

The Ruined Bride of Velvet Nights by Brick Moving Ant

Chapter 84

- Chapter 10
- 
- Years passed before I heard news of the Reyes family again.
- 
- The shares Callum had given me were substantial. My selling them to his biggest competitor had devastated Reyes Industries, pushing them to the brink of bankruptcy.
- 
- The Blake family offered help with conditions. Sophie’s hand in marriage would save the company.
- 
- Callum agreed.
- 
- The wedding was hastily arranged but lavish. Yet on the big day, Callum left Sophie at the altar.
- 
- That night, a heavy rain fell.
- 
- Sometimes I still heard his friend’s words echoing: “Cal, did you really miss that emergency call the night Mila was born?”
- 
- A week later, he found my new address. I moved immediately.
- 
- Money wasn’t an issue anymore – I could buy houses anywhere, enough to ensure he’d never find
- 
- me again.
- 
- The fallout was spectacular. The Blakes were furious about the abandoned wedding. Callum declared he’d never marry again.
- 
- Their bitter feud created an opening their competitors had waited for. Reyes Industries crumbled completely this time.
- 
- Callum Reyes – once the golden boy of high society – fell hard. Those he’d stepped on during his rise took their revenge with relish.
- 
- He couldn’t protect himself, let alone Mila.

The day Reyes Industries declared bankruptcy, I was vacationing in the Maldives.

Sun, sand, and the attention of an attractive young man who actually meant what he said.

Life was good.
