Chapter 2041: Entering the Chaos Grave Together

Qin Yu thought to himself, "If that's the case, this fight might buy me more time to find a way to get rid of the nine great aristocratic families."

However, the man with the mustache suddenly became serious and said, "Don't be happy too soon. Even so, the nine great aristocratic families would fight secretly. They will try their best to avoid letting outsiders know about it so as not to contain the riot."

Then the man with the mustache continued to remind him, "If my guess is correct, then it will be even more difficult for you to leave this place."

Qin Yu nodded slightly. This was true.

But soon, Qin Yu laughed again.

"What are you laughing at?" The man with the mustache looked at Qin Yu suspiciously.

"If it's Wu Ji's tomb, I'm afraid there will be more people who want to come," Qin Yu sneered and said.

Although the nine great aristocratic families represented the strongest fighting force in the Holy Region, it did not mean there was no other powerful rogue cultivator in the world.

Moreover, other than Holy Region, other powerful existences in the universe might also descend upon the Holy Region to seize Wu Ji's secret burial.

Although the Holy Region was huge, it was nothing compared to the universe.

All the Tribulation Stage great cultivators had swept across the void before. A mere Holy Region could not stop them at all.

"Maybe," the man with the mustache said.

He looked at the people from the nine great aristocratic families not far away and felt a little worried.

"I hope they don't discover this is Wu Ji's Big Grave," the man with the mustache said in a low voice.

There weren't many legends about Wu Ji in the Holy Region, but any one of them was unprecedented.

Rumor had it that back then, Wu Ji could fight against the Immortal Emperors at the Tribulation Stage without a disadvantage. There were even rumors that Wu Ji killed two Immortal Emperors in the outer region!

Although there was no evidence for this legend, it was not groundless. To be able to integrate nine types of dao techniques into one, his talent was definitely not inferior to any Immortal Emperor in the world!

Not far away, Yan Guyun and the others quickly came up with a plan.

If tribulation magical artifacts were found in the tomb, all of them would be given to the other eight aristocratic families. The Si family could also give up the Divine Medicines and immortal scriptures.

In short, the Si family only wanted that corpse and nothing else.

After the discussion, Yan Guyun and the others walked to the edge.

Si Shiyue, Saintess Gu, and the others followed closely behind.

“Brother Si, I’ll have to rely on you from now on,” Yao Xi said with a smile.

Although Si Shiyue did not like Yao Xi, he did not say anything. He narrowed his eyes, and a few drops of blood essence flew out from his glabella.

These drops of blood essence landed on their hands and then entered their bodies.

After forcing out a few drops of blood essence, Si Shiyue instantly became weaker, and his face turned pale.

“Thank you for your selfless contribution, Brother Si,” Yao Xi said strangely.

Si Shiyue looked at him coldly and said, “Cut the crap. I hope you won’t let me waste these few drops of blood essence for nothing.”

“Don’t worry, Brother Si,” Yao Xi said with a faint smile.

After saying that, rays of light appeared on his body.

The light enveloped his body, emitting traces of extremely sacred majesty.

It was the protection of tribulation path inscription. Without delay, the others also activated the tribulation path inscription and planned to step into the Chaos Grave.

“Everyone, don’t waste time. If there’s a delay, things will change. No one can guarantee what kind of terrifying living beings will breed in this Chaos Grave,” Si Liuhe said.

Looking over, tremendously terrifying lights were flickering in those few sanctums. All kinds of living beings were bred inside.

These living beings were bred from Wu Ji's dao techniques. Although they were not as powerful as Wu Ji, they had comprehended Wu Ji's dao techniques.

Therefore, even Si Liuhe and the others did not dare to offend them.

After that, a few of them stepped into the Chaos Grave.

Qin Yu narrowed his eyes and gazed fixedly in their direction.

The others also stood up and gazed fixedly at them.

Soon, Yan Guyun and the others entered the Chaos Grave.

The moment they stepped in, the death qi in the Chaos Grave became manic. It was like fierce beasts that opened their bloody mouths and wanted to devour all these uninvited guests!

"Swoosh..."

Terrifying internal qi intersected with their bodies, emitting extremely ear-piercing sounds.

Tribulation path inscription emitted its true power at this moment, resisting the internal qi of the Chaos Grave.

Even Yan Guyun and the others felt a bit of pressure.

"As expected of the Chaos Grave. It's indeed terrifying," Yan Guyun said coldly.

Even with the augmentation of the tribulation path inscription, their movements became incredibly difficult. Every step they took was like a staggering old man.

Nonetheless, they had indeed resisted the terrifying internal qi in the Chaos Grave.

Not far away, the living beings in the nine sanctums were also looking at them.

They didn't have any real emotions. They were purely bred from dao techniques. However, the nine living beings were all staring at them coldly.

"They managed to resist," someone murmured.

"It seems one can enter the Chaos Grave as long as one has the Tribulation Path Inscription Protection!"

Everyone's discussions surged like a tide, and some people even began to give it a try.

Qin Yu looked coldly at the nine sanctums.

...

Once the living beings in the sanctums moved, they would probably die here even with the Tribulation Path Inscription Protection.

However, after a long time, there was no strange phenomenon in the nine sanctums. They only watched coldly as the few walked into the depths of the Chaos Grave.

"It seems there's no problem," someone murmured.

"Hehe! In that case, I won't miss this opportunity. Isn't it just a tribulation path inscription? I have it too!"

At this moment, a cultivator roared. His body was wrapped in the path inscription, and densely packed inscriptions erupted from all over his body!

After that, without delay, the cultivator strode into the Chaos Grave!

"Swoosh!"

The moment he stepped in, the ear-piercing sound rang out again!

However, in less than half a second, the tribulation path inscription on his body shattered right away!

The cultivator's expression instantly turned tremendously ugly. Before he could react, his body was swallowed by the death qi, and he turned into a tomb slave!

"Hmph! Idiot! Do you think you can barge into the Chaos Grave relying on a tribulation path inscription?" The man with the mustache sneered.

...

"He seemed to have forgotten about the blood essence of the chaotic body," Qin Yu said in a deep voice.

"Without the blood essence of the chaotic body, even if you bring tribulation magical artifact, you probably can't walk into the Chaos Tomb safely," the man with the mustache narrowed his eyes and said.

The scene fell silent. No one dared to act rashly anymore.

"It seems that without the blood essence of the chaotic body, there's no way to enter this Chaos Grave," someone said in a low voice..

Chapter 2042: Run!

The great temptation of the Chaos Grave made everyone reluctant to leave.

Even though they knew the Chaos Grave was full of dangers and they didn't even have the chance to step in, there was still no lack of bold people.

At this moment, Si Shiyue was sitting cross-legged by the side, adjusting his internal qi.

A few drops of blood essence were impactful on him, and he even looked a little weak.

Due to this, Si Shiyue did not step into the Chaos Grave. Instead, he waited by the side.

Several beams of light shot toward Si Shiyue from the crowd.

They were powerful rogue cultivators from all over the world. They were so powerful that they began to have evil thoughts even when facing the powerful Si family.

At this moment, someone took the lead to stand up and approach Si Shiyue!

"Hand over your blood essence, and I'll spare your life!"

A thunderous roar startled everyone!

Everyone looked over and saw a cultivator raising his hands to grab Si Shiyue fiercely!

That fierce internal qi was incredibly terrifying. It was tremendously rapid and destructive, leaving traces in the void!

However, sitting there with his legs crossed, Si Shiyue did not move at all. He still closed his eyes and paid no attention to him.

Just as the cultivator was about to get close, Si Shiyue's body suddenly burst out with dazzling light!

After that, a wave of tremendously hoary and heavy internal qi erupted!

"Boom!"

The moment the cultivator touched Si Shiyue, he was sent flying!

"Hmm?"

Seeing what happened, everyone's expressions changed drastically!

Si Shiyue seemed to be hiding some top-notch supreme treasure, which was even more valuable than a Saint Weapon!

The wisps of internal qi that emitted just now had severely injured this cultivator!

Everyone looked at each other. Those who had evil thoughts quickly hid in the dark.

At this moment, Si Shiyue slowly opened his eyes.

He looked at the cultivator not far away and said indifferently, "Do you think I'm a fool?"

Before the cultivator could respond, Si Shiyue had already slapped him into meat paste!

The surroundings were silent. No one dared to look into Si Shiyue's eyes.

Si Shiyue snorted coldly and sat down again.

Qin Yu remained silent. Of course, he knew the Si family would not leave a weak Holy Son outside unattended.

When he looked at the Chaos Grave again, Yan Guyun and the others had already gone deep into the tomb. He could no longer see them.

"Can you detect Yan Guyun and the others?" Qin Yu looked at the man with the mustache and asked.

"No," the man with the mustache shook his head and said. "The chaotic qi is so dense that my divine sense can't penetrate it."

"They shouldn't have met with any mishaps, right?" Qin Yu frowned slightly and asked.

"Most probably not. With their abilities, even if they encounter danger, they can escape," the man with the mustache said.

"What about us? Isn't it time to set off?" Qin Yu said in a deep voice.

"It's not the time yet," the man with the mustache shook his head and said. "If we run into them, we'll be doomed."

Qin Yu was a little anxious. He was afraid that the Si family would take away the corpse of the chaotic body.

In the blink of an eye, dozens of minutes had passed, but the man with the mustache still showed no signs of moving.

"How long do we have to wait?" Qin Yu could not wait any longer.

The man with the mustache looked at the Chaos Grave with a serious expression and said, "Wait a little longer. Don't worry. It won't be easy for them to take the corpse away."

With that, the man with the mustache raised his finger.

His fingers were constantly searching the void. If one looked carefully, strands of light that were tremendously difficult to detect appeared on his fingers.

These lights were like strings of a zither, extremely mysterious and profound. The expression of the man with the mustache became increasingly solemn.

In just a while, sweat began to appear on his face!

Qin Yu frowned. He obviously knew what the man with the mustache was doing. He was deducing the dao technique to observe the future!

And what he was deducing was naturally the Chaos Grave!

At this moment, the man with the mustache suddenly opened his eyes and stumbled back a few steps. He even spat a mouthful of blood!

"What's going on?" Qin Yu hurriedly walked forward and held the man with the mustache.

The face of the man with the mustache was ashen. He muttered in a low voice, "My dao technique deduction...has a problem."

"What do you mean?" Qin Yu hurriedly asked.

The man with the mustache stood up with difficulty. He looked in the direction of the Chaos Grave and said in a low voice, "Before I came, I had once divined for myself. The divination showed that although the process was tremendously horrifying, the outcome was good. However... I can't see clearly now."

"Can't see clearly?" Qin Yu was stunned.

He couldn't understand the man with the mustache's level of deduction, so he couldn't understand what the mustache man meant.

The man with the mustache ignored Qin Yu. He sat cross-legged on the ground and continued to deduce the dao technique.

After a while, the man with the mustache slowly opened his eyes.

...

He took a deep breath and said, "Run."

"Run? What do you mean?" Qin Yu frowned.

The man with the mustache pointed at the Chaos Grave and said, “No one will succeed today. Everyone is in danger! All of us here have underestimated this Chaos Grave!”

Qin Yu opened his mouth and was about to speak when a loud bang suddenly sounded from the Chaos Grave!

The sound was so loud that it shattered the eardrums of numerous people. Some of the weaker ones even exploded and died on the spot!

Even with Qin Yu’s strength, he could not help but feel panic, and his face turned ashen!

“What happened?”

Instantly, everyone around the Chaos Grave panicked!

Facing this unknown fear, everyone’s expression became tremendously miserable!

“Boom!”

At this moment, another loud bang came from the Chaos Grave!

...

Immediately after, they saw Yan Guyun and the others fleeing frantically!

They ran out with all their might. Their faces no longer had the high and mighty attitude earlier on. Instead, they were full of indescribable fear!

Seeing this scene, everyone panicked even more!

“Even Yan Guyun and the others are escaping. What... What exactly happened!”

“Hurry up... Run!”

Someone cried out in alarm and tried to escape.

However, there were formations in the surroundings. They could not escape at all!

Inside the Chaos Grave, Yan Guyun and the others used their secret techniques to escape to the shore!

Elder Shi, who was slightly slower, was hit by an unknown internal qi. His chest was bleeding non-stop, and his body was rapidly rotting!

Fortunately, at the last second, Elder Shi managed to escape with difficulty.

He looked at the Chaos Grave with lingering fear, and couldn't conceal the fear on his face.

The injuries on his body were still rotting and spreading, looking shocking.

Elder Shi gritted his teeth.. He reached out his palm and shattered half of his body to stop the rotting of his body!

Chapter 2043: Kill Qin Yu First

Elder Shi raised his hand and shattered half of his body, causing blood to spurt out instantly.

Seeing Elder Shi's decisiveness, the surrounding people's expressions changed drastically, and they were shocked.

"What exactly happened..."

"Even Yan Guyun and the others have suffered such severe injuries. What... What exactly is in this Chaos Grave?"

!!

The expressions of Yan Guyun and the others were tremendously solemn. The face of each of them was filthy with grime, unlike aristocratic families!

Qin Yu's brows were tightly furrowed. He looked at the man with the mustache but realized his expression was solemn too.

"What happened?" Si Shiyue stood up, walked up to Si Liuhe, and asked.

"We've underestimated the Chaos Grave," Si Liuhe said in a deep voice.

"Guardian living being have been born in the depths of the Chaos Grave for a long time. We can't deal with them!"

"Guardian living being?" Si Shiyue also frowned.

To the Immortal Emperor, even a stone beside him could develop intelligence under the influence of a dao technique!

As for a guardian living being that was formed from pure dao technique, it was unimaginable how terrifying its strength was!

"We can't move this Chaos Grave at all. I'm afraid we'll have to bring a tribulation magical artifact or even an Emperor Weapon." Si Liuhe took a deep breath.

"Even my blood is useless?" asked Si Shiyue in a deep voice.

Si Liuhe glanced at him and said, "Guardian living beings are born to protect the corpses of the chaotic bodies. Your blood is useless."

“In other words, we can only retreat for the time being.”

Everyone looked at each other in shock. Their eyes filled with fear as they looked at the Chaos Grave.

Similarly, Yan Guyun and the others gathered together and discussed something in low voices.

“Let’s leave for now. I’m afraid we’ll need the nine great aristocratic families to work together to excavate this Chaos Grave,” Yan Guyun said coldly.

Si Liuhe frowned and said, “If we leave, I’m afraid numerous people will come here.”

“So we have to make a foolproof plan. We can’t let anyone get close,” Yan Guyun said coldly.

They were naturally not afraid of ordinary cultivators. After all, even if they wanted to get close to the Chaos Grave, the outcome would be death.

However, no one could guarantee other hidden experts would not take action.

If this news spread, experts from outer regions might descend.

“Remove the formation and leave this place,” Jiang He said quietly.

Si Liuhe glanced at him and sneered, “Of course, I have to remove the formation. But before that, I have one more thing to do.”

Si Liuhe leaped into the air and landed above the crowd.

He looked down at everyone like a god, incomparably arrogant. He was no longer as miserable as just now.

Everyone’s attention was drawn to Si Liuhe.

They raised their heads, looking up at Si Liuhe, and frowned.

“What is he trying to do? Does he want us to die?”

“Impossible! Even they can’t enter the Chaos Grave. It’s useless even if we go.”

Si Liuhe glanced at the crowd and said indifferently, “I’m afraid I’ll have to put the matter of the Chaos Graves on hold for the time being. However, before I remove the formation, I must find someone first.

Hearing this, Qin Yu’s expression immediately changed slightly, and he had a bad feeling in her heart.

“Qin Yu, I know you’re here,” Si Liuhe said coldly.

Everyone below was stunned!

Si Liuhe was looking for Qin Yu? Could it be that he wanted to kill Qin Yu here?

Even Si Shiyue was startled. He hurried to Si Liuhe's side and whispered, "Master, what...what are you doing? Haven't I already made my choice?"

Si Liuhe glanced at Si Shiyue and said, "I'm very happy that you have made the right choice, but Qin Yu must die. This is your father's order."

Si Liuhe then ignored the others. He glanced at them and said coldly, "Qin Yu, come out. You killed an elder of the Si family and have gone against the Si family many times. No one can save you today."

Qin Yu's expression was tremendously ugly, and fear was even in his heart!

In front of Si Liuhe, Qin Yu absolutely had no power to fight back!

"Don't ever admit it," the man with the mustache said from the side at this moment.

"There are so many people here. If he wants to find you, I'm afraid it will take some time."

Qin Yu nodded and said, "If it's possible, it's best you bring me to your formation."

The man with the mustache did not say anything. He still looked extremely solemn.

"If you don't come out, I'll kill everyone here. I'd rather kill a thousand innocent people than let you go," Si Liuhe said coldly at this moment.

The moment he said this, the people below immediately panicked!

Facing Si Liuhe's threat, they did not blame him. Instead, they blamed everything on Qin Yu!

"Is this Qin Yu trying to kill us?"

"Qin Yu, if you're here, come out quickly. Don't implicate us!" "Be responsible for what you did. We don't want to be buried with you!"

Qin Yu gritted his teeth, not knowing what to do for a moment.

At this rate, Si Liuhe would definitely find him!

"Everyone, take off your magical artifact. Otherwise, don't blame me for being rude." Si Liuhe ordered again.

...

Hearing this, everyone hurriedly took off the magical artifacts that covered their internal qi and revealed their original appearance.

Qin Yu's expression was incomparably ugly. He knew that if this continued, there was no way to escape!

Just as Qin Yu was about to step forward, Jiang He suddenly bowed and said, "Senior Liuhe, the internal qi in the Chaos Grave is extremely unstable. Now is not the time to attack Qin Yu. Otherwise, I'm afraid we'll attract a huge disaster."

However, Si Liuhe only gave Jiang He a cold glance and said, "Jiang He, I know your background, so you don't have to say anything. I also advise you not to cause trouble for yourself."

Jiang He was silent, but he had no intention of retreating.

Si Liuhe's expression turned cold, and he was extremely displeased.

"D*mn it!" Qin Yu cursed secretly and took a step forward, planning to face Si Liuhe!

"Senior! Jiang He is right. The internal qi in the Chaos Grave will erupt soon. If we don't leave now, it will be too late!" The man with the mustache suddenly stood up!

He looked nervous and shouted anxiously, "The internal qi of the Chaos Grave will continue to spread until it reaches the entire Tai Chi Diagram! If we don't leave now, we can no longer leave!"

Qin Yu looked at the man with the mustache in a loss. For a moment, he could not figure out if what the man with the mustache said was true or if it was just to help him escape.

Si Liuhe glanced at the man with the mustache, sneered, and said, "You're deluding the public with lies.. Could it be that you're Qin Yu?"

...

Chapter 2044: I Have Just Learned It

Si Liuhe's face was cold as he stared at the man with the mustache.

However, the man with the mustache ignored him and continued, "I'm telling the truth. It won't be long before the Chaos Grave spreads. By then, no one can escape!"

"I think you're Qin Yu!" Si Liuhe didn't listen to him at all. He shouted, "Take off the magical artifact on you! Otherwise, don't blame me for being rude!"

However, the man with the mustache looked at Si Liuhe coldly and said, "You're harming everyone."

"You're misleading people with rumors and deluding the people with lies. You're courting death!" Si Liuhe shouted angrily. Then he raised his hand and slapped the man with the mustache!

This palm had the power of a raging sea and was incomparably terrifying. It almost destroyed everything, and there was nowhere to hide!

However, just as the palm was about to hit him, the man with the mustache's body turned illusory straightaway as if he was drawn into the void. In a short while, he reappeared not far away.

Everyone present was shocked seeing this scene!

"Good move!"

"He dodged Si Liuhe's palm so easily!"

Si Liuhe raised his eyebrows and said, "You have some ability, but that's all."

After saying that, Si Liuhe's aura surged again as if he was going to give the man with the mustache a final blow.

Seeing the man with the mustache become the target, Qin Yu could not stand it anymore.

He tore off the magical artifact on him and threw it to the side. Then he said coldly, "He is not Qin Yu. I am."

At this instant, everyone's gazes landed on Qin Yu!

When they saw Qin Yu's face, the crowd exclaimed in surprise!

"Qin Yu is really here!"

"Yes, it's him. He killed the elder of the Si family not long ago!"

"I didn't expect him to come up!"

Si Shiyue's face turned cold. He looked in Qin Yu's direction and could not help but emit a strong killing intent.

Si Liuhe narrowed his eyes, then said indifferently, "As expected, you're hiding here."

Qin Yu stepped forward, looked at Si Liuhe coldly, and said, "Si Liuhe, you're being too overbearing. Why? Did my appearance scare your Si family?"

"Hahaha!" Si Liuhe burst into laughter. "You? I'm afraid you're not worthy! Let me tell you. You killed our Si family's people, so you have to die!"

"Let me do it!" Si Shiyue stepped forward, ready to attack.

But Si Liuhe stopped him and shook his head. "I've told you. It's your father's order. He must die."

Not far away, Jiang He's expression didn't look good. It was unknown what Saintess Gu by the side was thinking.

"Qin Yu has indeed come," Yao Xi said with a vague smile.

Everyone looked at the two of them. They had already become the main characters of this world.

Si Liuhe put his hands behind his back and said indifferently, "Qin Yu, you've committed a heinous crime. Today, you'll die for sure."

Qin Yu knew he was no match for Si Liuhe but didn't wait to die. Instead, he quietly adjusted his internal qi to the maximum.

"Alright, you can die now," Si Liuhe said indifferently.

After that, Si Liuhe raised his hand and casually slapped in the direction of Qin Yu. Although it was just an ordinary palm, it contained an incredibly terrifying force! It was even more powerful than the palm strike just now!

Qin Yu gritted his teeth and stared at the palm sweeping toward him!

"Boom!"

Very quickly, that palm slapped over!

The entire land collapsed instantly, raising smoke and dust high and blocking everyone's vision!

The scene fell silent. Some people felt sorry, and some sighed as if they had predicted Qin Yu's death.

However, at this moment, the smoke and dust dispersed. Qin Yu was still standing there firmly!

The Golden Light on his body had been shattered, and his body was covered in blood. Many of his bones were broken.

However, Qin Yu did not collapse. His internal qi did not even show the slightest hint of sluggishness!

“As expected of Si Liuhe...” Qin Yu wiped away the blood from the corner of his mouth, feeling extremely shocked.

Si Liuhe was even more surprised. He laughed and said, “As expected of someone who could kill an elder of my Si family. Not bad, not bad!”

Yao Xi, Saintess Gu, and the others were also surprised. Yan Guyun, standing beside them, narrowed his eyes, thinking about something.

“It’s indeed a pity for such a talent to die just like this,” Si Liuhe shook his head and said.

As he spoke, the internal qi on his palm surged again and became even more terrifying!

“But... You’d better go to hell.” Si Liuhe’s tone instantly turned cold.

“Stop!”

At this moment, a loud shout sounded! Then he saw Xiao Hai standing beside Qin Yu.

“Mr. Xiao?” Qin Yu’s expression changed, and he immediately panicked.

“Mr. Xiao, this matter has nothing to do with you. Leave quickly!” he urged.

However, Xiao Hai was not a coward. He looked at Si Liuhe and said coldly, “The famous Si Liuhe is bullying a junior. How despicable!”

“Who are you?” Si Liuhe was slightly surprised.

At this moment, someone recognized Xiao Hai and exclaimed, “He had a conflict with the elder of the Si family in Divine Fortuity City. He also killed several people from the Si family!”

...

“His name is Xiao Hai. I’ve heard of him. He’s a genius in Nanzhou! ”

Hearing this, Si Liuhe said in surprise, “Oh? You came at the right time. I’ll kill you too.”

Si Liuhe raised his hand and looked in Xiao Hails direction.

“Si Liuhe!” Qin Yu shouted hurriedly. “This matter has nothing to do with Xiao Hai. Come to me if there’s anything. My surname is not Qin if I’m a coward!”

However, Si Liuhe looked indifferent as he said, “It’s just two ants. I’ll stomp both of you to death together.”

Si Liuhe slapped a palm strike again after saying that.

At this moment, Xiao Hai raised both his hands. He mimicked Si Liuhe and pushed both his hands toward Si Lihue at the same time.

“Boom!”

A loud bang exploded in the void! Xiao Hai was forced back three steps!

Si Liuhe’s palm strike was easily resolved!

...

This time, everyone was stunned!

Si Liuhe had been famous for many years. He was one of the top existences in the Holy Region.

However, this Xiao Hai could actually resolve his move?

“That Xiao Hai... He seems to be using the same move as Si Liuhe!”

“How is that possible? Could it be that Xiao Hai once cultivated in the Si family?”

“Impossible! Absolutely impossible!”

“Who are you? ” Si Liuhe asked coldly. “How do you know our Si family’s palm technique?”

“I’ve just learned it, ” Xiao Hai said quietly. “I knew I was no match for you, so I pushed hard with both hands.

“Unfortunately, it seems that my hands couldn’t defeat you.”

After hearing what Xiao Hai had said, the place instantly fell terribly silent!

Chapter 2045: Fighting Si Liuhe

Who was Si Liuhe? He was an existence that swept across all directions and was famous throughout the Holy Region!

No one doubted his strength. Not many people in the Holy Region were his match. Xiao Hai was just a junior, yet he wanted to defeat him with his bare hands!

What was even scarier was Xiao Hai had seen through Si Liuhe’s palm technique with just a glance!

What was it called? It was called a martial arts genius!

“Just a glance... and he has learned it?” Someone at the scene swallowed a mouthful of saliva, and the shock on his face could not be concealed.

“Who... Who would dare to fight him in the future? Doesn’t that mean he’ll learn all the techniques?”

Not only others but Qin Yu was also tremendously shocked!

Of course, he knew the terrifying talent of the two Xiao brothers, but he did not expect Xiao Hai to comprehend the Si family’s technique so easily!

Qin Yu could not help but recall the scene in North Plain back then.

At that time, Xiao Hai had only stepped into North Plain, but he had quickly comprehended the dao techniques of the North Plain.

Everyone would be shocked by such terrifying talent!

“What a terrifying talent!” Saintess Gu spoke first.

Yao Xi also frowned and said in a low voice, “In the Golden Age, there will always be a few unexpected freaks.”

Si Liuhe was silent. Looking in Xiao Hails direction, he was thinking about something.

“This era... is indeed interesting. I’m afraid the younger generation will be incredibly outstanding,” Yan Guyun said with a vague smile.

Si Liuhe spoke at this moment.

He looked in Xiao Hails direction and said, “Xiao Hai, there’s no deep grudge between you and the Si family. As long as you are willing to join us, we can write off all your past grudges. What do you think?”

The crowd gasped again!

Si Liuhe... had actually put down his arrogant attitude and extended an olive branch to Xiao Hai!

It was simply unprecedented!

Si Liuhe knew very well that Qin Yu had a lot of freaks around him.

Although these people were still not strong enough, they would definitely form an incredibly terrifying force in time!

This force was enough to shake the current structure of the Holy Region! It would affect the nine great aristocratic families!

Everyone was waiting for Xiao Hail s response. In their opinion, this seemed to be the best choice.

“I know what you’re thinking.” Seeing Xiao Hai not responding, Si Liuhe continued, “If you are willing to join the Si family, I can let Qin Yu go today.”

Everyone was dumbfounded again.

For the sake of Xiao Hai, Ji Liuhe was even willing to let Qin Yu go!

This... This simply changed everyone’s worldview!

Unfortunately, Xiao Hai was a person who never bowed down. He laughed and said, “Thank you for your kindness, but I, Xiao Hai, am used to freedom. I don’t like to join any aristocratic families.”

Xiao Hai paused for a while before continuing, “Moreover, I don’t fit in with your Si family’s ideology and dao technique. I can never fit into your circle.”

Just as Xiao Hai had said, he was a man with a strong sense of justice. How would he be willing to join the Si family?

“This Xiao Hai really doesn’t know how to appreciate favors.”

“It’s Si Liuhe! Si Liuhe invited him personally, and he dared to reject him!”

“Does he think he’s some treasure? The Si family can destroy him any time.”

Si Liuhe’s face turned cold. He looked at Xiao Hai and said, “If you disagree, you’ll die here today. I definitely won’t let you make good.”

Xiao Hail s body trembled, and he said, “I, Xiao Hai, have always been righteous wherever I go. I have never thought about my ending. To die today means to end today. What is there to be afraid of?”

“Good!” Si Liuhe shouted. He was obviously enraged by Xiao Hai.

“I admit you have some talent, but your strength is not worth mentioning in front of me!”

Si Liuhe’s aura rose again after a shout!

Even though the people were far away, they could still feel Si Liuhe’s terrifying pressure!

Qin Yu was tremendously anxious. He quickly looked at the man with the mustache and said, “Do you have any Saint Weapon with you?”

The man with the mustache said with a cold expression, “Perhaps we don’t need a Saint Weapon anymore. ”

“What do you mean?” Qin Yu frowned.

The man with the mustache took a deep breath and said, “Although I can’t predict how the Chaos Grave will spread, I’m sure it’s destructive.

“If they don’t remove this formation, everyone will die here together.”

“Is what you said just now true?” Qin Yu’s expression changed, and he asked.

The man with the mustache did not say anything else. He closed his eyes slightly, thinking about something.

At this moment, Si Liuhe started to make his move.

He casually raised his palm, and thousands of dao techniques instantly served him. His terrifying internal qi was like a huge mountain, pressing down on people until they could not breathe!

Even Xiao Hails expression turned grave facing this internal qi.

He didn’t have any fancy technique. He raised his hand and released dense spiritual energy, intending to fight Si Liuhe to death.

However, everyone knew Xiao Hai was only powerful among his peers. He could not resist Si Liuhe, a top-notch existence of the older generation!

Once Si Liuhe was serious, life and death would probably be decided in an instant!

Qin Yu gritted his teeth and instantly activated his cosmic form, intending to fight Si Liuhe to the death!

...

Seeing Qin Yu, tens of feet tall, Si Liuhe narrowed his eyes.

“You have quite many techniques. Unfortunately, in the face of absolute strength, everything is not worth mentioning,” Si Liuhe said coldly.

Before he could finish his sentence, Si Liuhe’s huge hand had already slapped over!

In an instant, the huge hand covered the sky and earth, blotting out the sun and leaving people no place to hide!

Qin Yu gritted his teeth. He adjusted his internal qi to the extreme and received the attack with all his might!

Xiao Hai naturally wouldn’t just sit back and watch. His feet shook, and he also went up to receive it.

“Boom!”

The two internal qi collided violently. However, Qin Yu’s body was slammed back to its original form in less than half a second the two parties resisted.

Xiao Hai also could not withstand it any longer. He was soon slammed onto the ground, bleeding profusely!

It was Si Liuhe’s true strength! No one knew what cultivation realm he had stepped into, but he was enough to sweep through more than half of the Holy Region!

As the dust settled, Qin Yu and Xiao Hai lay on the ground, looking rather tragic.

...

Qin Yu stood up with difficulty. He looked at Xiao Hai and said, “Brother Xiao Hai, are you alright?”

Xiao Hai wiped away the blood from the corner of his mouth and said, “I’m fine. It’s just that... I’m afraid we won’t be able to escape this calamity today.”

Qin Yu felt a little sad. He said guiltily, “Brother Xiao Hai, I’m sorry. I’ve troubled you.”

“Hahaha! It has nothing to do with you! I, Xiao Hai, am destined to die in battle. Come!” Xiao Hai shouted angrily, and several dragons vaguely coiled around his body..

Chapter 2046: The Chaos Grave Spread

Seeing the surging battle intent on Xiao Hai, Qin Yu was infected.

He stepped forward and said, “Come! Let’s fight!”

The earth-shattering roars by the two made everyone feel a sense of suffocation.

Si Liuhe sneered. He put his hands behind his back and said calmly, “I only used a third of my strength just now. Do you still want to continue?”

The moment he said this, everyone was instantly even more shocked!

Just a third of his strength was already so terrifying. Wouldn’t it destroy the world if he used his full strength?

“Xiao Hai, I can give you another chance,” Ji Liuhe said indifferently.

“I don’t think it’s necessary. I, Xiao Hai, will never go back on my word!” Xiao Hai laughed heartily and said.

“Alright, don’t blame me for being rude then!” Si Liuhe’s internal qi was surging, and it was terrifying!

Numerous people began to feel scared under this pressure. Their bodies trembled, and some even knelt on the ground, their knees shattering!

It was Si Liuhe’s terrifying internal qi. No one knew what cultivation realm he was at!

“Could it be that Si Liuhe has reached the True Saint realm?” someone gasped.

“It’s only higher, not lower,” someone said coldly.

Qin Yu glared at Si Liuhe, ready to fight to the death.

Beside him, the man with the mustache was pinching his fingers. No one knew what he was calculating.

“Go to hell!”

At this moment, Si Liuhe shouted and flipped his palm over!

However, the expected terrifying internal qi did not appear. Instead, it was silent, and there was no internal qi!

“Hmm?”

Everyone was stunned.

Was this a squib?

Si Liuhe was also stunned. He frowned and tried to feel the internal qi in his body but found it completely suppressed!

“It’s here,” the man with the mustache took a deep breath and sat on the ground, looking as if he had just survived a disaster.

“Hahaha! You’re fated not to die!” The man with the mustache laughed crazily!

“The Chaos Grave is spreading in such a way. Hahaha!”

The entire world was filled with the crazy laughter of the man with the mustache! Before they could feel suspicious, the surroundings were full of cries in shock!

“What happened? The internal qi in my body... Why is it suppressed?”

“Oh no! I can’t use my spiritual power at all!”

“What the hell is going on!”

Si Liuhe's face darkened as well. He looked in the direction of the Chaos Grave and said in a low voice, "The internal qi in my body... is suppressed by the chaotic qi!"

Not only Si Liuhe but everyone else was suppressed by the chaotic qi and could not use their spiritual power!

"Being suppressed..." Qin Yu murmured. He was too familiar with this feeling!

At this moment, Qin Yu seemed to have thought of something.

"Spiritual power being suppressed... In other words, I can only rely on my physical body!" Qin Yu exclaimed in shock.

If it was a battle of the physical body, Qin Yu was not afraid!

The inherent advantage of the chaotic body allowed him not to be at a disadvantage even when facing a True Saint!

"The Chaos Grave has really spread." Saintess Gu was slightly surprised.

She looked in the direction of the man with the mustache as if guessing something.

"An extraordinary expert," Yao Xi muttered.

Si Liuhe frowned. He looked at Qin Yu and said coldly, "Your luck is quite good."

Qin Yu laughed heartily and said, "Si Liuhe, I didn't expect the spiritual power to be suppressed by the Chaos Grave. Hahaha! I'm afraid you won't be able to kill me today!"

"Do you think I can't kill you without spiritual power?" Si Liuhe's face was cold.

Qin Yu stepped forward and shouted, "Come and try it out. I want to see if you're at the True Saint cultivation realm!"

"You're courting death!" Si Liuhe was enraged by Qin Yu. He took a step forward and punched Qin Yu fiercely!

Qin Yu naturally wasn't afraid. He clenched his fist and used his strong body to meet the attack!

"Clang!"

The sound of metal clashing against metal instantly spread out, almost shattering everyone's eardrums!

The two took three steps back at the same time, and Si Liuhe's fist was in pain!

“Hahaha!”

Seeing this, Qin Yu immediately burst out laughing crazily!

“Si Liuhe, is this the body of a True Saint? It seems that it’s nothing special!” Qin Yu couldn’t stop laughing!

“Si Liuhe hasn’t reached the True Saint cultivation realm yet,” the man with the mustache said at this moment.

Qin Yu was stunned. He frowned and said, “It’s impossible, isn’t it? Since he could sweep across in all directions, how could he not even reach the True Saint cultivation realm?”

“Before the arrival of the Golden Age, no matter how talented you are, you can forget about stepping into the True Saint realm,” the man with the mustache sneered and said.

...

“Of course, geniuses like Si Liuhe and Yan Guyun wouldn’t waste their time. Even if they haven’t reached the True Saint cultivation realm, they can still comprehend the Holy Power in a different way. That’s why they have entered a very unique cultivation realm.”

“Although this cultivation realm is slightly different from the True Saint, the difference in strength isn’t big.”

Qin Yu suddenly realized Si Liuhe and Yan Guyun’s bodies had not become saints yet! There was nothing to fear then!

“Si Liuhe, you won’t be able to kill me!” Qin Yu shouted.

Si Liuhe was about to speak when Si Shiyue stepped forward. His hair flowed wildly, and he was filled with a fighting spirit like a god of war.

“Qin Yu, don’t be arrogant. My master doesn’t even need to do anything to kill you!” Ji Shiyue shouted.

Qin Yu looked at Si Shiyue coldly and said, “You came at the right time. I’ve wanted to see for myself the ability of a Holy Son like you.”

“Si Shiyue, your cultivation realm is higher than Qin Yu’s, so your body is naturally stronger than Qin Yu. There’s no need to compete,” Jiang He shook his head and said.

Si Shiyue glanced at Jiang He and said, “What does it have to do with you? I’m going to kill this Qin Yu today!”

“Wouldn’t people laugh at this?” Jiang He shook his head.

“Moreover, no one knows what kind of danger there is in the Chaos Grave. It’s better to leave for now.”

...

“After all...The Chaos Grave is more important.”

After hearing Jiang He’s words, everyone began to worry.

That’s right, the Chaos Grave had already started to spread. Who knew if the terrifying living being would rush out?

Not to mention the people of the nine great aristocratic families, even the few Formation Masters also wanted to leave as soon as possible.

Seeing that they were about to incur the wrath of the crowd, Si Liuhe and the others could not continue to stop them.

Moreover, if Si Shiyue, with a higher cultivation realm, lost to Qin Yu’s physical body, he would probably never recover.

Si Liuhe glanced at Qin Yu and said coldly, “Qin Yu, don’t forget that after we leave this Chaos

Grave, our spiritual power will recover. At that time, you won’t be able to escape death either.” “F*ck you! At most, I won’t leave,” Qin Yu said, laughing.

“But... If I don’t leave, can you guys sleep? What if I’m the chosen one and obtain some treasure in the Chaos Grave? I’m afraid it’ll be too late for you to regret it, right?”.

Chapter 2047: Temporarily Withdraw

Facing Qin Yu’s threat, Si Liuhe sneered.

“You can try to enter the Chaos Grave. I don’t have to do anything to you then,” Si Liuhe said coldly.

Obviously, the danger in the Chaos Grave had indeed shocked Si Liuhe.

He didn’t believe that anyone could break into the Chaos Grave alone.

Qin Yu frowned. He understood what Si Liuhe meant but could not give in now.

“Let’s try then!” Qin Yu shouted. “I hope you can send someone to wait for me outside the Chaos Grave! ”

Si Liuhe didn’t seem to care about Qin Yu anymore. He looked at the crowd and said blandly, “Everyone here today has opened my eyes. I, Si Liuhe, will definitely visit you one by one in the future.”

After saying this, the formation slowly opened, and the barriers disappeared. The people in the Chaos Grave swarmed and fled, afraid that they would die in the Chaos Grave.

Si Shiyue gave Qin Yu a cold look and left.

As everyone left, Qin Yu also heaved a sigh of relief.

He looked at Xiao Hai beside him and said, "Brother Xiao Hai, let's not leave this place for now in case they ambush us outside."

"Alright, let's wait for a while then," Xiao Hai said.

At this moment, Saintess Gu came over from a distance.

She walked up to Qin Yu's side and said with a smile, "Mr. Qin, long time no see. Have you forgotten about our shared upbringing?"

"Shared upbringing?"

Hearing this, the surrounding people widened their eyes. Their expressions slowly changed from shock to dubious.

Qin Yu coughed dryly and said, "Saintess Gu, as you can see, I can't even take care of myself now. I'm being hunted everywhere. I don't dare to go to Cold Moon Palace now."

Saintess Gu covered her mouth and chuckled. She pretended to be resentful and said, "Mr. Qin is truly ruthless. This is clearly something that we share, but now you want me to raise it by myself."

The moment she said this, it caused people to misunderstand even further.

"Brother, you're awesome," the man with the mustache poked Qin Yu's shoulder and whispered.

"Don't talk nonsense," Qin Yu glared at him and said.

"Hahaha! Qin Yu, I won't disturb you anymore," Xiao Hai also laughed loudly and said.

"Brother Xiao Hai, why are you also..." Qin Yu was speechless.

Saintess Gu said seriously at this moment, "Alright, let's get down to business. Mr. Qin, I'm afraid you have to be careful in the future. Si Liuhe's strength cannot be underestimated. Even in our

Gu family, no one is willing to offend him."

“Besides Si Liuhe, Yan Guyun is even more difficult to deal with. He is a battle maniac and incredibly dangerous.”

“Thank you for your reminder, Saintess Gu Gu,” Qin Yu nodded and said.

At this moment, Saintess Gu’s gaze fell on Xiao Hai.

“This friend’s strength has also shocked us. As expected of the legend of the Nanzhou, ” Saintess Gu covered her mouth and chuckled.

“You’ve heard of him?” Qin Yu asked in surprise.

“Xiao Hai’s great name is like a thunderclap even in Zhongzhou,” Saintess Gu smiled and said.

Of course, there was some exaggeration in her words, but it also indirectly proved Xiao Hai’s reputation.

“You must be joking,” Xiao Hai said with a smile. “That’s just an undeserved reputation.”

“My friend, you don’t have to be so humble. I heard you have an elder brother?” Saintess Gu asked.

“Yes, his strength is more powerful than mine,” Xiao Hai nodded and said.

“I hope to get to know you if an opportunity arises in the future,” Saintess Gu said.

“Definitely.” Xiao Hai cupped his hands.

Saintess Gu didn’t stay any longer. She left after bidding goodbye to everyone.

As soon as Saintess Gu left, the man with the mustache said impatiently, “When did this happen between the two of you? Boy or girl? The offspring of the chaotic body and the Gu family’s saintess must be tremendously terrifying! How about you hand it over to me in the future?”

“F*ck you!” Qin Yu glared at him. “You’d better think about how we can escape!”

Among the people present, probably no one could compare to the man with the mustache man if they have attainments in spatial spells and formations.

They could only rely on the man with the mustache.

“Of course, I won’t miss it out,” the man with the mustache man narrowed his eyes and said. “As long as you’re here, we have a high chance of getting Wu

Ji's hidden treasure!" Just as Qin Yu wanted to enquire, Jiang He walked over from afar.

Upon seeing Jiang He, Qin Yu felt an indescribable excitement in his heart.

"Senior Jiang He!" He quickly stepped forward and cupped his hands.

"Based on my age, I don't deserve to be addressed as a senior," Jiang He waved his hand and said.

"No, I will forever remember the technique you taught me," Qin Yu shook his head and said.

Jiang He didn't dwell on this topic. He said in a deep voice, "Worst scenario, you come with me to the Jiang family."

"Go to the Jiang Family?" Qin Yu laughed bitterly. "I've been to the Yao family before and nearly died there. The Jiang family..."

"The Jiang family cherishes talents," Jiang He interrupted Qin Yu.

"Although my surname is Jiang, I don't have much to do with the Jiang family."

"Senior Jiang He, I'm afraid they've taken a fancy to your Nine Secrets," Qin Yu shook his head and said.

"Qin Yu, you don't have to be too sensitive," Jiang He said with a smile. "Ever since I came to the Holy Region, I've never used the Nine Secrets."

...

Hearing this, Qin Yu appeared somewhat embarrassed instantly.

"Of course, I understand you. After all, this is indeed a place where people's hearts are unpredictable," Jiang He said.

"I'll definitely pay you a visit if there's a chance!" Qin Yu hurriedly bowed and said.

At this point, Qin Yu suddenly thought of the other people on Earth.

"Senior Jiang He, have you met anyone else who also came to the Holy Region?" Qin Yu asked.

"You're the first one," Jiang He shook his head and said.

Qin Yu sighed. "I really hope everyone can get together. I wonder what they're going through now."

It was a heavy topic. After such a long time, there was still no news of them. Everyone knew they were probably behind the eight balls.

Jiang He did not stay for long. After all, he was a member of the Jiang family and had to go back to report on his mission. Thus he soon left.

After they left, the man with the mustache came forward and said, "The Jiang family is indeed not bad."

"How do you know?" Qin Yu said in surprise.

The man with the mustache shrugged and muttered, "Back then, I went to the ancestral graves of the great aristocratic families. Only the Jiang family didn't attempt to kill me."

Qin Yu was speechless.

So was Xiao Hai.

The Chaos Grave spread just as the man with the mustache man had predicted. After it spread to the Tai Chi Diagram, it stopped.

In this Chaos Grave, everyone's spiritual energy was suppressed. This place was filled with death qi. After a long time, the internal qi in their bodies would definitely be depleted.

Therefore, it was not a place to stay for long.

At the same time, outside the Chaos Grave, Si Shiyue was reluctant to leave..

Chapter 2048: Can't Miss It

Thank you readers!

Si Shiyue looked at the Chaos Grave coldly.

"Let's go. He won't be out for a while," Si Liuhe said.

Si Shiyue looked at Ji Liuhe and said, "Master, I don't want him to die."

"Hmm?" Si Liuhe was a little surprised.

Si Shiyue clenched his fists and said, "I must kill him personally on the day of the Path of Heaven!"

Si Liuhe understood what Si Shiyue meant. He reached out, placing his hand on Si Shiyue's forehead, and said, "I know what you mean. I can spare his life, but I'm afraid he won't live for long.

"You must know it's not just our Si family who wants him to die. Moreover, the elder of the Si Family has indeed died at his hands. If the Si family doesn't do anything about it, won't we be laughed at by all the people?"

Hearing this, Si Shiyue slowly loosened his fists.

“You don’t have to treat him as an imaginary enemy. Qin Yu is not worth mentioning and being compared with you,” Si Liuhe said.

“I understand now, Master.” Si Shiyue bowed slightly.

In the following few days, the man with the mustache was busy with the formation while Qin Yu and Xiao Hai sat cross-legged discussing the dao.

At the same time, news of the Chaos Grave had already spread.

In just a few days, explosive news spread throughout the Holy Region.

Just as the man with the mustache had guessed, this Big Grave was indeed the grave of Wu Ji of the chaotic body!

Wu Ji was too dazzling for Holy Region. Although he had not taken the final step, everyone understood it was due to the Great Dao of heaven and earth, not because he was not talented.

And he relied on his unconventional way of realization to resound throughout the universe!

Integrating nine dao techniques and killing an Imperial Immortal outside the region, such a battle record was unprecedented!

“Wu Ji, that is such a distant existence.”

“Killing an Immortal Emperor at the Tribulation Stage is too terrifying. ”

“Although that Immortal Emperor is a withered Immortal Emperor, such a battle record is still dazzling.”

“If he could take the last step, his achievements would be comparable to the Demon Emperor and Yan Tianming.”

“How do you know Wu Xi is inferior to the two of them? He’s the only one in history who has integrated nine dao techniques, right?”

Although the masked woman had also integrated nine dao techniques, there were not many stories about her in the Holy Region.

Even the nine great aristocratic families were silent about her, and no one knew why.

Perhaps someone had deliberately blocked the news, or the masked woman really did not have much activity in the Holy Region. In short, Wu Ji was more reputable.

The heads of the nine great aristocratic families gathered to discuss the matter.

Wu Ji's Big Grave was of great importance. It was very likely that experts from the outer region would come to search for treasures. At that time, people probably would come crossing the void.

Therefore, they had to open up the Chaos Grave as soon as possible. As for the corpse, they could not give it to the Si family as it wasn't an ordinary chaotic body at the Tribulation Stage. It was Wu Ji, the most powerful chaotic body in history!

"I heard Wu Ji had created the Traceless Immortal Scripture that has recorded the integration of nine dao techniques."

"Sigh! Whoever obtains the Traceless Immortal Scripture will probably become an existence that can rampage in the Holy Region."

Everyone was attracted by this Big Grave. It was as if nothing else was rare except for the Chaos Grave.

In the Chaos Grave, the man with the mustache set up a formation.

This formation required a large number of materials and tremendously powerful techniques. Even Qin Yu had never seen it before.

Half a month had passed in the blink of an eye, and the formation of the man with the mustache was only in its embryonic form.

During this half a month, numerous people took the risk to enter the Chaos Grave to look for opportunities. However, the outcome was they died without exception.

Even if they came with Saint Weapons, they still died tragically here.

After a few more days, the man with the mustache finally set up the formation.

An array platform was in front of them. It was not big, but it emitted a tremendously mysterious internal qi.

"What is this?" Qin Yu asked doubtfully.

"As long as we have this array platform, we can come and leave the Chaos Grave as and when we like," the man with the mustache sneered and said.

"It's so awesome?" Qin Yu exclaimed.

"Of course!" the man with the mustache said smugly. "If I didn't rely on this ability back then, I'm afraid I would have long been slaughtered by the people from those aristocratic families!"

Qin Yu sized up the array platform and said with a frown, "But isn't the array platform too eye-catching? If someone discovers it, it will probably be destroyed."

"That's right. That's why I have to rely on my sky-concealing formation to hide it," the man with the mustache said.

Hearing this, Qin Yu could not help but give the man with the mustache a thumbs up.

Although this kid seemed unreliable, he did have some ability.

After setting up everything, Qin Yu, Xiao Hai, and the others quickly left without hesitation.

After a while, the group was teleported to a corner of Divine Fortuity City.

"With my ability, the furthest the formation can send us is here," the man with the mustache said.

"That's enough," Qin Yu nodded slightly and said. "They probably won't expect us to appear in Divine Fortuity City."

After that, they concealed their internal qi and found a tavern to sit down for the time being.

All the people in the Holy Region seemed to be discussing the matter of the Chaos Grave.

After Qin Yu and the others sat down, no one paid attention to them. They were all discussing the glorious deeds of Wu Ji in the past.

"By the way, I have a question for you." At this moment, Qin Yu looked at the man with the mustache.

...

The man with the mustache rolled his eyes and said, "You can ask, but you have to give me some benefits."

"F*ck you!" Qin Yu rolled his eyes at the man with the mustache and said thoughtfully, "Since you can deduce the heavenly secrets, then you should know how long it will be before the day of the Path of Heaven, right?"

Hearing this, the man with the mustache took a sip of wine and said, "To be honest, I have indeed deduced it."

Qin Yu instantly asked nervously, "How long will it take?"

"I can't deduce the exact date, but an estimated period," the man with the mustache said in a deep voice.

Qin Yu did not dare to say much. He stared straight at the man with the mustache and waited for him to continue.

The man with the mustache glanced at Qin Yu and said, "No more than three years at most."

Qin Yu gasped and was instantly stressed out!

Three years was indeed too short the time for cultivators!

Comprehending a technique would possibly take three years!

"What about the earliest?" Qin Yu continued to ask.

The man with the mustache stretched out a finger and said, "One year."

"I understand now." Qin Yu fell into silence.

He took a deep breath and said slowly, "I have to think of a way to obtain Wu Ji's hidden treasure. Otherwise... I have no chance of turning the tables."

"Since you could deduce the time, you should be able to deduce who the Path of Heaven would choose, right?" Xiao Hai suddenly said..

2049 The Earth Rank Saint Weapon

Xiao Hai's words caused Qin Yu's body to tense up. Following that, he hurriedly looked at the man with the mustache.

Thank you readers!

"That's impossible," the man with the mustache shook his head and said. "I can't even deduce the exact time, let alone a person.

"No one can predict who will be chosen on the day of the Path of Heaven.."

Qin Yu and Xiao Hai nodded and did not continue asking.

After that, the man with the mustache did not stay long. They decided to meet in Divine Fortuity City.

!!

Once the nine great aristocratic families made a move again, they would enter the Chaos Grave through the teleportation formation in Divine Fortuity City.

After parting ways, Qin Yu concealed his internal qi and planned to look for Mr. Gen.

He would feel much more at ease if he had a Saint Weapon.

He went all the way to Mr. Gen's shop. Mr. Gen was still lying lifeless as usual, holding half a pot of wine in his hand.

When he saw Qin Yu come in, he did not have any reaction. He squinted his eyes as if he was asleep.

"Mr. Gen, is the thing ready?" Qin Yu walked up to Mr. Gen and went straight to the point.

Mr. Gen glanced at Qin Yu and said, "What thing? Who are you?"

"I asked you to forge a Saint Weapon but never had the time to come and collect it," Qin Yu said softly.

Mr. Gen stretched and sat up from the recliner.

"You're Qin Yu, are you?" he asked, sizing him up.

Qin Yu was stunned. Then he said nervously, "That's right, I am."

Mr. Gen laughed and said, "I've kept your Saint Weapon with me for a long time. It's not a problem for you to take it away, but you have to pay me for the storage fee."

Qin Yu could not help but curse in his heart.

This guy was indeed a money-grubber. He would never let go of any opportunity to make money.

"How much?" Qin Yu did not want to argue with him and hurriedly asked.

"Just give me 100 million Spirit Coins," Mr. Gen said.

Qin Yu resisted the urge to curse and gritted his teeth. "Alright, I'll give it to you!"

Thus Qin Yu paid Mr. Gen another 100 million Spirit Coins.

The two came to Mr. Gen's backyard. All kinds of furnaces were in the backyard and the entire backyard was tremendously messy. There was almost no place to set their feet in.

They passed through the backyard and came to a room in the depth of the backyard.

After pushing open the door, wisps of mysterious internal qi assailed their senses.

When he looked over, the room was full of magical artifacts! They casually piled up on the ground like trash!

Qin Yu took a casual glance and was tremendously shocked!

They were incredibly precious magical artifacts and no lack of Saint Weapons with extraordinary internal qi!

People would fight badly for any one of them.

“These magical artifacts...You just dumped them here?” Qin Yu frowned.

“Otherwise?” Mr. Gen laughed and said. “Do I bow to them?”

Qin Yu coughed dryly and did not say anything.

Then Mr. Gen rummaged through the pile of magical artifacts and soon found the Saint Weapon.

It was like a treasure sword that seemed to have been forged from holy bones.

The Holy Power it emitted was quite terrifying. Even Qin Yu was stunned by this Saint Weapon!

Although Mr. Gen looked tremendously sloppy, the Saint Weapon he forged was incomparably exquisite, and its internal qi could be said to be perfect!

“This Saint Weapon is probably at the Mystical Rank,” Qin Yu said in a low voice.

Mr. Gen glanced at Qin Yu and said, “Are you looking down on me? None of the magical artifacts I forge is lower than Earth Rank.”

“It’s an Earth Rank Saint Weapon?” Qin Yu exclaimed.

“Why? Is it very strange?” Mr. Gen laughed.

Qin Yu quickly waved his hand and said, “No, I just didn’t expect your technique to be so... exquisite.”

“Cut the crap. Take your things and get lost. I don’t like others in my room,” Mr. Gen waved his hand impatiently and said.

Qin Yu resentfully put away the magical artifact and could not help but think to himself, “This Mr. Gen is a rare talent.”

If he could rope him in in the future, he would definitely play an unimaginable role.

After taking the Saint Weapon, Qin Yu bid goodbye to Mr. Gen and left.

Then he returned to Xiao Hai's Mystic Realm of the magical artifact and found Jue Wu.

As usual, Jue Wu ate, drank, and had fun every day. Other than that, she was hugging her demonic egg like a little hen.

Seeing Qin Yu return, Jue Wu did not have much reaction. Obviously, Xiao Hai had already returned.

"How was it? Did you get anything?" Jue Wu asked as she held her demonic egg.

"No, not yet," Qin Yu shook his head and said. "But the Chaos Grave is Wu Ji's grave."

"Wu Ji? The chaotic body Wu Ji?" Jue Wu said in surprise.

"That's right," Qin Yu nodded and said.

"Oh my god! Wu Ji is my idol!" Jue Wu suddenly stood up.

"I'll go next time!" she said excitedly.

"He's already dead. Why do you still want to go?" Qin Yu smiled bitterly and said.

...

"You know nothing!" Jue Wu glared at Qin Yu and said. "Anyway, I will definitely follow next time."

Qin Yu thought for a moment. Since there was a teleportation formation anyway, it did not matter with an additional person. Thus he nodded and agreed.

The following few days, Qin Yu stayed in this Mystic Realm and did not leave, waiting for the next move of the nine great aristocratic families.

Meanwhile, the nine great aristocratic families had already formulated a strategy. The various Holy Lords planned to bring their tribulation magical artifacts to break through the Chaos Grave no matter how!

Soon, the news spread.

"Ten days later, the nine great aristocratic families will attack the Chaos Grave!"

As soon as this news spread, many people flocked to the vicinity of Chaos Grave.

Wu Ji was indeed too legendary. He was almost one of the most legendary figures in history and also the only existence who killed an Immortal Emperor at the Tribulation Stage!

Therefore, despite facing the threat of death, people still wanted to see his Big Grave.

Time flew, and ten days passed in the blink of an eye.

At this moment, the vicinity of the Chaos Grave was already overcrowded. There were people all over the mountain.

Qin Yu brought Jue Wu to Divine Fortuity City once again.

They disguised themselves and came to the tavern as agreed earlier, waiting for the man with the mustache to arrive.

“Remember, you must be careful. The nine great aristocratic families will never allow anyone to enter the Chaos Grave,” Qin Yu pressed his straw hat down and said in a low voice.

“Don’t worry. I know what to do!” Jue Wu said casually.

At this moment, a woman with a voluptuous figure walked over from not far away.

She straightaway sat opposite Qin Yu and winked at him.

“Little brother, shall we have a drink together?” This woman made eyes at him, and her voice was full of temptation.

Jue Wu glanced at her and couldn’t help but curse, “You slut!”

Chapter 2050: The Undercurrent

Thank you readers!

The woman did not react to Jue Wu’s curses.

She still made eyes at Qin Yu and did not conceal the charm in her eyes.

Qin Yu frowned. Looking at the woman opposite him, Qin Yu felt a sense of familiarity.

“Who are you?” Qin Yu asked.

!!

The woman didn’t answer. Instead, she slowly got up and leaned toward Qin Yu’s ear.

However, at this moment, Jue Wu suddenly made a move and slapped her with her palm!

Just as the palm was about to hit her, her body suddenly emitted rays of light!

The light enveloped her like a layer of armor wanting to block Jue Wu's palm!

"Clang!"

With a loud noise, the light on the woman's body shattered! Her body even staggered back a few steps!

"What a tyrannical power!" The woman looked somewhat surprised at Jue Wu.

Jue Wu wrinkled her nose and said, "I actually didn't slap you to death..."

"This little girl indeed needs to be disciplined," the woman's tone was cold, and the internal qi on her body began to rise.

Qin Yu stood up and stood between the two of them.

He looked at the woman and said coldly, "If you dare to attack Jue Wu, I guarantee I will kill you right now."

Qin Yu possessed a Saint Weapon and definitely would not be afraid of this woman.

"Don't get too agitated." When the woman saw this, the ferocious internal qi on her body began to disappear, and her flirtatious appearance resumed.

"Who are you?" Qin Yu looked at her coldly. "What's your purpose for getting close to me?" Seeing Qin Yu not easy to deal with, this woman straightaway tore off her hypocritical face.

Sitting opposite Qin Yu, she said indifferently, "Qin Yu, I know your identity."

Hearing his name called out, Qin Yu was not surprised.

Since she came close to him, she must have known his identity.

"So?" Qin Yu said coldly.

"I want to cooperate with you." The woman took out a cigarette holder from her sleeve and started smoking. A faint fragrance was nose-assailing.

Qin Yu sniffed and then frowned.

"You want to cooperate with me? How?" Qin Yu questioned.

"I know you are a chaotic body," the woman said with a faint smile. "There are only two chaotic bodies in the world, you and Si Shiyue. But..."

“Get to the point,” Qin Yu interrupted her.

“I need your blood to enter the Chaos Grave,” the woman said in a deep voice. “And you can’t enter without my help.”

“I don’t think there’s a need for that. I have my way of dealing with the Chaos Grave,” Qin Yu sneered and said.

“Is that so?” The woman raised her eyebrows. “What if I insist that we must cooperate?”

“I dislike being threatened,” Qin Yu said coldly.

“There are many things you dislike. How can everything go your way in this world?” she said indifferently.

“For example, right now, you’ve been poisoned. If you don’t cooperate with me, I’m afraid you will die here. That little girl should be collapsing soon.” Qin Yu’s expression turned even colder instantly.

He looked at the cigarette holder in her hand and instantly understood everything.

However, as time passed, Jue Wu showed no signs of collapsing. Instead, she was full of vigor and battle intent.

This immediately made the flirtatious woman frown. She grabbed the cigarette holder, took a closer look, and said in a low voice, “What happened?”

“Hmph!” Qin Yu sneered and said. “Looks like your poison isn’t as effective as I thought. Were you tricked by someone?”

A trace of anger flashed across the flirtatious woman’s face. She stood up and said, “Impossible!

This is absolutely impossible!”

“Idiot! Jue Wu is a Nirvana Body. Your bullsh*t poison is useless,” Qin Yu said coldly.

“What about you? Why aren’t you reacting?” the flirtatious woman said unwillingly.

“I’ve been deceived since the first day I stepped into the Holy Region,” Qin Yu sneered and said. “That’s why I’m naturally wary of any stranger.”

“From the moment you took out this broken cigarette holder, I had already sealed the internal qi in my body. How could I have been poisoned?”

After hearing Qin Yu's words, the flirtatious woman instantly flew into a rage, feeling humiliated.

She slammed the table and stood up. She glared at Qin Yu and scolded, "Qin Yu, without me, you would never have been able to step into the Chaos Grave and obtain Wu Ji's secret burial!"

"Is that so? Let's give it a try," Qin Yu said indifferently.

"Just you wait!" the flirtatious woman gritted her teeth and said.

After saying this, she turned around and was about to leave. At this moment, Jue Wu stepped forward and blocked her way.

"Did I let you go?" Jue Wu said with a dark face.

Her body emitted a purple arrogance. The arrogance was surging, and it gave off an oppressive feeling.

"Jue Wu, let her go." At this moment, Qin Yu waved her hand.

The flirtatious woman snorted coldly. She did not stay any longer and turned around to leave.

After she left, Jue Wu said in confusion, "Why didn't you kill her? If she spreads your identity everywhere, won't you be in trouble?"

Qin Yu shook his head and said, "This woman's strength is not simple, and... She's definitely not alone. I'm afraid there're some mysterious sects or aristocratic families behind her.

"Moreover, it won't be that easy to take her down in a short time. In this situation, there will be more complications."

Jue Wu nodded and sat beside Qin Yu.

Qin Yu was not worried about his identity at all.

In any case, he could enter the Chaos Grave directly through the formation of the man with the mustache. Coupled with the sky-concealing formation, even the people of the nine great aristocratic families would find it hard to detect his figure.

"Why isn't that b*stard with the mustache here yet?" Qin Yu could not help but mutter.

This place was no longer safe. With Qin Yu's method of concealing internal qi, he would be discovered soon.

Qin Yu would definitely become a popular person during the opening of the Chaos Grave. After all, the blood essence of this chaotic body was the ticket to enter the Chaos Grave.

As expected, several internal qis surrounded Qin Yu very quickly. It was as if numerous eyes were staring coldly at Qin Yu in the dark.

“This bunch of b*stards...” Jue Wu couldn’t help but curse in a low voice.

Qin Yu looked rather calm. He picked up the wine on the table and took a sip before closing his eyes slightly.

“Since you’re here, don’t hide anymore.”

After a while, Qin Yu suddenly spoke.

Before he finished speaking, the surrounding void began to tremble.

Then a group of people walked out.

This seemed to be just the beginning. The surrounding void continued to surge as more people walked out.

One group, two groups, three groups...

More than a dozen groups of people came out of the void in the blink of an eye. The small tavern suddenly became even more crowded.

Jue Wu slammed the table and stood up. She glanced at everyone and shouted, “What do you want?”
