

## Rebirth of the Best Businesswoman at School

### Chapter 12: Fighting

Li Yunmei did not expect that Jian Ai would dare to go against her and even ridicule her. She immediately felt that she had been insulted. No one in the entire cohort dared to talk to her like that.

“Jian Ai, I think you are tired of living. Today, I will let you understand the consequences of offending me!” Li Yunmei flung her bag and instantly transformed into a gangster. She waved her hand.” Beat her up!”

1

The four girls rushed forward without a word. However, Jian Ai had no intention of running away. Instead, she advanced instead of retreating. Her eyes turned cold as she rushed forward.

Because they had just left the school, they instantly attracted many students from Erzong who had just finished school when the two groups started fighting.

Li Yunmei and two of the girls ran towards Jian Ai while the other two girls aimed at Guan Tao behind Jian Ai.

Li Yunmei raised her leg and was about to kick Jian Ai’s stomach while the other two girls spread their fingers and pounced to pull Jian Ai’s hair. However, just as Jian Ai was about to go all out and not let the other party bully her for no reason, a scene that shocked even Jian Ai happened.

When Li Yunmei’s leg was about to kick her, Jian Ai instinctively turned to the side and quickly avoided her attack. Li Yunmei did not expect Jian Ai to be able to dodge so quickly. As she used too much strength, she was unable to control it due to inertia. She lifted her right leg and pounced forward.

“Ah...”

Li Yunmei could not help but scream. Then, under the crowd’s gaze, she made a huge split on the ground. It was a standard split.

4

Hiss...

The onlookers sucked in a breath of cold air when they saw this. They subconsciously clamped their legs together. Just looking at it made them feel pain.

At the same time, Jian Ai raised her fist and punched the chest of the second girl. She raised her leg and kicked the stomach of the third girl.

The strength of her punch and kick was extraordinary. The two girls retreated a few steps before sitting on the ground. At that moment, they felt as if their bodies were overturning seas and rivers. The impact instantly drained their strength that they would not be able to get up for a while.

This scene happened in the blink of an eye. Jian Ai's movements were natural and smooth, and she easily knocked the three girls to the ground.

Everyone widened their eyes in shock and couldn't say anything. Even Jian Ai was stunned. All of her reactions just now could be said to be instinctive. There was no thinking process at all.

2

Initially, she thought that even though the other party had more people on their side, she could just go all out. At the very least, she could not let people like Li Yunmei feel that she was a doughnut that others could easily squash. Even if she could not defeat them, she had to let them suffer a loss so that they would not dare to provoke her in the future.

Unexpectedly, the moment she moved, it was as if a god of war possessed her. As soon as the other party moved, she could predict their next moves, which made her retaliate so easily.

2

Could this be... related to the mental cultivation technique she had just learned?

“Ah... Let go...”

While she was still in a daze, Guan Tao's scream came from behind her. Jian Ai snapped back to reality and turned around, only to see Guan Tao pulling a girl's hair. Another girl also grabbed her hair, and the three people's legs were also kicking and fighting.

Seeing this, Jian Ai quickly stepped forward and kicked the girl who was holding Guan Tao's hair to the ground. Guan Tao felt that the force that was restraining her was no longer there, so she pushed the last girl to the ground.
