

● My Rich Wife

1961 All Parties Shaken

The matter continued to ferment, and soon it spread all over the world. Suddenly, it almost became the hottest news.

It had been a long time since the Si family was last defeated. Not to mention an unknown kid, they had never lost to any famous old experts.

But now, the Si family had been defeated by Qin Yu repeatedly. How could they not be shocked?

In the Si family, the entire family had heard about the matter.

The head of the Si family was out on training now. Otherwise, he would have exploded in anger.

In front of Si Shifeng's bed, a gray-haired elderly man stood with a gloomy expression.

The Semi-Saints that had been following him knelt on the ground.

"What a disgraceful thing!"

At this moment, the elderly man suddenly turned around, and his terrifying internal qi swept toward the Semi-Saints!

The Semi-Saints didn't dare to resist it and vomited blood from the shock!

"As executives, you actually made such a stupid decision. Now the entire Si family has lost its face because of you!" the elderly man said coldly.

A Semi-Saint got up from the ground and said while trembling, "First Elder, this matter has exceeded our expectations. No one expected Young Master Feng to lose. I..."

"Shut up!" First Elder rebuked.

“Holy Son wanted you to help secretly to ensure Young Master Feng would win and not kill people in broad daylight!

First Elder’s face was full of resentment. He wished he could beat these people to death.

The Semi-Saints didn’t dare to say a thing and could only kneel on the ground.

After a while, First Elder took a deep breath and said slowly, “Since Qin Yu has stolen our things, we must get them back.”

The Semi-Saints immediately understood.

“First Elder, we understand,” they suddenly stood up and said.

“But this matter must be done perfectly. No one should discover it,” Eldest Elder said coldly.

“The reputation of the Si family definitely cannot be tarnished again.”

“Yes!”

...

In the Yan family, Yan Ruoxue and Uncle Yan stood by the shore of Mount Donghuang.

“I truly didn’t expect him to defeat Si Shifeng,” Uncle Yan sighed and said.

“Qin Yu has never lost to anyone in the same cultivation realm,” Yan Ruoxue chuckled.

“It’s the chaotic body, after all,” Uncle Yan said. “However, I’m more curious about the magical artifact he has. How did he summon that person’s vision?”

Of course, Yan Ruoxue knew what Uncle Yan was talking about. She was silent for a long time but did not tell Uncle Yan at the end.

“Uncle Yan, that vision... Will it bring trouble to Qin Yu?” Yan Ruoxue suddenly asked.

Uncle Yan sighed and said, “Maybe, maybe not. After all, not many people knew about her now. Furthermore, a magical artifact can’t prove anything.”

“That’s good.” Yan Ruoxue heaved a sigh of relief.

“But...” At this moment, Uncle Yan suddenly changed the subject.

He looked at Yan Ruoxue and said, “It’s possible If someone wants to make a big deal out of it.”

Yan Ruoxue’s expression changed slightly as if she understood something.

Her expression was gloomy, and light flashed in her eyes. No one knew what she was thinking.

...

In Dean Lei’s room at Thunder Courtyard, a girl as petite as a child was tugging at Dean Lei’s beard.

If news of such a scene were to spread, it would definitely cause a huge commotion.

“I must leave Thunder Courtyard!” Jue Wu angrily said as she tugged at Dean Lei’s beard.

Dean Lei laughed bitterly and said, “Qin Yu has won. What else do you want?”

“That’s the Si family! How would the Si family let this matter rest?” Jue Wu said with her eyes wide.

“What can you do if the Si family really wants to make a move?” Dean Lei asked in return.

Jue Wu held her little hand and said fiercely, "Then I'll beat them all into a pulp!"

"You think too highly of yourself," Dean Lei shook his head and said. "Perhaps the Si family couldn't do anything to you if they send out a Semi-Saint, but what about two or three?"

"I don't care. I don't want to listen to all that. I'm leaving now. If you disagree, I'll pull off your beard!" Jue Wu said unruly.

She kept tugging at Dean Lei's beard, who was helpless.

"It's possible if you really want to leave Thunder Courtyard, but you have to bring a Saint Weapon," Dean Lei sighed and said.

Hearing this, Jue Wu immediately jumped down from Dean Lei's body.

She stretched out her palm and took out the Glided Rake.

"This is enough!" Jue Wu said proudly.

"No," Dean Lei shook his head and said. "The Gilded Rake can't unleash its true power in your hands. You need a real Saint Weapon to protect your life.

"Then give me one, and I'll go now," Jue Wu said anxiously.

Dean Lei rolled his eyes and said, "You have to use your points to exchange for it. This is the rule of Thunder Courtyard. No one can change it. If you continue making a fuss, I will lock you up."

Seeing Dean Lei not seem to be joking, Jue Wu could only agree. "Alright. Isn't it just points? Give me a few days, and I'm going to Demon-slaying Peak now!"

After saying this, Jue Wu disappeared without a trace.

Dean Lei was speechless. He could only shake his head repeatedly.

...

A full eight days.

Qin Yu finally woke up from his coma.

He opened his eyes, and the blue sky and white clouds were the first things he saw.

Qin Yu struggled to sit up from the ground and felt a sharp pain.

He lowered his head to look at his body, only to see it covered in blood and cracks.

Eight days was not enough to restore Qin Yu's body. It was evident that his injuries could not be self-healed.

"The Si family will definitely not let me off." Qin Yu took a deep breath.

Although the surroundings looked safe, Qin Yu knew it was not a long-term solution.

It was only a matter of time before the Si family could find Qin Yu.

"Looks like I'll have to find another place," Qin Yu thought to himself.

Thus he struggled to get up and slowly walked out of the forest.

Qin Yu didn't know how long it had been before he finally arrived at a city.

Coincidentally, this city was the Yao family's territory.

"The Yao family has been inviting me to join them. It seems to be a pretty good place to go now," Qin Yu thought to himself.

Thinking of this, Qin Yu rushed toward the city.

Qin Yu went straight to the city wall. He forced himself to be alert, bowed, and said, "I'm Qin Yu. I would like to see the City Lord. Please inform him."

The two guards at the city gate looked at each other and said in surprise, "Qin Yu? The Qin Yu who defeated Si Shifeng recently?"

"Yes, I am." Qin Yu heaved a sigh of relief.

Fortunately, his reputation had spread even to such a remote city that people knew his name.

1962 Treacherous Villain

"Please wait a moment." Without hesitation, the two immediately sent someone to report.

In a short while, the guard returned and invited Qin Yu into the city with great respect.

After they arrived at the palace in the city, the city lord arranged for Qin Yu to rest in a lounge. A few minutes later, the city lord appeared in front of Qin Yu.

This city lord wasn't powerful, only at the Early-stage of the Reversion Void. However, he had an extraordinary appearance and disposition.

"You are Qin Yu?" The city lord was tremendously enthusiastic when he saw Qin Yu.

"Yes, City Lord," Qin Yu bowed and said.

The city lord quickly put on a terrified expression and shook his head repeatedly, "Mr. Qin, you're too polite. It's my great fortune to be able to meet you. May I know Mr. Qin's intention to come to my city?"

Qin Yu did not hide anything and immediately told the city lord his intention.

"You want us to send you to the Yao family?" the city lord muttered.

"Well, you can just inform the Yao family," Qin Yu said.

“That’s not a problem. This place isn’t far from the Yao family. At most, it will take a day to arrive,” the city lord said.

He thought for a while and said, “However, I can’t make the decision for such a big matter. I’m afraid I’ll have to trouble Mr. Qin to wait. I have to go and report.

“Sure, no problem.” Qin Yu agreed without hesitation.

“Alright, I’ll send someone to the Yao family to report this matter!” the city lord said.

Qin Yu agreed, but he was still worried.

After all, no one knew what attitude the Yao family would adopt.

Moreover, if the city lord were to reveal this matter, the Si family would probably arrive even faster.

Therefore, after the city lord left, Qin Yu began to activate his secret technique and again created a clone in case of emergency.

After doing this, Qin Yu took some herbs from his Spatial Magic Atifact and prepared to refine a few medicinal herbs.

The sky was getting dark, and Qin Yu was still sitting cross-legged in the middle of the night.

Due to the injuries on his body, his internal qi was extremely unstable, and his control of the spiritual fire was also tremendously poor. Thus he failed to refine several times.

“I can’t go on like this.” Qin Yu frowned.

He didn’t have many herbs on hand, to begin with. So he couldn’t continue to fail.

Just as Qin Yu took out the herbs and was about to continue refining, he heard a slight movement outside.

Qin Yu frowned and looked out of the window alertly.

“Who’s that?” As Qin Yu spoke, he adjusted his internal qi, planning to escape.

At this moment, a young man sneakily pushed open the door.

He looked around and walked up to Qin Yu after ensuring no one was around.

Seeing the young man in front of him, Qin Yu frowned and said, “You are... the guard earlier in the day?”

“That’s right. Mr. Qin, you have to leave quickly,” the guard said nervously.

“Why?” Qin Yu asked in confusion.

The guard whispered, “I was outside the city gate during the day. I happened to overhear the city lord’s conversation. He has sent someone to the Si family to inform them about you. I’m afraid it will be too late! If you don’t leave now.

Upon hearing his words, Qin Yu’s expression changed drastically!

As expected, the city lord wanted to curry favor with the Si family!

“Why did you tell me this?” Qin Yu looked at the guard and said coldly.

“I don’t have time to explain it to you now. In short, if you don’t leave now, you really won’t be able to leave!” the guard said anxiously.

Qin Yu was not in the mood to continue asking questions, so he hurriedly followed him out of the lounge.

The two moved forward, and the journey was quite smooth.

After arriving at the city gate, the two walked out from the gate easily because of the guard’s identity.

“Mr. Qin, please follow me. I know a station not far away,” the guard said.

“Alright,” Qin Yu answered, then quickly followed the guard.

Along the way, the two were extremely fast as if they were escapees.

However, after walking for tens of stars, the guard suddenly stopped.

“Why aren’t you moving?” Qin Yu said with a frown.

The guard sighed, then turned around and said, “Mr. Qin, do you know how foolish our city lord is?”

“What?” Qin Yu was stunned. “What do you mean?”

“Sigh! I suggested today that we capture you and hand you over to the Si family to be acknowledged by them. However, not only did our city Lord disagree, he even gave me a good scolding.” The guard kept shaking his head and sighing.

Qin Yu’s face instantly turned a little ugly.

“I have no choice. I can only think of a way to trick you out of the city.” The guard’s voice turned cold, and he sneered.

Before his voice faded, several people walked out from the dark. These people all had unfriendly expressions and extraordinary internal qi.

“Mr. Qin, human beings die in pursuit of wealth, and birds die in pursuit of food. I’m sorry,” the guard said indifferently.

Qin Yu narrowed his eyes and said coldly, “It’s only one day. Even if you want to inform the Si family, I’m afraid you can’t make it in time, right?”

“You’re right,” the guard didn’t deny. He smiled and said, “That’s why I could only contact several top-notch martial artists to capture you for the time being.”

“Hehe,” Qin Yu sneered and said. “Since you’re not a Semi-Saint, do you think a few of you can stop me?”

“That’s right. We couldn’t do anything to you if you were at your peak. But now you’re seriously injured and can’t even use one-tenth of your strength, right?” The guard raised his head and laughed.

Qin Yu gritted his teeth and knew things were not looking good.

As the guard said, Qin Yu could not even control his spiritual fire. His internal qi was extremely weak that he couldn’t fight at all.

“Mr. Qin, I’m sorry to offend you!” The guard snorted and waved his hand. A few people rushed toward Qin Yu!

Enduring the pain in her body, Qin YU forcibly mobilized the internal qi in his body and clenched his fist to receive the attack. For a moment, a golden radiance brightened the night, and a violent internal qi kept drifting away.

However, Qin Yu’s injuries were too severe. Even though he managed to push them back with great difficulty, he was soon exhausted.

“As expected of Mr. Qin. Even with such severe injuries, you still possess such terrifying strength,” the guard sighed and said.

“Unfortunately, it won’t be long before you lie down without us doing anything.”

“If it was just for fortune, why don’t you let me go?” Qin Yu gritted her teeth and said. “I can give you what the Si family gives you!”

“Hahaha! I think you’d better forget about it. If you’re really that capable, how were you forced into such a state by the Si family?” The guard sneered repeatedly.

“Moreover, the Si family is one of the nine great aristocratic families! You’re just a rogue cultivator. How can you compare yourself to them?”

Qin Yu opened his mouth and wanted to say something, but his vision began turning blurry.

1963 The Arrival of Jue Wu

Qin Yu's injuries were too severe. Although he won the battle against Si Shifeng, he suffered severe injuries from the phantom of the ancient supreme cultivator, which was impossible for him to self-heal at all.

Surrounded by these people now, he soon lost all his strength.

"Hahaha! This kid cannot resist at all," the guard sneered and said.

"Everyone, there's no need to make a move. Just watch him collapse on his own."

"That won't do. If the famous Qin Yu dies in my hands, I'll become a powerful figure!"

After saying that, the guard strode toward Qin Yu.

He was full of killing intent and aimed the sharp blade in his hand at Qin Yu's glabella!

The sharp blade was approaching, but Qin Yu had no way to resist.

He only felt his eyelids grow heavy, and his body suddenly fell.

Just as Qin Yu was about to flake out, a figure suddenly appeared.

"A few b*stards who don't know their place!"

This familiar voice entered Qin Yu's ears, but he no longer had the strength to open his eyes. With a "plop", Qin Yu finally fell to the ground.

"Who are you? How dare you meddle in our business!" one of the cultivators strode forward and scolded.

"I'm your father!" The person cursed angrily, leaping into the air and smashing his head with a slap. It was smooth and clean.

Upon seeing this, everyone's faces turned extremely ugly!

"Quickly run!" Someone reacted, turned around, and wanted to escape!

"You want to run away? Today, if I don't chop you up and feed you to the dogs, I'm not called Jue Wu!"

Jue Wu waved her small hand and killed another person!

Such a terrifying speed made everyone present lose their intention to escape.

Someone reacted and knelt on the ground, begging for mercy while trembling, "I... I'm at fault. Please forgive me. I'm... leaving now!"

Jue Wu wasn't kind-hearted. Thus she wouldn't be moved by a plea for mercy.

She raised her small hand and in a few moves, she smacked their heads into a pile of meat.

After this, Jue Wu walked to Qin Yu.

She raised her palm and began to transmit spiritual energy to Qin Yu.

With the unique physique of her Nirvana Body, Qin Yu's internal qi finally stabilized. However, he still showed no signs of waking up.

"Fortunately, I came quickly. Otherwise, something serious would have happened." Jue Wu picked up Qin Yu. She looked at the city not far away and then at the guard whose head smashed.

When she saw the mark on the guard's clothes similar to the city, her face turned ferocious again.

"I'll slaughter you, a bunch of b*stards!" Jue Wu gritted her teeth.

She picked up Qin Yu and headed straight for the city.

Although it was already late at night, there were still guards at the city gate.

Seeing Jue Wu rushing toward them, the guard's expression changed, and he shouted, "Who are you..."

However, before he could finish his words, his head was twisted off.

This was only the beginning. Jue Wu started a massacre in the city and killed whoever she saw. Almost all the guards in the city couldn't escape from her vicious hands.

This matter soon alarmed the city lord. He immediately led people into battle. At the same time, he activated the city's formation in an attempt to suppress Jue Wu.

But now that Jue Wu had mastered the power of the purple cloud pearl, she was almost invincible. Even a Semi-Saint couldn't stop her, let alone this group of people.

In just an hour, the formation in the city was forcefully broken, and the guards in the city were all killed by Jue Wu.

The city lord's face turned extremely ugly as he looked at the blood and chaos all over the ground.

At this moment, Jue Wu was like a little demon from hell. Her body which was stained red with blood and emitted terrifying killing intent made the city lord feel terrified.

However, he was still the city lord, so he suppressed the fear in his heart and said, "My friend, is there a misunderstanding between us? When have I ever offended you?"

Jue Wu's face darkened as she said, "Don't talk nonsense with me. I'm here today to massacre the city."

After saying that, Jue Wu put Qin Yu on the ground.

After seeing Qin Yu's face clearly, the city lord said in surprise, "You... You're from the Si family?"

"My a*s!" Jue Wu cursed. "You tried to assassinate Qin Yu in the suburbs. If I hadn't arrived in time, I'm afraid Qin Yu would have already become a corpse!"

"How is that possible?" The city lord's expression changed and he explained anxiously, "My friend, there must be some misunderstanding between us. When have I ever had the intention to kill Qin Yu?"

"I saw it with my own eyes. How could it be fake?" Jue Wu gritted her canine teeth, revealing her ferocity.

The city lord hurriedly said, "There must be a misunderstanding! If you don't believe me, you can wait for Qin Yu to wake up and ask him!"

"F*ck! Don't even think about stalling for time. You want to call for rescue, do you? I'm going to kill you right now!" After cursing, Jue Wu came in front of the city lord with a "whoosh."

Facing Jue Wu, the city lord didn't have the slightest ability to resist. He could only hurriedly explain and tell Jue Wu what had happened.

"Someone must have tried to curry favor with the Si family! I remember now!" At this time, the city lord was as if grabbing a life-saving straw.

He said hurriedly, "Today, someone did suggest to me to hand Qin Yu over to the Si family, but I rejected it. He must be the one behind this! This matter has nothing to do with me!"

Jue Wu frowned and felt he didn't seem to be lying.

"How about this? You keep an eye on me for the next few days. Before Qin Yu wakes up, I won't leave your side. How about that?" the city lord said in a panic.

Jue Wu touched her chin, stared at Qin Yu, and muttered, "This guy doesn't seem to like me killing innocents..."

Thinking of this, Jue Wu waved her hand and said, "Fine, from now onward, you'll be by my side. If you dare to play any tricks, I'll pull out your tendons and skin you!"

"Sure! Sure!" The city lord's forehead was sweating profusely as he hurriedly said.

Jue Wu snorted, carried Qin Yu on her back, and walked into the Great Hall.

The city lord's back was covered in a cold sweat. He looked at Jue Wu's back and felt extremely frightened.

"Who exactly is this little thing? She's so brutal..." the city lord said, trembling.

Even so, the city Lord still followed her.

In the following few days, Jue Wu enjoyed eating and drinking in the city, but the city lord had been reduced to Jue Wu's servant. He was busy all day, serving tea and pouring wine for Jue Wu, and never dared to leave her side.

It went on for eight full days.

On the eighth day, Qin Yu finally woke up.

He got up from the side of the bed with tremendous difficulty. As soon as he opened his eyes, he saw Jue Wu eating and drinking lavishly.

1964 The Domineering Jue Wu

Seeing Jue Wu, Qin Yu was stunned initially, then suddenly woke up!

"Jue... Jue Wu? What are you doing here?" Qin Yu rubbed his eyes as if he couldn't believe what was happening in front of him.

Jue Wu, gnawing on the leg of some unknown beast, put her leg down.

She hopped over to Qin Yu and said with a smile, "If I hadn't come, you would have already died outside."

Qin Yu suddenly recalled the scene before he fainted. In the daze, he had indeed heard Jue Wu's voice.

At that time, Qin Yu thought he was hallucinating. He didn't expect it to be true.

"Did Dean Lei agree to you leaving Thunder Courtyard?" Qin Yu frowned and said.

Jue Wu waved her hand and said, "We'll talk about this later. You should first take a look at that kid."

Qin Yu looked at the city lord and saw bitterness on his face.

He said, somewhat pleading, "Mr. Qin, please explain clearly to your friend. She has killed countless people in our city. If you don't explain it clearly, I'm afraid I'll die too."

Qin Yu instantly felt something was wrong. He rubbed his forehead and felt a little headache.

Jue Wu was incredibly impulsive. When she was mad, she couldn't care less about anything.

Looking at the current situation, Qin Yu roughly understood what was happening.

Helplessly, Qin Yu could only explain it to Jue Wu.

After hearing Qin Yu's words, the city lord finally heaved a sigh of relief.

"You heard that, right? It has nothing to do with me," the city lord muttered.

Jue Wu glared at him and said, "How does it have nothing to do with you? Isn't that d*mned guard your people?"

The city lord opened his mouth but was lost for words immediately.

“Jue Wu, tell me, how many people did you kill?” Qin Yu asked, feeling uneasy.

Jue Wu counted with her fingers but waved her hand impatiently and said at the end, “I’ve forgotten. Who would remember something like this for no reason?”

Qin Yu sighed. He looked at the city lord, who said in a low voice, “A total of 82 people. More than half of the city’s defensive forces have died.”

“Sigh! What a sin!” Qin Yu smiled bitterly, but he did not know what to say.

After all, Jue Wu had done this to save her. Thus Qin Yu couldn’t blame her.

However, those who had died were innocent.

“City Lord, I’ll have to trouble you to help me compensate their families.” Qin Yu stood up and cupped his hands.

Then, Qin Yu took out 80-odd ores and handed them to the city lord.

“I’ll have to trouble you to help me pass these ores to their families,” Qin Yu said.

The city lord did not reject. He took the ores and said, “This is the only way now.”

“Alright! Alright! You quickly go now,” Jue Wu waved her hand and said.

After these eight days, the city lord didn’t dare to offend Jue Wu at all. Thus he quickly ran out.

After he left, Jue Wu grinned and said, “You’re great, kid. You actually gave the Si family a good beating. It’s awesome!”

Qin Yu rolled his eyes at Jue Wu and said, "Tell me first how you left Thunder Courtyard. Did you sneak out? "

"Of course not!" Jue Wu said proudly, "Old Man Lei personally allowed me!

"Old Man Lei..." Qin Yu opened his mouth and was speechless.

"You can't call Dean Lei this in public, understand?" Qin Yu warned her.

Jue Wu waved her hand, saying, "Don't talk bulls*it to me. I'm not a child. In terms of age, you're even too young to call me grandma."

At this moment, Jue Wu seemed to have thought of something suddenly.

She flipped her palm and took out a Saint Weapon.

It was a fan, and each of its ribs was tremendously exquisite. Not only was it a Saint Weapon, but it was also an extraordinary one.

"Did Dean Lei give this to you?" Qin Yu frowned and said.

Upon hearing this, Jue Wu said with great pride, "Old Man Lei asked me to use my points to exchange for it. Guess what? I ran straight to Demon-slaying Peak and snatched a wave of points! Hahaha! Old Man Lei thought I would need at least half a year to leave Thunder Courtyard. He never expected me to need less than a day to accumulate enough points!"

Qin Yu was speechless.

"Don't worry. I'll protect you from now on. The Si family can't do anything to you," Jue Wu said proudly.

Qin Yu attempted to feel Jue Wu's internal qi and found her cultivation realm didn't advance much. It was almost the same as Qin Yu's current cultivation realm.

However, her strength could not be measured with common sense. If she had absorbed the power of the purple cloud pearl, the cultivation realm would be useless to her.

“The Si family isn’t as simple as you think,” Qin Yu said.

Qin Yu suddenly thought of the Yao family.

Thus he hurriedly got up, found the city lord, and asked him about the matter.

After listening to him, the city lord couldn’t help but sigh, “I initially planned to go to the Yao family on the same day, but due to an unexpected incident, I planned to leave the next day. However, I didn’t expect your friend to come into the city on the same night. Therefore...”

“So the Yao family is still unaware of this matter...” Qin Yu felt a little embarrassed.

Jue Wu was a typical restless person no one could control.

“But don’t worry, I’ve already sent people to the Yao family. I believe it won’t be long before the Yao family knows about the matter,” the city lord said.

“Thank you very much,” Qin Yu said with a bow.

Therefore, Qin Yu and Jue Wu hung out together for the following few days.

With Jue Wu by her side, Qin Yu was much more at ease.

After all, with her current strength and the Saint Weapon in her hand, even a Semi-Saint would have to think twice before he made a move.

In the blink of an eye, three days passed by.

Early in the morning, the city lord brought two elderly men into Qin Yu’s room.

“Mr. Qin, the Yao family’s elders have arrived,” the city lord said.

Hearing this, Qin Yu quickly got up.

He saw two elderly men standing in front of him. The two elderly men’s internal qi was not weak, but they were not the two who had invited Qin Yu before.

“Pleased to meet you, Elders,” Qin Yu got up, bowed, and said.

The two elders looked at each other, then turned to Qin Yu and said, “You’re Qin Yu?”

“That’s right. The Yao family had sent someone to invite me before,” Qin Yu said.

“In that case, please come with us, Mr. Qin. We’ll bring you to the Yao family now,” the two elders said with a smile.

After that, they took out a token and handed it to Qin Yu.

“This is the Yao family’s token. You must bring this with you when you head to the Yao family,” one of the elderly men said.

Qin Yu didn’t think much of it. After all, the Yan family did the same.

He took over the token and was just about to put it on his body when a purple light suddenly burst out and shattered the token in Qin Yu’s hand.

Qin Yu frowned and quickly turned to Jue Wu, saying, “What are you doing?”

Jue Wu coldly snorted. “What bulls*it token is this? It’s just a small formation that can restrain spiritual power, right?”

1965 Unreliable

Qin Yu frowned slightly. He looked at Jue Wu with doubt in his eyes.

“What’s the matter?” Qin Yu asked in a low voice.

Jue Wu ignored Qin Yu but looked at the two elderly men not far away.

“Answer me,” Jue Wu said with a dark face.

“Lady, what do you mean by that?” the two elderly men asked with a smile.

“Stop pretending. Do you think I can’t tell?” Jue Wu’s face became colder, and she couldn’t help but exude a strong sense of oppression.

The two elderly men’s faces finally turned cold. They looked at Jue Wu and said coldly, “You’re right. It’s indeed a small-scale formation. Since you’ve seen through it, I won’t waste time with you.”

After speaking, the elderly man waved his hand, and several people walked out from the dark.

The crowd surrounded Qin Yu and Jue Wu, each with an unfriendly expression.

Qin Yu finally understood. He looked at the elderly man in front of him and said, “What is the Yao family’s intention?”

“Qin Yu, it’s true that the Yao family has intended to recruit you. However, it’s a pity you’ve offended the Si family,” the elderly man said coldly.

“It’s not worth offending the Si family for you.”

“If that’s the case, I’ll just leave,” Qin Yu sneered and said. “Why do you have to make a big fuss?”

“I’m afraid you can’t leave. Please come with us to the Yao family. As for how to deal with it, we will leave it to the head of the family,” the elderly man said coldly.

This time, Qin Yu was seriously injured and was unable to resist. Fortunately, Jue Wu was here, so Qin Yu was not worried.

He stepped back and said, “Jue Wu, I’m counting on you.”

Jue Wu rubbed her hands and said with a smile, "How should we deal with these people?"

Qin Yu opened his mouth and said coldly, "Kill them."

"Alright." Without saying anything else, Jue Wu's internal qi instantly erupted.

The battle was about to start, so Qin Yu stood aside and watched quietly.

Jue Wu's strength didn't need to be elaborated, but the Yao family's people weren't weak either.

They jointly controlled the formation. Even Jue Wu couldn't quickly end the battle.

Not far away, the city lord's expression was tremendously ugly. He had never thought things would turn out like this.

The entire city was constantly glowing with light, and a terrifying internal qi lingered in the sky above the city.

"Boom!"

Accompanied by a loud sound, a terrifying purple light burst out from Jue Wu's body. This light shattered the Yao family's formation and sent the spell caster flying!

Jue Wu wouldn't give them any chance to breathe. She opened her small hand and turned one of them into a pile of meat!

Without the protection of the formation, these people were simply not Jue Wu's match. In just a few seconds, three people had lost their lives.

"D*mn! This woman is not simple!" The elderly man from the Yao family had an unsightly expression.

"I advise you to stop, or else the Yao family will not let you off!" someone shouted, but the only response he received was a palm strike.

Soon, all the people of the Yao family died in Jue Wu's hands.

Looking at the mess, the city lord couldn't help but feel bitter.

"I'm afraid it's going to be troublesome." Qin Yu sighed.

First, he offended the Si family. Now, he offended the Yao family.

"You two should hurry up and leave. This place is very close to the Yao family. They won't give up easily." The city lord sighed.

Qin Yu nodded, then cupped his hands at the city lord and said, "I've caused you trouble,"

"What are you afraid of? I'll kill all the people they send!" Jue Wu snorted coldly and said.

Qin Yu shook his head and said, "Let's leave this place as soon as possible. The Yao family is a top aristocratic family after all. I'm afraid that they have a True Saint guarding them."

Hearing this, Jue Wu also lost some confidence.

Facing a True Saint, even Jue Wu had no chance of resisting.

"Worst scenario, we'll just go back to Thunder Courtyard. I don't believe they would dare to come in to kill people," Jue Wu muttered.

"We're not at that stage yet. Let's go," Qin Yu said in a deep voice.

"Where are we going?" Jue Wu was puzzled.

"Sky City,"

No one could not fight in Sky City, even the nine great aristocratic families.

Furthermore, there were top-notch resources there. Qin Yu needed to recuperate, so he had to go to Sky City.

The two stepped into Sky City again.

Qin Yu was recognized as soon as he stepped into the city.

The crowd looked at Qin Yu's figure and couldn't help but discuss animatedly.

"Isn't that Qin Yu? Why did he come back?"

"Looking at his appearance, he seems to be quite weak."

"Hmph! I'm afraid the Si family is going after his life. He's taken refuge in Sky City."

Hearing the discussion in the surroundings, Jue Wu couldn't help but curse, "What are you looking at? If you look again, I'll dig out your eyeballs!"

"Eh? Who's that little girl? Why have I not seen her before? Could she be Qin Yu's younger sister?"

"This little thing is quite fierce. I'll raise one to play with later."

By the side, Jue Wu couldn't help but look fierce in anger. She didn't say anything else and was ready to attack.

Qin Yu quickly stopped Jue Wu and shook his head, saying, "No one is allowed to make a move in Sky City."

"What bullsh*t rules!" Jue Wu huffed.

"It's due to this bullsh*t rule that I came here to take refuge. They've said it right," Qin Yu said, shaking his head.

Although Jue Wu was angry, she could only endure it.

After that, bringing Jue Wu along, Qin Yu bought a house in Sky City and stayed there for the time being.

The news about Qin Yu going to Sky City spread very quickly.

Many people had come to see him out of admiration. However, they did not get to step into the courtyard, not even a half step.

Qin Yu sat cross-legged and ignored them.

He wrote down a few pills' names on a piece of paper and handed it to Jue Wu.

"Go to the city to look for an alchemist. Help me buy these pills," Qin Yu said.

With Qin Yu's current injuries, self-healing was too slow. Thus he could only rely on pills.

Jue Wu took the prescription, turned around, and walked out the door.

"Quickly get out of here! What are you guys doing here? Get loss!" As soon as Jue Wu went out, she started cursing.

Qin Yu couldn't help but sigh, feeling somewhat worried.

It would be troublesome if Jue Wu got into a fight after she left.

Just then, a familiar figure suddenly appeared outside the door.

The man was thin and weak. Two people were supporting him.

"The Prince of Great Xia?" Qin Yu was startled. He got up hurriedly to greet him.

"The Prince of Great Xia?" Jue Wu, by his side, frowned.

"You know the Prince of Great Xia?" Qin Yu asked in surprise.

"No, I don't know him, but I've heard of him. He used to be from a royal family in the Holy Region," Jue Wu said.

Qin Yu suddenly realized. After all, Jue Wu was already hundreds of years old, so it was not strange for her to know about Great Xia Royal Family.

Then, Qin Yu cupped his hands and greeted the prince, “Your Highness.”

“Mr. Qin is too polite,” the prince waved his hand and said.
