2001 Tai Chi Diagram and Yin Yang Fish

A surge of internal qi instantly assailed him, and Qin Yu subconsciously stepped back.

“What’s going on?” Qin Yu frowned.

When he moved his hand away, the glow of the skeleton instantly disappeared.

Qin Yu looked at Jue Wu, signaling her to try touching it also.

Jue Wu walked forward and placed her small hand on it. However, there was no reaction from the skeleton.

“Strange.” Qin Yu was dumbfounded.

“Could it be that this skeleton is somehow related to me?”

Jue Wu stared at Qin Yu with her big eyes and said, “Could it be that he has the same physique as you?”

“Same physique?” These words reminded Qin Yu. He hurriedly walked toward the skeleton and tried to use his strength to grab the arm.

“Crack!”

Unfortunately, under Qin Yu’s strength, this skeleton directly shattered.

“It doesn’t seem like it.” Qin Yu shook his head.

He couldn’t sense any internal qi fluctuations from this skeleton. It probably had been there many years.

Now that Qin Yu had easily crushed it, it was evident that this skeleton was not only not a chaotic body, but its cultivation base was also not strong. Otherwise, this skeleton would be tremendously tough.

Qin Yu picked up the bone from the ground. After it broke, it lost its strange glow.

Qin Yu did not know the origin of this skeleton, but he had a feeling in his heart that this skeleton was not simple. It probably hid some secret.

Therefore, after much thought, Qin Yu kept the remaining dried bones in the Spatial Magic Artifact.

“Let’s not bother about this bone for now. Let’s see if there’s anything to eat,” Jue Wu muttered.

The two searched all over the room but found nothing.

Helplessly, they could only walk out and go to the forest.

Qin Yu went to the river to catch a few fish, while Jue Wu went to the forest to hunt a few wild beasts.

As the night deepened, Qin Yu and Jue Wu set up a fire. After a while, the fragrance of meat assailed their noses.

Jue Wu tore off a huge beast’s leg and wolfed it down.

Qin Yu was not idle either. Although he could not eat anything after fasting, he still craved delicious food.

Looking at the two wolfing down their food, the third princess, being tied up not far away, could not help but swallow her saliva.

She looked at the meat in Qin Yu’s hand eagerly and almost began drooling.

Qin Yu glanced at her, then tore off a piece of meat and threw it to the third princess.

However, the third princess’s body was tied up, and she could not eat at all.

Seeing this, Qin Yu stood up and walked toward the third princess.

Jue Wu said unhappily, “Why do you care about her? Just let her starve. She won’t starve to death anyway.”

Qin Yu ignored Jue Wu. He loosened the rope on the third princess and said, “I’ll tie you up after you finish eating. During this period, don’t think about running away, understand?”

The third princess quickly nodded. Then she picked up the meat on the ground and wolfed it down.

The third princess had a big appetite, almost on par with Jue Wu.

The two finished all the food in a moment. Not only that, but they also did not seem to have eaten enough.

“Is there anything else to eat?” The third princess looked at Qin Yu eagerly.

“Nothing! I’m not even full!” Jue Wu said fiercely.

The third princess seemed to be very afraid of Jue Wu. She subconsciously stepped back and didn't even dare to look at Jue Wu.

Qin Yu was silent for a while, then said, "You stay here and look after her. I'll go find something to eat."

"Why don't you just let her be?" Jue Wu said somewhat angrily. "Why do you care about her?"

Qin Yu smiled and said, "Aren't you still not full either? Okay, I'll be right back."

Following that, Qin Yu walked toward the forest.

It was a tremendously huge mountain forest, but there were not as many wild beasts as he had imagined. Qin Yu walked for a long time but did not even see a wild beast.

"That's strange. How can there be no wild beasts in this forest?" Qin Yu thought to himself.

He released his divine sense and covered the majority of the forest. He was shocked to discover although the forest looked lush, its internal qi was actually very weak.

It was illogical in this Golden Age.

"Strange. Could it be some kind of neutralization of dark energy and spiritual energy in this place?" Qin Yu thought to himself.

At this moment, Qin Yu recalled the skeleton sitting cross-legged in the house and felt even more puzzled.

Even birds and beasts knew how to migrate, so why would the skeleton cultivate and die here? If he failed to comprehend dao here, even a fool would know to change place.

"Was the skeleton protecting something when it was alive?" Qin Yu became even more suspicious.

There must be a reason why that skeleton would rather die here than leave!

Qin Yu tried to release her divine sense and continue probing, but he found nothing.

Immediately after, Qin Yu's figure shook, and he leaped high up into the sky.

He looked down at this huge mountain forest from top to bottom, wanting to see something out of it.

However, there was nothing unusual about this forest. Other than the leaves of the trees being a little dark, there was nothing else.

...

“Strange.” Rubbing his chin, Qin Yu became even more doubtful.

Just as he was about to give up, he suddenly noticed something unusual!

The entire mountain forest seemed to have been ingeniously divided into two parts. The left was a dense mountain forest, while the right was barren!

Between the left and right was a winding river that divided the entire forest into two parts.

“Hmm? This...” The more Qin Yu looked at it, the more familiar it felt.

The structure of the entire mountain forest seemed to resemble a Tai Chi Diagram! Although it was not obvious, one could still vaguely see its outline.

“This place is indeed not simple,” Qin Yu said in a deep voice.

He rubbed his chin as if he was thinking about something.

A moment later, Qin Yu suddenly realized!

He hurriedly jumped down and rushed in the direction of the house!

Qin Yu hurriedly leaped and looked down from above when he arrived at the house’s location.

...

“This position... It seems to be the position of the fish eye of the Tai Chi Diagram!” Qin Yu was incredibly shocked!

There were two fish eyes in the Tai Chi Diagram, the Yin Yang Fish. The house’s location happened to be in the position of the fish eyes!

The entire mountain forest seemed to have been artificially transformed. If one did not look carefully, not to mention the outline of the Tai Chi Diagram, one would not even be able to see the general appearance of the mountain forest!

“In that case... Someone had deliberately changed the mountains and rivers to hide the structure of the Tai Chi Diagram here,” Qin Yu said in a deep voice.

“In other words, the skeleton comprehended dao at the position of the fish eye, but for some reason, he passed away while sitting in the room.”

Qin Yu returned to the ground. He was thinking about something while walking.

“If I guess it correctly, there should be another house in the symmetrical direction of this house!” Qin Yu slapped his head and exclaimed!

The Yin Yang fish eyes of the Tai Chi Diagram were symmetrical. Since a house was found here, there must be another house in the symmetrical direction!

2002 Terrifying Air Current

If a house or some other special existence were found in a symmetrical position, it would prove Qin Yu’s guess was correct.

It was impossible to determine if it was a true Tai Chi Diagram with one’s eye because the mountains and rivers here had long been artificially altered, and even the general outline could not be accurately identified.

Just as Qin Yu was guessing, Jue Wu said with her eyes wide open, “Where’s the food you found? Where did it go?”

Qin Yu slapped his head. Only then did he remember his purpose for going out.

!!

“I’m sorry. I forgot...” Qin Yu scratched his head.

“Wait a moment. I’ll be back soon,” Qin Yu said hurriedly.

With that, Qin Yu left the place in a hurry and went into the forest again.

A moment later, Qin Yu finally caught a few medium-sized wild beasts and brought them back.

After roasting these wild beasts, Qin Yu didn’t take a single bite and gave them all to Jue Wu and the third princess.

This immediately made Jue Wu tremendously dissatisfied. She stared at the third princess from time to time, her eyes filled with killing intent.

“Eat again! How can you still eat? Stop f*cking eating!” In the end, Jue Wu couldn’t take it anymore.

She snatched the meat from the third princess’s hand and handed it to Qin Yu.

“D*mn it! Didn’t you see Qin Yu not taking a single bite? Are you a f*cking fool?!” Jue Wu cursed.

The third princess, who had always been arrogant and despotic, did not dare to say a word at this moment.

When facing Jue Wu, she had no temper at all and was very obedient.

Qin Yu shook his head helplessly. He handed the meat in his hand to the third princess and said, "I'm not hungry. Let her eat."

When Jue Wu saw this, she could not help but mutter, "You're just too kind. If I were to decide, I would throw her into the forest to feed the fish..."

The third princess by the side couldn't help but tremble. She didn't doubt Jue Wu's words.

If Jue Wu were forced into a corner, she couldn't be bothered if she was the third princess of the Yan family.

After eating, Qin Yu stood up and said, "Let's set off."

"Set off? Where to?" Jue Wu asked in puzzlement.

"Go there," Qin Yu pointed to the opposite and said.

Before returning, Qin Yu had already memorized the coordinates of the house and deduced the coordinates of the symmetrical position.

As long as they arrived at the coordinates, they could confirm the authenticity of this idea.

Thus Jue Wu tied the third princess up again. Carrying the third princess, she followed behind Qin Yu.

This forest was quite enormous. Fortunately, they were nearby the river and thus did not take long to reach the river bank.

It was barren on the opposite shore, contrary to the lush greenery here.

Qin Yu looked across and said in a low voice, "If it's what I've thought, the other side should be shady."

"Tsk! Tsk! What a marvelous sight!" Jue Wu sighed with emotion and said.

Qin Yu didn't say anything. He took the lead stepping into the river and walking toward the other side. Jue Wu and the third princess followed closely behind.

The river was not wide. Thus they did not take long to reach the other side.

The moment they stepped onto the opposite shore, the huge difference he had imagined did not appear. On the contrary, Qin Yu did not sense any abnormality.

“Could it be fake?” Qin Yu frowned slightly.

“What’s wrong?” Jue Wu asked.

“Did you notice anything unusual?” Qin Yu looked at Jue Wu and asked.

Rubbing his chin, Qin Yu released his divine sense and covered most of the place.

A moment later, Jue Wu said excitedly, “Yes! There’s more food here than before!”

“Food?” Qin Yu was startled. He hurriedly released his divine sense, and soon, Qin Yu sensed something was wrong.

Although this place looked extremely desolate, there were many signs of life.

Although the other side looked full of flowers and plants, there were very few signs of life. However, it was the opposite here.

“Strange, it doesn’t make sense.” Qin Yu rubbed his chin and felt it strange.

He brought Jue Wu toward the coordinates, thinking of verifying his thoughts.

However, not long after they walked, several internal qis surged over.

Before Qin Yu could recover from his shock, a sharp blade pierced straight toward Qin Yu’s glabella!

“Watch out!” Jue Wu hurriedly shouted. She hurriedly shot out a purple light to block this attack, but it was too late!

That sharp blade was heading straight for Qin Yu’s glabella. The moment it pierced through, his divine sense would definitely be damaged!

At this critical moment, a golden blade flew out from Qin Yu’s glabella and collided with it!

“Clang!”

With a crisp sound, the sharp blade was easily cut into two by Qin Yu’s divine sense and disappeared without a trace.

Qin Yu was shocked, and his face was covered in sweat!

“That was close...” Qin Yu wiped the sweat off his forehead and raised her head vigilantly.

“Who is it!” Qin Yu shouted.

However, no one responded to Qin Yu. The internal qi in the dark was still approaching.

Qin Yu frowned. He looked at Jue Wu and said, "This place is somewhat strange. Be careful."

...

"Mmm," Jue Wu responded. After that, her body emitted a purple light and enveloped her. She was prepared to attack at any moment.

"Buzz!"

Right at this moment, streams of terrifying air current burst out from the ground. The speed was tremendously fast and even Qin Yu and Jue Wu failed to react in time!

Under this terrifying air current, the two were directly sent flying into the sky, and several of their bones were shattered!

The third princess was the most unlucky. Half of her body was shattered by the terrifying air current and her body was covered in blood. She looked incredibly terrifying!

Qin Yu's expression changed drastically. He quickly stabilized his body using his internal qi.

The terrifying air current was still brewing underneath, and the next attack could erupt at any time!

At this moment, the third princess fell to the ground. She was so frightened that her face was ashen, and she even forgot the pain in her body.

"There's something strange about this air current. We can't withstand it at all. Let's leave quickly!" Jue Wu hurriedly said.

Qin Yu naturally sensed something was wrong. Such a terrifying air current was not something they could resist at all!

"Buzz!"

...

The air current was brewing below and could erupt at any moment.

Once it erupted, it would be incredibly terrifying. The third princess below would be the one to bear the brunt!

"Hurry up and leave. Otherwise, I'm afraid we'll die here!" Jue Wu saw that things were not looking good and hurriedly said.

Qin Yu lowered her head and looked at the third princess. He could not help but frown.

The third princess also came to her senses at this moment. She looked up at Qin Yu in horror and said in a trembling voice, "Save... Save me! Please save me..."

Qin Yu's expression was tremendously ugly. If he were to turn around to save the third princess at this moment, it would be too late. He might become the meat paste punched by this air current!

"Forget about her! Hurry up and leave!" Jue Wu shouted from the side.

Qin Yu gritted her teeth and turned around to leave with Jue Wu. However, after taking a few steps, Qin Yu turned his head to look at the third princess.

"Jue Wu, you go first. I'll come later," Qin Yu gritted his teeth and said.

2003 Deliberately Concealed Landform

In the end, Qin Yu did not have the heart to ignore her. Without further delay, he immediately activated the line word formula and rushed toward the third princess!

"Qin Yu!" Seeing this scene, Jue Wu was even more anxious. She could not abandon Qin Yu.

Therefore, without hesitation, she immediately followed him closely.

The third princess on the ground was scared out of her wits, and the strange phenomenon underground was getting even more intense. A second impact could erupt at any time.

Stepping on the line word formula, Qin Yu rushed toward the third princess incredibly fast!

"Buzz!"

At the same time, the second impact on the ground erupted!

Terrifying air currents gushed out from the ground. Compared to the first time, it was even more violent and horrifying!

"Boom!"

Rays of light beam shot into the sky and were fast approaching the third princess!

Qin Yu's expression changed drastically. In desperation, he picked up the third princess and dragged her up with both hands!

At the same time, Qin Yu's body emitted the Golden Light. The internal qi all over his body was like a layer of armor wrapping around him!

Jue Wu, who had wanted to rush over, was obviously too late. She could only stand in the sky and fixed her eyes on Qin Yu!

“Jue Wu, catch her!” Qin Yu roared. He exerted strength with both hands and threw the third princess into the sky!

The third princess flew into the air under Qin Yu’s strength, but Qin Yu was not as lucky. Rays of light beam rushed into his back, erupting incredibly terrifying power!

“Boom!”

The entire area turned into ashes instantly, and the smoke and dust obscured the vision. No one could see clearly what had happened!

Jue Wu hugged the third princess and stared in Qin Yu’s direction. Her face was ashen.

“Qin Yu!” Jue Wu shouted. Her heart trembled violently and was full of worry. At the same time, it aroused her anger!

“It’s all your fault!” Jue Wu gritted his teeth and looked at the third princess. “Let me tell you, if anything happens to Qin Yu, I will definitely tear you into shreds!”

The third princess did not dare to say anything. She could not help but look in Qin Yu’s direction. She, who had always been selfish, indeed had a worried expression.

The smoke and dust slowly dispersed, and the scene below finally displayed in front of Jue Wu.

Qin Yu’s body was wrapped in Golden Light. However, under the impact of the powerful air current, the Golden Light was torn apart. There were even more wounds on Qin Yu’s body.

“Qin Yu!”

Jue Wu couldn’t care about anything else and hurriedly rushed toward Qin Yu.

Qin Yu shook his body and stood up from the ground. He felt the pain faintly come from his back.

“Fortunately, nothing happened,” Qin Yu turned around and said.

Even though his back was bleeding, it wasn’t a severe injury, so it wasn’t a big problem.

Jue Wu hurriedly raised her small hand and placed it on Qin Yu’s body, transmitting her internal qi to him.

"I'm fine." Qin Yu shook his head. "Let's leave this place quickly. No one can guarantee there won't be a third time."

"Mmm," Jue Wu responded. She glared at the third princess and reprimanded, "You're lucky!"

Qin Yu didn't say much. He quickly rushed into the distance according to the direction he had deduced.

And Jue Wu carried the third princess and followed closely behind.

This land was tremendously strange. Qin Yu could still feel numerous internal qi staring at him in the dark.

But when Qin Yu wanted to probe, he could not capture the specific location of the internal qi.

"I'm afraid this internal qi isn't real," Qin Yu thought to himself.

This internal qi was probably not from a specific person but from this land, just like the demonic qi that gave birth to the terrifying green monster.

After moving forward for a long time, the surrounding internal qi finally dimmed slightly. The wound on Qin Yu's back still made him bleed non-stop.

"Let's rest for a while first." Jue Wu frowned.

Although the wound was on the surface, it would probably cause problems if the bleeding did not stop in time.

Seeing no danger in the surroundings, Qin Yu nodded and agreed.

He sat cross-legged on the ground and slowly adjusted his internal qi.

Jue Wu walked to the back of Qin Yu. Using her spiritual energy that was somehow abnormal, she transmitted her internal qi to Qin Yu.

As the wound healed, pain spread throughout his body.

Qin Yu couldn't help but gasp, and his face was full of sweat.

"Hiss!"

Qin Yu took a deep breath and endured the pain.

Not far away, the third princess, lying on the ground, looked at Qin Yu quietly.

Confusion filled her eyes as if she did not understand why Qin Yu wanted to save her.

After a long time, the injuries on Qin Yu's body slowly healed. Jue Wu also stopped transmitting his internal qi.

"If you dare to do this again, I'll beat you to death!" Jue Wu waved her small fists and said fiercely.

"I'm okay," Qin Yu said with a smile.

"It'll be too late if something happens! You're a lunatic!" Jue Wu muttered unhappily.

After saying that, she grabbed the third princess over and stood beside Qin Yu. She looked around vigilantly like a little bodyguard.

...

Qin Yu closed his eyes slightly and slowly adjusted his internal qi.

"Why did you save me?" At this moment, the third princess finally could not help but ask.

"I've promised Elder Si to keep you safe," Qin Yu glanced at her and said.

"Just because you've promised him?" The third princess frowned.

"Otherwise?" Qin Yu asked.

The third princess opened her mouth, not knowing what to say.

The third princess had never kept her promise on Xihuang Island for many years. To her, everyone in this world seemed to be the same.

But today, Qin Yu risked his life to save her, which seemed to have impacted her inherent beliefs.

After a while, the injuries on Qin Yu's body were almost healed.

He stood up and said, "Jue Wu, let's go."

"Mmm," Jue Wu responded. She said in a deep voice, "There's something strange about this place. We have to be careful."

...

At this moment, Qin Yu had a different thought. He smiled and said, "If this place is really dangerous, why would those creatures choose this side and not the safer area on the other side?"

"Also, the skeleton in that house doesn't look like it has any injuries. However, it passed away on the spot. Does this mean the real danger is hiding on the other side?"

Qin Yu's words instantly made Jue Wu somewhat dumbfounded.

She waved impatiently and said, "What are you talking about? I don't understand, and I don't want to hear it. As long as nothing happens."

Qin Yu smiled but did not say anything else. In fact, he already had this thought in her mind just now.

The light beams that soared into the sky seemed tremendously terrifying. They could even easily break through Qin Yu and Jue Wu's defenses. However, when he came into contact with them, they did not have the terrifying lethality he had imagined.

2004 Yan Guyun's Arrival

Perhaps all of this was a man-made cover-up.

Relying on the tremendously vile appearance and the terrifying killing intent, it forced back those who came close.

The real killer was very likely on the other side.

Thus bringing Jue Wu and the third princess along, Qin Yu continued to move forward.

!!

According to the direction he had deduced, Qin Yu did not see another house. However, a small array platform was in a symmetrical position.

Qin Yu quickly walked forward. He arrived near the array platform and discovered a skeleton on the array platform too!

However, different from the skeleton on the opposite side looked dried up, this skeleton looked even more translucent.

Qin Yu took a deep breath and muttered, "Looks like my guess is correct. The terrain here is the Tai Chi Diagram..."

Thinking of this, Qin Yu swept his gaze around and could not help but frown.

"But who has deliberately changed the appearance of this place..." Qin Yu whispered to himself.

If Qin Yu had not been sensitive enough to the Tai Chi Diagram, he could not have seen the actual appearance of this place.

"There's a skeleton here too. What's going on?" Jue Wu muttered.

"I don't know either," Qin Yu shook his head and said.

He stretched out his hand and placed it on the skeleton.

As expected, this skeleton also emitted an extremely mysterious glow.

“Is it related to me or my physique?” Qin Yu was shocked.

He moved the skeleton away, but did not see unusual changes on the array platform.

Qin Yu went around this array platform for a long time. However, he still could not detect any changes.

“D*mn it! If only the man with the mustache were here,” Qin Yu thought to himself.

With his experience, he would definitely know the secret here.

“Man with the mustache, I know you’re around. Stop hiding and come out, ” Qin Yu tried to shout.

Unfortunately, the man with the mustache did not show up this time.

It was evident even the man with the mustache had never discovered this place.

“What secret is hidden here?” Qin Yu scratched his ears and cheeks anxiously, but he had no idea.

“Don’t overthink for now. I’m hungry. Hurry up and find something to eat.” Jue Wu patted her belly.

Transmitting her internal qi to Qin Yu just now consumed a large amount of her spiritual power. She needed to replenish her physical strength now.

Fortunately, there were many creatures here. Soon, Jue Wu brought back a few wild beasts and roasted them.

Qin Yu, on the other hand, did not have such leisure. He sat there cross-legged and tried to deduce the dao technique on this land.

However, Qin Yu’s level was too low, and he failed to deduce anything at all.

After much thought, Qin Yu decided to stay here for the time being. He guessed the people from the other aristocratic families could not find him anytime soon.

If he could find some great opportunities here, everything would be worthwhile.

The sky gradually darkened, and Jue Wu started to feel sleepy. She lay down and fell asleep.

The pampered third princess was even more sleepy and had fallen asleep much earlier.

Qin Yu was the only one trying hard to recall the relevant details and the legends about the Tai Chi Diagram.

Back on Earth, the Tai Chi Diagram contained the universe and all living things. The so-called Tai Chi gave birth to all living things, indicating the beginning of the world.

“Initial...” Qin Yu silently pondered over this word.

He suddenly thought of a possibility!

Chaos!

Heaven and earth started from chaos. In addition to the special reaction between Qin Yu and the two skeletons, was the secret of chaos or chaotic body hidden here?

Thinking of this, Qin Yu suddenly woke up!

“I understand now,” Qin Yu murmured.

This place probably needed a special method to move the entire land before discovering the secret below!

However, with Qin Yu’s methods, he could not move this land because he did not know the formation of the terrain.

“If I can find the man with the mustache, I might be able to obtain the opportunity of this chaos!” Qin Yu instantly became tremendously excited!

He hurriedly got up and planned to leave this place.

But when he saw Jue Wu sleeping soundly, he dismissed the idea.

“Let’s wait until they wake up. It doesn’t make much difference with a day or two anyway,” Qin Yu thought to himself.

However, at this moment, several incredibly powerful internal qis were rapidly approaching!

These internal qis instantly made Qin Yu feel unease in his heart!

“Someone is coming!” Qin Yu’s expression changed drastically!

The terror of these internal qis was beyond imagination. It was completely different from the internal qi he sensed during the day!

Qin Yu suddenly stood up. Without thinking much, he immediately woke Jue Wu up from her sleep.

“Keep an eye on the third princess. Someone is coming,” Qin Yu said coldly.

Jue Wu sat up abruptly. She hurriedly ran to the third princess and woke her up. Then she grabbed her neck.

...

The third princess, suddenly awakened, was dumbfounded. However, she dared not say anything when she saw the fiendish Jue Wu.

Qin Yu looked coldly toward the source of the internal qis and waited quietly.

A moment later, the void began to tremble.

Following that, figures appeared in front of Qin Yu, one after another.

Their movements were tremendously fast, silently blocking Qin Yu and Jue Wu.

In the next second, a big and tall man walked out of the void.

His expression was cold and dignified. He was authoritative without getting angry. The internal qi on his body made people prostrate and worship him.

“You came fast.” Qin Yu’s heart was in turmoil, but his look remained calm.

He looked at the big and tall man opposite him and asked in neither an overbearing nor self-effacing tone, “Who are you?”

The man placed his hands behind his back and said coldly, “Yan Guyun of the Yan family.”

“People from the Yan family?” Qin Yu’s expression turned even uglier. Not far away, Jue Wu was incredibly vigilant, afraid that Yan Guyun would snatch the third princess away.

...

Qin Yu took a deep breath. He didn’t want to conflict with the Yan family, so he bowed and said, “I have no intention of becoming enemies with the Yan family. The reason I did this was I really had no choice. I hope senior can understand.”

“Understand? You snatched the third princess of the Yan family, and you still dare to seek my understanding?” Yan Guyun’s attitude was extremely overbearing.

“As long as Senior allows us to leave, I guarantee the third princess will return to the Yan Family safe and sound,” Qin Yu frowned and said.

“Are you qualified to negotiate with me?” Yan Guyun said coldly.

“Stop talking nonsense!” Jue Wu, by the side, immediately scolded. “If you continue to talk nonsense, I’ll snap her neck!”

“Oh?” Yan Guyun raised his eyebrows. At this moment, his eyes suddenly jerked, and Jue Wu’s body flew out uncontrollably!

The third princess, who was now out of Jue Wu’s control, was easily rescued by Yan Guyun!

All of this happened in a flash. The speed was so fast that no one could react in time!

“What terrifying strength!” Qin Yu’s expression changed drastically! The strength of Yan Guyun opposite him had reached an unimaginable level!

2005 Uncle Yan versus Yan Guyun

Jue Wu, who had powerful combat power, was actually directly sent flying by a thought from him!

What realm had Yan Guyun stepped into? Could it be a True Saint?

Thinking of this, Qin Yu’s expression instantly changed drastically!

Now that Yan Guyun had taken away her last trump card, Qin Yu had no chance of winning!

“Third Princess, are you alright?” Yan Guyun asked.

The third princess, who was always unruly, appeared somewhat calm in front of Yan Guyun. She only nodded.

“Take the third princess to the side and protect her well,” Yan Guyun said lightly.

“Yes!”

The few people beside him immediately brought the third princess to the side and used a secret technique to protect her.

Qin Yu’s expression was tremendously ugly. From the conversation between Yan Guyun and the third princess, one could see that Yan Guyun had a very high status in the Yan family. Even in front of the third princess, he was neither overbearing nor self-effacing.

“D*mn it!”

At this moment, Jue Wu had already rushed over. She didn't care about Yan Guyun's strength and status at all and was about to attack.

Qin Yu hurriedly stopped Jue Wu and shook his head. "No, this Yan Guyun is not someone we can deal with."

"I don't care who he is!" Jue Wu said fiercely.

"Listen to me!" Qin Yu scolded. "Don't die in vain!"

After saying this, Qin Yu looked at Yan Guyun.

He took a deep breath and cupped his hands. "Senior, this matter has nothing to do with Jue Wu. Can you let her leave first? She is the closed-door disciple of Dean Lei."

"Are you trying to scare me with Dean Lei?" Yan Guyun raised his eyebrows.

"I don't dare..." Qin Yu instantly felt even more uneasy.

"This matter has nothing to do with Jue Wu. I will bear the responsibility for everything!"

"Bear my a*s!" Jue Wu couldn't care less. Her body glowed with purple light, and she immediately rushed toward Yan Guyun!

Qin Yu's expression changed drastically upon seeing this, and he hurriedly shouted, "No!"

However, it was too late. Jue Wu held the purple light in her hand and charged directly at Yan Guyun!

Yan Guyun's expression was incredibly calm. Looking at Jue Wu, he snorted, waved his sleeve, and a powerful energy surged out!

"Bang!"

As expected, the purple light on Jue Wu's body was instantly destroyed as soon as they came into contact. Her body was also sent flying!

When Qin Yu saw this, he hurriedly got up and held Jue Wu. But even so, Qin Yu still suffered a huge impact and only stabilized his body after a long time!

"What a terrifying power!" Qin Yu's expression changed drastically!

He looked at Jue Wu in his arms. Jue Wu was covered in blood, and her internal qi was weak.

Such strength could not help but shock people!

Just a casual wave of his hand had shaken Jue Wu into severe injuries. It was truly terrifying!

Without hesitation, Qin Yu hurriedly sent spiritual energy to Jue Wu. Fortunately, Yan Guyun didn't kill her, so Jue Wu's life wasn't in danger.

"She was the one who attacked me first. Even Dean Lei can't do anything to me," Yan Guyun said lightly.

Qin Yu gritted his teeth. He walked forward and said, "Senior, I will bear all the consequences. Please send Jue Wu to Thunder Courtyard..."

"Oh?" Yan Guyun smiled faintly. He put his hands behind his back and said, "You dare to attack the third princess, which is a capital crime. No one can save you."

"You want to kill me?" Qin Yu was feeling uneasy.

Yan Guyun didn't hide his thoughts. He nodded and said, "That's right."

Qin Yu took a deep breath and said, "I'm sorry then. I won't sit still and wait for death."

"Oh?" Yan Guyun raised his eyebrows. His eyes were full of contempt as if he was looking down at an ant.

"Even if you're incredibly powerful, I still want to try," Qin Yu said coldly.

With that, the Golden Light on Qin Yu's body instantly erupted, and he adjusted his internal qi to the extreme!

Then Qin Yu stepped on the line word formula and rushed toward Yan Guyun!

He clenched the Ten Thousand Spell Breaking Punch and unleashed all his strength!

However, Yan Guyun did not move at all. Looking at the approaching Qin Yu, his body emitted a thin layer of light.

"Bang!"

As soon as Qin Yu's fist came into contact, he was immediately counterattacked by a powerful force, and his body flew backward!

Not only did his punch fail to break Yan Guyun's defense, but it also made him spit blood!

"How terrifying..." Qin Yu wiped the blood from the corners of his mouth, and his expression became even more shocked!

What kind of strength was this? It was so terrifying!

Qin Yu was unwilling to give up. He charged at Yan Guyun again, unleashing all his secret techniques and bombarding Yan Guyun.

Unfortunately, none of the techniques could break through Yan Guyun's defense.

He stood there without moving, allowing Qin Yu to attack.

In just a while, Qin Yu was almost exhausted.

He panted heavily, a trace of despair emerging from the bottom of his heart.

...

"He is too strong. I have no chance of winning..." Qin Yu murmured in a trembling voice.

It was the first time he had felt such despair. Yan Guyun was like an insurmountable mountain that no one could shake.

"Is it over?" Yan Guyun said lightly.

Qin Yu's expression was ugly, but he did not say a thing.

Yan Guyun sighed. He raised his hand and said, "Then it's my turn."

As he raised his palm, a terrifying power that could overturn the heavens and earth surged!

Everything in the surroundings was instantly destroyed. Even though far away, one could still feel the powerful sense of oppression!

Under this sense of oppression, Qin Yu could not even move!

"Senior, I still have something to say!" At the critical moment of life and death, Qin Yu hurriedly shouted!

Unfortunately, Yan Guyun didn't care. He raised his hand and said, "You have nothing to say."

After saying that, the big hand pressed down in Qin Yu's direction!

...

A destructive force immediately approached Qin Yu! Before the palm reached him, Qin Yu had been pressed to the ground!

The Golden Light on his body instantly crushed, and his bones made cracking sounds!

Once this palm landed, he would die without a doubt!

At this moment, an enormous hand reached out from the dark and headed toward Yan Guyun!

“Boom!”

At the moment of collision, a terrifying power swept out, and the void collapsed bit by bit!

When the light fell, a middle-aged man stood opposite Qin Yu.

“Yan... Uncle Yan!” Qin Yu was shocked! He didn’t expect the person who attacked to be Uncle Yan!

Not far away, Yan Guyun was not surprised. He put his hands behind his back and said indifferently, “Yan Pingnan, you finally showed up.”

Uncle Yan smiled, then cupped his hands and said, “It seems you have already noticed me.”

Qin Yu frowned slightly again.

Yan Guyun’s status was even higher than Uncle Yan’s! The Yan family actually sent such an existence!

2006 Third Princess Pleading

Qin Yu raised his head to look at Uncle Yan, wanting to see something from his face. Unfortunately, Uncle Yan was merely smiling, so he could not see anything.

“Yan Pingnan, whose idea is it that you’re making a move now?” Yan Guyun asked.

“It’s the saintess’s will. She wants me to save Qin Yu no matter what.” Uncle Yan bowed and said with a smile.

“In that case, the saintess is indeed related to this Qin Yu?” Yan Guyun raised his eyebrows.

“I’ve never asked about things that have nothing to do with me,” Uncle Yan said with a smile.

Yan Guyun sneered. He put his hands behind his back and said, “Do you know what it means for Qin Yu to attack the third princess? If we don’t teach him a lesson, how will the Yan family keep a foothold in the future?”

“Didn’t you already teach him a lesson?” Uncle Yan was still smiling.

Yan Guyun shook his head and said, “The order of the family head is to kill Qin Yu. It is a lesson for him.”

Qin Yu could not help but sigh after hearing Yan Guyun's words.

He had finally fallen out with the Yan family. The Yan family had indeed planned to kill him. It would be difficult for him to get in touch with Yan Ruoxue in the future.

"The saintess's idea is to protect Qin Yu," Uncle Yan continued.

"You should know I'm only responsible to the family head. I only listen to his orders," Yan Guyun said lightly.

"Then you should know I am only responsible for the saintess and only listen to her orders," Uncle Yan smiled faintly and said.

Yan Guyun's face turned cold. He looked at Uncle Yan and said, "Yan Pingnan, so you're planning to attack me?"

"If I have no choice, I can only attack you," Uncle Yan said.

Yan Guyun looked at Uncle Yan coldly and said, "Do you think you can stop me?"

"Maybe I can try." The internal qi on Uncle Yan's body quietly burst out.

Qin Yu knew he couldn't help with anything, so he immediately carried Jue Wu and hid to the side.

The two internal qis clashed non-stop in the void, and the clashing sound was endless. It was tremendously terrifying.

The collision of such existences could destroy a city easily. It would be hard to preserve the Tai Chi Diagram here.

"You're courting death," Yan Guyun said coldly and walked toward Uncle Yan.

Just as the two parties were about to fight, the third princess suddenly ran over.

She stood opposite Yan Guyun, shook her head, and said, "Let's forget it."

Yan Guyun was stunned. He couldn't believe his ears.

"Third Princess, what did you say?" Yan Guyun frowned slightly.

"I said forget it," the third princess repeated. "Let them go."

Not only was Yan Guyun stunned, but even Uncle Yan was dumbfounded.

The third princess was a person who would always seek revenge for a tiny grievance. She regarded human lives as worthless, so how could she let Qin Yu off so easily?

“Third Princess, have you been harassed? With me around, you don’t have to be afraid,” Yan Guyun said coldly.

The third princess shook her head and said. “No, Qin Yu didn’t do anything to me. Let him go.”

“What about your injuries?” Yan Guyun looked at the third princess in disbelief.

“This has nothing to do with Qin Yu,” the third princess frowned and said. “Anyway, let him go. I want to go back now. I’m tired.”

Yan Guyun remained silent as if he was thinking about something.

The third princess said unhappily, “My father wants you to save me and bring me back. If you don’t let him go, I won’t go back either!”

Yan Guyun could not help but laugh bitterly.

He shook his head, and the internal qi on his body slowly dissipated.

Following that, Yan Guyun glanced at Qin Yu and said with a hint of a smile, “It seems you have some ability to make the third princess plead for you.”

Qin Yu dared not speak. He stood at the side without saying a thing.

“Yan Pingnan, you’re lucky,” Yan Guyun said. “But since you dare to go against me, I will remember this.”

Uncle Yan bowed slightly and did not reply.

Yan Guyun didn’t say anything else. He waved his hand and said, “Bring the third princess back.”

“Yes.”

The surrounding people stepped into the void and left in the blink of an eye.

Qin Yu only heaved a sigh of relief after they left.

“Uncle Yan, thank you,” Qin Yu cupped his hands and said.

Uncle Yan looked at Qin Yu curiously and said, “How did you get the third princess to plead for you? Don’t tell me you had a hold over her?”

“I only saved her life,” Qin Yu shook his head and said.

“You saved her life?” Uncle Yan was even more surprised.

Qin Yu didn’t elaborate on this matter but changed the topic. “Uncle Yan, did Ruoxue send you here?”

“Otherwise?” Uncle Yan sighed slightly. “Kid, since the family head has sent Yan Guyun, it means he has the intention to kill you. You’re on your own now.”

“Uncle Yan, what is the background of this Yan Guyun?” Qin Yu smiled bitterly and said. “His strength is indeed so terrifying...”

“You don’t have to know that. In any case, Yan Guyun is not someone you can mess with,” Uncle Yan said.

After saying this, Uncle Yan looked into the distance and said, “I should go back and report my work. I believe the Yao family will arrive soon. You should leave early and return to Thunder Courtyard.”

“I know, Uncle Yan.” Qin Yu nodded.

...

He thanked Uncle Yan again and carried Jue Wu, planning to leave this place.

Although there were secrets hidden in this place, staying alive was the most important thing at the moment. Qin Yu could only leave for now.

...

At the Yan family, Yan Ruoxue was sitting on the edge of the cliff. Her eyes were closed, and her surroundings were emitting a holy light.

However, these lights were tremendously unstable. They were at times bright and at times dim, indicating the tremendously uneasy feeling in the heart.

Yan Ruoxue sighed slightly. She slowly opened her eyes and looked into the distance.

At this moment, Uncle Yan’s internal qi appeared on Mount Donghuang. Yan Ruoxue hurriedly stood up floating toward Uncle Yan’s direction.

Soon, Uncle Yan arrived in front of Yan Ruoxue.

“Uncle Yan, how is it?” Yan Ruoxue asked anxiously.

“It’s fine now,” Uncle Yan said with a smile.

Upon hearing this, Yan Ruoxue’s anxious heart finally relaxed.

...

“You and Yan Guyun...didn’t fight, right?” Yan Ruoxue asked.

“If we had fought, I wouldn’t be standing here safe and sound.” Uncle Yan smiled bitterly.

This surprised Yan Ruoxue. She asked in confusion, "Yan Guyun didn't make a move? How did you do it?"

"I'm afraid you'll have to ask the third princess about this," Uncle Yan sighed with emotion and said. "Looks like this Qin Yu is indeed quite capable. Even the third princess took the initiative to plead for him..."

"The third princess pleaded for Qin Yu?" Yan Ruoxue was stunned. She couldn't believe her ears.

"It's very surprising, isn't it?" Uncle Yan nodded slightly and said.

2007 Attack Again!

Yan Ruoxue also sighed and said, "It indeed surprised me. Third Princess... is a stubborn lord."

"Whatever it is, this matter has been resolved perfectly. You can put your worries to rest now. "

Uncle Yan didn't tell Yan Ruoxue his actions had caused Yan Guyun to target him, which would cause a fight in the future.

...

After the escape, Qin Yu and Jue Wu rushed into the distance.

Since the Yan family had discovered this place, they would probably arrive soon.

From the looks of it, Thunder Courtyard was the safest place now. However, Qin Yu did not want to return to Thunder Courtyard at the moment. Moreover, Jue Wu was in urgent need of treatment.

After fleeing for a long time, Qin Yu arrived at a somewhat remote city.

This city was called Five Mountain City. It had five mountains towering into the clouds, like five pillars of the sky.

Five Mountain City was a mining city. Almost all the people there lived off the mines. Their daily job was to mine and exchange for spirit coins.

Qin Yu brought Jue Wu to an inn and stayed there temporarily.

After entering, Qin Yu could not wait to treat Jue Wu's injuries.

Although Jue Wu's injuries weren't serious, her internal qi was extremely weak. If Qin Yu hadn't protected her vitality gate in time, her primordial spirit would probably have dissipated by now.

Without delay, Qin Yu took out the medicinal cauldron and started refining qi-replenishing pills for Jue Wu.

This kind of pill was not considered high-grade, so it was not a problem for Qin Yu. In just a few hours, Qin Yu had already refined dozens of qi-replenishing pills.

He fed Jue with the pills, but her internal qi didn't change at all. Her tightly closed eyes showed no signs of opening.

Qin Yu frowned. He stretched out his hand trying to sense Jue Wu's internal qi.

As expected, her internal qi was still extremely weak.

"How could it be..." Qin Yu's expression was tremendously ugly.

He tried to feed Jue Wu a few more pills, but the result was the same. Jue Wu did not react to the pills at all.

Qin Yu instantly panicked. He hugged Jue Wu and was at a loss.

Qin Yu's feelings for Jue Wu were rather complicated. It was no exaggeration to say she was definitely one of the people Qin Yu trusted the most.

If anything happened to Jue Wu, Qin Yu's dao heart would be in chaos!

"Why is the qi-replenishing pill not helping..." Hugging Jue Wu, Qin Yu's heart trembled slightly.

Looking at Jue Wu's weak body, Qin Yu could not help but feel his heart aching.

"No, I can't let Jue Wu follow me anymore." Qin Yu gritted his teeth.

If she met someone like Yan Guyun, she might lose her life!

Qin Yu tried numerous methods but failed to wake Jue Wu up. After thinking about it, he decided to head to Zhongzhou to look for a higher-level alchemist to treat Jue Wu's injuries!

Sky City was definitely a tremendously dangerous place now. However, for the sake of Jue Wu, Qin Yu planned to take the risk and give it a try.

Just as Qin Yu was about to leave Five Mountain City, he suddenly thought of something!

"Could it be... due to her physique?" Qin Yu slapped his head and recalled his encounter in Nanzhou.

That time, when Jue Wu was injured, she only needed to eat and drink a lot, and her body returned to normal!

Thinking of this, Qin Yu hurriedly settled Jue Wu down. Then he ran out of the inn and went to the tavern to buy meat and wine.

Qin Yu couldn't wait to rush back to the inn with the wine and meat.

He fed the meat and wine to Jue Wu. As expected, when she ate the 108th duck leg, she slowly opened her eyes, and her internal qi recovered by more than half!

Seeing this scene, Qin Yu instantly heaved a sigh of relief.

"Really...a weirdo." Qin Yu could not help but shake his head.

Jue Wu opened her eyes sleepily. She scratched her head and said in a daze, "Where is this place?"

Qin Yu smiled bitterly and could only tell Jue Wu what had happened.

After hearing this, Jue Wu seemed to have thought of something.

She frowned slightly and said in a low voice, "That Yan Guyun is extremely terrifying. With my strength, I'm afraid I won't be able to do anything to him at all! Moreover... I don't think it was even his true strength."

Qin Yu also had the same feeling. He looked at Jue Wu and said coldly, "After all, he's from the Yan family. In the future, we will encounter more powerful existences like him. If we bump into them, we will definitely die!"

After hearing what Qin Yu said, Jue Wu said casually, "If we're afraid of them, we'll just run!"

Qin Yu, who had wanted to take the opportunity to scare Jue Wu, could not help but sigh.

Jue Wu had always been insensitive. How could she be frightened by a few of Qin Yu's words?

"Jue Wu, with your strength, you will surely surpass Yan Guyun in the future and become one of the strongest people in the entire starry sky," Qin Yu said in a deep voice.

"Why are you telling me this?" Jue Wu asked, feeling puzzled.

"Therefore, you don't need to risk your life by staying by my side," Qin Yu said solemnly. "You'd better hurry back to Thunder Courtyard. With Dean Lei around, I believe no one will dare to do anything to you."

Jue Wu glared and immediately reprimanded, "I'm not leaving! What're you going to do after I leave? Unless you come back to Thunder Courtyard with me!"

"I have my own methods. As long as you don't follow me, no one will know my identity," Qin Yu said coldly.

After that, Qin Yu immediately activated his secret technique and changed his appearance.

"In this way, no one can find me. However, if you follow me, you will attract their attention instead. Therefore... You should rush back to Thunder Courtyard," Qin Yu said coldly.

"Do you think it works?" Jue Wu sneered and said. "With your methods, once you meet someone like Yan Guyun, I'm afraid you'll be seen through with a glance, right?"

Qin Yu opened his mouth but could not refute what Jue Wu said.

...

Yan Guyun's strength had surpassed Qin Yu's understanding. No one knew how powerful he was.

"Alright, I won't be going back. Don't forget I still have a Saint Weapon I haven't used," Jue Wu grinned and said.

"I underestimated him this time. Next time, I'll take out my Saint Weapon. Even if I can't kill him, I can at least escape." Jue Wu said casually.

Qin Yu shook his head helplessly. He knew it was impossible to change Jue Wu's thoughts. Thus he did not say anything else.

"Looks like I have to think of a way to get a magic artifact for Jue Wu that can hide the internal qi," Qin Yu thought to himself.

In the following few days, Qin Yu and Jue Wu did not leave Five Mountain City. They planned to hide here for the time being and observe in secret.

If the people from the nine great aristocratic families were to pursue them relentlessly, they could only escape when the time came.

Another five days went by. Five Peak Mountain was still quiet. At the same time, the mysterious person of the demon race attacked again!

His target this time was even more shocking because that person was none other than the previous Holy Son of the Yan family, Yan Yunfan!

2008 Change in Jue Wu

This battle shocked everyone, and it also fully revealed the determination of the mysterious demon race!

He was definitely not doing this to so-called promote himself but to attack the nine great aristocratic families!

Yan Yunfan's status was extraordinary. He was once the Holy Son of the Yan family and the most valued heir of the Yan family.

Even though Yan Ruoxue has replaced his status, the entire Holy Region knew Yan Yunfan still maintained his extraordinary status. He was not weaker than Yan Ruoxue!

Qin Yu walked out of the inn. Almost the people in the entire street were discussing this matter.

Even though Five Mountain City was very small, the people were discussing this matter. It was evident how terrifying the influence of this matter was!

Qin Yu found a tavern and stopped for a while. He asked for some wine and listened to the discussions of the people around him while drinking.

"Rumor has it that Yan Yunfan met that mysterious person not long after he left the Yan family!"

"Yes, yes, I heard about it too! Rumor has it that they met in a Mystic Realm the Yan family had just developed!"

"He dared to attack him at the Yan family's place. How terrifying!"

"I heard the battle lasted for three full days. In the end, the elders of the Yan family came out and scared off that mysterious person!"

"How terrifying! He actually escaped from the territory of the Yan family!"

Hearing everyone's discussion, Qin Yu could not help but interrupt, "What was the outcome of the battle?"

"Yan Yunfan's blood spilled all over the sky. Although there was no winner, he was clearly on the losing side!"

"That mysterious person relied on his tremendously fast speed to escape from the Yan family with a flap of his wings. How terrifying!"

"Is that pair of wings a secret treasure, or was he born with it?"

Hearing their discussions, Qin Yu became even more interested in this mysterious person.

Demon race? Azure Rock Forest? Could it be that he came from the depths of Azure Rock Forest?

The depths of Azure Rock Forest had always been a secret. Almost everyone who walked in died inside.

Even if they were lucky enough to escape, they would not talk about what they had seen and heard in Azure Rock Forest. Thus it became even more mysterious.

It was said that back then, great cultivators at the Tribulation Stage visited the place but received no response. Only a handful of the Immortal Emperors forcefully entered.

However, the Immortal Emperors were too legendary. They also did not leave behind any reference documents.

“Speaking of which, this mysterious person has temporarily relieved my pressure,” Qin Yu thought to himself.

The actions of the mysterious person were getting more rampant. Thus the nine great aristocratic families could not divert much attention to dealing with Qin Yu.

After all, Qin Yu’s threat was very minimal. There was only a slight uncertainty.

“Everyone, that mysterious person has appeared repeatedly. Did he not leave behind any facial features?” Qin Yu asked, feeling puzzled.

“No. Rumor has it that this mysterious person covered his face with a secret technique. We only know he has a pair of slender arms and is very tall and thin. He doesn’t look like a human,” someone answered.

Qin Yu rubbed his chin.

This description was somewhat similar to Xiao Sheng, but he didn’t have wings.

Moreover, Xiao Sheng would never do such a thing. He was a lord full of pride. He would never hide his face even if he wanted to do it.

Qin Yu stood up and left the tavern. On his way, he bought some food for Jue Wu and then hurried back to the inn.

After he served the wine and meat, Jue Wu wolfed down the food as if she hadn’t eaten for days.

"I'm going out in a few days. Wait for me here," Qin Yu said while she was eating.

Hearing this, Jue Wu immediately stopped what she was doing.

She raised her head and said cautiously, "You're not taking this opportunity to leave me behind, are you?"

Qin Yu could not help but laugh. He shook his head and said, "Of course not. What are you thinking?"

Jue Wu looked at Qin Yu and said word by word, "If you abandon me, I will never forgive you."

Qin Yu was stunned and instantly froze on the spot.

For some reason, Qin Yu could not help but feel his heart aching when he heard this.

"Don't worry. I won't abandon you no matter what," Qin Yu said as he stood up.

With Qin Yu's guarantee, Jue Wu immediately relaxed and continued eating.

After eating and drinking to her heart's content, Jue Wu took out the demonic egg and began studying it carefully.

During this period, there was still no reaction from the demonic egg. What surprised Qin Yu was the matter of the demonic egg actually did not cause any commotion. No one even came to fight for it.

"Is this demonic egg just an ordinary stone?" Qin Yu asked, feeling puzzled.

If it was a treasure, why didn't anyone fight for it?

Even if the nine great aristocratic families did not make a move, those mysterious sects wouldn't have sat still long ago!

The Holy Region was huge, and only the heavens knew how many mysterious sects were hiding in the dark, waiting for an opportunity to strike. No one knew how powerful their hidden strength was.

For instance, the Satan that Qin Yu knew was not an aristocratic family on the surface, but it possessed incredibly mysterious and terrifying secret techniques. Some tremendously powerful experts were most probably guarding it.

"Forget it. I can't be bothered," Qin Yu muttered.

Looking at Jue Wu's serious expression, Qin Yu didn't want to say anything.

After thinking about it, Qin Yu decided to leave the following day and accompany Jue Wu for another night.

That night, Jue Wu held the demonic egg in her arms. She looked at the starry sky outside and couldn't help but sigh and say, "I wonder how Wen Er is doing now."

At the mention of Wen Er, Qin Yu felt a little uncomfortable.

However, he was just a small character. No one would do anything to him.

...

"Wen Da's revenge... I will avenge," Qin Yu said.

At this moment, Jue Wu suddenly turned to look at Qin Yu. She smiled and said, "On the day of the meeting, I was actually planning to take the opportunity to attack Elder Si and avenge Wen Da."

Qin Yu was startled. He suddenly recalled the abnormality of Jue Wu at that time.

During those few days, the usually lively Jue Wu became silent.

Qin Yu felt a little strange at that time. However, he didn't think much about it. He didn't expect Jue Wu to have such thoughts.

"I have a Saint Weapon. If I suddenly attack, I'm confident I can kill him." Jue Wu's tone was cold.

Qin Yu opened his mouth and asked, "Why did you change your mind then?"

"The plan couldn't keep up with the changes. I only realized that day that they probably wouldn't let you leave Sky City," Jue Wu sighed and said.

"Therefore... you shifted your focus on the third princess so that I can escape?" Qin Yu frowned even more.

Jue Wu said proudly, "How about that? Am I smart?"

Qin Yu was instantly speechless, and he felt even more upset.

...

Jue Wu wasn't a very considerate person. She was insensitive and had a carefree personality. But now, she could think so thoroughly for Qin Yu, even giving up her own plan.

It made Qin Yu feel more than just gratitude.

2009 Meeting Xiao Yu Again

However, Jue Wu didn't seem to have considered that much. She was just proud of her "wise decision".

"I promise you. I will definitely make the Si family pay the price," Qin Yu bent his body and said seriously.

Jue Wu looked at Qin Yu in a daze. A moment later, she smiled and said, "What are you doing? Don't disturb my meal."

Qin Yu smiled. He did not continue the topic and slowly stood up.

!!

Qin Yu, who had mixed feelings, definitely could not fall asleep. Therefore, he walked out of the inn and planned to take a stroll around Five Mountain City.

At night, Five Mountain City was not as quiet as he had imagined.

Below the five mountains, people were still working hard and mining.

The people worked hard and heartily to exchange for a meager amount of spirit coins. They did not seem to have a high pursuit of cultivation but just wanted to live a stable life.

Qin Yu walked to the foot of the mountain. Looking at the people working hard, all sorts of feelings could not help but well up in his mind.

At this moment, Qin Yu suddenly sensed a trace of a strange internal qi approaching Five Mountain City.

Five Mountain City was not big, and Qin Yu's divine sense could cover it completely. No one approaching could escape from Qin Yu's divine sense.

Qin Yu frowned slightly and said in a low voice, "Don't tell me the Yao family is here?"

But soon, Qin Yu felt it unlikely because this internal qi was tremendously obscure and totally different from the Yao family.

The closer the internal qi was, the more Qin Yu frowned.

Qin Yu planned to find a place further away from the inn so that Jue Wu would not be implicated.

However, at this moment, Qin Yu noticed the internal qi did not seem to be approaching him but the inn instead.

"Hmm?" Qin Yu's expression changed drastically.

He quickly guessed something!

The demonic egg!

Someone had their eyes on the demonic egg!

Without hesitation, Qin Yu turned into a golden light and flashed through the sky. Stepping on the line word formula, he rushed toward the inn!

Before he even reached the vicinity of the inn, Qin Yu had discovered five traces of strange behavior.

Five people in black robes stood quietly as if waiting for something.

Seeing Qin Yu barging in, the few people quickly looked toward him.

“Is the demonic egg with you?” one of them asked.

Qin Yu’s heart thumped.

These people were indeed here for the demonic egg!

“The demonic egg is with that person called Jue Wu. This kid is very close to Jue Wu,” another black-robed man suddenly spoke.

“It’s fine. Take him down and use him to exchange for the demonic egg,” another person said coldly.

Qin Yu coldly glanced at the few of them and could not help but sneer and said, “Just a few of you?”

These few people’s internal qis were tremendously obscure. Under Qin Yu’s prying eyes, their strength did not seem formidable. Thus Qin Yu was not worried in the slightest.

Therefore, he adjusted his internal qi and planned to fight these people.

But in the next second, Qin Yu’s expression changed.

It was because a black-robed man had suddenly appeared behind Qin Yu before he could make a move.

It was so fast that even Qin Yu could not react in time!

At this instant, Qin Yu only felt as if a knife was on his back, and he was as if being stared at by a wild beast. Cold sweat flowed down unconsciously!

“Go to hell!” In his panic, Qin Yu shouted, turned around, and threw a punch!

However, the other party casually raised his palm and grabbed Qin Yu’s fist.

Just this light touch made Qin Yu’s back turn cold!

Not only was his internal qi easily dissolved, but even the spiritual energy in his body was also flowing away!

“D*mn it!” Qin Yu wanted to withdraw his fist, but the other party’s palm had already grabbed his wrist firmly like an iron clamp. He could not move at all!

A few of them instantly looked at Qin Yu coldly as if they were looking at a clown.

“Who are you exactly?” Qin Yu exclaimed.

The other party ignored him and said coldly, “Using you to exchange for the demonic egg is not a loss.”

However, they did not move. Instead, they looked in a specific direction as if waiting for something.

The surroundings were silent. Other than Qin Yu’s struggle, there was no other movement.

Qin Yu was tremendously shocked in his heart at this moment. He could not figure out what kind of existence these people were!

With such terrifying strength, they were probably not much weaker than Yan Guyun!

“Whizz!”

A gust of eerie wind blew past at this moment, causing their clothes to flutter in the wind. The bone-chilling chill made them shiver uncontrollably.

At a glance, it was like a black hole with a bloody mouth open. It was extremely dark and made people shudder.

“He’s here.” At this moment, a black-robed man spoke coldly.

Hearing this, the black-robed man who captured Qin Yu immediately exerted more strength in his hand.

“Whizz..”

...

The wind blew even stronger now. The originally bright sky was now covered in dark clouds.

A large dark cloud slowly floated over from afar, covering the sky and the earth.

As the dark cloud covered the sky, a cultivator with a graceful figure slowly appeared.

She slowly walked out of the darkness as if unanimous with the dark cloud in the sky. It was incredibly magical.

The people present immediately became somewhat nervous. They seemed to have felt the extreme coldness from the other party's body.

Qin Yu fixed his gaze on the figure that walked out from the darkness. However, in the dark, Qin Yu could not see clearly.

As she walked closer, she finally revealed her figure.

She had a graceful figure wearing a long white dress. The mask on her face flickered.

"Xiao... Xiao Yu!"

Qin Yu's eyes widened! It was none other than Xiao Yu!

Compared to previously, the internal qi on Xiao Yu's body had become even colder. It was incredibly icy!

...

Xiao Yu walked closer, step by step. The coldness increased with every step she took.

"Xiao Yu!" Qin Yu hurriedly shouted, but Xiao Yu ignored him and only looked at them coldly.

"Don't move!" a black-robed man hurriedly shouted.

"I know this kid is an acquaintance of yours. I advise you to mind your own business. Otherwise, don't blame us for being harsh!"

Xiao Yu looked at them coldly without saying a thing. No one could guess what she was thinking.

"I know someone has been watching the demonic egg, but you'll kill him whenever someone gets close to it. That's why we went ahead to catch this kid. I'd like to see what you're going to do now!" a black-robed man sneered and said.

"That's right. If you dare to come closer, we'll kill this kid immediately!" another black-robed man said.

But at this moment, the black-robed man who spoke suddenly froze on the spot!

In the next second, his expression turned distorted, and his body kept trembling!

Before everyone could recover from their shock, the black-robed man's body exploded and turned into a pool of blood mist!

2010 The Relationship Between the Demonic Egg and Xiao Yu

The strange death made the several black-robed men feel uneasy.

Qin Yu frowned as well. He was also unsure of the method Xiao Yu had used to take his life!

"This woman is strange. Everyone be careful!" a black-robed man hurriedly shouted.

At this moment, Xiao Yu attacked again.

Densely packed black chains emerged from her body, each carrying a sinister and icy aura. They were incredibly terrifying.

The black-robed men's faces instantly turned solemn. They mobilized their internal qis and were ready to counterattack at any time.

"Rattle!"

The chains moved, making a terrifying rattling sound!

This sound seemed to come from the depths of hell. It was tremendously terrifying and caused people to fear from the bottom of their hearts!

"Swoosh!"

Soon, these chains shot toward them!

Each chain was incredibly fast. Although it did not seem to have any special internal qi, it made people shudder!

The black-robed men naturally did not dare to be negligent. They erupted with extremely terrifying internal qi and extended their palms simultaneously to receive the chain!

However, something terrifying happened. The chains pierced through their palms and followed by their arms!

The sound of bones crushing was heard endlessly!

Their arms were pierced into pieces!

However, this was not the end yet. The chains pierced through their arms and headed straight for their heads!

These black-robed men naturally would not sit still and wait for death. They immediately took out their treasures to protect their heads.

However, these chains were made of unknown materials. It seemed that nothing could stop them. The moment the magical artifact came into contact with them, it shattered!

“Bang! Bang! Bang!”

The chains pierced through their heads as expected, and their heads exploded!

At the end of the chain, there was a trace of light.

If one looked closely, one would know this light was a primordial spirit!

Not only did Xiao Yu take their lives, but she also took their souls!

Qin Yu’s expression was tremendously ugly. Even though the woman opposite him was an old friend, Qin Yu was still scared.

Xiao Yu had become so scary now. He could not feel any warmth from her. She was like a cold and ruthless killing machine. No one could stop her!

“You ... Don’t come over, or I’ll kill him!” The black-robed man who had captured Qin Yu panicked. He did not expect Xiao Yu’s strength to be so terrifying that they could not retaliate at all!

The black-robed man used Qin Yu to block in front of him and said in a trembling voice, “If you dare to come over, I will kill this kid. I guarantee...”

“Pfft!”

However, before he could finish speaking, the chain had already pierced Qin Yu’s chest and entered the black-robed man’s body!

Fresh blood flowed down his chest. Qin Yu bent down to look at his body that had been pierced through. For a moment, he could not believe it.

Xiao Yu had actually hurt him! He remembered what the man with the mustache had said back then!

Once Xiao Yu grew up, she would definitely disown all her relatives and friends and bring disaster to the world!

“Swoosh!”

The chains crushed the black-robed man’s body into pieces and mercilessly dragged out his primordial spirit.

The chain slowly pulled out, but it stopped when it reached Qin Yu’s chest.

Qin Yu was nervous, and he looked at Xiao Yu coldly and said, “Do you want to kill me?”

At this moment, Qin Yu calmed down, and the fear in his heart disappeared without a trace.

He stared at Xiao Yu, waiting for her next move.

The chain just stayed for a split second before it finally pulled out from Qin Yu's chest.

Xiao Yu did not stay and turned to leave.

"What does that demonic egg have to do with you?" Qin Yu shouted.

However, Xiao Yu did not respond. As she walked further away, the dark clouds in the sky dissipated.

"If you don't tell me, I'll destroy that demonic egg immediately!" Qin Yu roared.

Xiao Yu finally stopped in her tracks.

She turned around and looked at Qin Yu.

Through the mask, Qin Yu could see her cold eyes.

The once innocent gaze was gone, replaced by endless coldness.

Just this gaze alone, probably not many people could withstand it.

However, Qin Yu was not afraid at all. He looked straight at Xiao Yu and waited for her answer.

"You wouldn't do that."

After a long time, a cold voice finally came out of Xiao Yu's mouth.

After saying this, Xiao Yu ignored Qin Yu and turned to leave.

Her steps were extremely weird. Unlike other people's techniques, her feet did not rely on stepping on the main road when walking. On the contrary, every step she took was very messy.

...

Her body would disappear into the darkness at times, and at times, she would appear from the void.

In just a few short moments, she disappeared without a trace.

Qin Yu bent down to look at his chest and said in a low voice, "Looks like she still has a trace of humanity."

Without humanity, Qin Yu would have died long ago.

Qin Yu bandaged his wound and then fell into deep thought.

What realm had Xiao Yu reached? She could actually kill these black-robed men easily?

Even if the strength of those black-robed men was not a match for Yan Yunfan, the difference should not be too big!

However, facing Xiao Yu, they could not even fight back!

Could it be that Xiao Yu had already recovered to her peak?

Qin Yu thought as he walked back.

From their conversation just now, Qin Yu knew it was not that no one coveted the demonic egg. It was just that before they could get close, Xiao Yu had already killed them.

...

Due to this, the demonic egg had been safe and sound.

"If that demonic egg really has something to do with Xiao Yu, then why didn't she take the demonic egg away and leave it to Jue Wu instead?" Qin Yu could not figure it out.

Qin Yu did not sleep the whole night.

He looked at the demonic egg in Jue Wu's arms. The demonic egg was incredibly quiet in the dark, just like an ordinary stone.

"When I have the chance, I have to go to Thunder Courtyard and ask," Qin Yu thought to himself.

In the following few days, Qin Yu did not leave Jue Wu.

After confirming the people from the Yao family would not rush over, Qin Yu put his worries to rest now and planned to go and find a treasure that could conceal Jue Wu's internal qi.

Before leaving, Qin Yu glanced at the demonic egg in Jue Wu's hand and reminded her, "If you encounter any trouble, use this demonic egg to block in front of you, understand?"

Jue Wu glared at Qin Yu and said, "What nonsense are you talking about? This egg is my big treasure now. I can't bear to part with it!"

Qin Yu laughed bitterly. "Don't worry. Just use this demonic egg to block in front of you. The demonic egg will definitely be safe and sound."
