

MY RICH WIFE

Chapter 1301 Chapter 1,301, half-saint weapon

Qin Yu didn't know the origin of this iron rod, but its power was beyond imagination. It was definitely extraordinary.

Qin Yu wasn't afraid even in the face of Ling Yun's abnormal vision.

He held the iron rod in his hand, his divine power surging and his fighting spirit overflowing

His pair of cold eyes were bursting with intense killing intent and confidence.

Ling Yun's face turned paler and paler. This abnormal vision seemed to be extremely taxing on him.

However, the radiance above the strange phenomenon was extremely dazzling. That terrifying sense of heaviness was enough to crush the entire Gu City!

"Brat, go to Hell!" Ling Yun shouted as the strange phenomenon came crashing down once again!

This time, the strange phenomenon was even more powerful than before. The dazzling radiance was like a newborn sun!

"Iron Club, I'm counting on you." Qin Yu grabbed the club tightly and his body exploded!

He held the rod with both hands and drew a beautiful arc in the air. The iron rod ruthlessly smashed towards the anomaly!

“Boom!”

At this moment, the iron rod began to display its might. Qin Yu’s divine power was perfectly displayed!

The Man and the rod seemed to have fused together, displaying a power that could destroy the heavens and earth! Finally, the iron rod collided with the anomaly! The enormous force almost made Qin Yu lose his grip on the rod!

However, the anomaly wasn’t any better. Under the impact of the rod, the anomaly actually began to tremble and its radiance dimmed a little!

“How is this possible! ?”

The surrounding crowd couldn’t help but Shout!

What was the origin of the rod in Qin Yu’s hand? Was that a holy weapon? Otherwise, how could it be so terrifying? “Ah!!!”

At this moment, Qin Yu raised his head and roared. He grabbed the rod tightly and waved it for the second time!

The veins on his body bulged, and his strength seemed to have reached its limit.

“Bang!”

Under the second swing, the anomaly trembled again, and in the next second, it was sent flying!

The anomaly flew high into the sky and exploded!

Countless beams of light shot over. The terrifying power of the explosion shattered space after space, revealing large patches of pitch-black color!

“PFFT!”

At this moment, Ling Yun couldn't take it anymore. He spat out a mouthful of blood and took a few steps back.

The hidden injuries left behind by the heavenly demon ape, coupled with the power of Qin Yu's club, made him extremely weak. “Go to hell!”

Qin Yu didn't intend to stop at this point. He used all his strength to grab the club and charge towards Ling Yun!

At this moment, the almighty beside Ling Yun made his move. He raised his golden hands to receive Qin Yu's club.

With a bang, the Almighty was forced back a few steps. There were even traces of blood on his palms.

Clang

Qin Yu grabbed the club and slammed it onto the ground.

He looked coldly at Ling Yun, who was vomiting blood, and said, “You've already lost.”

Even though Qin Yu knew in his heart that Ling Yun had lost so quickly because of his internal Qi, Qin Yu couldn't care less.

What he wanted to do was to kill Ling Yun and avenge his team leader!

Ling Yun gritted his teeth. He wanted to get up, but his aura was already extremely weak. He couldn't fight anymore.

The almighty beside him walked out slowly.

“Do you think you’ve won? Let me tell you, you’re dead for sure today,”the Almighty said coldly.

Qin Yu sneered as well. “Let me tell you, Ling Yun Must Die today.”

“What big words!”The almighty sneered.

He looked straight at the city lord’s tower and shouted, “What are you waiting for? Take this kid down for me!”

Whoosh! Whoosh! Whoosh

Following his angry roar, several people flew over from the city Lord’s Tower.

These people were all in the mighty realm!

Nine mighty figures looked coldly at Qin Yu.

“City Lord, I’ll lend you a half-saint weapon.”At this moment, the mighty figure spoke again.

After hearing this, a rosary fell into his hand.

Half-saint weapon!

Wisps of holy power were spreading over it. Although this was only a half-saint weapon, the holy power could be clearly seen.

Qin Yu’s expression instantly became even uglier!

A half-saint weapon! It wasn't something Qin Yu could resist! Any wisp of holy power could send Qin Yu into eternal damnation!

That mighty figure held a half-saint weapon and looked coldly at Qin Yu.

"If you had lost to Young Master Ling, you might have died a quicker death. Unfortunately, you missed it," the Almighty said coldly.

With ten almighty experts and a half-saint weapon, Qin Yu had no chance of winning at all!

"I never expected them to use a half-saint weapon..."

"There's nothing we can do. This kid called Qin Yu defeated Ling Yun. It's unbelievable."

"Who is this Qin Yu? How come I've never heard of Him? When did such a person appear in the Southern Region?"

"I'm afraid he's not from the southern region. Perhaps he's from another region."

The surrounding comments flooded in like a tide. This mighty figure held a half-saint weapon and walked toward Qin Yu step by step.

Qin Yu gripped the rod in his hand tightly. A trace of seriousness appeared on his face.

"The iron stick in my hand is no weaker than a half-saint weapon," Qin Yu said in a low voice.

However, there was no internal Qi on the iron stick. Other than its hardness, he hadn't found a way to activate it.

Even if the iron stick had an extraordinary origin, it was just a magic weapon that hadn't been resurrected. It couldn't compete with a half-saint weapon.

Chapter 1302 Chapter 1302, the difference in status

The holy power of the half-saint weapon filled the air, shocking everyone.

The closer the half-saint weapon was, the more powerful the holy power became. Those who were weak couldn't withstand this power at all.

Qin Yu's face became more and more serious. His brain was spinning rapidly as he thought of countermeasures.

“TSK, TSK, tsk. Aren't you guys too shameless? Who Bullies People Like This?”

At this moment, a voice sounded out.

Turning around, he saw two youths walking over with cheeky smiles on their faces.

Upon seeing these two youths, the Almighty's face turned black as he coldly said, “Who are you people? You Dare to meddle in other people's business? Could it be that you're Qin Yu's accomplice?”

“Bullshit! We're just passing by and roaring at injustice,” the two youths muttered.

Qin Yu looked at the two young men and realized that their clothes were luxurious, but their temperament didn't match their clothes at all.

"I advise you to mind your own business..." at this moment, Ling Yun walked over from not far away.

He looked extremely weak, but the viciousness in his glasses didn't diminish.

"It's not that we're meddling in other people's business, but aren't you guys being too much of a bully? We agreed on a 1 V 1. If you can't beat me, you found so many people and even threatened me with a half-saint weapon. Shameless!" One of the young men scolded.

"That's right, that's right. Bah, Shameless!"

The two of them chimed in, making Ling Yun, who was already furious, look even more unsightly.

"Both of you, I advise you not to meddle in the affairs of our Heavenly Cloud Sect." The almighty sized them up and seemed to have noticed that these two people had extraordinary backgrounds. He didn't dare to make a move immediately and only spoke out to probe, using the Heavenly Cloud sect to oppress the two of them.

Unexpectedly, these two people didn't take it seriously at all. One of the young men even snorted and said, "What's wrong with the Heavenly Cloud Sect? is the Heavenly Cloud sect unreasonable?"

"I think you're courting death!" Ling Yun instantly flew into a rage! Following Ling Yun's angry scolding, the nine almighty experts also took a step forward in unison.

These two young men weren't afraid at all. They snorted coldly and said, "Are you trying to scare us? Do you think we're Big Shots?"

Seeing their attitude, the almighty felt that something was wrong.

He narrowed his eyes and asked tentatively, "Who are you two? Why do you want to interfere in the affairs of our Heavenly Cloud Sect?"

"This young master is called Wen Da, and this is my younger brother Wen Er!" One of the young men patted his chest and said.

The young man called Wen er also said casually, "That's right, we are the famous Wen Brothers!"

"Wen Brothers? How come I've never heard of them?"

"Where did they come from? They don't seem to be very strong."

Even the almighty beside Ling Yun couldn't help but look puzzled.

Wen Da and Wen Er? weren't they just two nameless people?

"That shouldn't be. How would a nameless person dare to interfere in the affairs of my Heavenly Cloud Sect..." he thought to himself.

"Cut the crap. Kill them both!" Ling Yun said through gritted teeth.

Just as the few almighty experts were about to make their move, Ling Yun's follower suddenly thought of something. He hurriedly shouted, "Stop!"

Ling Yun's expression turned cold as he said coldly, "What are you doing?"

“Young Master, allow me to investigate before making a decision, “the Almighty said.

Then, he looked at Wen Dawen er and asked tentatively, “Who is Wen Wanli to you ?”

“That’s my grandfather!”Said Wen da proudly.

Hearing this, the expression of the almighty instantly became a bit ugly.

They really had a background!

“These two kids... are actually Wen Wanli’s grandsons...”

“Wen Wanli ? That Wen Wanli who killed eighteen almighty experts from various sects ?”

“No wonder he dared to challenge the Tianyun sect. He’s actually Wen Wanji’s grandson...”

“There are really many hidden dragons and tigers in this Gu City...”

Wen Wanji’s name seemed to be extremely famous, and many people started discussing

it.

Even the nine mighty figures subconsciously took a few steps back.

“So what if you’re Wen Wanji... If you dare to meddle in my business, I’ll kill you!”Ling Yun almost roared.

“TSK TSK TSK, this is for you. Come, try touching my finger!”Wen Da gave Ling Yun the middle finger.

“That’s right, that’s right. If we lose a single hair, my grandfather Will Skin You Alive!”Wen Er also shouted.

“You two old trash, how dare you shout at me!”Ling Yun shouted angrily.

The Wen brothers didn’t feel embarrassed at all about the old gnawing. Instead, they said proudly, “I can gnaw, Can You Gnaw? Are you envious?”

Ling Yun, who was extremely furious, was even more furious now.

He glared at his follower and said through gritted teeth, “Kill him! Kill them!”

However, that Almighty shook his head and said, “Young Master Ling, you mustn’t. If you touch them today, Wen Wanli will definitely not let it go...”

“So what! My Tianyun sect isn’t afraid of him!”Ling Yun shouted loudly.

Wen Da, who was not far away, sneered. “Little Bi, stop shouting at me. Think about your identity carefully.”

“That’s right, that’s right. You’re not the son of the sect master of Tianyun sect, but we’re my grandfather’s biological grandchildren!”Wen Er added.

Even the attendant beside Ling Yun said in a deep voice, “They’re right. If you’re the descendant of the sect master, you might be able to challenge them, but aren’t you...”

Chapter 1303 Chapter 1,303, the second young master of the Wen family

Although these words were unpleasant to hear, they were the truth.

Even though Ling Yun was called Young Master, he wasn't the son of the sect leader. He wasn't even related by blood.

It was only because he was talented that he was pampered by the Heavenly Cloud sect as a babe.

However, this kind of relationship was far from being related by blood.

If Wen Dawen er was killed, his grandfather would have to fight the Tianyun sect with all his might.

Ling Yun gritted his teeth and glared at the Wen Brothers in front of him.

These two brothers had his grandfather's support, so they were even more unbridled. They kept spewing profanities.

“Brat, what are you looking at? If you continue to look, I'll Call My Grandfather to beat you to death!”

“That's right, that's right. What BULLSH * T number one genius? Calling people when you lose. I don't think that's all there is to it.”

The two of them kept shouting. Ling Yun, who was originally not very angry, was trembling in anger.

Such a scene couldn't help but look a little comical.

The city Lord, who was standing on the city Lord's Tower, couldn't help but sigh slightly.

He didn't want to appear at all. There was no other reason. He couldn't afford to offend either of the two gangs.

All the rules set by the city Lord were only effective against the weak.

"Qin Yu, just you wait..."Ling Yun said through gritted teeth.

Qin Yu knew that he wouldn't be able to kill Ling Yun today, so he didn't waste any more words. He only said coldly, "Ling Yun, I look forward to the next time we meet. When that time comes, I hope that you won't let anyone else help you."

Ling Yun wiped off the blood at the corner of his mouth. He looked angrily at the attendant beside him and roared, "Why aren't you leaving? What are you standing here for!"

"Yes, Young Master Ling. "The Almighty naturally didn't dare to say anything else. He brought Ling Yun along and turned around to leave.

He rode on a huge demonic beast and left this place.

Qin Yu only heaved a sigh of relief after Ling Yun left.

"What are you guys still standing there for? Do you believe that I'll get my grandfather to beat you up?"Wen Da looked at the nine almighty experts who were standing in mid-air.

Of course, the nine almighty experts couldn't afford to offend the Wen Brothers. They didn't dare to say anything and turned around to leave.

Very soon, the scene returned to silence.

Qin Yu looked at the Wen brothers and cupped her hands. "Thank you for saving us."

“Great, what is this? We hate people who bully others!” Wen Da patted his chest and said.

“That’s right, that’s right. If you really want to thank us, you can accompany us to have a good drink,” Wen Er said.

Qin Yu could not help but be speechless. Then, he smiled helplessly and said, “Of course, no problem. The two of you can choose a place.”

“En... I think we should go to the gathering of sages building. After all, we are also great sages,” Wen Da said.

“That’s right, that’s right. Besides us, who else can bear the word ‘sage’!” Wen Er added.

Qin Yu didn’t know whether to laugh or cry. He quickly said, “Alright, I’ll listen to you two.”

But at this moment, a person wearing a golden crown stepped through the air and came over.

He cupped his hands and said, “Please Wait a moment.”

Wen Er glanced at that person and said, “Who are you? What do you want to Do? I’m telling you, don’t even think about trying to build a relationship with us!”

“That’s right, that’s right. My grandfather said that we should make friends outside, but we can’t make friends randomly.” Wen Er nodded repeatedly.

The other party laughed bitterly and said, “I’m the city lord of this Gu City. I’ve long heard of your names. Why Don’t you come to my

imperial palace to have a chat? I've already sent someone to prepare wine and food."

The city Lord complained endlessly in his heart. He simply didn't want to pay attention to these two people.

However, the Wen brothers were well-known devil kings in this world. They relied on their powerful grandfather to cause trouble everywhere.

If something happened in this Gu City, he, as the city lord, would have to bear the responsibility. It would be better to invite them to the imperial palace.

"Prepared some food and wine? Let me tell you, you can go and take a look."The Wen brothers touched their chin.

"Two of you, please."The city lord cupped his hands.

After saying this, the Wen brothers followed the city lord towards the imperial palace.

But at this moment, the attendant beside the city Lord Stopped Qin Yu.

"The city Lord invited the Wen family's young master, not you."The attendant said coldly.

The city Lord kept silent, this was obviously his intention.

Seeing this, Qin Yu did not say anything more. He immediately turned around and was about to leave.

But at this time, Wen da pulled Qin Yu back and glared at the city lord.

"What do you mean?"Wen da said with some anger.

The city lord hurriedly explained, “Young Master Wen, this Qin Yu has offended the heavenly cloud sect. My imperial palace can not tolerate a great Buddha like him.”

“F* ck your grandfather. If you don’t let him go, then I won’t go either!”Wen Da said furiously.

“That’s right, that’s right. Let’s go to the gathering sage building. Tomorrow, I’ll tell my grandfather that the city Lord has chased us out, “Wen er muttered.

Seeing this, the city lord could not help but curse in his heart.

If he had known earlier, he would not have appeared.

“Brothers, you can go. I Won’t go, “Qin Yu said quickly.

Wen Da stared at him and said, “That won’t do! Let’s go to juxian tower. Who cares about his broken imperial palace!”

“That’s right, that’s right. I’ll bring you to our Wen family later!”Wen Er also said.

The city Lord had no choice but to cupped his hands again and said, “Please wait. Little Friend Qin, come with us to the banquet.”

“That’s more like it.”Wen Da snorted and said.

He pulled Qin Yu and said, “Let’s go. Let’s eat freely today. Since someone is treating, it’s a waste not to eat!”

Chapter 1304 Chapter 1,304, searching for life force

Seeing this, Qin Yu couldn't refuse and could only follow the two of them to the imperial palace.

All the way to the imperial palace.

It had to be said that the imperial palace of Gu City was truly resplendent and magnificent.

Although Qin Yu had seen countless top-grade manor houses, he was still shocked by the scene before him.

The entire imperial palace was shrouded in dense mist. From time to time, white cranes flew by. At a glance, it was as if one had stepped into heaven.

“This is nothing. It's far inferior to our Wen Family!” Wen Da saw Qin Yu's shock and immediately patted his chest.

“That's right, that's right. The mountain that I just booked that day is even stronger than this!” Wen Er also said.

When the city Lord heard their words, he could not help but curse loudly in his heart.

“They are just two prodigals. If it weren't for your grandfather, you would have been ripped off ten thousand times already!” The city Lord suppressed his anger and cursed madly in his heart.

Although he thought so, he still had a pleasant expression on his face. They brought Qin Yu to the Great Hall, where a banquet had already been set up.

The civil and military officials of Gu City were all at the side to accompany him.

This kind of etiquette was usually used to receive top-notch big shots. But now, they were receiving two good-for-nothing prodigals.

This made the city lord extremely uncomfortable.

“Why did you find so many old men?” But at this time, Big Wen was blowing his beard and glaring, his face full of displeasure.

“That’s right, that’s right. Each and every one of them looks crooked and ugly. Are you going to let us eat? Hurry up and leave!” Wen Er waved his hand impatiently.

The city Lord, who was already extremely unhappy, wanted to flip the table when he heard the Wen brothers’ words.

He suppressed the anger in his heart and waved his hand, saying, “You guys can leave first.”

After chasing the civil and military officials out of the Great Hall, the city Lord asked the city lord to find a large group of beautiful women dressed in muslin clothes to dance and accompany them in drinking. It was truly a joyous occasion.

Looking at the Wen brothers, who were not in their proper line of work, the city lord gritted his teeth in hatred.

His great hall of the imperial palace had been turned into a brothel by the two of them.

Qin Yu didn’t know whether to laugh or cry. He couldn’t imagine that the descendants of an expert would live in such a state.

“Come, Brother Qin, drink. Let’s Get Drunk Today!” Wen Da said with a wine cup in his hand.

Qin Yu naturally wouldn't refuse. He accompanied the two Wen brothers and got drunk.

At night, the three of them lay on the table and fell into a coma.

The city Lord's face was livid as he looked at the three of them coldly.

"City Lord, what are these three people? They are unseemly!" Someone could not help but curse.

The city Lord looked at him coldly and said, "Do you think I'm Willing? These two people have a deep background. Even the Heavenly Cloud sect is unwilling to offend them, let alone us."

Following that, the city lord waved his hand and said, "Find a room and throw the three of them in."

"Yes."

The three of them were thrown into a rather luxurious room and stayed there for the time being.

It was noon the next day when the three of them woke up in a daze.

Qin Yu, who had a hangover for the whole night, only felt a slight pain in his head.

Without spiritual power, his drunken state was similar to that of an ordinary person.

And the Wen brothers were not any better. Big Wen rubbed his forehead and cursed, "Damn it, I drank too much again. I Won't drink anymore."

"That's right, drinking makes things worse." Wen Er nodded repeatedly.

Then, the two brothers looked at Qin Yu and asked, “Brother Qin, how do you feel?”

Qin Yu smiled bitterly and said, “It’s alright, I can endure it.”

Wen da nodded and said with a smile, “Qin Yu, you are really capable. Even that Ling Yun isn’t a match for you.”

“You can’t say that. He was injured to begin with. If he was at his peak condition, it’s hard to say who would win or lose,” Qin Yu said with some seriousness.

Qin Yu was rather fearful of the huge disk phenomenon that Ling Yun had condensed.

“By the way, do you know where there is Life Energy?” Qin Yu looked at the Wen brothers.

“Life Energy?” The two looked at each other and then frowned. “My grandfather seems to have a little stock, but it’s not much. Ask him later.”

Qin Yu waved his hand repeatedly. Life Energy was extremely precious. A person like Wen Wanyi would never give it to someone else.

“Isn’t there an auction in Gu City? You Can Try Your Luck. There might be one there,” Wen da said.

Qin Yu nodded slightly. He had also considered this method.

Many treasures were born in the auction.

As a city that extended in all directions, the treasures in the auction were endless.

Many top-notch martial artist from other cities would come here to search for treasures.

“Let’s go take a look at it tonight. The two of US also want to play,”Wen da said.

Qin Yu nodded and said, “Okay, then it’s a deal.”

The three of them traveled through the entire imperial palace for the entire day.

The originally extremely solemn imperial palace became like an amusement park because of the arrival of the two brothers.

The city lord saw this, but he didn’t dare to say anything.

At night, Wen da greeted the city lord and left the imperial palace with Qin Yu.

As he watched the three of them leave, the city Lord’s expression turned even colder.

“Go and get someone to keep an eye on the three of them. Once Qin Yu and Wen Da Wen er part ways, inform me immediately,”the city Lord said coldly.

Although he couldn’t afford to offend Wen da Wen er, he wasn’t worried at all about Qin Yu who had no background.

Wen wanyun would go crazy for his grandson and wouldn’t do anything for an outsider.

Moreover, the city Lord had just received Qin Yu. If the Tianyun sect heard about this, they would probably be punished.

It was not too late to make amends.

Chapter 1305 Chapter 1,305, Wen Da's thoughts

‘this is the only solution.’the city Lord Sighed in his heart.

The top-notch martial artist of Gu City set off at the same time, secretly watching the three of them.

As for Qin Yu, he was led by the Wen brothers all the way to the most famous auction in Gu City.

As the top auction in Gu City, it was naturally extremely luxurious and grand.

Just as he arrived at the entrance, Qin Yu saw many flying exotic beasts stopping by the side.

There were countless experts hiding in the dark. Although Qin Yu couldn't see their cultivation realms, the pressure emitted by the experts was extremely clear.

The three of them went to check their qualifications. After receiving their number plates, they walked into the auction.

The two Wen Brothers, who loved to show off, naturally wouldn't choose a seat at the back. They pulled Qin Yu along and rushed all the way to the first row to sit down.

“Mm, this seat is still the most comfortable.”Wen Da lay on the huge demon beast fur and said with a relaxed expression.

“It would be even more comfortable if there were two girls accompanying me.”Wen Er said with narrowed eyes.

He used his arm to Poke Wen da and said anxiously, “Quick, look, how is that girl?”

With a glance, he saw a curvy woman slowly walking over.

“TSK TSK, not bad at all.”Wen Da swallowed his saliva.

“That seems to be the auctioneer here,”Wen er muttered.

“Not bad, not bad at all. I have to take care of her business later!”Wen Da’s eyes were wide open, and he almost drooled. Qin Yu was not as leisurely and elegant as them.

Gu city was a place full of hidden dragons and Crouching Tigers. Because it was very close to the top-notch martial artist’s organization, there were often experts who came to travel and search for treasures.

Those who could sit at the front row had extraordinary backgrounds.

Qin Yu looked at the people around him and found that everyone around him was dressed luxuriously. Some of them even wore strange symbols, which seemed to be the symbols of the sect.

It’s better to keep a low profile, Qin Yu thought to himself.

More and more people were present. In a short while, the entire auction was full.

“Buzz...”

At this moment, a few rays of light flashed out from a few corners of the auction house.

Spiritual artifacts could be seen hanging in a few areas of the auction house.

The spiritual artifacts emitted an extremely terrifying internal Qi. An extremely oppressive atmosphere enveloped the entire auction house.

The female auctioneer slowly walked onto the stage. She wore a black qipao and a light makeup on her face. Under the light of the light, she looked extremely beautiful.

“TSK tsk, she’s really beautiful.”Wen Da licked his lips.

Wen Er even whistled at the auctioneer.

The auctioneer glanced at Wen er and frowned slightly, as if she was a little unhappy.

The rest of the people also looked at Wen er, their eyes filled with surprise.

“Who is that person ? How dare he be so rude.”

“Shh, those are the two idiots that the Wen family is famous for. Don’t offend them easily.”

“Wen Wanye’s grandson. Wen wanye actually has two useless grandsons.”

The surrounding comments didn’t seem to have any lethality to the Wen brothers.

Not only did they not feel ashamed, they were even a little proud.

Even Qin Yu was a little speechless. He whispered, “Brother Wen, aren’t you angry that they said that about you?”

Wen Da waved his hand and said, “They are just jealous, do you know that?”.

“That’s right, that’s right. They are jealous of us. Why should we be angry? They should be the ones who should be angry.”Wen Er also nodded and said.

Qin Yu scratched his head and said, “Although I don’t know your grandfather, from their words, senior Wen wanye should be a top-notch martial artist. His bloodline flows in your body. Presumably, your talent is not bad, but what is your realm...”

“Wow, you don’t understand, do you?”Wen Da waved his hand and said.

“Why do you cultivate so hard? We came to this world to enjoy life.”
“Exactly, exactly.”Wen Er also hurriedly nodded.

Qin Yu scratched his head and said, “But the higher the realm, the longer your life will be. Don’t you want to live a few more years?”

“TSK, Brother Qin, your awareness needs to be improved. What is the point of living so many years? It’s enough to live a wonderful life,”Wen da said cheerfully.

Qin Yu opened his mouth, but for a moment, he had nothing to retort.

It had to be said that these two brothers really lived thoroughly.

As they were speaking, the female auctioneer knocked on the hammer.

She swept her gaze across the crowd, and a brilliant smile bloomed on her face.

“Welcome to the GU city auction, everyone,” the auctioneer said with a faint smile.

“This time, our auction has meticulously prepared treasures for everyone, including many uncommon heavenly and earthly treasures, including the marrow cleansing fire, Tianzhi, Huangji Buddha Flame, and many other top-tier magic artifacts. I believe that we will not disappoint everyone.”

Qin Yu didn't say anything. She didn't know much about these treasures, but since they were taken out by themselves, they must be extraordinary

He knocked his eyes on everyone and found that their faces were calm, and he couldn't see anything. “Brother Wen, how much is the marrow cleansing fire that the auctioneer mentioned?” Qin Yu asked tentatively.

Big Wen counted with his fingers and said, “It won't be less than one million spirit coins.”

“That's right. As for the price of the mushroom that day, it will be even more expensive. Rumor has it that the stalk that my grandfather fought for back then was worth three million spirit coins.”

Hearing the words of the two brothers, Qin Yu had a rough idea of the price.

“This ten million... should be enough,” Qin Yu thought to himself.

He didn't care about other treasures. What he needed the most right now was life qi.

“Don’t you want life qi? Don’t be anxious. If you don’t have it, I’ll ask the auctioneer in private,” said Wen da lecherously.

Chapter 1306 Chapter 1306, Huangji Mountain!

Wen Da had a loyal look on his face as he patted his chest non-stop. Wen Er, on the other hand, said, “I think you’re looking for an excuse to flirt with him, right? Don’t think that I don’t know what you’re thinking.”

Elder Wen’s face turned red. He coughed dryly and said, “Nonsense. I’m obviously trying to help brother Qin. Don’t even think about trying to sow discord between us!”

Qin Yu didn’t know whether to laugh or cry as he watched from the side.

Although these two people were prodigals and had simple personalities, they were more like two living treasures.

Qin Yu didn’t say anything more. At this time, the auction had already begun. One after another, treasures were brought onto the stage.

The first one was hundred refined armor. This armor was made of black iron. It was extremely hard, but it didn’t have much meaning to Qin Yu.

The hundred refined armor was finally sold for 300,000 spirit coins.

The second item was the moon-supporting mystic fruit. It was a true treasure fruit and a must-have item for many herbs. The price was 250,000 spirit coins.

The third and fourth items were all quite unusual treasures. The prices were mostly around 500,000 spirit coins.

As one treasure after another was carried onto the stage, more and more extraordinary items appeared in front of Qin Yu.

Many of the treasures made Qin Yu's heart beat faster, but he ultimately held it in.

There was no other reason. Qin Yu had to prepare sufficient bullets to buy the aura of life that could appear at any time.

One treasure after another was brought onto the stage. Wen Da and Wen Er had already bid for a total of six treasures.

The prices of these six treasures were extremely expensive, and the Wen brothers did not even know what the purpose of the treasures they had bid for was. The only reason they had bought them was to show off their wealth, it was convenient for Big Wen to pick up girls later.

In just a short hour, these two clowns had already spent tens of millions.

Such wealth indeed shocked Qin Yu.

After he robbed the stone gambling shop, he only spent tens of millions.

“TSK tsk, comparing people really pisses me off,”Qin Yu sighed.

At this moment, the auctioneer took out a transparent glass box.

There was a ball of flame inside the box. The flame was dark and cold white in color. It didn't have much momentum, but it was extremely strange.

“This is the Huangji Buddha Flame. I believe that many seniors have come for this item,”the auctioneer said with a smile.

The instant the Huangji Buddha Flame appeared, the treasures hanging in the corner also began to tremble slightly. It was as if they were prepared to act at any time. This was enough to prove how important this item was to the auction.

“The Huangji Buddha Flame was taken from the Huangji Mountain. This item does not appear once every thousand years. There are rumors that this item came from an important figure within the Huangji Mountain,” the auctioneer introduced.

The atmosphere at the scene became somewhat hot. Many people stared at the Huangji Buddha Flame with fiery eyes.

Qin Yu was the same. Although he did not know what the use of this Huangji Buddha Flame was, Qin Yu had a natural love for any flame.

Perhaps it was because of the spiritual fire in his body, or perhaps it was because he was a pharmacist himself, but in short, Qin Yu’s heart was filled with anticipation.

“I wonder how much this item is worth.” Qin Yu touched the black card in his hand and thought to himself.

Since this item was so valued, it must be very expensive. “Why, Do You Like It?” Wen Da Poked Qin Yu’s arm.

Qin Yu nodded and said, “Yes, I’m a little interested.”

“The price of this thing is not cheap,” Wen da muttered.

Qin Yu asked, “Brother Wen, do you know about this thing?”

“Of course! There is nothing in the world that I, Wen Da, don’t know!” Wen Da said smugly.

Qin Yu followed his words and asked, “What exactly is the use of this thing?”

Wen da said proudly, “The auctioneer is right. Huangji Buddha Flame indeed came from Huangji Mountain. You should know what Huangji Mountain means, right?”

Qin Yu shook his head, indicating that he didn't know.

Wen da said in surprise, “You don't know Huangji Mountain?”

“I really don't know,” Qin Yu said with a bitter smile.

Wen Da replied with an ‘Oh’, he continued, “Huangji Mountain is one of the most famous places in Li Prefecture. Rumor has it that many important figures have fallen here. Their corpses are in Huangji Mountain. Among them, there are no lack of saints or even great cultivators at the Tribulation Stage.”

Qin Yu heard this and immediately exclaimed in surprise, “Is there no one who would go and explore such a place?”

“Of course there are, and there are many of them. But since ancient times, no one has been able to come out,” Wen da continued.

“Even saints have to die if they go in,” Wen er added.

Qin Yu couldn't help but gasp.

Even a saint would die if he entered? What exactly was hidden in the Huangji Mountain?

“That's why, the things that come out of the Huangji Mountain are all extraordinary.” Wen Da said with a smile.

“As for the Huangji Buddhist Flame, some people say that it is formed from the corpse qi of important figures, while others say that it is a flame that comes out of the Huangji Mountain on its own. In short, this item is extremely rare. If one can devour this item, one’s strength would definitely increase greatly.”

Qin Yu, who was originally interested in the Huangji Buddha Flame, became even more restless after hearing these words.

He looked around and discovered that many people’s eyes were burning with passion.

“Looks like many people are here for the Huangji Buddha Flame.” Qin Yu narrowed his eyes and said in a low voice.

Chapter 1307 Chapter 1,307, Huangji Foyan’s auction

“Brother Qin, I advise you not to touch this thing.”

However, at this moment, Wen Da’s words were like a bucket of cold water being poured on Qin Yu’s head.

Qin Yu frowned and asked, “Why?” Wen da said, “Once this thing is born, it will definitely attract a clamor. If you don’t have enough strength, so what if you bid for it? It’s just a waste of money.”

“That’s right, that’s right. A man without sin would be guilty of having a treasure.” Wen Er nodded repeatedly.

Qin Yu didn’t say anything. Although what they said was fine, Qin Yu still wanted to give it a try.

“Huangji Foyan, the starting price is three million spirit coins. “The auctioneer said with a smile.

“Three million, there’s still hope!”Qin Yu thought to himself.

Soon, people began to raise the price.

“I bid four million!”

“Five million!”

“Seven million!”

“Nine million!”

The price soared all the way. In a few short moments, it had reached ten million.

This made Qin Yu lose confidence. He could only find a little more than ten million from his entire body. This price was not something Qin Yu could bear at all.

Soon, the price of Huang Ji Fo Yan was raised to a total of twenty-eight million.

But even so, the enthusiasm of the crowd did not diminish.

“This bid is too boring. 35 million!”At this moment, Wen da raised his hand and shouted.

Qin Yu glanced at Wen da and whispered, “You are also interested in this Huangji Buddha Flame?”

Wen Da waved his hand and said, “I’m not interested. To me, this thing is worthless.”

“Then why did you raise the price?” Qin Yu asked.

Wen Er said from the side, “In any case, there will definitely be someone who will continue to raise the price. Just shout out a high price and show off. It will also leave a good impression in the hearts of the auctioneers.”

When Qin Yu heard this, he didn’t know whether to laugh or cry.

These two brothers really racked their brains in order to show off.

After a while, the price of Huangji Foyan had already been raised to 50 million.

At this price, the crowd gradually quieted down.

Even for a large aristocratic family, this was not a small amount.

“50 million is enough for this old man to drink for the rest of my life.” Wen Da ridiculed from the side.

In the end, Huangji Foyan was sold for 5,300.

The person who bought this item was an old man. His head was full of white hair and his body was hunched.

Even though he had restrained his internal Qi, he could still feel that he was extraordinary.

Qin Yu sighed in his heart. Without sufficient strength, it was simply not reliable to come to the auction to buy things.

Because no matter how much he bought, it might not be his in the end.

For the remaining time, Qin Yu was practically an escort.

He eagerly waited for the Qi of life. Unfortunately, even after the auction ended, the Qi of life did not arrive.

Many treasures had appeared in this auction, but none of them could be compared to the Huangji Buddha Flame.

“This auction ends here. Thank you for participating,” the female auctioneer said with a smile.

“Let’s go, let’s go. “Big Wen pulled Wen er and hurriedly walked backstage.

Qin Yu thought for a moment and finally followed.

They walked all the way backstage. Everyone was queuing up to comprehend the auction item.

And the person in charge of this matter was still the female auctioneer from earlier.

When it was Big Wen’s turn, he spat out a mouthful of saliva and sipped on his hair.

Following that, he put on an expression that he thought he was very handsome and walked in front of the auctioneer.

The moment she saw Big Wen, the auctioneer’s brows clearly furrowed slightly. She did not hide her disgust.

However, out of professional courtesy, she still politely said, “Sir, please take your auction item.”

Wen Da laughed lightly and casually took out a flower from the auction item.

This flower had an overflowing fragrance and extraordinary medicinal properties. Moreover, it looked extremely bewitching.

Wen Da took this flower and waved it in front of the auctioneer. He smiled faintly and said, “It’s your auction item.”

“PFFT!”

Qin Yu, who was standing at the side, couldn’t help but laugh out loud.

The female auctioneer’s face was filled with frost.

She suppressed the anger in her heart and said, “Sir, please have some self-respect.”

Wen Da was a little embarrassed. Since this move had failed, he brought out his grandfather without saying a word.

“I’m Wen Wanyi’s grandson, and he dotes on me the most.”

“One of them!” Wen Er quickly added.

The expression of the auctioneer became colder and colder.

“Does it have anything to do with me? So what if he’s from one of the nine great clans? It has nothing to do with me,” the auctioneer said coldly.

Wen Da's expression became more and more awkward, while Wen er burst into laughter.

With that said, Wen da couldn't continue to pester him, and could only retreat to the side dejectedly.

Qin Yu seized the opportunity and quickly walked forward, cupping his hands and saying, "Hello, fellow Daoist. I wonder if your auction has any life force?"

The female auctioneer sized Qin Yu up and down, then smiled and said, "It's hard to say. Sometimes there is, and sometimes there isn't."

Qin Yu bowed and said, "If it's convenient, I would like to ask fellow Daoist for help. If there is any life force in your auction, please let me know."

The auctioneer thought for a moment, then nodded and said, "Okay, I don't know how to contact you?"

"Oh, I will be staying in the Ju Xian house for the time being," Qin Yu said with a smile.

"Okay, if there is, I will definitely inform you," the auctioneer said with a smile.
