Chapter 1290 Chapter 1,290, looking for Qin Yu

Zhong Wu sneered as he watched Qin Yu leave.

Meanwhile, Jing Bai and Guan Zhuang quickly chased after him.

They caught up with Qin Yu and said in a deep voice, “Qin Yu, are you really going to leave?”

Qin Yu nodded and said, “I have to take revenge for my team leader. Jin Lun and the Heavenly Cloud sect must pay the price.”

“Oh right, I have to remind you to be careful of that Zhong Wu. I always feel that this matter is related to him.”

Jing Bai was stunned and said, “What do you suspect?”

Qin Yu was silent for a moment before he finally shook his head and said, “Forget it. I don’t have any evidence. Everything is just a guess. In short, you should be careful.”

After saying that, Qin Yu ignored the two of them and walked toward the Green Rock Forest.

To Qin Yu, the only place he could go to now was the Green Rock Forest.

The green rock forest was extremely huge. There were mountains and trees everywhere, and demonic beasts were everywhere.

Qin Yu had already lost his spiritual energy, so it wouldn't be that easy for him to capture Qin Yu's figure.

After the death of the team leader, Zhong Wu successfully took over.

ee

He quickly told this news to Ling Yun. Ling Yun couldn't help but sneer when he heard the news. "This Zhong Wu is quite capable," Ling Yun said in a low voice.

"HMPH, he's just a treacherous villain," the almighty beside him scolded.

Ling Yun smiled faintly. "I want this kind of person. It's easier to control him."

After saying that, Ling Yun stood up from the ground.

He patted the soil on his butt and said, "Let's

go."

"Where are we going?"

"Qingyan Forest. Zhong Wu said that Qin Yu entered Qingyan Forest."

The few of them immediately entered Qingyan Forest and prepared to capture Qin Yu.

At this moment, the wound on Qin Yu's hand had yet to recover. Due to the loss of spiritual energy, the healing speed of Qin Yu's wound was extremely slow.

Furthermore, this wound was on his fist, and his bones were already exposed. The slightest touch would cause a heart-wrenching pain.

“Damn, it’s too inconvenient without spiritual energy.”Qin Yu lowered his head and looked at his hands, and couldn’t help but sigh.

Qin Yu took the map and walked towards the depths of the green rock forest.

He was extremely careful along the way, and as long as he encountered demonic beasts, he would choose to avoid them.

He might as well not make a move against Qin Yu, which allowed Qin Yu’s journey to be considered smooth.

After traveling for an unknown period of time, as they ventured deeper into the green rock forest, the oppressive feeling became stronger and stronger.

In the dark, the demonic beasts were moving more and more frequently. From time to time, one could see the towering tree being snapped in half, and one could also hear the roars of the demonic beasts soaring into the sky.

Looking Up, one could see an ancient giant elephant that was several hundred meters tall flashing past. It was incomparably terrifying. In the sky, there were giant pythons that looked like divine dragons circling around, intimidating everyone. There was still a long way to go before such a giant appeared. No one knew just how terrifying the existence of this forbidden area was.

“Let’s rest here for a while. “Qin Yu looked at his surroundings. This place was considered safe. There were trees covering his body, so it was difficult to find him.

Qin Yu sat there cross-legged, slowly recovering from his injuries.

“Sigh, I don’t know how long it will take to recover my spiritual energy.” Qin Yu couldn’t help but sigh.

As long as he recovered his spiritual energy, he wasn’t afraid of the Heavenly Cloud sect at

all.

It could even be said that with Qin Yu’s ability, once he recovered his spiritual energy, he would definitely be able to step into the mighty realm!

God knows how terrifying Qin Yu was at the mighty realm.

At this moment, Ling Yun had also stepped into the Green Rock Forest and was looking for Qin Yu’s tracks.

Even though they were forcefully suppressing their internal QI, they were still unable to escape from the sharp-smelling demonic beasts.

Along the way, countless demonic beasts were rampaging and blocking their way.

Even though the three of them were powerful, they were still unable to do much against the attacks of the numerous demonic beasts.

“Chi!”

The treasured sword in Ling Yun’s hand sliced through the neck of a lunar eclipse wolf. Fresh blood splattered everywhere.

“These detestable beasts... “Ling Yun couldn’t help but grit his teeth.

“This is green rock forest after all, the territory of the demonic beasts. It’s better for us to be more careful,”an almighty reminded them.

Ling Yun said coldly, “Does he think that I’ll let him off just because he’s hiding here? That’s impossible! No matter what, I have to find him!”

The few of them continued to shuttle through, but Qingyan Forest was too big! It was like looking for a needle in a haystack for the three of them to find Qin Yu.

For three whole days, Ling Yun’s body was covered in wounds and blood.

Even though they were powerful, the demonic beasts they encountered became stronger as they ventured deeper into qingyan forest.

Demonic Beasts in the mighty realm could be seen everywhere. There were even demonic beasts at the peak of the mighty realm that could send the three of them flying with a casual slap.

“No, if this continues, I’m afraid we’ll die here.”Ling Yun clenched his teeth.

“Maybe that Qin Yu has already died in the Green Rock Forest.”

Ling Yun glanced at him and said coldly, “If he’s alive, we’ll see him. If he’s dead, we’ll see his corpse.”

“How about this? We can go to the hunter organization and issue a bounty. Now that Qin Yu has been expelled from the hunter organization, we can issue a bounty to find him, “a mighty figure suggested.

Ling Yun pondered for a moment before looking at one of them. “Go back and get the tracing disk. We’ll issue a bounty.”

“Alright, I’ll go back now.”

The tracing disk was a mysterious magical artifact. It could be used to easily find anyone.

Of course, if one was too powerful, the tracing disk would lose its use.

However, they didn’t believe that Qin Yu’s strength was above theirs.

As for Ling Yun, he brought the remaining two people to the hunter organization.

When he saw Ling Yun walking over, Jing Bai’s face instantly darkened.

“What are you guys doing here?”Jing Bai suppressed the anger in his heart and asked coldly.

Ling Yun glanced at him and said, “I’m here to issue a bounty.”

“I’m sorry, we don’t accept it. Please leave immediately,”Jing Bai said coldly.

“That’s right, get lost!”The other hunters also shouted loudly.

“You killed our team leader and still have the face to come to the hunter organization? Get lost quickly, or don’t blame us for being impolite!”

Hearing the angry curses of the crowd, Ling Yun couldn’t help but feel a strong murderous intent in his heart.

Chapter 1291 Chapter 1291, the hearts of men are ancient

A cold killing intent filled the entire hunter organization.

The brutal Ling Yun wanted nothing more than to slaughter everyone in front of him.

However, he took a deep breath in the end and said coldly, "I will issue the bounty. Everything is in accordance with the rules. As for the death of the leader that you mentioned, I have no idea."

"Go to hell!"

"Stop pretending, who doesn't know that it was you who instigated it!"

"You will die a horrible death!"

Hearing these vicious curses, Ling Yun finally couldn't hold it in anymore.

He shouted angrily, "Enough! I can give you a high reward! As long as anyone finds Qin Yu or provides him with relevant information, I will give him 200,000 spiritual coins!"

"Who cares about your stinky money!"

"That's right, get out of Here!"

Ling Yun remained calm and continued to raise the price. "300,000."

Hearing this number, the number of curses from the crowd decreased significantly.

Ling Yun continued to raise the price. "500,000."

The number of curses decreased again, and many people were even tempted.

“One million!” Ling Yun shouted loudly.

Finally, with the high payment, the number of people who were cursing could be counted on one hand.

Money could make the devil turn the Millstone. This was an unchanging principle.

Even though Jing Bai was furious, he knew that he couldn't change anything.

At this moment, Zhong Wu walked out from the darkness.

He smiled faintly. “Since Young Master Ling is willing to pay a high price, then we have no reason to reject.”

Jing Bai looked at Zhong Wu coldly. He opened his mouth but didn't say anything in the end.

Ever since Qin Yu reminded him, he had been filled with suspicion towards Zhong Wu.

He was also very clear that Zhong Wu, who possessed the white bone scepter, didn't know his opponent.

“Young Master Ling, this way please.” Zhong Wu cupped his hands.

Under everyone's watchful eyes, Ling Yun had been emptied out of another office and successfully signed the bounty order.

Once the bounty was issued, countless hunters came to take orders.

On the same day, hundreds of hunters stepped into green rock forest and embarked on the path to find Qin Yu.

At this moment, Qin Yu was slowly recovering from his injuries.

The disappearance of spiritual energy had both advantages and disadvantages. At the very least, it was very difficult for Qin Yu to be discovered by others, and it was also very difficult for him to become the target of demonic beasts.

He hid in a deep forest and waited quietly for his injuries to recover.

However, Qin Yu knew very well that this was definitely not a long-term plan. He would be found by Ling Yun sooner or later.

With the abilities of the Tianyun sect, it was not difficult to find a person.

If I want to escape, I have to go to the depths of Qingyan Forest and cross the boundary line, Qin Yu thought to himself.

However, this was even more unrealistic. There was still a long distance from the boundary line, and he had already seen extremely powerful demonic beasts.

If he took a few more steps forward, he was afraid that he would die without a doubt.

After my injuries recover, I must definitely kill that Ling Yun! Qin Yu made up his mind in his heart.

In the next few days, Qin Yu's life was rather peaceful.

He lowered his head to look at the new flesh on his hands and said softly, "My injuries have almost recovered."

Qin Yu clenched his fists lightly. He could still feel the pain.

It would be difficult for him to use his full strength.

At this moment, there was a sudden commotion in the forest.

Countless trees were uprooted. A huge demonic beast swooped down from the sky!

The terrifying wind was so strong that it seemed like it was going to flatten the entire green rock forest. Even Qin Yu felt an intense pressure.

Qin Yu frowned slightly as he looked at the demonic beast warily. However, he soon realized that the demonic beast wasn't coming for him at all. Instead, it was charging to the side!

"HMM? Could it be that a hunter is here? Or has Ling Yun and the rest found me?" Qin Yu muttered to himself.

He hurriedly hid and activated the desolate God's eye to look in the direction of the Demonic Beast.

With the support of the desolate God's eye, Qin Yu's gaze passed through the Dark Valley and looked directly at the demonic beast.

He saw two hunters fighting with all their might against this demonic beast. However, this demonic beast was too powerful and wasn't something they could fight against.

In just a short ten minutes, the two of them were beaten until they vomited blood and their bodies were almost shattered.

"No, if this continues, we will die here..." the two of them looked terrified.

“Run, run...”

The two of them turned around and wanted to escape, but the demonic beast did not give them a chance.

It was a flying spider with two arms. It spat out spider silk that looked like steel wires and quickly wrapped around the two of them!

The two of them struggled with all their might, but they found that they could not break free at all!

“It’s over... It’s over...”

They looked at the huge demonic beast in horror, their faces filled with despair.

Seeing that the flying spider was getting closer and closer, the huge bloody mouth emitted waves of foul internal QI.

Just as they were giving up, a figure suddenly shot over!

It was a thin body, but it contained an incomparably terrifying power.

A fist fiercely smashed onto the flying spider’s Head, instantly sending the flying spider back hundreds of meters!

The two of them hurriedly looked at the figure and exclaimed, “Qin... Qin Yu!”

Qin Yu turned around and glanced at them. He quickly walked in front of the two of them and used brute force to tear apart the spider silk on their bodies.

“How are you? Are you guys okay?” Qin Yu frowned and asked.

The two of them hurriedly got up from the ground, cupped their hands and said, "I'm fine. It's just a superficial injury..."

Although that was what they said, in reality, their bones were already broken. It was a terrible sight.

"Why are you guys here? The demonic beasts here are too ferocious. It's not suitable for you to hunt." Qin Yu frowned and said.

The two of them looked at each other and said awkwardly, "We... We are lost."

In the end, they didn't reveal their true purpose. Qin Yu didn't expect them to come looking for him.

"If there's nothing else, leave this place quickly." Qin Yu frowned.

The two of them nodded immediately. "Alright, Qin Yu. What about you? Do you want to continue staying here?"

Qin Yu nodded and said, "This is a good place to hide. Ling Yun and the others won't be able to find us anytime soon."

The two of them didn't say anything else.

After they greeted Qin Yu, they turned around and left quickly.

They only stopped when they were far away. "I didn't Expect Qin Yu to hide here," one of them said.

"If we tell Ling Yun about this, we'll be able to earn a million."

At this moment, another person frowned and said, “But... Qin Yu just saved our lives. If it weren't for him, we would have become the belly of that flying spider.”

“He saved us, but we betrayed him. Isn't that inappropriate?”

“There's nothing inappropriate about it. We Didn't beg him to save us, not to mention that it was a million! Think about how long it would take us to earn a million spirit coins?”

Chapter 1292 Chapter 1292, life force!

Under the huge bounty, everyone had to face the test of humanity.

Some people would lose their bottom line and lose their morals. There were also very few people who would hold onto their bottom line.

The two of them struggled for a moment, but in the end, they couldn't resist the temptation of money.

They hit it off and decided to tell Ling Yun Qin Yu's location in exchange for the high bounty.

...

At this moment, Qin Yu didn't think that he would be betrayed by the hunter organization.

He activated the Divine Wilderness Eye and looked hundreds of meters away.

The gigantic flying spider didn't have any intention of leaving. Even though Qin Yu's punch had injured it severely, it had successfully angered it.

A pair of dark eyes stared coldly at Qin Yu's skinny figure.

Qin Yu was also looking at it. There was not the slightest hint of panic on his face.

“Come, let me see how capable you are,” Qin Yu said coldly.

The flying spider seemed to understand Qin Yu's words. It flapped its huge wings and flew over in an instant!

The fluttering arms brought about a violent hurricane in the mountain forest.

The hurricane swept past, as if it wanted to destroy everything. “Hiss!”

It spat out steel wires from its mouth, intending to tie Qin Yu up.

But Qin Yu's speed was very fast. With a deep leap, he jumped onto a tree and easily dodged it.

The flying spider flew into a rage. Its arms were like sharp blades, slashing towards Qin Yu with a swoosh!

Qin Yu did not dare to be negligent. This was not an ordinary demonic beast, but a demonic beast of the mighty realm!

It was even stronger than the spirit monarch lion from back then!

Therefore, Qin Yu did not dare to conceal his strength. He directly activated the third level of the battle word technique, and clenched his fist as he approached!

“Bang!”

A punch landed on the flying spider's ugly face, forcing it to take a few steps back. Qin Yu seized the opportunity, and his fist smashed towards the flying spider's vital point like raindrops.

Even the flying spider couldn't withstand the violent wind and rain.

Half of its head was smashed by Qin Yu, and dark green blood flowed out with surging flames.

But in the next second, the flying spider actually began to heal slowly.

"Huh?" Qin Yu frowned slightly.

What kind of ability was this? It could actually recover its injuries in such a short time?

"What a terrifying recovery ability," Qin Yu said with a frown.

"Swoosh!"

Before Qin Yu could think too much, the steel-like spider silk shot over once again!

This time, its speed was much faster. It almost instantly formed a web and bound Qin Yu within!

The terrifying adhesion made it impossible for Qin Yu to break free.

The spider silk stuck tightly to Qin Yu's skin. With just a slight movement, it almost tore Qin Yu's skin apart.

"Chi!"

At this moment, the flying spider leg pierced through Qin Yu's chest with a sharp wind! It was like chopping vegetables!

Qin Yu could not help but turn pale with fright!

He lowered his head and looked at the wound on his chest. He could not help but be shocked!

How long had it been since this body had been pierced through! This flying spider was indeed not simple!

A thread of liquid suddenly surged out from his feet. This liquid flowed along Qin Yu's wound and merged into his blood.

“Not good!” Qin Yu's expression immediately changed!

This was most likely the poison in the Flying Spider's Body! Moreover, it directly merged into his blood!

Qin Yu did not dare to waste any more time. He directly activated the fifth level of the 'Dou' formula, forcefully breaking open the spider web, and then retreated.

He touched the blood that was flowing out of his chest, and his brows furrowed tighter and tighter.

At this moment, a faint feeling of dizziness surged into his brain.

Although it was not serious, it was enough to drag down Qin Yu's battle prowess.

More importantly, Qin Yu did not know much about the flying spider. He had no idea if the poison would spread for a long period of time.

However, the president of the Flying Spider Academy was not very familiar with it.

“I should not have underestimated this beast.”Qin Yu could not help but feel a little annoyed.

If he had activated the fifth level of the battle character technique at the first moment, he wouldn't have fallen to such a state.

“Swoosh!”The flying spider came again. He used the same trick again, wanting to trap Qin Yu with the spider web.

However, Qin Yu, who had activated the fifth level of the battle character technique, had his strength greatly increased. The spider web couldn't stop him at all.

Qin Yu grabbed the spider web and quickly approached along the spider web!

“Bang!”

His steel-like fist smashed onto the back of the flying spider, causing cracks to appear on the back of the spider.

“Eh?”

This made Qin Yu slightly stunned.

The back of the flying spider was actually so hard. Even with its full strength, it was only able to create cracks! It was truly terrifying!

The flying spider became more and more agitated, shaking the entire Qingyan Forest.

Many demon beasts sensed the might of the flying spider and fled, afraid that they would be implicated.

Qin Yu's expression was cold. His head was getting dizzy. If this continued, he would definitely fall here.

"I can't waste any more time. I have to finish off this beast as soon as possible." Qin Yu took a deep breath.

Taking advantage of the fact that he had not fainted yet, he launched another storm-like attack.

After a series of punches, the flying spider's body was smashed into a bloody mess and its bones were shattered.

Although it had a powerful recovery ability, it was unable to heal such injuries in a short period of time.

Qin Yu did not give it any chance to catch its breath. He immediately launched a third round of attacks and completely shattered its body!

After hundreds of punches from Qin Yu, the flying spider finally fell down, and its internal Qi began to become more and more dispirited.

In a moment, the flying spider completely collapsed, without any internal Qi.

Qin Yu could not help but let out a long breath. He rubbed his head, feeling a headache.

"Damn it, at this rate, I'll pass out sooner or later." Qin Yu could not help but curse.

"I have to find a safe place to recuperate."

Just as Qin Yu struggled to get up and was about to find a safe place, a wisp of smoke-like internal Qi suddenly flowed out of the flying spider's body.

This internal Qi was extremely strange and carried a strong yang qi. Just sniffing it would make one feel refreshed.

“What is this?” Qin Yu looked at the internal Qi with some surprise.

He sniffed hard and felt extremely comfortable.

Soon, Qin Yu reacted.

He looked at the internal Qi with surprise and joy and said with a trembling voice, “Could it be... the internal Qi of life?!”

Chapter 1293 Chapter 1,293 had been found!

Qin Yu had never seen the internal Qi of life before, but this aura gave him the exact opposite of the Twilight Qi!

From this, Qin Yu quickly concluded that this was the internal Qi of life!

“In other words, the flying spider has internal Qi of life...” Qin Yu suppressed the excitement in his heart as he quickly took out a container and collected all the internal Qi of life.

Qin Yu was in danger of fainting at any moment, so he could not quickly absorb the life energy, so he could only collect it temporarily.

After collecting all of the life energy in the flying spider's body, Qin Yu was almost exhausted.

Sweat kept pouring out of his forehead, and he felt tired.

“No... I have to find a place to rest...”Qin Yu muttered in a low voice.

He quickly found a relatively safe bush and collapsed.

Qin Yu collapsed in the bush. His eyes became a little blurry and his vision became darker. He was on the verge of fainting.

However, he still forced himself to stay conscious.

At the same time.

The two hunters had already rushed back to the hunter organization.

They didn't care about their serious injuries and quickly found Ling Yun.

“We Found Qin Yu.”The two of them didn't waste any time and went straight to the

point.

Ling Yun's eyes lit up. He stood up and said, “Oh? Is that true?”

“It's absolutely true! We saw him with our own eyes!”The two of them said excitedly.

Ling Yun's eyes turned colder. He said coldly, “Bring me to him immediately.”

The two of them looked at each other as if they were worried.

“Young Master Ling, why don't you give us the money first?”One of them asked.

Ling Yun said coldly, “When I find Qin Yu, I will naturally give you the money.”

“Why don’t you give it to us first?”The two of them smiled sheepishly.

Ling Yun raised his eyebrows and sneered. “Do you think I would care about a mere million?”

“A million dollars is nothing to you, but to us, it’s a huge sum of money.”The two of them refused to let go.

Ling Yun had no choice but to say, “I’ve already given the money to your hunter organization. When the matter is settled, you can go and ask them for it.” The two of them smiled bitterly. “I’m most worried that you’ve given the money to Jing Bai. Given Jing Bai’s temper, he might withhold the money from us.”

“So... you should just give us the money directly.”

Ling Yun frowned. After hesitating for half a second, he finally took out the money and gave the two of them a million dollars.

After paying, Ling Yun said with a dark expression, “Bring me there immediately.”

“No Problem!”

After receiving the money, they didn’t waste any time. They immediately brought Ling Yun and the almighty beside him towards the Green Rock Forest.

At this moment, Qin Yu was lying in the grass, slowly recovering his divine sense.

Fortunately, this faint feeling was slowly disappearing and didn't cause any other consequences.

After an unknown period of time, Qin Yu was finally able to move.

He stood up from the ground, rubbed his forehead, and shook his head.

“Damn, it's still very uncomfortable, “Qin Yu couldn't help but curse.

“Fortunately, I got the life qi. It's a blessing in disguise.”

Thinking of the Life Qi, Qin Yu was a little excited.

He couldn't wait to take out the life Qi that he had collected from the spatial magic artifact, and said in a low voice, “As long as I absorb the life Qi, my lost spiritual power will come back.”

During this time without spiritual power, it was very inconvenient to do anything.

He couldn't even use the purple spiritual fire that he was so proud of.

Just as Qin Yu was about to absorb the life force, a few figures suddenly approached him from the shadows.

They were none other than Ling Yun and his group!

“Look, Young Master Ling, Qin Yu is right there!”The two of them shouted as they pointed at Qin Yu's figure.

Ling Yun didn't waste any time. He snorted coldly and immediately brought his men over to Qin Yu.

Even though Qin Yu had lost his spiritual energy, he was still extremely sensitive to danger.

He turned around abruptly and looked at Ling Yun and the others.

“Qin Yu, you sure know how to hide,”Ling Yun said coldly.

Qin Yu’s expression changed drastically! He looked at the two hunters beside him and instantly understood.

“I saved you guys, and you guys went to inform on Me?”Qin Yu’s expression couldn’t help but turn cold.

The two of them smiled sheepishly. “Qin Yu, Don’t blame us. Young Master Ling’s price is too high. That’s a million dollars!”

“That’s right. A million dollars is an astronomical figure to us. We don’t have your abilities, so please forgive us.”

Qin Yu’s face turned even colder. He couldn’t help but sneer. “This holy region has really taught me lesson after lesson... But do you think Ling Yun will let you off?”

The two of them frowned slightly when they heard this.

“What do you mean?”They looked at Ling Yun subconsciously.

A strange smile appeared on Ling Yun’s face.

“Qin Yu, you know too much, “Ling Yun said calmly.

The two of them panicked immediately. They looked at Ling Yun in horror and asked in a trembling voice, “You... What do you mean?”

Ling Yun sneered. "What do you mean? I'm sending you on your way, of course."

"You... You're not a F* cking human!" The two men's expressions changed drastically. After saying that, they turned around to run.

However, with their abilities, how could they escape from Ling Yun's demonic claws.

Ling Yun extended his palm and a shadow instantly grabbed the two men's heads.

"Kacha!"

After a crisp sound, the heads of the two men were crushed by Ling Yun!

"Two mere ants, and you dare to negotiate with me?" Ling Yun said with a smile that wasn't a smile.

ere

His hands were stained with blood, making him look like a devil.

"You're so young, but you're so vicious. If you really grow up, who knows how vicious you'll Be," Qin Yu said coldly.

Ling Yun laughed out loud. "You're just a piece of meat on a chopping board. Do you think you have the right to spout nonsense in front of me?"

"Alright, it's your turn now, Qin Yu." Ling Yun looked at Qin Yu coldly as he walked over step by step.

Chapter 1294 Chapter 1,294, the Heavenly Demon Ape

Qin Yu knew that he had nowhere to hide as he watched Ling Yun approach step by step.

However, Qin Yu's physical condition had not recovered at all.

Coupled with the speed of the flying spider, Qin Yu's strength had dropped drastically.

I have to find a chance to escape, Qin Yu thought to himself.

He looked coldly at Ling Yun, who was approaching step by step, and adjusted his internal Qi to the maximum.

"Your ability to act as a guardian shows that you have some ability. However, in front of me, your ability is insignificant," Ling Yun said calmly.

He raised his palm and pressed it lightly on Qin Yu.

In an instant, his internal Qi gushed out, and the entire space collapsed!

A huge force suddenly slammed into Qin Yu's chest. "Dang!"

A Loud Sound Shook Qin Yu back dozens of steps!

"What a heavy palm." Qin Yu frowned.

He looked at his wound, which had not healed, and his expression became even uglier.

"HMM? Not bad, you can actually withstand my palm," Ling Yun said calmly.

Qin Yu looked at Ling Yun coldly and said, "I heard that you are known as the number one genius of South Province. Although I don't know if it's true or not, I would like to experience it."

"You? Are you qualified to challenge me?" Ling Yun couldn't help but sneer.

He raised his palm once again as if he was going to do the same thing again.

Whoosh

However, Qin Yu didn't choose to sit and wait for his death. He instantly appeared in front of Ling Yun and threw a heavy punch towards Ling Yun's face!

Ling Yun didn't expect Qin Yu to suddenly retaliate. His pupils constricted and a light instantly appeared on his forehead.

Rays of light enveloped Ling Yun's face and almost instantaneously shot out!

"Clang!"

His fist landed squarely on the light. With a crisp sound, the condensed light was shattered!

Even though more than half of the force had been dissipated, Qin Yu's fist still landed heavily on Ling Yun's face!

Ling Yun was instantly sent flying by the force. He slid on the ground for a few meters before stabilizing his body.

"Young Master!" The mighty realm beside Ling Yun immediately stepped forward.

“Stop!”

However, Ling Yun shouted loudly and stopped the attendant.

He stood up from the ground and touched the wound at the corner of his mouth. He spat out a mouthful of blood-stained teeth.

“You actually managed to injure me...” a perverted smile appeared on Ling Yun’s face.

“You Damned fellow...”

Qin Yu narrowed his eyes and sneered. “Why do you talk so much nonsense? Are you a middle-aged teenager?”

Ling Yun didn’t say anything more. He raised his palm as if he was gathering some terrifying power!

“Alright, I’ll let you experience the power of destruction...” Ling Yun muttered softly as his body floated into the air.

Rays of light rapidly gathered on his palm, and large areas of the surrounding space collapsed.

reas

Ir

Just the pressure of this technique was enough to make people feel breathless.

“Heaven flipping seal!”

Ling Yun let out a loud roar, and a huge hand seal instantly formed. With a rolling momentum, it crushed down!

The entire ground collapsed, and everything within a few hundred meters was crushed into pieces!

Qin Yu's face turned solemn. There was nowhere to hide from this palm strike. He could only clench his fist and receive it!

“Boom!”

However, this heaven-flipping seal was a top-notch divine rank technique! Even with Qin Yu's unparalleled physical body, he was unable to resist it!

“Bang!”

Under this palm strike, Qin Yu was ruthlessly slammed onto the ground, causing the entire ground to collapse!

However, what shocked Ling Yun was that even though Qin Yu was pressed onto the ground and blood dripped out from his mouth, his physical body was still intact!

“How can he be so perverted?” Ling Yun couldn't help but be shocked!

He had seen so for myself countless top-notch martial artist, but he had never seen such a body before!

Qin Yu got up from the ground and wiped the blood off the corner of his mouth. His expression was somewhat unsightly.

Even though this palm strike didn't shatter his body, the powerful pressure still made his internal organs extremely uncomfortable.

“As expected of a genius from the Tianyun sect...” Qin Yu said coldly.

Ling Yun placed his hands behind his back and said indifferently, “Do you know Fear Now?”

However, Qin Yu changed the topic and said with a hint of sarcasm, “I admit that you have some ability, but if my spiritual energy recovers, I’m afraid that I can suppress you with just a raise of my hand.”

His words were true. Qin Yu was already severely injured and had just experienced the battle with the flying spider. Even the poison in his body hadn’t completely disappeared. More importantly, Qin Yu was currently unable to use the battle word formula, so he was at a disadvantage.

COV

If his spiritual energy recovers, this so-called number one genius of the southern region wouldn’t be worth mentioning

“You’re spouting nonsense. Do you think I don’t know that? You’re just a trash who can’t cultivate,”Ling Yun said coldly.

Qin Yu mocked, “That’s just the ignorance of Your Heavenly Cloud sect. I can tell you clearly that your heavenly cloud sect will definitely regret it.”

“Make my Heavenly Cloud sect regret it? Do you have the ability to do that!”Ling Yun roared. His terrifying voice was like a huge wave that sent Qin Yu flying back!

The wounds on his body were once again opened up and fresh blood flowed out.

“Cough cough...”

Qin Yu coughed violently and blood flowed out of his mouth uncontrollably.

“No... my current condition is too bad.”Qin Yu couldn't help but grit his teeth.

If he wasn't heavily injured, Qin Yu wouldn't have been in a weak state even without the support of his spiritual energy.

“Alright, Qin Yu, it's time to end you,”Ling Yun said calmly.

He opened his hands and a huge disk suddenly appeared behind him!

This disk appeared behind him like a strange phenomenon. It was extremely domineering.

The aura emitted from the disk was extremely terrifying and oppressive. Even Qin Yu felt a strong sense of danger.

He didn't know what kind of spell it was, but it was definitely not ordinary. However, at this moment, a smile appeared on Qin Yu's lips.

“Smile? You still have the mood to Smile?”Ling Yun raised his eyebrows.

“You're about to die, do you know that?”

Qin Yu sneered. “I don't think so.”

“Oh?”Ling Yun was slightly surprised.

“Why? Do you have any other trump cards? I'd like to see so for myself,”Ling Yun said calmly.

Qin Yu shook his head. “I have nothing else other than my fist.”

“Hehe, looks like you’ve been scared silly,”Ling Yun couldn’t help but laugh coldly.

Qin Yu shook his head again. “Ling Yun, I’m afraid you’ve forgotten where we are. This is green rock forest! We’re already near the border.”

“HMM? So?”Ling Yun frowned slightly. At this moment, he suddenly understood something!

Before he could regain his senses, a huge palm whizzed over and tore the disk hanging from his back into pieces!

Chapter 1295 Chapter 1295, absorbing life force

Turning around, he saw a heavenly demon ape staring coldly at Ling Yun. This demon ape was extremely terrifying, and its aura could be described as monstrous!

Anyone could tell that this demon ape wasn’t simple!

More importantly, it tore apart Ling Yun’s abnormal image effortlessly. This was enough to prove its terrifying strength!

“Idiot, I’m afraid that your heaven flipping seal has angered the demonic beasts here.”Qin Yu sneered.

“Damned Beast.”Ling Yun looked coldly at the heavenly demon ape with a hint of killing intent on his face.

He used the same trick again. He used the heaven flipping seal again and slapped it towards the heavenly demon ape.

However, the Heavenly Demon Ape immediately clenched its fist and smashed it towards Ling Yun.

The heaven flipping seal that Ling Yun used vanished instantly. That huge fist smashed directly onto Ling Yun's body.

“Bang!”

Ling Yun was instantly smashed into the ground, creating a huge hole in the ground! “Young Master!” His follower panicked upon seeing this and rushed over hurriedly.

He saw that Ling Yun's body was on the verge of shattering as he spat out blood continuously!

“What a powerful demonic ape!” Qin Yu couldn't help but give this demonic ape a thumbs up.

Qin Yu, who had always been famous for his physical body, felt as if he was nothing in front of the heavenly demon ape. Such powerful strength showed the strength of this heavenly demon ape.

He had almost taken Ling Yun's life with a single punch.

“Young Master Ling!” The attendant hurriedly carried Ling Yun out of the huge pit.

Ling Yun spat out blood continuously. He opened his mouth and spoke in a trembling voice. No one knew what he wanted to say.

At this moment, the huge heavenly demon ape didn't stop there. Its pair of cold eyes became even more manic.

Even Ling Yun and the rest felt a deep sense of fear.

Qin Yu couldn't help but sneer. “You guys should think about how to deal with this Heavenly Devil Ape First. I'll retreat First!”

After saying this, Qin Yu disappeared without a trace in a few flashes.

“Don’t go, stop right there!” That Almighty was still roaring loudly.

However, this roar didn’t stop Qin Yu. Instead, it attracted the heavenly devil ape over.

He had no choice but to grit his teeth, pick up Ling Yun, and run.

Facing this heavenly demon ape, he had no way to resist. He could only flee.

Because Qin Yu didn’t have spiritual energy, he didn’t attract the heavenly demon ape.

He ran for tens of miles before stopping.

“That was close... “Qin Yu couldn’t help but pat his chest.

If not for the appearance of the heavenly demon ape, he would probably be in deep trouble today.

This Ling Yun is really not simple, Qin Yu thought to himself.

Even though the two of them had only exchanged a few blows, it was enough to see through the strength of both parties.

“Forget about him. At least I’ve obtained the life force. I’ve earned it.” Qin Yu couldn’t help but grin.

However, his current physical condition was still very poor, and his brain was a little dizzy.

Therefore, Qin Yu planned to find a place to rest for a while.

After a few rounds of searching, Qin Yu found a cave, which he temporarily used as a shelter.

The environment of this cave was quite excellent. There was a small stream by the side, and from time to time, the sound of crashing could be heard.

After that, he lay in the cave and fell into a deep sleep.

On the other side, that mighty figure used almost all of his strength to escape from the hands of the heavenly demon ape with great difficulty.

But even so, his body was still heavily injured.

Looking at the two people covered in blood, the hunters of the hunter organization couldn't help but be a little surprised. Jing Bai even frowned slightly.

He walked over quickly and asked coldly, "You guys went to Qingyan Forest?"

"Cut the crap!" The almighty shouted. "Where's your pharmacist? Hurry up and save him!"

Jing Bai remained silent. Currently, Zhong Wu was in charge of the hunter organization. He couldn't change anything.

Under Zhong Wu's lead, the two of them were brought to the pharmacist's room.

"What's going on? How did Ling Yun get so badly injured?" Guan Zhuang walked over and muttered.

Jing Bai shook his head. "I don't know. They must have barged into the depths of Green Rock Forest and angered some demonic beast."

"Hehe, they deserve it! They should pay for their arrogance!" Guan Zhuang sneered.

Jing Bai remained silent. He was slightly worried.

Qin Yu was also hiding in the green rock forest. He was probably facing the same danger.

At this moment, Qin Yu was sleeping soundly in the cave.

After an unknown amount of time, he opened his eyes in a daze.

This sleep could be said to be refreshing.

"Fortunately, the poison of the flying spider isn't that terrifying," Qin Yu thought to himself.

He shook his head, and the feeling of fainting had completely disappeared. His injuries had also slightly recovered.

"Forget it. Let's try the life Qi first." Qin Yu took out the life Qi from the spatial magic artifact.

In the jar, traces of internal Qi were slowly flowing

Qin Yu took a deep sniff, and his entire body felt comfortable.

"This is the feeling," Qin Yu said while holding back his excitement.

"As long as I recover my spiritual power, I don't have to be afraid of the Heavenly Cloud sect anymore," Qin Yu said with a cold snort.

Then, he didn't waste any more time and immediately began to absorb the internal Qi.

Traces of internal Qi flowed through Qin Yu's pores and into his body.

The entire jar of internal Qi was disappearing at an extremely fast speed. In just a few moments, the internal Qi had been completely exhausted.

MY RICH WIFE

Chapter 1296 Chapter 1,296, a strange change

“So Fast?” Qin Yu frowned.

Looking at the empty bottle, Qin Yu frowned more and more.

He tried to mobilize the spiritual power in his body, but he was shocked to find that there was still no spiritual power in his body.

“How could this be?” Qin Yu's face changed slightly.

He glanced at the bottle in his hand and said in a low voice, “Could it be that this is not the internal Qi of life at all?”

It was impossible. How could the internal Qi of life be fake?

He tried to mobilize the spiritual power in his body again, but he found that there was still no spiritual power to speak of.

e wa

Qin Yu did not say anything. He was a little annoyed in his heart.

He sat there for a long time. Suddenly, he seemed to have thought of something. Then, he hurriedly got up and rushed out of the cave.

Qin Yu ran all the way to the side of the small river by the cave. He lowered his head and looked at his reflection in the small river.

Looking at the mirror image in the reflection, Qin Yu was surprised to find that the white hair on his forehead was less.

The white hair on his head had a wisp of black hair now.

This was enough to prove that what Qin Yu swallowed just now was the Qi of Life!

“Could it be... that the Qi of life is not enough to restore my spiritual power?” Qin Yu thought to himself.

After thinking about it, it seemed that there was only one possibility.

Qin Yu sat cross-legged on the ground, trying to feel the difference in his body.

Soon, he noticed a slight change.

Apart from the Wisp of black hair, Qin Yu's injuries had also recovered a lot.

Not only that, his newly-born flesh was flickering with a faintly discernible golden light. Although this golden light was extremely dark, it was clearly visible.

Under this wisp of Golden Light, the newly born flesh seemed to have become even harder.

Compared to other parts of his body, this area seemed to be covered with a layer of armor.

“It must be the life Qi that has taken effect.”Qin Yu couldn’t help but feel a little excited!

Before this, Qin Yu had always had a worry.

That was, after his spiritual power recovered, would the changes to his physical body caused by the Twilight Qi be returned.

But now, it seemed that after the spiritual power was restored, the physical body would probably become even sturdier!

This instantly increased Qin Yu’s confidence!

“In other words, after my spiritual power is restored, my physical body will also become even more tyrannical,”Qin Yu said in a low voice.

At that time, the mighty realm would probably not be worth mentioning.

Right at this moment, Qin Yu once again discovered a strange phenomenon.

A vague character seemed to have appeared on his forehead.

This character was extremely unclear. If one didn’t look carefully, they wouldn’t even be able to see it clearly.

Qin Yu Lay by the riverside and carefully examined it for a long time. He discovered that it seemed to be the shape of a cross.

“Cross?”Qin Yu scratched his head. He wasn’t a religious person either. How could such a shape appear?

Qin Yu reached out his hand and tried to feel the words, but he did not feel anything.

He used clear water to wash it again, but it was useless.

The words seemed to be embedded in his flesh.

“Strange.” Qin Yu scratched his head.

Sitting by the river and thinking for a moment, Qin Yu shook his head and said, “Forget it, do whatever you want. I don’t feel anything anyway.”

No matter what, the life energy did bring him great benefits.

Although his spiritual power had not recovered, the changes in his body meant that Lu Guan was not lying. “It seems that I need more life energy.” Qin Yu rubbed his chin and thought to himself.

Qin Yu only knew that the flying spider had life energy in its body.

I can only try my luck, Qin Yu thought to himself.

He was not a person who would give up easily. He immediately started searching in the Green Rock Forest, looking for traces of the flying spider.

However, Qin Yu spent a whole few days and still did not see a single flying spider.

“It really is something that can only be encountered by chance.” Qin Yu could not help but sigh.

He sat on the ground and panted slightly. No one knew what he was thinking about.

After thinking about it, Qin Yu finally decided to leave Qingyan Forest secretly.

Even though there were demonic beasts here to protect them, Ling Yun and the rest would think of a countermeasure sooner or later.

Nanzhou was so big that Qin Yu didn't believe that the Tianyun sect could cover the sky with one hand.

Furthermore, if he wanted to find the life force, he had to leave this place.

On the other side, under the care of the pharmacist, Ling Yun's injuries were slowly recovering. On the hospital bed, Ling Yun's body was covered in bandages.

He sat there and coughed from time to time. His face was frighteningly pale. "Young master, how are you feeling?" That Almighty walked over and asked.

Ling Yun glanced at him and didn't answer this question. Instead, he said coldly, "Where's Qin Yu? Did you let him escape?"

"Yes, at that time, the heavenly demon ape was chasing us. I had no choice but to take you away first," the attendant replied honestly.

Ling Yun couldn't help but clench his fists. He gritted his teeth and cursed under his breath, "Damn it..."

"Young master, the tracking device will be in place soon. Don't worry, we will definitely find Qin Yu as soon as possible," the Almighty said.

Ling Yun remained silent. No one knew what was on his cold face.

After a while, Ling Yun took a deep breath and said in a low voice, “I’m worried that Qin Yu will leave South Province.”

Even though the heavenly cloud sect was strong, it was limited to South Province.

In the entire Li Province, there were many sects that were stronger than the Heavenly Cloud sect.

“Young master, don’t worry. We have already considered this problem,”the Almighty said with a smile.

Ling Yun glanced at him and gestured for him to continue. “Young master, don’t forget that Qin Yu wasn’t the only one who crossed the void the last time. The people around him followed him to the holy region and are now in the Heavenly Cloud Sect.”

“If we really can’t find him, we can use this opportunity to force him to show himself.”

Chapter 1297 Chapter 1297, revisiting the old place

Ling Yun narrowed his eyes, seemingly satisfied with this suggestion.

Not only that, Ling Yun had always been hostile towards Di Zun.

The reason was because Di Zun’s numbers on the god testing stone were even higher than his!

This undoubtedly meant that Di zun was very likely to replace him in the future!

Qin Yu spent two days quietly leaving Green Rock Forest.

He returned to his old place and returned to Gu City.

This city extended in all directions and the seal had long been lifted. There were countless treasures and many important figures would come here to search for treasures. It was the most suitable place for Qin Yu.

“Let’s Find a place and recover from my injuries, “Qin Yu thought to himself.

He covered his face and found a pharmacy to treat his injuries.

What surprised Qin Yu was that the pharmacist of this pharmacy had to use external objects to make a fire in order to refine medicine. Even their master was only a red-colored spiritual fire!

This red-colored spiritual fire was well-known in the local area, which made Qin Yu extremely puzzled.

After all, this was the holy region, and there were countless cultivators here. How could spiritual fire be so rare? Thinking of this, Qin Yu pulled the pharmacist and said, “You have such a big pharmacy, but you don’t even have spiritual fire?”

Displeasure flashed across the pharmacist’s face. He said somewhat impatiently, “If you don’t like our medical skills, then change the place.”

Qin Yu was not angry. He smiled and said, “I’m just curious. I don’t have any other intentions.”

After saying this, Qin Yu took out ten spirit coins from the card and handed it to the pharmacist.

After the pharmacist took it, his expression instantly became much gentler.

He smiled and said, “If there was a spiritual fire, who would still be in a place like this? I don’t know how many sects would fight over it. I heard that there’s a huge pile of purple spiritual fire in the Central Plains!”

Qin Yu said in surprise, “In other words, the pharmacist of the purple spiritual fire basically gathered in the Central Plains?”

“That’s not necessarily the case. After all, the holy region is so big. Many people will never be able to go to the central plains in their entire lives,” the pharmacist explained.

Hearing this, Qin Yu didn’t say anything more.

The current Qin Yu didn’t have spiritual energy, so he couldn’t use spiritual fire at all. It was useless to ask any more questions.

“By the way, how long will it take for my injuries to recover?” Qin Yu continued to ask.

The pharmacist glanced at Qin Yu’s injuries and said, “Your external injuries are quite severe. I’m afraid it will take ten days to half a month.”

“Alright, thank you,” Qin Yu replied.

After the pharmacist left, Qin Yu’s expression instantly turned cold.

It wasn’t just Ling Yun who didn’t want to let Qin Yu off. Qin Yu didn’t want to let Ling Yun off either.

He had instructed Jin Lun to kill the team leader. Qin Yu naturally wouldn't forget this enmity.

“After my injuries recover, I would like to see so for myself the abilities of the number one genius of the South Province,” Qin Yu snorted in his heart.

In the next few days, Qin Yu tried to comprehend the sixth level of the DOU character technique while recuperating.

However, comprehending the sixth level was too difficult. Qin Yu spent an entire week without making any progress.

After a few more days, the injuries on Qin Yu's body had almost recovered.

He stood up and shook his arm. He felt that his entire body was filled with strength.

Since his injuries had already recovered, Qin Yu did not need to hide his identity anymore. He simply tore off his cover and threw it aside, swaggering out. “How much is it?” Qin Yu asked the pharmacist.

The pharmacist raised his head and glanced at Qin Yu, saying, “Three hundred spirit coins.”

After Qin Yu paid the money, he turned around and was about to leave.

At this moment, the pharmacist suddenly pulled Qin Yu back.

He sized up Qin Yu from head to toe and asked doubtfully, “You... you look a little familiar. Have we met before?”

“You should have seen me, but I definitely haven’t seen you before,” Qin Yu said with a smile.

At this moment, Qin Yu caught a glimpse of a wanted notice in the corner from the corner of his eyes.

“That’s not it. I’m sticking it there.” Qin Yu pointed at the wanted notice, then turned around and walked out.

After thinking about it, Qin Yu finally went to the stone gambling shop.

Since he had already offended the owner of the stone gambling shop, he was not afraid to continue offending him.

Qin Yu stepped into the stone gambling shop and continued to rely on the desolate divine eye to amass wealth in the stone gambling shop.

In less than an hour, Qin Yu had already earned over a million.

But this speed still made Qin Yu feel somewhat dissatisfied.

If life force appeared in an auction, Qin Yu would have to pay a high price to buy it. In that case, he would need a large amount of spirit coins to support him.

At this moment, the people around looked at Qin Yu with a strange expression.

The atmosphere around them also became more and more strange.

Many people sneaked out, as if they recognized Qin Yu’s identity and wanted to report it.

“Kacha!”

At this moment, the door suddenly closed!

Following that, eight people walked out from the dark!

Among these eight people, two were mighty figures and six were at the peak of the nascent Soul Stage!

The young man in the lead was none other than the son of the stone gambling shop owner!

The stone gambling shop owner had died at the hands of Ling Yun. He didn't have the ability to seek revenge on Ling Yun, so he naturally wanted to put the blame on Qin Yu.

He looked coldly at Qin Yu and said, "Brat, how Dare You Come Here?"

Qin Yu wasn't flustered at all. He pointed at a raw stone and said, "Bring me that raw stone."

"Hahahaha!"

Hearing this, the young master of the stone gambling shop couldn't help but burst into laughter.

"You're about to die, and you still want to gamble on Stone? Is there any meaning?" The young master sneered.

Qin Yu thought for a moment, then nodded and said, "You're right. It's still too slow to get money like this."

Therefore, Qin Yu simply stood up and looked at the young master of the stone gambling shop.

“Take out all the money you have here!”Qin Yu said coldly.

Chapter 1298 Chapter 1,298, Let's Fight!

Qin Yu's words immediately caused the young master of the stone gambling shop to be slightly stunned, and then he began to laugh maniacally.

“What did you say? You want me to hand over the money? Are you crazy?”The young master could not stop laughing coldly.

He sized up Qin Yu and could see that there was no spiritual energy fluctuation in Qin Yu's body, which made him not put Qin Yu in his eyes at all.

“Go, kill him!”The young master shouted and the eight people rushed towards Qin Yu.

However, in less than ten minutes, the eight people started to escape in a sorry state.

They thought that the gate was sealed to trap Qin Yu, but they didn't expect that they couldn't escape at all!

In more than ten minutes, the eight people were all beaten to death by Qin Yu's iron fist.

As for the young master of the stone gambling shop, his eyes were wide open as he stood rooted to the ground in a daze.

Such combat strength... Wasn't it too terrifying! With just a pair of bare fists, he had killed eight people. This simply caused his worldview to collapse!

Qin Yu shook off the bloodstains on his hands and walked in front of this young man.

“Hand over all the money, quickly.” Qin Yu raised his hand and patted his head.

How could this young master dare to resist? He immediately took out all the money on the shop and gave it to Qin Yu.

Qin Yu glanced at it and found that there were more than ten million spirit coins on the shop.

Qin Yu nodded with satisfaction. He patted the young man’s head and said, “You’re right. How can gambling stone be faster than directly snatching it?”

Hearing this, the young man even wanted to die.

After taking the money, Qin Yu swaggered out of the shop.

As soon as he walked out, he saw that the entire street had been sealed off.

The Army of Gu City had already arrived at the scene.

Dozens of people surrounded the entire street. In the sky, a general with a huge carriage and a big belly was commanding the scene.

“Qin Yu, you have nowhere to run. Come back with us, “the general of Gu City said coldly.

Qin Yu sneered. “Don’t worry, I Won’t run. I’ll wait for Ling Yun here.”

“How dare you! How can you call Young Master Ling by his name!”The general shouted.

Qin Yu glanced at the surrounding troops and said coldly, “If you don’t want your men to die, don’t act recklessly. Otherwise, I don’t mind starting a massacre in Gu City.”

The general frowned slightly. It seemed that he didn’t want to make things awkward, so he coldly snorted and said, “We have already informed Young Master Ling. You can wait here.”

“Okay, this young master will wait here.”Qin Yu pulled a stool and sat down.

The scene was quite harmonious. The heavy soldiers of Gu City were quite nervous, but Qin Yu was extremely relaxed.

On a tall building not far away, there were two young men squatting there and watching everything

“Who is that Kid? What a big lineup,”one of the young men muttered.

The other young man muttered, “How the F* CK Would I know? Who cares? If there’s a good show, then it’s a bastard.”

“TSK TSK, look at how that kid is so F * cking comfortable. Not only is he not in a hurry, he’s even sitting there eating melon seeds, “the young man scolded in a low voice.

“Shh, both of You, don’t talk nonsense.”At this moment, a slightly plump elder walked over.

“This young man has offended Ling Yun of the Heavenly Cloud sect. If someone were to tell Ling Yun about this matter, I’m afraid that he would be angered,”the elder advised.

However, the two young men did not care at all when they heard the name of the Heavenly Cloud sect. Instead, they scoffed and said, “What’s wrong with the Heavenly Cloud Sect? Do you think I’m afraid of Him?”

The other young man rolled his eyes and said, “That’s right, that’s right. Whatever Ling Yun Yi Yun is, it has nothing to do with us.”

Seeing this, the old man did not say anything more.

“But speaking of which, this kid called Qin Yu is quite bold. He still dares to provoke the Tianyun sect in the territory of the South Province?”One of the young men muttered.

“Who knows? Who cares? Just wait for the show to be over.”

Below, Qin Yu was sitting on a bench. He casually picked up a handful of melon seeds from a stall and started munching on them.

He took out a hundred spiritual coins from his card and placed them on the stall. he shouted, “I paid!”

The stall owner didn’t know whether to laugh or cry. He didn’t dare to reply.

In a short while, a bunch of melon seeds appeared under Qin Yu’s feet.

“Sigh, this is too boring. “Qin Yu stood up from the bench and stretched.

“Why isn’t Ling Yun Here Yet? I’ve been waiting for him for almost three hours.”

The big-bellied general said coldly, “Don’t worry, we’ve already informed Young Master Ling. He must be on his way.”

“Oh,” Qin Yu replied. He thought for a moment before raising his head and shouting, “Can I ask you something? Do you know where there is life?”

W

The Big Belly was stunned for a moment, then he said with a dark face, “You’d better shut up!”

Qin Yu muttered to himself, “There must be something in Gu City, such as an auction or some aristocratic family. There must be... Oh right, do you have it in the Imperial Palace? Can you ask your city Lord to give me some?”

The Big Belly seemed to have reached his limit. He gritted his teeth and said, “Shut up! You’re about to die and you don’t know it. How dare you talk nonsense with a cheeky face!”

“I can tell, there must be something!” Qin Yu said with certainty.

“Tell Your City Lord that I’m going to get some from him.”

The big-bellied man gritted his teeth and covered his ears.

On the other side, Ling Yun, who had received the news, was rushing frantically.

He rode on a huge flying beast and headed straight for Gu City.

Chapter 1299 Earth chapter 1299, fighting against Ling Yun!

The two of them were riding on flying demonic beasts as they sped towards Gu City.

“Young master, your injuries have yet to recover. Are you sure you want to go now?” The attendant beside Ling Yun couldn’t help but frown.

Ling Yun said coldly, “I can kill an ant even if I’m not at my peak condition.”

“Young master, don’t underestimate Qin Yu. Elder Bai and guardian Ren both lost to him,” the attendant said in a deep voice.

Ling Yun snorted but didn’t say anything.

Elder Bai was the weakest of the few elders, so it wasn’t strange for him to lose.

Ling Yun was extremely frustrated during the last battle. He regretted not killing Qin Yu at the first opportunity. Instead, he was like a cat catching a mouse.

This time, I won’t give you any chance... Ling Yun roared in his heart.

In Gu City, Qin Yu looked like he was in the prime of his life. Whenever he saw something he wanted to eat, he would pick it up and stuff it into his mouth. He didn’t look like a person who was about to die at all.

“Do you think this kid’s brain isn’t working properly? Or is he confident? Or should I say, he’s just a broken pot that’s broken?”

The two youths on top of the tall building muttered as they stuffed their mouths full of delicacies.

“I don’t know, I don’t know. Didn’t that old man say that this Qin Yu injured the people of the Heavenly Cloud Sect? He must have some ability,” another youth said as he took a gulp of wine.

“Speaking of which, I quite like this kid’s temper and character. If he’s not dead, I’ll have to make friends with him,” another youth said with a smile.

As he was speaking, a violent wind suddenly whistled past in the sky.

The enormous flying exotic beast blotted out the sky and covered the sun, turning the day into night.

Almost everyone raised their heads to look at this flying exotic beast, their eyes filled with shock.

“Damn, this demonic beast is even cooler than ours!” The two youths on the tall building cursed.

“What kind of bird is this? We’ll change it later!”

Other than the two of them, no one else present was so relaxed.

Even the city Lord of Gu City stood on the high platform and quietly watched everything.

He was worried that the battle between the two of them would destroy Gu City.

Qin Yu stood up from the bench. His previous playful posture was replaced by a cold expression.

“You’re finally here...” Qin Yu clenched his fists lightly. His heart was filled with hatred. The death of the team leader had something to do with Qin Yu, but Ling Yun was the culprit.

Only by killing Ling Yun would Qin Yu feel better.

Ling Yun stood high in the sky and looked down at Qin Yu.

He jumped down with the almighty beside him.

Qin Yu narrowed his eyes and quickly noticed that something was wrong with his condition.

“Looks like that punch from the heavenly demon ape caused quite a lot of damage to you,” Qin Yu sneered.

Ling Yun looked at Qin Yu coldly and said, “So What? Killing You is enough.”

Qin Yu Sized Ling Yun up and said, “I can tell that you are a petty person just by looking at you, right?”

Ling Yun’s expression turned cold as he said coldly, “Cut the crap. You have to die today. I Won’t give you any chance!”

Qin Yu laughed out loud and said, “What a coincidence! You killed the leader of the hunter organization. I will definitely chop off your head and bury you with the leader!”

“Arrogant words!” After Ling Yun roared, the internal Qi in his body exploded to the maximum!

Just as he had said, he didn’t want to give Qin Yu any more chances. Instead, he chose to end the battle quickly!

Qin Yu had the same mindset. This was his first real battle after coming to the Holy Region, and it was in front of so many people!

If he killed Ling Yun quickly, he would be able to make a name for himself!

Thus, Qin Yu immediately unleashed the fifth level of the battle word technique. His entire body erupted with an extremely terrifying godly power!

Although this power couldn't be compared to the heavenly demon ape, it was already at the peak among human cultivators!

The atmosphere was extremely tense when their eyes met.

There were people watching from the surroundings. The city Lord immediately activated the formation to protect the city.

“Boom!”

Ling Yun didn't waste any words. He raised his hand and used the heaven flipping seal!

His huge palm covered the sky and earth as it came crushing down!

This time, Qin Yu didn't Dodge anymore. Under his peak condition, he wasn't afraid even when facing the sky-turning seal!

Qin Yu let out a loud roar as he poured his divine power into his right fist. He intentionally threw a punch towards the sky-turning seal!

Boom

The huge collision spread out with the two of them as the center!

Even though there was a large array protecting the city, the powerful internal Qi still repelled countless people. There were even people who lost their lives because of it!

The sky-turning seal seemed to be in a sorry state under Qin Yu's furious punch!

As Qin Yu roared, his strength was unleashed to the maximum.

Boom

Finally, the sky-turning seal couldn't take it anymore and was directly shattered!

As for the Spellcaster, Ling Yun, he took a few steps back!

His face turned a few shades paler, and in the next second, he spat out a mouthful of blood!

Although it was only one move, both of them had fused their invincible fighting spirit! One punch, and the winner was decided!

MY RICH WIFE

Chapter 1300 Chapter 1,300, Ling Yun's strange phenomenon

The surrounding crowd was shocked. Their eyes shone with an unbelievable radiance!

One had to know that Ling Yun's heaven flipping seal was a heaven-grade spell. It was well-known throughout the entire South Province!

The caster of the spell was Ling Yun, who was known as the number one genius of the South Province!

However, Ling Yun, who was blessed with all sorts of glory, was repelled by Qin Yu and spat out blood. How could this not be shocking!

Qin Yu looked at Ling Yun coldly and didn't say a word.

He knew that Ling Yun's injuries had relapsed. Otherwise, this punch wouldn't have been able to make him spit out blood.

That punch from the heavenly demon ape had already injured his internal Qi. His strength was definitely not at its peak, and even his breathing was somewhat chaotic.

In such a state, how could he be a match for Qin Yu!

However, Qin Yu didn't have the slightest bit of compassion at this moment.

Even if Ling Yun wasn't at his peak, Qin Yu would definitely kill him!

“Cough cough...”

Ling Yun covered his mouth and coughed twice. There were two more pools of blood.

“Young Master!” That Almighty quickly walked in front of Ling Yun as if he wanted to stop Ling Yun.

However, Ling Yun pushed him away. He glared at Qin Yu and said, “Kid, you're courting death...”

Boom

Qin Yu didn't waste any words. He clenched his fist and threw it at Ling Yun.

Ling Yun hurriedly activated his protective magic artifact. This protective magic artifact seemed to have its own consciousness and automatically protected its owner when he was threatened.

However, the protective magic artifact, which had already taken a punch from the Heavenly Devil Ape, was already on the verge of shattering

Under Qin Yu's explosive attack, the radiance was instantly destroyed! Meanwhile, the protective magic artifact on Ling Yun's body shattered with a "Kacha" sound!

"Boom!"

Before Ling Yun could react, Qin Yu took a step forward and threw another punch!

Ling Yun was extremely furious. The disc-like phenomenon quickly appeared behind him!

A heavy feeling assaulted his face. Under this abnormal phenomenon, Qin Yu was actually pressed onto the ground!

"You're courting death!" Ling Yun roared angrily. The strange phenomenon behind him was even shimmering!

In the next second, the strange phenomenon that was like a disc came crashing down on Qin Yu with a terrifying might.

Countless precious radiances intersected, forming an extremely holy outline of the strange phenomenon. However, no one dared to doubt the destructive power of this strange phenomenon. Even space seemed to have collapsed under the pressure!

Qin Yu felt this extremely terrifying power. He did not dare to be the slightest bit negligent. He immediately unleashed the venerable Fifth Mountain and chose to meet it head-on!

“Boom!”

The intense collision between the phenomenon and the Dharma artifact unfolded at this moment!

However, in a short moment, the venerable fifth mountain was pushed back by the pressure. It seemed that it could not hold on any longer!

“Boom!”

The venerable fifth mountain was pressed to the ground, smashing the ground into pieces.

Following that, the terrifying phenomenon smashed into Qin Yu’s body!

“PFFT!”

However, at this moment, Ling Yun, who had used the phenomenon, spat out a mouthful of blood!

This phenomenon seemed to have consumed a lot of his energy. His internal injuries had relapsed, and the radiance of the phenomenon had dimmed by a few degrees! His strength had also decreased by a lot.

“Boom!”

The phenomenon smashed onto Qin Yu’s shoulders. Even though it had dimmed a little, it was still extremely terrifying.

The moment it came into contact with Qin Yu's shoulder blade, a crisp cracking sound was heard!

This couldn't help but cause Qin Yu to turn pale with fright!

Qin Yu's physical body was already considered invincible. Now, he had even used the fifth level of the battle word technique.

However, even so, the phenomenon still crushed Qin Yu's bones!

What kind of power was this!

The abnormal phenomenon slowly disappeared and reappeared behind Ling Yun's back.

Ling Yun wiped the blood from the corner of his mouth and gritted his teeth in anger. "Damn it... I didn't kill him..."

He knew the state of his body in his heart. He also knew how much damage the abnormal phenomenon would cause in such a state.

He had wanted to kill him in one strike, but he didn't expect his old illness to recur at this time!

Qin Yu's brows were tightly knitted, and he was extremely shocked.

This Ling Yun's strength was far beyond his imagination!

As expected of a famous disciple of the Holy Region, Qin Yu thought to himself in a low voice.

This kid was only seventeen years old, but he already had such formidable combat strength. His future was truly limitless!

“Phew.” Qin Yu took a deep breath. He shook his arm, feeling the pain from his shoulder blade.

Without spiritual energy, it would be difficult for me to deal with that anomaly, Qin Yu thought to himself.

Even though his fists contained godly power, Qin Yu was still unable to deal with Ling Yun’s trump card.

Ling Yun gritted his teeth as he endured the pain in his body. He planned to activate the anomaly again.

“This time... I will definitely kill you!” Ling Yun roared angrily. The radiance of the anomaly appeared once again!

The surrounding crowd couldn’t help but feel a sense of shock. They had long heard of the name of the phenomenon. Rumor has it that Ling Yun had relied on this technique to kill countless powerhouses in the intermediate stage!

It wasn’t an exaggeration to say that none of the opponents who had encountered this technique had survived until now.

“Interesting. Let’s see who dies today.”

“Let’s make a bet. I’ll bet on the death of that Qin Yu.”

“Alright, then I’ll bet on Ling Yun’s death.”

The two young men on the tall building were leisurely making a bet.

However, the rest of the people had nervous expressions on their faces.

They all used their trump cards to protect themselves, afraid that they would be affected.

Qin Yu didn't dare to be negligent in the face of the phenomenon that Ling Yun had forcefully activated.

He extended his palm and a rusty iron rod appeared in his hand.

This rod was the one he had snatched from Gu Xinghe!
