Chapter 1491: Chapter 1,491, the Hidden Tianyun sect 1

Looking at Hua Zi's frivolous appearance, Qin Yu couldn't help but smile and say, "Alright, what I'm about to do is."

Hua Zi nodded slightly and said, "Life and death are determined by fate. I hope your luck is not bad."

Qin Yu said, "I'll return the same words to you."

When Hua Zi heard this, he couldn't help but sneer and say, "Qin Yu, the people in the world have overestimated you. They think that with your little ability, you can rule the world because they have never seen a true expert."

"In my eyes, you, Qin Yu, are worthless. I can crush you to death with my hands."

Qin Yu raised his eyebrows and said, "Why do you have to say such rubbish? When the time comes, we will see who is the real deal."

Hua Zi snorted coldly. Then, he looked at Jue Wu and said, "Lord Jue Wu, I hope you won't Protect Qin Yu when the time comes. If he dies by my hands accidentally, I will come and apologize to you."

"Go to Hell. Go back and tell Yongji that if you die, I promise to drink wine and eat meat on your grave," Jue Wu said with a roll of her eyes.

Hua Zi snorted coldly. He didn't say anything more and turned around to leave Hua Ning mountain.

Qin Yu caressed the letter of challenge, feeling a little suspicious for a moment.

Qin Yu had never seen this hua zi before. Why would he suddenly come to challenge him?

"This must be Yongji's intention," Jue Wu said with a cold snort.

"Yongji's intention?" Qin Yu was a little surprised.

Jue Wu grunted and said, "Yongji hasn't done much in the past few years. Today, he suddenly sent someone to challenge you. I'm afraid he has some evil plans."

Qin Yu also had some doubts. He always felt that this Yongji didn't seem like a good person. He was a bit of a hypocrite.

.....
Especially after the last meeting, Qin Yu's impression of him was extremely bad.

"Where is he meeting you?" Jue Wu asked.

Qin Yu opened the letter of challenge and took a look. He said, "It's a place called... Yin Palace."

"Yin Palace? Never heard of it." Jue Wu shook his head.

"What's the time?"

"Three days later."

Jue Wu frowned and said, "Three days? Is there enough time?"

Qin Yu smiled and said, "There's no such thing as too much time. There's no need to make any preparations to deal with a nobody."

Jue Wu said in a deep voice, "Qin Yu, don't underestimate his foster sons. Rumor has it that each of Yongji's foster sons is a top genius in the South Province."

"Not only that, Yongji has cultivated for so many years and can be said to have a unique skill. Not to mention that his foster son has mastered it, he should have at least a 70-80% chance. Don't underestimate him."

Qin Yu nodded and said, "I know. Speaking of which, I also want to see so for myself the abilities of these three madmen and three unique skills. Right now, I don't have the qualifications to fight with Yong Ji, so I'll use his disciple as an example."

Jue Wu didn't say anything, but she had already made up her mind:

If Qin Yu really couldn't defeat Hua Zi, she would definitely save him.

As for Jue Wu, she didn't care about morality and morality. She would save him first.

After that, Qin Yu went straight to the cultivation room.

There were still ten nascent soul pills left. Three days should be enough time.

The only thing that made Qin Yu feel regretful was that after swallowing ninety nascent soul pills, it was still not enough to support him to step into the mighty realm. He didn't even recover to his peak condition.

Obviously, Qin Yu had underestimated the spiritual power that his body needed.

“What a pity.”Qin Yu sighed.

Of course, Qin Yu also understood the reason.

With his physique, if he could not achieve a balance between yin and yang, he would need a large amount of spiritual Qi to cultivate.

“If I can find a dark energy grave, I think my cultivation will be much faster,”Qin Yu thought to himself.

He planned to find a dark energy grave to enter seclusion after the battle ended and strive to step into the mighty realm in one go.

In the outside world, news of Huazi issuing a challenge to Qin Yu quickly spread.

Everyone didn't know the name Huazi, but they were rather shocked by the title of Mr. Yongji's foster son.

For so many years, Yongji and his foster son had always kept a low profile and hardly participated in any disputes.

Now, they suddenly took the initiative to issue a challenge to Qin Yu, which was shocking.

“It seems that Yongji's foster sons are planning to come out.”

“Yeah, if more than a hundred foster sons come out, they will definitely be an extraordinary force.”

“It can't be helped. Who told Qin Yu to be so powerful? Yongji's foster sons probably won't be able to sit still.”

For a time, there were different opinions, but everyone was full of curiosity about this battle.

Qin Yu's reputation was needless to say. He had almost never lost a battle.

When facing people of the same generation, he was almost instantly killed.

And there was no need to say anything more about Mister Yong Ji's name. He was one of the three lunatics and three uniques, and his strength was unfathomable.

Yong Ji City.

Hua Zi was preparing for this battle.

As the saying goes, know your enemy, know your own, and you will never be defeated in a hundred battles. Hua Zi counted all of Qin Yu's moves.

"When this kid fights, he almost always relies on his physical body. As long as you don't let him get close, he has no chance of winning," Hua Zi said in a low voice.

Yong Ji had a different view on this. He said in a deep voice, "Although Qin Yu has experienced many big battles, he hasn't displayed many moves. No one knows if he still has any trump cards."

Hua Zi sneered and said, "Foster father, isn't that Qin Yu's trump card move that Dharma Idol? Other than his body getting bigger, I don't think it's anything great."

"Moreover, you have also taught me the Eternal Dharma Idol. This is a spell that you created yourself. How can Qin Yu be compared to it?"

Yong Ji nodded slightly. He was quite reassured with Hua Zi.

"Foster father, don't worry. Three days later, I will definitely behead Qin Yu and give it to you!" Hua Zi patted his chest and said.

The Heavenly Cloud sect also received this news.

After the first elder heard about this matter, he immediately couldn't stop laughing.

"Hahaha, finally, someone is going to suppress this child!" The first elder stroked his beard and laughed excitedly.

"When two people of the same generation fight, even if it's Jue Wu, she doesn't have the right to stop it!"

"First Elder, perhaps we can take the opportunity to secretly get rid of Qin Yu." The white elder suddenly said.

The first Elder's eyes narrowed slightly, as if he had a thought.

"Absolutely not." At this moment, the vice sect master shook his head.

"The invasion of the northern lands is becoming more and more serious. According to sect master's wishes, we should send people to the northern border."

At the mention of the northern lands, first elder's expression became somewhat unnatural.

He snorted coldly and said, "There's no need. The people of the northern lands are not worth mentioning at all. Moreover, the northern lands are not our heavenly cloud sect's enemies."

The deputy sect master frowned slightly and said, "First Elder, this is the sect master's intention. Could it be that you want to go against the sect master's wishes?"

First Elder's expression changed and he berated, "Nonsense! Do I have the final say in this heavenly cloud sect, or do you have the final say?"

The deputy sect master was silent, but the expression on his face was rather subtle.

"I've already sent people to the northern border. You Don't have to worry." First Elder waved his hand and said.

He accepted the benefits of the black-robed man, of course, he was not willing to attack the people of the north.

In the current Tianyun sect, the first elder was the only one who had the final say.

The cultivation mountain was shrouded in dense fog, and no one could rush up. No one could see the sect master, so they could only listen to the first elder.

The first elder narrowed his eyes and sneered, "I hope Qin Yu can lose to Hua Zi, so we don't have to make a move..."

"First Elder, are you really going to set up a trap in the Dark?" The deputy sect master asked with a frown.

First Elder glanced at him and said coldly, "What, do you have a problem with that?"

"I don't dare." Although the deputy sect master was displeased, he didn't dare to admit it.

First Elder snorted coldly and then began to arrange people.

The top-notch martial artist of the Tianyun sect was endless. Under the arrangement of First Elder, they decided to hide in the void and find a suitable opportunity to make a move.

"You must hide your identity. No one can know that it was done by the Heavenly Cloud Sect," said the first elder in a deep voice.

After thinking about it, the first elder decided to let them wear black robes and dress up as northerners.

At this time, no one would doubt them.

...

At this time, Qin Yu was still absorbing the nascent soul pills at a leisurely pace.

As for the last ten pills, Qin Yu still stuffed them into his mouth. Then, he circulated the meridian circulation technique and slowly circulated them in his body.

There was only one day left before the fight with Huazi.

.....

On this day, Wen Da and Wen er sneaked into the cultivation room.

The two of them looked at Qin Yu, who was cultivating in seclusion, and whispered, "This kid is really ruthless. He doesn't find it boring to sit there every day."

"Exactly, exactly. Is it not satisfying to drink and pick up a girl at this time?" Wen Er also said in a weird way.

"What are you two doing here? Why? Do you want to cultivate with us too?"

At this time, Jue Wu also came to the cultivation room.

The two of them smiled and said, "Aunt Jue Wu, look at what you said. We don't have the ability to do that."

Jue Wu rolled her eyes and said, "Then don't Disturb Qin Yu. If he doesn't come out of seclusion tomorrow, it will be embarrassing."

"No, we won't disturb him. We'll just watch here!" Wen Da saluted.

Wen er whispered, "Aunt Jue Wu, there's only one day left. Is there still time?"

"Yes, that Hua Zi is Yongji's disciple. I always feel that Yongji arranged this on purpose," Wen da said in a deep voice.

Jue Wu looked at Wen Da in surprise and said, "You're quite smart."

"Look at what you said. I just don't like cultivation. In fact, I'm very smart," said Wen da smugly.

Jue Wu stroked her chin with her small hand and said in a low voice, "In fact, I also suspect it, but I can't say it without evidence. I'm afraid this Yongji is going to do something big in the near future."

The invasion of the northern land undoubtedly gave Yongji a chance.

In the entire southern region, besides the Tianyun sect, Yongji had almost no opponents.

Xiao Hai was at the border. Qu Zhu, Jue Wu, and the others were not interested in the status of the southern region at all. Only Yongji, who was secretly developing, could turn against them at any time.

"Master Jue Wu."

At this moment, two small disciples walked over from Mount Hua Ning.

Jue Wu looked at the two of them and said, "How is it?"

The two of them said in a deep voice, "According to our understanding, hua zi has been in seclusion with Yong Ji for the past few days. I'm afraid that he is teaching some moves."

Jue Wu's expression immediately darkened.

She looked at Qin Yu, who had his eyes closed, and said in a low voice, "It seems that I have to teach this kid two moves too. I don't know if I can make it in time."

"Aiya, let's not care about that. Let's go have a drink," Big Wen pulled Jue Wu and said.

Absolute dance shook her head and said, "You guys go ahead. I'll stay here and guard Qin Yu."

Time was tight, and absolute dance didn't dare to delay.

Big Wen and Big Wen didn't insist and tactfully walked away.

Time passed by minute by minute. Absolute dance stood there and waited.

For absolute dance, who almost had ADHD, this was undoubtedly an extremely painful thing.

She closed her eyes slightly and adjusted her breathing, but in the end, she could not hold it in any longer.

"This is too boring!" Jue Wu cursed in her heart.

She sized up Qin Yu and muttered softly, "This kid shouldn't be able to come out of seclusion for a while. Go drink some wine first and come back later."

With that, Jue Wu ran away.

Not long after Jue Wu left, Qin Yu, who was sitting in the cultivation room, opened his mouth and let out a turbid qi.

In an instant, his body was wrapped in golden light, which was extremely dazzling in the darkness.

The moment he opened his eyes, a ray of light shot out!

The surrounding internal Qi swept out at this moment, like a gentle breeze that blew through the bamboo forest.

Qin Yu slowly stood up. He gently clenched his fist and felt the power in his body.

"A hundred nascent soul pills... I can't believe they didn't allow me to step into the mighty realm." Qin Yu couldn't help but feel a little regretful.

For a special constitution like his, the balance of yin and yang was extremely important.

A large amount of spiritual Qi brought very little improvement, so it was normal for him to not be able to step into the mighty realm.

"Although I wasn't able to step into the mighty realm, my spiritual power has already recovered to its peak state. Killing that Hua Zi shouldn't be a problem," Qin Yu thought to himself.

Although Hua Zi was Yongji's disciple and ultimately had a myriad of techniques, behind Qin Yu was the Dao Guardian.

Yongji's strength was nothing in front of the Guardian.

Thinking of this, Qin Yu couldn't help but laugh coldly.

If he was going to throw a punch, he might as well take this opportunity to show off.

...

In the pavilion.

Jue Wu was getting more and more excited as he drank. He had long forgotten about Qin Yu.

“Come, come, come. You lost again. Hurry up and fill me up!” Jue Wu said excitedly.

At this moment, Qin Yu walked over from not far away.

After seeing Qin Yu, Jue Wu waved his hand and said, “Come and have a drink with me!”

Seeing this, Qin Yu didn’t know whether to laugh or cry.

Wen Da, who was at the side, also reminded in a low voice, “Aunt Jue Wu, aren’t you going to teach Qin Yu a spell?”

Jue Wu was stunned. She patted her head hard and muttered, “Oh no, I forgot about the serious matter.”

Then, Jue Wu stood up and pulled Qin Yu, “Let’s go. Follow me to the cultivation room.”

Qin Yu said in surprise, “Why are we going to the Cultivation Room?”

Jue Wu whispered, “I heard that Yong Ji has been teaching Huazi techniques. I have to teach you two moves too.”

Qin Yu shook his head and said, “No need. I can kill him easily.”

Jue Wu glared and said, “That won’t do. You must use my spell to defeat him. Do you understand?”

Qin Yu was at a loss, as if he didn’t understand.

Jue Wu whispered, “The battle between you and Huazi has already spread like wildfire. Everyone knows about your relationship with me, and they also know that Huazi is Yongji’s foster son. Therefore, the battle between the two of you, in the eyes of the outside world, is equivalent to a fight between me and Yongji.”

At this point, Jue Wu’s eyes widened as she said, “You have to defeat him. I will teach you my trump card technique. As for whether you can comprehend it or not, that will depend on yourself.”

Upon hearing Jue Wu’s words, Qin Yu came to a sudden realization.

“Don’t forget, you are also Wen Wanye’s disciple. You have to win glory for Wen Wanye,” said Jue Wu.

Qin Yu took a deep breath and nodded. "I understand."

"Follow me to the cultivation room," said Jue Wu.

Therefore, Qin Yu followed behind Jue Wu and walked all the way to the cultivation room.

Sitting in the cultivation room, Jue Wu raised her tender little hand and patted Qin Yu's back.

A warm current instantly surged into her body.

Qin Yu said with some surprise, "What are you doing?"

Jue Wu said, "I'm transferring the Spiritual Qi to you first. This thing isn't particularly useful in my body."

Qin Yu couldn't help but be stunned.

The Spiritual Qi in her body wasn't particularly useful? How was this possible? One had to know that this was the foundation of a cultivator?

Just as Qin Yu was in doubt, the dense and majestic spiritual Qi had already surged into her body.

Qin Yu felt extremely comfortable. The Spiritual Qi that surged out of Jue Wu's body seemed to have been processed. He did not feel the slightest discomfort. He only felt that his body was warm.

And the amount of spiritual Qi that Jue Wu transported was extremely huge. It surged into her body like a vast ocean.

This could not help but surprise Qin Yu. He even wanted to stop it.

However, Jue Wu did not have any intention of stopping. After an unknown amount of time, Qin Yu felt that the spiritual Qi in his body was already filled to the brim and could not flow any further into his body.

"It's about time." Jue Wu took her hand away.

She patted her small hand and said, "This spiritual Qi should be enough to support you to use my spell. I will now begin to teach you the spell."

"This spell is called the sky flower of all creation. I accidentally obtained it in a mystic realm. Back then, I only used three hours to comprehend this spell. As for how long it will take you, I don't know."

Qin Yu nodded. He knew that Jue Wu's talent was extremely high, and her cultivation method was quite special. Therefore, Qin Yu did not find it strange that anything strange happened to her.

Then, a light flashed between Jue Wu's eyebrows and went straight to Qin Yu's eyebrows.

In a moment, a small figure appeared in Qin Yu's mind. This small figure was exactly what Jue Wu looked like.

Jue Wu glanced at it and then frowned.

She looked at the sleeping iron egg and muttered, "Why is there a man?"

Qin Yu smiled bitterly and said, "It's a long story. He is..."

"Ah, forget it, forget it. I'm not interested." Jue Wu waved her hand and interrupted Qin Yu.

Then, she began to demonstrate this technique for Qin Yu.

Using divine sense to evolve this technique was also using divine sense to comprehend.

This speed was much faster.

Jue Wu was not stingy. She taught all the tricks of the all creation smallpox to Qin Yu and demonstrated it in Qin Yu's mind.

With a shake of her hands, an extremely huge radiance flashed behind her back.

The light tiger was like a peacock spreading its tail. It was dazzling and awe-inspiring!

Compared to the phenomenon displayed by the first elder, the all creation smallpox was many times stronger!

Such a huge radiance almost covered Jue Wu's small body. At a glance, she could not even see a person!

Then, Jue Wu's body shook violently, and the radiance slowly disappeared behind her.

"I'll give you a simple demonstration. The rest will be up to you to comprehend," Jue Wu said after she finished teaching.

Qin Yu grunted and said, "I got it."

Jue Wu calculated the time and said, "There are still four hours before dawn. It should be about the same. After all, you still have some talent."

Qin Yu smiled bitterly and said, "I will try my best."

After saying that, Jue Wu left Qin Yu's mind and returned to her original body.

She stood up and glanced at Qin Yu, saying, "You have to work hard for me tomorrow. Otherwise, I will not let you off easily when I come back."

Qin Yu smiled and said, "Don't worry. I will definitely beat him."

Jue Wu grunted in gratitude and turned to leave.

However, she had only taken two steps when she ran back.

"Oh right, I have to tell you about Yongji," Jue Wu said with a serious expression.

"Yongji has a spell that is not weaker than the all creation smallpox. Rumor has it that it was also obtained from a Holy Land."

Qin Yu pricked up his ears and waited for Jue Wu's follow-up.

"This spell is called the three elements holy palm. This palm technique is like a wave. Every time it is struck, the power will be stacked. Rumor has it that when using the three elements holy palm, it can even destroy a city," Jue Wu said with a serious expression.

"Three elements holy palm..." Qin Yu murmured in a low voice and silently memorized this name.

"Also, the sky flower of all creation requires extremely dense spiritual qi, so you can only use it once at most. Therefore, you have to ensure that you can kill Hua Zi with this technique. Otherwise, your spiritual Qi will be depleted and you will be unable to fight anymore," Jue Wu said.

Qin Yu suddenly came to a realization. No Wonder Jue Wu had sent so much spiritual Qi to Qin Yu.

"Okay, I got it," Qin Yu replied.

Jue Wu didn't say anything more. He turned around and returned to the pavilion, continuing to drink.

Looking at Jue Wu's cheerful appearance in the pavilion, Qin Yu couldn't help but feel a little envious.

This kind of cultivation method really made others envious.

Then, Qin Yu didn't waste any more time and began to comprehend this technique.

He first demonstrated it in his mind many times. After making sure that he had almost comprehended it, he stood up and cast this technique.

The first time he cast the technique, there was a hole behind him.

The second time he cast the technique, there was a ray of fluorescent light that was extremely weak.

The third time, the fourth time, the fifth time... When it was the eighteenth time, there was finally a ray of light that was the size of a wing behind Qin Yu.

This kind of light was far inferior to the absolute dance. It was like the difference between the bright moon and the stars.

At this time, the sky was gradually brightening. This meant that almost four hours had passed.

"The absolute dance used three hours to comprehend this technique. It's really... abnormal." Qin Yu couldn't help but sigh.

Then, he continued to try to cast this technique.

Thirty-eight times in a row. At the thirty-ninth time, Qin Yu was finally able to cast the sky flower of all creation on a similar scale. However, compared to the absolute dance, it was still too far away.

"Damn, the gap is too big." Qin Yu felt the flickering light behind him and could not help but feel a little annoyed.

"How is it?"

At this moment, Jue Wu also ran over.

When she saw the light behind Qin Yu, she nodded with satisfaction and said, "Not bad, you really have some talent."

Qin Yu smiled bitterly and said, "Is this still considered not bad? Compared to yours, the gap is really too far..."

Jue Wu glared at Qin Yu and said, "Nonsense. This art is linked to spiritual qi. I'm in the mighty realm, and I can step into the reversion void stage at any time. You're just a small nascent soul stage cultivator, and you're not satisfied yet."

Qin Yu said in surprise, "In other words, I've comprehended this art?"

Jue Wu nodded and said, "Of course! This art is enough to fight against that Hua Zi. If it were like me, then the one fighting wouldn't be that Hua Zi, but Yongji himself."

Chapter 1494: Chapter 1,494, the battle begins! 1

With the last dance, Qin Yu heaved a sigh of relief.

"Have a good rest. Let's set off in a while," Qin Yu thought to himself.

Then, he found a di fan to sit cross-legged and meditate. The last dance, on the other hand, transferred spiritual Qi to Qin Yu for the second time.

This time, the spiritual Qi she transferred was still extremely dense, like an unceasing torrent of river water.

This shocked Qin Yu greatly. One had to know that the recovery of spiritual Qi was very slow. Last night, Jue Wu had just transferred spiritual Qi to him!

What was even more infuriating was that last night, Jue Wu had been eating, drinking, and having fun. How did her spiritual Qi recover?

"Comparing people is really infuriating," Qin Yu could not help but think to himself.

After a short rest, the few of them got up and prepared to set off.

Qin Yu and Hua Zi's battle location was in Yin Palace. This place wasn't too far away, so it wouldn't take too long.

Yin Palace.

Before dawn, there were already people waiting in ambush, planning to enjoy the battle up close.

"Qin Yu and Hua Zi are both Heaven's chosen. Their battle will definitely be extremely interesting." Someone thought to himself.

"Hua Zi is Yongji's disciple, but we've never seen him fight before. No one knows exactly how capable he is, so I have high hopes for Qin Yu. "

"You can't say that. Yongji is also so mysterious. Don't tell me you still doubt Yongji's strength?"

There were many different opinions. Some people hid in the void, while others stood in the shadows.

Yin Palace was an extremely special city.

Rumor has it that this place used to be a battlefield. After hundreds of years, the dark energy in this place dissipated.

Even so, Yin Palace was still a wasteland. Not a single blade of grass grew.

A moment later, Huazi appeared on the horizon alone.

He was dressed in tight clothes and his long hair was tied up behind his head. He looked extremely capable.

As the disciple of Eternal Pole, his temperament was also tainted with the characteristics of eternal pole. One could hardly feel the slightest fluctuation of his internal Qi. However, his footsteps were incomparably light, as if he was floating in the air.

“Hua Zi is here.” Someone looked in Hua Zi’s direction.

“En? Why Is He alone? Could it be that Mr. Yongji isn’t coming?”

“He’s coming alone to take on the challenge? What boldness!”

Hua Zi walked over. Someone in the dark stood up and greeted him, and hua zi politely responded to them one by one.

“Mr. Hua, why didn’t Mr. Yong Ji Come?” Someone asked.

Hua Zi slightly bowed and said with a smile, “Foster father said that this is a spar between us juniors. I don’t want to get involved too deeply.”

“Mr. Hua, isn’t Mr. Yong Ji Afraid of losing to Qin Yu and dying in battle here?” Someone said in surprise.

Hua Zi said indifferently, “My foster father said that if I die in battle, I can only say that my skills are inferior to others. No one else can be blamed, and I won’t help. ”

“As expected of Mr. Yong Ji. I admire you!” Someone cupped his hands, his face full of respect.

Hua Zi didn’t say anything more. He stood there, quietly waiting for Qin Yu’s arrival.

There was no wind or fire in this place. It was extremely quiet. The Sun was hanging above their heads, but they couldn't feel the slightest bit of spiritual qi.

The people sent by the Tianyun sect had long been hiding in the dark, waiting for an opportunity to make a move.

This seemingly peaceful scene was actually moving in the dark.

In the remote area of Yin Palace, there were also several people hiding here.

They were all wearing black robes, and their faces could not be seen.

"Sir, are we really going to attack Jue Wu today?" A black-robed person asked.

The black-robed person who was leading the group said coldly, "Yes, Jue Wu, Qu Zhu, and Xiao Hai must die. We must kill them before we fully enter the Southern Region."

"Are you sure that Jue WII will come?" Someone asked.

The black-robed leader coldly snorted and said, "She will definitely come. Just Wait."

"Qu Zhu has also sent people. After today, the Heavenly Cloud sect will no longer have the three madmen and three deadly ones!"

This was an extremely fierce battle. It was unknown what methods the people of the northern lands used to completely conceal their internal Qi. They could not detect it at all.

The Heavenly Cloud sect and the northern lands were planning to attack at the same time!

At the scene.

No one had noticed the commotion in the dark. They also didn't know that today's battle would most likely involve the battle between the northern lands and the southern province!

At this moment, Hua Zi, who had his eyes closed, suddenly opened them!

Two rays of light shot into the distance!

"They're coming," hua zi said coldly.

As expected, not far away, Qin Yu, Wen Dawen, and the others were walking over while Jue Wu was sitting on Qin Yu's shoulder.

This strange combination couldn't help but cause people to be quite surprised.

"What are you looking at? If you keep looking, I'll dig out your eyeballs!" Jue Wu, who was sitting on Qin Yu's shoulder, cursed.

The surrounding people didn't dare to offend Jue Wu and retreated one after another.

After walking all the way to Hua Zi, Jue Wu jumped off Qin Yu's shoulder. She glanced around and said, "Where's Yongji? Why isn't he here?"

Hua Zi said proudly, "My godson said that this is between me and Qin Yu... "Alright, cut the crap. If he's not here, then he's not here. Anyway, I don't want to see him." Before Hua Zi could finish, Jue Wu waved his hand and interrupted Hua Zi.

Hua Zi, who was about to show off, was suddenly interrupted. His face couldn't help but be stunned, and his heart was extremely unhappy.

However, the person who interrupted him was Jue Wu, so he dared to be angry but didn't dare to say anything.

"Qin Yu, come forward and fight. I've been waiting for you for a long time. "Hua Zi, who was holding his breath, could only vent his anger on Qin Yu.

Qin Yu took a step forward and said with a faint smile, "Are you Mr. Yongji's first foster son?"

Hua Zi said with a faint smile, "We don't differentiate between before and after. We don't differentiate between high and low."

"Then it seems that you aren't," Qin Yu said with a smile.

Hua Zi's face turned cold and he said in a cold voice, "Our Yongji city has a lot of talented people, and my foster father is even..."

"Alright, Alright. Don't talk nonsense. It doesn't matter if it's not true. Anyway, it doesn't matter." Qin Yu imitated the way he performed the final dance and interrupted Hua Zi's words.

Hua Zi's face instantly turned red. His eyes glared at Qin Yu.

"Then stop talking nonsense. Let's Fight!" Hua Zi said furiously.

The furious Hua Zi raised his hand and used a killing technique. His body turned into a beam of light and in the blink of an eye, he charged towards Qin Yu!

"Boom!"

Hua Zi's fist was wrapped in a bright light. He threw out a punch that could shatter the sky and earth!

What was shocking was that Hua Zi's punch seemed to have evolved some kind of spell. Tens of thousands of rays of light turned into the heaven and earth and slashed towards Qin Yu!

Qin Yu's expression was calm. He raised his hand and used the absolute beginning sacred fist. Golden Light enveloped the earth and collided with Hua Zi's killing technique.

In an instant, the heaven and earth collapsed. The collision between the two of them was like Mars colliding with earth, exploding with an extremely dazzling light!

"Such power with just a raise of his hand. He is indeed worthy of being a prodigy of the southern region." Someone cried out in shock as he used his hands to block the incoming heat wave.

As for Qin Yu and Hua Zi, they were already locked in battle. Their bodies were enveloped in a layer of light that blocked their movements.

Looking over, one could only see two towering figures fighting with all their might!.

Both of them raised their hands with killing techniques, as if they wanted to kill each other.

These two people didn't seem like they were challenging each other, instead, they seemed like two life and death enemies!

Hua Zi's strength was indeed not to be underestimated. Even if Qin Yu had recovered his spiritual power, it was almost impossible to kill him in a short period of time!

"Boom!"

Hua Zi raised his hand and pierced through the heaven and earth. A force of ten thousand tons poured toward Qin Yu!

Qin Yu did the same. He waved his golden fist, and the absolute beginning sacred fist was shining brilliantly!

The two of them did not Dodge. They used their desperate strength to meet each other!

Seeing this, Qin Yu could not help but sneer!

The same technique, Qin Yu's physical body was definitely not something that Hua Zi could compare to!

Hua Zi seemed to have gone mad. He did not Dodge or Dodge. He swore to kill Qin Yu here and now!

"Boom!"

The two of them did not Dodge. Their fists smashed into each other's chest.

Seeing the terrifying explosion, their bodies were pushed back hundreds of meters!

Qin Yu's body was shining with golden light. Hua Zi's punch actually failed to penetrate Qin Yu's physical body!

On the other hand, Hua Zi's body was covered with a layer of dark golden light. He was actually not injured at all!

"Hahaha! If I didn't have any tricks up my sleeves, I wouldn't have gone all out against you!" Hua Zi's voice shook the heavens and earth, causing a buzzing sound to ring out.

The surrounding crowd turned pale with fright. They had witnessed this battle with their own eyes. A casual trace of might was already unbearable, but these two actually managed to withstand it!

"So this is the current Heaven's favorite!" Someone exclaimed.

"Don't forget, Qin Yu is only in the nascent soul realm, while Hua Zi is enough to step into the

Almighty realm for many years!"

"If that's the case, Qin Yu is still better."

"That's right, but don't forget, only when a genius grows up can he be called a genius! If he dies here today, then he'll just be a speck of dust."

Qin Yu looked at Hua Zi coldly, his body emitting a bone-piercing chill.

This Hua Zi indeed had a secret treasure hidden on him. Yong Ji had probably put in a lot of effort on him.

"Qin Yu, I'll definitely kill you today!" Hua Zi shouted loudly, his internal Qi actually continued to climb!

However, Qin Yu was not afraid at all. Instead, he sneered and said, "Bring out your true ability. Don't waste any more time. "

Hua Zi laughed out loud and said, "The same goes for you! Qin Yu, if you don't bring out your true ability, I'm afraid you won't have a Chance!"

Qin Yu sneered and said, "I don't need to waste too much energy to kill you. Come On!"

"You're courting death!" These words undoubtedly infuriated Hua Zi. After a loud shout, he charged at Qin Yu again.

This time, Hua Zi's strength became even stronger. Even Qin Yu was somewhat in a difficult position to deal with him.

"Ten Thousand Spell Breaking Punch!"

Qin Yu let out an explosive shout, and the power that penetrated through the ages poured out! Hua Zi laughed loudly and said, "This is the technique that I've been waiting for. Come!"

His two hands moved, and a brilliant light condensed between his hands. It was spotless and extremely holy.

However, under this holy power, it contained an extremely terrifying power!

This power seemed to have borrowed the power of Heaven and earth. It was incomparably terrifying!

"Boom!"

Another collision. Qin Yu still did not gain any benefits. His body was pierced through, and large amounts of blood flowed out!

"It seems that Qin Yu's physical body can't hold on any longer. "Someone commented.

"That's right. No matter how strong his physical body is, he isn't invincible."

Everyone had their own opinions, but Jue Wu didn't say a word. Her small hand touched her chin, thinking about something.

"What is this kid doing? This is definitely not his true strength," Jue Wu thought to herself.

The battle continued. In the blink of an eye, hundreds of rounds had passed between the two sides.

Hua Zi seemed to be getting stronger as the battle went on, but he didn't escape with any benefits.

After so many battles, both of their bodies were stained with blood.

This battle was destined to be extremely intense.

“Buzz!”

Hua Zi activated both of his hands, and a brilliant sword of light closed in!

Qin Yu used the line word formula and shot out several meters. He stood at a high place and looked coldly at Hua Zi.

Hua Zi was somewhat annoyed. He had an extremely strong feeling in his heart. It seemed that Qin Yu was going to be defeated every time, but every time, he was not able to hurt him.

“Die!” Hua Zi roared. He put his hands together and then slammed his palm forward!

Everyone was shocked when they saw this technique!

Because this technique was Yongji's trump card, the three elements holy palm!

“What! Hua Zi is forcing out his trump card just like that!” “Impossible, he clearly has the upper hand all the time!”

Jue Wu's face also showed a hint of shock.

Could it be that this hua zi had some other trump card that he did not know about?

If that was the case, it would be really troublesome!

The power of the three elements holy palm was endless as it rolled over.

It was like waves of the ocean that were continuously stacking up.

At this moment, the void shattered and the earth collapsed. Wherever it passed, everything turned into nothingness!

Qin Yu also did not think that hua zi would be so impatient. He looked at Hua Zi coldly as his mind quickly skipped over the heavenly flower of all creation that Jue Wu had taught him!

He narrowed his eyes slightly, and his body shook violently. An extremely bright light instantly appeared behind him, as if he was facing the holy sun!

Under the cover of this light, Qin Yu looked like an angel that had descended, incomparably holy!

“It’s the heavenly flower of all creation! Jue Wu’s spell!”

“The three elements holy palm against the heavenly flower of all creation. This is equivalent to the fight between Yongji and Jue Wu!”

“The two of them are no longer representing themselves!”

As the three elements holy palm overlapped, the light behind Qin Yu became even more dazzling!

Just as Jue Wu said, the spiritual power required for this spell was too dense, and even Qin Yu could not hold on for a moment.

Qin Yu roared angrily, and the myriad heavens flower exploded behind him!

In an instant, the sky and earth were enveloped by this radiance. Even the people hidden in the void could not stop vomiting blood!

Under the myriad heaven flower, everything in the surroundings suffered a blow.

For a moment, everyone cried out in surprise.

Once this technique was used, it would be a devastating blow to the surroundings.

Regardless of whether it was a person or an object, they would all be destroyed!

This technique could be said to be a divine skill in a great battle. It was incomparable!

Although Qin Yu was not as powerful as the absolute dance, it was enough to deal with Hua Zi.

Under the sky flower of all creation, Hua Zi’s body was bleeding non-stop, and his body was on the verge of shattering!

He only felt that his entire body was being stirred, as if it was going to be crushed at any moment!

“Ah! ! !”

Hua Zi raised his head and roared furiously, trying his best to resist. However, the sky flower of all creation was too powerful, and no matter how much spiritual power he unleashed, he was unable to resist at all!

“Plop!”

Finally, Hua Zi could not hold on any longer. His body fell to the ground, and his internal Qi was rapidly withering!

Meanwhile, the three elements holy palm was also stacked on top of Qin Yu, as if it wanted to crush Qin Yu!

Qin Yu naturally did not dare to be negligent. He immediately summoned the venerable fifth mountain and placed it in front of him!

His extremely huge body firmly blocked Qin Yu behind him.

“Boom!”

The three elements sacred palm slammed into the mountain. However, the power of the three elements sacred palm was too great. The venerable fifth mountain could not withstand it at all and was sent flying!

The gigantic mountain smashed into Qin Yu's body. The three elements sacred palm also penetrated through the mountain and headed straight for Qin Yu!

Qin Yu roared in anger. His entire body shone with golden light as he conjured a spell on his hands to block the three elements sacred palm!

“Boom!”

A loud explosion sounded out as the air waves spread out in all directions, shattering the void and the mountains!

Qin Yu's forehead was covered in sweat and he looked like he was having a hard time.

Even so, he was still unable to withstand the three elements sacred palm and was struck on his chest!

His chest instantly caved in and he spat out a mouthful of blood.

Then, Qin Yu half-kneeled on the ground and slid a few meters before he managed to stabilize himself.

“Qin Yu!”

Jue Wu shouted and then shot toward Qin Yu.

She helped Qin Yu up and frowned, “How do you feel?”

Qin Yu wiped the blood from the corner of his mouth, then shook his head and said, “I’m fine.”

Jue Wu said in a deep voice, “Qin Yu, that wasn’t your real ability just now, was it?”

Qin Yu was startled and said with some surprise, “You saw it?”

“Nonsense!” Jue Wu rolled her eyes and said, “Why did you hide your strength? Why didn’t you fight openly?”

Qin Yu narrowed his eyes slightly and sneered, “You’ll know in a while. The real big battle has just begun.”

“Real big battle? What does that mean?” Jue Wu seemed to be a little puzzled.

Qin Yu stood up and said, “You’ll know in a while.”

At a glance, Qin Yu seemed to be quite weak. He was also seriously injured by the three elements holy palm.

On the other hand, Hua Zi was even more miserable. He fell to the ground and even had some difficulty getting up.

“It seems that Qin Yu is still better,” someone said.

“Yeah, I’m afraid that no one in this generation of geniuses can suppress Qin Yu.”

“The difference between the two isn’t too big. Perhaps it’s the difference in their spells. In that case, absolute dance’s myriad heaven flower seems to be better than Mister Yong Ji’s three Yuan

Sacred Palm.”

Hua Zi, who was lying on the ground, was even more furious. He desperately wanted to get up, but no matter what, he couldn’t.

“Almost... almost!” Hua Zi roared crazily in his heart!

He was so close to defeating Qin Yu! How could he accept this? !

Qin Yu wiped the blood from the corner of his mouth and walked towards the crowd with the help of Wen Dawen Er.

Some people came to congratulate Qin Yu and expressed their respect for him. "Little Friend Qin, it's better for you to go back and rest early and recuperate well."

"Yes, I will visit you in the future."

Qin Yu did not say anything. His eyes were looking at a certain place as if he was waiting for something.

"You are already here, why are you still afraid?" Qin Yu shouted towards a certain direction! This voice contained powerful spiritual power, and it actually directly shattered that space!

From the collapsed space, several black-clothed people walked out.

Their bodies were wrapped in black robes, and it was impossible to see their faces.

"HM? Who are they? Why are they hiding here?"

"They're all dressed in black... could they be from the northern lands?"

"What do you all want!"

The group of black-robed men looked coldly at Qin Yu and said indifferently, "Qin Yu, today is the Day You Die!"

Hearing this, Qin Yu could not help but laugh out loud, "So you're all here for me. It seems that the northern lands are very interested in me."

"Cut the crap. You must die here today!" Someone shouted angrily.

"With your current state, we can kill you at any time. I advise you to be more sensible."

"What big words!" Jue Wu was instantly enraged.

She stood in front of Qin Yu and said coldly, "You guys can take a step forward and try!"

"Jue Wu! I advise you to mind your own business!" Someone shouted.

"That's right. If you force us into a corner, you'll die here today!"

"Screw you! I'd like to see so for myself what these maggots of the northern lands are capable of!" Jue Wu rolled up her sleeves and said furiously.

Just as she was about to make a move, Qin Yu stretched out his hand to stop her.

“There’s no need for you to make a move. I can handle these few people myself,” Qin Yu said coldly.

The black-robed man on the other side could not help but be overjoyed. They sneered and said, “I’ve always said that you like to be conceited and show off your abilities. Now that I’ve seen you today, you really live up to your reputation.”

“That’s right. You Can’t even stand properly. Your internal Qi is weak and exhausted. I’m afraid that you won’t be able to display even ten percent of your strength. How dare you say such Arrogant Words?”

Qin Yu looked at the few of them coldly. A cold smile appeared on the corner of his mouth.

“Who said I’m exhausted?” Qin Yu narrowed his eyes slightly.

In the next second, Qin Yu’s body burst out with an extremely powerful internal Qi! A terrifying pressure swept across the entire yin palace at this moment!

After feeling the power on Qin Yu’s body, everyone turned pale with fright!

This... Was this really the power that burst out from Qin Yu’s body? One had to know that he was only a small cultivator in the nascent soul realm!

What was even more shocking was that he had just experienced a great battle. How could he have such an internal Qi?

“Could it be that... he had been hiding his strength just now?” Someone exclaimed. “In other words, he didn’t use his full strength when dealing with Hua Zi?”

“If that’s the case... Hua Zi and Qin Yu don’t seem to be on the same level at all..

For a moment, everyone’s faces were filled with shock. Even Jue Wu was slightly stunned.

Hua Zi, who was lying on the ground, immediately vomited blood.

“Qin Yu, you... you dare to humiliate me...”

Hua Zi, who was already severely injured, suddenly spat out a mouthful of blood.

He raised his hand with difficulty and pointed at Qin Yu. His face was filled with unwillingness.

Qin Yu turned to look at hua zi and said coldly, "That's right. I'm humiliating you. Killing you means nothing to me. But destroying your dao heart must be worse than death."

Fortunately, Jue Wu had acted to protect everyone. Otherwise, the surrounding people would have died here!

The layers of the three Yuan holy palm pressed toward Qin Yu!

Meanwhile, the heavenly flower of all creation had already enveloped hua zi.

The powerful force instantly shattered hua zi's black-gold radiance and pressed toward his body!

At this moment, Hua Zi's body started to bleed!

Under the cover of the heavenly flower of all creation, his blood seemed to be evaporated, and even his bones began to collapse!

Such a scene could not help but cause people to turn pale with fright!

"Is this the sky flower of all creation?!"

"With Huazi's ability, it doesn't seem to be able to withstand it at all!"

"Rumor has it that once the sky flower of all creation is unleashed, not a single blade of grass will grow within a radius of ten Li! Moreover, it is an indiscriminate attack, it can be said to be a godly skill!"

Chapter 1497: Chapter 1,497, do you think that there is no one else in the southern region? 1

Upon hearing Qin Yu's words, hua zi instantly felt extreme despair and his face instantly turned pale!

Once his dao heart was destroyed, his strength would probably not be able to advance even half a step in this lifetime!

"Hua Zi, go back and tell Yongji that I welcome his foster son to continue looking for me," Qin Yu said coldly.

When everyone heard this, they could not help but be greatly shocked!

What was wrong with Qin Yu? Why did he point the spearhead directly at Yongji? Didn't Yongji save him once?

It seemed that... They were going to shed all pretenses of cordiality!

After that, Qin Yu no longer paid attention to Hua Zi who was like a dead dog. Instead, he looked at the people in front of him.

"Do it." Qin Yu's internal Qi surged all over his body. The expression on his face was incomparably cold.

Everyone looked at each other, and then did not say anything more. In an instant, all of their spells were cast, and they headed straight for Qin Yu!

Qin Yu's body emitted a golden light, and his fist was like a resplendent sun. Every time he waved his fist, it would cause the space to tremble!

Soon, Jue Wu also joined the battlefield. The two of them faced more than a dozen people, and it was not a problem at all!

"Bang!"

Qin Yu's fist smashed onto one of the people's head, directly shattering his head!

Jue Wu's small hand reached out and entered into the body of one of them!

In less than an hour's time, these ten plus people were completely defeated, dead or injured!

Looking at the battle prowess of Qin Yu and Jue Wu, everyone couldn't help but be greatly shocked!

And the few people sent by the Heavenly Cloud sect were even more terrified!

They could understand that Jue Wu was powerful, but what did Qin Yu have?

How could a nascent soul stage cultivator have such terrifying battle prowess? Could it be that no one in the younger generation of the entire South Province was able to get out?

Looking at the few people who were barely hanging on, Qin Yu and Jue Wu looked at each other and revealed a mocking expression.

"So the people of the north are all a bunch of trash." Qin Yu sneered.

Jue Wu waved his small hand and said, "Your northern lands have provoked me time and time again. I'm angry! Go back and tell your master that I will immediately head to the northern border!"

The surrounding spectators could not help but sigh.

Weren't the people of the northern lands too weak?

With such little ability, they dared to provoke Jue Wu? were they crazy?

"TSK TSK, looks like we have overestimated the people of the northern lands."

"That's right, it's said that the people of the northern lands are all elite talents with unparalleled strength. After seeing them today, they're only so-so."

"Our northern lands doesn't have such trash."

Just as everyone was discussing, a spatial fluctuation suddenly shook not far away.

Following that, a few black-robed men walked out.

These people stood in the air and looked coldly at Qin Yu and Jue Wu.

Qin Yu frowned slightly, having a bad premonition in his heart.

These people... When did they come? Why didn't they sense it?

And what did he mean by what he said just now?

"Where did this trash come from? He dares to call us the northern lands and humiliate us. This is a capital crime!" One of them said coldly.

Then, with a light tap of his finger, he directly shattered the heads of the black-clothed people from before!

Seeing this scene, everyone's hearts were filled with a trace of unease.

Qin Yu looked coldly at the black-robed men in front of him and said, "So that means that they are not your people?"

"Our northern lands does not have such trash," the black-robed man leading the group said coldly.

Qin Yu's eyes narrowed slightly. He could naturally sense that these people in front of him were much stronger.

"The northern lands really went to great lengths to capture me," Qin Yu said with a cold smile.

"Capture you?" The black-robed man who was leading the group shook his head. "Our purpose for this trip is not you, but Jue Wu!"

The moment these words were said, everyone present was shocked!

They had come from the northern lands to kill Jue Wu? !

"Yo, you scared the hell out of me," Jue Wu rolled her eyes and said.

"If you don't come to find me, I will come to find you!"

Before she could finish her words, Jue Wu rushed over with a Whoosh!

She reached out her small hand and gathered light in her palm. Then, she pressed it toward one of them!

However, the expected kill did not happen. On the contrary, the black-robed man's palm also emitted a dark light and caught Jue Wu!

Jue Wu frowned slightly and then stepped back.

She narrowed her eyes and sized up the people in front of her. She said, "It seems that you have come prepared. With such ability, you must not be a pawn of the northern lands."

"My name is Sima Bei and I am the person in charge of this operation. I have long heard of Jue Wu from the southern region," Sima Bei said coldly.

Jue Wu coldly laughed, "What Sima Dong? I've never heard of him."

Sima bei coldly looked at Jue Wu and said, "I've just seen so for myself your all creation smallpox. It's indeed a godly skill. If we were to start an all-out war, it would be extremely disadvantageous to our northern lands. Hence, we have to kill you in advance."

"Kill me? What big words." Jue Wu coldly laughed.

Sima bei looked at Jue Wu in front of him and said indifferently, "To tell you the truth, if it were a one-on-one, I might not be your match. However, there are eight of us and you only have yourself."

"There's still me." Qin Yu immediately stood out.

However, Jue Wu pushed Qin Yu away. She looked coldly at the few people in front of her and said, "This is my matter. With just the few of them, they can't do anything to me."

However, this time, Qin Yu was extremely stubborn. He looked at Jue Wu and said, "This is not just your business, but the entire South Province."

After hearing Qin Yu's words, Jue Wu could not help but be stunned. Then, she nodded and said, "Okay!"

"We... We will join too!"

The onlookers suddenly stood up!

"I will join too!"

"We can not let them do whatever they want in the north!"

All of a sudden, everyone who was watching chose to join this battle!

Seeing this scene, Qin Yu felt an indescribable feeling in his heart.

At this moment, he suddenly began to understand Xiao Hai.

"Then let us fight together," Qin Yu said coldly.

He looked at the few people in front of him, and his expression became even colder.

However, Sima Bei did not take it seriously at all.

He swept his gaze over everyone and said indifferently, "They're just a bunch of trash. So what if they join? To put it bluntly, you're still the one fighting. Absolute dance, it's useless. You can only die here today."

"What, do you really think that there's no one else in our South Province?"

At this moment, a voice came from not far away.

Turning his head, he saw that the person who came was actually Qu Zhu!

His body was already covered in blood, and he looked like a bloody person!

Seeing Qu Zhu rushing over, Sima Bei could not help but frown.

"Why are you here?" Sima Bei narrowed his eyes and asked.

Qu Zhu said indifferently, "Why, are you very surprised? Do you really think that those few good-for-nothings you sent over can kill me?"

"Speaking of which, it seems that the northern lands look down on me. After killing me, you only sent a few trash to deal with the top-notch martial artist. Quite a number of experts have come," qu Zhu said with some self-deprecation.

Chapter 1498: Chapter 1,498, the legend of the three madmen and three ultimate skills

Sima Bei's expression was extremely ugly when he saw Qu Zhu rushing over.

Even though his face was covered in a black robe, one could still feel the gloominess on his face.

"Looks like we've underestimated you." After a long while, Sima bei let out a long sigh.

Following that, he sneered, "Alright then, I'll get rid of both of you together."

Qu Zhu's internal Qi was obviously not that stable. Even though he had killed all the people of the northern lands, it was not that easy.

Therefore, his arrival did not cause Si Ma bei to be too afraid.

Jue Wu and Qu Zhu, two top-notch martial artist, were working together. This was a rare sight.

Qin Yu stood beside Jue Wu and looked coldly at the people in front of him.

Just now, he had not used the fighting word formula. In other words, Qin Yu still had a lot of room for improvement.

"Come, let me help you recover your internal Qi."

At this moment, Jue Wu suddenly ran behind Qu Zhu.

She raised her small hand and patted qu Zhu's back.

Streams of spiritual Qi surged into his body.

In a moment, qu Zhu's internal Qi slowly stabilized! The Spiritual Qi in his body also recovered rapidly!

Such a scene could not help but cause people to be greatly shocked!

Sima bei's expression became extremely unsightly. He glared angrily at Jue Wu, his heart filled with both anger and shock!

Just what kind of freak was this! How could his body have such dense spiritual power and could actually transmit spiritual Qi to others! !

Qin Yu could not help but swallow his saliva.

Although he had already seen so for myself on Mount Hua Ning, seeing such a scene still shocked Qin Yu greatly.

No wonder the northern lands wanted to get rid of so for myself first. Her existence was really too abnormal!

"How could such a monster be born between heaven and earth..." Qin Yu thought to himself.

Cultivation did not require hard work, and the spiritual Qi in his body could be said to be endless.

What kind of existence was this!

"No, I must get rid of Jue Wu as soon as possible, no matter what price I have to pay!" Sima bei became even more determined to kill Jue Wu!

The people around him began to move, and each of their bodies emitted a thick fog.

It had to be said that their actions were very similar to He Teng's.

If they were to join forces, it would be a good choice.

Qin Yu shook his head and quickly dispelled this thought.

If they were to join forces, it would be a disaster for Li Prefecture.

"Today, all of you will die here. Just the two of you won't be able to escape." Sima bei said coldly.

"What if I'm included?"

At this moment, another cold voice sounded.

Turning his head, he saw a tall figure walking over from not far away.

His footsteps were extremely steady, and every step he took seemed to shake the earth!

“Xiao Hai!”

Seeing this person, Sima bei was completely unable to remain calm!

Wasn't he at the northern border? Why would he suddenly come here! !

“It's Xiao Hai!”

Someone exclaimed!

“Three maniacs, three ultimate, and one legend. We actually gathered all of them today!”

Although the others didn't come, these three people were enough to rule the entire southern region! Perhaps even the heavenly cloud sect would be afraid!

“Big Brother Xiao Hai.” Qu Zhu greeted Xiao Hai.

Xiao Hai nodded slightly and then looked coldly at Sima Bei and the others in front of him.

“How dare you barge in here. “Xiao Hai's tone was extremely cold.

At this moment, Sima bei immediately had the intention to retreat.

The three of them working together was definitely not something that Sima bei and the others could contend against!

“Xiao Hai, why are you here?” Sima bei asked coldly.

Xiao Hai laughed loudly and said, “Do I have to tell you where I'm Going? !”

Sima bei gritted his teeth and was extremely furious in his heart!

His own plan had been completely disrupted.

“Today is your Lucky Day...” Sima Bei said coldly.

“But let me tell you, the northern lands will never give up. You better be careful...”

As they spoke, Sima Bei and the others began to disappear into the darkness.

“Where do you think you're going!” Jue Wu was furious. Just as she was about to give chase, she was stopped by Xiao Hai.

“There’s no need to give chase. We won’t be able to catch up.” Xiao Hai shook his head.

After hearing Xiao Hai’s words, Jue Wu finally gave up.

Sima bei and the others’ bodies slowly disappeared into the darkness. Very quickly, they disappeared without a trace.

“This bunch of bastards, they actually set their sights on us!” Jue Wu could not help but feel a little angry.

As someone who stood at the top-notch martial artist in the southern region, when had he ever been schemed against like this? !

Qu Zhu, who was standing at the side, said jokingly, “Alright, you should be content. The people who killed you were all top-notch martial artists from the northern lands. They were sent to look for me, and they weren’t even qualified.”

As he spoke, the few of them began to laugh.

Following that, Xiao Hai looked at the crowd, cupped his hands, and said, “Thank you all for saving us. We will definitely remember this favor.”

The surrounding crowd felt a little embarrassed, but they were also very grateful.

[It was not easy for such a big shot to be so humble.

“Big Brother Xiao Hai, aren’t you at the northern border?” Qu Zhu asked.

Xiao Hai waved his hand and said, “Let’s Find a place to sit first. Let’s chat slowly.”

“Okay!”

The group of people immediately planned to leave.

Qin Yu bent down and looked at the people who were preparing to ambush him. He frowned and said, “I wonder who they are.”

Jue Wu ran forward and tore off the masks on their faces, revealing one face after another.

“Zhu Qi?”

At this moment, Qu Zhu frowned slightly.

Qin Yu looked at Qu Zhu and said, “Big Brother Qu Zhu, do you know him?”

Qu Zhu grunted in gratitude and said, "This person was quite famous in the South Province back then. Later on, he went into seclusion. If I remember correctly, he should be a guest elder of the Tianyun sect now."

"Tianyun sect? !"A trace of anger flashed across Jue Wu's face.

Qin Yu's eyes couldn't help but narrow slightly.

"I didn't expect that he was sent by the Tianyun sect." Qin Yu took a deep breath.

It seemed that he had to put an end to the relationship between him and the Heavenly Cloud sect.

"At a time like this, the Heavenly Cloud sect is still haggling over personal grudges." Xiao Hai was also a little displeased.

"Let's go to the heavenly cloud sect and ask them clearly!" Jue Wu said with a sullen face.

Qin Yu waved his hand and said, "There's no need. This is a matter between me and the Heavenly Cloud sect. I will settle it myself."

"Settle it yourself, my ass! They've already done this to this extent. There's no need to give them any face," Jue Wu said angrily.

Qin Yu said in a deep voice, "Just as Big Brother Xiao Hai said, now is not the time to care about these things. As the peak of the southern region, all of you should be united against the outside world. "

"As for the Heavenly Cloud Sect's matter, I can handle it properly myself."

Qu Zhu, who was by the side, also nodded and said, "Qin Yu is right. If I go to the Heavenly Cloud sect, it will mean that the few of us will declare war against the Heavenly Cloud sect. The people of the northern lands would most likely want to see this scene."

Chapter 1499: Chapter 1499, heading to the northern border together

Qu Zhu's words were not without reason, and Jue Wu also calmed down.

She looked at Qin Yu and said, "Then how do you plan to deal with it?"

Qin Yu smiled and said, "Don't worry. If I really can't deal with it, I will definitely come and look for you."

Only then did Jue Wu Pat Qin Yu's shoulder in satisfaction.

After that, the group of people left the place. They came to a restaurant and sat down.

This Xiao Hai was also a man of character. He liked to drink wine and eat meat, so it was not strange for them to sit together.

"Big Brother Xiao Hai, how's the situation at the northern border now?" Qu Zhu asked.

When this topic was brought up, Xiao Hai could not help but fall silent.

A moment later, he sighed and said, "It's very bad. "The methods of the northern lands are even more terrifying than we imagined. If they want to step into the southern region, they don't need to be near the border at all. According to what I know, they have many teleportation formations, and these formations are extremely brilliant."

"So Powerful?" Jue Wu could not help but be a little surprised.

Teleportation formations were not easy to set up, and ordinary formations would require a great price.

"That's right. Due to the environmental problems, the ancestors of the northern lands had long made plans to leave the northern lands. Hence, there was a group of people who focused on researching teleportation formations."

Xiao Hai picked up the wine and emptied it in one go. He then continued, "The conditions of these formations are not harsh, but there are also restrictions. The restrictions are that they can not be too far away and can only reach our southern region."

"This is also the reason why the northern lands will target the southern region."

"The situation is not optimistic. I alone will not be able to stop them."

Hearing this, Jue Wu immediately raised her hand and said, "I will go too! We will set off tomorrow!"

Xiao Hai said with some surprise, "Are you serious?"

"Of course! They are riding on my head. How can I tolerate them!" Jue Wu said angrily.

After saying this, Jue Wu looked at Qin Yu and said, "I'll leave Mount Hua Ning to you. You have to watch it carefully!"

Qin Yu nodded repeatedly. With his current ability, he couldn't do much in the northern lands.

Moreover, the people of the northern lands would definitely not just invade the borders. Since they had a teleportation formation, it was very likely that they would appear in every corner.

“Qu Zhu, do you want to come along?” Jue Wu asked.

Qu Zhu laughed bitterly and said, “I’ll leave this matter of saving the people of the world to you guys.”

Seeing that Qu Zhu refused, Xiao Hai did not say anything and only nodded.

“Actually, to resist the northern lands, we still need the support of the Heavenly Cloud Sect.” At this moment, Qin Yu suddenly opened his mouth and said.

As the largest sect, it was impossible for the Heavenly Cloud sect to be in the outside world.

“That’s right.” Xiao Hai agreed. “But based on my understanding of the Heavenly Cloud sect, they won’t make a move unless it’s an all-out war.”

“This dog-faced sect master of the Heavenly Cloud sect has gone into seclusion, and now he has some dog-faced first elder to take charge of the Heavenly Cloud sect. That first elder is just a piece of trash, what can he do?” Jue Wu cursed.

Xiao Hai, who was by the side, could not help but laugh bitterly. He said, “There seems to be a reason why the sect master of the Heavenly Cloud sect can’t make a move.”

“What reason? Isn’t it to protect his sect?” Jue Wu said with some displeasure.

Xiao Hai was silent. A moment later, he sighed and said, “Maybe. The Heavenly Cloud sect is really important to him.”

The few of them did not ask further. After a meal, Xiao Hai wiped his mouth clean and stood up, saying, “Jue Wu, we will set off tomorrow. You Go back and prepare first.”

Jue Wu slapped the table and said, “Okay, no problem!”

Qu Zhu did not stay any longer and left immediately.

After the few of them left, Qin Yu, Jue Wu, and the others returned to Mount Hua Ning.

After this battle, Yongji’s reputation was quite damaged.

Almost everyone in the outside world was discussing this matter. What they were discussing was not only the strength of Qin Yu and Hua Zi, but also Jue Wu and Yongji.

“Although it was a great battle between Qin Yu and Hua Zi, in reality, what was reflected behind the scenes was the battle between Jue Wu and Yongji.”

“That’s right! Qin Yu defeated Hua Zi. This is enough to prove that Jue Wu’s technique is more brilliant than Yongji’s!”

“They’ve never fought before, but they’ve sent out their own juniors to fight side by side.”

For a moment, everyone was sighing with emotion. There were also people who began to analyze who was the strongest among the three ultimate three madmen.

...

Yongji city.

Hua Zi fell to the ground, his face as pale as death.

His Dao Heart had been destroyed, and he probably wouldn’t have any chance of improving in the future.

Looking at the half-dead hua zi on the ground, Yongji’s expression was very unsightly.

The Great Hall, which had always been peaceful, was silent today.

“Foster father, let me go and find that Qin Yu to settle the score! I’ll help you get back your face!” Someone volunteered.

Yong Ji shook his head and said in a deep voice, “There’s no need for that.”

His face had already been damaged. It would be very difficult to get it back.

“I underestimated Qin Yu’s ability.” Yong Ji took a deep breath, leaned back on the chair, and rubbed his temples.

“Foster father, are you going to let those people outside spout nonsense?”

“Yes! They all said that your strength is inferior to Jue Wu, it’s simply nonsense!”

“Foster father, you might as well get rid of Jue Wu!”

Yong Ji’s face was ashen, and his heart was filled with extreme anger.

Get Rid of Jue Wu? It wasn’t that simple.

If he could really get rid of her, he would have done it long ago, why wait until now.

“Alright, you guys can leave first.”Yong Ji waved his hand in annoyance.

No one dared to say anything else. They all bowed and left.

After they left, Yong Ji sat there and pondered for a long time.

His mind was in a mess and he couldn't think of any solutions.

At this moment, a black-robed man suddenly appeared in front of Yong Ji.

“Mister Yong Ji.”The black-robed man cupped his hands.

Yong Ji coldly glanced at the black-robed man and said, “What are you doing here again? !”

The black-robed man smiled and said, “I'm here to tell you a piece of good news.”

“What good news can you have?”Yong Ji said coldly.

The black-robed man said calmly, “I just received an accurate piece of news. Absolute dance is going to the northern border.”

“So?”Yong Ji's expression turned cold. “Don't tell me you want me to make trouble for absolute dance again?”

“Of course not.”The black-robed man shook his head.

“Absolute dance left Mount Hua Ning, but Qin Yu stayed behind. In other words, you can bypass absolute dance and kill Qin Yu.”

When he said this, Yong Ji's eyes immediately narrowed.

This was a good opportunity.

If there was no Jue Wu, Qin Yu alone was nothing!

“Is your information accurate?”Yong Ji looked at the black-robed man.

The black-robed man smiled and said, “It's absolutely true. I'm not lying at all.”

Yong Ji narrowed his eyes and did not speak for a long time.

A moment later, he said with a cold face, “Alright, Alright. Then I'll make a trip to Mount Hua Ning!”

The black-robed man heard this and quickly said, "Then I'll wait for Mr. Yong Ji's good news."

After saying that, the black-robed man did not stay any longer and immediately left the place.

Chapter 1500: Chapter 1,500, scheming against each other

At this moment, in the Heavenly Cloud Sect, the first elder's expression was extremely unsightly.

"The matter has been exposed." The first Elder's face was as dark as water.

At this moment, Di Zun walked out from the darkness.

He stood beside the first elder and said, "First Elder, why must we fight to the death with Qin Yu? Shouldn't we set our sights on the border now?"

First Elder glanced at Di zun and then snorted, "To resist the foreign forces, you must first settle the internal affairs. If I don't kill him, he will definitely come to me in the future."

Di zun hurriedly said, "I can act as a middleman and negotiate for you!"

"Negotiate?" First elder sneered, "Di Zun, you are too naive. He will definitely not let me off."

Di Zun patted his chest and said, "First Elder, believe me. I will be the middleman. I will be able to settle this matter!"

First Elder opened his mouth and was about to say something when another thought suddenly appeared in his mind.

First Elder narrowed his eyes. After a moment, he put on a smile and looked at Di Zun.

"Di Zun, actually, I don't want to be in a stalemate with him. If there's a chance, I'm willing to negotiate with him." First Elder pretended to sigh.

Di zun immediately said, "First Elder, are you telling the truth?"

"Absolutely!" First Elder patted his chest and said.

Di zun hurriedly said, "First elder, leave this matter to me. I'll go find him!"

First Elder said in a deep voice, "Are you sure that Qin Yu will listen to You?"

"I'm confident!" Di Zun hurriedly said.

First Elder sighed slightly and said, "Good! Then I'll leave this matter to you. As long as you can persuade him, I'm willing to meet him and have a talk."

Di Zun immediately said, "Good. First Elder, don't worry. I'll set off for Mount Hua Ning now!"

Not long after, Di Zun left the Heavenly Cloud sect and went to Mount Hua Ning to look for Qin Yu.

First Elder looked at Di Zun's back and could not help but sneer.

"You're still too young after all," first elder sneered.

At this moment, the deputy sect master walked over from the side.

"You plan to use this opportunity to get rid of Qin Yu?" The deputy sect master asked.

First Elder said indifferently, "Not only to get rid of Qin Yu, I also want to drive a wedge between Di Zun and Qin Yu."

The deputy sect master opened his mouth as if he wanted to say something, but in the end, he did not say anything.

"Immediately gather the eighteen gods. This time, we must kill him no matter what!" First Elder said coldly.

Other than the eighteen gods, first elder also decided to personally bring the virtual entity to kill Qin Yu!

With two levels of protection, even if Qin Yu had great abilities, he would not be able to escape!

...

Mount Hua Ning.

After Jue Wu left, this place became Qin Yu's cultivation ground.

As for Wen Da and Wen Er, they drank and enjoyed themselves every day.

Even Jue Wu's two attendants had been corrupted by Wen Da and Wen Er.

"It's a pity that Jue Wu left," Qin Yu thought to himself.

Right now, Qin Yu was extremely secretive about the information regarding the South Prefecture. Most of it was because of Jue Wu.

Without Jue Wu, Qin Yu planned to look for Zhuo Jing and get him to scout out the news. He wanted to find a big graves to cultivate and strive to step into the mighty realm in one fell swoop.

Just as Qin Yu was about to leave, he suddenly felt that someone was approaching. Furthermore, the aura of the person was not weak. Qin Yu's internal Qi was not weak.

Qin Yu's eyes narrowed slightly. He immediately activated his desolate divine eyes and looked into the distance.

"Eh? Di Zun?" Qin Yu was stunned. He was immediately shocked!

Why did he come here?

Qin Yu did not think too much and immediately walked out quickly.

In a short while, Di Zun arrived in front of Qin Yu.

"Master."

After seeing Qin Yu, Di Zun quickly walked forward.

Qin Yu smiled and said, "Why did you come here? How could the first elder bear to let you leave?"

Di zun sighed and said, "Master, I came here this time... to be a lobbyist."

"Lobbyist? What do you mean?" Qin Yu frowned slightly.

Di Zun said in a deep voice, "Now that the people of the northern land have entered the South Province and all the ambitious people have gone to the border, I think that you and the Tianyun sect should unite against the outside world for the time being and not waste too much energy on each other."

Hearing this, Qin Yu narrowed his eyes and said, "Do you want me to forgive the first elder?"

"No." Di Zun shook his head and said, "He killed Zhen Yue. Even I won't forgive him, let alone you."

Qin Yu heaved a sigh of relief.

Fortunately, this kid didn't lose his conscience.

"We should fight side by side now. After we solve the problem in the northern land, we'll settle the personal grudges between the two of you," Di Zun said in a deep voice.

Qin Yu sneered and said, "You think the first elder will let me go? A few days ago, he sent someone to kill me."

Di zun hurriedly said, "Master, the first elder sent me here. He also wants to talk to you."

"He sent you here?" Qin Yu couldn't help but sneer.

With the first elder's temperament, how could he think so far ahead?

If he really wanted to do so, he wouldn't have sent people to kill him a few days ago.

"Really!" Di Zun patted his chest and said.

"Master, believe me. The invasion of the northern land is so serious now. As the number one sect in the southern region, he naturally bears the brunt of it. Right now, he hopes that you can unite against the outside world," Di Zun said earnestly.

Qin Yu was silent for a moment, and then asked, "Then what do you want me to do?"

Di Zun was immediately overjoyed when he heard that. He hurriedly said, "I'll pick a place and you guys can talk about it in person. How about it?"

"Sure." Qin Yu nodded slightly and said, "But I have a condition."

Di Zun nodded repeatedly and said, "No problem! Ten conditions are fine!"

Qin Yu said in a deep voice, "I'll pick the place and the time."

"No Problem!" Di Zun said hurriedly.

"Master, I'll go back and inform the first elder!"

"Wait." Qin Yu stopped di zun and said, "Go back and tell him that we'll meet in Yin Palace in ten days."

"Okay!" Di Zun nodded.

He didn't stay any longer and left immediately.

After he had gone far away, Wen Dajin came forward and muttered, "Qin Yu, do you really believe him? This kid might have been sent by the first elder to lie to you."

“That’s right, that’s right. With the first Elder’s character, he would definitely take the opportunity to make a move on you,”Wen er added.

Qin Yu shook his head and said, “Di Zun wouldn’t do that, but... he might have been deceived by the first elder.”

“Then why did you agree to him?”Wen da frowned.

Qin Yu sneered, “Since I dared to agree to him, I naturally have a countermeasure. Don’t worry.”

Then, Qin Yu looked at Wen Da and Wen er and said, “The two of you stay here and don’t go anywhere. I’ll go to Yin Palace now.”

“You really want to go?”Wen da frowned.

Qin Yu sneered and said, “There will be an end between us sooner or later. He wants to take the opportunity to kill me, and I also want to take the opportunity to kill him!”
