Chapter 123: The Secret of the Water Dragon Cave

Upon hearing this, everyone was shocked!

Many of the guests asked excitedly, “Mr. Wu, is what you said true?”

“Of course, I, Wu Hongchang, am a man of my word!” Wu Hongchang said with a nonchalant smile.

“Gee, an Inner Strength Master Hands? This is a great opportunity!”

“As expected of Mr. Wu. If there is a chance, please help me too!”

These people looked extremely excited. To them, becoming an Inner Strength Master Hands seemed very difficult.

Even Lu Shuming whispered to Qin Yu, “Qin Yu, if you become an Inner Strength Master Hands, then Liu Shihui definitely won’t be your match!”

“You should know that Mr. Wu hasn’t accepted any disciples in a long time. Why don’t you thank Mr. Wu quickly?!”

The crowd seemed to have decided that this was a golden opportunity for Qin Yu, but Qin Yu just sat there and sneered.

To them, an Inner Strength Master Hands was an unreachable level, but to Qin Yu, this wasn’t even a start.

Moreover, Wu Hongchang seemed very full of himself, which was annoying.

“I don’t think it’s necessary.” Qin Yu tried his best to be polite and said.

Wu Hongchang was stunned. He scratched his ears, as if he couldn’t believe what he had just heard.

“Qin Yu, are you out of your mind? Becoming Mr. Wu’s disciple is definitely a great opportunity for you!” Lu Shuming said with some excitement.

Qin Yu glanced at him and said indifferently, “An Inner Strength Master Hands is nothing to me.”

Upon hearing Qin Yu’s words, everyone instantly fell into silence.

Wu Hongchang said with a bit of displeasure, “Young man, don’t be too arrogant. Do you know how many people are stuck at the peak of Inner Strength and unable to advance at all?”

Qin Yu glanced at Wu Hongchang and said, “I am indeed thirty years old, but I have only stepped into the path of cultivation for less than a month.”

“As for an Inner Strength Master Hands, that’s beneath mentioning to me!”

Although Qin Yu’s voice wasn’t loud, it was as deafening as a bolt from the blue!

“Keep bragging.” Wu Hongchang couldn’t help but laugh.

“I have been practicing martial arts for half of my life, but I am only at the peak of the Inner Strength Master Hands level. It will take you at least a month to advance to that level.” Wu Hongchang obviously didn’t believe Qin Yu’s words.

Qin Yu didn’t bother to explain to Wu Hongchang. He stood up and said, “Mr. Lu, if there is nothing else, I will leave first.”

After saying this, Qin Yu turned around and walked out of the restaurant.

Lu Shuming hurriedly followed behind him and said politely, “Qin Yu, please don’t take offense. Mr. Wu is older after all. Everyone respects him very much. Moreover, he’s very capable.”

“I know. There’s no need to say anything more.” Qin Yu nodded.

After that, Qin Yu ignored Lu Shuming and turned around to leave.

As for Qin Yu, he didn’t want to waste his breath on these people.

The most important thing now was the Water Dragon Cave.

If there was really something under the Water Dragon Cave, Qin Yu was confident that he could advance to the Foundation Establishment Stage.

After Qin Yu left, Lu Shuming also returned to the dining table.

Everyone in the room was lambasting and cursing Qin Yu.

“Mr. Lu, Qin Yu is a bit too arrogant,” someone said.

Lu Shuming waved his hand and said, “Qin Yu has the backing of the Yan family. He does have the right to be arrogant.”

“Hehe, how many rich kids failed halfway through? With his personality, he’ll be screwed sooner or later. Just wait and see,” Wu Hongchang snorted coldly.

Lu Shuming smiled and didn’t say anything else.

However, Lu Shuming didn’t expect things to come to this point.

After thinking for a moment, Lu Shuming called a subordinate over.

“Go to my office and give that watch to Qin Yu. Also, apologize on my behalf,” Lu Shuming instructed.

“Yes.” The subordinate nodded and left quickly.

...

After Qin Yu left, he returned to the hotel first.

In the hotel, Yao Qing had already woken up. He looked out of the window with worry.

It wasn't until Qin Yu returned that Yao Qing heaved a sigh of relief.

“Mr. Qin, is everything alright?” Yao Qing asked anxiously.

Qin Yu waved the herbs and contract in his hand and said, “What do you think?”

“Gee, Mr. Qin, you're so awesome!” Yao Qing couldn't help but give Qin Yu a thumbs up.

“You're probably the first person in South City to defeat the Liu family by yourself!”

Qin Yu felt a little smug inside.

He couldn't help but think that if Yan Ruoxue knew, she would definitely be happy for him.

“Pack up. Let's go,” Qin Yu said to Yao Qing.

Yao Qing hurriedly asked, “Where are we going?”

“The Water Dragon Cave,” Qin Yu said.

The mysteries of the Water Dragon Cave filled Qin Yu with curiosity. He couldn't wait to figure it out.

The two pushed the door open and were about to leave.

At this time, they found a young man in a suit standing at the door.

“Mr. Qin, President Lu asked me to come,” the young man said politely.

“Lu Shuming?” Qin Yu frowned slightly.

“What's the matter?”

The young man hurriedly handed a gift box to Qin Yu and said, “President Lu asked me to give this to you. He has something important to do, so he asked me to apologize on his behalf.”

Qin Yu opened the gift box and took out the watch inside.

This watch was very exquisite and was obviously expensive.

“Okay, please thank Mr. Lu on my behalf.” Qin Yu nodded.

After sending the young man away, Qin Yu and Yao Qing left the place together.

Soon, Qin Yu and Yao Qing arrived at the Water Dragon Cave.

At this time, the Water Dragon Cave was full of tourists. They were soaking in the hot spring while looking extremely content.

“Mr. Qin, do you want to inform Qing Ren?” Yao Qing asked.

Qin Yu glanced around and said, “No need. I'm not a spoiled brat like Liu Shihui is.”

Many tourists came all the way from other places. It was a bit cruel to chase them away just like that.

Then, Qin Yu walked to the vicinity of the Water Dragon Cave.

After taking a deep breath, he jumped into the Water Dragon Cave.

The hot spring here was very shallow, but if one swam forward, the water was extremely deep.

Qin Yu dived into the deep water area. He released his internal qi in an attempt to find something in the Water Dragon Cave.

However, after spending an entire hour searching the entire Water Dragon Cave, Qin Yu found nothing.

What surprised him even more was that the density of spiritual energy in every part of the Water Dragon Cave was almost the same.

This baffled Qin Yu. If there was something hidden under the water, the density of the internal qi would definitely be different.

“Weird.” Qin Yu rose out of the water.

He sat by the water’s edge and fell into deep thought.

Looking at the people bathing in the water, Qin Yu suddenly patted his head and his eyes instantly lit up!

“I see now!” Qin Yu stood up with some surprise!

Chapter 124: Foundation Establishment Stage!

Almost all the spiritual energy in the Water Dragon Cave was the same, and everyone who was soaking in the water enjoyed it immensely.

Even when Qin Yu had just entered the water, he felt immense warmth.

“This is probably a qi-gathering formation!” Qin Yu thought to himself.

A natural qi-gathering formation gathered all the surrounding spiritual energy here, which was one of the reasons the Water Dragon Cave was everlasting!

Thinking of this, Qin Yu jumped into the water.

He closed his eyes, opened the pores of his body, and tried to absorb the spiritual energy in the water.

Soon, Qin Yu felt the surrounding water start to spread toward him bit by bit, but after the water touched Qin Yu’s body, it quickly spread out in all directions.

“As expected!” Qin Yu was instantly overjoyed!

This was actually a natural spiritual energy formation!

If he could absorb all the spiritual energy in the water, it wouldn’t be difficult for him to advance to the Foundation Establishment Stage!

Thinking of this, Qin Yu didn’t waste any more time. He immediately closed his eyes and opened all the pores in his body to absorb the spiritual energy from his surroundings!

In an instant, all the water flowed towards Qin Yu. After touching Qin Yu, it quickly dispersed.

As long as it touched Qin Yu, the spiritual energy in the water would disappear completely and enter Qin Yu’s body.

Soon, a small whirlpool formed around Qin Yu!

The crowd, their faces filled with shock, couldn't help but look over.

However, Qin Yu was completely isolated from the world while ravenously absorbing the surrounding spiritual energy.

As time passed, the flow of water in the entire Water Dragon Cave became much faster.

The density of the spiritual energy in the Water Dragon Cave far exceeded Qin Yu's imagination!

The accumulated spiritual energy in the Water Dragon Cave had been accumulated for countless years, but now, it was all absorbed into Qin Yu's body in one breath!

As time passed from noon to the evening, the tourists in the water dragon cave gradually dispersed.

In the darkness, a faint light appeared on Qin Yu's body.

“Buzz!”

At two o'clock in the morning, Qin Yu's body suddenly emitted waves of light!

In an instant, Qin Yu's cells seemed to have undergone a transformation!

Even his skin became smooth and clear at this moment. It was as if a God had descended to the mortal world!

Yao Qing, who was standing by the side, was dumbstruck!

This process lasted for an entire half an hour.

During this period of time, Qin Yu didn't have any reaction.

“Boom!”

Half an hour later, Qin Yu’s body suddenly emanated a burst of black qi!

Qin Yu also opened his mouth in an instant and spat out bursts of black internal qi!

The internal qi gradually dissipated, and in the Water Dragon Cave, a well-proportioned young man stood there quietly.

The look on his face was calm, and there was no sadness or joy on it. The muscles on his body were perfectly chiseled.

“Mr. ... Mr. Qin?” Yao Qing called out tentatively.

Qin Yu slowly looked at Yao Qing.

“I have finally advanced to the Foundation Establishment Stage.” Qin Yu clenched his fist, and he felt as if the spiritual power in his body was about to burst!

Compared to the Qi Refining Stage, his spiritual power had increased by several times during the Foundation Establishment Stage!

And Qin Yu’s state of mind was also drastically different at this moment! It was as if he was a God who was overlooking the world!

“Mr. Qin, are you alright?” Yao Qing said with some worry.

Qin Yu walked out of the water. With a slight shake, the water on his body was instantly evaporated.

“I’m fine, and I’m very well.” The corner of Qin Yu’s mouth curled up into a smile.

This power was beyond Qin Yu’s imagination!

If he met Liu Shihui again now, Qin Yu could easily defeat him!

“Wu Hongchang? Tao Shan? They aren’t even worth mentioning,” Qin Yu said quietly.

Qin Yu didn’t even take them seriously when he was at the peak of the Qi Refining Stage. Now that he had advanced to the Foundation Establishment Stage, they were nothing to him!

Qin Yu picked up a water bead and then gently flicked it forward.

“Bang!”

The water bead was wrapped by spiritual power and shot out like a bullet!

The nearby mountain rock was instantly smashed into a big pit!

“Let’s go.” Qin Yu looked at the dumbfounded Yao Qing and said with a smile.

Yao Qing nodded blankly and followed Qin Yu out of the Water Dragon Cave.

Qin Yu slept very soundly that night. This steady and peaceful feeling was extremely enjoyable for Qin Yu.

He slept until the next afternoon.

When Qin Yu woke up, it was already three o’clock in the afternoon.

As soon as he woke up, Qin Yu saw several calls on his phone. They were all from Lu Shuming.

Qin Yu called him back and asked, “Mr. Lu, what’s the matter?”

Lu Shuming said politely on the phone, “Mr. Qin, I wonder if you have time tonight. I have to trouble you with something.”

“Okay.” Qin Yu didn’t even ask what it was and agreed.

The first reason for this was that he was short-handed.

Secondly, it was because of Qin Yu’s strong self-confidence from the inside out.

Lu Shuming, who was on the other end, couldn’t help but freeze, then he smiled and said, “Okay, I’ll pick you up tonight.”

In the evening, Lu Shuming’s Land Rover parked downstairs.

Upon seeing Qin Yu, Lu Shuming said warmly, “Mr. Qin, we meet again.”

Qin Yu nodded. After getting into the car, Qin Yu casually asked, “Mr. Lu, what do you need my help with?”

Lu Shuming smiled and said, “Mr. Qin, you also know how I started my career. I’ve offended many people during these years.”

“I have an enemy who was chased out of South City by me. I heard that he’s back recently, so I’m going to meet him tonight.”

Qin Yu immediately understood.

Perhaps this was the reason Lu Shuming spent so much money on his hangers-on.

“I heard that he trained under someone overseas these past few years and learned a lot of skills. To be on the safe side, I called you over,” Lu Shuming said.

Qin Yu didn't say anything else.

Qin Yu had just advanced to the Foundation Establishment Stage, so it was time for him to find someone to practice with.

"You'd better not disappoint me," Qin Yu said nonchalantly.

Lu Shuming didn't say anything when he heard this.

In fact, he didn't ask Qin Yu to come here because of Qin Yu's skills. Instead, he wanted the help of the Yan family, who were backing Qin Yu, just in case.

If he really just wanted someone with superb combat skills, Wu Hongchang alone would be enough.

Soon, the group arrived at a relatively remote restaurant.

As soon as they entered the restaurant, Qin Yu saw that everyone from that day were there, but Wu Hongchang was still as cocky as before.

"Why is he here too?" Wu Hongchang was a little displeased when he saw Qin Yu.

Lu Shuming quickly explained, "There is strength in numbers."

Wu Hongchang snorted lightly and said, "I alone will be enough. There's no need for others to help at all."

Ever since the last time they met, Wu Hongchang had been displeased with Qin Yu.

Now that they met again, Wu Hongchang was naturally unhappy.

Fortunately, Qin Yu's state of mind had already undergone a huge change. In his eyes, Wu Hongchang was beneath mentioning, and he couldn't care less..

Chapter 125: The Useless Wu Hongchang

"Mr. Qin, I hope you don't mind," Lu Shuming explained.

Qin Yu nodded and said, "I don't mind."

Qin Yu couldn't help but sigh. It was quite tiring for these rich people to provide for their hangers-on.

Because once a person had some abilities, they wouldn't be willing to submit to other people, making it difficult for them to obey orders.

Just like how Wu Hongchang currently was.

"It's better if you have the ability yourself." Qin Yu thought inside.

"Everyone, don't be too nervous. Perhaps nothing will happen today." Lu Shuming waved his hand and comforted everyone.

Wu Hongchang laughed out loud and said, "Nervous? Mr. Lu, apart from being excited, I don't feel anything else!"

"That's true. With Mr. Wu here, we won't be nervous," the other people said with a smile.

The flattery of the other people made Wu Hongchang even more proud.

Wanting to show off to Qin Yu, he even glanced at Qin Yu deliberately.

Unfortunately, Qin Yu sat there with his eyes closed while looking out of place.

“Humph, pretentious show-off.” Wu Hongchang couldn’t help but snort.

At this moment, the door was suddenly opened.

The moment it was opened, two men who were about the same age as Wu Hongchang walk in.

The moment they stepped into the room, Qin Yu opened his eyes immediately!

Because he could clearly feel that these two people’s internal qi was extremely powerful, and they were definitely above Wu Hongchang’s level!

“Lu Shuming, long time no see.” One of the men with a scar on his face looked at Lu Shuming coldly and said.

When facing this man, Lu Shuming looked awkward and somewhat fearful.

The man with a scar on his face sat in front of Lu Shuming. He glanced at the crowd and sneered. “Are these people all sent by you to deal with me?”

“They are all my friends. When they heard that I had something to attend to, they came to help me.” Lu Shuming seemed to be deliberately showing off his current connections.

The man with a scar on his face sneered. “Lu Shuming, you are still the same as before. You’re still in the habit of making sarcastic jabs at people.”

Lu Shuming frowned slightly. He went straight to the point and said, “What is it that you came back for this time? Just say it.”

“Hahahaha!” The man with the scarred face couldn’t help but burst into laughter.

“I came back to South City for two things.”

“First, to take back what belongs to me.”

“Second, to kill you!”

His few words instantly made the atmosphere tense up!

Lu Shuming’s expression was also slightly unsightly.

He took a deep breath and said, “It’s no longer the era of dealing with things with violence. How about this, I’ll give you a sum of money and let bygones be bygones between us from now on.”

“Let bygones be bygones?” The muscles on the face of the man with a scar instantly twitched.

He angrily shouted, “From the moment you left a scar on my face, I swore I would kill you! Do you know what kind of life I’ve led abroad all these years?! I want you to suffer thousands of times the pain I’ve suffered these five years!”

Lu Shuming’s expression was a little ugly. He looked at the man with a scar on his face coldly and said, “So there’s no peaceful way of dealing with it?”

“You want a peaceful way of dealing with it? Sure.” The man with the scarred face sneered.

“Let me slash your face first, then kneel on the ground and beg me. Maybe I can show mercy and let you get out of South City then.” The man with the scarred face said derisively.

At this point, the man with the scarred face paused and then continued, “Just like how you treated me back then.”

“Hehe.”

At this time, Wu Hongchang spoke up.

He looked at the man with the scarred face and said with a nonchalant smile, “From the conversation between the two of you, I seem to have understood something.”

“Back then, Mr. Lu showed mercy and kindly spared your life. You should remember this favor and not come back to bite people like a vicious dog,” Wu Hongchang said indifferently.

The man with the scarred face looked at Wu Hongchang coldly and said, “Who are you? Do you have the right to speak here?”

“This is Wu Hongchang! He is also Mr. Lu’s top hanger-on!” Someone beside him shouted loudly.

Wu Hongchang stroked his beard and smiled nonchalantly with a proud expression on his face.

“Bullsh * t. Mr. Wu? I’ve never heard of him.” The man with the scarred face sneered.

“Lu Shuming, do you have no one else working under you? You found such an old fart to stand up for you?” The man with the scarred face had a mocking expression.

Before Lu Shuming could say anything, Wu Hongchang flew into a rage and slammed the table!

“You maniac, you’re too big for your britches! How dare you speak so arrogantly?!” Wu Hongchang scolded angrily.

“I’m a ninth stage Inner Strength Master Hands, and I’m only a step away from the Inner Strength Past Master realm. You ignorant maniac!” Wu Hongchang put his hands behind his back and acted like a big shot.

Hearing this, the man with the scarred face couldn’t help but burst into laughter.

“A ninth stage Inner Strength Master Hands dares to boast about himself? When the cat’s away, the mice will play.!” The man with the scarred face said coldly.

Wu Hongchang couldn’t hold it in anymore. He mobilized the Inner Strength in his body and instantly rushed toward the man with the scarred face!

“Today, I will let this lunatic know how powerful I am!” Wu Hongchang raised his head and shouted.

Although Wu Hongchang was quite old, his speed was extremely fast, and his strength was even more shocking!

Before his fist even punched him, there was a gust of wind from the momentum of the fist!

“As expected of Mr. Wu!” Someone couldn’t help but exclaim.

“This punch will definitely decide the outcome!”

Everyone shouted one after another, and their faces were filled with shock from Wu Hongchang’s strength.

However, before Wu Hongchang's fist touched the man with the scarred face, his body was sent flying!

Before the crowd could even see what had happened, Wu Hongchang had already fallen to the ground and spat out blood!

"I can't believe the release of Inner Strength could reach such a level." Qin Yu couldn't help but think inside.

The scene was completely silent. The crowd held their breaths.

"He is indeed an expert. I, Wu Hongchang, am willing to admit defeat!" Seeing that the situation was bad, Wu Hongchang, immediately fell to the ground and didn't even have the intention to stand up.

"Old people like you should just retire," the man with the scarred face mocked.

Lu Shuming, on the other hand, was filled with fear. He shouted anxiously, "Mr. ... Mr. Wu, Mr. Wu?"

However, Wu Hongchang had already been scared out of his wits. When he heard Lu Shuming's shouts, not only did he ignore him, but he even laid on the ground and played dead.

This made Lu Shuming feel despair. He hurriedly looked at the other hangers-on around him and shouted, "Everyone, please join hands and restrain him together. I, Lu Shuming, will definitely reward you guys handsomely!"

However, everyone shook their heads and whispered, "Mr. Lu, it's not that we don't want to help. Even Mr. Wu isn't his match. What can we do?"

“That’s right. If we go up now, won’t we be sending ourselves to our deaths...”

“Mr. Lu, why don’t you follow this gentleman’s instructions and kneel on the ground to apologize and draw a knife across your face...”

When he heard everyone’s words, Lu Shuming’s expression turned livid with anger!

He had spent a lot of money to support this group of hangers-on, yet they actually said such words at the critical moment!

Chapter 126: Inner Strength Past Master!

The scar-faced man was laughing maniacally at the side!

“Lu Shuming, this is the person you’ve taken in? How useless!” The scar-faced man sneered.

Lu Shuming was already panicking, but since things had already come to this, he had no other choice.

“There is no grudge between us. Back then, I spared your life!” Lu Shuming roared maniacally.

The man with the scarred face sneered. “Yes, I will remember your kindness, so I won’t let you die today, as long as you kneel down and beg me, then get out of South City. How about that?”

“Impossible, don’t even think about it!” Lu Shuming said through gritted teeth.

The man with the scarred face said coldly, “Then don’t blame me for being merciless. None of you can leave today!”

After saying this, The man with the scarred face slowly stood up.

Hearing this, the hangers-on under Lu Shuming immediately panicked.

They anxiously said, “Mr. Lu, beg him for mercy quickly!”

“Yeah, you can’t implicate us. We don’t want to die.”

“Lu Shuming, don’t be too selfish!”

Hearing their shouts, Lu Shuming became even more enraged.

He gritted his teeth and suddenly shouted, “Let me tell you, Mr. Qin is from the Yan family. If you dare to touch him, the Yan family won’t forgive you!”

“The Yan family?” The man with the scarred face frowned slightly.

He glanced at Qin Yu and then sneered. “You want to scare me? As if the people of the Yan family would have relations with someone like you?”

Lu Shuming roared, “Believe it or not, he is the true love of the Yan family’s eldest daughter!”

The man with the scarred face immediately became even more incredulous.

The eldest daughter of the Yan family would like someone like him? That was impossible.

Even though that was the case, the scarred face still didn’t want to take that risk.

He sized up Qin Yu and said, “You can go. What happened today has nothing to do with you.”

Lu Shuming’s expression changed. If that was the case, then Qin Yu would be useless this time.

He, afraid that Qin Yu would agree, looked at Qin Yu nervously.

The scene fell silent for a moment. All eyes were on Qin Yu.

“I’m sorry.” Finally, Qin Yu spoke up.

He stood up slowly and shook his head. “I promised to help Mr. Lu, so I can’t leave.”

“Mr. Qin!” Lu Shuming was so excited that he was about to cry.

He didn’t expect that the person who would defend him at the critical moment would be Qin Yu!

The man with the scarred face’s expression darkened, and he said coldly, “Kid, don’t be so shameless. Even if you are a member of the Yan family, I can kill you and flee abroad!”

Qin Yu smiled and said, “Don’t worry, I have nothing to do with the Yan family.”

“Mr. Qin, you...” Lu Shuming was speechless. Why didn’t he bring out the Yan family at this time? Was he crazy?

“Qin Yu, is there something wrong with you?!”

“If you weren’t from the Yan family, why are you sitting here? Would we need you?”

The people at the side also cursed at Qin Yu.

The man with the scarred face asked with some amusement, “Really?”

Qin Yu sneered. “What do you think?”

“Hahaha, I knew it. How could the people of the Yan family have anything to do with Lu Shuming?!” The man with the scarred face was completely relieved.

He looked at Lu Shuming and sneered. “Do you have any last words? Hurry up and tell me.”

Lu Shuming was completely in despair. He originally wanted to rely on the Yan family to scare the man with the scarred face, but he didn’t expect Qin Yu to say this at the critical moment.

“I’m unlucky to have fallen into your hands.” Lu Shuming took a deep breath.

“If you want to make a move, just do it!” Lu Shuming pretended to be calm and said.

The man with the scarred face sneered and said, “Then I won’t show mercy!”

After saying that, the man with the scarred face rushed toward Lu Shuming.

“Mr. Lu, if you are willing to give me ten percent of Wu Hongchang’s shares, I can save your life.” At this moment, Qin Yu, who was at the side, spoke again.

“Save me?” Lu Shuming couldn’t help but shake his head.

“How will you have to save me? Do you think anyone still believes in your relationship with the Yan Family?”

Qin Yu said indifferently, “I don’t need to rely on the Yan family. I just need to beat him.”

Everyone felt stunned.

Beat the man with the scarred face? How was this possible?

Even Wu Hongchang wasn't his match, let alone Qin Yu?

"Mr. Qin, you can go." Lu Shuming waved his hand helplessly.

"Lu Shuming, this is your last chance. It's up to you to believe it or not."

Qin Yu poured a glass of water and said indifferently.

Looking at Qin Yu's calm appearance, Lu Shuming couldn't help but feel a little conflicted.

"Arrogant brat, I'll kill Lu Shuming first, then I'll deal with you!" The man with the scarred face shouted coldly and reached out to grab Lu Shuming.

Lu Shuming gritted his teeth. At this critical moment, he suddenly shouted, "Mr. Qin, I promise you!"

As soon as he finished speaking, the scarred-faced man's hand arrived in front of Lu Shuming!

At such a close distance, even Qin Yu wouldn't be able to arrive in time!

However, something shocking happened.

Qin Yu's hand pinched the water bead and flicked it lightly.

"Bang!" The scarred-faced man's hand was shaken away!

A trace of blood flowed down the scarred-faced man's hand!

Everyone was shocked by Qin Yu's move!

What the f * ck... What kind of tactic was this? He used a drop of water to save Lu Shuming?

Lu Shuming was ecstatic. He shouted frantically, "Thank you, Mr. Qin, for saving me!"

Qin Yu stood up slowly. He glanced at Lu Shuming and said indifferently, "Don't forget you owe me ten percent of the shares."

"Of course, of course!" Lu Shuming nodded crazily.

Not far away, the scar-faced man wiped the blood off his hands. He narrowed his eyes and said, "Using Inner Strength to wrap the water droplets? Good move. I didn't expect there to be such an expert in South City."

Qin Yu shook his head and said with a smile, "You're wrong. This isn't Inner Strength at all."

"Not Inner Strength? Then what is it?" The man with the scarred face frowned and asked.

"I don't want to tell you." Qin Yu grinned and said.

The man with the scarred face's expression darkened. He snorted coldly and said, "It's impossible for you to beat me with this tactic! I will let you see my true strength!"

After saying that, The man with the scarred face activated his internal qi and raised it to the maximum!

A terrifying aura instantly swept across the entire area!

An intense pressure caused everyone's expressions to change!

Even the cup on the table was instantly shattered!

“Inner Strength Past Master! He’s actually an Inner Strength Past Master!”
Someone exclaimed loudly!

“Those below the level of Inner Strength Past Master are all ants, this...
This is simply otherworldly!”

After they saw the strength of the scarred-faced man, everyone’s newly
risen hope was instantly extinguished once again!

“You’re actually an Inner Strength Past Master...” Lu Shuming felt even
more despair!

The number of Inner Strength Past Masters in the entire South City was
extremely few. An Inner Strength Past Master would be able to make a
name for himself wherever he went!

“To tell you the truth, I don’t lack money anymore. The main reason I
came back this time is to take revenge!” The man with the scarred face
said coldly..

Chapter 127: Shattered With a Single Punch!

With such strength, there was no need for him to return to South City.

This was because no matter where Inner Strength Past Master went, he
would be highly sought after.

He would either be supported by a prominent aristocratic family, or be a
small leader in an overseas faction, or he would reign over an area.

This made Lu Shuming feel extremely hopeless. He looked at Qin Yu
with a pleading look in his eyes.

“If you can help me get through this crisis, I’m willing to give you 20% of the shares of the Lu Family’s business!” Lu Shuming said through gritted teeth.

Qin Yu smiled and said, “Really?”

“Absolutely!” Lu Shuming said anxiously.

Compared to his life, money was nothing!

Qin Yu nodded and said, “Okay, I promise you.”

The scar-faced man not far away couldn’t help but snort coldly and said, “You’re really foolish. You know that I’m Inner Strength Past Master, yet you still dare to challenge me?”

Qin Yu laughed. “There’s nothing I can do. Mr. Lu is offering too much money. It’s really hard to refuse.”

“Moreover... I also really want to see the capabilities of an Inner Strength Past Master,” Qin Yu said indifferently.

“Alright, since that’s the case, then don’t blame me for being merciless!” The scar-faced man roared angrily, and his body actually instantly lit up with rays of light!

These rays of light firmly wrapped the scar-faced man within. Compared to Liu Shihui, his tactics were much more impressive!

Qin Yu snorted coldly. He took a step forward and charged towards the scar-faced man!

“Bang!”

Qin Yu’s fist landed firmly on the scar-faced man’s body!

However, what was shocking was that the scar-faced man didn't seem in pain at all!

“Hahaha!” The scar-faced man raised his head and laughed loudly.

“With your mediocre abilities, you actually dare to speak so arrogantly?” The scar-faced man said coldly.

Qin Yu lowered his head and looked at his own fist. He muttered in a low voice, “An Inner Strength Past Master is quite extraordinary... but you're just so-so.”

Qin Yu wasn't impressed by a so-called Inner Strength Past Master.

After all, Qin Yu had even fought with a great Inner Strength Past Master like Yan Jiang before.

And Qin Yu was just testing him out with that punch just now.

“Make your move. Otherwise, I'm afraid you won't have a chance,” Qin Yu said.

The scar-faced man sneered. “You're the most arrogant person I have ever seen. Although I just became Inner Strength Past Master not long ago, the gap between Inner Strength Master Hands and Inner Strength Past Master is like a chasm! It's definitely not something you can surpass!”

Qin Yu frowned. “You babble too much.”

The scar-faced man immediately shouted angrily, “You're courting death!”

After saying that, the scar-faced man instantly rushed towards Qin Yu!

His fist lit up with white light, as if all his Inner Strength was gathered at this point!

When they saw this punch, everyone's expression changed drastically!

Wu Hongchang, who was lying on the ground, even closed his eyes and shifted his body for fear that he would be implicated.

However, Qin Yu didn't dodge. Instead, he clenched his fist and faced it head-on!

“Clang!”

A sound that sounded like steel colliding sounded in everyone's ears!

With this punch, the scar-faced man actually took three steps back!

On the other hand, Qin Yu was as calm as ever.

“That's it?” Qin Yu sneered.

The scar-faced man's expression gradually became serious.

He clenched his fist and said coldly, “What a strong force. I'm getting more and more interested in it.”

“You've disappointed me a little.” Qin Yu shook his head.

The scar-faced man didn't mind his remark. He said coldly, “I'll give you a choice. If you're willing, I can let you join us. Moreover, your position won't be low. At the same time, you'll get a huge sum of money.”

As soon as he finished speaking, everyone's expression changed again!

This scar-faced man was actually trying to recruit Qin Yu!

“Apart from that, we’ll also provide you with various resources, herbs, top-grade pills, and even inherited cultivation techniques.” The scar-faced man continued to entice him.

“You should know that all these things are all rare and sacred.”

Qin Yu nodded slightly and said, “Your conditions are indeed very tempting.”

The scar-faced man was delighted and quickly struck while the iron was hot. “How about it? Joining us gives you a much better future than staying in South City!”

“Mr. Qin...” Lu Shuming, who wasn’t far away, suddenly became nervous.

If Qin Yu agreed, then Lu Shuming would definitely be doomed today!

“May I ask, did you bring any treasures with you today?” Qin Yu asked.

The scar-faced man was even more excited. He laughed loudly and said, “You’re indeed quite quick-witted. I have a hundred-year-old herb here. As long as you’re willing to join us, I can give it to you as a welcome gift.”

“A hundred-year-old herb? It seems that your organization is very rich.” Qin Yu sighed.

The scar-faced man said with some pride, “Of course. As long as you’re willing to join us, this is nothing.”

Qin Yu didn’t say anything. The atmosphere became a little awkward.

Lu Shuming stared at Qin Yu. He was so nervous that he was sweating profusely.

“How about it?” the scar-faced man continued to ask.

Qin Yu sighed. “Your offer is indeed very tempting, but... unfortunately, I have never been interested in overseas organizations, and I don’t want to live like a fugitive like you, so I have to refuse.”

Hearing this, Lu Shuming immediately let out a sigh of relief.

The scar-faced man was extremely angry!

He looked at Qin Yu coldly and said, “You’re foolishly unappreciative! If you refuse me, you will be offending our entire organization!”

“Do you think I will be afraid?” Qin Yu sneered.

This completely infuriated the scar-faced man. He shouted angrily, “Do you think you can beat me? Since you’re so unappreciative, then don’t blame me for being merciless!”

After saying that, the scar-faced man charged at Qin Yu again!

His speed was extremely fast, but Qin Yu was faster than him!

In the blink of an eye, Qin Yu had already punched him more than ten times! And the scar-faced man didn’t even get to touch Qin Yu!

“Your speed is really fast.” The scar-faced man squinted his eyes and said.

“Unfortunately, you can’t hurt me at all! My body is wrapped by Inner Strength, and I can even resist ordinary bullets!”

“You can’t even hurt me, so how can you beat me?” The scar-faced man raised his head and laughed crazily!

But very soon, his laughter stopped abruptly! His expression was full of fear!

“Who said I can’t hurt you? Do you really think that your Inner Strength can protect you from death?” Qin Yu’s voice sounded in the scar-faced man’s ear.

Qin Yu punched the scar-faced man’s chest!

“Crack!”

The Inner Strength wrapped around the scar-faced man’s body emitted a crisp sound!

In the next second, it shattered like an eggshell!

“This... how is this possible? How is this possible?!” The scar-faced man’s pupils dilated, and his face was filled with terror!

Qin Yu sneered. “Don’t be too full of yourself. Can’t you just hide overseas?”

After saying that, Qin Yu threw another punch!

This punch shattered the scar-faced man’s chest!

His entire chest caved in and his bones completely shattered!

“Boom!”

The scar-faced man fell to the ground and fresh blood covered his face.

“This... how is this possible...” the scar-faced man muttered in a low voice. Even until his death, he still couldn’t figure out why Qin Yu’s fist had such great strength..

Chapter 128: Chen Xin' s Phone Call

The scar-faced man fell to the ground and was unable to open his eyes again.

The bloody hole in his chest looked extremely horrifying.

Qin Yu stood in front of the scar-faced man and didn't even feel a trace of pity.

Qin Yu didn't know when it started, but he no longer felt fear.

He bent down and rubbed the scar-faced man's body.

Sure enough, there really was a hundred-year-old herb king hidden on him.

"It seems that he didn't lie to me," Qin Yu whispered.

Then, Qin Yu looked at the scarred man's follower and grinned. "Do you want to avenge him?"

The follower was stunned, and then said in surprise, "You... plan to let me go?"

"Mr. Qin, you must not let him go!" Lu Shuming hurriedly shouted.

"If he leaves, he will definitely come for revenge in the future!"

Qin Yu sized up this follower, waved his hand, and said, "I won't kill you. As for revenge... I'll wait for you guys."

This organization had abundant herbs, so Qin Yu didn't want to miss out on them.

This follower gritted his teeth, then quickly left by breaking the window and escaping!

“Cough cough.” At this moment, Wu Hongchang also got up from the ground.

He still acted like a big shot and walked in front of Qin Yu in an imposing manner.

“Qin Yu, how can you let him go? If he leaves, what will happen if he comes to find trouble with us in the future?” Wu Hongchang berated loudly.

Qin Yu narrowed his eyes and couldn't help but sneer. “If it weren't for me, you would have already died.”

“So what? You're wrong to let him go!” Wu Hongchang rebuked loudly.

“How about this? I'll keep this stalk of herb as an apology.” Then, Wu Hongchang looked at the herb in Qin Yu's hand and said.

Qin Yu couldn't help but sneer.

He had seen thick-skinned people, but he had never seen such thick-skinned people.

“You want it?” Qin Yu shook the stalk of herbs and asked.

Wu Hongchang coughed awkwardly and said, “Seeing that you sincerely admitting your mistake, I will temporarily forgive you.”

After saying that, Wu Hongchang reached out his hand to grab Qin Yu's stalk of herb.

But very soon, Wu Hongchang's expression changed!

His hand hadn't even touched the herb when Qin Yu grabbed his wrist.

“You're actually going to take it? You're shameless and unappreciative even at your old age” Qin Yu said coldly.

Panic flashed across Wu Hongchang's expression. He hurriedly said, “Qin Yu, I'm an elder. What do you want to do?!”

“Elder? You think you're worthy of that title?” After saying that, Qin Yu waved his hand and slapped Wu Hongchang's face!

Wu Hongchang's entire body was sent flying, and he crashed into the wall!

The wall was instantly covered with dense cracks, and Wu Hongchang couldn't stop spitting blood!

“You shameless thing.” Qin Yu looked at Wu Hongchang coldly and said.

The room was silent. No one dared to blame Qin Yu.

“Mr. Lu, this kid actually dared to attack me...” Wu Hongchang looked at Lu Shuming with difficulty as he complained.

Lu Shuming sneered and said, “Wu Hongchang, you can scram. From today onwards, you are no longer a member of the Lu family.”

Wu Hongchang's expression changed. He could barely believe that these words came from Lu Shuming's mouth!

One had to know that before this, Lu Shuming was extremely respectful to Wu Hongchang!

“Mr. Lu, Mr. Wu has worked hard for the Lu family for so many years. Isn't it inappropriate for you to chase him away like this?”

“Yes, Mr. Lu. If he leaves, we won’t be willing to stay either.”

Hearing everyone’s words, Lu Shuming couldn’t help but laugh out loud.

“Alright, then all of you can scam. From today onwards, you have nothing to do with the Lu family anymore!”

This time, everyone was stunned.

“Mr. Lu, I... I was just joking.” Some people gave in.

However, Lu Shuming was already extremely disappointed in them and wouldn’t give them another chance.

“Mr. Qin, let’s go.” Then, Lu Shuming looked at Qin Yu respectfully.

Qin Yu nodded and the two of them walked out of the room together.

After getting into the car, Lu Shuming sighed. “Mr. Qin, I was wrong to underestimate you before. From today onward, the Lu family will treat you as a distinguished guest.”

“Just give me the money.” Qin Yu waved his hand.

“Don’t worry, I’ll send the contract to you tomorrow,” Lu Shuming said quickly.

The car quickly sent Qin Yu back to the hotel. After experiencing this, Qin Yu was more confident in his own strength.

“The Foundation Establishment Stage really lives up to its reputation,” Qin Yu thought to himself.

In terms of martial arts, a Foundation Establishment Stage practitioner could at most be considered at the level of an Inner Strength Master Hands.

However, when faced with a so-called Inner Strength Past Master, Qin Yu was able to defeat him with ease.

Spiritual power indeed wasn't something that Inner Strength could compare to.

The next day, Qin Yu wasn't in a hurry to return to Jiangcheng because he still had to wait for Lu Shuming to deliver the contract.

Therefore, Qin Yu looked at Yao Qing and said, "Go buy me a car. It's more convenient to have a car."

Yao Qing was stunned and quickly asked, "Okay, what kind of car do you want to buy?"

"I don't know much about cars. It's up to you," said Qin Yu.

Yao Qing continued to ask, "Then do you have any requests?"

Qin Yu thought for a moment and said, "It should have high-speed performance and be low key."

As for the rest, Qin Yu didn't consider them. After all, Qin Yu was alone now.

"Okay, I understand." Yao Qing nodded.

He took Qin Yu's bank card and left the hotel.

About an hour later, the roar of an engine came from downstairs.

When Qin Yu went downstairs, he found a black Audi parked downstairs.

"It's an Audi RS7, which is fast and low-profile," Yao Qing said with a smile.

Qin Yu looked at it carefully. The car indeed looked low-profile.

“How much did you spend?” Qin Yu asked casually.

Yao Qing smiled and said, “A total of 2.1 million.”

Qin Yu didn't expect this because from the looks of it, it didn't seem expensive.

After that, Qin Yu drove around for a test drive and felt that it wasn't bad.

At night, Qin Yu and Yao Qing found a place to have dinner. During the meal, Qin Yu casually glanced at the news.

A news headline appeared in front of his eyes.

“Overseas fugitive Hong Quan was killed in South City yesterday.”

After clicking on the link, he discovered that Hong Quan was the scarred man.

The news was full of praises for Qin Yu, but it didn't reveal Qin Yu's identity. Instead, they called him a mysterious hero.

“How fast.” Qin Yu shook his head.

After eating, the two of them were ready to return to the hotel.

At this moment, Qin Yu's phone suddenly rang.

He picked up the phone and saw that the caller was an unfamiliar number.

“Hello, who is this?” Qin Yu picked up the phone.

“I'm Chen Xin, Sun Ying's classmate. Do you still remember me?” A girl's voice came from the other end.

Qin Yu frowned slightly.. “What’s the matter?”

Chapter 129: I’ ll Drink With You

Chen Xin hurriedly said, “Sun Ying just had a gathering with her classmates and was brought to the bar by her classmates. I’m afraid that something might happen to her. Can you come with us?”

Qin Yu looked at the time. It was already 10 o’clock in the evening.

“Why aren’t you back at school when it’s so late? Why are you going to the bar? Don’t you know that you’re in danger?” Qin Yu couldn’t help but say with a somewhat reproachful tone.

“Gee, it was them who dragged us here. We couldn’t turn them down,” Chen Xin said with some grievance.

“Just come with us. I beg you,” Chen Xin said sweetly on the other end of the line.

Although Qin Yu didn’t have a good impression of the Su family, Sun Ying was too young. Qin Yu really couldn’t just turn a blind eye to the fact that she was in a dangerous situation.

“Give me the location. I’ll go there in a while,” Qin Yu said.

Chen Xin was instantly delighted. She quickly said, “We’re in private room no. 888 at Midnight KTV888 now.”

“Got it,” Qin Yu answered and hung up the phone.

Then, Qin Yu looked at Yao Qing and said, “Let’s go to Midnight KTV.”

“What? Mr. Qin, you also want to have some fun?” Yao Qing said jokingly.

Qin Yu gave him a kick and rolled his eyes. "I'm not interested in that. Let's go."

The car sped along, and the roar of the engine resonated throughout the entire street.

Soon, the two of them arrived at the entrance of the Midnight KTV.

After going upstairs, Qin Yu learned that box 888 was a deluxe box, and those who came here to play were extremely affluent.

The entire eighth floor was different from the other floors. The boxes here were very large and full of VIPs.

Qin Yu and Yao Qing walked all the way to private room no. 888. When they pushed open the door, they saw a group of young men and women dancing wildly in the private room.

"Qin Yu!" After seeing Qin Yu, Chen Xin hurriedly ran over.

Sun Ying, who was sitting there drinking, said unhappily, "Why did you call him here? How annoying."

Chen Xin grinned and said, "Gee, he's your brother-in-law. Besides, it's not safe at night."

At this time, Sun Ying was drinking with a boy. The boy had bleached hair and dressed in fancy clothes. His designer clothes bespoke his identity as a rich heir.

Qin Yu glanced at him, then walked directly to Sun Ying's side and said, "It's late. Go back to your dorm and sleep."

After saying that, Qin Yu pulled Sun Ying up and was about to leave.

“Let go of me! I’m not leaving!” Sun Ying was obviously drunk, and her words were a little slurred.

Qin Yu frowned and said, “You’re a young girl, so how can you not go home when it’s in the middle of the night?!”

“Don’t worry about me. I’m not leaving!” Sun Ying struggled to break free of his grasp.

At this time, the blondie beside Sun Ying got up and said, “Dude, who are you? Can’t you see that she doesn’t want to leave?”

Qin Yu glanced at him and said, “I’m her brother-in-law.”

“You’ve already divorced my sister. You’re no longer my brother-in-law!” Sun Ying shouted in a daze.

The blonde immediately laughed. He sized up Qin Yu and said, “Dude, you heard her, right? Sun Ying said that you’re no longer her brother-in-law. Do you understand?”

Qin Yu frowned slightly. He couldn’t be bothered to lower himself to the level of these brats.

Therefore, Qin Yu looked at Sun Ying and said, “I’ll ask you one last time. Are you coming?”

“No!” Sun Ying shouted without thinking.

Qin Yu nodded and said, “I don’t care if you’re coming or not.”

After saying that, Qin Yu turned around and was about to leave.

At this time, Chen Xin hurriedly pulled Qin Yu back.

She said in a low voice, “Don’t go. If you leave, the two of us might be in trouble tonight...”

“It’s already good enough for me to come. It’s her who doesn’t want to leave. What does it have to do with me?” Qin Yu said with a cold expression.

Chen Xin grabbed Qin Yu’s arm and said pitifully, “She’s just drunk. Don’t lower yourself to her level.”

“Also... If you leave, the two of us will really be dead meat...”

Qin Yu glanced at the private room.

In the huge private room, there were a total of seven to eight boys, while Sun Ying and Chen Xin were the only girls.

If they left at this time, there was no telling what would happen.

Qin Yu thought about it for a moment. He looked at the time and said, “Okay, then I’ll wait for you guys for a while.”

“Thank you, thank you!” Chen Xin cried out in surprise.

Then, Qin Yu and Yao Qing found a random seat and sat down.

The commotion in the private room made Qin Yu a little annoyed.

The young people who were dancing wildly formed a sharp contrast with Qin Yu and Yao Qing.

Not far away, the yellow-haired man looked at Qin Yu with unhappiness.

“D*mn, why are these two idiots here? They’ll get in my way,” the yellow-haired man said with a cold expression.

The blonde was a frivolous rich heir who had screwed over a lot of young girls.

Tonight, he had lured Sun Ying and Chen Xin out for s*x.

As soon as Sun Ying and Chen Xin were drunk, these boys would drag them to the hotel.

“Dude, should we teach him a lesson?” At this time, a boy with dyed blue hair walked to the blonde’s ear and said.

The yellow-haired boy frowned and said, “How should we teach him a lesson? We can’t just go up and beat them up right now.”

“Dude, have you forgotten that my nickname is Wine God? Why don’t we challenge them to a drinking game until they’re drunk?” The blue-haired boy said with a smile.

The yellow-haired boy glanced at him, then patted his shoulder and said, “Okay, if you can drink they’re drunk, you can bang these two girls first!”

“Dude, leave it to me!” The guy with blue hair patted his chest and said.

At this moment, Qin Yu was looking at Sun Ying.

Sun Ying was being forcefully fed alcohol by a few men. Her consciousness was already drifting away, but the wine was being poured down her throat one cup after another.

“Don’t drink anymore!” Qin Yu walked in front of Sun Ying with a cold expression and snatched the wine cup away.

The guy with blue hair, who was beside him, was delighted when he saw this.

“Since you stirred things up, don’t blame me.” The guy with blue hair sneered.

Then, he sat beside Qin Yu with a smile and said, “I came out to drink so I could have a good time. Sun Ying didn’t even say that she wanted to stop drinking. What are you so worked up for? Why don’t you drink for her?”

“That’s right. Why don’t you drink for her, or you shut up!” The yellow-haired boy, who was beside him, also shouted.

Yao Qing frowned slightly. He was just about to get up and berate him when he was stopped by Qin Yu.

Qin Yu sized up the yellow-haired man and the blue-haired man, then sneered. “I can drink with you, but you have to drink as much as I drink. Do you dare to?”

When the blue-haired man heard that, he was immediately overjoyed.

Wasn’t this just what he wanted?

Hence, the blue-haired man immediately nodded and said, “Of course, there’s no problem. Let’s drink alone! If you can’t outdrink me, then get lost immediately. How about that?”

“Then what if you can’t outdrink me?” Qin Yu asked back.

The guy with blue hair sneered and said, “If I can’t outdrink you, then I’ll lie on the ground and bark like a dog!”

Chapter 130: Arrogant Blondie

“Okay, it’s a deal.” Qin Yu nodded.

The blue-haired man immediately waved his hand and shouted, “Bring me all the wine!”

Soon, ten bottles of foreign wine were placed in front of Qin Yu.

“These wines are all 43 percent alcohol. I won’t bully you. Just drink as much as I do.” The blue-haired man took two cups and placed them in front of Qin Yu.

At this moment, Chen Xin hurriedly ran to Qin Yu’s side and whispered, “Qin Yu, he can drink a lot. You have to be careful.”

Qin Yu ignored her. He looked at the blue-haired man and said, “Don’t use the cups. Let’s use the bottles.”

The blue-haired man was stunned. Then, he sneered and said, “Are you kidding me? This isn’t beer. Use the bottles?”

“What, you don’t have the guts to?” Qin Yu raised his eyebrows and said.

“Why wouldn’t I have the guts to?!” The blue-haired man snorted and opened two bottles of wine. He handed one bottle to Qin Yu and held the other bottle himself.

“Bring it on. I want to see how you use the bottle.” The blue-haired man sized up Qin Yu and said.

Qin Yu didn’t stand on ceremony. He opened a bottle of wine and stuffed it into his mouth.

In just a few seconds, he emptied this bottle of foreign wine.

The people around were all stunned! Even the blue-haired man couldn’t help but swallow hard.

He had been frequenting nightclubs for so many years, this was the first time he had seen someone drink like this!

“It’s your turn.” Qin Yu looked at the blue-haired man and said with a nonchalant smile.

The blue-haired man braced himself and opened the bottle of wine. Then, he imitated Qin Yu and opened his mouth to drink it.

After half a minute, the blue-haired man finally drank the entire bottle of wine.

After he drank the bottle of wine, the blue-haired man’s expression turned ugly.

However, he had already boasted in front of yellow hair, so he couldn’t lose.

“Bring it on. Let’s continue drinking!” The blue-haired man wiped his mouth and shouted.

Qin Yu didn’t say anything. He opened the bottle of wine and drank another bottle.

The blue-haired man looked troubled.

He thought that Qin Yu was at his limit after drinking one bottle. He didn’t expect him to drink another bottle!

“It seems that he has met his opponent,” someone beside him said.

“Keep drinking. You can’t lose to him!”

“That’s right. If you lose, we will be humiliated!”

The blue-haired man had no choice but to grab the wine and pour it into his mouth again.

This time, it took the blue-haired man a full five minutes to finish the bottle of wine.

After he drank this bottle of wine, the blue-haired man's face was completely flushed.

“Do you still... still want to continue?” The blue-haired man seemed to be a little scared.

Qin Yu didn't say anything. He opened a bottle of wine and drank it all in one gulp.

This time, the blue-haired man's face turned ashen.

He drank three bottles of foreign wine in a row. After drinking it, he would probably have gastric lavage!

“If you don't dare to, then just admit defeat,” Qin Yu said with a smile.

“Who... who doesn't dare to?! I've never lost a drinking game before!” The blue-haired man gritted his teeth, grabbed the wine, and poured it into his mouth again.

But this time, the blue-haired man held the table as he started to vomit like crazy halfway through!

Qin Yu sneered at the side. He took a step back and said, “According to the agreement, you have to lie on the ground and bark like a dog. Do it.”

The blue-haired man vomited like crazy for a long time. He wiped his mouth, gritted his teeth, and said, “You must have cheated!”

“What? You can’t afford to lose?” Qin Yu sneered.

“F * ck you!” The blue-haired man cursed.

“F * ck off, or don’t blame me for being rude!” The blue-haired man grabbed the bottle and cursed.

Qin Yu didn’t want to argue with these punks, so he didn’t say anything. He grabbed Sun Ying and was ready to leave.

“Who the f * ck told you to take Sun Ying away? I told you to scam by yourself!” The blue-haired man cursed.

The yellow-haired man beside him waved his hand, and everyone in the room quickly stood up.

“Hurry up and scam. Don’t ruin our fun.” The yellow-haired man waved his hand and said.

Qin Yu couldn’t help but sneer. “I didn’t ask you to bark like a dog, so shouldn’t you be thanking me? What, it’s bad enough that you’re a sore loser, but now you’re playing dirty with me?”

The yellow-haired guy smiled nonchalantly. “I’m sorry, but this is how we do things!”

“You actually expect me to bark like a dog? If you don’t leave now, I’ll make you bark like a dog!” The blue-haired guy held a wine bottle and pointed at Qin Yu’s nose as he scolded.

Qin Yu narrowed his eyes. He suddenly smashed the wine bottle in the blue-haired guy’s hand!

Then, Qin Yu stretched out his hand and pressed it on the blue-haired guy’s shoulder!

In an instant, the blue-haired man felt immense weight, as if he was carrying two mountains on his shoulders. His legs went soft and he fell to the ground.

“Bark like a dog for me,” Qin Yu said as he looked at the blue-haired man coldly.

The blue-haired man hadn't said anything yet when the blondie, who was at the side, flew into a rage!

“You actually dared to make a move? You're digging your own grave!” the blondie snorted coldly.

Then, the blondie shouted, “Get him for me!”

Seven to eight young men instantly rushed towards Qin Yu.

“Yao Qing!” Qin Yu shouted, and Yao Qing immediately rushed out as quickly as an arrow!

In just a few minutes, these seven to eight young men were all lying on the ground while wailing non-stop!

When he saw this scene, the yellow-haired guy's expression turned livid.

“There's only you left. Do you want to lie down yourself, or do you want me to beat you down?” Yao Qing said while rubbing his fist.

The yellow-haired man gritted his teeth and said, “If you dare to beat me up here, you're dead meat. My cousin is the manager here!”

“Yes, dude, go and call your cousin over quickly!” The blue-haired man also shouted.

Qin Yu couldn't be bothered to argue with these people. He walked in front of Sun Ying, pulled her up, and prepared to leave.

“What? Are you afraid?” The yellow-haired man hurriedly shouted.

“Let me tell you, you can run, but Sun Ying can't run!”

“Sun Ying, if you dare to leave, I'll screw you!” The blondie pointed at Sun Ying and shouted.

When he heard this, Qin Yu's expression instantly turned cold.

He stopped in his tracks and looked at the blondie coldly. “Go and call your cousin over. I'll wait here.”

“Okay, whoever leaves is a sucker!!” The blondie said and hurriedly ran out.

After he left, Chen Xin hurriedly ran to Qin Yu's side and said with a worried expression, “Qin Yu, hurry up and leave. This KTV belongs to Lu Shuming. You just offended the Liu family. If you offend the Lu family again, you'll be in trouble.”

“Lu Shuming's?” Qin Yu raised his eyebrows and couldn't help but smile.

“What a coincidence. I'll wait for him here.” Qin Yu immediately sat down on the sofa.

Chen Xin's face was pale, and she was extremely worried.

She had never thought that things would come to this!

Soon, the yellow-haired man returned to the private room.

He kicked open the door of the private room and swaggered in. Behind him were seven to eight tattooed men..
