2021 The Furious Elder Si

Qin Yu was not afraid of Elder Si at all. He looked at him coldly and said sarcastically, “Old b\*stard, do you think I’m afraid of you? I’ve initially wanted to spare your d\*mned life for the time being. But since you’ve come to look for me, I’ll send you off, old b\*stard!”

Elder Si had been tremendously furious, to begin with. When he heard Qin Yu’s curses at this moment, he became even more furious!

“You little b\*stard!” He gritted his teeth and angrily said, “It’s because of you that I was nearly expelled from the Si family. This time, I’m going to tear you into shreds!”

“I’m waiting for you here. You can try!” Qin Yu shouted.

The attendant beside Elder Si seemed to have noticed something unusual. Someone beside him whispered, “Elder Si, this kid seems to be provoking you purposely. Could it be that he has some special method? It’s better to be careful!”

However, Elder Si had long been angered by Qin Yu. How would he listen to him?

“He’s merely at the middle stage of Reversion Void. Killing him is very easy!” Elder Si shouted.

With that said, Elder Si’s body erupted with an internal qi. His body shook, and he suddenly rushed toward Qin Yu!

Just as Elder Si pounced over, Qin Yu quickly put his hand into the dragon blood jar!

He drew out the dragon blood using his spiritual power. The dragon blood scattered into the sky and then entered a few big formation cores of the Endless Killing Formation!

At this moment, the Endless Killing Formation was completely activated. A barrier arising from killing intent surged from all directions, isolating the entire formation from the world. Even Elder Si could not escape from this formation!

The moment the formation was activated, pure killing intent immediately surged, and the terrifying internal qi continued rising!

Even Elder Si also felt a little uneasy under this killing intent.

He stopped in his tracks and turned to look at the barrier around him. His face instantly darkened.

“Little b\*stard, you’ve actually set up a formation in this place...” Elder Si narrowed his eyes and said gloomily.

Qin Yu looked at Elder Si coldly and said, “Elder Si, you’ve finally entered...”

Elder Si didn’t panic. Instead, he said sarcastically, “What? Do you think you can defeat me with a small formation? Let me tell you, in front of true strength, everything is illusory!”

“Is that so?” Qin Yu sneered. “This formation is called the Endless Killing Formation. With your experience, you should have heard of it. Once you step into this formation, as long as the formation is not broken, you will surely die!”

Elder Si’s expression changed a little when he heard the mention of “Endless Killing Formation”.

However, he did not panic. Instead, he shouted, “It’s fine. After I kill you, I’ll break the formation!”

“Do you think you have a chance?” Qin Yu said coldly.

Looking at Elder Si opposite him, endless battle intent burst out from the bottom of his heart, and his internal qi rose rapidly.

He wasn't in a hurry to use the Endless Killing Formation. He wanted to fight Elder Si with his own strength and see how big the gap between him and a Semi-Saint was!

Qin Yu slowly raised his hands, and rays of golden light surged on his body. Seeing Qin Yu's actions, Elder Si immediately understood Qin Yu's intentions.

"Hahaha!" Elder Si laughed crazily. "Kid, you've spent a lot of effort to set up the Endless Killing Formation, but now you want to fight me with your own strength? What? You want to use me as your touchstone?"

Qin Yu ignored Elder Si. His internal qi was still rising, and his fighting word formula had even reached the fifth level instantly!

A powerful internal qi swept over, mixed with the killing intent that emerged from the Endless Killing Formation. For a moment, even Elder Si was slightly surprised but merely surprised.

"You have some ability, but unfortunately, the gap is too big! " Elder Si shouted, and the Semi-Saint's might instantly surged out!

With a shout, his white hair blew in the wind. He raised his hands, and a terrifying dragon-like energy erupted from his sleeves and rushed toward Qin Yu!

Facing Elder Si, whose cultivation was much higher than his, Qin Yu naturally did not dare to be negligent. He roared angrily, and golden light suddenly appeared on his fists. He raised his hand and punched out the Ten Thousand Spell Breaking Punch!

The destructive fist punched toward Elder Si, and the surrounding space instantly began to distort!

Numerous sand and stones turned into powder. Everything in the surroundings seemed unable to withstand this power!

“Boom!”

At the instant of collision, an invisible airwave spread in all directions, and the ground instantly cracked. The powerful force caused the surrounding space to be unstable.

Both Elder Si and Qin Yu stepped back swiftly with the help of the reaction force. Their eyes, as sharp as swords, met.

Although Qin Yu’s internal qi was formidable, it was still far from Elder Si’s. The golden light cracked instantly, and Qin Yu felt as if a huge rock was pressing down on his chest. A hint of sweetness was in his throat.

“As expected of a Semi-Saint. The gap is still too great...” Qin Yu muttered.

Even with the help of the fighting word formula, Qin Yu still had no chance of winning against Elder Si.

Elder Si looked at Qin Yu coldly and said, “Little b\*stard, this is just the appetizer. If you don’t activate the Endless Killing Formation, I’m afraid you won’t have another chance!”

Qin Yu was silent, his face revealing a trace of solemnity.

He knew how big the gap between him and a Half-Saint was, but he was not afraid. The unyielding will in his heart had made him not back off when facing a powerful enemy.

“Little b\*stard, I won’t give you any more chance,” Elder Si said coldly.

He had to kill Qin Yu as soon as possible and then think of a way to break this formation.

Once the Endless Killing Formation was fully activated, even if he did not die, his skin would be peeled off!

Therefore, Elder Si did not intend to give Qin Yu more chances. He slowly raised his hands as if preparing a tremendously powerful technique.

Qin Yu, who was not far away, naturally did not dare to be negligent. However, at this moment, he did not show any fear. His face even revealed some excitement.

“This Qin Yu is probably courting death,” the onlookers outside could not help but say coldly.

“Since he has set up the Endless Killing Formation, why doesn’t he activate it?”

“That’s right. Controlling the Endless Killing Formation requires a lot of mental strength. Under a severely injured state, if he’s not careful, the Endless Killing Formation will go berserk. Once the Endless Killing Formation goes out of control, he will also die inside.”

In the dark, looking in the direction of Qin Yu, Xiao Hai also could not figure out Qin Yu’s motive.

As a cultivator in the realm of Semi-Saint, Elder Si naturally had a powerful trump card technique.

He slowly raised his hands, and a terrifying internal qi and dao technique began to gather in his hands.

“Rumble...”

...

Dark clouds suddenly gathered in the sky, and bolts of lightning were rapidly condensing.

The thunderbolts seemed to have formed a connection with Elder Si's palm. As he moved his palm, numerous thunderbolts gathered in his palm.

2022 The Sixth Level Fighting Word Formula!

Seeing Elder Ji's starting move, some people had already seen through his technique.

"It's the Nine Netherworld Thunder Retribution," someone said coldly.

"The Nine Netherworld Thunder Retribution? The Si family's Nine Netherworld Thunder Retribution?"

"That's right. This technique is a peerless divine ability cultivated for numerous years. It's very famous!"

"The Nine Netherworld Thunder Retribution has nine stages, and the power of each stage is far greater than the previous stage. Legend has it that when the Nine Netherworld Thunder Retribution is unleashed to the extreme, even the thunder in the world will be moved by it and destroy the world without obstacle!"

"I haven't seen this technique for a long time. Elder Si used it straight away. He seems to want to end this quickly."

Everyone discussed animatedly, and their eyes filled with anticipation.

Everyone was curious about the Si family's top-notch technique.

Qin Yu looked solemn, but he was not afraid. It was as if he was also activating some terrifying techniques.

Rays of Golden Light suddenly appeared on Qin Yu's body. They were incredibly terrifying!

The surrounding internal qi was constantly changing. What was shocking was Qin Yu's internal qi actually had another surge!

"Ah!"

Following Qin Yu's furious roar, the golden light on his body suddenly flourished, and his internal qi reached an unprecedented height!

This internal qi shocked everyone. Compared to previously, Qin Yu's strength had grown by several times!

"What happened? Is Qin Yu breaking through at this time?"

“Impossible! It’s not so easy to break through from the Middle-stage Reversion Void to the Advanced-stage Reversion Void!”

“He’s probably using some kind of mysterious technique.”

As they had guessed, Qin Yu had comprehended the sixth-level fighting word formula!

Under the support of the sixth-level fighting word formula, Qin Yu’s strength instantly soared! He was not weaker than the cultivation realm of the Advanced-stage Reversion Void!

This was the reason that he dared to challenge Elder Si!

Elder Si’s expression turned even gloomier after sensing the terrifying internal qi on Qin Yu’s body.

“I can’t let this kid live. I have to kill him as soon as possible!” Elder Si thought to himself.

If this kid was allowed to grow, he would definitely bring a destructive disaster to the Si family in the future!

Not only did Elder Si have this thought, but also the surrounding onlookers.

Especially Elder Si’s attendants. Looking coldly in Qin Yu’s direction, their eyes revealing extreme killing intent.

Qin Yu’s body emitted the Golden Light. His hair blew wildly in the wind, and his internal qi was terrifying to the extreme!

Even the Endless Killing Formation was not used, it was hard to guess the outcome of this battle!

“Qin Yu’s internal qi... is so terrifying. Is he really at the middle stage of Reversion Void?” Xiao Hai couldn’t help but think to himself.

“This internal qi is something that even I find it difficult to endure...”

Xiao Hai was secretly amazed. He kept his eyes on Qin Yu, afraid that something unexpected would happen.

Qin Yu took a step forward, and the ground instantly shattered!

Looking at Elder Si, he raised his head and shouted, “Come on! Let me know how powerful a Semi-Saint is!”

Elder Si was already furious to the extreme, and the Nine Netherworld Thunder Retribution in his hand had taken shape!

His eyes flashed with purple lightning, and the internal qi around him instantly condensed into a corporeal form as if he had transformed into the God of Thunder.

Elder Si put his palms together, and the surrounding space seemed to become heavy. Dark clouds covered the sky, thunder rumbled, and lightning flashed.

“Qin Yu, you have pretty good talent. It’s a pity you’ve taken the wrong path. Today is the day you die!” Elder Si shouted and immediately pushed his hands forward!

This was the first stage of the Nine Netherworld Thunder Retribution. Elder Si pushed with both hands, and a bolt of lightning power condensed into an enormous lightning ball that instantly smashed toward Qin Yu!

The ball of lightning tore through the air, producing deafening booms as it shot through the air incredibly fast.

This was the unique ability comprehended out of the Holy Region that could even mobilize the power of the elements of heaven and earth!

Qin Yu did not dodge or avoid. He roared repeatedly. Golden light continuously condensed on his fists like a golden mountain range standing in front of him.

He gathered all the strength in his body and punched at the enormous ball of lightning.

“Go to hell!” Qin Yu roared and punched out. Golden internal qi permeated the air as if a vajra had descended into the world. It collided fiercely with the ball of lightning.

Boom!

A powerful shockwave exploded between the two of them. Golden light and purple lightning collided violently in the air, instantly forming a dazzling halo.

Everyone watched this earth-shattering confrontation in shock. They could not imagine how terrifying the strength displayed by these two experts was.

The huge ball of lightning collapsed bit by bit under the invincible fist, turning into countless sparks that scattered in all directions.

“Qin Yu could actually withstand it!” someone shouted in shock.

“Is he really at the middle stage of Reversion Void? He actually could withstand the Nine Netherworld Thunder Retribution. Where did this kid come from?”

“Impossible! It’s impossible! The difference between their cultivation realms is so great! How did he manage to withstand the Nine Netherworld Thunder Retribution?”

Amidst everyone’s exclamations, Qin Yu took the initiative to step toward Elder Si!

A golden internal qi permeated Qin Yu’s body, and his face was full of battle intent.

These people did not know what the fighting word formula meant. This technique was incredibly mysterious. It was inherited from the ancient Earth and was one of the most mysterious arts under the starry sky!

“Little b\*stard...” Elder Si’s face grew even colder, and the killing intent in his heart rose to a higher level.

“Is this your trump card technique? It seems like it’s nothing much,” Qin Yu said coldly.

...

Elder Si narrowed his eyes and sneered, “This’s only the first stage. You’ll surely die at the second stage!”

With that, Elder Si shouted and began to activate the second stage of the Nine Netherworld Thunder Retribution!

The surrounding air instantly became oppressive. Purple lightning surged crazily around Elder Si. The sky rumbled, and the dark clouds became even more solemn as if they were about to fall at any time!

Terrifying lightning was constantly arising in the dark clouds. The activation of this technique was tremendously similar to heavenly tribulation!

“It’s the second stage of the Nine Netherworld Thunder Retribution.”

“The power of the second stage far surpasses that of the first stage. Rumor has it that the second stage can truly summon heavenly lightning for its own use.”

“It has been a long time since someone could survive the second stage of the Nine Netherworld Thunder Retribution. Back then, a genius from Zhongzhou who was not inferior to Qin Yu died under this technique.”

“If Qin Yu still doesn’t activate the Endless Killing Formation, I’m afraid there won’t be any more chance!”

The discussions among the crowd did not change Qin Yu’s determination. He clenched his fists, and golden energy surged. This technique was the Ten Thousand Spell Breaking Punch!

With the support of the sixth level of the fighting word formula, the power of the Ten Thousand Spell Breaking Punch was even more terrifying to the extreme. Just the residual power that surged made people feel like prostrating themselves in worship.

The void was shattering, and the earth was collapsing. Just the burst of these two forces had caused the surrounding void not able to withstand it!

...

2023 The Invisible Killing Formation Activated

Elder Si’s expression was solemn, and he was even more determined to eliminate the root of the problem!

Rumble...

The dark clouds seemed to have formed a connection with Elder Si’s palm. A violent and terrifying power of lightning was forming in his hand!

It was like numerous densely packed lightning snakes sticking out their forked tongues. The manic power made people feel uneasy.

“Go to hell!”

Elder Si’s hair blew wildly in the wind as he shouted angrily repeatedly. He pushed his palm forward, and bolts of lightning with the power of heavenly retribution shot toward Qin Yu!

Facing this terrifying power, Qin Yu showed no fear. He raised his head and roared, his strength bursting to the extreme!

Golden light continuously surged. Qin Yu’s fists contained a destructive power that swept across everything as if it was crushing dry weeds and rotten wood!

Bolts of lightning continuously cracked and shattered under Qin Yu’s Golden Light. Qin Yu, stepping on the line word formula, succeeded in his every endeavor and shattered all obstructions!

Boom!

An even more intense shockwave erupted. The golden fist collided with the lightning. It was as if it wanted to tear the entire world apart.

The dark clouds in the sky became even more imposing. Lightning flashed as if it was the end of the world.

The entire space turned golden and purple. It was so dazzling that it made people not dare to look at it directly!

Once again, Qin Yu shattered the purple lightning!

Even though the radiance on Qin Yu's fist had dimmed a little, it was enough to shock everyone!

"Impossible!" Elder Si's eyes revealed a deep shock. He could not believe his eyes. Qin Yu actually blocked the second stage of the Nine Netherworld Thunder Retribution!

Qin Yu's fist was as steady as Mount Tai amid the lightning. The manic lightning seemed to have lost its power in front of him.

The surrounding air instantly quieted down, and the collapsing void seemed to have stopped shattering at this moment.

Everyone was stunned, as they had never thought that Qin Yu could actually withstand the second stage of the Nine Netherworld Thunder Retribution!

"Could it be... Qin Yu is really the chosen one?" someone exclaimed.

"Who is he actually? How did he do such a thing?" another person sighed with emotion and said.

"Elder Si, the second stage of your Nine Netherworld Thunder Retribution is only so-so," Qin Yu said coldly.

Elder Si gritted his teeth. Although he was unwilling to admit it, the truth was right in front of him.

Qin Yu's strength had indeed far exceeded his imagination.

"Little b\*stard, don't feel so smug. This battle is not over yet!" Elder Si gritted his teeth.

Looking at Elder Si, Qin Yu could not help but shake his head, sigh, and say, "Unfortunately, the duration of the sixth level of the fighting word formula is too short. Otherwise... I might be able to kill you without the help of the Endless Killing Formation. Semi-Saint is nothing."

After saying this, the internal qi on Qin Yu's body began dissipating, and the golden light grew dim instantly.

"Hmm? What's going on?" someone frowned and said.

“It seems that the time of Qin Yu’s special technique is up!”

Seeing this, Elder Si laughed crazily and said, “Qin Yu, let’s see how you can defeat me! Hahaha!”

Qin Yu sighed and said with pity, “If only the sixth level of the fighting word formula had advanced a little more. What a pity.”

As soon as Qin Yu finished speaking, he slowly raised his palm.

The surrounding killing intent instantly surged toward Qin Yu’s sides. Then Qin Yu’s body seemed to have fused with the Endless Killing Formation!

“He’s going to use the Endless Killing Formation!” someone exclaimed.

“He fuses himself with the Endless Killing Formation. As long as the killing formation exists, Qin Yu will exist. If the killing formation is broken, Qin Yu will die!”

“This kid has such terrifying attainments in formations!”

Under everyone’s shocked gazes, Qin Yu’s body began growing dim. He had fused with the Endless Killing Formation. As long as the killing formation was not broken, Qin Yu was invincible!

However, this required a tremendously strong mental strength to control it. If not careful, Qin Yu might suffer the backlash of this killing formation!

Especially Qin Yu had used dragon blood to activate this formation, the demand for mental strength was even greater!

“D\*mn!” Elder Si frowned. At this moment, he was like losing his target and could not hit Qin Yu at all.

“Elder Si, destroy the formation!” someone shouted.

Elder Si did not dare to be negligent. He immediately activated the third stage of the Nine Netherworld Thunder Retribution and blasted it toward the entire formation!

However, under Qin Yu’s control, this formation seemed to have a life of its own! The killing intent in the killing formation rose like a sharp blade and easily cut off the Nine Netherworld Thunder Retribution!

“Rise!”

A voice came from all directions of the formation. It was Qin Yu’s voice!

This place was originally a large cemetery, so the killing intent was naturally even more terrifying. Qin Yu had borrowed the power of heaven and earth to

construct the Endless Killing Formation. Its power was definitely incredibly terrifying!

“D\*mn!!”

Elder Si’s expression was tremendously ugly. For a moment, he was like a headless chicken!

“Hurry up and break the formation! Break the formation!” Elder Si hurriedly shouted!

To break the formation, he had to locate the formation cores.

However, the formation cores were hidden like a ghost in this Endless Killing Formation. It appeared and disappeared at times, making it difficult to grasp.

Moreover, to prevent the formation from being broken, Qin Yu had already performed a hidden treatment on every formation core. It was impossible to break the formation in a short time!

Feeling the invisible killing intent approaching, Elder Si was burning with anxiety.

Out of desperation, he grasped the power of lightning in his hand and began to attack randomly, constantly blasting in all directions!

...

“I’m going to destroy your entire formation!” Elder Si roared.

Unfortunately, the most powerful feature of the Endless Killing Formation was that it could only be removed by breaking the formation. Other forces could not affect this formation at all!

“Buzz!”

A killing intent rushed straight toward Elder Si’s face! This invisible killing intent was impossible to grasp, so Elder Si could only rely on his senses to dodge it!

However, in the Endless Killing Formation, killing intent was everywhere. It could kill people without any form and there was nowhere to hide!

“Rip!”

A killing intent as sharp as a blade tore through Elder Si’s chest!

Blood gushed out like a fountain, forcing Elder Si to step back a few steps!

A few bones were exposed on his chest. If one looked closely, one could notice several bones in his chest had been broken!

“Elder Si, this formation consumes a lot of mental energy. Qin Yu won’t be able to control it for long. Hang in there!” someone outside shouted at this moment.

“That’s right. As long as you can endure it, Qin Yu will fail to control this formation!”

...

Hearing their voices, Elder Si gritted his teeth and shouted angrily, “F\*ck you! So what if the formation goes out of control? I’ll still die inside here!”

After the formation went out of control, the power would only become more violent. At that time, at most, Qin Yu and Elder Si would die in the formation!

“Elder Si, there’s no other way now. Use a protective technique to protect yourself for the time being. We’ll take the opportunity to find the formation core to break this formation!” the attendant outside shouted again.

Elder Si gritted his teeth. He obviously had no better idea at this moment.

2024 Endless Killing Intent!

Although Elder Si was very reluctant, he had no other choice. He could only grit his teeth and sit down cross-legged.

He mobilized all the internal qi in his body and densely covered his body. Then he began to circulate the protective method.

This method was called the Thunder Protection Seal, a secret technique passed down from one generation to another in the Si family. It used the Si family’s unique power of thunder as the core, combined with the research and cultivation results of the Si family’s ancestors over thousands of years, and turned the power of thunder into protective magic power.

Elder Si used this technique with all his might. In an instant, the power of lightning was drawn from his body and condensed into the Thunder Protective Seal.

The shape of this protective seal was like an ancient talisman. It was engraved with dense lightning patterns as if it was an ancient book that sealed the endless power of thunder.

The protective seal flew out and instantly condensed into a layer of thunder armor on the surface of Elder Si’s body. This armor was thick and flexible, like being possessed by a god, instantly enhancing Elder Si’s aura.

Sizzle sounds rang out continuously. At a glance, Elder Ji's body seemed to have been wrapped in purple lightning.

In the killing formation, Qin Yu had fused with the entire killing formation. He relied on his powerful mental strength to control the formation.

Terrifying and pure killing intent continued to condense. The killing intent in the entire killing formation was ethereal and bone-chilling. It seemed to be preparing an invisible power in the void.

At this moment, Qin Yu activated the killing formation, and a strong killing intent attacked Elder Si!

Elder Si knew this was a critical moment. With a solemn expression, he concentrated on mobilizing the Thunder Protection Armor to prepare for the upcoming attack.

Suddenly, a cold Spiritual Energy Sword shot out from the killing formation like a cold flood dragon, and headed straight for Elder Si!

Seeing this, Elder Si was shocked. He immediately activated the Thunder Armor and used all his might to block this Spiritual Energy Sword.

The Spiritual Energy Sword and the Thunder Armor collided violently, creating a deafening boom.

"Sizzle..."

The two forces seemed to be colliding with great difficulty, emitting a series of tremendously terrifying sounds!

Although the Thunder Armor was powerful, cracks began to appear under this attack!

The expressions of the people watching from afar could not help but change slightly!

Elder Si's techniques were all secret techniques of the Si family, but now, they had been broken by Qin Yu repeatedly!

If this continued, Elder Si would probably die in this formation!

Elder Ji's expression was ugly. He knew this battle was dangerous, so he could only shout, "Hurry up and look for the formation cores!"

The Si family attendants outside the formation didn't dare to be negligent. They were sweating profusely as they tried their best to inspect the entire formation, trying to look for the formation cores.

But Qin Yu had set up this formation too perfectly. It was not a simple matter to look for the formation cores.

Moreover, they were not Formation Masters. How could they break the formation so easily?

In the killing formation, Qin Yu felt Elder Si's powerful defense and was shocked silently!

He did not relax. Instead, he continued to mobilize the power of the killing formation, preparing to launch an even more intense attack.

In this killing formation, Qin Yu could mobilize all the killing intent. It was the purest killing intent and would only become even more intense until all the living beings were killed!

Therefore, Elder Si was tremendously worried. If this continued, he would die for sure!

However, Qin Yu was also anxious because controlling the Endless Killing Formation consumed a large amount of mental strength. If he could not get rid of Elder Si as soon as possible and resolve the formation, it would completely go out of control!

In the killing formation, Qin Yu's face was pale. The consumption of his mental strength made him feel dizzy.

He knew he couldn't delay any longer. He had to gather his killing intent and kill Elder Si as soon as possible!

Qin Yu muttered something, and his voice came from all directions, making Elder Si, who was somewhat flustered, even more worried.

At this moment, the killing intent in the killing formation suddenly gathered into a pitch-black Spiritual Energy Sword. This Spiritual Energy Sword contained endless killing intent, and its powerful internal qi made the entire formation tremble!

"Rumble..."

The Spiritual Energy Sword spiraled like a dragon and gradually gathered into a pitch-black Spiritual Energy Sword.

This Spiritual Energy Sword was different from the previous one. The power it condensed was even more powerful and suffocating.

A black hole seemed to have formed around the Spiritual Energy Sword, devouring everything. It made people feel it had endless devouring power.

The Spiritual Energy Sword flickered with a ghostly light, like the lifeless eyes of the God of Death.

Only those who were on the verge of death could feel the fear that seeped into their bones.

Although Elder Si had prepared to deal with a heavier attack, he could not help but feel terrified when he saw the condensed Spiritual Energy Sword.

“Hurry up and break the formation!” Elder Si panicked. He had never thought Qin Yu would have such terrifying power inside this killing formation!

He had never thought that he, a Semi-Saint, would be forced into such a situation by a small fry like Qin Yu!

Outside the formation, the Si family’s attendants were desperately searching for the formation cores. However, they soon discovered Qin Yu’s level of precision in setting up the formation was far beyond their imagination!

“I’m afraid this kid is a professional Formation Master. We can’t break the formation!” someone said through gritted teeth.

“Then what are you waiting for? Hurry up and find a professional Formation Master to break the formation!”

An attendant hurriedly stood up and rushed toward Divine Fortuity City, hoping to find a professional Formation Master to break the formation.

“Third Elder, you must hang on. We’ll immediately find a Formation Master to break the formation!” the attendant shouted at Elder Ji.

They split up into three groups. Some went to Divine Fortuity City, some to other cities nearby, and some even planned to return to the Si family to ask for help.

Elder Si’s expression was tremendously ugly. He gritted his teeth and stared at the Spiritual Energy Sword in front of him.

This Spiritual Energy Sword was incredibly extraordinary. It was formed by pure killing intent. Even Elder Si was horrified at this moment.

He could only try his best to circulate the Thunder Protection Seal to defend against this Spiritual Energy Sword.

The Spiritual Energy Sword seemed to have a life of its own. The tip of the sword was aimed at Elder Si and silently floated in the air. However, it made people feel its threatening chill.

It seemed to be waiting for the best opportunity to kill in one strike.

The people outside the killing formation were even more shocked. They had never seen such a powerful Spiritual Energy Sword. It was as if that Spiritual Energy Sword was enough to cut the entire world in half.

...

They held their breaths and nervously looked at Qin Yu and Elder Si in the formation, afraid that something might happen.

Qin Yu used his powerful mental strength to keep guiding the killing intent to gather. He could feel his mental strength depleting rapidly.

At the last moment, Qin Yu opened his eyes, and an intense killing intent instantly erupted!

“Slash!” With a loud shout, the pitch-black Spiritual Energy Sword seemed to have been stimulated with the last trace of power, instantly erupting with an earth-shattering might!

It was like a bolt of black lightning that streaked across the sky, piercing toward Elder Si at an indescribable speed!

2025 At the End of the Rope

Sensing the power of the black Spiritual Energy Sword, Elder Si was even more terrified. He suppressed the fear in his heart and gathered the power of thunder in his body to the extreme. The Thunder Armor flashed with an even more dazzling purple light.

The crowd outside the killing formation looked nervously at Qin Yu and Elder Si. They could feel that this attack would probably decide the outcome of this battle!

The black Spiritual Energy Sword finally collided vigorously with the Thunder Armor as if the sky and earth collapsed. The Spiritual Energy Sword and the power of thunder consumed each other in the air, causing waves of soul-stirring booms.

However, as the Spiritual Energy Sword and the Thunder Armor continued to clash, Elder Si was surprised to discover the Spiritual Energy Sword was becoming increasingly powerful and could not be eliminated at all!

!!

Qin Yu fully focused on controlling the killing formation. He kept gathering killing intent into the Spiritual Energy Sword to strengthen it.

All of this was to force Elder Si to give up.

Just when everyone thought the battle was about to end, a ruthless light flashed in Elder Si's eyes.

He roared, and the Thunder Armor instantly erupted with intense purple light, forming a massive thunder vortex that crazily absorbed the power of thunder in the surroundings.

The massive thunder vortex instantly engulfed the Spiritual Energy Sword and gradually suppressed it.

The surroundings instantly fell silent. Qin Yu, who was in the Endless Killing Formation, frowned even more.

Elder Si's strength was indeed terrifying. He actually resolved the Spiritual Energy Sword condensed by this Endless Killing Formation!

"Do you think I will die?" Elder Si's face was ferocious as he roared repeatedly!

His chest had been torn apart, and blood was gushing out. Coupled with his messy hair, he looked like a demon!

Qin Yu felt uneasy. His mental strength had started to be lacking, and the killing intent in the Endless Killing Formation was becoming agitated and frantic increasingly. It was as if it was going to rampage at any moment!

Qin Yu looked pale. He gritted his teeth and controlled the formation with all his might. Once the formation failed, he would surely die in this formation!

"Oh no! The formation is going to be out of control." In the distance, Xiao Hai, watching the battle, suddenly stood up.

His eyes were sharp, and he could tell at a glance the formation was gradually getting out of control.

Xiao Hai was a chivalrous person. Moreover, he was Qin Yu's friend. Therefore, he immediately decided to make a move.

However, at this moment, the formation stabilized again, and the manic power, once again, was gradually under control.

"Hmm?" Xiao Hai was a little surprised, and his eyes revealed a strong sense of praise.

He knew Qin Yu had regained control of the Endless Killing Formation with his powerful willpower!

“I must kill this Elder Si as soon as possible...” Qin Yu gritted his teeth and began to use his powerful mental strength to control all the killing intent in the Endless Killing Formation with all his might!

A terrifying killing intent surged from all directions! It was as if it was preparing a tremendously terrifying attack!

This bone-chilling killing intent was tremendously terrifying! Intense fear and unease even flashed across Elder Si’s face.

“Qin Yu is at the end of his rope. If he can’t kill Elder Si with this attack, it means the Endless Killing Formation is going to be out of control.”

“That’s right. Let’s see if Elder Ji can hold on.”

Everyone discussed animatedly, but the power within the killing formation continued to condense and become stronger!

Just when everyone thought the power had reached its limit, the power in the killing formation continued to increase!

“Buzz!”

At this moment, a figure slowly condensed in the killing formation!

This figure was tall and strong and full of killing intent, like a true Asura!

The killing intent surging from his body was incredibly pure!

“Is this Qin Yu!?” someone exclaimed.

“Qin Yu used the killing intent to condense himself. Did he comprehend the dao technique of the Endless Killing Formation?”

“This kid... How did he do it? In such a short period of time, he comprehended the dao technique of the Endless Killing Formation?”

That figure was incredibly tall and strong, and its power was limitless!

Just facing this figure formed by killing intent was already hard to endure for Elder Si!

The powerful pressure was beyond everyone’s imagination. Even with the protection seal, Elder Si’s body was still pressed down to the ground!

“Ah!”

Elder Si raised his head and roared. He resisted the pressure with all his might, but it was futile. His body was still pressed down!

“Crack!”

At this moment, a crisp sound suddenly came from Elder Si's body!

"Crack! Crack!"

Then the protection seal on Elder Si's body began to shatter like pieces of glass!

"What? He crushed Elder Si's protection seal with just the pressure?"

"This... What kind of power does this contain?"

"This figure... has probably gathered all the internal qi of the entire killing formation! In other words, this figure is the true body of the Endless Killing Formation!"

Elder Si was in despair. He resisted with all his might but could not withstand it at all!

At this moment, Qin Yu's mental strength was already on the verge of collapse. His vision was blurry, and his body was on the verge of being shattered at any moment!

Once his mental strength collapsed, Qin Yu's divine sense would dissipate!

As such, this move was tremendously risky. Qin Yu was betting his life on it!

"Go to hell!" Qin Yu's furious roar came from the gigantic figure!

Then the figure raised his pitch-black palm and crushed Elder Si with endless killing intent!

Just as the gigantic figure with killing intent was about to finish off Elder Si, the entire battlefield was shrouded in an oppressive atmosphere. Everyone held their breaths and waited for the final outcome of this battle.

...

A trace of madness and despair flashed across Elder Si's eyes.

He knew that if he could not resist this attack, he would surely die on the spot!

At the critical moment of life and death, he suddenly bit the tip of his tongue and spat out a mouthful of blood to merge with the power of thunder.

"Heavenly Thunder Blaze!" Elder Si roared and condensed the blood of thunder into a thunder spear. He waved it and stabbed it at the gigantic killing intent figure.

The power of the heavenly thunder and the killing intent collided in the air, causing a violent explosion that shook everyone.

Elder Si's thunder spear was constantly resisting the strike under unimaginable pressure!

However, although the spear in his hand was powerful, it could not resist Qin Yu's strike formed from killing intent!

The spear lasted less than half a second before an extremely loud boom sounded. After that, it broke inch by inch and vanished without a trace!

Everyone's expression changed seeing this scene. Some looked solemn, while others were tremendously excited.

Qin Yu seemed going to win!

"Ah!" Elder Si let out an indignant roar. However, he could no longer find any countermeasures!

...

2026 Elder Si Died!

"Elder Si... really going to lose!"

"Elder Si will surely die if this palm lands!"

In the dark, Xiao Hai could not help but sigh with emotion. Even if this palm landed on his body, he would probably also die here.

"Ah!"

The entire killing formation was full of hoarse wails. The gigantic palm formed by the killing intent finally landed on Elder Si's body, instantly pressing him into the ground. The ground instantly exploded, and cracks crisscrossed, accompanied by an earth-shattering boom!

Elder Si's body was almost instantly crushed into shreds, and his physical body was constantly crumbling!

No one would have imagined this to be the outcome of the battle. Qin Yu had actually defeated a Semi-Saint and the Third Elder of the Si family!

"Clack!"

At this moment, a crisp sound suddenly came from within the killing formation.

Then the internal qi in the Endless Killing Formation dissipated at a speed visible to the naked eye!

The gigantic body that Qin Yu had transformed into with his killing intent also slowly disappeared without a trace!

“Thud!”

Qin Yu fell out of the killing formation. His face was ashen, his entire body trembling, and his eyeballs almost bulged. Obviously, his mental strength had been exhausted to the extreme!

“What... What’s going on?” someone asked in confusion.

“That palm was about to suppress Elder Si, but...Why did the formation suddenly collapse?”

The entire killing formation was collapsing at a speed visible to the naked eye. In just a while, the killing formation disappeared without a trace.

Following Qin Yu’s gaze, they saw that a magical artifact at a formation core had shattered.

It was unknown if the magical artifact was too weak or if the power of the formation was too strong. In the end, the magical artifact could not withstand it, causing the entire formation to collapse completely!

“Hahaha!”

Elder Si, covered in blood, stood up with difficulty. He laughed crazily and said, “Just a little bit more! Just a little bit more, and you could have killed me. Hahaha! It is the will of heaven. I shouldn’t die!”

Looking at Elder Si, who had just escaped death, Qin Yu was silent. His body swayed as if he would fall at any moment.

Even if Elder Si was lucky enough to survive, he suffered tremendously severe injuries. It was likely he could not pose a threat to Qin Yu.

“This battle... Is it considered a draw...”

“Maybe. Both of them have no combat strength left.”

“Sigh! It’s a pity that it’s so close! At this critical moment, the magical artifact of the formation core actually shattered...”

Someone walked into the killing formation and supported Elder Si up, saying, “Elder Si, hurry up and leave.”

Elder Si kept vomiting blood. Although he was severely injured, the madness in his eyes did not diminish.

“Qin Yu! You have some ability, but unfortunately, I survived!” Elder Si shouted at Qin Yu with all his might.

“We’ll meet again in the future. The Si family will definitely not let you off!”

After saying this, Elder Si turned around and was about to leave!

However, at this moment, a golden light suddenly arrived in front of Elder Si in the blink of an eye!

Looking carefully, the person who came was Qin Yu!

The last of the Golden Light emerged from his body. His thorn-like fist smashed fiercely toward Elder Si's head!

"Clack!"

Elder Si's pupils kept enlarging. In his horror, his head was shattered by Qin Yu's punch!

"I didn't say... to let you go..." Qin Yu was in a daze. He relied on his powerful willpower to deliver the final blow!

No one had expected Qin Yu to actually still make a move in such a state and even kill Elder Si!

The scene fell silent. They couldn't believe what they saw!

Qin Yu's body kept shaking. In the next second, he finally couldn't hold on anymore and fell to the ground fiercely, stirring up a wave of dust.

In the crowd, someone shouted excitedly, "Qin Yu won! He really won!"

"This is unbelievable! He defeated the Third Elder of the Si family!"

"This battle will shock everyone. Qin Yu will rise and change the world!"

The surrounding crowd discussed animatedly. Their gazes were full of admiration and surprise.

Xiao Hai silently walked up to Qin Yu. He looked at Qin Yu, who was lying on the ground, nearly exhausted, a trace of admiration appeared in his eyes.

"You're really a fellow that surprises everyone," Xiao Hai said in a low voice.

After that, he picked Qin Yu up and planned to leave.

However, at this moment, the Si family's attendant stepped forward and blocked Xiao Hai's path.

"Put Qin Yu down," one of the attendants said coldly.

Xiao Hai looked at them and said calmly, "Why?"

"He killed the Third Elder of the Si family. We naturally have to bring him back to the Si family," one of the attendants said coldly.

“This is the Si family’s business. You’d better not interfere, or you’ll get into trouble,” another attendant warned.

Xiao Hai’s expression was still calm. He hugged Qin Yu with one hand and said, “What if I disagree?”

“Then you will die here too!” the attendant shouted, his eyes revealing a crazy killing intent!

“I, Xiao Hai, have never been afraid of anyone. Come at me!” Xiao Hai laughed.

...

As soon as he finished speaking, a powerful internal qi erupted from Xiao Hai’s body!

His move was as simple and crude as ever. With a wave of his hand, a huge hand came over, covering the sky and earth!

Under everyone’s gaze, Xiao Hai slapped his palm toward everyone!

A shocking scene happened. These attendants used all their techniques, but none could stop him!

In just half a second, all these attendants were killed by Xiao Hai’s palm!

Everyone was stunned. They did not expect Xiao Hai to be so powerful!

“This Divine Fortuity City...There are really hidden dragons and crouching tigers here.” Someone sighed with emotion.

“Ever since the Chaos Grave surfaced, quite many experts were indeed hiding in Divine Fortuity City.”

They looked at Xiao Hai’s broad and tall body with strange expressions.

Xiao Hai held Qin Yu in his arms and looked at the surrounding crowd. He said quietly, “I just want to take him away from here. If anyone dares to block my way, come at me!”

However, no one dared to block Xiao Hai’s path.

...

The surroundings were silent. They looked at Xiao Hai without saying a word.

Such a shocking battle made everyone understand that Qin Yu and Xiao Hai were not to be trifled with.

The two soon disappeared from everyone's sight. Xiao Hai's footsteps were incredibly fast. In just a few flashes, he disappeared without a trace.

...

When Qin Yu woke up, he was lying on a bed.

The surroundings were silent. Following his gaze, he could see the sparkling water surface outside.

This seemed to be a wooden house, a wooden house that stood on the water.

Qin Yu rubbed his head and tried to get up. However, the moment he got up, the world in front of him began to shake. Obviously, this battle had seriously exhausted his mental strength

2027 The Uneasy Si Shiyue

Although Qin Yu indeed nearly perished in this battle, he seemed to have comprehended something in this battle that he was on the brink of death.

Qin Yu shook his head hard and struggled to get up from the bed. Then he staggered out of the room.

It was a wooden house that stood on the water. It was quite huge and surrounded by water. The environment was beautiful.

The wooden house was built on a green lake, surrounded by dense green trees and exotic flowers. The fresh fragrance of flowers permeated the air.

!!

The lake water was like a mirror, reflecting the beautiful scenery of the surroundings.

Several egrets glided gracefully across the lake, leaving a series of ripples behind.

Not far away, there was a small mountain. The mountain forest was lush green.

Qin Yu felt unprecedented tranquility in this quiet environment.

The anxiety and uneasiness in his heart seemed to have dissipated in this beautiful scenery.

He closed his eyes and took a deep breath of fresh air. He integrated the comprehension he never had before into the depths of his soul. It was like connecting imminent death with the peace of life.

Following his gaze, he saw Xiao Hai sitting by the river and playing his flute.

The sound was melodious, and people were mesmerized by it. It was totally different from the seductive sound of the Saintess Gu.

"You're awake," Seeing Qin Yu walking out from the door, Xiao Hai put down the flute in his hand and asked with a smile.

Qin Yu walked up to Xiao Hai and sat down. He nodded slightly and said, "Mr. Xiao, how long have I been unconscious?"

"About eight days," Xiao Hai said.

"What?" Upon hearing this, Qin Yu's expression changed drastically. He hurriedly stood up and wanted to leave.

But a gentle internal qi blocked Qin Yu's way at this moment.

"Where are you going?" Xiao Hai asked.

"Jue Wu is still waiting for me," said Qin Yu in a deep voice. "If I don't go back, she will definitely overthink. Moreover, the Chaos Grave should open soon."

Hearing what Qin Yu said, Xiao Hai said in surprise, "You've been together with Jue Wu?"

"Mmm," Qin Yu responded, but he did not have the time to explain. He turned around and was about to leave.

"With your current condition, it's better for you to rest here. As for Jue Wu, tell me her location. I'll go look for her," Xiao Hai said.

Qin Yu frowned. It was not a bad idea to let Xiao Hai look for Jue Wu.

Xiao Hai had unfathomable strength and was a rare talent that was hard to find. It would be safe for Jue Wu to stay with him.

In other words, it was safe to let Xiao Hai bring Jue Wu here.

"But that Chaos Grave..." Qin Yu frowned.

Xiao Hai shook his head and said, "I've asked around. It's tremendously difficult to open the Chaos Grave. Eighteen formation masters are opening it now. I'm afraid it will take some time. You should rest here for the time being."

After hearing what Xiao Hai said, Qin Yu now understood the situation.

No wonder the Si family failed to find a brilliant formation master to break the formation.

"Your strength has indeed surprised me." At this moment, Xiao Hai suddenly changed the topic.

"I'm just relying on the formation," Qin Yu smiled bitterly and said.

"Relying on the formation?" Xiao Hai raised his eyebrows. Then he laughed heartily and said, "Qin Yu, don't be so humble. That formation is not something that an ordinary person can set up. Moreover, you are betting your life on it. If you are not careful enough, you might die in this formation. However, you still chose to do so. I want to know why."

Qin Yu was silent for a while, then sighed and said, "I had wanted to kill Elder Si to prevent him from taking revenge on you, but now it seems my plan failed."

Xiao Hai was even more surprised. He frowned and said, "Why did you do that? For me? Is it worthwhile?"

"Is it worthwhile to offend the Si family for a street peddler you don't know?" Qin Yu asked.

Xiao Hai was stunned for a moment before he burst into laughter.

He patted Qin Yu's shoulder and said, "I know you're like me!"

"I don't deserve your praise. Mr. Xiao has always been my role model," Qin Yu bowed and said.

In Nanzhou, Xiao Hai was a famous selfless person and a true hero. His cultivation realm was probably even higher by now.

At this moment, Xiao Hai took out a pill and handed it to Qin Yu.

"What is this?" Qin Yu said in surprise.

"I've got you a pill," Xiao Hai said. "Eat it."

After saying this, Xiao Hai stood up and said, "It's very safe here. Don't worry and stay here. Tell me Jue Wu's location, and I'll look for her."

Then Qin Yu gave Xiao Hai Jue Wu's location.

Xiao Hai quickly set off without delay.

With a flash of his figure, he disappeared into the void.

Qin Yu looked around in surprise and muttered, "This is actually a Mystic Realm..."

...

At the same time, during the eight days Qin Yu was in a deep sleep, Qin Yu's reputation had already resounded through more than half of the Holy Region.

The aristocratic families that had already gradually lost their attention on Qin Yu also resumed their attention to Qin Yu.

The Third Elder of the Si family was a Semi-Saint. He had learned many secret techniques of the Si family, and his strength was far beyond that of ordinary Semi-Saints. How could it be not shocking to be killed by Qin Yu?

Even though Qin Yu had relied on the formation, such a battle record was still incredibly eye-catching. It was not an exaggeration to say that not many people in the entire Holy Region could do it!

In the Si family, Si Shiyue heard the news when he just came out of closed-door cultivation.

Sitting alone by the pool, he looked gloomy. He was silent, and no one knew what he was thinking.

...

“Why? Are you feeling afraid now?” At this moment, Si Shiyue heard a voice. He turned around and saw an elderly man.

Although this elderly man looked old, he was full of spirit. His every move seemed to be surrounded by dao techniques, and his strength was evident.

When Si Shiyue saw him, he quickly stood up and addressed him respectfully, “Master.”

This person was none other than Si Shiyue’s grandmaster, Si Liuhe.

Not only did he teach Si Shiyue all the techniques, but he also personally assisted him in his development!

It was no exaggeration to say that Si Liuhe had a very high status in the Si family. Even the head of the Si family respected him!

Si Liuhe waved his hand slightly, indicating for Si Shiyue to sit down. Then he said indifferently, “Did the appearance of another chaotic body make you panic?”

Si Shiyue opened his mouth, then shook his head and said, “No, Master.”

“Tell me the truth.” Si Liuhe put his hands behind his back and said indifferently.

Si Shiyue gritted his teeth, then said reluctantly, “I’m indeed a little panicked. We’re both chaotic bodies, so we’ll definitely be compared!

...

"This Qin Yu is merely a rogue cultivator, yet he has such outstanding battle achievements. I... I..." Si Shiyue opened his mouth but did not continue.

"I can see the uneasiness in your heart," Si Liuhe said slowly.

2028 Xiao Yuan

"You're a direct descendant of the Si family. You were born with countless resources and advantages," Si Liuhe said slowly.

"Your strength, wisdom, and cultivation speed are all things the Si family is most proud of. Don't let a rogue cultivator destroy your confidence. You should know that the foundation and background of the Si family are unshakable."

Si Shiyue seemed to have been comforted by his master's words, but the uneasiness in his heart still did not disappear.

The renowned Holy Son of the Holy Region was like a helpless child in front of Si Liuhe.

!!

Si Liuhe put his hands behind his back and said lightly, "I will give you two choices. First, I will kill Qin Yu. This way, no one will compare you to Qin Yu."

"Second, conquer the fear in your heart and let the world know who the number one in the Holy Region is."

Si Shiyue did not say a thing. Numerous expressions flashed across his face.

After a while, Si Shiyue gritted his teeth and said, "Master, you don't have to do anything. If he can defeat the Third Elder, then I'll do something even more brilliant than him."

Hearing Si Shiyue's words, Si Liuhe smiled in relief.

He patted Si Shiyue's shoulder and said, "Your cultivation has reached a bottleneck. Perhaps it's time for you to compete with your peers."

There were so many Holy Sons in the world. No one knew who was stronger or weaker because there rarely had opportunities to fight.

After hearing what Si Liuhe had said, Si Shiyue understood now.

"I'll make a move now!" Si Shiyue stood up and said.

However, Si Liuhe raised his palm and pressed it on Si Shiyue's shoulder.

"It's not the time now," Si Liuhe shook his head and said.

“The opening of the Chaos Grave is a great opportunity for you to prove yourself. You have to seize the opportunity to obtain a higher cultivation level and prove that you are the most brilliant existence of this era with unparalleled strength.”

“Yes, Master!” Si Shiyue nodded respectfully, his eyes shining with determination.

After saying that, Si Shiyue bowed to Si Liuhe and left.

Looking at Si Shiyue’s back, Si Liuhe put his hands behind his back, sighed, and said, “No matter which choice you make, Qin Yu must die. This is the family head’s order. So... fortunately, you made the right choice...”

The news from the outside world continued to ferment, and Qin Yu was pushed to the forefront.

It was no exaggeration to say that the most famous people in the entire Holy Region now were Qin Yu and that mysterious person of the demon race.

They were the only ones who dared to attack the nine great aristocratic families and defeat them.

It also made the various aristocratic families even more determined to get rid of Qin Yu and that mysterious person of the demon race. They also held a secret meeting.

...

Heavenly Heart Lake was once said to be the closest to dao techniques.

However, for some reason, Heavenly Heart Lake declined and even became a deserted place.

This place used to be a dazzling paradise, but now it had become a quiet wasteland. The lake water was as calm as a mirror and crystal clear as if it was telling the glory of the past.

However, the grass and trees by the lake had withered. The prosperity of the past no longer existed. The bustling cultivators had gradually left this place, leaving only loneliness and silence.

Once a holy land that cultivators dreamed of had now become a lonely place forgotten by the world.

However, a young man was sitting by the lake in such a place.

He held a snow-white fishing rod in his hand. The clear water rippled, giving people a sense of coolness.

The young man had a slender figure and handsome facial features. His long black hair was casually draped over his shoulders. Although the internal qi on his body seemed calm, one could see dao techniques circulating his body if one looked carefully

“Your old friend is indeed quite capable.”

At this moment, a woman’s voice sounded behind him.

The young man didn’t move and was focused on fishing.

A few minutes later, a small silver-white fish took the bait.

Holding the small fish in his hand, the young man’s eyes revealed deep affection.

However, he suddenly exerted force and crushed the fish into meat paste in the next second.

The woman behind him did not react as if she was used to it.

At this moment, the young man slowly stood up and said with a smile, “Old friend? Which old friend?”

“Qin Yu, the person you miss the most,” the woman said.

“Qin Yu?” After hearing this, a trace of surprise flashed across the young man’s face.

Then he looked into the distance as if recalling something.

“Xiao Yuan, don’t you want to see your old friend after hearing the news?” the woman continued to ask.

Xiao Yuan shook his head and said smiling. “There’s no rush. It’s not time yet. My cultivation technique has not reached great success yet.”

“It’s been three whole years. You’ve been hiding on Heavenly Heart Island. With your talent, numerous families will go after you once you enter the world. Why did you...” The woman opened her mouth, feeling puzzled.

However, Xiao Yuan interrupted her. “I don’t give a d\*mn to those aristocratic families.”

“You don’t give a d\*mn? You don’t give a d\*mn to the nine great aristocratic families, too?” the woman snorted and said.

Xiao Yuan didn’t dwell on the topic. He looked at the woman and said, “You’re considered a favored daughter of the Yao family and have received much attention. Why do you want to follow me?”

The woman rolled her eyes at Xiao Yuan and said, "You know it yourself. Why are you still asking me?"

Xiao Yuan sighed and continued, "How long have you been following me?"

"Two and a half years," the woman said without hesitation.

Xiao Yuan stood up and reached out to hold the woman's face. He said in a tremendously gentle tone, "Xiaowei, you know I love you very much."

Hearing what he said, Xiaowei's eyes flashed with tenderness, and her face was full of shyness.

...

"I love you very much too..." Xiaowei said softly.

Xiao Yuan sighed and continued, "But it's still not deep enough. Xiaowei, I really need you. I really need you."

Xiaowei seemed to have been reminded and quickly said, "I've been working hard. I'll definitely make you love me from the bottom of your heart and love me forever!"

"Let's hope that day will come sooner," Xiao Yuan smiled and said.

As someone who came to the Holy Region from Earth, Xiao Yuan was naturally very familiar with Qin Yu. He had even fought with Qin Yu before.

As heaven's favorites, they would meet sooner or later.

...

During this time, Qin Yu hid in this Mystic Realm to recuperate.

Xiao Hai's Mystic Realm was incredibly beautiful. Anyone who sat here would feel relaxed and happy.

"What a wonderful Mystic Realm!" Qin Yu sighed with emotion. This Mystic Realm seemed to have some dao technique that could cleanse people's evil thoughts. It was incomparably comfortable.

In the blink of an eye, three days went by.

...

On this day, the void in front of him trembled. After that, Xiao Hai brought Jue Wu and stepped into the Mystic Realm.

2029 News of the Chaos Grave

When Jue Wu saw Qin Yu, she immediately ran over.

She nervously went around Qin Yu and asked worriedly, "Qin Yu, are you alright? That Elder Si..."

"I've killed Elder Si." Qin Yu interrupted Jue Wu and said jokingly, "Of course, I'm fine. I can crush Elder Si with a mere finger!"

Seeing that Qin Yu could still joke, Jue Wu heaved a sigh of relief.

She slapped Qin Yu hard and said with widened eyes, "I'm warning you. If you dare to do such a dangerous thing again, I'll beat you to death!"

"No one has caused you trouble these few days, right?" Qin Yu rolled his eyes and said.

Jue Wu scratched her head and muttered. "It's rather strange. I followed your instructions these few days, and I was very nervous. But each time a strange internal qi approached me, it soon disappeared."

Qin Yu was silent. He knew that Xiao Yu must have taken action in secret to deal with those people.

Qin Yu could actually use the demonic egg to force Xiao Yu to take action and solve these problems.

However, he did not want to do that. If he did, it would ruin his relationship with Xiao Yu.

"Qin Yu, how are your injuries recovering these few days?" Xiao Hai walked over and asked.

Qin Yu bowed slightly and said, "I'm almost fully recovered. Although it was dangerous this time, I managed to comprehend, and it's a good experience for my future cultivation."

"Mmm," Xiao Hai responded. "On the edge of life and death, one will always comprehend something. Just like Xiao Sheng, whose dao technique would not accomplish without destruction. Each time he breaks through, he will completely dissolve all the cultivation techniques in his body."

"I've seen this before," Qin Yu smiled and said.

Xiao Hai did not dwell on this topic. He patted Qin Yu's shoulder and said, "You can stay here for the next few days. I'll immediately inform you once there is any news about the Chaos Grave."

"Alright." Qin Yu agreed.

Speaking of which, Qin Yu could not help but look around. He was puzzled and asked, "Mr. Xiao, did you personally open up this Mystic Realm?"

Xiao Hai was startled, but he immediately laughed out loud and said, "You think too highly of me. I'm not capable enough to do this. It's indeed a magical artifact. You and I are both in a magical artifact."

Qin Yu was instantly stunned on the spot. He said in surprise, "Magical artifact? There is such a magical artifact? It... It's a moving fortress!"

"That's right. I obtained this magical artifact by chance. As long as you hide here, at least your safety can be guaranteed," Xiao Hai said in a deep voice.

Jue Wu, standing at the side, said impatiently, "There should be food here, right?"

"Of course," Xiao Hai laughed and said.

Then he waved his hand, and waves immediately rose from the lake!

And as the waves fell, there was fish after fish.

"Since you and I can survive in this magical artifact, so oo other living beings," Xiao Hai explained.

Qin Yu nodded and bowed again to express his gratitude to Xiao Hai.

Standing at the side, Jue Wu couldn't be bothered by all this. She immediately grabbed the fish that kept flapping and ran to the side to roast it.

In the following days, Qin Yu and Jue Wu temporarily stayed in this Mystic Realm. As for Xiao Hai, he went out every day to gather information.

Under the joint efforts of several great aristocratic families, the Chaos Grave could open at any time. Many aristocratic families, sects, and even rouge cultivators had come to the vicinity of the Chaos Grave, waiting for the Big Grave to open.

No one knew what hid in the Chaos Grave, but all could guess it must be inevitably related to the chaotic body.

Two elderly men with their hands behind their backs were nearby the Chaos Grave.

They looked at the activation of the formation in front of them, and their eyes flickered.

"There are rumors that the Chaos Grave hides the secret of the chaotic body. There are also rumors that the corpse of a chaotic body with great achievement is hidden inside," one of the elderly men said.

“That’s right. There are only two chaotic bodies known to the Holy Zone. One is Si Shiyue of the Si family, and the other is Qin Yu, who has recently become famous,” another elderly man said.

“As a rogue cultivator, Qin Yu definitely is unwilling to miss such an opportunity.”

“He has offended the various aristocratic families. Once he shows up, he will definitely die. If I were him, I wouldn’t come to this place. Staying alive is much more important than anything else.”

The two elderly men discussed softly. Nevertheless, they knew in their hearts that Qin Yu would definitely come, and the various aristocratic families would definitely take the opportunity to eliminate him.

“Just wait and see. When the Chaos Grave opens, there will be a grand performance.”

...

Time flew, and in the blink of an eye, another 10 days had passed.

During this period, the strange sounds of the Chaos Grave continued. From time to time, one could see beams of light soaring into the sky and terrifying internal qi.

The surrounding dao technique rules seemed to have disappeared. Under this powerful internal qi, several formation masters died.

At the same time, Qin Yu’s state of mind became even more stable in the Mystic Realm. He sat cross-legged all day as if he had merged with the surrounding nature.

This magical artifact was not simple. Even a lively person like Jue Wu had become much quieter in this Mystic Realm.

On this day, Xiao Hai, who had gone out to scout for information, returned to the Mystic Realm.

“The Chaos Grave will probably open soon,” Xiao Hai said in a deep voice.

Qin Yu slowly opened his eyes. He took a deep breath and said, “Is it finally about to open...”

Xiao Hai glanced at Qin Yu and said, “But I suggest you don’t go. The Si family is determined to get the Chaos Grave. They have already deployed a large number of people nearby. Once you show up, it will be difficult to escape their eyes.”

“That’s why we have to think of a way to avoid being noticed,” said Qin Yu in a deep voice.

With that said, Qin Yu took out the magical artifact that concealed internal qi.

He looked at Jue Wu and said, “This magical artifact was originally for you, but it seems I can’t give it to you now.”

“I won’t go this time to avoid causing you trouble,” Jue Wu stood up and said.

Qin Yu looked at Jue Wu in shock as if he couldn’t believe his ears.

Could it be that this Mystic Realm had changed Jue Wu’s personality? It was impossible. Although this Mystic Realm was powerful, it would not be so powerful!

...

“You must be careful,” Jue Wu reminded him.

Qin Yu couldn’t care so much. He nodded and said, “I know. I will help you find another magical artifact if there is a chance.”

Then Qin Yu looked at Xiao Hai and said, “Mr. Xiao, please take me out of this Mystic Realm.”

“You really want to go?” Xiao Hai frowned.

Qin Yu took a deep breath and said, “There is a huge gap between my cultivation realm and Si Shiyue’s. This is my only chance. If he gets the chaotic body, I can never surpass him. As such, I can’t give up no matter what.”

## 2030 The Gathering of All Parties

Xiao Hai certainly understood Qin Yu’s thoughts. He also understood Qin Yu’s personality, so he did not say anything else.

This Mystic Realm was not far from the Chaos Grave. As soon as Qin Yu walked out of the Mystic Realm, he felt a sense of pressure.

Although the pressure was not strong, it was clear.

“This sense of pressure... What’s going on?” Qin Yu frowned.

“It’s from the Chaos Grave,” Xiao Hai said in a deep voice.

“Chaos Grave?” Qin Yu was stunned. Looking around, he asked in confusion, “Where is the Chaos Grave? Why can’t I see it at all?”

“It’s still very far away,” Xiao Hai said. “The Chaos Grave has affected a large area.”

Qin Yu gasped when he heard that.

Even from far away, he could already feel the pressure of the Chaos Grave. How terrifying would it be at the center of the Chaos Grave?

Xiao Hai looked at Qin Yu’s expression and said softly, “The closer we get to the center of the Chaos Grave, the stronger the pressure will be. However, it is also a form of training for cultivation. Of course, if you want to cultivate in such an environment, you need tremendously strong willpower and talent.”

Qin Yu nodded and took a deep breath. He knew this would be a severe test. Not only would he have to face the pressure of the Chaos Grave, but he would also have to be careful against the schemes and pursuits of the various aristocratic families.

However, he didn’t plan to back off. This opportunity of the Chaos Grave was his only hope to catch up with Si Shiyue. For his future, he had to take the risk.

Xiao Hai stopped at a distance away from the Chaos Grave. He looked at Qin Yu and said in a deep voice, “From here on, you must be careful. Try not to reveal any flaws. It’s also a feasible method if you can borrow the power of other factions.”

Qin Yu nodded earnestly. He put on the magical artifact hat that concealed internal qi and took a deep breath before walking toward the Chaos Grave.

After much thought, Qin Yu and Xiao Hai decided to split and act separately for the time being to avoid attracting attention.

Just as Xiao Hai had said, the closer he got to the Chaos Grave, the stronger the pressure would be. It would even cause his entire chest to feel incredibly uncomfortable.

Qin Yu walked forward with the bamboo hat on his head. Covering by the bamboo hat, no one could see Qin Yu’s face clearly.

It was because many cultivators who came to the Chaos Grave wore magical artifacts that concealed internal qi. As such, no one would pay particular attention to Qin Yu.

“There’s indeed a lot of people.” Qin Yu sighed with emotion.

Many cultivators showed up, but nobody knew how many people hid in the dark.

Compared to the last time he came to the Chaos Grave, the scene this time was very different. All the terrain had returned to its original state. Many formations were in the center of the Tai Chi Diagram.

These formations would be used to open the Chaos Grave.

Many Formation Masters gathered together and activated their formations. They were sparing no effort to open the Chaos Grave.

Qin Yu remained silent. He found a relatively safe place to sit down and closed his eyes. At the same time, he restrained his internal qi and did not dare to reveal the slightest bit of divine sense to avoid being discovered by others.

The cultivators near the Chaos Grave were in groups of three to five. There were also many rogue cultivators who acted alone like Qin Yu.

Many people from the sects had also rushed over. They occupied a spot and quietly waited for their grave to open.

“Look, those are the people from the Mysterious Heaven Sect!” someone pointed at a group of cultivators gathered not far away and said.

“Mysterious Heaven Sect? Is it the sect known as the strongest under the nine great aristocratic families?”

“Yes. I heard the Mysterious Heaven Sect also had a cultivator at the Tribulation Stage back then. They were once reputable existences.”

“Look, the people from the Endless Sect are here too! The person leading this time seems to be its sect master!”

“The Afterglow Valley’s people are here too!”

“Blazing Sun Palace, Thunderous Palace, Green Lotus Sect... So many sects are present! The influence of the Chaos Grave is indeed terrifying!”

It was no exaggeration to say that this was the most influential event in recent years!

Qin Yu remained silent. He knew very well that although these sects were powerful, they were still far from the nine great aristocratic families.

They didn’t dare to covet the chaotic corpse in the Chaos Grave. They only wanted to seize some opportunities.

“Isn’t that the Chu family? Why are they here too?” At this moment, Qin Yu heard someone say beside him.

Qin Yu frowned slightly. He followed everyone's gaze and saw a group of people.

The one leading them was an elderly man followed closely by Chu Sheng, who had a conflict with Qin Yu.

"Enemies are bound to meet on a narrow road." Qin Yu narrowed his eyes.

At this moment, Chu Sheng was swaggering behind the elderly man of the Chu family. His face was full of confidence and smugness.

The group looked around as if they were looking for something.

"Father, will the Si family really befriend us because of this?" Chu Sheng asked softly.

Narrowing his eyes, the elderly man snorted coldly and said, "Our Chu family has always wanted to befriend the nine aristocratic great families.

Unfortunately, we couldn't find a suitable opportunity. This time, Qin Yu killed an elder of the Si family. I think the Si family must have hated him to the extreme! As for you, you happen to have a conflict with Qin Yu. It's naturally a good opportunity for us. After all, the enemy of an enemy is a friend."

Chu Sheng nodded repeatedly as if he felt what his father said made sense.

After a while, Chu Sheng spotted an elder of the Si Family. Then the group walked toward the elder.

The head of the Chu family was humble and expressed his intention.

Unfortunately, the elder of the Si Family did not give him any face.

"Chu family? I've never even heard of you, and you want to befriend us? If you can find Qin Yu, we might consider it. But now... Who do you think you are?" The Si family's elder said mercilessly.

The head of the Chu family blushed but did not dare to say a thing.

Chu Sheng was a little angry, so he went forward and said, "Although our Chu family is not as powerful as your Si family, we are still a first-class aristocratic family in the eastern part of Yellow Sand Ridge. Aren't you disrespecting us by saying so?"

"Respect?" The face of the elder of the Si family darkened. Then he waved his hand, and a terrifying force instantly sent Chu Sheng flying!

Although this strike wasn't that powerful, it made Chu Sheng vomit blood!

"If you can't educate him well, I can educate him on your behalf," the elder of the Si family said coldly.

Although the head of the Chu family was furious, he dared not show it. He could only apologize desperately, “It is my fault for not educating him properly. Please forgive me, Elder...”

...

“If it wasn’t for the fact that it’s not suitable to kill before the Chaos Grave opens, this strike would be enough to take his life!” The elder of the Si family snorted coldly and then ignored them.
