### **Chapter 2156 – 2160**

2156 Peach Blossom Island

The expression on her face could not help but make one's heart ache. Uncle Yan was silent and stood quietly by her side.

"Uncle Yan, I've implicated you," Yan Ruoxue suddenly opened her mouth and said after a while.

Uncle Yan shook his head and said, "I'm afraid we've brought about a great disaster this time. Qin Yu... I'm afraid it would be very tough for him to overcome the ordeal this time."

At the mention of Qin Yu, an unconcealable pain flashed across Yan Ruoxue's face.

Of course, she knew what the failure meant. Now that the Yan family was determined to attack her, the negotiation in a few days would definitely be disadvantageous to Qin Yu.

At this moment, a tall figure suddenly appeared beside them.

Seeing this person, Uncle Yan hurriedly bowed and greeted, "Holy Lord."

Yan Ruoxue sat there without any reaction. She did not even care about him.

"The cause of this matter is arising from your negligence," Yan Tianshi suddenly said coldly.

Uncle Yan's expression changed slightly, but he dared not refute it.

"If it weren't for your negligence, what happened subsequently wouldn't have happened," Yan Tianshi continued.

"It's all my fault," Uncle Yan said in a deep voice.

Yan Tianshi slowly raised his hand and said, "Considering you have served the Yan family for many years, I will spare your life. However, you will be imprisoned in the sky prison for a hundred years from tomorrow onward."

Uncle Yan's expression turned ugly when he heard this, but he dared not go against the Holy Lord's orders. He could only bow and say, "I understand."

"If you want Uncle Yan to go to the sky prison, put me in as well," Yan Ruoxue suddenly said coldly.

"Do you know how much trouble you've caused?" Yan Tianshi frowned and said. "This matter has disgraced the Yan family!"

"Yes, that's why I asked you to lock me up in the sky prison," Yan Ruoxue sneered and said.

Yan Tianshi looked angry but could not do anything to Yan Ruoxue.

After hesitating for a while, Yan Tianshi said in a deep voice, "I can let him go, but I have a condition. You are not allowed to follow me to the negotiations tomorrow."

Obviously, this was Yan Tianshi's true objective.

Unfortunately, Yan Ruoxue did not buy it. She rejected it without thinking, "I disagree."

"Then let him go to the sky prison!"

"I disagree either!"

Yan Tianshi opened his mouth but could only curse in his heart.

This little girl was a little too overbearing!

The most infuriating thing was that he could not do anything to her.

After a moment of silence, Yan Tianshi snorted and left.

After leaving Mount Donghuang, an elder walked to Yan Tianshi's side, cupped his hands, and said, "Holy Lord, in that case, let's bring the saintess along."

Yan Tianshi glanced at him and said coldly, "It will definitely ruin things if I bring her along. It's impossible at all to get rid of Qin Yu in front of her."

The elder smiled and said, "Holy Lord, why don't you change your way of thinking? Do you think Qin Yu will obediently give in? Dean Lei will definitely protect him if he doesn't give in."

Yan Tianshi frowned. He did not say anything and waited for him to continue.

The elder continued, "We can use the saintess to threaten Qin Yu into accepting all our conditions..."

Hearing this, Yan Tianshi's expression turned cold. He immediately shouted, "What nonsense are you spouting? Do you want to use Ruoxue as a bargaining chip?"

Seeing Yan Tianshi being angry, the elder hurriedly knelt and did not say a word.

Yan Tianshi snorted coldly. Without saying anything else, he turned around and left.

Soon, it was the day of negotiations.

On this day, almost all the major sects arrived at Peach Blossom Island, and there was no lack of Holy Lords from the sects.

Meanwhile, Qin Yu followed Dean Lei and rushed to Peach Blossom Island.

Although the name Peach Blossom Island sounded beautiful, the island was surrounded by endless desolation in reality.

From time to time, a strange smell would assail the nostrils, making people feel incredibly uncomfortable.

Qin Yu stood under Peach Blossom Island and looked at the surrounding environment. He could not help but frown.

"Is the Prince of Great Xia placed in such a place..." Qin Yu muttered.

Dean Lei glanced at Qin Yu and said, "Take care of yourself first. This negotiation will not be simple."

Qin Yu nodded and followed Dean Lei to Peach Blossom Island.

Although the surrounding environment of Peach Blossom Island was tremendously bad, the scenery on the island was beautiful.

Peach Blossom Island was like a treasure abandoned in the endless chaos. It was desolate and lonely, but the island was full of endless vitality and hope. At the center of the island stood a massive mountain range. At a glance, one could see peach blossom forests around the mountain range. They were vibrant and colorful, like a dream and an illusion.

But when Qin Yu took a closer look, he realized these flowers and plants. These flowers and plants seem to be artificially planted by humans and cultivated with spiritual energy. They did not grow naturally.

It was evident that although this place looked like a paradise, it was merely a prison used to imprison and monitor the Prince of Grand Xia.

Looking up, he saw many magical artifacts scatter all over the sky. These magical artifacts emitted a tremendous mysterious internal qi as if they could deliver a fatal blow at any time.

Qin Yu's brows furrowed even more tightly. The situation of the Prince of Great Xia was probably even more difficult than he had imagined.

As they continued to move forward, they saw several graceful figures. There were hundreds of women on the island!

These women were dressed in chiffon-like clothes and held different tools in their hands. Some were holding brushes and ink and were writing on bamboo slips by the side of the path. Every word that flowed under the brushes was filled with elegance and grace as if it was dancing.

Some were holding the pipa in their hands and playing alone in the peach blossom forest. The sound of the pipa echoed on the peach blossom island, as melodious as a clear spring. Some were holding swords in their hands and dancing. The Spiritual Energy Swords were sharp, and the peach petals were blown away by their Spiritual Energy Swords. At this moment, they were like goddesses.

Regardless of what these women were doing, they all exuded an elegant and mysterious temperament. Their skin was as fair as snow, and their long hair was like clouds. They were like fairies descending to the mortal world. However, in their eyes, there was a profound melancholy and loneliness that

made one unable to resist the urge to approach them and alleviate their sorrows.

It was not exaggerating to say that these women were all extraordinary, and their bodies had a sense of charm.

Obviously, the purpose of their existence was to get pregnant with the Prince of Great Xia and to take control of the spirit coins.

“The nine great aristocratic families have indeed taken a lot of effort to get control of the spirit coins,” Qin Yu thought to himself.

At this moment, the Prince of Great Xia, accompanied by two elders, arrived in front of Qin Yu.

“Dean Lei...” The prince bowed slightly to express his respect for Dean Lei.

“Your Highness, you’re too polite.”

Although Great Xia had fallen, Dean Lei still accorded him proper etiquette and decorum.

2157 Celestial Artifact

Immediately after, the Prince of Great Xia’s gaze landed on Qin Yu.

“Mr. Qin, long time no see,” the Prince of Great Xia said weakly.

“I didn’t expect us to meet here,” Qin Yu sighed slightly and said.

The prince’s face had a hint of bitterness. He seemed incredibly helpless about the current situation. He shook his head and said, “I’m afraid I’ll be trapped here forever.”

There was no doubt that with the current power of the Prince of Great Xia, he had no chance of making a comeback.

“I’m afraid my situation is even worse than yours,” Qin Yu sighed and said.

The prince was naturally clear about what had happened to Qin Yu. He patted Qin Yu’s shoulder and said, “I believe you will be fine.”

“I hope so,” Qin Yu said.

After that, Qin Yu, accompanied by the Prince of Great Xia, walked into the depths of Peach Blossom Island.

On their way, several women threw themselves at the prince, but the prince politely rejected them all.

Qin Yu said jokingly, "So many beautiful women are throwing themselves at you. Your Highness is indeed lucky."

"Lucky?" The prince laughed bitterly. "If I leave behind any children, I'm afraid I won't be able to keep my life."

Qin Yu was quiet. Compared to the prince who lost his freedom, Qin Yu felt that his situation was not as painful.

Soon, led by the prince, they arrived at the place the negotiations would take place.

The place the negotiations would take place was an ancient-looking and simple pavilion. It was built against a mountain, with its back against the towering mountain range facing the sparkling lake, and was surrounded by layers of peach blossom forests.

The pavilion was not big, but it had a unique shape and exquisite design. The entire pavilion was made of red bronze, presenting a deep and ancient hue. The four corners stood tall, and the eaves slightly curved upwards. Every detail exuded a unique style and exceptional craftsmanship, leaving people feeling amazed.

In the center of the pavilion was an octagonal marble table. On the stone table, a chair made of mahogany was placed in every corner. It looked simple, but it was difficult to conceal its exquisiteness. These eight corners coincidentally corresponded to the current nine great aristocratic families. Although the number was somewhat unmatched, it made some sense.

It was surrounded by carefully trimmed peach blossoms. Whenever there was a breeze, peach petals would fall, filling the pavilion's surroundings with a strong sense of spring.

Above the pavilion, a gigantic formation was floating. It was surrounded by strands of the mysterious power of the way. Whenever someone approached, the power of the way would buzz and reject them.

At this moment, the people from the various aristocratic families had already arrived, and naturally, the one leading them was Yan Tianshi.

Qin Yu glanced around and soon spotted Yan Ruoxue.

The moment he saw Yan Ruoxue, he could not help but smile.

Worry filled Yan Ruoxue's eyes. She could not help but rush to Qin Yu but was stopped by two elders.

Qin Yu shook his head and indicated that she would be fine using his gaze. Then he followed Dean Lei and walked forward.

The aristocratic families looked at Qin Yu with cold gazes. What surprised Qin Yu was that Si Liuhe did not come, but Si Shiyue did.

It was evident that Flower Granny's incident had significantly impacted Si Jiuhe, and he had even given up on such an important occasion.

Bringing Qin Yu along, Dean Lei swaggered over and sat down.

The moment he sat down, several cold lights headed straight for Qin Yu! That invisible pressure made Qin Yu's body tremendously uncomfortable.

Dean Lei snorted coldly. With a wave of his sleeve, a gentle internal qi enveloped Qin Yu's body, and the discomfort instantly disappeared.

"Let's get down to business. Don't play any useless tricks." There was a hint of mockery in Dean Lei's tone of voice.

Someone initiated to speak, "Dean Lei, you should know the outcome of today's negotiations. Qin Yu must die. There is no second option."

"Do you think I will agree?" Dean Lei said coldly.

At this moment, someone smiled faintly and said, "Dean Lei, do you think we can't do anything to you just because you rely on Flower Granny?"

"I'm relying on Flower Granny?" Dean Lei sneered and said. "What? If you're not convinced, let's go out and fight now!"

"Am I afraid of you?"

The atmosphere instantly became tense, and they could make a move at any time.

These few people clearly came prepared. They were not afraid of Dean Lei at all and were eager to give it a try!

"If we were in Thunder Courtyard, we would naturally be helpless against you. But here, it's not difficult for us to kill you!" someone said coldly.

"I don't mind if you want to start a battle of celestial artifacts," Dean Lei said coldly.

At the mention of celestial artifacts, everyone calmed down.

If he used a magical artifact of the Immortal Emperor, it might even destroy the entire Holy Region.

"Dean Lei, we must sort out this matter," Yan Tianshi finally spoke.

Dean Lei looked at Yan Tianshi and said, "Let's get straight to the point. As long as I can afford it, I'll agree to it, taking it as compensation to you guys."

Qin Yu could not help but grit his teeth.

Thunder Courtyard had many treasures, and everyone in the world was jealous. This time, the aristocratic families would probably take advantage of the opportunity to make hefty demands.

"Alright, then I won't hold back," Yan Tianshi stood up and said.

"First, let Qin Yu hand over the Traceless Immortal Scripture.

"Second, make Qin Yu cut off all contact with Yan Ruoxue.

"Third, I want the celestial artifact of your Immortal Emperor Lei and your immortal tomb of Thunder Courtyard."

Hearing these three conditions, Dean Lei's face turned ashen, and his body emitted a cold aura.

"Yan Tianshi, if we can negotiate, let's negotiate. If we can't, let's fight," Dean Lei suppressed his anger and said.

Yan Tianshi's gaze landed on Dean Lei. At that moment, his expression turned incredibly cold!

"Dean Lei, today, you either hand over Qin Yu or agree to my conditions. There is no third option." Yan Tianshi's voice was incomparably cold, making people feel fear!

With that, terrifying lights instantly erupted in the sky, and strange talismans came from all directions!

They had actually set up a formation in advance! Under the circumstances where they had no choice, they even wanted to get rid of Dean Lei as well!

Qin Yu's expression changed drastically. He hurriedly stood up and blocked in front of Dean Lei. "This matter has nothing to do with Dean Lei! If you want to settle the score, just come at me!"

"Qin Yu, sit down!" Dean Lei shouted.

Then, with a thought, a magic artifact appeared in Dean Lei's hand. It was a magic staff, and a faint blue light flickering on it.

The magic staff was very small, and Dean Lei could hold it in his palm. At a glance, there was almost no internal qi fluctuation, and no one could see anything different about it.

"This is... celestial artifact?" Someone recognized this item, and his expression immediately changed drastically!

"It's the magical artifact that follows Immortal Emperor Lei. Dean Lei, you actually brought a celestial device here. What do you want?"

2158 A Truly Terrifying Duel!

For a moment, there was a trace of panic in the eyes of everyone present.

Despite their incredible strength and the fact that they had already set up a formation at the place, their eyes were still full of fear as they faced the celestial artifact in Dean Lei's hand.

That was the magical artifact of Immortal Emperor Lei. It was not difficult for him to wipe out the Holy Region, let alone kill them!

For countless years, no one had ever used a celestial artifact in the Holy Region. Such a battle was usually in the starry sky, which had destroyed countless stars.

But now that Dean Lei had taken out this item, it showed his determination.

Everyone turned to look at Yan Tianshi because he was the only one leading this negotiation.

However, no one had expected Yan Tianshi not to show any fear in the face of Dean Lei's celestial artifact.

He looked coldly at Dean Lei and said, "Do you think only your Thunder Courtyard has celestial artifacts?"

As soon as he said that, the atmosphere suddenly became tense. Everyone turned to look at Yan Tianshi with surprise and doubt.

They never expected Yan Tianshi to use a celestial artifact!

Qin Yu's expression was incomparably ugly. He had never thought Yan Tianshi would be so determined to get rid of him to the extent that he was willing to use the celestial artifact!

"Are you scaring me? Do you think I'll be scared?" Dean Lei said coldly.

Yan Tianshi slightly narrowed his eyes. He did not say anything else. He reached out his hand and took out a pagoda flickering with a mysterious light.

The pagoda was suspended in Yan Tianshi's palm, emitting a tremendously ancient and mysterious power that was unfathomable.

This pagoda looked simple and unadorned, but it seemed to have contained a destructive power. The moment it was taken out, everyone could not help but feel a powerful sense of oppression!

Qin Yu's face was even paler, and even breathing was a little difficult in his chest!

"Divine Destiny Pagoda, the magical artifact of Immortal Emperor Tianming!" someone exclaimed.

No one expected Yan Tianshi to bring the Divine Destiny Pagoda!

The moment the two celestial artifacts appeared, they seemed to have started to fight against each other!

Although the two magical artifacts did not seem to be glowing, invisible power was constantly resisting each other!

The expressions of Dean Lei and Yan Tianshi changed slightly. Before they could react, the two magical artifacts had risen into the air. The terrifying power was constantly resisting each other.

There was no shocking and grand collision of the internal qi at the scene, but the entire Peach Blossom Island trembled at this moment!

The few True Saints were shaken and vomited blood non-stop, and their bodies flew backward. They used all their strength to resist, but it was still futile!

They were existences at the pinnacle of their realm, the genuine and substantial True Saint Realm.

Such a cultivation realm in the face of celestial artifacts was not even qualified to resist. Only the heavens knew how terrifying the Immortal Emperor was!

Qin Yu's expression was also tremendously ugly. If it weren't for Wu Ji's divine robe protecting his body, he would probably have long perished at this moment!

"Rumble..."

The sky was covered with dark clouds, and the ground was constantly collapsing. Densely packed cracks appeared on the ground and the entire Peach Blossom Island seemed to be about to collapse at any time!

The confrontation between the two magical artifacts caused the space to distort violently and the ground to collapse. Cracks spread on Peach Blossom Island as if the entire island was on the verge of collapse!

The energy fluctuations of the magical artifacts became increasingly intense. The air was filled with a scorching internal qi as if the entire world was enveloped by the confrontation between these two magical artifacts. Lightning interweave, and starlight flickered, forming a magnificent and mysterious scene!

As the confrontation intensified, all the ways collapsed, and everyone at the scene suffered from this collision. The scene on Peach Blossom Island became even more terrifying. The degree of cracking on the ground became even more severe, and the island trembled even more violently!

The world seemed to be filled with an internal qi of danger. An unprecedented fear rose in everyone's hearts!

However, despite such circumstances, Dean Lei and Yan Tianshi still did not have any intention of stopping. It was as if they wanted to destroy the Holy Region!

"The two of you... Please stop!" a True Saint cried out in alarm. They did not want these two lunatics to destroy everything!

However, the two were incomparably stubborn. Dean Lei sneered and said, "Stop? Come on, at most we'll die together!"

"Alright, let's destroy this Holy Region together!" Yan Tianshi roared with madness!

The earth was non-stop collapsing. The terrifying internal qi was no longer limited to Peach Blossom Island but spread to the entire Zhongzhou! For a moment, everyone was affected by the collision!

Looking up, the sky had become tremendously ferocious. Some of the weaker ones had even died before they could react and turned into ashes!

Qin Yu looked down from Peach Blossom Island and saw countless people losing their lives in an instant!

Some were reuniting with their families, some were playing with their children in the fields, and some were meeting their loved ones. However, all of this no longer existed. They did not even have the time to say goodbye before they completely disappeared from this world!

Many families were torn apart by this disaster, with loved ones losing each other in an instant.

In the arms of their parents, the children's laughter stopped abruptly. The cruel reality had taken away their hope in life.

Couples were ruthlessly separated in this catastrophe, unable to embrace each other again.

All living beings fled in all directions in horror. They wanted to escape from this place shrouded in the shadow of destruction. However, no matter where they fled, the terrifying power of the magical artifacts permeated the entire Zhongzhou as if there was nowhere to escape.

Sobbing, wailing, and shouting rose and fell, mixing with the atmosphere of destruction.

People lost their family members, friends, and loved ones. Their hope and happiness had been completely taken away at this moment, leaving only deep pain and endless sadness.

Countless people knelt on the ground and put their palms together, praying that a god would descend and a miracle would happen to save them from this catastrophe. However, they understood that such hope was just their wishful thinking. They had already fallen into a desperate situation, and what awaited them was only the fate of destruction.

Even those powerful cultivators seemed insignificant and powerless at this moment.

In front of their own strength, they felt incredibly insignificant and could not withstand the collision of the celestial artifacts.

They might have been full of confidence in the past, but in this disaster, they could not change anything at all.

The entire Zhongzhou was shrouded in sorrow and fear. The pitiful image of all living beings was heartbreaking.

They were innocent. They were just dragged into a fight and became innocent victims.

Qin Yu looked at the people wailing in pain and despair. He suddenly turned around and shouted at the top of his lungs, "Stop... All stop!"

2159 A Close Call

Seeing such a tragic scene, Qin Yu could no longer bear it. He ran to Dean

Lei like a madman and pleaded desperately, "Dean Lei, please stop. I beg you. Please stop!"

Dean Lei gritted his teeth. He would never be willing to stop at this moment!

"Dean Lei, too many innocent people have died because of this. Please stop. I beg you..." Qin Yu said in a trembling voice.

Seeing no response from Dean Lei, Qin Yu looked at Yan Tianshi and shouted, "Yan Tianshi, don't you want to kill me? Come on! I'll let you kill me!"

With a shout, Golden Light surged. Yan Tianshi slightly narrowed his eyes and snorted. "Why? Do people like you have a mind with compassion?"

"As long as you stop, I will let you do whatever you want." Qin Yu's voice became incomparably cold.

Of course, Yan Tianshi did not want to prolong the dispute. He would be an eternal sinner if the Holy Region was destroyed.

With this way out, he immediately raised his palm and muttered softly.

After a while, he finally retrieved the celestial artifact.

The world stopped shaking instantly, and the terrifying internal qi slowly dissipated.

After Yan Tianshi put away his celestial artifact, the celestial artifact in Dean Lei's hand seemed to have lost its sensing ability and slowly fell from the sky, returning to Dean Lei's hand.

"Yan Tianshi, you look like not having the guts either!" Dean Lei grabbed the celestial artifact in his hand and shouted.

Yan Tianshi placed his hands behind his back and said indifferently, "I have achieved my goal, so why should I compete with you?"

Then he looked at Qin Yu and said, "Qin Yu, you still remember what you said just now, do you?"

Qin Yu's gaze was dim and lifeless, and he could not help but look at the dead and injured crowd below, the pain in his eyes aggravated.

“What, are you fooling me?” Yan Tianshi’s voice immediately turned cold when he saw Qin Yu keeping quiet.

Dean Lei, standing at the side, hurriedly took over and shouted, “So what if he’s fooling you? Let’s continue if you are not convinced!”

“Do you think I’m afraid of you?” Yan Tianshi said coldly.

At this critical moment of tension and confrontation, Qin Yu’s gaze suddenly became even more determined.

He first cast an apologetic look in Yan Ruoxue’s direction before walking toward Yan Tianshi.

Soon, Qin Yu came to Yan Tianshi.

Their eyes met, and at this moment, Yan Tianshi saw the determination in Qin Yu’s eyes.

Even Yan Tianshi could not help but be stunned by his determination.

“To kill me or to torture me, it’s up to you!” Qin Yu said coldly.

“Oh?” Yan Tianshi slightly narrowed his eyes and said, “You’re willing to give up your life for those ants?”

Qin Yu said coldly, “You were born into a great aristocratic family when you were young. You have tens of millions of people at your beck and call and True Saint to accompany you in your cultivation. As long as you want it, you can easily get anything. You certainly don’t understand.

“For someone like you, it is very difficult to satisfy your desires. Even if you obtain a planet or a continent, it will only cause a slight ripple in your heart.”

Then Qin Yu pointed at the ordinary cultivators below Peach Blossom Island.

“But they’re not the same. They’re easy to satisfy. It could just be to reunite with their families, or perhaps it is to accompany their children to grow up. This is their happiness, their only happiness,” Qin Yu said coldly.

“But now, because of the battle between people like you, you’re depriving them of their only happiness. Don’t you think it’s very cruel?”

Yan Tianshi looked at Qin Yu in a daze. He did not expect Qin Yu to say such words.

“Don’t listen to his nonsense. Since he wants to die, satisfy him!” a True Saint hurriedly stood up and shouted.

Yan Tianshi came to his senses. He looked at Qin Yu coldly and said, “Are you really not afraid of death?”

“I’m afraid, but I’ve already implicated too many innocent people. Let’s end it here.” Qin Yu slightly closed his eyes as if he was waiting for his judgment.

At this moment, Dean Lei hurriedly walked over. He glared at Yan Tianshi and said, “Yan Tianshi, I will never allow you to attack Qin Yu!”

“This is his own choice, so what does it have to do with you?” Yan Tianshi narrowed his eyes and said.

Dean Lei gritted his teeth and shouted, “He was just confused for a moment, and he said doesn’t count!”

Yan Tianshi sneered and said, “Dean Lei, you should respect his choice. More people will die if we continue to fight, and by that time, Qin Yu will also die. Do you understand?”

Dean Lei’s brows furrowed even more tightly and seemed unable to find a good solution.

He could not help but look at the void as if he was waiting for something.

However, the void was completely silent, without any fluctuations at all.

“Qin Yu, in that case, I’ll satisfy you.” Yan Tianshi slowly raised his hand, and a terrifying internal qi began to gather in front of Qin Yu.

If this palm were to land, it would probably shatter Qin Yu’s head instantly and wipe out his divine sense altogether.

Seeing the palm about to land, Yan Ruoxue struggled to break free and appeared in front of Qin Yu almost in an instant!

She blocked Qin Yu behind her and glared at Yan Tianshi.

“Kill me first if you want to kill him!” Yan Ruoxue gritted her teeth, her eyes almost bleeding.

Yan Tianshi frowned and said coldly, “Take her away!”

Two True Saints of the Yan family hurried over and pulled Yan Ruoxue to the side.

“If you kill him, I’ll not live on!” Yan Ruoxue roared like a madman and struggled desperately. However, under the control of the two True Saints, she could not break free at all!

Yan Tianshi ignored Yan Ruoxue. He slowly raised his palm, ready to smack Qin Yu’s head at any moment.

“Stop!”

Yan Ruoxue’s deafening roar at the top of her lungs filled the entire Peach Blossom Island. Her tears flowed incessantly like a broken string of beads, and her internal qi became tremendously weak.

Yan Tianshi’s palm was about to land on Qin Yu’s face. The scorching internal qi caused incredible pain in Qin Yu’s face.

Qin Yu looked pale, and despair filled his heart.

However, he did not regret his choice. He would still do the same if he had to do it again

“Ruoxue, I’ll make it up to you in my next life...” Qin Yu murmured as if he had given up everything.

However, just as Yan Tianshi’s palm was about to land on Qin Yu’s face, he suddenly stopped what he was doing. The light on his palm also slowly disappeared.

“Hmm?”

Everyone was stunned and seemed not to understand Yan Tianshi’s actions.

Yan Tianshi looked at Qin Yu coldly. It was unknown if it was due to his conscience or worry for Yan Ruoxue.

He looked at Qin Yu and said coldly, "I can spare your life, but I must expel you from the Holy Region. You will return to where you came from."

2160 Softhearted?

Hearing Yan Tianshi's words, everyone was stunned on the spot. Even Qin Yu was stunned.

"Holy Lord Yan, you can't let this child off! Otherwise, he'll definitely cause a disaster in the future!"

"That's right, Holy Lord Yan. We've done so much just to get rid of him. Now that he's right before us, why should we let him go?"

"Even if we let him leave the Holy Region, he will not give up. He will return sooner or later!"

Everyone stepped forward with unwillingness filling their eyes.

Qin Yu also frowned as if he could not believe Yan Tianshi's words.

"They are right. Even if I leave the Holy Region today, I will return one day," Qin Yu said in a deep voice.

Yan Tianshi snorted and said, "It's your own ability if you can come back."

With a hint of astonishment in his eyes, Qin Yu' looked at Yan Tianshi and said, "Do you really let me go?"

"Didn't I make myself clear enough? I want you to leave the Holy Region From today onward," Yan Tianshi said coldly.

"Holy Lord Yan, you mustn't do this!" The others walked forward again and continued to advise him.

However, Yan Tianshi had made up his mind and ignored everyone.

Qin Yu was silent for a moment before saying, "Give me some time to prepare."

"I won't give you any time. It's either you leave immediately or I'll kill you now." Yan Tianshi stretched out his palm, and a terrifying killing intent burst forth.

Qin Yu nodded slightly and said, "Alright, I'll leave the Holy Region today."

Yan Tianshi snorted coldly. He no longer cared about Qin Yu and turned around, intending to leave.

At this moment, Qin Yu's gaze fell on Si Shiyue.

Si Shiyue did the same. The two seemed to have a telepathic connection and walked toward each other.

The two faced each other and looked at each other with hostility in their eyes.

After a while, Qin Yu took the lead and said, "Yan Ruoxue doesn't like you."

"I know." Si Shiyue's reaction surprised Qin Yu.

He looked at Qin Yu and said, "I'll wait for you for a hundred years. I definitely won't touch Yan Ruoxue for a hundred years."

Si Shiyue paused and continued, "I'm certainly not a gentleman. The reason I did this is to tell the world that I'm stronger than you. The Yan family bloodline will belong to whoever wins.

"I want to defeat you fairly and openly, with honesty and integrity."

Si Shiyue's words shocked Qin Yu even more.

This was the first time Qin Yu scrutinized Si Shiyue directly.

Although Qin Yu disliked Si Shiyue, he was someone with aspirations.

"If you don't return to the Holy Region within a hundred years, I'll take it as you're already dead," Si Shiyue said coldly.

"Deal." Qin Yu said coldly.

"A hundred years later, I will definitely defeat you."

"We're both chaotic bodies. I'll tell the world who's the strongest," Si Shiyue sneered and said.

After saying this, Si Shiyue turned around and left without looking back.

"Si Shiyue is a gentleman," Dean Lei said.

Qin Yu nodded. He looked at Dean Lei and said, "Please send me back. Perhaps I need to use your teleportation formation."

Dean Lei nodded. He patted Qin Yu's shoulder and said, "No matter what, at least you managed to keep your life."

"Yes," Qin Yu could not help but sigh. "I thought I would surely die this time. I didn't expect Yan Tianshi to let me off."

At this moment, the True Saints of the other aristocratic families had ugly expressions on their faces. They looked at Qin Yu's back, and their eyes emitted an incomparable coldness.

"Yan Tianshi is really old and muddle-headed," a True Saint said coldly.

"This kid is tremendously talented. No one knows how far he will grow by giving him a hundred years. By then, he will definitely come to us to settle the score!"

"He's muddle-headed, but we can't be," a True Saint said coldly.

After hearing this, several of them instantly understood, and their eyes immediately emitted cold killing intent.

...

On the Yan family's ancient ship, Yan Ruoxue's expression was still ugly. Although Qin Yu managed to keep his life, no one knew if he could return.

"Holy Lord, why did you let Qin Yu off?" On the deck of the ancient ship, an elder of the Yan family walked over and asked.

"He kidnapped the saintess and has been at odds with the various aristocratic families. Do we just let him go?"

Yan Tianshi looked into the distance and said with some emotion, "This kid... He's not simple. Perhaps I should reassess this person."

"Oh?" The elder seemed surprised.

Yan Tianshi was silent for a moment before he slowly said, "To be honest, his words have indeed moved me. I now... understand Ruoxue."

Yan Tianshi looked at Yan Ruoxue, sitting not far away.

“Those who can move you are indeed not easily found,” the elder sighed and said.

Yan Tianshi did not say anything. No one knew what he was thinking.

“Although you let him go, the others might not,” the elder continued.

“That has nothing to do with me. It depends on how things turn out,” Yan Tianshi said quietly.

...

At Thunder Courtyard.

Qin Yu followed Dean Lei back to Thunder Courtyard.

“Are you really leaving?” Dean Lei looked at Qin Yu and could not help but frown.

“Mmm,” Qin Yu responded. “Yan Tianshi has spared my life. I should keep my promise.”

Seeing this, Dean Lei no longer said anything else and could only sigh.

From the looks of it now, this seemed to be the best outcome.

“Dean Lei, I’ll have to bother you to activate the formation and send me out of here,” Qin Yu said.

After such a long time, Qin Yu wanted to go back to Earth to take a look.

Under the Great Upheaval situation, it was unknown if there were any powerful cultivators on Earth today.

However, Dean Lei shook his head and said, “Thunder Courtyard’s formation will allow you to traverse the void, but it can’t accurately pinpoint your location.

“In other words, on such a long journey, the formation might even make you enter the endless void and never come out of it.”

Qin Yu frowned and said, “Then how should I leave the Holy Region?”

“You can only go through the warship,” Dean Lei said.

“Warship?” This surprised Qin Yu.

Warships could traverse the void, but Qin Yu had never tried it.

Dean Lei looked at Qin Yu and said, “Follow me.”

Qin Yu dared not waste time. He quickly followed Dean Lei and walked toward a specific place on the main peak of Thunder Courtyard.

The two walked around and finally came to an empty space.

This place was quite spacious, and the scenery was pleasant.

With his hands behind his back, Dean Lei slightly narrowed his eyes. With a thought, a gigantic warship appeared in front of the two. A huge word, “Lei”, was written on the warship.
