

My Rich Wife - Chapter 1308 -

Chapter 1308: Chapter 1,308, the chaotic battle had begun

Qin Yu bowed repeatedly to express his gratitude.

Beside him, Wen Da's eyes were wide open, as if he couldn't believe the auctioneer's attitude towards Qin Yu.

He opened his mouth to say something, but was dragged out by Qin Yu.

After leaving the auction, the first thing that came into view was a large area of desolation.

There were mottled traces of a great battle here. The ground was filled with potholes, as if announcing the great battle that had happened here before.

"Is that female auctioneer blind? She actually treated me this way, yet she was so kind to you. F * ck!"Wen Da cursed loudly.

Qin Yu stopped in his tracks and smiled, "She doesn't even like you. Don't waste your effort."

"Then wouldn't I have bought all these things for nothing!"Wen Da said in a huff.

Qin Yu felt somewhat lucky in her heart.

As an auction, she had handled countless treasures. Since she had agreed to him, it was likely that she would obtain the life force not far away.

Just as the few of them were conversing, Qin Yu suddenly felt an intense killing intent.

Turning around, he saw the old man who had bid for the Huangji Buddhic Flame walk out.

Behind him, countless pairs of eyes were staring at him.

Those eyes were like hungry wolves, making one's heart tremble.

"As expected, a great battle can not be avoided."Wen Da and Wen Er pulled Qin Yu to the side.

In front, there were already several people blocking the old man's path.

"What do you mean by this?"The old man asked coldly.

“Hehe, fellow Daoist has bid for the Huangji Buddha Flame. We would like to admire it. May We?”

“That’s right. We are also quite interested in the Huangji Buddha Flame.”

The old man laughed loudly and said, “Admire it? If you want to kill people and steal their goods, you can just say so. Why beat around the Bush?”

Everyone narrowed their eyes. Someone took the lead and said with a cold smile, “Since that’s the case, we won’t waste any more words. Hand over the Huangji Buddha Flame and we’ll spare your life!”

The old man seemed to have expected this. He was not flustered and said with a faint smile, “With so many people, who should we give the Huangji Buddha Flame to?”

Clearly, this old man wanted to shift the conflict away.

“You don’t need to care about that. You just need to hand over Huangji Fo Yan. As for how we divide it, that’s our business,” someone said with a sneer.

The Old Man’s plan failed, and his face instantly turned cold.

“That will depend on your ability. It’s not that easy to snatch my things!”

The old man roared, and the internal Qi all over his body exploded like a cannonball!

This aura was extremely powerful, and it couldn’t help but make people pale with fright.

The entire earth was buzzing, and the auction hall behind them lit up. It was the Auction Hall’s mountain protection artifact that had been passively revived!

“What a powerful aura.” Qin Yu couldn’t help but take two steps back.

Even Ling Yun couldn’t compare to this old man’s strength!

This person’s strength had probably already surpassed the intermediate stage of the Almighty Realm!

As expected, I wouldn’t dare to bid for this item without some ability, Qin Yu thought to herself.

These people weren’t surprised when they felt the internal Qi from the old man’s body.

They looked at the old man coldly and said, “Old Man, we won’t leave until we get the Huangji Buddha Flame today.”

“Then, there’s no need to talk nonsense. Let’s do it!”

The old man took the lead and walked over. His internal Qi also surged.

His attack was extremely fast. His emaciated palm suddenly slapped one of the people’s forehead and directly cracked his skull!

Seeing this, the rest of the people no longer waited for death. They all took action and used their most powerful spells!

The entire scene turned into a battlefield. After all, they were not the same group of people. Each of them was secretly scheming. Therefore, this big battle quickly turned into a chaotic battle.

A terrifying aura kept spreading in all directions. These people came from all over the world and had deep internal Qi. Therefore, no one in Gu City made a move.

The collision of the internal Qi caused the sky to collapse and the earth to crack!

The earth was collapsing and the space was collapsing. Those who could not dodge in time were even injured by accident and died on the spot.

Even Qin Yu felt an intense pressure. Many of the residual power that shot over almost shattered his body. It was enough to witness the terrifying strength of these people!

Qin Yu reached out to protect Wen Dawen er, but he realized that the two of them had a glow on their bodies. It was enough to ignore the residual power.

After all, they were Wen Wanji’s beloved grandsons. They must have magical treasures on them.

The battle was still going on. The entire scene was covered by the glow and dust. However, Qin Yu relied on the desolate God’s eye and continued to look at the scene.

“These people... aren’t they too powerful?”Qin Yu couldn’t help but suck in a cold breath.

Such a scale was far beyond Qin Yu’s reach. Compared to his battle with Ling Yun, they were much more powerful!

As more and more mighty realm experts died on the scene, these top experts were like ants at this moment. They could die at any moment.

The more the old man fought, the more courageous he became. It was unknown how many people had died under his hands.

However, facing experts of the same realm, the old man couldn't fight against four hands with two fists. Very quickly, he fell into a disadvantageous position.

His body was bleeding, but his face was still incomparably cold as he fought with all his might!

No one could imagine that a mighty realm expert would die so easily!

"As expected of a saint-level expert. So many mighty realm experts died in a single battle." Qin Yu couldn't help but exclaim in his heart.

Chapter 1309: Chapter 1,309, for free?

Every major power was an expert, but when the battle came, it wasn't worth mentioning.

Facing everyone's chaotic battle, Qin Yu didn't even dare to Blink.

Towards such a big battle, he seemed to have a natural interest.

"What's there to see? Let's go drink." Big Wen pulled Qin Yu and said.

Qin Yu shook his head and said, "Let's wait. This kind of big battle isn't common. To me, it can be considered accumulating experience."

"Uh, then we'll go first." Big Wen said.

"The Gathering Sage Building is waiting for you." Second Wen said.

Qin Yu agreed and then looked at the battlefield again.

Facing so many mighty realm experts, that old man was getting worse and worse. From time to time, he would spit out fresh blood.

There were already many wounds on his body, and he stood there on the verge of collapse.

Although his strength was formidable, he was still extremely powerless against so many people.

"Old Fellow, hand over the thing, and perhaps we can spare your life," someone coldly berated.

"If you don't hand it over, we'll kill you. The Huangji Buddha Flame will still be ours!"

The old man gritted his teeth. He glared at everyone and coldly said, "Don't even think about it. Even if I die, I won't hand this thing over to you!"

“If that’s the case, then you can go to hell!”

After an explosive shout, they attacked the old man once again.

But at this moment, the old man’s palm suddenly turned into a ball of light.

This ball of light was held in his hand. It had a scorching temperature and was extremely dazzling.

And everyone seemed to feel a trace of fear as they looked at the old man warily.

The old man gritted his teeth and threw the light in his hand forward!

No one dared to take it head-on and immediately dodged to the side.

The light rushed out of the dust and headed straight for Qin Yu!

With such speed, Qin Yu had no time to dodge.

His expression changed drastically, and he felt a trace of fear in his heart!

One had to know that this was an attack from a late-stage mighty figure. It was not something Qin Yu could withstand!

Qin Yu gritted his teeth and immediately activated the fifth level of the battle word formula. He braced himself and grabbed at it.

“Pa!”

The light collided with Qin Yu’s fist, but there wasn’t the slightest bit of force.

The light on the surface quickly faded away.

What was wrapped under the light was actually Huangji fo Yan!

Qin Yu was stunned for half a second, then he was ecstatic!

This old man actually threw out Huangji fo Yan! It seemed that even if he died, he didn’t intend to hand over Huangji fo Yan to these people!

Qin Yu did not dare to think too much about it. He hurriedly stored the Huangji Buddha flame into the spatial magic artifact and ran away!

“You Can’t blame me for this. This was given to me,”Qin Yu muttered as he ran.

If that old man walked out alive, then he would return the Huangji Buddha flame to him.

If he died in battle, then Qin Yu could only reluctantly accept it.

At this time, no one on the battlefield knew that the Huangji Buddha Flame had been thrown out by the old man. They were still forcing him to hand it over.

“Chi!”

A Ray of light pierced through the old man’s chest. Blood spurted out from the old man’s mouth, and his internal Qi quickly became weak.

“Old Thing, don’t put up a stubborn resistance. Hand it over.”

The old man grinned and said coldly, “The Huangji Buddha Flame is no longer with me. I’ve already given it to someone else, and it’s on one of you...”

As soon as these words were said, everyone immediately looked at each other, their faces full of vigilance.

“Don’t listen to his nonsense. He just wants to sow discord between us.”Someone snorted coldly.

The old man wiped the blood at the corner of his mouth, he said cruelly, “Do you think I’m sowing discord between us? That Ball of light just now covered the Huangji Buddha Flame! As for who he ended up in, I don’t know.”

Everyone’s faces changed. They quickly moved forward and checked the old man’s body, including his spatial magic artifact.

As expected, the Huangji Buddha Flame had disappeared!

“Old Thing, you’re courting death!”Someone was furious and directly pierced through the old man’s chest!

The old man had died in battle!

“Why did you kill him?”At this moment, someone in the fog asked coldly.

“That’s right. Did the Huangji Buddha Flame fall into your hands and you want to kill him to silence him?”

“Nonsense, the Huangji Buddha Flame isn’t on me.”

“We don’t know whether it is on him or not! The Huangji Buddha flame on him has disappeared. It must be hidden on someone else’s body!”

“Why are you looking at me? Are you suspecting me?”

“How do you know that I am looking at you? Do you have a guilty conscience? Hand it over!”

“I think you are courting death!”

The great battle began again. This time, it was even more chaotic. Everyone had lost their target and was in a chaotic battle.

At this moment, Qin Yu had already brought Huang Ji Fo Yan to the Ju Xian restaurant.

He was panting heavily. Even though he was trying hard to suppress his excitement, a smile that could not be hidden could still be seen on his face.

“What’s wrong? Did you pick up the money? Why Are You So Happy?” Asked Wen da suspiciously.

“That’s right. Even if I picked up the money, I wouldn’t be so happy,” Wen er also said.

Qin Yu waved his hand and said, “It’s okay. I’m just honored by the experience I learned today.”

“Are they done fighting?” Asked Wen Da.

“Not yet. It’ll probably take some time,” said Qin Yu with a smile.

“Okay, let’s not talk about this. Hurry up and eat. I’m hungry.” Qin Yu picked up his chopsticks and began to wolf down his food.

Seeing Qin Yu’s attitude, Wen da muttered, “He must have picked up the money.”

Qin Yu could not help but think to himself.

This was more exciting than picking up money.

Chapter 1310: Chapter 1,310, Babe’s grandson

“I wonder if anyone saw it,” Qin Yu thought to himself.

If they were discovered, they would probably get into trouble.

However, since the item was already in his hands, there was no reason for him to hand it over. Even if he was discovered, the worst that could happen was that he wouldn’t admit it even if he was beaten to death.

After a hearty meal, the three of them drank again.

Perhaps it was because they were happy to have found the Huangji Buddha Flame, but Qin Yu drank even more.

When he woke up, it was already noon the next day.

At this time, the battle for the Huangji Buddha Flame had already ended. Almost the entire southern province was discussing this matter.

Qin Yu and the Wen brothers were sitting in the restaurant of the Ju Xian restaurant. They heard the people around them discussing in low voices.

“Did you hear? Eight mighty figures died in the battle yesterday!”

“Yeah, quite a few people went there to pick up a lot of Babe.”

“Rumor has it that they were there for the Huangji Buddha Flame, but the F * ck is that they couldn’t find it at all. Some people suspect that someone took the opportunity to steal it.”

“TSK tsk, that kid who was able to steal the Huangji Buddha Flame is really lucky.”

Hearing the discussions of the crowd, Qin Yu could not help but think that things were not looking good.

Since there were people who suspected, then they would definitely look for traces of Huangji Foyan.

The first to bear the brunt would definitely be the people who participated in the auction that day.

“I hope they don’t suspect us,” Qin Yu thought to himself.

As the saying goes, the more afraid one was, the easier it was for something to happen.

At noon that day, while the three of them were having lunch, a group of people walked over.

The leader was a man wearing a night suit, with two people following behind him.

They walked straight to Qin Yu’s table and sat down.

“What? who the F * ck told you to sit here?” Wen Da suddenly widened his eyes.

The three people glanced at Wen Da and then said coldly, "The three of you attended the auction yesterday, Right?"

"What does it have to do with you? Hurry up and get lost. Don't make me lose my temper," Wen da said with some anger.

"That's right, that's right. Don't look for trouble yourself," Wen er also shouted.

The three men completely ignored the Wen brothers' warning. He coldly said, "Huang Ji Fo Yan has been lost. We were ordered to search. Please cooperate with us."

Hearing this, Qin Yu's expression slightly changed.

"He came to us so quickly..." Qin Yu muttered in a low voice.

Huang Ji Fo Yan was still on Qin Yu's body. He didn't even have the time to hide it.

"Why the F * ck do I have to cooperate?" Wen Da slammed the table and angrily said.

"Don't Be Shameless," the other party said coldly.

"Aiyo F * ck, who are you talking to? Are you courting death?" Wen da rolled up his sleeves and said.

"Yes, yes." Wen Er followed closely behind.

Qin Yu saw that the situation was not good and slowly stood up, ready to make a move at any time.

"Search!" The other party shouted and the two people beside him immediately walked towards Qin Yu.

"Stop!"

But at this moment, the big-bellied general from before suddenly rushed over.

He led a large group of people and rushed upstairs.

The boy wearing night clothes couldn't help but frown and said, "This matter involves a lot of people. I hope your gu city doesn't meddle in other people's business."

The big-bellied general shook his stomach and said, "If it were anyone else, I naturally wouldn't meddle. But these two people are senior Wen Wanyan's grandchildren."

At the mention of Wen Wanyan, the man wearing night clothes immediately frowned.

He had heard of Wen Wanye's two grandsons. They were famous prodigals who did not care about natural treasures at all. They would definitely not take a fancy to their Huangji Buddha Flame.

"Good. Since they are senior Wen's grandsons, I believe in You," said ye Xingyi.

"That's more like it," muttered Wen Da.

"But he can't be, right?" But at this time, ye Xingyi suddenly changed the topic and looked coldly at Qin Yu.

Big Wen slapped the table again and stood up. He berated, "What do you mean? Qin Yu is my friend. Don't be so Shameless!"

"That's right, that's right. Do you believe that you can ask my grandfather to beat you up?" Wen Er followed closely behind.

A hint of conflict flashed between ye Xingyi's brows.

Then, he looked coldly at Big Wen and said, "Even if you are senior Wen's grandson, I believe that he won't stop us from searching."

"Moreover, although senior Wen is strong, he may not be able to find us."

Wen Da's expression slightly changed as he stared at him and said, "What do you mean?"

"Nothing much. I hope that the two of you will not meddle in other people's business. Otherwise... Don't blame me for being impolite!" said the night clothes coldly.

The atmosphere instantly became extremely tense. Qin Yu was also secretly mobilizing his divine power, preparing to escape at any time.

At this time, the big-bellied general said, "If it were any other time, your words would definitely be fine, but I'm afraid it won't be possible today."

Ye Xingyi glanced at the big-bellied general and coldly said, "What do you mean?"

The big-bellied general chuckled and said, "You may not know this, but Senior Wen is currently looking for his two precious grandchildren. They have already descended on Gu City."

"If you touch them, do you think you can still walk out of Gu City?"
