It’s basically impossible to let him come out. It seems that we still have to take Gu Zizhen away...”

“Take Gu Zizhen Away?” Xianhe was a little surprised.

Qin Yu grunted and said, “The best way to avoid a large-scale battle is for me and Gu Zizhen to fight each other. However, the premise is to turn over Zhai Xing and use Gu Zizhen.”

“In this way, we can get rid of Gu Zizhen and preserve the second mystic realm.”

Originally, Qin Yu almost gave up on Zhai Xing. However, after hearing Immortal Crane’s words, he had no choice but to continue the old method.

...

The second secret realm.

Gu Zizhen played with the pill in his hand, preparing to go find star seizer.

During this period of time, his suspicion of star Seizer had become deeper and deeper. At the same time, he was also dividing the power of star seizer step by step.

“Star Seizer, you’d better not betray me, or else I definitely won’t spare you!” Gu Zizhen slowly stood up and said coldly.

Just as Gu Zizhen was about to stand up and go to find Star Seizer, a phantom suddenly descended!

Seeing this shadow, a trace of respect immediately appeared on Gu Zizhen’s face.

He hurriedly got up, bowed, and said, “Greetings to the higher-ups.”

The higher-ups looked at Gu Zizhen coldly and said, “The second mystic realm must not be lost. We must defend it at all costs. Do you understand?”

Gu Zizhen bowed and said, “Please rest assured. I will definitely defend the second mystic realm.”

The higher-ups grunted and said, “If necessary, even if the second mystic realm is destroyed, it can not fall into the hands of Qin Yu.”

“Of course, we will also help when necessary.”

Gu Zizhen hurriedly nodded and said, “Please rest assured. I understand.”

“Come here.” At this moment, the higher-ups suddenly said.

Gu Zizhen was stunned, but he still obediently walked in front of Gu Zizhen.

He raised his finger and pointed at the center of Gu Zizhen’s brows. A Ray of light entered his mind.

“Master, what is this?” Gu Zizhen asked with some confusion.

The master said coldly, “A backup plan for you. I hope you won’t need it.”

Gu Zizhen still wanted to ask something, but the master didn’t give him the chance. He turned around and left.

“Master, why does the higher-ups value the second secret realm so much?” Long Mei asked, puzzled.

Gu Zizhen glanced at Long Mei and said slowly, “Because.... the second secret realm is the only way to the first secret realm!”

Chapter 1059: Chapter 1,059, countermeasures against the five-petaled lotus

There were too many secrets hidden in the first secret realm. This secret involved the higher-ups, and even the method to step into a higher realm!

Therefore, the higher-ups would rather destroy the second secret realm than open this passage!

Gu Zizhen got up and walked quickly to Zhai Xing’s room.

Zhai Xing’s injuries were getting more and more serious. He lay on the bed and tried to get up many times, but failed.

This was Qin Yu’s two-pronged plan:

He would put Zhai Xing back. If he could betray him, that would be the best.

If he could not betray him, then Zhai Xing would not be able to participate in the battle.

“Realm Master...” seeing Gu Zizhen walk in, Zhai Xing wanted to get up.

However, Gu Zizhen waved his hand. He sat next to Zhai Xing and said indifferently, “Your injuries are very serious. Even the pharmacist I invited can’t do anything about it.”

Zhai Xing smiled bitterly and said, “It’s all my fault that I’m so weak that I ended up like this...”

Gu Zizhen sneered and said, “Is that so? Could it be that Qin Yu did this on Purpose?”

“On purpose? What do you mean?” Zhai Xing was somewhat puzzled.

Gu Zizhen did not say a word. He took out the pill that Qin Yu had sent over and handed it to Zhai Xing.

“Eat it,” Gu Zizhen said.

Zhai Xing took the pill. He did not think much and stuffed it into his mouth.

It was strange to say that after swallowing the pill, Zhai Xing’s injuries instantly recovered a lot. He even sat up from the bed.

“What kind of miraculous pill is this?” Zhai Xing asked in great surprise.

Gu Zizhen said with a strange tone, “This was sent by Qin Yu. It’s really strange that he did not forget to bring you the pill when he fought with my second mystic realm.”

Zhai Xing's expression immediately changed! He hurriedly said, "If you had told me earlier that this was sent by Qin Yu, I would rather not eat it!"

"It's a pity that you still ate it now." Gu Zizhen's expression became colder and colder.

After saying that, Gu Zizhen stood up and looked at Zhai Xing. He said with his back facing Zhai Xing, "There has long been a rumor that the hearts of the people in the second mystic realm are far better than mine. If you rise up, you can replace me at any time."

"This is all nonsense!" Zhai Xing said angrily.

"Master, I'm willing to hand over all the power in my hands!"

"Hand it over? From what you mean, only if you're willing to hand it over, can I make them listen to me?" Gu Zizhen said coldly. "..."

"That's not what I mean." For a moment, Zhai Xing did not know how to explain.

Gu Zizhen snorted coldly and said, "Zhai Xing, take care of yourself."

After saying this, Gu Zizhen turned around and left.

Zhai Xing's expression was extremely unsightly. He knew in his heart that he had most likely fallen into Qin Yu's trap.

"Qin Yu, I would rather die than betray Gu Zizhen," Zhai Xing muttered in a low voice and said coldly.

...

In the Heaven Gate, Qin Yu's injuries had already recovered by more than half.

However, there were still fragments of the five-petaled lotus on his body.

These fragments were embedded into his skin and flesh, piercing straight into his bones, causing cracks to appear on his bones.

Qin Yu took a deep breath and planned to head to the Heaven Secret Pavilion to find a countermeasure.

He rushed all the way to the Heaven Secret Pavilion.

The Heaven Secret Pavilion was as usual. Luo Jingyu's mind was focused on forging weapons.

However, his son was a complete waste. Other than drinking and flirting with girls every day, he had nothing else to do.

In the hall of the villa behind the pavilion of Heavenly Secrets, Qin Yu was standing there coldly.

Luo Yang knelt in front of Qin Yu, his face full of fear.

"Qin... Qin Yu, please forgive him just this once. He... He is also obsessed..." Luo Jingyu begged bitterly.

Qin Yu looked at Luo Yang coldly and said, "He has plotted against me more than once."

“I... . . I guarantee that he will never do it again!” Luo Jing Yu hurriedly said.

“I will have my men send him out of the fire country right now and I guarantee that he will never appear before you in Pyro’s lifetime!”

Qin Yu did not say a word, as if he had agreed to this request.

“Get the hell out of Here!” Luo Jing Yu glared angrily at Luo Yang as he shouted.

Luo Yang rolled and crawled as he turned to run.

After Luo Yang left, Luo Jingyu heaved a sigh of relief.

He looked at Qin Yu and said, “You... aren’t here for Luo Yang, are you?”

“I’m not in the mood to care about him.” Qin Yu sat on the sofa.

Then, Qin Yu’s body shook, and fragments of the five-petaled lotus shot out from his body.

At this moment, the five-petaled lotus was still flickering with a strange light, and a mysterious internal Qi was slowly flowing.

“Do you know what this is?” Qin Yu picked up a piece of fragment and asked.

Luo Jingyu took the fragment and couldn’t help but show a trace of shock on his face.

“Where... where did this come from?” Luo Jingyu hurriedly asked Qin Yu.

Qin Yu didn't stand on ceremony and told Luo Jingyu what happened.

“How is it? Do you know what this thing is?” Qin Yu asked.

Luo Jingyu said in a deep voice, “According to my many years of experience, this item definitely did not come from the second secret realm. It can even be said that this kind of material can not be found in this world.”

Qin Yu nodded slightly and said, “This item most likely came from the first secret realm.”

Luo Jingyu slowly rubbed the fragment with his palm, as if he was feeling the internal Qi flowing on it.

After a while, Luo Jingyu opened his eyes and said in a deep voice, “Even if this item isn't a supreme artifact, it's almost done. It's not surprising that you were injured by this item.”

“Supreme Artifact?” Qin Yu's brows slightly contracted.

It was indeed as he had imagined.

“En, not only is it a supreme artifact, it's also a holy artifact,” Luo Jingyu explained.

“Usually, magic artifacts are divided into four categories: Heaven, Earth, Black, and yellow. Among them, earth rank and above are called holy artifacts.”

Qin Yu grunted and said, “In that case, only mighty artifacts can deal with it?”

“No.” Luo Jingyu shook his head.

“Magic artifacts are extremely mysterious, and their mysteries are far beyond imagination. Mighty artifacts can’t represent everything.”

“For example, the mountain of the five peaks in your hand. Although it doesn’t have any internal Qi of a warrior, it’s a top-tier item.”

“Mountain of the Five Peaks?” Qin Yu suddenly thought of this item.

He took out this item from the spatial divine artifact and said in a low voice, “This item is extremely hard, but it seems to be far inferior to the five-petal Lotus.”

“It is indeed far inferior now.” Luo Jingyu stared at the mountain of the five peaks.

“But this thing has the ability to grow. It is definitely not something that his five-petaled lotus can compare to.”

“The ability to grow?” Qin Yu looked at Luo Jingyu.

Luo jingyu nodded and said, “That is, this thing will grow with your strength.”

Qin Yu suddenly understood.

But this five-petaled mountain could not be compared to the five-petaled lotus.

“Is there any way to deal with the five-petal Lotus?” Qin Yu returned to the main topic.

“Yes, of course there is.” Luo Jingyu nodded.

Then, he looked at Qin Yu’s pocket and said, “You have it on you, and it’s not just one.”

“Not just one?” Qin Yu frowned slightly.

Besides the soul bell, what was the other thing?

Chapter 1060: Chapter 1,060, the second attack

Qin Yu took out the soul bell from his body and handed it to Luo Jingyu.

“I know this thing can resist, but I don’t want to use it,” Qin Yu said in a deep voice.

Luo Jingyu took the soul bell, and a trace of excitement flashed in his eyes.

“Divine weapon, it’s really a divine weapon. I’ve lived for so many years, but I’ve never seen such a complete divine weapon!” Luo Jingyu’s hand holding the soul bell trembled slightly.

Qin Yu frowned and said, “Other than this item, what else do I have on Me?”

Luo Jingyu finally came back to his senses. He sized up Qin Yu and then pointed at Qin Yu’s right pocket.

“It’s in there,” Luo Jingyu said.

Qin Yu was puzzled and reached into the right pocket.

A moment later, Qin Yu took out the token that Yan Ruoxue had sent from the pocket.

It was a jade pendant with a dense internal QI surrounding it. It had an extraordinary aura.

“Yes, that’s it,” Luo Jingyu said.

“This thing can resist the five-petal Lotus?” Qin Yu’s eyes were full of doubt.

Luo Jingyu took the token and slowly rubbed it with his palm.

“The material of this thing is not inferior to the five-petal lotus. It’s even better than it. It’s a pity that this thing only grinds the raw material into a jade pendant. It Can’t be called a magic artifact,” Luo Jingyu said.

“If you are willing, I can help you to re-forged this object.”

Qin Yu snatched the jade pendant and hurriedly shook his head, “No, absolutely not!”

This was a token sent by Yan Ruoxue, and it was also the support of Qin Yu's belief.

Moreover, Yan Ruoxue had said that the jade pendant could be crushed at a critical moment.

“Then I have no choice,” Luo Jingyu shook his head and said.

“You can try to activate the soul bell to resist the five-petal Lotus.”

Qin Yu didn't say anything and said regretfully, “Even you can't do anything?”

“As long as the materials are scarce, the materials we have are far inferior to the five-petal lotus,” Luo Jingyu said.

Qin Yu put away the soul bell. These materials came from the first secret realm, so naturally, they couldn't be compared to the ones in this world.

“If it really can't be done, I can only activate the soul bell.” Qin Yu put away the soul bell and sighed slightly.

Then, he said goodbye to Luo Jingyu and left.

After returning, Qin Yu quickly made a plan.

He found Immortal Crane and said in a deep voice, “I plan to attack the second secret realm again, but this time, you will lead the team.”

“Eh?” Immortal Crane's long and narrow eyes were filled with surprise.

Qin Yu said, “You will attack the second mystic realm. I will find an opportunity to find Zhai Xing and think of a way to persuade him.”

“He is the key to this battle. Besides Gu Zizhen, he is the number one person. He knows the second mystic realm very well.”

Immortal Crane raised his eyebrows and said jokingly, “Call Me Big Brother, and I will agree to it.”

“... Big Brother.”Qin Yu was somewhat unwilling.

Immortal Crane laughed out loud. It patted Qin Yu’s shoulder and said, “Okay, Big Brother will agree to it.”

“That five-petal lotus is not simple. You have to be careful,”Qin Yu warned.

Immortal Crane nodded slightly and did not say anything.

Time could not be wasted, so Qin Yu did not waste it.

That night, he suddenly led people into the second mystic realm!

The group led by the Immortal Crane stepped into the second mystic realm one after another and launched the second round of attacks.

Gu Zi’s reaction was really fast. He immediately rushed out with his spiritual artifact, and the many martial artists in the second Mystic Realm also quickly stood up to fight.

“It’s up to you.”Qin Yu looked at the immortal crane and said.

After saying this, Qin Yu took advantage of the chaos and rushed to Zhai Xing's residence.

Zhai Xing was seriously injured. He didn't have any fighting ability, so he could only stand by the window and look at the sky from afar. His face was full of worry.

At this moment, the door opened and Qin Yu stepped in.

Seeing Qin Yu who suddenly came close, Zhai Xing's face changed greatly. he shouted angrily, "Qin Yu, why are you here? !"

Qin Yu looked at Zhai Xing coldly and said, "I'm here to give you one last chance."

"Give me a Chance?" Zhai Xing's expression turned cold.

Qin Yu said coldly, "That Gu Zizhen won't be able to hold on for long. His failure is fated!"

"Hahaha! Qin Yu, can you deal with five-petaled Lotus? !" Zhai Xing laughed coldly.

Qin Yu said coldly, "Do you really think that I can't deal with five-petaled Lotus? I just can't bear to let too many innocent people die in this battle!"

"Don't you know that the person I want to Kill is Gu Zizhen and has nothing to do with the others in the second secret realm? !"

"Do you think that just because you're blindly loyal to Gu Zizhen, you know what's good for you? !"

Zhai Xing's face was gloomy as he said coldly, "Cut the crap. Don't try to convince me with just a few words."

"Convince you?" Qin Yu's face was cold.

He grabbed Zhai Xing and pressed him against the window, pointing at the battle outside, he said, "Can't you see how many innocent people have died in this battle? "These people call you Lord Zhai Xing and regard you as their senior and role model. What about you? "Do you have the heart to watch them die here?"

"Zhai Xing, let me tell you. I'm not here to beg you. I'm just giving you a chance to atone for your sins!"

"If I really have the intention to kill, all of these people will die. Do you have a conscience to live with? !"

These few words made Zhai Xing's expression turn somewhat ugly.

These few days, Qin Yu had investigated Zhai Xing and discovered that this person did not have any weaknesses.

He did not have any family, friends, or loved ones, so he was not afraid of anything.

However, as long as it was a person, they would definitely have weaknesses.

For example, Qin Yu's weakness was Yan Ruoxue, and Zhai Xing's weakness was his softhearted heart.

Seeing that Zhai Xing did not speak for a long time, Qin Yu sneered, "If I'm not wrong, Gu Zizhen doesn't believe you anymore, right?"

“So What?” Zhai Xing said with a sullen face.

“So What? Do you want to let so many innocent people die for a person you don’t believe in?” Qin Yu questioned coldly.

“I...” Zhai Xing was instantly speechless.

At this time, he seemed to have reacted and said coldly, “I was almost tricked by you. Weren’t you the one who started this war? You are the main culprit!”

“I started it? hahaha!” Qin Yu couldn’t help but laugh out loud when he heard that.

“Zhai Xing, use your brain and think about it. It was Gu Zizhen who wanted to kill me first! He sent people to kill me many times! Don’t tell me I should let him kill me!”

Zhai Xing was still unconvinced. He said coldly, “Gu Zizhen only killed you.”

“The only person I want to kill is him, Gu Zizhen!” Qin Yu said coldly.

Zhai Xing did not say anything, but his heart had already begun to waver.

“Zhai Xing, I’ve said it. I’m giving you a chance, not for myself,” Qin Yu said coldly.

“Let me tell you. I must win this battle. No one can stop me. As far as I’m concerned, if they die, they die.”

Speaking up to this point, Qin Yu flicked his palm, and the soul bell fell into his hand.

“Watch carefully. If I really wanted to end this battle quickly, you guys would have lost long ago!” Qin Yu grabbed the soul bell and said coldly..

Chapter 1061: Chapter 1,060, supreme sand

When he saw the soul bell, Zhai Xing’s expression instantly turned extremely ugly!

He stared fixedly at the soul bell in Qin Yu’s hand and stretched out his hand, wanting to snatch it back.

But right now, Zhai Xing was incomparably weak, so how could he be Qin Yu’s match! !

Qin Yu’s hand shook slightly, and he dodged Zhai Xing’s palm.

“How could the soul bell be in your hand!” Zhai Xing said somewhat angrily.

Qin Yu lied and said, “When I put it back, I realized that someone would ambush you on the way, so I followed you in the dark until you returned to the martial arts association in Jingdu.

“I killed those two people and took the soul bell back. If I activate the Soul Bell, do you think you will be afraid of Gu Zi’s five-petal lotus

“Also, if I take out the soul bell, do you think you can survive

“The reason why I haven’t used the soul bell and would rather use my body to resist the five-petal lotus is still unclear to you!”

“Are you really going to force me to use the soul bell and sacrifice everyone to kill Gu Zizhen?”

“Also, let me tell you, if the battle continues, Gu Zizhen will definitely lose!”

“You know better than me what Gu Xinghe has done. Right now, everyone has long detested the martial arts association of Jingdu.”

“And Chang Mang and the others are about to step into the martial saint realm. At that time, the second secret realm will only get weaker and weaker!”

Zhai Xing’s expression was extremely ugly.

He stared blankly at Qin Yu, his heart greatly shaken.

Qin Yu, on the other hand, remained silent. He could not help but think to himself, ‘damn it, I’m so eloquent.’

He was not in a hurry. Instead, he let Zhai Xing think for himself.

During this time, Qin Yu also secretly paid attention to the big battle outside

Immortal Crane’s strength lived up to its reputation. In the face of Gu Zizhen, he was not at a disadvantage at all. In fact, he was even sure to win.

Under the premise that Gu Zizhen did not use the five-petal lotus, he was not a match for immortal crane at all.

“What do you want?”

Finally, Zhai Xing spoke.

Qin Yu could not help but let out a long sigh of relief in his heart.

Damn it, he was finally fooled!

Qin Yu turned around and said in a deep voice, “I don’t want to kill too many people, so I only ask you to ask the martial artists of the second mystic realm not to participate in the battle, in case I accidentally kill them all.”

Zhai xing grunted and said, “And then?”

“Gu Zizhen and I will fight one-on-one,”Qin Yu said coldly.

“Life and death are determined by fate, and wealth and honor are determined by heaven. I just don’t want to implicate innocent people.”

These words undoubtedly spoke into Zhai Xing’s heart.

He clenched his teeth and said, “Okay, I’ll agree to it. But you have to give me some time.”

“How long?”Qin Yu suppressed the excitement in his heart and pretended to be calm as he said.

“Three days,”Zhai Xing said.

“Okay, I promise you.”Qin Yu nodded and said.

“I’ll take my people and leave the second mystic realm now. Otherwise, if we continue fighting, who knows how many people will die because of this.”

With that, Qin Yu turned around and left.

Zhai Xing watched Qin Yu’s back as he left, his heart filled with mixed feelings.

Qin Yu walked out of Zhai Xing’s room with quick steps. He returned to the battlefield and used his divine sense to send a voice transmission to immortal crane.

“Alright, we can retreat now,”Qin Yu said.

After immortal crane received this signal, it immediately shot backward.

Its original body was immortal crane, and its speed was far above Gu Zizhen’s.

In almost an instant, the two of them pulled away from each other.

“Everyone, Retreat,”the immortal crane said coldly.

After saying that, it took the lead to rush toward the exit.

Everyone fled out of the second secret realm one after another. When Gu Zizhen caught up to the exit, he stopped in his tracks.

“Why isn’t that Qin Yu Here? I still want to teach him a lesson!” Xuan qi shouted.

Gu Zizhen looked at Xuan Qi coldly and said, “Do you want to beat him up again when he comes?”

Xuan Qi was instantly silenced and his old face turned red.

“Qin Yu was injured by the five-petal Lotus. I’m afraid it will take some time for him to recover,” Gu Zizhen said coldly.

“This is also the reason why I didn’t use the five-petal Lotus.”

Xuan Qi said unwillingly, “Master, are you going to let them come and go as they please again and again?”

“Or what?” Gu Zizhen’s face was cold.

The initiative was not in the second secret realm. Even Zhai Xing was defeated. No one in the second secret realm could kill Qin Yu.

“As long as he appears again, I will kill him!” Gu Zizhen said coldly.

...

On the other side, Qin Yu and the others had already fled back to the Heaven Gate.

“How is it?” Zhai Xing asked.

Qin Yu said with some pride, “With my eloquence, of course it’s not a problem!”

“Zhai Xing has agreed. I will give him three days. After three days, I will go to the second mystic realm to fight Gu Zizhen. I can use these three days to think about how to deal with the five-petal Lotus.”

“Aren’t you afraid that he will lie to You?” Immortal Crane asked in a deep voice.

Qin Yu shook his head and said, “With Zhai Xing’s character, he probably won’t.”

“Qin Yu is right. Zhai Xing’s heart is extremely simple. He can be considered a pure martial artist.” Jiang he nodded and said.

However, immortal crane said coldly, “Humans have complicated temperaments and are incomparably treacherous. I never believe in your promises.”

At this point, Immortal Crane looked at Qin Yu and said, “In three days, I’ll go to the second mystic realm with you.”

Qin Yu wanted to say something, but was interrupted by the crane.

“Alright then.” Seeing this, Qin Yu could only nod and agree.

In the next few days, auspicious clouds lit up in the sky again.

Clearly, someone had stepped into the martial saint realm.

Qin Yu did not have the heart to care about these things. All his thoughts were focused on how to deal with the five-petal Lotus.

The next day.

Qin Yu was about to head to Jingdu's martial arts association's Pavilion of Internal Qi to find a countermeasure when he suddenly felt a wretched aura approaching.

“Handlebar mustache?”

Qin Yu did not even turn his head and guessed who it was.

The handlebar mustache muttered, “Damn it, I've already restrained my breath. How did you know it was me?”

Qin Yu smiled and said, “You can restrain your breath, but you can't restrain the wretched aura on your body.”

“F * ck you!” The mustached man couldn't help but curse.

Qin Yu turned around and said, “What are you doing here?”

The mustached man heard this and said with a smile, “Haven't you been attacking the second mystery land recently? This second mystery land must be a land of treasures. Where there are treasures, there are naturally places where the original body is not absent.”

Qin Yu rolled his eyes and said, “You didn't appear during the big battle, but now you have jumped out.”

“Aiya, I've been busy all this time,” the mustached man said with a smile.

“It's not impossible for you to go, but you have to help me.”

Qin Yu took out the five-petaled lotus fragment and handed it to the mustached man.

“You have to help me think of a way to deal with the five-petaled Lotus,” Qin Yu said.

After the mustached man took the five-petaled lotus, he exclaimed, “Is this supreme sand?”

“Supreme sand? What’s That?” Qin Yu asked in surprise.

The Mustache Man ignored him. He took the five-petaled lotus fragment and looked around, then muttered, “It really is supreme sand..”

Chapter 1062: Chapter One Thousand and sixty-two, a desperate battle

“Supreme sand? What is this?” Qin Yu asked.

The mustached man waved his hand and said, “It’s something used to refine artifacts. You Don’t need to know too much.”

“How do you know everything?” Qin Yu couldn’t help but mutter.

“Forget it, let’s not talk about this. You have so many Babe on you. It shouldn’t be a problem to deal with this five-petal lotus, right?”

The handlebar mustache stroked his chin and didn’t speak for a long time, as if he was weighing the pros and cons.

He walked to the side and muttered softly, “If I lend him the Babe, it might be ruined for me.”

“But if I don’t lend it to him, he might die under the five-petal lotus. I Won’t have a chance to step into the second mystic realm.”

“Damn it, if there’s nothing in the second mystic realm, won’t I be at a loss?”

Qin Yu listened to his muttering and couldn’t help but kick him in the butt from behind.

“There must be a babe in the second secret area. That is the ruler behind the Jingdu Martial Arts Association,”Qin Yu couldn’t help but curse.

The mustached man glanced at Qin Yu and sighed. “Sigh, if you can’t bear to part with a child, you can’t catch a wolf. Forget it, forget it.”

After saying this, the mustached man flipped his palm, and a gourd that flickered with purple qi landed in his palm.

Seeing this gourd, Qin Yu could not help but say in surprise, “Isn’t this the purple-gold gourd? If I remember correctly, I gave you this thing, right? Damn it, you can’t even bear to lend me the thing I gave you?”

“If you gave it to me, then it’s mine. Of course, it’s up to me whether I give it or not,”the handlebar mustache muttered.

“Give it to me!”Qin Yu snatched the purple-gold gourd.

Compared to the first time he saw the purple-gold gourd, this gourd seemed to have become even more mysterious.

Internal Qi kept flowing down from it. The aura was thick and heavy. When it landed on his palm, it was like a huge pile of sand.

“Are you sure this thing can resist the five-petal Lotus?” Qin Yu asked.

The mustached man sneered, “Five-petal Lotus is nothing. It’s not even worth mentioning in front of my purple-gold gourd.”

“Okay, I’ll trust you this time.” Qin Yu picked up the purple-gold gourd.

“Let me tell you, this item means a lot to me. Don’t break it for me,” the mustached man said nervously.

Qin Yu waved his hand and said, “Don’t worry. I’ll return this item to you after I conquer the second secret realm.”

Since he had the item to deal with it, Qin Yu didn’t need to go to the martial arts association in Jingdu anymore.

He stayed in the Heaven Gate and quietly waited for the arrival of time.

Time flew by, day after day.

In the blink of an eye, three days had passed.

Early in the morning, Qin Yu got up early and prepared to go to the second secret realm.

But at this time, the immortal crane followed him.

“I’ll go with you,” said the immortal crane.

Qin Yu knew he couldn’t refuse, so he nodded and said, “Okay.”

Therefore, the two of them got up and rushed toward the second secret realm.

This was the third time they had attacked the second secret realm. The difference was that Qin Yu didn’t bring a large group of people this time.

The gate of the second secret realm slowly opened, and Qin Yu and the Immortal Crane stepped into it.

“Quick, go and inform the Realm Master that Qin Yu is here!” Xuan qi shouted.

“No need.” At this moment, Gu Zizhen’s figure appeared nearby.

He floated over with his hands behind his back.

Then, a golden light floated from Gu Zizhen’s palm and landed in the direction of the exit.

This was a secret treasure given to him by the higher-ups. It could seal this secret realm to prevent Qin Yu from escaping!

Gu Zizhen glanced behind Qin Yu and sneered, “Just the two of you?”

“The two of us are enough,” Qin Yu said coldly.

Gu Zizhen couldn't help but laugh out loud, "Qin Yu, are you crazy?"

Qin Yu sneered, "I don't know if you're crazy or not, but I'll definitely kill you today."

"Kill me?" Gu Zizhen narrowed his eyes slightly.

His eyes revealed a trace of strangeness and slyness.

And this look made Qin Yu feel that something was wrong.

Could it be that... Zhai Xing had informed Gu Zizhen?

"Do you really think that everything is under your control?" Gu Zizhen raised his eyebrows.

As he spoke, thousands of martial marquis surrounded him!

Seeing this scene, Qin Yu's expression immediately became somewhat ugly!

"I knew it. You humans are unreliable," immortal crane said coldly.

Qin Yu had nothing to say. He never thought that Zhai Xing would lie to him!

"Bring him up."

At this moment, Gu Zizhen waved his hand.

Then, he saw Zhai Xing being brought up by two people.

His internal Qi had been exhausted to the extreme, and he was extremely weak!

“I’ve long discovered your business,” Gu Zizhen snorted.

A hint of confusion flashed across Qin Yu’s face.

Didn’t they say that these people were extremely convinced of Zhai Xing? At this moment, Zhai Xing was being suppressed, so why didn’t they have the slightest reaction?

Gu Zizhen seemed to have noticed Qin Yu’s confusion. He put his hands behind his back and said indifferently, “It seems that you still don’t understand a principle. Profit is always the first thing. As long as the profit is enough, anyone can betray you.”

As he spoke, these thousands of martial marquises erupted with Qi energy at the same time!

The dense and heavy internal Qi was approaching Qin Yu and Immortal Crane! Even the two of them felt a trace of pressure!

“It seems that we can only fight with our backs to the wall,” Immortal Crane said coldly.

Qin Yu frowned and said, “But... What if the second mystic realm can’t take it anymore?”

“Let’s Save Our Lives First.” Behind Immortal Crane, a strange phenomenon appeared!

Seeing this, Qin Yu didn’t say anything more. He adjusted his internal Qi and prepared to fight to the death..

Chapter 1063: Chapter 1, 063, the Heavenly Blood Rainbow made his move!

Qin Yu was extremely unwilling. He had mobilized Zhai Xing for so long, but in the end, it ended up like this!

Most importantly, if the second mystic realm was destroyed, there would be no way to step into the first mystic realm. How would he find the ancient array platform!

“Lord Zhai Xing, I’m sorry.” The two people who were escorting Zhai Xing said in a low voice.

Zhai Xing did not say a word. He only felt extremely relaxed.

When he was pulled out of it, it seemed that everything had nothing to do with him.

“You traitor.” Gu Zizhen looked at Zhai Xing coldly.

“After I kill these two, I’ll send you on your way!”

Zhai Xing did not say a word. Only a bitter smile appeared on the corner of his mouth.

Then, Gu Zizhen looked at Qin Yu.

His palm was shining, and a killing intent was coming.

“Leave Gu Zizhen to me. I’ll leave the rest to you,” said Qin Yu.

The crane grunted, and a huge crane phenomenon appeared behind him. It looked like an immortal had descended.

“Kill!” Gu Zizhen shouted angrily, and the great battle instantly began!

“Boom!”

But at this moment, the second secret realm suddenly shook!

Then, eight light pillars shot up from the ground and pierced through the clouds!

The sudden change immediately attracted everyone’s attention!

The battle that should have started stopped at this moment!

Qin Yu looked at the eight light pillars and felt that they were extremely familiar.

Meanwhile, Zhai Xing, who was being imprisoned, quickly remembered something!

“The secret technique of the immortal slaying sect! This is the secret technique of the immortal slaying sect!” Zhai Xing’s expression changed drastically!

He hurriedly looked at everyone and shouted, “Run! Leave the second mystic realm immediately! Hurry!”

However, no one listened to Zhai Xing’s words. They only felt that Zhai Xing was disturbing the morale of the army.

“Run quickly!” Zhai Xing shouted at the top of his lungs. He tried to struggle, but he couldn’t break free at all!

“Why would the secret technique of the Immortal Slayer sect appear here!” Qin Yu’s expression was somewhat ugly.

At this moment, a voice sounded from all directions!

“Hahahaha! My secret technique is finally complete! All the Martial Marquis will become a part of me!” Tian Xuehong’s voice spread throughout the second mystic realm!

“Tian Xuehong!” Qin Yu’s expression changed drastically!

He swept his gaze around and shouted, “Tian Xuehong, why are you here? !”

Sky blood rainbow sneered, “I’ve been planning this for a long time. I’ve been waiting for Today!”

“I don’t believe that the masked woman will appear in the second secret realm!”

Qin Yu’s face was cold. He didn’t expect that the Sky Blood Rainbow wouldn’t give up. He even turned his eyes to the second secret realm!

“Gu Zizhen, it’s best for us to stop fighting for a while and find the Sky Blood Rainbow First,” Qin Yu said coldly.

Zhai Xing, who was beside him, also hurriedly shouted, “Realm master, quickly catch the Sky Blood Rainbow. Otherwise, all the martial marquis in the Mystic Realm will die!”

Gu Zizhen coldly glanced at Zhai Xing, then waved his hand and slapped Zhai Xing's face!

“Don't even think about disturbing our army's morale,” Gu Zizhen said with a cold snort.

He didn't believe the words of Qin Yu and Zhai Xing at all!

In his opinion, this was just a scheme of Qin Yu and Zhai Xing.

“Don't look for me. My main body isn't in the second secret realm at all. Even if you find it, it's useless,” Tian Xuehong sneered repeatedly.

“Qin Yu, you should be happy. If it weren't for me, these thousands of martial marquises would have killed you.”

Qin Yu's expression was extremely cold.

If Tian Xuehong was allowed to recover to his peak, he would probably be even more terrifying than Gu Zizhen!

“Stop putting on an act, what bullshit secret arts of the slaughter sect, do you think I will believe it?” Gu Zizhen sneered.

“No matter what you say, both of you will die here today!”

“That's right! Qin Yu, die!” The other Martial Marquis also roared.

“Pu!”

However, at this time, one of the Martial Marquis's body exploded, turning into a bloody mist!

His divine sense was drawn out, entering the eight pillars of light!

“Pu!”

Following that, another martial Marquis died!

“Pu Pu Pu!”

One martial marquis after another exploded, and their divine sense was drawn out!

This immediately caused everyone to Panic!

They looked around in terror, and said in a trembling voice, “What... What’s going on! ?”

“Run! Run! Leave the second secret realm!” Zhai Xing shouted as if he had gone mad!

“This is the secret technique of the immortal slaying sect. It will absorb the divine sense of all the martial marquis. Run! !”

While they were talking, three more martial marquis exploded and died!

This time, everyone could not remain calm.

This kind of unknown fear made them extremely terrified!

“Run! Run!”

Someone shouted loudly, and then ran toward the exit!

Unfortunately, in order to prevent Qin Yu from escaping, Gu Zi Zhen had long sealed the exit with a secret treasure! There was no way to escape!

“Realm master, i... I don’t want to die... Pu!”

Before he could finish speaking, his body exploded!

Qin Yu’s expression was extremely unsightly. Seeing one martial marquis after another die in front of him, his heart also faintly felt a bit of sorrow.

However, the most painful one was none other than Zhai Xing.

Tears flowed down his face, and his face was filled with despair.

Seeing one martial marquis after another die in front of him, his heart felt like it was being cut by a knife.

“Lord Zhai Xing, I don’t want to die...”the two martial marquis in charge of escorting Zhai Xing looked at Zhai Xing with trembling eyes.

“PFFT!”

However, as soon as they finished speaking, they immediately exploded!

“No, no! !”Zhai Xing shouted in pain. Turbid tears filled his gully-filled face.

However, his shout could not change anything..

Chapter 1064: Chapter 1,064, facing off against Gu Zizhen!

Seeing one martial marquis after another die in front of him, Zhai Xing could do nothing.

This kind of despair made him wish he was dead.

“Qin Yu, quickly find the Sky Blood Rainbow and stop him!” In a moment of desperation, Zhai Xing placed his hopes on Qin Yu.

But this undoubtedly infuriated Gu Zizhen!

“Zhai Xing, it seems that your relationship with Qin Yu is really not ordinary,” Gu Zizhen said coldly.

Seeing this, Qin Yu also spread his hands and said, “You saw it. This is the master you are following. He won’t care about the lives of others.”

“Moreover, once this secret technique is activated, there is no way to stop it. I don’t have the ability of the masked woman.”

“Pu, Pu, Pu!”

The surrounding people continued to explode and die. One had to admit that this had indeed helped Qin Yu.

This kind of technique could not affect the martial saints at all, and these martial marquis naturally did not have the mood to fight.

Qin Yu looked at Gu Zizhen and said coldly, “Do you still want to continue?”

Gu Zizhen said with a gloomy face, “Nothing can change my determination. Today, the two of You Must Die Here!”

After he finished speaking, the two martial saints beside Gu Zizhen walked over.

He originally had four martial saints under him. Chi Hou had been killed by Qin Yu, and Zhai Xing had been captured by him.

Now, only Xuan Qi was left, and there was another man named Yin Tao.

“If you want to fight, then let’s fight. Today, it’s better if we share the burden,” Qin Yu said coldly.

Before the great battle had begun, Qin Yu’s body was already covered in blood.

Since Gu Zizhen was doubting that they were going to fight, Qin Yu naturally would not show any mercy.

“I’ll leave the two martial saints to you.” Qin Yu looked at the immortal crane.

“Can you do it?” The Immortal Crane asked.

Qin Yu snorted coldly and said, “He’s only at the peak of the Martial Saint Realm. So what? I’m not afraid of him!”

After he finished speaking, Qin Yu's hair danced wildly. He took a step forward and showed his disdain towards the world!

Gu Zizhen's old face was filled with viciousness. His rat-like eyes were emitting a strong killing intent.

“Little Bastard, I've allowed you to live under my nose for so long. I Won't make this mistake again!”

As he spoke, Gu Zizhen let out a furious roar and the internal Qi from his entire body instantly erupted to the extreme!

The strength of a peak martial saint was unimaginable. He was three whole realms higher than Qin Yu!

And today, Qin Yu was going to cross realms and fight!

He did not dare to hide his strength at all. The power of the divine dragon erupted in an instant.

At the same time, Qin Yu took out the five mountains and placed it on his left hand.

The five mountains emitted an intense pressure that made Qin Yu look like a god of war.

“Boom!”

Gu Zizhen took the initiative to attack. He waved his hand and a majestic qi burst out!

Qin Yu did not intend to take it head-on. He executed the ‘xing’ character and retreated dozens of meters. Then, he threw out a seven sorrow palm!

Gu Zizhen waved his hand and easily shattered the seven sorrow palm!

He stepped on the main path and arrived in front of Qin Yu. His long hair turned into chains and bound Qin Yu’s limbs!

“Go to hell!”

Using the power of the long hair, Gu Zizhen quickly attacked Qin Yu!

A pitch-black sharp blade appeared in his palm, aiming straight for Qin Yu’s chest!

Qin Yu’s face turned cold, and he hurriedly took out the five mountains of honor in his hand!

A thick and heavy force instantly covered Gu Zizhen’s body!

Gu Zizhen’s body instantly fell rapidly, and in the blink of an eye, he was pressed to the ground!

Qin Yu seized the opportunity to break free, and then his hands quickly slid, forming a mysterious great seal!

The seal glowed in Qin Yu’s palm and grew bigger and bigger. It was like a millstone that came crashing down!

Gu Zizhen's expression changed drastically. He was full of anger. After a loud roar, he actually shook off the five peaks' Supreme Mountain. His palm faced the great seal!

“Boom!”

A loud bang exploded at this moment. Void after void was shattered and was slowly recovering!

Qin Yu could not help but be shocked! This Gu Zi was indeed extraordinary. He actually managed to break free from the mountain of the five peaks easily!

“Little Bastard, you should die!”

Gu Zi Zhen seemed to want to end the battle quickly. He actually directly unleashed the five-petal Lotus!

The five-petal lotus emitted a brilliant light. With a flick of his withered hand, a lotus flower flew towards Qin Yu!

The destructive power on the lotus flower could not help but be moved.

Qin Yu did not dare to use his physical body to resist it. He hurriedly took out the purple-gold gourd and injected a wisp of spiritual qi into it!

In an instant, the purple light illuminated the heaven and earth, and terrifying fluctuations swept in all directions!

The power contained in the purple light was indescribable. Like a jet, it erupted from the mouth of the gourd and met the five-petaled lotus!

“Boom!”

With this collision, the entire void was about to collapse!

A large piece of space like a piece of general fell and fell to the ground, revealing a strange and mysterious black!

Internal Qi was annihilated, many martial marquis were directly shaken into a bloody mist, together with the divine sense was killed!

This is a battle between weapons, but it is also a battle of the arms!

The destructive force is still spreading. Even the cranes are affected.

His eyes and hands were sharp, and he quickly shot out.

Xuan qi and Yin Tao were not so lucky. They were affected by the internal QI, and their bodies were directly shattered!

Qin Yu grabbed the purple-gold calabash and shot backward at the same time.

He looked at the center of the explosion arrogantly and indifferently, and he could not help but feel a little shocked.

The consequences of the collision of such weapons were already unimaginable! If a mighty figure were to fight, it would only be more terrifying!

“Ah! !”

At this moment, Gu Zizhen’s mouth let out a furious roar. He was also affected, and his body was stained with a trace of blood.

He held the five-petaled lotus with only three petals in one hand, and his eyes were filled with madness.

“Little Bastard, you actually have such a treasure!” Gu Zizhen wiped the blood off his face, and his eyes were filled with hatred!

Qin Yu held the purple-gold gourd in his right hand and the mountain of five peaks in his left hand, showing no fear on his face.

“Gu Zizhen, your five-petal lotus can be used at most three times, while my purple-gold gourd can be used indefinitely!” Qin Yu shouted.

“Put down the five-petal Lotus in your hand, and we will fight to the death. Do you dare? !”

Gu Zizhen could not help but say angrily, “Little Bastard, I am not afraid of You!”

He put away the five-petaled lotus and rushed towards Qin Yu!

Chapter 1065: Chapter 1,065, the Second Secret Manual!

Qin Yu was secretly delighted. This purple-gold gourd required a large amount of spiritual power to support it, and Qin Yu could not use it too many times.

Looking at Gu Zizhen who was rushing over, Qin Yu was also filled with fighting spirit.

“So what if he’s at the peak of the Martial Saint Realm? Come!”

Qin Yu’s body flickered with golden light, and the secret technique was fully displayed. A pure and big battle instantly began!

Gu Zizhen was at the peak of the martial saint realm and his strength was beyond imagination. He was even more powerful than the star plucking hand!

He possessed a secret technique. Any one of his secret techniques was not inferior to the star plucking hand!

For a martial saint, every time he advanced a realm, his spiritual Qi would become more vigorous!

Both parties fought for dozens of rounds. Gu Zizhen’s internal Qi did not show any signs of weakness. Instead, he became more and more courageous as he fought!

Qin Yu was the same. He had the determination to win. He fought with his life and forced Gu Zizhen back many times!

Gu Zizhen was extremely furious. He had been in the martial saint realm for many years and the early stage of the martial saint realm was like an ant in his eyes.

However, the Qin Yu today had completely exceeded his imagination!

“I must end this battle as soon as possible!” Gu Zizhen roared in his heart!

The seal on the exit of the secret realm could only last for an hour at most. He had thought that he could end the battle quickly, but he did not expect Qin Yu to be so difficult to deal with!

“Bang!”

Qin Yu held the vast power of the sea in his hand, and he beat the entire mystic realm until it trembled!

When the two fists collided, a large area of space collapsed, and the beating shocked everyone!

After all, the mystic realm was not a real world. Under such a large-scale battle, it appeared extremely weak. If this continued, the entire mystic realm might collapse!

“Gu Zizhen, you are just like your son, Trash!” Qin Yu mocked as he fought.

“Your son is like a dead dog in my hands, and so are you!”

“Ah! ! Little Bastard, I’m going to kill you!”

Such a spiritual attack naturally made Gu Zizhen even angrier!

His blood and Qi surged, and the secret technique in his hand grew stronger, forcing Qin Yu to step back repeatedly!

It had to be said that Gu Zizhen’s strength was much stronger than he had imagined!

“Little Bastard, go to hell!”

Gu Zizhen’s mind moved, and a pitch-black spear actually stretched out from the void of the second secret realm!

The spear was incomparably sharp, and it almost pierced through Qin Yu’s body in an instant!

Gu Zizhen seized this opportunity and chanted a spell silently. The spear seemed to have taken root in Qin Yu’s body, spreading to his internal organs, and then it went straight for his primordial spirit!

Qin Yu secretly felt that things were not looking good. He took a deep breath and punched out with both hands at the same time, smashing towards Gu Zizhen!

Even Gu Zizhen did not dare to neglect such a terrifying power.

He could only temporarily give up on the idea of crushing Qin Yu’s primordial spirit and leave.

The battle had already lasted for a long time. Both of their bodies were covered in blood.

Qin Yu panted slightly, and his body emitted a ray of light.

He planned to use the ‘fighting’ formula to kill Gu Zizhen!

Otherwise, who knew how long this battle would last!

The Immortal Crane had already pulled itself out. It used its crystal-clear palm to smash the two martial saints’ bodies and primordial spirits. At this moment, it was watching from a distance.

More than half of the surrounding martial marquis were dead or injured, and there were only a few left.

The glorious second mystery realm was showing signs of decline today.

“Do you need my help?” Immortal Crane transmitted its voice through divine sense.

Qin Yu said coldly, “There’s no need. With his current condition, it’s only a matter of time before I defeat him.”

When immortal crane saw this, it did not say anything more. It placed its hands behind its back and waited quietly.

Right at this moment, the sealed entrance suddenly exploded!

Waves of internal Qi leaked out, and the sealed secret technique disappeared at this moment!

The few remaining martial saints desperately ran towards the exit to avoid being killed by these eight light pillars.

Meanwhile, Qin Yu glanced at Gu Zizhen and berated, “Gu Zizhen, do you dare to fight with me outside? !”

“I can kill you in the second secret realm, why do I need to go out? !” Gu Zizhen roared. The light on his body was like a waterfall, sweeping across everything.

Qin Yu turned around and dodged. The light instantly exploded beside Qin Yu. The second mystic realm was full of devastation, and it was unbearable to look at.

“It’s not up to you!”Qin Yu snorted. After he said that, he stepped on the “Xing”formula and shot toward the exit!

“Little Bastard, where are you running!”Gu Zizhen roared and quickly chased after him!

However, when he came to the exit, he stopped and did not continue to chase after him, as if he was afraid of something.

“What’s wrong, Old Dog Gu? Don’t you dare to come out?”Qin Yu’s voice was like a loud bell that shook the entire world!

“A dignified stage master of the second secret realm is actually a coward! As a peak martial saint, are you afraid of a newly promoted martial saint like me?”

“Little Bastard, you’re courting death!”

Gu Zizhen roared and finally dashed out of the second secret realm!

His hands were like eagle claws, pressing toward Qin Yu’s head!

Qin Yu’s body was like lightning as he retreated. Then, with a furious roar, golden light shot out from his right arm and met Gu Zizhen!

Boom

This was a world-shaking loud sound! It was countless times more shocking than the Thunder!

The entire Jingdu, and even the surrounding area, was shaken by this loud sound!

“What’s the situation?” Many people walked out of their homes one after another and raised their heads to look at the sky.

“It seems to be Qin Yu!” A martial artist recognized Qin Yu’s figure!

“Qin Yu? Who is his opponent? How come that old man has never seen him before?”

“That seems to be Gu Zizhen! The Master of the second secret realm, a true top-notch expert!”

“Gu Zizhen? Gu Xinghe’s father? That Gu Zizhen who was hailed as the number one person in the world a hundred years ago?”

“Is Qin Yu going to fight against the heavens? After so many years, Gu Zizhen has probably stepped into the Almighty Realm!”

A flood of comments quickly flooded in!

In just a short instant, countless martial artists swarmed over!

They looked at the two people who were confronting each other in mid-air and were all filled with shock!

Chapter 1066: Chapter 1,066, Gu Zizhen showed his might

Qin Yu fighting against Gu Zizhen was definitely an exciting event!

Gu Zizhen glanced around and said through gritted teeth, “Little Bastard, what exactly do you want to do by tricking me to come here? !”

Qin Yu said coldly, “I just want to kill you. I don’t have any other intentions.”

“Do you think you have what it takes to say such arrogant words? !”Gu Zizhen shouted angrily, causing the air to buzz!

However, at this moment, Qin Yu suddenly turned into a golden light and sped off into the distance!

“Little Bastard, do you want to run? In your dreams!”Gu Zizhen shouted angrily and quickly chased after him.

The surrounding crowd also followed behind him, wanting to watch this great battle.

Qin Yu came to a place along the way. This place was empty and there were no signs of human habitation. There were also no tall buildings.

Gu Zizhen sneered and said, “Death is imminent. You think too much.”

“I’m different from you. I don’t want to implicate innocent people,”Qin Yu said coldly.

At this time, the crowd of onlookers also caught up.

They naturally understood Qin Yu’s intention, and a trace of shock flashed across their faces.

It was the style of everyone to care about others in such a big battle!

“Gu Zizhen, the glory of the second secret realm is coming to an end.” Qin Yu took a deep breath, the internal Qi in his body was surging rapidly, as if he had used some secret technique!

This secret technique came from Jiang he’s internal Qi!

Under the enhancement of internal Qi, the golden glow on Qin Yu’s body grew stronger, and his aura was extremely dense, like a vast ocean!

Even Gu Zizhen was shocked!

Just now, the two of them were on par, and now that Qin Yu’s strength had soared again, how could Gu Zizhen have any chance of winning?

“Swoosh!”

Just as Gu Zizhen was shocked, Qin Yu had already arrived!

That incomparably heavy internal Qi spread out from Qin Yu’s body, pressing straight towards Gu Zizhen!

Gu Zizhen really wanted to withdraw and leave, but was held back by Qin Yu’s heavy falling space, unable to escape!

“Bang!”

The absolute beginning sacred fist appeared in an instant. The golden light was like a battleship that had come from the ancient times. It was incomparably huge, and it seemed as if it was going to collapse the entire world!

“Boom!”

At this critical moment, Gu Zizhen suddenly took out a long spear and faced Qin Yu’s fist.

“Clang!”

That clear sound was extremely ear-piercing. It was unknown how many people’s ears were directly shaken until they bled!

Looking at Gu Zizhen again, he held a long spear in his hand. The tip of the spear collided with Qin Yu’s fist, forming waves of Qi.

“Whoosh”

“Whoosh!”

The two of them pulled themselves out at the same time and retreated, standing not far away.

Gu Zizhen held this long spear, his face filled with frost.

This long spear was very extraordinary. It was unknown what kind of material it was made of, but under the sunlight, it emitted a strange black glow.

Gu Zizhen held the spear with one hand. His expression was grave, as if he was shocked by Qin Yu’s strength.

“Buzz!”

Gu Zizhen suddenly attacked. The long spear in his hand pierced through the air. In a breath's time, there were three steps and twenty-eight spear strikes. The air was almost ignited!

That dragon-like spear light was like a thick and strong brilliance, and it was heading straight for Qin Yu!

Qin Yu stepped on the 'xing' character and shot backward explosively.

Before Qin Yu could let out a sigh of relief, Gu Zizhen had stabbed out hundreds of times!

“Dang dang dang!”

In almost an instant, dozens of bloody holes appeared on Qin Yu's body, even revealing his ghastly white bones!

When everyone saw this, they were all shocked!

The long spear in Gu Zizhen's hand was too terrifying. It was like a divine weapon, shattering the heaven and earth wherever it touched!

Qin Yu's expression was extremely grave. If he had not used the 'xing' character, these few strikes would have been enough to shatter his body.

“Die!”

Gu Zizhen roared again. This time, he held the spear with both hands. The tip of the spear streaked across the sky, and a rainbow-like ray of divine light slashed towards Qin Yu!

Qin Yu naturally would not wait for his death. His hands moved quickly, and actually condensed a mountain-like golden light!

This was the condensation of pure internal Qi. It was incomparably thick and heavy, like a golden mountain or a ball of raging fire!

“Boom!”

The golden light blocked in front of Qin Yu and withstood the mighty long spear!

However, Gu Zizhen would not give up just like that. He held the spear with both hands and suddenly stabbed out, directly piercing through the Golden Mountain!

“Be careful!” Seeing this, the immortal crane’s expression changed greatly!

He wanted to help, but it was too late!

“You’re Dead!” Gu Zizhen shouted loudly.

The long spear pierced through Qin Yu’s body, but what was shocking was that the spearhead directly penetrated into Qin Yu’s body and then went through!

“Huh?” Gu Zizhen’s face changed. He suddenly realized that something was wrong!

It was an afterimage! It was an afterimage left behind by the extreme use of the line formula!

Gu Zizhen, who had rich combat experience, quickly reacted, but it was already too late.

He only felt waves of heat crushing down from above his head, burning his clothes dry in an instant! His skin was shrinking at this moment!

Looking Up, he saw two hands dragging a terrifying golden light, smashing down like the Sun and the Moon!

“Boom!”

The spell was extremely powerful, smashing onto Gu Zizhen’s back.

His back was bent, and he spat out a mouthful of blood as his body crashed into the ground!

Cracks appeared on the ground, and soon after, large patches of the ground collapsed!

When everyone saw this, they all sucked in a breath of cold air!

Qin Yu had succeeded! The former number one person in the world, Gu Zizhen, had actually been smashed into the ground!

“Ah!”

At this moment, the spear light shot up from the ground like a spring onion, piercing straight at Qin Yu!

Qin Yu hurriedly dodged. The long spear brushed against Qin Yu’s chin and flew up into the air!

“Look above your head!”The Immortal Crane suddenly roared!

Qin Yu looked up and saw that the long spear was burning with flames. The Flames were like divine phoenixes from the ancient times, falling rapidly downwards!

“Not good!”

Qin Yu secretly felt that things were not good.. If he wanted to dodge now, it was obviously too late!

Chapter 1067: Chapter 1, 067, the descent of the higher-ups? !

It was like a divine Phoenix that had descended from the heavens. With a deafening cry, it charged straight at Qin Yu!

Qin Yu was no longer able to dodge. He could only use a punch to break the ten thousand arts to meet it head-on!

“Boom!”

Qin Yu’s fist struck the Divine Phoenix, but it was of no use. His body was ruthlessly shattered, and pieces of flesh and blood splattered everywhere!

Seeing this scene, everyone was terrified!

As expected of Gu Zizhen! His combat strength was actually so terrifying!

“Looks like Qin Yu is going to lose,”everyone sighed.

“He’s too anxious. If he stepped into another minor realm, he definitely wouldn’t fight Gu Zizhen like this.”

Immortal Crane’s expression was extremely unsightly. He transformed into his true form and shot toward Qin Yu.

The blood rain that filled the sky came from Qin Yu’s body.

This was Gu Zi’s sure-kill technique. It was incomparably terrifying!

But at this moment, Qin Yu’s body was rapidly reassembling!

Threads of blue light emitted from his body, quickly connecting his flesh and blood into one!

This was the power of the Heavenly Tribulation! It was also a technique that Qin Yu had comprehended during the heavenly tribulation. At this moment, it was thoroughly understood!

During the Heavenly Tribulation, Qin Yu’s body was destroyed time and time again, but it was reassembled in the Lightning.

Now, Qin Yu was also relying on the remaining heavenly tribulation to reassemble his physical body!

Looking at Qin Yu who was standing in front of everyone again, Gu Zizhen’s expression instantly became extremely ugly!

“How is this possible...” a trace of anger flashed across his aged face!

At this moment, there was a blue power lingering around Qin Yu’s body, and from time to time, crackling sounds could be heard.

This was the power of the Lightning element, and at this critical moment, it finally came into play!

“The power of lightning...”Qin Yu muttered in a low voice.

He tried to clench his fist, and found that the power of lightning was already at his fingertips, just like the spiritual fire!

Qin Yu looked at Gu Zizhen coldly and said, “Gu Zizhen, you have no chance of winning.”

“F * ck you!”Gu Zizhen cursed angrily.

He grabbed his long spear and stood out from the deep pit!

Qin Yu said coldly, “Gu Zizhen! You will definitely die today!”

As he spoke, spiritual fire burst out from Qin Yu’s body!

The Blue Heavenly Tribulation also merged with it.

An extremely destructive and evil power was crazily accumulating!

This power swept through all directions, making everyone feel a little uneasy, as if the end of the world was coming!

“How could I, Gu Zizhen, be afraid of You!”Gu Zizhen roared angrily, as if he was going to fight to the death!

But at this moment, a trace of confusion flashed through his eyes! Then, he grabbed his forehead crazily and howled in pain!

The sudden change made Qin Yu frown.

“Gu Zizhen, what are you doing this time!”Qin Yu said coldly.

However, Gu Zizhen ignored Qin Yu. His eyes were bloodshot as he grabbed his head tightly, looking extremely painful!

“What happened?”No one knew what was happening, and Qin Yu was the same!

“Crash!”

At this moment, rays of light flew out from Gu Zizhen’s mind!

After the Rays of light flew out, they actually exploded in the air!

Following that, Gu Zizhen’s body slightly trembled, and he stood there without moving at all.

“Gu Zizhen!”Qin Yu shouted out explosively. This shout directly pierced through the divine sense, but Gu Zizhen still did not move.

“Take the opportunity to kill him now!”Someone shouted out loudly.

Qin Yu nodded slightly. He clenched his fist and quickly rushed towards Gu Zizhen, intending to shatter his primordial spirit at this moment!

But right at this moment, Gu Zizhen moved!

He raised his palm and grabbed Qin Yu’s fist!

Then, he exerted force with his arm and threw Qin Yu Out!

Qin Yu's body shot out for dozens of meters before he finally stabilized his body!

“HMM? What's going on?” Qin Yu frowned.

That force just now seemed to be somewhat different from Gu Zizhen's!

“Swoosh!”

At this moment, Gu Zizhen opened his eyes!

The expression on his face was extremely strange!

“Qin Yu, you're so capable!” Gu Zizhen said coldly.

He put his hands behind his back, as if he was looking down on an ant.

This kind of natural arrogance was definitely not a forced Act!

“You're not Gu Zizhen!” Qin Yu realized something.

He looked at Gu Zizhen coldly and said, “Who exactly are you? where is Gu Zizhen?”

“Gu Zizhen”, who was not far away, put his hands behind his back and sneered, “Gu Zizhen is already dead.”

“Dead?”

Everyone was dumbfounded!

What was going on? When did Gu Zizhen die?

If he was dead, who was the person in front of him ?

Qin Yu narrowed his eyes slightly. He looked at the person in front of him and seemed to have guessed something.

“You are... the higher-ups of the martial arts association of Jingdu!” Qin Yu suddenly shouted!

This shout entered everyone’s ears!

“Higher-ups ? Those eight higher-ups ? The True Controller of the Martial Arts Association of Jingdu ?”

“What on Earth is going on ? How did the higher-ups appear in Gu Zizhen’s body ?”

Gu Zizhen, who was not far away, also laughed out loud. “That’s right. You’re very smart. It’s a pity that you can’t serve me.”

“F * ck your comparison!” Qin Yu could not help but curse.

These eight higher-ups were the most disgusting people in Qin Yu’s life. They were the real instigators!

“Where did Gu Zizhen go ?” Qin Yu asked coldly.

The higher-ups put their hands behind their backs and smiled faintly.

“Him ? A piece of trash who can’t even defend the second mystic realm. Why should I keep him ?”

Qin Yu couldn’t help but clench his teeth and said, “Gu Zizhen would rather give his life to defend the second secret realm, but you just gave him up. Are you still human ?”

Who would have thought that Gu Zizhen would actually die in the hands of his own people!

“Compared to you, Gu Zizhen seems to be a good man,” Qin Yu said coldly.

That higher-up wasn't angry either. He said with a faint smile, “So what? Who told you that there is a black and white division in this world?”

“Cut the crap!” Qin Yu shouted. His internal Qi surged, and a great battle was about to break out.

The expression of that high-ranking official gradually turned cold.

“Today, I will use this body to let you feel what despair is!” He held the light in his hand with a proud expression!
