

My Rich Wife –

Chapter 2151 – 2155

2151 Dean Lei's Madness

In an instant, the entire Astral Mountain seemed to have been enveloped by a layer of light mist. Within that light mist, various faint and elusive images flashed. Some resembled giant beasts rolling, others resembled phoenixes dancing, and some resembled divine beasts roaring, all awe-inspiring!

However, this was only the prologue.

As the True Saint made their moves, the entire world seemed to tremble!

Around Astral Mountain, numerous mountain rocks were shattered in the face of this indescribable aura!

At this moment, the ancient trees of tens of thousands of years were stripped of bark, their branches and leaves scattered as if they were wailing.

This indescribable power directly tore apart the ground, and numerous cracks appeared.

Those cracks were like dragons moving wildly on the ground and spread deep into it, bottomless!

Not only the ground but even the sky was not spared. Those cloud layers were like paper, in the face of this immense power, torn apart bit by bit and transformed into countless fragments that scattered with the wind!

At this moment, the countless stars seemed to have lost their light. They dimmed one by one and disappeared into the sky!

Even the void could not withstand this terrifying power. Cracks spread wildly in the void as if tearing the world into pieces!

Dean Lei was fighting against ten people alone, and countless terrifying internal qi almost destroyed the dao technique! His slightly aged body made people's hearts ache when seeing him!

The more they fought, the more shocked everyone became. They clearly did not expect Dean Lei to be so powerful!

“Dean Lei, although you are strong, you will definitely die without a doubt today!” a True Saint shouted and immediately unleashed his trump card. He was determined to kill Dean Lei!

The rest of the True Saints attacked one after another. Under Si Liuhe’s lead, Dean Lei was soon at a disadvantage.

Regardless of Dean Lei’s strength, he could not resist ten or so True Saints. He kept retreating, and his physical body began to suffer damage. Bloody holes appeared on his body one after another!

“Dean Lei...!” Qin Yu was in unbearable pain. He could only watch helplessly as Dean Lei fell into a bitter battle, yet he was powerless to do anything.

“Boom!”

Another extremely terrifying light shot over. Dean Lei was directly shaken back and pushed away forcibly, and a few of his bones broke.

Even so, Dean Lei had no intention of retreating. He struggled to get up and adjusted the internal qi in his body with all his might, intending to activate his secret technique!

Despite facing such a difficult situation, Dean Lei did not have the slightest intention of backing down. He gritted his teeth and struggled, his eyes looking straight ahead as if he was announcing to everyone that even though he was already severely injured, he would not give in easily.

“Dean Lei, it’s time for you to see the reality. Today, you will have no way to survive,” Si Liuhe said coldly.

“Even if I die, I’ll take a few of you with me!” Dean Lei laughed loudly and said.

After saying that, the internal qi on his body suddenly erupted. In an instant, dark clouds covered the sky, and lightning rolled. The dao technique was like a stream that gathered toward Dean Lei’s body!

It was an incredibly terrifying secret technique inherited from Immortal Emperor Lei. It was called the Primordial Void Sacred Thunder Technique.

This technique was one of Immortal Emperor Lei's most powerful techniques. It was extremely tough to comprehend it. However, Dean Lei had unleashed this technique!

"It's the Primordial Void Sacred Thunder Technique..." Si Liuhe was the first to recognize this technique, and a hint of solemnness appeared on his face.

The rest of True Saints were even more terrified. They all took out their magical artifacts to protect themselves, as they were afraid to be killed by this technique.

"Buzz!"

A terrifying buzzing sound rang out as the lightning in the sky gathered in Dean Lei's palm, forming three golden lotus-like thunderlights.

These thunderlights emitted an incredibly terrifying destructive power. The continuous crackling sound emanating from them raised one's alertness.

The three thunderlights kept spinning, and the speed at which they spun became increasingly faster. In the end, they turned into violent electric currents that kept swirling around Dean Lei wildly!

The entire world seemed to have fallen into silence. Only the whistling of the three thunderlights echoed at this moment.

The three thunderlights of golden lotus on Dean Lei's body spun wildly as if they were devouring all light, all colors, and all life!

In the meantime, the internal qi of the thunderlights grew even more violent and dense as if it wanted to devour the entire world!

The sky began to shatter, clouds tore into pieces, and the stars lost their light. It was as if the three thunderlights of golden lotus had absorbed all the colors, leaving only a grayish white.

The crack was like the mouth of a demon devouring the sky. The void seemed to have torn apart wildly, and deep cracks spread wide as if they wanted to tear the entire world into pieces!

The ground was also distorted in the face of this power. Cracks like black dragons moved wildly on it and spread deep into the depths, bottomless.

Mountain rocks shattered, ancient trees toppled, and countless lives were destroyed. Everything seemed to have halted at this moment, and only the violent lightning twisted wildly like a roaring beast. It was shocking.

All living things were in sorrow. The dao technique seemed to have collapsed at this moment. The light of the three thunderlights of the golden lotus became even more dazzling, like three small suns. Each time they spun, they would bring up a whirlwind of lightning. The whirlwind was like a sword, cutting into deep marks in the void.

Such a terrifying scene made everyone feel uneasy. That terrifying power kept surging, and some people could not even withstand this power!

“Crack!”

At this moment, a crisp sound rang out. A True Saint’s protective magical artifact shattered!

“What?!” Everyone was instantly terrified!

Just the residual power of the technique could shatter their magical artifacts. How terrifying would this technique be once it was unleashed?

“As expected of the dean of Thunder Courtyard.” Even Yan Tianshi, who was standing not far away, looked solemn.

He adjusted his internal qi to protect his body. He seemed afraid that untoward incidents would happen under this terrifying technique.

“Everyone, don’t be afraid. If we attack together, he’ll definitely die,” Si Liuhe said coldly.

He opened his mouth and spat out a mark. This mark was like an ancient bell that grew increasingly bigger, protecting everyone.

At this moment, Dean Lei suddenly raised his head. His eye expression was as stormy as lightning. He suddenly shouted, “Come on! Today I will let you witness the true power of Thunder Courtyard!”

As soon as he finished speaking, his body suddenly rushed forward. The three thunderlights of golden lotus followed suit. In an instant, the entire world

seemed to have exploded. The sky collapsed, the earth cracked, the void shattered, and the dao technique was destroyed!

2152 Several People Joining Forces

Dean Lei's body seemed to have turned into a bolt of lightning as he charged toward the True Saints.

The boundless power of the lightning accompanied his charge. The three thunderlights of golden lotus spun wildly around him like three crazy whirlwinds!

The three thunderlights of golden lotus arrived before the True Saints almost instantly. Immediately after, they exploded like three miniature suns. The boundless power of lightning instantly devoured everything.

The sky was completely shattered as if a mirror had been forcibly shattered. Countless fragments flew in all directions, falling like raindrops!

The original brilliant stars had already lost their light at this moment. They were like dull stones that fell powerlessly.

The ground could not remain stable in the face of this power. The ground seemed to be chewed by a giant beast, and cracks spread everywhere.

The power shattered those lofty mountains and sturdy stone walls and blew away like autumn leaves.

The ancient trees were like fragile straws in the face of this power. Their barks peeled off, and their branches and leaves scattered as if they were screaming.

The creatures on the ground were like ants in the face of this power. They collapsed one after another, and their lives were extinguished like candlelight.

All the dao techniques seemed to have lost their color at this moment. The power of lightning seemed to be destroying everything!

The mysterious magical runes and the dazzling formations shattered in the face of this power. The dao technique collapsed, and everything seemed to reduce to ashes!

In the void, the cracks moved like dragons. The dark abyss seemed to be devouring all light.

The crack was like a black spider web, spreading everywhere as if it wanted to tear the entire world apart!

Everything became chaotic and ruined under Dean Lei's attack. Everything seemed to freeze at this moment.

The moment the thunderlights of the golden lotus exploded, the True Saints let out a heroic roar. They waved the magical artifacts in their hands and unleashed their most powerful techniques. Their figures shone in the thunderlights like brilliant stars in the night sky.

Si Liuhe had used some techniques to envelop everyone in his light, and he was resisting the three thunderlights of the golden lotus from Dean Lei!

However, Dean Lei was too strong. Even Si Liuhe's face turned somewhat pale.

His hands were constantly emitting a terrifying internal qi as if he was maintaining this barrier. It seemed to be quite strenuous.

The other True Saints naturally would not be idle. They hurriedly released their internal qi, wanting to do something together.

However, this was Si Liuhe's secret technique, and other people could not integrate their techniques into it. Everything was futile.

Si Liuhe gritted his teeth. Sweat beaded on his forehead, and his body was trembling as if he could not hold on any longer!

Si Liuhe's face was ashen, almost drained of blood. His hands were shaking, and he was rapidly running out of energy. He used all his strength and faith to maintain this barrier, hoping to withstand Dean Lei's crazy attack.

However, the power of the thunderlights of the golden lotus was too powerful. Dean Lei's attack was like an endless river of lightning, madly attacking the barrier. Under the impact of the lightning, cracks began to appear on the barrier and it looked like going to collapse at any moment.

"Crack!"

A crisp sound rang out, and the next moment, densely packed cracks appeared on the entire barrier!

Before everyone could exclaim, the barrier completely shattered!

Immediately after, three thunderlights swarmed in and exploded almost instantly!

In an instant, the radiance of the thunderlights was like three wolf-like suns, exploding in the void violently and domineeringly!

Thunderlights that looked like dragons gushed out of the hole, tearing the void apart. The pieces flew everywhere like countless meteors in the night sky.

The radiance of the thunderlights illuminated the entire world as if it was daytime. However, this bright light brought destruction and death. Everything seemed so small in the face of the endless power of lightning, like the light of a firefly under the scorching sun.

The originally quiet ground began to tremble violently in front of this power as if it was afraid of this boundless power.

The earth was torn apart, and huge cracks spread like a spider web. It was as if the entire world was collapsing!

Scorching heat and destructive internal q filled the air. The power of the thunderlights swept across the entire sky, burning the clouds into ashes.

In the sky, the twinkling stars had completely disappeared, leaving only the light of thunderlights.

The three True Saints in the center of the thunderlights were instantly killed by this powerful attack.

Their bodies were instantly turned to ashes by the impact of the power of the thunderlights, and their souls were devoured by the radiance of the thunderlights as they wailed.

The entire world fell silent at this moment. Only the roar of thunderlights echoed. Dean Lei's attack was like the roar of an ancient divine beast, shaking the entire world.

The radiance slowly faded, and the three True Saints died. The remaining seven were covered in different wounds.

Si Liuhe had secret techniques. He escaped the explosion quickly, and the wounds on his body were much lighter. However, Dean Lei's attack had tremendously infuriated Si Liuhe!

He glared at Dean Lei and said through gritted teeth, "You d*mned old thing! You actually killed three of our True Saints!"

Dean Lei's internal qi became a little unstable, but he still forced himself to say, "I'll kill you next!"

"Hahaha, Dean Lei, don't force yourself. I'm afraid the current you no longer have that ability," Si Liuhe said coldly.

Apart from the seven True Saints, Yan Tianshi, who was not far away, was unharmed. He had not even made a move.

"Dean Lei, you should quickly leave..." Qin Yu's heart was in immense pain. He could not bear to see Dean Lei die in battle because of him!

"I'm afraid it's too late to leave now," Si Liuhe said coldly.

"Do you think I'm afraid of you?" Dean Lei sneered and said.

Although he said that, Dean Lei secretly regretted it.

"If I had known the situation today would be so dangerous, I would have brought my ancestor's Celestial Artifact!" Dean Lei cursed in his heart.

However, at this point, it was useless to say anything. His internal qi was already unstable. Facing these eight True Saints, it was almost a situation where he would die!

At this moment, Si Liuhe's body was surging with terrifying killing intent as he walked toward Dean Lei step by step.

Behind him were the seven True Saints.

These people all had angry expressions as if they wanted to kill Dean Lei immediately!

"Today is the day you die!" Si Liuhe's voice was so cold that it could shake heaven and earth as if he was issuing a death notice.

2153 Flower Granny Appears

Of course, Dean Lei would not sit still and wait for death. He stood up with difficulty and coldly glanced at Si Liuhe. "You, Si Liuhe, are just a person who bullies the weak by number..."

Si Liuhe's face revealed a hint of anger when he heard this.

Undoubtedly, as heaven's favorite, he could not accept such comments.

However, at this moment, a True Saint beside him walked forward and said, "Si Liuhe did not come to challenge you. Today's matter is a joint affair of the nine great aristocratic families. How is there bullying of the weak by number?"

Si Liuhe instantly felt much more comfortable hearing this.

Dean Lei gritted his teeth. He swept his gaze across the crowd and shouted, "Come on! Even if I die, I can still take a few with me!"

Looking at the mad Dean Lei, there seemed to be a hint of concern in everyone's hearts except Si Liuhe, who was not afraid at all.

He knew that even if Dean Lei went crazy and might be able to kill a True Saint, he could not possibly kill him.

Looking at Dean Lei's trembling body, Qin Yu, who was not far away, burst into tears.

Dean Lei at this state was no different from risking his life. After this battle, Dean Lei probably would no longer be in this world.

However, at this moment, a palm landed on Dean Lei's shoulder.

This palm seemed to have come from the depths of time, and the vicissitudes of time had carved numerous marks on its skin.

She was as withered as a piece of ancient wood that had aged through the years. Every wrinkle was like a deep canyon, bearing witness to the merciless carving of time.

The skin tone of the palm resembled a weathered stele that had been through the baptism of wind and rain, imbued with a deep, dark, and aged hue.

This person had appeared beside Dean Lei almost silently, and even Si Liuhe and the others did not notice!

Such a terrifying method shocked everyone!

“It’s better to take a good rest.” The voice entered Dean Lei’s ears. When Dean Lei saw who it was, he heaved a sigh of relief.

“Flower Granny...” Qin Yu could not help but mutter!

Qin Yu had heard a lot of legends about Flower Granny. Rumor had it that she was an extraordinary woman with peerless beauty back then. She was even praised by countless people as the number one in the world and had the possibility of vindicating dao!

But in the end, trapped by her emotions, she disappeared and faded into obscurity, never to be heard of again.

Now that she appeared, everyone was shocked!

Dean Lei’s internal qi dissipated instantly. It seemed that his burdened heart had been set free.

“Fortunately, you came in time,” Dean Lei said bitterly.

Immediately after, without turning his head, he ran directly to Qin Yu’s side and sat down.

“Dean Lei, can Flower Granny handle so many True Saints?” Qin Yu frowned slightly and asked.

Dean Lei waved his hand and said, “Just wait and see.”

Seeing Dean Lei’s incomparable sense of ease in his tone, Qin Yu became even more curious.

What kind of character was Flower Granny? Even Dean Lei admitted defeat?

Not far away, a True Saint stepped forward and scolded coldly, “Old lady, leave quickly and don’t meddle in other people’s business!”

Flower Granny did not say a word. She silently stood there with eyes closed, like an ancient pine tree, experiencing the wind and rain without fear.

The True Saint was about to speak again when Si Liuhe cupped his hands and greeted her, “Flower Granny.”

Before everyone was shocked, Yan Tianshi stepped forward and greeted respectfully, "Flower Granny."

When they heard this, everyone was shocked and taken aback!

"What She's Flower Granny?"

"That Flower Granny who once captivated the world and made all the heroes in the world flee at the mere sight of her?"

"It is unexpected that Flower Granny is still alive. However, she seems to be different from the legends..."

"Isn't Flower Granny a lady with her beauty that can topple a nation? This is clearly an old lady..."

Everyone was discussing animatedly as if they could not believe that the person in front of them was Flower Granny.

"Flower Granny," Si Liuhe cupped his hands and said, "We don't want to attack Dean Lei. However, this is a serious matter. We must kill Qin Yu."

Yan Tianshi also nodded. "This kid kidnapped the Yan family's saintess and almost brought her to the teleportation array. I..."

Before Yan Tianshi could finish, Flower Granny interrupted him and said quietly, "The two of them are in love. Why do you stop them?"

Yan Tianshi was stunned and instantly speechless.

Only then did he remember that Flower Granny was trapped by her emotions and could not vindicate dao back then.

"Flower Granny, my Yan family has our own family plan. Please don't interfere in this matter," Yan Tianshi could only bite the bullet and say.

"I can make the decision. As long as Dean Lei doesn't interfere in this matter, we will definitely not attack him. We will also apologize and compensate him for this matter."

Si Liuhe, standing by the side, hurriedly said, "That's right. Our Si family is willing to let our Holy Son follow Dean Lei as compensation for one of his disciples!"

Faced with their “sincerity”, Flower Granny was expressionless. It was obvious that she disagreed with this matter.

The two frowned. Si Liuhe stepped forward and said, “Flower Granny, does this mean you must interfere in this matter?”

Flower Granny glanced at Si Liuhe with her turbid eyes and said in a voice tinged with a touch of age, “I’m from Thunder Courtyard.”

Although it was just a simple sentence, she had made herself clear.

Si Liuhe’s face turned cold as he said coldly, “Flower Granny, I respect you, and that’s why I’m trying to persuade you nicely. However, it’s a fool’s dream for you to stop us!”

Hearing Si Liuhe’s words, a True Saint behind him shouted, “That’s right. Everyone said that you, Flower Granny, were a stunning talent with hopes of vindicating dao. You were even called the number one person in the world, but that’s all in the past!”

“Hehe, many people had the hope of vindicating dao, but they didn’t!”

Many True Saints mocked Flower Granny and did not take her seriously at all.

Only Yan Tianshi seemed to be reluctant. He cupped his hands at Flower Granny again and said, “Flower Granny, please don’t interfere in this matter. The Yan family will definitely reward you heavily after this!”

Flower Granny remained silent. She had her hands behind her back and even closed her eyes slightly.

Si Liuhe was completely enraged. He shouted, “Holy Lord Yan, you don’t have to waste your breath on her! It was said that she was once the number one person in the world, and her strength was unfathomable. I, Si Liuhe, would like to see it for myself!”

Si Liuhe’s internal qi surged as he raised his hands as if he was about to activate some terrifying secret techniques!

Si Liuhe’s internal qi surged around him. It was a powerful internal qi to the extreme as if boundless divine power was boiling in his body.

He raised both his hands, his palms facing the sky. A vast power immediately surged out of his body, following which it evolved into a mysterious rune!

These runes were like the supreme powers of creation in the world. They controlled a mysterious power of life and death, creation and destruction, making people feel incomparably shocked and terrified!

2154 The Number One Person in Ten Thousand Years!

At the center of these runes, four unforgettable words appeared.

“Heaven and Earth Shattering!”

It was the secret technique Si Liuhe was about to activate. It was a mysterious technique passed down from his family. Once activated, it could trigger the power of heaven and earth to form an incredibly terrifying attack.

The moment he activated the Heaven and Earth Shattering technique, the world seemed to tremble. Numerous sounds of thunder rumbling came from the sky as if the scene of heaven and earth collapsing was about to descend. The place where he stood was a void. It seemed to be torn apart by his power and wanted to devour everything.

The surrounding people were all shocked. They could feel the power of this Heaven and Earth Shattering technique. It was a true destructive power that could crush everything with it.

However, in the face of such terrifying power, Flower Granny remained silent as if nothing in front of her could shake her state of mind.

“Flower Granny, take this move of Heaven and Earth Shattering!” Si Liuhe’s voice sounded again. As soon as he finished speaking, the rumbling sound of thunder in the sky became even more intense as if the end of the world was coming.

Then he stared coldly at Flower Granny. The runes in his hand began to circulate rapidly. Numerous lights seemed to be drawn by an invisible force and started gathering in his palm.

Immediately after, that terrifying power of Heaven and Earth Shattering finally erupted. There was an enormous light.

A beam shot out from Si Liuhe's palm like a shooting star in the sky, unstoppably.

The light beam flew straight toward Flower Granny, and the air it passed by turned cold as if it was about to be frozen by that terrifying power.

However, just as the light beam was about to touch Flower Granny, she slowly opened her eyes.

There was no trace of panic in her eyes. Instead, it appeared incredibly profound as if she could see through the vast expanse of everything.

Then she gently raised a hand and drew a trajectory in the air with her fingers as if she was playing a long-lost melody.

At that moment, the direction where she waved her finger seemed to have been pulled by an invisible force, and the elements in the air began to form a strange phenomenon.

Her fingers moved gracefully as if she was playing an ancient piece of music. Every note seemed to be filled with the vicissitudes and wisdom of the time.

At this moment, Si Liuhe's Heaven-Shattering Earth-Shattering seemed to have encountered an irresistible obstacle. The light beam heading straight for Flower Granny stopped in the air and then disappeared quietly like a burst bubble.

Everyone widened their eyes in disbelief.

Si Liuhe's earth-shattering power was like a toy in the hands of a playful child, but it was easily shattered in front of Flower Granny.

At this moment, the scene fell into a dead silence. Countless people were tremendously shocked.

Si Liuhe's expression turned pale instantly, and disbelief filled his eyes. He could not believe Flower Granny had dispelled his Heaven and Earth Shattering so easily.

Looking at Si Liuhe's shocked expression, Flower Granny's face remained expressionless as if everything was how it should be.

Her face resembled that of an ancient being, having endured the vicissitudes of life. It was marked by deep crevices, brimming with profoundness. No one could associate her with the once glamorous and peerless woman she once was.

“Heaven and Earth are originally formless. Without form, there is no collapse, and without collapse, there is no fracture.” Flower Granny quietly spoke out a few words.

Si Liuhe was stunned when he heard those words. He stood in a daze, muttering those words to himself as if he had comprehended something.

A few moments later, Si Liuhe’s face revealed a deep admiration.

He bowed to Flower Granny and said, “Flower Granny, I was too ignorant and arrogant just now. I, Si Liuhe, can never catch up to you even if I cultivate for a thousand or a hundred years. You’re as expected of once the number one person in the world!”

The crowd was instantly shocked when they heard this!

What happened? Si Liuhe, who had always been arrogant, actually admitted that he was inferior to Flower Granny! It was simply unheard of!

The surrounding people instantly fell into a dead silence. Their eyes widened, and their faces revealed disbelief.

Some people opened their mouths as if wanting to say something, but nothing came out.

Some people’s bodies and fingers trembled as if they could not accept the reality before them!

Some people’s faces turned pale, and their eyes flickered with fear as if they had encountered the end of the world!

The people who had admired Si Liuhe looked at him in shock!

The invincible existence in their minds actually publicly admitted that he was inferior to Flower Granny. This had simply surpassed their limits of comprehension.

Those who had always been in awe of Flower Granny were even more convinced now.

They looked at the seemingly old lady with deep admiration in their eyes. The existence they once thought was merely a legend had now revealed its true form before them.

The people who had been suspicious of Flower Granny were now completely shocked by her.

“Thank you, Flower Granny, for showing mercy. I will never forget your kindness of not killing me.” Si Liuhe bowed again, expressing his admiration with the utmost reverence and respect.

With just a casual move, Flower Granny made this excessively arrogant person willingly bow in submission. Her power was unquestionable, living up to her renowned reputation!

Looking at Si Liuhe who had retreated to the side, Yan Tianshi could not help but slightly sigh.

He walked forward and said, “Flower Granny is indeed the number one person in ten thousand years.”

The number one person in ten thousand years!
This title shocked everyone!

The Yan family’s Holy Lord actually called her the number one person in ten thousand years! How powerful was this Flower Granny?

“Flower Granny, although you are formidable, there must be a solution to this matter. You also know what it means to kidnap the saintess. I believe you’re a reasonable person.” Yan Tianshi then changed the subject.

Flower Granny remained silent, waiting for him to continue.

Yan Tianshi thought for a moment and said, “How about this? Three days later, we’ll meet on Peach Blossom Island and discuss this matter together.”

Flower Granny turned around and looked at Dean Lei, who was standing behind her as if she was asking for his opinion.

“I reluctantly agree, but don’t play any tricks!” Dean Lei stood up and said.

“Don’t worry, I, Yan Tianshi, am a man of my word,” Yan Tianshi said calmly.

Dean Lei snorted lightly, pulled Qin Yu up, and said, “Let’s go!”

Everyone looked in Qin Yu’s direction and did not say a word. They knew that they could not take Qin Yu away now.

Qin Yu could not help but look at Yan Ruoxue, who was not far away. There was a hint of apology in his gaze.

Yan Ruoxue wiped away her tears and gave Qin Yu an encouraging look. Her big eyes were full of love.

Bringing Qin Yu along, Dean Lei left the place while Yan Tianshi and the rest had gloomy expressions.

2155 The Negotiation

The scene was indescribably silent. Everyone seemed immersed in this state of shock and could not extricate themselves.

After an unknown period of time, an elder walked up to Yan Tianshi and asked, “Holy Lord Yan, is Flower Granny really the number one person in ten thousand years?”

Yan Tianshi glanced at him and said, “Isn’t Flower Granny’s strength evident? Who is Si Liuhe? He had voluntarily submitted. Isn’t that self-explanatory?”

Everyone gasped when they heard that.

“In that case, doesn’t it mean we can’t touch Qin Yu?” someone exclaimed, realizing something.

Yan Tianshi shook his head and said, “Flower Granny is indeed powerful, but it doesn’t mean we can’t do anything to her. After all, other than personal strength, there are many ways to kill people in this world.

“Moreover, Flower Granny was originally unwilling to participate in this matter. If it weren’t for Dean Lei, she definitely wouldn’t have taken action today.”

Everyone agreed with Yan Tianshi. They did not stay any longer and left immediately after.

Upon returning to the Si family, Liu Si Liuhe locked himself in his cave abode. He did not leave the place, and no one knew what he was thinking about.

The fact that Flower Granny had taken action quickly spread throughout the entire Holy Region!

“Did you guys hear? Flower Granny made a move on Astral Mountain!”

“Flower Granny? Is she the one who was known as the number one person in the Holy Region a few thousand years ago?”

“Yes, it’s her. I heard that she easily dispelled Si Liuhe’s dao technique. She could have suppressed Si Liuhe directly if she hadn’t shown mercy!”

“What? Si Liuhe? Even Si Liuhe was no match for her?”

“Not only that, Yan Tianshi even made her the number one person in ten thousand years!”

“It seems that Flower Granny’s strength has not diminished since then... The title of the number one person in ten thousand years was somewhat too overbearing!”

For a moment, everyone was discussing this matter. Flower Granny, who had been silent for so many years, had reappeared and attacked aggressively. It inevitably made people reminisce about her dominance in the past.

She was indeed the only person who had suppressed heaven’s favorite of an era with her full strength!

If it weren’t for the fact that she could not vindicate dao due to the rules of heavens and earth, Flower Granny would have already stepped into the Tribulation Transcending Stage or even a higher realm.

...

Meanwhile, Dean Lei had already brought Qin Yu back to Thunder Courtyard.

Dean Lei’s injuries were not severe. He only needed to rest and recuperate for some time before he fully recovered.

Compared to Dean Lei, Qin Yu’s injuries were much more severe.

He had unleashed techniques to forcibly increase his strength, causing his vitality to be badly damaged. His entire body was tremendously weak, and he collapsed on the bed.

But even so, Qin Yu still propped himself up with difficulty.

Dean Lei sat beside him. He looked at Qin Yu with a slightly solemn expression.

However, when he faced Qin Yu, his expression returned to normal, and he concealed that hint of solemnness perfectly.

“Dean Lei, you don’t have to accompany me to Peach Blossom Island after three days,” Qin Yu opened his mouth and said weakly.

Dean Lei glared at Qin Yu and scolded, “What nonsense are you talking about? If I don’t go, they will definitely get rid of you!”

At this point, Dean Lei changed the subject, smiled, and said, “Don’t worry. With me around, they can’t do anything to you.”

Even though Dean Lei pretended to be very relaxed, the hint of worry hidden in his heart could not escape Qin Yu’s eyes.

After all, they were the nine great aristocratic families. Although Thunder Courtyard was powerful, it could not deal with the joint forces of the nine great aristocratic families.

“Dean Lei, I’ve already caused you a lot of trouble,” Qin Yu said bitterly.

“There’s no need to say anything else. Everything is under control!” Dean Lei waved his hand, stood up, and said, “You should rest well. I will bring my celestial artifact to Peach Blossom Island three days later. I don’t believe they can do anything to me!”

After saying this, Dean Lei turned around and walked out.

Qin Yu sighed. He lay on the bed, feeling tremendously bitter in his heart.

If it weren’t for the linen-robed elderly man from the Ni family, Qin Yu and Yan Ruoxue would have embarked on a new journey.

"D*mn, it's a little bit away!" Qin Yu could not help but clench his fists, his eyes filled with defeat and unwillingness.

Faced with the Ni family's obstruction, what he could do was limited. There was still a tremendous gap between his cultivation and theirs.

The current situation was beyond his control. The Ni family, the Yan family, Flower Granny, and Si Liuhe each was a top-notch existence, and he was trapped in the middle, unable to extricate himself.

Looking at the ceiling, Qin Yu sighed silently. He knew that he had to find a solution. Otherwise, everything would only get worse.

On one hand, he could not let Dean Lei bear all the pressure alone.

On the other hand, he could not give up on Yan Ruoxue. That was what he had always insisted on.

...

In the residence of the Yan family, Yan Tianshi sat on Dragon Peak with a cold expression.

Beside him was Yan Guyun, who had not come out of seclusion for a long time.

At this moment, Yan Guyun's internal qi had become even more powerful. It was obvious that he had already stepped into the True Saint Realm.

However, he had not appeared for a long time, and no one knew why.

"We can't let Yan Ruoxue join the negotiation three days later," Yan Guyun said coldly.

Yan Tianshi glanced at him and said, "Do you think I want her to follow? If I don't let her go, I'm afraid she'll hate me for the rest of her life."

"So what if she hates you?" Yan Guyun did not mind at all. He said with slight displeasure, "Yan Ruoxue is just an outsider and not your biological daughter. I just don't understand why you would give up on Yunfan for Yan Ruoxue."

Yan Tianshi's face turned cold, and he said coldly, "Don't ever mention this matter again. Otherwise, don't blame me for being rude!"

After hearing Yan Tianshi's words, Yan Guyun was a little unhappy but did not say anything else.

"I hope there will be a good outcome three days later," Yan Guyun stood up and said. After saying this, he turned around and left.

In the following three days, everything seemed calm. However, everyone knew that this negotiation would not be easy. No matter which side, they would not easily relent.

The nine great aristocratic families would be present. Most importantly, the Prince of Great Xia would be there too.

Even though the current prince was just a figurehead, everyone still wanted to use his voice to announce the outcome of the negotiation.
