

RICHEST MAN: GETTING 7 BILLION RED POCKETS TO START WITH

Chapter 751 Lin Changle; Brother Lin!

Chapter 751 Lin Changle; Brother Lin!

"Phew!"

At this moment, dark clouds suddenly gathered in the sky, instantly turning the entire Earth into darkness.

"Rumble!"

The terrifying lightning produced a deafening sound and seemed to tear the entire sky into countless ravines. It was ferocious and terrifying.

The wind blew, and the branches swayed.

"Boom!"

In the next moment, the entire world was filled with even more powerful thunderbolts, causing the earth to tremble.

Dazzling lightning illuminated the earth and quickly gathered in the air.

Gradually, it formed a five-clawed golden dragon that bared its fangs and brandished its claws, soaring into the sky.

"Ang!"

At this moment, a crisp notification rang out in Lin Fan's mind.

[Ding! Dragon King's soul detected.]

[Dragon King's Soul: The soul of the ancient Dragon King, reincarnated.]

Lin Fan squinted his eyes and said to the system, "After he reincarnates, how will it affect my son?"

[Requires 1 million spirit stones. Do you wish to inquire?]

"Yes, sir!"

[Your son will have extremely high cultivation talent.]

"Will he affect my son's memory and control him?"

[No.]

When Lin Fan heard that, he heaved a sigh of relief.

"Ang!"

At this moment, the golden dragon in the sky roared at the sky, and the entire world shook again.

Then, it rushed down toward the Coiling Dragon Villa and entered Huang Ling's body.

Not long after, the sound of a baby crying could be heard in the Coiling Dragon Villa.

Then, Dai Weixue walked out with a baby in her arms and a smile on her face.

"Xiaofan, look at this nose. It looks so much like yours."

"This skin is too tender."

"Hehe, he's still laughing when you praise him."

Although Dai Weixue had already hugged two grandchildren.

However, she was also very happy to have another one.

"Mom, give me a hug, give me a hug," Lin Xiaoyao said."

"Why are you in such a hurry?" Dai Weixue asked."

"If you're really in a hurry, you should give birth to one quickly."

Lin Xiaoyao was speechless.

In the past, she also yearned for love, marriage, and children.

However, when there was a handsome man like Lin Fan beside her, she was shocked.

She suddenly lost interest in other boys.

How could they get married and have children?

Beside him, Kathleen, whose beautiful eyes seemed to be shining with starlight, couldn't help but say, "Can I hug you?"

"Of course," Dai Weixue smiled.

As he spoke, he handed the baby to Kathleen.

At the same time, he did not forget to say, "Look, how cute is this baby? You're so beautiful. You'll definitely have a cute child in the future."

Dai Weixue was looking at the bowl and thinking about the pot.

Kathleen carefully held the baby, and her beautiful face bloomed like a flower.

After a long time, she reluctantly gave the baby to Lin Fan.

"Lele, smile."

Lele was obviously the child's name.

His full name is Lin Changle.

This was a name that Lin Fan had come up with long ago.

His idea was simple. As long as the child was happy, it was fine.

With Lin Changle in the Coiling Dragon Villa, everyone was filled with joy.

If he was happy, he naturally had to celebrate.

Hence, Lin Fan gave Tai Ba a curse set that day.

That night, Kailin came to Lin Fan's room again.

"I want to have children too."

He worked hard and did not speak for a night.

....

On the other hand, in the Demon Realm.

The black power of the curse around Tai Ba's body suddenly surged, and he could not help but spit out a large mouthful of blood.

"Puff!"

Due to the intense war between the Demon Realm and the Buddha Realm in recent years, as well as the fact that more and more factions and experts coveted the Heart of the Demon Saint King, the Demon Realm suffered heavy casualties and the situation worsened day by day.

Sometimes, Tai Ba wondered if he should continue fighting.

However, as the curse fell, he became extremely deranged again.

"Pu Guo, didn't you want to fight?" he shouted ferociously. Then let's fight to our heart's content!"

Then, Tai Ba's voice spread for a million miles,""From today onwards, I will kill Buddha without mercy!"

A blood-red murderous aura surged wildly, causing the eyes of countless demons to turn red as they bit at the bald man in the distance.

An even more tragic war began!

....

In the dark universe.

Li Hao had always dressed casually, but today, he had changed into a set of very clean and tidy clothes.

Because he had already gotten married yesterday. He had married a beauty from another world.

He drank a big bowl of wine and said cheerfully, "So comfortable!"

Then, he said to Lin Chengzhen, "Cheng Zhen, we've been in the dark universe for hundreds of years, right? I say, why don't you find a woman? Could it be that he wanted to be a bachelor for the rest of his life?"

Lin Chengzhen took a sip of wine and did not answer.

"Brother, you..." Li Hao said again. Don't tell me you like men?"

As she spoke, she couldn't help but put some distance between them.

"Go to hell, you're the one who likes men," Lin Chengzhen said.

"I just want to find a suitable one."

"Alright, drink it yourself. I'll walk around."

As soon as he finished speaking, he took a step forward and disappeared from where he was.

After a long time, Lin Cheng appeared on a busy street.

He went to a random restaurant and ordered two side dishes and a pot of wine. He drank alone and looked at the crowd outside the window with indifference.

At this moment, a beautiful woman in a long blue dress walked over from afar.

Everywhere he passed, he would look at him and exclaim.

In the next moment, two men hidden in the crowd seemed to have a grudge against the beauty as they attacked her with sharp blades.

This slash was meant to split the beauty in half, causing blood to splatter on the spot.

"Whoosh!"

However, this did not happen.

Because a tall man was blocking the way.

He... It was Lin Cheng Zhen.

With a sweep of his leg, he sent the two men flying, heavily injured and vomiting blood.

The reason why Lin Chengzhen attacked was partly because the woman was beautiful.

On the other hand, he couldn't stand such behavior.

"Are you alright?" Lin Chengzhen turned around and asked."

The current Lin Cheng Zhen was already somewhat similar to Lin Fan.

Even so, he was still very handsome.

The beauty was stunned.

"I'm fine," she said after a while."

"Thank you for saving me just now. Otherwise, I don't know what would have happened.""

How was it?

In fact, she had already noticed the two of them.

Moreover, he did not take it to heart at all.

That was because she had pretty good strength to begin with.

Moreover, she had extremely powerful protective equipment and escape talismans on her. There was no need to worry at all.

"My name is Ke Xin. What's your name, benefactor?"

"My name is Lin Chengzhen. You don't have to call me benefactor. It's just a small matter." Lin Chengzhen said.

"How can that do?" Kexin asked.

"However, benefactor is indeed not very nice to hear. If you don't mind, I'll call you Brother Lin. Is that okay?"

Chapter 752 Not Worthy; Comprehension!

In the following period of time, Ke Xin followed Lin Chengzhen with the excuse of repaying his kindness.

Gradually, their feelings for each other continued to heat up. They began to hold hands and hug each other...They became true lovers.

They did all the things that lovers should do together.

24 hours a day, they were almost never apart, and they were extremely happy.

Lin Chengzhen finally felt the sweetness of love.

....

At this moment, in the dark universe, in the majestic building known as the central palace.

A man wearing a python robe and emitting a powerful aura let out a rumbling sound.

"Have you found Princess Kexin?"

Below, a man in a red and black robe knelt on the ground and said respectfully, "Venerable Sovereign, the princess is in the Three Eastern Regions."

"Also, we found out that the princess seems to have feelings for a man."

"Hmm?" The man in the python robe's tone suddenly sank. A terrifying aura surged out like a tide, making people feel suffocated.

"Who is he? Give me the detailed information."

"Yes," the red-robed man said nervously.

Then, a streak of red light flew toward the man.

The next moment, the man in the python robe shouted, "A domain lord level brat actually dares to covet my daughter, really... How dare he not take a look at his identity! Is he worthy?"

"Go, bring Princess Ke Xin back!"

"Yes, sir!" The red-robed man hurriedly said.

....

At this moment, Lin Chengzhen and Ke Xin were strolling along a bustling street, holding hands.

Lin Chengzhen maintained his smile.

This period of time was the happiest and most blissful time since he left Earth.

Ke Xin's face had a hint of worry.

Because, not long ago, she accidentally discovered her father's subordinate.

This made her feel uneasy.

Ke Xin knew her father very well. He was a domineering, high-status man who valued family status.

He would never allow himself to be with Lin Chengzhen.

Lin Chengzhen seemed to have sensed the change in Kexin and could not help but ask, "Kexin, what's wrong? Are you feeling unwell?"

"Cheng Zhen, I want to tell you something."

"Tell me." Lin Chengzhen said.

"Whoosh!"

At this moment...

The originally clear sky suddenly became covered with dark clouds. Strong winds howled and thunder roared.

In the next moment...

The sky above his head seemed to have been torn apart by a huge thunder, and a long ravine appeared.

And inside the ravine...A man in golden armor walked out.

With a wave of his hand, a terrifying energy that was like a tidal wave instantly turned all the people on the street into ashes.

This was a terrifying power that attacked indiscriminately. Fortunately, Kexin blocked in front of Lin Chengzhen in time, so he was not attacked.

Lin Chengzhen felt a suffocating aura from the man in golden armor.

However, he was not afraid.

Instead, he puffed out his chest and vaguely protected Ke Xin behind him. He said warily, "Who are you?"

"Me?" The golden-armored man seemed to have heard the best joke in the world. He grinned and said, "A mere ant is worthy of asking my name?!"

As soon as he finished speaking, a gust of wind seemed to be about to blow Lin Chengzhen away at any moment.

When the golden-armored man was about to make another move, Ke Xin, who was beside him, said, "Enough!"

"Brother Ji Wei, don't continue!"

The golden-armored man's aura suddenly turned cold as he said, "Since Kexin has spoken, then forget it."

"Kexin, the Venerable Sovereign wants you to go back. Let's not make him wait for too long, right?"

"Otherwise, the Venerable Sovereign might get angry."

Ke Xin didn't answer immediately. He turned to Lin Chengzhen and said, "Chengzhen, I'm sorry. I have to go home."

"I'll go back with you," Lin Chengzhen said.

Ke Xin shook his head. "Not yet. Don't come looking for me. Wait for me to come to you." Trust me, it won't take long."

Then, she said to the man in golden armor, "Brother Ji Wei, let's go."

"Alright." the golden-armored man replied.

The two of them walked towards the crack in the sky.

Lin Chengzhen hurriedly chased after him and said, "Karma!"

"Brat, how can you covet Heart-Crushing Princess? Get lost!" "Die!" The golden-armored man roared and formed countless blades that shot toward Lin Chengzhen. He was sent flying and spat out a mouthful of blood.

"Ji Wei!" Ke Xin shouted.

"Sister Wang, I'm doing this for your own good," said the golden-armored man.

This was the last sound.

The sky gradually returned to normal.

Only Lin Chengzhen was left on the spot, extremely dispirited. He kept muttering, "Karma...It's heartbreaking..."

....

Earth.

Coiling Dragon Villa.

Lin Fan didn't know about his eldest son, Lin Chengzhen.

He played with his youngest son and grew up together...

Then, he began to cultivate bitterly.

Time passed in cultivation, and in the blink of an eye, a hundred years had passed.

70 years ago, Lin Fan's cultivation state had already reached Emperor level 9.

In the next 50 years, the energy in his body kept growing and condensing.

However, there were no signs of a breakthrough.

However, 20 years ago, his energy and condensing speed had both dropped to a low point. It was as if he had reached a bottleneck and was unable to make any progress.

Lin Fan decided not to increase his energy and turned to study cultivation techniques.

Over the years, he had already mastered all the cultivation techniques and could easily circulate them to the extreme, greatly increasing his strength.

Then, Lin Fan set his sights on the Great Dao.

Thus, he entered the River of Time and continued walking, comprehending the Great Dao.

Gradually, other than the path of time, the paths of space, metal, wood, water, fire, earth, sword, saber, spear, and so on were all one million meters away.

On the long road, Lin Fan was the only one walking alone.

Dao had finally reached its limit.

However, he still did not feel like he was about to break through.

On this day, Lin Fan walked in the courtyard of the Coiling Dragon Villa. He looked at the swaying flowers around him, looked at the floating clouds in the sky, and listened to the chirping of the birds on the branches...Everything was so easy and natural.

For a moment, Lin Fan felt as though he had broken through a thin layer.

However, this thin film quickly disappeared.

This caused Lin Fan to sink into deep thought.

Holy Master?

It transcended the world and originated from the world. New novel chapters are published on

All these years, he had been staying in the Coiling Dragon Villa and had completely lost the opportunity to experience the world.

Perhaps he had to go out for a walk to have an opportunity to break through.

If he wanted to do it, he would do it.

Lin Fan didn't tell Hu Tian and the others about this.

Instead, he took a step forward alone and instantly appeared on the streets of Earth's city.

As a result, Coiling Dragon Villa lost a powerhouse with monstrous strength.

There was an ordinary pedestrian in the city.

Chapter 753 Changes in Times; Familiar!

The current Earth was different from what Lin Fan remembered. There were many changes.

Skyscrapers that had a great visual impact, flying motorcycles that only existed in movies and cartoons, and all kinds of people who were surrounded by flames, ice armor, or wings... They walked freely on the streets.

This feeling was like coming to a game world.

Initially, Lin Fan was curious.

After some interaction, he finally knew...

It turned out that the current Earth was affected by spiritual energy and the fragments of the Great Dao, allowing many people to possess special abilities.

These people with special abilities were different from the rest and possessed great strength.

Gradually, it became a trend.

Therefore, those who had special abilities liked to display their special abilities on the surface of their bodies to show their strength.

As for those without special abilities, they bought decorations to achieve the effect of special abilities to satisfy their vanity.

Lin Fan couldn't help but sigh, 'Times change too quickly.'

As Lin Fan walked, he tasted the delicacies of Earth and commented on them from time to time.

"The meat is soft, fat but not greasy."

"It melts in your mouth, leaving an endless aftertaste."

"Chewy, not bad!"

....

"Although people have changed a lot about fashion, their pursuit of food is still the same as before."

Lin Fan nodded his head in satisfaction.

When Lin Fan arrived before a hundred meter tall statue, he could not help but stop.

"Do you also want to obtain power from the Sovereign Lord?" The middle-aged man beside him asked.

"Sovereign Lord?" Lin Fan was puzzled.

When the middle-aged man heard that, his expression became even more confused than Lin Fan's.

"You don't know Sovereign Lord?"

Lin Fan nodded.

The middle-aged man said, "It's rare for there to be people on Earth who don't know about the Sovereign Lord. Could it be..." Don't you watch the news?"

Lin Fan said, "The place I'm staying at is special. There's no internet."

Lin Fan was lying.

Coiling Dragon Villa had internet, and the signal was especially good.

However, he rarely used it.

When he was still an ordinary person, he liked to play games and watch anime...

However, after possessing a powerful cultivation base, these things were all less attractive to him.

After all, anime and games were just the imagination of ordinary people.

What Lin Fan had experienced and possessed far surpassed these fantasies. How could this be attractive to him?

"On a deserted island?" the middle-aged man asked curiously."

As he said this, he sized up Lin Fan again. However, he couldn't sense any aura of someone who had returned from the wilderness from him.

"Are there still undiscovered islands?"

In the past, there were indeed many deserted islands on Earth.

That was because these islands were located on the vast sea, and it was difficult for planes and ships to find and reach them.

However, with today's technology and many people with special abilities, was there still an island that had not been discovered?

The middle-aged man didn't probe further and continued, ""The Sovereign Lord is the Lord of our Earth, Lord Lin Fan!"

When he said this, his face revealed an unconcealable look of admiration.

It was a kind of respect that came from the bottom of his heart.

" Lord Lin Fan has an omnipotent power. The reason why we are able to survive in this vast universe is all thanks to Lord Lin Fan. He is the savior of Earth!" Follow current novels on [novelb\(\(in\).\(com\)](http://novelb(in).com)

"You know what? According to incomplete statistics, Earth had encountered more than 10000 crises, including 7900 meteorite crises and 1200 alien attacks. As for other disasters on Earth, such as plagues, earthquakes, volcanic eruptions, and so on, there were countless of them!"

"If it wasn't for the Overlord, our Earth would have been destroyed countless times. In fact, everyone might have been captured and enslaved."

"The Overlord is the savior of our Earth!"

When the middle-aged man said this, he could not help but dance with excitement.

"In addition, many people who don't have special abilities or who only have very weak special abilities have the chance to obtain powerful special abilities bestowed by the Overlord as long as they believe in him!"

When Lin Fan heard this, his face turned weird.

He had indeed saved Earth a few times.

However, it was still far from ten thousand times, right?

And... When did he bestow any special abilities?

Then, Lin Fan thought of Little Rock, Zheng Cong, Song Wenxuan, and Riemann.

Could it be that when they recruited geniuses, they displayed some strength?

Then, it slowly spread like this?

The middle-aged man saw that Lin Fan seemed to have been influenced by his words and continued, "How is it? Isn't the Sovereign Lord great?"

Should he say that he was great?

How could he do that?

Lin Fan rubbed his nose.

"I don't know why," the middle-aged man said. "I keep feeling that you look familiar. Have we met somewhere before?"

"Don't misunderstand. I didn't mean to get close to you."

"Young man, can you tell me your name? By the way, my name is Huang Tao."

"Lin Fan." Lin Fan said.

After he finished speaking, he stepped forward.

His speed seemed slow, but it was actually fast.

In a few breaths, it disappeared.

Only the middle-aged man was left muttering.

"Lin Fan? Why does this name sound like..."

In the next moment, he suddenly thought of something. He suddenly raised his head and looked at the statue that was more than a hundred meters tall in front of him. His eyes widened.

....

Lin Fan had lived alone on Earth for a few years. He was relaxed and contented. His entire heart had become abnormally calm.

In the beginning, he still had a playful attitude.

They just ate, drank, and enjoyed the scenery.

Gradually, he seemed to fuse with the ordinary people.

Or rather, he was just an ordinary person.

Lin Fan bought a house in the small town and even found a job. He worked at sunrise and rested at sunset.

It reached a state of integration between heaven and man.

However, he was still far from a breakthrough.

On this day, Lin Fan raised his head slowly and looked up at the endless starry sky.

He felt that if he wanted to break through, he would have to go out and take a look.

This was the intuition of a cultivator.

He began to recall the current defense of Earth. It had a defense that could withstand the attacks of 100 Sacred Lords for 1500 years.

Then, he calculated his own methods. He had equipment that could defend against the simultaneous attacks of 20 Sacred Lords, 10 ultra-long-distance teleportation talismans, and 10 pairs of Sacred Lord-level speed-increasing boots.

In this way, there was no need to worry about the safety of Earth.

As for him, even if he encountered a Sacred Lord, he should be able to protect himself if he was no match for him.

With these thoughts in mind, Lin Fan finally took a step forward and disappeared from the face of Earth like a beam of light.

....

Chapter 754 Arriving at the Dark Universe!

The next moment, Lin Fan appeared in a soft world.

He took a deep breath. The air was filled with a sweet smell.

Lin Fan looked around and realized that the trees, houses, mountains...They were all made of candy.

This... It was actually a world made of candy.

"Woo!"

At this moment, a train that looked like Thomas roared and drove over from afar.

There was also a group of short people wearing colorful clothes.

When Lin Fan saw them, they also saw Lin Fan. They stuck their heads out of the car window and started chattering.

Lin Fan could not help but smile at this.

"Whoosh!"

At this moment, a bearded man dressed in red drove a flying motorboat and stopped in front of Lin Fan.

"Respected expert, hello. Welcome to Candy Planet. I am the governor of Candy Planet, Clay."

Lin Fan nodded, "Hello, my name is Lin Fan."

This expert actually told him his name?

Klein became extremely excited and said respectfully, "Lord Lin, our Candy Planet has all kinds of candies, as well as many special scenery and games. If you are interested, I can bring you around and play."

Lin Fan nodded, "Alright."

This candy planet was like a world in an anime. It was colorful and incomparably sweet.

If you wanted to eat candy, you could just open your mouth and eat all kinds of candy.

Lin Fan stayed here for half a year before leaving.

Next, he went to a world full of seawater and saw the legendary mermaids there. He went to the Flame World and saw the Earth's Core Man there. They went to the Snow World, where snow was everywhere and snowmen were everywhere. He went to the world in the sky and saw many angels with wings there.

All kinds of scenery, all kinds of customs...It caused Lin Fan's state of mind and comprehension to increase by different degrees.

The layer of membrane that had been broken through gradually became clearer and clearer.

Lin Fan had a feeling that it wouldn't be long before he could truly break through.

On this day, Lin Fan stood on a mountain peak, allowing the gentle breeze to caress his clothes.

He felt extremely relaxed and comfortable.

He looked down at the beautiful scenery for a while, then turned his attention to the system panel.

Lin Fan had over ten types of Holy Lord skills and over ten pieces of Holy Lord equipment...If a Holy Lord level expert knew about this, they would definitely be extremely jealous.

That was because even a Sacred Lord expert would only have one or two Sacred Lord level items.

Lin Fan's wealth had already far surpassed that of the Holy Master.

However, Lin Fan didn't care about these riches at all.

He immediately turned his attention to Lin Chengzhen.

That was because Lin Fan realized that Lin Chengzhen's name had turned into a flickering greyish-white color.

Something had happened to him! Updated from [novelb\(i\)n.c\(o\)m](http://novelb(i)n.c(o)m)

Lin Fan frowned.

He remembered that Lin Chengzhen once said that in the dark universe.

And so, Lin Fan took a step forward and instantly arrived at the Interstellar Exclusive Shop.

"Welcome," a bearded man said hurriedly. "What can I do for you?"

"I want the most detailed maps and spatial coordinates of the various universes." Lin Fan said.

"It's the right decision for you to come to our shop," the bearded man said. "I can guarantee that no one on the entire planet has more accurate maps and coordinates than us."

"Because we only updated these things a week ago."

Then, he took out a photon computer and said, "This is a super intelligent optical computer. It contains the most detailed map, as well as ultra-clear 3D communication and advanced signal technology..."

Lin Fan didn't wait for him to finish his introduction and said, "Alright, then I'll take it."

"Sir, are you preparing to go to outer space?" asked the bearded man. "We also have starships and all kinds of space supplies. Do you need anything?"

Lin Fan shook his head, "No need."

After he paid the money, he instantly disappeared from the shop.

The bearded man's heart skipped a beat. "Farewell, sir."

Lin Fan didn't hear that.

He moved the space according to the coordinates on the photon computer.

One had to admit that Lin Fan's cultivation was really terrifying.

After dozens of teleportations, he passed through a cosmos.

"Whoosh!"

When Lin Fan teleported out once again, a dense amount of meteorites were shooting down from above his head. It was so terrifying that it made one's scalp go numb.

Once this meteorite fell, it could instantly destroy a star!

He saw...

Lin Fan waved his hand casually.

"Tsk!"

All the meteorites disappeared like bubbles.

Then, his body flashed and he moved forward again.

In the starship below the meteorite, a group of people were pale and at a loss.

After a long time, they started to discuss.

"Just now...What happened?"

"Where did the meteorite go?"

"Could this be a dream?"

"No, it's not a dream! Look at the record!"

Soon, the image of the meteorite and the tall figure that appeared below it appeared on the main display screen of the starship.

Everyone widened their eyes in disbelief.

"Waving his hand...The meteorite will be gone..."

"He... Who is it?"

"So handsome!"

....

This was just something Lin Fan did casually.

Lin Fan couldn't hear these sighs anymore.

After searching for a direction and moving around for an entire day, Lin Fan finally arrived at a dark universe.

The air was filled with a cold and disgusting aura.

Lin Fan frowned.

His son had lived in this universe for hundreds of years?

"Brat, hand over all your treasures!" A monster that was several meters tall shouted ferociously.

Lin Fan didn't even turn his head around and just casually threw it out.

"Whoosh!"

The tall monster exploded like a balloon. Blood and flesh flew everywhere.

It was ferocious and terrifying!

Chapter 755 Find Lin Chengzhen; Go!

Lin Fan looked around.

The withered trees and writhing snakes were extremely desolate and decaying.

Then, he began to use soul communication with Lin Chengzhen.

"True!"

After a long while, a hoarse reply came.

"Dad?"

When Lin Fan heard his voice, he heaved a sigh of relief.

Then, his heart ached again.

What had his son experienced to make him sound so tired? There was even a hint of despair in his voice.

"Cheng Zhen, where are you now?" Lin Fan asked.

"I... I'm in the dark universe." Lin Chengzhen said.

"Coordinates." Lin Fan asked again.

"What? Coordinates...It was 912365, 892, 101."Lin Chengzhen said.

"Alright, I'll come and find you. Don't worry, I'll take care of everything."After Lin Fan finished speaking, he ended the soul communication.

In the past, Lin Fan would have been worried.

Now, he had nothing to fear.

Because even if Lin Chengzhen was surrounded by Sacred Lords, he was confident that he could take him away safely.

....

At this moment, in a quiet courtyard.

Lin Chengzhen's hair was disheveled as he lay on the table.

At this moment, in a quiet courtyard.

Lin Chengzhen's hair was disheveled as he lay on the table.

"Cheng Zhen, there are plenty of fish in the sea," Li Hao said. Don't be obsessed anymore. I know a pair of twins. They are pure, cute, and absolutely beautiful. The older sister is lively, and the younger sister is gentle. They are very beautiful. Why don't I bring it over for you to take a look?"

"Whoosh!"

Lin Chengzhen suddenly stood up.

"Cheng Zhen, what's wrong?" Li Hao asked. Have you thought it through? Haha! My persuasion finally worked!"

"My dad is coming," Lin Chengzhen said."

"Your dad?" Li Hao was stunned for a moment. "Are you dreaming? This is the dark universe, and it's unknown how far away from Earth. Uncle's cultivation is very high, but it's also very difficult to travel such a long distance..."

"Of course, it's not impossible." If they didn't get lost, they should be able to get here in tens of thousands of years."

"Dad!" Lin Chengzhen shouted."

"Hey!" Li Hao replied reflexively. Updated from novelb(i)n.c(o)m

Behind him, a deep voice sounded, "Little fellow, are you trying to replace me?"

Li Hao's heart tightened.

Because he didn't know that someone was behind him.

If the other party had evil intentions, wouldn't his head fall to the ground?

This was definitely a very dangerous thing.

Li Hao hurriedly turned around and jumped back several meters to maintain a safe distance.

However, Lin Fan didn't really care too much about this.

He immediately turned his gaze to Lin Chengzhen.

At this moment, Lin Chengzhen's appearance was unkempt, and his face was sickly. There were many wounds on his body, especially the wound on his abdomen. It hurt his foundation, not only making it impossible for him to circulate his energy, but also causing him to constantly endure great pain.

Lin Cheng didn't seem to be in any pain.

Lin Fan's face turned ugly.

Who was it that dared to injure Cheng Zhen to such an extent?

He raised his hand and waved. The surging light of life surged into Lin Cheng Zhen's body like spring water.

Lin Chengzhen felt his body warm up.

Then, the injuries on his body healed at a speed visible to the naked eye.

After a dozen breaths, he had completely returned to his original state, and his entire person became extremely relaxed.

"Thank you, Dad," Lin Chengzhen said in surprise."

Lin Fan waved his hand and said, "Why are you being so polite with me?"

"Tell me, how did you get your injuries?" Especially the one in the abdomen."

When Lin Chengzhen heard this, he seemed to have thought of something, and his expression became dejected again.

Lin Fan noticed this as well and frowned.

Li Hao, who was at the side, had his mouth wide open from Lin Fan's actions.

At this moment, he finally came back to his senses.

"Uncle Lin, aren't you too amazing?"

"Uncle Lin, is this the legendary Light of Life? He had actually completely cured Cheng Cheng in such a short period of time. It was too magical!"

"Uncle Lin, can you treat me too? Here... This place... Everyone here is injured."

Li Hao kept pointing at the wounds on his body and even pulled his pants.

Lin Fan knew that Li Hao was a good friend of Lin Chengzhen. Hence, he casually threw out a ray of light.

"Whoosh!"

The next moment, Li Hao jumped up.

"Alright, everything's fine! He's too powerful!"

When he turned his head, he happened to see Lin Chengzhen, who was still in a daze. He couldn't help but fall silent.

"Uncle Lin, please persuade Cheng Zhen too. Don't let him hang himself on a tree."

"What do you mean?" Lin Fan asked.

Hence, Li Hao roughly explained what had happened.

So...

Although Ke Xin had told Lin Chengzhen not to look for him.

However, Lin Chengzhen still couldn't stop missing her and spared no effort to find her.

Heaven did not disappoint those who put in the effort.

Lin Chengzhen finally knew where Kexin came from.

She was the youngest daughter of the Lord of the Dashi Dynasty, Klett, one of the four dynasties of the Dark Universe.

After learning about his background, Lin Chengzhen rushed to the Dashi Dynasty as fast as he could.

This action made Klett angry.

He claimed that he was not worthy!

Prince Ji Wei had even severely injured Lin Cheng Zhen with a single finger.

If it wasn't for Kexin's death, Lin Chengzhen might have already died.

When Lin Fan heard this, his face turned extremely ugly. He said in a deep voice, "There is no woman in this world that my son is not worthy of!"

"Cheng Zhen, I'll go to the Great Dynasty with you!"

In fact, after Lin Chengzhen's injuries had completely recovered, he had really thought of looking for Kexin again.

However, when he heard Lin Fan's words, he started to hesitate.

It didn't matter if he was injured, humiliated, or even killed.

However, he did not want to implicate his father.

Lin Fan said, "A man, why are you being so wishy-washy?" What, you don't like that Kexin anymore?"

"No, I like her!" Lin Chengzhen said, "But..."

"As long as you like it!" Lin Fan said, "Let's go!"

"Uncle Lin, can you bring me along?" Li Hao asked."

Li Hao and Lin Cheng were really good brothers who had gone through life and death together.

Back then, if he knew that Lin Cheng had really gone to the Dashi Dynasty to find his lover...

He must have followed them.

All these years, Li Hao had been in a terrible mood when he saw Lin Cheng Zhen's dejected appearance.

He wanted to help his good brother.

Even if the helper might be injured or even die.

Lin Fan could tell that Li Hao was serious. He nodded and said, "Do you know the way?"

"I know him!" Li Hao said.

"Alright, show me the way."

As soon as he finished speaking, Lin Fan, Lin Cheng Zhen, and Li Hao disappeared from where they were.

Chapter 756 Surprised; Not Worthy!

Great Era Dynasty.

A group of armored warriors patrolled the area in an orderly manner, looking extremely majestic.

Green Phoenix Hall.

A well-proportioned woman swayed her waist and slowly walked in.

The guards at the door knelt on one knee and said respectfully, "Greetings, Eldest Princess."

The palace maids inside also kowtowed and said, "Greetings, Eldest Princess."

The woman nodded at them and continued to move forward.

After a while, the Eldest Princess' gaze fell on a thin woman.

She...It was Lin Chengzhen's beloved, Kexin.

The Eldest Princess sighed and called out, "Little sister..."

After Ke Xin heard the voice, his ears twitched slightly. His lifeless eyes had a hint of spirit as he said, "Big sister."

The Eldest Princess and Ke Xin were half-sisters.

However, their relationship was even better than having the same father and mother.

They had played games together since they were young and helped each other. They were best friends.

"Little sister, how did you become like this?"

She reached out and gently caressed Kexin's thin face, feeling extremely distressed.

"Kexin, can you tell me about him?"

He... Naturally, it was Lin Cheng Zhen.

Ke Xin seemed to recall the scene of Lin Chengzhen in her mind, and a sweet smile appeared on her face.

"He is very tall, very handsome, and a very interesting person..."

Ke Xin started talking about Lin Chengzhen's appearance, their encounter, and their daily lives.

The more she spoke, the wider the smile on her face became.

After that, Ke Xin could not help but dance.

The Eldest Princess saw all of this and said, "Little sister, it seems like you really like him."

"But can he really bring you happiness?"

"You have to know that this is a world where the strong are respected. Does he have the ability to protect you from being bullied?"

"I believe him," Ke Xin said seriously.

At this moment, a loud and clear voice suddenly sounded from outside.

"Keribo, come out!"

"Boom!"

This voice was like a thunderclap that resounded throughout the entire Great Era Dynasty.

Everyone's ears buzzed. Updated from novelb(i)n.c(o)m

Keribo was the name of the Lord of the Great Dynasty.

Soon, roars could be heard from many places.

"How dare you!"

"Who dares to make a ruckus in my Great Era Dynasty?!"

"How dare you call my master by his name!"

....

The entire Great Era Dynasty became extremely noisy.

In many people's hearts, Keribo was not only the lord of the Great Dynasty, but also the heavens in their hearts!

"Whoosh!"

"Whoosh!"

Groups of people with powerful auras soared into the sky, wanting to find the person who was making a ruckus and kill him on the ground as punishment for his disrespect.

Among these people, there were star traveller level warriors who had just entered the void, star level warriors who could dominate a region in the star field, domain lord level warriors who enjoyed fame in the star field, universe level warriors who dominated the universe, and king level warriors who dominated the universe...

Their numbers were so great that the sky became dark.

"Get down!"

At this moment, another thunderous sound spread throughout the Great Era Universe.

"Hualala!"

In an instant, these experts fell to the ground like meteorites, creating holes in the ground and making it difficult for them to get up.

The might of one sentence was actually so tyrannical!

....

In the Great Era Palace.

Keribo was wearing a python robe, and his eyes were emitting a dim light as he looked at the sky.

There... Three people stood there.

They were Lin Fan, Lin Cheng Zhen, and Li Hao.

Keribo's expression was extremely solemn.

Clearly, he felt that Lin Fan wasn't someone to be trifled with.

After a long while, he said in a deep voice, "Gather the ten marshals, a hundred heavenly kings, and a million heavenly troops to follow me!"

"Yes, sir!" The soldiers in the distance said in unison.

....

In the void.

Lin Cheng Zhen and Li Hao knew that Lin Fan was very strong.

However, at this moment, they were still shocked.

After a few breaths of time, they arrived at the Great Era Dynasty.

What kind of speed was this?

It must be noted that even the fastest starship would take at least a year!

Also, what kind of power did Lin Fan use just now?

There were so many experts, and they all fell down with a roar?

"Whoosh!"

While Lin Cheng Zhen and Li Hao were in shock...

"Ang!"

A Golden Luck Dragon representing the Great Era Dynasty soared into the sky and instantly lit up the sky.

Then, countless armored warriors flew up and flew in his direction at high speed.

These armored warriors were at least at the planetary state.

Each of them had a tyrannical aura.

When these people stood together, they formed a military formation that was comparable to the might of heaven.

The terrifying aura was like a mountain that could topple and overturn the seas as it crushed towards Lin Fan, Lin Cheng Zhen, and Li Hao.

"Buzz!"

However, it was blocked by a transparent protective barrier on their surface and did not affect them at all.

The army that filled the sky stopped tens of kilometers away from Lin Fan, Lin Chengzhen, and Li Hao. They split up a path that was hundreds of meters wide in the middle.

"Ang!"

Ten huge golden dragons pulled a golden carriage out of the middle of the road and stopped steadily in front of the army.

The curtain of the carriage slowly opened, revealing Keribo, who was wearing a python robe.

"Who are you, Fellow Daoist?" he asked."

"You don't deserve to know my name." Lin Fan said calmly.

Lin Fan was returning the favor by saying that Lin Chengzhen wasn't worthy of marrying his daughter.

However, Lin Fan wasn't boasting.

That was because Lin Fan already knew about Keribo's cultivation base through the system.

He was only at Emperor level 6.

Under the observation of the Eye of Heaven, his entire body was densely packed with weaknesses.

Lin Fan could kill it with a single strike.

In this world, the strong were respected.

How could a weakling like Keribo know the name of an expert like Lin Fan?

Keribo's expression instantly turned ugly.

"Fellow Daoist, aren't you being too condescending?" he asked in a deep voice."

The generals behind him shouted loudly.

"Your Majesty, please allow me to capture this person!"

"Your Majesty, please allow me to capture this thief!"

"How dare you!"

....

Lin Fan dug his ears and said, "It's too noisy."

"Kneel down!"

"Hualala!"

The million warriors who were originally valiant and spirited suddenly felt as if a mountain had appeared on their shoulders. Their legs instantly bent and they knelt in the void.

Only Keribo seemed to be relying on a special piece of equipment to support himself in the Void with great difficulty.

Sweat...It kept rolling off his forehead.

As soon as he said that, a million warriors knelt down!

It was simply terrifying!

This scene made Lin Chengzhen and Li Hao, who were standing behind him, gape again. They were completely stunned on the spot.

Chapter 757 Revenge; Gold Mountain!

One had to know that this was not a million ordinary people.

Instead, they were all warriors above the star traveller level.

With just one sentence, he could suppress a million experts!

Such a scene was simply unheard of.

Lin Fan glanced at Keribo indifferently.

He did not continue to exert force to make him kneel.

After all, the other party might even be his in-law in the future.

He couldn't make it too ugly.

Lin Fan said, "Keribo, is my son worthy of your daughter?"

Keribo smiled bitterly in his heart.

All along, he had wanted his children to merge with the big forces.

Who would have thought that he would actually reject the greatest force?

The biggest force?

That's right!

This was what Keribo was thinking.

Because in this world, the strong were respected.

Lin Fan suppressed a million soldiers with a single sentence. At the same time, he suppressed himself so much that he couldn't even raise his head.

He himself was the greatest force!

Keribo took a few deep breaths to stabilize himself.

He said with difficulty, "Before..." Senior, I was blindfolded. Please forgive me."

Lin Fan said, "Let the children decide for themselves. How about that?"

"Senior is right." Keribo hurriedly said.

"Alright, let them meet first." Lin Fan said.

As soon as he finished speaking, his aura suddenly withdrew.

Keribo felt his entire body relax, and he almost fell to the ground.

"Senior, please." He bowed and said respectfully.

Lin Fan, Lin Cheng Zhen, and Li Hao were led by Keribo into the palace.

....

At this moment, in the Green Phoenix Hall.

After Lin Fan's voice spread throughout the entire Great Era Dynasty, Ke Xin and the Eldest Princess raised their heads and looked up into the sky.

When Ke Xin saw Lin Chengzhen in the air, he danced with joy.

However, after seeing countless experts flying towards Lin Chengzhen, she became extremely nervous.

When he learned that his father was going to lead an army to attack Lin Chengzhen, Kexin was even more worried.

If the Eldest Princess hadn't stopped her, she would have already run to Lin Chengzhen's side.

However, what happened next shocked Ke Xin and the Eldest Princess.

His father and a million soldiers had been suppressed with a single sentence?

Moreover, that person was actually Lin Chengzhen's father?

After a long while, Ke Xin came back to his senses.

"Cheng Zhen, Cheng Zhen is coming!" she shouted excitedly."

"Big sister, Cheng Zhen is coming!"

After the Eldest Princess heard Kexin's words, she slowly came back to her senses.

She stammered, "Yes..." That's right."

Then, he asked, "Kexin, Lin Chengzhen, he..." Who was it? Who is his father?"

At this moment, Ke Xin was completely immersed in joy.

How could she be in the mood to think about this? She said perfunctorily, "I don't know."

Then, he said, "Big Sister, look at my clothes. What do you think?"

"Should I comb my hair again?"

The Eldest Princess was about to speak...

"Whoosh!"

A golden light appeared in front of him and slowly condensed into a few figures.

They were Lin Fan, Lin Cheng Zhen, Li Hao, and Keribo.

"It's true!" Ke Xin said excitedly.

Almost at the same time, Lin Chengzhen shouted, "Kexin!"

Then, the two couldn't help but run towards each other and hug each other tightly.

The pain of longing was released at this moment.

If it was before, Keribo would definitely tremble in anger when he saw this scene.

At this moment, his face was full of smiles.

They were still in love.

Perhaps, he could become in-laws with this expert in front of him.

Lin Fan saw everything and said, "Chengzhen, it's your choice to fall in love. I can only guarantee that when you fall in love, you won't be stopped because of your family background...Do you agree, Keribo?"

"Absolutely not!"

Lin Fan said, "Also, I heard that a person called Ji Wei injured my son?"

Keribo's expression changed slightly.

He quickly raised his hand and waved it, forming a claw in the air. As if he was grabbing a chick, he instantly grabbed Ji Wei, who was wearing armor.

Ji Wei had also seen the scene of Lin Fan suppressing an army of a million with just a single sentence.

He had already panicked to the extreme.

At this moment, when Keribo grabbed her, her legs went weak and she almost fell to the ground.

Lin Fan raised his hand and pointed at Ji Wei's stomach.

"Boom!"

A terrifying force instantly sent him flying, and he spat out a large mouthful of blood.

His entire person became dispirited.

Lin Fan then said, "You hurt my son and I hurt you. I won't pursue it." As for the grudge between you and my son, wait until my son reaches the same cultivation level as you before he decides how to deal with you."

"Thank you, Daddy." Lin Chengzhen said.

Then, Lin Fan's gaze landed on Ke Xin.

"I already know about what happened between the two of you. I believe that you will live a happy life."

"Thank you," Ke Xin said seriously.

"I'm going to pick up your mother and sister before returning to Earth. This is a teleportation talisman." Lin Fan said to Lin Chengzhen.

"Okay, Dad." Lin Chengzhen said.

Lin Fan did not stay in the Dark Universe for long.

He took a step forward and followed the interstellar map, heading toward the demon forces at high speed.

After Lin Fan left, the atmosphere in the Cyan Phoenix Palace became much more relaxed.

The strength that Lin Fan had displayed was simply too strong.

This made everyone, and even the entire space, seem to have become heavy.

"Cheng Zhen, who is your father?" Ke Xin couldn't help but ask. Why haven't I heard you mention it in detail before?"

Hearing this, not only did Keribo, but the Royal Princess and Li Hao also pricked up their ears.

Clearly, they were all curious about Lin Fan's identity.

"I was able to reach my current level of cultivation before I was even 200 years old," Lin Chengzhen said. "A large part of the reason is because of my father." As for his identity and how strong he is, I'm not too sure."

When everyone heard this...

Li Hao's expression did not change. Follow current novels on [novelb\(\(in\).com\)](http://novelb(in).com)

Keribo, Ke Xin, the Eldest Princess, Ji Wei, and the others all widened their eyes.

One had to know...

Lin Cheng Zhen was a domain lord now.

A two-hundred-year-old domain lord, this talent...Simply monstrous!

Originally, Ji Wei thought that his cultivation level was far from Lin Chengzhen's.

Lin Chengzhen could forget about taking revenge on him in this lifetime.

Now, he was panicking.

"Cheng Zhen, you're only two hundred years old?" Ke Xin covered his mouth."

"Yes," Lin Chengzhen nodded.

"Why didn't you tell me before?" Ke Xin said.

"You didn't ask." Lin Chengzhen said.

"But...However, I'm over 20,000 years old this year...So much older than you..." Ke Xin said in a dilemma.

Lin Chengzhen smiled." It's fine. In our world, there's a saying that goes,'When a woman grows up, she'll carry a gold brick.' You're 20,000 years older. I'm carrying a mountain of gold."

Chapter 758 Head to the Demon Realm and Find an Opportunity!

Due to the war between the Demon Realm, the Ocean Realm, and the Buddha Realm, many universes had become extremely chaotic.

The New Moon Cosmos, as the headquarters of the Demon Realm, was even more chaotic.

Roaring demonic dragons, bared tiger demons, whistling bird demons, wandering fish demons... Follow current novels on [novelb\(\(in\).\(com\)](http://novelb((in).(com))

Almost every place was filled with an aura that made people tremble.

It was no wonder that they were like this.

This was because as the war between the demons and the Buddhas reached its climax, many great demons entered the Buddha Realm to massacre.

The buddhas were unwilling to be bullied, so they quietly infiltrated the demon world and carried out large-scale Download

enlightenment.

Not long ago, there was a huge incident where all the living beings on more than ten planets were converted into Buddhas.

....

Snow Moon Hotel.

A group of armored demon beasts with beast faces and human bodies walked in.

A powerful aura surged out like a wave.

The manager quickly came up and said respectfully, "Greetings, Milord."

The demon beast standing at the front raised its head and pointed its black nostrils at the waiter. "Have any monks come to your shop Milord."

The demon beast standing at the front raised its head and pointed recently?"

"No," the manager replied respectfully, "our shop never accepts monks."

"Is that so?" " I don't believe it. Search!" The demonic beast spat out two balls of hot air from its nostrils."

"Yes, sir!" The demon beasts behind him shouted in unison and turned into wisps of black fog, rushing into every room in the hotel.

Immediately, the rooms were filled with the sound of chickens and dogs jumping. It was very chaotic.

When the manager saw this, he could only sigh helplessly. On the surface, he became even more respectful as he entertained the demon beasts.

In a room deep in the hotel.

Qiu Ziqian and Lin Yulian were extremely nervous.

Although they were not from the Buddha Realm.

However, they were also people that the Demon Realm wanted to capture.

However, due to the recent incident in the Buddha Realm, the capture efforts had decreased a little.

"Don't be nervous, it'll be fine," Qiu Ziqian whispered."

Lin Yulian nodded vigorously.

"Whoosh!"

At this moment, a ball of black gas rushed in.

Gradually, it condensed into a demonic beast with a tiger head and a human body.

Its cold eyes swept across the room.

When it saw Qiu Ziqian and Lin Yulian, it only glanced at them.

This was because they all had very long hair and did not have any Buddhist aura. They were not from the Buddhist Realm.

There was no one else in the room.

Thus, the tiger-headed demonic beast prepared to return.

It was also at this moment that it caught a glimpse of Lin Yulian from the corner of its eye.

It paused in its steps.

It suddenly realized that it seemed to have seen her somewhere before.

After a while, a wanted person overlapped with Lin Yulian and Qiu Ziqian in the mind of the tiger-headed demonic beast.

"It's you!" it shouted sternly.

As soon as it finished speaking, it pulled out the long saber at its waist and slashed at the two of them.

"Boom!"

A huge ravine was formed on the ground where the blade energy passed.

Qiu Ziqian and Lin Yulian used all their strength to dodge to the side.

"Whoosh!"

The demon beasts who were originally checking the other rooms thought that they had encountered the Buddhist people and rushed over.

Soon, Qiu Ziqian and Lin Yulian were surrounded by five demon beasts.

One of the demon beasts with a wolf head and human body said, "Sixth Brother, what's going on?"

It clearly felt that Qiu Ziqian and Lin Yulian were not Buddhist people.

Then, why did the tiger-headed demonic beast attack?

"They are the targets of the second level mission," the tiger-headed demonic beast said.

"Level 2 mission?!" All the demon beasts were shocked.

The Shifters had a Mission Hall with missions ranging from Level 10 to Level 1.

Level 1 was the highest level mission.

Level 2 was definitely a big quest!

Once it was completed, the reward would definitely be very generous!

Instantly, the demons looked at Qiu Ziqian and Lin Yulian with greed in their eyes.

It was as if he had seen two treasure chests.

Lin Yulian couldn't help but shiver.

Qiu Ziqian suppressed the fear in her heart and said, "Yulian, don't be afraid. We'll be fine."

"Are you alright?" The tiger-headed demonic beast grinned and said, "It's indeed fine now. However, if you resist, that might not be the case."

"Get on the ground, or else!"

It directly raised the long saber in its hand and emitted an extremely terrifying cold air.

At this moment, a loud and clear voice suddenly sounded from behind.

"Otherwise, what?"

The demons turned around to look at the voice.

He only saw...A tall and handsome man appeared in his field of vision.

He... It was Lin Fan.

"Lin Fan!" Qiu Ziqian said excitedly.

Lin Fan's figure flashed and appeared right in front of her.

"Dad!" Lin Yulian said.

Lin Fan said, "You guys have suffered."

The tiger-headed demon said, "It seems that you are not willing to be captured without a fight. Then..." Die!"

As soon as it finished speaking, it raised its saber and slashed again.

"Tsk!"

Lin Fan's eyes didn't even move as he waved his hand.

"Whoosh!"

A vast sword light whistled out and instantly covered the area. It fell from the head of the tiger-headed demon.

"Plop!"

In the next moment, the tiger-headed demon was split into two from the middle and fell to the ground, completely losing its vitality.

The remaining demons' pupils constricted.

"What?"

"Everyone, be careful!"

All the demons drew their weapons as if they were facing a great enemy.

However, some things didn't have great effects just because one was prepared.

He saw...

Lin Fan's palm swept out.

"Whoosh!"

A sharp force swept out.

The entire space seemed to have been frozen, and all the demons stopped their movements.

In the next moment...

The bodies of the demons split apart smoothly from the middle and landed heavily on the ground, making a muffled sound.

His life force had completely dissipated!

" Zi Qian, Yu Lian, it's fine," Lin Fan said."

Qiu Ziqian and Lin Yulian were stunned for a few seconds before nodding vigorously.

Then, Lin Fan said," Yulian, let's go get the thing you need.""

Lin Yulian's beautiful eyes lit up when she heard this.

Then, he said worriedly,"That thing is in the Demon King Palace..." Why don't we look for another opportunity first..."

Lin Yulian had come from Earth to find the things she needed in her dream.

That thing was extremely important to her, even related to her life.

However, when she came to the Demon Realm, she became less anxious.

On the one hand, it seemed that the distance was close, so even if he did not get it, it would not be as painful as on Earth.

On the other hand, Lin Yulian knew how powerful and terrifying the demons were.

Even though Lin Yulian had seen Lin Fan's strength just now.

However, this place...After all, they were demons. Who knew how many experts there were in the Demon Palace.

What kind of eyesight did Lin Fan have?

He could easily see the worry in Lin Yulian's heart. He smiled and patted her head."Don't worry, I'm just taking some things from the Demon Palace. There won't be any danger."

Chapter 759 Breakthrough; Birth of a Saint!

Demon Palace.

A large group of powerful demons stood in line in front.

With their protection, even a fly would find it difficult to fly in.

However, Lin Fan, Qiu Ziqian, and Lin Yulian appeared in front of the door and walked in.

"Dad, be careful of these big demons. They are very powerful and might know me."Lin Yulian said carefully. Updated from novelb(i)n.c(o)m

"Be careful..."

At first, Qiu Ziqian and Lin Yulian were very worried.

But soon, their mouths were wide open.

That was because Lin Fan brought them through the door.

However, the demons at the door did not seem to see it. They continued to stand quietly on both sides.

Even after the three of them walked in completely, they did not encounter any big demons blocking them.

In fact.

This was normal.

This was because Lin Fan had obtained the Sun Moon Spirit Technique from the system.

This was a technique that could conceal one's figure.

However, in the beginning, it was only a king level cultivation technique.

After that, Lin Fan had forcefully upgraded it into a Holy Lord level skill.

For Lin Fan to cast the Sun Moon Spirit Skill of the Holy Lord level, unless one's cultivation state was close to his or the Holy Lord himself, there was no way that one would be able to discover it.

When the three of them reached the depths of the Demon Palace, Lin Yulian finally couldn't help but say, "Dad, they can't see us?"

Lin Fan smiled, "Yes."

"This... He's too powerful." Lin Yulian said sincerely.

"Can you feel where it is?" Lin Fan asked.

"In front!" Lin Yulian pointed ahead excitedly.

Lin Yulian's blood started to boil as she advanced.

This was a tremor that came from the soul.

The three of them could not help but quicken their pace.

A moment later, they appeared in front of a tall, heavy metal door.

At the top of the door, there were three big words written in a flamboyant manner: Treasure Vault.

Two powerful demons stood on both sides, making people feel intimidated.

Lin Yulian tried her best to suppress her excitement and said, "Dad, the thing is inside."

Lin Fan nodded, "Alright, let's go in."

As soon as he finished speaking, he walked forward again.

"Dong dong dong!"

As the three of them got closer and closer.

Lin Yulian's heart began to beat wildly, as if it would jump out of her throat at any moment.

On the one hand, he was excited. Soon, he might be able to obtain what he had been thinking about day and night.

On the other hand, he was nervous and afraid. After all, this was the Demon Palace's treasure vault, and the defense was definitely very tight.

"Plop!"

When they got close to the metal door, the eyelids of the demons standing on both sides suddenly sank, and they fell straight to the ground with a dull sound.

Then, the metal door let out a crisp sound and opened wide.

"Phew!"

The dense spiritual energy was like a tidal wave, whistling toward the faces of the three of them.

At the same time, all kinds of treasures appeared in front of the three of them.

Lin Yulian's gaze fell directly on a pearl that was shining with a fiery red light in the middle. She said excitedly, "Dad, over there!"

Lin Fan raised his hand and the pearl flew into his hand.

Then, he handed it to Lin Yulian.

"Whoosh!"

The moment the orb touched Lin Yulian, it turned into a stream of light and quickly entered her body.

Seeing this...

Lin Fan's hands were drawing in the void as a series of strange talismans shot out and entered Lin Yulian's body.

Lin Fan had long since learned from the system that Lin Yulian would obtain the memories of the Immortal Phoenix after coming into contact with the pearl.

What he was doing now was to seal the Immortal Phoenix's memories so that his daughter would not be affected in any way.

After a long time, Lin Yulian slowly opened her eyes. Golden light flickered in her eyes.

"Phew!"

At the same time, a powerful aura spread out from her body.

"Yulian, how are you?" Qiu Ziqian asked."

"Mom, it's fine now. I'm fine now!" Lin Yulian said happily. Furthermore, my cultivation level has broken through to the universe level!"

"Really?" Qiu Ziqian asked excitedly. That's great!"

"Yulian, Ziqian, shall we go back now?" Lin Fan asked."

"Alright." The two of them said in unison.

With a wave of his hand, everything in the treasure vault entered his internal dimension.

Even though the items in the treasury were of no use to him.

However, bringing it back to Earth for Xia Bing, Xia Xue, Hu Tian, or other people on Earth was still useful.

After all, it was just a casual matter.

"Whoosh!"

In the next moment, Lin Fan, Qiu Ziqian and Lin Yulian arrived on Earth.

Hu Tian, Xia Bing, Xia Xue, Su Ningjing, and the others shouted happily when they saw them.

"Lin Fan!"

"Zi Qian!"

"Lin Fan!"

"Zi Qian!"

"Yu Lian!"

A series of calls rose and fell.

Today, the Coiling Dragon Villa, which had been silent for a long time, became lively again.

Lin Fan spent a few blissful days with his loved ones.

On this day, he came to his room.

Lin Fan took in a deep breath and said, "It's about time to break through."

Breakthrough!

That's right!

The experience of life during this period of time had already allowed his cultivation to reach a complete realm.

The layer of membrane that he had broken through was within reach!

"Phew!"

Lin Fan exhaled out gently, causing the entire Earth to be swept up by a cool breeze.

In the next moment...

Lin Fan's body suddenly shot out a golden light.

This golden light was not dazzling, but very gentle. It illuminated Earth, the Spring Region, the Four Seasons Universe, and many other worlds, making them extremely warm.

All the living beings that were illuminated by the golden light began to have more vitality in their bodies.

The man with high nearsightedness suddenly regained his vision.

The woman with the inconvenient legs suddenly stood up.

The old man, whose heart had just stopped beating, suddenly resumed breathing.

....

Countless people started discussing.

"What's that?"

"Why is there suddenly a golden light?"

"Could it be that an immortal is about to appear?"

"Quickly take a photo and post it on your WeChat Moments."

....

In the universe.

"What kind of light is this? My cultivation suddenly became smoother."

"My mind is so clear."

"This golden light actually covers such a far distance."

....

Some ancient existences that had been sleeping for countless years opened their eyes one after another.

"Could this be..."

"Holy Light!"

"That's right, it's Holy Light!"

"Someone is about to advance to the Holy Lord level!"

"Which fellow daoist is it?"

"I originally thought that the path to becoming a Holy Master had been cut off, but now I see hope again!"

Obviously, the knowledge of these ancient existences far exceeded that of ordinary people.

....

At this moment, Lin Fan's figure continued to rise and rise on Earth.

"Break!"

"Whoosh!"

Billions of rays of light shot into the clouds and traversed the universe.

At the same time, a tall figure appeared in countless worlds, and a melodious, melodious music that struck the heart sounded.

The birth of a Saint was a joyous occasion for heaven and earth!

Chapter 760 The Fall of the Holy Master; the Heavens and Earth Mourn Together!

At this moment.

Almost all the living beings raised their heads to look at the tall figure. Their eyes were filled with yearning, excitement, and speculation...

As the owner of this figure, Lin Fan was currently floating in the void above Earth.

He took a light breath, and the spiritual qi that permeated the void automatically gathered and entered his body like a river entering the sea.

Lin Fan clenched his fists gently. He felt as though he could control countless living beings with just a raise of his hand.

Mysterious and powerful to the extreme.

Then, Lin Fan turned his attention to the system panel.

He had finally reached the Holy Lord level.

Lin Fan's lips curled up. He was in a good mood.

If they were in a good mood, they should celebrate.

Hence, Lin Fan shifted his attention to Curse Arts and Tyrant.

[Do you want to spend 100 million spirit stones to curse Tai Ba?]

"Yes, sir!"

[Do you want to spend 100 million spirit stones to curse Tai Ba?]

"Yes, sir!"

[Do you want to spend 100 million spirit stones to curse Tai Ba?]

"Yes, sir!"

....

The curse only ended after ten times.

Lin Fan's face was filled with satisfaction.

....

On the other hand.

Demon Palace.

"Treasure...The treasure vault has been stolen!"

"The treasure vault has been stolen!"

"Someone come!"

"Someone come quickly!"

Shouts resounded throughout the entire Demon Palace.

The investigation and interrogation proceeded quickly.

However, there was no effect.

This made all the demons anxious.

One had to know that this treasure vault stored many of the most precious treasures of the demon race.

Among them, there were even things that even Sacred Lords cared about.

It was one of the demon race's foundations.

Now, they had all disappeared without a trace?

This was definitely a major event.

A major event that had never happened before in the demon race!

The current leader of the demon race admitted that he could not bear such a responsibility. After thinking about it again and again, he resolutely reported the matter to the demon ancestor...

Tyrannical!

Recently, Tai Ba had been suppressing the power of the curse with all his might. He had just stabilized a little when he received a report from the demon clan leader.

Originally, he didn't want to pay attention to it.

However, when he found out that his treasures had also been stolen.

He felt as if he had been slapped in the face and was a little angry.

Thus, Tai Ba still came to the Demon Palace from outside the 33 Heavens.

"Welcome, Demon Ancestor!" All the demons said in unison.

Their tone was filled with respect, excitement, and fear.

Tai Ba did not respond at all. He leaped and directly arrived at the treasure vault.

"When the inspectors arrived, the two king-level demons guarding the door had already fallen asleep," the demon lord hurriedly said."

Tai Ba's cold eyes swept over the two King level demons.

"What did you see?"

The two king-level demons said in a very mechanical voice, ""We didn't see anything."

Tai Ba was using a special control technique that allowed him to know the true situation from the depths of his soul.

And they still gave the same answer. Clearly, they really didn't know.

Tai Ba frowned and took a step forward, entering the treasure vault.

The treasure vault was now empty. There was nothing left.

His eyes emitted golden light as he used a secret technique to investigate.

Instantly, time quickly reversed in his vision.

Back to when the treasure was still there.

While Tai Ba was silently watching, all the treasures suddenly evaporated.

Even he couldn't figure it out.

This was normal.

One had to know that Lin Fan's mastery of the Power of Time had already reached an extremely deep level.

Perhaps only Sacred Lords who specialized in time could see through it.

And Tai Ba only knew a little bit of it.

Naturally, he couldn't see Lin Fan.

On top of that, Lin Fan had even set up a Holy Master level formation on the surface. This had added to the disturbance.

Tai Ba's expression turned ugly.

He actually couldn't see it!

This explained many problems.

This was the attack of a Holy Lord!

Instantly, figures appeared in his mind.

He was about to say something.

"Whoosh!"

At this moment, Tai Ba's body suddenly emitted a dense black aura of curse.

"Puff!"

He spat out a large mouthful of blood.

Then, a violent and brutal aura erupted like a volcano.

"Roar!"

Tai Ba let out a maniacal roar and shot out a circle of tyrannical energy, directly turning the treasure vault that was densely covered in protective power into dust.

The demon lord and the other demons were all attacked indiscriminately by Tai Ba. They spat out a mouthful of blood and looked very dispirited.

"Demon Ancestor, what happened?" The demon lord said in horror.

Tai Ba was not in the mood to answer.

He would laugh maniacally at times, cry at times, be angry at times, and be happy at times...His entire face became distorted.

At the same time, the power of the curse around him continued to rise.

"Roar!"

Tai Ba roared towards the sky once again, shooting out an incomparably powerful energy in all directions.

"Puff!"

With this roar, at least half of the Demon Palace had died.

The demon lord who was closer to him also fell to the ground and found it difficult to get up.

It was also this roar that gave Tai Ba an additional strand of consciousness.

He sensed his own condition, and his expression was extremely ugly.

This was because he realized that the curse had already covered his entire core. Moreover, it was continuously melting and destroying his core.

And he was simply unable to stop it!

Tai Ba became extremely crazy.

He swept up a terrifying energy and rushed into the void. He roared, "The Bodhi Fruit of the Buddhist Sect has mastered the Great Dao of Curse. It destroyed my Dao foundation and damaged my core. Today, I shall use all my life force and strength to curse the Bodhi Fruit!"

"Roar!"

Tai Ba roared again in the void.

"Boom!"

Then, his entire body exploded like the universe. Billions of dazzling lights shot out, illuminating countless worlds.

At the same time, a series of wails sounded between heaven and earth. Everyone felt an inexplicable sense of sadness.

The death of the Holy Master was a tragedy for the world!
