

# MY RICH WIFE

## 1951 The Time Was Up

In that case, it would save him a lot of trouble. At least he didn't have to worry about the third princess.

"You should release them. I don't like this," Qin Yu said tentatively.

The third princess hesitated for a while, then waved her hand and said, "Let them go!"

The cultivators who were kneeling on the ground got up quickly. They looked at the third princess and bowed. "Thank you, Third Princess. Thank you, Third Princess..."

!!

"Don't thank me, thank Brother," the third princess said.

The group of people quickly looked at Qin Yu and said, "Thank you, Senior. Thank you, Senior..."

After doing this, the third princess looked at Qin Yu with anticipation. Her eyes were shining brightly, and her face was full of excitement.

"I'm going to cultivate here. You go back to your palace first," Qin Yu said.

"Ah? Cultivate here? This is Xihuang Island, and spiritual energy is thin. Why don't I pick a place for you? It can be any place in the Yan family," the third princess said, patting her chest.

Qin Yu couldn't explain to the third princess. He frowned and said, "No need. I like this place. Please don't disturb me for the time being, Third Princess."

Although the third princess was somewhat reluctant, she agreed obediently and said, "Alright. Then you... come to look for me when you're done."

"Alright," Qin Yu agreed and said, but sneered in his heart.

"To look for you? When I'm done with my cultivation, I'll run away. Who's going to see you?" Qin Yu thought to himself.

The third princess left Xihuang Island with a group of people. After they left, the cultivators just now quickly walked to Qin Yu.

These people all had one thing in common, which was they looked average. Obviously, the third princess was obsessed with looks.

“Thank you very much, Senior,” the cultivators bowed to Qin Yu and said.

Qin Yu frowned, puzzled, and said, “I’m not quite sure why the third princess is so polite to me.”

“It’s not polite. The third princess likes good-looking men,” a cultivator sighed and said.

“That’s right. Rumor has it that the third princess is infatuated with Yao Xi and does everything he says. The Yan family even tried to matchmake them but was declined by Yao Xi”.

Qin Yu suddenly understood.

It was just as he had thought. The third princess purely had some psychological problems.

“With Senior’s look, you will have a good life on Xihuang Island,” a cultivator sighed and said.

Qin Yu remained silent and did not answer.

Subsequently, they exchanged a few more words. Seeing Qin Yu not keen to answer, they stopped bothering him and walked toward the borders of Xihuang Island.

Qin Yu didn’t dare to waste time. After all, this face could only last for a month.

Furthermore, if the other members of the Yan family noticed anything, it would be troublesome.

If Uncle Yan could see through Qin Yu’s identity, others in the Yan family could do the same.

After that, he sat cross-legged and began to absorb the dark energy of Xihuang Island.

The dark energy on Xihunag Island was extremely terrifying. Even Qin Yu felt chill all over.

For ordinary cultivators, this environment was simply hell on earth.

...

At the other end, the Si family had been waiting in Sky City for a long time. They still didn’t see Qin Yu leaving the city.

“That’s strange. Is Qin Yu really going to hide in Sky City?” Si Shifeng murmured.

After resting for several days, his body recovered well. Although he was not at his peak condition, it would not be a big problem for him to deal with Qin Yu.

“Could it be that he had found an opportunity to escape?” someone said.

Following that, everyone looked at Si Shiyue.

At this moment, Si Shiyue was drinking tea. He seemed to have comprehended something after the temple fair.

“Go to the Great Xia Royal Family and have them investigate,” Si Shiyue said indifferently.

The person by the side immediately bowed and said, “Yes.”

After that, Si Shiyue got up and looked at Si Shifeng, saying, “You stay here. I should go back now.”

Si Shifeng didn’t dare to hold Si Shiyue back. He quickly nodded and said, “Alright, Brother Yue. You go back first. Leave Qin Yu to me. Don’t worry. I’ll bring his body back in a few days.”

“Mmm,” Si Shiyue responded. He didn’t say anything else and left immediately.

After a few days of investigation, neither Great Xia Royal Family could find any trace of Qin Yu.

This made Si Shifeng feel uneasy.

They were very strict with their inspections and could quickly detect Qin Yu’s internal qi relying on their powerful divine sense.

Since they couldn’t find him, it would mean Qin Yu had left Sky City.

“Strange, how did this kid get out?” Si Shifeng took a deep breath and said in a low voice.

“Young Master Feng, what should we do now?” someone by the side asked.

After remaining silent for a while, Si Shifeng said, “Send people to investigate. No matter what, we must find traces of Qin Yu.”

“Yes!”

...

On Xihuang Island.

Eight days were gone in the blink of an eye. Qin Yu had no signs of stopping his absorption of dark energy.

After all, the speed of dark energy was not as fast as dragon blood. Based on Qin Yu's prediction, it would probably take half a month.

...

During these eight days, the third princess came to Xihuang Island to visit Qin Yu every now and then. She was helpless each time she saw Qin Yu with his eyes closed. She could only secretly watch from the side.

"So good-looking!" the third princess said with infatuation on her face.

"Third Princess, do we need to wake him up?" someone by her side asked.

The third princess shook her head and said, "No. Let's wait for him. We have plenty of time."

Then the third princess looked at the person beside her and said, "You guys, seal off Xihuang Island. Don't let him get away. I want to make him my toy."

"Yes." Several Semi-Saints didn't dare to say much. They immediately activated their secret techniques and sealed off the entire Xihuang Island.

Qin Yu, in closed-door cultivation, was completely unaware of this. He greedily absorbed the dark energy. Although he was extremely fast, his body was like a bottomless pit that could not stop absorbing.

In the blink of an eye, half a month passed by. However, Qin Yu's cultivation showed no signs of stopping.

Obviously, Qin Yu had overestimated himself. Half a month was not enough.

However, since he was already here, Qin Yu had no other choice but to speed up continuously.

Qin Yu did not have much time left. His look could only last for ten days at most. It meant he would expose his identity if he could not break through in ten days.

...

By then, not only would he offend the third princess, but he would also offend the Yan family.

Qin Yu could not feel the passing of time at all during his closed-door cultivation. Although he was somewhat anxious, he had no idea how much time had passed.

Soon, it was the last day of the one-month deadline.

That night, Qin Yu finally felt the signs of a breakthrough, but at the same time, the time was up.

1952 I Don't Give a Damn!

Qin Yu opened his eyes. He could feel he was about to break through, so he stood up immediately.

He came to the side of a cultivator and said anxiously, "How long has it been since I came to Xihuang Island?"

However, the cultivator looked at Qin Yu suspiciously and muttered, "Who are you, and why have I never seen you before?"

As soon as he said that, Qin Yu's heart thumped.

D\*mn! Something had happened!

He touched his face, and as expected, his face had changed back!

"No, I have to leave this place as soon as possible," Qin Yu thought.

He didn't have time to think and quickly ran toward the border of Xihuang Island.

However, when he arrived at the entrance of Xihuang Island, he found out the surrounding had been sealed off.

Rays of light hovered in the surroundings encircling the entire Xihunag Island.

Qin Yu's expression changed drastically, and he clenched his fist and punched toward the light!

"Boom!"

As his fist smashed down, the barrier of the entire Xihuang Island instantly trembled slightly, but there was no sign of breaking!

After all, it was the joint effort of several Semi-Saints who had set up this secret technique. It was not something Qin Yu could break!

"D\*mn..." Qin Yu's expression was extremely unsightly, for he had never expected the time to pass so quickly!

Qin Yu's punch failed to break the barrier, but it alerted the third princess.

Leading the crowd, the third princess rushed toward Xihuang Island.

Sensing the third princess's internal qi, Qin Yu panicked. He had no way out and could only brace himself and turn his back to the third princess.

Soon the third princess and several Semi-Saints came to Qin Yu's back.

"Brother, where are you going?" the third Princess asked.

Qin Yu gritted his teeth and said, "I'm leaving Xihuang Island. I have things to do. I'll come back to look for you when I'm done."

However, with a frivolous look, the third princess said with a smile, "Brother, don't leave and stay in my palace."

"No, I've said that I have to leave. Tell them to remove the technique!" Qin Yu said anxiously.

The third princess kept shaking her head and said, "I won't let you go. You can't leave today and in the future. You have to accompany me here forever."

"I've already said no!" Qin Yu was so anxious that he was sweating profusely. If she found out, it would be troublesome!

"Isn't it good to stay here? There are food and drink, and you'll be taken care of. I can even send you divine pills to help your cultivation." The third princess was walking closer and closer.

Qin Yu gritted his teeth and said, "I've said no! I must leave!"

The third princess sighed and said, "You men are indeed unreliable. In that case, I can only force you to stay."

Then the third princess walked toward Qin Yu.

Without thinking further, Qin Yu quickly covered his face.

His action instantly angered the third princess. She said with great displeasure, "Why are you not looking at me?"

"I... My face is not well." Qin Yu casually made up an excuse.

"Brother, you should take your hand off." Although the third princess sounded calm, there was a hint of threat.

The Semi-Saints also quickly walked over, ready to attack at any time.

Qin Yu was tremendously anxious. He was already at a dead end and had nowhere to hide.

"Forget it. I think I'm not that bad looking. Perhaps I can charm the third princess," Qin Yu thought to himself.

Then Qin Yu bit the bullet and took his hand off, revealing his true look. He even made an expression that he thought he was quite handsome.

Seeing Qin Yu's face, the third princess was stunned at first, and then a trace of anger appeared on her face.

"Who are you, and why are you here?" The third princess said coldly.

"Third Princess, I'm your Brother," Qin Yu said with a smile.

"F\*cking Brother! You're f\*cking courting death!" The third princess was furious, and a terrifying internal qi burst out of her body!

At the same time, the Semi-Saints quickly moved forward and pressed Qin Yu down!

"With such a look, you called yourself Brother? You f\*cking Brother!" The third princess cursed and kept slapping Qin Yu's face.

Under the restraint of several Semi-Saints, Qin Yu could not resist at all. He could only let the third princess slap her face.

Although the third princess was not strong, she was not weak either. Soon after several slaps, blood flowed out of the corner of Qin Yu's mouth.

"D\*mn it! I'm not ugly!" Qin Yu cursed in his heart!

Although he wasn't handsome, he was at least pleasant to look at! How did he make the third princess so angry?

"Tell me! Who are you, and why did you come to Xihuang Island?" the third princess said coldly after venting her anger.

Qin Yu opened his mouth but not knowing how to answer.

"Third Princess, it's better to report this matter to the Holy Lord," a Semi-Saint by the third princess's side said.

Qin Yu's expression changed drastically, and he quickly said, "Misunderstanding, it's all a misunderstanding. I'll go now!"

The third princess said coldly, "That's too easy for him then! I'm going to keep him on Xihunag Island and make him a slave!"

"Third Princess, this man has changed his look and sneaked into Xihuang Island. I'm afraid he has some evil intentions. If he is a spy sent by some aristocratic families, it will be troublesome. It's better to hand him over to Holy Lord," the Semi-Saint continued saying.

Qin Yu's face was extremely ugly. He thought hard but couldn't find a way to break out of this situation.

...

“Okay,” the third princess said after remaining silent for a while. “But with a condition. After your investigation, bring him back to me immediately!”

“Third Princess, don’t worry,” the Semi-Saint quickly said.

“Leave him to me.”

At this moment, a voice was heard.

The person was none other than Uncle Yan.

With a smile on his face, Uncle Yan walked up to Qin Yu step by step.

“You again!” The third princess looked extremely displeased.

Uncle Yan bowed slightly and said, “Third Princess. I know this man. I was the one who sent him to Xihuang Island. He is not a villain, but an old friend of mine.”

“I don’t care about that,” the third princess snorted cold and said. “He changed his look to deceive me. I will never let him off!”

Uncle Yan’s brows slightly furrowed, but he immediately smiled and said, “Third Princess, please let him go for the sake of me.”

“For the sake of you? My a\*s! I said no means no! He must stay, I won’t give a damn about anyone!” the third princess shouted.

...

With that, the Semi-Saints by her side stepped forward and blocked Uncle Yan.

Uncle Yan’s brows furrowed even more. He knew the third princess’s temper well. If she didn’t let him go, no one could do anything.

“Third Princess, how about this? I’ll find you another handsome man and send him to Xihuang island. What do you think?” Uncle Yan asked tentatively.

1953 Si Shifeng, I’m Coming!

Seeing Uncle Yan being prudent and serious, Qin Yu suddenly had a very bad feeling.

It was not good news to be kept on Xihuang Island by the third princess or to be exposed to the Yan family.

The third princess looked at Uncle Yan and couldn’t help but sneer. “You wish! Unless you bring Yao Xi to me, I will not agree to anything else!”

Uncle Yan was silent. For a moment, he didn’t seem to know what to do.

!!

The woman in front of him was the third princess, after all. No matter how powerful Uncle Yan was, he would not dare to do anything to her.

“Third Princess, is there really no room for negotiation?” Uncle Yan asked in a deep voice.

“No, absolutely not!” the third princess snorted coldly and said.

Before she could finish her words, another person appeared on Xihuanf Island.

This person was none other than Yan Ruoxue.

Yan Ruoxue’s appearance immediately caused the expressions of everyone on Xihuang Island to change. Even Uncle Yan also frowned.

If they somewhat feared Uncle Yan, they would not dare to be presumptuous in front of Yan Ruoxue.

“What are you doing here?” the third princess said unhappily.

Yan Ruoxue was not angry. She smiled and said, “Third Princess, I have to take this person with me. He’s of use to me. How about this? Didn’t you want to see Yao Xi? I can take you to see him. How about that?”

Hearing this, the third princess’s eyes brightened, but soon she came to her senses.

The third Princess was only evil, but she was not stupid.

Therefore, the third princess snorted and said, “You can take him away, but you must bring Yao Xi to me first. Otherwise, there’s no room for negotiation!”

“I’ve said that this person is very important to me. I must take him away,” Yan Ruoxue frowned and said.

“What does it have to do with me if he’s important to you?” The third princess did not seem to care.

Finally, Yan Ruoxue lost her patience.

She looked at Uncle Yan and coldly said, “You take him away from Xihuang Island. I want to see who dares to stop you.”

Upon hearing Yan Ruoxue’s words, Uncle Yan could not help but frown.

He opened his mouth and wanted to say something but was stopped by Yan Ruoxue’s gaze.

Uncle Yan had no choice but to follow the order.

With Yan Ruoxue's order, Uncle Yan naturally had nothing to worry about.

"Yes, I'll take him away now," he immediately nodded and said.

"Don't you dare!" the third princess was immediately enraged and scolded.

"What are you guys doing? Stop him!"

Everyone looked at each other.

If Yan Ruoxue didn't turn up, they would dare to challenge Uncle Yan. They weren't his match, but at least to put on a good show.

But now that Yan Ruoxue was here, who would dare to take action?

"I told you to stop him. Did you hear me?" The third princess was furious.

"Third Princess, please don't make things difficult for them. With their abilities, I'm afraid they can't stop me." Uncle Yan sneered and said.

After saying that, Uncle Yan turned around and left with Qin Yu.

No matter how angry the third princess was, she could not do anything to Uncle Yan.

Bringing Qin Yu along, Uncle Yan left the Yan family and went straight to the teleportation station that was far away.

Uncle Yan's expression was tremendously cold when they arrived at the teleportation station.

He looked at Qin Yu in front of him and said coldly, "Do you know how much trouble you've caused for Miss Yan?"

Qin Yu also felt very uncomfortable. He smiled bitterly and said, "I didn't expect it to drag on for so long. Will Ruoxue be in any trouble?"

"What do you think?" Uncle Yan berated, then said coldly, "I'm telling you, this is one last time! If it ever happens again, I'll kill you even if I were to be punished! Hurry up and get lost!"

Qin Yu sighed. Even though he was very worried, there was nothing he could do.

After sending Qin Yu off, Uncle Yan returned to Xihuang Island.

Of course, no matter how bold the third princess was, she wouldn't dare to do anything to Yan Ruoxue. Therefore, Uncle Yan wasn't too worried. He was only afraid that the Yan family would question him.

At the other end, Qin Yu returned from the teleportation station to the vicinity of Sky City.

He wasn't in a hurry to look for Si Shifeng. Instead, he found a hidden area and spent three days there before he entered the middle stage of the Reversion Void successfully.

After he entered the middle stage of the Reversion Void, Qin Yu's power skyrocketed!

The sons of all the great aristocratic families were only in the middle stage of the Reversion Void. Other than Si Shiyue and a few others, Qin Yu was not afraid of anyone.

Feeling the vast power in his body, he had anticipation in his heart.

"Even if I don't have many techniques, it's still a piece of cake for me to deal with Si Shifeng," Qin Yu thought to himself.

He had initially wanted to comprehend the technique before fighting Si Shifeng. Unfortunately, Qin Yu's wishful thinking failed.

The Si family had carried out a thorough search of the area around Sky City.

With the help of secret treasure and powerful divine sense, Qin Yu had nowhere to hide.

Just as Qin Yu was sitting cross-legged, several internal qi surrounded him.

Shortly after, the void in front of him trembled, and several people wearing the Si family's robes walked out.

"Qin Yu?"

The leader was a somewhat muscular man. Judging from his clothes, his status in the Si family should not be low.

...

Qin Yu got up and said, "That's right. Where's Si Shifeng? I've been here waiting for him for a long time. Why didn't he come out? Is he afraid of me?"

When everyone heard this, they were stunned for a moment, and then a trace of anger appeared on their faces.

This Qin Yu actually turned the tables!

"You, sharp-tongued b\*stard! You're hiding in such a secluded place, and you dare to say Young Master Feng is afraid?" The man in the lead said coldly.

Qin Yu laughed and said, "Bullsh\*t! He only mentioned outside Sky City, and he didn't say I couldn't be here. Why the hell are you putting on so much show? If I wanted to run, what am I still doing here? Is your brain filled with sh\*t?"

"You're courting death!" When the burly man heard this, he was furious and instantly clenched his fist!

Qin Yu did not dodge but sneered and said, "What? You're afraid that Si Shifeng can't beat me, so you want to attack me first?"

"You!" The burly man was trembling with anger, but he couldn't do anything to Qin Yu.

"Come back to Sky City with me now!" he said, pointing at Qin Yu.

"Go back your a\*s! Don't you know that you can't fight in Sky City? I'll wait for him at the city walls of Sky City!" Qin Yu snorted coldly.

After saying this, Qin Yu got up and left.

...

His pace wasn't fast. Soon the Si family members caught up to him.

"Send someone back to inform Young Master Feng," the burly man said.

"I advise you not to. If you send someone back to Sky City, I'm afraid the rest can't stop me. If I run away, where are you going to find me?" Qin Yu said sarcastically.

The burly man's face turned somewhat ugly. He knew that Qin Yu was not weak, but no one was sure of his abilities.

1954 Distraught Si Shifeng

There was nothing that they could do, so a few of them could only follow him.

If Qin Yu took the opportunity to escape, it would do more harm than good to them.

Along the way, Qin Yu put his hands behind his back and hummed a little tune as if he was taking a stroll in the courtyard. He did not take them seriously in the slightest.

Being so relaxed and at ease made a few of them extremely unhappy.

"You're going to die soon, but you're still so relaxed. I'd like to see how long you can last," a few of them sneered and said.

Qin Yu laughed and said, "There's no need for you to worry about that. You'd better think about how Si Shifeng is going to restore his reputation after he loses."

"Young Master Feng will lose? Young Master Feng is..."

"Alright, stop bragging," Qin Yu quickly interrupted them.

Although these people were angry, they couldn't do anything to Qin Yu.

Soon, the group arrived at the foot of Sky City.

Qin Yu stopped at the foot of the city tower.

"Let's go! Why are you standing here?" The burly man berated.

Qin Yu glanced at him and said, "Is there anything wrong with your brain? It wasn't easy for you to find me outside Sky City, and now you want me to go back? If I go back and don't come out, won't you guys be at a loss?"

The burly man was stunned for a moment and seemed to think what Qin Yu said made sense.

"Then I'm warning you. You'd better not leave. I'm going to look for Young Master Feng now," the burly man pointed at Qin Yu and said.

"I'll take care of it," Qin Yu waved his hand and said. "You don't have to trouble yourself. Let me do it."

After saying that, Qin Yu took out the man with the mustache's loudspeaker.

He held the loudspeaker in his hand, cleared his throat, and shouted toward Sky City, "Si Shifeng! I've been waiting for you outside Sky City for a long time. Why didn't you dare to show up? Are you afraid of me, Qin Yu?"

This shout instantly startled the entire Sky City!

Everyone's expression changed as they stood up and looked into the distance.

"Did you guys hear that? Did you hear something just now?"

"Yes, I heard it. It seems to be Qin Yu! He seems to be making a scene outside Sky City!"

"What? He's outside Sky City? Didn't they say Qin Yu had been hiding in Sky City and didn't dare to leave?"

At this moment, Qin Yu, under the city wall, continued to shout, "Si Shifeng! How long are you going to hide? What's the point of hiding in Sky City every day? If you're afraid, say it directly!"

Upon hearing this, there was an uproar in Sky City instantly!

“What? It was actually Si Shifeng who didn’t dare to leave Sky City? Didn’t Si Shifeng claim that Qin Yu didn’t dare to show up? Are we all tricked by him?”

“Whether it’s true or not, we’ll know once we take a look outside the city!”

The group of people hurried out of the city. Even the Prince of Great Xia was startled by Qin Yu’s voice.

“Your highness, should we go and take a look?” a servant beside him said.

“Cough! Cough...” The Prince coughed weakly and then said, “Help me over to take a look.”

When Si Shifeng, sitting in the teahouse and comprehending dao, heard Qin Yu’s clamor, his expression turned extremely ugly.

He looked around and saw everyone seem to be pointing at him. This instantly made Si Shifeng burn with anger.

He had announced in Sky City that Qin Yu did not dare to show up! In the end, it turned out he was the one who was afraid!

“This bunch of trash!” Si Shifeng gritted his teeth. “With so many people guarding him, he could still escape!”

Fortunately, Qin Yu hadn’t left yet, or at least he hadn’t escaped.

Si Shifeng coldly swept his eyes at the surroundings before getting up and quickly rushing out of the city.

Outside the city wall, Qin Yu kept shouting through the loudspeaker.

His voice not only spread throughout Sky City but even in the nearby cities.

Instantly, numerous people rushed to the vicinity. They stayed very far away, secretly watching.

“Shut the f\*ck up!” the burly man scolded.

However, Qin Yu did not listen to him. Not only did he not intend to stop, but she also shouted even louder.

Just as the burly man was about to snatch the loudspeaker away by force, Si Shifeng finally appeared at the city gate.

He walked toward Qin Yu step by step, and the coldness and anger on his face were clearly seen.

Seeing Si Shifeng’s figure, Qin Yu grinned.

He put away the loudspeaker and said with a smile, "Si Shifeng, you finally f\*cking dare to come out now! Do you know how long I've been waiting for you? It had been more than a month! I thought you didn't dare to come out!"

Si Shifeng gritted his teeth and said, "Don't talk nonsense! You're the one who's hiding!"

"I hide your a\*s! Didn't we agree on three days? Why are you still in Sky City after three days, and I'm outside the city?" Qin Yu said with a smile.

Si Shifeng knew he couldn't win against Qin Yu in an argument, so he stop arguing with him. He only said coldly, "Enough with the nonsense. I've been waiting for you for a long time."

"Yes, I've indeed been waiting for you for a long time." Qin Yu sighed.

After putting away the loudspeaker, he put his hands behind his back and said, "Although this battle has been delayed for a long time because of you, Young Master Feng, it is a good thing that we did not disappoint everyone. You have finally come out. It is not too embarrassing, isn't it?"

"You shut up!" Si Shifeng was enraged, and an extremely strong killing intent burst out from his body.

Seeing Si Shifeng enraged, Qin Yu grinned and said, "Tsk! Tsk! I was right. You're angry from embarrassment, aren't you?"

"Don't f\*cking talk nonsense. Just make your move! Si Shifeng knew that the more he spoke, the more he couldn't clear his name. Thus he immediately stepped forward.

"Hold on!" At this moment, Qin Yu hurriedly reached out to stop him.

...

"What? Are you afraid?" Si Shifeng asked coldly. "If you're afraid, kneel on the ground and worship me three times. I might consider sparing you."

"No! No! No!" Qin Yu waved her hands. "It's boring to fight like this. We should at least put some stakes on the table, right?"

"Stakes? What stakes?" Si Shifeng's eyebrows furrowed slightly.

"Chang Mang..." Qin Yu sneered and said. "He's in your hands, isn't he?"

Si Shifeng didn't hide anything. He sneered and said, "That's right. He is in the Skywater Prison now. How is it?"

"Alright." Qin Yu's voice was cold.

He took a deep breath and continued, "If I win, ask your Holy Lord to release Chang Mang."

"Hahaha!" Si Shifeng instantly started laughing heartily.

"That Chang Mang has probably already died. Let him go? Are you dreaming? Besides, do you think you have a chance to beat me?" Si Shifeng shouted.

"You don't have to worry about that," Qin Yu said with a cold face. "I just want to know if you agree or not."

Si Shifeng placed his hands behind his back and said with a smile, "I can promise you, but you can't win at all."

...

"Let's try it out then." Qin Yu's voice became even colder, and his expression grew more serious.

"What if you lose?" At this moment, Si Shifeng suddenly asked.

"If I ever lose, I'm afraid I won't be able to escape death," Qin Yu said coldly.

"Why are you talking nonsense?"

1955 The Duel of Secret Technique

Si Shifeng narrowed his eyes and sneered, "So you actually know that you're going to die? Why did you still dare to come then?"

Qin Yu glanced around, then said with a smile, "If you lose, won't you die too?"

"Will I lose?"

With a roar, an extremely terrifying and powerful force instantly exploded from his body!

!!

This force formed an incredibly terrifying storm that swept out in all directions with Si Shifeng in the center!

It was as though a hurricane at the scene and implicated everyone. The terrifying pressure made everyone's heart tremble.

"Is this Si Shifeng's strength? It's truly terrifying!" someone exclaimed.

"As expected of the Si family's heir. Even the experts of the old generation have to be wary of his internal qi!"

On the city wall, the Prince of Great Xia was also shocked.

The people in the surroundings stood in front of the prince to protect him. They were afraid that he would be implicated as he was so weak.

“As expected, Si Shifeng has some ability,” the Prince of Great Xia cried out in shock.

Someone beside him nodded and said, “That’s right. Although he’s not as good as the Si Shiyue of the Si family, he’s still considered top-notch.”

“Look at Qin Yu. He’s actually not affected at all!” At this moment, someone noticed something.

Qin Yu was very close to Si Shifeng, but the collision of the forces did not shock him.

He stood there without moving like a pine tree and looked extremely calm.

Si Shifeng looked at Qin Yu coldly and said, “Qin Yu, you’re going to pay for what you’ve done!”

After saying this, he suddenly raised his hands, and a circular icy halo appeared in his palms.

The halo hovered on his palm, containing an extremely destructive power!

“Go and die!” After Si Shifeng shouted, his palm ruthlessly slapped Qin Yu!  
“Boom!”

The ground underneath Qin Yu’s feet suddenly exploded, and the smoke and dust blocked his vision, causing everyone unable to see.

The surrounding people were all pushed back. In the aftermath of this internal qi, their faces turned ashen!

“What a terrifying Si Shifeng!”

“I’m afraid Qin Yu is dead under this strike!”

“No, Qin Yu’s internal qi is still around!”

The smoke and dust dispersed, revealing Qin Yu’s face.

He stood there without a speck of dust and looked extremely unworldly. This strike did not hurt him in the slightest!

Qin Yu looked at Si Shifeng nearby him and said coldly, “You don’t have to use such a small trick to embarrass yourself. Show me your true ability.”

A cold smile appeared on Si Shifeng's lips. He placed his hands behind his back and said, "Of course, I know this technique can't hurt you. This is just an appetizer. Qin Yu, let me see for myself what you're capable of."

"Alright." Qin Yu didn't waste any time. The internal qi on his body rose rapidly at this moment!

A dazzling golden light burst out of his body, forming a semicircle around him. The semicircle swept into the distance, covering the sky.

The powerful internal qi once again shocked everyone!

Qin Yu's internal qi was not inferior to Si Shifeng's in the slightest bit!

At this moment, even Si Shifeng frowned.

"This kid had entered the middle stage of Reversion Void. No wonder!" Si Shifeng said to himself in a low voice.

However, he was not worried. Although Qin Yu had a chaotic body, he was not weak either!

As the heir of the Si family, how could a rogue cultivator be compared to him?

"I was wondering how capable you are. It turned out you've just entered the Middle-stage of the Reversion Void," Si Shifeng said sarcastically.

"Si Shifeng, did you forget something?" Qin Yu raised his eyebrows.

When Si Shifeng heard this, a hint of confusion appeared on his face.

"Don't forget even Si Shiyu lost to me in the same cultivation realm. What about you?" Qin Yu sneered and said.

As soon as Qin Yu said this, Si Shifeng's expression changed drastically!

That was right. Si Shiyu and Si Shiyue were the two heroes of the Si family. If Si Shiyu had lost to Qin Yu under the same cultivation realm, how could Si Shifeng fight Qin Yu?

"D\*mn! This brat is trying to disrupt Young master Feng's dao mind!" At this moment, someone noticed something unusual!

Losing the confidence to win a great battle was an incredibly terrifying thing!

"Young Master Feng, don't listen to this brat's nonsense. Young Master Yu suppressed his cultivation realm and couldn't display his normal strength at all!" The Si family members exclaimed in shock.

Hearing this, Si Shifeng's tense expression relaxed a little.

He was as though reminded, and his expression became peaceful.

“Are you worthy of comparing with Brother Yue?” Si Shifeng regained his spirit, and his face showed a proud expression.

Qin Yu beckoned to Chu Shifeng, saying, “Then you and I don’t need to go through the hassles of back and forth anymore. Let’s end the battle quickly and not waste any time.”

“That’s what I was thinking!” Si Shifeng sneered and said.

After saying that, Si Shifeng took the lead to make a move. He extended his hand and pointed it at the sky. His entire palm flickered with light as if it was transparent. It was incredibly terrifying!

“Big Dipper Slash!” Si Shifeng roared, and his voice shook the heavens as he chopped down with his palm!

Looking into the distance, the void trembled, and a blade-like radiance flashed out. It contained a terrifying aura as if it wanted to cut everything in the world!

...

Soon, someone recognized the technique. The first was the Prince of Great Xia.

The Big Dipper Slash seemed to have cut off everything, and its powerful aura was incredibly terrifying. The sharp blade looked extremely sharp from a distance, but thick at a closer look. The power it emitted alone was enough to shatter the void and shake the mountains and rivers!

“It’s actually an Immortal Emperor’s secret technique. It looks like Si Shifeng wants to use this to uphold the name of the Si family.”

“The Immortal Emperor’s secret technique can outline the Great Dao of heaven and earth. It can shatter mountains and rivers. No matter how strong the chaotic body is, it can’t resist it.”

Everyone’s eyes turned to Qin Yu, wondering how he would deal with this.

The Big Dipper Slash seemed to have cut off everything, and its powerful aura was extremely terrifying. The sharp blade looked extremely sharp from a distance but extremely thick at a close distance. Just the power it emitted was enough to shatter the void and shake the mountains and rivers!

Qin Yu was also shocked. This was the secret technique of the Immortal Emperor. Everyone would be fearful of it.

“Buzz!”

At that moment, Qin Yu made his move. He raised his hands, and numerous Great Dao outlines appeared between his arms!

The movement of his hand alone was enough to show the extraordinary skill of this technique!

“The two are fighting with the Great Dao of heaven and earth. It’s so too terrifying!”

...

“They’re only Reversion Void Stage cultivators, but it’s so easy for them to connect with the Great Dao!”

“What’s the background of Qin Yu? Did he also master the Immortal Emperor’s secret technique?”

“It’s hard to say. He’s from Thunder Courtyard. He might have received the inheritance of Dean Lei or even Immortal Emperor Lei!

The Great Dao was outlined between Qin Yu’s arms. Soon, a circle was quickly outlined.

Upon close inspection, it seemed to be a small world. However, it seemed to be a star upon closer inspection.
