

My Rich Wife - Chapter 1311 -

Chapter 1311: Chapter 1,311, the news of the aura of life

As soon as these words were said, the expression of the nocturnal clothes changed drastically.

He could not afford to offend Wen Wanji. That fellow was a well-known ruthless person in the southern region. Even the Heavenly Cloud sect was not willing to offend him.

“Alright, let’s go.”The nocturnal clothes waved his hand and led his men away.

After they had gone far away, Wen da stood up and asked, “When did my grandfather come? There are still a few days before the day we agreed to return home.”

The big-bellied general smiled and said, “Young Master Wen, I was just trying to scare him. Otherwise, he would definitely pester us endlessly.”

Wen Da patted the big-bellied general’s shoulder with slight admiration and said, “Not bad. I think highly of you. You have the potential to become a city lord in the future!”

“Aiyo, I don’t dare to accept that.”The big-bellied general said with a terrified expression.

“Alright, if there’s nothing else, you can leave. Don’t delay us brothers from drinking and having fun.”Wen Er waved his hand and said.

“Alright, Young Master Wen, then I Won’t disturb you.”

The big-bellied general brought his men and quickly left the Ju Xian house.

Qin Yu couldn’t help but heave a sigh of relief.

It was so close. He was almost exposed.

I must quickly hide this Huangji Buddha Flame. Qin Yu thought to himself.

Qin Yu had no way to swallow this Huangji Buddha Flame, so he could only hide it for now and wait for his spiritual power to recover before swallowing it.

In the next few days, almost everyone in the South Province was talking about this matter.

They searched more than half of the South Province, but they still couldn’t find the Huangji Buddha Flame. A few days later, the matter gradually calmed down.

Early in the morning.

The three of them were sleeping soundly in the same room, but at this time, there was a knock on the door from outside.

“Go, open the door.” In a daze, Wen da kicked Wen Er.

“Why aren’t You F * cking going?” Wen Er turned around and kicked him back.

Wen Da was immediately filled with anger. As he got up, he scolded, “F * cking thing, I’ll teach you a lesson sooner or later!”

As he muttered, he walked towards the door.

When the door opened, Wen da immediately changed his expression and put on a loving posture.

There was no other reason, but the person standing at the door was the auctioneer.

The auctioneer wrinkled her nose slightly and said, “What a strong smell of alcohol.”

When Big Wen heard this, he immediately used the topic to say, “Sigh, because you rejected me, I was heartbroken and could only drink all day long. You Don’t even know how much pain I’ve been through these past few days...”

When she heard Big Wen’s words, the auctioneer couldn’t help but cover her mouth and laugh softly.

“I knew you wouldn’t be able to let go of me! Right?” A glimmer of hope ignited in Big Wen’s heart.

The female auctioneer rolled her eyes and said, “I’m here to look for Qin Yu.”

When Big Wen heard this, his old face immediately darkened and he returned to his room in a bad mood.

He kicked Qin Yu’s butt and said angrily, “It’s for you. Damn it, disturbing my sleep!”

Qin Yu sat up from the bed in a daze. The hangover from last night made him look rather worn out.

When he saw the female auctioneer at the door, Qin Yu quickly got up and tidied his hair. Then, he quickly went up to greet her.

“Sorry, the room is a bit messy,” Qin Yu said with slight embarrassment.

The female auctioneer smiled. As she walked into the room, she looked at the structure of the room.

Qin Yu quickly made her a cup of tea and said politely, "Fellow Daoist, why are you here all of a sudden?"

The auctioneer placed her small black bag on the table and said with a faint smile, "Didn't you ask me to come?"

"Ah?" Qin Yu was stunned.

"F * ck, Qin Yu, you are not human!" Wen Da, who was pretending to be asleep, immediately sat up and grabbed Qin Yu's body.

The female auctioneer beside him laughed so hard that she couldn't close her mouth. She said coquettishly, "Alright, stop fooling around. I'm here for the aura of life."

As soon as she said this, Qin Yu immediately looked at the auctioneer with a serious expression.

"Fellow Daoist, don't tell me that you have the aura of life in your hands?" Qin Yu said while holding back his excitement.

Wen Da, who was beside him, also put his ear close to him.

Seeing this, the auctioneer smiled and said, "Why don't we go somewhere else to talk?"

"Ah, okay." Qin Yu agreed without thinking.

The two of them stood up and walked out of the door. When Wen da saw them, he grimaced.

"Damn it, am I not as handsome as Qin Yu?" Wen Da grabbed Wen er, who was sleeping, and said angrily.

Wen Er carefully sized him up and said, "En... I don't know if he's handsome or not, but your temperament is really too wretched."

"F * CK Your Grandpa!"

...

At a certain window seat in the Juxian building.

Qin Yu and the female auctioneer were sitting opposite each other.

"Fellow Daoist, where's that vital energy?" Qin Yu impatiently asked.

However, the female auctioneer raised her eyebrows and rolled her eyes. "How can you ask someone to do something like this? If I'm not wrong, you don't even know my name, right?"

Qin Yu suddenly appeared a little embarrassed. Only then did he realize that he had lost his composure.

He coughed and said, "May I know your name, fellow Daoist?"

The auctioneer seemed to like Qin Yu's posture. She covered her mouth and laughed softly. Then, she said, "The people in the auction all call me sister Lin."

"So it's sister Lin. I've heard a lot about you," Qin Yu said politely.

After exchanging pleasantries, Qin Yu couldn't wait to ask, "Sister Lin, where is that vital energy?"

Chapter 1312: Chapter 1312, encountering the Golden Wheel by chance

Sister Lin saw how anxious Qin Yu was, so she didn't keep him in suspense anymore.

She said seriously, "Life qi is very rare. Most of them are born in the chaos of Heaven and earth, or live in the body of some creature."

"In the past few years at the auction, I have accumulated a lot of resources. One of my clients might have life qi."

Qin Yu hurriedly asked, "Client? where is he?"

Sister Lin smiled and said, "I'll give you the contact details later, but... life energy is so precious. Whether you can get it or not depends on your own ability."

"Thank you, Sister Lin!" Qin Yu held back his excitement and said.

At this time, the people of Ju Xian restaurant had already served the food.

Sister Lin took a bite of the food and said while eating, "By the way, what do you want life energy for?"

Qin Yu frowned. He didn't know how to explain himself.

"If you don't want to tell me, just pretend that I didn't ask," sister Lin said with a smile. "But... how are you going to thank me?"

Qin Yu smiled bitterly. "With my current ability, I'm afraid I can't help you much."

Sister Lin rolled her eyes. "You're too modest. I heard about your battle with Ling Yun a few days ago. It's not easy for a freelance martial artist like you to defeat Ling Yun."

"Sister Lin, you flatter me. Just treat it as I owe you a favor. If you need me in the future, just say the word, sister Lin," Qin Yu said.

Sister Lin raised her eyebrows and said, "Then I'll take it seriously."

Qin Yu nodded repeatedly. "It's a deal."

Then, the two of them chatted as they ate.

However, in the short time that Qin Yu had stepped into the holy region, he had suffered two betrayals. Therefore, he didn't dare to trust anyone.

After the meal, Sister Lin took out a note and handed it to Qin Yu.

"There's his address on it, but I guess he's traveling now. You'd better wait before you set off," said sister Lin.

Qin Yu took the note and glanced at the address on it. He found it to be a very unfamiliar place.

Fortunately, Qin Yu still had a map in his hand, so it wasn't difficult to find him.

"I'm a little curious. Why didn't you choose to join a sect?" Sister Lin asked curiously with her hand supporting her chin.

Qin Yu was silent for a moment, then sighed and said, "Do you think anyone would still want me now? I've offended the Heavenly Cloud sect. Who would want to provoke this trouble?"

Sister Lin smiled and said, "Perhaps no one in the South Province is willing to take this risk, but not necessarily outside the South Province."

Qin Yu nodded and said, "Yes, I have indeed considered it, but leaving the South Province is not an easy matter... moreover, there is an irreconcilable conflict between me and the Heavenly Cloud Sect."

Qin Yu, who had always taken revenge for the smallest grievance, would definitely not let the heavenly cloud sect off easily.

In the eyes of outsiders, Qin Yu's actions were like an egg hitting a rock. Only Qin Yu knew his own ability.

“Sister Lin, if there is any life force in the auction, please keep an eye out for me,”Qin Yu said.

Sister Lin smiled. “Okay, then you owe me a second favor.”

As she said this, Qin Yu suddenly saw a familiar figure from the corner of his eye.

“HMM?”Qin Yu frowned, and a cold look flashed across his face.

“Jin Lun... I didn’t expect to see you here.”

Qin Yu slowly stood up. He looked at sister Lin and said, “Sister Lin, I have something to take care of. I’ll visit you another day.”

After saying this, Qin Yu hurriedly walked in the direction of Jin Lun.

Even though Jin Lun covered his face, his huge body was too eye-catching, and it was unforgettable.

Qin Yu walked all the way to his back and raised his hand to put it on Jin Lun’s shoulder.

A huge force grabbed Jin Lun tightly, afraid that he would escape.

“Jin Lun, we meet again,”Qin Yu said coldly.

Hearing this, Jin Lun’s expression changed drastically!

He suddenly raised his head and wanted to leave, but Qin Yu’s palm force was too strong, making him unable to move.

Jin Lun gritted his teeth, took a deep breath, and said, “What do you want to Do?”

Qin Yu said coldly, “You killed the team leader. What do you think I want to Do?”

“Hehe, don’t you think there’s something fishy about the matter of the team leader?”Jin Lun said coldly.

Qin Yu narrowed his eyes. “What do you mean?”

“Why don’t we sit down and have a chat?”Jin Lun said.

Qin Yu sneered and said, “There’s nothing to talk about between us. If you have something to say, just say it.”

Jin Lun knew that Qin Yu was not someone to be trifled with. He looked at Qin Yu coldly with a hint of hatred in his eyes.

“The real killers aren’t me. It’s Zhong Wu and Ling Yun!” Jin Lun said coldly.

Qin Yu’s expression changed slightly.

It was exactly what he had thought.

Following that, Jin Lun told Qin Yu everything that had happened.

“I never thought that I would be used by Zhong Wu!” Jin Lun clenched his fists, his eyes wide open.

“No wonder the white bone scepter appeared in his hands...” Qin Yu whispered.

Jin Lun raised his head and looked at Qin Yu, saying, “I also don’t want to cut Zhong Wu into pieces! It’s a pity that I don’t have the chance.”

“Is that so?” Qin Yu couldn’t help but sneer.

“No matter what, the person who killed the team leader was indeed you. You must pay the price for this.” Qin Yu’s voice was extremely cold, and Jin Lun’s heart couldn’t help but thump.

Chapter 1313: Chapter 1,313, news from sister Lin

“Qin Yu, if you want revenge, you should look for Zhong Wu and Ling Yun! You shouldn’t be pestering me here!” Jin Lun was furious.

“Stop pretending to be a good person. Why? You Can’t afford to offend Zhong Wu and Ling Yun, so you’re blaming me to get rid of your guilt, right?”

Qin Yu sneered. “How do you know I Won’t go after them? Come at me one by one. None of you can escape.”

Jin Lun’s expression was a little ugly. He forced himself to be angry and said, “Qin Yu, don’t go too far! We have a common enemy, and that is Zhong Wu!”

“Hehe, in my eyes, you’re no different from Zhong Wu. You’re just a despicable person,” Qin Yu said coldly.

At this moment, Jin Lun knew that Qin Yu would not let him off. He took a deep breath, and in the next second, his right arm suddenly shook. That thick and strong arm actually exploded, turning into a bloody dance!

Then, Jin Lun quickly got up and ran away!

He was a genuine mid-stage almighty, and his speed was definitely not something that Qin Yu, who did not have spiritual power to support, could compare to.

Therefore, Qin Yu did not pursue.

“He actually cut off his arm...”Qin Yu frowned.

If he had known this would happen, he would have grabbed his head.

“That person, is he the Golden Wheel of the Hunter Organization?”Sister Lin walked forward and asked with a smile.

Qin Yu was slightly surprised and said, “You know him?”

“I know him. The hunter organization is also cooperating with our auction. How could I not know the famous Hunter King?”Sister Lin said with a smile.

Qin Yu nodded slightly. That was true.

“You have Twilight Qi in your body, right?”Sister Lin suddenly said at this time.

As soon as she said this, Qin Yu’s heart immediately thumped.

He looked at sister Lin with a face full of shock and exclaimed, “You... how did you know?”

Sister Lin smiled and said, “Your body has no spiritual power to speak of, and you are in urgent need of life qi. I can’t think of any other reason other than Twilight Qi.”

Qin Yu fell silent.

Yes, all of these characteristics were too obvious.

“If you tell the Heavenly Cloud sect about this, they will definitely be willing to nurture you and find the Twilight Qi for you,”sister Lin continued.

“With your ability, once you recover your spiritual power, you will definitely be able to stir up the entire South Province. The Heavenly Cloud sect absolutely does not want to see that.”

Qin Yu smiled bitterly and said, “I did tell them before, but they did not believe it. It is precisely because of this reason that enmity was formed.”

When sister Lin heard this, she couldn't help but shake her head and say, "To put it bluntly, the Heavenly Cloud sect is an organization, a group. Any group hopes to have a long lifespan."

"And the key factor for a long lifespan is to have strong new blood. I believe that the Heavenly Cloud sect will put aside the feud between the two of you and accept you again."

Sister Lin was right. The Heavenly Cloud sect would definitely be willing to nurture such a person.

The good news was that they had killed their team leader and formed a deep hatred.

"No, thank you, Sister Lin," Qin Yu said.

"One of us must die."

Sister Lin looked at Qin Yu in surprise. After a moment of silence, she smiled and said, "Then I suggest you find a sect that is on par with the Heavenly Cloud Sect."

"Forget it. Let's talk about it in the future." Qin Yu waved his hand.

Qin Yu had always been a loner. It was not a good thing for him to join a sect.

Seeing this, sister Lin did not say anything more.

"Sister Lin, when did you see through it?" Qin Yu asked in puzzlement.

Sister Lin was silent for a moment, and then said, "When you asked me about the life Qi at the auction."

"So Powerful?" Qin Yu could not help but be shocked.

At that time, Qin Yu and sister Lin had only met once. It could even be said that they had only met face to face.

"In our line of work, we naturally have sharp eyes," sister Lin said with a smile.

"If I didn't see that you are extraordinary, I wouldn't have taken the risk of offending the Heavenly Cloud sect to get close to you."

Sister Lin was honest and directly stated her intentions.

Qin Yu cupped his hands and said, "Thank you, sister Lin."

"I may need your help in the future. I hope that you won't turn hostile and refuse to acknowledge me when the time comes," sister Lin said with a smile.

"Definitely." Qin Yu nodded.

Sister Lin didn't stay any longer and quickly left the place.

Qin Yu also took this note and returned to his residence.

In the room, Wen Da and Wen Er were still playing around. Seeing Qin Yu rushing back, Wen da rushed over with big strides.

"She gave it to you?" Wen Da said with his eyes wide open.

Qin Yu acknowledged and said, "It can be considered as giving it to you."

"She really gave it to you?!" Wen Da's eyes were wide open.

Qin Yu said with some doubt, "Why are you so agitated?"

"Damn it, she gave it to you just like that? I refuse to accept it!" Wen Da looked like he was beating his chest and stomping his feet.

Seeing this, Qin Yu hurriedly said, "It's not really given to me. She just gave me an address. I have to find it myself."

"What's That?" Wen Da was even more puzzled.

Qin Yu said, "The aura of life. She gave me an address. I have to find it myself."

When Wen da heard this, he immediately heaved a sigh of relief.

He patted his chest and muttered, "F * ck, you scared me. I thought I really gave it to you..."

Qin Yu was confused and couldn't be bothered with Wen da anymore.

He took out the map and looked for the location on the map according to the name on the note.

Chapter 1314: Chapter 1,314, the letter of challenge

The holy region was an extremely vast place. Even the southern region was enormous.

The location given on the note was called Yang City, which was three thousand stars away from Gu City.

This was an extremely long distance. If there were no flying demon beasts, it would take at least ten days to half a month.

Looking at this location, Qin Yu muttered to himself, "This place is already at the edge of the southern region. It's almost connected to the western region..."

The western ridge, like the Southern Province, was a large part of the Li Province.

In the western ridge, there were also top sects holding down the fort. They were no weaker than the heavenly cloud sect.

"Isn't this a little too far away?" Qin Yu said in a low voice.

Thinking of this, Qin Yu looked at Wen da at the side and said with a smile, "Brother Wen, do you have a Flying Demon Beast?"

Hearing this, Wen da said with some pride, "Of course I do. My Flying Demon Beast is the cloud chasing Scorpion. Its speed is extremely fast!"

"It's not as fast as my wind chasing Colt," Wen er said from the side.

Wen Da widened his eyes and said, "Bullsh * T! Did the dog lose last time?"

Wen er snorted and said, "Although my wind chasing colt is not as fast as your cloud chasing scorpion, it can last for a long time. My wind chasing Colt can run for a thousand stars in one breath! Can your cloud chasing Scorpion do it?"

"What's the use of lasting for a long time? If I encounter an enemy, my cloud chasing Scorpion will take me far away. Your wind chasing Colt hasn't started moving yet," Wen da said unwillingly.

"My Wind Chasing Pony is awesome anyway."

"My Cloud Chasing Scorpion is awesome!"

"Let's compete!"

Qin Yu felt a headache coming on from the side. He coughed dryly and said with an embarrassed smile, "Gentlemen, can you lend me your flying Demon Beasts? I need to make a trip to Yang City..."

As soon as these words were said, the scene immediately fell silent.

"Wen Er, your wind chasing pony is still awesome! My cloud chasing Scorpion is willing to admit defeat!" Wen da said with a flattering look.

“Big Brother, you’re being too modest. Your Cloud Chasing Scorpion is still the best. It can run really fast, but my wind chasing stallion is trash,”Wen er said hurriedly.

“F * ck you, you were just saying how Amazing You Are!”

“Didn’t you F * cking change your words too!”

...

After a series of arguments, Wen er finally lent his wind chasing stallion to Qin Yu.

This was a group of fiery horses with fiery red light under their feet. Although they weren’t as domineering as Ling Yun’s mount, they were extremely capable.

“Damn it, you have to return it to me. Otherwise, I’ll Have My Grandfather Beat You Up!”Wen Er said reluctantly.

Qin Yu smiled. “Don’t worry, I’ll definitely return it to you!”

That day, Qin Yu planned to set off for Yang City.

At this moment, a piece of news came over:

The Tianyun sect had restarted their plan to capture Qin Yu. This time, they would send even more top-notch martial artist to kill Qin Yu!

“Qin Yu, what kind of deep hatred do you have with the Heavenly Cloud Sect?”Wen Da picked his nose and asked curiously.

“Damn it, you can’t die. Don’t Kill my wind chasing Colt!”Wen Er said hurriedly.

Qin Yu didn’t say anything. He knew that the Heavenly Cloud sect had great influence in the entire South Province.

Although there were a few people who didn’t put the Heavenly Cloud sect in their eyes, such an existence was really too few.

Now that the Tianyun sect had released such news, it would definitely bring Qin Yu a lot of trouble. It might even make his journey extremely difficult.

“Tianyun sect...”Qin Yu muttered softly. At this moment, he suddenly thought of an idea.

Following that, Qin Yu hurriedly looked at Wen er and Wen er and said, “Brother Wen, do me a favor.”

“No!”Wen Da hurriedly shook his head.

Qin Yu ignored his rejection and said in a deep voice, "I want to challenge Ling Yun."

"Challenge him?" Wen Da was taken aback.

Qin Yu grunted in gratitude and said, "Just say that I will wait for him in Yang City. If he doesn't dare to come, the title of the number one disciple in South Province will change hands."

Although the Wen brothers didn't know what Qin Yu wanted to do, they, who liked to join in the fun, agreed without a second thought.

The next day, Qin Yu rode on his wind-chasing stallion and rushed towards Yang City.

The news of Qin Yu issuing a letter of challenge to Ling Yun also spread quickly.

This news seemed to have grown ears, and it didn't take long for it to reach Ling Yun's ears.

In an extremely luxurious mansion in the Heavenly Cloud sect.

In this mansion, there were eight maids standing at the door. They were dressed extremely well, but their faces were filled with fear.

Beside them lay the corpse of a maidservant. Her death was extremely cruel. Her heart was pierced through and her face was shattered. It was almost impossible to tell what she looked like.

The reason for her death was because she coughed.

The owner of the mansion was none other than Ling Yun.

"Qin Yu has already issued a challenge to you. This matter has caused a huge commotion," a tall, white-bearded elder said coldly.

This person was none other than the first elder of the Tianyun sect. He was also Ling Yun's Master!

His status was extremely high, and he was one of the top existences in the entire Tianyun sect.

Ling Yun gritted his teeth and said, "I've wanted to kill him personally for a long time!"

The first elder looked at Ling Yun and said in a deep voice, "Ever since Di Zun arrived, the sect master has placed more attention on him. Even that trash, elder Bai, has risen with the tide."

“Therefore, you have to kill Qin Yu. Otherwise, not only will you fall out of favor, I might not even be able to hold on to my position as the first Elder.”

Chapter 1315: Chapter 1315, kindred spirits

Ever since Di Zun’s arrival, his talent had been developed.

The numbers on the god testing stone were not fake. His improvement could be described as godly.

At this rate, it was very likely that he would surpass Ling Yun.

Ling Yun said coldly, “Master, don’t worry. I will definitely kill that Qin Yu personally. It’s just that... he chose Yang City as his location. I’m afraid that he will take the opportunity to escape to the western ridge.”

“Escape to the western ridge? If he wanted to escape to the western ridge, he wouldn’t have chosen Yang City.” First Elder shook his head.

Ling Yun frowned. “Why?”

First Elder waved his hand and didn’t answer this question. Instead, he said, “In short, you should recover as soon as possible and head to Yang City to get rid of him. At the same time, in order to prevent any accidents, I will prepare another plan for you.”

Ling Yun nodded. With a cold expression, he said, “If Qin Yu dares to escape, I will kill all the people of Yang City!”

...

On the other side, Qin Yu was hurrying towards Yang City.

Three thousand stars was an extremely distant place.

Even Wen Er’s wind-chasing stallion needed three days.

It was impossible for the wind-chasing stallion to travel all the time. Every thousand stars, it would need to rest for a period of time.

That night, Qin Yu brought the wind-chasing horse and stopped at a small town.

“Let’s stop here for today. Rest for the night, and we’ll continue our journey tomorrow.” Qin Yu patted the wind-chasing horse’s head and asked the people in the shop to provide food for the wind-chasing horse.

Qin Yu also needed to rest. Without the support of spiritual energy, he was very much like an ordinary person in many aspects.

For example, he would be hungry, tired, and so on.

After settling the wind chasing colt down, Qin Yu went to the restaurant. He ordered a table full of dishes and began to eat like a wolf.

This place was like a courier station. Many people were in a hurry and were travel-worn.

The entire restaurant was filled with people. There were burly men and young masters who were well-dressed and well-fed.

Qin Yu ate a mouthful of food and drank a mouthful of wine. He was quite happy.

At this moment, two people suddenly came in from the door, a man and a woman.

The man had many scars on his face, revealing his fierce aura. The woman wore a veil to cover her face.

The man glanced around and finally his eyes fell on Qin Yu's table.

He walked quickly to Qin Yu and said coldly, "Friend, can you finish this table of dishes all by yourself?"

Qin Yu glanced at him and said, "What does this have to do with you?"

The Man's face turned cold and coldly said, "The tables here are scarce, but you're occupying so many of them by yourself!"

"What does it have to do with you? You want to care about how much I eat?" Qin Yu put down the cutlery in his hand and raised his head to look at the man.

The man no longer spoke nonsense and coldly said, "Hurry up and eat. Give up your seat."

Qin Yu sneered and said, "The speed of my eating has nothing to do with you. You Don't have a place to eat, so what does it have to do with me?"

"Do you want to die?" This man's body emitted a chill.

Qin Yu also coldly looked at this person and said, "You are really overbearing. Why? Do you think I am easy to bully?"

"I think you are tired of living!" This man no longer said anything. He raised his hand and grabbed at Qin Yu.

“AH SAN, stop.”

At this moment, the woman behind him, who was hiding her face, stopped him.

The man called Ah San hurriedly retreated to the side.

Then, the woman walked to Qin Yu, she said politely, “Fellow Daoist, I’m really sorry to disturb your meal. It’s just that I have a strange disease and need to eat within a certain period of time. Do you think I can share a table with you?”

Qin Yu glanced at the woman. Seeing that she was speaking politely, he waved his hand and said, “Yes, but that Ah San can’t do it.”

“You!” Ah San immediately became furious, but the woman shook her head at him. He could only give up.

“Thank you, fellow Daoist. This table is on me.” The woman bowed and said.

Then, she sat opposite Qin Yu.

Qin Yu couldn’t be bothered with them and only cared about eating and drinking.

Meanwhile, the woman ordered another table of dishes. What surprised Qin Yu was that the woman ordered more dishes than Qin Yu, filling up the entire table!

Even the Knowledgeable Qin Yu couldn’t help but be slightly stunned at this moment.

The woman seemed to see Qin Yu’s confusion and explained awkwardly, “Because of my health, I need to eat a lot every day. Please Don’t blame me, fellow Daoist.”

Qin Yu saw that she spoke politely, so he asked curiously, “What kind of illness are you suffering from? Why is it so Strange?”

Normally, at this level, one would already be fasting. Eating was just to satisfy one’s spiritual needs.

“What does it have to do with you? Don’t ask what you shouldn’t ask!” Ah San berated.

The woman frowned and said, “AH San, don’t be rude!”

Then, the woman looked at Qin Yu and said with a bitter smile, “It’s a long story...”

Qin Yu was even more curious.

Could this woman be like him?

Thinking of this, Qin Yu asked tentatively, "Where are you going?"

The woman did not hide anything and said, "To Yang City. Where is my fellow Daoist?"

Qin Yu's expression changed slightly. He did not answer the woman's question but continued, "What are you going to Yang City for? It can't be for the vitality of life, right?"

Chapter 1316: Chapter 1,316. There was only one room left

When the woman heard Qin Yu's words, her pale face under the veil also changed slightly.

"Who exactly are you? !" Ah San took a step forward. He held the long sword in his hand and pointed it at Qin Yu.

"Ah San, don't Be Rude!" The woman scolded again.

Qin Yu put down the chopsticks in his hand and said with a smile, "It seems that I guessed correctly."

The woman hesitated for a moment, then nodded and said, "That's right. I am indeed for the vitality of life. How did you know?"

Qin Yu said with a faint smile, "Because I am also for the vitality of life. I want to rush to Yang City. Speaking of which, we might be enemies."

"In that case, I will kill you first!" That Ah San said coldly.

Qin Yu looked at him coldly and said, "Noisy thing. If you dare to talk nonsense again, don't blame me for not being polite."

"Hehe, just based on you? You're boasting shamelessly!" Ah San said coldly.

"AH SAN, from now on, you're not allowed to speak without permission!" The woman frowned and said.

Although AH San was unwilling, he still obediently retreated to the side.

The woman ate while sighing and said, "I don't know why you need life qi, but this life qi... is very important to me."

Qin Yu had nothing to hide, so he told the woman about his situation.

After the woman heard it, she couldn't help but turn pale with fright.

There was no other reason except that this woman was also poisoned by the Twilight Qi!

The only difference was that she wasn't as lucky as Qin Yu, and she didn't have a tough body like Qin Yu's.

After a conversation, she learned that this woman was called Wan 'er, and she was the descendant of a big family in the South Province.

As for which family it was, wan 'Er didn't tell Qin Yu, and Qin Yu wasn't interested in knowing.

"No wonder fellow Daoist's appetite is so big,"wan 'er said jokingly.

Qin Yu waved his hand and said, "That has nothing to do with the Twilight Qi. I'm quite a glutton, and I'm a pig."

Wan 'er couldn't help but cover her mouth and laugh, saying, "Fellow Daoist, you're so humorous."

Ah San, who was at the side, snorted coldly. He didn't quite understand Wan 'er's behavior.

The more they talked, the happier they became. Perhaps it was because they had the same illness that caused their conversation to be extremely happy and smooth.

"Young Master Qin, since you're also going to Yang City, why don't We Travel Together Tomorrow? We can take care of each other on the way,"Wan 'er suggested.

Qin Yu raised his brows and said, "Travel together? Aren't you afraid that I'll Steal Your Life Force?"

Wan 'er smiled and said, "The life force will eventually fall into the hands of anyone. It all depends on one's own abilities. Furthermore, I don't think they will hand over their life force to us so easily. We should be considered allies."

Qin Yu smiled and said, "Forget about being fellow travelers. I don't want to cause trouble for you guys."

The reason why Qin Yu said that was because he knew that Ling Yun would come at any moment. With Ling Yun's brutal character, he wouldn't let go of anyone around Qin Yu.

However, these words sounded different to AH SAN.

From his point of view, Qin Yu was obviously afraid that he would kill him on the way.

“Alright, since Young Master Qin doesn’t want to go with me, then forget it.”Wan ‘Er didn’t insist too much.

After this meal, Wan ‘er went to the front desk to settle the bill. At the same time, she planned to get a room to sleep in.

Fortunately, wan ‘er came too late and the room was already gone.

The last room was booked by Qin Yu.

“This young master’s room is a big room. You can squeeze in,”said the front desk.

Qin Yu frowned slightly. He didn’t want to stay in the same room with others.

“It’s not convenient. Let’s forget it.”Qin Yu glanced at Wan ‘er.

Wan ‘ER’s eyes flashed with a hint of a request.

“Forget it, forget it. If you don’t mind, let’s share the same room.”Qin Yu waved his hand.

Wan ‘er was delighted and quickly said, “Thank you, Young Master Qin.”

Helpless, Qin Yu could only bring Wan ‘er and that annoying third to the room.

As expected, this was really a large room.

There was a big bed in the room, which could accommodate five people. It was quite spacious.

“Miss, don’t worry. I will keep an eye on this kid tonight. I guarantee that he won’t have the chance to do anything obscene to you,”AH San said coldly.

Qin Yu sneered and said, “If I really want to do something to her, do you think you can stop me?”

“You can try!”Ah San said with a cold face.

“AH SAN!”Wan ‘er frowned and berated, “Young Master Qin is not that kind of person.”

“Humph, you must be wary of others. Anyway, I Won’t Sleep Tonight.”Ah San snorted.

Seeing Ah San’s behavior, Qin Yu’s eyes rolled and suddenly wanted to tease him.

Therefore, Qin Yu sat on the bed and pointed at AH SAN, “You, get out.”

Ah San's face turned cold, and he scolded, "What did you say?"

"I said get out. This is my room! I allowed Miss Wan 'Er to come in. Since when did I allow you to come in?" Qin Yu said with a smile.

Ah San's face turned even colder. He narrowed his eyes and said, "Kid, if you dare to have designs on our miss, I Won't Let You Go!"

Qin Yu sneered, "Cut the crap. Either you get out of here, or you bring your miss to another shop. But... I guess your miss is already tired after traveling for another day with the twilight poison, right?"

Wan 'er frowned slightly. After thinking for a moment, she said, "Ah San, go wait outside."

Chapter 1317: Chapter 1,317, the vitality of Yangcheng

"Miss, this kid..."

"Alright, you can leave now. I believe that Young Master Qin is not that kind of person."

Ah San wanted to say something else, but was interrupted by Wan 'Er.

Helpless, ah San could only retreat outside the door.

He stood at the door, fully focused, afraid that Qin Yu would do something to Wan 'Er.

Wan 'Er was also a little worried. She and Qin Yu had only met by chance, and neither of them knew each other.

But in Wan 'Er's current state, she simply couldn't bear any storms.

"Don't worry, I Won't do anything to you. I'm not interested in you at all," Qin Yu said faintly.

Wan 'er, who was originally worried, couldn't help but be startled when she heard this.

She heaved a sigh of relief and felt a little disappointed.

Not interested at all? This was undoubtedly a humiliation for a woman.

Which man wouldn't be interested in a beautiful woman?

Qin Yu didn't know what she was thinking, nor did he want to know. He only wanted to recover his strength and not delay the journey tomorrow.

Qin Yu didn't know when, but he fell into a deep sleep.

Wan 'er, on the other hand, could not fall asleep no matter how hard she tried. From time to time, she would get up and look at Qin Yu, as if she wanted to confirm if he was really asleep.

Just like that, the whole night was tormented.

The next morning, Qin Yu stretched his body and sat up in high spirits.

Wan 'er, on the other hand, looked haggard, and her state of mind was extremely poor.

"If you don't have a good rest, you can rest and then continue on your journey." Qin Yu glanced at her and said.

Wan 'er shook her head and said, "No, it's better to hurry."

Qin Yu didn't say anything more. He pushed open the door and was about to set off.

Ah San, who was outside the door, blocked Qin Yu's path.

He looked at Qin Yu coldly and said, "Kid, you didn't do anything to Miss Wan 'er, right?"

"Second comparison." Qin Yu cursed and turned to leave.

"You!" Ah San clenched his fists, his eyes almost spitting fire.

If it weren't for Wan 'er refusing to let him go, he would have rushed up and fought Qin Yu with all his might.

After riding on the wind-chasing stallion, Qin Yu sped towards Yang City.

After another two days, Qin Yu finally arrived at Yang City.

Looking at the scene of Yang City in front of him, Qin Yu couldn't help but be slightly stunned.

This Yang City was actually born in a canyon, growing on a cliff. It was really a line of sky.

Outside Yang City, there was a huge river. This river was extremely wide, but it was quite calm.

And South Province and west ridge were separated by this river.

“Yang City is actually such a place...”Qin Yu couldn’t help but frown.

This was very different from what he had imagined. A Long Yang City would fall into the river if he wasn’t careful, right?

“Forget about him. Let’s look for the life force first,”Qin Yu said in his heart.

On the note was a family called the Chen family.

And the person sister Lin asked Qin Yu to look for was called Chen Cang.

Qin Yu put away the wind chasing colt for the time being and then began to inquire about this Chen family.

Yangcheng was not considered big, so it was not difficult to inquire about a person.

And the Chen family, which possessed the life force, naturally had a certain reputation in the local area. Therefore, they quickly found this Chen family.

Two servants stood at the door of the Chen family. They held sticks in their hands and looked dignified.

When they saw Qin Yu walking over, the two of them immediately grabbed sticks and held them at the door.

“Who are you looking for?”The two of them asked coldly.

Qin Yu quickly walked forward and cupped his hands. “I’m here to look for Mr. Chen Cang. Sister Lin introduced me to him. Please inform me.”

“Wait here.”One of them turned around and returned to the house.

A few minutes later, he walked out.

“Follow me,”the servant said.

Qin Yu nodded and said, “Thank you.”

Under the lead of the servant, Qin Yu came to the guest room of the Chen family.

The guest room was not big, but there were two maidservants who were responsible for serving tea and pouring water.

Qin Yu waited here for a few minutes before an old man slowly walked in from outside.

Seeing this old man, Qin Yu hurriedly stood up, cupped his hands and said, "You must be Mr. Chen Cang, Mr. Chen."

The old man nodded slightly, then waved his hand, indicating for Qin Yu to sit.

Qin Yu did not waste any time. He went straight to the point and said, "Mr. Chen, I came here this time for the Qi of life."

Hearing this, Chen Cang frowned.

Obviously, he did not know the purpose of Qin Yu's arrival.

"Mr. Chen, I will not take your things for free. No matter what conditions you have, you can tell me. As long as I can do it, I will not refuse!" Qin Yu said sincerely.

Chen Cang shook his head and said, "I will not take out the life qi. Otherwise, I will send it to the GU city auction."

"Old Mister Chen, this life qi is very important to me. If..."

"It is very important to you, and it is the same for me," Chen Cang interrupted Qin Yu.

"Don't waste your energy. If you are here as a guest, I welcome you. If it is for the life qi, then please leave," said Chen Cang.

Chen Cang's attitude was extremely firm. It could be seen that no matter what Qin Yu said, he would not agree.

Seeing this, Qin Yu could not help but sigh slightly.

As expected, it was not so easy to obtain life qi.

"Old Mr. Chen, how about this?" At this moment, Qin Yu changed the topic.

"I don't want your life Qi. Can you tell me where this life Qi comes from?"

Chapter 1318: Chapter 1,318, the attentive Wan 'Er

When Chen Cang heard this, he only laughed and waved his hand. "That place isn't for you to go to. Don't ask."

Qin Yu hurriedly said, "Old Mister Chen, you just need to tell me the place. Is that okay?"

Chen Cang said in a deep voice, "I don't want to see you send yourself to your death."

Qin Yu opened his mouth and wanted to say something, but Chen Cang waved his hand and interrupted him.

“You won’t tell me. If you have nothing else to say, you can leave now.” Chen Cang gave the order to leave.

Qin Yu suddenly had a bad feeling. He thought for a moment, then smiled and said, “Okay, I won’t ask. Then can I be a guest here?”

“Of course. You are welcome to visit the Chen family,” said Chen Cang.

Then, he asked his men to arrange a room for Qin Yu.

Qin Yu naturally had his own plans. If Chen Cang didn’t say anything, his family might tell him.

In short, as long as he stayed, there was definitely hope.

Just as Qin Yu was about to follow the maidservant to their residence, he met Wan ‘er and Ah San.

The moment he saw Qin Yu, Ah San’s expression changed slightly.

He quickly moved forward and blocked Qin Yu’s path.

“I actually let you get ahead of me,” Ah San said coldly.

“Ah San, don’t be rude!” Wan ‘er hurriedly reprimanded.

However, this time, Ah San did not listen to Wan ‘Er’s orders. Instead, he looked coldly at Qin Yu and said, “Hand over your life force and I’ll spare your life!”

Qin Yu’s expression also slowly turned cold.

“You’ve already provoked me many times. I’ve endured it for the sake of your family’s miss. If you dare to yell at me again, I won’t give face to anyone,” Qin Yu said coldly.

Ah San sneered and said, “If it’s the same, I will return it to you. If you don’t hand over the life Qi, I will not listen to anyone’s orders!”

Just as the two of them were at daggers drawn, Chen Cang walked out from inside.

“You are also here to look for the life Qi, right?” Chen Cang said indifferently.

Hearing this, Wan ‘er hurriedly walked forward, cupped her hands and said, “Greetings, old Mister Chen.”

Chen Cang helplessly waved his hand and said, "Don't waste your energy. I Won't give you the life force."

Ah San frowned slightly. He stared at Qin Yu and said, "You didn't get the life force? Why didn't you say it?"

"Why the F * ck should I say it?" Qin Yu held back his anger and pushed Ah San away.

"Miss Wan 'er, control your people, or you will easily get into trouble."

After saying this, Qin Yu followed the maidservant to the residence.

On the same day.

Qin Yu began to ask the Chen family members.

But to Qin Yu's surprise, no one in the entire Chen family knew where Chen Cang's life force came from.

Even Chen Cang's own son knew nothing about this.

This immediately made Qin Yu feel troubled.

Could it be that this trip was really for nothing?

If sister Lin had not introduced him, Qin Yu would have wanted to kill him and steal his goods.

"No matter what, I must find the life force," Qin Yu said coldly.

At this moment, there was a knock on the door.

"Young Master Qin, are you asleep?" Wan 'er's voice came from outside.

Qin Yu got up and opened the door.

"Miss Wan 'Er, why are you here?" Qin Yu moved aside and welcomed her into the room.

Wan 'er smiled and said, "Of course it's for the Qi of life."

Qin Yu smiled bitterly and said, "Chen Cang really didn't give me the Qi of life."

Wan 'er quickly nodded and said, "Young Master Qin, of course I believe your words. I came to find you this time because I want to discuss with you about the source of the Qi of life."

“The Source?” Qin Yu sighed. “This Chen Cang doesn’t plan to tell us at all.”

Wan ‘er agreed and said, “He is also unwilling to tell me. He claims that he is afraid that something will happen to us and doesn’t want us to send ourselves to our deaths.”

Qin Yu grunted and waited for Wan ‘er to continue.

Wan ‘er continued, “Before I came, I did a detailed study of Yang City.”

She took out a map. This map was actually a detailed map of Yang City.

On the map, there were drawn lines with beautiful handwriting.

“Young Master Qin, please take a look,” wan ‘er said. “Chen Cang said that he was afraid that something would happen to us. That means that the places where the aura of life appears must be extremely dangerous.”

“And in the entire Yang City, there are only two places that might pose a threat to us.”

Qin Yu followed Wan ‘Er’s finger and saw that she had drawn two places.

One was the huge river at the entrance of Yang City.

The other place was the mountain range on the upper side of Yang City.

“So you guessed that the life energy must be in these two places?” Qin Yu said in surprise.

Wan ‘er smiled and said, “There’s a very high probability.”

Qin Yu touched his chin and said, “What if the life energy doesn’t come from Yang City at all? For example, what if Chen Cang got it when he was traveling? As far as I know, Chen Cang often leaves Yang City.”

Wan ‘er nodded repeatedly and said, “This is the crux of the problem, so we can use these two places to test it out tomorrow.”

“If Chen Cang doesn’t say anything, we can only take the risk to explore these two places.”

“I believe that Chen Cang will also see our determination because of this. If he is really afraid that something will happen to us, he will definitely tell us the source of the aura of life.”

Chapter 1319: Chapter 1,319, internal Qi

It had to be said that girls were more attentive.

Qin Yu thought for a moment and nodded. "That's a thought. I can give it a try, but... why did you tell me?"

Wan 'er sighed slightly, she said, "Ever since I got this disease, I have experienced all kinds of suffering and was not welcomed at home. I have really had enough of this kind of feeling, so I can understand your feelings and understand your pain."

Qin Yu was slightly stunned, and his heart was suddenly filled with mixed feelings.

He understood what Wan 'er meant, but... The pain he suffered because of the Twilight Qi was far less than one-tenth of hers.

"Although third is impulsive, he's also the only person in the entire family who's willing to help me." Wan 'Er put away the map.

Qin Yu didn't say anything. At this moment, he suddenly understood why third was filled with hostility toward him.

"Miss Wan 'er, I believe that we will definitely be able to obtain the life force this time." Qin Yu could only console her.

Wan 'er nodded and said, "Then let's work hard together."

She did not stay any longer and quickly left the room.

Qin Yu lay on the bed and could not help but sigh slightly.

Speaking of which, wan 'er seemed to need the life force more than him.

The holy region was a place where strength was respected. Without the support of spiritual energy, one would definitely be looked down upon.

Even if Qin Yu had an indestructible body, he would still be ignored by the Tianyun sect, let alone Wan 'Er.

Lying on the bed, he couldn't fall asleep no matter how much he tossed and turned, so he got up and decided to go out for a stroll.

Wan 'Er's room wasn't far from Qin Yu's, so Qin Yu had only taken a few steps when he heard the conversation between Wan 'er and Ah San coming from the room.

“Miss Wan ‘er, if Chen Cang insists on not giving it to you, I will kill him and force him to hand it over!” Ah San said fiercely.

Hearing this, Qin Yu unconsciously stopped in his tracks.

“No, absolutely not,” wan ‘er hurriedly said.

“But... But if you don’t get the life force, your body will never be able to recover! Now, the entire clan thinks that you are a burden. If you can endure it, I can’t!”

Ah San’s voice was filled with anger and crying, as if he had endured it to the extreme.

After a while, wan ‘er said softly, “There will be a way, there will definitely be a way...”

Hearing the conversation between the two, Qin Yu couldn’t help but sigh slightly.

...

The next day.

At the dining table, Wan ‘er and Qin Yu looked at each other.

Qin Yu put down the chopsticks in his hand and then looked at Chen Cang.

“Old Mister Chen, it must be very difficult for you to get that life Qi,” Qin Yu said, intentionally or unintentionally.

Chen Cang glanced at Qin Yu and said, “Don’t ask me for information. I know you need this thing, but it’s better to have no spiritual power than to die.”

Qin Yu followed his words and continued, “So, the place where the life qi is located is very dangerous, right?”

Chen Cang did not hide anything. He said in a deep voice, “It’s very dangerous. It’s more dangerous than you can imagine.”

Qin Yu was immediately secretly delighted.

He smiled and looked at Chen Cang, he said, “Old Mister Chen, I have checked the map of Yang City. Before I came, I did a detailed investigation. In Yang City, there seem to be only two places that can pose a threat to our lives. One is the great river called the Dead Sea at the entrance, and the other place is the mountain range behind us.”

“Based on this reasoning, your life qi either comes from the mountain range or the four seas,” Qin Yu said.

“So, even if you don’t tell us, we will still try.”

Chen Cang’s expression immediately became extremely cold.

He angrily put down the chopsticks in his hand and berated, “That’s your business, it has nothing to do with me! Even if you die, you are asking for it, not because of me!”

After saying this, Chen Cang Rice stopped eating and turned around to walk out.

Qin Yu immediately felt a little embarrassed.

He didn’t expect Chen Cang to be so stubborn.

“It seems that this method is not feasible.”Qin Yu sighed.

However, wan ‘er beside him shook her head and said, “No, our goal has been achieved.”

“Oh?”Qin Yu looked at Wan ‘er with slight surprise.

Wan ‘er said, “There is only one reason why Mr. Chen is so excited, and that is because we are right.”

“In other words, we have already ruled out the possibility that the vital energy comes from other places.”

Qin Yu looked at Wan ‘Er in surprise, then gave her a thumbs up and said, “You are quite attentive.”

“Of course, our miss is a favored daughter of heaven!”Ah San snorted. “If it weren’t for that incident, Miss would have...”

“AH SAN!”At this moment, wan ‘er stopped Ah San’s words.

She looked at Qin Yu and said, “Young Master Qin, we can try to start from these two places. I believe that we will definitely be able to find the life force.”

Qin Yu agreed, “Alright, we will do as you say.”

“Kid, I think we should split up and act separately. We don’t want you to take advantage of us.”Ah San snorted coldly.

Qin Yu glanced at him and said, “I’m afraid you guys are the ones taking advantage of us.”

AH SAN said mockingly, "With just you? Since you are also affected by the Twilight Energy, I'm afraid you will be reduced to a level one cripple, right?"

"Even a heaven's favored daughter like miss is so passive, let alone you?"

Chapter 1320: Chapter 1,320, what was hidden in the mountains

Qin Yu couldn't be bothered to explain to ah San.

Wan 'er, who was beside him, said softly, "These two places are filled with danger. It's good that we have someone to take care of us."

AH SAN sneered, "Take care of us? What can he take care of us? Miss Wan 'er, do you think I need him to take care of me?"

Qin Yu glanced at him and sneered, "Okay, don't worry. I promise I won't help you."

"Hehe, I don't need it. I just hope that you won't beg me to save you when the time comes." Ah San snorted coldly.

Qin Yu didn't continue to argue with him. It was meaningless in itself.

The next day.

When Qin Yu went out, Ah San and Wan 'er were already waiting at the door.

"You sure are slow-witted. You Can't even catch up to the heat when you eat SH * t," Ah San mocked.

Qin Yu ignored him and looked at Wan 'Er. "Is everything ready?"

Wan 'er nodded slightly and said, "I brought a magical artifact from home, but with my current status at home, I can't bring any top-notch magical artifacts."

Qin Yu waved his hand and said, "No worries. When the time comes, we'll act according to the circumstances. If it really doesn't work, we'll find an opportunity to escape."

"Okay," Wan 'er agreed. "Then let's set off."

The place they had decided on for the time being was the mountain range behind Yang City.

There wasn't a complete road from Yang City to this mountain range. The three of them had to crawl.

After spending half a day, they finally arrived at the top of this mountain range.

The entire mountain range stretched for thousands of miles, and it could be said to be magnificent.

Looking at it from afar, it looked like a dragon's spine.

The top of the mountain range was uneven and there were all kinds of trees that could not be named.

"What is hidden here? Why are the people of Yang City so afraid?" Qin Yu scanned the mountain range and said in a low voice.

Ah San frowned and said, "I can't feel the slightest surge of internal Qi."

Qin Yu immediately activated the desolate God's eye, intending to investigate.

Unfortunately, he did not notice anything unusual under the desolate God's eye.

"Forget about him. Let's go," Qin Yu said.

With that, he looked at Ah San and said, "Ah San, take care of your miss."

"There's no need for you to say anything," Ah San said coldly.

Qin Yu could not be bothered with Ah San. He took a step forward, intending to step into the mountain range.

But at this moment, a figure suddenly appeared.

He raised his head and saw that it was Chen Cang.

He looked coldly at Qin Yu and the others with an extremely displeased expression.

"Old Mister Chen, why are you here?"

Seeing Chen Cang, Qin Yu couldn't help but be surprised.

Chen Cang snorted coldly and said, "I knew you guys would definitely come here. What a bunch of stubborn fellows."

Qin Yu and Wan 'Er's faces revealed a trace of embarrassment.

As for Ah San, he said coldly, "What has it got to do with you?"

Chen Cang glanced at Ah San and said indifferently, "Young people should have a heart of reverence and at least know how to be polite."

Ah San opened his mouth and wanted to say something, but was stopped by Wan 'Er.

She bowed and said, "Old Mister Chen, I know that you are doing this for our good, but this life qi is extremely important to us. If we don't get it, we will be crippled forever."

"If I want to be crippled forever, then I'd rather die."

Chen Cang glanced at Qin Yu, as if asking for Qin Yu's opinion.

Qin Yu also said in a deep voice, "I think so too."

Chen Cang sighed slightly and said, "In that case, I have nothing more to say."

Then, Chen Cang's mind moved, and two pieces of armor appeared in front of them.

There were traces of sharp blades on the armor. Looking carefully, some of the traces were very deep, almost penetrating the armor.

"Put this on. It might be able to save your lives at the critical moment," said Chen Cang.

"The only pity is that I only have two sets."

Hearing this, Ah San hurriedly snatched the two sets of armor, as if he was afraid that Qin Yu would take them away.

"AH SAN!" Wan 'er's expression was extremely displeased.

Qin Yu waved his hand and said, "I don't need this thing."

"Hehe, you can still act tough." Ah San sneered.

Chen Cang also said in a deep voice, "Qin Yu, without the armor, it will be difficult for you to walk out of this mountain range."

Qin Yu didn't know how to explain for a moment.

Although the armor looked indestructible, Qin Yu didn't think it would surpass his physical body.

"Old Mister Chen, you don't have to worry about me. I have my own countermeasures," Qin Yu cupped his hands and said.

"Young Master Qin, I'll give you my armor," Wan 'er said as she stretched out her hand.

"Miss!" AH SAN's expression changed. He stretched out his hand to stop her, but Wan 'er was extremely stubborn.

She said coldly, "If you insist, I'd rather not wear it."

Ah San gritted his teeth. He handed the armor in his hand to Qin Yu and said coldly, "I'll give it to you!"

Qin Yu looked at Wan 'er and smiled. "Miss Wan 'er, thank you for your kindness, but I really don't need it."

With that, Qin Yu cupped his hands to Chen Cang and said, "Old Mister Chen, it seems that the life Qi really exists in this mountain range."

Chen Cang did not deny it. He only sighed slightly.

Qin Yu continued, "Old Mr. Chen, we are about to enter this mountain range. Can you tell us what is hidden in this mountain range?"
